## **Thulisile the Maid**

### **INTRODUCTION**

Hey there my friends and peers my name is thulisile potwana I'm a 18 year dropped out of school last year when I was doing grade 12 because of my parents death they died on a car crash I first didn't believe what I saw on the news during that day until I saw my father's car with the exact number plate, I'm not happy about my life, I hate the fact that we sleep hungry sometimes. I have 2 siblings (olona, elona age16) TWINS. I love them with all my heart no one can replace them because blood is thicker than water.

Blood is thicker than water. I woke up early in the morning to prepare fire. I broke the woods using my knee I bowed the woods using a paper and a matches to create fire. Fire was formed I placed a big black pot I poured water in it for my baby sister so that they can wash and go to school. One day they'll shine, I want them to shine yes they'll shine I wouldn't Miss it

for the world. I so wish Mom and Dad were alive to see us get successful but since they're no longer alive none of that is going to happen. The water has already boiled I poured it on a bathtub, mixed the hot water with cold water to prevent my sister's from burning. Me: elona & olona wake up. I said that shaking them, I removed the blankets from them they quickly jumped off bed. Elona: who died? I couldn't help myself but laugh. Me: nobody died, your water will get cold guys let's go and let sis give you a bath. Olona: I'm not feeling well today sis! Me: what's wrong sweetheart? Olona: I have a headache! Elona: how many heads do you have wena\*you\* stop lying to sis tell her the truth olona. I looked at them confused.

Olona: I'm pregnant sis I know I messed up I'm so sorry\*she was on her knees begging for forgiveness\*I was still shocked, I froze not knowing what to do, what next my twin sister is pregnant how am I going to feed the baby when I'm even failing to feed them huh? I was deep in thoughts when someone leaned on me. Elona: everything will be okay sis don't stress too much see you when I get back from school ok. I nodded, I didn't even notice she finished bathing and dressing herself my sister has grown. Me: bye have a nice day don't miss me too much.

Elona: I won't promise you that, but I'll try. She said that heading out of the door, I was now left with a crying emotional olona how did she fall pregnant?? I've always kept an eye on

her unless she bought a guy inside our house...or maybe it's the  
holy Spirit .?????.. Me : olona how did you fall pregnant? Her:

## INSERT 1.

Olona how did you fall pregnant? Her: I slept with boy boy...(she looked up holding her tears from streaming down)

Boy boy is our friend, he usually brings us food sometimes but the thought of him sleeping with my lil sister cannot be undeed. Me: it's fine don't cry because I'm letting you go free. Her: what do you mean? \*sniffing\* Me: you'll starve to death here sis now go to boy boy's house and tell them you're pregnant. \*said that sobbing\* Her: I'll miss you \*she started packing her clothes and left slowly. Me: I'll miss you too promise to come see us every weekend!! Her: everyday sis everyday. She faded away... I slowly dragged myself to the ground, crying pulling my hair as if I was crazy. My friends got in ovayo/sandiswa. Ovayo: are you crazy.. She removed my hands from my hair and lifted me up. Sandiswa: I have good news for you. Ovayo: but let's first take a seat. Take a seat my heart was now racing about what I'm about to hear. Sandiswa: my mother's friend's son needs a maid. Ovayo: & the guy's rich think about it you'll get to leave in JHB. I was now happy the money could probably change my life. Me: I take the job. Sandiswa quickly called her mother was informing her that I accept the offer. She dropped it and her eyes were now wide open. Sandiswa: thuli there's also bad news!! Me: bad news? Sandiswa: you're leaving today & you can't go with your

sisters your boss can't take care of them since you'll be his newmaid. Leaving my sister behind, I can't promise that I mean they're the only family I have\* Elona came in sweating she greeted us & went to her room to take off her school uniform. she came after 43 min. I think she was eavesdropping because she was now sobbing. Me: what's wrong elona? why are you crying

Elona: take the job sis Me: I can't who will take care of you when I'm not around? O'vayo: I will now go take a bath someone's mother doesn't like waiting you know I went to Elona who was crying. Me: I'll give you my phone so that you can call me when you need me. That came out as a whisper. Her: promise to call me everyday & where's olona. Me: she's at boy boy's house Her: ok sis go take a bath. WHY didn't she ask me why is here twin sister living in boy boy's house while she has a home ...ok I won't go to my room I couldn't take a bath the time was running like cars on a race.. I wiped myself and wore my black long dress reaching out to the knees, I then combed my afro applied zumbuc I finished the whole process and went to the kitchen..

Oyena: now look at you you look like a million bucks. Sambesiwe: rha umhle chom \*you're beautiful friend\* Me: I take after you guys... look at Oyena's Busy with Facebook! Oyena: sorry sis... OMG you look like Rihanna... shine bright like a diamond. I laughed singing along.

