Introduction

I go by the name Naledi Mngomezulu but people usually call me Nale or Ledie. I'm 18 years old. I live with my strict mom and my sweet dad. I have a small brother, his name is Bandile but we usually call him Bandie. Bandie is 16 years old. Being the oldest in the

family is very hard coz your family members always expect the best from you.it like the forget that you are also a human,you need to make mistake in order to grow.I always have to be the best all the time,be the example of the whole Mngomezulu family.well the is nothing more I can say about my self.I'm still a virgin,I passed my matric last year with 7 distinction .I'm shy but not too shy when you get to know me. Yesterday I received a letter from Durban university of technology (DUT).I was so happy coz I will be away from home and my family won't visit me more often. The main point of being happy it because when I get to Durban I'll be **independent** .well my family and i, we are located in Kwanongoma .Going to Durban from Kwanongoma is 4 to 5 hours.when I

passed my matric my family was happy for me.and I was happy when I got to Durban but everything changed when I fell in love with the wrong-right guy.witness my story as I'm going to take you on the journey of my life.I'm Naledi Mngomezulu and this is my story

It was In the morning.

I was seating on my bed re-reading the letter from DUT.I couldn't believe that I was going to be away from home and be independent. I am so happy.I just sat in my bed thinking what will I do when I arrive in Durban coz I really don't know anyone. I was disturbed by the door that flew open and I know the only person that doesn't knock is mom.when I tell her to knock before

entering but she always go like "this is my house so you won't tell me what to do" Mom:"hey wena awuvukil ngan seksil man awubon yin?"mom though she can be a drama queen sometimes. How can she say I must wake up when she can see that I'm already up.mnx.

Me:"haw mama I'm awake njena "she saw the letter in my hand she smiled

Her:"thank you my baby,thank you so much my beautiful daughter. You have made us proud.and you behaved very well.you respected us as your parents and you didn't fall pregnant like those kids from our neighbourhood .we are proud of you my child and your dad is proud of you too."I smiled and tears were starting to come out

Me:thank you mama and I'm proud of that you are proud of me"she wipe my face and smile Her:"let go and make

breakfast for your dad" I got up and wear my gown and my morning shoes. then we followed each other to the kitchen but I started in the bathroom wash my face and brush my teeth. then went to the kitchen and mom was busy cutting ujeqe and asked me to spread it with rama I did as I was told and she also said I must go outside to boil water for dad's tea. I boiled the water and made tea then went to give dad and Bandiie then take my food and went to join them Coz mom was already sitting with them.

Dad: "Ledi when are you going to Durban again?" this was painful that I was going to leave my home, my family & my neighbourhood

Me: "I'm leaving tomorrow dad"

Him":eyy mntanam please behave your self there.and study don't chase boys around wen you are going there to study and please study and make us proud.please don't come back with a big stomach carrying a baby."we laugh and we talked and laugh.later when we were done eating I took all the dishes and went to wash them. When I was done I went to my room and took my big brand new suitcase and start taking my cloths out if the box I keep them in, as I was busy taking my cloths out I heard a knock on my door "come in"and it was Bandiie

Me:"Mtasekhay "

Him:"big cc"

Me:"yeah what do you want now?"

Him:"I'm here to help you with your packing. "Ooh this is not the Bandiie I know.

Me:"lol baby bro usuyangixosha njal you want me to pack early so ayy please wait for 3 hours or more then I'll be gone."I said laughing.he punch my shoulder playfully,I rub it. Me:"hey bby bro you are hurting me."we laugh .I love brother so much. even though he's always in trouble. Mom and dad should have named him TROUBLEMAKER.

Him:"angith uthanda ukukhuluma,and I wasn't trying to get rid of you.Eish Cc I'll miss you so much....who is going to plead mom and dad to forgive me when I've done something wrong??who is going to cover for me when I wanna go to party??? Who's gonna open the door for me when I come back....I'll miss you

Mtase"Ncoooh my brother is crying for me.this is new. Bandiie doesn't cry even if dad is beating him but he wouldn't dare cry.my lil brother loves me and I love him.

Me:"Ncoooh Mtasekhaya I love you and I'll miss you too.when I get there I'll buy a phone and I'll be calling you on moms phone nerh and now please story crying."I said wiping his cheecks.I perk his lips and said "I love you lil bro and I'll come back and visit you nerh." He just nod.it broke me to see him like this but I really need to go.

Him:"do you promise to come back every month ebnd?please say yes"he made one of those begging puppet face.I laugh he look like a kid begging for candy.

Me:"Ncoooh I promise baby bro ooh by the way you looked like a kid begging

for candy "we laugh and he hit my breast

Me:" ouch...dude you are hurting me. I won't come anymore. "

Him:"okay I'm so so sorry"he said still laughing

Me:"and that laugh counts too"

Him:"ooh noo I'm sorry... I'll do anything you want"he was begging and that made me laugh.

Me:"are you sureanything? "

Him:yeah 1000%sure."

Me:"okay you'll cook lunch and when we are done eating you'll wash the dishes "his jaws dropped .I laugh at him Him:" ooh no.you can't say that"

Me:"well I've already said it"

Him:"I don't know how to cook you must help me"

Me:"are you telling me or asking me?"

He look at me and said
"I'm pleading you my dearest sister"
I just laugh at him
Me:"okay I'll help you"he jumped from
the bed and hug me.I hug him
back...we broke the hug and carry on
with packing. When we were done .we
went to the kitchen to prepare lunch.
Later we were done we served our
parents with their food .we ate while
listening to them telling me to behave
my self there in Durban . When we
were done eating Bandiie took the
dishes and went to wash them. later on
it was time for me to go it was 15:25pm
and my bus to Durban was 16:15.we
took all my lauggage and pack them in
dad's car.My family and I drove to the
bus station. We were chatting all the

way. when it was time for me to go I
bide farewell to my family and my mom
was already in tears. I went to hug her
for the last time and hug dad then
Baby Bandiie

Me: "please behave your self little bro" I
whisper in his ears. he nod. he had
tears In his eyes. I told him not to cry
he just nod again. When I was about to
get in the bus mom called me I turn to
look at her. she took out a small plastic
and gave is to me. I look at it, it was a
box of a
phone and a small brown envelop. I
look at her

Her: "call us when you get there and
spend that money wisely" I nod a nd
hug her for the last time. I got in the
bus. After sometime when I was
settled the bus started moving .I

started crying silently and waving at my family .we took off.

On the way I opened my brand new phone.it was a Samsung J1 ace.it looked so beautiful. I liked it.I opened it and look at the apps that it have.I got to camera and take some few pictures. I look at them they look so beautiful. I usually take photos on my mother's phone but they always come ugly or shad. I checked some other apps but I didn't know how to use them coz this is the first time me having a phone.yeah imagine I'm 18 years old but it the first time in my life having a phone,It really awkward.the time was around 18:45 and my bus was going to arrive in Durban in 20:15.I took a little nap.I was awaken up by the old woman that was

sitting next to me saying we are in Durban. I rubbed my eyes then look through the window it looked so Beautiful. The buildings, lights, cars....everything looked so beautiful. The bus stopped and people near the door started going out.when it was my turn I was holding my breath,closing my eyes as soon as my left foot touch the ground I opened my one eye then put my both feets on the ground i opened my other eye and let out a big breath that I was holding.I looked around then close my eyes then open them again.

I'm so happy right now.I'm finally in Durban....I'm away from home...wow. I went to take my bags and started walking,looking Around this big city...it so cold here,I need to get going....but wait where am I going?? Dubarn

university of technology is closed already...Ooh no what am I going to do??I don't know anyone here....I need to call my parents, but what will they do coz they are far away...I looked around and everyone was minding their businesses.I slowly walked to a corner and put my bag down and sat on it.I buried my face in my hands... Tears started making their way out I cried silently after a while I stood up and started walking.tears couldn't stop coming out.I looked down and continued walking....I really don't know what happened.... I felt like I was flying next thing I was held so tight in someone's hard chest.

"Heey!! How can you walk around looking down not watching where you're going argh!!!....."

What the fuck is wrong with you woman??!!!!"

Me:"I'm so...sorry sir I didn't see you coming.." I said still looking down

Him:" how were you suppose to see me when you're walking facing down?!!!" This guy is making things worse for me...he makes me wanna cry more...I hate it when someone shouts at me.

Ayathandwa got in his car and drove off. Luyanda opened my side door, I got in then he closed and jogged to his side, got in then drove off to the restaurant.

We got there, got off the car then went inside the restaurant. We were welcomed showed our table and our waiter. We made our selves comfortable in our table. Our waiter, Amanda came with menus

Her: "hello guys I'm going to be your waiter today.. What would you guys like to drink?"

Her:"thanks...so you have moved on?" She said

looking at me Him:"yeah this Naledi, Naledi this is Amanda Zuko my ex"

Her:"hey Ledi"she said faking a smile.

Me:"hi "I said with a cold voice

Her:" so how is life Luya?"

Him:"good but I was wondering,are they paying you to ask me how is my life or they are paying you to waiter us?"ouch

Her:"uhm...they pay me to be your waiter "

Him:"so do what you are paid to do"

Her:"uhm oky"I giggled. She looked at me angrily

"So what would you like to eat"

Him:"can you please go and give us sometime to decide on what we will like to eat...so we will call you when we are ready to order." Her:"ooh okay"then she left.

As I was looking at this menu...everything here was so...weird. It had names that I can't even pronounce.the prices!! They are out of this world.it is so expansive here...the cheapest dish here was R457.00.Can you imagine.

I looked at Luu and he was looking at me.

Him:"what?"

Me:"I can't even read this and it is expensive." Him:"ooh oky"mnx this guy.

Luyanda called his ex so she can take our order. Amanda came.

Luluh: "can we have pastalongo with octopus mixed with vegetables and rice "

Her: "the two of you or..."

Him: *yes the two of us...and also a can of Heineken and a glass of orange juice"

Her: "is that all?"

Him: "yes"

Her: "ok"

Then she left.

After a while Amanda came with our food. Everything here was mixed...Rice, Vegetables and

pastalongo was mixed together with some source then half octopus on top .the food looked so weird.

We started eating...I don't wanna lie the food was nice.

The octopus was nice...I was really not looking forward to eat this octopus but it was really nice.

Him:*are you enjoying your food?"

Me:"yeah...it really nice"

Him:"that's great then"

Me:"mmh"

Him:"so you are dating that Athandwa guy?"

Him:"can we do this again? "

Me:"yeah, when I have time"

Him:"okay .goodnight my love"my

Me:"goodnight Luyanda. "

He just looked at me in my eyes.gosh
this guy is beautiful.

He brought his face near mine,that
Heineken he was drinking was
smelling in his breath. His lips brushed
my lips. gosh it felt so magical .he
separated my lips with his lower lip
then sucked on my upper lip then I
kissed him back .it felt so good. after a
while I broke the kiss then looked at
him. Him:"I love you Lele"

Me:"goodnight luu"

Him:"mmh"

We hugged for the last time then separated. He got in his car then drove off.

I walked to my room.

Akhona was sleeping so I also changed to my PJs then slept.

Next morning

I woke up first before Akhona, went to take a shower. when I was done I walked back to the bedroom. Akhona was awake busy making her bed, when she was done she took out her cloths then went to take a shower. In the mean time I was busy making my own bed. when I was done I looked for something to wear. my beautiful cloths were running short now...I

need to do some shopping. I took out my navy Jean with a white t-shirt then my Tommy sneakers. Yes I still wear Tommy. My mother couldn't afford All-star or vans or those other expensive beautiful sneakers.

When I was wearing my cloths Akhona appeared also wore her cloths. while she was wearing her cloths I left her. I went to make us some food. I made cornflakes. When she was done she came to me took her food thanked me then walked away. I also took my food ate, rinsed my mouth when I was done then took my bag. Akhona and I walked to his car got in then drove to school.

We got to school. Well today we were a lil bit early so we went to sit down then talked about my date. she was

laughing at what Luuh said to that girl Amanda.

She also couldn't believe that I ate an octopus. She was laughing non stop.

When it was time for our first lecture we went to class.our first lecture took it own 2 hours. when it was over we

went to attend our next lecture.it also took it own 3 hours then it was

lunch.we all descended the hall then

went our separated ways.Akhona and I went to seat down ordered some food.

Our food came,we ate then went to

attend our 14:00pm class. when it was

done it was 16:30pm.I asked Akhona

to drop me at the mall but she said she will go with me.

We to the mall.

We got there got out then went to legit the jeans there were on sales so I brought 2 of them, 2 dresses,3 t-shirts,sandals and a pink baby hill...well the baby hill part it was Akhona's idea. Akhona said she want to pass by CNA .so we went to CNA she took two All-star sneakers, one black and other one white.then she went to buy two adidas track suites. Then we went to spur to get something to eat.we got in we were showed our waiter then our table.as I was about to seat down I saw him seating there with some girl kissing her.I couldn't believe my eyes...

I looked at them for the last time then sat down.I was so hurt. Yesterday he

told me he love me and today he is busy kissing other girls.

Argh.why am I hurting this much coz it not like we are dating.mnx he can do whatever he like I don't care.

Akhona was busy waving her hands in my face saying Hello.

Me:"huuh?"

Her:"why are you looking at them like that?"

Me:"looking who?"

Her:"duuh you know who you were looking...wait is that Luuh?"I just nod.
"And who is that girl?"

Me:"his girlfriend " I think.

Her:"ooh no this boy,let's go and tell that bitch to leave your boyfriend alone "ooh god Me:" Luuh is not my boyfriend "

Her:"your boyfriend or not I'm going to tell that bitch to leave Luyanda alone."she said standing up.

Me:"Akhona please don't do this"

Her:"why not...Luuh is hours dear"

Me:"okay Akhona I'll give you Ayathandwa's numbers "

Her:"really?"yeah Akhona is really inlove with Ayathandwa, she's been asking his tens but I didn't want to give her

Me:"yes"

Her:"thank you thank you thank you"she was shouting and everyone was looking at us.the look on Luyanda's face when he saw us seating there was priceless. He was so shocked. I just smiled at him, his girlfriend looked at the direction he was staring and she saw me then said something to her boyfriend then kissed

his lips. Luyanda looked at me and I just smiled at him.

Me: "Akhona can we go"

Her: "but we haven't eat"

Me: "we will buy food somewhere else."

Her: "No"

Me: "mnx"

Her: "love you too" our food came as we were eating our waiter came back and told us that our bill is already paid so when we are done eating we can go. Akhona and I were wondering who paid our bill.

Me: "if you don't mind telling us, who paid for our meal?"

Waiter: "it is that guy over there "she said pointing at Luyanda who was now seating alone. I wonder where is his girlfriend"

Me:" ooh oky"then she left.I looked at Luuh he smiled at me. that smile gave me goose bumps.

Akhona and I finished eating then went out.

Akhona and I drove straight home, got there then went to our room.

Akhona:"I'm so tired"

Me:"same here"

Her:"let's fit our cloths, here "she said giving me the plastics

Me:*can't we fit them tomorrow"

Her:*no I just want to see how will that track suite look on you"did I buy any track suites???

Me:*what track suite? "

Her:"the one I brought for you..and those takkies"ooh my god

I took the plastics opened the one from CNA. there was a black adidas track suite and black takkies, All-star.

I stood up, went to hug her...well it was a bone crash kinda hug. I was so happy

Me: "thank you sis"

Her: "it nothing, I just that I saw them beautiful so I thought of you"

Me: "thanks"

Her: " my pleasure baepy "I took my cloths wore them for her. The track suite looked so good on me... They fitted me perfectly fine and also the takkies they were fine.

Also wore those cloths that I brought with my money. they also fitted me perfectly. I was happy.

So we went to bed then slept...in the middle of my sleep my phone rang. I took it answered without checking the ID call.

Me:" low"

Voice:"ooh you are sleeping already

"Ncoooh it was my mom

Me:" yeah ...how are you doing

Her: "ooh oky busy with school work I

Me:"yeah mom...goodnight

MaZungu"Zungu was my mother's
surname

Her:"oky bye MamMngomezulu..I love

Me; *I love you too Mfazi ka Baba"she giggled then dropped the call. I putted my phone aside then went back to sleep.

It been 3 days and Luyanda haven't called me nor explain to me who was that girl I only last saw him when he was lecturing a day ago. Akhona and I are now kinda best friends, she is nice and I really like her. School, well school is great. Everything is okay at school. well we already have a assignment that is due in 3 weeks, so Akhona and I we were preparing to go to the library. It was a cold afternoon Friday, so I wore my tracksuit then my takkies. I looked at my self in a mirror I was so beautiful, i looked so cool.

"Do you love it" that was akhona who was looking at me

Me:"no...I love it"

Her:"I'm glad you love it"

Me:"thank you best friend"

Her:*ooh you didn't make me something??*

Me:"duuh"I said rolling my eyes

Her:"I hate you "

Me: "love you too sweetheart"

She stood up went to the kitchen made her good then came back sat down

then started eating. To be honest I also didn't eat...I just woke up not hungry.

Me:"please hurry up, we need to go"

Her:"okay I'm done"she stood up went to put her dish on the sink then came back. I took my books and she also took her laptop bag then we went out got into her car then drove to the library.

We got there started workings. I was using the library computer since I didn't have any laptop. In the middle of our work we heard someone greeting us.it was Ayathandwa.

these are my friends. Lonwabo the quietest one in our crew(lonwabo raised his middle finger at him...we laughed), then Phakamani the nastiest,Awande the player and lastly meet Siya the good guy"

Awande:"wow at last we have meet this Naledi was breging about...Bro you were right she is really beautiful "I just smiled even though I am mad at Luuh. We talked,laughed and ate. We really had some fun with the boys they were so funny and we were laughing our butts off.at 14:30pm we told them that we need to go and they complained asking where are we rushing to Akhona told them and Luyanda was mad at me because I was also going but I told his that we are not dating so he will not tell me what will I'll do or not.so we said our

goodbyes to the guy and Luyanda offered to accompany us to the car. so Akhona walked really fast leaving me to talk with that ass man Luyanda.

Him: " nice hair style "

Me: "thanks"

Him: "you look more beautiful "

Me: "thank you" we both kept quite looking at each other.

After sometime he broke the silence

Him: "I don't think it a good idea for you to go to that party" heeh uyanya lomfana.

Me: "well I don't care but what I'm going to tell you is that I will go to that party and it final."

Him: "okay you'll go but you will have to be back in your house at 21:00pm."

Me:"you will not tell me that shit you are not my dad so go to hell with your 21:00pm"he chuckled.

Him:"if you really want to go you will have to come back before 21:00 or else you are not going"

Me:"I won't be told by you that and you can't stop me from going to that party "

Him:"do you really want to go? "

Me:"yes"

Him: "then you will have to come back at 21:00 or else you are not going"mnx

Me:" can I go now?"

Him:"I'll see you in you house tonight at 21:00 and if you know what's good for you, you will be there bye my love" with that said he walked away.

Mnx this guy is fooling him self coz I'll came back in the morning just to piss

him.I walked to the car got in then we drove home...

On our way home Akhona was busy asking about what Luu wanted to say to me .I told her everything.

Akhona:"haah this boy is crazy...he is already controlling you...you guys are not even dating yet.

Weeeh Uyanya njr lona mngani"I laughed

Me:"yeah and I will make sure that I'll come back in the morning....this dude is crazy"

Her:"yes, we need to come back at 01:00 am and show him that we don't care about him" Me:"yes!!"

We laughed. We got home got off the car,went inside the house when we got

there we went to wash our faces then went to wear our cloths.

