.INTRO

.

.

I sat down on the bed and took off my shoes. I stood up and took off my dress. I took off my undergarments and walked to the bathroom. I looked into the big mirror ,for the 1st time this year. I didn't like what i was seeing at all. It is true. It's all true. I got into the bathtub and closed my eyes with tears streaming off my face to the water. She's better than me. She thin and beautiful and I'm the total opposite of that. I'm fat and ugly,so they tell me. I've learnt to believe that from the age of 13 and now I'm 23. 10 years later I still believe it. My mother always

told me I embarrassed her. She wished she had aborted me or something..

Nothing hurts like being rejected. Nothing hurts like being judged. Nothing hurts like being told what you should do to CHANGE yourself, become someone new because of how you look. I was born like this. My father says he loves me like i am but I don't even believe him. He knows I'm disgracing him..

~

~

I'm Zamokuhle Hlatswayo. I'm a 23 year old nurse. I live alone and I like it. My own space and I'm free of judgemental people. I'm an introvert and I've always like isolated and peaceful places. I love a lot of things except the body I was given..

Living in isolation can also give you bad thoughts. I myself have thought of suicide. Suicide in many ways. I have tried an attempt of poisoning myself but there's always someone helping me. I have one close person who I met 2 years ago when I got the nurse job. She's Sindi and is a really outgoing and loves going outdoors. A total opposite of me. She has a nice model thin body that intimidates me a lot sometimes when I'm out with her..

I have had a boyfriend who chose someone else over me. It was back in highschool though on prom night. She was a thin version of KimK and was really beautiful..

.

.

I got out the bathtub, drying myself up. I didn't wear anything but just wore my gown. I headed to the kitchen and there I made a healthy tuna

sandwich. It's been 3 months since I've started this diet. Nothing much has changed. I do go to the gym and my father got me a private coach so that I won't feel uncomfortable around people in the gym or worse..embarrass myself..

...

...

I dressed up in my gymwear then went out for a run. It wasn't that long but I've gotten use to it. I got back and drank a smoothie then changed and went to the gym. The gym is not that far from my house so I run there. I got there and as always we start with warm ups..

..

..

Didi comes to fetch me and we drive listening to my favourite song by Ella Mai_Love me naked..

Since I was knocking off early I decided to not have my lunch today. During my rounds, I got a call from Sindi..

*

Me:"hey Didi"

Didi:"hey Zaza, you free?"

Me:"always.. You know that"

Didi:"great, there's a club" opening, wanna come?

I kept quiet..

Me:"no.."

Didi:"please! Come on"

Me:"no Didi, can I get back to work now?"

Didi:"I'll pick you up when you knock off, be ready by 7, theme is all black"

Me:(I sighed)"Didi please..(ti ti ti) Didi?
Sindi??..urgh!!"

..

..

Sindi is that kind of friend/person that takes no for an answer. She is very cautious about what she eats though but drinks alcohol and wine like a fish..

..

..

Knocking off time,I changed and went to Didi,who fetched me and took me home,where I took a relaxing bath and got dressed in a black-above-the-knee black tight dress and 5 inch heels. I put on some makeup and red lipstick then took my black clutch bag..

I really looked good no lie. I look good in clothes though sometimes I get discouraged because of how thick I am..

*

"Wow! You look naturally beautiful my F!"

I shrugged

Me:"Thanks I guess,we're coming back at 10,I'm already sick about"

"10? Wahlanya!(You're crazy!)"

Me:"ang'hlanyi Didi(I'm not crazy Didi),I really have a bad feeling about this whole party"

"My F,the world is not as bad as you make it"

I looked at her with my eyes squinted

Me:"how would you know? You're perfect "

"Don't do this to yourself Zamo,you're beautiful"

Me:"let's go,we're wasting time.."

*

Me:"this is totally not what I thought it would look like"

"It's a party F,now come on!"

The music was loud and worst of all,it was some kind of pool party in some mansion. People have it nice yong. She dragged me inside the house, looking around for something or someone..

Me:"what or who are you looking for?"

"My boyfriend"

Me:"you have a boyfriend?"

"Yes F I do,now help me look"

Me:"I don't even know how he looks"

"Just look for an extremely hoot! Guy"

I looked around and saw 2 guys and one had dreadlocks..

They were hot

Me:"Is that him?"

"Ahh!! That's him!"

She ran to him and hugged him. He looked at her irritated..

I walked away instead of going to her. I looked around,walking around and spotted a kitchen..

*

"There you are!"

She said,walking in a swimsuit..

Me:"woah,when did you change?"

I asked looking at my watch..only 1 hour to go and then I'm out of here..

"I just changed now,Banzi just invited us to the

pool"

Me:"wasn't this supposed to be a new club opening party??"

"It was like 2 hours ago but he didn't end the party there,he came here"

Me:"oh?"

"Yeah! Now come and let's go get you changed"

Me:"changed??"

"Yes! Obviously you won't be able to swim with that outfit"

I laughed..

Me:"don't scare me like that Dee,please!"

She looked at me seriously

Me:"no!"

I took another bottle of bottled water and drank..

"Water at a party?? Could you get any worse??"

I shrugged and looked at my watch..

"Why do you keep looking at your watch??"

Me:"just checking the time to see when we're leaving this party"

"Oh wait..you can get worse!"

She came and dragged me to a room.

Me:"gosh! I'm seriously getting tired of you dragging me everywhere around this house!"

"Get used to it my F"

I rolled my eyes as she let go of me and went to her bag. She went through it then took out a plastic and inside the plastic took out a swimsuit..

Me:"I said no Sindi!"

"My F,one way or another you have to live live to the fullest! YOLO! You might die tomorrow and what interesting and actually fun thing have you done with your life??"

Me:"I..I"

"I'm begging you keh,please do this for me and you'll never ever have to wear it.."

I sighed and sat on the bed and looked at my watch..30 minutes of wearing a swimsuit, maybe it won't be that bad..

*

I'm still inside the room. Oh the swimsuit? I haven't tried it on yet,I'm looking for a towel. I've already showered and used the shampoos and lotions here,Sindi said it was Banzi's and he won't mind..I hope but I hate the fact that I smelt like a man so just to delay, I peeked out the door..

Me:"Sindi?!(I whispered)Sindi?!(I whispered again)"

She came to me smiling..

Me:"borrow me woman toiletries in this house"

"You mean you haven't changed?!, yoh baba wam(oh my god)"

Me:"I'm serious, I won't go out this house wearing a swimsuit smelling like some man"

"Fine! I'm coming back"

She left and I closed the door and breathed out,soon I'll be out of here and in my bed,drinking hot chocolate. It may be abit hot but I'm addicted to it..

Unfortunately Didi did find some woman lotions and shampoos. I took a 5 minute shower and lotioned my body. I wore the undergarments I came wearing and stood, looking at the swimsuit. I picked it up and wore it. Surprisingly it fit perfectly though it was revealing. It showed my big, fat yellow/caramelish thighs., my butt was perfectly round and that got me feeling a strange way. This is my first time wearing a swimsuit..

*

I opened the door and called Didi. She came smiling and I pulled her in quickly and closed the door. I went to take a towel and wrapped it around my lower body, my boobs were a full cleavage..

"Hayi! No! What are you doing?!"

I looked at her like duhh

Me:"uhh,covering my lower body"

Didi:"for the why?"

Me:"Didi this thing is too revealing"

Didi:"Zamo,it's a swimsuit, not a long jumpsuit!,it's supposed to reveal"

I sighed and dropped the towel..

"Thank god! I thought we we were going to stay here arguing over a swimsuit, come let's go!"

She dragged me but I slapped her hand off..

Me:"stop dragging me I'm not your dog!"

She rolled her eyes..

"Let's go"

*

The nerves kicked in but Didi said I shouldn't

worry. She went to a group of men and women and I was surprised. I don't really know any of Didi's other friends but I do know she had more company..

"Guys hellooooo!!!"

The music was still very much loud..

"Hey!!!"

They said focusing on me. My head was bowed
I'm a shy way

"Well,y'all guys remember the girl I told y'all
about.."

Girl:"The fat one? "

Ouch! She said that with an attitude and a
bitchy tone..

Didi:"Fuck you Amanda! And no! Not the fat one
bit the beautiful thick one!!!"

I blushed..

"This is Zamo!?"

Asked some deadlocked girl

"Yep! And she's going to join us for the night!"

I looked at her then looked at my hand. Fuck! I forgot my watch! I forgot my waaatch!! But I remember yelling myself that maybe 15 or less minutes are left..

*

Chilling with Didi's friends wasn't much of a boring and uncomfortable thing to do but it also wasn't fully enjoyable since Amanda and Feroza were acting really bitchy..

Let me introduce them. They're couples too..

Boys: Girls:

Sandile. Bontle (couple)

Banzi. Sindi(couple)

 Angela(single)

Amanda(single)

Feroza(single)

Anga.(single)

Bonga(single)

Danzo.(single)

That's it..but one was said to have just left. His name was Quinton and oh he was the guy I saw shouting at Banzi. Apparently he's Banzi's brother..

Mr Dreadlocks

*

Swimming isn't my thing and definitely won't be on the list of my 'what am I good at'. I almost drowned bruh! Angela suggested that I use the floatees that were in the pool. So right now I'm sitting on it having a glass of wine chatting to Sindi,Angela and Bontle,the girls who actually like me..

-

Me:"I was depressed about what happened but now that I think of it,I'm over it"

Didi: "I've been telling her to see a therapist, it's not good to bottle up emotions or deal with them yourself"

Angie:"some people have their own way of dealing with things"

Me:"that's what I said..anyway let's change the topic..what's up with Manda and Roza acting bitchy towards me??"

Angie:"hayii don't mind them,they're like this (she put two of her fingers together, gesturing that they're close)"

Didi:"what's wrong Bontle,you haven't said a word?"

She sighed

Bontle:"I think Sandile is cheating"

Didi:"Amen!"

We all looked at her

Didi:"yini?(what?)(she turned to Bontle) girl
leave him! I've said this line a lot of times to you
but you don't listen.."

Bontle:"I love him Didi!"

Didi:"and that same love is going to get you
miserable your whole life..!"

Angie:"it's really tough y'all but what makes you
think he's cheating?"

Bontle:"I do laundry my girl"

We sighed

Didi:"hayi I'm leaving y'all and moving to
Manda's group if y'all are going to be yapping
about sappy stories,we'll deal with the bitch
after the party!!"

We laughed

Me:"(I took a sip of the wine) this tastes good though I'm starting to feel a bit dizzy"

Angie:"first drinkers! You'll get used to being drunk girl don't worry!"

Bontle laughed

Bontle:"you've never drunk any alco before?"

Me:"alco is not for me,at least that's what I thought before sitting here and key asking for refills"

They laughed

Amanda:"mmhh it's nice we're having chats with man stealers and whores,couldn't have put it in a better way"

Angie clicked her tongue

Angie:"what the fuck do you want?!"

Manda:"oh shut up man stealer!"

---MORNING---

*

I woke up feeling like I was run over by a train. I groaned as I felt really nauseous. I ran to the bathroom and let it all out. I don't think adding Mojitos and moets to the wine was a good idea. I drank like a fish yesterday and well..here are the results..

I cleaned my mouth and took a shower. I lotioned my body and wore the clothes I came wearing yesterday. I didn't even care that I wasn't in my apartment, which reminds me,I have to look for a place to stay but I know I'll rest the whole day today,I'm going to work tomorrow..

I took my bags and watch and checked if everything was still there and luckily everything was..

I went downstairs and found Banzi drinking coffee on a phone call. I really wanted to turn back but he had already seen me and to turn around would be a bit..I don't know..

*

I went to the fridge and looked for water but only found beers here. Who the fuck in their right mind wouldn't keep water in their fridge?!..

When I turned Banzi was looking at me

Me:"hi.."

Banzi:"hey..Zamo right?"

I nodded

Banzi:"wow you're beautiful in daylight "

Me:"uhm thanks"

Banzi:"pleasure i-"

"Morning babe!"

Said Sindi kissing his cheek

"And morning to you Zamo! Wow already dressed?"

Me:"no I'm already naked what do you think?"

Didi:"yoh! Lighten up my F,oh gosh I need metsi(water)"

She opened the fridge

Didi:"Thixo wam(my god)! So many beers and not one bottle of water! Mara uQuinton"

Me:"well let me say goodbye to everyone then leave"

Didi:"leave?"

I nodded

Me:"it's bad enough I slept here"

*

After saying my goodbyes,I caught a cab to my place and immediately changed to my gym wear and went to run 30 minutes then headed to the gym. After my session,I went home and changed to simple tights and a T-shirt and my flip-flops. I was lazing around on the couch, I fell asleep 2 times today and now I didn't feel like sleeping..

Another day,I do my hygiene process and wear my maxi blue dress and brown wedges. I don't know I love dressing up even though I'll be changing to my nurse uniform. I take my bag with everything inside and Didi comes to fetch me so we can go.

Me:"heeyy!"

Didi:"you look great and gorgeous as always"

Me:"Thanks! Now can we go,I think I'm already a bit late.."

We drive to the hospital having comfortable conversation..

Arriving there I quickly changed and started doing my rounds..

Me:"Morning Mr Terzin"

He was a foreigner from India.

Him:"Morning nurse Zamu(how he says my name)"

Me:"How are you feeling?"

Him:"I'm feeling better today,I'm ready to go back to my family"

I smiled

Me:"Has your wife come yet?"

I asked fixing his pillows

Him:"no but she said she'll be fetching when I get discharged"

Me:"is something wrong? "

Him:"no"

Me:"okay..I'll go get your food and pills,don't do anything you're not supposed to do"

He smiled

Him:"what could an injured old man like me

do?"

I smiled and walked and soon came back with his food and pills. After eating I took them back and went to check on Mrs Smith..

*

There was a bit of noise coming from the reception and when I went to check it out. There were a group of 4 men and one of them was injured on his arm..

"Get the doctor here before I kill you!!"

Said a fine older looking brother but his angry face made him look so scary. He was shouting at the receptionist. It was Ntombi..and was new..

Me:"What's wrong?"

Guy who was shot:"are you the doctor?"

Me:"no"

GWWS:"then fuck off!"

White guy:"Quinton you are shot and you need help! Stop being a fucken jerk!"

The Quinton guy groaned

Me:"what are y'all sitting there doing nothing! He needs help!"

Ntombi:"but there ar-.."

Me:"Ntombi let's not do this here please"

They took him to a ward and Dr Morgan attended him. The bullet was taken out and all I had to do was clean the wound,which was hard..

Q:"get the fuck off me,I can do this myself!"

Me:"Stop being stubborn Mr Shezi! You are hurt and you need my help! Goosh!!!"

He sighed,clearly annoyed and gave me his arm..

Me:"Finally!"

He clivkled his tongue. What a stubborn

handsome man..

*

He flinched as I was still cleaning it. I finally bandaged it and he was now calm.

Q:"Thank you"

Me:"at least you have manners, but I was only doing my job"

Q:"you're a nurse?"

I gave him a look

Me:"yeah I am"

He cleared his throat and stood up..

Q:"I'll go get my discharge forms "

I nodded and stood up..

"Your name"

Me:"Dawn" I lied

Q:"Nice name "

Me:"I know, its mine.."

I still don't get why I'm not uncomfortable being in the same room as this freakishly handsome man..

He smiled..

"I guess I'll see you later some day"

Me:"maybe"

I walked out..

*

*

Friday,knocking off I changed my uniform to my black above the knee skirt and a black vest with a jacket and black pumps..

Taxis were really hard to find at this time of night. I'm glad I'm not working night shift. As I was walking to the taxi rank,I couldn't walk with Zinzi,a girl back at the hospital I always walk with since she lives in the same street as

me,since she was doing a night shift..

I walked faster. It was getting dark and no taxi seemed to be in sight. My phone was off so I couldn't call Didi. A car passed by and stopped then reversed. The window rolled down and the person spoke..

?:"Zamo?"

It was a familiar voice

Me:"and who are you?"

?:"Don't tell me you forgot your favourite patient..? "

That cockiness... Quinton!

Me:"Quinton? "

Q:"get in"

I was hesitant

Q:"I said get in Zamo"

Wait..how did he know my name?

Me:"wait how-.."

Q:"Zamo just get I'm the car!"

I got in and he drove off.at least I was..safe??

*

"Thanks"

I said opening the door,I still don't know how he knew my house but he drove me there.

"I'll come fetch you tomorrow!"

He said and I turned to looked at him

"Walk.."

I walked to my door,unlocked,switched on the light and got in..

He drove immediately after I got in..

Morning,I wore my gym wear and ran then came back and bathed,dressed and drank a smoothie. I took my handbag and went out expecting to find Didi but instead there was a Audi i8. I walked out my yard,closing the gate and stood there. Don't tell me she fucken forgot! BTW Didi always takes me to work since she has a car

and I sometimes help pay petrol..

*

The Audi i8 door opened and a formally dressed Quinton came out. That's when I remembered last night's statement. He was serious? Ay man!

Q:"Mrs Shezi.."

He said smiling

Me:"what are you doing here Quinton?"

Q:"Get in"

He is so bossy though..

Me:"why? I'm waiting for someone "

Q:"She's not coming"

Me:"how do you know that?"

Q:"I told her not to "

Me:"What?"

No maan!

Me:"Mr Shezi pl-.."

