## INTRODUCTION.

Waking up early has been a challenge for me since from high school I think that's the reason why I always got late at school. I won't say I was dumb at high school cause I never got a certificate of academics but I did pass my Matric with good and satisfying results. Matric wasn't easy journey for me I lost my dad earlier that year and things didn't go well. I would get lost in my mind thinking I'm going crazy. My dad and I were best friends however he was strict but I liked being around him. We would go out together take road trips together. I miss those days. It hurts to see someone becoming a memory,

my dad's death broke me. My mom never thought I was gonna make it she was so scared that I might drop out. I walked in and out to therapy sessions but I did push on my studies and yes I made it with bachelor's degree. Now I have to go to school but there's no money for me to go there. My mom doesn't work anymore and my brother works at some shop they don't pay him that much money. We survive with my mom's pension fund and isn't enough so I have to find a job somewhere around that will give me enough money I would use to go to school (university). So today I had to wake up early to go find some work at Kunurra Suburb, I made up my bed and took a bath I was so tired from waking up from my sleep I

felt like going back to sleep again. I went to bed early hoping I won't wake up feeling like this but it seems like it didn't work.

Mom: Morning baby.

Me: Morning mom, how was your sleep?

Mom: I slept well my baby thanks for asking.

Me: Is Marcus out yet?

Mom: Yeah he's already off to work, I made you this.

It was a lunchbox.

Me: Oh mom you didn't have to, what if I won't even get this job?

Mom: You will baby, you will.

Right now I'm ready to take any job that will be offered to me. I gave her a hug and kissed her cheek.

Me: Thank You mama.

Mom: (smiles) it's okay my baby. Do you have money for taxi?

Me: Yeah I do have ma.

Mom: Okay, let's pray before you leave.

We rose up from our seats then started to pray that's how our Dad taught us to pray each and every time we go out especially on

situations like this. He taught us to put God in everything we do and that's what we are doing. I took my lunch bag and my bag then headed out. I caught a taxi then it took me to a taxi rank, I asked some people on the way to show me where Kunurra's cabs are parked. I made it to Kunurra it's a peaceful modern suburb and one of the best. I walked in and out to some houses and they were occupied. I sat down at some grass next to the shoulder of the road. I took out my lunch box cause I was starving, while I was there having my meal this other black Mercedes Benz Maybach parked in front of me. The person inside opened the window and called out. I quickly rose up from where I was seated and fixed myself. I saw a colored

man with nice trimmed beard and a nice cut. He was breath taking and looked like a business man. His lips were pink round and nice he was too hot to look at.

Him: Good afternoon young lady.

Me: Hi... I mean Good afternoon sir.

Him: I'm Kyndall and you must be?

Me: I'm Ivy sir.

Him: Okay Ivy look here man, I'm looking for a domestic worker who will be helping around the house. So I was thinking if you would love to come work at my house.

Me: I have no problem with that Sir.

Him: Will it be okay with you to start

tomorrow?

Me: I would love that.

Him: Great then, can I get your contact details?

Me: Okay sir.

I called out my contact details then he asked me where I live and we agreed on the time for work. He said his goodbyes and drove off, I packed my stuffs and left for home. I found my mom outside seated under the tree.

Mom: Ohh you back so early, you didn't get a job?

Me: Let me get inside then I will come back

to you.

I got inside the house changed to my indoor casual clothes then went outside to join my mom.

Mom: And how did you go?

Me: It went well but at first it wasn't easy most of the houses were occupied.

Mom: Ohh.

Me: then later when I was having my lunch this other German car parked in front of me.

Mom: Was it a man or woman?

Me: Man, his name is Kyndall. He was looking for a helper and that's how I got a

job.

Mom: And when did he say you gonna get started with work?

Me: (smiles) tomorrow.

Mom: oh my child!

She hugged me, my mom was so happy that I finally got a job.

Mom: Did you guys discuss about the funds?

Me: Not yet but tomorrow we will talk about it.

Mom: Your brother will be so happy to hear this.

I hope I will be able to get enough funds to take me to school. I badly want to be there like other kids. So as I'm about to get started with my new job tomorrow I'm so psyched!

ENTRY 1: I GUESS I HAVE TO.

I woke up early around 06hrs cause I had to be at work around 07h30. So I know that I'm slow when it comes to preparing myself in the mornings. I did my morning routine and went to catch a taxi that took me straight to Kunurra. I walked from the mainroad to the house it's a 15 minutes work, I arrived there and the gates were closed. I took out a piece of paper where I wrote the address and take a look at it again and it was a correct address. I hit the buzzer button then the

gates opened. This place is so peaceful and clean that's where rich people live. I walked inside the house and found him making himself a breakfast this man is so fine please.

Me: Good morning Sir Kyndall.

Kyndall: Good morning Ivy first impression being on time for the first day. Can we keep up like that?

Me: Yes sir. (smiles)

Kyndall: Great, before we could get into business can we talk?

Me: No problem sir.

Kyndall: Come this way.

I followed him to this other room upstairs it's like an office. We sat down.

Kyndall: So this is how it's gonna work. You gonna come from Mon to Friday meaning on weekends you don't work at all.

Me: Okay sir I get it.

Kyndall: And I will be paying you R12000 every week.

Me: 12000? Every week?

Kyndall: (laughs) yeah why it seems like you surprised.

Me: Yeah... I mean yes I am shocked cause I never held that kind of money with my

hands.

Kyndall: Well prepare yourself for that  
(chuckles)

Me: I guess I have to. (smiles)

Kyndall: Great then let me show you where  
the cleaning stuffs are.

We both rose up from our seats then we  
walked out from the office. He showed me  
where the cleaning stuffs are placed. He had  
to head to work and I had to get started with  
work. I did my work and later I cooked lunch  
for him and placed the serving dishes on the  
counter. As I was seated outside enjoying  
the cool breeze air under the tree on the  
shade I heard some footsteps coming my

way. I opened my eyes and there I saw him.

Kyndall: Hey Ivy.

Me: Sir.. Oh sorry.

I rose up at once and fixed myself.

Me: I'm so sorry I was relaxing here and I...

Kyndall: No no (chuckles) it's okay.

Me: Ohhh (smiles)

Kyndall: Come inside there's someone I want to introduce you to.

Me: Oh okay sir.

Kyndall: (chuckles) please call me Kyn.

Me: Kyn.. Okay.

Kyn: Come let's get inside.

We walked inside the house.

Kyn: Ivy meet my daughter Callie, Callie meet Aunty Ivy.

Ivy: (smiles) Hi Callie.

Callie: Daddy is she our new helper?

Kyn: Yes princess, and you gonna give her the same respect you be giving me right?

Callie: Yes Daddy. Nice to meet you Aunty Ivy. (smiles)

Me: Nice to meet you too Callie.

Kyn: Are you not gonna shake hands with her?

She walked towards me and we did a handshake.

Kyn: That's my girl, now go upstairs change your school uniform then come eat.

Callie: Okay Daddy!

She took her schoolbag and rushed upstairs.

Kyn: No running!

Callie: Sorry!

Kyn: Kids. (chuckles)

Me: How old is she?

Kyn: Seven.

Me: Ohh she's a big girl ey.

Kyn: Yeah I know right.

Me: And she's beautiful.

Kyn: (looks at me) thank you yeah she is a beautiful princess my princess.

Silence.

Me: I made lunch.

Kyn: Ohh really?

Me: Yeah I hope you don't mind.

Kyn: What? No ways plus I'm starving.

Callie came from upstairs.

Callie: I'm done daddy.

Kyn: Good girl, Aunty Ivy prepared lunch for us.

Callie: Did she prepare that right now? Wow she is so quick!

Kyn: (laughs) no princess.

Callie: Ohhh (laughs) sorry.

I looked at my phone to check time and it was 17hrs in the dot that was my cue to leave.

Me: Uhm.. Kyn it's my time to knock off now.

Kyn: Did you eat your lunch?

Me: Yeah I had some of that.

Kyn: Okay then good you can leave now.

I went to take my stuffs and I found them dishing up having a conversation full of laughs.

Kyn: Say bye bye to Aunty Ivy.

Callie: Bye Aunty Ivy.

Me: Bye Callie, bye Kyn.

Kyn: Bye Ivy.

I walked out from the house caught a taxi to the taxi rank then caught another one that will take me home. I was exhausted and I only needed my bed. I found mother having a cup of tea.

Me: Hey ma.

I pulled out a chair and sat on it.

Mom: How was your first day?

Me: Great and I met his daughter.

Mom: How old is she?

Me: Her name is Callie and she's seven.

Mom: Mmmh Callie, did you see the wife?

Me: Nope I haven't seen her maybe she's away with business you know how business people get busy.

Mom: Yeah, Nana can I ask you a question?

Me: Yeah sure mom.

Mom: Are you happy with this job?

Me: Yeah I'm happy ma, every work is draining but it's okay.

Mom: Okay then I'm happy to hear that.

Me: Let me take a bath and take a nap.

Mom: You exhausted? (chuckles)

Me: Yeah and ohh he said I will be getting R12000 every week.

Mom: per week?

Me: Yup.

Mom: You know that's a lot of money right?

Me: Yeah it is for me especially.

Mom: You will be able to go to school my love.

Me: Yeah (smiles) let me go do what I wanted to do.

Mom: Okay my child.

I went to my room took off my clothes then went to take a bath after that I took a long nap. I woke up around 20hrs, I closed my windows and curtains. I went to the living area found my mom and brother having supper while watching TV.

Me: Hey Bro.

Marcus: Hey lil sis.

I went to take my plate and sat besides him.

Marcus: how was your first day at work?

Me: Great thanks for asking.

Marcus: are you happy there? If you not you can leave and find another job.

Me: Nah I'm okay where I am.

Marcus: Is the man married?

Me: Nope what I know right now is that he has a kid.

Marcus: How old?

Me: Seven.

Marcus: Oh Argh she's still young.

Me: Yeah and she's beautiful and looks like her father.

ENTRY 2: IT'S CALLIE.

I was done preparing lunch when Callie walked in from school. She looked exhausted.

Callie: Greetings Aunty Ivy.

Ivy: Hey Callie, where is your dad?

Callie: He has a business meeting so he dropped me off here and went back to work.

Ivy: Is it for the first time?

Callie: Nope it's not for the first time.

Ivy: Oh okay.

She went upstairs to her room. Wait if it's not for the first time was there a person looking after her? Or she would get dropped off here and stay alone until the father gets back from work? I don't understand. I dished up for her and dished up for myself. She came back holding a book.

Callie: Aunty Ivy could you please assist me with my math homework?

Me: Okay how about you eat your lunch first then we will do your math homework?

Callie: Okay then.

Me: Did you wash your hands?

Callie: (laughs) oh I forgot, let me go wash

them now.

Callie is such a sweet girl I think her and I gonna get along. I think. She came back and I gave her her plate.

Callie: your food are tasty.

Me: Ohhh thank you Callie.

Callie: I forgot to tell you yesterday, you left early.

Me: That's the time I knock off.

Callie: Ohh I now know.

She drank her juice.

Callie: Do you have kids?

Me: No.

Callie: You married?

Me: Nope I'm not.

Callie: Why you not married?

Me: Cause I haven't found anyone yet.

I can't believe I'm having this conversation with such a young child.

Callie: Okay.

Silence.

Me: Callie when you said it's not for the first time your dad dropped you off at home and leave for work what did you mean?

Callie: Exactly like that.

Me: Was there someone looking after you when your dad left for business meetings?

Callie: Nah he used to drop me off at After-Care.

Me: What's that?

Callie: That's where most of the kids get dropped off at when their parents are tied up at work.

Me: Oh I didn't know about that.

Callie: then they come pick them up after work that's what my daddy used to do.

Me: Is it fun there?

Callie: Yes real fun there are toys and a playground.

Me: That's pretty cool ey.

She continued to eat then later we started with her math homework. I wanted to ask about her mother but I didn't know where to start. As we were busy there Kyn walked in.

Kyn: Good afternoon everyone.

Callie: HI daddy.

Me: Hey Kyn.

Kyn: What are you guys busy with there?

Callie: Aunty Ivy is helping me with my math homework isn't that you are late.

Kyn: I'm sorry princess.

Me: Food is in the oven.

Kyn: Okay thanks.

Callie: I didn't know this is so simple.

Me: (chuckles) but now you know right?

Callie: Yeah thank you Aunty Ivy.

Me: Your welcome Callie.

She took her book to her dad.

Kyn: What's that math?

Callie: Yeah and look how simple that is.

Kyn: What did you learn then?

She quickly glanced at me then to her father.

Callie: That bigger numbers exist?

Kyn: That's the only thing?

Callie: No... Also that I have to think hard.

Kyn: That's correct so what are you gonna do about that?

Callie: I have to practice it.

Kyn: Good girl Callie.

Callie: Thank you daddy.

Kyn: Did you eat?

Callie: Yeah I did eat before I could write my

math homework.

Kyn: Great then.

Callie: I will be at my room then.

She left the area.

Me: I'm soon going to knock out so I will go prepare to leave.

Kyn: Ohhh I wanted to tell you something (chuckles) your food is nice. I could really get used to this.

Me: (smiles) thank you Kyn.

Kyn: How would it be like when you come live in with us? It seems like she enjoys having you around. (smiles)

Me: Move in with you guys?

Kyn: Yeah if you don't mind.

Me: Not in a bad way but I do mind.

Kyn: That's okay. (smiles)

Me: Thank You.

I went to the store room packed my stuff then went to say my goodbyes to Callie.

Callie: Arrive safe Aunty Ivy.

Me: Thank you baby, see you tomorrow morning okay?

Callie: Cool! (smiles)

I left her room went downstairs said my goodbyes at Kyn and I left the house. Move in with him? Nah I can't do that plus it's my 2nd day in my working place already wants me to move in with them. Isn't that dangerous? I arrived at home and I arrived by taking a nap cause there was no one

there. I think mom went somewhere I don't know where but she went somewhere. Later I woke up around 19hrs and I found them watching TV.

Me: Hey Family.

Marcus: Finally you woke up.

Mom smiled having her tea.

Me: Okay what's up? (chuckles)

Marcus: I want to take out bride's wealth.

Me: for Lerato?

Marcus: Yeah for Lerato.

Me: Oh my gosh, did mom approve that?

Mom: Yeah I did my child, Lerato is such a sweet girl.

I hugged Marcus finally he's getting married.

I was starting to get worried that he will die with us living under the same roof. Lerato is my brother's girlfriend and now she's about to be a wife. She's been solid to my brother for years now. We never heard Marcus whining about her. I so love their relationship but we all know that there's no perfect relationship right?

Me: So did you tell her?

Marcus: Not yet.

Me: Why don't you tell her so that they could be ready.

Marcus: I have to send a letter.

Me: Yeah but still you have to tell her before sending a letter dude!

I playfully punched him on his upper arm.

Me: I hope she agrees on this.

Mom: She will.

Me: You never know mom maybe she's not ready yet to be Makoti.

Marcus: Yeah you right lil sis.

Me: But I'm not saying don't ask her. Ask her maybe she will agree just try it.

Marcus: Yeah I'm gonna do that.

Me: Great.

Silence.

Me: So...

Marcus: What's up?

Me: Kyn offered something for me and I refused it.

Mom: What is it?

Me: To come live in with them.

Marcus: You, him and Callie?

Me: Yup.

I looked at my mom.

Mom: Why did you refuse it?

Me: I don't even have a week working there already he wants me to move in with them.

Mom: Take your phone right now and call him tell him that you accept the offer.

Marcus looked at her.

Me: mom I can't do that.

Mom: You know this will save your transportation fee? It's a good thing.

I rose up from where I was seated then went to my bedroom I closed my door and phone called him.

Me: Uhm (clears throat) hi.

Kyn: Ivy hey why you calling so late is there something wrong?

Me: No not at all.

Kyn: Okay what's up?

Me: Remember that offer?

Kyn: What offer?

Me: Of me moving in with you guys?

Kyn: Oh yeah sure sure.

Me: I thought long and hard about it and I would take it.

Kyn: You sure about this?

Me: Yes I'm sure about it.

Kyn: Those are good news then, I will send a cab to come pick you up then.

Me: When today?

Kyn: Tomorrow morning to pick you up with your things.

Me: Oh okay.

Kyn: You better start packing up right now.

Me: (smiles) okay thank you Goodnight.

Kyn: Goodnight.

ENTRY 3: WORK PLACE.

Last night after the call I had with Kyn I did pack some stuffs that I will need and told my mother about a cab that will come pick

me up with my bags.

Mom: Don't forget us okay?

Me: Don't worry ma, I will call everyday.

Mom: Great and please behave okay? That is your boss.

Marcus: Ah! Ma I don't think Ivy would do that.

Me: Yeah ma that's the last thing on my mind right now.

Mom: Good then.

My bags were already inside car.

Me: Alright then let me leave now.

Mom: Bye my child.

Me: I love you guys.

Marcus: We love you more sis.

I opened the car's door then stepped inside it. I closed the door gently waved at my lil family then the car drove off. Kyn has money ey he was able to hire an H1 for me, must be nice having money. I also wanna see myself living his life one day and I know it's gonna happen. Not now not tomorrow but it's gonna happen for real. I arrived there and Kyn welcomed me.

Kyn: (smiles) Good morning.

Me: Good morning Kyn (smiles)

Kyn: Let me help you with those.

Me: Oh thank you.

He helped me with my baggages I followed him to this other room I think that's where I

will be sleeping.

Kyn: Okay then this will be your room.

Me: Oh thank you it's beautiful.

Kyn: You like it?

Me: Yeah I do like it.

White sheets, Grey paint on the wall. Dark brown dressing table. White closet and light Grey curtains oh and a Grey rug, I like it it's perfect. Never been in this kinda room before. It's gonna be nice being here.

Kyn: Okay then I'm happy that you do like it. I will leave you to settle in then come join us downstairs.

Me: No how about I make you guys a breakfast then I will come to pack my clothes in the closet?

Kyn: Okay if you cool with that then that's okay.

He left the room and I also followed him downstairs.

Me: You really have a wonderful home Kyn.

Kyn: thank you. It's hard work always pays off.

Me: I see that.

Callie came from upstairs.

Callie: Good morning aunty Ivy.

Me: Morning Callie, how did you sleep?

Callie: I slept well thanks for asking and how did you sleep?

Me: Had a great one Callie.

I made them breakfast then later I went

upstairs to pack my clothes in the wardrobe as I left them having their breakfast. When I was half done packing my clothes someone knocked on the door.

Me: Come in.

Kyn walked inside.

Me: Ohh Kyn it's you, you really don't have to knock this is your house after all.

Kyn: Even if it's my house I gotta respect someone's privacy. What if I just walked in and found you naked? Just saying.

Me: (chuckles) yeah you right.

Kyn: (chuckles) I will be leaving now.

Me: Oh okay drive safe.

Kyn: Thank you, you also stay safe.

Me: Thank you Kyn.

He left the room at once. Callie walked in.

Callie: I'm going to school now aunty Ivy.

Me: (smiles) okay baby, have a nice day.

Callie: You also have a great day, see you afterschool.

She immediately left the room. Now I have to get to work, honestly the work I'm doing is draining but I gotta do it for money. Things we do for money y'all don't have to judge at all. As I was working I received a call from my friend Rhea.

Me: Hey you.

Rhea: Hey baby, how is it going?

Me: I'm okay ey I'm okay and yourself?

Rhea: Doing good.

Me: How is Varsity?

Rhea: Hectic ey.

Me: Oh I didn't expect that.

Rhea: You know high school is better than University.

Me: Is it really that bad?

Rhea: Please it's draining.

Me: But you happy right?

Rhea: Yeah mean like being here has always been on my bucket list.

Me: You know.. Actually forget it. (chuckles)

Rhea: And how is it going on your side?

Me: Uhm it's going great.

Rhea: Cool, hey I was just checking up on my friend.

Me: (smiles) thank you my friend.

Rhea: Let me get going I have a mornings class.

Me: Okay bye.

Rhea: Bye.

She dropped the phone off. Rhea is a friend of mine since from grade 8 yeah we met at high school at our grade 8 camp. She is one of those people who got lucky and enroll at the University unlike me. Plus at her home they have money so yeah that's what made it possible. I also wanna see my self somewhere around the world studying what I always wanted wouldn't that be great? But

only when God allows me to then I will go. Life doesn't always go the way you want to its unpredictable. You can plan for tomorrow but not for the future cause you never know what's gonna happen tomorrow that might affect what you planned for the future. On the evening I prepared dinner Kyn and his daughter seem to like my cooking. While I was at the living room watching a movie Kyn came to join me.

Kyn: You don't mind at all?

Me: Nope I don't mind at all.

Kyn: Thank you.

He sat down why is he asking such questions mean this is his house.

Kyn: How do you feel being here?

Me: Just okay.

Kyn: Just okay I see.

Me: I will get used to it overtime.

Kyn: Yeah yeah, how old are you again?

