Me: (Chuckled) "You are Crazy Mpilo"

I said that as I took a glare on her, who would have known that I would be so much happy with a woman instead of Advocate. Advocate was my first love despite of all the One night stands I used to have.

"DaddyN can you please drop my friend eRess"

"Where's that friend...?"

I walked in as they all looked at me

Snegugu:"Here's my friend Tata"

I glared at this Greek God in front of me.... I'm so losing my breath a little by little. Did he have to be this Hot...?

2

NANDIPHA

'Come on Nandi he's your friend's father' my mind Instantly betray me but again I brushed that thought of him as a Greek God. My Grandma would be so much disappointed at him and besides he's way older than... I don't know but yet he looks like he's in his early twenties

Me:"Uhhh Good evening sir"

He looked at me a little then shifted his eyes to Snegugu

Him:"Evening,Uhhh it's Ohk my baby I'll drop her off. Go and get your things"

Snegugu:"Thank you DaddyN,i owe you one"

I wonder what is the story behind this family because I think there is a lot of Drama

Mr Mabaso:"Nkazimulo.."

Zimulo:"No Nqaba,i still don't like you so please"

Mr Mabaso:"You weren't there when all this things happened,I don't know why you are still mad"

Zimulo:"You can't talk about that here,some people should not hear such news"

We walked over to his car climbing in as he drive off.

Snegugu:"Say its not always like that wena Lwande, you are just so stupid"

Snegugu:"Its Alwande DaddyN"

Zimulo:"I don't care who it is,just you are making noise"

Snegugu:"I'm sorry"

Alwande:"Sorry Mr"

Zimulo: (Chuckles) "We are here"

He said stopping the car

Me:"Thank you"

I climbed out as Snegugu came out to hug me

Snegugu:"I will see you Ohk"

Me:"Ohk Good bye"

She climbed in the car as it drives off

My phone rang as I tried to sleep but I couldn't.

\*\*\*\*\*

I woke up so early. I want to go to the shopping Complex for grocery. I know that Gugu doesn't mind when I eat her food Korea I must have my own Food.

After fixing myself, i walked up to the taxi rank.

o

"Sorry sis I, you dropped your purse" I looked up to find this guy. He was really handsome but then he's not a Greek God. I admire their mother's. How could one give birth to such a charmer

Me: "Thank you"

Him: "It's okay but you owe me"

Me: "Mmmh"

Him: "A dinner date, just for saying thanks"

Me: "Oh Ohk then, im Nandi by the way"

Him: "Thabo I'm Thabo"

Me:"It's just a dinner Gugu

Snegugu:"That's a story for another day"

Me:"Oh"

Snegugu:"Yes"

I was asleep when I heard a knock,I went over to the door as I came across with Gugu's DaddyN

Me:"Uhhh Good evening sir"

Zimulo:"Evening, Where is Snegugu...?"

Me:"Oh she went out to buy something to eat but she might be on her way back"

Zimulo:"Oh Uhhh I will wait then"

I shifted as he got inside and sat on Gugu's bed

Me:"Can I get you anything to drink..?"

Zimulo:"Uhhh no I'm fine,"

Me:"Ohk"

This guy is really a Greek God. He's so clean and very Unique. I kept on stealing glares on him as he was typing on his phone

The door opened as Gugu's walled in

Snegugu:"DaddyN"

Zimulo:"My baby,how are you..?"

Snegugu:"I'm fine,what's wrong..?"

Zimulo:"I came to see you but it seems like you are busy"

Snegugu:"I would never be busy for you"

Zimulo:"Ohk Uhmm let's go"

Snegugu:"Yes,DaddyN took me out and I lost the track of time"

Me:"Oh it's Ohk,We don't have classes today"

Thabo:"I'm good,I can't wait to see you"

Me:"Me too,I can't wait"

Thabo:"Look my heart I'm driving.. I'll call you later"

Me:"Thabo.."

Thabo:"My Heart... You look beautiful"

Tears streamed down my cheeks,I shouldn't have agreed to this

Thabo:"Don't do that,give me what's mine"

Me:"NO.. THABO NO..!!!"