Q:"Get in,we'll talk in the car.."

I was letting this go

I don't even know this guy!

Me:"I'm not going with you! I'd rather get a taxi"

I said walking away from him but then I felt a hand on my waist pulling me back and I felt myself bump his chest. My breath hitched..

God no!

He whispered in my ear..

Q:"You'll be late for work..Get in the car babe"

My heart was beating fast. I swallowed hard and we walked to the car. He opened the door and I got in and he half ran to his..

Q:"Now that wasn't hard now was it?"

I cleared my throat..

Me:"(in a whisper) please drive "

I don't know if he heard my voice or not but he chuckled and started driving..

*

My lunch break and I took my bag and looked for my lunch. It's not there! What the fuck?!
What the actual fucking flying fuck?!

I got a call from an unknown number..

I was still angry..

Me:"what?!! "

Q:"Geez chill babe,it's me,come out.."

He hung up..

I'm really not sure what this guy is trying to do..

I take my handbag and go with it. My heels clicking on the tile hospital as I master my best cat walk. I get there and almost everyone is looking at him like...WOW..

Me:"hey Q"

I say pulling him outside.. I was getting creeped out by the stares..

Me:"what are you doing here? Are you stalking me?"

Q:"I was the one who dropped you off mos"

I sigh. I'm defeated, really I am. What does this guy want from me? I mean me? Me?! Out of all the nurses..me!

Q:"I brought you lunch"

I smile.. A real smile but then something hits me..

Me:"wait..you ate my lunch and went to buy me lunch "

Q:"well look at that,my babe isn't just sexy,gorgeous and hot..she's smart too"

I can't help but blush..

Q:"and she blushes..Damn!"

I giggle taking the steers plastic..

I don't know what to say.

He kisses my cheek and pecks my lips,surprising me..

Q:"you're MINE..I'll come fetch you when you knock off.."

He gets in his Jeep Cherokee and drives off leaving me flabbergasted..

My day continued pretty well. I called Didi to tell her that she mustn't bother herself in driving here to fetch me and she didn't sound surprised so I guess I wasted my airtime. As I was packing my stuff, I remembered something..

"You're MINE.."

I'm his? What does that mean? It can't be what I think it is? Right? Right? Gosh..stop thinking ahead Zamo! Why would a guy like him pick you? Urgh! Yah!..

I took my bag and headed out meeting Bethany on my way out..

Beth:"hey Zamo!"

She hugged me

I pushed her back

Me:"what are you doing?"

Beth:"come on! I know you've always wanted to be my friend"

I laughed and looked at her..

Me:"oh?"

Beth:"yeah and since now I'm saying you're my friend.. You can hook me up with Mr Shezi.."

Wow!

Me:"oh? You mean my boyfriend ?"

She laughed

Beth:"yeah right! I'm serious"

Me:"and who said I'm not? Listen here Beth..I'm not your friend and defiantly won't be your puppet! What happened to calling me Fat girl? That I won't get a man? Bitch please!"

I pushed her out of my way and walked to the

exit. Where I got the courage? I don't know..and did I just say Quinton is my man? Oh no no no! It was just for Bethany.. Yeah..it was!

I got a call from an unknown number..

Me:"hello?"

I hesitantly answered..

?:"babe? I'm outside"

He hung up..

Yoh! Not even a hello..

I'm so glad I'm not working a night shift..though that would help a lot with my financial problems..

*

There he was outside looking hot in shorts and a T-shirt. His hands in his pockets and his muscles all out..

Fara God!!

I walked to him, feeling like I'll pass out or fall anytime from now without even getting to him. Luckily he met me halfway and surprised me with a kiss..

At first I was confused and really lost but I ended up responding and wrapping my hands around his neck..surprising myself in the process..

I felt his hands grabbing my butt and giving it a tight squeeze..

I moaned and when my senses finally hit me after a 12 minute kiss..I pulled out..

I was out of breath..

Me:"I..I"

I quickly shut my mouth really embarrassed right now..

Why am I?

Q:"let's go"

He put his arm around my waist and pulled me to him and walked with me to the passenger seat..

He opened the door

Me:"I'll take the backseat..thank you"

I said turning around. I could sit at the front with him..not after what happened.. ANeva!!

He held me tight and gave me the deadliest look I've ever seen. Yoh!! I almost shit in my pants..

I could see it bruh! It was night yes! But I saw it!

I swallowed hard and fear kicked in..

Is he an abuser??

His face softened and he pecked my lips twice..

Q:"I wanna hold your hand.."

I was confused..

I got in the seat and he half ran to his..

*

Now I get what he meant. We're holding hands as he's driving me home. His hand is big enough to enclose and protect mine. It's warm and soft. There's just comfortable silence and when I steal a glance at him..a big grin is plastered on his face..

The kiss?

I don't know!

I really regret pulling out right now. It was so magical and I wish I could just grab his face right now and kiss him. Woah! Did I just say all those things..

*

I notice we're not going to my apartment. Yoh! Am I being kidnapped by a stranger I met at a hospital when he got shot and then days later saw him and he fetched me,at my lunch,gave me lunch and told me I was his then kissed me

when I knocked off, and gave me a deadly look when I wanted to sit in the backseat and told me he wanted to hold my hand and I understood what he meant when we were on the road, holding hands sitting in comfortable silence? Funny how I can almost count the things he's done..gosh Zamo stick to topic!

Me:"Where are we going?"

Q:"dinner "

He says in a "duuhh!" tone. Mxm!

Me:"why?"

Okay stupid question! And I think he knows that too since he looked at me like I have 2 heads..

Q:"tah eat my love"

I blush at the "my love" statement..

We get to a beautiful restaurant and I'm mesmerized.

Me:"wow!"

He gets out and goes to open my door..gentleman ✓(check!) But I'm not going inside a restaurant with a hot guy,dressed like I'm not going anywhere..that was the initial plan..to not go anywhere..

Me:"can't I just go to my apartment and cook me some food?"

He looks confused at my question

Me:"I'm not dressed for the occasion"

Q:"am I?"

Yeah he's not..shorts and a t-shirt? But still..

Me:"no but-.."

He cuts me short..

Q:"then let's go eat"

He says gently pulling me outside..

He closes the door and we enter the restaurant..

We got in the restaurant and people just stared at us. It was like they were looking at something shocking. Is it me?

Quinton brushee my hand. I'm not really nervous but I'm uncomfortable. We get a table at a corner where we start a conversation. I

don't know this guy very well..it's been what?
Three days? I don't know but I don't know why I
feel so comfortable and safe with him. Yes I do
feel comfortable and safe with and around him.
He ordered some Crép Suzetté which I've never
ever heard of.

Q:"just to fill you u-.."

Flash!

I look behind us bit nothing..

Flash!

Another Flash!

Another Flash!

Q:"fuck it!"

He said standing up and going to some guy. He
pulled him up and pinned him on the wall..

Q:"What the fuck dude?! Can't you see or at
least respect the fact that I'm here trying to
enjoy dinner with my wife..!!!"

I was taken aback by the 'wife' statement. But I snapped out of it when I heard screams and groans..

I saw Quinton punching the guy..repeatedly!

Me:"Quinton no!!"

I go to him and try to pull him away. Luckily he budes. Gosh !! He leaves me there and goes down a passage. Oh god!! Don't tell me he's leaving! Our order comes and I've really forgotten about it. As I'm about to eat Quinton emerges..

Q:"let's go"

Me:"has Q! I'm sti-.."

He shut me up with a kiss. I'm never ever going to pull out if we kiss guys..

Q:"I said let's go.."

He gently pulls me up and wraps his hands around me,on my waist. We walk to the car and

he opens the door for me..

Me:"(mumbling) at least he's still a gentleman when he's angry"

Q:"I know baby"

He kisses my cheek..gosh is today 'Kiss Day'?

Q:"for you.."

I have to stop thinking aloud..

He gives my ass a squeeze and I squeal and giggle getting in the car. He closes the door and as usual jogs to his and gets in the we drive off..

*

This time around,it's not silence but we're having a good conversation. I now know this guy is stupid when he wants to but he's also smart. Mhm Mr Shezi..I've also never seen or had someone be so affectionate towards me. His hand is busy on my thigh then it moves up to my hand and he keeps on kissing it..bathong!

*

Me:"so what do you do?"

Q:"I'm a CEO of 3 companies that I own and I have shares in other companies around the world except the ones my brothers own.."

Me:"wow! Explains the cars..Family?"

Q:"I have 2 brothers and 2 sisters,I know for a fact they'll like you"

I blush..

Q:"I found you an apartment "

He says randomly..

I look at him confused by what he had just said then I remember and give him a shocked look..

Me:"how did you know?"

Q:"Sindi wants you to get laid "

I laugh

Me:"what?"

He nods..

Me:"why did you do it?"

Q:"you're my girlfriend "

Me:"I'm your gi..girlfriend "

Q:"I see your IQ is not here with you babe but I'll try to deal with stupid Zamo.."

I gasp..

Me:"what's your problem Q? Other than the fact ukuthi uyanhlanya(that you're crazy)"

Q:"I'm not crazy my love,I'm just a man in love.."

Me:"with who? Me?"

Q:"I'm turning babe! We need your brain back"

I roll my eyes

Me:"well I don't need Quinton right now"

Q:"Trust me bae you need me.."

Me:"how did I end up with you vele(really)? "

Q:"it was destiny..never mess with fate babe"

Me:"what happened to the Quinton I saw beating that guy up?"

His hand went up and down my thigh,brushing it..

Q:"let's not talk about that"

*

We arrived at my apartment and I could see he was tired. Shame! We could be getting in the apartment right now and just go sleep but noooo,Mr** had to cause a scene. And I'm talking about the guy who kept taking shots/pictures at us. It's his fault that Quinton got angry and beat him up. Like why would you just randomly take photos of a guy eating at a restaurant with his "wife"*blushing*?? Ayi abantu abamnyama! (black people)..

*

He opens his door and goes out to open my door.

Me:" you're coming in?."

I ask,I'm not sure if I'm asking or telling him...??

Q:"yeah..I decided to take your offer"

Me:"my offer?"

Q:"yes!"

He closed the car door behind me and locked it..

We walk towards my door while his arm was around my neck pulling me close to his body..

Q:"you said"Can't I just go Cook for me in my aparrment?"(imitating me) or whatever you said so I'm agreeing.."

I'm defeated..really I am..

I unlock the door and we get in..him first. He looked around and nods.. Well this apartment just simply describes me..

Cosy and comfortable..at least I think that's what I am..

Q:"Cosy.."

He says throwing himself on my one long couch in the TV room like my brother will be doing in a few days time when he moves here..

*

I decide to cook something simple which is pap,gravy,word and mash potatoes..

We sit comfortably eating and I'm smiling broadly at the comments that are flying in from him..

We soon have to sleep and I go to my room and fetch 2 blankets and a pillow for him. I give this to him and he just gives me a smile. Probably for my kindness..

*

Midnight..I think..I feel cold hands hold my

waist from behind and pull me closer..

I try to turn but he holds me tightly as I feel his skin on my back...issa cold!

Me:"Quinton uyabanda(you're cold)"

Q:"Then ng'futhumeze(warm me up)"

I turn around and this time he let's me. I snuggle close to his chest and he wraps his hands around me..

Best Feeling Ever

*

*

*

MORNING☀

*

Morning and I'm snuggle up like a baby in a chest with arms wrapped around me. I sleep with a T-shirt and a panty..I feel comfortable

sleeping like that..so right now I need to wake up and go wear something normal and definitely not revealing. I'm pretty sure he won't like what he'll see when he sees my body..

I look up to his face and he looks so hot and handsome..okay those words are understatements!

I try to grmet out his grip but he groans and turns with me so that I'm on top and he's under me..

I flinch and cringe as the thought of my weight on his body. He must be suffocating..?!

He panics a bit..

Q:"what's wrong? Are you hurt? Did I hurt you?"

He's too calm for a person who has ME on them.. Am I not too heavy for him?

Me:"am I not too heavy for you?"

He frowns and grunts a bit..

Q:"why would you ask me that? Do you want me kill you"

I swallow and shake my head,looking down..

He sighs and makes me look at him..

Q:"Zamokuhle I love you okay? Never doubt that. I hate the fact that you doubt your beauty and worth. I for one think you're the most beautiful and unique girl I've ever met and seen.."

I become emotional..

Me:"why me?"

Q:"why not you? "

I keep quiet and he gently pulls my face down to his level and kisses me. Next thing I know I'm being lifted up..

I scream!

Me:"aahhh!! Quinton no! Put me down! "

He chuckles and I close my eyes,scared..yoh!

He puts me down and before I open my eyes, I feel water fall on me..

I scream again!

Me:"Quinton!! "

Q:"yeses! You love my name neh? Mhmm(he moans)and the way you say it!"

Me:"gosh Q my clothes are wet.. "

Q:"then let's get rid of them.."

He says with a grin..

I look at him not sure how to react to his
statement. He wants me to get naked in front of
him?

Me:"in front of you?"

He sighs and rubs my thigh which sends shivers down my spine!

Q:"no I meant in front of the whole SA,what do you think?"

Okay he's being sarcastic

He then out of nowhere smirks

Q:"or you want me to help you? "

I don't know! Wait why don't I know? This is a simple question! Yes or n-

I'm disturbed from my thoughts as I feel hands on my breast and wet kisses on my neck, Heavenly Father!! I had not time to protest as I was already in the mood..

I moan throwing my head back. He's busy with my boobs and neck and that's enough to get me wet. The water is still falling on us and I notice we're in the shower, I hate showers but this guy

is changing my mind!

He wants to take off my T-shirt and this time I'm feeling a bit relaxed, am I about to break my virginity in a shower?? #clap_once!

I raise my hands up and he takes it off and command me to take off my underwear. Does he have to ruin the moment by being his bossy self..nx!

*

We start kissing hungrily and his hands are exploring my body. I'm moaning uncontrollably. His one hand finds it's way to my cookie, Fara God!! I shudder and shiver, what the fuck is happening to me?? He first rubs my clot causing me to move my waist, directing him in a way where to go..I flinch and arch my back as he enters his finger and starts moving slowly. I'm breathing heavily as his mouth does wonders to my breaths, serious tongue action

too! He fingers me till I come and his head moves from breasts to my punani. He licks me clean with my leg on his shoulder and my hands holding the shower thingy..

*

After that session,we took a proper shower. No I didn't break my virginity in a shower. I'm glad we didn't because it's too soon.I feel like it's too soon..

I wear my jean and a white shirt with sandals,by the way I have short hair,I had braids,I think 2 weeks ago..I don't remember but yeah. I comb my short hair and he wears the clothes he came with, with no boxer on..eww! But I understand..the one he came with is wet and he said he had a boner and the boxer would be suffocating him..gosh this man! Funny I laughed at that statement..

*

We go out for breakfast to Mug'n'Bean and I didn't want to eat that much since I didn't go to the gym. I ordered a muffin and a laté. He was surprised and confused as to why I'd eat such small particles..

Q:"and then? "

I shake my head,ready to lie..

Me:"I'm just not hungry"

He shakes his head and tilts it..

Then he calls a waiter..

Q:"she'll have 2 more muffins and a slice of chocolate cake.."

The waiter nods and leaves..

Me:"Quinton I sa-.."

Q:"baby you are hungry"

He doesn't know my stomach..!

Me:"i-.."

He really has to stop cutting me..

Q:"here comes your food.."

The waiter puts the food down..

The waiter:"anything else?"

Q:"no"

He leaves..

Q:"dig in my love"

I sigh looking at what has been presented to me..

It looks so good bruh! But it's not good.. It'll ruin my diet and maybe our relationship. What if he doesn't like me after feeding me this much food?

Q:"you're insecure for nothing babe.."

He says as he brushes my hand..

Q:"I love you and don't doubt that.."

I'm really insecure yaz'! It's not everyday a guy like him chooses a girl like me..?

Me:"I'm sorry..it's ju-.."

Q:"I understand but you also need to understand that...(he smirks) I love them meaty"

I laugh at that..! What the fudge??

He smiles..like he's he's looking at something rare..

Me:"what?"

Q:"you're beautiful "

He say and I blush real hard..

You are able to see that because I'm light skinned a bit..

Me:"thanks!"

After eating we hold hands all the way to the car and we get in then he drives me to work..

*

*

*

Δ3 WEEKS LATERΔ

*

Me:"don't ruin anything you can't fix!"

He nods clearly bored of my speech..

Him:"yes sis"

Me:"I love you"

I say hugging him

Him:"I love you too"

I go inside the house and look around..

Me:"and I love you too "

Q:"really babe?"

He says hugging me from behind..

Me:"yeah really, this house has been with since varsity"

He kisses my neck..

Q:"at least you're not giving it to some stranger"

Me:"yeah..at least"

We walk outside and my brother is taking out his luggage..

Me:"I'm still glad y'all like each other "

Q:"not as glad as I am.."

I smile..

Me:"bye bro"

Him:"not even going to help me?"

I roll my eyes..he's 19 by the way..

Me:"you didn't help me so.."

Him:"oh?"

Me:"yah..bye"

I knew as his cheek and his face changes..

Him:"sick!"

He wipes it and I just laugh at his facial

expression..

*

We get in Quintons car and we drive to the new apartment. Yeah I'm going to it. I haven't seen how it looks but I'm pretty sure it's beautiful since it's said The Girls (Angie,Did I and Bontle) picked it..oh and I found Quinton is Mr Dreadlocks.

