NOVELSGURU.COM

Mom : cheer up , this is the
biggest day of your life

She fixes the veil on my head

Mom : life doesn't get any
better than this

Doesn't it ?

This week alone I've been
asking myself , one question

NOVELSGURU.COM

If indeed life doesn't get any
better than this

Is there nothing else much more or much better than this Is there nothing else besides this ?

Getting married Being called a wife

I haven't gotten the answer to that I don't believe this is the life women were created for

NOVELSGURU.COM

But coming from the kind of a family I come from

I cannot dispute this
I cannot go against the word
of my father

In his home , it's his word and
nothing else

No one is to speak above him
Only his word goes
And this is his decision forme

NOVELSGURU.COM

What he says I've been
groomed for

All my life , this is what I was
being prepared for

No one asked how I am
feeling

If I want this If I am happy

No one cares enough to ask

My feelings do not matter

And I cannot defy my parents

Mom : you are so beautiful

She says with a proud smile

She is happy I know my father

is

He couldn't be more proud
of himself

Mom : come on , let's go .

Your father is waiting for us

I swallow the lump of pain
that is stuck on my throat

I get up

And she takes my hand

Mom : this is your day , be
happy and ...smile

NOVELSGURU.COM

I let out a fade fake smile

I do what I'm told That's been
my life don't want to get
married I never saw myself as
a wife it has never been me
I'm career driven

I know what I want , and I
don't think this is it

NOVELSGURU.COM

But it's what my father thinks
is best for me

A whole environment
geologist

Getting married to a man I've
only known for a month
A man I don't even love
Maybe like yes
But not that deep to the
extent of love
It's painful to say the least

In this day and age

The twenty first century

Who still arranges marriages
for their kids

My father , that's who
They look at each other
My father pecks her cheek
Mom : we are ready
Dad : about time

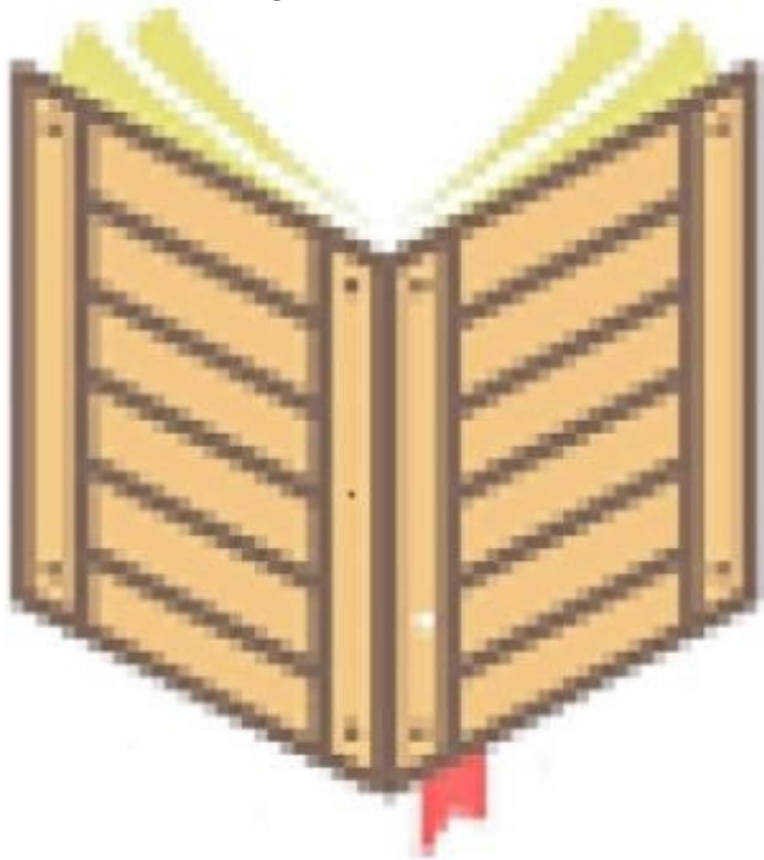

He fixes his suit jacket

NOVELSGURU.COM

Dad : we cannot afford to be
late

Mom : it's okay , let's go

She takes my hand

NOVELSGURU.COM

And he walks in front of us

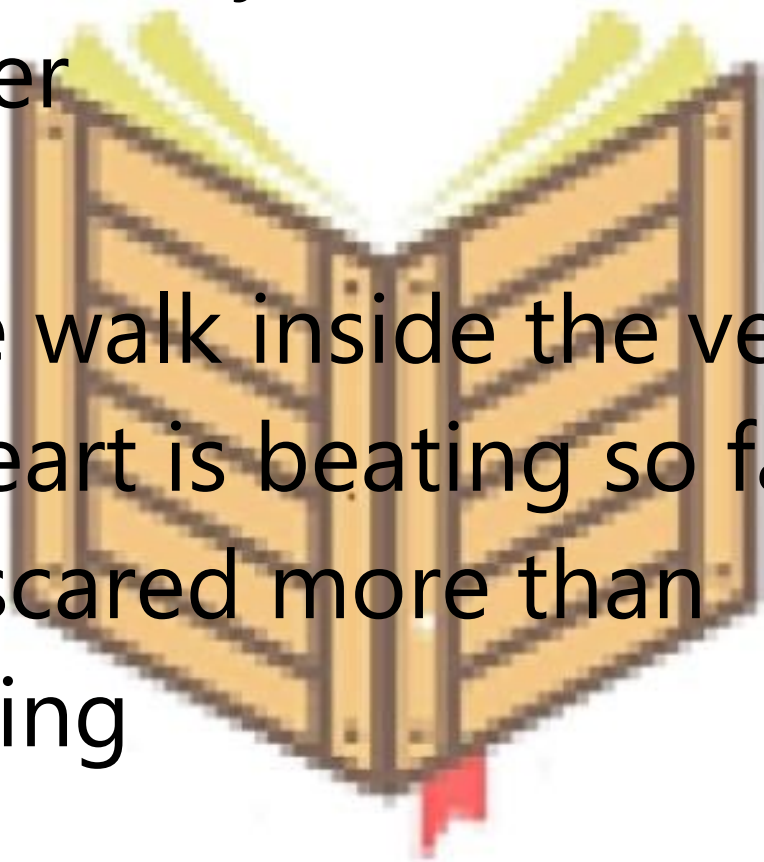

We follow behind him

He takes my hand from my
mother

As we walk inside the venue
My heart is beating so fast
I am scared more than
anything

My palms sweat

I take a deep breath

NOVELSGURU.COM

My mother looks at me with a
smile

She pats my shoulder

Mom : you have made us
proud

At least they're proud

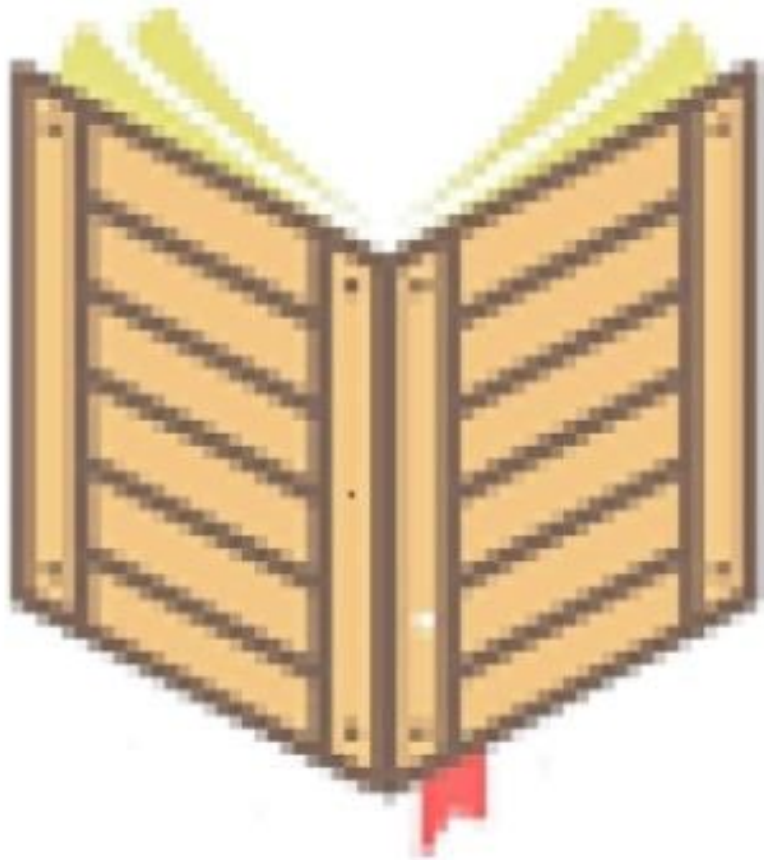

More than being proud

NOVELSGURU.COM

Than their own daughters
happiness

ANATHI

NOVELSGURU.COM

I look at him

His eyes are darted
somewhere else

He's not even looking at the
woman he's going to be

marrying in a few minutes
from now

NOVELSGURU.COM

I dart my eyes to where his are

And I clench my jaws I tap his
shoulder

Away from the stares and eyes

He turns back and looks at me

Me : you just can't get a hold
on yourself ?

