## COLLEN

I've been stalking this girl for almost 3 years.  
I've been watching every movement she makes  
But I never thought it'll be hard to confront her.  
She's a hard stone      And that really breaks my  
heart. I love her so much that I could Even die  
for her. I looked at her wet face for a while

Zikhona: Please take me back home Collen I'm  
begging you

She kneel down on the floor. I just looked away

Zikhona: Please

Me: Please get up

She stood up, I wiped her wet face then pulled  
her closer for a hug. She held me tight crying  
her lungs out      After A while we just laid in  
bed. I kissed her as soft lips I nested  
comfortably between her legs. I unzipped her

jacket

Zikhona: Collen....

Me: Shhhh I won't hurt you, Okay?

She slightly nodded. I played with her hard nipples with my thumbs I sucked them slowly and gently She arched her back and gave me free reign. I moved from her breasts, Planting feathery kisses down to her Honey pot I pulled down her pants followed by her panty. I glanced on her beautiful gorgeous body for a while and felt my erection getting harder and started to hurt to my surprised she opened her legs even wider I made her wrapped her legs around my neck. I teased her clit with the tip of my tongue, She gasped. I sucked her slowly she pushed me head deeper and deeper. Her soft moans made my dick even harder I sucked her till She came. I stood up and went to get the towel. I gently wiped her

ZIKHONA

Years Later

Life has never been easy! I suffered A lot while I was pregnant! I was thrown at the road in the middle of nowhere To be eaten by Wild animals and be Thug's Human shield All because of love! Since that day I told myself I'll never date again! I wanna raise my child with cautious and love! Whenever she ask me about her Father I'll calmly reply "He was involved in a truck accident" That's how I reply coz I want nothing to do with Collen I know What I did it was

selfish and childish me to sleep with his best Friend but Did I do any cheeky The day he slept with my cousin Nozie?! I peacefully and kindly forgave him but what did he do when It comes to me?! I hate him with passion I don't even want him any near my child and I! When I gave birth I decided to name my child Xolile Violet Mbatha 5 of age She's my everything I could ask for! I'll do anything to protect her from His father coz He have no right to Call her his daughter coz he nearly killed us and sold us to the street thugs

Remember the day I Mugged by those thugs who tried to rape me?! Lemme take you there

[Three Gunshots blurted] I lift my head frantically only to found A strange man with black baggy coat. The guy that was pointing a gun at me was now lying on the ground with the second

guy. The third ran away as fast as he could. I sat up straight with nothing but fear I mean what if this mystery man is here to finish me off!

Man: I'm here to help....

Me: Please Don't kill....

He picked me up and went to his car then he drove off. We arrived at this big beautiful mansion. He walked with me to one of his rooms then laid me on the bed I was slowly and giddy losing my breath

Man: OKUHLE KHAW'LEZA KALOK [Okuhle, Hurry up]

I saw a Lady rushing in with a vase and a towel. She lift my head and laid it on her thighs. She wet the towel and gently pat it on my forehead, I moaned in pain

Man: Easy Easy!!!

The man took the hospital briefcase which I

assumed that He's a doctor. He took a needle

Man: Everything will be fine

He rubbed my shoulder with his thumb then He forced a needle on my shoulder without notifying me. After few minute I slowly dose off to sleep

The following day I woke up in this strange room I glanced around the room and the door gently opened and a woman with a tray entered

Woman: Good morning

Me: Good morning! Where am I?!

Woman: Oh you don't remember? Mr Mavundla found you lying hopelessly on the road last night....

Me: Whose that?! And who are you

Woman: Oh I'm Okuhle The helper of this house

Me: Oh

Okuhle: Here's your breakfast

Me: Uhm thanks

There was a knock on the door

Okuhle: Mr Mavundla

She bow before him

Mr Mavundla: Can you give us some privacy?!

Okuhle: Oh yes yes Sir

She left

Mr Mavundla: Good Morning

Me: Good morning Mr Mavundla

Mr Mavundla: I didn't get your name

Me: Oh uhm... Zikhona Mbatha

Mr Mavundla: Can you kindly tell me what happened last night, Who are your parents?!