Me: Uhm.. I'm 19 years of age.

Kyn: Aren't you suppose to be at college or university?

Me: My mom doesn't have enough funds to take me to school that's why I'm here. To earn money that will help me get to school.

Kyn: OH I see.

Me: Yeah.

Kyn: But you way to young to work such typa work.

Me: Meaning?

Kyn: Don't get me wrong but I know this is draining.

Me: Yeah it does work you out.

Kyn: Why didn't you try restaurants?

Me: You pay way better than restaurants. Those people rely on tips and tips won't get me anywhere.

Kyn: OH yeah I get you.

ENTRY 4: I DON'T WANT ANYONE.

It's Day 3 of working in Kyn's house. I like how him and his daughter are treating me and the conversation we had yesterday, I felt like he needed to know it. It's true everything I said it's true and now I got a job I will be able to pursue my career.

Kyn: Callie?

Callie: Yes?

Kyn: Did you call your mother?

Callie: Nope I didn't?

Kyn: Why?

Callie: Because I forgot to call her daddy.

Kyn: Call her now and tell her that you going to sleep at her house this weekend.

Callie: Okay daddy.

She rushed upstairs. That got me thinking that if Kyn asked Callie to call her mother that she's going to sleep at her house this weekend. Does that mean they are separated? Cause I have been watching at Kyn and he doesn't have a ring on his finger.

They did get married and divorce? He came to the kitchen to have a glass of water. I wanted to know so I asked him.

Me: Why can't the mother come over?

Kyn: She can't, she lives with her new boyfriend.

Me: Ohh.

Kyn: Yeah.

Me: What happened exactly?

Kyn: Me and Callie's mother once dated at high school then we had a baby.

Me: At what grade did you guys decide to have a baby?

Kyn: Grade 12.

Me: Wow uhm okay.

Kyn: Yeah she messed up found someone new which is her new boyfriend then we broke up. But we agreed on co-parenting.

Me: Oh yeah I once heard that word before.

Kyn: So yeah that's it.

Me: I hope I didn't ruin your mood.

Kyn: no don't think like that, it's okay. I will probably find someone else too. But when I don't know.

Me: Yeah.

Kyn: And what about you, are you seeing someone?

Me: Who? Me? (chuckles) I'm not seeing anyone and I don't want anyone.

Kyn: And why if I may ask?

Me: Because I've seen my friend being heart broken for multiple times and she once tried to take her life away because of some boy.

Kyn: (chuckles) wait so.. What you trying to say is, you haven't been in a relationship before?

Me: Correct.

Kyn: You don't know how being in a relationship feels like?

Me: Not at all.

Kyn: (chuckles) you afraid to fall inlove because you have seen your friend being heart broken?

Me: Exactly what you just said.

Kyn: Well I must say it's really gonna be worse the minute you start or decide to get

in a relationship with someone. You gotta train your heart how to handle things in a relationship. But I believe you gonna do well.

He left the kitchen area and I stood there counting what Kyndall just said. I think I should train my heart how to handle a break up how to handle disappointments in a relationship. I don't know any of those and once they happen and I have no experience won't it be worse? I called my brother to check what Lerato said.

Me: Marcus.

Marcus: Hey lil sis you good?

Me: Yeah I'm good and yourself?

Marcus: I'm good lil sis, aren't you suppose to be working?

Me: I'm taking a lil break.

Marcus: Ohh okay what's up?

Me: Have you told Lerato about the Lobola thing?

Marcus: I did tell her?

Me: And? I hope she agreed to all of that.

Marcus: And she said yes!

Me: See I told you soon you will be having your own family.

Marcus: Yeah I will be sending a letter this Friday.

Me: (cracks out) surely mom did tell all of her brothers that you want to Lobola.

Marcus: You know how mom can be sometimes, you know her very well. (cracks

out)

Me: Argh man I was just checking up on you  
ey. I miss you guys.

Marcus: And we miss you too.

Me: I will come to check out this weekend.

Marcus: Okay then no problem.

Me: I will call mom later when I'm done with  
my work here.

Marcus: Okay lil sis enjoy the rest of your  
day.

Me: You also enjoy the rest of your day.

I hanged up the phone call and placed it  
back on the pocket. I did all of my work then  
went to rest at my room. Being here feels so  
awkward maybe I will get used to it when

time goes by. This is the life I want, money, clothes and everything that screams money that's all I want. Money can make a big difference especially in the condition I'm in. I mean what else would you need if you have money? Money buys everything that might make you happy. I'm not in a rush but I badly want it all. Callie didn't go to school today because there are some events held at school and she didn't want to take part in any of them. I wonder why she's acting like this maybe she takes it from her mother or father between the two. But most of the kids don't usually take their father's and mother's personality. They might look like a their great grand mother or father that's how it goes. Like me I didn't take anything from my mom

or father I took both from my grandparents from my father's side. I'm light skinned with a fit body and a long brown hair and when you look at me I look exactly like my grandmother from my father's side when she was still a teenager. The way I act, walk and talk also the way I think screams my grandmother. I took a long warm shower and after that I took an hour nap woke up later to cook supper.

Callie: Daddy?

Kyn: Yes Baby?

Callie: I did call mom.

Kyn: And what did she say?

Callie: She said it's okay.

Kyn: Are you happy that you going to see

mommy this weekend?

Callie: Yes I am happy.

Kyn: Okay princess.

I like how Kyndall allows Callie to spend some quality time and create a bond with her mother. That's a nice one he's not selfish I mean life is short allow children to spend time with their parents when they are on a separation. We had our supper and washed the dishes with a help from Kyn.

Me: Aren't you not supposed to be at your office?

Kyn: I'm taking a break.

Me: Ohh okay cool but you didn't have to cause they aren't that much.

Kyn: I insist.

Me: Okay boss if you say so.

Kyn: (laughs) please don't call me that.

Callie came to the kitchen area.

Callie: Daddy?

Kyn: Yes Princess?

Callie: I'm done brushing my teeth and I came to say goodnight.

Kyn: Oh okay Princess, Goodnight I love you okay?

Callie: Goodnight daddy I love you too.

She hugged her father, I like this it's so beautiful to watch. She came to me and gave me a goodnight hug.

Callie: Goodnight Aunty Ivy, I love you.

Me: Awww I love you too baby, have a

goodnight.

She broke a hug and left the area. I like her I wish she was mine.

Kyn: So tell me here, what do you want to study?

Me: Medicine.

Kyn: Ohh Medicine that's a good career.

Me: Yeah I know right.

Kyn: You aren't afraid of blood?

Me: Nope (laughs)

Kyn: Ey you strong ey but that's a great choice and I believe you gonna do well.

Me: Yeah I will, thank you Kyn.

Kyn: You really don't have to say that.  
(chuckles)

Me: (smiles) cool.

We locked eyes and I just froze just there.

Kyn is a fine gent I wonder why Callie's mom cheated on Kyn when he's looking so fine.

Kyn: Let me get back to work see you tomorrow morning.

Me: Okay cool, Goodnight.

Kyn: Goodnight Ivy.

He looked at me for a while then he left the area. I don't know this feeling inside me where does it come from. I wanted him as only him he is so hot to look at. The way he speaks, laughs and eat gosh this gent is so perfect.

ENTRY 5: I'M BLESSED.

It's time for me to get to work now and it's 05hrs in the morning I have to be up before everyone else does. I made up my bed and took a shower. I know it's weird but I did put on my uniform for work. I haven't received an instruction from him so I have to do this.

Kyn: Babe what are you doing?

Me: I'm getting myself ready for work.

Kyn: Work? What work?

He said that sitting up right rubbing his eyes. My baby is so cute when he just woke up from his sleep.

Me: Work babe. Remember I'm working here.

Kyn: Nah get back to bed and let's cuddle.

Me: No babe you have work to prepare for and I have to get to work too. Callie will

wake up soon she has to find breakfast ready for her.

Kyn: (sigh) okay I get you but you my girlfriend right now you don't have to wear that.

Me: I didn't hear you talking about it so I dressed up.

Kyn: Take off those clothes and wear something comfortable.

Yeah it's uncomfortable I'm glad he saw that I'm blessed over here.

Kyn: Are you?

Me: Yeah I will.

Kyn: Then you can get to work.

I changed into my indoor casual clothes. I

went downstairs and start making breakfast for Kyn and his daughter.

Callie: Good morning Aunty Ivy.

Me: morning baby, how was your sleep?

Callie: Peaceful thanks for asking. I pray our teacher doesn't give us alot of work like yesterday.

Me: (laughs) what happened?

Callie: She gave us worksheets we had to solve alot of problems.

Me: And I guess you didn't enjoy doing it.

Callie: I wasn't cause I was feeling sleepy while writing.

Me: (laughs) I know that feeling ey.

Callie: Aunty Ivy?

Me: Yes Callie?

Callie: Can I ask you something regarding old people stuffs?

Me: (chuckles) regarding old people stuffs?

Callie: Yes old people stuffs.

Me: What do you wanna know.

Callie: Since now you and dad are kissing are you guys gonna get married?

Where does that question comes from? I didn't know how to reply to her question. I had to find some words to connect and give them out.

Kyn: We will get married.

I looked at him, he said that coming from upstairs.

Me: We will?

Callie: Oh dad is here... So you guys are gonna get married?

Kyn: Yeah we will.

Me: We need to talk.

Kyn: Okay then fine.

He sat down.

Me: Callie would you like some pancakes?

Callie: Yes please.

I dished some pancakes for Callie and gave her the plate.

Callie: Thank You Aunty Ivy.

She started digging up she was enjoying her pancakes.

Callie: My transport is here.

Me: How do you know that?

She took out her phone and showed me the screen.

Me: Wow technology.

Callie: Yes! Bye Dad Bye Aunty Ivy.

Me: Bye Callie.

Kyn: I love you.

She grabbed her school bag and left the house.

Me: Do you trust the driver?

Kyn: He's one of our drivers.

Me: But do you trust him?

Kyn: Yeah I do trust him.

Me: Cool then if you say so then.

Silent.

Kyn: You wanted us to talk.

Me: Yes why do you want us to get married?  
I mean we just got in a relationship not so long ago and now...

Kyn: Babe not now I know it's way too early for us to get married but I can make it possible you know that.

I looked at him and he kissed my lips.

Kyn: (chuckles) relax okay? I won't do that. If this is the relationship you don't wanna be at then you can tell me.

Me: What makes you say that?

Kyn: You know how relationships can be its

nice at the beginning and along the way you get to see what's up and maybe its not for your liking.

Me: But I want to be with you.

Kyn: It's okay and I know.

He held me close to him and I could feel his hard cock. He pressed his lips against mines and we shared a long kiss.

Kyn: And I also wanna be with you. I'm not in the rush just taking things slow okay?

Me: I trust you.

Kyn: I love you.

Me: I love you too.

He hugged me I felt so safe in his arm like he was protecting me from all the things

that might hurt me. I didn't want to let go and I want it to be like this forever.

Kyn: Let me get to know and we will talk after work okay?

Me: Okay babe.

Kyn: Have a great day.

Me: Have a lovely day at work.

He kissed my cheek. He grabbed his hand luggage and left the house. Now I had to tidy up and wash the dishes. I got no alot of work to do today. I don't know what's gonna happen way forward from now. I sat down at one of the kitchen stool and gave a sigh. I got lost in my thoughts I don't know what drew me back and started to get into work. I did what I had to do then later I went to take

a nap. Kyndall was all in my mind there was nothing I could think of but Kyndall I love this man and I think I have fallen for him hard. That isn't good I guess? But he's my first lover I should be feeling all this feelings inside me. I dozed off and I got woken up by someone kissing my cheek when I opened my eyes it was him. I smiled.

Kyn: Hey babe.

He kissed my lips and I replied back.

Kyn: (chuckles) you okay?

He brushed my left cheek and kiss my lips. I looked him in his eyes gosh if man can be like this I want mine to stay like this forever.

Me: (smiles) yeah I'm fine.

Kyn: I'm fine when you are (smiles) I guess

we won't be having lunch anytime soon.

Me: What time is it?

Kyn: It's 13hrs Callie will be here soon.

Me: I have to get up and start to cook.

Kyn: No it's fine babe we can go out for lunch.

Me: You cool with that?

Kyn: Yes I'm cool with that. Let's just wait for Callie to arrive then we can leave.

Me: Okay babe.

He took off his blazer I watched him doing ups and downs in our bedroom. He finally came to me.

Kyn: Come here.

I rested my head on his shoulder as he

wrapped his arm around me.

Kyn: I want you to meet my baby mama.  
Callie's mom.

Me: Okay, is she just cool?

Kyn: Yeah she is cool.

Me: So when am I meeting her?

Kyn: Tomorrow on the afternoon.

Me: Why do I have to meet her?

Kyn: So that she could know you and who are you. Knowing who is taking care of her daughter when she's here. Cause remember at Callie's birthday party you just said names and that was it cause it was a busy day.

Me: Oh yeah it was a busy day.

Kyn: So tomorrow we doing it the right way

and formal way.

Me: Okay then babe I don't have a problem with that.

Kyn: Thank You.

We heard Callie calling our names downstairs then we heard her voice approaching our room.

Callie: Aunty Ivy and Da... Oh there you are. I thought I was alone.

Me: You can't be alone Callie.

Callie: I always find you at the kitchen what happened today?

Kyn: Aunty Ivy has to rest too.

Callie: Oh so what are we gonna have for lunch?

Kyn: We going out for lunch.

Callie: And dinner?

Kyn: We will just order pizza.

Callie: I want Pizza for lunch.

Kyn: And we will have dinner out?

Callie: Yeah!

Kyn: Babe what do you say?

Me: I'm okay with that.

Kyn: Okay Callie we will do it that way princess.

Callie: Yay! Let me go change my school uniform.

Kyn: Okay Princess.

She left our bedroom. Kyn took his phone

and ordered two box of large pizzas. Later they came and we went to the living room. Callie made us watch animated movie but I kinda enjoyed it you know how they can be. Funny. It's like we were a little happy family yes we are happy but as for family I'm not sure if it's safe to say that now.

## ENTRY 6: BABY MAMA

Today I'm meeting Callie's mom. I don't know her very much well but the way I heard Kyndall describing her she is a cool lady. Last time I saw her it was on Callie's birthday we just meet and said our names we never got a chance to sit down and talk, get to know each other. She is really beautiful I now see where Callie got her

beauty from. I was on my black tight dress and I let lose my braids. I saw her walking in the house Callie was at her bedroom cause we only wanted grown ups. We said our greetings then we sat down.

Kyn: I'm glad you finally made it. So the reason why I called you here is to know who takes a good care of your daughter when she's away from you.

Priscilla: Okay.

Kyn: You guys already know each other right?

Me: That's true but we really don't know each other fully.

Priscilla: Yeah we only know who is who by calling out names. (chuckles)

Kyn: Priscilla, Ivy and I are in a relationship.

Priscilla: Oh I'm so happy for you guys for how long now?

Kyn: That doesn't matter.

Priscilla: Am I wrong to ask?

Kyn: I want you to know Ivy as my girlfriend and soon to be my wife. She will be staying with me from now on and you know that if she stays with me you know what that means.

Priscilla: That Callie will get involved too.

Kyn: Exactly.

Priscilla: So does Ivy work?

Kyn: Don't ask me, ask her.

I looked at Kyndall and he just only smiled at me.

Priscilla: So Ivy do you work? Cause the last time I remember you were working here as a helper have you found any job?

How could she be so harsh? That's so rude of her.

Me: I haven't found any job yet.

Priscilla: Okay I see and when are you going to look for it?

Me: Uhm... I'm...

Kyn: Okay that's enough for now Priscilla.

Priscilla: I thought this was get-to-know-each-other conversation.

Kyn: Yes it is but your questions are harsh.

Priscilla: I apologize if I was harsh but I wanted to know her. Right Ivy?

Me: Uhm... Yeah.

I thought Kyndall said Priscilla is cool but I just saw her different side today she a rude person and I have to deal with this kinda person for the whole life? Am I gonna be able to do it?

Priscilla: I apologize Ivy.

Me: It's okay.

Kyn: Fine then I think we should just end things here.

Priscilla: Meaning our meeting is over?

Kyn: yes the meeting is over.

Priscilla: that was early.

Kyn: I will walk you out.

He walked him out and I was left alone there.

He came back.

Kyn: I'm so sorry I didn't know she can be like that.

Me: Will I have to deal with such person for the rest of my life?

Kyn: What do you mean?

Me: Kyndall we are in a relationship and your Callie is also part of it. Which means her mother will be there all the way.

Kyn: Babe...

Me: I don't want to deal with kind of people like her.

Kyn: What does that suppose to mean? That you breaking up with me?

I stood up from where I was seated and

made my way upstairs. I got inside the room and lie down on the bed. He walked in.

Kyn: Are you breaking up with me?

I didn't say a word.

Kyn: Ivy are you gonna break up with me because of Priscilla?

I sat up right.

Me: I never mentioned the break up word.

Kyn: Then what's wrong?

Me: You know what's wrong.

He motioned to where I was seated and sit besides me.

Kyn: Babe I don't know Priscilla like that okay? But don't take her serious just ignore whatever she says or will say to you okay.

You are in a relationship with me not her.  
Don't let her make you feel small okay?

Me: Yeah I think you right.

Kyn: No don't think, I am right my love. I love  
you okay?

Me: I love you too baby.

Kyn: Come here.

He gave me a warm and I tight hug.

Kyn: Okay so what's your plan?

Me: Plan about?

Kyn: School.

Me: I don't know yet mean the applications  
for this year already closed.

Kyn: (sigh) yeah you right.

Me: I don't know then. My plan for this year was to work and get money but instead of that I fell in love with my boss.

He just chuckled and kissed my forehead.

Me: So I guess right now I will be a housewife.

Kyn: But there must be something you have to keep yourself busy with.

Me: And for now I got nothing in mind.

Kyn: Mhhh.

Silent.

Kyn: How about you go do your learners.

Me: You mean driving?

Kyn: Yes that. (chuckles)

Me: Okay cool I will do it.

Kyn: I will call someone I know who will help you with that.

Me: Is that someone owning a Driving School?

Kyn: Yes.

Me: Okay I'm ready for it.

Later as I was busy at the kitchen Callie came to me.

Callie: Aunty Ivy can I assist?

Me: Oh baby I'm almost done.

Callie: What can I do?

Me: (chuckles) I don't know baby.

Callie: Okay I will just go at the living rook and watch cartoons.

Me: Okay baby.

Callie: Wait where's dad?

Me: Maybe at his study room and you know we don't want to disturb him right?

Callie: Yeah okay then.

She went to the living room after some few minutes Kyn came from upstairs.

Kyn: So I talked with him.

Me: Okay?

Kyn: He said you can start next week Monday.

Me: Okay then no problem.

Kyn: At least you will be keeping yourself busy with something else.

Me: Yes for this year only but I have to start to apply for some institutions this year for

next year.

Kyn: I like how you thinking.

Me: (chuckles) yes I want to go to school.

Kyn: I can see that and I will also have to buy you a laptop.

Me: Uhm... Okay.

Kyn: What? You don't want it?

Me: No... Babe you've done enough.

Kyn: No you are my boo and I will do anything for my boo.

Me: I love you do you know that? (giggles)

Kyn: I love you more.

He motioned closer to me and pinned me against the wall. I cleared my throat and pointed at Callie.

Kyn: Oh yeah her.

Me: (chuckles) yes her.

He gave my cheek a kiss.

Kyn: We will be alone just now.

Me: whatever. (chuckles)

He kissed my lips and left the room. Gosh I'm so inlove and I like it here. I should listen to him and don't allow Priscilla to make me feel small. I hate baby mamas they can be demons sometimes. But I won't let her get in my way or ruin things between me and Kyndall! The next day as I was taking a shower I received a call from unknown numbers.

Me: Ivy's phone hello?

Voice: Ivy hey its me. Priscilla.

Me: What do you want Priscilla?

Voice: Can we meet for breakfast at Wimpy?

Me: Okay what is it for?

Voice: I will tell you when you get here.

Me: Okay.

Voice: See you soon.

Me: Bye.

Voice: Oh don't tell Kyn.

Me: O-kay.

She disconnected the call. I wonder why she wants to meet up with me, she can be crazy sometimes like how she acted yesterday. Anyways I made breakfast for my family.

Me: Babe?

Kyn: Yes my love?

Me: Can you please drop me at Wimpy?

Kyn: Are you gonna have some breakfast there?

Me: Uhm... Yeah.

Kyn: But you already made breakfast here.

I didn't say a word I drank my coffee.

Kyn: Okay I will drop you off there.

Me: Now.

Kyn: Oh okay then let's leave.

We left the house and we got inside the car, Kyndall started to drive out. On our way I kept on thinking why Priscilla wants us to meet what is it about. I kept on thinking nasty things but we gonna be in public with

that I am safe. I guess.

Kyn: Request yourself an Uber black or just call one of our drivers okay?

