

Being Mrs Scar  

-By Mbalenhleyothando Zwane   

My name is Owami Ndlovu and I am a 24 year old girl from Mpumalanga but currently living in Johannesburg. I am an orphan. No parents and I have no clue where my parents went or, I only have little memories about them, which is when I was young. I am currently working at PPO Inquiry. I don't know what it stands for but maybe I'll find out soon. Anyway, I wont tell you more information, I'll just let you get straight into the reading process. ENJOY my STORY.

07:45

Owami

My alarm goes off. Geez, trust me. My alarm is one of the most annoying Wake up calls of them all. Anyway, I wake up and get into my Morning process. I brush my teeth, bath and then lotion. I get out of the Bathroom and get dressed into my Undergarments

Me: What to wear, what to wear.

I decide on what to wear, and then after like 5 minutes, I decide to wear a white Jean, baby pink shirt written "BE-

BEAUTIFUL" and to top it off, with a long, white Jean jacket. I brush my hair on the sides, and tie my braids into a big bun on the top. I apply some Lip therapy and take my phone.

5 missed calls

Me: geez, can't I have my morning routine without being called.

I head to the kitchen and make myself some toast and strong black coffee. After that, my friend rings my bell and I buzz her in

...: I've been...

Me: sorry, I got held up with the morning routine

...: always

My friend's name is Zenande Paul's. She got married to a Colored Dude from Scotland, his mom is from Scotland, his Dad was a Business man in South Africa. He is currently living in Johannesburg too. She is 26 years of age and has been my best friend since High school grade 11. She is 2 years older than me because she kept on changing schools and she ended up at My school.

Nande: Chris is gone, so I guess we will take a Uber.

Me: ohh okay, request since you like the uber so much.

Nande: ohh come on

Me: you know that I'm used to a taxi right ?

Nande: ewww, chomi, we will have to wait long Hours and its crowded and it smells funny...

Me: okay

Nande: it's like they sleep in there or they have sex with their...

Me: Zenande !!

Nande: what ??

Nande: ohh, sorry, and You know how...

Both of us: palesa will shout !!

Me: argh, I hate her geez.

Nande: just because she is married to the boss, she thinks she is better than us.

Me: (laughs) She totally does.

Nande: ande babe, Chris is rich, if it was up to me, I would be a house wife but I know you will get bored being alone at work.

Me: Thank Goodness you chose to continue working

chris is Zenande's Husband

Nande: let's go ke.

Me: (swallowing coffee) Wait

I finish my coffee and then I lock up and head out.

me and zenande are both Thick, we are Well built I guess, Zenande is Light skinned and I'm Not that light, but I'm also not that Dark. Zenande is sorta fat , since she is pregnant and I'm just the well Done girl

We wait for a few minutes, talking and our uber arrives. We get in and head to work.

I hear some arguments and I listen.

Owami

Palesa: Just go to Your bosses office.

Nande: name ??

Me: ahhh, Pabalo, yeah pabalo

Nande: mmmh, tomorrow you must tell me how the club was

Me: okay

I change and go to sleep

4 weeks later

Nande Gave birth to a baby Girl, her name is Zoe Thando Paul's. She is so Adorable. I on the other hand have been busy with Philasande. I've even gained weight. He invited me over to his house to talk about something important. I get dressed and head to his apartment with an uber, I ask my driver to wait for me since I wasn't planning on sleeping over today

Me: Phila

Philasande: Ma Ndlovu.

Me: how are you

Philasande: I'm good

Me: you wanted to talk

Philasande: yeah, I know that what I'm about to tell you will shock you, but I just wanted to get it off my chest

Me: ohh...kay

Philasande: I'm... married

Me: what !!

Philasande: I've been married for 4 years now

Me: you... I've been sleeping with a married man all this time

Philasande: No, I... I don't love my wife

Me: right

Philasande: Look, baby.

Me: do me a favor neh, don't call me ever again. Don't text me. NONE OF THAT BULLSHIT

Philasande: Language

Me: fuck you and your language, I hate you. You lied to me. You deceived me.

Philasande: Keep quiet, We Both wanted this as much as I wanted this. I love you and I know you also love me too.

