INTRODUCTION

SESI "SASSY" PRIDE DAY

This year this were done differently fromthe previous years. It was more like an event, and the venue was different from all the previous years I've attended Pride. It was held at Bundu inn, in Pretoria. The event organizers it was a group of gay guys mixed with studs. I just feel like they trying to cash in because we were charged R60 to get in.At the gate, after paying. You get an arm band with the colours of the LGBTI flag. They hired Djs too, not big Djs just small time Djs. We were required to bring our own alcohol and food..

It was actually full, I didn't expect it to bethis full. Not just full for that matter, but

full of yummy studs. My eye was mostlyon them than others because I'm bisexual..

Femmes were present too but they don'ttick me as much, I am crazy about studsand that's that..

I was with my best friend Braga, We came with her Sister's car. Her Sister isa flight attended, travels a lot so her caris 90% at home and at Braga's use every now and then.

We arrived a bit late. It started at 13:00 and we arrived at 15:00, it was just the

two of us. We are joined at the hip and don't usually let in a lot of people in our circle..

Me: I didn't think it was going to be this full, I'm even feeling an anxiety attack creep in

Braga: You've been drinking savanna on our way here, you are fine

Me: Don't be that Person Braga:

What Person?

Me: Making me sound like a drunk? Braga: I didn't say

Me: Let's find a spot

We searched around, all the spots she picked I declined. I didn't wanna be next to a group of people, it took us a few minutes to find a perfect spot by the restrooms..

We opened the camping chairs and sat down..

Me: This is perfect

She put down the cooler boxes. One had the alcohol, and one had our food. The meat we going to braai, rolls, and snacks...

Braga: It would be lovely if you could help you know once in a while maybe go back and get the charcoal and other things you refused to carry

Me: I carried the camping chairs

Braga: Of course, I bet they were heavy Babe?

Me: Either way I helped Braga: Mxm

She said that whilst shaking her head.. Braga: Have to call Nelli and tell her we arrived

Nelli is her big Sister and the only sibling she has. They reside in Pretoria West.

Spoils her to the core. Just the 3 of them, Her, Her sister and their Mother. She doesn't have a solid relationship

with her Mother, because of her sexuality. Her Mother is religiously grounded and a Junoir Pastor at their church. It doesn't reflect well on her Pastor Status, having a lesbian Daughter with a few tattoos. Braga everything that her Mother and religion stands against. Though their relationship is challenged, but her relationship with her big sister remains solid. She's the more like the Mother that Braga never had..

Braga: I'll be damned

Me:
What?

Braga: That girl looks like Cordelia

Me: Who is Cordelia?
Braga: We friends on Facebook, She always reacts and occasionally comment on my pictures. Her Father and Step Mother live in the same street as us, she visits most of the time. I've

always admired her from afar. I never thought she was one of us, probably bisexual

Me: Where is she?

Braga: The one standing there. Green tight shorts and a white t-shirt, crazy attractive small and firm ass, a beautiful smile and..

Me: And I get the picture
She looked at me..

Braga: Let me call Nelli

I looked at this Cordelia, and if I knew now the events that fate had along the way, I would've made sure that we didn't cross paths with her today..

I am Sesi but they call me Sassy, and our story starts right now. On this day, in this event and circling around green short pants.

To be continued

Beloved

I understand you familiar with the character of Braga but please know this story takes it back years ago circling around her life before you knew her on Rose petals and others so let's restrain and enjoy to not confuse new readers.

That's why it's called "Dwaa Nation meets Yamkela", it's before everything. Getting to know the character from way back before who she was on rose petals.. Before you knew her from any of my stories, it's starts here. We taking it back so everyone is new to her life.. Her affiliation with "Scripted" is not even considered, this is not a sequel of that because that story wasn't mine

Before her marriage on Rose petals, there was Cordelia. So basically all of you are knew are new to her past and I'd like it to be kept that way before we

never knew where and how she came about..
Why this story? Remember I lost ownership of "Dark
obsession" and whenever finished the story? So I
blended the two stories to make one big story
"Cordelia".. So let's just enjoy the story as it is
presented..

01

YAMKELA (BRAGA)

Sesi and I we've been best friends for 3 years now. We
got to know each other first on Facebook. She has
aspirations of breaking big in the industry through acting.
Currently, she gets gigs in doing theatre stage acting.
She's a very good actress, serious about her craft and
does it well. I started following her on Facebook when a
Facebook friend of
mine shared a monologue video of Sesi, and I took my
time to watch more and I loved how she was a natural at
what she was doing. Took a lot of guts in me to inbox her,
when I did. We talked and talked and halfway through we
got close and a friendship started.. As people would say, It
was love at first sight. With us, it was a friendship at first
sight. I am glad we became friends than anything,
because if we hooked up then we probably wouldn't even
be talking right now.

The name "Sassy" comes from her cheeky personality,
that's what she told me and that's how it became her
nickname..

She is hard headed, crazy, can be annoying but when you
get to know her. You uncover that sweet side of her..

She's a bit older than me, 23 and I'm 21.

Despite the age difference she's very young at heart, and a very fun Person...I am single and dedicated to doing hookups every now and then, I can safely say a relationship is not something I can do. I did once in high school, loved the chick, I was faithful, she then turned and cheated on me. It did hurt, from thereon I promised myself that I would never do relationships again. My heart is closed off, I want it to remain that way. I harbour a lot deep inside of me, it all comes down to the broken relationship that I have with my Mother. When I was old enough to understand who I was and came out, that became the day where she even uttered the words that I was her biggest mistake. She wished I was never born, and that if she knew the demon she was carrying. She could've aborted me than live with my shame.

She resorted to a lot of things in hopes of making me change, deliverance, exorcisms, so much that church became my worst nightmare. My non-believing in God is all because I was made to feel like I was a curse. The most painful thing that happened was when I was 14, and my Mother forced me to have a boyfriend hoping having a boyfriend would change me. That's how I lost my virginity through a forced sexual encounter, he was 16 years old at that time..

I suffered a lot of emotional trauma that turned me into the most coldest person that I am today. My heart is closed off and the only People who were able to make me feel human again, make me reconnect with human emotions was the unconditional love that my Sister and my best friend showed me.. I am a bit

balanced now, I choose when I want to love someone, and it doesn't just happen with anyone..

After matric my sister vouched to put me through tertiary

but I was at my rebellious stage. I dropped out of college in a few months of registering. I was doing IT. Started familiarizing myself with weed. Mixed with the wrong crowd and my life for a second didn't have direction, I was living because I was required to live not at my own will.. Now, I've grown a thick skin. I don't get hurt, I hurt and that's how I protect myself from feeling pain...

I opened the boot of the Audi A3 to take out the charcoal and the other things that we left behind, I was also on the phone with my Sister..

Nelli: Have you guys arrived? Me: Yeah

Nelli and I we have different Fathers, both deceased..

Nelli: How is it going? Me: It's

ayt, just full Nelli: Where is

Sassy?

Me: She's inside, I'm getting charcoal from the car

Nelli: Okay send my love Me: I will

Nelli: Don't drink and drive please Me: I won't.. I

promise

Nelli: I'll call you later, I love you Me: I love you

too

I hung up..

I took out the things, and then went back..

On my way back to our spot, I noticed Cordelia walking.

She was glued to her phone. I walked up to her, bumping

her on purpose. Not in a way for her to fall but her phone

fell..

Cordelia: Awww!! Me:

Fuck.. My bad

She fixed her wig and looked at me.. Cordelia: Braga

I acted dumb.. Me:

Delia?

Delia: Wow small world Me: Small

world indeed

I put everything down and picked up her phone, on my way up my eyes ran up on her legs. From her heels all the way up to her flat tummy..

Me: Here She took it..

Delia: Thank you She looked at it..

Delia: Thank God my screen didn't crack, All thanks to the screen protector Me: Thank God

She blushed and looked down..

Me: I didn't know that you were part of the family?

Delia: No.. I'm straight just have lesbian friends

Me: And how are you finding the pride event?

Delia: Colourful and noisy but very nice Me: Guess we'll keep on bumping into each other then

Delia: I guess so

I took the things and walked away. I stopped and turned back looking at her.. Me: Turn back

As she continued walking, she turned back but quickly faced her front..

Me: Bingo!!

Sassy was halfway through her savanna when I got there..

Sassy: Finally!!

Me: How are we even going to do the fire?

Sassy: I don't know maybe ask Cordelia for help?

Me: You saw us talking? Sassy: Is it a crime?

Me: Actually No.. Maybe whilst we are at it we can all get drunk and have a 3-sum in the backseats of the car

Sassy: Why would I wanna do that with my best friend?

Me: It was a joke

Sassy: I was saying that because I noticed their fire is still ongoing, They can help

I saw Cordelia walking back to her crew..

Me: Maybe you're right.. I'll be right back I walked over to Cordelia and her two friends.

I greeted them and gently pulled her away from them..

Me: May I have a word with you?

Delia: Okay

Me: My best friend and I were asking if we could use your fire, Starting our own from scratch that's a lot of work

Delia: I don't have a problem with that, I'm sure my friends won't too

Me: Can you do me a favour? Delia: So long it doesn't have me dropping my panties down

I chuckled...

Me: No.. At least not for now, I was wondering if you could keep my best friend company as I do the meat

She looked at her..

Delia: Keep Sassy company? From seeing her posts on Facebook she looks like someone who is rude

Me: She comes across as that but she's cool, come I held her hand and we started walking to Sassy..

Me: Watch your step, your heels seem high enough

Delia: I'm okay just don't walk fast We took that slow walk that felt like forever. Sassy was kept company by her phone..

Me: Babe

She looked at us..

Me: This is Cordelia, Cordelia this is my best friend Sassy

Delia: Hi.. I'm a fan, I watch your monologue videos, I really like them. You a good actress

Sassy: Thank you

Me: Sassy allowed us to use their fire, She's going to keep you company until I'm done doing the meat

Sassy: Ohw okay I took the meat..

Delia: May I sit? Sassy: Yes

She sat next to her.. SESI "SASSY"

Braga took the meat and everything she would need and went to braai..

Delia: I have to admit that I thought you were rude, judging from your Facebook posts

Me: Many people think so.. Savanna? Dalia: Yes please I took one and passed it to her.. Dalia: Thank you

Me: Do you like Braga?

Dalia: Between you and I, very much. She's a crush and it's funny because I'm straight

I nodded..

Me: Like her enough to date her? Dalia: I wouldn't mind.. I'll be like NiceyNash. The LGBTI community plus Cordelia

We both laughed..

Me: Here.. Put your number we'll talk on WhatsApp, I'll coach you

Dalia: Coach me?

Me: Sweetheart that heart is cold as ice, either you break through it. Melt it or you'll be another hook up, and to break the ice you'll need someone who knows her

Dalia: She does seem closed off and very much of a playa

Me: So long I know you won't leave her for a dick when

she catches feels Dalia: For now I'm good with dicks,
haven't had luck there

Me: Ohh sweety Lesbians will break you more

Dalia: I like a challenge so let's do it Me: Let's do it!

02

SASSY

The day was going well, Actually better than I had anticipated. We ended up mixing with Cordelia's friends for a morevibe and they were more than welcoming and friendly..

Amongst the two, I took a liking to "Steazy". She's very cute, well spokenand a flirt..

Steazy: My last relationship was a mess, Women turn to be a handfulsometimes

Because of the loud music everywhere,I occasionally had to lean over and whisper to her ear which saw her hand stable in between my thighs..

Cordelia was helping Braga finish off themeat, and I was almost at my threshold of getting sloshed.. Braga made her wayto me.

Braga: Can we talk?Me: Uhm

Yaa

I got up, my knees were already weak.We walked a distant away to talk..

Braga: What are you doing?Me: Excuse

Me?

Braga: I told you once, stay away from my kind. We known to drive you to the nearest mental institution. There's no love there and you trip fast into relationships you setting yourself up fora heartbreak

Me: It's not like Steazy and I, we gonna end up in a relationship after this. Evenif we do, It's my choice and even if she hurts me so what? People break hearts everyday

Braga: I don't think you understand whatI'm saying, I am not asking you. I am telling you to stay away from her

Me: Pull yourself towards yourself and check yourself!
Stop trying to dictate my life. I'm a grown ass woman,
whoever I wanna fuck with. I will fuck with. I'm old!
Respect me accordingly please!!

Braga: Sizobona (We'll see)

She walked away.. I went back to my sit when Cordelia
made her way to me..

Delia: Hey Sassy can you please accompany me
to the restroom Me: Ya sure

We walked away from everyone.. YAMKELA (BRAGA)

I walked over to Steazy.. Braga: Can
we talk?

Steazy: I don't see why we shouldn't

I asked the other one Hloni to mind the meat for me, As I
went over to speak to Steazy..

Steazy: What's up?

Me: I see you and my best friend getting comfortable with
each other

Steazy: She's a lovely lady and I enjoy her company

Me: That's all?

Steazy: I don't think I understand what you're trying to ask
me

Me: I'm not asking you anything I'm telling you that
whatever you're doing with my best friend it will all end here.
End in that short conversation you two are having. There
won't be a sexual hookup, No exchange of numbers, no
dating, none of that shit!

She chuckled..

Steazy: I can't believe this.. For a best friend you sure
do take it up a notch. If we wanna take it further we will,
I think Sassy is old enough to make her own decisions
without you standing in the way

Me: I don't care about your two cents Steazy: And I don't think you understand what I'm saying either, I'm going to pretend like this conversation never happened. We not teens, We not going to do this

Me: Pull yourself towards yourself and check yourself, because I'm four seconds to losing my shit! And it's taking a lot in me right now to keep it together and not fuck you up.. Stay away from my best friend

Steazy: Are you threatening me?

Me: No.. If I was threatening you, you'd know!
I walked back to Hloni and stepped on her on purpose..

Steazy: Real mature
Hloni: All good?

Me: All good

SASSY

Delia: Hey.. I see you and my friend Steazy getting comfortable with each other

Me: She's a flirt

Delia: That she is, to you and other girls. She's been flirting with a few before you guys got here.. Steazy is one not to associate with She's a hoe, unlike Hloni who is more reserved and in a relationship. Steazy is going to hurt you I looked at her..

Me: Braga put you up to this didn't she?
Delia: She's just worried about you. I understand, She's your best friend and you lucky to have someone who cares for you this much

I fixed my jeans..
Me: I see

Delia: Let's go back
YAMKELA (BRAGA)

Sassy is from Mpumalanga in Oogies. It has become my second home now through constant visitations. She lives with her Mother and her little Brother..

