Linathi Nicole Khoza' s perspective

As you know me I am 8 years old and got only a father my dad is everything to me

The truth is Aunt Zinhle has been telling me that Ziyanda is after my daddy's money
And for that I hate her

I know my dad is rich and all that stuff but Ziyanda also got a company

Well let me ask my aunt

Me:aunty how do you know Ziyanda?

Aunty:we were friends in high school she always slept with different guys every day .

Me:She is a bitch

Aunty:a big one but my brother doesn't see that
She will take his money

Me:I need to tell daddy how her wife is a bitch thanks aunty for telling me this

Aunty:it's my pleasure baby

I switched off the light then slept

I need a plan of how I am going to separate Ziyanda and daddy

Zinhle' s perspective

Oh hi my name is Zinhle Chloe Khoza i am** years old and single

Ovayo Candice Smith

She love my little brother so I wanted to match them up but
my parents came with Ziyanda
I don't hate Ziyanda it's just that Ovayo got my sex tape and
she is threatening to leak it
That is why I need to match them up
My parents would disown me
Imagine my tape that would be very bad

I am a neurosurgeon

That is why Linathi must hate Ziyanda

Ziyanda's perspective

So I was wearing my royal blue bikini
And I was wearing flip flops
Saneli was wearing a black bikini
Pam was wearing a yellow one
Sino was wearing orange one

We took pictures then we went downstairs

The guys whistled

Banzi took my hand then he hold my waist
We welcomed guests

There were many of them and I was just fucken tired of that
After we went to party in the swimming pool
It is very large

I got in the water then we dranked and danced there

00:00

I was tired of being in the pool
Lubanzi was drunk he could not even walk

I went to change then wore undergarments with
Blue jean and black red bat hoodie and black fluffy push ins
The guys came with Lubanzi
Other people were now gone we were left alone

Insert 17

Ziyanda's perspective

As i was saying we were now left alone

So we played truth or dare

Pam:Ziyanda truth or dare

Me:truth

Pam:are you a virgin?

They all looked at me in shock

Me:what

So we carried on playing

Me:Phiwe truth or dare

We shared a long passionate kiss

Till they stopped us

We continued to play while we were smoking hookah

Andile:this husband of yours had too much to drink

I drove to thr restaurant Where we are going to meet

Ovayo is that kind of a girl that loves make up,weaves and
short dresses

She can't even cook but she want to get married

I love how Ziyanda is independent

She does not need luu's money to survive while Ovayo does
not even work

I hate what i will do but i need to do it to save my reputation
and my parents's

Back to the story

Ovayo was wearing a white see through dress and white

Linathi:we need to kill Ziyanda

Me:that's a plan

I won't kill Ziyanda i will just make her lose her memory then i will pour acid on her face

She won't know what happened

Insert 18

Ziyanda's perspective

So I opened my eyes i was on top of something my heard was heavy

I looked shit it was Banzi

I stared at this greek god

God this guy is handsome

Banzi:planning to kill me

Me:one teaspoon of poison in your food then you are dead

Banzi:so you slept on top of me

Me:it was a mistake I was drunk plus how is the headache?

Banzi:I am dizzy

Mind you i was on top of him

My coochie was on his dick and I could feel it getting hard .

Banzi:shit

He turned me over then kissed me

I respond then we kissed for a longtime

Clothes were flying across the room
He went down to my breasts and sucked them
The pleasure that I was getting
I am sure they heard my moans
I was moaning loud
He went down to my coochie then muffed me
The room was filled with my moans
I cum then he licked me
After he disappeared to the bathroom and came with a towel
He wiped me
I got dressed
Me:uhm i ...need...to..go

I ran to my room then soaked my self in the tub
I started thinking

Me:okay then let me go sleep
I went to my room then bathed and wore my pyjamas
I tried to sleep but i couldn't
I kept thinking
Why would Zinhle want to stay here while she got a house
Something is wrong here
Let me just keep quiet and watch them
What i need to do is switch plates

I dozed off

It can be cured when found early
So i poured it in Ziyanda's plate
There is no way she is going to survive this finally i will get

Banzi:i was buying in a shop then got shot

So guys the truth is i am a gangster queen that follow behind
fire(lubanzi)
My name is Toxic goddess and my crew's name is blood
spillers
Remember on the prologue i said i worked at Peterson inc as
a PA for a year
My boss mr Peterson was a gangster so he trained me to
become one
I bombed ATM and did heists so that i can get enough money
to start my business
Mr Peterson know me as Acid queen but i went to a training
in Russia to become TG(toxic goddess)
No one know me
When someone track me my IT geek liza take care of that
person

-Ziyanda,linathi isn't waking up
Me:what but she was fine yesterday
Banzi:call ambulance
Me:my phone is at the couch give me your phone
So he Gave me his phone

Zinhle:uhm Ziyanda will never try to kill u Linathi

Me:thank you Zinhle

So I took my bag then went to my car

I am sick and tired of drama and it seems like Sibabalwe is definitely bringing one

So I drove to my company then took my bags and went in
So people were working
I went to lerato
Me:lerato where is Mr Cameron?
Rato:at your office
Me:any other messages
Rato:you got a date
Me:no no cancel that I don't that thing not anymore

changed then wore dusty pink long sleeve top and white jean
with dusty pink stan smith sneakers
It was kinda cold so I wore black Jacket
I took my phone then went downstairs i did chicken and
mayo sandwich with Orange juice
I ate then washed my plate then took the mustang car keys
then drove the hospital
I can surely make a grand entrance but we are not on that
There was some girl sitting next to Lubanzi
To tell the truth i was jealous nxaa
:how can she sit next to my man
:he is not yours Ziyanda Kimberly Nkosi Khoza
Me:hi again
Them:hi
Zinhle:Ziyanda meet my my best friend Ovayo
Me:oh hi
Ovayo:finally I see Ziyanda

I just looked at her
So I called texted Liza to find information about Zinhle
Saneli: anyone hungry
Ntokozo (father in law): Go buy one I am hungry
Saneli: Ziyanda did you come with your car?
Me: yes let's go

So I drove to KFC then bought chicken and drinks with bread
Saneli: what really happened Ziyanda
Me: Zinhle once visited us and she was cooking with Linathi
that time Linathi was hating me so I changed plates with hers
since our plates were the same
Saneli: so the poison was meant for you
Me: yes and everyone think I poisoned Linathi
So we drove back to the hospital

We gave people food I was still full

My family infect the Nkosi family arrived
Mzwakhe: greetings Khoza family
They nodded
Except me
Senamile: big sis you created a problem again
I just looked at her
Nolitha: Ziyanda you tried to kill an innocent baby
Why Ziyanda why?
Me: I didn't try to kill u Linathi Nolitha
People were surprised I was speaking to my family like that
Mzwakhe: Ziyanda I didn't raise you like this
Me: you are right Mzwakhe you didn't raise me
I was forced to grow up at an early stage mna Mzwakhe
In order to fulfil my dream I had to live with granny who was
surviving with pension money
Sometimes at res I would sleep on empty stomach and watch
my roommate eat delicious food
Her parents bought for her
Do you know where mine were?

They were raising their 3 babies
Mzwakhe i managed to forgive you
You still treated me like shit and now you tell me you didn't
raise me like this
Tears rolled down my cheeks
The girls dropped tears too
Nokulunga:Ziyanda we are still family
Me:I don't have a family
Yazi(you know)i had to work as a waitress at restaurants to
earn money to send to granny
because the money she was getting was not enough for her
I had to eat at my best friend's house
You know why my parents didn't care about me don't you
dare tell me about family

I sat down then cried silently

Insert 25

Ziyanda's perspective

So I wiped my tears then took my phone it was a text from
Liza,it was saying

MZALA COME JOIN US AT THE WAREHOUSE I KNOW YOU
ARE BORED WHEREVER YOU ARE

The doctor came

We all stood up

Doc:uhm Ms Khoza is now awake

We all cheered

Doc:but she will not be able to walk

Then she will become my responsibility

Everyone:what!

Ntokozi:thank you doctor

Andile:this is bad

Liza called me and my phone was very loud

Mzwakhe:who is that Ziyanda?

I put it on speaker

Me:mzala

Liza:no girl I need food I am hungry

Me:don't you have food wherever you are

Liza:I am at the ware...