Me: Okay baby, I love you.

Kyn: I love you too.

I kissed his lips, grabbed by handbag and stepped out of the car. I walked inside the Wimpy Restaurant tho my body was shivering but I calmed myself down. There I saw her seated on the table where anyone could see us. That's a great choice. I motioned to her and sat down.

Priscilla: I'm so glad you could make it.

Me: Tho I didn't feel okay about all of this.

Priscilla: (chuckles) relax I won't do anything to you. I'm harmless.

Me: If you say so Priscilla.

Priscilla: Would you like to order?

Me: I'm not here to have breakfast with you. You said you want us to meet here so get into it.

Priscilla: Gosh okay fine I will get straight to the point.

I gave her that talk-I'm-listening kinda look.

Priscilla: I want to apologize for my behavior yesterday I shouldn't have been that harsh to you and make you feel small or something like that.

Me: Remember you apologized yesterday and I'm okay with that.

Priscilla: Maybe we can be friends. (smiles)

Me: I would love to but I won't give it a chance.

Priscilla: Oh.

Me: We done here? You said all you wanted to say right?

Priscilla: Yeah.

Me: Thank You. Apology accepted now we cool right? (fakes a smile)

Priscilla: Yeah we cool. (smiles)

Me: No more fights?

Priscilla: We never had one but yeah.

Me: You have yourself a lovely day Priscilla.

Priscilla: Same applies to you.

I rose up from my seat at once and left the restaurant. I spotted some shop then

crossed the streets to get to it. While I was busy doing some eye shopping I called one of our drivers then after few minutes he came to pick me up. I arrived at the house took off my shoes and threw myself on top of my bed. My body was exhausted from what I have no idea. I passed out right there, I woke up later and make some lunch.

Me: So I went to meet with Priscilla today.

Kyn: Priscilla?

Me: Yes Callie's mother.

Kyn: What did she want from you?

Me: To apologize for her behavior yesterday.

Kyn: And?

Me: We cool I told her that the apology is accepted there's nothing else left.

Kyn: Okay then that's great.

Me: And she was like can we be friends?

Who? Me? Friends with my boyfriend's past girlfriend or baby mama you can call. I don't do shit please.

Kyn: (laughs) you didn't take it?

Me: Nope I didn't she wants every detail about our love life that ain't gonna happen baby.

Kyn: I never knew you are like this. (chuckles)

Me: Imagine me being friends with your exes?  
Bitch it's a negative.

Kyn: Whoa babe is this really you? (laughs)

Me: You my babe now and I won't let no shit come our way.

## ENTRY 7: LESSONS & FEELINGS.

Naratted

It's next week and Ivy just started with her lessons. Everything is going perfectly fine on her side no drama lately and fights. I mean that's how life should be but it should get busy sometimes whereby there are fights, hatred you name them everything that makes your life busy. She was from her lessons when she arrived at the house and found Kyndall busy making lunch at the kitchen.

Ivy: Okay I never knew you can cook.

Kyn: (chuckles) doesn't mean when I'm always at work I don't know how to cook.

Callie: You have to taste dad's food it's really good.

Kyn: Not nice?

Callie: Dad Good is another word please.

Ivy: Okay then I can't wait.

Callie: Aunty Ivy are you going to get busy with something?

Ivy: No why?

Callie: I would love it if you help me with my Maths homework.

Ivy: We will do that after I shower okay?

Callie: Okay I will wait for you then.

Callie continued to watch her favorite cartoons Bluey. She gave Kyn a kiss on his cheek and headed upstairs. She took off her

clothes and stepped inside the shower. There's nothing that a person could do without thinking a lot yes Ivy was lost in her thoughts she just sat down and the warm water ran down her body. It was so warm that you wouldn't want to step out the shower. She took a long warm shower and dried her body.

Ivy: I'm here.

Callie: You took the whole hour to shower.

Ivy: Did I?

Ivy looked at Kyndall and he nodded. He started to dish up and they all began to dig up their food.

Ivy: Yeah Callie is right, your food is good.

Kyn: Are you also gonna rate my food to that?

Ivy: Okay your food is nice okay I enjoyed my meal but you not the best of me.

Kyn: Oh really? (chuckles)

Ivy: Really my love.

Kyn: Maybe you should show me how to cook like you.

Ivy: Oh no so that you could be better than me? It's a negative not a chance. (laughs)

Kyn: I'm not trying to steal your cook.  
(laughs)

They all cracked out with a laughter later Ivy helped Callie with her homework then she went to cuddle in with Kyn.

Kyn: How was your first lessons today?

Ivy: It was just fine.

Kyn: You want to continue with this?

Ivy: What our relationship?

Kyn: (chuckles) no not that of course you want to continue with our relationship.

He kissed Ivy's forehead and rubbed her arm. Ivy smiled and gave a heavy sigh.

Ivy: Yes I think I should give it a try for this week and if nothing works out for me I drop it.

Kyn: And who do you think will drive you to where you wanna go?

Ivy: You of course.

Kyn: So babe if I'm away with work?

Ivy: Our drivers are here.

Kyn: (laughs) wow I can't believe you saying

that. Don't you want to own your own things?

Ivy: I want to but don't you think I'm way to young for that?

Kyn: No babe you can still create your empire at this young age. So I would advice you to do it own that car own that house have your own money baby and you will see how it is to be independent. For now you still crying on me.

Ivy: (laughs) that's not true.

Kyn: And I'm enjoying it.

Ivy: thank you babe.

Kyn: No my love no need to thank me. It's my job do to those things for you. Come here. Ivy got on top of her and pressed her lips against his and they shared a kiss that

turned to be tense. Kyn took off Ivy's shirt and was left with a bra, he caressed her body and our girl was already wet. Kyn changed positions he was now on top of her and she was breathing heavily. She wanted to stop him but she Didn't have much power to. Ivy was now naked and embarrassed it's her first time being naked in front of a man.

Kyn: Your body is shaking are you okay?

Ivy: Uhm.. Yeah I'm.. I'm okay.

Kyn: I know you not ready okay?

Ivy just nodded.

Kyn: But you want to know how it feels?

He looked her deep in her eyes he knew that Ivy want him inside so bad but he doesn't know what makes her not to allow him in.

Ivy: I want to Kyn... Please fuck me.

Kyn: Are you aware that your virginity will go away?

Ivy didnt say a word. Kyn took off his clothes  
Ivy touched his cock it was hard and long  
but not long enough but it was long a feet  
long. She gave him a good head Kyn was  
losing it cause it was his first time being  
blow jobed like that.

Kyn: Fuck Ivy where did you learn that?

He was breathing heavily.

Ivy: I used to watch porn. Was it good or bad?

Kyn: Babe that was damn good. Come here.

Ivy giggled and crawled up to him, they  
kissed and cuddled there.

Ivy: Kyn what are you doing?

Kyn: Relax I'm not gonna slide in.

Kyn was rubbing his hard cock on top of Ivy's coochie. He was just showing her how it feels and Ivy was enjoying it but she didn't want to make a big mistake on her life, losing her virginity with no man she's not sure with. A man she isn't sure that he will marry her in the next few years. In the next morning she received a call from her brother Marcus.

Marcus: Did I wake you up?

Ivy: Not really I was from the shower what's up?

Marcus: You good?

Ivy: I'm good brother and how are you doing?

Marcus: I'm doing well thanks.

Ivy: What's up why you called?

Marcus: I wanted to tell you that tomorrow I'm going to my interview at Johannesburg.

Ivy: Johannesburg? Marcus are you hearing yourself?

Marcus: Yes I'm hearing myself.

Ivy: Marcus do you know how dangerous Johannesburg is? Did you research about this work?

Marcus: Yes I did it's a legit one it's a big company.

Ivy: Okay I give you my blessings brother. All the best.

Marcus: Thank You.

Ivy: So when are you leaving?

Marcus: Tomorrow morning.

Ivy: I wish you nothing but all the best, I love you Bro.

Marcus: And I love you too.

Marcus hang up the call Ivy applied lotion on her body and put on some clothes. She grabbed her hand luggage and her phone then went downstairs. Found their new helper setting up the table she prepared alot of food for them. She greeted her and the rest of the family and sat down to have her breakfast. She didn't know what to eat and what to leave she wanted to have all of them but she has to pick. Ivy grabbed one of the bowls and dish up a fruit salad for herself.

Ivy: I was on a call with Marcus.

Kyn: Marcus your brother?

Ivy: Yeah.

Kyn: How is he?

Ivy: He is doing great and found a new job at Johannesburg.

Kyn: Oh those are great news hey.

Ivy: But it's not official.

Kyn: What do you mean it's not official?

Callie: Daddy can you pass a jug of juice for me please.

Kyn passed a jug of juice to Callie.

Callie: Thank You.

Ivy: Well he still have to go for an interview

which is tomorrow.

Kyn: I hope he gets this job hey wait did he research about this job?

Ivy: He said he did and it's a big popular company a legit one.

Kyn: I was just checking cause Johannesburg is not safe at all.

Ivy: Yeah I know right.

Ivy started to have her fruit salad. It was so warm inside the house and perfect.

Kyn: So babe what time are you leaving?

He said that wiping his mouth.

Ivy: Just after we done having breakfast then we can leave.

Callie: Okay I'm leaving now bye guys.

Them: Bye Callie.

She grabbed her school bag and left the house. Just after they were done with their breakfast they grabbed their stuffs and left the house. Kyn dropped Ivy at her classes and left for work.

ENTRY 8: IT'S NOT ABOUT MONEY.

Funny how they haven't had a real sex but they are showering together. I know no man can be patient to that extent but Kyndall is because he loves his girlfriend and will do anything to see her happy.

Kyn: Babe you should get a new hairstyle.

Ivy: Yeah you right but I'm so lazy to undo my old hairstyle.

Kyn: Ey I'm here remember.

Ivy: You know babe you work so hard at your company and I don't want to add on top of that.

Kyn: What are you trying to say babe?

Ivy: What I'm trying to say is you have to rest after a long hectic day you had at work.

Kyn: But I'm free today.

Ivy: Yes that tells you should rest today.

Kyn: No man can rest when they have their wife's around.

Ivy: I'm not your wife Kyndall.

She stepped out from the shower and wrapped her wet body with a towel. Kyn also stepped out and wrap his lower body with a

towel.

Kyn: You hate being called a wife I can tell.  
(laughs)

Ivy: Well yeah you can say that.

She applied lotion on her arms.

Kyn: (chuckles) why?

Ivy: Because being called wife while you still a girlfriend with no ring on your finger it's something like bad luck.

Kyndall laughed out loud he didn't believe what Ivy just said. Ivy looked at him and sat down on the edge of the bed she was irritated.

Kyn: Ohh really?

Ivy didn't give no reply she just took off the

towel off her body. Kyndall motioned close to her and sat down behind her.

Kyn: Let me help you with your back.

Ivy just gave her the lotion and Kyndall started applying lotion on her back.

Kyn: Babe are you really serious?

Ivy: I am serious babe it's a bad luck that says you won't get married cause they already told you a wife while you not.

Kyn: So you want to tell me that you believe in that my love.

Ivy: Yes I do and you must stop calling me your wife.

Kyn: (chuckles) but you will be one day.

Ivy: Mmh after few years I know.

Kyn: And it's gonna happen.

He gave her a massage and kissed her shoulders.

Kyn: I will prove you wrong. I'm done.

Ivy: Thank You babe.

Ivy rose up and lotioned her lower body then put on some clothes. Kyndall got busy on his phone then Ivy's phone alerted for a notification.

Ivy: I wonder who is it maybe it's this company messages.

She picked up her phone and saw the notification.

Ivy: Babe what is this for?

Kyn: Go out and do something.

Ivy: Hello? With this whole money?

Kyn: Just spend it okay.

She ran to him and give him a tight hug.

Ivy: Thank You babe. (smiles)

Kyn: (chuckles) it's okay babe.

Ivy: Uhm babe?

Kyn: Yes my love?

Ivy: Can I call my friend to come over the house so that she could help me undo my hair?

Kyn: Okay it's cool.

Ivy: thanks babe.

Ivy dialed Rhea's numbers it rang twice before Rhea could pick it up.

Rhea: My favorite person is calling me oh my gosh I can't believe it.

Ivy: (laughs) okay cut the act.

Rhea: How are you baby? (laughs)

Ivy: I'm okay and how are you?

Rhea: I'm good.

Ivy: Rhea are you around?

Rhea: Yeah I just arrived what's up?

Ivy: I would like you to come over my house.

Rhea: You have a house?! (screams)

Kyndall chuckles the way Rhea was so loud even Kyndall heard her.

Ivy: It's not really my house but yeah.

Rhea: Whaaaaa? What do you mean?

Ivy: You know what am gonna send you an address and you come over.

Rhea: Okay send it right now and I will be right there.

Ivy: Okay coolies can't wait to see you.

Ivy giggled and dropped the call.

Ivy: She is gonna be mind blowed.

Kyn: While she gets mind blown away I'm going out for a meeting.

Ivy: Babe I thought you off today.

Kyn: Yes babe but...

Ivy: Now you going out for a meeting?

Kyn: It's just a small meeting my love I will be back before afternoon.

Ivy: Okay fine.

Kyn: Argh don't be sad babe.

Ivy: I will try not to.

He kissed her cheeks gently and gave her a forehead kiss.

Kyn: I love you okay?

Ivy: I love you.

Kyn: Have fun with your friend.

Ivy: Okay babe drive safe.

Kyn took her hand and kiss her hand for the last time then he left the room. She sent Rhea her location and went downstairs to watch some movie on TV later her phone rang and it was Rhea.

Rhea: Ivy.

Ivy: Yes.

Rhea: Do you know how it's gonna cost me to come there?

Ivy: Should I request an Uber for you?

Rhea: That will be much better.

Ivy: Okay then I'm requesting now.

Rhea: Bye.

Rhea dropped a call and Ivy requested an Uber for her later Rhea was at the house.

Rhea: This suburb dude! This house I'm blown away!

Ivy: It's beautiful ey I know, would you like anything to drink?

Rhea: Wait with the drink, you live here?

Ivy: Yes I live here.

Rhea: It's been for how long Ivy?

Ivy: A while.

Rhea: And you never told me! Do you know The Khoza's mansion? Almost similar to this one I wonder who owns this mansion.

Ivy: Okay how about you sit down and I will get us something to drink while we catch up? Okay, great.

Ivy motioned to the kitchen and came back with two glasses of cranberry juice.

Rhea: Wait you said it's not really your house.

Ivy: Yes I said that.

Rhea: then if it's not your house whom does it belong to?

Ivy: My boyfriend...

Rhea: Your boyfriend owns this?!

Ivy: Let me finish okay (laughs) remember when I told you I found a job?

Rhea: Mhhh you were lying. (squinted her eyes)

Ivy: I wasn't, I was working for him but things changed and I'm his girlfriend.

Rhea: Well I gotta tell you this, it changed to be well. Does your mom knows this?

Ivy: You the first one to know.

Rhea: Ivy.

Ivy: Look I will tell them when I'm ready okay? Not now please.

Rhea: Okay I hear you.

Ivy: Can you please help me undo my hair?

Rhea and Ivy got busy with the hair while

they were catching up. Rhea was telling Ivy about the Varsity life that every University has its own scandal.

Rhea: where is your boyfriend?

Ivy: He went out.

Rhea: Out where? Work? Shopping?

Ivy: (laughs) he went to work.

Rhea: He must have money ey.

Ivy: Can you believe he sent me 30k to go do my hair only?

Rhea: That's your girlfriend allowance?

Ivy: What? No I think it's for me to go out and spoil myself.

Rhea: I wish I had a boyfriend like him.

Ivy: Rhea!

Rhea: Well yeah true getting money to go spoil myself gosh.

Ivy: Stick with your boyfriend and things will turn out to be great. Just that he's still a student like you so he can't give you what you want right now.

Rhea: What? No please we always go out and have sex almost like every week babe it's boring.

Ivy: Atleast it's something, come on friend.

Rhea: Okay maybe you can introduce me to his friends and I can pick one. When your boyfriend is rich it means his friends are also loaded.

Ivy: Rhea are you crazy? Plus I never heard him mentioning his friends maybe he

doesn't have one.

Rhea: There is no way he doesn't have friends.

Ivy: (laughs) why you being like this?

Rhea: I want money and a man who will know its not only about sex.

Ivy: Fine then I will hook you up.

Rhea: That's why I love you! (giggles)

They went to the mall to do Ivy's hair and nails. Rhea also did her nails and they made some shopping then went to have lunch at Mug & Bean. When the clock hit 14hrs they all went home.

Kyn: What do you mean there's nothing wrong with her? The old woman can't walk nor speak what does that suppose to mean when you say there's nothing wrong with her?

Dr: Sir we don't know what's wrong with our

patient but we will check thoroughly tomorrow morning for now we gave her pills and we will really need her to rest.

Ivy: Can we at least see her?

She sat up right cause she was laying on the couch.

Rhea: We spent a lot of money this week and now you want to go out again?

Rhea: (smiles) you in a dangerous zone.

Ivy: I know right if we gonna breakup somewhere in the future it's gonna be hard for me to let go and move on.

Rhea: I know its always like that.

Ivy: It's possible to take baby steps to love someone right?

Rhea: That's how it should start baby, baby

steps be easy on yourself.

Ivy: I didn't take baby steps do you know that.

Rhea: That's fine you know there's love at first sight right?

Ivy: Yeah I know.

Rhea: Yeah so you didn't do any mistake. You can't love someone with your body and soul we always get hurt at the end and you be asking yourself, why did you even pour all your feelings to this person. It hurts and big time.

Ivy: But there's no way you can't love someone with your body and soul while you guys are inlove y'all connect with body and soul.

Rhea: Yeah that's true but all this gender can

do is love and hurt you at the same time they always want to play. I wish I can kill someone with my bare hands.

Ivy looked at her and laughed her lungs out, Rhea also joined in. They had their lunch then went to prepare themselves for tonight. The night was lit that the girl spent more than 13k on the drinks. They were now drunk waiting for their driver outside the club.

Ivy: Where is the driver Rhea?

Rhea: Are you crazy? You the one who called the driver not me. Anyways where is it?

Ivy: It's been ages been here.

Ivy: Oh no I forgot my purse.

She walked to where she was seated and grab it.

Ivy: There it is.

She struggled to walk from where she was to the car. They went to Rhea's place which is around Town.

Ivy: Damn I'm hungry.

She said opening the fridge. She saw jam and cheese. She took them out and put them on top of the kitchen table.

Ivy: Rhea!

She called her out.

Rhea: I'm going to sleep.

Ivy: You are such a party popper.

Ivy made herself cheese and jam sandwich then went with the plate to Rhea's bedroom.

Ivy: Are you sleeping?

Rhea gave no reply, Ivy had her sandwich and the plate was empty. She looked at Rhea.

Ivy: Rhea?

She shook her.

Rhea: I'm sleeping.

Ivy: Wake up and let's have a glass of champagne girl!

Rhea: Mmh.

Rhea pushed Ivy's hand.

Rhea: I want to sleep.

Ivy clapped her hands once then put the plate down on the floor.

Ivy: You don't know how to sleep man shift a bit to the left.

Rhea was fast asleep.

Ivy: Argh Rhea.

She pushed her to the left so that she could also get a room to sleep.

Ivy: My gosh what happened last night?

Rhea: Yeah we were drunk I don't wanna lie.  
(laughs)

Ivy: What's that bad smell?

Rhea: What?

Ivy: What are you eating?

Rhea: I'm having bread with eggs. If you

want one I left some for you.

Ivy: They smell bad do you smell that?

Rhea: Are you okay?

Rhea looked at her.

Ivy: Yeah am okay why do you ask?

Rhea: Last time my sister had that weird smell we found out that she is pregnant.

Then if eggs smell weird to you... Ivy are you pregnant?

Ivy: Huh?

Rhea: You must be pregnant. Come with me.

Rhea grabbed her hand they went to the bedroom. Rhea looked for the pregnancy test and found it.

Ivy: Why the hell do you have pregnancy test

Rhea: For emergency take this and go to the bathroom.

Ivy: O-kay.

She slowly took it then she went with it to the bathroom.

Rhea: You know how to use it right?

Ivy: I wasn't born yesterday!

After few minutes Ivy walked out.

Rhea: And?

Ivy didn't say anything she gave Rhea the pregnancy test and sat besides her. Rhea covered her mouth and looked at Ivy.

Rhea: Congratulations!

Ivy: My mom is gonna kill me.

Rhea then looked at her.

Rhea: Are you crazy? Kyndall works and you really don't have to stress too much about it.

Ivy: Rhea I'm pregnant didn't you see that? Is that thing legit tho?

Rhea: Babe...

She grabbed her hands.

Rhea: This pregnancy test it is legit look I don't know how it feels but please be calm.

Ivy didn't say a word.

Rhea: are you gonna tell him?

Ivy: Who?

Rhea: Kyndall.