He's been asking me to take it for the past 3 weeks and I agreed 2 days ago when my brother told me,school's are opening in 3 days..

After I don't know how many turns he did but we finally arrive...at this big beautiful gate. It's white and doesn't look like it has 2 bedrooms, a kitchen,bathroom,lounge and dining room..

Me: "wow!"

I say as he opens my door..

Me:"who's house is this?"

Q:"ours"

I look at him,my mouth wide open!

He opens the gate remotely and I'm welcomed by a double story house..

Quinton mara!

Me:"our house Q?"

Q:"isn't that what I said?"

Me:"okay okay! It's beautiful,gorgeous butb take me to the apartment.. My apartment! "

Q:"what apartment? "

I'm sure I'm red by now with anger..

Me:"Quinton no!! We can't be living together!"

Q:"why?"

Me:"it's not right..!"

Q:"well.."

I sigh as he shrugs. What's wrong with him?..

Q:"we are not about to argue in the morning baby please"

Me:"it's your fault..(mumbling) "

He kisses my cheeks and holds my hands..

Q:"then I'm sorry.."

He heard that..?

*

The house was mesmerizing. It had the colours,black,gold and red. The couches were black and the carpet red. We had a fire place,a cinema,a game room,a man cave(study),2 big pools,3 balconies,a big jacuzzi, 9 bedrooms all with en-suits,a medium cottage outside the house in the yard,a big and open kitchen,a open dining and eating room. It was fully furnished..

*

Me:"I hate you"

I say as I'm lyingv on his chest. He's playing

with my short hair..

Q:"what did I do?"

Me:"you made me love this house.."

He chuckles

Q:"don't worry,I won't live with you,I have an apartment"

Me:"I'm getting the feeling that its a real apartment.."

He chuckles again..

Q:"it is"

Me:"when will you live me?"

Q:"when I wife your ass"

I smile and blush..

Me:"not if I husband your ass first"

He laughs..

Me:"Q?"

Q:"mhm?"

Me: "don't you think we're moving too fast?"

Q:"no"

I then to look at him I'm the eyes..

He has sexy Chinese-ish and doesn't even look coloured. He says he took his father's skin colour and so did the rest of the family except one sister..

Me:"our families don't know each other and they don't know we're dating..only my brother knows you"

He pecks my lips..

Q:"don't worry.."

*

It's another day and I'm going out with the girls. It's been a while since I've went out with them. I wake up and take a shower..yeah I've learnt to love it since that's where we mostly have our

moment . I dry up, lotion and wear a high-waist jean with a vest, tucked in. I wear my block heels and comb my hair. I do a bit of make up and take my bag..I'm good to go!

Did I mention Q got me a car, yeah a Clio Renault. I didn't want to accept but he wouldn't budge. He literally forced and put up a good point. "Did I and I won't always be around to fetch you but don't worry, it's bullet proof"

Why should I worry about it being bullet proof?

*

I fetch Angie and Didi will ride with Bontle.

QUINTON

My name is Quinton Shezi. I'm 28 years old. I'm a CEO of 3 companies and I have shares in other companies except the one that my brothers own. My brothers are Michael(30)and Austin(26). I'm coloured,my mother is white and my father is black,a proud Zulu man. My

sister,Michelle(24) ,is the only one who took my mother's complexion. My brothers and my other sister,Qiniselani(22)only one with a First Zulu name. I'm a qualified lawyer and businessman and I'm in a relationship with a beautiful curvy woman named Zamokuhle. I'm also involved in the gangster world and we are facing problems since I have someone to protect. I'm going to protect and at the same time love Zamo. I've never really been in love before and you know the saying "I just tap and go" well that's what I used to but I've stopped and I'm willing to change and become someone better but there's something I have to tell Zamo and I'm not sure how she's going to take it..

*

Me:"so where were you when the diamonds were being stolen??"

I ask him with a straight intimidating face. I'm not about to be played by some fucker! I know

he knows who took my diamonds or maybe he's the one who took my diamonds..

Yarti:"I..I was with my wife(he's Russian) and kids"

Me:"oh?,weren't you supposed to guard them?!"

I'm getting angry and I'm about to lose my cool and kill this fucker! ..

I take my butcher knife and pull a table close to him. We are alone in this room. I take his hands and put them on the table..

Me:"who took my diamonds Yarti?"

I ask calmly,taking the braai stand and a plate with a fork..

Yarti:"pl..please d..don't do this boss"

Me: "I'm pretty sure I asked you a question Yarti and I don't like repeating myself!!!"

I ask banging the table before taking some wood and coal and putting it in the braai stand. I

take my matches and some paper and light it up..

Yarti:"b..boss-.."

I punch him across the face on both sides and he groans and cried out loud. I pull his hair and bring his face close to me..

Me:"ANSWER ME!!!!!"

I worked hard to get these diamonds and I'm not about to let some drug addict fuck with me!!

He just cries and that pushes me to the edge..!

*

I take the butcher knife and without thinking I hold his hand tight against the blade and cut all his four fingers(except the thumb).

Yarti:"aaaaahhhhh!!!!!" "

He says and I'm already in 'Butcher' mode which means..... NO MERCY... ..

We all enter Spur and we take the table at the corner. I love sitting at the corner watching people go in and out but that only happens when Didi takes me out. I don't ever really go out just nje,sometimes I just go to buy clothes..

*

We don't order immediately bit the menus are brought to us..

Me:"I've really been meaning to ask y'all about what Amanda meant when she said you're a Man Stealer..?"

Angie:"bitter bitch Shem!"

Bontle:"well we dont know what she's talking about but what I know is that,that little slut Feroza is messing with me!"

Didi:"girlfriend uyenzi(what did she do?)so I can show my knew heels?"

Bontle:"Sandile has been cheating on me with Feroza"

Angie:"yoh and here comes the bitches now"

We look at the entrance and yah..it's Amanda and Feroza..

Didi:"nx! I feel like going there"

Me:"they seem to have lots of issues shem"

Didi:"ayi but guys we didn't come here to talk about them..my girl,uQuinton?"

I blush

Them:"whooo!!"

I giggle

Me:"hayi there's nothing to tell"

Bontle:"what are you talking about Zamo?,uyaglowa(you are glowing)"

Me:"I'm not pregnant! "

Didi:"and that's the first thing that comes to mind?"

Me:"glowing people are pregnant "

Angie:"but on a serious note,is he treating you good??"

Bontle: "hayi Angela ,don't be stupid..she just blushed when we asked her"

Angie shrugged

Me:"yah he's treating me good..(I fiddled in my bag)I mean look at this"

They screamed as I showed them 3 black cards..

They each have like a balance of ?million..I don't

know..

Didi:"let's go guys! We are entering every shop in this mall,cheap or expensive!"

She says standing up..

We just laugh and stand up too..

*

If someone told me I was going to ever shop till I drop in my life,I was going to laugh my lungs out. We got almost everything in maybe like 30 ? Shops. From jewellery, t-shirts, jeans,heels and kicks,make up kits,lingeries ,etc..

I'm so tired and I regret ever wearing heels..

Getting home after dropping Angie,I'm tired and I need a relaxing bath. It's like 19:55 and I need to cook,I don't know why I'm still hungry..oh yeah,I was too tired to go back to Spur after our shopping..

I put all the bags down on the bed and strip naked. I prepare the bath and add all the bath oils that I bought today. I get in and..damn!! Perfect. I stay there till the water gets cold. I wrap a towel around NY body and dress in my nighty..

I'm so bored and lonely and I'm hating Quinton for this. I've learnt to love the company of people and now that I'm alone..I'm bored nx!
I'mma show him!

*

I take my phone which was inside my bag and call him. He doesn't answer. I call him again..still nothing. Hayibo! I call him again and again and again..

What's wrong with Quinton??

*

I'm in bed lying on my back still waiting for a call from Q. I'm worried asf! What if something has happened to him?? Oh god! Not when I've just met him and I'm deeply in love and attached to him..

*

In the morning, the first thing I do is check my

phone. No morning or goodnight text or calls. That is definitely not Quinton. I want to break down and cry so bad.

*

I take a shower and wear my above the knee white skirt. I still don't get why I dress up nicely if I'm just going to change when I get to work. I put on a white shirt and then a black jacket and top it all off with sandal black heels. I look gorgeous! Flames!! Haha! I take my small handbag with everything I need after roughing my hair and get in my car..

*

People have become more welcoming and kind towards me and that just straight up annoys me. Bethany, a girl who used to tease me since I've started working here, has been bothering me about being friends..like WTF?!

*

I change and check my phone one more time to see any form of communication or contact from Quinton but nothing...!

I sigh and sadly start doing my rounds..

*

*

*

QUINTON

*

I've been quite busy in the warehouse and luckily that has paid off. I found out who stole my diamonds and right now I'm on my way to CPT. This Spanish guy name Roberto has been eyeing my diamonds for a while and unfortunately for me, I had an untrustworthy employee who saw it fit to steal my diamonds and give this Roberto fucker! I know Zamo must be mad at me, I hope she'd be worried. I really

haven't had the time to look at my phone but I know this day won't go by without me calling her..

*

Arriving at the address I got from the late Yarti, I waited a bit inspecting and analysing the house. Didn't look secured at all..

*

*

*

BANZI

*

My name is Banzi Shezi. I'm 25 years old. I'm Quinton's half brother, yes half brother. He found out about me 4 years ago. His parents don't know about me. I'm from his father's side. Weird huh? Anyway I'm currently staying with my girlfriend, Sindi, who I've grown out of love

with since I met her hot sexy friend. That girl is beautiful and I'm deeply in love with her. I don't know what to do since there seems to be Quinton in the way but I know I'll have her..

*

I'm done showering and I notice that Sindi is still asleep. I don't know what to do with her. She's become clingy and annoying these days but I don't mind when she brings Zamo over. I wear my chino, maroon pants with a Gucci T-shirt and black kicks. I spray on some Cologne and comb my fade..

*

I feel hands wrapping themselves around me and I instantly get irritated. I turn around to see a smiling Sindi..

Sindi: "morning babe"

She comes closer to kiss me but I move my head back and get off her grip.

Me:"morning Sindi "

Sindi: "Sindi? What happened to my love? Baby? Babe? What happened to the pet names?"

Me:"they are still there but I'm running late,I have a busy day today so don't bother calling"

I say taking my briefcase and car keys. She's busy running after me..

Sindi:"Banzi!! Who is she??!!! I know there's someone else and so god help,I'm going to kill you if you're cheating on me Banzi!! Banzi!! Banzi!!!"

I run out and drive off.

Its going to a long day..

ZAMOKUHLE

*

I'm surprised on lunch time to see a call coming from my father. When I think about it now, it's been a while since I've talked to my parents..mostly dad since my conversations with mom are always meaningless and actually mean..

Me:"baba?"

Baba:"my Zaza,how are you mtwanam(my child)?"

Me:"I'm good baba,you?"

Baba:"I'm not well"

Me:"yini(what)?"

Baba:"ngizodinga ukuthi uze la ekhaya,khona into ekomele sikhulume ngayo(I'll need you to come here,there's something I wanted us to talk about "

Me:"imayelana nani baba?(what is it about

dad?"

Baba:"ungabuzi imibuzo eziningi,wena nje iza la ekhaya(don't ask too many questions, just come home)"

I sigh

Me:"when?"

Baba:"Saturday"

Me:"okay.."

Baba:"bye my Zaza"

Me: "bye baba"

Baba:"ima kancane Zaza(wait a minute),umunti wakho wegym uthi awukakayi egymini i3 weeks yonke(your gym instructor (person says you haven't been to thegym for a whole 3 weeks).."

My eyes pop out..

They communicate..?

**

The call from my father has put more stress into me. Knocking off, I'm tired and irritated, I'll be working a night shift from next week till May because I take too many leaves, is one even allowed to give their employee that..?

I unlock my car and I don't really feel like going to home since I'll be alone. I decide to go to that restaurant we went to. I didn't eat what we ordered last time so i'mma eat it today, plus I'm really hungry.. Q didn't bother to even bring me lunch. The worry in me is mixed with anger.. He better not be cheating on me. I've suffered from a lot of pain and I know I'll slip into depression if he ever cheats..!

*

Getting there I just want to sit down and eat in peace so I take the table at the corner. I get comfortable and they bring me the menu. I wasn't really interested in the other foods since I planned what I was going to eat on my way

here..

She doesn't answer! What the fuck!? I see all the missed calls and their like 20?(20 something). Shit! I must have messed up big time! I throw the diamonds in the back seat as well as my bloody shirt. I wear another one and prepare the long drive..

*

Getting there,her car is not there. Where could she be? I call Dido and ask her about Zamo but nothing. Then Angie,Bontke but nothing! Urgh!!

*

I'm frustrated. I unlock the door and go to the fridge,I see left over food and I warm it up and eat. I take a beer which I don't know where it came from. Has my girl been drinking while I'm away..?????

KAMVA

*

She looks so hot!! Not like in highschool. To be honest,I thought she'd be at some hospital due to depression or whatever. I came here since I was meeting my boss Roberto who said he had something important to tell me about me taking over for 3 months while he's way taking care of the Nigerians. I have been waiting for 3 hours now and I see he's not going to show up.

Roberto is actually my friend. We met 5 years ago bit got separated and we met up 2 years ago,when I was released from jail. When we met,he introduced me to his illegal business and told me he has been working on this big project. We went on 10 heists in 2 weeks and that was when we started getting a lot of ideas

and money. He killed 3 drug leaders who weren't that big but what they owned was really good for business. I'm his second in command and we call each other boss. This week was what he called DIAMOND WEEK. We targeted this huge Druglord, Gangleaders and gangster (one person) and used one of his workers to our advantage. The plan took place yesterday and today was the day we ship them to the Nigerians we owe since we offered to take care of their human trafficking operations in exchange for diamonds. I wonder where he is because he's not a man who's usually late for anything..

*

My name is Kamva Mageba. I'm 24 years old. I'm dangerous and fearless... I have no family since i killed my father for his money and my mother found out so she disowned me. I was in jail for 2 years for robbing two shops for their

jewellery that's all you need to know..

*

I decide to leave since I see that this meeting ain't happening..

*

*

*

BANZI

*

I've always wondered how it's like to sit in a table with the Shezi family. I wonder if my father(MrShezi) knows about me. My mother died when I was 3 during a break in. I'm still working on finding out who was the person who killed her. I was raised at an orphanage until the age of 18. I first worked as a receptionist then PA to Quintin until one day he told me about his discoveries (I'm his half bro)then helped me

start my own business. Quinton is a heartless person to other people but to the ones he love,he's a bit soft but not as soft as he is with Zamo..

Speaking of Zamo. I'm sure because their relationship is still new,she doesn't know his other dealings and the fact that he has a child. Yes he has a baby girl who we recently found out about 3 months ago. Their bond is strong though he's not fully present in her life. She's 1 years old and 2 months..

Yes Quinton is my brother and I'm really thankful for him and what he's done for me but he can't have every good thing in life now can he???

I get home tired as hell and I just throw myself on the couch. The lights switch on and Sindi emerges. I remember what happened in the

morning and just sigh..I'm really not in the mood..

*

*

*

SINDI

*

I won't say much except that my name is Sindi Ngwenya. I'm 23 years old living with my boyfriend Banzi who's turned into a fucking man hoe!!

*

I get home and he's lying on the couch. I remember how he left this morning and I boil up. I'm not about to wreck every furniture in this room like how I did 4 months ago,I'm going to wreck him!!

*

ZAMOKUHLE

*

His car is there. Oh gosh! Excitement washes over me and I forget about being mad. He's by the door when I get out. I rush to him and jump on him

Surprisingly,he catches me!!

I giggle as he spins me around. I want to cry. He left me here! What if something happened to me?! What if something happened to him??..

I'm crying in his embrace as I realise how I cannot live without this man..

Me:"I..I love you Quinton!! "

I scream in the middle of my cries..

I've finally said it and I mean it...

I'm mad again. I needed to just release all that stress. We are now lying in bed in our usual position. Head on chest, listening to his heartbeat. His hand around my waist and the other busy with my hair. Our legs are in between each other. I want to know where he's been. I was worried sick so he mustn't think that me crying in his arms and finally saying "I love him" means I've forgotten and forgiven..

Me:"Quinton where were you?? "

I ask drawing patterns on his stomach..

Q:"it does-..."

Me:"Quinton..please let's not fight about this..just answer my question "

He sighs..

Q:"I was with my mother "

I turn my head to face him..

Me:"what happened?? Is she okay?? Is everyone okay?? "

He smiled and pecks my lips..

Q:"yes! She wanted to spend the whole day with me so I had no time for my phone but I promise it won't happen again..."

Me:"don't make promises you can keep Q"

Q:"I promise babe "

He flips so that I'm on top of him..

Q:"so..let's talk about you loving me "

I blush..

Q:"did you mean it??"

Me:"naahh,I was just throwing those words around "

He smirks..

Q:"I know a few things we could throw around this room"

He winks and tightens his grip..

Me:"yoh..Quinton, I need to pee"

Q:"oh really babe"

He says caressing my waist.. My breathing increase..I don't know how I can feel that through my skirt but who am I kidding, it has already went up..