Me:don't even think about it

Liza:oh sorry and I did a research about that person

Me:don't say the names just talk

So I wanted to see Zinhle's face

Liza:So mzala turns out u girl got a tape and u besty ka girl is threatening to leak it

If she doesn't get what she want

I couldn't get more information because she is protected by mlilo(fire)

I looked at Zinhle and Ovayo they were about to explode

Ovayo was red with anger

While Zinhle was looking down embarrassed

If they want war they must bring it on

Ziyanda won't deal with the war but TG will definitely deal with them

Me:oh thank you so What must I bring you

Liza:bring me Ribs and fries with A large beef burger and Banana milkshake with a slice of cheese

Me:yho Liza

Liza:don't forget chocolate cake and Black forest cake

Me:you will pay me
Liza:if you don't want your tape to be leaked you will bring
me my things
I laughedI am sure she is mocking Zinhle
Me:okay bye bye Sonny's wife
Zinhle:ngubani elophela
- who is that cockroach
Me:Myeni wakho
-your husband
So I hung up
Doctor came again
Doc:she is requesting to see all of you
Liza will have to wait

So we went to her ward and found her laying there
Banzi rushed to her
They hugged ncoah
I wish I had that bond with my father
Lina:I want to come clean firstly I would like to apologise to
aunt Ziya for treating her bad when she first arrived
I am very sorry
I smiled
Lina:me and

Zinhle:sleep now Linathi you are tired
Ntokozo:Your aunt is right Nico you need to sleep

So we left the room I went to buy liza's things then drove to
my warehouse
When you are outside you would think it's a normal house
I arrived they were smoking except Liza

Me:give me a pipe
So I took it then smoked
Me:any upcoming mission?
Liza:going to hijack a truck that is carrying cars,fire is also
planning this mission

Insert 26

Ziyanda's perspective

Me:are you crazy Liza

Liza:mzala it's been years you didn't come here in this warehouse, you need something more challenging

Me:okay

So we smoked weed and drank alcohol

Liza:mzala let us take you home

Me:no the Khoza family is there and I can't afford them to see me like this

Liza:okay let me take you to your bedroom

So she took me to my room

I slept

Morning*****

I woke up with banging head

I went to bath(i have clothes here)then dried mg body i lotioned then wore blue jean and white oversized t shirt and white fluffy push ins

I fixed my up style then brushed my teeth then took my phone I went downstairs they were all eating

Me:morning

Them:TOXIC GODDESS!!

me:you are making noise marn

Liza:I prepared something for you

It was a green thing

I dranked it

Me:euww Liza what did you give me?

Liza:my secret recipe

Me:it is bad where is my food I need to go to work

Liza:can I come with you

Me:okay

So I ate then we said our goodbyes

Liza:don't forget Ziya you got 2 weeks to plan for this mission

Me:okay ke

So I drove with Liza to Banzi's house

I parked the car in the drive way then opened the door

Liza was behind me

Me:morning

The Nkosi family was also there

Nolitha:Ziyanda where are you coming from?

Me:not that I need to tell you but I was at liza's house

Sindi:Ziya may you please come with me to shop tomorrow

Me:okay

So we went to my room i changed to Black leather skirt with a slit at the back(above the knee)and red body suit and black red bottom heels and applied make up and red lipstick

I wore red blazer

Okay I was beautiful

Liza:mzala you are beautiful

Me:thank you

Liza:I hate Sonny mzala

Me:so mzala don't you want to punish Sonny

Liza:I want to okay change this clothes you are not going to the office we are punishing Sonile

So I changed to Black six pockets and black bodysuit and black nike airforce and denim jacket

We we went downstairs

Me:i am going

Them:bye bye

So I drove to town then we bought a black cat,itching powder,small needles and black box

So we went to his company

We bribed a security guard then we used the emergency door

to enter

We put the needles in the couch and his chair then we poured the itching powder in the table, couch and his chair then we put the black CAT on the black box we left it under his table

Liza: I have a camera so that we can watch him

We put it in a corner so that we can see clear

After we left the office then went to liza's house

Sonny's perspective

My name is Sonile Cele and I am 36 years old so I was entering my office with my girlfriend(Nandipha)

She is very beautiful

(Narrated)

Sonny entered the office with nandi

Sonny sat on his chair and nandi was going to sit on top of him

Sonny:ouch

Nandi:what us wrong baby?

He started scratching his body and head

The cat came out of the box

Cats make sonny sneeze

So he sneezed

Sonny:sneeze* let's go sneeze*to the sneeze*couch*

He was still scratching his body and he was now ready

Nandi:okay

So Sonny pushed nandi to the couch gently

Nandi:aah*Sonile

She also scratched her body

Sonny:sneeze*what is sneeze*happening sneeze*here sneeze*

Nandi:there are needles in this couch and my body is itching

They were scratching their body

Till their bodies was ready

Liza and Ziyanda were laughing

Liza:ohh i never felt this good let's go to his house now

They bought pink dye and oreo biscuits

They went to Sonny's house then they poured the pink dye in his shampoo and they poured the cream of the biscuits in his toothpaste

Sonny's perspective

So I dropped Nandi at her house then went to mine

I took a quick shower then washed my hair using my shampoo I dried my body then lotioned and wore brief and jeans and tee shirt with sneakers

I brushed my teeth with my toothpaste

Okay it was sweet

It was oreo biscuits's cream

Shit who is doing this

I was going to my parents' s house

When I arrived everyone was laughing me

Me:why are you all laughing?

Mom:Your hair

She laughed

Dad:son are you gay

They were laughing like someone is tickling them

Zanothando gave me a mirror

Shit my hair was pink

Operation punish Sonny done

Insert 26

Ziyanda's perspective

So after Liza and I were done I went home

I arrived and people seemed like they were in a deep conversation

Nolitha:Ziyanda sit down

So I sat

Ntokoza:I have called this meeting so that we can talk,Ziyanda I know your parents did you wrong but may you please forgive them

Me:with all due respect Father these people don't deserve me so I would advise you to just leave it

Sindi:Ziya sweety it's not good to hold grudges

Me:as I said my advice is leave it

Ntokoza:okay let's carry on when you were leaving we said you got 4 months to bond and we have given you too much time

So when is the date of the wedding

Banzi:dad we don't want to get married not now

Ntokoza:we will give you a week to set the date

Mzwakhe:and i would like to say Ziyanda I don't apologize for disciplining you

I just looked at him

Honestly I hate my family infact the Nkosi family

Parents have this tendency to think they have a right to tell you how to live your life

They are fucken controlling

When you tell them you are not ready to get married they will think you have some type of a disease

So we ate dinner then we went to our rooms

I was forced to sleep with u Lubanzi

So I moved my clothes to Banzi's room

So we slept

Morning*****Zinhl

e's perspective

Today we slept in Banzi's house

So I woke up then went to bath i lotioned then wore undergarments with white tee shirt and black and white adidas tracksuit

It was raining

So I wore black boots

I combed my hair then did a ponytail

I brushed my teeth then got a call from Ovayo

ME:Ovayo

Ovayo:come on best friend

Me:come on what Ovayo do you know that Ziyanda know that I got a tape And you are threatening to leak it

Do you know Linathi my niece won't be able to walk

She also want to tell the truth

Ovayo my life is over

Ovayo:friend I got this so how are you planning to remove Ziyanda

Me:so we are going to kidnap Ziyanda then make her lose her memory then we pour acid on her face

Ovayo:no don't make her lose her memory just pour acid on her face

Me:so when can we do that

Ovayo:uhm after 5 months

Me:okay bye bye l

Ovayo:don't forget lubanzi is mine

I hung up then throw my phone on the bed

What a friend that I have

A friend that want to release my tape how can she do that

When you have friends don't tell them all of your things

One day they will use that information to get what they want

Ziyanda's perspective

So I woke up next to Lubanzi

I went to bath then came to the room while wrapping a towel on my body

I found Lubanzi sitting on the bed

Me:I am done you can go wash

He stared at me

Me:hello earth to Lubanzi

Banzi:oh let me go bath

He disappeared to the bathroom

So I lotioned then wore undergarments with blue jean and red knee length boot heels

And blue t-shirt and red knee length coat
I did make up then applied red blood lipstick
I moisturized my up style then brushed it
I did edges

