"well...andiyazi." Soso: "he's Your twin." Luks: "my twin gets hella mad if leave bread crumbs on the kitchen counter. He gets mad if I don't use a coaster on his coffee table xandibeka glass. Right now, I really don't know, all I know is if bindim ngxaki, bekuzothukwa mna ndodwa. I'm out." he walked toward the boardroom. Soso: "what do you think?" Soma: "I think what Victor said shook him up. Brought back bad memories and the fact that Lukhanyo uthi Khange alale ndlin this weekend maybe he's still mad." Soso: "Somangaye its been a while enje uLubabalo. I'm a doctor, I know when something is wrong." Soma: "what, you saying he's sick?" Soso: "he's acting strange." Soma: "maybe he's depressed." Soso: "funeke uthethe naye." Jamie: "excuse me sir, Mr Morrison is asking to proceed with the meeting when you're good and ready." Soma: "already coming." they walked to the boardroom. Brian arrived. Lubb: "you're late. Again." Brian: "traffi-" Lubb: "traffic isn't part of this meeting. you're either here on time or not at all. Yes?" Brian: "you okay?" Lubb: "if we could turn to the white folder, page 3 paragraph 2 please." Lukhanyo hid his face with the open folder holding in a laugh. Lubb: "spectacles Lukhanyo?" Luks: "hm?" Lubb: "do you need spectacles?" Luks: "no. Ndi-sharp." they carried on with the meeting until 8. Lubb: "is that all?" Soso: "I believe so." Lubb: "are you sure?" Soma: "yeah." Lubb: "then I guess we're done. Thank you. " he stood up, packed his things and walked to his office.. Lukhanyo ran after him. Luks: "yinton ngoku?" Lubb: "rushing to Cape Town." Luks: "why?" Lubb: "There's something ekufuneka ndiyenze. I don't know when I'll be back." Luks: "what about us?" Lubb: "you'll cope. You can do this. Plus, you're your own management." Luks: "I thought you were done with Cape Town though. Why again?" Lubb: "because Lukhanyo, I'm the C.O.O of the Morrison Empire. I can't just quit. My father won't let me." Luks: "or you won't let him? I thought you wanted this for yourself, to start a new life, to build YOU. Kodwa usaleqeka emven ka tatakho? How is that gonna work when you keep running back?" Lubb: "its my investment Lukhanyo, I drew that proposal, I have to sign off the project, qha-" Luks: "and hire workers, accountants, engineers, surveyors, to start with the project. Not mentioning skipping the country twice or more a month. You'll have to report back to them, work with them. You won't have any time for us. Because we're not billionaires right?" Lubb: "Lukhanyo. I need to do this. Yes I will be gone. But I'll appoint a team, and managers. I won't need to be there. Ndizobalapha doing OUR work. Utata will continue with everything else phaya. Why are you so worried?" Luks: "because Lubabalo its unfair! Tata can't just drag you to his empire everytime he has a problem whereby siyasebenza apha." Lubb: "Tata is the reason why my name opens doors. I am going and I will be back. now if you'll excuse me, I have a flight to catch." Luks: "you're not going anywhere." Lubb: "Lukhanyo stop playing I don't have the time for

this. Just get out of my way man." Luks: "you're still mad at me aren't you? About Saturday? Dude I'm sorry. Bendikwi shock, I shouldn't have judged you." Lubb: "its not about that. Ndiyazazi into endayenzayo was wrong. Is wrong, and it always will be. Nothing can change that." Luks: "then...why are you angry?" Lubb: "I'm not." Luks: "Lubabalo, I'm not stupid. I know there is something that's pissing you off." Lubb: "its just stress. I'm fine." Luks: "no, you're not-" Lubb: "yes I am. So do yourself a favor and back off alright? Leave me alone." Luks: "no! I'm tired of ezi moods zakho ziphambeneyo. You're gonna tell me right now what the hell's-" Lubabalo pushed him aside and walked out...

Chapter 746

My eyes shot open at the first sense of light I quickly sat up. Benny walked in the room with a black tray that had breakfast. Me: "you made this?" Ben: "I may live in the jungle but I do buy groceries." I smiled. Ben: "kuthen uzenza lento Lihle?" Me: "what?" Ben: "your eyes are swollen. You were crying yourself to sleep. Why?" Me: "I don't need to explain this to you." Ben: "then eat up. Funeke siye kokwenu." I went to rinse my mouth and came back to eat. He walked back out and I heard a shower a few minutes later. After I finished eating I walked to the kitchen then washed my plate, fork and glass. I dried them and searched the correct cupboard to put them in. Hmm...he really did buy groceries. Ben: "what are you doing?" he wrapped a towel around his waist. Me: "erhh..." Ben: "searching through my cupboards.." Me: "ndifaka izitya." Ben: "top left from the sink." ndayofaka quickly. Me: "why are you not dressed." Ben: "because I like being free." this was awkward. Me: "I see." Ben: "sooo....about your friend." Me: "what friend?" Ben: "you know, the one you made a bet with." Me: "I didn't make a bet." Ben: "yes you did. If andingo brother wakho, you toss me over to her? Remember?" Me: "ohhh!!" I chuckled a bit embarrassed. Me: "Mandy? She's just playing, wayesitsho naku tatam." Ben: "oh. Well...she's cute." Me: "what?" Ben: "I still see you as my little sis either way. Okay? Its not gonna change. But I do think your friend is....beautiful. So, I wouldn't mind being tossed." Me: "alright then." Ben: "I'll get dressed. Ambovasa. We're leaving in 30 minutes." he strided to his bedroom. I went to mine ndayolanda umntanam who was still sleeping with the pillow and a blanket. As nice as Benny was I couldn't just trust someone with my child, I may be paranoid but it works for me. I bathed quickly and when I was done Lubambo woke up. I bathed him too sabuyela eroomin, ndamnxibisa and also got dressed. Ben: "can I come in?" he knocked. Me: "yeah." he came in. Ben: "uzoty nton uboy?" Me: "I have his porridge, ndizomenzela ngoku. Then we can go."

Ben: "need help?" Me: "no. I'm fine. Enkosi." I went to make the baby's porridge and fed him then some milk. Packed his things and went to the car. Benny locked his house sahamba. Driving to my mom's place. We arrived ingathi kusavaliwe, that was odd because by this time umama sevukile. I went to knock on the door for a few minutes then went to her window. Ben: "yinton ngoku?" Me: "akhomntu." Ben: "nah. If akhomntu bekuzovulwa curtains." he went around the back to the bathroom window. Ben: "andikwazi ungena apha." Me: "bamba umntana." I handed him Lubambo and picked up icingo elibityileyo from the ground, twisting it a bit nday'faka kwi lock yomnyango. Ben: "wenzanton?" Me: "picking the lock." it snapped open and I pushed the door. Ben: "undifundise nam in case I lock myself out one day." Me: "funny." I looked around the house. Into my bedroom and then ndangena kweyaka mama. She was still sleeping. 🙈:o Me: "mama." she didn't move. Me: "mama!" she opened her eyes and turned around to cover herself again. Me: "mama please. Cela uthethe." and for the next 30 minutes I proceeded to beg and plead ndibambe inyembezi engandiphenduli. Ben: "Lihle, maybe we should give her some space." Me: "space Benny?" Ben: "yes. Iza." Me: "no!" Ben: "ewe Lihle. Come." he pulled me up and out of the room. Ben: "awunawo omnye umntu okwi family? That you can speak to?" Me: "like who? The last time malume wam wayelapha, things were out of control." Ben: "and mama ka Sine?" Me: "everyone else is sitting and burying themselves in sorrow and I'm expected to deal with it all?" Ben: "Lihle, I'm here to help you." I took my son to his cot and went to sit down in the lounge. What exactly was I going to do now? Ben: "Lihle?" Me: "Sibenoxolo, with all due respect, my mother is in a deep depression, my step mother is devastated, and I have to make a decision to actually keep my father on that machine or switch it off because ugqirha says he's already dead-" Ben: "he's not-" Me: "yet he's not breathing on his own." he kept quiet. Me: "I can't do this. I really...its too much." he sat down next to me. Ben: "you need to sleep properly, ndiyayazi ba you don't trust me nomntana wakho, so I suggest umse Ku friend wakho, or your cousin or something to babysit. I have a feeling awufun umbona utatakhe." Me: "my friends have their own lives, ndingu mama onjani who'll be giving away her baby kuba efuna ulala? Namhla if ebefuna ubalapha she'd be here taking care of umama, now what makes you think she'd take care of Lubambo?" Ben: "you're being too hard on yourself." Me: "what exactly must I do Benny?" Ben: "everyone needs help once in a while. And ngoku, you need it. Okanye ufuna kuze uLukhanyo?" Me: "I don't want to see or hear him. Ndizofownela uNono." Ben: "nguban lowo?" Me: "nanny yabantwana. Once she's here, you can go. I'll be fine." Ben: "you sure?" Me: "yes." I made the call immediately and she agreed to come over. an hour later a car parked outside the house. Ben: "your nanny drives an

SUV? WOW." Me: "what?" I didn't understand this. Ben: "kukho moto enkulu pha phandle." someone knocked on the door ndayovula. It was Lubby. Lubb: "hello." Me: "hi." Lubb: "how are you?" Me: "I'm...okay. Uzothini apha?" Lubb: "oh, bendise ndlin when uNono told me that you need someone to fetch the baby. So ndithe makahlale ndize, because ujonge amawele." Me: "oh." Lubb: "can I come in?" I opened for him wangena. Me: "his bag is on the dresser. Lubb: "hi Benny." Ben: "molo." Lubb: "uhm...can I speak to you Lihle? Alone." we walked to the bedroom. My hands were a bit shaky and palms sweaty not knowing why exactly. My stomach was hella turnt. Me: "what's up." Lubb: "unjani utatakho?" and for a moment I zoned out completely. Me: "he's..." I tried to breath properly and speak. Me: "the doctor says he might not wake up." Lubb: "What?!" Me: "please just....I'm trying to be calm. The last thing I need is someone else fussing and crying and being hysterical.." Lubb: "is there anything I can do?" Me: "unfortunately not. Its out of our hands now." Lubb: "I'm sorry to hear that. But you can't lose hope now." Me: "I don't know Lubby. I don't know how to react. Umama isn't talking or eating or even waking from bed. I have to take care of her too." Lubb: "your mother is grieving, let her be, xa efuna uthetha uzothetha and when she wants to eat she will. Give sometime to yourself too because ngu tatakho lo, you're upset. Don't block your feelings because you have to take care of someone else." Me: "I can't exactly let her be." I wiped my tears. Lubb: "ukhona uJeff, he'll be willing to help. Call him." Me: "I will later." Lubb: "and you? Who'll be taking care of wena?" Me: "I'll be fine." Lubb: "I'm going to Cape Town in a few minutes, come with me. To get your mind off things just for two days." Me: "I can't do that." Lubb: " As friends. I promise." Me: "andizokwazi Lubabalo. I'm sorry." Lubb: "that's okay. If you change your mind just call me uyeva." he walked over to the baby cot. Lubb: "Lubambo lwam.." the baby stared at him and smiled. Lubb: "miss me? Come here my boy." he picked him up. Lubb: "we could take him with." Me: "Lubabalo, we can't." Lubb: "I worry about you Lithembelihle. I am concerned of your well-being." Me: "I am fine Lubabalo. Have a safe flight." Lubb: "alright then." I kissed my baby goodbye and he took his bag. Me: "thanks." Lubb: "I'll keep you in my prayers sweetheart. You're not alone.." he walked out the room. Lubb: "bye Benny." Ben: "sharp." and he left. Ben: "I'm guessing ayingo Lukhanyo lo. He's a bit nicer." Me: "hm. You think." Ben: "I'm right? Its the other one?" Me: "yes, nguLubby lo. Thanks for everything Benny." Ben: "you're not gonna share?" Me: "share what?" Ben: "what he said. I'm curious." Me: "he's concerned and ufuna ndiye naye Kapa. I said no. End of story." Ben: "why did you say no?" Me: "firstly because I'm mourning my father, secondly because I want to move on without either of them. No special visits, trips or favors for neither." Ben: "I like him.". Me: "then date him." he laughed while standing

up and walked out. Ben: "lock up. I'll call you later. Bye." Me: "sho." I locked up and went to my mother's bed to crawl up beside her even though she probably couldn't hear me.

Sporo was in his back office, filing his bank statements. Vega: "fethu, sizoy'thin lewei?" Sporo: "ngeyiphi lowey?" Vega: "Le poni ifakwe ngooLubby pha endlin eback." Sporo: "andikho sure awti yam." Vega: "ayik'thuk'thezeli?" Sporo: "nope." Vega: "how?" Sporo: "akangxoli mos." Vega: "izoqalisa uz'nyela lakaka pha Sporo. Akakwazi kwenza nto lamntu." Sporo: "ungambeth nje." Vega: "Sphelele bra yam." Sporo: "fownela kalok uLubby uthethe naye mna andingen ndawo." Vega dialed the number and put the phone on speaker. Lubb: "Morrison hello." Sporo: "hee mfo. Uz'misele ntweni?" Lubb: "nganton ngok Sporo." Sporo: "lomntu umshiye back athin?" Lubb: "oh, I'll sort it out once I'm back in town." Vega: "uzorhuda lamntu k'la room kushiyeke ivumba pha!" Lubb: "lizok'thuk'thezela daa?" Vega: "sukunya bra." Sporo: "sesifa kakade lomntu. Why not just get it over with?" Lubb: "on second thoughts, ha.a. Let him suffer apho. I'll pay your rent if I have to. I have plans for him." Vega: "uphi." Lubb: "on the way to the airport, I'll be back Wednesday latest or even tomorrow. Stay put." Sporo: "sharp." he hung up. Sporo: "umvile ke. Stay put." Vega: "since when do we take orders from him?" Sporo: "since now." Vega: "ngoba Siphelile? Why?" Sporo: "demand and supply little brother. Demand and supply." Vega: "ithetha nton lonto!" Sporo: "they demand we supply." Vega: "hehake. Hayi sesiziz'menqe ke shame." Sporo: "for now maybe." Vega: "There's something you're not telling me." Sporo: "its all about the debt they'd be owing us Vega. After all of this, we have the upper hand and zisenintsi into esifuna uncedo ngazo." Vega: "oh so you're using them." Sporo: "something along those lines, yep." Vega: "I can't wait for this." Sporo: "Linda bhuti. Patience is a virtue. The only thing in this world Lubabalo Morrison cannot afford."

After about 1 in the afternoon I was already up again because it was just hot. I took a shower and got dressed. Me: "mama, awulambanga?" she shook her head slowly. Me: "at least ipapa? Amacephe amabini qha ndizok'nika pilisi yolala." she looked at me. Me: "please?" I went to the kitchen to make iMorvite, warm and smooth with sugar and milk. I went back to the bedroom, helping her sit up and she literally ate only two spoons. Ma: "Lukhanyo." Me: "he's gone mama. For good this time." and for some time she stared at her plate sadly. Me: "ndiya esbhedlele mama, awufun uhamba nam?" Ma: "kuzothin Lihle? Ndicela uhambe bufuna uhamba. Andizokwazi uzophula umphefumlo." she cried. I turned and walked out her room. I couldn't bear this. I felt like the adult and it pained me extremely that I had to stay "strong" or everyone else. Someone had to do it. Benny was right, I needed the help. I called Jeff. He answered

after a while. Jeff: "hello?" Me: "hello Ta. Ndim uLihle." Jeff: "hello my angel, unjani?" Me: "I'm okay." I covered my eyes with my free hand to prevent me from crying. Me: "There's been an accident." Jeff: "Phi?!" Me: "a while ago. Utata...he's...we're....umama isn't coping." Jeff: "uphi wena ngoku?" Me: "ndiye sbhedlele Ta." Jeff: "umamakho?" Me: "akafun usuka ebhedin." Jeff: "hamba mntanam, ndizoza apho endlini mna." Me: "enkosi Ta." Jeff: "alright." I hung up. Well, that wasn't so difficult. Now as for umalume. I dialed his number too. It hit voicemail. And for a split second, I was glad. But then I'd have to try again later andfuck! This was getting more difficult. I wore my shoes and fixed my hair ndathatha bag walking out the house. The last I checked, Jeff had his own key, well...was it before or after the break in? Anyway, I left a spare key in a hiding place and sent him a message. I got a taxi to the hospital as soon as I arrived my cellphone rang. For a while until it irritated me. Once I was inside I checked the caller. Lubby. He meant well, but now was not the time. I went up to where we were last. Down the brightly lit passage with dull pastel colors, representing no life. To the room my father was kept in. I stood outside staring in through the looking glass. I found it hard to believe he wouldn't be coming back. He had to! "Miss?" I quickly wiped the tear from my eye then turned around. It was another doctor I assumed because he was dressed smart with a white coat on top. He smiled immediately and surprisingly contagiously for some time before he spoke. Doc: "relative?" Me: "daughter." Doc: "I see. I'm Dr. Lechaba. I'm a neurosurgeon." Me: "you lost me at your name." he laughed. Doc: "basic English? I specialize in treating diseases of the nervous system.." Me: "can you help my father?" Doc: "I will do the best of my ability. This is some research I've started working on for the past 2 years about this type of lethal injection." Me: "ithini lento?" Doc: "lento ithi ngingakwaz usebenza ngamandla ami to help your dad. Excuse my bad Xhosa." Me: "that is very bad." Doc: "I'll work on it. So would you like to take this home and look through it? If you have any questions, feel free to call. I know most of the words there sound like Greek and look like hieroglyphics but I've highlighted and summarized it simply enough." Me: "you knew I was coming?" Doc: "I thought his wife would come, but I guess daughter is fine too." Me: "akatshatanga. He's not married." Doc: "oh, I understand better than I speak, don't worry." Me: "Zulu?" Doc: "I would love to know, apparently my mother is Tswana, father Sotho. I spent my entire life in boarding school." Me: "so you speak.....?" Doc: "both." Me: "thank you for the information doc. I'll read through it." I sat down on the chair. Doc: "here?" Me: "yeah, my mother is in a state...I can't face her...or anyone else. I'd rather be here." Doc: "I'll be right down the passage in my office if you need me." Me: "thank you." he smiled again and walked away. Nice doctor. I opened the file and started reading. I never

knew what a neurosurgeon was. Damn. What did he say he did again? After about 30 minutes to 45 reading all kinds of words I stood up and walked to the office. I knocked a little on the door. Me: "what is a peripheral?" he smiled shyly. Doc: "the nervous system compromises the central and peripheral nervous system. This complex system involves the spinal cord and brain." Me: "what are you going to do?" Doc: "I'll run a few tests to check the nerve system, activity in the brain, if There's slight movement being overlooked such as blinks, finger twinkling. Its a hard process but we have to try everything." Me: "how long will it take?" Doc: "the test, about a few hours. The results to come back, a few days." Me: "when will you start?" Doc: "whenever you're ready." Me: "I'm ready doctor." Doc: "right now?" Me: "if you don't mind." Doc: "well....I'll have to cancel my date. Too bad I already took the kitchen out the freezer....I mean chicken, sorry." I really didn't feel like laughing but it was difficult if you thought you'd keep a straight face with this one. Me: "is there someone more experienced who'll be doing the test?" Doc: "no one more experienced than me ma'am." Me: "you seem a bit young and playful." Doc: "I didn't spend 7 years of my life in medical school and another 7 in residency to be playful. I take my work very seriously." Me: "sorry to offend you." Doc: "I don't offend easily ma'am." he stood up from his chair and went to his cupboard. Doc: "how is your mother?" Me: "bad...she's been in bed since we heard.....doesn't eat, hardly talks. Shuts me out completely. She cries in her sleep." Doc: "your mother is in depression. I'll prescribe some med's you'll get on your way." he wrote something down. Doc: "and you?" Me: "I'm fine." Doc: "sleeping well?" Me: "yes." Doc: "okay." Me: "they already told me, its impossible. So if you can't help us...its okay." Doc: "what matters is trying every best possible solution..." Me: "thank you." Doc: "I'll be back." he walked out the office. It was big and freaking stylish. The table was of glass. His chair was white and long. The files stacked neatly on his desk. The rug on the floor was a plush red matching the couches, the wall was white except for the floor to ceiling window. A shelf full of books too. This was just beautiful. "would you like some tea? Coffee? Or juice?" he walked back in. Me: "just water please." Doc: angel, can you get her water please." his tiny little assistant rushed off blushing into the passage. Doc: "I never know what's going on with Her. Anyway, these forms, I want you to take your time and read, once you're sure, you put your royal signature on this neat dotted line as approval." I started reading and filling in. Me: "gorgeous office." Doc: "yes, I wanted to be different and more inviting. Seeing you're here, it worked." Me: "you're also a designer?" Doc: "I wish. My sister is. She did it." Me: "also boarding school?" Doc: "yep. Do you have siblings?" Me: "I have a brother. Older." Doc: "oh. Alright." the telephone ringing startled me out my comfort. He answered and started speaking mad Sesotho which I

did not hear a word of. Doc: "Ke tla ho fownela.....Ke tswareyile le mokuli.....hebana KG. Kgale ke otlwile? Ja! Ka o sane KG. Modimu!" he hung up. Well, then.. Me: "done." I stood up walking to the desk. The assistant came back with my water and a muffin. Me: "thank you." she smiled and walked out. Me: "Dr Lechaba." he picked his head up. Me: "something wrong?" Doc: "don't worry.." he took the papers. Me: "I'll wait in the waiting room." Doc: "uhm.....Miss?????" Me: "call me Lihle. Lihle Manti." Doc: "Lihle, its best you go home and come back tomorrow. I'll try speed up the lab for the tests. Would you like a few minutes with your dad before you go?" Me: "yes please." we walked out his office. He gave me a mask and gloves before I went in. Doc: "you may enter." he pushed open the door. I walked in slowly till I got to the chair. Me: "molo Tata." I sat down. Me: "I want you to know that I'm doing well. And I will take care of umama. Even though, awukho apha mentally, hopefully you are. Know that We care about you kakhulu. We all do. We love you. And I really miss you Tata." I kissed his hand. Me: "goodbye." I walked out the room. The doctor was talking to another person outside eyawa ncumeee. Nkosi yam. The woman obviously liked him. Well, it was time for me to go home. Me: "excuse me, Dr, I'll be on my way now, thank you." doc: "can you give me a few minutes, I'll be with you shortly." what could it be noww. Me: "alright." I went to sit down. "so, why did you stop going to counseling classes. We miss you." as she dragged her eyes off of me back to him. 🙄:o 🤔:v doc: "I told you I was just temporary, holding in for Dr Barns, I hope your mother is doing well." She: "she's fine yes, can we go for coffee sometime? Like we used to." Doc: "haha, oh well..." he looked at the floor smiling. Doc: "its kinda hectic for the next few days." She: "I'll wait." Doc: "I'd rather you didn't." She: "you've always been shy...its cute. but we're not strangers." Doc: "that I know...listen, I have to get going. I'll see you okay?" She: "byee." he walked toward me. Doc: "sorry about that." Me: "seems like you have a date." he laughed. Doc: "I'd rather focus on my work for now. Look, I reckon I'll be able to have the results by tomorrow, Wednesday latest. I spoke to the lab, they're willing to work through the night." Me: "you must be a big deal." Doc: "am I?" he smiled. Doc: "the hospital will contact you once they're ready. Okay?" Me: "thank you for everything. You made this visit pleasant. Goodbye doctor." Doc: "I'm glad it did. Try to enjoy the rest of your day. Goodbye Lihle." I walked away as he started yelling down the passage for a Jessica. His energy reminded me of Lubabalo. On that note, my phone! I took it out my bag as I stood at the chemist counter with the prescription. Was it necessary for me to call him back? Tell him how today went? How I felt like burying myself and crying to death? I don't think that's a good idea. I called Benny instead. Ben: "Lil sis." he answered. Me: "hey, I just came from the hospital, a Dr Lechaba will

be running tests on utata. Just thought you should know." Ben: "I thought they couldn't do anything more." Me: "yeah, this one is willing to try harder." Ben: "do you trust him?" Me: "yes, surprisingly I do. Bazoqala soon for the tests" Ben: "okay, ziphume nin results?" Me: "they'll call me. He gave me a prescription for umama too." Ben: "good. Bendizoya pha, but xa usithi benza tests, I won't be able to see him or talk to him." Me: "I'll call you tomorrow okay?" Ben: "sure." I hung up taking the medicine and paying the lady. "he's a great doctor." me: "who?" I looked at her name tag. Penny. "Dr Lechaba. He does great work." Me: "oh. Ok. Thanks." I walked to the taxi rank. Ndakhwela taxi egodukayo. To my father's house. The big dog was in the front, he stood up and wagged his tail. I'm not a vet or anything but when a dog wags his tail, he's happy to see you. So I went in. He walked beside me rubbing his face on my pants. Isn't he supposed to be hungry and mean? I poured water in his bowl and he drank. I unlocked the door ndangena ngaphakathi endlin. Tiny probably hadn't eaten yet so I'd have to warm his food. I switched on the stove ndamgalelela ukutya kwi mbiza to warm up. I walked in the lounge. The curtains were still closed so it was a bit dark. I pulled them open and turned around. He was sitting on the couch staring at me. I froze into a severe coma. WHAT THE fucking fuck?!!! How did he? Wasn't he....the doctor said....but..... Me: "Tata?" I whispered...

Chapter 747

I stared at him. Waiting. For what? I don't know. Me: "you're not here. You're not supposed to be here." Sizwe: "kanti ndim lo." I got more shocked when he spoke. Me: "ndik'shiye sbhedlele Tata. Dr uthe wenza tests." Sizwe: "kodwa ndilapha?" I couldn't believe this. I ran to him and hugged him tightly. Me: "I was scared undishiyile. That you'd never see me again." I cried. Sizwe: "soze ndikushiye mna mntanam. Ever." I was so emotional that he actually was here. Me: "all this time ubuphi!" Sizwe: "right here." I stayed in his arms while we talked about everything that happened. He just laughed it off. Sizwe: "uyathanda uzikhathaza bonanje wena. Yeka ukhala kaloku, yayazi andithand ukubona ulila." he wiped my tears. Me: "I missed you!" Sizwe: "I missed you too my angel. Yinton Le uy'tshisayo?" Me: "kukutya kuka Tiny." Sizwe: "akumnandi ubanguye utya kathathu ngemin." I smiled ndayocima istove. When I walked back to the lounge I bumped into him aphe kitchen. Which was a bit weird. Sizwe: "is it ready? Funeke uyeke iphole kqala before akutye." Me: "ok." he took the lid off to let it cool. Me: "Tata, ngubani uBenny?" Sizwe: "Benny? Nguban lowo?" Me: "he came to me esithi he's your son." Sizwe: "umazelaphi?" Me: "he came to me, just one day. Then started following me." Sizwe: "oh." he looked a bit disappointed. Sizwe:

"baby. Bendifuna ukuxelela ngaye qha ndingayazi ndiqale ngaphi. UBenny is unpredictable, unstable. Andifun ubene high hopes ngomntu onjalo." Me: "so ngunyana wakho. My brother." Sizwe: "yes he is." Me: "why do you deny him Tata. Why umenza lento ?" Sizwe: "I don't want him to get hurt because of his instability." Me: "what makes him unstable?" Sizwe: "Abandonment. Rejection. Ungahoywa. He gets very...anxious. Paranoid. Yilento ehlala yedwa." Me: "its because wamvalela Tata. To me he doesn't seem unstable or crazy." Sizwe: "not yet Lihle. You do not want to get on his bad side. Benny killed his family at a very young age. Akakwazi uhlala nabantu." Me: "dad, please don't make silly stories." Me: "uzumbuze what happened to his mother, and his younger brother and grandmother. Look at his face. His expression. The scars on his back and hands. You'll understand." then he walked into the room. My phone rang. Me: "hello?" I answered quickly. Lubb: "I've been trying to call you all day." Me: "oh, bendine unscheduled appointment with the doctor." Lubb: "how did it go?" Me: "it went fine. Uhm, Lubabalo...there's something I need to tell you." Lubb: "I'm listening." Me: "my dad is fine." Lubb: "pardon me?" Me: "I'm with him right now endlin. He's okay." he stopped talking... Me: "you still there?" Lubb: "erh..yeah. Lihle, what do you mean fine. Like out of a coma tryna recover type of fine. Or fine fine?" Me: "fine fine." Lubb: "seriously?!!!" Me: "yes. Do you want to talk to him?" Lubb: "yes! I'll skype you right now!" he hung up. 😞:/ okay. He seems more excited than me. I went after my dad. me: "Tata? Lubby wants to talk to you." Sizwe: "why?" yatsho again iphone yam." Me: "he was worried about you." Sizwe: "oh?" I answered. Me: "hi again." I saw his face on my screen. Lubb: "hey. So....where is he." Me: "nanku. Tata say hi." Sizwe: "molo Lubabalo." he didn't respond. Me: "awumva?" Lubb: "uhm...babe.." my father got up and left. Lubb: "Lihle andiboni mntu ecamkwakho." Me: "he just left." Lubb: "I'm on way back to PE right now Lithembelihle." Me: "that's not necessary." he hung up on me. I sat on the couch and rested my head.

I woke up in the dark. A parrafin light on the table was blazing and three take away bags. I heard voices as I sat up. Me: "Tata?" he knew I'd wake up starving. And Nando's was the realest he could've gotten me. Me: "Tata? Uphi?" I took the blanket off me and two figures walked in the living room. It was Lubby and Benny. Me: "nizothini apha?" I stretched my arms. What time was it? Me: "uphi utatam?" Ben: "Lihle, utatakho usesbhedlele." I laughed out loud for a good 3 minutes. Me: "noooo, he's not." Lubb: "Lihle." Me: "bendihleli naye emini. Right here. I fell asleep wandombathisa." Lubb: "wombathiswe ndim ufika kwam you were shivering." Me: "but my dad is alive and well ke. Bendimshiye roomin." Ben: "Lihle, akhomntu apha." Me: "nithen na Nina ninxila kunye ngoku? Uzama ukuthi ndiyaphambana

Sibenoxolo?" Ben: "no." Me: "kengoku?" someone banged the door. Sizwe: "Lihle! Vula!" Me: "see? You locked him out!!" Lubb: "locked who out? Ngumoya lo uphandle." Me: "awuse muncu Lubabalo. You wait and see." I went to open the door and my daddy came in. Me: "nanku utatam. Feel stupid yet?" they stared at each other. Lubby sat back down, with his face in his hands. Me: "bathi ndiphambene Tata. Wena usesbhedlele. Bona baphikisa mna? Mna?? Hehake." Ben: "Lihle." Me: "you owe him an apology." Ben: "please listen to me." Me: "ndivuke belapha nje nam Tata. Ba babizwe nguban andiyazi.....ewe, kodwa khandiy'qonde uzoza nalo." Ben: "Lubby? What do we do?" Lubb: "I don't know Benny. I'm more confused than a homeless person on house arrest." Ben: "Lihle your mother is calling you. She needs you. We have to go." Me: "not until you apologize." Ben: "okay. Uhm...Tata, ndicela uxolo. I misunderstood her because I thought usesbhedlele. Where we left you. I'm really sorry." Me: "I'll see you tomorrow Tata. Is that okay?" Sizwe: "okay sthandwa Sam." I hugged him. Lubby took the take aways and walked out. Benny led me out. I got into the backseat of Lubby's car. Benny in passenger, Lubabalo drove. Seeing my dad again really brought joy in my life. I was happy. The car screeched to an abrupt stop. Lubb: "nxx! Sorry." he started again and drove. I looked at him. Me: "why are you crying Lubby?" Lubb: "because I'm sad." Me: "why are you sad?" he didn't reply. Ben: "ulambile Lihle? We bought food. Uzotyia endlin. Yeah?" Me: "thank you. Kodwa ndicela ubuza nivelaphi nobabini? Ya'll friends now?" Ben: "yes. Benditshilo nje kuwe ndathi I like him." Me: "hm..." safane safika endlini. I got off the car and went into the house. Ben: "I didn't think you were serious." Lubb: "its worse than I thought Benny." Ben: "what do we do next?" Lubb: "we need to come to terms with the reality that UTa Seez is no more. She needs to come to terms with that. I don't want her talking to herself Benny, Lihle is Not crazy." Ben: "ndixakiwe nam Lubby. Andisayazi ndithini. Umamakhe yena kqala akam'hoyanga. I'm practically a stranger I can't just move in here nabo. You have to do something." Lubb: "I'll think of something. At least she didn't ask him to come with us, so simshiye ngasemva. Thank God." Ben: "I'll make sure she doesn't go there. Sizomthini tonight?" Lubb: "her mother hates the living being out of me. Angandigxotha endlinakhe. So I can't stay with her, you'll have to." Ben: "Lubabalo, andizokwazi mna." Lubb: "did you miss the part where the wind blew the door and she jumped up to open for a ghost? Or when she asked you to apologize to thin air? Who knows what else she might do!" Ben: "you know better than I do." Lubb: "Benny you-" he looked out the window. Lubb: "what the.....what's she doing? Lihle!!!!" he jumped out the car. I looked back at him. Lubb: "that's it. We're leaving. Benny thatha izinto zakhe. I can't do this." he opened the car door and put me inside. Me: "Lubabalo, undisaphi?" Lubb: "somewhere safe. Stay here. Do not

move. Do not touch any buttons." he took the car key and walked to the house. Few minutes later coming out with my bags. Me: "uphi uBenny?" Lubb: "we're leaving him behind." And he drove off. He did not even bother bringing me shoes. Me: "if you're going to kidnap me, you could've at least given me shoes." Lubb: "where we're going, you won't need shoes." Me: "siyaphi?" Lubb: "a place where you can relax and rest." I didn't ask no more. It felt like hours and hours of driving until we arrived. I was too tired to even read the board. It was cold outside and I wasn't by no circumstance leaving this car. Lubb: "let's go." Me: "no." Lubb: "what?" Me: "kuyabanda." Lubb: "I promise you'll be warm. I swear. Come." Me: "NO!" he got out the car to open my door. I shivered again. It was too windy. He pulled me out and walked me to reception. A warm inviting atmosphere. Lubb: "I'd like to make a booking, Mr A.L. Morrison.." She: "for two?" Lubb: "yes." She: "how many nights sir?" Lubb: "uhm...2.." the lady clicked on the keyboard. She: "in the Msenge Bush Lodge we have 2 available rooms left. They have glass enclosed thatched chalets and each is at its own private bush setting. You'll have your own plunge pool and outdoor shower. An en-suite bathroom with separate bath and shower." Lubb: "any activities you suggest for in the morning and afternoon?" She: "for both you and your wife sir, we have our Soul Spa. Private game viewing decks, There's a big 5 safari drive, birding safari's. You'll have your pick." he gave his signature taking back his black card. She: "your key." Lubb: "thanks." She: "enjoy." we were taken to our room. Andiyazi noba bendicimele or bekumnyama kakhulu or what but I was feeling the walls while walking. Inside our room. *takes a deep breath* It was beautiful. All I saw was the four post bed draped in white mosquito net and I was happy. Lubb: "I'll run you a shower, then get dinner." Me: "I can run a shower." Lubb: "then I'll go get dinner." I went to the bathroom ndayovasa and he left the room. Once I was done showering I took the gown and slippers ndanxiba walking into the bedroom where he was setting the table with dinner. Me: "where are We?" Lubb: "a private Game Reserve." Me: "why?" Lubb: "Lihle. You're under a lot of stress and pressure. As much as you think you're okay, you aren't. Xa uzoqala uthetha nabantu abangekhoyo, you're gonna start worrying me, I'm already worried." Me: "but my dad is aliv-" Lubb: "No, he's not Lihle!!! You left your father on life support esbhedlele. Your mind is in shock and you're not dealing with it because you're convincing everyone you're strong. I won't Let you. This time you are going to let someone else take care of you. I'm going to keep you here until I know you're okay. Shout, scream and cry. Do whatever you want. I can't let you go through that crazy road." Me: "but if my father is in hospital. Who was that in his house? We spoke. Hugged." Lubb: "I don't know Lihle, all I know is, Benny and I didn't see anyone. You were alone. I'm not here to spoil you, or keep you by me.

Nah, I'm going to leave you here ksasa so that you can rest without any interruptions. This is about you and your health." I sat down. Am I crazy? He sat across me. We ate our dinner quietly. Lubb: "what did he say." I shrugged. Barely remembering our conversation. It slipped like water in my hands. The more I tried to grasp it, the more it slipped. I clenched my teeth trying hard. Lubb: "Lihle!" I snapped out of it. Lubb: "its okay. I'm sorry I asked." Me: "I can't remember." Lubb: "that's fine. Don't worry about it. Awubaweli ulala?" I nodded. Looking at my bag. I went to open it looking at the pills I'd gotten for umama. Lubb: "ngezanton?" Me: "I don't know." Lubb: "should I read it for you?" Me: "what does it say?" Lubb: "they're anti depressants. You can take one." I drank one with tap water. He fixed up the bed I'd been eyeing since I walked in ndayokhwela kuyo and he tucked me in gently. Me: "wena uyaphi?" Lubb: "nantsiya eyam ibhedi. Goodnight." he switched off the light and went to the couch...

The next morning, it was a bit hot and I was sweating. I took off the gown still half asleep then opened my eyes. Lubabalo was sitting on the couch drinking tea. Lubb: "morning." Me: "hey." Lubb: "kuyabanda ke phandle ulibele ujingisa ama-apile ka Lubambo." I laughed and flopped back in bed. Me: "I was suffocating. Sow'hamba?" Lubb: "yeah. If I want to make it to work before Lukhanyo is in my face again." Me: "you own the company." Lubb: "yes, but they're my partners, I've been stressed lately, a lot. Kanti nguwe lo unditsalayo." Me: "sorry." Lubb: "how are you feeling?" Me: "lighter." Lubb: "its the pill. Just twice a day ke ne." Me: "I know doc. Do you have to go?" Lubb: "yes. Like I said izolo Lihle, this is about you and your health. I want you to get better before I take you out. To Malibu, or Miami, or maybe Italy since a nigga got his own villa there and shit." Me: "wow, a nigga escalating." he laughed. Lubb: "a nigga has to, give me a hug." Me: "andizophakamela wena mna. Fuck outa here." he pulled me by my leg and grabbed me. Me: "staaapp!!" I laughed. He hugged me goodbye. I pulled away. Me: "thank you. For helping me." Lubb: "you know I'd do anything for you. So its a pleasure, you'll call me if you need anything." Me: "I will." Lubb: "don't forgot to take the pill, after you're done with breakfast." Me: "I won't Dr Morrison." Lubb: "that title sounds nice now don't it? Girl.....do not tempt me." Me: "uxolo ke, uhambe kakuhle vah." Lubb: "thank you. There's a brochure on the table xa usitya look through it, I already made reservations for the spa. You have to be there at 10. The rest uzobona ke." Me: "hmm...a spa? Nice." Lubb: "enjoy yourself, relax. Take out everything and be okay." Me: "Lubby?" Lubb: "yes?" Me: "did I.....did I really talk to myself? How did this happen? Why?" Lubb: "Lihle...don't worry about all of that now. I've seen things too. People, talking to them. Its all the stress and not sleeping peacefully. You're going to be okay I promise." he hugged me again." Me: "please take care of my children." Lubb: "you don't even got to mention. Alright, I'll see you." Me:

"bye." he took his bag and drove back to Port Elizabeth. I sat down at the table, already set with breakfast and a note "Have a Great Morning, angel. Always by your side." with a small vase half filled with water and two flowers inside. I started eating and looking through the brochure at activities. Am I crazy? What happened? Xa bendingathethi notatam bendithetha nabani? I looked for the pills and took one again. Relax Lihle, uzoba right peto. Phola ingqondo. I had to pep talk myself, pick up the pieces and move on. And there was only one more thing I was waiting on. If Dr Lechaba couldn't fix him. It was clear as day.... I had to bury my father...

Chapter 748

Lubabalo arrived at the office around 10am. Lukhanyo closed the door. Luks: "so...how's Cape Town?" Lubb: "really? That's where we're starting?" Luks: "well, figuring you came back yesterday and didn't spend the night at home." Lubb: "are you stalking me now?" Luks: "no. I have no interest in that. So.....where were you." Lubb: "I had a problem that needed my immediate attention." Luks: "such as." Lubb: "can we do this later? I have a conference call with Chua to prepare for." Luks: "no we can't do this later because you might run off." Lubb: "kanti ingxaki?" Luks: "new girl?" Lubb: "no." Luks: "pound cake?" Lubb: "the fuck is pound cake?" Luks: "you know, eza way you keep for insurance." Lubb: "insurance against what?" Luks: "wait....you're back with uLiya?" Lubb: "there is no girl in my life Lukhanyo. Let it go." Luks: "okay, well. If you don't mind, I'm going out for a few hours." Lubb: "knock yourself out." Luks: "ndiye Motherwell, to see uLihle." Lubb: "why?" Luks: "because I want to know how she's doing." Lubb: "I'd rather you not." Luks: "andikhathali noba uthin ndiyaya qha. Nobody cock blocks you xa yobona uLiya." Lubb: "Lihle isn't there!" Luks: "why are you keeping me from her?" Lubb: "I'm not. Lihle is not in a good space right now." Luks: "so that's where you've been. You didn't even go to Cape Town, did you. All this time ulapha." Lubb: "firstly, I did go to Cape Town. Secondly, utata ka Lihle has the possibility of never waking up again. She's traumatized Lukhanyo. For once just give her space please." Luks: "I'm going to her place. You coming or nah?" Lubb: "packed his work things and followed his brother to the car. When Lukhanyo arrived in Motherwell, Benny was standing by the door of the house. Lukhanyo walked toward him. Ben: "uyinton apha?" Luks: "uph uLihle." Ben: "imbeko awunayo ne?" Luks: "for who? YOU?" Ben: "you're not welcome here." Luks: "fondin khaw'qoqoshe umsila umfake phakath kwempundu ubuyele hlathin. Akho kwakho apha." he pushed him aside.

Lubb: "come on you guys. Lukha's just playin-" Luks: "yinton lekaka uy'thethayo?"

Ubona unodol apha Lubabalo?" Lubb: "forget I spoke." Ben: "fondin fokofa apha!" Jeff came in. Jeff: "kwenzeka nton?" Luks: "ngak'ling und'qhel isimba mna. Awundazi kwedin!" Jef: "Lukhanyo!!! Calm down-" Benny threw a fist of iron, Lubby jumped up to tackle him but Benny, being bigger, pushed him to the wall. Lukhanyo returned the hit and they fought. Jeff: "Lukhanyo!!!" Benny picked him up and threw him outside the house. Ben: "and if I ever see you back here again. Snakes Will Hiss. Sivene?" Lukhanyo thrust again. Jeff held him back. Jeff: "stop it!!" Lukhanyo shrugged himself off and went to his car. Lubby walked to the passenger seat. Got inside and fastened his seat belt. Lubb: "Benny huh? Bigger than I thought. Wooh!" Lukhanyo started the car and dragged off in speed. Once he hit the freeway, he asked. Luks: "Lubabalo uphi uLihle." Lubb: "I told you she's not ther-" Luks: "UPHI!" Lubb: "something happened, I had to send her away." Luks: "what's something!!!" Lubb: "she was.....she thought utatakhe was still alive. She was talking to him endlin. seeing him. But...it wasn't real, I found out that...she was speaking to herself. Akekho right uLihle Lukhanyo, she's going through a difficult situation. You need to let her be." Luks: "how is she now?" Lubb: "andiyazi, I'll have to fetch her ngomso from the reserve." Luks: "extend her stay." Lubb: "what?" Luks: "you're right...she needs her space. Let her stay there and rest for a while.....and I'm guessing akafun undibona?" Lubb: "she didn't say that." Luks: "I let her down Lubby. Again." Lubb: "sorry." Luks: "please send her my love." Lubb: "I will do that. Ndizoya Friday then, with the kids." Luks: "will you call me when you're there? I have a fund raiser meeting in George for the weekend." Lubb: "okay." Luks: "thank you.." Lubb: "sure." Luks: "I trust you Lubabalo." he stopped the car and looked at him. Luks: "I trust you not to disappoint and betray me again." Lubb: "we spoke about this before. You can trust me. I promise."

Lungelo was in his office, getting ready for court. Thando came into the office. Thando: "ready?" Lungelo: "as always. Sit down, I want to talk to you." Thando: "I feel a lecture coming on." he pulled a chair and sat down. Lungelo: "unjani uAsanda and the kids?" Thando: "they were discharged Monday. They're doing great." Lungelo: "so what are your plans?" Thando: "with what?" Lungelo: "you're about to have a second child and you're not even 21 Thando. You do not have plans?" Thando: "Asanda and I are engaged nje bhuti. Sizotshata." Lungelo: "are you serious? At 20 you're getting married? What do you know about marriage?" Thando: "its been a while sihlala kunye and no one has bothered giving me advice on that or been there through our tough times, so at least I have a ground understanding and I'll learn the rest on the way." Lungelo: "you need to think about this clearly Thando. This is not a game. You will be giving everything that's anything up for her. And you can't look back. You won't be

able to do what your friends do. You have got to be down for her and nothing else. Yeah I know right now it sounds nice but 2 years down the line xa udibana nomnye umntu? Please don't hurt this girl Thando, you've already put her through enough as is." Thando: "bhuti, I understand your fears, but I love her. I won't do anything to hurt her. I can't." Lungelo: "I still say wait ke kodwa. Unless if you have plus minus 50k to a hundred then that's okay." Thando: "what!" Lungelo: "ayo 10 Rand iLobola, who do you think is gonn pay for your wedding? Do you want us to calculate an estimate perhaps?" Thando: "No." Lungelo: "I'm not trying to put you down Thando. If its her you want, then so be it. You have got to take responsibility for you, her and both your children. Say what. I'll set up an account for you, uzoqalisa u-saver from your salary. Start at 2000 bucks. When your new born turns 3 months. That's 7 months from now. It'll be 14 000, enough for Lobola. And we'll carry on saving after that, this is where I help you, sincedisane and then ya'll plan the wedding. How does that sound?" Thando: "it sounds okay." Lungelo: "at least its a plan. I don't want you in debt at a young age. We'll talk about this later okay? I have court to get to." Thando: "Enkosi bhuti." Lungelo: "my pleasure." Thando walked out the office to his own and called Asanda. Thando: "sthandwa Sam." Asanda: "hey baby." Thando: "unjani?" Asanda: "doing fine, ndisalele kodwa. Still a bit tired and heavy." Thando: "you'll be okay love. Ungapheki vah, I'll fix us something when I'm back, I want you to rest for now." Asanda: "awukwazi nje baby upheka wena." Thando: "hehe..hayi ke iwesi." Asanda: "yoh sana ndizotyama lamahla." Thando: "hlelisa wena. Go on." Asanda: " sorry ke. Aren't you at work?" Thando: "yes I am. but I wanted to check up on your and our baby girl." Asanda: "its a boy. oko endikhaba and pushing and playing, nangoku ndivuswa nguye. Uzoyomlanda nin uSisipho?" Thando: "xandibuya emsebenzin baby. And no, its not a boy its a girl." Asanda: "are we really going to do this again?" Thando: "ngu Esihle igama lakhe. Sisipho Esihle." Asanda: "halala Esihle." Thando: "oh yes...goodbye ke my love, I'll see you in a few hours." Asanda: "I love you." Thando: "I love you too mntu wam." he hung up and went back to work...

4 days later. Friday afternoon. I was sitting outside my plunge pool watching nature. There was a knocking on the door ndayovula. Lubb: "hi." he smiled, holding a sleepy Lubambo in one arm and Luyanda in the other. Luhle: "mama!!!" Me: "hey!!! I hugged her, squeezing her. She giggled. Me: "hello my boy." Lutha was carrying the bags esindwa ediniwe eyilonto but still smiling. Lutha: "ello mama." Me: "ngenani, you guys. Come." they came inside. Lubb: "I thought maybe you would want to see them." Me: "and how did you convince utatabo." Lubb: "he's busy with work things kukho nenye fundraiser coming up so yeah.." I took the bags from Lutha and he ran off outside with his sister. Me: "you can put them down now." Lubb: "no..they're fine

right here." Me: "ndiya phandle ke mna." I went out to play with the twins by the open veld. Luthando was collecting stones, Luhle carried twigs. I really couldn't catch why so I sat and watched. Luhle: "nazi mama!" Me: "inton baby?" she gave me her findings and ran off. Lutha: "nana, ithatha Le. Izothi shuu. Ina." he took the thorny twig and threw it away. Luhle: "hayi Utha maani!!" Lutha: "izothi shuuu mos." Luhle: "yam nje." Lutha: "oh." Lubb: "so how was your stay?" Me: "amazing. Thank you for extending my days." Lubb: "as long as you feeling better." Me: "have you...been to the hospital?" Lubb: "yes, twice. This Dr Lechaba says uzolinda wena until you get better." Me: "does he have the results?" Lubb: "yes." Me: "did he tell you?" Lubb: "no." Me: "and my mom? Unjani yena?" Lubb: "still the same, uncle Jeff oko ehleli naye though. He tries." Me: "umaka Sinethemba yena?" Lubb: "I went to see them too. She is a lot better. Still upset but coping. Sine is there to help so its fine. Bendiye nabo esbhedlele." Me: "ok." Lubb: "so what did you do all week?" Me: "I go to the gym every morning, then spa. Ndibuye ndivase and sleep. I wake up around twelve for lunch then sight see. And yesterday I went horseback riding. My first lesson was a disaster." he laughed. Lubb: "for real? Njani?" Me: "I was trying to look cool but failed badly." Lubb: "you always look cool." Me: "by the way you look smart today." he was wearing navy pants and a navy dashiki with a gold slim line on the short collar. Lubb: "oh thank you." he smiled. Me: "special occasion?" Lubb: "ndikhangela umfazi." I laughed. Me: "you're almost there, don't worry." Luhle ran inside. Followed by Lutha. Lubb: "I think the babies are up." Me: "masingene." we went inside nyani the two were up Luyanda had rolled on his tummy ebukele uLubambo. The twins were trying to get on the bed. Me: "where are the girls?" Lubb: "their mother. she's trying to punish me for some odd reason akafuni ndibabone. Ignores my calls, messages. And andifun ufaka uLungelo kulento because akangeni ndawo, I don't want to cause trouble in their relationship." Me: "why doesn't she want you to see your kids?" Lubb: "andiyazi nam." Me: "no that's unlike uZintle, something must have happened. Maybe you forgot wena. Kodwa akacingi athathe abantwana athule." Lubb: "you taking her side?" Me: "I'm not taking her side, but I'm trying to reason with you that she's not usually like this. You must have done something to offend her." Lubb: "heeee hayi kengoku." he took Luyanda, I took Lubambo and we checked their nappies. Me: "please pass me the wipes." Lubb: "powder." we exchanged the items. Lubb: "so I apologize for what I don't know?" Me: "Lubabalo, you have to talk to her." Lubb: "should I send a message in a bottle? Since she's not taking my calls?" I chuckled. Me: "mxim." Lubb: "Lukhanyo wanted to know where you are." I finished changing the nappy. Me: "why?" Lubb: "well...firstly bekukhangela kokwenu. Then, Benny told him to skate away. He got mad for real, for real." Me: "and then." I giggled. Lubb:

"then, Benny told him he'd knock him out if he didn't go, Luks said don't bother. And pushed him aside. Then Benny started flaming like a tree struck by lightning. Shit became serious by that time. So I tell Benny luks just playing, Luks turned to me like the fuck d'you just say mfethu? Playing? Ubona onodoli apha? Yoh I stood back and counted stars my nigga." I was in tears laughing my lungs out. Lubb: "Benny was still not out by then, water or ice babe. He was fire. Told Lukhanyo to skid the fuck out the house cuz he weren't welcome. Lukhanyo told him to go back to the bushes, HE was the one that weren't welcome. Nobody knew he was coming and nobody knows who he is. So he should just tuck his tail back in his.....uhm....what was it again?msintsila I think, yep that's the one. He should tuck his tail back in his ass and bounce. By this time Jeff was there, calming Lukhanyo down. Benny threw an ice fist, almost breaking my bro's face. I couldn't let that happen so I tackled him before the beast hand touched Luks but I failed because I've never played rugby to save my life. I felt myself bump into a wall I didn't account for and felt my brain do the dougie. Man it was real." Me: "stooooooooop!" I clutched my stomach painfully. Lubb: "but I aint done yet." Me: "you don't need to be. I'm finished!" I gasped for air. Lubb: "I'm almost done, listen. So Lukhanyo ducked and they started fighting. Jeff called me for help. But I was knocked out on the floor taking a nap till one of these nigga's leave. I wasn't gettin hit today. That was a no, no. then all of a sudden Benny picked Luks up and throws him outside, I'm back on my feet thinking. This nigga has got to be kidding. I grabbed a glass and threw it at a wall for some effect. Even when it broke Benny aint stop. Furnace, I tell you. Jeff manage to grab his arms and pulled him back. I breathed for the first time in 10 minutes cuz I was holding my breath praying for some miracle. That was when Lukhanyo went to his car and I ran after him, afraid he'd leave me behind because I didn't trust Benny, he might mistake me for him and I wasn't trying to get my ass beat either." he put the baby down on the floor. Luyanda crawled to the table, Lubambo stared helplessly, my poor 4 month old. Engakwazi nothini ke is'aram ngaphandle kohlala ngempundu okanye aziguqule. Lubb: "you know how careless Lukhanyo drives. I had my seat belt on twice. That's when he asked me where you were." Me: "and you said you didn't know right" Lubb: "I said I took you somewhere safe. And you'd be back when you felt better. He told me to tell you he sends his love." Me: "I want you to tell me the story again." Lubb: "nah partner.. I'm done with that story, wonke umntu endimxelelayo uyandihleka." Me: "uxelele bani wena?" Lubb: "Soma noSoso noLiya." Me: "how is she?" Lubb: "oh she's good. What are we having for dinner?" Me: "let's first go for a drive then sizoy'cinga endleleni." he opened the babies' bags. Lubb: "first ya'll gotta eat. Ina LuthaLuhle." he gave them yogurt first. I went to fetch Luyanda to feed him his. Lubb: "nanko uLubby efuna

ukuz'wisa." Me: "sumbukela kaloku nawe while he's about to roll off the bed." Lubb: "he's gonn learn today. He's gonn learn what it feels like to fall today. Like how your father fell two days ago after hitting a brick wall. Yeah, that's right, I fell, boy. I got knocked out but There's nothing wrong with that because sometimes some fights are bigger than you and you gotta lay still if you don't wanna die." I laughed. Lubambo smiled. Lubb: "oh yes, it does hurt. I almost lost my hip bone cuz of your uncle Benny. That psychopath.....don't let him know I said that." he whispered. Me: "so, kunjani emsebenzini?" Lubb: "its been good. Landed a new client in Tokyo, Wang Chua. We start working with them in a month. They'll send two of their rep's to work with us then nathi sithumele abethu. Eventually we'll huddle up sonke and take the project to new heights. My dad....damn...my dad. I sweatagawd that man really has it In for me." Me: "I thought he fired you?" Lubb: "he did, but re-hired me again. I thought ndimncedisa nge proposal mna. Little did I know ndizifaka embhobhweni sana. Now all of a sardine, I'm back as C.O.O having to sign over deals for Indonesians." Me: "oh that's why ubuse Cape Town?" Lubb: "yeah." Me: "so....the problem is?" Lubb: "I can't do two jobs at once, in two different provinces. I'm not robotic." Me: "then choose one and quit the other." Lubb: "problem is, I'm building this empire for my girls to have something one day. Kuba kaloku leya yaka Tata is only run by males in the family and that's Lutha, Lubby and Luya. I can't drop neither." Me: "so you'd rather tear yourself in two?" Lubb: "its one of the things that stress me out. But I'll get used to it I guess." Me: "hm..." I wiped Luyanda's mouth and kissed him. Me: "I think we're ready to go. Hey baby?" Luya: "dada." Me: "nankuya udada ulinde wena mos boy." Lubb: "Luthando, iza ndisule umlomo." Lutha took his cloth and wiped himself. Lubb: "alright then. NoNana wakho ne." Lutha: "iza nana." Luhle: "hayi afuni!" she got up and came to me to kiss her face. Me: "khandiphathele ke baby ungubo ka Luya." she brought the two blankey's. We were getting one bag ready for all of them and went to the door. I was carrying Luyanda, Luhle held my free hand. Lubby had Lubambo, Lutha held onto his pants because he was short as hell. Lubby opened the door and stopped. Me: "what's up?" Lubb: "wait...lemme close the back doors." he went to close the doors. Lubb: "andifun nilale nenkawu." Me: "where will you be?" Lubb: "I'm going to book another room for the weekend." Me: "well, there was one left if I remember correctly, if ke seyithathiwe. There's more than enough space here." Lubb: "thanks." we went out to the car. Buckling the babies up. Lubb: "he would like to speak to you." Me: "who is that?" I got in the passenger seat. Lubb: "uLukhanyo, he asked me to call him once I'm here." he started the car. Lubb: "well..." Me: "I don't want to go back that road. Lukhanyo has a way of pushing me. I always feel obliged to do as he says. I'm trying to stop that." Lubb: "I also make

you do what I want." Me: "for my own benefit. There's nothing in it for you and you know it. You don't expect anything. With him its a different story, I'm tired of being pushed around." Lubb: "have you at least told him? Uyasazi singamadoda aloku thina at times we don't think further than our next meal. Ingqondo zimfutshane. So unless woman tells us what woman wants akhonto izophinda ilunge." Me: " are you even listening to me? You're supposed to be my friend and protect me. Or he is manipulating you too?" Lubb: "no he's not. I made a promise to him, he made a promise to me too. That's it." Me: "can we just go and forget about this whole conversation before it ruins my appetite." Lubb: "aye, aye captain." ...

Chapter 749

Lukhanyo packed his bag in the evening for George. Luks: "I seriously need to learn how to pack. Yikaka yoonke lento ndiyenza apha. Ngum'bolo qha." he took his toiletry bag and shoved it in. Luks: "oh well." as he took out his phone to check for a message, he walked out to the kitchen for a snack. His phone rang for a while till he answered. Luks: "bafo." Lubb: "hello." Luks: "I was beginning to think I lost you." Lubb: "not yet suhn. We just took a drive and some dinner." Luks: "how is she?" Lubb: "better. And you?" Luks: "I'm fine, cela umnike iphone." Lubb: "hold on. Lihle?" Me: "what?" Lubb: "you have a call." I took the phone and answered. Me: "hello." Luks: "hey." I stared at Lubabalo in disappointment. Me: "hi." Luks: "unjani?" Me: "ndiphilile wena." Luks: "I'm okay, I just wanted to check that you're fine." Me: "yeah I'm good enkosi." Luks: "cool. Ndisaya eGeorge mna for a conference. I've got a long drive ahead of me." Me: "uhambe kakuhle." Luks: "I will, thank you. Goodnight then." Me: "night." he hung up and ate his snacks. Taking his bag and walking to the door. As soon as he opened, he stopped. Luks: "what the hell-" he looked at his other twin. Luks: "Luzuko? What are you doing here." Luz: "its good to see you too." Luks: "I'm sorry, but who on earth did you tell ba uyeza and WHY are you here?" Luz: "I missed you. This house. A lot of things actually." Luks: "come in." Luz: "thanks." he walked inside Lubby's house. Luz: "where you off to?" Luks: "business trip. Look, I don't have much time. What do you need? Cash? A place to live?" Luz: "I've always had money Lukhanyo, I don't need none of those. I'm back in town, and I thought the first people to see me should be my family." Luks: " Try again." Luz: "okay, I thought I'd come say hi. Uphi uLubby, its him I need to talk to." Luks: "Luzuko I really don't have all day. Lubabalo is away with the kids." Luz: "oh...I'm gonna make this short. I know I've caused trouble, drew a wedge between you two and me. I shouldn't have involved myself ngezinto ezifuna Nina nodwa. I also want to apologize kuLihle, I was

rude to her and it was uncalled for." Luks: "I'll make sure she gets the message." Luz: "ya'll good now?" Luks: "we always have been. What did you expect?" Luz: "oh...I guess I was wrong." Luks: "what's really going on..." Luz: "I'm being investigated." Luks: "for what?" Luz: "fraud." Luks: "What!! Why? Busenza ntoni!" Luz: "nothing." Luks: "iseyilanto yegama lakho? I thought Lubby sorted it out." Luz: "he cleared it short term only. Someone managed to dig deeper." Luks: "your mother has to verify what happened. What she did." Luz: "no Lukhanyo. Another way might work." Luks: "no, it IS the only way. Only your mother can fix this. She must admit she stole you as a baby and declared you dead esbhedlele." Luz: "they'll lock her up Lukhanyo! I cannot do that to her." Luks: "then I can't help you! Call uLubabalo and hear what he has to say. I'm sorry bro, kodwa funekile uthethe nomzali wakho niyilungise lento. Luzuko Daniels isn't your name, It might've gotten you through almost 3 decades but it was bound to happen ba mayibaqwe." Luz: "when will he be back?" Luks: "ngomso. Same as I, but ndibuya late." Luz: "I'll come by then." Luks: "okay. Uphi uS'fiso." Luz: "somewhere around the world. At least he doesn't have a fake identity." Luks: "we'll fix this. You don't have to worry, yayazi I'll never let anything happen to you." Luz: "that means a lot. thank you." Luks: "but I gotta go now. So andiyazi...you staying or..?" Luz: "nah, I'll be at the hotel-" Luks: "come the fuck on. There's literally 3 houses, uyohlala kwi hotel?" Luz: "yeah, I'll be fine pha. I don't want him to arrive ndilapha endlinakhe cuz wwhen I left ...we...had a fall out. A huge one." Luks: "you're being investigated. Its only a matter of time the press gets a hold of this and make your life unbearable trust me, sendisuka. Stay here, I'll stall Lubby until I return." Luz: "No, Lukhanyo. You never saw the look he had in his eyes ngoku wayendigxotha. Its the look that takes lives, I'm not sure I want to see that shit ever again. He doesn't want me here. I'd rather risk the press than instant death." Luks: "Lubabalo will never kill you, you're him." Luz: "like that stopped him from almost slitting your throat." Luks: "that was a different story. Who told you that?" Luz: "Thulz did. He told me the type of man Lubabalo is. I'm sorry Luks, I can't stay." Luks: "look-" Luz: "I'll be at the Radisson Blu. I booked in S'fiso's name." Luks: " okay cool." they walked out and locked the house. Luks: "see you tomorrow?" Luz: "sure." he got in his car and drove off. Lukhanyo got in his car and made a call. Lubb: "hm.." Luks: "are my kids asleep?" Lubb: "soundly." Luks: "wife?" Lubb: "showering. What you want." Luks: "he's back." Lubb: "who's back?" Luks: "your little brother." Lubb: "what the fuck for." Luks: "Lubby he's fam-" Lubb: "tell het motherfucker ta get the fuck out my goddamn house!" Luks: "Lubab-" Lubb: "Tell. THAT Motherfucker. To Get the Fuck. Out of my motherfucking house!! Do thy comprehend?" Luks: "I understand!! He's out already! Damn man, what the fucks wrong with you?" Lubb: "ufuna nton

pha!" Luks: "we're his family damn it! You need to bloody understand. There's only 3 of us left! Tata use trongwen, Ta Smig is awol. Don't fuck around like this man." Lubb: "if I see, smell or hear him around the perimeter of my fucking yard. You will see Flames Lukhanyo, and that would be extremely unpleasant for all of ya'll." Luks: "he needs our help-" Lubb: "let Jesus help him." Luks: "okay, you know what? Fuck you, sothetha xa ulapha." he hung up.....

I got out the shower, ndathambisa ebathroom and wore my gown. I walked out to the bedroom. Me: "shower's open." cwaka. Me: "Lubby?" Lubb: "hm?" Me: "what's wrong now?" Lubb: "its nothing. You good?" Me: "yes." Lubb: "I'm going downstairs to check for la room yeva." Me: "khaw'yovasa wethu ubuye uzolala." Lubb: "bendingafun ukwenza izinto zibe awkward." Me: "we're both adults. We're over it, right?" Lubb: "I'll go take a bath." he left me standing there. Now what did that mean? I went to check on the kids. On the bigger bed, was the twins and the sleeping couch was the youngin's. All of them, asleep. I got into bed andakwazi ulala. Or was it because of the light? After about 10 minutes he came back out the bathroom ebinqe towel. I closed my eyes pretending to be asleep. Hearing him walk around and shuffling. His bag zipped open. Taking out something, probably shorts. Lubby always sleeps in shorts, or naked. I heard him getting dressed, closing the bag then spoke. Lubb: "goodnight." I froze. Lubb: "I know you're awake." Me: "I was trying to sleep." Lubb: "yeah right. Come watch a movie with me." I got up without hesitation. Sayohlala on the other couch, to chill. Lubb: "I brought my hard drive, I hope it works." he connected the device to the TV wazocofa iremote. Lubb: "great, so what do you wanna watch?" Me: "what's Divergent?" Lubb: "haven't watched it. Don't know." he clicked on it yaqala. One of the babies woke up. Lubb: "lambile ke ubhuti wakho." I went to pick him up ndamncancisa. I burped him wajonga kuLubabalo stretching toward him. He took him wambeka on his chest. We watched the movie quietly as interesting as it was, I was deep in thought. Tomorrow I was going back to the hospital for news. If it was bad, they were going to have to switch the machine off. I was going to have to plan a funeral, bury my father. All this seemed so unreal, but I had to keep my spirits up. Lubb: "stop it." I was rattled out of my thoughts, thinking uthetha noLubambo lo umtsala ngendevu. Me: "hm?" Lubb: "stop worrying." Me: "about what?" Lubb: "whatever it is that you're worried about." Me: "how did you know I'm worried, you're not even looking at me." Lubb: "because ndiyakwaz Lihle. Come. Cuddle with daddy." I rested on his other side, Lubambo smiling at me. Me: "just thinking about tomorrow. Its going to get real." Lubb: "you need to calm, and leave things to be. If you need any help, I'm here for you." Me: "can you plan a funeral?" Lubb: "we don't have to worry about that tonight. And if that's so, Yes, I can plan the funeral." Me:

"thank you." Lubb: "although I doubt Ta Seez would want a funeral." Me: "why?"
Lubb: "he was a special man, different in so many ways. He never conformed, wanted things done in a unique way." Me: "you're right, but how unique can a funeral get?"
Lubb: "we'll think of something. Benny knew him well too, so perhaps angasinika a few pointers." Me: "when I was...believing to be talking to him. He mentioned something." Lubb: "what did he mention?" Me: "he said....Benny killed his family at a very young age. He said, I should ask him about the scars." Lubb: "the ones on his hands?" Me: "yes." he kept quiet for a while. Lubb: "do you really want to know?" Me: "yes. Apparently he's...unhinged xa engahoywa. I need to know." Lubb: "okay, just don't bomb all this at once to him Lihle, it might or might not be true. And if it is, we don't want him angered because we've got kids around." Me: "I know.....what got you mad earlier?" Lubb: "Lukhanyo called esithi kufike uLuzuko." Me: "so?" Lubb: "I don't want him in my house or anywhere around it." Me: "he's your twi-" Lubb: "he's nothing to me." he snapped. Me: "hayi kengok Lubabalo. What's the matter." Lubb: "the matter is that he's a damn snake! He was trying by all means to break mna noLukhanyo apart as if it weren't already broken. He kept pulling us back, worse ba maka manipulate uLukhanyo ba makayok'bamba! He's not welcome anywhere around my children and house qha." Me: "bekuk'dala ngoko Lubabalo." Lubb: "not to me Lihle. Luzuko cost me you, and I will NEVER forgive him for that." I kept quiet again and watched the movie. Me: "besides Lungelo, can you recommend any lawyer?" Lubb: "for?" Me: "after the funeral, I want to file for divorce." Lubb: "you don't have to do that-" Me: "I'm not doing it for you or anyone else but myself. I'm sure I don't want to be binded to him anymore than he wants to." Lubb: "I don't want to be part of that Lihle ibengathi I'm an influence to you." Me: "are you going to get me the lawyer or not." Lubb: "No, I'm not. If you want to divorce Lukhanyo, you're doing it on your own terms. I want no part in it." Me: "fine then." I got up and he grabbed my arm. Lubb: "uyaphi kengoku?" Me: "to bed." Lubb: "why?" Me: "to sleep Lubabalo, what else." Lubb: "this is the last time you're getting mad at me for Lukhanyo's expense. I'm not having it. Cela uhlale phantsi sibukele movie Le." Me: "I'm not mad-" Lubb: "then sit." I sat down, he turned around and rested his head on my lap with the baby on his stomach. Me: "I'm really not mad." Lubb: "I am." Me: "ndikwenze nton kengoku?" Lubb: "nothing. I just am." he got up wayobeka umntana back in his place then checked on Luyanda. Lubb: "usually he's up at 2am, so brace yourself." Me: "kuzovuka udada kaloku." Lubb: "uzondisizela mos. Uvuke." Me: "I'd like to see that happen." in almost 2 hours yaphela imovie. Sendiyoba. Me: "goodnight." Lubb: "night angel." I went to my bed and he went to his....

The next morning I opened my eyes. An amazing smell filled the air. I was instantly hungry. Breakfast. Next to me was a beautiful sleeping face, his small mouth slightly open and snoring. Luyanda. I couldn't resist but kiss him. He didn't move an inch. I lifted my head up and saw Lubby on the sleeping couch with the twins and Lubambo. They were eating and watching Shrek on TV. I looked around again and saw the table decked with fresh breakfast. Lubb: "morning sunshine." Me: "hey." Lubb: "we're having breakfast in 5." Me: "okay." Luyanda woke up next to me. We cuddled for about 3 minutes, while he googoo'ed and gaga'd. We got up ndayovasa amazinyo, came back and we all sat on the table. Lubby prayed. Lubb: "dear Lord, we thank you for the food we're about to eat, the family that shares it with me and the blessings you shower us with daily. Amen." Me: "amen." Luhle: "emen." Lubb: "let's eat." I gave Luyanda a sausage and ate. After our breakfast I bathed the kids, Lubby dressed them while I went to take a quick shower ndazonxiba, he went to shower too. I would have to change clothes at home. Once we'd packed everything we all went to check out saye motwen, it was quite windy. Lubb: "ina sisi." he gave me the keys wayokhwela straight kwi passenger seat. Lubb: "I was up all night taking care of the babies. Luyanda woke up at half 1, walala ngo half 2. Lubambo woke up shortly after walala ngo 4, kwaphinda kwavuka Luyanda ngo half 4 with Luthando ofuna uyochama for some odd reason. So, you're driving us home mama." Me: "shame. Askies ne. Nguwe obefuna ubangutata kaloku. Bungayazi." Lubb: "yuuh, ndiqibile oluhlobo, andiphinde." I started the car and drove us home. In about 45 minutes safika ekhaya. Jeff was still here. I got out the car leaving the kids with Lubby. Benny was not here. Me: "molweni Tata." Jeff: "hello Lihle. Unjani?" Me: "ndiyaphila Tata unjani wena?" Jeff: "I'm fine. Thulani noNamhla basayothenga izinto zalapha endlin." Me: "uphi umama?" Jeff: "usalele." Me: "okay Ta." I went to my bedroom to go and change. My heart felt heavy, I was so nervous and jittery. I took out my torn boyfriend jeans, wore them and rolled up at the ankle. My blue 6 inch pumps, and a blue tight fitting long sleeve top. With my long beige coat, which reached my knees in length, I remember Lubby bought this in Dubai.. I unpacked my back ezinye mpahla zangena kwi washing basket ndaphuma. Me: "ndisaye sbhedlele Ta." Jeff: "okay." I went back out the house ndayongena motweni. Lubb: "Nono useFord. we'll drop the kids off there first." I drove to Kwa Ford ndizixelele phof ba andihliki emotweni. When we got there, Lubby got off, Lubb: "don't worry he's not home yet." Me: "I wasn't worried." Lubb: "right." he took the babies in, I kissed them goodbye. Lubby came back to the car. Lubb: "will you be okay?" Me: "yes." Lubb: "if you need anything. Just call me." Me: "I will." thank God he wasn't coming with because I needed this time to think alone. I started the car. Lubb: "ayisak'faneli man." Me: "ne?" Lubb: "qha ke

ungothuki xa uthukwa ngamacherrie because ayayazi lemoto and baqhelile uyikhwela." Me: "ndiyomnyathela ngayo esaphapha mna." he laughed. I drove to the hospital. I didn't know whether to go fast or slow. But eventually ndafika and parked. Sitting in the car, building up the courage to get out the car. I climbed out and walked inside holding my coat around me for warmth.. Luckily, I saw Dr Lechaba. He looked at me for a while then smiled. Me: "morning doc." doc: "hello." I stood in front of him. Me: "I trust you're doing well." doc: "in between yes and no. Come this way." he led me to the office. We sat down on his red leather couches. Doc: "your boyfriend was here the other day, I was worried when he said you weren't taking things well." Me: "boyfriend?" thiza nguban lowo? Doc: "yeah. Tall guy, dressed in a blue and grey Tom Ford suit." Me: "Lubabalo Morrison? He's not my boyfriend." doc: "oh. I must have assumed wrong. I'm Sorry." Me: "probably." doc: "how are you feeling?" Me: "better I guess." doc: "are you sure?" Me: "yes. What were the results?" doc: "here." he gave me the file. I didn't know what I was looking at but I could tell it wasn't good.. Doc: "I'm really sorry Lihle, it is already too late. The drug has paralyzed his whole entire body and froze his heart." Me: "its okay. Thank you for trying." I held my tears as strong as I could. With literally all I had. Doc: "is there anything else I can do for you?" I shook my head. He handed me a tissue. Doc: "its okay to cry, you can take your time." Me: "I'm okay. I'm fine, I promise. what's the next step?" doc: "well, you could sign forms that give permission to unplug the machine, its totally your choice to do so, and whenever you want to. Its no rush." Me: "there is no point in keeping him in between now is there." doc: "I'm sorry." I stood up slowly. Me: "I'll speak to the family. Thank you so much for your effort doc." doc: "my pleasure. It was lovely seeing you again Lihle." Me: "you too." I walked out. Another doctor walked in ndemnka. Dr Lechaba: "doctor Michaels, what can I do you for today?" Michaels: "is that her?" Lechaba: "oh just let it go." Michaels: "you couldn't do it could you? You Lil bitch." Lechaba: "she's grieving. What kind of human do you think I am?" Michaels: "but you're never seeing her again. You's a Lil bitch." Lechaba: "thanks. I'm a Lil bitch, now get out of my office I need to work." Michaels: "you owe me a beer after work." Lechaba: "you've been owing me beers, since I arrived for saving your lucky ass. And its only been 6 months, so grab your donkeys brother, and get out my office." Michaels: "alright. I'm out. Don't come to me crying when you can't sleep at night." Lechaba: "I'll call the other doctor, thanks for reminding me." they laughed and Michaels walked out.

Lukhanyo came home early on Saturday evening. Lubabalo was waiting in the house at Ford. Luks: "something smells nice." he walked in. Luks: "hey. Bupheka?" Lubb: "yeah. How was your meeting?" Luks: "It went well, qha I'm starving. You done?" Lubb: "I'll dish up." he went to the kitchen. Luks: "ubuye nini?" Lubb: "emini." Luks:

"do you want to talk to me?" Lubb: "why? So you can yell at me?" Luks: "I'm not gonn keep asking you stupid ass questions Bae, you gotta talk to me." Lubb: "I'm answering you aren't I?" Luks: "you pregnant?" Lubb: "maybe." Luks: "why are you mad?-" Lubb: "what the fuck is he doing back here!!" Luks: "you cannot be real. Lubabalo he's your twin brother, what am I doing here kanti?" Lubb: "with you its different." Luks: "is it? Why do you hate him so much?" Lubb: "I just do." Luks: "if we help him, he'll be out of our lives, I promis-" Lubb: "correction, if YOU help him. I aint doing shit." Luks: "fuck Lubabalo, yinton Dan ingxaki." Lubb: "here's your supper." he gave him a full plate. Luks: "Lubabalo, he might be at risk of going to jail." Lubb: "oh?? Like he sent Lihle to jail for kidnap? Its true what they say about karma having everyone's address. What goes around comes the fuck back around like a crazy bitch." Luks: "do you remember the first time I got arrested?" Lubb: "I was with you, of course I remember." Luks: "no before that." Lubb: "you never got arrested befo-" Luks: "WHY?" Lubb: "because I took your place." Luks: "exactly!" Lubb: "my nigga, I'm not getting arrested for him." Luks: "that's not my point, my point is that, you went through lengths to protect me from the law. Why? Because I'm your little brother. No matter how mad I made you, you never quit trying. Why can't you do that for him?" Lubb: "because Lukhanyo. Luzuko is toxic on purpose. He fucks up on purpose and Luzuko is not You. End of discussion." Luks: "no, not end of discussion! If you could give him a chance to explain himself." Lubb: "Jesus gave people chances, and look what happened to Him." Luks: "look, I don't care! What I do care about is our damn family Le iphelayo! Don't you see that?" Lubb: "just because your dad is in jail and uncle is playing Dora the Explorer don't mean iyaphela family yakho bra. Nasiya isibane, lighten the fuck up." Luks: "you're a bastard, you know that?" Lubb: "got that from dear old daddy. Don't be mad at me. If you want to help him, go ahead. I'm not lifting a damn finger for him. Its not like he dying." Luks: "mxim." he sat down and ate. Nono walked in pushing the joint strollers for the babies. Luthandoluhle walked in behind holding hands and juice bottles. Lutha: "nako Tata!" they ran to Lukhanyo who was in no mood. Luks: "hello nyana." Lutha: "mwahh." he kissed his cheek. Luks: "no, stop that, that's gay." Lutha: "stop Tata." Luks: "no, you stop. Mxelele Luhle, Lutha stop." Luhle took his meat from the plate and stuffed her face. Luks: "yeyi uyathanda upapisa man." Nono: "bhuti, ndisendleleni ke ngoku." Lubb: "okay, ndiyabulela nono for your help." he took out his wallet and gave her five 200 Rand notes. Nono: "enkosi bhuti." she left. Lubby took Luyanda. Luks: "a thousand?" Lubb: "for?" Luks: "you were here the whole time! And its only one day, Lubby no." Lubb: "do we have a joint account?" Luks: "mxim." Lubb: "I thought as much." Luks: "kodwa fethu irongo lento uyenzayo." Lubb: "Lukhanyo, its My money." Luks: "I'm not

talking about that, I don't care about your money." Lubb: "are you trying to make me feel guilty ?? Because I'm not. He never felt guilty, he never showed remorse, he denied you, and said you did it all alone, he blamed you, la Judas. And you here rendering your ass for him?" he scooped Lubambo up in his second arm. Luks: "because I'm not as cold as you." Lubb: "of course you're not." he laughed loudly. Luks: "you're so childish." Lutha: "Bzzzz. Bzzzzz." he imitated the vibrating of his father's phone. Luks: "khayikhuphe mntanam. Ngena phe mpokothwen." he wiped his daughter's face with a tissue. Lutha: "nazi Tata." Luks: "thank you my boy." he slid across the screen with his finger to answer. Luks: "yes." Caller: "bakhona." Luks: "phi?" Caller: "es'khalel Ta Luks. Uyeza?" Luks: "ha.a. Lubby uyeza. Make sure akhomntu apho nguwe naye noMandla siyavana?" Caller: "sure boss." he hung up. Lubb: "and now?" Luks: "its about to go down."...

Chapter 750

Lubabalo arrived at their spot. Where Mandla was waiting. Mandla: "Ta Lubby." Lubb: "where is it?" Mandla: "phakathi." Lubb: "let's go in then. Where the hell is my technician?" Lubb: "kubulela mna." he stood up and walked out.

Mandla took his car and drove to Khanya's place. He tried to call but the phone hit voicemail. What was next? Waiting? He got out the car and went to knock on the door. It was opened. Khanya stared at him. Mandla: "I'm so sorry mntu wam." Khanya: "after a whole week?" Mandla: "I can explain." Khanya: "then explain!!!" she yelled. Mandla: "besiyolanda into for uTa Luks." Khanya: "niyoy'landa for iveki Le yonke? Without so much as a message? Yinton leyo?" Mandla: "andikwazi uku-" she shut the door immediately. Mandla: "baby?" he knocked again. Khanya: "go away!!!"

Mandla: "ndiyak'thanda nana wam Va." Khanya: "love you too." Mandla: "sundiqumbela kaloku." Khanya: "mxim." she got out the car and walked home.

I got up from the couch to answer the knock on the door. Benny and Lubby walked in. Ben: "hey." I couldn't say a word. I knew I was supposed to talk but I just couldn't. I just looked at the floor feeling my tears down my cheeks. One of them hugged me. Lubb: "I'm sorry.." he whispered. Jeff came out the bedroom. My mother was crying uncontrollably and it pained me even more. I was shaking and crying barely able to stand up. He walked me out the house and held me tight. Lubb: "tatakho ebekuthanda Lihle, he hated to see you cry." Me: "he's gone Lubabalo!!" I cried. Me: "he's never coming back!!" Lubb: "I'm so sorry.." he sniffed. Lubb: "I really am..." another car parked. Namhla: "what's wrong?" I couldn't answer her. Lubby kept quiet and rocked me back and forth. Thulz: "Tata?" Jeff: "ngenani thulani." his voice was shaky. Lubb: "Benny." Ben: "no." Lubb: "Benny come here." Ben: "ndigrand Lubby fethu...I'm okay.." he lied. I heard namhla crying from inside the house. I couldn't believe this was happening. He was really gone. His face a constant memory, the first time I met him. The way he smiled, when he did my hair, made me his everything. The last time he told me he loved me. I started sobbing all over again. Everything hurt. Benny was sitting by himself in a corner. Thulz: "Lubby." Lubb: "Thulani." Thulz: "you good?" Lubb: "no." Thulz: "sorry. Can I?" Lubby looked down at me, brushing my hair out my face. Then shook his head. Lubb: "not right now." Thulz: "do you need anything?" Lubb: "thanks, we're fine." Thulz: "okay." he went back into the house. Lubabalo mumbled a prayer then sang psalm 23. I didn't feel any better. Lubb: "you need to rest. Ziphi pilis buz'phethe?" I shrugged. He led me back to the house to my room. Opening the blanket. I took off my jacket. He searched for the pills and walked out. I got into bed. He came back with a glass of water. Lubb: "sela apha." I drank the pills and crawled under my blankets ndazigquma. Lubb: "goodnight love. I'll see you ksasa." he walked out the house to Benny. Lubb: "ndiyayazi uzama uba strong. Its not necessary. Right now, you need space and time to grieve. Get it all out. Suzivalela ngaphandle. Ta Seez was the only family you had left that you knew, but now you have a little sister too. This is Your family too." Ben: "why are you here Lubabalo? After everything that's happened, why uselapha?" Lubb: "I wish I knew. Kodwa for one, family doesn't have to be blood." Ben: "Lukhanyo akayo family kum!! I don't care what he is!" Lubb: "asithethi ngoLukhanyo ngoku. Get some rest. Lemme give you a lift home, Thulz notatakhe bazohlala apha the night." Ben: "I don't want to be alone." Lubb: "so you're staying?" Ben: "yeah. Enkosi." Lubb: "keep an eye on her, please. Nazi pilis zakhe, twice a day, morning and night. After meals." Ben: "okay." he took the bottle. Lubb: "ndizobuya ksasa." Ben: "and your car?" Lubb: "use it for now, ibiku Lihle, I'll be using this one. The petrol card is in the arm rest compartment." Ben: "thanks." Lubby walked to his other car and drove home. Lukhanyo had been waiting

on him. As soon as he arrived, Luks opened the door carrying Luyanda and his bowl. Luks: "where have you been!! I've been calling you! Your job! Your house! Where've you been?" Lubb: "calm down Lukhanyo. Damn." he went to sit down. Luks: "you've been crying? What's wrong? What happened?" Lubb: "Ta Seez. He's gone." Luks: "what." Lubb: "he's dead Lukhanyo. I just spent an hour trying to calm their family, so please, give me a break. This is what you wanted. You wanted him gone, now he is. I just hope you can live with yourself after this." Luks: "hayi kodwa Lubabalo. That's unfai-" Lubb: "Stop!!! For once in your life. Stop lying!!" Luks: "I'm sorry." Lubb: "its too late, man. Its too fucking late. Don't even blame yourself, because its not your fault." he got up, walking to the bedroom. Luks: "Lubabalo." Lubb: "what is it?" Luks: "is there anything I can do to help?" Lubb: "funeke ndikhaphe uLihle ngomso to the hospital with her mom noBenny. Kuzocinywa machine. Do you want to come with?" Luks: "I don't know if I can face her." Lubby stared at him for a very long time then shook his head, packing his clothes. Luks: "where you going?" Lubb: "Home." Luks: "why?" Lubb: "Lukhanyo I need some space to think and plan a damn funeral! The fuck you think?" Luks: "I'll give you space. You don't have to go." he sat next to him. Lubb: "don't say it. Please. Don't say sorry again." Luks: "I'll help you." Lubby took his sleepy son. Lubb: "ndicel ulala Lukhanyo. Its gonn be a long day tomorrow. I'll brief you on what happens next buya kwethu esbhedlele." Luks: "okay." Lubb: "and Lukhanyo I won't be able to control how Lihle reacts when she sees you, she might be quiet, she might be angry. But I need you to know, I cannot do anything about that its her decision, this is not about taking sides or who loves who more. She's grieving, its stressful for her at this point. So please do understand." Luks: "I understand, and I get it.." he got up and walked out...

The next day had become extremely long, after switching the machine off I stood for a little while. The wires and mask was removed from his face. I kissed him goodbye. Saying the last I needed to say. Me: "I wish you hadn't gone Tata. I know its not the end of the world, but its the end of my world with you. I wanted you to be proud of me, I wanted you to see me finish iskolo and graduate. I wanted you to see your grand children grow up nabo bakwazi. I don't know how I'm going to explain this painful memory to them. I'm sorry Tata. I'm sorry my bad decisions led you to this. I have never felt more pain, to tell you ndiyakthanda and ndiyakukhumbula. I wish I'd stopped everything for the past year and spent it with you. You only ever protected and loved me, and I failed in protecting you. I failed so many times in listening to you. Ndicela uxolo Tata. Please forgive me. I love you. And you'll always be in my heart. Ndiyakuthembisa I'll make you proud. Goodbye Tata" I kissed him one more time and wiped my tears. I walked out with my bruised heart at my ankles. There was

not even Dr Lechaba. There was another attending to us. I just walked out the hospital. I couldn't take this anymore. I stood outside and looked to the sky. Ben: "hey." he appeared behind me. Me: "where do we start Benny?" Ben: "his lawyer." Me: "what lawyer?" Ben: "he told me about his lawyer, lo ebemgcinela imali yakhe. Should something happen to him, the first person we look for was the lawyer who was helping him with his case all those years ago.." Me: "who was he?" Ben: "that's what we have to find out." Me: "this was over 20 years ago Benny. Usaphila lomntu phof?" Ben: "we have to try." Me: "uphi uLubabalo?" Ben: "he's still inside nomamakho. Can he help?" Me: "let's try first and then xasohluleka we can ask for help. I'll contact my father's friends ndibuze kubo." Ben: "I'm going back to the house." Me: "uzothin uTiny?" Ben: "I'll take him. For now he has to eat. See you later?" Me: "sure." he went to the car. Lubby came out with my mother. Lubb: "should I take you home?" Me: "you can take umama, I have other engagements for the day." Lubb: "I'm not letting you do them alone. We'll go home, silungise kakuhle izinto and plan everything." Me: "Lubabalo I can handle this. You have to go back to work." Lubb: "not right now, I don't. Now come." we went to the car. Lubby drove us home. I sent a message to Ta Smig informing him of what happened, he replied with his condolences and offered help. This was when I could ask for the lawyer that handled my father's case. He called me. Smig: "uthini mntanam?" Me: "I need to find out nguban elagqwetha lika Tata, bhuti..can you help?" Smig: "of course I can. Ndizok'khangela khandinike hour enye or two. Ndizok'fownela." Me: "enosi bhuti." I dropped the call. Me: "Benny suggested we start looking for the lawyer." Lubb: "why is that.." as he drove slower engena kwi strato Sam. There was a white Mercedes parked outside. Lubb: "expecting a visitor?" Me: "now who is this?" Lubb: "only one way to find out angel. Iza ma." we got out the car and I looked at the Benz. Oh yes, an older man, probably in his mid 50's got out. Dressed in a black suit, white shirt and blue tie. Lubb: "his shoes shinier than the stars in the sky the night Jesus was born." Me: "shh!" Lubb: "this nigga stepped in a puddle of oil." I gave him a warning look. Lubb: "sorry." the man walked towards us. My mother gasped and held her mouth. Mystery man: "Molo Thenjiwe." she uttered something I couldn't make out proper, I was half convinced it was in Japanese. Lubb: "iza mama, masingene. I'll make you some tea." he took my mother inside the house. Mystery man stood in front of me and greeted. I greeted him back. Who was he? Why did he scare my mother. I was only yet to find out.....

I stared at him to start talking, he came to me. So clearly he knew me. Mystery man: "molo Lihle." and my name. Amazing. Me: "molo bhuti, ndiyakwazi?" Mystery man: "no. Not yet. Ndivile ubukhangela igqwetha lika tatakho." haibo. It could not have been that fast. Me: "uve ngabani?" Mystery man: "its me." this confused me. Me: "ungubani bhuti?" I could sense the sadness in his eyes. He quickly looked away. Mystery man: "ndingu Simphiwe. Kukho izinto efuneke sithethe ngazo, uphi omnye?" Me: "nguban omnye?" Simphiwe: "ubhuti wakho. He has to be there too." Me: "uBenny?" Simphiwe: "Benny?" Me: "Sibenoxolo." Simphiwe: "ewe yena." Me: "uye endlini ka Tata." Simphiwe: "perfect. We should get going." I went to the house kqala ndayoxela where I'm headed. Lubb: "hey! Where you going?" Me: "to dad's house Lubby. Just look after umama please." Lubb: "you're not going there alone. Nguban lo?" Me: "this is the lawyer, besides Benny is already there." Lubb: "call me when you arrive Lihle." Me: "whatever." Simphiwe drove us to my father's house ethule ethe cwaka. Me: "where do you come from?" Simphiwe: "njani?" Me: "all this time ubuphi?" Simphiwe: "between work and home." Me: "he never told me about you." Simphiwe: "he told uBenny. Only one of you had to know and it couldn't have been the inquisitive one." Me: "I'm the....oh." Simphiwe: "yes, like right now. Questioning yonke into Le. No doubt you would have tried looking for me." Me: "why would I look for you? Is there something you know." he sighed. Me: "what is it?" Simphiwe: "everything." Me: "why do you know so much about my father? How?" Simphiwe: "he will tell you that himself." as he finally parked in front of the house....

Thenjiwe stood in her kitchen, a few of her neighbors were in the lounge. Namhla and Lubby was making the tea. Namhla: "uyaphi uLihle?" Lubb: "Kwa Zakhele." namhla: "uhamba naban?" Thenji: "ndicela Le tray seyiqityiwe." Lubb: "hayi mama hlala phantsi sizoyenza." thenji: "indoda ayifuneki ekitchen Lubabalo. Find something to do." Lubb: "okay." he walked out to answer his phone. Lubb: "yes?" Luks: "I've been trying to call you man. Sine crisis embi qithi apha! Everything is falling apart." Lubb: "how? Kwenzekke nton?" Luks: "I just got a call from Sars they're sending auditors here within an hour and andiyazi bazothin or mna ndithini!" Lubb: "listen, relax. You can handle it. Take-" Luks: "I'm not the CEO Lubabalo!" Lubb: "uphi uSoma?" Luks: "he's in a meeting eTinara with Trevor!" Lubb: "hooo ma ghad. Are you serious? So uwedwa apho?" Luks: "yes!" Lubb: "for now, take out the blue file in my cabinet, and stall them when they arrive ndiyeza." Luks: "what's the blue file for?" Lubb: "the blue file is for Sars. I'll be there in 20 minutes." he hung up and went to the house. Lubb: "hey, namhla, I'll be back later uyeva? I have something to sort out very quickly." Thenji: "xa ubuya uze ne swekile ne tea Lubabalo." Lubb: "okay ma." he went to his car and drove to work. Lukhanyo looked at the already open cabinet. A small white

box was neatly placed in a corner. He took it out and opened it. There was a ring. An engagement ring. He'd seen it before. Why was it still here? He took out the file and placed it on the desk. Jamie: "sir is there anything else you need help with?" Luks: "no." Jamie: "I'll be on my way then sir." Luks: "enjoy your Sunday Jame." Jamie left. Lubabalo came in. Lubb: "hi." Luks: "sup." Lubby took the file and walked to the photocopying room. Luks: "how was it?" Lubb: "I can't even answer that.." Luks: "oh...I thought you'd brief me once you were done." Lubb: "we went in, Lihle nomamakhe had to go to the office. Maka Sine couldn't do it. I was in the waiting room the whole time, I couldn't go in." Luks: "how was uLihle? Is she okay?" Lubb: "no, she's not okay. You know how she tries to keep her head up all the time." Luks: "have you spoken to her?" Lubb: "yes, that's how people communicate." he collected the copies. Luks: "why are you doing this Lubabalo?" Lubb: "doing what? Can we do this another time. We need to prepare-" Luks: "check the date." Lubby checked. Lubb: "its Sunday. Why would you-" Luks: "you didn't even know it was Sunday. Why are you doing this? You've been by her side since Tuesday. What exactly are trying to do? And you're keeping me away, because ndiyak'phazamisa." Lubb: "are you fucking kidding me? Are you serious!?" Luks: "yeah, I fucking am! I thought you got rid of this!" he threw the box at him. Lubb: "why would I get rid of R40 000 ???" Luks: "oh, is that how it is?" Lubb: "Lukhanyo, Lihle is my friend. I respect that she's my friend. I care about her. That's it!! Why I'm doing all this? its because its my damn fault! I'm the one that led Victor into our lives! I am the one who damaged him. He tried to get my attention so many times, and I ignored him! It is because of me that Lihle is in pain! If I sat down and did nothing what type of person would that make me? I don't care what you think Lukhanyo, because you don't get to live with this regret, this guilt!" Luks: "Lubby-" Lubb: "No! If you want me to sit and watch, then so fucking be it! If you want to go there, go ahead. I'm not standing in your way. Damn it, I can't do this! I can't!!" he walked out. Luks: "Lubabalo!!!" pulling on him. Luks: "you can't just walk away sithetha!" Lubb: "you don't trust me Lukhanyo! After I'd promised you, you still don't trust me!" Luks: "but do you blame me?" Lubb: "ndiyeke kaloku ndihambe!" Luks: "if you think I'm letting you run away from this you've got another thing coming!! Why qho xasisilwa ufuna ubaleka? You're a fucking coward!" Lubb: "you're calling me a coward because I hate fighting with you? WOW. I'm sorry I was never raised to throw a fist. Into endayifunda estratwen andiy'faki endlin. But its alright, I'm a coward." he turned to walk away and found Luzuko standing in the doorway. Lubb: "is this the real reason you called me here for?" Luks: "you need to talk." Lubb: "nah fam, I don't need to talk to anybody." Luks: "Lubabal-" Lubb: "don't fucking touch me! Do not!" Luz: "I shouldn't have come." Lubb: "damn right!" Luks:

"khayeke uba childish man Lubabalo, its unattractive. We need to sort it out." Lubb: "I'm already unattractive. It don't mean shit to me, if ufuna sort out izinto thetha naye wena. I'm good." he walked out. Lubb: "oh and by the way, maka Lihle is in need of a few things. You can call her and get them. I'm done." he got in his car and drove off. Luks: "he's over reacting. Usene stress, uzobuya when he's okay." Luz: "he won't ever forgive me." Luks: "that's unlike uLubabalo. I'll call maka Lihle and see what she needs siye pha just now. From tomorrow onwards, I'll get you an appointment with Lungsta, he'll know what to do better than I." Luz: "okay." Luks: "masiye."

I sat with Benny on the couch at my dad's place. After watching the video footage Simphiwe showed us. It was of my father and what he wanted at his burial. It only explained Simphiwe as his lawyer and confidante. Nothing else. At least I knew what he wanted for his burial and I would make sure it happened. Simphiwe gave us a copy of his insurance policy and everything else. Me: "so you were just his lawyer?" he hesitated to reply. Simphiwe: "yes." my father had so many secrets. Like Benny and Simphiwe. Not even once did he mention them. Zange abude nobuda ngabo. It didn't make sense. I had to go home and rest because tomorrow was going to be long. Matter of fact this entire week. We decided on Friday. His body was to be cremated and let off into sea as he wished. It was very different, nam bendinga understand why not a proper funeral service but its what he wanted. He had it on dotted paper and in a video. Betshilo phof uLubby ngo unique. It seems like everyone knew my father better than I did. Something about being in this house calmed me. His spirit. It made this whole situation more bearable. It made me feel safe and closer to him. We got up to leave. I had no more questions for Simphiwe, clearly he was hiding certain things from me so I wasn't going to be pushy about it as he expected. Simphiwe: "Lihle." I turned to look at him ndityhafe ndinjalo. Me: "bhuti." out of the blue he just hugged me. Simphiwe: "I know you feel it too." he whispered in my ear. Feel what? Where? You're losing me. Me: "sorry?" Simphiwe: "nihambe kakuhle. My deepest condolences to your family." I stepped away and went to the car with Benny. Ben: "what did he say?" I was a bit shaky. His voice lingered in my head. I did not need this today. Ben: "Lihle?" Me: "hm?" Ben: "you okay?" I nodded. He drove back to Motherwell. I stared out the window trying to remember a memory that had my father mentioning a Simphiwe. Noba kukanye. Or maybe...no wait, when was that video made. Me: "stop the car!!" he hit the brakes. Ben: "what?" Me: "we're going back." Ben: "why?" Me: "Go Back." he turned around wabuyela endlin ka Tata. I got out the car and walked inside the house, Simphiwe ehleli on the couch staring at the floor. Me: "bhuti, when was this video made?" he just stared at me. Me: "tell me." Simphiwe: "a week before he was shot." Me: "nguwe umntu that he kept seeing, mornings and afternoons?"

Simphiwe: "yes." Me: "he knew he was going to die?" he slowly nodded. Me: "why didn't he tell me?" Simphiwe: "ebengafun uyazi because he didn't want to hurt you." i felt the tears burning out my eye sockets and running down my face. Me: "why did he come to see you?" Simphiwe: "to secure his assets. You. Benny." Me: "secure us how?" Simphiwe: "Lihle tatakho loved you, there is no doubt about that at all. Go home." I didn't have anymore energy, so I turned around and walked out the house. Benny drove home. This time wayofika. My eyes were puffy and felt sore kukhala. I just needed pain killers and bed. There were a few cars outside my house. I walked inside and saw Lukhanyo ethetha nomama. Luzuko was leaning on the counter encokola noNamhla. It was like some nightmare being overplayed. Me: "Why?" They all looked at me. Being the saint, Lukhanyo walked to me calmly just before he even touched me ndamvuthela ngempama. Me: "get out." Luks: "Lihle-" Me: "Go. Uthathe lento yakho uLuzuko. Nimke ekhaya. Lubabalo, Phuma!" Luz: "he's not here-" Me: "then get out!!" Ma: "abazanga kuwe Lihle. Babizwe ndim. Khona kuthen uzogxotha abantu apha okwe zinja?" I couldn't believe she just said that. Cacile ke ba ndim ofuneke emnkile. I couldn't even respond to her kuba kaloku nguye umama wekhaya and I had no right to this household.. I went to my room ndayolanda izinto zam and left the house. Benny was behind me 100%. Me: "I'm gonna be at my father's house for the duration of the week." Ben: "okay." he drove me there. Ben: "has it always been that way?" Me: "my mom taking his side? Yes. Today andinamdla wabo. That's why I left them together." Ben: "even Lubby?" Me: "barhuqwa nguye nje. You let one in, and they drag each other like a pack of wolves. This is not what my father died for. You know I was blind? For such a long while, ndiz'xelele ukuba Lukhanyo would never have the guts to do what he did. But he grew the guts though, Lubabalo ucela uxolo every chance he got, since the beginning he took responsibility. Lukhanyo just wants access. Control. And uyenza through Lubby yonke into ay'funayo because he knows I'll let him in. Luzuko is just a plain old cobra. Andimazi noba uyothini pha." Ben: "so...that means no more Lubby too?" Me: "yes that means no more Lubby." Ben: "oh." Me: "if you want to go to him Benny. Iya kuye, I'm not gonn stop you from having friends, but ungandifaki mna." Ben: "oh ok." we arrived at the house. The lawyer had left. Ben: "will you be okay?" Me: "yes. Ndizok'bona ksasa." I got out the car ndayongena endlin. Tiny was barking eback. Before I let him free I'd have to give him food. So ndamenzela kutya ndayomnika. He ate and drank his water. Ndamkhulula. He ran around the yard looking for a place to shit ndayongena endlin kemna. I didn't have anything to do. But look through my dad's things. The dog barked again ndayomvulela. He came into the house I locked sayohlala in the bedroom while I opened the drawers. This was an abnormally huge dog. I found old

photographs. Of my father, Bra Zakes, Ta Smig, Bra Zakes' twin, Zolani, Tivo. There was one picture of my mother. Then another few of a baby. Oh wait, that's me. As a baby. Then another picture of the lawyer, carrying me. 😱:o I looked behind the photo. Just written the date. Ezinye zibhaliwe, Lihle. This was confusing. why would your lawyer be this involved with your family? I looked through other photo's and I found another one. I was taking a step, he was holding my hands. Who was Simphiwe bethuna? Definitely not my father because I looked just like Sizwe. Why ez'nto zivela ngoku? Another secret. Me: "Tiny, what the hell is going on here?" he grunted. Something was off. Either my father had lied about his entire life or I had misunderstood...

Chapter 752

Monday morning I was woken up by Tiny's barks. I sat up and he went to stand by the door. I opened the front door for him wataka uphuma. I went to take a bath, brushing my teeth. Ndanxiba and made the bed. Once I was done I came out the room and found Lubby at the door about to knock. He was with Benny. Benny never listened to me. Ever. Lubb: "morning." Me: "Lubabalo, I really don't need this right now. I hate that If ndithetha nawe noLukhanyo and your entire family must be included." Lubb: "I didn't send him. He just bombarded me with questions izolo ndamxelela ba if he wanted to do things makazenzele. I'm not acting, not for him or anyone else. Ndilapha because I want to help." Me: "I don't need help." Lubb: "yes, you do. Firstly, here's breakfast. Secondly, you have to plan the day specifically, so you don't have to run around all day. We can do it together." he came inside. He was not taking no for an answer, akancami tu. Me: "until Lukhanyo barges in here too, claiming to help." Lubb: "nah, Tiny wouldn't let him. Please? I promise I won't kill your vibe." I looked at Benny. I knew he was the one who called him. Ek'ben ebendibuza twenty 'no more Lubby' Lubb: "toasted cheese and bacon. Smells like heaven. Some blueberry muffins, your favorites." Me: "can you make me tea?" he smiled. Lubb: "definitely." Me: "and keep your brothers away from me?" Lubb: "I will try my best to keep them busy." he switched on the kettle. Lubb: "Benny says you threw me out, ngoku ndingekho. How true is this?" Me: "I thought nguwe ozise ooLukhanyo. I was emotional and angry for no reason." Lubb: "and apparently you fire slapped him into next week." I giggled. Lubb: "love that smile." Ben: "do you ever work?" Lubb: "not this week. I'm off." Ben: "great." Me: "There's something I need to show you." Ben: "yinton leyo." I took out the photographs. He looked as confused as I was. Lubby looked. Lubb: "is this the guy from yesterday?" I nodded. Lubb: "and this

is?" Me: "me...what do you think he's hiding?" Ben: "what did he say izolo kuwe." Me: "he said, something like, I know you feel it too. I wasn't sure what." Lubby brought the tea. Ben: "yeah. Ingathi ikhona into ayaziyo that's deeper." Me: "did you know that the video, was shot a week before utata was shot. Simphiwe says, utata knew he was going to die, he's the person that he went to see. Everyday. To secure his assets." Ben: "what assets?" Me: "Lubby, when you guys went on a road trip did he mention something? Anything?" Lubb: "no." he swallowed. Me: "please look at me." he looked up. Me: "why are you lying to me?" Lubb: "I'm not. He never said anything. Just taught me about life, patience, being able to control yourself." he also was hiding something. Me: "wena Benny?" Ben: "nope." he looked me in the eye without blinking. Me: "am I the only one that's seeing something wrong in this picture?" Lubb: "I know you want answers. But maybe, you're just overlooking things. maybe there is pictures of you and the lawyer kuba when Ta Seez went to jail, he asked for recent photo's of you. Real photo's meaning the lawyer had to be in them." Me: "then why was my mother shocked to see him." Lubb: "she said something about ucimba wasweleka kdala in a car crash or something." Me: "so you think I'm just imagining things?" Lubb: "not that, I think you're being reasonable. and its good to ask questions, that way uzophenduleka kakuhle." I ate my sandwich and muffins, when last did I eat? Yoh. After breakfast we agreed on our first destination. Benny made Tiny food. Saphuma sahamba.....

Soma stood in the middle of the boardroom. Soma: "where the hell is Lubabalo Andrew Morrison!!" Brian: "I guess he's late too. For the first time uzokhe ayeke uthukana nam." Soso: "Lubabalo is never late. I'm 150% sure he aint coming." Soma: "why!" Soso: "I am not psychic." Lukhanyo came in. Soma: "uph ubhut wakho?" Luks: "he's not here yet??" Soma: "what's going on ngani?!" Luks: "I last saw him izolo. You know he doesn't stay home on weekends. Khame ndifowne." he tried but it hit voicemail. Luks: "oops." Soma: "what have you done?" Luks: "why does it always have to be me? Andenzanga nto mna. he's the one who left. Ask him." Soma: "asoze asuke ahambe without a word to anyone. You did something!" Soso: "okay guys, honestly like.....le's jus relax. Err'bod jus relax. Like manyani." Soma: "Soso suthethi poes! Lubabalo leads these meetings, he is the head of what happens here! If he's missing, how do we relax! He never misses work!" Soso laughed. Soso: "but we all have heads. Kuthen ngaske uqale meeting yourself? Hm?" Soma: "with what?? My ass?" Soso laughed till tears emerged. Soma: "Soso, are you high!? On company time, you're fucking high???" Soso: "I am not high.." Soma: "unxilile ke?? Busele?" Soso: "why do you look so familiar?" Luks: "kwwwaaaaa!!!!!!!" Lukhanyo and Brian laughed. Soma: "are you kidding me?" he took out his phone, pressing for Lubby's number. Soso:

"mmmmmwah." Soma: "Guttdamnit Lubabalo answer your damn phone!!!" Soso: "Lubabalo did himself a favor today." he laughed again. Luks: "hayi nam mandisele ndiz'nika iday off. I need to get on Soso's vibe after last night." Soma: "you are going no damn where!! This meeting will be postponed. For now, please get back to work. Sonwabise, ambolala." Soso: "cingi sanaz, enzwe nguban lomsebenzi?" Soma: "I'm giving you your first verbal warning. Sonke apha siyasela siyatshaya kodwa zange saza sinxilile siqhunyiwe emsebenzin! What if we had clients. Potential investors? What fucking circus you think this is!" Luks: "and who are you to tell us what-" Soma: "I am the acting CEO xa uLubabalo engekho. And you will follow my orders, unless you want a warning too? Aniyenzi lento xakho uLubby apha! Niqotha imisila!" Soso: "I certainly liked him better." Soma: "Sonwabise. Go home." Luks: "he can't drive in that condition." Soma: "he came here himself, didn't he?" and he left them there. Soso: "so uhm...andizogoduswa?" Brian: "come, I'll drive you." Soso: "uyayazi ndihlalaphi?" Brian: "no uzondixelesa. Come get up." Soso: "waaaait. Okay, up up. Hold on...masambe ke." Luks: "zoba grand?" Brian: "yep." they walked to the car. Lukhanyo went to Soma who was in his own office. Luks: "you okay?" Soma: "no." Luks: "what's up?" Soma: "just realized I don't know shit about this company Lukhanyo. Lubby always 'handles things' and I do whatever I can. Don't you think that's a bit fucked up? Its literally nothing without his hands. I feel useless, andizazi noba ndiqale ngaphi! He always gives orders, leads us to what we do next now its just a big space of nothing!!" Luks: "finally!!! Someone that feels exactly like I do. You feel like you're in the sidelines because he makes you feel so comfortable, like he'll never ever disappoint you, and you trust him. Then boom! Once he leaves you're fucked. Incomplete-" Soma: "we're not talking about your feelings. This is work." Luks: "yet you feel the same." Soma: "no, I let myself relax, I should be working beside him, ndiyazi what to do when. For now, I'll just have to wait until he gets back. Like I can barely cope." Jamie walked in. Jamie: "sir can I help with anything?" Soma: "Jamie, did Lubby say anything about not coming today?" Jamie: "yes he did sir. He said he won't be here for the rest of this week, he had certain matters which cannot be discussed over the phone that he needed to take care of." Soma: "is he serious?" Luks: "the whole week??? What does he expect us to do?" Jamie: "oh. I can help with that. He's super organized. We Always plan his week, a week before. He has the red file. Inside There's dates of what should be done on what day by whom." Luks: "where is it?" Jamie: "in his cabinet." they went to the other office. Looking through the cabinet. Jamie: "here it is." Soma: "you're a star, you know that?" Jamie: "thank you sir." he blushed and walked out. Luks: "I always knew he was gay. Just his accent gave it away." Soma: "check this! This week's dates. Lubabalo is such a nerd. No wonder efika

apha ngo 5am everyday, ufika enze lento." Luks: "shame I used to think akaphilanga. But I guess today it worked well for us. So what do we do?" Soma: "nantsi contract details of the two rep's that are arriving from China. They've been assigned to one house because they feel better living together than apart. Their diet, grocery plan, budget, Le ijob yeyaka Jamie. He'll sort it out. Brian has no work this week, you need to sort out the financials for Sars and go there tomorrow. I have a meeting with Sello at 10, Soso is doing bank statements and sorting out the budget." Luks: "its not that much." Soma: "Tuesday, it gets real. But we'll worry about that tomorrow. Let's do this." they went to their offices. Soma: "will you be able to handle ez'nto zika Soso?" Luks: "yeah don't worry about it, kakade Le yakwa Sars sendayiqiba. So I'll carry on with Soso's work." Soma: "this organized thing must run in the family." Luks: "that and pettiness. Lubabalo and I only had one disagreement and he cancels work for an entire week." he sat in Soso's office. Soma: "its better than him getting high on the way to work." Luks: "let's swap then." Soma: "I would love to have someone that irons my clothes every morning. Thandi tells me to grow up and do it myself. He even cooks for you man. Soso always gets take aways. You two lucky as fuck you got each other." Luks: "I don't see luck when I have to look behind my back every once in a while to check for stab wounds." Soma: "you still sulking from last year? Luks, please do get over it. I know Lubby as the guy who gets what he wants, whereby akamfuni uLihle. He's over her. You need to move up from that stage man. Kunzima unikeza itrust, but it'll pay out one day." Luks: "I guess I'm just insecure." Soma: "why?" Luks: "because I know he'd treat her better than I ever could. He would make me look sloppy to my children, like a failure! Ibengathi ndiyikaka yesbhanxa. Hayi ntwana. I'd rather a stranger do that than my own brother. Uyaz he used to call her Kumkanikazi? Like who does that? He's just too much. And I hated it. Izolo she just mysteriously slapped me out of the blue kodwa I'm trying to help her. Wandigxotha kokwabo, whereby Lubby ebepha khange athethe. Do you see my problem?" Soma: "problem yakho, you compare yourself too much to Lubby. You can't do things just because uyazenza yena. Remember, when you were hurting Lihle, he wasn't doing it too. So she won't feel the same about you two." Luks: "no I fucken give up. Kwanto endiyenzayo, its bad. I buy sugar, its bad, I buy salt its even worse oh my God Lukhanyo how inconsiderate!" Soma: "how about not buying anything at all, uvale umlomo lo wakho and focus on you." Luks: "phinde kuthwe I don't care." Soma: "why are you worried about people's opinions? Let them think bazidubulise ingqondo. Just never let them know what you're thinking. It always worked for me." Luks: "like hiding the fact that you had an identical twin that did things exactly like you?" Soma: "yes that too." Luks: "I can't hide Lubabalo, because he's loud as hell." Soma: "he cares

about you. He will never let you fall ekhona. Would you?" Luks: "no. He's my brother, I always have his back." Soma: "good. Keep it that way. Let him run around thinking he owns the world, it keeps him happy, I let Soso do it all the time. He's always jolly. Sooner or later he'll fall back in his place and guess what? It WON'T be your fault and he'll have no one to blame." Luks: "oh." Soma: "Jamie, come fetch this!!" his phone rang. Jamie: "yes sir." Soma: "hello?" Soso: "honey!!! I'm home! Hahhahahaa!". Soma: "mxim." he hung up his phone

Lungelo sat up on the couch. Zintle went to brush her teeth. Lungelo: "how long are you gonna keep this up?" Zintle: "as long as it takes." Lungelo: "can we talk about it?" Zintle: "you undermine me Lungelo. What exactly is there to talk about?" Lungelo: "no but sometimes you make stupid, uncalled for decisions, and someone has to tell you!" Zintle: "hewethu, nobody asked for your opinion. this is about Me. Not you. If I wanted your advice, I would've asked." Lungelo: "you know you sound bitter, right? Bitter and desperate." Zintle: "excuse me?" Lungelo: "undive kakhle! I'm not going to tip toe around you everytime you have one of your crazy moodswings. Ubahambisele nton abantwana? For what reason?!" Zintle: "because ndibusy Lungelo. They're my kids. I know what's best for them! Do you have any idea what I've been through?" Lungelo: "and not telling their father? Is that what's best for them too? I know exactly what you've been through!" Zintle: "he's already too busy with his shenanigans. He's a negative influence uhleli esenza nto ez'phume caleni." Lungelo: "since when do you care about what the newspapers say." Zintle: "since this!!!" she threw her phone at him. Lungelo: "and you expect me to listen to you undigib'sela nge phone? You know what? I'm done with this. Once your attitude lowers down, you'll know where to find me!" Zintle: "don't count on it!" he looked at her. Lungelo: "whatever has you bothered, will have you miserable and alone. Awusena ndlela yothetha nam ngoku, undigqaya ngee phone uyandithuka ingathi ndisi srhama. Nx." he walked out the door and shut it closed. Zintle: "mxim." she made her bed and cleaned her flat. Zuki came over to visit. Knocking on the door. Zintle: "ungubani!!!!" Zuki: "its me....damn." she opened for her. Zuki: "what's wrong now?" Zintle: "nothing. Unqabile my friend." Zuki: "ndikhona tshomi. You sure you're fine?" Zintle: "yeah, ndicapkiswa ngu Lungelo, but its nothing. You?" Zuki: "yoh mtshana. Phila and I went to see a fertility doctor. We want a baby. Results bezisandophuma this morning saying There's nothing wrong, but its been a year kudala sizama." Zintle: "don't stress. Babies just happen when you least expect it. You should be focused on work more." Zuki: "he's going to start getting impatient Zintle. His friends have babies and girlfriend ka Andile is expecting." Zintle: "is that why you're pushing for a baby?" Zuki: "no, ndifuna ukonwabisa umntu wam." Zintle: "my advice? Before kids? Marriage. Don't

rush it." Zuki: "are you sure you're okay? Talk to me." Zintle: "I had to send the kids away." Zuki: "why?" Zintle: "someone... Victor. Is threatening to remove one twin. I got a message a while ago. And pictures of them in day care, they had access to my children. I can't bear losing either! Here." her friend read the message. Zuki: "Victor? Usaphila?" Zintle: "sadly." Zuki: "did you tell Lubby?" Zintle: "that was the condition. If I told him.....he'll ...he'll kill one." Zuki: "Lubabalo would never let that happen!" Zintle: "then clearly you've never met Victor. K'la creche ungene njani, how did he know where to get to them. He never works alone. Noba akekho, ukhona!" Zuki: "where are they now?" Zintle: "somewhere safe." Zuki: "I still think you should tell Lubby." Zintle: "I'm not telling him shit. He let Victor linger in our lives for this long. This is his fault!" Zuki: "and if he'd killed him, you would've called him a murderer." Zintle: "he's been a murderer. Its nothing brand new. But I swear Zuki if you utter a word, to either Phila or Lonwabo or Busi and something happens to my kids, you will be responsible.." Zuki: "I won't. Don't worry. But why does he want the kids out the way?" Zintle: "whatever he has planned Zuki, its not pretty...I don't want my children to be weapons to their fight." Zuki: "I understand tshomi yam. I really do. Let me help you." Zintle: "its okay tshomi. You have to go to work. I'll be fine." Zuki: "call Lungelo at least." Zintle: "I will. Later." Zuki: "goodbye mntase." Zintle: "bye." Zuki walked out her friends flat debating with herself should she keep this secret or should she at least tell her boyfriend?.....

