A blurry sight...

Intro

Me: Can someone please help me!

I'm scared. I might die! And what frustrates me is that my father is the reason I'm kidnapped.

This room is dark and..scary. I'm just an 18 year old kid who still has a bright future ahead, now I'm punished for my father's sins? Just because my father could not pay back the money he borrowed?

Me: i promise he's gonna pay it back! I promise!

Still no one answered. I guess i was there the whole night? And I'm still tied up. I heard a girl singing. Sounds like she's close by

Me: hello!? Is somebody there?! please help

me!

She kept quiet and i saw a shadow next to the door

Me: please help me! please help me i beg you

Girl: is somebody in there?

Me: yes! yes! please help me! please

Girl: wait..uh..uhm..I'm coming

She opened the door after sometime and i saw her approaching me.

Girl: what's your name?

Me: I'm shandre

Girl: Gabby

Me: okay Gabby , Please untie me

Gabby: my father locked you up?

Me: yeah...I'm scared he might come back

She touched my body and her hands were busy moving around my thighs, its dark and i can't see her.

Me: what the fuck are you doing? Just untie me

Gabby: wait..

she sounds nervouse because her voice is now shaking

Me: can't you see the knots?! please i wanna go!
Just hurry!

I felt her hands moving down on my legs then she got to the big knot

Me: Please hurry!

Gabby: I'm trying!

She's panicking now

Me: try harder! I'm scared as fuck!

Gabby: I..i can't!

Me: what do you mean you can't? Just untie the..

Gabby: i can't see!!!

I got silent.

Gabby: I'm blind...

Gabby: What's the date today?

Me: huh?

Gabby: what's the date today?

Me: the 29th of April

Gabby: Okay..okay

I heard her breathing out

Gabby: let me just..ohhh..done

My legs were freed up.

Me: You forgot my hands

Gabby: oh?uhmm..okay wai..

Me: please try to just hurry

She moved her cold hands up to my stomach then around my arms and she's at the back now

Me: Gabby..

Gabby: yes?

Me: relax

Gabby: Okay

she breathed out. And after a few minutes of struggle my hands were untied. I stood up in a

hurry

Me: Is anyone home?

Gabby: just me and yo..

Me: thank you so much bye

Gabby: you wel..

The door opened and the lights turned on.i
think that's her father! He is scary fuck. I looked
at Gabby and her hat from her hoodie is
already over her face

Him: Gabby

Gabby: just let her go

She sounded calm

Gabby: she did not do anything.

Him: I was actually about to let her go

Gabby: oh?

I widened my eyes in disbelief

Him: Your father payed.

Me: he..he did?

His; yes. I don't know how, but he did.

Me: i told you he will

Him; yeah yeah, now leave

I quickly walked to the door

Him: you pathetic little boy

Me: Sir I'm not a boy!

He turned to face me

His: did you just raise your voice at me?

Me:sir, with all due resp..

Gabby: Shandre leave

Me: I'm..I'm..sorry

I turned back to the door. What he said

honestly pissed me off

I'm Shandre, an 18 year old lesbian (non-label) that came out 2 years ago but my parents never took it well. I'm currently repeating grade 11 . I live with both my headless parents and I'm the only girl with my older brother who's also hustling at his best. Well we did go bankrupt and my father had to borrow money from that dangerous loanshark. I thank God i made it out alive

Me: am i allowed to go outside atleast?

Mom: no

Me: why?

Mom: its not safe

Me: what if it gets to a point where i have to go to school?

Mom: i don't know shandre. I don't know

She touched her forehead

Mom: but you can go

Me: thank you. don't worry about me. I'm a big girl

Mom: Be safe

Me: I'll be back mom, relax

I went to a local friend of mine called Ayanda.

Ayanda: they said you were kidnapped

Me: and?

Ayanda: urgghh nevermind, i knew it was a lie

I rubbed my neck

Me: it was actually true.

Ayanda: really?

Me: yeah its a long story though

Ayanda: when did you come back?

Me: two days ago

Ayanda: are you okay now?

Me: i guess so.

Ayanda: lets go buy something to eat

Me: I'm actually kinda broke

Ayanda: i got you, relax

She pushed my shoulder and we both went to the tuckshop. I honestly don't know how i got over what happened to me. Maybe it's because I'm chilled or i got the idc attitude

Ayanda: look at that granny

Me: granny ?

Ayanda: i think she's crazy

I looked at the granny she was pointing at. She did look confused and crazy.

Ayanda: she can't see the way, so sad

I shook my head chuckling

Me: you know i was helped by blind girl?

Ayanda; stop lying

She was holding her laugh

Ayanda: Stop playing with me

Me: braa for real

Ayanda: what's her name?

Me: shit i forgot. Abigail or something?

Somewhere there

Ayanda: player!

I rolled my eyes

Me: Ayanda you know i don't play girls

Ayanda: i know

Me: i just forgot her name.

Ayanda: you remember her face?

Me: you think i saw it?

I raised my eyebrow

Ayanda: That's just awkward

Me: for real

I scratched my ear

Ayanda: what do you know about her?

Me: nothing, i just know that she's blind

She sighed

Ayanda: and?

Me: she can sing

Ayanda; is she better than you?

Me: she is, imagine!

Ayanda: yohhh, you finally accepted that someone is better than you

I paused

Me: yeah, now keep quiet.

Ayanda: haa Shandre!

Me: you talk too much.

So my brother stays in KZN and I'm currently in

Gauteng. Yeah neh its wack! So my parents said i MUST pack my bags and go visit him. I'm honestly very excited. When last i saw him?

Mom: you better behave baby

Me: its not like I'll stay there forever

Mom: come here

She's crying and she hugged me so tight

Dad: the fact that we almost lost you makes us worried

Me: i love you guys

Mom: we love you more

We group hugged.

Dad: make sure you dress up as lady

He winked and i laughed. My mother softly chuckled. I got inside the bus and it drove to KZN. Pietermaritzburg, nice. I got off the bus

and my brother who's tall as fuck was already waiting for me. I honestly ran to jump on top of him!

Me: Troy!

Troy: Awe Awe

Me: you're worked up what the fuck!

I got off him

Me: how long is my holiday?

Troy: let's ride to my crib first

Me: okay

We got inside he's friend's car. His name is Akhona? Yeah. We arrived at his crib and it's clean. Wow. Two rooms? Nice

Me: where you get the money at?