Thabo:"I want to taste you,you can't just spend my money for nothing"

I was still trying to push him but he was so strong. He teared up my dress leaving me with my panties as he quickly Unzip his Jean while pressuring me with his Knee

Thabo:"I couldn't wait for this day,you are so beautiful.. My African Queen"

He forcefully kissed me as the Door was pushed open and a punch landed on Thabo's face

I immediately jumped to this person hugging him. In this moment I didnt even care if I was naked. I sniffed as I could smell my Hero's perfume while sobbing and it was him... My Greek God

NANDIPHA

I woke up as I looked around and I was in a fancy hotel. I panicked as i thought about what happened Yesterday, what would have if my Greek God didn't arrive..? Snegugu told me about Thabo but I couldn't believe it. I sighed as the door was opened and my Greek God walked by

Zimulo:"Are you Ok..?"

Me: (Clear Throat) "Uhhh I...I'm fine"

Zimulo:"Here... Go and freshen up I'll be back with your breakfast"

He said that handing out a plastic and I took it from him

Me:"Uhhh Thank you"

Zimulo:"You trust so easily,don't ever do that again" he said that walking out.

I sighed as I walked over to the bathroom. I took a bath then walked over to the bedroom. I glared at my phone on top of the table and I took it as I dialed my Grandma's number

Me:"Gogo"

Gogo:"My daughter,I've been trying to call you last night are you Ohk"

Zimulo:"What"

Me:"You've been staring at me,say whatever you want to say before you kill me with your stares"

Zimulo:"Why are you so stubborn huh...?"

Me:"I-I'm Stubborn..?"

Zimulo:"You don't just go out with a person without doing research about him... All we know he might be a serial killer"

Me: (I looked down playing with my hands) "That didn't cross my mind"

Zimulo: (Sarcastic) "Yeah right"

Me:"How did you find me anyway...?"

Zimulo:"That's not important,eat up we have to go"

NANDIPHA

I pushed him as I quickly ran to my room. I inhaled as I thought about the kiss... He's my friend's father. I cannot be in love with him. I heard a door knock as I got moved away from the door walking further to my bed.

Zimulo: "Can we talk please"

Me: "Go away, I don't want to talk"

Zimulo: "I... I'm sorry about what happened it was a total mistake"

Me: "Yeah it was a mistake now go, leave me alone"

Zimulo: "Not until we talk please Nandipha, just... Few minutes"

I sighed as I walked over to the door. I opened it as he made his way in, closing it behind

Zimulo: "Look, I know what I did was wrong and I'm sorry"

Me: "It's Ok but please don't repeat that"

Zimulo: (Smiles) "I won't promise you that because Uhmm... Y... I like you"

Me: "Uhmm I think you should go right now before Gugu comes back"

Zimulo: "We are still talking"

Me: "No you have to leave...!!! And I think you should let me be because I don't w-"

I was shutted up by him kissing me. He squeezed my breast as his other hand made it's way to my waist. I moaned as I moved my hands to his neck.

Zimulo:"We should Stop"

Me:"No No No please... Please"

Zimulo:"Are you sure...?"

Me:"Yes I'm sure"

He kissed me as he left wet kisses moving to my neck

—

—

—

Moving forward, his fingers pulling back my hair like torn silk, he ejaculated, disappearing into me. I crooked my finger, motioning, and he bent down and put his mouth on mine

I couldn't get enough of him. I was tired and sore but I didn't care. I didn't want to sleep. I wanted the ache. I wanted him in me, all the time. His weight on top of me. I wanted to squeeze him in further and further. I wanted to watch his face. I wanted his sweat to drop onto me. I wanted to drop mine on him. I got on top of him. I'd never done it before. I couldn't really believe it

I was inventing something. I held him and put him in. He felt deeper in me. I'll never forget it. I held his hands down. He pretended he was trying to break free. I let my tits touch his face. He went mad; he bucked. He split me in two. I pushed down. I couldn't believe it. One of his fingers flicked over my bum. He lifted and heaved. There was no end to it, no end to the new things. He did something. I copied him. He took me from behind. I pushed back, forced more of him into me. He licked me. I made him come on my stomach. He sucked my toes as I moaned so loud

Me:"Mmmh Z..Zimulo"

Zimulo:"Oh baby you are so tight"

\*\*\*\*\*

I woke up as I looked on my bed side.... There he was looking so handsome. I could not believe I did all that. Telling the truth I don't know where it comes from. I just became free as my body did all the job. Yes I watched porn videos with Snegugu and I almost did all the things they were doing though I'm not sure if I was good.