Chapter 753

Monday evening, I knew I had to go back home and report to my mother. As much as I was still upset that she took Lukhanyo's side over mine. Maybe I acted rationally but I still feel the same. Lubb: "I have to go to uLiya. We have to discuss schooling arrangements for Luyanda." Me: "okay, go well." Lubb: "aibo? sihamba kunye." Ben: "you can drop me here." Lubb: "nope. We're all going." Me: "why do you need us?" Lubb: "andifun hamba ndodwa." Me: "but I have to go home, nanku Benny for wena." Lubb: "we almost there anyway." I sat in the badkseat. Truth is, I didn't want to face Liya because of my involvement with uLubby. Kodwa naye ucinga dom uLubabalo. Me: "Lubby." Lubb: "yes?" I just looked at him. He should know. Benny wabe ejonge ngaphaya kwa sathane. Lubb: "what?" he parked the car by the gate. Mxim. Lubb: "I won't be long." he got out the car and walked to the door. Liya opened. Liya: "hi." Lubb: "hello. So here I am." Liya: "ndim'funele icreche uLuyanda. Two actually, whenever you have the chance, ungayojonga but I need to make a decision soon." Lubb: "transport yona?" Liya: "ndizoyikhangela kaloku once you've made a choice

Lubby." Lubb: "I trust your decision. You make the choice. Mna ndizoya k'le uyikhethileyo and sort out the transport.." Liya: "yes, and about that, ndicela ungam'funeli private car torhwana andifun umntanam abe left out." Lubb: "oh why not?" Liya: "hehake." Lubb: "nah, akhomntanam uzokhwela public transport. Zange ndakhwela public transport." Liya: "that's probably what's wrong with you then." Lubb: "ndizokwenza ingathi andikuvanga." Liya: "uhamba naban?" Lubb: "noLihle and her brother." Liya: "brother?" Lubb: "yep." Liya: "oh. Undibulisele." Lubb: "her father passed on. So senza funeral arrangements." Liya: "oh my God, no! Is she okay?" Lubb: "she's fine." Liya: "what happened?" Lubb: "its a long story. Sophinda siyithethe ngenyi mini." Liya: "iza ndikukhuphe." Lubb: "you never do that." Liya: "what kind of person would that make me be ? Hm? She just lost her father." Lubb: "right Liya." he walked out. I was sitting in the car minding my business when I saw them walking out together ndabawela uzimela straight. Seriously Lubabalo knows no measures. Liya: "molweni." waqala kuBenny. Liya: "ndingu Liya mna." Ben: "Benny. Nice to meet you." Liya: "same. Hello Lihle." as she opened my door. Me: "hey." Liya: "how are you?" Me: "I'm fine thanks, wena?" I smiled. Liya: "I'm okay girl. I'm sorry to hear about your dad babe. Kuzoba right vah." Me: "yes I know, thank you Liya." Liya: "okay ke guys, nihambe kakuhle." Me: "bye." I waved. Lubby closed my door. Lubb: "cool, ayikho mos enyinto?" Liya: "no, you'll just bring him back tomorrow." Lubb: "ayt. Bye." he got in the car and drove away. Lubb: "why you always worried?" I didn't answer him. Lubb: "Lihle, Liya is matured, we talk about you. She's cool, akho need yoba embarrassed." Me: "Lubabalo, I was married to Lukhanyo, she was engaged to you, ndasuka kuLukhanyo and jumped on you! The fuck?? its a lot to be embarrassed about! You're a man! You don't get it!! Excuse me Benny." Ben: "I'm in Paris. Not even here." Lubb: "so what??? Awubulelanga mntu mos. Its not like we made love whilst she was engaged to me!" Me: "she was pregnant with your son!!" Lubb: "we weren't together qha ok'salayo! And I don't like the fact that you say jump, you didn't jump, you crawled!!! Because damn it woman, I'd waited. I'd waited a veerrry long time!" me: "a year is not that long Lubabalo, you were happy with your women." Lubb: "no doubt I was happy with Liya. I was very. But with Vuyo that was torture Lihle. You set me up, to leave you alone. That's some fucked up shit." Me: "I didn't appreciate my husband's brother having a crush on me!" Ben: "are you seriously arguing about the past? A YEAR later?" Lubb: "we never spoke about it because miss manti decided to dump my ass for ex husbands mistakes! TWICE." Me: "Lubabalo, Lubabalo sundiqala!" Lubb: "what? You had a crush on me too!!!" Lies. These are blatant lies. Me: "I didn't have a crush on you. You barged your way into our lives." Lubb: "you loved it. You enjoyed having me there. Because you had a crush on me but

needed me away so that ungenzi mistake." I swallowed hard. I'll never live this down. Lubb: "is that why you still pretend to not want me around?" Benny looked at the side mirror ejonge kum. I looked outside. When was I getting home Jesus. He stopped the car and switched off the engine. Ben: "I need to stretch my legs." he got out the car. Lubb: "hey." Me: "I don't want to do this Lubabalo." Lubb: "we're not Doing anything lihle. But seriously, why undipushela kude." Me: "it's not easy for me to love you. I feel guilty about it. I have to think of the children, and everyone else. I don't want to live a complicated life of explanations. That's why I push you away." Lubb: "that's the only explanation I wanted to hear. All these months, you should've told me and I would have understood." Me: "I'm sorry but I prefer it so much better when we're friends, just looking out for one another, not sexually. No." Lubb: "I don't mind." he smiled. Me: "I do." Lubb: "okay, partner. I hear you. But to conclude our little argument, you don't have to be embarrassed. If you are, people will use it to manipulate you, to hurt you, to put you down. What happened, happened. The next person to gasp at that story you tell them Yes, I fucked him, and I did it good. Uzokhuza aphinde az'yekele. Let them talk. Yes?" Me: "yeah." Lubb: "high five." Me: "no." Lubb: "don't leave me hangin." I high fived him. Lubb: "Benny. Tea time is over, we leaving you behind." Benny came back, sahamba.

We arrived at Motherwell. Again, Lukhanyo was there. He was actually very busy, working in the yard. Why would you be doing the yard, unxibe i-suit? Lubb: "calm?" Me: "yes. I'm fine." I walked to the house. Lukhanyo stopped and stood up. Lubb: "what in the world are you doing?" Luks: "working. Surprised? Seeing that you left me in the ditch today. Selfish much?" Lubb: "no, I'm not surprised actually. I'm impressed. Garden boy suits you so well. Excuse the pun." Luks: "why Lubby? Why didn't you tell me you're not coming to work? You wanted me to fail?" Lubb: "I didn't want you to fail. I told Jamie and left the damn folder on your desk." Luks: "what folder?" Lubb: "the folder that has everything We're working on, dumb-fist. I knew you never sit still, you wouldn't even see." Luks: "now it's my fault? suppose uyinike uSoma! And told him because he's acting CEO." Lubb: "I want YOU to be acting CEO. That's why I left it for you." Luks: "why? Hm? Why me?" Lubb: "because I believe in you, and you can build it greater than anyone else. That company needs your quick thinking. Not the 'I'll-shoot-you-dead' type but you know what I mean." Luks: "then bek'then zungatsho Lubabalo?" Lubb: "I knew you'd figure it out. Any more questions?" Luks: "I can't do it." Lubb: "yes you can and you will. Soma, I've occupied him with meetings. You'll be able to run everything yourself, you'll sit in on my meetings, you're having the conference call with Mr Chua, you'll tell him about the new developments you're working on." Luks: "Lubaba-" Lubb: "Jamie will let you

know when, for now you're preparing yourself." Luks: "right now I'm kind of busy apha." Lubb: "doing the garden at night? Seriously? Or are you digging yourself a grave because Benny is not taking any more minutes with you here." Luks: "I can't do all of this Lubabalo! I'm not you! Andiyazi lento mna fethu!" Lubb: "Lukhanyo, you know this. All you need to do is prepare. You know I got your back. Always. Just trust me. I'm trusting You with my work." Luks: "trust you huh?" Lubb: "please." Luks: "so...everything I need to know, is in that folder?" Lubb: "yes." Lukhanyo nodded. Luks: "fine." he stabbed the spade into the garden. Luks: "I just need to tell umaka Lihle." Ma: "undixelele ntoni?" Luks: "oh, mama, kukho nto yomsebenzi ekufuneka ndiyiqibile." Ma: "ubuye nini kengoku?" Luks: "I'm not sure mama. Kodwa ndizokufownela." Ma: "okay. Enkosi ngoncedo lwakho. Uhambe kakuhle ke uyeva?" Luks: "ndiyabulela mama." he walked to his car. Lubb: "molo mama." Ma: "uzoqibezela ighadi Lubabalo? Ek'ben ugxothe umninawa wakho?" Lubb: "well, with all due respect mama. Lihle does not want him here. I made a promise to her. All she's trying to do is bury her father in peace without all the pressure wena noLukhanyo are throwing at her." Ma: "so wena wazi ngcono kunam umntanam?" Lubb: "hayi mama." Ma: "sungena ke ezingak'funiyo. Siyavana bhuti? Mna ndicele uLukhanyo, uLihle ucele wena. Masingaphazamisani." Lubb: "ndiyakuva mama." she turned on her heel and walked back to the house. Me: "mama, ndicela utetha nawe." Ma: "nganton Lihle ndibusy." Me: "with what mama? Tata didn't even know these people, I don't understand." Ma: "ngabantu base caweni yam aba and bayamazi uSizwe. Bayayazi behlala apha." Me: "and Jeff? Athini yena mama?" Ma: "akhange ndibize Jeff Lihle. Ubizwe nguwe. Njengo Lubabalo. If bendifuna undincede bendizotsho kuwe." wait what? Nooo! How in the world can she just decide to turn on me? Me: "mama, ubungafun ukwenza nto. I am just as hurt. I had to get up and start sorting things. Why ngoku uthetha kanje?" Ma: "sonke sikhubekile Lihle. Kodwa ke ndiyayazi into endiyenzayo. Ungumntana into oyiyo noba unganabantwana abangaphi na. Uzokwenza Le ndik'chazela yona." and she walked away. Azange bethuna ndakhubeka olu uhlobo. I felt like screaming and crying all at once. All that I've been trying to do was a waste? I just had to sit and watch. I tried to walk outside, I was dizzy and very nauseas. I stood next to the drain and threw up in it. Lubb: "hey hey!! Yinton ngoku?" he pulled me up. Ben: "what the hell happened?!! Lihle? Are you okay sis?" Lubb: "Lihle, open your eyes. Come sweetie, try and open them." I did all I could, pulling my eyes open. Lubb: "ndizokusa Ku gqirha, you'll be okay." Ben: "let me." he picked me up and walked to the car. I could register all that was happening its just my mobility seemed to shut down. My mind couldn't think. It was just blank. Ben: "can you try and stay awake? butter cup? Lubby, start the car!" Lubb: "ewe Benny!!" Me:

"Lecha...." Ben: "yinton Le itshayo na Lihle?" Me: "...echa..." Lubb: "Dr Lechaba. She wants her father's doc." Ben: "do you know where he is?" Lubb: "unfortunately I am not a human navigator." Ben: "Dr Lechaba? What does he do? Lihle I can't find him kwesa sbhedlele sikhulu. Which department." Me: "bra...in. Doctor." Lubb: "he's a neurologist?" Me: "operate." Lubb: "surgeon? Oh, oh! Neurosurgeon? Okay." Ben: "what does he do?" Lubb: "he is a brain and nerve surgeon. One of those careers I'm kinda jealous of. Not every Tom, Jack and Billy can do it." Ben: "oh. But why him?" Lubb: "he has that vibe...maybe ufeelisha comfortable ngaye since seyazi situation." he parked at the hospital. Me: "sizothin apha Lubabalo?" my headache was paining. Lubb: "I thought you about to die!! Benny freaked me out! He told me to drive! You asked me for a neurosurgeon to operate. Like I was scared okay? That's why we're here!" Me: "what?" Ben: "wait...you don't remember?" Oh God...please no. Me: "I was in the house..I walked out, ndagabha. I don't know..." I have to remember. Ben: "heee. Well, now that we're here. We can ask ubhuti lo what the fuck just happened. Lihle you were unconscious. And Talking. Something must be wrong." Lubb: "masingene bethuna kuse bsuku." we went inside the hospital.

Dr Lechaba was in theater. Busy with an operation. Lechaba: "can I get the scalpel." he was handed the tool. Doc2: "gun shot wound. 6 bullets in. Will he make it?" Lechaba: "he has to." he took another tool and pulled out the first bullet. Doc2: "Dr Lechaba. He will-" Lechaba: "will you let me do my work in peace? I know what the fuck I'm doing." he continued with surgery. After removing 3 more bullets. Nurse: "bp increasing." Lechaba: "shh." Nurse: "doctor, he's going to go into cardiac arrest. We're losing him!" Dr Lechaba stared at her for a few seconds and continued. Number 4, 5. Lechaba: "when the dawn begins to rise, and the birds start to sing. I will wake and be the man I want to be...." he sang. As he removed the last. He tore a sac. Lechaba: "shit." Doc2: "what!" he tried controlling the internal bleeding. And cleaning the inside. Lechaba: "I have to close up. Now." Doc2: "your orders doc." he handed the needle. Lechaba did the stitching neatly. Lechaba: "sure you left no cotton inside?" he joked. Nurse: "bp regulating." Doc2: "you made me panic." after the operation was done the doctors went to wash their hands and arms, disposing of the used material. Doc2: "you've been in surgery for two days straight. You need to rest." Lechaba: "I've failed, Le Handres. I failed so bad." Doc2: "you've saved 6 lives. Not one of them died. You didn't fail." Lechaba: "you wouldn't understand about the one that didn't make it. The one that could've made the difference." he walked to his office. Surprised to find people waiting outside. I was a bit ashamed to admit that I'm sick. The way I was. Lechaba: "Lihle? Hello!" he smiled as bright as ever. Me: "hey." why was he always in a good mood? Lechaba: "uhm, excuse me if I smell like a butchery." Lubb: "thank God

you noticed." Me: "that's okay." Lechaba stared at Lubabalo wamehla wamenyuka but smiled. Lechaba: "its you again." Lubb: "who were you expecting doctor? Moses or Manu Ginóbili?" Lechaba: "both. Would you like to come inside?" he averted his eyes back to mine. Lubb: "yes please we've been waiting for two-" Lechaba: "not you." as he unlocked his office esancumile and led me inside. Lubb: "did that....did he.....did that nigga just swerve me ???" Ben: "ufana net nawe lamntu. I would die kuhleka if ndihleli nani nobabini. Let it go." Lubb: "noooo. He just fucked up Benny. He did." inside the office, Lechaba pulled me a chair ndahlala phantsi. Me: "I don't like how you spoke to my friend. He's here to help me." Lechaba: "I'm sorry, I just got out of surgery, having people in my business isn't what I need today. I apologize." Me: "okay." Lechaba: "talk to me." Me: "where were you. Yesterday when we were here." Lechaba: "I was busy with an operation from a head on collision. I was the only surgeon on duty." Me: "successful?" Lechaba: "yes I did well thanks." Me: "that's good." Lechaba: "why are you here? I wasn't expecting you." Me: "I don't know why I'm here." Lechaba: "what happened?" Me: "I remember coming out the house, and....throwing up. I was dizzy. My brain just went blank. What if I'm sick? Lubby says I asked for you." Lechaba: "you want me to check ..?" Me: "yes." Lechaba: "before we do a scan, we'll just check for what I possibly think it could be." Me: "a brain tumor?" he smiled sweetly. Lechaba: "no dear, I think you're over stressed. A lot of bad experiences in a short space of time can cause severe head trauma. This is worse than a head on collision. The fact that so much has happened and you have no way of dealing with it, it affects your physical health and mental ability. Sometimes emotional attachments, pushing away people, screaming, hurting others physically. Like when a balloon is too full, any more pressure then it will explode. When your nerve system cannot take anymore, you just shut down. It starts for a few minutes, if it ignored, it will go for hours with you being mentally unaware of what you do." Me: "what?" Lechaba: "how long did you feel asleep? Or blank." Me: "an hour." Lechaba: "how long is the drive from home to here." Me: "30 minutes. So how do we fix it? I don't to hurt abantwana bam or endanger them." Lechaba: "I have a colleague who specializes in this. She's a clinical psychologist. Hold on for me." he took out his phone as it vibrated. Lechaba: "Kgotso." he answered. Caller: "ukai?" Lechaba: "I'm at work. keng?" caller: "I've been tryna call you!" Lechaba: "ke ya spana KG. Watsiba mos.." Caller: "no, you're ignoring me!" Lechaba: "KG, ema!" I heard three beeps. And for the first time since I've known him. Dr Lechaba was finally pissed off. Lechaba: "excuse me." he got up and walked out. Lubb: "dude!" Lechaba: "Ke kopa o ntlohele tu." he snapped. Lubb: "and then?" Ben: "he said leave me alone, its sotho." Lubb: "what is Up with this nigga? Ndimenze ntoni mna?" Ben: "I believe, Uyamdika." 10

minutes later Lechaba came back. Wangena e-ofisin yakhe. He had changed his clothes. Lechaba: "I need you to understand that I'm here for anything you may need. Bongiwe is a great doctor, that's why I'm referring you to her. I'll call her for you." Me: "thank you." he made the call a few minutes later the door opened wangena umntu who's perfume actually caught my sinus. I looked at her. She was wearing a very tight red dress that had a black belt on the waist. Well, I wouldn't recommend i-figure belt kumntu onez'peji. But who the hell am I? Nobody. She wore black heels ephethe file, kunye ne-phone yakhe. She: "doctor Lechaba. " she smiled and blushed. She: "I came as quick as possible. What do you need." Imfao. This guy is a hit. Ndlela Le bendi amused ngayo I had to hold my mouth shut in case a giggle slipped. Lechaba looked at her and gave his brightest smile. This time smacking his lips and rolling his eyes. Lechaba: "thank you for the efficiency Doc. This is a friend of mine." I thought he was talking to me. Lechaba: "Lihle." ndamjonga. Huh? Ms Blush: "nice to meet you Lihle." Lechaba: "Lihle this is my colleague, Bongiwe, I told you about her." I stood up and saw the fire in her eyes. Me: "yes you did, lovely to meet you too Bongiwe." Lechaba: "B, please do assist Lihle, she's having problems." Bongiwe: "with?" *edikiwe* Lechaba explained to her everything, I was so grateful because ke shame ikrarha bendingenayo. Bongiwe: "well, I don't know if I can help Dr Lechaba. If kaloku she's blacking out, that's for you. You're the brain doctor." Lechaba: "the impact is physical yes, but that's not the problem. You're the psychologist." Bongiwe: "right now, I've got appointments till 6 and tomorrow. I'll be available Friday." Lechaba: "Lihle? Friday?" Me: "yeah. That's fine." Bongiwe: "I'll see you then." waguquka wemnka. Me: "she likes you." Lechaba: "what? Nonsense. She's got a boyfriend." Me: "since when did we become friends?" Lechaba: "since you remember my name even when you're unconscious." I'm dealing with yet another nutcase. Lechaba: "Bongiwe is a spectacular doctor, she can help you, for now I'll prescribe you with this. Purblock, for stress relief. Drink One three times a day after meals." Me: "enkosi. Well, let me not keep your wife waiting." Lechaba: "hahaa! I wish. I'll see you on Friday 'kay?" Me: "okay." I walked out.

Lubb: "so? What did he say?" Me: "we'll talk at home you guys, masambeni." we walked to the car. Ben: "what happened endlin Lihle? Before you walked out? Did someone push you? Ubhethekile?" Me: "it felt like it." Lubb: "who did?" Me: "nobody. Just that umama said some pretty hurtful things. Its okay." Ben: "are you sure you're okay? You don't have to pretend." Me: "ugqirha gave me some pills. Ndizoba right. Promise." Benny drove to my father's house. Ufika kwethu, we made some chamomile tea ndatya with some buttered bread. we spoke about what the doctor had said, and my appointment. Ben: "but Lihle, the funeral is on Friday." Lubb: "the

funeral will only be 3 hours max." Me: "my mother won't allow it Lubby, she won't allow the cremation, the sending off to sea, the everything my father wanted." Ben: "if we show her the video, maybe uzovuma." Lubb: "No." Me: "what?" Lubb: "we don't show her the video, the lawyer should." Me: "she was scared of that person Lubabalo ibingathi angawa." Lubb: "that is not our problem. Awuphilanga. You can't run around begging for things. Your father hired that lawyer and kept him for a reason. Let him do his job." Me: "I don't know hey." Ben: "I think that's a great idea Lubabalo. Lihle umamakho won't listen to anything you have to say anyway. Lamntu has an effect on her. Uzom'va ethanda engathandi. Its out of our hands." I just nodded, I didn't like the idea. But right now, I was running out of things that I liked, and time. Ben: "I'll call him ekseni." Lubb: "ndizoyo cela umfundisi ke mna ksasa. Or must I write a letter?" Me: "whichever suits your fancy but doesn't waste time. Thanks for your help." Lubb: "its a pleasure, sela ipilisi uyolala ke. I'll see you in the morning." Me: "are you staying?" Lubb: "no, kodwa Benny will." Me: "okay. Bye." he smiled and walked out making a call. Luks: "bhuti?" he answered. Lubb: "I need to sort this mess now, for good." Luks: "what mess? Where are you?" Lubb: "sivela esbhedlele." Luks: "Come Home damn it!" Lubb: "in about an hour. I have something to sort out." Luks: "okay, do you need me?" Lubb: "ndiya ku Sporo-" Luks: "good luck then." Lubb: "why don't you want to-" Luks: "involve myself with him? He kidnapped my wife esemithi yi last born yam. I don't want to see his face." Lubb: "yethu." Luks: "why are you so interested in him? And why is he so eager to help you? Have you thought about that?" Lubb: "I have, ndiyayazi ufuna something from mna. He's not dumb. And I'm not either, ndiyayazi nto endiyenzayo." Luks: "just do whatever the hell you gotta do and come back home. These kids are screaming! I'm working and cannot take it!" Lubb: "batyile?" Luks: "yes!" Lubb: "its almost 22:00pm. Why bengalelanga?" Luks: "Lubabalo. Come home. You know Abantwana abalali until we're Both home." Lubb: "okay!" he hung up, driving to Sporo's house. He too, was working with Vega in the lounge. Lubb: "knock, knock." Vega: "ngena." Lubby walked in. Lubb: "molweni." Sporo: "sho wele. What's up?" Lubb: "how's the situation in the back?" Sporo: "your situation ntwana yam. Not ours, we have work to do." Vega: "ubuphi sani? Kchange sithi ambophola kaloku." Lubb: "I said I'd pay. How much?" Sporo: "keep your money." they got up and walked out to the back room. They held torches for light. Vega unlocked and opened the door. Lubby walked inside. Lubb: "sweatahgahd yall's testing my faith right?.." Vega: "uthin na wena?" Lubb: "is this some kinda joke?" Sporo: "what is?" he walked in. The shackles had been broken, the chair was empty and the prisoner had disappeared...

Chapter 754

Lubb: "how? Sporo?" Sporo: "fethu, after umfake lanto umfake yona sonke mos siphumile ne? Khangе uthi masizongena apha again. How are we supposed to know."

Lubb: "there doesn't seem to be a broken fucking entry!! Meaning uvulelwe!" Sporo:

"and what about this?" he pointed to the window, pulling the curtain. The window was carved out perfectly. Lubb: "she took him." Vega: "hewethu, he must be dead by now!"

Lubb: "victor brought that injection into the country knowing its side effects and cure!! He is not dumb!"

Vega: "akayo scientist mos. And akanamali. He's dead

Lubabalo! Get over it." Lubb: "nxx!" he stormed out to his car. Driving home.

Lukhanyo was still looking through his work and studying. Luhle: "Tata." she came to

sit next to him. Luks: "hello sthandwa Sam." Luhle: "ambile." Luks: "again baby? yoh.

Sizogqabhuka esisusu." Luhle: "asizi qabuki Tata." Luks: "okay, ufuna nton my angel."

Luhle: "nyama ka Tata." Luks: "hahaaa! Eyam ithen?" Luhle: "imandi." Luks: "oh wow,

heated the meat. Luks: "uphi ubhuti wakho?" Luhle: "uphi?" Luks: "uLuthando."

Luhle: "udlali bambi." Luks: "what?!" Luhle: "ihleli ne Bambi." Luks: "oh my God." he

ran to the bedroom. Both his sons were in the cot. Luthando was asleep, Lubambo

was awake looking up. Luks: "haibo? How in the" he breathed and sat down.

Lukhanyo took out his phone and made a call. "hello?" Luks: "guess what your first

born son just did. Scared the living shit out of me." I sat up quickly, my heart racing.

Me: "what!" Luks: "he was on my bed, I think utsale i-cot ka Lubambo cuz it wasn't

this close and he climbed inside it walala." Me: "ubuphi Lukhanyo! What if he fell and

broke his neck? Worse if Lubambo fell out?" Luks: "I have smart kids. Relax, they're

fine. Ndiyayazi it sounds scary. You were the first person I wanted to call." Me: "you

were scared? Wena?" Luks: "yes. For the second time in my life." if I asked for the

first, it would be a conversation. We didn't need a conversation. Me: "oh, but they're

fine?" Luks: "they're great. Luhle uzondifuna inyama. She says imandi. Where did she

learn that?" Me: "I taught her. Instead of saying mhhh all the time." Luks: "that's

sweet. Wena unjani?" Me: "I'm fine. Just trying to get some sleep. Are you sure

Luthando isn't playing dead." he chuckled. Luks: "trust me, I checked his breathing

twice already, he's okay." Me: "good. I'm just a bit edgy today." Luks: "what

happened?" Me: "a lot. Matter of fact too much, when I was-" Stop. Lihle. What are

you doing? Luks: "hello? Usekhona?" Me: "yeah." Luks: "when you were....?" Me: "I

was just working too hard." Luks: "you shouldn't. Let Lubby do all the work. You

need to rest." Me: "that's not fair." Luks: "oh? And forcing me to run his company is?

He should be doing something useful too." Me: "I won't be doing much. Mama took

over everything anyway. So I guess nguwe naye qha. Basahleli abantwana? I wanna say goodnight." he gave Luhle the phone. Luhle: "mama." Me: "hello my pumpkin. Unjani baby girl?" Luhle: "uphi?" what? 🙄:o Luhle: "uphi maaaaa?" Me: "ndisendlin mntanam. Wena uphi?" Luhle: "iza loku. Tata athatha." Me: "andikwazi love, ndizok'bona ngomso vah?" Luhle: "hayi." she breathed engathi uzoqalisa ukhala. Me: "Luhle, ndiyak'thanda kakhulu kaloku mntanam. Avah? Ndizok'phathela ne chips wena noLutha wakho, noBambi. Siyen nase lwandle-" Luhle: "funi ize gok." she sobbed. Me: "Lukhanyo, please help." Luks: "masiyothatha inyama yakho mntanam, siyolanda umamakho. Iza." Luhle: "ku mama ne?" Luks: "ewe tyi. Siya kuye. Sula nyembezi ezi. Cingi akhale tu mntana ka Ta luks. Bangayowa bonke belila not owam. Xelela umama siyeza." Luhle: "yeza mama." hee hayi nkosi yam uLukhanyo. For the njani kengoku? If I was alone, perhaps. But kukho uBenny lo ungazovumela nekati ingene k'la gate. Luks: "we'll make a plan tomorrow. I'll try and get her to sleep." Me: "thank you." Luks: "night." Me: "bye, thanks for the call." he hung up wiping his daughter's tears looking over the cot at his boys. Luks: "Lubambo kwedin. Phakama siyoty nyama. Iza." Lubambo smiled with his fist in his mouth. Luks: "ndiyathetha. Phakama ume ngenyawo siyotya inyama Le sibukel ibhola." the boy smiled further, kicking his feet up. Luks: "ndik'xwaye kwedin? Iza." he heard the front door smash closed. They all got a fright. Luks: "hlala phantsi Luhle!" he walked out the door and closing it behind him. Luks: "nguban!" he walked to the lounge, then kitchen. Lubabalo was pouring a glass of whiskey. Luks: "dude!" Lubb: "not now." Luks: "you're scaring the kids. Kwenzeke nton! Why you banging my doors like a public toilet!" Lubb: "that bitch!!" Luks: "what bitch now?" Lubb: "she did this!!! Nguye wonke lona! I should've fucking figured it out!" Luks: "I am having a difficult time trying to understand. Who's the bitch? Wenzenton?" Lubb: "Siwe!" he downed his second glass. Luks: "okay. Let me attend to my daughter and son while you calm down. Ndiyabuya." he went to the room. Luks: "baby, where did you run off to?" she appeared behind the cot and ran to cling on him. Luks: "iza siyotya mntanam. He took Lubambo too and they went to the kitchen. Luhle had her chicken drum stick and wing. Lubambo sucked on his bottle. Luks: "so uthi kwenzeke nton?" he rocked the baby. Lubb: "ndiye ku Sporo. We went to the back room. Victor wasn't there." Luks: "how? I thought you injected him." Lubb: "Lukhanyo, I only injected a small dosage to start off. So it works slower. Sporo didn't check. I never asked them too. Siwe organized to take him out!!!" Luks: "how could she have found him!" Lubb: "the same way he always finds me!" Luks: "no, you're loud. Everyone knows where to find you. It couldn't have been Siwe, she's pregnant." Lubb: "that's why I said organized. The window was carved out perfectly, by a professional. He is out there! Breathing and

scathing on this damn earth!" Luks: "hey. You're scaring my kids bro. Turn down." Lubby drank another glass. Luks: "Lubabalo, Victor is either dead or paralyzed. Mute and pathetic. Don't worry yourself noba ufake itontsi. He's gone. Okay? Just relax a bit. For once." Lubb: "Lukhanyo I don't want any bad to happen to my children. All of them. My family. Just...I don't want any other person to suffer for this!" Luks: "they won't. I'm here. To protect this family. Akhonto izokwenzeka apha." Lubb: "and the girls." Luks: "they're in Plettenburg bay. They're safe. Ndise umntu pha, permanently to look after them without the parents being suspicious." Lubb: "you were looking for them?" Luks: "of course I was. They're my girls too. Remember, OUR family. Now stop stressing uyolala. Here's your son. Goodnight." Lubb: "I don't know if I can sleep Lukhanyo. I need to know where he is." Luks: "we'll start tomorrow. For now funeke uyolala. I really need to finish my work. Please, guys." Lubb: "I have a lot to do tomorrow, my head is spinning." Luks: "you drank 6 shots simultaneously. Of course your head is spinning." Lubb: "simultaneously???" You have new vocab? You're really serious about that job, aren't you?" Luks: "mxim. Udom ke xa uthanda. Ucimba xa ulibel uyozimasa izoqhutywa nguban la business? S'phamban apha!" Lubb: "I'm impressed." Luks: "everyone knows simultaneously Lubabalo." Lubb: "but they don't use it in a sentence like you do. It just came naturally. Like water from a river." Luks: "okay stop. Right there. Go." Lubb: "okay. Iza Luhle. let's go bounce off the walls honey." Luks: "thanks." Lubb: "bye." he went to his room with the kids. Lukhanyo sat down and paged through his phone and dialed a number. "boss?" Luks: "uphi Silulamile?" Stuja: "ndise ndlin bhuda." Luks: "why ungazanga kum uzondibona?" Stuja: "uhm....I..." Luks: "need I remind you ndingu bhuti wakho. Why undenza lento Silulamile?" Stuja: "ndiyeza bhuti." Luks: "sisengxakin apha. And I need you to look for someone for me. Khaw'leza." Stuja: "ok bhuti." he dropped the call.

Tuesday morning I woke up with my phone ringing, ndicimba yi alarm qha my question was who set it? As much as I ignored it, a thought crossed my mind it could be Lukhanyo. What if happened to the kids? I picked my head up quickly and answered. Me: "khanyo?" Caller: "hello Lihle." the chills I felt made me shiver. Me: "who is this?" sekhe woyika ilizwi lomntu ude utshiswe nangumchamo? Caller: "This is Lyle, Lihle." Lyle???" Me: "what do you want from me?" Caller: "to talk." Me: "we don't have anything to talk about Lyle." Caller: "don't we? Like punishing the wrong people for your father's death?" my voice got stuck in my throat. Caller: "it wasn't him Lihle. I didn't get the order from him." Me: "who's him?" Caller: "your husband. And you better not tell anyone about our conversation." and the call ended. For a good 10 minutes I sat there contemplating, thinking, understanding, and trying to breath. This guy was playing. Why now? Did Lukhanyo send him? Hayi kodwa that's not his style.

What would happen if I told someone? Ndisahleli ndinjalo ndibala amaqanda. A message came on to my phone. I picked up quickly ndajonga. A photo. A photo of my kids in a stroller. Where was this taken and by whom! The message read. "I meant every word I said." I got out of bed to brush my teeth and wash my face ndasele ndivasa ndabuyela ebhedini kuba kaloku ndixelelwe ba andizokwenza nto. Hopefully, Nono could bring the kids today. There was a knock on my door which startled me. Ben: "Lihle? You awake?" Me: "no." he opened the door and walked in. Ben: "why usese bhedin. Unxiba nin?" Me: "ndiyaphi?" Ben: "we have to get everything in order by Thursday." Me: "ndigxothiwe ngumama. When she needs me she'll call me and I have a feeling it won't be today." Ben: "so you're just giving up?" Me: "namhlanje ndibawela just uhlala nabantwana bam Benny." Ben: "bazoya ecreche abantwana for the day. Its Tuesday." Me: "ufuna ndithini? I don't think ndifuna uzi stressa mna ngumama. She will yell at me all day andenze is'tshozi sakhe. You can go if you want to. I'll be fine." Ben: "sow'mchazele uLubby?" Me: "I'll text him just now. Then ndiyothenga breakfast." Ben: "usure ba ugrand?" I nodded. Ben: "I'll see you later ke." I waved goodbye. Taking my phone I sent Lubby a text. 'Good morning Mr Morrison. If you could kindly join me for breakfast.' He Replied: "Busy." with what? Me: "ngantoni?" cwaka. Yahamba 10 minutes. To 20 and half an hour. Yabetha hour ndilindile and realized that he wasn't going to reply. So I gave him a call. Lubb: "yes?" Me: "did you get my text?" Lubb: "Lihle ndithe ndibusy." he snapped. Me: "oh. K." I hung up ndikhubekile kuphoxwa kwaksasa apha. But that's fine though, I was used to it. I got out of bed, cleaned my room spotless. Got dressed and walked out the house. Ndaya bus stop ndakhwela taxi. My friends were at work, Lindi andimazi necala. I'd left my phone behind. I went to Damian's flat ndafika ekhona. This was weird. He was never in his flat but I was grateful ekhona. Damian: "hey! What are you doing here?" Me: "I'm sorry for dropping unannounced, I just.." "baabe? help me." a woman's voice said. Me: "oh, you've got company. I'll see you another time then." Damian: "I'll call you?" Me: "sure." I took a long walk to Lindi's place. She wasn't home as expected. I didn't even know where Jake lived. So I got to Angelo's at about 12 and had lunch alone. Everyone here was with their someone ndabe ndibambe khandlela lam mna. I ate finished, paid and went out again. Best ndiske ndiye ndlin ku mama ke. As bad as It would be, it beats roaming around here alone. So I got on a taxi back to Motherwell. As soon as I entered. Ma: "uvela phi emini apha Lihle?" Me: "bendi cleana indlu katata mama." I lied. Ma: "kucleane bani apha? Akhobantu mos pha! Sekufika nabantu ngoku." I had no answer to that at all. Like ndibagxothe or start cleaning bekhona? Or what? Me: "uphi uNamhla?" Ma: "use skolweni uNamhla, andithi kaloku wena uyekile? Ncedisa ke sisi." Me: "ndivalile mama." 😞:/ the fuck? I

started at the kitchen ndavasa eza zitya, mopped the floor, ndaphumela kwi room kuba kukho abantu efront. I didn't understand the logic of scones xa kubhujiwe so I'd have to go buy biscuits. I've never done garden in my life and I wasn't starting today. I took some money ndayothenga eShopping center. Ndabuya ndapheka. By evening I just went to sit outside. I had to leave. Yamisa imoto ndisadengile ndibuka inyawo zam. Luks: "hey." he sat next to me. I just suddenly remembered what I'd been trying hard to forget the whole day. "it wasn't him Lihle. I didn't get the order from him." Me: "who's him?" Caller: "your husband. And you better not tell anyone about our conversation." I stood up quickly. Me: "I have to go." Luks: "abantwana?" Me: "batheni?" Luks: "bendizoyobalanda and bring them here." Me: "I don't sleep here. I'm at my dad's house." Luks: "ndizobazisa ke and fetch them ksasa for school." Me: "okay thanks. Bye." I went to fetch my bag, ndayokwazisa endlin ndiyahamba. Luks: "Lithembelihle." Me: "its getting late. I really got to.." Luks: "did I say someth-" I was already down the street rushing to the bus stop. Lubby's SUV stopped phamkwam. Benny was the one driving it still kuba bey'bolekiwe. I wouldn't be surprised if uyay'phiwa. Ben: "uyaphi?" Me: "home." he looked up my street and saw Lukhanyo still standing there confused. Ben: "did he try something?" Me: "nope. Oko ez'mele pha." Ben: "get in." I got in and he drove me home. Ben: "you've been acting very strange today." Me: "you're still following me?" Ben: "not really. You're just....acting strange." Me: "have you seen Lubabalo?" Ben: "yes, just now. He got the pastor. We're still deciding on the venue, whether....." he went on and on and on.. I looked out the window, wishing so bad that I didn't have to do this. Why did he have to die? Why did he leave me behind? I didn't belong here, anywhere here. And I hated it!! Ben: "are you even listening to me?" Me: "yes." I quickly answered without a second thought. Ben: "itheni kuwe lantwana!" Me: "nothing. He didn't say anything." Ben: "because I swear Lihle if he dares-" Me: "can you just stop!!!! He's not bothering You, or Me. Akathethanga nto that is inappropriate! The fuck we supposed to do when it comes to our children? Use sign language? Hayin man tshi!! Andizongathuli xandithanda. Umlomo ngowam. So just leave me alone!" he parked the car outside ndayongena endlin. He just knew right then he wasn't welcome ndava ngemoto isimka. I took the dog in ndapheka ndamphakela and I ate my food ecaleni. I didn't even bother checking my phone. Xaku misa moto phandle I could just tell its the Mazerati. Luhle: "mama!!" she yelled. I went out to the gate. Me: "There's a door." Luks: "ndoyika lanja yakho inkulu." Me: "isendlin." Luks: "hayike ndiphelele aphe motweni." 🤩:vMe: "hey guys." Lutha: "iza mama!" Me: "hlika emotwen uze wena tshi." Lutha: "sambe." Luks: "hlika kwedin uyophuza umamakho." Lutha: "nawe mpa." Luks: "sundiqhela kwedin. Ndithi kuwe hlika." Lutha: "nawe tshi." he mumbled

emjonge ngo s omde. Luks: "Luthando." Lutha: "hm?" Luks: "hlika k'le moto ndingekak'faki is'hlangu." waphakama umntanam ekhubeke enjalo wahlika. I hugged him. Me: "that was not necessary." Luks: "oh? So izokhwela ke. Sihambeni Lihle xa ingekho necessary." Me: "no, you just hurt his feelings." Luks: "with what?" Me: "iza Luhle. Bamba uLutha girl." she held his hand, ndayolanda uLubambo in his seat. He was bubbly and excited as always. I took their bags ndayobafaka endlin bonke. Then went back to the car. Me: "enkosi. They'll be ready by 7." Luks: "ubundibaleka nton emama?" Me: "bendingabaleki qha wanted to get home." Luks: "yamoyika lobhuti wakho ne?" Me: "nah." Luks: "then what's the problem?" Me: "Lukhanyo who is Lyle?" Luks: "we've had this conversation before. And asizophinda siyithethe. Let it go, please? For the sake of our kids." Me: "awufun siphinde sithethe ngayo?" Luks: "damn right." Me: "okay well, for the sake of our kids. He called me today. Goodbye Lukhanyo." ndaguquka uyongen endlin. Luks: "what!! Lihle!!! Cela ubuye! Lihleeee!!!! Damn it woman!!"

Soma stood in the middle of the bedroom. Soma: "Sonwabise. Have you died?" Soso: "leave me alone." Soma: "kuthen usela kangaka nje? What happened?" Soso: "Soma, go to your woman. Uyekane nam please." Soma: "andinok'shiya unje fondin. When I was on drugs you never left me. What's wrong?" Soso: "well, I want you to leave ME." Soma: "ulwile noZoleka?" Soso: "Somangaye man!!" Soma: "ndimfownele ke?" Soso: "no!" Soma: "please talk to me. What did she do?" Soso: "nothing! Ndimlinda enze something so that I have an excuse, but she's soo damn perfect! And I hate myself Soma because...I just..." Soma: "you deserve perfect Soso. You love her, chose her, you have a beautiful daughter with her. Have a great job, flexible hours, Ingxaki iphi?" Soso: "ingxaki is that I miss coming home to take aways. Watch movies all night, drink, dance and fuck. I miss coming home from graveyard shifts esbhedlele and have someone rub my back. Cuddle me, listen to my shit. And I neglected her. I took it all for granted." Soma: "ohhh....so you miss Mandy." Soso: "she doesn't even take my calls. Or reply kwi message zam. I doubted her loyalty kodwa ndim umntu obhanxayo. I promised her, I'd never make her cry like la ex yakhe did. But I did the exact same thing. I lied. I cheated. I broke her heart." Soma: "Soso. You really need to stop drinking." Soso: "its the only way I can deal with my pathetic self. Now I come home unhappy. The kid's always playing. Zoleka always needs a hand with something." Soma: "drowning yourself won't help the fact that you fucked up. Now, what I do know is. You need to grow up and live with the choice you made. Zoleka is being the best woman for you, she does everything for you, the least you can do is appreciate that damn it! Do you know how hard it is ufumana umntu ok'thandayo? Stick to her, take care of your child and leave the past where it is. I know you miss

her, but icacile she's moved on xa engak'phenduli. Let it go and focus on your life. Damn it nigga you smell like a shebeen. Poor Zoleka has to sleep next to this every night and still Not complain. Grow the fuck up bra. Come on." Soso: "Soma you don't underst-" Soma: "oh I understand clearly brother. You need to grow up. Wonwabe ne family oyiphiwe ngu thixo. Get up and take a shower. Ubuyele kumntu wakho." Soso: "uyaphi wena?" Soma: "ndisayothukwa. I forgot to bring the laundry home from the dry cleaners and kuvaliwe ngoku. I didn't take the puppy out the house so he probably shit everywhere. I got to get going." Soso: "okay.." he got up. Soma walked out the door.

Stuja, Mabheka and Lara stood with Lukhanyo outside Ta Seez's house. Luks: "what do you mean you can't find him? Ndik'nikile address mos! Nixakwa yinton? Lincinci kangaka itinara!" Stuja: "Ta luks. Akekho kwabakho pha. The whole house is empty. Mna ndicinga it was just a...distraction house." Luks: "fuck! Lyle said something kuLihle. Something bad. I haven't seen him since la day ndandiye kuye. So I didn't send him, someone else did!! I want to know who! And what! Akafuni uthetha nam lomntana Stuja! Uz'valele k'la ndlu yayazi andingen apha!" Stuja: "kuthen ungangeni?" Luks: "have you seen that dog?" Stuja: "no." Luks: "you don't want to. Indinukisa ibenomsindo instantly. Like it was trained!" Stuja: "so uzothin kehok?" Luks: "Silulamile, I'm thinking. Funeke bekhona ndlela yofumana uLyle." Lara: "bhuti, what if lomntu akasekho kwalapha ebhayi?" Mabheka: "ya. Ndinga lonto nam. If belapha ngesim'fumene Ta." Luks: "nobody disappears without a trace like tha.....fuck!!!!" Stuja: "what!!" Luks: "ooohh shit!!!!!!" he called Lubby. Luks: "please pick up Lubabalo!" it rang to voicemail. Luks: "shit." he stood by the gate. Luks: "Lihle!!!!!! I know you can hear me, so I need you to listen!!" Stuja: "Ta luks, its late-" Luks: "Silulamile, I have made a mess. A huge mess. Victor has disappeared, and so has Lyle. It could only mean one thing. Lyle was the one to take Victor. And wherever they are Silulamile, its boiling. I can't find Lubabalo, I have to find him. I have to understand what Lyle said ku Lihle. Uyay'bona ba lendaba ayina xesha Li early or late?" Stuja: "I understand bhuti ne, but uzombona Lihle ksasa. Masambe, she'll explain eksen kwenzeka ntoni. Maybe udiniwe or usothukile naye." Luks: "okay, but andihambi apha Stuja. And'sathembanga nto ngoku. Ningahamba gents." mabheka: "sho Ta luks." they left him with Stuja. Stuja: "andiyi ndawo." Luks: "Silulamile unonyana. Go home. Abam abantwana balapha. Iya kowakho nawe." Stuja: "uright owam umntana, selele anyways, akho ndawo ndiya kuyo. Is there a way in the back?" Luks: "ha.a. And kukho lanja idlakazayo. Andifun qha kusondele mntu abonwe nguLihle amoyike. I don't want anyone near abantwana bam." Stuja: "okay bhuda. Ndik'phethe." The next morning ndivuke kubhlungu intloko. I barely slept. I went to brush my teeth

and face. Ndasele ndivasa ndiqiba before abantwana bavuke. It was 5:30 anyway. I quickly wore leggings and a baggy t shirt with the number 69 ngasemva. Tiny started pacing around sniffing about and panicking. He needed to get out. Ndayomvulela waphuma phandle. I made lunches, cooked breakfast and heard barking. Tiny ehleli nje uyakhonkhotha. Yet this time he started growling and clinging onto the gate. I got worried. So ndaphuma. Lukhanyo was still parked phandle. Me: "dude!" Luks: "like awunoyibophelela mhlawmbi?" he peeped out the window. Me: "no uyaz'qhaw'la anyway. Why are you here?.." Luks: "ubufuna ndibe here mos Lihle. That's why you left me here!" Me: "no I wanted you to go home. That's why I left you at the gate." Luks: "iyangxola lenja Lihle." Me: "I'll get the kids ready." Luks: "no, let my babies sleep in today. Please. Ndizoya eskolwen sabo or call." oh Thank God! I had prayed he would say that! Bendingafun uyithetha mna ibengathi I'm keeping them from school and stuff. Me: "okay." Luks: "wena uright?" Me: "I'm great. Benny is on his way anyway. we'll be fine." Luks: "I trust this dog. More than lo Benny. Let the dog outside, kungabikhomntu ngenayo." Me: "okay." Luks: "uzondifownela if anything comes up?" Me: "yes." Luks: "promise me." Me: "promise." Luks: "if umbona kqala uLubby-....." he stared at his side mirror, then looked back down the street. Me: "what?" Luks: "how much do you trust lo Benny Lihle?" Me: "uhm...I don't know." Luks: "umqibele nin uLubabalo?" Me: "erh, izolo khandimbone, but uthi uBenny, he did." Luks: "he did, didn't he.... Now where is uLubabalo Lihle?" Me: "you're the one that lives with him Lukhanyo." Luks: "Lihle, something is not right ngo Benny. I want you to be extremely careful, ndiyayazi ba awufun uya ndawo nam and I'm the last person you want to sit with. Kodwa you know, deep down inside I'm the only one you can count on. So, you're going to have to be very alert at all times. Ndizoba around, same time ndifune uLubabalo. But I have to go change my car. Nankuya uStuja umise pha k'landlu yosthathu." Me: "I'm sorry. For doubting you." he looked at his watch and looked back at me. Luks: "I'm sorry for hurting you. Please get inside the house Lithembelihle. My son is awake." he drove away ndayongena endlin. I tried calling Lubabalo. Akaphenduli still. I was just so confused. Thinking ba hewethu, there are moments Benny just disappears for hours, abuye kwakhona. Days alale apha, aphinde alahleke. What I know is Lubabalo is okay, akanoze amenze nto so wherever Lubby was. He was just stressed and angry. I locked the doors ndayojonga Lubambo. Nyani he was awake ebhekabheka. I took him ndamncancisa ndisacinga kwavuka amawele. Lihle: "ekoleni mama." Me: "not today baby. Asiyi." Lutha: "hlala nomama netata ka Lutha ne?" Me: "ewe love." we cuddled in bed for a while. I regretted hinting Lukhanyo about Lyle but was grateful for the extra security. It just kind of slipped. Ndicapkiwa yilento bengafun thetha. Clearly mos akaphilanga kwalo Lyle.

But what if Lyle was lying to me? Kodwa Lukhanyo soze abeke ubom babantwana at risk. Lyle has valuable information. Lyle has the answer. Only Lyle knew what was going through Lyle's mind. Umbuzo wam kengoku. Hypothetically speaking. If Lukhanyo didn't send him, yet he still saw Lyle. Who exactly had he planned to kill?

Chapter 755

3 days later. On Friday morning. Well, let me start by saying. It had been a long week since the Tuesday morning Lukhanyo left. Benny had gone awol. Lubby too. I guess the lawyer had finally reached umama because she'd called me ekhala esithi mandenze lomsebenzi. Being the funeral. The body had been cremated. Transportation organized. The priest had come. The children were with their father kuba ndise busy ngonamhlanje. The day was finally here. So I got dressed in a knee long black dress, did my hair, wore my blazer ndalungisa room yam. Mama arrived with Namhla noThulani and Jeff. Lukhanyo followed shortly with the kids and the pastor. Soon the people would be here. Luks: "knock knock?" he came in the room. Me: "hey." Luks: "ready?" Me: "yep." he fixed my collar. Luks: "uzoba right?" I nodded. The hymn was being sung. Luks: "so instead of ukuya emadlakeni, sizoya kwi river?" Me: "I explained this to you Lukhanyo. 10 times izolo. He wants his ashes pha. Its his favorite place. No church service because utata Waya kabini qha ecawen in his whole life and he never liked it." Luks: "this is new kalok kum. Bendingayazi. Then after that?" Me: "then after that we go home. Mna funeke ndiye kwi therapy session yam yokqala." Luks: "therapy?" Me: "yeah. Masambe." as we went out to the lounge set out the previous day. Besekukho abantu abaninzi. Our seats were in front, so as we walked in everyone was staring. Ta Smig was in the crowd with his shades on. Mama ka Sine and himself were there too. I sat in my chair ndabukela phambili. The pastor started. "Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God." I couldn't hear what he was preaching because my thoughts were just loud. I looked at the picture hung on the wall of my father barely smiling. That was so him. the only smile he wore was when he saw me or the kids. Nomama. Although I'm a bit embarrassed that he had been cheating with her. I didn't know what happened kodwa endiyaziyo was that he didn't break it off with Nosizwe. She was still the fiancée. a hymn was being sung again, I saw Ta Smig ephakama esiya phambili. When he was ready to talk the crowd quieted down. Smig: "Sizwe.." he began. Smig: "I knew uSizwe ufike kwakhe kweli lethu ilizwe. As we all know, he's not of many words.

Ethanda uyozingela. Akhe aziphumze ingqondo with nature. Esona sihlobo sam esabakho kulomhlaba. As much as kuthanda ukuliwa. We never grew out of touch as ba sikhula. Imilingo yomhlaba yazama oko kunako usohlukanisa and it wouldn't be done. Uthixo uyayazi ayenzayo, andali ngokukumka kwakho shlobo Sam. Ndiyathembisa ke kodwa, kwanto owandicelayo ndiyenze, ndizokwenze njalo. Ndiyabulela." he stepped down and went back to his seat kuculwa. As unexpected as it was, the lawyer, Simphiwe arrived. Wama phambili kwethu. Luks: "nguban ke lo?" Me: "I have no idea Lukhanyo." Simphiwe: "I would like to greet everyone that is present with us this Day. Introducing myself as..." ndava ngomama elila. She couldn't do this right now. Not while ndifuna uva uthin lomntu. He paused and stared at her for a very long time. I couldn't tell whether he was annoyed, pissed off or just plain sad. Simphiwe: "ndingu Simphiwe. Ubhuti omdala ka Sizwe." he looked at the floor and back out the door. Simphiwe: "our relationship was more of a private matter to everyone obesazi. It was either me or him. There wasn't a "I know them both". Reasons being, we grew up Differently. In different places. Kodwa there was no doubt engqondwen yam when I first saw my brother that ndiyamthanda. Ndizohlala ndimthanda. Wayeyazi lonto. Afike kum e-ofisin sethukisa ngezenzo zez'tshomi zakhe. Ndibengath andimva. Soqiba kwakhe uyohlala phantsi acele uxolo. Ebezithobile ke kubhuti wakhe. Ene mbeko. Enomonde. He trusted me with his entire life and not nakanye sekhe wazithandabuza. All his wishes, will be true. Both his children, will be taken care of. Ewe babini. And my sincere and deepest condolences are extended to them. Kwanto eniyifunayo bantwana bam, utatomkhul wenu ukhona. I will take care of you. Sibenoxolo, take care of your sister. Lithembelihle, respect your brother. Utata wenu unathanda more than anything in this world. Nihoyane ngamaxesha onke. sis'Thenjiwe, Nosizwe, ndicela uxolo ngokulahlekelwa kwenu. I pray to God, to keep this family bound together and safe at all times. Amen." as he stepped off. the choir started singing again, this time we were moving out the house. I hadn't realized uBenny ebekhona. Or he'd arrived. Lubabalo too. We got into the cars saqhubeni ukuya to the river. I had been holding my tears in all day but realizing now that andiphinde ndimbone utatam brought them out. Silently. Ndimane ngozisula inyembezi. We parked the cars in a distance sahlikeni and walked down to the river. As the video I was shown. Father said he wanted to be let off at sea. Simphiwe decided on this private river. Me: "Words cannot explain, how much you mean to me. Nothing could ever compare or even ever be. You're my dad, not my own but my only. You're my leaning post. Although I love my family, you're the one I love most. I'm not going to say good-bye, or that I can't go on. I'll say I love you, and see you later, even though you're gone." Simphiwe: "Benny?" Benny

shook his head and set the ashes on a small white board with flowers besides. Benny took it to the water and paused while he was squatting. He stared at his father's ashes. Then let go. Psalm 23 was being hummed in the background and I just couldn't. I was emotional and standing alone. There was a large tree ecaleni. Simphiwe held my hand and took me to it. Simphiwe: "uSizwe ebethanda uzohlala apha. This is where he kept his memoirs." he removed some rocks wakhupha box. There were letters, drawings. Simphiwe: "usayikhumbula Lena?" I shook my head, wiping my eyes. Simphiwe: "you were only four." Me: "why apha?" Simphiwe: "it was his favorite place to be. Calm weather. Peaceful. Secret." I bent down and checked the letters. Most of them addressed to me. Some to Benny. Simphiwe: "take it home." I looked through them. Me: "this one belongs to you." he took it, a bit surprised. Me: "did you know he wrote these?" he shook his head. Simphiwe: "I thought it was just pictures." I started walking back and noticed Lubby was left behind the river yedwa. Staring ahead. I continued walking to the car because I wasn't sure if he wanted me near him kuba kalok he'd been ignoring me half the week. I was driven back home staring at the box full of letters and opened one. "my beautiful baby girl." it immediately brought tears to my eyes ndayfaka emphokothweni.

When I got home, mama and her church people were having tea and biscuits kuthetwa ndavasa izandla. I had to get out of this scene. This scene of sympathy and pity. I didn't want to hear "I'm so sorry" it wouldn't bring him back!! If there was anything in this world I wanted, dear God, it would be my father. I sat in my bedroom and for the first time today I actually sobbed. Long and hard, holding on to my pillow. In a very long while ndava umnyango evuleka. I didn't bother looking because from his cologne I could tell whom it was. I wiped my tears and sniffed. Trying to stop myself from crying. He sat on my bed and I heard a little fart then giggles. Luks: "no baby stop. Shhh" I opened my eyes ndambona ephethe uLubambo. Luks: "thought he would be the one to cheer you up. Unjani?" I sat up straight taking my baby. Me: "I'm fine. Where are my twins?" I fixed my voice. Luks: "badlala phandle with uChuma and Junior. Bajongwe ngu Sbosh, Mandy and your other friend. Bayakubuza uphi." Me: "you didn't tell them, did you?" Luks: "yes, sometimes my selfishness works in your favor." Me: "don't you mean obsession?" he smiled. Luks: "awufun amanzi? Juice? Tea?" Me: "no." Luks: "you have to eat Lihle. Its been 3 days." Me: "why are you so concerned?" Luks: "I'm sorry but I won't let this happen-" Me: "Lukhanyo just let me be. Please." Luks: "at least amanzi ke." I was a bit thirsty. He got up and went to the kitchen. I waited with Lubambo who was looking at his personal space qha kuvalekile and akandlela yongena. Me: "ulambile boy?" he sucked on his fist instead not that I was expecting a response. Lukhanyo came back with Valpre

water and a glass. Me: "besetyile?" Luks: "not yet." Me: "enkosi. Have you heard anything? Have you found Lyle?" he looked down at the floor for a moment and shook his head. Luks: "he disappeared with Victor. We're not sure how." Me: "what do you mean with Victor? Bengekhokuni uVictor kanti?" Luks: "Lubby found the place empty. Ukhutshiwe. But I keep telling him la injection works quick. He's not alive wherever he is." Me: "he might be." Luks: "utsho njani Lihle? Why are you guys so paranoid. Our focus should be on finding Lyle and keeping track of him since ungafun und'chazela ukuba utheni kuwe." Me: "Lukhanyo, the doctor gave me something. It was research. He is able to either reverse the drug or cure it, provided that the patient is diagnosed on time and the dosage wasn't over a certain limit." Luks: "what?" he hissed. Me: "he was going to try it kutata but he...said it was too late." Luks: "give me this doctor's number." Me: "I don't have it." Luks: "Lihle, this person is working with these people! There is by no damn way he could come up with that research in a day. He is the one treating lo Victor." Me: "okay, Say if you're right Lukhanyo. Is it really worth barging into his office and strangling him for answers?" Luks: "ufuna sithini Lihle when our lives are at risk by a psychopath? Who'd do anything to live. And make our lives hell!" Me: "I will do it. I'll see what information I can get out of him." Luks: "I can't let you do that." Me: "yes you will. I'm calmer than you. Qumba wonene Lukhanyo, I've got an appointment there anyway." he breathed and looked out the window brooding. I stood up from the bed. Luks: "okay." Me: "okay?" Luks: "just be careful please." Lubambo started to cry, now he was officially hungry. Luks stood closely behind me making funny faces until the baby giggled. Me: "cel undincede ngo zip." Luks: "I don't want you involved in any way kwizinto ezi risky Lihle. This is my job. To protect wena and these kids. So ndicela uyi'droppe Le attitude." he zipped down the dress and with his free hand cupped his son's small head. Me: "Lukhanyo, who did you send Lyle to kill." Lubambo was just beginning to bounce in my arms eleqisa efuna ubaku Lukhanyo. His father kissed his forehead. Luks: "I was trying to protect my family." Me: "Lukhanyo." Luks: "Lihle...please don't." Me: "he said to me it wasn't my father. That I shouldn't punish the wrong person for his death, so my question is, why are you taking the blame if you didn't do it? Who did you want to kill? Me?" Luks: "No. I would never do that to you." Yet you've tried my nigga, how is this far fetched? He would never tell me the truth. Luks: "ndizom'fumana uLyle. Consequences will take place. You just need to trust me qha, you know I'd never turn my back on you." I sat down and fed Lubambo ibele lakhe. Luks: "appointment yanton Le unayo?" Me: "just therapy." Luks: "will you be okay?" I nodded. He opened my cupboard. Luks: "uzonxiba nton?" Me: "no, its okay. I'll do it." Luks: "okay, I'll be outside if you need me." waphuma. My face probably

looked like shit kukhala. Then again, I really didn't care. After burping the boy I put him down and went to look for something to wear. Taking out various dresses. I didn't feel like being outside but I'd made this appointment knowing very well ndizobe ndiphuma emngcwabeni. Lukhanyo walked back in ephethe phone yakhe. Luks: "I have a plan." Me: "for what?" Luks: "how you address the subject kulo doctor." Me: "really? What?" Luks: "just get him to the lift. I'll do the rest." Lift? Why? Luks: "andikak'bon unxibe Lena." he picked up the dress endinika waphuma wemka. I got dressed ndavasa ubuso. Luks: "done?" he knocked. Me: "ewe cela undithathele Lubambo. He's sleeping." he took his son. Luks: "buzz me ufika kwakho kula office. Awufun thatha imoto?" Me: "okay. I'll be fine, Thanks." I walked out ndathi chuu ukuya estopin. Benny and Lubby had again disappeared...

Dr Lechaba sat in his office working through his research. Bongwiwe walked in. Lechaba: "hey sweetness." B: "Remy, who was that girl and what does she want?" Lechaba: "and 3 days later you finally talk to me. I told you B. She's a friend and needs help." B: "that's it?" Lechaba: "get your ass over here. I wanna tell you something." she sat on his lap. Lechaba: "you look beautiful." she smiled. B: "I'm still mad at you for standing me up." Lechaba: "I was busy with this babe. I promise I'll make it up to you." B: "tonight?" Lechaba: "hmm....tomorrow. Tonight the boys are coming over to watch soccer." B: "the boys?" Lechaba: "yeah. Tell you what...tomorrow night, I'll make you feel real special I promise you. You're my princess." B: "yet you introduced me as a colleague." Lechaba: "I was trying to keep things professional. Forgive me. Please?" B: "fine. So what time is she arriving?" Lechaba: "probably soon. I'll tell you when she's here." B: "I'll wait. I don't have any patients today." Lechaba: "haha, I'm working." B: "work can wait too." Lechaba: "erh excuse you? So you can plush your red lipstick all over me? Noope." B: "why not? Tryna look hot for your friend?" Lechaba: "she has a boyfriend. I have.... you. Just trust yourself. Okay? I'll call you when she's here." he kissed her cheek. B: "alright." Bongwiwe got up and left. Dr Lechaba sighed in relief. An hour later, I walked in the hospital building. I'd worn the beige bandage dress and nude pumps. My face and eyes were puffy and I figured make up wouldn't do much for me. So I wore shades. I knocked on the office door, he yelled for me to come in. I walked in the office, 3 other males were sitting around Dr Lechaba. They were having lunch. I'd disrupted a heavy conversation from the confused looks I got. I wasn't welcome here. Me: "uhm, good morning, I could come back another time-" Lechaba: "NO. I'm already done." watsho ephakama. Lechaba: "thanks for lunch guys." Guy1: "are you serious?" engathi uyadikwa. Lechaba: "yes, I have an appointment with this lady, so if you may." Guy2: "who's this?" Lechaba: "this is Lihle, Lihle these are my other colleagues, Dr Frank Shepard, Dr Junaid Michaels,

Dr Kyle Bernard." Me: "nice to meet you." Frank: "nice to meet you too." they got up and said their goodbyes baphuma. Me: "sorry for disturbing your lunch." Lechaba: "not a problem. How are you today?" Me: "not good." he pulled out a chair for me by his desk ndahlala phantsi. Lechaba: "can I make you something?" I shook my head. Me: "I can't keep anything down." Lechaba: "are you pregnant?" Me: "No. I'm on contraceptives. I just don't have much of an appetite." Lechaba: "oh good. So what's the problem?" Me: "it was my father's funeral today. Thank God it didn't drag on long because I couldn't take it." Lechaba: "I'm sorry to hear that Lihle, are you still having the black outs?" Me: "not recently. But I still can't eat and barely sleep." Lechaba: "do you take the pills I gave you?" Me: "yes." Lechaba: "you need to eat. To get the pills working proper." Me: "can I start with the appointment? Will you take me down to her?" Lechaba: "yes but she's still a bit busy at the moment, so you can wait here." Me: "Oh. Ok." I stared at my hands ndine ndawana edikiweyo because I thought she didn't have any other appointments today and this guy is starting to work too now I was beginning to think again. Lechaba: "you said you had kids." without moving any other part of me, my eyes looked up at him. Me: "yes." Lechaba: "how many?" Me: "why?" Lechaba: "just curious." Me: "3." Lechaba: "so you work out?" Me: "no, I'm just always stressed and either beaten around or yelled at so that's why I'm slender if that's what you're asking." he stopped typing for a while engandijonganga. Lechaba: "I'm sorry. I didn't mean to sound-" Me: "its fine." Lechaba: "but you're not slender. Despite the stress and everything else, you still look, gorgeous." I didn't reply because I just didn't want to. His phone rang waphendula. I buzzed Luks quick. Lechaba: "yes she's here.....I'll bring her over to your office.....no I don't mind.....oh?.....I'll be there in 5." he hung up. Lechaba: "she's ready for you." I got up and walked to the door he opened it for me saphuma. Me: "can we take the lift?" Lechaba: "that's fine too." We walked down the passage sayongena kwi lift. Lechaba: "is he the father." Me: "Lubby? No." Lechaba: "oh thank God for you. I can't imagine being tied to that one for more than 10 seconds." Me: "maybe you're the problem then doc." he smiled, turning to look at me. Lechaba: "am I?" the lift stopped abruptly kwamnyama. I waited for the doors to open and no. Me: "what's going on?" Lukhanyo didn't tell me about this! Lechaba: "don't worry, we have generators, if its load shedding izolyta in a few seconds." Me: "Isn't it supposed to be on already?" I panicked. Ingawi thixo wam lelift. Lechaba: "just calm down." we waited. Yadlula 5 minutes. Yemka 10. Yabhabha i-20. Lechaba: "or the actual lift is broken." Me: "only NOW you mention it!!!!" I yelled ndinomsindo we-fake. Lechaba: "how was I suppos-" Me: "its your damn workplace!!!!" I hissed. Bendisiyaphi bawo wam! Because a part of me was a bit shaky. Lechaba: "but I'm not the electrician or care taker though." Me: "you might as well

be." I mumbled taking out my phone. Me: "do you know a number we can contact to get us out?" Lechaba: "I don't know, since I should be a care taker." he sneered. I tried contacting the reception, but it didn't go through. Me: "does it get any worse?" Lechaba: "I could think of a way to pass time." Me: "right now, don't talk to me." Lechaba: "can I sing?" God please. No. Lechaba: "its the only way I can calm down. I'm claustrophobic and nyctophobic." Me: "do what makes you happy Lechaba. Seriously." he really started humming. But this was my only chance. Me: "why did you start that research?" Lechaba: "it was interesting. I started it 2 years ago and traveled up to Russia for it." Me: "but why?" Lechaba: "I read this up on the internet that its what was used to execute people in the past." Me: "that's it?" Lechaba: "yes. There has only been one case of it here in Eastern Cape, your father. If only I'd been able to see him on time but its illegal in South Africa so unlikely to happen again." Me: "so now what's next?" Lechaba: "what's next is I stop. There was a woman who was very interested in it, she offered to buy it but I declined. She seemed very suspicious as though she'd use it for a greater purpose." Me: "she offered to buy your research? What was her name?" Lechaba: "yeah. something like Jeanette Williams or Wikkings I don't remember clearly." Me: "when?" Lechaba: "why are you so curious?" Me: "tell me." Lechaba: "last week Tuesday." I stood in my corner and decided to mentally save this. Jeanette Williams/Wikkings. thankfully wayeka uthetha uLechaba for once in his life. In a few minutes the lights inside lit up, and the doors opened. Thank you Jesus! we walked down the passage to an office he knocked on the door. Me: "do you know anything else about her?" Lechaba: "not really but I can find out for you if you want." Me: "and what's this gonna cost me?" Lechaba: "nothing." riigghht. He knocked again. Trying the door but it was locked. In a while wavuleka umnyango and a tall guy stood there. B: "we'll talk again on your next appointment sir, thank you." why was the door locked? And why was Dr Lechaba sour faced? B: "afternoon. I thought you said 5 minutes." Lechaba: "we got delayed by other matters. Lihle, please come to me when you're done." I nodded. Lechaba: "and this time take the stairs." he smiled and walked away looking all pissed off. B: "ngena." I went inside her big office. It was stylish and beautiful. B: "ungahlala." Me: "do you mind the aircon? Its a bit chilly." B: "yeah. I do. Its hot from this side." of course you do bitch. Ndimenze ntoni mna? Mxim. I had a psychologist of my own. Shaun. He wouldn't mind seeing me and talking to me about whatever it is that I should be letting out. This girl right here just did not like me. B: "so, what exactly is it that bothers you? From the black outs, do you remember what happens before it?" Me: "it was only one black out. I was talking to my mother, and I walked out of the house feeling dizzy." B: "are you sure khange ugileke ndaweni? That made you unconscious for a while." Me:

"yes I'm sure." B: "yeah but you must have bumped into a wall to get that kind of reaction, being dizzy and passing out doesn't just happen unless you have been starving yourself or you're pregnant or you bumped into something." Me: "I haven't been starving myself, I haven't been having sex, and I haven't bumped into anything except a month ago." B: "exactly. Did you bump your head?" Me: "yes." B: "why?" Me: "I was in jail, fighting." she looked up at me esothukile. B: "did you get to hospital?" Me: "I spent 2 days at the hospital." B: "it could be that you're experiencing long term effects from the bump, did you take x rays?" I shook my head. B: "Dr Lechaba can organize an x ray, so you can check if there isn't internal damage to you or your mental health. If There's anything else that could be bothering you-" I shook my head. B: "I can't help you Lihle if you don't want me to." I don't. B: "have you been experiencing back pains, neck pains, headaches?" Me: "only headaches." B: "yeah, you're going to need an x ray." Me: "ok. So we're done?" she just looked at me. B: "are you in a hurry?" Me: "yes." no I wasn't. I just wanted to get back home and bury myself under my blankets. This day was getting more and more unbearable. B: "right. Please give this to Lechaba. I'll book you for another appointment next week so we can sit and have a chat." urrrrggh 😞_- Me: "thank you." I got up taking the paper ndaphuma ukuya back to Lechaba. I found him in the corridor encokola nomnye umfana. So I waited in a distance. Emven kwe possibly 5 minutes of me staring at a painting, I glanced at them again ubhuti endijongile. Not Lechaba. The other guy. Him: "do I know you?" Me: "no." Him: "why do you look so familiar?" the look on his face showed fear rather than interest. Him: "what's your name?" Lechaba looked at me raising an eye brow. Me: "Lihle." this guy looked at doc and back at me. Him: "man. I know you." I have never seen him in my life. Me: "good for you. Doc, I'm ready to go." Lechaba: "please give me a minute." he continued to talk nalomfanana. Lechaba: "look, I'm not interested in any way sir. If you may kindly stop contacting me please. This is not a joke. I'm not going to risk my career for your little science experiments. If you want a spinal surgeon, search for one. I'm not. Are we clear?" the guy walked away. Lechaba: "Lihle." we went into the office. Me: "what was that about?" Lechaba: "he's looking for a spinal surgeon, kuba tshom yakhe is either paralyzed or broke his back or some shit. But he wants me to take a look." Me: "and?" Lechaba: "I don't do petty projects. I'm only employed by this hospital. How did your therapy session go." Me: "she gave me this, uthi ndinike wena." he read the note. Lechaba: "this is not necessary." Me: "the x ray? Why?" Lechaba: "because you haven't been having continuous problems meaning you're under stress or traumatized by certain events." Me: "doctor, thank you for your help. A lot. Maybe if I just go home and take things slow perhaps." Lechaba: "are you sure?" Me: "yes. Thanks." Lechaba:

"okay. Well...I guess I won't be seeing you again. I really hope you get better and if you don't. My door will be open." Me: "thanks." I got up and walked to the door. Finally going home. Ndayokhwela. I got to Motherwell because that's where everyone went. Kusekho a few cars. I went inside the house. Ma: "Lihle." I stopped to attend to her. Me: "ewe mama?" ma: "zinton ezii uzenzayo? Uhamba njani kukho umphanga?!" Me: "I had an appointment kugqirha mama." Ma: "andikhathal noba bus'yaphi na kodwa irongo lento uyenzayo! Ayikho ayifuneki nto yongakwaz uziphatha. I took off my shoes. Luks: "how did it go?" Me: "I think I did really bad." Luks: "njani? Its just therapy." Me: "I don't want that woman knowing my private life!" I sat on the bed. Luks: "so ufuna enye therapist?" Me: "maybe." Luks: "okay. What happened?" Me: "I don't want to talk about it Lukhanyo. I just want to be alone." Luks: "look, I know andingo Thixo and I can't fix anything or make you happy. Although ndifuna, you won't let me. So at least talk to me. Noba ke undithukile, I just...ndiyay'capkela into yok'bona unje." Me: "I just wish I could go. And be by myself." Luks: "then take the car and leave Lihle. There is no way you can be alone apha. Uzophazanyiswa oko." Me: "Ndiphinde ndithukwe ngumama?" Luks: "ndizothetha nomamakho." Me: "please don't. Uyamazi she'll be excited and think we're together. Just...myeke qha." Luks: "okay." chuma got off his lap wazohlala kum. Chuma: "molo mama." Me: "molo sthandwa, unjani?" Chuma: "I'm fine." he hugged me, wandinika nephone ka Lukhanyo. Luks: "hayi hey! Kwedin!" Me: "what? You got nudes? Khaze ndibone." Luks: "Lihle!" Me: "ndiyinikwe ngunyana nje." Luks: "ninje ke xanidibene. Iza nalo phone Chumani." Chuma: "hayi Tata uthe uTeacher xa ufuna into uthi please uzonikwa. Uthi thank you qiba kwakho." the look on his face was beyond funny. Luks: "Chumani." Chuma: "Tata?" Luks: "buya nephone yam." Chuma: "mama. Cela uxelele utata lento ndiy'thethayo andaz noba akandiva okanye ungu I don't care na." I just laughed. This child right here. 😊:v his father wasn't at all happy. Luks: "ngoba?" Chuma: "heee utata. Ndimngaka kaloku mna andikwazi ucela uxolo ndingamenzi nto umntu." Luks: "oh? So ndimenze nton?" Chuma got off me and ran to him wayom'hlebeleni. He accessed the cameras, then shut down the elevator using our newest system." Me: "you use your business for illegal things?" Luks: "hayi kengoku. I was just testing it. It worked right? you're okay?" Me: "I'm fine." I told him what Dr Lechaba told me. Luks: "I'll do the search for elogama. Thank you for your help." I got on the bed next to the kids. Luks: "what did this guy look like?" Me: "a bit shorter than you. He's colored with a perfect English accent, hoarse voice. With a little tattoo showing just a little on his neck." Luks: "and a crooked smile?" the look on his face showed extreme Anger ndacimba inoba ndim perhaps ndenze nton ngoku? Me: "how did you know?" Luks: "Lihle. You just met Lyle." ...

Chapter 756

On Saturday morning. I woke up with my children sayovasa sonke sabuyela ebhedin. Mama was really hurt ngalento katata and I for one couldn't comfort her anymore than I could do myself. Someone whom I know might lift up my faith was umama ka Sine. No matter what, she'd be happy to see me and I felt rather guilty for not being with her izolo oko ndiz'valele eroomin ndimqibele by the river. Namhla came into my room notatakhe. Yes uncle Jongi was here too for the funeral but was leaving

again tomorrow. Jongi: "mntanam." Me: "molweni malume." jongi: "uziva njani namhlanje?" Me: "ndibetere malume." I acted strong as hell. Jongi: "kuzolunga mntanam subana worry wena. Usekhona umalume nomamakho." as he drank his cup of tea. Jongi: "khaw'tsho ke wethu, nguban la bhuti wayizolo?" Me: "omphi malume?" Jongi: "uSimpfiwe. Uvelaphi sezothetha ngqimbilili. Lonto uyafihla umamakho, ebezotsho nin perhaps?" I chuckled. Me: "andimazi ke malume. Nto endiyaziyo mna ndafika apha endlin kukho imoto eme phandle, sathetha nges'ngcwabo sika Tata. Zange lobhuti athi kum ungu brother ka Tata." Jongi: "hayi lonto niyazenza izinto notatakho. Utheth'ba kengoku xa ufuna ingcwaba lakhe uzokwenza njani?" Me: "well malume, we made a memorial stone for him instead. Kula ndawo yakhe ayithandayo. It will serve as ingcwaba." Jongi: "yava ke pha! Hayi ningabelungu shame shuu. Aw'phind und've ndithetha." he took another sip. Jongi: "namhla ntombi yam. Undincede ungandingcwabi ecamk'wabant endingazange ndababona. Uzaz iz'thonzela ngothand uthetha." I giggled. Namhla: "hayi Tata. Nawe ufuna utshiswa ngoku?" Jongi: "ha.a suyileqa. Khandithetha ngamzimba ndithe qha ngand'bek ecamkwa bantu abathandu thetha." Me: "uzoncokola nabo nje." Jongi: "xa kaloku kusithwa rest in peace, kuthiwa lala ngoxolo ungaphazanyiswa mntu, Le ke uyenzele uyihlo ngu rest in peace manyani. Otherwise, eyoba mandincokoliswe ndisazam ukufa ay'kabiyo." namhla: "hayi njani Tata?" Jongi: "uyay'buz ipotyotyoty xa uthanda." Uncle Jongi was trying to make the situation light by joking about it as he does with everything else so I didn't mind. What I did want though was to go see umama ka sine. Me: "malume, kuzofuneka ndilinde xesha elingakanani for uhamba?" Jongi: "uhamba uyaphi mntanam." Me: "ndifun uyovizitela umaka sine." Jongi: "ubanjwe ngey'phi ngalo mntanam.." Me: "uthi umama andikwazi uhamba kukho umphanga endlin kuba izolo bendiye kwa gqirha emini. Wandingxolisa." Jongi: "ukuba besingcwaba uLukhanyo Mzinyathi, ubuzofuneka ulapha endlin. Ayithethi lonto ubalibanjwa, kodwa awuhambel ulonwabo. But as ba usiya kwa gqirha, after uphelile umngcwabo andibon ntwi rongo. Umamakho uphethwe sistress wethu Lihle, sum'hoya." namhla: "ubuyothin kwa gqirha?" Me: "the doctor wanted to send me to a psychologist, yena psychologist ifuna ndenziwe x ray." Jongi: "why?" Me: "There's a time bendikhe nda-unconscious, talking ndasiwa kwa gqirha but I couldn't remember anything. He said it wasn't as serious yet." Jongi: "YET? So izomane ngonyukela ide ibe serious. Ifana nale cancer yam yedolo." I chuckled. Jongi: "afunekanga uyeke mntanam lento. Yi-must enkulu ba mawuqondisise kanti ingxaki iphi." Namhla: "yeah, kufuneke ubone omnye udoctor Lihle for a second or third opinion." Me: "I will, just not now. Okwangoku, There's a lot going on and I want to take things one step at a time." Jongi: "that's good sisi, khame ke ndinishiye." he got up and left.

Namhla: "well." I flopped back into bed ndigodola. She came in the blankets too.

Namhla: "Lukhanyo. What's up?" Me: "why?" Namhla: "the way you were close izolo. Bendibambe amazinyo utata angaphambani. So...you decided to..." Me: "no. We're just sorting family stuff out." Namhla: "like what? Are you thinki-" Me: "no!" Namhla: "then what is it Lihle? Kuthen undifihlela? Azange wandifihlela." Me: "I can't tell you this one. Its just that, we're not together, we're not thinking of it, its not happening. Qha we just plan our kids' day and or week. Nothing else. Plus Lukhanyo une girlfriend yakhe. So relax." Namhla: "Oh." Me: "don't sound too happy!" Namhla: "but uright though? Seriously don't BS me." Me: "no I'm not namhla. Every second of every minute ndicinga utatam. I try so hard to do anything else but andikwazi. I'm not just broken. Kubhlungu nyani. But I know he wouldn't want me to be upset, he would do anything to make me smile." Namhla: "ewe and even though he isn't here physically. Spiritually he is, and is watching over you. Ensuring your happiness and keeping you safe. So smile. And be happy of all the moments you spent with him." Me: "thanks Namhla." Lutha: "mama?" Me: "hello boy." Lutha: "Lambile." Namhla: "I'll make him something. Ubuya nin uChuma? Umke apha ekhala esithi akafun uhamba yena." Me: "ndithe makabuyiswe ksasa. Yamaz tatakhe mos ngoba stubborn." Namhla: "shame. Don't you think maybe you should talk to the children?" Me: "they're 2, namhla. Chumani ke yena ndingathetha naye." Namhla: "you'll be surprised actually. Unless you have intentions of ubuyela kuLukhanyo." Me: "I don't." Namhla: "then prepare your kids. Okanye uzobuzwa qho kuthen unghlali kutata, they're getting older. Bazobona kwi friends zabo ba mommy and daddy stay together bazofuna nabo. Izobakhubekisa ke in the long run." Me: "Namhla, I would like to focus on one thing at a time. like ndibuyela eskolweni soon, and mourning my father. Enye nenyane can wait." Namhla: "okay. That's fine then." Me: "uphi uThulani?" Namhla: "usembezini. Sorting things out zobuya late." Me: "have you seen Lubabalo or Benny?" Namhla: "not since izolo late, Lubby behlel noLukhanyo, then he left. I think they were arguing about something. Yamaz mos Ta Luks uhlel ene anger. So maybe its nothing." Namhla: "so how about unxibe, sikwenze intloko uyobona umaka Sine. Maybe aphe ndlelen sidibane nomntu." Me: "yeah, I don't think ndifuna udibana nomntu." not since the Lyle surprise. Namhla: "not even Mandy and Sbosh? They're worried." Me: "I just prefer being alone. Ndizobabona. Soon. I promise." my phone rang. Wayitakela uNamhla and swiped the screen with her finger wayifaka ku loud speaker. Me: "seriously?" Luks: "good morning." his husky voice interrupted. Luks: "yinton Li-serious?" Me: "noth-" Luhle: "Tata!!!!!!!" she screamed. Luks: "Lihle." Me: "hm?" Luks: "ndicel ufake lo phone ku handset.." Lutha: "Tata Uphi!" Me: "akuse nzima." Luks: "ndise ndlin boy.." Lutha: "uza nini?" Luks: "ndiyeza." Luhle: "thatha

This is not the time." Namhla: "uxolo ntombi." I got up and started with the kids ubanxibisa. Luthando wore his denim dungarees, (Le sithi thhina ngu sounda ngesxhosa) ne vest emhlophe ngaphantsi. Luhle's one was short. Banxiba takkie zabo and Panama ezi white. Lubambo wore a white vest with blue stripes and shorts eyakhe Panama yile i-navy. I wore white high waist jeggings and a black leather corset. Namhla: "Jizas." Me: "stop." Namhla: "izass though." Me: "ndiyow'faki lokhwe ke mna." Namhla: "hayi sudika. Umhle mntase." Me: "is it appropriate?" Namhla: "khayeke ubangu makhulu Lihle! Tshi. Awuzonxiba wedge?" Me: "no." Namhla: "yinxibe mntase, okanye the white LV boot, okanye ela Riva Le heel. Please mtshana." Me: "why is this so important?" Namhla: "because its been a year ungaz'nxibisi njenge cherrie! Oko uzenza umakhulu. Khazothuse man nawe." ndanxiba ke platform wedge yam emnyama ye suede. Namhla: "iza ndikwenzi ntloko. I puffed my perfume and she brushed my hair. Namhla: "make up?" Me: "no." Namhla: "baaabe." Me: "namhla, you just won't understand. Its not that easy. If I'm to go, then I'll do things my way." Namhla: "okay." my phone rang again yabe ingu tatu' Lukhanyo. Probably outside and panicking. Me: "if you see Benny noLubby ndicela ubaxelele either of them please call me." Namhla: "I will." I took jerseys for the kids and myself. Changing bag yaka Lubambo and his carrier. We went to the car Lukhanyo elungisa backseat yakhe and shame the car was two doors so he was in a struggle. Luhle: "Tata!!" she threw herself at him. Luks: "hello nontombi. Nguwe lo unuka kamandi. Awuse hot sana." Luhle: "heee." Luks: "khaxelel umamakho akhaw'leze ke." Me: "already behind you." he came out ngomva wajika wathatha ubaby putting him safely in his seat. The kids went in the back too. Walungisa ke passenger seat pressing the button to put it back in its place. Luks: "there we go." I came back to the car. He looked at me from head to toe and smiled ejonge caleni. Luks: "Mrs Mzinyathi. You never disappoint." Me: "thank you Mr Mzinyathi." ndakhwela emotweni. He closed my door and went to his engathi uphiwa ilekese kwa cadbury. We drove to Walmer park ndiphethene ne-phone yam. Luks: "so I've been appointed acting CEO." Me: "nyan." Luks: "yeah, kusenzima but I'm getting there." Me: "nice." Luks: "I decided ndizoqalisa funda. A short course. Ndibenokwazi into endiyenzayo." Me: "good luck." he'd said this since

we were married and never did it. I wasn't holding my breath, I so wish he would disappoint me and actually do it bonanje. Luks: "kuthen ngathi awunamdla wam?" Me: "hm?" Luks: "hayi ke xa cac'ba ndisisporho."

When we arrived in Walmer. Me: "ndicela siqale kwa Wimpy abantwana abekatyi." Luks: "Lubambo yena? Don't tell me uzokhupha ibele phakath kwabantu." Me: "oh thanks for the idea Lukhanyo." Luks: "awund'mamelanga mos ndithetha nawe!" Me: "ushoutela nton?" Luks: "andiphath phone xa uthetha mna." Me: "so uzoqumba kengoku?" Luhle: "izoqumb utata." we got out the car. Ndaz'xelel ntok'ba ndizoba ngu MEM oli lady qithi. Umntu makafunqule usana lwakhe. Hayi shame he took his son, I held my twins, and we took a walk to have some breakfast. Lukhanyo wayoqala uthenga purity for Lubambo kwa checkers. I, for one very much doubt Lubambo uzoy'funa lo purity. But hey. They came back to join us. Luks: "wena awutyi?" I ordered just salad and juice. Luks: "sorry sisi? Please scratch that, she'll have the same breakfast as mine. Akhomntu uzotyama qabi apha. Sisgezo mos eso. Und'phathele ne Heineken ibenye." Me: "sis wam, uxolo wethu, please SCRATCH that, he'll have orange juice. Akhomntu uzosel utywala ehamba nam. Sisgezo nyani eso." the waitress giggled ebhala phantsi wahamba. Luks: "kuthen hleli nje undifakel i-challenge?" Me: "uqale nin usela?" Luks: "ndina 15." 🙄:/ sarcastic huh. He fed the baby Le purity. Watya umntanam sana. Luks: "umtyisa erongo wena. Akay'fun Le ye-veg. Imbi." oh. Me: "but he has to eat veggies." Luks: "menzele mash enobisi. Or squash. He loves that." Me: "sekhe wasitya?" Luks: "no but nguBhele lo. Sonke siyas'thanda isquash ekhaya." of course. Our full breakfast arrived. Lukhanyo, said a short prayer. I'm not even joking. LUKHANYO said a short PRAYER. Luks: "Thixo Somandla, Nkosi yethu elungileyo. Ndiyabulela ngemihla osinika yona. Ndiyabulela ngosapho lwam. Nange ntsikelelo osipha zona. Ndiyathandaza bawo ingabi nguwe wedwa obona iziqhamo zam. Ndizama oko ndinako ndiqinise ndomezele olusapho undiphe lona. Igameni loyise, eloNyana, neloMoya oyingcwele. Amen." Me: "amen." 🙄:o *still shocked* Me: "and then?" Luks: "too much time with my brother." Me: "it was a lovely prayer." Luks: "hopefully ziyafikelela kuMdali." we ate. Lutha: "nton Lena?" he waved his vienna in the air. Luhle laughed. Luks: "kwedin, beka phantsi lonto okanye utye." Lutha: "ntoni leeena??" he persisted. Luks: "yi viyena." watya unyana. After our breakfast we went back to Checkers. Quite a distance. We bought the supplies we needed then went to Woolies. Tatabo wathenga impahla. Luks: "ndiyabuya ngoku uyeva?" Me: "cool." he left with Bambi noba bayotshintsha i-diaper yakhe. I continued looking around bekhetha ke bona abantwana, ndibona ngento seyilengalenga ay'nayo ne hanger inoba itsalwe nje noba ayo ne size umntu uzobeka qha. I had to sort them out kakuhle. After they were done, we waited for uLukhanyo

who eventually showed up wababhatalela saphuma. Luks: "awufuni nto wena?" I shook my head. Me: "thank you." Luks: "sure sure?" Me: "yes. Tell me about Le costume party yaba." Luks: "oh, kukho mntana in their class une birthday so bazokwenza lo costume party ke kokwabo." Me: "what did you have in mind?" Luks: "intombi yam will always be daddy's angel. So that's sorted, Luthando ligeza ke yena sizombonela phambili." Me: "Luthando is mommy hulk." Luks: "devil." Me: "hey!" I smacked his shoulder. Luks: "akeva lomntana Lihle. Yoh hee. He's always orchestrating somethi-" Me: "orchestrating?" Luks: "ewe." Me: "lonto une slang esitsha ngoku wayeka ubangu Ta Luks ungu Mr Lukhanyo Mzinyathi. Hello." he pulled my arm ndihleka. Me: "ndiyeke mpa. Mr orchestrator." Luks: "une ntsini ne. Lihle bamba apha." Me: "I'm joking!" Luks: "masambeni bantwana bam." I made fun of him sikhangelala costume shop. Ndhleka ne twins. "care to share the family joke?" a voice behind us said. Sajika samjonga. An Indian man and a woman smiled sweetly. Luks: "Mr Naidoo! Good afternoon." Naidoo: "hi, I believe you've met my wife, and I haven't yours." Luks: "how rude of me, baby, this is Mr Naidoo. He's just signed with us two days ago, this is Lihle, the mother of my whole litter." Mrs Naidoo: "they're sooo cute! Hi, I'm Kim." Me: "nice to meet you Kim. And thank you." Naidoo: "beautiful family Mzinyathi." Luks: "We're in need of a costume shop." Kim: "I'll give the address to the best one in town." she fished her bag and gave us a card. Me: "thank you so much." Naidoo: "I hope to see you soon maam Mzinyathi at our next function." Me: "hopefully. It was lovely meeting you sir." Naidoo: "likewise." we parted ways. I gave Lukhanyo the look. Bethuna, we all know "the look" our mothers gave these out in public xabengafun usibetha. Our father's still give them out xasivelo awta. And us women continue to give them to our men. In this case he knew the problem. He didn't even have to ask. "the look" said it all. Luks: "I panicked." was his only explanation. Me: "mxim." Luks: "I'm sorry." I walked to the car. Luks: "Lihle!" I walked straight out the door. He followed me with the children. Luks: "kuthen sihleli sisilwa! Bufuna ndithi unguban? A friend? My ex wife? Kodwa asika divorce? What do you want from me!!" Me: "ndiyeke wethu Lukhanyo!" Luks: "mxim!!" he stomped. Luks: "we not gonn do this in front of our kids!" wangena motwen nabantwana. I got in the passenger seat with my embarrassed-about-to-cry face ndaqina kanti. He drove the car eyinyathelela obu bomi. I'd held on my seat but was worried bout my kids eback. We got to the shop and chose the outfits for them without a single word to each other.. He paid sahamba kwakhona, he bought the kids McDonalds. He drove again and I noticed uyongena elokshin. New Brighton to be precise. Tshwa eFord, evale umlomo. He parked inside the garage yavala, qiba kwakhe waphuma ne last born yakhe. Luks: "izani Luthandoluhle." they got off too ndashiyeka ndodwa. I got

out the car ndabalandela into the house. Luks: "we need to address Le problem sinayo Lihle. Without influence yabanye abantu. We need to be completely honest to each other, kuphele lento yokulwa ngento ezincinci." he put a blanket on the floor for Lubambo wambeka. With the twins who had their food ready besitya. Me: "I hate that you're possessive ngam. Can't I ha-" Luks: "ha.a. Woah. One at a time." he pulled a bar stool and leaned on it. Luks: "I'm only possessive to protect you. Mna I hate it xa unxiba utight bekho amadoda ajongana nempundu zakho." what!/? Me: "ayingo tight. Yi jegging ke Le. And andizoyeka uyinxiba because whatever I wear whether yi jean or ilokhwe amadoda anamehlo aqavileyo. Nawe mos uyabajonga abanye oosisi. I hate your rudeness. Ukwada Lukhanyo." Luks: "ayikho lekaka uyithethayo." Me: "is that it?" Luks: "I'm sorry." Me: "I still think we're bad for each other." Luks: "is it you or is it what your father thought. That's why undilwa ndingabise camkwakho? Because you want to respect his wishes. What about you? What do you want?" Me: "I want to raise my kids and finish iskolo." Luks: "you know what I mean." Me: "I want a divorce. A proper one." Luks: "you're sure about that?" Me: "yes." Luks: "okay. Abantwana sizobathini?" Me: "we'll let the court decide." Luks: "oh so ufuna babekuwe." Me: "Lukhanyo you see your kids whenever you want anyway. You don't care about the court." Luks: "okay." Me: "okay?" Luks: "yes, okay. Izapha." he pulled me to the main bedroom. I was still surprised that he just okayed it so quick. Luks: "you can sit here." I sat on the bed. He kneeled on the floor and took off my platforms. Massaging my feet. It felt great. Me: "what are you doing?" Luks: "you said you wanted to be alone. I got you out the house, you can chill here after your massage, take a relaxing bath, ubukele some movies on my pc." Me: "why are you doing this?" Luks: "because umama wezingane zam deserves a break. Don't be too happy. Its for the kids. If you're happy, they're happy too. And that makes Me happy." Me: "thats a whole lot of happiness." Luks: "it sure is." I enjoyed quietly. Me: "what did you do to my children kuthen bethule." Luks: "they're watching Disney Junior. Abasoze bandihoye noba ndiyile kubo." Me: "that bad?" Luks: "yep. Ngekudala mos belapha. Gate crashing ngezanqayi zinkulu zakho." Me: "ndine nqayi enkulu mna ?" Luks: "awuy'bon wena?" Me: "mxim. Yathanda ke uy'camela into." Luks: "njengangok ndibawela. Qha awund'fun." Me: "will you ever stop having a nasty mind." Luks: "nope." he laughed. Luthando opened the door. Lutha: "Tata, uhleka nton?" Luks: "ndihleka wena." Lutha sat next to him. Luks: "ndizo awtisa njan usenza ezizinto kwedin?" Lutha: "ezinto." Me: "zow'awtisa phe garage." he laughed. Luks: " 'I'm allowed to have friends', do you remember???" Me: "ndinoske nam ke ndifownele umntu asele edlula ngam." Luks: "hayi, yabona ke?" his facial expression went from 100 to 0 real quick. Me: "take a joke Lukhanyo." Luks: "Ndimbi kalok and'kwaz

ub'hlek ububhanxa. Where else?" Me: "I'm okay ngoku. Enkosi." Luks: "ndiqibezela contract yam kaloku. Ndik'phathele snacks?" Me: "yes please." he went to wash his hands wayolanda ukutya and his laptop.. Me: "password?" Luks: "uyayazi nje." Me: "for a gangster, you should change your password at least every two weeks." Luks: "ndili xhego mna and akhonto i-wow mos apho other than my babies' photos, movies." Me: "oh, andikho mna?" luks: "awukho Wow kaloku wena nontombi. Undihlabhe ngo D obandayo. So no." I laughed. Are all divorced couples like this? Are divorcées supposed to be like this? Well it beats the hatred and anger and yelling. Luks: "undibize when you need anything, ndise lounge." Me: "okay." he picked up Luthando and left with him. Another 10 minutes later, ndisabukele movie. I heard the garage door open and the car drive out. Anday'naka. An hour later waphinda wabuya. Figuring he'd taken the kids with him because now kukho ingxolo. Plastics pulled around and screaming. Luks: "Chumani!! Chumani!!" he warned. Chuma: "ndifuna umamam. Uphii?" Luks: "usalele. Hlala pha nobrother wakho nibukel TV le." Chuma: "ulele phi?" Luks: "phez kwe roof Chuma." Chuma: "Tata. Akekho umntu olala phezkwe roof." Luks: "oh trust me my boy. Bakhona." Chuma: "hayi Tata. Ndizodinwa yinton?" Luks: "mxim. Khayohlala pha phantsi." Chuma: "awufun ndik'ncede?" Luks: "hayi. Ndiright." Chuma: "one more question Tata ne." Luks: "what is it mntanam." Chuma: "uyamthanda umama?" Lukhanyo grated cheese. Luks: "ngentliziyo yam nomphefumlo wam wonke. but you know what? Iza ndik'chazele." he picked him and placed him on the counter. Luks: "when you're old enough, you'll understand that, its not just about love." Chuma: "why?" Luks: "because there has to be trust, honesty-" Chuma: "yinton i-honest?" Luks: "inyaniso. There must be respect and all of that forms a part of love." Chuma: "so...wena awunazo?" Luks: "utata uyimoshile kaloku." Chuma: "kalok ngoku unazo?" Luks: "yes." Chuma: "kengoku?" Lukhanyo laughed. Luks: "andikwazi ufosta kaloku." Chuma: "oh. So uzothin kengoku?" Luks: "ndizopheka boy. Awulambanga?" Chuma: "ha.a. Phekela umama. Ndizomphathel flowers pha eghadin." Luks: "asina ghadi nje." Chuma: "ikhona enext door." he jumped off the counter and ran out. Luks: "heyyy!!! Sies ayiva lentwana. Chumani!!!" he walked out the house. Chuma had climbed over the wall of next door's premises and picked 5 beautiful daisies. He climbed back out and walked to his dad. Chuma: "uzand'betha ne?" Luks: "No. I'm gonna stare at you." Chuma: "unayo i-vase?" Luks: "khangene phe ndlin kwedin!" he followed him inside. Chuma: "xolo Tata." Luks: "hlala phantsi Chumani. Please." Chuma went to the lounge.

Around 19:25, I got up and went to the bathroom. I heard voices in the lounge. Two males I think, if not 3. The kids were in the second room. I went to check on them behleli on the floor with their toys. Luhle: "mama!" Lutha: "shhhh! Uthi Tata kafun nors." Me: "yinton leyo baby?" I sat with them. Me: "uphi uChuma?" Luks: "Luthandoluhle!!" he yelled from the lounge. Luhle: "hm?" Luks: "izanapha bantwana bam. Masilungise sophoro." Lutha: "shhh mama ne?" Me: "okay." 😞:/ they went out the room giggling to the lounge. Luks: "nihleka nton ngoku? Thatha apha ugalele phantsi." Lutha: "zobadaka Tata." Luks: "ndizoy'cleana. Chuma: "but if akakho innocent?" Brian: "well...you have to protect them and explain why bayenzile lento bayenzileyo." Chuma: "noba uthetha i-fibs?" Brian: "what?" Luks: "lies." Brian: "oh, no. But we don't tell fibs." Chuma: "but if umntu ubethe omnye. Wena uzom'defenda?" Brian: "uhm...yes." Chuma: "so you tell fibs." Brian: "no. I bring facts." Chuma: "ezizi fibs." Brian: "not really. If umntu ubethe omnye kuba omnye lo besenza nto erongo?" Chuma: "oh? So if uKyle ubetha uJunior ndingambetha mna uKyle, uzand'thethela ku teacher?" Brian: "No." Chuma: "why?" Brian: "because you're not allowed to hit Kyle." Chuma: "exacle bhut Brian. So wena, you tell fibs phe court. And ayiyo for innocent people." he walked to the TV area. Brian: "that is not a child." Luks: "please don't take it personally. He's just...in a phase. Uthand ubuza yonke into and comes up with.....god-knows-what answers." Brian: "you paying for that pha kwesa skolo sakhe. Its impressive. He's like a future lawyer." Luks: "Journalist." Chuma: "Pilot." he stared at the TV. Luks: "what is a pilot Chumani Mzinyathi." Chuma: "udriver we-plane." Brian: "okaaay. Luks: "Lihle-" Me: "NO! You're hurting your son's feelings. And that's worse than a sting on your ass! Sukhohlakala Lukhanyo. Chumani uyakhula, xa erongo faka ibhanti qha! Don't threaten him like your big old friends!" he stared at me. I went to the lounge, as beautiful as it was set up. I didn't care anymore. I sat next to Chuma okhalayo, I cuddled him. Me: "sorry boy vah. Utatakho doesn't mean what he said. He loves you kodwa funeke umenze proud nawe uyeke ugeza." Chuma: "akandithandi. Ufuna ndihambe apha." he just sniffed and sobbed. I gave Lukhanyo a scornful look. Me: "do you see what you've done?" he turned away wayongena ekitchen. Me: "he does, he really does mntanam." Luhle: "sukhala chumi. Xolo." she patted his shoulder. Me: "uthini Luhle?" Luhle: "Chumi yakhala." Me: "Chuma." Luhle: "ha.a, Chumi wam." Me: "okay." Lukhanyo came back and sat on Chuma's other side. Luks: "boy. Ndijonge." Chuma looked at him. Luks: "ndiyakthanda va. Uyakthanda utatakho kwedin. Uyeva?" the boy nodded. Luks: "uzohlala apha ne? Uyeke ugeza." he nodded again. Luks: "come here." he hugged him. Luks: "bendinomsindo mntanam, ndixolele. I spoke too quick and I'm sorry." Chuma: "usorry tata?" Luks: "ewe ndi-sorry." Chuma: "uzond'thengela ne bicycle?" Luks: "No. You can't go around umoshana neemoto zabantu Chuma. Do you remember ndithen kuwe emini? About trust? Honesty? Nomosha kwezinto." Chuma: "ewe Tata." Luks: "exactly. Sumosha ke izinto because wenza abantu unhappy not proud. Its not nice seeing umntanam egeza because that means kuzofuneka ndimbethile and andifun umbetha ngoba xa ekhala nam ndiva kabhlungu. Ane?" Chuma: "ewe Tata." Luks: "so please don't do this again. Nawe Luthandoluhle. Sanundivisa kabhlungu." Luhle: "cingi Tata." Luks: "that's my princess." Me: "let me check on uBambi." Luks: "he's asleep. Me: "khayeke ijealousy Lukhanyo. What is it that smelt good earlier?" Luks: "shrimp pasta with melted cheese." Me: "you made shrimp pasta?" Luks: " yes." Me: "that is amazing! Please fetch it. Ndilambile." he went

to fetch the pasta dish and plates. Luks: "happy mothers day." Me: "hahahaa. That's not gonna work with you Ta Luks." Luks: "oh, damn." we ate our dinner. Me: "thank you for being thoughtful. And considerate." Luks: "I'm trying. The best I can to be a good man." Me: "I thought awufun uqhelwa." Luks: "well then There's that." Me: "lemme help you with the dishes ndigoduke." Luks: "kukho dishwasher. Will you let the kids stay?" Me: "yeah." I got up and went to the bedroom to wear my shoes. He got the kids up ndayolanda uLubambo and we all left for Motherwell. Luks: "so how are we going to do this divorce thing? Uzothumel lawyer or?" Me: "yeah, I'll call one, nawe ubene yakho." Luks: "I don't need one." Me: "why." Luks: "Half of me belongs to you anyway, so what exactly am I fighting?" Oh. Me: "the sooner we do this, I think the better. So we can both move on." Luks: "got anyone in mind?" Me: "not yet. You?" Luks: "I'd rather focus on being CEO for a while." Me: "okay." Luks: "so....when are we getting married?" I laughed. Me: "you're an idiot." Luks: "hm." Me: "do you know where's your brother?" Luks: "right now or just generally everyday?" Me: "generally everyday." Luks: "yes. He calls me all the time and we talk. Why?" Me: "he's been...acting strange." Luks: "if you expect me to tell you where he is and what he's doing. Libala sisi." Me: "oh." we got to Motherwell. He parked the car outside. Me: "okay guys. Goodbye ne, ndizonibona ngomso." Lutha: "hayi mama!" Me: "uzohamba notata kaloku. Don't panic. Ndiyeza ngoku va. I love you guys." Chuma: "love you mama." Luks: "I'll call you when we get home." Me: "okay. Nihamben kakuhle." Lubambo was still sleeping in his seat. Luks: "khwela ngapha Chuma." I got out the car and walked to the house kucinyiwe izibane. Ingathi akukho mntu. So I took out my keys. Lukhanyo was still waiting ndingene. My key got stuck. Ndanqonqoza, after a while kwavulwa ndangena. It was my mom. The car drove away. Me: "molo mama." Ma: "uvelaphi?" Me: "besiye eWalmer mam-" Ma: "bendithen kuwe?" Me: "bendithenga izinto zabantwana nje mama." Ma: "benditheni kuwe Lithembelihle?" Me: "ubuthe ndingahambi mama." Ma: "so wena waz'bona ubudala waphuma ngomnyango wemnka?" Me: "hayi mama." Ma: "xa ke uyintombi endala ingathi ngosow'buyela apho uvela khona." Me: "njani kengoku?" Ma: "xa ukwazi kaloku unyathela phezko mthetho qhubekela uye k'lendawo uzoz'phatha kuyo. Not apha Kwam. Sundithi phuhlu ngamehlo. Nankuya umnyango Lihle indlela imhlophe." ..

Hayi ke mtshana ndaguquka ubuyela endleleni. I called my friend to come pick me up ndayolinda estopin. Mandy arrived within 20 minutes engathi uyaleqwa. I got in the car and she drove back to her place. Mandy: "what happened?!" Me: "my mom kicked me out." Mandy: "haibo. Why?" Me: "because I'd left the house, Bethe ndingahambi but we had to go buy izinto zeskolo zabantwana and new clothes." Mandy: "we?" Me: "yeah, bendihamba noLukhanyo." Mandy: "are you serious?" Me: "pretty much." Mandy: "WHY!" Me: "what? Nguban kanti utatabo? He received the news letter and asked me to help." Mandy: "you know where this is going right?" Me: "look, we agreed on a divorce. A clean and simple one. Its better xa siyincokola." Mandy: "you on drugs?" Me: "no." Mandy: "you sound like you're on drugs. Lihle, he wouldn't agree on anything that let's you go from his control." Me: "then we're talking about two different people." Mandy: "I just hope this isn't a trap." me: "a trap to what? I'll be the one filing, I'll be the one with the lawyer cuz uthi yena he doesn't have a reason to fight. So it'll be quick." Mandy: "oh my God." she slapped her forehead. Me: "what?" Mandy: "Lihle, you know Lukhanyo better than anyone. He never gives up. Ever. If akazofuna lawyer, its going to look bad for you in court. Ayizoya ndawo lo case!" Me: "Mandy, have you been married?" Mandy: "no." Me: "then let me be." Mandy: "okay, fine! I'll let you be. I just hope this isn't a plan to get back kuwe." Me: "if I wanted him, he would've been the first person I called. he's better as a friend." Mandy: "okay peto, awulambanga." Me: "no, we had shrimp pasta for dinner." Mandy: "yoh." we arrived at her place. Mandy: "please keep your eyes open for this one." Me: "he's harmless Mandy. I'll be fine." we got out the car sayongena endlin. Me: "I'll have to ask uNamhla andiphathele mpahla yam ngomso." Mandy: "uthen dan umamakho?" Me: "andizoyazi and andizombuza. Everyone is bound to leave her soon, uzophinda azond'funa." Mandy: "you're sure its just that?" Me: "she saw the car, because uyathand uqala ajonge festiren, she wants me back there with him. it worked the first time. Its not going to this time." Mandy: "what do you mean?" Me: "the reason I'd moved in with Lukhanyo in the first place was because umama found out I was pregnant and she kicked me out." she laughed. Mandy: "you're serious." Me: "yep." Mandy: "So how've you been?" Me: "holding up better than I expected. Guess I should stop feeling sorry for myself." Mandy: "its okay to mourn." Me: "I know, but I also have to start moving on. He'll be in my heart forever, I just don't want to cry about it anymore." Mandy: "would you like a drink?" Me: "please." she poured me a glass of red wine. Mandy: "when last?" I drank the contents in the glass finished. Me: "last year just before I hopped on someone's D." she laughed. Mandy: "oh well." we drank more wine and spoke a lot. About everything. Mandy: "what time is it?" Me: "ten to nine." Mandy: "masambe wethu siye new Brighton ku Sbosh. Maybe go check out

kwa Ngqoko." Me: "NO. Bad idea i-new Brighton." Mandy: "Lihle, Lukhanyo is baby sitting, let's have the fun. Please?" Me: "THE fun?" Mandy: "yes!" she got up wayonxiba. Mandy: "guess who's in town?" Me: "who?" *tipsy me trying to remember a ghost* Mandy: "just guess!" Me: "uhm...well..." Mandy: "mxim, ngu S'fiso." Me: "oh?" Mandy: "yes. Oh. But ufike namhlanje. Suppose he's in the hotel sleeping." Me: "and you already know how?" Mandy: "nobody can land from half way across the world ayokonwaba. He's sleeping," Me: "but ufuna umbona?" Mandy: "tomorrow, yes." Me: "Mandy, who you dating?" Mandy: "I'm single. Anda and I are friends, Soso dumped me for his baby mama. So I'm free." Me: "how long have you been drinking?" Mandy: "about 6. Let's go!" we went to the car, she drove to Sbosh's place sayomlanda, then out to Ferguson Road. Bekunga gcwelanga kakhulu. We parked and walked out the car sayongena ngaphakathi. Mandy: "what are we having?" Me: "cela just i-redbull mna. I'm good." she ordered a bottle of Skyy Vodka, pineapple juice, ice and two redbulls wabhatala sathatha sayohlala phantsi. I sipped my energy drink. Me: "isn't that" Mandy: "oh shit." Me: "you tracked his location, didn't you? You psycho bitch." Sbosh laughed. Mandy: "heee hayin guys." Sbosh: "you knew he'd be here!" Mandy: "he happened to check in. I missed seeing his face." Me: "yeah and his voice because his ego ass is on his way to our table. Good going Mandy." S'fiso: "molweni!" Me: "Hi S'fiso!" I smiled. Sbosh: "hello." she poured herself a shot of the vodka and dashed it with the juice. Mandy: "what are you doing here? Bendicimba use Argentina?" S'fiso: "flew back in this afternoon. Unjani?" Mandy: "I'm great. You?" S'fiso: "I'm better. Come sit this side. We have the better view and less music sikwazi uncokola." Mandy: "guys?" I sipped my drink. S'fiso: "my friends don't bite. Come on." he took the bottles sahamben ukuya kwi table yakhe. They pulled chairs for us and we sat down. I was itching to take out my phone and send a text but I controlled myself. S'fiso: "Lihle?" I looked up. S'fiso: "since you're not here, I Said, this is Mfundo, and Siya. My friends." Me: "nice to meet you guys." S'fiso: "guys this is Lihle." Mfundo: "siyavuya ukwazi Lihle." Siya: "same here." he poured himself his drink. Mfundo: "mfethu, I'm being serious. This chick comes about me, in my mind ndiyamaz but can't place her correctly from where." Siya: "kodwa uyinja Mfura." Mfundo: "mamela. We talk, drink and kiss qha problem yam andiphethanga apha kum so ndicinga quick ndizoy'fumana phi. Sho. My phone rings kanti ngu Ayanda, ndimphendule. Awti yam uphi. Ndim'ringele athi sharp uyeza. U-gal uselapha ke. Not to brag or anything but she was just hands on. I tried to control her all I could kwangena uAyanda. Ndive nje ngeempama." Siya: "thiza. Ndiyaz ke awti yam." Mfundo: "jonga, khand'be sabuza. Ndiy'qondile ba no this the chick Ace wayend'fakele ngayo. Emncanywa njani mfethu." S'fiso: "so he slapped you or...."

Mfundo: "hayi ndingamnyisa kalok mna. Ubetha ku-gal wakhe. Ndithe ndizama umnqanda ndaske ndaxelelwa ngoSom'kazi ndathula kwangoko." they laughed.

