living with her for the  
past 4 years after my grandmother and my  
grandfather died and I had no choice but to  
come and stay with her. Since I came here I  
have become a slave, my aunt's

slave ,I never got a chance to go study  
after I finished my matric and got a bursary  
my aunt never allowed me to go study she  
kept saying I'll be her slave till forever .I am  
now used to working here doing everything  
around here ,even though sometimes it  
hurts that I am a slave because I don't have  
parents who take care of me ,yeah I know  
nothing about my parents ,even my  
grandparents

never wanted to tell me about them ,  
sometimes I even doubt that this ain't my  
real aunt because everytime I ask her  
about my father she swears at me with all  
these words .Since I am a cleaner I never get  
a chance to even enjoy myself go out plus I  
don't have friends what I do is to nurse my  
aunt and her children Sbahle

Me : \*it's a Saturday morning and I suppose it's gonna be the usual daily routine .I have already tied my mattress since I sleep on the floor and swiped the floor just to keep my room clean it's not really much atleast I have shelter ,it's my bed ,I don't have a cupboard to pack my clothes I normally use

plastics to keep my clothes and shoes ,then I  
have those

broken mirrors then my grandparents

pictures on the wall , everytime when I miss

them I'd go state at the picture and wish

they were still alive because I know I

wouldn't be living like this ,in this room

there is no toilet I use a busket to pee anda

bowl to bath even the windows there areno

curtains when it gets dark I use some

of my clothes just to cover them ,as for the door there is no handle normally I use some of the bricks here just to make sure that the door is close enough even though I sleep in fear sometimes but I cope .I never get a chance to eat unless my aunt brings some leftovers for me otherwise all I do is clean the big house atleast sometimes I get to sneak at their fridge

when they not home and when they come  
back I'd pretend as if I know nothing  
whistle my stomach is full .I think I got used  
to this life ,I just accepted the fact that I will  
forever be their slave wash theirpanties and  
all that sometimes my aunt makes me wash  
her blotted panties with my bear hands  
disgusting right but hey this is how I have  
been living .I don't even

own a phone not even a pair of beautiful shoes just like my aunt's daughter it's always me and my flops but it doesn't matter because am forever here I don't even remember when was the last time I went to the mall or shopping it sucks right ?

Enough about my stories I have to start my duties before she comes knocking here ,I quickly change my pyjamas and

wear my brown long dress and my flops I  
tie my hair take my basket as I head out to  
the back yard and spilt my pee ,it's really  
quite outside it's clear that they still alsoeep I  
rush back inside my room ,open the  
windows take my toothbrush and head to  
the back yard wash my face and my teeths  
then head back to my room ,I think I will  
have to wait till they wake up so I will go

start my chores \*stomach grumbles\* that's  
hunger I just wonder how I will get food it  
might happen that I don't eat at all today .  
It's still a start family believe me the story  
Is still gonna be lit ,y'all just gotta be  
patient with me since I am stuck with the  
village gi

Me : \*I move the couch as I am trying to

Sweep under the couch ,my aunt then

shows up carrying her bag and looking all

good ,she walks towards me as I see her

daughter walking down from the stairs

wearing all good and looking beautiful ,I

suppose they are going out they normally do

go out every weekend even if it's not every

weekend even during the week they always shopping and whenever they come back they would come back with many plastic bags with clothes and shoes ,not just clothes and shoes but expensive shoes and clothes they even intend to buy themselves Brazilian weaves ,those expensive bags ,makeup and even expensive phones ,to be honest I don't have any idea on were my aunt gets so much money that she even have 2 cars ontop of that she is not

even working .I don't know wether I should  
call her a gold

digger or perhaps there is so e private job  
that she does that we don't know maybe  
selling her body in order to get money orshe  
does stripping we wouldn't know ,I push  
back the couch back to its way as I move to  
the other side of the couch .My aunt comes  
closer .\*

Aunt : Mamela la Sizakele (listen here )

when I come back I want to find this house sparkling am I clear ? You better make sure that you clean each and every corner of this house if not so you will regret it ,hope I am clear enough.

