

## His Queen

Who said you have to be royalty to be the queen?  
Who said you needed to marry royalty to have a queen? Does blood make you the Queen? or is it your actions, ability to lead that makes one the Queen! Nami angaz but the Queen is needed, my Queen!

I am Zwelibanzi Cedric Mkhize born and bred in Durban. I am a CEO at my father's company in Joburg. I am the future King of my people back home however I am still running the company since my father is still ruling. I have a girlfriend that I love so much, her name is Nokuthula Hlatshwayo she's also from Durban eMlazi, she's beautiful and successful. She works as an accountant so when I marry her there won't be any talks about her wanting my money and most importantly she is royalty and surely my

parents are gonna be impressed with her.

Granny:"Good girl..remember to always kneel whenever you give your husband food but first..."

me:"I wash his hands gogo and please let's leave this husband talk ngimncane kabi" she laughed and kissed my hands then ate.My name is Sindisiwe Khumalo I am from Durban ngina 18 years doing my matric, I was raised by my grandmother whom my mother left me to, apparently she first had a child from a boyfriend.. then me from the friend and then went back to the first boyfriend so yeah all my life I have never seen her, she doesn't send money for me to eat so I guess I am dead to her as much as she is to me.All my life I have lived being insulted by my aunts and uncles calling me a burden but gogo didn't care she'd stand up

for me, she still does.

Sindy Khumalo my life begins here.

It was October and k had started with my final exam, I was already in my uniform when my uncle got in..well my grandmother has 4 kids two uncles and two aunts i don't count my mother because she's already dead to me even if I could find her alive it wouldn't make a difference.

uncle:"Ya wena" I wanted to laugh because uyadelela plus he's ugly but I didn't instead I kept quiet and ate my foot.

Uncle:"nxx yazi I don't even know why I greet you"

me:"makes the two of us" he clicked his tongue and made food for himself "kanti awudli ngani kwakho?" I asked looking at him, he has his own house but he always comes and eats at gogo's house.

Uncle:"nxx Rhaa leave me alone wena doti this is my mother's food that I am eating nawe go to your mother and ..oh konje she doesn't want you, you are just a rubbish that no one wants s..."

Gogo:"Yhe wena Muzi fuseg marn!!!" she yelled coming from the passage.

Uncle:"aw mommy"

Gogo:"Fuseg..leave!!"

uncle:"Hawu ma!"

Gogo:"ngithe Hamba la!! i'm sorry my baby..don't mind him uyezwa?" she said wiping

my tears I nodded.

me:"I should leave before I get late, bye gogo"

Gogo:"bye baby..here" she handed me a R50 note I took it and left.

Days went by and my exams were coming along just fine and I was giving it my all because I wanted to get a bursary and go to university. Anyway on the 25th of November I finished my last paper and returned home, As I got closer I noticed people in the yard I got closer and one of the neighbours came to me and held my by my hand leading to the house, the couches from the lounge were moved and there was a mattress there and a candle, my older aunt was sitted there crying.

me:"What's going on?"

Older uncle:"Mother passed away" I kept quiet waiting for him to say he was joking but he didnt, tears filled my eyes and a loud sob escaped my mouth "Hey fuseg shut up" I

ignored him and cried louder.

Neighbour:"Phephisa sisi" she said brushing my back then some woman came with a glass of water and handed it to me.

Later on I was in my room when my cousin came to call me.

me:"You called me uncle"

Older uncle:"Now that mother is not here..there is nothing left for you here...leave!"

me:"Cha"

Older uncle:"Sorry?"

me:"ngithe cha! ungizwile manje uthi nyori yani"  
I clicked my tongue and went back to my bedroom and locked myself in then cried, I knew that I had made things worse and maybe by tomorrow they were gonna chase me out.The following days were horrible but I always ate because our neighbour always brought food in my bedroom for me.The day of

the funeral came and passed. It was around 18:00 when both my uncles kicked my bedroom door open, they took my clothes and me then threw me out, just after they did that a maroon Dodge stopped next to me by the gate and a beautiful lady stepped out wearing formal with a briefcase.

Lady: "Hello? are you okay?"

me: "yes ma'am i'm fine"

Lady: "What's your name?"

Uncle: "yhini ngemibuzo wena nondindwa?"

Me: "Sindisiwe Khumalo"

Lady: "Oh gogo's Sindy. .come" she opened the gate and we got in "I am Ntombi Sibiya..i'm Grace Khumalo's lawyer"

Uncle: "aw hello ms beautiful lawyer" I secretly rolled my eyes because this fool had called tge lady a whore not so long ago.

Older uncle: "Follow me ma'am even though I

don't see the need to call this orphan inside with us..but it's fine" when we got inside the lawyer read the will Gogo left everything for me including the house and an amount of R450 000 which I didn't know where she got it.

Aunty:"This is fake!!!"

Ntombi:"Feel free to contest the will but it will be a waste of money"

Uncle:"aw mshana" I ignored him and went to get my clothes. "Let me help you wena mshana wami" I kept and went back inside.Ntombi took my number and left saying she will call me to come and sign some documents.

It was the second week of December and my parents were coming to Joburg..well my father

had meetings this side so mom was just coming with and of course to see me, I have three siblings Sbonelo(My elder brother but mom had him before meeting dad) then my little brother Ntobeko and then the princess of the family Smangele. Anyway I was fetching them from the airport (mom and dad).

me:"Mother" we hugged.

mom:"How are you my boy?"

me:"Good thanks and how are you mom?"

mom:"good son"

me:"Dad" we shook hands.

Dad:"How are you?"

me:"good" we got to my car and I drove to my house. Thuli was not around so I showed my parents their bedroom then returned to the office. I was still busy on my laptop when a knock came through..

me:"Yes" I said with my eyes fixed on my laptop,

I heard someone clearing their throat I looked up and found my ex in a black short dress and red heels.

Lexi:"Hello lover boy" I leaned back on my chair and looked at her from head to toe I won't lie she looked sexy.

me:"Lexi" she took few steps towards me and sat ontop of me.

Lexi:"still sexy I see" I chuckled staring at her juicy lips "Kiss me..I know you want to" I didn't think twice I kissed her hard and she gladly accepted me...in a matter of seconds our clothes were flying off our bodies.I took a rubber from my wallet and locked the door then fucked her hard.

Lexi:"gosh I missed you"

me:"Leave my meeting is about to start" she looked at me shocked "gqoka uhambe"

Lexi:"wow" hehe this girl! what was she

expecting? a cuddle? nah I only do that with my Thuli.

It was around 19:00 when I got home.

me:"Evening"

Parents:"evening son" I went to my bedroom and found Nokuthula pissed.

Thuli:"How long are your parents staying here?"

me:"For as long as they want" I said taking off my clothes and went to the bathroom. When I got out I found her pacing up and down.

Thuli:"they should leave..why didn't you book them into a hotel anyway? can you believe that mother of yours made me cook?" laughed lotioning my body.

Me:"i'm sure that food is burnt"I didnt entertain her nonsense of wanting my parents gone.

Thuli:"is that all you heard Zweli? I said I..."

me:"Awthi ngiyodla" I left her there.Thuli can be

very dramatic at times that's why I dont entertain her.

Mom:"Aw kodwa Zweli...where did you get her?"  
another drama queen.

me:"She's actually from Durban.. and a princess"

Dad:"Really?" I smiled and nodded.

me:"yebo baba"

Mom:"ay she doesn't behave like one"

Dad:"Maybe you should teach her a thing or two since you are here darling?"

me:"Yeah she could learn a lot from you"

Mom:"Fine" I smiled maybe it's a start of a good relationship between my mom and the woman I love.

The next couple of days were okay, my uncles and aunts being too friendly and nice to me...but one thing I didn't do was to eat the food they gave me, well I was just being cautious phela you might not know with them. So this day was Friday and I was coming from Enhle's place...Enhle is my friend. We saw my older uncle with the lawyer by the river cosy.

Enhle: "it's strange if you ask me" she said after I had told her everything.

me: "indeed but I don't care what they do in their time"

Enhle:"Cha Sindy these people are planing something and I think it's about your inheritance"

me:"I doubt the lawyer would risk her job like that"

Enhle:"You don't know what your uncle is promising her right now..look I don't mean to scare you..just be careful okay?" I nodded.

me:"okay" we hugged.

Enhle:"Bye" I waved and passed my neighbours gate but she yelled for me to come back.

Me:"Sawubona ma" she smiled.

maNdlovu:"Hello my child how are you?"

me:"i'm fine ma and you?" she smiled.

MaNdlovu:"Good uhm..my son wants to talk to you" just then her son Mduduzi walked in and greeted me i think he is about 30 or 33 years i'm not sure.

Mdu:"Hi"

me:"hello bhuti?"

Mdu:"i'm sorry for your loss"

me:"Thank you" he smiled

Mdu:"So uhm..has anyone or a lawyer arrived at your house?"

me:"Yes some lady who said was grandma's lawyer"

Mdu:"oh alright I believe her name is Ntombi right?" I nodded "okay uhm Cindy i'm gonna need the documents she gave you .I know everything about Gogo's will and she asked me to look after you because of your aunts and uncles"

me:"uhm she didn't give me any documents she said she will call me to come sign"

Mdu:"That's strange..okay when you go tell me we will go together okay?"

me:"okay" MaNdlovu came back with food and we ate then I helped bhuti Mdu with the dishes and returned home.

05:00 in the morning there was a knock at our bedroom door.

me:"Could you please attend that?"

Zweli:"hay kahle wena" he said covering himself.

'Nokuthula!!!' arg I woke up and wore my robe then attended the door.

me:"Really??" I said annoyed looking at Zweli's mother.

Her:"You have 20 minutes to shower and come down" she then turns and walked away nxx I closed the door and returned to bed and slept.I

woke up at 06:30 and took a shower and got ready for work, I then went down with my bags and I was welcomed by a delicious smell.

me:"smells devine in here" I took a seat as Zweli's mother dished up but she only dished for three people then sat down and ate.

me:"Mxm" I stood up and went to the kitchen but there was nothing left I returned to the dinning room "and where is my food"

Zweli:"Askies?" he said with his eyes furrowed.

me:"I want food"

Zweli:"Then cook!" I was about to answer when he pointed at me and said "Fuseg!" I took my bags and car keys and left. Maybe it's time I got a maid I uploaded on Facebook that I am in need of a maid.My day carried on just fine but I didnt get a call nor sms from Zweli so I decided to visit him at his workplace.

me:"is Zweli in?" I asked the receptionist.

Her:"Ja go through" I stared at her then clicked my tongue and went to Zweli's office I found him fixing himself with Lexi sitted on the couch.

me:"What the hell is going on here?" Lexi looked at me with a bored face then stood up taking her bag and walked out giggling.

Zweli:"MaCele" he said sitting on his chair.

Me:"You're doing it again?"

Zweli:"No baby..no she..she just came to invite me to some party but I refused of course" I sighed and sat opposite him.

me:"Sorry..it's just after..."

Zweli:"it's okay I understand..uhm..ohh lok at the time I have a meeting in Midrand baby I really have to go"

me:"Alright let me not keep you..kiss?" I pouted my lipd but he just kissed my forehead and wore his blazer.He accompanied me to my car and then went to his.Oh by the way I am

Two days passed and everything was back to normal to my family abusing me. They started insulting me saying I was a witch and a murderer that killed grandma, a bitch just like my mother. It was around 15:30 when the lawyer walked in followed by cops.

Ntombi: "Good afternoon. .I was called here because there's an investigation going on"

Uncle T: "Yes we think this witch killed mom, officer please do your job look for anything that is suspicious in this house" the police started searching and one of them came back with my

blazer.

Her:"Detective" she took out something from my blazer.

Detective:"is this your blazer?" I nodded "Do you know what this is?"

me:"No" he chuckled then kept s straight face.

Detective:"Cuff her" he put the small bottle in what looked like a plastic file then they came towards me I took a few steps back.

Detective:"We don't have the whole day girly" I shook my head.

me:"I didn't do it...I didn't kill her I'd never s..she was my world..pl..please" I cried as they pinned me down.

"Hey...you're hurting her" it was Mdu.

me:"Please help me!!" I said as the police dragged me to the van.

I couldn't stop crying as the car sped up leaving a trail of dust behind. When we parked outside the police station another car parked as well and it was bhuti Mdu's Fortuner, the two police officers came to open for me and dragged me out.

Mdu: "if you continue with your shit I will sue you..you bastards!!"

officer: "uhm..sorry let's go" bhuti Mdu and MaNdlovu followed us.

Mdu: "Dont say anything Sindy, the lawyer is on his way okay? it's gonna be okay" I looked at them as we turned on a corner disappearing on them.

An hour passed and I have been quiet since then. .pissing off the detective.

Detective:"Admit it you bitch..say it! say that you killed your grandmother for her money"

"If you continue attacking my client you might find yourself without a job" said a dark buffed up guy in a black suit with a briefcase in hand.

Detective:"uhm...we were just chatting"

Guy:"Get lost" the Detective didnt say much he took his recorder and small book then left

"Lubanzi Maqhubela" he said looking at me.

me:"Sindisiwe Khumalo" he nodded.

Lubanzi:"I will ask you a few questions...where were you when your grandma died?"

me:"at school" he nodded.

Lubanzi:"Was she alone when you left her?"

me:"no she was with both my uncles"

Lubanzi:"Alright..uhm excuse me for a sec" he

stood up and walked out then came back about fifteen minutes later "Khulula le nonsense" the detective uncuffed me.

Detective:"am I allowed to question her now?"

Lubanzi:"about what exactly?" the detective looked at him confused "Why is the poor girl here huh? did you even check the autopsy report of the deceased before dragging this girl here?"

Detective:"i...uhm"

Lubanzi:"i..uhm what? where is the so called evidence you have? what is it?"

Detective:"a dangerous poison"

Lubanzi:"Was her grandmother killed by this so called poison?" The detective kept quiet "I want to speak with your commander now"

Detective:"uh..m sir I..."

Lubanzi:"Now!" Detective led the way followed by Lubanzi, i sat there for about thirty to forty

minutes then Lubanzi came back with a woman and a man with that detective.

Woman:"Commander I swear I know nothing about this I didn't even issue the warrant of arrest"

Man:"My dear we sincerely apologise for this" he was looking at me with pity Lubanzi marched to me and helped me up.

Lubanzi:"Look at this!!" my wrists were bruised by the cuffs.

Man:"Mr Maqhubela I understand your frustration and I am deeply sorry..look we will pay for the doctor that will check her up"

Lubanzi:"That's not good enough! all the people involved should be dealt with"

Man:"and trust me they will suffer the consequences starting with this one" he nodded "my dear please accept my apologies" I nodded.

Lubanzi:"Come let's go" he took his briefcase and we walked out.We found MaNdlovu and bhuti Mdu waiting at the reception.

MaNdlovu:"oh my God..come here sweety" she held me tight then kissed my forehead "are you okay?" I nodded

me:"yes ma i'm fine" she brushed my cheek then looked at Lubanzi.

MaNdlovu:"Thank you" he nodded as we walked out.Lubanzi and Mdu were chatting and laughing as we went to the car.

Mdu:"How did you get here?"

Lubanzi:"Got an uber from the airport"

Mdu:"You're sleeping over at my house?"

Lubanzi:"Hayi yhuu kulalali ingena network" we all giggled "ndingahlwa nangu mkam"

Mdu:"Stop lying marn we have network in our area but okay we will drop you off" they kept on dissing each other about their years in

varsity. We dropped Lubanzi at the hotel then drove back home. When we got to MaNdlovu's house we heard a noise coming from my house when we looked there were so many people there it looked like they were having a braai.

MaNdlovu: "Ijooh" she clapped once " its not even a month of buryin their mother but..."

me: "Let alone a week"

Mdu: "Come let's go guys..ignore those fools they are going to pay...mark my words" we went inside the house. MaNdlovu prepared a bath for me, I bathed and wore Mdu's shirt then got in bed thinking about gogo which had me in tears until I fell asleep.

-

The following day Lubanzi arrived and we went home with him and found the house dirty with bottles all over. We sat down and waited for them to wake up and they finally did.

Uncle M:"What are you doin..."

Lubanzi:"Hey Voetsek..sit!!" he said staring at them, they sat down.

Aunty:"What is this now?"

Lubanzi:"I want you to listen carefully...pack your bags and leave this house" Ntombi walked in she froze when she saw Mdu and Lubanzi.

UncleT:"Why would we leavw our house...look here boy this is our home our house"

Lubanzi:"Jonga ke ungabe uphinde uthi boy kum am I clear? \*uncle nodded\* Miss Ntombi isn't this Sindy's house?"

Ntombi:"I..uhm no..th..the will stated that if somehow Sindy is suspected in the murder the estate should be devided between the deceased' kids"

Mdu:"And where is that clause because I have the original with me?"

Ntombi:". .O..or..iginal?"

Lubanzi:"Kiss your career goodbye because I will destroy you and make sure that no one touches you..mark my words"

Mdu:"Go pack your clothes Sindy" I quickly rushes to my bedroom and took everything that belonged to me and walked out.They helped me with the bags and when we got to MaNdlovu's house they put the bags in the car and we said our goodbyes to MaNdlovu and Left.

me:"uhm where are we going?"

Mdu:"Joburg"

Lubanzi:"uhm except for me .I will stay and deal with your family and that bitch..and unfortunately you won't access your inheritance yet but I will make sure you get every cent back"

me:"Thank you"

Mdu:"How long will this take?"

Lubanzi:"Probably a month...safe journey" he said getting off as we parked outside the hotel.

-

I don't know when we arrived because I was woken up by Mdu and the car was parked in the garage.

Mdu:"Girl you can sleep" I giggled lightly as we walked inside the house.

me:"Wow!" the house was beautiful "gosh your house is beautiful!"

Mdu:"Thank you..let's go to bed you will see it properly in the morning" he showed me my room then left. I took a shower in the ensuite bathroom then slept.

-

I walked down and found Mdu with a beautiful yellowbone wearing his shirt and a black leather bumshort.

me:"Good morning"

Her:"oh hi, You must be Sindy i'm Khwezi i'm his girlfriend I have heard so much about you..gosh

you're so beautiful I lo..."

Mdu:"Babe!!" he said laughing.

Khwezi:"sorry i'm just excited and she's. ..."

Mdu:"You're doing it again!" she giggled and hugged me.

Khwezi:"Welcome and please don't mind him..he says I talk a lot"

me:"and he's right" we giggled

Khwezi:"Whatevs...breakfast is ready then we will go shopping"

Mdu:"Please don't bankrupt me" she rolled her eyes and handed me my food.

me:"Thank you" we ate then I did the dishes ans went to freshen up.

Nhanhla:"Why are you still with her bro?" asked my little sister as I avoided Thuli's calls. Nonhlanhla is the lastborn she rents an apartment because she can't stand Thuli.

me:"She's been there for me through everything"

Nhlanhla:"So you think you owe her? so you're not with her because you love her? you jus..."

me:"Ey awakahle nawe" she giggled and took her phone and dialled.

Mtho:"Nhlanhla! " Mtho comes after me then there's our big brother Sanele who isn't dad's biological son but he loves him so much.

Nhlanhla:"Guess what?"

Mtho:"What?" I chuckled

Nhlanhla:"Our beloved brother is no longer inlove with the devil" I heard my brother whislte in celebration while both Nhlanhla and I

laughed. We spoke for a while then left I was taking her out. On our way my phone rang.

me: "Thuli"

Thuli: "Why are you not home? did I do something wrong?"

me: "I...."

Thuli: "I have apologised to your parents and I am willing to learn a few things like ironing and stuff... please come home"

me: "Later I am still busy now" I hung up and continued driving.

We found parking and got off.

Nhlanhla: "I'm visiting my parents" I chuckled and took her hand.

After shopping we went to put the bags in the car. As we turned someone bumped or rather threw herself at me splashing juice on my shirt.

Her: "Please help me" she then hid herself

behind me. I laughed when I saw that she was running from some dirty mad guy.

me: "Hey... stay away.. leave her alone" the poor guy held out his hand and I took my wallet and gave him a r10 note he took it and ran off.

Me: "Hi" I said as I turned to look at the lady behind me "you can open your eyes he's gone"

Her: "thank goodness" she said looking up at me with her beautiful sea green eyes, she blinked her long eyelashes then stared at me.

Her: "uhm thank you" she then smiled and looked down as I noticed her dimples "i'm sorry about your shirt"

me: "it's okay" I said as I continued looking at her admiring her beauty.

her: "Bye"

me: "bye" she left "God she's so beautiful"

Nhlanhla: "You took her number right?" shit! I didnt!

me:"uhm...Dammit!" I tried searching through the crowd but she was already gone.

A couple of days passed and I was getting used to the place but sometimes I'd get bored especially when I am alone during the day so I asked for Mdu to help me look for a piece job at first he refused but I didn't stop so he ended up agreeing. It was around 20:00 and we were watching tv.

Khwezi:"Sindy love I haven't found anything yet but I will keep looking"

Mdu:"She doesn't have to work though"

me:"I want to bhuti" he sighed.

Khwezi:"erh...there's a friend of mine looking for

a maid though but I doubt you're interested"

me:"actually I am..I'd love to take the job"

Mdu:"Forget it!"

me:":please!!" I said with begging voice.

Mdu:"but..."

me:"I appreciate everything you do for me but I can't just sit back all day please let me take this job..pretty please"

Mdu:"Fine! but you will be staying here..I will drive you there myself everyday" I screamed and stood up and danced.

Khwezi:"Are you sure you can handle all the house chores? I don't want you slaving around" I quickly nodded

me:"Yep don't worry I am used into house chores" they looked at each other then back at me as I beamed with excitement "I can't wait to get paid" they chuckled.

Khwezi:"Plus it's a pretty good money" my face lit up making Khwezi to laugh.

me:"How much?" I asked excitedly while Mdu laughed.

Khwezi:"R4,500" I excitedly jumped and started dancing while they laughed. "Let me confirm that you're taking the job them" I nodded and sat down.Khwezi got busy on her phone.

-

The following day I woke up around 05:00 and took a shower and dressed into a pair of jeans, vest and a jacket with black converse sneakers I tied my curly hair into a neat bun.Mdu knocked on my door.

me:"Coming!" I took my sling bag and walked out.

