## **INTRODUCTION**

I love winter more than summer, but I love rain more than sun oh well, I guess I'm messy like that.

I'm lucky to have this view every day, especially when its pouring outside , I forget all about the Stress that come with my job and My PA who want to be around me every time gossiping like hell.

"Knock knock"

Speak of the devil

Me: " Come in"

PA: I'm already in, I rolled my eyes, woman your husband is here, he's been here for 20

minutes but hey I'm sure you've been busy drooling over rain

Me: shit , I forgot that he's picking me up", I started running around picking up my things

PA: go go go

Me: ok ok, you'll swear I'm late for the plane or something, I ran out and took the lift down

PA: I swear if I was not your PA you would've lost your man long ago, I laughed, He dramatic like that this one

Me: thank you for saving my marriage

Andile, oh yah my PA's name Andile .

Andile: Pleasure, our eyes met he smiled a little.

Me: sorry baby I was finishing up some work, he hugged me

" that a lie I know you've been staring the rain babe ,packs of having a weird wife, let's go we late, we walked out the building

Me: where are we going?

"Mom invited us for dinner, so how was your

day? , he opened the car door for me and I got in.

Me: great yours?

" it was good, you look beautiful "

Me: thank you T then we drove off , going to his parents' house. Sigh

INSERT #1

**\*\*NDUMISO\*\***

We around the table at the in-laws' house, I don't think I will ever be comfortable around this house but hey I'm forced to be here. MaNgubane (mother in law) has put all the stops for this dinner I must say the food looks delicious.

THAMI: "baby are you okay?, you not eating your food."

ME: "I'm fine bbe", he held my left hand and I started eating

MANGUBANE: you still watching your figure

makoti?

ME: no it's not like that Mah"

MANGUBANE: its better be not because I'm still waiting for grandkids

THAMI: Ma!

MANGUBANE: "what? Is it a crime that I want to see grandkids?

ZIKALALA: "Mangubane!

MANGUBANE: "baba I'm just asking "

THAMI: "ma please stop, you have many grandkids for God sakes"i just looked down, listen them exchanging words as usual there's nothing new here, its always like this'

Thami: "Baby let's go!

ZIKALALA: Son.....

THAMI: no Dad ,mom is so insensitive , he pulled my hand and we walked out just like that,He's so angry that he drives like a maniac, I decided to not say anything, I said a little prayer" DEAR GOD PLEASE OPEN THE GATE FOR US , WE COMING WITH A BLACK SUV", Thami looked at me, he burst out

laughing, I guess he heard my prayer.

THAMI: "Ndu I don't like to laugh please, what kind of prayer is this?, he was still in stitches

ME: what do you want me to say when you drives like this?

THAMI:sorry baby, I didn't notice

ME: "yeah right," we finally arrived at Morning Side, yes that where we live. the security guy opened the gate for us and we drove in, when I got inside the house I took of

my shoes and headed upstairs I needed to shower and sleep

THAMI: babe why are you running away from me

ME: I'm not running away, I just need to take shower

THAMI: can I join you?

ME: Yes you can, when we reach the room we took of our clothes and went to shower, there's nothing like hot shower after a long

day I tell you.

THAMI: "I'm sorry about my mother", he said washing my back

ME: "it ok", in my mind I'm like no it's not okay. Why women must suffer because they can't conceive? Why must they be insulted? Specially by another woman? Just because you able to carry a child of which that is a blessing, doesn't mean look down to those who can't, oh well I did carry someone but when I was 7 month pregnant I lost him, he died in my womb, I think part of me died with him, 3 years later still nothing.

THAMI: "my love don't cry" I didn't realize I was crying, he just hugged me, water still hitting our bodies, later he dried both of us and we got in bed.

THAMI: i love you

ME: I love you too, he fell asleep immediately that how he is, I was just deep in my thought, everyday I ask myself why did I lose my baby like that? Everything was fine

next thing he's gone, maybe God saw that I won't be a good mother to him. sometimes I wish to get pregnant again but sometimes I'm scared that the history might repeat itself.

i guess I finally fell asleep, in the morning when I opened my eyes , my husband wasn't next to me I checked the time,Its 3am,ok I guess he's in the bathroom but then I started hearing him shouting in the bathroom, I jumped out of the bed and headed to the bathroom when I touched the door handle, I find that he locked himself in, I knocked, he was still shouting but he kept quiet when he heard my knock and he opened the door fast

THAMI: "baby why are you up, do you want to use bathroom? He asked me with his eyes popped out

ME: "no why are you shouting, what are you doing with a phone in a bathroom?

THAMI: "its...umm its MZO(his younger

brother)

ME: what wrong with him?

THAMI: he's in trouble,I have to go, he said that getting on his clothes fast

ME: what going on? I'm coming with you, he turned fast

THAMI: No no no baby sleep,you know him with his Varsity Shenanigans, I will call you as soon as I know all the details, he kissed my forehead and ran out just like that, oh well it was 3am after all I decided to sleep again.

NDUMISO: JUST GO thami go to your wife and Baby, im sorry I couldn't give you kids , im sorry I couldn't be the great wife to you.

THAMI:" ndumiso please "she got in her car and she drove off.

it was not easy for her, this was the ultimate betrayal to her, she was leaving her life behind, the only man she ever loved let alone the man she ever dated in the whole world.

She chose herself, she chose to walk away from it all.

2 YEARS LATER

**\*\*NDUMISO\*\***

If I can say life has been great I would be lying Things went from bad to worse

1. -First my husband decided to cheat on me with my sister, got her pregnant and decided to marry her yep they married now.

2. Thami refused giving me a divorce, he became an animal, he will harrass me day in and day out, i had to file for protection order but hey He's A Zikalala they are untouchable , I will wake up to him standing next to my bed in the middle of the night not knowing

how he got in

3. When I'm walking at the mall or driving I would feel that someone is following me. he would send me messages complimenting what I'm wearing, complimenting my boobs while I'm in a shower I had to hire someone who found a whole lot of cameras in my apartment . I decided to move to Mlazi with ANDILE, oh I miss him he was the only friend I had. yes you heard me "He Was" he died in a car accident a year ago, hit and run sometimes I think THAMI had something to do with it because andile stood with me through all.that when I lost it .

4. After losing Andile I lost my job that THAMI'S doing he told me clearly that I will lose my job so I will be forced to go back to him.ive search the job for the whole year now no one wants to hire me,luckily I bought that 3 room house from andile's family.

What I'm trying to tell you is that in that 2

years I lost everything, I lost family, my best friend my job but all in all I lost myself. I'm no longer that confident Woman, I have panic attacks, anxiety attacks sometimes I'm depressed because of what I've been through, but I believe that everything happens for a reason, in every situation there's a light in the end of the tunnel.

Thami decided that because I don't want him back he must abuse me, he would rock up to my place shout at me, sometimes beat me up, I got tired of reporting him because he would laugh in my face and tell me that jail is his home. The last straw is when he came with a gun threatened to kill himself, I guess he changed his mind because he ended up shooting me 3 times. He left me thinking that I'm dead lucky enough I didn't, I was rescued by neighbours finally he got arrested even though he didn't stay in jail that long because of his connections but court granted me Divorce and Protection order

finally I'm free.

Let me introduce myself again to you

My name is NDUMISO DLAMINI I'm now 31 years old qualified Dermatologist currently working at the Bakery, yep you heard me I had to find a job, thami wiped my accounts clean, I had to sell my car because I couldn't afford it anymore, I still live eMlazi at , I'm glad I bought that andile's place because I don't know where I would be right now. My family want nothing to do with me, they accused me of bewitching Thami. They said that why he went crazy after me .

I'm earning not earning enough but I've learned to appreciate everything in life.

I've been attending therapy and Support group for women who went through different Abuse and trauma it been very helpful ,ohh I even found a friend her Name Is NTOMBI BHENGU she also attend group with me and also live at Mlazi but on a different section we just clicked right away

MTOTI:" Are you ok"? Ntombi shook her head

NTOMBI: "no", that came out as a whisper

MTOTI: talk to me Mamakhe, I don't like to see you like this

NTOMBI: "I don't know his father", silence

MTOTI: "whose Father?, he asked

MTOTI:"baby you don't have to explain anything to me"

NTOMBI: "but [#sniffing](#)...i want to tell you,...I have to ...."

MTOTI: Ok tell me baby don't cry, he said wiping her tears

NTOMBI: 5 years ago, I went back home at Ulundi it was June holidays, I was still 25. when I got to ulundi one of the girl who was my neighbour was having

"UMEMULO"(coming out of age ceremony)

Back home there's always a hype if something like that happens specially if a girl is still a virgin .

MTOTI: (he rubbed her arm)

NTOMBI:To cut a story short my neighbor was still a virgin so every girl who was still a virgin in the area was going to wear different traditional attire. for "umemulo", I

happened to be one of those girls I was still a virgin, so I wore that attire as well.

when i got to the ceremony I saw people looking at me in a different way ,strange way, until my mother noticed.she started asking what going only to find that my aunt has been gossiping about me that telling everyone that I'm a prostitute in Durban it was bad baby, I had to go to chiefs Home to be Tested if I'm real Virgin or Not

MTOTI:then after finding out?

NTOMBI: my mum was livid , the chief issued that my aunt must pay a fine because she embarassed me in a community.

Ok we passed that, September holidays arrived. I drove from durban from ulundi it was late by the time I reached our area it was 8pm it was raining and dark, that when it happened, I thought it was hijacking but no 3 guys with balaclava's pulled me out with guns,Mtoti held her hand

NTOMBI: instead of taking the car they

decided to take me, they took my pride, my innocence, I can still hear their voices, laughing, cheering each other while taking turns

MTOTI: baby no

NTOMBI: after satisfying themselves they left me there to die I woke up in Hospital.they did everything but still I fell Pregnant everyone told me to do Abortion but not even once in my mind did I think about having abortion.

When he was born I named him OWAMI because he was mine, mine alone, since that day I vowed to love him, protect him as much as I can

MTOTI: I'm sorry baby

NTOMBI: don't be baby ,I cried a lot I ran out of tears, i might have lost part of my life in that situation but at the end I gained something beautiful.

Something you must worry about is that your 30 year old girlfriend has never shared

a bed with a man before, never made love before, there you have it.

"Firstly I'm glad that you had courage to tell me this baby,I'm sorry you went through such a horrible experience, I wish I would've been there to protect you.

But from now on I promise you I will protect you, I will die protecting you and Owami.

im not good with words Mamakhe, but I'm proud of you,all this didn't change you, but instead it made you to become this strong beautiful woman in front of me, but from

, be strong for you, now on I want to take  
care of you and Owami. Right here in front of  
me is the woman that makes my heart go

NTOMBI:( smiling)

MTOTI: there it is that smile that stole my  
heart, Ntombi I want us to be friends before

in love with you Ntombi, I just became a  
better man for myself but I want to be a

NTOMBI; (Silence )

MTOTI: so do you want to take this Life  
thing with me? Ntombi smiled and Nodded,  
He Hugged her so tight

NTOMBI: I love you

MTOTI: I love you too beautiful, they kissed  
so passionately like they were pouring their  
souls to each other, their tongues were  
dancing slowly, ntombi let out a soft moan

and ,she pulled out.

NTOMBI: baby

MTOTI:yes baby

NTOMBI: I want you to make love to me,  
Mtoti eyes Popped out

MTOTI: What? I mean I would love to make  
love to you bt I don't...

NTOMBI:I'm ready, I've been ready since the  
day I told you that I love you Mtoti, I know  
I've been nervous and all but today, tonight  
I want to let that go

MTOTI: you know I can still wait another 3  
month ryt

NTOMBI: I know baby but I dont want you  
to wait anymore,I don't want to wait  
anymore, Mtoti smiled and picked ntombi up  
, he placed her on his shoulder and started  
climbing the stairs with her

NTOMBI: aybo baby put me down, stop  
running

MTOTI:all these muscles I built them for you  
Mamakhe, he said that entering his room,

laying ntombi in his bed,he got on top of her  
MTOTI: so Mangcolosi you saying that you  
ready for MASHAYABHUQE?, he asked  
kissing her neck

NTOMBI: whose that( whispering), Mtoti  
took her hand and placed it to his Crotch

MTOTI: that him, ntombi removed her hand  
fast and she swallowed hard thinking what  
did she got herself into.

He pulled her Pyjama top off. She had fully  
given herself over to him at this point,  
accepting her loss of control. She opened  
her mouth to protest but instead a groan of  
pleasure slid forth as the nerve ending on  
her neck responded to his lips and teeth.  
She was gasping to breath again.

MTOTI : "I love you NTOMBI

" he whispered harshly in her ear. He tried to  
soften his voice. "I'm going to make you  
happy." As he spoke, a hand slid up her back  
and removed her bra.

NTOMBI: "I baby..." the thought left as he nipped her breast, his massive shoulders seemed so tense, Shaking her head slightly to get rid of the thought of what she felt by her hand, she tried not to care, One of his hands was spread out over her abdomen, the caramel of her skin pairing beautifully, with the caramel of his.

He removed his hand, revealing more of the toned, smooth body part he longed to touch for months.

Her muscles trembled and rippled reflexively as he slid his tongue from the top of her clit to her tummy again.

Looking up at her, he noticed that her lips were trembling like she wanted to cry .

He kissed them again, his lips attempting to soothe away whatever pain she was feeling.

She heard his zipper slide down.

"I'm gonna make it better." He mumbled again, more to himself than to her. Peeling off his jeans, he kissed every inch of her

body. Her pelvic bone, each of her thighs, her legs, taking his time, worshipping each part. She was shivering all over now.

NTOMBI: "Oh God." She whispered feeling one of his fingers glide between her slick pussy lips. Simultaneously, the tip of his tongue drew circles around her nipple. She squirmed trying to get his tongue to make contact with the hardened dark chocolate bud. Flicking his tongue across her nipple, he began to flick her clit at the same rate. Her body felt as though it were literally getting hotter, raising in temperature.