From there I got to learn about a drug called "Ntash", when I was wilding I tried it a few times doing it secretly so that my best friend and family don't find out.

When I learned about the dangers of its addiction, I hopped off..

I then had an idea to sell it. I buy it from the dealer there and sell it at a higher price in my town to make profit.

Since I dropped out of college, it's my way of raising money to start my own internet Cafe for now. No one close to me knows I deal it, that being my friend and family. I have kept it hidden from them thus far..

My phone vibrated, it was one of my customers. I answered..

Me: Yeah?

Him: Dawg where are you? I need the staff

Me: Yeah I'm not around

Him: What you mean you not around? A dealer has to be available at all times, Man my dogs and I we gonna chill later on. We need the staff

Me: Your addiction is not my problem, you gotta keep it together and don't fucken go to my house looking for me I saw Delia and Sassy walking back..

Me: I have to go

I hung up... I went back to the other two..

Sassy: You won't believe who we just spotted

Me: Who?

Sassy: Precious Molo

Me: Presh the writer?

Delia: Yeah.. She's there with friends

Sassy: I didn't know she's part of us
Me: Presh? Naa
I don't think so
Sassy: Why else would she attend a
pride event

Delia: They seem to have come for a baby shower, One
of her friends is pregnant I don't think she's here for the
event

Sassy: Why choose to come here on pride say?

Me: The lodge is open for everyone
Sassy: I'm
telling you

Me: Your love for the writer just wants you to believe
she's one of us and I highly doubt she is

Delia: Me too, She doesn't come across as one

Sassy: Well then

Me: I'm done maybe we should all eat before we
continue drinking

CORDELIA

[2 WEEKS LATER]

Braga and I, With Sassy's help on my part. Were able to see us in a relationship after that day at the Pride event. She's warming up to me and taken by how much we relate to each other. Sassy takes me through everything, The type of music she likes, what she enjoys to do just so I could warm myself up into her world..

Now that we have established a relationship, Sassy pulled back she didn't need to coach me anymore..

My Parents divorced years ago, and my Mother unfortunately passed on a month ago. I had to move down to Pretoria,

come live with my Father and my Stepmother. I moved in a week after the funeral, My father doesn't trust my Mother's family. He said I would rather be at his care than to be financially extorted by my Mother's family with supporting me financially..

Life with him and my step mother is not so good. She's a vile woman and makes it a point to get in between me and my father. They don't have kids of their own, both have kids with other people. Hers are living with her Mother, around the house it's just the 3 of us. She has never liked me, she pretends well in my Father's presence. I don't like her too so I also pretend. She's always been emotionally and verbally abusive to me even when I still use to visit, now that I live with them permanently I am worried

about my mental state and slipping into depression..
I am taking a gap year, I'll go to school next year. I'm 24 now, and I fear I've been delayed enough after matric...
I feel my relationship with Braga, will be my redemption until I am able to leave next year for tertiary. I am falling for her which is bizarre because I am not lesbian nor bisexual, I've always been with guys..

Me: Good morning

My step mother was cleaning..

Ma: It has long been in the morning, I'm even almost done with cleaning whilst you were sleeping comfortably

Me: You could've woken me up to help you

Ma: So it'll seem like I am abusing you just because I'm not your real Mother, I know how you step kids play your cards

Me: That's not true, Asking someone for a hand is not abusive

Ma: You are 24 Delia, I shouldn't even be reminding you to help clean the house. You should be doing it untold.

Forget about getting married, it'll reflect bad on your Mother that she didn't raise you well. What Makoti are you going to be and make waking up when the sun is already up.. Just don't get married, you won't last a day

Her sly comments do get to me..

Me: I'm going out for a while, I'll see you later

SASSY

I was still in PTA..

Braga's Mother walked in, I was sitting having breakfast. She was dressed up, She did say that she was going out for a church meeting..

Ma: Good morning Sassy

Me: Morning Ma

Ma: Unjani? (How are you)

Me: Ngiyaphila wena unjani? (I'm well and how are you)

Ma: Ndiphilile Nam (I'm good too)

Me: Can I make you something to eat? Ma: That's sweet but I'm already late Me: Okay

Ma: Tell me, Is Braga seeing anyone? I almost choked on the juice..

Me: No.. She's not

Ma: That's good because I can't stomach having two girls do all the blasphemy and dirty things under my roof I cleared my throat.. Braga walked in..

Ma: I'm leaving then Sassy, I'll be back later

Braga: Ma Ma:

Yamkela

She took her bag and left..

Braga: She can't even be in the same room with me for even 5min

Me: You doing well so far by not fighting with her

Braga: Here's what I don't understand, She even treats you better than she does with me. Maybe we can swap because your Mother treats me better Me: Yours

doesn't know that I'm bisexual

Braga: Oh well then screw her Me: Don't say such things

Braga: Can't wait to fucken get my shit working so I can be out of her hair and disown her forever

Me: I'm sorry about what you going through, It must be difficult

She came and stood behind my chair and wrapped her arm around my neck and kissed me on the cheek..

Braga: It's not your fault

We heard a knock at the door..Braga: I'll get
She went to answer the door and it was Delia..

Delia: Hey BabeBraga:

Baby

They shared a kiss and I glanced down at my plate..

Delia: You ready to go? Braga: Let me get
the keysDelia came to me..

Delia: SassyMe:

Hey (Silence)

I thought their fling would be over by now, but they seem to be going strong everyday. This could potentially turn out to be Braga's first relationship ever since we been friends..

Braga: Babe I'll see you later

Me: Which one?Braga:

You

Me: Where are you guys going?

Delia: We just going out for a meal and what not,
spending quality time togetherMe: Okay enjoy

Braga: You good? You going to be okay?

Me: I think so

Braga: Okay I'll see you later She kissed me
on my forehead..

Braga: Call me if something goes wrongMe: I know

Delia: Guess we'll see you laterMe: Enjoy

They left.. I took my phone and called my Mom..

Ma: Nana

Me: I'll be coming home soon

Ma: Hau I thought you'll be down there for a month, Are
you guys fighting?

Me: No.. Braga is spending time with her girlfriend, I don't wanna stand in the way

Ma: I thought you were coaching the girl, I thought you were supporting the relationship movement

Me: Knowing Braga I thought it was going to end in a couple of days

Ma: Are you ever going to tell her how you feel?

Me: Ma don't start
Ma: I'm just asking

Me: This is my best friend and our friendship matters the most to me

Ma: If you and her truly care about your friendship, if a relationship doesn't work. You can still go back to being friends
Me: Okay let's say I talk and she doesn't feel the same way, what then? I'll be the biggest fool to ever exist

Ma: You'll never know

Me: The simplest way to this, is to just also move on and probably date the guy I've been flirting with

Ma: That's not how you handle a situation. So long you feeling how you feel about her, you'll never be happy in any relationship because you'll be expecting the next person to be her which is unfair

Me: Presh always says. If you love someone and they don't feel the same way, your energy will make fate cross your path with someone else who is equivalent to the person you love

Ma: I guess Presh is running for president by now

Me: I agree with her

Ma: So basically Presh said sit on the hope that one day you'll find another Braga, That's never going to happen there's only one of her in this world. I'm

taking my vote back, Presh should stepdown as being a president in your life Me: She's right Ma

Ma: You gonna keep this to yourself for how long? You are only hurting yourself because every relationship she'll be in will be a thorn in your heart and you will end up de-attaching from her as a friend and act like a psycho jealous girlfriend Me: I've been psycho

Ma: Talk to her because from what I'm seeing, This Cordelia girl will be the one to get hurt the most in all of this and she doesn't deserve what's happening

CORDELIA

Me: I like your tattoos.. What do they mean?

Braga: For every year that Sassy and I've been friends, I've dedicated to getting a tattoo

Me: I need to change my best friend obviously she's doing something wrong She laughed..

Me: You and Sassy, have you guys dated before?

Braga: No.. Why?

Me: I don't know but you guys are strange

Braga: So we've heard Me: Do you love her?

Braga: Where is that coming from? Me: Sassy coached me

Braga: I'm not following

Me: My favorite colour is not black, It's red. I don't like hip hop music, I like RnB Braga: Wait, so you been lying to me?

Me: She said it was the only way to get through you

Braga: I'll be damned She did a U-turn..

Me: And now?

Braga: I'll be seriously damned!

To be continued04

SASSY

I was laying on the couch watching TV, when the door flung open..

Delia: Braga wait!

Braga walked in, She was very upset..Me: What happened?

Braga: Get up I wanna talk to youMe: Huh?

She grabbed my arm and pulled me up..Me: Hey!! what's wrong?

Braga: Cordelia's favorite colour is red and not black, She doesn't like hip hopbut Rnb

I looked at Cordelia..

Me: Are you serious right now? You toldher?

Braga: I should've seen it, Cordelia wasstraight to the dot!

Me: Cordelia liked you a lot and she knew she wasn't going to stand a chance by being in a relationship with you

Braga: So everything was a lie? Cordelia: No.. My feelings for you are real, I have fallen for you. The reason why I told you this is because I didn't wanna lie to you, you mean that much tome.. I'm sorry

Braga: You two are fucked up She walked straight to the door..

Cordelia: Manje uyaphi? Where are yougoing?

Braga: To the mall, alone!She banged the door..

Cordelia: Do you think I ruined it?Me: She's going to be fine

I sat back on the couch..

Cordelia: I should go home

Me: Don't stress, She will be fine
Cordelia: Okay, Thank you

Me: You welcome
She left

too...

YAMKELA (BRAGA)

This situation was fucked up, I really like Cordelia and I thought we were connecting, but it was all planned out...

I sat quietly in the car, and thought about it.

Basically Cordelia wasn't herself and Sassy was leading it on. How did I not pick it up?

My phone rang, It was Cordelia..

I looked at it without answering. I started the car and left..

SASSY

I was on the phone with the guy I've been flirting with on whatsapp..

His name is Niso, Also stays in Johannesburg..

Niso: When you come back we should link up, go out on a date

Me: We should do that, I think it'll be cool

Niso: When are you coming back!
Me: I'm not sure, but soon

Niso: Okay.. I'm at work, Can we talk later?

Me: No problem
I hung up...

CORDELIA

I was hoping this relationship would be my redemption, A part of my life that will help me cope around here in my hell hole..

I kept on calling her but she wasn't picking up, I texted her..

"Please pick up, I'm sorry"

I was alone in the house, My StepMother wasn't around..

SASSY

I decided to bath and before going backto watch TV when Braga walked in..

Me: Hey

Braga: Hi

I had just gotten out of the bath, Still hada towel around my naked wet body..

Me: I'm sorry about what we did, It was wrong but Cordelia really likes you. Shereally likes you

Braga: It's cool.. I'll talk to her laterShe looked at me..

Braga: Wanna go out?

Me: I thought you were going out withher

Braga: Said I'm going to talk to her laterMe: Okay we can go out

SASSY

Braga has always been the one to excel in surprises. She can plan a surprise for a week, A month, A year, Or so and I would never know. She's good at keeping things until the last minute..

Her idea of us going out, was actually her showing me her halfway done internet Café. She had already gotten the place where she was going to rent for 3k per month. At least it was in a busy place so she'll make money.

It was not entirely empty. She had chairs, tables and what not. What was missing was the computers and the printing machine..

Me: Why didn't you tell me about this? Braga: Then it wouldn't be a surprise

I turned around looking at it.. Braga: What do you think?

Me: I love it, It's not big.. Not small either, but perfect

Braga: Everything else is going to be delivered by the end of this week. The 4 computers, printing/photocopy machine looked at her..

Me: I might not know what really goes down in an internet Cafe but aren't 4 computers a bit expensive?

Braga: Nelli has been budgeting to help me, She got them for me

Me: Ohw I see

Braga: Look on the bright side, I'll make reasonable money and I can finally get a place of my own and you can move in Me: Move in?

Braga: I thought you said Johannesburg or Pretoria was a good place to realize your dream more, and that you wanted to spread your wings?

Me: That's true

Braga: So what's the problem?

Me: Everything is different now, There's Cordelia in the picture. I don't want to intrude, I don't wanna be that best friend that is going to be annoying

Braga: Cordelia won't be living with me, She'll come and visit

Me: Either way, I don't want us to step on each other's toes when she's there. I wanna give you guys the privacy you deserve

Braga: I understand

Me: This is good.. I'm really proud of you Braga: Thank you

Me: So the lunch I was promised Braga: The lunch you were promised.. Let's go

I'm happy that she's doing well, but there's too much questions surrounding the sudden success. Way too much for a miracle, A business and an apartment all of a sudden?.

Me: Let me call my Mom.. I'll be rightthere

Braga: Okay

She went to the car and I called Nelli..Nelli: Stranger

Me: Hey how are you? Nelli: I'm good

and you? Me: I'm well.. How is work?

Nelli: Work is hectic, I actually misshome

Me: I can imagine.. So I saw Braga'sinternet Cafe or soon to be

Nelli: What internet Cafe?Me: She hasn't told you?

Nelli: What are you talking about?

Me: She's probably still gonna tell you,Don't tell her I said anything.. Don't wanna ruin the surprise of you telling her

Nelli: No it's okay.. I won't say anythingMe: Thank you

Nelli: Wow an internet Cafe?

Me: I'm surprised myself.. Let me gowe'll talk

Nelli: Okay byeMe:

Bye CORDELIA

I called my friend Hloni, to talk to her..Hloni: You really are into this girl?

Me: I'm afraid so but..

Hloni: Scared that you falling for another girl and you straight?

Me: No.. That's the least of my worries Hloni: Worried she's going to hurt you? Me: I don't know.. Maybe I'm reading toomuch into this but.. I feel like there's more to what meets the eye between her and the best friend

Hloni: I didn't wanna say anything but I also picked up something. I know best friends are close and what but with

them, Something is offish plus Steazy told me Braga threatened her

Me: Threatened her?

Hloni: Something like.. "Stay away from my best friend".. Steazy said she took it lightly at first but now is convinced there's more to it

Me: So I'm not crazy

Hloni: I don't think so.. So what you going to do?

Me: Well I don't wanna end it just on suspicions, Maybe let me see first and gather concrete proof before I could accuse them of something

Hloni: There are other arrogant people out there you know, Braga is not the only one. I know you like them arrogant the people you date

Me: I know but I'm not giving in that easily

Hloni: Don't get hurt

Me: I won't.. I promise Hloni:

Okay

SASSY

We drove out to get lunch, We drove out in silence. A lot was going through my mind, More as if like I didn't realize the Person that was sitting and driving next to me..