Mdu:"Morning"

me:"Morning bhuti" we got in the car and left with Khwezi with us as well.We got to a huge

mansion and buzzed, we got buzzed in and Mdu drove in and parked in the driveway.

Lady:"I am Thuli and I am your boss" she said after Mdu and Khwezi had left.

me:"Sindisiwe"

Thuli:"Madam...I am Sindisiwe madam, say it"

me:"I am Sindisiwe madam"

Thuli:"Good now get started with breakfast...my bloody father inlaw likes soft porridge please make it and oh...here is your uniform" I went to change then started with breakfast just like how gogo taught me. Around 06:30 a not so old lady walked in and greeted me.

Her:"Good morning"

me:"Good morning ma'am how are you?" I said stirring the porridge.

Her:"Good thanks and you my child"

me:"i'm fine..please go take a seat the porridge

is almost ready" she smiled

Her:"Dish up for 5 people my dear"

me:"alright ma" she smiled and left, I dished up but first looked for a dish and poured warm water then took a soap and a cloth and went to the dinning room.

me:"Sawubona baba" I knelt and gave him the soap, he took it and washed his hands then I went to the old lady and a female who looked my age or a bit old.

Her:"You dont have to kneel on me" I smiled and looked up to her "oh my word" she screamed and gave me the cloth then ran up.

me:"weird"

Man:"She's like that" I smiled and went to fetch their food.When I returned I found madam with them as well so I got her food as well.

Thuli:"What the hell is this? baby girl I dont eat this trash I want a proper breakfast, eggs,

bacon, sausages...are you still here..move!!" I went to the kitchen and got started.while I was busy the girl came in.

Her:"You can bring my brother's porridge" she said smiling taking hers.I warmed it up a bit then put it on the tray and went to the living room, I knelt in front of the familiar guy and handed him the food.

Him:"thank you" I took a glance at him as I stood up and walked away.he looked familiar even though I don't remember where I saw him. When I got to the kitchen I fished up madam's breakfast and took it to her.

Thuli:"I almost died with hunger"

Girl:"the world would be better without you"

Woman:"Nhlanhla!" she warned the girl just giggled.I started cleaning in the kitchen after collecting the dishes of course.Madam left for work leaving me with the ladies who were helping out.

Nhlanhla:"Have you checked upstairs? the other rooms?" she had a mischievous smile.

me:"yes except for the main bedroom the boss is still there"

Nhlanhla:"I'd go check if I were you or you'll be in trouble" there was so much sarcasm and silliness in her voice which made me giggle and left.I knocked.

Him:"Come in"

me:"Morning sir I'd li..."

Him:"Sir? no please don't call me that...come closer" I took a few steps closer to him "call me Zweli"

me:"i'm Sindisiwe"

Zweli:"Sindy..do you remember me?"

me:"uhm..no"

Zweli:"Oh my gosh please help me" he mimicked my voice I laughed.

me:"oh God it was you?" he smiled.

Zweli:"Yep oh and by the way that shirt is still in the laundry"

me:"i'm sorry" he chuckled

Zweli:"it's cool"

me:"uhm..can I clean now sir?"

Zweli:"ngizokphoxa" I smiled

me:"sorry Zweli please step out I need to clean"  
he nodded and stood up.

God she's so innocent, so beautiful, her smile, her beautiful eyes make my knees weak. When my sister barged into my room I was about to fuck Thuli I told her to gey out but she refused and told me that she's got a beautiful and

precious thing that I have been yearning for of late, even though I didn't think about the mystery girl I got curious and got dressed while Thuli pulled down her dress and stormed out leaving my sister laughing and said "ucansi luyahlanyisa Jesu"

When she knelt in front of me serving me I have noticed some familiarity on her but my heart started dancing and twerking when she looked up at me then turned and walked away. My sister was looking at me with a smirk on her then gave me the longest wink with a funny face.

Dad: "Yini manje Nonhlanhla?" Nhlanhla and I laughed as she ignored dad. When Thuli finished eating she asked me to follow her to the bedroom and I did.

me: "wasup?" she took few steps and got closer to me.

Thuli: "I was thinking maybe we could. you know"

I removed her hands on my chest

me:"You're gonna be late for work" she git angry and left.

When my innocent beautiful girl walked inside my bedroom I swear I smiled and hearing her beautiful laughter was just...so...God I don't even know how to explain it.Anyway after she asked me to leave the bedroom I went downstairs and found my sister laughing on her phone but she hung up and looked at me smiling.

Nhlanhla:"Oh my dear brother" she said with her hand under her chin "Jehovah msize baba" I laughed

me:"you such a fool" she giggled

Nhlanhla:"I know.. so?" she gave me a look.

me:"Relax will you...she's not that typa girl..she's innocent"

Nhlanhla:"Yes and please get your shit together

first before asking her out..by that I mean dump the devil..oh kodwa you're old to the poor girl Zweli"

me:"Fuseg" she giggled

Nhlanhla:"I mean it though...sort your issues first before getting involved with her" I nodded in agreement.

-

Later that day I was with Thuli in the bedroom.

me:"Uhm Thuli?"

Thuli:"Yes baby" I took her hands.

me:"You know I am grateful for everything you did for me right? standing by me, supporting me through it all..even after cheating on you countless times you still stayed..uhm nana the past couple of weeks I have done a lot of things including cheating..and I also did a lot of thinking and I came to realise that I am wasting your time and being selfish so I decided to let

you go"

Thuli:"What? Zweli no..look baby I think you're confused so I will give you sometime t..."

me:"I don't need time" she shook her head and stood up.

Thuli:"But you love me"

me:"not anymore" she gasped and blinked.

Thuli:"No baby you do...look baby I will go sleep in the guestroom to give you space then we will talk in the morning okay?" she walked out.

Mdu couldn't stop laughing as I was telling

them about my madam, he was worse when I uttered 'madam'.

Mdu:"I told you not to bother yourself with working but awulaleli Sindy"

me:"well I think I will stop"

Mdu:"Good because I dont want you be anyone's slave" I nodded.

me:"but once I get paid"

Mdu:"Amen" I giggled and ate up. When we finished eating both him and Khwezi insisted on doing dishes telling me to go rest because it's another day with 'madam' tomorrow. I left them and went to my room and took out my phone..it was a Samsung galaxy-pocket and I called Enhle.

Enhle:"Sindy!"

me:"Hey you good?"

Enhle:"i'll be good if you tell me where you are and that you're okay" I huffed

me:"i'm fine babe and i'm in joburg i'm sorry I couldn't tell you everything just happened so fast and then when I got here I was a little busy..being shown around and stuff" she sighed in relief.

Enhle:"i'm glad so tell me everything" I narrated the story for her and she cried making me cry too.

-

The following day I took a bath and wore a white flowered summer dress with sandals I then tied my hair into a ponytail and took my sling bag putting my phone, lip balm, ponds and comb.

me:"morning" I greeted the lovebirds holding each other in the kitchen.

Khwezi:"Morning love uhm br..." I giggled

me:"Don't worry sisi I will eat cereal" she nodded I made myself a cereal then ate.After I

was done Mdu took me to work.

Mdu:"I think it's your last day here" he said as we parked outside the gate.

me:"Why do you say that?"

Mdu:"I found you a space at the office but we will talk later" I nodde and opened the door.

me:"Bye bhuti have a good day"

Mdu:"you too baby girl" I buzzed and someone buzzed me in Mdu hooted and drove off.

me:"Morning madam" I greeted she was at the kitchen drinking tea.

Thuli:"Yes" I boiled water and started with porridge then on the other side fried eggs and bacon for madam then I made toast.I took everything to the living room and she followed and sat down, Nhlanhla was the first to come down followed by her parents then her brother, I went to fetch water for them to rinse their hands.

Thuli:"What about me? or am I invisible to you?"  
she asked with an angry voice.

me:"I thought you had already bathed since I  
found you already drinking tea"

Thuli:"well I didn't now bring clean water for me"

Nhlanhla:"Habe!! Sindy sit down sisi udle"

me:"no I alr..."

Thuli:"I SAID BRING ME THE BLOODY WATER  
DAMMIT!!"

me:"sorry madam"

Zweli:"Madam..wtf? Sindy come back here"

me:"But sir I.."

Zweli:"Sindy!!"his voice was now firm so I had  
no choice but walk back with my head down  
"Join us"

me:"I already ate at home sir"

Zweli:"Zweli or Cedric"

Thuli:"why should he call you by your name baby? you are her boss"

Zweli:"Angikhulumi nawe wena, so which one do you prefer Sindy?"

me:"uhm..Cedric" he smiled.

Zweli:"great now come let's share my food" I shook my head.

me:"no i'm sorry but I can't do that...a woman doesn't share a plate with a man it's disrespectful"

Zweli:"Huh?"

me:"A man is supposed to be served his own food and not to share with anyone other than his kids and even so no one is supposed to disturb him eating"

Zweli:"but it's just food" I shook my head.

me:"i'm sorry but I can't ignore what I have been taught...excuse me" i stood up and went to the kitchen then started cleaning.

Ma:"Who taught you that?"

me:"ini ma?"

ma:"Everything you know, respect, cookings and all" I smiled lightly as I remembered everything we did together..her guiding me and scolding me.

me:"My grandmother ma"

Ma:"wow I'd like to meet her one day and tell her how much of a good giel you are and respecting her wishes even though she's not around" I faked a smile then kept quiet "are you okay Sindy?"

me:"Yebo ma i'm fine" she nodded and put the dishes on the dishwasher then left.

Thuli:"I don't remember saying you could use my dishwasher! take out those dishes and wash them with your hands!!" she said marching inside the kitchen.

Zweli:"You will do no such thing Sindy!" Thuli

turned and faked a giggle.

Thuli:"Hawu baby I was just pulling her leg"  
Zweli just stared at her then looked at me.

Zweli:"Are you okay Sindy?"

Thuli:"Her name is SINDISIWE" Zweli ignored  
her as he made his way to me.

Zweli:"Sindy?" he called out holding my  
shoulders

me:"i'm fine" he nodded and removed his hands  
then grabbed Thuli and walked out with her.

I pushed her inside the room and huffed.

me:"i want you out of my house Thuli"

Thuli:"but Zweli.."

me:"no buts..please go"

Thuli:"Okay look baby I am sorry about the way I treated Sindy. .I will change I promise. .I will rrspect your parents I swear please!" she was now holding me but I yanked myself off her.

me:"Thuli no! it's over! it has long been over but we were both in denial...look you're an amazing person but I don't love you anymore"

Thuli:"No I don't accept that..I cant. ..I won't! I will go for a couple of days then come back and we will talk"

me:"It's over Thuli" she ignorwd me and started packing I just sighed and left her there.

Nhlanhla:"Going to the office?" I nodded

me:"going to pick up some files then come back" she smiled and continued cleaning the lounge.

When I got to the office I didnt leave as soon as I thought I would.I had to look over some

potential clients and sign off some documents. As I was about to leave when Lexi walked in followed by my p.a.

me: "What now?"

Lexi: "I need you Zweli" I knew exactly what she meant but I wasn't in the mood.

me: "as you can see I am rushing somewhere now excuse me" I took my things and walked out and they followed I locked then left.

-

When I got home I found Sindy playing games on her phone sitting on the couch alone.

me: "Hey"

Sindy: "Hi" I sat on the coffee table and faced her.

me: "So Sindy...tell me about yourself"

Sindy: "I am Sindisiwe Khumalo 18 yearz old working for Mr Cedric"

me: "What about school?"

Sindy:"Zivaliwe" I chuckled as she smiled

me:"Okay..family? where is your family?" she kept quiet for a while then released a huge sigh.

Sindy:"I don't have a family" she swallowed hard  
"M..my grandmother passed away a few weeks ago"

me:"i'm sorry" she kept on swallowing and shaking her head.

Sindy:"She w..wa..s my everything" tears escaped her beautiful eyes, I went over to the couch and hugged her

me:"i'm sorry Sindy. .I didn't know" she quickly pulled back and wiped her tears with the back of her hands.

me:"Come" we both stood up and went outside  
"Take off this nonsense" she removed her uniform and was now left with her dress gosh  
mt dick reacted as I saw her beautiful legs.if it was any other hoe I would have fucked her right

there and then. We sat next to the pool.

me:"So you were raised by only your grandmother?" I asked after she told me her story of not knowing her parents.

Sindy:"yep up until now"

me:"Wow.uhm i'm sorry you lost her."

Sindy:"it's cool..part of life" she said with sadness in her voice.

me:"But you haven't dealt with her death...you're still hurting, very much so"

Sindy:"I have to be strong for myself"

me:"Can I be strong for you?" she looked at me a bit shocked "please, be hurt and sad and let me be strong"

Sindy:"Why?"

me:"because I want to...I wanna help you through the pain"

Sindy:"You won't be able to becau..."

me:"because?"

Sindy:"it might be my last day here ubhuti Mdu said he got another job for me at his workplace" my heartbeat accelerated as I looked at her in shock.

me:"No Sindy you can't take that job please"

Sindy:"but why?"

me:"Because..Uhm. ..you already have one here and it's short notice.. atleast stay for a month please" she kept quiet "Please Sindy!"

Sindy:"a month only"

me:"Yes!! I mean great"

As much as I missed Zweli I had to be strong just for a few days and give him a breather. I know he loves me it's just he's confused at the moment I took my phone and called my mom.

Mom:"hey sweety"

me:"hey mommy how are you?" she sighed and right there I knew there's a problem with her sister-wife...well my dad has two wives.

mom:"Lonely honey your father and Phindile left me alone it's been two weeks now" I felt sorry for her but what could i possible say.

me:"i'm sorry mom"

mom:"it's okay my dear how is Zweli?"

me:"He's good..we're good"

mom:"that's good to hear my dear" she sounded so down shame and to be honest my

father loves his second wife more than my mom and he shows it.

me:"are you going to be okay mom?"

mom:"Yes my dear i'm gonna be fine" we spoke for a while then I hung up and ordered room service, while I was waiting for my food I decided to call my man, his phone rang until it went to voicemail and when I dialled again it sent me strAight to voicemail.My food arrived, I ate and slept.The following day I woke up and took a shower then got ready for work and when I got there my boss was spitting fire yelling at everyone.

me:"mornin"

Anga:"Nyorning? is this the time to arrive at work? listen here if you..."

me:"Dont yell at me" he took two steps towards me.

Anga:"uthi ktheni? Listen here girly this is My

company and you go by My rules if you don't like them Fuck off you're not that special and trust me I can replace you within an hour am I clear? \*I nodded\* secondly I am sick and tired of your bullshit and slacking from today onwards you arrive on time and do what I fucken pay you to do or else isfuba sdibane nomgubase sivene?"

me:"Yes"

Anga:"SIR..SAY YES SIR!!"

me:"Yes sir"

Anga:"tshii you think this is your father's house nxx...back to work everyone!' eyes were on me as the boss walked to his office I quickly rushed to the bathroom and cried a little before washing my face and applied make-up, the thing about me is that I don't like to be yelled at.The rest of the day was just hell with Mr Damane on my case and wanting everything in order. 16:30 I knocked off exhausted like a dog I

just drove to the hotel and took a long bubble bath.

The previous day I had spoken to Mdu about working for Zweli for a month and luckily he didn't give me a hard time as I had told him that I am managing well at work. So I had finished cooking and set the table for the family.

Zweli: "Aren't you joining us?"

me: "no my ride is on it's way" Cedric and I had become a bit close, he asks alot about me and always listen to me talking nonstop.

Zweli: "oh okay" he seemed a bit sad but I couldn't ask him what was wrong because I heard a hooter.

me:"time for me to go..bye"

Zweli:"bye" I took my bag and rushed out.

The following day I arrived at Zweli's house and made English breakfast for everyone then tidied up a bit because the house was clean so I decided to do the laundry.

Zweli:"there you are" he said leaning against the door frame.

me:"hello aren't you going to work?" he checked the time.

Zweli:"I am..around 08::00 not now" he then looked at me "How are you?"

me:"okay..I guess" I said putting the clothes on the tumble dryer.

Zweli:"Come" he held out his hand and I slowly went up to me "your hand please"

me:"Are you planning on pinching me?" he laughed.

Zweli:"Nope I wouldn't wanna hurt you" I put my hand on his and he pulled me to the balcony, having his hand on mine made me feel some type of way.

me:"I should be working"

Zweli:"there's nothing to do in there"

me:"then what are we doing here?" he started again with his questions, asking me how I feel and all about my relationship with Gogo which resulted me in crying my lungs out.

Zweli:"You haven't dealt with Gogo's death, you're hiding with keeping busy and you don't wanna think about her..which is totally wrong  
Sindy" he was right maybe I was in denial or maybe I didn't wanna deal with her death at all.

me:"i'm fine"

Zweli:"No you're not, look I don't mean to pry or anything but I just want you to heal"

me;"Thank you" he smiled.

Zweli:"Come here" he opened his arms and hugged me tight.

-

A couple of days passed and Zweli was always at home if not he'd come back during lunch and then constantly call his sister to check up on me, this day it was Friday and Nhlanhla was out with her parents and I was alone in the house.

Zweli:"Hey" I jumped off the couch "what's wrong?"

me:"nothing" he looked at me quizzically then stood up and went to the kitchen and came back with plates and glasses and a juice under his arm.He plated the burgers in the plates then poured the juice then handed me the food.

me:"Thank you"

As we were eating I took a glance at her and watched her eating then I saw a sauce on the side of her lip. God knows how much I wanted to lick it off but I couldn't do that now could I? Anyway I cleared my throat.

me: "You have uhmm...a bit of s..." she started wiping her face "Let me" I wiped it with my finger then licked it.

Sindy: "yho" I chuckled and continued eating. After eating Sindy tidied up then we went outside and played games and to be honest I was having a good time and seeing her laugh carelessly made me feel at peace.

me: "No uyangiroba manje Sindy" she laughed

Sindy: "Just accept defeat..come on take it like a man..check mate"

me: "Okay fine!!" she squealed and started doing her happy dance swaying her hips side to side.

Sindy:"my money" she said smiling with her hand held out, I had promised to pay her if she beat me.

me:"But S .."

Sindy:"ha.e pay up" I took out my wallet and took out R500 and handed it to her.

Sindy:"Ah bakithi, say bye daddy and hellow mommy shame I pity you because there's a lot of abuse here" I couldn't help but laugh.

me:"Abuse?" she giggled.

Sindy:"yeah they won't stay with me, she will buy airtime" we both laughed

me:"and the others?"

Sindy:"They are safe..for now" it was nice seeing her so carefree, smiling and laughing.

Later on my parents arrived with Nhlanhla then Sindy went to cook and as usual she made a very delicious dish.

Nhlanhla:"Ay Sindy I applaud you you're a great cook..your husband will be very lucky"

Dad:"Indeed nana"

Nhlanhla:"I wonder who is that bastard!" I choked on my drink as they laughed "ukahle bhutiza?"

ma:"are you okay?" I nodded

Nhlanhla:"so Sindy do you have a boyfriend?" God please let it be no..my sister smirked at me then looked at Sindy.

Dad:"Nhlanhla! !" he warned

Nhlanhla:" #JustAsking" both mom and I laughed.

Sindy:"no I don't"

me:"Thank goodn...uhm I think I need water" I stood up

Nhlanhla:"i'm sure you do" mxm I ignored her and went to the kitchen.

-

A week later Cindy and I had gotten closer and we spent so much time together and sometimes we'd just look at each other but then she'd break the contact and look away. I was at the office looking at Cindy's picture that she had posted on fb when my door opened.

Lexi: "You're so scarce these days"

me: "Lexi" she sat on the desk and looked at me  
"a chair would be nice thank you"

Lexi: "What's going on?"

me: "You need to stop coming to my office"

Lexi: "but why?"

me: "I can't carry on like this I am a grown man so its time I acted like one"

Lexi: "oh"

me: "yeah I need to commit and respect my woman Lexi and that means cutting ties with

you"

Lexi:"I understand" what i liked abot her is that she was matured,we both stood up and hugged then she kissed my lips.

"oh sorry we didn't mean t..." she said pulling Nhlanhla out.

Me:"Dammit! uhm please go"

Lexi:"bye" she walked out I followed behind her looking for Cindy.

Me:"Dammit!" I cursed as I saw Mr Hlophe making his way to the boardroom we had a meeting.

P.a.: "What's wrong?"

I don't know why I was so upset but I was and what made things worse was the fact that he didn't come after me..uhm us mxm why would he? I mean he doesn't have to explain himself to me or his sister for that matter. The drive back to the house was quiet and I was okay with it because I didn't wanna talk at all, when we got to the house I started cooking because I wanted to leave early I didn't wanna see that jerk.

me:"nx"

Nhlanhla:"Sindy are you alright? you've been clicking your tongue all the way from Zweli's workplace"

me:"I'm fine"

Nhlanhla:"Alright" she then left the kitchen with the glass of juice in hand.By the time I finished cooking the time was 15:49 I went to take off my uniform and took my bag..by the way I had taken off the maid uniform when I was going to Zweli's workplace.Anyway I took my bag and walked to the livinv room.

me:"uhm..goodbye everyone I will see you tomorrow"

Nhlanhla:"You're not eating with us?"

me:"Cha I am going out with ubhuti nosisi" she nodded reluctantly.

Nhlanhla:"oh okay but wait for Zweli to take you home"

me:"No thanks I already requested a cab" which was true, minutes later my cab arrived and I said my goodbyes and left. When I got home there was no one in the house so I went to take a long bath then went to cook, Khwezi got in when I was halfway through and she helped complaining about her work and colleagues theb tokd me stories about some of them which were funny.Mdu walked in and greeted then went to change and came down then we ate.After finishing cleaning the kitchen I went to my bedroom and found my ringing phone.

me:"hello?"

Zweli:"so you're taking Nhlanhla's calls not mine?"

me:"I was in the kitchen I didn't hear the phone" I said calmly.

Zweli:"Yeah right..can we talk?"

me:"about? "

Zweli:"What you saw at the office?"

me:"There is nothing to talk about, it's your office and we should have knocked I get it" he sighed

Zweli:"That's not what I was gonna say Sindy. .look I'm sorry you walked in on that you shouldn't have seen that and I promise it won't happen again"

me:"You don't have to explain yourself to me the only person you should be explaining to is your girlfriend not me" I swallowed after saying that because I was getting upset.

Zweli:"Don't be like that please"

me:"I have to go" I hung up and switched off my phone.