**

**

I'm moaning so loud as he's fingering me. He's busy sucking,licking,biting and grizzling on my neck. I'm naked and he's still in his jeans though his boner is visible. I feel his mouth on my boobs and he does the same to them. I come and he takes his thumb and presses it on my clit. He starts moving his thumb in a circular motion and I can't take it anymore. I grab onto the sheets as I have another orgasm..

He takes off his jean and boxer and his scary coloured anaconda springs out. I swallow hard as it has this colourless thing oozing out of it. To imagine that,that thing is about to enter my vagaina..

He claims back on the bed and lays me down. I'm nervous and scared and my breathing has escalated. My face written..fear..

Me:"Quinton....."

Q:"I'll be gentle.."

Me:"I'm scared.."

Q:"Don't look away from me okay? Look into my eyes.."

I do as told..

Q:"don't look away.."

I feel his thing rubbing my Nana and I moan but that moan turns into a scream as I feel it trying to enter..

Me:"aahhh!! "

I close my eyes as tears gush out..

Q:"baby! My love look at me! I said don't look away..(he says almost in a whisper) "

I open my eyes slowly and he kisses me. A passionate and wet kiss. He trys to enter again and I close my eyes,the kiss minimizing my screams...he's in! He start moving slowly and breaks the kiss. I flinch as he moves. He's groaning and moaning..he moans???.while I'm

flinching. My Nana is painful and after a while when he increases his speed a bit,I feel the pleasure.. I moan as he moves a bit fast. His strokes are deep and slow and sometime deep and fast..I'm moaning like crazy and he's busy cursing..

*

I cum and minutes later he cums to. I flinch again when he pulls out and collapses next to me on the bed. He then stands up butt naked and goes to the bathroom and comes out with a towel in his hand. It's warm and I don't move as he wipes me clean. I'm flinching as I walk to the bathroom but halfway there,he picks me up and when we enter he's already prepared a bath for us..

He's behind me as we both lay in the tub..

Q:"thank you Zamo..."

He say and kisses my neck..

*

*

*

☀ MORNING ☀

*

I wake up when I feel like someone is staring at me. I open my eyes and I'm met by the most handsome man I've ever seen. He's smiling..grinning..and smirking,I just don't know which one it is..

Q:"morning beautiful "

I smile..

Me:"morning.."

The connection between us is so overwhelming. We're looking straight at each others eyes. We both laugh lightly and I'm just admiring what god has given me. I thank him..

*

I'm running late for work though Quinton has offered to drive me. BTW i do have a licence,I got it while I was still in Varsity..

I'm wearing a simple a bit below the knee dress today with blue and white strap wedges. I rough up my hair and spray it then comb it. I'm deciding no make up today..

Q:"I hate you job "

He says while driving me to work. That was random. We're sitting in the car in comfortable silence,our hands hold,my head on his shoulder and he says that..

I remove my head from his shoulder and look at him..

Me:"why?"

Q:"I just don't want you working for other people"

I tilt my head..

Me:"if I wasn't a nurse then you'd still be out here fucking random bitches.."

Q:"ouch babe!"

He says dramatically holding his chest..

I laugh a bit..

Me:"I never thought,one day I'd see myself in love with a gay.."

Q:"ima baby(wait)..gay?? Me?? Gay??,no offence though"

I shrug..

*

Q:"I'll be taking you somewhere today when you knock off..I love you.."

Me:"I love you too.."

I walk into the hospital..

Fell asleep while typing..

It's been 3 days since I've arrived here but no one is telling me what I came here for. My dad has been away in those 3 days and my aunts are busy coming here one by one and also leaving one by one. My 2 cousins have also come. I'm glad they did, otherwise, I would've

left.. . I'm angry! The person who called me is not here and definitely did not come here to talk to my aunts about my "wifely duties". Yes! They've been,one by one(3 aunties),coming to my room and telling me what I have to do when I get to my in laws...

*

It's morning and I've just finished a call with Quinton. He sounds miserable and I really wish I was there. He's busy telling me he's sick and has been vomiting. Oh my man ,he may be lying though. When he dropped me off,he wanted to cry.. ..

I get up and go take a bath. I wear my trackpants and Quinton's T-shirt with my slippers. I go to the kitchen and find my cousin Boiphelo,drinking coffee. She's my aunts last born..

Me:" morning"

She turns as her back was facing me..

Phelo:"oh morning cuzzy!,how are you?"

Me: "I'm fine..a bit angry but I'm fine"

Phelo:"angry? Girl you should be happy mos!"

Me:"why? Dad called me to come here bit he's not even here"

Phelo:"He went with uMalume'Dumisani(uncle)"

Me: "to?"

She shrugs..

Phelo:"but mom says they're close"

Me:"I'm planning on leaving keh"

Phelo:"hawu! Why? I thought you'd be happy since you're having your lobo-.."

Mom: "Boiphelo!!"

My mother shouts as she shows in the kitchen..

Phelo:"oh auntie"

Mom;"what are you doing here? Weren't.. Entlek didn't I tell you to go help Siya?"

Phelo:"oohhh! So that's what I've been forgetting "

Mom:"hayi maan just go before you start opening that big mouth of yours wider than it already is!"

Yoh!

Phelo:"joh!"

She goes out..

My mother turns to me and to my surprise,she smiles and hugs me..for the first time since I've arrived..

Mom:"oh my baby girl! I missed you"

I'm shocked..speechless! Is this my mother or aunt who shockingly looks like my aunt??

Mom:"it's been a while since we've talked,I've been so busy walking around this house like a

mad woman(she laughs) "

I squint my eyes..

Me:"mama are you okay??"

I ask..okay that question was just plating around in my head. I don't know why I decided to blab it out!

Mom:"yes I'm okay,and I would be even better if we go out. It's been a while since I've went shopping with my only baby girl "

Me:"no I'm fi-..."

Mom:"don't worry,I insist,go freshen up honey while I keep myself busy..and don't change into something revealing! "

She pushes me out the kitchen..

What just happened?? That for sure wasn't my mom!..??

*

I change into a long skirt with a shirt tucked in with my pumps and I tie my braids into a neat bun,they're nice and thin..

I go back to the kitchen with my bag in my hands and find my mom sweeping the yard. We're about to go to the mall and she sweeps?? Dirtying her clothes!

But either way she goes back and takes her bag and we go to her small polo and she drives to the mall where we go shop to shop looking for traditional dresses..why? I don't know?

I'm miserable! I'm sick! I'm vomiting! I'm lazy!
And I'm hungry! I can't stop! I miss my bae and I

feel like crying. She left me and hasn't come back! After our morning call I feel like she doesn't care about me . She actually laughed at me as I told her I'm sick and vomiting! . I'm lying on my bed and I finally give in. I'm a tough man and I don't cry that easily but these days it's so easy for me. My tears stream on the side of my face as I think of how she isn't calling me right now to tell me she's sorry...

*

My phone rings and it's my mother. I don't feel like talking to someone but then I'm hungry..

Me:"ma?"

Ma:"Nkosenye mtanam!

A smile flashes on my face. I'm hungry and my mother is here,perfect combination!

She's in some village. I'm happy I found her. It was worth it! Though it wasn't hard finding her, I was so sure that Quinton would put some kind of security to keep her guarded and safe, though I've been told he calls. I can't wait to go there and just charm her. No girl can resist my charms.. ..

*

I'm packing an overnight bag. My plan is to show up there and just go with the flow. I know it'll be easy since like I've said, Quinton didn't send some kind of security. Besides that, I'll just tell him I was checking on her if he finds out I

went there..

Dad comes back the same time we get in the house. Although I'm mad at him, it's been a while since I've seen him. We hug and I smile. He looks old and like something is wrong with him. Is he sick??

Me: "hey baba"

Dad: "hello Zaza unjani (how are you)"

Me: "ng'yaphila baba (I'm fine/okay/good etc..dad)"

We walk in the house and I leave him and go to my room. I find Boiphelo and Siyasanga (girl), my aunts first born..

Siya: "there is our soon soon to be makoti!"

She says standing up to hug me..

I hug her..

Me:"makoti??"

Phelo:"(she fakes a laugh) soon girl(laughs nervously) when are we seeing your hubby??"

I blush..

Me:"soon.."

Siya:"you should ask him how much he's paying baba"

Me: "it's too soon for us to be discussing Lobola negotiations"

Siya:"aren't yo-..."

Phelo:"so what's his name??"

Me:"Quinton "

Siya:"Quinton?? You're into whites??"

Me:"he's coloured..Quinton Shezi"

Them:"What!"

Me:"what??"

Phelo:"you mean Quinton Shezi? The rich and handsome one? The one with 2 other hot brothers?? "

Me:"uhh...."

Siya:"you're joking right?"

Me:"are we talking about the same Q here?,Quinton is not famous..I mean,sure he does have companies and stuff but..."

Phelo: "oh god!! You're dating a celebrity!!"

She screams!

Me:"sshhh!!"

Phelo:"oh sorry (she whispers) you're dating a celebrity! "

Me:"I really didn't know he was a celebrity.."

The both look at me like I have 2 heads..

Siya:"so you don't know the Shezi's though

you're dating one of them?"

I shrug..

*

Me:"never heard of them in my life.."

Siya:"really,not even that crazy friend of your Sindi has heard of them??"

Me:"I don't know,unless she didn't tell me"

Phelo:"So how's being a mother..well stepmother?? "

Me:"huh??"

Siya:"she means how's taking care of his child..Lisakhanya??"

Me:"child?? Lisakhanya?? Stepmother?? What the hell are y'all talking about??"

Me:"no.."

Ma:"are you sure??"

Me:"why wouldn't I be sure?"

She shrugs..

Ma:"sex??"

I cough

Me:"sex?"

Ma:"yes! You are getting me worried with your weird behavior "

Me:"I'm not weird..look mom it was nice of you to come check on me but I have to leave soon..I've missed a lot of work "

Ma:"dressed like that?"

Me:"i-..."

My phone disturbs me. It's Zamo..

Me:"baby "

Bae:"baby?! Baby?! Are you talking about me or Lisakhanya?"

Shit!

Me:"baby.."

Bae:"don't baby me! Don't you dare! Entlek how

dare you? How dare you keep such a thing from me?"

Me:"i-.."

Bae:"You don't trust me? Is it that? You don't think I'm worthy enough to know? Or maybe you know you're going to dump me anytime soon because I already gave you what you've been looking for? My virginity?"

Me:"WHAT!!!"

Bae:"nyat? Nyat? Nyat for what?! Heh! You know what Q..It's Over! I'm coming back to take my clothes!!"

He's dead?! He's dead?! I should have known something was wrong. It's not normal of him to just disappear! Who could do such a thing.

There is no evidence whatsoever! Like there's no one who came here. I look for the diamonds but nothing. They're not here! Its either he his them before he died or they took them back. I'm going to go with the second guess.

Butcher(Quinton) is behind this! They were his diamonds..

*

I pick up his body and go wrap it with the carpet on the floor. I go outside and bring my car closer, his body is really heavy. Luckily there weren't any people outside. I drag his body and put it in my boot. He always said he wants to be cremated..

*

I'm driving to our warehouse and when I arrive I call a few of our men to help me carry him inside, no questions asked. When we get to the Burner Room, we put his body in the big open and wide braai stand. We put a lot of paper, tissues, coal, wood and petrol. He has to burn to ashes so we could go throw them into the sea..

**

I'm driving back to the warehouse and when I arrive everyone is running up and down. Pacing and others are on their chairs, deep in their

thoughts..

Me:"gents!! And ladies!!"

They all face me..

Me:"come closer.."

They all come closer..

Me:"we've just lost our boss! To clear so.ething all of you must be thinking,I didn't kill him! But I know who did!"

There's chatting and arguing..

Me:"it's Butcher!!"

They all gasp..

Girl:"Butcher The Slaughter Man??"

Me:"Yes! But we aren't going to let him get away with it! He stole our diamonds!"

There's chaos!

Me:"calm down people!! Calm down!!"

They calm down..

Me:"we will have to track him down and kill him slowly by finding his weakness!! "

Phelo:"how? Did he ever mention a baby?"

I keep quiet..

There's a knock on the door..

My mother is sitting on my bed with her head on her head..

I look at her hate. Is she even my mother? Okay maybe she is because I have some of her features. I'm mad and I just can't control. How could they do this to me, I'd understand mom but dad? How could he do this to me? His only daughter! Instead of wanting to see her happy

he's selling her off! I now remember I just broke up with Quinton,I'm stupid! I've just broken up with the only man who loved and cared for me as I am. I now remember all the things I said over the phone,gosh I'm so cruel. I'm crying and I walk to my room. Luckily they let me be. Is their marriage arranged? Is this some family thing? "If you don't arrange a marriage for your daughter,you'll be cursed!" Is that what they told them?! Urgh!!

I get to the room and my cousins are chatting up a storm but as they see me they come hug me. I break down, I'm not only angry and heartbroken at the fact that I'm being sold off but also by the fact that I know my mother will never live MD and my father has shown me his true colours,I have no one! Quinton? No I doubt..

*

As I'm crying I feel some pains on my abdomen. I scream! Then the pain hits me stronger than

the first time! I scream..

Siya: "hayi what's wrong?"

Phelo: "baba!! Mama!!"

She screams for them..

I sink to the ground biting my lip as the pain becomes worse..

My parents barge in the room and as soon as my dad sees me,he picks me up and we go outside..

BANZI

*

The place is a nice place though I'm sick and tired of these gravel roads. I keep hitting bump to bump,I'm just glad I took my old Toyota,it's a

van,I bought when I got my job as a PA,they really paid me good..

*

I know where Zamo's home is so I'm heading there. There seems to be chaos when I get there. I park my car as I start to panick. I see my girl (Zamo) in her father's arms and he's arguing with her mother..

I get out of the car and go to Zamo and forcefully take her and put her in my car..

Baba:"yewena mfana!!(hey you boy!!)"

He shouts as I start the ignition..

Me:"I'm taking to the hospital, I'm BANZI Shezi,her boyfriend! I'll bring her back safely!"

I say and drive off..

*

Getting to the hospital,I shout as I get..

Me:"please heelp! My girlfriend has passed out..!!"

They come with a stretcher and the her away.
Not after a long time,I'm called in by a nurse.
Zamo is awake..

I go over to her and hug her then kiss her cheek..
She moves uncomfortably..

The doctor clears his throat and speaks..

Doctor: "Mr Shezi,your girlfriend wa-..."

Zamo:"wait what? No no no no,he's not my boyfriend, he's my friend.."

Doctor:"oh sorry about that,uhm Miss Hlatwayo your BP was high and that affected the baby-..."

Us:"baby?!"

Doctor: "yes Miss,you are pregnant.."

Zamo:"Quinton why? Why?"

Doctor: "you'll stay here for the day then

tomorrow, you'll be discharged, and miss please try not to stress.."

Zamo nods and the doctor leaves..

Zamo:"why are you here Banzi? Is Didi here with you?"

I clear my throat..

Me:"Q..Quinton sent me here to fetch you and I came in such a hurry because I thought something had happened to you and I take you like a sister that's why Did I isn't here.."

Zamo:"oh? Well I'm glad,I don't want to be here anymore, I feel so betrayed.."

Me:"by who? Quinton?"

She shakes her head..

Zamo:"I'll deal with that one later,I meant my parents "

Me:"what happened? When I arrived to fetch you, they were busy arguing, you emwere in

your fathers arms"

Zamo:"mxm! He's not my father "

Me:"why do you say that..?"

She shakes her head..

Zamo:"don't worry.."

Me:"I'll go get you something to eat,I'll call your family"

Zamo:"no don't! Please...I don't want to see them now "

Me:"okay"

Zamo: "and thank you!"

Me:"pleasure "

I walk out smiling, plan did not go as I planned but things are looking good..

*

I arrive at home then stay in my car. I try to call Zamo but her phone isn't answered. Is she mad at me? Like really now? I call again and luckily this time it's answered..

Me:"Zamo?"

There's silence..

Me:"baby?"

That person then clears his/her throat..

?:"it's not Zamo,it's me,her cousin Boiphelo but you can-..."

Me:"I don't care! Where is Zamo??"

Phelo: "she..she's at the hospital"

Me:"What??"

Phelo: "she was taken there by a man called

Banzi Shezi.."

What the fuck was Banzi doing there?!!

I hang up and reverse my car and just drive off..

*

I'm confused and angry at the fact that Banzi is there. I swear if he is planning something against me,I'm going to kill him! If he thinks he has a chance with Zamo *chuckle* I'm going to make him suffer!!

I'm ignoring every traffic light and drive as fast as I can to ***Hospital. I know where it is because when I took Zamo home,it wasn't the first time I've ever been to KwaMhlanga. I get there and run in and that's when all eyes land on me. I go to the receptionist..

Me: "I'm looking for Zamokuhle Hlatwayo,was admitted here a few minutes ago.."

Her eyes stay on me..

I bang the table and hold her by throat..

Me:"you're fired! Now tell me where to find my WIFE!"

I let go of her. Yes I have anger issues!
Whatever!!

She types something..

Receptionist: "r..room 23"

Me:"pack your bags..."

I say and walk away to the room. I find her looking at the ceiling..

Me:"baby.."

She looks at me and immediately tears gush down her beautiful face..

I go there and kiss her..

Damn!! I've missed these lips..

*

I calm down and sit on the chair..