I sighed then openly told him everything about my parents, Sam saga and Collen's temper

issues he was shocked when I finished my sadness story

Mr Mavundla: Oh that's so That's so selfish and manless of him! How could he beat up a pregnant woman?! That's terrific man

Me: Please don't take me back to my parents

My mother will sell me out to those different men and Collen will kill me if he finds me! I just wanna change my name I don't want to be found

Mr Mavundla: You can leave here with me! I'm just a man who's lonely I lost my wife and My son accused me of killing her just because I failed to save her! I can adopt you and you can become my daughter I always wished for a female child but God only blessed me with a Male Child....

Me: Oh that's tragically touching Mr Mavundla I am so sorry to hear that

Mr Mavundla: I promise I'll take good care of you and your unborn child we can live happily together I'll protect y'all....

Me: I'd love to be your daughter Mr Mavundla! And I won't to thank you for everything , You saved me....

Mr Mavundla: I'll do anything to protect my children When you give birth I have a surprise for you

Me: Oh?!

Mr Mavundla: Just wait and see

He got up and left. Months later I gave birth and Mr Mavundla became my Father and he was really supportive! The surprise he was talking about it was a brand new car I was beyond happy since then Mr Mavundla I never thought of going back home! I even changed my name to Fanele Mbatha I really don't wanna be found that's what I always tell myself

Never judge the book by it's cover! Never look at the person under your nose coz you don't know what's tomorrow got for you! My life never been great since I have a new Father and I love him daily today it's my Daughter's first day at school And Dad is planning for a surprise for me I'm really tired of surprises but what can I say He's boiling his daughter

Who does he think he is?! Take my daughter without informing me as Lile's mother! I almost lost my mind thinking that my daughter might be dead or kidnapped by stranger. I sent a message to dad to I inform him that Lile is back. I locked the door then went in Lile's room

Me: Don't you ever scare me like that Lile! I thought I've lost you

I sat next to her

Xolile: :) I'm fine! Collen gave me this

Me: Did you obey that one?!

She shook her head

Me: Vio let it be the last time you disobey the rules of this house! Next time I won't just talk I'll whip your ass!!! Now go to sleep

Hlengi: Please calm down Fanele!

I took a sipped of water then tried to calm myself up

Me: I don't want him near my daughter!

Hlengi: You can say that over and over again

but at the end Lile is Collen's daughter, Her flesh and blood! I don't say take him back but forgive him for the sake of the innocent child! Don't abuse the innocent soul because of her father's careless and evilness!

Me: Can you please get back to work!

Ain't you sacrifice the night you dumped me out of the streets to be eaten by wild animals and be your street friends A sex toy?! I fucken forgave you the day you fucked my cousin, but when it comes to me I have to suffer! Collen I know I made a huge disgusting mistake but I begged for apology instead of dropping Me home you chose the streets! My life was so peacefully great! The moment I've been craving for! Yamkela has been good to me and I appreciate that. It been 2months since I haven't heard from Collen and I heard that He has already moved on. I've been having strange feelings, Vomiting, Choosing food, Sleeping or cry for nothing I once checked if I'm not pregnant and I find out that I'm not but my mother told me to recheck again And I didn't coz I know that I'm not pregnant I mean Yamkela and I used protection..... So today I woke up did my morning routine Then drove to work. I found a very beautiful woman sitting alone

Me: Oh okay! Guess y'all are going to be our first customers today :) can I get you something to drink, Coffee, Tea....

Girl: Cappuccino with scones please

Me: :) Alright

Me: Where are we going?!

He just focused on the road then he packed his  
car. He opened the door for me. I stepped out  
the next thing I felt something heavy on my  
head then passed out. I woke up in this strange  
room I was tied up in a chair Yamkela entered  
with a smile

Yamkela: Oh Shame! How I love to see my enemies suffering and begging for mercy!