Lubanzi came wrapping a towel oh his waist
Father god it's hot here
Banzi:like what you see
Me:no you look like a confused frog
He dropped a towel
God his dick
It's huge
Me:what this is huge
Banzi:one day you will be begging for it
Me:never

I brushed my teeth then took my phone and range rover car
keys and my bag
I went downstairs
I made sunny side up eggs, streaky bacon, toasted bread, grilled
tomato slices, baked beans, sausage, fried
mushrooms, pancakes with chocolate syrup
, muesli, yoghurt, waffles with honey and raspberries, orange
juice, apple juice and coffee
So I set the table
They all came downstairs
Andile:smell good
I smiled not showing my teeth
So we sat down then ate
The food was delicious mhm
Banzi:the doctor called
Linathi is being discharged
Senamile:I am pregnant
They all congratulated her except me
Not that i was jealous but
It is too early
Sena:Big sis are you jealous
Me:no I am just thinking

Sena:about what

Me:the baby shower that I have to do

Sena:really you are planning my baby shower

Me:no for my best friend

Nolitha:really Ziyanda your sister is pregnant and you think about that Lizalise of yours

Me:Saneli please wash them for me I got an early meeting

Sindi:we won't be able to shop today since the weather is like this

Me:okay let me go then

Tell Lina that I am sorry for not going to fetch her

I went to my car then drove to work

I went to my meetings then did everything

So the time was 17:05

I drove to the warehouse

I barged in as usual

Liza was there with the crew

Me:Lizalise you live here ?

Liza:no I was bored there so I came to plan the mission

Me:yho okay

So she gave me the map

And we planned it x

I can't wait for the mission but I am scared what will Lubanzi say when he see me there

Insert 28

Ziyanda's perspective

So I arrived home and the crew was there

Me:hi

Them:hey

Me:where is Linathi?

Saneli:in her bedroom

Pam:uhm Ziya I would like to apologize for what I said to you

Me:it's fine just don't ever do that to me again

I have her my scary look

I went to Banzi's room first

I took out the coat and boot heels i wore black fluffy wuffy
faux fur boots

I went to Linathi's room

My baby was sleeping

I decide to wake her up

Me:lina

She rubbed her eyes

They were red

Me:lina why were you crying?

Lina:I won't be able to walk again aunt

Me:don't do that to yourself lina

Lina:you will get tired aunty and you have a business to run i
will just be the problem

Me:I will take a leave just to take care of you and you will get
the best physiotherapist

I hugged her

Good thing I can carry her

I exhaled deeply

Me:are you hungry?

Lina:yes

So I carried her to the kitchen

I made sandwich and a juice

So we ate then I washed the plates and glasses

I made hot chocolate for both of us

So we watched Annabelle comes home

Then we went to sleep
Banzi:so the date of the wedding
Me:next week Saturday
Banzi:let's just do a traditional wedding
Me:I don't mind
So we slept

Morning

I woke up then did my hygiene process then wore
undergarments with grey sweatpants and black oversized tee
and grey fluffy wuffy faux fur boots
I brushed my up style then brushed my teeth
I went downstairs.
Saneli was already cooking
So we cooked together
Saneli:when are the parents leaving I miss my children
Me:where are your children?
Saneli:they are with my mother and this Sibabalwe girl is
boring me
Me:then there is the Nkosi family

Saneli:now I see why you hate them
Me:they don't deserve my kindness
So I went to lina' s room
I helped her to bath then lotioned and wore panty and grey
stone wash jean
And black t-shirt and black boots
She wore grey sweater
Then I helped her brush her teeth
So i carried her downstairs
So we sat i the table
Then ate
There are no table manners in this house
Ntokozi:so today we are leaving
Mzwakhe:yes we are leaving and Lubanzi son thanks for
welcoming us

Lubanzi:it's my pleasure Nkosi
Nolitha:and Nokulunga your husband called
Noku:i don't want to go to him mama(mom)
Sindi:why don't you want to go to him
Noku:he is abusing me
Nolitha:Ziyanda help your little sister
Me:I Remember when i was not married
Nokulunga was the one to always ask me when I am getting
married now you ask me to help her
Girl you made your bed now lie on it

So we ate In silence then they took their things and left the
house

Banzi left for work

I called Liza to come here

So me and Linathi played video games

Liza arrived

Liza:mzala

Me:hey

So she sat down

We played then Linathi won arrgh

Lina:I won, I won

Me:so Banzi and I are doing a traditional wedding so as a
maid of honour you need to plan the wedding

Liza:let's go now

Me:hayibo Liza

Liza:we will go with you lina

So I rushed to change

I wore black jean with white turtleneck and black

Half boot heels

So I went downstairs

Me:let's go

So we drove to my designer

Linathi was on my back
he is gay
Me:Bayanda darling
Yanda:Ziya,Liza and a cute little girl
We hugged

Me:don't you want to sleep lina?

Lina:take me to my bedroom please

I planned my mission then took a fleece and slept in the couch

Zinhle' s perspective

So I met a guy that will help me kidnap Ziyanda

His name is Andre Peterson

Me:are you capable of doing this job?

Andre:yes I am so who do you want me to kidnap

Me:Ziyanda Kimberly Nkosi

Andre:no I will never do that she would kill me that one she is Acid queen

Me:oh Andre stop being a weakling

Andre:no I won't do that

He left the house

Ziyanda is a gangster but how she look so sweet

No Ziyanda will never be a gangster queen

Nokulunga's perspective

Mhlongo he is 40 years old and a plumber

That man is abusing me

Last year he raped me and i miscarried

I hate him

I brag to Ziyanda about my marriage but it is nothing but pain

Just like today I arrived home and he was drinking alcohol

Sibo:where are you coming from Nokulunga?

Me:I was with my parents

Sibo:no you are lying bitch

He punched me then i fell

Then he strangled me

After he spit on me

Me:Sibo please stop this

Sibo:I will teach you a lesson

So he took out his belt then beat me with it
After he had his way with me
He was rough

This is not the man I fell in love with

Sandile's perspective

My name is Sandile Joy Nkosi I am 25 years old and married
to Lonathemba Nkosi she is also 25
I stay in my parent's house
I am jobless and lona is a woman that love fancy lifestyle
Sometimes I feel like I am losing my wife

Lona:I am not in the mood Sandile so leave me alone

She wore her undergarments and shirt leather skirt with a
slit on left thigh then she wore blue top and denim jacket and
a stiletto

She tied her hair then did a ponytail

She was beautiful

Me:you look beautiful cupcake

She used to smile when I say that

Lona:it does not make me smile

She took her bag then left the house

My wife what happened to her

Lonathemba's perspective

So I went to meet with my blesser his name is Mzi

while I was watching

I was crying knowing that my baby is dead
I don't deserve this

insert 29

Ziyanda's perspective

Fast forward

So now it's 4 days before the traditional wedding and
everything is in order

Today we are going to take linathi to the healer

I rolled out of bed then went to bath i brushed my teeth then
lotioned and wore undergarments with black and white body
con dress with white all star

Oh i fogot to tell you i have taken out the up style

I moisturized my hair then combed it

I made a neat bun

No make up today

So i wrapped a doek

I went to linathi's room then washed her,brushed her
teeth,combed her hair znd dressed her up

So we went downstairs

Lubanzi was making breakfast

So we ate then drove to the healer

We arrived

Ohhh his scary

Him:come in

So we took out our shoes

Him:i know why you are here

You are here because this little girl isn't walking
She is cursed by the Khoza ancestors because she wanted to
kill her step mother

In order for the curse to be broken you need to have a
ceremony where she will apologize to her step mother and
the ancestors

Banzi:may you please do it tomorrow there is a wedding
Saturday she need to walk

Him:okay i will do so,you need to buy white chicken,2 cows
and a goat

So banzi gave him money

Me:wow i never thought Khoza ancestors are capable of
doing this

Banzi:what did you expect"he said that brushing his
shoulders

So we drove back home

I went to plan my mission in the room while banzi was
calling the family members

So we ate dinner then slept

Morning

Today is the day of the ceremony

I did my hygiene process then lotioned and wore
undergarments with below the knee african print dress and
black air force

I wrapped a doek on my head then applied lip gloss on my
mouth then brushed it

I went to linathi's room

We were singing

She got an angelic voice

She was singing whipped by tellamen,Shekhinah and Nasty C

Lina:all the diamonds and gold dont mean nothing,dont mean
nothing without you baby

Me:stop now we need to go

So i carried her downstairs

I helped the ladies to cook and the healer applied something
on linathi's knees

She apologized to me and i agreed so we hugged
She was sitting in her wheelchair
Healer:stand up
She stood up
People:hililili

So we ate then celebrated

Insert 30
Ziyanda's perspective
3 days before the wedding

I woke up in the morning then did my hygiene process then wore undergarments with black floral dress and black sneakers
I tied my hair then brushed my teeth and applied pink lipstick
So I was going to meet with the wives for a breakfast then I am going to meet with Simthandile
So I took my bag then went downstairs
Banzi and his daughter were eating
Me:good morning
Them:morning
Me:I am going to meet with the wives
I took the mustang car keys then drove to the restaurant
I spotted them and went to them
Me:morning
We hugged
Saneli:oh hi Ziya
So the waiter took our orders
Me:who is cooking for your husbands when you are here?