The flicking got harder and faster. She was going to cum.

The intensity of the feeling rolled over and over in her stomach, increasing in intensity every second. "No...no..." she moaned softly, still wanting to fight him, the orgasm, the loss of control.

Then it happened, Her eyes squeezed shut as the rolling feeling dropped down into her

p\*ssy then seemed to radiate back out into the rest of her body.

Sweating from concentration, he continued to rub her clit, but released her nipple to watch her face. Her mouth was slightly opened, head tilted back, brow furrowed, fingers grasping his sheets. He felt her legs shaking against the mattress. He caressed her more gently as the orgasm began to fade into a calm. Squeezing her thighs, he dipped his head down to her body and nipped and kissed the insides of them. Her body relaxed completely, her breathing slowed.

Just when she began to regain some of her sanity, she began trembling again he flattened his tongue and pulled it firmly and slowly against her p\*ssy.

NTOMBI: "Agggghhhh.... Mtoti!" she yelled, her mind swirling from the sensation.

She felt her p\*ssy contracting, having random harsh spasms, the rolling feeling

again. "Oh God" she thought,  
"Nonononononoooo...." Her legs locked up  
around his head. He continued the slow  
lapping of her pussy, feeling her body  
winding against him. It...the  
orgasm...increased and increased...bigger  
and bigger...pushing,it was so slow and fast  
at the same time...it reached its crest. She  
pushed her pussy harder into his mouth and  
came. So hard she scared herself. Her body  
fell back onto the bed, Her entire being was  
shaken. From the core of her. Holding  
herself she looked at him almost horrified.  
He murmured something with a smink . She  
moaned in response, still feeling the waves  
of her orgasm, but unexpectedly  
MASHAYABHUQE was in the house, Mtoti  
cursed loudly

**MTOTI: FUUUUCK!!**

NTOMBI: yeah I heard that you are " BABA" too

MTOTI: yes they don't call elders by names and i told you I'm a father of 3 19 year olds

NTOMBI: (laughs)now I remember I thought you were joking [#silence](#) " Do you think they

will get through this ?

MTOTI: they will I believe in that , their love is rare baby and Yara is Strong because Bhuti mlondi is weak without her but together they are concrete.

NTOMBI: I'm sorry for your loss baby

MTOTI: thank you,I hugged his head placed it in my chest " I'm glad you here mamakhe"

NTOMBI:its okay baby, I wouldn't want to be anywhere else

I'm at Woolworth's, I'm here to get some groceries im sure you asking your self " what is NDUMISO doing at such an expensive store?" The answer is NTOMBI gave me a 1000 rand food voucher last week, it was my birthday she really spoiled me, voucher was just a cherry on top.

So because I got out early and it's Friday I decided to come here and get somethings or should I say spoil myself because that what I planned to do.

I've loaded some goodies, Salmon,beef ofcourse beef is my favourite meat , ice cream ,my favourite sauces, Chocolate to name a few.

I'm now infront of Wines I'm thinking about which one to buy, maybe I've been standing here for 5 minutes I can't seem to make a decision, even thou I think I must make it fast because suddenly I have this cold feeling like there's someone whose been watching Me like I'm now panicking a little I decide to take a white wine I extend my hand, took the bottle.....

"FINALLY SHE MAKES A DECISION "said a bold voice behind me, WTF!

" oh well wine splashed everywhere, I'm still frozen, I see the guy and everyone in front of me is talking but I can't hear them, I'm still numb, I'm like a statue the guy touches me he's even shaking me, I jumped up moving away from him, how dare he touch me after creeping on me like that

I'm now surrounded by many people , im sitting on a chair others are cleaning the Bottle glasses, others are asking me if I'm okay specially the guy who gave me a fright. I finally responded

ME: I'm fine, they gave me a water bottle, the guy opened it for me because my hands were still shaking

GUY: I'm so sorry I didn't mean to scare you

ME: it's fine, I drank the water and I got up and took my hand bag , I thanked the water and I decided to leave the store without Anything I just wanted to be away from everything

While I was still waiting for a taxi I saw the guy the creepy one coming my way, Kanti what does this guy want from me?

GUY: you didn't take your things

ME:I left them on purpose (whisper)

GUY: I'm sorry again , I brought them for you , he placed plastics in front of me

ME: but I....how much do i owe you?

GUY: nothing this is the least I can do after everything that happened

ME: ohh

GUY: Please accept, I will feel better if you do

ME: ok thank you , then taxi appeared, I just got in , I didn't even had a time to look back to the guy.

ZAMA: but maybe if you had a word with him

ME: I won't do that because I also don't think it's a good idea

ZAMA: what? but I'm desperate here which side are you on?

ME: nongcebo is my child as much as she's Londa's child so I'm on her side,

Past 3 month have been an eye opener to me or should I say a venture of new things. My man shows me every single day that I made a right decision by giving him a chance, what's make me happy is happiness in my son's face in Mtoti he found the best father or should I say "daddy" because that what what he is now. I don't know whose more spoiled between me and Owami but I guess it him because he now gets to be spoiled by every one in the mkhize family. Today I'm going to check on Yara it has been 3 difficult months for her and mlondi but what I noticed she's strong too strong if i say so myself, it's been 2 months since I last saw her, we just been talking on a phone regularly.

NDUMISO:"you know I didn't mean it like that right?

Londa just ignored her ,instead he just started singing a song "NGAYBUKA NGAYTHANDA KANTI VELE INOTHANDO LWAMI", A smile reached her lips before she can stop it,She looked away immediately, Londa saw it, he smiled too and focused on the road.

NEXT DAY

**\*\*NDUMISO\*\***

my eyes are only half open,but I know this ain't my house, I scan the room and now i remember where I am, but wait this is not where I was, this is the bedroom, I get up very fast, in my mind I'm like God please don't tell me....Ndumiso what did you do? what I remember is us sitting in a couch while I was telling him everything about THAMI I mean everything, I guess I fell

asleep after that because I don't remember how did I got here

LONDA: "Morning " he says that with a straight face getting inside the room , looks like he's coming somewhere he's looking fresh in a navy Adidas tracksuits and white sneakers ok maybe fresh is like so easy I mean this guy looks like crazy hell hot Damn."Ndumisoooo" I jumped a little "are you ok? I've been calling your name for the past 2 minutes"

ME: ohh sorry I'm good how are you?, God I was drooling

LONDA: I'm good , how did you sleep?, mm how did I sleep because I don't remember.

ME: good I guess thanks

LONDA: I'm sure you don't remember I gave you sleeping pill remember?, now it's all makes sense I do remember sleeping pill

ME: ohh yeah now I remember I say shifting uncomfortable , I realized that I'm wearing my underwear and his tshirt only he must

have helped me. Ohh no what if we....no no no.

LONDA:Ndumiso

ME: yeah

LONDA:we didn't do anything stop panicking if we did something trust me you would've known the minute you got up, you were out of it I did help you to undress but I wouldn't take advantage of you like that

ME: ohh

LONDA: yeah so relax, I notice he's not his bubbly self this morning

ME: where do you come from? I mean you look like you just got in

LONDA: ohh I had to rush home I didn't want to nongcebo to see that she slept alone, ohh yes we not in his house but in his apartment near the beach, apparently his house is at Zimbali and I won't start about the beauty of this apartment, top billing style

ME: you left her alone?

LONDA: there's security she was safe but I knew she would panick if she doesn't find me in my room in the morning

ME: ohh what time is it?

LONDA: almost 9 am

ME: what? Wow I didn't know it was this late

LONDA: the weather is very bad outside, I've ordered breakfast for you it will be here any minute and if you want to take a shower your clothes are here in the next room that where the closet is , as you can see I don't have one here

ME: thank you so much, he did tell me yesterday that my clothes will be here in the morning.

LONDA: cool I'll be in a lounge if you need me , he said getting up and walking out

ME:" OK" I did say that he's very broody or angry or down I don't know but he's so cold, anyway I made the bed and went to next room indeed my things were all there folded and hanged beautifully .

I took a shower, after showering I wore my simple navy jeans , black hoody and sleepers.

I found him glued in his phone

LONDA: oh you done your breakfast is here, I sat down "aybo come and sit with me" I went to sit next to him, he gave me the food

ME: thank you

LONDA: you smell very nice

ME:" You too", oh lord that just shoot out straight from my mind to my mouth " I ...i mean thank you" , he chuckled, that the first today.

I ate the food in silence sometimes I would catch him stareing me that made me little uncomfotable but I kept straight face until I finished my food.

After finishing I took the plate to the kitchen, something caught my attention it was the sea view, the ocean looked so beautiful and the rain hitting the trees the view was spectacular I ended drooling over

it.

"It beautiful isn't?, he asked learning by the kitchen door.

ME: is it , its beyond beautiful

LONDA: come it cold in here and we need to talk, he pulled me by my hand we walked back to the lounge, we sat down and he switched TV off.

ME: is everything ok?

LONDA: no , you know Ndumiso that day I saw you in woolworth's something striked me I think that that thing was love,im taken by you , I want to be with you but I know in this situation you in it would seem as if I'm taking advantage of you of which that is the last thing on my mind.

I know it's hard for you to trust me or anyman in that matter but NDUMISO this is me infront of you telling you that I love you but wait I don't want us to focus on that right now I just wanted to let you know.

you to know i just can't believe you went through so much and lost everything including yourself but you still here standing, you know I'm proud of you that you stood up for yourself and got to that shem of a marriage

ME: I had too it was too much for me

LONDA: you stronger than you think, I can't begin to imagine what you went through especially alone with no one to stand by you.

ME:yeah things went from bad to worse when I lost ANDILE

LONDA: damn some people are sick, he held my hands " look ndu from now on we getting you a new life fresh start I'm sure you don't want that old life back

ME: definitely not

LONDA: I want to help you to do that, I'm not doing this because I see you as charity case or something but I'm doing this because I want to, let put aside that I love you for now. Whether we pursue a

relationship or not I'm still going to help firstly by keeping you safe from that moron secondly by getting you a right job in your profession, I mean really a Dermatologist in a bakery that insane this guy thinks he's God or something nx.

ME: (smiling) I felt like he was an angel from God, he's here to save me from this life of living in hell because of THAMI

LONDA: want me to tell you about my parents story?

ME: yeah

LONDA: my dad found my mother In a side of the road hungry, smelly she had nothing my dad asked her to get in the car my mom refused my dad forced her in smelling like that my dad saw good in her , he wanted to help and he saw a wife in her, one thing my dad taught me is that help where ever you can, I don't wanna lie I grew up getting everything but I was never arrogant because my parents never spoiled me they taught me

everything about life good or bad

ME: sound like great parents I wish there were mine

LONDA:(smiling) don't worry I'm willing to share them with you

ME: (smiling)

LONDA:I know I'm not good with words but what I'm trying to say situation doesn't define a person, so what do you say madlamini do you accept my help

ME: definitely I don't know what to say beside saying thank you I feel like you godsend

LONDA: its nothing I don't know what i can do if a guy do what that sucker did to you to my sister's or to my daughter , I swear I would just kill the Motherfuck\*r, wooh that didn't sound like a joke

LONDA: from now on this apartment is your space, it very safe it has tight security system so you don't have to worry about that ok, I nodded "any questions?"

ME: have you been in love before?

LONDA: oh wow you took out big guns I see

ME:(chuckling)

LONDA: yeah I was in love once

ME: what happened?

LONDA: yoh it was the disaster I fell for a wrong person

ME: how?

LONDA: damn I'm telling you this because its you.i fell for my brothers wife

ME: What?

LONDA: yes she was still his girlfriend at that time , It was so messed up

ME: wow but why I mean...

LONDA: you know we don't choose who we fall in love with

ME: so did you pursue her or?

LONDA: what? No I would've never but unfortunately my brother found out

ME: no londa what did he do

LONDA: he almost killed me he beat me up it was a mess I'm telling you

ME: so are you over her did you get over her

LONDA: honestly it was hard, but eventually I got over her specially seeing her with my brother i knew that even if she saw me first she was never going to fall for me, they just made for each other

ME: wow so you and your brother is he your big brother? Got back to normal?

LONDA: we had too we twins

ME: wooh you have a twin?

LONDA: ( Smiling) ofcourse it him that mlondi

ME: no londa this is you I mean Nooo, he showed me another one where they were kissing

LONDA: so you think I will kiss my brother's wife like this?

ME: this is creepy doesn't his wife mistake you for her husband?

LONDA: no not even once she know her husband I'm telling you so I suggest you should start noticing your yours more so that you wont have a problem if you know what I mean he said that with a smink

ME: (blushing) I can see why you fell for her this is too much of a person she's so beautiful she's mixed?

LONDA: yeah her father is Italian and her mom is Zulu

ME: wow look at her eyes

LONDA: hello I'm still here you should be looking into my eyes

ME: done? Then we left the building, I must say we bought a lot of groceries or should I say londa took the whole store, I had fun shopping with him.

I know some may judge me for being comfortable to someone I just met 3 days ago but I have nothing to lose maybe I can accept even a plane ticket to Iraq just to be away from Thami.and with londa I feel safe and free around him but I guess I can feel safe around anyman as long as it's not THAMI.

**\*\*YAMKELA\*\***

THAMI: yaya can we talk?

ME:talk about what? How nagging am I?

How I'm always whinny...

THAMI; yamkela please I'm sorry I know you angry but sit so that we can talk, I sat down "thank you"

**\*\*LONDA \*\***

I can't believe that the person whose been tormenting Ndumiso is that Zikalala Moron I

mean I know him exactly we did business with them so many time, because they in construction .as you all know to have property you need construction.when zondo gave me information about him I felt disgusted, I think he need his head to be checked I mean who can let go a woman like NDUMISO? I think only a lunatic

I love NDUMISO and I don't want to put any pressure to her I think she need to work on herself first I will wait for her what I know is that I'm not willing to let her go.

I just arrived in my father's house for family meeting I wonder what happening but I know its something serious that I can assure you.

