Or else I'll lock you up here for the whole and
release you on your wedding day, Is that what
you want?! Me: I hate royal prison! I dragged my
feet back to my room I stood there for few

minutes thinking of a plan to escape this hell. I saw a rope behind my bedroom door. I took it and went to the balcony Me: Now what's next?! I looked around until I saw the mango tree next to my window Me: Zania your genius I tied the rope around my waist then tied it on my dressing table luckily the rope was pretty long. So I threw my purse on the floor and my car keys then I stepped my foot on the branch I did the same to other branches with my hand on the rope till I reached the ground Me: Yes!!! I unlocked my car and got in luckily there was no one at the gate so I drove off freely when I reached the club I find Omuhle and Lesedi already waiting for me. Yep I have black friend, They're so ghetto and they can defend themselves and I've learned a lot from them Me: Bitches Omuhle: Zaza That's how they used to call me and I kinda like it Me: Yep that's me! Even though I'm kinda disappointed.. Lesedi: What could be the problem this time?!

Me: I'm getting married on Saturday, Imagine
Omuhle: What?! Richard is just an idiot to
propose to you! I mean He's broke... Me: It ain't

Me: Okay Jeez before you die with a heart attach I went in my room and found the royal dress on my bed. I rolled my eyes and decided to wear it and it was horrible. It's kinda baggy and long too I decided to wear my short Blue dress I applied my reddish lipstick, Wore my blue heels, Tied my hair into a messy bun, put my princess crown my head then I took few selfies. Brian was seriously fuming he even wrapped
his left arm around my waist to guard me from

When Tandezile came back from the restroom I was miles away, Thinking of what just happened... So Amber wants to play dirty?! It's fine by me But I love Tandezile And I don't wanna hurt her. And I promised her that I'll never try to break her heart and she trust me with her life... I think I should forget about Amber and focus on Tandezile, Coz needs my attention As for Azania I never loved her, Our parents arranged our marriage and we were forced to get married while we don't even know ever other, When never even expressed our feelings for each other! I tried to change her to a better person but She chose her wild life, She never respected me ever since we got married! I had to force her to stop smoking or Drinking Coz she's a married woman but She regularly act like a man! She make me feel so weak, Like I can't defend or stand up for myself! At least now I'm happy where I am I must say! Back to the story I

felt Tandezile's hand on my shoulder Tandezile: Is everything okay?! Me: Oh Yes Babe I'm just thinking about us... You know.... When we get married I want to have 8 kids We both laughed Tandezile: Oh Come on Brian! 8?! While as for me I only want 2 kids Me: Boring! I can score, You know?! Tandezile: You're so dirty! She giggled Tandezile: Where's Amber?! Me: She has already left... Look babe I think we should buy a new House Tandezile: There's no need Babe! Don't waste your money just to impress someone! Your house perfectly fine Me: Really?! Tandezile: Oh Yes Really! (She looked at her phone) I have to go! I'm meeting up with my father Me: But Babe.... Tandezile: I promise... I'll make it up to you, Okay?! Me: Promise?! Tandezile: I promise She pecked my lips then she left. I phoned Amber's number, She picked up immediately Me: Amber, It's me Brian! Amber: Hmmm! I'll send my house Address, Okay Me: Okay I hung up then she sent her the house

address. I settled the bill then drove to her place I found her sitting on the couch drinking whisky. She got up and she Was wearing a black coat. She then unbuttoned her coat and Whoa, She was butt naked Amber: Want this?! She bites her lower lips. I rushed towards her and grabbed her waist Me: Show me how bad you are I lift her up and made her giggled like a five year old baby. We went in her room then slowly laid her on the bed. I gently kissed her neck while she moaned softly and unbuttoned my shirt slowly Amber: Wait... I need to use the bathroom Me: Come on! Amber: When you fuck me I don't want to pee on myself We both chuckled then she went to the bathroom. I sat up straight then something caught my attention, It was a picture of My mother on her Bedside. I took the photo and directly looked at it. Amber: I'm ready.... Me: Where's this?! Amber: Oh That's my Mom! Dad gave me that photo few years ago since I never met her... Enough about my

personal life, Let's go all wild till the morning
She tried to kiss me but I pushed her slightly Me:
I have to go Amber: Brian What's wrong?!....