Troy: I'm a hustler

Me: ohh

Troy: catch

He threw something at me. I checked and its a brand new phone. He said i must give him my old phone and he broke it

Me: Askies? I had my whole life there

Troy: be grateful i got you a new phone

Me: its nice, i mean..its ncah its advanced

Troy: whatever

I laughed and sat down with him

Troy: what you want? Weed? Alcohol

Me: The fuck? I do none of that stuff

Troy: I'll corrupt you then

Me: No nigga you better pass that thought

Troy; you miss home?

I looked at him

Me: i miss Ayanda

Troy: pshh

Me: how long is my visit here again?

I frowned

Troy: about that...

I looked at him. He is one of the calmest and coolest people ik. He talks as if he doesn't want to. With those one word answers. He literally doesn't care about anything

Troy: you're gonna permanently stay here now, till you finish matric

Me: Caaaaa!

He gave me a form , i looked at it

Troy: You're already registered , you're starting next week, and make sure you don't repeat grade 11 again

Me: wait what?

Troy:you know i love you sis ,but it was mom and dad's idea

I don't cry y'all. Not in front of a person or people. I'm calm , i don't even shout unless I'm angry.

Me: my friends?!

Troy: suck it in

FIRST DAY AT A NEW SCHOOL

Me: Troy nah i can't..

I tried to turn back and he laughed stopping me

with his hand

Troy: you had a whole week to process this so i don't know, just walk in

Me: you still gonna buy me that thing?

Troy: its a promise

Me: can i atleast not wear a blazer..

Troy: you wanna be all thugish first day?

I rolled my eyes taking off my blazer and jersey. I combed my hair up real quick and i winked at him. He laughed and drove off with his friend. I inhaled some air and i walked in. I was getting a few stares. Yeah I'm the new kid so get over it. I went to the office and i asked for my register class and the school map. I got all of that and my first stop was at the bathroom. The bell went up, i just rushed myself to the bathroom. Atleast no one was there..i fixed my hair and a

girl that seemed like a hoe walked in shaking her ass. I looked at her smiling

Me: you're fine

Her: thanks

Her look was seductive. She smiled applying lip gloss.

Her: a lesbian? Here in this school?

Me: am i the first one?

Her: no we do have lesbians but not studs

Me: I'm not a stud

Her: you're still cute..

I chuckled fixing my shirt looking at her fixing herself too

Her: so vele you kiss girls?

I frowned

Me: obviously, that's one dumb question

Her: okay

Me: why ask ?

I side smiled

Me: you want me to show you?

Me: you know what? I'm joking

Her: are you serious?

Me: wait, so you really wanted me to kiss you?

She covered her mouth and i laughed. You must never take me serious

Me: let's forget that, I'm in Class 11B, please help me get there

Her: I'm in 12B

Me: mhmm

Her: I'm joking we're in the same class, let's go

I laughed and she introduced herself as Ssonguthando. But Sbo in short. We got inside the class and everyone was minding their own business i wasn't even noticed

Teacher: young boy please stand up

I looked around

Teacher: I'm talking to you

Me: me?

Teacher: yes

Me: I'm a girl

Teacher: girls must wear their grey pants with a

blazer and jersey otherwise they wear a skirt

Me: what If I'm not comfortable?

Teacher: that's your own problem

Me: i guess it's your problem too

She widened her eyes

Teacher: lesbians

I frowned.

Me: you got something to say?

Teacher: no

She looked at me

Teacher: can we please mark the register ?

I shook my head laughing

Teacher: Shandre Ameen.

Me: present mam

She looked at me.

Teacher: so you're new?

Me: as you can see

She sighed

Teacher: Feziwe you'll show her around

At break Feziwe said she wants to show me around the school.

Feziwe: The HOD's office is that side though

Me: okay

Feziwe: this is miss Ragoo's class

Me: seems like there's a lot of indians in this school

Feziwe: there's actually a lot of african students and a lot of indian teachers

Me: interesting

Feziwe: what are you?

Me: I'm a mix

Feziwe: what's that?

Me: nevermind

We kept quiet

Feziwe: you seem chilled

Me: that's because i am

Feziwe: are you kind? Coz you seem mean

Me: I'm honestly in between

Sbo's group passed us and Sbo was busy flirting

with her eyes , i faked a smile

Feziwe: she's a hoe

Me: i know

I looked at Feziwe

Me: where is the tuckshop?

Feziwe: that side, come I'll show you

She showed me where to go and we separated.

So this tuckshop has a dark passage. Okay cool,

i bought chips and i walked out, at a corner i

saw Sbo kissing this boy. She saw me and

ended the kiss. Gosh i never felt so irritated and

disgusted . She looked embarrassed, but i

walked off and in a split second she tapped me

Me: What?

Sbo: are you angry?

I looked at the side irritated

Me: I'm just disgusted

Sbo: I'm sorry

Me: why?

Sbo: you looked angry

Me: at you kissing that guy?

Sbo: yeah i thought you liked me..

I held my laugh. Now i miss Ayanda

Me: Babe, whether you're taken or not. for me, you are for the streets. Now please don't spoil my first day

I left her hanging.

Troy: was your day good?

Me; it was okay

Akhona: are you a lesbian?

I got inside the car and took of my bag

Me: i am a lesbian, why?

Troy: dad almost killed you when you said you will bring a wife home

Akhona laughed starting the car

Akhona: she really said that?

Troy: she's straightforward

Me: there's this girl called Sbonguthando

Akhona: Sbo?

Troy: the one from the location?

I looked at them and they laughed

Troy: she's a hoe

Me: i was about to say that, but it's chai

Troy: you miss home?

I pushed his head

Me: you love asking me dumb questions

Troy: I'm still your older brother

Me: so where are we going?

Akhona: to my apartment

Me: is it clean?

Troy: am i untidy?

Me: no

Troy: i love clean friends

Akhona: Ayke fuseg

I laughed and i layed back creating my social media accounts. I Searched for Ayanda on

Facebook , sent her a friend request and she accepted it

Ayanda: "Are you still alive?"

Me: "sorry but I'll be staying in PMB now 😞"

Ayanda: "it's not like i missed you or something, stay there"

Me:" tf?"

Ayanda: "block me or I'll block you"

Me: "feel free"

She blocked me. And i felt like crying. Ayanda was basically my life

Troy: let's go to oval

Me: aren't we in town?

Troy: its where ncah cherries are

Me: can't we turn and go home?

Akhona: why the mood drop?

Me: do you think I'd really explain myself to you?

Troy turned to look at me

Troy: Akhona braa, just turn

Akhona: yoh

Troy: your moods are crap

Me: why do you care?

Troy: someone dumped you?