ME:mommy

ZODWA: hello

ME: your favourite son is home

ZODWA: how are you boy

ME: I'm awesome , we hugged " I missed you"

ZODWA: missed you too

MUZI: 37 YEAR old boy realy wifey

SIHLE: and mom I thought you said I was your favourite

ZODWA: you all my favourite, and you , you look smitten what going on?

SIHLE: I'm sure he finally asked Mavis out, my dad bursted out laughing

ZODWA: whose Mavis

SIHLE: one of our cleaner at work she's very smitten by him

MUZI: she's crazy maybe she's 50

SIHLE: she's cougar

ME: mxm you crazy and she's ugly , then Mtoti walked in followed by two love birds holding hands.

Mtoti greeted us.

ME: why are you two holding hands

MLONDI: Why are you still single grandpa

ME: what that has anything to do with you holding hands

MLONDI: we in love and you single so

SIHLE: ouch

ME:whatever

MUZI: okay now cut it out,because we now all here, firstly Mtoti want to send delegates to the Bhengu's

ZODWA: lililili

YARA: congratulations bhuti

ME: yizo bafo wow, we fist bumped

MLONDI: it's about time

SIHLE: ay syakbongela bhuti ( we congratulated you bro)

MTOTI: thank you

MUZI: when do you think you we should send our people

MTOTI: I was thinking about month end

MUZI: I guess we should get Gadla to send the letter I mean he's near Ulundi

ZODWA: they must receive it before end of this week

MUZI : ok now that is sorted as you all know end of the month we supposed to Go home to Empangeni for cleansing ceremony for

Makoti(Yara)

And to thank our ancestors for protecting other babies but I got a call from Bab Mzimela( family Sangoma)

Apparently makoti has a lot regarding the ceremony so let hear her, we all turned to her, her mind seemed so far away I noticed she isn't bubbly like the usual she didn't even greet us with her smile as usual.

MLONDI: ( touching her) MAMI

YARA: mmm

MLONDI: dad is asking about Month end ceremony

YARA: ohh ok , firstly the ceremony must happen on Sunday that means bhuti Mtoti can send uncles to the bhengu's on Saturday.

MUZI: but we never had a ceremony Sunday before.

YARA: that what your ancestors wants baba, ok that sounded firm.

Secondly I don't know if any of you have

noticed but Sizwe is sick and he's not getting better so baba please tell babGadla to get ready he need to reveal Sizwe's Paternity to him because if he doesn't we gonna lose him

ZODWA: aybo jesu

YARA: who is Bulelani?, oh no

(SILENCE)

MLONDI: dad

MUZI: I don't want to talk about bulelani

YARA: I guess he's another family secret, he want to be cleansed he's angry he's going to cause damage in the family if you ignore him, and he caused Ngcebo's Accident

ME: what? What Accident?

MTOTI: eash Ngcebo stole your car the other day and she crushed it but I helped her to repair it

ME: you were supposed to tell me bhuti

MTOTI: she begged me to not say anything and she wasn't hurt but I'm sorry bhuti

ME: it's ok bafo

ZODWA: wait does mkhize's ancestors

recognize ngcebo as our child?

YARA: They do I can't explain it but they do

MLONDI: but we did introduced her to the ancestors I'm sure they do know her

YARA: her Accident didn't happen some random day but it happened the day I lost Nkanyezi.

He didn't just die but he was sacrificed for ngcebo's life

ME: Wow so this all ancestors work

YARA: YES THIS FAMILY KEEPS SECRETS AND CAMILLA(her other name) MUST SUFFER THE CONSEQUENCES, she got up and walked out.

MLONDI: really dad? He ran out following her but I don't blame her she's been through a lot because of this family.

**\*\*NDUMISO\*\***

They say Optimism is a happiness magnet. If you stay positive, good things and good

people will be drawn to you.its been a week since I've moved in into Londa's apartment. talk about Londa he checks me everyday sometime 3 times a day you'll swear he doesn't work, but I enjoy his company, he's just a breath of fresh air, he just have that positive energy, he makes me laugh I forget about anything and everything when I'm with him.

Enough about londa, Ntombi is on her way here, you should have heard her screaming in the phone, when I told her about Londa.

Apparently I'm on leave that what my manager at bakery told me, I'm on 3 weeks Paid leave, I think Londa is behind this "inconvenience leave" because at first he suggested i must quit and I refused then next day when I got to work they gave me a paid leave, its funny my manager was even smiling while he was telling me that, ok maybe that was strange because it was my first time seeing him smiling.

I made breakfast already I'm sure NTOMBI will be here in a minute now. My phone

ME: (smiling) Good morning

LONDA: how is a good morning when you haven't seen me since yesterday?

ME: I'm good how are you Londa, He chuckled.

LONDA: don't be clever with me Ndumiso

ME: but I'm greeting you

LONDA: but I miss you

ME: how did you sleep?

LONDA: I said I miss you Ndumiso

ME: I miss you too, i heard him sighing like he was holding his breath

LONDA: You do?

ME: y..yeah

LONDA: ok I'll see you later enjoy your day bbe

ME: thank you enjoy yours too

LONDA:has Ntombi arrived yet?

ME: no but she said she's on her way

LONDA: ok if you need anything I'm a phone

call away

ME: thank you

LONDA: give yourself a kiss for me

ME: how?

LONDA: you don't know how to give yourself a kiss?

ME: ahh..No

LONDA: I guess I'll have to do it myself then.

ME: (blushing)

LONDA: you blushing right now that why you quiet

ME: no, I think ntombi is here

LONDA: I can't wait to see you beautiful, bye

ME: bye, he hung up, butterflies in my stomach this guys voice is going to be the death of me.

Finally ntombi arrived I buzzed her in.

NTOMBI: Girlfrieeeeeeed oh my God Ndumiso look at this place, wuuh I'm so glad to see you we hugged

ME: look at you what's up with the glow? I

won't ask how are you clearly Mtoti is doing a good job

NTOMBI:if you mean with his Dick he's definitely doing the most, we settled down in the lounge

ME:what? ( laughing) he's that good?

NTOMBI: I'm 3 month pregnant

ME:you what? Oh my God ntombi

congratulations oh wow, she just rolled her eyes

NTOMBI:I'm hungry you promised me breakfast mogirl

ME: you don't look happy, what Mtoti say about the bun in the oven I'm sure he's happy

NTOMBI: I haven't told him yet

ME: aybo why?

NTOMBI: I don't know ndu I'm so overwhelmed about this whole thing.its seems as everything is moving too fast

ME: he has a right to know what if

everything is moving so fast ,you love each

other right?

NTOMBI: ofcourse we do but what if he feels trapped or....

ME: ntombi stop aybo yehhen, she laughed

NTOMBI: ok maybe my hormones are messing with my head i mean he's so good with Owami, so I'm happy my son is getting a father's love in my head I feel like the baby will replace him into Mtoti heart i mean what if he doesn't care about him anymore I'm scared my son would be heartbroken Ndu.

ME: mtoti is not a teenager NTOMBI he's a man he chose to be responsible for Owami, baby or not he is and will still be his father even after the baby being born

NTOMBI: I guess you right , I should tell him tonight

ME: That more like it and why are you not working today? Perks of dating a boss?, I served her breakfast, she started digging in.

NTOMBI: there's new interns in the building

so they don't need me at the reception today  
and enough about me ,you mem start  
talking

ME(Smilling) what are we talking about  
again, I asked sipping on my juice

NTOMBI: NDUMISO!

ME: what do you wanna know

NTOMBI:ahh look at you girlfriend and if I must say you do look different, I mean good different

ME: but what if develop trust issues, insecurities what if I fail to love him accordingly?, I mean I can't lie and say I wasn't hurt when I heard about Yamkela and Thami first thing that came into my mind was like ohh she's young, I'm old, I mean i thought about a lot , for my whole life I've been with one guy, he was my first in everything, my first kiss,love, intimacy ,even heartbreak."

NTOMBI: listen you see the experience with Thami and everything is the one which is going to make your relationship with the

next person strong. Ndumiso this is your chance to start afresh, forget about what you were doing with Thami or what he did to you, but I won't tell you what to do because as I'm talking to you, in your heart you know what to do

ME: you think I do?

NTOMBI: yes you do, just follow your heart just be yourself I know you naturally shy and all that okay, that is the original you

ME: what if Londa get bored because of that?

NTOMBI: what if he's intrigued by your shyness coolness? Be your self that all I'm saying

ME: ok I guess I needed this talk , so how is Owami?

NTOMBI: oh that one he's no longer mine, you know if I'm the one whose fetching him at the creche the first question is " Where is daddy?

ME: ouch you no longer needed

NTOMBI: clearly and Mtoti enjoys that ask me when was the last time I went to my place , I don't even remember because last time we went there Owami started crying saying he want to go back, you should heard him he wanted everyone "daddy to malwande to Ayanda gosh.

ME: so you had go back

NTOMBI: I called him and told him about Owami's tantrums, after few seconds he was there and the first thing he said was " IM HERE TO GET OWAMI CLEARLY HE'S THE ONE WHO ENJOYS TO BE WITH ME", she said mimicking his voice

ME: (laughing) just like that you were outnumbered

NTOMBI: I was so angry I wanted to kill myself, we both laughed but Ntombi's phone rang disturbing us, She frowned mouthed "Its my father"

He's been so quiet,just giving me random kisses here and there,I've had my head on his shoulder since we took off from Durban.i didn't know that to be intimate with him just once would turn me to this vulnerable and weak woman around him.

But if you knew what happened you won't blame me,Christian Grey got nothing on him I'm telling you,he left his mark,his territory is marked.

I ended up apologizing for nothing,that how good he is, it was slow and emotional I did

share a tear .4 rounds later I knew i was home.

AT MKHIZE'S HOMESTEAD

After Bab Gadla's outburst his brother (muzi) managed to calm him down. See Gadla is one of the coolest elder in the Mkhize family, he's calm cool and collected that his nature. But today everyone was so shocked by his reaction. But in the end everyone managed to calm down, Bab Mzimela asked everyone to remain calm for the sake of the ceremony. Yara had her head on Mlonzi's shoulder, Nongcebo was in between her father's legs as she was sitting on the grass mat while Londa was in a chair. All women were still shaken while Bonakele was still sobbing silently.

MZIMELA: makoti you are angry.

YARA: (teary)

MZIMELA: ancestors feel your anger and they sincerely apologize for putting you through so much pain, Mlonzi held her hand.

"They want you to know that they appreciate

you, especially accepting nomaciko's gift, you not here by mistake but for a purpose. they ask you to not give up on them because they still going to need you in order to protect this family.

"We have a lot to fix, we wronged a lot of people, we have a lot of apologising to do. but all that will happen after this coming ceremony, ancestors are ready so we mustn't ruin that too.

MZIMELA: Gadla be calm you hear me?

GADLA: I hear you baba

MZIMELA: "good", our son is better now, he meant Sizwe " we should be celebrating, tomorrow we going to get another mkhize bride that another thing we must be celebrating other than being sad and fighting each other. now this meeting is over I hope you heard me when I said no noise.

NTOMBI: thank you,she left them going to

her room, when she got her room she found a beautiful basket with all her favourite goodies

In the middle of it there was a ring and note written:

"WITH THIS RING I DECLARE YOU AS THE OWNER OF MY HEART AND MASHAYABHUQE UNTIL DEATH DO US APART"

INSERT #12

NARRATED

It's Monday afternoon.

After adding another wife into their clan and having ceremony, the heavy rain confirmed it, the ceremony was successful, it was time for the Mkhize's to go back to their normal daily routine.

**\*\*NTOMBI\*\***

"It's beautiful"

That my father complimenting my ring, that I have been staring at for.. only God knows.

ME: "thank you baba"

He sat down in a couch opposite me

BHENGU:"this rain is bad ntombi ntombi"

He's right its raining rather heavily

ME: "at least there's no lighting "

He smiling,he look like he just remembered something

BHENGU: I remember how you used to hide between my legs when there was thunderstorm

ME: haa baba I'm still scared even now

He's still smiling.

see when we were growing up me and nozipho we were daddies girls. But when my sister turned 14 she started being rebellious she would talk back to our parents specially my dad, my heart would bleed after seing my sister acting like that.to cut the story short she left home and went to live with my aunt,I was the only one left at home,i think me and my dad grew more closer together but all that changed after that day of my

attack.

I remember his words when I was lying at the Hospital "NTOMBI NTOMBI I DON'T THINK I'LL EVER BE ABLE TO LOOK YOU IN THE EYE MY CHILD ,IM SORRY I SHOULD'VE BEEN THERE AS YOUR FATHER TO PROTECT YOU I FEEL LIKE I FAILED YOU"

He was right since that day he never looked me in the eye .he still called to check on me but he's not the same after that he lost everything his job because they said he wasn't concentrating, he operated machine in the mine by the way we all know that need concentration.he sold all his livestock because he said he has no energy to take care of it anymore.We lost him,he lost himself in all in all I lost him my dad my best friend.

BHENGU: "your friend seem like a good girl." He's talking about ndumiso,talking about that one her man came to fetch her himself he said he couldn't wait to see her,he is so in

love I'm happy for my friend.

ME:she is baba and she has a good heart too.

BHENGU: Engathi uzoba umalokazane waka mkhize naye maduze nje(its look like she's going to be a mkhize bride soon also)

ME: ( smiling)what's make you think that baba?

BHENGU: "the way that mkhize boy looks at her you can see the love he has for her"

I can't believe I'm talking about relationships with my father

ME: so baba I was thinking or more like asking what are you going to do with a Lobola money?

BHENGU: that your money ntombi ntombi to get you married.

ME: ay baba that your money don't worry about my wedding

BHENGU: ntombi ntombi you know you still have to buy gifts for the mkhize's for "UMEMBESO"( gift exchange ceremony)?

ME: I know baba but like I said that your money,I want you to use it don't worry about anything I will sort everything out

BHENGU: but what will I do with all that money my child? I don't even deserve all that....