Braga: Are you okay? Me: I'm okay

Braga: Unlike you to be quiet Me: I'm fine

Her phone beeped.. Braga: Can you check? Me: Yaa

I took it and bypassed the fingerprint then put the password. It was a whatsapp message from Cordelia.. I read:

"I miss you, where are you? Can I come over?"

I deleted it.. Braga: Who is it?

Me: No one, Just Mtn messagesBraga: I hate those

I texted her back:

"Busy see you tomorrow"

I sent it and then deleted it when I sawtwo ticks..

She replied back:

"Okay I love you"

I deleted her reply and locked herphone..

CORDELIA

Since things weren't good between us, it'll take a bit of effort to soften her..

I went and put on my all black lingerie. I took videos and then sent them to her..SASSY

She parked a bit far from the restaurant.She got out first and her phone beeped.

I took it and checked. Videos fromCordelia..

I watched halfway and then deletedthem..

Braga got back..

Braga: I forgot my phonel handed it to her..

Braga: Thank you

I got out of the car with my heart heavy,chest pains and what not. Cordelia is taking it up a notch and I don't like that..YAMKELA (BRAGA)

I walked behind Sassy as we made ourway in, My hand slightly on her waist..

I heard the peeping sound again, Ichecked. It was Cordelia:

"And??"

I was confused. I texted her back: "And what??"

We walked in and she led the way to the table..

Cordelia replied:

"The videos I just sent.. Ohh embarrassed me!, I know I shouldn't have done videos were I'm half naked and sent you"

Videos?? I knew nothing about the videos nor saw them.. I replied:

"I was going to reply, Still watching them"..

She replied:

"Okay"

I looked at Sassy..

YAMKELA (BRAGA)

This situation with Sassy is getting out of control.

Cordelia had sent me videos on whatsapp, Sassy being someone who has been having my phone. She

deleted them. Cordelia had to send them again, and I had to act dumb give an excuse that the network is

tripping.. I let us have lunch first before addressing this situation, She's one to avoid serious conversations.. We got home and I closed the door..

Sassy: Did your Mother text you that she's going down to Kzn?

Me: Yaa driving down to their big church in Kzn, Some Pastors urgent meeting
Sassy: Meaning she came to get her things and we weren't around

Me: Probably.. Can we talk?
Sassy: Okay

She sat down on the couch, I pulled the small coffee table and sat down..

Sassy: So where's the fire?

That's the phrase we use to check if the conversation is

serious or not..

Me: There's no fire.. Cordelia sent mesome videos on whatsapp and I neversaw them. You had my phone, What happened?

Sassy: I deleted them by mistakeMe: I see

Sassy: It wasn't deliberate

Me: Do you have feelings for me? Sassy: Wow out of everything that youcould ask me, That's what you wanna ask?

Me: Do you have feelings for me Sassy: I don't wanna talk about thatMe: Because?

Sassy: It's an uncomfotable thing to talkabout

Me: Very uncomfotable I know, but I wish you don't because you know thatyou and I we will never workout as a couple

Sassy: I know.. I'm sorry that I accidentally deleted

Cordelia's videosMe: It's okay.. So we cool?

Sassy: We cool

Me: Let me go see Cordelia.. I'll be backSassy: Okay

She got up and left...

CORDELIA

My ex boyfriend Teekay. We broke up because he got someone else pregnant,Even with that.. He's still pursuing me, trying to get back together. I don't understand where in his mind he sees that as a right thing to do, Considering what he's done. He calls me and text mewith different numbers every now and then, I block all of them..

Braga texted that she was coming, I stilldon't understand her explanation with my videos that I've sent her..

SASSY

"I wish you don't because you know that you and I we will never workout as a couple"

That statement cut deeply. I didn't come out with my feelings Yes, but she did notice and shut them down quickly. This is what I've been scared of, Rejection.. I called my Mother to let her know, Especially since this whole honest thing was her idea.

Ma: Ohh Sassy stop crying

Me: It hurts but hurt doesn't compare to the humiliation

Ma (Crying)

Ma: Calm down

Me: You said I should be honest, I was and look where it got me

Ma: I strongly believe that she loves you, I don't know what her issue is Me: I don't care anymore Ma!!.. I don't

care, I think we know the truth now and we should let this go

Ma: Okay then, I hope she won't come back sometime and decide to be honest. She had her chance, blew it now we move on

Me: Exactly!! I'll be coming home soon Ma: It's okay.. Calm down, I love you Me: I love you too

CORDELIA

I heard a knock. I was by the mirror fixing myself..

Me: I'm coming!

I fixed myself from the last time and went to open, She was standing at the door step..

Me: Hey

I let her in.. I closed the door.. Me: Did you g- She pulled me closer and kisses me. I was still alone in the house..

SASSY

I texted someone that I know might also provide good advice. She's good with advices. I inboxed Precious Moloji on Facebook, Typed her a long ass paragraph.

She didn't respond to it with advice, But did with her numbers...

I saved them and texted on whatsapp, She replied with a video call..

I freaked out a little, but collected myself and picked up....

Me: Hi

She was sitting at what looked like a restaurant, With a laptop in front of her. Had on her earphones..

Presh: Hey

Don't she have beautiful eyes and a beautiful smile..

Presh: Sorry I couldn't text you back, I'm not much of a person that likes texting Me: It's okay... Are you busy?

Presh: Not exactly.. So you saying your best friend what and what?

Me: Ya that's the situation.. Were you able to read the message?

Presh: Yeah I did.. Read it Me: So what do you think? She exhaled..

Presh: Kind of a difficult situation you in Me: I don't care about the fact that it's out there, What hurts me..

Tears formed in my eyes.. Presh: Awww don't cry

Me: The rejection and the humiliation of it all

Presh: Such things happen to a lot of people, No one has ever died from being rejected. The thing is, This was going to happen at some point. Be happy it happened now than later, You bisexual she's lesbian. Feelings of attraction from one party were overdue.

Just because she doesn't feel the same way, that doesn't mean you will be miserable in your feelings for her forever. The best thing to do is be honest with yourself. I feel this way about her and she seems to not, So that means I should move on, Gonna be a bit difficult because you two are best friends. She'll be in your life probably for the longest time

Me: I really feel like alcohol right now
Presh: Where are you from?

Me: Mpumalanga but currently visiting her in PTA

Presh: Well you in luck because I bought some tequila and I was going to have a solo party, My roommate and best friend is not around

Me: I don't think I understand what you saying

Presh: I'm saying do you wanna come over? Get drunk forget about what's her name again?

Me: Braga

Presh: As in like my story "Save me from my in-laws?"

Me: Yeah

Presh: Interesting
Me: I'll take a taxi

Presh: Cool I'll text you where I am
Me: Okay

Presh: Sharp

We ended the video call, I texted Braga that I'll be out..

CORDELIA

We slowly moved down to my bedroom whilst kissing, Her phone beeped..

Me: Your phone

Braga: It's not important right now

This will be my very first time having sex with a girl. I don't

know what to expect, I don't know if I'll enjoy it seeing I've always been one for a dick. I don't even know what goes down when it comes to girl on girl sex, guess I'll learn today...

PRECIOUS MOLOI

So I know Sassy from being a Facebook friend of mine and a fan of my stories.

She has been for a long time, Always comments on my posts both where I write on my page and on my personal account. She's beautiful, We have been very familiar on the comment section.

Both on my side, and hers..

I checked how the process was going,
\$800.

My best friend Nic and I, we were able to hack an online financial investment from overseas. At first we invested and when we saw a glitch, Took us a year to break into their system and do this. Nic being tech smart was helpful.. We

started making profit this year, We were making profit every week. They saw the glitch and fixed their system so now we will be doing a monthly profit. \$800-\$1000 a month each. What we do is invest \$10. Hack and increase to make our earnings higher.

It's dangerous yes but the police is the last place where they'll go since it's a pyramid scheme, They can't incriminate themselves so the best they can do is shut the whole thing down or keep on working on their system to improve it from hackers.. That's what we do, Hack pyramid schemes for a living...

SASSY

I was nervous about meeting Presh, I've admired her since I started following her on Facebook. I kept on taking deep breaths in the taxi and all the way to meeting up with her at McDonald's. I had it all deep inside of me to cancel, But after the day I had. I really could use a drink.. Braga hasn't responded, I bet it's going down at Cordelia's. She's not one to go this long without replying back.

Truthfully Presh was there, She kept her word. The nerves shot through the roof..Presh: Hey

Me: Hi

She calmed me down with a hug..Presh: You shaking really bad

Me: Just nervous, All this feels unreal She rubbed her hands on my arms and that gave me goosebumps. She was exactly as how I had imagined her. Big eyes that you could lose yourself in them, Her everlasting beautiful smile..Presh: Well Let's get something to eat before leaving

Me: Okay CORDELIA

My expectations were met and outshined. I've always thought girl on girl sex was boring, Never thought I would ever enjoy it because there's not much going on with that. I've always contributed to a lengthy 4play, until today. I don't know if it's because they women actually understand how to handle a woman's body. Since we've started I've come at least twice, whereas with my exboyfriend there's times I had to fake an orgasm. I'm not one that ever enjoyed finger fucking after today, it's going down as my favorite. My boyfriend used to finger fuck me and it was painful and

uncomfortable, never enjoyed it or he wasn't doing it right. This one wasn't typical. It was accompanied by her tongue running in circles around my clit and her finger touching a place inside of me that I never knew existed. The pleasure was twice what I would've gotten had I been doing this with my ex boyfriends...

Each time she moved her finger, I touched and tickled somewhere.

Somewhere that made my legs vibrate, toes curl up and squirting. You literally get Frustrated from the intense pleasure, Feel like you losing your mind. One leg was over her shoulder, She was caressing my other leg with her hand.

From my thigh to my buttock...PRECIOUS

MOLOI

We got the food and then went to my place. She was a bit nervous but I'm

sure the nerves will seize as time goes on, when we have spent a few hours together..

I thought I had the flat all to myself, Until I was surprised by my best friend Nic.

She had company. I didn't tell her I was going to have company..

Me: I thought you were out

Nic: Had to cancel my trip of visiting home.. We have a problem

Me: What problem?

The girl she was with started talking.. Girl: You know the UK problem? Where you send money to your Mother's account from a certain institution and she sends it back to you, into your fnb account?

I put everything down on the counter and looked at Sesi..

Me: My bedroom is the second door, Can you please wait for me there?

Sassy looked at them.. Sassy:

Ohw okay

I watched her walk away, As soon as I heard the door closing I made my way to the girl.

Girl: Sad we have to have this conversation whilst you have company I put my arm against her neck and pushed her back to pin her against the wall..

Me: Nic

Nic took out her pocket knife and tossed it to me, I caught it with my other hand and removed my arm that was against her neck and placed the pocket knife against her throat..

Me: 5 seconds.. Talk!!

Her: Kinda hard talking with a knife against your throat

I removed it.. Her:

Thank you

Me: Take off your t-shirt Her:

What?

Me: Take it off

She took off her t-shirt.. Me: The bra too

Her: Are you serious? Me: Take it off

Her: I don't think I'm comfortable with that

Me: You don't have a choice (Silence)

Nic: Dammit this is taking long

Nic went to her and got the bra off and then raised the girl's hands up pinning them against the wall. I placed the knife on her nipple..

Me: Now it's not on your throat Her: Are you guys serious?

I pressed a bit hard..

Her: Okay fine.. I know you guys have been stealing money from a UK online financial institution

Me: How?

Her: I think that's the least of your problems

Nic: So you thought you could just walk in and blackmail us?

Me: There's no case, It's a pyramid scheme

Her: Actually not.. It's a legit investment company so you guys can be held liable for this

Nic: What you talking about?

Her: Ohhhhhh I don't know.. I'm talking about some serious jail time for fraud

Me: What do you want?

Her: I want in

Nic: No.. Absolutely not!

Her: There's a flaw in your plan

Me: Our plan is perfectly fine, We be doing this for a year and a couple of months now

Her: Of course

Nic: Tell us about the flaw

Her: I want in
I moved Nic over.. I grabbed her by neck and threw her on the couch. I pinned my knee on her abdomen..

Her: You know I don't think violence can solve this

Me: Talk!

Her: They can trace your IP Address! If you guys include me, I'll be able to bounce off the signal and lead them astray

I moved my knee from her..

Her: My name is Comforter by the way.. Are we done with

the violence? Can we now talk?

Me: Give us your numbers, We'll call you and set up a meeting

Her: With the urgency of the situation I thought that I'd be leaving here being apart of the team

Nic: No you don't talk, you don't say anything.. You don't tell us how to do things

I gave her my phone..

Me: Save your phone numbers, We'll call you

CORDELIA

The whole session ended with the towel that we had laid on the bed wet. I would have it last for long but then, My step mother can just walk in anytime and she's a nuisance..

Me: I would really have this moment last for longer

She was laying on top of me..

Braga: Yeah I gotta go too, Left Sassy alone

I clenched my Jaws, Really be bringing her up in a conversation after what we did..

Braga: But you can visit me, Maybe as a sleepover tomorrow?

Me: Maybe

Braga: One for the road? Me: One of the road

I wrapped my arms around her neck as we kissed..

SASSY

I don't think that girl is anyway affiliated with Presh romantically. I might not know what exactly they were talking about but I heard arguing, Things banging and what not..

As that played out, I took it upon myself to snoop around.. What I stumbled upon in her wardrobe left me short of

words.

A collection of all the dark sexual toys a Person could have. Whip, Blindfold, Cuffs, at least 5 different dildos, 2 vibrators. One of the dildos even had small bumps all over it..

Presh: I refuse to be blackmailed by her!! I closed the wardrobe, She opened the door and walked in. She looked at me..

Presh: You good? Me: I'm good

Presh: Come.. Let me introduce you to my friend

To be continued 08

TEEKAY (CORDELIA'S EX)

I was at some chillas place having a beer with my friends. Since I lost my job, life has been difficult for me. I used to work in Pta, The company closed down

now I'm struggling to make ends meet but I'm hopeful I'll find another job soon.. I met Cordelia when I was still working in Pta, I was traveling to work every day but when we started dating. I got a placebo stay so she could do sleepovers when she comes to visit her father. Shit happened, I had a one night stand and the bitch rocked up pregnant, now I'm tied to a baby that I don't even know if it's Mine..