I slap him.

Me: Fuck you

He gave me a ring. A promise ring.

Me: take your stupid promise ring

Philasande: I don't want it.

I throw it at him

Me: I hate you. And don't even bother calling me

I leave with him calling out to me. I bang his door and get in the uber and go home.

2 days later

The past 2 days have been nothing but traumatic, I've been crying myself to sleep. I lost my Virginity from a Frikken married man. I hate myself. I eat and eat and than I drink red wine. After a few minutes I run to the bathroom and vomit everything out.

Me: I feel like shit

I call Nande and she comes with baby zoe

Nande: you look horrible

Me: (crying) Chomi

Nande: Ncoah chomi what's wrong

Me: I'm such a fool. I can't believe I was a fool all this time

Nande: what happened

I tell her the story, all of it. And the fact that I lied to her and said that I was at Mpumalanga is just uncalled for. I cry and she doesn't even judge me because she was also in the same situation as me. Just that she had sex with an Uber driver who went around kidnapping women for Nigerians. The driver fell in love with Nande and kept on spying on her. The guy died a few years ago, He was killed by Chris. He kidnapped Me and Zenande, luckily Chris found us.

Nande: 1. I wont judge you because I was also in the same situation and 2. I think you need to move on from this because he has probably moved on.

Me: I guess (wiping tears)

Baby zoe starts Waking up

Nande: hii Thando, here is your Godmother

Me: hii baby

I look at nandes Baby, She has been happy ever since she got married and had a baby. She is a wife to 1 man. And the man is a husband to 1 woman. I wish I also had this type of love story, but maybe God has a lot in store for me.

3 months later

Doc: You're pregnant

Me: (sigh) for how long

Doc 3 ½ months

Me: Ohh gosh.

Chris: yeyy, mother Theresa

We all laugh

Chris: (taking baby Zoe) Hii Baby Thando

2 months later

Philasande

Fatherhood is Great. I've never thought I'd be this happy in my whole life. Today, The Lethus are turning 5months, I guess it's TRUE when they say: Time flies when you're having fun. Owami has been thee best Girlfriend and baby mommy I could ever ask for. As for Palesa, My Guys told me that she is in Eastern Cape. She has a baby now, with some guy named Sakhile. Aii okay. Enough about the Past. I'm planning on Proposing to Wami Today. I don't know how I will execute my plan, but by the end of Today. She needs to be "Future Mrs Me" I'm not waiting any longer. She found out that I am a gangster and she was kind of freaked out,

But she ended up Being very supportive about this. She has grown very close to My parents, They love her. Even Mandisa is getting jealous. I wake up today, The triplets decided to join us in bedtime. My body aches, these Kids cant sleep.

Lethukukhanya is sleeping on top of her mother, and then the boys are just crossing over, Lethukuthula is sleeping on our legs and then Lethokuhle is just playing kungfu, yahh neh 🐱🐱. I take out my phone and take a picture of them.

New Screensaver this !!!! 😊🔥💖💉

I kiss my wifey and have a Shower. After that, I get out wearing a towel, and I lotion.

I wear my boxers and I take out a white shirt and White Jean. Top it off with some Balenciaga Kicks My wifey bought me last week. I brush my short hair.

Me: I need to get a new cut

I go inside the bathroom and Apply some Cologne, Wifey bought me from Zara. She has Great taste. Last time she Slapped me for spraying too much cologne While they were sleeping, she said I will kill them 😬😬. Never again am I going to do that, She slapped me and Didn't let me touch her for 2 days. 2 DAYS, that's way too much. I head downstairs and The guys are up

Me: sup

We are currently at Durban, for our Work Vacation. I told the girls about me and Sande, CEO Nadine said that she already knew since There was a picture of me and the triplets sleeping on his Table. They were Happy and all. Nande left a couple of hours ago. She video called me in the Plane. It's our last day Here and I must say, it kind of sucks that the guys are more into work than their family's.

Yiba: they said I must ask why their calls aren't being answered. Most especially You, Owami. He is pissed.