Me:"don't cry please baby,I'm here okay and I'm sorry,I'm really sorry for everything.. "

Zamo:"I..I missed you.."

*

*

It's like I forget that I'm mad at him when I see him. Why? I don't know..

Me:"I'm sorry I overreacted "

We're holding hands..

In comfortable silence and I break the ice..

Me:"I'm pregnant "

A smile grows on his face,then he smirks..his favourite expression..

Q:"I don't shoot blanks babe"

I laugh..

Me:"you never know baby, could be just-.."

Q:"don't say it my love.. "

I smile

Me:"how did you know?"

Q:"my mother "

Me:"y..your mother?"

Q:"yes,I got the hormones "

I grin..

Me:"I'm so happy,now you get to know the pain pregnant woman go through"

He rolls his eyes..

Me:"no Quinton, don't turn gay on me"

His face changes and I laugh..

Q:"I'm not gay!"

I stop and look at him..

This man is sexy!! Damn!! His dreadlocks are in a bun. His pink lips are wermt because he has this tendency of licking his lips. His strong arms arms with tattoos are flexed a bit showing his muscles. He looks dangerous yet handsome and hot..

I think I just got wet..

*

Banzi:"lunch is he-..."

He stops mid sentence as he sees Quinton.
Quinton's face also changes..

Banzi:"bro? What are you doing here?"

Q:"isn't this my woman??"

What is he doing here? Who called him? It can't be Zamo because she doesn't have a phone. I'm not sure what to say right now. I'm tongue tied because Zamo is here!

Me:"she is(I chuckle nervously) silly question "

His facial expression is blank and his eyes are cold,I don't know if he's Butcher or just an angry

Quinton..

Q:"so what are you doing here?"

I glance at Zamo and she's confused..

Me:"I-i came to check on Zamo"

I say

Me: "and I bought her food.."

His breathing has changed. I've never seen him like this with me. Why? Does he know something? Would he really kill me? Without meeting my parent?-parents?

Q:"why are you here!!"

He shouts and Zamo gets startled but Q doesn't seem to care..or should I say Butcher..

Zamo:"calm down Q!"

He let's go of her hand and pounces to me!

I flee and drop the plastic with Galitos..

Her head is on my chest..

Me: "baby?"

Bae:"huh?"

Me:"what happened? "

Bae:"with what?"

Me:"you're sitting here in hospital "

She gets tense..

Bae:"don't worry about it"

Me:"I'm not about to repeat everything I said My Love.."

Bae:"it's rea-..."

Me:"Zamo.....(warningly)"

She sighs and tries to sit up but I hold her down..

Bae:"I wanna look at you"

I let her go and she turns and faces me..

Bae:"After my call with you my mom called me"

..

Bae:"we went to the lounge and my father was there"

..

Bae:"before I was called,my mother took me out

Bae:"while my aunts were busy cooking and whatever at home.."

Bae:"little did I know while I was shopping with mom,Lobola negotiations were happening.."

Me:"what??"

..

Bae:"he then...(she looks up)...t..tells me they've..a..arranged a mar..marriage for me"

She cries on my chest and I calm down a bit..

She cries out but I tense up..

☀ MORNING ☀

*

ZAMOKUHLE

*

It's morning and I wake up to some talking. I open my eyes a bit and peek and it's Quinton and the Doctor. I'm really not sure what they're saying but after a while I do and it wasn't that interesting, just pregnancy talk..

Q:"so can we do the ultrasound thingy right now?"

Doctor: "no because her pregnancy is only a week old, nothing much has developed but y'all can come back in a month or 2 if you're this side.."

Q:"okay"

Q turns and finds me awake and stretching..

Q:"morning my love"

He comes and gives me a breathtaking and wet kiss leaving me wanting more. He winks and I blush but the Doctor disturbs our moment by clearing his throat..

Q:"khona into ewrong doctor? (Is there something wrong doctor?)"

Doctor:"no"

Q:"then fuck off! I'll come fetch the discharge forms.. "

The Doctor hurries out and Q closes and locks the door.. I laugh..

Q:"and then wena(you)??"

Me:"nothing..just the fact that I remember you telling me almost the same thing"

Q:"Aargh baby! When are you going to fotmrgt that? "

Me:"when you cheat"

Q:"then you won't ever forget that"

Me:"I hope so"

I pull his face to me and kiss him. My hands messing with his untied and messy dreadlocks. He groans as I rough them up and I moan when he deepens the kiss..

Q:"I missed you"

He says in between the kiss and sneaks his hand under my gown. I shiver as he rubs my lacy panty. I lift my leg a bit and he slides my panty sideways then enters a finger..

Me:"mmmmhhhhh"

I moan as we pull out the kiss. I can't believe we've been kissing for that long..

*

He's finger-fucking me and I'm moaning like crazy!

Me:"aahh! Baby! Oh-oh!!"

I come and he hurriedly takes of my lace panty. He get me off the bed and gets all the drips and whatever connecting to me off. He pins me on the wall and enters himself..

He groans and I fkinch abit tmtgen moan..

"it's been a while "

Q:" fuck you're so tight baby!"

He starts going in slowly but deeper..

Me:"awwww!"

He starts going faster..

Moans and Groans fill this our room and probably the whole floor.. ..

*

He's now banging and fucking me like there's no tomorrow. We're sweaty and I don't know how many rounds and times I've cummed. He's only cummed like 3-4 times and mostly through my orgasm,he'd fuck me through it..

I cum and he cums too groaning and gasping for air. Damn!! So much stamina. He rests his head on my shoulder and breaths down my neck..

*

We take a bath together and hrme brings a plastic with clothes in. It's both for me and him..

Me:"wow.. You came prepared neh? So you knew you were going to sleep over?"

He shakes his head and smirks..probably going to say something stupid..

Q:"no,I knew we'd fuck"

There it is..!

I wear the jean and T-shirt and sandals. He also wear a jean and shirt and sandals..

He opened the window and sprayed some perfume and I'm surprised. Did he really

know?? ehhh....!

**

After signing the discharge forms, we head back home..as in my parents house,to fetch my clothes. I get off the car and go inside. My father attacks me with a hug. It's usually mother's who do that but my mother is just the devil nje to even care about me!

Dad:"oh Zaza! I was worried "

Me:"well I'm fine,I just came to take my clothes "

Baba:"so soon?"

I shrug and walk away from him. I get in my room and start packing my stuff..

Boiphelo: "oh cuzzy,I'm sorry"

Me:"it's okay"

Siya:"so soon though?"

Me:"what did y'all think? I'd stay after my parents told me they sold me off!"

Phelo: "but uauty told us,you love the guy"

Me:"oh so you knew about this?"

They keep quiet..

Me:"wow, talk about so much betrayal..Nxx!!"

*

I've packed everything that ever belonged to me. I don't think I'll be coming back here. Unless it's a funeral but I won't sleep in this house with betrayers and backstabbers!

I walk out with my backpack in my hand and pass my parents..

Mom:"hayi keh! Uyaphi wena Zamo(where are you going Zamo)??"

Me:"my house"

I say with a bored and tired tone. I'm really tired

of my mother..I wish she wasn't!

**

**

The drive back to my-our house was quiet because I was tired. We had to switch driving because Quinton was sleepy. I'm so glad he didn't take me serious. I now remember that he has a child. A baby girl named Lisakhanya. She's 1years and a few months old. Not that old. I so hope there won't be any baby mama-drama. I don't want to be clawing any bitch for what is mine!

*

I park in front of the gate and open it with remote. It's like the evening almost to night. This car is fast and would've gotten us here earlier than this but I like to remain cautious and careful,don't want any accidents since I'm pregnant..

*

I wake Quinton and as tired as he is he carries me inside and to our bed, where we don't bother to change but just sleep..

He's just gotten back with someone but we don't know who yet. It's clear that it's a woman. Where he was? We don't know but we don't care. I just want to see if he's legit with this girl and how he treats her then I will make my move. The crew has been keeping track of things with his family and they haven't come back with feedback yet but I'm not worried, they're the best in the gang..

I'm drinking whiskey in my house and I'm already drunk. I decide to go out to a club just to relax and get a good fuck to release some stress. I change into something that spells class and expensive..

He'll pay! I'll make him pay! If he was prepared to kill me without thinking twice then getting Zamo was going to be harder than I thought. I drove back from KM to my place. I just was tired and Sindi left me to leave with Angie so I'm alone and can't release some steam..

I decide to go to a club to just get drinks and a good fuck. I'm going to deal with this tomorrow when I'm okay and clear minded. I change into something simple but make sure I look classy and expensive. I take my AMG and drive to the club..

I'm happy! My life has been absolute bliss! My relationship with Quinton has been awesome and amazing. He's the best boyfriend every girl could ask, it's a bonus that he's.. handsome etc..

He's moved in with me fully and has made me the happiest girl in the world. We've went out on a few dates and that has caused us to be on

tabloids, medias and comments have been thrown to me. A lot in 2 months has happened shame. I've finally met his family and they loved me. Me and his sisters have this bond that no one can break. We have teamed up and my original girls(Angie,Did I and Bobo) and Quinton's sisters get along really well. I'm really glad,so our group of girls has grown..

*

Although Quinton's family loves and adores me since I'm pregnant,there's this Mike dude who didn't. He's always commenting bad things about me and my body. At first I was hurt and Quinton beat him up,I've learnt to just ignore him. His fight with Quinton,which ended up with both of them really badly injured,didn't change him at all,even in his hurt state,he said all those things..

*

It's a new day and I'm excited about going to my 4th scan. I'm always excited! I get out of Quinton's grip easily today and head to the bathroom. I'm tired but my excitement washed all the tiredness off. Quinton is out of it. He always has this energy and stamina these days for sex. His sex game is ! And I've got the the cravings and laziness while he got the morning sickness which is over..

I'm emotional and a baby these days,seems like it didn't last that long on his side..

I'm not really worried about being a mother. Being a nurse has taught me a lot of things and also school and sometime training..

*

I brush my teeth and take a shower. I dry myself and lotion then wear my gown. I go downstairs and get started on breakfast..just simple eggs,bacon and toast with coffee...

While still making the eggs,I feel hands snake their way around my waist and his dreadlocks fall on my neck and he kisses my neck..

I moan..

Me:"morning baby"

I smile and bite my lower lip..

Q:"Morning to you too sthandwa sam'(my love),themba lam'(my trust/hope),sweedi lam' lomkhuhlana(my sweet for flu..),Ntombi yam(my girl/woman),mfazi wam(my wife),Mrs Shezi.."

I'm blushing like crazy..

He turns me around and I wrap my hands around his neck and we kiss..

He picks me up and we head upstairs, still kissing..

*

We're still kissing when we get to the room. He

puts me down on the bed and breaks the kiss. I sniff as I smell something..

Me:"(sniffing) What's that sme-ah Quinton my pan!! "

I push him off as he was about to take off my gown and run downstairs. I hurriedly move the pan..

Me:"oh my pan! My pan!!(I cry)"

It's black and burnt and so are my eggs..

Quinton comes down in a hurry..

Q:"are you okay baby?"

I shake my head..

Me:"my pan Quinton!! It's burnt and so are my eggs..they were so beautiful!! "

I break down..

Q:"hawu baby we can just buy another one.."

Me:"th..this was my..my favourite ooonnnnee!!"

He comes to me and picks me up..

I wrap my hands around his neck and my legs
around his waist. I rest my head on his neck and
he hushes me brushing my back.. My

I was sitting with my brother Austin since he's the only one not acting like a jerk. Maybe there's something bothering Michael but even if there is, it doesn't give him a right to insult my girlfriend, next time I won't beat him up but I'll kill him. I can afford to let my babies die because of him. Zamokuhle, what I've noticed during the pregnancy, is fragile, just 3 days ago she was scratching my back because I was too tired to massage her feet. I came from a business trip that was only one day, so I was really tired..

Austin: "so how's the wifey?"

Me: "she's good"

Austin:"she's a keeper man and I see many losers be looking at her from left right.."

I shrug..

Me:"I know my wife will never do that "

Austin:"so what's up with Michael? He seems to have a real big problem with ya wife"

Me:"I don't know what's his problem"

Austin: "maybe it's jealousy, he didn't get married"

Ooohhh??

Me:"to who?"

Austin: "we haven't met the girl but they paid Lobola 2 months ago"

Me:"sadly bro, I think I know who she is"

Austin: "who is it"

Me:"my wife"

Austin: "shit!"

Me:"I'll talk to him about.. "

Austin: "no no no no no! No! Your " talks"
always end in a bad way"

Me:"I'm serious bro"

Austin: "I'm serious too,he still has a few
bruises"

Me:"and I don't"

Austin:"show me"

I tilted my head looking at him..

He was still staring at me...waiting..

I sighed and stood up and lifted my shirt and
him my back,just a few scratches..

He busted out in laughter..

Me:"what's so funny about my back?"

Austin: "your wife did that!"

I stood up and charged for him and punched
him in the face and he punched me back..

Trust me..it was harmless fun

*

I flinch as she puts the bandage on..

Bae:no baby maan! Stop moving your big head!"

Me:"my head is not big"

Bae:"then just shut your big mouth!"

She was angry,I could tell. I've been telling her that I wasn't "fighting" with A but I was just having fun! Besides he was the one who started this and usdd to punch me back in highscool..

Bae:"baby?"

Me:"mmh?"

She sat down after finishing whatever she was doing to my face..

Bae:"where's BANZI??"

Me:"I don't know "

I said,not even caring..

Bae:"but baby he's your brother "

Me:"so?? Isn't he old enough to take care of himself "

Bae:"what if he's hurt?"

Me:"why do you wanna find him so much?! Do you want him to be your boyfriend?! Did you two fuck back at the hospital?!! "

Bae:"No!! How could you accuse me of such a thing??!! I was just caring! "

Me:"well don't care!!"

Bae:"have fun sleeping on the couch.."

I ignored her and she went upstairs..

I'm not going to sleep on the couch and she knows it. She can't handle being cold and my arms not around her,her words not mine..

When I thought it was time for me to go to slrmeep,I went check the front and it was locked..good!

I went upstairs busy stretching. My back hurts from that "fight",right now I just need my warm and comfortable bed,or any bed in this house..

I tried opening our bedroom door but nothing! WTF! I thought about her statement and chuckled,I'm still not about to sleep on the couch. I went to the guestroom next door and the door was locked too. I checked all of them and they were all locked..!!! I'm still not sleeping in the couch. I'd rather visit Bonga and sleep in his house,even if it'll humiliate me!

I went to check the front door and it was locked, but what was really weird was that I could find the key...

No no no no no!! The couch!

I combed my unbraided still a bit short hair and left it like that. I wore my kitten heels and went down stairs..

*

There he was sleeping on the couch. Wow! He doesn't want to sleep with me anymore?! Am I that fat and ugly?

I went to him and woke him up..

Me:" baby? Baby?!!"

Q:"mhm?"

He moaned and groaned..

Me:"I'm hungry!"

Q:"tnjxshkjxsjkrza"

He said I'm his sleep!

Me: "BABY!!!!"

He jumped up and fell..

Q:"Ahh! Damn! My back!!"

He doesn't care about me anymore! All he cares about is his back..

I sniffed..

Q:"yini manje my love?(what now?)"

He stood up and stretched and I heard his back make that "xow" sound..

Me:"I'm hungry "

Q:"ufuna ini?(what do you want?)

I smiled..

Me:"I want hot wings,ice cream,mayonnaise,

Debonairs and Romans

pizza,cheese,yoghurt,fish,cake,Maynard's,lays,si

sauce,bacon,peanuts and lastly spicy meat.."

Dealing with tough things alone can be hard at some times. That's why you need someone who's experienced and sometimes if you're lucky, he'll be able to be an inside man. My case on Butcher has escalated to a level that I know, I'll catch him and he doesn't know. 2 months ago when I went to the club, I made a friend.. Banzi. Banzi and I clicked from the moment we met and the best part was that we had one goal in common.. Kill Quinton/Butcher..

*

So we've established the fact that Q/B doesn't know about me,so I could act as someone else to get him closer to me while Banzi gets close to his girlfriend.. Zamo. I found out it's Zamo and when I did,I wanted to cut all ties with this Banzi guy but then be told me,he's doing it because he loves Zamo. I do too and he promised me we'd share her "sexwise".. Weird and disgusting but whatever,I've never tasted Zamo and I will now since she's no longer a virgin..

Our plan was to actually kidnap Zamo but we would not be able to do that without earning his trust...

I'm with the crew at the warehouse and they're updating me on Roberto's case. I know Roberto has a crew, guy is a wimp but you wouldn't steal from someone like me and not plan to deliver it to somewhere..

We hacked his surveillance cameras 2 days ago and I managed to actually make time to check it out while the girls as well as my love are away..

It showed some dude getting and yeah seeing the dead Roberto. He looked for evidence but nothing! Hetgen dragged Roberto to the carpet and wrapped him around it then dragged him out..

This could be useful to me..

Me:"mhm"

Bonga:"sizokwenzani manje?(what are we going to do now?)"

Me:"Bonga can you print out the picture of that guy "

Me:"do it.."

He did his thing and I took the photo..

SINDI (once off)

*

He betrays my trust and cheats and shows no remorse. We're back from the spa and we're chatting up a storm. They've been here since we came back. BANZI is missing and although I hate him right now, I love him so much and I'm worried. It breaks my heart to know that he's getting pleasure from somewhere else but I

promise I'll find that bitch and when I do,I'll make sure before I kill her mysekf, I'll mame her suffer..