Buda: Ehh Teekay cava leyakho (Teekay look at this)

He passed me his phone, It was a picture that Cordelia posted of herself and some girl. They looked cosy, the caption was also cosy "When you finally found the one"..

Buda: Beng'cavi ukuthi uyinto enakanje (I didn't know she's gay)

Me: Aii maan mhlambe it's a friend you know how girls are

Buda: Kude China! She tagged her, bahlanganise into ehlanganayo (They dating)

Mpho: Ithi ng'cave (let me see) We passed him the phone..

Mpho: China! Baku le way, Bayi situation. Clit on clit

Buda burst out laughing..

Mpho: Kubi China, that means bowungadlali ngenduku (That means you weren't satisfying her)

Buda: Sedert van gister af ayiphethelento ku Facebook uCordelia (Since from yesterday Cordelia has been posting this girl)

Mpho: Ushaywe yi plastic mchana! (Adildo beat you) They both laughed. There's nothing embarrassing for a guy than to have

your girl be taken by another girl. It's degrading, Humiliating, and degrading to your manhood.

Buda: Feder ngiyezwa nge phepha ukuthi bayayishaya le way (I heard they good with sex)

Mpho: Chatha boy! Chatha ayikho lentoyakho (Get traditional help)

They continued laughing...CORDELIA

I decided to prepare dinner when my Father walked in..

Dad: Where is your Mother?

I hate when he calls her that..Me: I am not sure

Dad: Wena how was your day?Me: It was good, Yours?

Dad: It was good

He was standing at the doorway as I was standing at the stove cooking...

There was this awkward moment of silence, The awkward stare made the atmosphere uncomfortable. I turned back and he was just standing there looking at me..

Me: How was work?

Dad: Work was good as always just tiring

Me: You home early today

Dad: I know.. I am not feeling well

Me: Ohw
He buried his hands deep in his pockets. I was wearing leggings and a t-shirt. They very comfortable when I'm around the house..

I don't know if I'm reading way too much into this, but sometimes my Father makes me uncomfortable. The way he looks at me, Always sitting on the sofa by the corridor. Where he doesn't miss seeing me when I walk out of the bathroom in a towel, staring at my body when I am wearing something revealing or tight.. Maybe I'm reading way too much into it, He's my Father after all. He would never look at me in that way..

Dad: Let me go and lie down a little, I'll wake up later to bath and eat..

Me: Okay

I could swear that I saw a bulge in his front pants as he walked away with his hands buried deep in his pockets..

YAMKELA (BRAGA)

Dating someone who is straight or bisexual is a bit challenging sometimes because they have tasted a dick once and many times. To keep the momentum up, Cordelia and I we will have to talk about her sexual preferences so that she can enjoy both ways. If she is

fine with sex toys, then we'll go and get them
When I got home, Sassy was not around. My first
thoughts were that maybe she left and went home but
her clothes were around..

I got a bit worried, She doesn't have friends around here.
I took out my phone and checked, She had texted me that
she's going out. I called but she didn't pick up. I checked
her whatsapp status uploads, a familiar face rocked up.
Presh..

They seemed to be having fun, too much fun for my
liking..

I texted her back:

"Call me when I have to pick you up" ..SASSY

Presh: "I don't know what y'all be thinking when you
bring 'em around me Let me remind you that I am the
king of R&B

Do you know what that means?

That means if you love your chick Don't bring her to
the V.I.P

Cuz I might leave with your chick Just keeping it
real my nigga

It's a playa's field my nigga

Don't take no bitch to the club when you just met her my
nigga

Cuz I'mma flirt with her, right He gon' flirt
with her, right

And if she lickin' that good shit She gon' flirt
with her

I'm a flirt"

After a few glasses of tequila we decided to do kareoke.
She was singing "Flirt" by R Kelly.

I was having fun no lie, made me forget about the little

problem I had earlier on..Presh: Wanna go?

Me: Shuuuuuu after that I don't think so,Plus I feel my knees getting weak and I need to go pee

I got up from the couch, I staggered around she came and held me..

Presh: Be careful

My small waist was at the mercy of her hands..

Me: Thank you

We looked at each other for a while..Me: I.. I think I should go to the bathroom

Presh: Yes of course.. You'll be fine?Me: I'll be fine
She let go of me.. I walked to the bathroom..

CORDELIA

I sat in the lounge with the door wide open. My heart was fearful. I was uncomfortable in the same house as my Father. I get paranoid very easy, and when something doesn't make sense.

It'll be difficult for it to leave my mind.I called Braga..

Braga: Babe

Me: Are you home yet?

Braga: Yeah I'm home.. You good?

I wanted to tell her but I don't want her thinking I'm crazy, I mean we talking about my Father here...

Me: I'm cooking

Braga: I was about to nap

Me: Hope I'm not disturbing you

Braga: No I wasn't sleeping, I was about to

Me: Okay

Braga: You sure you good?Me: Yes I'm good

Braga: I'll call you later thenMe: Okay

Braga: Sharp Me: I
love you

Braga: I love you too

I hung up and sighed..

SASSY

One thing I don't wanna do is leave bits and pieces of my heart on everyone.

Where my heart is involved, I tend to be protective. I can't do hookups, They fail me. I catch feels and I catch them fast, leaving me high and dry. As much as I had a great time with Presh, but this night could be a start of a heartache.

We can't just sexually satisfy each other on the first meet up. I know people find one night stands and no strings attached sex comfortable but I don't..

Later on I swallowed my pride and called Braga to pick me up, She was her grumpy self when she arrived, said a word to none. Other than a formal greeting to Presh. I thanked Presh for the great time and then we headed back home..

She said nothing in the car, I kept quiet too..

We got home, That's where the real fight started..

Braga: You know the way you disappoint me sometimes, Vele I ask myself if this friendship is worth it
Me: Excuse Me?

Braga: I do hookups you don't! What changed?
Because tables are turning now, you stepping in my role and I'm stepping in yours

Me: What the hell are you talking about?
Braga: For how long have you known her for? to go around opening your legs for her? Where is that high godly talk "I

don't do hookups, Sex is an emotional and spiritual connection"?

Me: I didn't sleep with her!

Braga: And you want me to believe that?

Me: I don't care what you believe! I don't give a damn!!

What goes down in my life and who I do it with is none of your business!

Braga: Everyday is something with you! I'm so sick of your two timing trash standards!

Me: My what?

Braga: Your Mother Theresa tendencies! The least you can do is look me in the eye and be truthful, Be straight with me! Because real bitches don't lie on their pussies!! I slapped her across the face..

We have fought before but it has never been this intense to the point where we get physical with each other...

She made her way to me, I stepped back. She flipped the coffee table and that scared me a whole lot, because we never attained this level of angry..

I walked backwards until I was against the wall, She squeezed my cheeks..

Braga: The only bitches who do that are the ones I fuck, Don't ever in your motherfucking life do that! Don't do things you won't stand up for.. Cappish? I looked at her..

Braga: Can I get a vow?

I forcefully nodded through that tight grip..

Braga: Good!

She let go of me and we heard a knock at the door...

She stepped back and pointed at me..

Braga: We not done here

She turned back and walked to answer the door.. I put my hands on my chest, and exhaled with my eyes closed..

CORDELIA

I was relieved when my Step Mother came back. I have never been this happy to see this woman....

Me: Where have you been? She looked at me..

Ma: Ohh I'm sorry I didn't know that we were married

Me: We were just worried

Ma: I went home to visit my Mother
Me: Okay I cooked

She looked at me.. Ma:

Thank you

Me: I'm sorry about earlier on, I will try to do better next time

Ma: weee Cordelia ukahle? (Are you okay)

Me: Ngi right

Ma: You acting strange, Did you poison the food?

Me: Cha.. (No)

My Father walked in, He was shirtless... Only left with his pants. Belt unbuckled, Pants unbuttoned at the top.. A little wet stain at the front..

Dad: Hau.. Ubuyaphi? (Where are you from)

Ma: I went home.. Uma unomkhuhlane (Ma has a cold)

Dad: Awu isalukwazi Madoda (The old lady)

Ma: Kodwa uzoba right.. I took her to the Dr

Dad: Siyabonga (Thank you)

Ma: Let me go bath.. Ngikhathele (I'm tired)

She walked out. My Dad looked at me, with his hand going down from his chest

slightly to his belly button, rubbing his big belly..

Dad: Awenze ke Cordelia.. Set the table I nodded..

I stood there, He stood there too.. Dad: Dishes?

Me: Yes dishes

I pulled down my t-shirt, It wasn't going down far enough..

I opened the cupboard and stood on my toes taking out the dishes. I looked at him from the corner of my eye he was staring at my ass still rubbing his big belly. My heart sank, My chest closed. I got hot flushes..

I took the plates out trembling and walked to the lounge.. Passing him made me more scared, Right when I passed. He passed too bumping me from behind, his hand fully stamped on my ass..

I dropped the plates..

Ma: Hayi! Hayi! Hayi! Yini manje? (What's going on)

Dad: Hayi!

He walked out, My step Mother showed..

Ma: Umdala kangaka uphula ama plate? (Old as you are, you are breaking plates)

Me: Ngiyaxolisa (I'm sorry)

I picked up the broken pieces..

Ma: Cha waze wa useless ngempela Cordelia (you are useless)

I had tears as I was picking up the broken plates..

SASSY

I heard her talking with someone, It was a male voice..

I went to the bedroom and started packing. I think we need space, we

need some space from each other to calm down..

She came back as I was busy packing..Braga: And then?

Me: I'm going homeBraga:

It's 19:00

Me: We need some space

Braga: I don't understand, I'm the one who got slapped.. I'm the one who is supposed to be angry

Me: I'm not angry I just think that we need some break, Can you drive me home?

Braga: I'm not driving you all the way to Mpumalanga at this time! You need a break, there's a guest room. Plus you can't just up and leave, my Mother is going to ask questions why you left before she got back

Me: I don't care! I wanna go!

I grabbed my bag and headed to the door..

Me: Excuse me Braga: This is insane

When I attempted to walk out of the door, She closed it..

Braga: You lost your damn mindMe: I'm leaving

Braga: No you not

I tried opening she closed it back... That went back and forth until I accidentally dropped my bag to the floor...

She grabbed me and pulled me closer for a kiss..

CORDELIA

I wasn't going to be able to do this, My Step Mother took over in setting up the table still making sly comments..

I was in my bedroom.. I texted Braga:

"Can I please come spend a night at your house, having a fight with my stepmother"

I didn't wanna tell her about my problems as yet, Didn't wanna bring a burden to our relationship when it had just started but now I'm a bit stranded. I need to get out of here even for a night..

CORDELIA

(no edits, excuse any errors)

Braga wasn't getting back to me. I was in my bedroom, the current and only safe space. I had locked the door, Gaveout a lousy excuse to ditch dinner with the family.

With what transpired

between My father and I, He didn't giveme a tough time too. He let me be..

Many thoughts kept on running in my mind, I felt like I was losing my sanity. Thinking about what could fall upon meunder this roof. I was staring at the ceiling, Tears streaming down. Chest closing in, I felt like shit. I rose up from the pillow and took a few deep breaths, closed my eyes and said a short prayerof protection...

SASSY

We kissed with her pinning my hands against the door. Her leg in between mythighs. The most dirty kiss I've ever shared with anyone, which tickled my clit really bad..

Me: We.. We shouldn't be doing thisBraga: I know

She freed my hand and lowered hers down on me, Sneaking it under my t- shirt all the way up to my boobs..

Me: Ohh Braga...

We continued kissing, gently biting eachother's bottom lips. Giving each other a chance. She grabbed my small waist, moving me from the door to the wall..

Literally threw me against the wall andpinned me there, Taking off my jeans with my help..

We continued until we were halfway through naked, Just a steamy moment.As if like we were gunning for each other for a very long time..

I was left with my bra and underwear. She kissed me from my neck, to my chest. Running down to my tummy, and running the tip of her tongue in circles around my belly button. She grabbed my ass and moved down to gently biting on my thighs.. She pulled down my underwear, Parted my legs and I felt her lips against my coochie.

Me: Ohhhhhh Braga.. (Moaning)

She separated my vulvae with her thumbs and circled the tongue around my clit.. I bit my lower lip, moaning too.. She moved down and forced it in my hole, moving it in and out.. Greatest feeling ever.

I ran my hand on her hair and grabbed on tight to it, I forced through my leg to go over her shoulder..

She worked on my clit, sucking it like it was delicious dessert hoping it doesn't finish and finally partially inserted her two fingers. I pinned her more on my coochie..

Me: Fuuuuuuck

She came back up and kissed me. Massaged my breasts as I did the same to hers. I took off my bra, she took off her sports bra. We kissed again busy massaging each other, she snuck in her leg in between my legs..

CORDELIA

My phone rang, I picked up thinking it's Braga. Maybe she's calling with a different number....

Me: Babe Teekay:

Cordelia

Me: You gotta be kidding me! What do you want?

Teekay: I see now usudlalela offside (I see you dating a girl now)

Me: What is it to you?

Teekay: So vele ikhona Indaba? (Soyou two are indeed dating)

Me: Goodbye Teekay

I hung up and blocked him..

SASSY

We moved from the wall straight to the bed, she was ontop of me and we weredoing a clit on clit. Her clit rubbing against mine.

It's a bit of a difficult position to attain to get that clit on clit feeling, especially witha small clit..

Once you do though attain that position,it's the best feeling you'll ever get when it comes to sex.. Busy taking breaks when the moment intensified..

She got off and sat in a semi upright position. I got ontop of hers. Having a smaller butt helps with an easy grip. I placed both hands against the headboard. I knelt with my knees on the sides of her hips, just so my ass could be lifted up a bit. She finger fucked me in that position, this time a bit firmer thanthe last time just to get that scream out

of me.. She did that whilst sucking onmy nipple..

CORDELIA

I heard a knock at the door.. My heartskipped a bit..

Me: Who is it?

Ma: Hai maan yimi (It's me)Me: I'm coming

I got out of bed and went to unlock. Iopened.

Ma: When you wake up in the morningplease wash dishes At least she didn't say now..Me: I'll do

that

Ma: Good nightMe:

Goodnight

I closed and leaned against the door. I thought only guys did a hit and run, I didn't expect that from Braga.. So disappointing.

SASSY

Our sex session went on, lasting longer than it should. Coming constantly and then getting back to the moment and coming again after a while, It exhausts you.. It dawned on me after we did it that I just had sex with my best friend..

Braga and I had sex, We were supposed to be fixing what happened earlier on but we decided to fix things the other way..

This was not suppose to happen..

