

## KAGISO MOEKETSI

I have never heard or seen any family doing this before, my uncles told me the most ridiculous thing ever and I'm not sure if it's going to work because that girl remoratile is a spoiled brat who thinks the world revolves around her and I don't think she's going to survive here but at the same time i can't refuse because my family is known for arrange marriages so i guess it's my turn even though I'm not ready.

I seriously don't need a woman in my life cause my side hustle is kinda dangerous and i might've pissed someone off then decides to come after my family but I'm a security guard so i don't think anyone would suspect anything and we always wear masks just in there's cameras anyways I just finished getting ready for work so i went to the big house and i found my little sister tsholo washing dishes...oh where are my manners, my name is kagiso junior moeketsi and I'm twenty three years old

Me:morning princess! Here's money for gorgeous and toiletries

Tsholo:thank you abuti(brother) should I make you breakfast?

Me:nah i will get something at work

She nods then my mother walks out of her looking better and I'm glad that i was able to get her medicine every month

Tsholo:mommy!

They hugged then sat down

Me:how are you feeling ma?

Mom:I feel great and I'm grateful for having a son who took care of his siblings while i was sick

Me:don't mention it ma! You are my queen and i would do it again if I must

I kissed her forehead

Tsholo:I'm going to the mall today, don't you want to come with me?

Me:I don't think she's ready for that

Mom:no I'm fine and i need fresh air

Me:okay be careful then, where are your brothers?

Tsholo shrugs

Mom:I sent them to get my sewing machine back

Tsholo:and she's back ladies and gentleman

Mom:I want to help out here because you have to study now

I'm already studying online and I'm doing great

Me:ma don't worry about that just focus on getting better hle! I have to go now see you later

I took my bag and lunch box then I left, as I was walking someone called my name it was lerato my ex

Lerato:hey kg

Me:sho lee

Lerato:you look very cute in your uniform

Me:what do you want lerato?

She sighs

Lerato:I just wanted to apologize for taking our daughter away from you

Me:I guess your blesser dumped you, right?

I have a two year old with and she is my everything but lerato took her away from me when she was seeing this rich guy

Lerato:something like that

Me:I will come and fetch her after work

Lerato:okay I'll get her ready so do you have any one in your life?

Me:I'm actually getting married

I left her there shocked and I got in a taxi then it drove off

---

## REMORATILE RANAKA

I can't believe zayn was just being nice to me because he wanted to sleep with me but I tuned him down cause I believe in sex before marriage is a sin so he immediately took me home when I told him that I'm not ready mxm he can go to hell! He doesn't even know how to kiss nx

anyways when I got home I found my uncle and aunts sitting outside enjoying themselves so I went to my room and I took some pictures then I posted them on Instagram.

Mommy:that boy who was in the same class with you and he once helped you with maths

Daddy:don't worry about that princess!

Me:then why do you want me to marry the security guy?

Aunt2:stop calling him that hao, you are out of control now so marrying kagiso will make you see that how other people who doesn't have money lives like and who knows maybe you might fall in love

I laughed

Me:me and the security guy fall in love never rakgadi!

Daddy:well you are getting married to him whether you like it or not

Me:what!?! Daddy no! How will he take care of me and I'm pretty sure he lives in a shack yoh just imagine the journalist writes about me

Daddy:Saturday is your traditional wedding

He walked away leaving me shocked, I mean my dad loves me more than my other siblings and I know for sure that my mother is the one who came up with this idea

Me:you hate me neh?

She rolled her eyes

Mommy:you will thank us one day

Mxm I went to my room and I took out all the pills of headaches then I sat on the floor with a bottle of water

Me:I was just told that I'm getting married on Saturday with a security guard and I don't have a choice! How can they do this to me huh? Maybe it's karma for running my friend over with my car.....wendy if you are reading this I'm so sorry for everything and I hope you find it in your heart to forgive me one day cause you are the best friend that any girl would love to have, I'm sorry for those that I was rude and mean to

LOVE REMO

I finished typing on my phone then I posted it on all my social media then I drank the pills and few minutes later lights out

## Chapter 2

### NARRATED

Wendy was in her ward busy with her phone then she saw remo's post on Instagram and she quickly called remo's parents but none of them weren't answering their phone so her mother walks in

Wendy:ma can you please call remo's parents and tell them that remo is trying to kill herself

W'mom:let her die

Wendy:ma! Asseblfie(please)

W'mom:no wendy that girl tried to kill you when you just wanted to help her so let her die!

Wendy:I'm not heartless like you okay and it's just a broken leg

W'mom:and what if the doctor has said that you wouldn't be able to walk again, would you still help her?

Wendy:if you don't call her parents I'm going to tell pa that you took the money they offered you to drop the charges against remo

Her mother gasps

W'mom:are you threatening me? Your own mother

Wendy:time is running out ma

W'mom:fine I'll call them

She walked out

MEANWHILE AT REMO'S HOUSE

Remo's sister refilwe rushed in followed by the paramedics and her parents also followed them to remo's room and they found her laying on the floor so the paramedics did their job and took remo to the hospital

R'mom:how can she do this huh? Where did I go wrong with her?

Her husband hugs her

R'dad:it's my fault! I shouldn't have spoiled her so much

Refilwe:no don't blame yourselves mom and dad remo needs to learn that there's life without money

They followed the ambulance to the hospital

**KAGISO MOEKETSI**

One thing that I hate the most is lying or being lied to so right now I hate myself for lying to my mom because I know that she is going to blame herself for what I got myself into but it pays more than my security job if I get the right cars of course! My two best friends and I work for someone dangerous in our hood and one mistake it's game over for us, we only wanted to do one job then forget about him but he saw that we can do a better job then his previous guys so he threatened to kill our family if we don't join him.

Me:fede gents

We fist bump then I sat down

TT:kgante what's up with you huh? You are never late when it comes to us chilling

Me:I had to spend time with my daughter because I know that when I get home she will be sleeping

They looked at each other then back at me

T-bose:so are you back together?

Me:oh hell no gents! Lerato and I are done, the only thing that connects us is my princess nothing more

TT:good man phela that girl is bad news nowadays ey

Me:uhm there's something that I have to tell you gents

T-bose:you got someone pregnant?

I chuckled

Me:no I'm getting married this Saturday if she is still alive

TT:you are not making any sense

Me:the ranaka family came to see my family....I'm marry their daughter so she can have some respect and manners

T-bose:arrange marriage?

I nod

TT:no offense but they should have came to me because I would've taught that spoiled brat real shit

Me:in other words I'm soft?

T-bose:you turn into a puppet when you are in love

Me:who said that I'm in love with that girl? Entlek let's forget about that...you are my best man  
right?

TT:of course we are there

T-bose:maybe I might get a rich girl who will be my blesser

We laughed

TT:but on a serious note bra you need to teach that girl some manners

Me:I think my mother will be the one who going to do that then she's gonna say that we are abusing her

T-bose:then her parents spoiled her too much

We chilled a bit then I went home to get ready for work

---

## REMORATILE RANAKA

I slowly opened my eyes and I looked around at my surroundings then I sighed because I'm in hospital meaning that I'm still alive! Whoever saved me, I hate that person right now cause I don't want to marry some poor guy and live in a shack...I would literally lose my followers and they will forget about me like I never existed.

My parents walked in with the doctor and she did her job then few minutes later she left and I couldn't look at my parents in their eyes because I know that they are disappointed in me

Mommy:you are twenty two years old remoratile and you wanted to kill yourself just because we want the best for you?

Daddy:you are still going to get married whether you like it or not! You are going to respect and see how other people survive without money, understand?

I nodded

Mommy:both families are busy with the wedding preparations so when you get discharged, you are getting married

Daddy:and don't you dare try to kill yourself or run away because if you do then you are dead to me

He walked out leaving me in shock then my mother gave me her tablet and I looked at it

Me:no no no they can't do this mommy! I will apologize if I have to

The people wants to remove my father from being a mayor because I didn't get arrested

Mommy:there's nothing we can do remo, wena just get ready to get married

She kissed my forehead and took her tablet then she left

Me:oh god what have I done

## Chapter 3

### WEDDING DAY

Both of the families were busy going up and down making sure that everything is perfect and the mothers inlaw were getting along like they've known each other for a long time, kagiso was getting ready with friends and cousins while remoratile was in a hotel room with her sister doing her face.

Refilwe:can you at least pretend to be happy remoratile! You'll thank our parents for this one day

Remoratile:yeah whatever ankere wena you are married to the love of your life so you don't get it

Her sister sighs then sat next to her

Refilwe:kagiso is a great guy and I know that when times goes by you will see why they did this

Remoratile:when I wake up I wash my face with my special stuff then I brush my teeth with a real toothpaste not that colegate, I like my eggs s....

Her sister cut her off

Refilwe:yerr remo! No marn seriously? We are sending you to where there's no food or roof bathong! What's wrong with you huh?

Remoratile:"I'm not ready to get married refilwe! Especially to a security guard jeez

Refilwe:do you want to live in the streets? Cause that's where you are going to when you don't do this

Remoratile folded her arms then someone knocked on the door and refilwe went open the door it was kagiso

Refilwe:oh look at you Mr handsome

They laughed

Kagiso:and you are beautiful too

Remoratile walked to the door and their eyes met, remo felt butterflies in her stomach

Refilwe:I will let you guys talk but you shouldn't be here though

Kagiso:just five minutes

Refilwe nods then she left

Kagiso:can we talk?

Remoratile:there's nothing to talk about because I don't want to marry you and you are not my type too

Kagiso:the feeling is mutual princess

## Chapter 4

### REMORATILE MOEKETSI

All my family members has switched off their phones or their changed their numbers because every time I try to call them it doesn't go through, I can't do this anymore and I can't even sleep peacefully cause the neighbors are always doing parties everyday and even kagiso's mother tried to talk to them but they don't want to stop with their parties...at first I thought it was kagiso who told them to make parties everyday because he once did something to the electricity box and we didn't have power for a week.

I can't believe people eat bread with beans and tea! Then they boil water on the fire and bath yoh you guys are suffering ey, my face was burning up when I was cooking on the fire and my back was super sore...what I'm trying to say is that I can't do this anymore and I refuse to be a slave in this house so I'm leaving today.

Me:where were you last night?

Kagiso walks in the room and threw himself on the bed

Kagiso:I was at work princess

I hit him with a pillow

Me:I told you stop calling me that! I'm leaving

Kagiso:where are you going?

Me:home

He laughs sitting up straight

Kagiso:princess your family has gone on a holiday and they are enjoying themselves

Me:you are lying! They will never leave me behind

Kagiso:you are married now remorable! You can't follow your parents everywhere they go bathong!

Me:look I'm going whether they are home or not okay! I can't live like this anymore and I'm not anyone's slave

Kagiso:are you saying that my mother is abusive?

I swallowed

Me:n-no but I'm not a slave

Kagiso:so you want us to treat you like a princess and forget about our lives? You are twenty two years old not working, always complaining about this and that while your mates are studying and some are working part time but let me not saying anything because it's not my future

Me:are you going to take me home or what?

Kagiso:the taxi rank is not far from here so walk

He's joking

right? I mean my shoes won't survive the rocks and dust

Me:kagiso please hle!