Mandy: "your girl?" Mfundo: "ex now. Ndilahlwe ndanya kuba ndingeva." Sbosh: "at least you know awuva." Siya: "awusethule Lihle. Uright?" Mfundo: "sukoyika asizok'plita. We're chilled." I was actually looking by the door and not at them. They were not even in my list of worries. S'fiso: "Lihle?" Me: "hm?" S'fiso: "you okay?" Me: "yeah." Luzuko had just walked in. Even With his undoubtedly identical looks to Lukhanyo, I just knew that was Luz. He was back? He looked straight at me wancuma and waved. I waved back. But what confused me more was the person walking in behind him. With him. Thulani. Yes Jeff's son, Junior's father, Namhla's boyfriend Thulani. They walked to us. S'fiso: "oh! So nanku lomnt umjongileyo." Luz: "molwen." Thulani was just as shocked to see me. What was he doing with Luzuko? Sbosh: "hi Luz." Luz: "Lihle, can we talk?" Me: "about what Luzuko? seems to me, you'd already said everything you've wanted about me. What's to change?" he looked at my energy drink can. Luz: "please?" S'fiso: "uzoba grand?" I nodded. We walked out. Luz: "you're not supposed to be here." Me: "says who?" Luz: "says mna. I heard about your father, I'm sorry." Me: "what do you want?" Luz: "I want you to go home." Me: "I don't have a home." he took out his phone and dialed a number. Unluckily for him, he had a big ass galaxy Note so I saw the number and grabbed the phone. Me: "ufuna nton!" Luz: "sapha phone yam Lihle." Me: "Luzuko. You of all people are the last to say shit to me." Luz: "I'm sorry. For all the bad I've said ngawe and kuwe. You didn't deserve it. I swear I mean it. Kodwa being here isn't the right decision, you need to be with your family and kids." Me: "you don't know what I need Luzuko. And I swear, if Lukhanyo arrives here ebizwe nguwe. I'll show you Me. Clearly awukandazi ncam." I tossed him his phone ndayongena ngaphakathi. I sat down with my friends kwancokolwa. Siya: "what do you do Lihle?" Me: "I'm a marketing student. Wena?" Siya: "I'm part of a project management team." Me: "really? Sounds exciting." Siya: "yep. Trust me, it is." Mfundo: "I'm an investment banker." S'fiso: "like me." Sbosh: "cool." Mfundo: "and you?" he looked at thulani. Thulz: "I own a project management company." Siya: "something tells me awuy'thandi." Thulz: "no I don't. I've always wanted to be a lawyer." Mandy: "so? What's stopping you?" he looked thoughtful. Thulz: "nothing actually." Sbosh: "I say go for it." Me: "nam." S'fiso: "wena wenzanton Luzuko?" he chuckled. Luz: "seriously?" S'fiso: "yes seriously." Luz: "you already know I'm in business, I just bought shares kwi company ka Thulani. I'm a silent partner." WHAT 🤯:o S'fiso: "we didn't speak about this." he looked a bit embarrassed. S'fiso: "we make business decisions together kuthen uzoy'thetha apha?" Luz: "its my money S'fiso. I can do as I please." S'fiso: "yeah until you run yourself back into debt?" Me:

"guys, ha.a. This is not the place or time." Luz: "Its a profitable company and they're doing great. You don't have to do this." S'fiso just drank his glass of Hennessy. Luz: "Fifi." S'fiso: "stop it." he snapped. Luz: "I'm sorry." Thulz: "S'fiso, I can assure you this isn't for our benefit, I sold Luzuko some of my shares because we share business interests." S'fiso: "no its fine." he drank another shot. It didn't look fine from where I was sitting. Me: "so what's this project thingy all about guys?" Siya: "mna I'm based in East London okwangoku and the company I'm working for was recruited to rebuild a school. My job is to organize and manage the engineers and accountants." Thulz: "so you're the actual manager." Siya: "I prefer to work in a team because sonke senza umzebenz omnye." Me: "you're being modest." Siya: "tell me about marketing, you doing well?" Me: "yes, but I'm not sure anymore." Siya: "why?" Me: "at first it was exciting, it still is. I'm just not sure if its my dream career yet." Siya: "and what is your dream career maybe?" Me: "that's the problem. I don't know." Siya: "my advice? Finish your course. At least you'll have a qualification." Me: "I will." Siya: "so...uhlalaphi?" ndihlalaphi kanene? Luz: "with her husband." hebana!! 🤔:o Me: "why are you so bitter? I don't even live with him, we're filing for divorce." Siya: "oh hayi Luzuko ungenaphi though?" Luz: "I was just saying." Siya: "if I wanted your opinion shem, yazi ngendik'buzile." Luz: "Lihle you don't have to do this." Me: "Do what? Have friends? Nifuna ndithini?" he kept quiet. S'fiso: "Luzuko, une ngxaki?" Luz: "no." S'fiso: "then keep out of others' business." S'bosh and Mfundo were talking about work kunye noThulani. Siya: "would you like another drink?" Me: "just water please." he got up wayothenga amanzi and came back with it. Me: "ndiyabulela." Siya: "so awuseli?" Me: "used to. Not anymore I tend to act very crazy when I do." he laughed. Siya: "crazy is good. I like crazy." okay, you might be wondering a lot right now. Ndiyanazi niyaz'thanda indaba ezine hlwaps. Anywaaay, Siya, when he stood up I noticed he was quite tall. Dark in complexion and well structured. He wasn't really cute or handsome. From a scale of one to ten, let's say..... 4. But he was well dressed, clean and seemed to have manners. Unlike other people I know. *Side looks Luzuko* Plus he actually smelt amazing. Bonus points for you, Siya! Me: "trust me, you wouldn't. Ubuyela nini ekapa?" Siya: "next Tuesday. Nangona ndingabaweli ubuyela. Abantu balapha are so friendly and welcoming." Mfundo: "then don't. Ungahlali nje?" Siya: "and lose my job at that ne?" Mfundo: "you're smart Siya, uzoy'fumana job real quick, with your experience and qualifications." Siya: "I'll see as time goes." Me: "what about your girlfriend?" Siya: " that's the thing, she lives here." Me: "tshin. Ingxaki iphi kengoku?" Siya: "change is a big thing guys. Seriously." S'bosh: "nyansile. You can't rush it." S'fiso: "if you know what you want and how to get it. Change is not a problem. You can do it." Siya: "okay guys, don't rush me ayt? Geez." S'fiso: "Argentina

is wearing me out ngok." huh? Mandy: "bek'then zungayolala kqala?" S'fiso: "with Siya noMfundo knowing ndikhona? That's highly impossible. Baqale bayondityisa ePrimi, then brought me straight here. I didn't even get a chance to hire imoto. The moment I landed bebesebe lindile eAirport." Mandy: "I could take you home." Me: "woah bitch, what about me?" they laughed. Hayin guys I'm serious. Siya: "I'll take you home. Uhlalaphi?" yoh izond'khabisa Le. Me: "I'm residing with Mandy at the moment." she gave me the keys ephakama. She cannot be real! Me: "uzobuya right?" Mandy: "of course." something in her eyes said NOPE. Sbosh: "I think we should get going too. Its the hour." meaning sek'zo betha u12. Siya took his keys and cellphone saphakama. Luz: "iza ndinigoduse Lihle. I'm going that side anyway." Me: "I'm not going anywhere with You." ebezondisa kuLukhanyo qha. The Mzinyathi's act clever. Just because ndithe makangam'bizi, ufuna undisa kuye. Probably trying to score brownies with his brother because ndaqibela bengavani. Worse Lubabalo lives with Lukhanyo. So chance akanayo. Luz: "how many times funeke ndicele uxolo." Me: "and I forgive you mntanomntu, I have nothing against you qha andihambi nawe. Goodnight." Sbosh and I went out noSiya and Mfundo washiyeka thulani noLuzuko. Siya: "so siyaphi?" Sbosh: "niqale ngam. I'm here eNew Brighton." Me: "Sydenham." we waited for uSiya akhuphe moto yakhe. A black Mercedes Benz that I haven't seen before. It looked like a C class but I wasn't sure okanye was it the sported version? The rims were large and black matching the car. Sbosh opened the door. Ndangena eback seat. Sbosh: "hayi peto." Me: "yinton my f?" Sbosh: "njan ungene back. Usaya kude mfazi? Hayi ntombi." I got off again ndayongena phambili. She giggled to herself wangena eback. Siya drove with Sbosh's directions. Sayofika at her place sakhe saqalisa uncokola again. Sisonke. We left at about 2am mna no Siya to Mandy's house. Siya: "bekumand udibana nani. You guys are different." Me: "different? How?" Siya: "well, mostly when we're out singamajita we meet all types of girls, kukho aba bathand ubonwa, kubekho abathanda imali, kubekho the hoes tryna be wifed up, There's always aba bafun thengelwa utywala, the rude ones, ndiyaqala udibana ne skeem esiz'phethe grand njengani. Its quite nice." Me: "thanks Siya. I can assure you banintsi actually qha ingxaki baz'valela komakwabo." he smiled. Siya: "now that's the type of girl some of us would like to make a wife." Me: "lo hlala endlin? You sure?" Siya: "definitely. Ndiyamaz ndizomfumana phi. I'm not gonna be embarrassed zinto azenzayo." Me: "There's nothing wrong ngophuma nje." Siya: "every once in a while yes, every weekend ingathi ubuyela e-High school? No." Me: "oh so you're insecure?" Siya: "I am if it means andifun cherri yam ibe ijanyelwe ngamadoda enxibe ez'lokhwe naba shorty." Me: "what do you like her in? Xa umjongile?" Siya: "xa ephandle? Jeans please. Or a maxi dress." Me: "and what makes you think amadoda won't look? Xa

intle cherrie yakho, intle ke qha." Siya: "I'm an old fashioned guy. I just want what's mine to be mine. I expect to arrive home, kukho umfaz wam endilindile. Even if akaphekanga. That's alright as long as she's home, we'll figure something out together." Me: "so awufun aphanenge?" Siya: "I'm doing well, why does she need to sweat? I'm there to give her the world, andimfun ediniwe." Me: "that's stupid. What do you expect her to do all day?" Siya: "take care of our baby and home. She could go shopping because uzobe ene card lakhe which I deposit whatever cash she wants in." Me: "that's where the controlling starts. I hate that. Uzomane ngombuza mos uzothenga nton, uyaphi, why." Siya: "every man deep down inside wants to be head. Some go about it differently, ewe ndizombuza kodwa I won't deny her freedom. She's just not going to work qha." Me: "so your girlfriend does she work?" Siya: "yes." Me: "OH?" Siya: "yeah, that's the issue. GIRLFRIEND not Wife." Me: "why would you invest in a relationship you don't see a future in? You're dating her as a hobby?" he looked at me. Siya: "you ask a lot of questions Lihle." Me: "sorry." Siya: "I'm not dating her as a hobby. I just don't like umntu ndimcele into kakuhle and they decide fuck what you say, enze eyakhe. I support her, in every way kodwa usayohlala k'la ndawo. I tried understanding. Ndafika pha ngenyi mini kugcwele iitshomi, gossiping, drinking. Now tell me, what is she gaining from that? Ayakhi mos lanto." Me: "well, andizoyazi ke but you'll have to sit her down and talk to her about it. Kodwa give her options, noba ke uthengisa uTupperware. Kodwa eyohlala phantsi? No." he laughed. Siya: "athengise uTupperware ne?" Me: "its an example, silly!" Siya: "you're the silly one." we arrived at Mandy's place. Me: "another thing, what's the name of this car?" Siya: "Mercedes Benz." Me: "gee I know that, I meant model." Siya: "oh, its a CLA 220 AMG sport." Me: "its beautiful." Siya: "enkosi. That's the first time inconywa yicherrie motwam. Thank you so much." he fanned himself. I laughed. Me: "alright, thanks for the ride." Siya: "pleasure. Uzoba right? Looks a bit scary inside." I smiled. Me: "I'll be fine. Enkosi Siya. It was great talking to you. And good luck." Siya: "thanks Lihle. Sweet dreams." I got out the car ndayongena endlin. It was a bit dark and sad, I was alone again. Something I wanted but didn't want. Have you ever wanted to be alone but have someone by your side noba akathethanga? Before my heart began to ache again I got into bed and slept....

The next morning ndivuswe yi-knock on the window. I peeped and saw Mandy. I went to open the door for her. Mandy: "hey babe." Me: "morning hun." I crawled back in bed covering myself. Mandy: "so...what I miss?" Me: "not much. What did I miss?" Mandy: "a lot...yoh he is so romantic yazi. I just couldn't deal." Me: "ya'll fucked?" Mandy: "you could ask it more lady like, like did we make love because yes, that's what we did." Me: "hope you used a condom." Mandy: "yes we did. And you?"

Sbosh tells me Siya brought you home, so where did ya'll have sex I don't want to sit on your sperm juices." I laughed. Me: "go away. Ndifunu lala man." Mandy: "tell me!" Me: "we didn't have sex." Mandy: "why?" Me: "I don't know, because we're not attracted to each other that way. He didn't even ask for my number, so it was a one night friendship which I enjoyed." Mandy: "friendsh.....mxim." Me: "I was drooling over his car though. Yoh! I wouldn't mind fucking in that." Mandy: "I thought you didn't like him that way." Me: "oh no, not with him." she gasped. Me: "please make me some coffee." Mandy: "but would you do it?" Me: "do what?" Mandy: "get it on with another guy in another's car?" Me: "no, that's just mean. I was joking. Relax." Mandy: "oh great. Fownel uNamhla? We need to go property scouting today." Me: "for your salon? Ngaske uthenge container nje?" Mandy: "hahahahaaa!!! FUNNY." I laughed. The door bell rang. Me: "that must be her." I went to open. Namhla: "yuh ha.a mfazi!" Me: "what now?" I helped her carry a large suitcase in. Me: "you carried this here? Xolo mntase." I rolled it to the bedroom. Namhla: "I brought everything you might need for a week." Me: "thanks babe. Hamba naban?" Namhla: "with my boyfee. Nenzanton ?" Me: "I'm still sleeping." I got into bed. Mandy: "hayi gal, phakama, we need to get to work." Me: "andisedinwe peto, I slept at about 3:30 its just 6 ngoku." Mandy: "we left you at midnight, benisenza nton? You did it didn't you?" Namhla: "did what? Where?" Me: "nothing!! Besincokola ku Sbosh till 2." Mandy: "still doesn't explain the hour and a half gone missing." Me: "okay Mandy, we had sex. In the back seat of his car, 3 times, in YOUR IMAGINATION!!!!!!!!!" Mandy: "I'll ask S'fiso, uzandixelesa." Me: "go right ahead." namhla: "nithetha ngaban?" Mandy: "Lihle's grenade." Me: "hey!!" Namhla: "Ta Luks is nothing near a grenade." Mandy: "Ta luks was here?" Me: "oh yes, yena noSiya really hit it off." Mandy: "will you stop being sarcastic?" Me: "obviously Lukhanyo isn't here or your house would've been ashes. Siya has a girlfriend-" Mandy: "so?" she searched through my suitcase for clothes. Me: "I might've been the biggest hoe in the past. But I'm done with that life. I'm doing fine by myself." Namhla: "tshesa gal. Uthi the biggest whaaaat." Me: "oh come on, we all know." Mandy: "and we don't care. However-" Me: "NO!" Namhla: "niyaphi by the way?" Mandy: "property scouting." Me: "on a Sunday though?" Mandy: "this dress looks great. Oh and shopping sizobane braai later, uze namhla ne." Me: "braai? Why?" Mandy: "do we need a reason?" Me: "just because you have new dick?" Mandy: "yes. That's exactly why." Me: "well I can't because mna funeke ndiye ekhaya." Namhla: "when your mother told you to go?" Me: "kwindlu katatam." Namhla: "uhlale wedwa pha? Its better to be around people." Me: "I was around people last night. I'll be fine." Mandy: "kuthen uthanda uzivisa kabhlungu Lihle? Why do you insist on hurting you? Its not a crime to be around your friends for support."

Me: "I also can't be ignoring the fact that I'm mourning. I just lost my dad." Mandy: "you're not the first person to lose a parent, I've been through it. Twice. And I learnt that feeling sorry for myself ndizivalele won't help me heal. We all loved Ta Seez. You more than anyone else in the world, but uyamazi ngothanda ukonwabisa. How would he feel xenok'bona uzihlelele wedwa endlin? Uzokwenza nton pha? If you want to go my friend, its alright. Uyazi qha that we're here for you at all times." Me: "thanks guys." Mandy: "how about this?" she pulled out a slim fitting short dress. Me: "too much." Namhla: "poor Siya will last only ten seconds." Mandy laughed. Me: "mxim. Does anyone want coffee?" Namhla: "no thanks, mandihambe mna. My boo is panicking. Bye guys." Mandy: "bye." I walked her to the door then went to make coffee. Mandy: "you've got nice clothes. Why ungaz'nxibi? Look at this dress?" a white and pink Barbie doll dress. Me: "I hate that dress, you can have it mtshanam." I sat on the bed with my coffee and rusks." Mandy: "thanks babe. Nantsi ke jean and a top. How many of these ripped jeans do you own?" Me: "about 13 or 12. They look better than regular jeans. 4 are boyfriend jeans ezinye ke zi skinny's in different shades." Mandy: "and this?" Me: "ncaaaw. I missed that top." Mandy: "sandal or flat pump?" Me: "I don't own flat pumps, all are heels and stilettos and wedges." Mandy: "wow. Okay nantsi sandal. Ambovasa please, we got a lot to do.." I went to the bathroom with my toiletry bag, took a shower and came back to get dressed, the tight ripped-on-thighs jean, a white umbrella top and white sandals. Mandy just dressed. Me: "uvase nini?" Mandy: "in the hotel." she winked. She wore denim shorts, and a white vest and gold chain. I helped her with her hair. Straightening it nge iron. Combing my own. Mandy: "funeke uy'tshintshe i-hesty kodwa ngok peto. Uzothin uSiya?" Me: "hee bethunana, uSiya ungenaphi kwinwele zam?" Mandy: "yilento engay'celanga mos inumber." I slapped my head. Me: " you are so dumb." we took our bags saphuma ukuya emotwen outside. She drove first to North End. Obviously ivaliwe lendawo so we peeped in the window, it was quite spacious and in a busy area. Mandy: "like?" Me: "yeah, let's check for another kodwa." we drove some more into town, ngase Govan Mbeki. Me: "total No." Mandy: "two more in Central." Me: "central peto? Yay'qond iCentral?" Mandy: "ewe. The ones in Newton Park and Richmond Hill are hella expensive worse i-rent. Plus abantu abazaz ncam eza area. And I don't want my salon to be ekasi." Me: "then let's call Le yase North end." Mandy: "okay. Next we're Going to Pick n pay." we got in the car and drove to Summerstrand for some odd reason whereas Walmer was just as close, but hey. We bought izinto ze braai kunye ne stand and salad ingredients, drinks, and ice. she drove back to her place and I helped her prepare the salads. Me: "so kuzo braai'er ban?" Mandy: "S'fiso." she smiled. Me: "I'm sorry I won't be able to join you." Mandy:

"why?" Me: "Maandy.." Mandy: "okay fine." we spiced the meat sayibeka ecaleni. Me: "let me get going. I'll see you ne." Mandy: "call me when you want me to fetch you yeva? Ungahlali wedwa apho." Me: "okay." I took my bag ndahamba.

I arrived at my dad's place. Simphiwe's car was outside. I went in ndikhaw'lelwa nguTiny wagging his tail. Me: "hello big boy." I went in the house ba mandifike kuhlel uBenny noBhut Simphiwe. Okay. Me: "molweni." Simphiwe: "hello Lihle." Ben: "where've you been?" Me: "Mandy's." Ben: "oh. Uright though?" Me: "I'm fine. Where have you been?" Ben: "taking care of some things." Me: "uphi uLubby?" Ben: "on his way." Me: "now I'm just confused, am I interrupting something?" Ben: "no." Simphiwe: "bendizok'fownela later, well, now that you're already here, I'd like to inform you that on Wednesday, will be the will reading." Me: "why so soon? Its not even a week yet." Ben: "its better this way." Me: "busow'mxelele umamam?" Simphiwe: "I will notify her later too. Plus maka Sinethemba, noSine." the door opened wangena uLubby. Lubb: "molwen. Am I late?" Me: "hey." Ben: "no, ndik'lindile qha." Lubb: "cool, so are we getting somewhere, what did you find?" Simphiwe: "seemingly, There's no electronic trace of anything yakhe clearly he uses cash only." Ben: "but its gonna run out some time." Lubb: "so we just wait?" Me: "Lubby?" Lubb: "what??" 🤔:o YUH. Me: "can we talk?" Lubb: "about what?" Me: "I've been trying to call you." Lubb: "I've been busy." Me: "really? All of a sudden you're busy?" Lubb: "ewe Lihle, we all got lives to live. We get busy." I didn't need to hear no more. Clearly bendimdika. Well, About time. Me: "okay. I'm out." I walked out so quickly k'landlu ndayokhwela ujikeleza oya k'lo Sine. When I arrived, he wasn't there but his mom was cooking emamele gospel. She seemed to be doing okay. MakaSine: "hello mntanam, ngena." oh kodwa umhle ke lomama bethuna. Me: "molo mama. Ninjani" MakaSine: "philile sisi, wena?" Me: "I'm fine ma. Just so confused and lost. Everyone has their own idea on how to deal with pain and mna I don't. I'm just numb." MakaSine: "maybe that's your idea. Mna ndiyapheka ndiz'mamelele umculo. Sine yena uyodlala ibhola netshomi zakhe. Ayobona uLindi. Funekile sisi siqhubekeke ngobom. Its what he would have wanted." Me: "umama uthe ndihambe ndlin. I'm sure she was hoping that ndibuyele kuLukhanyo." MAkaSine: "and?" Me: "we're filing for divorce. This week I have to visit an attorney." MakaSine: "uhlalaphi kengoku?" Me: " Okwangoku ndisahlala kwi friend yam, ndithe ndisiya endlin ndafika kukho Benny and the lawyer. I don't know, but they seemed cozy." MakaSine: "they are. Kodwa ke akhonto funeke sizikhathaze ngayo." Me: "do you think utata would be angry that ndisathetha noLukhanyo?" MakaSine: "no." Me: "why?" MakaSine: "because utatakho akam'capkeli uLukhanyo. Ucapkela izenzo zakhe. That is why he kept you from him. He would be the one who deals nezinto

zenu like abantwana. Now that he's gone, I don't see nguban omnye ozothetha endawen yakhe." Me: "I hear you mama." MakaSine: "banjani abantwana?" Me: "baphilile, bahleli notatabo. I'm still trying to figure things out." MakaSine: "good thing ekuncedisa. Uphi omnye lo." Me: "oh Lubabalo? He's with uBenny. His new best friend. Ndlela Le andiphoxe ngayo." MakaSine: "ayifani naye ke leyo." Me: "andisayazi mama mna I'm just a lost soul." MakaSine: "thandaza mntanam, awukho lost tu. UThixo unawe mini zonke." she dished up lunch and we ate although bendingeka lambi ncam. We talked for over two hours ndatsho ndava kamandi. MakaSine: "naninina Lihle, ungeza apha uhleli unayo indawo, kukokwenu." Me: "enkosi mama." we washed the dishes. Yakhala phone yam. Mandy bawo. Me: "hey?" Mandy: "where are you?" Me: "ndihlel nomama ka Sine." Mandy: "you still coming back? Ndizok'thatha." Me: "no Mandy." Mandy: "okay ke. Bye." I hung up. MakaSine: "yinton ngoku?" Me: "she's having a braai. Ndiyongqena ubapha." MakaSine: "wonqena bani?" Me: "everyone. Amehlo. The sympathy." MakaSine: "I doubt kwi braai umntu uk'jamelele lonto. Ndisakhumbula ngemin zam. Sasingekabina phone ke thina, kufike tshomi zam ekhaya zindicele kumama. Bacenge ke oosisi. Kude kuvunywe. Ibeyilo excitement uphuma. The last time ndaya kwi disco, ndadibana noZolani notatakho." Zolani being Sine's father. Me: "ebenjani?" MakaSine: "emhle enezothe uZolani. Little did I know kukho unumber 2 wakhe endingamaziyo." Me: "bra Zakes?" MakaSine: "ewe! Yambona ke lowo. Wawumva apha kulwimi. Zolani ngumntu onentloni, Zakhele wayekwazi uyithetha into ngomlomo wakhe. Smooth talker. Ene boy encinci athanda uyotheng ilekese nayo." Me: "Lukhanyo?" MakaSine: "no, this one wasn't part of the twins. Lo wayemdalana maybe nge 5 years or so. And wayehlala nomamakhe." Me: "but..." MakaSine: "nam andimazi wayaphi lomntana. Me: "nothing." I sat down. Siya: "I'm not a doctor. Or a psychologist. But I can tell There's something wrong." Me: "I just feel a bit sad. Can I have a moment?" he sat next to me. 😊_-_- Lord. Me: "siy-" Siya: "I won't say a thing. I'll be here as a friend, punching bag, swear pillow, huggy human. whatever. And if you want silence, I'm silent too." Me: "a huggy human? Seriously?" Me: "I asked Mandy to pick me up because I didn't want things to be awkward for me and you. Moving back in with you? That's not the greatest idea and you know that." Luks: "in what way? Its not like I want to fuck you mos. We have kids in the house. Nothing was gonna happen." Me: "right and that's why you're busy fucking at this moment ne? Okay Ta Luks. I hear you." Luks: "mxim." I hung up. Siya: "you still good?" Me: "I think I'll have that drink now." Siya: "would you rather talk about whatever it is that's going on?" Me: "Siya. I don't want to Talk anymore. I'm done. Siya: "I pretty much doubt that. I can be a good friend. Ask my friends." Mfundo: "he's not a very good friend. Ndithembe mntasekhaya. Yabona lo?" he sat on my other side. Mfundo: "he will answer your call at 3am ayok'landa wherever you are. He will wake up from wherever he is and drive to you just to talk

Chapter 758

I was woken up by a light switched on aphe roomin. I sat up. Siya: "hey, sorry ngokuvusa. If I could see, I'd have just left your food here." he brought me the plate and drink. Me: "thanks." for the first time, I was actually starving. Siya: "feeling better?" Me: "probably after this meal." I started eating. He just sat there and looked at me. Me: "would you like some?" he took a piece and ate with me. Siya: "undiselisa kabhlungu." Me: "what did I do? I've been sleeping half the night." Siya: "andikwazi uqumbele nton. Can't even ask friends zakho, andifun bangathi ndithanda indaba. I'm just worried." Me: "I'm fine. You can drink, ndigrand mna." Siya: "I don't want to." I took a sip of my juice. Me: "Siya what do you want exactly?" Siya: "do I have to want something?" Me: "yes, you wouldn't be here otherwise. You already said une girlfriend so if its sex you want, I can't give that to you. You already know I'm going through a divorce, the friend I thought I had has deserted me, I just lost my father. A lot of things are just not going right for me right now. Okay? So please." Siya: "is that why you think I'm here? Sex?" Me: "then what?!" Siya: "you're attractive, I admit. Kodwa that doesn't mean I want to do that to you. Why can't I be your friend? I sure as hell can't replace the one you lost but I'll be there for you. Always. I'm sorry about your father. I didn't know." why couldn't he just disappear! Siya: "I'm guessing you don't want me around huh? Well, sorry for actually caring." he stood up and walked out. Who else bothered to bring me food or see how I was doing? I got out of bed and went out to look for my new friend, if he still wanted phof. He was standing outside with Mfundo encumile. Listening to his drunk friend. Me: "Siya." Mfundo: "nanku Lihle! Hello my f! Khazapha." he stumbled over to me and folded his arm over me shoulder. Mfundo: "kuthiwa awuphilanga, uthen? Cramps?" Me: "no, just a headache." Mfundo: "oohhh. Me: "Siya, could you please help me? Please." Siya: "maybe." Me: "I think I'm bleeding." he looked at my foot and unfortunately it wasn't a thorn, it was a piece of glass. He scooped me up and walked to the patio chairs and sat down with me. Siya: "uyinyathela njani iglass for a good 3 minutes Lihle?" Me: "I don't know." Siya: "I'm gonna have to pull it out." Me: "no!!!" Siya: "yi-must Lihle. I really have to. Mandy! Can I have the first aid kit?" she went to fetch it. Siya: "Close your eyes." I covered my eyes. This one is smaller so you're gonna have to sit still okanye ingophukela phakathi." Me: "its burning!" Siya: "hold on to me. Cimela." I did as I was told and he pulled it out. Mandy: "what happened?" Siya: "well, since ndiyi friend yakho, you don't have a say anymore. Since you just assume I want things I didn't even ask for." Me: "I said I'm sorry." I had this client for 2 years, and he's been pestering me about some stupid Chinese deal that I'm overlooking. He owns this company, deals with communication stuff. He's creating mobile television for a selected clique, I told him this was a bad idea." he gulped his beer. Mfundo: "so I do my research and find that the owner of this company already has multiple offers, for instance kukho company esandovulwa recently, There's another in cape town and kubekho my client. The problem with someone who can't make up their mind is that they always place the pressure on you-" Me: "I'm fine too. Thanks for asking." Mfundo: "I didn't ask." Me: "you're supposed to." Mfundo: "oh." the waiter came to us and he ordered, I ordered too. Wemka ubhuti. Mfundo: "so what do you do?" Me: "I'm a student, marketing." Mfundo: "marketing? Like advertisements?" Me: "not just advertisements, promoting, designing, selling. We make the product wantable." Mfundo: "oh. Anyway, do you know Chua Global? Its the company I was talking about." he carried on and on about his work. I've heard that name before. Lubby once mentioned it. Me: "Wang Chua?" Mfundo: "yeah, he's the founder." Me: "do you mind telling me about yourself?" Mfundo: "what do you want to know?" Me: "where you live, your childhood days, where you schooled." Mfundo: "oh, I live in Despatch. Ndakhulela eDwesi. I used to school in VP" (Victoria Park High School.) Me: "how did you meet your friends?" Mfundo: "I worked with S'fiso before, he introduced me to Siya noAyanda the doc." Can I go home now? I checked the time and it was only 10 minutes. 110 more to go. Our meal came, I used my cutlery. Yatsho imboza ngesandla sakhe licking his fingers too. I was embarrassed and scared. Because with those sticky hands he drank again nge glass. I just stared at him. Mfundo: "whaa?" he chewed. Me: "nothing." I played with the fork in my hands. Mfundo: "awulambanga?" Me: "hm...I had breakfast." Mfundo: "sooo...." Me: "I'm not really hungry." Mfundo: "oh." I was soo gonna kill Siya and Mandy. They were both around futhi laughing their asses off. Mfundo burped and reached for the napkin wazosula umlomo and hands. My phone rang. I checked the caller. No, no. Not now. The convo was dead kule "date" so dead that I could hear a hymn in the back of my head. So dead that I was near ukushumayela. I checked the time again. 90 minutes left. Mfundo: "let me tell you a joke ne? Ungahleki." he giggled. Me: "oh I promise I won't." Mfundo: "this

one time I'm with someone yabo. So as comfy as I was. I farted. She decided to fart too." he laughed. Mfundo: "so my first fart was an ice breaker, I had a lot more to go also when she farted I decided she won't mind. So...." he laughed again. Mfundo: "I let out a big long one, you know the one that has the sound at the end? Yona. And she tries too but this time its not just a fart, she actually shit herself. It was so hilarious I could've died!!!" he laughed hysterically. 😱O.o You Should've. 😞;/ Me: "hehe. Hayi sana." I sipped my iced tea. Me: "I hope you're not looking for a platform yosuzo because There's bathrooms for that type of shit. You know that right?" he laughed harder. Mfundo: " 'bathrooms for that type of shit'!! You're so funny!" (._.) God please. I swear I was being pranked. Me: "are you done, can we leave?" Mfundo: "awubawel siye casino for some gambles? Just excitement!" Me: "wooh why not." I took out my wallet. Mfundo: "no I got it. Don't worry." he paid the bill sahamba. Walking to the casino. Ungena kwethu he started at this one machine, waiting for him to get comfortable. I disappeared to another side ndibaleka yena. Ndabuka wethu passing time for at least 45 minutes till he found me. Mfundo: "I thought you left." Me: "no, didn't wanna disturb you." Mfundo: "you don't like gambling? You want to go to the kiddies side? The magic company?" Me: "as a matter of fact yes. I would." Mfundo: "unfortunately I was banned from there, so no can do." how does an adult get banned from a kids' play place. What the hell could he have done? Mfundo: "we can go swimming!" Me: "no. I have an appointment yazi, just got a call. So I'll have to go." Mfundo: "oh, but I enjoy your company." I'd disappeared half the time though. Me: "next time ne?" Mfundo: "okay. Will you call me?" Mandy: "Mfundo? What were you expecting." Me: "Siya owes me a nice pair of heels for this." Mandy: "that bad?" Me: "he tried, I didn't..he's just, too much!" we arrived home kumise moto ka Lukhanyo eme ngaphandle. He was dressed in a black pants, black shirt and a white blazer and tie. He looked pissed off. Me: "hello." Luks: "hey. Molo Mandy." Mandy: "I'll be in the house." wasishiya phandle. Me: "what's wrong?" Luks: "I've been trying to call you, where've you been?" Me: "I'm sorry, I was..." Luks: "okay whatever, listen. Ndivela kwi skolo s'ka Lutha, I had to fetch him because he's not feeling well." Me: "utheni?" Luks: "I don't know. Nguwe umamakhe. Told you izolo abantwana bakhalela wena but you always think I'm lying." he opened the door. The boy was sleepy, his eyes swollen and red. Me: "come here baby boy. Iza umama abone." he pulled himself up waza kum. Me: "hello Luhle sweetie pie." Luhle: "ello mama." Me: "uthen boy?" Lutha: "susu ka Lutha sithi ha.a." Me: "uhluthi uLutha?" he shook his head. Me: "Lutha ebetye nton?" Lutha: "niks." Me: "did you take him to the

doctor?" Luks: "not yet, Lihle I have a meeting in 30 minutes." Me: "hayi ke Lukhanyo ndithini mna? leave them here and go to your important meeting." Luks: "uyathanda ke undenza umntu ongakhathaliyo. Uyazi ba soze ndishiye mntanam egula." Me: "I can take care of him. He'll be fine." Luks: "oh mayibendim lo uyokhubeka phakathi kwabantu ndicinga umntana?" Me: "what do you suggest? Luks, I'll take him to the doctor. I'll inform you uthini. I promise." he bent down to his son. Lutha went over to hug him. Luks: "I love you boy ne? Uyeza utata vah? Ndikphathele nton?" Lutha: "chips." Luks: "Luhle baby girl ufuna nton wena?" Luhle: "fun Lutha wam mna." ncaaaw.. 😞:(Luks: "eish, nindenza soft Nina kodwa." he kissed his son. Luks: "undithumele message Lihle." Me: "okay." by now I was thinking all sorts of things. Luthando une susu njani uLuhle aberight when they eat the same food at the same time? Luks: "what?" Me: "nothing." Luks: "don't. Ndiyak'cela. Do not." Me: "do you think la creche yabo is safe?" Luks: "how?" Me: "we'll talk about it later. Get going." I took Luhle and their bags. Luthando waziswa nguLukhanyo. Luks: "Text Lihle." Me: "I will!" damn. He left. Mandy: "and now?" Me: "doctor. ASAP." she took her keys immediately.

It was late afternoon when the nurse brought back my son. He was asleep by then. Naku Mandy Luhle was sleeping. Oko ekhalela ubrother wakhe. Lukhanyo arrived right then. His jacket was off, sleeves up and tie hanging. Me: "is he going to be okay?" Nurse: "the doctor had a look and prescribed him some medication to let go of the upset stomach." Luks: "just an upset stomach? How? Because he eats what his sister eats each and every day. How is he the only one sick?" Nurse: "we need to check her too in case she starts later than her brother, immune systems are very much different even in twins." Luks: "you best get on with it ma'am." she took Luhle from Mandy wemka naye. Luks: "boy." he brushed his baby's head taking him from me. Me: "let him sleep. How was the meeting?" Luks: "went well. Buzothin earlier?" Me: "here?" I whispered. He stared at Mandy. She got up and left. Yep, That type of stare. Luks: "yes here!" he continued. Me: "uChuma zolandwa nguban eskolweni?" Luks: "ngu Lubby. Talk to me." Me: "I didn't tell you that, when Lyle called, he also sent a picture." Luks: "picture ethen leyo?" Me: "a picture of our kids." Luks: "and you didn't think to tell me this!!! Why are you so damn selfish!" Me: "haibo Lukhanyo." Luks: "don't act innocent! You were wrong ngongandibonisi and tell me! Anything could've happened knowing that lomntu has access to our fucking children wena uyaphola! How Lihle?!! What kind of mother are you?" I sat down and kept my mouth shut. Luthando woke up. Luks: "nxx! I-selfish man lekaka uyenzayo Lihle. Kukunya kodwa mos. When something bad happens uphinde uzolilela mna when all along ubuthule!" as much as those words stung. I sat up straight and kept my emotions in ndavala

umlomo wam. No I didn't have to sit and listen to this but arguing with him? In a hospital? I value my pride more than my feelings. I can stay chilled for my kids. Lutha: "mama." he wailed. Lukhanyo paced around rubbing his back. Wabuya uNurse with Luhle. I took her. Nurse: "she's absolutely fine and healthy." Me: "thank you." Luks: "I'd like to confirm with the doctor." Nurse: "most certainly sir, this way." they walked down the corridor. Luhle: "qirha uthi ndimhle mna." Me: "umhle nyani mntanam." Luhle: "fani nomamam ne?" Me: "ewe baby." Mandy texted me. "ugrand peto?" Me: "ewe mtshana cela ungandishiyi." Mandy: "I'm outside." Lukhanyo came back, phof walking past me uyophuma. Oh? So I walked out too ndaya kuMandy." Luks: "ndicel umntanam." Me: "Lukhanyo please. Seriously? Sorry I didn't tell yo-" Luks: "it doesn't matter anymore Lihle. Who knows what would have happened bubu careless bakho! Umsaphi lomntana? Uzohamb ulala kwi friends kengoku with my kids? Sundiphambanela mna. Khasapha umntanam fondin." Me: "angel iya kutatakho." Luhle: "funi." Luks: "uyaz'bona izenzo zakho?" Me: "I'm not gonna fight with you bonanje. Nanku mntanakho. Since you're the one with all the money, houses, cars and medical aid. You'll take better care of them, undiyeke ndizisokolele ke mna." I put my daughter next to him, kissing her goodbye. Me: "I love you baby va. Ambongena motweni." I walked to Mandy's car ndakhwela sahamba. Iinyembezi zazehlela right then. Mandy: "iyawa yinton ngoku? What did that bastard say?" I didn't even know where to begin. I felt like I'd failed my whole life exam. The money I had I used to pay my fees for the entire year, the rest I'd saved was for my next year, and emergencies. I couldn't afford to live lavishly anymore. That's what hurt the most. This, ladies is the problem. We often get used to someone and their possessions uzilibale wena, when they're gone. You pick up the pieces uqale komnye, naye emnke and the cycle continues. I had a decision to make, its either I drop out and make something out of my savings like ubuyela in business which did well before. Or I continue ngeskolo ke and possibly lose the privilege to be super mom bahlale kutatabo. I couldn't do both. I had to choose one. The car screeched to a halt frightening me back to reality! A man was standing in front of us enxibe mnyama. Wasijonga and continued crossing the road. Mandy: "Lihle... Who the hell was that?"...

Chapter 759

The moment we got home we were both shivering kukoyika. Me: "Mandy what happened?" Mandy: "I don't know!" she cried. Mandy: "I was going to get you a tissue, ndijongile endlelen and there was no one. I looked away for literally two seconds and

he just appeared phamkwam!" I sat down slowly. I had flashes of The look in his eyes. Sinister, dark, evil, just damn scary. He didn't look frightened let alone shocked. He literally just walked off like nothing happened. Mandy was beyond shaken. Probably yilento yoba he just appeared out of nowhere. It was bright as day phandle. I was suddenly paranoid and began searching the house. Mandy: "what?" Me: "I don't know. I'm just as scared. Ndifuna utixa but have to check no one's in here first." Mandy: "what does that have to do with anything? Akasuki apha mos!" Me: "how do we know that!" Mandy: "Lihle that was a ghost." Me: "no such thing Mandy man!" I began sobbing too. I couldn't stop thinking of his eyes. I couldn't get it out of my mind. Mandy had her phone in her hand, wayibeka endleben. Mandy: "S'fiso? Please come. Right now.....something happened.....I don't know! Just get here!" she hung up. I was even afraid ukuya etoilet. We locked all doors, closing all windows. Me: "maybe we're just over reacting. Maybe...it was just a mistake." Mandy: "yeah? Maybe I didn't look properly and he was just crossing the road." Me: "the look on his face." Mandy: "I know. I can't forget it." we waited in the lounge for S'fiso. Mandy: "so what did he say that made you upset?" Me: "he asked what kind of mother I was letting the kids in danger. He said I was selfish and careless then told me akazovumel abantwana bakhe bahambe belala kwi friends zam." Mandy: "and you said nothing?" Me: "I let him prosper athe the yonke afune uyithetha. I know I'm a good mother to my children, I love them and do whatever it takes for them. Eyoba andikabina ndawo eyeyam yohlala or enough money meant nothing to me until now. I have to do something Mandy." Mandy: "unayo indawo, your father's house and here. You're not chopping and changing addresses mos oko ulapha and he'll find you here. Ingxaki iphi? He's just mad at himself for being bitter qha. Don't let it affect you." she took off her pants. Mandy: "can we change?" we went to the bedroom. I wore my short pajamas, vest and gown. She wore a night gown. we heard a knock on the door. Sajongana. S'fiso: "Mandy! Vula!" she went to open the door. He came inside the house with Siya. S'fiso: "what happened. Mandy: "I was driving from the hospital, trying to get a tissue, I looked, I swear I looked at the road. But 2 seconds later some guy just popped up and stood in front of the car. Wasijamela. Then walked away. He didn't even seem scared like he was counting on me to bump him." Siya: "he just looked at you?" Me: "what I saw in his eyes. It was inhumane." S'fiso: "heee hayin girls, nide nitixe kangaka. It was a mistake. Maybe he's just one of those people who don't frighten quick. You must have overlooked him babe." Siya: "yeah, sanubane xhala. These things happen a lot. Okay? Were you crying?" I shook my head confidently. S'fiso: "let's just order pizza and watch movies. Kuzoba right man, don't be afraid." Siya was making the call for pizza. I sat on the couch. Siya: "hey." he sat next to me and hugged me. Siya: "you

okay?" I shook my head. Siya: "don't be scared. Akhonto izokwenzeka. It was a scare I understand but its harmless." Me: "its not just that." Siya: "what else." I began to tell him everything. Word for word. Oko ethule. Siya: "why do you let him do this to you?" Me: "because this time I was in the wrong." Siya: "even so, he had no right to speak to you that way. Worse phambi kwabantwana. You don't need a big house or fancy car to be a great mom, noba ubuhlala kwi tyotyombe ayimfun lonto. As long as you take care of your kids." Me: "I've got to make a plan." Siya: "you're not dropping out of school Lihle. I won't allow that. No matter wenze nton ngobom bakho he'll shut you down because you let him. You have to cut him loose ngoku." Me: "I have Siya. But I can't keep him away from his kids." Siya: "no you can't but you will control indlela athetha ngayo nawe. Its about time this shit gets to court." Me: "that's just drastic." Siya: "yi-emotional abuse Lihle Le. Unless I'm just plain deaf. And he won't stop, trust me." Me: "as if you would know." Siya: "yes I do because utatam wayeyenza kumamam. He hit her, insulted her. Esula ngaye phantsi sibukele. She tried getting out but he used to change for weeks and be the loving husband and greatest dad. Aphinde aqalise kwakhona amthuke. Over and over again, telling her she's incompetent and a waste of space. You don't want that life Lihle. You don't want your kids growing up that way." Me: "ndizothin ke Siya!!" Siya: "nantsiya court izombonela icebo. If he can't speak properly or handle you ngendlela elungileyo. He'll be arrested. No woman should have to live without her kids ngenxa yento ez'ncinci like money. Because kids won't remember money but will remember love." I held on to him tighter. It felt real. Someone that actually gives a fuck about your wellbeing. But the only question that rang in my head was "for how long". I couldn't go down the heartbreaking road again. Worse Siya uyahamba ngomso lo usayo ndishiyeke again. I let go and sat up straight. Siya: "how's your foot?" Me: "its fine." Siya: "is it?" he tickled it. Me: "stop!" I giggled ndisula inyembezi. I didn't want to laugh just after a cry but he made it happen. Siya: "how was the date?" Me: "bad, you owe me." Siya: "Mfundo tells me he had fun." Me: "with himself, yes." he laughed. Siya: "oh but I promise you the next one will be amazing. Ndithembe." Me: "I don't want a next date. I don't want anything. I'm good now." Siya: "sure thing. Miss Lihle." he browsed through the channels on dstv. Until he found a movie starting. Daddy's Little Girls. Siya: "watched this before?" Me: "no but I can already predict it." Siya: "tell me." Me: "wait." the movie played up till the part where the grandma was sick, discovering she had cancer, the drama that unfolded with the baby mama. Siya: "you're like that?" Me: "I wish I was." Siya: "oh you're the mature type huh. Little stuck up too. With your standards higher than them Prada heels." I chuckled. Me: "she's gonna lose the battle of custody, she's too ghetto and loud. Probably lying too." he laughed. Siya:

"don't judge!" Me: "the poor guy is traumz. Check." Siya: "she's doing it to the right guy, if it was the thug, ngek'dala wafakwa inqindi Le planga emlonyen. Them niggas don't play." Me: "you're scared of thugs?" Siya: "I was once a thug." Me: "oh really? How?" Siya: "I stole ilekese everyday kwi Spaza sika Mambhele." I laughed. Me: "you were such a bad boy!" Mandy: "hayin bethuna utheth'ba aniva emnyango?" there was a knock. She went to open. Pizza was here. We brought it in and dished up. Siya: "how old are your kids?" Me: "2 and the last born is 4 going on 5 months." Siya: "last? What if you get married again and lobhuti wants to have a baby?" Me: "if I get married again? That's highly unlikely." Siya: "no it isn't." Me: "who would want to marry me? I have 3 kids, no job, a thug as an ex husband, nothing to call my own." Siya: "can I correct you? You have 3 blessings. You're on the road to a better life and securing your future, and a dumb ass for an ex." Me: "you're sweet." Siya: "really? Most people say I'm rude-" S'fiso: "you are rude. To me. And Mfundo. And everyone else." Siya: "I am straight forward." S'fiso: "in a rude way." Siya: "don't listen to him." I ate my pizza, we drank some wine and watched the movie. S'fiso and Mandy had long left. Siya: "would you like a snack?" Me: "which is what." Siya: "I don't know I'll make something." he got up and went to the kitchen. He was drunk. I was just tipsy. He opened the fridge and took out food. Siya: "I want a cheese melt hot dog." Me: "melted cheese you mean?" Siya: "as long as that motherfucker done melted." we took out sausages. Defrosting them sabeka cheese to melt. Cut the rolls safaka phakathi. Me: "mustard -" Siya: "and sweet chilli please." Me: "my favorites!" we high fived and laughed satya. After our meal, we were just talking nje. Siya: "you got somethin on your..." I wiped my mouth. Siya: "its time for you to get to bed, mna ndiyavuka ksasa." Me: "are you gonna come back?" Siya: "no, but you're gonna come to me whenever. Off to bed my Cinderella." Me: "okaaay!" I drank some water ndaya eroomin to sleep.

Tuesday morning I'd woken by 5am, cleaned my room. Ndayovasa and wore sweatpants and vest. Of course with my underwear underneath. Tied up the hair ndaye lounge. Siya woke up from the couch. Me: "morning." Siya: "coffee." he was still sleepy. I made him some coffee. Black and strong like him. Me: "here." Siya: "you're an angel. Bani xesha?" Me: "twenty to six." Siya: "damn." he drank his coffee. Me: "gotta go?" Siya: "no. Not yet. I just need to go change. Meet me at the St Georges Park in an hour." Me: "why?" Siya: "just for kicks. Don't eat, just go." he got up. Siya: "tell fifi I'm gone." Me: "alright." he took his keys and walked out. What was I to do with myself for an hour? Siyothin? What do I wear? Oh God I hope its not another date. I went to the bedroom to change into my skinny jeans, rolling them twice at the ankle. Leaving the vest on. Sneakers or sandals. Khame ngobayi tomboy. I wore the sandal, fixing my face. Mandy came in. Mandy: "where's Siya?" Me: "he left. And I'm

about to too." Mandy: "oh ok, I'm taking S'fiso home. When you done I need you to help me." Me: "with?" Mandy: "izolo I'd called the agent for the property in North End right, she said she'd call me today once the paperwork is finalized. So we have to get cleaning supplies, paint, furniture and design that place proper." Me: "okay." she left the room ndaphuma with my bag ukuya estopin. I got a taxi to town and one up to Greenacres but got off eST Georges, walking to the gate. I waited about 20 minutes. I saw the black car coming up the road and park. The joy I felt to realize it was him. He got out the car dressed in a black long sleeved muscle top and semi tight jeans. Guess what? Rolled at the ankle! With black sneakers. Siya: "one request." Me: "what?" Siya: "blindfold." he blindfolded me. Ndamva evula i-boot and then held my arm. Siya: "if uwile ke ayindifuni mna." I giggled. We walked into the park, strolling around, phof mna andiboni nto. Me: "describe what you see." Siya: "hm...trees, autumn trees, swaying about from the wind, brownish leaves falling to the green grass, we're walking on a pink and grey pavement it leads to a step, woah, watch it. Left foot up. Let's go.. Oh and There's benches. Wooden. An elderly couple is sitting with their dog reading a book." Me: "a dog is reading a book???" Siya: "no idiot, the couple is!" he laughed. Siya: "oh and There's a group of boys playing soccer. One of them just said hi." Me: "to who?" Siya: "Me." I laughed. Me: "is he gay?" Siya: "probably. Stand here." I stood. He let go of me. Me: "are you gonna feed me?" Siya: "not a chance, you should've eaten at home." Me: "you told me not to!" Siya: "you shouldn't listen to every shit I say." Me: "mihlolo!" he took off my blindfold. Me: "a picnic!" Siya: "duh. Come sit." we sat down. Me: "so you made these?" Siya: "nope. The hotel wouldn't let me borrow their kitchen." Me: "ncaaw shame." we ate our breakfast. He even had whipped cream. Me: "why?" Siya: "let me show you." he took the can wayihlukuhla and sprayed my nose. Siya: "hold on." he took a grape, scooped the cream and threw it back in his mouth. Wazihleka. Siya: "I couldn't resist." I tried my best not to laugh. Me: "mxim." he wiped me with a tissue. Siya: "what is it that makes women so bitter all the time. Stop sulking!" Me: "because men are idiots." Siya: "no, you just want a movie actor. We're not perfect." Me: "you don't even try." Siya: "then how about umchazele umjita into oy'funayo instead of being mad about something for 3 days not talking to him." Me: "he's supposed to know!" Siya: "we're not google. Tell me the first 3 things that make you mad." Me: "Bad Manners. Selfishness. And the ego." Siya: "the ego gotta stay put though." Me: "it should be adjusted." Siya: "nah. if I got to adjust my ego, then my girl is gonna have to adjust her little attitude." Me: "not all girls have attitude." Siya: "and not all guys have ego. What made your date bad with Mfundo? You had an attitude." Me: "I did not! He eats with his hands!" he burst out laughing. Me: "oh its funny huh?" Siya: "it can't be that bad."

Me: "oh it is, he spoke about his work all the time. Burped. Chewed with his mouth open. Told me a joke about fart while I'm trying to eat." Siya: "he told you the fart joke?" he was tears of laughter. Siya: "I love that joke! Its hysterical!" I looked at him blankly. Siya: "sorry Cinderella. But he tried." Me: "I didn't feel the same. He took me to the casino and lost me for 45 minutes, if bendise camkwakhe he would've gambled me too." Siya: "sounds interesting to me and funny. Like I said, men aren't perfect. Maybe if you'd asked him to do things to make you comfortable then you would have enjoyed yourself but instead you had an attitude since last night." Me: "he could've at least pulled out my chair." Siya: "did you ask him to?" Me: "do I have to?" Siya: "touche. But you gotta stop reading that 50 grey shades bullshit. That nigga don't exist. This is South Africa." Me: "50 shades of Grey. He might not exist but he's worthy to dream of." Siya: "a guy that mistreats women, using them for sex, torturing and controlling them just because he's a billionaire? No." Me: "they knew what they're getting themselves into. Its not like he lied." Siya: "that's the problem, women will forever be miserable because they find love in disrespect and violence. Good guys are out there waiting for women to make them their queens, love them and protect them but women go for the vultures. Why?" Me: "its a dog eat dog world. You should become a wolf." Siya: "I'm not gonna change my good guy image for anything in this world, if a girl can't see that. Andingen ndawo." Me: "well, it seems a bit lame'ish." Siya: "oh I'm lame now?" Me: "not you. Just the sit back image. Girls like fire. Bring out the fire." Siya: "and burn her damn weave. Yes." I smiled. Me: "what's this?" Siya: "my helicopter. Bruce Nantsi'nkomi'siwa Willis." I rolled onto the grass ndihleka eyona ntsini. Siya: "what?" Me: "what the hell?" Siya: "S'fiso bought it, Mfundo named it and I own it. Come." he took out the remote then stood behind me. He held my hands teaching me the controls. Siya: "you get it started here, starts flying. You control it here. And when you want to land, you press here." I started. The blades started rolling, it floated up unsteadily at first up into the air. Siya: "you don't need to lift your hands up too. Relax." Me: "its flying!!" Siya: "I see that, don't get too excited Cinderella. Control." Me: "wait...where's it goin!" Siya: "relax. Use the control." Me: "its running away-" Siya: "USE THE CONTROL!" Me: "its gonna crash!!!" Siya: "Lihle!!" he screamed. Me: "sike!" I laughed controlling the Heli back up in the air. He breathed a relief with his hands on his hips. Siya: "you're a real piece of work. Can I have it back please." Me: "No!" Siya: "excuse me?" he chased me down the park. Me: "you're gonna crash it!" Siya: "I don't care!" Me: "wait let me land! What kind of pilot do you think I am?" Siya: "the kind that scares its passengers." I landed the copter sideways because I'm not a pro. Siya: "this is the one thing I love kwi toys zam zonke. Don't you ever crash it. You hear?" Me: "like you'd let me touch it again." Siya: "its

yours." Me: "really? Thank you!!" I hugged him. Siya: "okay, okay, I get it!" the rest of the morning was just great. We had played in the park most of the time and talked and joked. Now it was almost 1pm. And he had to go. We packed our things and walked to the car. He drove me to Mandy's place. Wamisa phandle. Me: "thanks for taking me out." Siya: "I did promise you an amazing date, didn't I?" Me: "well I loved it. And this." signaling the toy helicopter. Me: "you'll still visit right." Siya: "of course. Ina." he took out a paper and wrote down his number, email and home address. Siya: "whenever you need me." Me: "thanks. uhambe kakuhle Siya." Siya: "stay well. And be strong okay? Don't let these boys bully you. You're your own boss and nobody will talk to you no kind of way. Ava?" Me: "yes." Siya: "good. Buzz me so that I can call you ufika kwam." Me: "I will do so." I opened the car door ndahluka, buzzing him. Me: "bye." he waved and smiled. I closed the door and walked to the house already missing my crazy bud. I was almost gonna cry when I opened the door the car pulled away. I walked in the house. Mandy: "hey!! What happened?" Me: "nothing." Mandy: "talk to me." Me: "the most amazing date I've ever had. And he just leaves." Mandy: "did you ask him to stay?" Me: "no." Mandy: "then ask.." me: "he has to go back to his life Mandy. And sadly its not here." Mandy: "you actually like him?" Me: "no. He's just a great friend." Mandy: "aren't I?" I hugged her tightly. Me: "especially you mtshanam. You'll never leave me."

Mid afternoon we'd bought the paint already. Deciding on light blue because its a relaxing color. We needed two waiting couches. A carpenter to make the proper dressers and mirrors. A plumber to fix in the sinks and an electrician. While Mandy went about to the workshop for help. I went to look at the furniture shop. There wasn't much I liked. Or let me say, it was too homely. I left again in search of someone who can make a couch from scratch. Doing my research we were led to Uitenhage. Mandy: "color?" Me: "white leather. Flat with an arm rest on either side or... Just one?" Me: "either side. Do you think white is ideal? A lot of different people coming in and out. Uzobamdka quick." Mandy: "black then. The tilling will be white." I wrote down. We explained to the owner the type of couch we wanted and he showed us pictures we like and approved. Mandy made the order paying her deposit in sahamba kwakhona ubuyela ebhayi to CTM. Me: "large squares? Or you'd like a pattern?" Mandy: "large, white and plain. I'll go check out the toilet and sinks." I made the order for the tiles but I couldn't yet because the place had to be measured. Either I bought a lot and they get left over or I buy too little ndiphinde ndibuye sezingekho. Guy: "we could send a surveyor to take a look at your place. Free of charge." Me: "thank you." I took the address from Mandy. It was already past 5 emini. My foot ached. I was tired. My back was sore from walking and standing. I just

needed rest. We finally went back home noMandy. My phone was ringing I sat down ndayiphendula. Me: "hello." Caller: "Cinderella." I smiled. Me: "I actually feel like her." Caller: "complain to me, what's wrong?" Me: "I've been walking around all day, silungisa izinto ze business ka Mandy. My feet are killing me. My back, I think it just broke." Siya: "tshotsho uyathand uhamba nawe." Me: "oh thanks hey." Siya: "I'm home safe." Me: "I'm glad." Siya: "well I don't miss you just In case you wondered." Me: "me neither." Siya: "good. So you can take a bubble bath, relax and go to bed." Me: "nditye nin." Siya: "you're always thinking of food. Khaw'lale and feel some struggle." I laughed. Me: "nope." he chuckled. Siya: "this house is so cold apha. Someone left the aircon on." Me: "uhlala naban kanti?" Siya: "alone. Usisi ocleanayo comes once a week." Me: "that's how neat you are, wow." Siya: "mxim." I went to the bathroom and ran a bath. Me: "wenzani." Siya: "ima take a quick shower, check my gazillion emails and prepare for work tomorrow. You?" Me: "about to take a bath. Make a snack ndilale." Siya: "get some rest. I'll call you ksasa. Sleep tight." Me: "thanks, you too." Siya: "sharp." I hung up ndayofaka iphone kwi charger. Came back ndazovasa. I relaxed in the bath for the first time in such a while. My eyes shot open again. Kanene tomorrow is the will reading. I wish I hadn't thought of that. Why do I get this heart racing feeling. Ndavasa ndaqiba, got out the bath and went to make a sandwich and some tea. I went back to the room ndangena ezinguben and they felt amazing. Mandy came in. Mandy: "andifun lala ndodwa peto." she got into bed. Me: "don't tell me you still thinking about that guy." Mandy: "I'm not." we shared my bread ndasela tea yam and started to doze off when my phone rang. I checked the caller. Mr Mzinyathi. Ndayiyeka net injalo. It rang almost 5 times kwecwaka. I was too sleepy. Mandy: "I wish it was Saturday night again. It was a nice weekend." Me: "many more to come mtshanam and I'll be less depressed." yatsho kwakhona Le phone. Mandy: "what does he want." Me: "I have no idea. But whatever it is, andinayo." a message beeped in. I looked. Ise kwanguye kuWhatsapp. I made sure to press on the message ndaphinda ndaphuma just so kuzovela the blue ticks. For someone who isn't going to bother replying kodwa uyibonile message. It was just plain bitchy I know. Isafana ufuna undithuka mos. I'm tired mna. Yoh. Mandy: "what he say?" Me: "read it." she began reading. Mandy: "Lihle, I want to apologize for the way I spoke to you, I panicked and got really mad. I didn't mean it. Please answer the phone." Me: "oh." Mandy: "you gonna reply?" Me: "no. Yeke olohlobo. Uqibile mos undikhubekisa, makaqhubekeke ngobom obu bakhe." Mandy: "here's another one, Lutha is feeling better." Me: "that's nice." Mandy: "answer him." Me: "and say what Mandy? After he humiliated me olahlobo esbhedlele? And you know what? I am selfish. And I'm gonn stay selfish for some time because I'm tired right now and need

to sleep. Ngomso I've got a meeting. I don't need this." Mandy: "I personally don't like this Lukhanyo issue but I feel that its best you sort it out. Once and for all. Mxelele how you feel about how he spoke to you." Me: "he's gonna say sorry, and defend himself, I'm gonna accept his sorry and give him the benefit of the doubt, I'm gonna keep the peace AGAIN for the sake of the kids, aphinde kwakhona few days down the line, lashes out at me ndishiyeke ndine ntliziyo enenxeba. yoh Mandy. Ndidiniwe nyani mna." the phone rang again. Nday'faka ku silent. The moment I closed my eyes, I felt the power of my sleep. Ndayoba ngomzuzu and fell into a deep sleep. The next morning I woke up and showered. I took out a blue, white and light green vertically striped maxi dress. Brushed my hair down, powdering my face. I took a full body selfie and sent it to someone who likes long dresses. He replied instantly: " 😊:(" Me: "what?" Siya: "only now you wear what I love. That's just mean." Me: "hahaa! Enjoy your day." Siya: "You Too Cinderella. With this photo framed I certainly will." I got a taxi to the lawyer's office. Luckily, nayo bikwalapha etown. I waited until kwafika uNosizwe. We hugged and chatted. We were called to the office sahamba sayongena. Benny was already inside ehleli on the couch. Me: "molweni." Simphiwe: "hello Lihle. You May have a seat." I sat down. Something here was off. Simphiwe: "I have the written will signed and dated the week before the passing of the deceased. It was updated and reviewed per circumstances that occurred to which the deceased felt threatened. May we proceed." we sat at a large table. Wafunda ke, I listened to each word carefully. Simphiwe: "I hereby write my assets, being the house and its furniture, my car, and first business, the panel beating shop to my first born son. Sinenoxolo Tetani. I give Nosizwe the 22% shares I obtained whilst in prison with the Redinas Car company. Which is where I've been getting my monthly income from. And the final R25 000 to my daughter. Lithembelihle Manti." ...

Chapter 760

After the reading of the will. Nosizwe and I walked out together. Nosizwe: "uright mntanam?" Me: "ewe mama. I'm fine." Nosizwe: "but it doesn't make sense umntu avumbuluke out of nowhere afumane yonke into?" Me: "nale 25 000 inintsi kum mna mama." Nosizwe: "what if bayitshintshile?" Me: "what if they didn't? What if this is what my father left because Benny has no one else and no where else to go? I'm not going to fight it wethu mna mama, ndizonwabele." somehow it didn't bother me that Benny got most of the assets. Nothing was bothering me anymore. I was just anxious to call Siya and see how his day was going. Nosizwe: "u-different namhlanje. Kuthen wonwabe kangaka?" Me: "andiyazi mama. I'm just learning to not let little things ruin

my blessings." Nosizwe: "that's the spirit my love. Yabona ke, uzombona kakuhle uYesu." when we got to the bus stop we separated mna ndakhwela ebuyela eSydenham. She took a bus home. I got off at my stop and walked home. When I got to the house ndangena and made the call immediately. Siya: "hello." Me: "hey." Siya: "unjani sisi?" Me: "I'm fine wena unjani?" Siya: "I'm okay." Me: "are you busy." Siya: "kakhulu." Me: "okay, mandik'yeke ke-" Siya: "no..work can wait. What's up?" 😊 ^_^ priorities. Me: "I just came from the will reading." Siya: "oh, how did it go?" Me: "it went fine." Siya: "fine? When women say fine its never fine." Me: "I got a substantial amount of money. My brother got the assets." Siya: "and you're okay with that?" Me: "yep." Siya: "so you can hop on that plane and fly over to see me right?" Me: "for what reason?" Siya: "uzobona ipeto yakho. What else do you have to do?" Me: "help uMandy with her business. Ubuya nini?" Siya: "never. Ndithe nguwe ozoza ngapha. Bring Mandy noSbosh." Me: "I'll have to think about that. Let me leave you to your work ke, I have a helicopter to go play with." Siya: "undithumele video ke ne." Me: "okay. Still waiting on your selfie." he laughed. Siya: "Cinderella wam omhle, you fail to remember that I am a man of high stature. I do not take selfies." Me: "I don't care what type of man you are. I'm waiting on your selfie. Noba uye bathroom." Siya: "hehehee! Why do I feel like I'm bullied?" Me: "don't be a wuss." Siya: "okay. Give me 5 minutes. This is the most awkward thing I've ever done so bare with me. It won't be perfect." Me: "great! Bye then." I hung up. Mandy: "how did it go?" Me: "it went well. Need some help?" Mandy: "no. What happened?" Me: "Benny got the house and car okay? I got the cash-" Mandy: "what!!!! How?? What damn cash!" Me: "why are you freaking out?" Mandy: "because Lihle likhaya lakho eliya." Me: "andizode ndiyolwela ikhaya yomntu oyinkedama." Mandy: "heee. Wena ushiyeke us'thin? What happened to being selfish?" Me: "someone made me realize that, money means nothing. If you don't have love." Mandy: "I feel like slapping the shit out of you! We need to see a lawyer and contest that shit." Me: "I'll get a lawyer to review everything, kodwa honestly. I see nothing wrong with the way things turned out." Mandy: "call Lungelo right now. Tell him!" Me: "Lungelo is working." Mandy: "call him." Me: "wait." the message came in ndayijonga. I laughed. Mandy: "what's wrong with you?" Me: "jonga." I showed her. She smiled. Mandy: "imbi tshom yakho Lihle but he's just adorable. I don't know if its the way his shirt is tucked in or his funny facial expression or his great body structure." I sent him a message. Mandy: "okay Lihle. Okay!!" Me: "wait just a minute." she grabbed the phone searching for number ka Lungelo. I didn't have it. She checked her phone. Mandy: "here. Dial." I dialed. It rang twice waphendula. Lungelo: "Lungelo speaking." Me: "hey, ndim uLihle." Lungelo: "hey! Unjani?" Me: "great, you busy?" Lungelo: "no not yet. What's up?" Me: "I just

need your advice on something, can we meet?" Lungelo: "please bring me lunch and meet me at my office." I chuckled. Me: "okay." we hung up. Mandy: "now go. Because you so nice, you could've had a car to drive around." Me: "this doesn't bother me much. It shouldn't bother you neither. I'm okay." Mandy: "let me go drop you off. Then we can have some lunch." Me: "I need to buy Lungelo something first." we started at Nando's. Ndamthengela inyama and cooldrink we went to his office. Me: "hey!" Lungelo: "good morning. And thank you, you smell great." he kissed my cheek. Lungelo: "what can I do for you?" Me: "my father recently...passed away. I just discovered that I have an older brother who my father never spoke of. Suddenly when the will is read, he received almost everything and I'm left with 25k. Its just, I'm having doubts that the will was tampered with." Lungelo: "hm. Possibly yes, if uthi you've never met this brother ever or even heard of him. The name of the lawyer?" I told him. Lungelo: "first things first, go to him. Talk to him. Ask for any previous wills your father had. If its been updated. The moment it sounds a bit too faulty. Call me I'll deal with him. You don't seem to be mad." Me: "I'm not. People just expect everything to be mine but I keep thinking, my dad wanted me to divorce Lukhanyo, when I do I'll get one of the estates, possibly the mansion because he bought it for mna kakade and he doesn't like it, half of everything he owns, shares, money, yonke. So I don't really need anything and my dad was just looking out for Benny since engenaye omnye umntu. That's what I personally think." Lungelo: "actually, now that you say it, it sounds olohlobo, but still Lihle, you have to check. And check DNA yalomntu who claims to be your brother, if he is and the will was changed you could choose to let it be or fight it kodwa ndiyakwazi wena you're just kind-hearted. It makes other people sick." Me: "kudala man ndisilwa Lungsta, I'm so tired of it. I just want to relax now." Lungelo: "you divorcing Luks?" Me: "yes. Now more than ever." Lungelo: "no man, why?" Me: "Lukhanyo is just plain rude. He is still controlling. Still bossy. And he speaks to me like I'm dirt. Yes, he makes an effort. I'm not denying that, kodwa his bad side takes me back to the past and hurts me. I just can't deal with that. Its beeeen over." Lungelo: "you guys are like Bonnie and Clyde. It can never be over. Just watch." Me: "you think?" Lungelo: "I don't know Luks much, what I do know is that he's one man that does not give up. At all." Me: "uright kaloku Lungsta. I don't care." Lungelo: "don't you?" Me: "no, I don't." Lungelo: "hmm...new guy?" Me: "nope." Lungelo: "new job?" Me: "no." Lungelo: "oh. So you want me to help you with the Divorce?" Me: "you're a bit too strong. You'll leave him with absolutely nothing." he laughed. Lungelo: "how do you want me to be soft then?" Me: "its just a formal settlement between two civil people not a fight. He's not getting a lawyer because he says akali that I'm getting half of his things anyway." Lungelo:

"see? No man is willing to give half of his life away." he picked up the phone and called a number. Lungelo: "hey Gwen, please come to my office." then hung up. Lungelo: "so you're sure this time?" Me: "definitely." my phone rang ndayijonga. Then answered. Me: "yes?" Luks: "kunin ndik'fownela? Kuthen ungabambi phone." Me: "nangoku use krwada. I could be stuck under a truck, mugged or beaten, the first thing ondibuza yona is kuthen ndingabambi phone." Luks: "the whole night and day mos Lihle. Bendifun thetha nawe." Me: "I'm kind of still recovering from the verbal attacks you threw at me. So excuse me xandingafun phendula phone." Luks: "ndicela undixolele Lihle." Me: "sorry but I can't. Not yet anyway, not until you learn how to speak to me properly. Goodbye Lukhanyo." ndacima i-call. Lungelo: "that bad huh?" Me: "now you know." a short chubby guy walked in the office. "yes boss, morning ma'am." Me: "hi." Lungelo: "this is Lihle Mzinyathi, she's looking for a divorce attorney. Can I sign you up?" Gwen: "yes sure. I'm Gwen." we shook hands. Me: "nice to meet you." he gave me his card. Gwen: "call me and we'll set up a meeting." Me: "thank you." Lungelo: "thanks Gwen." waphuma uGwen. Me: "I should get going Lungelo. Ndiyakwaz wena uyathanda qithi uncokola." Lungelo: "its been a while kaloku. I'm always buried in work." he got up. Lungelo: "ndizophinda ndik'bone nin kengoku." I hugged him. Me: "you have my number. Call me." wavuleka umnyango. I let go. Me: "thanks for your help." Lungelo: "its a pleasure hun." his eyes were looking over me at the door. I bent down to take my bag xandijika tshin mos nanku Zintle. Akase phole uLungelo leaning on his desk with his arms folded. Me: "hello Zintle." yuh sana. Wandehla wandenyuka. Haibo. And then? For lo attitude, I added salt. Me: "you gonna call me right?" in a sweet voice. Lungelo: "definitely." ndaphuma with my best Kim Kardashian walk knowing ukhona ondjameleyo thinking heee akasaz'qenyi. Ndiright.

Back in the office. Zintle: "ikhona nto obawel undichazela yona Lungelo?" Lungelo: "like...." he casually stood up and walked over to his chair. Zintle: "like why is she here. Zinton ezi! Uqale nin utya Nandos? And why was she holding you like that? Is there something going on?" he bit his chicken, wayihlafuna. Lungelo: "no." he swallowed. Zintle: "ulala nale bitch Lungelo?" he used a serviette to wipe the corners of his mouth. Lungelo: "firstly ndiyamthanda uNandos, some days you really don't have to cook you know? Secondly, akayo bitch. Why you suddenly so insecure?" Zintle: "Lungelo I'm gonna ask you one more time. Are you sleeping with her or not?" Lungelo: "whatever I say you won't believe because you've been acting strange. Excuse me for being excited when I have a friend to talk to. And no I'm not sleepi-" Zintle: "then stay away from her! Out of all people ufuna ubayeyakhe ifriend!" Lungelo: "why NOT her. You don't like her because ebeno Lubabalo and engaged ne.

Well, let me make your day and explain that she has no interest in him or me. So just let go, I'm trying to work. Why are you here?" Zintle: "bendizobona wena. If I'd known you had company" Lungelo: "I always have company. What do you need?" Zintle: "nothing." Lungelo: "you came to see me for nothing?" Zintle: "I was going to take you out for lunch." Lungelo: "we could have it here." Zintle: "andizoty lonto mna. Ba ufakelwe iyeza uzogula wedwa.." Lungelo: "k then." he opened his laptop. Zintle: "I'm kidding." Lungelo: "I don't like your sense of humor Zintle. And I'm busy." Zintle: "Lungelo what's going on." Lungelo: "I'm sick and tired of your foul attitude and I'm busy. That's what's going on." Zintle: "seriously?" Lungelo: "Zintle I don't have time to cheat on you ndiyakthanda! If you want, hlala ke apha ecamkwam and follow me all day, matter of fact I'll be glad because we don't get to spend enough time together kodwa sihlala sobabini! Stop being insecure and secretive." Zintle: "its about the kids." Lungelo: "what about the kids?" the door opened. Prudence, the secretary came in. Pru: "Mr L, here is your new schedule, starting from tomorrow. I reshuffled everything." Lungelo: "thanks hun." she walked out. Zintle: "can we talk about it at home." Lungelo: "as long as you're not yelling at me. That's fine. Can I at least get a kiss? For the first time in 2 weeks." she kissed his lips. Lungelo: "and again.." she kissed him again. Zintle: "don't forget that you're mine." Lungelo: "oh? Am I? What about all my side bitches?" he smiled. Zintle: "that's not funny. See you at home." Lungelo: "bye hun." Zintle: "ndik'fak impama." she walked out.

Mandy drove us home saqala kwa Shoprite and bought some food then went home. We started cooking and sipping on wine. The time was about 4 in the afternoon. I'd been texting Siya since 2. Wathi ufikile endlin from work so I gave him time to let loose. Uqiba kwethu upheka noMandy she called S'fiso. Sahlala ke in the lounge mna ndibukele TV. I wanted to have a chat with my kids but I'd have to go through Lukhanyo and his apology first, meaning I'd have to drop my pride. As I was contemplating and strategizing how I was to do this, I decided after this first call I'd have the courage. So I dialed for Siya. The phone was answered, kwecwaka though. Me: "hello?" Caller: "Hi." a woman's voice answered back. Ndajonga phone yam for reference kanene who did I dial? No this was his number so who was she? The housekeeper? Me: "ndicel uSiya-" Caller: "uzamthin?" The Fuck? Me: "because he's my friend and I'd like to talk to him.." Caller: "jongapha ke peto, uSiya is engaged. Yeka uleqa amadoda angengawakho. Stop calling my fiance. Stop sending him these stupid messages zingenzi sense yobubhanxa uzifunele indoda enegama lakho es'fubhen. Siyavana ke notsitsi? Cela singaqhelani." and she hung up..

Lukhanyo sat in his office with Lubambo on his lap. Luks: "Luthando, please stop that. Drop it!" Lutha: "lambile." Luks: "ima kaloku." he tried speeding up work report.

Lutha: "lambiiiiillleee!" he wailed. Luks: "okay!" Lubambo smacked his little hands on the keyboard. Luks: "eish. Jamie!!!" Soma walked in. Soma: "sinayo ne creche." Luks: "can you change a diaper?" Soma: "nope. And I'm not going to. Uphi umamabo?" Luks: "not talking to me. Uz'xelel ba uzondinyisa straight." Soma: "don't they have a nanny?" Luks: "she's not answering her phone!" Soma: "bagoduse ke. Their grandma or something." Luks: "I'm too busy, funeke ndiy'qibe Le presentation, Naidoo wants it by half 6." Jamie: "yes sir?" Luks: "please go buy these kids their McDonalds and juice, snacks at Pick n Pay and Purity for this one." Jamie: "milk too? For baby?" Luks: "no he has milk. I just.....I'll do it in a few minutes." Jamie walked out. Soma: "fownel uLihle azolanda abantwana." Luks: "she made it clear to me that she doesn't want to talk to me and I'm not going to beg. Not yet. I'll give her a few days." Soma: "okay. Uphi uLubabalo? Is he ever coming back to work?" Luks: "I doubt it." Luhle: "Tataaaaa." Luks: "Luhle!" Luhle: "uphi mama ka Lutha?" Luks: "uyeza mntanam. When she stops being so damn selfish." Soma: "both of you are damn selfish. Why ningakhe nicingele abantwana for once and stop acting up for each other?" Luks: "but she-" he looked at his phone. Luks: "its her." Reading the message. Luks: "I'm always in the wrong kuye." Soma: "what does she say?" Luks: "ucela ubona abantwana. If that's okay with me." Soma: "there. Problem solved." Luks: "whatever." Soma: "what's Got you so mad?" Luks: "nothing. I'm just over stressed." the computer switched off. He looked below him. Luks: "Luthando, wenzantoni!!" Lutha: "lambile." Luks: "tell Jamie ayeke. I'm taking them to Sydenham." Soma: "need help ?" Luks: "no I'm good." he got up. Luks: "arrg Lubambo! What were you eating? Lasagna? Iza Luthandoluhle." they got up and ran after him. Luks: "bags zenu bethunana. Tshin thiza." Lutha grabbed the bags and ran after him. They got into the car and Lukhanyo drove. He arrived at Mandy's place and parked on the street calling. Luks: "ndilapha phandle." I Got out the house. Lutha: "mamaaa!!!" they literally ran to me. I kneeled down and caught them. Me: "hey babies!" Luhle was so excited. She brushed my hair, kissing my cheek. Me: "benim'khumbula umama ne?" Lutha: "lambile." Me: "okay my love mbongena endlin sizoty." they ran past me. What is it with toddlers and running? I went to the car. Luks: "hello." Me: "evening." Luks: "unjani?" that's much better. Me: "I'm good thanks and you?" Luks: "I'm fine...uhm...he needs changing. I couldn't do it in the office because, well...you know. Its an office." Me: "that's okay. Cela bag zabo." he gave me the baby and bags. Luks: "I'll come back for them Friday, ngomso ndizoba phathel mpahla." Me: "thank you." Luks: "so I...have to get back-" Me: "alright. Sharp." I turned and walked back to the house. Ndaqala ngoLubambo and took off his diaper ndamvasa. Mandy fed the twins. Wafika uSbosh right after her wangena noS'fiso. Mandy: "what are you doing here baby? Its girls night." S'fiso: "oh? Uthe

Can I pour you a drink?" Sbosh: "no, I...I can't." Me: "can't? Something wrong?" I fed Lubambo ndibukele ne TV. Hayin bethuna bendine ntloni zale yenzekileyo. I couldn't even tell my friends yet, that's how shocked I was. He didn't say he was engaged, neither did he mention ugirl uhlala naye pha. Why does it even bother me? Sbosh: "Lihle?" Me: "my f." I snapped out of my worthless thoughts ndamamela umtshanam ongathi uphethwe sistress. Sbosh: "can I tell you something?" Me: "of course babe, what's up?" Sbosh: "I may think I'm....." Me: "you're what?" Sbosh: "I think I'm pregnant."

Chapter 761

Me: "oh my! Congrats babe. Why do you not look so happy?" Sbosh: "Lihle I don't want another baby right now." Me: "why? Sbu loves you, Chuma is quite old. You have a great job. What's the problem." Sbosh: "I wish I could explain it. But I can't." Me: "then funeke sithenge home pregnancy test." Sbosh: "I'd like to keep it between us for now. Please? You can't tell anyone, especially not uMandy." Me: "sure thing babe. I got you." Sbosh: "how did the will reading go?" Me: "it went well." Sbosh: "oh, so how are you?" Me: "I'm fine Sbosh. I'm doing okay." Sbosh: "mkay." I laid back on the couch ndibuka usana lwam. He stared back at me encuma. This type of love beats any. Luhle: "mama." Me: "hello my baby." Luhle: "iza." I followed her to the bedroom. Me: "ufuna ulala ngoku?" I pulled her onto the bed. Me: "masivasen kqala yabo? Uzolala kamand." I took off their sneakers and clothes ndayobavulela amanzi bangena. All I had to do was supervise ndihleli on the toilet seat with Lubambo. Luhle: "iza mama uBambi." Me: "seqibile kaloku yena. Solinda wena ngoku." after they finished I took them to bed. Since they didn't have pajamas ndabanxisa skipa zam. Me: "goodnight baby wam ne." Lutha: "goonat mama." Luhle: "aview." Me: "love you too mntanam." I kissed them goodnight. Ndabeka uLubambo in between them. Knowing the twins would sleep before him anyway. Ndaphuma ndaye lounge. S'fiso had just left so Mandy was with Sbosh sibukele TV. My phone was ringing yangathi khangе ndiqalise uyiva. When I checked uqiba kwayo ndabona 12 missed calls. 10 of which nguLukhanyo the other two being Siya. I called Lukhanyo back first waphendula. Me: "hello?" Luks: "unjani?" I could tell he was pissed but trying to regain his patience. Me: "I'm fine, wena unjani?" Luks: "andiziva grand." Me: "why?"

Luks: "ndikhumbula abantwana bam." Me: "oh, I just put them down, let me check if sebelele." Luks: "no, bayeke." Me: "okay." 😞:/ I wasn't understanding what was the problem. Me: "maybe you should get some sleep." Luks: "andikwazi ulala, so I'll just work for now. Wena wenzanton?" Me: "watching TV." Luks: "ingaske ndibe nguwe." Me: "bukela nawe unayo." Luks: "ndiyasebenza nje." Me: "hm. Awuziva grand utheni?" curiosity killed the cat. Luks: "I'm over worked, kubhlungu mzimba wonke and my head is burning ngaphakathi. Hayi ke andithethi ngamehlo ona. Kunzima uwavala ayatshisa qha." Me: "have you tried slowing down?" Luks: "I can't. Lomsebenzi just piles up within hours and I can't afford to miss anything otherwise umoshakala kwezinto wonke umntu uzojonga kum athi nantsoke." Me: "so you feel the need to prove yourself? You're going to crash and burn if awufumani ncedo." Luks: "cela undincede ke." Me: "kalok mna andingo CEO nje." Luks: "heee. Hayi kengoku. Khayek udlala man." Me: "are you serious?" Luks: "ndizok'thatha? Mandy uzohoya abantwana." Me: "no. Ndingaphakathi ezinguben mna. Bazothin abantwana ngeskolo?" Luks: "I'm getting them a tutor and a full time nanny. During the afternoon, Mandy and I came home from shopping. The kids took off their shoes bayohlala phantsi. I went to put Lubambo to bed kuba esalele yena.

Mandy: "how about take aways today? Yoh ndidiniwe." Me: "that's a good idea." while we were trying to decide. Mandy: "peto?" Me: "hm." Mandy: "Sbosh has been acting strange, do you know what's wrong?" Sbosh had asked me not to say anything to anyone not even our other friend. Me: "ha.a peto she said nothing to me. Akana stress somsebenzi perhaps?" I felt guilty because I'm living with uMandy and keeping secret zika Sbosh. I was put in the middle for no reason. Mandy: "oh, unyansile yazi, apparently she has a new boss. What's his name again....hmm....Nathi or something. They say he's to die for. Maybe ke umnika pressure enintsi kunye nomsebenzi." 🙄

:o Me: "what?" Mandy: "yoh sana. He's dreamy. Mixed blood futhi kodwa uthetha isxhosa." Me: "mixed with what?" Mandy: "I have no idea. Qha kuthiwa u-hot." Me: "uziva phi ezindaba?" Mandy: "I know people." Oh My God, please Jesus don't let it be what I'm thinking. Ndaske ndatshiswa ngumchamo. I was in no position to pry but would it be impossible that Sbosh might be carrying her boss's baby? Yes. Its impossible. She is in love with Sbu. She's just a bit jittery like I was when I found out I was having Lubambo so I had nothing to stress about. Mandy: "hello?" Me: "ndik'mamele." Mandy: "what did I say." Me: "you said you know people." Mandy: "dude, I asked you umqibele nin uSiya." Me: "oh. Yesterday I guess." Mandy: "Yesterday!? Why? I thought you spoke everyday." Me: "we did but not until I found out the nigga is engaged." Mandy: "so?" Me: "hayi Mandy. Njani ba so?" Mandy: "how does it affect you xa e-engaged. You guys are just friends mos." Me: "and I thought that too!!! Until his fiance told me to just back the hell off from indoda yakhe." she laughed. Mandy: "the insecure bitch. Sapha lo phone Lihle!" Me: "its not funny Mandy. Nam andinofuna indodam ibene tshomi eyintombi." Mandy: "unless you're ugly as hell and awuz'thembanga. Peto, call him." Me: "no Mandy. I'm not desperate for friendship, I've got you and Sibongile." I checked my phone for the fifth time and I had no messages. Me: "can you buzz me?" she buzzed me, my phone rang. Mandy: "what's wrong?" Me: "Lukhanyo said he was going to call me today, he hasn't."

Mandy: "the day hasn't ended Lihle." Me: "he said at about 1pm. Its after 4." Mandy: "maybe he's still busy." Me: "no, Lukhanyo never misses ixesha lakhe. I have to go fetch nempahla zabantwana anyway." Mandy: "and if he arrives here ungekho?" Me: "you'll tell him where I am." Mandy: "okay. But I can assure you, he's just busy and will be annoyed." Me: "I don't care. Abantwana have nothing to wear funeke ndiyothenga impahla? I wish I was that rich." Mandy: "okay, whatever." I decided to wear my sneakers and a fitting denim jacket. Lutha: "yaphi mama?" Me: "ndiyabuya boy yeva? Uzond'jongela unana wakho noBambi ne?" he nodded. Me: "I'll only be two

hours mtshana." Mandy: "alright babe." I took my bag and phone ndaleqisa ukuya eBustop. Again I tried calling him cwaka ukuphendulwa, instead yacima phone. Oh well. I got a taxi ndayohlika eFord at about something to 5. I walked to the house quickly, because I had to get back to town zingeka pheli taxi. When I saw the house, I saw his car outside parked badly. The front door of the house was wide open. Which was unusual. Me: "God please don't let me walk into a minefield." I stood by the door and peeped while listening. No voices. Me: "LUKHANYO." cwaka. Where was he ? Toilet maybe. I stepped in slowly until I realized akhomntu apha. Hayi ke ndangena ndonke. Me: "where are yo-...." I gasped.....

Chapter 762

I sat in the hospital chair recalling what I'd just been through. For the 11th time. After discovering him laying on the tile esopha and unconscious I called for help. Stuja arrived almost immediately and we drove to the hospital. We've been here for almost two hours now and nothing had been said. I called Mandy to inform her I might be a little late. Mandy: "what happened?!" Me: "I don't know yet, they took him in, ugqirha was examining him." Mandy: "okay. At least he's still alive. Thank God." Me: "like barely. We'll talk later." Mandy: "okay. Bye." I hung up. Stuja: "awbawel drink mem?" Me: "just water please. abandayo." he poured me water in the paper cup ndasela. I was grateful that Stuja wasn't a man of many words, some would say he most probably knows his place and doesn't intervene kwi life ka Lukhanyo. I just gulped my water and waited until the doctor came back. Doc: "Mrs Mzinyathi." Me: "yes?" Doc: "would you like us to take a walk to see him?" Me: "yes." we walked down the passage. Me: "what's the problem." Doc: "he might have had an aneurysm when he hit his head on the tile as you explained." Me: "is it bad?" Doc: "in most cases yes, but a person could go on years living without realizing it." Me: "an aneurysm? How?" Doc: "its a localized blood filled balloon like bulge in the wall of a blood vessel-" Me: "I know what it is, I'm asking HOW. Will he be okay? Is he in any pain? Won't this affect his mental wellness?" Doc: "Yes he will be okay, he is in pain obviously but we've tried to reduce that as much as possible, it could affect his wellness however we're testing to see how bad it actually is. As an aneurysm increases in size, the risk of rupture increases. It seems to not be bad at the moment. Your husband collapsed due to his increased stress levels and lack of nutrients in his body. It seems like he hasn't eaten for days." Me: "we don't live together." he stared at me sarcastically ndaz'xelel ba I'm not going to entertain that bitchy stare from a man. Doc: "well, you're going to have to keep an eye on him. I'm discharging him in the morning. He needs to limit

himself when he gets back to work NEXT week THURSDAY. He's not allowed to touch another piece of paper unless its instructions to the medicine. Are we clear?" I opened my mouth to speak ndaphinda ndavala because whatever I had to say was not the doctors problem, concern or in his list of fucks to give. Me: "crystal clear." Doc: "great, you may enter." I went into the room. Lukhanyo looked at me. Luks: "finally." Me: "molo nawe." Luks: "khandiphakamise ndigoduke." Me: "you're not going nowhere." Luks: "what? Awuzanga zondithatha?" Me: "no. What happened to you? The doctor said you might have had an aneurysm when you hit your head. You could've died!!" Luks: "andifanga kaloku sude ulile kangaka. Kanti ndihamba nini." Me: "tomorrow." Luks: "I'm fine! Uyayaz how much I hate hospitals." Me: "you're staying here till you're discharged and the doctor okays it." Luks: "does that mean you're moving back in?" Me: "I'd hate to think you did this on purpose." Luks: "look, I remember ndiphuma espan. I went to fetch a package. Ndaya endlin. It was hot. I was tired. My eyes ached. Ndamisa moto phandle and I walked to the house. Ungena kwam. I'd forgotten why I was there so I...took out my phone. I don't remember after that." I sat down ndamjamela. Luks: "what's wrong?" Me: "are you sure no one else was inside the house?" Luks: "you think kukho mntu that pushed me?" Me: "I don't know." Luks: "you think this was on purpose?" Me: "nothing is ever coincidence when it comes to you. But maybe I'm reading too much into it." Luks: "whatever it is, we'll get to the bottom of it." Me: "I have to get going. Its late-" Luks: "please stay. I have no one else, ndiyakucela Lihle. You know how much I hate hospitals." Me: "I can't stay here the whole night. Abantwana bona?" the great sadness in his eyes. Me: "okay, until you fall asleep. I'll stay." Luks: "thanks." Me: "should I call your brother." Luks: "no." Me: "why?" Luks: "if I really mattered to him, he'd already be here." Me: "are you guys okay?" Luks: "There's just a few things that aren't making sense to me Lihle. Kukho nje izinto endifuna uzibonela." Me: "like?" Luks: "ndizok'chazela only because I trust you with my soul. I know you won't disappoint me. I hope and pray you won't ever do it again." Me: "I promise I won't." he kept quiet for a while esazama ucinga. Luks: "I think my brother is trying to kill me."

Lukhanyo woke up Friday morning ndisahleli on that uncomfortable chair staring into space. I couldn't figure out which brother he was referring to because right after that statement he fell asleep yila injection bamnike yona. Luks: "hey." he smiled ingathi nguLubambo xa evuka eb'thongweni. Me: "good morning." Luks: "thank you for staying. You don't know how much it means to me uvuka kukho umntu protecting you." Me: "why would you need protection?" Luks: "noba ndiligintsa Lihle, I also need that reassurance that someone has got my back once in a while." the nurse wheeled in the food tray. Luks: "hayi andizotya lonto mna." Me: "yes you will." Luks:

Nurse: "I don't mind." Me: "I Said ENKOSI." she looked at me waphuma ngomnyango. This little tramp. Luks: "cat fight." he chuckled. Me: "I will smack you. Khamisa." Luks: "khaqale uy'fake emlonyen wakho wena uyive ba injani. Andizoty lonto mna." I tasted the porridge. Me: "its not that bad. Jonga uzoty 3 spoons, usele pilis zakho and another 2 more then we're done. Kodwa uzoty endlin." Luks: "akho kutya kulandlu. I don't have time." Me: "we'll figure something out, funeke ndiyothatha nabantwana." Luks: "sapha iphone ndizofownela uStuja ayobalanda abase kumamakho." Me: "sapha?" Luks: "yoh, sorry, ndicela undiboleke iphone." Me: "much better." I gave him the phone and he made the call. When he was done, he called my mother after that I notified Mandy. She answered the phone after a while. Mandy: "hey babe!" Me: "what is that noise?" Mandy: "oh, we're watching cartoons! You have fun kids. Oko becula apha." Me: "oh. Thank you, Stuja uzoza azobathatha ke ne, ubasa kumama." Mandy: "alright I'll get them ready, ezampahla zabo ndiye ndaz'faka ku machine and the dryer when you told me about the incident so they do have clean clothes." Me: "thank you so much tshomam." Mandy: "my pleasure. Bye then!" Me: "sharp." I ended the call. Luks: "what's next?" Me: "we need to get you a private nurse." Luks: "Hayi. Hayi. Hayi!! Not having no stranger in my house." the doctor came in. Doc: "good morning Mr and Mrs Mzinyathi." Luks: "when can I go home? I'm ready." Doc: "of course you are. Right after you finish eating. You're free to go.." Lukhanyo waske wamjamela ebhonga. I almost laughed. Doc: "now, as I mentioned yesterday, Lukhanyo is going to need to be monitored, his diet is strict to get him back in to mobility and moving freely, he is not allowed to be stressed or associated with noise and pressure. Enough sleep is needed, exercise too-" Luks: "does that include sex?" My God. 😊_- Doc: "uhm...not if its going to strain any of your muscles. Then yes. Mrs, please take this. Its his list, make sure its done properly everytime. And remember he can only go back to work on Thursday." Luks: "yuuuh. My company will collapse." Me: "Soma can handle it." Doc: "its either you or your company. Choose wisely. You can only leave after your meal hey?" Luks: "ndik'vile." the doctor walked back out. Me: "ayinde Le list bawo! You definitely need a private nurse." Luks: "andizoy'vumela ke lonto. Andiy'fun tu. Cela ugalele ok'kutya phe toilet andizoty Le rubbish." Me: "you're going to have to start listening to me if you want me to help. So let's eat. We'll eat together." he ate the porridge and he went to the bathroom eyochama. Once he came back wathatha mpahla zakhe. Luks: "cela undicholele ibag. My back is just killing me." I picked up the bag and helped him. Me: "uzokwazi uhamba?" Luks: "not for long." Me: "ufuna wheelchair?" Luks: "HAYI! I'll

manage to the car." Me: "xa usithi akukho kutya, uzoy'fumanaphi Le diet?" Luks: "ndizok'linda endlin Lihle uzoya ngokwakho kwa Woolworths. Ndiyaqaqanjelwa mna." Me: "come." Luks: "ndibambe kaloku." we walked out the hospital ndimane ndizibuza hewethu what am I doing? No Lihle, you're just helping him, he has no other family that cares at the moment so just suck it up. Luks: "ina, thenga apha." giving me his black card. Me: "is there anything else you might need?" Luks: "ha.a. Ndizok'linda apha. Ndilambile kodwa." I switched on his huge plasma TV. Ndayokhangela kwi cupboard. Nyani there wasn't much. At least kukho noodles. I fried some stir fry and made the noodles ecaleni once everything was cooked I mixed it up and added just an inch of aromat. Me: "amanzi or milk?" Luks: "amanzi." I brought him the food. Luks: "enkosi." Me: "sit up." he rolled over first and pulled himself up slowly groaning. Luks: "fuck!!" Me: "kuzophel isgezo." I fluffed the pillows and piled them azohlala upright to eat. Me: "you good? Ndiyabuya ke va." Luks: "hm." he was still cringing from the pain. I took my phone plus bag and keys. Ndaya eGreenacres kwa Woolworths. Taking out the list I was given and looked for the items then added on grocery, cleaning supplies and everything else. Some diapers for the baby and purity nepapa. Uqiba kwam ndayobhatala and njeba ndisazam ujonga ezilekese zibawisayo zikwi till I bumped into someone behind me. Andothuka, bendiqibele kungekho mntu. Me: "I am sorry sir, I didnt-" Him: "akhongxaki sisi." he smiled. 🙄:O heh? He looked.....this may sound a bit racist but he was colored'ish looking. *Tilts head to the side* he laughed. Him: "I suggest M&M's. They're the best." he tossed two packets in my trolley. "ekse Nathi! Zobona!!!" someone yelled from the other side of the shop. This was..... Hooooo maa ghaadd!!! Have you ever been excited to see umntu buncokola ngaye unexpectedly. He couldn't be. But he fit the description. Mixed blood. Speaks Xhosa. Hot. and his name! Nguye lona. Lihle stop staring awkwardly. I reminded my subconscious. Oh yes. Pay your groceries bitch. Nathi stayed put endijamele mntakabawo engathi uqalis udikwa. Now I was about to get mad. Me: "where do you work?" he looked at me confused. Him: "you already know." Me: "do I?" Him: "yes, you went to see my employee a few days ago. Sibongile. You're friends?" Me: "oh yes. We are. licked his lips. Are you serious? Him: "we could go out for lunch." please don't tell me Sbosh fucked this darn idiot. Me: "I'm married." I felt attacked. Waske wancuma umntu. Him: "so am I." unluckily for me his friend came to him ndaske ndanombilini omde. Guess who his 'friend' was. Dr Lechaba. 😊_- oh ke bayafana shame! Lechaba: "Lihle!" he pushed Nathi out the way and hugged me whispering: "uyawathanda amantombazana ubrothers. Don't listen to whatever he's saying if you still want your dignity intact." he pulled away. Lechaba: "how are you?" Me: "I'm good doc, wena?" Lechaba: "oh, please call me Remy." wakrwecwa ngu peto wakhe. Lechaba: "khaw'me man Nathi dammet." Me: "I thought you couldn't speak isiXhosa." Lechaba: "I lied, I can speak it fluently." I took back the card, signing and rolled off with my trolley.

Nathi: "who's that?" Lechaba: "a friend of mine. You're paying for my lunch." Nathi: "can you invite her for tomorrow? Our yacht party." Lechaba: "Nkosinathi. Nathi: "probably." he walked out. Nathi: "just not a nurse...not even an intern....matter of fact let go of hospital employees. You hardly go out, you need a pick me up when my patient dies type of girl." he winked. Lechaba: "get her out your mind already! Yazi you have the attention span of a squirrel!" he laughed. Lechaba: "sick bastard." Nathi: "just tap and go. Or tap and be busy like me but call after a few days to do it again." Lechaba: "how are we related? Our values differ on so many levels it scares me to death." Nathi: "you work around death all day everyday, it shouldn't be that ba- GOD DAMNIT!!!!!" he stopped. Lechaba: "what?" Nathi: "she's driving a fucking Maserati." Lechaba: "her husband's Maserati-" Nathi: "my nigga, you're getting that ass. Come hell or high waters." Lechaba: "I can afford at least 4 Maserati's in one month, paid in cash. Why do I need hers?" Nathi: "its not about

affording it, its about driving it." Lechaba: "are you trying to get me killed?" Nathi: "maybe he might just DIE from his little sickness. Do you like her?" Lechaba: "nope." Nathi: "perfect, so you won't get attached. Tap and go." Lechaba: "you just want me to pull her close so you can snatch her from my arm like you did with Elise, Tasha, Buhle, Zoliswa and Keketso. Problem is, you don't even like her, you never like anyone. You just want the sex and attention udikwe. This time, it comes with a death trap, If you wanna die, go ahead and run after Lihle. Me: "done now?" Luks: "yes." we stood him up ndamnika towel saya back to the bedroom. Luks: "let me." I gave him his lotion wazithambisa his arms and chest. I gave him his pajama pants. Me: "I'm almost done, we just need it to sink in." Luks: "Iyabanda!" Me: "don't be a baby. Relax your muscles." he growled in his pillow. Me: "there. Done." he breathed ndamguqula. UMarhudulu omhle." Me: "anything else?" I hid the bubbling smile. Luks: "nope. Ndiright ngoku, enkosi ngayo yonke into ondenzele yona. Even after ndikugezele and swore at you, you still came back. You still don't complain. Ndiyavuya inguwe olapha more than anyone else." Me: "its a pleasure, honestly." Luks: "I wouldn't have done the same. And indenza intloni lonto xandikubona undenzela izinto ezifana nezi, but from now on, you can count on me for anything." Me: "that's okay. Eat your supper. Ndizobase lounge, I'll sleep in the other room." Luks: "okay. Ungavali umnyango." ndaphuma kwi room yakhe. I heard a knock on the front door ndayovula. Me: "hey, come in." Sbosh came inside. Sbosh: "why are you here?" Me: "Lukhanyo is a bit sick. his doctor asked me to keep an eye. Its only for a few days." she giggled. Me: "I know...weird right?" Sbosh: "yeah, you'll stab each other before a few days." Me: "sudika man." we laughed and sat in the lounge. Me: "let me dish up. Nditya okos'bini kemna." I went to dish up sahlala satya. Me: "did you take the test?" Sbosh: "yes." Me: "and..." Sbosh: "if I told you I didn't sleep with just Sbu...." Me: "how?" Sbosh: "we were fighting, for weeks. So...I met someone who was so understanding and sweet.

Caring. We always spoke, ebendinika ixesha lakhe lonke whenever I needed him." Me: "and you slept with him?" Sbosh: "by mistake." Luks: "its never a mistake!" he yelled. Me: "ndimvale umnyango wakho?" Luks: "uxolo." Me: "don't mind him. Sibongile, I know its hard. And I'm not an angel, I'm the least perfect person apha, kodwa umthembe kangaka nani lomfana." Sbosh: "that's the thing, I don't. Ingaske ndim'krwitshe and set him alight. He is so disruptive and Sbu is starting to weigh it out. I can't do this." Me: "is it Nathi?" Sbosh: "how did you know?" Me: "I met him today, he's.....well...." Sbosh: "its okay, I know. I made the worst mistake ever. I feel so guilty ingathi ndibulele umntu." Me: "trust me killing someone is worse than oku, listen to me." I hugged her. Me: "you made a mistake and you regret it. your worst fear is him finding out about it right?" Sbosh: "this will kill him." Luks: "mxelele kaloku ngokwakho ucele uxolo!" I got up ndayovala olacango. Sbosh: "what if uyandilahla?" Me: "Sbosh, who do you love?" Sbosh: "its Sbu." Me: "sit down with Sbu. Explain to him what happened. How sorry you are and just-" Sbosh: "I can't Lihle!!" she cried. Me: "okay, its okay." I hugged her again. Me: "I'm so sorry." Luks: "Lihle!!" Me: "can you excuse me please?" Sbosh: "its okay." I stomped to the bedroom. Me: "what!" I hissed. Luks: "use busy? Kaloku uvale umnyango andikuva, andinamntu woncokola." Me: "do you want the TV on? Iphi hard drive yakho?" Luks: "last drawer." I connected it ndamnika remote. Me: "do you want popcorn?" Luks: "ha. a ndiright ngoku Matshangisa. Enkosi." I went back to the lounge. Me: "do you want juice?" Sbosh: "no, thanks." Me: "so, uzothin ngale into?" Sbosh: "I can't have this baby." Me: "I think ngowaka Sbu mna. Considering the way you're always fighting." Sbosh: "you never fought with Lubabalo." yangathi undihlabe ngemeva entloko. Me: "what does Lubabalo have to do with this? All my children are fathered by Lukhanyo." Sbosh: "oh. Well, Mandy said....he's..." Me: "he's what? What did she say?" Sbosh: "I'm sorry." Me: "tell me." Sbosh: "she said Lubambo ngowaka Lubby." I tried my ultimate hardest not to be angry. Me: "sorry to disappoint you but Mandy has a wild imagination." Sbosh: "I always knew it. Don't get me wrong. I was just...kind of upset about the way it happened-" Me: "can we not go there? I'd appreciate that the conception of my last born is left where it was. Qha. Thanks." Sbosh: "okay, just remember Lihle, I went through the same thing. Don't feel bad about it." yakhala phone yakhe. Thank God because this was getting awkwardish. I went to put the dishes in the washer. Ndaqoqosha ekitchen. Sweeping. Sbosh: "peto, its getting late, Sbu just called usendlin, so I have to go." Me: "will you be okay? Let me walk you." Sbosh: "no I'll be fine. Subana xhala ngam. Thanks." she hugged me and left. *squints eyes* Let me not get into this. I locked the house ndayojonga uLukhanyo who was watching a movie. Me: "for the last time today, do you need

anything? I'm going to bed." Luks: "yes. One more, cela uzodlala amakhasi. I bought these last month. Khavule apha." I opened the drawer. Ndakhupha amakhasi and shuffled. Luks: "50 Rand bet for the winner." I sighed. Me: "oh what the hell." we played our first game. Luks: "so....you saw a lawyer, why Lungelo?" Me: "how did you know I saw Lungelo." Luks: "because I own this city and know each and every move you do." Me: "hm..indeed you do." Luks: "why him? Listen Lihle, I'm not trying to be broke." I laughed. Me: "relax! Bendiye for other reasons kuye." Luks: "which are-" Me: "none of your business." Luks: "is it? Okay. I thought we were being honest." Me: "its nothing wethu. We were just catching up." if I told Lukhanyo about the will and Benny, he'd flip a bitch and cop him late for real. We'd probably pull up Benny's body dripping from some dam. So, no thanks. Luks: "why do I get the feeling you're lying to me." Me: "am I?" Luks: "hm...okay then. Anyway, who's this guy Sbosh athetha ngaye? Unathi?" Me: "uyazthanda indaba." Luks: "I never liked Sbu much, unyabe qithi naye. Jongake ngoku utyelwe wanya ulibel uzenz umfazi. Nxx bloody swine." Me: "trust me, you would hate Nathi more." Luks: "utheni?" Me: "pretty boy face and a jerk." Luks: "angazonya ke. Andidiban nento ezikhalisa abam." He won. Obviously. Luks: "you owe me 50 bucks." Me: "yitsale kwi salary yam." he laughed. Me: "maybe ndiyolanda abantwana ngomso? So that I don't get to deal with you alone." Luks: "I miss my kids so much but ndicela at least 3 days to get better. They'll jump on me and bounce and scream, ndiva kabhlungu at the moment." Me: "okay. Sela ipilis zakho." Luks: "zizandozelisa nje. Khome noba yi 2 hours, at least makubethe u8 ke. Sow'dikiwe ndim?" Me: "andinayo i-option yodikwa. Andise nxanwe." as I got up I heard a knock on the front door. Me: "expecting a visitor?" Luks: "nope. Nobody cares about me that much. You?" Me: "no." Luks: "ina, just in case." he gave me his gun ndayfaka on the back of my shorts ndiyibambile. I went to the kitchen ndakroba. I Couldn't really tell. Luks: "nguban?" Me: "I don't know." Luks: "vula." I unlocked and opened the door. "Relax nontombi. Ndim." I almost choked. The blood drained from my head straight to the knees. How? The one person, I feared with my whole entire life and soul. Stood right before me with the shades off and smiled....

Chapter 763

Luks: "Lihle!" he yelled. Ndaske ndoma. We all do remember in the beginning, Lukhanyo had a step mother Zakes' wife, who disappeared in thin air the moment their house was being searched by police kwabanjwa UTa Smig. Nobody ever heard from her. I personally thought she was dead. And I feared the living shit out of her because this woman doesn't play. All she ever did 80% of the time was threaten me. I

remember the first thing she said to me. I remember it like it was today. She had said: "Uthe ungu Lihle mos?...well, girly, if you say uyamthanda uLukhanyo. Uyomthanda unaphakade ke....when you enter this family, you best believe me xandisithi you're never leaving. We will take care of you....you will live your daily normal life, ikuwe if you want to join in, or keep the secret and stand back. I run a successful business mntanam, and I will not let anyone....come between mna nayo....siyavana?" and that was it. Me: "molo mama." she came in. She: "ambobeka umpu ntombi uzondenzela itea. Lukhanyo taught you well." I went to the bedroom. Luks: "babe?" I was having a panic attack. He dragged himself up kabuhlungu and stood in front of me. Luks: "Lihle? What is it?" Me: "its your mother. She's...here." I swallowed. Luks: "hlala apha." he walked to the lounge ebambelele nge donga. Luks: "what do you want?" She: "yindlela yotheha nomamakho leyo Lukhanyo? Imbeko iphi?" Luks: "molo mama." She: "hello my dear. Khaze apha." Luks: "mama I hate talking to you like this, but zofuna nton apha! You left us when we needed you most! Uyinton ngok apha?" cwaka. Luks: "you're scaring my wife. Please leave my house. Ndicela uhambe." She: "Lukhanyo, andiyi ndawo. I came here ndizocela uxolo, I had to leave, uZakhele told me to-" Luks: "you knew my father was alive and you said nothing! Wabaleka Waya kuye! You watched me suffer and destroy myself!!!! You are evil!" he cried. Luks: "Phuma KWAM! Go!!!!" Me: "Lukhanyo." Luks: "Hamba!!!" she stood up and walked out not before she gave me a cold look. Lukhanyo locked the doors. I was so scared of her, ibingathi angandibetha. He hugged me. Luks: "I'm so sorry. I didn't know she was back." Me: "why are you sorry?" Luks: "I know how she makes you feel. Whatever she said to you the first time you met her yakwenza nje." Me: "but you said nothing! I almost lost my babies because of the pressure you were pressing on me! Her, pushing me into your dealings and making sure I stayed!" Luks: "I'm sorry Lihle. I wish I could take it back...but this was what you signed up for when we married. You knew everything by then, you accepted this life." Me: "I know. And now I'm stuck with it." I walked to the spare. Me: "she's your mother Lukhanyo, she took you in, she loved you, cared for you, she became a mother and father to you even after utatakho left. You can't just throw her out into the streets. Worse kusebsuku ngoku. Uthi makayephi?" Luks: "I don't want you to be uncomfortable. Iya k'leyam iroom. She'll use this one." he walked out the house. The lady was standing outside the gate. Luks: "mama." she looked at him. Luks: "you can stay the night. Cela ungene." She: "are you sure?" she sobbed. Luks: "ewe, just...cela uyekane noLihle. And I'll find You your own place. For now iza." they walked inside the house kutixwa. Ndabe ndihleli eroomin. Why was she here? Ngelixesha? Lukhanyo came in wazonqenqa. Luks: "please tell me." Me: "tell you what?" Luks: "what did she say to you?" Me: "wathi there was no

way out. Once I'm in, There's no going back." Luks: "don't let her get to you. Xa ufuna uhamba she has no say in that." Me: "now that someone is here, I can leave tomorrow morning-" Luks: "no, Lihle. Come on!" Me: "you're keeping me here for no reason, nanku mamakho ukhona. What do you want?" Luks: "is it so bad uhlala nam? Do you hate me that much?" Me: "if I hated you, I wouldn't be here! Don't you dare play the feelings card with me!" Luks: "speaking of cards, another game?" Me: "no." I switched off the light. This was going to be a nightmare. Luks: "do you remember how we first met?" Me: "how could I forget." Luks: "I wish ndingabuyela kweza mini. When we were so inlove. What changed?" Me: "both of us changed. I remember undileqa ndise Kimberly, you went through lengths." Luks: "when we had sex in your aunt's bedroom? Unezmanga shame." he laughed. Me: "its not funny." Luks: "kodwa we had some great times though. If only you could forgive me, ndibenok'bonisa how much I've changed. Andiseyiyo lanto ndandiyiyo. I wish I could show you how.....phof, I guess its too late." Me: "I'm also sorry. For what I did to you..." Luks: "I drove you to that. Ndiyayaz ba uyandithanda mna ngoku ndiyi kaka. Because you value feelings more than pride but I know I pushed too far. I'm sorry." Me: "lala Lukhanyo." Luks: "unje ke." Me: "seriously, lala." Luks: "hm...okay."

The next morning I was still up Inoba ndileli two hours qha. Lukhanyo was knocked out zipilisi zakhe. I went to the kitchen ndenza breakfast ndaphaka ndayovasa. I got dressed quick ndaqoqosha izinto zam. Lukhanyo woke up. Luks: "uyaphi?" Me: "you don't need me anymore. Your mom's here." Luks: "haibo Lihle xabek'theni ngoku?" Me: "I can't stay here elapha. Its too much pressure." Luks: "pressure? What do you want me to do? Nguwe othe mandingam'gxothi mos." Me: "because ngumamakho!" Luks: "okay, fine! Can you just not leave like this? Ndiyak'cela." Me: "ufuna ndithin?" Luks: "I need bathroom and food. Please." I ran his bath water ndamsa etoilet to piss wangena kwi bath wavasa. When he was done he went to get dressed Wangqengqa. My phone was ringing, I went to fetch his breakfast. Me: "uziva njani?" Luks: "better. Nangona ndizokhumbula urajwa." Me: "hm.." after he was done eating I was ready to leave. Luks: "thank you, for everything you've done for me. I do appreciate it." Me: "okay. I'll call you later. Remember, no work till Thursday." Luks: "take the car, andizoy'sebenzisa." Me: "no, I'll be fine. Enkosi." I took my bag. Luks: "bye." ndaphuma, ndimincile ndingadibani nalomama in the passage. I got out the front door ndayokhwela taxi kukhala phone yam again. This time Ndayphendula. Me: "yes?" Mandy: "peto uphi!" Me: "ndise taxin ezayo, wena?" Mandy: "ndilapha endlin. Be quick." Me: "ok." yajikeleza ke bethu itaxi yade yayongena etown. I got off and walked right up to Mandy's. Two cars were parked outside. The black CLA belonging to the one and only. So this is why she called. Ndangena endlin behleli elounge. Me:

"molweni." I really wasn't in the mood. Lamama really drained my energy. I just couldn't. S'fiso: "hey ntombi." waqibezela beer yakhe. S'fiso: "mnt'wam, we're gonn be late let's go!" wamtsala bandishiya njalo. I looked at uSiya. Damn I missed him. I wanted to drape my arms around him, holding him tight. Qha ke mos he's about to get married and that would be obviously inappropriate. Siya: "Lihle." Me: "Siya." *esthintshekile usis'wakho* Siya: "unjani?" Me: "I'm fine you?" Siya: "not so good. What happened? Ndikwenze ntoni ude undi ignore'e kangaka?" Me: "you drove all the way from East London, for uzondibuza lonto?" Siya: "beku suppose ndenzentoni Lihle? You weren't taking my calls and I don't like uthumelisa ngabantu." I didn't answer him. Siya: "what did I do?" Me: "you didn't tell me you're engaged!!" Siya: "what?" Me: "suzenza isdenge!" Siya: "engaged? To what Lihle? Ndiqalise nin uba engaged mna?" Me: "I called you Siya, and your fiancee told me to stop contacting you." Siya: "Lihle, I do not have a fiancee. Ndak'xelela mos ndine girlfriend qha." Me: "so buhleli naye?" Siya: "when I left on Tuesday, ndiqale ndayomlanda because we hadn't seen each other in a while sabuyela sobabini eMonti." Me: "awumphenduli umbuzo wam." Siya: "yes! Kodwa nawe buhleli nomnyen wakho nje!" Me: "ingenaphi lonto?" Siya: "why do you go back k'lamntu ukwenza into yodlala? Why? When you deserve sooo much better!" Me: "I was there to help him Qha! Ufikile umamakhe last night so I'm done." Siya: "she's not my fiancee. we've been having problems, too often, I'm just not into it anymore. Next time, ndicela uthethe and not just ignore me like this. Ayikhomnandi lento uyenzayo." Me: "so..." I sat down. Me: "she was lying?" Siya: "yes, she lied. We spoke about this Lihle." Me: "that you're dating her as a hobby." Siya: "awuse fratsi nje." Me: "and I really need to do my hair." Siya: "well. Ubhuti Siya uhamba ngomso plus I need a hair cut, let's go." Me: "so where is she?" Siya: "ukokwabo." Me: "and you think its ideal that again, wena uza kum-" Siya: "jonga Lihle, I like spending time with you. If I didn't want to be here, I wouldn't be. She doesn't rule my life. Masambe." we locked Mandy's house and he drove us to Central. Abby's salon. Ndakhululwa intloko washed it and dried. Siya went to get his hair cut wabuya and waited for me. Bendifakela mna. Mongolian Kinky hair. Inch 14 and 16 I wanted to die it blond on the tips too qha imali kaloku toto was already tight. Siya: "awulambanga?" Me: "starving." Siya: "oh shame. Nguwe ke umntu ofune ufakela ibhubhus. Uzolinda." hayi ke ndalinda yade yaqiba lentombi. Ndabhatala ndicimele. We left the salon and drove to Summerstrand. Me: "KFC?" he stared at me. Siya: "do I look like I would take a girl out to KFC? Just nje. Would I drive from East London, to come eat KFC? Sundonakalisa umphefumlo sisi." Me: "xa usonqena possibly. And mna ndiyamthanda uKFC." Siya: "xa uhleli wedwa uzomtya, not nam. Primi or Ocean Basket?" Me: "zikhona mos eMonti nazo.." Siya: "uyathanda ukulwa wena. Choose

man Cinderella. I need to park." Me: "regardless of where you park. We'll still walk nje!" Siya: "uwoah." he parked his car. Me: "I don't like Ocean Basket." Siya: "too bad. Ndithe choose wandiqhoshela. Siyotyha khona ke ngoku." I sulked. Siya: "you serious? Awuy'baweli lobster?" Me: "no." Siya: "okay. Pick your head up then, iza." we went to Primi, got a table and he ordered for the both of us. Siya: "so you guys....you and the man. You're back together?" Me: "nope." Siya: "then why you single? Waiting on him?" Me: "nope." Siya: "what's wrong?" Me: "nobody has approached me." he laughed. Siya: "are you serious!!!" Me: "hehake Siya. Are you gonna keep asking that." Siya: "how? I mean, why? Uyathinza Dan?" Me: "meaning ndimbi ne?" Siya: "no, you probably have too much high standards. Need them adjusted a little." Me: "and how is that going to help-" Siya: "by being friendly." Me: "you mean flirtatious? Why ufuna ndibene boyfriend kangaka?" we got our drinks wasela eyakhe. Siya: "I just want someone to make you happy. Inintsi potential phandle apha." Me: "oh well, potential thinks ndimbi." Siya: "There's no such thing. Qha impumlo is flying on high class kuwe. Awufun nantoni na. Let me guess.....you want a hot guy ne, great job, handsome, sweet, very caring and tender. Baby girl, There's No Such Thing." Me: "that's not what I'm looking for. And how come usilwa with your girlfriend yet you know so much about women." Siya: "you know, when you buy something, let's say in your case uthenge a new shade of lipstick, one you've never tried. Never tested. Uthenge qha. When you get home and ready to go out, uyifake and discover ayik'faneli tu. Yet you keep it on thinking its because you're not used to it. But then as the night goes you feel it wearing off and you feel less confident and akhomntu uk'ncomayo. It just disappoints you..." Me: "are we still talking about your girlfriend?" Siya: "all I'm saying is, she's not what I expected." Me: "then why are you still with her." Siya: "I guess I'm afraid of being alone." Me: " why do you know so much about lipstick?" Siya: "I used to work in a cosmetic shop." he mumbled. Now it was my chance to laugh. Me: "what! You sold make up." Siya: "look, it was a part time job. I needed to help pay my studies. Don't judge. And it worked in my favor because I know more about make up than the average man." Me: "where do you use those skills?" Siya: "my female friends." Me: "do I need a make up tip." Siya: "yes. The biggest of them all." I gasped. Me: "what?" Siya: "you don't need make up. You're gorgeous just the way you are." I threw a piece of bread at him. Me: "uyadika bonanje....where else have you worked?" Siya: "kwa Spar. Packing stuff." Me: "and what were you paying off then?" Siya: "I worked both jobs. From 8 till 3 ndise skolweni, half 4 till 9 I'm at the cosmetic shop, from 9:30 till 2am ndikwa Spar." Me: "why ivala u9 cosmetic shop?" Siya: "no bavala ngo half 6, I had to clean up right after and sort the products out, cash in and lock up. Usually ndandiqiba by 8 ndiyotyha.