SASSY

When I woke up that morning, Braga was not laying next to me. Her side of the bed was empty... Still very much

taken by last night's events, I got out of bed. Made my way out of the bedroom to the bathroom to wash my face and brush my teeth...I heard a sound coming from the kitchen, a song playing..

After brushing my teeth and washing my face, I walked to the kitchen..

"I never fall out with the bro

Hate when your family turn into foe We had a penthouse on the road Interior decorated with the h-

Just like a multiple-choice getting chose My n- like "Eenie, meenie, minee, moe" Scoop up a dime-piece like we homeless

Then we gon' send 'em back pigeon-toed

Out of the concrete was a rose and windows was cold

Had to go over and stand by the stove We from the Southeast, niggas know"

She was preparing breakfast..

I didn't know what to say, I didn't know how to face her because not only did we do it once but a lot of times throughout the night..

Braga: Good morning Me: Uhm morning She looked at me..

Braga: You good? I'm making breakfast Me: I'm good

Braga: What happened last night shouldn't have happened???

So she's just gonna speak on it?? Me: I don't know

what happened lastnight, but yes.. It shouldn't have happened

Braga: So if I touch you now, would you refuse?

Me: You have a girlfriend, we are bestfriends. It shouldn't have happened!

Someone knocked at the door..

Me: I'll get it

I went to open, It was Cordelia. My heart started racing..

Me: Delia

Delia: Hi Sassy.. Is Braga around?Me: Yes she is

I let her in and then closed the door...Me: Sassy is here to see you

Braga: Baby

Delia: Good to know Braga: Am I in trouble?

Delia: I don't know you tell me. I texted you last night no reply, waited for your goodnight text or a call

Braga: I was busy last night, then I passed out early

Delia: I was worried, Thought maybe you did a hit and run after we had sex I looked at Braga..

Braga: That's not true.. Come here

Cordelia walked up to her, Braga put her hands on Cordelia's cheeks..

Braga: I'm sorry

She kissed her, That was a sting on me..

Me: Excuse me

I walked away to the bedroom...PRECIOUS MOLOI Nic and I called up that Chick to meet up with her, She showed up at the restaurant for breakfast..

She sipped on her coffee and then closed her eyes..

Comforter: There's something about coffee that just goes straight to the heart, especially when serious

conversations are about to be discussed.. It makes you feel relax

Nic and I looked at each other annoyed.. Comforter: You should try it Presh

I was drinking a mango juice..

Me: I don't drink coffee, I suffer from apanic disorder

Comforter: A big bully like you can't down coffee because your heart willstart beating somehow?

Nic: Can we discuss the matter at handplease?

Comforter: Yes please.. Let's discussCORDELIA

Braga looked at me putting her hand onmy cheek..

Braga: You okay?

Me: I'm okay, Just missed youShe pulled me closer..

Braga: I'm sorry I didn't call you lastnight

Me: It's okay at least I know that I wasn'tgetting played

Braga: Still doing the sleepover?Me: Yes

Braga: That's my girl

SASSY

I chilled in the bedroom giving them some space. Though my heart was heavy seeing them together like that..

I called Presh, Since she texted me lastnight and I didn't get back to her..

Presh: Sassy

Me: Hi.. Just saw your text now Presh: I wanted to check if you gohome safe

Me: I did.. I'm sorry about my best friendand how she acted out towards you Presh: You told me that she wasn't feeling the same way about you

Me: She doesn't

Presh: Not according to what I saw lastnight

Me: You know almost everyone says that but I'm telling you Braga doesn't feel that way about me, As we talking.

Her girlfriend is here and she's acting like we didn't..

Presh: Didn't what??

Me: Didn't have a heart to heart yesterday

Presh: Well what I saw yesterday was a girl who was into you too

Me: Yaa I don't believe

Presh: Can I call you back? Sort of like in a meeting

Me: Okay no problem Presh:

Sharp

Braga walked in..

Braga: Breakfast is ready Me: I'll eat

later

Braga: Why?

Me: I don't know, Maybe because we had sex last night and this morning your girlfriend is here and I'm supposed to smile with her like nothing happened

knowing very well what transpired between us

Braga: Do you feel some type of way about what happened last night?

Me: Of course I do, do you know how hard it was facing

you this morning Braga: I don't understand why you

making it my problem. I'm fine with what happened last night, Don't regret it and not embarrassed for my life

Me: Of course not.. You are the Queen of hookups

Braga: You were anything but a hook up last night. Hook ups it's a smash and moving on to the next one

Me: Either way, I just don't feel right facing Cordelia

Braga: Cordelia will know that something is wrong if you keep acting like that, pull yourself together then come have breakfast with us

PRECIOUS MOLOI

We had to recruit her, We didn't have a choice. I didn't want a lot of people in this operation of ours..

Me: How did you even know? Comforter: I invest in the company myself, so when you posted that you just started but on \$50 I knew something was off then the company raised concerns about system hacking. The part about your Mother receiving the money was just an educated guess

Nic: If you fuck us up, we going to fuck you up!

Comforter: I know.. I'm well aware of that

Nic: Good

Comforter: I have to go, we'll talk soon She picked up her bag and walked away..

Nic: Do you even trust her?

Me: No.. Never Nic:

We in shit

Me: Just have to keep a close eye on her

Nic: So you and that girl, Are you guys exclusive?

Me: No.. I mean do like her but her and her best friend are hung up on each other, I don't wanna be a part of a love triangle between me and them

Nic: That's shit Me: I

know SASSY

We were now eating breakfast..

Delia: Sassy why don't you consider moving down here? It'll be good for your career path

Me: I like staying at home for now, but I'll definitely consider it

Delia: You should, It'll make a huge difference

Me: Yaa

Braga: Cordelia is going to sleep overtonight

Me: Ohw.. That's great, I'll take the guest room and I was thinking of visiting Presh again

Braga looked at me..

Me: Whilst you two spend some time together

Braga got up from the high chair.. Braga: I'm going out for a smoke.. I'll be right back

CORDELIA

Braga was in a mood. The morning started off well, But after breakfast her mood just changed. Especially when Sassy prepared herself and left to go see Presh..

She suggested we should go out, Get some fresh air.

As I was busy fixing myself, making sure my makeup is still fine she was changing the bedding.

Suggested to put a clean one since I will be spending a night, I admired the gesture and the respect..

She walked in, I was in the bathroom checking myself out in the mirror..

She stuffed the dirty bedding into the laundry basket and looked at me..

Braga: Ready?

Me: Ya let me just hook my earrings
Braga: What's the fucken fuss with umjinko wabotsotsi (Hoop earrings) when we just going out for lunch?

Me: What did my earrings do to you?
Braga: They even look heavy

Me: Really?

Braga: Let's fucken go! I don't have all day!

SASSY

We went out on a picnic date if I should call it that. Just a peaceful, sunny outing at the park with a few treats..

Presh looked around..
Me:

What's wrong?

Presh: I have a thing with grass
Me: We'll be sitting on a towel

Presh: Still.. I have a thing with grass
I laughed..

Me: You have a thing about everything, what's the issue with grass?

Presh: Knowing dogs use it as their toilet, Makes my skin crawl

Me: Ohh the phobia.. We should've stayed indoors then

Presh: You wanted an outing I sat on the towel..

Me: Wait? You doing this because I wanted too?

Presh: Yes

Me: That's sweet and considerate, Haven't had anyone do such for me She sat on the towel too next to me..

Me: I mean you have a phobia and have a thing about everything but here you are doing this for me, Why are you single?

Presh: I'm single because my relationships don't last

Me: Are you the problem? Presh: I get bored easily

Me: Ohw.. So basically after this tomorrow I might be on the boring list? She looked at me..

Presh: Well you lucky because I like you, I don't think I'll be bored

I smiled...

Me: You know what?

Presh: Yeah? Me: I like you too

Presh: Well then I hope the best friend will live with that My mood slightly changed, Knowing very well what I did with Braga last night. But I didn't cheat on anyone, So I shouldn't feel guilty...

CORDELIA

I kept on stealing glances at her as she drove

Me: So is Sassy and Presh an item? Braga: I don't know

Me: I wish they are, Sassy seems like a nice Person. A nice person who deserves to be loved and loved back

Braga: I guess so

Me: I mean Presh seems nice too.. Might not know her beyond her work but even her personal account she's one hell of a funny soul

Braga: Are you also taken by this Presh?

Me: No I'm just saying

Braga: I'm just saying too because I don't understand why my girlfriend is busy talking about Presh! and this obsession you have with Sassy, Every minute Sassy this.. Sassy that! She doesn't even talk about you! Give it a rest! I don't wanna hear about Sassy and Presh, If I wanted to hear about them I'd be calling and asking

Me: I'm sorry I didn't think it was going to get to you

Braga: It's not getting to me it's just irritating me! I don't have time to waste talking about them!

Me: Okay Yamkela I'm sorry SASSY

I laughed.. Me:

You lie

Presh: Ehh ngiyak'tshela (I'm telling you)

Me: You know I'm having a great time Presh: I'm having a great time too (Silence)

Presh: You have a uhm.. Me: Huh?

Presh: On your cheek I rubbed my cheek..

Presh: Here

She came closer and kissed me on my cheek, then my lips.. She broke the kiss after a few seconds..

Presh: There I got it

She wiped my lower lip with her thumb... YAMKELA (BRAGA)

We drove out to Ocean basket. Cordelia wanted some

prawns..

I kept busy with my phone as she looked at the menu..

I wasn't feeling like a meal, I just wanted to do something nice for her..

I took my phone and went on whatsapp. Sassy had updated a lot of whatsapp statuses. Outdoor picnic. Her last video is what got to me, Presh was holding her hand and kissed it. The video was captioned "Current location, with someone special" the caption was accompanied by a hearts..

I felt a sharp pain shooting through my heart. The heartbeat that followed, I felt it. My throat clogged up. I was breathing heavy..

Cordelia: Are you okay? Me:

Excuse me

I got up from the table and went to the rest room. I pushed the door open and paced up and down..

Me: Calm down.. Calm down..

I was holding and squeezing my phone tight, I was losing my mind. I had my eyes closed and had flashbacks of the moment we shared last night..

I stopped and looked at myself in the room, My face had turned red..

I went on whatsapp again..

I texted one of my customers..

Me: "Vince do you want the staff for free? I'll give you 3 pills for free but I need a favour from you"

.

YAMKELA (BRAGA)

Me: Don't rape her, Don't kill her just rough her up a little.
Make it look like a random robbery

Vince: I don't understand, why can't you do it yourself?
Scared of her?

Me: I'm shit scared (Sarcasm) Vince: She's
that scary?

Me: That was sarcasm dummy.. I'm not scared of her, I
just can't be linked to this shit

Vince: Why?

Me: Because she's.. Someone I love cares about this
chick, If I get linked to it then it'll hurt her and I cannot take
her hating me for the rest of her life

Vince: I'll do it then tell you when it's done. Send her
picture, Send her everything so I'll stalk her and see how a
normal day schedule seems like for her Me: Now we
talking.. I'm sending SASSY

We got back from the picnic. She unlocked and playfully
blocked me from entering, I pushed her in..

Me: Stop it.. You so childish (Laughing) She put
everything on the counter..

Me: I had a great time today, thank you Presh: You
welcome, was good to see you smiling and laughing

Me: Yeah.. It was sweet and I applaud you for sitting
through on the grass Presh: Well what can I say

I walked closer to her and kissed her, with my arms
wrapped around her waist.. I have been wanting to do this
all day since our last perk on the lips at the park, her play
toys. Would really like to try them out, hoping she won't
reject me and pull back. That would be embarrassing...

YAMKELA (BRAGA)

Cordelia: That took long

Me: I was on the phone, I'm waiting for laptops to be delivered. I'm opening an internet Cafe

Cordelia: Wow that's nice

Me: You can come work for me, from time to time

Cordelia: As an employee or a girlfriend?

I laughed..Me:

Both

I held her hand..

Me: I know I've been a bit harsh on you, I'm sorry.. I'll do better

She smiled as I kissed the back of her hand..

Cordelia: That would be nice because I am falling for you and I want to know that you falling for me too

Me: I am falling, I don't know where I'm falling too but I'm falling that's the important part!

She laughed.. Cordelia: I

love you Me: I love you too

SASSY

My wish was granted. We kissed our way to the bedroom, leaving a trail of clothes on the floor...

Presh: Are you sure you want to do this?

Me: I am sure

I can't believe this, I don't know where this moment will lead but I'm about to have sex that might lead to a relationship or don't lead anywhere. I have always pride myself in not doing any strings attached sex, here I am having one because I don't know what we are currently..

Being slim makes it easier when I have to be picked up. She picked me up and literally threw me on the bed..

Me: Ohh my word you lucky I didn't fall off the bed
(Laughing)

Presh: And hit your head on the floor, bleed from the back and I'll be facing jailtime

She got ontop of me..

Me: I'm glad none of that happenedPresh: Can we be spontaneous?

Me: I like spontaneous

CORDELIA

After our lunch, We took a walk. Car stillparked by the restaurant. I like momentssuch as a walk, good way to bond. We were holding hands and the walk endedup making me do window shopping. I am obsessed with heels.. Braga was getting a bit annoyed and impatient..

Me: I like these

She looked at them.. Me: What do you think?

Braga: If I buy you these heels, do youpromise me that we will go back to thecar and drive off home?

I checked the price, R450 on the dot..Me: You really don't have too

Braga: I just wanna get out of here, If we don't get them then you'll force me to goto other stores

Me: Okay.. I promise

She took out her wallet, and took out hercard..

Braga: Let's go paySASSY

Spontaneous ended me up with a blind fold and cuffed. Since her headboard wasn't accomodating, She tied my hands to my back and I laid on them, sol couldn't use them even if I wanted too..I didn't know how to feel about this, All the darkness I was seeing, but I want to see how it's all gonna end. The cuffs were a bit tight too..

Presh: The safe word will be the usual"Stop". If you feel uncomfortable, then

you can say stop but you can only use it to your advantage 3 times. You exhaustit now then it's on you

Me: Okay.. I understand

When I felt her touch me, My heart skipped. I don't know what's going to bedone to me so it's a scary interesting situation..

I felt her lips and the moist of her tongueon my skin. From my thighs to my coochie. She stretched my legs more wider and I heard something vibrating. I relaxed it's a vibrator, It's gotta be a vibrator..