Me : \*I look at her and nodd my head showing that I agree to whatever she is saying \*

Aunt : And after you done ,there is a

chicken in the fridge make sure that you  
spice it and roast it ,cook a rice ,  
potatoes ,make cabbage and spinach am I  
clear \*

saying\* .

Aunt : before I forget ,in my room there are  
my panties ,three of them ,I expect you to  
wash them clean ,clean am I clear !\*

Me : yes you clear \*I say as I nodd my head ,with my teary eyes \*.

Aunt : am glad you clear ,asambe (let's go ) she says as she walks out with her daughter to the parking lot\*.

Me : \*I stand near the window as I look at them driving off from the parking lot to the gate and after few minutes they were gone ,I get back to what I was doing as I

wipe my teary eyes ,y'all must be  
wondering why I am teary ,I just keep  
hoping that someday my aunt will treat me  
better ,hoping that someday I'll go outdo  
shopping with her ,live a normal  
life ,wear expensive ,look all good have  
money ,I just want to live that life too not  
just cooking a whole big meal knowing that  
I won't even get a taste of it ,not just

cleaning the whole 9 room house knowing exactly that I don't even sleep here ,not only washing blotted and discharged panties of my aunt with my bare hands ,this life ? I don't wanna live it

anymore ,I take the broom and a basket of water together with the mop and head to my aunt's bedroom ,I start mopping around and throughout the door ,I sweep

through the passage ,I freeze a little and  
stare to the room let me say my aunt's office  
that is always locked ,I just keep wondering  
on what is here ,why is it always locked ,my  
aunt never even allowsme to clean it up ,her  
sentence "don't clean that room Sizakele ,I'll  
clean it by myself am I clear " I wonder what  
she could be hiding ,I have to find out ,I  
don't

even know we're the key is ,I walked  
quickly to her room ,I go to her wardrobe ,I  
move her clothes as I am searching for the  
key ,I can't find it ! ,I look under the bed \*.

Aunt : \*clears throat\* Sizakele .

Me : \*I freeze ,my eyes pop out ,I stand up  
with my hands shaking ,I turn around and  
look at my aunt "

Aunt : what are you looking for ?

Me : \*I clear my throat \* ehh.eh I was checking if wether there is no dirt underthe bed .

Aunt : \*she giggled and walks in and walk straight to her dressing board ,move her lotion aside and takes small keys \* I just came back to take these keys ,keep looking for the dirt under the bed .

Me : \*these could be the office keys ,I  
messed up I should have searched there first  
but it's the same thing she would have  
caught me red handed \* okay aunt . \*I say  
looking at her with my red eyes \*

Aunt : \*she giggles and walks out \*

Me : \*I take a deep breath and walk out of  
her room , There must be something that

she is hiding ,I know I have to find out  
soon \* .

have cleaned washed the panties ,now am  
busy cooking only the  
chicken meat left to be roasted ,I take the  
pan and put it inside the oven and set the

my mind ,I really have to find out on what

my aunt is really hiding there is  
something in that room my point is how do  
I get in there ,maybe there is a way ,I quickly  
walk upstairs ,I get to the office door ,the  
must be a way of how I open this room ,I try  
to unlock it as I am moving the handle but it  
is really locked ,maybe I should get a knife  
and try opening it ,I just remembered a  
knife can help I will

open this room and I will find every dirt  
that she does ,I walk back downstairs and  
smell the chicken it's burning ,I quickly run  
to the kitchen open the oven ohh my God  
thank God it didn't burn because if it did  
my aunt was going to kill me ,I go to the  
cupboard open the drawer I take a sharp  
knife and walk back upstairs ,just as I am  
trying to pen I hear the gate

opening ,this might be them ,I I rush  
downstairs I check on the window it's them

everytime I try opening the roomsomething  
comes up ,I quickly put back the knife  
inside the drawer and focus onthe kitchen  
since I have to pretend that Iwasn't even  
trying to open that  
room .After a few minutes they walk in

with 7 plastic bags ,I am already used to them so I am not surprised , they both walk to the dinning room \*

Aunt : this is your cleaning dress ,you will wear it everytime you clean ,it's time you change that brown dress \*she opens another plastic bag\* .