*

Me:"has anyone of y'all heard from BANZI?"

Bontle:"no"

Angie: "no"

Zamo:"I haven't seen him since that day at the hospital "

Me:"I still don't get why he was there"

Qini:"men will always be men girlfriend, is he cheating on you?"

Me:"I think so"

Angie: "hayi girlfriend, we'll get that bitch and when we do,she'll be sorry.."

Bontle:"could be bitches"

Me:"it doesn't matter how many they are but I'm

not leaving Banzi for them to continue eating him"

Zamo:"I'd leave Quinton finish and klaar"

Bontle:"and the baby? "

Zamo:"the baby is in my stomach and even if I gave birth,he'll/she'll come with me,what does Quinton know about taking care of babies?"

Qini:"there's the baby mama"

Zamo:"she'll die young shem!"

.

They all laugh..

Angie:"how was home vele?"

Zamo:"I'm so angry at my parents right now"

Bontle:"is that the reason why you landed at the hospital"

Zamo:"yah,I was stressing,and by the way,I'll need your numbers"

Bontle:"I thought you had our numbers.. "

Zamo:"yah,..I think I left my phone back at home or some where, si Q bought me another one.."

Qini:"awa! Girl,why would you leave someone who can just buy you a phone when you need it?"

Bontle:"And take his baby?"

They laugh but I'm not laughing. What if he has impregnated the girl??

*

They all leave and I'm left with Angie,who goes to sleep..

I go to my room and take my backpack and pack all my things,they weren't a lot. I take Angie's car keys and drive to Banzi's place..

*

I get there and get out of the car. I take out my key for the house and unlock the door. I have

my own key..

I get in and close and lock the door. Things haven't changed a bit except the fact that the place is dirty..

*

I start cleaning and cleaning. The dishes are everywhere, explaining the fact that he has had parties and friends over. Banzi isn't a neat freak! So if he messes up, he won't clean it up no matter what, even if it's bothering him..

I don't know how many houses he has left and bought. He's lazy too, lazy enough not to call at least a cleaning company! argh!! Nx!!

*

I get to our bedroom and the bed isn't made. I know I'll never be able to change Banzi but awa! This is too much!

I start making the bed but as I lift the

blankets, something falls on the other side of the bed. I go check and it's Zamo's phone. What is Zamo's phone doing here? Didn't she say she left at home? Unless....she's... She's been cheating on Quintin by sl..sleeping with Banzi! How could she!? How could she do this to me??!! I thought we were friends

I'm going to kill her!!! After so much I've done for her she does this!!

....I'm sad...

....I'm angry...

....I'm confused...

Why would she do this??

And maybe.. ..the baby she's carrying is..is Banzi's...!!!!!!!

Getting back home,Quinton wasn't back but it's okay. It's still early and he might be chilling with the guys. I start on dinner and while the pots are cooking,I go change into my PJs. I go back to the pots and continue cooking..

When I'm done it's 20:02. Why is he not back?
There are guards outside the house..When did

he put them there? Ayi! I go take a bath while listening to some music. I dry,lotion then dress up in my short PJs..

I get a call from Bontle..

Me:"hey girl"

Bontle:"Hey Zams,is Sandi there with you?"

Me:"no,I'm alone right now and surprisingly there are guards"

Bontle:"I see them too, what are these men up to?"

Me:"he better not be doing something I won't like,I can't lose this baby"

Bontle:"I'm sure they'll come,bye girl"

Me:"bye!"

I hang up and turn around but I'm stopped by a voice..

?:"Don't Move!"

I bite my lower lip as it trembles..

I know that voice but I can't remember who it belongs to..!

I hear footsteps coming closer to me and soon a gun is on my head..

My breathing has gone up and tears are welling in my eyes..

.

Quinton where are you?!

.

He first searches my pockets..

?:"Drop your phone!"

Why is he shouting..??

Me:"pl..please do..don't d-.."

?:"Shut up you pregnant bitch,you don't want that baby you're carrying gone!!"

I drop my phone and he kicks it far away from

me..

My tears gush out..

??:"shsh baby, you're safe with me,I won't break your heart like that son of a bitch Quinton will,you're mine and mine alone,I saw you first..!"

*

His face is covered with a baklava. I'm scared and as I go out,there aren't any guards. Where are they?? We get into this black with tinted windows tazz. We're both in front..

*

He stops at a robot and I'm facing outside. My hands are tied up and my mouth is tied up too. Next thing I feel an injection on my neck then lights out..

I wake up with a headache. My eyes were heavy and lazy. I felt some pain on my neck and ankles. I tried moving my legs but they couldn't move and instead, I felt in more pain..

I sat up and saw that my legs were chained and I was naked. I quickly covered my vagina and breasts. Gosh I felt so exposed! He undressed me? I quickly removed my hands from my breasts to my stomach. I breathed out in relief as I felt my bump. I'm 2 months pregnant and

the bump is still a bit small..

*

I cried silently as it all comes to my mind that I'm kidnapped! Where is Quinton? Is he looking for me? Who kidnapped me? Why? What did I do? Is it something I did? Is it something Quinton did? What is happening around me? Am I even destined for happiness? Everyone around me seems to be having a good life. Since I've found live and since I've been with Quinton,there's no peace? Am I not supposed to be with him? Is it him? Am I a curse? Am I the curse in everyone's lives? Am I the reason people don't get peace or what they want? God please help me! What have I done to deserve this? My own mother doesn't love me! I'm a curse to her! Is my dad starting to see it?...

*

The door unexpectedly opened and I wasn't

ready for what I saw...

Me:"Michael"

I said surprised..

Is he here to save me? Is he the one who did this?

Me:"Michael what are you doing here? Are you here to save me? Oh please help me! They've kidnapped me!! "

I said trying to untie the chain! Urgh! What am I doing? A chain? I can't untie a chain?

Me:"Michael pleaaaasssee!!! Heeeellpppp meeeee!!!!"

I shouted but he just stood there with no emotion on his face! Why isn't he helping me?! He's Quinton's brother for heaven sake!

*

He comes closer while I'm crying and does the unexpected! He slaps me! I scream! And he

slaps me again..

I'm bleeding on y nose and I feel my cheek go swollen..

Me:"aaaaahhhhhh!!! Mike pl..pleas-..."

He holds me by my neck,squeezing it..

Mike:"He's never going to find you and that bastard you're carrying alive! If I can't have you no one can! Now you're going to be a good girl and cooperate. I'm not about to have my wife crying like she's not happy!! You're mine!! I saw you first!! "

I felt my self losing breath and when I was about to give up he let go of me. I was shivering..

*

He gave me the tray he had with him. It was food. I looked at him not sure about the food..

Mike:"don't worry,the food is fine"

He ate half of it a bit..

Mike:"eat..!"

I hesitated by when I tasted the food,I indulged. It was really good although I craved for some yoghurt and hot wings..

He then gave me water and two pills to drink..

Mike:"painkillers, I know those chains are painful and I'm sorry about your neck.."

I drank the the pills and soon I felt drowsy and fell asleep..

I woke up when I felt like my stomach was turning. My abdomen was aching and in serious pain. I moaned loudly as a stroke on my abdomen area. I screamed loudly as it stroke again..

Me:"aahhh!! "

It hit me again and this time I got up. I was feeling very hot. I was still on the bed. I looked down when I felt myself getting wet as I moved. My eyes popped out at the blood stained white sheets. There was so much blood..!!!

Me:"Mike!!!!MICHAEL!!!!!! HEEELLPPP MY

BABY IS DYING!!!!(crying)MIKE PLEASE HELP
MEEEE!!!!!"

*

I broke down as the pain had now stopped. I was stained with blood. My tears could not stop streaming and I felt so weak..

The door opened and I didn't even bother myself to look...I knew it was him..

Mike:"baby.."

He came to me and touched my cheek. I shook my head trying to yank his hand off but he held my head stiff..

Mike:"are you okay??"

I looked at him. This is all his fault! I lost my baby and it's all his fault!!

*

He unchained me and carried me to the bathroom and there was already a tub filled

with water. My Nana was in pain and I was still dripping blood. He put me in and went out closing the door..

I broke down in the tub as the pain I felt was beyond anything. My heart was broken..I was broken!

Quinton I'm so sorry! Maybe it's my fault..it is..

I got out of the tub and dried myself then wrapped a towel around my body. I was about to open the door when I heard Mike talking to someone..

*

Mike:"I gave her two!"

??:"that's more than enough but that could also cause damage to a sensitive womb!"

Mike:"the babies are gone! Just check if she's okay! That's your job! It's not my first time giving a girl abortion pills!!"

I heard the door banging and my mouth hung in shock! I shouldn't have drank those pills!!...

Now my ba-wait did...did he just say babies?! No no no no!!!

*

I called Bonga to come and track down the location of the trackers in Zamo's body but they were off the grid..disabled. I was frustrated! angry!!

*

I drove home,to my parents house and when I got there,I went in..

Me:"Michael!! Michael!! Dad!! Dad!!"

Only my dad showed up..

Me: "where's your son!! Where is your fucken coward son!!"

Mom:"hayibo Nkosi! Don't-..."

Me:"shut up!! Mom I'm here for your son! No one else! I'm here for that bipolar son of yours!!"

They gasped in shock..

I'm angry...

I'm shaking and I'm sure I look scary asf..

?:"Family!

I turn around stretching my knuckles..

It's him! That son of a bitch!!

I ounce to him and start throwing punches. I kick his stomach repeatedly...

Mom:"umtanam!!!!(my child)"

I felt someone pulling me away..

Me:"WHERE IS SHE!!!!!!!!!!!!!"

I pull out my gun...

*

My phone rings...

I calm down a bit and answer..

Me:"What the fuck do you want?!!"

Bonga:"Chill bruh! I have Zamo's location, not far from here,let's meet at the FF hotel.."

Bonga:"I have my ways.."

I looked at him..

Bonga:"okay okay,Michael has trackers on him"

I got out the car and walked to the elevator, no

questions asked..

I looked at the paper and the room it had..

I went around looking for the room till I found it.
I pulled out my gun and shot the door as it was
locked..

*

I got in and nothing was in the room. Nothing!
White sheets on the bed,neatly made. Nothing
looked out of place..

I went and started looking for anything that
might just show me she was here. I checked the
bathroom and I saw something shiny in the
bathtub..

An earring? Zamo's earring!

A sign of happiness on my face..

She was here but I know it ain't the time tah be
celebrating..

*

I went out disappointed. I felt like killing Michael! I felt like strangling him to the death! It's not my fault I have Zamo and I know in his mental state.. He might have done something..!!

I got a call while walking to the car. I stopped and answered..

?:"TF dude?!!"

Me:"What the fuck do you want Austin?!"

Austin:"your own bro man?!"

Me:"if you have any more nonsense to me the I suggest you don't say it because I'll come back there and fuck your face up!!"

Austin:"Man what the fu-..."

Me:"NXX!!!!!"

I hung up and got in..

Me:"Bitch nigga moved her!..(I bitterly chuckled).. People are underestimating me Bonga! They are testing my patience!..(my

breathing was heavy)..I'm going on a killing spree!! Even if I find Zamo,I'll make sure blood is shed! People must die!!"

**

I got off the car and went in the house and it was clean..no sign of Michael's blood or him..

My hands craved for his throat..!!!!!!

Mom:"Quinton!! "

She comes out,out of nowhere..

Me:"ma....."

I say..

Mom:"nywa?! Nywa!! How could you beat your brother up so ruthlessly!?"

Me:"oh trust me,that wasn't ruthlessly!"

Dad:"Hayi!!"

I look at him angrily!

Me:"where is he?!"

Mom:"...(crying)...at the hospital, in a critical state, you broke almost every bone in him"

Me:"... .."

Mom:"you're proud of what you did?! I don't know you anymore!"

She went out..

All I wanted right now was my love ..no one else!...

*

We sat down in his study..

Me:"Do you know where she might be baba?"

Dad:"calm down Nkosenye!! "

I banged the table..

Me:"I won't cal down without knowing my babies and my wife are safe!! I need to go and find them!!"

Dad:"they are at my warehouse,moved a few minutes ago"

Me:"so you knew?!!"

Dad:"..l.-..."

Me:"FUCK YOU!!!"

*

I'm sure an accident has happened by now with the way my car is flying. I'm driving with my highest speed..

I get in the warehouse and speed in..

*

*

My eyes land on her eyes. The brokenness in them breaks my heart.The bruises are what sent me boiling and all the other men in the room with her. The fact that she was naked

really pushed me to the edge and I ended each one of them by stabbing them..

*

My teary eyes popped out and fear kicked in me as what I saw traumatized me. Is..is that Quinton? My Quinton? My Boyfriend? My man?

He was stabbing everyone in this room and the amount of blood on him made me fear him as he came close to me..

He took off his T-Shirt and wiped his bloody face and arms then threw it on the floor..

*

He came and kissed my forehead and cheek

then mouth and hugged me. I just remembered everything that just happened in the two days. I broke down and cried my lungs out. I let it all out on his chest ..MY BABIES ARE GONE..!!!!..

What made me cried worse was when he..he put his hand on my stomach and brushed it..

..I didn't even get to feel their first kick..I didn't get to discover their gender,how they looked like,I didn't get to know how many they were... ..

*

He unties me and picked me up and took me to his car...

I was still crying and caught a glimpse if him shedding tears..

The pain is unbearable. My heart is heavy..

I blame myself for what happened to my babies. As a nurse I should've known not to drink any pills unless the ones prescribed by the doctor! I should've checked the pills before drinking or most importantly, I shouldn't have taken pills from my kidnapper. I wasn't thinking..

*

For the 3 weeks, life hasn't been easy on me. Quinton has become distant emotionally and physically since I told him about drinking the pills. I know he blames me! And I don't blame him for doing so..

Michael woke up. It turns out somehow he "lost" his memory. He didn't remember anyone. I found out Banzi and Kamva are dead for reasons unknown. I've been asking myself what Quinton really is because to him, it looks like killing people cold blooded isn't a problem..He's too calm..

*

On the other side, I don't know what happened to my friendship/relationship with Didi. She has become a "bitch" (sorry for language). It's a bit mean to call her that, I know...

*

She has been hanging with Amanda and Feroza and throwing shade at us. Everything in my life is going upside down and the person I need isn't here. We should be dealing with the miscarriage together as a couple! Why should I cry alone? I get it! I..I..I killed them but...

*

In the morning, I again woke up alone in bed. My pillow was stained in tears and my eyes, when I looked in the mirror, were puffy and red. I had eyebags and I looked like something a cow vomited/spit out. I had lost a bit of weight and I looked like some hobo. I took a shower and wore my gown and went downstairs and made myself coffee. So I'm alone..

*

I wear my pink loose above the knee dress with white sandals. I tie my weave in a ponytail and wear my small white earrings. I start doing a bit of spring cleaning listening to my favourite artist..Cardi B..

*

You aren't the same nigga,i adored...

I gave you everything, what's mine is yours...

I want you to live your life, of course

But I hope you get what you're dying for..

.

Be careful with me..

Do you know what you're doing?

Who's feelings that you're hurting and bruising?

You can gain the whole world

But is it worth the girl that you're losing

Be careful with me..

Yeah.. it's not a threat it's a warning

Be careful with me

My heart is like a package with a fragile label on it

Be careful with me.

After cleaning almost the whole house,I was bored so I decided to make me some lunch,I would be making lunch for me,my babies and Quinton but I guess I'm all alone for today..

*

I made my way to the kitchen and starred making myself a sandwich. I sat down and started eating. I got to think about a lot of things like when last did I go to the gym? When last have I spoken to my brother?..

But I got stuck on the gym part. I should really go back..

I dialed my gym instructor..

Johnny:"Hello?"

Me:"hey John,it's Zamo"

Johnny:"oh hey! Wow! It's been a while since I've heard from you"

Me:"yeah,there's a lot of things that have been happening in my life"

Johnny: "good or bad?"

Me: "both"

Johnny:"well do you want to know what I think you should do?"

I shrugged..

Me:"yeahhh.."

Johnny: "come to the gym! We could even go somewhere just to get rid of some bad energy"

Me:"I'd like to come to the gym but that other idea..noo"

Johnny: "oh come on Zamo! Harmless man"

Me:"I don't think-..."

Johnny:"I didn't want to do this but I'm not taking no! For an answer"

I sighed..

Me:"okay.."

Johnny:"I'll pick you up tomorrow at 7,be ready"

Me:"tomorrow?? "

Johnny: "yeah and I'm free"

Me:"okay.."

Johnny:"great and don't forget to come in the morning, there's this new exercise I wanted us to try out"

I smiled..

Me:"fine with me as long as it works"

Johnny:"everything works mamacita!"

I laughed a bit..

Me: "you never know,I might be keeping quiet about the fact that you suck!"

He laughed..

Johnny:"I suck what babes?"

Me:"you meant 'at what?'"

Johnny:"at what?"

Me:"huh?"

Johnny:"you're confusing me babes!"

I laughed a bit..and smiled..

Me:"nevermind John! I'll see you tomorrow morning!"

Johnny: "can't wait..!"

Me:"bye"

Johnny: "bye!"

I hung up smiling..

*

?:"who was that?"

I turn around and look at him..