Presh: Still good?Me:

Still good

I felt her tongue on my clit and the vibrator, vibrating at the entrance of mycoochie. It was a crazy feeling, A goodcrazy feeling. She ran the vibrator in circles around my coochie still at the entrance and the tip of her tongue pressing, licking and circling around theclit. My moans started off low, They picked up as the mood picked up.. I couldn't touch her, All I could do was just slightly move and moan.. Moan hername..

I felt myself getting seriously wet from what she was doing, It went on until I feltlike coming, the vibrator was vibrating inside of my coochie now..

Me: Ohhhhhh Presh

I lifted my ass up a bit, I felt her hand under my butt squeezing it and shakingmy right buttock...

CORDELIA

When we got out, I hugged her andkissed her..

Me: Thank you Babe

Braga: Are you sure they fit? Because I don't wanna come back for an exchange

Me: They fit perfectly Braga: Then that's good
She spanked my ass..

Braga: Then let's go!!
Me:
Awww!

SASSY

She was exhausting me with the orgasms she was giving me. I wasn't doing nothing serious just laying there but I was feeling it, The exhaustion creeping in. I haven't used the safe word, only because I didn't see the point of using it, I was still fine.. Still enjoying.

She slid in, It was unquestionable that she had a strapped on. I noticed because she was in between my thighs, Her weight on me.

The dildo, it felt like I was having a dick shoved in. The only difference is that it was too smooth and more firmer than a usual dick. It's no different than being fucked with a condom..

It stretched me, I don't know and can't see how thick and big it is. My eyes were blindfolded, I couldn't see anything..

She gently pressed in deeper, I gasped she stopped..

I felt her hand grabbing on my breast and she sucked it whilst squeezing it and furthering in more. It wasn't uncomfortable, nor did the dildo itself hurt. Just the pressure was a bit painful, I haven't been with a guy in a long time. Halfway through she pumped in slowly, I don't even know how she was killing it. I have always been uncomfortable with a dildo because I didn't think one can use it precisely, I've seen porn videos where they just shove it in and it seems painful. But she was working it in well, I'd even

forget for a second that this session was a girl on girl. Only get reminded by her moans, her female voice..

I heard her voice whispering next to my ear..
Presh: If we do this, then we end today in a relationship?
If there's not gonna be one then we can stop
At least the feeling is mutual, At least this won't be just a
hookup..

.

YAMKELA (BRAGA)

Cordelia was at the kitchen preparing dinner. I was keeping busy on social media, I checked whatsapp and stumbled on Sassy's uploads. They were disheartening for me to watch

because she was uploading videos of her and Presh. One that really got to me was the one where they were in the bathroom, She was sitting on the counter in a towel.

Presh was in between her legs and they were kissing. They looked very much in love, You'd swear they have been involved for a long time. This is validation for me that she was dating Presh and has been lying about it..

I got up and passed the kitchen..Me: Babe I'll be in the bathroom Cordelia: Okay.. Almost done tool went and took the "Ntash" in my bedroom, the one that I sell and went to the bathroom. I locked the door..

PRECIOUS MOLOI

Nic showed up with Comforter. I accompanied Sassy to go catch a taxiback..

Nic and I have one car, Due to my Panic disorder I hardly drive. I'm not eligible to drive in case I get one whilst on the road.. It's a personal choice to keep safe at all times..

Comforter: So I brought my own Pc and you guys can join me with yours

I took my anti-anxiety pills and drank them..

Me: Who said you part of the team? Comforter: I assumed that given the situation of my knowing more than I should know, I thought we were now a team

Me: Sometimes people who know a lot end up in a ditch somewhere dead Comforter: What medication is that?

Me: None of your business

Nic: She said she has a proposal for us, for us to make more money

Comforter: Wanna know?

Me: Talk

SASSY

I was in a good mood, In a very good mood..

I opened the door singing, Heard noise at the kitchen. I went there, It was Cordelia..

Me: Hey Cordelia:

Sassy

Me: Something smells nice Cordelia:

Just in time

Braga walked in. She was sniffing and wiping her nose...

Braga: Look what the cat dragged in! I knew this wasn't going to go well..

Me: I'm going to the bedroom

I walked to the guest room and she followed me..

Braga: So how is it going? With you and Presh?

Me: It's going great

Braga: I thought that we were Best Friends, Thought we talked about everything.. Now I have to find out through whatsapp uploads that you and her are dating?

Me: I was going to tell you, Our relationship just started

Braga: When?

Me: We made it official today

Braga: So you fucked her before the relationship was official?

Me: What is it to you?

Braga: Ohh I'm sorry.. I thought you had some decency,

Some pride, some integrity. Now you no different from the bitches I've fucked and didn't bother calling the following day

Me: I'd rather be that bitch than to keep on chasing someone at the back

She chuckled..

Braga: This is about me turning you down? So what is this? Revenge?

Me: Revenge? Get over yourself! You think I'd sob and be depressed just because I got rejected? Life goes on and now I found someone that truly cares for me, Someone who feels the same way about me

Braga: You think she loves you? I give you and her a month! After how loose you are, by next week ya'll be done!

Me: It doesn't matter, If we done I'll move on.. It's life deal with it! And you have no say in what goes down in my life. If I wanna be fucked blindfolded and cuffed whilst fucked then I'll do so!

Braga: What the fuck did you say? She walked up to me and grabbed my hand..

Me: Let go off me!! Braga: She cuffed you?

Me: And I enjoyed it! Will I do it again? Yes?

Braga: Are you mental? She's fucken playing a sexual fantasy with you! A dark sexual fantasy! And you feeding her sick state! Couldn't pick it up? Firsttime sex and it's this rough? Supposed to be gentle make love not this kinky shit! She's using a dark sexual fantasy to deal with whatever shit she's going through and you helping her!!

Me: I don't care!! At least she's feeling me! Even if she could whoop my ass to the nearest red marks that I can't sit! I'd do it!

She put her hand on my throat and pushed me back against the wall.. Braga: Fucken whore!!!

She pressed really tight..

Braga: You a fucken whore! A slut! A piece of meat that just got used!!

I couldn't say anything.. She was really pressing tight with all she had..

Cordelia walked in..

Cordelia: Ohh my God Braga! Cordelia tried to move her away from me..

Cordelia: Braga stop it! You going to kill her!!

Cordelia got on top of her back.. Cordelia: I said stop it!!!

Cordelia put her hands on Braga's eyes, Braga let go..

I placed my hand on my throat coughing..

Cordelia: What is wrong with you??? Braga: Fuck!!

She walked up to me..

Me: Stay away from me!! Stay away from me!!

I walked to the door.. Braga:

Babe

Cordelia: Leave her alone! What you wanna do? Kill her??

I got in the bathroom and locked myself inside..

SASSY

In the bathroom I noticed some white powder on the counter. Or traces of a white powder and a rolled out R20 note..I sat on the toilet seat, Shocked at the revelation..

I called Presh..

Presh: Thought you never arrived

Me: Can you come pick me up please?Presh: Come pick you up?

I didn't wanna be emotional, But I was failing to hold back..

Me: Braga uhm.. We had a fight and she choked me

I wiped my tears when I heard a knock at the door. She tried to open but it was locked..

Braga: Babe please openI kept quiet..

Braga: I know that I scared you and I'm sorry.. Things

shouldn't have gotten out of hand, I shouldn't have done that. There's Braga when she's blowing up, then there's Braga who is calm. The calmness in her voice begging, hits deep within in the heart..

Braga: I love you so much, and I'm sorry I didn't mean to hurt you or scare you like that. It's never going to happen ever again I promise, just open I'm worried.

You've been there for quite a while now I wanted to say something but my heart was still heavy..

Braga: I'm sorry

CORDELIA

I could hear her apologizing. I could hear the desperation and pain in her voice. I still don't know what they were fighting for, I got in late when it had turned out physical. I am not a fool, I know the trigger is Sassy's newly found relationship..

I walked back and sat on the bed.. She walked in.. She was defeated, she was frustrated..

Braga: She's not opening

She sat on the bed and rested her head in her hands..

Me: What were you two fighting about? Braga: It's not something serious

Me: You choked her, you were upset Braga: Things got a little out of hand I admit

Me: A little out of hand? That was not a little out of hand

Braga: Cordelia I can't do this with you right now, don't make me do this with you

She got up..

Me: Manje where are you going?

She punched the wall but not too hard.. Braga: To get a breather

PRECIOUS MOLOI

We drove out to where she directed me, led by the text..

Comforter: I still don't understand why we doing this,
Neglecting something important to fetch a girlfriend?

Me: Don't you ever shut up? She kept
quiet..

Me: Goodness!!

We got lost here and there, but we ended up
finding the place..

I noticed Braga standing out.. Me:

Comforter you stay

Comforter: Wasn't planning on going anywhere

Nic and I got out and made our way in.. I texted Sassy that
we were here..

Me: Braga

Braga: What's up?

Me: I'm here to fetch Sassy

Braga: To where? Where does the road lead?

Me: I'm here to fetch Sassy Braga: Why?

Me: I think we know why

Braga: Sassy is not going anywhere, We had a bit of a
misunderstanding Me: A bit of a misunderstanding?

You fucken put your hand on her

Braga: As I'm saying.. We had a little misunderstanding

Me: I don't care that you two have misunderstandings but
putting your hand on her, That's where it took me

Braga: I'm sorry that you've traveled all this far, Showing
up with company to fetch Sassy but she's not going
anywhere

Sassy walked up to us, She ran up to me and hugged
me...

Sassy: I'm so glad you are here Me: Are you

ready to go?

Sassy: Yes I have to get my things Braga: So you choosing her over Me? Over us? Someone that you've known for 3 seconds? Over our friendship?

Sassy: I'm choosing peace

Braga: You slapped me! You don't seeme bitching about it, but when I lose it I'm the bad guy? How is that fair?

Sassy: So you choked me because I slapped you? A wrong and a wrong doesn't make a right Braga!!

Braga I know.. I know Babe and I'm sorry, You don't have to do this. You can

stay mad at me, we don't have to talk it's okay but please don't leave

I didn't like this, Sassy was falling for the apology speech..

Me: You stay she's going to do it again Braga: Shut the fuck up! You not even a Dyke!

Nic: Now that's offensive and condescending to Lesbians, It's no different from the word faggot

Braga: I bet she's in the closet and if push comes to shove she would choose protecting her dignity than this relationship of yours with her

Me: The fuck you know about me?? I saw some girl walking up to us..

Me: The only reason why I'm not fucking you up right now is because I respect Sassy more than you'll ever respect her

Braga: And I love her more than you'll ever understand and you don't even know shit about her!!

Nic: I'll be in the car She walked to the car..

Braga turned and looked at the other girl.. She shook her head and walked back to the house..

Braga: Shit!

She ran after her..I looked
at Sassy..

Me: Are you still leaving? Sassy: Yes I
am.. Yes I am

Me: It seems to me that you don't need any
reinforcement so.. I'll be in the car..CORDELIA

YAMKELA (BRAGA)

"Nobody knows me, I'm cold, walk down this road all alone
It's no one's fault but my own, it's the path I've chosen to
go

Frozen as snow, I show no emotion whatsoever, so
Don't ask me why I have no love for these mo'fuckin' ho's
Blood suckin' succubuses, what the fuck is up with this?
I've tried in this department, but I ain't had no luck with
this"

Sassy was gone, Cordelia was gone. I ended up in the
lounge alone just playing my favorite song hoping I'll get
through this moment. It's all coming back to me now,
That I've messed up.. I love Sassy but I also wanna be
with Cordelia. The situation with Sassy is that, Yes she
has my heart I admit.

Probably won't love anyone else more
than I love her. I love her so much that I don't wanna hurt
her. She falls easily in love, She catches easily. I know
she will fall hard and if something happens, Our friendship
won't survive too... She won't allow for an open
relationship that I know, Sharing me with someone else.. I
have to make the toughest decision of my life. I'll have to
force myself and bite my heart, and let her be. As much
as I want to be with her but I also want to see her happy.
If this Person makes her happy then I'll take
that. I'll have to suffer silently but let her be..

I have texted her more than I have texted Cordelia, She
wasn't responding. I know when she loses it, She loses
it..

SASSY

I sat in the bathtub, The water was at a perfect temperature. I closed my eyes and put my hand on my throat. Dating back to that incident, Not only did those thoughts come back but also the event of us having sex. Yes it was intense, but at the same time I wished the moment ended up with some steamy makeup sex. Am I sick? To actually have thought about my best friend as Presh and I were doing it? Be turned on by Best friend's sudden burst of anger?.. I mean I think Presh and I have something good going, or will have something good going on but.. She's just missing something, I haven't seen her mad. With how I am, Crazy I am. I always wanted someone hard headed who can match up my stubbornness. Someone who will make me a bit submissive here and there, Someone who can actually handle me and don't let me run all over her. I don't want a pushover..

I heard a knock at the door, The door opened and Presh walked in. She freaked me out..

Presh: I'm sorry.. I didn't mean to freak you out

Me: It's okay

Presh: You safe you here you know that? She's not going to hurt you Me: I know

She sat on the toilet seat..

Presh: So what was the outburst all about?

Me: We fight a lot, It was nothing Presh: She put her hands on you, Does it happen very often?

Me: No she.. Actually she was trying to protect herself. I attacked her first Presh: Do you defend her all the time?

Me: Braga is not abusive, She's not like that

Presh: She seems like an unstable Person.. Is she on drugs?

Me: What? No! She's not

Presh: I saw her Sassy. The sniffing, Rubbing her nose. Unless she has sinuses

Me: We done with this conversation Presh: I just don't want this beautiful thing to turn out ugly, What I saw back there. It wasn't a best friend and a best friend situation. I saw two people who love each other but scared of being with each other, but also scared of seeing each other with other people

Me: Can we not do this? I'm not a storyline for one of your stories please don't profile me.. I wanna have a normal relationship. Be like that with your readers but be normal with me

Presh: I didn't mean to upset you Me: I'd like to go back to bathing

Presh: Yeah sure

She got up and then came and kissed me on my forehead before walking out..CORDELIA

My tears fell on the novel that I was reading..

I wiped them.. My phone rang again, It was Braga..

I picked up..Me:

Hi

Braga: Still mad at me? Me: What do you think?

Braga: I'm so sorry I didn't mean to hurt you

Me: I don't wanna be in competition with Sassy

Braga: And I don't want you to be.. I want you to be you.. I love you and I wanna be with you

Me: I find that hard to believe

Braga: Please give me another chance, One last chance..
If I mess up again then you can go, You can leave me
and I won't bother you.. I promise

Me: I don't know Braga:
Please..