Kagiso:no I'm tired

He takes off his shoes and sleeps then I took my bags and walked to my mother in law who is sitting outside with her sewing machine

Me:ma I'm leaving

K'mom:wait for kagiso to wake up and take you to the taxi rank because I don't want your family to blame us when something happens to you

Me:I will be fine ma! I just wanted to say goodbye that's all

She nods then I walked away, as I was walking to the taxi rank three guys grabbed my bags and ran away

Me:HELP! They stole my bags!!

A car stopped next to me and the owner came out of it

Man:nana where are you going this late?

Wow he's hot

Me:I'm going to home at santon

Man:then let me give you a ride

Me:no I will fine

Man:come on those guys stole your bags and I'm pretty sure that you don't have any money on you, right?

Damn he's right! Argh I'm going with him, I mean what's the worst that could happen

Me:no funny business

Man:I wouldn't do that to ranaka's princess

He opened the door and I got in then few seconds he drove off

---

KAGISO MOEKETSI

I was woken up by someone shaking me roughly busy shouting my name so I slowly open my eyes and it was tsholo

Me:keng(what)

Tsholo:how can you let your wife go knowing that we get robbed here every evening huh? She could be hurt somewhere

Me:firstly don't talk to me like I'm your boyfriend, secondly remoratile is a grown ass woman who can take care of herself so stop shouting

Tsholo:I know that she is handful but you should have at least took her to the taxi rank safely

Me:tsholofelo i have a two year old baby girl that I should worry about not a twenty two year old women! Call her if you are so worried about her jeez

My little brothers walks

Tsholo:where did you get that?

It's one of remo's expensive bags

Me:tshireletso where did you get that bag?

Tshireletso:we found it on the streets and some girls told us that they saw sis'remo getting in a black car

Me:black car? Did they see the person?

Thatego:it was an old man wearing suit

There's only one person who likes wearing suits and he likes young girls

Me:try tracking remo's phone

The boss nods then I quickly wore my shoes

Tsholo:where are you going?

Me:to find the princess who might be in trouble right now

Tsholo:and it will be your fault

Me:I'm not her babysitter

I ran out

## Chapter 5

Remo was sleeping in the car but when she woke up she found herself on a bed wearing a lingerie and her hands were tied up so she looked around then she started screaming for help few minutes the man who gave her a lift walked in with a tray of food

Remo:where am I? You said that you wouldn't hurt me

Man:yes but I changed my mind when I saw your beautiful sexy body and besides no one cares about you cause you are rude and mean to everyone just because you have money

Remo swallowed then the man sat next to her and untied one hand so she can eat

Remo:please let me go hle! My father will give you money

Man:oh princess I have lots of money

Remo:where am I? HELP!

Man:you can shout all you want, no one will come and save you cause money talks

Remo started crying

Man:please eat so we can make love

Remo:you are old enough to be my father! And my husband is coming for me

Man:you mean that security guy? Mxm why did your family choose him to marry you because he can't even take care of himself

Remo:actually you are wrong because he can take care of his family and we never go to bed hungry! I'm not going to sleep with you so just kill me

Man:eat your food!! I'm going to check on my emails so I better find you done eating

Remo took a knife and stabbed the man on his arm three times then she quickly cut the rope with a knife while the man was screaming in pain

Remo:come near me, I'll stab you again

She wore her dress and dress then she was about to get out  
kagiso barged in

Man:you are messing with the wrong person moeketsi!!

Kagiso:no one touches my family zondo

He shot him on the forehead then remo screamed

Remo:why did you shoot him? Oh my god does my family know that you are a killer

Kagiso:listen here princess....that man has raped many young girls and he gets away with it because he kills them after he's done so trust me the world is better without him and no one will miss him

Remo looked at the man who was laying on the floor with his eyes opened then she vomited

Remo:you should've called the police!

Kagiso:did he hurt you?

She shook her head no

Remo:you can't go to jail kagiso

Kagiso:don't worry about me princess let's go

They walked out then kagiso"s friends went to clean up the room

Remo:thank you

Kagiso:do you still want to go home?

Remo:no let's go home

Kagiso looked at her for a while then they left

---

MORNING

Remo didn't sleep well cause she kept on seeing the man's face and asking herself what would have happened if kagiso didn't come to save her, she would've died and no one would never miss her because of her rudeness and thinking that the world revolves around her. She got up and made the bed then someone knocked it was kagiso

Kagiso:morning! I brought you coffee and warm water to bath

Remo:thanks

She took them and poured the warm water in a bathtub (the round one)

Kagiso:you didn't sleep well, right?

She sighs and sits on the bed

Remo:I keep seeing his face and I'm scared that the police might come to arrest you

Kagiso:they won't come cause they found him dead this morning in his house

Remo:why are you saying it like it doesn't matter that you killed a person

Kagiso:because it's not the first time remoatile, I have always wanted to kill him cause he almost did what he did to you to tsholofelo so I don't regret it

Remo:I can't believe I'm married to a killer

Kagiso:the killer saved you last night

He walks out leaving remo regretting saying what she said

## Chapter 6

KAGISO MOEKETSI

That girl is ruined and I don't think she will get better! I want a strong, fearless and independent woman not a princess who thinks that the world revolves around her so I decided to go and see her father because I'm tired of remoratile, they must take her back and make with the fact that they ruined her.

Me:dumelang(greetings)

I found their housekeeper sitting outside

Housekeeper:hello my boy

Me:is ntate ranaka around?

Housekeeper they are not back from their holiday

Yah neh rich people! I'm left with their spoiled brat

Me:eish do you know when they will be back?

Housekeeper:already tired of her? Please sit down

I sat down

Me:ma i don't think remoratile will ever change so I think she should come back home

Housekeeper:please don't give up on her my boy! She has never been loved by her parents because they only threw money at her whenever she wants to spend time with them or try to bond with them cause they were always busy

Me:but she keeps on telling people that she grew up in a warm home

Housekeeper:it was warm when her grandma was still alive cause she would force everyone to spend time with each other then after she passed away everything started to change

I sigh

Me:well her parents ruined her ma! They ruined her to a point of her thinking that money is everything and can buy happiness

Housekeeper:I know that's why I want you to keep on showing her that there's life without money and I know that you two will fall in love

Me:no that won't happen

She giggles

Housekeeper:it will happen just be patient with her hle!

Me:okay ma I will try

Housekeeper:that's all I'm asking for

I got up

Me:I have to go now

Housekeeper:can I give you some of her stuff?

I nod because remo has no clothes  
few minutes later she came back with remo's bag

Me:thank you ma bye

Housekeeper:bye

I took a taxi back home, when I got home I found lerato and remo screaming at each other and my daughter was on the floor crying then I picked her up

Me:hey!

They both looked at me

Lerato:tha....

I cut her off

Me:if you want to scream at each other please do it outside of the yard not in front of my daughter

Remo:she st....

I also cut her off

Me:I don't care who started it! Here is your clothes

I gave remo her bag then I went to the big house to make my daughter something to eat

---

## REMORATILE MOEKETSI

Ladies never date a man who has children with another woman because you won't have peace....argh what am I saying cause kagiso will never look at me like that, anyways after kagiso went inside the house his baby mama also left then I went to change cause this was starting to stink...I went inside the house and I found kagiso feeding warona

Me:uhm kagiso I'm sorry for earlier and thank you for saving me from that man

He looks at me for a while then he nods

Me:mama asked me to babysit warona cause she wanted to take a dress to her client then you baby mama started shouting when she saw me playing with warona

Kagiso:you were playing with her?

He sounds shocked and I would be too if I was him

Me:yes I love kids especially girls

Kagiso:okay thanks for babysitting

I nod

Me:can I ask you something?

Kagiso:she left me for a blesser

How did he know that I was going to ask him that?

Me:oh sorry! Let me start dinner

His eyes popped out

Kagiso:what's going on?

I sighed

Me:I've come to realize that I'm a handful and you risked your life to protect me so I want to change to be a better person....I also dreamed my grandma

Kagiso:are you sure that you are not jealous of lee cause she and I will never get back together

Me:I'm not jealous of her, maybe warona also changed my mind

I shrugs then I went to the kitchen and I noticed that there's no electricity so I went back to kagiso

Kagiso:is there something wrong?

Me:there is no electricity so can I buy it on my phone

Kagiso:okay you are freaking me out now

I giggled

Me:I had a chat with my grandma okay so it's time for me to change

Kagiso do you even know how to cook?

Me:I might be a spoiled brat but cooking is my everything

Kagiso:okay can't wait to taste your food then

Me:you will be licking your fingers sir

I went back to the kitchen and bought electricity then I started cooking

## Chapter 7

THREE DAYS LATER

LERATO SIDIBA

I shouldn't have listened to my mother and sister when they told me to leave kagiso and get a blesser because I still love him so much even if he doesn't have money cause I know that he can take care of his family but the stupid me got excited when I heard that blesser gives lots of money just to sleep with you, kagiso is a good guy and when he loves HE LOVES so I want him back and be a perfect family.

My name is lerato sidiba and I'm twenty three years old living with my mother and two sisters, we all have different fathers but my second sister's father treats me like his own daughter unlike my alcoholic father....anyways i need to get rid of that spoiled princess remoratile and take my man back cause we belong together with our daughter

Me:chomi i need your help

I was visiting my friend didintle

Didi:just leave kagiso alone and get more money from your blesser

I rolled my eyes

Me:you can sleep with different men for me but I can't and I don't want to get sick

Didi:bathong lee you broke kagiso's heart when you left him with a blesser so what makes you think that he's going to leave his wife for you?

Me:kgante which side are you? You are supposed to be helping me getting him back not lecture me hao!

Didi:I'm on your side but you know that me and kagiso are cousins...so I don't want to see him hurt again

Me:oho so I see that the spoiled princess got to you

She laughs

Didi:yep she did and I'm meeting her this afternoon

Me:why?

Didi:to do her hair bathong!

Me:okay find out something about her then

Didi:I don't have time for snooping in other people's stuff and I'm definitely not doing that to my cousin's wife

Me:didintle what's wrong with you huh? You used to help me when I needed you but now you are changing

Didi:it's called growing up nana! I have two kids that I have to take care of

Mxm i left, as I was walking home I saw tsholo with her friend so I went to them

Me:hey girls

Them:hello lee

Me:tsholo can we talk?

Her friend took her bag and she left

Tsholo:yes

Me:so how are things at home? I hope warona is not troubling you guys

Tsholo:everything is fine and wawa is a good girl and she gets along with sis'remo

Wow she never called me that

Me:oh okay, does your mother like the spoiled princess?

Tsholo:please move on because you are hurting yourself

She ran to her friend

mxm I will get kagiso back

---

REMORATILE MOEKETSI

I'm starting to love it here and I'm proud of myself for not posting everything that I do on social media like I used to! Everything is going great and mama(kagiso's mother)

is teaching me how to use the sewing machine because I've always wanted to try to design my own stuff but my mother was always too busy for me so I stopped asking her.

I saw my parents pictures of their holiday and I thought I was going to get hurt but surprisingly I didn't so I commented on their post then everyone started asking where am I mxm I ignored them because I know that they don't care about me, today is laundry day so I'm helping mama while wawa is on my back cause she's not feeling good

Mama:so what are you going to cook for us today?

They didn't trust me when I said that I know how to cook

Me:how about macaroni and cheese?