Me: Please lemme go Yamkela :'(

Yamkela: Yamkela?! What happened to "My love"?! I prefer Babe

My phone rang from my bag. Yamkela took my bag and took out my phone

Yamkela: Speak of the devil! It's your ex boyfriend

He rejected the call

Yamkela: He's invading my privacy

He did a sign language with his crew. They untied me and dragged me to this room that has stripping pool stage and couches where the Audiences sit. It was impossible for me to escape with his crew directly pointing their at me.

Yamkela: I'll sit right over here while you take a strip dance for me :) I want you to turn me on, I want you to seduce me while Desmond take a video or I kill you right now!

They pushed me to the stage. I had no choice

but to entertain him. I couldn't handle the tears from falling. When I was about to start A tall guy entered and he looks so familiar. He turned and looked at me and it was Unathi :-O I couldn't believe my eyes. He winked at me then whispered something to Yamkela's ear then he left

Yamkela: The drugs are here!

The crew screamed in joy

Yamkela: I guess we should perish this place!

I was so frantically scared and have this feeling that I almost died because of my blindness and selfishness! I rejected a person I love because he wronged me He tried to make peace with me but I was too bragging and haughty to forgive him truly and honestly! Now he's married and these nothing I can do to win him back again

Me: Our Daughter is De...

Unathi: She's safe...

Me: Safe?! What do you mean she's safe?!

Collen: Unathi saved them, Her and your mother!

Unathi: I kept them at the safehouse

Collen: Get up Chubby and let's go!

He wrapped his jacket on my shoulders then he

lift me up, I just wrapped my arms around his neck

Collen: You're so heavy!

I buried my head on his neck and smiled slightly.

Collen: I'm so glad that we find you alive!

Me: Is he dead?!

Collen: Yes! Don't worry you're safe now

He buckled me in his car, Got to his seat then drove off.

Me: Where's Unathi?!

Collen: He's using his car! We'll meet him at the safehouse

Me: Collen

Collen: Yes Chubby

He looked at me in the rear mirror

Me: Thank you for everything....

Collen: It's okay Zee!

He parked his car at this big mansion. He helped me walked inside the house and Found Lile watching TV

Lile: Mommy!

She ran into my arms

Me: Easy Easy Lile!

Lile: Mommy I'm scared

Me: Daddy is here to protect us

I looked at Collen He smiled at me. Lile went to hug him

Lile: Daddy please stay with us

Collen: :) I'm not going anywhere princess

Me: Where's Grandma?!

Lile: Sleeping

Collen: Let's go to bed

He lift her up and went to one of the rooms.  
Unathi appeared with a towel wrapped around  
his waist

Me: :) My Hero

I gave him a hug. He chuckled

Unathi: I'm so glad you are safe Lil sis :)

Me: So Yamkela was your friend

I asked curiously. We sat down on the couch

Unathi: Yeah! But I didn't that he was this  
mental ill! When I arrived at home I find your  
mother and Lile tied on the chair I asked them  
and told me that your boyfriend tied them and  
promised to kill them. As they told me that Dad  
is fighting for his life at the hospital I rushed  
there and luckily He wasn't that bad, He got his  
leg only so he told me that Yamkela tried to kill  
him That is when I released that I have a snake  
Friend so I played my part to rescue you and My  
niece

Me: Thanks! That means a lot to me and my family!

Unathi: All thanks your brave boyfriend!

Me: Oh yeah

Unathi: Lemme go dress up before you drool over me

I pushed him playfully. He left! Collen appeared with a smile

Me: I'm so hungry! My stomach is killing me

Collen: Let's go to the kitchen

We went to the kitchen and Collen made me something to eat. Later He showed me my room and we laid on the bed

Me: I'm sure your wife is worried sick about you!

Collen: She'll be fine... You look so beautiful

He looked at me deep in my eyes. I just smashed my lips at his. I unbuttoned his shirt,

He stopped me

Collen: You're still hurt....

Me: I'll be fine if you make love to me

I said in a seductive way. He got on top of me and stripped my clothes into pieces. We made one rough love. The following day I woke all alone in bed. My ripped clothes were all over the room. I smiled to myself

Me: Collen!!!