Me: I just..

Braga: One last chance please Me: You mess
up again, I'm gone I heard her exhaling..

Braga: So I can I make it up to you tomorrow?

Me: Yes

Braga: I love you Me: I
love you too SASSY

I got out of the bathtub and went to dress up. I took my
phone and I had a lot of text messages and missed
calls from her. I read through a few and deleted..

I checked her whatsapp uploads and she was taking it
hard. My heart broke, I wanted to say something but also I
won't make it that easy for her..

YAMKELA (BRAGA)

At least Cordelia was fine now, we were fine. Sassy on the
other hand, She's stubborn. She's going to give me a
hard time..

I heard the door opening, I got up from the couch..
Maybe it's her, She's come back.. To my surprise it
was my Sister..

Nellie: Yams!!

Me: What are you doing here?

Nellie: People usually get happy when they see their
siblings that they haven't seen in a long time

Me: I'm happy

Nellie: Agh.. Come here you, I've missed you!!

I walked up to her and we shared a hug..
With what I'm currently going through, I was happy that she's here..

Nellie: That was a long hug.. Are you okay?

Me: I'm fine

We broke the hug..

Nellie: Where is my loud mouth? Me: She's not here

Nellie: She left already?

Me: Uhm no.. We had a fight and she.. She went over to a friend's place

She looked at me..

Nellie: What are you not telling me? Me: Not tonight..

We'll talk tomorrow about it

I took her things to the bedroom.. CORDELIA

Dad: Cordelia kept quiet..

Dad: Cordelia??

I kept dead quiet to make him think that I was sleeping.

He tried opening the door but it was locked..

After a while it was quiet. I let out a sigh of relief.

I struggled through to sleep that night without Sassy around. Even in the morning, I woke up very early.. I was at the kitchen, Drinking coffee when my Sister walked in..

Nellie: Have you tried calling her?I looked at her..

Me: Hmmm?

Nellie: Have you tried talking to her?

Me: She's not picking up my calls Nellie: So you two finally found out thatyou have hots for each other?

Me: Something like that

Nellie: Let me guess.. She's with someone else and you not happy aboutit?

Me: I lost it

Nellie: Happens when you truly love someone, You can't stand them beingwith someone else

Me: I don't wanna hurt her

Nellie: Why do you think you going tohurt her?

Me: I know myself

Nellie: Then you don't love her as muchas you think you do, Because if you didthen you wouldn't hurt her. Whether in relationship or not because if you hurt her then it hurts you too

Me: Maybe you right

Nellie: Why don't you try a relationship with her? If it doesn't work then both ofyou will see and realize that you betteroff as friends than as lovers

Me: With how Mom is.. I don't want thembeing enemies. I don't want her to not belong

Nellie: It's not going to be easy I'm sure she also understands. You nudging the situation and her without even giving it a chance. It's not about Mom, It's not about anyone but you. Yes Mom won't accept, Mom won't be happy but who cares? How many people are living out there in love and in a relationship that it's not approved of.. Fuck Mom!

The door opened, Mom walked in.. Nellie: Speak of the devil (Whispering)Ma: Nel

Me: Ma

Ma: When did you arrive?

Me: Yesterday

Ma: It's good to see youThey shared a hug..

Ma: You look goodNellie:

Thank you Ma: Yamkela

Me: Ma.. Thank you for noticing me Ma: I'm from a very blessed church meeting, I don't want you ruining that

Me: Was just wondering when you weregoing to notice me

Ma: It's hard to notice you with who youare, Trust me even sharing the same roof with you is already painful enough for me

Me: So what? I'm a burden?

Ma: No that's nothing compared to whatyou are. You are curse, an abomination, everything that I stand against. Umthathe uSathane umfake entlizweni

(You took the devil and put him in your heart)

Nellie: Okay this is getting out of hand
Me: No let her be.. Let her get it out of her chest, Let her talk as if like she never even gave birth to me

Ma: Worst day of my life. If I knew then what I know now, I would've prevented you from existing in this world

Nellie: Ma

Ma: For how long are we going to tip toe around her? She has to know the truth!

You know this amazing girl at church passed on. Young and full of life, When I heard. I wished it was you, I wish you could die because right now at this moment. It puzzles me how you and I can even breathe the same air. I don't need you, How can a child like you.

Have a Mother like me? Were you sent to destroy me?

Nellie: Ma that's enough

Ma: I wish you could die, I pray for that every day

Nellie: Ma stop

Ma: When is Sassy?
Me: She left

Ma: I thought she was going to be here
Me: She left to go be with her girlfriend
Ma: What did you just say? You have possessed her too? To be like you?

Me: No I didn't!! I love Sassy and you fucked me up so much that I can't even love. I have so much anger buried deep inside of me for you

Ma: I don't care!! See what this thing of yours is doing? Drifting you apart from your best friend

Nellie: I'll be in my bedroom praying She took her things and went to her bedroom..

Nellie: I'm sorry little Sis

Me: It's okay... It's nothing new with her, Just gotta get the fuck out of here!!

A MONTH LATER

Moving out of home was not easy nor was my Father for it. He cuss me out, and then told me never to come back. I know living with Braga is not ideal, but I'd rather be here than home.. I don't trust my Father with my life anymore..

Her internet Cafe picked up, It was doing well so far. Better than I had anticipated..

I work there...

I looked at her as she made an exchange with some guy, Secretly sobut I saw it..

She's selling drugs or something? I took the copies to the customer..Me: R10.50

Customer: Thank you SASSY

With my choice of career.

Mpumalanga wasn't going to cut it, So I had to move to Gauteng..

My mom was okay, Just not okay with me staying with Presh. I decided it'll be better that way, Than spending money on rent that I don't have..

Braga suggested I come work at her internet Cafe, At first I had declined but sitting and doing nothing. Is not going to cut it..

I declined because I didn't want to see nor witness her relationship with Cordelia, I am still very much in love with her and it seems serious between them. Especially since they now living together and what not..

Braga has decided to lay off on Me and Presh, I could see it kills her sometimes but she's decided to not lash

out for the sake of our friendship..

She was standing at the door of the internet Cafe..

She looked at me, She has this intoxicating charming look..

Me: May I?

She moved a little.. I walked in and she literally ran her hand on my butt. I quickly turned and looked at her, She shrugged her shoulders..

Cordelia: Hey Me:

Hey

I went over and hugged her.. Me: Busy today?

Cordelia: Yes Me:

Okay

Cordelia: You have customers already Today I was typing CVs and what not.. Cordelia: Hey.. I wanted to invite you and Presh for dinner at our place tonight I looked at Braga..

Me: She approved?

Cordelia: I'm sure she won't mind Me: Okay.. 19:00?

Cordelia: No problem

PRECIOUS MOLOI

I looked at it, And then passed it on to Nic.

Me: How much? Him:

Nic: Seems like a real deal Him: It is a real deal

Me: Pay him

Nic handed him the envelope.. Him: Sharp

Me: How are we looking on finding him? Nic: Spotted where he hangs out

Me: Good

Nic: Still feels like it was personal?

Me: He didn't take my phone, It wasn't a random robbery

Nic: Okay Me:

Let's go

We got in the car..

CORDELIA

I recieved a whatsapp text from an old friend, Phindile..

She introduced herself as Phindile.

I checked her profile picture. Indeed it was her..

I saved her number..

Braga snatched my phone..

Braga: Texting at work that's coming out of your pay
month end

Me: Don't be ridiculous! Braga: I'm
serious

I looked around, We were in a spot where no eyes could
land on us..

I put my hand on her chest and pushed her back against the
wall..

Me: Then no sex for a month Braga: What's with
being dramatic? Me: My phone

She handed me my phone..

Me: Thank you

I kissed her, She grabbed my ass and pinned me
against her..

I kissed her on the neck.. Me: So guess
what?

Braga: What?

Me: I invited Presh and Sassy for dinner Braga: The
fuck??

I looked at her..

Me: At 19:00, don't make plans I started walking away..

Braga: Fuck me!

I turned and looked at her..

Me: Meaning I have to knock off early Braga: For Presh and Sassy

Me: To cook Braga: I don't get it

Me: 19:00 don't forget I walked back to her..

Me: And don't pretend like you forgot Braga: If I don't show up?

I took her hand and placed it on my butt..

Me: It'll be the last time you touch this PRECIOUS MOLOI

Nic: Do you even know how to use a gun?

Me: Of course not, but he doesn't know that

I fixed my cap.. Me:

Let's go

He was with a few of his friends washing a car.. We walked up to them

I pulled it out and pinned it on his back.. Him: Wtf?

Me: Easy.. Easy..

Him: What the fuck you want?

Me: We going to go to our car, just to talk okay? Be cool about it or I'll shoot you right here

Him: Fine.. Let's go

I put the gun back on my waist..

SASSY

Cordelia and Braga came back.. Now they having sex at work? Justamazing!

Me: I'm printing it!
printed..

Me: You can go get it at the reception He walked over to the reception.. Braga came and leaned against the counter..

With her arms folded..

Braga: Cordelia tells me you and your girlfriend will be coming over for dinner
Me: Yes she invited us.. How do you feel about it?

Braga: I feel good.. How is she holding up with her attack?

Me: She's fine.. She's doing fine thank you for asking

Braga: Can we talk?

Me: I don't know seeing I have another customer

Braga: It'll take only a second
Me: Talk

Braga: Leave Presh and I'll leave
Cordelia

Me: Are you insane?

Braga: I'm asking you to give us a chance

Me: No.. You had your chance when I was single and you rejected me
Braga: Now I'm in-rejecting you

Me: This is not a game Yamkela! You can't just decide to be in a relationship with me when it suits you. I'm in a relationship and I'm happy.. Presh loves me and I love her

Braga: Are you sure you wanna be with her?

Me: Yes

Braga: It's settled then

PRECIOUS MOLOI

Nic got in at the front seat..

I took out the gun and pinned it on his side..

Me: Talk

Him: Do you even know how to use this?

Me: Why did you attack me?

Him: I was in a bad mood that day Me: I don't give a fuck! Why did you attack me

Him: I told you

Me: Nic start the car.. We going to do this the hard way

Him: Hard way?

Me: Shoot you in the legs and we leave you by a dumpster to slowly bleed to death

Nick started the car..

Him: Okay.. Okay.. Braga asked me to do it

Nic: No shit!!

Him: She's my dealer and asked me to do it, I did it because I needed my fix Me: Why?

Him: I don't know.. I didn't ask questions Me: Okay.. Get out!

He got out..

Nic: So are we killing Braga?

Me: No.. We going to set her internet Cafe on fire

They let us in and we made our way to the elevator..

Braga: Ohh Presh I heard about your attack, How are

Nelz: Look at you, You look beautiful Me: Thank you

Nelz: Thought we were eating indoors, Million dollar outfit

Nelz: I hear you two are living together

Me: Yes we are

Nelz: It's that serious?Presh:

Yes

Me: Finally I'm happy and lovedCordelia: So sweet

Nelz: So sweet indeed

Braga: I would like to have everyone's attention

We looked at her..

Braga: Been thinking of a perfect time,And I think this time is perfect

She got up and knelt down on her knee,She took out a ring..

Cordelia: What are you doing?Nelz: Oh boys

I could swear that my heart almost stopped beating, What the fuck? Shewas doing this?

It was a sterling silver Infinity ring.. Braga: Cordelia.. I'm not really good withsuch things but.. Would you marry me

Cordelia: Are you serious? Braga: I'm settling.. I'm serious

Cordelia: Yes.. I'll marry you crazy!I got up..

Me: Excuse me

I couldn't contain myself, I went outside and stood over the balcony struggling to breath. She never told me that she was going to fucken propose..

Nelz came to me..

Me: Did you see that? Did you see that? Nelz: I saw.. Can you please step away from the balcony.. Safety reasons

Me: I'm not going to jump over just because my Best friend just proposed marriage after she told me she loved methis morning! Matter of fact I might just jump, Why is she choosing to hurt me like this? What did I ever do to her? I regret even telling her how I feel. If I didn't tell her, She wouldn't do this

Nelz: Okay let's calm down

Me: She doesn't even love her Nelz, She's doing it to hurt and spite me..

She's done it okay? She should fuckencelebrate

Nelz: I did say these games you two are playing will end up hurting one of you really bad

I wiped my tears..

Nelz: It's not fair on Cordelia too and Presh

Presh walked out.. Presh: Can I

talk to her? Nelz: Okay

Nelz walked back in.. Presh:

What's wrong?

Me: She didn't tell me she was going to propose

Presh: Is that why you crying like someone died?

Me: You wouldn't understand

Presh: You in love with this chick aren't you?

Me: Not now please

Presh: No we going to do this now because I feel like a rebound

Me: I love Braga as my best friend but I'm not in love with her

Presh: Then go back in there and prove it to me, Because you doing this sends a bad message to me

CORDELIA

Me: It's beautiful.. I love it.. How did you know my size?

Braga: That ring you wear most of the time, I took it

I hit her on the shoulder..

Me: And I thought it went down the drain Nelz sat down..

Me: Is Sassy okay?

Nelz: She's just overwhelmed.. I think I'll need more glasses of wine

SASSY

We walked back in.. We sat back down..

Cordelia: Sassy are you okay? Me: I'm fine

I looked at Braga.. Me: I'm fine

Cordelia: Can we talk? In private Nelz: I'm too old for this

Me: Okay

We both went outside.. Me:

What's wrong?

Cordelia: I know you love her, I know she loves you too. Even a blind Person can see

Me: I..

Cordelia: Denying it will just be you insulting my intelligence

Me: Cordelia I don't know what to say Cordelia: I want to know that you won't mess this up for me, I don't wanna wake

up one day and she decides to leave me for you. If it's like that then I can go back and give her the ring back.. Are you okay with it?

Me: Do you want a winter or summer wedding?

She smiled and came to hug me.. Cordelia: Thank you because I truly love her Me: I know

SASSY

I thought this night was never going to end. Do you know how difficult it is to keep it all in, To pretend as if like you okay when you not..

I was deeply hurt that I won't lie, and I won't pretend.

Right now I just want Braga out of my system, How does love get to hurt a human being this much?

Love is not easy. This thing called a heart, You can't tame it..

We were waiting for the elevator to open, Nellz and Presh walked in. Presh looked at me..

Me: I'll be right down

She pressed the button and it closed, I turned to Braga..

Me: I can't believe you would hurt someone else like that just because you wanted to get back at me

Braga: You think I proposed because I was trying to get back at you? What if I do love Cordelia? What if I do see a future with her?