Mama:my baby as long as I'm full when I go to sleep, I don't mind new things

A range rover stops next to the gate then I couldn't believe my eyes

Me:what are they doing here?

Mama:do you know them?

Me:that's wendy and the guy I had a crush on zayn

She nods then they finally reached at us

Wendy:dumelang ma

She only knows that word

Mama:hello my children! Let me put this to sleep

She said that taking wawa and went inside the house

Me:what are you two doing here?

Zayn:so this is where you are living now huh?

Wendy:zayn be nice!

Me:are you two dating?

Wendy:euw no! He heard that I'm coming to visit you then he asked to come with

Me:well you should have called because I'm busy right now

Zayn:come on babes let me take you home with me because I can give you everything you want and need...you don't belong here

Me:maybe the remo would probably be so happy to leave with you but the new remo loves it here so please leave if you are here to insult us

Wendy:you are such a jerk! There's no wrong with this place and it's peaceful unlike Jo'burg

Zayn:you will find me in the car, babes you still have my number so if you change your mind just halla me okay

He went to the car

Wendy:I'm sorry for bringing him

Me:it's okay but I thought you are angry at me for running you over with my car

Wendy:it was just a broken leg and I could never get angry at you because you are my best friend

We chilled for a while, wendy even helped me with the laundry then she left after lunch

## Chapter 8

### KAGISO MOEKETSI

Everything is going well in the house and I think I'm falling in love with remoratile cause the new her is kind, caring, loving and I love how wawa bonds with her but I don't think she feels the same way about me because I'm not her type of a guy she would go for, anyways I was walking home then I saw lerato walking towards me

Me:whatever it isI don't want to hear it

She folds her arms standing on my way

Lee:so you are playing happy family with my daughter wena kagiso!?

Me:get a life lerato! Ankere you are the one who left me not the other way around so please move on because I have

Lee:come on kg I know that you don't love her and I'm the only one who can make you happy down there

She said that touching my manhood and I thought I was going to feel something but nothing happens

Me:I'm not getting back with you okay! You really broke my heart when you left me so how do I know that you won't do it again huh?

Lee:because I love you so much and we belong together baby! We can be a beautiful family too

Me:well that's not going to happen...bye lee

I walked home and I found remo busy on my laptop

Remo:I'm sorry for using it without asking first

Me:it's okay, what are you doing there?

I took off my shoes and sat next to her then I saw that she was looking at my proposal for a business that I want to start

Remo:this is great

Me:thanks but I feel like it's missing something

Remo:i don't know much about business but you should go to big businessman and show him this then you are going to get an inventor

Me:so I don't need to change anything?

She nods

Remo:uhm i think i should look for a job

Me:you working?

She giggles

Remo:I know, right! I've never saw myself working but now that I'm married, I should start helping around and I can't just sit here the whole day doing nothing

Wow she's really changing

Me:then ask your father a job in his company

Remo:nah I don't want to work for my family or maybe I should start my own business

Me:yeah that's a good idea

Remo:so can you help me?

Me:sure let's start now

We looked at each other then as we were about to kiss someone knocked on the door it was tsholo with wawa

Tsholo:sorry to disturb...wawa wants you daddy

She gave her to me and walked out closing the door

Remo:you missed daddy neh?

Wawa nods then I helped remo

## AT THE RANAKA RESIDENT

Mr ranaka and his wife had to cut their holiday short because they got a message from zayn efrain saying that kagiso is abusing remo and she asked him to call her parents for help but Mrs ranaka doesn't believe all of that cause remo posted a picture of

herself with kagiso and his family even wedding pictures but her husband doesn't believe all that

Mrs ranaka:honey can you please calm down before you have an heart attack hle!

Mr ranaka:I shouldn't have listened to you guys when you were busy telling me to let my daughter marry that boy! I'm going to kill him because I've never laid my hands on my daughter

Mrs ranaka:kgosi sit down and listen to me!

He did what he was told to do

Mr ranaka:talk quickly

Mrs ranaka:remoratile would've called us if kagiso was abusing her or she would have gone to the police station so that boy is lying to you

Mr ranaka:and what if he's telling the truth then we get a call from the police or someone saying that our daughter is dead huh?

Mrs ranaka:kagiso was raised by a single mother and I know very well that his mother wouldn't stand back watching our being abused by her son cause she has been through that

Mr ranaka:so what does the efrain boy want from us?

Mrs ranaka:maybe he has a crush on remo or something

Mr ranaka:okay can we at least go and check on her

Mrs ranaka:we can go tomorrow because it's late now

The housekeeper walks in the lounge followed by zayn efrain

Housekeeper:Mr efrain is here to see you

She walks away and zayn sat down

Mr ranaka:how can we help you young efrain?

Zayn:Mr and Mrs ranaka I'm sorry for coming to see you this late but I couldn't wait for tomorrow to show you this

He gave them his phone and they watched a video of kagiso burying someone

Mrs ranaka:where did you get this?

Zayn:from a friend

Mr ranaka:so we forced our daughter to marry a killer?

Zayn:I think you should fetch her before she gets killed too

Mr ranaka quickly got up and went to his room

Mrs ranaka:what do you want from my daughter?

Zayn:we were actually dating and I was stupid for letting her go just because she wasn't ready to make love

Mr ranaka came back holding his gun then he looked for his car keys

Mrs ranaka:calm down kgosi!! We don't know the full story here

Mr ranaka:if you want to stay it's fine but I'm fetching my daughter

He walked out then few seconds zayn followed him and Mrs ranaka called remo but it went straight to voicemail so she followed her husband with her car

Chapter 9

Mr ranaka arrived at kagiso's house very early in the morning while everyone was still sleeping then he knocked on kagiso's room and few minutes later remo opened the door rubbing her eyes

Remo:daddy? What are you doing here?

Mr ranaka:pack your stuff we are going home

Remo:daddy what's going on?

She saw zayn getting out of the car

Mr ranaka:where's that killer huh? I'm sorry for forcing you to marry him my princess

Remo folds her arms then kagiso stood behind her

Remo:I'm not going back home daddy and whatever zayn told you is a lie

Mr ranaka:he showed me a video of your husband burying someone so I'm here to take you home

Kagiso:ntate ranaka what video are you talking about?

Mr ranaka:wena dont you dare talk to me cause I will blow up your brain

Remo:bathong daddy! What did you show my father wena zayn?

Zayn:remo you don't have to be afraid of him okay! You will be safe with me

Kagiso:kgante what's going on here?

Kagiso's mother and siblings heard noises outside so they wore their sleepers and went outside

K'mom:hao ntate ranaka what are you doing here so early in the morning?

Mr ranaka:I'm here to take my daughter home because your son is a killer

Kagiso's mother gasps

Remo:did zayn tell you that he only wanted to sleep with me and forgets about me like I'm nothing like he does to other girls

Mr ranaka:I don't care about him! Let's go home remoratile

He dragged her then remo yanks her hand and stands next to her husband

Remo:I'm not going anywhere with you daddy! I'm definitely not going to be with you wena zayn!

Remo's mother finally arrived and she quickly got out of the car then remo's father took out his gun from behind and pointed at kagiso

Mr ranaka:why didn't you tell me that you are a killer huh? You are not the right man for my daughter

Remo:daddy put the gun down! What's wrong with you huh?

Mr ranaka:princess move out of my way

Mrs ranaka:kgosi put the gun down hle! Let the boy explain

Kagiso:can I see the video please

Mrs ranaka gave kagiso the phone then him and remo looked at the video, they both realized that the person that kagiso was burying is the man who almost raped remo

Remo:this person wanted to rape me so kagiso saved me from him daddy! Why didn't you call us instead of coming here and cause a scene

Mr ranaka:so you are not a killer?

Kagiso:no but I would do anything for my family....I mean anything

Mr ranaka lowered the gun down and he sighs then zayn took the gun and shot someone with his eyes closed

Everyone:REMORATILE!

Zayn opened his eyes and saw that he shot the wrong person so he ran away

Mrs ranaka:call an ambulance!

Kagsio's mother ran inside the house to fetch her phone

Kagiso:remo please don't die! Hang in there baby please

Mr ranaka puts his hands on his head blaming himself for this

Tsholo:she's losing lots of blood

Few minutes later the ambulance came and took remo

Mrs ranaka:you better pray she doesn't die kgosi or else I'm going to kill you

She walks to her car with kagiso's mother and drove off

Mr ranaka:oh god what have I done?

---

## AT THE HOSPITAL

kagiso was going up and down trying to be strong for remo but deep down he was scared of losing her without telling her how he feels about her! His mother and remo's mother finally arrived then they sat down on the beach waiting for the doctor

K'mom:my son please sit down hle

Kagiso:I can't lose her ma! I want to tell her that I'm in love with her and I promise to take care of her

K'mom:she won't die okay

remo is a strong woman and I'm pretty sure she also wants to tell you how she feels about you

The doctor came to them

Mrs ranaka:doctor how's my daughter?

Doctor:we managed to take the bullet out but I'm afraid she won't be able to have kids

That broke remo's mother heart cause she knows how remo have always dreamed of having kids of her own

Kagiso:is she going to be okay, right?

Doctor:of course sir

Kagiso:can I see her?

Doctor:yes follow me

They walked away

K'mom:she's going to be heart broken about this

R'mom:she is going to be a great mother and she's very good with kids too

K'mom:adoption is always an option and there's lots of who needs a family

R'mom:I guess so

They got up and went to remo's ward

## Chapter 10

### REMORATILE MOEKETSI

The small argh! I'm in hospital again...I slowly opened my eyes and I saw kagiso sleeping on my legs then I touched his cute face and he wakes up

Me:hey

He rubbed his eyes

Kagiso:hey how are you feeling?

Me:weird and I have a sharp pain on my abdomen

Kagiso:let me call the doctor

Me:wait! Who shot me?

He sighs

Kagiso:zack, zayn or whatever his name is....he ran away after he shot you but I promise you that I'm going to find him

Me:no leave him alone cause he has the video of you

Kagiso:I told you to stop worrying about me princess

I frown

Me:stop calling me that

He chuckles then the doctor walks in followed by a nurse

Doctor:I see my patient is awake! How are you feeling?

Me:I have a sharp pain on my abdomen

Doctor:uhm I'm afraid you won't be able to have kids Mrs moeketsi

No no no please tell me she's joking

Me:doctor are you sure? Maybe you got the wrong results

Doctor:I tested you three times to be sure and they all came the same

Why huh? Why me? I've always wanted to be a mother and feel how it like to be pregnant and feel your baby's kicks

Kagiso:everything will be fine okay

He wipes my tears

Doctor:nurse please give her some painkillers after she finishes eating

The nurse nods then they walked out

Me:you should take a second wife who will carry your children

Kagiso:I believe in miracles and praying also helps

Me:didn't you hear what the doctor said huh? I won't be able to have kids kagiso! God took away my dream

He hugs me tightly then my parents walked in and I looked at my father

Me:this is your fault! You took my dream away from me daddy! I hate you

Mommy:no no no you don't hate him my baby! He didn't mean to hurt you

She said that hugging me

Daddy:I'm so sorry my princess, I shouldn't have overreacted that way

Me:get out! LEAVE

He looks down and slowly walks out then I just broke down

---

KAGISO MOEKETSI

I feel so helpless and it's hurts me so much seeing my wife broke down like that! I swear I'm going to kill that white boy when I find him  
after remo calmed down I walked out of the ward and I saw her father sitting on the bench looking down so I sat next to him.