Sino:mxm they can cook for themselves rha

Pam:I suspect that my husband is cheating

We all gasped

Saneli:why would you suspect that

Pam:when he comes home his shirt always have a pink lipstick and smells some cheap perfume

Sino:talk to him maybe our husband's too are cheating but we don't know

Me:so guys as you know it's going to be my wedding this Saturday

Pam:yha I can help

Sino and Saneli:Me too

We also bought clothes then they went to their homes while I went to meet with Sim

I met her in Spur

Me:hi

Sim:hey Ziya we need to talk about the flavours they we are going to use for the cake

Me:vannila,carrot cake,chocolate cake and royal blue velvet cake

Me:so we need to plan the invitation cards

Sim:colour?

Me:pink,purple and white

Sim:okay I will get to it

Me:sure

So I drove to the warehouse

They were all chilling there with Liza

Me:hey hey

Them:TG hi

Liza:bad news the truck will come tomorrow

Me:what!

Liza:yes we need to plan

So we planned

Then I went back home

This was a long day sana
Sena,Noku and ndile were sitting on the couch
Me:hi where is Banzi
I said that sitting down
Sena:they went to but a tuxedo for Saturday
Me:okay so I guess you are here for me

Noku:to do my 1st year

Sandile:do my 2nd year

Me:okay here i have them guns then they went to my house

to Liza's house
I opened the door she was planning the mission
Me:really Liza
Liza:don't look at me like that,this mission must be successful

Liza:that is why I wore a bullet proof vest

So we drove with Lisa's car to the warehouse

The crew was ready

Me:listen guys this need to be a clean job

So let's do this

We took a black Ferrari

And black g wagon then we drove to the place

Liza:seems like we got company

Me:I am going to distract fire

While you guys are going to be taking cars

I put a voice changer

So I went to fire

Fire:yes I am working here

Me:nice abs by the way

Fire:sadly they belong to my wife

Me:but she doesn't love you

Fire:how do you know that

Fire's crew was in the car they were waiting for fire to tell them what to do

My crew was taking the cars ,the car that was left was a pink Lamborghini for me

Me:oh my bad bye Fire

I ran to the Lamborghini

Ziyanda's perspective

I was sweating

Why is he coming here?

I took my gun then cocked it

I got out of the car

I scoffed

M:dare come close fire

Luu:what are you going to do?

This mother fucker had a voice changer like me

I shot his right arm

Me:i am going to do that

Luu:bitch what the fuck,who the hell are you?

Me:your worst nightmare oh i am Toxic goddess

I shot next to him

His crew got out and started to shoot

I ran to hide while shooting

After i saw liza coming with a car

I took out the mask

Me:i had to shoot his arm

Liza:do you feel guilty?

Me:don't know but i think i have feelings for him

Liza:hee virgin Mary is in love

Me:hey lucifer

Luci:AQTG(Acid queen toxic goddess)

Me:so like what you see

Luci:i love it ,is 15 million right?

Me:of course where is it

Saneli:don't move luu

She was taking out the bullet

Me:who is toxic goddess?

Phiwe:where is Ziyanda?

He showed us

Me:wait i saw this on Ziyanda

Sino:no no let's call Ziyanda

I saw this tattoo in her stomach

I saw it on the pool party

So i took my phone then called Ziyanda

I put it on speaker

Ziyanda's perspective

I got a call

Me:(yawning)igama lam ndingu Mandlovu ndithakatha

Someone:oh Mandlovu

So i sent him the address

After he sent a text that he was outside

I wore blue gown and blue slippers

I washed my face then brushed my teeth

What does he want?

Insert 33

Ziyanda's perspective

So I went outside he was leaning on his car

Me:Mr why did you wake me?
Luu:MaNkosi unjani (how are you)

I was speechless
Luu:you don't have to answer me now
I promise I will not hurt you
Please Mankosi
Me:uhm can I think about it
Luu:sure

We kissed then I broke it and ran to the house
Liza was eating Imagine
Me:really Liza

The crew was there
Luu:and then
Me:I can't see you before the wedding
Saneli:ohh so you are going?

Mzwakhe:Ziyanda are you ready for Saturday?
Me:Yes i am
The whole Nkosi family was there
Aunty Nondu:Ziyanda can you go buy me chappies

I did make up then applied black matte lipstick

I finished the look with watch then puffed cologne

I wore a black 34 inch weave

then went to the kitchen

Aunty Nondu:where are you going Ziyanda?

I looked at her

Me:Mom let's go

She was surprised that I was calling her mom

Mom:let me go change

I sat down then played games on my phone.

She came back fresh

Mom:i would like to apologize Ziyanda for everything that I did to you

Me:why did you treat me that way

Mom:Mzwakhe is not your father

Me:so you are saying Mzwakhe is not my father

Nolitha did a Straight up

So I payed then we went to Spa and did pedicure

After we went to buy her a dress

So we went to sit in a COUCH
We bought champagne
While we were drinking
The strippers came and did their thing
We were throwing money on them

We were screaming until the big dogs came
Luphiwe,Lubanzi,Athenkosi,Andile and Sonile
I wonder who called him
Phiwe:what the fuck is going on here

Insert 35
Ziyanda's perspective

Pam:Shit!
I poured champagne on my glass then gulped it down
Luu:What are you doing in a strip club

Me:wena what are you doing here?
Andile:your father Ziyanda called luu and told him that you
are in a strip club
Me:you mean Mzwakhe Nkosi?
Luu:yes which father do you know?
Me:I was just asking dude
They sat down
Phiwe:I will start with my wife what are you doing here?
Pam:we were celebrating ziyanda's last day single
Phiwe:why a strip club Pamela?
She fiddled with her hands,worry was etched into her
expression
Sonny:Lizalise I know what you and Ziyanda did
I laughed
Sonny:it is funny huh
Note-the strippers were now gone
Liza:very funny
Athi:what happened
Sonny:they poured itching powder in the table and my chair
And they poured pink dye in my shampoo
They laughed
Luu:explain Ziyanda why are you here
I poured champagne on my glass then gulped it down again
Me:uhm i didn't know we are going in a strip club
Luu:you were even throwing money on them
Andile:the elders need to know about this tomorrow
So they left us there
Sino let out a huge sigh of relief
We went home then we slept in my room

WEDDING DAY

Ziyanda's perspective
I was woken up by people singing
-its a wedding day

Me:like really guys
Mom:hey wena wake up
Me:why are you excited it's just a traditional wedding
Liza:still you are getting married my friend
Sino:hey wena go bath
I went to the bathroom then bathed and lotioned then wore
undergarments with the dress it is a ball gown and a royal
blue Zulu traditional hat
And Traditional African beaded necklaces and bracelet
Liza did my makeup
Liza:natural or glamorous
Me:Natural babe
She did magic on my face after they dressed up too
I wore my black 6 inch stiletto
We were beautiful
We brushed our teeth then we went down
Family:hilili hilili
Noku:big sis
She was teary
Me:don't you dare Nokulunga
All of my siblings came and hugged me
Mzwakhe:hey Nina we are going to be late
So we took my other dress and a white all star then
We went to the cars
Saneli was the one driving my car
Liza:I got brutal fruit 8 carry pack and a juice for me of
course
So we dranked then we arrived there
We were late
And the gate was closed
So we were singing,I mean they were singing you know i
have a bad voice
We arrived in the gate
There was a woman there
Woman:you are late you were suppose to be here at 08:00
and now the time is 09:13
Mzwakhe gave her 100
Woman:it's not enough