The meeting took longer than I expected which frustrated me but I held it together throughout the meeting, as soon as we were done I walked out and rushed to my office taking my things and rushed home and unfortunately I got home and found that Cindy had already left. Disappointed I went to take a bath and got dressed into shorts and vest with push ins. After dinner I found the courage to call Cindy but she didn't pick up and that frustrated me even more because I wanted to talk to her and make her understand about that stupid kiss and I was surely gonna lie, well not really I was gonna tell her that Lexi is my ex and nothing more so she was just passing by. Anyway after I spoke to Cindy with Nhlanhla's which didn't help much because she hung up on me I tried again but it didn't go through, I sighed then gave Nhlanhla her phone.

me: "Good night"

Nhlanhla:"Won't you tell me what she said?" she yelled as I walked out.

The following morning I woke up around 09:00 and made my bed then went to take a shower and went down.

me:"morning"

Dad:"morning..aren't you supposed to be at work?"

me:"no I will be working from here"

Dad:"alright uhm your mother and I are leaving today"

me:"Next week Monday" I was enjoying their presence "I know you have duties at home but please just a few more days"

Dad:"Did your sister put you to this?" I chuckled

me:"no...so?"

Dad:"Monday!"

Nhlanhla:"Yes!" we ate and finished then I took

the dishes to the kitchen.

me:"hey"

Sindy:"hello" she continued with what she was doing I placed the dishes down and went to stand behind her.

me:"How many times must I tell you to stop wearing this nonsense"

Sindy:"10 million times"

me:"i'm sorry about what you saw I promise I am not that type of a man"

Sindy:"Why are you apologising? " I smiled and turned her

me:"why are you upset?" Sindy:"i'm not"

me:"if you say so. anyway the reason I am apologising is because I care about you and plus I don't want you to see me as a bad guy"

Sindy:"But you are a bad guy" I looked at her waiting for her to continue "playing two women

ix not something a good guy would do"

me:"i'm not playing anyone that woman is my ex!" she turned and got busy "Look I'm sorry for snapping at you I just don't want you to see me as a bad guy..I like you Cindy, very much so the...please look at me" she shook her head I gently took her hand and made her face me "i wasn't planning on telling you this now but..Sindy i can't hold my feelings anymore and now that you see me as this bad person i'm scared that you won't give me a chance"

Sindy:"i..uhm..yhoo"

me:"i swear she's my ex and she just passed by and I have told her to never come by or contact me again" she fiddled with her hands "Sindy please look at me"

Sindy:"i can't" I lifted her chin and got closer to her.

me:"i won't hurt you i promise" I pecked her lips then gently took her bottom lip and sucked on it,

she responded and we kissed for sometime before she pulled out.

Sindy:"i'm sorry but I can't do this" she was about to leave when I held her still.

me:"Why?" she shook her head.

Sindy:"You're my boss" I smiled at her

me:"Then you're fired Sindy" she quickly looked up at me shocked.

Sindy:"But..."

Me:"Sindy your excuse came up with a solution. .so i'm gonna ask you something and please be honest with me and yourself"

Sindy:"okay"

me:"Do you..uhm feel the same about me?do you want to be with me? do you see yourself in a relationship with me?" she nodded looking down "I want words Sindy"

Sindy:"yes..but what about ma'am sis Thuli and

I'm scared" I was about to answer

"uyenzani ingane wena?" that was my mother.

me:"Lutho we are just talking" she looked at me then Sindy.

Ma:"Alright" she said smiling then looked at us again before walking out.

Sindy:"i have to finish up here"

me:"fine but tell me when you're done" she nodded

Sindy:"okay"

I was busy in my study when a knock came through.

me:"it's open" my father walked in "Khabazela" he sat down.

Dad:"I want reports" I filled him in with what he wanted then gace him few documents I had with me.

Dad:"so tell me where is that crazy girlfriend of

yours?" I laughed

me:"I knew it"he laughed "you like news father"

Dad:"leave ne alone..so?"

me:"I broke up with her"

Dad:"Thank goodness" we both laughed

me:"But she refused saying I am confused then left saying she's giving me space" Dad laughed hard

Dad:"phew...sorry uhm...are you confused?" he asked trying not to laugh but I could tell he wanted to laugh.

me:"no I'm not"

Dad:"ahem...so Sindy?"

Me:"close the door on your way out" he chuckled and left.

I was with Sindy in the kitchen helping her with the plates.Dad had ordered pizza he said he was giving Sindy time to rest so we opted for

pizza. We were standing next to the kitchen counter with my hands on her waist staring in her beautiful eyes.

me: "you're so beautiful" she blushed

Sindy: "Thank y..."

"Nyanyu?! hee satan you're testing me neh? kwami?! nxx rhaa" she marched towards us I took Sindy and put her behind me because I knew she was going to attack her I stared at her as she got closer.

I stopped on my tracks as he gave me the coldest look ever and right there I knew if I

dared and took another step closer I'd be in trouble.

Me:"Babe..how..how could you do this to me, a maid?" he didn't answer me he continued staring at me "Look nana I forgi..."

Zweli:"Fuseg!! shut up..lalela ke Nokuthula I will say this one more time and I won't say it ever again uyangizwa?" I nodded as he kept a straight face.

me:"Yeah" he took one step closer keeping eye contact which I couldn't really stand because he looked scary.

Zweli:"It's over!"

me:"Baby please don't do this please. ..look let's talk in private I know you don't want to embarrass her so let's talk..I love you Zweli please..don't throw away the good three years we had..." he interrupted me

Zweli:"Yhe wena!" I looked up at him

"ngizwe,read my lips..it's over..now here is what you will do, you're gonna go take your bags from the guestroom and leave my house, keys and the remote and never come back" I was now crying because I loved him so much and it hurt so bad that I was losing him.

me:"Zweli I love you"

Zweli:"second door on your left where Sandile usually sleeps when he's here" he then turned and faced his bitch cupping her face "you okay?" I just rushed off and went to that guestroom which was downstairs and took my bags and loaded them in the car and drove away crying.When I got to the hotel I called Khwezi while crying.

Khwezi:"Hey"

me:"Please help me .Zweli left me...she took him from me" I cried out loudly.

Khwezi:"woah I..uhm sorry who took him?"

me:"the bitch you found as a maid he left me for that ugly trash!!" I don't know who I was fooling because that girl is beautiful, hot as hell, had a great body which was one of the reasons i forced her into that maid uniform she kinda reminds me of my biological mother, well as my father has two wives the younger wife is my biological mother but I was raised by the older wife so I take her as my mother because she's been there for me through thick and thin while mother dearest is galavanting with dad.anyway I was brought back by Khwezi.

Khwezi:"Are you still there?' I cleared my throat wiping my tears.

me:"yes please talk to her..tell her to leave him alone please"

Khwezi:"I will try"

me:"thank you" I hung up and ordered room service with two bottles of wine.

Sindy looked shaken by Thuli but I didn't blame her that girl is crazy.

me:"i'm sorry about that" she sighed leaning at my hand that was on her face.

Sindy:"What if she hurts me?" i gently caressed her cheek

me:"I'd never let that happen I promise" she nodded as I hugged her.

Sindy:"I have to get home"

me:"let me drive you" she nodded and went to take her bag and came back in her blue highwaisted jean with a white tuck-in vest and a denim jacket. My jaw dropped as I saw her well built body, she was a size 34 kinda girl with a tiny waist and an ass with hips just perfect.

Sindy:"hello?" I snapped out of it and cleared my throat then went to fetch my car keys, yes it wasn't my first time seeing her but at the mall I was 'charmed' by her beauty.Anyway we conversed the whole way to Mdu's house.

me:"Don't forget you are fired" she laughed.

Sindy:"when will I get my salary sir" she asked smiling.

me:"uhm..i'll come fetch you tomorrow then you will get your payment" she nodded.

Sindy:"Bye"

me:"Kiss kiss first" I pouted my lips she giggled and gave me a soft peck."uyang'robha manje" I held the back of her neck and we shared a long passionate kiss.

Sindy:"Bye now" I smiled and nodded.

me:"bye" we baby kissed then she got off I watched her got in the yard and I drove home.

me:"you know?" she nodded.

Khwezi:"yep and I am happy...that girl ditched my brother and left him heart broken"

me:"oh I thought"

Khwezi:"I am happy sweetie but we have to keep your relationship between us atleast until you start varsity then tell Mdu" I nodded.

Mdu walked in followed by some huge guy who looked like Khwezi, I was alone in the lounge

when they walked in.

Mdu:"Hey"

me:"Hi bhuti"

Mdu:"This is Bulelani. .Khwezi's brother Buja  
this is Sindy my little sister"

Buja:"hello"

me:"Hi" he was about to speak when his phone  
rang

Buja:"Grootman. ..no I'm at Khwezi's place..yhoo

Khwezi:"Hello...haha..bye"

We had dinner together then Buja left.I did the  
dishes alone then went to bed, Zweli called and  
we spoke for a while then hung up and slept.

The following morning I woke up and sent Sindy a morning text then headed to the bathroom and took a shower and got ready for work then after I tidied up my bedroom then headed downstairs.

Dad:"Where is Sindy kanti? " I heard him ask as I walked down the stairs.

me:"I fired her"

Them:"WHAT?!" they said in unision .

Dad:"why? what happened?"

me:"lutho" I said trying to keep a straight face.I walked to the kitchen and made myself a cereal and started eating.

ma:"Yhe wena" I laughed and ate up ignorig her "Zweli!"

me:"I am eating mother please do not disturb"  
she smacked my head and clicked her tongue  
then started with breakfast.

me:"ngoba uSindi engasekho ibreakfast isidliwa  
ntambama l.." I didn't finish mom threw a sliced  
cucumber at me I ducked laughing, my sister  
got in giggling.

Nhlanhla:"I hate to agree but.."

Dad:"Hey fuseg leave my wife alone" mom  
blushed and winked at us as dad held her waist  
bringing her close.

me:"and that's my cue" I stood up and rinsed  
the bowl and turned to walk out.

Dad:"Did you ask her out?" I turned and looked  
at him giving him a questioning look "Sindy" I  
smiled and walked away leaving them laughing.  
When I got to my room I took my phone and car  
keys then left, my phone had a message from  
Sindy she was responding to my text. At the  
office things were not that busy because we

were closing for December and we had done almost everything the previous day. Around 13:00 I decided to let everyone go and since we weren't gonna have braai like always everyone left and I closed up with the help of our security guys. I called Cindy on my way to her house.

Sindy: "hi"

me: "you good?"

Sindy: "good and you?"

me: "I'm good..i'm on my way to fetch you" I heard her gasp

Sindy: "are you serious? oh God what am I gonna wear? why didnt you call to tell me to get ready?"

me: "I'm telling you now my baby..get ready"

Sindy: "okay bye" she hung up and left me chuckling

me: "girls" I started at the garage to fill up my tank and got myself a packet of lays and an

energy drink then drove to her house slowly just to give her time.

I called her as soon as I packed two houses from hers.

Sindy:"30 minutes"

me:"I know thats and hour" I mumbled.

Sindy:"what was that?"

me:"nothing love I will wait" she said okay then hung up.

As I have anticipated I waited for an hour and twenty minutes but I didn't complain because she looked gorgeous I got out as she walked towards the car, she came to me smiling looking down and lifted her head as we shared a hug.

me:"hey baby" I pecked her lips and looked at her beautiful eyes.

Sindy:"hi" she wiped my lips with her thumbs.

me:"You look beautiful"

Sindy:"thank you" I held her waist as I went to open the door for her.I got to my side as well and started the car and drove off we conversed all the way to my house laughing here and there, when we got to the house there was no one there which was a good thing because I didn't want my nosey family making my baby uncomfortable especially my father, that man can be very naughty.I went to my bedroom and took a quick shower then wore a maroon skinny jean with a denim ripped shirt and white jordan sneakers, I puffed my cologne then walked down.

me:"hope I didn't take long" she smiled

Sindy:"no not at all" I took her hand then we walked out.

We spent the rest of our day at the park, we started at the mall and got snacks then went to the park.We got to know each other better, likes

and dislikes, goals and ambitions, I actually enjoyed sitting around with her and just talk I haven't done that in a long time and hopefully it was the first of many moments like that one because I loved listening to her speak and hearing her sweet giggles here and there. Around 16:30 we got up and went to the car.

Sindy: "Thank you for today" I took her hand and kissed it and drove with the other one.

me: "and thank you for agreeing to be with me" she smiled nodding lightly. "your banking details ma'am...by the way which bank are you using? "

Sindy: "Capitec"

me: "clever girl, I'll transfer your money right now" I said as we got to her neighbourhood, I parked my car and did the transfer.

Sindy: "Cedric this is not the amount we agreed on"

me:"incane?" her eyes popped looking at me.

Sindy:"no it's too much, we agreed on R4,500"

me:"take the extra R1,000 as a token of appreciation for everything you did at the house" she sighed "please"

Sindy:"fine but dont do it again"

me:"do what? " my phone beeped it was my father asking me to come back.

Sindy:"give me money"

me:"we will talk my baby right now I have to get home" I pulled her for a kiss then she got off and I drove home.

My mother. ..biological mother called saying they landed here in joburg so they wanted me to

fetch them and I did. We were driving to the hotel when mom spoke.

Mom: "where are we going?"

me: "Hotel"

mom: "aren't we going to Zweli's house?" I shook my head "oh why?"

me: "his parents are around so he doesn't want them to know that we are staying together"

mom: "But I don't understand this..thina we already know nje' I just kept quiet avoiding to cry. They booked their own room as I went to mine.

The following couple of days were worse and my mother kept asking me to tell her the truth but I didn't. Dad left for Durban alone because granddad was very sick and mom stayed behind because she was very 'worried' about me.

It was a Tuesday morning and I was taking a bath after cleaning the house when my phone rang.

me:"hi babe" he kept quiet "stop smiling" he chuckled

Zweli:"My baby how are you? "

me:"good and you?"

Zweli:"Baby my friends ans their partners are going out taday please...pretty please come with me"

me:"okay it's not like I have something to do anyway"

Zweli:"perfect"

me:"so what should I wear?"

Zweli:"nothing fancy my baby just casual

clothes"

me:"Alright" we hung up and I started looking for something to wear.

Zweli arrived just as I finished getting dressed I took my bag and phone then walked out locking the door after setting the alarm.Zweli was standing outside the Quantum, we hugged and kissed then we went inside the car and drove off.There were three guys and three ladies then the driver.

Zweli:"uhm babe this is Michael and his girlfriend Monica, Austin and Isabella and that is Nkosinathi and Portia uhm everyone this is my baby Cindy"

Them:"hi Cindy"

me:"Hello"

Portia:"You look youn..."

Nathi:"Manje wena uhlanganaphi?"

Bella:"Shuuu" the others giggled I took out my

phone and quickly sent a text to Khwezi telling her about my whereabouts.

Bella:"Come sit next to me Sindy...Move Austin" he chuckled as we swapped seats.

We spent the day at some place and there were actually alot of peopl there.Some drinking and dancing including Zweli and his friends but I wasn't. This Austin guy kept looking at me and would smile when I look at him.

Zweli:"Austin!!" he laughed.

Austin:"Relax man she just reminds me of someone" Zweli stared at him "Cedric come on bro..okay I know this will sound crazy but she reminds me of aunty Michelle" they all turned and looked at me

Monica:"and your eyes look the same" we looked at each other's eyes then he stood up taking his phone out and made a phone call.

Austin came back and sat next to Bella then sipped on his drink, he laughed as he saw that we were all staring at him.

Austin:"There's nothing to tell.maybe tomorrow we wi have a clear explanation, but I do hope that my suspicions are correct Dimples" Cindy giggled shaking her head.Anyhow as we changed the topic conversing about general stuff Portia excused herself and left.

Michael:"So Cindy. .uhm don't get me wrong but how old are you?"

me:"none of your business" he laughed ignoring me.

Sindy:"18" he whistled looking at me with the corner of his eye.

Michael:"he's thirty" Sindy choked on his drink looking at me, she looked cute with her eyes popped out.We all laughed at her facial expression.

me:"he's lying I'm 28 my baby"

Michael:"You still old dickhead" I gave him a stare which caused him to laugh out loud.

me:"shut up you fool..I'm not that old baby don't mind this idiot"

Bella:"oh-oh" we all turned and looked at where she was looking, Portia was with Thuli laughing and walking towards us.

Austin:"Nathi?" he said brushing his curly brown hair.

Nathi:"I didn't know about this I swear" I held Sindy's hand squeezing it a bit she looked at me then faked a smile.

me:"finish up we're leaving" she nodded and finished her meat and drink as I requested an uber.

Austin:"I'm leaving as well, are you staying babe?"

Bella:"wha..with that cow around? nie dankie" she gulped down her wine, well half of my friends hated or still hate Thuli because of her attitude, she's stuck up and looks down on people.I always saw that but when you love someone you ignore their flaws.Anyway everyone ended up leaving because they didnt wanna stay to the same place as Thuli.

Thuli:"so y'all leaving because of me?" Monica chuckled sarcastically.

Monica:"oh don't flatter yourselff sweety you're not that special"

Thuli:"mxm..Zweli can we talk?"

me:"I have nothing to say to you and please

stop this nonsense of yours of following me around" I gently pulled Sindy and we walked to the car.

Thuli:"Mom is around..she wants to talk to us?"

me:"tell her we broke up and ayeke ukungbanfela isfece" she gasped, Sindy got in first and I followed her sitting next to her.

Thuli:"We are coming over to your house tomorrow" I clicked my tongue then pushed her out of the car and slammed the door locking it, I then turned to look at the driver.

me:"Drive"

Driver:"what about...?"

Nathi:"leave her behind" he started the car and drove off leaving Portia and Thuli there.

me:"i'm sorry about that babe I had no idea she was gonna come"

Sindy:"it's fine. .it's not your fault" she said smiling gently at me then put her head on my

shoulder.

me:"I love you my baby" she looked up at me and smiled.

Sindy:"me too" I quickly looked down at her she giggled putting her head back on my shoulder.

Me:"Sindy!"

Sindy:"let me be mkhulu" I chuckled and pushed her a little and looked at her amused.. she laughed looking outside causing me to chuckle.

The driver dropped us at my place then the others left.My plan was to spend sometime with Sindy and probably trick her into spending the night with me, I just wanted to wake up next to her that's all.Anyway there was no one around so we went upstairs to my room.I took off my shoes and helped Sindy of hers as well and then we climbed ontop of the bed.

Sindy:"When will you take me home?"

me:"when I woke up from my nap baby" she

nodded putting her head on top of my chest.

Sindy: "don't get me wrong I enjoy being with you but I don't want to be seen as disrespectful to Mdu"

me: "I understand my baby"

Sindy: "thank you" I kissed her forehead and held her tight.

-

I woke up two hours later and Sindy was sleeping peacefully next to me with her lips pouted I took my phone and snapped a few photos then went to the bathroom to rinse my mouth, when I returned I got in the closet and changed into sweatpants, vest and sleepers then went downstairs.

Nhlanhla: "aw bhutiza" I ignored her and went to the kitchen "uyazi I was thinking to call Sindy's brother and tell him that she'll be spending the night here but..never mind I shouldn't put

myself into trouble, toodles" she turned and walked away.

me:"wait! please come back" she stopped and looked at me

Nhlanhla:"yes?" I chuckled

me:"what do you want?" she smirked and came closer.

Nhlanhla:"5K"

me:"must you be sneaky?" she giggled and took out her phone.

Nhlanhla:"Do you have the number? " I nodded giving her Mdu's number, she spoke to him then hung up.

me:"Thank you" she smiled

Nhlanhla:"my money" I laughed and transferred the money."your food is in the warmer" I nodded and went to take two plates in the warmer then poured two glasses of juice and headed upstairs.Sindy was coming from the bathroom

when I walked in.

me:"Hey" she smiled faintly

Sindy:"hi" I put the food pn the bedside table then went to get her my short and t-shirt, she changed then we ate conversing.

Sindy:"I should call at home"

me:"Don't worry about that it's sorted" she nodded, after eating I took the dishes downstairs.

Dad:"is it Sindy?"

me:"Baba?" he chuckled

Dad:"ungizwe kahle" I put the dishes on the dishwasher then said goodnight to dad and left. I heard the water from the shower running and the clothes she wore were on the bed I quickly fixed the bed and wore my pj bottom then got to bed, minutes later she came out with a towel wrapped around her body then lotioned, the sight of her flawless skin made my body react

and my member shook and stood but I had to control myself because I didnt wanna scare her off, so ignored looking at her ss she lotioned. When she was done she got dressed into my t-shirt then came to bed, we spoke through the night cuddling until she fell asleep.

-

The following morning I was taking Sindy home, after opening the gate as I was about to drive out, Smangele's (Thuli's mother) car drove in then stopped behind mine, I sighed as she and her daughter got out of the car and walked towards mine. She banged my window.

me: "Let's go back inside baby" I said getting out of the car and went to her side opening for her.

Sindy: "Can't you take me home first?" I shook my head

me: "no..I want you here..by my side" I took her hand and kissed it then headed in the house.

Dad:"Manje wena why are you meddling in children's affairs?" we got in the lounge just as my father asked the question.

Smangele:"Your son has to take responsibility. .he should marry her" Mom laughed

Ma:"because they have been staying together? you must be out of your mind woman..it's not like she has ever wanted to leave and stay on her own, she's been eating my son's money, the clothes she's wearing...should I go on?" before Sma could answer Austin walked in followed by his father and three other men who were in his father's age..except that they were black because they spoke Xhosa.

Austin:"Good morning everyone" Sma suddenly sweat as she look at Austin's father who coldly stared at her.

Man1:"Drink anyone?" he broke the intense silence gulping down the scotch.

Dad:"You may sit down"

Austin:"Thank you..uhm this is my father Christopher McCarthy and these are his friends and business associates, Richard Myeni, Luxolo Damane and Mkhuseleli Maqhubela"

Richard:"Shine" he said lifting his glass up making us chuckle.

Dad:"Pleasure to meet you er..."

Austin's dad:"where is she?" his face was now red, Smangele's lips trembled.

Sma:"I...I had an abort...."

Austin's dad:"DON'T FUCKEN LIE TO ME YOU BITCH! I'm gonna ask you one more time Smangele Khumalo. ..where is my child? where is Angela?"