Ivy: I don't know.

She shed a tear.

Rhea: Ahh come on Ivy you should be happy.  
Come here.

Rhea gave Ivy a tight hug.

Rhea: Don't cry baby I know it was  
unplanned but it's okay it happened and it  
will be okay.

Ivy: I never planned to have a baby by this  
age I'm in.

Rhea: I know so what's on your mind? You  
want to do abortion...

Ivy: I just got the news that I'm pregnant  
okay I don't know yet.

Rhea: Oh yeah you right sorry.

They sat there in silence.

Rhea: But you know if you want to talk or anything I'm always here.

Ivy: Yeah I know.

She was stalling. Rhea looked at her then gave her a space. The next day Ivy was at the house when she woke up from her sleep and discovered Kyndall seated on the couch next to the bed.

Ivy: Hey babe.

Kyn: Hey (smiles)

Ivy: How long have you been there?

Kyn: Hours.

Ivy: Starring at me?

Kyn: yeah you know how cute you look when you sleeping I couldn't stop taking my eyes

off you.

Ivy: (chuckles) that's rude tho.

Kyn: It's rude? When a man stares at their beautiful girlfriend?

Ivy just chuckled and sat up right. Kyn looked at her and smiled then rose up from his seat to go pour himself a glass of whisky.

Kyn: What happened when I was away?

Ivy looked at him.

Ivy: Uhm nothing much.

Kyn: Nothing much?

He turned and looked at her then took a sip of his whisky.

Ivy: Yeah nothing much happened.

Kyn: And what about the transactions and

withdrawals over the week?

Ivy: Oh.. Uhm that...

Kyn: Since when you go to clubs my love.

Ivy: I...

Kyn: take off your clothes we need to talk.

Ivy: Babe..

Kyn: You want me to repeat myself?

Ivy: No.

She shook her head she got off the bed and took off her clothes.

Kyn: Lie down.

Ivy: Babe I can explain.

Kyn: You can do that later lie down.

Ivy did just like how she got instructed. Kyn

placed his glass on top of the table then motioned to wardrobe. He took out a black leather traveling bag and placed it on the bed.

Ivy: Kyndall what's going on.

Kyn: Shhh.

He took out hand cuffs, locked her hands with her legs. Then took out sex toys, he took the vibrator and switch it on.

Ivy: Kyndall what's that?

Kyn: Now we can talk.

He got on top of her.

Kyn: I want us to talk about the transactions and withdrawals you did over the week.

Ivy: Uhm... I...

Kyn used it to rub her coochie.

Kyn: You what?

Ivy: I... Uhhhhh

Ivy: I... I don't know... I... I Kyndall please.

Kyn: Continue to talk.

Ivy: Kyn (moaned)

Kyn: You spent over 50 thousand do you know that. I want us to talk about using money wisely and spending it like there's no tomorrow.

Ivy was breathing heavily.

Kyn: It's okay to spend money but you have to limit. I know I have millions in my accounts but that doesn't mean you have to

spend it roughly. Don't take advantage of that okay?

Ivy: Uhhhhh!

Kyn: What you did I didn't like it. That's why I never called or texted you over the week.

Ivy: Babe... Please forgive me.

Kyn: I didn't quite hear that.

Ivy: I... Uh... Please forgive me.

Kyn smirked and switched it off.

Kyn: I forgive you. (smiles)

Ivy was breathing heavily.

Kyn: I love you okay?

Ivy: I love you too.

Kyn kissed her lips, she replied back. Kyn

took off his clothes and took off the handcuffs.

Kyn: I missed you did you know that?

Ivy: I missed you big babe.

Kyn penetrated.

Ivy let out a soft whimper. He rubbed her boobs while working her out.

Thrust.

Hard.

Hard.

Hard.

Thrust.

They changed positions Ivy got on top of him and ride him. She moved her hips around up and down she went on and on

then Kyndall took over now.

Ivy: Don't.... Don't stop.

Thrust.

Thrust.

Hard.

She went down and give him a head a hot one what Kyndall missed the most. He picked her up pinned her on the wall and penetrate. That was a proof that they really missed each other.

ENTRY 16: MORE LIES.

Ivy wanted to tell Kyndall but she didn't know where to start cause she didn't know how will Kyndall react to the news. Kyndall

was at his study room when Ivy went to him. She knocked at the door and was told to come inside.

Kyn: Oh babe it's you.

Ivy: Yeah it's me.

Kyn: What's up you good?

Ivy: Yeah I'm good.

She sat on one of the chairs that are placed in front of the desk.

Kyn: Want to say something?

Ivy looked at him with teary eyes then looked at the other direction, tears streamed down.

Kyn: What's wrong now? Come to daddy.

Ivy went to Kyn, he gave her a tight hug and

told her to sit on his lap.

Kyn: What's wrong babe.

He said that wiping her tears.

Ivy: Uhm...

Kyn: What? You know you can tell me anything right?

Ivy: My heart is just too heavy.

Kyn: What's wrong?

Ivy: I just felt like breaking down. I'm sorry.

Tears streaming down uncontrollably. Kyn gave her a tight warm hug and they sat there in silence.

Kyn: You want me to be with you?

Ivy nodded.

Kyn: Okay babe let's go to our bedroom.

He picked her up and carried her to their bedroom. They tucked in bed while they were cuddling there, Ivy took Kyn's hand and place it on her tummy then Kyn rubbed it for a while then kissed her forehead.

Kyn: Feeling any better?

Ivy: Yeah.

Kyn: Okay babe.

He held her close to him. Ivy didn't know where to start she wanted to but she couldn't find words to tell him what's going on. Ivy dozed off right there Kyn looked at her if she is asleep and indeed she was. He gently got out of bed then went downstairs to cook something for his girlfriend. He

prepared something for her then went to wake her up.

Kyn: hey (smiles) wake up.

Ivy: I'm up. (smiles)

Kyn: I prepared something for you.

Ivy: Okay (smiles)

Kyn: I will be downstairs okay?

Ivy: Okay babe.

Kyn kissed her lips and left the room. Ivy woke up slip her feet in her black fluffy slippers then went downstairs. Kyn set up the table.

Ivy: What's that smell?

Kyn: It's chicken.

Ivy: Smells bad.

Kyn: What really?

Ivy: Yeah.

Kyn picked up the plate and smell the chicken he looked at her.

Kyn: But babe there's nothing wrong here.

Ivy: I don't want them.

Kyn: Okay what should I prepare for you?

Ivy: Noodles with coleslaw.

Kyn: You want me to prepare that now?

Ivy: It's okay I can do that myself.

Kyn: Nah it's okay babe I will go do them. So what should I do with these?

Ivy looked at him.

Ivy: You can eat them it's fine.

Kyn: (chuckles) wow okay.

Ivy went to the living room and watch cartoons. Kyn quickly prepared what Ivy asked then went to serve.

Ivy: Awww (smiles) thank you babe.

Kyn: anytime my love.

Ivy started eating.

Kyn: You miss Callie?

Ivy: Yeah I do and big time.

Ivy looked at Kyn then Kyn kissed her lips.

Kyn: How about we video call her?

Ivy: Yeah that would be awesome.

Kyn video called Callie.

Callie: Hi Dad!

Kyn: Hey Callie how is my lil princess doing?

Callie: I'm good and how are you?

Kyn: I'm good princess.

Callie: Aunty Ivy, I miss you.

Callie: We wrote a test on Friday.

Kyn: How was the test?

Callie: Difficult but I managed to get some answers. We'll just have to wait for Monday to know our marks I hope I did well.

(chuckles)

Kyn: Of course you did well sweetheart.

Callie: I said I hope so. (giggles)

Kyn: Where's Mommy?

Callie: At the kitchen cooking.

Kyn: Greet her for me okay?

Callie: Okay I will.

Kyn: We called you to check up on you plus we miss you.

Kyn: Okay baby daddy loves you okay?

Callie: I love you too dad and Aunty Ivy.

Ivy: I love you more Callie.

Kyn: Bye Princess.

Callie: Bye Dad!

She blew kisses, Kyn disconnected the call. Ivy was just imagining how it would be if he was talking that with their daughter. Well she didn't know if it's gonna be a girl or boy. She was at their bedroom when she called Rhea.

Rhea: Mommy to be.

Ivy: Argh stop it I'm not even sure that I'm

really pregnant.

Rhea: What do you mean when you say you not sure that you really pregnant? Are you crazy?

Ivy: I'm not crazy Rhea.

Rhea: You are pregnant or go buy pregnancy tests for yourself and do it then you tell me.

Ivy: I will do it anyways.

Rhea: So did you tell him? Don't tell me you not sure that you pregnant.

Ivy: I'm not sure and I haven't told him yet.

Rhea: And when are you planning to tell him Miss?

Ivy: After I run my own tests.

Rhea: You know you sounding so crazy right

now do you know that?

Ivy: Whatever Rhea.

Rhea: Alright girl go buy those pregnancy tests even hundreds of them it's fine and I know they gonna come back positive.

Ivy: Bye Rhea.

She disconnected the call. She touched her forehead then later she went to buy two of them and went back home.

Kyn: Oh you went out and you didn't tell me.

Ivy: I'm sorry babe I.. Forgot.

Kyn: (smiles) it's okay. So what's in that plastic?

Ivy: Just medication.

Kyn: It's for what?

Ivy: I was feeling uneasy then I went to the chemist.

Kyn: O-kay.

Ivy: I gotta go.

Kyn looked at her as she quickly made her way upstairs. He took a sip of his whisky. Ivy went to the bedroom and lock herself inside the bathroom she ran the tests and they all came positive.

Ivy: Oh no.

She covered her mouth, she sat down and cried her lungs out. She couldn't believe that she is pregnant. She sat there for a while.

Kyn knocked on the door.

Kyn: Babe are you in there?

Ivy quickly wiped her tears and rose up.

Ivy: (clears throat) yeah I'm inside.

Kyn: Are you okay?

Ivy: Yeah I'm okay.

Kyn: You sure?

Ivy: Yeah I'm sure.

Kyn: Okay just checking.

Ivy: (sniffs) thank you.

Kyn: I will be at my study office.

Ivy: Okay.

Kyn stood there for a while then left the room. Ivy looked at the tests once again then looks at herself in the mirror.

Ivy: It's gonna be alright girl you got this. It wasn't planned but it happened. You will be fine don't stress too much about it.

She washed her face and wipe it. Collected the tests then put them on the drawer where Kyndall can't find them then she walked out.

Ivy: Rhea.

Rhea: Yes?

Ivy: I'm pregnant.

Rhea: I told you that they all gonna come back positive. Oh my gosh my friend is about to be a mommy.

Ivy: (smiles) yeah I will be a mommy soon.

Rhea: So what's your plan?

Ivy: I don't know.

Rhea: So you not gonna tell him?

Ivy: I'm not ready to tell him.

Rhea: O-kay why?

Ivy: I don't know how he is gonna react to the news.

Rhea: Yeah you right but you should tell him. He needs to know.

Ivy: Yes I know he needs to know but I'm not ready to tell him Rhea.

Rhea: Okay I get you and I understand you. Okay whenever you ready tell him.

Ivy: With no doubt.

Rhea: I'm here if you need to talk okay?

Ivy: I know babe and thank you.

Rhea: Any time, I love you okay?

Ivy: I love you too bestie.

Rhea: Let me get back to studying.

Ivy: okay bye babe.

Rhea: Bye love.

Ivy disconnected the call and placed her phone on the headboard. She gave a sigh and lie down on the bed. The next day she asked Kyn to take her to her mother's house.

Maeve: My children.

Kyn: Greetings ma.

Ivy: Hey mom.

Maeve: how are you guys doing?

Ivy: We good (smiles) and how are you doing?

Maeve: I'm doing well thanks for asking.

Kyn: I will be leaving now bye babe ma have a nice day.

Maeve: Okay bye Kyndall.

Ivy: Bye babe.

Kyndall left the yard.

Maeve: he isn't staying?

Ivy: He got some errands to run.

Maeve: Oh okay I see.

Ivy: Would you like something to drink?

Water? Juice? Tea? Coffee?

Maeve: Tea.

Ivy: Okay.

She rose up from the couch and made her way to the kitchen.

Maeve: How is your relationship going with Kyndall.

Ivy: Argh ma he is such a gentleman and romantic. It's going great I'm enjoying it.

Maeve: Those are great news to hear.

She got done making tea and she poured herself a glass of Fanta orange.

Maeve: Oh you having a glass of Fanta orange.

Ivy: Yeah.

She sat down.

Maeve: Is there something wrong?

Ivy: Is it that obvious?

Maeve: I know you Ivy, tell me what's wrong?

Ivy: There's something I should tell you.

Maeve: I'm all ears baby.

Ivy: Uhm... I'm pregnant.

She looked at Maeve. Maeve placed her cup on top of the coffee table.

Ivy: Yes I'm pregnant and with Kyndall's child.

Maeve: And how far are you?

Ivy: I don't know I haven't checked it.

Maeve: Have you told Kyndall?

Ivy: I haven't told him.

Maeve: Why?

Ivy: I'm not ready yet to tell him.

Maeve: When are you planning to tell her?

Ivy: When I'm ready to with no doubt.

Maeve: You know Ivy having a child is something else and it's not easy.

Ivy: Yeah... I... I know.

Maeve: And having a child will cost you it's expensive. The formula, food, clothes,

medication sleepless nights are you ready for all of these things I mentioned.

She didn't say a word.

Maeve: But maybe it's gonna be easy for you since Kyndall is working you won't struggle at all.

Ivy: Yeah I guess.

Maeve: So tell me now do you want to keep the baby or do abortion?

Ivy: I haven't decided yet but I... I want to keep the baby.

Maeve: Okay then if you say so I'm supporting you.

Ivy: Thank You ma.

Maeve: Anytime baby. Come here.

She gave her a hug.

Maeve: You need to talk you know mommy is always here.

Ivy: I know ma.

Maeve: And mommy loves you alot okay?

Ivy: I love you more ma.

She kissed her forehead.

ENTRY 17: IT'S ABOUT OUR GIRL.

It's Wednesday and Callie called Kyndall to come pick her up around 17hrs. Ivy was at the kitchen preparing lunch.

Kyn: Babe can we talk for a sec?

Ivy: Okay what's wrong?

Kyn: Can we go sit down at the dining area?

Ivy: O-kay sure.

Ivy and Kyndall went to sit at the dining area.

Kyn: Babe you know you can tell me anything right?

Ivy: Yeah.

Kyn: I just don't get you sometimes.

Ivy looked at him.

Kyn: Ever since I came back from the business trip you acting strange.

Ivy: Uhm...

Kyn: Things you used to do you no longer do them. Food smell weird to you, you got alot of appetite and the last time I remember that's how Priscilla was when she was

pregnant with Callie.

Ivy: Oh uhm...

Kyn: Babe please be honest with me.

Ivy: Okay.

Kyn: Are you pregnant?

Ivy: No I'm not pregnant.

Kyn: Please be honest with me. Are you pregnant?

Ivy: No I'm not pregnant trust me.

Kyn: Okay then what is it?

Ivy: Been feeling uneasy that's why.

Kyn: but for weeks now?

Ivy: I will feel better don't worry maybe it's because I got on my periods they can take

time too.

Kyn: Oh okay then I was thinking if you sick I could take you to my doctor.

Ivy: Don't worry babe I am alright. I will be better over time yeah.

Kyn: Okay then if you say so.

Ivy: Believe me okay? (smiles)

Kyn: Okay then my love. I love you okay?

Ivy: I love you too baby.

Kyn: Alright then let me go pick Callie up.

Ivy: Okay babe.

He rose up from his seat gave Ivy a kiss on her forehead then he left the house. While he was driving he got a call from Priscilla.

Kyn: Priscilla.

Priscilla: Kyn hey where are you?

Kyn: I'm on way to your house what's up?

Priscilla: Please come to the hospital.

Kyn: What's wrong?

Priscilla: Please I need you.

Kyn: Priscilla what's going on.

Priscilla: I will explain everything when you arrive here.

Kyn: Okay I'm coming.

Priscilla disconnected the call. Kyn was wondering why Priscilla is at the hospital and she needs him? Is Callie not okay?

Priscilla: Kyndall.

She went to him and hug him.

Kyn: What's wrong? Have you been crying?

Priscilla: It's about our girl.

Kyn: What's wrong?

Priscilla: Callie got hit by the car.

Kyn: What where?

Priscilla: We were from the mall we were crossing the street I don't know what happened and she was... She... She..

Tears streamed down uncontrollably.

Kyn: Where is she? Where is Callie?

Priscilla: They don't want me to get inside.

Kyn: How bad is she?

Priscilla: She got injured in her head and broke her left leg.

She cried uncontrollably. Kyn hugged her as they went to sit at the chairs waiting for the doctor. After few minutes the doctor walked out they all rose up.

Kyn: Please tell me my daughter is gonna be fine.

Dr: In the condition she's in we can't promise you that. She had internal bleeding in her head and she broke few ribs too.

Kyndall tried to hold himself and tried to stay calm.

Priscilla: So what are you trying to say?

Dr: Mam we will do what we can to save your child's life but we can't promise you that she will be fine.

Kyn: Can we see her?

Dr: Please follow me.

They followed him inside the ward there was Callie laying there hopeless with machines all over her and pipes. Kyn motioned to her and touch her hand.

Kyn: Hey princess it's me your dad. I hate the condition you in right now.

He was about to breakdown but he held the tears to be strong for Priscilla.

Kyn: I so wish it was me laying over here not you princess. You so beautiful and full of life to be laying on this bed.

He kissed her hand.

Kyn: Can she hear me doc?

Dr: She does hear you but she can't respond. As you see she can't do this by herself she

needs life machines I'm sorry to tell you this but she has no life.

Priscilla: what do you mean when you say my daughter has no life.

Dr: Mam even if we help your daughter she will be not be herself again. She will turn deaf and will loose her memory. As you can see we bandages her on her head she had internal bleeding and got injured bad on her head.

Priscilla: Will I lose my child?

Dr: There is a possibility for her to survive.

Kyndall went to Priscilla, she brokedown silently on his arms.

Kyn: Our baby girl is gonna be fine okay?

Priscilla: We shouldn't have went to that mall

now look at my daughter.

Kyn: Hey hey don't say that she will be fine.

Priscilla: did you hear the doctor? Did you hear what he said?

Kyn: Callie will be fine Priscilla.

Priscilla cooled down.

Kyn: Our princess will be fine let's put everything in God's hands okay?

Priscilla: Yeah.

After an hour in the ward the machines started to beep Kyndall went to where Callie is laying. She opened her eyes but not wide and touched his hand.

Kyn: Hey Princess.

Priscilla: Callie baby hey.

Callie closed her eyes and her hand touched the sheets and the machine beeped.

Kyn: No no no Nurse!

He ran outside and called out the doctors. They hurried to Callie's ward and asked them to leave the ward. Priscilla was breathing heavily and crying uncontrollably. Kyn was there he was there for her. After few minutes the Doctor walked out.

Kyn: Tell us something.

Dr: We tried to save her.

Kyn: Doctor what's that suppose to mean?

Dr: We lost her I'm very sorry.

Priscilla: No no not my daughter please! Kyn do something not my Callie.

She was losing her balance Kyndall held her  
It was so painful and heartbreaking to watch.  
Kyndall looked at the nurse covering her  
face and that was it with Callie. Our precious,  
lovely, kind and warm hearted princess. She  
grew wings and now their angel. Ivy was at  
the house asking herself what came up that  
is taking Kyndall and Callie to come back  
home. She had her plate and went to sleep  
cause when she tried to call Kyndall his  
phone was taking her to voicemail. They  
drove in silence to Priscilla's house.

Kyn: You can go to sleep I will be right here  
I'm not going anywhere okay?

Priscilla: Okay.

Kyndall kissed her forehead then Priscilla  
closed her eyes. Kyn went to sit at the living

area in the dark with a glass of whisky and a bottle of whisky in front of him. Tears were streaming down when he thinks of how Callie was the last time he saw her, the condition she was in. She was way too young to be in that condition the way she left this world its unfair. He wiped his tears and took a gulp of his whisky.

ENTRY 18: YESTERDAY NIGHT STORY.

In the next morning Kyn made Priscilla a breakfast then take it to the bedroom. He found her sleeping but he woke her up.

Kyn: Hey, wake up.

Priscilla: Morning.

Kyn: I made you breakfast. (smiles)

Priscilla: Thank You Kyn. (smiles)

Kyn: I will leave you to eat as I'm going to my house to take a shower and pack some clothes okay?

Priscilla: Pack some clothes?

Kyn: Yeah I'm coming to stay with you until Callie's funeral is done.

Priscilla hugged Kyndall.

Priscilla: Thank You.

Kyn: that's if you don't mind.

Priscilla: You are Callie's dad Kyndall.

Kyn: Thank You, let me leave you then.

Priscilla: Wait.

Kyn: Yes?

Priscilla: What about Ivy?