Shine bright like a diamond. x2 Beautiful like a diamond in the sky. x2. Me: you can't sing guys give up. Elona: ouch Sandiswa: 2 min before the plane leaves. Me: FUCK. them: language Elona came to give me my last hug, god I'll forever miss this soul. Elona: call me everyday sis EVERYDAY. I laughed at the way she emphasized "everyday" Ovayo: let's go Elona to your new home sweetheart we're going to have fun. \*Elona faked a smile \*We bid our goodbyes to them. Sandiswa drove off to the airport today it will be my first time on a plane I'm so scared and happy at the same time. Sandiswa: we are here. Me: beautiful plane station. Sandiswa: there is my mother go to her I'm leaving. \*she kissed my cheek I went to her mother\* Me: molo mama \*hello mother\* Her: hey thulisile you've grown Yong come come follow me our plane is about to leave in 4 min. We rushed to the plane we got in I sat next to her she smelled so fucken good. Her: let me switch off my flight mode. I wasn't even paying attention to what she was saying... all that I was thinking about were my sister's my blood.

The plane surely took it's time my booty was starting to be sour. In 2 hours or so we arrived in JHB gosh this place is beautiful and breathtaking. we took a cab to wherever it was going we passed a border written welcome to gauteng. the car drove off to a beautiful massive house we got out of the car I followed her since I don't know the place. \*\*She nocked a girl my age opened. Her: hello ma \*wow she is a bitch\* Me: I'm a human too not a dog hello. Her: \*clicking her tongue\* come in We got in and got seated the inside of the house looked way to beautiful than the outside. a woman came to us she looked at me for a while is she reading me? because I can read mind's too. Her: she is beautiful my friend. Sands Mom: nature at it's best as you can see Me: thank you. Them: we weren't talking to you . They shouted I couldn't hold be my laughter I laughed. Her: I think I'm going to like her because you know she won't throw her self to my son. Ohh now I know she's scared of people throwing themselves to his son that's why she was reading my mind. Sands Mom: that's why I choose her besides that she needs the money.

The maids took ayanda and went to the bathroom to give him a bath. He came out looking so handsome my son looks like Jaden Smith the young Jaden Smith on Karate Kid that's my son's reflection. I went to wake BUYIKETLO and she was sleeping so peacefully with Olona's baby. I took the baby from BUYIKETLO. I looked at him he's handsome at a very young age, ohh how I wish to have another baby, kids are so cute their little hands, little feet, tiny nose everything about them is so tiny and very cute. I'll take the baby to the maids, I took all the baby's belongings such as a purity, nappies, baby powder, wipes and bottles of milk. I gave the baby to Mam'roes the loyal of them and oldest of them all.

Me: here mama please keep the baby for me I'm taking my family out I'll be back I don't know when! Her: it's fine you can go my boy I don't mind keeping the baby for the whole day!. You still up for the drinks?Me: I'm thuli, yes!!We made our way to the table full of alcohol, we all got seated and everyone did what her heart told her to do. I drank till I dropped. Nthabi told me she'll drop me out off at

luba's place. Yeah they told them about him, and damn Luba is popular and affluent that's what she said. We arrived in front of the house, I hopped off as she drove off.

Me: bye byes bangani....I said that taking few steps , making myself inside luba's. I tried opening the door but the door was locked, I banged the door .Me: LUBA...open this door before I break it:Me: lubaaaaaabaalooooooooo, okay I'm going back straight to the club.As I was about to leave the door opened and Luba looked more angry , I laughed out loud at his serious face.Me: move, I want to get inside.He stood there still blocking ME from entering.Luba: usuka kephi?(where are you coming from)at this time THULI!!

I held his lips and shushed him.Me: you're making noise please keep it down.(tottering)He dragged her inside roughly and closed the door.Luba: DONT TELL ME TO SHUSH THULI!!!USUKAPH?Me: I don't understand you sometimes,you have a wife and a side chick which is me. Manje why are you raising your voice at me , do you want people to hear?PHELISILLE.I planning on escaping this house, the thing I had for Luba has long ago vanished. I was on my way to the bathroom when I heard noise coming from the kitchen. It was Luba and Thuli always fighting I decided to eavesdrop.Thuli: you are wicked Luba, why did you snatch my nip from me? It's my nip give it back.Luba: I won't and I won't

be nice nexttime thuli. Where were you thuli I willask you one last time.Thuli: I was at my boyfriend place andman didn't we have fun on his bed.THULI: Luba.I HEARD THE SOUND OF SLAPS ICOULDN'T HELP BUT SCREAMINSERT 26.THULI.Luba slapped me ? I don't believe it ! I didn't feel any pain because of how tipsy I am. I looked at phelisile who was screaming like a lunatic.Me: Luba, why did you that do you knowI can get you arrested for this.I looked at phelisile, she looked at meand stormed out of the house, haw inthe middle of the night . 00:00 o'clockLuba didn't even bother himself to chasehis long lost wife.Me: Luba , don't just stand there chaseyour wife you know.I felt a sharp pain in my brain, that's asign I'm getting sober.Luba: thuli please don't start with me.Me: start with who, I'm leaving now lhave say goodbye to my sisters and yoursister and your son ayanda!