Zimulo:"Stop Staring at me"

I was bought back from my thoughts by him... His sweet Commanding voice

Me:"Uhhh I... I... I think you should go"

Zimulo:"I should go...?"

This was all wrong. What if Snegugu walked in on us...? What if someone heard me...? Having sex Here was against the University policy and I broke the damn law

Me:"Yeah,Snegugu is not yet back maybe she's at Mr Mabaso's house so go"

Zimulo: (Clear Throat) "I'll leave"

I'm done with all that because I broke a promise that I made to Grandma.

Gogo:"Ohk go and eat,i have some amazing news to share with you"

They say the ceremony must be held in the Sililo household in respect of her late mom because She's part of this family as it was introduced to the ancestors

Mr Mabaso:"Let's go in,The ceremony will be held tomorrow since things are done differently"

They said Sne is from Royalty because of Advocate. Since she was a Chosen Queen,Snegugu is a Royal Princess crowned as the Sililo. Then she's a Mabaso because of her biological father

We walked inside finding the whole family at the table. My heart Sinking when I saw this beautiful lady next to Nkazimulo so I quickly looked down

NARRATED

Nkazimulo stood there as he looked at his wife crying and begging him to save her. He had no choice though because every time passes with Mpilo getting worse than before. He tried avoiding that but it was reality

Doctor:"She will be fine man don't worry"

I sniffed as tears streamed down my cheeks

Me:"I have failed as a man,I failed my family"

Doctor:"It's not your fault "

Nkazimulo looked away when they cuffed Mpilo with her screaming 'WHERE'S MY BABY! THEY TOOK MY BABY

NKAZIMULO THEY TOOK HIM' that alone made Nkazimulo to think that he really failed as a man

He walked out of the hospital wiping off his tears. After he got inside his car, he drove off not knowing where he'd going until he found himself at Church. He got inside as tears started to fall again

He kneeled down next to the cross sobbing so hard

Nkazimulo:"Oh God! I know I don't come to Church but I ask you today to heal my Wife"

He wiped his tears but they kept on streaming down his cheeks

Nkazimulo:"God you took My wife! The love of my life What More do you want huh! What the FUCK do you want"

He continue sobbing

Nkazimulo:"Why don't you make me crazy huh!? Why My Wife? Why her? Why not me Instead!?"

He kept on sobbing as all the events that took place played in his mind from the day he found Advocate so pale and cold

Nkazimulo:"Please God! Please Heal my wife and I promise you that I'll be a better Man! I would change for her to have a better life! I will go to Church God I'll believe but please heal my wife"

He closed his eyes as sobs escaped his mouth

-1 Thessalonians 4:7-8

7 For God did not call us to uncleanness, but to holiness. 8 Therefore he who rejects this does not reject man but God, who has also given us His Holy Spirit.

Learning to live a clean life is all part of being God's child

We are probably going to have to let some old habits go and pick up some new ones. We may have to let go of certain friends, as well as those things that affect us

Changing our stance in life will cause us to change our surroundings. We may no longer feel comfortable being around certain situations or certain types of activities. We may find ourselves troubled or getting irritated

This is not a bad or negative thing. It is normal. It is the voice of the holiness speaking to uncleanness saying 'You are no longer welcomed here any longer' And we can't reject the Voice of the holiness

When we become God's Child it will feel like we are more conscious of our behavior and actions. We will be convicted strongly at times... it will cause us to me Miserable

If we let Holiness live and speak to us, and we follow that leading, we will remain in the peace of God.

Philippians 4:7 and the peace of God, which Surpasses all understanding, will guard your hearts and minds through Jesus Christ

I giggled as his soft hands traveled under my feet

Me:"I'm so Proud to call you mine Baby"

Romeo:"Baby stop it"

Romeo:"You are talking like You are dying or something"

I chuckled

Me:"Is it wrong to remind you about my love for you?"