R'dad:I messed up, right?

Me:ntate ranaka you did what any father would do if they were in this situation but you shouldn't have brought that boy with you

R'dad:I should have listened to my wife when she told me to calm down now look what happened

Remo's siblings walked in

R'brother:where is she?

Me:ward twenty

They ran there without greeting their father so I guess they heard what happened

R'dad:please take care of my daughter and don't hurt her

I nod then i got up and left because I don't know what to say to him, I got home and I heard wawa crying then she stopped crying when she saw me

Mama:how's remo?

Me:she's heart broken ma! And I feel so helpless

Mama:just be there for her and everything will be fine okay

I nod then lerato walks in without knocking

Me:and then wena?

Lee:sorry for bargain in but there's a white guy in my house..he is shot on the leg but he doesn't want to go to the hospital because he is scared of going to jail for shooting remoratile

Me:who shot him?

Lee:he got mugged

Me:okay keep him there and tell him that his parents are coming to fetch him this afternoon

Lee:is remoratile dead? I'm sorry for your loss

She was about to hug me but I pushed her back

Me:my wife is not dead!

Lee:oh okay

She walks out

Mama:is she okay upstairs?

I chuckled

Me:I don't think so

Mama:let me put wawa to sleep and you take a bath then you'll find your food in the microwave

She took wawa from me

Me:thanks ma

I went to bath

## Chapter 11

LERATO SIDIBA

I think god send this white guy to me cause now I'm going to be able to get kagiso back and be a happy family ankere the boy wants remoratile so I'll help him get her back then we will all move on with our lives.

Me:so how rich are you again?

I said that giving him his fancy food that he made me go buy at his favorite restaurant

Zayn:I'm super rich! Why?

Me:then why do you want remoratile when you can have any girl you want?

Zayn:I actually don't want her but my father wants me to date so that he can get closer to her father, to be honest with you remo's family is actually richer than mine and they have connections with very important people

Me:I see, how about we help each other then?

Zayn:nah I don't need your help because I have everything under control

Me:care to share?

He chuckles

Zayn:it's better you don't know my plan

Me:no no no I saved you last night so you owe me hao! And you don't want to mess with my baby daddy because his very dangerous

Zayn:kagiso doesn't scare me dear

Me:okay if you say so

Me:but I thought you are not scared of kagiso mos!

Kagiso:lerato excuse us please

Yoh not even a hello nyana mxm I walked out and went to my mother

Me:mama where did you get that money?

Mama:your baby daddy just gave me

I rolled my eyes

Me:you are only saying that because he gave you money

Mama:true

She laughs then few minutes later I heard zayn calling my name so I went to him and I found him on the floor bleeding

Me:ai wena white guy....this is not a movie and you better think twice before you want to mess with kagiso

I helped him up

Zayn:do you know who I am huh? I can ruin your life

Me:tell me your plans or I'll call them to beat you up again

He sighs

Zayn:forget about that because I'm getting him arrested

Me:no you are not! What about my daughter huh?

Zayn:you mean the same daughter that you don't care about? Your baby daddy needs to be taught a lesson

Me:mxm get out of my room!

I dragged him out while he was busy screaming in pain

Zayn:come on lee my father will pay you! Please let me wait for him here

Me:no zayn! You want to get my boyfriend arrested so bye!

I closed my door and cleaned up

#### AT THE RANAKA RESIDENT

Mr ranaka was sitting on his favorite chair drinking whiskey then his wife and children walked in and looked at him as he was so drunk, his wife took the whiskey bottle and threw it away then she made him a strong coffee

Mrs ranaka:alcohol won't fix anything kgosi! I know that you are hurting and you blame yourself for what happened to remo but alcohol is not the answer hle

Mr ranaka:she hates me! I took her dream of being a mother away from her

R'brother1:she doesn't hate you papa, she's just heartbroken

Refilwe:you know that you and remo have this bond that sometimes I'm jealous of so she can't hate you daddy just give her time

Mr efrain walks in like he owns this house and everyone looked at him confused

Mr ranaka:are you lost?

Mr efrain:I'm here to let you know that by tomorrow morning your son inlaw will be arrested for assault and for killing that man in the video

R'brother2:what do you want?

Mr efrain:ahh fast learner over here! I want our children to get married

Everyone gasps

Mr ranaka:my daughter is already married

Mr efrain:you have three days to get them married or else you are also going to jail for shooting your daughter

He walks out leaving the family shocked

Mrs ranaka:how did we get here?

Refilwe:I don't think remo will agree to marry zayn, she has fallen in love with kagiso

R'brother3:"then what are we going to do?

Mr ranaka:let him do whatever he wants

Mrs ranaka:what? What about our reputation and I've worked so hard to be where I am today

Mr ranaka:so our daughter is not important now? I'm not going to force her to marry that boy

Mrs ranaka:then you want to go to jail tomorrow and kagiso is coming with you if you don't do what he wants

Mr ranaka:can you just trust me for once! Efrain will be focusing on something tomorrow

He got up and went upstairs

Refilwe:what is he talking about now?

Everyone shrugs

Mrs ranaka:I just hope my reputation won't be ruined

Refilwe:since when you care about what people say?

Mrs ranaka:since I found out that my so called friends are gossiping about me behind my back cause my daughter married a poor boy

She went to the kitchen

## Chapter 12

Zayn:everyone has secrets my love

Looks like he haven't been on social media

Me:i suggest you go to twitter or Instagram because your family is trending

Zayn:what are you talking about?

Me:are you sure that your mother isn't your aunt?

Zayn:are you saying that my father had an affair with my aunt and she gave her sister me?

I shrugs

Me:or maybe your "mother" threaten your biological mother to give you up

Zayn:are you high? My love nothing will stop us from getting married

I gave him my phone then few seconds he threw my phone on the wall

Me:hey what the fuck? My phone did nothing to you hao!

Zayn:this can't be happening! We were supposed to be getting married

Me:i'm already married to a wonderful man and even if i wasn't married to kagiso, I wouldn't have agreed to marry you

Mommy:I thought he's a good guy

Me:well clearly he's not! Can I call kagiso with your phone?

Mommy:why?

Okay what's wrong with her now?

Me:mommy are you okay?

She sighs

Mommy:I shouldn't have forced you to marry a poor boy and it's not your fault that you were born in a rich family so you can divorce kagiso if you want to

Me:i'm not going to divorce him because i want to give our marriage a chance

She gasps

Mommy:are you sure? Remo you love fancy stuff and going to trips so i think kagiso can't afford those things

Me:well i used to think that those things makes you happy but they don't, kagiso's family showed me real love and as long as they have each other nothing matters

Mommy:okay I hear you bu....

I cut her off

Me:mommy you are the one who wanted to learn that there's life without money and I need to treat people better ankere that's why i married kagiso so what's this now?

Mommy:don't you dare raise your voice at me wena remoratile!

I folded my arms

Me:i don't know what's going on with you but i don't like what you are trying to do right now

Mommy:there's nothing wrong with a mother wanting the best of their children okay! I just want you to be happy

Me:i am happy mommy

Mommy:do you really want to be with kagiso knowing that he might be killing people?

My dad walks in

Me:daddy what's wrong with your wife?

Daddy:her so called friends are gossiping about her because her daughter married a poor boy

Me:so now you care about what people says?

Mommy:no but i don't think kagiso is the right person for you

Me:this is serious bras

TT:i need your help kg! My aunt deserves to be a mother

Me:but she's already a mother mos

He sighs

TT:yes she is but remoratile could be her biological daughter

Me:i was with the boys

Remo:we should do a get together nyana you know....just to get to know your friends and their girlfriends

Me:t-bose is still single but it's a great idea

I cleared up my throat

Remo:ask

Me:how was your relationship with your mom growing up?

Remo:i was more closer to my grandma than her because she was always busy

Me:and you have never wondered why you don't look like anyone in your familyI mean you are lighter than them

Remo:i was told that i look like my great grandma

I nod

Me:so you and your mother never had a mother & daughter relationship?

She sighs

Remo:after my grandma passed away i thought that we were going to have a mother & daughter relationship like she has with my sister but she just threw money at me whenever i wanted her attention

Interesting!

Me:that must've hurt you neh?

Remo:yeah it did, anyways why are you asking?

Me:just making a conversation

Remo:you know sometimes i feel like she's not my mother especially now that she wants me to divorce you but i refused

Me:how would you feel if you find out that she's not your biological mother?

She shrugs

Remo:maybe part of me will be happy cause she can be so controlling sometimes

Me:okay

I need to dig in and ask my mother cause she was a nurse before she got sick maybe she knows something

Chapter 14

AT THE RANAKA RESIDENT

Mrs ranaka got a call from someone that she didn't expect a call from because they agreed not to call each other ever again since they did something bad but the person keeps on calling her and she keeps on ignoring the call and messages if anyone finds out about what they did it's game over for the both of them and Mrs ranaka might lose everything.

Refilwe:mama what's going on with you?

Mrs ranaka:what are you talking about?

Refilwe:you are acting weird and you are busy fighting with remo! Is there something that you want to tell me cause you know i won't tell anyone

She sighs

Mrs ranaka:i did something very stupid few years ago and i think the secret is about to get out

Refilwe:talk to me mama! I won't tell anyone and maybe i can help you

Mrs ranaka:just know that i love you and your brothers so much....i did it to save my marriage and for you not to suffer

Refilwe got confused then she got up and went to take her mother's favorite wine and two glasses

Refilwe:is it huge?

Mrs ranaka:your father is going to hate me and i might go to jail

Refilwe:oh my goodness! Mama did you kill someone?

Mrs ranaka:fifi can we talk about something else please

Refilwe:come on pl....

She was cut off by her mother's phone ringing

Mrs ranaka:excuse me

Caller:it's about time

Mrs ranaka:what do you want huh? I thought we agreed to cut ties between us

Caller:secrets can't be hidden forever mapula! Someone is sniffing and i'm not going down alone

Mrs ranaka:and what if the person is listening to us right now huh? You probably told someone while you were busy drowning yourself with alcohol just because your husband cheated on you

Caller:well my husband is the father of the kid

Mrs ranaka gasps then she sat down on the bench and breathed in and out

Mrs ranaka:are you crazy? With all the man in south Africa you chose him?

Caller:trust me when i say that i genuinely tried to play hard to get and i told him that i'm in a relationship but he kept on pushing

Mrs ranaka:i didn't want to do that in the first place but you forced me! Nxa i shouldn't have listened to you

Caller:we are going to jail pule so be prepared

Mrs ranaka:if my family finds out that remoratile is not my daughter and my real daughter is dead....I'm finished

Refilwe:what!?