Smangele:"she's in Durban with my mother but m..m-y mother named her Sindiswa or Sindisiwe I'm not sure because she was a week old wh..."

Sindy:"No" she quickly stood up attempting to run but Austin held her arm and hugged her.

Austin:"This is her dad" Smangele gasped in shock as Chris took steps towards his daughter.

To say I was shocked would be an understatement I was beyond the word shocked.Smangele never appeared to be the type of woman who could be this cruel. .leaving a week old baby? how sick can she be.My focus was brought back by Austin calling out Sindy's name.

Sindy:"i..i. .i. c-a-n-t br.." she was panting trying

hard to breath but she couldn't, Luckily Chris was already behind he got her before she could fall.

Luxolo:"give her space" he said as we were all infront of Sindy as Chris layed her on the couch.

Chris:"Shouldn't. .oh hey" he gently brushed Sindy's forehead who just cried.Chris stood up and furiously brushed his face then looked at his daughter, I sat at the edge of the couch and took Sindy's hand and squeezed it she quickly sat up and hugged me.

me:"I'm sorry" she just cried as I held her tight allowing her to cry.

Chris:"Why?"

Sma:"I'm sor..." she didn't finish we heard a loud sound of a slap followed by a scream.

Richard:"Hay marn rhatís uphambene?" I tilted my head and looked at Chris who had his hand on Sma's neck.Richard was next to him trying to

remove his hand on the hand and he finally did with the help on my father.

Dad:"This is disrespect..I understand your anger but you cannot come here and do something like this!!" Chris sat down and brushed his head using both his hands.

Chris:"I apologise it's. .just..fuck!!" he stood up and walked out and Mkhuseleli followed him.

When Sindy was finally calm she removed herself from my chest and wiped her tears.

Sindy:"I'm sorry about your t-shirt" she said looking at my wet chest.

me:"hey..its okay" she sighed and looked around then she looked down.

me:"are you okay?" she shook her head and tears fell.

Sindy:"I..I wanna be alone please take me home"

me:"uhm .okay" we both stood up and I took my

car keys.

Ma:"where are you going?"

me:"she wants to go home ma" she looked at me then Sindy.

ma:"okay ubekahle Sindy mntanami"

Sindy:"ngyabonga ma" she came to hug her then we walked to the door and met up with Chris.

Chris:"going somewhere?"

me:"taking her home"

Chris:"Home? I thought she stays here with you"

me:"no uhm she's staying with her brother"

Sma:"what brother are you talking about?"

Richard:"uthule wena" the others laughed.

Chris:"Sweetheart can I talk to you please?"

Sindy looked at me then her father. "Please" she sighed and nodded Chris held her hand they

walked out.

Richard:"Can't you talk here? we also want the juiciest part of the news" I heard Chris laugh as they left "By the way I am Richard as you have heard"

Dad:"this is my wife Zandile Mkhize and i am Mxolisi Henry Mkhize"

Luxolo:"nice to meet you"

Richard:"ohw sizovana mna nawe Henry" dad chuckled

Dad:"why is that?"

Richard:"because sinamagama e-apartheid soy two" we all laughed, mom came with Nhlanhla with food.

Mkhuls:"themba mqala uzawginya" Richard laughed and nudged him.

"Austin!!!" Austin stood up and rushed out then came back and grabbed his car keys rushing out, everyone stood up and we all followed him,

Chris has Cindy who was bleeding from her nose, his jeans were soaked with blood.

Luxolo:"what happened?" he shrugged getting up with Cindy then went to the car.

We drove behind them to the hospital Nhlanhla called Mdu on the way.

Sindy got admitted because of the blood she was losing.After an hour the doctor came to us.

Doc:"we are still running some tests then we will let you know the cause but for now we have given her an injection to stop the bleeding"

Luxolo:"thank you doctor" she rolled her eyes smiling then led us to Cindy's room.

me:"hey" I kissed her forehead then sat next to her holding her hand.

Chris:"you are too old my daughter Zweli"  
Austin laughed.

me:"But she doesn't think so..right baby?" she smiled faintly, Mdu walked in with Khwezi and

Bulelani.

Mdu:"erh sanibonani" we greeted back "what happened? are you okay Simdy?"

Sindy:"I'm fine bhuti"

Khwezi:"Thuli mathulz" she giggled and got closer to the bed.

Richard:"How old are you Sindy?"

As we got out of the house my body heated up

and my head felt light I held onto Chris tight.

Chris:"are you alright my angel?" I was about to respond when I felt a warm liquid coming out of my nose "dammit!" he scooped me up to the backyard and we sat down but the blood came out harder than before that is when he called out for Austin and I was taken to hospital. I looked at Richard as he said 12

me:"I said 18 sir" he ignored me and went over to my father..feels strange to say so.

Mdu:"are you alright Sindy?" he looked worried.

me:"I'm fine bhuti" he nodded touching my forehead.

Austin:, Dimples" I smiled at him "finally I have a little sister"

me:"and I have a brother an..and a father too"

Smangele:"S..Sindy im so.."

me:"Stop! we both know you're not sorry you are just pretending I don't want to hear anything

coming from your mouth, I've been fine without you. .I don't need you nor your lame stories. .get out"

Smangele:"I.."

Chris:"you heard her..Out!!" Smangele grabbed Thuli's arm and they both left.

Zweli:"are you okay love?" I nodded and closed my eyes breathing in and out.Chris' phone rang

Chris:"Lucy? er .I'll tell them..no I'm not coming...voetsek I'm not your boyfriend. ..haha voetsek you fool" he hung up and faced his friends.

Chris:"Lucy is at the airport waiting for you"

Luxolo:"alright uhm let us go..it was nic meeting you Sindy"

me:"likewise s..."

Luxolo:"uncle Lux"

Richard:"Handsome uncle Rich" I giggled

Mkhuls:"Uncle Mkhuls" I nodded they walked out.

Everything was ruined and I have just found out that bitch is my si...fuck it repulses me to even think that I share a mother with that little slut.The drive to the hotel was silent and mom kept wiping her tears with the back of her hand.

me:"what are we going to do mom?" she huffed

Mom:"relax my baby Zweli will be yours one

way or the other" I smiled "I don't want her I never wanted her but it was too late to have an abortion so I gave her to my mother and I don't even regret it" I smiled as I heard those words.

me:"so mom how are gonna get Zweli to come back to me?" she smiled and focused on the road.

Mom:"Traditional healer will help us my love"

me:"oh okay" we got to the hotel and changed because we were leaving right away.

Two days later I got discharged at the hospital, I was with Chris and Austin while waiting for Mdu and Khwezi to come fetch me.

Chris:"Michelle will be so happy she can't wait to meet you my angel" I smiled

me:"who is she to me?"

Chris:"your aunt" I nodded

Austin:"cant wait for you to come and stay with us"

Chris:"You wanna bully her into making your bed?" Austin laughed ignoring him "not when I'm around you fool"

Austin:"But will that be wrong for my lil sis to make my bed?" I giggled shaking my head.

Mdu walked in with Zweli who came to kiss me.

me:"Zweli!" he chuckled

Zweli:"relax he doesn't mind" Chris smacked his head he laughed "get a grip old chap" he said laughing moving back.Chris just smiled shaking his head.

Mdu:"Here are your clothes madam"

me:"thank you" I took the clothes and went to change in the bathroom then returned to the room.

Chris:"We will meet and talk properly Trigger"

Mdu:"Sure taima" they kept quiet when I got closer.we walked out to the car Austin hugged me first then Chris.

Chris:"I'll check on you later my angel"

me:"okay" he kissed my forehead then left.

MDu:"looks like you're gonna have trouble seeing her"

Zweli:"tell me about it but I will make sure we see each other"

me:"I'm still here"

them:"we know" I giggled.

We drove home conversing here and there.Zweli stayed for a while then left.

Mdu offered to drive me home and I agreed, we were talkinh all the way..well he was warning me not to hurt Sindy and I listened carefully and promised not to hurt her in anyway because I knew he meant it when he said "you hurt her, I kill you" not that I had any intentions of hurting her.As we approached my house I saw Thuli's house parked infront of my gate.

me:"oh dear God" Mdu laughed because he saw the car too.

Mdu:"deal with her bro"

me:"I will" he dropped me off then sped off.Thuli stepped out of her and ran to me as I approached the gate.

Thuli:"Hey"

me:"what do you want?" I asked giving her a cold stare.

Thuli:"Zweli?! nana it's me uThuli wakho" I chuckled

me:"You're no longer my Thuli, I don't have a Thuli, please accept that I don't love you anymore .it's over Thuli" she cried attempting to touch me but I stepped back "Go home Thuli"

Thuli:"this is my home..I love you"

me:"i can't do this" I pushed her aside then got inside the gate and closed it leaving her there.

Dad:"Kazi wayidlisani ingane yabantu" mom laughed as I sat next to her.

me:"I didn't feed her anything.she's crazy that one"

Nhlanhla:"see why I never liked her..I always knew there was a loose screw there" mom and dad laughed at her body language especially her facial expression.

Dad:"How did you.." the intercom rang and Nhlanhla attended to it she screamed we all stood up alarmed as she ran out.

Mtho:"My beautiful parents" he hugged both mom and dad then came to me.

Sandile:"Manje yini ngawe Mthobisi"

Nhlanhla:"He has no respect this one" we all laughed.

Sandile:"what do you want?" she giggled and whispered in his ear "go fetch it in the car" she ran off.My brothers both greeted me then we went inside the house.

Sandile:"So who's ruling the village?"

Dad:"Musa ukphapha" we laughed.

Mtho:"So bro you finally dumped that crazy bitch"

mom:"Mthobisi!" he just lughed and looked at me.

me:"how is Cape town?"

Mtho:"it's good but I'm moving back here next year and please don't fight me parents" Dad gave him a stare "Kahle bo ulaka Khabazela" he stood up and winked at me..both Sandile and I laughed then followed him upstairs.

mom:"hawu and then?"

Sandile:"Kahleni bo niyas-crowda" we laughed and went to my bedroom.

Days went by and the pain of losing Zweli didn't seem to subside but instead it got worse as he was the only thing on my mind, I tried calling him but it looks like he blocked me and that hurt me to the core.

I was planning on visiting him when I got called from the reception. I went there and found two police officers with some woman.

woman: "I'm the sheriff of the court please sign here" I signed and took the envelope, I opened it as I got to the elevator returning to my suite, I gasped loudly as I saw the restraining order filed by Zweli. As soon I got to my room I cried so hard because I didn't understand why he would hurt me like this..

I must have fallen asleep because I was woken up by my ringing phone

me: "Yes?" the person giggled

Khwezi: "thas not how you greet a friend"

me:"Zweli got a restraining order against me"  
Khwezi:"shame" she giggled and hung up.

Two days before Christmas, I was at the mall I had just got myself something to eat. Just as I sat down taking my cutlery I saw the bitch walking around with Nhlanhla laughing. Anger took over my mind and body I stood up with a knife in hand and followed them. .The more she smiled was the more I got angry.

me:"You bitch!!" I stabbed her from the back and removed the knife..just as I was about to stab her again I felt a hand grabbing my arm

"Sindy!! Sindy please hold on please" that was Nonhlanhla holding Sindy crying while I smiled as she bled.

I was with my brothers paying the items we had bought for our parents as they were going home, we heard screams coming outside the shops.

Mtho:"I wonder who got mugged?"

Sandile:"Go check because I know you want to" he laughed and ran outside leaving us helping the packer packing our items in the shopping bags.It wasn't long before he returned looking shocked.

Sandile:"Woza nazo mamgo" we laughed but Mtho didn't.

Mtho""uhm u...Nhlanhla just got into the ambulance with some girl who got stabbed by..y..your ex"

me:"whose ex?" he cleared his throat and

pointed at me using his heard.

Mtho:"yours"

me:"But...wait Nhlanhla was meeting up with  
Sindy!...I have to go"

Sandile:"we are coming with you" we took the  
shopping bags and rushed out.As we got in the  
car my phone rang.

me:"Austin!"

Austin:"You better find your bitch first and make  
sure she leaves this country because if she  
doesn't. ..I will fucken kill her and you know me I  
dont make empty threats bro".I could tell from  
his voice that he was angry...very angry if you  
ask me.

me:"I don't care what you do to her Austin but  
before you do anything to her I want to see  
her...where are you?"

Austin:"Milpark"

me:"sure" I accelerated on the car focusing on

the road.

We got there and found Nhlanhla and Austin  
sitted in the waiting area Nhlanhla was sniffing  
with her hands covered with blood her top and  
jean also had blood stains she got up and went  
to Sandile who didn't talk but just embraced her  
with a hug.

Mtho:"Ausi" Austin chuckled and they fist  
bumped.

Austin:"I see you're back"

Mtho:"Yep en ek gaan nêrens heen nie" Austin  
smiled and whispered something on his ear and  
they both laughed excitedly.

me:"I do hope you are not corrupting my little  
brother Austin" he laughed

Austin:"me? nie my friend I found him already  
corrupt"

me:"You know what I'm talking about Austin" he  
sighed and looked at me with a bored face. .I

wanted to laugh but if I did he wasn't gonna take me serious.

Austin:"We already spoke about this bro..relax I won't defy you" I nodded. .Austin is a gangster so a year ago he wanted my brother to join them into some heist then if it was successful he was gonna join the gang named the KINGS and I didn't allow that because I knos how these gangs and gang leaders could get..The KINGS are led by some dangerous guys from the Cape and one of them is here in Joburg. I have done some research on the gang and they are all over the country. ..each province has members of the KINGS and what I have found is scary as they kill with no mercy. Bulelani...Khwezi's brother is also a member of that gang I have seen the crown tattoo behind his neck.

Austin:"Hello!" I chuckled and looked at him.

me:"What?"

Austin:"We are going to see Sindy...come lets

go" I stood up and followed them, we got to the ward and found her sleeping on her tummy crying silently.

Mtho:"Hawu doctor couldn't you give her pain killers or something"

doc:"I gave her an injection and it will kick in soon" I went over to her and brushed her hair.

me:"I'm sorry" she nodded crying and that hurt me "Please don't cry baby"

Sindy:"it hurts"

me:"wish I could hold you right now but I can't..I'm scared I will hurt you" she gave me her hand..I took it and kissed it "I love you" she kept quiet I took my eyes from her hand and looked at her beautiful face and she was sleeping.The door swung open Chris walked in and marched towards us, I gently let go of Sindy's hand then stood up.

Chris:"Who did this?"

Nhlanhla:"Thuli"

Chris:"Where is she?"

Austin:"Police custody" he looked up and stared at Austin.

Chris:"Why not the warehouse?" Austin cleared his throat

Austin:"She will be...this afternoon" Chris nodded and kissed Cindy's lips "Euw that's exactly where Zweli kissed just now" Chris quickly wiped his lips as we laughed at him.

When the police took me to the police station I was put in a holding cell.As I sat there the detective came and opened for me but I didn't stand up instead I put my hand on my pussy

and played with myself..my plan was to fuck with the detective so that he could let me go.I moaned as he approached me.he squatted in front of me and watched me and then removed my hand and started finger fucking me he then stood up and went to close the burglar then pulled me up.

me:"wait..."

Detective:"relax I'll get you out of here" I nodded as he looked around and started fucking me.

me:"oh Zweli"

Detective:"shut up bitch"

me:"I'm sorry" he came inside me and quickly pulled up his pants and I fixed my dress then we walked out.When we got to the reception mom was there.

Detective:"go..hurry" we walked out and got to the car then mom drove us to the airport.

Buja:"and now?"

Roxy:"she's not there...I think someone helped her escape"

me:"Find that someone!!"

Roxy:"I'm on it" she walked away.

me;"Dammit" Dad was gonna go nuts but I was gonna find the bitch one way or the other and

she was gonna pay for touching my little sister and whoever helped her was gona pay too with his or her life.

We landed in Durban and the driver was already waiting for us so he drove us home.

When we got there we found mom and dad cuddling on the couch. .okay that's a first!

Because even though they have kids I have never seen them this cosy.Anyhow we greeted Dad kept quiet as mom greeted back.

me:"Dad?" he forced a smile then they sat up he then held out his hand I went to hug him.

Dad:"how are you baby girl?"

me:"I'm good and you?" he just smiled and pulled my cheek. Mom came over and attempted to kiss Dad, to my surprise dad backslapped so hard she screamed holding her cheek.

Sma:"Babe?" she called out still holding her cheek with a bleeding nose.

Dad:"Come anywhere near me again!! I will kill you..you witch!!" he was so angry.. I quickly got off his lap and MaSibiya hugged me.

MaSibiya:"Baba?"

Dad:"not now standwa sami" he kept his eyes on mom(Sma) "wena mthakathi..I'm giving you thirty minutes to pack your trash and leave this compound!!" mom (Sma) cried and went down on her knees.

Sma:"but..what did I do?" she asked crying.

Dad:"I know about the love portion. .I know

about the spell you put on me to hate MaSibiya..I know about your child with Christopher! I know everything!!!" He roared looking at mom in disgust.

Sma:"ngyaxolisa...I'm sorry!! please.."

Dad:"Hey fuseg!!"

"Iyoo umuntu eseyaxoshwa njalo" that was my brother Njabulo.

Dad:"Leave this house!! Njabulo get the guards to escort her out..Ntoko!!!" my sister came running.

Ntoko:"yebo baba" Dad sighed frustrated because Ntoko is scared of dad. .he used to beat her into a pulp for no reason at all..she's MaSibiya's second born.

Dad:"Get the maids to pack Sma's belongings and come back here" she nodded and rushed out and came back running "come here" she started tearing up and so did I because I felt

sorry for her..I always did even though I was a brat but I would hide her at times.

Ntoko:"Baba noma yini ngyax.." Dad stood up from his seat and approached her with tears in his eyes he just pulled her into a hug.

Dad:"Ngyaxolisa..I'm so sorry! please dont be scared of me..I'm sorry baby" Ntokozo cried holding onto dad tight.

me:"Ma?"

MaSibiya:"I'm fine" she said wiping her tears.The guards came and escorted mom who was kicking and screaming then it went silent then everyone came back walking backwards.Chris walked in with a gun pointed at mom, his face had turned pink and he looked angry.

Chris:"Jabulani Cele" Dad let go of Ntoko kissing her forehead and stared at Chris.

Dad:"Kids go upstairs" Chris laughed but not a

friendly laughter.

Chris:"oh no..no.no.no.no I'm actually vising one of your kids including this trash you call a wife"

Dad:"What business do you have with one of my kids Christopher" he chuckled.

Chris:"I thought you knew me my friend ..we're still friends aren't we?"

Dad:"fuck you"

Chris:"Oops and here I thought we were friends..back to why I'm here I want that little bitch!" he pointed at me..I was holding mom's hand so tight because of the fear I had.

Dad:"Don't you d..."

Chris:"Hey shut up!! that piece of shit stabbed my daughter and I'm gonna make her suffer oh don't worry I won't kill her..now hand her over!"

Dad:"Never!!!" Chris laughed

Chris:"Still cheeky and stubborn I see" six guys

carrying guns came and took Ntoko "Not that one" they let her go and came to me Dad tried fighting but they shot her in the arm then they dragged me out.

We drove for about an hour then we got to the bush and drove to the middle of the bush.

Chris:"They're all yours..and tell me when you're done" those guys chuckled and pulled away from Chris, One of them put on something on my mouth then they ripped off my clothes and mom's as well they started kissing me and then they raped us taking turns I was crying so much but my cries weren't heard.After what seemed like forever they stopped then Chris came and started kicking me on the face and strangled me, I saw my life slipping away as he continued strangled me...just when I thought I was dying he stopped.

Chris:"Not now sweetie!" my vision was blur with the tears in my eyes as I blinked I felt him

turning me and then I felt something piercing my back then it was lights out.

I was with Austin, Zweli, Mdu, Khwezi and Bulelani. .well we had just had Christmas lunch with them at Mdu's place. My father couldn't make it because he had something to take care of but promised to come check on me later.

Anyway we were talking and laughing at the jokes they shared when the intercom rang.

Khwezi: "I'll get it" she left and came back with Lubanzi and a gorgeous woman by his side.

Lubanzi: "Molweni" we greeted back "Sindy how are you?"

me: "I'm good thanks and you?" he smiled

Lubanzi:"all good.uhm can I have a moment with you or should I speal infront of them?"

me:"you can speak infront of them bhuti its fine" he nodded

Lubanzi:"oh by the way this is my beautiful wife Olwethu Princess Yanelisa Maqhubela. .babe this is Sindy Khumalo" she smiled

Yanelisa:"Hi Sindy"

me:"hello" I returned the smile.

Lubanzi:"I came to tell you that I have managed to get your inheritance back including the house"

me:"Really? thank you. ..thank you so much" he smiled

Lubanzi:"Regarding the house I'd advise you to rent it out" I nodded in agreement "if you agree I can find someone for you"

me:"okay..you can go ahead..uhm so how much is your fee?"

Lubanzi:"Don't worry about that Mdu already paid..sicela idrinks please" His wife and Khwezi went to the kitchen.

Austin:"So Buja where is Londy?"

Buja:"Dumped her bro"

Austin:"Ngoba?" I was shocked but then again it came to mind that most of his friends i knew were black.

Buja:"waske wasuza while I was muffing her" I choked on my juice laughing as they burst out and laughed.

Austin:"Ahw was it that bad?"

Buja:"You have no idea bro I even left the room and went to sleep on the next bedroom"

Lubanzi:"Khayeke Buja bro" he laughed and downed his drink.

Buja:"okay" they changed the topic and spoke about something else.

me:":Can you help me up..I need to go lie down"  
I asked Zweli who was seated next to me, he got up first then helped me up as well.

Lubanzi:"en nou? what happened?" he asked as we walked away from them to my

bedroom.Zweli helped me get into my pyjamas then put me in bed.

Zweli:"Can I sleep with you?" I nodded smiling shyly "you're so cute" I smiled

me:"and you're sweet" he got in bed and laid next to me then started playing with my hair until I fell asleep.