He scoffs

I shake my head just annoyed

NOVELSGURU.COM

Now I even regret agreeing to
be his best man

I should have just not been a part of this

Her father finally hands her over

NOVELSGURU.COM

♥ PAUL ♥

Bloody Anathi and his morals

I shake my head and look at
her

She looks beautiful

I can't deny that

But , just not a cup of tea for
me

NOVELSGURU.COM

And that's just that

Unfortunately , this is what I
have been dealt
There's nothing else I can do

I can only keep on living my
life

By marrying her

So , a man has got to do what
a man has got to do

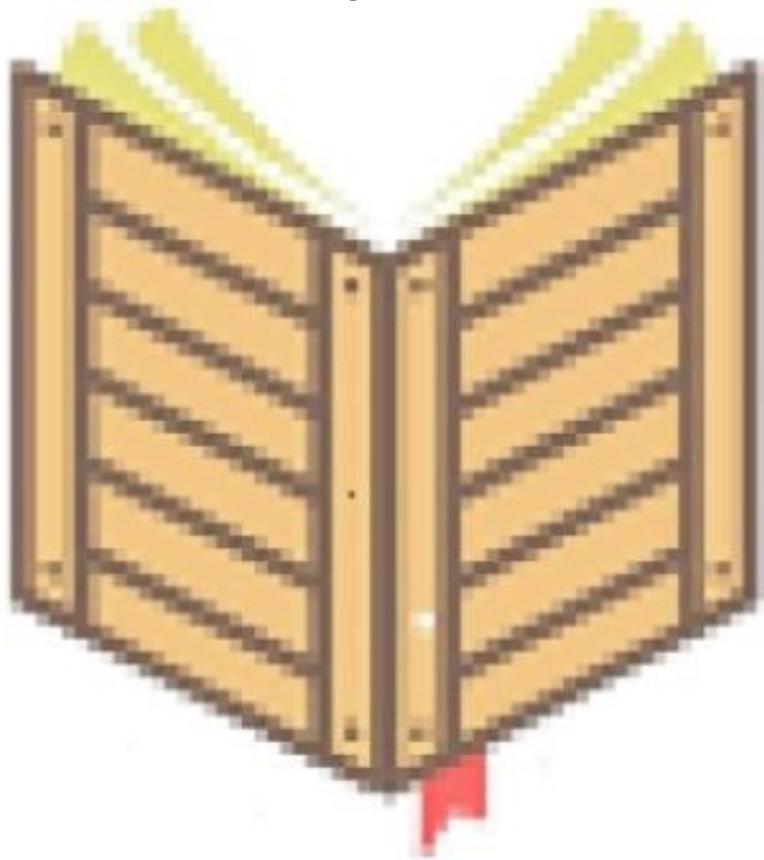

NOVELSGURU.COM

I take her hand

She lifts her head and looks at

me

I take a deep breath This is it
All to make my father happy

NOVELSGURU.COM

And to keep my position in
the company

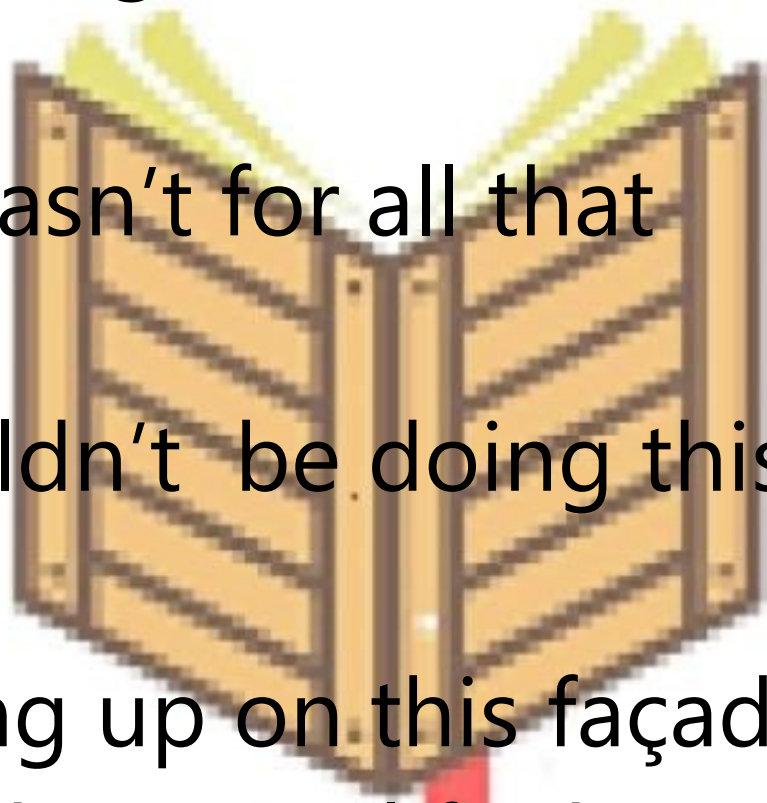

The things we do for wealth

If it wasn't for all that

I wouldn't be doing this

Putting up on this façade
And changing life this
drastically

I just hope it's worth it

NOVELSGURU.COM

And in the end , I just get what
I want

Which is the company

I have been to a few weddings

And I've never been to one
that's as cold as this one

Yet it's my very own

Everyone seems to be having
a great time

Except the so called bride and
groom

NOVELSGURU.COM

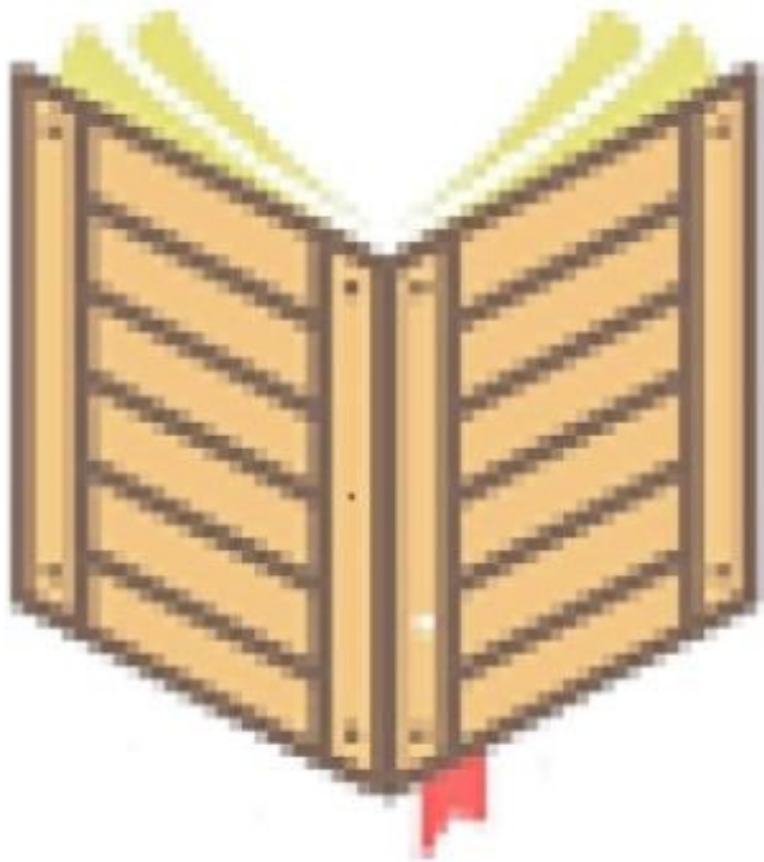

It's like his mind is
somewhere else

And as for me , I just want
this day to be over and done
with

I look at our parents
They look so happy And they
seem proud I'm sure they are
If only I felt any ounce of
happiness

I look at him

NOVELSGURU.COM

And he's busy on his phone
He seems to be texting Under
the table

And hiding it very well

And well , whoever he's
texting with
Sure is making him happy

He has one smile I've never
seen

NOVELSGURU.COM

I pick up the glass of wine and
down it

I get up

He doesn't even notice me
walking away

I turn , and walk over to room
I was using

I take my heels off

And lay down on the bed

NOVELSGURU.COM

.

.

.

.

Minutes later

I walk on in flats

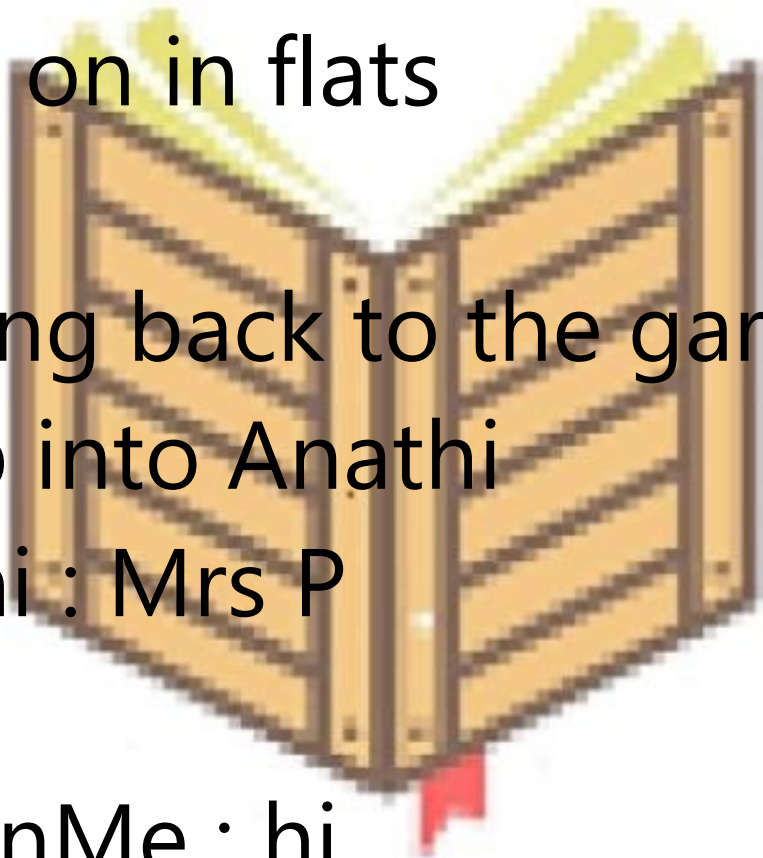

Walking back to the garden
bump into Anathi

Anathi : Mrs P

I frown Me : hi

Anithi : that s ...

He chuckles shaking his head

NOVELSGURU.COM

Anathi : not a very good expression , especially for a bride

I shrug

I hear laughter And turn my head

Its my sister with Paul

NOVELSGURU.COM

Conversing and laughing

They are talking like old
friends

I didn't even know they knew
each other This is extent

NOVELSGURU.COM

Anathi : excuse mel look at
him

His facial expression has
changed

And he just walks out

He's headed to the parking
lot

NOVELSGURU.COM

I look at Paul and my sister
They're really hitting it off
turn and rush after Anathil
catch with him
Just as he starts his car

NOVELSGURU.COM

Me : wait ...

He winds his window down

Me : you're leaving ?

Anathi : yes

Me : but ...the day is not
over yet

NOVELSGURU.COM

Anathi : the wedding is done

Me : but it's the reception ,
people are still enjoying v

Anathi : not me , and nor you
either . Infact , I shouldn't
have come here

I frown at that

NOVELSGURU.COM

Me : what do you mean ?
Your best friend getting
married is not worth of your
presence ?

Anathi : I came and I saw
Something is off here And
whatever is it

NOVELSGURU.COM

It has rubbed him off

I nod slowly moving back

Anathi : I hope sooner than
later , you see right through
all this

Me : what do you mean ?

NOVELSGURU.COM

Voice : and I have been
looking for you everywhere

I turn and look at him coming
over

Anathi : I don't know if you
can try and enjoy this , but if
you can just enjoy

NOVELSGURU.COM

He winds his window up and
drives out of the venue

I look at Paul Paul : and that ?

Me : he's your best friend
who just walked out of your
own wedding reception

NOVELSGURU.COM

He looks down and gathers himself

Paul : what did he say to you ?

Me : nothing

Paul : you were talking about nothing ?

Me : I was asking him why he was leaving so soon

Paul : why ? I've been looking for you

Me : when ? Because you were all too chatty with Neo

He clears his throat

NOVELSGURU.COM

And the way his eyes are moving

There's something here

Paul : because you disappeared

Me : I am surprised you noticed , because you were too busy on your phone

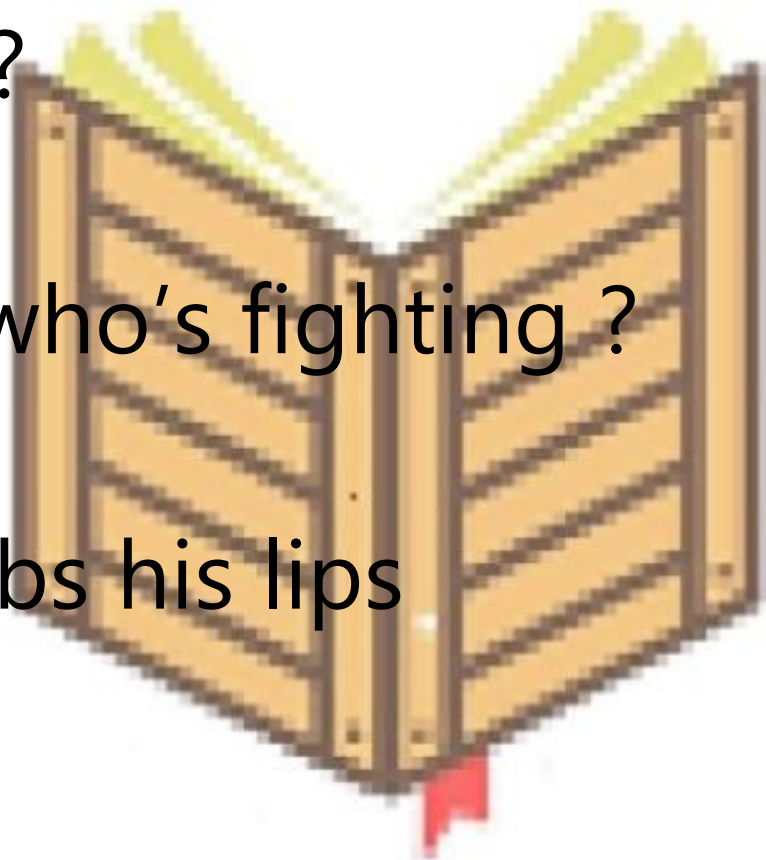

NOVELSGURU.COM

texting back and forth . You didn't even see me get up

Paul : are we really going to fight ?

Me : who's fighting ?

He rubs his lips

entertain our guests! say
nothing more

thing about Dintle She's one

But it doesn't mean she's a

Neo : he's your husband I know , but he's most women's dream

Me : yet you looked like best buddies at the wedding reception

I shake my head with a slight smile

Neo : before you accuse me of something , I don't want your husband . I am not desperate for marriage , and I am not like you . I can never marry a man I don't love

She turns and walks out

NOVELSGURU.COM

be more important than that ?

Dad : don't forget why you
married her , this is business .
But it benefits you , and you
still have your whole life to

I heave a sigh

Dad : talk about moving in together , you're married now . And what of your assets ?