Romeo:"No but you're saying it in another tone like you are leaving me"

I giggled

Me:"I Wouldn't try to leave you"

Romeo:"I-"

A door shut opened as a lady I think in her early 40s walked in finding us cuddling. Romeo looked up

I looked up to this woman as I couldn't hear it so clearly when she said 'She's your sister' part. I mean who's who's sister

Ma:"She's your sister Romeo"

Romeo looked at me then his mother

Ma:"Things happened back in the past Romeo, Somethings that your father doesn't know about"

Me:"Ma... What do you mean that im ypur Daughter?"

I asked so curious as I looked up to her

Me:"Nandi please don't go,Please my baby I can't lose you again"

She closed the door behind as Tears fell down my eyes

I sob as I looked down

Me:"Please forgive me my son,I didnt even k-"

Romeo:"Phuma"

I looked at him before making my way out

—

I sat on top of the bed as all the things that happened in the past flooded through my mind

[FLASH BACKS]

I ran home as I just got back from the school to fetch my results. I knew that I made it because I was actually a smart learner. I got home finding my mother knitting as always

Me:"Mama! Mama I Made it!"

I said jumping up and down looking so excited

Ma:"Oh Mntwanam I knew it that you will pass and I made your favorite dish"

I smiled as I walked over to the kitchen

Me:"Thank you so much Mama"

Ma:"It's Ohk my baby,I want you to be happy you really worked hard"

I took out a plate as I dished up my Meal. I knew that Mom went through a lot just to cook this meal because we would only eat this at the end of the month due to our financial problems

Me:"Yebo I worked so hard Ma,I always wanted to become a Businesswoman and have a lot of money"

Mama laughed a little before turning up to look at me

Ma:"Work more harder than before Mntwanam and make me proud"

Later that day I got a letter from University saying that i have been accepted at UP. I was so happy,Studying at University was always my dream .

I couldn't wait to tell my boyfriend,Sakhile I called him immediately for us to meet

Me:"Sakhile I've been accepted at UP

Advertisement

I'm so excited baby I can't wait"

He looked up to me with nothing but love

Sakhile:"My Love, i want you to promise me something"

I looked at him as a frown formed on my face

Me:"What is it my love"

Sakhile:"Promise me that you will not change baby,promise me"

I smiled before planting a kiss on his lips

Me:"I Promise"

\*\*\*\*\*

Weeks went by and things changed a lot, I was gaining weight and had weird cravings. I got used to that until Mom go inside my room

Ma:"WeNelisiwe se uyaJola"

I looked down shaking my head 'NO'

M:"Don't tell Me that,I know that you are Pregnant"

I looked at her so shocked

Me:"I'm not Pregnant Mama"

She sighed before taking a sit next to me

Ma:"I'm a mother Nelly and I know a pregnant lady when I see one so who's your boyfriend?"

I looked down playing with my hands

Ma:"Nelly I'm taking to you"

Me:"It's Sakhile ma"

Ma:"Do you realize What you have done Nelly? You can't go to University"

A tear escaped my eye,I have disappointed her

Me:"I'm sorry Ma"

—

After telling Sakhile about my Pregnant,he was so supportive and very loving. Sadly he had to move to Pretoria to Study while I was caring his seed and finally after the full Nine Months I gave birth to a handsome baby boy

And I Named him.... Romeo

\*\*\*\*\*

Things were good between Sakhile and I all with our baby boy. Our love was so strong Even though he was far from the Village but we always call each other.

Two years past and at the beginning of the third year... I had to save up money so that I can go and finish my studies the next year.

I woke up so early as I took a bath and fixed Romeo's bath. I had to go and work where Mother was working because she was sick that Day

Me:"Mama are you sure that you will be fine noRomeo?"

I asked so concerned

Ma:"I'll be fine My daughter he's not much of a trouble"

Me:"Ohk"

I kissed Romeo's cheek

Me:"Mama loves you boy"

Romeo:"I loves you too Mama"

I can't believe that I have raised such a gentleman. He's Three years but he's so smart just like me and his father.

—

I cleaned so well as I saw a human figure behind me. As I turned only to find a guy around his late 20s while I'm just 20.