I screamed for his name. I wrapped the bed sheet around my body and went to the bathroom and didn't find him I then went to the kitchen and find Mom playing with food, She was miles away

Me: Mom!

She lift her head and looked at me with teary eyes

Mom: Thank God you're alive babe! Did he hurt

you

Me: I'm fine Mom

She hugged me

Me: How's Dad?!

Mom: Unathi is still showering! He insisted to take me there

Me: Where's Lile?!

Mom: She's sleeping! Don't worry she's coming with us! And why are you naked in the kitchen?!

Me: Well... I guess I woke up like this :)

I went to take a bath. I lotion my body, I realized a love bite on my neck

Me: Collen though

I chuckled. I wore my gym tracksuit went to the kitchen to get cold water then I borrowed on of Unathi's car and drove to the gym just to erase the stress. I wore the punching gloves then

gently punched the bag. Someone held the bag  
For me and it was Collen. I pretended as if he's  
invisible

Collen: Are you mad at me?!

Me: Maybe! Collen you used me last night! You  
slept with me and ran away

Collen: I didn't know how to face you in the  
morning Zee! It was awkward.....

Me: Oh so sleeping with me it's awkward?!

Collen: No.....

Me: Collen I know you feel guilty of what  
happened last night! I won't lie Collen It was  
amazing, The way you touched me, Your kisses,  
I really miss that

He grabbed my face and kissed me

Me: I don't want to be your second hand  
Collen.....

I just felt dizzy and the feeling of bilious

Collen: Are you okay?!

Me: Yeah I'm...

I fell on the floor and passed out

NORA

As you all know my name "Nora Hanson" I'm a proud woman and I know how to secure my marriage and I won't let anyone separate my marriage. The first day I met Collen I knew he's my soulmate even though he was too abusive and controlling but I managed to change him. I've been loyal to him the first day he approached. I never find myself on someone's bed and that's how I respect my marriage.

The whole day I was really bored coz Collen went to the gym without me And that really got me suspicious, I think he's cheating on me!!

After he left I started cleaning the House,  
Washed the dishes then went to chill in the  
backyard! I saw Hlengi driving in so I sat up  
straight. She came where I was sitting

Hlengi: My Friend :)

Me: Babe :)

She kissed my cheeks

Hlengi: So how's your marriage life treating  
you?!

Me: Great

Hlengi: Just great?!

Me: My friend you know that I hate blurting my  
love life!

Hlengi: Friend trust me! And I heard that Fanele  
is back

Me: Yeah! And Collen didn't sleep at home last  
night....

Hlengi: Why?! And please don't tell me that He slept with Fanele again

Me: Who knows?! Hlengi my marriage is tearing up! I love my husband so much And I don't wanna lose him

Hlengi: You won't my friend! Look at Fanele,,,,, She dumped Collen because of Yamkela that evil Thug!!!! Fight for your man coz she can't just come and take away your man! She rejected him

Me: I don't wanna fight Hlengi!

Hlengi: Says who?! Then say bye bye to your man...

I felt like throwing out

Hlengi: Are you okay?!

Me: Yeah I'm fine... Just... That...

I vomited on the floor

Hlengi: Sies! Should I get you water....

I just nodded. She went inside the house and came back with water

Hlengi: :) I think you're pregnant!

Me: Oh come on! The day I had a miscarriage The doctor said My womb is damaged and it's impossible for me to have kids.....

Hlengi: Babe these miracle do happen! Let's go buy the pregnancy test

Me: Okay! But I'm not pregnant

Hlengi: Keep lying to yourself

I went to lock the house then we left

COLLEN

I was really losing my mind. I mean it's been 45 minutes in this fussy public hospital. I sat there worried about Zee then finally The doctor came to my seat

Me: Is She okay?! How is she?! Please tell me she's okay...

Dr: Come down! They're fine :)  
Congratulations.....

Me: What do you mean they're fine??

Dr: She's 3 months pregnant :) but She's under pure pressure! If she carries on Stressing then I'm afraid she'll lose ths baby

Me: Oh wow! Uhm... Can I see her?!