Me : okay

NOVELSGURU.COM

Dad : I would suggest signing in community of property

Me : and why is that ? Dad :

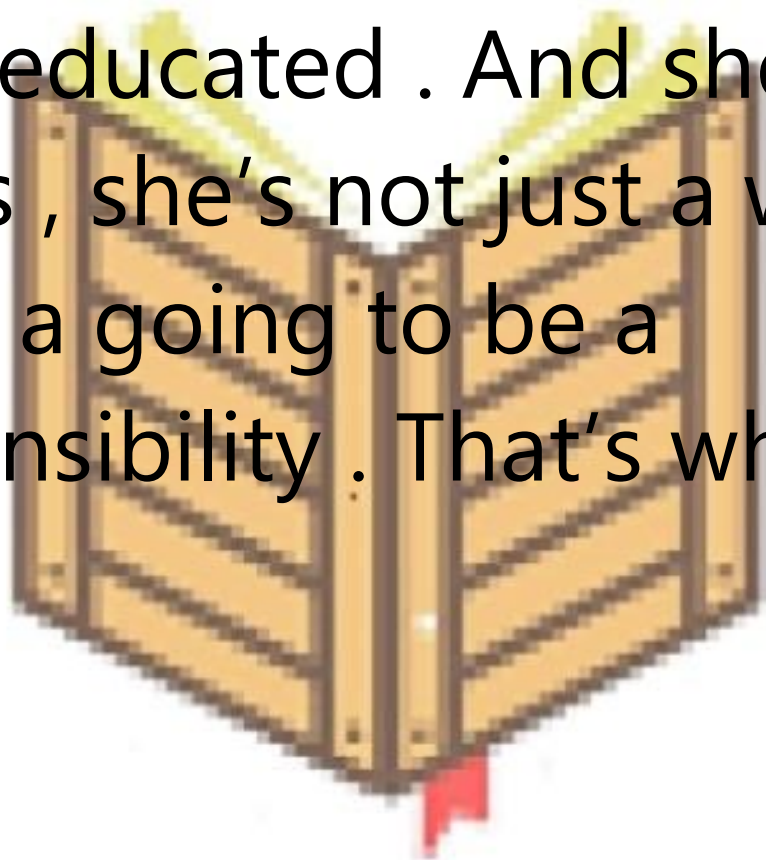

that girl has money ,

she's educated . And she has

assets , she's not just a wife

that's a going to be a

responsibility . That's why I

NOVELSGURU.COM

am content with giving you
the company

Well , that's great news to

I nod with a smile

Me : I won't let you down

Dad : don't let that girl leave

NOVELSGURU.COM

Me : I won't

I just have to be smart And
play my cards well
Everything will fall into place
My father can be a lot And

NOVELSGURU.COM

But there are times like these

And I feel like he only wants
the best for me

Truth is , Dintle is an asset
And she also is influential
With her
by my side

NOVELSGURU.COM

I can achieve a lot

I just have to play smart and

And this marriage benefits her nothing

She's just obeying her father

Because I was okay with a

But he insisted on coming to

NOVELSGURU.COM

I don't even know for what
There's nothing here
We spent the whole week in
Zanzibar

And I was just bored

NOVELSGURU.COM

I've been to Zanzibar twice
now

Making it this time the third

There really was nothing for
me to do or see

Except a little bit of shopping

NOVELSGURU.COM

And well , he had tons and loads to do

On his own of course

His phone still being his best friend

And I didn't even care A place I don't know

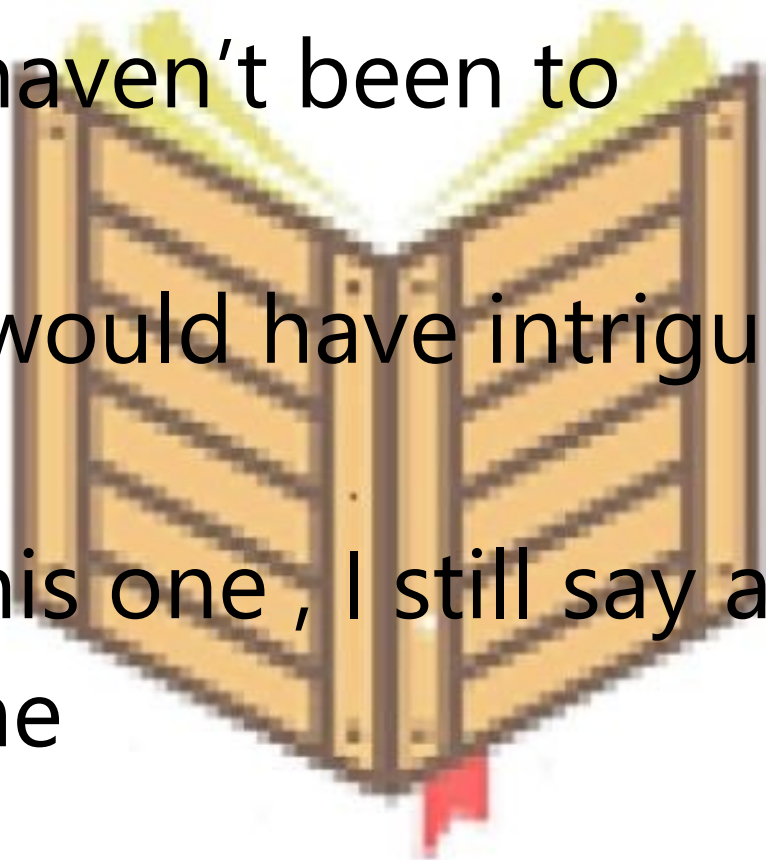

NOVELSGURU.COM

And haven't been to

That would have intrigued me

But this one , I still say a waste

We might as well have gone
to Durban , or Cape Town

NOVELSGURU.COM

Even PE

Even though I've been there
countless times

But still ...

It wasn't his money

NOVELSGURU.COM

Maybe he didn't even have a choice to pick a place to save himself

Me : you can leave

Paul : you don't even want to pretend

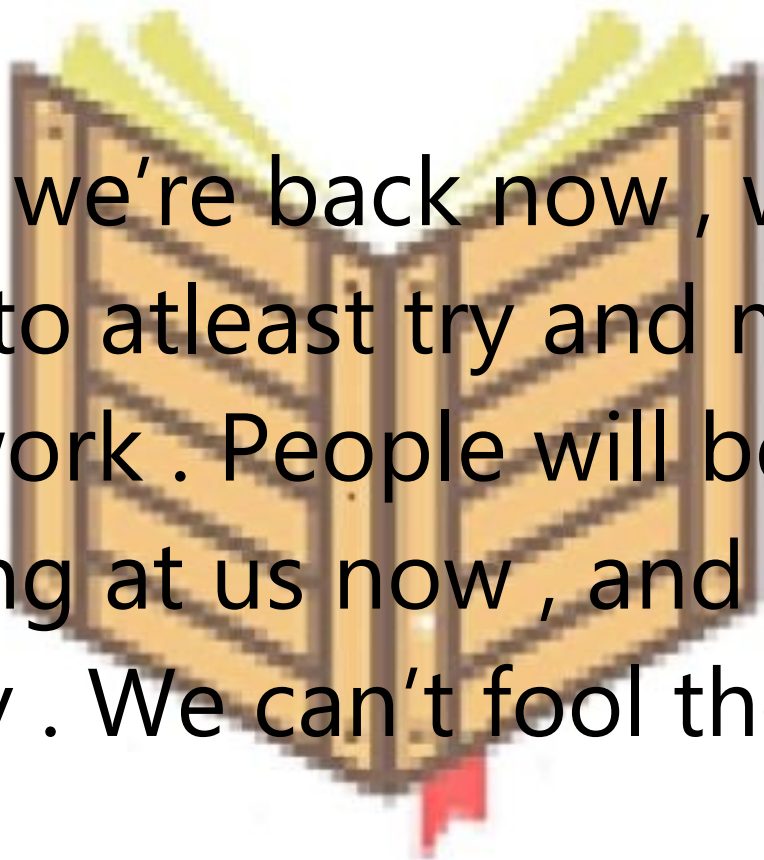

Me : why bother ?

Paul : you're too cold for a woman

I chuckle

Paul : we're back now , we have to atleast try and make this work . People will be looking at us now , and our family . We can't fool them

NOVELSGURU.COM

Me : we can do all that in public spaces , this is my house . There's no need for pretence

Paul : we need to move in together

Me : no

Paul : we're married now

NOVELSGURU.COM

Me : you're not moving into my house

Paul : that would just be an embarrassment

Me : and so is moving into your parents house with a wife

He sighs

Paul : married people stay together

Me : at their in-laws ? Please don't shame me , I am way too high standards for that

Paul : you can just be humble for a second , it won't hurt

NOVELSGURU.COM

Me : take it however

Paul : fact of the matter , I am serious . And another thing , we must sign in community if property . The lawyer called this morning , and our documents are ready

Me : forget it , I am not signing anything that gives you a share of entitlement to my assets

I take out my sneakers

Me : close the door on your way out

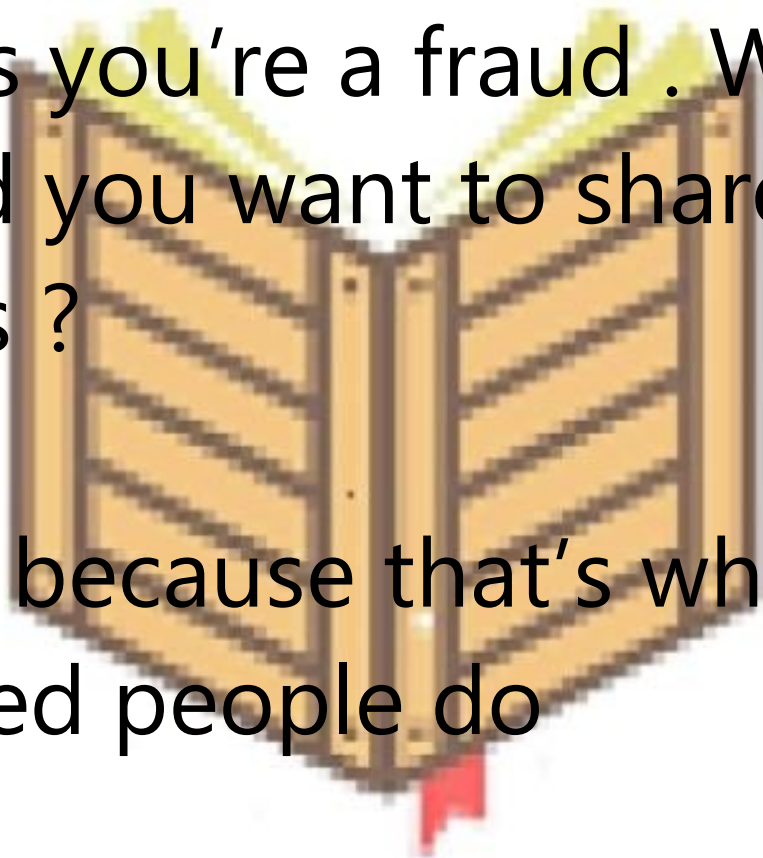

NOVELSGURU.COM

Paul : I am still talking to you
Dintle

Me : and I am done talking ,
unless you're a fraud . Why
would you want to share my
assets ?

Paul : because that's what
married people do

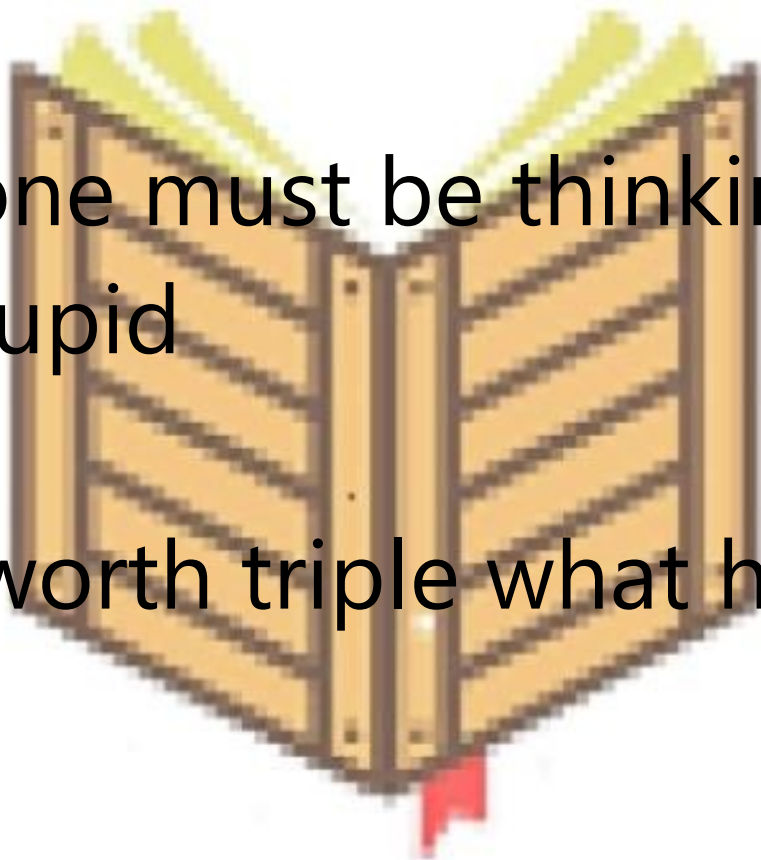

Me : do you understand what you're saying ?

Paul : yes

This one must be thinking I am stupid

I am worth triple what he's worth

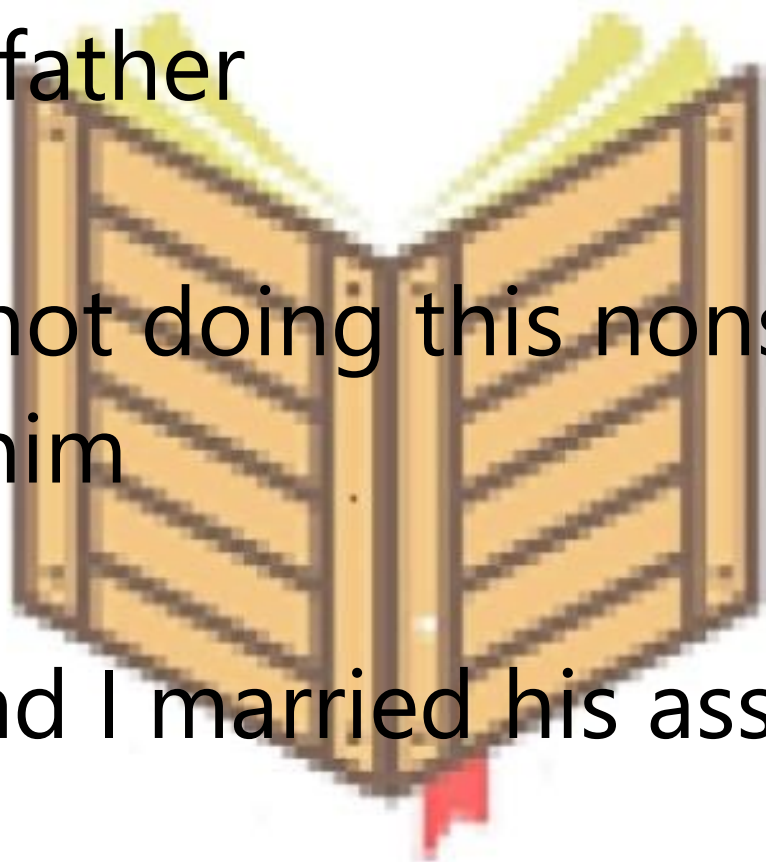

NOVELSGURU.COM

That's if he's even worth
anything

Because everything about him
is his father

I am not doing this nonsense
with him

It's bad I married his ass

NOVELSGURU.COM

Everything else , it's just not happening

Not now , not ever

Me : buy a house , put it in your name and we'll move in together . But as for everything else , forget it it's not happening . What's yours is yours , and you keep it .