Pabalo: tell them we also have Jobs, Like they do and also have children to take care of

Yiba disappears telling them how we feel.
Tbh, I'm not going to be lenient on anyone
when they come back. I assure you. She
comes back.

Yiba: Yah, They said it's fine

Me: mxm.

I enjoy myself, I wont let them make me not
enjoy My Holiday

1 month later

The guys arrived yesterday, but none of us
are playing with them. They all arrived
happy but we were like not having it.

Yesterday Uviwe tried kissing Mandisa and she rejected him. Phiwo came and pulled smiso but she didn't want. Pabalo has been avoiding philani. Yiba is also avoiding Lwandile. We kiss and Dad comes in

Dad: okay, (clears throat)

Owami breaks the kiss and slaps me

Owami: Bad Daddy.

She wipes my lips, which had her lipstick.
And then passes my dad

Owami: Dad !

Lwandile: Daughter

She passes and then my dad turns around
and watches her leave. He turns back to

Philasande is Not taking any shit today, He is angry. His eyes turned red when he pinned me against the bathroom door which means he is still angry about me slapping him 😡. We are probably going to arrive later on, since Dubai is ahead with time. We all chill while the guys sit in corners staring at us. They are all angry I guess

Mandisa: I got myself a play mate

She takes out a box.

Me: what's that

Since the year began he always has excuses about Coming home and working at night since there are a lot of enemies. He doesn't Touch our children and doesn't touch me as well. I don't know what has gotten into him since we came back from Dubai. Chris Came to SA and begged for Nandes apology. Even though she was a little adamant and already accepted the end of their marriage. She still wanted to give him a second chance. Right now, I am at home. I am packing Up my bags since I have decided to move out of the house. I miss my apartment shem. I pack all the bags and nande comes in.

I put the babies in their Car seats and we head out.

25 minutes later

We arrive. I forgot to mention that I Have gotten an apartment in a different complex. It is just a 25 minute drive away from Nandes Place. We unpack and nande helps me pack the clothes.

After sometime

Me: I'm so tired

Nande: at least we are done

Me: and then

He looks startled by my Presence

Philasande: I think I heard, Smiso call you in

I head to her and Philasande runs upstairs.

Me: (shrugs)

I knock and there are the guys

Me: hi

Philani: Mrs Scar

Me: uhm, where is Smiso

Phiwokuhle: she went to the mall with the other girls.

Me: erh, Okay.

I head to the car

Nande: what was that about.

Me: Nami Angaz (I also don't know)

We head out and she drops me to my house and leaves.

5 months later

So my babies turned 3 not so long ago and their father didn't even come to celebrate their day with us. He doesn't call me anymore. He video calls me with WhatsApp Call only, just to see the kids. Seems like he just forgot about us after I moved back here. I didn't even bother myself with sending him my location. I mean he hasn't touched me for 1½ years, I also deserve some attention. The workers said he has

been busy coming to work and has been under a lot of pressure, (shrugs) what can I say. If he doesn't tell me. How does he expect me to understand. Anyway, I am with CEO Nadine. She is like my friend now

CEO: so you are coming go my sisters bachelors party at the Strip club

Me: I wont stay for too long though, I'm engaged

CEO: (chuckles)

Me: Bye Nadine

CEO: Goodbye luv, don't be late

Me: The theme

CEO: red and Black

Me: nice

I leave and head home

Lethukukhanya: Mama, Can I have noodles.

Lethukuthula: nami

Me: okay my babies, Okuhle, you also want noodles

Lethokuhle: Baba, I want dad

Me: I'll tell him to come visit you neh

Lethokuhle: (nods)

Me: (Screams) Who wants Noodles

Them: Meeeee

I make them noodles while they play with their toys, after sometime, Nande Arrives

since she said she wants to be at home today. She said she Doesn't want to go

Nande: girl go get dressed

Me: okay okay

I run upstairs and I get dressed. I wear stockings and a fishnet. (this is not my favourite look, but I'm just getting dressed for the party) I wear bra and a see through dress that is really really short, like way too short. I look for my red bottoms and I cant find them. I fix myself so long and I fix my hair and wear some Blood red Lipstick. I head downstairs

Nande: Damn !!!!!!!