Akhona laughed

Me: I don't remember Shandre worked up over being dumped

Troy: yoh sorry then, don't bite me

A Blurry Sight...

08

Troy: are you okay?

I was in bed busy on my phone and i even skipped dinner.

Troy: Akhona just left

Me: I'm sorry about what i did today

I set up

Me: this other friend of mine..Ayanda?

He rubbed his chin

Me: she ruined my mood, but that's a story for another day

Troy: she stole your girl ?

Me:dude I'm single

He laughed

Troy: you got your eyes on somebody?

Me: nope

Troy: nobody has a crush on you?

Me: it was literally my first day at school so i don't know

He laughed

Me: and i don't give a fuck

Troy: what about Sbo?

Me: she wants me but nah, i wanna fuck somebody who has a clean cookie

Troy: her cookie is dirty?

Me: a lot of things were jammed in that thing I'm sure

He pushed my shoulder

Me: your kinda things

My face looked disgusted

Troy: my dick game ain't wack

Me: did you know that i can satisfy your girl more then you? That i can make her orgasm 5 times in one round?

Troy: you know nothing about orgasms. Shut the fuck up and sleep

I laughed and he stood up

Troy: coz you're bored, ask sbo out and see if you can change her hoe tendencies

Me: i don't wanna waste my time

Troy: just for fun, please control her, physically, emotionally and mentally. She'll change, plus you look good

I looked at him

Me: I'm sure you're a heartbreaker!

Troy: Uhhh...duhhh

Me: WHAT?!

Troy: I'm joking, relax

We laughed

Troy:but do it just for fun...besides mom ain't here she won't know

Me: so my older bro is corrupting me?

Troy: just think about it

Me: i still wanna go to heaven

Troy: Flop

He pushed my body undercovers and i slept.

The following day As i was walking to school this stud was by the gate.

Me: Awe

Her: Awe what's popping?

Me: you're a colourd?

Her: Yea

Me: you're waiting for someone?

Her: well yes, my mom is inside she wants to transfer me here, She's just taking in a forms

Me: can we be friends?

Her: you seem cool so why not

She gave me her tenz

Her: im Jorjily

Me: call me Shandre

Her: Awe member

Me: Awe

We fist bumped and i got inside the school premises. Sbo avoided me and her friends kept on looking at me with ups and downs. I don't care..

So, i thought about what Troy said. I'll be changing her not controlling her, besides i can do whatever i want . I'm not with my parents so I'm about to have some fun. Plus, i ain't sticking my tongue in that thing.

You guys know that when its After school everyone is all over the place, so i pulled her outta that space

Sbo: Yini? Ungbambelani?

Me; girl chill

Sbo: you finally know the secluded areas of the school

She laughed

Me: is it where you kiss your boyfriends?

Sbo: haybo, yazini uyangjwayela wena! Fuseg

She wanted to leave and i held her hand

Me: I'm sorry that came out wrong

Sbo: why am i here?

Me: about yesterday..I'm sorry

Sbo: Mxm

She folded her arms and I'm so irritated right now. Why am i even thinking of changing her, i don't even catch feelings

Me: look at me

Sbo: what's there to look at?

Me: you are hurting my feelings

Sbo: yeah coz I'm from the streets

Me: no you ain't..

Sbo: yes i am

Me: no you ain't..

I smiled bringing my face closer to her's

Sbo: i am..

Me: i said you ain't..

I tried keeping that eye contact and she faced down blushing

Me: what's wrong?

Sbo: Stop doing that

Me: what?

I started flirting with my eyes and lips

Sbo: Shandre

Me: what..?

I pulled her body closer to mine and i looked at her

Sbo: you are turning me on

Me: am i?

As I'm talking my lips are touching hers a

little .I'm just teasing her coz i won't kiss her.

Sbo: Shandre please..please i beg you to get a lil nasty

I softly laughed facing down. I softly pushed her to the wall

Me: what you said?

Sbo: i want you to kiss me please. I beg..

Me: check here, what the fuck is this?

I held her hand and we both looked at it. I acted as if I'm looking up but i was actually aiming for her lips. It was unexpected i know, i

kissed her lips slowly and she placed her hands around my neck and i held her closer, the kiss was good but she then used her tongue and i thought of the boy she was kissing

Me: mhmmm

I pushed her softly, i made her not notice I'm disgusted by kissing her cheek while choking her neck. I let her go and she was all smiles. I took my bag and i walked backwards looking at her and i turned to walk out of school and straight to my house.

Me: she can kiss, but she needs to know when to use her tongue

Troy: She's nasty

Me: i..well she is but its just disgusting

Troy: you have to teach her

Me: i don't wanna waste my time. So no

Troy: then she'll disgust you forever

Me: definitely not forever. Even a person that can't see can know what knots to untie

Troy: huh?

Me: Nothing...I'm just thinking out loud

As we were about to sleep i called Jorjily.

Remember her? Yes, so i called her and she answered

Me: Awe awe

Jorjily; Shandre?

Me: yes, you're game for drinks afterschool tomorrow? You'll wait for me by the gate

Jorjily; okay I'm game

Me: nice , sleep tight

I dropped the call. Woke up the next day and did the usual.Akhona took me to school. Sbo

was waiting for me by the gate and she made me hug her, she made the hug intense.

People now think we're dating

Me: The fuck?

Sbo: Thought you're my baby now

We're whispering while hugging

Me: now you're making it public?

She let me go and she kinda looked irritated she even faked a smile

Me: let's go

Sbo: Shandre bu..

Me: Let's go..

Im already irritated so gave her the look and we walked to the toilet. I checked if no one's coming, as i turned she smashed her lips on me, she even made me grab her ass

Me: whooaw girl chill..

Sbo: but i wanna...

Me: you fuck every person you kiss?

She pulled out.

Me: let's keep it lowkey, stop being a hoe

I fixed my shirt. i walked out the toilet well I was actually gonna fuck her but she turned me off idk why. I just hate hoes. I was sitted with Feziwe at all my breaks and yeses she loves talking. I was avoiding Sbo. I'm really not feeling her but i like how she's wild at the same time too, but something about her turns me off. Its Afterschool and for saying sorry i just held her hand. The boys behind us kept on placing comments. I looked at them with ups and downs. We carried on walking and i looked at her, i pouted and she laughed. I hugged her

as my "girlfriend " outside the gate. A minutes later someone tapped me

Me: Jorjily

Jorjily: braa you good?

Me: yes

I Told Troy I'll walk today. So me and Jorjily walked up the road

Me: where are you from?