Akhona was busy applying make up.

Me:"ain't we going to a pool party? "

Her: "yes we are"

Me:"then why are you applying make up on your face coz the water will wash it off when we are swimming "I really didn't understand

Her:" ooh I really didn't think of that you know"

Me:"mmh plus if you keep on putting it you will be wasting your products."

Her:"yeah you're right"

Me:"duuh I know I am" I said rolling my eyes.

When we were done we got in her car put on the location in the navigator then drove to the place.

We parked on a big gate. wow Akhona pressed something in the wall then a guy talked.

Guy:"Zikhali residence hello "

Akhona:"hey it me Akhona and Naledi we are here to join the party"

Him:"ooh okay let me open for you then"

Akhona:"thanks"

The big gate opened it self woooooow the house I was so speechless. It was so big and beautiful... It was a double story house.. It was so wow.

We got off then went straight to the house...

The house inside was.....

The house inside was so breathtaking everything was beautiful.

As we were still looking around the house Xolani appeared from upstairs.

Him:"lady's mantombazene..."

Us:"hey"

Him:"how are you guys doing "

Us:*good thanks and you?"

Him:"I'm super duper awesome...let's go join the others"

Akhona:"a Strongbow will do for me"

Me:"can I have a grape juice"

X:"are you sure..I mean like there.."

Aya:*you heard her njr"

Mxo:"hai boi I was just confirming "

Aya:*just go already"the guys laughed.

Aphiwe:"so you don't drink alcoholic? "

Me:"yeah"

Her:"ooh oky"

Sne mumbled something and I only heard inno...but then ke I don't care.

X came back with our drinks.

We were talking and laughing one would swear that we have known each other for a long time.

After sometime we decided to go and start swimming. Well we went to change into our swimming wear then jumped inside the pool.the water was so cold for me.but the I carried on swimming. Maybe it was around 20:00 when I got out of the pool.I rolled myself with a towel then went inside the house..I was so cold now.

I took my cloths wore them then went to look for X since he was not swimming with us.I found him in his room he was busy having sex with some other girl.I quickly went out before they notice me but guess what I was already late,Xolani saw me.

After 2 minutes Mxo came out.

Me:"eish dude I'm sorry I didn't mean to disturb you..I'm sorry"

Him:"naah it fine..what did you want?"

I'm really not surprised though.

Me:"I wanted to ask that you can you borrow me your jacket or anything warm to wear."

Him:"okay please wait here,I'll go get you something."

Me:"okay" he disappeared to his room.

After 5 minutes of waiting he came back holding a black biker jacket.

I took it then thanked him.

Him:"next time
you must
knock " Duuh
the door was
open!!

Me:"okay I will...I'm sorry though "

Him:"naah it fine"

Me:"also pass my apology to you
girlfriend "

He chuckled

Him:"she not my girl friend, she is my
fuck buddy"

I look at him with my mouth opened.

He just laughed at me,this guy!!

"Just go "

Me:"okay okay, "

I went back to his business and I also
wondered around the house.

The house was so beautiful I even took some pictures. When I was tired I went to seat on the balcony. There were 2 chairs and a table. The view was so Beautiful. Well when you were up there there was a pool there there and a mini garden. This was a beautiful place to get some air.

People were still swimming and others kissing and Akhona was one of those who were kissing. I just laughed.

"Care to share the joke?"

I smiles then turned around it was Ayathandwa

Me:"there is no joke here"

Him:"then why were you laughing? "He said coming towards me.

Me:" I was just looking at the people swimming "

Him: *and the are funny?"he was now seating next to me

Me: "kinda..."

Him; "mmh....so what are you doing here all alone?"

Me: "nothing I was just looking around the house coz I was feeling cold to swim."

Him: "mmh...can you please look at me"well I was looking around. I looked at him,he then held my hands

Him: "you look so beautiful "

Me: "thanks"

Him: "you are beautiful, humble,innocent and lovable....you are different from there others,you are not just like any kind of a girl.you are special and you need to be treated like a queen that you are.

So can you please let me treat you like a queen?

Naledi started I loving you the first day I saw you seating in that rock.I really love you Naledi...can you please give me a chance so I can prove my self" I was so shocked I really don't know what to say.

I was still shocked. I don't know what to say. Well Since I don't have a boyfriend why don't I give the poor boy a chance it not like I don't like him..well I kinda like him. But What will I do with Luuh,I kinda love that guy. It just that I don't know.

Me:"wow...I'm speechless I really don't know what to say or do I...I'm k..."

Him:"shh I will give you time if you want, just think about it...Naledi I really love you, please give me a chance."

You know what ...I will give Aya a chance but....I'm just scared.

I looked at the watch on my hand and it was now 21:48.

Me:"its okay Thandwa...since we are both single I think its fair we give our selves a chance you know..."

Him:*wow thank you so much..you won't regret it... I love you so much babe"he gave me a hug.

After a while we broke the hug then looked at each other. Wait this guy look like My Brother Bandile...but then I don't care.

Him:"I love you"

Me:"I..uhm..I."

Him:"I don't expect you to say it now but I only want you to know that I do love you.. You will say it when ever you are ready okay?"I just nod.

Him:"good"

Aya was looking at me and I was looking at him trying to blush.

Aya brought his face near mine, I closed my eyes Wait for his lips to touch mine.

Our lips met I don't know what happened after that but we heard two gun shots

"What did I say Naledi!?"

Ooh god that was Luyanda Mkhize.

Did he have to ruin my first kiss. Well we didn't kiss but we were about to kiss nxxm this dickhead

Luuu:"I don't like to repeat my self"mnx

Me:"you said I must be back at home by 21:00pm"

Him:"then why didn't you listen??you wanted me to come here and grab you

by your hair and throw you inside my car? "

No wait how did he know that I'm here??

Was he following me ?

Me:" wait...how did you know that I was here??"I said turning around looking at him. Well I was still facing Aya

Him:"just answer the damn question "

Me:"To answer your question I didn't listen because you are not going to tell me what to do because you are not my father. Second question nop I didn't want you to come here and grab me with my hair and now please answer my question how did you find me,are you stalking me??"

He was looking at me and I was also looking at him.

Me:"answer the question man Luyanda?"

Him:"no I'm not"

Me:"then how did you know that I'm here? "

Him:" I asked around "

Me: "try again"

Him:"no can we just go!"and now he is shouting mnx this guy

Me:"who did you arrive with?"

Him:"alone"

Me:"then you will go alone"

Him:"Naledi let's go now"

Me:"no I don't want to go with you"

Him:"do you want me to carry you to the car"

Me:"no I don't"

Him:"so start moving"

Gosh this dude!!

Me:"I AM NOT GOING ANY WHERE WITH YOU!! YOU FIRST CAME HERE CARRYING A GUN AND YOU INTERRUPTED US AND NOW YOU WANT ME TO GO WITH YOU AND LEAVE MY BOYFRIEND ALONE HERE...JUST GIVE UP ALREADY COZI I WON'T FUCKEN GO WITH YOU MNX!!!!"I was shouting, I was so mad at him.

Luuu was still looking at me. After a few seconds he let out a chuckle. Then did the last thing I thought he would do he carried me, putted me on his shoulder like a pocket of potatoes. I was screaming for him to put me down but he didn't hear any of it. We walked down stairs with Aya looking at us. He was just looking at us.I felt like I

disrespected him in some kinda way, but I'm sure he also saw that I didn't want to go. When we were out side people were looking at us and laughing. Akhona and Athandwa came towards us.

Atha:"and then,why are you being carried like a pocket of potatoes? "

Akho:"maybe she is a pocket of potatoes "

They laughed mnx these. Luyanda just walked pass them smiling.

Me:"Akhona you will find me at home please don't drink to much okay?"I shouted

Her:"okay mom"

They laughed again mnx these fools.

We got into Luu's car,he placed me on the passenger seat then went to his side got in then drove off. The ride was

so quite only music was playing.

Luyanda took a different route and it was leading to his house. I was so angry coz I wanted to go home.

We got to his house I got out banged his door then went inside the house the was a old woman who was wearing a uniform for maids...I greeted and she greeted back after sometime Luu got in and introduced me to his maid.

Him:"mah this is the lady of the house Naledi and Lele this is my maid mam'Mnguni."

We shook our hands

Me:"nice to meet you mah"

Her: "nice to meet you too Mam"

Me:"naah you can call me Nale mam makes me sound old"

We laughed. I really liked her she was great

Luyanda❤️

Hey guys I'm Luyanda Sivuyile Mkhize
I'm sure you already know me.

Ooh guys let me tell you something
you don't know...

I love Naledi and I see a future with
her.

I also can see that she Love me but
she is kinda confused.

Well I am mad at Naledi for not coming
back at 21:00pm as I said.

When I got there he was busy talking
to that guy Aya. I was just looking at
them being lovie doves.

When Naledi was about to kiss Aya I
got so much angry,I took out my gun
and shot through the window.

They then focused on me.

Naledi looked so mad and I didn't care.

When Naledi refused to go with me I got mad then carried her to the car, I placed her in the passenger seat then jogged by my side drove to my house. When Naledi saw that I was going to my house with her, she became more angrier. Naledi looks so cute when she is angry or mad.

We got in to my house she got out first then banged the door then went inside the house. I also took my phone, wallet and locked my car then also went inside the house.

When I got there she was talking to mam'Mnguni. I introduced them to each other then mam'M (mam'Mnguni) went to prepare us something to eat.

10 minutes later, Naledi and I were seating on the dinner table eating, well I was the one eating hence she was playing with her food.

We haven't talked, she was still quite.

Me: "Naledi why don't you listen?" she kept quite

"I asked you a question damn it. "I said banging the glass table. She got so scared. Well I didn't mean to scare her it just that I don't like when someone ignores me...

Her: " it..it just that I was still enjoying my self"

Me: "enjoying your self by kissing boys?"

Her: "no he is my boyfriend "I was so hurt I don't want to lie but I made sure that I don't show her.

Me: " your what"

Her:"I said he is my boyfriend "
I was so mad I just want to be alone
now.

Me:"enjoy it while it lasts"

She kept quite. After a while she spoke
"Can you please take me back home?"
Is she crazy???

Me: "ain't got time to do that shit"

Her:" please luuh I want to go home I
don't even know why did you bring me
here mnx"heeh the girl is shouting

Me:"you know what here,take these
keys and go back to where you
want to be"I said throwing my car
keys at her Her:"but I don't know
how to drive" I don't care woman!!!

Me:"hayke fokof"

I stood up went to my room laid on my
bed.

Gosh I love this kid so much

Naledi's POV

What the fuck is wrong with this dude???

I looked at these keys, mnx I hate luu right now.

I got up, took our dishes then went to put them in the kitchen. As I was about to wash them mam'M came

Her: "that is my job dear"

Me: "no mah it fine I'll do the dishes, you can't cook and wash the dishes that is unfair" she smiled

Her: "well I can see that you are stubborn.... (I giggled) you know what I'll help you since you want to wash the dishes, I'll wipe them."

We smiled

Me: "that is also good."

We started washing the dishes.

Her: "ever since I've come into this house you are the first girl he has come with." And why is she telling me that??

Me: "you mean there is no other girl who has set her foot in this house?"

Her: "well I can't say that but there is no girl I've seen and has been introduced to"

Me: "ooh okay"

Her: "yes, and he really loves you, I can see through his eyes. You guys are a perfect couple"

We are what..??? Eybo loGogo

Me: "excuse me mah, we are not dating" she looked at me confused.

Her: "but I thought y..."

Me: "no mah you thought wrong "

Her:"okay but I'm sure you can also see by your self that he love you"ehhr

Me:"well I'm not sure because he haven't say anything about love to me" Her:"mmh hayke kulungileke mtanami"*it's okay my child* We were now done with washing the dishes.

Me:*goodnight mah"

Her:"goodnight my child"

I went straight to my room ...well that room I used to sleep in

When I got there I took off my cloths, I mean every thing even my pantie and bra. I went to the bathroom washed my cloths then hang them to dry since I don't have anything to wear tomorrow .I tool a towel wrapped it around my body then went out

When I was done I went to Lu's room to ask for something I can wear.

I got there knocked

Him: "come in" I got in and he was lying on his bed facing the ceiling.

Me: "uhm can you please borrow me something to wear hence my cloths are all wet"

Him: "why are they wet"

Me: "I washed them so I can wear them tomorrow"

Him: "mmh do you know how layz I am to get up and take what you want"

Me: "are you going to give me or not"

Him: "so you are not wearing anything under that towel?" Ooh my god this guy.

Luyanda is crazy.

Me:"fuck you dude"

Him:"owh I love you too babe "

Me:"Luyanda can you please give me something to wear"

Him:"okay I'll give you, but I'll have to fuck you first" Argh I'm done here!!

I opened the door got out then went to my room.

Just as I was about to seat down Luuh entered the room

Him:"okay I was just kidding, come and I'll give you a tee so you can wear" Well I wasn't going to talk to him and I didn't want his tee anymore.

"Aw Naledi please come and take something, I'm sure you are freezing right now"

Me:"are you done?"his look was so priceless

Him:"yeah"

Me:"okay please leave and make sure that you close that door behind you when you go out"

Him:"ooh you don't want to come and take something to wear?"

Me:"nop,bye"

Him:"okay goodnight sweetheart "

Me:"goodnight Luu"

He went out then closed the door.

Well I was now feeling cold so I got under the blankets and took my phone then called Akhona.

On the 4th ring she answered.

Her:"what the fuck do you want huuh??was it necessary for you to wake me up while I'm still having my beauty sleep?"

I guess she is at home since she is sleeping.

Me:"ooh I'm sorry friend I didn't know that you were already sleeping I thought you were still at the party"

Her:"ooh it you, I'm sorry for lashing out of you,but that still doesn't give you a right to disturb my beauty sleep. "

Me:"naah it fine I just wanted to check if you are okay or you are at home"

Her:"yeah I'm okay and I've arrived at home and now can I go back to my beauty sleep? "

Me:"hahaha it fine you can sleep,goodnight "

Her:"yeah yeah goodni...wait where the fuck are you coz you are not here" I just laughed. Is this the only time she notice that I'm not there with her aha

Me:"this fool Luyanda took me to his house "

Her:"ooh okay then goodbye "

Me:"yeah bye I'll see you tomorrow "

Her:"okay "

We hung up.

It was already late I checked the time and it was 23:02pm,I decided to call my boyfriend Aya.

He answered on a 2cond ring

Me:"hey babe"

Him:"hi"

Me:"aw baep are you mad at me now?"

Him:"no I'm not it just that I don't understand your relationship between you and that guy Luyanda,can you please fill me in coz I'm lost right now,Are you guys dating?"ow No. I knew that this was going to happen.

Me:"babe Luyanda and I are nothing, he is just a guy who happened to save me when I needed help and that's all"

Him:"then why does he treat you like his girlfriend? Are you guys dating?"

I hat Luuh right now

Me:"babe I also don't know why
does he treat me like his girlfriend
and to answer your question No we
are not dating " Him:"Naledi I love
you"erh...

I kept quite

Him:"goodnight babe"

Me:"goodnight I'll call
glyou tomorrow
morning okay"

Him:"okay bye" We
hung up.

I could sense that Aya is mad at me
but then I didn't do anything wrong
Luuh was the one who disrespected
Aya. I think I need to apologize to Aya
on behalf of Luyanda since I know
very well that Luuh won't do that. I
kept on thinking and thinking til I fell

asleep. I woke up in the middle of the night and I was so cold, it must be that I am not wearing anything. I now need something to wear.

I got up from my bed went to Lu's room knock and he shouted come in.

I wonder why is he not sleeping.

Him: "what do you want did you see the time it 01:57am why ain't you sleeping?"

Me: "I'm cold"

Him: "ooh you are still wearing that towel?" I

nod And he laughed so hard. Mnx this

fool.

Me: *luyanda man.!"

Him: "okay okay." he stood up from the bed went to his closet to something's then came back.

It was a PJ top with long sleeves and a long PJ pants. I took them thanked him then walked to the door. As I was about to open the handle Lu shouted my name I looked at him Him: "why don't you join me here in my bed?" Mnx this dude is really crazy...

I really didn't have energy for Luu so I just went out then closed the door. When I got to my room I wore his cloths then got in my bed, as soon as my head hit the pillow I fell asleep.

.....

Today I woke up early because I wanted to go back home.

So I got up from my bed went to the loo did my business, washed my hands then head back to the bedroom.

I fixed my bed then went down stairs to make something to eat since I was so hungry.

The smell of coffee and bacon,egg,tomatoes,fried chips field my nose and my tummy made noises. When I got there mam'M was busy making breakfast.

I got to her sat down on a high chair then greeted her.

Her:"how are you doing today my child?"

Me:"I'm hungry(she laughed),non other than that I'm also great and how are you mah?"

Her:"I'm good,how did you sleep"

Me:"I slept well mah and how did you sleep?"

Her:"I also slept good."

Me:"that is great then"

She was now dishing up for me"

Her:"here

is you food

dear" Me:

"thanks

mom" She

smiled.

I started eating ,the food was so nice.

When I was done eating I dished out

again but this time it was bacon only.

As I was still eating luuh entered

wearing a black chino with a white t-

shirts and black and white Air force 1.

He was so cue with his fade combed

up.

"Staring is rude miss"mnx

Me:" I wasn't staring at you"

Him:"ooh you were dear"

Me:"naah don't flatter your self sir"

Him:"ooh okay"he came to the table took one bacon from my plate,I just looked at his then carried on eating. Luu also dished out for himself then warmed his food.

Him:"so you are going today"I looked at him then nod my head.

Him:"okay at what time do you want to go at"

Me:"now,when I'm done bathing."

Him:"mmh do you know that I'm going right now"

Me:"you will wait for me then"

Him:"I'm already late"

Me:"ooh okay I'll request an uber"

Him:"no that's not going to happen
"what the fuck is wrong with this dude kanti?"

Me:" aw what do you want me to do"

Him:"just go and bath so we can go"

Me:"ain't

you late

anymore?*

Him:"just go

please" I

laughed.

Me:"okay okay."I say still laughing.

When I was done bathing I went to wear my cloths then let loose of my hair since it was tied in a bunny form. I then applied Vaseline in my lips then went to Luu.

Me:"Done"

Him:"you sure did took your time

yoooh"I laughed at him.

Me:"hau I didn't take even 1 hour but you are complaining. "

Him:"you took 45minutes"

Me:"duuh....that's not 1 hour "I say rolling my at him.

Him:" can we just go."

Me:"okay but let me first go and bid farewell to Mam'M."

Him:"Haah"I laughed.

I went to mam'm's cottage, got there knocked.

Her:"I'm coming"she said shouting.

After 30 seconds or so...she opened the door I got in the hugged her.

Me: "mah I came here to tell you that I'm now going."

Her:"when are you going to come back and visit us?"

Me:"I don't know I'll here from Luu"

Her:"okay dear,please come back and visit "

Me: "okay mah I will"

We shared a hug then we went to Luu's car I entered sat on the front seat then luuh started the car and drove off.

Him:"I see you really like Mam'M"

Me: "yeah I really like her she is do great"

Him:"mmh"

Me:"she said I must visit her more often now"

Him:"yeah she is right you must visit us " I just smiled.

Luyanda's POV. 