ME: you deserve it baba all of it,take the money and get your life back baba

BHENGU: .....

ME: baba this is me,remember your girl from 5 years back?

He's looking at me ,it's like he's searching something in my eyes,yes finally he's looking me in the eye

BHENGU:you..this...

He got tears in his eyes

ME: I never went anywhere baba I was always here,but you left me ( sniffing)

BHENGU: "they took you away from me"

His voice is breaking

ME: no baba they didn't, they took you away from me

BHENGU: I'm sorry

ME: all in the past baba

BHENGU: I wanted to be there for you but I didn't know how

One tear ran down his cheek

ME: I remember every single call baba,I appreciated every single call you gave me We hugging,this my father his chest is still warm like the last 5 years ago,I'm home

BHENGU: "where do I start "

That question came out as whisper

I remove myself from his embrace

ME: only you can answer that baba

I said getting up and I walked towards my room

BHENGU: "ntombi ntombi"

ME: "baba"

BHENGU: you think I can get a horse now?

He's showing his teeth,I'm happy

ME: (smiling) only just because I'm leaving so I guess it's fine now"

My dad always wanted a horse but that one

of the most scariest animal to me,I mean that thing Is fast I always felt like it's going to crush me.

BHENGU: you realy getting married

Qakala(ankle)

ME: baba!

He's laughing he knows I hate that nick name.

Apparently when I was in grade one one of my teacher asked me to describe my body parts they say I called everything ",QAKALA " that how I got the name.

BHENGU: what?just because you going to be married to someone doesn't mean you no longer my Q.....

I gave him a stare

BHENGU:daughter my beautiful daughter We both chuckled ,and I left him with a smile.

**\*\*NDUMISO \*\***

ME: i really need to pee

I said that after seing that we approaching

another ultra

LONDA: you can pee on my leather seats  
baby it's fine.

i gave him a stare, he chuckled

LONDA: (smiling) fine fine

He swayed his car in.

I didn't wait him to open the door for me I  
just ran out. you know that feeling of  
releasing yourself after holding for so long?  
I just found him outside the car talking to  
his fone,

LONDA: "nx put him on a speaker.....Sihle are  
you crazy?

I can't hear sihle's answer

"I want my child home safe if not I'll fuck  
you up big time nx"

He hanged up, he's really mad

ME: everything ok

He's fuming

LONDA: it's sihle you know nongcebo called  
me screaming saying sihle is racing  
someone on the road, she sounded so scared.

ME: that not good

LONDA: he's laughing I don't even know why  
he's driving sihle doesn't drive he races  
he's so worked up by this

ME: ok we can go now

LONDA: yeah you...eash I even forgot to ask  
you if you need anything babe

ME: No I'm fine

LONDA: "I'll be back"

He left me and went inside the convenient  
store

He came back with some snacks including  
orange juice and biltong my favourite.

ME: thank you

He raised his left eyebrow

LONDA: pleasure

ME: so is it safe to eat here I mean I  
wouldn't want to be in trouble because I've  
stained your "leather seats

LONDA: (Chuckling) sarcasm doesn't suit  
you babe

We on the road again

ME: but I'm asking a real question here

LONDA: this is your car also so if there's coackroches running around people would look at you not me

ME: aybo why would they look at me?

LONDA: because a wife takes care of her husband

ME: but you not my husband

LONDA: I know baby I'm more than that,I'm your king

ME:( Smiling) who gave you that title because I didn't

LONDA: "your heart ,and your smile confirms it."

The we go again he always says little things that make me lose my ability to speak

ME: (blushing)

LONDA: (smiling)and she's blushing

ME: so how was the ceremony?

LONDA: changing topic there I see,what can I say lot of things happened.

ME: good or bad?

LONDA: good I'll say good like finding out that nongcebo is really a mkhize.

ME: what?

Yeah he did tell me about adoption.

LONDA: turns out her biological father was one of us but he was given away.

ME: wow so how did nongcebo take this news?

LONDA: confused like everybody, but I assured her that nothing is going to change she's still mine.

ME: Ahh that sweet you really love her

LONDA: we love each, I mean she makes me feel good about myself, she embraces that I'm her father.

ME: ahh look at you

LONDA: (Smiling) you know they are little things she does that boost my ego

ME: like snitching on your brother about the way he drives.

He's laughing

LONDA: " Exactly, I mean she has a habit of

including me to everything she does, you'll find that maybe I'm in France but still she would send me texts like "dad I miss you and I'm trying to find my shoe and I can't find it come back and help me look for it,"  
ME: you have a good father and daughter relationship

LONDA: she's humble, very respectful and very focused. enough about my baby how was Ntombi's family

ME: beautiful family her mother was feeding me every now and then or besides her sister she's very weird

LONDA: weird how?

ME: I don't know like she's jealous of NTOMBI I don't know

LONDA: she's crazy she was supposed to be happy that her little sister

ME: trust me she was not

LONDA: she'll come around

ME: according to ntombi she has been like that for years

LONDA: mmm

ME: so do you and your siblings get jealous of one another?

LONDA; not really umm.. we all get along but when we grew up I was jealous of mlondi?

ME: your twin why?

LONDA: I thought that he wanted to be in front in everything,until I realized that everything he did,he did it for both of us he knew his strength he knew he was stronger than me at the end of the day it was never like " Mlondi did this But it was always Mlondi and Londa all the time.

ME: is he...I mean stronger than you?

LONDA: I believe so I get sick,when he's sick,but nothing happens to him when I'm sick.

He's been through worse but still

ME: wow I hear him and his wife are like twins

LONDA: I don't want to describe it to

you,you'll see it by yourself next week, it  
weird very creepy

ME: oh maybe you jealous because you lost  
a twin

LONDA: maybe

We both laughed, then something clicked on  
my mind

ME: wait what do you mean I will see them  
next week.

LONDA: did I say that? No I think it was just  
tounge slippery

that was weird but I decided to brush it off

ME: This looks beautiful

It has just started raining

LONDA:rain?

ME: yeah

LONDA: I noticed you very fascinated by it

ME: very

LONDA: I hope one day you'll be able to love  
me like it.

ME: "don't be a cry baby"

He took my hand

LONDA: "I'm your baby hawu"

Yes I am,he kissed my hand

ME: "focus on a road

LONDA:yes mem.

The guy got scared because of his expression

AT YARA AND MLONDI'S HOUSE

The couple just arrived at their home,they were followed by sihle.

MLONDI: aybo udukile(are you lost)?

SIHLE: don't be forward I'm here for Sam's (chef) food so please

MLONDI: you mean my food

Sihle left him and went to the kitchen and yara was there with Sam,he greeted sam

SIHLE: makoti

Sam went out

YARA: hey

SIHLE: you look so tired

YARA: I need body massage

SIHLE: and I need food

YARA: help yourself

SIHLE: you the best

YARA: I know you mean the food not me

SIHLE: (laughing) you said it

They both laughed

YARA: I've been meaning ask how is Zama?

SIHLE: she's..she's good I guess

YARA: what do you mean you guess?

SIHLE: I haven't talk to her since Thursday

YARA: what why? I mean don't tell me why but ...

SIHLE: we had a fight ,the thing is she's very insecure and she accused me of something

YARA: I'm sure that your doings,What did you do why is she insecure?

SIHLE: aybo I didn't do anything.

YARA: I don't believe you

SIHLE: how is telling her that I was in love with you.....

YARA: you did what? Why I mean why?

SIHLE: She was in love with me,I told her that I wasn't right for her because I was still

in love with you

YARA: wow so do you blame her? that why she hates me

SIHLE: But I was being honest to her

YARA: that doesn't matter in her eyes I'm just that woman who was blocking you from loving her

SIHLE: what but that not true. I assured her that I'm over you when we officially started dating.i even told her that you guys are getting married I....

She cut him off

YARA: wooh wooh wait you mentioned me getting married?

SIHLE: yeah I....

YARA: oh my God she still think you not over me,you said you over me just because I was getting married.you were not supposed to include me getting married in your speech bro

SIHLE: damn

YARA: wow

"ARE YOU REALLY OVER HER"

he asked walking towards him

SIHLE: I swear bro swear I love Zama

MLONDI: "Good now go and fix your relationship"

sihle took his keys and rushed out.

MLONDI: are you ok?

YARA: I'm just tired

MLONDI: "want me to give a massage"?

He lifted her to the kitchen counter

YARA: "that would be lovely thing to recieve right now baby"

They started kissing

AYANDA: ahh guys get a room

MLONDI: i said move out please

AYANDA: mom

YARA: mlondi don't play like that

MLONDI: nx party pooper

They laughed at him

He climbed the stairs sulking

I'm sure you wonder why ayanda and others still lives at home, the real reason is that

they say if they live alone their parents will be their face more than they are that they still live with them.

## AT SIHLE'S HOUSE

He just parked his house outside, Zama heard it but decided not to get excited after their fight.

Sihle walked in and found her sitting in a lounge.

SIHLE: Hi

ZAMA: hey

SIHLE: you good?

ZAMA: yeah and you how was your trip?

He placed his keys on the table and sat down next to her

SIHLE: I missed you

ZAMA: i know I think I just got intimidated by yara and I developed this hate and

SIHLE: baby look I think I'm the one to be blamed for that, I thought I was being honest with you because I wanted no secret between us,I'm sorry that came out very wrong,I love you only you. Yara is just part of my family our family because you my family too.so please forgive me mangwane

ZAMA: I'm sorry too

She hugged him

SIHLE: I want us to start afresh,let's focus on us just the two of us ok?

ZAMA: oky,I guess I have to go and apologize to yara

He didn't dispute that because he didn't want her to know that they were talking about her

SIHLE: I think that a good Idea

He said parking her forehead

ZAMA: ok ,so Ungphathelile inyama( so did you bring me meat)

SIHLE:aybo bengingazi ama Rasta

He walked out with a smink

I was left with a damp Underwear.

**\*\*NONGCEBO \*\***

I can't imagine what my life would have been if my sister didn't go to study at Harvard, if she didn't meet bab Mloni,let alone being adopted by dad.

I don't even think I would be here studying.

Its been a week since I noticed the strange girl,she look sad and alone.what I noticed

about her she repeated same outfit 2 times or let's say 3 because she's wearing it even

today.i wonder how Is she going to feel

about me giving her clothes,I don't want her to feel like a charity case,sigh.

ME: hello

she lifted her eyes up ,they are red is she

crying ?

HER: (whispering) hi

ME: I'm nongcebo but they call me ngcebo

HER: im Yolanda

she has tears in her eyes

ME: nice to know you, are you ok

She looked down

YOLANDA: I'm fine

I tried to touch her but she jumped a little

ME: I'm sorry but you don't look ok

YOLANDA: what do you want from me

ME: to know you,I can be your fri...

YOLANDA: I'm ok I don't need friend

ME: we all need friends Yolanda

She held her tummy

ME: are you in pain? are you sick?

YOLANDA: period pains

ME: oh sorry I have some painkillers in my car we can go and take them

YOLANDA: you have a car

ME: it's my brother's car

I lied

YOLANDA: ohh

I got up

ME: so let's go, get up

YOLANDA: I can't get up

ME: why?

YOLANDA: I'm dirty

Her tears finally found their way out

I removed my jean jacket

ME: wrap this on your waist

YOLANDA: I can't it's going to...

ME: it's ok, get up

She got up indeed, she had a huge stain,I

wrapped the jacket around her and we

walked to my car ,she hesitated to get in but

I assured her that it's ok ,she directed me to

her res, it just a short drive

She's a swati from Swaziland she studies

bachelor of science ,apparently her bursary

pays for Accommodation,books and school

fees only,her mother is single drunkard

woman sometimes she send her money for

food sometimes she doesn't. She's been here

for the whole year even on holidays because she doesn't have money to travel. She tried to find work but still now nothing. her story made me emotional but I had to focus on the road

Finally we arrived to her room.

ME: so where is your roommate

YOLANDA: she doesn't stay here most of the time her specially when its Friday's

ME: Ohh

YOLANDA: can I go shower?

ME: Oh it's fine

She left me alone and that gave me a chance to bring suitcase from the car and I looked around her thjngs. she came back wearing leggings and Simple Tshirt I guess her eyes noticed the suitcase by the way its red you can't just miss it.

YOLANDA: is xoli back?

ME: whose that?

YOLANDA: that my roommates name I thought that her suitcase

ME: ohh that mine I mean yours

She frowned

YOLANDA: mine?

ME:" Ok I have clothes they no longer fits me I thought that maybe they can fit you"  
Don't look at me like that

YOLANDA: but its look like we same size

ME: I know but I'm way taller and you short...just try them on maybe they'll fit

YOLANDA: "ok"

she looked nervous

ME: I would wait outside, I said rushing out  
5 minute later she called me in

YOLANDA: They fit me perfectly I didn't even  
fit them all

She smiled with tears ,she's beautiful she  
reminds me of ZENANDE MFENYANA from  
the soapie The Queen

ME: Great I'm glad they fit you

YOLANDA: I don't know what to say

ME: you don't have to say anything

YOLANDA: thank you so much God bless you

She gave me a tight hug

ME: you make me cry

She chuckled

YOLANDA: I'm sorry I'm just so happy

It was nice to see her smiling, happiness was written all over her face.

YOLANDA: How will I repay you

ME: I don't need payment, you know my grandma used to say a smile to someone's face because of you that a golden payment.

**\*\*LONDA \*\***

As for brother's they should be ashamed of

their selves how could lust for your brother's woman unless she's the one who want them all who knows she's rich after all.when you rich you get everything you want".

That was just a snippet of what was written to the article.

The article was messed up it included her,the mkhize's and the Garcia's.and social media was having a field afternoon about that.

**#but** she's beautiful

**#you** can tell by looking at her that she think she's better than everyone

He says kissing my kneck,he made me blush ,his voice does that to me.

It just after 2 minutes but I forgot my name already

It's like hes possessed or something the way he's taken over my body.it like he's searching my soul in every inch. I wonder what was I having all these years I mean I never thought intimacy could be something like this.