Jorj: Durban

Me: mmh

Jorj: you're a stud?

Me: i fucken don't do labels

She laughed

Jorj: I'm just a stem

Me: good for you

Jorj: are you not in the mood to talk to me?

Me: no

Jorj: your tone sounded off

I put my hand over her shoulder

Me: that's just me. And i never see a problem with it but you're not the first one to complain about this

Jorj: ohh now i see. You're an Aquarius?

Me: yeah, you?

Jorj: I'm a Virgo

I laughed

Me: Gang Gang

She also laughed

Jorj: so that fucked up girl is your cherry?

Me: Sbo???

I pulled her disgusted facial. We both laughed

Jorj: you like her?

I looked at her

Me: a whole Shandre serious with a hoe like her?

Jorj: you kissed her though

Me: a kiss is just a kiss phela

Jorj: flop

We sat down on top of the rocks looking at cars passing.

Me: Imagine kissing with your tongue in daylight! Daylight!

She looked at me

Jorj: you don't like using your tongue?

Me: i do use it, but not in 2 minutes of kissing.

Maybe when we're both turned on or deep

within the kiss. She must first feel the kiss
before using her tongue

Jorj; What if she was horny?

Me: then that's her problem

Jorjily chuckled

Jorj: i feel you though, imagine going French in
public and its hot

Me: IMAGINE! those aren't the rules!

I clapped my hands

Jorj: But your tongue ain't for kisses only right ?

I looked at her, i held my laugh while pointing
her with my finger

Me: Shut up

Jorj: I'm just asking

I fixed my collar

Me: i know she needs her cat slurped

I smirked looking at her

Jorj: Dude cut it off

Me: hawu what?

Jorj: keep that info to yourself

I laughed

Me: I'm just saying

A Blurry Sight...

Me: why didn't you do a haircut

Jorji: too bad?

Me: I'm joking , you look nice

She fixed her shirt. Fyi , its her first day at my new school and she's also in my register class

but we chose different subjects

Jorji: I'm nervous

Me: come with me

Jorji: we be looking fine asf

Me: Take your jersey and blazer off, and wear a cap. I'll wear a beanie

Jorji: where will i fucken put my blazer

Me: you got a bag right?

Jorji: okay

She did just what told her

Me: member you're fine

Jorji: Cavv

She turned around, and i laughed. She got disturbed by a girl that was passing us to the school gate.

Me: you wanna chow her?

Jorji: arhh wait

She looked at her again

Me: dude you're checking her out!

Jorji: shut up

She was turning red and i carried on laughing.
We walked in and the bell rang. Even though
she was nervous i made her relax, We got
inside class and Sbo's group was eyeing us.

Teacher: you're new?

Me: she is

Teacher: y'all sisters?

I looked at Jorjily and we laughed

Me: I'm not even a colourd mam

Teacher: okay, what's your name

Jorji: Jorjily Tattam.

Voice: Hey Jorjily..

Jorjily looked at me holding her laugh and i turned to the back.

Me: who ever it is , she's available

The girls screamed and Jorjily faced down.

Me: I'm also available , if you didn't know

They laughed, i saw Sbo getting angry

Me: I'm joking i won't do that to my baby

She smiled.

Teacher: okay that's enough, let's mark the register.

After school i decided to take sbo to my house.

Troy was there. He pulled me aside

Troy: i thought you said you ain't fucking her..

Me: eish

I brushed my head

Me: check, i wanna see if I'm still game

Troy: I'll turn the volume up dont worry

Me: Awe. I'll give her a baby, trust me

Troy: fuck off

Me: no , I'm fucking her

I jogged back to my room and she was sittted on my bed. I locked the door, Troy increased the volume. I indicated with my hands that she must come kiss me. She stood up and i gave her a side smile. We then kissed, i tried keeping it formal but things just got heated.

Me: what you want?

Sbo: you

I took her shirt off and her boobs looked fine. I

pushed her to my bed and i sucked her breasts.

Sbo: i love you

I paused looking at her face. GIRL I DON'T FEEL THE SAME! I just wanna fuck you

Me: okay

I kissed her neck and she was holding my my cheeks. I took her grey pants of and i spanked her ass we even laughed, i made that eye contact.

Me: relax

I kissed her on the lips again and our tongues kinda played with each other "you're getting nasty" i said that and she stopped biting her lips.

Undressing. Kissing. Licking.Touching and exploring each other...trust me, you got my heart!

Sbo: Shandre please just do what you gotta do.

I rubbed my thumb on her pussy and she inhaled

Sbo: Shandre..shandre

Me: No shut up, table manners!

She bit her lower lip i stopped to kiss her. She slightly moaned while i was kissing her

Sbo: Stop torturing me

Me: Call me daddy

Sbo: Daddy please

I then really squeezed her boobs. I think this is gonna be my addiction. Man i love foreplay!

Y'all still good with my storyline?

A Blurry Sight...

Sbo: So what are we?

She layed her head on my chest.

Me: Sbo you're a hoe

Sbo: but i love you

Me: you met me like a week ago

Sbo: yeah, so?

Me: you're pretty, you don't deserve a lesbian like me

Sbo: or you don't deserve a girl like me

Me: i did not say that

Sbo: you did not have to

She stood up wearing her clothes and her body is fresh as fuck i even started checking her out.

Sbo: what?

She was fixing her tie

Me: you're just..

I quickly wore my vest and held her arms as she was about to leave

Me: i don't hate you, i just don't have a romantic vibe or attraction for you

Sbo: then what was that? Huh?

She even had tears in her eyes i frowned

Sbo: I'm tired of being used Shandre, I'm tired of being used for Sex then people call me a hoe! I'm not a prostitute! You just love hearing negative rumours from people!

Me: but i saw you kissing a dude

Sbo: that was a dare

Me: a dare?

Sbo: a dare to make you jealous coz i thought you also liked me

Me: what about your "other" boyfriends ?

Sbo: i sometimes...i some..

She sat down

Sbo: Ngkhule engekho ubaba. So i just feel like they'd give me the love i never got from him. And i started being the "problem child" to my mom and now i wanna change

Me: is that my problem?

Sbo: Shandre..

Me: and doesn't that make you a hoe?

Sbo: I find that very offensive Shandre, don't call me that

Me: God forbid.

Sbo: so you really don't have feelings for me ?

Me: no

I looked at her. I can't even lie

Me: my feelings for you are sexual.

Sbo: so you just wanna fuck?

Me: yes

Sbo: it's okay we ca..