I watched her as shd peacefully slept, she looked so beautiful with her pinkish lips slightly pouted.I sighed loudly as I appreciated the fact that she hadn't ask for space after what Thuli did...honestly i was scared that she might want to distance herself from me but she hadn't instead she allowed me to be next to her and I was happy because I don't know how I'd cope if

she were to ask space or dump me. I know some would say it's too early to be talking like that but honestly it's never too early or late when it comes to the matters of the heart. I have fallen hard for Cindy and it somehow scares me, the past few weeks have been the best of my life, spending time with her and getting to know her, looking at her beautiful smile and hearing her angelic voice God her laughter is like music in my ears. I was brought back by someone clearing their throat I looked up and found Chris by the door.

me: "uhm.. I'll go join the others" he nodded I got off the bed and wore my shoes then went to the others.

me:"Dad" he held my hand giving it a gently squeeze.

Dad:"You're okay now baby girl" mom came with a glass of water and helped me drink with a straw while dad went to call a doctor.

Doc:"welcome back" I faked a smile "uhm you are very lucky to have survived those robbers nearly killed you"

me:"Robbers?"

Dad:"yes love..uhm so doc?"

Doc:"unfortunately your daughter might never walk again due to the injury she got on her spine and..."

me:"Stop!! please stop" I cried loudly Mom came and brushed my arm wiping my tears.

mom:"it's going to be okay nana" I just cried shaking my painful head.

a week later, it was the fourth of January and we were waiting for Chris to come back with the paper and Sindy's statement of symbols from Durban.

me:"Are you nervous?" I asked Sindy who just gave me a beautiful smile.

Sindy:"Nope" she said calmly making everyone exchange looks Richard chuckled..they were around as well.

Richard:"You should be..matric is not a child's play" she smiled shaking her head.

Sindy:"to someone who isn't serious and determined. ..well I on the other hand was very serious, I read my books and practised every chance I got so I know I did well" she said

proudly.

Luxolo:"How many distinctions do you think you got?"

Sindy:"I don't think but I know uncle...I got 6"

Richard:"Too much confidence" she giggled.Chris walked in and sat down with a blank facial expression.

Sindy:"You must be good with poker? " Chris laughed.

Chris:"So..how many distinctions do you think you got?"

Sindy:"6" and here I thought she was gonna go down.

Chris:"erh...you got none" she giggled.

Sindy:"me..never!" Chris smiled and put the statement on the coffee table Richard took it and stared at it for sometime before looking at my baby who was chilled.

Austin:"So?" Richard chuckled looking at Sindy.

Richard:"ubhadlile mntanandini? I mean are you okay upstairs?...Seven distinctions"

us:"What?!" he placed down the statement then we all took turns looking at it.

Austin:"Wow!"

Chris:"Congratulations my angel" she nodded dialling on her phone then went further from us and by the looks of things she was probably talking to her friend.

Richard:"uboylumkela Chris lento because it might happen that she has some kind of disease" we laughed "no seriously who in their right state of minds..I mean umntu onormal upstairs gets 94% in physics...no uyagula lomntana..Physical sciences and Maths"we laughed again at his statement.

Luxolo:"She did really well" she came back and sat down smiling.

Sindy:"uhm..my Principal says I have been offered scholarship to Cuba..erhm to study medicine" I swallowed hard looking away praying she wasn't gonna say yes because that would break my heart.

Chris:"Do you want to do medicine?" Sindy nodded smiling.

Sindy:"Yes..its what I have always wanted"

Chris:"oh" I could tell he was disappointed that he was gonna be miles away from his daughter..and so was I...I was hurt.

After Sindy told us about Cuba, my father just

stood up and walked out then a few seconds later Zweli did the same thing without saying anything, She just looked around with tearful eyes then looked down playing with her hands.

Sindy:"uh..m please excuse me" she stood up and rushed out.

me:"Sindy?!" she didn't respond instead she ran away.I sighed and followed the route she took as I was behind her.In honest truth I was also kind of upset that she was leaving but most of all I was worried about her well being when she gets there,her safety and all that because Dad has enemies all over and one of the places he had lived in was Cuba so maybe he was thinking of that because gangsters dig deep to find everything they can about you and if they could do that on dad we'd lose Sindy.Anyway as I looked around the park she was nowhere to be found.I searched the whole park for her but nothing so I decided to call Dad.

Dad:"I'm busy"

me:"I can't find Cindy"

Dad:"what do you mean you can't find her?"

me:"Just that"

Dad:"Moenie met seun fuck nie"

Me:"Vran my dan nie bullshit nie sy is ontsteld as gevolg van jou"

Chris:"Austin ek is nog steeds jou pa"

Me:"my selfsugtige pa wat ek ken" I hunh up and walked around the park then returned back home.

Mdu:"Where is she?"

me:"I can't find her but I came to get my car..I'm sure she's not far"

Mdu:"You know maybe you guys should back off because everything you do complicates Cindy's life..your involvement in her life has not been good at all"

Dad:"and who are you to decide that shit?"

Mdu:"the same guy who's been looking after her and her grandmother, the very same guy who took her in..not that I minded, and stayed with her when her uncles and aunts abused her after losing her grandmother th..."

Dad:"hold up..what do you mean they abused her?"

Mdu:"ay angazi ke nami ngoba isingisi lesi engiskhulumayo..let's go baby" he took Sindy's phone that was on the table with her statement "The least you could have done was to pretend you were happy then sat her down and speak to her about your concerns of her leaving the country" he then walked out with Khwezi following behind him.

Mkhuls:"Selfish!! SELIFISHI!! akhonto ndawphinde ndiythethe"

Richard:"Yes..SELIFISHI" They stood up uncle Lux just gave dad a look.

Chris:"okay..I get it!"

Richard:"mkhuthuka" they chuckled pissing dad off.I drove out first and looked around but I couldn't find her

After I left Austin's house I drove to Lexi's apartment, I needed to blow some steam of but unfortunately or rather fortunately she wasn't around so I decided to drive to my house.When I got there I quickly went to my bedroom and changed into my gym-wear then went to my personal gym in my basement and got on the treadmill then afterwards I hit the punching bag.

Sandile:"Easy man!" I removed my gloves then drank some water "What's the matter and don't

say 'lutho' because I can tell you're a bit stressed out"

me:"it's Cindy" he cocked an eyebrow "She got a scholarship to Cuba"

Sandile:"wow! I'm sure you're proud"

me:"no! I don't want her to go"

Sandile:"oh..uhm so did you tell her that?" I shook my head

me:"I just walked out bafo th.."

he pinched me so hard on the arm "Ouch what the fuck dude?"

Sandile:"You selfish son of a bitch"

"Haa mgizomtshela uma" it was Nhlanhla on the stairs

Sandile:"when will you stop being selfish Zweli? bro that is a lifetime opportunity for the poor girl! I'm sure it's what she's been working hard for and wena uyqedela injabulo ingane

yabantu..instead of being happy you're here sulking like a bitch..must the poor girl change her goals just because you want her here? for your personal and selfish gains huh? so she must miss out on a huge opportunity because of you? yini ngawe kodwa Zweli?"

me:"Sa..."

Sandile:"Hayi fuseg" he left me there...realising how selfish I was.

Nhlanhla:"Ya fuseg man" she giggled going back up, I followed behind her and took a cold shower and got dressed into shorts and a long sleeved body hugging t-shirt then sleepers.Just when I took my phone..it rang.

me:"Austin"

Austin:"We can't find Sindy bro...I dont know where she went" my heart was now pounding hard.

me:"what ha...I'm coming where are you?"

Austin:"I'm driving around Sandhurst" I hung up and took my car keys and left.

Richard:"You know for a selfish..."

Mkhuls:"SELIFISHI!" Richard laughed

Richard:"Selifishi boyfriend and father you sure look worried"

we looked everywhere but we couldn't find her.

When I left the house I wanted to be alone and think things through but that did not happen

because I was almost hit by a car but thankfully it didn't.

me:"I'm sorry I should have looked"

Her:"it's okay..are you alright?" asked a girl my age who was driving.

me:"yeah"

Her:"Lilitha Maqhubela" she got off the car annoying the others.

me:"Sindisiwe Khumalo" she smiled and held my hand leading me to the car then drove off.

Lilitha:"Girls this is Sindy...introduce yourselves"

Girl1:"Iminathi Myeni"

Girl2:"Isipho Damane"

me:"nice to meet you"

Lilitha:"so what happened to you Sindy?"

me:"family issues" I was really uncomfortable I still couldn't digest that I was in a stranger's car.Anyway she parked at some place with lots

of cars she fixed my face then we walked out of the car.

Iminathi:"Guys that's uncle Sphe's car"

Isipho:"He's leaving" we got inside the club and went to sit down.They kept taking pictures of us and I sat there uncomfortable.Two bottles of wine came to our table..they poured for us then started drinking.After two glasses I was feeling some tupa way.

Iminathi:"Guys..uhm we are dead...Iminathi Myeni if I dare find you kulo kaka yeclub I'll kiss you' its from dad"

me:"he's gonna kiss you?" we giggled

Lilitha:"maybe we should leave"

I didn't turn to look at him but I just continued drinking the wine and kept breathing in and out to calm myself down because I was starting to become upset/sad, my grandmother would have been happy for me, she'd have congratulated me because she wanted only the best for me..but now..everything is so different I thought finding my father would bring joy and happiness in my life but so far it hadn't, if only he had listened to me and allowed me to speak but he didn't he just decided to ruin things for me at my happy moment, I guess I wasn't suppose to celebrate my achievement.

"Sindy!!!" I snapped out and looked at Khwezi

who had a worried look..I don't even know when she got here.

me:"Mhhm?"

Khwezi:"Come let's go" I nodded and put the glass down then gently stood up.

me:"uhm bye guys"

Man:"ungubani kewena?" his voice was deep and scratchy and scary too if you ask me.

me:"I'm Sindy" I said uncomfortable and then walked away.

Mdu:"Are you okay?" I nodded "how did you get here?"

me:"I came with those girls" he nodded as we got in the car..he started the car and drove us home.On the way he received a call.

Mdu:"hello?"

Chris:"where is my child? how dare you take her wothout cons..."

Mdu:"With all due respect Chris..I'm still Sindy's guidan and therefore I do not need your permission to take her and besides she wants to come home with me" Chris clicked his tongue and hung up.

When we got to the house I went straight to my bedroom and locked myself in there, tears burnt my eyes as I thought of the celebration I would have had with my grandmother if she was still alive..she would have bragged to all members of the community telling her about the greatness of her granddaughter saying 'uSindy wami did great in school buka nje useya phesheya' I know she'd have been proud of me..maybe she's still proud wherever she is.I curled myself up in the bed and cried..what should have been one of the happy moments turned sour.As much as the scholarship would have helped but I wasn't gonna accept the offer because of various reasons, and one of the reasons was losing my granny...losing her

opened my eyes and taught me how short life is, one minute we were together and then the next she was gone so I wanted to spend as much time as I could with my family but now...ay I don't know.

-

I must have fallen asleep because I woke up feeling cold I woke up and changed into my pyjama then got undercovers and slept.

The following morning I woke up and took a cold shower then got dressed and went downstairs.

me:"Morning"

Khwezi:"morning love...are you okay? your eyes are swollen" I nodded

me:"yes I'm fine..sisi could you accompany me to Chris' house I need my statement"

"It's here" it was Mdu "come we both followed him to the lounge..he took his laptop and

skyped his mother.

MaNdlovu:"Yebo..hello?" she waved smiling  
"How are you Cindy?"

me:"I'm fine ma and you" she giggled.

MaNdlovu:"Ngiright kabi..congratulations my  
child"

me:"thank you ma"

MaNdlovu:"lesa sduphunga somzala wakho

Mdu:"Ma!" MaNdlovu laughed.

MaNdlovu:"I'm telling the truth nje" we spoke for  
sometimw then hung up.I then asked bhuti Mdu  
about what my studies and where I wanted to  
study.He made a few calls then left with my

I haven't seen Sindy yet but I was definitely gonna see her today and apologise for being a selfish jerk. Yes I was hurt that she was leaving but I had to let her persue her dreams and if going to Cuba would help her fulfil that who was i to stand in her way? But again I had to be beside her and be her number 1 supporter. i have tried to call her a couple of times but she didn't pick up.

Nhlanhla: "Buy flowers and send them over" she said sitting next to me.

me: "please order them for me" she nodded and dialled on the phone ordering those flowers and instructed them to write a card apologising.

-

Around 19:00 I was at Mdu's gate waiting for Sindy to came out and she finally did.

Sindy: "hey" she said coldly.

me:"hi baby..I'm sorry about yesterday it's just I didn't want to lose you"

Sindy:"who said something about losing me? because I dont remember saying such at all"

me:"I know..I'm frustrated Sindy because you're leaving! it hurts me because I feel like I'm losing you and it hurts baby. ..im sorry to be selfish but I don't want you to go" I was now holding both her hands.

Sindy:"but I never said I was leaving I just said I got a scholarship" I looked at her confused but she didn't speak further "I have to get back inside we will meet tomorrow" she pecked my lips and left me there.

It was around 18:30 and we were having dinner

over light conversation when someone buzzed Mdu went to attend to it then came back. The door opened it was dad and his friends then some guys and ladies with Imi, Isi and Lili. Dad introduced those guys and their wives to me.

Lubah: "So this is your daughter uncle Chris?"

Chris: "Yep" he said kissing my forehead.

Saider: "Oh kodwa Chris..wawudzedza nathi sidzedza bra? but why am I not surprised ezinye ichaps zisadzedza even now" Dad laughed as the uncles insulted him.

Richard: "I will continue until Jesus comes" Lili pulled us out then we heard a roar of laughter.

I don't know how could people be this stupid, Saider is indeed his father's son, they have the same personality and they are very funny people.

Dad: "so now we shouldn't have sex?" we laughed

L.D: "Jesus..Yes!!!" we laughed again.

Lubah: "it's such a shame for you to even ask that" Richard was in stitches.

Richard: "Niyanya"

L.D: "My firstborn is even older than your daughter..which shows that you should have long stopped having sex..gosh this is embarrassing"

Mkhuls: "No son you're the one who rushed sex"

L.D:"arg whatever..but now you should stop "

Richard:"When Jesus comes sonny"

L.D:"I rest my case"

Dad:"Uhm Trigger?" Mdu looked at him "I'd like to apologise for being an arse to you and sorry for any kind of disrespect I have shown towards you, I should be thankful to you for taking care of my daughter and providing for her"

Mdu:"apology accepted" they shook hands then we conversed laughing here and there.

Richard:"my Sunday...oh yini na shame sorry...today baby" he hung up "if I dont return home today I might find myself ndingena mfazi"

Lux:"True that..we should get going" they stood up and walked out with their sons and we walked them to the cars.

Mkhuls:"Bye Sindy" she smiled and waved and they left with the kids.

Me:"So lil sis" she smiled "have you decided?"  
she nodded

Sindy:"it's a great opportunity Austin an  
opportunity that comes once in a lifetime.

.however I have found something that I have  
longed for all my life, a father I wanna be close  
to him Austin I want to experience and receive  
his love and most importantly bond with him, I  
wanna feel special to him and also experience  
what my mates were talking about at School" I  
squeezed her hand, I was relived that she  
wasn't leaving..honestly my concern wasn't her  
being far but it was her safety and well being.

me:"what about me?" I asked pouting which  
made her giggle loudly.

Sindy:"You are in the equation as well..you know  
my friend used to say her brother was annoying.

.I think I'd like to experience that too but please  
dont overdo it" I laughed.

me:"I'm a very cool brother actually. .as long as

you make my bed"

Sindy:"no never! that's your girlfriend's duty"

me:"And yours too" she shook her head smiling  
"if you agree I'll help you convince dad to accept  
your relationship with Zweli

because he is not happy about it"

Sindy:"who said I can't convince him on my  
own?" I smiled looking at her.

me:"Maybe you caj but I can give you hints" she  
laughed

Sindy:"All that because you're lazy to do your  
bed?" I chuckled nodding.We spent almost an  
hour chatting and laughing then Dad came to  
joining us.

Dad:"hello my angel"

Sindy:"Hi"

"Dad" said my father instructing her to continue.

Sindy:"Chris" she said giggling Dad widened his

eyes which caused Sindy to laugh "Sorry dad"  
Dad smiled and brushed her cheek.

Dad:"Good..sweetheart I want to apologise for the way I reacted when you told us about your scholarship \*sigh\* the truth is..I don't want you to go because of so many reasons which I cannot tell you yet..but one of those reasons is that I want you next to me..get to know you and make up for lost time which is impossible but we can creat beautiful memories..just me, you and your brother. .BUT I understand that you want to pursue and follow your dreams so you can go to Cuba but I wi..."

Sindy:"I'm not going" Dad looked at her a bit shocked.

Dad:"Why?"

Sindy:"I wanna stay here..with you guys" with in a flash he scooped her up and spun her around kissing her all over the face, she was giggling non-stop which made me smile.

Dad:"Pheew thank God" Sindy giggled looking at him "now we have to find you school"

"Uhm it's already sorted now what's left is registration fee" it was Mdu followed by Khwezi with drinks.

Dad:"Right. thank you Mdu..I'll transfer the money to you so that you could pay then I will pay her fees myself"

me:"Where?"

Mdu:"Wits" I nodded as Khwezi served us drinks.

Khwezi:"you should try to talk to her now..she's calm now"

me:"alright thank you for calling" she hung up I stood up and started dancing.

Sandile:"iyhoo shame you should stop that you might hurt yourself" I laughed and sat down.

Mtho:"Manje ufuna uk'ncengwa" Sandile and I laughed looking at him.

Sandile:"uthanda izindaba Mthobisi" he ignored him and looked at me.

Mtho:"So?" I laughed

me:"Sindy is not taking the scholarship and no Sandile it's not because of me"

I looked at her shocked as she held out both hands with tears in her eyes. A part of me wanted to leave her there but I wasn't raised like that.

Sma: "u..ubaba ka Thuli cut me off, I have nothing all my cards have been frozen since the day he threw me out"

Mtho: "interesting go on" Sandile giggled looking away "Why did he throw you out?" she started crying and I really felt sorry for her..I took out my wallet and gave her a hundred rand note.

Sma; "Thank you Zweli. .thank you so much" I just nodded and turned going to the car.

Sandile: "ohw Nkos' yami" we laughed as he mimicked our grandmother's voice.

-

When we got home our parents were all touchy touchy in the lounge.

Sandile: "aw bakithi isekhona vele ilove?" we all

laughed.

Dad:"When are we meeting your girlfriend again?" Sandile looked down.

Sandile:"you mean boyfriend" mom gasped loudly as we all stared at him in shock he took a few steps backwards before bursting out and laughed "oh Jesu" he laughed hard clapping his hands.

Dad:"it's not funny" he said trying to hide a smile.

Sandile:"it is..you should have seen your face dad..oh dear mom"

mom:"mxm" we sat down and conversed a little before going to our bedrooms.

I sat on the bed and took out my phone just as I unlocked it her beautiful face appeared it was the photo of her that I took when she was sleeping.I dialled her number and it rang unanswered I dialled again she picked up panting.

Sindy:"Hi..Aistin stop!!" she said giggling I smiled and spoke.

me:"Baby hi"

Sindy:"hey. how are you?"

me:"good my baby how are you?"

Sindy:"good" we kept quiet for a few seconds.

me:"I miss you baby..I'm sorry for ruining your day ngyaxolisa standwa sam"

Sindy:"I forgive you..stop crying now" I chuckled  
me;"I'm not crying!"

Sindy:"Right"

me:"ngizokshaya wena" she giggled

Sindy:"I miss you..I wanna see you" I sighed  
rubbing my face "Zweli?"

me:"You're gonna see me tomorrow my baby

Sindy:"and you didnt see it fit to inform me?"

me:"no..baby it..shit I'm sorry"

Sindy:"it's fine mr sorry" she hung up but I called her back "Cedric Mkhize"

me:"Dont do that Sindy..dont hang up on me"

Sindy:"Sorry" she.said in a low tone.

me:"I'm sorry my baby it's just. we were not speaking"

Sindy:"Really? but the other day you were just outside my yard and we spoke"

Chris was with his lawyer drafting his will. His assets were to be split between his children then a little percentage for his sister as well. The lawyer stood up and left then Chris called Lubah to come to his house.

Lubah: "En nou? dintshang?" Chris sighed and looked down "Chris?"

Chris: "i..uhm..I want you to promise me..no scratch that, I need you to look after my kids .Angela to be specific"

Lubah: "Angela?" he asked confused.

Chris: "Sindy"

Lubah; "where are you going?"

Chris: "I'm sick..and apparently I do not have much time to live, I trust you well after your father of course but he's old so I want you to take care of Sindy when I die..even Austin always check on him and keep him in line"

Lubah stood up and brushed his head then went to stand next to the window.

Lubah:"What's wrong?"

Chris:"I have a hole in my heart" Lubah closed his eyes then opened them looking at Chris with so much pity.

Lubah:"How much time do you have?"

Chris:"two months"

Lubah:"Why me? I mean there's Lwandile, Lonwabo and Saider" Chris smiled.

Chris:"I trust you, you are more responsible, more caring than those fools. .yes they are responsible but you are more in everything and I know my kids will be taken care of" Lubah sighed and sat next to Chris.

Lubah:"okay"

Chris:"Okay?" Lubah nodded

Lubah:"I'll be your child's guidan.But I'll talk to

my wife first"

Chris:"Oh"

Lubah:"It's just a formality. .I know she will agree it will be just a discussion" Chris nodded "can I have a drink now?" Chris stood up and poured both him and Lubah some scotch, when he handed Lubah one glass he took them both.

Lubah:"Qhelana ne juice" Chris clicked his tongue annoyed and sat on the couch "great stuff you got here Chris" he chuckled

me: "I'm here now .that's all that matters and we will make up for the time we lost"

Austin: "thas right" dad just kept quiet and brushed my hair gently.

We returned to Joburg after two more days since Dad forced us to stay. Cindy was okay with me being in Durban and she actually told me

that she had been spending time with her father, bonding and stuff, from her voice I could tell she was happy and that made me happy too because her happiness is very important to me and most importantly her..having a parent..a father something she never had.

We took a cab to my house we paid then got off.

Sandile:"so that party?" I sighed looking down because I didn't want any party in my house

Mtho:"Come on bra..you can even invite your girl"

me:"Fine but this is the last time you throwing a party here"

Them:"yebo mkhulu"

me:"I mean it!"

Mtho:"okay! sizwile phela" I went to my room and called my baby.

Sindy:"whatever old man..hey" she sounded so happy.

me:"my baby how are you?"