Waiting for my next shift reading my Bible. Then ndiyophangela. Once I'm done I go home ndifunde till I fall asleep for about 3 hours and its back to the grind." Me: "wow. So you literally worked hard to be where you are." Siya: "I had to. Ekhaya we weren't rich. And ndazixelela mna andifun usokolisa abantu or abantwana bam in the future. So I sacrificed ubumnandi netshomi." Me: "you have a bible too?" Siya: "the one thing my mother taught me. Yes. Ihlala in my car. Not that I'm Christian and born again or anything because I'm not. Kodwa sometimes, you need relief from stress, life. I should buy You a bible." Me: "why?" he threw a bun at me. Siya: "that's why." Me: "so you have no kids?" Siya: "trust me if I did I would be in your face about them. No I don't." Me: "why." Siya: "because I want to marry first." Me: "oh...and that's not happening anytime soon-" Siya: "nope." Me: "athini umamakho yilonto." he stood and leaned over me holding his back. Siya: "mntanam, uzondiphathela nin umakoti." I laughed. Siya: "that's what she says every time I'm there and uma aphe camkwam these days kuba I pretend I don't hear her." he sat down. Me: "shame man." Siya: "uyathanda uhleka wena." Me: "because you're funny. Abephi utatakho." Siya: "ukhona. He thinks I'm gay.... Athi Kwedin, Kwedin, ingathi kanti uleqana nemiqolo kwelabhayi." Me: "imiqolo?" Siya: "he uses it as a synonym for ass. Akakwaz uthi impundu or umngqundu kuba umama hates that." Me: "any brothers and sisters?" Siya: "yep. 2 sisters, one brother." Me: "banangaphi?" Siya: "brother wam comes after me, he's 29, Hlumelo, my sister Zenande is 20, uKay is 17." Me: "you have a cool family. Bonke bahlala eMonti." Siya: "yes. Although they want to move. Basakhangelanga skolo esi right for uKay. Yena uNande ufuna ungena eNmmu. Hlumelo ke doesn't really care about much." Me: "what does he do?" Siya: "he has a diploma in IT and in computer science. Ungandibuzi when he's planning to use them. If you came this weekend ke. You would've met them." Me: "next time." Siya: "and your family?" Me: "well, just my mom and cousin. Then its my incredible's." Siya: "the kids? Ndiyabawel ubabona yazi. Sizoya kubo mos ngoku." Me: "hm...I'm only fetching them tomorrow." Siya: "is it too soon?" Me: "yes." Siya: "that's okay." kwafika ukutya finally. We ate quietly made saqiba. Siya: "what do you want to do?" Me: "we could go watch a movie-" Siya: "no, be spontaneous. What's the first thing you think of when I say fun." Me: "uhm....I don't know...the beach?" Siya: "do you have a bucket list?" Me: "No." Siya: "we could use mine." Me: "why?" Siya: "we're driving to Knysna." he paid the bill. Me: "what?" Siya: "yes." he pulled my hand to the car. Me: "but I need to pack." Siya: "nope. Whatever we need soy'fumana phambili." Me: "siyothini pha?" Siya: "sobona phambili."

LUKHANYO sat in his bed staring at his phone. He dialed Lubby's number. Lubb: "Lukhanyo." Luks: "uphi fondin?" Lubb: "I'm in Johannesburg." Luks: "so uz'xelele ba

awuzi ne." Lubb: "you're handling everything aren't you?" Luks: "and the half work you keep throwing at me? How the fuck do you expect me to cope!" Lubb: "ubungafuni ubayi CEO kanti? How is this my problem?" Luks: "I never wanted this! You forced me into it-" Lubb: "Lukhanyo, you need to stop being pathetic. If awufun ukwenza into, yiyeke. Its not like you ever see things through in any case so make the executive decision." Lukhanyo hung up. His mother walked in. Luks: "not now mama." Ma: "awulambanga?" Luks: "no! I have to go back to the office." Ma: "uphi uLihle-" Luks: "Mama. bendithe kuwe yekana noLihle!" Ma: "awuphilanga nje for ba mawuye msebenzini." Luks: "if I don't go, izinto zizoba chaotic." Chapter 764

Luks: "mama please. She's been through enough." Ma: "Lukhanyo, we've all been through enough. Nam I've had my fair share of intlungu but I never gave up! Not even once when I had every right to. I had to think of wena noSamkelisiwe! She isn't going anywhere. Mfownele umxelele ba abuye aze mzin wakhe. Akho mfazi uzohamba ehlala enomzi." Luks: "asinokwazi ufosta." Luks: "you're a good boy yazi." Sbosh: "hey." Luks: "hi. Ugrand?" Sbosh: "yeah. Can I get some water?" Luks: "sure." she walked to the kitchen to pour some water. Sbosh: "Lihle uzobuya ngomso, usaye Knysna. I just spoke to her." Luks: "uyothini pha?" Sbosh: "she's with a friend." Luks: "what friend?" Sbosh:

Sbosh: "she likes him a lot Lukhanyo there is nothing I can do. Any of us can do. Siya is just....calm and everything she needs right now." Luks: "oh so mna andikho calm?" Sbosh: "anditsho bhuti, but maybe if you let the grip go a little..." Luks: "ufuna ndimyeke adyole Sbongile?" Sbosh: "abadyoli. If you keep chasing her, uzodikwa nguwe and see you as clingy. Be the gentleman, be calm. Sweet. Spontaneous. Be the man she fell in love with....but in a distance ungam'rush." Luks: "kodwa in the mean time uzobe hleli nala bharu!" Sbosh: "patience Ta Luks. Ibharu ayihlali nalapha ebhayi. You've got the upper hand." Luks: "and you? What's in it for you?" Sbosh: "nothing. I'm already in a mess kakade." Luks: "so umithiswe likhwapha lakho?" she laughed. Sbosh: "asikayazi." Luks: "umchazel uSbu?" Sbosh: "nope." Luks: "ufuna uthin?" Sbosh: "I don't want to keep it. I'm 100% sure ayingowakhe and andifun Nathi ebomini bam more than he already is." Luks: "so uzas'khupha?" Sbosh: "its still early, ayikabiyiyo ne two months. So yes. Kodwa ndiyak'cela Lukhanyo, ungachazeli mntu." Luks: "hayi noko andinalwimi. Kodwa I don't see ireason yoba uskhuphe mna. Kodwa ke andingeni ndawo. Your body, your relationship. Uthethile yena noNathi? Uthini?" Sbosh: "I can't talk to him. Akekho serious. He'scareless and tends to just brush off into angafun thetha ngayo." Luks: "ukuba uk'xakile umzise apha kum ndizombonela icebo angaqhelani nawe apha." Sbosh: "thanks but I'll be fine." Luks: "so nigrand noSbu?" Sbosh: "the fighting stopped but ubugrand busekude. We just ignore each other." Luks: "ungam'khweli nje. Esaqumbe enjalo. Khwela pha kuye uzoyek uba sishlangu." she laughed. Sbosh: "mxim. Sisbhanxa ke wena. Let me get going. Chuma!!" he came to the kitchen. Chuma: "hm?" Sbosh: "goodbye my boy, ndzok'bona ngomso vah." Chuma: "okay. Bye bye mama" Sbosh: "I love you." Chuma: "love you too." he kissed her cheek. Sbosh: "ndizonibona ngomso ke." Luks: "sharp." she walked back home. Luks: "izapha kwedin." Chuma: "hm?" Luks: "awulambanga?" Chuma: "hayi. Ngubani lo hleli eroomin?" Luks: "ngu makhulu wakho." Chuma: "ndino makhulu mna?" Luks: "ewe bungayazi, ambobulisa." Chuma went to the room. Lukhanyo looked at his phone once again. Luks: "nx." walking back to his room....

Me: "Siya. I can't swim. Stop!" Siya: "ndizok'bamba iza." Me: "NO!" he laughed. Siya: "come on!" Me: "dude!" he grabbed me and I screamed. Waphinda wandibeka phantsi. Siya: "I know you can swim bonanje qha awufun manzisa nwele. I know. Come let's go shopping before kuvalwe singabinazo tooth brush for ksasa." we started with an outfit for each of us, then went to Spar to get toiletries. Siya: "what's next? Elephant rides?" Me: "rides? No thanks I'll watch." Siya: "what Do you wanna do?" Me: "I want

to relax. Get lazy. You know." Siya: "hm...I see. Well then." we went to the hotel and booked a two rooms. When we went up to check my room first, he answered a call. I was guessing it was from girlfriend from the low tone in his voice. So ndamnika chance while I unlocked the room ndabuka and went to the bathroom. Ndabuya esese fownin. So I went to shower ndathambisa and dressed. Waqala udrop icall. Siya: "sorry about that." Me: "its cool." Siya: "ready for the elephant rides?" Me: "I'm not riding that elephant." Siya: "yes you are. Kuthen usoyika kwanto nje?" Me: "like an oversized animal trying to stomp me to death." Siya: "he won't. I promise." we walked out the hotel and drove to the elephant park. Siya: "the next tour leaves at 16:00. Its just quarter past 3." he went to book for a ride. I was so scared. I searched my bag for my phone kuba ndiyiva ivibrater. I answered. Luks: "hey." Me: "hello, is everything okay?" Luks: "kinda. Uphi?" Me: "I'm in Knysna. With uSiya." Luks: "awandibiza mna?" Me: "you're sick nje." Luks: "hm...okay. I was just checking if you're doing good na." NOW, I was confused. Lost. Baffled. Perplexed. I just told him ndihleli noSiya. SIYA. A man's name. And he didn't even budge. Something was obviously wrong. Me: "just? Like you already knew?" Luks: "of course I did. But as long as you're enjoying yourself and you're happy, I'm happy." I looked around me, scanning through everything. Me: "where are You." Luks: "at home. K'la ndawo ubundishiye kuyo, ndihleli noChuma." Me: "are you sure you're okay?" Luks: "heee. Ndiright. Please take pictures for me, or videos. Ndine sthuk'thezi apha. Of you alone please undincede andifun bona lo des'pan uhamba nayo." Me: "mxim." Luks: "goodbye." he hung up. Iyhooo. I was now panicking with fear. Lukhanyo is never that relaxed. I was in Shit. Siya: "hey." I got a fright. Siya: "relax...its just me. You okay?" I nodded ndiginya ingwiqu. It was time for us to go. Me: "don't you book these some time before." Siya: "yep." Me: "how did you manage to get a spot?" Siya: "I know someone ophangela apha.." we rushed to the rest of the trip where the guides were explaining and giving out instructions. Ngqondo yam yabe ise bhayi. Before I knew it SIYA started pushing me from behind. Me: "yima!!" Siya: "uligwala qithi." they helped us get on the elephants. Kwaqala mna. He took pictures of me. Siya: "talk to me, how does it feel?" Me: "I'm scared as hell. Uzondishova ndiyowa pha phantsi uBhonqo." Siya: "is that his name? Bhonqo?" Me: "yes, he looks like a Bhonqo." he laughed ekhwela. Me: "why can't you be in front." Siya: "because I like the back." he chuckled. Me: "behave." he held me firmly ndingcangcazela. Siya: "stop worrying. Let go." Me: "ndizowa." Siya: "uzowa njani ndik'bambile." Me: "because my legs are spread apart this giant mammal and I can feel my vagina tearing." he laughed out loud. Siya: "I'm so sorry." the animals started moving. Me: "how long do I have to stay like this?" Siya: "about an hour and a half." Me: "oh great." Siya: "did you know...elephants originated

about 55 million years ago, on the plains of Northern Africa?" Me: "really? And where did you hear that?" Siya: "National Geographic." he said proudly. Siya: "it is believed that There were about 300 different species of trunked animals that roamed the earth. Now There's only two sole surviving, the African elephant and the Asian elephant." Me: "thank you for the elephant lesson. Now...my question is, when do elephants mate?" Siya: "I believe xabe batyiwe, like humans." Me: "does that mean, when There's a fifth leg." Siya: "where's the fifth leg!?" Me: "I'm just asking." I laughed. Siya: "tell me." Me: "its just a question. There is no fifth leg. Yet. There must be a mating season." Siya: "no there isn't. They just kind of....you know." I giggled. Me: "okay, stop talking about elephant's love life. Just stop." Siya: "you're the one that came up with the fifth leg." Me: "you had the National Geographic facts. I don't." Siya: "okay, you're gonna make him mad. He's gonna start growling. Just watch." Me: "Bhonqo doesn't even understand." Siya: "elephants are extremely intelligent. I'm not taking chances. Stop talking." Me: "okay I'm done.....I think I need to pee-" Siya: "me too. I think we should take a detour." Me: "no! They said the elephants have to travel the tour together." Siya: "yes but we'll catch up-" Me: "Siya No. Ayomoto Le." Siya: "mxim. Party pooper." Me: "please sit still." he put his head on my shoulder. Siya: "ndidikiwe mna ngoku. I'm tired." Me: "my kids behave better than you. At least they can hold out." he chuckled. We finished the ride around half 5 and went for refreshments. It was fun yes, but I was tired. We made our way back to the hotel. Getting take aways on the way and a tub of ice cream. Sahlala in my room and ate. Siya: "wanna talk about it?" Me: "about what?" Siya: "you seem a bit panicky. Ever since we arrived." Me: "I'm fine." Siya: "you're sure?" Me: "yeah." Siya: "because you know I get worried." Me: "why." he opened the tub of ice cream. Siya: "I don't want you upset. Or hurt." Me: "and why is that." Siya: "I don't think There's any Normal human being that likes seeing people sad. Even Mandy and Sbosh always try to make you smile right? And you do the same for them?" Me: "yes." Siya: "exactly. Open up." I opened my mouth and he fed me a spoonful. Siya: "we could drive back to East London together." Me: "I'm going back to school on Wednesday." Siya: "awww. That sucks. So you'll be back on Tuesday." Me: "hm...next time." Siya: "alright." he gave me another spoonful. Me: "why do you want me there so bad." Siya: "I can't wait for you to meet my family. They'll love you." Me: "all your friends meet your family?" Siya: "oh yes, once a year sibane family day. All my cousins and friends come over." Me: "so when is it?" Siya: "its usually in Spring. But k'lonyaka andiyazi. Mom's hosting, She'll pick the date. You could even bring your mom-" I laughed hysterically. Me: "no." Siya: "why?" Me: "my mom....and me have a....seriously bruised relationship. So no." Siya: "oh." Me: "my dad would have loved to come. Akathandi uthetha though. He's just calm. But

don't get on his bad side because when he's really mad. Shit gets real." he laughed.
Me: "I remember the first time we met. It was awkward because I never knew him. Next thing ndiphuma at the bank and he's sitting on the hood of my car." Siya: "how did he know it was your car and usebanken?" Me: "only God knows now. I was a bit scared but I trusted him. We vibed really quick and he was always there to protect me." Siya: "he sounds like a really cool guy." Me: "he was. I wish I'd spent more time with him." Siya: "you have memories of him, pictures too. He's still in your heart." Me: "I know. Ndlela Le ndi used ukumbona I sometimes wish to wake up engena emnyango." I tried hard not to cry about it. Me: "its taking all of my strength to keep smiling and I just don't know if I'm strong enough." he hugged me. Siya: "you are strong enough. You will be okay, I promise. Your heart will heal. Okay? Don't be afraid to cry. Nobody is here to judge you I'm sure utatakho ebekthanda with all his heart. Its gonna be okay."

Lukhanyo's mother came out the room. Thulani's jaw dropped

and he quickly closed his mouth. Thulz: "molo ma." Ma: "hello. Lukhanyo wenzanton?" Luks: "umntanam ulambile." Thulz: "I brought take aways." Luks: "ncedile bra." he leaned on the kitchen counter. Luks: "Thulani. Xa ungafunwa. Awufunwa. Worse akaqhatheki. This is why you should never get married." Thulz: "been there. Done that. Trust me, aint going back soon. Kodwa wena, you were made marriage material. Can't imagine you with girlfriends." Luks: "I've had girlfriends, hot chicks, beautiful, smart-" Thulz: "I meant ayik'faneli bachelor life." Luks: "why?" Thulz: "you're more rude. And mean to people." he scratched through the take away packets. Luks: "because I'm working. Ndizoba nice njani?" Thulz: "all I'm saying is, make up your mind. Singena ku year two ye separation ngoku. Come on." Luks: "fethu. Mfazi wam lowa. Its written on my heart. Even if we divorce ayotshata lantwana. 10 years later uzobuya aphinde abengowam. Thulz: "Sibongile being your ex that once never liked your wife?" Luks: "they're frien-

Each and every day." Luks: "its his medication. I know." Thulz: "I don't remember Xanax being medication for daily usage. Its always prescribed for a certain period of time. That's it." Luks: "what?" Thulz: "don't you kno-" Luks: "I sold these fucking drugs! Of course I know what they do! Xanax is used to treat panic disorders and anxiety caused by depression! Thulani uyivephi lento?" Thulz: "well. I saw a bottle in his car. Ndayivula and he freaked out when he saw me. Almost lashed out." Luks: "this is bad. Thulani. These are highly addictive. This is bad." Thulz: "he's not addicted, they keep him grounded. How else is he supposed to deal with the pressure of a major multi billion Rand company and his own start up business. He's not sick. He's smart, akasoze ade ayenze umjojo." Luks: "Thulani. Its still bad." Thulz: "he's grown. Lubabalo ndiyamazi he is responsible. unlike he's youngest version." Luks: "ban lowo." Thulz: "uLuzuko. Who else." Luks: "I thought you meant mna, because I'm the most responsible motherfucker in this damn family." Thulz: "that, you are. ULuzuko has something up his sleeve that I can't put my damn fingernail on. Lukhanyo, lamjita akamameli. Nqanda lantwana." Luks: "akasemdala." Thulz: "I sold him part of my share." Luks: "you did what?" Thulz: "look, I'm going to Law school next year. I'm gonna inherit the company and daddy's shares anyway so its whatever, I sold him the shares, kuba sithethile. He came up with a good business strategy to move us up. Things worked great. Now....I just found out, ngobhuti wakhe. Uthethe nge mistake ngalamin sihleli nooLihle. The statement was "until you run yourself back into debt" then ndaqomba ha.a. This could not have been a mistake." Luks: "debt? How? Luzuko uhlel enemali. Always. He has businesses." Thulz: "exactly what I thought! So I did some digging." Luks: "ndik'thembile." Thulz: "he was indeed in debt. The reason he left Bloem kwakqala. He came here and was involved in a car accident. Funny enough he was the only person, the only car. He drove into a pole. And ebenganxilanga." Luks: "he

was trying to kill himself?" Thulz: "I don't know. That just remained a mystery. What happened to the businesses? How did he keep afloat? Because the hospital bills and hotel bills zibhatalwe ngu S'fiso." Luks: "maybe nguye omnike imali?" Thulz: "and if not..." Luks: "hayi sucimba uzobuzwa ndim. he's Your friend." Thulz: "your "twin". " Luks: "that doesn't exist. Kusekho lo mess funeke ndiyoy'sorta e Home affairs Monday." Thulz: "can they help?" Luks: "ndiyazelaphi na Thulani. His mother isn't willing to help." Thulz: "I don't know if its just me. Kodwa...something is fishy." Luks: "he might be a little weird. Manipulative. And smart as hell, kodwa ndiyamazi uLuzuko." Thulz: "just look into it." Luks: "Trust me. I will."

Chapter 765

Monday morning was back to reality. Siya did not leave for East London. As I thought he would. As he SAID he would. Instead, yesterday afternoon we came back from Knysna, had lunch with S'fiso and we went to the hotel. Ndamboba Siya eyothetha qithi in reception with his wallet and I D. Ndaziqibela apho that he's not leaving. We finally did the lazy day sahlaleni sonke with Fifi, a drunk Mfundo, some Ayanda guy whom I've seen before, and Mandy. Sbosh wasn't around, these days Ebe busy. I didn't want to crowd her so ndathula. So today ndivuka at Mandy's place by a call. Siya: "my Cinderella, Uvuka njani this morning." Me: "yoh sana, Prince charming, I'm doing extremely great thank you and yourself?" Siya: "I feel so blessed. What are you doing?" Me: "I'm in bed. I want to brush my teeth and have some coffee." Siya: "coffee? Aren't you breast feeding? You can't be drinking coffee while baby is still sucking the titty." Me: "oh? And you know this how?" Siya: "google." Me: "you googled breastfeeding?" Siya: "hmm...yesterday, when I wanted to make you coffee." Me: "oookay. Anyway, what about work?" Siya: "it helps when you're the boss sometimes. It just kind of does itself." Me: "aha!!! And the cockiness finally catches up." he laughed. Siya: "oh whatever." Me: "wena wenzanton?" Siya: "ndiqibo nxiba. I'm so bored with myself. Uphi uSbosh? I miss her. Oko ndilapha andikambon." Me: "she's probably at work today." Siya: "let's do something nice for her. Like simthengele her favorite flowers and lunch. Just surprise her." Me: "seriously?" Siya: "yeah. You know her better, what would she like?" Me: "its not like its her birthday or something." excuse me, that sounded a bit rude. Siya: "uhm...she's our friend." Me: "the lunch and flowers would do a great job. We could go." Siya: "you sure? You sound unsure." Me: "we never talk about flowers I'm not sure which ones she likes." Siya: "seriously? What Do you talk about then?" Me: "car engines, sport, wrestling." Siya: "are you being sarcastic? Because that's funny. Its quite funny. I don't talk about

engines and sport and people beating each other for a stupid belt. Do you wanna know what I talk about?" Me: "Work?" Siya: "good guess but its wrong. I talk about what you plan to do with yourself, what you're currently doing, how you can build yourself up. You know? Izinto ezakhayo. And then we can talk about some engines and sport." Me: "so I'm a bad friend because I don't know my friend's favorite flower?" Siya: "you're not a bad friend! Its just....sometimes think bigger than car engines." Me: "like SUV car engines?" Siya: "oh my God. You special child. Seriously? SUV car engines?" Me: "what time am I expecting you?" Siya: "in about 30 minutes. Ndise motweni." Me: "okay ke. Let me get up." Siya: "alright sho." I hung up. This nigga wakes up too damn early. Mandy was still sleeping so I got up ndayovasa. Wore my gown afterwards ndarhumba something epholileyo to wear since it was hot outside. Me: "Mandy? You awake?" Mandy: "yes. I'm up." Me: "Siya wants us to visit Sbosh." Mandy: "Sbosh is at work." Me: "he's not taking no for an answer." Mandy: "eshee." I wore my short fitting dress. My white all stars and fluffed up my hair. Mandy went to bath. Wabuya ezonxiba a short jumpsuit and sneakers. I went to answer the knock on the door. I opened ndabona uSiya ejonga phantsi. Me: "hello." he lifted up his eyes slowly then his head. Me: "nice strategy you learnt there. Looking at the floor ubenokwazi unyuka ngam xa undbona." he smiled shyly. Siya: "I don't know how it slips your mind that I am a guy. I'm sorry." Me: "come on in." he came in. Mandy was wearing her earrings. Me: "uphi uS'fiso." Siya: "he's been at work since 6am." Me: "yuuh." Mandy: "he has international clients kaloku, so he has to accommodate them and their time.." Me: "okay. I'm guessing noMfundo?" Siya: "no Mfundo doesn't give a shit about that. Ungena ngo 8. Are you ready?" Mandy: "almost." Siya: "ndizonishiya pha guys. I'm driving back to East London." Mandy: "ungxamelephi?" Siya: "just work things. Bendizohamba late but I got a call just now endifuna back before business closes." Me: "are you planning on getting a transfer anytime soon?" Siya: "uzandipha umsebenzi?" he chuckled. We went to his car. He drove to Angelo's first sathenga take aways and drove back to town. I ate my shawarma on the way. Sayongena Newton Park. Mandy directed Siya to the building asebenza kuyo uSbosh. We decided no flowers because ndingathenga into apha umntu abe allergic kuyo. So as we came in salindiswa kqala by reception. Le girl (receptionist) was on the phone ethethela ezantsi as though kuyahletywa. Mandy and Siya sat on the couch. I stood. For some time ndava nge phone ibekwa nge speed and papers shuffled. "Rose, what did I tell you about gossiping on company time using company resources?" a voice said. "andithandi ubambi, ndimhle ndinje zange bandibhude. I do not like repeating myself." Rose: "I'm sorry sir." "Molweni." ndabheka. Oh. Nathi. Me: "good morning." Mandy: "molo bhuti." Siya: "ewe ke." Nathi: "is there anything I can do to help?"

wandijonga. Then smiled. Me: "silinde uSbosh." Nathi: "why don't you go into her office?" Mandy: "they said she's busy." he turned to look at her and smiled again. Nathi: "Ndingu Nathi Lechaba. I believe we haven't met." as he extended his hand to her. Then to Siya obedikwe esifa. I was looking around me ndibuka a painting in a distance. Mandy: "I'm Siya, this is Mandyyoh. I mean...uhm." he laughed. Nathi: "oh no I get it. Relax. Feel free. This, right here is my second home and I treat all my employees as family. So, you're a friend, you're welcome. Can I get you anything to drink?" Mandy: "ye- I mean no. I'm okay." Nathi: "SIYA?" Siya: "I'm fine." kwaske kwecwaka emvakwam. Thinking he'd left. I turned around only to find out he was staring at me. Facing me. Andothuka. Me: "hi." he smiled. Nathi: "my name is Nathi Lechaba. But I believe we've already met." he said in a low tone. Lechaba? Meaning ngu brother ka doc mos? I thought they were friends. Me: "yes." he bit on his lower lip then looked up at the painting I was staring at. Nathi: "I love art." 🤔 O.o Who asked you? Nathi: "in all shapes and sizes." he grinned back at me. Nathi: "especially those of which make me..." he looked behind me and waved. Nathi: "big brother." watsho encuma. Nathi: "nanku Lihle. Come Say hi." Dr Lechaba stood by the door awkwardly ingathi uzobethwa nge mvubu ethanjiswe vaseline. Nathi: "or you'll find me in my office. Whichever suits you best. This my lunch?" wadlula ethatha is'khaf'tin that was in the doctor's hands going to his office. Me: "hi Remy." Doc: "hi." he smiled shyly wabaleka uleqa brother wakhe. Siya was in stitches of laughter. Mandy: "kuthen enentloni kangaka?" Me: "iworse ke uqhele undixhumela. What went wrong today? Siya stop laughing." Siya: "do you know him?" Me: "yes. Ngoyena ndimaziyo hebethuna ithini nto ka Nathi?" Mandy: "he's so nice." Siya: "he's a Dick." samjonga. Siya: "hayi andinamona nguyekodwa that's not the type of guy any of you would want to date." Me: "why?" Siya: "always notice where a guy places his attention most. Ufike kuMandy and stared at her thighs kuwe Lihle he stared at your ass. Now, every man stares at things kodwa lona...ha.a. He's not the one." Me: "uyawathanda amacherrie umthetho wakhe." Siya: "now his brother, on the other hand. different story. I can read people quite well." Mandy: "so...whats with the brother?" Me: "ufana nje naye. Akhomehluko." Siya: "ukhona umkhulu. The other guy is jus-" Mandy: "Lame. Ubaleka nton ebuliswa ngamacherrie?" I laughed. Me: "he's nowhere near lame. Qha unentloni." Siya: "umazelaphi?" Me: "he's a doctor. A brain surgeon actually." Siya: "smart." Mandy: "wow. He looks young." Me: "Looks. Yes. Lixhego sana." Mandy: "nantsi ndoda Lihle." waphinda intsini uSiya. Me: "yabona ke Siya? He didn't even bother approaching me. Kuzofuneka ndim'leqe? Hayi sana Inoba ndinamanqangisa." Siya: "invite him for a drink. Be cool about it. If woyika kakhulu, suggest a get together, a group of your friends, some of his." Me: "so that he can bring

his little brother? No. Thanks." Mandy: "you are so picky. Xa ngafun thetha nomntu ngaveske umchazele nje uyeke uba kwi lockdown xa umbona." Siya: "she's right. Nathi is a test. Can you stand the heat?" Me: "why are you guys selling me? I'm happier with you." Mandy: "yeah, until I have to go to S'fiso and Siya aye kuSethu wakhe, Sbosh abeku Sbu." Me: "mna ndiye kwi babies zam." Mandy: "and their dad." she muttered. Mandy: "If I didn't know better, I'd say uyabayeka abantu abaright to make way for Lukhanyo's changed self." Me: "I'm not going-" Mandy: "so you keep saying." Me: "oh? I'll show you." I walked down the passage. Mandy: "sakulinda in Sbosh's office!" Siya: "you go girl!" Me: "mxim." ndajonga in each office and found the Lechaba's eating lunch. Phof Nathi was eating. Remy was laying on the couch playing with a toy car. I knocked. Me: "hi." Nathi: "hello. Come in." I stepped inside ndajonga kulomntu ndize kuye. Me: "Remy, I was wondering if we could have drinks maybe. Later or when you're free." he looked at me. Remy: "uhm...I have to go back to the hospital later..I'm on call." Me: "oh. Fine." ndaguquka uphuma. Rejection stung like a bee. Remy: "I'll be free in the morning." I stopped and looked back. Remy: "we could have breakfast." I nodded. Now what? Remy: "where would you like us to go?" Me: "surprise me." we exchanged numbers ndabuyela kwi office ka Sbosh....

Nathi: "Finally!" Remy: "khaw'yeke man Nkosinathi. This is someone's wife okay? Its just drinks." Nathi: "khayeke ubangu nocawa. For the time being, or 'tomorrow' after 'drinks' ke mosadi wa hao." Remy: "leave me alone." Nathi: "I'm not doing that until you tap." Remy: "sadly for you. Its not gonna happen. Why? Because I have boundaries and no death wish." Nathi: "then why did you agree?" Remy: "I was just being nice. Umbonile ukhubeka kwakhe? No man." Nathi: "Pastor Remy-Martin Lechaba." he laughed. Nathi: "I so wish dad named me Hennessy." Remy: "until you have to go to an interview and explain why your name is an alcoholic beverage. Trust me and be grateful." Nathi: "you don't go to interviews, interviews always come to you, with ready job offers because you're a damn surgeon. Us, on the other hand, have to go through channels, applying for internships, working as a slave, fucking your boss for a promotion, working on bomb presentations, its levels for us." Remy: "I also had to start kulo internship, working as a slave up to 50 hours straight without sleep, just one day off, uphinde ubesek'nyeni. My residency was better but I still got shit from my boss. I couldn't even think about fucking him because he's a MAN. Try explaining to a board why a patient lost his life ibe iyi fault yakho. Udinwe uyikaka that time, you might have cut a sac by mistake, burst an artery, you could've overlooked their symptoms not diagnosing them properly with tests, they start getting seizures unexpectedly ulost ba kwenzeka ntoni. When I finally finished and got to where I am, my ass already had permanent bruises for working like a dog. So, it

also isn't easy for us, we also have levels." Nathi: "why didn't you say anything?" Remy: "and look like a bitch? I chose this profession for a reason." Nathi: "you're only a bitch when you cry about it. Like right now." Remy: "I'm not crying." Nathi: "you're complaining though. Like a bitch." Remy: "do you ever work?" Nathi: "no. I employed people to work. I approve things, I take care of finances because asikabinayo CFO. There's a lot else I do but I'm trying to bond with my brother so work can wait." Remy: "we live together. Akho need." Nathi: "but I only see you once a week." Remy: "you see me every day Nkosinathi. Every Day. I saw you this morning uphuma kwakho kwi shower, I saw you last night ubukele TV. I'm even looking at you right now." Nathi: "oh? Well I only realize you once a week. Sorry." Remy: "mxim. I need to go back to the office anyway." Nathi: "but your shift starts at 6pm." Remy: "I need some sleep." he got up. Nathi: "make me dinner." Remy: "no." Nathi: "please?" Remy: "Nkosinathi you're a grown man. Take care of yourself damn it." Nathi: "are you scared?" Remy: "of what?" Nathi: "you know..." Remy: "no I don't." Nathi: "she's married.....to a thug." Remy: "Oh, so you remember! No I'm not scared because whatever it is she wants to talk about can't be about being unfaithful. Maybe she just wants doctor things, some research, someone to talk to." Nathi: "oh. You know you can't keep up the good guy act right? You know you can drop it now. It was just a dare, its done. You can literally go back to yourself." Remy: "maybe being a good guy can't be so bad. I'm actually enjoying it. Thank you." he walked out.

In Sbosh's office we'd eaten and chatted. Mandy: "peetttoo. What's the deal with your boss?" Sbosh wajonga straight kum." I looked confused which I was because ivelaphi Le question. Sbosh: "what do you mean?" Mandy: "I mean, he's a cool guy. Why umenza ingathi he's rude and controlling." Sbosh: "hee hayi ke Mandy. You've been here for 5 minutes sow'batyelwe uNathi ngoku?" Mandy: "hayi mtshana umgcinele wena daan?" she chuckled. I did NOT want to be part of this. Sbosh: "uyay'buzainja kodwa." Mandy: "so, is he single?" Sbosh: "ambobuza kuye!" Me: "guys seriously? Is it even worth a question? Nathi is not single, this is Sbosh's workplace Mandy, of course Nathi waziwa nguye i-personality yakhe because she works with him everyday. Sbosh, please can you just calm down." Sbosh: "I'm under a lot of stress bonanje for ento undibuza zona." stress and being moody. I understood because I knew she was pregnant and lomntu kuthethwa ngaye ngulo kanye amonyanyayo. Mandy: "andiy'boni mna into ekwenza umsindo ke ndik'xelele. You know I'm joking mos-" Sbosh: "are you?" ndabawela uzifihla phantsi kwe tafile. Siya: "yes its a joke Sibongile. Come on." Sbosh sana waqoqosha tafile yakhe. My phone was ringing ingasendidike before I saw who it was. When I looked ibingu Private Number. Andinamatyala so andibaleki nto. I answered. Me: "hello?" Caller: "oh bethuna

Oh wait, the correct phrase is, Look who's talking." Lukhanyo stared at him with blaze in his eyes. Luks: "I'm not the man you think I am. I'm not going to retaliate. Go ahead with your rich words Lubabalo. Xa uqibile uphinde uqale apho ubuyeke khona. And once you're done, you can give me my son and get the hell out my house because I will not tolerate any type of disrespect in here." Lubb: "I'm not disrespecting you! Lubb: "the hell you don't! Lukhnyo, I'm not here to fight with you. And I'm not going To. So ndizohlala kula couch and wait till you calm as a pillow because I personally cannot take this." Luks: "mxim." Lubb: "whatever." he went to the couch and sat down...

Siya was getting ready to leave nam mandisele ndigoduka at that. Mandy had an appointment at 12. I had to see my children. Me: "Sbosh, I'll call you later, I have to go." Sbosh: "okay peto." Siya: "it was nice seeing you. Don't let your boss bully you man, andithandi xa ukhubekile." Sbosh: "ok." we trotted out the office. Sibongile continued with her work. An email came through. It was the boss. "When you done, please come and see me." she didn't reply immediately because she was busy. 10 minutes later he walked in and closed the door. Nathi: "what did I do!? Just tell me what it is because you're driving me insane!" Sbosh: "sisemsebenzin nathi." Nathi: "I don't give a damn. Kunin ndilindile? Sibongile I miss you." Sbosh: "well I'm busy-" Nathi: "that's bull. Look at me, Sibongile." Sbosh: "stop it Nathi." he pulled out her chair, turning it around to face her then pulled her up. Nathi: "so far I've been behaving so if its something I said, please just yell at me undibethe because I can't take this anymore." Sbosh: "its nothing, I just don't....." she held her mouth running out. Nathi followed her to the bathroom. Nathi: "baby?" she closed the door behind her and threw up. Nathi: "are you okay?" Sbosh: "phuma man!" Nathi: "why didn't you tell me you were sick?" Sbosh: "must I tell you everytime I get a tummy bug? Nenyongo? Nentloko ebhlungu?" she went to rinse her mouth thoroughly and walked to her office. Nathi followed again. Sbosh: "don't you give up?" he closed the door. Nathi: "we used to talk about everything. Why ungasafuni? Why are you shutting me out?" Sbosh: "ezinye izinto Nathi azik'funi though." Nathi: "oh?" Sbosh: "just go." he leaned on the desk. Nathi: "you know me better than that. What is wrong?" She ignored him and worked. Nathi: "should I call a doctor? Okanye ungaske uye nje wena and take the day off. Maybe its what you were eating." Sbosh: "nguwe Nathi. You make me sick." Nathi: "what?" Sbosh: "I'm sorry." Nathi: "are you pregnant?" Sbosh looked up at him. Nathi: "baby?... Why didn't you tell me!" Sbosh: " No!" he pulled her in his arms and hugged her. Nathi: "oh my God Sibongile. You're....we're having a baby? Oh mmyy God....I didn't...I never knew it would feel like this! Njani ungatsho? I could've been there for yo-" Sbosh: "no!! I'm not!" Nathi: "oh." he let go. Nathi: "I'm sorry...I thought you..." Sbosh: "you need to stop thinking then." he nodded. Nathi: "can we be together tonight? We could watch movies and go bowling if you like." Sbosh: "tonight?" Nathi: "ndiyak'cela S bongile. Khandonwabise just once." Sbosh: "Nathi you're a player. You chase women, even iitshomi zam! So No. Thank you. We're done." Nathi: "okay, I'm flirtatious I admit. But I've never chased your friends. I only talk to Lihle because of Remy. He likes her, you know. They're going on a date tomorrow, Mandy is just....not my type either. Sibongile, if you want me to stop being friendly to other females. I'll stop. I swear to God, just don't push me away. For the first time in my life I actually feel connected to someone. I can't lose you."

Sbosh: "Nathi we spoke about this. I have Sbu, you have Bianca." Nathi: "how about we drop Sbu and Bianca. Give us a chance. Admit it Sibongile, I'm the only damn thing on your mind whenever you can't see me." he whispered, moving closer to her, holding her body, kissing her ear. Nathi: "you know how much it drives me crazy when you ignore me. I can't explain it. All I know is.....for the past 6 weeks I haven't been able to hook up with anyone else because I don't want to hurt you, I don't want to see you upset, I don't want you to cry. Am I wrong for wanting you to myself?" Sbosh: "its selfish, we spoke about this." he kissed her lips. Nathi: "yes we did....it wasn't serious." Sbosh: "so why utshintsha ingqondo?" Nathi: "andiyazi. I really don't know. All I know is, I can't not have you." he kissed her lips, holding the back of her neck. Nathi: "so do we have a date tonight?" she kissed him back holding his collar. Nathi: "hmm....babbby." he breathed. Nathi: "later mntu wam. Not here at work. Okay?" Sbosh: "yazbona ke?" nathi: "bungandifuni kodwa." She frowned. Nathi: "xolo ke. I'm gonn do my best, I swear. Remy's gonn be so psyched." Sbosh: "why is everything about Remy?" Nathi: "because he's my brother and I love him. I want to make him proud. If you were pregnant baby, bendizok'tshata mna shame no lie. My parents would be happy. Plus I'd be happy. And we'd raise a happy baby." she shifted uncomfortably. Nathi: "sizothetha later ne. There's a meeting I'm heading to just now I'll be back befor-" the door opened. Sbu walked in. The room was quiet. Nathi smiled. Nathi: "good morning, I'm Nathi Lechaba." extending his hand. Sbu: "I'm her boyfriend." Nathi: "oh haha! I thought you were a client. its Sbu right? Of course yes. She speaks a lot about you. Quite cute. Sbosh, email me your report when you're done with hubby okay? I'll be back before 12. Nice to meet you man." he walked out. Sbu: "was I interrupting?" Sbosh: "no baby. Nathi is full of jokes xa enesthukthezi. How long have you been here?" Sbu: "I just arrived. Receptionist ayikho kwi desk so I just came here." Sbosh: "and work?" Sbu: "work is fine." Sbosh: "why aren't you there?" Sbu: "bendizobona wena. I'll be going to King Williams town tomorrow till Thursday, awubawel uthatha i-leave uhambe nam?" Sbosh: "its too short notice baby bekuthen ungatshongo last week?" Sbu: "your boss seems like an understanding, nice guy." Sbosh: "he is very nice to clients, but hard on us because kuthi he doesn't have to impress." Sbu: "oh okay. I just came to say hi ke. Uqibe report yakho. I love you." Sbosh: "I love you too." he got up and kissed her forehead then walked out.

Siya had dropped me at my mother's house ndafika esenza washing. Me: "molo mama." ma: "molo Lihle." Me: "baphi abantu? Uphilile?" Ma: "ndiright akusekho mntu apha." Me: "baphi abantwana bam." Ma: "bakutatabo. Wena usuka phi?" Me: "ndivela etown." Ma: "wenzanton etown?" Me: "ndihlala noMandy mama." Ma: "kuthen Lihle ungamfun umnyen wakho nabantwana bakho?" Me: "heee umama. I love my children

kodwa wandithuka Lukhanyo sise sbhedlele wathi mandingazuli ndihambe ndilala nabantwana bakhe. Andinohlala nomntu ozoveske adubuleke abenomsindo mna."

Ma: "kuthen wena umenza umsindo?" Me: "andiyo mat mama akanokwenza nanton na ayifunayo kum." Ma: "kungakwaz uziphatha Lihle, akho ndoda inokwenza unothanda kuwe xa uziphethe kakuhle." I took my bag and walked out immediately before I said some nasty shit that was gonna tear her into depression in an instant. Don't nobody got time for this. I walked to the bustop calling Gwen, the lawyer. Me: "good morning. How are you?" Gwen: "superb and how are you?" Me: "I'm great. I'd like to make an appointment with you when you're available." Gwen: "from now till 2 I'm in the office, so you can come through." Me: "thanks. I'll be there in an hour." I hung up ndakhwela taxi. Yajikeleza ke toto. I chilled in the taxi scrolling my phone. Tomorrow, I had a breakfast date with Dr Lechaba and an afternoon meeting with Lukhanyo's father. Honestly, xa kuthethwa inyani ufuna ntoni? I called Ta Smig for advice. He answered his phone. Smig: "hello?" Me: "molo Ta Smig. Unjani?" Smig: "ndiphilile unjani wena?" Me: "ndiyaphila nam." Smig: "yinton ingxaki?" Me: "I got a call. This morning." Smig: "from uban? Efuna nton?" Me: "bra Zakes. Ufuna ndiye kuye. I don't know whether ndimxelele Lukhanyo or not." Smig: "There's nothing to be afraid of nontombi. If he wanted Lukhanyo, he would have called him. Iya kuye, he enjoys some company at times. So if you don't want to be in his bad books for disloyalty. Vula umlomo." Me: "but what could he want from mna?" Smig: "uzak'xelela yena. So far, you're the only person he's called to see him. Wayethe kuthi sonke singaqalisi ubeka nenyawo pha. Just relax and go. Everything will be fine." Me: "okay. Ndizokfownela ngomso before I go." Smig: "ufuna ndikuse?" Me: "yes, please." Smig: "okay, sizothetha ngomso." Me: "enkosi Tata." Smig: "okay baby girl. Sharp." he hung up.

Lukhanyo woke up from his afternoon nap. Lubambo was in his arms, still sleeping. Luks: "Inoba ukhumbul unyoko kodwa ngoku. Awusatyi notya. What's wrong mntanam. Khakhule aloku uxelele utata what's wrong. Iyandikhubekisa mna lento yakho ukhale kangaka ubusku bonke nemin yayo." he picked up his phone calling his kids' mother. Lihle: "Ta Luks." Luks: "hey. Ugrand?" Lihle: "I'm good." Luks: "ndicela uze torhwana. If its not too much hassle. The kids are going a tad bit crazy, uyabazi ke. Lubambo isn't eating, oko ekhala. Right now he's asleep. If you're able to, please do come over. I swear its not for me, I just want my kids to be okay." Lihle: "don't worry, I'll be there in 20 minutes. Ndisuka apha etown ndiphuma kwi lawyer. I'm coming." Luks: "ndiyabulela." he hung up. Luks: "there. Uyeza ke umamakho boy, I hope she can fix you. Not that wophukile, but you know what I mean. Mpa tshi." he kissed his son's forehead. Luks: "I have no doubt in my mind, ndlela endikuthanda

ngayo mntanam ndiqaqamba intliziyo when I have to think about what I've done. Usisthandwa Sam sok'qibela. inci ka Tata. The apple of my eye, wena nodade wakho, nabe khuluwa bakho. I love you so much my baby. Tatakho uyaz'xolisa ngokubona uncumo lwakho. Akhonto k'lo mhlaba indivisa kamand xa uhleka. Ubuyaz lonto? You didn't. Suphosisa. Lala ke Ndoda, Bhele omncinci." he brushed his little head with a hand. 20 minutes later or more I arrived eFord. I first knocked before ungena. Lubabalo opened the door. Me: "hello." Lubb: "hey." Me: "ukhon Lukhanyo?" Lubb: "he's sleeping." Me: "ndize kuye so I'll just go in." I stepped inside. The twins were sleeping on a blanket on top of the mat bombathile ngenye blanket. cartoons were playing. Chuma was asleep on the couch. So Lubabalo bebukele yedwa. Lubb: "let him rest. Bazovuka eventually. We could talk so long, we haven't been in touch for a while. I'm sorry about the past week." ukhubone la feeling yomntu ongathi uyak'nyola es'bunzi? I felt that. Because he'd been ignoring me. Maybe others too. Without even an explanation, if it was space he wanted. I wouldn't have said no. instead, he decided to shut me out completely. Now comes back expecting things to be hunky dory. As much as ndibawela umxelelisisa. I didn't. Not for any other reason other than the fact that his actions were beginning to fail to affect me in any way. Me: "I understand Lubby. You were busy. Its okay. Kodwa right now ndibizwe nguLukhanyo. He told me the kids needed me." Lubb: "yeah. Bayak'khumbula. So do I." I walked away to the bedroom because bendiyazi uyaxoka straight out. When I entered the room. Lukhanyo stared at me. Khangе kuthiwe ulele na? Me: "hey, uziva njani?" Luks: "proud." Me: "proud? You're in bed." Luks: "oh hayi andithethi physically. I'm just mentally proud. Unjani wena?" Me: "I'm great." Lubambo opened his eyes. I looked at him wancuma. Luks: "hayin lentwana." Me: "hey baby." Luks: "oko ikhala apha. Ibona wena iyathula hok? Haaayi." I took the baby from him. Lubabalo came in wahlala phezu kwebhedi. Lukhanyo stared at him icily. Luks: "Lee, akafun kutya ke. Khamzame ibele." Me: "okay. Busow'tyile wena?" Luks: "no." I got up and went to the kitchen with baby. Lubb: "can we talk?" Luks: "about what Lubabalo?" Lubb: "ndicela uxolo Lukhanyo." Luks: "dude, its fine! Do what makes you happy." Lubb: "fondin andithand oluhlobo izinto zingalo. To Joburg, I went because of the Indonesian deal bendithunywe ngutata." Luks: "then why didn't you just say so?" Lubb: "I hate it when you're screaming at me and telling me hurtful things zoba ndiyi golden boy because I'm not. I feel like a slave kuba I never have time to relax. I don't have time to spend with my kids. I can't do this with them. This, stay at home and be a great daddy thing. It really hurts Lukhanyo." Luks: "kuthen ungakwazi ukuthi hayi kutatakho?" Lubb: "without him, I'm nothing. He made me Lukhanyo. He built my name to open doors for me everywhere. I can't just drop him." Luks: "you

have a family Lubabalo. Things need to start changing. If I can stop my shit, and be a better man, I think you can too. Seriously." Lubb: "is she here to stay?" Luks: "what happens between my wife and I is none of your business." Lubb: "fair enough. Can you brief me on the latest at work?" Luks: "I'm not allowed to work or do anything that is related to work until Thursday or Lihle will flip." Lubb: "hahaa...so What Are you allowed to do?" Luks: "to just sit. And sleep and eat. Thank God she's back. Bendine ndawana engathi iyanqwakuza. Uyayazi umama ubuyile?" Lubb: "umama ? Omphi?" Luks: "my father's wife." Lubb: "isn't she deceased? What! How?" Luks: "she just rocked up here Friday night. Ndaske ndaxakwa." Lubb: "uphi ngoku?" Luks: "I got her a house and told her to leave." Lubb: "umntu okukhulisileyo Lukhanyo? You chased her out?" Luks: "she abandoned us, lied to me for years, threatened uLihle so vile and I just cannot take another person killing my spirit every morning. Once efuna undixelela yonke into aze kum, I'll trust her. Okwangoku, no." Lubb: "you think she's part of the....." Luks: "I know she is." Lubb: "what are we going to do about it?" Luks: "give me some time I'll think about it." Lubb: "and the safety of the family? Right now?" Luks: "the kids don't go to school. Bahlala apha nam. Amajita are looking out. That's why I needed her out the house so that angenzi nto that I can't control." Lubb: "okay." Luks: "what is it with you and uBenny?" Lubb: "we're just cool. Ndimqibele kdala kodwa ngoku." Luks: "why?" Lubb: "he's busy with the moving and fixing indlu." Luks: "eyiphi ndlu?" Lubb: "he inherited indlu ka Ta seez, and the business plus car. Didn't Lihle tell you?" Luks: "what the fuck are you saying???" Lubb: "oh..... shit...I thought you knew." Luks: "uLihle ushiyeka nanton xa esas'rhama sihlel kulandlu?" Lubb: "just some money." Luks: "just some money? JUST? Oh we'll see about that."

Luks: "kakade awuzohamba nabo Lihle, I'm not changing my mind. Akhonto ik'hambisayo nawe apha." Me: "I went to see my lawyer today." Luks: "uthini?" Me: "uthi you will need a lawyer nawe, so that he can communicate naye. Not wena. And it isn't ideal for me to live with you because the court might dismiss our case." Luks: "that's bull. Liqithala Le lawyer yakho." he laughed. Luks: "okay, I'll get the lawyer."

Me: "by tomorrow." Luks: "I promise." Me: "thank you." I went to fetch my bag.

I got a taxi to Mandy's place ndise fownin yam looking for a flat to stay. It was well overdue noko. If I were to get property leya ise Lovemore, I would sell it kuba the house had too many bad memories. Oko yathengwa. By the time I got to Mandy's I had found 2 available places but eyi 1 was not even an option because ibise Central. I wouldn't raise my kids in Central. The other in Humewood was nice, and close to varsity. Mandy: "hey!" I looked up. Me: "yoh, molweni." S'fiso was here. Oh God. Ndizomamela izithonga namhlanje. S'fiso: "aww mtshanam." Me: "hi." Me: "I'm great wena?" Remy: "I'm good. I just wanted to check on you." Me: "nyani? That's nice." Remy: "I would like to ask a question thats been bothering me." Me: "go ahead." Remy: "you're married right?" Me: "yes." Remy: "to a gangster?" Me: "former gangster. He isn't involved in those activities anymore. Why?" Remy: "then why are we going out?" Me: "I just need someone to talk to. Me and him are getting divorced." Remy: "OH! That's a relief." Me: "that's it?" Remy: "yes that's it." Me: "why did it bother you?" Remy: "andithandi ndithi ndinomntu adibane with other guys, so nam andithand ukwenza lonto namacherrie amanye amajita. I don't like drama." Me: "hm...okay." Remy: "still looking beautiful?" Remy: "khabambe kancinci." he spoke in the background. Remy: "Dr Michaels? Book the OR, we're operating tonight. My patient is going in for an MRI in about 10 minutes, get one of the interns to help you with that. I'll be a few minutes." Michaels: "yes Dr Lechaba." Remy: "as you were saying?" Me: "usemsebenzin?" Remy: "yes ndingene ngo 6." Me: "let me leave you to it." Remy: "I don't mind actually." Me: "your patient needs you ke doc. We'll talk in the morning." he kept quiet for a while. Remy: "okay, goodnight Miss Manti." Me: "goodnight Dr Lechaba." he didn't hang up though. I didn't either ndaske ndancuma ndodwa. Me: "Dr Lechaba." Remy: "Miss Manti." Me: "your patients are waiting." Remy: "balindiswe nguwe." Me: "nditheni mna?" Remy: "I'm just.....ok never mind." Me: "thetha." Remy: "no its pathetic. Go sleep, we have a long day tomorrow." Me: "okay ke. Bye." Remy: "sho." I hung up finally. I didn't want to get my hopes up for this. Nangona I couldn't help the butterflies and blushing. Okay so he was handsome, neat, and just plain nice. Play it cool. I called Siya akaphendula, perhaps ulele or hleli no girl wakhe so I just turned to bed ndalala.

Niyayazi mos guys xa une date ehot akukwazeki ncam ulala. To such an extent I even forgot that later ndisaya ku Bra Zakes. I switched on the TV ksasa, cwaka. the light switch, cwaka. Ndayojonga fridge, cwaka. Okay so its load shedding. Bek'zofuneka ndivase ngamanzi abandayo. Ceke. Akho ne primer apha. Ndavulela amanzi ndangena ndicimele kwi shower. Uphela uwaqhela ke amanzi ndaqiba ndayo khangela into yonxiba. I sat down on the floor to answer my ringing phone. Me: "hey?" Siya: "are you excited?" I laughed. Me: "you're an idiot!" Siya: "how are you this morning?" Me: "cold. Akho mbane. I tried calling you izolo." Siya: "I was a bit busy....anyway, are you excited?" Me: "I'm trying not to be." Siya: "you like him?" Me: "I barely know him. I only have an 'idea' of him. And I can't base my feelings on status or looks, so....not yet." Siya: "ncaaaw...and sex right? He can't have cold sex?" I rolled on the floor laughing. Me: "you are so disgusting. And no, he can't have cold sex." Siya: "haha, well, ndik'thembile. Do me proud. You'll call me ne?" Me: "later yes. Enjoy your morning." Siya: "bye Cinderella." I ended the call. Sistuji esi. I took out white skinny jeans and a denim corset. I checked for my platform wedge ndayifumana ndanxiba. I packed and cleaned my room. I got the message with the directions ndaphuma endlin hiding istixo ndayokhwela. I got to Summerstrand ndathatha i-long walk to this address. After almost 10 minutes of walking. I stood in front of a beautiful house. Actually I was a bit confused. Why was Ioh never mind! I walked up to the white house with a maroon Porsche Cayenne with black rims in the driveway. I rang the door bell. Ndalinda. Sendidikiwe. Why couldn't we go to a restaurant? Wavuleka

umnyango and my first peep was inside the freaking gorgeous place. Remy: "I'm right here." I looked at him. He was wearing grey sweatpants and no shirt. GOD. 😊:p Me: "hey." Remy: "sorry I was working out, can you come in?" Jesus Christ. I walked in. Me: "working out? Its late. Suppose uvuke ekuseni for that." Remy: "I woke up at 6am. Worked out, took a shower. Then I came to prepare this." as he led me out to the patio. Me: "wow." okay, so I didn't expect this. Remy: "please excuse me for just 5 minutes." Me: "ok." he went upstairs. I gushed and goo'ed at his house. AMAZING. Only 3 colours existed in his life. Red. Black. White. The whole kitchen was white. His lounge red and black. White lace curtains. White tiles. Andifun nova, this decor was done by woman. Not him. He came back down the stairs. Dressed more appropriately, thank God. He pulled me a chair. I sat down. Remy: "awusemhle." Me: "enkosi Remy. Awunalo Igama Eli.....African?" he laughed. Remy: "no its just Remy." Me: "what does Remy mean?" Remy: "would you like some orange or mango juice?" Me: "mango." he poured the juice wahlala phantsi. Me: "gorgeous house." Remy: "my sister designed it for me, wenzi interior design at school." oh great, he doesn't have a girlfriend. Or does he? Me: "she's great." Remy: "well...this is it. Let's eat." I dished up for myself ndatya kancinci. Ndicenge ubulady. Me: "no girlfriend?" he shook his head. Remy: "my career kidnapped me." Me: "and you let it?" Remy: "I've always wanted to save lives, and when the goal kept escalating I just couldn't stop, now I'm headed for the Chief position in Surgery." Me: "and that's gonna dictate more of your time." Remy: "unless I find someone to occupy me." watya a spoonful of fruit salad staring at me. Me: "what kind of person you're looking for?" Remy: "I'm looking right at her." Me: "and how do you know I'm not a serial killer, or have multiple personalities? Or I'm just plain crazy enough to stab you in your sleep?" Remy: "There's this thing called faith. I got faith that you're not all that. You're simple, gorgeous and kind. I would like to know you better." Me: "you don't waste time do you?" Remy: "time waits for no man." I stopped myself from smiling because I looked like an idiot. He dragged my hand from my mouth. Remy: "you're-" Me: "stop complimenting me. Please." Remy: "okay. So what happened, how come you're getting a divorce?" Me: "we cheated on each other. Its just not the same. So we decided to cut ties in a civil manner because we have kids." Remy: "kids? How old?" Me: "the twins, Luthandoluhle are 2, my last born is 5 months old his name is Lubambo. I've told you this before." Remy: "oh yes you did! Now I remember the little one speaks Italian right?" I laughed. Me: "you're not serious." Remy: "yes! With his baby speech, and gaga's and bleehs. How are the twins?" Me: "they're amazing. They speak properly and bayavakala ke shame. Some times." Remy: "some times? What, they just zone out to a different language? You have cool kids." Me: "do you have kids?" Remy: "I would

love to have kids. I just...need guidance. I'm so afraid I might ruin the kid, not be able to be there for him or her. I don't know how to be a dad." Me: "trust me, it comes naturally the moment you hold him in your arms, when he looks into your eyes for the first time, the hope and trust he shares with you, and then when he wraps his little hand on your finger eyincanca. The best feelings ever." Remy: "now I want one." Me: "I'm done having kids." Remy: "really? At least two more?" 😊O.o what was he trying to say? Me: "maybe when the twins are about 7 and Bambi is 5." he smiled. Remy: "Bambi will be 3 by the time you have another baby." I laughed. Right. Remy: "Lihle." I looked at him. He held my chin and kissed my lips. Me: "you're already thinking about babies....? That's psychotic." Remy: "I'm thinkin bout a lot of things. Like...a lot." Me: "uhm...okay." I could already tell ba ujonge ngaphi and I was getting uncomfortable. Me: "so Nathi is your brother." he squinted his eyes. Remy: "yeah. Why?" Me: "actually you look very much alike." Remy: "I do not look like him. Yes we're brothers, I studied medicine while ese high school yena then he went on wayofunda accounting, while eyi intern. Unengqondo ke yena ndiyam'vuma. He has an MBA already, kodwa una 28." Me: "oh? Says the brain doctor." Remy: "not right now I'm not." Me: "wena? Unangaphi?" Remy: "35." 😊:O Remy: "don't look toooo surprised. I'm still fresh. Don't worry." his phone rang. Wayijamela and looked up at the sky. The weather was changing. Remy: "you in a rush?" I shook my head. Saphakama. Remy: "sisi!!" he yelled inside the house. Kwaphuma umama onxibe uniform. Remy: "molo madlamini. Uyaphila?" She: "ndiphilile bhuti unjan?" Remy: "I'm fine, ndicela undiqoqoshele phandle, sorry ngokuphazamisa I have a guest, ngu Lihle lo, Madlamini, this is my girlfriend." Madlamini: "yuuuuh! Ndiyaqala ubona i-girlfriend yakho oko ndakwazi. Akasemhle bethuna." I choked on saliva. Ndakhohlela immediately kutshisa namehlo. Run Lihle, Run To Mexico!! Sylon alert! Hewethu? Remy: "ufane wakhohlela. Let go on a tour." he held my hand sabuka indlu yakhe and ended up in the empty room. It was dusty with a table and chair. Me: "and this is what." Remy: "I'm not sure. This is the one room I never cared about. Lihle, what do you do...." he walked right behind me in a half circle and stopped on my other side. Me: "I'm a marketing student." Remy: "interesting...uyay'enjoyer?" I nodded. Remy: "you don't need to tense, I'm alright." Me: "you startled me, we didn't agree on dating, I thought besazana qha." Remy: "yeah...I know. I've made my decision." I chuckled a bit. Me: "okay, listen to me. Remy Lechaba. You don't get to make decisions for the both of us. I come out of an abusive controlling relationship, now I will be damned if I get that with you too! Do not get me agitated. Do not make me mad. We are in the process of ukwazana and if its anyone's business. Its our damn own. Are we clear?" Remy: "as day mntu wam." he kissed my forehead. We took a walk outside down to

the beach. Ndakhulula izihlangu, he held them for me on the sand. Me: "your sneakers?" Remy: "I like them sandy." Me: "khulula fondin. I'm not gonna laugh I promise." Remy: "nope." Me: "iza." I pulled up his leg. Remy: "hey!" he laughed. Remy: "kuthen ungeva?" Me: "I took off my shoes." Remy: "ndizoma right here, ambongena emanzin." I walked to the water pulling up the skinny's. He sat down watching me eyoyame with his elbows. He might be a bit arrogant but I liked him. Kodwa not for ba abengumntu wam right now. Why couldn't he just wait? I looked back and found him stealing a picture. Me: "wenzani." Remy: "nothing." I walked to him ndahlala phantsi. Remy: "my name is Remy Martin." Me: "isn't that a...." Remy: "yep. Its alcohol." Me: "uz'thiyile ne?" Remy: "no." Me: "your mom named you?" Remy: "my father did." Me: "why?" Remy: "he's an alcoholic. Uthi.....it was what he couldn't afford when I was born." he looked like the story pained him. Remy: "mama wam, she died when uNathi was 3 months. Mna bendina 6 going on 7. She was sotho." Me: "oh, so that's why wena uthetha Sotho Nathi can't." Remy: "not properly so he focuses on isiXhosa, my father remarried when I was 10. So ndikhuliswa sistep mother." Me: "wafunda phi?" Remy: "Cape Town. I did my internship and residency that side, I was transfered here so my whole family relocated. Actually, Nathi. Sister wam use Joburg, my dad still lives eKapa, but he visits. A lot. Like almost every weekend. Umama yena uza some times, his wife that is." Me: "you're close to her..." Remy: "kakhulu. She loves us like we're her own." Me: "so why neurosurgery?" Remy: "mama wam died of brain damage after an accident. I spent years and years trying to figure out why. I developed an attachment to it. You never talk about your mother." Me: "I don't know what to say, we used to be so close. Ever since I got married, we drifted apart." Remy: "and why did you get married?" Me: "I was pregnant and in love." we giggled. Remy: "so you're pretty wild huh." Me: "yes...I guess I am." Remy: "I like wild." he kissed my cheek. I kissed his lips. He held my face and continued kissing. His soft lips slowly working their way on mine. My stomach had butterflies and I wanted to giggle. He came closer still lip locking his hand slowly slipping down my neck. I grabbed and pulled away. Me: "slow down." Remy: "I'm sorry. I just....got carried away." Me: "I should get going." Remy: "now?" Me: "yes, you need to rest, uphuma ku night shift uzophinda ubuyele again." Remy: "so ndizok'bona nin ngoku?" Me: "you're awfully comfortable now ne?" he blushed. It was so cute because his cheeks turned pink. Me: "ubundayika ntoni?" Remy: "after I heard about your husband, I lost all hope. Kuthiwa ngumntu ongcobileyo apparently." Me: "who told you this?" Remy: "I can't reveal my source." he kissed my hair. Remy: "yak'fanela Le look. I could stare at this all day." he took another picture with his iPhone. Me: "stop being obsessed okanye ndizok'baleka mna." watshintsha ngomzuzu. I poked him. Me:

"I'm kidding!" Remy: "right kaloku." Me: "iza masambe." we got up and walked back to his place. Me: "uhlala nabani apha." Remy: "with Nathi." I rolled my eyes. Remy: "I saw that." I pretended andim'vanga. He held my waist tickling my rib. I giggled. Me: "khaw'yeke man." Remy: "uzobuya nin kaloku baby?" Me: "I don't know yet. relax." we got to the house. Another car was parked outside. A blue Range Rover sport. Remy held my hand sangena endlin. Nathi: "kunin ndik'khangela I thought you were....." Me: "hi Nathi." Remy: "you thought I was what?" Nathi: "nothing." he smiled. He was eating a croissant. Nathi: "nothing at all." Remy: "why are you here?" Nathi: "you didn't bring me lunch. I didn't want to disturb you but little did I know you were so romantic, restaurants are over rated now? Hm..." Remy: "privacy, Nathi." Nathi: "oh. My bad." he stood behind the counter was'jonga. Remy: "Go." Nathi: "ohhh! Hahaaa! Of course. I just need a drink." wavula fridge wazulisa. Remy: "Nkosinathi." Nathi: "okay, I'm gone. Ndizophuma ngo 4 today, so I'll see you before you go. Bye Lihle. Bye bhuti. Behave." waphuma. Remy was gritting his teeth. Me: "is it just me or..." Remy: "nope, he's always that way." he held me again. This time we're inside a house and no, I wasn't about to give it up on the first day like I've done before. There was no rush. I hugged him instead of a kiss. Remy: "Can I drive you home?" I wasn't going home. Me: "no I'm okay." Remy: "ufuna ndikukhapha ke." Me: "I would like that." Remy: "my neighbors are probably having a field day kwi festire zabo. Babolekisana nge specs, 'umbonile peto? Nanko!" I laughed. he took my bag for me and we walked to the bus stop. I got Ta smig's SMS. "I'm ready. Ndilapha Terminus."..

Sekhe ndacela undiboleke lungs zakho Soma? Have I borrowed your kidney? Huh? Ngoku ingxaki iphi?" Soma: "you don't have to freak out. Manyan like, calm the fuck down." Soso: "Lukhanyo was doing a freakin amazing job as acting CEO. You can be as flexible as you like, kodwa suveske uphole kakhulu. You're the one that wanted to build this company. Now its out here. Be part of it." Soma: "nam I vote for Luks, so you can fly in and out like the eagle you want to be." Lubb: "you tryna be funny?" Soma: "No. I'm just saying." Lubabalo stared at him quietly. Soma: "I'm sorry. Kodwa ke we're serious. If awuvumeli we'll do a vote." Lubb: "who the fuck is that?" Soso : "Lukhanyo hired a cleaning company. Yoh ibiyi mess lendawo. Phaya kwesa space we're still brainstorming idea's on which department we could build." Lubb: "marketing." Soso: "what?" Lubb: "I want a marketing department in that space." Soma: "but we don't nee-" Lubb: " I am CEO. Make it happen." he walked back to his office. Soso: "oh my God, ubuya nin uLukhanyo?" he whispered. Soso: "this damn control freak cannot stay!" Soma: "hahahaaA! Nguwe umntu ubukhalela uLubby, now he's back uyaphinda uyakhala. Akukhose creche apha." he laughed. Soso: "what happened?" Soma: "whatever it is. Iyam'phambanisa. Enguz'ncinci kakade. I have a feeling it has to do with joburg." Lubb: "Do I pay you to gossip?????" he yelled. Soso: "this is unfair, fownela Lukhanyo Soma, Lubby can't bully us, we're shareholders." Soma: "and then what? You know Lukhanyo can't leave the house till Thursday, so we'll wait it out siyithethe kwi board meeting on Monday. If I were you, I'd get those reports done. ASAP." Soso: "k." he looked at his phone while it rang. Soma: "who is it?" Soso: "the hospital. The chief wants me back." Soma: "chief? Of surgery? Ufun ubuyela ubengu gqirha?" Soso: "I don't know Soma. I'm thinking." Soma: "you can't go back, its too late now anyway." Soso: "that was once the best things in my life, my reason for living. My career. Its difficult." Soma: "Soso, Lubabalo is going to dissect you if you don't stop day dreaming. I swear he'll pull your esophagus out your ass." Soso: "I'd like to see him try. Let me take this." he walked out.

Finally I was faced with Bra Zakes. Engese ncume mntaka bawo. Zakes: "wade wafika umalinki." Me: "molo Tata." Zakes: "unjani?" Me: "ndiphilile wena unjani Ta?" Zakes: "ndiyaphila nam. Ndivile ngotatakho, uxolo mntanam, its bad what happened to him, may his soul rest in peace. Nawe uxole. Yayazi mos uSizwe ebezifela ngentombi yakhe." Me: "ndiright Tata, ndixolile kuba ndisazi utata angakhubeka kundibona ndisiva kabhlungu, akukho mnandi kodwa ndiyazomeleza." Zakes: "that's good to hear. Banjani abantwana?" Me: "bayakhula Tata." I dug in my bag ndakhupha the two pictures bendizivasile zabantwana. They belonged to me and my bedroom but he needed them more. Ndamnika. Zakes: "bahle abazukulwana bam. Jonga Lena incinci ingqayi ifana neyaka yihlo." I laughed. Zakes: "enkosi mntanam. Now before ixesha lethu liphele. I need to ask a serious favor." Me: "Tata kuthen ubize mna, not Lukhanyo okanye Lubabalo?" ndaziva ndithethile judging by the look on his face it wasn't a pleasant question. Zakes: "ndifuna ifavor Lihle, ndibize wena not bona sundibuza ngabo. Ndithemba wena." Me: "okay Tata." Zakes: "into endiyithethayo apha kuwe, awuphindi uyithethe mntwin. Xabebuza uthi bendicele undiphathele izinto zovasa ne entyi. Siyavana?" Me: "ewe Tata." Zakes: "its the only way you can be safe. Nawe ke you have to make do." I nodded. Zakes: "kukho imali yam engaziwayo ngabantu bomthetho. Mfazi wam angabuya azoy'thatha emke nayo." Me: "sefikile Tata." he stared at me. Zakes: "then you have to act quickly." Me: "ndizoyenza njani mna Tata?" Zakes: "ndifuna uyifake kwi account. Open one. Not eyakho. Once ilapho you'll do research for me the best investment company you can find, ubuye uze kum to verify. Once I choose one for you, uzoyofaka about three quarters yalamali pha." Me: "iphi lemali Tata?" Zakes: "ikwi account ebhalwe ngoZolani Mzinyathi. You're going to decide between being his wife or daughter, bazokukhuphela lamali." Me: "they can't do it without his signature. Or authorization. Tata, ndizobhaqwa." Zakes: "leave all that to me, wena qha uzoyokhupha lamali pha. You are the only Mzinyathi trustable to handle this. Lihle, ndiyathemba awuzondiphoxa." my heart was racing. Intloko seyijikeleza. Zakes: "I know primary concern yakho ngabantwana. I will take extra care to ensure nothing ever happens to them. Awuzothetha nto kuLukhanyo. Once he knows, izophalala yonke Lena into. So ke nontombi, do we have a deal?" Me: "how will you take care of my children ulapha?" Zakes: "ndingubani Dan mna? Sekhe ndohlulwa yinton? I own an army. All You have to do is just say the word and its done." Me: "okay." Zakes: "good. Nantsi ke account details, I want you to do it before ulwesihlanu. I will call you then. Siqhubekeke." Me: "okay Tata." Zakes: "ndiyabulela qobokazana lam eliqaqambileyo elihle. Ingwevukazi kwedin. Uhambe kakuhle ke mntanam." Me: "enkosi Tata." the visiting times were over. I stood up ndahamba. Ta Smig was waiting for me ngaphandle. I got in the car sahamba. Oko ethule. Me: "are

you gonna ask?" Smig: "no." Me: "why?" Smig: "whatever it is, if ebefuna ndiyazi, ngebize mna. Nawe its best you keep it to yourself." I nodded.

Later in the day Mandy was home with Sbosh, I walked in bandijonga bobabini. I was not in the mood. Mandy: "you don't say." Me: "what?" Sbosh: "Nathi told me...uthi udyola noDoctor." Me: "unolwimi uNathi." I took off my shoes. Mandy: "is it true? You guys are dating?" Me: "I don't know...." Sbosh: "but you slept with him last night, wavukela pha." Me: "ndilele apha mna, I went to have breakfast with him qha. Why are you guys so inquisitive?" Mandy: "firstly I'm happy for you, also I'm shocked you chose the doctor over Siya." Me: "Siya unecherrie yakhe nje. Was I supposed to be his side chick? Hayi wethu." Sbosh: "why though?" Me: "why what?" I couldn't help but notice the disappointed look on her. Sbosh: "nothing wethu, I hope uyakonwabisa ke." Me: "is there something you want to tell me?" Sbosh: "no." Me: "okay, I need to bath and take a nap. Kuzotyiswa nton?" Mandy: "I'll cook today babe, ambovasa." I went to my room nyani ndakhulula ndayovasa. Ubuya kwam, I found 2 missed calls from my phone. Both from Siya. Before I redialed yakhala again phone yam ingu Remy. Me: "hello." I answered. Remy: "hey baby." Me: "aren't you supposed to be at work?" Remy: "yes, I am. Qha ngoku ndisathetha nomntu wam. Unjani ? How was the rest of your day?" Me: "it was okay, wena ude walala?" Remy: "yes I did. Kamandi. I just miss you already, I can't wait for ukubona again." Me: "I'm starting at school ngomso. So maybe by weekend?" Remy: "weekend is great. Kutheni ingathi awukho right nje? What's bothering my Bae?" Me: "nothing." I giggled. Bae? Seriously? Grow up Remy. Remy: "okay, well, you know if you need to talk I'm right here for you." Me: "thank you." Remy: "I have to operate in about two hours okwangoku I have to finish my rounds, so we'll talk later okay? goodnight sthandwa sam esihle." Me: "goodnight love. Usebenze kamandi." Remy: "I will." I hung up the phone biting my lip. Have you ever had that feeling after speaking to someone, everything doesn't seem to matter anymore. All worries felt lighter. Even this big secret I was keeping ka bra Zakes wasn't bothering me. Sbosh came into my room. Sbosh: "hey." Me: "hi." Sbosh: "so.....you're really considering this guy?" Me: "he's a bit big headed but akananto. You're the ones that kept telling me to let go of thugs." Sbosh: "but mna to be truly honest I don't think Remy is the one." Me: "uyamazi uRemy?" Sbosh: "not personally." Me: "exactly. You can't judge him just because ngu brother ka Nathi. They're definitely not the same." Sbosh: "so was Lubabalo, the perfect one, the sweeter version. Kodwa mjonge ngoku? He slays humans xa enomsindo. He spent some years in jail, and he's damn unpredictable. Unlike uLukhanyo." Me: "I don't appreciate you comparing my exes to my current man. He's nothing like them. Zange mna ndikujaje for sleeping with Nathi akumithise, if you don't like Remy, then don't.

Kodwa uzohlala engumntu wam ke qha up until time decides to separate us for whatever reason that doesn't involve other people's opinions." Sbosh: "okay peto, ndiyak'understand'a shame." Me: "I'm sorry." Sbosh: "its okay." since when has she taken Lukhanyo's side though? Me: "have you made a decision?" Sbosh: "about?" Me: "umntana." Sbosh: "I want to abort Lihle. I can't have umntana ka Nathi. Its as though he knows because ngoku undixelel ukuba he would marry me if I were to be carrying his child." Me: "and how do you feel about that?" Sbosh: "ndiyabawela utshata, kodwa I was praying Sbu would be the one." Me: "how sure are you ngumntana ka Nathi lona?" Sbosh: "1000%. I calculated my fertile period and that week uSbu was in Durban ndilele noNathi." I wanted to ask why she didn't use a condom but who am I to ask that shit because I already have 3 kids. Even though its the same man. Who I married. It was still a lot of kids for a 23 year old woman going on 24. Me: "and then?" Sbosh: "and then by the time Sbu came back we had fought for a few days, salala together just once. The fertility period was already over." Me: "I see." Sbosh: "please don't judge me." Me: "I'm not. Its your choice, qha if you do it please go to Marie Stopes and not kwindawo ezi dodgey. Don't risk your life. Even though I think you should tell Sbu the truth." Sbosh: "andizoyenza ke lonto." changing the topic. Me: "I'm looking for a place to live. Ndifumene indawo in Humewood, I think I want to check it out." Sbosh: "ewe man peto. That's a great idea." wangena uMandy. Mandy: "what's a great idea." Me: "I'm getting my own place." Mandy: "you do own a mansion. In Lovemore Heights. Remember the gift your ex bought you for Christmas?" after he'd promised me not to get me anything. Oh yes. Me: "not yet. Plus andiyifuni." Mandy: "okay. Then move in with your new beau." Me: "don't tempt me." Mandy: "is he that hot?" Me: "his house is Gorgeous! Flippen out of this world. Intle shame Jealous down." Mandy: "so...." Me: "no. I don't want to move in with him. Ndizomdika mos ngoku." Sbosh: "are you gonna wait 90 days?" Me: "for what?" Mandy: "fucking him obviously." I laughed. Me: "I might." Sbosh: "with a condom though." Me: "because I planned to go absolutely raw. Yes Sbosh. Noted." Mandy: "ewe kalok sisi our last born is barely a year old. Let him prosper." Me: "and he will. Trust me. Emphasis on LAST born." Sbosh: "Remy doesn't have kids." Mandy: "and ebethe uSiya what if your next hubby wants a baby." Me: "hayin bethuna why are we on Flight 100? I'm not about to get married again. Not yet anyway. Let alone a baby. Its just a relationship, a normal one." Sbosh: "uright peto, no rush right?" Me: "none whatsoever. Mandy imbiza iyatsha." she ran up to the kitchen. Sbosh: "buhleli pha mini yonke?" Me: "yes." avoiding the 'where else you been' question. Mandy: "hayin guys, itshile nyani imbiza." Sbosh: "let's go out for dinner." I really didn't feel like it. Me: "I'm kind of tired mna guys. Ya'll go ahead." Mandy: "what is up with you?" Me: "nothing. I'm

tired. Ndiyavuka ngomso." Sbosh: "okay. Masambe Mandy." she got up. Mandy: "you're gaining weight yaz'bona?" Sbosh: "whatever. Bye Lihle." Me: "bye guys." they walked out together. Ndayotixa. I looked through my suitcase kukho the letters my dad had written years ago. I sat on the bed ndakhe ndafunda. It goes: My beautiful daughter. Thixo wam has blessed me ngawe. Nguwe wedwa into endenza ndibenamandla kulendawo ndikuyo. The only reason I want to keep moving. One day, ndizophuma, ndizokubona. Iyoba yeyona mini ebomini bam endingonwaba ngayo ke leyo. For the first time I lay my eyes on my princess, I can already feel the tears. Today, kuthiwa you have started walking. I wish bendikhona to hold your hand or catch you before you fall. I wish I could witness you grow. Take those steps mntanam ubonise utata. Ndhleli apha and waiting ngomonde to see your next picture. The beauty I see is beyond anything I've ever imagined. Ndiyakuthanda Ntombi Yam. Mamngwevu wam. Take Care..." and it was signed. My heart was hanging a bit low and heavy. Yet I smiled. As though he never missed a day in my life. I wiped the tears away. God, I missed him so much....

Soso got home from work. His daughter ran to him. Siphe: "molo Tata wam!" Soso: "hello my baby. Unjani?" he picked her up. Siphe: "ndiright. Wena unjani?" Soso: "ndiright nam. Bekunjani eskolweni." they sat in the lounge. Siphe: "bekumandi. Uteacher usinike ne homework." Soso: "great. So ithini ke homework amboy'thatha." she ran to her room. Zoleka emerged from the bathroom. Zoleka: "hey baby." Soso: "hey you. Khaze ndiphuze." she kissed him and sat on his lap. Zoleka: "how was work?" Soso: "draining...iyyoh. Soso: "kodwa thina besizokwenza IT department pha." Zoleka: "baby, nonke nizi partners kula business. Equal partners, hlalani phantsi noLubabalo and discuss this with him." Soso: "he's the CEO and has better knowledge. He was smart about this whole damn arrangement kwasek'qaleni. We don't know about business thina, I'm a surgeon, Lukhanyo ligintsa, so is Soma. Lubabalo has more experience and that is why he treats us ingathi sizinkuku." Zoleka: "Sonwabise, you need to stand up to him. He might be CEO but if it weren't for all of you ngeyaphalala la business. You all work in an effort to improve and sustain it. Makayeke unenza izidenge!" Soso: "I don't know where to begin." Zoleka: "cut the space in half and create both departments or expand the business. Its also a good idea to have IT technicians within the business so that ningamane nibiza umntu to fix things." Soso: "thats a good idea yazi. I'll run it past Soma-" Zoleka: "No. You'll do research, I'll help

you, put it in the agenda for next week Monday's board meeting and discuss it then. Baby if you want to make it in business you gotta be tough. Ewe Soma is your brother, but the idea is yours." Soso: "iske yanintsi lento yenzekayo baby. I'm so swamped." Zoleka: "then let me help you, I need something to do. Ndidikiwe kuhlala nje apha endlin." Soso: "okay sthandwa Sam." she hugged him. Soso: "if this works out I'll have to decline the offer." Zoleka: "what offer?" Soso: "the hospital called me back. Bafuna ndibuyele pha." Zoleka: "and you? What do you want?" Soso: "I want time with my family. I want to come home and talk to my beautiful wife to be, ndincedise umntanam with her homework, attend her sport games, make another baby..." she laughed. Zoleka: "another one? Wow." Soso: "its long overdue baby. I need a son. Angel has grown ngoku, She'll love a little brother." Zoleka: "sizophinda siyithethe ke leyo." she kissed his lips again. Zoleka: "uzotya ngoku supper yakho?" Soso: "after the homework mntu wam." he kissed her some more. Soso: "ndiqibele kdala kodwa uphiwa." Zoleka: "diniwe kaloku okanye ube unxilile. Siphe: "Tata xelela umama asuke kwi ndawo yam. Ayoyethu." Soso: "mama suka endawen ka bhabha wam." Zoleka: "niright nifane nandigxotha." she got up. Siphe sat on her father's lap. Siphe: "nantsi ke Tata i-reading." she opened the book lying on his chest. Soso: "khandifundele ke baby ndive." Siphe: "Jimmy wakes up in....the m.... Lithin Tata eligama?" Soso: "morning." Siphe: "in the morning. Hebrushes his teeth andwashes his face." she turned the page and continued reading the small book to the end. Soso: "so ngeyiphi elandelayo?" Siphe: "zii numbers." Soso: "kuthwa zithen inumbers." Siphe: "funeke ndi-counte phelele ku 100." Soso: "masibhale ke mntanam." they counted the numbers together. Zoleka went to run a hot bath for Soso. After the homework, they went to bath and wore their pajamas. Soso: "enkosi love." he took the plate of supper. They all sat together eating. Zoleka: "umama is coming over kule weekend." Soso: "oh?" Zoleka: "is that okay with you?" Soso: "why wouldn't it be? She's welcome anytime baby." Zoleka: "thanks." Soso: "namhlanje you seem a bit more quiet than usual." Zoleka: "ayikho lonto. Zoleka: "Muvhango." Soso: "nayo!" Zoleka: "you're never listening nje." Soso: "kodwa ndiyazazi zonke. Of course I'm always listening." Zoleka: "okay, uThandaza u-acter kweyiphi ke?" Soso: "wait lemme think." Siphe: "Tata..." she whispered, covering the side of her face her mom was seeing. Zoleka: "ha.a Siphe." she hid her eyes and closed her mouth. Soso: "wait....I almost got it. Thandaza, she's the rich woman right? Uhm...uhlala in joburg

Zoleka: "nothing baby. I'm fine." she took the plates to the kitchen. He followed. Soso: "ziyeke baby ndizoz'vasa. Warm up the bed for me." he kissed her hair. She went to put their daughter to bed. Soso washed the dishes, dried and tidied up. Switching off the lights and went to check on his child. He kissed her goodnight then he went to bed. Zoleka was under the blankets. He came in behind her and cuddled. Soso: "thetha nam mntu wam. What's wrong?" Zoleka: "nothing." Soso: "Zoleka, I just washed dishes. You know how much I hate washing dishes, but I do it because I love you. Now xandisithi I love you, I don't mean just loving umntu. I can sense your slightest mood change because I'm sensitive to you. When you say you're fine, I know you're not, and ndiyoba ndisidenge sendoda if ndiyay'vuma lonto ndilale. Thetha nam ke baby." Zoleka: "I feel useless Soso, like I'm wasting my life away. Ndihlala apha and watch TV all day long. Oko ndagxothwa emsebenzin I've become lazy and haven't even tried." Soso: "awukho useless Zoleka. You clean this whole entire house inside out everyday andibon ngobuphi ubu lazy othetha ngabo. Sthandwa if you want something to do, say so. Sizokhangela into together, suthula." Zoleka: "I didn't want to burden you ngento eziphambeneyo." Soso: "hayi Zoleka sundikhubekisa. Sekhe ndatsho nin into othetha ngazo ziphambene? Look at me." he turned her around. Soso: "ndiyakthanda. I know I've been distant and drunk lately kodwa that's ending. I want to give you the best life, mna I love coming home to a warm cooked meal umfazi wam ekhona asking me about my day and advising me about izinto. I enjoy that. Kodwa if you want something to do then I support that." Zoleka: "but you just said undithanda as a house wife." Soso: "I love you all the way. Noba wenzantoni na. Okay? What did you have in mind? Ufuna ukwenza nton." Zoleka: "ndifuna uyoqibezela course yam ye HR." Soso: "then ambothatha forms baby ngomso and register." Zoleka: "funeke ndifumane kqala bursary-" Soso: "for nton?" Zoleka: "to study Sonwabise. Ucimba ndizobeka amabele etafilen ndifunde?" he laughed. Soso: "don't worry about all of that baby. Ambofunda wena qha. Uyak'thand umntu wakho." Zoleka: "what do you mean?" Soso: "I'll pay for it, as long as undipha unyana qha." Zoleka: "when I'm done." Soso: "fine by me. Ungandibaleki qha." Zoleka: "I don't know how to thank you yazi." Soso: "you could always start by giving me a back rub mntu wam..sendidiniwe yila warzone ndibuyela kuyo ngomso ksasa. I can't wait till the weekend ndizohlala ne family yam." she massaged his back. Zoleka: "hopefully things will work out soon. Okwangoku enza Le ndik'xelel ba yiyenze, phof

uzobuya ngomso sendiy'qalile then you can summarize uyifake in a presentation form." Soso: "usisthandwa wena. Enkosi love wam." Zoleka: "masilale ke baby." Soso: "hayi njani." he kissed her neck. Zoleka: "nje kakuhle." Soso: "khayeke wethu baby, sleeping pill Sam torho." Zoleka: "hayi andifun." Soso: "akasengcole omnye umbala. Ingathi ngu ntsundu. Khaw'yeke wethu baby." he kissed her back, holding her thighs. She was melting slowly as the kisses went lower, his hand cupped her ass and one finger separated the two cheeks. He slid his finger down and into her cookie. Soso: "awufun nangok?" Zoleka: "thatha baby..." she breathed..

Asanda woke up in the middle of the night. Her big belly stuck out her vest. She was hungry again and the baby was kicking. Asanda: "Thando." Thando was fast asleep snoring. Asanda: "Thando, ndicela uvuke." Thando: "hm.hm." he refused. She got up and stomped to the kitchen and opened the fridge. Whatever she wanted was not in here. She needed chicken wings badly. So she sat on the floor and began to sob. Thando appeared by the door rubbing his eyes. Thando: "what's wrong now?" Asanda: "I can't find chicken Wings." she cried. Asanda: "I'm fat and I can't even drive to buy chicken wings!" Thando held his mouth from laughing. Thando: "what kind of chicken wings do you want my love?" Asanda: "the sticky ones." Thando: "phakama ke kwi tile. I'll make you some." he helped her up. Asanda: "nyani baby?" Thando: "ewe mntu wam. Your feet are swollen, ambohlala ebhedin. I'll make the chicken wings." Asanda: "enkosi." she paddled her way to the room. Thando scratched his head. How the Fuck was he going to make sticky chicken wings! He couldn't even cook properly. So his first instinct was google. He opened up his laptop typing his search. Thando: "Lord, if this is my punishment for making babies. Ndicela undixolele." he found what he was looking for then defrosted the chicken pieces in the microwave. Cutting the wings and thighs in half. Thando: "now what." he followed the steps correctly. After he was done he waited by the oven patiently. Sisipho was in Zwide with Asanda's mother. He had finally been able to catch up on his sleep but now here he was making chicken wings in the middle of the night for the women he loved. It was painful. He was sleepy. Over tired and stressed with work. He needed the break. With Lungelo's business trip in Johannesburg coming up, it was what he would get. The problem was telling Asanda that she couldn't come along. This broke his heart more than it would break hers because he just couldn't take her crying anymore. A familiar smell came to life. The chicken was getting there. So he wiped a plate and rinsed a glass pouring in juice. When the chicken was done, he took it out the oven and let it cool off. Then took the plate and juice to his fiance. He walked into the room. Thando: "nazi ke baby-" she had dozed off already. Thando stood still for a while not sure whether to be pissed off or relieved. He went back to

put the food in the fridge wayolala. The next morning the alarm sound rang. Asanda: "baby, vuka." Thando: "2 minutes." he grumbled. Asanda: "its not going to make a difference." he switched the alarm off and covered himself. Asanda: "Thando, you need to get up." Thando: "Asanda ndicela undinike ixeshana ndilale in peace." Asanda: "but you're going to be late for work!!" he got out of bed and went to shower and brush his teeth. Coming back to iron his shirt and pants. Asanda: "uqumbele ntoni?" he kept quiet and got dressed. Asanda: "Thanduxolo." Thando: "you know sometimes, I need a bit of rest too. Between taking care of wena, our first baby, our Unborn, and going to work all day, all week, I need to take care of myself too. Nam ndiyadinwa ndifuna ulala. Khandicingele ngamanye amaxesha Asanda ndingumntu andihamb nge battery." he grabbed his keys and bag, Driving to work...

Chapter 769

I sat in class on Friday kwak'sasa recalling the fraud I'd done izolo. I was so paranoid even xakudlula moto yamapolisa ndicimba ifuna mna. I was shaky and jittery wishing this whole thing to be over. You might be wondering what might have happened, well Thursday(izolo) I had left school at 11am. Going straight to the bank as Bra Zakes suggested. I went to meet a Ray Stevens because I had an appointment with him. I went into the office and introduced myself, I do not know what Zakhele did or said kodwa ke lobhuti didn't seem like he was in the mood for friendly talk. He gave me a stack of papers. Ray: "you are Zolani Mzinyathi's daughter right?" 😊_- Me: "yes I am." Ray: "I'm sorry about your father." that stung my heart, my father was gone yes. And here I was pretending to be another man's daughter. Ray asked me to turn to page 4 where the contract stated my relation to the owner of the account. This shocked me to the core because this was drawn two years ago. So, Zakhele had been planning this before I even met him? How had he known? Probably exelwe ngula mama ? But how did SHE know? Unless, she already knew he was still alive and kept updating him about Lukhanyo. Here it was. My actual name. Lithembelihle Mzinyathi. Ray: "can you hear me?" I nodded. Ray: "can you please put your initials at the end of each page until page 8." I did as I was told. Then read the amount that was in the account. I kept the gasps inside. Ray continued to explain some more ndamamelisisa. The last page had an empty dotted line where my signature would be. I signed and dated the document. Ray transfered the money into my newly created account bendiyenze on Wednesday. The bank called me an hour later requiring where I'd received such an amount kodwa ndisandovula account, to which I explained my inheritance. They even suggested I put it into investment to which I

declined. Twice because they were persistent. I was drawn back to reality, class yam iphuma ndaphakama nditatha bag yam. Damian: "hey? How about a hello?" Me: "hey dame. How are you?" Damian: "you seem a bit distant. I'm okay." Me: "I'm okay too." Damian: "are you coming over tonight?" Me: "what's happening tonight?" Damian: "my cousin is in the country, he wanted me to introduce him to my friends." Me: "Alex is in South Africa?" Damian: "oh so you remember his name? Yes he's here." Me: "I don't know about tonight, I've got this thing." Damian: "let me know if you change your mind okay?" Me: "alright, say hi to Lindi for me, I really got to run." Damian: "bye." I walked to the bustop ndyaokhwela town. From town to the prison. I had the papers in my hand. Ndalinda for ukungena. It was taking too long and I was beginning to panic again qha ndazibamba. Once I was in and waiting for him. Ndabona security endithe ntsho ngamehlo. He looked at me thoughtfully and suspiciously nam ndamjamela ngeyam ishori. Who did he think he was? Zakhele came through wahlala phantsi. Zakes: "mntanam. I trust you did me proud." Me: "ewe Tata." I immediately handed over the transfer papers. Zakes: "woyika ntoni?" Me: "why is he staring at me?" Zakes: "sumhoya. Look at me." I looked at him, he smiled. Zakes: "wenze kakuhle, its just the last part that I need help with. Investing it." Me: "did you choose where." Zakes: "nguwe ozoyikhetha. Only 3 quarters of it uyifaka pha." Me: "so the rest ihlala kula account?" Zakes: "the rest is yours Lihle." Me: "what?" Zakes: "you risked your life to take care of eyam. You didn't owe me anything. Enkosi." Me: "okay Tata. Nam ndiyabulela." Zakes: "once the investment has gone through, uthatha imali yakho, uyivale la account." Me: "okay." Zakes: "unjani ugqirha?" I was beyond confused, omphi ugqirha? Me: "andiva Tata?" Zakes: "noba ndilapha ngaphakathi, ndiyayazi eyangaphandle. Ugqirha lo uhlekisana naye. I know." I froze. Try explaining to your father in law why you cheating on his son. He laughed. Zakes: "Lihle umdala. Xa ufuna ukonwaba asizoma endleleni yakho, what I do suggest is ukuba uxelele uLukhanyo kqala before ayive kwenyi ndawo amdubule." Me: "Lukhanyo will never understand." Zakes: "make him understand. Uyamthanda andithi? Kodwa awukwazi umelana nezenzo zakhe? Hlala phantsi naye umxelele. You have beautiful children, children he loves with all his heart, akasoze akhubekise wena kuba uyayazi it will affect his children. Thetha naye." I just nodded. Me: "enkosi Tata. I will." Zakes: "sizophinda sincokole ke sthandwa. When I'm out." Me: "uzophuma?" Zakes: "Ewe." Me: "does anyone know?" Zakes: "hayi mntanam. Naleyo yigcine kuwe. ubenempela veki emyoli ke uyeva?" Me: "yes sir. Enkosi." I departed. Aphe ndleleni I was thinking to myself. I had participated in fraud. It didn't hurt anyone because kakade lamali belonged to Zakhele obviously. Yet he used his twin's name. regardless of the crime I'd committed. I was 2.5 million rands richer. MILLION! Can I

hear you say Million??? Scream, bitches!!!! I got a taxi to town ndincume ndiayi cake yakwa Lil wills eqibo bhakwa. I was planning my millions. The 500k was going straight into a trust fund for my children's education, no matter what happens, mabayofunda without depending on anyone. Like myself because truth be told, ndifunda ngemali ka Lukhanyo. I had paid my first year in advance and saved for my second. Anywho.... I could buy a small house for me and my children and a car. The rest ndiyibuyisela kwi savings nayo. Having patience really worked for me. Xa usathana ecimba he won kanti uThixo umkhulu kunaye. Shame shu. I got off the taxi ndayokhwela Daku Njoli. Getting off kwa Ford ndiyobona abantwana bam. I knocked on the door, Lukhanyo opened. Enxibe ushorty and a vest. Luks: "hey." Me: "hi unjani?" Luks: "I'm good." Me: "thought you were at work?." Luks: "I decided ndibuyele Monday. So....how's school?" Me: "great." I walked in. Luks: "ndiyifumene ke lawyer, yours agreed to meet on Monday." Me: "enkosi. Where are the kids?" Luks: "baku Lubby, he took them to the doctor for a check up. Except for Lubambo, he's a bit mom-sick. Ndithe makam'shiye." we went to the room. The baby was breathing lightly elele. Me: "what's wrong with him?" Luks: "I don't know." Me: "Lubambo never gets sick, suppose asiwe kuDoctor." Luks: "Lubambo ugula xa ekhumbula mamakhe. Like the last time. Uzombona wena uzovuka lomntana atakatake." Me: "ndizokhe ndiy'bone ke leyo." Luks: "so what's up." Me: "There's something I need to tell you." Luks: "nton leyo." he stood in front of me with his hands in his pockets. Me: "promise you won't get mad?" Luks: "I promise I will try not to get mad. Thetha nam, kwenzeka ntoni." he stepped closer. Me: "Lukhanyo.." Luks: "Lihle." my heart stopped beating. Me: "I wanted to tell you.....that I...." Luks: "you what?" he tilted his head to the side. Me: "do you mind giving me breath to space. I mean....space to breath." he lifted my chin. Me: "Lukhanyo." I said more firmly. He kissed my lips, holding the back of my head. His other hand held mine. I pulled away from him. Luks: "ndicela undixolele Lihle. We can't continue doing this to each other." Me: "I thought we'd agreed." Luks: "you agreed, I said yes kuba ndingafun uba siscefe kuwe." Me: "and now..." Luks: "now...I can't help but let you know andikancami." I kept quiet for a while. He kissed me again, pulling me closer, stronger and more passionately, he clung on to me. I was getting dizzy. My back was against the wall, his breathing had started escalating when he grabbed my ass pulling onto his erection. He groaned out loud. He finally stopped and hugged me tightly. Luks: "you've got to forgive me but....rha...andisak'baweli sana." I was so thirsty 😞:(its been months and right now ebendenza lento. Kodwa, my mind acted quickly. I was dumb struck. Why now? Kutheni qho nje xa divorce iba serious he changes his mind. I didn't trust, this had to be a trick. The front door opened. He let go of me and went to check. Lubb: "daddy!!

We're back!" Luks: "uthin ugqirha?" Lubb: "they're doing great. Uphi uLubLub?" Luks: "uhlel nomamakhe." Lubb: "oh she's here? Okay. Well, can you make me tea kunye ne sonka esine jam, I need to get back to the office. Soso uthi uyakukhumbula Mr CEO. Must be nice." Luks: "he said you're a bully." Lubb: "he's a bitch." Luks: "Luthando, what's wrong?" Lutha: "Iambile." Luks: "nawe Luhle?" she nodded. Luks: "iyan kumama eroomin, ndizokwenza kutya." Lubb: "or let me buy McDonald wabo." Luks: "ha.a mabatye ukutya okune ngqondo today." Lubb: "can I get my tea?" Luks: "uzucimba kuse office'in apha." Lukhanyo went to the kitchen to make food.

Later in the day, the kids were taking a nap and I needed to go. I wore my shoes. Luks: "ide yayinton Lento bufuna undixelela yona." he sat next to me on the bed. Me: "will you be mad?" Luks: "so yinto ezandikhubekisa?" Me: "yes." Luks: "thetha." I breathed. Mastering some confidence. Me: "I ...met someone." Luks: "someone othen lowo?" Me "someone whom I'm in a relationship with." Luks: "oh." Me: "I'm sorry." Luks: "who is he?" Me: "you won't know him." Luks: "andizomenza nto. Ndixelele." Me: "I'd rather not. Ndiyakwazi kaloku eyakho i-jealousy ayihambi yodwa." Luks: "hehe. Uphangelaphi?" Me: "goodbye Lukhanyo." Luks: "okay xolo. Andiphinde ndibuze ke." I got up, ndaphuza abantwana bam took my bag ndaphuma. He pulled my arm by the door. Luks: "goodbye kaloku." Me: "goodbye Lukhanyo." Luks: "uzobuya ngomso?" Me: "why?" Luks: "I was thinking of taking the kids to the zoo." Me: "I'll be house shopping tomorrow." Luks: "house shopping?" Me: "yes, I need a house. And no, I don't want your help." Luks: "then yinton Le bundenza yona emin?" Me: "you're the one that kissed me. its not happening again." Luks: "nyan?" he stepped closer. I stepped back. Luks: "undibaleka nton?" Me: "I'm in a relationship Lukhanyo. So No. This is not a good idea." Luks: "but-" Me: "No Lukhanyo." he let go and I walked out to the bus stop. I got a taxi to town ndaqala kwa shoprite for a little shopping.

"you haven't slept in two days Dr Lechaba. You really need to go." Lechaba: "we have to continue with the surgery Michaels. Or else he will die." Micheals: "then what's the point." Lechaba: "the point is trying. The point is keeping our promise to do the best we can to save his life." Michaels: "when?" Lechaba: "right now." he stood up.

Michaels: "I'll book the O.R so long." he walked out. Remy stared at his phone and looked for his spare charger. "Dr Lechaba." one of the interns walked in. Lechaba: "what do you want Libala." Libala: "uhm...I finished with x rays and here are the lab tests you asked for." she put them on the desk. Lechaba: "is there anything else?" he stood up and stared at her. Libala: "I saw your name on the O.R board." Lechaba: "and....." Libala: "you're operating tonight, can I scrub in?" Lechaba: "you're supposed to be off." Libala: "so are you." Remy stared at her and folded his arms. Libala: "I'm sorry doctor Lechaba. I'm just trying really hard." Lechaba: "sweet talk and ass kissing won't get you anywhere. We all work hard and rewards are given to those that deserve them. You're off. Go. Home." Libala: "yes sir." she walked out. He looked over at the test results. Bongwiwe walked in. B: "why are you so hard on your interns?" Lechaba: "nobody was nice to me either and here I am. Can I help you?" B: "why have you been ignoring me?" Lechaba: "in case you haven't heard about the bus that rolled over two days ago. I've been busy trying to save lives." B: "are you busy now?" Lechaba: "yes. I've got yet another surgery right now." B: "must be exciting.....saving lives." Lechaba: "is there anything I can help you with?" B: "Remy what's going on?" Lechaba: "with what?" B: "you're acting like we're not together. You ignore me. You shut me out." Lechaba: "but we're not together, Bongwiwe. We just had sex. 3 weeks ago. Once. It didn't mean anything. Now if you'll excuse me, I have a patient waiting, please leave my office." he collected his pager. B: "is it her." Lechaba: "yes. It is her." he opened the door. She walked out. He walked out to perform his surgery. Lechaba: "Michaels what do you have for me?" Michaels: "Lechaba. the chances are too sli-" Lechaba: "we're going in anyway." he dried his hands, putting on gloves and went in. 3 hours later, after the operation the doctors went to clean themselves up. Michaels: "good work in there.". Lechaba: "its why they call me Beast." Michaels: "I thought it was because of your....." Lechaba: "my what?" Michaels: "never mind...we're finally off. Drinks?" Lechaba: "no thanks Junaid, I need my girlfriend and some sleep." Michaels: "girlfriend?? You? Have a girlfriend?" Lechaba: "yes." Michaels: "who?" Lechaba: "you'll meet her. Just not yet." Michaels: "I thought you don't do relationships. You're the....the other guy." Lechaba: "well, this one is different. I'll see you Monday J." Michaels: "wait...I want you to tell me more about your-" Lechaba: "no can do." he walked out to his office. He took his phone and made a call. Lihle: "baby?" Remy: "hug me." Lihle: "what's wrong." Remy: "I just need to see you. I'm leaving the hospital, for the entire weekend. I miss you. So Uphi?" Lihle: "I'm at my friend's place." Remy: "doing what?" Lihle: "drinking, chilling." Remy: "ndingazok'thatha?" Lihle: "shouldn't you be resting?" Remy: "not without you by my side. So can I come?" Lihle: "I'll send you the address." Remy: "okay." I hung up. I was

with Mandy and S'fiso and Mfundo. I sent the address. Mandy: "hot doctor calling."
Me: "shut up." S'fiso: "awuse nxile." Mfundo: "DON'T forget condoms. Ndizok'nika ezi zam. Durex? Or Rough Rider?" Me: "we're not sleeping together. Just ndiyombona. Relax." Mandy: "just in case you get horny. Take them." they laughed. Me: "I'm glad my sex life is a joke to you guys." I got up and stumbled to the bathroom ndayochama. Washed hands and stared at the mirror. Me: "andinxilanga mna." I slurred. Me: "you neeed. To keep it togetherr. Seriously." I walked out ndayothatha bag ndabuyela lounge. S'fiso: "you look zoned out." Me: "I do not. Fifi, mind your own business. Kay? I'm not drunk." I sat up straight. Mfundo: " nontyintyi." Me: "shurrrup." Mandy: "banana tasting Friday." S'fiso: "it means sucking Dick." Me: "you two are plain disgusting." I got up and quickly went to the door but tripped over and grabbed a chair. Me: "don't say it!!! Nxilanga mna!" Mandy: "peto, you okay?" she picked me up. Me: "yes!" Mandy: "awuqhelang unxila kaloku." Me: "I just need to loosen. Can I get another glass for the road." Mfundo waza ne glass yam of red wine shoving a packet of condoms in my bag. Me: "thank you." I already had my own. Quite some time later my phone vibrated. "ndilapha phandle." the message read.

I walked out the house down the drive way to the car. He was standing outside. Before he opened my door he hugged me. Remy: "God, this feels great." he pulled away and kissed my nose. Remy: "ubusela nyani. You look drunk." Me: "I'm not." Remy: "you have a glass of wine in your hand baby. Unxileee. Yuuh, urhuqa uGqalane mntu wam." Me: "mxim." he opened the door for me ndangena. He drove us to his place. Ndiqond'ba lo usema peren bucimba ndizoqulusa namhlanje. When we got to his place sangena, he switched on the TV and disappeared to the kitchen. Ndahlala on the couch. He came back with cold water. Remy: "sela apha." Me: "why are we here?" Remy: "firstly because kuyabanda phandle for dinner or movies so rather a night in." Me: "are you tryna fuck me?" the shock on his face. Remy: "I'm not. I just want to spend time with my cute girlfriend. That wrong?" Me: "oh. So what's for dinner?" Remy: "depending on what's in the fridge. But I'm guessing awubawel upheka." Me: "no. My feet and head hurt." Remy: "lie down." he gently pushed me down the couch to rest and little cover on top of me. Me: "did you drug me?" Remy: "yes I did." he smiled. Remy: "I'll have dinner ready in the mean time. Just rest." he went to the kitchen. I just sat there swapping channels, bored to death. Me: "upheka nton baby?" Remy: "grilled chicken, wedges, miced vegetables, and squash." Me: "haa! I looove squash. Do you need help?" Remy: "no sthandwa sam, just rest." Me: "hm." 10 minutes later kwangena UNathi emanzi tixi. Nathi: "fuck!!!!" he screamed. Remy: "molo nawe." Nathi: "let me take a shower ndiyeza." he went upstairs. Me: "hi Nathi!!" he stopped and walked back down wazokroba. Me: "hi." I waved. Nathi: "hey boo.

Remy: "ziphi iizihlangu Lihle. Njani uhambe ngenyawo kwi tile kodwa kuyabanda?" Me: "awusabuyi njee." I hugged his side. Remy: "I'm almost done babes. Awugodoli?" Me: "no." he pulled in front of him. Me: "ungu tamkhulu." Remy: "ndiright. But I care about you." he brushed my hair out my face. Me: "why didn't you get take aways?" Remy: "thought you might notice by now I don't like take aways. Yonke into endiy'tyayo ndiyenza ngokwam." Jesus he smells so amazing. looked freaking gorgeous it was so annoying. Umzimba ka bhuti. Remy: "what?" Me: "nothing." Remy: "nothing? Yet you're staring at me like the last piece of chicken." I giggled. Me: "you might be." I turned around and checked iimbiza ze veges. Almost done nyani. He brushed my hair up my head, exposing my neck then kissed me. Slow and Tender. Then ran his teeth gently biting my skin. It sent chills down my spine. Bad chills. The "don't stop now" chills. He kissed my left shoulder, licking it and again the gentle bites, twice this time. I clasped the counter stopping myself from moans and murmurs. His finger raked my sleeve off my shoulder and he kissed my arm. Turning me around to face him. He let go of me, his hands on the counter spread either side of me. He kissed my chest, down slowly to the top of my breast. Me: "Remy.." he stood back up and kissed my lips. Caba I was a talker and he didn't like that right now. His hands grabbed my hips and pulled me up to wrap my legs around his waist. Just one pull. He pressed me against the fridge, still kissing me. Me: "Remy..." Remy: "hmm.." he grunts. Me: "stop." he stopped immediately. Remy: "Its not going to lead to sex. Don't worry." Me: "ubatywa kwakho izobangeny into kaloku. So its best we stop now." Remy: "kwase motwen ndibatyiwe nje. I can control myself." Me: "put me down." he put me down wayojonga imbiza. Remy: "ambonxiba izihlangu Lihle before I spank the shit out of you." Me: "spank? Chill out okay? I'm going." ndapacaza ubuyela kwi couch yam. Nathi came back down enxibe ushorty qha. Ndazigquma ngengubo. Me: "get dressed!" Nathi: "no can do." he went to the kitchen. Remy: "izihlangu Nathi!!" Nathi: "andizobana flu. So you won't have to baby sit me. Relax!" Me: "he's so obsessed." Nathi: "then he should get heated tiles." wazohlala nam. Nathi: "so...how you coping? He's a control freak." Me: "tell me more." Nathi: "he doesn't talk much. He's a do-er. So at times you'll have to do the talking for him. He doesn't have a temper, absolute 100% chill on point. He might seem boring and too private and suspicious but trust me, he let you in his house. He likes you for real." Me: "no girls in the house?" Nathi: "its a rule. That's why I was surprised to see you." Me: "what does he like ke? Since he's not much of a talker-" Remy: "you could still ask me that." he appeared with a tray. Remy: "Nathi is feeding

Nathi: "the abuse I have to live with in this house." so we all ate our dinner, the dishwasher did the dishes, we watched a movie. Nathi: "mandinishiye guys. I'll see you in the morning." Me: "night." Remy was already asleep. Me: "babe?" Remy: "hm?" Me: "you're sleeping." Remy: "hm." I switched off the TV. Remy: "s'yolala baby." he went to his bedroom. Pulling his shirt over his head. I was expecting a throw it on the floor. Instead he folded it neatly wayifaka kwi washing basket. Also his pants. 🤩:O so he was a neat freak. Remy: "iza baby." he hopped into bed wacimela instantly. I got in ndinjalo, he pulled me to his chest. And then nothing. I'm serious, he literally fell asleep. I woke up the next morning esalele. He looked so peaceful and cute. I got out of bed ndaye bathroom ndavulela shower, undressed and went in. Ndavasa ke. There was two cloths, one towel, one toothbrush. Vaslap yok'qala was white. Duh. Ngeyobuso. The navy was for umzantsi perhaps. After uvasa I brushed my teeth. Ndanxiba gown yakhe. When I walked into the room. Yes he was Still sleeping. 😊:/ Still. I searched the cupboard for lotion ndafumana Nivea ndathambisa. I went to the other cupboard in search for clothes. I took sweatpants. There was about 3 of the same color. Ndanxiba. I took my own bra and vest ndanxiba going downstairs. Nathi was watching TV. Nathi: "he won't wake up till 3pm." Me: "why?" Nathi: "he hasn't slept in 2 days." Me: "should I be worried?" Nathi: "nope. Relax." I went to the kitchen ndayokwenza breakfast. Its been months or almost a year ndingayenzi pancake. I needed it. I saw the syrup in the fridge. I made omelets, bacon, pork sausages cut in half with mealteed cheese on top. Some toast. Ndayonika Nathi. He was surprised. Nathi: "enkosi." Me: "I'm making pancakes." Nathi: "oh? I love pancakes." Remy: "baby I'm sorry, I didn't mean to upset you." and I didn't mean to yell but I really couldn't take his car. Next thing when things turn sour uzoxutha izinto zakhe and I'll feel empty and worthless again. Remy: "I'm not him Lihle. And andisoze ndibe Nguye." I got up he grabbed my arm. Remy: "we're not sweeping this under the carpet. We need to sort this out right now. Its clear you have insecurities and trust issues. Which is understandable. Its going to take a while for you to trust me kodwa I'll do everything I can to show you I care." Me: "I'm fine Remy, I justsometimes I freak out because I've forgotten easily and forgiven too early. It comes back uninvited. The flashbacks the dreams." Remy: "its okay....you did good to forgive, don't scold yourself ngalonto. You did it for yourself. Its a healthy step. Alright? It might take time kodwa I'll be here, every step of the way." he hugged me. Tight. I felt so warm in his arms. Remy: "There's also something I want to tell you." the door bell rang. Remy: "I wonder nguban kengok lo so early in the morning." he got up wayovula umnyango. I was curious to know. Remy laughed. Remy: "Tata! Unje ke wena." Father: "Tla haka ntate oa hao!" Remy: "I'm so sorry. Baby khange atsho uyeza." Me: "its cool." Remy: "babes." Me: "its fine love. I promise." I can't believe his father drove all the way from Cape Town through out the night wazofika ebhayi ksasa just to see his boys. What I'd give to have that feeling. 😊 :(I dished up some breakfast too, thank God I'd made extra ndayifudumeza. I took it to him. Father: "enkosi mntanam." Nathi ran down the stairs. Nathi: "Tata!" Father:

"heyy!! Kwedin. Unjani." he hugged him tightly. I disappeared to the kitchen intliziyo yam ibuhlungu. I missed my father too. I wanted to hug him too and tell him I loved him. That I missed him so much. Just 1 minute to hear his voice feel his touch. Remy: "love?" he hugged me wiping my tears. Remy: "its okay." he didn't even know what was wrong which made it more annoying! Remy: "let me get dressed sihambe vha. Give me just 5 minutes." he walked away. I washed the dishes in the sink. Luthandoluhle sat by the dresser together pulling out items from the cupboard. Luhle opened the aqueous cream scooping it with her hand and wiped the floor. She emptied the container Luthando went to the kitchen opening the lower cupboard wakhupha weetbix. He broke the biscuits apart on the floor and ate. Luhle: "ndiphe." she walked to him. He took out the honey trying to open it. Lukhanyo woke up in his bed stretching. Lubambo looked at him and smiled. He was sitting on his bum on the bed. Luks: "hey. How did you....." he listened carefully. The baby grabbed and pulled on him getting on top of his chest then smacked his hand on him. Luks: "ouch!!! I do not have boobs!" he held the little hands. He saw the mess on the floor. Luks: "nkosi yam benza ntoni abantwana." he got up and went to the kitchen. The giggling twins were covered in honey. Luks: "Luthando!!!" the child got a fright and dropped the bottle. Luks: "yinton luyenzayo!" Lutha: "lambile." he stared at him with his big eyes. Luks: "phakama. Uye bathroom. Phakama! Hamba Luhle." they went to the bathroom. Lukhanyo put Lubambo in his little chair and cooked porridge. Lubb: "knock knock." Luks opened. Lubb: "oh my ghad!! What happened here?" Luks: "she won't tell me...what's worse is, ndiyayazi akamthandi. Yesterday, I knew. I just knew." Lubb: "you just knew? Then why did she leave? Lukhanyo its time for you to let go and let God. Naba abantwana bakho. Isn't that what you said you wanted."
Luks: "you don't get it do you?" Lubb: "I've been getting it Lukhanyo. I'm now getting over it. You should do the same. Stop repeating the same cycle. Let her be happy and enjoy the finer things in life which do not include fear. If umthanda nyani. Let her be happy." Luks: "is that what you're doi-" Lubb: "this has nothing to do with me. Luthandoluhle!" Luble: "Tata!" Lubb: "izantoya." they ran into the lounge. Lubb: "Zintle ndamenza isibhanxa, I ridiculed her, insulted her, broke her, someone else found her, treated her like a queen, loved her to infinity. I fucked it up. Liya ndadlala ngaye, knowing very well she loves me. Someone else found her, treated her better, loved her beyond anything else. I fucked it up. Lihle, I let her go. She slipped from me and I let it be. I pray to God this motherfucker treats her like a queen or else hell's chains will break lose I tell you. Don't be me Lukhanyo, don't go around life regretting every single thing. If uyamthanda, now is the best time to just let it go. If its yours, it'll come right back to you. Ndiyayaz kusebhlungu and it'll last a few days, but you'll be okay." Luks: "enkosi." he fed his son. Luks: "but I don't give up easily. And I won't start now." Lubb: "I just wasted good advice on you. You are fucked up, you know that?" Luks: "your language in front of my kids." Lutha: "fuktup." he giggled. Luks: "you see? A little you has erupted." Lutha: "fuktup!" Lubb: "no. Luthando. Stop." Luble: "Noor Luthando!" Lubb: "exactly. Siyaphi today?" Luks: "let's buy some snacks siye Shamwari game reserve." Lubb: "ooh. Road trip!" Luks: "yes. Luks: "he barely ate." Lubb: "mnike botile yakhe." Luks took the bottle and fed Bambi. Lubb: "akay'thandi lapapa uLubambo. He really hates it." Luks: "and usalambile." the baby sucked on the bottle furiously. Lubb: "so funeke sithenge enye." Luks: "ndizam'faki weetbix mna. Andinaxesha lotshintshisana ngepapa." Lubb: "how about you get dressed, ndimtyise mna. Give him." he took Lubambo and his bottle. Lukhanyo went to shower. Lubby took out his phone and searched for Benny's number. He called him. Lubb: "Benz." Ben: "hey what's up!" Lubb: "nothing much. How's things?" Ben: "they're good. Ngakuwe?" Lubb: "the best." Ben: "aw'kambon sister wam? Tried calling her last night akaphendul phone. And no not usbosh, and stop reading my texts." Ben: "then who is it?"