I don't answer him but just look at him. He hasn't been home for 2 days and that's the first thing he says! We're supposed to be dealing with this miscarriage together! But nooo Mr here has something more important to do!

Q:"I asked you a question!"

Me:"so?"

He chuckles and heads up the stairs..

I click my tongue as soon as he disappears.

Nxxx!!

*

I'm sad at the fact that I lost my second borns and first borns from Zamo. I don't know how to

deal with this since, I've never impregnated a girl before and have her miscarriage. Speaking of that I didn't mean to but I did and I regret it with my whole being. I don't blame Zamo for the loss of our babies(foetuses). I know I haven't been the best boyfriend and I know I won't be forgiven anytime soon..

*

On my absences, I went to visit my babygirl Khanya. I felt close to her since she's my first born. She's a beautiful girl and I think it's time she meets Zamo. I know that will be hard since Londiwe, my babymama, will be bitchy about it..

*

When I went to visit Khanya, I found Londi in her gown , I'm a man guys and it's been a while since I've had sex so I had sex with her. I didn't want to hurt Zamo and I still don't that's why I'm not going to tell her. I won't tell her, not

when we're going through a rough patch already but still, even if we do pass this rough patch, I won't tell her and I'll make sure no one else does and it's just Londiwe and I..

*

I went back downstairs. I was a bit calm now and I realised, I was a jerk!

Me: "baby.."

I said hugging her from behind..

She yanked me off..

Me: "I'm sorry"

Zamo: "go take a shower Quinton! You smell like brewery and..(she sniffed, her voice breaking)...and sex!"

She dropped her utensils and walked away..

I got out the house and just drove to my apartment again..

*

I got out and went to change into a loose above the knee dress. I didn't change my shoes. I washed off my makeup and just went to drink some wine...

*

This is almost how life has been treating me but apart from Jay's moods, I'm happy. There are times where I'd wish I was with Quinton, or wonder what would be happening right now if he hadn't cheated. I won't lie and say I don't miss him, because I terribly do. But I want to start a new life..

I haven't contacted anyone since I've moved here..Sandton. I have one besty and that is Michelle Stewart. I'm still a nurse y'all and I love my job. Luckily jobs here pay..and I mean cash,not peanuts..

*

About Jay,he's fullname is Jayden Zikode. He's 29 years old and owns a hotel and a club. That's the only thing I know..

**

QUINTON

*

Londiwe:"so I was thinking I start a boutique yabo? Then maybe create my own thing"

Me:"I thought you wanted to be a housewife "

Londiwe:"I did and I still do! My friend Khona will be running it,I'll just be checking everyone once in a really long while"

Me:"mhh"

"...Dadaaa!!..."

She says crawling her way here..

I stand up and pick her up,annoying Londiwe..why? I don't know..

Me:"hey daddy's princess,hungry,thirsty"

She giggles loudly and nods fast..

Me: "well then, lets go eat!"

She giggles..

Londiwe: "aaarrrggggghhhh!! That baby is starting to annoy the hell out of me!"

I look at her,eyebrow raised..

Me:"huh?"

Londiwe: "look Q,I think we should just give Lisakhanya away"

I bitterly chuckled..

Me:"what?? "

Londiwe:"look,she's just too clingy and loud,we don't need her"

*

I put Lisa down and pull Londiwe's hand to the lounge,where Lisa won't see us..

Londiwe: "really babe? Lisa can't understand a word we say"

I get angry...angrier than usual. I start choking her,strangling her for dear life. I see Zamo's

face flash in front of me and key Londiwe go..

She Falk's to the ground like a sack of potatoes and starts coughing. That's when I notice I was lifting her up..

*

Me:"we're not giving my daughter away,if you're sick of her then you're welcomed to leave,I don't mind"

I walk away to my room and take a cold shower then dress up in black ripped jeans and a black T-shirt and black kicks...

I go to a club..

Me:"one of your most strongest whiskeys "

He gave me the bottle and I started drinking...

**

Miserable would be how I would say my life has been. I'm staying with Londiwe and my babygirl Lisakhanya who's 2 years..

I want to give her a stable life but it seems like nothing is stable so far. I missed Zamo like hell and I know it's surprising but I haven't had sex in the past 10 months..almost for a year now. I just could get Zamo's words out of my mind..

.

.

.

.....

"IM SICK OF EVERYONE TREATING ME LIKE RUBBISH!! LIKE IM SOME THING,SOME ASSET,PROPERTY!! IM SICK OF IT!!" ..

.....

I wish I could see her right now and make things right...

Friday morning,I woke up and took a relaxing bath,then went to jog for about 30 Minutes. I

went to JG which stands for Johnny's Gym..

After the gym I went back home and showered, I dried, lotioned and wore my blue high waist jean skirt with a white vest. I wore my white sandals with blue stripe. I tied my hair and put on my nude lipstick. I took my small handbag and drive to work..

*

Arriving there I locked my car and quickly went to change. It hasn't been a while since I've been working here, just 6 months. My boss is Nomathemba Mbatha is a high class woman who built this hospital with her husband 19 years ago. A long time shame. She has a 18 year old daughter..

*

My lunch break I went to Spur where I met Michelle..

Me: "hey!"

Mich:"bestyyy!"

We hugged and I sat down..

Mich:"so how are you?"

Me:"I'm good! And you?"

Mich:"ah you know,I'm always fabulous! "

Me: "Always?"

Mich:"yes! Uhm bestyy? I invited someone I hope you don't mind"

I shrugged..

Me:"the more the marrier "

We continued to talk..

Morning,I woke up and went to brush my teeth. I made myself strong coffee and went to check on Lisa. She was playing alone but that changed as soon as she saw me..

Lisa:"daadaaa!!"

I picked up her up and we walked downstairs. By the way this house isn't the one I used to stay with Zamo.

Me:"I'm sure ulambile?(you're hungry)"

She nodded her head..

I put her down and she walked to the counters and started touching everything..

I feel like I'm a single parent

*

Londiwe was out and I don't know where she went. I'm thinking if cutting all ties with her. Then I find out where Zamo is,confront her and take it from there. I know I won't be able to have

my girl back while I'm such a mess..

We waited for Mich's friend who I found out her bane was Londiwe. She arrived after a few minutes..

Londi:"hey y'alls!"

Mich stood up and hugged her..

Mich:"hey Lolo"

Mich turned to me..

Mich:"Friendship this is Lolo,short for Londiwe and Londiwe this is my crazy besty Zaza short for Zamokuhle.. "

I stood up..

Me:"nice to meet you"

She faked a smile...I knew right there she didn't like me so I faked my own smile..

Lolo: "Nice to meet you too"

We sat down and I don't know why but it was just awkward..

Mich:"gosh! I can't take it anymore!"

We looked at her..

Mich:"let's have lunch like normal people,y'alls don't know each other so I don't get why y'all don't get along !"

Londiwe rolled her eyes..

Lolo:"Aargh fine!"

Me:"yeah..."

We started a light conversation, we ordered and ate. Londiwe was really a spoiled brat but ayi..*shrugs shoulders*..

*

I went back to work...

*

Knocking off,I went to buy myself a drink. Wine!
I've really learnt to live wine. Mich always has it
in her apartment so when I visit we get
druuunnnkk!

I called Mich..

Me:"babes!"

Mich:"Nanaz!"

Me:"I'm on my way home,I'm lonely and I have 3
bottles of wine!"

Mich:"ooh baby! We getting drunk?"

Me:"hell yeah!"

Mich:"I'll come with more drinks babes!"

Me:"fine with me,bring your outfit! "

Mich:"I sure will, it's our tradition "

I laughed..

Me:"hell yeah it is.."

*

I arrived and parked. I got in and went to change. I wore my red and black lacy lingerie. It fits me like a glove. I looked hot! I wore my makeup and red lipstick and my black pencil stilettos.

FLAMES!!

**

Mich arrived wearing an all black Lingerie which hugged her model body perfectly..

**

We then started our own party. Blasting music with wine! Mhm! It's what we do since I don't go to work tomorrow..

Londiwe:"babyy wam'!(my baby)"

She frowned..

Londiwe:"why you so cold?"

Me:"we need to talk"

Londiwe: "oh? Well I'm sure its not that serious,we'll talk when you come back"

Me:"it's over and I want you out when I come back "

I went to strap Lisa on her baby seat..

Lolo:"wait what? Quinton what did you just

say?"

Me:"I don't like repeating myself,don't worry,your bags are packed,I left some money for your cab.."

I put my suitcases and Lisa's suitcases in the boot..

Londiwe: "No Quinton! How could you do this to me?!"

..

"After all I've done for you!"

Me:"and what exactly is that?"

"I..I..(she screamed in frustration and held her head)you're not about to leave me! Who is she?! Heh?! Who is shee!"

I shut the car door on her face and opened the window..

Me:"I-WANT-YOU-OUT"

ZAMOKUHLE

*

That moment when you regret yesterday. What you did yesterday but more importantly what you drank yesterday. What you wore and what you said. There are consequences the next day. I'm starting to see how, wine or any kind of alcohol, loud music, heels and most importantly..a mouth don't mix. The mouth is a problem. What you said to someone, how you said it, why you said. There's always a problem after drinking. Our "tradition" won't last shame with how I'm feeling. I ran to the bathroom and let it all out. Damn! My throat, now I know how Quinton felt when he got morning sickness. The jumping out of bed while you were comfortably and warm to go vomit is not nice at all..

*

I washed my mouth then brushed it. I took of

the lingerie and put it in the laundry basket. I shower and wear my Nike tracksuit and a T-shirt with white AllStars. I'm all white. I go to the kitchen and make myself a strong cup of coffee. Mich is still sleeping. I drink up some headache pill then drink the coffee. After that I went to wake up Mich..

Me:"girl! Wake up!"

I shook her and she groaned..

Mich:"fbjcsbjvs"

Me:"wake your lazy ass up,we have to clean this place,Jay is picking me up!"

Mich:"hey! Jay is not my boyfie,he'll be dumping you not me "

Me:"and I'm sure you'll be happy "

Mich:"the best day of my life"

Me:"mxm you're so heartless "

She sits up rubbing her eyes..

Mich:"babe I know you don't wanna talk about this"

Me:"I'm glad you noticed"

Mich:"but I also know that you know you're not happy with him"

I look down..

Me:"I'm happy"

Mich:"really? What has he ever done for you except try to get you pregnant? "

Me:"he loves me"

Mich:"no he's using you"

She held my hand..

Mich:"he needs an heir"

I shake my head with tears welling up..

Me:"he's not cheating!!"

Mich:"I'm no-..."

Me:"he's not cheating on me!!"

I stormed out crying..

She's wrong! Jay loves me! He said it! He loves me! He won't break my heart!

He said that...

I went to the guestroom and sat there crying. It just hurt! Hearing her say that just brought all the hurt I felt when Q cheated on me. I felt like he no longer saw me the same. I felt like since I lost our babies,he hated me. I felt ugly again. The time I left,I checked into a hotel. I cried there and didn't go out. I went back to square one..

*

Michelle and I met when I decided to go do some therapeutic shopping..

She helped me deal with a lot of things and here we are today. She's actually a widow. Her

husband died 10 months ago I think..I don't remember..

*

I decided to just deal with this. I'm not weak but strong. I sighed and went to the bathroom and washed my face. I went to take some painkillers but stopped when I was about to drink them. I'll just drink water..

I drank the water and put back the pills..

I went to the kitchen ,where I found Michelle drinking water..

Mich:"oh I'm so glad you're okay"

She engulfed me in a hug..

Mich:"how are you feeling? I'm sorry about what I said,you're the one dating Jay,not me so you should know more than me"

Me:I sigh"you got me thinking though"

I sat down on the chairs and she did too..

Me:"I mean,Jay wants an heir and I was there"

Mich:"heyy you rhymed"

Me:"really Mich? I'm pouring my heart here and all you thinking about is rhymes?"

She shrugged..

Mich:"I really didn't wanna talk about this,I thought after the night we had yesterday we would be soo happy today"

Me: "neh?"

Mich:"yeah so call Jay and cancel on him"

Me:"neh?"

Mich: "yes and we'll just chill on this couch listening to Cardi B until we decide to go out.."

Me:"you always know what I need"

Mich:"ain't I your besty?"

Me:"I don't know"

Mich:"haa!"

Me:"I'm sure you don't know who you love more between me and Lolo"

Mich:"mxm! That bitch is spoiled! She ain't my friend,my mother forced me to take her out,she's actually my adopted cousin"

Me:"yoh,didn't see that coming"

She shrugged..

*

Mich went to the lounge and started playing some music while I called Jay..

Jay:"hello?"

Me:" Jay?"

Jay:"oh babe,I'm on my way there don't worry"

Me:"uhm Jay sorry but I'll have to postpone or rather cancel this outing,I'm spending my day with Michelle.. "

Jay:"What?!"

Me:"I'm sorry.."

Jay:"I already have everything planned out!
Dinner then Sex"

I keep quiet..

Jay: "Zamo?...Zamo are you still there?"

I hang up and go to the lounge..

Me:"Let's chill girlfriend! "

" "

-Mich:"I wanna get married,like the

Me:"but we more like Belly, Tommy and Keisha

Mich:"gave you TLC,you wanna creep 'n shit"

Mich:"I guess it's fine man I get the message "

Me:"you still stutter after certain questions"

Mich:"you keeping contact with certain exes"

Me:"do you though,trust me nigga it's cool
though"

Mich:"said that you was working but you out
here chasing culo,and butahs"

Me:"chilling pool size, living two lives"

Mich:"I could've did what you did to me to you a
few times"

Me:"but if I did decide to slide,find a nigga,fuck
him,suck his dick,you would've been pissed"

Mich:"but that's not my M.O,I'm not that type of
bitch"

Me:"and Karma for you is going be who you end up with"

Mich:"don't make me sick nigga"

Us:"The only man nigga I adored..

Later that day we went to watch movies at the cinema and came back home. On our ride home, a thought flashed in my mind..

--let me go visit my parents--

*

To be honest, I missed my dad. I missed our chats as father and daughter and more importantly, our chats. I love my dad and I don't want to be in a world without him. What would I do when I find out he's dead? When I didn't even say goodbye? Maybe he's sick or being abused by my mother and I'm busy here enjoying life?..

Me:" Mich?"

Mich:"bitch?"

Me:"yoh!"

She laughed..

Mich:"haha! I'm messing with you! I meant..Bestyy?"

I smiled then sighed..

Mich: "heyy,you just rhymed by your facial expression, you smiled then sighed"

She laughed and I just joined in..

Me:"and you introduced me as your crazy friend "

She laughs..

Mich:"you are crazy in your own way"

Me:"mxxxxxm...."

She softly laughed..

Mich:"now what did you want to tell mommy? "

I giggle the sigh..

Mich:"I don't care anymore Zaza"

I laughed..

Me:"okay,okay,enough with the laughs and rhyming,I actually wanted to tell you,I want to visit my parents "

Mich:"oh? (She asked curiously) I thought y'all ended on a bad note"

Me: "I'm missing my dad these days,I have this void,I just miss my father,I miss our bond,our chats, outings,trips etc,I miss his laugh,his jokes,I just miss everything about that old Zulu man.."

Mich:"awww shame,daddy's girl"

I giggle..

Me:"I'm a daddy's girl so what?"

Mich:"so nothing"

Me:"I'm thinking of leaving tomorrow "

Mich:"and Jay "

Me: "I'm planning on breaking up with his ass"

Mich:"That's my girl!"

Me:"wish and I'm feeling that Fifth Harmony
vibe"

She took out her phone and connected it to the
car and played Fifth Harmony-That's my girl..

Me:"Who's been working so damn hard you got
your head on overload "

Mich:"got yourself this flawless body aching
now from head to toe"

Me:"ain't nothing! Ain't nothing!"

Mich:"all my ladies round the world"

Me:"ain't nothing! Ain't nothing!"

Mich:"good girls better get bad"

Me:"you've been down before"

Mich:"you've been hurt before"

Me:"you got up before"

Mich:"you'll be good to go,good to go"

Me:"destiny said it"

Mich:"you gotta get up and get it"

Me: "get mad and independent"

Mich:"and don't you ever forget it"

Me:"got some dirt on your shoulder"

Mich:"then let me brush it off for yah"

Me:"if you feeling me put your five high"

The drive to the warehouse was shorter. I

arrived and parked then went in. It was just a few guys there checking how things work but I was looking for Fly. He's our go-to-for-IT-guy when Bonga is not here. The guys and I ended on a bad note because I cheated. They've never cheated on their girlfriends.. Ever! The girls aren't doing fine and they've turned on Sindi. It turns out that Sindi thought Zamo was cheating on me with Banzi so she planned an accident but things didn't go according to plan..

*

And yah,I killed Banzi and a Kamva guy. Banzi ratted him out and told me he's still following Zamo. He told me the location and I went there,kidnapped him and took him to the warehouse where I cold-bloodedly killed him..

With the whole family issue,I'll deal with it maybe when Zamo is back,in my arms..

Me:"majita"

They all started greeting..

Them: "bozzzaa!!"

We all did our handshake...

Me:"uwaar uFly?(where's Fly)"

I nodded and walked away to the IT room..

Me:"Fly?"

He looked..

Fly:"hau Bozza yaka,Dintsang?(my boss,what's up?)"