Insert 5. SIZAKELE.

Me: *\*It's a Sunday morning and I have*

woken up already I just came back from  
the backyard to spilt my pee and wash my  
mouth and my face , already done tyding  
my bed and already swepted the floor and  
opened the windows .I guess there is still a  
lot in my head just everything that  
happened yesterday ,I know there is actually  
something telling me that there isa deep  
information in that office but now I

have ran out of options I don't know how I  
will get through it ,she is hiding something I  
know and I wanna know maybe not now  
but soon it will be written in my eyes .My  
aunt has never been good to me and I don't  
think she will ever love me and accept me  
but there must be a way of getting out of  
here .I grab the plastic bag that she gave me  
yesterday I

take out the black dress ,place it on the  
bed take off my night dress I grab the dress  
I stretch it and stare at it as tears roll down  
I wipe them and dress up ,I try to squeeze  
myself inside the dress since it'svery tight  
and very short that it shows all my body ,my  
small boobs ,my small waist,my curves ,my  
butt and my chocolate thighs this is my first  
time

wearing something so tight and short I normally wear loose clothes so that they don't show any of my curves it's weird right ? I really hate how I look ,I am dark skin I have my natural hair (afro) and I am dimpled and have brown eyes ,am not really inlove with myself I know that as a girl you have to accept how you look but tobe honest I regret being me am just so

insecure about my whole body, maybe if I  
was different my aunt would love  
me ,treat me good , maybe if I was light in  
complexion thin she would have loved  
me ,I blame my looks I wish I was more  
beautiful .I zip the dress as I look at the  
mirror and do a turn around just to see  
how this dress looks like on me ,my mind  
says take it off ,I really don't feel

comfortable in this dress ,it's very short  
and I feel so tight in it ,I unzip  
myself ,think twice and zip myself again I  
guess I have to force myself in it ,I take  
another plastic bag with the black block  
hills ,I take them out ,how do I even use  
these ,I never wore hills in my life I don't  
remember myself wearing them this is my  
first time and I just wonder if I will cope in

these .I take off my flops and wear the  
hills .I try to stand straight ,I walk to the  
door just to see if I won't fall or I can walk  
properly with them .I skip a little bit then  
walk straight I won't even cope a hr in these  
blocks bit I guess I have no choice this is my  
new uniform just like she said .I walk to  
mirror comb my hair ,I have the most  
biggest afro ,I never cutted my hair

since I stayed here so I guess that's why it's  
this big .I comb it and tie it to a big pony ,I  
place a Vaseline on my mouth .I tidy my  
dress and put my flops under the bed .I  
head out of the room and try as much to  
walk with these hills to the main house I get  
inside I guess I will have to start making  
breakfast for them but it seems like they  
still asleep maybe this is my

chance to go and try open that room .I  
walk upstairs I take off the hills so they  
don't make noise because if my aunt catches  
me am the dead one ,I walk to the passage I  
get to the office door ,I stare at it suddenly I  
hear some noise coming from my aunt's  
room ,I move closer to her bedroom door  
just to hear what's going on ,I think she is  
speaking with her

phone .

Aunt: yes you will get what you want can you  
just be patient .

Me : what's all this about ,I move even closer  
to the door just to hear everything properly .

Aunt : I said by tonight you will get  
her ,soon she will be there in Joburg .Just

send your boys to get her and I'll just play  
my game .Trust me I got her .

.....

Aunt: Trust me Genarldo I have been doing  
this and working with you for yearswhy  
would I dissapoint you now ?

.....

Aunt : You are the one who got rid of her

parents and her grandparents so you  
better make sure she doesn't find out .

.....

Aunt : yes I was involved but it was never my  
intentions for them to die . Anyways you  
will get the girl and I want my money 100  
000.

.....

Aunt : it will be worth it ,you gotta pay  
me .

:....