Kyn: We'll talk.

Priscilla: Okay.

Kyn grabbed his car keys then left the house. He found Ivy sleeping. He just sat on the couch and stared at her. Later she woke up, she looked around hoping to find Kyn besides her and he wasn't there. She looked at the other direction and there he was.

Ivy: Baby.

Kyn: Hey (smiles)

He shed a tear.

Ivy: Aww baby what's wrong?

Kyn wiped his tear, Ivy opened her arms to receive him. He went to her and lay his head

on Ivy's boobs. Kyndall broke down silently in Ivy's arms. Ivy let him breakdown for a while until he is good to talk. She held him close and kissed his forehead. Kyndall needed someone who will comfort him and he found a good place, Ivy.

Kyn: It's Callie babe.

Ivy: What's wrong with Callie?

Kyn: Callie left us yesterday night.

Ivy: Babe what do you mean she left us?

Kyn looked at Ivy his eyes were red and teary.

Kyn: Callie is dead Ivy. She's no longer with us.

He placed his head back on her boobs. He started to cry again.

Kyn: My lil princess grew her little wings.

Ivy: What happened?

Kyn: She got hit by a car.

Ivy: And Callie just died like that?

Kyn: She had internal bleeding. She got injured in her head and it was bad she was even bandaged. Her leg was broken and she broke few ribs. And my lil princess is gone just like that.

Ivy didn't know what to say she didn't have words and she also wanted to breakdown but she wanted to be there for her boyfriend. Now she thought that's why Kyn didn't sleep at home last night because Callie passed on.

Kyn: Can I sleep here for a while?

Ivy: Sure babe.

Kyn held Ivy so tight as he drifted to sleep. Kyndall didn't sleep last night he couldn't sleep all he could think of is Callie and all he could see is Callie laying in that hospital bed. When she touched his hand and she was covered with sheets. After few hours he woke up and Ivy was still there.

Ivy: Did you eat last night?

Kyn: Nah I didn't eat.

Ivy: I can go warm up your plate.

Kyn: Thank You.

Ivy got of the bed.

Kyn: Babe before you leave can we please talk.

Ivy: Okay?

She sat down.

Kyn: So uhm since Priscilla is the mother of Callie.

Ivy: Yeah?

Kyn: We decided that the funeral will be held that side since its at the township and those things aren't allowed this side you know what kind of this place is.

Ivy: Yeah I do get it.

Kyn: So I decided to stay with her until Callie's funeral is done.

Ivy: Babe you're Callie's dad and that's fine with me I will always call to check up on you. It will be disrespectful when I also come there and live with you guys (chuckles) so it's okay babe you can go. (smiles)

Kyn: Thank You.

Ivy: I love you okay?

Kyn: I love you more Ivy.

Ivy touched his cheek, kissed his lips and looked him in the eyes.

Ivy: You can take a shower as I warm up your plate.

Kyn: Okay.

Ivy went downstairs to warm his plate tears were streaming down she wiped them and took the plate out. She stood there looking outside through the window. Tears were streaming down uncontrollably.

Kyn: Babe?

She didn't even notice she stool there for a

while. She quickly wiped her tears.

Ivy: Oh you done.

She turned and went to him faked a smile.

Ivy: sorry (chuckles) here is your plate.

Kyn: Thanks babe.

Ivy: So should I pack enough clothes for the whole weeks or?

Kyn: Nah just pack for this few days I will come to pack another ones.

Ivy: Okay babe.

She went upstairs to pack Kyndall's clothes then took a shower. Kyn came to the room.

Kyn: You done?

Ivy: Yeah I'm done. (smiles)

Kyn: Are you also coming with me?

Ivy: Yeah can I come with you? I just want to see Priscilla.

Kyn: Sure it's okay let's leave then I'm done.

Ivy: Okay then cool.

Kyn took the bag and held Ivy's hand they got inside the car and drove off to Priscilla's house. They found community members there.

Ivy: Hey Priscilla.

Priscilla: Ivy.

She gave her a warm hug.

Ivy: I won't ask you if you good cause I already know the answer.

Priscilla: I'm glad I'm still alive.

Ivy: Yeah. (smiles)

Priscilla: Would you like anything to eat or drink?

Ivy: Nah I'm okay.

Silence.

Kyndall walked inside the room.

Kyn: I will be going to the hospital to take Callie's body to our mortuary.

Priscilla: Okay then let me leave with you then.

Kyn: No Priscilla you rest okay I will go with someone don't worry.

Priscilla: You sure?

Kyn: Yeah I'm sure.

Priscilla: Okay then.

Kyn kissed Ivy's cheek and left the room.

Priscilla: I hope you don't mind your man to stay with me for few weeks.

Ivy: Kyndall is Callie's dad and who am I to stop Kyn from supporting you and being there for you when you guys have a child together? So I'm so cool with all of that.

Priscilla: Thank You Ivy.

Ivy: Argh don't mention it. (smiles)

She spent the whole afternoon with Priscilla also helping around the house. Later she called the driver to come pick her up at Priscilla's house. She sent him the location.

Ivy: Alright Priscilla I will be leaving now.

Priscilla: thank you for coming today.

Ivy: I will always be here to help. And if you need someone to talk to or you need something I'm here okay?

Priscilla: Thank You Ivy.

Ivy: Stay safe and strong okay?

Priscilla: Okay.

Ivy: I love you sis.

Priscilla: I love you too.

Priscilla didn't expect that from Ivy. Ivy grabbed her hand luggage and left the house. She got inside the car and called Rhea.

Rhea: Mommy.

Ivy: Meet me at my house.

Rhea: Okay cool.

Ivy arrived at the house and sat on the couch. Later Rhea got in the house.

Rhea: I saw Kyndall's post at Instagram is everything okay?

Ivy's tears started to stream down.

Rhea: Awww baby come here.

Ivy went to her and she broke down loudly in her arms.

Rhea: I'm sorry baby, it's gonna be okay. It's gonna be okay.

She broke down for a while and cooled down. Rhea gave her a glass of water and she downed it.

Rhea: What happened?

Ivy: She got hit by a car.

Rhea: It was hit and run?

Ivy: He didn't tell me anything about that.

Rhea: Was it that bad?

Ivy: Yeah it was bad internal bleeding, injured in the head, broke her leg and few ribs.

Rhea: Poor Callie.

Ivy: Now she's at the Mortuary in the ice. Callie didn't deserve such things she's way too young for that.

Rhea: I know mommy but that's how God wanted it to be and it's done there's nothing we could do.

Ivy wiped her tears.

Rhea: So where's Kyndall?

Ivy: He went to take Callie body from the

hospital mortuary to their mortuary.

Rhea: Oh he will be doing clothes changing and all that.

Ivy: Yeah.

Rhea: Did he leave with Priscilla?

Ivy: Nah Priscilla is at her house when I called you to meet me in my house I was from her house.

Rhea: Okay I see, so is the funeral gonna be held this side or that side?

Ivy: that side.

Rhea: Okay I see, Ivy look don't overthink don't stress alot okay it's not healthy for the baby.

Ivy: Yeah I know (sigh) I told mom about it.

Rhea: How did she react to it?

Ivy: How I didn't expect her to react. I thought she was gonna be mad at me but she wasn't, she reacted just fine and we talked.

Rhea: That's better ey some mothers be like "how can you be pregnant while you know you don't work" and make alot of noise.

Silence.

Rhea: Do you have a bottle of wine?

Ivy: Yeah it's at the kitchen.

Rhea: Can you order a box of pizza?

Ivy: Sure.

Ivy placed her order as they were having a glass of wine there.

Rhea: So who are you gonna stay with for a the rest of the week?

Ivy: Can you come stay with me that's if you don't mind. I won't bother you when you study I promise.

Rhea: You don't have to ask me. (chuckles)

Ivy: (smiles) thank you.

Rhea: I'm here mommy and I will always be. I'm not going anywhere.

Ivy: I love you. (laughs)

Rhea: I love you more mommy.

Ivy: Can you stop calling me mommy?  
(chuckles)

Rhea: Oh shit Ivy you are not suppose to drink that. Give me that.

Ivy: Oh no.

Rhea: Don't panic it was just two sips.

Rhea took the glass and came back with a glass of apple juice.

Rhea: You can have that while I have these two.

Ivy: Gosh can't believe I will live 9 months without a sip of alcohol. I'm gon' die.

Rhea: No one is gon' die here. 9 months will pass like nothing and we will go back to our normal lives.

Ivy: But mine is gonna be different from yours remember? A kid will be in my life.

Rhea: Yeah I know but one day you will have fun like before. Don't worry bestie.

Ivy gave a heavy sigh she looked at the glass and took a sip.

Rhea: That's more like it.

Ivy: please don't start.

Rhea laughed.

ENTRY 19: KEEPING SECRETS.

Callie's funeral service went well however it was painful to watch. Her schoolmates were there as well as her friends to come say their final goodbyes to their dearest friend Callie. No parent must bury their children especially the age that Callie's was in. They gained another angel from above. The way everyone described Callie they say Callie was a sweetheart a loving person and there

was never a dull moment when she was around. She always hyped everyone up she always wanted to see everyone happy. It's been a 4 months now and things aren't the same anymore they miss Callie's presence in the house. It was on the afternoon when Kyndall was at his study room and Ivy was downstairs preparing something for her and Kyndall. Kyndall called her to his study office.

Ivy: Hey babe you were calling me.

Kyn: Yeah sit down.

Ivy: O-kay.

Ivy took a sit Kyndall closed his laptop.

Kyn: Do you have something to tell me babe?

Ivy: Nah there's nothing I have to tell you why?

Kyn: Are you sure?

Ivy: Yeah I'm sure babe.

Kyn: No secrets in our relationship?

Ivy: There are no secrets Babe.

Kyn: Okay then if you say so.

Kyndall took out something from his drawer and place it on top of the table.

Kyn: Want to explain this?

Ivy looked at them.

Kyn: Since when do we keep secrets from each other Ivy. Is this new now?

Ivy: What do you mean.

Kyn: Why are you keeping secrets from me.

Ivy: Uhm I...

Kyn: Why you doing this to me huh? Are these yours or what? And don't you dare lie cause I found this on our drawer at the bathroom in our house.

Ivy didn't say a word.

Kyn: Ivy are you pregnant?

Ivy didn't say a word.

Kyn: Ivy!!

He snarled, Ivy never saw Kyndall this angry.

Ivy: Yes I'm pregnant.

She shed a tear. Kyndall banged the table and rose up from his chair.

Ivy: I... I can explain babe.. I didn't want to tell you.

Kyn: You didn't want to tell me? Are you

crazy woman?!

Ivy: I didn't know how you were gonna react to the news. I didn't know if you wanted a child with me.

Kyn: Ivy are you hearing yourself?

Kyndall looked at her.

Kyn: Wow I can't believe this.

Ivy: I'm sorry I was scared to tell you. I didn't know where to start I thought you will never love it.

Kyn: How far are you Ivy?

Ivy: Uhm... Four months.

Kyn: You kept this whole thing a secret for the whole fucken four months? What's wrong with you?

Ivy: Kyndall don't get me wrong. You just got out of your daughter's funeral you had alot in your plate I didn't want to add on top of that.

Kyn: But did you have to keep that from me? Don't bring Callie's death here and make it an issue.

Ivy: Babe I never said it's an issue.

Kyn: Then what are you saying?

Ivy: I'm sorry Kyndall.

Kyn: How could you? I asked you twice and what did you say? You not pregnant knowing exactly that you are pregnant.

Ivy looked at him with teary eyes.

Ivy: I'm sorry

She tried to touch his hand.

Kyn: Don't touch me!

Ivy: I'm sorry Kyndall.

Tears were streaming down uncontrollably.

Kyn: Please leave my office I want to be alone.

Ivy: I hope you find it in your heart to forgive me.

She looked at him for a while then she left the office. Ivy felt bad she could have told him the day she found out. She went downstairs and have her meal Kyndall came from upstairs.

Ivy: Where are you going?

Kyn: Does it matter?

Ivy: Kyndall I was gonna tell you.

Kyn: When? Huh? When?

Ivy: When I'm ready.

Kyn: Ivy you are four months pregnant now when were you gonna tell me? When you 6 months? Huh?

Ivy looked at Kyndall, he took his car keys and left the house. Ivy sat down and take her phone.

Ivy: He knows.

Rhea: Well that's great to hear. He must be happy hey.

Ivy: He found out by himself.

Rhea: He did what?

Ivy: Yeah he's so angry right now he just left the house.

Rhea: That's real bad. But also you Ivy you could've told him you know it wouldn't be like this now.

Ivy: I know for the fact that I kept this for four months doesn't sit well with him.

Rhea: I would be like that too if it was me.

Ivy: Rhea.

Rhea: No Ivy at some point you have to be honest. How long were you gonna wait for you to be ready to tell him?

Ivy: \*heavy sigh\* I don't know what to do now.

Rhea: Leave him until he's okay then talk to him or he will.

Ivy: Yeah I guess you right.

Rhea: Yeah look I gotta leave now we will talk.

Ivy: Okay bye.

She dropped the call on the evening she didn't cook anything cause she knew that even if she gonna cook Kyn won't eat them. That's how she thought so she ordered some meal on MrD Food. Ivy spent the rest of the day alone ever since Kyndall left the house on the afternoon he never came back home. When Ivy tries to call him he doesn't answer the phone. She was done taking a shower when she tucked in bed and she couldn't sleep. Kyndall came back around 01hrs he arrived by taking a shower then tuck in bed. Kyndall was facing the other direction and Ivy was facing the other.

Kyndall didn't notice that Ivy was crying until he heard her sniff. Ivy quickly wiped her tears and take a deep breath. Kyndall changed the positions and moved closer to her, he wrapped his hand around her waist then rub her tummy. He then kissed her neck.

Kyn: I'm sorry for how I reacted earlier.

Ivy: You had a right to react the way you reacted and I'm still apologizing for keeping our baby a secret for 4 months now. You deserved to know the day I found out. Babe I didn't know you were ready to have a baby with me. I didn't know where to start.

Kyn: We've been having unprotected sex for a while and that happens when we always have it. I'm ready to build alot of things with

you babe don't you ever think such things.

Ivy: I didn't want to add more on your plate Kyndall. You just got out of Callie's funeral and I... I was scared to tell you that I'm pregnant with your baby.

Kyn: okay I think I do understand your statement but every little thing that happens to you I deserve to know okay?

Ivy: So do you forgive me?

Kyn: I forgave you long time ago, now let's focus on our baby okay?

Ivy: Thank You.

Kyn: I love you Ivy.

Ivy: And I love you more Kyndall.

Kyn kissed her shoulder and held her close

to him.

## ENTRY 20: MAKING OUT.

Ivy was on her peaceful sleep when her boyfriend decided to disturb her from her beauty sleep.

Kyn: (smiles) good morning.

Ivy: (yawns) morning babe.

Kyn: I'm off to work and I made you some breakfast.

Ivy: Aww thank you babe.

Kyn: How's my lil boy doing?

Ivy: (chuckles) what if it's not a boy it's a girl?

Kyn: I can feel it that it's a boy. (smiles)

Ivy: (laughs) okay.

Kyn: I love you okay?

Ivy: I love you too babe.

Kyn: Enjoy your breakfast okay?

Ivy: Thank You baby.

Kyndall kissed her lips, picked his blazer and his hand luggage then he walked out from the room. Ivy smiled for a while then she hand her breakfast. Later after she was done she went to take a shower and brush her teeth. Her phone rang from the dressing table when she was seated at the bed lotioning her hands.

Ivy: Rhea.

Rhea: Ivy, how are you?

Ivy: I'm okay babe.

Rhea: You okay? Is Kyndall back?

Ivy: Yeah he is back.

Rhea: Is everything alright?

Ivy: Yeah everything is alright.

Rhea: I knew he was gonna come around  
hey. So meaning you guys did talk and you  
told him what's up right?

Ivy: Yeah and he understood that just that  
yesterday he was furious.

Rhea: Don't you ever do that to Kyndall  
mama.

Ivy: I won't ey.

Rhea: Mama I was just calling to check up  
on you since things were bad yesterday.

Ivy: Yeah thanks baby.

Rhea: I'm about to write my exams I will come there after I'm done writing okay?

Ivy: Sure babe.

Rhea: Bye.

Ivy: Bye and Goodluck.

Rhea: thank you.

Ivy disconnected the call then she continued with what she was doing. She later went to her mother's house.

Ivy: Hey ma, it's been a minute since we talked.

Maeve: how are you baby?

Ivy: I'm good ma I'm good and how are you?

Maeve: I'm doing good baby. How is it?

Ivy: What?

Maeve: Life.

Ivy: You know how life could be sometimes. Things can't go the way you want them to be and it's time to make peace with that.

Maeve: Yeah that's true you have to accept and learn that some things you can't change them you have to accept them the way they are.

Ivy: Nonetheless is good so far.

Maeve: Meaning he knows about the pregnancy its been four months now Ivy.

Ivy: Yes he does know.

Maeve: When did you tell him?

Ivy: He found out himself.

Maeve: Ivy, what are you telling me?

Ivy: Honestly ma like I told you I wasn't ready for that.

Maeve: He was furious wasn't he?

Ivy: He was.

Maeve: When did he find out about your pregnancy?

Ivy: Yesterday he was sad and angry at me. I felt so bad for not telling him that I'm pregnant I had my own reasons for that. But I guess I did put myself first not knowing how it's gonna damage Kyndall. I did apologize I should consider his feelings before I do something.

Maeve: That is true you said it all. I'm happy that you guys talked and I'm happy he

forgave you, I guess everything is good now.

Ivy: Yeah everything is good now.

Maeve: So have you guys checked out on Priscilla after the funeral?

Ivy: Only Kyndall is doing that.

Maeve: Why don't you?

Ivy: I can't look her in the eyes, can't watch her going through so much pain of losing her first and only child. It breaks my heart.

Maeve: Okay I do understand that. But she has to understand and know that things are about to change now.

Ivy: What do you mean?

Maeve: You are pregnant and you are carrying Kyndall's child. All his attention has

to be in you yes he can go check up on her how she is doing since they both lost their child but now you are the centerpiece.

Ivy looked at her mother then took a sip of her tea. She spent the rest of her afternoon with her mother then later she went back home. Yeah its true things are about to change now Ivy is now and will be a centerpiece.

Rhea: How is the lil one doing?

Ivy: He is good.

Rhea: Is it a boy?

Ivy: Says the father. (laughs)

Rhea: What if we are talking about a girl now?

Ivy: He wants a son.

Rhea: Then if it's a girl?

Ivy: I will carry all his babies until we get a son.

Rhea: It's about to get ripped off. (laughs)

Ivy: Oh please. (chuckles)

She picked her phone and called Priscilla.

Rhea: Who are you calling now?

Ivy: Priscilla hey.

Priscilla: Ivy hey.

Ivy: You good sis?

Priscilla: Yeah I'm good and how are you?

Ivy: I'm also good, uhm are you free this evening?

Priscilla: Not really what's up?

Ivy: I was thinking how about you come over for dinner?

Priscilla: Kyndall won't mind?

Ivy: He won't, so are you keen?

Priscilla: Yeah sure what time?

Ivy: Let's make it 20hrs.

Priscilla: Okay I will be there.

Ivy: Cool bye.

Priscilla: Bye.

She disconnected the call.

Rhea: Are you and Priscilla best friends now?

Ivy: What? No why?

Rhea: You inviting her for dinner why don't you sometimes do that to me?

Ivy looked at Rhea and laughed.

Ivy: Are you jealous Rhea?

Rhea: I'm asking.

Ivy: No one will ever take your place in my life okay? Relax baby. Priscilla is kinda like a family to me plus doing this it's showing that we still care for her.

Rhea: Mmh I see.

Ivy: She needs people who love and care for her.

Rhea: But things are about to change you know that right?

Ivy: Yeah yeah whatever I know.

Rhea: You better be mama.

They ordered two box of large pizza,

caught up then later Rhea went back home around 18h30

Kyn: Smells nice in here.

Ivy: I know right.

Kyn: Hey baby.

Ivy: Hey.

They shared a kiss.

Kyn: What's the occasion? You can't prepare this food.

Ivy: Oh uhm... I invited Priscilla over for dinner yeah I did that so that she could know that there are people who still care for her and love her. She needs this I hope you don't mind.

Kyn: What? No no babe I'm not at all in fact

I'm impressed by what you are doing. I love you okay?

Ivy: I love you too.

They shared a kiss that was now tense.

Ivy: I gotta finish up remember baby? She will be here at 20hrs.

Kyn: I Will not take for long.

Ivy: Babe let's save it for tonight okay?  
(giggles)

Kyn: I'm starving... Come on.

Ivy: Babe...

Kyn: Come here.

He picked her up.

Ivy: No no no babe please put me down.

Kyn: No we going upstairs now.

Ivy: Kyndall no. (laughs)

He switched off the stove then they both made their way upstairs. Around 20hrs Priscilla was already there and the table was set up.