NOVELSGURU.COM

The same way I keep mine ,
including this house . We
come as we are in this
marriage , and we'll walk out
as we are

I turn my back on him and
walk upstairs to my room

That's the only reason why she
doesn't want to share

I know she's rich

I just don't know how big And
she clearly thinks I don't

But this seems like it'll just be

NOVELSGURU.COM

Because we can't risk being
seen together

And my father would flip if he
dares finds out about this

If he was an easy man

NOVELSGURU.COM

I would have talked to him ,
and chose this way

But my father gets what he
wants

And this is not it

I knew it wasn't going to
work with him

NOVELSGURU.COM

I didn't even bother to say
anything

When he spoke about this
marriage to Dintle

She sits down on my lap ,
straddling me

I place my hands on herwaist

NOVELSGURU.COM

She leans down and we kiss

She slowly unbuttons my shirt

Her hands trail to my pants,
she unbuckles my pants

Slowly stroking my dick , it
jerks in her hand

NOVELSGURU.COM

She pulls my pants down

And lifts her butt up slightly

Slowly she rubs my dick on
her already wet pussy

And she goes down my length

Taking all of me , and she
starts riding me

NOVELSGURU.COM

I hold tight to her waist

And start pounding in
underneath her

She pulls back out of the kiss

And she throws her headback

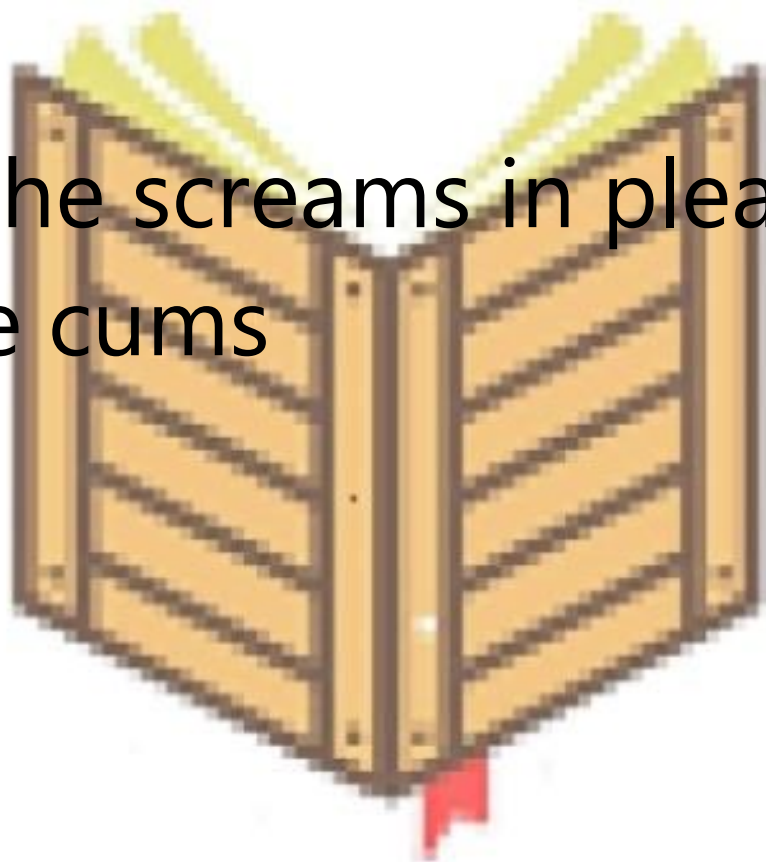

NOVELSGURU.COM

Her moans gracing the room
Her thighs shake
I increase my pace , filling her
up

And she screams in pleasure
as she cums

.
.

NOVELSGURU.COM

.

.

She falls down next to me

I hold my arm out

Bringing her over to my chest

Me : I love you

NOVELSGURU.COM

I place a kiss on her forehead
She heaves a sigh
Me : what's wrong ?

I know this whole situation is
not easy on her , and it's
understandable

Me : talk to me

NOVELSGURU.COM

Neo : we have a problem
Me : what ?

Neo : I am pregnant
Fuck !

This is the last thing we need

NOVELSGURU.COM

The past two years we've
been together

I've just been wanting to be
a father

And she wasn't falling
pregnant

Now , I'm married not her
sister

NOVELSGURU.COM

And this happens Damn !
I can't even be happy

Me : pregnant ?

Neo : I am sorry , I found out
today

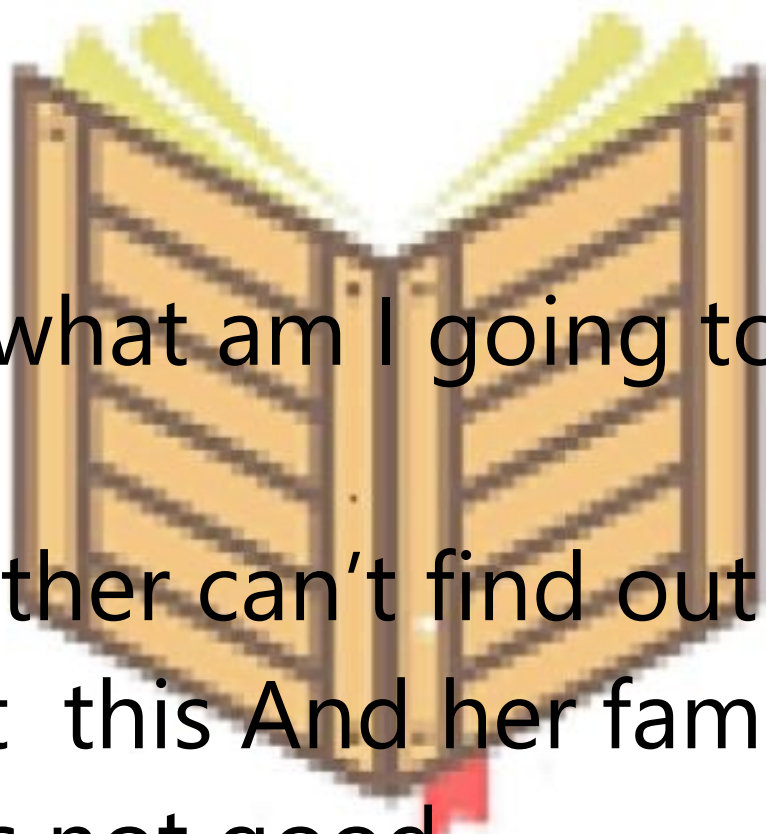

NOVELSGURU.COM

Shit !

Now what am I going to do ?

My father can't find out
about this And her family
This is not good

NOVELSGURU.COM

What will they say ?

How will they treat her now ?

Neo : I'm five months pregnant , I thought I was getting my periods . Turnsout I was just spotting , I wasn't feeling well the past two weeks . I took the test

NOVELSGURU.COM

yesterday morning and just now , and it's positive . I am sorry , because I don't know what we're going to do

I don't even know what to say

Neo : I am scared , you're married to my sister . My father will not be happy , and

NOVELSGURU.COM

what about your father ...the company ?

Me : I'm supposed to sign the contract , my father called a meeting today .

Leaving here I am headed there

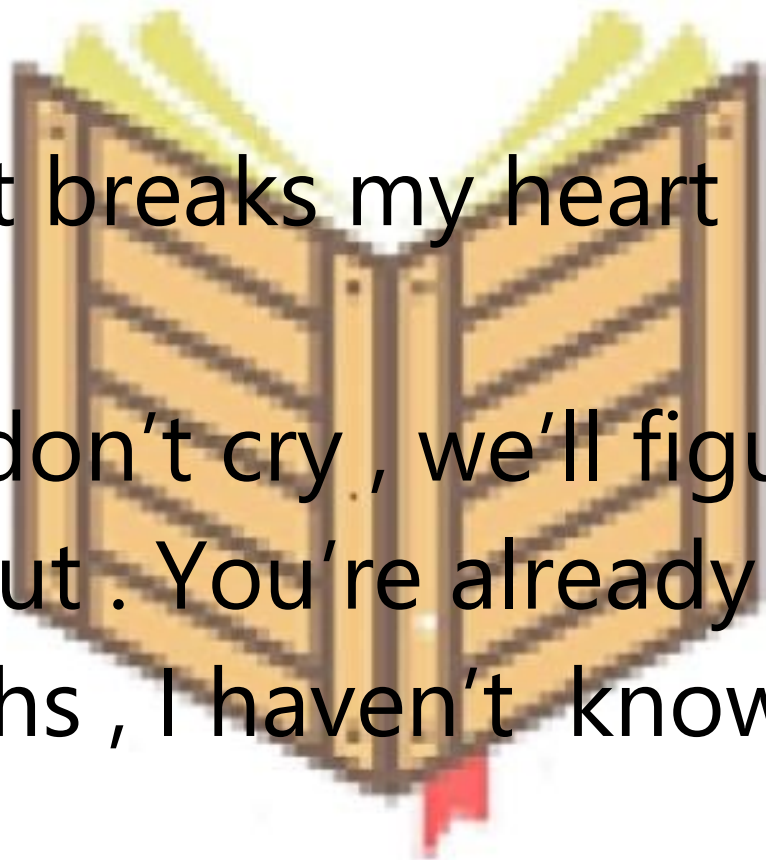

Neo : my dad ...they're already regarding me as

nothing . Now they'll think I'm
destroying Dintle's marriage

She tears up

And it breaks my heart

Me : don't cry , we'll figure
this out . You're already five
months , I haven't known