Mzwakhe gave them 200
She opened the gate
Oh guys i forgot we had a kist on us that had gifts for them
I was taken to a hut
And I was advised about marriage
Sindi:and the name that we give you as a Khoza family is
Asakhe
Now you are not Ziyanda in this household you are Asakhe
I smiled not showing my teeth
Then they brought Lubanzi
Lubanzi took me to another hut
Did I tell you he had a navy tuxedo and a black loafers

So we changed then I wore that dress and white all star while
Lubanzi changed too
Then we went to the tent
Luu:Asakhe huh
Me:did they have to give me a name
Luu:why are you rolling your eyes?
Me:it just happened dude

We went to sit in out table

Linathi went on the stage
Lina:daddy hope you will take care of her she is a diamond
She came to hug us

They all talked wethu and wished is luck blah blah blah
It was time for Liza to talk
God
She is going to embarrass me for sure
Liza:I came here for my best friend my bitch
Me:don't say too much
People laughed
Liza:White potato
Me:that name Lizalise

The name white potato
I was given by liza's father when she was introducing me to
her parents
He gave it to me because I am white and some people think I
am a coloured

Liza: on a serious note friend we've been through a lot
together
There were times where we would fight and i feel like I am
going to lose you remember those times where we would
take a long walk talking about where we met
I rather fight with you than to replace you
Remember the time when we would get in trouble together
creating memories that no one can heal
I hope friend you won't change because of marriage
I remember when my ex husband cheated
You were the one to beat her just know that friend I love you
I was emotional
I went to her then we hugged for a long time
After we ate then Banzi and I cut the cake
After we were done we went to take pictures
Then it was time for me to lose my virginity I was fucken
scared
So we went to his bedroom
Then he started sucking my neck to my chest and I wrapped
my legs around his waist
He walked with me to his bed then he gentle put me down
He played with my nipples and I was wet
His hand went down and he touched my bean
I moaned
He finger fucked me so good
But it was painful
He stopped then went down to my thigh and started muffing
me
I released my juices
He came on top of me then he tried to put it in
He put the head
A tear dropped

Luu:should I stop?

Me:no carry on

He finally put it in then he moved in and out

It was painful but I was enjoying it

I was moaning loud guys

He banged me so hard hitting the g-spot

I heard him growling and groaning then I feel a warm liquid inside me

I won't carry on but to tell you we did 5 rounds

Doggy style and woman on top

I was taught by liza all of this

After we went to bath together with him carrying me

It was painful

After he took out the sheet then put another

So I slept on his chest

Luu:thanks for giving me your pride I love you

Me: I love you too

We kissed then I dozed off

Mr and Mrs Khoza

Insert 36

Ziyanda's perspective

So I woke up in the morning then walked to the ensuite

Although it was painful to walk

Lubanzi joined me so we took a shower

An innocent one

So after I lotioned then wore undergarments with pink dress

and white sandals
I brushed my weave then wrapped a doek
I applied nude lipstick on my mouth then brushed my teeth
Lubanzi also dressed up
So we went downstairs
Imagine my walk guys
So Saneli and I cooked breakfast
We ate as a family then the helpers washed the dishes
Father in law:When are you leaving?
Banzi:this afternoon
Me:where are we going?
Banzi:Honeymoon
Me:oh okay
So we went home
I packed our clothes then I changed to a black ripped jean and
mustard crop top and yellow and black push ins after Andile
came to get us
Andile:enjoy your honeymoon guys
Luu:we will
Me:where are we going?
Luu:it's a surprise
Me:I hate surprises
So we arrived
Me:why it's so empty here
Luu:your husband got a private jet
Me:show off
So andile hugged us and left

Before we could go there were people shooting
Luu:here
He gave me a gun
So we shoot together
But we were outnumbered
Lubanzi was shot on the chest and I felt something getting in
the back it was lights off

Insert 37

Ovayo's perspective

My name is Ovayo Candice Smith i am 36 years old
Blah blah I know i am old for Lubanzi but I love him
My parents are
Mom- Nomathemba Smith
Dad- Hayden Smith
Dad is a business man while mom is a nurse
I don't work
They give me money every month so I don't need to work
They can provide for me
I don't have any sibling it's just me only

So i found out that dad is a gangster so Lubanzi is his enemy
I told him to track Lubanzi and shoot the girl that he will be
walking with .
Guess what
Dad shoot Lubanzi arrgh
I mean how could he shoot his future Son in law

But good news is that he also shoot Ziyanda

My job will be so much easy
So I rolled out of bed then went to bath and wore
undergarments with black leggings and black crop top and
black nike airforce
I tied my weave then applied makeup
I brushed my teeth then took my Louis vuitton bag then went
downstairs

Dad had the lab coat
I wore it then he drove me to hospital

I am going to take Ziyanda

Wish me luck

Insert 38
Nokulunga's perspective

So we were eating lunch as a family and Mom got a call

Mom:Mrs Nkosi speaking

MOM:what happened?

Mom:I am coming right now

She hung up

Mzwakhe:nkosikazi what is happening?

Mom:Ziyanda and Lubanzi are in hospital

They were shot

Sena:who shot them?

Mzwakhe:Why did the person call you not me

Mom:Mzwakhe Nkosi my daughter is in hospital leave me
alone

She said that standing up .

So we followed her

Dad drove to hospital

These hospitals are fancy

So we rushed in

Then we waited

Mom was crying

The Khoza family rushed in and Lubanzi's friends

Sindi:Who shot them?

Mom:we also don't know we were called by the doctor

While we were talking

I saw a doctor

So I followed her i wanted to know how are they doing

She arrived on some ward

When I looked it was Ziyanda

Her:Ziyanda you took away Lubanzi from me and you know what you are going to pay

So I went to her

Me:wow doctor is that how you speak to your patient?

Her:uhm... who...are...you...?

Me:this is my sister and you are going to pay

I went to her then kicked her in the stomach

After we fought i was on top of her

I punched her

Till she became unconscious

I wiped my finger prints then went back to the family and waited for the doctor

Insert 39

Nokulunga's perspective

I went to the people

Liza arrived

She was beautiful with her cute little bump
She wore a maroon long dress with black platform heels
She is pregnant but she still wore heels
Some woman are brave sana
Liza:uhm I came here as fats as I can what happened
Saneli:They were shot while they were going to the
honeymoon
She sat down then fanned herself
Me:Calm down Liza
Liza:this is not the first time she is in hospital

.

Zinhle:Lizalise is selfish I mean my brother is also here
Liza went to her
Liza:repeat that in my face
Zinhle:Lizalise is sel...
We heard a hot slap that caused people to look
Nolitha:girls stop
Sindi:no she deserve it please repeat that slap Liza

.
. .
. .
. .
. .
. .
. .
. .
. .
. .

.
.

So Sino separated them
Liza sat down then took out her Doritos and custard then
poured the custard in the paper
Me:eeuw Liza are you going to eat this
Liza:yes Noku darling
She said that eating
So the doctor came

.
.
.
.
.
.
.
.
.
.
.
.
.
.
.
.
.

We stood up
Doc:uhm we have managed to take out the bullets from both
of them
But they haven't woken up

.
.
.
.
.
.
.
.
.
.

.
. .
. .
. .
. .
. .

To Mr Khoza the bullet didn't hit the heart so he is out of danger

But in Mrs Khoza's case
The bullet hit the spinal cord
There is a possibility that she can not walk
Tears rolled down my cheeks
I couldn't hold it
Mom was crying
Liza was crying
But Liza was eating while she was crying
Ntokozo:thank you doctor
He left
Pam:this is a mess
Liza:anyone hungry?
Zinhle:seem like you don't care
Liza:do you want me to beat you bitch
Zinhle kept quiet

.
. .
. .
. .
. .
. .
. .
. .
. .
. .
. .

Me:what the fuck Lizalise

Liza:you love it?

She smirked

This bitch

Andile:morvite really

They laughed

Me:it's not funny guys

I sulked

So we sat there then we asked the doctor to see them

We first went to see Lubanzi

My brother his lips were dry

So mom took out her lip gloss then she applied it

After all that crying mom did we went to Ziyanda's ward

She was worse

But she was still beautiful

I saw something disturbing

Shit it was Ovayo

But no one saw it

So they left i took Ovayo then put her in my car

.