Me: Sbo

I held her arms

Me: you can't fuck someone coz you like them.
Leave them alone and move on. That cake of
yours mustn't be seen by every guy or girl.

Sbo: but you sai..

Me: fuck what i said. just do what you wanna
do for once. And only for yourself not for me!
Or anyone else...

She sighed

Sbo: i also wanna fuck

I chuckled then i looked at her from her legs up

to her face

Me: you don't wanna give up neh?

Sbo: I'm not weak

Me: i didn't say you were

Sbo: but you thought i was

Me: okay I'm done here

I opened the door for her to leave and she shook her ass out. She got drama, and i don't like drama.

Troy: i had to leave this house for you guys to naaai each other properly

Me: Cut it off

I was writing homework. And he sat down next to me with a can of Beer.

Troy: Spill the tea

I looked at him

Troy: what?

Me: Stop tryna be gay

He laughed pushing my shoulder

Me: Her moans are sexy

Troy: Her pussy is clean right ?

I blushed

Me: Yes

Troy: see? Don't turn down some free pussy

Me: get outta here

We stayed up until 00:00. The next day Jorji was waiting for me by the gate and we're

walking together. It's honestly a walkable distance but school is far.

Jorji: what took you so long?

Me: i slept late

we shoulder bumped.

Jorji: i scored myself a girl

Me: and I fucked sbo

She laughed looking at me

Me: i told her i just wanna fuck

Jorji: she looks obsessive.

Me: yeah neh

Jorji: just date her then when you finish matric next year, you'll dump her

Me: I'll look like a player

Jorji: so?

Me: i don't hurt feelings

Jorji: you already did by telling her you just wanna fuck

Me: 2 full years dating Sbo?!

Jorji: come on.

Me: Yohhh

Jorji: Keep yourself busy

Me: you and Troy are a bad influence

Jorji: mxm

Me: tell me about your girl

She laughed

Jorji: She's cute.

Me: what's her name?

Jorji: Haybo

Me: never mind then

We got to school did what we always do then
at break i followed Sbo to the bathroom. I
made sure no one's coming

Sbo: are you following me

Me: we need to talk

Sbo: why are you so calm?

I pouted and she laughed.

Sbo: what's wrong

Me: just imagine you dating me

Sbo: i did imagine that but I might be over
you

Me: Girl stop tripping. I gave you back to back
good rounds with countless orga...

Sbo: shhh

I laughed.

Me: i don't like drama. If you wanna date me,

you better not have stories or men that'll kill me

She hugged me.

Sbo: bitch I'm loyal

Me: if you say so

She let go of me smiling

Sbo: so we're dating ?

Me: you want us to break up?

She pushed me against the bathroom door stopping people from getting in. We then kissed and people thought the bathroom door was locked. Sbo even started getting nasty and i stopped her.

Me: chill baby, chill

Sbo: i can't get over you

Me: you're gonna have all of me today, chill

I whispered and she covered her mouth blushing. We opened the door and we both walked out as if nothing happened , girls waiting by the bathroom to get in were already assuming we did some "stuff". I fixed my shirt while walking back to Jorji

Jorji: y'all fucked in the toilet?!

Me: no

I looked at Sbo from a distance and she also looked at me then i laughed facing down

Jorji: you're in for some shit

Me: tell me about it

Jorji: but then, you'll thank me later

Me: brah, you made me do this

Jorji: as if we don't have decisions or choices in life

She laughed irritating me

Jorji: you did this to yourself

It's honestly been 3 full months dating Sbo.
Well i kinda catched for her, i get jealous when
she's talking to other guys and she's not like
before. She changed

Jorji: can't wait to work for the police

Me: really?

Jorji: yeah, and find out what your brother is
busy doing

Me: My brother ain't shady

Jorji: I'm kidding.

Me: what are you wearing tonight?

Jorji: I'll be casual

Me: same

We were invited to a house party. I'm kinda scared coz i bet we'll be the only lesbians.

Me: Troy and his friend will take us there, be ready

Jorji: Awe

We split and went different directions. When i got home i set an alarm then i took a nap. It woke me up then i freshened up. Troy was with Akhona at the lounge

Me: Big bro, borrow me your White hoodie please

Troy: if you'll wash it

I definitely won't. I wore it and i put on his cologne and his wrist watch. I got out his room and he laughed at me since I'm wearing most of his things. We went to pick up Jorjily and she looked fine too. They dropped us off at the venue .

Troy: be back by 00:00

Me: we'll call you

I honestly love this kinda freedom I'm getting from Troy. We were getting weird vibes from a few people then i sat next to Sbo as she was bored coz i was not there.

Sbo: where the fuck were you? I tried calling you

Me: I'm here now

I gave her a thirst trap and she blushed.

Sbo: here you go again, not now. Not now

Me: okay I'm sorry

Sbo: you drink alcohol?

Me: no

Sbo: you smoke?

Me: nahh

Sbo: why your lips taste so good then?

Me: wanna taste them again?

We looked at each other for a good 2 minutes ,
She then smiled reaching for a kiss and a guy
stopped us. I think he is our age?

Me: and what's with you?

Him: Sbo you date girls now?

Sbo: as you can see

Me; wait..wait..

I stood up

Me: even if she did, i don't know how that would've been your business.

Him: we got history

Me: Braa don't embarass yourself like this

Him: you even have the audacity to stand up and look at me straight in the eye?

Me: You got a problem with that?

Him: Are you forgetting you wear panties?

Me: Are you forgetting you couldn't reach the spot?

Sbo covered her mouth. The guy is shaking and I'm just calm.

Me: ask yourself why she's with me

Sbo: babe

Me: i guess you need time to process this

I patted his shoulder and i sat down putting my arm over Sbo's shoulder then i checked her out .
The guy even walked away

Sbo: i love how calm and mean you are

Me: I'm not mean

Sbo: you put people in their place ,effortlessly !

Me: don't act as if i ever did it to you

Sbo: trust me, you once did

Sbo and Jorjily were to drunk to go back to their homes. So i called Jorji's mother and told her

she's sleeping with me for the night

Jorji: why didn't you say the whole weekend?

She was already up the next day and i was telling her to relax i called her mom and set up a story for her

Me: your mom is scary

Jorji: where's Sbo?

Me: she's still asleep

Jorji: why do you look okay? I wanna throw up

She touched her head

Jorji: my head is pounding

Me: TROY!!!

He answered from a distance

Me: WHAT MUST WE USE FOR A HANGOVER?

He shouted "Cold water with sugar" . I made

that for Jorji and she started sipping it.