Mrs ranaka turned around and refilwe was standing behind her holding her waist so she hang up

Mrs ranaka:fifi i can explain

Refilwe:now it makes sense why you were never close with remo and every time she wanted to spend time with you or us, you would just blow her off

Mrs ranaka:i felt guilty for taking her away from her biological mother okay! I just wanted to save my marriage

Refilwe:I'm going to tell papa about this

Mrs ranaka panicked then she saw a empty flower pot and she quickly picked it up then threw it on refilwe's head and she fell down

Mrs ranaka:I'm so sorry my princess but I won't let you destroy my life

She pulls refilwe by her legs to the garage and she puts her in the boat

Mrs ranaka:kgosi will divorce me and take everything that I've helped him build then I will go to jail! that's not going to happen nana

The housekeeper saw the blood on the floor and followed it to the garage then she quickly called Mr ranaka

## Chapter 15

### REMORATILE MOEKETSI

I got a call from wendy telling me that she's coming to fetch me and tsholo for girls shopping so we got ready then few minutes later she arrived and we left, we had so much fun and tsholo can't stop thanking wendy for buying her clothes and a new phone! Wendy is a great friend and I almost ruined our friendship but I'm glad god gave us a second chance. So I decided to go visit my sister and spend time with her a little bit

Me:hello is anyone home?

The door was open and it looks like there's no one here so I called her but it went straight to voicemail

"Remo what are you doing here?"

I turned around and I saw my sister's husband looking horrible

Me:biggie what happened to you?

Biggie:you haven't heard?

Me:heard what?

He sighs

Biggie:your mother tried to kill your sister and bury her

I gasps

Me:what!?! No there's must be a mistake

Biggie:that's what I said when I was told but then when I got to the crime scene

she was begging for forgiveness

Me:why would she do that? Is my sister okay?

Biggie:let me change then we can go to the hospital together

I nod then he went upstairs and my phone rang it was my husband

Me:love

Kagiso:babe are you okay? I just saw a video of your mother getting arrested

Me:I'm fine! I'm on the way to the hospital with my sister's husband

## Chapter 15

### REMORATILE MOEKETSI

I got a call from wendy telling me that she's coming to fetch me and tsholo for girls shopping so we got ready then few minutes later she arrived and we left, we had so much fun and tsholo can't stop thanking wendy for buying her clothes and a new phone! Wendy is a great friend and I almost ruined our friendship but I'm glad god gave us a second chance. So I decided to go visit my sister and spend time with her a little bit

Me:hello is anyone home?

The door was open and it looks like there's no one here so I called her but it went straight to voicemail

"Remo what are you doing here?"

I turned around and I saw my sister's husband looking horrible

Me:biggie what happened to you?

Biggie:you haven't heard?

Me:heard what?

He sighs

Biggie:your mother tried to kill your sister and bury her

I gasps

Me:what!?! No there's must be a mistake

Biggie:that's what I said when I was told but then when I got to the crime scene she was begging for forgiveness

Me:why would she do that? Is my sister okay?

Biggie:let me change then we can go to the hospital together

I nod then he went upstairs and my phone rang it was my husband

Me:love

Kagiso:babe are you okay? I just saw a video of your mother getting arrested

Me:I'm fine! I'm on the way to the hospital with my sister's husband

Kagiso:okay let me know when you need anything

## Chapter 16

KAGISO MOEKETSI

I'm now CEO of moeketsi security company and I also bought my mother a restaurant cause cooking is her passion! Things haven't been good since remo found out that the ranakas are not her real family, she is still angry at me for keeping it from her and she doesn't want to give her real family a chance so she moved back to the ranaka house. I genuinely love her but I have time to nurse her feelings and it's not my fault that Mrs ranaka stole her! Yes I miss her especially her smile and laugh

Me:mama that's so urgent that it couldn't wait for tonight?

I said that walking in the house after I got a call from my mother saying I should come home immediately, i looked at her and she looks at my so called father

Mama:your father wants to tell you something

He arrived two months ago from whatever hole he was

Me:I'm not interested in whatever he wants to say

Mama:kagiso please! Just hear him out

Me:why now huh? I bet someone told you that I have a company and you are hear for money, right?

Dad:you have every right to hate me son

I shouldn't have left you and your mother alone but I was ashamed for what I did and I thought the triplets were not my kids so I ran away

Me:you left my mother sick! You gave her your dirty shit and left her pregnant then I had to step up and take care of her

Dad:I'm so sorry son! I'm here to fix everything and I'll forever ask for your forgiveness

Me:I've already forgiven you but that doesn't mean that we are going to have a father & son relationship

I got up

Mama:there's more

Me:more what?

Dad:I have cancer and I only have three months left so I want to go to the hospital to check if you don't have it cause it runs in my family

Me:you are joking, right?

Dad:unfortunately I'm not my son! Everyone male in my family had cancer and died

Even my grandfather died from it

Me:i will go tomorrow

They both nod then I went back to work and I found lerato in my office with wawa crying

Lerato:what did your wife do to my daughter huh? She cries whenever I touch her

I took wawa from her and she stopped crying

Me:you are sleeping with different people and you expect my daughter to just accept it? And you don't have time for her so I don't know why you took her at the first place

Lerato:shoot me for trying to bond with my daughter

She took her back and walked out then I called tsholo to come and fetch wawa

---

AT THE RANAKA HOUSE

Things haven't been great since Mrs. Ranaka got arrested and sentenced to jail for twelve years for attempted murder and kidnapping so the family was trending for a while! Mr. Ranaka wants Remo to get to know her real family especially her real mother because she keeps on coming here to try to talk with her but as you know that Remo is very stubborn, Refilwe is fine and she is expecting her first child.

Mr. Ranaka: Remo, it's time for you to stop pushing your husband away and you need to give your mother a chance because she's also the victim.

Remo: My mother is in jail and you are my father! As for my husband, well, I'm divorcing him.

Mr. Ranaka: You are divorcing him for trying to protect you? Nowadays lots of girls are complaining about not finding a good guy and you want to throw him away.

She sighs.

Remo: Daddy, can we talk about something else?

Mr. Ranaka: No, Remo, it's time! I'm sick and tired of this behavior. Your family wants to know you and introduce you to your real ancestors or else you are going to be in trouble.

Remo: Why wasn't I in trouble all these years, huh? Couldn't they see that I'm their child, not the one they buried, huh?

I sigh.

Me: It's time for you to leave.

Her eyes popped out.

Remo: You are kicking me out?

Me: Yes, Remo, it's time! I have to focus on my daughter and make sure that she's safe, so please pack your clothes and I'll call your husband to fetch you.

Remo: What happened to me? I'll always be your father, huh? Why are you doing this to me?

Me:because you have to see that we are not your family and you need to grow up now okay! Your family wants you so go home

I hope she does go home or else I'll force her to go

Remo:fine I'll go and you will never see me again

She got up and went upstairs then I sigh

## Chapter 17

After remoratile packed her stuff

she walked out of the ranaka house not knowing where she is going cause wendy is not answering her phone and she doesn't want to call kagiso because she's still angry at him so a car stopped in front of her then her biological mother came out of it

Remo:can you stop doing this! You are not my mother okay

R'mom:I don't understand why you are in denial cause you look exactly like me

Remo:just leave me alone hle!

R'mom:you are my daughter whether you like it or not! Now get in the car and let's go home

Remo looks at her and she swallowed cause her serious face is a bit scary so she puts her bags in the boat and got in the car

R'mom:what are you doing for a living?

R'mom:I'm a doctor and a businesswoman

Remo:and my father?

Her mother chuckles

R'mom:I have no idea and I don't give a damn about him

Remo:and what if I want a relationship with him?

R'mom:I won't stop you from seeing your father okay I just don't want to see him yet

Remo nods then the drive became silent and few minutes later they arrived in a big mansion

R'mom:welcome home baby girl

They got out of the car and remo couldn't stop admiring the house

Remo:you live here alone?

R'mom:no I will live with my husband and tour siblings

They walked in the house and sat down on the couch

Remo:i don't want to impose

R'mom:we have been waiting for you to come home and your siblings are happy to have a big sister

Remo:i don't know if I'm going to be a good sister

R'mom:just take it one day at the time okay

She nods

Remo:so what's your name?

R'mom:lehlogonolo Williams

Remo:uhm I'm sorry for not giving you a chance and being rude to you

Her mother holds her hands

R'mom:you were still confused and hurt so i understand

They got to know each other

---

AT THE HOSPITAL

The doctor did some tests on Kagiso and they came back with bad news! The doctor almost cried when she told Kagiso that he has cancer and it might be too late to save him or the treatment might not help him cause it has spread, Kagiso told them to start the treatment today hoping that it will save his life because he wants to be there when his daughter starts school and when she gets married.

Doctor: don't you want to call your family before you start with the treatment?

Kagiso: this was supposed to be a great year for me because I just opened my own company and finally everything was going great but now I have cancer

The doctor sighs

Doctor: I wished your father could've told you this sooner maybe we could have stopped it

Kagiso sighs then he sends a message to her mother and Remoratile

Kagiso: doc tell me how bad it is

Doctor: it's on your arms and legs so I suggest you freeze your eggs in case you want children

Kagiso: okay we can do that

Few minutes later his mother came with his two brothers followed by his father

K'mom: doctor can you please test these two please

Doctor: okay follow me boys

They followed the doctor

K'mom: did you tell Remoratile?

Kagiso: I sent her a message

K'dad: I'm so sorry my son

K'mom: well your sorry won't help my son and why didn't you tell me this from the beginning?

K'dad:I found out when he was born

K'mom:mxm!

Kagiso:I'm going to die mama

K'mom:no no you are not going to die okay! The doctors will help you and you will get better

K'dad:I will even ask god to take me first and let you live if i have to

Kagiso:don't you think that it's too late to be a father?

He gets up and walked away

K'mom:you should have told me this from the beginning of our relationship and don't you say that you found out when kagiso was born because I don't believe that

K'dad:I was afraid that you wouldn't give me a chance like any other womens that I told before

K'mom:mxm!

She got up and she left

## Chapter 18

### REMORATILE MOEKETSI

It's has been three days since I moved in with my mom and her family so far everything is great and my siblings are happy to have a big sister especially the girls cause they love dressing up and putting makeup on! My stepfather is also amazing too today I'm meeting up with my biological father and I'm super nervous because I have been doing research on him and I didn't like some of the things that he involved with but I'm going to give him the benefit of the doubt.

Me:"lisa where's my lipstick?" She giggles then gives me the lipstick "don't apply this when you are going to school okay"

Lisa:"mama would kill me yoh! Anyways where are you going sis?"

Me:"I'm going to meet my father" she nods then her twin sister walks busy with my phone

Khanyisa:"sis your husband is sick"

Me:"what are you talking about?" She showed me a message from kagiso that I received three days ago "oh my goodness! No no no I can't lose him"

Lisa:"then stop being stubborn and go to him" I took my bag and phone then I rushed out

Mama:"whoa whoa! What's the rush?"

Me:"kagiso is sick ma! He has cancer" she sighs "you knew?"

Mama:"tshireletso told me so I suggested you tell your father to reschedule your meeting because your husband needs you"

Me:"I can't reschedule because he told me that he's going to Dubai or something" she rolled her eyes

Mama:"tshegofatso go to your husband and leave your father to me" that's my birth name so I'm going to change remoratile after the ceremony

Me:"thank you mom" I kissed her cheek and I ran out...two hours later I arrived at the house and I found tsholo playing with wawa "hey girls" wawa ran to me and I picked her up

Tsholo:"he's not here"

Me:"where is he at?" She sighs

Tsholo:"we have been telling him to stop working but you know how stubborn he gets" eish kagiso

Me:"okay let me go to his office then but why aren't you in school today?"