Aunt : trust me I won't dissapoint ,we  
partners I got this .So tonight .

:.....

Aunt : good .\*she goes off as I hear her  
footsteps\*

Me : \*I quickly run downstairs ,go to the kitchen just to catch my breath ,what was all that about ?,I breath in and out as I hear her coming down the stairs ,I make myself busy \*

Aunt : Sizakele !!

Me : \*I turn back \* aunt ?

Aunt : make me breakfast .and wait why

are you not wearing your shoes ? \*

Me : \* my heart start going fast ,as I look at  
the counter were I placed my shoes \* ehh  
mm I was going to wear them aunt .

Aunt : \*gives me a weird look \* my breakfast  
you will find me in my room

\*she walks away \*

Me : \*whatever my aunt is planning may it

not involve me ,what was she all talking  
about over the phone ,parents ,  
grandparents ,a girl I pray its not aboutme

Is my aunt selling ..no it can't be \*

\*Later\* SIZAKELE.

Me : \*it's around 18:00 ,and I am about to  
start washing the used dishes then I'll go

to my room and get some rest ,what my aunt said over the phone has been worrying me I don't know wether I shouldbe scared or what I keep asking myself if wether all that was about me .It's only me and my aunt in the house ,Mbali has wentto her boyfriend ,she usually does visit her boyfriend ,let me not say boyfriend but her countless boyfriends that she would

usually bring them over here whenever  
when her mom is not around ,I guess I have  
to be done with these dishes ,I move to the  
sink that's facing the window ,my mind is  
really not here ,I wanna finish washing  
these dishes ,I take a glass and wipe it ,just  
as I put it on the counter it falls and my  
heart went to beating fast ,I broke it my aunt  
will kill me I just pray

she didn't hear it .I quickly take a broom  
and the next minute I see my aunt behind  
my back I get frightened suddenly she use a  
cloth smelling some spirit to cover my  
mouth and my nose ,she pulls me with my  
neck \* Aunty !!! Aunty I am sorry I will fix  
your glass , please don't kill me \*I am trying  
so hard to breath but I just can't \*

Aunt : Say your goodbyes ,soon you will be

introduced to the Joburg city ,did you  
really think I will stay with you forever bye  
bye baby girl \* .

Insert 15 Jason .

Me : \*let me introduce myself ,I am Jason  
Williams 23 years old turning 24 ,I am just a  
coloured guy but y'all could swear I am  
from France since I looked like those guys  
from that side ,most of girls would go crazy  
about me especially in my high school days  
even after completing school girls were  
always after me even now ,all that gave me  
power until I turned into a

player if that's what y'all call ,to be honest  
Jessie is not my only girlfriend but she  
thinks she is the only one ,I won't say I love  
her but since she does satisfy me I won't  
turn my back same applies to the other girls  
Onika and Kylie I really love Onika she is so  
different to those two ,I do love her but I just  
don't know why I can't choose only her ,I  
guess being a player is

an addiction now .Y'all must be wondering how I ended up working with my father ? I started working with him when I was 20 ,it started with car stealing to drugs and bank bombing at first it wasn't a child's play I always had second thoughts but when time went by I got strong and got used to it ,now it's just water under the bridge. I guess I have gave

all enough information about me you will  
find out the rest later \*

agreeing to what he is saying \*

Mr Genarldo : exactly my point ,now get out of that comfort zone and let's make billions ,I mean look at you .you deserve that perfect life ,who knows maybe you can make your Aunt pay for all the things she did to you and show her who exactly you are ,revenge and mess her life just like she did to yours and took everything to you .

Me : \*maybe he is right , maybe I should just believe in myself who knows maybe I can get everything back that my aunt took away from me ,go back to school ,yes I am strong and I can do this I just need to believe in myself\* I will do it.

Mr Genarldo : he is your brother after all .

Jason : to me he is not ,get him a doctor

Mr Genarldo : I'll try talking with

Jason : with what ?

Me : I mean that ? You don't seem to be agreeing on teaching me ?

Jason : I don't want you to do it Sizakele .