Sunday, I woke up some time around 4am. I sat up straight in bed. Obviously uRemy wayelele still because ulala afe yena. I felt cold and a bit confused ndabuyela ebhedin and snuggled myself in him. The moment I closed my eyes I felt like I was drifting away. Then something dragged my feet. I screamed grabbing on to The floor! It pulled at me until I grabbed on a gate kwakho umoya. When I looked back it was pitch black behind my with two hands grabbing my feet. I screamed. Remy: "Lihle!!!!" I jumped up. Breathing heavily. Its not real. Lihle. It was a dream. Remy: "what happened?" wavuleka umnyango kwangena utatakhe. Father: "ndive isikhalo. Kwenzeka nton

apha Lechaba!" Remy: "Lihle. What happened?" I was literally still shivering. Wangena UNathi. Nathi: "kwenzeka ntoni Remy?" Me: "I was dreaming." Father: "nobody screams like that in their dream Lihle." only to find out ubambe isihlangu in his right hand ebezobetha ban? Me: "something was pulling my feet. Dragging me into a hole. Khandimbone." Remy hugged me. Remy: "its just a nightmare. Its going to be okay angel. Tata, siright. Thank you." father: "okay." he walked out nonyanakhe omncinci. Remy pulled off the blankets looking at my feet. Me: "what's wrong?" Remy: "nothing baby. Move your toes." I wiggled my toes. Remy: "they're fine." he pulled back the blanket. Remy: "its almost dawn. We could stay awake till morning. Sincokole." Me: "do you believe in God?" Remy: "yes, I do. I see miracles everyday at work. Do you?" Me: "yes." Remy: "do you want to tell me something?" I shook my head. I couldn't tell him about the fraud I'd done. Remy: "do you want ice cream?" Me: "at 4am?" he squinted his eyes. Remy: "its quarter to 6 baby." Me: "but I fell asleep at 4. For a Few minutes. Then I was dreaming within seconds." Remy: "maybe it was longer than you thought. Our minds aren't fully conscious when we're asleep." and he rambled on about something I couldn't really hear because my mind was elsewhere. My mind was where my kids were. I wanted to cuddle my twins at this second with their little brother. I wanted to hear Luhle laugh and cover her mouth, noLutha xa ethetha nosisi wakhe. Seeing Lubambo smile and giggle. I was in total bliss. Remy: "babe?" Me: "hm?" Remy: "ndicimba ulele. What's on your mind?" Me: "the kids. I was just thinking nje." Remy: "about..." Me: "them." Remy: "what about them kaloku baby. I should know more don't you think." Me: "Luthando, my first boy, is the protector. He always looks out for his little sis and brother. Luhle, my second twin, my first and only baby girl, oh bethuna uPink dot wam, she is beyond sweet, uyathanda nohleka and smiling. Yathanda ke undikama inwele siswakho. The last boy, the current apple of my eye. From my knowledge was the bubble baby, now kuthiwa u-aggressive and just wants his way. This I have to see." Remy: "an aggressive baby? I would love to see that. Cute babies are the best, but aggressive? That's just rare. So Luhle nguye yedwa u-girl?" Me: "yep." Remy: "you're not thinking of making more?" Remy: "noooo. Definitely not." Remy: "I want a baby. Just one." Me: "oh?" Remy: "obviously not ngoku. Nguban gama lika last born?" Me: "Lubambo." Remy: "beautiful." Me: "I should go to church." Remy: "namhlanje?" Me: "yes. With the kids." Remy: "can I?" Me: "the obstacle is their father." he laughed. Remy: "usalinda nangoku?" Me: "yes." Remy: "don't be embarrassed about it babes. At least ubahoyile abantwana and their mother. Even though its unnecessary. Izophela xa ek'bona wonwabile. Maybe it was because you were single kqala." eish akamazi uLukhanyo lobhuti. Me: "well...I hope so." I really do. Remy: "so ufuna sidibane phambili?" Me: "yes." Remy: "my church or

yours?" Me: "I don't belong to one." Remy: "masiye k'leyam ke. Mama's personal favorite." Me: "when last did you go?" Remy: "I didn't. I just thought if I ever go to church ndinobawela ibe yileya ndayibonayo." I laughed. Me: "you just saw a church and liked it?" Remy: "yes." Me: "uyibona phi?" Remy: "well, some few weeks ago, mama ebelapha, wathi mandimse cawen. She directed me there. And abantu pha, seemed excited, abanye were dancing. I could hear music. It seemed nice." Me: "did you go inside?" Remy: "no, I was on call." this was funny. Nothing I've ever heard. Me: "so you've never gone to church before?" Remy: "I have. When my biological mother was still alive, she took me to Sunday school every week. When she passed away my dad took over. Until he met my step mom, who took over, ndayeka when I went to University I think." Me: "and that was..." Remy: "you're going to make me feel really old." Me: "okay." Remy: "12 years ago. Or 13...I remember ndiyile man during my exam time in my second or third year. Probably 12 years ago." Me: "hayi baby masiye. Yuh." Remy: "wena uqibele nin?" he lifted his eyebrow. Me: "last year." Remy: "good for you. Now mandiyokhangel nto yonxiba." Me: "Hilton suit?" Remy: "for New York. Wena uyothenga nin ezakho or uzothenga phambili?" Me: "what?" he switched on the light wavula kwi cupboard that I didn't open. Turns out, it was a walk in closet. It automatically lit up when he opened. Remy: "I did tell you baby." Me: "tell me what?" Remy: "we're going to New York." Me: "you told me? You didn't ask. Andiyi apho mna, I'm not your employee." he turned around wandijonga. Hayi andingunonjana that's gonna jump at his command people, xa efuna into makay'cele fana nje nempundu. Akazofumana engacelanga and ndimjongile nje ngathi une pride yom'mangaliso. Remy: "why are you so difficult, babes, its just a trip for 4 days. I didn't think you'd mind." Me: "akhange undicele nje." Remy: "mntu wam, I'm new at this dating thing. Its been a while. I don't know what or how to do certain things." Me: "you've dated before right?" Remy: "yes." Me: "then what's the problem." Remy: "well, usually xandisithi, WE'RE doing something, I expect umntu ayazi we're doing something." Me: "that's the problem sthandwa, you're controlling. Intombi iyacelwa. 'sweetie, ndicela siye ndawen ethile' not getting up and deciding on your own. Its a partnership, we ask each other for permission to do something that's going to affect the both of us." Remy: "oh." Me: "yes." he looked a bit lost and pissed kuba ndimxelelisisa. Kodwa I can't nurse his feelings mna ndingonwabi. Gone are those days honey. He went back in his closet quietly. Ndaphakama ke mna ndayovasa. Remy walked out the room in search of the housekeeper. His father was in the lounge with Nathi. Remy: "molwen." Nathi: "what's up with You this morning." Remy: "khanimbon uMadlamin, I need my shirt ironed." Father: "my Remy-Rem-Rem." Remy: "cela nimxelele. There's somewhere I need to be." Nathi: "hey!!" Remy: "what!"

Nathi: "utheni?" Remy: "I don't know if I can do this." Father: "inton ngoku?" Remy: "this whole relationship thing. Zange ndane relationship mna endizoxelelwa oko into ezingekho acceptable. I'm supposed to be the man! I fucking decide what goes where, when!" Nathi: "ungade uphume esmilwen wethu." Father: "what happened?" Remy: "she frustrates me Tata. Its like being trapped in a water bottle but can't drink the water." Father: "ooh mntanam, I remember that feeling...your mother made feel that way. You're falling in love." Remy: "mxim!" Nathi: "nyansile utata. You never let anyone bully you, worse inside your own house. What went wrong?" Remy: "andimazi mna ufuna nton!" Nathi: "so far, you're doing great. Trust me. As far as relationships goes, I'm starting to believe you've changed." Remy: "andizomcenga mna. Tune in." he stomped back to the bedroom. I got out the shower, taking a towel to dry myself ndayibhinqa in the bedroom. Remy: "Li-.." Me: "what?" Remy: "I...." Me: "you....?" Remy: "you're right. I should've asked. I'm sorry if I made you feel uncomfortable." he walked back out. 😞:/ down the stairs to his father. Nathi: "couldn't do it? Welcome to my world big brother." Father: "Remy?" Remy: "Tata...." he sat down. Nathi: "okay. This is bad." Father: "what did you do?" Remy: "she told me about the dream. She was being dragged. Right now, I saw her ankles had bruises.....kwenzeka nton Tata?"

Chapter 771

I got dressed in the bedroom. I honestly don't know where Remy ran off to. Luckily I had packed some church acceptable clothing and a heel. I had to call Lukhanyo to get the kids ready for church. Okanye ndiske ndihambe ngoku ndizofika besandovuka. I wore a knee length white body hugging dress. It had short sleeves and a closed chest. Ndanxiba gown on top to apply my make up. I started with face moisturizer kancinci not too much, then applied foundation. Ndafaka powder, using a sponge after I was done I used my face brush to even it out. I was thinking of using bronze kancinci on my cheeks because my face looked a bit fat and I wanted it thinner. Tshin thiza. I did that, ndangena kwa mehlo with liquid eye liner just one thin line, bottom and top. Applied my mascara ndaqiba. Remy walked in ndithatha isihlangu sam. Remy: "babes, usayothatha abantwana ?" Me: "yes." Remy: "I love your dress, ndik'fownelele imoto?" as he kneeled down taking one shoe. Me: "yes." 😞:/ why was he acting weird? Ebengaqumbanga na. He tied the thin strap of the stilleto on my ankle. The whole time ndim'jongele i-tricks ezi zakhe. Or did I judge wrong? Remy: "There we go. You look stunning." he kissed my knee on his way up. Me: "enkosi. Are you okay?" Remy: "just a bit, still getting used to being pushed around by my girlfriend." he kissed my

lips wayofowna. I fixed my hair in the mirror, all I had to do was fluff it up. 20 minutes later yafika moto and I took my bag. Remy: "call me xa usiya ecawen. The driver knows where it is, ndizodibana nawe at the gate." Me: "will he wait?" Remy: "he has to. Ndimxelele." Me: "alright." we kissed and he held my hand down the stairs. Me: "molweni Tata." Father: "molo Ntombi yam.." Nathi: "you look nice. Niyaphi?" Remy: "Out. Just out." wandisa emotweni. I got inside and left. Remy walked back to the house. Remy: "did you see?" Father: "did she?" Remy: "no! Otherwise she would be frantic!" Father: "perhaps zezanto azinxibayo. Those heels." Nathi: "kunye ne sandals." Remy: "Tata, I don't think this is a coincidence. I still think its something." Father: "Remy, uzothin? You don't believe in sangoma's. Uzothin ke?" Remy: "I'll figure something out. Sisaya ecawen-" Nathi: "AHAA!!!!!" Father: "What!? Remy? Cawa?" they laughed. Remy: "okay guys, what ever." he went up to his room. Ndafika eFord imoto kaLukhanyo was parked outside the garage, inside the yard. Ndaye mnyango and knocked. He came to open the door ebonakala esandovuka. Luks: "Lihle." he sounded more shocked than happy. Me: "Lukhanyo." I smiled. Me: "can I come in?" Luks: "uhm....what's the occasion?" he opened for me ndangena. Me: "I am taking the children to church." Luks: "heh?" Me: "don't look too surprised." Luks: "I am actually impressed." I heard Lubambo in the bedroom screaming. Luks: "akhange ndilale. He's been talking all day and half the night." Me: "kuske kwathin?" Luks: "uyakhula." we went to the bedroom. The kids were awake. Me: "hello guys." wazigquma uLuthando. Luhle waphakama. Lubambo was sitting on his bum endijongile with a toy in his hand. Me: "Lubambo what's the problem ?" Luhle: "mama, Bambi yena wenza inors mos." Me: "nyani mntanam? Lubambo kuthen usenza inoise?" Lukhanyo went to run the bath. Luks: "Luthando Mzinyathi." Lutha: "hm." Luks: "iza izochama. Unentlon zika bani?" he came to fetch him from bed. Both twins went to bath. I was left with Lubambo ndizama umtyisa. With every spoonful he swallowed, he said something in baby language and ebencokola shame the way he was so focused. Wabuya Luks with the twins and took Lubambo to bath. Ndakhangela mpahla zabo ndibathambisa. Luthando wore his blue chino shorts and a white shirt. Luhle wazifaka ikawsi zakhe up to her knees. I took out a white short dress ndamnxibisa yona and her shoes with a buckle at the ankle. Luhle: "mama." Me: "yes my angel." Luhle: "Tata ukama inwele ka nana ne?" Me: "ufuna ukanywa ngutatakho?" she nodded. Me: "okay. Luks, she wants you." Lukhanyo came back ebile ethe xhopho carrying Lubambo away from his chest. Luks: "thatha Lihle umntanakho." I took Lubambo ndamthambisa. Ndamnxibisa jean yakhe and rolled it at the ankles. I dressed him in his white plain t shirt kunye ne cardigan emhlophe. He didn't need shoes so I just pulled in his socks ez'nyawen. Lukhanyo was done with

Luhle and brushing Lutha wayolungisa bag eyi 1 with snacks and Lub's diapers. I was done with Lubambo who seemed to be calm. Thank God. Xandisiya ekitchen, Luks was outside by our car encokola no-driver. I wonder uthin bawo wam! He came back inside the house. Luks: "well....enjoy guys." Me: "we will. Thanks." I carried the baby, Lutha carried the bag, and held isandla sika sisi wakhe. We went to the car outside sahamba. The driver drove to a church in Algoa. There was no gate, just an entrance where Remy was waiting. Ebenxibe suit emnyama sanqa emthe ngca mfo. And a red tie with white shirt under. He opened the door for us ndaphuma kqala. Remy: "good morning." Lubambo gave him a legendary side look. The twins came out the car bama bamjonga. Me: "so, here we are." he bent down to the kids. Remy: "molweni. Anisebahle, nguban gama lakho?" Luthando looked at me. Luhle: "Luhle. Lutha lo." she said in the sweetest voice. Remy: "wow, Luhle umhle kangaka kanti." she smiled. Remy: "hello Lutha." Lutha just stared at him. Luhle: "Lutha!!" cwaka sana unyana ingathi akaboni mntu. Remy stood up. Me: "he's shy." Remy: "I can see. and this must be Lubambo Aggressive Baby. Right?" Me: "and he likes you. Ina bamba." I gave him the baby ndathatha izandla ze twins. We went into church kugcwele ke bethuna. We found seats and I joined the singing. Church started sakhonza ke. Oko Luthando wayethule ngoko sifika yade yaphuma icawa esavale umlomo wakhe. Luhle was singing noba akeva kuthwan kodwa her hands were clapping ecula. My baby girl was enjoying herself sana and I decided from now on, funeke sizile ecaweni. Nakanjani. When we walked out of church, Remy ebencokola with this other older man em'bambe ngesandla. Lubambo was fast asleep engalwen yakhe. I could see Remy wasn't used to it, kodwa ebe excited either way. So while we waited for him ndingafun um'disturba wathetha uLuthando. Lutha: "nanku tatam." ndaxhunyelwa yintliziyo. Me: "uthin Luthando?" he sprinted away from me and I panicked. Ndafunqula uLuhle and went after him. Gqi! NoLukhanyo. Luks: "molweni." Luhle: "Tata!!" What The Hell! Me: "Lukhanyo. Ufuna nton apha." Luks: "I was invited by a client, nankuya with his daughter. Mr Mashele. Wena?" Remy: "there you are babes. Jonga ubaby boy ulele. I can't believe it!" he stood next to me. Remy: "oh, good afternoon. I'm Remy Martin Lechaba." Lukhanyo laughed. Long and hard. Luckily, wahleka noRemy. Luks: "Wow! As in the..." Remy: "yep. The one and only." Luks: "Aren't you a doctor?" Remy: "neurosurgeon, yes." Luks: "ohhh.....interesting. Very interesting. I'm in business. Part of a telecommunications company, but looking for potential investors in a new business venture of my own." Remy: "what kind of venture?" Me: "CAN WE LEAVE? Please?" uvalo obelundiphethe. Luks: "hayi Lihle Ntombi, chill out." Remy: "you know each other?" Luks: "yes Remy. This is my wife." ndaphantse ukufa. Remy kept quiet. Remy: "I'm...sorry. I didn't-" Luks: "ha.a bhuda.

Suzisokolisa. We're separated and in the process of divorce, qha umntu xa umthanda ingaske ahoywe ngumntu oright if its not gonn be you. Ukhubone?" Remy: "I see." Luks: "so khululeka awti yam. Sigrand. Nangoku nihamba nabantwana so its best yonke lento siyenze ngendlela eright. Kungaliwa ngobubhanxa. Otherwise, igama ndingu Lukhanyo Mzinyathi." Remy: "ndiyavuya ukwazi." Luks: "so Lihle abantwana uhamba nabo or ndibathathe?" Me: "ewe. Ndihamba nabo.." Lutha: "funa tatam mna." he hid behind his father. Luks: "Lutha, uzobuya late kum kaloku boy." Lutha: "hayi Tata!" he cried. Luks: "Luthando." he picked him up. Luks: "its fine, I'll take him. Ndisayokhangel uLubabalo. Its nice to meet you Remy." Remy: "nawe bhuti." Luks: "Lukhanyo, please." wahamba wayoma nale client yakhe. Ndlela le bendine ntloni ngayo. I just wanted to cry out loud. And by the look on Remy's face. He was not impressed either. In fact, he looked disturbed. Remy: "can we go." he said in a low tone. Luhle was still in my arm sahamba ejonge ngasemva kutatakhe. This was just painful. All of it nje. Andikwazi ushiya omnye wabo, at the same time I can't force him. Nanku nalona ufuna ushiyeka kuba brother wakhe ehleli and she was upset. We got in the car. Ndis back seat of his Porsche with Luhle and Lubambo. It was a quiet drive back to Summerstrand. Remy: "so that's the famous gangster ex husband." Me: "yes." Remy: "he seems nice. Is he usually nice?" Me: "no." Remy: "so I should be worried?" Me: "he won't do anything to hurt you." for a minute, I stopped and thought about what I was doing. How this whole thing was going to affect my children. Luthando was already pushing me away efuna utatakhe. I should've waited until they grew older to make them understand. Instead ndiphethwe kunxanwa nobuhule qha andisacingeli nabantwana aba. Wavuka uLubambo and pulled himself up uthe wobona kwenzekaa nton pha efront seat, he charged toward Remy. Me: "haibo. Lubambo." Remy: "what's going on?" Me: "he's just being busy." he started sobbing. Remy: "m'sapha." Me: "focus on driving please." Remy: "sesfikile." he turned to his street wamisa in his driveway. Ndamnika umntana. Remy: "I see we have a NASCAR driver in the future." Why were we here? I needed to go home. I couldn't do this. We got out the car, me with Luhle. Him with Lubambo. Sayongena endlin. Nathi was still home kodwa bengekho ke tatabo. Nathi: "oh my goodness!!!! Cutie cute cutes!" he picked up Luhle. Nathi: "hey you! Unjani?" Luhle: "philile." Nathi: "nam ndiphilile sanaz. Nguban igama lika Bae wam omtsha?" Luhle looked around confused yinton Bae kanene? Me: "ngu Luhle." Nathi: "ohh man! Luhle ka Nathi sana." he put her on the counter. I had to make her some food kuba bag ihambe noluthando and Lukhanyo. So I searched for vege's. Ndafumana ithanga. Some potatoes. Cabbage, carrots. Nathi: "I'm cooking today." Me: "bendifuna ukwenzela uLuhle some food." Nathi: "don't worry, I'll fix that." I stood nearby ke. Remy was out

in the patio edlala noBambi ohleka kwanto yonke ayenzayo. I was just lost. And mainly hurt yilento ka Luthando. I wanted my children to be happy and by them being happy I had to sacrifice. Ndizongam'boni uLutha ngoku? I can't deal with that. Remy: "baby." he came to stand next to me. Lubambo was on the mat efront. Me: "yes?" Remy: "what's wrong ngoku?" Me: "maybe I was too quick to start dating again.." Remy: "why?" Me: "ndibalekwa ngumntanam. I hardly spend time with them. They're more closer to their dad than they are with me and the one chance I get, abafun nondibona. It hurts Remy." Remy: "baby, ndiyayazi andinabo abantwana. I can't imagine how you're feeling but I do understand because uhleli undibalisela ngabo. Right now its best you enjoy the next couple of hours with these two and when you're back pha uhlale ke noLuthando. Its not your fault babes, kids are tricky. Don't beat yourself up about it." Me: "I justI love them so much Remy. If I could, I would just have them by me at all times." Remy: "its okay sthandwa Sam." he hugged me. I felt something by my feet ndajonga phantsi. Nanku bethunana uLubambo! How did he get here! Remy: "hey!" Me: "did he just...." Nathi: "oko ekhasa etyibilika wade wazofika." I picked him up. Me: "heeee awuva wena!" Remy: "good boy. Uzoleqa umntu ekubaleka. Awuna xesha lalonto wena." he took him sana babuyela back elounge. I went to check on Luhle ekitchen sephethe sandwich esitya. Me: "masambe baby. Come." I picked her up saya uypstairs to the room ndiyoqoqosha bag yam. I needed some time to think properly about everything. I needed to stop being selfish ndicingele inzala yam. Would this mean I'd have to stay single? Ubuyela ku Lukhanyo wasn't an option. Yet. I just needed- wait....why did I mention a 'yet'. As if I'm planning on going back. Did I want to? There were those moments were everything was perfect, maybe too perfect. That's why it didn't work. We were at risk. All the time and he continuously lied. So no, there is no going back. I took off my shoes sahlala on the bed. Umntanam wasiqiba sonka sakhe. Luhle: "mama, funu lala mna." I took off her shoes. Sanqenqa ke on the bed sombathe nge blanket encinci. Me: "bekunjan ecawen?" Luhle: "mandi. Mna Thanda ingoma yapha." Me: "really? So ufuna ubuyela again ngecawa." Luhle: "ewe. Yena Lutha kafun cula." Me: "Lutha ebediniwe yena shame." Luhle: "hayi mama, Lutha uyageza mos. Uthe utata." she meant utsho utata. Me: "akagezi baby uLutha qha ukhumbula utatakhe." Luhle: "kafun khumbuli tatakhe. Lutha khumbula umama. Uthe kutata eviday." did she just say everyday??? 😊:v this was too cute. Me: "wena awumkhumbul umama?" Luhle: "khumbula nam umama wam." Me: "uzozohlala nomama?" Luhle: "ewe zohlala nomama notata noBambi." eish... Me: "baby. Umama notata abakwazi uhlala nani." Luhle: "akafun mama?" Me: "ha.a mntanam. Akafun umama." Luhle: "mama uhlala nobhuti?" Me: "ha.a baby, umama uhlala no sis'Mandy kodwa uzothenga indlu for

yena nabantwana bakhe bahlale kamandi." I knew she wasn't grasping it all kakuhle kodwa ke uyandiva wethu. Luhle: "mna ndiyamthanda umama. Ndiyamthanda utata. NoLutha wam noBambi wam." Me: "nam ndiyak'thanda my love. Notatakho naye uyakthanda. NoLutha wakho noBambi wakho. Sonke sana." Luhle: "ok'e ke. lala mna ngok." Me: "lala mntanam." she closed her eyes. I loosened her hair ties abeno lala kakuhle. After a few minutes she dozed off. I watched her sleep. Remy came in with Lubambo. Remy: "I think he's hungry or thirsty." ndamthatha and breast fed him. Wancanca emane ngojonga his new friend ancume. Remy: "awusandiqhayiseli." he sat down. Remy: "already packed..." Me: "yeah, we have to go later uvuka kuka Luhle." Remy: "you have amazing children Lihle." Me: "enkosi." Remy: "so what is next." Me: "I'm thinking of a lot of things. I need a place nyani to give these kids a home Remy. Bazokwaz uhlala nam." Remy: "just don't settle for just anything ngenxa ungxamile Lihle. Its difficult. Ndiyayazi, but baby you've got to be patient." stressing about it wasn't helping nyani. Remy: "I might have a place in mind kodwa ngu rent to buy though. I could contact the landlord and arrange a meeting." Me: "where is it?" Remy: "in Walmer. Its a fully furnished town house." Me: "how soon can you arrange a meeting?" Remy: "I'll do it first thing in the morning." Me: "why didn't you say anything?" Remy: "ndilibele ngoku besipha babes, do you see why we shouldn't rush izinto, sometimes impendulo is right in front of our eyes qha thina sijonge kude." Me: "thank you. So much." I hugged him. Lubambo wafumana chance yoqabela. Me: "now all I need is a small car." Remy: "what kind?" Me: "noba yi-polo or BMW x1." Remy: "Scirocco baby. Or the BMW GT." Me: "heee hayi ke ubaby. Uyabaleka ngoku. yay'qonda malin ezinto uthetha ngazo? Better wethu Polo qha." Remy: "ndizoyok'khangelela Scirocco mna. Or A Series ye AMG kwa Benz." Me: "no Remy. I'm buying myself a polo. Not i-Scirocco, or i-Benz. A Polo!" Remy: "okay ke love xolo. Polo it is." so I had to wake up ndiyoqala eWalmer kwa VW dealership and order my ride. I wanted it Red! Or white. Well sobona ngomso. Me: "uyozela ke lo." Remy: "so ubanjwe yinton angalali." Me: "menze alale." Remy: "how?" Me: "ufuna uba ngu Tata? Figure it out sweetie.."

We woke up from our nap, I was hungry as hell, phof mna ndivuswa nguLuhle ogigitheka yedwa. I opened my eyes and saw her ehlel on Remy's chest bencokola. Remy: "akasmhle lona. fana nomamakhe." Me: "yes baby?" Luhle: "uthi utata yamthanda umamam." Remy: "haaayi. Wayidlulisa ntombi." Luhle: "uthethile mos wena." she pointed at him. Remy: "xolo ke. Andiphinde." Me: "babes, I don't think we should use titles just yet. I don't want to confuse her." Remy:

"its okay mntu wam." Lubambo ebelele ngomqolo eyimpolo mntakabawo. And thank goodness he was asleep. Akalali lomntana. Ukholwa kudlala qha. Remy: "we're going downstairs for dinner. You feeling okay?" Me: "yes. Qha andikwazi ushiya uBambi apha. Plus my head is aching." Remy: "I'll get you something." Me: "no. I just need another nap." Remy: "Lihle, ndicela uvuke usele pilis." Me: "why are you panicking?" Remy: "I'm not. Kodwa andifun ufunyanwe ngenyi nightmare." I sat up from the bed. He went to his medical bag wabuya ne pilis and some water. Ndasela. Remy: "andiy'thandi xa ukhubekile Lihle. If kukho problem, ndicela uthethe nam. Siyilungise." Me: "I'm just afraid of losing my children Remy. Andifun ulahlekelwa ngabo. I don't want to be those type of mothers." Remy: "you aren't. Trust me." my phone rang. Ndayijonga. It was Benny. I answered. Me: "hey Benny." Ben: "hi, unjani?" Me: "I'm fine wena?" Ben: "I'm good. I was wondering if singadibana. Its been a while." Me: "yes, when?" Ben: "whenever you're free." Me: "apha evekin ke bhuti, we'll keep in touch." Ben: "okay enkosi." Me: "bye." Ben: "goodbye." I hung up. Me: "that was my brother." Remy: "oh. Khumbula usis wakhe." Me: "probably. Besiphi?" Remy: "you're a great mother. Okwangoku you're at a disadvantage of not owning your own place yohlala kodwa in due time you will. And things will get back to normal." Me: "why are you always so optimistic." Remy: "because ndifuna umntu wam onwabe. Plus I'm going to miss you so much kule veki." Me: "nyani?" Remy: "yes. baby?" Me: "hm?" Remy: "ndicela undikhaphe siye New York. Please." Me: "uyothin eNew York love?" Remy: "ndiya kwi meeting ezimbini." Me: "and for how long?" Remy: "from Friday to Wednesday." Me: "I had a temporary passport, khange ndibuyele to do a permanent." Remy: "its just a few days my love. Please." Me: "okay." Remy: "thank you." the baby woke up. Remy: "dinner time." ndamthatha and we went downstairs. A vacation with the kids would be great. I just pray that uLuthando accepts this whole thing anyibilike. Me: "uphi umntu we-dinner?" Remy: "he probably went to buy or stock." Me: "stock what?" Remy: "he owns a club." Me: "a club? Hamba Nathi." we ate our dinner. Me: "and your dad?" Remy: "my dad...I'm not sure where he went." after our dinner, wayofaka izitya kwi dishwasher. Me: "its time for us to get going." Remy: "okay, where to?" he took his keys and Luhle. Me: "Mandy's place." Remy: "most probably by the time we're back from New York. You'll move in your new

place." Me: "if ayikathathwa and if its affordable." Remy: "I bet it is." he led us out to the car and drove us to Mandy's house. I had an inch of hope, but left a space for disappointment. We reached indlu ye tshomam wamisa ngaphandle. When I looked over at him wabe engamndanga tu. Me: "problem?" Remy: "nothing babes." Me: "uqumbele nton?" Remy: "andiqumbanga." he kissed my cheek. Me: "iza Luhle...will you call me when you get home?" Remy: "certainly. Goodbye." I got off the car with my kids sayongena endlin. Nobody was here ndayobeka bag yam in the bedroom. I changed into gym shorts and pajama vest. Lukhanyo called, I ignored it because I knew befuna ndibuyise abantwana. Just one more hour at least. After the 5th call I decided to just answer ngoba akacingi ancame. Luks: "andiphazamisi?" Me: "no, what's up?" Just looking at my daughter and imagining his brother. She was playing by herself pha phantsi ezincokolela. She looked up at me and smiled. Luhle: "iza mama." I sat next to her wandinika unodoli wakhe. She'd left it behind the previous time caba kudala emkhumbula. Lubambo was sitting naye ejongile kwenzeka nton with his rattle toy. Sisancokola njalo ndava ngemoto imisa phandle and a knock. I got up from the floor ndayokroba kqala nguban and opened. Luks: "hello." Me: "hi." he walked in with uLuthando. Wandixhumela kwangoko. I rocked him back and forth rubbing his back esozela. Luks: "Lihle." he was standing right behind me. I wiped my eyes and turned to look at him. He was in tears. Luks: "I don't know how I can explain how deep in danger our family is in." Me: "why?" Luks: "the walls are falling apart, the reason why uLuthando is like this....." he wiped his face looking away. Luks: "its because someone was shooting at him but missed..."

Chapter 771

I sat in the chair and just simply stared at thin air. I didn't know what else to say qha bendilambe ndisifa. But the thought of food made my stomach churn. Luks: "please say something." Me: "like what. I almost lost my son. What am I supposed to say?" Luks: "Lihle, ndicela uxolo." whoever's fault it was, I didn't care. I was just grateful that umntanam ebesaphila. I hugged him tightly in my arms elele. When I looked at his face. Ndiphantse ulila. Why couldn't I understand! Luks: "Lihle." he came to me ezothatha uLuthando from my arms. Me: "leave him alone." Luks: "ndifuna uyombeka ebhedin. We have to talk." Me: "There's nothing we have to talk about Lukhanyo. Abayi ndawo abantwana." I stood up feeling a bit dizzy. Ndayombeka on the couch where I could see him clearly. Luhle waza nengubo from the bedroom wayokhwela ecamko bhuti wakhe. Me: "Lubambo can crawl." Luks: "nyan? Since when-" Me: "today." Luks: "Lihle. The second shot hit the boot, ngelixesha sendim'tsalile. We got into the car and another went off. I drove out as quickly as possible. Zange ebomin bam ndoyika oluya uhlobo Lihle." Me: "did you see anyone? Who it might be?" Luks: "ha.a. Funeke ndihambise imoto as in now. Amajita asuse eza bullet zijongwe." Me: "you're gonna leave us here by ourselves?" Luks: "what if ibonwe lemoto apha phandle kuphindwe kuqalwe ek'qaleni? I won't be long. I swear. I need you to stay strong for me. I'll be right back okay?" he hugged me.

wavuleka umnyango andothuka. Mandy walked in with S'fiso and Mfundo noSbosh. Mandy: "hayi bethuna, yinton nangathi niyahhlola. Kuthen nihleli ebumnyamen?" I didn't even realize. Sbosh: "guys what's wrong?" Luks: "Lihle, ndizobuya uyeva. Get your stuff ready okwangoku.." he gave me the baby wayophuma ngomnyango. Sbosh: "Lihle?" Me: "not now guys. Please." I went to the bedroom ndaqoqosha izinto zam. I was finished with everything when my phone rang. Remy. Me: "hello." I answered. Remy: "hey baby. Ndifikile kengoku endlin, Tata uyak'buza uyephi. Lubby's house? I'm not going there. I just cannot. Sbosh: "Lihle?" she came in my room. Me: "yes?" Sbosh: "you okay? Kwenzeka ntoni?" Me: "nothing Sbosh. I'm fine." in almost 30 minutes wabuya uLukhanyo. He just walked into the room qha. Luks: "ready?" Me: "I can't go with you." Luks: "I understand Lihle, kodwa Luthando uyambona unjani. He wants to be near you. That way funekile sihambe sonke." Me: "kuyiwephi? Because if umntu is after us, they know exactly where we live! And andiyi k'landlu ka Lubabalo mna!" Luks: "asiyi apho. Andifun ke ukumoshela izinto zakho. I know kunzima, but right now, family comes first. We have to go." I took my bag and Bambi, he rolled out the suitcase wayoy'faka emotweni. He came back to fetch the twins. Sbosh: "Lihle?" Me: "I'll explain later. Ndimnkile guys." ndaphuma ndaya emotweni. He was using Stuja's first car, the BMW. Kuba yena ebesebnzisa iBenz. Luks drove out carefully and into the road sahamba. Ufika kwethu in Lovemore Heights wafaka imoto egarage and we all went inside. Its been long since I was here. There was new furniture too. On purpose, I know he was trying to change this house into a positive space. I had to leave the past where it was. Wavuka uLuthando waphinda waqalisa ukhala. Lutha: "mama!!!" I hurried to fetch him and cuddled him in my arms. He was clearly traumatized and

needed a doctor, ingathi kanti something is wrong. Me: "iza Luhle." we went upstairs ndavulela amanzi ovasa. Lukhanyo brought up the bags and Lubambo. Me: "sisayovasa. Can you make them something to eat bazolala uqiba kwabo? Iphi panado ka Lutha?" Luks: "in his bag." I went to the bathroom with the twins sakhulula savasa. The bath tub was big and round. Uqiba kwethu uvasa sayothambisa and wore our pj's. Lukhanyo came in efunqule uLubambo carrying take aways. Luks: "ndizolala in the next room. Ndicel thatha uLubambo?" I nodded. Waphuma. It wasn't even late. Yet I was already 150% done with this day. Batya abantwana and I also ate, ndabaselisa panado after just to help them sleep quicker and longer. Nyani within 15 minutes balala. I took the paper bags downstairs ndayolahla emgqumeni looking in the fridge for food. Kungekho nto. I was still hungry. Luks: "khangе utye? I thought I bought enough." Me: "still hungry. Where's my baby?" Luks: "ulele naye. Nankuya. Ina." he gave me the car keys and his card. Luks: "noba uye kwa Spar. We'll need food for tomorrow too." I looked at the keys. Luks: "nothing is going to happen." ndathatha ndayonxiba then drove out to Spar. I bought a few things for breakfast, some rice, vege's and meat. bottles of juice, yogurt, snacks. Yonke nje into endiy'bawelayo nokutya kuka Bambi. Ndayobhatala. When I rolled out the trolley ndisiya emotweni I received an SMS from Lukhanyo. "YUUUUUH!!! Uyandiqongqotha mfazi." bendisenzela yena nabantwana bakhe mos, because I didn't buy for umna qha. I giggled ndapakisha izinto emotweni. Ndincediswa ngomnye umfana ingath usebenza as a car guard. Him: "molo sisteri." Me: "hi bhuti. Uphilile?" Him: "ndigrand sisi nawe uright?" Me: "ndiright bhut wam." Him: "ngath ndiyamfanisa man usisi." Me: "I doubt that. Ndiyafika aphe bhayi." Him: "nyani?" Him: "ndiyabulela sisi." Me: "ngumntu omaziyo lo girl umfanisayo Dan?" Him: "ha.a qha bendifun umxelela aqhaphela. Kukho abantu abayingozi phandl'apha." Me: "yyoh. Shame man. Okay." I got into the car ndayiqwitha ukuya Summerstrand. On the way ndifownele Lukhanyo. Me: "they're looking for me too, kukho umntu ebendifanisa. I couldn't drive back to you." Luks: "uyaphi kengoku?" Me: "Summerstrand." Luks: "khaw'jike Lihle uye kuLubabalo." Me: "I don't want to-" Luks: "don't argue with me! Remy will not be able to protect you xa ababantu bengena endlinakhe! Are you trying to get him and his family killed??" Me: "no!" Luks: "Then jika!" I switched off the phone

ndashaya U-turn ndaya ngase Love more Heights again to Lubby's house. I really didn't feel like seeing him. Waske wandidika ndingekamboni. The gate was opened ndangena ngemoto and parked it outside. The gate closed again. So ndayongena ke endlin ka Lubby. He was standing by the door engu smiley face with a glass of whiskey. Me: "hi." he looked at the gate pushing me inside the house. He closed the door behind us. Lubb: "was that car following you?" Me: "I think so." he gulped his beverage waye kitchen. I followed ke mna ndisiya kwi fridge and found a red velvet cake. To God be the Glory. Ndahlala nayo on the counter and devoured it. Lubb: "I was gonna eat that." Me: "too bad. Ndicel undigalelele ijuice." Lubb: "slow down. Uzobane cramps if you stuff yourself kangaka." Me: "ndilambile." Lubb: "I know." I looked at him. Yakhala phone yam. I answered. Luks: "Lihle." Me: "sendifikile." Luks: "good. Wenzanton?" Me: "I'm trying to eat. Lubabalo won't let me." Luks: "khamnike phone." I handed over the phone ndabuyela kwi cake Le. Lubb: "Lukhan- yes- I know, okay, okay! Damn. Ndik'vile!" he put down the phone. Lubby: "unjani anyway?" Me: "fine." Lubb: "okay, last time I checked, we're friends. Why am I picking up a vibe?" Me: "what vibe?" Lubb: "like uyandonqena." Me: "I asked for juice. Didn't I?" Lubb: "indeed." he took out juice and poured it for me. Lubb: "Lihle." Me: "Can I Drink My Juice and Eat This Cake Without You Hovering Lubabalo!!" Lubb: "No. I'll hover all I like, this is my house." do you see now why I didn't want to come here? Mxim. Ayisangeni nale cake. Lubb: "kuthen udikwa nje ndim. One minute you're fine, the next you're mad as hell. What's up with the mood swings?" Me: "kudala wandidika. Its not just now." Lubb: "bendingak'diki eDubai. And ufika kwethu apha...and our scene at the parking lot, and a few weeks ago at the lodge. Why now?" Yoh. If I had a knife. I walked away to the lounge. He followed. Lubb: "why now? What did I do?" Me: "you did nothing Lubabalo. I'm just stressed, I need some space and time alone." Lubb: "for real, for real?" Me: "Lubabalo. For the last time. I'm not interested-" Lubb: "neither am I. Qha sunditshintshela ingathi ndisi sgwep's whenever you like." I sat down. Me: "xolo." Lubb: "so...what's new? Lukhanyo uthi une boyfriend. A doctor. Is that true?" Me: "yes." Lubb: "is it the surgeon? Lechaba? Hahahaaaaaa." Me: "yes. Its him." Lubb: "why udlala ngomntanabantu? Or why nidlalana ke? Because we all know he's not faithful to anyone but himself." Me: "I'm not talking to you about my relationship." Lubb: "okay, I'll talk to you about mine. There's someone I met. Couple of weeks ago ne. Qha ufune ubazi friends kqala before we started anything. Now, whilst sitshomene ke, undixelele unomntu but I didn't really put water in cement. So It was no big deal. Now, Liya, came over last night. Sancokola...and sort of kissed a bit. But nothing happened. Now kufika lo ghel, sisahlel kamand with our son and She. Goes. Off! I do not understand why ndine bhadi kangaka. Nguye mos othe ufuna

ubayi friend yam, now that I'm finally about to get some action, she comes with drama! Why do women do that?" Me: "women are different Lubabalo, asicingi ngok'fanayo maybe she has feelings for you but uxakwe kulahla indoda yakhe because nawe you're not showing seriousness toward her so she's being safe. Jongake ngoku ubhaqwe with your ex. Yilento enomsindo. Imagine if she'd dumped her boyfriend how she would feel about herself ngok." Lubb: "oh. But I couldn't chase Liya away, she just got her license ebezondibonisa and she came with bumble bee. What was I supposed to do?" Me: "you were supposed to explain to u-ghel." Lubb: "does your boyfriend have kids?" Me: "we're not talking about my relationship." yakhala again phone yam. I answered. Me: "Lukhanyo." Luks: "uphi uLubabalo? Kunin ndimfownela?" Me: "nanku. Luks came to help. Me: "a little trust wouldn't hurt." Luks: "I do trust You. I just don't trust Him. There's a difference." Me: "I think you should start now." I opened the boot and looked at him. Luks: "oh." Me: "awugodoli?" Luks: "kakhulu." I took some of the bags and walked toward the house. He grabbed me by my belt wanditsala. Me: "uyawa qalile." Luks: "ha.a suqava. I just wanted to say thank you, I don't seem to thank you enough for your patience with me." Me: "okay Lukhanyo." he let go of me wathatha the rest of the bags and went into the house. I packed the food into the fridge and cupboards taking my snacks up to my bedroom where the kids were still sleeping. I ate ke mna ecaleni. Luks: "what did this person exactly say? Ludibene naye? Did he look familiar?" Me: "no. Well, uthe uyandifanisa. I said it was impossible because I just moved here from ekapa with my husband who is a doctor so, andinguuye lomntu acinga ndinguye. Me: "this is not about us." Luks: "it never has been. Ndiyayazi, nawe uyayazi the only reason we really got married was for abantwana bethu bakhule kakuhle kwikhaya

elifudumeleyo. And when all that happened, the love grew. Things went wrong, we made mistakes. Neither of us had experienced ezinye izinto and the first sign of trouble sent us packing. Now I know. We both agreed to move on. Just promise me, whatever happens, you'll always be there for our children. At all times. I don't trust anyone more than I trust umamabo." Me: "I'll always be there, and so will you. Awuyi ndawo Lukhanyo. You've conquered such things before. Nothing ever gets you down and beaten. Izodlula nalena. You've got to have faith." Luks: "Lihle, I don't know kwenzeka ntoni ngam, kodwa andifun ubuyela koba bomi. I've worked so hard on myself, I've done so much for myself. Me: "I know awenzanga nto ironogo. This time. Kodwa you cannot let this slide. We need to find out who this is and what they want. You can't give up Lukhanyo. I'm not letting you!" he looked up at me and down at his hands. Me: "I'm so proud of what you've done for yourself. For your children. We're lucky to have you in our lives." Luks: "then what do you suggest we do mamekhaya?" Me: "Remy asked to take me and the kids to New York. From Friday." Luks: "New York huh." Me: "please." Luks: "akhomntu uzobangu Tata ebantwanen bam. Lubb: "do you know this costs more than you?" he took off his handkerchief and wiped it. Once he stood up he grabbed his shirt and ripped it apart. Lubb: "khandiphathele hamire Stuja. Ndifuna ihammer." Stuja looked for it. Lubb: "Only God Can Judge Me?" he read the tattoo on the guy's chest. Lubb: "ndizok'biza OG ke mna since you have no name. Since only God can judge you." he took out gum. Lubb: "I see you the quiet type. Wonder what happens when I put holes in your body like socks." Stuja: "Nantsi bhuti." he handed the hammer. Luks: "Lubabalo-" Lubb: "khame kancinci Lu-" Luks: "no give it to me." he grabbed it and hit the guy's forehead in. He screamed in pain. Luks: "uyandazi ndinguban kwedin?" he continued hitting him, punching his face. Guy: "okay!!!" Luks: "uthunywe ngubani?" Guy: "I would be killed-" Lubb: "I would do worse." Guy: "ndiyak'cela mjita. Guy: "w-what are you doing?" Lubb: "woyika ukufa? Have you tried walking without toes? Talking without your

tongue? By the time I'm done with you, you'll be begging to die." Stuja: "nazi bhuti." he brought the plugged cables, the car was closer. Lubby bent down and took off OG's shoes. Lubb: "khafake Le kawsi inuka i-drain pha emlonyen umvale torhwana." Stuja helped him. OG struggled out the chair screaming. Lubb: "I hope this feeling lasts for fucking ever. Khulula la brukhwe Stuja." OG fought with his hands tied, growling under his taped mouth with tears rolling down his cheeks. Lubb: "Luks?" Lukhanyo was leaning on the wall with his hands in his pockets. Lubb: "honors?" Luks: "gladly. Khandivusele ezi jumpers Stuja." Stuja: "yes boss." he went out to the car. Luks picked them up and clipped his skin. Luks: "iza Stuja." OG grabbed the chair, veins popping out his head and neck. Lukhanyo clipped his toe nails with the pliers. Luks: "ndizok'buza okok'qibela. Who instructed you to target umntanam?"

Nathi: "no more grilled chicken sandwich?" Sbosh: "erh, like hell!" he laughed. Nathi: "if I didn't know any better I'd say you were pregnant. Kutheni ndinalo feeling." She kept quiet. Nathi: "is it so?" Sbosh: "I'm not sure." Nathi: "if its mine or his, or if you're pregnant or not?" Sbosh: "the first one." Nathi: "then why didn't you tell me?" Sbosh:

"because of how you'd react. I don't want another baby." Nathi: "why not?" Sbosh: "I just.....I don't." Nathi: "okay, so what are you planning to do?" Sbosh: "I don't know." Nathi: "Sibongile, my baby didn't do anything wrong. I don't see why he should be punished ngenxa yezenzo zam." Sbosh: "you're not even sure its yours-" Nathi: "I don't care. Its just a couple more hours baby." Sbosh: "goodnight." Nathi: "goodnight my love." she hung up. Sbu walked in minutes later carrying his phone and two beers. She covered herself pretending to be asleep. He undressed and got into bed. Sbu: "Sibongile." Sbosh: "hm." Sbu: "when are you planning to talk to me?" Sbosh: "nganton ngoku Sibusiso." Sbu: "mxim." he turned the other direction..

"Lihle!!!" he screamed. I jumped up and out of bed. Luks: "kunin ndikuvusa!" I was shivering. I'd just had the same dream. From last night. Exactly the same. Luks: "Lihle! Look at me.....Lithembelihle?" what the hell was happening to me? Andiyazi noba ndiyagodola okanye ndiyoyika. Luks: "vuka Lihle. Wake up." I sat down on the bed. I was cold. Luks: "kwenzeke nton? Why ukhala kangaka? Ndikuva ndisangena emnyango." should I confess to what I've done? Me: "its just a nightmare." Luks: "oh. Undothusile man." Me: "what time is it?" Luks: "about 4." how long do these dreams last? Or when do they begin? Ndiqala ndingaphuphi at all? And then boom, it starts sekuk'dala ndilele? I swear it only last 10 seconds. Why? Where had he been? Luks: "you can take the kids to New York." Me: "you sure?" Luks: "yes. Namhlanje uzohamba noLucky, uye sgela uzok'linda." Me: "and you? What about work?" Luks: "work can wait. Luks: "uzobuyel apha or ?" Me: "ndizoya eskolweni after ndibuyile kwa VW. Then ndiyobona umama. Its been a while." Luks: "okay. Uzohamba ke ngemoto. And I'm not taking no for an answer. Awukwaz ucapaza apha phandle ngenyawo after Le incident." I got back in bed ndahlala ngempundu. Me: "only if you

promise me to get some help so that you rest." Luks: "fine. Awufun amanzi?" Me: "yes please." he got up and went to the kitchen. Wavuka uLubambo. Oh bawo wam. I quickly picked him up wathula. Me: "good morning little guy. Awuthandi ncam ulala neh?" he stared into my eyes. Me: "baby?" Luks: "hm?" he walked in. Me: "not you. Lubambo isn't responding to me." Luks: "he's a baby. Plus usandovuka." Me: "it doesn't matter. He always responds. Always." Luks: "nanga manzi akho. Give him to daddy." he took his baby waqalisa uncuma umntana. See? That's a response! Luks: "hello bobo. Unjani my boy? Heh? Uvuswa nguban ndimbethe." he kissed him. Luks: "did you mean this?" Me: "precisely. At least he's okay." Luthando woke up abruptly sephefumlela phezu. Lutha: "mama! Mama! Funa mama!!" he panicked. Me: "iza Luthando. Come here mntanam." I sat him on my lap. Me: "I think he should see a doctor." Luks: "this is my fault-" Me: "don't. Do not start. Our son needs a doctor Lukhanyo." Luks: "I'll make a plan ksasa." Me: "ksasa isn't going to work. Am I supposed to attend classes with him?" Luks: "andinoya ngelishesha Lihle. Ndizocela ku Lubby." Me: "Lukhanyo usukaphi." Luks: "I was out with uLubby." Me: "you're lying to me." Luks: "ndicela undenzele favor." Me: "Lukhanyo answer me." Luks: "heeee." Me: "did you find him?" Luks: "who?" Me: "don't play dumb with me Lukhanyo." Luks: "hayi ke ngoku. Andiyazi ufuna ndithin. Ungafownela noBafo umbuze." Me: "I'm not gonna do that." Luks: "heee ungade. Ndifuna ukwenza Management, so khandikhangelele part time courses available pha kuwe." Me: "iphi matric certificate yakho." Luks: "khayiyeye yona, uyokhangela Le ndiyitshoyo kqala." Me: "okay." Luthando had fallen asleep again. At about 6am I got up ndayovasa. I wore a gown ndayolanda mpahla yam. Lukhanyo was in bed kwindawo bendikuyo. Me: "you promised you'll get help." Luks: "ndimthumele message uLubby. Uzayothatha nanny." I went downstairs ndenza breakfast. Then went up to check on uLubambo ndiyamaz akalali xa kumhlophe. And for once he was asleep. They all were. I got dressed in light blue jeggings and a white petite shirt plus white stileto's, ndathambisa ubuso bam. Ndafaka eye liner qha. Luks: "azik'phandli ezinwele zinkul?" I got a mini fright kuba ndicimba ulele. Me: "no actually." Luks: "buya nin." Me: "later." Luks: "Lucky Ulapha phandle ke." Me: "I made breakfast, xanivuke nilambile." Luks: "siyabulela mama." it was quarter to 8 when I left. Ndayokhupha moto egarage. I hooted for Lucky and he followed right behind me. My first stop was the hospital. I had to see Remy and explain to him what happened. Ndayomisa kwi parking ye visitors and went in. Up to his office I knocked a little. Remy: "come in." I opened ndangena, he looked really busy at his desk. And extremely gorgeous in a dark blue tight ass shirt unbuttoned to his chest. Me: "good morning." he looked up and smiled. Remy: "baby wam." he stood up and walked around his desk to kiss me. Remy: "you look beautiful.

Uyaphi?" he couldn't stop kissing my face endisondeza kuye. Me: "boo, relax. Ndiya kwa VW, then checking at school then ndiye ku mama afterwards. There's something I have to tell you." his landline rang. Remy: "just a second babes." he answered. Remy: "Martin Lechaba.....yes.....seriously? That's amazing, I'm sending my girlfriend over to speak to you then....of course Tim.....thank you for your time." he hung up. Remy: "guess what?" Me: "what?" Remy: "the estate agent says the house is available. You can check it out today. And he'll bring the contract just in case you want to make a decision." Me: "really? That's great! Thank you Remy" I hugged him. Remy: "I told you I'd hook you up. Now There's another thing. We have to postpone the New York trip, one of the other surgeons uthathe i-leave and omnye is in Cape Town for 2 weeks. So I have to help out." Me: "I thought your meeting was important in New York." Remy: "they were. I'll either have to reschedule or we'll hold it over a conference call." Me: "oh." Shit. his pager beeped. He checked it. Remy: "mxim." Me: "ambosebenza babes. We'll talk later." Remy: "I'll call you, my love." he kissed my lips. Just a juicy peck. then pulled my waist closer to him. He kissed me again, deeper, slower and dropped the file in his hand on the floor, he grabbed my hair pushing me against the desk. He pulled me up ndahlala on it, with my legs around his waist. He stopped and stared at me. Licking his lips. Remy: "you're killing my patience." I laughed. Me: "patients? Or patience?" Remy: "both." Me: "well, you better get to work then, doctor." Remy: "akuse moshakele ngase zantsi for me to go to work." Me: "sorry about that." he kissed me again, I could feel him pressed against me rock hard. There was A knock on the door and it opened. He stopped and looked behind him. Remy: "ever heard of waiting for a fucking response? Kukokwen apha?" IYUH. Isile lendoda. Remy: "well? what do you want!" Bongwiwe: "uhm....I....Junaid was looking for you." Remy: "wen'ungenaphi ke perhaps? Because Junaid has my number." he picked up his files. I folded my legs still sitting on his desk. Remy: "Bongwiwe andinayo mini yonke. What is it?" Bongwiwe: "nothing." she walked out. Remy: "akhonto indifuqa njengomntu ongayaziyo ndawo yakhe. Like awuveske ungene ungacelwanga. Kuske kuthini na. Nxx!" he fixed his shirt. Remy: "uxolo mntu wam." Me: "sude ubenomsindo kaloku. Don't be mean to other kids." Remy: "its not just that babes. Sophinda siyithethe ngenyi mini. Can we get together later? Nantsi number Yale agent for you to get the address." Me: "okay." I took the card and my bag. We walked out the office watixa and kissed my forehead. Remy: "take care, love." I turned around to walk away and he spanked my ass andothuka! Me: "mxim." he laughed and jogged away. I walked down the passage to the exit. I reached the car and heard someone call my name. I turned to look yabe ingu Bongwiwe. Me: "yes?" B: "unjani?" Me: "I'm fine wena?" B: "superb. So you and Remy an item now?" Me: "ayisecace." B: "well....just a

little warning, Remy doesn't do commitment, he really can't love you while still fucking his interns but ke that's your problem now. Bye sweetie." she walked away from me andabinayo nempendulo yakhe. It was so confusing. I got in the car and drove to Walmer. Aphe ndleleni ndimane ngozincokolela what this girl just said. Hayi man, she's probably just bitter and jealous. Remy hasn't even been acting suspicious. Or was I being blind. He's quiet yes, but unfaithful? I don't know. Ndafika kwi dealership ndayongena. I spoke to the consultant and he showed what they had available and offered a test drive. I didn't have time for that shit. We did the paperwork as he explained thoroughly lento ndizoy'vuma I ended up signing for the sunset red Polo. It wasn't available at the moment so it was ordered. Uqiba kwam ngapha, I called lomntu we'estate agreeing to meet in an hour at the address. I went to buy some potato chips and waited then drove there safika ngexesha elinye. Lucky was still around but discreet. I looked at the house, ndayithanda immediately. Tim: "are we happy?" Me: "definitely. How is the rent ?" Tim: "rent?" Me: "or is it for sale?" he looked a bit confused. Tim: "there..... is no rent." Me: "my boyfriend didn't specify. So, I'm actually looking for figures." Tim: "well. Uhm....I'll have to ask the landlord and get back to you on that one, once you've agreed I'll organize a meeting for all 3 of us." Me: "oh." 😞:/ how can you sell a house and not know yimalin bethunana? Me: "will you call me once you get everything?" Tim: "yes ma'am. Thank you." I said my goodbye's ndabuyela emotwen. Something wasn't right man. Why is he so confused? I started the car and drove to NMMU, once I arrived I went to inquire about the course available for part time ka Lukhanyo, ndanikwa brochures. It was almost 1pm. Ndayokhangela friends zam ndabafumana outside the library. Me: "hey guys." Damian: "oh my, am I dreaming?" Lindi: "Yoh girl! Uvelaphi?" Jake: "I missed you." he hugged me. Jake: "and you smell of man. Who is it?" Me: "my boyfriend." my phone rang and I saw my lawyer's number. Ndaphendula. Me: "afternoon Gwen." Gwen: "hi, how are you?" Me: "I'm fine thanks and how are you?" Gwen: "I'm good, I just spoke to Lukhanyo's lawyer, he looked at the papers and has agreed to take them to him." This was now becoming real. But its what we both want. Me: "thank you Gwen. Is there any thing else?" Gwen: "I'll email you the rest of the details including the date." Me: "I'd appreciate that. Thank you." Gwen: "sweet. Enjoy the day." Me: "bye." ndacima phone. Lindi: "boyfriend huh?" Damian: "from?" Me: "around here. His name is Remy." Lindi: "Remy? What does he do?" Me: "he's a doctor." Damian: "oh wow. That's nice. I'm glad you found someone that's making you hot and buzzing. So why are you in heels ?" Me: "oh leave me alone. I need to go get my assignment." Damian: "I already got it for you. Here it is. There's two." Me: "thank you. You're a star." Lindi: "I'm going to visit my uncle, so I better get going."

Nice to see you babe." Me: "bye." she left with Jake. Me: "where's Alex?" Damian: "oh God! He asked me to fetch him from his dentist at 12." Me: "then run." Damian: "I'm not about to. Let me walk you." we walked to the car sancokola for a while until I drove home. Lukhanyo called me. Me: "hello?" Luks: "buya." Me: "what?" Luks: "Lihle, come back home." Me: "but ndithe ndiyobona umama nj-" Luks: "Lihle. Come. Back. Home. NOW!" I stared at my phone hanging up and drove to Lovemore Heights. Aphendlelen I noticed there was no more Lucky. Maybe that's why. I arrived ndafaka moto egarage and closed it ndayongena endlin. Bekudlalwa umculo the twins dancing phambi kwe TV. All of them were topless benxibe pajama pants bonke. Lukhanyo was cutting Lubambo's nails esokola ke phof ngoba ubusy lomntu. Me: "why did you call me." Luks: "Lucky found someone following moto Le uhamba ngayo. Just before nifike NMMU. Umke nayo yena, I can't take risks ndikuyeke uye Motherwell unsupervised." Me: "what do you mean umke nayo." Luks: "he's taken care of it." Me: "here's what you asked for. I have to start on my assignment." ndamnika eyakhe info ndanyuka ndaya phezulu to the bedroom. I took off my shoes and rested. The kids came rushing in bakhwela on the bed. Me: "benivasile guys." Luhle: "ewe. Tata uvasile nathi." Me: "natya ntoni." Lutha: "papa. ne chips." Luhle: "sonka nayo." Lutha: "ewe alok." Me: "benikhe nalala?" Lutha: "Andifun." Me: "ngoba ngafuni?" he just shook his head. Lukhanyo walked in with Lubambo. I just said I needed to start my assignment. Me: "iphi nanny?" Luks: "ndithe mayihambe. We're fine. Lubby umsile to the doctor uLuthando. But he couldn't get anything out of him kuthwa uske wavala umlomo wakhe wajonga kude." Me: "he does that sometimes xa engay'thandi into. Did you prepare him?" Luks: "ndimvasile wanxiba nje." Me: "I mean mentally. Prep talk him, tell him uyaphi and with whom, kuzokwenzeka ntoni etc." Luks: "ndingade. Why?" Me: "he's.....moody. Ufana nje nawe." Luks: "I'm not moody." Me: "you are very moody Lukhanyo. Awuthand uthetha nabantu ongabaziyo wena uske uthule qha." Luks: "I mind my own business." Me: "so does your son." Luks: "There's something I need to do. Kuzofuneka nihlale apha nina." Me: "I need to start my assignments." Luks: "ingena ngomso dan?" Me: "no-" Luks: "then phola." Me: "uyaphi Lukhanyo." Luks: "hayi kengoku." he put the baby down wanxiba a slim fit jersey. Me: "ukhe uchebe intloko le imbi." Luks: "iright kalok. Ndiphumile." Me: "when will you be back?" Luks: "I don't know." Me: "Lukhanyo. Don't do this." Luks: "Lihle, I have to. Its the only way I can get things back to normal and protect you. Ndizow'buya noba kunini. Izapha." Me: "Luhle ujonge uLubambo angawi vha?" Lutha: "nam ne mama?!" Me: "yes baby. Nawe ujonge." I followed Luks down stairs and he took out a gun. Me: "Lukhanyo can you please let me in. Kwenzeka ntoni?" Luks: "Lihle, stay out of this one. I am the only one that can fix this, wena ndifuna

uhlale apha and calm our babies bazoba grand. Take this." Me: "kukho abantwana apha!" Luks: "that's exactly why you need it. If something is bothering the peace ndingekabuyi yisebenzise. But first look who it is. Uyandiva?" I was numb. I can't believe I had to do this again. Luks: "Lihle, you remember how to shoot, right?" Me: "uhm...yes." Luks: "that's my girl. Ndizow'buya. Don't worry." he walked out the door and that was the last I heard from him.

Chapter 773

Wednesday afternoon I was still waiting for a return. He was nowhere to be found and I just had to wait painfully. Ndade ndatyhafa and decided to call Lubabalo. Lubb: "yeeeebboo." he answered. Engathi usengxolweni. Me: "hi." Lubb: "you good?" Me: "I'm fine. Can you talk." Lubb: "yes, where you at?" Me: "aphe ndlin. In Lovemore." Lubb: "okay. Cool. Ndiyeza." I waited for him to arrive. My twins were taking a nap. Actually I had to force them kuba bebe moody bendibuza uphi utata. They've never been like this before. So it bothered me a bit. Lubambo on the other hand was his bubbly self ehleli phantsi sucking a biscuit. 30 minutes later I heard the door bell ndayovula. Lubby walked in ephethe take aways. Fish and chips. Iyuh ndangaske ndimxothe! When has he EVER seen me eat fish! Lubb: "and now?" Me: "move!!" I stood by the window trying to breath fresher air. Lubb: "I'm figuring, you don't like fish?" Me: "NO!" Lubb: "oh. I'm sorry. Ndizoy'faka kwi fridge. Nazi chips. Want those?" Me: "Lubabalo andik'bizelanga kutya mna apha." Lubb: "I see." he opened the fridge wazifaka khona. Lubb: "where are the kids?" Me: "balele. Uph uLukhanyo?" for a split second he probably forgot who Lukhanyo was wandijamela with a confused expression. Me: "don't look at me as though I'm crazy. I want to know where he is! Take me to him." Lubb: "I'm afraid I cannot do that." Me: "why!" Lubb: "when last did you sleep? Eat?" Me: "LUBABALO! WHY!" Lubb: "I don't know where he is!" Me: "the fuck you mean! He's your twin!" Lubb: "not his bodyguard. Lihle, khangathe nto kum uLukhanyo. I don't know anything." Me: "and Sunday night? Where was he?" Lubb: "with me. Kwa Gqalane." Me: "what are you hiding from me? Lubabalo where is he?" I cried. Lubb: "Lihle ndiyak'cela. Have something to eat-" Me: "I can't!! The kids are driving me insane! Abafun kwenza nto without him! Why can't you understand!" Lubb: "I'm here-" Me: "You're not Him!" I turned around in shame. I was ashamed of everything I'd done. I couldn't even face him. Did it have to be him I'd cheated with? His own brother? I don't know what I'd been thinking but it was there. The care, the feeling. Kodwa it should've stayed there, ignored. It wasn't even worth it. Me: "please go." Lubb: "andiyi ndawo." Me: "Lubabalo." Lubb: "you're not in a

position to look after these children if you're going to keep breaking down like that. I'm not going anywhere." I went up to the toilet. For the 3rd time ndahlala ethobin. Ndi hambisa. What had I eaten? Okanye ndine nyongo. I ran a bath after flushing ndavasa. Went to my bedroom ndanxiba pajamas and a gown. Lubb: "brought you some food." Me: "baphi abantwana bam?" Lubb: "in the lounge bayatya. I'm not sure what you want to eat ke, uthi uLuhle ubugabha izolo after utyile. You okay?" Me: "I'm just sick." Lubb: "you have to get it checked out. Maybe food poisoning or your blood pressure." on the plate was potato chips, sliced tomatoes, some bread and juice. Me: "thanks." Lubb: "uqiba kwakho ulale please." he got up and walked out. I sat there staring at the food ndaqalisa ukutya. Ndaqiba. I drank the juice ndabeka plate ecaleni. I couldn't sleep. Firstly because I was afraid. Secondly I couldn't find utata wabantwana. What would I explain to them if he never came back. When it was still me and him, he could disappear whenever he liked. And he DID. When the kids were babies, he disappeared all he liked. Now they're old enough and want to know. Lubby walked in again. Lubb: "he's a bit grumpy." Me: "he's hungry." wandinika uLubambo. Me: "iphi papa yakhe." Lubb: "he doesn't want it." Me: "I bought him a new one." Lubb: "tried that too." I put him in my arms ndamncancisa. His eyes were woozy. Me: "he's sleepy." Lubb: "ooh!" after a while he started letting go. Ndamsusa and put him on my chest rubbing his back. Wabhodla umntu waphinda wacimela. Lubb: "can I?" Me: "its fine." Lubb: "Lihle. You need to sleep." Me: "and I will. With him naye mos uyalala." Lubb: "fine." waphuma waye lounge. I got into bed with my son ndaqweba ubuthongo until I actually fell asleep.

I woke up in the middle of the night, on the bed was the twins and their little brother who was awake. Me: "wenzani ebumnyameni boy? Uvuswe ngubani?" I got up and took him to the kitchen. My stomach was cramping. Lubb: "what's wrong?" he was sitting on the couch yedwa. Me: "I need some water. Susu sam sine cramps." Lubb: "cramps? Period?" it will never be comfortable uthetha nge periods with a man. Ever. Me: "not sure." when last did I have a period. Lubb: "sapha umntana. Lie down, I'll get you water ne pain killers." I had a headache too and I was actually sleepy. I went up to my twins ndahlala ecamkwabo watching them sleep. Perhaps tomorrow ndingabasa to the park and play, just to get their minds off things. Or was it mine that needed distraction? Would it be safe? Lubby walked in with the pills and water. I drank them ndabuyela ezinguben waphuma yena with the baby. I checked the time ndadibana ne missed calls zika Remy. And a random number called me. So I answered. Me: "hello?" Caller: "Lihle." it was Zakes. Me: "molo Tata." Zakes: "kuthen ungandifownelanga undixelele kwenzeka ntoni?" Me: "I'm sorry Tata, I was so confused and helpless." Zakes: "its fine. Mamela apha ke. Ngomso ksasa thatha

abantwana ubase kokwenu. I'll take care of the rest." Me: "but wha-" Zakes: "akhonto izokwenzeka. Trust me. Isa abantwana kumamakho. Wenze ke wena ofuneke uzenze." Me: "enkosi Tata." Ndatsho ndabawela ubambelela kuye as of now. Just sleeping next to him. He was such a gentleman. Phof he was probably just plain tired, the nigga hadn't slept in two full days when I spent the night over. And the second night? Well all I know is, there was definitely no problem down there because Monday was just "hard" proof. The thought made me blush and then it faded. What if things changed after the sex? What would happen then? Now I was having doubts. I still wasn't ready to get it on? How was this possible? Lubb: "still awake?" oh. Me: "what's up?" Lubb: "Siphosenkosi." Me: "his name is Lubambo." Lubb: "I named him God's gift. And its not changing. Anyway, nanku phinde walala." I took my son and tucked him in next to me. Me: "anything else?" Lubb: "who were you talking to?" Me: "myself." Lubb: "seriously?" Me: "what? Do you think I'm crazy?" Lubb: "how long are you gonna keep this up? First you call me over, ndifika uyi wreck, ulila ungakwaz nothini. Next thing you treat me like shit, what the fuck is up with you!" Me: "don't yell at me-" Lubb: "I'm not yelling. I'm just trying to understand what is wrong? Help me here! HELP ME." Me: "Lubabalo, I'm trying to get some sleep." he stepped back ehlikihla intloko. Lubb: "I didn't think it'd be like this." he whispered as he walked out. Me: "Lubabalo." Lubb: "yes." Me: "ngomso I have to take the kids to Motherwell. Ndicela undise." he stared at me blankly. Me: "yinton?" Lubb: "God..... nothing. Absolutely nothing." he sighed and left me there. Well I went back into bed. Ndalala.

Thursday morning Sibongile got ready for work. Sbu was sitting in bed reading his emails. After showering Sbosh took out her black lingerie placing it on the bed. Her black pencil skirt and white blouse. Her black peep toe platform wedge then got dressed. Sbu stared at her quietly. Sbu: "special occasion?" Sbosh: "nope." Sbu: "hm." she took out her Jean Claude Gaultier perfume. Sbu: "has to be." Sbosh: "inton ngoku?" Sbu: "you only use that for special occasions." Sbu: "please, can we talk?" Sbosh: "I can't. Not right now." Sbu: "later?" Sbosh: "yes later." Sbu: "ndizobuya a little earlier. And I'll make dinner." Sbosh: "okay. Goodbye." Sbu: "enjoy your day." Sbosh: "you too." she got up and went to work. When she arrived, Nathi's blue Range Rover was already parked in its usual spot. She went into her office and switched on her computer logging in. Nathi: "is that why une thoughts zobulala umntanam? Hayi Sibongile khacinge fondin." Sbosh: "Nathi please. Thursday midday, I sat in the lounge with umama at home. The twins were playing on the floor with their toys. Emphasis on "WERE" because now they are lying on their backs bebambene ngezandla kuyaculwa. They kept lifting their legs up bahleke. It was weird but cute. Lubambo for the first time was grumpy. Efeketha nyani. Never abenje Bambi andizoyazi utheni. He cried xandizama umbeka phantsi. So he had to sit on my lap until he fell asleep. That wasn't anytime soon. Me: "bobo. look at umamakho sthandwa sam. Yinton ngxaki?" izixelele Le ayizoqalisa ulala. Ezibambile ke phof. Luthando got up wazoma in between my legs. Me: "akalambanga uLutha?" Lutha: "m.m." Me: "ndikwenzele nton mntanam." Lutha: "papa." Me: "papa baby? Kusemini nje awubawel veggies zakho?" he shook his head. Lutha: "sonka." Me: "okay. Masilalise ke uBobo kqala." Luhle: "uzolala uBobo mama?" Me: "ewe sweetie, izapha." she came and kissed her little brother. Luhle: "laview bobo ka mama." Lutha: "nam mos." Me: "noBobo loves you guys. Mmwwaah." I gave them each Lubambo's hand. The baby giggled. Me: "ithi I love you too. Itsho baby." Ma: "uphi uLukhanyo Lihle?" Me: "andimazi mama." Ma: "nihlala kunye ngoku?" Me: "hayi mama, I have my own place mna. Qha bendise ndlin yakhe with the kids." Ma: "yena abephi?" Me: "inoba uphume nomsebenzi. Khange atsho uyaphi." Lutha: "mama, Bambi yena funa bele." Me: "nyani? Ulambile uBambi?" Luhle: "ewe." Okay. I had to trust their judgement. Ndakhupha ke ibele wanca umntu. They watched over him esozela ke yena. Luhle: "shhhh mama. Lele ngoku." he stopped sucking and I rocked him further apha esfuben Sam azolala. Me: "ulele ngoku neh?" Lutha: "nam funu lala." hahahaaa! Ufuna

I took Bobo to his cot. He had two, which I can say leya ise Ford was a waste of money kuba lona umntu ufuna ulala kwi bhedi with his siblings and on top of his dad. Andicingi ndiy'thenge mna. I put him down ndayokwenzela itwins ubisi lwabo. We went to the bedroom bencanca ke sanqenqa on the bed. Luhle: "mama uphi utata?" Me: "usemsebenzini my love. Uzobuya vha. Azothatha abantwana bakhe." Luhle: "okay." I snuggled them sancokoleni until they fell asleep. I got up from bed kuzofuneka ndibuye late because I won't be able to sleep without them kulandlu. So I'd have to go back and fetch my clothes aphe mini ndibuye. For now, it was time ndithethile noRemy. Lubby was still waiting outside by the time ndiphuma endlin. Me: "ndicimba umnkile. Why bungangeni?" Lubb: "your mother doesn't like me and andibawel ukwenza awkward situation for nina." I got in the car. Lubb: "where to?" Me: "you can drop me off in town thanks." Lubb: "uyabashiya abantwana?" Me: "yes. They're safer here." Lubb: "you sure about that?" Me: "yes." he started the car sahamba ke to town. And for once he didn't ask or pry. I was grateful for that. He looked so tired and sleepy. Me: "how about you go home and get some sleep." Lubb: "can't. Funeke ndiye msebenzin to check kuhamba njani and then look for Lukhanyo." Me: "you can do all that tomorrow, you look like you're about to collapse. Lubabalo, take a break uyolala. Khange ulale izolo." Lubb: "I'll be fin-" Me: "NO. You won't! You're going home and you're going to sleep." Lubb: "okay! I'm going home to sleep. Yoh." he dropped me in Terminus. Lubb: "call me if you need anything. I'll be at home." Me: "I will. Enkosi." he drove away and I walked to the taxi's to Summerstrand. I texted Remy sizodibana at Finnezz. He declined. Yaske yandixaka kengoku. Kanene he didn't like restaurants. I called him. Remy: "baby uphi?" Me: "ndngena Summerstrand ngoku. Ndithin ndize apho kuwe endlin or?" Remy: "ewe baby." Me: "why not Finnezz?" Remy: "after we're done talking sayohlala apho. Its not private." Me: "oh. Kodwa its not as though sizohlala ecamkwa Bantu while talking." Remy: "sizoya babes." Me: "okay ke." I hung up. Yayongena taxi in Strand and I got off estopin walking up to his house. When I arrived people. Dr Lechaba was sitting in the dining room table with a pile of patient files or whatever it was on it esebenza. I couldn't explain my anger. Me: "hehake." I blurted out. Remy: "yinton babes?" Me: "US time. What's all of this." he laughed. Remy: "I had to seem busy. It'll wait for another day. Come here." he kissed me sweetly on the lips. My phone vibrated. He stopped and looked at me. Me: "excuse me." I checked it and it was Siya. Hayi man Siya! Not now. I ignored it. Remy: "nguban lowo?" Me: "a friend." Remy: "then why did you ignore it." Me: "because I'm with you now." Remy: "which

friend is this?" Me: "Siya, uhlala in East London." Remy: "Siya? Why are you ignoring his calls kengoku?" Me: "Remy, Siya was the person who encouraged me to ask you out. Relax." Remy: "oh. Sizoty nton baby." Me: "what do you have?" I went to check the fridge. Remy: "erh. I made burgers." Me: "actual burgers or patties?" Remy: "actual burgers. Check the oven." I checked. Remy: "it looks good hey?" Me: "it does. Although I don't really feel like a burger." Remy: "soske siye kwa Finnezz ke baby." I pulled a chair ndahlala phantsi. Remy: "so what are we supposed to talk about?" Me: "a couple of days ago, on Sunday to be precise, Lukhanyo ufike nomntana ekhala, apparently he almost got shot and he was traumatized as I could see. Whenever incidents like that happen, we have to be in one space so that he can sort it out. He moved us to his house eLovemore. That's Where I've been since Sunday, I wanted to tell you Monday but we got distracted by calls and stuff." Remy: "so you've been living with your ex?" Me: "not exactly." Remy: "how so?" Me: "Sunday, usishiye pha wahamba yena. I don't know where he was, he came back ekxen ndabe ndihamba ke mna. When I came back later again wahamba and I haven't seen him since Monday." Remy: "oh. Where is he?" Me: "nobody knows." Remy: "well. I'm sorry to hear all of this. Unjani umntana kengoku?" Me: "he's fine I think. Well, he stopped waking up ekhala every 2 hours." Remy: "oh that's better. Did you take him for a check up?" Me: "his uncle did. Kuthwa khang afune uthetha. Lutha unjalo ke if he's uncomfortable and I'm not around. These days he just keeps quiet akujonge qha." Remy: "Yoh. Ayabinzima kengoku. Luhle and the baby? Are they okay?" Me: "they're perfect." Remy: "babes, you're welcome here anytime, you can bring the kids. I'll hire a nanny and some security if needs be." Me: "its okay love. Tamkhulu wabo said he'd take care of them. Ndibashiye kumama kengoku." Remy: "tamkhulu being utata ka Lukhanyo?" Me: "yes." Remy: "oh. Good." Me: "I'm sorry I didn't tell you." Remy: "you're telling me now. Its fine. Nam bendingazothanda uyiva efownin. How are you feeling?" Me: "I'm afraid he's never coming back." Remy: "I doubt that. He's probably out there planning his next move, he'll be alright." Me: "I'm sorry I'm just..." Remy: "its okay sthandwa sam. Just try and calm down. Awuy' bawel ihot chocolate?" Me: "its already hot outside." Remy: "oh ihamba ne weather kanti? well then. Ice cream?" Me: "yes, I'd love ice cream." he opened his fridge wakhupha Magnum ezimbin. The actual ice on stick. I was waiting on a tub. But ke. Remy: "pick one baby. I like the white almond so ndiyithathile." he took it. I giggled being left with the Red Velvet Cupcake ice cream. We ate our ice creams Wangena uNathi engxame qithi. Nathi: "hey gu- is that my ice cream?" Remy: "in who's fridge?" Nathi: "heee. Hi Lihle." Me: "hello." he ran up the stairs. Remy: "yinton angawi." I chuckled. Me: "khayeke isgezo man. Izovaswa nini moto?" Remy: "yuhhhhh ha.a baby. Inkulu lamoto. Mayiye car wash mntu wam

Remy: "I'm not going to let a woman pay for my meal. How much?" Me: "we're in an equal relationship. You better get used to it. Ibiyi 50 cent." I walked to the car wash ndiziqenya. The car was almost done so sayilinda ndihleli phantsi. He was on his phone in a distance ingathi it was important because he had his serious face on. Remy: "I'll pay it in advance. Just make sure its perfect." he hung up wandijamela. Remy: "you frustrate me." he confessed. Me: "so what were you ordering, a belt to spank me?" he breathed. Remy: "Maybe." Me: "don't forget the rope." Remy: "rope?" Me: "if you think you'll get your way. It'll be better if you tied me down." he huffed and turned to look the other way. Nditheth'ba I was ignored for pretty much the rest of the wash wakhwela umntu emotweni yakhe ndama ngaphandle ke mna kuba I wasn't invited in. Remy: "ndicela sihambe Lihle." nqi umakazi wecawa. He got out his car wandithi nqaku kanye and carried me to the backseat wandifaka and closed the door. Within seconds started his car and drove off. Remy: "since you wanna be childish." He pulled up my t shirt looking at my boobs. Wandikhulula ibhanti and button zipping down my jeans. Me: "rem-" he kissed me again fiddling with my body isandla sisihla down to my place. I just froze and pulled back. Me: "what are you doing." Remy: "I don't know." Me: "I don't think we're ready for that step in our relationship. I don't wanna ruin things." Remy: "oh yeah? And when will be the right time?" Me: "we'll both know and I'll be ready." Remy: "and I want you to be ready and comfortable babes. Ndizova ngawe." Me: "I'm sorry.....for leading you on." truth is I wanted him. Right here. Right now. I was ready but I felt so guilty that Lukhanyo is out there only God knows where, and all I can think about is being screwed by umntu ozohlala ekhona ke phofu. There was no rush for the sex, but there was a rush to go take care of my children like I promised I would if he didn't come back. Remy: "uright?" Me: "yes." Remy: "ndiyakwazi ke wena uyathanda ufihla. Thetha." Me: "I want my kids." he smiled zipping me up endilungisa. Remy: "then let's go." God, what did I do to deserve such an understanding, caring man. him. Remy: "Yoh heee. Sifike eme phandle ekulinde ngeshlangu." I laughed. Me: "mxim. Can you relax? Its not like uLukhanyo une beef nawe. For the first time in his life he's accepted something and became an adult. He's moved on probably. Akanaxesha lam lamntu ukuba ndiyadyola. If you'd met me a few months ago, you'd have seen flames by now. So I doubt he even cares who I'm involved with." Remy: "that's good news..kodwa, he still took you to his house for security." Me: "bebezojongwa nguban ke abantwana mhlawmbi?" Remy: "that's a good point." Me: "turn left here." he turned into our street. The big Benz was parked phandle. Remy: "what did I tell you?!" Me: "that's the twin you don't like. He's probably sleeping." Remy: "kuthen ndim'libele nje kodwa I've met him before! He's that annoying one ne. Unomlomo." Me: "he's talkative, yes. And quite helpful too. You find him annoying kuba ungeka mqheli." Remy: "andimkhathelele baby. I'll wait here noko andinoyongena kwindlu yomnyen wakho. Be quick." Me: "okay." I went in the house nyani Ndafika Lubby elele. When I walked in he woke up and for a split second you would've switched him as Luks. Me: "sorry to wake you. ndizolanda nto zam." Lubb: "hm." he turned around wabuyela ebuthongwen bakhe. Oko kwaksasa? He probably really was tired. I took what I needed. Lubb: "hamba naban." Me: "Remy." Lubb: "he's downstairs?" Me: "no. Outside." Lubb: "so.....you're going to his place kengoku?" Me: "No, ndiyagoduka. To my kids." Lubb: "oh." I zipped my bag. Lubb: "ndine picture yakhe etshiswa nguLukhanyo nalo motwana yakhe. Raki ke owase khaya akana ntanga." Me: "I wonder SUV ye Porsche iqale nin ubayi motwana." Lubb: "ayise cheap." Me: "so is your attitude Lubby." I took out my bag ndamshiya ehleka. He followed me downstairs. Lubb: "Lihle?" Me: "what do you want?" I turned to look at him. Lubb: "sudikwa kaloku bendidlala." Me: "well its not in the least bit funny. Andiy'thandi tu." Lubb: "uxolo. It was uncalled for kodwa undiqalile." Me: "with what!" he stared behind me. Me: "arg." I turned around ndagileka kuLukhanyo. Luks: "uyaphi Lithembelihle?"

Chapter 774

Me: "ndiya goduka." Luks: "why?" Me: "ndicelwe nguBra Zakes." Luks: "ubathathile abantwana?" Me: "yes. Ksasa." Luks: "ok. NdiFownelwe yilawyer yam, you should have the papers by.....probably Friday. Then you're no longer my concern." Me: "Bye." he walked up the upstairs. Lubby looked confused as fuck wamlandela. I walked out the door ndayokhwela emotweni. Remy: "done?" Me: "what did he say to you?" he started the car and drove. Remy: "he just said hi ngok ebephuma emotwen qha." Me: "There's something up with him." Remy: "actually, I'm starting to believe

you. He's not interested. Otherwise ngendigxothile or chased me off his property." or he's waiting for you to put your guard down, he looked pissed off. He drove to Motherwell. My stomach was cramping again and I didn't have much of an appetite. So I put the seat down ndalala in the car. Remy: "what's wrong?" Me: "cramps." Remy: "if they persist. Please call me." Me: "its just cramps ndizoba right. But if ngomso zinje. I'll go get it checked out. I was a bit sick k'le vekhi. Maybe I had food poisoning." Remy: "bungasoze ube usathetha. Trust me. You'd be in hospital by now." Me: "then what is it?" Remy: "maybe a period or a tummy bug. Stop thinking the worst of everything." sayongena eMotherwell 20 minutes later. I directed him wamisa phambi kwendlu. Remy: "sendikukhumbula ke mna." Me: "nam. I miss you." Remy: "then stay with me." Me: "what do you mean?" Remy: "hlala nam. Forget the house. Let's just shack up qha. I don't see a problem." Me: "I find it hard to believe you mean that. I have kids, I can't just disappear." Remy: "that's an excuse. Woyika ntoni? seeing me naked? We're both adults here." Me: "its just been two weeks. I'd like to be independent first. For the first time in my life. I want to have my own house, car. Just a positive place where I can be me." Remy: "and once you're done...." Me: "then I'll move in or shack up with you." Remy: "great. Because I'd really love to know your favorite colors, favorite food, how you are when you're moody. All the small things." Me: "I love white and powder blue, I actually like colors on different things maybe kwenyi situation ndithande usoft pink. Depending ukuba injani, my favorite food is potato chips, I'm barely moody." Remy: "lies. All women are moody. K'le weekend uzoza babes?" Me: "Saturday I will." Remy: "yes!" he kissed me. I kissed him back. I loved it but hated it because whenever he held me and kissed me I get turned on. I become hot and steamy. Phinde ndibande. This kiss was longer. If I tried focusing and not to think. He held my right thigh sliding up to the end. His finger rubbed on the legging fabric on my vagina. Slowly and gently. I opened just a little to give him space but he didn't go down, he took his time rubbing the tip of my clitoris over this damn legging. Pull it down already! I sucked on his lip and let out a little moan ndingazicingelanga. He rubbed a little faster. I couldn't help it. Yet he relaxed. It was his time. He let go and caressed my thighs. I took his hand and put it back where it was. The fuck he think he's doing brushing thighs sendiphambanisa with his guitar skill. He continued. Good Lord when last! My nipples were hard and tingling. Me: "baby..." I moaned on his lips. Remy: "hm." he went down my neck still kissing. Ndixakwe kukhupha ngomlomo "let's go to your place." ingathi bekukude Summerstrand. Me: "Reemmyy." oh it was too damn far because right now.... Me: "faster." Remy: "right here?" Me: "God Yes! Yess!!! Ohhh.....Bab-" he stopped and went back to his seat. I was 5 seconds away from a mindblowing orgasm. Me: "Remy!" I

squirmed. Still horny as fuck. Remy: "yinton baby?" I couldn't breath. I pressed my thighs together feeling a pool of climax still inside my vagina and it needed help getting out. Remy: "that's how I felt earlier when you rejected me." he popped an orbit in his mouth. Me: "awungcole Remy Martin Lechaba!! Siiieees!" ndamtsala wamde. Me: "yaz awun-" he kissed me again, his hand going back. It took a few index finger strokes and I melted into climax. I let out 3 loud moans continuously ndizama uphefumla. I was still shaking ndibambelele. He finally stopped. Wooow. Me: "I didn't know ungumntu we-revenge." I breathed. Remy: "equal relationship, remember?" who knew a little fabric rub could put you in a glorifying climax. Remy: "am I seeing you tomorrow?" Me: "yes." fuck yeah. Remy: "uzandivimba?" Me: "no." Remy: "good. Because I will. I'll be very busy." Me: "mxim." I giggled. Remy: "you know, Saturday? Lets do something." Me: "like what?" Remy: "camping." I let out a good long laugh. Me: "Me? Camping? Uh-uh. Not happening." Remy: "its fun. Its just me and you qha, open space, nature. Just for one night and day, I promise. Please?" I don't do camping. Traveling, yes. Camping? NO. Me: "okay." Remy: "great! We could take the kids." Me: "my children won't be sleeping outside." Remy: "tents babe. Tents." he laughed. Remy: "it'll be fun." Me: "the divorce is almost finalized. I'll have the papers by Friday." Remy: "so you're gonna be single?" Me: "probably." Remy: "well, then...my single lady. We're going camping to celebrate your single 10 seconds because I'm now here and I'll be damned." Me: "behave okay? Goodnight." I kissed his lips. Remy: "goodnight my angel." I took my bag and got off the car walking inside the house.

Me: "molweni." Namhla: "hi." it was tense inside the house and for once I didn't care. I needed to start my assignment before I failed. I went to my room and started studying. Lubambo was asleep, Lutha came into the bedroom. Lutha: "mama." Me: "mntanam." Lutha: "uphi utata." Me: "akekho love, ngoba?" Lutha: "khumbula." I dialed Lukhanyo's number ndamfaka kwi loudspeaker. Me: "thetha ke notatakho." Luks: "ja?" Lutha: "Tata." Luks: "my boy." Lutha: "uphi?" Luks: "ndisendlin." Lutha: "yeza Tata?" Luks: "ha.a boy, utata akakwaz ukuza." Lutha: "funa utata." Luks: "Luthando, mamela kaloku nyana." Lutha: "ha.a Tata." he started crying. I took my son onto my lap and cuddled him. Luks: "lihle, yeka lomntana." Me: "andicingi ndiyeke umntanam akhale mna." Luks: "mbeke phantsi uzobaright. Yekana nofekethisa lentwana izoba sistabane man!" Me: "No." Luks: "don't make me come there and-" Me: "Lukhanyo. the second you signed the papers. You lost the power. Are you gonna say goodnight to your baby or nah?" Luks: "kuthen undenza isbhanxa Lihle?" Me: "by comforting umntana?" Luks: "hayi! Uyayaz andithethi ngalonto. You brought him to my house-" Me: "our house. Technically belongs to me, you're just the

buyer. Nawe mos wawufika noDumisa ade keyena azogqemfeza ugeze ibeyi lo rakalasi. I needed a lift to come fetch my clothes, bek'funeke andilinde stopin? Sundiphambanisa please undincede mna. " Luks: "so this is your revenge?" Me: "andisemdala Lukhanyo for ezozmanga. You're hot and cold andiyazi ufuna ndithini." Luks: "fine." Me: "fine." Luks: "Lihle, if lentwana hurts you, ndifuna uyazi ukuba I won't be there for you. This is the end of the road." Me: "I know. Thank you." Luks: "good luck." Me: "sho." I hung up. This was the end of the road. And instead of carrying on with studying, I sat back and chatted to my crying son. I told him a story. The story of a little boy. Luhle walked in. Luhle: "nton Lena mama?" she took my notes. Ezidibanisa zooonke wayozibeka on the dresser as a clear indication I wasn't touching them. Luhle: "yuuuh yasinda mama" she carried my textbooks to the dresser. Me: "love, Wenzanton?" Luhle: "khwele bhedin. Lutha?" she climbed up and crawled to us. She kissed him. Luhle: "theni mama?" Me: "khumbula utatakhe." Luhle: "nam." Me: "uzoza utata azothatha abantwana bakhe. Aniphathele nton guys?" Luhle: "chips." Me: "nanton enye, aniy'fun yogurt? Ne stokkie?" she nodded. Me: "thula kalok boy." I rubbed his back. Me: "uxolo mntanam." and he just got worse. I got up ndaya efront. Ma: "Yuuuh ha.a Lihle. Iyawa yinton ngoku?" I didn't answer her. Me: "thula kaloku baby uzovusa uLubambo." he just didn't stop. I took his blanket ndaphuma phandle. Just walking around the block covering him. Wade wathula. I went back to the house and he was asleep, but now Lubambo was awake and looked pissed too. I put Lutha down ndathatha Lubambo, feeding him. He had two spoons of porridge and spat it out. I was so not in the mood for all of this. Kwelinye icala Luhle needed me too. Suddenly I needed the toilet. Immediately. I put down the baby and ran to the bathroom and threw up in the sink. Fuck. I washed my mouth and went back to the bedroom before Lubambo starte- nevermind, he was already screaming. I picked him up, wavuka noLuthando. This is the part where someone would say "tshotsho". I paced up and down calming one baby, the other was sobbing. My daughter just sat there quietly staring at me. I needed help. Abaya base front weren't even going to bother. They were probably sick and tired of taking care of my children and andiy'thandi tu Le-feeling yongathi bebethiwe. I couldn't shake it off because it was about to make me cry. I needed another option. So I called Sbosh, her phone rang to voicemail. I called Mandy, she didn't pick up either. Ever since I left on Sunday, abruptly, I never called or explained so they were probably pissed. I thought about calling Lukhanyo, so I redialed his number. It rang to voicemail. Clearly didn't want to speak to me. I just sat there, ndithandaza ngaphakathi for Lubambo and Luthando to stop crying. My phone rang eventually ndaxhuma ingathi beseku'kdala. I was already near tears. Me: "hello." I answered. Remy: "hayi baby yinton ngoku?" Me:

"nothing." Remy: "Lihle, ayizokunceda into yongathetha. Kwenzeka nton apho?" Me: "they're just...I don't know Remy. I really do not know! They won't stop crying and I'm tired. I can't study. I can't sleep. I can't cope." Remy: "ndiyeza. Just pack your things." Me: "no-" Remy: "yes. I'm turning. Pack the kids things, nezakho, ndiyeza." I put down my phone. Ma: "Lithembelihle, awuva ba bayangxola abantwana?" Me: "mama, ndiyazama. I don't know bafuna nton-" Ma: "ubuzoyazi njani Uhlel use stratwen uleqana namadoda? Into yaziyo kuhamb uhlala usenza abantwana. Aba uthini ngabo? Kunin bengxola apha? Hayi man isile mos lento yakho!" she shut the door. I took my suitcase and packed my things. All of them. Every single thing I needed. Ndathatha enye and packed for my kids, all three of them. I closed them up and held Lubambo tightly. Isikhalo sakhe was beyond anything I could imagine. My phone rang again. Ndaphendula. Remy: "ndilapha phandle." I rolled out the first suitcase with Lubambo under my arm. It was getting dark outside. Remy was standing outside his car. Wavula boot wafaka suitcase. Remy: "msapha." he took Lubambo wayohlala naye emotweni. Remy: "ndicela uthathe abantwana Lihle, and everything they own. Uzifake aphe motwen sizohamba." I went back to the house, shoving the last of their things in their back packs. I don't know what "everything they own meant" kodwa it felt like we were moving. Maybe this was it, so when my house is ready ndiyoz'hlalela khona nabantwana bam. Banxiba oobhaka babo taking their blankies ndathatha suitcase nencwadi zam saphuma. We packed the boot full ndayivala. Loading the kids in the backseat. I got in the car too. Remy: "I want to check him when I get home, he's restless." wandinika umntana. I don't know noba ibindim but ebengathi udikiwe. I annoyed him too. Then why was he here? Why didn't he just ignore me? Tell me everything was gonna be fine, I should hang in there and hang up? Remy: "I didn't drop the phone. Because I was still talking." he looked at the road as he drove. What did that mean? My heart was dislocated and beating abnormally. Remy: "ngumamakho lo ebethetha nawe olahlobo Lihle?" I got sick. Literally feeling something piling up in my stomach. He stopped the car wathatha umntana. I climbed out and threw up. I got back in the car. Me: "I'm sorry." he started and drove. With the baby on his lap. Since it was an automatic, he didn't have to do much other than steer. We arrived at Summerstrand. Sakhupha izinto sazifaka endlin. I went to wash my mouth and face. Running a bath for the kids. Remy: "what happened?" Me: "baphi abantwana bam?" Remy: "downstairs, bahlel noNathi. Talk to me." Me: "I don't know what happened. Ungena kwam endlin, beku tense. Usually the kids run up when they see me, ndide ndayongena eroomin, Luthando came in efuna utatakhe. That's when the crying started. He talked to him, kodwa akayeka ukhala, I managed to make him sleep by the time I did, Lubambo was

awake, he wasn't eating, he started crying then screaming. I just didn't know what to do." Remy: "umchazele utatabo?" Me: "not yet." Remy: "before you go to the doctor, please do call him, umcacisele in detail what happened. He has a right to know." I nodded, closing the taps. Me: "thank you." Remy: "whatever you need, don't ever hesitate to call me. Ever. Noba kwenzeka ntoni na." Me: "okay." he went to fetch the kids downstairs wabuya nabo. I took off Lubambo's nappy ndabafaka bonke in the bath. He started screaming again. Remy: "take him out. Now." I picked up the baby. He took him from me waye roomin. I followed them. Emthuthezela. Nathi: "guys, kwenzeka ntoni? Honestly." Remy: "khayojonga abantwana ebathroom Nathi." Nathi went to the bathroom. Remy: "he has a rash, jonga apha. Inoba iyatshisa." he went to his cupboard wabuya ne cream. Me: "what is it?" Remy: "I'm not sure, ndizobuza." he applied the cream on him and the baby quieted down. Just little murmurs and sniffs. Remy: "there. Now. Makanxibe into yakhe atye." Me: "he's not eating." Remy: "he'll eat from you. Khamzame. At least he's quieter now." I put him in a clean diaper and vest. Ndahlala phantsi ndamncancisa. Me: "what's wrong?" Remy: "probably a nappy rash, at least he has something in his stomach and uthule." Nathi: "guys." Remy: "the baby is trying to sleep, what's up?" Nathi: "I think you might wanna hear and see this." we both got up and went to him. Nathi: "Luthando utheni apha?" he had a greenish-blue black bruise on his thigh and back. Me: "Luthando." he kept quiet. Me: "Luhle? Utheni uLuthando?" Luhle: "uLuthando ebedlala yena wathi lambile." Me: "and then?" Luhle: "wabeka phantsi kutya. Makhulu yena wabetha ngale." she pointed to the belt. Nathi: "ubeke phantsi njani ukutya Luhle?" Luhle: "ucitha phantsi wakhaba." Remy: "I'm going to report this." I walked out the bathroom ndayohlala phantsi. Thinking about it, was going to drive me crazy. What I'd do to be in Motherwell. Good thing ikude because I was probably damn near killing someone. Remy took the kids out banxiba pajamas. Remy: "babe?" I snapped out my thoughts. Remy: "beka phantsi umntana, nilale kakuhle. Come." Me: "enkosi Nathi." Nathi: "anytime." he walked out. Remy: "the kids are staying here, you're staying here. Uyandiva? You're not going anywhere, and you know what else? I know what you're thinking, uva kabhlungu, kodwa we're going to let the authorities do the work, I don't want you in jail. Lihle, trust me." I nodded. Remy: "lala mntu wam.....please." I got in bed next to my children. There was no sleeping to be done. I just stayed awake. Nathi came back with a tray. Nathi: "I cooked earlier. Naku kutya sisi." Me: "thank you." I fed the twins. Baqiba ukutya. Remy: "anozeli? Khanizen apha." he tickled them and they started giggling. He pulled them out of bed bayodlala phantsi. Remy: "eat." I took a few spoons ndincediswa yilemboza yam incinci iphethi tapile. Me: "I wonder uyinton kwi tapile ungeka funi ipapa." he put it in my mouth waphinda

wathatha elinye. Me: "oh. Enkosi mntanam." I ate a bit more ndabeka ecaleni. Truthfully all I could think of was aba babini bahlel kulandlu bacinga ntoni. If I told Lukhanyo, kungafa umntu. I was having mixed emotions. A lot of emotions. Anger, sadness, revenge, pain. I don't even hit my kids! Lukhanyo doesn't even hit his kids. What in the world gave them the right to hit them? Ndiyayazi akeva uLuthando kodwa ukuba uthe hayi and slap his hand. He stops and listens. Kuthen ezobabokoboko libhanti kengoku? Remy: "baby..." Me: "hm?" Remy: "please don't overthink. You're going to drive yourself insane." he brought the kids to bed. Me: "I'm sorry we're crowding your space." Remy: "not at all. I love having you here. Nonke. Its refreshing." Me: "until you get tired." Remy: " I love having you here. Qha." Me: "that's sweet of you." Luthando climbed on top of him. Remy: "I guess this means its time to sleep huh." Me: "oh yes. Prepare for waking up in the middle of the night for pee." Remy: "I'm used to it. Its a guy thing." me: "goodnight guy." Luhle: "goonat mama." I kissed her. Me: "I love you baby." Remy: "goodnight, my angels. And big boys." Lutha: "shhh." he held Remy's mouth shut. Remy: "k." it was quiet for a few minutes. Then Lubambo started. Lubambo: "baaah!" wanendaw ezikhwazayo. Me: "Lubambo, lala. Sleep. Shhhh." I closed his mouth. Wecwaka. He kicked the blanket off. Me: "hayi man. Wenzanton ngoku?" Remy: "yinton lixabanisayo?" Me: "andimazi. Kodwa uyathula xakuthetha wena." Lubambo picked his head up ekroba. Remy: "hello boy." wataka umntu endinyathela over to his friend. Remy: "kuzoliwa kengoku." Me: "uvulele nton umlomo wena." Remy: "heee. Ndithule ke." I cuddled with Luhle selele ke yena, I fell asleep too.

Sbosh arrived at her house a bit late. It was dark, she switched on the light. Sbu wasn't home yet and he'd promised. She tried calling and was not answered. 2 hours later her phone beeped. "baby. Ndisindlelen ezayo. Sthera had an accident. He'll be okay. I'm coming." it was from Sbu. She was already in bed and her phone rang. Sbosh: "Nkosinathi Lechaba." Nathi: "hey..can you talk?" Sbosh: "yes." Nathi: "I wanted to check on you and the baby." Sbosh: "we're fine." Nathi: "akeka khabi?" Sbosh: "for the eleventh time today. No." Nathi: "I want to be there when she kicks." Sbosh: "and you'll be the first to know." Nathi: " Promise." Sbosh: "I promise." Nathi: "where is he?" Sbosh: "I don't know." Nathi: "do you want me to come over? I want to massage you." Sbosh: "I'm fine. No." she laughed. Sbosh: "stop being so obsessed." Nathi: "its just that....the kids are here, and now balele. They're so adorable. Remy is so over protective, he's not letting them out his sight." Sbosh: "what kids?" Nathi: "Lihle and the kids. They're spending the night." Sbosh: "hehe, did you check that with Ta Luks." Nathi: "uhm....they didn't have anywhere to go. Bek'funeke athini? You know what, we're not talking about my brother's relationship, is my baby

Nathi: "really?!" Sbosh: "NO!!" Nathi: "mxim." Sbosh: "I miss you, you know." Nathi:

Sbosh: "you bought a blanket!?" Nathi: "I couldn't help it." Sbosh: "what else?" Nathi:
"a onesie. Pink fluffy one. I love it." Sbosh: "what happens if kuphuma iboy?" Nathi:
"then I'll buy blue ones too." Sbosh: "no, nathi stop. Stop buying. Its too early. Please
baby, do not buy anymore things." Nathi: "but its my first, I've never had a baby
before." Sbosh: "Ndiyayazi sthandwa. Kodwa its too early. Don't buy, we'll buy at
probably 7 months. Not 2. Okay?" Nathi: "okay, I'll take it back." Sbosh: "enkosi."
Nathi: "andikamxeleli uRemy. He's too busy. As always. He's always busy. Especially
now that he's dating and everything suddenly changes. He's dated a lot of times
before. A lot! And I never felt sidelined. Now he gets out of work and rushes to her.
He takes day off's for her. He let's her drive!! He never let's ME drive. Even his insults
are compliments. He doesn't have time anymore." Sbosh: "claim your time back
baby." Nathi: "I can't. She moved in." Sbosh: "what!!" Nathi: "what? What's wrong?"
Sbosh: "she did what?" Nathi: "we all live together. Maybe, its not so bad. At least he's
finally being responsible and matured." Sbosh: "we said....we weren't talking about
him. Let's stop." Nathi: "I miss him." Sbosh: "Nkosinathi. You're old enough.
Seriously. You're about to be a dad." Nathi: "baby, I am sure. I am so sure she is mine.
Its my daughter." Sbosh: "we have to be fair." Nathi: "where is he right now?" Sbosh:
"with his friend, he was in an accident. He'll be ba-" Nathi: "I can come and get you.
We could eat marshmallows next to the fire." Sbosh: "Nathi..." Nathi: "I'm sorry if
ndikhathala kakhulu Sibongile kodwa, deep down uyayazi nawe. Ndiyamthanda mna
lomntana." Sbosh: "I know you do." Nathi: "ndiyakthanda." Sbosh: "me too." the front
door opened. Sbosh: "I have to go." he sighed. Nathi: "k." Sbosh: "baby please hold
out..." Nathi: "I don't have another choice. I'll see you in the morning." she hung up.
Sbu walked in. Sbu: "xolo mnt'wam." Sbosh: "xolo? That's it?" Sbu: "ndize ne take

Sbu: "I don't care about Nathi!!! Sibongile. Baby. Look at me." Sbosh: "I can't Sbu. We're...." Sbu: "NO! Sibongile, after everything we've been through?" Sbosh: "you mean your cheating! Making me wait? I can't do that anymore Sbusiso. I'm having a baby. I have to think of my baby before me or you." Sbu: "you're pregnant? You're...having my baby? Sibongile umithi?" Sbosh: "I'm pregnant." he hugged her. Sbu: "I'm never leaving you again. I know bendirongo by cheating. It won't happen. I swear Sibongile. Just please, Do not give up." she held his back. Sbosh: "I don't want to have a baby." Sbu: "I understand love...I'll be here for you, every step of the way." Sbosh: "you're not going to convince me?" Luz: "lubabalo, what's your problem!" Lubb: "you're a liar! That's my problem." Luz: "I am a liar. Ndiyavuma. We all are. That's why you keep protecting uLukhanyo because he's a liar too! And everyone else around you! Sonke Lubabalo. But what have I done that's so bad ? Lukhanyo forgave you after you fucked his wife but mna andizange ndikwenze nto and uyandizonda?" Lubb: "that's exactly why I don't like you. Ingenaphi yonke Le kaka uyithethayo? Phakathi kwabantu still? Sieees! Yazi ingaske ndikufake impama emlonyen kwedin! Indenza naar lekaka uyenzayo!" Luz: "yifake kaloku lempama! Yifake Lubabalo!!" Lubb: "I'm too grown for that bullshit." he sipped his whiskey. The door opened and the beautiful ladies walked in. Luks: "Lubabalo, Luzuko is your flesh and blood, you cannot turn your back on him. Awukwazi ujonga mna, ungamboni yena. Ibhlungu lento uyenzayo fondin. Ibhlungu apha kum. I hate it! Andithi be best friends, kodwa be civil. Worse phakathi kwabantu." Luz: "can I say something?" Luks: "thetha." Luz: "Ndiyayazi ndenze rongo. I acknowledge that. I'm sorry. Ndicela uxolo Lubabalo. I know kuzobanzima undixolela. But I mean that I'm sorry." Lubb: "ndim umntu orongo. Andinandlela yothetha, I get mad really quick and I just snap. I'm the one who should be sorry. Its not going to happen again." Luks: "what?" Lubb: "look guys, masingabingo popayi. Ndiyayazi niyadibana nincokole. You hide from me because I'm seen as this inconsiderate monster. I don't want to be that! If it means being civil. Then fine ndizoba civil, hayi andikayeki uqumba, kodwa I will speak properly and ndis'yekile nesgezo." Luks: "thank you." Lubb: "he can now officially laugh at my jokes. But that's as close as we're getting." Luz: "fine with me." Lubb: "fine. Okay, I think I've given them enough time to drug my drink, singaphuma kwi society guys?" he walked out the room. Luks: "at least that's a step." Luz: "enkosi. For standing up for me." Luks: "of course, I'll stand up for you, that's why you're here right?" Luz: "Thulani invited me." Luks: "I'm talking about PE. You faked an accident. Suicide. Why bungaveske uze kuthi?" Luz: "I didn't fake it." Luks: "your car was just

out of service 3 days before the accident, it wasn't raining ngalamini, the forensics checked everything. There was nothing wrong with your car. You were broke and desperate? Ude ufune uzibulala?" Luz: "No. I didn't..." Luks: "then what happened Luzuko? How did you end up here?"

I woke up Friday morning stretching a bit. Wait.....my kids. My eyes shot open sendothukile. Remy was leaning on his elbow smiling. Me: "baphi abantwana bam?" Remy: "in the lounge noNathi. They woke up hungry and bored. I wanted you to sleep some more." Me: "oh. Were you watching me sleep?" Remy: "you snore." Me: "nyani?" Remy: "ewe. I couldn't nap. So I watched you instead. Same thing." Me: "xolo baby. Why aren't you at work?" Remy: "I wanted to make sure you're okay." Me: "I'm okay. You need to go save lives." Remy: "and I will." he pulled me to him and kissed my face. Me: "ouch." Remy: "what." Me: "ndevu zakho are scratching me." Remy: "is that your way of complimenting me?" Me: "no actually." Remy: "well enkosi ke." Me: "mpa. Suka." he kissed my lips. Remy: "no." Me: "Dr Lechaba." Remy: "ma'am." Me: "uzovasa nin ?" Remy: "do you think calling me by my professional name will work? I'm so used to it, its not gonna work." Me: "Dr Lechaba." Remy: "rato." Me: "Work." Remy: "later." he kissed me again, getting on top. Remy: "buthe awuzondivimba." Me: "I did. But I need to take the kids I'm going to the hospital, ndiye kutata wabo then be back, you on the other hand, have to work." Remy: "Madlamini can take care of the kids, go do your stuff. Ubuye." Me: "can I borrow your car?" he smiled. Remy: "yes. I was waiting." Me: "I know you were." Remy: "khaze ndiphuze man baby." I giggled. Me: "Suka." he kissed my neck. Remy: "make me." Me: "mxim." I held his face and kissed his lips. I could feel it, when he pressed his hardness on my thigh. Me: "baby." Remy: "no." we giggled. Remy: "what is it, love?" Me: "thank you. For everything you're doing for me and my children. I appreciate it, I appreciate you." Remy: "its okay...I do not mind." Me: "I'm still grateful." Remy: "babyyyy. I would do whatever it takes to make you happy. I'll always be here noba awusandifuni, I'll make it difficult for you ukuba undilahle because I'm just that annoying. I love you." 🙄:o erh....this was unexpected. Remy: "Yho." hayi njani akhuze kwa yena? Me: "what?" Remy: "I feel a lot." Me: "is a lot bad?" Remy: "a lot is quite different for me. But not bad. I like it." he kissed me again. Remy: "I don't want to make you uncomfortable." Me: "I'm the most comfortable I could ever get right now." I touched my chest, massaging a bit. Remy: "what's wrong?" Me: "I think heartburn. Is that possible ? I haven't eaten." Remy: "ambovasa. We're going to the hospital." Me: "no, you're going. I need to get my children ready. And you, Dr, You're needed at the hospital." Remy: "okay. I'll go." Me: "and the....." Remy: " the 'this'? Underneath? It'll wait for later." Me: "what?" Remy: "I don't want to rush it ngoku, I want to take my time." Me: "party pooper."