Luba grabbed my arm, and picked me upbridal style taking me to his room , wellit was was our now I'm not a part of itand I will never be. We entered theroom with me still in his strong arm, I don't know what sensation I was getting;but it was more than the word weird.Luba dropped me on the bed and Ibumped which nearly caused me to fall,but luckily for me I managed to hold mybalance. He looked at me and our eyeslocked. I couldn't speak, it was as if wewere already speaking on our inner selfs.He came to sit next to me, he kissed myneck. I wanted to stop him but my heartand my body failed

me. A moan escaped from my lips. I took off his t-shirt briskly and he took off my shorts keenly.

Luba: do you want me to do this? Me: He kissed me again causing me to gag. Me: just do it lu..baabaaaaah. He took off his trousers, while I was lying on top of the bed half naked with my breasts exposed (Pg 18 S) He hopped on top of the bed, and licked the space left in between my breasts, I moaned even harder. He bit my neck, it was kind of painful as I started to get wet yearning for him to do it. I opened my legs widely, he was taken aback by my action. He moved from my neck, to my clit. He licked it, playing with his tongue like he was licking ice cream. I couldn't prevent my moans.

Luba: shhhh, thuli this is merely the start, you haven't seen anything yet! He rubbed it with his index finger, he tried inserting it and it was painful. Me: aww Luba, your nail ahhh He tried one last time and it successfully entered causing me to jump. He took off his underpants and took his d\*\*\* inserted it in my vagina causing me to scream. Luba held my mouth. Luba: shh thuli you'll wake the kids LUBA. I think I'm having the best day of my life. Thuli finally gave it in to me, I f\*\*ck her like I miss her of course I do. And about Phelisiwe I will look for her in the morning. We finished having the long session, thuli is still crying. me: thuli, come here. She came next to me and we cuddle.

## INSERT 28 FINALE

( Thulisile the maid has come to an end)THULISILE.I woke up next to Lubabbalo, stripped half naked I wish I could turn back yesterday's day and make it today. Yes I was drunk but I knew and loved everything that was happening, me on top of Luba agrrrrr this is one of the memories of us I will never forget. I shook Luba since he was snoring. He opened his eyes and smiled but you could see that his smile is not genuine.Me: what's wrong?

Luba: I was just thinking, about something.Me: thinking about us?I said that turning my body and facing the other side.Luba: thuli can we please talk to you.Me: Luba , i can see that this relationship isn't working you're thinking about her isn't it?Luba: you don't understand thuli, can't you just listen to at least to what I have to say.Me: I'm listening.Luba: long time ago my father and grandfather arranged a marriage for me...that's how I met phelisile, I didn't accept it at first but as time went by I learned to love and trust her. I took her pride just like I did to you, she fell pregnant and we lost the baby, she didn't lose the baby naturally but physics. I killed my unborn baby thuli, but still phelisile stood by me, I hurt her so bad but still she's still besides me till this day. I hope now you understand why I love her more than you.I could believe what I was hearing, is

this done sort of a dream or something? I looked at Luba with teary eyes. Me: so Luba you never loved as you always said?:

Luba: I did and I still love you please Thuli please don't leave me!

Thulisile stood up and fixed her self, she wore all of her clothes and looked at Lubabalo one last more time. Me: I won't be another reason for another woman's cries. One last more thing in whatever happens please take good care of my sister's. NARRATED. LUBA didn't know what Thuli meant of what she just said, so she let her be. On another side Phelisile was next to the beach, thinking of committing suicide. Phelisile: with my last words on this Earth let there be peace between Luba and Thuli since I have no other reason to leave (sobbing) goodbye Luba. As she was about to jump Thuli called her!

Thuli: Phelisile wait. Phelisile paused, Thuli quickly went to her and hugged her. Thuli: what are you thinking? Phelisile: killing myself since I don't deserve to leave. Thuli: we don't deserve to leave (she held Phelisile's hand firm) my life is a mess ever since birth, my mom died on my watch same as my dad, I had to do things in order for my sister's to have food on the table. I had to hustle even though I was a virgin at that time I did bad things to good people. I guess us all in this world of ours has sins. Phelisile's held Thulisile's hand and sobbed while she was deep in thoughts. Phelisile: you want to die don't you?

Thulisile nodded. Thuli: in the count of three, when I say jump we jump. 1...2...3 jump. They both jumped in the deep ocean as, they were first swimming then drowned afterwards. May their soul rest in peace. 14 March 2021. Lubabalo heard of the tragic news that happened at the beach, two bodies were found and they belonged to his loved ones Thuli and Phelisile's. Olona and Elona couldn't help but cry, but then as time went by they forgot about Thuli but that forever left a scar in Lubabalo's heart forever amen.