.

.

.

.

.

.

.

.

.

So I took her phone

Guess what

It had a password

Me:yes she was shot
Mary:that's sad
She hugged me
Me:it's okay
So I drove to KFC for their wings

I bought 6 spicy wings and a coke
Then I went to the hospital

Ne:uhm hey doc can I see Ziyanda Kimberly Nkosi Khoza
Doc:uhm you can go
So I went to her ward
I sat down and ate after i throwed it in the bin
I took her hand
Me: Here's to the one that we got
Cheers to the wish you were but you not,cause the drinks
bring back all the memories of everything we've been
through
Toast to the ones here today
Toast to the ones we lost on the way
Cause the drinks bring back all the memories

I sang memories by maroon 5 while tears were making their
way out

I felt like someone was watching me so I looked and found a
guy

Me:you will stand there and don't talk

Him:I am luphiwe and you my lady

Me: I am Lizalise nice to meet you

Phiwe:my pleasure wow you got an angelic voice

Me:thank you

I was blushing

I noticed a ring on his finger

Oops he is married

Me: so what are you doing in Ziya' s ward?

Phiwe:I heard your voice and decided to see the angel

I smiled

Me:so you are married

Phiwe:yes and you

Me:divorced

Phiwe:oh I remember You

Sonile Cele was your husband right

Me:yes

Phiwe:Ziyanda will wake up

Me:I know she is strong I miss watching her fight

Phiwe:she can fight?

Me:yes and I used to call her Ronda Rousey

Phiwe laughed

Phiwe:she look innocent

Me:you see the person that shot her will pay

Phiwe:what will she do?

Me:you will see it yourself

Phiwe:I miss Fire now

Me:who is fire?

Phiwe:it's Lubanzi's Nick name

Me:oh

He thinks I don't know Lubanzi is a gangster

Pam arrived in the ward

Pam:oh hi Liza

Me:hi Pam

Pam:so what are you doing here with my husband?

Me:I am visiting my friend I don't know about your husband

Phiwe:I am a grown man Pamela I don't need to answer you

Pam:it's my birthday today luphiwe

You didn't even wish me a happy birthday

Me:uhm i think I need to go

Phiwe it was nice to meet you

Pam:you call him Phiwe how dare you Lizalise

It's the bitches like you that destroy marriages

Trash

Me:sorry sister don't shit on me I will beat your sorry ass

Phiwe:leave her she is just stressed

So I left the couple there then went to meet with Sonile Cele

Yes he called me and asked to speak to me on the wedding

So I arrived at panarottis

Sonile was sitting on the table

I ordered chicken and mushroom pizza

Me:yes talk Sonile

Sonny:uhm first i would like to apologize for the way things ended between us

Me:yes what else

Sonny:I would like to be present on my child's life

Me:I don't mind but you won't take my child while you are staying with your bitch

Sonny:drama Sese

Me:stop calling me that I am Liza

Sonny:I miss you

Me:you just spoke shit now

Our orders arrived

I ate then took my bag and left he Will pay the bill himself

So I went to buy clothes for my baby girl

I bought many clothes and food

While I was walking out I bumped on something

When I looked it was Phiwe

Me:i hope you got present for your wife?

Phiwe:don't laugh Liza

Me:I can't help it

So he took the plastics from me

Me:thank you

Phiwe:my pleasure just promise me you won't carry heavy

He is a white person

And Ziyanda decides to look like his last born

That is why I hated Ziyanda she reminded me that i was unfaithful to my husband

Sometimes I would think Mzwakhe is suspicious
He would ask me question like
Ziyanda is the only one who got a light skin in this family?
And I will be like
- my husband god is the one who create people maybe he decided to make Ziyanda light in complexion

So I was laying in my bed thinking about Ziyanda
Then Mzwakhe arrived

Mzwakhe:who is Ziyanda's father?

Me:it's you of course

Mzwakhe:why my ancestors don't know her

Me:how will I know

Maybe it's because Ziyanda is in hospital

Mzwakhe:that's nonsense Nolitha

Me:so you are accusing me of cheating?

Mzwakhe:I didn't say that

Me:I am going to sleep with Senamile don't come near me

I went to Senamile's room she was sleeping
I slept next to her

How will I face him tomorrow
Lying on his face

Ovayo's perspective

I woke up later with banging head

I was not in my room when I looked

Zinhle got in with a tray

Zee:so you have woken up

Me:yes I remember going to hospital to take Ziyanda and
Ziyanda's sister beated me

Zee:I found you lying there

Me:thanks

Zee:so what is your password

Me:I will not tell you

I ate then she gave me headache pills

Me:after 5 months nhe we are making Ziyanda suffer

Zee:Ookay

So she drove me home

When I arrived dad was sitting in the couch drinking cognac

Dad:did you do the job

Me:I failed dad look at my lip I bited it in the process

Dad:okay my daughter we will figure it out tomorrow

Me:thanks dad

I went to sleep

I cuddled my giant teddy bear while imagining lubanzi

Insert 40

Lubanzi's perspective

I opened my eyes then closed them again I opened them again

My throat was dry

Me:wa...ter

The doctor helped me to drink then checked me then left

My family arrived with my friends

Mom:Lubanzi my baby

Me:Mom I am old now

Mom:you will always be a baby me

Dad laughed

Me:Where is Ziyanda?

Athi:there is a possibility that she can not walk

This is my fault

Mom and dad left I was left with my friends

Liza's perspective

I have been avoiding luphiwe

So I woke up in the morning then bathed for 30 minutes and brushed my teeth then dried my body,lotioned and wore undergarments with navy blue polo dress,black 4 inch stiletto and navy polo bag

I did make up then applied dark purple matte lipstick

I puffed my Versace perfume and made a ponytail on my dreads

I went downstairs and made muesli and yoghurt

I ate then rinsed my bowl and took the Audi Q5 car keys(black)

So I made a kiwi strawberry smoothie and drove to the hospital

It was the visiting hours

I arrived in Ziyanda's ward

Lubanzi and his friends with their wives were there
Lubanzi was in the wheelchair
Me:uhm hi
Them:hey
Pam:what the hell are you doing here?
I kept quiet
So I sat on the chair that was there
I dranked my smoothie
Sino:oh Liza as the ladies we are going out won't you join us
Pam:no I don't want her there
Me:no I won't be able to come
Saneli:please come
Pam:she said no okay
Sino:What the hell is wrong with you Pamela?
Pam:she is a man snatcher
Phiwe:just stop it Pamela
Lubanzi: guys stop it
Pam:mxm she took her bag then left
I also took mine the way I was angry rhaa
So I drove to my house then watched twilight
I was eating popcorns

I left my children with her

I am here for my revenge

As i said i will start with Mzwakhe

I did and i am ready to make people pay

I was drinking whiskey with a sjambok on my hand waiting for him to wake up

I was now angry

All they did to me

They almost killed my babies

I took cold water then poured it on him

Mzwakhe:ahhh who are you?

Me:i am Ziyanda Kimberly Nkosi khoza the girl that you kidnapped and tortured and i am here to make you pay for that

Mzwakhe:Ziyanda please forgive me

Me:too late mzwakhe too late

Mzwakhe:forgive me

Me:i would have been happy in my marriage now with my husband the one you forced me to marry him

Mzwakhe;please

I beat him with the sjambok

It's an underground room baby

My house is very big

After i was done i undressed him

Me:mxm big belly for nothing you little divk

While pouring my mixture on his body
His cries were music to my ears
Me:mzwakhe mzwakhe
Mzwakhe:please think off your siblings ouch
Me:i dont give a fuck mzwakhe.
I poured petrol on him then put him outside
And light hin up
He kept crying begging
No let me end this
Five on the heart and five on the head
After i sent his bones to mom's house
Nothing will come back to me

Noks's perspective

I was in my room trying to digest the news
I couldn't believe that my father is no more
I am so hurt
Who could have done this to my father
-"Nokulunga open this door or i will break it"
that was aunt Nosibusiso

Me:

I went to open

Me:mhh

Aunt Nosi:it's your father's memorial service in 4 hours you

hair

My eyes were red and puffy

I looked bad no lies

I went to the kitchen

after she died i drowned myself in alcohol

Ovayo was the one who was busy cleaning the house and taking care if linathi as you know linathi is rude so it was hard for them to have that mother-daughter relationship

Yes i love her but the marriage thing was her idea and Zinhle

I didn't even propose she just planned a wedding

Now it's 5 days before the wedding

I was fitting the tuxedo with my friends

Phiwe:are you sure you will carry on with the wedding?