His moans and groans are not helping at all. I swear every stroke comes with a message,its a good thing he said this room is sound proof, neighbours would've called the cops long time ago because of my screams p

INSERT 14

**\*\*NDUMISO\*\***

A woman is murdered every four hours in south Africa by their partner or ex partner. and all that happens in the name of love.

I believe love is life, love can be anything you make out to be.

Love is kind, love is patient, love is cruel, love is dangerous, love is pain.

We cry because of love but we smile because of love.

"He was KIND to me, he was PATIENT but all of a sudden he became CRUEL.

I still can hear his words in my mind "I FOUND SOMEONE ELSE I LOVE HER" but then I found strength to leave him, they say

no reason to stay is a good reason go,he then became DANGEROUS and he caused me so much PAIN but here I am still standing.

I'm sure you asking why I didn't fight for my marriage?

I wanted to say 'Please don't leave me "but my heart said "just go."

I realise that there was nothing to fight for,we never had it.

After everything he did to me he's following me everywhere I know its him who broke into the apartment.

I just realized something.that ive given him so much power over me, I'm not going to cry anymore because of him,I'm not going to miss out on things that I love because of him I choose to be a survivor not his victim anymore.

No more dull ndumiso I can't be starting new life with my mind hung up on the trauma he inflicted in me.

Watch out world NDUMISO is coming for you.

Enough about sob stories I might as well focus on positive things like that bangshovile izolo yey( by the way they fucked me yesterday) maybe If THAMI was good like Londa in bed I would've hanged myself when I left him ,I'm not saying he was bad but daaamn my guy is on another level.

His scent always send me to the edge I admit he makes me weak

LONDA:morning baby wa Londa( morning Londa's baby)

He wrapped his masculine arms around my waist

ME: (Blushing) morning Ndumiso's baby

LONDA: How's my baby this morning and uyishiyeleni indoda yodwa embhedeni( and why did you leave your man alone in bed)

He asked kissing my neck

showered already?

ME:" yes you were sleeping so peaceful so didn't want to wake you."

LONDA: you look beautiful this morning

ME: thank you I would say you look handsome too but awugezile( you haven't taken a bath)

LONDA:( laughing) there I was thinking you love me for better for worse

He said perking my lips

ME: oh we saying vows already?

LONDA: no when we get married we will write our own vows and I'll be rapping mine I turned and looked at him

ME: rapping?

LONDA: ofcourse I wont be a boring groom phela mina (rapping)"PASTOR MAKE IT FAST, BECAUSE I WANT TO KISS HER FAST,I WANT TO TAKE HER AWAY BECAUSE WE GOING AWAY" ngoba sengisho kuthi syahambake siya kwi honey moon ke lapho( I mean I'll be taking you away to

honeymoon )

I just couldn't hold myself

ME: ( laughing) God what was that( laughing )

tears started coming out of my eyes

LONDA:( laughing) you just jealous bbe

He said pulling me inside

"You going to catch cold gosh it's so  
mesmerizing to see you laugh it's like it's my  
first time seing you laugh like this.

ME: maybe it is

He sat on the couch, I sat on his lap

LONDA:you look happy baby.do you know  
how much joy it gives me to see you like  
this?

nothing more

LONDA: I would give anything to see you  
like this everyday bbe wam(my bbe),I will  
even kill for you if it means I'll get to see  
this beautiful smile everyday

ME: you gave me so much already and no

LONDA: not even that moron who broke in  
your place

ME: Definitely not I don't want to see you in  
jail or have his filthy blood on your hands

ME: no thank you,go you going to be late I pushed him and he went to shower.

5 minutes later he came out ,I guess that how much time guys take to shower.

He left Lwande with his dad.

Approaching the studio room, the sound of THE GREATEST by SIA was pumping.

They walked inside the quiet house because everyone was asleep.

Pedro just climbed the stairs

PEDRO: sure

He continued climbing the rest of the steps.

He opened the door quietly and smiled when she saw her on top of the covers with a book on her hand.

He removed the book from her, started removing hair in her forehead. he perked her forehead and yara made a little movement and she opened her Eyes. Pedro's smile got wide

YARA: Pedro?

She rubbed her eyes sitting up

3 WEEKS LATER

\*\*NGCEBO \*\*

Its been a rollercoaster ride for the past couple of weeks.From going to school with bodyguards of which I hate soo much to losing my friends because I now hang out with "Poor Yolanda" as they would call her. yeah I was friends with snobs but hey I didn't care I let them go in peace.

Talking about Yolanda she's one of the positive thing that happened in those crazy weeks ohh my dad managed to give a Bursary that covers all the essentials to say she was happy would be understatement,she went crazy we ended up both crying.we even bought her mini freezer now that all out of the way we've been hanging around a lot she's so cool calm and collected,and she's very shy.

She reminds more of my dad's girlfriend NDUMISO,talking about her its been a bliss living with her.her presence made our house warm not forgetting that she turned dad to a softie,you should see him he's like a teen

boy who just got his first girlfriend.

Thank God its Friday I just left class right now to meet with up with Yolanda,shame she's been free for 2 hours but she said she's going to wait for me.

"Hey ngcebo"

I just ignore him,it one of our campus fuckboys

Gift.

GIFT: awu dimples wangziba nje( dimples why are you ignoring me)?

ME: Dimples amasendakho ( dimples is your balls)

His crew just bursted out laughing at him.

GIFT: what did you just say wena?

ME: I said hi

I carried on,I saw Yolanda laughing infront of me

YOLANDA:( laughing)are you crazy

ME: LOL ungzwile Kanti nawe( you heard me too)

YOLANDA: ofcourse

ME: nx this is him

YOLANDA: him who

ME: the Bait guy

YOLANDA: "realy wow you served him right"  
I heard Gift made a bait with his friends  
apparently I'm next on his list.

ME: enough about that big head what's up  
you seem smitten or...you won a lotto

She laughed

YOLANDA: no I'm just happy its Friday after  
all

ME: Hhe you can't wait to get home that why

YOLANDA: you have no idea I missed my  
mom so much

ME: ahhh look at you,I hope you there's no  
husband waiting for you in Swaziland

She looked at me and bursted out with  
laughter

YOLANDA: realy now husband, i dont even  
have boyfriend

ME: (laughing) you'll never know,I wish you  
were not leaving

YOLANDA: it's just 1 week only you wont even notice that I'm not here

ME: ofcourse I will notice,you are the only friend I have now remember?

YOLANDA: they still not talking to you?

ME: yep and I don't care I think they too much for me anyway.im happy where I am I said locking my arm with hers walking to the parking lot.

YOLANDA: and where are we going?

ME: to have last lunch together before you hit the road and you paying

YOLANDA:No you supposed to pay I'm the one whose leaving remember

ME: fine let's go to KFC I'm craving for their sweet chili twister so much.

We finally reach the parking lot.these days I'm not driving myself but uncle Shibase is my new driver.

ME:uncle

SHIBASE:Mantombazane (girls) where are you going today?

ME; to the mall we really hungry

SHIBASE: sure

And we left.

NEXT DAY

You should see yolanda right now,the smile on her face is priceless I'm sure she didn't sleep at all.

She's flying to SWAZILAND today so we driving her to the Airport.

LONDA: and we here

YOLANDA: thank mr mkhize

ME: or grandpa Londa

Dad pulled me by my ear

YOLANDA: yes mr..I mean uncle londa

ME: ouch dad that was painful

LONDA: serves you right ,get the bags out

ME: but that men's work

He just looked at me and took Yolanda's bags out of the car.

We stayed with YOLANDA until it was time for her to leave

ME: I'm going to miss you

YOLANDA: I'm going to miss you too

She said hugging me

LONDA: uhambe kahleke nkosazane

YOLANDA: thank you uncle

She pulled her suitcase and walked away from us

ME: "Love you so much"

she yelled back

YOLANDA: Ngikutsandza kakhulu nami(I love you so much too.)

And she disappeared and we walked back to the car.

But before we reached the car I noticed something.

ME: dad

LONDA: Yeah

He was focused on his phone

ME: why is that guy looking at us like that?

He looked up and said

LONDA: which guy?

I pointed to that direction but he was no longer there

ME: he was just there dad with a scariest look ever

LONDA: how was he black or white

ME: he's white

He didn't reply he just opened the car door for me and we went back home.

**\*\*NDUMISO\*\***

Is it crazy that I'm living with someone and we haven't been out together yet?

But today he's taking me out,even though I'm stuck in this closet because I can't find anything to wear,sigh.

By the way the past 3 weeks have been awesome,I've got to know the forever happy Nongcebo she's such an angel,she welcomed

me with an open arms and I see that makes Londa very happy.

And Londa what can I say, he's my blessing from above, what I like the most about him, he makes it is for me love him and I'm free to be myself around him actually I feel protected.

Talk about protection I'm always surrounded by bodyguards even at work there's always someone outside my door not that I know why but he just told me that I needed them and I hated them at first but all that changed when Thami rocked up and demanded to see me and they showed him flames.

Oh Yamkela showed up too to accuse me of bewitching Thami.

I just told her to go and get his crazy husband because I don't need him I told her I moved on I don't need her psycho husband. She walked out with a tail between her legs.

enough about the Zikalala's I need something to impress my man.

"Babe"

I jumped a little

ME: hey

LONDA: are you ok? You've been here for a while now

ME: I can't find anything to wear

ME: what if it's a bomb?

LONDA: security would have detected it babe open it

I decided to open it and there was a card on top of something written

"DONT WEAR SOMETHING UNDERNEATH "

I looked at him and he had a huge smile plastered on his face.

ME: you did this

LONDA: did what?

I removed the paper wrap ,there it revealed the most beautiful dress, it was white with a touch of black. short but not too short it was with cream shoes and White fur coat

Aybo the guy chose the dress for me I don't

been in my thigh since we left the house.

ME: Maybe we should just go back and

meet you before we start the ceremony.

ME: oh Congratulations

They both said thanks.

NARRATED

The celebration was going well ,speeches  
were great almost everyone made a speech  
congratulating the couple.it was time for the  
Emotional Zodwa and Muzi to say their  
speeches.

MUZI: wow I don't know where to start. Firstly I would like to thank everyone for sharing this day with us,I know some of you flew all the way from Paris the Garcia's and Brandon from Argentina thank you guys. But one person I want to thank the most is My Wife.

"I remember when I introduced my wife to my dad he asked me one thing,he said muzi are you ready to take a bullet for her? My answer was yes,he said good because even if she's the shooter you have no right to run.

I said what? He said when you run away ,who are you running to? Because she's your home if you run away from the her bullet its means you leaving your home behind.

What I'm trying to say is that I'm glad I found a home in you Mazuma,37 years with you has been nothing but a blessing, we cried together, struggled together, lost together, gained together, laughed together

all in all we did everything together I love you Sthandwa Sami( my love ) .

"there's no one who ever loved me like this person

he said pointing her

"not even my own mother,yeah I'm going to say this .even my own mother didn't love me like how Mazuma loved and love me

I pray to God that he takes me first like I said before "till death do us apart "I want to die first because if God takes you first I'll never survive that.

Without you I'm weak ,actually I'm nothing ,everything I achieved it's because you were here next to me.

I love you so much you are best

People clapped for them

They shared a kiss

no women was left with a dry eye after that speech

ZODWA: I think my husband here said everything.

But I guess I can add the few things.

Ladies I'm going to tell you this love exist don't let the cruelty of this world fool you ,I repeat love exist.

37 of my marriage I never went to bed angry or crying because of my husband.

But the thing I learned about love is that if your man love you truly it easy to submit and respect him.

I love you my husband,I didn't know that my first boyfriend would be my soulmate.God knew exactly what he was doing when he led me into you.

Thank you for loving me Khabazela, thank you for choosing me again,again and again. She said wiping her tears muzi.

AMANDA: ok I think there's nothing more we or I can say beside that congratulations again to my parents you guys are inspiration to us all.

I want everyone to raise their glasses and

Make a toast to Mr and Mkhize

EVERYONE: mr and mr mkhize Cheers

An hour ago she came out of surgery they said she going to be okay, she's heavily sedated I've been sitting here right next to her bed for a while without saying anything it's like I just lost the ability to speak.

I'm grateful that Camilla is here she's the one whose been interacting with the doctors. Unfortunately Amanda and mom left

because apparently Kiyara And Sofia  
couldn't sleep I guess they still traumatized.

YARA: hey

I feel like having something stronger

ME: yeah she's perfect,I hope she'll be able  
to forgive me because I don't think I can live  
without her

WOMAN: GCINEPHI sukuma ( GCINEPHI get up)

MZIMELA: ngithe msuseni ngoba akakwazi ukuzihambela ( I said move her because she can't walk on her own

CONTINUATION OF INSERT #19

**\*\*NDUMISO\*\***

After removing GCINEPHI "Esigcawini " the ceremony continued.

Zodwa and Hlanzeka finished giving out gifts

to the bhengu deserving members.

After that people were shown the way inside the tent and caterers were ready to serve food.

ME: "Finally"

I said sitting down

ZAMA: yoh the sun showed us fl....ahhhh

ZAMA: I don't ...ahhh

Every eyes were on her

I called her I could see that she was in pain

"GIVE HER SOME AIR"

Says one of the people,zama was now moarning in pain.

" SOMEBODY GET HER SOME WATER"

londa and his brothers came in a rush,in a heartbeat sihle had her in his arms.

SIHLE: zee baby where does it hurt tell what going on

She just pointed her tummy then she started coughing

LONDIWE: (crying) oh my God she's coughing blood

SIHLE: baby what....what did you eat? What the fuck did she eat?

ME: (crying) she just drank water that she took from NTOMBI

MLONDI: bafo(bro) she needs hospital now "AYBO nangomunye ewa"(here is another one fainting)

more people fainted my eyes were still on Zama and sihle who was busy calling her name, people started running around helping.

Sihle got up and lifted Zama in bridal style and ran out with her.