When Naledi said Mam'M said she must visit us more often I was so happy. And I'm also glad that Mam'M really like her actually they like each other coz Lele also like her. I remember maybe 3 or 4 years ago I was once in love with a wrong girl ,I really loved that girl but she played me. She was just after my money. I remember one night I came with her in my house introduced her to Mam'M and Mam'M did like her at all. After two days she told me that she doesn't like Amahle (my ex) and I was like "you like her or you don't she is not going anywhere she is here to stay and I love her and I also know that she loves me." Only if I knew that she didn't love me she was only fooling me I would have listened Mam'M when she told me to leave Amahle alone.

Me:"is there any where you want yo pass by?"

Her:"nop,I want to go straight home "

Me:"okay."I drove straight to the mall and she was looking at me then back to the window. I parked my car then told Lele that she must come with me.

Well I only wanted to buy her some cloths and lunch.when I say cloths please don't get me wrong it not like I don't like her cloths but they are so old and they look like those who belongs to old ladies and I really don't like that.

We got out of the car went straight to totalsport ,I bought us same outfits,shoes,tees and all stuffs. At totalsport we spent about R5760. And my lady was busy complaining,I really don't understand why she is

complaining because it's my money after all.

.

Naledi's POV

After Luyanda dropped me at home I walk to my room, put my bags down then went to check on Akhona.

When I got there she was sleeping I'm sure she must be tired.

I went to take my takeaway then ate.

When I was done I went to fit everything that Lu brought for me.

Everything fitted me perfectly and I loved everything, few minutes later I packed everything nicely in my wardrobe then laid on my bed thinking about calling my boyfriend Ayathandwa.

I stood up, took my phone then dialed his tens. it rang for few seconds then he answered.

Conversation

Me: "Hey You"

Him: "hi"

Aw that was so cold .

Me: "Are you still mad at me"

Him: "was I?"

Me: "Aya I'm so sorry okay I also didn't know that Luuh was going to fetch me and lastly we are not dating"

Him: "I didn't say y'all are dating mos or...you guys are it just you don't want to come out of the carpet? "

Me: "WE ARE NOT DATING!" I said screaming a lil bit. Yet I let him buy me cloths, I'm just a bitch

"You'll go back where you are coming from if you keep on disturbing my beauty sleep" I turn to look at Akhona then mouthed "sorry" And she just nod her head then slept.

Aya:"okay...can I see you right now?"

Me:"yeah you can come over."

Him:"okay then I'll call you when I down stairs "

Me:"okay bye"

Him:"I love you" I just kept quite for a while then dropped the call.

One hour later Aya called telling me that his already down stairs, so I wore my sleepers and my gown since I was already in my PJ's. The time was now around 16:45pm. When I got down stairs I saw Aya or should I say my man standing there near the door

looking all hot waiting for me,his cute girlfriend...

...

Me:"Hey you"I said giving him a hug.

Him:"hey...let's go outside."

Me:"okay "

We walked outside,stand near a black BMW X6.

Him:"I got something for you"he then turned to open the car then took something's.wait... This is Aya's car??

Me:"Babe is this your car?"

Him:"Yeah...it new my brother Akhile brought it for me today"

Me:"wow its so beautiful "

Him:"yeah thanks..here"

He said giving me a bunch of flowers and a gift bag. First time getting flowers, yeyy. I took them then thanked

him with a hug followed by a perk on his lips.

We talked up until his phone rang alerting him that he needs to rush somewhere. We bid goodbye to each other then he left.

I also went back to my room and when I got there Akhona was awake coming from the shower.

As soon as she saw what I was carrying, she took it then opened the gift bag.

Inside the gift bag there was a box of chocolate, another small black box.

Akhona took it and opened it, and there was a pair of diamond earrings. They looked so beautiful and you can tell that they are so expensive.

I took everything, put them away then took my phone, called Aya and thanked him.

I later called my family. Dad answered.

Convo 

Him: "Ntandokazikababa"

Me: "baba!" I screamed... I love this man so much yooh.

Him: "how are you doing my angel?"

Me: "I'm okay thanks and how are you doing? "

Him: "ayy I'm okay"

Me: "that's great where is mom and BandiieY?"

Him: "your mother is here with me and I don't know where is your brother "I just laughed.

Me:" okay dad greet them for me okay"

Him:"okay my child...I hope you are still focusing on your books not boys"

Me:"I don't have time for boys dad,I only have time for books"

only if he know.... Him:"that's good then...goodbye

NtandokaziYami" Me:"Goodbye Baba." We hung up.

I got in bed then slept.....

.

It was already a Monday so that meant waking up preparing for classes....

When we were done preparing for classes Akhona and I left heading to campus, got there attended our classes till the day ended.

For the whole week we were busy attending our classes and focusing on our school work. Things between Ayah and I were still great and I loved him... Luuh and I were not that close anymore because I saw that he is here to mess my relationship with Aya up.

Today it was a Friday so, we went to attend our 2 classes of the day then head back home(Res).

On our entrance I spotted My Lovely boyfriend standing with the receptionist talking.

As soon as he saw me he rushed to me, Akhona said she's going up stairs. When Aya reached my , he gave me flowers then a hug and a kiss.

Him: "Hey babe"

Me:"hey...thanks"I said raising the flowers a lil bit.

Him:"no problem...babe can I take you out on a late lunch?"

Me:"okay yeah we can go"

Him:"thanks."we went to his car,and he opened the door for me... My boyfriend is such a gentleman.

He then started the car.

Me:"where are we going babe?"

Him;"Nash you'll see love"

Me:"ooh okay"

We drove for about an hour before we reached our destination. It was a restaurant, we got out ,went inside the restaurant, got a table and a waiter then settled down.

We ordered our food then waited for it. While we were waiting we were busy talking and laughing.

Aya:"babe"

Me: "mmh" I said looking at him.

Him:" can we go and have a dinner tomorrow with my family" no no no!!!!

Me:"what?! No babe I can't "

Him:"please my love I'm begging you"he made a puppy face and he just looked more like BandiieY... I really don't understand this Aya really looks like BandiieY anyways they don't even know each other.

Me:"okay fine"

Him:"really??!"

Me:"yes we can go"

Him:"thank you babe"

Me:"my pleasure love"

Our food came and we dug in. When we were done we drove to my res, got there then I asked him what should I wear.

Him:"anything you like"

Me:"ooh okay at what time shall I be ready at then?"

Him:"18:45pm...I'll come and fetch you"

Me:"okay then bye babe"

We kissed, this time it was a long and deep kiss.

Him:"I love you"

Me:"I love you too babe"

Him:"you what??!!!"

Me:"I love you "I said laughing at him...he looked so shocked...this was the first time me ,telling him that I also love him.

Him:" okay babe I'll see you tomorrow okay?"

Me:"yeah"

Him:"I love you"

Me:"I love you too babe" I said laughing again and he was smiling like an idiot.

It was a Saturday and the time was 18:00pm. Akhona and I were standing near my closet trying to figure what will I wear.

We kept on taking out my cloths and me trying to check,which one will be great. At 18:30 Aya called me telling me that his out side already.

Can you imagine I wasn't even wearing a single cloth.

I just told him that I'm coming he must give me few minutes.

Akhona took my black skirt and a white peplum with black baby heals. I wore everything ,and

I think I must say I looked so beautiful. When I was done with my make up the time was 18:49pm and Aya was busy calling non-stop. I walked down stairs and there was Aya looking beautiful as ever...when I got to him his face was full of anger but as soon as he saw me the anger vanished .

Him:"h..hi.."

Me:"hey"

Him:"you l..look beautiful "

Me:"thanks"

Him:"shall we ?"

Me:"yes we shall"

He opened the front door for me, I got in then he also got and drove to his home...

Him: "we are here"

I didn't even see the car stopping the way I'm so nervous.

Him: "are we nervous? "

I looked at him

Me: "is it obvious? "

Him: "kinda"

I just nodded my head

Him: "relax NY family is okay, and my mom will like you... I know everything will go well"

I just nodded my head again

Him: "I love you okay, even if my family or my mum doesn't like you I don't care about them... just know that I love you."

Me: "okay..."

He held my hand and we went inside.

Wow this house is so beautiful
everything about this house is great it
even have the woman's touch.

Aya:"family we are here" he said
shouting.

Lady:"come this side baby"

And well I think that was his
mother.Aya was still holding my hand
so he pulled me to another room.

There were 4 people there looking at
me as if I'm some kind of a rare meat
to find.

Aya opened the chair for me so I can
seat down.I sat and looked at
him,mouthed thanks and he winked his
right eye then also sat down

Aya'Mum:"so this is the girl you were
talking about Ayathandwa?"

Him:"yes mum"

Old man:"and she is beautiful... She looks like you Athandwa"

Atha:"that is what I noticed when I first saw her dad"

Guy:"ooh this is not your first time seeing her?"

Atha:"duuh Akhile this is my twin's girlfriend you're talking about "

Akhi:"yeah I know it jus..."

A's M:"ooh can you two shut the fuck up" We all looked at her shocked.

Her:"Aya why did you settle for this gold digger?"

Aya:"Mum please don..."

Her:"please what huuh?? Can't you see that this piece of shit seated next to you is after your money?"

A's D:"Zandile...what is your problem huh?"

Her:"my problem is this slut here seating next to my son claiming that she loves him"

Akhi:"No mum you are being wrong now"

Her:"okay then but I don't want her here in my house" she said standing up.

"Ayathandwa take this ugly poor bitch of yours out of my house now!"

A's D:"that is not going to happen,if my son loves this girl then she is not going anywhere" Her:"Vusi you are siding with this bitch than your wife?? Okay you know what hence you all don't want her to go I'll go"I really don't want to lie I was so hurted I just wanted to be out if here.

Me:"no may the is no need for you to go I'll go anyway this is your house...Aya can you please take me back to where you took me"

Him:"babe I'm sorry y..."

Me:"you'll find me in the car." I said as I stood up.I ran to his car and it was already open. I got in then cried,I letted all the pain out...

It been two weeks now and I have already forgotten about Aya's mum drama. Life was now great for Aya and I,we were everything I call goodness.

....

Today it was a Tuesday and I was writing my last exam paper,so this

means I'll be going back home on Thursday... Wow I really can't wait to go back home and see my family... Damn I really miss them especially my little brother Bandile.

I got off the bed, went to take a shower, got dressed, ate and took everything I'll need at school then left alone. Akhona went back to her home yesterday, she is done writing already....

I got to school wrote my last paper then went to a mall.

I did my hair and also did my nails then went to do a little shopping for my family. When I was done I went to spur so I can get something to eat. At spur I got a table, sat down then ordered my late lunch. As I was waiting for my food

I spotted Luyanda walking towards my table.

Him:"Hey beautiful "

Me:"hey" I said smiling.

Him:"how are you doing sweetheart "

Me:"I'm okay thanks sir and how are you? "

Him:"great thanks,will you be free tomorrow I want to take you out? "

Me:"yeah when I'm done packing "

Him:"packing? " he asked with a frown on his face

Me:"yeah I'm going "I said smiling

Him:" going where?"

Me:"back hone."

Him:"when were you going to tell me that you are leaving? " I frown

Me:"I didn't know I must report to you"

Him:"no I didn't mean it like that but you should have told me"

Me:"aii I'm sorry then"

Him: "naah it okay.... When are you leaving?"my food came and the waiter was busy looking at Luyanda with nasty eyes and Luuh was busy smiling with this chick.

Ovayo(waiter):" Mr Yum would you like to order anything? "

Him:"uhm...please bring me a bottle of Heineken "

Her:"my favourite " she said smiling

Him:"I like girls who drink Heineken coz they are so wild and freaky in bed"

Her:"and I also like boys who drink Heineken coz they are bad boys "she said biting her lower lip.

Him:" I think we should go out some time when you are off"

Her:"that will be great " I cleared my throat. I really don't want to lie I was so mad at Luyanda for doing what he just

did in front of me. I understand that we are bit dating but what he just did was so disrespectful.

Ova:" enjoy your lunch Miss...Sir your drink is coming now now"

Me:"thanks"

Him:"okay"

Ovayo left and I was left with Luuh I just wanted to leave,I wasn't hungry anymore.

Him:"so where were we?"

Me:"you were asking when am I leaving"I said rolling my eyes

Him:"don't do that...so when when are you leaving?"

Me:" Thursday morning "

Him:"with what...transport "

Me:"I'll catch a bus I think"

Him:"why a bus?"

Me:"because it the only one I can afford"

Him:"mmh...can I take you to your home?"What??? noo!

Me:"No you really can't. "

Him:"please Lele I insist"

Me:"still No"

Him:"please..."

He said making those cute puppy eyes.

Me:"okay fine but you will park few houses away"

Him:"aw so you mean I won't even get a chance to greet my soon to be father in-law?" Soon to be father in-law my foot.

Me:"choose mazikhetheleke bhuti"(choose one bother)

Him:"okay fine deal."

Me:"yeah deal." We smiled at each other.

His drink came and ovayo gave Luuh a lil piece of paper,I guess it her tens

Ova: "don't forget to call"

Him:"okay thanks "

Wow this guy mnx. I paid the bill then left. Luuh was busy calling my name but I left. As I walked by the parking lot I felf someone holding my arm ,I turned it was Luh.

Me:"What Luyanda huh, why are you holding my arm?? "I was shouting a lil bit.

Him:" are we jealous now?"

Me:"jealous me? No I'm not why would i coz we are not even dating?"

Him:"can I take you home?"

Me:"mnx..."

Him:"please..."

Me: "no I'll catch a taxi"

Him:"please Melokuhle "

I looked at him. How the fuck did he know that name coz I've never told him??

Me:"where did you get that name?"

Him:"I'll only tell you if you agree to let me drop you at your house "

Me:"okay fine "

Him:"thanks"

We went to his car, got in then drive off....

Today it Thursday and I'm going back home. I am so happy actually I'm beyond the word happy it self. I was still lying on top of my bed thinking about how wonderful, beautiful, funny yesterday was.

Well yesterday my boyfriend and I went out, we went to a park, had a picnic, played, went to the beach, deeped our feet's then lastly went to do a sky dive.

I was so scared but I really enjoyed. Aya Is such a gentleman and I think it safe for me to say I really love him.

I got off the bed, went to take a shower then figured what I'll wear. I settled for a black adidas tracksuit and white air max 97.

I looked so beautiful. The time was now 08:47am and Luyanda and I agreed that we gonna leave at 09:00am . When I was done wearing my cloths I went to make something to eat. When I was about to eat a knock came through my door. I stood up then went to check who it was...

It was Luyanda and he looked handsome as fuck...ooh my god varsity life has taught me how to swear, my father will be so disappointed.

Him:"hey"

Me:"uhm(clearing my throat) hi"

Him:"are you ready?"

Me:"yeah but I was about to eat"

Him:"you gonna eat in the car,give me all your so we can go"

Me:"ooh okay"

I went to take my bags and gave them to Luuh . he took them out and I took my food, locked my room then we went to his car. He loaded everything in the boot then we went inside the car got in then drove off heading to my home.

The whole trip was so awesome ,with Luyanda throwing jokes every now and then, singing along the songs that wear playing and talking. We were only left with 300km before we reach my home and there was a shopping center that Luuh and I went to.

Him:"do you need anything here?"

Me:"nop"

Him:"okay then,come with me there is something I want to buy."

Me:"okay" we went inside the shopping center got to checkers and Luug brought food a serious grocery, with 10kg of tastic rice,10kg of white star maize meal,soeps and so on and so on.

When he was done we went to wimpy orders 2 burgers with fried chips and a can of drink. We ate our lunch then

went back to the car and drove till we reached my home town.

We were few houses from my home and I don't want to lie I felt so embarrassed when I think of Luyanda's house and my home, I just feel like he is going to drop me like a hot potatoes.

Me: "we are here"

He looked at me, actually we were 2 houses away from my home , I just didn't want him to see my home.

Him: "so this is your home?"

He said pointing Aviwe's home, my neighbor. Me: "no but it just few houses away from here" Him: "okay" he kept on driving.

Me: "where are you going? "

Him:"to you house"

Me:"but Luyanda we agreed that you will leave me few houses away from home" Him:"you said that but I didn't agree, did I?"

Gosh this guy!!

MeOkay fine ,go back you have passed my home"

Him:"why didn't you tell me then?"

Me:"mnx" I showed him my house embarrassed as ever. He parked his BMW X6 near my home drive way. My neighbors were already outside some looking throw their windows looking at Luyanda's car.

I got off and also Luh got off, can you guys please tell me where is he going?? I saw my home's door open, and there was my mother.

I quickly dropped the bags I was busy taking off Luyanda's car and ran to hug her. Tears just streamed down my cheeks, I really couldn't hold them. I missed my Mom so so much, as I was still hugging my mom dad and my brother also got out of the house. I quickly left my mother's embrace and went to throw myself in my dad's arms. My mom was now also crying, after a while I left my dad's embrace also then went to BandiieY. Only God knows how much I missed my family.

Luyanda was standing near his car looking at us with a smile on his face.

Mom: "how are you doing my daughter?"

Me: "I'm okay mama and how are y'all doing? "

Them: "we are okay/fine/okay"

Me:"that's great I missed you guys"

Dad:"we also missed you"

BandiieY: "come let's go and get your things in that big car,who does it belong to anyway?" Gosh this guy.

Mom:"I was also about to ask...ooh how are you my son?" Mom asked Luyanda who was already standing behind me. Fuck I fucken hate this mother fucker mnx.

Luuuh:"hello Mah I'm Luyanda "

Me:"uhm yeah mom this is Luyanda my friend " I said

looking at him then back at my parents.

Dad:"he is your friend Ntando?"

Me:"yes dad"

Him:"mmh, aii it was nice seeing you boy I hope I'll see you some other

time." Heeh what is dad saying now
heeh???

Me:"uhm BandiieY can you please
come and help me offload my things in
this car"

Him:"okay let's go"

Luh:"I'll also help you,"

Dad:"are you the one who brought her
here?"

Luh:"yes I am"

Mom:"I'm sure you are tired,you must
come insede and drink tea and relax a
bib I'm sure these two will manange"

Luh:"no man I'll help them then come
back and seat down so I can drink
some tea." Ooh my father got please
take me now coz I can see that Luuh is
going to cause some trouble for me
here.

Mom:*are you sure you will

manange?" Him:"yes I'm sure Mah"

mom:"okay I'll go and prepare the tea while you help these kids,when you are done please come inside."

Luh:"okay."

Mom and dad went back inside the house and BandiieY, Luuh and I went to offload everything in the car.

I took all my bags and Luuh took the grocery out and I looked at him.

Me:"and why are you taking your grocery out? "

Him:"it not mine I brought it for your family"

Me:"did we ask you?" BandiieY left us and went inside

Him:"no they didn't but I felt like buying them "

Argh I hate what Luyanda did I really hate it and I'm mad at him if it was for

me I would have slapped the shit out of him.

Me:"mnx, I really don't like what you just did"

Him:"I'm sorry"

Me:"it okay" Well NO IT NOT OKAY!!! I ACTUALLY HATE WHAT YOU DID SON OF A BITCH!!!

We both went inside the house and Luyanda went to seat down and drank his tea with my family busy thanking him and him telling them that it was nothing. Mnx this man whore!

It been two days hence I came back home.

Everything here was just fine it just that the was no shower that brings hot water. In the morning I was forced to

wake up, go outside and start a fire so I can prepare hot water.

BandiieY: "my love"

Me:"hey babes,how are you?"

Him:"I'm fine thanks and you?"

Me:"I'm also fine thanks."

Him:"so..."I turned to look at him,he had that gayish look...

Me:"so what...?"

Him:"who was that hot vanilla cream?"haybo no guys is my brother gay?? Why would he call another man by"hot vanilla cream "??