NOVELSGURU.COM

your sister this long . It's clear
, we didn't betray her

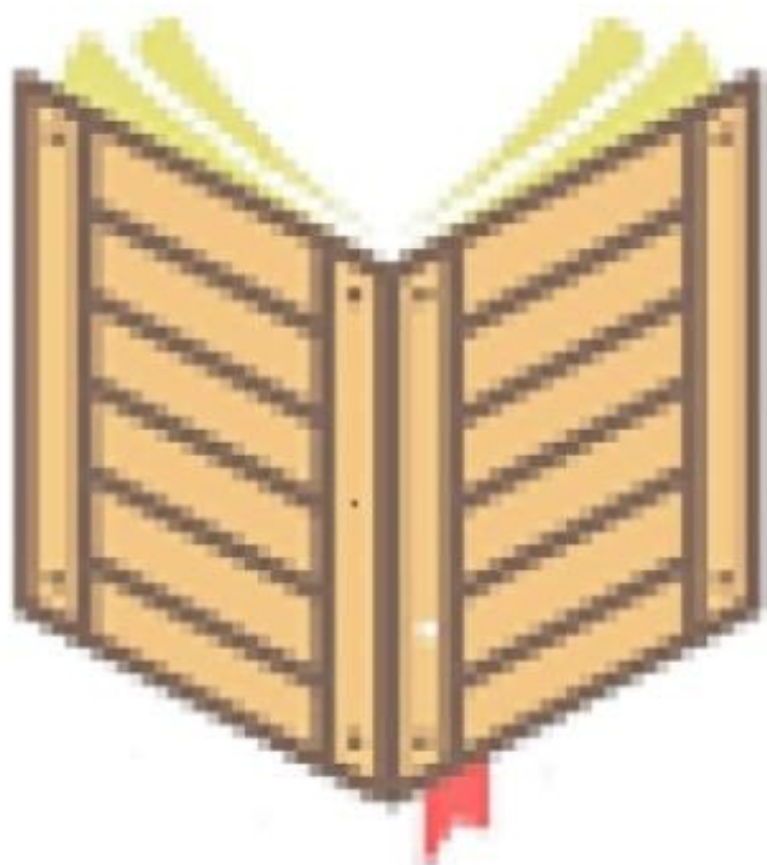

This is a mess

NOVELSGURU.COM

This is not what I expected to
happen

Especially at this time

Now we stand to lose
everything

Without this company , I have
nothing

NOVELSGURU.COM

I don't know how we're
going to do this one

I left Neo at the hotel

Because she's scared to go
home

I wish I could go back to her
But I must be home

NOVELSGURU.COM

Otherwise , how will I explain
not sleeping at home to
Dintle

She might not care about me
Or what I do
But I know she will question
that

NOVELSGURU.COM

It's not like I've been honest
with her

I didn't even hint that I have
a girlfriend

My father told me to marry
her

And what I stand to gain

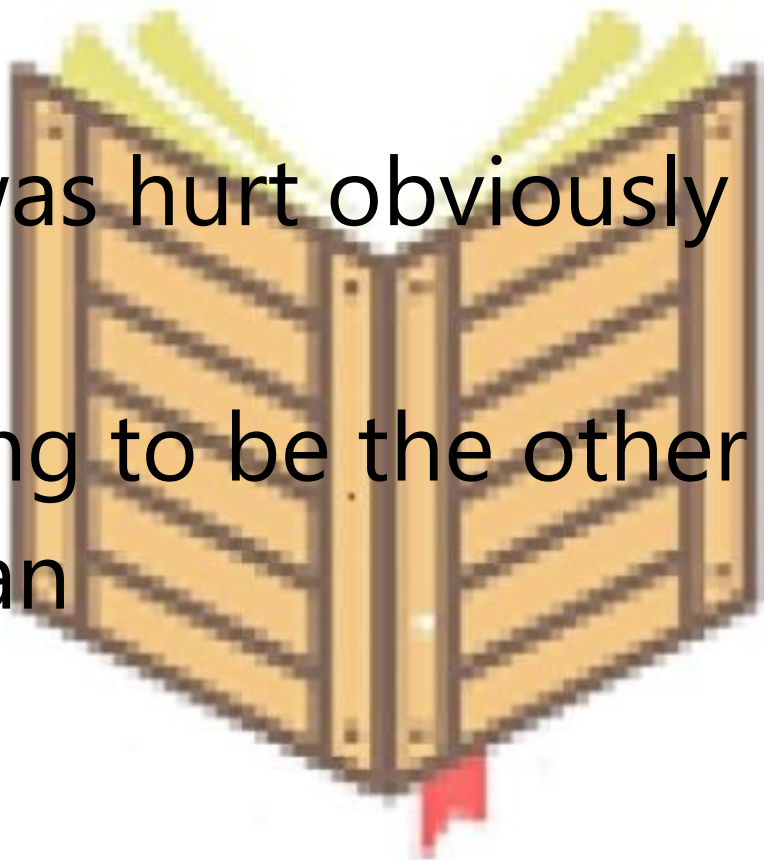

NOVELSGURU.COM

And I was all in

I explained the situation to
Neo

She was hurt obviously

Settling to be the other

NOVELSGURU.COM

Even though she was hetefirst

The sad thing about this , is
that it's her sister

But we love each other

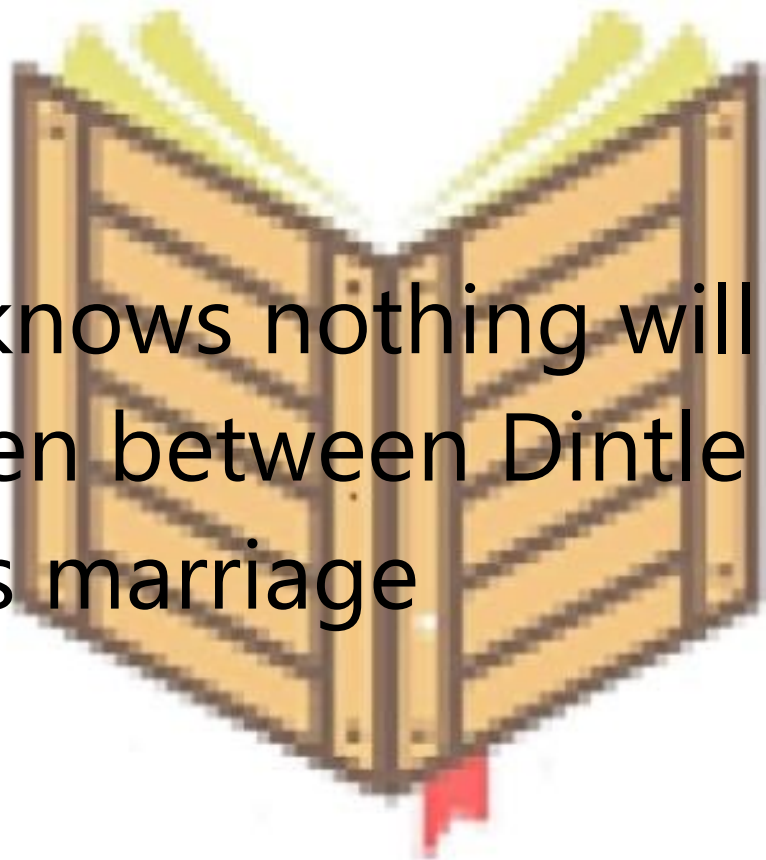

And we couldn't just break

NOVELSGURU.COM

Hence we're still together
Even though it's in secret
What made it a bit easier , is
that Dintle doesn't even like

The meeting went well

My father signed the company

Now I am in charge

Anathi : are you fucking with

NOVELSGURU.COM

Me : come on man , you've always known this

Anathi : and I told you to be honest , you just couldn't do that simple thing

Me : it's not that simple

Anathi : then even your shit , you can deal with it ..

NOVELSGURU.COM

however you see fit . I hate what you're doing , I don't agree with it . But it's your life

Me : Neo is pregnant man ..

Anathi : yeah , you got her pregnant . What did you think was going to happen , when you're busy fucking her

without a condom ? Or do you

Now this is a shock Me : oh ?

Mr Zwane : and I need that to remain like this

Me : okay

NOVELSGURU.COM

Mr Zwane : I didn't tell him ,
because I wanted him to give
this company 110 . Knowing
he's doing it for himself his
own legacy in his own hands
, but he's failing . Not just
failing , but dismally

NOVELSGURU.COM

I am sure he would disagree
with this

Mr Zwane : I don't trust my son with this company , he's already doing a very bad job as it is

Me : now what do you want me to do ?

NOVELSGURU.COM

Mr Zwane : buy in as in investor so you can keep an

eye on him , also lending a hand because he is struggling . And it won't help to turn a blind eye to it

I may know nothing about running a logistics company

But it's money

And that's all I'm about

NOVELSGURU.COM

Me : shares

Mr Zwane : what ?

Me : I don't want to invest ,
let me buy a shareHe
chuckles

And I am not joking

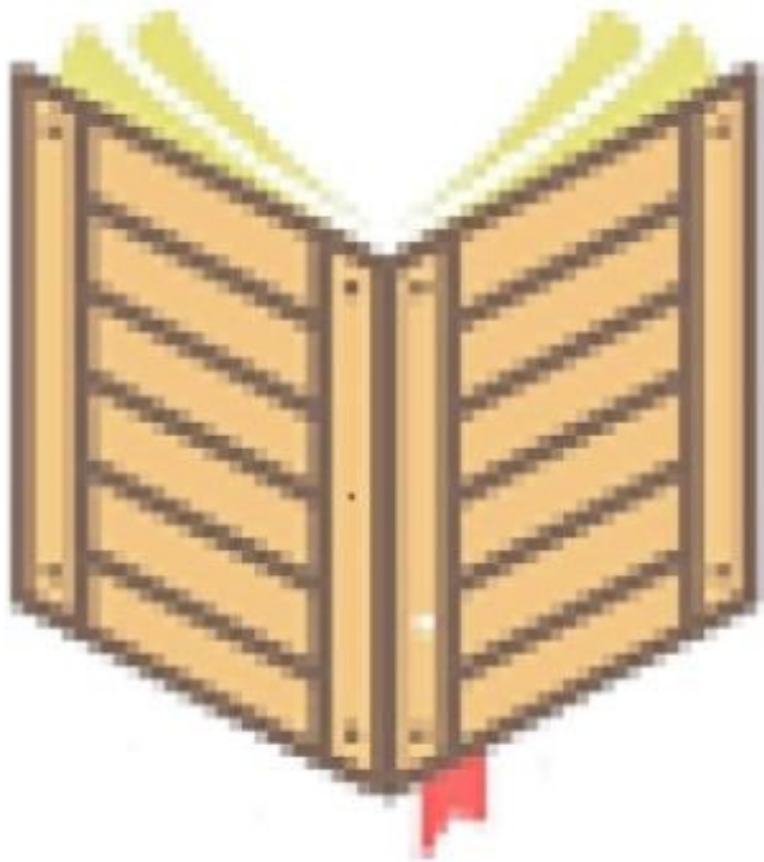

Mr Zwane : but that is not what I offered

Me : a share is what I want , I'm not saying I want it . I'll still buy in , but I'll be buying a share . Truth is , you see the company is in danger.

That's why you're asking me to invest , because you need

the capital

NOVELSGURU.COM

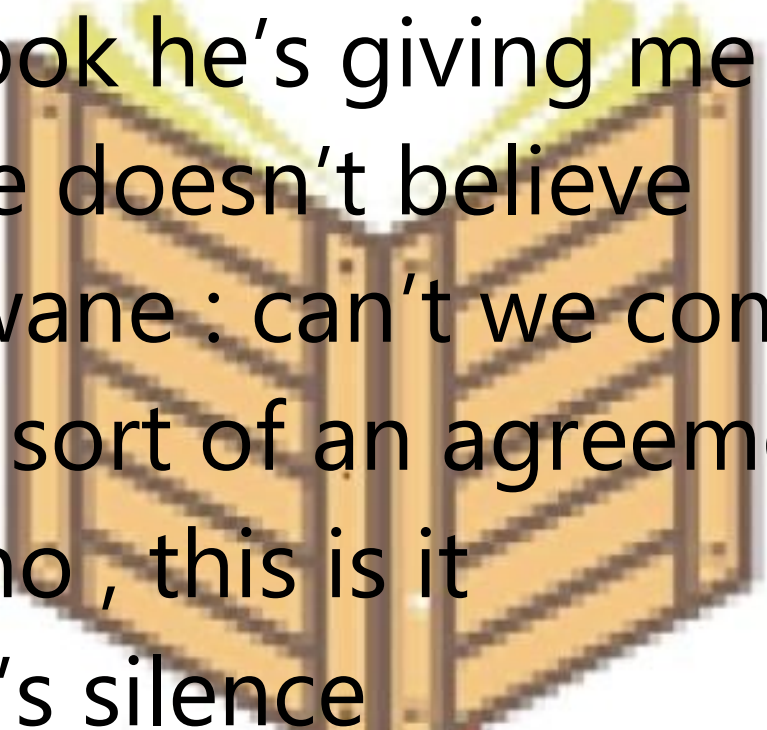

He sighs

Me : offer me shares , and I will do as you have asked

Mr Zwane : but I am not selling

NOVELSGURU.COM

Me : yet you're willing to let your son run this company

There's silence

He finally laughs

Mr Zwane : you drive a hard

Me : I have the capital you
need , that's what matters
most here

He nods

NOVELSGURU.COM

Mr Zwane : I will give you 20%

I know he owns 79%

I am not taking anything ,
that's puts me below his son

Because in the end of it all ,
Paul will get those shares

This company is clearly his inheritance

Me : 50%

Mr Zwane : no , that cannot happen . You'll be the majority shareholder , and I am not selling my company .
No , 20% that's my offer

I get up

Me : respectfully , 50% or nothing . You can't expect me to buy into a company , that is being led by someone who is clearly going to sink it and I'll lose

He looks at me

Me : I would like to be excused now , and get back to my work

Mr Zwane : he's your husband , I think you're being unreasonable

NOVELSGURU.COM

clothes days ago and you
shared a meal . What's next ?
Movies and dates ?

I am not going to entertain
this

Me : I won't deal with this ,
because I asked you when
this started . I asked what I
should do , and we agreed to

NOVELSGURU.COM

do this . I assured you ,
nothing will happen between
us . And luckily for us , your
sister is not interested at me
at all . It just makes
everything so much easier ,
but now you're here acting
up . So I'm giving you a
choice right now , let's tell
everyone the truth and I lose
the marriage to your sister .
And everything that comes

with it , then you get all of me
as I am all by yourself .