Remy: "but you just said I must go to work, baby kodwa." Me: "we can have the sex, then you'll go to work." he laughed. Remy: "of course, but that's rushing. You're not ready." Me: "how can you tell." Remy: "because you're shaking. And you have heartburn, and There's a lot going on. We can wait." Me: "you really are annoying." he kissed me. Remy: "I know." Me: "I'm joining you for the shower." Remy: "haha! I already did." I kissed him again. the door opened. He stopped and got off. Me: "hey baby." Luhle: "ello." she got on the bed. Me: "uphi uLutha?" Luhle: "upha. Dlala noo.....bhuti." Me: "wena?" Luhle: "khumbula mama ka nana." I hugged her. Me: "me too sweetie. Ubutye nton?" she smiled and giggled. Whatever it was, it was nice. I could just tell. Remy: "when are you going to call?" Me: "when I've bathed, and dressed." Remy: "akakwazi ukubona though. Why?" Me: "I just have to bath. Don't ask. Long story." Remy: "I want to know. Tell me." Me: "ngoba? Akhonto, ndifuna uvasa qha." Remy: "so that you can call your ex? Its worrying me." Me: "oh. No. Its not like that. I just....I just want to get over it." Remy: "by bathing before calling your ex?" Me: "Remy." Remy: "what? I don't shave before speaking to my ex's. Because I don't care about them or whatever they think." Me: "you have regular ex's. Mine are kind of.....psychotic. Absurd. Outrageous." Remy: "are you trying to say my taste is basic?" Me: "no, you must have spectacular taste, just that....." Remy: "you have to bath before you call yours because they're just that amazing." Luhle was giggling under the blankets. Me: "are you wearing underwear?" Remy: "yes. Kuhlekwa ntoni kangaka?" Me: "toes." Remy: "toes?" Me: "she is amused by toes. Weird, yes. But that's my weird." Remy: "Why do you have to bath before you talk to him?" Me: "its...nothing." Remy: "Oh? You just said its a long story, now its nothing. This is great." Me: "Remy, andithandi uthetha ngoLukhanyo and the past. But if that's what it takes to get you off your jealousy tip, fine. He left me, after he was done with me, he left. When he left, he was with someone and he rubbed it in my face. Even when he did that, he still continued to intimidate me. And one day, he told me I was....wathi ndimdaka. I hadn't bathed yet, and he insulted me to such an extent, I lost a piece of me. Ever since then, I've been a bit obsessed with my appearance. Even when he's not here. I won't forget. I forgave him, so that I could move on. I'm civil with him, because we have children but just because we're okay together doesn't mean I've forgotten. And just because I don't bring it up every now and again, its because I don't want pity. I'm not bitter and I'm not going to talk about this again. So can we please drop it? Drop the Lukhanyo issue. I don't want him, I'm with you." he kept quiet. Me: "I need to take a bath." I got up and he held my arm. Me: "Remy. Please." he pulled me and hugged me. Remy: "I'm sorry." Me: "its okay. I'm fine, I've survived. Look at me." he held tighter. Me: "Remy?" was he crying? I pushed him a

little. Luhle hugged him too. Me: "guuyss!" he finally let go. My daughter was in between us. The original busy body. This is where Lubambo gets his energy. Me: "you okay?" Remy: "I'm fine. And I'm sorry I had to bring it back up." Me: "its fine, can we just...." Remy: "okay. Issue closed." I got up and went to bath with Luhle. When I came back the whole team was in the room. Me: "uNathi udikiwe?" Remy: "nope, I had to force him to go to work. He loves kids." Me: "okay." Remy: "so uzofowna??" Me: "why is this such an issue?" Remy: "I don't want to get on his bad side, okay?" Me: "what! This is about getting credit?" Remy: "no, its about not wanting to get on his bad side." I took off the towel and took my phone. Remy: "kuthen unganxibi babe?" Me: "you have an issue!!" Remy: "hahaha!!! Baby, its not an issue. Just Get dressed." I wore a gown and made the call. Remy: "is he answering?" Me: "not until you stop talking. No." the phone was answered. Luks: "und'funa ntoni ngoku? I signed your fucking papers. What more do you want? My soul?! Ungay'funxi nje! Why can't you just leave me be-" Me: "Hello Lukhanyo, I'm doing okay too. Since you're in a bad mood, will you call me back later, once you've woken up properly. Its about-" he hung up. I can't pretend that didn't hurt. It did, and I had to act like it was nothing. Me: "okay, fine. I'll wait for your call. Thanks." I pretended to hang up. Remy: "what did he say?" Me: "he's a bit busy. We'll talk later." Remy: "good. Now we can have some breakfast and-" his phone rang. Remy: "argg!" Luthando had it in his hand dancing with the ringtone. Remy: "phendule boy. Khamphendule umxelele andikho." Lutha: "phendule phi?" Remy: "apha." he swiped it with his finger. Lutha: "heello!" Caller: "uhm, Dr Lechaba?" Remy: "what did I tell you about disturbing my free time?" Caller: "we shouldn't disturb you unless a patient is dying and if you arrive when he's already dead-" Remy: "I'll kill you. Talk. And fast." Caller: "we need you sir, There's a patient, Mrs Guemero. She's asking for you." Remy: "OKAY. I'll be there in 30 minutes." he hung up the phone waphakama. Me: "is everything okay?" Remy: "probably not. Baby I'll call you." he got dressed. Remy: "get to the hospital and check yourself." Me: "I will." he kissed my lips and rushed to the door. Lutha: "bhabhayi!" he stopped and smiled at us. Remy: "I'll see you later guys. Bye." and he left. I got up and made the bed. Me: "okay boys. Time for a bath." Lutha: "ha.a mama. Ha.a." he started running around in circles. Me: "Luthando." Lutha: "vasile mna." Me: "iza, ndik'sule ke." I picked up Lubambo and I bathed them. Ndabanxibisa bonke. The door was pushed open after a little knock. Madlamini came in. Madlamini: "sorry ngoniphazamisa. Xa uqibile sisi ndizoba downstairs. Ungabazisa." Me: "okay Ma, enkosi." she walked back out. I took out my clothes ndihleli with my kids on the floor, Lubambo on my lap. I wasn't going to think about the fact that Lukhanyo hung up on me before I told him. He thought I was gonna chase? I wasn't. I'm mature.

When he's ready. He'll come talk. I took out a blue short dress. Luhle: "ina mama." she gave me my ringing phone. I answered. Remy: "the keys are in my closet. Second drawer on your left." Me: "okay babe. Enkosi." I ended the call. Got dressed and fetched the keys. Me: "babies, come here." abandiva tu. Bebeteketisa uBobo lo bamnxibise t shirt yam. Oh nkosi yam unodoli. Me: "Lutha Luhle. Umama uzobuya ngoku vha." Luhle: "uzothatha utata ne? Sihlale naye ne?" Me: "erh...." God how do I answer this. Lutha: "uzoza utata." he stated clearly. Me: "nizohlala noMama omkhulu downstairs ne? Nimamele kuye, and behave, and nindilinde. Ndizobuya. Okay?" Luhle: "okay." she smiled. The mocking smile. She wasn't going to behave at all. Me: "Luhle. Keep it together. Awuzogeza ne?" she shook her head. Me: "nawe Lutha?" he nodded. Me: "which leaves you." I pulled Lubambo's foot. I kissed all my kids and took my bag plus the baby. Me: "come guys." they followed me downstairs. Me: "naba mama. I'll be two hours maximum. Luthandoluhle aren't allowed out of sight. They are destructive, Lubambo always has something to say so xa ekhala please don't feed him if setyile within two hours. His doctor said so, he can have a biscuit. If they're whining, bayozela. Its nap time, I'll be back before then, if I'm not, just in case, please just put them down. Lubambo loves cuddling. Especially xa esozela, give him warm milk and a cuddle. Luthando has asthma, uyathanda ubaleka, if it so happens. Call me immediately, his machine is upstairs. Akamameli-" Madlamini: "RELAX! Yoh. Bazoba right.." Me: "he responds to one hayi and a slap on his hand, nothing more nothing less. That's if he's being naughty." I breathed. Me: "okay, I'm ready to go." madlamini: "goodbye." I kissed my kids again. I had to be quick. It was a must. I went to the garage ndakhupha imoto. Oh yes, the black drop top Audi. I drove to Greenacres, I also wanted to buy some groceries noko ndincedise komnye umzi ndingafiki njee. Plus my house would probably be ready by this weekend. Nanny yabantwana izoza ihlale nathi, that way I can go back to school and everything will be normal. This excited me so much. Just this new life and everything, starting afresh. I stopped e-garage ndatha i-petrol and drove to the hospital. I noticed this car following shortly, qha andayihoya. If I was in any danger Lukhanyo would have told me or done something bengasoze aphole so I'm probably paranoid. Maybe ndingam'thumela message ndimxelele ke about lento yenzekileyo with the kids and how they're doing mhlawmbi akafun uva lizwi lam. Or maybe mandim'yeke ingabingathi ndiyamleqa but then andifun yena mos ufunwa ngabantwana bakhe. So before he hears it- my phone buzzed up. Nguye. Finally! Me: "hey, bendizok'thumel" Luks: "what the fuck do you think you're doing!!! Ucimba ungunban Lihle!!! Yikaka yanton Lena undenzela yona! Kuthen undenz ismenqe senja!!!" Me: "Lukhanyo-" Luks: "don't fucking Lukhanyo me!! Unesbindi mntana ndini! Ubasaphi abantwana bam eku awteni

kwakho? Kuthen unamanyala nje? Lithembelihle ndiyi kaka kuwe?" Me: "ndicel undimamele nhe." Luks: "ekse! Akhobantwana bam bazohlala namadodakho apho uyandiva? Ingath ngow'sow'babuyisa lingekabibomvu elibhayi. Ungandiqheli kaka mna." he hung up. I parked the car ndakhe ndahlala kuyo. Feeling dumb and just.....Yoh. What went wrong? Waske wathukisa oluhlobo? He wasn't like this nje. Uxelelwe ngubani? For ntoni? Eish. I got out the car, locking it and walked scratching in my bag ndagileka emntwin. I looked up. Me: "Oh my God." I whispered as I stepped back several times. "damn right." Me: "how did you...." "goodbye Lihle." I stared at the gun pointing at me. Before I could scream. The shots went off loudly. They rang in my ear. Gqwa! Gqwa! I saw a blur of his face running toward me and nothing.....

Chapter 776

Remy: "baby!!! Lihle. Baby please say something!" Nurse: "Dr Lechaba? Its not looking good. What should we do?" Nurse2: "her heart rate is dropping." Nurse: "Dr Lechaba." Remy: "book an O.R we need to operate soon, Libala, you better keep her alive." Libala: "am I scrubbing in?" Remy: "yes!" Dr Michaels: "Lechaba." Remy: "what!" Michaels: "I'll do this. You need to step back." Remy: "are you fucking serious?" Michaels: "you have a surgery in the next 20 minutes. I can handle this." Remy: "I....Michaels...my baby....I can't lose her now..." Michaels: "you won't. Okay? Re-schedule your surgery. It can wait another day. I won't be long." Remy: "just go." they left. Nathi arrived. Nathi: "I brought you lunch, like I promised. Anyway, kwenzeke ntoni phandle. Yoh. The blood, people and.....hello?" Remy: "not right now Nkosinathi." Nathi: "why not? What happened?" Remy: "I have to prepare for surgery." Nathi pulled his arm. Nathi: "no. Tell me what happened?" Remy: "she got shot." Nathi: "ubani?" Remy: "uLihle, someone just....shot her. Ebelapha phandle, I was walking out kuba I saw the car from my window ndifuna uzom'khawlela." Nathi: "what!" Remy: "I just walked out and she was laying there, in a pool of blood." Nathi: "is she okay?" Lechaba: "I don't know." Nathi: "do you need anything?" Remy: "I need toI..." Nathi: "hey...ha.a man Remy. Please." he held him. Nathi: "she will be okay. She needs you to be strong for yena and be there when she wakes. I don't how it feels bro, but please. Khazame and keep it together." Remy: "he doesn't know." Nathi: "ubani?" Remy: "him." Nathi: "its His fucking fault!!! She got shot because of him! Remy, mna ndifownela amapolisa ngoku before this shit gets out of hand." he took out his phone and called the police. Remy: "what if she doesn't make it..." Nathi: "she will....khabambe kancinci." he went to speak on the phone.. Hours later, Dr Michaels

appeared. Remy: "well?" he stood up. Michaels: "she's stable." Remy: "and?" Michaels: "Remy, you know how these things go. She's still recovering. Where is her famil-" Remy: "I am her family." Michaels: "parents?" Remy: "what do you want?" Michaels: "her next of kin." Remy: "she's fine. You said she's fine? That's what you said!" Michaels: "Lechaba we took a lot of risks here. A family member has to sign these things, not her boyfriend." Nathi: "and if there is none?" nobody answered. He looked at his ringing phone pressing reject. Nathi: "can we see her?" Michaels: "yes. But she won't be awake for a while." Remy: "I know that." he walked behind Michaels to the room. Nathi: "I'll speak to the cops so long, and update them." Remy: "ubaxelele bangahambi engeka vuki." Nathi: "uzokwazi uthetha?" Remy: "I doubt. Kodwa she'll try." Nathi walked out. Remy sat down. Remy: "mntu wam. Yintoni undothusa kangaka. For a moment I thought I'd lost you...." he held her hand. Remy: "ndixakekile Lihle, I don't know where to begin. Andiyazi noba ndifownele umamakho. Or.....wait...your brother. I think I have his details I'll have to do some digging. Kodwa ndilapha love. Ke teng for oena." he kissed the hand. Remy: "You have your days ke. You challenge me. It makes me mad but andizongak'yeki ubeyi bully if it makes you happy. I meant what I said about feeling a lot. Its too much. I love you Lihle." Nathi: "ahem." Remy looked up. Remy: "what did they say?" Nathi: "they'd wait. I organized security at home for abantwana too. So nobody is getting anywhere near them." Remy: "good." Nathi: "funeke uyonikezela esakho statement nawe." Remy: "I arrived afterwards though, kodwa ke ndizokuya." Nathi: "how about now?" Remy: "uqiba kwam funeke ndiyokhangela details zika brother wakhe to let him know. Uzohlala apha?" Nathi: "of course." Remy walked out. Nathi: "I don't know what you've done to my big brother....I don't know how in the world you managed to change him. But whatever the hell it is you've done, I love it. He's more mature, more responsible. I'm proud of him. So thank you. Ingathi sizow'vana as long as you promise to let me spend some time with him. I'm not used to sharing, so bare with me a while....speaking about sharing, your best friend...is putting me in a difficult position kodwa andikwazi uzinceda, ndiyamthanda. So much so, I had to leave my girlfriend. I do so much to convince her, I'd go harder, she just doesn't get it. And right now...the way things are going I don't think I stand a chance kulo Sbu. She is in love with him. Ibicacile kwak'qala yet I acted blind....I'm not sure what to do anymore. I can't share yena kunye nalomntana am'thweleyo. At the same time I don't wanna lose them- Oh God, I'm blabbing am I? Ndiyak'ngxolela? Undixelele ke if ndiyangxola. Since Remy is never around, I have no one to talk to. He's my only friend you know? Always has been. People say I'm a jerk, or maybe I act like one to avoid getting hurt again.

Otherwise, as I was saying, andifun ukohlukana noSbosh. She's the most amazing thing I've ever seen. She's so different, exciting, driven. And she is gorgeous. Yoh. Ndiyazazi ndiyawathanda amacherrie kodwa ndizibone ubu serious by losing interest in every single thing out there, except her. Lord, ndiyay'thanda lantombazana. Ndingenza njani perhaps ukuze abone I'm serious? Oh wait...awundiva kanene. Sorry about that. Ndizothula ngoku. In case I give you a headache and Remy chops mine off. He loves you yazi...ndiyaqala umbona enje. Which is very weird. Since sizi best friend Sonke we probably could go travelling together. Or fishing or something. Sihambeni Sonke. Or a double wedding. Hahaa! That would be cute. Knowing uRemz uyay'thanda lime light ubhut wakho angafika enxibe suit emhlophe looking like the actual bride." he laughed. Nathi: "oh nkosiyam. Angaz'nxibi eza dimmers zakhe zespili. Please convince him to get rid of those hideous things. Yuh. Kungadlalwa R Kelly torhwana, oh uRemy ke bonanje." he chuckled. Remy: "utheni uRemy?" Nathi: "oh you're back. Besincokola nje." Remy: "oh, I got the info. I just need to make the call." Nathi: "do so." Remy called the number. Benny answered. Ben: "hello?" Remy: "ungu Sibe-noxolo?" Ben: "unguban wena?" Remy: "oh, uthetha no Remy Lechaba.." Ben: "am I supposed to know you?" Remy: "Dr Lechaba, we met twice-" Ben: "oh yes! Ndingakwenzela ntoni ke doc?" Remy: "uhm...bhuti, bendicela uze eGreenacres hospital as soon as you possibly can." Ben: "njani kengoku gqirha? What could possibly need me at the hospital, I finalized my father's bill last of last week njena. Yinton ngoku?" Remy: "its not about your father. Its about your sister." Ben: "what about her." Remy: "she got shot, several times to the chest, ndicela uzame ufika. she's recovering from surgery." Ben: "I'll be there in 20 minutes." Remy: "ndizothumela umntu akulindlele efront." Ben: "enkosi Dr Lechaba." he hung up. Remy sighed. Nathi: "what now?" Remy: "now I'll have a lot of explaining to do and hopefully not to her ex husband. The divorce is finalized today." Nathi: "he tried to kill her because she divorced him?" Remy: "hayi Nathi. Let's not jump to conclusions, when I met this guy he didn't have a problem with divorce. He told me himself." Nathi: "never trust a gangster that says everything is okay. Its not. He gets to change his mind whenever he likes. They probably had a fight-" Remy: "stop! We don't know what happened and asizohlolana ii-scenarios of what might have. Okay? So stop." Nathi: "I'm just saying. Its a little too convenient for him." a nurse walked in. Nurse: "here you go doctor." she gave him a bag and walked out. Nathi: "what's this?" Remy: "bag ka Lihle. I asked to retrieve it." Nathi: "why?" Remy: "just for kicks Nathi. I need to contact her lawyer. Her mother. As much as I don't want to, I don't have a choice, ngumamakhe." Nathi: "why the lawyer?" Remy: "I think she was going to meet him namhlanje." he looked through the bag. Nathi: "just contact the lawyer, umama uzoxelelwa ngu

brother." Remy: "you're right." Benny arrived 20 minutes later. Ben: "Dr." Remy: "call me Remy. This is my brother Nathi." Ben: "uzothin ke yena apha? Does he know her?" Remy: "kind of." Ben: "kind of what? I thought kungena family yodwa mna not friends." Remy: "well....yes." Ben: "thetha nam doctor. Kwenzeka nton kaloku? Is he a doctor too?" Remy: "he's here for me." Ben: "I don't understand." Remy: "Lihle and I are in a relationship, uhlala kum currently, so he's here, for support." Ben: "she never told me nge relationship. Uqala nin?" Remy: "its almost a month now." Ben: "uthe ungu Remy?" Remy: "ewe." Ben: "uzukhe ulinge wenze ukunya nje ngalantwana ku sister wam net. Undive kakhle xandisithi ndiyok'bonis inkawu ngenja. Sivene Remy?" Remy: "loud and clear." Benny sat down. Ben: "ndibize our uncle, he should be here within the hour, he'll want a detailed explanation of what happened. Ingangeni apha lantwana because izondikhupha esmilweni." Remy: "okay....Nathi." he signaled to the door. Nathi: "oh yes." he got up and left. Remy: "I'll be outside." Ben: "k." Remy joined Nathi in the hallway. Nathi: "do you have a detailed explanation of what happened?" Remy: "no. Ndiyaqala nombona lo uncle. Ndizothini kuye?" Nathi: "you'll tell him what you saw Remy. Uzothini ke? Why are you so nervous?" Remy: "andikho nervous." Nathi: "suxoka." Remy: "mxim. I have to go down ndiyokhangela Le-lawyer." Nathi: "or wait here....ayinguye lo?" Remy: "morning, can I help you?" "I'm looking for Dr Lechaba." Remy: "you've found him." "you spoke to my employee on the phone, Gwen, my name is Lungelo Moni. I have taken over the case, I'm representing her now.".....

Chapter 777

I woke up with a sharp pain in my chest, looking around me, this looked a lot like a hospital room. Wait....it was a hospital room. Again? It was empty and I needed to pee. So I pulled myself up slowly, burning my body back to the pillow. Fuck! I really needed to pee. I held on to the sheets wincing because of the wounds and no help. This wasn't even pain anymore it was torment. I tried opening my mouth but the slightest sound derived from my wounds which made me burst in silent still tears. A nurse walked in. At least God was still by my side. Nurse: "utheni girl?" Me: "pee." Nurse: "chama sisi." Me: "nooo." Nurse: "sweetheart its okay, you can pee." I shook my head with the tears rolling down my cheeks. I couldn't. No grown woman should be forced to pee on themselves. Nurse: "sweetie, you will burst your bladder if you don't pee, izobande into yoba usiwe toilet. I will clean you up. No one will ever know, I promise you." I let go. Not by choice. Nurse: "done?" I nodded, a little embarrassed. Nurse: "great! Let's get you cleaned up." she started removing my blanket and sheets. Pulling me up slowly. Nurse: "Dr Lechaba insisted singakufaki into to empty your bladder. He said to let you be free. And painless. Do you feel any pain?" I nodded. Nurse: "where?" I pointed to my entire body in an up and down waving motion. Nurse: "great!" did my pain excite her? My pain shouldn't be exciting her! Nurse: "by the way my name is Phiwe. Wena?" I looked at my clipboard which is supposed to obtain all my info. Nurse: "kubhlungu thetha?" I nodded. Nurse: "can you open your mouth please?" I opened. Nurse: "oh...damn. Okay. Not to worry." now I was panicking. As soon as she finished with changing me she checked for everything else. Nurse: "ndiyabuya ke vha. I'll get you something to ease the pain a little. Might make you drowsy for a while, ulale. But it works. Hey, your brother is here. Uyafuna umbona?" I shook my head. Nurse: "is there anyone you'd like to see?" Me: "Lu..." Nurse: "Lu?" Me: "Lutha. Luhle.....Bamb..." I listened to my vibrating chest. Nurse: "okay! Sit still. Ndiyabuya." she walked out. Remy: "what's this?" Nurse: "oh I was just changing her." Remy: "okay, Uhleli?" Nurse: "she doesn't want to see anyone, she said she wanted to see, Lutha, a Luhle, and Bamb. That's all." Remy: "okay. Enkosi." she walked away. Lungile: "I'm going in." Remy: "like hell you are. She just woke up from surgery, she's been unconscious for the whole day. You need to slow down." Lungile: "this is my client second, but my friend first. I am going in." he walked in. Lungile: "hey you." Me: "hey." Lungile: "uziva njani?" I shook my head. Lungile: "the police

want your statement, they want to know who did this to you. You don't have to speak to them, I'll do that for you." Me: "but...I don't know." Lungile: "have you had any fights with anyone recently? Anyone threatening your life?" I shook my head. Remy: "she's not ready to answer those type of questions. Already she's traumatized, can you give her a couple of days?" Lungile: "I will." Remy: "can you give us some space?" Lungile: "yeah, I'll be right outside." he walked out. Remy: "why do you constantly feel the need to defend him?" Me: "not now." Remy: "when Lihle? Xandik'ngcwaba? I do not want that!" Me: "Stop." Remy: "I won't stop ke kanti." Me: "its not him! Ndicela uphume Remy. Ndithe andifun bona.....mntu." I breathed my last word. Remy: "Lihle?" Benny walked in. Ben: "you're up." Remy: "she's not ready." Ben: "why?" Me: "I need." Remy: "uthe akafuni ubona mntu, I'm on my way out, we need to give her some time." Ben: "can I get you anything?" Me: "Remy." I sat up. Remy: "Lihle?" Me: "wate-" I threw up on the bed, everything I saw was blurry and red. Was it blood? Remy: "damn it!" and it was dark once again. Remy: "get out!!" Benny went out the room. The nurses and two other doctors rushed in. Lungile: "what happened?" Ben: "she's vomiting." Lungile: "that's normal?" Ben: "blood Lungile." Lungile: "what exactly happened?" Ben: "she was shot 3 times." Lungile: "I don't know if that's a coincidence or not." Ben: "why?" Lungile: "the divorce was supposed to be finalized today, and she gets shot." Ben: "did you tell the police?" Lungile: "I didn't have to. Yababona nawe abekho kwalapha. Ngeloxesha bebethe bazolinda." Ben: "oh."

Lukhanyo and Stuja arrived in Summerstrand. 2 vans of security were parked outside Remy's house. Luks: "are you fucking kidding me? Luks: "oh." Luz: "come with me. Kuzobamnandi. To get your mind off things." Luks: "no, I have to sit and wait. I'm not giving her an excuse to say I'm irresponsible and unpredictable. I need to look good in court." Luz: "you are a gangster. A drug lord. she knows each and every thing you do. Trust me man, if she wants to make you look bad, you would've been in jail by now. She knows you're a great dad, and she's the one not taking your calls. Uzohlala apha ube miserable Kude kuthin?" Stuja: " hamba Ta. Ndizohlala ndilinde mna." Luks: "ha.a Stuja. You can't do that." Luz: "can we go?" Luks: "yeah. Stu, please, as soon as usiva something, undifownele." Stuja: "okay." Lukhanyo and Luzuko went to the car and left. Lucky arrived with Mandla driving separate cars. Police: "erh....I'm looking for a

Lukhanyo Mzinyathi." Stuja: "huh?" Police: "Lukhanyo Mzinyathi." Stuja: "there is no Lukhanyo Mzinyathi in this house." Police: "its listed here that he owns this house. How is it that he is not here?" Stuja: "he left. I rent the house. From his wife. We don't know where he is." Police: "you rent the house?" Stuja: "yes." Police: "from his wife?" Stuja kept quiet...shit was about to hit the fan. Police: "well?" Stuja: "yes." Police: "when last did you speak to your landlord?" Stuja: "today. always on the last day of the month." Police: "yesterday was the last day of the month." Stuja: "well I did

it a day early." Police: "you are?" Stuja: "Silulamile." Police: "Silulamile, I'd like to take you in for questioning at the station." Stuja: "why?" Police: "because I want to know where you're hiding Lukhanyo Mzinyathi."

Liya: "we're going to be late!" Lubb: "late? Its still 5. Hold on, sendifikile." Liya: "Finally. Ingathi bendikhwele itrain." Lubb: "keep on with your smart mouth next time uzokhwela itaxi. Lubb: "why?" Liya: "do you ever stop being annoying?" Lubb: "no. Why?" Liya: "mxim." she got off the car. Lubb: "ima kaloku." he followed her into the day care center. Lubb: "I thought we were being civil. Ukundishiya emotweni isn't being civil." Liya: "you drive too slow." Lubb: "then You drive!" Liya: "as if you'd let me." Lubb: "andizok'boleka i-2 cents ye entertainment bonanje. Awuzoy'fumana." Liya: "khawuthule Lubabalo. Hello ma'am." the teacher looked at them. Teacher: "hello! Little one has just woken up from his nap, come right this way." they walked to the hall where a baby was sitting with two others staring at blocks. Liya: "where is he?" Teacher: "these are the only children left." Lubb: "are you trying to tell me you lost my son!!!" Liya: "Lubabalo." Lubb: "yinton Liya! Akho Luyanda mos apha!" Liya: "his bag is still here. So where is he?" she picked up the bag. Lubb: "Luyanda!!!!" Luya: "hm." Liya: "oh thank God. Uphi baby." Teacher: "uhm, I'm sorry, I didn't realize he-" Lubb: "don't be sorry. Be careful. I expect you to know where my child is, each and every second of the day while he's here. Do you understand me?" Teacher: "sir he's not the onl-" Lubb: "did I fucking stutter?" Teacher: "no." Liya brought the boy and his bag. Liya: "masambe."he picked up his son and walked to the car. Liya: "ibikhona ineed yobukrwada? Kuthen ungakwazi ukuzibamba?" Lubb: "hewethu, lomntu suppose ubajongile abantwana angandixeleli intokuba he's not her only child or priority. Ndibhathala school fees for ba makam'jonge angalahleki. Xa engazomjonga noske simvalele ndlin mos uLuyanda." Liya: "well there was no need to threaten her. Everywhere you go ufunaphatha. Ngamanye amaxesha patience and understanding is needed!" she got into the driver's seat. Lubby sat with Luyanda at the back quietly. Liya drove back home. Lubb: "can you try not to kill us?" Liya: "do you want to drive?" Lubb: "hayi." she drove to her home. Lubby's phone rang again. He answered. Lubb: "Benny." Ben: "uphi Lubabalo?" Lubb: "ndivelolanda umntanam. Wena uphi." Ben: "I'm at Greenacres hospital. Waiting for you!" Lubb: "are you okay? What happened?" Ben: "not me man! Ngu Lihle. Unoske utsho xa ungafuni ukuza and stop fronting." Lubb: "ndiyeza Benny." He hung up. Liya: "problem?" Lubb: "I need you to be a little faster, I have somewhere to be." she stepped on it. Lubby dialed Lukhanyo's number. It rang to voicemail. 3 times.

Lubb: "fuck Lukhanyo man!" he tried again and was answered. Luks: "niggaaa." Lubb: "uphi?" Luks: "at the Radisson Blu hotel. Undifunani? Ibuyile Le rubbish nabantwana bam?" Lubb: "unxilile Lukhanyo?" Luks: "is she there or Nah?" Lubb: "no! Use sbhedlele." Luks: "uyawatheni kengoku? Ungathi ndim because andikho nobakho mna, Ndise Radisson Blu hotel." Lubb: "Lukhanyo I'm going to need you to be sober uze eGreenacres hospital, not Radisson, they can wait-" Luks: "andizi apho mna! Benditshilo mos ndathi kuye ndi-out nge bail, ntozakhe zifuna yena. Chapter 778

Mandla stayed with Lucky at Lukhanyo's house. There was a police car outside, waiting. Mandla: "mfethu, sizokwenza njani?" Lucky: "funeke sifumane uTa Luks, before arike apha." he made the call. Mandla: "Kudala ndim'zama bra. I think its best siqhweshe awti, siyom'khangela." Lucky: "sizom'qala phi. Alikhulu ibhayi!" Mandla: "khome ndibuze ku Lubby." he called him. Lubb: "Mandla." Mandla: "sho bhuti." Lubb: "yes, what is wrong?" Mandla: "bhuti amapolisa afuna ulukhanyo bamlinde apha phandle. Akaphenduli phone bathathe uStuja and asimazi ke uphi u Ta Luks." Lubb: "nguwe nabani apho?" Mandla: "noLucky." Lubb: "ok, Mandla, you need to go. Ashiyeke uLucky, let the police believe akekho omnye umntu kulondlu. So that means Lucky has to be very still. Just until ndibuye." Mandla: "ndiyaphi mna bhuti?" Lubb: "iya eRadisson Blu hotel. Uphayana uLukhanyo with Luzuko, if you don't find him, Find him. Go." he hung up. Lucky: "uthini?" Mandla: "funeke uhlale apha, ungabonakali. Mna ndizoyokhangela uLukhanyo." Lucky: "okay. Ndizoya phezulu." Mandla: "thatha into kutya because ndingabamde. And akufunekanga uzule apha okanye ku light'we isbane." Lucky: "sho." Mandla left the house and drove to Summerstrand. He arrived at the Radisson and noticed the empty parking lot. By empty, means no Lukhanyo's car. He went in regardless. Mandla: "mfethu." he grabbed a worker's arm. Mandla: "ndikhangela umntu ebelapha kanjani. Two actually, zi-twins. Bayafana." Worker: "identical, tall, brown complexion, dressed in black?" Mandla: "yes! Baphi?" Worker: "you missed them. They just left 10 minutes ago." Mandla: "bayephi? Khange batsho bayaphi?" Worker: "no...but ndiyamaz omnye bebehamba nabo. He likes Cub'z. Inoba baye pha, if not, then Finnezz." Mandla: "Cub'z?" Worker: "Cubana." Mandla: "oh. Enkosi chap." he went back to his car and sped to Cubana first. Again, parking lot empty, no sign of Luks. Mandla: "bra, I'm

looking for the two men, brown, tall and looking alike." the bouncer looked at him and shook his head. Mandla: "yeses!" his phone rang again. It was Lubby. Mandla: "bhuti." Lubb: "umfumene?" Mandla: "no, akekho Radisson, Ndise Cubana ndiya Finnezz ngoku." Lubb: "if awum'fumani eFinnezz myeke. Akandiphenduli nam, so I don't know ke." Mandla: "Luzuko yena?" Lubb: "Luzuko i-off phone yakhe. Maybe they're aware. Lukhanyo is always aware. Stuja ubuya nin?" Mandla: "bamthathe for questioning." Lubb: "which police station?" Mandla: "Mount Road." Lubb: "ndizoyolanda yena kengoku, ndizok'fownela uzomthatha eGreenacres hospital kuba I have to be here." Mandla: "kwenzeke nton bhuti?" Lubb: "a friend of mine got shot. We'll talk later on." he ended the call and sat down. Ben: "what's the matter?" Lubb: "I need to find my little brother." Ben: "wenzenton this time." Lubb: "he's wanted by the cops. I don't know why, then the other one was taken for questioning-" Ben: "the last triplet?" Lubb: "no, uNcinane. Stu" Ben: "Oh ok." Lubb: "I have to go." Ben: "umshiya nabani uLihle?" Lubb: "you. Ndizaw'buya, I swear." Ben: "be quick. I can't handle this myself." Lubb: "Ben-" Ben: "don't. We had an agreement Lubabalo. So Don't Benny me. Stop fucking whining. When I need you, I need you. You promised." Lubb: "I know. Kodwa I have other priorities too! You cannot expect me to just drop everything. I've got a family." Ben: "thank you for reminding me when I'm about to lose mine." he looked the other way. Ben: "hamba Lubabalo." Lubb: "Benny." Ben: "ndithe hamba." Lubby walked away. Nathi: "are you gay?" Ben: "I beg your pardon??" Nathi: "the little squabble you had...looked gay. Like uyamlinda." Ben: "he is my best and only friend, excuse me if I'm a little too possessive....seems like the only person that does get me. I've never had friends." Nathi: "attached?" Ben: "do you not have people to bother?" Nathi: "I'm just playing. I'm like that with my brother. We're so close. Naye he's my only friend. Best friend. Nobody really gets me." Benny didn't reply, he looked down the passage and all that was remaining was a strong whiff of cologne. Nathi: "we have something in common." Ben: "no we don't." Nathi: "yes, two actually. One, we don't have friends, two, we're sitting here waiting for good news." Ben: "I'd rather not talk or hear anyone talk. Do you mind?" Nathi: "oh ok. One of those moods. I understand."a while later. Nathi: "what sports do you like?" Ben: "I don't like sports." Nathi: "Me neither! Hah! We're made for each other." Ben: "I highly doubt that." he checked his watch. Nathi: "you really need to stop doing that." Ben: "what?" Nathi: "checking your watch and the passage, he might be a while." Ben: "oh? Because you would know." Nathi: "hahaaa! Oh I did it all the time, Remy was always hours late. Something always came up. To think we lived together all our lives and something always pulls us apart. But we're stuck together. Hehe. Lol. Are you hungry?" Ben: "no." Nathi: "a.a sukusa. Men are always hungry. Come let's

have dinner down stairs." Ben: "Nathi. Khandiyeke man." Nathi: "thinking about him like that won't help!! Instead you'll drive him right out your life onto the next plane to outer space. Get it together. Masiyotyala!" Ben: "I don't know what the hell you're thinking, but mna I'm worried about my sister. She only has me. I only have her. I cannot lose her. I made a promise to our father. I can't think about food or other people. So leave me alone!" Nathi: "oh. I thought it was about your friend." Ben: "what about him?" Nathi: "you seem....you know." Ben: "I don't know how I'm supposed to be around 'friends' xandingazange ndanazo! Am I suppose to not care about them? Not want to spend time with them?" Nathi: "yes. Don't care. Just bea little less obsessive." Ben: "then what's the point of having a friend if awuzom'khathalela?" Nathi: "well, I care I just...its different. You can't really show it, it looks gay." Ben: "gay? I think, a man being attracted to another man is gay, not friendship. How is that gay?" Nathi: "fighting over him leaving? Women do that, equals gay. Looking behind after he's gone, women, gay. Checking the time and your phone for texts, women, gay. Yelling at him, when he eventually arrives, again, women, gay." Benny laughed. Ben: "okay, so now I feel dumb." Nathi: "where have you been living!" Ben: "you'll find it a little weird." Nathi: "oh trust me, nothing is as weird as living under water." Ben: "ehlathini. I built a cabin in there." Nathi: "ooh, interesting. How come?" Ben: "ndakhulela kwi hlathi, dad, his father raised him there too. But ke mine decided I should join civilization, all to find out its because he had met someone and they were having a baby, my sister. After that he went to jail." Nathi: "wow. Akubandi kengoku kwihlathi?" Ben: "you get used to it." Nathi: "now do you still live there?" Ben: "no, I live in my father's house. By myself." Nathi: "how did you become friends with this guy?" Ben: "well...he's my sisters ex husband's twin. We kind of vibed from word go, unlike the bastard." Nathi: "the bastard being the ex ? How is he by the way?" Ben: "he's vile. Ungcolile lomntu, usathana ubuqu. The things he's done to Lihle are beyond disgusting. He is abusive and controlling." Nathi: "why did she never report this ?" Ben: "obviously bemoyika. Now he's shot her, I don't know what the hell of an excuse she'll come up with!" Nathi: "so it was Him??" Ben: "who else could it be! I'm letting the police do their work. He deserves to rot in jail."

The next morning Nathi woke up. His head was laying on top of someone. Remy: "ugoduka nini." Nathi: "you came back." Remy: "you have a company and a girlfriend. Go home." Nathi: "I do, but wena, ugoduka nin?" Remy: "my company is this hospital and my girlfriend is inside it. I don't have to go anywhere." Nathi: "you need anything? Fresh clothes? Food?" Remy: "please." Nathi: "how is she?" Remy: "she got out the coma 2 hours ago. Hopefully won't relapse again, so xa esithi akafuni ubona mntu, it really means she can't take it." Nathi: "sorry about that." he sat up. Nathi: "I'll

be about an hour." Remy: "you need to sleep, bath ubuye emini. Okay?" Nathi: "okay ke." he got up and left. Ben: "was it me?" Remy: "excuse me?" Ben: "you said akafuni ubona mntu, I forced. Is it me she didn't want to see?" Remy: "you look a lot like her father Ben. You make her emotional, she loves you, kodwa right now she needs herself more. Its not you." Lubb: "ayikho lento uyithethayo. Lihle azange wangafuni ubona family yakhe. You're turning her against us." Remy: "of course I am." Lubb: "problem is, no matter how hard you try, you'll never get rid of us." Remy: "oh, trust you me, I wouldn't want to." Lubb: "yeah right. How do you live with yourself?" Remy: "quite perfectly actually. The moment I don't get to deal with the likes of you." Ben: "Lubabalo. Shut up." Lubb: "heh?" Ben: "ewe undivile. Shut up. If her doctor says she needs herself. We should at least give her that. For years she's been battling to be independent, khaw'ke uyeke nawe ubayi influence and for once just accept the situation." Lubb: "Benny. Yinton ngoku?" he whispered. Ben: "nganton?" Lubb: "can you excuse us?" Remy: "in who's hospital?" he folded his arms and legs. Lubb: "mxim. Benny, Lihle needs support, from family, that is you, her friends, that is me. I told Sbosh, uzoza naye, I don't understand into ye-space mna. She's probably afraid k'lendawo akuyo, uyoyika. Imagine being alone through that." Ben: "i'm sticking to what the doctor said." Lubb: "so Remy, when are you planning to bring back my kids-" Remy: "as soon as you lose your attitude." Lubb: "I will drag you to court-" Remy: "please do, and don't forget the gunmen who targeted Luthando last week and the one who shot his mother yesterday. It won't look good for you, if anything you're bringing attention to yourself and family. Lose the attitude, get back kids. Its that simple." Lubb: "umngqundu wakho." Remy: "wegolide my broer." Lubb: "God!!!!" he stood up and stomped down the passage. Lubb: "if you give me strength, I'll rip your child to piecesssss!!!" he screamed. Remy: "is he always that dramatic?" Ben: "I suggest you give back his kids." Remy: "not with that attitude, I'm not." Ben: "he's not going to take it lying down." Remy: "I know. It still won't look good for him. So if he's as smart as he pretends to be, he'll lose the attitude." Ben: "she's his ex." Remy: "who?" Ben: "Lihle. He gets a little emotional when it comes to her." Remy: "No... She was married to his brother." Ben: "and she had an affair with Lubby. Didn't she tell you?" Remy: "of course she did." he swallowed. Ben: "That's part of the reason for divorce. She usually only listens or talks to Lubby because he understands. Mna on the other hand....just started to know her, I don't know much. They're just...they gel. You know? Explains why my dad was so fond of him." Remy: "uhm. I need to....erh..check on a few documents and start on my rounds for the day. The nurse will update you soon." Ben: "okay." Remy got up and disappeared to his office. Lubby walked back in. Ben: "are you calm?" Lubb: "I'm fine." Ben: "is there a point in us being here if she

keeps relapsing?" Lubb: "yes. I'm not leaving her alone. She got shot for heavens sake! Someone wants her dead!! I am not leaving!" Ben: "someone being who?" Lubb: "sundibuza ububhanxa. How am I supposed to know? Logqirha uz'misele ubabuyisa nini abantwana? Why is he so selfish!" Ben: "ndithethile naye, the kids are safe, There's security pha kwakhe." Lubb: "since when are you taking his side?" Ben: "I'm not. Kodwa you really need to calm. Uthethe kakuhle. He can explain to you why abantwana bepha kuye." Lubb: "what did he say?" Ben: "ask him yourself." Lubb: "Benny." Ben: "Lubby." Lubb: "mxim." Ben: "he's not that bad Lubabalo. Mnike i-chance." Lubb: "fine! If he fucks it up for himself, andingeni ndawo." Ben: "he went to his office. Uzoyobona patient soon." Lubby got up and walked up the passage. Taking the lift up 2 floors and walked to Lechaba's office. The door was open, he knocked. Remy: "what do you want." he asked without even looking at him. Lubb: "can I come in?" Remy: "What. Do. You. Want." Lubb: "my family." Remy looked up. Remy: "family?" Lubb: "abantwana bam for starters." Remy: "you're not getting those kids." Lubb: "Okay, you see now. You're fucking making me mad!!" Remy: "andikaqibi uthetha." he walked around his desk to close the door. Remy: "a week ago, Luthando uphantse udutyulwa ehamba notatakhe," Lubb: "so??? Ungenaphi kulonto?" Remy: "let me finish... Wabathatha wayohlala nabo endlinabo with uLihle for protection, Phof you know this. I know your lifestyle is dangerous and andizange ndiphazamise or ndibuzise. When Lihle went home with the kids, there was a day I dropped her off, I called her to find out Unjani and she was in tears, in the background ndisiva ingxolo nomntu ethukisa, I arrived there ndacela uLihle athathe izinto zakhe nezabantwana so that I can help her. She needed to study, then rest, I was offering to care for the kids. Safika endlin wavasa abantwana and found bruises on their bodies, I asked her to call utatabo, she did but he was too busy to even hear what she had to say. The day she got shot besihleli trying to plan what to do next, and I was called to hospital, she was also sick ndathi kuye makaze esbhedlele and leave the children with my housekeeper, she did so. And when she got here, got shot. I am not trying to steal your family. I was only trying to help her kuba I don't know what's happening between her and utata wabantwana. Already ebegula and stressed I couldn't put pressure on her. I did order extra security kuba andikho endlin and my brother naye ebengekho, because I wanted the kids safe. If bendirongo ke, I'm sorry. I can take you there uyolanda abantwana bakho." Lubb: "wait....what bruises?" Remy: "andiyazi nam. We asked uLuhle and she explained how Lutha ebengafuni kutya wacitha phantsi ukutya wabethwa. Lubambo had a rash on his bum ekhala xa efakwa kwi bath. Engafuni kutya, he was restless." Lubb: "how sure are you of this?" Remy: "I am sure. I know its not good news to hear about abantwana bakho, kodwa There's ways of

dealing with this without violence-" Lubb: "don't you fucking dare!!! Tell me about violence. Take me to my children Lechaba. I want them now!!" Nathi walked in. Nathi: "I brought....." Remy: "Nathi, please take Mr Morrison home, uyothatha abantwana bakhe." Nathi: "Morrison?" Remy: "Nkosinathi." Nathi: "wait. Which Morrison?" Remy: "excuse him-" Nathi: "haaaaaaa.a. Morrison, Morrison, where have I heard this name before- Morrison!!! Wait, THE Morrison!!" Lubby stared at him icily. Nathi: "Rem'z, the Morrison empire, in Cape Town. One of the biggest companies in the country, the one that rejected my application for an internship. Oh My God, this is an actual Morrison." Lubb: "is this gonna end anytime soon?" Remy: "I am no longer part of this conversation." Nathi: "you know what? I'm not even bitter, I'm glad you rejected my application because I built an empire of my own. So we're cool." Lubb: "Doctor Lechaba." he hissed. Nathi: "Lubabalo Morrison. You know I used to hate you so badly. You've changed, from baller to family man. I am impressed. What are you doing in PE by the way? Oh my God, he's the twin!!!" Remy: "Nkosinathi Lechaba!" Nathi: "oh, too much? I'm sorry." Lubb: "I'd rather you take me." he looked at Remy. Remy: "I have a job to do. And A hospital to run. So no. Its either Nathi or nothing." Lubb: "he'll find me by the car." he walked out. Nathi: "I don't like this guy." Remy: "me neither. He was sleeping with Lihle." Nathi: "whaat! No!!" Remy: "yes. He has a long nerve." Nathi: "and how is that making you feel?" Remy: "a little bitter. But this is not about me." Nathi: "man, Lihle unawe ngoku. She's Yours. No need for you to be bitter, he has no access whatsoever, but you do. You're going to be the supportive, adorable boyfriend. Right now. Okay? Edlulileyo idlulile. Let it be." Remy: "I don't trust him!" Nathi: "here's your clothes and food from Madlamini. The kids are doing fine. Stop worrying about lomntu. We'll talk later." he walked out to the car. Lubby drove behind him. When they arrived in Summerstrand Lubabalo got out his car and went to the house. Nathi: "this is their suitcase. The baby is asleep." Lubb: "where?" they went to the bedroom where the twins were playing quietly. Lutha: "Tata." he whispered. Lubb: "hey boy. Phakamani sihambe. Come." Luhlle: "ha.a mama uthi uyeza." Lubb: "siyomthatha kaloku baby." Luhlle: "sothatha mama?" Lubb: "ewe." he picked up Lubambo. The twins walked behind him to the car. Lubb: "Nathi." Nathi: "yes?" Lubb: "HR department rejected your application, not me, I'm not even involved with the internship. Thank you for the kids." Nathi: "you okay though?" Lubb: "no. But my kids are, so....yeah. Enkosi." Nathi: "anytime." Lubby walked out to his car and put the kids in. His phone rang. Lubb: "Lukhanyo Aubrey Mzinyathi." Luks: "I know, I know. Why are the cops after me!!" Lubb: "Lihle got shot! Benditshilo kuwe ndathi usesbhedlele and you said you didn't care!" Luks: "woah, woah, WHAT!" Lubb: "Lukhanyo uphi? Uphi!!!! Naba abantwana bakho apha! You better get your ass home

Lukhanyo was sitting in the lounge waiting. Anelisa: "ndik'phakele bhuti?" Luks: "hmm.....I guess so. Noba ndiyabethwa, ndibethwe ndihluthi." Anelisa: "uphi omnye ubhuti?" Luks: "use toilet. Lubby took off Luthando's pants. Luks: "Wenza-" Lubb: "ungena apha." Luks: "what the hell happened!" Lubb: "Dr Lechaba ebeyobalanda kulo Lihle because he heard some argument over the phone. When they got home, bezovasa abantwana they saw this. He wasn't trying to steal your kids." Luks: "uzama ukuthi ngu makhulu ka Luthando lo umenze lento?" Lubb: "andizami ndiyats-" Luks: "he's lying!! Luks: "thatha abantwana, I need to do something." Lubb: "fine." Luks: "I'll call you later." he went to his car and drove to Mount Road. He entered the building and stood by the desk in front. "for the last Morrison, if you come back here without your brother, I'm arresting you." Lukhanyo looked at him. Luks: "Lukhanyo Mzinyathi." Police: "oh? I thought it was your clone. Come this way." Luks: "you're not going to arrest me?" Police: "Mr Mzinyathi you brought yourself here, me handcuffing you is pointless. I'm keeping you in custody." Luks: "what did I do?" Police: "you tell me."

Sunday morning I was up again, the nurse, Aphiwe was in a distance tidying up. Me: "phiwe." she turned around and looked at me. Phiwe: "you're awake! Yazi ndine surprise for wena, firstly uziva njani?" Me: "better." Phiwe: "good! Dr Lechaba was really worried, he spent the night here. Anywho! Your friends are here to see you. But only on your command." Me: "its fine, just no noise okay?" Phiwe: "are you sure? Andifun enyi episode yakho going into cardiac arrest !" Me: "I had a heart attack?" Phiwe: "no sweetie, its just a minor complication after your kind of surgery, its not happening again. I'll be back just now." she hurried out. I did feel better actually. Not 100% but I picked up a little 5%. All I wanted was to go back to my kids. And my new house. Of course I won't forget what happened. It will have to wait. Someone peeked in from the door. Me: "Siya!" Siya: "hey my angel. Unjani?" he walked in with Sbosh and S'fiso. Me: "I'm fine guys. Ninjani?" Sbosh: "I got so worried Lihle, what happened." Me: "yazi andisakhumbuli niks. I just...I kind of blacked out." Siya: "the police are doing the best they can. As long as you're alive and well. Jonga ndik'phathele ntoni?" the helicopter! I giggled. Siya: "now you won't get so bored." Me: "thank you." S'fiso: "and this is from Mandy. She's busy at the salon uzofika later on." Me: "thanks Fifi." Sbosh: "this is from uChuma. His father forgot to fetch him at Jades party. He is sulking but misses you." Me: "ncaaaw. I'm sorry. Uphi uBenny?" Sbosh: "he's with Remy. And ubhut' Simphiwe." Me: "Lubabalo?" S'fiso: "usendleleni ezayo." Me: "will he bring the kids?" S'fiso: "yep." Sbosh: "have you seen uLukhanyo." Me: "I don't want to." Sbosh: "haibo Lihle." Me: "ha.a S'bongile. Sundiphambanisa! And from now on, I don't want to hear that name in my presence. Or so help me God!" kwecwaka. S'fiso: "Sbosh, khandikhaphe man, ndifuna into yokutya." they left the room. Siya sat next to me. Siya: "did he do this to you?" Me: "no...his mistakes did." Siya: "and what did you tell the police-" Me: "nothing. I don't remember." Siya: "kodwa Lihle." Me: "I want to handle this myself Siya! Right now, good girl Lihle has died. She is dead. But the bitch has erupted. Kuzonyiwa, you just watch." Remy walked in. Remy: "morning babe." he kissed my lips. Me: "hey." Remy: "sorry to

annoy you so early. Kodwa I have good news. I'm taking you home on Tuesday, and by home I mean your new house." Me: "seriously?" Remy: "seriously. But on one condition though." Me: "yes?" Remy: "please don't yell at me the way you did izolo. And I'm trusting you to take care of wena, and there is a nanny Lubby suggested and is paying to take care of the kids." Me: "niyavana?" Remy: "no. But we're civil. We're doing this for you." Me: "oh, uhm babe. This is Siya, one of my best friends, Siya, this is Remy. My boyfriend." Siya: "nice to meet you." Remy: "likewise. Let me give you two some space. I'll be back later ke vha." he kissed my forehead and walked out. Me: "you don't like him?" Siya: "I just hope he treats you good qha. He's fine." Me: "hm...jealousy." he smiled. Siya: "anyway, what's this I hear about a new house and kutheni mna ndingayazi?" Me: "it was supposed to be a surprise. And the car." Siya: "you've got a car? Wow! So I guess the divorce is finalized?" Me: "yes." Siya: "finally. I'll be here for about a week ke vha. Help you with whatever you need." Me: "enkosi Siya. You're so cool." Lubby walked in. Lubb: "molweni." he was in a bad mood. I could tell by the look in his eyes. He barely registered uSiya. He didn't care. He was pissed off. Siya: "I'll be in the waiting area." he walked out. Me: "hello." Lutha was so excited he was literally jumping up and down ebambelele kwi bed. Me: "hello boy, Unjani." Lutha: "khumbula mama!" Luhle walked in noRemy and soon joined the cheer. I was smiling uncontrollably. Remy wasishiya. Lubabalo sat down. Pulling the kids onto the bed with their toys. Lubambo was asleep in his arm engavuswa nayingxolo. Me: "okay, what's wrong?" Lubb: "I need you to tell me who shot you." Me: "I can't remember." Lubb: "Lihle. Look me in the eye tu." Me: "Lubabalo, can I ask a favor." Lubb: "what?" Me: "I've got my own place now, brother wakho nam asisavani, so I'd like for you to help me with the kids." Lubb: "how?" Me: "andifun nyelwa kwam. Meaning andimfuni uLukhanyo kwam. When he wants the kids, he will call you to fetch them, and xabebuya I call you to bring them back. Okanye, siyenze lula, Fridays at 5pm, uyabalanda kum ubasa kuye. Sundays at 7pm, you bring them back home." Lubb: "hayi Lihle, uyamazi uLukhanyo says things out of fear of losing his fami-" Me: "I don't give a fuck no more. Again, I was at the brink of losing my life. I'm not letting him back in. If he dare comes near me....I swear I will not be liable for my actions." Lubb: "babes, I still think we should talk about this. Andifuni mna uyingena lento yenu because xanivana andibizwa mna kwi party." Me: "Lubabalo, if awufuni, then that means Lukhanyo will never see his children again. Its just that simple. Andisenalo ixesha lodlala upuca naye mna. I am done. Naye akandikhathalele. Nam ke ngokunjalo." Lubb: "okay, fine. I'll do it. Kodwa it wasn't him right? He didn't shoot you?" Me: "no he didn't." Lubb: "amapolisa are on his case. Uvalelwe as of now. He's a suspect." Me: "ndingenaphi kehok mna?" Lubb: "if you

could give your statement. They might let him go." Me: "I'll think about it." Lubb: "please? And if you do, I promise I'll help with the kids." Me: "fine." Luhle was in between my legs enqenqe ngomqolo on me. Her hands had a doll in them encokola. I played with her hair. Lubb: "so what's next..." Me: "what's next is that I get better ndiphume kwesisbhedlele. I'm so tired of lying down." Lubb: "where's your new place?" Me: "Walmer. Not too big, nice neighborhood for the kids and their school is close by.." Lubb: "uzophinda ubafake skolweni?" Me: "yes." Lubb: "I don't think that's a good idea." Me: "Lubabalo, you and your family's ideas of how I should live are drawings in sand kum ngoku. If you don't like it, boo hoo." Lubb: "what happened to you?" Me: "I saw my life flash right before my eyes. I swear to God Lubabalo, it was for the last time." he nodded. Me: "can I have some space with my children." he gave me Lubambo and walked out. Me: "I didn't want it to ever work out like this bantwana bam, but mommy has to do what mommy has to do."

Chapter 779

Tuesday morning I got up on my own. Made my bed ndayovasa. It pained to walk but I had to get used to it. Remy walked in. Remy: "sthandwa Sam?" Me: "yes." Remy: "nazi mpahla zakho ne. I'll be back in an hour. Do you need anything?" Me: "Phiwe please." Remy: "okay." he left the room ndaqibezela. Phiwe: "what's the matter?" she came in. Me: "I need pain killers." Phiwe: "okay. And?" Me: "and how long will these stitches take to heal?" Phiwe: "I'll give something yovasa noqaba ne, it might take at least two weeks." I went to get dressed. Phiwe: "so are you excited for ubuyela endlin?" Me: "definitely." once I was done. Phiwe helped me comb my weave yabe ingushwanca sana. I had to take it off. Siya and Sbosh came in. Me: "hey guys." Siya: "ready?" Me: "ewe." Sbosh: "well, Dr Lechaba uthe uzozizisa izinto zakho later on." Me: "okay." Remy came in. Remy: "ready?" I nodded. Ithini na lento. Remy: "ndine surprise for wena. Come." I wonder yinton nkosi yam. I followed him to his office. He held my hand to the door wavula. I think he was more shocked than I was at this point. Luthando was sitting in his chair holding a stethoscope esithatha ku Luhle. Remy: "uphi uLubambo?" Luhle giggled ejonje phantsi. I went to her kanti nanku unyana ufakwa phantsi kwe desk. He looked so confused and lost. Lutha: "hello mama!" I kissed him and his sister. Me: "hey sweetie. Wenzantoni?" Lutha: "bzzz bzzz." Me: "what's that love?" Remy: "don't bend baby, ndizomthatha." Me: "I'm okay." Remy: "no, you're not. You're still recovering and uzoba right in quite a while." he picked Lubambo up. Remy: "did you talk to the police?" Me: "ewe. They're releasing him today." Remy: "yazi andiyi understand lento yenzekayo. Ndicela ube

honest nam Lihle. Who shot you?" Me: "Remy I don't remember." Remy: "kodwa uyayazi ba ayingo Lukhanyo." Me: "can we not do this please?" Remy: "Okay. Fine. We're not doing it. Masambe." I held Lihle's hand, Lutha ephethe toy yakhe entsha and we left. We drove home ndadibana noSiya and Sbosh phambili. How did they know? Inoba baxelelwe ngu Remy? I put my Lubambo under my arm going inside with the twins. "surprise!!" Yuh andothuka! All my friends were here. Jumping out of everywhere. As much as bendingafun ubona Bantu kuba ndisabuka indlu yam they were here and I couldn't be rude. They went through all this trouble. Me: "guys!" Lubb: "heey." he was dressed in a Batman costume ndaske ndaphela yintsini for a very long time ndade ndaqaqanjelwa. Lubb: "see? I told you she'd love it." Sbosh: "usisbhanxa yazi wena." she laughed. Mandy: "Ai. Iza babe, come sit sizok'phakela." I sat down with my kids ndaphathelwa ukutya. Lubb: "ndicela sicimeleni-" Sbosh: "Batman doesn't pray." Lubb: "Kudala undichukela ke namhlanje, ubufuna Le costume yam." Sbosh: "umbi mos." Lubb: "unomona ngenxa ungenayo." Sbosh: "andiy'funi." Lubb: "uyay'rhalela. Your eye is twitching." Mandy: "guys khanimeni kaloku, Sbosh ke thandaza and we'll carry on. Lihle needs her rest." Sbosh: "cela kucinyelweni." there was a knock on the door, kwangena UNathi with a bunch of flowers and a paper bag elandelwa ngu Benny. Cwaka uSbosh. Me: "peto kaloku." Sbosh: "nton peto? UMandy uthe uyiy'bambile leway." Mandy: "mxim. For the last time, can we please close our eyes?" sacimela. Mandy: "dear God, siyabulela ngemini yanamhlanje osinike yona. Sibulela ngosikhuselela itshomi yethu and healing her back to life yet again. May the good Lord bless us and our families. Amen." Me: "amen." Lubb: "besingathandazeli ukutya na." I giggled. Me: "khawuyeke isigezo." Remy: "baby." he whispered in my ear. Oko ethule aphe camkwam because the twins had left him bayozifunela indawo yodlala. Me: "yes?" Remy: "awufun nto sela? Juice or water?" Me: "amanzi." as he got up. Lubb: "I'll get it." he jumped up wabaleka. Remy sat back down. Ikhona into ibimtya. And when did Benny noNathi become friends? Heh! We started eating our food and everyone was chatting kumnandi Lubabalo ezondibalisela ezinto zakhe zihlekisayo. Remy was feeding Lubambo embonisa izipili sana. Naye ene cheek zakhe. Me: "kwenzeka ntoni?" Remy: "nothing." Me: "Remy? What's wrong?" Remy: "akhonto Lihle." now something was definitely wrong. I sat back on the couch. The furniture was beautiful, but looked freaking expensive and quite familiar. There were black leather couches and a glass coffee table. A huge plasma hung on the wall and a home theatre system neatly on the floor. White and black. 😊^_^ Lubb: "I want you to see the bedroom, yenziwe ndim. I really outdid myself hey. Ndizothusile. I am domesticated." Me: "you've always been domesticated. Always." Lubb: "is it a bad thing?" Me: "ewe sometimes. Iyadika, you're just....too much." Lubb: "so I must be too

little?" Me: "kind of just relax. You're dramatic and over the top." Lubb: "okay. I can relax. But come, izobona the rest of the house." he helped me up and held my hand to the kitchen, the spare bedroom, white and blue in color. The second room which belonged to the kids. It was quite big for my liking kodwa it included their play area. There was just one over sized cot for them as big as an actual bed. A drawing corner with arts and crafts. A big doll house which belonged to Luhle and her cousin sisters. And of course a mini battle field for the boys. Me: "this is so beautiful." Lubb: "oh yeah? Thank you. Come." we went to my bedroom, the first thing I saw when I entered was a that bed. Fit for a damn King. Me: "this is me?" Lubb: "this is you." Me: "ayisentle! Thank you!" Lubb: "come, give daddy a hug." I hugged him. Lubb: "as long as you're okay. And safe. I don't want anything to ever happen to you." Me: "don't worry." I pulled away. Remy was standing at the door with Lubambo in his arm. Lubb: "uhm...I'll be in the next room. Come here poi. Missed daddy? Oh yes you did!" he took Lubambo waphuma ngomnyango. Remy: "is he the baby's father?" this question caught me so off guard I was baffled. Ivelaphi ke Le? Me: "what?" Remy: "Tata Waka Lubambo. Being Lubabalo. When you had an affair with him?" who told him this? Ndaske ndamatha. Remy: "why didn't you tell me?" Me: "he's not Remy. Lukhanyo is. Who tol-" Remy: "that's not important. Lihle, bekutheni ungatsho?" Me: "do you need to know about all my exes?" Remy: "ex? He's an ex? It wasn't just a one night stand, you actually dated!" Me: "we were engaged." Remy: "this is just fucking ridiculous! you're married to his brother for God's sake!" Me: "don't you dare yell at me Remy Martin Lechaba! So what if I had a damn affair but that is the past and you are not fucking involved! unless you want to be, you can carry on arguing with me." he stared at me speechless then walked out. Angazondiphaphela mna. But this nigga walks right back in and grabs my arms, kissing my lips. He is hungry or pissed off. He stopped and stared at me again waphinda waphuma. Lmfao! Une drama lobhuti! Me: "Lechaba!" he stopped at the door. Me: "what is wrong with you!" Remy: "I am frustrated that you've.....he's so.....damn it Lihle! Him?? Of all people?" ndaske ndamjamela. Oh yes boy. Him. Remy: "why?" Me: "he cares about me, he's sweet, funny at times, and efficient. Literally treats me like a queen." Remy: "I am uncomfortable when he is around you. I swear There's something about him that makes my back hairs stand." Me: "he's harmless. Babe, please? Just give him a chance." I held his hands. Me: "please?" I kissed his cheek. Remy: "you just got out of hospital. Suppose you're resting." Me: "I feel fantastic." he poked my rib. Me: "oucchh!" Remy: "you're still in pain." Me: "just kiss me." he kissed me. Holding onto my ass then stopped. Remy: "getting turned on. Let's go back to the others-" I pulled him back. Remy: "Lihle." Me: "hm?" Remy: "just one week. Its too early andifun ukrazuke

stitches." I sulked. Remy: "sorry love." we went to the lounge and continued the party. He was sitting on the couch my feet on his lap massaging them. Mandy ngapha was playing with my hair and I had Lühle sleeping on my side. I brushed her soft skin and hummed a hymn. Me: "you are so beautiful mntanam yazi. So special to me and whatever you do, mama will always be behind you every step of the way. And if its the wrong way, I'll advise you better. You shouldn't have to fight for your role in anyone's life. Umamakho uzohlala ekuthanda noba kwenzeka ntoni love. I love you so much my Nunu." of course ebengandiva ebelele. Yet I missed her so much. Luthando ke yena use busy ndiyamazi uzandifuna shushu xa esozela kubekho ubhuti Lubambo ofuna uzozi shova as of now. I had my family back again and this time I was keeping it... Remy got up looking at his phone wayongena eroomin. I didn't like the look on his face ibingathi unentloni or caught off guard. Lubby got up and fiddled with his outfit esiya e-toilet. He heard a voice. Remy: "baby? what's wrong?.....hayi man Yonwa andikuya uyalila uthen?what?.....I can barely hear you.....okay, okay my angel, ndithini ? Should I book you a flight or ndizok'landa?.....okay baby. Be patient ke vha. Uxolo kaloku sthandwa Sam, I'm on my way. Cima i-phone." he hung up. Lubby walked back to the lounge and sat down quietly. Me: "problem?" Lubb: "nope. Let me go check on Luks, ndiyabuya vha." Me: "okay." he got up and left. Remy came out engxame qithi. Me: "and now?" Remy: "there's an emergency at the hospital ndizobuya babes." Me: "okay." he kissed my forehead and left. Nathi looked at him squinting his eyes. Then followed.

Lukhanyo sat in his house watching TV. With a bowl of popcorn in his hand. Luzuko walked in. Luz: "what's up." Lukhanyo shrugged. Luz: "how long have you been sitting there?" Luks: "a while." Luz: "awulambanga?" Luks shook his head. Luz: "what do you want?" Luks: "Lubby." Luz: "ouch." Luks popped a hand full in his mouth and chewed loudly. Luz: "ubumfownele?" Luks: "phone yakhe off." Luz: "why didn't you go to work?" Luks: "didn't feel like it." Luz: "of course. So uzohlala ulinde uLubby all day olohlobo?" Luks: "precisely." Luz: "will you at least eat?" Luks: "No." Luz: "okay, so what can I do?" Luks: "you can sit and be quiet, possibly leaving me alone." Luzuko sat in his own couch and watched TV. Thulani walked in. Thulz: "what's up people?" Luz: "hi." Lukhanyo stared at the TV. Thulz: "what happened?" Luz: "wants his twin." Thulz: "use span?" Luz: "no, Lubby uye kwi welcoming party ka Lihle in her new house. Lubby walked back out to his car and left. He drove to the house in Summerstrand where Remy's cars were outside. Lubby went in. Lubb: "what the hell do you think you're doing?" Remy: "I don't know what you're talking about." Lubb: "Remy. Andisiso isidenge and uLihle akazobasiso isidenge sakho phezkwa lonto." Remy: "have you somewhat forgotten that this is my house?" Later that night I was left with Siya and Mandy cleaning the house. I was putting the kids to sleep and changing into my pajamas. A little knock on my door interrupted me. I was almost done, pulling the top over my head. Me: "ngena." Siya: "hey." he entered. Me: "what's up?" Siya: "uhm...is there anything.....I need.....I mean you..." Me: "you okay?" Siya: "yes. I'm just a bit tired." I sat on the bed. Siya: "your house looks beautiful." Me: "I wish I had a hand in it. Kodwa ke..." Siya: "well, I've got some good news." Me: "what." Siya: "guess." he sat next to me. Me: "you're going to be a dad? Getting married? Because your job can't get better than it already is." he laughed. Siya: "actually.....its a new job. and it is so much better than it already is." Me: "that's great Siya, I'm happy for you yazi." Siya: "ilapha ebhayi by the way." Me: "nyani???" Siya: "yes. Me: "thank you." he hugged me gently Not to hurt my wounds. For a while then let go slowly. Siya: "awubaweli nto kutya? Or maybe watch a movie?" Me: " no...I just want To rest,

ndicela amanzi for my pills." Siya: "okay." he got up and left the room coming back with water ndasela pilisi. He helped me get into bed. Siya: "you're beautiful." he said as he tucked me in. Siya: "any man would be lucky to have you in his life. And they should be proud." Me: "where is this coming from?" Siya: "the bottom of my heart." he kissed my forehead and walked out. I knew the pill would knock me out eventually. Mandy and the new nanny were sleeping over, to take care of the kids and clean. I closed my eyes. And there...the person who shot me stood right in front of me with a smirk on their face. "I will be back and won't stop until you're no more." ndothuka and jumped up! And completely stopped breathing.....

Hm...nice." Phila: "ndizamxelela mna uLihle. I don't give a damn." Lubb: "as long as its not me. When she's unhappy she can blame you all the way back to your house which you share with your partner which she doesn't have." Phila: "mxim." Losta: "masambeni guys." Lubb: "ha.a. Losta: "ndikwenze nton Busisiwe?" Busi: "wena xa sow'cinga wenze ntoni?" Losta: "I don't know baby, ndicela uthethe nam kaloku." Busi: "you're too busy for this relationship Lonwabo and ingathi uya uqatsela ubase stratweni. I never mind you out with your friends. Busi: "Lonwabo." Losta: "ndicela silungise lento ne? And move on." Busi: "Lonwabo, I just want you to be a little more responsible to your family. Mandisi is home more than you are, and he's not even the head of this house. Ndibawela ubekhhona xa uTia efuna uncedo with her little homeworks, when she bathes and goes to bed, the way you used to do. Now you're sliding off track." Losta: "uxolo mntu wam. This is the way I understand izinto ke mna. Ingaske uthethe oluhlobo nam instead of yelling and making me guess ukuba utheni. Its not fun. I don't like seeing you mad, uyayazi nawe lonto." Busi: "hamba Lonwabo." Losta: "uyandigxotha ngoku?" Busi: "you wanted to go out with your friends, you can go." Losta: "is it a catch?" Busi: "no. Just go. Ndizok'bona when you come back." Losta: "no, something is definitely wrong ngo Busi." Phila: "how?" Losta: "she was pissed off, then 10 seconds later, she became calm and gave me permission yohamba." Phila: "so...." Losta: "what made her change her mind so quickly?" Phila: "maybe because uyamdika and she wants you out of her sight?" Losta: "she mentioned Mandisi being there more than I am." Phila: "you think your brother is up to his old tricks again?" Losta: "he's done it once." Phila: "bro, Busi will never do that to you. Uyi awti egrand." Losta: "but andim'hoyi Phila. Ndandingam'hoyi umama ka Tia and she became close with him. And she died.. Because of him. I can't go through all of this shit again!" Phila: "okay, Lon'z. You have got to calm down." Losta: "calm down?? My wife doesn't care about where I'm going,

or when I'll be back! I think that's worry enough. Phila, I'm not going to let Mandisi do this to me. I'm not letting him take away my future again!" he parked the car in Summerstrand. Phila: "so....uzothini?" Losta: "I'm going back home mfethu. I need to spend time with my woman." Phila: "okay. Good luck with that." he got out the car walking inside the club. Lonwabo turned his car driving back home. He found Busi in the kitchen making a sandwich. Losta: "hey." Busi: "hey." Losta: "uphi uMandisi?" she shrugged. Busi: "what happened to your friends." Losta: "ndibashiye Cubana. I wanted to be here with you instead. Busi, ndiyak'thanda and it is wrong of me not to pay attention to you. I'm getting a little too comfortable when I shouldn't be. I love you so much. Mntu wam, I appreciate what you're doing for me, for us, this family. For taking care of my daughter as your own too. You're making me so proud. All of this uyenza ungafuni niks in return except my love, and from now on, that's what I'm going to give you. Busi, I respect you for being the woman that you are, giving up your family wazohlala apha kum, starting your own company and damn it baby, it is successful, that's all your hardwork. Ayisekho into endiyifunayo ngaphandle. You are my everything, right now I am nervous as hell, I didn't plan this.....will you make me the happiest man alive, Busi, please marry me?" she stared at him, with her mouth open. Busi: "I was making a sandwich." Losta: "I know baby. Nam ndiyafuna by the way." Busi: "yes. I will marry you, you idiot!" she hugged him. Busi: "I've been waiting." Losta: "for what?" Busi: "to be your wife. Kuthen usisbhanxa nje Lonwabo!" she slapped his shoulder. Losta: "heee ubaby. Ngoku ukhalela nto?" Busi: "I was making a sandwich!" Losta: "uxolo sweetie. I couldn't help it." he wiped her eyes. Losta: "Yuh ndingamoshi mascara yakho." Busi: "its water proof." Losta: "tshisa girl!" Busi: "khawuyeke man." Mandisi came down the stairs. Losta: "bhuti." Mandisi: "hi, ndine news for Nina." Losta: "nathi. We're engaged." Mandisi: "congratulations! I wish you the best mninawa. Mna ke ndifumene indawo yohlala ngala msebenzi bendiwenza. As long as ungabuyeli lokshin." Mandisi: "mfo, its just a start." Busi: "good luck bhuti, and congratulations nakuwe." Mandisi: "enkosi makoti, Ndisaphumile bethuna." he walked out. Lonwabo kissed his fiance. Losta: "I love you." Busi: "I love you too baby."

Remy woke up a little later that evening from his nap. Yonwabisa was in bed next to him. Remy: "what's wrong now?" Yonwa: "how much do you love her?" he turned the other direction. Remy: "not now Yonwa." Yonwa: "but daddy ndifuna uyazi." Remy: "I'm trying to sleep." Yonwa: "you're trying to avoid me Tata." she cuddled under his arm. Remy: "I love her a lot. Are you happy now?" Yonwa: "so, uzondishiya ndodwa

Remy: "I'm not going to a mall ebsuku mna Yonwabisa. Stop making that face." Yonwa: "but daad-" Remy: "No. Why all of a sudden ufuna undizulisa ngobusuku?" Yonwa: "I missed you." Remy: "no you didn't. You just don't want me to find someone. Is that the reason?" Yonwa: "Tata, ndim lo nje." Remy: "and I love you. No one will ever take your place kum mntanam. Kodwa ndiyabawela ukonwaba nam. And I need something stable for you to come home to during holidays. Speaking of which, Sunday I'm taking you back to school." Yonwa: "but andifuni mna." Remy: "you don't have much of a choice baby girl. That is one of the best boarding schools in the country." Yonwa: "fine." she pulled away. Remy: "Yonwabisa." Yonwa: "Ta." she held back tears. Remy: "tell me what's wrong? Kwenzeke ntoni eskolweni? Kuthen ungafun ubuyela?" Yonwa: "its nothing." Remy: "okay ke, I'll call the school to send your school work for another week. Okay?" she nodded. Remy: "I love my baby bunny. Avha?" Yonwa: "love you too Tata." Remy: "would you like me to invite her over for dinner? She has three kids. Twins and a little baby." Yonwa: "is it yours?" Remy: "well, no...uyafuna ubano brother wena?" she quickly shook her head. Remy: "I thought as much. Uyifihlephi ke phone yam?" Yonwa: "its in your gym shoes." Remy: "I'm not even going to ask why. Iza nayo." she went to fetch the phone. Remy made the call. It rang to voicemail. And he tried the second time. Lihle: "hey baby." Remy: "hey...Uright?" Lihle: "well yes wena?" Remy: "great, kuthen ngathi uyabaleka?" Lihle: "bendileqa uLuthandoluhle. We're playing. Wena Wenzanton?" Remy: "baby, ndicela ulungise tu, I'm going to cook dinner, ndicele UNathi azonithatha. There's something important I need to tell you." Me: "ookay. I'll get the kids ready." Remy: "sho thing babe." he hung up. Yonwa: "she seems nice." Remy: "please behave." Yonwa: "Tata, I am 17. I'm a grown woman. I can accept that utata une needs and he needs a companion." he tickled her ribs. Remy: "ndizok'qhweba wena tshongo ngeva apha." she laughed. Yonwa: "xolo ke ndithule. Well, let me go change." Remy: "yes, go. Ndisayokhangela tanci wakho." Yonwa went to her room. Remy went downstairs to find his brother..

I was nervous at this point. What was Remy going to say? Why was it so important? Lutha: "mammo." Me: "yes boy." Lutha: "uyaphi umama noLutha Nonana?" Me:

"siyobona ubhuti Remy." they giggled and ran around in a circle with excitement. Uyow'ncama sana. Since they were done dressing. I changed Lubambo so long ndamnxibisa. He was so sleepy and cranky. Endityhala qha. Mandy: "ithini ndlela?" Me: "Remy's house. He has something important to tell me." Mandy: "oh. Wow. I wonder." Me: "Siya akekabuyi?" Mandy: "nah. He's probably having engagement sex as we speak. Mna ndizokuya ku Fifi, will you guys be back?" Me: "ewe sizobuya. Don't go too hard." Mandy: "oh peto khandimele tu." she went to bath. I waited with the kids in the lounge. Sidlala uFliz. Ize noLuhle ke Le game because Lutha couldn't explain it at all edwanguza qha. Luhle: "mama kalo. Ajikelez ajikelez, athi unana, Fliz! Mama ame ne? Angashumi ne? Ame umama." (Luthando version is: "mama ashukumi ashukumi mama. Fliz, afun jikelez ne mama. Ashukumi tu.) now that I did not get. So all in all, we had to spin around and freeze when she says so. So here we go. Luhle: "ajikelez umama, ajikelez umama! Wooh!" Lutha: "nam jonga mos!" Luhle: "ajikelez Lutha, wooh!" akatyhafisi tu ke usiswakho. Luhle: "Fliz!!" we stopped. Honestly, this was tricky. Where the hell did this child learn this game? I was dizzy! 🤪:v and amused. So I moved an inched. Luhle: "hah!! Bonile mama! out mama!" Me: "okay baby, xolo ke." Lutha: "cula kalo mama." oh so ndim kengoku ukhwazayo. Me: "ajikelez Luhle, ajikelez Lutha, wooh!" they spun around giggling. Me: "fliz!" they stopped. Luhle flopped on her bum oko eyihleka mntaka bawo. We carried on for about 10 minutes wafika UNathi ezosilanda. I picked up Lubambo and he woke up kancinci. Just rubbing his face on my breast. He was still sleepy lona qha uphupha ngebele. We got in the car and Nathi drove us to Remy's place safika ke epeka. The kids were beyond delighted to see him. Bemjikeleza. When they finally stopped and ran off to their corner I was left to face him with Lubambo in my arm. Remy: "Unjani." he kissed my forehead. Me: "nervous. You?" Remy: "me too." now that scared me. He sat me down. Remy: "akak'thunuki?" Me: "no. He's still." Remy: "okay." Me: "what's wrong?" Remy: "I fucked up." Yuh andadana. Every last bit of hope vanished. I just stared blankly at him to continue talking but I was not interested. Remy: "I lied to you. Ngeyona nto ibalulekileyo kum." I had no energy to even ask anymore. bendithule qha ndimjongile. Remy: "when I was 17, I impregnated a girl. She was 14. I only found out she was pregnant xa ena 8 months mna because she hadn't been talking to me. Nase khaya yothukwa lonto. Kwaziswa ityala and the damages were paid etc....she gave birth 6 weeks later, 2 weeks late. To a baby girl. Igama lakhe ngu Yonwabisa. I was in high school, I had no income and was dependent on my parents qha. So, they took the baby as their own. They raised her." What? I just stared at him in shock. How come he's only saying this now? Remy: "I've never been one to stick to relationships. Yonke nje into endiyenzayo is a mess. when I

first met you, I'm not going to lie and say I wanted to make you mine, I wasn't interested in a relationship with you. But as time went by, I realized you were different, you were a mother, you were caring and somehow undenze ndalibala nge past yam. Its been amazing thus far and akhonto indonwabisa ngoba around you and these little ones. I love you Lihle. I am serious about you. About our relationship and about our future. My daughter, was the emergency I ran to on Tuesday, she's here." I didn't know how to digest all of this information all at once. Remy: "would you like to meet her?"

Chapter 783

I just stood there motionless. Lubambo actually kicked me awake ndane ndawana ebuyela ezngqondweni. I wasn't going to be dramatic about it. He had a kid. A teenage kid. Now that he sees a future with me uyandixelela. There was no time to think about other things because this girl just walked in the lounge. She looked exactly like her father which made her really beautiful. Gorgeous actually. Me: "hello." I smiled. Yonwa: "hi." Me: "Unjani? Igama lam ngu Lihle." Yonwa: "I know." Remy: "this is Yonwabisa. So Yeah." Me: "is there anything else I should know that you haven't told me?" Remy: "no babes. That is it. Supper is ready. Yonwabisa, please set the table for me. Please my baby." she went to the dining room. I sat down for a minute to feed Lubambo but suddenly, he was pulling and kicking. Efuna uba phantsi. I put him down and watched him crawl all the way to the kitchen eleqa uRemy. I went to look for the twins kuba bethule and I found them in the empty room. Me: "come guys. Let's go." Lutha: "Les go!" they giggled running out to the lounge, of course this meant I had to chase them all the way. Ndaleqisa ke nam. Remy: "Yonwabisa." Yonwa: "daddy." Remy: "why are there only 3 plates on the table?" he spoke as low as possible kodwa I heard. Ndazulisa ndadlala nabantwana bam. Yonwa: "I don't understand your question Tata. Sibathathu nje aphe ndlin." she stated clearly. My phone rang. Thank you God before it got more awkward. Ndayoyiphendula ecaleni. Me: "hey." Lubb: "hey lili. Unjani?" Me: "I'm good. Wena?" Lubb: "good, listen I'm coming over tonight yeah? Lukhanyo ucela abantwana." Me: "okay, I'll notify you when I'm home." Lubb: "uphi Dan?" Me: "with Remy." Lubb: "okay." Me: "you okay?" Lubb: "well....yeah." Me: "what's wrong?" Lubb: "wenzani uLubambo?" Me: "he's crawling around somewhere. Ndimqibele eleqa uRemy to the kitchen." Lubb: "wish bindim lo uleqwayo. I miss him. He doesn't even recognize who I am. And he's growing up so quickly, next thing he's gonna start walking, then talking, and going to school, getting friends and won't have time for me." Me: "why are you being

dramatic? He's just started crawling." Lubb: "I think I should be more involved in their lives." Me: "you're always busy Lubby. Like always. Lubambo won't forget about you just because of a few weeks or days ungamboni." Lubb: "do you talk to him about me?" Me: "Lubabalo, are you drinking?" Lubb: "answer me." Me: "no, I don't." Lubb: "why not?" Me: "Lubabalo, I'm not speaking to you unxilile. And you're not coming to my house unxilile either. So its either you sober the fuck up or you just stay where you are, you're not seeing my children in that condition." Lubb: "andinxilanga mna." Me: "then what's wrong with you?" Lubb: "I'm feeling a little exhausted. I just need someone to off load my shit on." Me: "then why didn't you just say so? You know I'm always here for you." Lubb: "are you?" Me: "ayina nCasa lento uyibuzayo. We're friends, remember?" Lubb: "but you don't talk to my Gift about his great uncle." Me: "uzumxelele ngokwakho ke." Lubb: "text me when you're done with sour face." Me: "mxim." I hung up. Remy: "you're still communicating with him." Me: "I have no choice. It was either him or the other one." Remy: "you made a good choice. Let's have dinner." he went to pick up Lubambo sayohlalani phantsi sonke. Remy: "Yonwabisa please lead us in prayer." Yonwa: "May God bless our food. Amen." Remy: "amen." he sighed. We started eating dinner wangena uNathi looking very upset. He didn't even sit. Nathi: "molweni." he went upstairs. Remy looked behind him waphakama wamlandela. Me: "so...ufundaphi Yonwa?" Yonwa: "a.a. My name is Yonwabisa. And we're not friends, so I don't see why we should be making small talk with each other unnecessarily. I'll stay out of your lane, if you stay out of mine. You're dating my dad not me." Heheheeee!!! Yuuuuh Yesu wam. I do not want to get into it with this kid. I lost my appetite kwangoko. Me: "we're not friends, no. I'm dating your father, yes. But I'm not here to take your place. I never will. I have kids and I understand how much their dad loves them. I'm not about to take that away from another father. So if you want me to be in any kind of lane. Show some respect and I'll do the same. Okanye uyow'xakana nomqa mntanam." I sipped on my juice and she kept quiet. Me: "ufundaphi Yonwa?" I asked again. After a very long time. She answered. Yonwa: "Woodridge. Its a boarding school." Me: "oh? So how are you enjoying your holiday?" waske wa-naar. Yonwa: "I'm not on holiday. I just came to see my dad." Me: "okay then. How's school?" I could tell she didn't want to talk about it. it wasn't because she hated me, but it was something else. Yonwa: "its fine." Me: "any friends?" she kept quiet and picked at her food. Me: "you don't have friends?" she stood up and walked away from the table. Something was wrong with this child. Noba yinton nah but ke andingen ndawo. Remy came down. Remy: "uphi uYonwabisa?" Me: "I think outside." Remy: "oh ok." he sat down ndamjamela. Remy: "what?" Me: "aren't you going to ask why?" Remy: "why?" Me: "I don't know!" Remy:

"then what was my point for asking? Babes, she's grown, uyazazi yena ufuna nton phandle." Me: "then why engek hose skolweni." Remy: "she doesn't want to tell me. And I'm not going to force her to go there engafuni." Me: "kodwa baby that's not solving a problem though. You need to be there for her emotionally, physically." Remy: "can I do that after dinner though? Ndilambile nyani babes. haven't eaten all day." Me: "seriously!!" Remy: "babe, she's okay. Trust me." we had our dinner saqiba but I needed to get going. Remy took us home. Remy: "ndizok'bona nin baby?" the black CLA pulled into the driveway. Remy: "nevermind." Me: "huh?" Remy: "come." he got out the car ethatha uLubambo. I took the twins inside wangena ke uSiya. Remy: "ambohlala phantsi babes. I got this." Siya: "I'm taking the kids for their bath." Me: "guys." Remy: "yes love?" Me: "I don't need help. I'm okay. Both of you. You can go. Siya, you have a fiance that is waiting for you, Remy, your daughter. I'm fine mna." Remy: "I'm going to stay the night mna." Siya: "you heard her say she is fine." Remy: "last time I checked, ibindim indoda yakhe. Ungenaphi wena?" Me: "khaniphumeni!! Ndlela enithandana ngayo. Go!" they both walked out ndavala ucango behind them. Wasitsho iskhalo uLubambo. I picked him up, rocking him back and forth. Me: "I'm sorry baby...shhhh.....uxolo kaloku mntanam." my phone rang. Me: "ya?" Lubb: "you home?" Me: "yes." Lubb: "ukhalela nton uLubambo?" Me: "really? Right now uzondibuza lonto?" Lubb: "ndiyeza." I hung up. Within 10 minutes he knocked on my door. Hayi ebeme phe zantsi lo. I opened for him wangena. He really didn't look drunk. Just tired and distracted. He took Lubambo from me wayohlala naye phantsi. Lubb: "ziphi twins?" Me: "they're playing in their room. Unjani?" Lubb: "not good. Dog tired." Me: "you look like it. Awubaweli manzi or something." Lubb: "no. Why was he crying?" Me: "bekusandohamba Remy." Lubb: "They're that close?" Me: "kind of." Lubb: "Lihle, why are you confusing these children? Why? The boy is already chasing after Remy, what happens when Remy leaves? Nolandelayo naye uzamleqa?" Me: "don't you dare. Don't you start with me Lubabalo." Lubb: "no but I'm being real though!" Me: "the same real you are with Zintle and Lungelo raising your kids together?" he stared at me. Lubb: "ingenaphi lonto Lihle?" Me: "oh so its a problem when its me and me only huh? Ndim lo funeka abengu makhulu all the damn time ndingatyiwa? Ndingonwabi?" Lubb: "this nigga is cheating on you. So if wena ufuna utyiwa ngumntu ongak'respect'iyoy so be it! Just don't drag the kids in it." he stood up. Lubb: "Luthandoluhle!!" Me: "Lubabalo Morrison!!!" Lubb: "what!!" Me: "get out." Lubb: "andiyi ndawo mna-" Me: "get the fuck out of my house Lubabalo. Go!!!!!!!" Lubb: "Lihl-" Me: "GO!!!" he put the baby down and stormed out.

Luks: "what happened." he was standing in his sink washing dishes. Lubb: "Lihle une attitude embi man! I'm asking her something kakuhle and she goes over board efaka ezingangeniyo!" Luks: "you're not making any sense." Lubb: "she's naïve and acting fucking happy when she isn't!" Luks: "why does this bother you so much?" Lubb: "its not bothering me! I just...she..... Mxim!" Luks: "why are you panicking?" Lubb: "I'm not fucking panicking!!!!!" he screamed. Luks: "you told her didn't you?" Lubb: "umenzi sdenge mos!" Luks: "did you actually bother thinking that its none of Your business?" Lubb: "khawundiyeke Lukhanyo!" Luks: "so when am I getting my kids?" Lubb: "ungathumi uThulani nje! I am done with her!" Luks: "Lubabalo." Lubb: "ndiyeke!!" Luks: "did you take your pills?" he took the car keys slowly off the counter and shoved them in his pocket. Lubb: "I need fresh air." he got up and searched. Lubb: "where are my keys?" Luks: "what keys?" Lubb: "my car keys!!" Luks: "kamandi uyandibona ndiqibo vasa izitya." Lubb: "they were right here!" Luks: "you sure?" Lubb: "Lukhanyo." he stared at him coldly. Luks: "yes?" he smiled. Lubb: "give me my keys." Luks: "I don't have your keys Lubabalo." Lubb: "sapha motwakho ke." Luks: "ayikho kum nje uyayaz nawe lonto. Just sit still and calm down." Lubby sat down sweating and shaking. Lukhanyo brought him a jug of cold water. Luks: "sela apha. It will keep you hydrated." Lubb: "I need to get to the chemist. My head is pounding." Luks: "ndinayo grandpa. And some sleeping pills. Iza." Lubb: "I can't ...breath." Luks: "no...Lubabalo! You are driving yourself into a grave hlobo oziphethe kakubi ngayo. When do you ever rest? Can you see you're sick? Mentally? It is affecting you and your work. Bra, you have to slow down." Lubb: "I just miss my babies so much Lukhanyo. I can't...I can't carry on and pretend its nothing when its everything! I can't replace my girls with the boys. Those are my princesses and I cannot.....I'm crashing Lukhanyo." he held his hands together. Luks: "babuya nin ukuza ngapha?" Lubb: "I dunno." Luks: "how about you get some sleep. And we'll figure something out tomorrow. Yeah? Sela lepilisi. it'll knock you right out." Lubb: "just wake me up at 7. I have a meeting with Jim at the Radisson." Luks: "its Saturday tomorrow." Lubb: "nyani?" Luks: "you have a meeting on Saturday?" Lubb: "it is the 8th right?" Luks: "it is a Saturday." Lubb: "oh well." he drank the pill. Luks: "if you want your kids around you, you need to organize your time. From Friday 15:30pm you are free until Monday 7:45am. That is the time you spend doing nothing but staring at, playing with, eating, watching TV, bathing and loving your kids." Lubb: "but I work on Saturd-" Luks: "did you not hear me say, organize?" Lubb: "okay. What do I do with my weekend meetings then?" Luks: "squeeze them in during the week. Move your appointments around. Be

available from 6am to 7pm each and every week day. We do the office work, you handle the meetings." Lubb: "and T.M.E?" Luks: "T.M.E has to find another fucking C.O.O. Your father can't use you forever." Lubb: "he needs me." Luks: "and so do your kids...okay? If you want them to grow up happy, you'll put them first." Lubb: "ok...ay." he was getting drowsy. Lubb: "Lutha....he looks like you." Luks: "I know." he smiled. Luks: "its a bittersweet moment. I don't want his mother to look at him and see me. It hurts, even as much as she shuts it out, its because it hurts. At the same time, I want him to look like me, I want to mould a better version of me. A great version. A gentleman, a legit man. Since the 2 of us failed dismally." Lubb: "th....ree." Luks: "oh yes...3." Lubb: "forgot?" Luks: "unregistered." Lubby giggled. Lubb: "funny." Luks: "its just...he's distant. Well not physically. Argg Nx, ndidikiwe man kukhumsha ngoku uyandiva mos. Man ingathi uyazifihla yena. Like uyaziba. He keeps to himself." Lubb: "you..." Luks: "me? yes I do keep to myself kodwa andifihli." Lubb: "lies. Fihla....everything...even bvd yam. Fihlwa nguwe.." Luks: "hahaha! Mxim. Uphambene ke wena. Lala, we'll talk tomorrow." Lubb: "don'go...." Luks: "ndizothin ke ndihlale apha ecamkwakho?" Lubb: "hm." Luks: "okay. Kukho umntu emnyango. Mandiqale kuye ndiyeza." Lubb: "take off your shoes." Luks: "ngoba?" Lubb: "insurance." Luks: "hehehehee! Hayi mk. Sendincedile Ndise ndlinam akhomntu uzaw'ndibuza inxebha lecephe." he took off his shoes and went to the front door. Luks: "Soma? What are you doing here?" Soso: "haibo. I thought we got past this stage." Luks: "huh?" Soso: "Soso bra!" Luks: "Oh! Niske nifane kaloku, your voice, your smell, why unuka nje ngaye?" Soso: "I was at his place. Besikwi disagreement. He chased me. With his cologne. And now ndinuka nje ngaye." he sat down. Soso: "uhm...I won't be long. Zoleka undilindile. I did a follow up on lihle's account. Her movements." Luks: "and?" Soso: "they don't add up." Luks: "how?" Soso: "Lukhanyo...she's visited your father more than once in jail." Luks: "but that's not possible. Tata akafuni mntu ayombona etrongweni." Soso: "she was the only one allowed." Luks: "what are you....Sonwabise uzama ukuthini mfondin? Why would she....." Soso: "I don't know. All I figured out is, after her second visit...her account received round about 2 bars. Which she invested most of it enye wathenga imoto." Luks: "and the house?" Soso: "no, not the house. That belongs to the doctor." Luks: "ivelaphi Le 2 million Sonwabise?" Soso: "I can't trace it back to the original account. Its been bounced around so many times, I don't know where to start." Luks: "but the account that transferred the money to her! That's where you start!" Soso: "ivaliwe la account Lukhanyo. I can't access anything!" Luks: "fuck!!!" Lubb: "khanyyyo.." he groaned from the bedroom. Luks: "my father is behind this! He is luring her into this dirty mindset and corrupting her into our family! He's doing this on purpose!!

Destroying her life! He is not fucking serious!" Soso: "calm Dow-" Luks: "calm down?? I can't calm down!! No but utata is taking it too far!! If uyakwazi uyo target uLihle, that means he'll do this to Chuma and Luthando too! Ubafundisa nton abantwana bam??? ubugintsa?! Like hell!!" Soso: "listen, you know what I did is illegal. You need to calm the fuck down and think this through. Thetha noLihle, ask her properly what's going on." Luks: "she's not talking to me. Matter of fact, I'm mentally dead to her and her to me. There's nothing I'm going to ask. If ufuna uyobhantinta. Ifuna yena naleyo. It'll give me plus minus 10 years with my kids." Soso: "Lukhanyo, imagine if Lihle does go to jail.....you get the kids.....you have full access....you're a working father....their grandfather will be around them whether you like it or not. He will be there. Teaching them how to dodge bullets.....how to load bullets....how to shoot bullets.... He will be there every step of the way. Is that what you want? Ufuna abantwana bakho bakhule bebona obubomi ungasobe usuke wena kubo? What about your daughter? She will need her mother through a lot of things. Explain menstruation. Explain first loves. Explain sex. To your daughter... I know you'll prosper in teaching your kids right from wrong, but they need umamabo too. Suba selfish. Stop being stubborn. Swallow your motherfucking pride and talk to her." Luks: "she sent me to jail for shooting her!" Soso: "you were the last person to threaten her life! There is evidence! Voice messages left from your number! She didn't say it was you. The lawyers and police did. The moment she was fit enough, she dropped the charges because she knows it wasn't you! Kuthen ungakhe uvule ingqondo yakho nje?" Luks: "andimazi uhlala phi." Soso: "ask uLubby!" Luks: "Lubby ulele." Soso: "keep making excuses Lukhanyo. Just go on." he walked out the door...

Chapter 784

I sat in the quiet, dimly lit room. My kids were fast asleep. I was on the rocking chair with my eyes swollen watching over them like a hen. I don't know why I was crying but I was crying. I cried for the part I wasn't there for my kids when they needed me. When whoever the hell was in that house was beating my son. I cried for my daughter having to seeing her brother in that state. And for my youngest son who wasn't able to describe kubhlungu phi xa ekhala. Now that they're home. It felt so much safer but still hurt as hell. They were sleeping as though basele iyeza lolala. Luthando was snoring. I'd repositioned him four times already andiyazi ke noba use right or not. Lubambo wasn't up for his milk yet and it was odd. Luhle was holding

onto her pillow and teddy. This was home. No matter what Remy did with whoever he did it with. I wouldn't care because...I had a home. I was lying to myself. I did care. I cared because I didn't feel like losing yet again. Is it because I'm not sexing him? Or is he still fucking his interns like B said? But how would Lubby know? And why would he be so mad if it weren't true? He literally stormed out of my house like Hurricane sandy. Yes I told him to but why didn't he fight me? Why didn't he argue his point? My thoughts were interrupted by a knock on the door elounge. Well, well....I guess he came to his senses. We could finally sit and talk like adults. I got up and went to the door. Bendinayo indawana ehappy that he came back. I needed the company noba yi 2 minutes. I opened the door and he stared at me. Luks: "I'm not here for you." the stamina was drained from me nge strainer. The last person I needed to see me like this. Because fuck it, I looked like shit at this point. Me: "balele abantwana. You're not allowed here." Luks: "I'm here to talk. About abantwana." Me: "its lam. Ayikwazi ulinda lento up until at least around 10 ksasa? I'm struggling to sleep." Luks: "I won't be long." Me: "thetha." Luks: "andizongena kengoku ?" Me: "what do you want here Lukhanyo!" Luks: "I want you to stop gambling with your life and putting our kids' future in danger!" Me: "you're a fine piece of art yazi? The type nobody wants in their home. They just look at you and pity you. YOU are who puts our kids in danger! Mr I'm-gonna-quit-this-life-if-you-have-my-kids!" Luks: "you made that very difficult for me! You were high maintenance! You wanted this expensive life with its fucking risks! Ubufuna Lihle uqhuba i-Benz! I did not have a choice!" Me: "so now its my fault??? Its all me?" Luks: "damn right it is! That's all you know! Running around rich men and living the life. This one even bought you a house and all of a sudden ucimba you're independent? On whose money? On what hard work? That back must be really tired neh?" I didn't. And I couldn't. I couldn't reply to him because I swear to God I would have killed him on the spot. But it hurt. I couldn't help the tears but they weren't going to show me being weak. Me: "get out of my house." I asked as calmly as I possibly could. Luks: "the only reason I'm here is for those kids." Me: "Lukhanyo." I curved my hand onto the vase holding it steadily. Luks: "Lihle." Me: "I asked you politely to get. Out. Of. My house." Luks: "why are you so selfish? Stubborn? I'm trying to-" I threw the vase at him full force. He shielded his face with his arms and it cracked on him. Luks: "what the hell!!!" Me: "I said..." I held another one. He grabbed my arms shaking me violently. I pushed and kicked but he held me tight until I stopped. I stared at him. With so much hate. I just wanted to tear him apart! What did I ever see in this piece of.... Luks: "what did he do to you." Me: "ndiyeke Lukhanyo." Luks: "Lihle." I hated feeling so exposed. I couldn't hide face, wipe my tears, nothing ! Me: "just leave me alone!" Luks: "I know." Me:

"what the hell do you know!!!" Luks: "I know who shot you...ndicela undixolele Lihle..."

Chapter 785

Me: "why Lukhanyo? Just tell me why." Luks: "I don't know." Me: "sundenza isbhanxa! You know! Why did your girlfriend try to murder me!" Luks: "EX! Lihle I don't know what Dumisa is thinking! I don't know where she is! I just don't fucking know!" Me: "she tried to kill our son! If awundikathalele ke mna, uthini ngonyana wakho. How the hell did she get out of jail and WHY!!" Luks: "Lihle, please." Me: "stop it!" Luks: "suthetha nam ingathi ndisi sdenge man!!!" Me: "usiso mos isidenge!!! Here you are calling yourself a hardcore gangster yet you can't even find your own ex girlfriend!" Luks: "mxim!" Me: "damn right mxi-" Luks: "khawuvale umlomo Lihle uyangxola-" Me: "endlin kabani sdenge?" Luks: "Lihle!!" Me: "Sdenge!!" Luks: "what is wrong with you!!!!!" he screamed. Me: "you are what's wrong with me." Luks: "you are so bitter! Yonke nje into enam uyayilwa!! Can't you think about abantwana ukhe uvale umlomo lo wakho!" Me: "abantwana aba ngabaka ban perhaps?" Luks: "they're mine too!" Me: "I'm done arguing with you, get out of my house." Luks: "uyanya." I pushed him and he stood still as rock. I still pushed and kicked. Luks: "I'm not going anywhere!" Me: "in who's fucking house!" Luks: "yeyaka Remy!! Nguye ozazondikhupha apha Lihle! Not you." I took my phone and he slapped it out my hand yayowa phantsi. Ndaske ndatyhafa. Me: "Seriously?" Luks: "as hell." I pushed him again. Luks: "khawume man!" he grabbed me still. Luhle: "mama." she rubbed her eyes. Luhle: "enza ntoni ?" Luks: "hey angel. Iza kutatakho." how did she get off the bed? I ran to the bedroom to check on the boys and they were still asleep. I went back to the kitchen. Lukhanyo was sitting in the lounge with Luhle bencokola. She kept giggling in his chest. Luhle: "hayi man Tata." it was really late but then she was already awake. Oh nkosi yam bendibawela umxhela lona ubhuti but Lord knows I cannot. There's jail. There's my conscience. But jail was more realistic. I didn't want to go there. How does he know where I live? Because Lubby ndimcelile ngelihle angamxeleli. Luks: "awumva umntana ekubiza?" they both looked at me. Luhle: "hlalapha mama." Me: "if you try anything. I will stab you while she's asleep." Luks: "stop making me blush." yangathi ndingayoyithatha lemela. I sat down next to them. Luhle: "nana yothatha uEbby siyeza ke ne? Ungahambi Tata." Luks: "nguban uEbby?" Luhle: "ima." she got off him and ran to her room. Luks: "ndicela ulighta fire place? Its cold." Me: "you're not staying that long." Luks: "ingenaphi lonto?" as he stood up to light the fire. Luhle came back erhuqa i-toy set yakhe. Sweet Jesus. She took out all

So can I take her with?" Me: "hell no! Ngeli xesha? What were you thinking wena ukuza apha at this time!" Luks: "how can you just block me out of your life kodwa sinabantwana! What example is that setting?" Me: "I didn't block you! I wanted nothing to do with you!" Luks: "wanted? So you feel differently now?" Me: "no!!!" Luks: "but Lihle bendizokwazi njani mna Dumisa uleqa wena? I'm staying away from wena and your relationship as you wish, so I'm not going to know everything." Me: "you swore at me, insulted me, ngozama uprotector abantwana bethu. I didn't know what else to do, you want to take my children away from me and I can't survive that Lukhanyo." Luks: "nam mos Lihle andifuni uba away from abantwana bam, but now I'm starting to understand and adapt. Bekutheni zungathethi nam waske wafaka ooLubabalo abagulayo kwinto zethu?" Luks: "uyaxoka uyandithanda wena and you're worried you'll make a mistake." he sipped the beverage. Me: "sundidika Lukhanyo." Luks: "uxolo. Ndiyekile ke." he kissed his daughter. She smiled shyly. Luks: "awusafani nomamakho. Qha yena Uske wamb'ana." Luhle: "mhle mama ka nana." Luks: "kutsho bani?" she hid her face. Luks: "Iza....kutsho bani?" Luhle: "utsho Tata." Luks: "hahahaha! Uyageza." Luks: "ufuna ndihlal-" Me: "I was being sarcastic. Sdenge." he chased me across the living room ndataka ukuya ngase kitchen and grabbed a knife. Luks: "ndisezaku khaba bonanje uyojika eKnysna nge ntsula uyeva?" I couldn't help but laugh. Me: "hamba Lukhanyo." Luks: "nxx!" Me: "phuma Lukhanyo!" Luks: "uzaw'ndilinde ndide ndifune. Khagalele amanzi pha ndi dizzy." he held on the kitchen counter breathing heavily. I dropped the knife looking for a glass and stood by the sink pouring water. Me: "ndingakwazi ukuba ubusiyaphi ngelixesha bunoxhozula uqhuba uzayithin lonto wena nesgulo sakho esaziwa nguwe wedwa! Tshin thiza. Ndiyoku faka idrip mna ndiyixhome cingweni ndik'xelele." I turned around and gasped in shock. He was standing right behind me this fake bastard! Luks: "uthi kuthen?" he moved closer. I noticed the knife was in his hand. Me: "you're gonna kill me now? In my own home?" I was backed onto the sink and cupboard. He was right in front of me the knife on my waist. Luks: "I might..." he breathed. My heart raced. Ibikrazuka as a matter of fact I could feel my eyes pricking with tears. Me: "Lukhanyo.." Luks: "that's not going to work now. Ndiyekile ukuba sisdenge? Huh?" he licked his lips. Luks: "uyandidelela wena. You keep forgetting who the hell I am. Every once in a while.....remember this." the knife moved gently across my belly Luks: "usengu mama wabantwana. Bam. Decisions involving these kids, we make them together, when I want to see them, I will notify you ndizobalanda when you approve. If you don't, give a valid reason. Its that simple. Eyaka Dumisa indaba I will deal with. She will not hurt the kids.....or you." Me: "are you threatening me?" Luks: "seemingly yiyo yodwa indlela ondiva ngayo." he dropped the knife on the floor looking at me. Me: "heard you loud and clear." Luks: "I'll be here at 10 tomorrow for abantwana." he backed away slowly and walked out the house.

I barely slept. I got out of bed around 6am and went to tidy the lounge, ndayovasa then cleaned the house spotless. Lubambo woke up and for the first time ever, he finished a night! He'd slept through the whole night! Okay, this was a little big moment for him, kuba uthanda uhoywa but at this minute he was really grumpy. I sang for him and danced endinika la look yoba 'uqiba nin?' Me: "xolo ke king yam encinci, you know what? Ndizokwenzela papa ke utye uzovasa." I could've sworn he wanted to roll his eyes. So ndamyeka phantsi ke to make his his food ndabuya ndamtyisa and eventually he started chatting. Oh, ebelambile mos. He sucked on his milk ndambhodlisa afterwards then went to bath him wanxiba baby blue shorts, white socks and a white vest and t shirt. The twins were up. I fed them, bathed them and dressed them. Lutha: "mama, mna Thanda Le." he pointed at his sandal. Me:

"ooh, nam ndiyay'thanda my boy, its so nice yazi. Neyakho Luhle, oh my! Abase bahle abantwana baka mama!" Luhle: "eka Bambi yona?" Me: "Yuh Yuh Yuh! Bambi! Uthengelwa ngubani ? Hayi sana abantwana." a knock on the door disturbed us. I went to open. Lukhanyo Mzinyathi. Dressed in all black. Shorts, sneakerboots, cap and t shirt. Lutha: "Tata!!!!" he ran to him. Luks: "oh man!!" he grabbed and tossed him in the air catching him again. Luks: "ubumkhumbula uTata?" Lutha: "ewe." Luks: "Luhle?" Luhle: "ello!" she waved eme apha ecamkwam." Luks: "uphi uLubambo Mzinyathi?" Me: "nankuya on his mat." he was lying on his side chewing his rubber toy. Luks: "zi ready nto zabo? Bazobuya Sunday." Me: "yes." I gave him the bags. Luks: "okay. Let go!" he took the baby and they all went to the car. Luks: "plans?" Me: "no..." Luks: "shame. See you later then." he got in the car and drove off. 😊:) that way he will not disturb me. I took out my books and started studying...

Sibongile woke up to the smell of breakfast. She took her phone checking for messages. Only one from Nathi. It read: "if you're going to keep treating me like shit then you should just tell me to move on. You can't just chop and change who you want to be with for the week and cut the other off. Noko S bongile that's unfair. If you want me to make things easy for you then sho, I'm out the picture. I love you, and I love the baby. Kodwa if you feel that you want Sbu, I wish you the best. I'll always be here for you, but right now....I cannot be going through this." she swallowed hard. Nathi was the last person she wanted to get rid of, and Sbu too. Why couldn't he understand? Sbu: "baby.." he walked in with a tray. See? Breakfast in bed....everyday. Sbu: "naku kutya, ninjani?" he hopped on the bed next to her rubbing the belly. Sbosh: "hayi ke sbu nditye njani?" Sbu: "xolo ke mntu wam. I just miss him already." Sbosh: "its not a him." Sbu: "did you ask the doctor?" Sbosh: "I didn't have to." Sbu: "ndingambuza today?" Sbosh: "no!" Sbu: "but baby. And enkosi, can I eat?" Sbu: "okay baby." when she finished her breakfast, he went to wash the plate. Her mind was elsewhere. With Nathi. She took her phone and called him. Eventually Nathi answers. Nathi: "yes?" Sbosh: "hi." Nathi: "hi." she felt a nudge in her tummy so hard she gasped. Nathi: "yintoni?" Sbosh: "nothing." Nathi: "you called." Sbosh: "we...I..just wanted to hear your voice. She kicks everytime ndithetha nawe." Nathi: "iyandibulala lento uyenzayo Sibongile. I can't keep on being part time dad. Uyayazi ndiyamthanda u-Sibo-nathi kodwa you are breaking me down." Sbosh: "I am sorry." Nathi: "andisayazi anymore mna. I can't." Sbosh: "ufuna ndithini Nathi? What do you want me to do?" Nathi: "I want you to treat me better. I get that une hormones and everything, I read the books but I can't make you happy no matter what I do. I run

around like a headless chicken, break my back over, love you, fight for you, man, I'm losing myself, loving you. That on its own isn't normal. maybe we should just go back to normal. I want to be involved in the pregnancy, until you give birth, test the baby, if its mine, great. If not, I back away. Qha." Sbosh: "how do you want to be involved? You can't carry this baby!" Nathi: "I can't carry the baby but I can calm her down, I can rub your feet, I can massage you, listen to you moan and complain, share your cravings, and I can be there for you. Awuyifuni Yonke lonto wena! I touch you once you chew my head off, I don't touch you, scream ba mna I don't want you anymore, I try everything, but you shut me down." Sbosh: "can we talk about this later?" Nathi: "I'm working all day. I can't." Sbosh: "its Saturday." Nathi: "I own a bar too remember? Funeke ndi-stockile, do the books and fix a few things before kuqalise Ufika abantu." Sbosh: "I'll come." Sbu entered the room. Nathi: "Sibongile, you cant-" Sbosh: "I'll be there in about 2 hours. Thanks." she hung up. Sbu: "who is it babe?" Sbosh: "nguLihle. She needs help with the kids." Sbu: "ooh! Ndingaza nam? She has a baby boy right? I can practice on him." Sbosh: "no you can't. Babies are not experiments Sbu. Besides, its a girls day." Sbu: "I can baby sit." Sbosh: "we'll be okay." Sbu: "okay ke. I'll just stay here." Sbosh: "awubawel uyokhangela friends zakho?" Sbosh: "alright." she got up to take a shower. Sbu: "do you need help baby?" Sbosh: "no!" Sbu: "okay. I'll wait here ke." she showered and went to get dressed. Sbu: "uzobuya namhlanje?" Sbosh: "no love I'm sleeping over. Is that okay?" Sbu: "yeah its fine. Have fun." she packed a small bag after she got dressed. Sbu: "you look beautiful." Sbosh: "sundibhanxa." Sbu: "serious. Umhle nyani. I.....you just look amazing." Sbosh: "nyani?" Sbu: "very nyani babes. Very nyani." she giggled. Sbu: "I miss that laugh bonanje. Sbosh: "no baby, just in case you want to go out with your friends." Sbu: "I won't. But its fine. Awuyifuni lift?" Sbosh: "Sbu, why are you being fussy?" Sbu: "xolo babe." Sbosh: "ndiyaphuma kengoku nhe? Try and calm down, uyobukela soccer yakho." Sbu: "okay. Bye." Sbosh: "goodbye babes." Sbu: "I love you." Sbosh: "I love you too." she walked out with her bag to the bus stop and got a taxi to town. As she got there she called Nathi. Sbosh: "Ndise terminus." Nathi: "Sibongile. You should've told me ndizok'landa." Sbosh: "ndim lo kaloku. Where are you?" Nathi: "linda apho ndiyeza." he hung up. Nathi: "Flo, can you look after the bar for a second I'll be back." he said as he rushed out to his car. He drove to Terminus as quick as possible and found Sbosh waiting for him. She climbed into the

car. Nathi: "hey." as he drove back. Sbosh: "hey." he stopped at the robots. Sbosh: "forgetting someone?" he reached out to her belly and was greeted with multiple shoves on his hand. Nathi: "molo nawe. Why are you so aggressive today? Hey princess ka Tata?" Sbosh: "ebekukhumbula." Nathi: "me too." he drove the car again. Nathi: "There's some work I need to finish at the bar kqala before we chill. So if awu mind ndicela siqale pha." Sbosh: "okay." Nathi: "what is it?" Sbosh: "nothing." Nathi: "lambile?" Sbosh: "yes." Nathi: "ngoku intloni zezantoni? Is there anything specific you want?" Sbosh: "just chicken. And veges." Nathi: "uzoba right uSpar?" Sbosh: "ewe." they drove to Spar and bought the food. Nathi: "ndicela undixelele Sbongile ufuna ndithini? What do you want from me exactly." Sbosh: "Nathi, I've never been so confused in my life." Nathi: "but you do know noba uconfused I won't be able to stay and hope for the best." Sbosh: "I know." Nathi's phone rang. Nathi: "love?" he answered. "tanci, can you please come take me out of my misery! Utata umnkile uye emsebenzini. I don't know when he'll be back." Nathi: "mntanam, uzophuma, he'll be there soon. Mna Ndise busy kancinci." Nathi: "Sibongile, if I were the one running about with two women, you would have left me. Simple. I'm asking you to make a decision, because I am in love with you. If ayindim omfunayo, then its fine I'll move on. But if it is, why are you treating me like this?" Sbosh: "I do love you Nathi." Nathi: "but.." Sbosh: "Sbu is fragile. If I just leave him.....we live together....its already a routine..." Nathi: "then hlala ke ku Sbu. Qha. Iphele into ibithethwa." Sbosh: "Nath-" Nathi: "no, I'm not saying anything more to contribute to this conversation. Siqibile. We're going in there, to prepare my bar, because ufike ndisebenza. Luks: "Lihle." he held me in his arms. Me: "why did you leave me?" Luks: "andiphinde ndikushiye. Ndicel undixolele Zulu lam." I looked at him and he wiped my tears. Luks: "we can go as slow as you like. Kodwa okusalayo, ndifuna uba nawe ebomini bam. I want your support, I want your motivation." Me: "okay, I get it." I giggled. Me: "tsho nge English etsolo apha." Luks: "bekunyanzelekile." he kissed my cheek, and my lips. Luks: "ndiyakuthanda ke bonanje." Me: "I love you too." Luks: "nyani?" before I answered he scooped me up and spun me around. Luks: "ndicela ubuka kaloku." I dropped the gown on the floor and he gasped. Luks: "udlala kakubi kengoku." Me: "funeke ndinxibile nje." I wore my pants and vest. He turned me around and kissed me holding me against the wardrobe. His hand slipped into my pants. Me: "stop...." Luks: "kodwa awunxibanga panty." he whispered and kissed me again. His other hand was in my top. Me: "Lukhanyo..." Luks: "akho ne body." Me: "stop." Luks: "okay ke baby...siyekile." Me: "Susa isandla." Luks: "ngoku?" Me: "ewe tshini. It was just.....a dream. I looked at the phone ndingayazi noba ndicapkile or just sleepy. It was him. Mr Dream. Me: "hey-" Luks: "ndisendleleni ezayo ndizolanda izinto zoqubha zabantwana siye lwandle." Me: "uhm, okay." Luks: "usendlin Phof? Ingathi upitsekile nje?" Me: "ndilaphe ndlin." I got up for a quick shower and brushed my teeth then ran to wear my undies and track bottom and a vest. Then made the bed quickly and I heard a knock on the door. I went to open the door. Me: "hi." yeyi...I don't know what happened in my brain but I kind of just switched off. Luks: "ziphi nto zabantwana?" Me: "I...uhm-" Luks: "is he here?" he whispered. Me: "who?" Get it out of your mind, he's the enemy. You hate him. He is despicable and rude. Plus You have Remy. Luks: "Ugrand Phof?" he peeped back in the door. Me: "I'm good." Luks: "oh ok. Ndimnkile." and he left...