Me:" is my brother gay or he is applying to be gay??" I asked with a frown in my face.

Him:"what??!"

He held his mouth and widened his eyes in dramatical shock.

Me:"yes"

Him:"No..I still have some pussies to fuck than fu.. "

Me:"shut up"I said hitting his arm playfully.

Him:"okay...now who was that guy?"

He pulled a serious look on his face

Me:"He is my friend"

Him:"I don't believe you,he is you boyfriend right"he said with a smirnk on his face.

Me:"what!? No "

Him:"okay but he is asking you out"

Me:""nop!"

Him:"so where do you know him?"

I told him the story of how I met Mkhize Luyanda and he was so shocked.

Him:"why didn't you tell us nor come back?!"

Me:"what would y'all have done coz there was nothing and I also didnt want to stress the folks"

Him:"ooh yeah you are right but still nje you should have to.."

Me:"the is or was nothing to tell you. And please don't tell our parents coz they are going to freak out and stress a lot"

Him:"okay I won't. Let me go and take my phone."well when I was still in Durban I bought a cell phone for BandiieY, few African dresses for mom and last a bottle of whisky for my dad. They were all so happy and they appreciated everything.

The is nothing that makes me happy than seeing my family happy. I love my family guys.

Life has been great with my family and now I had to love and leave them. I was done packing and the time was 18:30pm, well I was going to leave tomorrow morning. When I was about to finish packing BandiieY came in my room.

Him:"it seem like you can't wait to go back to Durban, you're even done packing"

Me:"no it not like that, it just that I want things to be easy for me when I leave tomorrow " Him:"see you came here two weeks ago and now you are ready to leave" ooh I see where this thing is going.

Me:"Ncooh I know that you don't want me to leave. "

Him:"naah there is no such a thing "

Me:"(I laughed at him) I'll miss you too my dear brother "

Him:"eish...I just wish you can stay for another two weeks "

Me:"I'm sorry bro there is school I left there in Durban for me to attend."

Him:"I know it just that I'll miss you,that's all"

Me:"you should have said so,not all that shit you just told me"

Him:"heeh varsity life has changed you, you now can even swear."

Me:"I learned from the best"I said laughing

Him:"aii mnx...anyway I came here to tell you that dad has summoned you in the dining room"

Me:"ooh okay I'm coming now now"

I closed my bags then went to where I was called and sat down.

Mom was seating with my dad in the same couch, and I was seating in front of the in a single couch.

Mom: "Ledi Your Dad Is The One Who Called You Here"

Dad: "yes my child your mother is right, I wanted to ask who was that man who brought you here the other day?"

Eh just when I taught the will never ask...why didn't they ask me the first day??

Eyy these parents of mine, mnx.

What the fuck will I even say to them?

Naah you know what I'll tell the truth.

Me: "uhm...eerh that was

Luyanda dad my friend I met

in Durban " Him: "is he just

your only friend or he is your boyfriend?"

Haah kodwa Nkosi Yami!!

Me: "n..no dad he is just my friend"

Him:"you must be special to him then,he can not drive 5 to 6 hours for a friend." Ooh ooh.

Me:"hay cha baba uwumngangani nje akukho okudlula lokho. Futhi uyena owacela ukungisiza ngenkathi ezwa ukuthi ngizohamba ngama tekisi"(no dad he is just a friend and there is nothing more or less. And the reason he brought me here it because he head that I'll be using public transport, and he doesn't like it)

Him:"aii cha ngyakuzwa Ntandokazi kababa"

(I hear you Ntandokazi kababa"

Mom:"when you get a boyfriend tell us before it too late" Dad:"aii what boyfriend??

She must not get any boyfriend, she must focus on her studies "

Mom: "yes my child your dad is right."

Me: "I promise I'll focus on my studies and make sure that I pass well, and I'll not chase boys around"

Dad: "that is what I want to hear"

I smiled

Me: "let me go and finish parking"

Them: "okay"

I went straight to my room and I finished up with my packing.

The time was around 09:25am and I was going to leave at 10:30am.

I was done packing and I was now going to bath. I bathed then wore a adidas navy tracksuit and black adidas

kicks the went to eat breakfast with my family. When mom first saw my clothes that Lucy bought for me she asked a lot of questions and I lied said IT NSFAS and she believed me.

Mom:"it time for you to go now my baby" we were now done eating

Me:"aw man so early?"

Her:"it not early it 09:56am and you need to get to the bus station at 10:30"

Me:"but mum,I d"

Dad:" Ntado listen to your mother hau you must get going"

Me:"ooh y'all want to to leave,actually you are kicking me out okay "

Yooh guys I really don't want to go, I still like being with them,see the every morning and every night before I sleep.

I sure do going to miss them and their crazy joke,shouts,laughs, smiles and everything about them.

Wait....why am I complaining like it the last time I spend time with them. I think I must stop this complaining that I'm doing or else something bad will happen to my family,and I'll be damned.

We all got up went to take my bags then went outside. Mom and dad bid their farewell to their one and only daughter, my brother...

Wait where is he???

I last saw him yesterday.

I told my folks that I'm going to look for BandiieY and they said okay.

I found him in his room lying on his bed,holding my black tee-shirt.

I got close to him, guess what he was crying..ncooh shame my brother is going to miss me so much Me:"Love Love"

He kept quite

Me:"Bandile wami" no response.

"My hot chocolate cupcake"

He smiled a lil bit and turned to look at me

Me:"I love you okay,I'll come back and visit you,and I'll also miss you so much"I said wiping his tears

Him:"please don't leave today or at least tomorrow, please "

Me:"I can't I'm sorry"

Him:"but you are still going to stay for three days in Durban before you go to school "

Me:"I still need to clean my house,do food shopping ,rest and all"

Him:"but you can do all those things in two days "

Me:"do you really want me to go tomorrow? "

Him:"yes,please"

Me:"okay I'll stay but I'll leave tomorrow in the morning "

Him:"thank you thank you!!!"

Me:"m p,hence

when did you

become a baby cry"

Him:"you know with you I can cry all day"

We laughed.

Me:"you such a drama king"

Him:"yeah your drama king right"

Me:"yeah mine only.... I love you brother "

I said perking his lips

Him:"don't ever kiss me with those lips that always kiss Luyanda " what?!!!

Me:"I've never kissed him"

Him:"yeah whatever....I love you too"

We shared a hug then went to inform the folks that I'm no longer leaving but I'll be leaving tomorrow .

They first disagreed but at the end they said it okay but I must leave very early tomorrow. Later that day,it was around 21:45 when I received a call from my boyfriend asking where am I , I told him what went down then told him that I love him then a goodnight.

Guess what!?

I WAS SLEEPING WITH MY BROTHER BANDILE

we talked all night about my life and my love love life and

also his. I'm gonna miss this moment shame.

It been two weeks since the school has opened, and everything is going well. In the past two weeks Xolani was in a car accident but he survived.

Akhona is still the Akhona y'all know but more beautifuler.

Athandwa and I have been more close, I think it safe to say he is my best friend.

Who else am I forgetting??

Ooh it that jerk Luyanda, that one has been changing girls like his changing his under wear. Lastly but not least, my love lifeeverything has been great between Ayathandwa and I, and I think it also safe to say I do really love him.

Last weekend we were on a baecation.
He took me to Capetown,waterfront.
We stayed for 3 days then came back.

"Naledi wake up you need to see
this..." That was Akhona waling me up

Me:"mmh"

Her:"aii man wake up and see this"

I got up look at the watch in the wall
,the time was 02:45am. Gosh I hate
this girl ,why is she waking me up at
this time??

Me:"Aiibo Akhona did you see the
time??" I said getting back under the
covers

Her:"did you see your boyfriend
Luyanda "mnx

Me:" what did I see??I'm sure that jerk
is busy fucking another pussy".

Her:"what if I tell tell you that he is not
fucking any pussy he is down stairs

making noise and demanding to see Naledi Melokuhle Mngomezulu"mnx Akhona is so annoying sometimes.

Me:"just go and sleep"

Her:"Naledi I'm serio...."

"No I won't go I want to see her right now....Do you know who I am?" Ooh my god she is serious... That was Luyanda shouting to someone.

I quickly got off the bed ,run to the door

Akho:"your shoes?"

Me:"I'll wear them later"I said running down the passage.

When I got to the reception ,some students were looking at Luyanda some pointing their fingers at me,gossiping about me.

I reached Luyanda took his hand and pulled him out side. He is smelling alcohol and he can't even walk on his own.

"B...babe...I'm ...s...sorry..I promise..I'll .n..never..ever..cheat..on..y..you..a"

Me:"shut up. Shut the fuck up Mkhize"

Him:"ooh g..god I..love this g..girl..she even used m..my lat n..name"he said chuckling. I smiled even though I'm angry at his but it just happened.

His car door was opened, mnx this fool. I opened the back door put him inside then went to the other side got in ,and say with him.

Me:*what do you want?"

Him:"you!"

Me:"but you know I have a boyfriend which I love deadly. "

Him:"I don't care coz I also love you"

Me:"mnx"I said opening the door"

"Luyanda don't drive,you will leave tomorrow coz you are too

drunk." Him:"if you exit this door I'll also drive home"what!!

Me:"what am I suppose to do coz I can't sleep

here" Him:"I don't know but I also can't sleep

alone here."

Me:"okay fine let's sleep "

He lied on top of my thighs and then boom he was asleep.

....

I was woken up by Luyanda.

Him:"wake up"

Me: ",okay"

Him:"how are you ?"

Me:"I'm fine."

Him:"look I'm sorry for yesterday and the way I acted it was bad. And baby I'm also sorry for what you saw when you came to my house...Londi is just my fuck buddy but I've ended things between us."

I really didn't want to to talk and stress my self and waist my tears for a stupid fool.

Me:"no it okay Luyanda. I forgive you"
I said with a smile

Him:"thank you so much"he kissed my cheek.

"So can I take you
on a date tonite"

Me:"yeah at what
time"

Him:"I'll SMS you all the details"

Me:"okay"

We bid farewell to each other then he kissed my lips but I quickly pushed him,he then left. As I turn to walk back to my room I saw Aya walking towards his car looking angry,he got inside and drove off.

It been a full week since Ayathandwa has been ignoring my calls and messages. Yesterday I van went to his home but he chased me away. I've lost hope.

....

It now in the afternoon and I'm just chilling in my room with A khona who was busy with her phone.

Heeh ever since I met Aya my life is a mess...but I love him ,the only thing left for me to do it to cut Luyanda out of my life.

If he didn't come here Aya and I would habeen still a perfect couple, if he he didn't kiss me Aya and I wouldn't be where we are.

Luyanda is here,in my life to cause nothing but problems.

"Aii man don't yell me you are still thinking about these guys.No Naledi no I disagree."that was A khona shouting at me.

Me:" I'm not thinking about them"

Her:"yes you are...I've been calling calling your name but the was no response "argh Me:" okay okay fine you caught me...anyway what did you want to say?"she smiled,her dirty minded smile. I knew when ever she

smiles like that she is about to say something nasty.

"Talk already man"

Her:"okay okay...there is a party at 101 and I want us to go there, coz there will be

Distraction boys performing their latest song Sinenkani."I knew it

Me:"I'm not going anywhere with you,coz you gonna leave me" Akhona always leave me alone when ever we went to a club,she is always taken away by boys

Her"aw friend I promise I won't leave you this time please"

Me:"you also said that last time but still you left me"

Her:"aw friend please."she looked at me with her cutest eyes making it hard for me to say no.

Me:"okay fine but you will pick something for me to wear and apply make up on my face"

Her:"hey thank you so much(she hugged me) and also do something about your hair" I slap her arm

Her:"ouch,okay sorry"she said laughing.

Well my hair....well my hair is...is...Back to being Afro and now it worse coz it been two days not combing it.

Me:"okay let me go fresh up alil bit in the meanwhile take out what I'll wear" Her:"okay" she stood up went to my wardrobe.

After freshening up I went back to the room with a towel wrapped around my body any my hair.

Me:"I'm back"

Her:"okay...we will start with applying make up on your face then dress you up"

Me:"okay" she started doing my face then my hair,in my hair she putted a Peruvian weave and lastly it was my dress.

It was one of the dresses Luyanda bought me.

It was brownish had a elastic rope and also brownish heel.

The dress looked so good on me even though it was too short but I liked it. I really looked so beautiful,everything was on point.

Wheb n Akhona came out of the shower she as fixed her self ,made herself beautiful.

When she was done we took snaps.

The time was around 20:45pm and our ride was already waiting for us,we were not taking Akhona's car because we knew that we were going to be sloshed.

After the cab dropped us,we went inside, and guess what it was packed. The part has already started.

People were already drunk some dancing their life's to dead.

We settled down and ordered cocktails, cocktails followed by shots,shots followed by weed,weed followed by the dance floor.

We danced and had fun. As I was still dancing a guy joined me ,I danced for him. As we were still dancing a hand pulled my away from the guy.

Me:"what now??"I asked angrily

Person: *so you twerk fro boys now huh?" I just froze...how the hell did he know I'm here??

I turned to him and asked "what do you want??"

Him: "why were you dancing for him like that huh??? Are you a bitch now??"

Me: "damn it Luyanda you think you gonna come to my life and control me?? ooh hell no. This is my life and I'll do anything I want...listen just because you have money and I don't it doesn't mean I'll dance for your gutter. I say I don't want you in my life you MuST respect my decision and if you really love me you will set me free and if I belong to you fate will decide that. Now can you please leave me in peace..." tears were streaming down

my cheeks and I also don't know why I was crying.

Luyanda did the least thing I expected...he kissed me.I tried to push him away but he was to strong.

Him lips tasted so nice and they were so soft as I was about to kiss him back something pushed him away from me ,I looked up and ayathandwa was busy beating the hell out of Luyanda and all the attention was on us.

I don't know what happened but Luyanda was now beating the hell out of Aya. The securities and bouncers were already the trying to separate them and they finally managed. They were both taken outside and I followed them.

Aya:"this is not over you son of a bitch" Luyanda just laughed at him.

Luh:*you are a small boy and I'm not scared o...."

Me:"enough, enough...."

Luyanda didn't I tell you that I love Ayathandwa or maybe you didn't hear me well. Well let me repeat this and I hope you will understand what it means. LUYANDA I DON'T LOVE YOU I LOVE AYATHANDWA AND IF IT HARD FOR YOU TO ACCEPT THAT THEN GO TO HELL, I DON'T CARE. AND LASTLY LEAVE ME THE FUCK ALONE" he just looked at me with hurt written all over his face.

Luh:"you know what Naledi wipe those tears then look at me in my eyes and tell me that you don't want me and you don't love me and you want me to leave you alone" I swallowed

hard...yeah I know y'all gonna judge me but it is what it is. I do love Luyanda but I also love Ayathandwa. Just for the sake of respecting Ayathandwa I'll say what Luyanda asked me to say.

Me:"I...I..Luyanda please leave me alone coz I...I..I don't love you"I said looking down

Luh:"I said look at my fucken eyes Melokuhle "I got scared

Me:" just leave me alone" I said holding Ayathandwa's arms and pulled him to his car. Ayathandwa was bleeding in his lip and nose .

Me:"is it painful?"

Him:"not much"

Me:"I'm sorry I didn't mean anyth...."

Him:"no it fine ,it not your fault"

We got in his car then drove off. I was still drunk but getting sober.

Ayathandwa was driving me to his home,I don't even know why because he knows very well that his mother hate my guts but then I know I messed up so I'll just shut up.

We got to his home and the lights were off,I guess everyone here is already sleeping. We got in side the house then went to his room ,changed to his t shirt then slept.

.....

I was woken up by Ayathandwa in the morning.

Him:"hey"

Me:"hi"

Him:"how are you doing?"

Me:"I'm fine...hungover is here...how are you?"

Him: *fine just tired"

Me: "I'm sorry babe I know I was wrong but baby I didn't kiss him back ,he is the one who kissed me I swear...even on the first day when you saw us."

Him: "it fine butvim also sorry for shutting you out it just that I was mad"

Me: "it fine "

Him: "I love you Lele" I smiled

Me: "I love you too"

Him: " but you love him more" my eyes popped out What!!?

...

Seconds turn to minutes, minutes turn to hours, hours turn to days and days turn to months. It been two months and everything is now going very well. The

first week of these two months were horrible. Luyanda was busy stocking me around making sure that he annoys the shit out of me.

Last week Monday my phone rang when Luyanda was still lecturing. And guess what he took it. I still don't have a phone because he took it.

Today it Sunday and Akhona and I are going to church.

Ooh yes,we are going. The time is around 09:50am and the church starts at 10:00am,we are already late.

When we were done we looked so cute ooh let me just say we looked marvelous.

We were both standing near the the door of the church debating on who's gonns go in first.

Akhona: ",you start"

Me: "no you first"

Her: "the we gonna stand here forever"

Me: "mnx" I got in.

As I walk down to the couches, my heels were making so much noise.

And people were looking at me, some gossiping. Akhona was following behind me.

We sat down on the third couch and listen to the pastor and sang . at around 13:30pm the church was out.

As we were outside I spotted Aya and his whole family. Aya came to me.

Him:"hello babe"

Me:"hey "we kissed a short kiss .

Him'*I didn't know you also attend here"

Him:*it was my first day"

Him:"ooh

okay*we

kissed again

"So when

are you

leaving?" I'm

going

home!!!!!!!!!!!!

Me:"Thursday afternoon, I'll catch a bus so I can arrive Friday morning."

Him:"mmh,,can I take you home"

Me:"okay"

Him:"so I can get to meet my parents in-law "I just smiled and kiss him. I love this guy so much guys

Me: *I love you"

I said hugging him

Him: "I love you too baby " when I raises my head I aaq Aya's mom looking at me with evil face.

Mnx I don't care, the only thing I care about it that I love his son.

Vc: "yewena Ayathandwa we can not wait for you. We want to go" it was Aya's mum.

Aya: "I'm coming mom"

She just clicked her mouth then left to her husband's car.

Aya: "bbe I have to love and leave you I'll see you later I'll come to you" Me: "okay bye" we kissed for the last time then he left.

Akhona was now shouting at me for making her wait. I apologized then we left.

When we got home we slept.

I was later woken up but the knock at the door.

I looked at Akhona's bed and she was not there...

The bitch left me mnx.

I opened the Dior and the and the he was standing looking beautiful were black everywhere and a smile on his face. I couldn't help it I just smiles.

Him: "Hi"

Me: "uhm...Hi"

Him: "can I come in?"

I looked around the room then back at him."

Me:"no" I said opening the door wider for him to enter

He frown

Him:"okay thanks"he got in sat on my bed.

Me:"how can I help you"

He took something out of his pocket

Him:"I brought you this"he said handing me my phone

Me:"thank you,is that all"

Him:"uhm..y..yeah"

Me:"okay.(I stood up head to the door and opened) you can leave now" he stood up

Him:"uhm ..thanks "

Me:"cool"he turned to go outside.when I was about to close the door he pushed it,entered, then closed the door and pushed me towards it and kissed me.

I kissed him back .we kissed and he was busy brushing my thighs.he went inside them the touched my cookie jar. A thought passed through my mind.

Aya said he will come here today.

I broke the kiss and moved his hand, he just looked at me.

Me:"no Luyanda you need to go"

Him:"okay...I love you"

I just smiled.he went out as I was about to close I shouted his name then ran to him. Him:"did I forget something? " Me:"maybe"I said smiling.