Me: reasons why i don't want alcoholic liquids on my system

Jorji: You're boring

Me: I'm a legend

Jorji: mxm

Sbo woke up 2 hours later and she already looks freshened up coz she is wearing my vest and shorts.

Sbo: how do i look ?

Me: you look yummy

I went to kiss her and a cushion was thrown at us

Troy: can i please get some respect?

Jorji: They are too forward

They laughed

Me: you guys are boring

Sbo: Hey Troy

Troy: Awe Thando

She looked at him with ups and downs.

Me: Thando?

Troy: didn't you say her full name was
Sbonguthando?

Me: no

Jorji: i didn't even know her full name

I looked at Sbo who acted confused

Sbo: what? It's not like he's my ex or something

Troy: I'd neved date her

Sbo: you ain't even my fucken type

Troy: aye aye don't you dare..

Me: Baby go back to my room

Sbo: Your brother...

Me: trust me, you don't want me getting
pissed

Troy: you'd hate her if she's pissed

Me: Why are y'all so worked up?

I softly pushed Sbo to my room then i closed
the door.

Me: never disrespect my brother like that

Sbo: will you also tell him not to disrespect me
like that as your girlfriend?

Me: you heard me right?

Sbo: you ain't fai..

Me: Sbo...

She looked at me shocked then she folded her
arms frowning. My look was serious

Sbo: okay

She looked at me with ups and downs

Sbo: I'm sorry.

Jorji and Sbo left and went back to their homes and i was left alone watching soccer as Troy was not here. I got a call and answered it

Me: "Awe"

Voice: "Sweetie"

I stood up. My heart pounded

Me: "Im glad you still remember me"

Mom: "your father is here with me"

I rolled my eyes controlling myself from getting angry while Sbo also pissed me off a little

Dad: "Shandre..."

Me: "i honestly wanna know why I'm staying with Troy"

Mom: "Your father thinks it ain't safe this here"

Me: "And you think PMB is safer?"

I'm tryna stay calm

Me: "You know i did not even say goodbye to Ayanda?"

Dad: "Shandre your tone"

Me: "it's not like you'll come here immediately to smack me"

Mom: "Sweetie please breathe "

Me: "YOU GUYS AIN'T FAIR! YOU JUST AIN'T FAIR"

I breathed in and out

Me: "mom i need you right now, Troy can't comfort me as you do"

Mom: "please forgive us.."

Me: "just block my number, never call me ever again"

Dad: "Shandre"

Me: " Bye"

I sat down processing things and Troy came in

Troy: i heard you shouting from a distance, whatsuppp?

Me: you don't need to know

Troy: i bought us Pizza

Me: naah I'm full

Troy: Lil sis you okay?

Me: No bra! I'm not okay! Why the fuck did you talk like that to Sbo!? That's my girlfriend and you better say sorry to her!

I was already facing him and he put the pizza down

Troy: when i left here, i thought you and me were cool, what did i do? I'm sure it was not that deep. What pissed you off?

Me: it was not that deep?! Not that deep? Braa this place! This house! Everything that's around me right now is fucking me up! So yes, it is that deep

I rushed to my room and i locked the door and i threw my self on top of the bed

Troy; chipmunk

The name he used to call me when i was young

Troy: i hope you heal from whatever shit you

can't talk about

Silence

Troy: Okay?

I started crying silently. I don't even know who i am.

Its Monday and i don't wanna go to school but i have to.

Me: morning

Troy: morning

Me: I'm sorry about Saturday

Troy: it's okay

Me: i just missed home

Troy: i don't know what to say

Me: you don't have to say anything. Bye

Troy: bye

I walked with Jorji to school and she was also down as me. We saw a poster by the school gate and it's a singing competition. In Durban tomorrow. It will also include learners with disabilities but they must be able to sing

Jorji: I've heard you singing before and you're good

Me: i won't waste my time for this thing

She looked at me and i laughed.

Me: okay let's go fill in the forms

Jorji: you'll win either way so don't worry

Me: i won't. I'm not that good

Jorji: let's go then

We got the forms and i filled it in. Jorjily can't sing! She just cant, she can only dance and rap. I saw Sbo kissing this other dude in matric and he's built up, i think he plays Rugby and I'm scared of him

Me: Sbo is fucking me up for real

Jorji: don't go to her

Me: i will

Jorji: Shandre..

Me: I'll be friendly to the guy

Jorji: to her?

Me: don't ask

Jorji: oh god

I ran to them and i patted her shoulder

Me: Awe man

Him: yeah wassup? You disturbed what we were doing

Me: can i talk to her real quick?

Him: Sbo, after school neh?

She faced down fiddling her fingers. The guy walked away and i pulled Sbo by her braids to a quiet, private space of school.

Sbo: baby I'm sorry it..

I slapped her.

Me: so I'm a fool to you?

Sbo: Shandre I've never, ever been beaten by anyone in my entire life !

I slapped her again, i honestly just took out my anger on her coz she was already on the floor while i was punching her head and back. I stopped and i breathed in, she's crying and i

don't like seeing a person crying.

Me: Sbo..

Sbo: cela ungyeke

Me: you cheated on me

Sbo: you did not have to beat me up
though!!!!!!

I helped her stand up and now i regret myself

Me: I'm sorry

Sbo: i so wanna report you to the police

She wiped her tears off

Sbo: but i care about you and I'm also at fault

Me: I'm sorry

Sbo: no I'm sorry

She brushed dust off her skirt

Sbo: i know what i want neh

She looked at me

Sbo: and this is not it

Me: you're dumping me?

Sbo: i might be wild Shandre

I put my hands on my hips

Sbo: I might be a hoe and I'm sorry you saw that , but I'm not your punching bag!!!

After my break up with Sbo i just felt like i did

not get a chance to speak to her properly as i was also angry. I don't know how it got to the point where i beated her up.

Jorji: you're ready for the competition?

Me: yeah

She laughed and she's accompanying me to Durban as she knows where the venue is. I'm kinda scared. We both got there and i registered my self in. It's a very big place and i won't lie, there are people with disabilities here, there's people coming from other provinces too. I don't think I'll win

Jorji: I'll be by the crowd

Me: okay thank you

She smiled and walked off. I was at the bench waiting for my turn.

Me: you're up next?

I asked the girl that was next to me

Her: are you talking to me?

Me: yes

Her: i guess so

I chuckled

Me: okay.

A woman came to grab her arm as she was next.