Dr: Oh yes! Please follow me

I followed behind him and entered in Zee's ward.  
I found her crying

Me: Why are you crying?!

Zee: What if I'm carrying Yamkela's baby  
;'( Collen I can't keep this baby

Me: No no! Babe you're 3 months pregnant! It's  
mine Child Zee....

Zee: What?! So you mean I'm carrying your  
child?!

Me: Yeah! You don't know how happy I am right  
now Zee you just made me the most happiest  
man in this entire world :)

She looked at me confused

Zee: You are married Collen! I don't want to  
separate your Marriage....

Me: I love you and that will never change! Look  
Can you and Vio move in with me! I want to  
make sure that you're healthy....

Zee: Bad Idea Collen! I can't move in with you!  
And I don't think I'm carrying your child so I  
suggest we wait until I give birth...

Me: Please move in with me babe please

I kissed her hand

Zee: Okay! Fine!!! But Vio is staying with my mother....

Me: It's okay! So it's a yes?!

She nodded with a smile

Me: I promise you won't regret moving in with me!

Zee: Tomorrow then

Me: Tomorrow its fine :)

Luckily she was getting discharged so I drove her to the safehouse, Greeted my daughter then drove back to my crib. When I arrived I was greeted by Nora with only black tight lingerie

Nora: Babe :)

She pecked my lips

Me: There's something I need to tell yo....

Nora: Shh! I love you so much babe!!

She smashed my lips on mine. I pushed her lightly

Nora: Look

She showed me the pregnancy test

Me: You're pregnant?!

Nora: Remember 3 weeks ago We didn't use protection Then boom we're pregnant! I'm pregnant for you Babe :)

Damn I didn't know how to react! This can't be happening!!!!

Me: You're angry babe And I'm sorry...

Nora: So what's next?! Are you going to marry her

Me: What the hell are you doing here?!

Sam: Babe you invited me Here....

Me: Would you fucken stop calling me that?!

Sam I think I made myself clear the day I told you No strings attached!!! I don't love you  
Samuel

Sam: Zee Can't you see that Collen doesn't love you?! If so then he would've married you instead of Someone, Someone who was there for him in Good and bad times! Everyone thought you were dead! But I'm so happy that you're alive....

Me: Leave

Me: SAM It wasn't me man! I said leave man please!

What Zee said had really got me thinking!  
Hlengi didn't even bother to tell me about Sam  
being invited in my House. She only told me his  
name and his history with Zee.

I went to the bedroom and find Collen  
scratching his head

Me: Babe....

He banged the bed with his hand and got up  
with fuming face

Collen: Did you invite Sam right in my house?!  
And don't you dare lie to me coz if you do,,,,, I'll  
Squash you with my barehands so don't try me  
Nora!!!

Me: I don't even know the guy Collen! And why would I do something like that....

Collen: DON'T FUCKEN LIE TO ME NORA!

He took few steps towards me and I took few back till I reached the wall. He placed his hand on the wall and blocked me with his fit body

Collen: You know that you're a terrible liar! Look at me directly in my eyes and tell me you ain't behind this

I was shaking like hell! What if this man kills me alive?!

Me: :( I'm sorry Collen it's just that I was jealous...

Collen: SHUT UP!!! AM I YOUR FOOL NORA?!

Me: No!!

I cried scared that this man will hurt me like he used to at the past

Me: Please forgive me Collen....

He threw the pillow and the blanket at me

Collen: The couch is waiting for you, Don't beg me just shut up and go!

I emotionally went to the lounge and cried myself to sleep

The following day I woke up and the house looks quite empty so I got up and went to take a shower, Wore my normal dress then started the house chores. Later I went to meet up with Hlengiwe at the café. I find her already waiting for me

Hlengi: Hey My Friend...

Me: You nearly ruined my marriage! Why didn't you bother to tell me about Sam being invited To my house?!

Hlengi: I wanted to surprise you! So did it work?!

She gave me the most weird smile

Me: No! I told Collen that I'm the one who

invited Sam....

Hlengi: WHAT?! ARE YOU CRAZY?!