When I got to him I kissed him for r a long time then broke it and ran back to my room,closed the door then locked and I threw my self in the bed..

Ooh god I'm fucked up.

Later Aya came ,we went to have dinner then he later dropped me at home then. Left. When I got to my room I slept.

Today it Friday and I'm going home. Ayathandwa is the one taking me home.

Me:"this is the last bag baby please put it also"

Him:"okay my love"he to my bag to his car,then came back

"Babe are you ready to go home and see you family?"

Me:"I am...I'm so excited "well my family doesn't know that I'm coming I'm just surprising them. The time is around 16:40pm and we will get there

around 19:30, and my family will be still awake..

....

It been 2½ hours driving to My hone .

Aya:" Babe do you need anything "we were at engine garage.

Me:" pie and juice only...and I'll go buy them...What do you want?"

Him:"why don't we go together ?"dude!!!(rolling eyes)

Me:"aw babe the is no need I'll be back right now"

Him:"okay...you'll find me there"he said pointing at the parking lot.

I quickly went inside brought 2 pies and two orange juices for my boyfriend

and I. I also brought a full chicken with rolls and some snacks.

I went back to the car...Ayathandwa was already waiting for me.

Me:"I'm here"

Him:"mmh...let's go then."

Me:"cool"

In the way we ate our pies then drank our juices.

At around 19:24pm we were at my home...waiting outside the door to be buzzed in.

When Mom opened the door she screamed when she saw me and Bandile and Dad were already behind her asking what is wrong until they saw me.

BandiieY ran to hug me and told me how much he missed me.

I got inside stayed with them for a few minutes, then told them that I need to get my things in the car and say goodbye. To my friend but they said he must first come in and greet before he leaves.

Ayathandwa and I took all the bags and plastic bags then started walking to the door...Ayathandwa was so nervous Me:*relax babe they are nice people"

Him:"I'll try but it's hard "I just went to stand next to him and kissed him...the kiss was so different I don't know why but it was filled with too many emotions... It just felt like a goodbye kiss. After kissing for a long we went

inside. Ayathandwa's head was looking down on the floor.

We sat down mum came
Mom:" aw thank you my son for bringing my daughter home safe..thank you " Aya:"it my pleasure mother "what??? These voices are the same. Mom hugged Ayathandwa. They hugged for such a long time.

After sometime mom broke it.

Mom:" look at me boy"

Ayathandwa looked at

her"baba...look at him"

Dad:"He look exactly like

BandiieY " Mom just cried.

Hello guys what's going on??

Dad:"Hay Zandile don't cry"

Mom:*it him Baba it him"mom cried louder.

Dad:"young boy show me your hands"
Ayathandwa was so confused, he
looked at me I nod.

He opened him hand and gave it to
dad,dad looked at it,and his eyes
became glassie.

Dad:"you are right my wife it him"

Mom cried louder

"Where is your twin brother?" He said
looking at Ayathandwa .

What the fuck...how did he know that
Aya have a twin brother

Aya:"I left..h..him a..at home"

Bandile was busy trying to keep mom
calm.

Dad:"Lele show me your birth mark on
your thigh and you Bandile"we took off
out cloths and I was left with my
panties while Bandi was left in his
boxers.

Dad:"look at their thighs and if you also have this in you thigh take of you paths and show me."Aya looked at us,without saying a word. "Boy do you have this on your right leg side?" He just froze....

Aya just lowered his paths and showed us his thigh, and there it was the African shaped birth mark.

Me: "no no no no!!!" I cried louder.

Dad:"Lwandokuhle...my son"

Aya;"no no...I'm not Lwandokuhle and I'm not your son...you are mad you old man"

Dad:"look at him...this is your younger vision."

Aya:"no no ...you know what I'm leaving."

He ran to the door, got out and went to his car then left.

Mom was crying so loud.

Dad: "Thula Nkosikazi wami...kuzomele siphuthume siyo bikela iNkosi le esigodlweni."* stop crying my wife...we need to go and tell the chief about this matter *

Mom: "y .you...will..g..go with B...BandiieY? "

Dad: "yes my love and Naledi too"

Me: "b..but dad I don't think it a good idea to leave mom here alone "

Him: "you're right ...I'll go with you, and you Bandile you will stay here with your mother " BandiieY just nod.

I quickly went to change to a dress since I was going to the palace. Dad and I left.

.....

Few minutes later we were there...
The guards of the palace escorted us to the king's office.

King:"aw weMngomezulu uthi kwenzenjani wasivakashela ngobumnyama obobungaka"
*what is wrong Mngomezulu why are you here so late?"

Dad:"aii wena Ndabezitha ukuthi sedisuke sehlelwa inkinga Lana...Nkosi yami uyakhumbula lezizingane zami ezimbili ezatshontshwa zisencane,lapha emtholampilo" *we are facing a problem me king...do you remember

my two kids that were stole in the clinic?"

King:"yes I do"

Dad:" ,it seem like we have found them..."

King:"how??after so many years ?where they were?" Dad narrated the story of how he met Aya...

The chief also made me say where did I get them and stuff.

King:"Ehh Mngomezulu...on Monday we are going to the city to see them and make sure that they are yours biological. "

Dad:"thank you my king."

We left went back home.

Dad updated mom on what was going to happen from now on

Dad:"Naledi!"

Me:"Baba"

Him:"Were you dating this boy?"

What!? I can't tell them that I was dating my brother, mom will just pass out.

Me:"uhm..no dad,but he was asking me out."

Him:"you allowed a person who is asking you out to drive you to your home ..what if he kidnapped you and forced to be his girlfriend? " I just kept quite.

"I'm talking to you man"

Me:"I'm sorry d...dad I didn't think like that"

Him:"aii man suka laphambi kobuso

bami."*Go away* I just

stood up and went to my room.

As soon as closed the door, I took my phone and called Ayathandwa.

His phone was just ringing with no answer. I called maybe 7 then put my phone away and slept.

...

..

.

Today in a new day and mom forced us all to go to church.

The service at church was so nice and funny. Our priest I'm sure he is the world most funniest priest.

He is not the guy who will read the Bible and make us pray then go. He just read a verse and explain it in a funny way.

After church went home on our way home we saw Mseleku family dad greet them.

Mr Mseleku:"aww ndodakazi you have grown... The last time I saw you ,you were still a little girl. And you look beautiful "

I just smiled...I didn't know what to say

Me:"thank you baba"

Him:"and I'm sure my son,Kwanele here would love to have a wife like you"ooh no...Kwanele just waves at me...he was seating at the back

seat.dad:"aii weMseleku my girl costs a lot you won't afford her."

Mr M:"relax Mngomezulu you know I do have many cows in my kraal. I'll come next weekend so we can talk about this"what!?!no please don't come

Dad:"ayikho inkinga

Mseleku...seniyohambakahle"

Mr M:"nano nihambe kahle." They
drove away and we kept walking to our
home.

.....

Today it Monday the day of Drama.

The king and my family we
are going to Durban, to
Aya's home. I wonder what
will happen there.

....

Few hours later we were in front of the
gate of the Shoba's resident. We were
bussed in and at the door we were
welcomed by Athandwa.

Him:"uhm...please come in." We went in when he saw me ,he was relieved. He led us yo the dining area, we settled down

King:"my son did you call you parents?"

Atha:"yes sir I did ,they said they are coming now now"

Him:"okay."

Atha:"uhm Naledi can you please her me in the kitchen with drinks for the alders. " I looked at mom and she nod,I stood up and went to the kitchen with Atha.

Atha:"What the fuck is happening here? Are you pregnant is that why you whole family is even the chief? "

Me:"no man I'm not pregnant I've never slept with Aya "

Him:"yeah I know that but why are y'all here?"we were whispering by the way.

Me:"you guys are my brother "

I also didn't know what to say so I just said it.

He laughed like really laughed.

As he saw that I'm not smiling or laughing he stopped.

Him:"are you serious? "

I just nod

"Ooh no!! So you're my sister?"

Me:"it not confirmed yet but yes I am"

Him:"wow ..no wonder we look so alike. And that little guy over there is a younger vision of me.wow"

Me:"let take these to the dining area." He nod.

Aya came down the stairs as we were all seated.

Aya: "no you're here with your madness again...please leave..leave now " gosh he was shouting.

"Did I teach you to speak like that to alders?" That was Mr Shoba shouting. Aya just kept quite.

Mr s: "did I??didn't I teach you respect? Now apologize. "Aya just kept quite " Now Ayathandwa "

Aya: "I'm sorry for shouting at you and for the bad language I used please forgive me"

Chief: "it okay... Ooh im king Ngubane from eZakhiweni...before we start where is your wife Mr Shoba?"

"Im right here." As soon as her eyes landed to us in the dining area she just froze...

Mrs Shoba just starred at us with tears rolling down her cheeks.

Mrs S:"I'm sorry"she said with a broken voice

Mr S:" Lindiwe can you please tell me what is going on?"

Mrs S:"I d..didn't m..mean it ...I'm sorry "

Him:"what the fuck are sorry about?"she wailed.

Aya:"so mom it true??"she had tears in his eyes.

Atha:"mom what is going on " Mr S:"and you better not lie.

"

The CHEIF briefed them on what was going on..

Mr Shoba was so angry even his veins were showing.

Mr S:"Londiwe start talking now."

Londi:"I..I'm s..sorry Sizwe"

Sizwe:"don't fucken say sorry I want to know what is going on."

Londiwe cried louder. Mr Shoba went to the single couch and lifted the cushion...

Londiwe: "okay okay I'll talk please don't take it"

When I looked at Sizwe he was carrying a gun in his right hand. My mom was crying,dad and the CHEIF were trying to calm Sizwe down.

Sizwe:"I'll do a 5 seconds count down then you will start talking...5,4,3,2.."

The gun was faced to Londiwe.

Londi:"okay I'll talk"

"Remember my pregnancy had a lot of complications.

So on the day the twins were suppose to be born...I was seated with mom and when I stood up there was blood in the seat.

I got worried then I felt pain in my stomach and blood did not stop..it kept coming. My mother rushed me to hospital.

When we got there I was taken to ER. The doctors told me that my BP is super high and I lost one twin.

They later performed a C-Section and took out the twins .

The gave me the dead twin to hold in my chest and hear for my self that the heart beat is gone,few minutes later they took my dead baby and gave me the alive one,as soon as I put it in my chest the heart beat stopped, the

doctor took it and tried to save it but it was too late,the second twin was also dead.(She cried louder)

I asked the doctor that was helping me to give birth to steal twins that are light in skin colour so the can be something that will prove that these are your kids coz I knew they will look nothing like you.

And the doctor helped then I paid her the amount we agreed on.

This is all your fault that I lost my babies,you ate the one who caused stress fro me,you used to come back home,drunk and make me your punching bag,sometimes you would disappear for weeks,with no one knowing how you doing and where were you?.

On the day my kids died ,where were you??

I called you for so many times but you didn't answer...

You only came back when Aya&Atha were 4 days old.

You didn't even know their names y..you beat and shouted at me for naming them with out your approval...you broke me y..." She fell on the floor...

Ooh god I think she fainted...

Later Mrs Shoba woke up.

We were still in the dinning room,

Aya:"mom Naledi my sister? "

Size:"Aya wait you mother is not f..."

Mrs Shoba raised her hand,instructing Sizwe to keep quite.

Londiwe:"yes YaYa she is your sister...I'm sorry"

Aya:*no mum you can't tell me I've been dating my sister,kissing her..."

Mum&Dad:"you were what "ooh no

Aya:"yes we were dating and you know what...I love her, I love her so much ,and I'll never take her as my sister. This is my wife, the love of my life,please listen here, I'll never allow you guys to break us up,never.

Naledi and I are soulmates. " Mom was crying so much ,and I was busy comforting her. Mom:"I curse the day you stool my kids" She cried louder...

Dad:"my king,what will happen now?"

CHEIF:"uhm Shoba I think we have no choice,we have to take the kids to their real parents so they can have Imbeleko and be introduced to the

elders of the Mngomezulu family."

Sizwe:"no it okay I fully understand,and I'm truly sorry for what my wife did, boys always remember that I'm still your father and this is still your home,and you're welcome to come and visit any day you want and if you need anything I'll be one phone call away.

I love you moy boys"

Aya:"no dad please don't allow them to take us away"

Sizwe:"I'm sorry my son"

Londiwe:"I'm also sorry everyone, I hope one day you will find it in your hearts to forgive me"

Mom:"I forgive you I truly understand what was going on in your head." Her:"thank you so much Mrs

Mngomezulu" My mother just nodded.

Atha:"so when are we living?"he said looking at the chief

Chief: "today ,bt you can come back any day but today you guys need to sleep at the Mngomezulu's."

Atha:"okay,let us go and pack" They stood up.

I followed Aya to his room.

As soon as we got in he closed the door and kissed me.

I kissed him back,but as soon as I remembered that he is now my brother I broke the kiss.

Him:"I love you Naledi"

Me:"no aya we are brothers"

Him;"fuck...I don't care ,I just don't care, you and I love each other so why must we break up just because we are are siblings,I can't leave you and I won't" Ooh no I'm in deep shit here...

Me:"no Aya no...you know what I only came here to help you pack but I can see that I'm not needed so I might as well leave." I opened the door and left...

Later everything was done we were ready to leave.

We left,when we got home we arranged a,how we were going to sleep.

Aya & Atha slept in BandiieY's room and BandiieY and I shared a room.

We all went to sleep.

As my head hit the pillow I thought about all the mess that was happening in my life.

As I thought that I nearly lost my virginity to my brother made me break down. I cried.

I just wished I had a friend ,someone to talk to. I miss

Luyanda,he is the friend that I miss.

I stood up took my phone and called him

After a few rings he answered

Convo 

Me:"hey"it was trying so hard to make my voice sound normal coz I knew he would know that there is

something wrong Him:"hello"he said yawning...

Me:"did I wake youvup"

Him:"no"I giggled

Me:"you're lying "

Him:"okay you got me"

I kept quiet as I listened to him giggling like a 16 year old teenager..

"What is wrong?"I think about my life and tears streamed down my cheeks.I wiped them and sniffed.

" are you crying ?

Naledi please talk to me,what is wrong?"

Me:"I...I j..just f..found out t..that A..Aya a..and I A..re..."

I just cried

Him:"wait I'm conning there now "

Me:"no ,no don't come

...

Me:"hello ?"

It was silence. Just great he hung up on me and he is coming. I got into bed and waited for him.

.....

I don't even know when did I fell asleep but when I wake up,my phone was ringing and out it was sunny ,I'm sure it morning already.

I answered my phone.

Me:"hello"

..:"I'm outside"ooh gosh Luyanda

Me:"okay, I'm coming "

I dropped the call,checked time ,it was 05:11am then wore my gown and tip toed to the main door.

Minutes later I was outside the gate. Luanda's car was three houses away from my home.

I got to it then got to the back seat where the door was opened for me. He also went to the other side.

Him: "what is going on Lele"

I narrated everything to him, when I was done I was in tears.

Him: "I'm sorry I'm sure God knows what he is doing, it's going to be fine"

I just kissed him

Me: "I love you."

Him: ", I love you too"

We kissed again and things got heated.

We instantly drove to the nearest hotel, Luanda booked us in then we went to the room.

As soon as we got in we kiised again .
He was busy rubbing my boobs and a
strange sound escaped my mouth.

Minutes later our cloths were on the
floor and we were both naked.

Luyanda was on top of me rubbing my
v jay jay with his two fingers.

He went down to my stomach placing
wet kisses.

When he reach my palace.

He first kissed it.

When I was about to stop him,his
toeng got inside,a feeling ofjoy crippled
in.

He muffed me till I heard my legs
vibrating ,after that something came
out of my palace and Luyanda licked it.
He came back and kissed me.

He got on top of me and looked straight in my eyes.

Him: "are you ready" I just looked at him. Ooh gosh today I'm going to have sex..... Me: "....."

Luyanda was still looking at me.
I nod.

Him: "I want you to say it baby"
I just looked at him with my mouth closed.

Few minutes
later he got
off me

Me: "where
are you
going?" He
kept quiet.

"Baby why did you stop,coz I told you that I'm ready?" He looked at me and smiled Him:"well I kinda felt like I'm not ready "huh??

Me:" what?? Are you a virgn?"

He laughed at me

Him:"no...it just that I'm not ready to have sex with you" Ooh okay...I'm little kinda hurted.

"Don't look sad baby"

Me:"I'm not sad."I said as I wore my cloths.

Him:"okay.."

Me:"can you take me home?"I was now done wearing my cloths.

Him:"now?"he said looking rather sad

Me:"yes remember I don't want to get caught that I kinda sneaked out"

Him:"okay."

We were now ,three houses away from my home and the time was around 07:17am,and I know my parents are awake.

Me:"bye"

Him:"I'll fetch you later okay..I'll go to that hotel,I'll. Be staying there for a while." Me:"okay" we kissed for the last time.

Him:"I love you Melokuhle "

Me:"I love you too" I got off and ran home.

I first went to my parents bedroom window outside to check if they are up or not.

Thanksgodness they are both still in bed talking.

I quickly went to the door.

I pushed it a little as I try to get inside with out making noise.

Finally I'm inside ,I slowly closed the door.

"I wonder where are you from busy tiptoeing in the morning" I was so shocked,I even hit my forehead in the door.

I turned around and looked at him.

Me:"uhm...I..I'm f..from outside.. I w..was j..just checking outside ,how is the weather"I smiled a little.

Him:"then why are you tiptoeing? "

Argh this is really annoying

Me:"can you just leave me the fuck alone?" My voice raised a little.

Him:"you are from him,aren't you??there haven't been even 10 house since you and I found out that we are siblings but you're already going up and down with him. Did you

ever love me or you were just fooling me around"

Ooh oh

Me:"what??how can you ask that? Of cause I loved you and forever will."

Him:"just leave me alno you sick bitch"

Me:"you called me what?"I'm angry ooh gosh I'm angry.

Him:"I called you a BLOODY SICK BITCH" I don't even know when did this happened but I saw him holding his cheek.

I just slapped him.

Me:"don't ever call me by that thing again...mnx..I don't even regret slapping you"I was shouting, I don't even care if my ooh our parents hear us I'm just angry.

Him:"I'll tell mom and dad about your o...."

Me:"tell them and you will reg.."

Dad:"what is this all noise about?" ooh
oops the kitchen was now full of my
family.

Aya:"this brat of yours slapped me"

Me:"don't fucken dare call me t.."

Dad:"shut up man...and wena

Ntandokazi why did you slap

you brother? " Me:"he called

me a BLOODY SICK BITCH"

mom gasped

Dad:"and why did you call her that" I

instantly looked at Aya's eyes warning
him to not say anything.

Aya:"she was with her

boyfriend,she came here

tiptoeing " Me:"why are you

lying?

I told you that I only went outside to get
some fresh air"

Him:"if so then why were you tiptoeing? "I went straight to him slapped him and when I was about to sleep him again Atha held my hand

Mom:*enough about you too busy fighting like cats ,shut up man both of you. You know what got away from my face.

Me:" I hate you nxx"

I went straight to my bedroom.

Later that day Luyanda came,and took me out as he promised,he later brought me back home.

I went to cook then we ate,Aya washed the dishes..ooh wait I forget to tell you guys that we were punished.

I was told I'll be cooking for the rest of the week and Aya will wash the dishes the whole week too.

It been three months since Aya and I have found out that we are siblings.

At some days we would call each other *babe* even worse kiss. The past months have been really hectic for both of us.