Me:"I need you to track Zamo's car"

Fly:"Zamo?...Zamo?(remembering)ohh dai vrou?(that woman)ahh I found her"[I've never typed "tsosti taal" and I'm never trying it again or whatever I've just typed]

We arrived at my apartment after parking the car where our luggage will be easy to carry out and put in..

We went into our rooms and she started helping me pack. So in the car we decided to go today to my parents house. She made the decision for me..

"What if when you arrive tomorrow you find out they're dead and they died on the same minutes or seconds before you came?" ...

Her question/statement made my heart skip a beat...Entlek this whole talk about death makes my heart skip a beat..!

*

Mich:" have you thought about what you're going to say after a year not coming to visit them?"

Me:(sigh)"no and I think I don't need to think about it. I'll just look at their facial expressions before saying something"

Mich:"neh?"

Me:"neh?"

Us:"yeah.."

Mich:"sounds like a good plan"

Me:"when are you going to visit your parents? "

Mich:"when I have time"

Me:"I'm going away so I'm sure you'll have plenty of time"

Mich: "hayi girly! My life doesn't revolve around you"

I laughed..

Me:"when are you going to work?"

Mich:"Tuesday"

Me:"I'll have to come back tomorrow, you should really buy yourself a car"

Mich:"I don't need it cause I have yoouuu!"

Me:"and when I die"

Mich:"eish this talk about death, and I'll just take the car"

Me:"that will never happen"

Mich:"I don't see how you will stop me"

Me:"I'll haunt you"

Mich:"I'm not scared,you are my friend, my besty and you will never harm"

I punched her shoulder..

Mich:"ow! I guess I was wrong "

Me:"we'll drive to your apartment after packing my clothes.."

Mich:"why?"

..... Zamokuhle

I run to my room and lock it. I look at the paper in my hand. She's at Kgosi Mampuru. An hour away from me. I wondered..

Does she miss me? Does she know how I look?
Does she regret having me?..

I was disturbed by a knock on my window. My curtain was closed. Who is that? Mo-i mean Xoli is downstairs with my dad..

I stood up from the bed and went to open the curtains. My hand went to my mouth..

Me:"Quinton?!....."

He smiled...

I opened the window and he climbed in
it wasn't that high.

Quinton: "Mrs Shezi"

I rolled my eyes and wiped my tears..

Me:"what are you doing here?"

Quinton: "I came here looking for yoh"

Me:"why?"

Quinton: (sighs)"I'm sorry babe,I really am"

Me:"you're forgiven"

Quinton: "really?"

Me:"yes now get out"

Quinton: "are you okay?"

Me:"I'll be as soon as you leave"

Quinton: "babe.."

Me:"I don't want to see your cheating face right now Quinton, I have enough problems! "

Quinton: (sighs again)"I'm really sorry Zamo,from the bottom of my heart,I've been miserable since you left, look at me njena(now),I'm not who I used to be,I miss you,I love you so much and I'm sorry I waited 10 months to see that,I took your love for granted my love and I'm sorry,I love you,I've never loved anyone like I love you now...(he kneeled before me)...please forgive me,please give me another chance baby,I miss you so much and I can't

handle more datmys without you in my arms,please Zamo,babe,my love,mfazi wam,Ntombi yam,bub,my bunny,my punkie,nana,chubby cakes,my Queen,my princess,nunuberry,my iPhone(I laughed), my Rolex,my beautiful girlfriend, my 100 children's mother(I laughed again).....ng'cela ungixolele....(please forgive me)..."

I wiped my tears...I was crying...

Quinton: "please Zamo....(crying)...I'm sorry..."

A knock disturbed me as I was about to speak...

?:"Zamo..."

It was my dad..

Quinton sighed and stood up and smashed his lips on mine...I froze, tensed up...I was stiff. I didn't move...

He squeezed my butt and that caused me to gasp in between our kiss giving him a chance to

slip his tongue...I responded...The kiss was filled with emotions, I was crying... He was too... My dad knocked again..I pulled out and he groaned and went in the bathroom...

I breathed out and wiped my eyes. I went to open the door and he got in..

.

Baba: "Zaza..."

Me:"baba.."

Silence filled the room..

He sighed..

Baba:"I'm sorry Zaza,I..i-"

Me:"it's fine. You don't need to apologize daddy. Even though you aren't my biological father,you loved me like I'm yours...I love you and you are and forever will be my daddy,my hero..."

I hugged him and he hugged me back,placing my head on his chest..

Me:"baba?.."

Baba:"mhh?"

Me:"Is Langa(my bro)adopted?"

Baba:"yes..Xoli can't have children "

Me:"oh...okay.."

~~~

He went out and Quinton peeked...

Quinton: "is the coast clear?"

Me:"Quinton... "

Quinton: "I'm sorry..."

He came and sat next to me..

We sat in silence...

Me: "I'm taking a break from relationships"

Quinton: "meaning?"

Me:"meaning I'm not getting back with you,I need to just be me for once,I've been with 3

guys and that's enough for me to realise that I need a break,y'all are dogs for real...at least the ones I met..."

Quinton: "3?"

His face was changing...

Me:"yebo! Problem? "

He kept quiet..

Me:"Quinton don't get jealous,You aren't my man "

Quinton:(mumble)"that's what you think"

Me:"mxm!"

...

He left and I was left lying on my bed. I guess I fell asleep cause I was woken up by my phone ringing..

Me:(sleepy voice) "hello?"

?:"Nanaz!"

I removed the phone from my ear. That was too loud...

Me:"Mich?"

Mich:"yes baby girl don't sound surprised, you know me mos,anyways unjani bestyy wam?(how are you my bestyy?)"

I taught her some Zulu..

Me:"I'm fine wena?(you)"

Mich:"fabulous as always!"

Me:"how's your visit? "

Mich: "great! I didn't realise how much I actually missed my P's! You?"

Me:"Secrets and Lies chomam (my friend)"

Mich:"yeah..?(continue) "

Me:"don't worry,I'll tell you when you come back.."

Mich:"but that's like in.....2 days!"

Me:"okay babes,I have to goo!"

Mich:"okay,I'll call you later neh?"

Me:"fine by me babes!"

Us:"mcwaa!!!"

I hung up and smiled then got up...

I bathed..wore my blue loose dress with white gladiators...

I tied up my weave and went out to the kitchen...

~~~

Me:"Morning Mdeni wam (my family)"

It was my dad and Xoli,,,,already downgraded shame!... ..

Them:"Morning "

I was in a lighter mood thanks to Mich..

Me:"how are y'all doing?"

Baba:"we sure aren't as happy as you"

I giggle..

Me:"oh daddy...unjani aunty wam?(how are you my aunty?)"

She cleared her throat..

Aunty X:I'm..I'm okay wena(you?)"

Me:"uyang'bona nje(you see me)"

~

Well we had breakfast over a light conversation and later I decided to leave. I'm going back tomorrow anyways..

I just put in the clothes I came wearing in my backpack ,said goodbye to my dad and aunt and left. I first wanted to visit my brother so I speedily drove to his/was mine,apartment. I just need him to drive me back to Sandton...

~

I parked my car there. It's been a while shame.
I've gotten used to Sandton...

The apartment looks good on the outside. The
pavement is clean as well as my stoep. The
grass is nicely trimmed...

I knocked and he opened..

Langa:"Zamoo!"

Me"Langa "

We hugged and got in..

Langa:"I missed you"

Me:"I'm missable I know"

Langa:"way to ruin the moment.."

Me:"my pleasure "

Langa:"so what brings my beautiful sis here?"

Me:"I really need a favour now"

Langa:"you always need a favour from me"

Me:(I giggle)"mxm,I need you to drive me"

Langa: "really?"

He looked excited..

Me:"duuhhh,I'm working tomorrow "

Langa:"great,let me get changed and we'll leave now-now"

Me:"hurry up then!"

He ran to his room..

He came back dressed in his black ripped jeans and a v-neck shirt with vans..

Me:"where are you going all dressed up?"

Langa:"you said I should take you to your place"

Me:"its almost night"

Langa:"I really need to make a few rounds"

Me:"a few rounds"

Langa:"hellooo sis,did you see your car? Where

did you get the money to buy it?"

Me:"that Mr,does not concern you,let's go"

We got in the car and he drove off listening to Migos..

He did actually stop by a few group if guys,,,maybe like 4 groups and that's when we seriously left. I directed him and even put it on the GPS...

~~~

I feel asleep and woke up when he stopped by a garage for snacks. I also went to the bathroom then we continued our journey. When we arrived at my apartment he also got out.

Me:"you are sleeping over neh? I need this car tomorrow"

Langa:"no problem as long as I wake up to a delicious breakfast tomorrow "

Me:(laughed)"in your dreams!"

We got in the house and although I wssbt driving,I was tired so I went straight to bed..

~

Morning I was woken up by a knock. I groaned and wore my gown and went to open..

I was immediately pushed out roughly out if the way..

I looked at the person and it was Jay..

Me:"Jay? What the fuck!?"

He chuckled..

Jay:"watch how you speak to me Zamo! I'm not your fucken child!"

Me:"My brother is here get out!"

He slapped me...

Jay:"shut up! Just shut the fuck up! Are you cheating on me?"

Me:"What? N-"

He slapped me again and I fell down...

My brother came down running...

Langa: "Zamo ar-..."

He stopped and looked at Jay..

I was crying on the floor..

Langa: "and who are you?"

Jay bitterly chuckled..

Jay: "I should be asking you that!"

Langa: "Zamo are you okay sis?"

He ran to me...

Me: "please leave J..Jay! It's over!! "

Jay: "not that easily baby girl"

He came closer to me..

"Take one more step and you're a dead"

~~~

That was Quinton...

.

Jay turned, this was becoming a mess..

Jay: "Fuck and who the fuck are you?"

Quinton: "They call me Butcher by you can call me your nightmare"

Jay: "Butcher?"

He said lowering his voice then laughed and next thing I know his arm is stabbed...

Quinton threw a knife at him from where he was..

~~~~~

3 Weeks Later.....

~~~~~

I'm packing my clothes in the suitcase. I'm moving out. These past few days have been nothing but head wrecking for me. Jay has been in a coma for these past 3 weeks. Quinton

stabbed him near the heart and I heard that he lost his hand,from wrist to fingers...

Ouch!

Mich has met Quinton and he himself has become a nuisance in my life. I've annex that tomorrow I'm going to go see my biological mother. I've also been indecisive about this. Only 2 months have to go and then she's released but I also want us to have a relationship when she comes out..

~

I'm moving back with...Quinton. No..I'm not back with him and I'm not planning to. We've had our moments but then I always come back to my senses before it's too late. I've met the adorable Lisa. She's a really bubbly girl,I've upgraded from gugu (Gogo) to Nana. . She's really fond of me and we've gotten used to each other..

~

I carry the suitcase to my car where I meet Mich behind the wheel..

Me:"and then?"

Mich:"and then what? "

Me:"I wanna drive "

Mich:"well you ain't gon' be able to do that with your place unlocked "

Me:"mxm"

I went to lock the door after taking my bag..

~~~

We arrived and like usual,it was night and the house lights were off. I dropped Mich at her apartment..

I got out and went to take my bags out. I carried them to the door and opened. I get in and immediately when I get in I hear..."HAPPY

BIRTHDAY!!! " ..

~

Me:" Wow! "

The girls(Michelle[Q's sis]I didn't know I knew two Michelle's ,Bontle,Angie,Qini,and Lisa[baby])

Me:"awww guys!"

I ran and hugged them..I didn't even know it was my birthday..

Bontle:"girl I missed you!"

Angie:"me too,you left without saying goodbye"

Me:"and I'm sorry"

Qini:"and I know what my brother did,I'm so sorry"

Me: "it's okay..anyway guys this is beautiful..."

?::"hey we're part if it too"

I turned around and it was Sandile... With

Bonga,Anga and Quinton..

Me:"hi guys"

Bonga:"hey,it's been a long time"

We hugged..

Me: "yeah"

Michelle: "and poor Lisa is ignored"

I looked for Lisa and he was kneeling on the floor crawling...

Me:"Lisaaaa!!!"

She looked up and screamed..

Lisa:"Mamaaaa!!!"

Mama?

I picked her up and she was giggling...

Lisa:"Iambile..(I'm hungry)"

Me:"Then let's eat people..

..

I went to the kitchen and made a sandwich for Lisa cause I saw food on the table..set..

.

I felt arms snake on my waist and his Cologne intoxicated me. He kisses my neck but Lisa pushed his face off...

Lisa:"mamam!(my mom!)"

He laughed..

Quinton: "and where did you learn that?"

Lisa:"Dadaa phuma(daddy get out)"

Me:"bye Quinton, we don't need you"

I put Lisa down and gave her her sandwich and juice in a plastic cup..

~

Night,everyone left and I put Lisa to bed after bathing her..I went to put my bags in the guestroom. I bathed and wore my PJs. I got in

bed,said a slight prayer and slept. Michelle's mom told me to pray..

~

Morning I woke up and bathed. Wore my summer dress and went to make breakfast. I went to check on Lisa and picked her up. She just eats soft porridge..

Quinton came down in his PJ pants shirtless..I drooled and next thing I know his lips are on mine...

I quickly pull out and move away from him..

Quinton: "oh come on babe,its been more than 3 weeks now"

Me: "and I'm still not ready to go back with you"

He sighed..

Me: "let's just stick to being friends and see where it ends...???"

Quinton: "it will obviously end with us dating.."

I'm nervous as I reach the village. It's 06:00 in the morning. I've been driving I don't know for how many hours but I rested at Michelle's mom's house and ate there as well. Whatever beef they had seemed to be getting ironed out..

I see their house at a far distance and my stomach turns. I take the bottled water next to me in the cup holder, open it and drink. My stomach rumbles, not because of hunger but nervousness..

I park the car and breath in and out. I wipe the sweat on my forehead and step out with my backpack..

\*

I walk to the gate and open then close. My knees are wobbly and I'm so glad not a lot of people are awake.

I swallow the lung and big ball of spit and knock...

It opens and reveals a face...

My father..

He engulfs me in a hug, catching me off guard..

Baba: "Ntombiyam(my girl)"

Me: "baba!"

I'm overwhelmed with emotions..

My mother doesn't show up..weird..

My father let's me go and smiles. I nervously smile back and looked down..

\*

We walk back in and I'm surprised and shocked to find my mother crying..

She's.. Sobbing!

Me:(whispering) "what the hell?"

I look at my dad but he rushes to his wife..

Me: "mama?"

She looks up..

She runs to hug me..

Mom:"I'm sorry Zamo!! Ncela ungixholele!(please forgive me!)"

She cries in our embrace....

I quickly pull put..

Me:"what's going on?.. Baba? There's no arranged marriage right? Please do-..."

Baba:"cha!(no!)"

I keep quiet..

Baba:"hlala phantsi(sit down) "

Me:"i-..."

Baba:"Zamo.."

He say warningly..

I oblige..

Baba:"mntanam(my child)forgive us,me..for

what we are about to tell you"

I'm nervous..

He looks at my calm mother who is just looking down wiping her tears..

Baba: "khuluma Xoli(talk Xoli)"

She breaths in and out then speaks..

Mom:"before you were born and before I got married to your father,I lived with my mother,father and twin sister with my brother. We were abused by my father,that being me,my mother and twin.I've was hard.."

—

Mom:"My brother,your late Uncle Ndoda,started abusing us too. But he abused u..us ..(she sniffed)..se..sexually. He became like our father. He used to rape me and my mother but not my sister. I was broken. I was angry.."

—

Mom:"my father passed on and the physical abuse stopped but my brother didn't. At one time I asked him why he didn't rape my sister but he just slapped me...

Anger instead of pain clouded my heart. I hated my sister. I wanted to kill her and my brother. My mother was too weak so she was taken to hospital, where my brother told them she was raped by some guys..

I first wanted to start with my brother but the you-i mean my sister beat me to it. One day I came back from school and was horrified to find my sister with blood all over her and my brother's bloody and lifeless body next to her.."

--

I was now crying..

—

Mom:"she killed him! I asked her why because she wasn't raped. She said she wasn't raped by

him but by his friends. They would gang rape her! Each and every day they would use different tools to rape her!! I hated myself! For thinking that she was let go! She was my twin sister for godsakes and I couldn't feel her pain!"

---

Mom:"police filled our home and arrested her. Who called the police? One of Ndoda's friends. She was sentenced to 50 years in prison. During that year we found out she's pregnant.. "

---

Mom:(crying)"she didn't want to abort. She took care of the baby and in December gave birth to a beautiful baby girl. She named her Zamokuhle Siphosam Jazi. I took the baby from her and told her I'd take care of the baby..over the years,I developed hate for the baby as she grew to look like someone I know. Mxolisi. Ndoda's friend. But she also looked like my sister.."

—

Mom:"I couldn't bare the sight of her every time I looked at her. I would sometimes wish I could just forget everything and move on and give her love but his face flashed and I thought of my sisters screams. Xolelwa's screams every night they took advantage of her.....I'm Sorry Zamokuhle Siphosaka siswam(my sisters gift)....I'm sorry for the pain I caused you"

—

She reached for her bag and took out a piece of paper..

Mom:"your mother's address,the prison she's in,she's getting released in 3 months for good behavior, if you want to see her,here she is..."

I let it out....

My chest pained...

I'm a product of rape?

Xoli isn't my real mother!

I looked at my dad..

Me:"you aren't my real father?? "