Okay so after her, I'm next ? Damn I'm nervous. After about a few minutes of panicking she started singing and i felt like I've heard this voice before, a few months ago maybe? I don't know but I've heard this voice before. It's..It's just soothing. I just can't remember where I've heard it. But maybe I'm just crazy. She got off stage and i walked up to her, she was faced down.

Me: won't you look at me?

Her: aren't you next?

Me: your voice is amazing

Her: thank you, but i think i recognize your voice

Me: really?

Lady: Shandre Ameen you're up next

Her: Shandre? Are you Shandre?

She tightened her grip on my arms. She doesn't wana look up

Me: yeah..I'm Shandre..please look at me

Her: i have to go

Lady: Shandre Ameen you're up next!

Me: please atleast tell me your name?

Her: I'm Ga..

Lady : Shandre!

Me: I'm sorry but i have to go.

A Blurry Sight...

16

When i was done singing i quickly went to the bathroom to wash my face. When i was about to walk out, a lady was holding a girl's hand. As if she was accompanying her. It was the girl i tried talking to earlier

Lady: she's blind, please help her find the toilet
i have to rush to the judges

Me: uh..i..she's bli..okay

Lady; thank you

She gave me her hand and i led the way

Her: whats your name?

Me: i asked for your name but you didn't tell

me

Her: Shandre?

Me: yeah whatever

I was waiting for her to finish and she flushed.
I helped her go to the sink to rinse her hands

Me: please look up

Her: okay

She looked at the mirror and i also looked at her reflection. I honestly smiled. She has a medium brown mouth, a small nose, to beauty spots by her cheek. Her eye colour is grey. Her eyes are kinda skew.

Her: how do i look?

Me: well you're..you're..

Her: too ugly to look at?

I can't get over the fact that when she talks one

dimple shows. It's not deep, it's cute.

Me: You're not ugly

Her: they complain about my eyes

Me: your eyes are..your eyes are ncah

Her: ncah?

I honestly can't compliment a person. And I'm struggling to compliment her because she's blind. What will i say?

Her: I'm Gabby

Me: Gabby..

Gabby: the one that untied you when you were supposedly kidnapped by my father

Me: ohhh, so that's why i thought i remembered your voice

Gabby: yeah

Me: can we go chill outside?

Gabby: my father is probably waiting for me by the sits

Me: it might be the last time I'm seeing you

Gabby: okay then, no problem

She smiled and looked down

Me: you're always faced down?

Gabby: It's more comfortable

Me: okay, i understand

Gabby: you don't.

Me: what do you want me to say?

Gabby: "okay"

Me: so you want me to say that?

Gabby: yes

Me: okay

She giggled and i chuckled

Me: now you're making me feel stupid

Gabby: i did not say you are.

Me: you did not have to

Gabby: maybe i should

I paused, I'm really shocked at her responses. She intimidates me. I'm scared of her. And that's the first.

A Blurry Sight...

17

We walked out the bathroom while i was still holding Gabby's hand. I saw Jorji who looked like she was looking for someone. She saw me and she approached me

Jorji: Braa where were you?

Me: i was with Gabby?

Jorji: that's Gabby?

Gabby held my arm with her other hand tightening her grip. I looked at her hands on my arm and i smiled

Me: yes, this is Gabby. I'm taking a walk with her

Jorji: who will i sit with?

Me: i don't know.

I patted her shoulder and i went outside with Gabby. Bought 2 fanta's and we went to sit under a tree.

Gabby: who was that?

I helped her open her fanta

Gabby: thank you

Me: pleasure, it was Jorjily. My friend

Gabby: she sings?

Me: She can't

She laughed

Me: she came with me

Gabby: but you aren't with her

Me: I'm with you

Gabby: why?

I looked at her. She's already faced up, she's not facing my direction . I helped her face me

Gabby: sorry

Me: its okay

Gabby: you did not answer my question

Me: i feel like i have to know you better

She smiled, And her eye balls kept moving.

Gabby: I'm just a boring blind girl

Me: you got friends?

Gabby: my neighbour is my friend.

Me: what's her name?

Gabby: Amo.

Me: mhmm

Gabby: you know..

She placed her hands on my face

Gabby: I've always wanted to feel your skin,
since that day.

I frowned

Me: why?

Gabby: Your skin is smooth.

Her thumbs went to trace my eyebrows and my
nose. Along with my lips

Gabby: am i making you feel uncomfortable?

Me: no

She smiled and i looked at her

Me: i love what you're doing.

She let go of me, putting her hands on my shoulders

Gabby: Unfortunately we can't get to know each other more than this.

Me: why?

Gabby: i stay very far

Me: i know, but its cool

Gabby:you want a hug?

I smiled

Me: yes please

We shared a very long hug. She even got on top of me.

I miss Shandre. I miss her so much but its okay life still moves on. It was obviously the last time I'd ever talk to her.

We parted ways very badly, my father saw me with her and it turned to another story. "You go around sleeping on top of pathetic boys now?" When he knows very well Shandre is not a boy.

Dad: morning sweety

Me: morning

Dad: did aunty M bring you breakfast?

Me: i told her I'm full

Dad: did you drink your medication?

Me: what's the use?

I played with my hair and i felt his weight next to me. I don't wanna talk to him honestly

Dad: is it about yersteday?

Me: why do you care?

Dad: i don't want you getting hurt

Me:no, you don't want me making friends

Dad: but you got Amo as your friend.

Me: i know

Dad: but why do you wanna be friends with a lesbian?

Me: so she dresses up as a guy?

Dad: you didn't know?

Me: no

Dad: your "friend" dresses up as a guy. I bet she's a lesbian

Me: a lesbian is a female that's attracted to other females?

Dad: yes

Me: okay

Dad: that's evil

Me: being a homosexual?

Dad: yes

Me: how?

Dad: God doesn't like that

Me: Really?

Dad: it's a sin

I chuckled

Me: but we're all sinning

Dad: Well being homo is a very huge sin

Me: you calling it "a sin" is a sin, it's not your

place to judge

Dad: I'm your father Gabby, don't back chat

Me: I'm not, I'm just telling you facts

Dad: the bible does not allow this! Imagine me sucking dick or hugging another man! Imagine you married to another woman!

Me: you're telling me about the bible?

I laughed

Me: if you don't like men then you don't like men, there's no need for you to criticize those who love males and they wanna settle down with them

Dad: sies!

Me: and if i wanna date females, it wouldn't be your place to judge!

Dad: In the BIBLE, it's written..

Me: The "BIBLE" you're talking about was not written by "God" but multiple people who wanted to rule the world and force us to love jesus.

Dad: you don't love God?