Sindy:"I'm good and you?"

me:"I'm okay..just missing my baby"

Sindy:"I miss you too when am I seeing you?"

me:"now" I said getting up from the bed and walked out.. she giggled

Sindy:"Really?"

me:"yes where are you?"

Sindy:"Dad's place"

me:"alright I'll see you shortly" I hung up and took the car keys and left.

-

I called as soon as I parked outside Chris' place.

Sindy:"I'm coming" she then hung up.minutes later she walked out in a navy linen short with a white vest and flip flops, I got out of the car and met her halfway scooped her up she screamed giggling then I placed her down and hugged her

tightly.

Me:"I missed you so much" I said looking at her at her beautiful eyes before she could respond I gave her a kiss.

Sindy:"I..I missed you too" we kissed again then pulled back.

me:"How have you been my baby?" she smiled.

Sindy:"I've been good..great actually" she said excitedly I smiled looking at her "Spending time with my dad and brother, listening to Dad's stories, him tucking me in bed. .it's great Cedric..it's so great that I finally have something I have always longed for..a father not just any father.a loving father"

me:"I'm happy for you my baby" she smiled looking at me "what?" she giggled

Sindy:"nothing..how have you been?how are your parents?"

me:"I've been good my baby..my parents are

also okay love" she nodded. We got in the car and drove around conversing and laughing, sharing kisses here and there. We spent about three hours together then I drove her back home.

me: "Baby..uhm before I forget, my brothers are having a party at the house so..they asked me to invite you"

Sindy: "oh..when is the party?"

me: "tomorrow night" she nodded "so?" she nodded again I chuckled looking at her "Sindy?" she giggled.

Sindy: "i'll be there"

me: "I'll come fetch you my baby" she smiled kissing my lips then got out of the car, I watched her as she walked to the yard, I drove off as soon as the gate closed.

The following day Cindy woke up next to her father and brother as they were all sleeping at Chris' bedroom after he insisted or rather forced them to sleep with him. She went to her bedroom and took a shower then dressed into leggings and a baggy t-shirt with sleepers then went to make breakfast. While she was at it she called Mdu.

Mdu: "Little one"

Sindy: "how are you bhuti?"

Mdu: "good and you? "

Sindy: "I'm okay. .just checking up on you" Mdu smiled

Mdu: "we are good little one..thank you for checking"

Sindy: "alright I'll see you"

Mdu:"alright..Khwezi says hi"

Sindy:"hala back..I have to go now" they hung she dished up.Chris and Austin walked down Sindy served them and they ate as a family.

-

Later on Both Sindy and Austin prepared for the party.

Sindy:"See you tomorrow ola man" Chris chuckled and.kissed her forehead hugging her tight before going to Austin.

Chris:"I love you guys" he said trying to hold back his tears.

Them:"we love you too" they left him not noticing anything wrong.

-

As soon as Austin parked his car Zweli went to the passEnger door and opened for Sindy.

Zweli:"Wow! you look..amazing my baby" Sindy

blushed

Sindy:"thank you. ..you look good too" Zweli held her hand and they walked inside then to the backyard where everyone was.

Sphe:"she looks gorgeous" Zweli cringed as Sphe whispered in his ear, he knew that he was gonna try his luck on Sindy.

Zweli:"Fuck off Cooper" they were very close until Zweli fucked Sphe's ex.

Sphe:"relax will you?" The party started and more people arrived. Some ladies were giving Sindy nasty stares as they hoped to have Zweli just for the night. Zweli' s attention was at his woman.

Sindy:"one more" Zweli frowned and poured her another glass of wine.

Lady:"Hi Zweli" Sindy looked at the fake lady with everything fake..eyelashes.. nails and stuff.

Zweli:"Ja" the lady cleared his throat as he

wasn't looking at her.

Lady:"Can..we..uhm talk?"

Zweli:"Ngbusy" he said wiping a sauce on  
Sindy's lip with his finger then licked it making  
Sindy giggle slightly.

Lady:"uhm Zwe..."

Zweli:"Yini ufunani?" he asked irritated then  
looked at the lady.

Lady:"uhm..nothing nevermind" Zweli just  
turned and focussed on Sindy.

Lubah:"uhm. a few days ago I..I got a call from uncle Chris summoning me to his house, when I got there he...he told me that..uhn he asked me

Them:"WHAT?! WHY?" Lubah looked at them and they kept quiet.

Lubah:"He asked me to look after her because..hes sick, he found out that he has a hole in his heart and he has two months left to live" they all kept quiet as shock took over.After sometime Richard spoke

Richard;"and now? what was he saying on the phone? is he okay?" Lubah shook his head no.

Austin:"what? what's wrong is he okay?"

Lelethu:"I don't know the doctors just attended to him now" Austin swallowed hard and hung up then rushed to Zweli's bedroom and knocked.

Zweli:"Eu fuseg the party is downstairs!!"

Austin:"Zweli open up bro..I need to talk to my sister..we have to go" Zweli stood up as he heard Austin's panicking voice and went to open up for him.

Zweli:"what's going on?"

The ride to hospital wasn't long as Austin was driving like a mad man, I on the other hand was sitting there quiet with so many thoughts on my head.We got to the reception.

Austin:"Christopher McCarthy" the woman typed something on the computer then looked up at Austin.

Her:"wait at the waiting area the doctors will come to you when they are done with him" We walked to the waiting area and found some lady

sitting alone.

Austin:"Lez" she looked up and smiled

Her:"hey guys"

Austin:"What happened?"

Her:"I don't know..I received a call from uLubabalo saying I should go to your house and when I got there I found your father on the floor unconscious" They kept on talking but my mind was far thinking all sorts of things.

Zweli:"he's going to be okay" I sighed and put my head on his shoulder.

me:"what if..."

Zweli:"Don't do that baby..he's strong, he will fight for you guys" I nodded as he kissed my forehead.We stayed in silence for a while until Austin received a call, he spoke for a while then hung up.

Austin:"it's Aunty. .she's on her way here"

Zweli:"perfect timing"

Austin:"She was supposed to arrive yesterday but her flight got delayed"

-

About 30/40 minutes later a woman in her mid forties arrived and greeted hugging Austin.

Her:"What happened to my brother?"

Austin:"we are still waiting for the doctor. ..uhm Aunty meet Sindy my sister"she just looked at me then took a few steps towards me.

Her:"what did you do to my brother? "

me:"I don't understand" I was really lost however my inner voice told me that there was more to that question.

Her:"Did you bewitch him? huh?"

Austin:"Aunty?!"

Her:"what? it's no secret that black people are witches!!"

me:"take me home" my tears were already flowing. Zweli stood up with me.

Zweli:"My car keys"

Austin;"S..."

Zweli:"Car keys!" his voice had changed, Austin gave him the keys then we left. We got to the car and drove away.

Zweli:"My house?"

me:"no I'm no good company now" I think he understood where I wanted to go because he drove straight to Mdu's place, I punched the code then he drove in and parked on the driveway. We walked in together Khwezi looked at us and frowned

Khwezi:"What did you do Zweli?"

After signing the necessary papers I returned to the waiting area.

me:"Damn!" Lubah chuckled

Lubah:"out with it"

me:"it's that doctor Jesus her a..."

Lubah:"uyawunya ngu Anga..stay away from his wife" I choked on my saliva.

me:"That's. ..Anga's wife?" well I never met her because she's always on duty..well when I visit them so even in photos I never looked closely

to her.

Lubah:"get that silly lottle crush out of that mind of yours" Lelethu was laughing silently leaning against Lubah's shoulder "suyhleka baby" he said smiling.Thank God I heard early before trying my luck otherwise Anga would have fucked me up pretty bad, Anyway after clearing things up about Doctor Damane uncle Richard spoke up.

Richard:"Shouldn't your sister be here?" he asked looking at me.

me:"She should" I eyed Michelle who had her eyes on me..both her and I knew that uncle Richard was gonna ask another question which probably would have me answer why my little sister wasn't there with us.

Richard:"Why isn't she here?" he asked with his eues furrowed at me with the others looking at me in concern except for Lelethu who had her eyes on Michelle who looked at me with

begging eyes.

me:"She left" Uncle Richard released a frustrated sigh before looking at me irritated.

Richard:"mandingagrongcani nawe marn...where is your sister Austin or do you want me to ask in Afrikaans?"

me:"She left earlier with Zweli"

Richard:"Why?"

me:"Michelle insulted her..well she accused her of bewitching dad"

Mkhuls:"Hayi!!" he clapped and leaned back on the chair looking at Michelle.

Michelle:"I..i asked her what she did to him"

Lelethu:"And then you said it's no secret that black people are witches"

Lux, Mkhuls&Rich:"Ukunya kwakho" the guys laughed and quickly kept quiet as they saw the scary faces on the old men.

Buja:"yhoo" Michelle couldn't even look at them she was playing with her fingers as we all stared at her.

Michelle:"e..ex..exc.."

Lux:"SIT!!" she quickly sat down shaking in fear.We stayed in silence for about close to ten minutes

Michelle:"I..i need a bathr.." she looked up and quickly kept quiet as soon as her eyes met up with uncle Lux's then she quickly looked down.

Lux:"Yhe wena? " Saider was laughing silently looking at my scared aunt and to be honest I didnt feel sorry for her at all.

-

It has been an hour since we were there and aunt Michelle hadn't gone to the bathroom.

Michelle:"I really need to go"

Richard:"sit your flat ass down" Mkhuls chuckled causing us to laugh.

Michelle:"please"

Lux:"wanna pee?" she shook her head "oh hayke zinyele ke" Richard laughed choking on his water looking at uncle Lux who just shrugged his shoulders.

Mdu:"yeah..I know but I have to take care of this Michelle bitch"

Khwezi:"Babe!! don't you think you're being

Mdu:"I won't kill her but a minor accident will do her good, break her neck and a few ribs" he stood up and walked.

me:"Yhoo your man is...yeah" she laughed and walked out.I took off my shoes and got in bed with my baby pulling her closer to me and slept, I was woken up by Sindy trying to get out of my grip.

Lux:"Alright. ..you should go rest now you look tired"

Richard:"sies Luxolo" Oluhle left giggling follows by the Indian doctor.I left the hospital and went home, I took a quick shower and a two hour nap then woke up refreshed and wore fresh clean clothes and drove to the hospital calling Sindy on the way.

Sindy:"Hey" she sounded down.

me:"Little sis how are you?"

Sindy:"I'm okay..and you?"

me:"good uhm Dad was operated yesterday and everything went well I'm going to see him now"

Sindy:"that's good I guess"

me:"Don't you want to see him..I can come fetch you"

Sindy:"no thanks I'm fine and I think it's best if I stay away"

me:"What?! Sindy no w.."

Sindy:"no Austin I'm tired of people always blaming me..I just want peace and with that aunt of yours around...hm bye Austin" she hung up..I got out of the car and got in the building.I met up with a nurse who took me to my dad's room.

Dad:"I will not ask again..ahh good" he said

looking at me as I walked in.

me:"Old man" he tried sitting up but failed.

Richard:"Calm the fuck down man!" he laid back and released a sigh groaning a little.

Dad:"Where is your sister?" he asked with his eyes closed "Austin?"

me:"Sh..she..uhm"

Dad:"When you come back here..bring her okay?"

me:"yeah"

Dad:"Good"

Richard:"And then wena Austin...when are you telling your father that your stupid aunt insulted Cindy and that's why she's not here" Dad quickly opened his eyes looking at me.

Lux:"Richard!!"

Richard:"Ndiyekwe" the machines beeped as dad's breathing accelerated. Oluhle walked and

chased us out

Richard:"He'll be fine ayo moffie leya"

A couple of days passed and I hadn't gone to see my father at the hospital. I was in my room alone Mdu and Khwezi weren't around they had gone to the mall. There was a buzz on the gate I quickly got dressed and attended to it.

me:"hello?"

Dad:"open up!" I buzzed him in and I saw his car driving in as I went to get myself a glass of water in the kitchen, when I walked back to the lounge I found dad with the uncles sitted in the

couches.

me:"Sanibonani"

Richard:"hey" I sat down and looked down.

Mkhuls:"How are you Cindy?"

me:"I'm good and you?" he smiled and came to sit next to me.

Mkhuls:"So baphi abanye?"

me:"At the mall uncle but they should be back any minute now"

Mkhuls:"oh so usafuna ukuya eCuba?"

Dad:"Wtf?Mkhuls?" uncle Mkhuls laughed and put his hand over my shoulder.

Mkhuls:"I was just asking since y'all quiet..so Cindy?" I giggled shaking my head. Dad stood up and came towards me then held out his hand I put mine over his then he helped up.

Richard:"So we're not part of the conversation?"  
Dad chuckled as we walked out, he wasn't fully

healed because she was limping a bit.

Dad:"How are you my angel?" he asked sitting next to the pool.

me:"I'm fine dad..how are you" he gently put my head on his shoulder wrapping his hand around my shoulders.

Dad:"I heard what Michelle said to you I'm sorry my angel"

me:"it's not your fault dad..I'm sorry I didn't come visit you"

Dad:"it's okay my angel.I'm fine now" I just nodded, we sat in silence for about a minute or two before he spoke.

Dad:"Sweetheart I want you to move in with me" I moved and looked at him a bit shocked.

me:"oh?"

Dad:"I want you closer to me my angel..we spent years apart and I don't want to waste anymore time..life is too short my love so I want

to spend as much time as I can with my family"

me:"with that woman as well?" he shook his head.

Dad:"No..she's not gonna be part of our lives anymore"

me:"oh"

Dad:"Stop worrying, it's time Michelle knew her place she's been too comfortable for her own good" I nodded "so you'll have to talk to Tr..Mdu about moving"

me:"yeah it's gonna upset him though..he'll think I'm neglecting him and sis Khwezi but I will talk to them"

Dad:"Mdu is very understanding just sit him down and talk to him okay?"

me:"okay" he pulled me back wrapping his arm around him.

me:"So dad..what do you do for a living? do you w...?" he coughed and stood up "are you okay? "

he nodded still coughing.

me:"I'll go get some water for you" I ran in and went straight to the kitchen and poured some water on the glass then went back to dad who was with the uncles now.

me:"here" he drank up.

Dad:"thank you" I nodded and took the glass from him.

me:"are you okay uncle Richard?" he nodded wiping the tear drops he had in the eyes slightly chuckling.

Richard:"I'm fine sweetheart I was just thinking about some stuff" I nodded and returned the glass to the kitchen before going back to the old men.

They spent almost the whole day with me and I was laughing most of the time. Zweli arrived and buzzed.

me:"hey"

Zweli:"Open up" I buzzed him in and he parked in the driveway before coming in.

Zweli:"Why are you not ans...oh hello?"

Richard:"sure ndoda"

Mkhuls:"sit down ndivele ndife sisinene xa umntu emile" they chuckled as Zweli took a seat.I went to dish up for him then washed his hands.

Richard:"HEY!! ha.a rha sies get up" he said after seeing me kneeling infront of Zweli but I was already done.

Lux:"Where did you get this kneelinf from?" I returned the dish to the kitchen then sat next to dad.

me:"my grandmother"

Richard:"You shouldn't do it when I'm around because indiphathisa ngesihlefane and I'll beat you up if you do"

Dad:"Voetsek"

Richard:"Hay hampaa..baby girl this is the 21st century, things have changed..yes you have to respect men but ha.a iguqa iOut I know it's what you were taught kodwa no..Ha.a mntanam"

me:"But I'm used into doing things this way"

Richard:"I know trust me I do but..stop kneeling izogeza leway" Zweli chuckled and continued eating the old men looked at him.

Zweli:"hawu sengenzeni manje?"

Lux:"Did you tell her to do these things?"

Zweli:"What? n

no I didn't"

Lux:"right" we ate conversing here and there then after uncle Rkchard helped me with the dishes. When it was time for them to leave they stood up and remained standing looking at Zweli I laughed as they kept straight faces.

Richard:"We are not leaving you alone with a CHILD ndoda..get up kuhanjwe" Zweli looked at

them in disbelief before he stood up and kissed my cheek. Dad kissed my forehead and they all walked out.

-

Around 20:00 Mdu and Khwezi walked in laughing but they stopped when they saw me.

Mdu:"Sorry" I laughed

me:"it's fine so how was building the mall? how far is it" they both laughed and sat down.

Mdu:"Being sarcastic doesn't suit you little one" they gave me a few of their bags and I thanked them.

Khwezi:"Sindy?" I looked up to her "Your father called"

Mdu:"Yeah and we spoke about you .he wants you to move and stay with him."

me:"yes and I..."

Mdu:"You can go..but I want you to know that

this is your home too, You can come any time and day okay?" I nodded "and please dont be a stranger or else ngizokulanda phela angimsabi uChris" I giggled.

me:"Ngizomtshela" he laughed.

Mdu:"on a serious note uhm do come visit and please call whenever you need something even if it's to talk we will be here waiting for you, we love you Cindy"

me:"and I love you too"we shared a group hug then they went to dish up for themselves in the kitchen as I went to my room.

-

The following week I had moved to Dad's place and I settled in very well with both Dad and Austin taking care of me.I was gonna start school on February which was two weeks away.

Austin:"Let's go"

Them:"Where are you going?" it was dad with

the the uncles.

Austin:"None of your business old men" they all spoke at once insulting Austin who just laughed as we walked out.

At the mall we did grocery shopping then a few clothing items for us and dad.We went to eat then went to the car.

Voice:"one wrong move you're dead" he cocked his gun Nd placed it on my back.

Austin:"Uncle Mkhuls?"

Mkhuls:"Get in the car now boy" Austin got in and we did too.

Mkhuls:"Drive to this location" he handed him a piece of paper "Don't cry I won't hurt you"

We fot to the location abd there was a car...rather a quantum we got of and wenf to it.Uncle Mkhuls was wearibg a baclava as we got inside the quantum..to my surprise there was Lilitha, Isi and Imi with another girl and four

scary guys.

Mkhuls:"Drive" the driver started the car and drove off.

Imi:"Dad will find us in no time"

Mkhuls:"I know"

-

The four old men were still at Chris' house having whiskey. .well except for Chris.

Chris:"oh come on! one glass won't hurt"

Mkhuls:"Do we take the risk?" Richard smirked shaking his heard slowly.

Lux:"Sungcola" Richard laughed.

Richard:"one glass"

Chris:"Whatever you mom" they all chuckled as Mkhuls poured a shot for Chris.

Chris:"Are you being for real right now?" The others laughed at the amount Mkhuls poured for Chris.

Mkhuls:"eish sorry..stop crying I'll pour you another one" they laughed and continued teasing each other until Lubah barged in with his eyes bloodshot red his vein from both side of his head and forehead out, his chest going up and down.

Lux:"yintoni ngoku?"

Lubah:"Someone took them taima..the girls! I..I..i can't..the car.." Lux quickly stood up and went over to him and started doing breathing exercises with him.

Lux:"There..now calmly tell me what's going on?" Lubah breathed out loud.

Lubah;"I..i got a call from Bulelani saying ubona iPorche ka Lilitha parked at some dodgy place then ndathi he should check it out..when he got back to me he told me that the doors were opened and there are bullet holes phana kuyo so I tracked them down they are moving taima from one place to the other. ..I don't know what to do!" The others were already on their feet looking at the crying Lubah "I don't know who it is taima but whoever it is undibambe apho ndimncinci khona"

Richard:"NguLilitha, Iminathi no Isipho?" Lubah nodded wiping his tears then stood up, Saider walked in looking drained not knowing what to do with himself Richard went to him and hugged him.

Richard:"We will find them" Saider nodded and pulled back.Everyone got busy making calls in and out of the country trying to track the girls but no one could locate them as they moved every five or ten minutes. Chris' phona rang.

Chris:"Hello?"

Mdu:"uhm hello I..i..i can't seem to find Cindy and Austin but the car has been parked here for more than an hour"

Chris:"What do you mean you can't find them...wait a bit maybe they're still busy" Mdu sighed nervously..Chris had called him to go wuth the guys and fetch his kids using the tracker om Austin's car.

Mdu:"Boss the..the car is unlocked a..and we found the keys next to it" Chris hung up and sat down.

Chris:"Whoever it is took my kids as well" he poured himself some whiskey and gulped it down before going upstairs and came down wearing Black Guess jeans, Black military boots, black long sleeved tight t-shirt with a black knee length coat and put on a red scarf around his neck and had a bulletproof vest in hand and a gun on another hand.

Chris:"Let's go"

Mkhuls:"you are no..."

Chris:"not today satan" Mkhuls surrendered and they all walked out.

The old men dressed like Chris and wore their red beanies with red scarfs while the KINGS wore all black.L.D was more angry than emotional and he was hungry for blood.

Mkhuls:"Where is Siya?"

L.D:"I don't know"

They devided themselves and chased the car that had the girls.

-

-

Earlier when Sindy got in the car she ran to Isi who looked more scared and they both hugged each other.As she was about to beg uncle 'Mkhuls' he put his gun on his mouth over the

balaclava signaling her to shut up and she did.

Sindy:"Why are we here? what did we do?"

Isi:"I..i. .don't know but dad will find us..they will find us" they were both whispering holding onto each other.Austin looked at the clothing of the man and saw something familiar about his clothes..he was wearing all black with red scarf and the red balaclava.As he tried to remember the driver accelerated and the man chuckled.

Man:"Let the game begin" the driver who didn't want to be seen silently laughed and ducked the cars.

-

Richard:"Who the fuck is this?"

L.D:"he surely knows us too well" they cursed and drove fast again.

Richard:"Do not shoot you might hurt the kids" L D nodded.

-

The man suddenly felt guilty when looking at the kids.

Man:"Okay guys I'm sorry..we are sorry okay...uhm Malhilhi" Lilitha's eyes quickly widened ad she heard the name she last heard eight years ago.

Lilitha:"Tamnci?" Mce pulled out his balaclava and went to sit next to her.

Sindy:"aren't you uncle Mkhuls?"

Mce:"Hay yhu ndifresh suu" Lilitha giggled wiping her tears.

Iminathi:"But you are dead" she said sadly looking at Mce who pulled her and sat her on his lap.

Siya:"Kukho ne chopper tamnci" Mce laughed.

Mce:"Good stop the car" Siya stopped and cars about 14 surrounded their car then everyone got out of the cars with their guns.Mce opened the door and got out stretching his body.