Me:yes i have no choice it us now 5 days before the wedding

When we were done we went to the warehouse

Mom and dad now stopped gangsterism

Ovayo:baby your diamonds were stolen

Me:what!

Veins were popping

Me:who dare steal fire's diamonds?

I called the crew

Me:is the a traitor here?

Crew:dnsusgendudhskddywnsuanegdixn

Phiwe:but you are the only one that knows the password of your safe

Me:Ziyanda also knew it

Is she alive?

Ovayo's perspective

What is Ziyanda back no no

Me and Zinhle went to my dad's house

Me:daddy i need your help

Dad:what is wrong daddy's princess?

Me:I think Ziyanda is back

Dad:what makes you think that?

Me:Lubanzi's password is only knew by him and Ziyanda

Dad:i knew she will come back we need to strike now

Zinhle:how because we don't even know where she is

Me:this is bad

I ran my hands through my hair

Kiara's perspective

I am now in a plane going to California to do my surgery

Yes i will go back to my old look

When i come back

I got a lot of explaining to do

Kayla is the CEO at her father's company and Ella is just working in my company

Since they wanted to have money

They were both sleeping on her

Me:they are so cute like their father that Ovayo will steal

Kim:oh Kayla please i wont crash that wedding

Me:don't you think lubanzi want to see his children?

Kim:he will see them

Me:mhh i am not going to that wedding then

Kim:no go i need you to tell me what was happening

Me:okay bye

Kim:bye

Ovayo's perspective

My wedding day ahhh

I am so happy

Finally i am getting married

I was woken up by Zinhle

Zee:wakey wakey

Me:it's my wedding day ahh

I jumped on top of the bed

Lubanzi's mother and mine entered the bedroom

L'M:oh When you are done acting crazy go bath

Mom:this is my child

I went to bath then dressed up

I was wearing my white mermaid dress and a nude block

heel

My make up stylist did her magic

Also the hair stylist

I was so beautiful mom wanted to cry

Mom:oh baby you are so beautiful

Me:thanks mom

Zinhle was my maid of honour

She was wearing a white jumpsuit and a white stiletto

My other bride maids(my cousins)

-Zoliswa

-Andiswa

They were wearing short jumpsuits and block heels

We drove to the church

No one will stop my wedding

I am doing this

Liza's perspective

It is now the day of the wedding and i don't want to go to that damn wedding

Sonny:Wifey lubanzi is my business partner i have to go and support him and you are my wife

Me:but lubanzi is Ziyanda's man

Sonny:was Ziyanda's man dress up the theme is all white

I wore a white above the knee dress and white stiletto heels

I did make up then made a bun on my locks

Pretty was wearing a white dress and pink sandals

Then i tied her afro

We were all ready

So Sonny drove to the church

I took my bag then we went in

My heels were making noise

We went to sit down then the service started

Kayla was also here

The bride walked in with her father

The song that was playing was moment 4 life-drake and nicki minaj

Priest:if there is someone who is against this wedding speak now or forever hold your peace

There was no one standing up

Priest:okay then let's carry on

Bam! bam!

-how do you continue with the wedding when the bride hasn't arrived

I rubbed my eyes thinking i am dreaming

She was wearing a white dress that has a slit

Liza's perspective

I was so surprised

I rubbed my eyes thinking i am dreaming i was even pinching myself

She was so beautiful her light skin and the dress made her look more beautiful

All the people in the church were looking at her

Lubanzi was surprised

While Ovayo and her parents
She had a black and gold gun
Me:Sonile pinch me
He pinched me
Me:ouch
Priest:why are you stopping this wedding lady
Ziyanda chuckled
She went to the couple her eyes were on Ovayo .
Out of nowhere Ziya punched Ovayo
She carried her then threw her down(did i tell you she hit
with her stomach)
Out of nowhere Kayla fought with Zinhle
Lubanzi pulled Ziyanda
Heh this felt like a dream
Pretty was just watching
Pretty:drama heh
She took out her gun
People ran out and we were left

*Note guys there will be no kiara williams now the only kiara
is Ziyanda's daughter*

Ziya's perspective
I know i said i won't crash that wedding but i changed my
mind
When i arrived i went to the police station then told them that
Mzwakhe was trying to kill me blah blah and they believed
me
So i went to my crew (Blood spillers)
And told them the whole story
So i took 6 guys that i trust
Then i went to my house
I changed to a white dress and Liya was wearing a red crop
top,black jean and red balenciaga sneakers
On her hair she made a neat bun
LJ was wearing black balenciaga t-shirt,black knee ripped
jean and black versace mules
I combed his fade then i made them something to eat then we

went to the car with Ella ofcourse
When we arrived i left them in the car
You all know what happened
So Ovayo's father ran away
But i managed to get her mother
Ovayo and her mother were taken by the guys
Lubanzi:explain now
Me:i would like a glass of champagne first

I went to take the champagne on the table that was there
Me:oh do yourselves a favour and tell the poor person that is
in the hotel that there will be no wedding that is going to
happen here
I took three glasses
For me,kayla and liza
Damn i missed my bestfriend
They all hugged me
Liza was crying
We hugged a long time
She wiped her tears
Lubanzi:what the hell is happening here?
Me:should i tell them or you will?
Zinhle was crying
Me:okay then*sips on my champagne*well remember the day
that we went to the club
So that day kayla came to see me and told me that she had a
dream where i was laying in a pool of blood
She gave me a necklace
Kayla:and that necklace had a tracker
Me:so when we arrived i started being uncomfortable and i
felt like someone is watching me turns out i was right
When i left the club i fought with the first guys but i was
outnumbered
So they drugged me
They hanged me upside down
They took turns beating me
i wiped my tears
I managed to escape

I saw Zinhle and told her that i was kidnapped
She hit me with a gun
Zinhle you will pay

They poured acid on my face
The ladies were crying
Me:they almost killed my ...
I drank the champagne
_mom Aunt Ella says we must come check on you
When i looked back LJ was carrying Liya on his back
I nearly fainted
Where does he get this power
LJ was looking down
So when they arrived i took liya
LJ looked up they were all surprised
Me:lubanzi meet your children Niyanda Kungentando Trey LJ
khoza and Liyanda Philasande Kiara Khoza
LJ:so you're my father
He went to him then they hugged each other
Lubanzi was so happy
Sindi:how did they survived?
Me:i dont know how plus Phiwe i got a surprise for you
Phiwe:for me?
Me:yes Ella come
She entered and luphiwe just went to her and they hugged as
they were crying
Me:enough of this i got people to kill that includes you Zinhle
Sindi:i know she hurt you but i won't be able to watch you kill
my first born
Me:she almost killed me
Sindi:she had no choice
Me:she had a choice Sindiswa she could have swallowed her
pride and told her brothers
Sindi:Asakhe
She left and Ntokozo followed her
Me:Kayla and LJ let's go
LJ:okay sure bye dad

Lubanzi:bye son

We left to my house

Kayla:Bitch did i tell you that you made a grand entrance there

Me:who am i?

I went to my room then changed and wore ckmfortable clothes and left liya sleeping in her room

I got a call from lubanzi

Me:lubanzi

Luba:Can we meet and talk?