Tsholo:"I don't have any classes" oh she is in university now "let me take wawa"

Me:"okay and we are catching up tonight" she nods then took wawa and I left, I finally got to kagiso's company "hello is my husband in his office?" She bursted out of laughter

Receptionist:"your husband? Sesi are you lost?"

Me:"the name is remoratile moeketsi" she swallowed "is my husband in his office?"

She nods then I walked to the office and I found kagiso sleeping on the couch "babes wake up" he slowly opens his eyes

Kagiso:"remo?"

Me:"you are supposed to be resting cause cancer treatment can be exhausting"

Kagiso:"how do you know about cancer?" I sigh

Me:"my grandma died from the cancer...I me..." He cuts me off

Kagiso:"I know what you mean....are you done being angry at me?" J looked down

Me:"I'm so sorry for behaving like a child and I realized that I need to grow up! Please forgive me and I'll do anything you want me to do" he made me look at him

Kagiso:"I want to make love with you tonight and the whole night" I swallow

Me:"d-do you have the energy for the whole night?" He chuckles

Kagiso:"just be ready for me tonight okay" I nod "so how have you been?"

Me:"Mr ranaka kicked me out of his house but now I'm staying with my biological mother and her husband"

Kagiso:"so have you met your father yet?" I shook my head no then the door opens and my father walks in

Father:"kagi....tshegofatso what are you doing here?"

Me:"I'm here to see my husband" his eyes popped out and kagiso swallows "do you guys know each other?"

Father:"you married my daughter? No no no you guys are getting a divorce"

Me&kagiso:"what!?"

## Chapter 19

Kagiso and remo were still shocked about what remo's father said then he called remo's mother and kagiso's parents so in two hours everyone arrives at the restaurant wondering what's going on! Remo's mother and kagiso's mother were shocked to see each other then they almost fainted when they saw remo's father twin brothers

Remo:whoa whoa whoa! What's going on here?

K'dad:don't tell me that she's your wife that you were talking about

He said that looking at kagiso

R'mom:no no no please don't tell me that th...

She was about to fall down but her husband caught her then helped her sit down and gave her water

K'mom:can someone please explain what's going on here? And why is there three of you?

R'dad:tshego(remo) and kagiso we have to do DNA test to see which one is your father and if you are both from the same father then you have to divorce

K'dad:okay hold on! Kagiso is definitely my son cause he can't have kids and this is the first time I meet your ex wife so relax they are not siblings

R'mom:oh thank goodness!

R'dad:you don't understand okay, remember when you had to go to cape town for some business adventure?

K'dad:yes

R'dad:well I was lonely that night so I pretended to be you and went to your house then we had sex

Kagiso's gasps

K'dad:you are joking, right?

Their brother:you didn't sleep with my wife too, right?

R'dad:you guys had the perfect life and you never had time for us to hang out anymore so I got angry and jealous so I slept with both of your wives

Kagiso:you want to tell me that we are siblings?

He said that getting up

R'mom:they can't be siblings! Why would you do that huh? What's wrong with you?

K'mom:have you guys...you know

Kagiso and remo nodded then the mothers gasps

K'dad:this is a disaster and you wonder why we didn't want you near our wives!

Their brother:so I didn't have a miracle babies...they are yours!?

Remo's stepfather:okay let's all sit down and introduce ourselves then find a solution

R'dad:my name is batsile moeketsi

Their brother:my name is bame moeketsi

R'mom:so you are triplets?

Bame:quadruplets

Remo:I'm still confused here

K'dad:you might be sharing a father and all thanks to my brother who likes other men's wives

R'dad:I'm sorry okay! We need to do DNA tests tomorrow

Kagiso:even if we are siblings I'm not going to divorce remo because I love her

Remo:yeah he's the only man for me

R'dad:are you crazy huh? Do you know how dangerous are the underground?

K'mom:don't shout at them because this is your fault!

Remo's stepfather:let's do DNA test tomorrow morning and I'll ask to be ready in three days so don't wait long

Everyone then bame and k'dad got up then left

Kagiso:baby let's go

They got up and left

R'mom:if the results comes out that you are their father I'm going to kill you

She and her husband leaves too

R'dad:i hope one of them is my child

K'mom:I should get you arrested for this! You basically raped me nxa!

She also leaves

Remo:last night was amazing

They both smiled

Kagiso:we can do it again tonight if you want to

He winks

Remo:i will think about it! Mara babes we have to talk about this situation

Kagiso:this is so messed up! I mean even if we don't share the same father that still makes us related

Remo:I know, right! There must be a mistake somewhere because I don't think I can love another guy

Kagiso:what if I'm not kanako's son cause I look nothing like him or his brothers

Remo:how would you feel if that is true?

He shrugs

Kagiso:we have never had a father and son relationship so maybe part of me will be happy

Remo:okay okay enough about this! Let's have fun

they went to play with wawa

THREE DAYS LATER....

## Chapter 20

### KAGISO MOEKETSI

So it turns out that I'm not kanako's son and as i said that part of me will be happy if it was true well it is happy but now I have to look for my father because I feel like my life is not going straight and guess what? Hehe remo wanted to sue the hospital for

making me believe that I have cancer and I took the treatment too but I told her that I want to forget about it and focus on us. My mother has been avoiding me since we got the results kanako has been going in and out of her room leaving her crying everyday so i stopped him from coming here this morning but I seriously need to talk to my mother about my biological father

Me:ma please open the door

I heard footsteps from the other side then she opened the door and I walked in

Mama:your father is a doctor....well I think he has retired now so you can go to him today, he is expecting you

Me:what happened between you two?

She sighs

Mama:your fa...i mean kanako was traveling a lot so i became lonely so doctor motsamai was always there for me and he made me feel like im the only woman on earth but I didn't know that he was married until his wife beat me up after work in the parking lot

Me:so does he know about me?

Mama:yes and he wanted to be there for you but his wife threatened him with something that could have ruined his life so we decided to stay away from each other

Me:and won't she try to kill me?

Mama:she's dead

Me:okay uhm don't let kanako get to you mama it's his fault that he wasn't there for you

Mama:he wants to take the triplets away from me

Me:I won't let that happen and I don't think they will go with him because he wasn't there for them till this day

Mama:do you want me to go with you to your father?

Me:if you are not busy

Mama:okay let me get ready then

I nod then walked out and I found the triplets eating breakfast

Me:I take it your father talked to you guys  
right?

Tsholo:I'm not going anywhere with him

I looked at the boys

Thuso:I take you as my father because you did everything for us and you were always  
there for us

Thatego:yeah he can go back to wherever hole he comes from

We grouped hugged then few minutes later mom finally finished getting ready

Mama:I'm taking your brother to meet his father so you guys choose any holiday you  
want to go to

Tsholo:Durban mama!

We left them arguing and drove to my father's house

Mama:i hope his children accepts you

Me:i just want to get to know him that's all

We walked to the door and my mom knocked then few seconds a man who i look like  
opened the door and drops a glass when he saw me

Father:kagiso? Gontse he looks exactly like me!

He has tears in his eyes then he hugs me tightly

Mama:I'm sorry for bringing him now

Father:it's okay! Come in

We walked in the house and it was so beautiful

Mama:you live alone in this big house?

Father:yep I love my space! I've always wanted to be in your life my son but I can see that your mother did a great job because you are successful right now and married to a beautiful woman

Me:how do you know all of that?

"Because he stopped me from killing you when I was angry that you took my expensive car"

I looked at the person and I swallowed

Mama:kagiso what is he talking about?

Father:it doesn't matter now okay! Katlego meet your brother kagiso

Katlego:he's not my brother, ma your son is not innocent as you think...he was stealing people's cars that's how he got the money to start his business

Mama:kagiso is this true?

Father:katlego what's wrong with you huh? You got your car back mos! So what more do you want?

Katlego:for him to go to jail and I will take his gorgeous wife

I got up and left before I lost my temper

## Chapter 21

### REMORATILE MOEKETSI

Kagiso doesn't want to sue the hospital but I'm going to sue them for this! I mean I could've lost my husband and what they did was irresponsible yoh! So my stepfather is helping us get justice

oh thank goodness we are not sharing a father but I'm kinda sad that kagiso isn't kanako's son because it takes me back to when I found out that the ranaka were not my family. I have been looking for a place to start my own boutique and maybe be a

fashion designer because I love fashion so much, I'm in a restaurant having lunch after I found a perfect place for my business...refilwe walked in with her friends then she came to me when she saw me

Refilwe:hey remo

Me:hey refilwe

She sat down

Refilwe:I'm sorry for how daddy treated you and I miss you nana

I sigh

Me:I miss you too but I think we should keep our distance cause I can't forget about what your father did

Refilwe:I totally understand ey! I hope one day you will forgive him

Me:yeah so how's your baby boy?

Refilwe:he's great but a daddy's boy....so how far long are you?

I frown

Me:what are you talking about?

Refilwe:you are pregnant remo

Me:no I'm not! You know I can't have kids mos

Refilwe:then you are having a miracle baby and I would have been the best aunt

Me:uhm i have to go

I said that getting up and I paid the bill then I left....few minutes i arrived at the hospital

Me:hello is doctor McKenzie free now?

That's Wendy's sister

The receptionist clicked on the computer then she looks at me

Receptionist:yes you can go in

I went to her office and I found her eating

Me:hey doctor sorry for disturbing you but I really need to do this

Doctor:calm down and breathe

I did what I was told to do then I sat down

Me:so I was told that I can't have kids after I got shot then today refile told me that I'm pregnant

Doctor:do you have any symptoms?

Me:well I'm gaining weight and I eat a lot too

Doctor:any morning sickness?

Me:it only happened once

She nods then she gave me a small container and I already know what to do so few seconds I came back and gave her the container back

Doctor:so how's life?

Me:it's great and I found my biological parent

Doctor:wow that's amazing! I'm happy for you

Me:thank you

Few minutes later....

Doctor:congratulations little sister

My eyes popped out

Me:what do you mean?

Doctor:you are indeed pregnant...please sit on the bed so I can do ultrasound

I sat on the bed and she applied that jelly thing on my tummy

Me:but how doctor?

Doctor:I'll run some tests to see what's going on but for now please eat healthy food okay

Me:should I tell my husband?

She nods

Doctor:ah there's your baby

Tears came out

Me:he's not fully developed but I can feel the connection

Doctor:welcome to motherhood little sister...let me take your blood and do those tests

Me:can I have the princess or whatever you call it

She chuckles

Doctor:of course! Don't you think that your real ancestors are the ones who are blessing you with a baby?

Remo:my name is actually tshegofatso meaning blessing

Doctor:see! I'm a doctor but I also believe in ancestors too

She wipe my tummy then took my blood and gave me a scan...went home

## Chapter 22

Remo:excuse me who are you? And where is my husband?

The guy turned around and smiled

Guy:my name is katlego motsamai your husband's brother

Remo:okay nice to meet you now where is my husband?

Katlego:in a meeting but you can keep me company while we wait for him

Remo:do I know you from somewhere?

Katlego:I'm a model

Remo looked at him for a while then it clicked

Remo:you mean kagiso is the son of kagiso motsamai the doctor and businessman?