Mce:"YES! THE RETURN OF THE MIGHTY MCEBISI MAQHUBELA" he then laughed and leaned on the car smiling at everyone's shock..well exvept for Chris who knew he was alive.

Chris:"Some heads up would have been nice you know"

Lux:"Chris?!" he shrugged his shoulders hugging Mce.

L.D:"How is this possible? Vuvu dreamt you dead tamnci"

Mce:"Sorry mntanam but mna ndingu MCEBISI no2 kwaMaqhubela there was our older brother with the same name as mine, wafa uzumxelele uyanya uba wayetsho mma lo Vuvu lowo" the guys chuckled just as he turned a punch landed on his jaw.

Mce:"Mkhuseli mkhuluwa" Lux silently laughed as Mkhuls stared at his brother defeated.

Mkhuls:"Mcebisi" They hugged.Saider, Lubah and L.D were with their daughters and Cindy was in Chris' arms.

Mce:"Let's go I miss my wife"

Lux:"She moved on" Mce laughed.

Mce:"shame you wish ubane esiza kum ezofumana isweets zakhe" he winked at them then they got to the cars and drove off.

After the kidnapping saga and the return of uncle Mce dad and all the uncles went to Eastern cape accompanying uncle mce. Anyway i have started varsity and i must say things are different from high school but i am coping just fine and i have made friends Isipho and Tumi.

Isi:"There is your brother Sindy"

me:"let me go bye guys"

Austin:"Isi you're coming with me too"

Tumi;"me too?" Austin just stared at her..well he doesnt like her apparently tumi is too bitchy for his liking.

Austin:"i dont ride with bitches in my car"

Isi:"Shuu" she said as we got in the car,my brother just clicked his tongue and sped off.

Austin;"why are you still hanging out with that bitch?"

me:"enough Austin thats our friend!"

Isi:"but he's right though" i turned and looked at her she just shrugged her shoulders.

Austin;"i will drop you off at Isi's place i'm rushing somewhere"

me:"okay" he dropped us off at Isi's place then left.Just as we got inside the house my phone rang.

me:"Hey"

Zweli:"My baby how are you?"

me:"im good babe and you?"

Zweli:"im okay just missing you my baby" i smiled

me:"and i miss you too" we spoke for sometime then hung up because he had to go back to work.

-

a week passed and dad was still not back and i missed him so much,my relationship with Zweli

was becoming stronger as each day passed.it was Thursday afternoon and i was coming out of my afternoon class with Isi who just screamed and ran off,to my surprise i lifted my eyes and looked at the direction she was going and there was my father hugging her i didnt waste anytime i ran to him as well he caught me as i threw myself at him and span me around.

Dad:"i missed you too my angel" he said breaking the hug and pecked my lips then my forehead then took both our hands and led us to the car.

I tried to be strong and avoid temptation at each cost but i failed because i'm used to

sex,here i am just after i came inside the condom after fucking Tumi,my girlfriend's friend.

me:"Get out" i said pacing up and down as i got dressed.

Tumi:"what? but why?"

me:"You don't get it,do you? we just had sex...i betrayed the only person i love okay!! just go"

Tumi:"Don't say that Zwe..you love me,we made love"

me:"it was just sex you fool get..."

"No" i quickly turned and looked at the door,she looked at me with teary eyes "You slept with her?"

me:"m..my baby..i can explain..it didn't mean anything" she shook her head then turned and ran out "baby,wait" i said running after her.When i got,outside i found her crying on her father's arms.

Chris:"I dont care what you did my boy but you're going pay" he said coldly as he stared at me while brushing Sindy's back.As i turned to walk away Tumi came towards me and did the unexpected..she pecked my lips.

Tumi:"Bye handsom.." a heavy and mean punch landed on my jaw.

Chris:"You son of a bitch!!" he punched me again.

Sindy:"Dad please..just let him be,lets go" she threw a file at me "the file you asked me to help you with" Chris clicked his tongue and left with his daughter.

I didnt stay longer at the office i just took my things and went home.

me:"i will be busy in the study no disturbance"

Nhlanhla:"i wouldnt poke shit in the toilet..thats how disgusting,you are" she then left.

Mtho:"okay...what was that? what happened to

your face?"

me:"nothing..i will be upstairs" he nodded as i climbed the stairs i guess he got the message that i didn't wanna talk.

-

A couple of days passed and i couldn't get hold of Sindy and that stressed the shit out of me but i had no one to blame but myself. i was at my house when someone buzzed i opened the gate and the car drove in and my biggest nightmare came in broad day light.

Mdu:"Ja wena nja" i was about to speak up when he slapped me then took out his gun.

me:"I'm sorry bro it was a mistake"

Mdu:"Fuseg..shut up and listen,hlukana no sindy syezwana?"

me:"i'm sorry but i wont i love her" he chuckled then quickly changed as his face became cold.

Mdu:"come anywhere near her uzongazi kahle"

he got into his car and left.

Since i found out that zweli slept with my friend i was hurt and angry at both of them but i haven't really focused on, the pain instead i shifted my attention to my studies..well its kind of what I always did since i was young...whenever i felt sad i would study or read any type of book and thats exactly what i have been doing.

"You do know that you're the most beautiful girl

me: "You're just saying that" he shook his head and sat next to me.

Dad: "No i'm not, you are beautiful my angel,, so, beautiful that bastard doesn't deserve you nor your precious tears okay" i nodded.

me: "You're right, no more tears just my books" he smiled.

Dad: "that's my girl.. come lets go"

me: "and where are we going?"

Dad: "lounge, to do what you girls when you're sad" i giggled

me: "and that is?" he laughed pulling me out of his study room.

Dad: "stuffing yourselves with ice cream while crying" i laughed "but there won't be tears now" i giggled shaking my head. He sat me on the couch then headed to the kitchen and came

back with a tub of ice cream and two spoons.

Dad:"we should have done this days back,but you were hiding behind books" i giggled and scooped a spoon then ate up.As we ate up conversing someone buzzed.

Dad:"thank goodness" he said as he dramatically stood up

me:"And now?" he looked back at me.

Dad:"Dont gimme that look..that shit is too cold" i giggled and continued eating my ice cream "don't know how you eat that for so, long" he opened the door then came back, halfway through as he got in the lounge Isi came in running with tears in her eyes,she threw herself at me and cried.

me:"What's wr.." she cried harder "okay I'm sorry" i held her tight and let her cry.

Isi:"it hurts, it hurts so bad Sindy" i didn't know what to say because she. was crying and

whatever that got her so upset must've been serious. Anyhow she calmed down after sometime.

Isi: "I'm sorry, i...i just didn't know where to go"

Me: "you don't have to apologise babe..we're friends"

Dad: "Family"

Isi: "Family filled with lies!!" she took a deep breath and wiped her tears "can i be excused?"

me: "go to my room i will join you later" she nodded and left. "Dad?"

Dad: "i will check on you guys later" he said taking out his phone dialling on it, i huffed and sat back down trying to digest everything.

The pain in my baby's face when she heard what Olwam said, when she learnt about how i violated and hurt her mother and how she was conceived ,she looked pained that it was visible through her eyes. i ran back to my house and took my car keys and ran to my car unlocking it.

Lelethu: "i'm coming with you" i nodded as we both climbed to the car and i sped off trying to catch up with the cab she got to. i was gonna deal with Olwam another time at that moment my only focus was my baby girl.

Only a few will understand how i felt and why i felt that way, hearing that i was conceived through rape hurt me to the core to an extent that i couldn't stay in that house anymore

because i felt suffocated by his presence..everyone's presence,i had to get away and coming to Sindy's house was my only,option.. The door opened and Sindy walked inn with a tray of food.

Sindy:"Friend" i looked at. her as she sat down "i wont force you to talk but i will force you to eat" i giggled lightly then sat up as she handed me the tray.

me:"Eat with me" she sat down and we started eating "Have you spoken to Zweli?" she shook her head.

Sindy:."No. its over"

me:"good for you babe" she looked at me "im not ready yet love"

Sindy:"i understand..uhm your parents are downstairs"

Dad:"i need to lie down a bit"

me:"Maybe go to the hospital?" he shook his head closing his eyes.

Dad:"I'm sorry my angel,ndixolele MaRhadebe" i

nodded pressing my lips together "i love you my princess i love you so much"

me:"i l..love you too Daddy"

Dad:"come here"

Saider:"wipe those tears now and be a beautiful girl that you are" inodded "Hayke Lubabalo thyini bawo, wangumntana nawe ngoku" dad chuckled and wiped his tears.

Sindy and i walked out of the bedroom holding hands.

Sindy:"im not sorry for what happened because we wouldnt be here and maybe i'd be without a friend now" we both giggled "seriously though,we cant change the past but can definitely change the present and choose a better future,just like your dad did...you have

Two weeks passed and i have made peace with moving on with my life without Zweli in it.He tried calling a couple of times but i didn't pick up so he gave up.i was on campus with Isi waiting for bhuti Mdu to come pick us up,As we slowly walked towards the parking lot,two colored stopped us and chatted with us.

Him:"I'm Tyson and you are?"

"None of your business" that was Bulelani with his deep scratchy voice behind us.

Bulelani:"Fuck off" the poor guys rushed off  
"Stay away from that rubbish"

me:"Why?"

Bulelani:"Sund'buza,come lets go" he led the way to the car,i must admit he is well structured shame...and handsome too oh and SCARY!

Isi:"Kodwa bhu..."

Bulelani:."ina" he shoved a sweet on Isi 's mouth  
"uthetha gqith" he then opened another one and ate it "yhoo sorry buyfuna?"

me:"Mxm" he started the car chuckling and drove out.

Bulelani:"mhhm" he said pouting his lips with the sweet between them looking at me in the rearview mirror.I just ignored him.

I was so annoyed by Bulelani but he didn't care he'd laugh and smile at me. Isi was giggling nonstop which made me even angrier.

Isi: "are you alright friend?"

me: "i'm fine" Bulelani dropped me off first.

me: "Bye mngani"

Bulelani: "Bye grumpy" i rolled my eyes as Isi giggled waving her hand. She had gone back home the previous week.

Isi: "i, will call you" i nodded and walked inside the yard then to the house.

me: "Chris" he choked on his drink with his eyes wide opened, i laughed and sat next to him.

Dad: "I'm not Chris to you Angela" i giggled.

me: "Yes dad...how was your day?" he pulled me

to his chest and kissed the top of my head.

Dad:"Great my baby and yours?"

Bulelani:"What was that? didn't i say you should stay away from that boy?" i just ignored him and slowly walked to the car,to be honest i was a bit scared.i heard him click his tongue then they followed me and we all got in the car.

Bulelani:"Maybe i should tell your father about you and that boy"

me:"please do" he gave me a cold stare. then started the car and sped off.

We got home and they got in as well.

Lubah:"Chris would never allow that Buja"

me:"Why?"

Lubah:"umdala fondin plus he just met Sindy!"

Lubah:"33 years" i groaned and gulped down the scotch i had in hand.

Lubah:"andiyazi nyana...maybe you should focus on Rethabile" i shook my head and poured another shot.

me:"No,andifuni udlala ngaye Groot man because i do not love her anymore so staying with her will not only waste her time but mine as well" he smiled "i know you're proud" he chuckled.

Ever since Dad told me to stay away from Tyson i did just that with no questions asked. But he had been calling and sending texts.

Dad: "Use this one baby" he gave me another phone, Right now we were going to sis Lindi's party at her house.

Richard: "Stop this car" ...Dad did and he got out and stopped in the middle of the road then a black GTI turned and sped off "Msunu kanyoko, nxx" he got in and dad drove again.

When we got to the venue the Men went to have a 'private meeting' then came back. The party started and people were having fun. The party was held outside because of the space plus the number of people.

"Looks like you bored, can i keep you company?" i ignored him, it was Bulelani "Please shawty"

me: "Mxm" he handed me a glass. of juice  
"thank you"

Bulelani:"a bit of smile would be nice or are you eating a lemon" i giggled and looked away "and she has a beautiful laughter too" i looked at him and smiled.

me:"You can go now"

Bulelani:"Nope! i wanna stay here and look at those beautiful eyes" i blushed and looked away.

"Hay tshii attention! yiparty yam le or niphume nihambe" we all laughed "Firstly,i love you,nonke futhi"

us:"we love you too"

Lindi:"i know" erhm my husband and i are celebr...." two gunshots were fired and in a second i was under Bulelani's body.

"No!no!no! Lindi?...Lindiwe?!...Lindiwe?!...No!!"  
That was uncle Lux.

Richard:"Myeke Luxolo" he said walking towards them and we were all up,most of us scared to death.

Lux:"No,ha.a Richard, no please" He said holding her lifeless body that had a bullet on the head,tears blinded my vision as uncle Lux rocked her back and forth kissing her.

Lux:"Lindi?!!" Aunty Priscilla knelt next to them and wrapped her arms around uncle Lux crying i couldn't help but cry,Bulelani just wrapped his arms around me and let me cry.

Priscilla holds on tight to the crying Lux, they both cry holding on their dead daughter for

sometime. Jerome (Lindi's husband) stepped forward and squatted before them, Lux kissed his daughter one more time and gently put her lifeless body down. Jerome bended and kissed his wife's lips then took off her wedding band and kissed her left hand.

Jerome: "I love you" he stood up crying and turned to walk away but he couldn't because of Richard who blocked his way then pulled him for a hug which led him into crying his lungs out.

Jerome: "Why her?" he kept on asking the same question over and over again.

-

Bulelani gently pulled Sindy off his chest and wiped her tears with his thumbs then kissed her forehead.

Bulelani: "I have to go nana" he didn't wait for Sindy's response he rushed outside the yard looking angry and scary.

Richard:"uyaphi? Hey! Bulelani?" Bulelani got in his car and sped off.Princess came out with a white sheet and covered Lindi with it, right after Lux closed her eyes permanently.

Ndu:"Olwethu?" she faked a smile

Princess:"ndiright..should I call the people from the morgue?"

Jerome:"They're on their way" The people from the morgue arrived followed by the police.

Lux:"Nibiziwe?" he asked the two officers who were behind the people from the morgue.

Officer1:"W...."

Richard:"I think it's best if you leave gentlemen"

Officer:"But...."

Richard:"Now" The police looked at the family then left with a lot questions.As soon as Lindi's body left the family got inside the house and prayed. The men of the family met outside the house.

Lux:"Who could this be?" he asked staring into space.

Chris:"Petros" They all looked at him "His son Tyson has been following Sindy around trying to get her attention bu.."

Lux:"So it's your daughter's fault huh?"

Chris:"Excuse me?"

Lux:"it's your daughter's fault that my Lindi is dead?!!" he yelled staring at Chris who just huffed and shook his head.

Chris:"Get your sister Austin we are leaving"

Mce:"Lux I think you are over reacting brul"

Lux:"Shut up Mce...You" He pointed at Sindy and charged towards her then roughly grabbed her neck squeezing it.Chris lost it and grabbed Lux by the collar of his t-shirt and turned him then punched him hard.

Austin:"Come let's go" he pulled the crying Sindy gently by her arm.

Richard:"Gentlemen please...let's all calm d..."

Chris:"Here...we are done" he handed over the watch and the bracelet that represent the DRAGONS then took off the arm band as well and threw them at Lux.

Mkhuls:"Chris come on"

Chris:"Just so you know, I loved Lindi like she was my own child" he said with a pained voice then walked away leaving Lux filled with regrets. As they stood there in silence Bulelani parked his car and got off.

Lubah:"TF? are you alright?" he nodded

Buja:"ndigrand grootman, ngu Tyson obulele uLindiwe"

Lux:"Where is he now?"

Buja:"Somewhere safe...ubethunyiwe uba azoqala impi but he 'mistakenly' shot Lindi"

Lux:"Take me to him.

.I wanna feel that boy's last heartbeat here on my hands" he said coldly Buja led the way and they followed him.

They found Tyson tied on a chair with a swollen face.

Lux:"a knife please"

Anga:"I will be outside"

Lubanzi:"me too" they walked out.

Anga:"She's gone...my little sister is gone Lubanzi" he said as soon as they stepped out burying his face on his hands, Lubanzi just got closer and have him a consoling hug.

Dad:"Keys" uncle Lux handed them over then we went to the car.

Mce:"Luxolo?" uncle Lux looked at him "You're not alone"

Lux:"I know" he pat his shoulder then went to Dad's car then we got uncle Lux's and drove off.

Dad:"oh Fuck no..no!!"

Lux:"Hit the brakes!!!" Dad shook his head  
"Fuck!!! Sindy come"

Dad:"What are you going to do?"

Lux:"I'll jump off with her then you will follow"

Dad:"No Lux! No!!"

Lux:"Do you want us to die in this car you fool? because that's what will happen if we dont jump"

Dad:"fine..here break the window" I was quiet all the time.uncle Lux used the object and hit the windows and opened the car from the outside.

A couple of days passed and I have been trying to call Sindy but with no answer but I had left dozen of messages on her phone. I was at the office having lunch with Nhlanhla.

Nhlanhla:"Stop stressing Sindy will be okay...she will call you when she's ready" I sighed and leaned back on the chair.

me:"I just feel like I'm losing her..we have drifted apart in such a short period of time"

Nhlanhla:"and it's totally up to you to reconnect and close that gap"

me:"I know" as we were talking the door opened Tumi walked in followed by my assistant.

Nhlanhla:"manje?" she asked looking between Tumi and I.

me:"Thank you Betty" she left "ufunani wena?"

Tumi:"Bab..."

me:"Ey fuseg do not baby me..just answer the damn question..ngithe ufunani?" she swallowed looking embarrassed but I couldn't careless.

Tumi:"I..I came to see you Zw..."

Me:"you saw me..now leave"

Tumi:"B..."

me:"ngithe Fuseg!!" she quickly turned and walked out.

Nhlanhla:"Bitch!" she clicked her tongue and ate her food as I took out my phone calling Sindy.

me:"My baby it's me..again, I have been trying to call you but I can't reach you, look baby I know you're going through a tough time but I'm sorry..I need you, I love you standwa sami..and ngyaxolisa for hurting you...call me okay..ngyakthanda MaKhumalo" I hung up and heard giggle I looked at Nhlanhla.

Nhlanhla:"Who knew" I chuckled.

My lunch break ended and Nhlanhla left me to continue with my work. ..which I did.

when I knocked off I drove to Mdu's place..taking my chances of course.Because I knew that he hated me at that moment and I didnt blame him.Just as I was about to buzz three cars drove out and stopped then two guys got out and came to me.

Guy1:"sure..ufunan?"

Khwezi:"it's okay let me talk to him" she said getting out of the car coming to me.

Me:"Khwezi"

Khwezi:"Hey Zweli..uhm look I'm heading to the Damanes but there is something you should know"

me:"oh?" she breathed out loud

Khwezi:"Sindy...she's kidnApped" I chuckled.

me:"Angzwanga?" she swallowed hard "you're serious? when did that happen? who took her?" she shook her head and wiped her tears..

Khwezi:"I have to go..I will call you" she left me still shocked. I gathered myself around and drove home.Arriving at home I found my little brother alone in the lounge.

me:"no disturbance..I'll be in the study" I said walking past him with my heart breaking into pieces..I banged the door and wiped my tears "Fuck" I groaned and poured myself a glass of whisky and sat down drinking and thinking about my baby..what could be happening to her right now.

me:"God no..she's been through so much already" I gulped down the drink and looked at her photo.

I kept on driving as I heard the the voice.I dont know where I was going but i was looking around to anything that my lead me into finding Sindy. My instinct and driving took me to Mozambique ..my phone kept on ringing but I didn't answer it because whoever it was...was going to distract me which was something I didn't need at that moment. Just as I passed the boarder gate a lady shot my tyre which made me stop and got out of the car with my gun . ready to kill.

Her:"Wait..uhm I have been waiting here for days now..come lets go we dont have time"

me:"Yhe wethu"

Her:"I know you're one of the KINGS. ..looking for Petros...ndingu Snaye Vika..sister ka Namhla" she said pulling me to her car "get in please" I did.

me:"if you are pl..."

Snaye:"Relax. .I'm helping here...by the way I'm Petros' fiancée or so I thought" she spoke driving

me:"enkosi ngondazisa nontombi" she giggled shaking her head "how did you know im part of th..."

Snaye:"Dress code, crown tattoo and my cousins are part of Leaders..Lwandile no Siya" I nodded as she parked next to some shady building.

Saturday morning we were all gathered around and ready for Lindi's funeral..and no my sister wasn't found yet and that didnt sit well with me.

Mdu:"I..uhm I'm sorry but I cannot be part of the funeral"

Lux:"It's fine..you will lead the guys" he nodded and walked out.

-

After a very sad day of Lindi's funeral we headed to Lindi's house just after putting her in her resting place.

Lux:"it's been a sad day...a very sad day uhm..I know this will sound insensitive to some but we have to go...we need to find Cindy"

Jerome:"it's alright..I..understand perfectly..I wish I could go help but I'm emotionally drained so..."

Lux:"it's understandable son..we have to..."  
Chris' phone beeped and he took it out.

Dad:"What?" he looked at the phone and his hand started shaking "Petros please..not my baby..not my angel man please!" uncle Lux

quickly grabbed the phone and looked at it..

Petros:"aahh I see you're all gathered around..connect me to a bigger screen so that you can see mee tear this little pussy apart"

Lux:"No"

Petros:"Do it!!" uncle Lux clenched his jaws and connected to his laptop then put t on the table.We all gasped as we saw Sindy lying there spreaded and tied like a dog naked, her private parts exposed for everyone to see.Pam stood up and ran out crying.

Ndu:"Paroro wait!" he said running after her.Petros took off his clothes and startrd jerking his dick smirking at us.

Petros:"You move..I kill her" I couldn't hold myself anymore I bowed my head down and cried.Just as he knelt on the bed closer to my sister a gun shot made us all stand on our feet.A lady appeared followed by Bulelani who was bleeding on his arm.They untied her.Buja

took off his t-shirt and dressed up Cindy then held her in his arms.

Bulelani:"Go"

Sindy:"No please let's go together please" he cupped her face

Bulelani:"I will find you in the car shortly okay...I promise" Sindy shook her head hugging Buja "Nana you're safe now..mthathe" the lady took Cindy and wLked out with her.

Buja:"Get up" He grabbed Petros snd held him "Good thing I only hurt your shoulder. .masiye mfanam" he pushed him out pointing a gun at him.