Ivy: I'm happy that you finally made it sis.

Kyn: Yeah we happy that you are here with us.

Priscilla: I'm happy that you guys still remember me.

Ivy: Oh no darling you are our family okay?

Priscilla: Thank You Ivy.

Ivy: No sweat sis.

Kyn: Alright let's sit down and dig in.

Priscilla: Plus I'm starving.

They sat down, said grace then start digging in. They had a conversation full of laughter over dinner, it was good to see Priscilla smiling after what happened 4 months ago.

Ivy: Alright let me leave you guys to catch up I'm feeling sleepy.

Priscilla: But it's nine girl.

Ivy: Yeah I know pregnancy things.

Priscilla: Wait, you are pregnant?

Ivy: Yeah.

Priscilla: Oh my gosh come here sis.

She hugged her.

Priscilla: I'm so happy for you hey.

Ivy: Thank You sis.

Priscilla: Is it a boy or girl?

Kyn: It's a boy. (smiles) I know.

They both cracked out.

Priscilla: Okay girl go get some rest then.

Ivy: Goodnight babe.

She kissed his lips.

Kyn: Goodnight my love.

She made her way upstairs.

Kyn: Wanna watch some movie?

Priscilla: Uhm...

Kyn: I will drive you back home I insist.

Priscilla: Okay then cool.

They grabbed a fleece then watched some horror movie having a bottle of red wine.

Priscilla: You know how I hate horror movies.

Kyn: it's not that scary dude (laughs)

Priscilla: No no no look over there. Oh no!

She hid her face Kyn laughed at her.

Kyn: Stop being a baby.

Priscilla: Can we please watch another movie please maybe comedy or something not horror.

Kyn: It's cool let's just watch it.

The movie went on and on later it was finished then they both went to the kitchen.

Priscilla: I miss us Kyndall.

Kyn looked at her.

Priscilla: Oh my gosh I said that?

Kyn: What do you mean Priscilla?

Priscilla: I'm so sorry Kyndall I didn't mean to say that. It just slipped out of my tongue.

Kyn: It's okay.

Kyndall looked at her in the eyes. Priscilla leaned for a kiss, they shared a long kiss that was so passionate even breathe patterns changed.

Kyn: No this is wrong Priscilla.

Priscilla: She won't hear us, she is sleeping just a quickie I miss you Kyn.

Kyndall looked at her. She took off her dress then her bra followed by her panties. He looked at her for a while then picked her up and place her on top of the kitchen counter.

He took off his pants and slide in, her moans

were now starting to get louder.

Kyn: Control your moans okay?

Priscilla: Yes Daddy. (whimpers)

Priscilla gave him a good head Kyndall needed that so badly then he helped her to dress up.

Priscilla: Fuck I missed that.

Kyn: Let me drive you home it's getting late.

Priscilla: (smiles) fine.

They both walked out of the house then made their way to the car. They got inside and drove off to Priscilla's house.

Kyn: Here we are.

Priscilla: I was telling the truth.

Kyn: Truth about what Priscilla?

Priscilla: That I miss us.

She touched his hard manhood.

Priscilla: I miss you Kyn and I know you do miss me to am I wrong?

Kyn: Priscilla....

Priscilla unzipped his pants.

Kyn: What are you doing?

Priscilla: Round two?

Kyn: Fuck Priscilla no.

Priscilla adjusted his seat and got on top him.

Priscilla: I miss being fucked by you daddy.

Kyn: We can't do that.

Priscilla: Yes we can and we now just relax

okay?

Kyn: Pris... I have a girlfriend and she's pregnant.

Priscilla: Ssshhhh.

As she kissed his lips, he hesitated but he replied back she did WOT the moans and groans were filled inside the car.

ENTRY 21: EX GIRLFRIEND

Ivy and Rhea were at the garden having a glass of cool mango juice.

Rhea: So how was the dinner?

Ivy: it went great ey, but later after dinner I left them alone cause I was feeling sleepy.

Rhea: Wait what did you do? You left them alone.

Ivy: Yeah I left them alone.

Rhea: Ivy are you dumb?

Ivy: Rhea no please.

Rhea: How can you leave your man with another woman infact his ex girlfriend or wife whatever Priscilla is.

Ivy: Priscilla is Callie's mother.

Rhea: Yeah but Callie is no longer here with us they are not suppose to be together. The only thing that made them to be together was Callie and she is no longer there Ivy.

Ivy: I know she needs him, they used to have a child together remember?

Rhea: Why are you like this?

Ivy: Rhea, Callie hasn't finished her year yet.

Rhea: That doesn't matter Ivy!

Ivy: Rhea.

Ivy looked at her with a horror.

Rhea: I really don't get you sometimes. What were you thinking? Leaving your man with another girl? Really?

Ivy: They needed to catch up.

Rhea: (laughs) you make me go mad right now honestly speaking.

Ivy took a sip of her juice.

Rhea: Callie is no longer there now there's nothing that makes them be together again. Kyndall must put all his focus and attention to you, they no longer married dawg!

Ivy: I know.

Rhea: Nah you don't cause here you are, you left them to be alone that's fucked up Ivy.

Ivy: No need to be angry Rhea.

Rhea: And who knows they fucked while you were asleep?

Ivy: Nah my man would never do that, I trust him enough.

Rhea: (laughs) are you sure?

Ivy: I know Kyndall he would never do such dirty and evil thing. He knows that I'm pregnant and with his baby.

Rhea: Don't always be sure about men they can embarrass you and you gon' get embarrassed.

Ivy: Enough about my life what's going on in your life?

Rhea: You want to know about my life?

Ivy: Duh.

Ivy looked at Rhea with pleasing life. It's been ages now Rhea not updating Ivy about what's going on in her life. It's not always necessary though to always share what's up with your life but Rhea knows every single thing about Ivy's life.

Rhea: I broke up with my guy...

Ivy: Wait you did what?

Rhea: Wait wait.. Let me finish up first.

Ivy: O-kay.

She said that downing her cool mango juice.  
It was so warm to be outside the garden.

Rhea: I broke up with the guy for some reasons. Now I'm only focusing on getting my degree get a job and live my life. Boys will embarrass you, can you imagine he had another girlfriend?

Ivy: Tell me you were the main chick.

Rhea: Side.

Ivy: Oh no. (laughs)

Rhea: But I was happy he was making me feel happy all the times, the time I found out that broke my heart.

Ivy: Awww. (chuckles)

Rhea: Ivy that's not funny.

Ivy: (laughs) okay sorry about that.

Rhea: So I decided to leave boys alone.

Ivy: That's you boo but you took a right route, focusing on getting your agree and get a job. Well done boo.

Rhea: I hate boys.

She said downing her juice then clicks her tongue.

Ivy: Maybe one day when Kyndall is having a meeting in our house I will invite you over okay?

Rhea: What? So that I could be their servant?  
No please.

Ivy: What? No (laughs) maybe you could find someone.

Rhea: No please I'm done with boys.

Ivy: What?

Ivy looked at her with horror she couldn't believe what Rhea just told her.

Rhea: You heard me well.

Ivy: Well that's not true mam I know it.

Rhea: I just wanna get drunk and have fun boys are the last people on my list please.

Ivy: (laughs) okay mam if you say so.

## KYNDALL'S POV

Kyndall was at his office when he seemed to be distracted by something even his PA noticed that something is up. Kyndall she knows is not always like this. His friend walked in the office and he couldn't hear what he was saying. He banged his hand on the table. He jumped.

Kyn: Sheesh man don't you ever do that again. You scared me.

Ace: Why it seems like your mind is not here?

Kyndall looked at her PA she excused herself.

Ace: What's wrong with you man. You not Kyndall I know, you're not here with us.

Kyn: It's Priscilla.

Ace: Okay what's wrong with her?

He took a seat and unbuttoned his blazer. Ace and Kyndall came from a long ass way, their friendship started back at Primary when they were doing grade 4. Kyndall was that kind of kid who was always quiet in class you wouldn't hear his voice everytime. Even if you wished, he would talk only when they asked him questions. Ace came and he

was paired with him Kyndall didn't like making friends but when Ace came he was that he's harmless and funny to have around then their friendship started off right there even today it's still strong like yesterday.

Kyn: Okay so Ivy invited her for dinner, it was cool it's like they were sisters I loved watching them. It was warm to watch. Right after Ivy left for bed we watched a movie.

Ace: She left you guys alone?

Kyn: Yeah.

Ace: Didn't expect that.

Kyn: I know right.

Ace: Seems like she trusts you enough.

Kyn: Yeah seems like that.

Ace: I mean no lady will allow their man to be alone with another woman especially Priscilla, your ex wife.

Kyn: yeah but something happened.

Ace: What happened Kyndall?

Kyn: We had sex.

Ace: Kyndall...

Kyn: I honestly don't know what I was doing I regret that.

Ace: Dude do you have any idea of what you did? How will Ivy react when she finds out this?

Kyn: Man please don't start.

Ace: Which is gonna happen man, I knew

this was coming.

Kyn: We also had a quickie in a car gosh I don't know what was wrong with me.

Ace: Man stop it right now before it gets too deep and ruin your relationship with Ivy. I don't know Ivy yet but the way you always talk about her she seems like a cool chick. Priscilla is gonna ruin this precious thing you and Ivy have and she will oh she will put it on the end right away.

Kyn: Time Ivy is pregnant with my child.

Ace: Okay that's it stop seeing Priscilla you have to put your mind, heart, focus and attention to Ivy she needs you. Cause if you continue your shit with Priscilla. My brother you gon lose Ivy.

## ENTRY 22: ABOUT THE BABY.

### IVY'S POV.

Right after he landed his warm lips to mine and we shared a kiss that got me thinking if Rhea was telling the truth. I looked at my fine man who was packing his stuffs for work.

Me: Do you still love Priscilla?

Kyndall looked at me. Maybe I shouldn't have asked that question, now I'm starting to not trust Kyndall after what Rhea told me

I hate this. Am I being too soft when it comes to Priscilla and Kyndall?

Kyn: And why would I still love Priscilla? She's my past there's no way I'm going back to her. Remember what I told you."

Mmh should I trust him? Fuck Rhea I shouldn't have told her what happen to our dinner.

Kyn: Babe are you okay?

Gosh I really love this dude he is just so calm that's what I like about him. Only when

he's not angry tho.

Me: Quick question (I looked at him as he looked at me) Did you and Priscilla fuck after I left the room?

I looked at him waiting for an answer I really do need it so that I could know what to do next. Even if he does tell me that they fucked I wouldn't do anything to him. It happened and there's nothing else to do or change the scene.

Kyn: No we didn't fuck babe. (He gave a little chuckle)

Me: Are you lying to me? Cause I could see it

through your eyes you not telling me the truth I meant the whole story. Please be honest with me." I begged him.

He looked at me with some really-are-we-doing-this kinda look. Then got in his heels and made a way to me. As I was seated in bed.

Kyn: Right after you left, I suggested how about Priscilla and I watch a movie and grabbed a bottle of red wine. It wasn't a big deal my love.

I looked in his brown shiny eyes.

Me: Okay

He landed his warm hand on my cheek then kiss my forehead.

Kyn: I love you and only you. I promise nothing is happening between Me and Priscilla.

He looked me in my eyes I don't know maybe looking for his trust in me. I smiled and we shared a long kiss.

Me: I love you too Kyndall.

He left and I rolled out the bed as I make my way to the bathroom. I looked myself in the mirror before I could start off with my day then something came into my mind. I having a little baby growing inside me. I never thought that one day I would be in this situation whereby I'm expecting. I smiled at myself in the mirror as I rubbed my tummy. My phone decided to distract me from my beautiful moment with my kid. I rushed to pick it up. It's Rhea.

Rhea: Mommy to be.

Me: What's up girl?

She laughed before she could reply back.

Rhea: I'm taking you out for breakfast  
mommy, I'm sure you up right?

Me: Yeah I'm up.

Rhea: Great then I'm on my way.

I couldn't believe this, I laughed.

Me: Now?

Rhea: Yes see you in a few. (giggles.)

She dropped the call. I gotta do my things  
fast now since she's on her way to my  
house right now. But hey she will wait since  
she called me after I only got few minutes I

woke up. Plus she has to cause I'm pregnant.

Don't laugh please.

I stepped inside the shower then turned on the hot water tab I mixed it with cold water so that it could be warm. I enjoy warm showers or baths they get my body relaxed I like it.

Me: Hey You.

Rhea: You ready great.

I called one of our drivers I got in first then make a room for her to come in. She

stepped inside and close the door. We drove in silence cause she was busy typing in her phone. I just looked outside the window thinking of me and my son in the future. How trouble he's gonna be and I think I'm so ready for all of that. Like I said I never prepared myself for such situations but I think I am now as I'm in it and I will do the best I can to raise this child of mine. I don't want to mention the gender now cause I'm not sure If I'm crying a boy or girl. Kyndall thinks and knows it's a boy but I badly wanted a girl.

Wait.

Why am I talking like I can't find out, I have to book my appointment with my doctor and I will do that when we arrive at the restaurant. I don't even know where she's taking me but she mentioned breakfast. Maybe we going to Wimpy? McDonald's? Or Mugg & Bean those are the only restaurants I know so far where they serve breakfast. Wait I think it's also Spur? Lies I haven't.

Rhea: So when are you planning to go for scanning, heart beat and checking the sex of the baby?

Was she reading my mind?

I laid my gaze to face her.

Me: Actually I was planning to do that when we arrive at the restaurant.

She took her time to reply to my explanation has she was busy on her phone. Only God knows who she's texting.

Rhea: Oh Okay that's cool tho, but you know the drill right?

Me: What drill?

I acted like I don't know anything however I know what she was talking about. I wanted

her to say it.

Rhea: You have to inform Kyndall. We don't want the very same mistake that happened four months ago to repeat its self.

Yeah I knew it, it was all gonna be about Kyndall but I learnt from my mistakes.

Me: I learnt from my mistakes.

I claimed.

Rhea: Good.

I rolled my eyes and shift my gaze outside again. We've been driving for over like 30

Minutes now.

Me: Are not arriving to our destination? Or you kidnapping me?

I sink in the car seat and rest my head on the seat head.

She looked at me and snort a laugh.

Rhea: If I was kidnapping you your driver wouldn't be the one driving.

She chuckles.

Me: Is the restaurant out of town?

I asked with lazy eyes.

Rhea: Nope, we here.

Finally cause I'm starving, I grabbed my hand luggage that was next to me on the car seat then I stepped out of the car. I looked at restaurant how it's being built then looked around. It's not bad at all, I haven't thought that one day this will be me thinking about a lil person growing inside my tummy. I haven't been in this restaurant as I feed my eyes on it.

Her: Hi, Welcome to The Plate. How can I be your sever?

She welcomed us.

I looked through the Menu Book, I ordered only pancakes with blue berries and raspberries.

Her: Will that be all?

Reminding us if we will need something as well.

I looked at Rhea. She shifted her gaze to the waiter.

Rhea: I will have English Breakfast please

and that will be all for now.

She closed the book.

Her: Okay.

She said that jotting down on her lil mini book.

She collected the menus then turn on her heels going to the counter.

Rhea: So when are you going to make the doctors appointment?

She brought us back to the conversation that I honestly wasn't feeling like having it at the moment. I ignored her but stalling on the floor.

Rhea: Mommy did you hear me?

She pushes me.

Me: What were you saying?

I asked her as if like I didn't hear anything she said minutes ago.

She layed her eyes on me as I shifted my gaze to her.

Rhea: Are you okay? Is your mind even here?

She frowned.

Me: I'm just thinking about my baby is all.

Rhea: Aww momma you can't wait right?

Same as me. I can't wait to meet our new member in the family.

I only smiled at her, she is really excited about me becoming mommy soon. But that's not the only reason she can't wait to

meet the new member of our family. Yes and I changed the subject so that we don't talk about it not today please. We had our breakfast there then we went back home. I was still feeling hungry, I'm starving I will make myself more food.

Rhea: You should have told me you still hungry, we could have grabbed a box of pizza.

Me: Honestly right now I'm tired of having pizza.

Rhea: (laughs) okay mommy what would you like to have so that I could order now.

Me: Anything apart from pizza.

Rhea: Okay then I will see through the menu.

Me: Like right now.

Rhea: Please don't eat me up momma, I know you so hungry right now.

Me: Actually how about I cook something.

Rhea: Don't forget that if you cook, you gotta cook for your boyfriend.

Me: Yeah yeah I know.

I glanced at her and open my mouth.

Me: Please order in, I'm way too lazy to get up and stand behind the stove.

Rhea: Okay then.

She switched on her phone and got busy in it. I grabbed a remote that was on top of the coffee table then change the channel, Rhea was watching National Geography Channel and I don't like it. I don't see what the purpose of watching lions killing other animals. Later our food came and we left some for Kyndall cause I know he's super hungry when he comes back from work.

Me: I was so tired and feeling lazy to stand up behind the stove.

Kyn: It's okay babe.

I watched at him eating his food. He caught me staring at him with his mouth full then he

smiled showing his dimples.

Kyn: What?

Me: I booked an appointment for us tomorrow.

Kyn: About our baby?

Gosh I felt our baby smiling inside my tummy when he said "our baby" I love this man with all my heart yeah wholeheartedly that's it.

Me: Yeah about our baby.

Kyn: Okay when is the date?

Me: I booked for tomorrow afternoon.

I looked at him.

Kyn: It's okay I will come over lunch and I can take as much time I want.

Me: (smiles) okay babe.

He continued to eat his meal he seems to enjoy it. He wiped his mouth and his fingers then downed a glass of juice.

Kyn: Yeah that's was good, I'm good now. I only need to take a shower and rest.

Me: I was actually going to take a shower, you wanna join me? (smiles)

He smirks cause he knew what I was doing. I rose up from where I was seated then takes his plate to the sink. I Will see that later right now I want a long warm shower. We ascended the stairs to our room. I let him get inside first then I follow him then get inside.

ENTRY 23: FIRST LOVER.

IVY'S POV.

Just after Rhea left yeah she's the only person that comes in my house often just to come check up on me. I really appreciate it but sometimes it's annoying, you know

when you sometimes need your own space then someone comes and disturbs you from that? Annoying yes. I stepped inside the shower and let the water run down my sticky body. That's how I felt when I decide to take a shower so that I could feel fresh again. I already took out my outfit and boy oh boy I'm so excited for this.

I heard someone entering inside the room it must be him. His phone rang and I heard his foot steps fading maybe he went to the balcony to take his call as I took a sponge and take off the dirt sticking on my skin. I just took a quick brief shower, I turned off the shower then stepped out the shower. He walked inside the bathroom and hugs me

from behind he smells so good I like how he smells.

Kyn: Babe?

Me: Yeah?

Kyn: I know that we have an appointment with the doctor right?

Me: Yeah what's up? Did something come up?

Kyn: Yeah Priscilla's friend called me saying Priscilla is going mad.

Me: And where do you get involved there Kyndall?

Kyn: She's Callie's Mom, she's still new in this I have to help her.

I rolled my eyes and shift from his arms then  
pace to the bedroom side.

Kyn: Babe.

I can't believe this, I can't believe what is  
Kyndall doing to me. I thought this was  
going good but now it's bad. Priscilla comes  
before me. Just wow. He followed me and  
touches my arm.

Me: Don't touch me.

I'm angry and sad.

Kyn: Can you postpone it? I will-

Me: Save it.

He looks at me with disbelieve.

Kyn: Babe-

Me: It's okay Kyndall go to your first lover or whatever she is to you.

Kyn: She's not my first lover. Look I promise I will be there next time okay?

Me: Really Kyndall? Some friend of Priscilla is calling you telling you what not about Priscilla which makes you to drop everything then run to her?

He took his time to reply to me. He tries to open his mouth but I interrupt him or more of shutting him out.

Me: I don't wanna hear it. Go to her.

I picked up the body lotion that was on top of the bed then lotion my arms. He just stood there and I acted like he isn't there. I don't feel his presence at all. I'm pissed even a blind man can see that through my eyes and the deaf can hear the hurt in my words. He later left the room then I picked up my phone to call Rhea.

Rhea: I just left your house not so long ago and you already miss me? (chuckles)

Me: Kyndall won't be able to make it to our appointment can you come along with me?

Rhea: Yeah uhm sure I will be there right now.

I dropped the call then place my phone back to where it was. I can't believe he will miss his child's heartbeat for the first time. A tear dropped down my cheek then I quickly wipes it off. I touched my tummy and smiled. Yeah that's the only person that makes me have a purpose in life right now.

Rhea: What happened to Kyndall? Did you

tell him though? Or he forgot that you guys have an appointment?

I wanted to tell her that he ran to her baby mama after a call from her friend saying she is going mad. She will go crazy when she hears it so-

Me: I don't wanna talk about.

Rhea: Did he forget?

Me: His schedule is a bit tight today so yeah.

I lied.