Me : why is it because you don't trust me ?

Jason : not that I don't trust you ,it's just that Sizakele you too precious ,I don't want you involved in this business am just not sure if ....

Me Genarldo really trusts andbelieves me ,I  
don't get why Jason doesn't .I get out of bed  
wear my gown ,Idon't even remember when  
was the last time I got this warmth and this  
comfortable bed honestly I don't regret

coming here all this is better than what my aunt offered me the only thing that bothers me is Kairo ,I am really scared of him after the things he tried to me ,he almost raped me if it wasn't for Jason we would be talking another story right now ,that's why I have to ask Mr Genarldoto get me my own comfortable place before Kairo does worse .I wear my

morning shoes ,tidy my bed and make it neat now I have to go bath before it's 10:00 I don't wanna keep Jason waiting .I look for clothes in my wardrobe and I am I've just remembered that I have to wear the tight mini dress and those block hills ,in this weather I don't think I will cope \* .

"Knock knock"

hide my messy hair and head to the door  
and open it .it's Jason \* Jason : can I come  
in ?

Me : yes .

Jason : \*he gets inside and closes the door  
behind him \* you slept well ?

Me : I slept well and yourself ? \*I know I am  
lying because a lot was on my mind

but to avoid him asking me thousand questions I have to say that\*Jason : I didn't sleep well .

Me : what's wrong ?

Jason : we will talk about that later don't worry .

Me : \*he really looks so cute ,more cute when he is stressed ,his eyebrows that he

keep raising and biting his pink lips .oh

Jason : you wanna wear a dress in this cold weather ,I will bring you something warm just go bath you will find your clothes here .

Me : thank you so much , please don't bring a tight dress just something freely . Jason : just go bath ,I'll be bathing too .

Me : thank you so much \*I walk out of the

room to the bathroom ,he is so sweet  
atleast I will get a warm loose dress I don't  
want these tight things showing my ugly big  
body .I open the cold water and mix it with  
hot water pour a bubbly bath that Candice  
showed me this other time . I takeoff my  
clothes then get inside . A short bath indeed  
,I get out of the water as I drain them .I  
cover myself with the

bathroom towel just to dry myself,  
meanwhile I bath my teeth. I am done I  
wear my gown and shoes and take my night  
dress heading to my bedroom. I get in  
thank God Jason is not here. I look at the  
clothes he got for me. Ohh my God am I  
suppose to wear this Jean? I never wore  
them because they also show my ugly body  
,this will be so embarrassing. I look

at the long boots thank God they not hill  
boots that my aunt used to wear expecially  
in cold weather whistle I wear my flops .I  
look at the black poloneck and the warm  
black body warmer .I have to just try all this  
because if I don't I will be in bad books with  
Mr Genarldo .I get dress for a few minutes  
and I am done .I look myself in the dressing  
table mirror .I feel so warm

even though I don't feel comfortable in  
these jeans . I take out the brazillian that I  
am suppose to wear am also not  
comfortable with it , honestly Mr Genarldo  
will forgive me this thing is really not for me  
.I comb my afro to a ponyand I love how I  
look .I won't even use this red lipstick I'll use  
a Vaseline .I am done with everything now ,I  
have to go

downstairs and not keep Jason waiting .I  
tidy my clothes and my room then head out  
locking my bedroom door .I walk  
downstairs ,I look from the eating table and  
Jason is standing by there using his phone  
.As I walk towards him his eyes pop out  
with amazement or something ,he looks at  
me as I walk to him .\*

Me : I am done ,we can get going .

Jason : you ,you Sizakele you beautiful is

this way .

Me : says you .

Jason : don't say that ,you beautiful and ...

Me : and ?

and put them on the table \*.

Me : \*I gulps and open my eyes wilder ,a gun  
\* .

Jason : wait here ,I am coming .\*he walks  
upstairs \*.

Me : \*I look at the guns ,I brush one gun  
and slowly take it I just wanna feel how it  
feels carrying it ,and it's a bit heavy I

wonder if I will be able to use it\*.

Jason : now let's get going \*he says coming downstairs\* .