Me: Calm down! I'm a bad lair and I don't wanna fight with Zee! She's expecting my Man's child and I have to accept that

Hlengi: That's bullshit and you know it! So you want to share your man with that witch?!

Me: No! You should've seen her face when Sam Appeared! I'm not a beast Hlengi!

Hlengi: My Advice to you is... Learn how to cherishing your marriage! Kill her before she kills you first

She whispered sentences

Me: What?! I can't do that

Hlengi: Well you have to! Kill her then you'll happily live with your husband

This is totally madness

I was really losing my mind. Now I have to learn to live without Collen and focus on myself!

The whole day I was in my room crying non stop. Till the door bell disturbed me I got up and drag my feet to the door and opened it and it was a deliveryman

Guy: Good Day

Me: How may I help you?!

Guy: This is for you

He gave me a red box. I took it then I signed

then he left. I opened the box only to found a teddy bear with blood on it and a shiny knife

Me: What the hell is this?! This is childish

Just then There was a knock on the door. I opened it only to find Hlengi with my favourite cake

Hlengi: Babes :) you look so horrible

Me: Look

I showed her the box. She laughed

Hlengi: Who did this?! This is pure childish

Me: I think it's Nora! She is looking for my trouble

Hlengi: Who is Nora again

Me: Collen's Wife! She's the one who invited Sam now this!!! She really climbed the wrong step

Hlengi: Yeah That's the spirit! She can't just

come and threaten the Queen... To avoid all this situation just kill her besides you're the most fit hot Thug so why can't you defend yourself

Me: What?! I'm not a murderer!

Hlengi: And I didn't say that... She needs to know her place! Just think about it

Me: So you want to me to kill her just because I've received a Teddy filled with blood?! What if She's innocent on this?!

Hlengi: Babes I gotta take this

She got up and left. I sat down on the couch and thought of what to do next. There was a knock on the door so I took the box and hid it under the coffee table then went to open the door only to find Collen. He just smashed his lips on mine and lifted me up and went to my room, the rest is history...

There was an awkward silent only the heavy sighs were curling until I decided to break the ice

Me: What was that for?!

Collen: Just missing you,,, is that a crime?!

He kissed my neck I giggle

Me: I thought you're mad at me!

Collen: Why would I?! I'm sorry for being an ass towards you...

Me: But you don't believe me! That's your problem....

Collen: Do you blame me?! After what you did with my Friend Zee you fucken slept with Sam while I was busy protecting your ass....

She took her bag and wrapped my arm around her neck then we went to this car. She buckled me then drove to the flat where she threw me on the bed and undressed me, I didn't have

strength to fight her so I let her be. She always undressed herself also then She rode me like an animal while Moaning in pleasure Her phone rang but she ignored it, I just passed out

The following day I woke up with a huge indescribable headache. I looked at Hlengiwe who was snoring next to me. I lift the blanket and I was naked. I quickly got up and wore my pants

Weeks later

Sam and I are taking things slow. Sometimes we go out for Spur treatment, Beach just to chill out. He treats me like a Queen and I love that :) Lile was so excited to go for a trip with her father

My parents are engaged and they accepted my relationship with Sam even Unathi... Few weeks ago Sam found Hlengi's dead body in the bush and I confessed everything and he covered up for me since he is a police :)

So this day I was busy at my office when I heard

someone talking on a microphone outside the restaurant. I got up and went there and found Sam Busy talking and telling me how much he loves me. People were entertained while I felt so embarrassed

Me: Sam What Are you doing?!

He went down on his knee

Sam: My Sunshine! My love of my life :) Would you make me the happiest man in this entire world :) And become my woman legally! Will you marry me

Crowd: Please say yes!

They shouted

Me: :( Yes Sam I'll marry you babe

He put the ring on my finger and kissed the hell out off me

Sam: I love you Zikhona

Me: I love you too Sam :)

Honestly I loved Sam the day I saw him but I didn't know how to show it :) now I'm standing right in front of him Saying these words to him 'I LOVE YOU' It just a great relief :)