Me: i don't believe in that shit. I prayed for my eyesight back since i was 12 ,but what happened? Nothing!

Dad: I'm..im..

Me: so don't tell me about the bible or what was written in it coz it's just assumptions!

Dad: Being GAY is a sin!

Me: Then being STRAIGHT is a sin too.

Me: he punched me for hugging his daughter

Jorji: was it just hugging?

I looked at her

Me: it was kinda deep

Jorji: don't tell me you caught feelings for a blind girl

I rolled my eyes

Me: me? Feelings? For a blind girl? Never!

I faced down with guilt. There's honestly nothing wrong with catching feelings for a blind girl

Me: well it's his daughter and i guess we were too comfortable

Jorji: so you ain't going to school today?

Me: like this? No

Jorji: okay, bye

She stood up

Me: Jorjily tuck your shirt in

She put on her bucket hat

Me: you're gonna get detention

Jorji: as long as Miss Rajesh will be there..

Me: what?

I widened my eyes and she rushed out. She left me laughing and somehow my laughter got emotional. I cried than i took a nap. I was woken up by Troys' knock.

Me: you can come in

Troy: And why aren't you at school?

I sat up and i twisted my head side ways

Troy: who beat you so bad? Why didn't i see this yersteday when you came in?

Me: i was talking to this girl then her father...

He looked at me with questioning eyes

Me: well i was hugging this girl..

He made his eyes smaller again, curious

Me: WE WERE HUGGING! just hugging...she was on top of me and he just took her off me and he punched my face

I softened my voice

Me: Braa you're insane

I breathed in.

My lips started shaking. His voice is now softer

Amo: You're too beautiful for studs like Shandre

A Blurry Sight...

SHANDRE

Its been a whole week and my cheek healed I'm now getting ready for school. I wore my uniform then when i was done, i went to grab an apple

Troy: i asked Akhona to drive you to school

Me: I'm okay though

Troy: Jorjily will walk alone

I waited for Akhona 's car by the gate. While i was waiting i logged on Facebook. Gabby sent me a friend request! what the fuck? am i crazy or something? She's blind right ? How did? Okay this picture of her looks good I'm even smiling, her eyes are closed her smile is beautiful. I accepted her friend request, minutes after that i received a text

Gabby: "I'm using a voice projecture, its an app "

Me: "okay, understandable"

Gabby: " Accept Amo's friend request, she's my friend"

Me: "okay"

I accepted it and Amo texted me

Amo: "Hey, look Gabby explained everything to me about you"

Me: "tell her i miss her"

Amo: "thing is she doesn't wanna speak to you ever again"

Me: "Oh, why?"

Amo: "She's not into girls, and you made her uncomfortable "

Me: "okay, thank you for letting me know"

Its not like i crushed on her or something!

Amo: "will you block her?"

Me: "yeah, you too"

I blocked her and Gabby then i breathed out.

Akhona parked his car opposite my house, i got in and faked a smile

Akhona: Troy Omncane

Me: Awe

Akhona: how's your cheek?

He looked at me through the rear view mirror
laughing

Me: you like stories!

We both laughed and he dropped me at school.
I got out, a few learners greeted me and i just
tried faking it but i couldn't. I saw Sbo with
her friends and i went to greet them. Sbo
changed her facial, well they all look angry at
me right now

Me: Can i talk to you?

Girl: who?

I gave the girl a very cold look and she folded
her arms. I looked at Sbo

Me: Somewhere privately?

Sbo sighed, irritated

Sbo: girls, I'll be back

We walked away from her friends, to
somewhere private

Me: Sbo..

Sbo; yini vele?

Me: i want us to talk

Sbo; S'khulume ngani?

Me: Sbo please chill

Sbo: okay bye..

Me: Wait

She folded her arms looking at me with ups and
downs. I unfolded her arms and held her hands,
brought her closer to me then we kissed. We
kissed until we stopped. She was blushing

Me: And?

Sbo: i hate that you do this to me effortlessly

I laughed

Me: so we're back together?

Sbo: uhm...yes, but can we please keep it between us!

Me: my lips are zipped

We kissed again and i was holding her at the right places.

Me: did you know it's toxic when we're back together but it's a secret?

Sbo: you're the toxic one

Me: no, we're toxic

Sbo: Shandre...

I looked at her holding my smile

Me: Okay, okay. Maybe i am

A Blurry Sight

SHANDRE

Me: guys, we have a show tomorrow and you are still going off tune!

Zee: We don't want any mistakes this time

Me: yeah last year you guys flopped !

I looked at Zee while scratching my scalp. Zee is my room mate by the way.

Me: Lizzy, Your voice was too squeaky

Zee: which is bad

I went through my list

Me: Just start from the second verse then we'll see how it goes

They started singing and i left them to drink water. I saw Sbo approaching me, i even rolled

my eyes

Sbo: You're tough on them today

Me: Miss Browns made me the leader and i don't wanna disappoint her again

Sbo: when are you gonna tell Troy or your parents you ain't studying medicine?

Me: did you have to spoil my mood?

Sbo: they have to know

Me: Sbo why are you here?

Sbo: i also wanna start singing

Me: what happened to wanting to be a Tv Presenter?

To be honest, Going to the same University with Sbo is hell! She's irritating, she's always following me! While Jorjily is studying medicine and I'm here pursuing my dream to being a

singer. My parents don't know, and I'm not planning on telling them right now, i kept it a secret for only 4 years, why must i tell them the truth now?

Me: this is my last year, and you still have to go register which will also take forever, remember i waited for 5 full months to be in this class?

Sbo: i know

Me: then what do you want me to say?

Sbo: "Babe, good luck"

Me: Good luck

Sbo: I'm not your babe anymore?

Me: Sbo we did not work out at school, i think we're cool as just friends

She still thinks I'm her girlfriend, and i always get angry when she does this!

Sbo: just friends?

Me: yes!

I looked at the students singing, they are really messing this song up. I walked back to them angry!

Me: Can't you guys sing?! The lyrics are right here in front of you!

Lizzy: Shandre you really don't have to shout..

Student: it's unlike you

Me: I'm sorry, but this is just awful!

Lizzy: we're sorry

Me: And i know you'll say sorry tomorrow too!
Jesus!

Zee: okay...calm down, I'm sure we can still try a new song?

She looked at me

Zee: it ain't too late right?

I sighed rubbing my forehead

Lizzy: An easier song

Me: Who's the leader?

Them: YOU

I shrugged

Me: then you have to do it my way

They all sulked, i clapped my hands boosting
them up

Me: Come on! Come on! Back to the first verse!