She looks down

Me : when you walk out that
door , I want you to think
long and hard about this .
And decide what you want ,
because I won't deal with this
kind of drama

NOVELSGURU.COM

The door opens

And my father walks in His
eyes stare at him

I feel the blood draining out of
my body

It's tense in this small space

One can feel the tension

You can literally cut it with a knife

Neo gets up

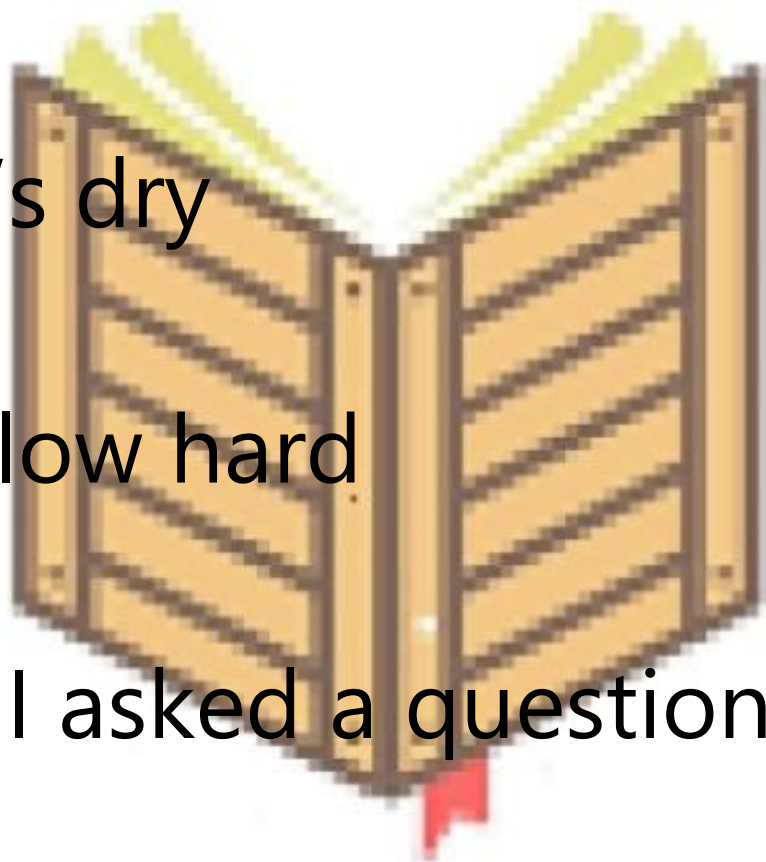

Dad : what's going on ?

I like my mouth to say
something

But it's dry

I swallow hard

Dad : I asked a question

NOVELSGURU.COM

I look at Neo

She's shivering

As she irons her skirt with her hands

Me : I ...

I take a deep breath

NOVELSGURU.COM

Dad : you what ?

Neo : I am sorry Mr Zwane , I know this is inappropriate . I just wanted to talk to my brother in-law

Dad : about what in the absence of your sister , his wife ?

NOVELSGURU.COM

He emphasizes on that his wife

Neo : things are not going well at home , I've fallen pregnant . And the father denied the baby , my father is disappointed . He wants nothing to do with me , and I am struggling because I have no financial support . So I can to ask my brother in-law

, if he can speak to my sisterin
on behalf . Because I'm scared
, that maybe she will reject
me like my parents

Dad : leaveShit !

Neo : I am sorry ...

NOVELSGURU.COM

Dad : little girl don't ever , no matter how desperate you are find yourself and your sister's husband behind closed doors . Especially without your sister

She nods

And I can see she's embarrassed

NOVELSGURU.COM

She grabs her handbag and
walks out

Dad : and you ?

Me : I ...I don't want to get
involved

NOVELSGURU.COM

Dad : boy don't test me

He ckicks his tongue and
walks out

about to ask for something
Me : what can I do for you ?
Neo : Uhmdid Paul say
anything to you ?

Now this I would like to hear
Me : about what ?

NOVELSGURU.COM

Neo : I went to see him
Me : and why ?

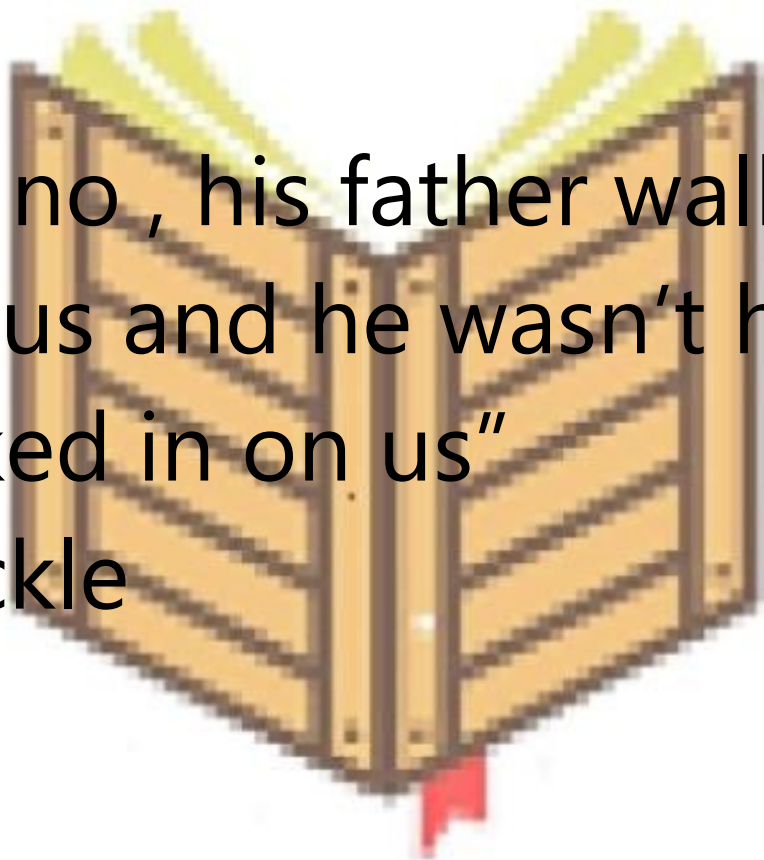

Neo : I just ...I am desperate
okay , I need some money

Me : so you went to ask him
for money ?

Neo : kind of

Me : okay , and did he give
you ?

Neo : no , his father walked
in on us and he wasn't happy
"Walked in on us"
I chuckle

NOVELSGURU.COM

Me : walked in on you doing what ?

Neo : no , I don't mean it like that . Just that he walked in the office , and he wasn't happy that I'm meeting with your husband in your absence

Me : mhm , I see

Background voice : ma'am
your room service

And she abruptly drops the
call on me

Me : wow

I let out a slight laugh

NOVELSGURU.COM

I grab my handbag and look
at the hotel card

I found this card in his pants
When I was doing his laundry
And I knew something was up

NOVELSGURU.COM

My mother told me Neo is
barely home

She says she's found a place

I mean , I know my sister even
better than she knows herself

My phone rings

NOVELSGURU.COM

And it's his father

Me : Mr Zwane

Mr Zwane : can we placemeet
?

Me : when ?

Mr Zwane : as soon as
possible

Me : I'm at the office , but I
have a meeting in an hourMr
Zwane : I will be there Me :
see you then
I drop the call

NOVELSGURU.COM

And lean back wondering if
this is what I think it is

Because if I'm right

Then the old man is not to be
played with

He saw and he believed

NOVELSGURU.COM

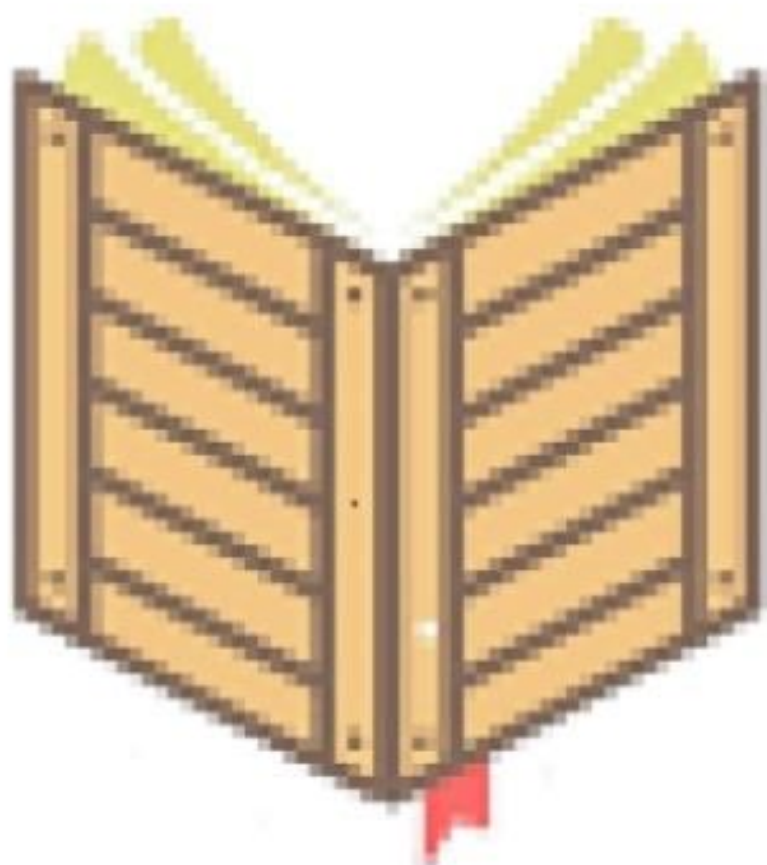

I let out a smile leaning on the

Someone was used here
And that someone will be me

Mr Zwane : I trust in you , and I hope I will not live to regret this decision

He gets up

I also get up

And I hold mine out as well

We shake hands

Mr Zwane : take care , and in

everything I did with your

best for you and Paul . And

maybe I made a mistake on

with this man , even before my sister met him and their marriage was arranged . I couldn't leave a man I love , and we didn't want to upset our parents . We decided to continue our relationship , even though I was the other woman . I was willing to settle , because I was here first . Even when I fell pregnant , we couldn't tell

our families . It was never my intention to hurt my sister , I thought she didn't love him or feel anything for him .

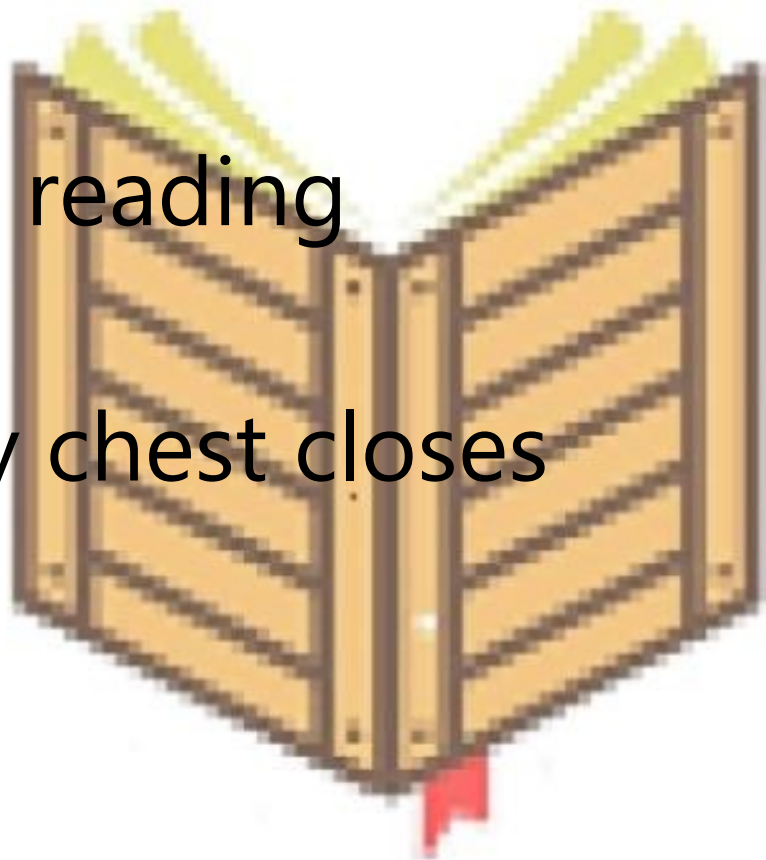

Because that's what he kept telling me , and I believed him . After she caught us yesterday , I started bleeding . He left me at the hotel , to chase after her . I called him , he didn't answer . Luckily , the hotel staff found me .

And they rushed me to hospital , I was to give birth . But I wasn't in the right state of mind , as the baby was in distress . I was rushed for C-section , unfortunately the baby was a still born . My beautiful baby girl , I feel like I failed her . I've never felt so alone like I am right now , I know my parents are disappointed with me and

they're angry . But I've just lost my baby , and the father doesn't care because he's chasing after my sister ..."