On the first week when they came here at home they were both introduced to the whole family, the only thing left it for them to have Imbeleko.

Today it Thursday, Atha, Aya and I went to the nearest shopping center to buy the few things that are going to be needed for tomorrow and Saturday.

Ooh I nearly forgot. Tomorrow it Ayathandwa and Athandwa's Imbeleko and on Saturday we will be celebrating their presence here at home, and on

Monday we are all leaving going back to school to write our final exams.

Atha:"no guys I'm tired now and I'm also hungry"

Me:"we will go and eat when I'm done with looking for the perfect dress."

Him:"but we have been going in and out of stores like we are mad..no I can't take it anymore. "

Me:"okay okay let's go and eat but as soon as we finish we will go back to look for my dress" Him:"okay" aAya was dead quiet.

As we were going to spur I saw this beautiful navy short dress but not too short

Me:"uhm guys I think I've found the dress."

Atha: "no no we won't be going to any shop we're going to eat now." Argh

Me:"but if I buy it now it will save us time coz if we buy it after eating I might look for another one knowing that no one will tell me to hurry up and I'll go through every single shop you know."
The is nothing that I'm explaining shame.

Aya:"shut up and go get that dress so we can go"he looked kinda pissed.

Me:"why are you raising your voice?"

Him:"it just that I'm mad at the fact that you're busy explaining nothing,I'm sure you also don't know what you want to say. I'll go put these in the car,Atha you can go with her . you will find me at Spur." Us:"cool".

Atha and I went to get my dress,few minutes later we went to spur.

As soon as we sat down our food arrived.

WellAya ordered for us.

We dig in moments later we left.

When we got home in was around five pm.

My uncles we outside drinking and slaughtering the goat that people are going to eat midday since iMbeleko will begin at night.I went inside and mom was busy with my always judgemental Aunty,Aunty Lungile.

They were busy making

Umqombothi(Soham beer) I just greeted and passed.

Aunty Luh was so happy that I was already dating and the fact that I fell in love with my own brother made her spirit to be over the moon.

The first day when she saw me she called me a nasty bitch, who datea her siblings and stuff. first I was so hurt but as time went by I got that it also not my fault that I dated my very own brother.

Later that day we ate supper as a family then went to sleep.

.....

Today it Friday the big day for the twin brothers.

My mother was busy making noise telling us that she wants everything to go according. She says she does not want any mistakes.

Later that day

Later that day, the ceremony was done and everything went well.

As mom planned.

They were given their real names

Ayathanda is

Kwandokuhle and

Athandwa is

Kwandoluhle.

..

..

Today it Saturday and the Shoba family is also here.

We were celebrating that, the ceremony went well and they are now Mngomezulu.

Tomorrow they are going to home affairs to Change their last names. The time was

around 17:45pm when I received a call from Luyanda.

Convo 

Me:"hey"

Him:"come outside I'm three houses away?" Tututu!

He dropped the call.

Wait...what the fuck is he doing here??

Ooh gosh this guy always have something crazy to do in his mind.

I stood up, ooh by the way I was in my room with my 5 cousins. We were just chilling drinking juice.

Zamo:"where are you going"why is this bitch even asking?

Zamo hates me so much I also don't know why.

Me:"why must I report to you cause you're not even my mom?"

Her:"I was just asking,I really don't know why are you giving me attitude "

Me:"learn to mind your own business "

Her:"shut up bitch or else I'll tell your parents what you did with Kwandokuhle(okuhle).

Lwa:"why can't you mind your own business,just get a life man!"

Zamo:"shut up you good for nothing trash "

Lihle:"ooh can you guys please stop it,always fighting and fighting? No guys please stop"

Sindiswa:"yeah guys Lihle is right,we are siblings so we should stand together not fight." Zamo:"ooh please you two ,you always act like virgin marry...just shut up." I just went out.

Lihle and Sindi are close, Iwa and I are also close then the devil is all by her self, she got no one by her side.

I went to the dinning area to check on my parents so I can sneak out.

Well dad was with the Shoba's and mum was with Mrs Shoba and my other Aunties.

I quickly went out, saw Luyanda's car and went inside.

Him: "I thought you were not coming in, I nearly went inside to look for you
"what, he looked so serious.

Me: "hello to you too

Luyanda, how are you? I'm also fine thanks for asking ." He just laughed.

Him: "aww babe"

Me: "tell me when you're done."

As soon as he saw that I'm serious he stopped laughing.

Him:"I love you Naledi"I love you too sweetheart...ooh I wish 😊

Me:"okay"

Him:"is that all you gonna say?"

Me:"what so you want me to say dude?"

Him;"anything from your heart" I smiled a little.

Me:"that was from my heart"

Him:"okay"

Me:"why are you here? What do you want?"

Him:"I came to fetch you,I want to go with you to Durban now"

Me:"what no you can't take me!"I was so shock

Him:"bit baepy I miss you now"

Him:"wait I'm coming back on Monday
"

Him:"haah it too far"

Me:"aii I don't know then."

Him:"okay but I'll wait for you here we
gonna go together on Monday "

Me:"I don't think my parents will allow
me since my twin brothers have cars
and also going to

Durban,I think they will just tell me to
ride with them"his face changed a little

Him:"okay,but I'll wait for you"

Me:"but it useless though."

Him:"ouk

fine I'll

leave."

Me I love

you okay"

He nod.

"Stop sulking hle" he smiled a little.

Him: "I love you too" we kissed for a really long time then broke it

Him: "bona what you did" he said pointing at his dick

Me: "ha.a I didn't do anything"

Him: "kana you kissed me very good "

Me: "aii baby story blaming me"

Him: "okay but it was you" he kissed me. A knock came through the window.

We broke the kiss and looked at each other then to who was knocking. Ooh gosh what the fuck does she wants now.

Lu looked at me

Him: "are you in trouble? "

Me: "maybe"

Him: "eish sorry ne utlaupa sharp nerh"

Me: "it cool, I guess I have to go bye"

Him:"bye"I kissed him

Him:"why are you kissing me in front of hwr?"

Me:"I'm already caught so what"

Him:"okay bye...I love you"

Me:"okay cool."

I got out and he drove away.

Her:"I always knew that you,you are nothing but a slut, a pure bitch nxx,I'll tell your parents..."

I looked at her.

Me:"Go ahead"

She looked kinda shocked

Her:"what?!"

Me:"I said go ahead or you want me to push you to them"

Her:"naah I'll walk and I'll tell them everything "

Me:"I said go ahead"

Her:"yeah I'm going"she left and I followed her. As she was about to enter the yard I half shouted "and I'll tell your mom that you're pregnant. She stopped walking and turn around to look at me.

Her:" you said what?" She looked too shocked and also scared Me:"you heard me" I said flashing an evil smile.

Her: "where did you get that?"

Me:"it none of your business so pushh!"

I walked pass her but she grabbed my arm.

Her:"I said where did you get what you said?"

Me:"I said it none of your business so pushh" she slapped me so hard.

Me:"what the fuck Zamo why d.." She tried to slap me again but I held her hand and slapped her,punched her face repeatedly.

She was busy screaming like a bitch that she is. I kicked her ass and her back.

"Naledi what are you doing?"

I kept on kicking her

Okuhle(Aya):"sto it man"he said pulling me away.I kicked her face as Okuhle pulled me away.

Me:"I'll get you,you sick and if you dare say a word about what happed I'll also sing for everyone nxx." Okuhle was still

holding me and everyone was already outside

Me:"let go of me you stupid" he let loose of me. Lwa came to me and pulled me inside the house

Dad:"what is wrong with you,beating your sister like that are you sick upstairs? "Sister my left fucken foot.

Me:" she is not my sister and she started it"

Mom:"ledi stop back chatting your dad."

Me:"I'm sorry. Can I be excused I'll be in my room"I didn't even wait for their answer I just pulled Lwa and went to my room.

Lwa:"what the fuck happed outside "

Me:"remember I got a call before i went outside(she said yeah)it was my boyfriend telling me that he's outside.

Zamo must have followed me because she went out with me and saw My boyfriend and I kissing and knocked in the window for us to stop kissing.

Luyanda left and Zo threatened to tell the folks about Lu and I.

I then told her to go ahead but she must know that I also know that she is pregnant I'll also tell her mother "

Her:"she is what?"

Me: ",Preggie dear"we laughed and high-fived.

Her:"this is so wonderful maybe her mum will now stop calling us bitches and call her own daughter a bitch"

Me:"yeah I know but she be so disappointed shame"

Me:"yeah..anyways who is the lucky guy how did you guys met?"

Me:"I met him the first day I set my foot in Durban,the guy..."I told her

everything that has happened in our lives.

Her:"what about the Okuhle & Oluhle saga how did they?"

Me:"Okuhle and I were still dating when they were found.

Okuhle only came her to drop me but...."I told her everything about how we found my twin brothers.

Her:"heeh Gazet so you nearly slept with your brother ?"she laughed Me:"aii cous you know nothing"we laughed.

Her:"aii it hard out here but I'm glad you found they hey"

Me: "yeah...letsleep"

Her:"oryt"

Okuhle,Oluhle and BandiieY I slept in Okuhle's room,in Oluhle's room,the pregnant bitch slept with her mother

and in Bandile's room Lihle slept with Sandisiwe and lastly the Shoba's left. Ooh I forget to tell you, Okuhle and Oluhle now have their own rooms. The Shoba's built them.

They wanted to fix the whole house but I disagreed because it had always been my wish to fix my parents house so I told them to leave it on me I'll do it with my first payment.

It been a few weeks since we arrived in Durban.

Luyanda came to fetch me as he promised. Exams has started and I only have 2 papers left for me to write.

Today it Wednesday and my brother, Oluhle promised to take for out to eat lunch.

The time is around 11:45am and I'm taking out what I'll wear. Moments later I'm done, just waiting for Oluhle's call.

..

..

.

We were seated at Spur eating our lunch talking...

Him: "so you choose to beat her...Aii you are crazy sis"

Me: "haah who does she think she is Slapping me...she must have thought she was slapping that little lifeless idiot called Lihle."

Him: "you are rude shame...but heeh you sure did rearrange her little pretty face" Me: "that is a b...". I stopped

talking as I saw Luyanda entering the door with a woman holding hands.

The atmosphere in the room changed.

They went to seat down.

Him:"aiibo man Melokuhle I'm talking to you!!"

Me:"huh what were you saying?"

Him:"where ate you"what can't he see me in front of him

Me:"I'm here"

Him:"I mean your mind you idiot."

Me:"ooh here"

The lady kissed Luyanda's cheeks.

Are they dating?? Naah maybe they are cousins.

They kissed, not just a small kiss but a deep one.

I thought my eyes were deceiving me. I closed them then opened them again,they were still kissing...

Tears threatened my eyes.

Olu:"Is that Luyanda?"

I nod my head

Him:"his not worth it sis please don't cry, I know you will find a better guy who will treat you well and make you feel like a queen that you are,a guy who will value you, when the time is right..."

Please don't cry sis...I love you okay?" I just nod with tears streaming down my face, his words are the one that made me cry more.

Me:"can we go?"

Him:"but you we are not done eating."

Me:"we will take takeaways and pack it"

Him:"okay"

We called the waiter, settled the bill and asked for takeaways.

Minutes later the waiter came back. Olu was busy flirting with her.

Him: "leave your tens for the handsome guys so he can call his wife"

The girl was busy blushing and she indeed left her tens. As I stood up I turn my back to Lu's table coz I don't want him to see me.

As I was about to put my cellphone in my pocket it slipped and fell.

All eyes were on me ,even the lovely couple saw me.

Mnx this stupid cellphone. The battery of my phone was under Luganda's table can you imagine I now have to go under their table and pick it up.

I went to them.

Me:"uhm hey"

Lady:"hey"wow the lady was so beautiful, I really don't blame Luyanda for cheating on me with her. Everything she is wearing screams I'm rich/expensive.

Me:"uhm...I kinda dropped my cellphone and the battery went under your table,so I was wondering if can I pick it,it this side"I said pointing Luyanda's side.

Luyanda was dead quiet, it was like his life is paused.

Lady:"ooh naah it fine babe will pick it for you " I felt like screaming, I was so hurted.

Lady:"baby!" Luyanda just frozen
"My love I'm talking"

Him:"you're saying?" Wow!! My eyes became glassie.

Her:"please pick her battery under the table it in your side"

Him:"okay"he went down and picked it,I couldn't hold my tears anymore...they just streamed down. I looked at Oluhle and shakes my head.

Her:"are you crying?"

Me:"naah I'll be fine,it just that,I know mom will be so disappointed she bought me this phone yesterday and today it broken"I cried some more. Oluhle hugged me.

Her:"aw sorry nana, try and explain to her I know she will understand, I'm also a mother I wold understand if my daughter tells me that she broke her phone "so they even have a daughter??? Me:" I can't Oluhle "I whisper in his ear with my broken voice.

Him:" sorry"he whispered back.

I let go of him and ran to the door leaving him shouting my name. When I reached the car I sat down and cried.

I whaled when he touched me. I cry so loud beating his hard chest

Me:"I hate you Luyanda I hate you so much" I said as he forcefully held me to his chest

Him:"shh,I'm sorry Melo I'll explain t..." I cut him off

Me:"no I don't want hear anything from you just leave me alone"

Him:"I can't leave you alone Lele...I Love you" "You what??

What about me Luyanda,who is

she??" Ooh ohh the lady is here.

Luyanda:"Aviwe I told you that I have a girlfriend and I love my girlfriend " at least.

Aviwe:" but baby you also love me"

Him:"no you know what...just go to the car"

Her:"but I j..."

Him:"but nothing Aviwe Khoza just go"

Her:"ooh okay I was trying to be nice to you but I can see you're taking my kindness for grantage, you know what I'll do? I'll tell my dad and make sure he deals with you nxx"he quickly let go of me and went to her..I felt so betrayed and broken.

Him:no Aviwe don't... There is no need for that"

Her:"then come with me right now."Luyanda looked at me with eyes full of nothing but pain.

He held Aviwe's hand and looked at me

Him:"I'm sorry Nsledi" he turned around and left. I can't lose him no no!!

Me:"I forgive you Luyanda please don't leave me...I love you baby and I know you also love me please don't leave me my love I'm begging you" I shouted. He stopped walking for a minutes then carried on walking away.

I screamed his name but he kept walking away,Oluhle held me to his arms

Him:"his not worth it ,sis please stop crying"

Me:"I love him Lwando I really love him."

Him:"I know, iknow sis
but his not worth your
tears..." I kept crying.

He picked me up and put me in the
back seat,he entered then drove to the
Shoba resident where they live.

As Luyanda slowly walked away my
soul also slowly left me.

When he was no where to been
seen,my soul was also no where near
my body.

It felt like my life has ended.

He was my oxygen, and
when the is no oxygen, the
is also no life. I was good as
dead..

..

..

Hours later I woke up to Okuhle starring at me.

Him:"hey"

Me:"hi" my voice was a bit husky.

After we arrived here I went to bed and cried myself to sleep

Him:"Oluhle told me... I'm sorry" he seemed a little bit happy though, his sorry was not from the bottom of his heart.

Tears came out of my eyes.

Him:"hey...please don't cry you know woman's tears scare me right?" I nod He wiped my tears and kiss my forehead.

I miss him xeim...I miss being in his arms,his hugs and his kisses.

Me:"please kiss me Aya" I called him Aya because Aya is not my brother but Lwandokuhle is my brother

Him:"but we are siblings Ledi,I can't "

Me:"no Aya is not my brother but Lwandokuhle is my brother... So please kiss me" Him:"no sis I know you are hurting and I don't want you to do something you will regret later when you are fine".

Me:"please Aya"

Him:"no w.."I cut him off by a kiss.

At first he didn't respond but when he saw that I'm not giving up he gave in.

We kissed for a long time....

Him:"I still love you Ledi"

Me:"I also love you" do I?? Or is it because I'm hurting??

We stayed in my bed talking about old time, talking about the love we used to share and stealing kisses at each other.

We were still kissing when the door hung open. "No no, what the fuck is wrong with you kids??" Ooh my god we are in a big trouble.

Who opened the door??

We both looked at the door.

"What are you guys doing?"

Okuhle: "what happened to knocking dude?"

Olu: "don't ask me that shit...why are you guys still kissing ??"

Okuhle: "what we do is non of your business so please stay out of our

business" The next thing I saw was Oluhle on top of Okuhle busy punching him.

Me:"no guys please stop!!"

I shouted,did they listen?? No,they kept fighting.

When I saw blood gushing out of Oluhle's lower lip,I panicked.

I really need to separate them,think Naledi think, I got it. I quickly took the glass of water that Okuhle came with and poured it to them.

They quickly separated, thank god.

Right now I feel really bad that I'm the reason why my brothers are fighting,I just wish I didn't kiss Okuhle.

I'm just a bitch, who does what I just did??? I'm just a hoe.

Me: "I'm sorry guys" tears were already making their way down my cheeks.

They both just kept quit.

Me: "say something, guys, at least shout or pour out your feelings"

Oluhle: "I have nothing to say to you, Naledi Okuhle is your fucken brother, you need to stop this kissing thing of yours. You guys are irritating, I think I'll have to the folks about your behavior...

What you're doing is wrong, you really need to stop it."

Us: "no!!"

Him: " why musd

I not tell them?"

Okuhle: "please bro we will stop I promise, it not like we always do it, it was a once of thing...please don't tell them..I'll do anything you want"

Oluhle: "I want that leader jacket you bought in Italy. "

Okuhle: "what??!! No,that will never happen!"

Oluhle:"then I'll tell the folks starting with dad(Mr Shoba) ,down stairs"

Okuhle: "haah go ahead I don't care"

Me:"Okuhle please give him"

Okuhle: "what no I'll not do that"

Me: "then we are dead,you know the village rules."

Him:" okay fine "

Oluhle: "thanks a lot...but on a serious note guys,if I find you guys kissing again I'll tell dad" Us:"cool/thanks"

They both left my room. I let out a soft sob as I laid on top of my bed thinking about my life. Luyanda has been trying to call me but I kept ignoring his calls, he even sent message, I just deleted them without reading them because I

don't even care about what he wants to say.

Luyanda's POV

- .
- .
- .

I know some hate me and some are disappointed in

I know some hate me and some are disappointed in me but....

(Guys I really don't know what to write I've been writing and erasing, I really don't know what Luyanda was thinking when I found that he is cheating.)

Things didn't go as planned.

Naledi found out that I'm cheating on her and on the other side Asive was busy nagging me, telling me to break things off with NaLedi.

My relationship with Asive is a forced relationship.

Asive and I were fuck buddies, months later she told me that she loves me and if I don't date or love her back he will tell his father that I broke her virginity since her father's culture says when you deflower a girl, you will be forced to marry that girl.

Asive's father is a chief in Maponi Village and he has every power to make me marry his last born daughter that I found deflowered by some one else but says I'm the one who deflowered her.

The only reason that made me agree to dating her ,it because I don't want to get married yet,worse to this bitch called Asive.

Weeks ago Asive forcefully took me to her village and introduced me to his father, CHEIF Buthelezi.

How can she introduce me while knowing very well that I have a straight girlfriend that I truly love .

When NaLedi shouted my name standing there in a parking lot, looking at me with eyes full of nothing but pain,my heart got torn.

All her cries where screaming in my head even when I was sleeping at night.

I know I could have just simply walked back to her arms but I was scared,I

want to get married to her not to Asive or anyone but her.

She is all I want in a woman,I really love that woman. I know one day she will be my wife,the mother of my children, my parents daughter in-law.