The guy walked over me as he smashed his cold lips on mine and his hand held my waist. I tried to push him but it was too hard. He pushed Me on the bed without saying anything and he unbulk his belt. A Tear escaped my eye as I looked straight to his eye.

He quickly inserted his hard dirk inside me as a sob escaped from my mouth. I couldn't even believe it that he's doing this to me.

I couldn't even push him away. After he satisfied himself he got off me as he walked away. I didn't even know the guy but I knew that he was from the family that My mother was working at as a Bloody Domestic Worker.

I was Raped by an Unknown Dube Man

—

Few Mouths passed without talking about this to anyone. I couldn't even face my mom. Let alone take care of my son. Things got hard as I ended up depressed

I got help after Few Weeks as I got back from my normal self. Months passed as one night I felt a sharp pain on my back

Mom didnt say anything Hence she asked a neighbor to drive me to the nearest hospital

I was so shocked when they told me that I'm giving birth

After spending Nine Hours in a Labor room, I gave birth to a baby girl and Named her Nandipha

—

Two days passed as we were both discharged. When we arrived home, I texted Sakhile that I'm coming to Pretoria and he had no problem with this so I took everything that belonged to me and Romeo and ran away from the Village

Life with Sakhile was so good that he ended up proposing after his Graduating.

We got married and had another baby and named her  
Thembelihle

I had always received Pictures of Nandi from Ouma since she's  
the only one who knew about me

I haven't even try to tell Sakhile about Nandi. I didn't want to  
mess up our Married,I was so afraid to loose him because I only  
had Him.

[FLASH BACK END]

I sighed as I wiped my tears away, I know she's my daughter I  
felt it but what will I say about Her father since I don't Even  
know him

I ran as fast as I can until I saw the houses far away from me. I sat down as tears escaped from my eyes. I folded my arms as a sob escaped too.

'Don't cry'

I looked up trying to find this voice but I couldn't see anything. I tried wiping my tears but they kept on escaping.

'Ungakhali'

I looked up only to find a beautiful lady next to me

Her:"Don't cry Please don't cry"

I looked at her as a frown formed on my face

Me:"You don't know what I'm going through,you don't!"

I sighed looking down trying to wipe my tears

Her:"I've been through worse,this is nothing"

Me:"What do you mean it's nothing,who are you?"

Her:"Don't worry about who I am, I want to tell you a story"

She walked over me as she sat down bringing my head on her lap

Me:"What is that story?"

I sighed closing my eyes

Her:"The was this lady named Advocate,she lived with her mother and Sister... Her mother never cared about them until one day she sold Advocate to a certain Kingdom to marry a prince"

I opened my eyes

Me:"Wow that's so hectic"

Her:"So much hectic,Things happened... Bad things but she was so strong yet naive but she leant so much from her mistakes"

Me:"I bet she did"

Her:"Yes she did,she leant that she had a gift,A spiritual Gift"

Me:"Wow,I wish I had a gift maybe my life wouldn't be like this"

Her:"Everything happens fro a reason"

Me:"Yeah I guess"

Her:"As I was saying... She felt in love with some guy and they got married but they weren't meant to be together so he showed her flames and they divorced"

Me:"That's so sad"

Her:"It wasn't sad because it happened for a reason either"

I sighed as I closed my eyes taking a deep breath

Me:"I guess its not hey"

Her:"Yeah, she moved to United Kingdom with her children and started a new life but I hit hard when she slept with her soulmates's brother but that didn't stop them to fall in love"

I got up from her lap looking at her

Me:"Then she lived happily ever after,that sounds like a fairytale or something like a story"

She chuckled looking at me

Her:"You can write a Story about Her"

I smiled looking away

Me:"Yeah,mine too"

Her:"You have to go back home Nandipha,home to your grandma she's worried its been a year and some few months stop being selfish"

Me:"I'm scared "

She smiled at me as I turned to look at her

Her:"I know but it is the best you could do Nandi"

I sighed

Me:"I'll think about it"

Her:"I'm glad now go back The little Prince need you"

I laugh as I stood up and she did the same

Her:"Now go,and everything that is coming on your way is meant to be but at the end... You will find your happy place"

I smiled at her

Me:"Thank you Sisi"