Me: Yes of course.. My bad

Braga: I don't understand why you doing this, You are with someone else and you made it clear that you won't get it on with me

Me: Yes it's like that after all, You know you so selfish

Braga I don't even know where I found you. I hate you

Braga: The fuck you want me to do? Me: I love you okay? And right now I hate how I'm feeling because I don't think there's going to be you and me Braga:

There's not going to be me and you because I don't wanna hurt you. I love you too much to hurt you, it'll hurt me too. I am going to hurt you, You know that and I know it too

Me: You can fucken be with Cordelia and propose, live

with her but you can't give us a chance?

Braga: I don't love Cordelia as much as I love you, It'll be easy for me to hurt her but it's not easy for me to hurt you! I'd rather be your best friend right now than what you asking of me. I can't protect you from hurt and then end up being the one to hurt you. I don't wanna lose you, because I know very well a relationship will make me lose you. You mean that damn much to me and I don't know why you don't see things like I do. You loving me was never part of the plan, So let it go Sassy! We have a good thing going on why do you wanna complicate situations with feels? Tomorrow you'll wake up loving someone else, These feelings will go away. I am sorry that I cannot give you what you asking of me.. I can't do it

I lost it at that point. I attacked her, I hit her on her chest..

Me: You are so selfish and I hate you!! I hate you!! You can't even see how much you hurting me!! I hate you!!

She held my hands tight..

Me: I hate you with all my heart, everyone else can have a piece of you and I can't? You think I wanted this?

Woke up one morning and be in love with my best friend? I didn't choose this!! Braga: I'm sorry.. I know you didn't

CORDELIA

I looked at them, hugging and all cosy. They were far from where I was, So I couldn't hear what they were saying.

Sassy was upset though, She was crying..

I went back into the flat and closed the door..

I looked at the ring, This situation is messed up. Most people will say I won because I have the ring.. Did I actually win??

I looked at the time.. Me: I'm going back up Nelz: Wait

She grabbed my arm and looked at me..Nelz: I don't think that's a good idea

I looked at her..

Me: Scared I might find them in the elevator fucking?

Nelz: I'm looking at you and I know that you not a fool, You've seen this. Sassy doesn't love you, She's with you because she can't be with Yamkela..

Same goes for Yamz too

Me: Your Sister just proposed to someone else

Nelz: and I hate this tip toeing they doing. I think it's childish and it will only cause more pain, not only for others but for them. Look what happened tonight, Sassy was hurt. This game they playing they only hurting each other. If you go up there, I don't think one will make it back.. It's time Presh to decide. Do you wanna continue being a rebound or a security blanket or do you wanna walk away because this is only getting started She was right, She was fucken right...

SASSY

She let go of me..

Braga: Are you okay? Are you calm?Me: I'm fine

Braga: I'm sorry.. Maybe yes my intention was to hurt you because I was hurting too seeing you with her like that, Maybe I took it far

Me: Cordelia is a very nice Person, She loves you and she doesn't deserve this

Braga: Presh doesn't deserve it too..We've hurt each other and hurting others too

Me: It's not fairBraga:

I know

Me: I have to go before she suspects Braga: I'm not even going to get a kissMe: No

I pressed the elevator..Me: Good night

She pulled me back to her again for a kiss..

Braga: The next time you rock up looking this good, I'm going to fuck you in front of her

Me: You wouldn't dare I walked in..

I pressed again and it closed..CORDELIA

I received a call from Phindi..

Phindi: Wow congrats saw the ring on your whatsapp stats

Me: Thank you

Phindi: Who is the lucky guy?Me: It's a she

Phindi: I didn't know that you were.. You know

Me: I don't think it goes like that, We can't help who we fall in love with Phindi: Seems that way.. Look Bucie and I miss you so much, I think we should link up and you can tell us about her

Me: Yes we should Phindi:

Okay we'll talk SASSY

I walked out of the elevator and made my way to them..

Presh: There she is, Was about to call the search party on you

I faked a smile..

Me: I'm okay

Presh: Nelz just left, I think we should go too

Me: We should

Presh: Nic should be on her way CORDELIA

She walked in.. Braga: What a night Me: Indeed

Braga: So how does it feel? from a Girlfriend to a fiancé?

Me: I am going to ask Sassy to be my bride's maid, and ask her to help me plan the wedding.. I think a summer wedding would be good

Braga: What's the rush? I mean weddings are expensive

Me: Not a big wedding something intimate

Braga: I think we should wait

Me: For what? I can't still be a fiancé 5 years from now

Braga: Either way.. I think we should wait

Me: I'm going to clear everything and then go to bed

Braga: Now you mad? Me: No

I'm just tired SASSY

We got home, First thing I did was to take off my heels..

I sat on the bed..

Me: What a long night Presh closed the door.. Presh: Can we talk?

I looked at her..

Presh: I think we both know that this is not working and it's not going to work Me: Please don't do this, Not tonight.. I can't take more fighting

Presh: I'm not fighting.. I want you out by tomorrow morning

Presh: I'm not fighting.. I want you out by tomorrow morning

Me: What are you saying?

Presh: I'm saying it's over.. Hell dare Sassy do you even know the Person behind my getting attacked?

It's your fucken best friend

Me: I know Braga is rough around the edges but to get you brutally attacked? That's not her

Presh: That's exactly her! You can ask Nic.. Her goon told us, I'm not going to fight for someone who is not worth

fighting for.. So it's done.. I'm out!!

She walked up to the door..

Presh: I'm going out with Nic to smash the rest of the night away with drinks at the bar

SASSY

I am not much of a talker when it comes to pain and hurt. I keep it all inside until it explodes, When it does. I try anything and everything to be rid of the pain, no matter what the cost.. I drank wine and drinking when you hurt, depressed and sad. Doesn't do good nor any justice.. After those endless glasses, I ended up overdosing on pain killers because I felt a headache creeping in and then went to take a bath..

In the bathtub, I felt my eyes getting heavy and heavy until I eventually passed out..

PRECIOUS MOLOI

Nic: That was the most short lived relationship I've ever witnessed

Me: What's the use? Allow myself to be played knowing very well she's in love with someone else?

Nic: I get you

I looked at the time..Me: It's late, Let's go

Nic: Let me finish this firstCORDELIA

I was woken up by a call from myFather..

I looked at it, and then picked up..Me: Dad

Dad: What's this I hear you are engaged to a girl?

Me: Who told you?

Dad: Does it even matter? Your Step Mother's Niece is here she follows you in this social media thing. She saw it and informed us

Me: Yes Dad I am

Dad: What is this? What nonsense is this? Since when do you date girls?

You've always dated boys
Me: It just happened

Dad: It just happened? Is this why you moved out for this nonsense? I'm not religious but I know this is nonsense!

Me: I'm sorry you feel this way Dad: You will come back home with immediate effect because this, I'm not going to tolerate it!!

Me: I am not coming back home
Dad: I am not asking you!

Me: I am happy, I thought as my father you would want me to be happy

Dad: This is not happiness, This is nonsense! Taboo and a disgrace! I am not going to tolerate it

Me: Bye Dad
hung up...

We got to the flat...

Me: I need to bath and then sleep, Hoping there won't be any confrontation
Nic: Good night

Me: Night

I went to the bedroom and saw an empty pill container on the bed, An empty wine bottle on the floor..

Me: Sassy?

My heart was already beating fast, I went straight to the bathroom. She was in the bath tub, not drowning just her head and arm leaning off the edge of the bathtub..

Me: Shiiiiit!!

I grabbed the towel..
Me: Nic!!

Nic walked in..
Nic:

The fuck?

Me: I think she overdosed

I threw the towel at Nic.. I then got Sassy out of the bathtub and took her to the bedroom..

Nic: Let me call the Ambulance YAMKELA (BRAGA)
I heard Cordelia crying, Though she was trying to be quiet about it.. I turned and hugged her from the back..

Me: Was the call that bad?

Cordelia: I just don't understand why it seems like everyone is against us

Me: If it's going to make you feel any better, My Mother will never approve of this

Cordelia: Ya that makes me feel better (Sarcasm)
My phone vibrated. I checked it, was an inbox from Facebook..

I checked, It was Precious Moloji. She was letting me know that Sassy overdosed and they had called an ambulance..

Me: Shit!!!

Cordelia: What's wrong? Me: I have to go

Cordelia: What do you mean you have to go?

Me: I'll explain later

I got out of bed and called my Sister.. Cordelia: What's wrong?

Me: Sassy overdosed

Cordelia: What? I'm coming with Me: No..

Cordelia: I'm coming with
PRECIOUS MOLOI

The Ambulance didn't take time. Her phone has been ringing off the hook, I couldn't pick up. It was her Mother, What the fuck am I going to say??

Me: I'll call you when we get to the hospital

Nic: Cool

I updated Braga that we were on our way to the hospital..

She was still unconscious..

I felt bad because this happened after I had broken up with her...

YAMKELA (BRAGA)

My sister came to pick us up.. Nellz: What happened?

Me: I don't know.. Presh has been in boxing me

Cordelia: I don't understand.. We had a good dinner and now this?

Me: If she dies, I swear I'm not going to be able to live with myself

Nellz: She's going to be fine, Let's hope she is going to be fine

Me: It's all my fault, She was upset and I shouldn't have let her go like that Cordelia: Upset about what?

Me: The fuck was Presh in all of this? How does she overdose with Presh there?

Nellz: We don't know.. We still going to find out what really happened

Me: Shouldn't have been okay with this fucken relationship, Shouldn't have let her live with her.. Look now, What am I even going to tell her Mother?

Cordelia: You really are taking this hard Me: Cordelia this no time for jealousy!

My best friend overdosed! This is not about you so please!!

I saw them walking in. I got up and waited for to notice me, They did. They came to me.

Nellz: Hey how is she?

Braga grabbed me by my jacket, She threw me against the wall..

Braga: Where were you? Where the fuck were you at?

I looked at her hands..

Me: You might wanna get your motherfucken hands off me

Braga: Where were you?? I pushed her back..

Me: You put your hands on me again Braga: What? What you going to do? Nellz came and stood in between us.. Nellz: Cool it off, walk it off gentlemen (sarcasm) this is a hospital

Cordelia: Presh what happened? Me: When we got home.. We had a disagreement that led to a breakup,

Then I walked it off and came back she had overdosed on pills, Drank wine and was halfway to drowning herself in the bathtub

Cordelia: Ohhh my word! Braga: You broke up with her?

Me: Yes and told her I wanted her out by tomorrow

Braga: Great!! Why didn't she just call me so that I could come fetch her Me: Since you guys are here.. Here

I handed Braga Sassy's phone.. Me: Her Mother kept on calling.. I'm leaving and I'll see her tomorrow

Braga: Don't even bother coming back, You and her are done right? So don't bother!

Nellz: Yammy

Braga: What? She just said she brokeup with her

Me: Yeah you know what, whatever! I don't need this stress

I walked up to the exit..

Me: Nellz can you please drop Cordelia off at the flat, I'll stay here overnight..

Cordelia I need you to open up tomorrow morning

Nellz: Okay I'll call you Me: Okay

They both hugged me and then left...

I sat down on the chairs and waited for a Dr or Even a Nurse to pass so I can ask about Cordelia..

CORDELIA

Nellz: How are you feeling? I shrugged my shoulders..

Nellz: Sorry that this is happening on the same night where you were supposed to be happy

Me: It's okay these things happen Nellz: Are things okay?

Me: Apart from Sassy making things impossible for us, we are fine

Nellz: Ohh Cordelia.. I think you know what the situation is.. She loves Sassy, She'll always come first. If you wanna be a part of Yammy, Do understand that Sassy will forever come first in her life Me: I ended up with a ring, I'm living with her so I don't know how the love is between them but I'm not going to give up on my relationship.

Sassy and I spoke, She said she's okay.. She said she accepts things, So I don't know where this drama is coming from. She did this to get attention

Nellz: Tried to commit suicide to get Yammy's attention?

Me: I haven't heard of pills working in a suicide attempt, She used them because she knew she was going to end up here and Braga was definitely going to leave it all and come. If Sassy wanted to die for real, She was going to hang herself or drink poison at least YAMKELA (BRAGA)

I managed to ask on the Dr's how Sassy was holding up..

Dr: She's going to be fine, I don't think she took a lot of pills just a lot of alcohol and she almost had alcohol poisoning That was good to hear..

Me: Can I see her?

Dr: Maybe tomorrow.. I'm sure by tomorrow morning, She would've picked up

Me: Thank you Dr

I took my phone out and texted Nellz, in case they were close by to come get me. I'll come back tomorrow morning...CORDELIA

Nellz: Speak of the devil, She's asking us to go fetch her

Me: Braga?

Nellz: Yes.. Sassy is going to be okay Me: What did I say? She was just looking for attention and she got it, she must know though that it'll be the last of it

Nellz: What do you mean that it's going to be the last of it? I hope you not planning on hurting her.. Sassy might be Yamkela's best friend but she's an important part of our family

I kept quiet..

Nellz: Can I just go back to work, This is getting too much for me

YAMKELA (BRAGA)

Sassy's Mother had called me, I told her exactly what happened according to Presh's story..

Her: My Daughter hasn't been there for long now this?

Me: I'm sorry.. I should've protected her

Her: No.. It's not your fault.. Sassy will not agree to move back home, She's invested in living down there now. I am okay with it because she wants to chase her dream. Both acting and modeling
Me: When she gets discharged she'll come live with me

Her: No.. I'm tired of you guys exchanging my Daughter like she's a soccer ball. I'll find her a place there, Pay rent until she gets a job. Sassy also has to pick herself up, This is not it.. She needs to stay away from dating for now and focus on herself and her healing
Me: I understand

Her: I'll drive down there tomorrow, Then take leave so I can help her settle because this is not it! I love my Daughter, I accept her for who she is but she was better when she was dating guys, We never ran into this. It seems like girls hurt more than guys do

Me: I am sorry

Her: Don't be.. You not forced to be with her and do me a favour. Don't use this situation to date her out of pity or fear that she will commit suicide.. Leave her like this she'll recover and get over it!!

CORDELIA

I sat in the car as Nellz walked in..

I went through whatsapp until I stumbled upon my cousin..

I texted him

"Are you still single?"

Maybe my cousin can take over. He's handsome, has a stable job. If only they could date and then Sassy falls

pregnant, I'm sure this nonsense between Braga and her will stop!! He's also been through a lot of drama in his previous relationships. This might just work out for them.