Yeah I know that's a lame excuse one could

think of. I looked outside the window  
avoiding looking her in her eyes.

Rhea: That's hectic.

Me: tell me about it.

I added I wish it was dawn now. Kyndall  
ruined my day I can't even tell myself  
something else but only that. But I'm trying  
all my best to pretend and act like I'm okay.

The appointment went well though I was  
nervous at first but when we continued I  
relaxed. Hearing my first baby's heartbeat  
that got me emotional this is real, this is  
fucken real I'm having a little person growing

inside of me.

Rhea: Doctor what's the sex of the baby?

Dr: It's a girl.

I smiled as tears were gushing down my cheek. I am happy that it's a girl but I suddenly think of Callie thinking how was it gonna be if she was still around. Was she gonna get excited that she's gonna have a baby sister? What was she gonna name her? Sunny? I smile. I hope she is looking down at us our beautiful little angel. I do miss her. We got done with the appointment and we set another date, my friend my only friend helped me dress up and we went to grab

lunch at this other fancy restaurant. I totally hate fancy restaurants there's something that I don't like about it. I don't know yet I think I will remember.

Rhea: Oh my gosh I'm so excited it's a girl. I wonder who she's gonna look like.

Me: Callie.

I said that out loud I didn't even notice that I said that. Its Callie since from the hospital it's Callie, I think she also misses her as much as I miss her.

Rhea: You want her to look like Callie?

She questioned me and I really don't regret saying out her name. She was a sweet girl and I'm not saying my child to be like Callie, talk like her, walk, eat, giggle and everything about Callie. But I want her to look like her I know it's impossible but that's my wish.

Me: Yeah what's wrong with that?

Rhea: Uh-okay I think she has your eyes and personality the rest can pass to Kyndall.

Mentioning his name makes me vomit I so hate Kyndall right now that he chose his past over me. Is that how it goes now? They should've warned me the minute I fell for

Kyndall that there's gonna be alot going on in my life right now. Yeah Baby Mama Drama, I thought they were over their past relationship.

Rhea: Are you okay?

Me: Yeah I am okay.

Rhea: No you not I know you Ivy ever since we left the hospital you were so quiet.

What's bothering you?

She held my hand and I held in my tears feeling a hard lump building up in my throat. I try to swallow but it doesn't go away. I feel the heat building up in my throat a hot lump blocking me to swallow. I shed a tear I faced

the other way and wipes my tear. She looks at me looking like a person who would burst out in tears too.

Me: Uhm... I'm okay.

I fake a smile.

Rhea: You know you can tell me anything right?

Rhea I know but I just don't feel like saying anything to you right now. I just want to get home and cry my lungs out over a man who ran to his ex wife. I mean where in the hell

does a man happens to do that shit? I'm a pregnant woman for God's Sake why did she choose her over me?

Me: I think I wanna go home.

She nods.

Rhea: I see okay, should I call your driver to come pick you up?

Me: You not going back home with me?

Rhea: I wish I can I have an assignment to finish off, due date is in two days.

Me: It's okay.

Rhea: You gon be alright right?

Me: Yeah I'll be.

I can't believe I shed a tear in public what a first. My driver came, I said my goodbyes to Rhea I know it breaks her seeing me like this. Yeah it happens not to me but everyone who has ever dated baby daddy. It's life we move. I got home threw myself in bed and I closed my eyes all i could hear is my daughter's heart beat.

ENTRY 24: BABY MAMA DRAMA.

KYN'S POV.

I regret leaving Ivy alone at the house and letting her go to our appointment alone. But

she has Rhea her so called best friend. I'm already in the road driving to Priscilla's house I wonder what's going on. I parked inside the yard then kills the engine. Her friend Clementine must have heard my car pulling over as she rushes outside coming my way.

Me: What's going on?

Clement: She's inside locked herself in her room. I tried to knock but she won't answer. I hope you were the only person she could reply to.

I looked at Clementine she looked so worried. Worried about her friend who God

knows if she committed suicide or just napping only he knows what's going on with Priscilla now. I walked inside the house and paced to her room, before I could check if it's really locked I knock and knock still no answer. I looked at Clementine.

Me: Are you sure she's in there?

Clement: I swear.

I hold the handle and open my mouth.

Me: Priscilla, it's me open up the door.

Still no answer, I hold the handle twist it then

the door is opened. I walked inside the room. I looked around but there's no sign that she was even in the room. Someone walks in.

Me: Clementine there's no-

I turned to face at the door then there she is in a trench coat. Really is this really happening.

Priscilla: Hey Kyn.

I heard her locking the door. Good lord this is better be a joke, I got no time for this.

Me: I got a call from Clementine telling me that you going mad and now you show up in a trench coat?

Priscilla: Yeah mad over you.

She looks at me with seductively eyes then walks towards me. I feel my legs going backwards as I thought I would go back more further I hit the wall.

Priscilla: I miss you Kyndall and I know it's not a first telling you this. I wonder if you still love or miss me.

She took of the trench coat, she's in a lingerie the sexiest one I have never seen in

my life. Fuck she still looks sexy like it was yesterday when we met and fuck but that's not how Callie appeared. It was just only smash and pass but we fell for each other then boom Callie appeared.

Priscilla: I want you to rock my body like there's no tomorrow.

She moves closer to me her body turns me on cat walking towards me. I feel my dick twitching down there, why is she doing this to me.

Priscilla: Can I be at your service?

I... I don't know what to say. She presses her body against mine I feel the heat coming from my toes then goes up with the fastest speed. She looks me in the eyes, fuck she knows how to get me weak she knows my weak spot. It's for you to find out what's my weak spot, she presses her lips against mine and I reply back. I don't know what happened but I felt my dick in warm soft hands it's so hard I swear if I fuck her right now we will get into trouble. That's not what I want right now. Trouble.

Me: Wha... What are you doing?

Priscilla: Oh Daddy you mean you didn't miss me?

She kisses my neck then goes to my ear feeling her warm breath in my skin gives me shivers.

Me: Priscilla get off me.

I push her she goes backwards and look at me for a while.

Priscilla: You seriously don't wanna fuck with me? Baby you hard right now I know it's because you miss me too.

I would fuck the shit out of her right now I

swear she doesn't know me this time. I look at her studying her face she motions to me and kneel down looking right in my face taking my dick out of my pants. I look at her putting her mouth sliding in and out. Fuck I forgot how she gives a good head, Ivy tries though since she's new in all of this. I hold her head and letting me getting in and out, I do a deep throat. She looks at me she wants mo I could see in her eyes.

Me: Oh Fuck! (Groans)

She did that for a while, I want to be inside her right now she got me to a point whereby I didn't wanna do it. But because it's true I

miss her I want to slide my thick dick inside her pussy.

She got up and pull her to me I kiss her, her warm lips with our tongue clicking. Damn what a good feeling. I picked her up as we made our way to the bed I threw her on the bed, she likes it rough I know and I'm gonna give it all to her. I looked at her sliding her finger to her pussy giving it a rub looking at me with the other hand on her right boob.

Why is she doing this to me, I took my clothes off. I'm so hard right now she called the trouble not me. I got on top of her she wanted me, she put her two fingers inside

my mouth yes that smell turns me on.

Priscilla: I want you to fuck me Kyndall, take your time daddy. (giggles)

I get a bit closer to her and lean my head for a kiss she meets me halfway as we share a passionate kiss that was turning to be tense. She opens her legs wide and now I'm close to her I could feel her breath shivers my whole body. I rub against her wet pussy with my hard thick dick. She let's out a whimper.

I look her in the eyes as she looks at me with her pleasing eyes telling me please-fuck-me. I slide my dick and I'm welcomed by a tight

warm pussy inside, she moans loud. She can moan as loud as she can we don't care who's listening to us. I feel my muscles building up, my blood is running high I wanted this I've always wanted this shit to happen and today it is happening. I fuck her hard and fast making her feel pain and pleasure at the same time. The sound of our bodies colliding as I fuck her, the moans and groans filled in that room. Lord why am I doing this? We later stop she's laying besides me and I'm getting up.

I get up from the bed and look at her to find out she is also looking at me.

Priscilla: You leaving already?

Me: I have to get home for dinner.

Priscilla: Pff yeah right.

She roll her eyes at me then face the other direction.

Me: I saw that Priscilla.

Priscilla: Why can't it be me?

Me: You what Priscilla?

I look at her for a while then pick my clothes up then put them on. She rolled out of the bed and motions to me.

Priscilla: Next time again?

Me: There's no next time okay? What we did was a mistake.

Priscilla: Pff mistake you say but I enjoyed us.

Me: bye Priscilla.

I opened the door and close it behind me. I paced to my car, got in and bring the engine alive. I drove to my house thinking about what happened hours ago, was it a bad thing tho?

I found her at the kitchen preparing

something for us to eat I guess. I can't go and greet her smelling like Priscilla. She didn't even glance at me she kept her head down is she avoiding me?

I ascended the stairs to our bedroom take my clothes off and step into a shower. I just did a terrible thing and I regret it right now. What has gotten into me? This is not me. Why I feel like I'm going back to Priscilla? I honestly don't want that. I promise to the poor child that I will be faithful and solid in our relationship. But here I am I just fucked with Priscilla. I broke my promise I'm hurting Ivy and I really didn't want that to happen. I turn off the tabs and step out the shower looking myself in the mirror makes me so

angry that I let Priscilla get into me.

Me: Hey babe.

Ivy: Hi.

She gives me the plate of my food and once turns to her heels and motions to the kitchen side. I looked at her taking her plate and motions to the living area. Wtf? This shit is real?

ENTRY 25: NOT MY MAN.

IVY'S POV.

I just woke up I don't even remember how I

caught my sleep cause I was thinking alot. Alot was wagging in my mind and I couldn't control what to think and what not to think, it was the only thing in my mind. When I think about my precious daughter I think of her father and that makes me think alot.

Why did he choose Priscilla over me? What does she have that I don't there's alot I want to ask but I will just let things be.

Wait Let things be I gotta tell him that whatever he is doing it's wrong and that's not how things are suppose to go, or I leave him since he loves Priscilla more than me.

He walks in holding a tray wearing only pants. He makes his way to me and place the tray next to me.

Me: You think your lil breakfast will make me forgive you? Pff think twice about that.

Kyn: (sighs) I want to apologize.

Me: For what?

I want him to say it, I want to hear him say it from his mouth. I want to hear it all.

Kyn: I realized that what I did to you was wrong and I want to apologize for how I left you alone In the house running to Priscilla. I

shouldn't have done things that way, you are my girlfriend. I should be there with you every step of the way since you are pregnant my love.

I look at him and study his face.

Me: Do you still love her?

Kyn: No babe I love you.

Me: Then Prove it to me Kyndall. Prove it that you love me and I'm your girlfriend!

Kyn: I am fixing myself and I will prove it to you my love. Please forgive me for dropping everything including you and running to Priscilla.

Me: Priscilla is your past I'm not expecting you to always run to her whenever she's in trouble or something. She has to find someone to be there for her not my man.

He smiles I think because I said "not my man"

Kyn: I love you okay Ivy?

Me: I love you too Kyndall.

Kyn: Am I forgiven?

Me: (smiles) yeah you are.

Kyn: Come here.

He holds my chin as he leans for a kiss, we

shared a long kiss.

Kyn: So how is our baby?

Me: I so wish you were there to hear our daughter's heartbeat.

Kyn: Daughter?

Me: Yeah I know you wanted to have a son but we will have a son okay?

Kyn: Yeah but I'm happy tho.

Me: You not disappointed?

Kyn: Just a lil.

We snort a laugh he looks deep in my eyes.

Kyn: I'm so sorry babe, I know you didn't expect that from me but I did it and that was -

I pressed my lips against his lips, I smiled through our kiss. I sat on top of his lap as he caress my body.

Me: I forgive you babe.

We continued with our kiss then later I had my breakfast. He asked me when is our next appointment and I told him. He said he will look into his schedule and he'll make a plan to make it to our appointment.

Kyn: So have you thought of what you gonna name her?

Me: Uhm.. I haven't thought of a name yet.

Kyn: Neither do I.

He had to go to work so he took a shower got into his suit and left for work. What am I gonna do for a day? Read novels? Reading novels gets me excited but I get tired at the end or during the reading. I should really come up with something that will keep me busy the whole day. What should I do? Cause I can't keep on living like this.

ENTRY 26: DONE WITH YOU.

KYN'S POV.

I wonder how my daughter will look maybe her mother, maternal grandma or me. When I think of my daughter who hasn't been yet in our world Callie comes to my mind. My precious daughter who grew her lil wings while she was still young full of life. I miss her I stare at her picture on top of my desk she smiles at me and I smile back.

I open my laptop and start typing setting up meetings with some entrepreneurs cause I would use now right now. But I get distracted during the day it's because of Priscilla what we had yesterday honestly was wild. I don't know when was the last time I had such wild and nasty sex.

Ace walks inside my office and close the door behind him. He's on his royal blue two piece suit.

Ace: Hey man.

Me: Sure.

We did our greeting handshake style, he takes a seat on one of the two couches places in front of my office desk. I didn't even notice he had some documents in his hand.

Ace: I got something for you.

Me: Okay.

He placed the documents on top of my office desk, I lay my hand on them and pick them up. Then I go through them.

Ace: I didn't see you during lunch yesterday where did you go?

Me: I went back home I had some doctor's appointment with Ivy.

Ace: Regarding the baby?

Me: Yeah regarding the baby but things changed when I arrived there.

Ace: What happened?

I took the last look on the documents then close them and place them on top of the desk.

Me: I got a call from Clementine does that ring a bell to you?

Ace: Oh yeah Priscilla's friend.

Me: Yeah that one.

Ace: What was her story?

Me: Priscilla was going mad she locked herself in her room.

Ace: Was that true?

Me: I dropped everything and drove to Priscilla's house God knows what she was up to.

Ace frowned at me.

Ace: So you did drop everything and drive to Priscilla's house? Leaving your girlfriend hanging?

Me: Yeah I did that.

Ace: Man are you crazy? Do you have any idea of what you have done? Leaving your so loving girlfriend and running to your ex girlfriend. I don't refuse the fact that she used to be Callie's mother.

Me: She is Callie's mother okay.. I thought she was sick or something.

Ace: Kyndall what do you mean you thought.

Me: We had sex raw and a nasty sex. I don't remember when last time I had such shit.

Ace: Kyndall have you gone mad right now?

Me: I know right and I regret it.

Ace: Please tell me you didn't cum inside of her.

Me: I didn't she gave me a head and that's where I released my sperm.

Ace: She won't find out about this right? But somehow she will know the truth that one you know right?

Me: Man I'm in deep shit.

Ace: I won't help you to get out of it. You put yourself in this, find a way to come out man.

Honestly is that what you gonna tell me I thought we brothers you gonna give me some advice. But it's true I did put myself in this shit now I have to get myself out of it. Why didn't I refuse when she went down on her knees for me?

Ace: Get yourself out of this shit! I know and boy I know it's not gonna end well.

Yeah it's not gonna end well, I'm in so deep shit. He left my office as I got busy with the documents he gave me. I knocked off early and went back home I went to the bedroom cause she wasn't downstairs. I found her crying what's wrong now?

I walked to where she was seated and she shifted away from me.

Me: What's wrong now? I thought we are good.

She passed me her phone and I discovered myself on top of Priscilla moans and groans was all I could hear.

Me: Babe I-

Ivy: Don't say anything I already heard enough.

Me: It's not how you think it is.

Ivy: Then what huh? After you tell me that you do love me and you are never gonna hurt me? Really Kyndall that's who you are?

It breaks me down seeing her crying over some piece of shit I did involve myself in. I won't stand on her way but to explain.

Me: I can explain.

Ivy: Kyndall I don't wanna hear it.

She broke down loudly. What have I done? I looked at her with hurt in my eyes standing up from where she was seated made her way to the closet taking her clothes out.

Me: Babe please you can't do that let's talk.

Ivy: Talk? What are we talking about Kyndall. That yes you did fuck your ex girlfriend while I was at the hospital checking how our daughter is doing and you on top of your ex girlfriend fucking her raw?!

I didn't know what to say I walk towards her and try to touch her hand.

Ivy: Don't touch me. I'm done with you.

She said that with tears in her eyes blurring her vision. She took out her suitcase and her

clothes.

Me: You can't just leave me like that babe please hear me out.

Ivy: I don't wanna hear anything from you. You lied to me you fucken lied to me that there's nothing going on between you guys yet you fucken put your dick inside her. What does Priscilla have that I don't Kyndall?

Me: I thought she was in trouble but she seduced me.

Ivy: Are you that easy to get get laid on? Are you?! I so hate you right now I hate you I don't even wanna see your face. Block my numbers don't ever call or text me. I'm done with you.

Me: No no babe you don't mean any of that.

Ivy: Fuck off!

She was angry and sad I heard that through her words. Yeah I did this to myself I don't get her mind at all at least I want her to hear me out.

Me: What about our baby?

Ivy: (laughs) oh so now you remember that you have a baby? You could've thought about it before you slide your fucken dick inside her pussy!!

She packed her clothes in her bags I wanted

to stop her but I know I was gonna hurt her and I can't afford to hurt her and the baby. I looked at her walking out of the room. She carried them downstairs I followed her.

Me: Babe please don't leave me. I'm nothing without you.

Ivy: You are something with Priscilla not me and I'm so okay with that.

Me: Babe you know that's not the truth.

Ivy: Have a nice life Kyndall.

She pulled her suitcases out of the house with her, I looked at her. What have I done what have I put myself into. Now look I lost the most prettiest lovely and warm girlfriend

I have ever dated. Lord knows what happened between me and Priscilla. I won't be able to win her back or gain my trust again.

I walked to the bar side take out a bottle of a fine scotch. Took out a glass but I looked at it hold it with its neck and put it on my mouth. I don't need a glass, my wife left yes I saw her as my wife however she didn't like me calling her that. I lost the most beautiful human being in my life where will I get someone like her again?

I run my fingers through my hair I feel like crying but what am I crying for? I don't even

want God to feel sorry for me. I've put myself in this.

## ENTRY 27: WHAT THE HECK?

It's been 4 months now meaning I'm now doing my 8th month in my pregnancy so far its okay I must say. Ever since I left Kyndall's house 4 months back and it's been a bit difficult I must say and I can't deny it. We never spoke but we've seen each other in public and I just get disgusted and feel like puking cause of what he did.

I've been doing great and this pregnancy shit isn't treating me well but I'm hanging in there I can't wait to finally give birth to my

precious child and raise her alone. Cause I don't really see myself getting back to a cheater more he even slept with his ex.

I didn't expect that from him I expect alot of more better things from him cause he was my love but it's okay life goes on right? Yeah. So today me and Rhea the only person who I call my "love" right now, she's always there when I need her and always makes sure I am okay at all times.

You know I wish that was Kyndall here I am asking myself how would it have been when we were still courting. \*sigh\* but I will be fine.

What the heck?

I have been doing fine and I'm still doing fine  
I don't need his help however sometimes I'd  
need it but I won't text or call him cause I  
told him to block and delete my numbers.

Oh as I was saying me and Rhea are going  
to the mall today to do my final baby clothes  
shopping I am excited that soon I will be  
holding my baby girl in my arms.

Rhea: So-

Me: What?

Rhea: Have you thought of having a baby

shower?

Honestly I don't like baby showers I feel like they are full of fake people who would make a way to see you dead or sad by losing a child or something more like that. They are bad news I dislike them.

Me: Nah I haven't even thought about that.

Rhea: Do you want to have it?

She sad that picking one of adorable pink new born tees.

Me: I will pass.

Rhea: Oh come on Ivy it's gonna be fun.

Me: I don't have friends.

She rolled her eyes at me as I know exactly that the excuse I said was the last thing a person could say. I mean who the hell say a lame excuse like that?

Rhea: It's can be me, your mom, brother and your sister in law and some of the family-

Me: I don't want to have baby shower.

Rhea: But its-

Me: I don't wanna talk about it thank you.

Rhea looked at me with that goodness-me

look I just rolled my eyes at her and continue to look for baby clothes that will best suit my daughter. We lined up to pay up but the line wasn't that long it had only few people who I could count with my fingers. We paid up then decided to pass by at Ocean Basket I'm craving for prons. We placed on our orders.

Rhea: Have you thought of the baby name thing?

Me: Jemma.

I was so fast to answer yes and I said Camilla I heard myself well.

Rhea: Really Jemma?

Me: You heard me well.

I checked my wrist watch gosh I'm dying with hunger. I can't wait for another minutes. When did they tell how long its gon take? Rhea shifted her glance at me.

Rhea: Relax food will be here soon.

She smirks I think she read my mind. I can say she is really good at it or should I say I make it too obvious for her to sense?

Rhea: Anyways Jemma is Unique.

I didn't give a reply what was I suppose to say again? Thank You that's not a good response. We waited for 3 more minutes then later our food came been waiting for this. I started eating and gosh I was enjoying my meal I could order for more but take it with me. I did order for another meal but took it with me, we requested an Uber black Rhea was paying not me.