Katlego:baby girl you don't look like a woman who would fall in love with someone like my brother so how did it happen?

Remo:what's wrong with my husband?

Chapter 23

ITHREE WEEKS LATER

KAGISO MOEKETSI

This Saturday is my welcome ceremony and I'm so excited to be kagiso motsamai then I will focus on my family cause the doctor said that tshego(remo) should take it easy because it's high risk pregnancy and she must eat healthy food too so my company is doing so great now....oh katlego had no proof of me stealing cars and my other half siblings talked to him about his jealousy. Tshego was introduced to her family last Saturday and everything went good but I have to pay lobola again after my ceremony so we can get the blessings from both ancestors

Me:are you ready to go?

We are going to look for a house because it's to move out of my mothers house now

Tshego(remo):yep! Uhm baby I'm ready to adopt wawa

Me:really?

She nods

Tshego:or lerato should give me her rights

Me:nah she won't agree and apparently she's out of the country

Tshego:oh okay! Then I'll start with adoption after your ceremony

Me:perfect

I took my car keys and we left  
after seeing four houses that we didn't like...we decided to have lunch at mama's  
restaurant

Tshego:I'm so proud of your mom ey

Me:me too! The restaurant is doing great and it's always packed

I saw my mom and father talking then they kissed

Tshego:oh my goodness! They are dating?

I shrugs....mom came to us

Mama:hello my babies

Me:are you and father seeing each other?

Mama:yes

Me:and what does his children say about this?

She sighs

Mama:I'm not going to replace their mother and their father is lonely so he wants company so am I

Me:okay as long as you are happy then I'm also happy

She kissed my forehead

Mama:how's my grandson treating you?

Tshego:good but his father is overprotective

Mama:that's kagiso...always protecting his family

She kissed my forehead again

Me:ma can stop doing that in front of my wife

She laughed

Mama:fine let me get your food

She walked away

Tshego:oh did I tell you that my parents invited us for dinner tonight?

Me:don't tell my mom neh but I love your mother's food

She giggles

Tshego:same here an....

She stops talking when she saw that white boy zayn and he came to our table

Zayn:well well well what do we have here?

Me:please leave us alone

Zayn:you thought that you can get rid of me neh! Well guess what I'm back

Me:what do you want?

Zayn:for you to pay for what you did to me

He took out a gun and shot the roof then everyone screamed walking out

Tshego:what do you want zayn? I'm no longer a ranaka

Zayn:I know that sweetie and I still want you so I'm getting rid of this peace of shit

BANG BANG!!!

Tshego:nnnoooo! Kagiso!!!

## Chapter 24

TSHEGOFATSO (remo)

I was woken up by someone shaking me and I quickly sat up straight it was kagiso, wow that is a horrible dream

Kagiso:breathe baby breathe

I breathe in and out

Me:I had a terrible dream love! Are we ever going to have peace in our life?

He sits next to me and I put my head on his chest

Kagiso:once I get introduced in my family everything will be fine okay

Me:what about zayn? What if he comes after us

Kagiso:zayn is arrested babe and I don't think he will come after us because he knows what type of a person I am

I looked at him

Me:did you also deal with your brother because he's no longer bothering us

Kagiso:my father and his siblings dealt with him

Me:everyone is obsessed with me and I don't like it! I'm pregnant and I should be enjoying my pregnancy but I can't help it

Kagiso:babe please stop worrying okay, nothing or no one will hurt us

Me:you don't know that kagiso! That dream felt so real and he just shot you on the forehead twice

He sighs

Kagiso:okay how about I go check if zayn is still in jail?

Me:no no don't do that  
I don't want to lose you hle

Kagiso:babe the doctor said that you shouldn't be stressed because it's high risk pregnancy so calm down

I got off the bed

Me:I'm worried about our lives but you are busy talking about the baby that I might even lose if zayn comes after us

I shouted

Kagiso:tshegofatso don't you dare talk to me like that! Sit down and breathe

I did what I was told to do

Kagiso:your dream is to be a mother but that won't happen if you keep worrying about stupid things

I looked down

Me:I'm sorry

Kagiso:rest and I'll make you food

He walked out then I sighed and I called my mother, she answered on the second ring

Mama:hey baby girl

Me:mom I had a terrible dream and now I had a fight with my husband

Mama:tell me about the dream

I told her everything

Me:I'm scared mom!

Mama:you have the right to be scared but you must trust your husband when he says nothing will happen because I've seen how he looks at you my baby girl! That guy would do anything for you

Now I feel bad

Me:I should apologize, right?

Mama:blame the hormones

We chuckled

Me:thanks for the chat mom

Mama:anything for you my baby girl

I hang up then I went to the kitchen and I hug kagiso from behind

Me:I'm sorry for behaving like that baby, I know that you wouldn't let anything happen to me and I love you for that

Kagiso:learn to trust me and respect me as your husband okay

I nod then he gave me my food

Me:thank you daddy

Kagiso:pleasure

We went to watch a movie

## Chapter 25

KAGISO MOTSAMAI

The dream that my wife dreamt scared her so much and I don't blame her at all because I heard that zayn is out of jail and he's coming for whoever messed with his family but I decided to go to him before he comes to me! We have to talk to each other man to man and I hope he doesn't do anything stupid, I'm with T-bose to meet up with zayn.

T-bose:does your wife know about this?

Me:when are you getting married?

He chuckles

T-bose:when jesus comes down

Me:mxm! No she doesn't know about this

T-bose:okay but why are you doing this again?

Me:because my wife had a dream of him shooting me on the forehead twice and it really scared her so I want to tell him to back off

T-bose:dude we should have brought our guns just in case

Me:he just got out of jail thabo! Do you really think that he will shoot me in public?

He shrugs

T-bose:you never know

Mxm we finally arrived at the restaurant and zayn waved at me then we went to him and sat down

Zayn:gentleman! I was surprised when I got your message ey

Me:yeah I just want to make sure that we are on the same page

He chuckles

Zayn:I heard that remo is not a ranaka anymore so she's safe from what I'm about to do to them and I'll stay away from her because I respect people's marriage

Me:thank you

We shake hands then I got up

T-bose:wait a minute! I don't trust you so can you say that again because if anything happens to his wife or him, you will get arrested

He takes out his phone and went to recording

Zayn:I zayn efrain promise to stay away from remo and her husband, if anything happens to them then just know that it's me

T-bose:great stuff!

He took his phone and stand up

Zayn:can you assist me with your security men  
I heard you are the best

Me:what do you need them for?

Zayn:to protect my son and his mother

Me:come to my office tomorrow

He nods then we left

T-bose:you are not considering doing business with him, right?

Me:he is rich and he has connections so why should I turn him down?

T-bose:because I don't trust him! Kg your wife's dream should show you something

Me:its just a dream! Ankere you have his recording mos!

He sighs

T-bose:I still think is a bad idea but it's your choice not mine

I dropped him off at his company then I went to my company and I found katlego sitting on my chair in my office

Me:you know starting your own company won't be a bad idea

Katlego:I'm not here to fight

Me:then say whatever you want to say and get out of my office

Katlego:dad has never been proud of me because I didn't want to follow his footsteps or study something that will put me on his level so when he found out that you have a company and you did everything to put food on the table for your family, he was really proud and I got jealous.....I'm the black sheep of the family

Me:I'm not here to take your place or whatever okay! I just want to get to know my father and siblings if they want to know me that's all

Katlego:I'm sorry for everything and it's not your fault that our parents had an affair

Me:yeah it's not but I forgive you and stay the fuck away from my wife

He chuckles

Katlego:yeah she hates me so relax! So brothers

Me:brothers

We fist bump

Katlego:let me leave then

He walks out and I checked if he left or took something in my office then few minutes later I found nothing so I started working

---

UNKNOWN

These three boys thinks that they don't need me now that they are successful and rich neh? I taught them everything and I even paid them lots of money so they can support their families but now that they are rich, they have forgotten about me! I hate

ungrateful people especially those I took them as my family so I'm going to show them what I do to ungrateful people!!!!

## Chapter 26

TSHEGOFATSO (remo)

From now on I'm going to focus on my pregnancy and being a good mother to wawa since her mother is all over the world! Some women are ungrateful to me because some can't have kids mara they are busy something else instead of being mothers to their kids, today I went shopping with wawa and bought her many toys, clothes and we did our hair so we are back now but I found a big box on our door and it says only kagiso should open it. Few minutes later wendy arrived

Me:hey love

We hugged

Wendy:what's up with the big box?

Me:it's for kagiso and I'm curious to open it

Wendy:then open it...I mean kagiso is your husband after all

Me:what if it's a surprise for me?

Wendy:eish yeah don't open it

Me:so what's up in your life?

She sighs

Wendy:I thought that I met my prince charming but he is married

Me:ouch

Wendy:and he wants me to be his second wife

My eyes popped out

Me:what!?! You said no  
right?

Wendy:friend I love him so much and he's everything I want in a guy so I'm thinking  
about it

Me:what about your family especially your father?

Wendy:argh to be honest with you I haven't seen my family for weeks now and I'm  
living in peace

Me:ai if you are happy then who am I to judge you huh?

We both looked at the box

Wendy:okay I think we should open it

Me:no we can't!

Wendy:kagiso is your husband and you don't hide anything from each other, right?

Me:of course but that doesn't mean that I should open something that it's his

Wendy:I'm going to open it

She went to the kitchen and took a knife then she went to open the box

Me:what is it?

She slowly got up and moved back slowly

Wendy:your husband messed with the wrong person

I went to the box and I screamed when I saw it huge black snake

Me:what the hell!?

We claimed the couch and I called kagiso

Wendy:put it on loudspeaker

I put it on loudspeaker

Kagiso:baby

Me:kagiso you have a delivery and it's a snake

Kagiso:what are you talking about?

Me:someone sent you a huge snake.....oh my goodness it's coming out of the box!

Wendy and I screamed

Kagiso:girls calm down I'm on my way

He hang up

Wendy:my boyfriend's father loves snakes so much especially these ones

Me:then call him to come and help us!

Wendy:my phone is on that couch

The snake is on the middle of the floor then we saw other snakes coming out of the box

Me:oh my god wawa!

Wendy:let's go to her room

We quickly got off the couch and ran to wawa room then closed the door with her small table

Me:I dreamt zayn shooting my husband now this? Maybe it's a sign

Wendy:of what?

I shrugs

Me:wendy I'm pregnant and I shouldn't be stressing like this

Wendy:just calm down okay breathe

We sat on the floor because wawa was sleeping

---

KAGISO MOTSAMAI

There's one person who would send me snakes and I knew that he was going to come after us if we didn't give him something for appreciating him! TT and T-bose said that we should forget about him because he was going to keep coming for more of whatever we would've gave him but I shouldn't have listened to them cause now my family is in danger. I got home and I found the snake going to the room so I quickly read the letter then I called him

Him:ah i guess you got my present

Me:what do you want huh? We were planning on giving you something big but you just ruined it

Him:don't you dare lie to me kg! How you guys forget about me just like that huh? After everything we've been through together

His son doesn't want to be part of his world so he took us as his sons but to be honest with you, he is very stupid to think that he can own us

Me:come and your snakes then i will give you whatever you want

Him:bring me ten range rover then I'll think about whether I should let you go or not

Me:okay fine I will do that so please come and take the snakes

Him:someone is coming

He hang up and few minutes later a guy came

Me:make this quick!