Me: "bye." I walked to the lounge when he walked out. Luks: "oh and lihle?" I looked up. Me: "hm." Luks: "I like your dress. It's pretty." And he left. I couldn't help but wonder why was he being so nice? I didn't trust it at all. There was something going on noba yintoni.

She was letting loose now, when it came to the kids phof, ebedlala nabo. Around 10 ebsuku, they went home, ndayolalisa abantwana. The message was still on my mind. My reply was just; 'goodnight.' He got into bed and held her stomach. Nathi: "please take care of my princess. She is the only reason I get up in the morning." Sbosh: "it doesn't have to be like this." Nathi: "you're in love with Sbu sbongile, it's so clear. I think it's best man, I get it." Sbosh: "I still want us to be friends." Nathi: "fine. Nizoty ntoni?" Sbosh: "that chicken from Spar. "deeper baby.." He moved slow, opening her legs kissing her body. Sbosh: "Nathi! Faster baby please..!" he pulled it out and sucked her breasts. Sbosh: "Nathi please!!" She moaned. He entered one more time and rode her body, fast inner strokes holding her leg up. Sbosh: "yes! Baby!" He pulled her leg over to the other side so she was faced down, and he went in deep. She screamed grabbing on to the sheets. Sbosh: "Nathi!!" He was holding her waist grinding into her. Sbosh: "baby, I'm cuming! Nathi! Don't..... baby..... don't stopppp!!" He dove faster she screamed and her body shook in orgasm. He stopped. She flopped on the bed. Sbosh: "qibezela baby." Nathi: "you okay?" She nodded. He got on top and made love to her slowly, His waist swayed from side to side. His lips tenderly kissing her skin. His hand in her hair. Nathi: "sbongile.." He murmured. Sbosh: "yes baby?" He held her closer and climaxed. Nathi: "aaaah! Ohhhh baby! Damn it!" He clung on to her. Sbosh: "baby?" He got up and went in the bathroom turning on the shower and locked the door. Chapter 787

I was running late. I had school to get to and Luthando was refusing to get dressed eleqwa ngu Luhle. Lubambo ngapha ebeqonqa icephe on the cupboard door. I tried calling the nanny azobajonga but she wasn't answering. I called Lukhanyo and he answered. Luks: "yes?" Me: "I need to go to school le girl ayikafiki, she's not answering her phone, I'm late-" Luks: "calm down, mamela I'm going to a meeting in 10 minutes-" Me: "Lukhanyo, you said if i needed anything, i must tell you. I need help. Ndiyabhala ngomso, i have to be ready." He sighed. Luks: "okay ke, ndiyeza." He hung up. I went to get dressed. The weather outside was a bit wet and I was thankful. I wore my white polo neck and jeans and a black knee high boot. I looked for a jacket.

Furiously and I don't understand where it was because ibilapha just last week. Khona uphi uMandy? Maybe she borrowed it. So i searched for another one ndaske ndafumana le ye fur. This was not happening. I scratched for my black Leather jacket ndayifumana. I had to change the white polo to a black one. Dont ask me why, i just had to. I was done in a few minutes and now Lukhanyo wasn't arriving. There goes my first lecture. Me: "Lubambo!!" He stopped and stared at me. Wasitsho iskhalo. Luhle: "ha.a mama. Yakhala Bambi ka Tata." It was no use taking out my stress on them, ndinoske ndixole qha andiyi nowhere. I picked him up and rubbed his back. Me: "uxolo mntanam. Why are you making such a noise kwakusasa though? Im Sorry. Mama still loves you." Lutha: "lav yu mama." Umona ke. Me: "I love you too my baby boy. Nawe Luhle I love you my Angel." Lutha: "Nam ne mama?" Me: "nawe my love, ndiyakthanda." Luhle: "Tata ne mama?" Me: "awulambanga baby?" She shook her head. I knew that, batyiswe ndim but I was not about to be tricked into those questions. Luhle: "uphu Tata ka nana?" Me: "uyeza ngoku ngoku. Uzodlala noNana wakhe." Lutha: "mna hamba nomamam." Lord, please help. Luhle: "bhabhayi kalo." Lutha: "sho kedin." Me: "hayi njani kaloku?" I heard a car outside. Thank goodness. Luks: "I'm here." He has always looked handsome in a suit. But today, hayi mtshanam. Uyihlabe yafa fi. Me: "uhm, I must get going. Enkosi." Luks: "good luck for your test." I just smiled and walked out. I get a taxi to campus sending a message to Remy about my ordeal. His reply: "why didn't you ask me?" So i had to explain what Lukhanyo had asked and he didn't get why. Instead his reply was "K". This wasn't a phone conversation, we would have to talk kakuhle sijongene and I had to find a way to block Lukhanyo's real fear because Remy won't completely understand still. At the same time, it was confidential. At this moment I already missed my kids, being at home with them instead made more sense then leaving for school, kodwa ke nalena was for their benefit and my own. I had to stay strong. I was almost done. I got to school, attended what was left of my day and took as much notes as possible. I couldn't stay out late to study with the mates. So later that day, I was going straight home. Ndifike around 6pm. I stood by the door. The kids were sitting down with Lukhanyo. Their eyes closed, hands held together. Luks: "we thank you Lord for the family you've given us, the bond that binds us together through the good times and bad, the blessings you shower us with each day and the gift of life. I ask you to protection my family, at all times, guide them into a clear path, for them to prosper into a world of honesty, discipline and peace. Stay In their hearts Almighty, and protect their mother, provide her with the strength which has thus far not to give up and to keep on moving. In Your Holy name, Amen." Luhle: "emen Tata! Whhoooo!!" She clapped her hands excitedly. Luks: "kuske kuthini uvuye kangaka? Uzobangu

nocawa mntanam?" Luhle: "ha.a, naku mama!" Wataka Luthando and ran to me. Me: "hello!" I grabbed him and hugged him. Luks: "awusemncede." Me: "you cooked?" Luks: "bebelambile." Me: "and your meeting?" Luks: "I canceled it." Now I felt really bad. Luks: "ndingabathatha ndihambe nabo if you still Need to study." Me: "no, we will manage just fine." Luks: "ndizozobathatha ksasa at 7. Lubabalo found them a creche. So i can actually take them ngoku-" Me: "look, Lukhanyo. All day long, since I walked out that door. I was looking forward to coming back home ndibabone. I miss them. They will be ready in the morning." Luks: "bab- Lihle I know that. Ndingela wen, uyabhala ngomso, and I'm sure you got new material to go through tonight. You don't have to act tough. Admit when you need help. That's why I'm here." At that moment I just broke down in tears. I sat on the couch and sobbed. Luthando started crying too, eventually walandelwa ngu Luhle so I had to calm the fuck down. Luks: "is it something I said?" Me: "I can't cope Lukhanyo!! I can't tear myself between school and the kids, bazokhula abantwana bengayifumani attention enough from me! Luhle needs a mother, Luthando cries for me xandihamba! How do think that makes me feel! I can't focus. And you're here, you smell nice and dressed nice as always and you're annoying me because you're being so Damn nice! Now I can't even look Remy in the eye because I feel guilty that I still have these stupid feelings for you after everything you've done to hurt me! After everything I did to hurt you. I want to hate you so much. I don't want my children asking me about you, but they do. And that on its own makes me miss you. So stop being so nice! Be the monster that I know you are so that I can stay the hell away and never look back!" He stepped away and walked out the door.

Sibongile entered her home and found Sbu sitting by himself on the couch. Sbosh: "Sbu." Sbu: "how long has it been?" Sbosh: "a while." Sbu: "this is why bungafuni ndikukhapse, or let me help, and treat me like shit. It's because I'm shit Sibongile. That's what you see when you walk in that door, and when you walk out, to him!!!" He cried. Sbu: "undibona ndiyi kaka!" Sbosh: "Sbu, I don't-" Sbu: "thula Sibongile. If you want to leave, I don't give a fuck but you're gonna give birth to my son umshiye nam uhambe ke wena!" Sbosh: "what!" Sbu: "do you think I'm going to let him take the last of me? The last hope I have? Ninyile bonanje." Sbosh: "ukuba ayingowak-" Sbu: "ngowam lomntana Sibongile! It is mine, i feel him!" Sbosh: "Sbu," Sbu: "I am not crazy." He sobbed. Sbu: "I'm not. I swear. I just..... andikwazi... I can't let him have my family. Umntanam. No!! No Sibongile!" Chapter 788

Remy: "hello?" Nathi: "hi." He walked into the kitchen. Remy: "you've been in a very bad mood lately. What's up?" Nathi: "I fucked up." Remy: "she left you?" Nathi: "for real this time. Sibaqwe ngu Sbu. And she left me for him." Remy: "I'm sorry." Nathi: "it's okay. Just watch your step." Remy: "why?" Nathi: "if you wait too long. She'll go back." Remy: "Lihle isn't like that." Nathi: "have you seen her ex? Huh? That's the risk you wanna take?" Remy: "but.... she's not interested in him." Nathi: "you believe that?" Remy: "stop trying to manipulate my relationship Nkosinathi. My girlfriend is faithful, to me. I know she loves me." Nathi: "did she tell you that?" He bit his toast. Nathi: "just saying man, look out. Just find out where your relationship stands. Communicate. Being at work and providing a lifestyle shouldn't be the first priority. She is. You're at work a lot." Remy: "mxim." He took his coffee and went to the lounge. Nathi: "I'm sorry." Remy: "you're being bitter and that is very unlike you." Nathi: "like you drinking coffee? Why you stressed?" Remy: "I am not stressed." Nathi: "you're stressed. You always drink coffee when you're stressed." Remy: "I still can't figure out what's wrong with my daughter." Nathi: "if only you were stable." Remy: "she has her mother. And she doesn't care. I am a stable father." Nathi: "uzamthini ke? She's missing out on school Remy. Do something." Remy: "ndicinga umfunela apha eCollegiate." Nathi: "if you say so." Remy: "do you really think that lihle would go back to him?" Nathi: "Look at him. Do you want a shot in that coffee?" Remy drank his coffee. Remy: "no." Nathi: "I think you should." Remy: "I got to get to that school ngoku ksasa. She awake yet?" Nathi: "nope. It's already past 8. Make an appointment. I'll get you the number just now." Remy: "enkosi." He got up. Nathi: "where you going?" Remy: "to run an errand." Nathi: "but I run your errands." Remy: "this one is personal." Nathi: "about Lihle?" Remy: "can you find a new girlfriend quickly please sir? And leave me alone." He went up to shower...

After my test, I switched on my phone ndajonga messages zam. Two from Sbosh. One from Lukhanyo and one from Remy. I started with that order. 'Peto, Sbu is in hospital. Please come through.' I called her immediately. Me: "kwesiphi sbhedlele peto?" Sbosh: "sise Mercantile." I went straight to Mercantile hospital. I sent messages to her ndifuna direction to the room they were in and she directed me. In the passage, I stopped walking and stared ahead. What was he doing here? I walked slowly and he

looked my direction. Me: "lubby!" My heart smiled. Lubb: "hey sweet stuff. You look soo cute!" I hugged him. Lubb: "and by that I mean beautiful." Me: "unjani?" Lubb: "I'm well. You look well too." Me: "uzothini?" Lubb: "Sub is my friend." Me: "uhm, no he's not. Your twins fucked his sister remember? He doesn't like you." Lubb: "I am not them. He likes me, matter of fact, He would love to see me. And how do you know about that?" Me: "I just do. I'm sorry about the other night." Lubb: "I know. Me too. I wanted to come back but you were angry khandifune ubakwi space sakho." Me: "how's the girls?" Lubb: "they're great." Me: "babuya nini?" Lubb: "before my birthday." Me: "and the boy?" Lubb: "I see him everyday. Liya and i are working at this civil parents make good parents thing. Try it." Me: "doesn't work for me." Lubb: "you know what? Mandithule before I quote the whole bible." Me: "ewe. Thula." He smiled. Lubb: "how was the test?" Me: "I think I failed. I did bad." Lubb: "don't be so hard on yourself babe. You're going through a tough time." Me: "sometimes I feel like school is a waste of time." Lubb: "no it's not Lihle. Funeke unyamezele, it's worth it all. You're smart and uzoqiba soon. Suzihoya zonke elinye izinto, the kids are well taken care of." Me: "I know." Lubb: "can I ask something personal?" Me: "you're always ask personal questions, so yes." Lubb: "why were you visiting uZakes in prison?" This I did not expect. How the hell did he know? Lubb: "Lukhanyo Was concerned. He got people to find out uyifumanaphi mali yothenga indlu and a car. Kodwa indlu yabe ithengwe nguRemy, but the car though. Apparently its bought cash, i dont mean to be in your business but you're my friend and I'm concerned." Me: "Bra Zakes wanted to say hi, chatted about my dad, the kids. He felt as though, I was a bit abandoned." Lubb: "and the money? Thetha nam Lihle, I promise I would do anything to protect you. You just need to trust me." Me: "you swear?" Lubb: "I swear." He looked straight in my eye. Me: "he asked me to do him a favor." Lubb: "clean his money?" Me: "he said ndiyikhupha kwi account ka Zolani and he couldn't." Lubb: "he lied. That is drug money, uyenze ngokwakhe la account. And he paid you for this?" I nodded. Lubb: "ndizayilungisa, just be quiet, pretend you know nothing." Me: "uzokwenza ntoni?" Lubb: "you don't have to worry about that." We finally sat down on the chairs. Wafika uSbosh. Sbosh: "anisehleli man ingathi nilindelwe yiwashing endlin." Me: "peto ayikho lento uyenzayo, uphi uSbu?" Sbosh: "uSbu usahoyiwe mtshana, he just collapsed and fell. I think he had a heart attack." Me: "akho lonto wethu peto, Sbu isn't even that old." Lubb: "hayi shem uSub wethu. But he's going to be okay?" Sbosh: "hopefully. She looked away quickly. Something must have happened. Kodwa andingeni ndawo, ndixakwe zezam. We got to see Sbu finally and to my surprise ibingathi akenzekanga nto umntu. Sbu: "baby? Umvile ugqirha? Uthe ndiright mna ndinga goduka. So ke don't stress." Sbongile stared at him

unbelievably. Ndaske ndaxakwa. Sbosh: "baby, uziva njani?" Sbu : "andiyazi wethu love, don't even remember why ndilapha, kuthen ndilapha?" Sbosh: "uhm, you slipped and fell." Sbu: "oh? But I didn't break anything. So ndiright." Lubb: "thank God for that." Wajanyelwa nguSbu. Sbu: "ufuna ntonapha?" Lubb: "ubucimba uSbongile ebezok'xwaya njani emithi? Ubuzofika njani apha? I took a call outside ndabashiya bephoxana. Me: "hey babe?" Remy: "uphi?" Me: "I'm at the hospital." Remy: "uyintoni apho?" Why was he being so vulgar? Me: "kuthen uthetha nam olohlobo Remy?" Remy: "baby, ufuna nton sbhedlele?" I didn't like this turned off feeling. But I quickly brushed it off. Me: "Sbu is here, something happened and Sbosh asked me to come over." Remy: "ubuye nini? I wanted to come over and cook dinner for you and the minions." Me: "that's sweet, kodwa I might be a while." Remy: "I'll wait." Me: "are you sure?" Remy: "yes." Me: "okay ke. You have the spare key, I'll see you when I get home." Remy: "I love you." Me: "I love you too baby." Ndacima phone. Lubb: "do you..." I turned around to look at him. Lubb: "it's written all over your face, you know for a fact you don't have to be here." Me: "but I am, for my friend." Lubb: "bayagoduka ngoku. So i can give you a lift home?" Me: "Lukhanyo beyolanda abantwana at creche, ndiyonqena afike kukho Remy he already said akafuni ndi awte nabantwana." Lubb: "you want me to...?" Me: "I want you to keep your brother in one place." Sbosh: "hleli nje niyabana." She came from behind him. Lubb: "okay. Let's go." Me: "Sbosh, will you be okay?" Sbosh: "ewe peto enkosi, Sthera is on his way to fetch us." Me: "okay then. Good bye." I hugged her sahamba noLubby. Lubb: "ayikafiki moto?" Me: "not yet. I'll check on it later this week." I got in the car ndaziva ukudinwa. Lubb: "dinner?" Me: "maybe next time." Lubb: "hayi uyabaleka Remy sana. Ndine afraid mna." And he drove, As soon as I got home, I was welcomed by a lovely smell from the kitchen. But I had something to discuss with this man. Remy was standing there washing his hands. Me: "Remy." He turned to look at me. I was not fond of the look on his face. Me: "you okay?" He nodded. Remy: "baphi abantwana?" Me: "baku tatabo." Remy: "oh." He dried his hands and kind of stared. Me: "who is the person I'm supposed to be buying this house from?" Remy: "me." Me: "you bought this house? Or it was already yours?" Remy: why is that important? Your children have a home, you have a house, everyone's happy." Me: "the whole point was for me to buy my Damn self a house! Because I want nothin to do with anyone's assets! It is for me! To be independent for me! You keep quiet and do this knowing fully well what I'd said." Remy: "ndicela ungathethi nam olohlobo Lihle." Me : "oluphi uhlobo? Stop trying to change the subject, get me you're account

number Remy ndiyithenge kuwe lendlu ibeyeyam ngokwenyani. Because once you leave me, you're going to take your house with you, and I'm not going down that road again!" Remy: "why would I leave you? I don't understand why you don't believe in yourself, but trust me mna I believe in you. Akhonto izondenza ndikushiye. Not in this lifetime." Me: "Remy... what's going on?" Ndambona ukuba uphefumlela phezulu. Remy: "do you love me?" Me: "yes. Ndiyakthanda but you aggravate me in so many ways but I love you." Remy: "nam, I feel the same. Yet I don't mind it, I want you to aggravate me, but I also want you to stay being mine." Me: "okay, but I'm still buying this house from you." Remy: "uyakwazi ulityhafisa ixhego shame." He pulled me into his arms and kissed my lips. Remy: "I'll give you the papers. On one condition." His kisses traced to my neck and ear. Me: "am I going to regret it?" Remy: "never." Bendisozela kamnandi plus his smell was intoxicating. I just wanted to hold him close and never let him go. I was dumb to be even tempted by uLukhanyo. He was past. What had I been thinking? Crying like a baby phambi kwakhe wandishiya ndinjalo. Me: "I'll fall asleep before I hear your condition." Remy: "marry me."

Chapter 789

Lukhanyo sat in his lounge staring at his phone. It beeped a message immediately. "22." It read. He replied: "9?" Reply: "9." A new business venture with new coding to distract his brother. Lubb: "heeyyy!" He walked in the door. Luks: "finally. Kids are asleep. Ndiyabuya." Lubb: "wait hold the phone, uyaphi?" Luks: "just stuff. I'll be back." Lubb: "but I..." Lukhanyo was already starting the car and leaving. Lubb: "wanted to talk to you about something." But no one was there to hear. Lukhanyo drove to New Brighton from his house kwa Ford. It took just 3 minutes max. He parked and followed Stuja's direction. Stuja: "boss." Luks: "what's good." Stuja: "Sino 22 ozayo." Luks: "how much?" Stuja: "600k." Luks: "qha?" Stuja: "sichola phantsi boss. We've been out the game for too long." Luks: "make sure it's bloody quick silulamile." Stuja: "ugrand Ta?" Luks: "nah. Kukho something eshotayo. Luks: "khandifunele umama. Tell her we back in business."...

Asanda woke up during the night and looked at the empty bed. Her daughter was with her mother so she could focus on school and her pregnancy. But with Thando always out it became more unbearable. The front door opened and closed then locked. He stumbled into the bedroom taking off his clothes and shoes.

Asanda: "Thando." He stood still and stared at her in the darkness. Thando:

"mntwaamm." He slurred in a drunken tone. Asanda: "what the fuck?" Thando:

"uyaathuka beby." Asanda: "ulibonile ixesha ngubani! What's gotten into you."

Thando: "nguwe lo hleli uthukisa undingxolela okokokokoooooko. Thula nawe nam ndizozinza hlale aphe ndlin. Tshi." She held back her tears and slid back into bed.

Thando: "ndathanda man beby, qha wena utshintsha Thando soloko yangxola.

Thando kafuni mos xabana nomfazi wakhe. Hambe ke yena Thando." He got into bed.

Thando: "love you baby wam ne." He held her stomach. The next morning, he woke up with a pounding headache. Asanda was standing before him with a glass of water and pills. Asanda: "I'm moving back home." He stared at her. Thando: "what?"

Asanda: "undivile Thando, I can't do this anymore. You come home drunk, late and sleep. I haven't been with you properly for a Damn while! I forgot what you even smell like because hleli unuka utywala. Uthi bathini ngawe emsebenzini?" Thando: "is

"asiyithethi kengoku lento Asanda? You're just going to leave me?" Asanda: "kunini

voice at you. Hlala phantsi uyeke undingxolela sithethe kakuhle. Awuphumi

kulamnyango." Asanda: "we'll see about that." She took her bag and stomped to the

door. Thando got up and shut it closed before her. Thando: "ndithe awuyi ndawo

Asanda. I don't give a fuck if we miserable. We got to this point together. Now I will

be damned if we don't get through it. Kunyanzelekile kaloku. Asoze undishiye half

Asanda. There is no such thing. Akho space ngandawo. We have more than enough

room for you to walk around inside this house." Asanda: "Thando. I can't do this. I

never wanted to be a wife at 20." Thando: "I didn't want to make you Pregnant at 20

either. You deserve more than being left alone. You deserve me around for you and

our children. I promised you this, you changed me no other way any other girl has.

And zange ndibenayo ne doubt ukuba ndifuna uba nawe." Asanda: "you did." Thando:

"I was being stupid. Kodwa the moment you told me uphandle ebusuku. Carrying my baby, I just freaked the hell out. Baby, ndizohlala ndikuthanda no matter what. Even if we have 17 more kids, I don't care. I'm staying. And you're staying. This is our forever. Nobody else can fix it, but us. Okay? Suhamba baby. Please." Asanda: "please stop the drinking." Thando: "if you can stop the yelling. Gladly." Asanda: "I can't help it Thando you annoy me so much." Thando: "nangoku?" He pulled her and kissed her. Thando: "masiyolanda umntana wethu and drive somewhere." Asanda: "and work?" Thando: "work can wait. Ndizoyovasa for now. Call Them for me uthi I'm sick." Asanda: "I'm doing no such thing Thando. We have weekends for outings. You have to go to work." Thando: "love. Ndine bhabhalaza. I would rather hear my wife and baby talk all day than abantu bakula office. Call Them." He went to shower...

Sibongile woke up early in the morning to get ready for work after she finished showering and dressing, Sibusiso wakes up. Sbu : "baby? Uyaphi?" Sbosh: "hey. I'm getting ready for work." Sbu: "oh." He sat back disappointed. Sbosh: "I can't resign yet. I'm about to have a baby, ndizo resigner afterwards and I'm saving. So it can't just happen." Sbu: "but ndiyaphangela. I can support you. And our baby plus uChuma." Sbosh: "I know that but for my security I need to do this. Please." Sbu: "okay. Fine." Sbosh: "do you really not remember what happened?" Sbu: "I just can't. It's a blank empty space and i can't fill it in." Sbosh: "love?" Sbu: "hm?" She sat next to him. Sbosh: "you know that I love you very much." Sbu: "nyani?" Sbosh: "yeah. And andifuni ukhathazeke or uhlale kabhlungu. From now on I'll be more supportive and ndikuhoye." Sbu: "thanks baby. Ndikukhapse?" Sbosh: "the doctor said you should rest mntu wam. I'll try and come home early vha." Sbu: "okay. Love you too." She kissed him and walked out. Sbu picked up his phone and made a call. Sthera: "sho." Sbu: "uhleli?" Sthera: "ewe. Icimba ndiphambene le. Ndifuna undi organize'le something." Sthera: "wenzenton dan?" Sbu: "she's lying to me. Ubuyela k'la nja." Sthera: "ufuna uy'cisha nyani leway bra? Hayi kodwa Sbu ayinguwe lo. Ayifani nawe lonto." Sbu: "mfethu, andizokwenziwa sdenge mna. I'll pay whatever amount. Ndifunele umntu qha. Make it look like an accident." Sthera: "Okay"..

Chapter 790

" Your love unconditional, I'm not asking this of you. Girl, to make it last, I'll do whatever needs to be done. Cause I need somebody who will stand by me. When it's tough she won't run She will always, be right there for me.."

Lukhanyo woke up to a soft tune of boyz to men playing on the radio and one word came to mind. Lubabalo. He dragged himself out of bed to the bathroom and stared at himself in the mirror... "can you stand the rain..." the lyrics repeated. He clenched the sink closing his eyes for a few seconds. He washed his mouth and face turning on the shower. He went in standing under the spraying water. The tears officially emerged from his eyes. Rolling down one by one. Luks: "God, what have I done..." he thought. Luks: "what have I done..." his hands shook with the realization of the pain he'd been hiding so professionally. The heart ache. The betrayal. The apology. None of it was enough. He bended on both knees, holding onto the tile on the wall of his shower. Luks: "mama, if you can hear me, if you can see the pain that I've been through, if you can forgive me for hurting everyone I've loved and understand that I make mistakes, that I am human. I just need to hear your voice... I just need to hear you tell me you love me... noba ndiyintoni na mama. Ndicela uthanda nguwe wedwa. I can't do this anymore.. I can't take it. I can't look at my daughter and not think of her mother.. I can't look at my son ndikrazuke intliziyo at the fact that he looks so much like me... I don't want him to be me... andifuni afuze elixelegu lindim. Please... help me... ndincede mama..." he sobbed.. after a few minutes he switched off the shower and walked out. Taking out his clothes. Just black sweatpants and a black sweater with black sneakers. He walked out. Lubb : "hello, finally. Listen we're going to..... why aren't you stopping? Hey? ... I'm talking to you! Lukhanyo!" He walked to his car and drove off. The drive was quick and slowed down eventually climbing on the N2...

" When I need you I just close my eyes and I'm with you. And all that I so want to give you. Is only a heartbeat away When I need love I hold out my hand and I touch love I never knew there was so much love Keeping me warm night and day.. "

I sat in bed thinking of my kids and what they could be doing. Lukhanyo's phone was on voicemail... I don't know why it bothered me but it did. I got out of bed and walked around this empty house with only a few memories. When Remy left last night I felt like I'd failed him. I'd failed myself. Nobody can make that decision for me but I feel as though I'm incompetent to make it myself. I had been honest and that's what he appreciated most. Just pushing the knife deeper and proving what a great human he is. I went to my bathroom to brush my teeth and got into the bath. Something was missing... it felt insignificant but... it nerved me. I got up after my bath to decide what to wear. As I searched through the wardrobe. I got a call from my dealership. My car was ready. Finally. Although it didn't feel as exciting as I thought it would be. I missed something, was it a birthday? An anniversary? I checked the dates and nope. None of that. When I checked my phone again there was a message. Remy: 'I don't care what we go through, I'll always be by your side. No matter what.'

I continued getting dressing thinking of the best way to reply without lying and without misleading him. I was driving myself insane. I liked him alot. It's just.... I don't know. Like I forgot to close a drawer. Forgot to change the sheets. Forgot to fetch something. Speaking of fetching I needed to fetch my car I thought to myself as I fitted into my sky blue ankle grazer. I wore a white loose vest tucked in at my waist. I wore white sneakers and did my hair proper. Once I was done I took my things and walked out the house to catch a taxi to my dealership. When I got there my baby was waiting for me with a ribbon on her. A little piece of me was happy. I sat down and signed a few more papers. Going through the last things and i got my keys. I drove out the dealership back home. I made a call to siya who answered immediately. Siya:"hey." Me: "hey... can we meet up?" There was a silent pause then: "yeah sure. Where?" Me: "anywhere. Got a surprise for you." Siya: "hmm... do I get a hint?" Me: "no. Uphi?" Siya: "ndikwam." Me: "already?" Siya: "yep. Moved in izolo. Let's meet at News Cafe in 30." Me: "okay." I Hung up. I would take probably 30 minutes to get there anyway so i continued driving to the boardwalk. When i Got there I tried calling Lukhanyo again and finally gave up. I had to call lubabalo. Siya: "hey." He appeared. Siya: "you look lost." He pulled Me a chair and i sat down. Me: "woke up on the wrong side of bed." Siya: "why?" Me: "Unjani?" Siya: "talk to me." Me: "Remy asked me to marry him." Siya: "and... you said yes.....? Don't tell me you said no." Me: "I'm not ready." Siya: "how come?" Me: "I don't need a valid reason to be not ready." Siya: "Lihle. What's wrong?" Me:"I miss him. He's the one I've been missing all morning but I hate him so much Siya. I don't know what the hell to do." Siya: "look, it's normal to miss your ex, it's the process of moving on. You will heal and get over him. You're learning to live without him. It's a good thing." Me: "and what if I didn't try hard enough? What if I gave up too easily?" Siya: " Nobody said it would be easy. But Lihle you've endured so much in your life in the space you've met him. You deserve a Remy." Me: "and if he cheats? Naye ndiyambaleka?"Siya: "but he won't abuse or control you." Me:"yet." Siya:"Lihle. You need more than this shit in your life. You need to stand up for yourself. He is only using you for his own benefit."Me: "which is what?" Siya: "at least give Remy a chance. Please." I sighed. Me: "okay." Siya: "You deserve to be happy Lithembelihle. Your father would want that for You." My father. Yes he wanted me to be happy. And was I happy? No. Siya: "what is the surprise." I showed him my car keys. Siya: "ooh! This is sexy! You finally got it." Me: "yeah." Siya: "babe. Please sound a little more excited. This is you. Your first car, your second asset. Be happy!" I faked a huge smile. Siya: "you're fucking depressing me." Me: "you asked me to be happy." Siya: "go back to him." Me: "what? No!!" Siya: "please do. Because then, at least I'll be able to communicate with you properly without

guessing your emotion. If he fucks up, Again, which I'm sure he will. I will invite you again for Lunch and proceed to tell you that I told you. Over and over again." Me: "uphambene." I looked at my watch. Siya: "can we go to Jeffreys bay?" Me: "weekend boo. I need to focus on my final test and today ndiyolanda abantwana. So I'll need baby car seats." Siya: "lets eat and go." We waited for our food and ate. After that we took my car followed by his to Walmer park to buy baby seats. The last time I was here Buying car seats was with the twins, and Lukhanyo and we met Lubabalo. Another spine chilling memory. I cringed at the thought. This is probably why it could never work...

Chapter 791

Late in the evening I arrived at Lukhanyo's house. Knocking on the door. Lubby opened for me. This time without a smile. Just a look of fatigue and desperation. Me: "hey." Lubby: "hi." I walked in. Me: "what's wrong?" Lubb: "everything." he switched on the kettle. Lubb: "Lukhanyo isn't talking to anyone. I haven't been to work. Yonke nje into is falling apart." he made me tea. Me: "it can't be that bad man.." Lubb: "it is." as I took my cup his phone rang ndayohlala phantsi. Lubb: "are you sure?yes I'll try my best....stay put." he hung up. Lubb: "listen, I have to rush over kuLiya, Luyanda isn't well. I'll be back as soon as I'm sure he's okay." Me: "why singatixi apha, then I go home with the kids-" I was too late because he already grabbed his keys and dashed out. I went to the bedroom where the kids were sound asleep. So I sat there and watched them like a hawk. Just 2 years ago, everything was perfect in this very house. A loving family. No interference except for the career that dominated the household. All of that has changed. Just then I heard the front door open and a slow foot step. I stood up, panicking, looking around for a weapon and the only thing I could find in my babies' bedroom was a plastic baseball bat. Which I was pissed and more grateful again for. The foot steps moved closer to the bedroom and I started shaking. I held the bat tight, ready to beat the living soul out of whoever it was. I was in a dark room. I would be able to see them first. Finally he was standing a foot before the door frame. I waited. In a second I saw a shadow and a gun pointing at me plus the light switch on all at once. My heart skipped at least two beats because of the scare. Luks: "what are you doing?!" he whispered. Me: "nguwe lo unyonyobayo!! I was protecting the kids." Luks: "with a plastic bat?? I saw imoto phambi kwendlu yam, of Course ndizonyonyoba! Who's car is that!" Me: "mine! Do you mind!" he dropped the gun. Luks: "you scared me." Me: "oh? Really now?" I said sarcastically. Lubambo started to mumble and sob. Lukhanyo stared at me. I rushed over to him. Me: "Lubby

uthi awuthethi namntu. Why is that." Luks: "Lubby uno lwimi. What are you doing here." Me: "ndizolanda abantwana." he nodded. Lubambo was still restless kicking and crying. I handed him over to his dad. Luks: "and then?" Me: "he wants you." at first he seemed confused. Me: "what is wrong with you?" Luks: "nothing. Ina. I need to take a shower." Me: "Lukhanyo. Hold your child and look him in the eye." Luks: "I need-" Me: "LOOK AT HIM." he stared at me. Me: "he's in your arms not on my face." his eyes fell down and he stared at the boy who had his fist in a knot in his mouth sucking on a finger. Me: "talk to him." Luks: "Lihle." Me: "Lubambo." Luks: "ufuna ndithini Kuye!! Look at me! I'm a bloody mess! What the hell am I supposed to teach him!" Me: "how not to be a mess." I walked out the room to the kitchen. I was hungry in any case. When I looked in the cupboards, at least he bought grocery or whoever did. I started chopping the onion and frying it with strips of green, yellow and red peppers. Added mushrooms, vegetable spice and stirred. I took out the raw mealies and boiled them. I defrosted the meat seasoning it and putting on the oven. While I was still stirring Lukhanyo walked in the kitchen with Lubambo laying back on his big chest this time with his father's thumb in his mouth so he was hanging on. Luks: "ulambile." referring to the baby. Me: "then feed him." Luks: "I thought uyapheka." Me: "uLubambo uzoty umbhona?" he searched the cupboard for vegetable purity and a teaspoon. Luks: "ngoku ndizoty umbhona?" Me: "ufuna utya ntoni Lukhanyo?" Luks: "Yoh." he turned and walked away. Luks: "I'll do it myself." he mumbled. Me: "awuzothetha?" he turned to look at me. Luks: "why are you HERE, bullying me in my own house!" Me: "don't you dare raise your voice at me Lukhanyo Mzinyathi. I am not your child. Uzoty Ntoni?" Luks: "you're invading my space." Me: "seemingly someone has to xa ungafun nojonga abantwana bakho. Damn it Lukhanyo. Whatever it is that is eating you, sort it the hell out or talk to someone! Uzo-ku-tya Nto-Ni!!!" Luks: "ndifun ipapa." he looked very upset with his bottom lip puckered out and face in an endless frown. Me: "qha. Andiyazi yinton enzima apho. Hleli nje ufun dumbisa umlomo. You're on your own bhuti. Asizocengana nawe thina. Imagine." Luks: "Thula kaloku ndikuvile." Me: "ndizothula xakuthande mna." Luks: "mxim." I took out the mealie meal and started with the pap. Making wors and tomato gravy on the side. I put the meat I first seasoned in the oven, switched off my stirfry and checked the mealies. When I was done cooking before I dished up the twins woke up. Luhle was rubbing her eyes While walking. Lutha: "hamba ngapha aloku." he gently pushed her away from bumping into the wall. She got frustrated and wiggled herself off his grip. Luhle: "Tata." putting her head on his lap. Luks: "hello baby. Awulambanga?" Luhle: "e.e." Luks: "mama uyaphaka ne?" Me: "yes." I dished up their pap and wors. Lutha: "mama???" he ran to the kitchen and threw himself on my leg. Me: "molo nawe." I

kissed him. Lutha: "thatha mama. Thatha Lutha aloku." he pulled on me. Me: "ima baby, ndiqibe." Lutha: "hayi mama!!" Me: "haibo Luthando, what is it?" Lutha: "thatha!" I picked him up and placed him on my hip then he stopped crying. Me: "ndiphake njani kengoku boy?" Lutha: "funa kuja." I used one hand to dish and took the food to the lounge one by one. Luks: "Luthando. Iza. Izotyia." Lutha: "funa mamam." Luks: "kwedin. Ndithe izapha." Lutha: "hayi Tata." he quivered. Me: "myeke." Luks: "akasokolisi? Uzotyia njani?" Me: "I'll manage." I took Lutha's food first and fed him. Me: "so do you want to share what's wrong with you?" Luks: "nothing is wrong. I'm just tired." Me: "Yeah. I'm just stupid." Luks: "uright kalok." I finished feeding my son and ate my meal. Me: "you'll have to do the dishes ke. I'm leaving." Luks: "uzobuya zikulindle." he whispered. Me: "heh." I got the kids ready with a few of their things and we left.

Asanda woke up early in the morning. Thando: "you okay?" Asanda: "no. Ingathi....There's a pain.." Thando: "pain?" he dropped his tie and walked to her. Thando: "phi?" Asanda: "apha ezantsi." she winced in pain. Asanda: "Thando!" Thando: "phakama baby. I don't know." he pulled off the covers. Blood covered the sheet. He froze and stared at the red stains blurring the cries of his fiance. Asanda: "Thando do something!!" she screamed at him. He blinked away tears and pulled her up, walking to the car. The drive to hospital was the quickest longest drive of his life. Dreading the worst. At the entrance, two nurses rushed to them with a wheelchair. Nurse: "please wait here-" Thando: "is she going To be okay?" he asked as they rushed her and his unborn daughter away. Thando sat down on the chair, remembering he forgot his phone at home and the only number he knew was of his brother. Lungelo: "hello?" he answered. Thando: "I'm using phone yase sbhedlele." Lungelo: "what are you doing esbhedlele?" Thando: "Asanda. She's bleeding." Lungelo: "bleeding? Nikwesiphi sbhedlele?" Thando: "Greenacres." Lungelo: " I'm coming." he hung up. In a few minutes the nurse came to him. The look on her face said it all. Nurse: "its not looking good sir." Thando: "what's wrong?" Nurse: "that's what we're trying to figure out. The baby is struggling to get oxygen in." Thando sat down. Lungelo walked in, briefly talking to the nurse and sat down with his brother. Lungelo: "you okay?" Thando shook his head. Lungelo: "you need to stay strong Thando, Asanda is depending on you. You need to remind her that you love her. Pray for her." they sat quietly and waited. The nurse came back to inform them again after a while. Nurse: "Sir.." Thando: "is she okay?" Nurse: "I'm sorry to inform you.." Thando: "what is it?!!" Nurse: "I'm sorry sir, but the baby didn't make it." he looked down at the small white square tiles. Thando: "and ... My wife?" he wiped the tears with his wrist staring at the tiles still. Nurse: "your wife is losing a lot of blood. As much as the doctor's are trying

their best to stabilize her, she needs blood. If you can contact any of her relatives it would be much help." Lungelo: "okay." he took out his phone and called her mother. He called Zintle, his friends, theirs. Thando: "can I get started first? Tested for blood?" Nurse: "definitely." he left with the nurse. Lungelo sat and waited again spotting Lubabalo walk out with his son. Lungelo: "Lubby!" Lubb: "hi." Lungelo: "unqabile fondin." Lubb: "is that what they tell you?" Lungelo: "Lubabalo andizingeni indaba ezingandifuniyo. You know that." Lubb: "why are you here?" Lungelo: "Asanda, she had a miscarriage. So silinde family yakhe, to test blood. She's haemorrhaging." Lubb: "which blood type is she?" Lungelo: "nurse said she's looking for either an O or blood type B." Lubb: "oh. Lukhanyo is a B." Lungelo: "but you're his twin, nawe-" Lubb: "no honey. I can't donate blood. My iron is too low and the doctor said no." Lungelo: "then contact Lukhanyo Lubabalo, do you understand that sithetha ngobomi bomntu apha." Lubb: "okay. Nantsi ke number yakhe because akathethi nam." Lungelo: "Lubabalo. If you are any kind of human and have a heart, you will call your brother. And you will convince him to come." he stared at him dead in the eye. Lubb: "fine." he dialed the number and it rang to voicemail. Then again. But was cut off. Lubb: "should I try again?" Lungelo: "do whatever it takes." Thando came back with tears in his eyes. Lungelo: "no?" he shrugged and sat down. Lungelo: "Lubabalo." Lubb: "i'll be back just now."

I was making lunch for day care and playing with the twins. They were refusing to get dressed and ran around in circles. Me: "guys, wait...ima boy umama udiniwe." I huffed and puffed dramatically. Luhle came running to me. Helping with the puffing. Luhle: "colo mama." I grabbed her and put on her trousers while she laughed and laughed hysterically. Me: "there we go. Awusemhle sana." she modeled to the kitchen with her hand on her hip, blowing me a kiss. Me: "hahaa! Iza nobhuti wakho wethu." Lutha: "mama! Lubambo vukile." he jumped up and down. I went to check on the little one, he was the first to get ready but his bath quickly put him back to sleep, he wasn't being fussy at all. He just had one leg up pulling at his clothing, minding his own business so I decided to let him be. I finally caught Luthando and dressed him then let them play. I heard a knock on the door, wondering who it could be. Me: "come in." the door opened and Remy walked in. Remy: "hey." Me: "hi." the twins ran to him. Remy: "hello munchkins...my pikachu's.." he tickled them holding them both up. Lubambo bounced in his cot. Me: "Kuske kuthini ibeyi party nah xa Ufika." Remy: "I know right. I want us to go out today, sonke." Me: "why are you using Nathi's car?" Remy: "Porsche yam ikwi service, I took his Range, and he just couldn't wait to drive Audi yam." I smiled. Me: "they're going to day care actually. I'll take a shower quick. Ina." I gave him Lubambo. Remy: "okay." I went to go shower after the shower I took

out my clothes to proceed getting dressed. Me: "can you put in the seats so long?" Remy: "ndenza njalo." I took out a black ankle grazer feeling a bit dizzy. My black shirt did not fit me. I looked for something else. Remy: "you okay?" he stood behind me as I shuffled through my wardrobe. Remy: "baby?" Me: "I can't find anything to wear!" Remy: "relax love, ima ndincede." Me: "why!!" Remy: "because you need help." Me: "no, I mean why are you so nice. When are you going to fuck up, I need to know because the wait is frustrating me." Remy: "Lihle. Khandijonge." he pulled me to look at him. Remy: "ndimdala ndimngaka. I do not have the time to fuck anything up. I just want to love you and you keep pushing me away. I am not here to hurt you. Okay?" he hugged me. Me: "I don't know why I'm feeling like this Remy." Remy: "like what my love?" Me: "something is not right with me." Remy: "physically?" Me: "no...yes....I don't know." Remy: "talk to me." Me: "I like you...you're an amazing person. Its just that I feel I'm rushing too quick into another relationship. I have barely found myself yet or recuperated after my two emotionally draining break ups. I haven't made time for myself because I keep hiding with my studies and I haven't made time to be a parent to my children. A proper parent. Living every moment with them. I know you have good intentions but I haven't yet healed that's why I keep pushing you away. In a different time, you would be the perfect person, you already are. I just feel really overwhelmed at this point. All the time I spend being outside, I should be building myself and my kids. You don't deserve a broken woman Remy. You deserve better than that. " Remy: "I am glad that you were honest with me about this. I am glad you didn't take me for a ride and kept quiet. I'm sorry I rushed you." Me: "that's okay." Remy: "so what do we do now?" Me: "I don't know...friends?" Remy: "yes. Friends is fine." I hugged him. Remy: "now do you feel okay?" I nodded. Remy: "my first concern is your children, my second is, your well-being, my third concern is your comfortability. So if you're all okay, I'm okay." Me: "thank you." Remy: "wenzantoni namhlanje?" Me: "well, first of all ndisa ezi to school then I'm going to study." Remy: "alright. You will call me when you need me?" Me: "definitely." he kissed my forehead and walked out to the kids. I felt extremely bad for letting him go like that, right after he proposed. At the same time it wouldn't have been fair on him to deal with an emotionally broken woman. It wouldn't be fair on my children to keep them second. It was time I raised my royalty. The princess and her princes. I wore my black vest quick, Adidas sneakers and my watch. I walked out to the lounge. Me: "okay. Its mommy Uber time." Luhle: "yeeeeeh!!!" she screamed. I took their bags with Lubambo to the car. All their seats were in. I buckled them up, locking the house and drove to their day care. I left them in their classroom. Forgetting my existence they ran in, Lubambo was in my arms. I went to his care

giver to hand him over and I left. Caba kumandi eskolweni andifumani ne-goodbye kiss. Just before I reach my car. Lutha yells from the gate. Lutha: "mama!!" I looked back at him. He had the biggest smile on his face, holding on to the bars. Me: "yes my boy?" Lutha: "Luv yu mama." then ran back to class leaving me with sudden tears in my eyes.

In my rush to take my babies to school, I had forgotten to take my books because I'd planned to study at the library. Litshamba wethu because I had a very quiet empty house in my name. So again, I decided to just go home. But home would make me lazy, no no lady. You need some discipline now. You're grown, you hear? I laughed at myself for having to prep talk myself into studying. I wouldn't let lazy get the better of me. And so I parked my car and went to unlock my front door. To my surprise, or was it horror? It wasn't locked. This puzzled me because I could have sworn I locked it. Fuck! I did lock it, didn't I? Or Didn't I? No, man! What fuckery is this? I was a bit shaken. With Dumisa still on the loose like a worn out panty and Vince disappearing like a stain helped by Vanish washing powder, I did not know what to think... Maybe I was just imagining things. This is the 'Burbs. maybe Remy came back. Yes. Remy had a key. When I put one foot in the door, another thing clicked. If it was Remz, why isn't the car parked outside? Fuck it, I'm going in. I opened the door wide and stepped in my house. I stopped... "Finally." a voice bellowed from the lounge.

Chapter 792

Me: "who are you. What do you want." I asked calmly opening my kitchen drawer pulling out a knife. "nothing much, just a business conversation. I would appreciate it so much if you stopped looking for a weapon and join me this side. I made tea." in whose fucking house!! Me: "I don't have tea." "I thought as much, so I brought some..." what the..... I walked slowly toward the lounge. "I'm not armed." when I walked in the lounge, there he was sitting, truly drinking a cup of tea. Me: "what in the world!! You scared me! Ungene njani!!" it was Bra Zakes! At this point I could've slapped him. Zakes: "sorry dear, I have caught the Flu. Even the biggest lions get sick. Excuse the voice, Unjani? Uright?" Me: "I'm fine Tata." Zakes: "I see. Well, apart from everything else. Ndizobulisa wethu akhonto." Me: "I thought you were still..." Zakes: "I did tell you not to let anyone know ndiyaphuma." Me: "akhange ndixelele mntu." Zakes: "good. Ndizokubulela man nontombi, ngoncedo lwakho. Yonke nje into indihambele ngendlela, and I have you to thank. Andiyazi ngendiphi ngaphandle kwakho." Me: "its a pleasure Tata." Zakes: "if you ever find yourself in need of any

financial help or generally anything, you know where to find me." actually, I didn't, Truth be told, now that he's out of prison. Me: "ewe Tata." Zakes: "how's everything. Ubhutiza. Ugqirha. The kids." Me: "everyone is fine Tata. We're doing very well." Zakes: "usaphila umninawa wakhe?" he sipped his tea. What an odd question. Me: "yes. He's perfectly alive." Zakes: "hmm....interesting." he was so much more like his eldest son. So much more. Nothing like Lukhanyo, well probably only the business mind and intellect but everything else was the other two. Maybe Lukhanyo was his mother's son. The odd one. Me: "why do you ask?" Zakes: "kukho umntu ofuna umkhupha umphefumlo. Guess he stepped on the wrong toes." Me: "No, Tata. Nathi has never hurt a soul! Why would you wa-" Zakes: "ha! Sundifaka tu. I have nothing to do with this. inye endiyaziyo qha, and it is the fact I told you. What you do with the information is up to you." Me: "can you at least tell me who!" Zakes: "I wish I knew." I took my phone quickly dialing Remy's number, it rang to voicemail. Which is strange. I tried again. He didn't pick up. Zakes: "yintoni ngoku?" Me: "he's not answering." Zakes: "ubani?" I listened to the ringing sounds when it stopped, my heart leaped in faith hoping he would say 'hello' but instead it was the voicemail message again. Me: "something is wrong." Zakes: "Lihle, relax. Ndixelele kwenzeka ntoni." Me: "Remy, I need to find him." I tried calling Sbosh, her phone was on voicemail straight. By now I was dead panicking. My hands were shaking. Palms sweating. Zakes: "ngoba? Uno Nathi kulandawo akuyo." Me: "No!! He's driving his car and he looks like him!! Now he's not even answering his phone!" Zakes: "maybe umise e-garage and he went in to buy somethin-" Me: "or maybe your friend was successful bra Zakes!" I spat and rushed out to my car. I didn't know where I was going exactly but a good place would be where he worked. I tried calling again, this time the phone went straight to voicemail. My heart was racing at the possibilities of what could have happened and if he was okay. I got to Greenacres hospital and ran inside. "Lihle?" I spun around. Lukhanyo. Lubabalo. Lubb: "why are you sweating? Did Lungelo call you?" Me: "Lungelo? Why?" I tried putting together Lungelo and Remy and the sum didn't add up. Lubb: "well, Asanda. She had a miscarriage. Now she's losing a lot of blood. Anyone that is able to-" Me: "have you seen Remy?" Lubb: "donate blood, is welcome to. We need either type O or a B." Me: "he's missing. I can't find him." Lubb: "can you get tested?" Me: "I'm neither of those. I'm sorry for her loss. Really." a reminder of my miscarriage at this point would absolutely break me down. I would never wish that kind of pain on any woman. Be it stranger, enemy or friend. Luks: "ulahliwe?" I ran to the stairs and climbed them in two's, getting on his floor and ran to his office. Two doctors walked out a lift whom I almost bumped into. I breathed a long sigh of relief. Me: "Remy!" Remy: "uhm....okay. Uright?" Me: "we need to find

Nathi." Remy: "whhyy....." Me: "you don't understand." Remy: "okay, masingene. You need a glass of water." we went in and he gave me a glass of water which I gulped down. Me: "where is your phone! I've been trying to call you! I was worried!! And didn't know what to do so I drove here in a state of insanity, hoping to God you are alive and saving other people! Where is your phone!" Remy: "it was on silent. I was with a colleague, There's a patient we were attending to, prepping him for his surgery which will be in the next hour. Why were so worried? And sizomthini UNathi?" Me: "Lukhanyo's father...he's out of jail. He told me not to tell anyone, so if you tell anyone, I'll have to kill you." Remy: "my lips are sealed." Me: "he said to me, someone is trying to murder your brother." he laughed. Remy: "that's ridiculous. Why would anyone want to do that?" Me: "I don't know. Maybe some disagreement. A deal that took place." Remy: "Nathi is a not a criminal. He does not partake in deals." Me: "business deals?" Remy: "none recently. He's just working on renewing his old projects and with the baby on the way, he's spending more time with Sbosh.. Sbosh.....the baby..... My heart sank. Remy: "if your father in law knows this. He should know who's trying to do it and why. Maybe he's scaring you." Me: "yeah. Maybe. As long as you're okay." Remy: "thank you for caring. That means a lot to me. Another thing, I'll be in surgery for most probably another 18 hours or so. I'm standing in for Michaels. So you won't be able to get through to me, the minute I'm done and when I get home, I will send you a message in case ulele vha?" Me: "okay. Bye." I smiled and walked out. Down the stairs, through the corridor. Again, the two were still here. Luks: "lahliwe nyani kengoku." Me: "why? Why can't you just let other people be happy and move on!" Luks: "ndenzeni ngoku?" Me: "you know exactly what you did and trying to do! You cannot accept that anyone can ever be happy without you! You ruin people Lukh-" Lubb: "Lihle. Me: "uvale umlomo wena!! Because whatever he does, you support him which is why he never knows wrong, so Thula!" Luks: "Lihle, whatever this is, its a misunderstanding. Andiyazi uthetha ngantoni!" Me: "Nkosinathi Lechaba damnit! What did he ever do to you! Is it because wonwabisa uSbosh? What is it with you and wanting everything to be yours!" Luks: "I am still confused Lihle. What are you on about!" I looked into his eyes. I could see a flinch of fear and confusion. If it wasn't him then who? Who would want to kill Nathi? Luks: "Lihle? What is going on? NguNkosinathi otheni lo uthetha ngaye? Lubabalo please help?" Lubb: "kuthwe mandivale umlomo wam omkhulu mna, I am doing just that." Luks: "Lihle, talk to me. Ngubani uNkosinathi? why am I being yelled at for him?" Me: "Nkosinathi ngumninawa ka Remy." Luks: "okay, and...oh wait....umntu ka Sbosh, utheni ke ? What happened?" Me: "someone is trying to kill him." Luks: "why? Wenzeni?" Me: "I don't know. But he's not a bad person. He's

sweet, and cares about abanye abantu. He is welcoming and friendly. He would never hurt a soul." Luks: "maybe yilonto kukho umntu omfuna efile. He disgusts me already." Lubby giggled. Me: "you think this is funny?" Luks: "No. But I don't understand mna ndithukelwani. I don't even know what he looks like. Ndizamthini? How is his death going to benefit me?" Me: "but who then." Luks: "wena uve ngabani." I froze. Me: "I have to go." Luks: "Lihle!!" I ran out the hospital to my car. Lubb: "and then?" Luks: "I don't know...something is wrong. Kuthen ingathi she's hiding something." Lubb: "or someone.." Luks: "follow her." Lubb: "what?" Luks: "did I fucking stutter?" Lubb: "esheee." he dragged himself out of hospital to his car.

Sbosh: "thank you, for being extra sweet today." Nathi: "it just turned noon. The day has barely started." Sbosh: "but you're being supportive." Nathi: "you shouldn't be stressing about work. You're carrying a baby." Sbosh: "Nathi-" Nathi: "can we not. Let's not make this complicated." Sbosh: "There's a procedure we can do to find out if the baby is yours. Its called a Amniocentesis.

An in vitro procedure, amniocentesis, can be performed starting between the 14th and 20th weeks of pregnancy." Nathi: "is it safe? For the baby? What do they do?" Sbosh: "I haven't researched it yet." Nathi: "maybe we should consult a doctor before making any decisions. For advice. Just so that we're sure. I'm fine with waiting. I don't mind." Sbosh: "okay. On our next appointment." Nathi: "I don't think i'll be present." Sbosh: "why?" Nathi: "Sbongile, you chose Sbu." Sbosh: "I did and you know why." Nathi: "I do, so now you have to live with your choice. I'm not gonna lie, I love you so much, and the baby in your womb, but I can't stand in your way. So it would be great if we could just....you know, keep it professional." Sbosh: "fine." she swallowed. Nathi walked out the office. She started fumbling with papers, trying to avoid the lump in her throat. When she found her phone, quickly pressing a number and she placed the cellphone to her ear. "hello friend." Sbosh: "Mandy..." she sobbed. Mandy: "heee. Yinton ngoku?" Sbosh: "nguNathi." Mandy: "what did he do!" Sbosh: "he was here offering his support.....e-sweet...and everything *sniffs* was going well but akandifuni." Mandy: "uhm....okay." Sbosh: "and now, I'm gonna have to go home ndibuyele kuSbu!" Mandy: "utheni Dan uSbu?" Sbosh: "Sbu is fine. He just can't remember." she wailed. Sbosh: "he's fine!" Mandy: "so....ukhalela ntoni?" Sbosh: " I don't know." Mandy: "okay. Sisi listen. Ndiyasebenza mna. You really need a reason that is important or fatal to cry like that over the phone! Andithi uyamthanda uSbu? Kengok ingxaki iphi? Xa engakufuni UNathi ingathi ke sisi ngowusiya kulo usakthanda ungavuki sekungekho namnye. Sula ezonyembezi wenze umsebenzi lo wakho, my clients are waiting. Love you. Bye." she hung up. Sibongile looked at her significantly reduced amount of work left. Her body was tired already and she was

feeling more sleepy than ever. Nathi would have to understand, she thought to herself as she packed her things in her bag and walked out, locking her office. She walked out the building, catching a taxi home. Dozing off for a little while until she arrived at her bus stop. She walked up to her gate. Noticing Sbu's GTi not at its usual parking space meaning he was not home. Grateful, she unlocked the door and walked inside the peaceful house. Her phone rang immediately. It was her sister. Sima. Sbosh: "hello?" Sima: "hee ntombazana. Uzimisele uzomlanda nini umntana? Kudala engxola ngomamakhe lomntana apha. Uphi mfazi? Undincede ke mna ndine ndawo zokuya namhlanje. Izolanda uChumani. Please." Sbosh: "yuuh. Andisidinwe Sima. Ndiyak'cela mntase. Ndizok'bhatala." Sima: "toto. Undivile ndithethe ngendawo zokuya ne? Ndiyak'cela ke switaat." Sbosh: "okay. Kodwa akekho ke uSbu. Uzozomlanda yena." Sima: "mxelele ke sana akhawuleze. Otherwise uzofika emlindle e-gate'in." Sbosh: "mxim." she hung up her phone. Trying to call Sbu, who did not answer his phone, Lukhanyo was not answering either. Mandy would be busy with her clients. And she'd be pushing it too far with Nathi. So she opted to call Lihle. Sbosh: "tshomi." Lihle: "hello, Unjani?" Sbosh: "you seem a bit down....what's wrong?" Lihle: "I'm fine mtshana. What's up." Sbosh: "are you sure?" Lihle: "yeah." Sbosh: "I need help wethu, Sima ufuna ndilande uChuma but I'm super tired and andina transport. Ndicela uncede shlobo." Lihle: "baphi?" Sbosh: "basendlini." Lihle: "okay, ndizoya ngoku cuz I have to fetch the kids around 4 at least ngu 2 ngoku." Sbosh: "enkosi kakhulu my friend." She hung up began to relax. Until a knock on the door sprung her back up. As she opened the door, a tall, dark man with lifetime scars on his face and a tattoo, clearly marked with burnt wire, running down his eye. Gold tooth peaking out his parting mouth with crooked teeth under that sarcastic smile. Sbosh: "ungubani? Ufuna ntoni kwam?" Man: "phola mntase....ukhona utatekhaya?" his voice as ragged as an old man's cough. Sbosh: "akahlalapha uLukhanyo!" he chuckled. Man: "ndimazi grand sharp, ubloma waar UTa Luks andifun yena. Ndize kulo walapha." she swallowed, her palms sweating. Sbosh: "Sbu? Ufuna nton kuSbu?" Man: "uzubuze yena ufuna nton kum. Zumxelele uBlood ebelapha. Thunywe nguSthera." then he turned away and left.

After fetching Lukha jnr from his play school, Stuja went by the salon to pick up his baby's mom. Sindiswa had just finished ukwenza umntu intloko, styling them and spraying the oil sheen. Sindi: "awusemhle guurl. Khawuz'thi look. Yuh sana. Ingathi ungu Keri Hilson. Mjonge Nto-nto omnye umntana subane ntlama yenyeke ngenxa ufratsi." she took off the towel so her customer could stand and pay. Nto-nto: "mxim. Nankuya bhuti ekulindile. Khahambe." Sindi: "yuuh. Umntu wam madoda. bhabhayini zifebe!" she dashed out with her bag. Nto-nto: "mamakho." she yelled

after her. Sindi: "hahahaaa!" she got in the car. Sindi: "molweni." Stuja: "hi baby. Uzivasile Phof izandla unuka hair food nje?" The baby needed a nappy change, Sindiswa changed it while Stuja was looking through the fridge. Sindi: "babes.." Stuja: "hm." Sindi: "kuzofuneka wenze decision soon." Stuja: "ngantoni?" Sindi: "suzenza isdenge please. Ngalento yofuneka ukhethe between utatakho nobhuti bakho." Stuja: "akhomntu uthe mandikhethe." Sindi: "okay. Akufunekanga ukhethe. But icacile abasebenzi kunye. Ufunwa ngutatakho, ufunwa ngu Lukhanyo. Uzothini?" Stuja: "sindiswa. Yaybona lento uyiphetheyo?" she looked at their son. Stuja: "ndiyayithanda ngentliziyo yam Yonke. Wena ndiyakthanda ngomphefumlo wam wonke. The last time ndazama uthetha ukuba ndifuna uthini ngobomi bam ndahlekwa ndaxelelwa andiyi ndawo. Andinokwazi uspina ubom bam bonke. Stuja: "after everything I do for la family, saving their lives kunye nabantwana babo. But still ndiseyi employee kubo. I have to work, risking ubomi bam. Risking umntanam angabina Tata. Kodwa at the same time, ndikhumbula all the times they were there when I needed them. Yilento ke i-difficult ngale decision uthetha ngayo." Sindi: "then masambe." he sat next to them, pulling his son closer. Stuja: "siyaphi kengoku." Sindi: "siyoqala ubomi obutsha Silulamile. Apho sinokwenza izinto ngendlela eright for ukukhulisa umntana lo wethu." Stuja: "apho bangasoze basifumane Khona." Sindi: "uyivile lanto?" Stuja: "ingathi kukho umntu phandle." there was a knock on the door. Stu opened and discovered Lucky standing there. Stuja: "sho mjita. K'hamabani?" Lucky: "akho fokol awti. Ndiyadlula netndaqond mandizojikela." Stuja: "Baby. Ndiyabuya ne." Sindi: "ubuye uzopheka Silulamile!!" Stuja: "k!" he shut the door behind him. Stuja: "huzet." Lucky: "cela singene motweni bra." Stuja: "Lucky kutheni u-acter funny mfondin kwenzeka nton." Lucky: "niks bra. Ngena emotwen fethu." they got in the car and it locked. Zakes: "Silulamile." Stuja froze. Right behind him sat the exact man he wanted nothing to do with let alone face. Stuja: "bra Zakes." Zakes: "awuna Tata?" Stuja: "ndiyaxolisa Tata." Zakes: "start imoto Lucky. I have some business to discuss."

Chapter 793

After fetching Chumani from New Brighton, I went to pick up the kids from their day care. Me: "kutheni ungekho seskolweni?" he shrugged. Chuma: "kaloku yena usisi uthi akanamali." Me: "owphi usisi?" Chuma: "umakazi. Mama, ndilambile. Cela undiphekele ne?" Me: "okay baby. Masiyolanda ooLutha." I was a bit frustrated kuba njani athi uSima akanamali kodwa uyayinikwa imali nguSbosh noLukhanyo. Kodwa still umntana akayi skolweni. I wonder if Sbosh knows this. How long has he been out of school? I stopped at the robots, noticing a black BMW that I saw eWalmer. Maybe it was coincidence. Not everyone is out to get me. I continued driving in silence. Chuma: "mama, uphi Utata?" Me: "andiyazi mntanam. Ufuna utatakho?" Chuma: "ewe. I miss Utata no-daddy." Me: "sizomfownela ke vha." once I got to Luthandoluhle's day care I went in to fetch a sleeping Lubambo. Chuma took the kids' bags, excited to see him and hanging on him. I made some space in the car and they got in. Me: "babies. I'm going to need you to sit still ne." Luhle: "hello mama!" she pouted for a kiss. I kissed her. Me: "hello my angel. Nizohlala still ne? we're almost home." I drove home. My mind was wondering about and not at the same place once. I had to snap out of this. When I got home, I only remembered then that I had left Zakes here, was he still here? Because when I left the hospital, I roamed about town. Now I was gonna have to face him again. Mxim suka wethu. I took the kids out and carried Bambi in. This time the door was locked. I unlocked and went in. Thank God he was gone. Chuma: "mama! Kuphi apha? Uphi Utata?" nantso enyi admin. Me: "uyeza sweetie. Khayobheka uLubambo in his bed. Ina." Chuma: "uyeza?" Me: "yes." he took the baby and walked to the lounge. Chuma: "vuka tshin Bambi." *slaps forehead* I started cooking before another confrontation, while busy decided to text Lukhanyo. 'Chuma is here with me, uthi ukhumbula utatakhe, so if you could swing by uzothi hi. He would probably be okay.' And I continued with the pots. He didn't respond. And I didn't even care. Honestly, I was here for my children. Xa engafuni, akazofostelwa ndim. Andishoti nganto. Lutha: "mama." he sobbed, rubbing his eyes. Me: "Lutha." Lutha: "hlungu susu ka Lutha." he pushed up his t shirt showing his tummy. Me: "uLutha ufuna utuwa?" he shook his head. Lutha: "funa mama." Me: "uyafeketha kodwa mntanam yazi." Lutha: "mamaaa..." he hung on my leg while I stood by the sink. Kwaske kwathi tshee umntu by the window. I looked up and saw nothing. I could've sworn I saw a shadow with the corner of my eye. Then....light slow footsteps by the kitchen door. Maybe Lukhanyo? Right then my phone beeped 'sandophuma at hospital. Coming.' Then who the hell was outside my house? Maybe

Bra Zakes again? Who? Lutha: "mama." he whispered. I picked him up backing away from the door. In the lounge, Chuma was watching cartoons with Bambi and Luhle. Ndabeka Luthando next to him. Me: "hlala apha ndiyeza." I tiptoed back to the kitchen and peeped. Nobody. My head began aching. I looked around the kitchen. There was nothing I could do at this point. Going out there would be dangerous and waiting here for something to happen was nerving. I went back to sit with my kids, turning the volume down a bit. We watched this show while I was still trying to listen kwenzeka ntoni phandle. Finally ndava imoto and a door close. Then a knock. Luks: "Lihle." I went to open. He walked in. Luks: "awandibaleka Ksasa ingathi ndihanjwa ziintakumba. Ugrand ngoku?" I nodded. He looked at me. Luks: "what?" Me: "there was someone outside before ufike." Luks: "ubani?" Me: "didn't see." Chuma came running. Chuma: "Tata!!!" Luks: "hey!" he picked him up, throwing him and catching him. Luks: "Unjani kwedin." Chuma: "philile." I was back by the stove, switching ezambiza beziqalile back on to finish cooking. His eyes were fixed on me. The twins came clinging on to him and playing. Lubambo crawled excitedly. At least they were all happy. Luks: "uyeza Utata vha. khanize ne coloring books ndibone." they all ran to the bedroom. Leaving a confused Bambi who crawled after them. Luks: "linkie." I opened the pot and started stirring. My eyes stung with tears, my heart as heavy as metal, my hands shook as I tried to steadily stir. One tear gave up, rolling down my face. Luks: "Lihle." I breathed in, turning away from him. Luks: "cela uthethe nam." Me: "I'm sorry. I'm sorry I yelled at you earlier. I was stressed, I was frustrated. Uxolo." Luks: "ndikubonile nje. Awubawel undixelesa kwenzeka ntoni?" I shook my head. Luks: "okay..Iza.....you can't let the kids see you like this." he hugged me, hiding my face in his chest. Luks: "wow! NguLuhle lo ubhale apha? Hayi umntanam uclever mos. This is beautiful, khandibone Lutha? Yoooh. Intwana yam. Nawe Chuma? Yuuuh yuuuh yuuh. Ndizobathengela iimoto abantwana bam mna no mamabo. Siyothenga iimoto zabo qha." they ran again to their room bouncing up and down. Luks: "you gonna be okay?" Me: "yes." I pulled away from him. Luks: "awufuni siye Bay west?" Me: "I don't know if I'm up for it. Andikafundi all day, and my last exam is this Friday." I wiped away my tears. Luks: "wenze ntoni imini Le Yonke?" Me: "nothing. Bendise town." Luks: "ambovasa ubuso. Ndizogqibezela apha." Me: "Lukhanyo, uze kwabantwana apha. I'll do this. I'm fine, I just needed a moment." Luks: "okay, and ndifuna ukuncedisa. Nawe mos izolo, you picked me up when I was down. The least I can do is the same for you.. Go." Me: "I don't like you very much. Uyayazi lonto?" Luks: "yeah me neither." he pushed out the way ndaya ebathroom to wash my face. Zakes ngokuya ebelapha ungene njani? And did he search my house? Didn't he plant something here? I didn't know whether to tell Lukhanyo or just let it

go. I couldn't let it go. Bendimoyika latata. I had no one in my corner, I had no idea what he was capable of. Better the devil I know. So I sat in my room looking through some of my notes. Ethubeni wazongena. Luks: "food is ready." Me: "izapha." Luks: "ndingene?" Me: "yeah." he sat next to me. Me: "lento ndizok'xelela yona ndicela ingakwenzi umsindo." Luks: "iyawa ngulo Remy?" Me: "No." Luks: "okay. Yintoni ke." Me: " your father contacted me." he kept quiet. Me: "while he was still in prison." Luks: "meaning uphumile ngoku." Me: "mamela." Luks: "ndimamele." Me: "ucele ndimenzele ifavor. Handling his finances. So I did. Then he paid me. That's how I could buy lendlu nemoto." Luks: "I thought nguRemy." Me: "no. Uye waqava wathenga indlu before I could, but I'm returning his money. Anyway. He was here izolo." Luks: "uZakes?" Me: "ewe." Luks: "why didn't you tell me this? Lomntu Lihle uzokusenga and drain you and use you for his dealings! Kutheni ungandixelelanga nje?" Me: "andithi ndiyakuxelela ngoku Lukhanyo?" Luks: "ebezothini apha?" Me: "nothing, ndifike elapha endlini. Uthe enkosi qha. Ndixelelwe Nguye about the hit on Nathi." Luks: "I'll sort this out." Me: "Lubabalo already said this before, and still Zakes waza apha!" Luks: "Andingo Lubabalo ke mna. Ndizomnika lento ayifunayo. His business. Kakade I want nothing to do with it anymore. That way uzokohlukana nawe. The food is getting cold." he walked out the room. I got up and went after him the children were seated. There was another issue I should've discussed before mine because now he wasn't in the best of moods. We sat down, before I started eating. Chuma: "May God bless our food and our mum and our dad and my brother and my sister and my baby brother Amen." Luks: "Amen my boy. Uyindoda mos ngoku uyathandaza? Wow!" we ate our food ndayovasa izitya when we were done. They all sat in the TV room. Mid- washing the dishes, deep in my thoughts about nothing. I needed to put up some work tonight and prepare for my exam unless I wanted to fail. Tomorrow, I would go to the library. I needed to be ready for Friday. My senses were disturbed by a familiar scent. One that made my heart beat irregularly and my intestines tie themselves in knots. Luks: "can I help?" Me: "uzandidika kengoku." Luks: "awubaweli ukhe uyeke undilwa? Don't you get tired?" I rinsed my hands off the foam and dried them. Turning around to look at him. He was standing directly and closely behind me. Me: "this is my house. And I don't trust this good boy behavior." Luks: "I'm sure sonke siyayazi lonto by now." Me: "Lukhanyo, Chuma says akayanga eskolweni namhlanje because Sima uthe akanamali. Andiyazi ke for how long or if uSbosh Uyayazi na lonto." Luks: "uve ngabani wena?" Me: "ngoChuma. I had to fetch him from Sima." Luks: "Lihle, cela undenzele favor torho." Me: "can I say no?" Luks: "please?" Me: "what is it?" Luks: "ndicela uChuma ahlale nawe apha. He seems more relaxed here and comfortable. Ndiyayazi uzom'hoya ndlela zonke

ayifumane attention e-enough. If he's here he will be safe. Andiy'thandi lento yalomntana esiwa ngapha nangapha nguSbongile noSima. Please." Me: "Lukhanyo you know that I love this boy as my own. Kodwa how do you expect me to cope with 4 children, alone Still funeke ndifunde? What about me?" Luks: "ndizokuncedisa nje. Plus uChuma umdala. Uyazenzela izinto ngokwakhe. He's not much trouble." Me: "I don't know why you're doing this to me. I don't know whether ufuna ndi'faile na uzoba happy or ufuna just undikhubekisa." Luks: "you know I want neither of those. I just want what's best for our kids, and Chuma, last I checked, was Our child." Me: "Chuma ngumntana ka Sibongile. I think it is a bit unfair for me to have to do this all by myself kodwa yena Uhleli relaxed with umntu wakhe." Luks: "I only trust you ngoChuma." I turned around to continue ngezitya ezi bendizivasa. Bindikhubekisa shame Le into. Firstly because I also wanted what was best for uChuma. I loved him soo much. at the same time, would I be able to cope with the responsibility of 4 children alone? I would definitely need help. Me: "fine." he turned me around again ukuba ndimjonge. He tilted his head to the side with a lopsided smile. His face clean shaven with an O of hair around his mouth down to his chin. Exposing his full lips and perfect cheek bone. Me: "uhm....I'm sure unгахamba ngoku. We're fine." Luks: "I was thinking ndizame ubalalisa first...so that you can study." Me: "that would be great." his eyes sparkled under the light. Luks: "they're already sleeping..." he whispered. I don't know what it was about that sentence....or the way he said it. Me: "thank you." Luks: "its a pleasure.." he bit his lower lip stepping back away, his eyes fixed on mine. Me: "bye." Luks: "ndingabuya Ksasa?" Me: "I think I'll manage." Luks: "awundiphenduli." Me: "uzobuya uzothini?" Luks: "firstly funeke Chuma aye skolweni." Me: "that you can do." he smiled, satisfied with his version of help. Luks: "goodnight ke." Me: "goodnight." phuma kaloku. He walked out the door and I locked it behind him. The panic rose again. What if whoever that came earlier comes back. I quickly finished izitya and checked on the children. I took the aeropedic mattress and blew it up ndayifaka ishiti. I was going to sleep in the kids bedroom. No way am I leaving them alone in this room. After I was done, I took my books and continued studying....

Lukhanyo parked his car and listened to the song playing in the radio. He lowered his seat and lay there looking through his panoramic roof at the sky. The slow melody of the lyrics seeping through his thoughts. Reflecting on his life before marriage and the children. The power he had. The freedom of doing whatever it took. But today he asked himself what the song sang to him.

"would you believe me if I said I'm in love?? Baby, I want you to want me...
Would you believe me if I said I'm in love? Baby.....I want ya....

(And we are, we are, we are,
Got me up all night.

And we are, we are, we are,
all I'm singing is is love songs
And we are, we are, we are,
Got me up all night
And we are, we are, we are,
she got me...

Well this gotta be the longest crush ever. If I ever get to fuck it'd be the longest bust ever. Love is a drug, like the strongest stuff ever, and fuck it I'm on one..you feel me?" Luks: "mxim." he switched the radio off and watched the sky one more time realizing he felt lonely. He got out his car and walked to the door. Taking the keys out his pocket, they fell on the ground. Luks: "Ikhona nje into that isn't denying me today? Ngumngqundu webhadi elivalaphi Eli! Nxx." he bent down and picked up the keys while his phone rang. Luks: "God forgive me for my language." he answered his phone walking away from the door. "Ta Luks, ndim uStuja." Luks: "yes?" there was silence on the other side. Luks: "Silulamile." Stuja: "I just received ipasile. I let the boys test it. With flying colors, I passed it." Luks: "intoni!!" he hissed. Stuja: "its a good deal Ta-" Luks: "don't you fucking dare. Tell me lokaka! Who the hell in this fucking world gave you authority to pass Le shit yento ndingekayi boni! Kutheni ndiqala ukuva ngoku ngalento! Silulamile!!!!" Stuja: "but Ta-" Luks: "make that 3." he switched off his phone. Luks: "tshin bethuna undiqhel isimba mos uSilulamile." he went back to his door and unlocked it, grumbling as he entered. He walked in and stood by the entrance of the lounge. Luks: "en nou?????" he yelled. Luks: "hayi Bra God yimilingo yantoni Le??? Ndiya testwa? Lubabalo!!! What the fuck is this thing doing in my bloody house!" Lubb: "he's my friend." Luks: "get him out before I use his head as a souvenir. Ngoku Lubabalo." Lubb: "uyandibhida kodwa Lukhanyo. I can't have friends over now." Luks: "hebethuna. Endlin kaban? This, is not MY friend. Therefore he is unwelcome and I'd hate to repeat myself." Ben: "Lubabalo?" Lubb: "what's your problem?" Lukhanyo grabbed Benny by the collar and threw him across the floor. Luks: "fokofa." as he grabbed the nearest object showing him the door. Ben: "sundiqhela Lukhanyo. Kutheni ungena mbeko?" Luks: "Lubabalo izophum ikhubazekile Le tshomakho apha." Lubb: "Benz, masambe bra." he pulled

Benny up. Ben: "no wonder Lihle left you. You're so pathetic, awukwazi noziphatha. Look at yourself. You're a disgrace man. Thank God she finally found a man that knows how to handle himself njenge ndoda." Lubb: "uzakhatywa ke unomlomo nje." as he pushed him out. Lubb: "I'm sorry." he looked at his brother. Lubb: "Lukha? Benz, khandilinde emotweni ntwana." he gave him the keys and rushed back inside the house. Lubb: "Lukhanyo!" the bedroom door was locked shut. Lubb: "come the fuck on! Are we back to this again? Ndicela uxolo Lukhanyo! Can you open the door! Lukhanyo?? Fuck!" the door unlocked. Luks: "ayikho tu need ye-drama." Lubb: "utixela ntoni?" Luks: "imkile lanto yakho apha?" he washed his face in the basin. Lubb: "were....were you crying?" Luks: "umkile unonjana wakho Lubabalo? Sundibuza pilchard mna. Ndizokhalisa yinton ndimdala ndimngaka. Hayi sanunyelana ngam." Lubb: "kwenzeka ntoni fondin." Luks: "nothing." Lubb: "right.. Ikhona nto eyenzekayo whatever it is. Uyayazi ukuba ndizohlala ndikhona, so ungathetha nam." Luks: "yeah, and how do I know I can trust you Lubabalo?" Lubb: "oh? Wow. Lukhanyo. Just one big obese Wow." Luks: "ufuna ndithini ke?" Lubb: "my guy. You cannot trust me? After I've been taking care of you, your house and children. You suddenly feel you cannot trust me?" Luks: "cela uphume torho Lubabalo. I really need to rest." Lubb: "your food is in the microwave. Unless ucimba kune poison." he walked out. Luks: "Lubabalo." Lubb: "yintoni!" Luks: "ubulapha eroomin?" Lubb: "what would I be doing in your room ndineyam?" Luks: "Khangе ungene?" Lubb: "no! Can you tell me kwenzeka ntoni man?" Luks: "jonga painting yam. The way its hanging." Lubb: "yeah its a bit skew. Maybe ngumoya?" Lukhanyo opened his drawers. Luks: "umoya uyaghubhulula nakwi drawers zam? Lubabalo?" Lubb: "oko sifikile noBenny sihleli efront. None of us came this way." Luks: "and before that oko sise sbhedlele. Someone has been in this house....looking for something." Lubb: "who?" Luks: "uthi uLihle uZakes broke into her house and waited for her. Ndaziphi maybe uzile nalapha." Lubb: "but....uyintoni kwii drawers zakho. I know Utata and xa efuna into, whatever it is, akoyiki uyifuna ngomlomo kuwe." Luks: "then I don't know bafo."

Zakes: "and what did he say." Stuja: "uthe mandibuye." Zakes: "Silulamile. Ndikuthume ngokuthemba. Ndikuxelele you must convince him! Without Him, this is bloody useless man!" Stuja: "ndizamile Tata, akafuni undimamela." Zakes: "ndithini kengoku mna? Heh? Ufuna ndithini Slu? Must I now twiddle my thumbs and wait until you grow a pair of balls? Kanti uqeshelweni? You are his right hand man! Persuade him this is good business. Boa came all the damn way from Joburg to seal that deal. Utsho nawe mos its a good one. Ngoku kutheni usisnene? You better wake up boy, before you have nothing to live for." he hung up on him. Stuja stared at his

phone with his hands shaking. Stuja: "God please help me. Ndicela undincede Thixo. I will never survive lento." he dialed a number on his phone. It rang for a while then he answered. Lubb: "hello?" Stuja: "bhuti." he sobbed. Lubb: "haibo. Yinton ngoku?" Stuja: "bazondibulala bhuti. I don't know ndenze ntoni. Please. Ndicela undincede." Lubb: "okay, wait...firstly, akhomntu uzokubulala. Uphi?" Awuzokwazi uthetha naye. Please." Lubb: "heee. Khame I'll call you back." he hung up. Stuja looked around him. In a misty dark area with only his car in his. He started and drove slowly back to the city of Bloemfontein. He didn't know whether he was being followed or tested but something didn't feel right. After a few minutes, the phone rang. Stuja: "bhuti." Lubb: "get to the airport. Simon is flying through with the jet in an hour. Be there. Ufika kwakho, come straight to me. Uyeva?" Stuja: "enkosi bhuti." Lubb: "Go." he hung up. Stuja sped up to the airport. Parked his car and went to wait inside until he was called up. As promised the jet made it in an hour. Since he was the only passenger, no time was wasted after being instructed, they took off to Port Elizabeth. An Uber cab was waiting on his arrival driving him to Lubabalo's house. Lubby was waiting by the door. Lubb: "Iza ngena. Tell me kwenzeka ntoni." Stuja sat down. Stuja: "Ta Lubby. I just went to Bloem, ndiyozama i-business and I found a great deal. Umjita called Boa. Li-kweja. He brings the best. Kuyo yonkinto. Ndixelele U-Ta Luks and he freaked." Lubb: "Boa? Isn't that some kind of snake? Why do you go around trusting people with snake names? What's wrong with you? That man will kill you for simply looking at him!!! Ubuyinton koo Boa man Stuja!" Stuja: "bhuti." Lubb: "okay...so you canceled the deal right?" Stuja: "I can't. Ababantu would kill me just for wasting their time." Lubb: "Obviously!! udityaniswe ngubani nababantu Slu? If I should protect you, I have to know the whole truth." Stuja: "ngu Tata." Lubb: "lo wethu?" Stuja: "yes. He said funeke ndi-convince uLukhanyo to buy in. Sizokwenza imali." Lubb: "what the fuck?? He put his last born son's life on the line for imali?" Stuja: " yeah. Uthi if I don't make a plan I'll have nothing to live for." Lubb: "hehake usatana." he sat down. Lubb: "this stays between you and me. Iya ku Lukhanyo. He will need to see you and resolve this. Carry on as planned, the minute you are out his sight, LEAVE this continent. Take your child, take your woman, take your money. And Go. Uyandiva?" Stuja: "and Ta Luks yena?" Lubb: "I'll fill him in later. The most important thing ngoku, nguwe ne-family yakho." Stuja: "what if they find me?" Lubb: "Ndingubani mna?" Stuja: "ungu Ta Lubby." Lubb: "they won't...I'll make sure of it."

Chapter 794

Thursday morning. Lukhanyo woke up and prayed as usual. After his prayer, he took a shower quickly and got dressed. Lubabalo bounced in the room. Lubb: "Heeeyy!" Luks: "can you just shut the fuck up, I'm trying to think." Lubb: "what you thinking." Luks: "uzondenza late Lubabalo." Lubb: "but its only 5:30. You never wake up this early. Uyaphi?" Luks: "ndisa uChuma eskolweni. Funeke ndiqale kokwabo to fetch his clothes and the rest of his stuff." Lubb: "heee. So uzoba late xabekthen?" Luks: "mxim.." he took his g star jeans. Lubb: "isn't that mine?" Luks: "is it?" he got dressed. Lubb: "heee. I'm still wondering kutheni uvuke at this time." Luks: "have you spoken to Stuja?" Lubb: "no. Why." Luks: "he came here last night endixelesa ububhanxa. He got some deal from Boa." Lubb: "Boa?" Luks: "ja. Nigerian dealer." Lubb: "so...uvumile." Luks: "I'm not sure yet." Lubb: "you're considering?" Luks: "I've got too much on my mind for ucinga ezizinto mna." Lubb: "oh....when will you be ready?" Luks: "why are you so interested?" Lubb: "because I don't want you to do it. I've seen how Boa works. He's not one you want working with you." Luks: "okay. Then you handle it. I'm out." he took his keys and left the house. Lubby took out his phone and dialed for Stuja. Lubb: "uyenzile lento ndik'xelel ufike uyenze?" Stuja: "ewe bhuti. Si-ready." Lubb: "good. The jet is still waiting for you. I've booked for you. Niya kum in Australia uyeva?" Stuja: "ndiyabulela bhuti." Lubb: "okay. Just leave now before anyone sees you. Ufika kwakho at the airport, nizobe nilindiwe pha. You will be able to call me. So before ulahle Le phone, make sure to dial a few other people. Ncokola nje kancinci. Tell them nothing. Sibenokwazi ubhida records should anyone try and look for you. Make sure your last dialed number is Utata. My 3 minutes is done. Nihambeni kakuhle Stuja." Stuja: "enkosi bhuti. Sharp." he hung up. Lubb: "wooh..." he sat down. His phone rang again. Lubb: "hey." Liya: "hi..." Lubb: "Unjani? How's my baby?" Liya: "which one?" she giggled. Lubb: "lo unguwe ke." she laughed out loud. Liya: "in your dreams bhabha. I'm just checking up on you man. Luyanda is doing much better." Lubb: "amazing stuff. I'm swinging by later on. Can we catch a movie?" Liya: "you'll never be able to watch the movie kukho uLuyanda." Lubb: "haha. Then you're about to see flames. Uzohlala still." Liya: "okay. If I'm choosing, we're on." Lubb: "good. Be ready at 7." Liya: "injani friend yakho. In hospital." Lubb: "I haven't checked. I'll call Lungelo ndimbuze. Sizothetha late ke vha. I need to get to work." Liya: "bye." she hung up...

Thando was seated next to the hospital bed by his woman's side. He missed his daughter Sisipho, and a part of him longed for his unborn child's kicking. The doctor came inside the room. Doc: "hi Mr Moni. How are you?" Thando: "I'm coping. Doctor, how is she? She hasn't woken up yet." Doc: "everything went well sir, she will wake up in no time. Try and share positive thoughts and encourage her to be stronger." Thando: "who donated the blood?" Doc: "a Mr Lukhanyo Mzinyathi. The one that has a charming twin brother." Thando: "okay. Thank you." Doc: "just doing my job sir." she put down the chart. Doc: "if there is any problem, please come to me okay?" Thando: "okay." she walked out the room. Thando: "baby....its me....I know akho kudala since I've been waiting here but it kills me to see you like this...ndic-" she moved. Thando: "baby?" Asanda: "Tha....." Thando: "hey my love..." he kissed her hand. Thando: "don't waste any energy. Relax mntu wam. Awufun manzi." she shook her head slowly. Thando: "I am so sorry. I know this is all my fault. I should've cared more about your feelings. Listened to you and been supportive. Ngowungekho kule position if I hadn't been such a bad husband. Cela undixolele." she stared at him. Asanda: "where's....my...baby?" she muttered. Thando: "baby.." Mandla: "mxelele." he was standing by the door. Mandla: "mxelele ukuba wenze ntoni na!" Thando: " bhu-" Mandla: "uthi nyuti sdenge!! Nyuti wasek'nyana kaka ndini! Uphants ubulala usister wam. Ingathi ngow'fokofa apha ndingekak'dibanisi nomdali uyeva?" Thando: "ndicela uxolo bhuti." Mandla: "ndithe fokofa kwedin." Asanda: "bhuti." she sobbed. Mandla: "andizophinda ndithethe ne? Eyoba masinyamezelane neenyembezi zakho yinto engazokwenzeka ke leyo ndisaphila. Hamba wena ndingekak'cithi ub'copho." Thando got up and walked out. Khaya was waiting for him by the waiting room. Khaya: "you don't look okay. Ugrand?" Thando: "I'm fine." he sat down. Khaya: "fethu brother wakho uyeza? I can't afford to let him see me yet." Thando: "why." Khaya: "because Zintle akekayaz ndilapha." Thando: "you've been here for over a month." Khaya: "ewe." Thando: "how long are you prepared to hide for?" Khaya: "I don't know. I just don't want her knowing qha." Thando: "whatever bra. I need to go home mfethu." Khaya: "do you want company?" Thando: "no Khaya. Let me just go alone please." Khaya: "okay. Uzabagrand?" Thando: "yeah." he sighed, getting up. He walked to his car, getting inside and taking a breath of air. When he let go, all the tears he had been holding in broke free as he held on to the steering wheel for comfort. Thando: "what the hell have I done..."

The morning was the same as any other I ran around with the kids. Chuma had bathed and dressed himself my gown wahlala pha and ate his cereal. I was impressed actually. Chuma: "mama, iphi mpahla ka Chuma?" Me: "izoza notatakho. Ebeyolanda yona baby." Chuma: "oh, uyeza?" he smiled excitedly. Me: "ewe love. There he is." he

jumped up and hugged his father. Chuma: "bendicimba ubalekile. Khang ubekho ngoku ndivukayo. Ubuphi Tata?" Luks: "bendiyothatha mpahla yakho kalok boy. Iza sinxibe." they got dressed while I tried again ku Luthandoluhle. Everyone was ready in no time. Except me. I still needed to bath and before that, feed the twins. Luks: "ndizobagqibezela." Me: "abekatyi. That's all. Their lunches are ready." Luks: "okay." Me: "ndisayo vasa vha." Luks: "okay. Ndizohamba nabo bonke. Take your time." I went to the bathroom, grateful. Ran my water adding bath salts and bubble bath ndangena to relax. I had some time. My schedule started at 10am. That's when I was going to start studying. The house was quiet after they left and I began getting sleepy. So I bathed then got out fetching my gown ndayokhwela in bed. The time was only 7:45am. I set my alarm for 9:50 which gives me about 2 hours, and as swiftly as I needed, I was drifting off to sleep. I was in a dark place, I felt I'd lost my way home. I looked around and ran. Dogs barked loudly around me but there was no faces. I couldn't see them. In a far distance I saw someone walking toward me. He smiled then stopped walking. He was walking back. Noo!! Wait! I ran after him. I could smell him, I screamed for him to wait for me. He finally stopped, still looking away from me. Gun shots broke the silence as he fell back at me. I grabbed and looked up. I saw a mirror. His reflection laughed in his face with the gun in his hand. "Lihle." he whispers. "Lihle, vuka." I jumped awake breathing deeply. Me: "what the fuck was that." Luks: "oko ulila apha. I made breakfast." by now I was really confused. Didn't he leave nabantwana? Me: "you...wenzani apha?" I yawned. Luks: "ndizok'ncedisa." Me: "with what abantwana bamkile?" Luks: "I asked if I could come over, wathi wena ewe." I stared at him in awe. Me: "you asked to come over for what?" Luks: "I made breakfast. Iza izotyha. You're going to need a lot of energy, I'm going through your notes to see where we can start revising. Get up." I checked the time. 8:21am. I crawled back into bed and covered my head. Luks: "your food is getting cold. Iza man Lihle. Its best you get up now so that ungaryhafi through out the session." Me: "go away. I do not need your help." Luks: "you said...you needed help. Uthe mna andikhathali ngemfundo yakho, I came to help." Me: "Lukhanyo you don't understand. I slept at 3 am last night. I just need a nap okay? Now, please. Go." Luks: "okay." I sighed, trying to get my sleep back. Luks: "I needed your advice by the way." Me: "you are a....." I stopped myself before I hurt him. Me: "you've got 3 minutes, if I fall asleep, its not worth it, whatever it is you gotta let it go." Luks: "okay. Deal." he took off his shoes and got on top of the bed. His cologne swiftd around me. Crawling deep into my dream corners and finally located its place. The Dream. It was the cologne from the dream. Luks: "so...andilali." Me: "really??" I asked sarcastically. Luks: "ewe. Xandide ndilale ndiphupha the same dreams. In the one I'm running until I get

stabbed but andiboni ngubanin ndiphethe into egcwele igazi in my hand. Then I'm hearing umntu that calls out my name. Its a male voice." Me: "so...advice ithini?" Luks: "these dreams are trying to show me something. Andiyazi ntoni but I am uncomfortable. Weird things are happening. My clothing is going missing. Kukho lomntu uhlelel ugubhulula drawer zam. And ayingo Lubabalo. I don't know what to make of all this." Me: "me neither. Maybe you should consult." Luks: "Uyayazi ukuba I don't believe in that shit." Me: "ufuna uthini ke Lukhanyo?" Luks: "how do I consult?" Me: "wake up ekseni and go to umntu onyangayo." Luks: "uzandikhapha?" Me: "no." Luks: "after your test. We can go together." Me: "woyika ntoni uhamba wedwa." Luks: "nothing. Andoyiki mna." he frowned. Me: "uligwala. That's why ngafun ukuya. Chicken." Luks: "mpa." Me: "kwaak kwaak kwaak. Kwakwakk." Luks: "uzuyimele ke vha." I laughed at him. Me: "I'll give you directions. Uzoba strong, they don't bite." Luks: "ndabuya ndinemivubu ndisuka pha." Me: "wawugeza kaloku. swallowing spirits and shit." we laughed. Luks: "heee sugeza wena. This is serious." Me: "iya wethu." Luks: "what if....." Me: "what if what?" Luks: "what if they're back to haunt me?" Me: "ayikho wethu lonto. Maybe you just going to need to cleanse yourself kuphele ubumdaka qha. Stop over-thinking." Luks: "buphupha ntoni right now." Me: "nothing." Luks: "tell me man. Uyabona ke uyafihla?" Me: "I don't want you to get freaked out." Luks: "I won't. Ndixelele." Me: "bekusemnyameni. Ndilahlekile, I kept looking and running. Ndisiva ndikhonkothwa zizinja until I saw someone in a distance ndamleqa. At first, he came to me smiling then wajika wabaleka. Xasendifika Kuye. Ndive isithonga seghani. He fell on to me when I looked up in the mirror, his reflection was standing, laughing, with a gun in his hand." Luks: "who is it?" Me: "akhandimbone kakuhle." Luks: "but uthi you saw his reflection." Me: "not clearly. Not ubuso. Bekumnyama." Luks: "what more do you remember." Me: "that's just it." Luks: "you're hiding something from me." Me: "heee. Can I sleep now." Luks: "ndixelele then ndizokuyeka ulale." Me: "he smelt like you.....BUT you were already calling igama lam so maybe I sensed your cologne in my dream kuba ume phezkwam." Luks: "do you really believe that?" Me: "akhonto man Lukhanyo. Really. Stop stressing yourself over dreams." he flopped back on the pillow. Luks: "I wish I could Lihle. I wish I wasn't holding your wedding dress igcwele igazi emaphupheni am." Me: "why would you be holding my dress?" Luks: "andiyazi. Everytime ndifuna uthetha nawe, ndiziva ndibanomsindo kakhulu and just avoid you by all costs. But yesterday, I don't know what but....something happened." Me: "kwenzeke nton ngoku!" Luks: "have you ever felt like your heart just received a warm hug just by umjonga umntu? Felt the presence of God moving inside your soul the moment you touched that person? Something moved ngaphakathi kum. It moved positively and

made me not doubt a single word of all my prayers, these past few weeks. Ndiye ndonwaba. The minute I arrived home, Khange kubek'dala waqala umsindo. It is so confusing." Me: "Lukhanyo." I whispered. He touched my cheek. Luks: "you have nothing to worry about. Ndiyihloniphile relationship yakho noRemy and I won't do anything to jeopardize it." Me: "enkosi." for a while we sat quietly. I thought I heard a sound right when I was about to fall asleep. I tried opening my eyes but they were becoming heavy with sleep all of a sudden. I heard Lukhanyo starting to cough and choke but uyalala. Me: "khanyo." Luks: "let me just take a young nap. Undisulele wena ngobuthon...." and he drifted off into sleep.

Chapter 795

I woke up and looked around. Luks: "Bawo ndiyathemba ngentliziyo yam Yonke uyasikhusela ebumnyameni. I pray that you shield us each waking day and strengthen this family for the challenges we face. Igamen lika Yise, elika Nyana, NoMoya OyiNgcwele. Amen." Me: "Amen." he sat up. Luks: "sorry....I just woke up ndingazivi right." Me: "me neither. Why usebhedini yam?" Luks: "we were talking." Me: "ubukhe wavula vestire?" Luks: "no." just then the wind blew into the window making the curtain fly up in the air. My heart beat was becoming irregular. Luks: "maybe Ksasa you-" Me: "I did not open the damn window!!" I snapped. Luks: "xolo ke." he got out of bed to close it. Something was obviously wrong. Luks: "Lihle." he was staring at his wrist. Me: "I'm sorry.." Luks: "did you see the time?" Me: "ngubani xesha?" I checked my phone. It was 15:12pm. Me: "what!!!" I jumped out of bed, panicking. Luks: "hey, hey Lihle? Relax. Okay?" he held me in his arms. Luks: "I know, but akuncedi u-panicker. I will fix this." Me: "Lukhanyo, whoever it is. Has been in my house. Invading my privacy while I'm dead asleep. How did I not hear my phone?! I set my alarm Lukhanyo Khange ndiyive!" Luks: "maybe we should get some help then. Get dressed, sizoya kule ndawo ubuthetha ngayo." I looked for something quick to wear. My white and blue flowy maxi dress. Lukhanyo left the room so I could wear it and my shoes. Combed my hair back then wore a head scarf. I made the bed, walking to the kitchen. Luks: "Khange utye breakfast. How about utye ke kqala sisi before sihambe." Me: "I'm not hungry. Masambe." Luks: "we're not moving until you eat." Me: "come on." Luks: "I'm dead serious." I sat down and started eating. He got out his phone and dialed a number. Luks: "hi, Stuja, please call me back when you get this message. Ndifun thetha nawe." he hung up. Then dialed again. Luks: "Lubabalo?" Lubb: "Bafo. What it do." Luks: "I need you to help-" Lubb: "first things first, you're not even in the office, haven't been in weeks. And your lawy-" Luks: "I need to do

something much more important. Ndicela uyolanda abantwana eskolweni, including uChuma ubagcine." Lubb: "oookay. Ufuna undixelela kwenzeka ntoni?" Luks: "not yet. Cela ungayomlanda late Chuma please. We'll talk later." Lubb: "uphi?" Lukhanyo hung up. Me: "singahamba ngoku?" Luks: "Iza." we left the house together and locked. Luks: "masihambe ngale yakho imoto. I don't need any more attention." Me: "oh because Mazerati is a unicorn compared to my donkey polo." he laughed. Luks: "cela isitixo." Me: "I'm driving my car bhuti. Nantsiya unicorn yakho." Luks: "uright ke." Me: "akufikwa emini ke pha. We'll be lucky if we make it in." I drove steadily to the sangoma's place. He looked nervous while staring at the window. Me: "any more dreams?" Luks: "nope...Khang ndiphuphe tu." Me: "me neither." I slowed and stopped at the red robots. He held my hand on the gear. Luks: "enkosi. For coming with me. Your support means the world to me." Me: "its a pleasure." I drove again. The distance to eTinara was quiet. Only the radio chatted away the silence. I was stuck deep in thoughts of absolute nothing. Just kept drifting. Finally I arrived at the house and a few cars were parked. We got out the car and joined the long queue. Luks: "hlala apha." he pointed to the available plastic chair. Me: "enkosi." Luks: "izothatha xesha elingakan lento?" Me: "its late in the day. Maybe a while." he rolled his eyes. In about an hour, his phone battery had died, by this time he sat next to me. Luks: "cela uboleka phone yakho?" Me: "why." Luks: "I am bored." Me: "ungagqibi Le battery." I unlocked it and gave it to him. He played Candy Crush quietly while the line moved. 5 people away, and 3 and a half hours later he was sleeping on my shoulder. Me: "Lukhanyo." Luks: "hm.." Me: "you will break your neck yazi." Luks: "ndiright." Me: "uyasinda." Luks: "Kuthen unochuku." Me: "luchuku uthetha inyani." Luks: "mxim. Unochuku." I let him be and just minded my own business. Luks: "asikagqibi?" Me: "no, sesifikile. Nyamezela." and that he did. An hour later, we got to go inside the small shack, leaving our shoes at the door. The sangoma started chanting and shaking. Ebhonga. As we greeted him nge R500. Sangoma: "wena lungisa umzi wakho ungekaphalali unomphelo. Lungisa umzi wakho ungekaqaqanjelwa sisbeleko sakho. Lungisa umzi kungeka citheki igazi!!!" I swallowed. Sangoma: "wena," he turned to point at Lukhanyo. Sangoma: "khusela usapho lwakho. Iintshaba zilandelana nawe. Zinikana amathuba okuk'tshabalalisa kungek'dalanga. Heeeeyyy!!!" he groaned again. Luks: "ngoobani Abo? Ndicela amagama mna." Sangoma: "kukho umntu obhinqileyo owayekufakele isicitho ungaze uphumelele kubomi obulungileyo." he started shaking again. Sangoma: "haaayii!!" he cried. Me: "Lukhanyo." Luks: "shhh.." he held my hand. Sangoma: "igazi lakho lifuna ukucitha! Heeeyy!!!" he shook and went on and on chanting in words I did not understand. Then suddenly, he stopped. His head bowed over his bones and sticks. He slowly looked up at me. Sangoma:

"umamakho akazenzi uhlobo alulo. Uyakuthanda ukufa. Utatakho uyakukhusela kuyo yonke into ngawona mandla anawo. Khuselani usapho lwenu." Luks: "kodwa mna andixolanga ndingekayazi ngoobani aba, Tata." ndaske ndane ntloni. Really now? The man stood up with a little boy in his hand. Dipping his thumb in it and smoothed it over Lukhanyo's eyes. Sangoma: "kuzovela ubuso." he called his assistant and ordered him to mix herbs then instructed us on how to use them. Luks: "ndingalikhusele njani usapho lwam Tata. Mna nomama asisekho kwesasvumelwano sokuqala." hee. The man smiled. Sangoma: "ekuthanda kangaka njena." I looked away. Luks: "andiyazi mna lonto." Sangoma: "Ufika kwakho endlini enza uhlobo endikuxelele ngayo kuzosuka umtyholi lo. Yonke enye izozibonakalela." after we were done, he was the one to drive home. It was dark and I was uncomfortable. More for the fact that someone else read me inside carefully like a transparent glass window. He turned the volume up on the radio. Luks: "my favorite song." he smiled before he started singing. Luks: "if There's a question of my heart, you've got it. It don't belong to anyone, but, You. If There's a question of my love, you've got it. Baby don't worry I got plans for you. Baby I've been making plans, making plans, oh love, baby I've been making plans, for You..." I didn't even know. No, I do. And I don't love him, I just care qha. That was it. Luks: "ufuna utya ntoni." Me: "ubawo said we must go straight home." Luks: "okay, I'll cook you something." he hummed quietly at the rap lyrics, then started singing again at the chorus. My abdomen was beginning to cramp slightly. It was late and I was in no mood for this. Just wanted to get home and study for the last time. I had a test tomorrow. My last test that I needed to focus on. None of this else. Me: "you should take your things Lukhanyo, and go back home." I said when he parked in my yard. He slightly turned down the volume to this song. Luks: "won't you need your books and notes?" Me: "what are you talking about?" Luks: "uthe mandithathe okwam ndihambe kaloku, so should I get your books ubeno funda kakuhle endlini?" Me: "I do not belong to you." Luks: "absolutely not, you are your own person. Kodwa at the same time, I was told to protect you. You were told to fix our home. Sobabini besikhona kamandi." Me: "I just need some time Lukhanyo. This is a lot to" I held my tummy. Luks: "yinton ngoku?" Me: "just cramps." Luks: "sure?" I nodded, getting out of the car. They were getting worse actually and I was near tears because of the pain. Luks: "Lihle." he caught me by the door. Me: "sibhlungu..." I wailed. He opened the door and helped me in the house. He sat me down then went to the kitchen. Coming back in 5 minutes with a hot water bottle. Luks: "ndizokhabe ndisenza ezizinto kqala vha. Yell for me if you need me." he went about his duties. Pouring elinye iyeza in all the designated corners. I curled up on the couch. He started cooking. I heard oven timers and something smelling nice. I

watched TV for a while until he was done. Serving me a beef lasagna with melted cheese. Me: "This, you need to teach." Luks: "ndiy'funde on some book." we sat and ate. Luks: "zinjani cramps." Me: "better. Enkosi." Luks: "I hope awumithanga." we laughed. Me: "no, don't joke like that." Luks: "I was just expressing wethu. Andik'valeli." after a few minutes of silence. Luks: "so, what are we going to do?" Me: "I don't know Lukhanyo. I'm just not ready. We have so much history. I don't want us to do something that will make us live miserably. Or sithi singavani apha we say something that will hurt the other and remind them of the past. I don't want us to ruin this, siyavana siyancokola and we are a team with no complications." Luks: "so lento ithethiweyo pha awuyivanga or is it just me?" Me: "that kuzocitheka igazi? There's no such man babe. Lizocithwa yinton xasithetha kakuhle with each other?" Luks: "iintshaba Lihle. Ukuxelele about the pains in your tummy long before they occurred. I know I didn't believe ekuqaleni, kodwa ngoku I'm more certain and uyayazi ba andifun niks ngawe." Me: "I can't do this Lukhanyo. Really. I am unable to. I need to study." I got up and went to my room to study. It was just 3 hours later when he came running into the bedroom. I looked up from my notes. Luks: "Lubambo." was all he breathed. Me: "utheni?" I stared at the phone in his shaky hand. Luks: "nxiba Lihle! Lubabalo uthi they just admitted Lubambo esbhedlele."

Nathi sat with his bowl of cereal on the couch. Yonwa: "Tata." Remy: "now is not the time Yonwabisa. Awuna homework?" Yonwa: "yes. I'm finished." Nathi: "Iza ngapha my love. Let's watch something." Yonwa: "daddy? Are you okay?" Remy nodded. Remy: "I'm perfectly fine princess." Yonwa: "its late tanci. We'll watch tomorrow." Nathi: "okay babe." she kissed her dad goodnight and ran up the stairs to bed. Nathi: "what is it." Remy: "someone tried to kill me today." he stared straight at the TV. Nathi: "what!! How!! Where!! Uyile Kwamapolisa?" Remy: "no." Nathi: "why!!" Remy: "because when Lihle told me this, I thought she was over reacting." Nathi: "her husband.....is trying to kill you?" Remy: "no. The father in law said kuzobulawa wena." Nathi: "that is just a distraction! Why would he want to kill me?" Remy: "maybe because you're my brother and he wants to hurt me." Nathi: "or maybe she's lying. Maybe its You they want to get rid off bazulisa ngam. How did this happen?" Remy: "I was going to her place. Nowhere near but not too far. When this BMW, black tries to run me off the road. In a freeway ke Phof. He closed in on me ndabona kuvuleka vestire when the passenger pulled out the gun I hit my brakes immediately by the time they stopped I'd pushed forward again. I managed to lose them. I just came back home. I'll need my car back tomorrow, wena utshintshe lento. Clearly its been targeted." Nathi: "but I love my Range though." Remy: "are you trying to die?" Nathi: "no." Remy: "Then do it!" Nathi: "Remy. What's going on?" Remy: "nothing, I

just need some time. I'm thinking of going to Durban for a while." Nathi: "so you're going to ask Lihle to join you?" Remy: "No. She made it clear she needed some space and I need to respect that." Nathi: "oh. Did you at least tell her what happened?" Remy: "do I need to report everything to her?" Nathi: "okay, So uhamba nini." Remy: "I'm still thinking about it. I have to report this first." Nathi: "did you catch the number plate." Remy: "It didn't have a number plate. But I know the model. Yileya yam yokqala. I could spot it anywhere." Nathi: "ufuna ndifowne?" Remy: "no, ndizoya ngokwam at the station. I'll ask Frank to fetch me." Nathi: "why ungaceli mna?" Remy: "Nathi we don't know who is trying to do this or why. The last thing I need is for us getting caught up. I'll hire a car at the airport for mna, you can still use Audi yam." Nathi: "okay." Remy got up and walked to his bedroom making the call.

Life can be such a blessing and a curse at times. We brush ourselves at every stumbling block, convincing ourselves that its okay, its just an accident. We celebrate failure of others more than supporting our own selves in the lines of success. We backstab. We betray. We push love away and watch it float unhappily with the wind, not out of choice but out of force. Nothing upset me more than Lukhanyo changing into a beast over a year ago. Yet, If he hadn't, I would've never known my strength. The ability of knowing and accepting, and moving on. I broke down a lot. Yet I have managed to break out of that. I am standing on my own. Luks: "please." he begged. Me: "Lukhanyo, I can't. Andizokuxokisela ndithi we can try kodwa ntliziyo yam ayivumi. I'm not ready." Okay I lied. I was shielding myself from him. I knew what he was capable of and my heart was protecting me. Luks: "Why. Ngu Remy?" Me: "ndohlukene mna noRemy. Oko mos usendlin ndihleli nawe. Did you see a sign of Remy?" Luks: "I don't know what else to do." Me: "Lukhanyo, Bambi just has a high temperature. Do not panic." Luks: "this, is my son. Lihle, I will panic. Andimfuni apha!" Me: "the doctor said we have nothing to worry about." I held his arm. Me: "ndiyayazi nawe you're not ready. For this. The only thing that's scaring you yilento bithethwa ngula Tata." Luks: "you're right. Ndicela undibambe? I feel like I'm falling apart." I hugged him tight. Luks: "akhandithi suffocate me." I giggled. Me: "bendizama ubayi glue kaloku, apparently you're falling apart." he laughed. Luks: "yazi, oko uphezkwam namhlanje. Sivelaphi esisgezo?" Me: "andigezi tu kanti." Luks: "Hahaha. Yeah right." someone walked in the room. "Akusemandi." we looked at him. Luz: "molweni. Lubby said I'd find you here." then there was silence. Lukhanyo just stared at him quietly. Luz: "niright Lihle? How's the baby?" Me: "he's perfect." Why was Lukhanyo so quiet? Luz: "uright mfethu?" Cwaka umntu. Me: "if you can just give us a moment?" Luz: "ookay." he walked out. Me: "Lukhanyo." Luks: "its him...." Me: "hm?"

Ubani?" Luks: "NguLuzuko Lihle. When he walked in, I couldn't talk. I tried...but I just couldn't." What the hell?

Chapter 796

After that whole episode ka Luzuko walking in, we both just kept quiet. Nothing awkward just creepy nje. He sat on the chair playing with his fingers. Zange nda-lost. Lubby came in and walked to Lubambo. Lubb: "boy boy." he picked him up and hugged him. Lubb: "you're such a strong boy wena yazi. You're my soldier. Uzophila sigoduke sibuyele endlini ne? Funeke sihambe apha mntanam." Luks: "Lihle." he whispered near my ear. Me: "hm." Luks: "uyabhala Ksasa. Its almost midnight and andifuni uphose test yakho or do badly due to fatigue and lack of sleep." Me: "andizokwazi ushiya umntanam apha. Especially after he had the nerve to come in here." I hissed. Lubb: "you could at least ask me to leave instead of undihleba. Broadcasting Live on DSTV Compact." Me: "andik'hlebi Lubabalo." Lubb: "I am many things and one of them is not Deaf." Me: "ungabuzi nje?" Lubb: "uyandihleba ke? As if I didn't hear you?" Me: "Andihlebani nawe man." Lubb: "you just said to Lukhanyo I had the nerve to come here as if I don't have the right to see Lubambo." Me: "Lukhanyo khathethe noLubabalo before I lose my patience." I stepped aside. Me: "Lukhanyo." Luks: "hm?" Me: "thetha noLubabalo.." Luks: "ndithini Kuye?" ndaske ndatyhafa. Really now? Lubb: "heh." Me: "uLuzu-" Luks: "Lihle, ndicela uthetha nawe." Me: "thetha." Luks: "phandle." we walked outside. Luks: "let's try and keep this between us. Lubabalo uyamazi lihlanya lomntu. Angambetha ambulale okwe nja if he would find out. I'll fix it." The doctor walked to us. Doc: "Mr and Mrs Mzi. Good news, your boy is absolutely fine." Me: "ndik'xelele. He just missed his mom. Can we take him home?" Doc: "I will just take his temperature and confirm in a few okay?" Me: "thanks." we went in after the doctor. But when she touched him, he freaked out. Lubabalo held him still. Lubb: "shhhh..." he rubbed his back. Lubambo cried his lungs out. I went to fetch him and held him in my arms. Me: "uxolo sthandwa Sam....akaphindi logqirha apha the umntanam. Soze vha. I'm sorry my baby." he breathed, calming after a while. Doc: "wooh. Okay. Take this." I sat down and took the instruction from the doctor taking his temp. Me: "I think ulambile. Ane boy? Lambile indoda ne?" I gave him the breast and he suckled. By the time the doctor came back he was fast asleep. Doc: "he's okay. I'll ask Dr Heins to bring over the papers to have him discharged." Luks: "thank you." she left the room. Lubb: "I'll fetch his medication." Luks: "enkosi bafo." Lubby left us in the room. Luks: "so, you don't believe any of this is-" Me: "I don't want to strain myself ndicinga ububhanxa. You do

what you have to do." Luks: "if I'm to do this, I'm going to need your help." Me: "K Lukhanyo." he lifted my chin up. Luks: "what have I done wrong now?" Me: "nothing. I'm just not in the mood wethu. And ndifuna ulala." just then Dr Tomato-sauce-name came in and we signed then left to look for Lubabalo. I don't understand how Luzuko just came here to look at us and leave. I don't see ncam where he really featured. In any case, enough about him. At the parking lot, I went inside the car with the baby. Lubby and Lukhanyo were outside talking. I couldn't make out what they were saying but Lubabalo looked really pissed off. Lukhanyo on the other hand failing dismally to calm him. Did he tell him? Maybe he told him. My phone rang and I checked the screen, ignoring it. I didn't have the time to entertain ooNamhla mna. I stared at these two trying to figure out what exactly was going on. I opened the window a little so I could hear some voice. Luks: "Lubabalo, this is best for everyone-" Lubb: "Lukhanyo, sundixelesa i-shit mna. You're doing things very differently ngoku! We share our children and our bloody lives, now I'm being shut out. Andiyazi kwenzeka ntoni. You've disappeared so many times, andikwazi noba ulala phi. How am I supposed to feel?" Luks: "I need you to be patient." Lubb: "patient huh?" he said as he walked away. Luks: "Lubabalo! Suyiyenza lento." Lubb: "you are hiding things from me Lukhanyo. Important things! All you ever do these days is ukundisenga until I'm emotionally dry. I have to nurse your feelings and when you want to put me down, I must be patient. Awuyiyo icherrie yam and andikumithisanga. Andizomelana nalonto ke mna." Luks: "I am trying to protect-" Lubb: "protect your damn self." he shut his door and drove off. Lukhanyo got in the car. Me: "and then?" Luks: "I just want to get home and sleep." where's home? I wondered. He drove the car back to my house and we went in. Luks: "iyani eroomin. Ndizoba busy nale shandis." I giggled. Me: "do you need help?" Luks: "please mamgwevu." I went to put the baby down ndabuya and kneeled next to him as he burnt the incense. He looked nervous and shaky. Me: "uzazitshisa yazi." I took the matches and started again. Luks: "kuthwe masihambe ngayo indlu Yonke ungathethi nto." Me: "then thula." I whispered while he followed around me, coughing. After we were done, I made sure the burning had died down. I went to my room. Luks: "ndilale phi?" Me: "find a spot Lukhanyo." Luks: "why uyi weather? Uyanditshintshela then uphinde ube nice. Kwenzekani kanti?" Me: "I don't know. Sometimes you just annoy me." Luks: "oh." I got into bed next to my Baby." he was still sound asleep even snoring. I kissed his chubby cheek and laid my head next to his. Luks stood near by. I saw a flash and looked up at him. Me: "wenzani?" Luks: "tshintsha wall paper yam. Khabengathi ulele, I want to take another one." I don't know whether to laugh or yell. I just don't know. Me: "Lukhanyo. Awunolala?" Luks: "khandiphe ingubo kalok, I'll be in the other room."