Neo : but I'm just me , you're

When I signed , it was just to have control as CEO

He wasn't signing the company over to me

NOVELSGURU.COM

Or giving me any control over

Basically I fucked myself

For just signing and not

NOVELSGURU.COM

Right now I'm kicked to the

There's a new CEO And I can't

I didn't bring any revenue to

NOVELSGURU.COM

There's nothing I can do

I've been offered a position

It was always going to be the

I've sent out applications And
I'm not getting anything It's
just frustrating
I really need to speak to Dintle

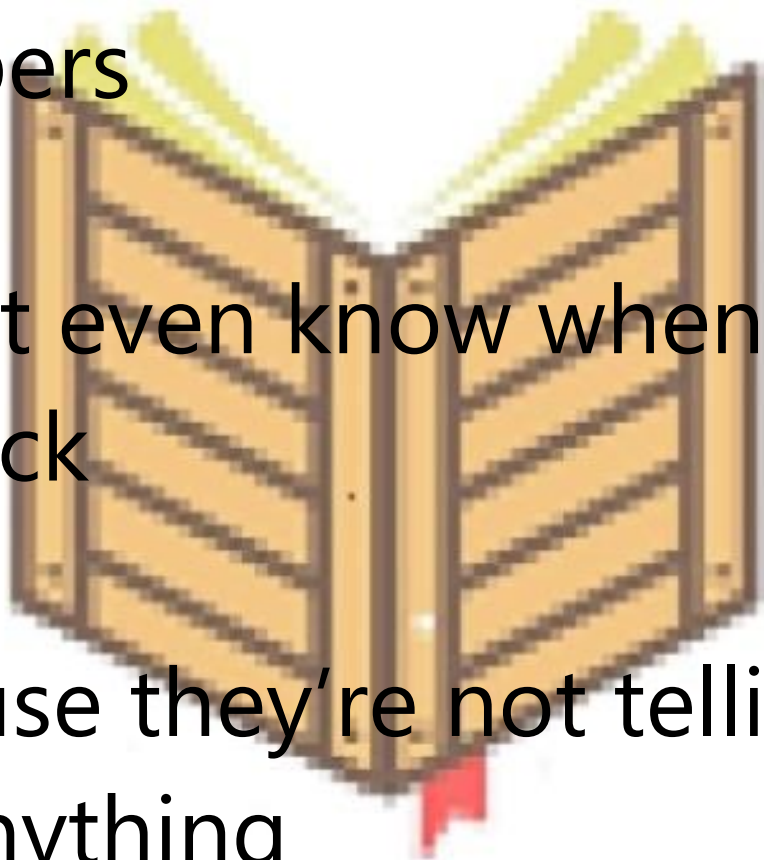

NOVELSGURU.COM

But her office says she's not
back

And they can't give out her
numbers

I don't even know when she'll
be back

Because they're not telling
me anything

NOVELSGURU.COM

And it's not like they don't
know

They just don't want to tell
me

She sure has loyal employees
Her father opens the door

And if looks could kill

I would be dead by now Me :

Mr Tau

Mr Tau : buy , do you have a
death wish ?

NOVELSGURU.COM

Me : I am sorry to just turn up here , I wanted to ...Uhm ...

I clear my throat

Me : I have been trying to get a hold of Dintle but

Mr Tau : I told you to leave my daughter alone , I don't

know how do you want to understand me

Me : I'm sorry , I just need to talk to her

Mr Tau : well you won't

Me : is there a way I can maybe contact her ?

NOVELSGURU.COM

Mr Tau : this is the last time I
warn you

I step back

And he slams the door I heave
a sigh

Now I don't know what to do

NOVELSGURU.COM

I don't even know where Neo
is

Maybe she would know where
her sister is

But that won't sound well

I heave a sigh turning around

NOVELSGURU.COM

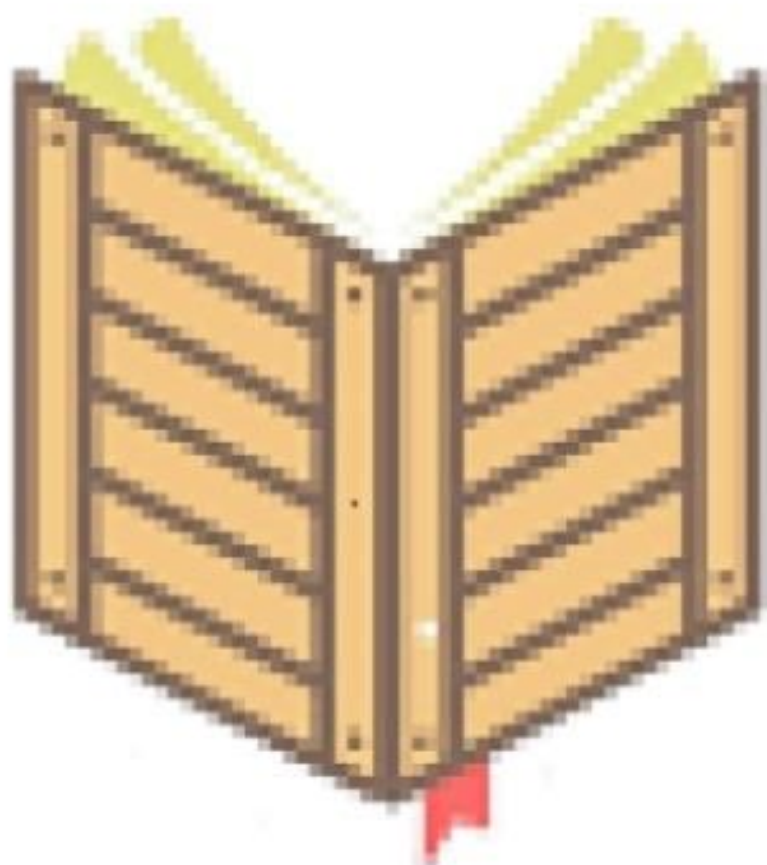

I walk back to my car and
drive out

He says , sliding his hand

In between my thighs

I slide down , taking his length

knocking on doors

I found myself crumbling

And I begged my father to

Me : okay , let me go inAnathi

: I love you

NOVELSGURU.COM

Just as the door opens

And it's my mother

I walk over to her

NOVELSGURU.COM

Me : I was on a call ...

Mom : it's so good to see you , I was starting to lose faith that maybe you won't come back ever

Mom : come in ...come in
She makes way , I walk in

Me : yes

Dad : good , it's about time

Mom : let me take your coat

Me : no I'm ...

NOVELSGURU.COM

Too late

Why would she say that

When she's already grabbing
on the jacket

I look at my father

I can't read his reaction

NOVELSGURU.COM

Mom : you're pregnant ?

I sit down Me : I am

Mom : but so soon

Dad : why didn't you tell us
about this ?

NOVELSGURU.COM

Okay !

Now they're just making a
big deal out of nothing

I'm pregnant

It's not like I killed someone

Mom : Dintle

NOVELSGURU.COM

I say nothing

Dad : I don't like how you're carrying yourself as of late , and how you're doing things . Don't make me think I made a mistake , by allowing you to leave that Zwane boy

I swear something is wrong with this man

And he's so quick to forget

Me : I didn't leave him , you made me . The same way you made me marry him , I'm so past all that . I'm old enough dad , I can make my own decisions . I don't need you controlling me

Dad : is that what you think
I'm doing ?

Me : all my life

Mom : Dintle , this is still your
father

Me : I am not saying he's not
, and you'll never say
anything against him .

NOVELSGURU.COM

Because everything he says ,
is right in your eyes . I've
been subjected to so much ,
wanting to make him proud .
But it's never enough , so I am
done . That's why I'm moving
to Botswana

I get up

Mom : you're what ?

NOVELSGURU.COM

Me : I have nothing left here ,
so I am leaving

Mom : what about your family
?

Me : I have my own family
now mom , and that's where I
need to be

I grab my coat Me : I have to go

Mom : you just got here , you drop a bomb on us and you're leaving ?

Me : there's nothing else to say , I'm sure you're angry

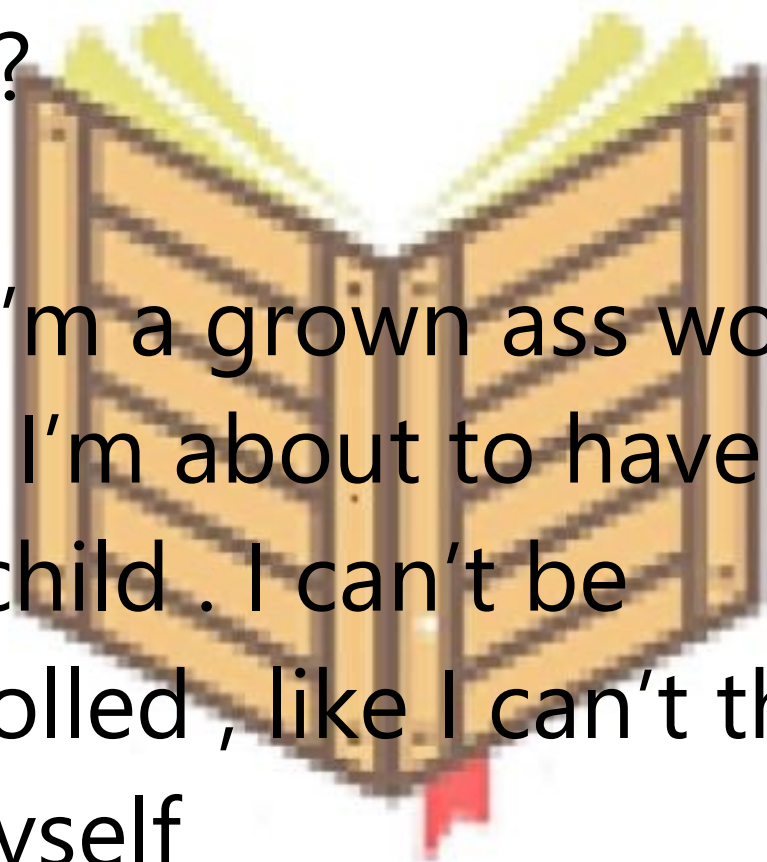

NOVELSGURU.COM

and disappointed and all .

But I'm tired

Mom : of us ? Tired of being a child ?

Me : I'm a grown ass woman now , I'm about to have my own child . I can't be controlled , like I can't think for myself

NOVELSGURU.COM

I head towards the door
Dad :
if you're happy ...I turn and
look at him
Dad : I'm sorry this is how
you feel

NOVELSGURU.COM

Me : just give me your
blessings , to just be me for
me

He nods slowly

I can see this is not easy on
him

Because he's just so used to
getting his way

NOVELSGURU.COM

Me : goodbye

I open the door

Dad : if you're happy , then
that's all that matters

I let out a smile

NOVELSGURU.COM

Me : I am happy , the
happiest I've ever been in a
long time

I walk out and head to my car

I drive out to the company

But I won't ask anyone

Because I'm just seen as

And only just the receptionist
walks in

She sits down

I'm so tempted to ask what's
going on

NOVELSGURU.COM

But I'll rather not do that to myself

Trinity : Gugu , how far is Mrs Brock ?

Gugu looks at her phone

Gugu : she just parked in Mrs Brock ?

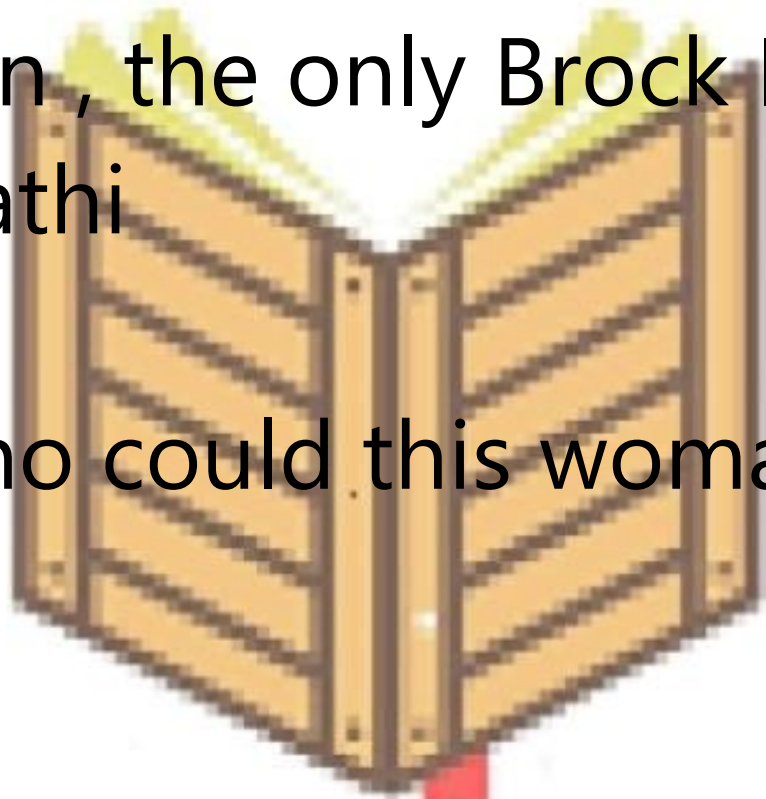

NOVELSGURU.COM

I mean, the only Brock I know
is Anathi

So who could this woman be
?

And why are we called here
waiting for her ?

Unless Dintle has sold her
share

I wouldn't be surprised at all

This we shall hear and see

I lean back on my chair

Minutes later , the door opens

NOVELSGURU.COM

And everyone lifts their heads

I'm sitting facing the door

Voice : I am so sorry , I'm late

Shit !