My eyes couldn't believe what was happening around me it was like I'm in a dream or something.

I was brought back by Londa shaking me with a terrified look on his face.

LONDA: NDUMISO!

ME: mm what going on

LONDA: I've been shouting your name did you drink anything, water, juice anything

He asked with a panicking voice

ME; no I didn't...why I mean why do yo ask

LONDA: Ntombi's aunt put a poison in the juice

ME: what? Londa no do you mean (crying) zama...

I started panicking realizing that Zama is actually in danger

LONDA: baby love calm down ok ,they took her to hospital,

He said hugging me and I couldn't hold myself

NARRATED

Police Van's, Ambulances were all over the Bhengu Homestead. total of 12 people were rushed to hospital along with Zama and

Ntombi who couldn't believe what her supposed beautiful day has turned into.

COP: what really happened here mam  
he asked MASTHOLE

MASTHOLE: babuphoyisa ufake ushevu ejuzini manje kade abantu besesigcawini khona ekade befika bezocela amanzi okuphuza kodwa besibanika ujuzi esisola ukuthi ibonake laba asebephuthunyiswe esibhedlela (mr cop she poured poison in the juice, and during the ceremony some people came to ask water to drink but we gave them juice instead. our assumption is that they are the ones whose who were rushed to hospital

POLICE: Manje ubani onesiqiniseko sokuthi umufi uye ofake ushevu ejusini ( so whose sure about that the deceased is the one who put poison in the juice )

"Uzivumele yena phambi kwabantu ( she admitted it, in front of everyone

Said Mzimela to the cop

COP: so you decided to take a law in your own hands

MZIMELA: Ungangbalike ( don't count me )

He said passing the cop

The cop just gave up taking statements because everyone was saying the same thing and they looked and sounded very sure about it.

The cop indicated to his colleague that the must take GCINEPHI's body who was beaten beyond recognition.

It all started After getting her in the house from "esigcawini "

Bab Mzimela told her that she must speak the truth about her evil ways towards

NTOMBI but she refused and denied

knowing what Mzimela was talking about.

After that Mzimela instructed Mr Bhengu to burn impepho(insence )

"NGCOLOSI YOUR ANCESTORS JUST MUTED OUR PRINCESS THEY WANT YOUR SISTER TO SPEAK OUT,I SEE BLOOD AND TEARS I....

he couldn't finish because Nongcebo came in running and informed them about Zama being sick.

Mr bhengu burned the insence that when Gcinephi started acting like a mad woman,She got up and ran outside

BUKIWE: oh my God mom your legs are working again

Said her daughter BUKIWE

Gcinephi just laughed out loud And started saying things like "NGZOKE NGBONE( is will see)

"You all gonna die courtesy of miss goody two shoes here

She said pointing at NTOMBI

BUKIWE: mah what going on

GCINEPHI: ( CHILLING LAUGHTER) she wasn't supposed to be born but no she came and took my daughter's place to my brother

NTOMBI: aunty what are you talking about?

MRS BHENGU: uyenzelani lento oyenzayo

GCINEPHI

GCINEPHI: oh please another pretender you pretended like you love my daughter as your own while you were abusing her

MRS BHENGU: I've always treated Nozipho like my own daughter

People gasped shocked by news that NOZIPHO is not Mrs bhengu's daughter because those who were close with them knew that Mrs bhengu treated nozipho and Ntombi equally,they couldn't tell that one of them wasn't hers.

BUKIWE: mah are you saying ....

She asked with tears

GCINEPHI: she came and ruin everything that why I decided that she must die today,she's a little witch,she even managed to trick someone to marry her really how can you marry something so worthless with a No name child

P1" AYBO UYEVISA LOMFAZI ( hey this woman is craz

P2: she's very insensitive people are sick

because of her

P3: Masimshayeni ( let beat her up)

GCINEPHI: ( Laughing) I forgot to say that I added some spice in the Squash(juice)

She said laughing some more.

That when the people started beating her up,mrs bhengu tried to intervene but it was too late and dangerous.

They took her outside the gate and started hitting her with anything and everything calling her a witch .

Ntombi started feeling cramps on her stomach,mtoti asked her if she was okay but her answer was to faint in his arms.

**\*\*NGCEBO \*\***

Never thought I would see someone being killed in front of me but it happened.

But i don't blame people she was an animal. to think that she planned to poison everyone including her kids I think she was something wrong in her head.

MENDY: exactly

YARA: (crying) I wish I could've seen something

MLONDI: it's not your fault mami

ZODWA: let's pray

We all held our hands together and we started praying.

cindy said wiping a tear

CINDY: Thank you sihle for loving my friend, thank you for giving her one thing she ever needed the most in her life of which was love.

"Ladies and Gentlemen let's raise our

glasses and make a toast to ZAMA ZEE

CINDY: LONG LIVE MY FRIEND

people started moving around looking into  
the beautiful garments. Admiring and  
complimenting every piece.

CINDY: has anyone seen sihle

She said asking to Mkhize ladies,they turned

ZODWA: I hope so.

After that they all made their way to their cars.

**\*\*NTOMBI\*\***

He took of his blazer and threw it on the couch.

I just gave him a stare and he picked it up fast.

he went to hang it and came back.

ME: do you think he's coming?

MTOTI: ofcourse he's coming babe don't stress

He said rubbing both of my arms

ME: I'm realy scared of him

MTOTI: he doesn't hate you,he knows it wasn't your fault Mamakhe

ME: but why does it feel like it,babe that poison was....

MTOTI: Ntombi! I said stop

He said that with a stern voice

" we've been through this 100 times you didn't kill anyone ok?

I just nodded like a kid

MTOTI: good now let's go we have a family to entertain

ME: ( SIGH) ok let me get out of this dress

I'll be down soon

MTOTI: Ngyakthanda( I love you)

He just walked out without hearing my response

I started taking off my clothes and I changed to a simple dress.i even changed breast pads, for someone who have small breast I surely had tons of milk in them. I'm not complaining Owethu Is well fed because of them.

I still remember the first time she sucked my breast I couldn't hold myself my heart was jumping with joy.all that happened 2 month after being born prematurely.

As if Zama's death wasn't enough we had to deal with Owethu acting up heart everyday.but with God grace my baby made it she's now 6 month old she looks exactly like her father,we named her Owethu Zama Mkhize.

I felt like Zama died in my baby's place

I still remember it like it was yesterday, she fooled us all, she was smiling all the time saying she's ok, but she knew she was leaving.

we lost her, doctor said the poison literally shut every organ inside her body.

Sihle couldn't take it, every family member was in pain.

I was worse my supposed beautiful day turned into tragedy

One thing you need to know about the Mkhize's is that they hold each other, when they cry they cry together, when they happy they share that happiness together.

You would think mlondi is the Serious and scary one between brothers but hey he's the sensitive one, he couldn't stand seeing his little brother in pain I don't know who was crying the most between the two of them.

Today we opened a Fashion house for Zama it was beautiful her name will live long .

Ohh we also having a welcome dinner for

Owethu,ay I don't understand but that what Amanda said.

I finally got down stairs

Noise, you'll swear that we in a shebeen.

I met the cute malwande,he actually ran to me

MALWANDE: mama baby foyowing wande( mommy baby is following Lwande )

Ohh the baby is Owami by the

way,malwande calls every kid a baby

ME: what why is he following the baby?

I said picking him up

MALWANDE: LLKDHGGGHBHJ mamah susi ay I didn't get the first part

ME: you want juice

He just left out a smile with countable teeth

YARA: i wonder what that Kruger wants

She said with her forever smiling self

MLONDI: aybo ingane yami loyibiza nge

Kruger mami( that my son you calling a kruger

She just rolled her eyes of which caused him

to melt ay mmm these two

YARA: but he is,you know malwande if he wants something he tells everyone in the house to make sure he gets it

ME: ( Laughing) he was just complaining about that Owami is foyowing him

We all laughed

AYANDA: he must just speak "isizulu"

English doesn't love him

AMANDA: aybo he's just 2 you knew nothing about English when you were 2 malwande is so smart actually

SIZWE: ouch you just burned him aunty

They laughed and he just showed him his middle finger

I looked around everyone was saying something to someone,they all seemed happy ohh beside Londa and Ndumiso those two I think they more best friends than lovers,they fights and play like siblings but what visible between the two of them is the deep love they feel for each other.

She's crying I wonder what she wants this time.

She better give birth soon before she runs out of tears.

My thoughts are interrupted by shouting mother in law

ZODWA:Ngzokhahlelake Londa nekhanda elikhulu( I'm going to kick you Londa with a big head )

LONDA: but ma...

ZODWA: Shut up go get them now

She said rubbing Ndumiso's back

He got up and rushed out

ME: and now?

Whispered to Yara's ear

YARA: (whispering) apparently she told him that he want chicken feet since this morning but he ignored her

ME: ( laughing) I bet she didn't

YARA:( smiling) trust me he knows nothing about that request

we both chuckled. then Sam( Yara and

Mlondi's chef) informed us that the food was ready not that anyone paid attention specially the guys who were busy fussing around owethu.

Then sihle walked In i think i froze a little,yeah its safe to say I've been avoiding him for months now

"Baba"

that Owami running to him

SIHLE: hey big boy

He said picking him up

SIHLE: ( groaning) ay you heavy now young man

OWAMI: but daddy says I'm light like a paper

Everyone chuckled

SIHLE: ( smiling) he's lying you strong like an Ox

OWAMI: what is an Ox baba

SIHLE:an Ox is a big strong cow

OWAMI: Its an ox but it's a cow? But why is called an Ox if it's a cow

MUZI: ( laughing) I told you Mtoti this one is a lawyer

MTOTI: now I agree bhuti

OWAMI: what is a lawyer mkhulu( grandpa)

ME: lord Owami

SIHLE: ( smiling) yes go to mkhulu so that he can explain what is lawyer to you

He said putting him down

OWAMI: Ok but I'll be back to hear about Ox

He said walking away from him and everyone bursted out laughing

SIHLE: Ay I give up

MTOTI: ( Laughing) you just can't get rid of him bhuti

SIHLE: clearly bhuti

The bro hugged

SIHLE; "ladies" they all responded and his eyes turned to me" Mangcolosi"

ME: ( Whispering) hi

I just lost a voice

SIHLE: I haven't seen you in a while, you good

He said giving me a warm hug

ME : yeah I'm good thanks

SIHLE: ok now where's the food I mean its dinner party but wait who came up with a dinner party for a 6 months old?

Everyone pointed Amanda and bursted out laughing.

AMANDA: what? I was trying to spice things up

MANDY:yeah right

SIHLE: ay athi ngbona usingaye( let me go and see the miss party)

I guees after that encounter with sihle I started relaxing

MTOTI: You good

He asked wrapping his big arms around me

ME: (Smiling) yeah I'm alright

He perked my forehead

MLONDI: ok love birds we are hungry

NTOMBI: "sorry guys let's make our way to dining room please:

NARRATED

They were now all seated in a long table at Mtoti's House, ready to have dinner together

ZODWA: let's hold our hands together and pray

They all held hands

NDUMISO: where's Nongcebo

NGCEBO: I'm here

She said walking in

YARA: ayibo where do you come from I haven't seen you in a while

NGCEBO: I was in my room on video call with Yolanda

NDUMISO: uthi how is Swaziland?

NGCEBO: she just can't wait for school opening next week

MLONDI: It's better to be Yolanda

SIHLE: maybe it was Orlando

Everyone chuckled

NGCEBO: lol it was her phela today it's her 23rd birthday

Ndumiso choked on her chicken feets

NDUMISO: Yolanda is 23?

AYANDA: ay ntwana you lying

NGCEBO: serious I thought she was lying

\*\*LONDA\*\*

MlonDI looked down hearing stinging words from his son

AYANDA: I know you my dad and I have no right to question you but what will happen if mom leaves you? You will go back on being a cold dad, a cold brother and cold son to grandma and grandpa? Is that what you want?

MLONDI: No I don't want to go back to that place

AYANDA: but that will happen when mom leaves you.

MLONDI: I'm going to fix this boy I promise

AYANDA: I hope you'll be able to dad because if mom leaves trust me I'm going with her.

He said getting up and attempting to leave He managed to get hold of him and hugged him.

MLONDI: I'm sorry boy, I'm sorry for disappointing you, I'm sorry for making your

mom cry,I'm sorry for everything please forgive me give me another chance.

"Your mom is angry with me and I can't stand seeing you angry with me too boy

AYANDA: (sniffing) I'm not angry I'm just disappointed dad

MlonDI let out a huge sigh

MLONDI: "i Guess that went well"

He said to himself starting his car driving out.

**\*\*MTOTI\*\***

I decided to wake up early and make a breakfast for my bae.

I wanted to thank her for the great sex we had last night damn she's a little beast that one.

In the kitchen I was busy whistling when I heard some one says

"SAWUBONA SBARI"( hello brother in law)

ME: Sbari unjan ulalekahle ( sister in law did you sleep well)

NOZIPHO: at it's okay I didn't know you were up already

ME: no ay it's ok I w...was

INSERT #24

**\*\*NDUMISO\*\***

I lifted their picture frame which was on the  
side of the bed.

A smile crept in,they looked like a one person ,I still couldn't believe that they were mine sometimes its felt like I was just baby sitting for someone else's but the fact was that they were mine,I was their mother they made me feel special.

they were my pride and joy.

I placed the frame down and I turned to a mirror.

I started inspecting my body,loose skin on my not so flat tummy,stretch Mark's here and there

In my mind I was like " it all worth it"

I was about to lotion my body my phone when my phone started vibrating,it was video call from my Man

ME: hey babe

ME: ok some of us are preparing to sleep now

LONDA: ok my love will talk in the morning I love you and my boys give them a kiss for

me

ME: ok we love you too

He blew me a kiss and hanged up

**\*\*LONDA\*\***

After talking with babylove I left the hotel that I was staying in and headed to my meeting.

I was now seated to the restaurant after asking plain water from the waiter.