Me: yazin, I cant find my red bottoms

Nande: lemme help you look for them

She helps me look while Zoe plays with the lethus, preferably Lethukukhanya. We look for them and look.

Nande: wear these red ones

Me: no I want the red bottoms

Nande: Maybe you left them at the Mabaso mansion

Me: Yah neh

I grab the red ones and hold them with one hand.

Me: lemme request

Nande: okay

I request and my uber arrives

Nande: so you are requesting and then going to the Mansion and coming back.

Me: no, I'll just go to the party.

Nande: okay, have fun

I hug her and kiss the babies. I take my Giftcard to Mauritius that me and Nande got for CEO Nadines sister and I head out.

10 minutes later

I arrive

Me: Zack please wait for me

Zack: okay, I'll wait

Zack is my uber driver, I prefer being driven by him most of the time. I get in barefoot holding my phone calling Philasande.

Smiso: wuuu

Me: haibo, what's wrong

Philani: Damn Damn Damn dammmmmnnnn

Mandisa: where are you going.

Me: a party

Phiwokuhle: I'll flip, with you looking this good.

Smiso: (clears throat)

Phiwokuhle: you know what I mean

We all laugh

Me: where is Sande

Philani: upstairs

Me: I've been calling him.

Philani: How, because his phone is on me and it wasn't ringing at all.

Me: oh, okay

I head upstairs with Pabalo and there are groans and Heavy breathing Coming from his room. I knock and the door open. I see

him, pounding onto some Girl I have seen around Work, she was so quiet.

Pabalo: Haibo

They stop and look at the door. Philasande gets the shock of his life. I look around and I see my red bottoms on the floor.

Me: Haii, Not with my Red bottoms

I throw my phone on the floor and get on the bed. Pabalo disappears and I beat him up. I beat them both up.

Me: (Crying) so this is what is happening
when I'm not around huh, Phila

Philasande: I can explain

Me: explain nothing, Don't even want to
see your disgusting Face

I pick up my phone and head downstairs
with the rest of the guys climbing up the
stairs

Me: Goodbye forever

I pass them.

Philani: what's going on

Me: (Crying) I'm such an idiot. I'm such an idiot

He comes downstairs in his boxers with the girl wearing his Shirt

Me: how can I possibly expect a guy who cheated on his wife with me, to be Loyal and truthful

Uviwe: erh, Hectic

Philasande: Baby, it happened just once

Me: Really.

I go to the girl and Philasande comes between us

Me: Move

I slap him twice and his eyes turn red

Philani: sande Stop

Me: Did it happen this once

The girl keeps quiet

Me: ohh no you are quiet, just like all the time.

Girl: We have been having sex for probably a year now

Me: (hands up in surrender) Nazo, the truth comes out.

Girl: (looks down)

Me: did you have sex on the 17 of

Girl: It was the time you kept calling him.

Me: you even know that I kept calling him.

Wow.

Philasande: bab...

Me: shut up (looks at the girl) yes it was on that day.

Girl: yeah, He even said that he doesn't think he will be able to marry you because you don't have a family

That broke me into pieces

Me: (clears throat) Goodbye

I take off my rings, The promise ring and engagement ring and I throw them on the floor.

Me: This is why you Didn't even bother coming to your children's birthday, 2 whole years. You were present on their 1st birthday and then you started being super distant like Robben island.

Pabalo: wami

Me: (voice breaking) No, I have been crying myself to sleep, Busy thinking that my "baby daddy" will come back to us. But no, here I am crying just like all the time.

Mandisa: I'm sorry

Me: no, I've been trying to make you happy. You don't love me. You despise me that

much that you even decided to tell your fuck buddy you wont marry me because I don't have parents. Yes, I don't have parents and I know that. I have come to accept that fact and nothing will change. They are probably out there lurking or maybe they even forgot me.

Smiso: Ncese

Me: Njalo, I keep on trying to understand how I am so unlucky to the point where I don't even have anyone who will tell me stories about my parents. Nobody. I had even moved on from it, but here I am. Going back to the same day I tried taking my life because I felt like I was just a waste of space and time

My phone chimes

...: Your Man is Mine. Not yours. Keep your hands away from him or else I will take him forever

I look up

Me: guess another one of your booty calls got my number

I place my phone on the table and get a Hammer in the drawer

Uviwe: no, wait

Me: shhh

I grab the phone and put it on the ground.