I quickly turn my head

NOVELSGURU.COM

Recognising her voicel pop
my eyes in shock
I didn't think I'll ever see her
again

Especially being gone for so
many months

NOVELSGURU.COM

Trinity : no worries , please
take a seat

Dintle : I won't be long , so
thank you to everyone here
And she remains standing
Now I'm battling my
thoughts

NOVELSGURU.COM

She can't be the Mrs Brock , I
thought we're waiting for

She places her hands inside
her coat

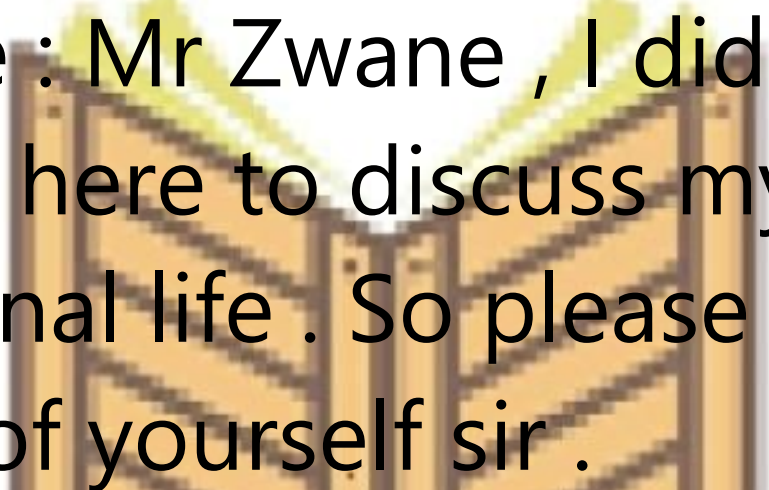

And I see the baby bump

Me : you're pregnant ?

The words escape my mouth

NOVELSGURU.COM

Dintle : Mr Zwane , I did not come here to discuss my personal life . So please , get a hold of yourself sir .

Ouch !

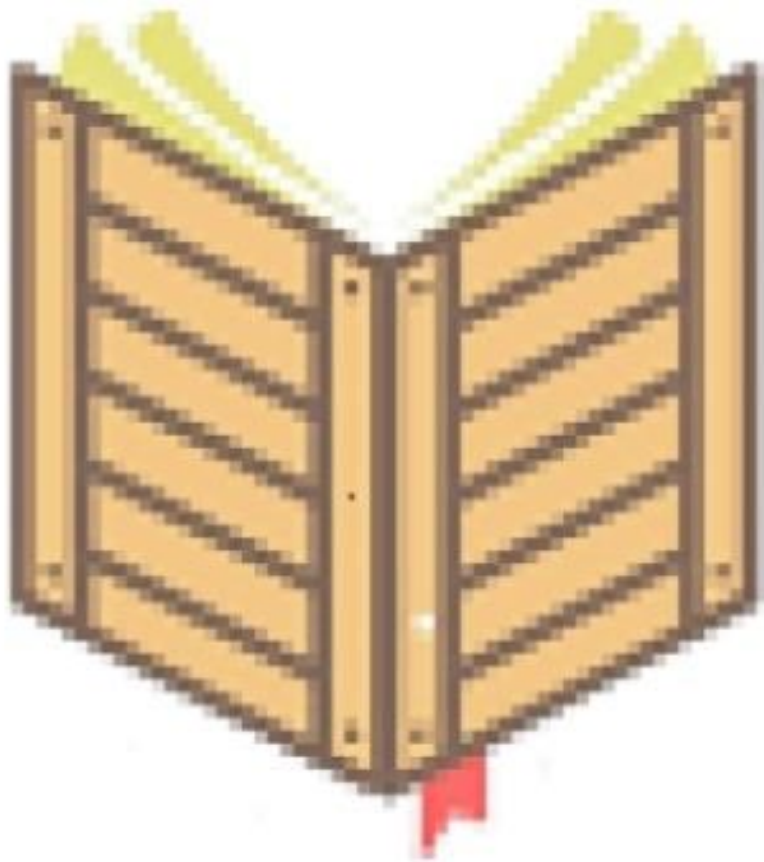

And that gets slight laughs

I'm even embarrassed

Dintle : I asked for this meeting , because I am leaving South Africa . But I will still be hands on in the company as I've been , working remotely scared me a bit . But if I could do it for almost six months , it really shouldn't be a problem going forward . As long as we keep

on working as hard

NOVELSGURU.COM

as we have been , and toying
the line . We should be fine ,
and the company should
continue to strive even more
than it has the past months . I
am not handing my proxy , or
Mr Zwane senior to anyone . I
will hold both proxies , and
do due diligence where
necessary .

Trinity will continue holding
the fort , the same as

everyone one their positions .
Once again , thank you for
coming at such short notice .
But I couldn't just leave
without coming here

They clap hands for her

Trinity : if that is all , please
everyone get back to work

NOVELSGURU.COM

No one says nothing Dintle :
thank you They all get up
And instead of walking out

They're shaking hands with
her

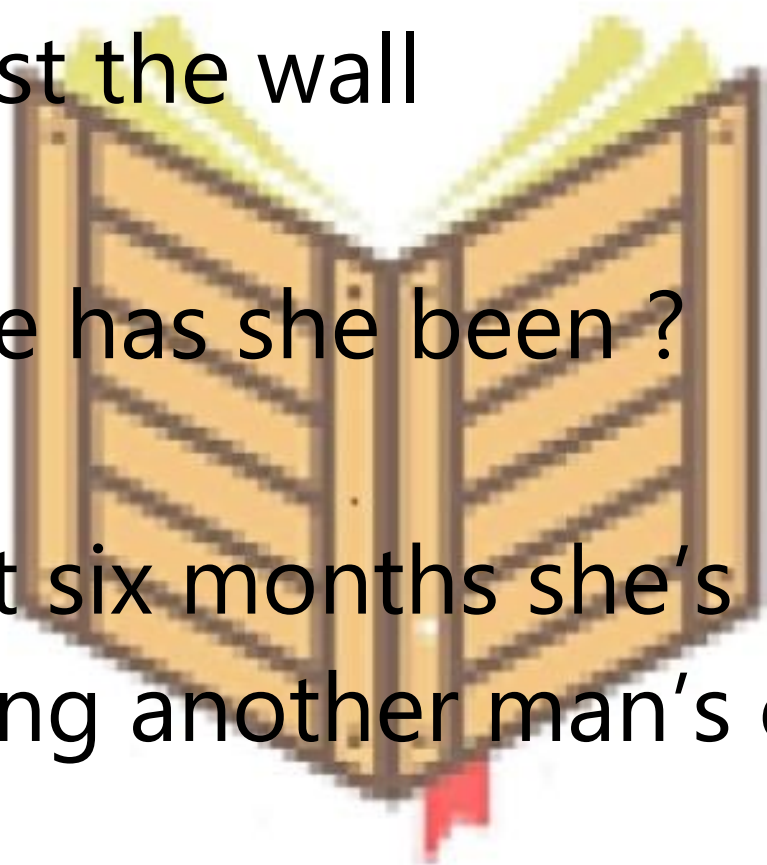

NOVELSGURU.COM

I get up and walk out just
annoyed

I stand by the door , and lean
against the wall

Where has she been ?

In just six months she's
carrying another man's child

NOVELSGURU.COM

I know it's not mine

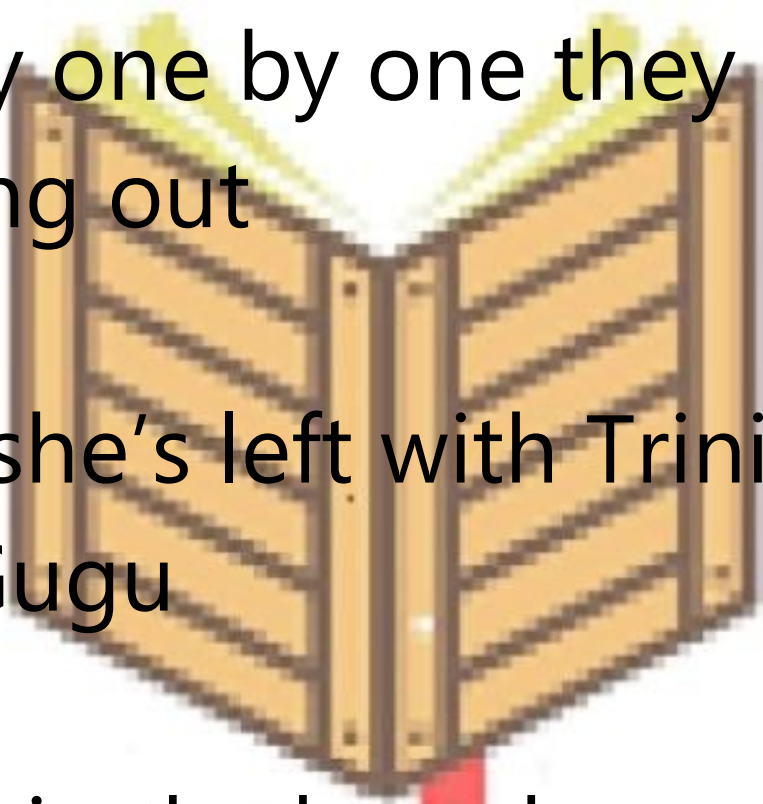

That's not even a possibility

Finally one by one they start
walking out

Until she's left with Trinity
and Gugu

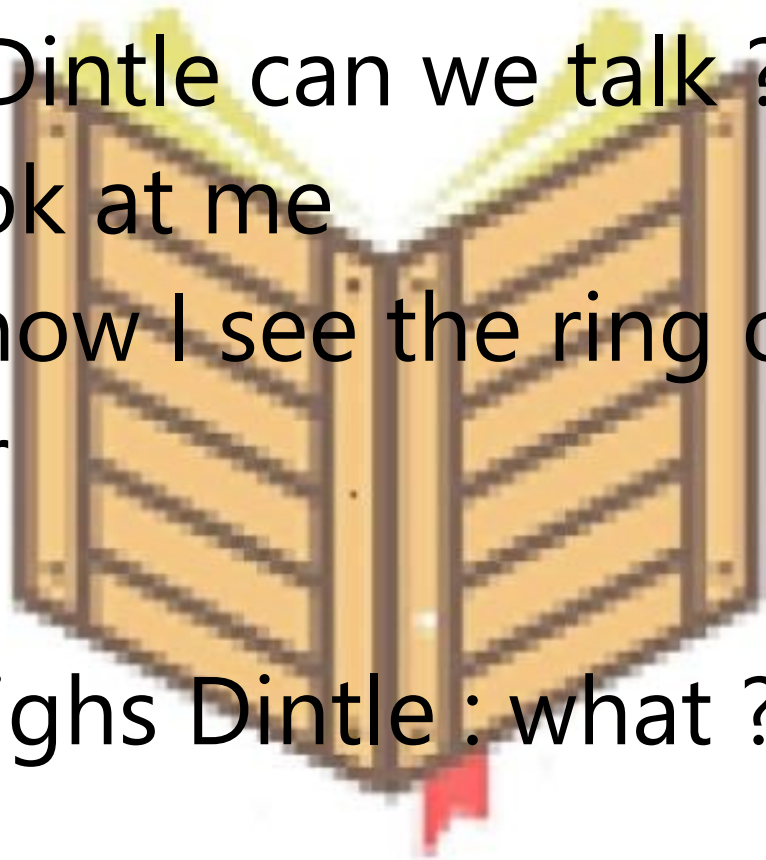

I walk in the boardroom

NOVELSGURU.COM

Me : Dintle can we talk ?They
all look at me
And now I see the ring onher
finger

She sighs Dintle : what ?

NOVELSGURU.COM

Me : in private please

Dintle : no , I have nothing to say to you ...

Me : I understand I hurt you , but please ..

NOVELSGURU.COM

Dintle : it's not about that

She sighs

Me : what happened ? Where have you been ?

Dintle : I don't owe you any explanation , I'm trying to be professional with you right now . But you're getting way too personal , and I don't appreciate it

NOVELSGURU.COM

Me : you're married ?

Dintle : yes , now please ...

She shakes her head

Dintle : ladies , once again
thank you

They shake hands

NOVELSGURU.COM

Gugu and Trinity walk out
Me : Brock ?

Dintle : what ?

She asks shrugging

Me : it can't be , because the
only Brock me and you know

is Anathi . Who happens to be
my best friend

Dintle : the only Anathi Brockl
know , is my husband the
father to my child . I didn't
know you are friends ,
because he's never told me

I feel like my heart is being
ripped out

Me : did it have to be my friend ?

I look at her emotionally

Dintle : Please excuse me

Me : do you even love him ,
or you're paying revenge ?

NOVELSGURU.COM

Dintle : tell yourself whatever
will help you sleep at night

Me : yeah , I think my father is still not happy

Anathi : they just feel left out baby

Me : but ...

I heave a sigh

Anathi : we got married , and I sent my uncle's to pay dowry . When I've already married you legally , and worse you weren't even home when that was happening . Traditionally and culturally , that's not how things are done

That was insane

NOVELSGURU.COM

But we couldn't leave for
South Africa

Anathi had to be in Kasane

So we just did what we had to

NOVELSGURU.COM

Anathi : we kept the

Me : but now they know

Anathi : and you just told
them you're leaving South

Me : to be with my husband ,

Anathi : you take this so

Me : just one more day , and
I'll be back

I booked a return flight

And once I leave , I don't know

NOVELSGURU.COM

I've found what I've been