10 minutes after my arrival,I finally saw him walking in,after let his eyes to wonder for a while he finally saw me and then he walked straight to my table.

" MKHIZE"

he said looking at me like I'm some kind of shit

ME: "Zikalala"

I said extending my hand for a handshake of which he didn't take

ME: Suit yourself

THAMI: Why am I here

LONDA: straight to the point

THAMI: I don't have all day mkhize I'm a busy man

ME: owky I'm here because of NDUMISO

THAMI: what about her? If you here to gloat..

ME: no no no I'm not a pussy Zikalala I'm actually here for something serious.

He looked at me

ME: I want NDUMISO

THAMI: What do you mean you want ndumiso because I thought you already have her

ME: I want to marry her

He eyes popped out

THAMI: What? And why are you telling me this? I knew you were here to gloat you know what I don't have time to sit here...

He said getting up and he was now yelling and everyone started noticing us

ME: stop acting crazy sit down and don't think I enjoy looking at your ugly face if it was my choice I wouldn't be here.

He slowly sat Down fumbling

ME: Look Zikalala if it was for me I wouldn't be here,I still hate you for everything you put my woman through

He looked down

THAMI: what do you want

ME: As a Zulu man you know by tradition Ndumiso still belongs to the Zikalala

ancestors so I came here to tell you that I want to pay Lobola to your family for her

THAMI: wow

That all he managed to say

THAMI: so you came all the way...I mean..

ME:I had other things but this was my main reason and just that I'm not here to ask you bt to inform you

THAMI: So when do you want to this

ME: ok that was rather easy

THAMI: look man I love Ndumiso what I mean Is i will probably always love her but me and her I know that ship sailed long time ago. Its hurts a lot but she deserves

someone who will love her unconditionally  
and I guess you that person so I'm not  
going to stand in her way of happiness any  
longer

ME: can I shake your hand now?

I asked getting up

THAMI: ofcourse

He said taking my hand

THAMI: don't be like me,don't hurt her man

ME: I won't

THAMI: good so hit me up when you ready  
so I will fly out

He said taking his keys

ME:thanks man

THAMI: pleasure and thanks for telling me I  
mean sitting down with me,I know I don't  
deserve any of your respect but thank you.

He said walking away with a sad expression

ME:Pleasure ,I guess that went well

I said to myself

LINDIWE: "I love you too Yoyo now go we don't want you to miss your flight"

She said pulling out from a hug

We took my bags to a car and we hugged for the last time

LINDIWE: Work hard Yoyo say hi to Noncebo

ME: ok mom I will Bye

I said waving to her, she waved back smiling and the car drove off I was already missing her.

The thing is me and my mom have always been close .

drunkard or not she always been my number one.

We finally arrived at the Airport.

As soon as I took my bags out of the car I recieved a message from Shirt owner

TSHIRT OWNER: Where are you?

Yep I still saved him as that, I answered him back

ME: just arrived at the Airport

SIHLE: "ok dont take you flight, One of Mkhize jet is about to land there in your airport so you will catch a ride with it"

I knew better not to argue with him and yes

he always tell me things straight I guess asking is not on his vocabulary

ME: Ok Mr Mkhize

I said that on purpose

SIHLE: sure Orlando

I knew his reply was just a payback for Calling him Mr Mkhize.

"I'm sure you asking yourself on what happened, why am I busy exchanging messages with the "Scary guy".

The fact is that me and him have been talking everyday since the day he bought me a phone,yep I've learned that his a very funny and crazy guy his sence of humor is on another level.

So I can safely say for the past 2 month I got to know a lot about him.

My thoughts were interrupted by a speakervoice that was making some announcement

SPEAKER: Orlando Dlamini please report to gate 4 your flight is here"

My eyes popped out, did she told people that I was Orlando instead of Yolanda wow. I pulled my bags and followed their instructions

When I got to gate 4 I found some beautiful lady, flight attendant to be exact.

HER: hi you must be Orlando Dlamini  
She said chuckling

ME: hi I'm actually Yolanda but I guess you can call me that

She continued smiling

HER: I'm Noxolo by the way you can follow me

She said taking one of my bags

ME: thank you

I said to her as we made our way to the private jet

NOXOLO: just go in don't worry about your bags you can take your handbag only

ME: ok thanks

I took my bag and I made my way inside oh my oh my the jet looked exquisite,

I looked around admiring the beauty that was inside.

The interior...I was amazed,until I heard someone clearing throat.

I lifted my eyes up.The he was standing near the window wearing all black he look like some kind of a sexy agent or something.

SIHLE: earth to Orlando

He said waving his hand infront of my eyes,that when I realized that I've been drooling and that he was now so close to me

ME: H..hi you back?

He was out of the country for the whole month

SIHLE: hey,yes I'm back missed me?

He said before giving me a hug,he smelt so greeeeeat.

ME: no I didn't

SIHLE: ohh is that why you blushing

He asked with a smink

ME: I..

SIHLE: minake bengikhumbula ( by the way I was missing you)

He finally dissappeared and my mind went back to Nozipho and Bukiwe's situation.

What happened to NOZIPHO being happily married? SIGH

**\*\*NDUMISO \*\***

NGCEBO: I feel bad that I'm here I didn't know dad was going to have a trip

NGCEBO: will do

After that she hung up

I was really missing her, she was in Paris visiting the Garcia's.

One thing I learned quickly when I got into the mkhize family is that The Garcia's are also considered as family to them.

I continued driving until I reached Yara's house, it was my first time driving with my boys alone.

Yara invited me for an outing and unfortunately it was off day for nanny so her husband offered to babysit

ME: we here boys

I said after parking in their driveway, after that I took their car seats and we headed inside.

I couldn't knock because my hands were full luckily the door was open so I just walked in, headed to the kitchen area because that

when I heard yara's giggles.

When I got there they were busy smooching eating food in each other's mouth,they looked so cute.

MLONDI: ouch mami you abusive he said after yara slightly hit his head

YARA: babe stop eating my food

MLONDI: but we were sharing that strawberry baby

YARA: no we are not sharing and you got the bigger piece

MLONDI: ok I'm sorry it just that that berry looked so beautiful and appetizing in your mouth that why I wanted to eat it,I want to eat you now

He said devouring her lips holding her waist Just right there I knew u had to do something before i become subjected to Live Porn

ME: (CLEARING THROAT)

The slowly pulled out kissing

MLONDI: ohh hi Madlamini

He said rushing to me taking the car seats

ME: hi

YARA: hey

she said hugging me

ME: hello

YARA: are you good how are the boys

ME: They great they been behaving

MLONDI: that how mkhize boys are,we

YARA: oh please, ok let me go and dress up

She said climbing the steps,she was still  
wearing a gown

ME:thank you and you look stunning

YARA: lol with a gown

She said disappearing upstairs,and I was  
just wearing Navy ripped boyfriend jeans  
Red Loose shirt and Red Strap heels

MLONDI: So missing my brother

He said looking exactly like Londa and that  
creeped me out and he noticed

MLONDI:( laughing) this is me,remember me  
MaGarcia's husband ?

He said showing me his ring

ME: (chuckling) yeah I miss him

MLONDI: atleast you can see him when you  
look at me

He said picking up Ole

ME: yeah even though its creepy

He just continued laughing

MLONDI: So whose this one

ME: that one is Ole

MLONDI: ok atleast they wearing different  
hats, Ole blue,Azi Green ,Ole Blue,Azi Green

I just laughed at him the way he was saying  
it

ME: so you ready to babysit 4 Babies

MLONDI: ay Khwezi and Sbani are big guys  
now so much focus will be on these two guys

I just looked at him

MLONDI: Fine I'm not ready ( laughing)but  
I'm sure i will manage

ME: ( smiling) ok thanks you

MLONDI: You don't have to thank me

Madlamini these are my kids

YARA: Our Kids you mean

She said coming down now wearing maybe last inch of baby pink stilettos and Short royal Simple yet so elegant dress,too short if I tell you,She looked so gorgeous,her man couldn't take his eyes off her

MLONDI:Ye..yes our kids Mami.

ME: wow you look ...I love your dress

YARA: thank you I guess this guy has a taste after all,he bought it for me

MLONDI: I did?

He asked with her eyes all out

YARA: yes and thank you again baby I love it  
SHe said kissing him on the lip,he just looked so defeated

YARA: ok Melanin mommy let's go  
I took my bag

ME: call me if there's a problem

MLONDI: don't worry I've got this

ME: Oky

MLONDI: mami I love you

YARA: I love you too

She said heading out

MLONDI: I love you more call me

We were now outside,yara rolled her eyes

YARA: oky I will,why would i call him

ME: ( chuckling) he wants update

YARA: he's such a baby that why

After that we took my car,30 minutes later  
we were parked to this fancy Beauty Parlour.

We made our way inside

When we got inside it was empty

ME: why is it empty

YARA: ( Smiling) because your man sister  
booked the whole thing for us on

ME: Realy? Wow

YARA: yes wow pity NTOMBI couldn't join us

ME;Yeah

We were ushered to where we changed to  
gowns then we were ready to be pampered.

To be honest it was nice and all but my mind was on my kids

We spend hours at the Spa, massages facials, manis and pedis we even waxed yep I looked like a baby down there winks

What I've noticed about yara, she can open up very easily.

When we left the spa we went to late lunch I ordered see food while yara ordered Mexican

YARA: I feel so refreshed

ME: I feel like a new person

YARA: that was the plan I know managing infants is not easy trust me I know

ME: they are handful shame

YARA: so having another soon

ME: what? No never

YARA: ( laughing) you better take precautions because Mkhize's are strikers they can score shame

ME: trust me I'm already on the pill doctor put me on them because after birth I was bleeding heavily so I've been taking them

since

YARA: yes mam that the way to go I...

Her phone rang interrupting us

YARA: BABU MKHIZE( Mr Mkhize)...yes..

mmm oky....so you will...ohh ok right I'll see you now now ....yeah love you too

ME: he misses you already?

YARA:yeah and apparently the press is on us

ME: ohh

YARA: yep

shortly after that 4 big guys walked in to the restaurant i guess yara knew them because she got up after seing them,one of them went to speak with the manager

YARA: babe let's go

We quickly rushed out but at the back door of the store,escorted by those big guys.

We got in the car not my car different car.

YARA: this is part of my life I hate the most person can't eat like a Normal person to a damn restaurant

She was angry

ME: so my car?

YARA: Oh give me the keys so that they will take it home

I handed them to her and she handed the to one of the big guys.

YARA: Can we go now

"Yes mam"

Answered one of the guys

YARA: thank you

We drove off 30 minutes later they left me at Zimbali,yara said I mustn't worry about my kids Mloni will deliver them.

ME: these bloody shoes are killing me

I said to myself taking off the heels,after that I took off rest of the Clothes I was left with my panties only

I looked myself in a mirror,i was obsessed with a mirror i guess.

my skin had this glow I guess those body oils worked wonders.

I even noticed my stretch marks were slowly fading they were not visible like before and

for that I had my mother inlaw to thank.she the one who bought me a lot of things for stretch marks.

Talk about mother inlaw i remember she did the same for Ntombi ,that woman is the best,she showed me that not all mothers in law out there are monsters,the way she helped me with my boys,the way we would share conversations,the way she love our kids equally its amazing she's such an amazing woman.

Thank God my boobs are still intact they still look like before.

" NICE BOOBS"

I almost had an heart attack,I covered them with a towel fast before turning to him

He stood there leaning by the door with his hand tucked in his pockets

ME: I..umm

I looked down the words couldn't come out

LONDA: babylove

I lifted my head fast

ME: Baby..is that you

I attacked him with a hug

LONDA: wooh somebody realy missed me

ME: I though you were your brother Because he supposed to bring the boys what are you doing here

I asked with a smile and a relief I was still hanging on him with my legs wrapped around him

LONDA: ( laughing) I missed you too much so I thought I should suprise you

He said kissing me all over my face causing me to giggle

ME: I missed you too

He walked with me still wrapped around him and placed me slowly in the bed while kissing the hell out me,I got wet immediately

LONDA: ( whispering in my ear) I missed you my love....and you smell so great.....

**\*\*YOLANDA\*\***

SIHLE: here

he said handing me juice

ME: Thank you

SIHLE: Are you ok?

ME: yes I'm ok

I said sipping some juice,ofcourse I wasn't okay,

To how did I get here,in a apartment with my friends sexiest father?

It all started with an emergency landing at Capetown due to complications that the jet was experiencing,we waited,waited and waited but things were still not right that when Sihle decided that we must come to one of their apartments here in Capetown.

SIHLE: I don't bite you know that and I won't do anything to you

ME: umm...

SIHLE: unless you want me to do things to you

He said that with a smink

ME: no its okay

SIHLE: oh it's okay for me to do things to you

ME: ( chuckling) No!

SIHLE:(laughing) ok oky fine,so how was Swaziland

ME: it was good

SIHLE: any boyfriend,husband that I should prepare to kill?

ME: aybo why would you kill them?

He just chuckled and changed

SIHLE: You look soo sexy

ME: so your other name is Mlungu

I asked trying to change the topic

SIHLE: ( frowning) what did you just say?

ME: Is your....

I noticed the immediate change in his face he looked angry

SIHLE: I heard you,who told you about that name

ME: Its right....

I was trying to explain that is was written to one of his picture frames that was in the

wall in front of me

SIHLE: don't you ever call me by that name  
do you hear me

ME: I'm sor...

SIHLE: I said do you hear me?

I just nodded like a kid

ME: I'm sorry

I said quickly rushing to the room that he  
said I must use when we came in

SIHLE: YOLANDA

I ignored him I got to the room and locked  
the door,I threw myself on the bed wiping  
tears that just came out voluntarily

SIHLE: Yolanda....Yolanda I'm sorry please  
open the door so that we can talk..I  
didn't...babe please

I just buried myself on a pillow and I let out  
fresh tears.

Why was I crying?