Me: None of you will hear from me ever again (I look at Philasande) and my kids don't have a father anymore

I smash it countless time. Thank God I backed up all my stuff. I throw the hammer on the table

Me: (Doing the peace sign)

Philasande: baby...

Me: enjoy your lives

I leave and get in the car. I open the window

Me: ohh, and congratulations to the new Mrs Scar Mabaso, Siyak'bongela

I close the window and zack drives me to the party

3 Days later

Zlatan: I later found out that My enemies stole you and took you away. They called me and said that you are theirs but it was going to be easy to probably find me because you had a scar on your thigh from the Accident

I had a scar on my left thigh. I remember how people used to tease me about it saying I looked hideous. I was trying to be serious. But tears were soon going to fail me.

Sindi: we kept on looking for you but we always had bad luck. (Crying) I went to the traditional healer and he told me that yes I found you. I was going to find it hard to Conceive, and I would keep getting nightmares.

Zlatan: I'm sorry for what happened

Me: what's that

Sindi: it's a picture of you, when we were at Russia. You were 3 years

Me: Can I see it

She gives it to me and I look at it.

Me: so (rubbing legs) You really are my parents

Zlatan sits down

Sindi: Yes we are

Me: Look, I know at first I was a little in denial about this whole thing. But I'm willing to fix our relationship, If you want to

A few days later

I have been Busy lately with my parents and their Family. I Got to Learn a little but of the Russian language which was really Hard. I also met my grandparents from my mothers side and My Fathers side, they are really Funny and stupid. The Lethus have been spending time with their Father. I listen to the conversation and I realise its Owami who is speaking, I continue listening

Owami: I cant stand his sight, everytime I see his face, Argh, I picture him with that girl on the bed that I used to sleep on.

Mandisa: But...

Me: there are no buts here, I have already accepted that the only thing that will make me and him come together is the Babies, Only. Either than that, I Want nothing to do with him, He broke my heart way to much.

Me: (silently) Wow 🤔💔💔

Those words made realise that she hates me and she still hated me. As much as I wanted to be with her, she didn't want to be with me. She hated my sight, which meant that she hated me. I leave the balcony and head to my room.

Owami

Pabalo: But you don't hate him now right

Me: (shrugs) I mean, when I see him, I miss him. A lot Though. I still want him as my husband and I mean, everyone makes mistakes. And he made a mistake.

The girls: Ncoahh

Philasande

The lethus are playing with their Toys, in the Other Room. They are playing with their Cousins. I pack my bags and then after a few minutes I decide to write a letter.

Nande: He said what

Me: Imagine, and I didn't even say that

Nande: are you sure

Nande: see, Maybe he heard the part where you said you hate him and didn't hear the rest of it.

Me: (looks outside) Its not fair, he hurt me

Nande: he did, but you did admit that everyone makes mistakes

Me: yeah, I guess

Chris: Go to him and forgive him

Me: (sigh) it's easy for you to say and do it
Chris, I cant go up to him and say that I'm
sorry, he has way too much pride.

Chris: so Go, even though he has pride, you
love him right

Me: (nods)

Chris: Fix things and get married.

He calls the lethus and they come running.

Lethokuhle: Sup Dad

Philasande: Sho boi

Lethukukhanya: what's in the box dad

Philasande: Come see

He bends down and then there are 5 little puppies in the box, they were so Hairy and Cute.

Mandisa: Ncoah, you bought the kids Dogs.

Philasande: They are not for the kids, they are yours

The girls go running to him and he takes one, And comes to me. I move backwards slowly.

Sindi: She is scared of dogs.

Me: Get that thing away

Zlatan: Calm down

He places the puppy on the floor, it was shaking.

Me: Why is it shaking, do I it want to bite me.

Philasande: No, it's still small, and baby, it wont bite you.

I look at it.