Me : \*I quickly put down the gun in the table\* .

Jason : don't put it down it's yours take it .

Me : it's mine ?

Jason : \*he walks to me\* yes it's yours ,you

will be using it . \*he takes his gun\* .

Me : \*I also do the same and Jason shows me  
where to put it , apparently it stays at the  
back of my jeans\* .

Jason : let's go now .

Me : \*I nodd my head agreeing to what he is  
saying\* .

Jason: \*he heads out first\*

Me : \*and I follow him outside ,this is my second time getting to see the outside since the first time I got here and I've just realised that there is a pool ,four garagesand a game room also a home

cinema ,this house is really huge it's gottabe my dream house .I follow Jason as we walk to the parking lot and head to this beautiful nice designed car it's like those

expensive cars I used to see in the magazine when my aunt brought them home .He goes to the left side door and open it for me ,I get inside with so much amazement of this beauty inside and out right now I feel like a queen . Jason also gets inside the right front sit and let the door close itself\* .

Jason : \*he slowly drives the car out of the

parking lot and the gate opens itself ,he  
drives out of the yard to the outside and  
waits for the gate to close itself\* put on your  
seat belt .

Me : \*I look around for the seat belt\* Jason :  
here it is .

Me : \*I put on my seatbelt\* .

Jason : \*he looks at me \* are you ready ?

Me :yes I am ready .

Jason : \*plays music and put the volume  
loud, after a few seconds he started the car  
and drive in a very high speed \* Jason !!

Jason slow the car please !! Jason you gonna  
get us killed slow the the car !!! . Jason : \*he  
doesn't even look at me he

keeps driving fast like there is no

Tommorrow and opens the volume high \* .

Me : \*right now I am nervous \* Jason

please stop the car !! I begged you with all

my heart I don't wanna die Jason !!!!!

\*Tears roll down on my face because I can't

control the nervousness , Jason is not even

waiting at the robots , I cry loud so he can

hear me \* .

Jason : \*opens the whole volume and still

doesn't slow the car but drives even fast \* .

Me : \*I can't deal with it now ,I cover my eyes with my hands , I am so scared I smell a car accident here ,I keep crying and praying with my heart \* .

Jason : \*suddenly he drives slow and lower the volume \*.

Me : \*my heart stops pumping so fast ,I open my eyes and I see a quiet place ,there are no houses it's just a big unfished old

building and a green grass , Jason parks his car , I wipe my tears and look at him \* .

Jason : \*he looks at me and laughs\* you were crying ? \*He keeps laughing\*

Me : this is not funny , you almost got us killed Jason .

Jason : to me it is funny \*he laughs even louder\* I have been doing this for eyes

and I thought you said you ready ?

Me : I didn't know you meant this ! . Jason :  
look at you ,sorry I promise I will never do it  
again ,look at me .

Me : \*I look at him\* .

Jason : \*he wipes my tears and we stare at  
each other for a moment\* I promise I will  
never do it again .

Me : okay \*I say with pity eyes\* .

Jason : but when time goes by I have to  
teach you how to drive in this speed ,  
because when bombing and hijacking cars  
we have to be this fast .

Me : \*I look at him then look at the building\*

Jason : let's go \*he opens the door and gets

out and let it close itself as he opens the door for me ,I untie the seatbelt and get out as the door closes itself\* .

Jason : follow me .

Me : \* I follow Jason as we head to the big building\* .

Jason : here we are . This is the same building that my dad took me and taught

me how to use a gun .

Me : was it easy ?

Sizakele : look at me and tell me that .Me ; I am fine Sizakele .

Sizakele : I will pressure you till you talk ,you always do that to me so spitt it

out .

Me: fine ,just that I feel like my father loves Kairo more than me ,it really hurts me because he cares for him more than hecares for me and I have been trying to avoid that for years but I can't .I seem to do almost everything for him honesty I think Kairo is the only person that matters to him .You see how crazy he

becomes when it's Kairo .I remember this  
other time I also got into an accident he  
shouted me and told me I am weak he  
didn't even visit me at the hospital but look  
at Kairo he is crazy about him an...