I've been trying and calling her but her phone is off. I don't think NaLedi will ever understand why I cheated.

NaLedi is sometimes childish and this matter needs someone who is well matured. I really need to get her back.

I was still seated in my car,looking at Naledi's room.

The lights were still on in their room which means they are still awake.

I got out of my car, went straight to the door.

"Sorry Baba visitors hours are over"

I looked at this old man looking at me, wearing a security uniform.

Me: "I need someone up there and it's urgent"

Him: "as I have said sir, visitors hours are already over, no one is allowed to enter" mnx this old fool. I took out a few R200 note in my pocket and showed it to him.

Me: "visitors hours are still over or..."

Him: "yeah they are but because it's you who want to enter I'll let you in...you know we are friends, and friends look out for each other." It was my first time seeing this guy but we are friends already.

I just winked at him.

We shake each other's hand while giving him the money.

Me: "thanks my friend "

Him: "I'm giving you 10 minutes only
"what !!? I gave this guy close to R1200 but he says 10 minutes only...
His mad I'll take my whole time.

I entered, went straight to their room and knocked.

.....

Akho: " where are y...ooh it you!"

Me: "who were you expecting? " I regret asking that, it their room not my house. Her: "I was expecting Naledi...her phone is off and she's not back yet "what?!

Me: " where is she?"

Her: "I also don't know...I thought she was with you coz she said, after having

lunch with his handsome brother he will go and see you."

Me:"ooh okay thanks "

All the money I paid,I paid it for nothing..ooh man,mnx

Her:"are you going to look for her?"

Me:"yeah"

Her:"I'm also coming" what !

Me:"why,where are you going?"

Her:"to look for my friend let's go"

Me:"looking like that?"she was wearing a short and a top all her thighs were out.

This one here have a beautiful body,I wouldn't mind having her in my bedroom for a day or night.

Her:"is the anything wrong ?"she looked kinda confused shame

Me:"no but wear something that closes those beautiful fat thighs of yours."

Her:"you should have said so" she rolled her eyes and closed the door right in front on my face.

Minutes later she opened wearing a long black jean with a navy leather jacket and talkies.

We were both standing in front of the door in the Shoba resident waiting for someone to come and open.

....

Oluhle: "aw it you...what do you want?"

Akho:"is my friend here" he nod.

Akhona went inside leaving me with this boy who looked so annoyed.

Me:"I'm sorry but can I talk to Naledi ?"

Him:"no now go!"

Me:"please my man,even if it for a few minutes,am begging you"

Him:"you know I really like you but right now you are not my favourite. I'll give you only 5 minutes and if Naledi wants you to go you will leave okay"

Me:"yeah...thank you so much man,where is she"

Him:"she's in her room crying her eyes out,you really hurted her bro" ooh no why telling me something that will add more guilty.

Me:"I know man,and it wasn't my intention, I hope she forgives me" Him:"I wish you a good luck boy,just don't make her cry...

Her room is up stairs second room on your right "

Me:"thanks groot man"

Him:"cool...just make sure you don't burmp to the man of the house" I showed him my thumb and left.

I could hear her soft sobs as I'm standing in front of the door knocking.

Her:"go away" ooh ooh this is bad

I knocked again

The same little broken

voice shouted

again,"go away!" I

opened.

As I set my both feet's inside a big clap landed in my cheek,as she was about to put another one I held her arm.

Me:"what the fuck is

wrong with you

girly?" Her:"I hat you

for what you did

Tony friend mnx"

She walked out.

Naledi's POV

When he enter the room I wanted to scream at him,tell him to leave

The way I'm so hurted I don't even know if,will I ever get back with him and if I do ,will I be able to trust him.

Him:"I'm sorry Naledi"he tried holding me

Me:"d..don't t..touch m..me"

Him:"baby I can explain it not what you think"

Me:"yeah you're right, it not what I think,it what I saw "I cried a bit louder as a thought of him leaving me there in the parking lot, crossed my mind.

Him:" baby I'm sorry, I don't love her I love you,please let me explain."

Me:"just leave please leave "I said
beating his chest, as he try to hug me

Him:" shh baby please stop
crying,calm down"

Me:"I..I ha...te you.L..Luy"

Him:"shh.."he was still hugging me
I laid in his chest while still sniffing.

One hour later...

Him:"baby are you sleeping? "

Me:"ha.a"ooh gosh why am I so
weak???!!!!

Him:"can you please listen to
me okay,I'll explain why I did
what I did oky?," I just nod...ooh
gosh this guy has super powers
to soften me up.

Him:"Asive and I were fuck mates,we
stopped fucking the day I got you as

my girlfriend, the day I first went to your home when we first kissed and agreed that we are now dating.

The reason I am dating Asive is because she...." He told me the whole story

Him:"I could have agreed to marry her but I choose you,I didn't want to hurt your feelings..

I love you Naledi,I love you with every fiber in me.

When I see you I don't just see my girlfriend I also see my wife,a Mkhize Makoti,my mothers daughter in-law, mother of my kids,the love of my life.

I love you Naledi please forgive me I'm sorry I really didn't mean to hurt you,I know I should have told you but I was just scared,that I would lose you...I'm really sorry please forgive me.

"

Wow, just wow I'm speechless,
everything is just....! I don't know what
to say. Judge me if you want but I don't
care I really love this guy, now I
understand why he went through all
troubles just to keep me happy.

I know what he did was wrong but he
did what he thought was right.

Him: "Naledi please say something
"ooh wow I haven't said anything I was
just thinking, wow just wow.

I looked up at him and kissed him.

Me: " I love you too, and I forgive you"

He quickly stood up and span me
around the room and me foot kicked
the bed light and it fell and broke.

But do we care ? No we don't we only
kissed after that.

We were still kissing when the door
swung opened.

We broke the kiss and look at the door.

He looked so pissed

Him:"is everything fine ,I head something breaking "

Me:"uhm...we are.... Just fine"

Him:"cool" he looked at Luyanda and shut the door.

Bar:"I still can't believe that you were kissing your brother months ago,wow.

This is funny"I shifted uncomfortable as he stated kissing my brother

Him:"are you fine?"

Me:"uhm..y...yeah, I'm ...okay."

Him:"but you seen a little bit off."

Me:"I said I'm fine!"

Him:"did you sleep with him?" My eyes widened

Me:"what ??"

Him:"you heard me "

Me:"no his my brother for god sake"

I just don't believe this guy.

Him:"then you kissed him:*

Me:"w..what!? N..no?"

Him:"yes you did kiss today"

Me:*I'm sorry I was hurting I just wanted a little destruction I'm sorry though"tears were threatening my eyes.

Him:"you did what,he is you brother, you're bitch,I thought you're different but you just,just the same,mnx!"

He went out shutting the door.

I followed him screaming I'm sorry.

Tears were already rolling down my cheeks.

Olu:"guys what is happening, Lele why are you crying?"

Luh:"Akhona let's go now! "

Her:"but I w..."

Him:"ekse do you want me to leave you here or..."

Her:"okay I'm coming"

Me:"I'm sorry Luyanda"

Him:"Akhona you will find me in the car."

When he was at the door dad(Mr Shoba,he also asked all of us to address him as dad)showed up.

Him:"Mkhize!"

What...how...they know each other?

Luyanda turned around and saw dad,he looked shocked.

Luh:"Shoba"

Dad:"what do you want"

Him:"nothing,I was just here to see my beautiful girlfriend "he pointed at me.

Dad:" leave my daughter alone
Khabazela I'll only tell you once"

Him:"or else what huh?" What the fuck is wrong with Luh ,speaking to an alder like this, he wasn't taught respect??!

Mnx

Dad:"Mkhize I'm warning you!"

Luh:"you once tried and you failed,and you will try again and once again you will fail so just give up already."

Dad:"mnx!

Leave my
house now"

Him:"with
pleasure !*

We walked
out.

What the duck is going on???

Weeks have passed and Luyanda and I are now back together perfectly. Even though I have been begging him to tell

me what was he and Mr Shoba talking about. He always just say it does not concern me so I must stay out.

I woke up early today I want to go and take a walk around my village,it been a while since I went out. Ever since I came back from Durban I've been here at home doing whatever girls do at their homes. Ohh I forget to tell y'all that I'm back home,I'm done with my exams and the results are back,I passed,I passed very well shame. My parents were really happy they even took my to the city to buy new Christmas cloths since Christmas is already around the conner

I took my phone and earphones and went to inform my parent that I'm leaving,going around the hood.

Mum:"be back before afternoon,
remember you need to cook."

Me:"okay mom I will."

Her:"be safe there baby"

Me:"I will mom"

Her:"okay bye"

I just waved at her and left.

I put on my earphones as I started
walking around.

As I was walking around I saw
women's walking to the river with
buckets in their hands ,some boys
running around with dogs going to the
bushes to hunt for animals,some
woman gossiping about me.

This village is too much sometimes.

But the most thing I love about my my
village,it that everyone value's
everyone. They respect one another,

they know very well not to judge other poorer people than them. They always make sure they give respect to everyone, whether you are old or young. Everyone in this village is being treated equally.

Kids are playing happily out here, other old people are seated under the big trees, talking and laughing.

MY VILLAGE IS A HAPPY VILLAGE!!!

I kept walking till I reached the shop. I brought some few snacks then kept walking.

Somebody touched my shoulder, I looked up.

It is Mr Mseleku's son that he told me I will get married to one day. I took off my

earphones and looked at him again.

Me:"hi"

Him:"uhm..h.hi"

Me:"how are you"

Him:"I'm f..fine thanks and you"

Me:"I'm okay"

Him:"When did you come back?"

Me:"I came back weeks ago"

Him:"ooh and I didn't see you,you didn't even come to church when your family went to church"

Me:"I was a little kinda busy but this weekend I'll make sure I come "

Him:"ooh okay, you will also come on Saturday right?"

Me:"is there any program going on? "

Him:"yeah, it a youth braai."

Me:"ooh okay I'll see"

Him:"please come "

Me: "okay I will"

Him:"uhm...y you look beautiful by the way"

Me:"uhm...thanks,you also look cool"

He just chuckled and said thanks.

Him:"so where are you going"

Me:"home "

Him can I walk you"

Me:"yeah "

We walked talking about nothing serious,I even got his name,his Kwanele,Kwanele Mseleku,the third born of Mr & Mrs Mseleku.

He also told me that his doing his third years at UJ.

Him:"it was great seeing you "

Me:"yeah...good bye Kwa"

Him:"bye Okuhle"I just laughed.

Me: "bye Nele" he chuckled smiling.
Ncaauh this guy is really great I really like him shame.

I got back home, and my brothers were already back, they were all from the shopping center to buy Christmas grocery.

I quickly cooked with my mom was busy smiling at me, asking me if do I like Kwanele. I really don't understand why he keeps saying "he will make a great son in-law, I just like him"

Haiibo kanti what is going on with this woman or she wants Kwanele???

We were still cooking when my phone rang it was, Kwanele, ooh I gave him my tens in case y'all are wondering where did he gets my number.

He says he called to check if the number I gave him is correct or what,we then bid fare well.

As I was about to put my phone down it rang again,argh what does he wants now.

I pick it,and wow it was my heart keeper, I thought it was Kwa but no it was Luyanda.

Me:"hello"

Him:*why did you give him your cellphone number?"

Me:"what? Who are you talking about?"

Him:"hey wena don't make me a fool hau,if ever I see you with him I beat you and you will wish you were never born." He hung up,just like that.

What is he talking about???

Luyanda's pov

I know y'all think I'm crazy right or I'm being unfair to Naledi.

It just that after she told me that she kissed that fucker Okuhle who is now his brother. I still don't understand why she did it, I know she was hurting but kissing her own blood, it too much.

Anyway the reason I'm having her followed it because, Zulu is on a mission to break me down and now he knows I have a weakness, so it will be easy.

The last thing I want to happen, is Naledi to be kidnapped and later hate me for putting her life in danger and I kinda lost a little bit of trust in her but I still love her.

I know I was wrong by telling her that ,I heard her convo it just that I know Kwanele is after her,he is busy flirting with her.

I really hate it mnx.

Anyway,I'm driving to Naledi's hood.

I really miss my love.

When I got there, I went to the B&B that I always use when I'm there.

I checked in,put my bags pass by the mall then drove to my patents in-law's house.

I knocked at the door.

Few moments later, Bandile opened the door.

Him:"Luyanda! " he half shout as he saw me

Me:"Bandile hey"he smiled

Him:"what are you doing here?"

Me:"I came to see my friend Melo and your dad"he looked kinda confused when I stated that I here to see his dad

Him:"okay...come in"he let me in.

Mr Mngomezulu is seating on his 'head couch'

Him:"Khabazela!" Wow this old man do have a good memory, I thought I had to introduce my self again before he recalls me,but then it seem like I thought wrong.

Me:"Baba Mngomezulu."

Him:"how are you my boy"

Me:"I'm okay thanks and how are you?"

Him:"Aii ngyaphila ndodana,angithi suwangilahla.

Awusezi ukuzongibheka,usugcina ngokuma emuqaqweni nje ngesihambi uma ufikile" Lol this old man

Me:" ,aii baba bengingaka sitholi iskhathi sokukuqalaza,bengi samatasatasa"

Him:"mmh aii okay let me call Your friend so she can bring us something to drink"

Me:"okay"

He instructed Naledi to bring us something to drink.

Few minutes later.

Her:"sawbona"she said looking at me trying so much not to blush,I was just smiling like a fool.

Ooh gosh I love her so much

Me:"h..hey"

Her:"how are you doing? "

Me:"I'm fine and you"

Her:"I'm okay" ooh gosh this woman is so beautiful,I'm sure god too his all time making her.

Damn she stole my heart.

N's dad:"haybo

wezingane,naqholozelana nje yini?

Ntandokazi sithelele siphuze"

We looked at him then back to each other then she poured the juice in the glasses then first gave his dad.

As I was taking the glass,our hands touched, the things I felt in my body ,its...unexplainable.

We looked at each other for second then I cleared my throat then took the glass,she quickly left.

Him:"heeh I wounder what is

happening between the too of you" I

laughed a little then said " Were just friends baba,nothing more nothing

less"my Herat right now is saying...'we are dating,we love each other! ' I'm dared to say that lol.

Later that day I left with Melo accompanying me to my car

Her:"what are you with my dad? Old friends? "She asked laughing

Me:" Aii I reayy don't know but what I know it that you dad loves me"

Me:"you wish,dad only love his kids"

Me:"I'm also his kid,his words not mine"

Her: "he was just kidding he doesn't." I just look at her and smiled.

Me:"okay...I missed you" oh gosh this kid lovese so much,she was busy blushing

Her:"I missed you too, why didn't you tell me that you were coming?"

Me:"I just wanted to surprise you "

Her:"you plan sure did work."

I grabbed her waist and kiss her but as soon as she realized that we are in front of her home she pulled out

Her:"no we can't risk my parents seeing us kissing."

Me:"ahh baby but I really missed you,can we at least kiss one time then I'll respect your wish"

Her:"no"

Me:"please baby"

Her: "okay just a little bit"

Me:" okay I held her waist then kissed the shit out of her.

She kept on wanting to pull back but I would always kiss her harder the way she like it.

After some time we broke the kiss and look at each other

Me:"I love you my hunny sweet cake."she smiled and baby kissed me.
Her:"I love you too babe" we kissed for the last time then went to my car and drove away.

Naledi's POv

Today it Christmas day,I'm so happy.
I woke up ,got off my bed,kneel down next to my bed and prayed

Me:"Dear god I know ,I've been a bad girl. I don't pray as I used to before I went to Durban, please forgive me.

As I I'm still kneeling in front of you,I want to thank you so much for keeping my family,everyone close to my self and I safe during the whole year,I wish you, give us more years to live and keep as safe as you have been doing,

lastly please make this day a happy day to my family and Luyanda's family, And make us even more strong ,you know who I'm talking about my god. Thank you for letting me see this wonderful day,in the name of Jesus Christ amen" ooh my super god,I suck when it comes to praying. But I'm sure he knows what I'm trying to say.

As I was about to stand up my phone rang.

I quickly stood up and sat on my bed then answer. It a video call!!!

Him:"Merry Christmas Baby ,I love you so much have a nice day,I love you my

wife" ooh gosh his drunk. It not even after 05:30am but his already drunk

Me:"you're drunk Luyanda"

Him:" and I love you more than you can imagine." I just roll my eyes.

"One day I will those small China eyes of yours out since they make you disrespect." Arg he know how I hate it when he says what he just said.

Me:"I'll call you when you're sober"

Him:"I'm not drunk" arg I don't have time for this

Me:"okay bye"

Him:"bye,I love you Kay"

Me:"I love you too" He smiled.

I drop the call and went to the toilet,bathed with cold water then went to wear something comfortable.

I knocked in their room.

Mom: "come in"

Mom: "aii baba awuyeke umtanami, woza kumama wakho wena" (no leave my daughter alone, come to mommy my Angel) I smiled then went to my Mommy.

Mommy opened space for me in between them so I slept in the middle with my head in my mommies breast.

Mom: "we love you too sweetheart.

"Haah aii I'm giving up "

"Haybo Naledi"

"I'm there one who should be there to

Me:"look at you too ,having gay

BandiieY: "you n..."

Olu:"but d..."

Dad:"I said now."

They all turned to the door.

Oku:"I love you dad "

They all left laughing.

Me:"but dad I g..."

Him:"leave now!"

Me:"Mom"

Dad:"don't say nyany get off my bed"

Me:"okay,fine"

I got off the bed and went to my room sulking.

I feel so sad right now,I even miss Luyanda.

I take my phone and call Akhona.I set me straight to voicemail.

I video call Luh and he answered.

Ncooh my baby was sleeping.

Him:"hi" I smiled

Me:"I miss you"he smiled

Him:"I miss you too babe,but you woke me up!"he said sulking.

Me:"I'm sorry,it just that I missed you"

Him:"mmh

I,you look

sad" Me:"it

because I

missed you"

He chuckled.

Him:"I love you"

Me:"I know"we smiled.

Him:"I'll come fetch you on the new year's eve"

Me:"okay" I know I'm agreeing but I don't know how will I leave,my parents are going to question ,where am I going n staff.

Me:"why were you drunk so early"

Him:"yesterday we were celebrating Siya's birthday(I hope y'all still remember Siya the good guy), so we drank all night. I left in the morning,when I called you,it was the time I arrived with at home and now I was taking a nap before your mother in-law wakes me up. "I laugh at the 'Mother in-law' part.

Me:" okay, get some sleep I'll call you later. I love you too"

He smiled and blowed me a kiss ,I giggled and dropped the call.

I love this male guys.

I'm honestly deep in love with Luyanda Mkhize .

I standing with my mom in the kitchen asking her to go to Durban on the new year's eve, and she is giving me hard times. Me: "mom I promise, I'll be safe"

Her: "I don't trust Durban especially now that it festive."

Me: "then trust me" she sigh

Her: "go with your old brothers then" what that's a big no!

Me: "but mom I'm going with my friends"

Her: "if you don't want to go with your brother, stay here and not go anywhere" aurg!

Me: " okay I will go with them."

Her:"okay,I'll talk to your father, I don't know if he doesn't agree."

Me:"ahh mom please smooth talk him"

Me:"I'll try"

Me:"don't try do it mommy!"

Her:"okay fine "

Me:"that's why I love you"

Her:"mnx" she walked heading to her room,smiling.

I love her so much❤️

I'm still seating in my bed waiting for mom's response from dad.