Me: it's so, creepy

I climb up the stairs, Tbh, I was scared of dogs. Our Orphanage had dogs, big dogs, I was so scared of them. They used to Bark at me, making me cry and some chased me as I started growing up. I have a bad history with dogs. 😊😞. I sit on the bed and Philasande comes inside holding the puppy

Me: baby, get it away from me.

Philasande: why are you so scared of them

Me: I have a bad history with them.

He sits on the bed and I tell him what happened to me when I was young that made me Afraid of dogs/puppies. He laughed at me, like laughed.

Me: don't laugh, I'm still traumatized

Philasande: Okay, okay. Baby look. I love you but this one right here wont do anything to you.

Me: I don't trust it

Philasande: Do you trust me.

Me: (nods)

Philasande: Take

He hands me the puppy, this make my blood run away from my body.

Me: (closing eyes) Its going to bite me,
please take it baby

I keep on saying this but I think he doesn't
heat me. I open my eyes and he is taking
pictures and Smiling.

Me: take you creepy little puppy.

Philasande: it's yours, I'm not going go take
it, You're the owner

Me: I'm going to die 😊

Philasande: because of a helpless puppy,
baby, just hug it.

I look at it and I hug it. Ncaoh, it looked so cute in my arms.

Me: it wont bite me right

Philasande: it definitely will

Me: Sande

He laughs

Philasande: I'm joking, it wont, it will never bite you.

Me: (Pouting) Why are you standing up

He comes and sits down

Philasande: I thought you were going to hit me with that Puppy

Me: I am now

He stands up, and I laugh at him

Philasande: don't play like that

I hug the little puppy, I really loved Her. The
lethus enter

Lethukukhanya: Mama, is that one ours

Me: yes, she is ours

Lethokuhle: I wanted a boy, argh

Me: Ask your dad, why he chose it.

Lethukuthula: Why dad

Philasande: Because when I look it, it reminded me of your mom, so helpless and Innocent, yet beautiful On the Outside

Me: (blushing)

Lethukukhanya: But mom is Not a puppy

We laugh at her

Philasande: You'll understand when you get older my baby

Lethokuhle: Baby

Lethukuthula: Yuck !!

They laugh, me and Philasande look at one another, and also laugh. They had our

laughs, Nobody had anyone laugh here.
They all had their own share of our laughs. I
look at the Puppy and I realise it also had a
little scar across its eyes

Me: So you chose a puppy that looks like
you.

Philasande: at least have someone that
Reminds you more about me.

Me: I already have the Lethus

Philasande: I didn't make the dog baby, so
she will remind you of me

Me: you can be stupid sometimes

Philasande: So you're saying that I'm a fool

Me: I didn't say anything, you said it

Philasande: ok'salayo I'm your fool

Me: argh, always

We kiss and the lethus Comment as always

Lethus: Yuck !!

Me: Yah, neh

Philasande: let's go

We get up and they head out first, we kiss obviously after they get out of our room. I break the kiss and we head downstairs.

2 days later

I love my puppy, yes I really hated them but I love my puppy. Only my puppy. So I've

grown fond of my baby Girl, she is so extra, she likes nothing Philasande 😊😊. They like arguing, Philasande Will be sleeping on my breasts and then She comes and barks, telling him to get off 🐱🐱🐱. And this always happens. It happened yesterday. Today I wake up and I go have a long ass bath, after that. I get out of the shower wearing my towel. Luckily daddy is awake.

Me: hi Daddy

Philasande: Beautiful

He gets out of bed and heads out to the bathroom to go have a shower. I take out outfits for us and he comes out wearing

nothing. He comes to me, grabs my neck and we have a long, passionate Kiss.

Me: (moans) Mabaso

Philasande: Mfaz'wami

Me: You are poking me

We look down and his Manhood is as hard as a rock.

Philasande: You did this to me.

Me: you grabbed me.

We have a quickie on the bed and then he lotions me and helps me wear my undergarments. He helps me dress up, into

this cute Purple and white polka dot Dress. It hugged my tummy and body so well. He wears his black tracksuits from G☆Raw. And black Air force 1s. I sit on the bed and he ties my hair into a Nice cute Bun. I have to go do my hair today. He sits on the bed

Me: I am going to brush this head.