Sizakele : it's enough okay ,it's fine .I get  
how you feel .I know it's really hurts  
working so hard for that person being byhis  
side only to find out that you don't

matter to him or her .

Me : I did a lot of things for my dad some of them are things that am not even proud of ,but I did them because I want him to see that I am a man and I will always be by his side if I didn't do those things he would call me a weak man so I had to.

Sizakele : it hurts right ?

Me : *badly and sadly there is nothing I can do about it , sometimes I'd ask myself if he is really my dad or what .*

Sizakele : *don't say that , don't you think you should give him sometime maybe sit down with him and tell him how you feel how this hurts you .*

Me : *I've tried that the only thing he says "you crazy and weak " I even gave up on*

trying to talk to him .

Sizakele : it's okay you know , come here

for you and will always be there for you .if  
you need a shoulder to cry on I am here ,if  
you need someone to talk to I am here and

Me : you just gave me goosebumps \*I don't  
understand what is it that she does to me  
that I have to be horny and have butterflies  
whenever with her\* .

Sizakele: \*smiles\* I am here for you okay .

Me : thank you ,now I know who to talk to on my sad days .I really appreciate your presence and how you make things feel so right .

Sizakele : now don't stress yourself so much focus on better things like your girlfriend that one you were telling us about maybe build yourself some family .

Me : and leave you all alone ? I don't think

I am ready for that .

Sizakele : okay you will leave with me and I will be your cleaner who knows ? I will nurse your children and be a great helper .

Me : you still wanna be a helper for the rest of your life ?

Sizakele: it's the only thing I am used to

and have been doing it for years .

Me : you can do more than that ,be something that you always wanted to be .

Sizakele : I wish . isn't that him \*pointing from the window\* .

Me : he is leaving ,I guess we should follow him before he goes even more crazy .

Sizakele : yes ,let's follow him till he gets

home.

Me : \*I start the car and drive following my dad's car .I wish I also got that care he gives Kairo but it doesn't matter as long as I have the woman of my dreams by my side ,I wish I can just come clean and tell her about the death of her parents and grandparents .I might have been not that much involve to their death but still she

house I do everything .I risk with my

fucken life only to be called stupid and  
useless .Kairo is turning 21 and still does

Williams I sometimes even doubt that I am your son .

,you so useless just like me .You need to face  
the truth that you hurtless and only think

these businesses I'll just see what I do  
maybe I'll get myself some job surely there is  
something that will show up .Though I wish  
I had left with Sizakele seeing her crying  
really broke me .I know that's the girl I want  
in my life but if I had taken her with me  
Genarldo would make sure she kills her  
loosing her is what I don't  
want ,but I know she will grow strong and

stand up for herself as soon as she knows  
her way I know she will make a plan to get  
out of that house .I will miss her ,her warm  
hugs ,her smile ,the way she laughs and in  
control I just pray she survives everything  
that man will put her into I will also make  
sure I check up on her all the time I don't  
want her to think I left her "phone rings"  
ohh my God what does she

want ? Argh!!\*I answer it\* .

I don't want to do this anymore .I just don't  
want to break her heart ,being with her  
whistle loving Sizakele ,but I know  
eventually I will have to tell her because the  
heart wants what it wants \*.

Mr Genarldo : don't out the blame on me ,your mother always leaves ,she is always ready to hit the road.

Me : you should have talked to

her ,stopped her from leaving we need

her .

Mr Genarldo : y'all might need her but I don't and it seems like you forgetting that I am your dad you should learn to watch your words and your time before you speak to me .so do me a favour and get out .

now mom ,who is next ,who else is going to walk away are you telling me that you don't care about that ? This home is breaking fix it dad ,as the head you suppose to fix it .

Mr Genarldo : I don't care if you decide to leave ,if Kairo decides to leave if Samantha decides to leave if Angel decides to leave I don't care .I have a lot on my head and I

Me : excuse me ?

Zano : excuse me ? Nonsense I asked you a question who are you Cleopatra ?