He nods then went inside

## Chapter 27

After the man took all the snakes and kagiso made sure that his wife and daughter

were safe before he left! He called his friends and they met at the secret place making sure that no one followed them especially the man himself

Kagiso:didn't I tell you about this huh? Now look what happened!

TT:my women fainted and the snake almost bite my son

T-bose:it was on my bed when I got out of the shower

Kagiso:we have to kill him

T-bose:are you crazy! We are talking about a crazy man who loves snakes so what makes you sure that those snakes won't come after us huh?

TT:then what do you suggest?

T-bose:let's do what he says

Kagiso:till when huh? He won't stop then the next thing he will want my wife or company

They all sighed then they heard gunshots for few minutes and it stops

Kagiso:you see now! We have to kill him before he kills us

They were hiding

TT:if we are going to kill him then we need protection from the ancestors

T-bose:you are not saying what I think you are saying, Right?

Kagiso:a sangoma?

TT nods

T-bose:are you serious!?! Why don't we go to his house and kill him

Kagiso:I forget that sometimes you can be so stupid wena thabo!

T-bose:I'm not stupid

TT:guys this is not the time for your little fight okay! Our family is in danger here so let's go now

They got up then they quickly ran to their cars and drove off  
two hours later they arrived at the most powerful sangoma who lives in the bush

Kagiso:I have a bad feeling about this

T-bose:how do you know this person?

TT:he helped naleli to give birth to our son because the doctors said that she was going to die after giving birth

They walked inside the yard then sangoma came out of his hut and he growls

Sangoma:I have been waiting for you boys, come with me....we don't have time to waste

The guys follow him to the river

TT:will he kill us if we don't do this?

Sangoma:the two of you not motsamai because he's very protected by his strong ancestors and it's such an honor to meet them right now

T-bose:so he doesn't need your protection?

Sangoma:since you are very close and you have been through a lot together, his ancestors want to protect you so he is just here to support you

Both TT and T-bose nod

Sangoma:please take off your clothes and get in the river then I want you motsamai to say your clan praises

They all did what they were told to do then minutes later they sat around the fire

T-bose:I can't believe your ancestors know us

They chuckled

TT:it's amazing neh? And I feel so powerful now

Sangoma:are you ready to be a father of five kids?

He said that looking at kagiso then his eyes popped out

Kagiso:five children at the same time!?

Sangoma:they are miracle babies motsamai so better not stress your wife because you won't get a second chance

Kagiso got scared because nowadays his wife is stressing a lot and he blames himself

Sangoma:after you have killed him come here immediately okay

They all nodded

SIX MONTHS LATER.....

## Chapter 28

TSHEGOFATSO (remo)

If i knew that being pregnant was like this I would've wanted someone to carry my babies because yoh! Carrying five babies is hard and I feel like I'm about to pop any minute, so I'm in hospital cause my doctor wants to make sure that we don't lose the babies or me since it's a high risk pregnancy and the nurses are doing their best to make me comfortable but I can't because my back hurts like hell then there's my husband who is MIA when he's supposed to be with me. He has been weird lately and he's very distant too so does that mean he is no longer in love with him?

Me:moms have you seen my husband?

My mother and kagiso's mother are here

K'mom:what's wrong with him? He is acting strange lately

So glad I'm not the only one who sees that

Me:he won't talk to me anymore and I feel like I'm losing him

Mom:can you please focus on the babies and we'll find out what's going on with kagiso

K'mom:how will we do that when he's not answering his phone or reply his messages

Mom:what about his father? Maybe he can find out what's wrong with him

I sighed

Me:let's stop worrying about a grown ass man and focus on the babies because I don't want to lose them

K'mom:i agree with you nana! If he wants to tell us what's going on with you, he knows where we are

Mom:but aren't you worried that something happened to him?

Me:mom kagiso can take care of himself

K'mom:he's acting like a child right now! His wife is pregnant but he's not even here

Mom:ai maybe he will come to his senses before the babies comes

Me:i really hope so

We talked about other stuff

NARRATED

Kagiso's father

tshego"s stepfather and tshego's father were looking for kagiso for two weeks now but they haven't found him yet and even his fathers are worried about him because it's not like kagiso to disappear without telling them anything and it seems like wherever he is, he might having fun cause he withdraw money in a bank account where he shares it with his friends.

T'dad:I swear I'm going to kill him if he's cheating on my daughter!

K'dad:that makes the two of us

TT:no he wouldn't do that to tshego because he loves her so much

T'stepfather:then how do you explain so much money that he keeps on withdrawing?

T-bose:maybe he's in trouble and he doesn't want to put anyone in danger

T'dad:how many enemies did you make kgante?

TT:our enemy died six months ago so it's something else

A beautiful young girl passed them then she quickly walks back and looks at kagiso's dad

Young girl:I thought you were going to call me again for another amazing time

K'dad:I think you have the wrong person

The girl giggles

Young girl:was I too wild for you? I'm sorry for that I promise to take it slow because you are soft

K'dad:have you seen my son?

He said that showing her a picture of kagiso and she gasps

Young girl:oh my goodness you are his father?

TT:where did you last see him?

Young girl:three days ago! I think he's in trouble because he was very terrified

T'dad:where did you see him?

Young girl:go straight there and you will see a hotel, I think he's still there

T'stepfather:thank you

She nods then they went to the hotel

T-bose:hello we are looking for this guy

He showed a picture of kagiso to the receptionist and she looks at the picture for a while then she gasps

Receptionist:he checked out this morning in a hurry and he was bleeding

K'dad:damn! Let's split up

T'dad:thats a good idea

They all ran out

## Chapter 29

TSHEGOFATSO (remo)

Two hours ago I started having pains and the doctor told me that I'm in labor so they prepared everything then they took me to the labor room! So five hours later I gave birth to five beautiful babies (three girls & two boys)they are so small and not strong enough yet so they are in a incubators. I wish kagiso was here with me to see our beautiful babies and I miss him so much too but thank goodness my mother and his mother was here with me

Doctor:you have beautiful babies ey

Me:thank you doc! So can I have other kids?

Doctor heal first then we will see

I nod then my mother and kagiso's mother walks in and the doctor left

Mom:uhm nana there's something that we have to tell you

I looked at them and they look sad

Me:what's wrong?

K'mom:kagiso is in hospital

My heart stopped for few seconds

Me:what happened?

Mom:he was running away from someone or something because when they asked him questions he's not making sense

K'mom:then tshireletso and thabo told us that they went to sangoma six months ago

Me:what were they doing there?

Mom:what matters is that kagiso must go back to the sangoma to get his power back

Me:he has powers?

K'mom:it's the motsamai ancestors powers and that sangoma stole them from kagiso so he can be powerful

Mom:that's why kagiso was acting weird and strange

Me:he wasn't supposed to go there at the first place right?

They both nod

K'mom:the motsamai has their own healer

Me:so what now?

K'mom:his father is taking him to the healer because the sangoma has disappeared

Me:and what if he can't help him then what?

Mom:he will help him nana

Me:I should be worried about the kids and he was supposed to be here!

K'mom:he will be fine my baby girl okay

I nod

Mom:let's name the kids

Me:obakeng orenneile lesika lelentle thata

K'mom:wow beautiful names! I love them

Mom:me too now please rest

---

## AT THE HOSPITAL

The motsamai healer was busy with kagiso while others were holding the door for the doctors or nurse to come in! Few minutes later the healer finally finished with his job

Healer:if you want protection please come to me okay boys

Both TT and T-bose nods

K'dad:do you know what was he running from?

Healer:the person they killed

K'dad:so is he going to be okay?

Healer:yes and he won't know what happened the past few days so just make up a story

R'dad:I'm going to kill him because he cheated on my daughter and he should've been there for her

Healer:she chose beautiful names for the babies ey

They all looked at him confused

K'dad:what are you talking about?

Healer:oh you don't know? Makoti gave birth but they are not strong enough yet

R'dad:I'm a grandfather!

He rushed out followed by remo's stepfather and the healer also walks out

TT:Mr motsamai we would like to apologize for putting kagiso in danger and taking him to that sangoma

K'dad:what's done is done boys! Next time please tell me so I can help you okay

T-bose:definitely sir we will do that

K'dad:good

The doctor walks in and checked kagiso then he frowns when he saw that kagiso is perfectly fine

Doctor:this is very strange! What did you do to him?

K'dad:nothing why?

Doctor:argh I'll discharge him when he wakes up

He walks out and kagiso's dad chuckled

## Thirty

KAGISO

I woke up few minutes ago and I was surprised to see myself in hospital because I remember being in my office talking to my manager so what am I doing here or what happened that I ended up here cause I look fine  
the doctor walks in followed by my parents.

Me:what happened to me?

Doctor:someone found you laying on our steps badly injured but now you are perfectly fine

Me:I don't remember anything at all

Doctor:uhm i decided to make some tests And unfortunately I have bad news for you....you are HIV positive Mr motsamai

My mother gasped

Me:what do you mean because I only sleep with my wife

Father:doctor can we have a moment with our son please

Doctor:okay I'll be back to discharge you

He walks out and my mother slapped me

Mother:how many girls did you sleep with huh? I don't care whether you were bewitched or not you should've used protection

Me:there must be a mistake ma! I didn't cheat on my wife

Father:you did cheat on her but you can't remember any of that because you were crazy

Me:you are not making any sense dad

Mother:the sangoma stole your ancestors power and you became crazy

I looked at them for a while

Father:you should've called me before you went to that sangoma kagiso! Do you have any idea how worried we were about you

Me:I'm sorry

Mother:your wife and kids need you now so next think about them before you do something stupid

She walked out

Father:congratulations son

He gave me his phone and I looked at a video of my beautiful babies

Me:I'm a father!

Father:they are premature and I love their names

Me:is my wife okay?

He nods

Father:she's just worried about you

Me:then I need to leave now

Father:kagiso I know that you are used to doing things for yourself and I'm proud of you for that but next time please call me to help you okay

Me:yes dad

Father:we almost lost you and your wife wouldn't have survived without you

My mother walked in with the doctor

Doctor:please drink your ARVS everyday and also eat healthy too okay

I nod

Mother:this is going to break your wife's heart kagiso!

Me:I know ma! But I don't know what happened and it's so frustrating that I can't remember anything

Two police officers walked in

Doctor:gentleman can I help you?

Police1:are you kagiso motsamai?

Me:yes

Police2:can you come with us to the police station

Father:for what?

Police1:we have a witness that saw you killing a young girl

THREE YEARS LATER

Our couple are living their best life with their five kids and their family finally tshego(remo) dream of being a mother came true and she's enjoying every moment of it! Kagiso didn't get arrested because the witness told the police that kagiso was not the person that killed the young girl so the police let him go and even apologized for the misunderstanding. Kagiso did tell his wife that he is HIV positive and tshego was heartbroken of course but she forgave him cause he wasn't himself and she loves him so much to leave him, tshego is a fashion designer now and her clothing line is doing great....oh remember Mrs ranaka who went to jail for attempted murder of her daughter and kidnapping? She is out of jail on parole and she apologized to everyone she hurt then she moved at her parents house since her husband Mr ranaka divorced her and her children wants nothing to do with her.