Philasande: Just, baby please don't do this

Me: why do you have the brush so much

Philasande: (laughs) do you know, how painful this thing is.

Me: baby, its going to make your hair look nice.

Philasande: I just hate this...okay okay, let's talk about using the comb since the...

Me: Just shhh, kuyafana, you will never see me using a comb, Do you think that it is easy to Make someone who is scared of a brush to use a Comb🐱🐱. NO

Philasande: But baby...

The puppy comes inside while me and Philasande argue about whether we should use a Comb or a brush.

Philasande: A comb is better

Me: You cant expect me to use a comb, You think a comb is better than a brush.

Philasande: Yah

Me: You are crazy

Philasande: I'm crazy about you, Now Baby,
Use the Comb please

Me: I'll use it tomorrow

Philasande: why not today

Me: baby, it's almost 08:00 and the babies
are not ready

Philasande: Hai, baby, use a Comb

...: (Barks)

We look at her.

Me: Hello Onika

Onika: (barks)

Me: he wants me to use a comb, imagine.

And then, pabalos puppy also comes in

Me: Chyna, tell Daddy he is stupid

Chyna: (Barks)

Philasande: You and these Rude puppies, I wish I gave them to my Mom

Me: Leave Onika and Chyna, they are my girls

And then, Pizza and Muffins come in. They are Smiso and Mandisas Puppies. These ones are boys

Me: hi pizza

They jump on the bed and sleep ontop of
Philasande

Philasande: You see, these are my boys,
they get me.

Me: and they will ruin your outfit by peeing
on your tracksuit

He stands up and puts them down.

Philasande: arghh

The lethus come inside wearing their
pajamas and holding their toothbrushes.

Lethokuhle: sup dad, hi mom

Lethukukhanya: mommy

She comes towards us and hugs us.

Lethokuhle and Lethukuthula are the cool brothers.

Me: you even made your children get scared of a little brush

I go to the lethus and brush a side of their Head. I start with Okuhle

Lethokuhle: Mom, please... it hurts

I go to Lethukukhanya

Lethukukhanya: Aww, mama, this thing is pulling my hair.

And then I end with Thula

Lethukuthula: why do we brush our heads, I hate this thing

I let them go and look at Philasande who is busy laughing

Me: don't laugh, my babies are scared of a little hair brush

Philasande: even philani hates a brush, and my dad

Me: I'm going to brush your head now, start arguing

I brush his head and he starts complaining , the lethus brush their teeth in our bathroom and I finish.

Philasande: don't start getting confused once you no longer see this brush.

Me: I will beat you

Philasande: (laughs) okay okay, I'll leave it alone, for now.

Me: you throw it away, I don't feed you. And you know how angry you get when I don't give you my cookie.

Philasande: I don't get mad.

Me: for someone who Chews his nails and stares at me the whole day, I doubt

Philasande: I just want you to give me attention.

Me: hai, when the day comes that I give it to you, you eat it like it's your last meal.

Philasande: it's my favourite meal of them all, my perfect Cookie

Me: the perfect cookie you wont be getting after 4 months

Philasande: you might as well just kill me.

Me: (chuckles) why ??

Philasande: that cookie is the greatest thing that ever happened to me after I had babies and married you.

Me: you are still not getting it.

I put the brush down and then we head to the lethus room. He still complains about the 4 months thingy while we bathe the kids. 🐱🐱. We finish with them, they are also wearing tracksuits, they said they want to match with their father. Just that theirs are From Zara. We head downstairs and nobody is up. I make my babies Scrambled eggs, sausage and Bread + some coldrink. I make Philasande Sunny side up, tomato, fried onions, baked beans, toast with tea. They eat while I make porridge for the little ones. After that, I make myself some food and eat. We sit on the couch, all 5 of us, soon to be 9 and watch a movie.

A few hours later

We all chill as a family in the cinema room, and watch movie. The kids are playing with their toys in their play room.

Pabalo: I'm hungry

Smiso: you can say that again

Mandisa: let's go grab a quick snack.

Me: help me.