Me:no i am busy today maybe tomorrow

Luba:okay

I hung up

About Ovayo,Zinhle and Ovayo's mother they are in my warehouse

There will be more drama guys as you know

As a parent you would not get along with the person that killed your child

On the other hand Ovayo's dad is missing heh

I was now on the kitchen playing the song that i love
Bruno Mars-just the way you are
I am wearing my apron(printed Queen)
I was singing with a spoon
Kairo was on my back

LJ:mom you really made liya sad

She tied her hair into a neat ponytail
Me:hey please sit down
Ma:okay
We all sat down but i had to stop eating and attend kairo who
was crying
I made a bottle for her then also made porridge
I fed her then gave her a bottle
She was now talking her baby language and she was so cute

After we were done eating
Linathi cleared the table and washed the dishes
After she excused herself because she had to study

My sister and i were very close
We did everything together
The problem was,i was too beautiful
That made her jealous
When i was in grade 10,i met with a guy
He was a popular guy and he was handsome,his name was
Ntokozo
Maybe it's not the ntokozo i know
We dated till i we were in grade 12
I finished my matric
My father told my sister and i to drop out of school and find
husbands
I got my results and they were saying i passed
Mother was very proud of me
My sister failed
So she was bitter
Ntokozo went to Joburg to study
But he would come on holidays and we were happy together
When he finished school,he wanted to pay dowry for me
But he was in a accident and lost his memory, the sangomas
told me that he have to marry my sister to have his memory
again
Turns out the Sangoma was lying
He was paid by my sister
So they married together and the sangoma made him drink
something
His sisters loved me so they were very supporting
My sister got pregnant and Ntokozo forgot me
Father was very proud of her precious daughter and mother
was feeling sorry for me

I became a girl known as her man married her sister because she is too fat
Everyone was gossiping about me
My sister killed her father in law and framed me
All of the khoza family hated me
I went to jail and was sentenced to 10 years in prison
I just got released today

Sindiswa ruined my life

Me:So Sindiswa Khoza is your twin sister

Ma:yes

She was crying

I hugged her

Me:dont cry,i hate tears

I shot the person that was driving and Sino got in and pushed
the other one outside

I set the bomb to explode in 5 minutes

Sino stopped the truck then i gave liza the bomb

I pressed my heel on the neck of the second person

Liza throwed the bomb then Pam came with the bags

We packed money then ran to our motorbikes .

When we were far from the scene

We stopped then destroyed the guns

When we were about to leave

There were cars surronding us

Lubanzi,Athenkosi,Andile,Sonile and Luphiwe came out of
the cars

They didn't say anything and just took out hands and went to
the cars

SEASON 2

INSERT 19

1 year later

Kayla's perspective

My sister hasn't woken up and i am sad about it
I have been living with Mam' lindiwe and she still doesn't
want to show herself

I would've loved to go with her to surprise Sindiswa

I am now Butterfly(gangster name)

I have been helping Liza with the blood spillers

Darien wanted to live with his children so i let him be

I always check them

But it's very hard to speak to LJ

He loves bottling things up

Kairo is still a cute baby

(thank god for that)

Austin is out of the mental institution

He is better now and he was angry when i told him Justin
raped me

I have healed from all of that and there is this guy that i am
with his name is Sabelo

He is handsome

I love him

We have been dating for 5 months and i still hadn't slept with
him

I mean it's too soon

He knows about kairo

On my side i am very happy

Lubanzi's perspective
It's been a year without Ziyanda
She still hasn't woken up
Ovayo's father is in the warehouse
He is taken care of
I believe Ziyanda will wake up and kill him herself
She is a strong woman
Kayla and liza sometimes come and take care of the children

It's very hard raising 3 children
And linathi is in puberty
She is handful
If i would beat her,i would probably kill her
I need Ziyanda for that

I woke up and look at my phone
Shiit i was late.
I quickly went to wake the children and went to bath
I had this important meeting
I wore a suit then combed my fade
I went to liya's room
Linathi was brushing her hair (thank god she did cornrows)
I went to LJ and helped him comb his hair
We went to my car
Liya:where is breakfast?
Me:i woke up late,we will drive past the Mc'd drive thru
Lina:Mom made sure that she made our lunchboxes and we
eat breakfast
Me:i am trying,it's not easy for me too
I bought them their food then drove to their school
After i went to my office
I went to my office
My PA Sanele was waiting for me

Sanele:Mr King said the meeting will be next week on Monday and come with your wife

Me:get out

Sanele:but

Me:*shouting*Cancel all of my meetings and get the hell out

She ran out

I rubbed my face then rested on my chair

This is hard for me

I got a call from the twins school (they are doing grade R)

Me:Khoza speaking

Her:Mr Khoza Niyanda was involved in a fight and he broke the arm the boy that he was fighting with

Me:What!

Her:Please come fetch him he is being suspended for a week

Me:okay

I hung up

I drove to LJ's school

When i arrived the teachers were drooling

I went to the principal's office

Principal:good morning Mr Khoza

Me:hi where is he?

Principal:he went to the loo,if i may ask where is his mother?

Me:That's none of your business Mam

Principal:oh i'm sorry

LJ entered

His shirt was torn

Me:let's go

I took his school bag then we went to the car .

Me:Lj why the hell did you get into a fight?

LJ:

Me:talk to me dammit,Niyanda why did you get in a fight?

LJ:He was bullying me

Me:why didn't you tell me

Lj:It's not easy talking to you dad,you ar3 scary,i thought you

will say i am weak that i can't fight my battles, on times like this i want my mother, she is easy to talk to and she always made sure we are full and we have our lunchboxes

Today we didn't even had lunchboxes

I am sorry dad but you are nothing like mom

I wiped the tears that managed to drop

Me: i am sorry son, do you want to see your mom?

Lj: okay let's go

I drove to the hospital

It was visiting hours

We went to her ward

I took her hand

Me: Ziyanda please wake up life is not the same without you, i spent 5 years without you and trust me those years were hell please wake up for the sake of the children

They miss you

Lj: Mom wake up i need you

He was crying

Me: She will wake up

LJ: i miss her

I carried him to the car

It's very hard raising these children who are used to their mother

I drove to the park

We bought ice creams and we talked

He started telling me how it started

Sindiswa's perspective

I was still watching my favourite soupie with my husband

I went to our bedroom

I got a call from the prison (the warden that works for me)

Me: Talk

Him: Mrs Khoza your sister was released from the prison

Me: what! i told you that you that she must be stoned to death

Him: I was scared to do it

Me: You are such a weak man, i am asking myself why the hell did i give you this task

You are weak marn, uyi sdwedwe

I hung up
How could lindiwe get away?
I know i have been cruel to my sister but she stole my man
I loved Ntokozo but she chose to date with him
I made Ntokozo believe that she killed his father

Words couldn't come out of my mouth

Ntokozi:What are you doing here Lindiwe?

He snapped...

If you knew dear husband what I did to her

Lindiwe:Should I tell them or you will?

She said that looking at me

Me:I don't know,get out Lindiwe you want to ruin my life

Lindiwe:I tried to be civil with you now you are going to do this my way

She sat next to Asakhe

They are both dangerous to tell the truth I am scared of Asakhe

Lindiwe:Don't disturb me Ntokozi or else there is someone who will die in this house

Zinhle:Okay

Lindiwe:so Sindiswa is the one who killed your father

Ntokozi,she was jealous of me and you

I loved you Ntokozi but you forgot about me

You played happy family with her

I just wanted the truth to come out

Ntokozi:You are lying Lindiwe my wife will never kill my father

Me:it's true

That came out as a whisper

Ntokozi:What!

Me:I am sorry Ntokozi

I was tired of that
Ntokozo came to me then strangled me

Lubanzi pulled him away from me
Zinhle came rushing to me
Zinhle:mom
She hugged me

For dessert i made malva pudding with a custard
The kitchen was smelling good mhhh
I went to the bathroom and did my business then washed my
hands
I thought about that day Lubanzi pranked me
I went to his bedroom then took his laptop
I searched on google
How to prank your husband

The ideas were hilarious
I chose the idea of moaning another man's name while
sleeping with him

Lubanzi won't know what hit him
I went to the kitchen he was talking with LJ they were so
close
Lina was playing games with LIYA
I set the table then called them to eat
So we ate while chatting
After i served the dessert
It was delicious
After i cleared the table and washed the dishes
We tucked the kids to bed
I drank my pills then went to our bedroom
I undressed and i was left with my undergarments
Lubanzi touched me and i flinched
Me:your hands are cold wena
He shut me with a kiss
My hands were on his neck and his was on my butt
We both heard the door opening
I broke the kiss
When i looked it was Liyanda
Me:Liyanda what are you doing here?
Liya:i can't sleep
Lubanzi:but we left you sleeping

Liya opened the door again
Liya:Violence is not an answer

Lubanzi was dead with laughter
Me:unbelievable
I wore a robe then went to her
She ran out
I wore a night dress then got in the bed

Morning

I was woken up in the morning by a kiss
I spoke between the kiss
Me:morning breath