Me : how do you ask me that you know who I am . I am Cleopatra .

Zano : lies lies !!! Just tell me the truth . what does a gun want under your

matrass and this black file ? .a man came here looking for you ,a coloured man who also carried a gun came here and threatened to kill me ,he said he is looking for Sizakele and his name is Jason now tell me the truth who are you .

Me : zano please calm down I will explain everything okay .

Zano : don't tell me to calm down and

explain now , explain right now !!!!!

Me : okay fine it's me I am Sizakele Sibiya .

Zano : so it's true you are Sizakele so all this time you lied to me ?

Me : please calm down I am trying to explain here .Yes I am Sizakele and yes I lied to you .I know I shouldn't have lied but I had to okay I had to lie so that

nobody knows about the real me . I am  
from KZN actually coming here wasn't my  
idea .my aunt is the one who bought me  
here the night he used a cloth with poison to  
cover my mouth do it will drug me till the  
next morning I woke up in a big scary dirty  
room ,chained on a chair with two  
bodyguards .Till a white man ,with a big  
belly walked in and welcomed me to the

city of gold .He told me I was going to  
work for him but I'll have to do it  
undercover ,nobody must know except him  
,his wife ,his son the one who came here  
Jason .I had no choice but to obey him and  
do as he says .I was welcomed and it was a  
warm home and the other side of me was  
happy because I was living comfortable than  
the way I used to live

with my aunt .things started to change  
when the whites man other younger son  
wanted to rape me not just once but twice .

Zano : whattttttt ?

Me : true ,but I was always saved by Jason  
,he was one person who was therefor me  
,protecting me ,just looking afterme till I  
started to even fall inlove with

him ,he had good intentions because he didn't force me or pressure me .he taught me what I was needed to know like how to use a gun till I mastered it .I even did cars hijacking with me I enjoyed all that because I had him by myside I was inlove but didn't want to show it but the way he treated me you could tell he was also inlove with me .Time went by then him

and his father got in a fight involving his little brother .He decided to leave the house and I was all alone that his father also wanted to rape me .I was in danger I had to leave ,I had to make a plan to leave the house before being raped .I had to do a car Hijacking all alone but I knew it wasn't going to end well so I saw an opportunity and took Jason's advice on

how to run away during the hijacking .I  
don't know how but same day before  
hijacking I found this black file on mr  
Genarldos office .it didn't make sense but I  
remembered that once heard my aunt  
speaking about my grandparents death  
and my parents death with this man .it  
mad sense I just couldn't hold the anger ,I  
was mad ,I was angry because he took

away my parents and my grandparents  
from me \*tears roll down\* .

Zano : don't cry ,it's okay I am here .

Me : " I wipe the tears " .I took the files and  
the gun with me when we going to do the  
job .I wanted to kill him ,I had so much  
anger .I remember I made him stop the car  
and asked him about my grandparents  
death he confessed that he

didn't kill them but Jason did ,that's why  
he even left ,he left because he was afraid I  
was going to find out and that's why he was  
overprotective .the anger grew that I even  
shot him and got a chance to run away  
.Same night that's when I passed by the  
club and Isabel called me in.i couldn't speak  
or tell her about the real me and my  
whereabouts because I thought she might

report me just like I also lied to you. I am  
sorry Zano for lying to you I know I  
shouldn't have \*tears roll even more\* . Zano  
: please don't cry ,you are hurting  
me .I understand I get you and I won't  
judge you .if I was you I would have done the  
something .

Me : it hurts me zano ,I want to pay revenge  
,my heart wants to kill him and

my aunt I want them to feel what I feel .

now that you've told me he was here I wish I  
was here do I'd finish him off .

Zano : calm down I know you are angry  
.you know what get some rest we will talk  
about the rest tomorrow okay .

Me : \*I wipe my tears nodding my head\* .

Zano : you will be fine and I am here for

you \*she gives me a hug\* .

Me : \*my tears roll even more ,I have anger I  
want to pay revenge . I want to destroy them  
for what they did .they going to pay