Philasande was resting on my tummy. I stand up and we head to the kitchen. We eat and eat. I feel something like a pain on my tummy and I sit down. I drink Warm water. And we all eat and speak. Smiso walks and accidentally falls

Me: and then.

Smiso: there is water on the floor.

Me: let me get a rollar towel.

I stand up and everyone stares at me. I come back they my mom and Yiba are around. With smiso coming back, while hanging up her phone

Me: are you also hungry.

Sindi: baby, Go upstairs quickly

Me: push baby, come

Pabalo: let's go, I feel like the guys are coming

We head downstairs , leaving Yiba with owami.

Philasande: where is my Wife, I want her.

Me: uh, she is busy with something real quick, she is coming

Philani: why are you all breathing heavily

Pabalo: we are trying to stop you from seeing what we have planned.

Zlatan: Right, so where is Yiba

Me: She is also busy, helping...

Philasande feels a pain in his chest.

Philani: Bro, wait

They head to the Couches and they sit.
Smiso gets water and gives him. He drinks
and then after sometime, the pain comes.
Lwandile calls me to the corner

Me: don't freak out

Lwandile: why don't you tell him

Me: No, Its going to be a surprise, don't tell
him.

Lwandile: can I go in.

Philasande: doctor, what doctor ??

Yiba comes downstairs running.

Yiba: Sindi, I need your help

Zlatan: give me my grandchild

Yiba gives him the Boy with a scar on his right eye.

Zlatan: Sup boy

He was sucking on his finger.

The lethus go upstairs and I follow them with the rest of the gang. We enter and she is sleeping peacefully. The doctor is gone. The rest of the family places the babies in their baby beds.

Sindi: when she wakes up, we need to go to the hospital

Me: (nods)

They leave, with the lethus. I look at her, she looks so beautiful. My beautiful Wife. I get on the bed and I hug her. She opens her eyes and smiles at me.

Me: hi new mommy

Owami: Hi daddy

I kiss her forehead.

Owami: I'm so exhausted

Me: Let's take the babies, and then we will sleep

Zlatan: everyone ready

Me: yep

Mandisa: Let's go

We head to the airport and we Get into our Plane. My babies names, , the boys are Cebelihle and nkosinhle and then the girls are Alakhe and Amahle. Amahle and Cebelihle have Philasandes scar on the exact same eye as his, and then alakhe and nkosinhle have the same scar but on the opposite eye.

Raph: This plane is filled with kids.

Me: Mostly my kids, but don't take things personal 🐱

Philasande: Baby

Me: mmhh

I turn around, and he signals for me to come to him. I was wearing a light blue dress and his sweater on top, he said he doesn't like it when my body is being advertised. His assets. The sweater isnt even allowing my dress to show. It's just BIG mahn. It was even pointless wearing a dress. I go to him

Philasande: (pointing on his lap)

I sit on his lap. Our babies were sleeping and he was also grumpy because they were active at night, even the lethus and the rest of the Mabaso babies. Even Baby Zayn 😞🐱. Yes Chris, baby Zoe and Nande live with us because there is a Khumalo family that has beef...whatever 🗑️🗑️🗑️.

Philasande: why do you look so sexy today.

I blush looking away and he pulls my chin to face him again.

Philasande: Don't blush

Me: I'm just happy, is it wrong to be happy

philasande: You're mine, if raph is busy making you happy, I'll kill him

me: (giggles) Baby, relax.

He lifts up his sweater and puts his head inside. After sometime, I feel him sucking on my boobs

Me: (whispering) ahh Daddy

He continues sucking, and I tighten my legs. I feel my cookie leaking. He stands up and heads to the other side of the plane. I follow him and as I'm about to close the door.

Nande: where are you two going

Everyone was looking at us

Me: what !!

Mandisa: where are you going !!

I feel a spark on my Bum

Me: ahh

I close my door a bit and I feel my underwear going down. And then he pulls my waist.

Smiso: Haibo Mrs Scar

My eyes fail me. And pleasure kicks in. He enters me and then he also peeks through the Door

Philasande: we are still busy, Be back after some time

He pulls me and closes the Door. He chokes me

Me: ahh

Philasande: Ready baby

Me: Yes Daddy