As I was still lying in my bed my phone rang

Ncooh nkosh,

I took it and answered.

Me:"I don't want me anymore I can see"

Her:"aii don't talk shit,you know I love you mos,I'm just busy.

Anyway I saw your miss call,I was busy having a dick,what did you want "eww this nasty bitch.

Me:" you and the dick and Best friends. "

Her:"I live for that thing Nana"

Me:"aii Akhona you ate so mad shame,anyway how are you doing "

Her:"I'm good and how are you"

Me:"I'm also fine,on the 31 in the morning I'm going to Durban "she screamed

Her:" you managed to convince your folks"

Me:"yeah I guess"

Her:"that's great th...ahh,ba..baby w.wait ahh"gosh I hate this girl for making me to listen to this shit.

Me:"you sick bitch!"

Her:"I'll call

you

la...ahh,ahh"

I dropped

the call.

This bitch is having sex while talking to

me mnx

Mom:"he agreed"

Me:"thank you thank you mommy!"

Her:"yeah but I had to work my
magic,use my body to make him
agree"what!!

Me:"mom!"

Her:"what,I had to have sex with h..."

Me:"please get out" I said pushing her
to the door

Her:"but we do need to talk about
sex,sex ,sex!!"she screamed that.

Me:"leave,"I pushed her out and close the door.

Aurg can this day get any better first it was Akhona, having sex, while talking to me, and now it mom telling me she had sex with dad.

I took my phone and dialled My boyfriend's number.

He answered on the second ring

Him:"I'll call you now"he dropped the call,he is breathing fast.

What just happened??!

I threw my phone in bed and lie down since I was seated with my huge ass(just trying to boost my self esteem)

I'm even been trying to call Luyanda but he doesn't answer.

I've been calling him for the past three hours.

I really don't know what to think now, I don't know if I should be worried of what, but I really can't help it, but feel worried.

I'm still lying on top of my bed trying to call Luyanda once again, it rang to voicemail. Aurg I'm going to kill him, I tried him for the last time and if he doesn't ask this time I'll never call him again.

On the third ring he answered.

Me: "What the fuck is wrong with you, do you know how worried sick I was"

"Hey, this is not Luyanda, I'm S'no Luuh's b" argh I hate him so so much, he fooled me again, he was having sex with this S'no girl, that's why

he was breathing fast. I could feel
tears building up in my eyes

Me: "where is the owner of the
phone?"

S'no: "Luyanda is in Hospital, he was
stoot tod...."

Male Voice in the background: "what
the fuck is wrong with you

S'nothando, you know very well that
Luyanda said we mustn't tell her!"

S'no: "but buti she has a right to know"

Him: "don't piss me off S'no nxx, Naledi
Luyanda will be fine, just don't worry, I'll
let you know when he wakes up
okay?" What??

I feel like dying right now, I don't know
what to even say. I can't believe that I
even thought he is cheating on me.

I should have known that he was
speaking the truth when he said ,he

has changed. I want to see him right
Now, he needs me!

Tears just made their way down my
cheeks.

Me: "w..what is going on, who shoot
him?" I'm crying right now

I don't even know what to say.

Guy: "he was shoot in his thigh, he will
be fine"

I can't believe that he is saying he will
be fine, how is he going to be fine when
he was shoot in his thigh, what if he
gets paralyzed.

"Please stop crying Melokuhle"

I miss him more now that his brother
has called me by his favourite name.

I just nod to what he is saying to me
, as if he can see me.

He chuckled and said

"I can't see you Melokuhle"

I giggled

"It great hearing you laughing." I rolled my eyes.

Him:"now back to the promise,please stop crying your Husband will be fine believe me." Husband!!!

Me:"okay"

Him:"cool,I'll call you when his awake."

Me:"please do ,goodbye "

Him:"bye

Melokuhle"he chuckled.

I hung up.

I just can't believe what just happened. I should have trusted Him when he told me that he is now serious about us and he won't make mistakes anymore.

I can't wait for tomorrow, I'm going to Durban and I'll get to see him.

I wish he would be discharged when I get that side coz it would break my heart seeing him in those hospital sheets.

I got inside my bed and slept, I can't even sleep, I'm just too worried.

If mom comes here, I'll say I'm sick, I need to rest. Actually I don't feel like seeing anyone or talking.

I forced my self to sleep, and indeed I fell asleep.

I can feel that someone is busy shaking me. I sat with my ass and look at mom who was busy shaking me.

Her: "Your friends are asking for you, what happened to your eyes t..."

Me: "mom I'm fine, which friends?" i snapped. she looks so disappointed, I'm even disappointed in my self for snapping at my own mother.

"I'm sorry mom ,it just that my friend was involved in a car accident and she's in hospital, I wish I can see her"

Her: "your friends told me the is no need to lie" what?! who are these friends she is talking about??

I gave her a puzzled look.

"Your friends told me that Akhona was shoot" pheew. At least.

Me: "yeah ,I'm sorry for lying mom, I d.."

Her:"no I understand my child,now go and talk to you friends they are here for you"

I give her a hug and whispered to her ears

" I love you mom"

Her:"I love you too baby,now get up and go,stop being a baby cry." We giggled,I got up and went to the kitchen.

When I saw this guy I thought my eyes were deceiving me but as I get closer I saw it not him.

This girl and this is is a younger copy of Luyanda Mkhize.

Me:"hey" I said looking at the two of them.

Girl:"hey friend"friend?yeah it is. She hugged me

Her: "Akhona was calling your name. The doctor said for you and we told her that you are not here and she said we must fetch you coz when you talk to her, she will gain strength to wake up." so Luyanda is remembering something's !!!that's a relief. His gonna be just fine!! I'm so happy right now.

Me:" she called for me ?"

Guy:"yes ,we really need your help"
Said the younger vision Luyanda.

Me:"I have to first ask to my parents,they are th...."

"Where are you going to sleep?" That's my dad

Girl:"in my home"

"It fine you can go, but please keep my daughter safe, she is the only daughter I have" my daddy dearest

Me:"ncooh my dad,,,are you sure dad?"

Him:"off cause my child,that is your dear friends, you really need to see her."

Me: "thank you so much daddy,I'm coming" I ran to my room,texted Akhona,told her,that I'm coming and packed a few cloths of mine and changed to a black dress and went back to the kitchen.

Me:"I'll come back on the 3rd of January "

Mom:"so many days,haii no"

Me:"but mom you know I was supposed to go tomorrow and come back on the 3rd"

Mom:"but,I'll miss y"

Dad:"aii Za leave the child alone and look at the bright side,we are going to have the house to our selves,because everyone in this house is going even the boys,so it will be just

Mngomezulu Junior (MJ)" mom
blushed and giggled

Me:"aii you guys let's leave before the
dirty our minds,bye mom bye dad! I
scream like a grade one student.

I hugged them and took my bag and
left to the car.

I got in the back and the other
two got in the front and closed
their doors They both turned and
looked at me.

Me:"now tell me who Are you, and
what is going on?"

They both looked at me and laugh.

Guy:"bro did say you
are crazy but I didn't
think this much" Girl:"is
that how you greet your

in-laws? “ I just looked at them with a tired look.

Me:”you have answered my first question now answer the second one”

Her:” she is rude also anyway I'm S'nothando and this is my older Brother Sphesihle we are both Luyanda 's sibilings ” she laughed clapping her hands.

Sphe:”I do have my own mouth next time don't speak for me Sno” she rolled her eyes.

We left for Durban, on the road we pass by engine garage bought goodies then hit the road again.

It was around 2am when we arrived we went straight to his house.

Me:”aw guys I thought we were going to the hospital “

They just kept quiet and exited the car. I also got out, head to the door and followed them to where they were leading me to. We walked till we reached a small white door, Sphehleh punched the code and to my surprise it was my date of birth. The door opened, we entered.

Me "what the fuck"

This room here looks like a hospital room, there are 4 beds with machines on the side and a drip. A big cardboard at the corner of the room, I assume it contains medication. On the other corner a bed and a light on top, I think it a theater corner. All these beds are separated by Hospital curtains.

Okay what is going on here??

Luyanda!! There he is lying on the bed looking lifeless and pale.

I slowly walked to him.

Me:"Luyanda"he didn't respond I called him again and again but he still didn't respond. Tears started making their way down my cheeks. Sphe and Sno walked out as soon as they saw my tears.

Me:babe please wake up, I miss you, remember we were supposed to be together in these few days to come? My love wake up hle" tears kept rolling. I put my big head on the bed, cried. "s .. Shh d...don't cry, I'm awake f...for you my love" I quickly looked up, my babe is awake yey.

Me:"babe!!" I screamed a little.

Him':pass me water" I gave them to him he drank a little. As he was still drinking, Sphe, Sno and Anathi got in.

Sno:" buti Luyanda!!"she ran to him and hugged him..

Lu:” Nana!”

Anathi:”suvukile kwabafuleyo” we laugh
Luyanda :”aii futsek man wena come
and do your job, as a doctor.

We laughed once again. Anathi
checked him out and he was good as
new.

Days passed, new year came and I
shared it with my boyfriend, everything
went very well and now I was back at
home.

I was in my room still sleeping when
mom got in my room. Like what the
fuck it still early in the morning, what
does she want.

Mom: “ wake up Naledi, hurry up, wear
decent clothes” I mumbled okay and
slept. Mom removed the blanket on my
body and slapped my fat Yellow thighs.

“I said wake up now.”

Me: “okay okay I'm awake.”

Her: “quickly wear a long dress and run no KwaMam'Khize and MaZondi call them here right now run. Use the kitchen door not the dining room.”

Me : “okay” I wonder what is going on, I woke the dress as instructed checked time on my phone it 5:24 am. Like WTF, what is going on with mom. I walked to the toilet washed my face and walked to the door, I passed by the dining room, there are people 3 old ladies and 1 male figure seated there one person was seated on the floor covered with a blanket on their face and body so I didn't see who it was. Why so early though?? I quickly ran out did as instructed by my mom few minutes later MaMkhize and MaZondi were at home settled on the couch.

Mom also came back from wherever, closed the dining room door and sat down I guess. This matter seem to be serious so I stood near the door listened to thier convention. Voice 1:”iNja yakho Idle amaqanda ami weMngomezulu”. What are they for real? Is that why they are here so early??? Argh we don't even have dogs here at home. These people are crazy.

Mom:”WeMfazi ungayibizi Ingane yami ngenja, ingane yakho evule isbaya sayihlo wayo” hau kanti what are they talking about.

Voice2:”here we have to come up with a solution on how we gonna solve this problem, not fight like y'all are doing.”

MaZondi :”we ngane ngubani uBaba wale Ngane othi uyimithi?”

MaMkhize :”umithi kwakhona nje?”

Voice 1: "ungazohlanyela Ingane yami wena mfazi, umbuzo onjani kwayiwona loyo?"

MaMkhize: "bengibuza nje phela Nina nibuka engathi nivela le kwelikaBanana(Durban).

Male voice : "we are from there."

Mom: "Baba cela usishiye ngoxolo, Lena eyabafazi" a little movement was made, I think the male went out.

MaZondi : "usungakhululekake ngane yami. Khuluma uthe ubani uBaba wengane oyimithi?" the other person's voice was so low I didn't even hear what she said.

Mom: "heeh aii weSmakade sezulu!" my mother exclaimed loudly.

"Naledi!!" what does she know that I'm listening?? No I'm she she doesn't then why would she call me.

“Naledi bo!” I opened the door and got in

Me:”Sanibona” I looked around to my shock the girl who was seated down is the last person

I expected so see. What the fuck is she doing here

Them:” yebo”

Mom:”go and call your brother Kwandokuhle” so Okuhle got her pregnant, wow this is a big fucked up drama

Me:”yebo”

I went straight to his room knocked. After 5 minutes of knocking he opened the door while complaining why am I waking him up so early.

Me:”you are summoned in the dining room.” Him:” me?? why??”.

Me: "what I can tell you it that sleeping around with no condom come with consequences and now the consequences are here in your home." he looked shocked

Him: "what are you talking about?"

Me: "come and see, and if I were you I would be getting dressed properly cause shit is about to go down." he woke his short, tee and morning shoes, followed me inside the house. When we got in the dining room he got Hella shocked as to why is Akina here.

Me: "here is he ma"

Her: "thanks you may be excused." I wink at Okuhle and walk out not forgetting to close the door behind me so I can go back to my spot.

Voice 3: do you know him Ntombizethu"

akhona's voice was still low, I didn't hear her again.

MaMkhize: "Boy boy do you know her" I giggled a little, why is he calling him boy boy.

Okuhle : "Yebow Aunt"

The ware whispers for a few minutes, I think they were talking among themselves. I used that little time to go and call Oluhle we came back continued with listening.

V1: since they know each other, we want damages money"

Mom: "my son has not confirmed that he is the father, Okuhle did you fuck this girl or you didn't" she asked in Zulu, do you know who nasty fuck is in Zulu yoooh, I giggle a little thinking about mom saying this with no problem.

Oluhle:" sies your mom" we laughed a little

Okuhle : "yes ma I did"

Mom:"you did what huh"

Okuhle : " I fucked her" he said in Zulu too, I couldn't hold my self I laugh a little bit loud but Oluhle held my mouth quickly.

Voice 2:" did you get her pregnant"

After a few minutes Okuhle said yes.

Voice 1 is Akho's mom:" you herd for your self then please sort out a date and come by my house, pay damages before this moth ends."

Mom:"we will let you know the date, can you stay for tea?"

A's mom:"no thanks for the offer but we need to go back now before the tragic get to much on the road, and also my husband need to go to work" they stood up I guess since shuffling

noise was happening. They opened the door and walked out.

Wow I'm going to be an Aunt, I'm so young though. As we were still talking with my brothers dad came out of nowhere with a jambok (imvubu) whipped Okuhle's ass and back busy saying.

“usuyindoda manje wena, usukwazi ukumithisa hee, uzoyondla ngani lengane ngoba nawe usafunda” he kept whipping his ass. Okuhle tried running away but dad didn't allow him. I ran out leaving him with a crying Okuhle. As Okuhle was about to follow me out dad grabbed his arm and beat him too asking him why he didn't tell him brother about condoms and also if he gets anyone pregnant he will know him very well.

What a dramatic morning. Well I'm kinda mad at Akhona's cause what she did was not right, sleeping with my ex boyfriend who happened to be my brother. I consider Akhona as my sister and that means Akhona is Okuhle sister too. I'm sure my parents are disappointed in her because they also consider her as their second daughter they never had, Ever since Akhona visited me here home. So her sleeping with Okuhle was wrong and even worse she fell pregnant for him, my ex boyfriend. Yes Okuhle is my ex boyfriend, I'm the one who used to sleep on his chest, he used to be my property. Anyways that is in the past now. I'm happily in love with Luyanda.

Okuhle is badly hurt, even his legs got busted since he was wearing a short. I'm also mad at him for going for my friend who also happens to be practically my sister. Right now busy cleaning my brother's wound in his room.

Me:"I really don't understand why would you go for her out of all girls in Durban, she is practically our damn sister and also she broke the girls code. How can she date my ex boyfriend, phela wena Okuhle you used to be my property, I uses to sleep in your chest"I said all this cleaning his wound roughly.

Him:" so your problem is that I'm your ex boyfriend"he fucken don't understand my concern, his just happy that I see him as my ex boyfriend also. I pressed his wound very hard

Him: "ouch!! I think I'm okay now"

Me: "no you not, I'm not done" I

pressed him more harder fighting back my tears.

Him: "Naledi it hurts"

Me: "it also hurts to me that you went for her, she's my friend and you are my ex boyfriend" he moved his leg from me, poked me to his chest. I let them out, I cried. Yeah I know y'all gonna say I'm being dramatic but I'm actually not cause it really hurt that he went for my sister.

Him: "I'm sorry Nana" sorry is not going to fix any of this, she is even pregnant, but ke I'm happy for them.

After a long time of silence Okuhle said.

"Naledi are you over me?" his question shocked me, but it also made me

wonder am I really over him or I'm just fooling my self.

I looked at him and lied on his chest again where I used to lie when I was still much more in love with him.

Me: "I believe I am over you"

Him: "then why are you hurting this much" why, why. I also don't know.

Me: "I don't know and also don't care about your love life, if you need me I'll be in my room" I got up and left.

Seconds turned to minutes, minutes turned to hours, hours turned to days, days turned to weeks, weeks turned to months and now it was 6 months later June 4. I went back to Durban in February carried on with my studies and my life. Waking up next to my favorite person is the most wonderful

thing. I've been waking up on his chest almost every day. What I didn't tell you is that I practically moved in with Luyanda. I spend most of my time in his house. Ever since the Akhona saga, I went to stay with Luh. Well I tried staying with Akhona but I just couldn't, I was still angry at her for sleeping with my ex boyfriend or rather I say my brother.

Today is the last day of our exams so, I'm done and I'll be living with Luyanda for the first two weeks of school holidays, well at home I kinda lied and said im not yet done with my exams, I don't know how am I going to explain,how is Okuhle and Oluhle are done whereas I say I'm not done. Anyway right now I'm done with my

today exam, I'm going home, I mean Luyanda's house.

As soon as I got the I went to take a quick shower wore a leggings and a bangy tee-shirt, walk down stairs to prepare supper.

As I was cooking the intercom rang, I put my chicken in the oven let it roast and went to Attend to the door..

Me:"Mkhize house hold, how may I help you"

Vc:"hey, open for me I forgot my remote at home" okay who is this.

Me:" okay* I opened because it seem like this person have excess in this house cause she mentioned forgetting a gate remote at her house, ooh yes it a female.

Few minutes later the door bust opened and a old female version of

Luyanda walked in with Luyanda behind her who is wearing different clothes from the one he was wearing in the morning.

Lady: "hey baby, Justin said we gonna find you here" Justin who's that?

Lu: "she mean Luyanda" huh??

Lady: "ooh where are my manners, I'm Nomathemba Mkhize Justin's mother and this is Luthando Justin's twin brother" what??? He never told me he have a twin, I'm still gonna deal with him.

Me: "uhm... It good knowing y'all, I'm Nal..."

L's mom: "the beloved Naledi, when Justin is at home we always eat your name for breakfast, lunch and supper. He's always on about you."

Me: "i hope he's on about good things though"

Her:” only wonderful”

Me:”great then, uhm please follow me this side” Nomathemba followed but the twin just stared at me as if I'm some piece of braaid meat.

Her:”haybo we Luthando usufuna akubulale yini uLuyanda?” he cleared his throat and followed to the dinning area.

I went to the kitchen to check on my food. Luckily the pap and tin beans gravy is ready only meat and vegetables are not ready, they are still roast in the oven but I'm sure they will be ready anytime. In the meantime I went to ask them what would they like to drink. Mama said a juice will be fine and The twin said Heneiken beer would be great. I served them then went to take my phone and called the

other twin who didn't tell me about today's visitors .

Him:"babe!"

Me:"why didn't you tell me that you will be having visitors?"

Him:"ooh the are there already, hope you have cooked" what!!

Me:"nxx"I dropped the call

Argh man Luyanda can be annoying sometimes.

"hi" what

I turned and bump in to his hard chest, why is he so close to me? Aii man this twin

Me:"uhm hi, can I help you with anything?"

Him:"y... no, actually yes can I have another beer"I took it and when I was about to give it to him, I bump to his hard chest again and nearly fell but he

quickly held me close to him, and stared at my eyes without saying a word. His face is very close to mine, I can smell and feel his nice smelling breath on my face

“what is going on here” Fuck his back!!