Maeve: How was shopping?

Me: It was good finally I'm done with baby shopping.

I said that sitting down my feet hurts as well as my back I needed a comfortable couch to

sit on. I placed my feet on top of the coffee table then my mother insisted to rub my feet meaning giving me a foot massage. And please I really needed that.

Maeve: We need to have a serious talk.

Me: Okay?

Maeve: About the issue between you and Kyndall.

I knew this was gonna be about Kyndall. He cheated slept with his ex wife after he promised the world to me. Men are trash.

Me: I knew this was gonna be about him.

Maeve: Baby he must have cheated on you with his past but that doesn't change a thing that he is the father of the baby.

Me: Ma I know.

Maeve: No you don't know anything. I so feel sorry for Kyndall missing all of this.

Me: He made himself to I didn't send him to-

Maeve: I know baby but he needs to know how is the baby when are you gonna give birth he needs to be there.

Me: I don't need him.

Maeve: Well you need him, soon the baby will be here and she needs alot of things which needs money. Where will we get the money from?

Me: Ma I will just go look for a job.

Maeve: Where? Where Ivy?

Reality is starting to kick in now did I say that correctly? I really need him to take care of our baby.

No.

My baby not "ours"

Me: I don't know but I will find a job.

Maeve: Will it give you enough funds to take care of the baby Ivy?

Me: Ma please!

I wasn't ready to have this kinda conversation and how the hell did we end up here?

Maeve: Why it seems like you punishing him from not being there for you and the baby?

Me: I'm not punishing him. Jemma and I are good.

Maeve: Jemma? That's what you named her?

Why she sounds like she didn't expect it?

Me: Yes I have decided to name her Jemma.

Maeve: It's your child that's okay.

I didn't expect that from my own mother.

Maeve: Call Kyndall and tell him that you want you guys to fix things.

Me: What the heck ma.

Maeve: You need him and I won't let you make this child suffer while her father is still out there and ALIVE.

Me: I'm not doing that.

I helped myself to stand up slipped my feet on my comfortable black fluffy slippers.

Then I made my way to my bedroom. I can't believe mom wants me to fix things after what Kyndall did to me. The question is, how was he gonna feel when it happened the

opposite way? I guess I have to call him but I told him to block and delete my numbers.

What are you saying Ivy don't call him.

ENTRY 28: CHRISTMAS LUNCH.

Kyndall's POV.

I know that Priscilla did Film us when we were smashing each other I didnt want to even confront her of how the hell she did that and why did she even send it to Ivy. I lost her already and I honestly got nothing to win her back right now. Whatever I'm gonna say to Ivy she will believe it's all a lie, she will never trust me but if things go well meaning

her and I getting back together I will do anything to win her trust back and better not fuck up.

These whole 4 months been a nightmare to me I can't sleep properly or eat. I even lost weight Ace says and yes I have but I don't really have to expose myself to the world. Alcohol has turned into my the-love-of-my-life. As we speak I'm holding a bottle of Jameson having it with no glass.

My life is fucked up right now but I have to get it back together right? But how when I lost my two favorite people? I shed a tear and wipe it with the back of my hand that is

holding a bottle with its neck. How am I suppose to fix my life? Ivy was the sunshine in my life I really hate this. I miss her and big time even a blind man can see that.

It's 7pm and I have to be at the meeting but here I am in my house in the kitchen on the floor drinking scotch from its bottle my phone rang from my pocket. It better not be Ace telling me to come to work cause I really don't feel like it I need back the sunshine I chased out of my life. I need it to shine on me again cause I can't continue being like this. It's unknown numbers I answer it.

Me: Yeah who's this?

Voice: It's Maeve, Ivy's mother.

I quickly stand up and wipe my mouth. The alcohol that has been in my body now I feel it flushing away. I hope nothing happened to Ivy I just hope so.

Me: oh hey ma.

Voice: How are you doing?

Me: I'm only trying ma.

Truth.

Voice: I'm happy that you are trying.

Me: Yeah and how are you ma?

Voice: I'm doing just fine thanks, I want you to come next week for lunch.

Me: What's the lunch for?

Voice: It's Christmas have you forgotten?

Oh shit it's Christmas next week?

Me: (chuckles) I think I was.

Voice: Well we having a lunch in our house and I'd like you to come over.

After what I have done to your daughter mam?

Me: Does she know?

Voice: Nah she doesn't know and I won't tell her.

Me: I really don't want to ruin y'all's perfect Christmas lunch by showing up.

Voice: Nonsense you won't I still like you son-in-law.

Did this woman call me her son-in-law?  
Instead of cursing me?

Me: I... I don't know if it's a good idea after-

Voice: You are coming to my house not Ivy's house.

Me: O-kay I hear you ma.

Voice: Yeah so you coming right?

Me: I will think about it.

Voice: Okay son I will not push you okay but please show up I want to see you.

I hear her smile on the other side of phone.

Me: Yeah I will come but I don't promise you that.

Voice: Okay, it was nice talking to you and hearing your voice.

Me: Same here ma.

I meant it.

Voice: Okay then Goodnight Son.

Me: Goodnight ma.

SUNDAY AFTERNOON.

After work cause we knocked off early today I drove straight to my house thinking about this day how it's gonna end. Will Ivy throw things at me or curse me? I will just go and find out who knows I will win her back? I took a long warm shower then put on my best suit looking all fancy and handsome I am Kyndall after all. I put on the cologne then grab my car keys and phone. I

motioned to the bar side opened the shelves to take out non alcoholic wine as I made my way to my car.

I can't stop of thinking how will things go, I parked my car in the yard as I killed the engine then made my way to the garden side there I saw her looking stunning as always the pregnancy seems to be treating her well I guess but anger in her eyes when she saw me. I stared at her Maeve looked at us back and forth.

Maeve: Son welcome.

Ivy: What is he doing here?

Me: I brought wine with me but it's none

alcoholic to accommodate Ivy.

Maeve: Oh great thanks Kyndall please take a seat.

I looked at Ivy as I sat front opposite of her.

Maeve: Oh sorry let me introduce you to my son, this is Marcus with his wife Lerato.

I extended my hand for a hand shake. He looked down at my hand then up to my face.

Marcus: What's your name again?

Me: (clears throat) Kyndall.

Marcus: So you are the guy that impregnated my sister then runs to his ex wife and jump into bed with her?

I retrieved my hand and look at Ivy then to her brother.

Me: I don't know-

Marcus: Yeah yeah you didn't know what was the fucken wrong with you is that right? Bitch?

I hate it when someone calls me names this dude is really disrespecting me and big time.

Maeve: Marcus watch your language!

Marcus: He must know that he fucked up big time.

Me: And I regret it.

Marcus: (rolls his eyes) yeah right. Get the fuck out my house.

Yeah I knew this was gonna happen I expected this to happen. I fixed my blazer then rise up from the chair that I was in.

Maeve stopped me.

Maeve: Last time I remember this is my house and I invited you here. Now sit down and have lunch with us.

Me: It was a mistake coming-

Maeve: It's not a mistake.

She looked up at me.

Maeve: Enjoy yourself son.

I volunteered to say grace then we dig in our meals. It was no nice I was enjoying my meal Maeve is a great cook but I know my girlfriend I meant my ex girlfriend was also in the pots helping her mother to cook. I thanked her for inviting me and as I was enjoying my day with Ivy's family her brother ruined it by asking me alot of questions why did I even think of dating her knowing

exactly what I'm up to.

Me: I wasn't up for anything I loved Ivy and I still love her even if she doesn't love me back I understand. What I did wasn't planned I got weak and I couldn't pull out from that weakness shit. I didn't mean to hurt you Ivy.

I looked at her.

Me: And I'm sorry for what I did to you. I fucked up big time by jumping in bed with Callie's mother. I didn't know what I was thinking and I did it not knowing what will happen next. Yes I know what happened I

lost the most precious thing that will never get back to me. I also lost my son or daughter (chuckles) that I will never get a chance to see or bond with because of my mistakes and behavior. I'd like to apologize to Sampson family for breaking your daughter's heart if y'all don't forgive me it's fine I understand.

Marcus: Yeah you better be.

Me: I will leave now.

I think I said enough and whatever I mentioned there I meant it. I said what I was suppose to say and I'm proud of myself by saying what I said to the Sampson's family. I rose up at once fixed my blazer and made

my way to my car, I placed my hand on the door car's handle I felt warm hand on top of mine. I turned to look who was it and it was Ivy.

Ivy: Can we talk?

Me: Yeah sure let's get in the car.

We both moved to the other side of the car and I opened a door for her she got in and close the door. Then I made my way to the driver's side door.

Ivy: Can we take a drive around my hood?

I nooded then bring my car's engine to life then drove out if the yard slowly then got on the road.

Ivy: Why did you do what you did to me?

Me: Ivy I don't know what gotten into me that day. Priscilla got this thing of making me feel weak I don't know what's that.

Ivy: Did you notice that whatever you did broke me?

Me: I know and I really deserve that but I didn't think what will happen later.

Ivy: And you lost me and your daughter.

Me: I should have thought of that before I drove to Priscilla's house.

I glanced at her then shift my gaze on the road.

Me: And I'm sorry Ivy for what I've put you through I wasn't there for you through the pregnancy because of my behavior.

Ivy: It's okay I forgive you.

Me: Thanks Ivy.

I didn't know what to say I feel so guilty.

Me: So does that mean we okay? Like we back together?

Ivy: No.

Me: No? Ivy please.

I pulled over next to the shoulder of the road.

Ivy: Yes Kyndall No. How could I be sure that you won't repeat the same shit again?

Me: I blocked and deleted her numbers we stopped talking for 4 months now after you left me.

Ivy: Mmh I see.

Me: It's okay if you don't want us to get back together but can I atleast be in my child's life?

Ivy: Kyndall.

Me: Yes.

Ivy: I would like us to get back together.

I grabbed her hands and smile.

Me: You don't know how does that make me feel inside. Thank You Ivy and I promise to change if I wasn't good to you all the way.

Ivy: I just want you to stop talking to Priscilla.

Me: she's no longer in my life.

Ivy: I'm happy.

Me: Come here.

She shared a kiss a pretty long one.

Me: I missed you Ivy.

Ivy: I missed you big Kyndall.

Me: I missed alot about you hey the grow of the baby and you gaining weight. I love you Ivy and I'm sorry.

Ivy: It's okay babe I forgive you.

I gave her a kiss on her forehead gosh I missed my wife she will soon be. I missed Ivy I was a mess but now things will change and for good this time. We drove to some mall and we bought ice cream to catch up we had alot to talk about. I missed my woman being in my arms the little kisses we would share I missed alot about her.

ENTRY 29: MRS ADAMS.

## EPILOGUE.

Three and a half years later.

Ivy's POV.

My relationship with Kyndall wasn't how I imagined it would be. I thought he will protect me from hurtful things that will damage my heart but I guess everyone is not perfect right? We all make mistakes. But after that Christmas lunch day everything was going perfectly fine like he promised to be.

Then that taught me a lesson that when you are in a relationship don't expect it to be all perfect all the way. But don't make silly mistakes that will make you lose every beautiful around you. Before you do something consider you partner's feelings. In whatever you do there will always be consequences of it.

My relationship with Kyndall taught me alot to leave room for disappointments. But what I like about Kyndall he doesn't always want us to go 50/50 in most of the stuffs I don't know why, and that gets me annoyed sometimes.

But that's how he prefers it right? And that's okay by me I guess.

A Month later after me and Kyndall fixed our shit I gave birth to a healthy beautiful and cute baby girl named Jemma. I find the name cute and unique. Honestly speaking it's not easy raising a kid you end up losing yourself something like that. A kid can drain you emotionally, physically and mentally but a kid is a blessing from God that we all know.

But after 5 months having Jemma in my life Priscilla came to our house thinking that she is pregnant with Kyndall's child. I was so furious and annoyed at her actions trying to

break me and Kyndall apart. Kyndall asked for DNA and we found out that it's not Kyndall's kid. That's what it is she wanted to ruin every little and big thing that I and Kyndall built.

A year later Kyndall proposed to me at some fancy restaurant I forgot it's name and also bought me a car. I found myself a school but I was studying from home. Kyndall suggested why don't I study at the campus but I needed to be close to my daughter she's the only person that makes me so alive right now. Yes she comes first then Kyndall. And now we are planning our wedding.

Been staring at the magazine for a while now I don't know which wedding dress to choose they are all so beautiful.

Rhea: Have you decided which one you gonna wear for your big day?

I knew that question was gon come up.

Me: I don't know which one to choose. They are all so beautiful.

Rhea: Okay choose your top three and decide.

Me: Can't like I make it 10?

Rhea looked at me and laughed.

Rhea: Your wedding is around the corner and you want to choose 10 gowns?

Me: I can't help it they are all beautiful.

Coetzee: How about you choose your top three like your best friend suggested then on those top three you can choose two. One for the aisle then one for the dance floor.

Coetzee is one of the best designers for wedding gowns in the whole nation. He is the best! I once saw his designs mind blowing. I looked at Rhea after Coetzee's comment.

Rhea: Yeah I like that idea. So what do you say Ivy?

Me: Uhm... Yeah sure.

Coetzee: Awesome then which ones are you choosing?

I looked at the magazine again and choose my top three oh my gosh can't wait for my wedding day and see myself rocking these gowns! I'm definitely buying them for cash ain't hiring a thing. I want to open my wardrobe and when I see them then they remind me the day I was getting married to Adam's family. Later Coetzee left then we drove to this other place to meet my wedding designer. She showed us some

venues and decorations.

Emily: So which one do you choose between London, Paris, Mauritius Beach or Garden of Adelaide.

Those are the name of decorations by the way its not exactly London and all of the places she mentioned.

Rhea: Ohhhh Garden of Adelaide is pretty I like it but I know my best friend is not a fan of flowers

Emily gave a little chuckle.

Me: I like Paris.

Emily: Okay but you know we only got two colors right?

Me: (chuckles) nope I didn't know about that.

Emily: We got White with Floral and White and Gold.

I looked at Rhea.

Rhea: Which one do you like?

Me: Will Floral and White go cool?

Rhea: Yeah it's cool like that mommy.

Me: Yeah I would like White with Floral.

Emily: Great then.

She jotted down on her small book.

Emily: Do you want the Paris stand to be White or Gold?

Me: Gold please.

Emily: Flowers? Daisy or Rose?

Me: White rose right?

Emily: Of course.

Me: Yeah White roses please.

Emily: Great then cool. Red carpet or white?

Me: White please.

Yeah Emily was asking those kinda questions how I would like it to be so that she doesn't make something that I won't like at the end. I want something that will satisfy me please.

Kyn: Hey babe.

He kissed me left cheek while holding our baby girl Jemma.

Me: Hey love.

Kyn: Say hello mommy.

Jemma: Hi Mommy.

Me: Hi baby.

I took her lil hand and kiss it she giggled.

We both made our way to the living area  
there were cartoons playing on the TV.

Me: Where you guys watching cartoons?  
(chuckles)

Kyn: Yeah whenever I change the channel  
she cries. How was the meeting with our  
wedding designer?

Me: It went well I'll just hear from her. So  
when are we paying her? She told me it's  
either before or after the wedding.

Kyn: I suggest we should pay her after the  
wedding or we just gonna take out a deposit.

Me: Alright then, I gave her your numbers she will call and you guys gon communicate.

Kyn: Alright then babe, finally this is happening been waiting for this for my whole life.

Me: I know baby same here, I knew that one day I will have my own family and get married. God is with us and I'm gon thank him for everything he has done for us so far. I have a loving husband and a lovely beautiful and healthy daughter.

Jemma cooed. I kissed her forehead then she giggled. This feels so good knowing that you have a loving husband and a beautiful daughter. This is what I've always wanted in

my life, God is living he answered my prayers and I finally reached my goals. I'm still studying where I've always wanted to be.

WEDDING DAY.

The Only Reason by JP Cooper.

I was in my room with my only best friend Rhea she was holding my beautiful Jemma. Honestly I hardly slept last night I was only thinking about this day. The day where I will be officially Mrs Adams, I wonder how my dress will look on me but I obviously know that it will look fabulous on me. I wonder how my man is, is he okay? Did he eat? How did he sleep? I miss him. I only want to see

his reaction when he sees me walking down the aisle.

Here and Now by Luther Vandross.

I don't have bridesmaids only Rhea is my maid of honor and I'm so cool with that. She suggested why don't I take my cousins cause I don't have another friend apart from her. I don't like them so yeah that's why I did things the way they are right now.

Make-up artist was now done with me.

Liv: I'm done. Take a look at yourself.

I looked at myself in the mirror I smiled gosh I look not myself but ravishing! Wow make up can change your facial appearance hey. She smiled at me.

Liv: Do you love it?

Me: Totally 11 over 10! (chuckles)

Liv: I'm so happy that you love your make up.

Jemma cooed.

Me: I know baby, thank you.

We all burst out with laughter. My mother walked inside our room. I looked at her then

she motioned to me.

Maeve: Take a look at yourself daughter. You so stunning my love. She outdid her work hey! It's like you not Ivy that was always giving me headache when she was still five.

She chuckled and smiled.

Maeve: Now look she is on her wedding gown looking all beautiful. Having a loving husband and a child now getting married. Isn't God great?

Rhea: He is indeed great ma.

Maeve: But I know that Ivy who used to give me a headache she still inside of you daughter. I want to take this moment to thank you for being the greatest and beautiful daughter God blessed me with. I'm a proud mother indeed! I will save some for my speech later on. I love you child.

Me: I love you too ma.

I shed a tear.

Maeve: Oh no baby don't cry you gon make me emotional too. You gon ruin your beautiful make up (laughs) you look gorgeous my darling.

Me: Thank You Ma.

Maeve: Let me leave now.

She took Jemma from Rhea's arms. They said their goodbyes and left. I rose up from my seat then made my way to the full length mirror. I was covered with a white sheet.

Rhea: You ready?

Me: Yes I am!

She slowly took off the sheet my gosh! I couldn't believe it was me. I took my time looking at the person I have become this is lovely. Rhea took her phone out of her bag then we took alot of selfies. I told her not to post them yet.

Rhea: Best friend you look super hot today!  
Dang look at yourself! You ate it.

We both chuckled.

Me: Thank You Baby.

She held my hand.

Rhea: Let me leave you now I have to get to  
the hall now.

Me: Oh yes I know.

She kissed my hand and left the room. After few minutes my uncle walked in to take me down the aisle. He helped me with my dress as we walked out of the room. We got inside the hall but where the main event is the curtains were closed.

So High by John Legend.

The curtains opened then we walked down the aisle. I looked around I liked how it's decorated it was like I'm walking between the clouds making my way to the heaven. It really looked like heaven. Everything was white I looked up and there were some ladies there dressed up like angels I smiled

and held in my tears. It feels so crazy this is me going to get my man, I feel his eyes on me. I felt his warm hand on top of mine. I looked up in his eyes I discovered that he was in tears his eyes were teary.

Kyn: You look so ravishing my love.

Me: (smiles) thank you my boo.

The pastor started with his verses. He kept on crying tears of joy his friend Ace gave him a tissue, I looked at him and I wiped his tears with the back of my hand. We said our vows now it was time to take my man home with me forever this time.

Pastor: In the name of God, do you Kyndall Adams, take Ivy Sampson to your wife, to have and to hold from this day forward. For better, for worse, for richer, for poorer, in sickness and In health, to love and to cherish, until you are parted by death?

Kyn: I do.

Pastor: In the name of God, do you Ivy Sampson, take Kyndall Adams to be your husband, to have and to hold from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, to love and to cherish, until you are parted by death?

Me: I do.

We put on our rings and we both smiled at

each other.

Pastor: I now pronounce you as Husband and Wife you may kiss the bride.

Kyn: Come here baby.

The crowd cheered to us as we leaned for a kiss and shared a long kiss. As we wanted to accommodate our visitors we played Ngeke by Big Nuz we made our way to the other area we danced to the song and it was so great. I enjoyed each and every moment of it. I didn't even know that my man can dance I was laughing at him while dancing too. As my best friend is a pro at dancing she was on the dance floor forgetting that the

wedding is mine. Everyone was up on their seat gyrating to the music that was playing on the speakers. Flash lights were in the air I would also do the same capture good memories and make sure I don't loose any. I looked at everyone who was so happy for me and Kyndall. I looked at my man who was looking happy, I want him to stay happy like this each and every day. Every time he knocks off from having a long hectic day and he finds me at the kitchen preparing lunch for him, I want him to say now I'm home.

We all got on the dance floor as Rhea came up with some dance moves for everyone. Music bursting out of the speakers what a

lovely day! I am now Mrs Adams and I must say it's feels good and Will always feels good having my husband by my side and my lovely daughter Jemma. I'm so ready to take this journey with my husband and I thank God for everything he has done for me so far and will thank him always.

THE END.