I turned as i walked away

Rome:"Nandi,I'm sorry about everything that has taken place"

I looked up to him as I swallowed hard

Me:"I guess we were really not meant to be lovers Romeo,I really don't know how to react to the situation"

He looked at me as tears formed on his eyes

even though he tried to fight them but you can tell that he's so hurt

Romeo:"But I love you Nandi"

I looked at him as a tear escaped from my eye

Me:"I know Romeo but we cannot change the fact that we are siblings"

He just smashed his cold lips on mine,I tried to push him away but he held me tight as I ended up responding to the kiss. After a while we pulled out as I tried to cool down

Me:"We have to accept each other as siblings Romeo"

He looked at me as he walked over to my bed as he sat down with his head buried in his hands

Romeo:"It's hard Nandi... Harder than you think"

I sighed as I walked over to him

Me:"I know Romeo but can we please let it go,let it all go"

He looked at me as a tear escaped from his eye

Romeo:"I will try,though it won't be easy"

Me:"Ngiyazi kodwa Kuzolunga"

She looked at me once more

Mrs Molapo:"I understand you Nandi,you've been through a lot and I hope you will go back to school"

Me:"I hope so,i also want to make Koko proud Mrs Molapo"

She smiled a little

Mrs Molapo:"She will be so proud"

I released a heavily sigh

Me:"Though I'm nervous,I don't know what to expect when I get there"

Mrs Molapo:"Just be yourself,I think your Grandma loves you enough she will forgive you"

Me:"I hope she will"

Grandma: "Nandi is this you?"

Grandma: "Oh Mtanam come in"

She said that as she made a way for me

I got in as I looked around, The house didn't change a bit. I guess I'm amazed by it

Grandma:"Nandi where have you been,who is that child on your back?"

She asked settling down the chair

I took Blessings as I held him by my arms

Me:"It's my baby Gogo"

Her mouth formed that 'O' as she looked at me with nothing but shock

Grandma:"Nandi unomtwana?"

I looked down as a tear escaped my eye

Me:"Things happened Gogo for the past few Months,my life has been so hectic"

Grandma:"What is it? What happened?"

I sighed looking up to her

Grandma:"Oh bawo... So what happened to you Nandi? Why didn't you come home?"

I was woken up by the sun reflecting through the window making me to turn to the other side. I know that I must get ready for school but I'm tired. More especially that I miss my son. It's been few weeks since I've moved to Johannesburg but I really miss him

I sighed before getting out of the covers and walked over to the bathroom. After doing my hygiene process I walked downstairs as I came across with My flatmate. Yes! I've been staying in a flat so far with my flatmate... Anzani she's a Venda

Me:"Good morning Anzani"

I said that walking over to her as I took a kettle filling it with water

Anzani:"Nandi, How are you?"

I smiled as I plugged the kettle turning it on

Me:"I'm fine,how about you?"

Anzani:"I'm fine, but we have a problem"

I looked up to her

Me:"What is it?"

Anzani:"The landlord wants her money,you know how she is"

Me:"Oh God,and I can't ask Grandma money because she really needs it"

Anzani:"I suggest that I m-"

Me:"Look for a job? I know"

I said that rolling my eyes

Me:"But I'll also look for a job,you can't work alone"

Anzani:"I so wish my Bursary covers everything"

I sighed

Me:"I know right! but I hope we will get the job"

Anzani : "Yeah I know we will"

Me:"I'll be looking for a job after my classes so you won't find me here"

Anzani:"Ohk"

I knocked a while until a beautiful lady opened the door. She smiled at me before she sighed looking at me

Lady:"Uhhh How can I help you?"

Me:"Well I'm looking for a job,and I can take anything it's fine"

Lady:"I'm sorry but I have no job to offer you"

She said that looking at me

I said looking down so disappointed,I thought I will surely find a job here but I guess I was wrong

Lady:"But I can offer you one"

I looked up too quickly

Me:"I can take anything"

Lady:"I'm Katlego so you can call me Katlego"

Me:"You have a daughter?"

She doesn't look like she has a daughter or any child at that matter, look at that ass not minding the figure.

Katlego:"Yes you will love her,she's just a humble soul"

I smiled