We waited anxiously outside for Bulelani to come out. The lady tried getting me to the car but I refuse..I didn't trust her at all. Bulelani finally came out with that disgusting man.

Bulelani: "Get in the car nana" he said politely.

me: "You're coming too?" he nodded with his eyes focused on that man.

Bulelani: "yeah just gimme a second okay?" I nodded.

me: "But I will wait here" he nodded and pushed the man to the back of the car then opened the trunk and shoved him in and closed then came towards me. Just as he got closer I looked at him then blinked letting the tears fall.

Bulelani: "Hey, hey...it's okay. You're safe now" he said embracing me with a warm hug "shh dont cry baby you're safe" he said kissing the top of my head repeatedly. Minutes later he scooped

me up and got at the back of the car with me.

Bulelani:"drive" the lady didn't protest she started the car and sped off....

"Sindy! wake up nana" I jumped opening my eyes "it's okay..don't be scared"

me:"I can't. .I keep seeing him w..wanting to.."

Bulelani:"Shh" he held me tight again then took out his phone.

Bulelani:"Grootman it's me...yeah but i think ndizaba nengxaki kwi boarder gate...three, Michelle no Smangele...moja" he hung up and looked at the lady.

Her:"and?"

Bulelani:"We will be safe..so you can go on"

Her:"shouldn't you take out that bullet" he chuckled with his scratchy voice.

Bulelani:"When we get to S.A." she nodded and focused on the road.

Lady:"ndingu Snaye nana wakhe"

Bulelani:"Ngu Sindy" she nodded and continued driving.

Snaye:"Dammit!!"

Bulelani:"Go down Sindy" I didn't protest I went on my knees closing both my ears as I heard gunshots.

Minutes later the shots died down and I heard Bulelani groaning I looked at him he had another wound on his shoulder.

me:"oh God" he faked a smile.

Bulelani:"relax I'm fine" I got up and sat on the seat."it didn't go through nana it's just a scratch" I nodded he pulled me to his chest and kissed the top of my head.

-

Right after passing the border gate we drove for about 5 kilometres then about seven black cars were parked by the road.

Bulelani:"Stop next to those cars" Snaye nodded and parked.

When Snaye stopped the car Chris came running to the car and opened the door.

Chris:"My angel" Sindy threw herself at him and cried loudly.

Sindy:"Daddy!" a loud sob came out of her mouth.

Chris:"I'm sorry" he put her down and kissed her forehead "You're safe my baby" Sindy nodded with her head on Chris' chest.

Snaye:"Need help?"

me:"nah I'm good" Chris shifted with Sindy making a way for me.

Chris:"Thank you son..thAnk you so much I..i don't know w..." he sighed and squeezed Sindy once more..kissing her forehead again.

Lubah:"Son" he pat my back gently.

me:"Grootman" he smiled.

Lubah:"iza ngapha"

Richard:"ima woah...iphi lampahla?" I chuckled

me:"ise bootin" he nodded and went to open the boot.

Richard:"My..my..my! Buja you did well son..ayompahla ziimpahla"

Mce:"mmhm tanqa" Lubah laughed..ifollowed him to another car.

Luyanda:"Ntanga" I nodded as he took hus equipment and took out the bullet and stitched me then put on a bandage and that armsling.

me:"Hay Luyanda yintoni ngoku?" he looked at me confused.."this shit is for girls" he laughed

shaking his head.

Luyanda:"Bra your arm needs t...".

me:"Ntanga this is not my first bullet wound and peobably not the last. andizoyfaka leway"

Luyanda:"ndoyisiwe" Austin came to the car.

Austin:"Bra" I nodded.

Me:"sure"

Austin:"Sindy said I should check if you're okay"  
I nodded.

me:"yeah..I'm fine..tell her I'm fine" he nodded  
but didn't move "are you okay?"

Austin:"yeah. uhm I just wanna thank you for  
saving my sister"

me:"Sure..but you don't have to thank me" he  
nodded and fist bumped me then left.

Richard and Mce took Michelle, Sma and Petros  
to other cars then we all left.

Lubah drove us to Lindi's place and everyone

was still there.

Isi:"Dad . where is Sindy? is sh..oh God Sindy"  
Sindy tried smiling but failed as tears gushed out of her eye sockets "I'm sorry" she said pulling back from the hug.

Sindy:"c..can I go lie down?"

Chris:"Let me tuck you in" Sindy tried refusing "Please my angel" she nodded and they left.Nocawe came with a tray.

Nocawe:"Here"

me:,uh..no oledi I'm fine...I'm not hungry"

Nocawe:"no itya toto" my body froze and I quickly looked up to her face but she quickly turned.

me:"Nocawe?" she stopped but didn't turn "Why did you call me that?"

Nocawe:"n..no ...y..yiyeke...u..ungandihoyi" I huffed and looked at her aa she wLked away.

Richard:"We should get going"

Lux:"Are we leaving Chris?"

Chris:"Not a chance" he said coming down the stairs "Bulls..check on my baby girl please"

Ndu:"Livumil'icamagu" he sang causing Lubah to laugh out loud while I just chuckled.They gathered around and left...leaving us with about eight well trained guys to look after us...and I couldn't go to the warehouse because of my injured arm.

Anyway I went upstairs and found the room  
Sindy was in.

me:"can I come in?" she nodded wiping her tears.I got in and went up to her.

Me:"nana?" she just cried."Don't cry nana the worst is over. ..you are safe"

Sindy:"I...I.m.I.know im just scared..I keep seeing him..see him when I close my eyes" I didn't say anything I just pulled her to my arms.

Me:"You're safe nana." she cried hugging me tight.

I watched her as she slept peacefully ontop of that bed, I sighed and slowly stood up.Just as I opened the door leaving her she spoke.

Sindy:"Dont go please..don't leave me alone" I closed the door and returned back to her.

me:"and here I thought you were sleeping" she sighed and sat up as I took off my boots

climbing to bed.

Sindy:"it..it's hard. .I..I..I keep seeing him..a..and thinking what would have happened to me if..if you hadn't arrived I.."

me:"shhh it's over...it's all over now" she nodded repeatedly as I placed her head ontop of my chest gently brushing her back.

Sindy:"thank you" I kissed her forehead and nodded "i..uhm..I need the bathroom" I let her go, she stood up and slowly walked away...halfway through the room she stumbled and held her head wincing in pain.

me:"Sindy? are you ok..woah" I quickly went up to her as she landed on the floor "Sindy? nana?! shit!" I quickly picked her up and left the room with her in my arms.

When I got downstairs Priscilla saw me first.

Priscilla:"What happened?!"

me:"I don't know..she just fell on her way to the

bathroom"

Priscilla:"Let's take her to the hospital..we will call Chris on the way" I nodded hurrying out.

me:"Drive to the hospital" I said to one of the guys who were guarding us..he didn't waste time we took them with us to the hospital.

me:"Gimme a gun Mthunzi" he looked at me and passed me the gun "go down oledi" Priscilla had Sindy's head on her lap, she bowed her head down as I opened the window and aimed at the tyres of the maroon Jeep that was trying to overtake our cars, then shot the windscreen with the driver.

Zulu:"Yiyeke bra" I sat back and watched Zulu bombing the car.

me:"You're safe now" she nodded and lifted her head up and sighed "The joys of marrying a gangster" she smacked me head I laughed.

We got to the hospital and Sindy was quickly

attended to.

Princess:"Have you guys called uncle Chris?"

Priscilla:"call him Bulelani"

me:"Hayi ngoba?" they giggled

Priscilla:"because I say so" I bowed and took out my phone. .

As the DRAGONS and THE KINGS walked in the warehouse the guards poured cold water on the three some and they woke up immediately.

Mce:"Akekho umfo ekuthwa ngu Petros phana ebhayibhileni? (isn't there a person named Petros in the bible?)" Richard chuckled.

Richard:"ukhona"

Saider:"ndazi uMichelle mna" his father laughed.

Mkhuls:"Petros! Petros! unditshutshisela ntoni?" they laughed.

Lux:"Bloody heathen! kuthiwa Sawule Mkhusele!"

Mkhuls:"iyafana wethu oksalayo ngabantu be bhaybhile" Lux chuckled shaking his head.

While Chris stared at those three changing glances from one to another.

Michelle:"Chris Ek is..."

Chris:"Jammer? jy is jammer?" he asked slowly making his way to them as they were tied sitted on the floor.

Richard:"Chris..." Chris kicked his sister hard on her face.

Chris:"untie her" the boys untied her "Why?" he asked after she was untied.

Michelle:"Ek was jaloers, bang...ek weet nie!!!"  
he punched her hard and grabbed her by her hair  
then threw her across the room then rushed to  
her and choked her making her stand up.

Chris:"Shut up!!! Jy maak geraas!!"

Michelle:"Ek is..." he slapped her and punched  
her letting her fall then started kicking her  
countless times.

Chris:"Water!" one of the guys brought a 10L  
bucket filled with water. Chris poured it on his  
sister who gasped and opened her swollen eyes.

Michelle:"P..p..ple..a..se" Chris chuckled.

Chris:"not now Mich. .not now little sister" he  
looked at her in disgust "you won't die so easy"  
Michelle cried silently regretting her  
decisions. Chris made his way to Smangele who  
shivered just to his stare.

Chris:"untie her" the boys untied her and she  
took a step back but he quickly grabbed her by

her arm twisting it..she screamed Chris punched her hard.

Chris:"You don't deserve to live Smangele..you're evil!!"

Sma:"Chr..."

Chris:"an axe"

Lux:"ohw shit!" they handed him the axe.

Sma:"Wh...Chris please" her plea fell into deaf ears because Chris hit her hard on her shoulder then on her head then paced up and down next to her.

Chris:"Your child? your own flesh and blood..HOW SICK ARE YOU?!" he asked looking at the bleeding Smangele.he chuckled and closed his eyes then the picture of his Angela laying on that bed with her legs spread apart with her private part exposed.He opened his eyes and started attacking Smangele with the axe, he kept on hitting over and over again.

Mkhuls:"Stop him" he said to Lux who sighed and went over to Chris touching his shoulder. He quickly turned then Lux took the axe.

Lux:"She's dead" Mce gave him a bottle of his favourite scotch.

Mce:"calm down..still have a long way to go"  
Chris nodded and sat on the chair gulping the scotch.

Mkhuls:"Tshini inyile lentwana" a roar of laughter from the guys filled the room. Just then a smell filled their nostrils.

Them:"Sies!!!" Chris' phone rang Austin answered

Austin:"Buja?"

Buja:"uhm sure. ..it's Sindy..she collapsed we are at the hispital"

Austin:"....."

Buja:"Austin? are you still there?" Austin absentmindedly nodded.

Austin:"uhm..yeah..i. ..i'll tell dad and the others"

Buja:"moja..ube grand" he hung.Austin cleared his throat and looked around then went over to Lubah.

Austin:"Sindy is at the hospital..please inform them" Lubah nodded patting his back.

Lubah:"EVERYONE!" they looked at him,he sighed "uhm Sindy is..hospitalized" Chris quickly stood up.

Chris:"What?! what h..."

Austin:"She collapsed" Chris rushed out.

Lux:"Hamba naye Mcebisi" Mce nodded and walked out followed by Austin, Mdu and Lubanzi.

"What's wrong?"

Dad:"Nothing my angel..are you in pain?"

Me:"Just a headache"

Dad:"ok..uhm let me calk the doctor" he left then came back with the doctor.

Doc:"Ms McCarthy how are you?" I just smiled not correcting her that I was a Khumalo.

me:"other than the headache..I'm okay"

Doc:"About the headache...I noticed that you had hit your head hard but luckily there is no swelling but I'm afraid you might have a

migraine but we are not sure as yet..we will run a few test then take it from there..for now I will give you something to take down the pain okay?"

me:"Okay" she smiled and left. "Kanti umuntu akadli?" Dad laughed and opened the locker taking out yoghurt.

Dad:"Let me feed you this first" I frowned.

me:"I'm not a kid dad I want real food" he chuckled and took out his phone and texted.

Dad:"I love you" I smiled

me:"I love you" he smiled and kissed the back of my hand.

Dad:"Even though I failed you?"

me:"What are you talking about?" he sighed.

Dad:"I failed to protect you from that....."

me:"It was beyond your control dad" he sighed and buried his face on his hands.

Dad:"I'm sorry my angel" he looked at me with tears in his eyes I just smiled then squeezed his hand.

Bulelani:"Open up...yahamb'train...ch.." I laughed shaking my head.

me:"are you being for real right now?" he chuckled.

Bulelani:"sorry" he fed me until I was full then started telling me stories which had me laughing my lungs out.a nurse walked in.

nurse:"sir you have to leave..the patient needs to rest now"

Bulelani:"10 more minutes please"

Nurse:"ten minutes not a second more"

Bulelani:"sure mntana!" she smiled and walked out.My mood changed in that instant.

me:"You're gonna leave me here alone?" he scratched his head and sighed.

Bulelani:"y..uhm nana there are guards outside your door" I just nodded and turned to look on the other side "Dont be like this Sindy please"

me:"Can I rest please?" I heard him sigh then walked out.

"Sweetie" I quickly wiped my tears and looked at his direction.

me:"Dad" he came closer and kisses my forehead before sitting on the chair next to my bed.

Dad:"Are you okay?" I nodded.

me:"I'm just scared of being alone here..what if..

"

Dad:"Hey, nothing will happen my angel, you're safe"

Austin:"Yeah too much safe" he said walking in followed by Bulelani and the others.

They stayed with me until I fell asleep. When I woke up the following day I found Bulelani standing by the window sipping on a coffee still in yesterday's clothes, I cleared my throat and he quickly turned and looked at me.

me:"Shouldn't you be resting?"

Bulelani:"Hello to you too Sindy" I sighed "I will rest once you're out of here"

me:'and when will that be?"

Bulelani:"Next week Friday" I widened my eyes looking at him he chuckled and sat down.

Bulelani:"ndiyadlala..today" I nodded and tried standing up "let me help you" he took me to the bathroom and waited outside, I did my business then walked out. He unexpectedly scooped me

up then marched to the bed with me.

me:"thank you"

Bulelani:"pleasure"

He stayed with me for a while then stood up

Bulelani:"Your father is probably on the way..let me do this before he arrives" I looked at him quizzically he didn't talk instead he sat on the bed then leaned in and kissed my lips, I didnt kiss h back at first due to shock but as he gently bit my lip I found myself kissing him back.We kissed for sometime then pulled back.

me:"I...i. .uhm wow" he smiled broadly revealing his perfect white teeth.

Bulelani:"uhm..Sindy I..." the door opened "We will talk okay?" he whispered I just nodded looking down.

Dad:"Hey baby" Everyone walked in and stood next to my bed.

Richard:"How are you Sindy baby?"

me:"I'm better uncle Richard thank you"

Richard:"Are you alright though?"

me:"I will be"

Richard:"that's my girl..Didn't you have nightmares mhlaymbi? I mean with this one ecanwakho the whole night" I giggled looking at Bulelani who was slightly smiling at me.

me:"No not at all..I actually slept well"

"amnandi lamanzi..neh Buja?"

Lux:"kuzafuneka a-admitwe uNdumiso" we laughed.The nurse walked in with my food.My father fed

Later that day I went to check on Sindy whom I found playing cards with her father and Austin.

me:"Afternoon"

Chris:"How did you get in again?"

Chris:"Buja" I laughed.

me:"You gave me the remote when you needed la material"

Chris:"oh ja" I joined in and.partnered with Austin.

As we were playing and conversing here and there someone buzzed then one of the helpers attended to it.

Chris:"Leave my house boy!" I quickly turned and found Zweli standing by the door looking at Cindy who was also looking back at him.

me:"it's your turn shawty" I said trying to make her break the eye contact with Zweli.

Sindy:"uh.

uhm yeah" she smiled looking at the cards.

Zweli:"sir I kn..."

Chris:"I SAID LEAVE! I should be breaking your bones for hurting my child but I'm not..leave my house! now!!" he nodded and put the flowers on the table then left..

Austin:"You're okay Sindy?" she nodded

Seeing Zweli made me realise how I missed him..But then he broke my heart by sleeping with someone I once called a friend.He betrayed me and I didn't even know ukuthi I can look past that.I was happy that I saw him but I was also still very much angry at him.

The following morning I was woken up by my ringing phone.

me:"mhm" I answered with my eyes still closed.

Bulelani:"morning nana"

me:"hmm morning" I didn't hear what he said because I was still drowsy..very much so but I jumped up when I heard him say "Kuyatsha nana" I jumped and sat up .

me:"What?!" he laughed "damn you Bulelani" he laughed harder.

Bulelani:"askies..are you up now? listen I was thinking maybe we could go out"

me:"uhm..go out?"

Bulelani:"yeah around 11 there's a place I'd like to take you to..and relax it won't mess with your health and healing"

me:"alright...what time?"

Bulelani:"Two hours from now"

me:"let me get ready then" he hung up as I woke up and went to take a shower before heading downstairs.

me:"morning ma" I greeted the help and sat down.

Her:"sawubona mntanami..I'll go get your food" I nodded as she went to the kitchen, she came back with my food and I dug in.

Bulelani came to pick me up and took me to some place around Soweto. We got inside what looked like an old yard and went behind the two roomed flat and to my surprise there was a nice picnic set-up there with everything in order.

me: "wow" he smiled as we both sat down "but why here? we could have had a picnic in the park"

Bulelani: "I wanted it to be here..this is a very special place for me. I will tell you about it one day" I nodded.

We spent almost the whole day there conversing and laughing then drove back home around 16:00.

me: "I had fun today thank you" he nodded then tuened and looked at me straight in the eye.

Bulelani: "I had fun too..hopefully we will do plenty of that"

me: "Hopefully" I said keeping an eye contact, as

seconds passed I felt like there was a magnet pulling us together. Our lips touched and we kissed for the longest time before breaking the kiss.

Bulelani: "Damn I could kiss you the whole day" I giggled shyly looking down "awusemhle"

me: "thank you" he lifted my chin and pecked my lips.

Bulelani: "check you later" I nodded.

me: "bye" he pouted his lips I giggled and opened the door.

Bulelani: "Hay sisi" I laughed silently and waved my hand at him, he squinted his eyes with his bottom lip between his teeth smiling. I turned and walked away as we were a couple of houses away from home. I screamed as I felt someone scooping me up, he laughed as he returned to his car.

me: "put me down!" I said slightly giggling he

shook his head and got inside tje car with me.

Bulelani:"My kiss" I giggled and gave him a soft peck..he shook his head smiling nefoe bringing me closer to him and kissed me hard "Now that's a proper kiss ke nana" he then started his car and drover closer to my house with me sitting on his lap.

me:"bye"

The door bell rang and Lili quickly attended to it.Aj got in and they shared a hug.

L.D:"HEY VOETSEK" they quickly and walked towards us.

Aj:"Hello everyone" we greeted back.

L.D:"OUT" dad and uncle Saider were already on their feet.

Lilitha:"Dad" tears were already filling up her eyes.

Aj:"It's ok babe" he kissed her forehead "ill call you" he turned and walked away.

Lilitha:"Why do you hate me so much tata?" her voice was pained and low.

Okuhle:"your fat..."

Lilitha:"SHUT UP IM NOT TALKING TO YOU!" she turned and looked at her father "I hate your wife..infact I hate you as well" everyone gasped "is it because of my mother? do you hate me because I am Lumka's daughter? upstairs, halfway through the stairs the door  
rang repeatedly earning our attention. Then the  
door swung open then Aj got in running.

After the family left I was left with my dad and

hug.

gently before taking my father's hand.

Dad:"Ha.a mfethu" Lawrence laughed and I  
smiled faintly.

Law:"oh relax handsome I have a husband..even

though I wouldn't mind a piece of you"

Dad:"mxxm" Lawrence laughed and took his hand putting it on mine.

Lawrence:"Your relationship is broken..too much if you ask me but it can be fixable, Mr you have failed to do your job as a father to your child and that led her to depression and..and drugs"

Dad:"Drugs?" he asked with his eyes on me but I looked away "oh mntanam" he said softly squeezing my hand.

Lawrence:"It was only a couple of times and fortunately stopped and got help..maybe I should give you space to talk...I'll be outside nunu. I need to call at the office" I nodded as he gently pulled my right cheek walking out.

Dad:"MaLili"

me:"tata" I was still looking away.

Dad:"please look at me standwa sam" I shook

my head as I felt tears burning my eyes "please Bhelekazi" I looked at him for a few seconds then looked down "I'm sorry" he got closer and held both my hands nesi sine drip.

Dad:"I know..I'm sorry I wasn't there baby..I'm so sorry, I know I was ignorant and neglected you but can I make it right? can I be the father I once was to you? "

me:"You can't"

Dad:"I can and I will baby j..just let me in..I know it's my fault that we are here but ndiyacela..gimme a chance"

me:"I want to but I..."

Dad:"Don't be scared! I promise I will never hurt you again, I'll never even for a single day ignore you and neglect you..it hurts me that it took almost losing you for me to realise how much of

a bad father I have been to you, my ignorance and negligence almost cost me your life, I'm hurt and angry at myself that I don't know important things about you..you're broken because of me and you're here ngenxa yam Lilitha. .what kind of a father am I? Dad:"amafinyela" I slightly giggled as he pecked my lips and hugged me tight one more time.

Dad:"ndixolelwe?" I nodded "I'll earn your forgiveness and trust uzobona"

me:"I forgive you dad but only if you forgive me as well" he looked at me then kissed the back of my hand.

Dad:"You were upset and with good reasons but don't ever do something like that to me..I almost died..the thought of losing you..from now on we are open to each other uyeva ke Bhelekazi?" I nodded

me:"ewe tata" we spoke for sometime until Lawrence came back and asked a few questions to the both of us.

#NARRATED

-

The twins had got information about the KINGS and DRAGONS but it wasn't much but they were very persistent and determined to bring them down so they started asking around making sure that they don't make people be suspicious of them.

-

Zweli and Sindy tied the knot and they were

happy while the rest of Sindy's family were not...especially her father but his daughter's happiness came first.

Lux:"You should have just put your foot down marn Chris! " he said angrily stared at Zweli then clicked his tongue.

Zweli on the other hand was very happy that he came out victorious, he was so happy that he was the one that won Sindy's heart and claimed her as HIS QUEEN.