INSERT #25

\*\*LONDA\*\*

I tried to ignore the vibration action of my phone next to me,I ended up checking who was busy messaging me so early in the morning.

The time was 5 am and messages were from My Twin.

MLONDI: .. You Motherfucker I'm sure you doing Round number 10 now while Mina Ngingabhebhile nakancane ngenxa yengane zakho( I'm sure you doing round number 10 while I haven't fucked at all because of your kids)"

I laughed I knew he was pissed,me and baby love enjoyed each other too much yesterday I ended up asking wifey( Yara) for the boys to spend the night with them and she agreed with gracefully.

MLONDI: ENGATHI LINGANGAVUKA ( I wish you don't get Erection )

It was all last night messages

I placed my phone back next to me,shifted my focus to my beautiful melanin next to me

she was sleeping so peaceful.

I started caressing her face she looked beautiful couldn't miss her beautiful lips and her natural long lashes.

There I was brushing her back hoping that she would wake up and help me with my throbbing hard dick.

Previous night had been amazing that why thinking about it got me hard again immediately. its wasn't helping that her ass was pressed hard on my crotch I needed her so bad.

ME: Baby...love..open your eyes

(Silence)

ME: My love....

Still she wasn't budging so I decided to take matters in my own hands.kissing the back of her neck was the start,she moved a little.

I traced my fingers down to her pussy,not leaving her neck,she flihed as I was rubbing her pussy slowly

"Mmm"

That was her letting out a soft moan shivering, showing that she was feeling some sensation.

I pushed my fingers between her pussy lips, pushing them deep inside of her.

She was so wet and so tight I guess she was still swollen after last night fucking I mean after 4 rounds I still couldn't get enough of her. but who was going to blame me?

Starvation for the whole 2 month is not a child's play.

she was moaning with her eyes still closed as I fucked her with my fingers and minutes later she coated them with her juices, her voice was so sweet and hearing her moan my name brought more sensation to my body

NDUMISO: ba...baby..

She said opening her beautiful eyes

ME: baby love

I said sucking her lower lip

NDUMISO: ahh...I..why you up..?

She asked between her moans

ME: (whispering) " BECAUSE IM HARD FOR YOU BABY"

NDUMISO:mmmm

I leaned up and pushed her onto her back and she instinctively opened her legs,moving her body down.i took my dick and I started rubbing the tip to her slippery clit all the way down to swollen labia slowly, she groaned and shivered while calling out my name,she was about to release that when I began to put the tip of my dick pushing it into her pussy,she gasped and clamped her teeth down onto her lip,

NDUMISO: "ITS TOO BIG BABY"

Those words just escaped from her mouth unexpectedly, I wanted to laugh how can my dick grow overnight??

We tried again,the tip of my dick only just pushing it way inside before she told me to stop again.

ME: is it sore baby?

She just nodded and said "A little"

I just got down between her legs and began eating her out,trying to warm her up,she just began going wild,moaning out and clamping my head to her with her legs,she was enjoying every second.

She then started to cum and Squirting out all over my face while screaming my name ,there was now a huge wet patch beneath her.she was still trembling when I got onto my back,I though we were done but I was wrong!

She moved her way down to my dick,moving her lips onto it and inserting it into her wet warm mouth.she pushed it down and into her mouth Spluttering as it hit the top of her throat,it felt amazing.She was using her tongue to make the tip of my dick feel things it had never felt before and trying her best to push as much as she could down on her throat of which that caused me to scream

like a bitch.

It was one of the best blowjobs I had ever had from her.as I was about to shoot my load on her mouth,She then moved her naked body up on mine and straddled me. taking hold of my dick into her tight pussy,she flinched a little that when I told her it's okay we can stop but she just shook her head,she had lost the innocence look she had on her face and turned wild on top of me,she was magnificent.

She guided my dick into her pussy,stopping every few seconds and slowly moving up and down to get it fit inside her.that drove me crazy

My dick was now gripped by her pussy,I couldn't move because I thought I was going cum.seeing her pussy stretched over my dick was satisfying and sexy.

She began moving her frame up and down,bouncing slowly she was amazing at grinding we had to go slow and the longer

we did this the more movement I had inside of her.

Her boobs were bouncing up and down with her but I couldn't even look properly because I knew I was going to blow,she lent back on her hands and used her hips to thrust up and down on top of me,I couldn't stop groaning and calling her name.

I bit my lip as she got faster,biting her own lip and moaning out as she fucked mr,She rode Me like a maniac .i couldn't hold my orgasm any longer I began to cum inside her,my throbbing dick shot my load deep inside her tight pussy.she moaned as I filled her up and moaned again as she pulled herself off me,my cum dripping out of her pink cunt .

She collapsed next me still catching her breath

ME: You such a crazy lunatic sexy....damn baby ...

NDUMISO: ( smiling with her eyes closed)

I spanked her big ass

ME: "IM WIFING YOUR LUNATIC ASS "

**\*\*YOLANDA\*\***

They say sleep is like death because its comes unexpectedly and shut you down.i guess that what happened to me previous day after crying my lungs out.

In the morning I woke up with mother of all headaches.

ME: "ouch"

I said getting up, heading to en-suite.

I splashed water in my face and looked myself in the mirror.my eyes were puffy.

Decided to go back to the room and retrieve my Toiletry bag I needed to shower I slept in jeans after all I felt like I was stuffy or something.

While I was taking shower my mind went back to yesterday Mr mkhize... I mean sihle outburst I remembered his face . If you think I was scared of him I was now terrified by him.

After taking a shower and all I wore my Puma tracksuits and Puma sneakers which Nongcebo bought for me as my birthday gift. Talk about Ngcebo I missed her so much Headache was still driving me crazy I decided to go and take painkillers but I didn't want to see sihle.

ME: "I hope he's still asleep"

I said to myself.

I unlocked the door and opened it,I swallowed my words so fast because there He was standing tall in front of me ready to knock.

I think I almost peed on myself

SIHLE: Hi

He said looking straight into my eyes as usual,I swallowed hard trying not to show how terrified I was

ME: Hi( whispering)

I suddenly lost my voice,I cleared my throat..."HI"

I said trying again.

**\*\*SIHLE\***

The Terror in her face when she opened the door to me , it was like she just saw a ghost or something ,she was so scared of me,and I quickly noticed her puffy eyes and that broke my heart into pieces.it was official I was the biggest jerk in the world.

ME: Yolanda I....

I got interrupted by my phone and it was unknown number,so i decided reject it but it rang again.

ME: Mkhize Speaking

" Usuwumkhize ksuka ninike wena( since when are you mkhize)

SIHLE: I do miss her...but i don't love her anymore.

He said that with a sad face

YOLANDA:if you don't ...I mean Why are you sad after saying you dont love her anymore

YOLANDA: how do you know she wasn't your soulmate

SIHLE: Because the minute I met that person I immediately forgot about her even my heart immediately replaced her.

YOLANDA: were you in love with her?

Today I'm not feeling well,period pains are killing me.bloody periods,this thing waited the schools opening day to come after being quiet the whole holidays,sometimes I wish I was a man.

Its first day of the second term in school,I can't say that I'm thrilled about that but anyway school is school and they say Education is the key to success and Success is what I'm going for.

I decided to wear black jeans,black shirt and black converse and I was good to go.

"Honey I'm home"

That was one and only my roommate Xoli

ME: please go back where you come from, is these the time to get to school?

We both laughed and hugged

XOLI: I come bearing gifts, how are you?

She said pulling her suitcases in handing me Macdonald Paperbag

ME: mmm you forgiven, and I'm sick and you decided that I must stay alone for the whole 5 days

I said sipping coffee, she brought breakfast for me

XOLI: whew sorry roomy ey things were hectic and bae didn't want to let me go

ME: I'm on my way as we speak

SIHLE: If you get worse by lunch time just

I've been staring her for a while, opening my eyes to her innocent face this morning felt like a dream.

She angry and she cried so much yesterday that I had to slip some tablets in her juice of which she didn't even want also. but it helped because she fell asleep immediately.

I've been stealing some kisses here and there her lips are too appetizing for me to resist.

ME: Morning Princess

Talking about pride my mom would be so disappointed to hear that I slept in man bed. everybody knows love make you make crazy things like hitting a man should I say

somebody's baby daddy who I haven't even said I love him back. But the truth is I love him I really do but he's having a baby with another woman.

Am I ready for this? What if I fall for him hard and he sees the need to be with his baby mama because of their child? Sigh Let me get out of here before he calls me again.

I think he's a neat freak, everything is bright especially white, even his towels are all white. I'm now in his room, what am I gonna wear? he's the one who insisted that I must stay couple of hours as for me I was ready to leave

I see a simple black Nike tshirt and in his bed and some short I guess these will do. Shirt look good on me but shorts no can do they too big on me, i guess I have to get back to my Jean's. i cant find my shoes but there his flops they little bit big they size 8 but hey....

ME: can we pray

He looks so suprised

we do get to choose our friends. You have  
been closer than family to me. I can talk to  
you about anything, and you always make

me feel better.

It is hard to find words to express just how much your friendship means to me.

Then the guys gets in following each other quietly,Yolanda stops.

NTOMBI: Carry on babe

YOLANDA: i can speak the about you the whole night my friend.

"my prayers for you today is that May God's goodness and mercy follow you all the days of your life. Love shall continue to fall on you in pleasant places, what you'll have all through your life is nothing but joy. God will perfect everything and anything that concerns you. You finally made it to another new year in your life, a year of perfection. God will give you all-round victory in every sphere of your life, the Angels of the Lord will surround you to keep you from falling.

They will carry you through this year and your days will be filled with joy.

To a wonderful soul full of love and life, you're indeed a blessing to me and to everyone around you, your restless spirit full with love and happiness is one of those things I cherish about you, your level of intelligence and wisdom surpasses all and your gentle soul is what makes me wonder what an angel you are.

"I am really proud of you and your achievements, the road hasn't been really smooth but you've made it this far and I can only be happy and thankful to heaven for you, you're my champion and my best friend. A soul like you is hard to find and a friend like you rarely exist, I'm indeed the lucky one because I've got a friend with the most amazing soul. You're really worthy of my celebration.

A best friend is someone who challenges you to be a better person, someone who can't

stand to see you sad or in tears, someone who stays faithful, loyal and committed to what you both share and someone who would stand by you in thin and in thick. I'm glad because that's exactly what you are to me. When I had nothing, you stood by me, you gave me hope where I had once lost it, you showed me light when I was in darkness, you show me the way when I couldn't find my path and you gave me friendship when I had no one for me, you're indeed a rare gem and I will keep celebrating you every day of my life. I'll always value my friendship with you from now till the end of time, you're intelligent and full of wisdom, you're just the best anyone could ever have or think of. Happy birthday my one in a million friend. My name is Yolanda Dlamini that girl who had only 2 outfits to wear at varsity for 8 months, but you came and changed that. "I'm that girl who you found with bloody

pants because she had no Sanitary towels but you came and changed all that.

I'm now on my way to bab sihles house,I love Durban but floods in the middle of the day turn off.

20 minutes later ,Ngcemu the security opens and greet me I wave and drive in.

I've been pressing the bell for so long but nothing I decide to push the door luckily it open.

ME: yeah I heard some babies don't like cold weather

SIHLE: let me go and put her to sleep

ME:Ok

He climb the stairs slowly and carefully so that he wont wake her.

I look around and start picking up sphiwes clothes which are all over the place

SIHLE: hee babe I still get confused by her

clothes so everytime when I bathe her it  
always like this

ME: I see hurricane Catherine

We both laugh and picks up the clothes

SIHLE: pity the person you came to see is  
asleep

ME: luckily I'm here to see you both

SIHLE: yey....thank you for coming

ME: so???

SIHLE:(Smiling) so???

ME: how are you? How being a single parent  
treating you?

Ugh sighs and say

SIHLE: you know what I feel like cooking so  
let's go and cook together

He says pulling me up by my hand

ME: I'm a visitor I'm supposed to be  
pampered here

SIHLE: unfortunately ikini la so you will do  
the cooking for ubaba wakho oyimpohlo(for  
your bachelor father)

I giggle and follows him to the kitchen area

ME: ay that not fair

SIHLE: sorry and you not leaving today

SIHLE: did you see the rain? It's heavy I don't want you to drive in this condition I roll my eyes

ME: so what are we making?

I asked opening the fridge

SIHLE: Anything is fine with me as long as it food nje I'm in

I decide that I'm going to make pork chops,vors,pap and salads the weather permits after all.

ME: Great I need help with onions

SIHLE: Ah why onions you want to see me crying

I chuckle and hands them over to him

ME: you won't cry unless you a chicken (laughing)

SIHLE: hey I'm still your father wena He gets right into it and I focus on

marinading the meat

SIHLE; so how is Yolanda?

Here we go again

ME: she's good

He focuses on the onions

ME: you miss her?

SIHLE: Ofcourse... all the time...but she's better off

ME: why?

SIHLE: I'm not in a right space or should I say I don't know if I'll be able to give her what she wants.

SIHLE: sorry babe I didn't mean to scare you  
I think now is the write time to change topic

ME: but you know we here if you need help right?

SIHLE: Ofcourse ofcourse how can I forget

ME: good let's finish up here before the

floods take us

SIHLE: We must die with full tummies

ME: Yes single daddy

SIHLE; who knew I'll be baby mama drama free right now I mean

He says wiping non existing dust on his shoulders

We both laugh,he's really into this by the way the reason Sphiwe has one parent right now its because she's special,she was born special her mother abandoned her the day she was born because she was not what she was expecting.

Her being born with albinism was enough reason for her to run for the hills." WHAT KIND OF BAD LUCK IS THIS" that what she said when she saw Sphiwe for the first time Bab sihle was so happy to even care about her rejecting her own child,I remember bab sihle cried when she saw her,not because he was ashamed but because he was happy that his angel was alive and healthy since

that day he vowed that he's going to be her Mother and Her father.

She's one month already still hasn't heard anything from CINDY if you ask me I say it good riddance.