Me: "vula pha kwi cupboard." he took out the blanket. Luks: "goodnight guys." he walked out. Me: "uyandibhida utatakho boy." I settled into a sleepy note. Luks: "LIHLE!!!!!!" he screamed. I jumped up in shock and listened again. Was it him? Oh yes. He barged into the room holding a broom and spade. Me: "what? Wenzani? Uzovusa umntana man!!" now I was the pissed off. Luks: "There's...a snake. Other bedroom kukho inyoka." I shivered. Inyoka? I got up and went out to the room and there it was laying in the middle of the bed. Me: "Lukhanyo..." Luks: "you need to get out of that mental state and help me ke sisi. Ina," he gave me the broom. Luks: "push it off the bed." Me: "are you fucking crazy!!" Luks: "enza man LIHLE! Push it off!! I need to bash its head on the floor. Be quick!" Me: "Lukhanyo please." Luks: "baby, ndiyak'cela. This is the last I ask of you. Please. Push it." he gave me a gentle shove to the side. I was shaking. I didn't know how to do it. It was long and thick and slimy. I was going to throw up. Luks: "now Lihle. Ayik'jonganga. Do it!" I quickly scooped it with the broom and threw it on the floor, he wasted no time in bashing it to death then stabbed it through the neck dislocating the body from the head. I was still shaking. Crying uncontrollably. Suddenly ndangu Lubambo. How did this thing get into my house? Akukho mahlathi apha. Luks: "come." he picked me up and closed the door. Luks: "you okay?" I shook my head. He put me on the bed in my room. Luks: "mandi-cleane la mess pha. Uzokwazi ulala?" I shook my head again. I was just numb. Luks: "wait for me ke ndiyabuya." he got up and went there again taking plastics with him and cleaning supplies. I couldn't get the image out of my head. When he chopped its head off. It still gave me cold shivers. I went to my en suite and washed my hands ndabuyela ebhedin. He came back after a very long while. Luks: "done." he went in to wash his hands too then came back. Luks: "come..funeke ulale. Its almost 2." he put Lubambo on his chest when he got into bed. I moved closer to them and closed my eyes to sleep....

In the morning, I woke...feeling soft wet kisses on my face. I opened my eyes. Luks: "nguLubambo." he confessed. The baby giggled. Me: "niyandiqhela yazi. Xanidibene? What's the time?" Luks: "its 7. Ubhala nini?" Me: "at 1." Luks: "oh that's amazing. So you can get in a little more rest." Me: "no. I need to study-" Luks: "you've studied enough. If you start forcing it, ingqondo yakho won't be able to take it and you'll black out kwela phepha." I sighed. Luks: "breakfast?" Me: "get out of my bed." he smiled. Luks: "Lubambo is the only person with authority in this bed. Andithi boy? You are the King. He's been kissing you ever since evukile." Me: "I wonder uncediswe ngubani." Luks: "I wonder." I sat up. Me: "thanks for last night. I don't know what I would've done." Luks: "called me perhaps..." Me: "probably not." Luks: "wow. Mandiyokwenza into yokutya. What do you feel like?" Me: "scrambled eggs, pork

sausages, buttered toast-" Luks: "and mushrooms. Done. Bamba ke." he gave me his baby and went to the kitchen. I went to the bathroom with him on my arm. Brushing teeth etc. I went to the kitchen to join him. Luks: "I think Lubabalo is hiding something from me." Me: "so are you." Luks: "no but mna ndine reason." Me: "doesn't he? Just ask him." Luks: "I can't seem to get hold of Stuja." Me: "eh. Uyathanda uzi stresser wena." Luks: "ayinoba nguwe lutshoyo. Anyway, I think funeke kuze abantu to exterminate apha. What do you think?" Me: "there is no need. We both know that its not a natural situation where snakes crawl out of suburbs into open windows. How long has it been here? Kuthen izovela xasigqibo qhumisa?" Luks: "oh, so now you believe?" Me: "I am just saying." Luks: "sausages." he dished the sausages, loading the mushrooms in the pan. Luks: "ufuna sithini ke? Wait for another one to crawl out? Mind I remind you, sinabantwana. And one of them is staring up at you like you're the most stunning creature he's ever seen." I looked down at my baby on my lap. His eyes wide open and mouth open, he was staring right up at me. Me: "ncoooh bethuna. Hello my baby." I kissed his lips. He hid his face in my chest. Me: "I wonder ufuze ban ngeentloni." Luks: "ufuze utatakhe." Me: "oh wow. Did you hear that baby? I hope awufuzanga nobuxoki hey." Luks: "its too early for isgezo." Me: "ugqiba nini." Luks: "almost." we chatted throughout breakfast wayovasa umntana while I went through my notes one more time then went to shower. I got dressed in skin tight denim jeans, brown gladiator sandals and a grey baggy vest. I took my sunglasses, wearing my watch. Luks: "yabona ke boy? And that's how a man gives up his salary." Me: "I need to get going. I'll see you two later. Cela ubuye nabantwana bam Lukhanyo." Luks: "okay. Good luck." I kissed Lubambo. Luks: "mna?" Me: "bye." I took my keys and dashed out, bumping into Lubabalo on my way out. Me: "hi, bye." Lubb: "hel- bye-ukhona lomfana? Where you running to? Wait for me!" Me: "he's inside there. I'm getting late." I drove out.

Lubb: "Lukhanyo?" he walked in. Lubb: "Luksy?" Luks: "bedroom." Lubby walked to the room. Luks: "yey. Andisozeli. Hold my boy please." Lubby took the baby. Lubb: "so ulala apha?" Luks: "only last night." he crawled into bed. Lubb: "oh." Luks: "nothing happened." Lubb: "I know." Luks: "bukhe wathetha noStuja?" Lubb: "I need to tell you something." Luks: "what?" Lubb: "utatakho nguye othume uStuja ku-Boa." Luks: "he didn't tell me that." Lubb: "he was scared of you Lukhanyo. Silulamile is supposed to be our little brother. Suppose siyam'protector kwinto ezinje. Matter of fact, we're supposed to encourage good in him, but instead siyamhlohla ezintweni ezimbi and to clean up our mess. Besirongo kodwa bra. Kunzima Kuye ukuba makathethe nathi kuba he feels as if we regard him as umntu osisebenzelayo." Luks: "ndiyakuva Lubby. What I don't understand is Utata dragging him down like this.

Bekutheni zangazi kum? Why target uStuja knowing well he won't be able to say no." Lubb: "then I don't know." Luks: "so now what? Did you manage ukhupha Stuja kule way?" Lubb: "ewe. I-" Luks: "shhh. Don't tell me." Lubb: "why?" Luks: "I don't need to know. Let's take a walk." Lubb: "ubuthe uyozele." Luks: "I did. I want to be active." he got dressed, pulling on a blue cap on Lubambo's head. They walked out the house locking it, strolling with the baby to the mall. Luks: "so, ndiye kwinyanga." Lubb: "as in sangoma? Why?" Luks: "qho xandilala endlini, ndiphupha kakubi. Ndiphupha ndibulawa. Being stabbed. Ngamanye amaxesha ndiphupha ndiphethe ilokhwe ka Lihle. Inegazi. But every night I spend at home, is nightmare after nightmare." Lubb: "okay. So uye wathi kutheni." Luks: "uthe ndine enemies. Abantu abafuna undibona ndifile. Or ndihlupheka. Uthe uLihle uzoqaqanjelwa sisibeleko and that she must fix our home. The only problem is that she doesn't believe it. Akafuni nova. Ubuya kwethu pha, uye wabhlungu nyani amazantsi esusu and she still didn't believe. Lubambo got sick, out of the blue. And when we got home sayolala. I went to the other room ndafika kuhleli inyoka on the bed." Lubb: "are you fucking serious? This is hectic. Who is doing this?" Luks: "uthe uzozeze. But get this. Inside the hospital room, kungene uLuzuko. I couldn't speak. I just stared at him. I lost my voice." Lubb: "whaat." Luks: "lomntu undihlabayo emaphupheni is a reflection of me Lubby." Lubb: "he's the one okuhlukumezayo? Heh. This boy doesn't know me. Yazi. Abantu bayathanda njee, utesta mna as if ndiyi aids. All they ever do is test me. Andinguye ke mna ugqirha mntase khaya ii-patience andinazo tu. If I get my hands on him. I will beat his witch craft arse hole out his mouth. He doesn't know me at all." Luks: "myeke man Lubby. Its deeper than that. A lot deeper. This is why ndingak'xeleli." Lubb: "he must stay away from me before I show him the flames. Inyawo lam ke mna liyeza lam, I'll shove it deep down his throat." Luks: "can you relax?" Lubb: "so uthini uLihle?" Luks: "Lihle akandifuni isixhosa. She loves me, I know that, I feel it but she doesn't want me." Lubb: "utshilo?" Luks: "ewe. After everything we've been through, she says its not going to work." lubb: "and you feel otherwise." Luks: "I feel like I can do better than before, you know? Make her proud." Lubb: "hm..." Luks: "nawe you don't believe me?" Lubb: "I believe in you. I know you have it in you. Its just going to be difficult for her. You need to understand that. Not because of how you hurt her, but because of how she hurt you too. Do you think the only thing that's on her mind is what You did? She thinks about it all, and she spoke to me about it some time ago." Luks: "wathini?" Lubb: "she said she's embarrassed, about the whole thing. Uzubuze kuBenny if you think I'm lying. After Ta Seez passed." Luks: "so, basically akandifuni because of.....you?" Lubb: "ingqondo yakho i-short ke wena. I-short nyani! Do you not hear the word embarrassed? Just try and understand uhlobo aziva ngayo naye. Its not

easy. You're bound to feel emotionally hurt somewhere along the line when the past slaps you in the face and reminds you of everything." Luks: "okay. Ndicela uvale umlomo uyanditshintsha." Lubb: "but ndithetha inyani." Luks: "Thula. I don't want to hear. Matter of fact ndiyajika apha mna." Lubb: "Lukhanyo... This isn't to discourage you. I heard you pray once, qhubekela wenze njalo. I'm just telling you, akuzoba lula and you're going to need to be patient. You're going to need to be understanding. And only when she's ready. If you keep pushing at this point uzom'balekisa." Luks: "Lubabalo." Lubb: "fine.. Ndithule." they turned around and walked back in silence. Lubb: "so this was nice. Hey? Walking for a change. I feel like I dropped a few kilo's." Luks: "did you leave the door open?" Lubb: "and why would I do that?" Luks: "because its bloody open!"

Chapter 797

After my test, which went very well. I walked out of campus feeling happy. I needed to get home. Spend proper time with the kids and- My phone rang just then. Me: "hey." Remy: "hi. Unjani?" Me: "I'm Good. Wena Unjani?" Remy: "I'm good too. Just wondering if you're okay. Uthule." Me: "I'm fine. Ndiyabulela." Remy: "nice. Well, uhm...I wanted to let you know ukuba ndiyakucinga that is it." I felt so guilty. Like I just put him in the dumpster outside and forgot about him. Me: "ucinga ntoni ngam Mr Lechaba." Remy: "nothing other than your smile." Me: "aww. Sweet." Remy: "how was your test?" Me: "I think I did well. And your surgery?" Remy: "well...I couldn't do it. The tumor is in a very difficult place. Its circling the spine. If I continue I might paralyze this man if not kill him." Me: "I thought you were only about the brain." Remy: "I have other talents." Me: "so uzothini kengoku? This patient is depending on you hey." Remy: "I know, its not that easy though. Yena he just wants his life, legs don't matter." Me: "and you're afraid you might make a slight mistake." Remy: "yes." Me: "then use your fear as inspiration. Its there to motivate you. You are brave and a great doctor. That's why they've chosen you." Remy: "thanks." Me: "think about it. Okay? You'll be making a scientific break through. Do not let fear stand in the way of your success." I could hear him smile over the phone. "Lihle!!" someone yelled at me. I looked up. Me: "Remz, I'm gonn have to go okay?" Remy: "alright, enjoy the rest of your day." Me: "I will. You too." I hung up. Namhla: "mntase!" she ran to me. I really couldn't be bothered. Me: "yintoni ingxaki?" Namhla: "I missed you. Awuphenduli calls zam. Its been weeks!" Me: "Namhla, I'm not following. One minute, niyandifokofa ekhaya, along with uSis Thenjiwe. Next thing you miss me. How does

this work? Tell me." Namhla: "haibo Lihle. You chose to leave." Me: "under what circumstances Namhla? Andikwazi uzofuna nton apha. Really." I walked past her to my car. Namhla: "Lihle, umamakho uyagula." Me: "mse sbhedlele kalok Namhla. You're her daughter now." Namhla: "she can't move." Me: "ufuna ntoni ke? Ndicele uLukhanyo ayogintsa to pay for her medical bills so that she can throw it back in his face, kick me out her life and abuse our kids?" Namhla: "she would never do that!" Me: "then who did? You?" Namhla: "no!" Me: "khasuke Namhla, I need to get home." Namhla: "Lihle please. She needs your help." she cried. Me: "MY help? Are you sure? Because the time umama wayendithuka endlini with my children, you didn't seem bothered. At all. Why should I?" Namhla: "Lihle, please." Me: "if uSis thenjiwe is sick, she should call people that she wants in her life." I got in my car, reversed and drove off. I drove all the way home. I didn't even know if I wanted to go home. I parked my car. Great. Lubabalo was still here. I passed his car into the door, heading for my room. Lubb: "look who's home!" Luks: "hey!" I shut my door and locked it. Luks: "Lihle?" he knocked. Luks: "uright? Is it the test? I'm sure you did your best sweetheart. Iza, we'll talk about it." I wiped my tears, crying as silently as possible. I didn't want his help or kindness. I didn't realize how my life changed. How I grew apart from my mother, found my father and lost him again. How? How does life become so bloody unfair!! Lubb: "Lihle? Ndicela uvule hun, you're worrying me." I was deep under blankets, my face buried in my pillow to suffice the sniffing and quiet sobs. Luks: "I'm going to break this door." Lubb: "unfortunately, you can't. When I had it installed, I made sure-" Luks: "you're dumb, you know that? U-DOM!" finally he walked away from the door. Lubb: "you just giving up?" Luks: "break the door then Lubabalo. Ufuna uthini huh?" Lubb: "well. Talk." Luks: "I don't know if you've just elevated to another level of stupidity or what." Lubb: "just stand there by the door and talk to her. Go." he whispered. Lukhanyo went to the door and sat down, his back against it. Luks: "so, how was your test?" he asked. Lubby put his hands on his hips. Luks: "I took a walk today, I got a bit of work done. I managed to clean apha. Not much exciting." he kept quiet avoiding another disappointed look from Lubby. Luks: "I remember a time...okay I'm lying, I might not remember specifically but, we were home, mna, Luthandoluhle. We cooked for you, made the house beautiful, sidlala umculo. When you came home, it was the best time of my life. When you taught me how to change diapers. Oh and I remember uhlobo ubuthanda undi shouter ngalo. But you'd always wake up every morning and make me breakfast. I remember a time, where I and our kids were your primary concern. Those were the best days of my life. Sisiya eJeffreys bay, as a family. Sisiya ekhaya elalini. Now all I'm trying to do, is to heal the part I broke. Even if its not for me. Ndifuna ukwazi uncokola nam, as a

friend if possible. I just need to know you're okay." I sat by the door. Me: "I'm okay."
Luks: "awulambanga?" Me: "no. Ndifuna amanzi." I heard him get up and bring back a
glass of water. I opened the door, he came inside. Me: "where's Bambi?" Luks: "ulele
kuLubby. I brought your favorite." I took the Woolworths tin roof ice cream tub and
crawled into bed. He took off my shoes. Luks: "so ufuna undibalisela why you're in
bed with your shoes on." Me: "ndidibene noNamhla. She says umama uyagula. She
was crying." Luks: "wathini wena." Me: "I kind of brushed her off and left." Luks:
"why?" he licked the scoop off my spoon. Me: "I don't want to face them." Luks: "well,
as much as nam I feel the same kodwa we can't forget that she's your mum. Can't
forget the 20 years she invested in raising a beautiful smart lady. Maybe she had faults
recently, but you can't crucify her because of the temporary feeling of abandonment.
I wish I had the chance, of meeting mine. Every day. Just to see her face. Iya
kumamakho babe. Hear what she has to say." Me: "I like this you. Kind, considerate.
When is the expiration date?" Luks: "I am going to take that, as a compliment Miss
Manti. Since you're all single now." Me: "indeed I am, Mr Mzinyathi. Is there an
issue?" Luks: "nope.. Ufuna ndikukhapha?" Me: "ndiyaphi?" Luks: "Motherwell
obviously." Me: "I haven't decided if I'm going. I need to enjoy my day." Luks:
"nyani....? Okay then. Let me let you enjoy your day." Me: "wait..." he stopped. Luks:
"yeah?" Me: "injani preparation ye-party yenu? Isn't it next week?" Luks: "you
remembered." Me: "of course I did. Do you need help?" Luks: "no thanks, Lubby is in
charge, and if I want to live to see that birthday, I am not going anywhere near those
plans." I giggled. Me: "so uyaphi ngoku?" Luks: "well, to find something to do." Me:
"then I'm coming with you. No way I'm staying here alone after izolo." Luks: "sure?
Bendizoya to the office." Me: "let me wear shoes." I opened my wardrobe, searching
for shoes. Luks: "shoes? You look pretty in sandals." Me: "ndiyayazi ke uyaxoka
shame." Luks: "yeah well, amagwinya akho look cute in sandals." I took out black lace
up heels. Luks: "are we going somewhere?" Me: "tie this please." he tied the laces of
my heels, my jeans were rolled up over a little my ankle. Luks: "wow." Me: "done." he
patted under my eyes with his thumbs. Luks: "andifuni ukubona ulila ndikhona
uyeve?" Me: "I wasn't crying. I'm not weak." Luks: "uzucimbe ndinguLubambo ke." he
opened the door and I walked out. Lubb: "well finally! Wooh girl, where you off to?"
Me: "work." Lubb: "huh?" Luks: "the office." Lubb: "oh. Okay." Luks: "uhlelele Ntoni?
Let's go." Lubb: "I look like a hobo compared to you guys." Me: "oh please Lubabalo.
You're dressed in Balmain, HOW do you look like a Hobo?" Lubb: "you do have a
point." Luks: "ungene ku whatsapp, I sent you a chain." Lubb: "I'll be driving. And
mna ndizohamba naban?" Me: "you guys, go together, I'm taking Lubambo." Luks:
"are we changing direction?" Me: "I think I want to go have a look. Just once, then

ndizonifumana at your office." Luks: "you gonna be okay?" Me: "yes. Stop fussing. Make sure you lock." Lubb: "great! We're having dinner tonight, my mom and dad are landing soon, Liya is coming over with Luya. The twins are already pha kum. We'll be a family." Luks: "you okay with that?" Me: "okay. Just dinner." Luks: "yes. Just dinner." I buckled my baby into his car seat. Luks: "be safe babe." he held my forearms gently. Me: "its not like I'm going to war. Relax." Lubb: "ahem." Luks: "okay. Bye then." he opened my door and I got in. For a second, I sat in that seat and wondered what the hell was happening in that man's mind. Was he okay? I drove off.

Lukhanyo locked the house. Luks: "you okay? You've been quiet for a few seconds." Lubb: "I'm fine." Luks: "you don't look fine. Talk to me." Lubby smiled. Lubb: "I never realized what love is until I saw the way you looked at her just now. Its beautiful." Luks: "Lubabalo. Are we going to have a problem? Because if we are then I need you to speak up kwangok-" Lubb: "my main priority is making you happy, seeing other people make you happy, that makes me happy. When you're not happy, I'm affected, directly. What you feel, I feel. I love the happy. Keep the happy up." the drive to the office was a quiet, unquestioned one. Luks: "thank you." Lubb: "for what?" Luks: "for being a big brother and taking care of me and my happy." Lubb: "okay. Just one thing." Luks: "he is not allowed near me." Lubb: "he's a great guy-" Luks: "I Hate Him!" Lubb: "well, There's one thing you have in common! Just try, please." Luks: "No." Lubb: "Lukhanyo, Benny is my best friend. I can be happy for you, try and make an effort by my side." Luks: "Lonwabo and Soma are your best friends. Not Him. He is a freak." Lubb: "is that what you think of me? A freak?" Luks: "No. Awufani nalamntu." Lubb: "do you really believe that?" Luks: "Lubabalo he lived in the woods. His whole life. He is an animal. He kidnapped uLihle." Lubb: "I've never judged you or your decisions. I've always stood by you. Why can't you do the same for me?" Luks: "Fine!! Fine!! Angak'linge andiqale ke mna." Lubb: "he doesn't even like you. Uzak'qala athini?" Luks: "mxim.." they got out the car. Luks: "I was thinking..." Lubb: "nothing good ever comes from you thinking." Luks: "I want to surprise uLihle." Lubb: "with what? a boat?" Luks: "hayi man. I was thinking along the lines of a spa treatment." Lubb: "oh?" Luks: "yeah. Just a day away, to herself. Relaxing." Lubb: "sounds like a nice idea. Would you invite Remy too?" Luks: "Mxim." Lubb: "he's such a nice guy that one. Totes smart. We vibe." Luks: "really? Maybe he should adopt you then." Lubb: "I smell jealousy." they walked in. Lubb: "SOMA!!" he hugged his friend. Lubb: "my favorite human." Soma: "usuke kum. Uzazi wedwa ba awutyi drugs wena." Luks: "molweni." Soso: "hi." Lubb: "Human," Soma: "stop calling me your human. Its barely two minutes and I've had enough of you." Lubabalo clung onto him. Lubb: "bendikukhumbula. You know, I have a lot to share with you. Switch on your

Bluetooth." Soma: "can someone please help me?" Luks: "undidike mna kqala. I just can't-" he stopped and stared at the entrance. Lubabalo too. Lubb: "I think I have work to do." Luks: "uyinton apha." Zakes: "pretty nice place ladies. Is it a good investment?" Lubb: "ladies?" he chuckled. Luks: "ufuna nton apha Tata." Zakes: "is it such a crime? Uzobona oonyana bam? In their very sophisticated premises?" Luks: "why." Zakes: "why? Bendifuna unibona qha. Anyway, where's your younger version." Luks: "I am not Luzuko's keeper." Zakes: "ndizasithin esosmenqe. Ndifuna uSilulamile. Seemingly, he's disappeared off the face of the earth. With his family. Coincidence?" Luks: "probably not. Maybe ukwi holiday." Zakes: "nyani? Phi?" Luks: "ndizomazelaphi mna?" Zakes: "Lubabalo. Speak." Lubb: "Lubabalo? Lubabalo?" he looked around. Lubb: "ulahlekile ke lomfana. Lubabalo? Show yourself please." Zakes: "Lubabalo Andrew Mzinyathi. Look At Me. And Speak." Lubabalo stepped closer to him. Lubb: "Morrison. First things first, you do not get to order me around I am not your puppy. Secondly, if you ask me a question, step off your platform, you do not command. Anything. from Me. Thirdly. And lastly. Get the fuck out my building, Judas." Zakes: "I've always known, you're the one with balls. Tell Silulamile ndimlindile. He better show up by nightfall or hell is about to break loose." Lubb: "then you've never seen hell the way I'm about to set it up, they don't call me Lucifer for pleasure. Sime ngawe." Zakes smiled. Zakes: "first born ka yihlo." he walked away and out the building.

Sibongile sat home in her couch, waiting for Sbu to come home. Finally, she heard a car engine outside but that didn't sound like Sbu's car. She peeped out the kitchen window. A brand new red VW Scirocco with a black roof and rims. Sbu got out of it and walked toward the door. She quickly repositioned herself back on the couch. He opened the door. Sbu: "My babies." he kissed her cheek. Sbu: "sthandwa sentliziyo yam." he kissed her forehead. Sbu: "mama womntana wam." he kissed her lips and her tummy. Sbosh: "he's been kicking all day." Sbu: "nyani? That's good." he sat next to her and rubbed her tummy. Sbu: "hey soccer star ka Tata. How you doing in there? Udlala tournament naban?" Sbosh: "so binjani mini yakho?" Sbu: "it was great. I bought a new car." Sbosh: "you did what?" Sbu: "ewe. Its right outside." Sbosh: "we did not discuss this." Sbu: "how come we get to discuss what I do ngeyam imali and not discuss yours?" Sbosh: "that's being unfair! I buy necessary things!" Sbu: "oh? As if you don't have that many shoes? Clothing? Make up? Every day, you're home with something new, why can't I buy anything?" Sbosh: "inkulu imoto Sibusiso!" Sbu: "babes, umkhulu nawe ebomini bam." Sbosh: "but you could've told me!" Sbu: "I'm sorry. I thought I would surprise you." Sbosh: "surprise me? By wasting money?" Sbu: "by giving you freedom." Sbosh: "what freedom?" Sbu: "babe you need to get to places,

Sbu: "yes. I hope my baby likes red. Izobona." Sbosh: "wait..." Sbu: "and now?" Sbosh: "ngubani uBlood?" Sbu: "ubani?" Sbosh: "uBlood!" Sbu: "I don't know who you're talking about." Sbosh: "he was here. A few days ago. He said to tell you he came by, uthunywe nguSthera. Now what I don't understand is what you're doing with the likes of him." Sbu: "well, if I knew who Blood is. I would probably know what I wanted from yena. Izobona ke." Sbosh: "how did you afford it." Sbu: "yikaka kengoku Le undibuza yona." Sbosh: "I am curious! Out of the blue, you bring home a car." Sbu: "I can afford everything I buy! Ndiyaphangela damn it!" Sbosh: "you're not telling me everything." she folded her arms. Sbu: "ufuna ndithini ke! Ndithi ndiyibile?" Sbosh: "I'm calling uLukhanyo. If you do not tell me the truth." Sbu: "Sbosh, baby, please. Listen. I had savings, its a second hand. I loved it, ndayithengela wena. Beka phantsi phone." Sbosh: "what savings?" Sbu: "from 2009. Sbu: "over R300k." Sbosh: "phi?" Sbu: "Tavcor. In North End." Sbosh: "Sibusiso, There's something you're not telling me." Sbu: "I promise I will never lie to you M-.....Sbosh." Sbosh: "what was that?" Sbu: "nothing." Sbosh: "Sibusiso!! Who is this M for?" Sbu: "for mama!! Before she passed, she made me promise. She's the only one, who's ever made me promise." Sbosh: "you never told me your mother passed." Sbu: "you never asked. I need to go shower." he went to the bathroom and switched on the shower. He had left his phone behind. She took it and looked through the messages. No M names. Nothing much but unsaved numbers. The recent message: Job scheduled for today. Get ready. -Blood

Chapter 798

I was in my car outside my mother's house, debating with my sub conscience whether I should go in or run back. I got out my car with my baby and walked to the door. Namhla opened before I even knocked. She held her mouth with tears streaming down her face. Namhla: "Lihle..." she gasped. Namhla: "dabs nanku Lihle." she opened for me ndangena. Me: "kwenzeka nton Namhla." she took me to the bedroom where my mother lay on the bed coughing. Me: "hello." I didn't know what else to say. I felt like I was looking at a stranger to be honest. She slightly turned her head to look at me. Ma: "Li...hle." she was really weak. Me: "kwenzeke ntoni." Namhla: "she can't walk. Uveske wavuka one day engakwazi ukwenza nto. She keeps getting weaker."

Me: "kwathini angasiwa esbhedlele?" Namhla: "bathi ababoni nto Kuye. They can't explain what is wrong." hayi njani kengoku? I dialed a number on my phone. He answered. Me: "Remz." Remy: "hmm...I wonder what do I owe this surprise.." Me: "actually I need your help." Remy: "anything for you.. Name it." Me: "my mother is sick." silence on the other side. Remy: "oh?" Me: "ewe. Bedridden. The doctors can't find anything wrong with her." Remy: "so.... what now." Me: "can you please check? I know you're the best Remz." Remy: "If other doctors can't find anything, I don't know if I would. I mean, I might be good but I'm not God." andatyhafa. This was the first time I ever heard irritation in his voice. Me: "you don't want to help me?" Remy: "I'm not helping you here, I'd be helping your mother. The same woman who speaks to you like dirt and beats your children." Me: "Remy, ngumamam. She raised me. Even if she did all that recently I owe her at least this one try." he was quiet for a while. Remy: "I'm only doing this because I love you. Like I said before, your well-being is my priority. If you're able to bring her to the hospital today, I'll check her." Me: "thank you so much Remz." Remy: "don't mention it." I hung up. Me: "khamise amanzi ndizomvasa siya esbhedlele." Namhla rushed to the bathroom, pouring warm water in the small tub yagcwala vaskom wayizisa eroomin. She took Lubambo from me. I proceeded to wash my mother carefully. She breathed irregularly and muttered izinto endingaziviyo. Me: "how is school?" I asked Namhla. Namhla: "I'm doing great. Second year is done. Last year bendifumene distinctions, I doubt k'lonyaka though. But I think I did well." Me: "just trust yourself. You did good." Namhla: "yeah." Me: "yinton?" Namhla: "we broke up with uThulani." Me: "why did you do that?" Namhla: "I didn't. He did." Me: "uthe kutheni?" Namhla: "uthi we've changed. And he needs himself more. He says akafun ulibazisana nam." Me: "how?" Namhla: "its just an excuse wethu Lihle. He's with someone else. I know it. Just when you start getting comfortable and everything is fine. Kufika uSathana, but I'm okay." Me: "good. Focus on your studies. Especially now you're in your final year. You must definitely put out your all. Usafuna uya eUniversity after this?" Namhla: "no. I want to get a job and start supporting myself. Even now, I thought of getting a holiday job. To keep busy and have pocket money." Me: "good idea." Namhla: "and you...? How's Remy?" Me: "he's perfect." I finished washing umama. Ndayomkhuphela impahla. Namhla: "what's he like?" Me: "just perfect." I smiled. Namhla: 'kengok Kuthen umfihla?" Me: "you'll see him in about an hour mos. Uzobona what I mean." I dressed umama and helped her up. It was impossible. I couldn't cope at all. I went outside to Tyler's house ndamfumana ekhona shame in his flat. Me: "friend." Tyler: "hey!! Nanku lona. Unjani." Me: "ndiright wethu. Wena?" Tyler: "ndigrand mtshana." Me: "khandincede wethu. Ndifuna ukusa umama esbhedlele." Tyler: "okay. Uright Phof?" Me: "eh,

Namhla watixa endlini. And we all left for the hospital. When we got there I got a call. Lukhanyo. Me: "hey." Luks: "hi. Is everything okay?" Me: "yes. Everything is perfect." Luks: "Kuthen ndingakukholwa nje. What's going on?" Me: "sisesbhedlele." Luks: "what? Why?" Me: "sizokwenza check up qha. Don't worry." Luks: "nikwesiphi isbhedlele." Me: "please trust me. I'll sort this out okay?" Luks: "okay. Useza kwi dinner?" Me: "yes. I'll be there." Luks: "alright. Please update me." Me: "I will." I put down the phone. I got a nurse inside to bring a wheelchair and then I notified Remy who came to collect us. Lubambo was fast asleep in my arms. Remy: "molweni." he had a big smile on his face and his eyes shone bright like diamonds. Me: "hi." Remy: "you look amazing." Me: "wena kqala." he looked down blushing. Remy: "well, uhm. There's some forms you need to fill out. Then I'll have her admitted and book for the MRI scan so long." Me: "okay. So how long will that take?" Remy: "it would be best if you went home. They'll take good care of her here. The scan probably will be done tomorrow." Me: "oh." Namhla coughed dramatically. Me: "oh yes. Remy, this is Namhla, my cousin. Namhla- " Namhla: "nice to finally meet you Remy." Remy: "likewise." he smiled. Remy: "izani ngapha. The baby shouldn't be around here." my mother was wheeled away by a nurse with Remy's stern instructions. We went up to his office to fill in everything she needed. Lubambo woke up. Remy: "heey! Nantsi friend yam. Come here big boy." he took him to go play with him. After the filling in. Me: "now what?" Remy: "now, I get to work. I'll update you in the morning." Me: "enkosi kakhulu Remz." Remy: "hm....no problem." he handed the baby over. Me: "goodnight." Remy: "night babe." I hugged him and we left. Me: "uya endlini?" Namhla: "he is gorgeous." Me: "well, I'm sure he knows that. Uya endlini?" Namhla: "well, akhomntu pha and I don't really feel like being alone cela uyondibeka kuSihle." Me: "friend?" Namhla: "yeah. She's in my class. Une flat in Central." she called her friend and confirmed. I dropped her off and went back to my house with my son. First because he needed to change his clothing. He had messed. I also needed to change. When we got home, everything was fine. I changed the boy into blue skinny jeans, a white t shirt and socks. Me: "awusafani notatakho shame." I undressed too wearing a long navy bandage dress and tied my hair. I didn't change my shoes. I took the baby packing a few more of his things and left for Lubby's house.

At the Morrison house. Sebastian and his wife, their daughter and small son had arrived. Thabo, the young boy played with Chumani and the twins in the game room. Sebastian was in the study, trying to finish up work. Lukhanyo and Lubabalo walked

in. His mother jumped up. Mother: "My Baby!" she went up to hug Lubby. Mother: "hi Lukha my son, how are you?" Luks: "I am fine mother, how are you?" Mother: "absolutely perfect. Come sit with me." Luks: "I need to make a call." he went to the kitchen. Lubb: "hawu guy. Okosingaphi? She is coming. Akho need ye worry." Luks: "Khame Lubabalo man." he left. Mother: "what's wrong?" Lubb: "he's trying to reach Lihle. She isn't answering." Mother: "which Lihle?" Lubb: "you know which. I need to check on the kids ma." Mother: "and I need to check on you. What is happening here?" Lubb: "nothing!" he hissed. Lubb: "I need to check on my childre-" Mother: "you will Not speak to me in that manner young man! Fix your tone!" Lubb: "I apologize mother, I just need to go." Mother: "baby." she hugged him. Lubb: "mom please." Mother: "it affects you. I can see it." Lubb: "I want my brother to be happy. He is becoming a better person. And that is the only thing truly important to me at this point. Okay?" Mother: "oh son!" she hugged him again. Mother: "your heart of gold." Lubb: "don't you mean platinum?" he laughed. Lubb: "again, kids." Mother: "okay baby. But come back soon. I need to tell you something about your-" Demi walked in. Mother: "about your father. The way he's giving me a headache and a zit. Go hun." Lubb: "hey puffy." he hugged his sister. Demi: "biggie. Where's my other one?" Lubb: "kitchen." he went to the game room. Lubb: "where are my munchkins?" the twins giggled and hid. Lubby huffed and puffed. Lubb: "where are my munchkins!" he imitated a monster voice. Luhlle fell down laughing. He grabbed her and tickled her tummy growling. Luhlle: "Tata!!!!" she laughed hysterically. Luks: "oh bethuna umntanam." Chuma: "nam Tata!" Lukhanyo picked him up and threw him in the air. Luks: "heee nanku no TBose. Khayomlanda Lutha." the twins chased Thabo around the room until they caught him, dragging him to Lukhanyo. Luks: "hello boy. Uright?" he picked him up. Thabo: "hm?" Lubb: "English bra." Luks: "how are you?" Thabo: "I'm fine." I knocked on the door and was welcomed by Demi. To my surprise, she was friendly. And as always, drop dead gorgeous. Her used-to-be long blond hair hung short and curly on her shoulders. Her blues eyes sparkled surrounded by sharp black lashes and eyebrows that would make Nike change its Logo to hers. She smiled and I was just overwhelmed by her beauty. Me: "hello Demi." Demi: "he is just sooo cute!! Brother, look who I found!" she took the baby from my arms. Demi: "Oh my God Lee, I am in love with your shoes! You need to show me a mall here, I am going absolutely insane!" Me: "hahaha! Definitely. I'm free tomorrow. So we can go then." I came inside the house. Demi: "mom is in the kitchen with Sylvia, they're cooking, the big boys are in the play room with the small ones, dad is in the study. Who are going to see first?" we both laughed because ayisecace ndiya kula mfazi in the kitchen before she chops me like her green pepper. We went to the kitchen.

Mother: "yes Syl, softly chop, slowly and finely. But also efficiently. Yes that's perfect. Amazing! Yes!" Demi: "mom." Mother: "yes dear?" Demi: "Sylvia can do it, just look here." she turned around. Mother: "ooooh!!" she held her cheeks. Drama yakwabani? Mother: "these two beautiful angels! Awww look at Prince! My goodness he looks like Sebas." I couldn't help but laugh. Njani sana when Sebas isn't even a black man? Lubambo looked at her and melted into a charming smile. Showing his dimple. Nettie almost burst in tears. Mother: "you are so beautiful!" Mother: "Bass honey come see!" Demi: "uhh...Mom, what are you doing?" Mother: "I need to hold him darling. Find something better to do with yourself." she took the baby from Demi. Mother: "SEBAAASS!!" she went up to him. Demi: "alright then. You'll need to find me another baby." we giggled and went to the lounge. Just as I was texting Lukhanyo he appeared in the lounge. Luks: "andisaxelelwa noba sifikile Tata." he sat next to me. I showed him the text. Luks: "oh." Liya arrived with Luyanda and Demi jumped. Demi: "another one!! My goodness he is so adorable. What is up with your genes guys? I mean seriously." Lukhanyo laughed. Luks: "ndithunyiwe ke yazi. Cela undikhaphe?" Me: "uthunywe ntoni? phi?" Luks: "a few things kwa Spar." I got up and we went to Spar with Lubby's G63 before he noticed that its missing from the parking. We bought the things at Spar. Luks: "Unjani umamakho? Bathini at the hospital?" Me: "Remy said he would inform me ngomso. She's admitted in." Luks: "oh. Remy to the rescue. Again." Me: "you jealous?" Luks: "that obvious?" he faked a smile. Me: "he's just helping." Luks: "I would be too if I was asked but then again, I'm not the world's best doctor." Me: "really now?" I took a chocolate and popped it in the trolley with him noticing. Luks: "yes really." Me: "you would make a bad doctor even if you tried. Awunazo bedside manners." Luks: "thanks for the vote of confidence." I giggled. Me: "why u-sensitive kangaka. Anyway, you might not make a great doctor but you're a spectacular dad, great businessman, and effective manager." he blushed. Luks: "nyani?" Me: "I mean it. Sekhe ndakuxokisela?" Luks: "yes." we stood by the till and he looked at me. Me: "ndakuxokisela ndathini?" Luks: "wena..." he took a step closer. Luks: "wathi..." another step. Until he was right in front of me. Luks: "awundithandi but that has been proven otherwise." Me: "oh wow. How smart of a scientist is that?" Luks: "very smart." Me: "so uzimisele ubhatala nini." Luks: "xandivakalelwe apha entliziyweni." Me: "cela ubhatala ke bhuti." he smiled and turned back to the cashier. Luks: "yambona indlela andisokolisa ngayo lomfazi sisi?" Cashier: "oh hay wethu bhuti khamxolele." Luks: "akhondlela sisi." he paid and we walked out the supermarket. Me: "so you're just going to go around embarrassing me?" Luks: "I embarrass you?" Me: "awuzibon?" I picked out my chocolate from the plastic and began eating. Luks: "heeee. Khandiphe." Me: "no." he walked to me and I walked

around the car. Which was pointless because I was in heels, he was in sneakers. He grabbed me from behind. Luks: "khandiphe?" Me: "cela." Luks: "cela undiphe?" Me: "intoni?" he bit my neck and I laughed because it was ticklish. Me: "ina." I gave him the slab. Me: "you don't even like chocolate." Luks: "I asked uMama enze your favorite dessert. You can't be eating chocolate and ruining the appetite." Me: "oh? Biyimalini ukutsho?" Luks: "it was a surprise but ke." I let the chocolate slither in my mouth, mesmerizing my senses and controlling my mobility. He pecked my cheek with his lips causing my intestines to knot themselves. He opened the passenger door for me. Me: "There's a very thin line between love and obsession." I got in. He closed the door, smiling and drove me back to the house. Luks: "Lihle." Me: "hm.." Luks: "ndicela unga panic ne." my heart sank. What was it now? Luks: "when I came back from the walk with uLubby sifike umnyango evulekile. Kodwa kungekho Bantu phakathi. We did lock. I don't know how it happened." Me: "kwathini ungandixeleli?" Luks: "you were already upset, bendingafun ukustresser." Me: "so what did you do?" Luks: "siqhumisile for a while. I think ayisebenzi lento yalatata." Me: "ucinga uthini?" Luks: "maybe if we tried another?" Me: "I don't think that's a good idea." Luks: "sibuyele ke kuye?" I sighed. Me: "masikhe silinde kqala before we judge." Luks: "alright." we got home and to our surprise, nanko Lubabalo standing outside with his hands on his hips. Luks: "and we're in trouble." he parked the car. Lubb: "Yazi." he closed his eyes biting his lip. Lubb: "I'm Christian at heart. I do good by the Lord, Jesus Christ my savior, He who saved me by dying on the cross for my sins. Kodwa LE! Andinayo patience yayo!! You stole my car!! Like it just disappeared!! I was calling the cops, ndiyikhangela nase fridge'in!! Ndimanz' amakhwapha kucinga ukuba iphi!" Luks: "Mkhuluw-" Lubb: "nooooo! Do not Mkhuluwa me!" Me: "I brought you a chocolate." I gave him the slab. Lubb: "usisthandwa ke wena my f. Come, dinner is almost ready." I giggled. Luks: "mxim." Me: "come." we went inside the house. Everyone was waiting for us. By the table chatting. We sat down. Lubby said grace and we started eating. Luks: "limandi elitapile ne." I gave him a look. Me: "why." he forked my potato and ate it. Luks: "because ndiyalibawela." Luhle: "hayi Tata!" she looked so shocked. Luks: "Yuh, xolo mntanam andiphinde." Luhle: "ina mama. Tapiye ka nana." Me: "itya my love tapile lakho." she brought me her potato anyway giving Lukhanyo a side look. Luks: "eshee. Ndizolitya mos neli." Luhle: "Tata ha.a manii!!" Luks: "uxolo kaloku." his phone rang, vibrated actually. He pulled it out his pocket and I peaked out of curiosity with the corner of my eye. 'Yonela' he pressed reject and put it on silent. I carried on eating quietly. Luks: "Lena yona." Me: "you can have it. I think I'm full." I got up and excused myself taking Lubambo with me to the bedroom. I changed his diaper once again. While I was putting on his jeans, wangena

Lukhanyo. Luks: "hey, uright?" Me: "perfect. You?" Luks: "I'm fine. You seem a bit off." Me: "really? I Must be really ugly then." I chuckled picking up my son and the dirty diaper walking out. He grabbed my arm. Luks: "what's going on?" Me: "we're having dinner with fam." Luks: "I meant with you. Utshintshile, you're sarcastic, and you're cold." Me: "slow down on the wine Lukhanyo. I'm great." he pulled me closer, his face nearing mine for a kiss and I turned away. Me: "we're being civil parents. Friends if you want to title it. Kissing me, is inappropriate." I opened the door and Kim Kardashian walked my way back to the living room area going out the kitchen to throw away the diaper in the dustbin outside. Gqi gqi nomntu under the dimly lit sky. By the bin. He had his hands in his pockets, the hood over his head covered most of his face but it was the way he was standing. Me: "Tata?" I waited. Lubb: "bunny, what are you doing outside?" I turned to look at him. Lubb: "what is it." I looked back by the bin. Nothing. Just pure darkness and the bin. Me: "nothing." he came to stand by me. Lubb: "what are we staring at?" Me: "uhm...nothing. I just zoned out. Please put this in the bin." Lubby took the diaper and threw it in the bin. We went back inside the kitchen where he washed his hands. Lubb: "what happened out there?" Me: "I-" the door bell rang. Lubb: "whoever that is. They are uninvited, annoying and desperate!" as he went to open. Zakes strode in the house with a cane on his right hand. Lubb: "oh wow, I guessed it right." Zakes: "kwathini ndingafumani invitation?" Lubb: "I'm going to say this as politely as I possibly can." he cleared his throat. Lubb: "because Here, you do not Fit. This side of the family is filled with love and friendliness and a lot of happy's. Wena, you belong out there, where you will comfortably sell people's lives to live like a king." Zakes: "you're a fine one to talk." Lubb: "oh I got that from you. Now if you could kindly do a 180 that would be great. In simpler words, ndicela uhambe." Sebas: "what's going on over there?" Lubb: "nothing dad." Sebastian: "why is Zakhele not joining us, he's fami-" Lubb: "he's got other commitments." Sebas: "they can wait-" Lubb: "I'm sure they can't." Sebas: "Zakhele?" Zakes: "I would love to join you Sebastian-" Lubb: "but unfortunately, you have to go." Zakes: "not quite. I'm free this evening." Lubb: "yeah, free to leave." Sebas: "nonsense. Come on in and join us. Syl, bring another plate darling." Lubb: "and that's how my unknowing father brings Anaconda's in my house. Must be amazing. Kungena nooJudas kwam. Lord have mercy." Zakes: "uphi uSilulamile." Lubb: "you had better not be talking to me because ndi 5 to mna ukuxelela tindzaba. Yazi you've got extra nerve. Hayi u-overweight lo Wow ndizok'nika

yena it needs exercise. WOOOW!" Zakes: "mkay. Then I guess we'll be visiting Australia soon." Lubb: "you wouldn't dare." Zakes: "try me."

I spent most of my evening with Demi and Liya. We cleaned up and went to the bedroom to just talk. I suddenly missed Namhla. She should be here with us. She was my family and instead Uhleli neetshomi whereas I should've invited her here in the first place. Liya: "uright?" Me: "ndicinga uNamhla. I haven't been paying much attention to her lately." Liya: "call her kaloku." I called her waphendula ekwi ngxolo. Namhla: "mntase!" Me: "uphi?" Namhla: "sise Government noFriend siyakwa Ngqoko ngoku." Me: "ninayo transport yogoduka?" there was a moment of laughing and clicking on the other side. Namhla: "uthini mntase?" Me: "Namhla uzogoduka ngantoni nini?" Namhla: "sizobona phambili. Umntu ka Sihle use New Brighton." Me: "uzundifownele xa ufuna ugoduka uyeva?" Namhla: "okay sisi." I hung up. Me: "she's out. Njani athembele nge boyfriend ka Sihle. What if this boy just decides uhamba ne girlfriend yakhe qha yena ashiyeke enyaleni? Uyay'qonda New Brighton Phof?" Liya: "suzi stresser kaloku nawe andithi uzoyomlanda? Chill." she then explained to Demi what was going on. Which she also agreed and told me to relax. I didn't know if I could relax. Namhla was more like my sister. I didn't realize I missed her so much. Liya: "what will you do with the kids? When you fetch her." and then there's that. Demi: "you could leave them here for the night. Mom really enjoys having them around. You'll be back in the morning." Me: "thing is I slept without them last night and I miss them." Demi: "then There's no need for you to go anywhere." Liya: "and besides if you tell Lukha, he'll fetch Namhla for you and bring her here safe." Me: "I don't think I want to involve Lukhanyo." Liya: "why? You guys look so healthy." we all laughed. Me: "healthy? No." Demi: "what did he do wrong?" Me: "he has a girl called Yonela who's calling him." Liya: "so....? You two are dating?" Me: "No!" Demi: "then what's the problem?" Me: "my problem is him rejecting the call and putting his phone on silent when he's next to me. Like he's hiding something." Liya: "or maybe she's annoying him and you're what's important, which he would rather spend more time with, admiring and staring." Demi: "and staring he does." they laughed. Me: "I don't trust him, that's why I don't want to be involved with him and won't be." Demi: "why don't you just talk to him." Me: "I did. He is adamant on showing me he's changed and how he is the perfect man." Liya: "and....is he...." Me: "for now. Like I said, no trust from my side." Demi: "I feel you should fight for him. Emotionally. You guys make a great team. A strong couple." Me: "too strong of a couple Demi. A dangerous one at that." Liya: "I think Demi is right. Talking is a good place to start." Me: "you guys aren't listening." Liya: "Lihle, you can't keep fighting that you're in love with this man." Me: "I am not." Demi: "so why are you here?" Me: "Tellytubby

invited me you know how he is." Demi: "yep, he can see things from a mile away."
Me: "honestly guys. I thought you'd be the ones standing up for me." Demi: "no can do angel." there was a slight knock on the door. Liya: "come in." it opened and Lukhanyo stepped in. Luks: "uhm hi guys." Demi: "hello." Liya: "hi." Luks: "Linki, bhabha," he kneeled next to me at the edge of the bed. He was tipsy. His cologne was mixed with the smell of cognac and cigar. Me: "Lukhanyo." Luks: "mamel, mna, noLubby ne, sizothi shelele nje kancinci. Siyojikela nje eCubez." Me: "Cubez?" Luks: "Cubana. Kodwa sizobuya kwangoku. Not kdala." Me: "kengoku ndithini mna." Luks: "sundiphoxa alok Malinki. Mamel, awubawel namhlanje perhaps ulala apha. Uzolala noDemi. Andiy'thand man lanto yenzeka k'landlu. Uzohlala ne?" Me: "nizoqhuba njani nisela?" Luks: "hayi wena sweetheart. Kudala ndaqhuba mna. I'll be fine." Me: "unje Lukhanyo???" Luks: "okay. Ke. Yuh. Ndizobiza u-Uber asihoye ke." Me: "mamela, ndifuna uyolanda uNamhla eNew Brighton not kwangoku. Uzofowna xa efun ulandwa." Luks: "akho problem. Zodlula ngaye." Me: "fownela Uber ndibone. Usapha isitixo sakho." he pulled out his car keys and handed them over booking the cab to come collect them. Luks: "nantsoke. Yeza ke vha." Me: "bye." he pulled himself up and left. Demi: "hmm..." Liya: "from the way I see it." Me: "don't say it." Liya: "fine. I'm quiet." Me: "I need to get the baby for his bath." Liya: "me too." I went to close the window and curtain and jumped in shock seeing a shadow flash by quick. Me: "did you guys see that?" Liya: "see what?" I breathed. Me: "I'm just imagining things. Never mind."

Chapter 799

I could barely sleep that night. All the kids were in the nursery and I'd gone there 6 times to check on them. It was just after 2am. I'd called Lukhanyo 30 minutes ago to fetch uNamhla. Again I tried to sleep. Demi was fast asleep without effort. I went to Lubby's room where Liya was and naye she was dead asleep. So I sat next to the sleeping beauty until I heard a door creek and giggles. "shhhh shhhh." I heard Footsteps after then my door opened. Luks: "bhabha?" he whispered. I sighed in relief. Me: "uphi uNamhla!" Lubby carried her in and put her next to Demi. In my place. Lubb: "goodnight guys." he stumbled out to his own room. Luks: "masilale Linki. Sebsuku." he pulled me out and we went to his only available room. I got into bed. He undressed and left only his boxers waphuma ngomnyango. He came back some time later with the dessert from last night and climbed into bed. He ate quietly shame while I stared at him. His skin, decorated with the ink, the names of everyone he

loved. On his rib, mine. I touched it with my index finger feeling the soft texture of slightly swollen skin in the form of my name. Luks: "Ubambo lwam. My rib." as he licked the spoon of his ice cream. Me: "uphi uRib wakho?" Luks: "nanku ecamkwam where she belongs." Me: "ufuna la wow ka Lubby u-overweight." we giggled. Luks: "heee uphants ubetha i-bouncer lowo eCubana. Andimazi yi-anger evelaphi Le all of a sudden. Awufun?" I shook my head. Me: "I can't eat at this time. Matter of ndiyalala ngoku. Bye." he put down the bowl. Luks: "ha.ana mani." pulling me to him. Me: "you're drunk." Luks: "andiqalisanga tu." Me: "uvelaphi." he thought for a while. Luks: "Cubana." Me: "baleka ke. Uyocela eCubana indawo yolala." Luks: "mh.mh." he curled himself around me. Luks: "awusanuki kamnandi." Me: "andinxili kalok mna." Luks: "uyazthandela." Me: "mxim." Luks: "dududu dududuuu...you got it. It don belong to any one but you. If ders a question of my love....you got it....." Me: "uyangxola Lukhanyo balele abanye." Luks: "baby I been making plans.....baby I been making plans for you..." he continued singing. Me: "uwoah." Lutha: "Tata!" he yelled from outside. Lukhanyo sat up immediately. Wa-sober in a second. Luks: "nguLuthando lowo?" Lutha: "Tata.." he sniffed. We both got out of bed and went to the door opening it. He was standing in the dark passage. Luks: "boy yam." he scooped him up. I went to check on the other children. They were all asleep. Including the two babies. I went to our room again. Lukhanyo was holding his son. Me: "how did he.....?" Luks: "weak lomntana Lihle. Uyayazi nawe lonto." Me: "weak? Luthando isn't weak! He has survived till today, just because he gets sick, doesn't mean he's weak!" he didn't answer me. Me: "let's sleep." we all got into bed. Luthando was on top of Lukha's chest. I cuddled next to them. Luks: "I don't want anything ngonyana bam nentombi yam. Nawe lo. I'm sorry, I get nervous." Me: "I get nervous too. Kodwa funeke somelele Lukhanyo, we can't let our kids feel we're afraid. All we need to do is protect them." he put his arm around me and pulled me. Luks: "I know." Lutha: "mama." he whispered smiling. Me: "hey baby." I whispered back. Lutha: "Khona tatam. No-mamam." Me: "ewe bakhona sthandwa Sam. Bahleli noLutha wabo." Lutha: "mna ndathanda mamam notatam." Luks: "siyak'thanda nawe mntanam." he rubbed his back with one hand, the other was brushing my hair until we fell asleep...

I woke up first Saturday morning, getting out the bed and rinsed my mouth with Listerine. I went to the kitchen where Liya was making breakfast. Me: "this smells amazing." Liya: "morning. I had to sana. Labhuti uzovuka sekhala ngendlala ingathi uthunywe ndim bamakayo nxila." I laughed. Liya: "anyway....how was last night...or should I say, this morning." she gave me a look. Me: "nothing happened. We just cuddled kwafika uLutha salala naye." Liya: "aww....that's cute still. So how do you feel?" Me: "still not interested Lee. Still not interested." Liya: "I know you are Lee, and

the Lord knows too. What would happen if you lost him tomorrow? Would you be happy that he's gone?" Me: "of course not!" Liya: "exactly." Me: "wena uthini ngoLubabalo?" Liya: "ever since I said andimfuni. He hasn't tried anything further." Me: "do you want him to?" Liya: "I don't want to jeopardize our friendship. It took so long to get us here." Me: "oh? And I'm forced to get back with Lukha?" she laughed. Liya: "I wasn't married to Lubabalo." Me: "you were about to be." Liya: "hm...." Luks: "Lihle!!" he yelled from the bedroom. Liya: "ambohoya ke sisi. Your biggest baby." I went to the bedroom. Me: "yes." Luks: "uyephi? I thought you left me." Me: "bendizokwenzela ukutya but Liya is sorting it out." I sat next to him under blankets. Luthando was still sleeping. Me: "funeke ndiyojonga umama esbhedlele." Luks: "I'm coming with you." Me: "no. You're staying here with abantwana and the family." Luks: "but I need to make sure you're safe." Me: "I will be." Luks: "awufun ndibekhona xa usiya ku Remy." Me: "I need to speak to him Lukhanyo. He can't just be splashed with you while I do that." Luks: "speak to him about what?" Me: "that is none of your business. Focus on you and trust me." Luks: "okay. Uzobuya?" I nodded. Me: "shopping with Demi, Liya and Namhla then ndizothatha abantwana." Luks: "nam." he smiled. Me: "Lukhanyo." Luks: "hm?" Me: "I keep seeing shadows." he kept quiet and looked at me. Me: "no face. Just a shadow." Luks: "yakabani?" Me: "I don't know..." Luks: "I think we should go back kula Tata. If awufuni Lihle, then we're going to someone else. This can't happen any longer." Me: "I agree. Mandiyotshintsha endlini. I'll see you later-" Luks: "I'm not letting you go to that house alone. Nxiba, ndisayothetha noLubabalo." he walked out the room luckily bumping into Lubabalo. Lubb: "Damn it Lukhanyo! You fucking scared me! Why aren't you dressed! Put some pants on for heavens sake, we have kids!" Luks: "utheni na Wena? What's wrong?" Lubb: "I have things I need to sort-" Sebas: "Andrew, son. Can we talk about something. I need your help." Lubb: "now's not the time dad." Sebas: "you're not doing anything. Just come here." Lubb: "No!! Stuja is in danger, thanks to the man you invited in for dinner last night! He threatened to kill him. And Now I have to deal with that before it bloody happens! So excuse me, DAD. I am unable to help you make money!" he stormed back to his room. Luks: "I'll sort it out." he followed after him. Luks: "Uyaphi?" Lubb: "I swear to God, I apologize for such language, but I swear. If I get my hands on him. I Will kill him. And this time, I will make sure he is dead!" Luks: "ubani?" Lubb: "utatakho!!" Luks: "what? Why!!" Lubb: "oh, would you rather abulale uStuja? He threatened to go to Australia. How the fuck did he find out he's in Australia. Ooooh, This man is testing me!" Luks: "Lubabalo, calm down." Lubb: "calm what?" Luks: "calm down." Lubb: "calm...whaaatt??" Luks: "okay. I'm sorry." Lubb: "you fucking better be." he closed his bag. Luks: "Bafo, how about we just send

Stu elsewhere. I'll do it without a trace." Lubb: "I need a fully thought through plan by 10am. He needs to be out of there by 12 and change that destination by 4. TODAY. Without a trace." Luks: "I'm on it." he walked out.

Stuja walked with Sindi and baby Lukha through the street. His new phone rang and he spoke briefly then hung up. Sindi: "kukho ingxaki?" Stuja: "we have to go." Sindi: "hayi njani? Sithi sisafika?" Stuja: "latata managed to find us. Uyayazi kungenzeka ntoni ba unosifumana apha?" Sindi: "siyaphi kengoku?" Stuja: "its best you don't know Sindiswa." another beep interrupted. Stuja checked his phone. No message. Sindi: "inoba ndim lowo." she took out her phone. Stuja: "Sindiswa!!" Sindi: "ungak'linge undifundakele mna. Yinton!" Stuja: "njani uhambe nale phone suppose Yonke into yethu siyishiye ngasemva!" Sindi: "hesana. Ndine family." Stuja: "don't we? Uzo risker ubom bethu kengoku? Baby ndiyayazi kunzima but we have to be strong. Once we settled sizozala ubom obutsha then sithethe nabantu bakokwenu. Funeke uyilahlile Le-phone." Sindi: "fine." just when she was about to switch it off, it rang. Stuja: "and then?" Sindi: "andiyazi Le number. And ayiqali ngo +27 meaning ayiyo eyase mzantsi." Stuja: "suyiphendula. Yilahle. Ngoku!" she smashed the phone on the ground then pushed it into a drain. Stuja: "masambe." they walked faster. It was a cold, windy day. When they reached their temporary home, they started packing. Essentials first. Lukha's clothes, diapers, bottles, toy. Stuja's phone rang. Stuja: "bhuti. Kukho number bigqibo fowna kwi phone ka Sindiswa. Asiyazi nguban khasiphendule. Iqala ngo +61. We're packing ngoku." Lubb: "Whoever that is ulapho. Iphi ngoku loo phone?" Stuja: "siyilahlile." Lubb: "get a cab. The minute ifika iyani e-airport as soon as possible. Asanda woke up in her hospital bed where Mandla sat with their mother. Asanda: "uphi uThando?" Mandla: "umkile." Asanda: "umgxothele ntoni bhuti?" Mandla: "bekunyanzelekile. Suziqoba amandla Asanda. Nqenqa ngomqolo." Asanda: "ndicela nibize uThando azondilanda. I can't stay here." Mandla: "Thando Nguye okwenze lento!" Asanda: "bhuti uThando akenzanga niks kum! Can you just let me go!!" Mandla: "Asanda, suziphambanisa. Ndincede tu. Uphila kwakho, sizok'thatha nomamakho ubuyela endlini." Asanda: "for nton mama!" Ma: "its the best decision mntanam." Asanda: "I am not going anywhere without Thando kunye noSisipho. He is my husband!" Mandla: "Asanda, umncinci. Usezobana 20 even!" Asanda: "ndina 20 bhuti! I am old enough for my own decisions!" Doc: "what is this commotion?"

Asanda: "they won't let me see my husband!" Doc: "you need to relax Asanda. You need to gain strength-" Asanda: "I'm fine!" Doc: "you just lost your baby. You need all of your energy if you want to get back-" Asanda: "what did you say?" Doc: "Asanda, my angel, your baby didn't make it." Asanda: "no." the tears stung her eyes. Asanda: "noooooo!!!!!" she screamed. Ma: "mntana-" Asanda screamed. Her voice piercing through the walls in the hospital. Mandla: "mntase." the doctor held her still. Comforting her. Her cries did not stop, like metal scratching on metal. Unbearable for anyone to hear. Doc: "I think its best if you give her some space." she said as she clicked for the nurse to come and sedate her. Mandla: "she will be ok doctor?" Doc: "yes, as time goes...just shock." she said with a shaky voice. Mandla: "uxolo mntase." he walked out with his mother. Mandla: "uright mama?" she held on to the wall trying to breath. Her own tears defeated her. Ma: "Mandla.....usana lwamm..." she cried. Mandla: "uxolo mama. Uzophila uAsanda." Ma: "yuuuh Mandla....." she sobbed. Ma: "asikrakra isikhalo salomntana. Ndizalushiya njani usana lwam apha Mandla?" Mandla: "hehake mama. Uzohlala uthini? Phi? Umvile nje ugqirha and kengok nawe awuphilanga ndik'jongile nje, funeke ndikugoduse. Iza mfazi." he picked her up and walked her to the car.

Sibongile was at home all morning waiting on Sbu who had left last night. Finally, his car parked outside. The GTi. She listened by the door as he spoke on the phone. Sbu: "you can't bloody kill him inside a bloody public place now can you? Kuthen usisdenge nje? Sooner or later kuzofuneka ephumile. And when he does, toss him over.....I don't give a fuck who he's with. I want him dead by evening." Sibongile ran to the bedroom, breathing heavily. She got into bed shaking. The front door opened. Sbu: "baby?" he walked to the room. Sbosh: "in here." Sbu: "hey my love." Sbosh: "hi." Sbu: "yinton ngoku? Morning sickness?" she nodded. Sbosh: "I need to go to the chemist for this. Andiziva tu." Sbu: "awufun ndikuse babe?" Sbosh: "no love. Let me take my new car for a spin. Maybe meet up nee-girls and stuff." Sbu: "ngoku bendikukhumbula kangaka. Ndizolinda ke ubuye. I'll have romantic dinner cooked." Sbosh: "with dessert baby?" Sbu: "most definitely." he kissed her lips. She pulled back and held her mouth running to the toilet. Sbu: "xolo my love. I wish I could just take all this suffering away." he stood by the toilet door while she breathed and rinsed her mouth. Sbosh: "you're already doing enough." Sbu: "okay sthandwa Sam." he stood behind and wrapped his arms around her. Sbu: "I love you." he said as he stared at her eyes on the mirror. Sbu: "I hope you know I will do whatever it takes to make you happy and keep us together. Nothing and nobody will ever come between our love." Sbosh: "and I'm grateful for that baby. Mandivase quick." Sbu:

"okay." he kissed her cheek and walked away. Sbu: "you're my forever Sibongile....." his voice trailed away..

Chapter 800: Final Episode of Amacherrie Ase Kasi

Part 1:

My phone rang when I was just done getting dressed. In my house. Luks: "Lihle." he gave me my phone. I answered. Me: "hi Sbosh." Sbosh: "I need to talk to you." uuh no. Mandy had told me about the frantic crying and hormonal rage. I am not going to even pretend I want to listen. Me: "friend, I'm actually in a tight spot. I'm a bit busy for a while hey." Sbosh: "its about Sbu Lihle." I signaled for Lukhanyo to call me. Luks: "baby? We need to Go." he yelled. Me: "can we talk later hun? I really have to go." Sbosh: "ok." I hung up feeling extremely bad and pathetic. She was my friend and needed me. But I was not ready at the moment to hear about Sbu. Luks: "done? Masambe." Me: "Uyaphi ke wena?" Luks: "home. Wena you'll be sorting out izinto zakho. That's what we planned right?" I nodded. A bit cheerful he was letting me a big girl. Luks: "just promise you'll be back home to me soon." he held my hand. Luks: "I have a surprise for you." Me: "another dessert?" he smiled. Luks: "come back home first. Then you'll see. Deal?" Me: "okay. I was going to come home anyway." he hugged me. Me: "are you okay?" Luks: "yeah." he let go. Luks: "I'll get a cab. Ungahamba." I took my car keys since sibuye ngayo and he left his behind, insisting on being in the same car with me because akafun uhamba yedwa. Now he looked like a lost puppy waiting for his owner. Me: "if you promise to shut up, and not intervene." he smiled brightly. I know he did it on purpose. Since word Hospital, he wanted to tag along. Me: "if you so much as sigh." Luks: "I will be silent and mute. Only if I get to drive-" Me: "you are not driving my car Lukhanyo Mzinyathi. You made it clear Li-donkey." Luks: "babes, ndiyay'thanda moto yakwa VW. You know this." Me: "I do not. Awunayo nenye moto yakwa VW." Luks: "pretty please?" Me: "nope." he sulked. The only reason he wanted to drive was because he hated not being in control and also ufuna uqhuba isigezo. Just because I have a tomato box car doesn't mean its a toy. We got in the car and I drove to the hospital. Luks: "Linki." Me: "hm." Luks: "senza nton namhlanje." Me: "uhm, mna ndenza ntoni actually. Taking the girls shopping. You?" Luks: "oh, and tomorrow?" Me: "church. Sunday lunch in my house." Luks: "can I help you cook?" I looked at him. He was staring down at his hands. Almost assessing them ingathi there was something on his mind bothering him. Me: "what's wrong?" Luks: "nothing." Me: "Lukhanyo, you're shaking.." Luks: "I'm fine." I

stopped the car. Me: "come here." I hugged him. Luks: "I promise I'm okay." Me: "I'm not dumb." I squeezed his cheek. Me: "ungu Luthandoluhle wam. My Lubambo. I know you. And awukho right. Knowing you, you'll let it eat you until you burst out on someone." Luks: "I won't." Me: "wenzan wena ngomso?" his phone rang. He answered before I saw the name. Luks: "yeah. Today please...." I heard some talking not recognizing the voice whether male or female. Luks: "alright." he hung up. I had no right to ask, so I didn't. We got to the hospital. Luks: "babe, you go in, ndizok'landela. Just checking on Stu. He must have landed by now." Me: "okay." today was just weird. He was not making eye contact. He was a bit cold. Not angry cold, he just looked upset, or scared. Was it something I said? As I walked in the hospital I retraced my conversation since morning. Nothing I said could've triggered a negative emotion. See? This is why it was a bad idea to get back. This would happen a lot. Oh, wait. I forgot my phone in the car. I walked back. He was leaning on the rear of the car. His face buried in his one left arm. The other hand held a phone to his ear. Luks: "Please?" he begged. Luks: "can you try? I need to see you today. I can't cope. I need to talk to you.....*silence*.....I've tried and its not working out! She's just.....please can we talk?" he waited for a while. Luks: "thank you so much. Is around 5pm okay? I'll drive to you." suddenly I didn't need my phone anymore. I turned and walked back inside the building with tears stinging at the corners of my eye. I went up to Remy's office. I needed to compose myself. I don't know what hurt more. That there was someone else he obviously loved more than me or the fact that he was stringing me along looking all sweet and innocently in love. I knocked. Remy: "inside." I walked in. He smiled and got up. Remy: "hi." he was resisting the urge to hug me but I wanted a hug. I was afraid I'd burst into a river of tears though. I couldn't kiss him either...I didn't want to lead him on. So I just fake smiled. Remy: "as always, you look gorgeous." he stepped in front of me. Remy: "but, I see a little sparkle in your left eye, it signals pain. Why were you crying." I hated that he was a doctor. A perfect one at that. Me: "I'm fine." Remy: "do you want alcohol?" I laughed. Me: "no. Unjani umama?" Remy: "you're not fine. Its proven and I can feel it." he held my cheek. Me: "I care so much about you, I don't want you to get hurt." just then the door opened wangena umntu. Luks: "hello." Remy stood still looking from him to me. Confusion flooded his face. I know what he was trying to figure out and in no time, he did. He knew which twin this was. Remy: "hi." he said coldly sitting on his desk with one hip like a principal waiting to hear the explanation. And like adding salt plus vinegar to the wound, Lukhanyo finds this moment to talk. Luks: "Babes, Unjani umama? How's everything doc?" I cringed. Why did I bring him dear God. Why!! Fortunately, this time I didn't pick my men from the same basket. Remy stood up and

smiled, picking up a big brown envelope wayivula. Taking out the x rays. It looked like x rays to me. Remy: "this is her scan. It shows absolutely nothing wrong." he held it in the light next to Lukhanyo then explained TO HIM everything on that stupid paper. Luks: "yava ke love? Sithini kengoku?" they both looked at me. I looked in Remy's eyes apologetically. He stared back with sincere sarcasm and spite. I could feel the silent blows blazing from his eyes. I just shrugged. Yep. That's what I did. Like Lutha does when he really doesn't wanna talk or when Luhle has messed up and won't acknowledge it. I shrugged. Remy: "I suggest, you keep her here for a few days until you decide what to do." he looked at his Patek Phillipe watch. Remy: "hm...time for my rounds." waqoqosha okwakhe. Luks: "enkosi doc. For going the extra mile. I know these type of tests are expensive and worse when There's nothing you can work with. I'll be settling the bill, baby, you'll find me downstairs." he walked out. Remy: "really?" he breathed and chuckled at the same time. I didn't know what exactly to say. Remy: "LIHLE, you went back to him?" Me: "I did not." Remy: "baby? Love? Babes? Those just nicknames?" Me: "no. We've been trying to work together. He suggested sibuyelane. Andifuni mna." Remy: "do you even know ufunani? Undilahlile, conveniently you show up with your husband, whom calls you darling names." Me: "andik'lahlangu for any other reason besides the one I gave you. Lukhanyo is not my partner neither is he my husband. We're just parents." Remy: "nam Lihle I'm just a plumber." Me: "he's seeing someone else." I folded my arms as if that would control my tears. Me: "we aren't even dating. But I just heard him talk on the phone with someone." he pulled me into his arms and hugged me. Remy: "I'm not judging you, or him. I'm just a bit emotional too. I can't just let go of the fact that I love you. I wish I had the chance long ago." Me: "you're amazing." he looked at me. Me: "and such a professional." Remy: "did you see me? I was being a gent." we giggled. Remy: "so what are you gonna do?". Me: "I want to bust him. So that I can shove it in his face that I know what he is." Remy: "okay. I'm out of that one." Me: "we're going together." Remy: "I can't. I'm on call. Get one of your friends and keep updating me." Me: "okay." Remy: "alright. Go. Before he comes back looking for you. The bill is already handled, he'll be back in a few." I let go. Me: "thank you so much." Remy: "you know I'd do anything for you." I walked out his office and down to Lukhanyo who was standing at the counter. Luks: "sowubhatele?" I nodded. Luks: "awusatsho ngoba?" Me: "I forgot." like you forgot to tell me you're in a relationship. I walked to my car. He was quiet not even asking or bothering me about why I was quiet which made me even worse. We arrived at Lubby's house. Namhla was making lunch. Demi and Liya were with the babies. Lubb: "Lihle. Ndicela ukubona." I followed him to the empty study upstairs. Me: "what is it?" Lubb: "bendik'miss'a. Where've you been?"

Me: "I'm not in the mood for this." Lubb: "okay, honestly I remember cutting our convo short last night after Zakes arrived ubusthini?" Me: "nothing." Lubb: "are you sure?" Me: "yes. I'm sure. Ndicela uyothatha abantwana. I need to get home." Lubb: "why?" Me: "because its home-" Lubb: "so is here. The kids are happy. Lukhanyo is happy." Me: "is he." I walked out. Luks: "there you are." Me: "ufunani ngoku?!" Luks: "uhm...to show you....I mean give....I...." he looked at Lubby. Lubb: "thetha!" he snapped. Luks: "I got you something. Its a surprise." I was losing my patience very quickly here. Luks: "well...." he dug out his pockets. Taking out an envelope. Luks: "nantsi." he smiled handing it over. I took it. Me: "thank you." I walked out to the bedroom putting that envelope on that dresser. I looked for the kids and they were nowhere to be seen. In the lounge where the girls and babies were I asked. Demi: "oh, they left with mom and dad. All four kids." Liya: "what's wrong?" I sat next to her. Liya: "thetha nam." I told her about the phone call Lukhanyo received. Liya: "no, man." she hugged me. Liya: "I'm sorry." Me: "its fine wethu. Probably for the best. I guess I should just let it go." Liya: "yeah." we went about our business for the rest of the day until around 4pm. Luks: "guys, I'll be back a bit later-" Lubb: "Uyaphi?" Luks: "uhm, to see a friend." Lubb: "great! I'm coming with-" Luks: "you can't Lubabalo." Lubb: "why?" Luks: "because, they're going through a rough time and needs me only." Lubb: "oh. Who's this friend?" Luks: "Jesus." Lubb: "oh that's so sweet. You're being a nice friend to Jesus." he smiled. Luks: "erh. Okay. Bye." he came to me and I tried by all means to avoid him even rushing to the toilet. He knocked on the door. Luks: "you're okay? Cela uvule?" Me: "ndiyahambisa." Luks: "so? I just want to talk to you." Me: "thetha ubuya kwakho. I can't get out yet." Luks: "I was really hoping for ukujonga ke yazi. But its fine ndizothetha nawe when I'm back. I won't be long." Me: "cool." he left.

As soon as I got out the bathroom about 2 minutes later, Liya pulled my arm and dragged me outside. There was an Uber waiting down the street. We ran to it. I didn't even know why or where we were off to. Liya: "hi Ace friend, khawuleza uleqise kulamoto igqibo phuma. But ungajampisi." Me: "woah. Wait!" Liya: "Andile, DRIVE." the car started and moved quickly. Me: "uLukhanyo drives like a bloody deranged psychopath, there is no way you will catch up to him. He's probably already half way there. Secondly, ligintsa Eli, He will Know he's being followed! This is a bad idea." Liya: "firstly, Thank God to robots." I looked ahead and he was three cars in front. Liya: "secondly, if uLukhanyo uleqa inkazana. Ingqondo yakhe, ikula nkazana! He won't even notice being followed. Relax." as the robots opened. The Maserati sped off in a blink and was almost out of sight by the time we got to move. Me: "I told you." as I rolled my eyes. Andile crushed the accelerator and sped up too. Me: "why are we

spying on him?" Liya: "aren't you curious? I know I would be." Me: "I was. I even suggested it kuRemy that simlandele but I guess his no discouraged me entirely." for some time we raced after Lukhanyo, which was difficult shame. But we got to our destination. A house a bit secluded from our town. We pretended to pass slowly but luckily found a way around the back. The sky was getting dim signaling the near end of the day. Lukhanyo had gone inside. Liya and I crept up to the house and I found a window to peep in. He was sitting with an elderly woman. Light in complexion. Grey and black frizzy hair. What was this? Luks: "aunt Amelia. I'm sorry I called without an appointment earlier. I just wasn't feeling okay." I felt so dumb at this point but....why was he HERE. Who was SHE to HIM! Amelia: "I understand Khanyi. What's wrong my son?" Luks: "I took your advice. At least I'm trying to. I haven't stopped praying ever since my first session, I've never felt better, until today." Amelia: "what went wrong?" Luks: "nothing. Everything. I just don't know." Amelia: "just start from the beginning." Liya: "uyeva?" she whispered in my ear. I nodded to keep her quiet. He was looking at his hands the way he did when we were in the car. Luks: "I woke up early in the morning. My ex wife and my son were in the same bed. I looked at her and kissed her. She didn't wake." Amelia: "okay. And that is a problem because.....?" Luks: "because I hate myself for it." Amelia: "for what?" Luks: "for hurting her. Hitting her, rapi...." his voice trailed off. He held his Face in his hands crying. Luks: "that kiss killed me. It broke me so much.....I could barely look at her today. I made a mistake." he breathed. Luks: "I made a mistake that cost me a beautiful day with her. I missed her smile. Her laugh. When she hugged me, I swore I was done. I didn't want her to see me like this." Amelia: "I'm sorry to hear that." Luks: "she said..." he wiped his face. Luks: "she said I'm her Luthandoluhle, I'm her Lubambo." Amelia: "your children?" Luks: "yes.....I don't know how I expect her to forgive me when I can barely forgive myself. Sometimes I wish I could roll over with my car, but then I'd see her smile and our kids. All of the pain goes away. Aunt Amelia, I'm still in love with that woman. Always have been. I doubt I'll ever stop." Amelia: "why don't you just tell her." Luks: "I'm afraid...." Amelia: "what are you afraid of? Rejection? Being alone? Your older brother?" Luks: "he has nothing to do with this." Amelia: "he does. You're afraid he might take what's yours again." Luks: "No." Amelia: "do you talk to him?" Luks: "yes." Amelia: "about her?" Luks: "yes." Amelia: "carefully selected topics that do not include their affair?" Luks: "I don't want to know." Amelia: "everyone is different. Others bury secrets, the past and every trauma they've had to deal with. It works for them not to re-open old wounds. Others need to talk about it. That is why you rushed to me, when it hurts, you talk to relieve yourself. Why don't you talk to him?" Luks: "because I don't want to know." Amelia:

"your relationship with your ex wife was a toxic one judging from the stories you've confessed to me. However, realizing you were wrong and taking responsibility is a big step. The next one would be talking to her. Pray with her. That woman does love you. If it is God's will, she will be with you." Luks: "I hope it is." Amelia: "the Lord is forgiving, abounding in love to all who call on Him." Luks: "Psalm 86 verse 5." Amelia: "you remember." Luks: "of course." Amelia: "also remember 1 corinthians 13 verse 4 to 8" Luks: "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away." Amelia: "That was amazing my son, now, you need to remember this verse along with your hymns when days are dark, when doubt and discouragement are looming. You will need to implement this. Take this with you. Its a Bible journal. So not only can you just pray. You can write down your prayers, your wishes, your scriptures, your blessings and everything you're grateful for." Luks: "thank you Aunt Amelia." Amelia: "its always a pleasure my Khanyi. You're always welcome here anytime. Your mother would have been so proud of you." Luks: "not like this." Amelia: "she was a God fearing woman. She believed in forgiveness and repentance. She used to join my sermons when I was in port Elizabeth as pregnant as she was with you and your brother. The path you've chosen Khanyi, is one you will never regret. I call you Khanyi because I see her in you. Your father does too. You are Lukhanyo. Your mother's light. Her halo." I stepped back and tiptoed away to the car. I was blinded by tears. Liya followed me quietly without another word. She held my arm opening the car door and we left. I can't believe all this time. I'd doubted him. I felt like such a pathetic human being. He was out there trying to right his wrongs and here I was sitting and waiting for him to slip. Liya: "that was soI don't even know how to describe it." heart warming? Comforting? Heart breaking actually. Liya: "you didn't know. Don't beat yourself up about it. See its good that you followed him." Me: "is it? I don't know what to do. I just don't. I'm so confused." Liya: "can you now see what we've been saying?" I did not need this right now. We got to Lubby's house besandobuya ooNette. Luhle came running to me. I picked her up and she lay her head on my shoulder without a word. Me: "yinton baby?" Luhle: "uphi Utata ka nana?" my heart sank. Me: "uyeza baby." Lubb: "where have you guys been? I looked all over. Is it a norm? Is it the in thing now? People disappearing and reappearing whenever they liked. Guys we are human. We panic. If niyaphuma, please do mention." Me: "you?" Lubb: "I might be a culprit

too but I think from now on.." he flopped on the couch. Me: "I need to go." Lubb: "please don't." the front door opened wangena uLukhanyo. Luks: "molweni." Lubb: "hi! How did it go with your friend?" Lukhanyo stared at him. Luks: "he's doing better." I soon realized, he was the friend going through a rough time. Luks: "hey my angel." he kissed Luhle. Luks: " Khumbula Utata wena?" she nodded. Luks: "come here." he took our daughter and I looked for something to do. He didn't bother disturbing me. Luhle: "teacher ka nana culela nana ingoma ka Bunny." Luks: "ithini baby ngoma ka nana." Luhle: "One Two, bunny shoes. Tee, For, Bunny doors, fav siks, Bunny sticks. Whoo whoo, bunny sticks." Luks: "wow! Ayisemandi ngoma ka Bunny. Uzofundisa utatakho ne?" Luhle: "ewe." I washed the dishes in the sink while Sylvia was cooking. Lubb: "hey." I looked at him and smiled. Lubb: "Syl, can you please give me a minute?" Sylvia: "okay bhuti." she walked out. Me: "you look cute. Uyaphi?" Lubb: "well, nowhere yet. I just felt like dressing up." Me: "in your expensive Tom Ford suit?" Lubb: "its actually Armani. But it doesn't matter. I can't leave this house looking like Satan's toenail now, can I?" Me: "okay, so what's wrong?" Lubb: "Lukhanyo keeps disappearing to this mysterious friend that I know nothing about. Every time ndimbuza, he dismisses it and hides it. I'm worried about him Lihle. What if..." he moved closer to whisper more quietly. Lubb: "what if he's selling drugs again? What if he took Boa's offer. That man is nothing less of Satan. I can't let him be involved in that type of shit." Me: "what do you mean he keeps disappearing? And who's Boa?" Lubb: "this isn't the first time he's disappeared. Ndimfownele angafumaneki. Then, he comes home and not explain a thing. Not that he owes this old hag that is me an explanation. But I mean hey! It would be nice, you know." Me: "how often does he disappear?" Lubb: "like 3 times a week. This is the fourth time." Me: "maybe he just needs time out." Lubb: "from me?? Mna?" Me: "Lubabalo, Lukhanyo won't go back to selling drugs." Lubb: "boo, he did, just two months ago. Wabuya umfana enemali." Me: "then thetha naye kalok." Lubb: "I've tried. He doesn't talk to me about anything except you and the kids." Me: "oh." I dried the dishes. Lubb: "that's why I want you to talk to him." Me: "no." Lubb: "yes. Please? Just try and find out what he's doing, with who. Just make sure its not Boa." Me: "what kind of name is boa." Lubb: "I know right. That's exactly what I said. Will you?" Me: "you're the one that knows all his passwords." Lubb: "I know everyone's passwords darl, but that does not mean I must snoop." I laughed. Lubb: "but I'm asking." Me: "look at me." Lubb: "I am." Me: "Lukhanyo isn't doing anything wrong. He isn't selling drugs either. Andimazi uBoa ke and andizophendula anything in regards with that But the first two facts I believe are true. When the time is right uzothetha nawe. Just be patient with him okay?" Lubb: "fine." Sylvia came back to check on the pots I was done with

the dishes. Me: "I'm taking Lubambo for his feeding." Lubb: "ooh, can I come?" Me: "please find something to do." Lubb: "like?" Me: "ask she." Liya: "ask me what?" she walked in. Lubb: "Liya!" he hugged her. Liya: "are you high?" I walked out giggling. Luthando and Chuma were outside playing with Thabo. Where was my daughter and baby?" I ran to the nursery where they would most probably be. When I opened the door it was quiet. Except for light breathing. I placed my hand over my mouth trying not to laugh. Lukhanyo was inside the baby's cot with his legs hanging out. Lubambo was on his chest sleeping with his little mouth open. Luhle was also passed out curled up in his arm. I took a silent picture of this cute scene and left the room. Back in Lukhanyo's room I saw the envelope I left before the revelation. I took it ndayivula. Inside was a spa voucher. Myself and 1 friend. They had everything here! from facial, manicure, full body massage.... Why would he do this? I Don't know whether I didn't have faith in him or myself. Just a little small part governed my whole heart. I hate the fact that I lied to Remy. The problem was not him, he was perfect. Maybe that's what was wrong. He was perfect. Everything neat, in order, color coordinated and shiny. That can't be wrong. The wrong thing is looking for something wrong in someone. I was being a mean person until I realized I needed to stop pleasing other people. It was time to be honest with myself. I love Lukhanyo. More especially that he's trying his best to be a good person. Secondly, I care about Remy, and more selfish ngaye. He was handsome, smart, a brain doctor aaaand he smells nice. I loved that. With Lukhanyo? He was equally handsome, a bit crazy, forever by my side, through screaming and laughing, not text book smart, but his intellect was quite absorbing, his quick thinking. God, his laugh. Plus he had a cute butt. Which in my opinion counts. *sighs* just when I was about to lay back, the door opened. Lutha: "mama, Lutha lambile." he pulled up his t shirt to show me. Me: "baby, sizotyha ngoku vha. Usylvie uyapheka." Lutha: "ha.a funa pheka mama." Me: "okay ke uzopheka umama vha. Give mommy a kiss." I kissed him. Lutha: "laview." Me: "I love you too my angel." he hung on my lap, chatting to me. mid-conversation he stopped and breathed slowly. Abruptly. His small hand grabbing on me. Me: "Luthando?" he gasped and then started screaming. I picked him up instantly trying to comfort him. Lutha: "hambaaaa!!!" he screamed. Lutha: "Tataaaaaa!!!!" he screamed. Lukhanyo almost kicked the door open. Luks: "kwenzeka ntoni!" Me: " I don't know. He just....." he took him from me. Luks: "my boy? Yinton?" Lutha: "eme phaya. Ufuna thatha Lutha Tata." he pointed at the window. Luks: "ubani?" the boy held on to him sobbing. Luks: "Luthando." Me: "don't rush him. Let him calm down." Luks: "Luthando, ubona bani?" Lutha: "usisi." Me: "ngu sisi otheni lowo?!" Hayi kengoku ndizophambana. Sisi? For the fuck? Luks: "whatever happened to calming?" Liya: "kwenzeka ntoni? I heard the

baby crying?" Me: "uthi ubone usisi. Saying uzothatha yena." Liya: "what? Where?" Me: "by the window." Lubb: "and now?" suddenly everyone was in our room. Luks: "Lihle what happened?" Me: "I was sitting apha, Luthando endibalisela about school and his teacher then he stopped. He started breathing funny-" Luks: "funny how?" Me: "not funny...just ingathi kabhlungu. Then he started screaming ejonge festireni. I picked him up." Lubb: "ujonge nton efestiren?" Me: "I didn't look. My concern was to comfort him, make sure he was okay. I wasn't sure if he was having an attack or what." Luks: "cela niphumeni." Lubb: "what?" Luks: "can everybody please leave my bedroom." the family started leaving one by one. Me included. Luks: "Uyaphi Lihle?" Me: "I'm part of everyone-" Luks: "you're part of me. By everyone, I do not mean you." Me: "I shouldve known the control freak would be back. I'm impressed you kept your cool that long. Now we can get back to all the fun activities like stabbing one another." he closed the door. Luks: "I actually want us to pray together. I'm not interested in feeding whatever bad spirit is out there trying to keep us apart and fighting. We're not going there. Sizothandaza, together. Even if its not okay today, or tomorrow, one day it will be. For now, I need you to control the urge of hating me for my mistakes. I need us to pray for our family." Me: "I don't understand this new you." Luks: "neither do I but You need to trust me." Me: "its different-" Luks: "I know. Please?" I rolled my eyes. Luks: "ndiyayazi ukuba ayinguwe lo. I'm speaking to the part of you that still loves me. I need you to call that woman to the front of the stage because she needs to hear this." Me: "fine. Mandivale festire." Luks: "nah, yiyeke." he put a pillow on the floor for me to kneel on and took one for himself. Luks: "Nkosi, ongamandla onke..."

Sibongile called my phone around 7 in the evening. We were having supper with the rest of the family kumandi. Luhle was on my lap, the phone ringing in her hand. Luhle: "ello." Me: "sapha mntanam." she gave it to me and I answered. Me: "babe?" ndafumana a deadly look from Lukhanyo. He stopped eating and chewing. Me: "I'm sorry I didn't get back to you." I got up and walked to a corner still holding Luhle who had now started occupying herself with my earrings. Sbosh: "Lihle I need to see you. Now. Something is wrong." Me: "wrong? Where? Uphi?" Sbosh: "are you home?" Me: "no babe, ndikwa Lubby. Come over here." Sbosh: "okay." I hung up walking back to the table. Lubb: "is Remy joining us?" he smiled excitedly. Lubb: "ooh, maybe, he can give me a crash course on psychology. I would've made a great doctor." Sebastian laughed his lungs out. Lubb: "I am glad I have your support dad. So very happy." Sebas: "its not that son. I'll explain it later." Lubb: "hmm...so is he coming? Khame ndimkhuphele plate and cutlery." Luks: "excuse me?" Lubb: "he's our guest." Luks: "uze kuwe?" Lubb: "I mean, its my house. I welcome everyone with open arms."

Luks: "suddenly?" Lubb: "well, I mean he's a doctor. He deserves some hospitality." he laughed. Lubb: "see what I did there?" Lukhanyo looked at me. Me: "what?" he pushed away his food, getting up and walking out the door. Lubb: "did I upset him?" Me: "hlala apha Lihle vha." I got up and went after him. Outside it was freezing and I didn't realize until I was out. Me: "wenzani? Uyaphi?" Luks: "if you want to invite your good guy boyfriend the least you could've done was tell me to leave." Me: "I didn't invite my boyfriend." Luks: "what is it that you're trying to do? I get it now. Okay? I'm no match to him, and ukuphethe kakuhle. You don't have to rub it in my face naphambi kwabantwana bam. It hurts Lihle." Me: "so uzoma kude kuthini apha." Luks: "just get inside, kuyabanda. I'm going to my place." Me: "alone?" Luks: "khangene endlini Lihle. Uyolinda noLubabalo pha, I'm sure sevuthele neeBalloon by now." I giggled. Luks: "mxim. Caba iyanyubisa." his hands were in his pockets, the collars of his jacket pulled up around his neck. I hugged him. Luks: "izofika ke yona indoda yakho ulibele uzithunga apha kum." Me: "Remy is not my boyfriend. And he's not coming here. Bendithetha noSbongile mna." Luks: "kutheni undixokisela?" I looked at him. His brown eyes were sparkling under the moon light. His jaws tightened. He was hurt. I touched his face and kissed his lips slowly. He stopped me. Luks: "kutheni undixokisela?" he asked again. I kissed him again and again he stopped me. Luks: "kut-" Me: "will you just relax? And then trust me? Please!" he hid a shy smile. Luks: "andifun unyathelana nee-corns zabantu bengandezanga nto." he whispered. Me: "awunyatheli nto. I'm not lying to you." he pulled me into his chest, wrapping his arms around me. Luks: "kuyabanda." Me: "nah..." I felt warm. Inside. He leaned against the wall, nuzzling my hair. Luks: "I love you." head lights shone at us by the gate. He clicked on his remote and it opened. Me: "sizohlala nangomso?" Luks: "bendibawela ubane cebo bonanje before we leave here. its the safest place." Me: "well I need to go to church Ksasa. I had a plan of staying home and cooking afterwards." Luks: "uyivulile envelope?" Me: "oh yes....thank you." Luks: "why don't you go there tomorrow? Then come home to a home cooked meal by yours truly?" Me: "sounds tempting. Kodwa, I can only take one person. I have like 5 friends." Luks: "choose one ke." Me: "I choose you." he kissed my cheek. Luks: "uyandi friend zoner olohlobo?" Sibongile walked up to us. Sbosh: "uhm. Hi." she was getting cold. Me: "hey. Masingeneni phakathi." we all went in. Luks went his way. I stayed with Sbosh in the lounge. Lubby came in carrying a balloon and a candle. Me: "and then?" Lubb: "where is he?" Me: "who?" Lubb: "Lukha. I want to piss him off." Me: "why?" Lubb: "so that he can finally Talk to me! Oh my goodness Lukhanyo did you see Remy is here!!" he yelled eyomkhangela. Me: "okay. So what's up." Sbosh: "I think Sbu is trying to kill someone. I don't know who. But I overheard him talking on the phone. Andiyazi

Lihle, uske watshintsha overnight lomntu. Kufika abantu abamdakana endlini abangoo Blood. Bezomkhangela. He even bought me a new car. I don't know what is going on!" Me: "kill someone? That is not Sbu. Not even in the slightest bit. Akasoze! What exactly did he say?" Sbosh: "something about not being able to kill lomntu in a public place, rather alindwe aphume, but he wants him dead by evening." Me: "whaaat!" Lubb: "who?!" Me: "what are you doing?" Lubb: "Lukhanyo popped my balloon!" Me: "ukuthumile didn't he?" Lubb: "nooo." Me: "I know he did. Ndiyamazi he wants to hear." Lubb: "I don't know what you talking about." Me: "Lubabalo I'm having a very private and serious conversation." Lubb: "okay. I'm sorry." he walked away. Me: "by tonight evening?" Sbosh: "ewe. Oko ebemke around the time I called you first." Me: "Sibongile...isn't the person he's trying to kill.....Nathi?" Sbosh: "no! He would never do that! Besides Sbu doesn't remember anything." Me: "What doesn't Sbu remember? What happened Sbongile?" Sbosh: "he caught me cheating." Me: "what? No..." Sbosh: "that's how he ended up esbhedlele. He panicked and collapsed." Me: "babe. This is dangerous. Ndiyazela kum i-trauma, it can change you. He hasn't forgotten a thing!" Sbosh: "Lihl-" Me: "Yes! bekufike uZakes kwam, he said that someone wants to kill ubrother ka Remy. He warned me and if uthi uSbu caught you with him, its just NOT a coincidence. Trust me." Sbosh: "oh my God.....what have I done!" she covered her face. Me: "you know we need to telll uLukhanyo right?" Sbosh: "are you guys back together?" Me: "uhm....no...we're just.....I don't know, but we need to focus on you now. Lukhanyo!!" he walked in. Luks: "yes?" Me: "we need to tell you something." Luks: "okay.." I explained the situation to him. Luks: "so, I must.....?" Sbosh: "you need to stop him." Luks: "stop him? Ufuna ndithethe naye?" Sbosh: "whatever it takes to stop him." he looked at me. Me: "I'm sure talking would do...." Luks: "I'll ask Lubabalo. He'll take care of it." Sbosh looked at him then at me. Sbosh: "Ta Luks? Uright?" Luks: "I'm perfect." he smiled at me. Sbosh: "yeah? I'm going to see uChuma for a while." she got up and went to look for him. He kneeled down in front of me holding my hand. Luks: "I want you to be open with me, if you're feeling uncomfortable tell me. When I upset you, tell me. Andifuni uphinde uve kabhlungu." Me: "I want you to be comfortable too. Stop worrying about the past, idlulile. Your wrongs can only be made right, by you. Njengam, I can only fix myself, myself. You need to forgive yourself, because I forgive you." he kissed my hand. Luks: "I will never let you down again, I promise." he got up and kissed my forehead, sitting next to me. I hugged him, staying in his arms for warmth. Me: "uzothin ngoSbu?" Luks: "I'm doing everything I can to leave that life behind yazi. Yilento ndingafuni ukuyingena, but Nathi is innocent, plus he knows nothing ngalento. Ndizothetha noLubby, he'll call his police friend and set up something to catch these people." Me:

"Lubabalo won't do that, uzofuna uyenza ngokwakhe." Luks: "I'm not trying to make any more enemies. Bayakhula abantwana. When Luthando almost got shot ndaziva kushukuma indawo ngaphakathi kum. I can never let that happen." Me: "I think that's a good idea, and I think you should talk to Lubabalo. He's worried about you. Let him in." Luks: "ndizothetha naye wethu namhlanje. Just to sort this whole Sbu thing out. Masambe, siyovasa abantwana." Me: "wait.." I wanted a few more seconds in his arms. So much of him was different. Luks: "you have the whole night to do that baby. Iza. Uzosiqumbela uLubambo." Me: "ngubani uYonela?" Luks: "babe-" Me: "you can tell me. Please be honest." he sighed. Luks: "okay. She's someone I met. After you and I divorced." Me: "and what happened?" Luks: "uthetha njani?" Me: "is she still in your life? Did you sleep with her? Did you use protection? And how long have you been with her? Is it serious-" Luks: "Lihle.." Me: "well?" Luks: "I did sleep with her, yes I used protection, its just been a few months, and no, it wasn't serious." Me: "is she still in your life?" Luks: "this isn't easy Lihle. She's a good woman. I love you, uyayazii lonto. I can't treat her like trash because of that. Funekile ndimbone ndimxelele I can't be with her anymore." Me: "why?" Luks: "I thought me and you are trying again? I want to do it right. Come here." he pulled me back in his arms. Luks: "uxolo vha." Me: "let's go. We need to get the kids ready for bed." Luks: "sundiqumbela please?" Me: "andiqumbanga Lukhanyo." I got up and went to the nursery where the kids were. Liya and Namhla were getting the two babies ready for their bath. Me: "Luthandoluhle. Come baby, we need to bath." Luhle: "a.a mama. Sovas Bambi aloku." Me: "Luhle please." Luhle: "hayi mama. Funa vasa Bambi mna." Luks: "Iza mntanam. Uzovasa notata." Luhle: "Tata!!" she ran to him excitedly. Me: "great." I walked out. Luks: "Lihle!" I walked down to the cellar. It was dark when I opened the door and I closed it behind me. I sighed then switched on the lamp to look for a bottle of wine. "wenzani." I got a fright. Lubby was sitting on the far couch. Me: "what the hell!" Lubb: "I got here first. What are you doing." Me: "I need a drink." Lubb: "why?" Me: "just." Lubb: "you can't drink. You're breastfeeding-" Me: "Lubambo is half asleep and uncanca ibotile." Lubb: "the twins need you." Me: "they have their dad." Lubb: "you know he will kill me for this." Me: "I'll have whatever you're having." Lubb: "okay. Well, I can't stay. Have just one glass then come back out to sleep okay?" Me: "Uyaphi?" Lubb: "to uLiya. We scheduled our favorite series. Sizoy'bukela together." Me: "that's nice." Lubb: "you're gonn be okay?" I nodded. Me: "just one glass." he got up and walked out the room. I sat there and took a glass of wine and poured my one. Lubabalo walked in Lukhanyo's room. Lubb: "you called?" Luks: "sungxama." he dressed the twins in their matching pajamas. Luks: "okay guys. Let's go." he picked them up and walked them to the nursery. He came back a few minutes later. Luks:

"Sbu is trying to kill Nathi. He wants him dead." Lubb: "how do you know?" Luks: "Sbosh overheard him on the phone with someone. Lihle was told by Zakes someone is trying to kill Nathi. Sbosh was having an affair nale awti." Lubb: "Lukhanyo. Singenaphi perhaps?" Luks: "she asked for my help Lubabalo. Ngumama womntanam. You know I'd do anything for her." Lubb: "she is your ex! Caught between two other men!" Luks: "and I need to keep her away from the one that's trying to commit murder! Ingangu Nathi namhlanje, who's next? My son?" Lubb: "why would Sbu kill Chuma?" Luks: "just because he's your bestie?" Lubb: "Sbongile shouldn't have had the affair in the first place!" Luks: "would you rather I'd killed you too?" Lubb: "Lukhanyo, that is low." Luks: "is it?" Lubb: "it was never like that." Luks: "oh?" Lubb: "I thought we were done with this." Luks: "we are. Now will you talk to Sbusiso or what?" Lubb: "mna?" Luks: "ewe Lubabalo! Wena. You're his bloody friend. Someone needs to find lo Nathi. And that's me." Lubb: "look-" Luks: "I'm done talking." he wore his jacket and walked out. Lubb: "Lukhanyo!!" Luks: "what!" Lubb: "please come back soon. Lihle doesn't seem alright, she's down in the cellar having a glass of wine." Lukhanyo walked out the house. He drove up to Summerstrand, Remy's house. There were no cars outside but the lights in the house were on. He rang the bell. Yonwabisa opened the door in a few minutes. Yonwa: "I....hello.." Luks: "hi." Yonwa: "are you lost?" Luks: "I think not. Nathi uhlala no Remy mos? Is he home?" Yonwa: "well, no...but you can wait for him. I'm sure he's on his way." Luks: "cela umfownele." Yonwa: "and you are?" he smiled. Luks: "his friend." Yonwa: "come in friend." he walked in. Luks: "uphi Remy yena?" she dialed the number on her phone. Yonwa: "oh, there he is. Hi daddy." Remy walked in. Remy: "what the hell are you doing in my house?" Luks: "Ndifuna uNathi." Remy: "Yonwabisa. Get upstairs." Yonwa: "but daddy-" Remy: "now." she dragged her feet up to her bedroom. Luks: "didn't think you were the sugar daddy type. But who am I to judge." Remy: "don't you ever dare come near my daughter again. Do you fucking understand? I swear Lukh-" Luks: "I get it. I have a daughter too. That's how I felt when Lihle ebehlala apha nawe. I would never approach your daughter. I have my boundaries." Remy: "what do you want?" Luks: "Nathi. Call him. Its important." Remy: "why." Luks: "would you rather have him dead or here?" Remy: "he's at his club. Won't answer his phone till morning. Its Saturday, ku-busy." Luks: "how sure are you that he's there?" Remy: "because bendisando thetha naye esithi he can't leave there. Kugcwele. Now, will you tell me what's going on." Luks: "I need the address." Remy: "you're not getting it until you tell me what the hell is going on." Luks: "Remy, someone wants to kill your brother. The man who's girlfriend he's fucking. If I can get to Nathi, I can protect him." Remy: "ngoba?" Luks: "ngoba ntoni?" Remy: "why do you want to protect him?"

What's in it for you." Luks: "an apology. I know I fucked up before, and ubumphethe kakuhle uLihle. I know akho lula to just forget everything but, I love her. And I need her. She's....worried about you." Remy: "46 on Avenue 3." Luks: "a club on Avenue 3?" Remy: "I might have lied." Luks: "Trust me. I'll bring him home." Remy opened the door for him. Lukhanyo walked out. Remy: "take care of her." Luks: "done." he started his car and drove out to Avenue 3. His phone rang. Lubabalo calling. Luks: "what." Lubb: "I can't find Sbu." Luks: "find him Lubabalo. Do whatever it fucking takes, to find him." he hung up parking down the street from 46. Before he got out the car, he noticed someone standing near 46. Luks: "shit." he pulled out his gun underneath the seat. Trying to open the door slowly. He got out and the inside light lit up. The person looked in his direction. He pulled out a gun. Lukhanyo aimed his and fired immediately dashing behind the car. The other still fired the shots moving closer and closer. Luks: "1.....2, bunny shoes, 3.....4 Bunny doors, 5.....6 Bunny sticks." he appeared and shot back at him instantly. The bullets shocking his victim to the ground. Lukhanyo aimed for his hand and shot at him twice. The body did not move. He walked up to 46. Luks: "Nathi!" silence. He banged on the door of the building. Luks: "ndim uLuks, I'm not here to hurt you." Nathi: "the cops are coming!" Luks: "I promised your brother I'd have you home safe. Please!" Nathi: "ndizok'themba njani?" Luks: "ngendingamanga Apha ndicengana nawe man!" the door opened. Luks: "come. We need to go." Nathi followed him to the car. Sirens started from a distance. Lukhanyo started and sped off. Nathi: "who the hell was that?" Luks: "andiyazi. No need to worry he won't bother you again." Nathi: "you killed him?" Luks: "I defended myself. Khathule Nathi. I need to think." he took out his phone. Nathi: "you might've just let him kill me if you gonn drive like a maniac and Text. Good God." Luks: "don't." he put his phone on the ear. Luks: "did you find him?" Lubb: "he's simply disappeared." Luks: "khangela indawo angaqhelekiyo kuzo. Start with Sthera." Lubb: "alright." he dropped the phone and parked in front of Remy's house. Luks: "you stay in that house until I tell you its safe. You hear?" Nathi: "enkosi. For saving my life." Luks: "Go." Nathi got out the car and went inside the house. Remy: "finally!" Nathi sat down on the couch, his hands in his face. Remy: "what happened?" Nathi: "he killed him...the man who wanted to kill me. I saw him standing outside, pointing a gun at me. Lukhanyo killed him. Why did he do that?" he was shaking. Remy: "what's important is that you're alive and safe. Suyicinga enye." Nathi: "man, I can't. Ubungekho pha. I was aimed at....I almost got shot. Dead. If I didn't believe in God, now would be the time I did." Remy: "I'm sorry. Want a drink?" Nathi: "ndicel pilis yolala." Remy: "okay. okay. Calm down." Nathi: "what if they come here!" Remy: "Khang uthi he's dead. You need to trust L-" Nathi: "trust him? You hate him!"

Remy: "I do, but I love you. And he brought you to me without a scratch." Nathi: "pills Remy. I'm taking a shower." he got up and went upstairs.

Lukhanyo got home just before 22:00pm. I was sitting in the lounge watching TV alone. Namhla had gone to her friends, Liya was with Lubby and Demi, I don't know where she went to. Like I'd promised Lubby, I only drank one glass of wine. Luks: "hey." he took off his jacket. Me: "hi." Luks: "Nathi is safe. For now. Till Lubby finds Sbu." Me: "Lubby Uhlel noLiya in the bedroom." Luks: "whaaat." Me: "can you deal with that tomorrow?" I snuggled under his arm. Luks: "I did something. Endivisa kabhlungu. Ndithembise kuThixo, andisoze ndiphinde. Kodwa ndisophulile isthembiso Sam. I lied to God." I looked up at him. There were tears in his eyes. Me: "baby. God forgives those who ask for forgiveness and repent." Luks: "every time?" Me: "you need to understand that He's not human. He loves you. Akasoze naninina adikwe nguwe. I'm sure you didn't mean to do whatever it is." he put his arms around me. Luks: "sizokwenza njani...I'm drained kucinga. I don't know how to move forward." Me: "look. Right now, wena, you need to rest. Let go, sizothetha ngomso. Ne?" Luks: "let's go to bed." we went to our room and got into bed, cuddling. Luks: "umamakho simlanda nini?" Me: "Monday. Tomorrow siya ecaweni, then our spa treat, sibuye sipheke and talk." Luks: "sounds like awufun ndiphuncuke tu." I smiled. Me: "hayi ke uzoshiyeka." Luks: "never." he kissed my cheek. Luks: "masilale babe. Long day tomorrow." Me: "don't you want to pray?" Luks: "I feel like an opportunist, asking for forgiveness, then sinning again. Like I'm fooling God." Me: "you're not. Life happens. Awukho perfect, the most important thing is that you're trying okay? Don't just give up hope because of one disappointment. Uqhelile uthandaza before ulale naxa ungaziva right. You're going to do it now too. Come, get up." he got up and we kneeled on the floor for our night prayer.

A few days later...

It was the morning of Lukhabalo's birthday. I don't even know if Luzuko was invited or not. I didn't care actually. In bed, Lukhanyo was fast asleep snoring, I turned to him and before I reached his lips, his eyes shot open. I kissed him regardless. Me: "happy birthday to you.." I sang. Me: "min'emandi kuwe.." he melted into a shy smile, hiding his face in the pillow. Me: "khawuze ndiphuze." He peeked. Me: "happy birthday Lukha .." he hid his face again. Me: "khazapha man. Ubaleka ntoni." Luks: "khayeke man." Me: "ndiyekile ke. Let me kiss you." he quickly pulled himself up and pulled me to him. Me: "wait....why are you crying?" Luks: "andikhali mna." Me: "ufuna ndikulence amehlo to confirm?" he smiled. Luks: "I don't remember being this happy. Having you here puts me at ease. Udenza happy man." Me: "even without the sex?" Luks: "even without the sex. Like I said Sunday, I'm willing to wait." Me:

"uzutsho ke ndidibane nawe uleqana neempundu estratweni." he laughed. Luks: "usile yazi." his phone rang. We giggled. "Lubabalo" we said together. Luks: "how's the sale of the house going?" Me: "estate agent said there's like 4 offers already. Oko ndidibene naye on Monday." Luks: "its only Friday." Me: "I know. Ndizova ngaye ke. I think it'll be sold by the end of the month." most of ya'll probably driving yourselves crazy asking, why the hell am I selling my house. Cursing and slapping your thighs. Soothe your boobs. I'm not selling Walmer Heights estate. Its the Lovemore estate that is being sold because we both agreed that it held nothing but tragic memories. Ones which made him teary. So we're selling it and splitting the profit. He wants to start a business with his share. Employing unemployed youth, those of which can't afford tertiary education. its a grass-cutting and gardening service. Then he will expand on to buying another business that offers a service to employ more youth. I think its a great idea. Those of which are graduates but still unemployed will work for 6 months then placed into the telecommunications company Lubby and him had started. We did a lot of talking about us. Just dating seemed to be the best option, as much as efuna uMakoti. The bubbly look on his face as he describes how I would look in the attire made me smile. Just talking about it made him happy. Yet he understands the current objective is to finish my diploma. Ndiqhubekeke onto my degree, then I'll consider. My mother was in a private clinic. Being taken care of since I wouldn't be able to and Namhla efuna a part time job then goes back to school the following year. Stuja and his family had finally settled in Doha, a beautiful city in Qatar. Zakes finally decided to quit looking because he failed shame wade wazixela that he will be taking over his business. Lukhanyo had cut ties with him. He was done with it and him. Zintle brought the twin girls as promised to spend their daddies' birthday with the rest of us. As if today's activities weren't enough, Tomorrow, Lonwabo and Busi were getting married! It was a big surprise to everyone especially Lubabalo ezibhuqa phantsi, thanking God that he was the best man. 🥰:v I'd laughed all day long ndade ndavuka ebuthongweni ndaphela yintsini again. Lucky had relocated to Pretoria with Anelisa his girlfriend, he was hired by BMW apparently, the house he'd been in the process of buying lived his mother and baby sister. Mandla was back at school, finishing his certificate equivalent to matric then going on to get a diploma in Engineering he says. Sbu, yes lo ka Sbosh who hired a hitman to kill Nathi was stabbed on the night wayekhangelwa qithi. Luckily he survived. Although he was found with the possession of a bag full of ecstasy. Right after his recovery, a jail cell was waiting. Sibongile had taken a step to end it immediately and we helped her get a protection order. Mandy....well, her salon business was doing extremely well. I was proud of her although ebengathethi nam because of Lukhanyo. I spoke to Remy on

Monday, when I went to fetch my mother from the hospital. It surprised me when he spoke to me about my relationship with Lukhanyo. He said he supported our decision and that he would always be there, as a friend. I don't know what or how that happened. Luks: "sizonxiba ntoni emtshatweni?" I laughed. Me: "uyalibala ukuba nguLubby twin yakho." Luks: "and uzofuna undikopa." Me: "don't worry. I have you covered. Good morning hun." I kissed him. Luks: "Good morning My Rib. As dating as we are, usezoba Ngu Mrs wam. My chocolate pudding." Me: "ne?" Lubb: "Lukhanyo? Are you awake?" he knocked on the door. Luks: "ithi ndilele." he whispered. Me: "shhhh." Lubb: "I know you guys are up. Khanivule guys. I'm in a predicament." I'm sure he can't find one of his happy socks. That would be the predicament. Lubb: "guyzini mani." he knocked again. Lukhanyo got up and opened. Lubb: "great! So which one should I wear?" he held up two suits. Lubb: "this, I look like a chief pilot. Totally sexy and it screams Responsibility. This on the other hand, spells quiet, reserved. Lukha, thoughts?" Luks: "Uyaphi?" Lubb: "the wedding! Ngomso. I'll never forgive uLonny for not telling me on time. Now I don't even have a suit to wear." Luks: "arg." he groaned. Lubb: "on a serious note, which?" Luks: "take pilot." Lubb: "sweet. On a less serious note. Zakes ukhona." Luks: "Khona phi? At this time?" Lubb: "he's in the private lounge with uTata. I don't know if he's okay. Usually xa engena, I insult him and he responds today ndifumene u'not today kwedin. Please.' Qha. Anyway, I have a party to get ready for. Hi Lily, uright?" Me: "bye Lubabalo." Lubb: "oh wow. Just like that." he walked out. Me: "baby? You okay?" he breathed. Me: "talk to me." I hugged his back. Luks: "I think ndiyayazi ngoba Kuthen Utata elapha.." Me: "okay. Ngoba?" Luks: "the day we were born.....he lost the love of his life." Me: "but it wasn't his fault Lukha. Neither was it yours or Lubabalo's or Luzuko's. Bubomi." Luks: "29 years later and he still thinks about it. Isamhlupha nanamhlanje. Inoba yilento engafuni ulunga Utata? Is it because akayiboni point?" Me: "ambothetha naye. Make him understand. Lemini yeyakhe naye. Go." Luks: "andifun thetha nalamntu." Me: "Lukhanyo, awuyocela msebenzi. Uyothetha noyihlo. That is all. I'll have breakfast ready for xa ugqibile." Luks: "fine. No bacon please and ndicela hashbrown instead of patty. 2 Boiled eggs. 2 slices of brown bread and Cucumber slices." Me: "okay. Ne tomato?" Luks: "yes. I think Ikhona ne Avo." Me: "is that all?" Luks: "before all of that, ndicela undigalelele All Bran in a bowl with almond flakes, muesli and pumpkin seeds. Please. Thank you." Me: "Yoh. You're sure uzoy'gqiba Yonke lento?" Luks: "yep. Everyday." Me: "juice?" Luks: "no, just water. With a slice of lemon." he put on his sweat pants and vest. I took my own sweatpants ndanxiba and one of his vests. He went to his dad, ndondlula ibhedi. Cleaning the room. His phone rang. I looked at it. Yonela. I put it back down and minded my

business. I went to the kids' room. All of them were awake. Iyilo noise and fuss. Me: "babies. Izani apha. Come." they all gathered. Me: "today, its daddies birthday!" they squealed in excitement. Me: "okay, okay! So...sizocula ne guys uHappy Birthday for them ne? Let's start." Chuma: "happy Birthday daddy!-" Me: "wait Chuma. All of us together guys. 1. 2. 3. Go." they started singing and I heard a 'besday' even. Anyway. After our practice, bayovaswa, I had a large breakfast to prepare so I started with the cereal. Ndayibeka ecaleni with the milk. I boiled the eggs, while continuing with the hash browns, cutting of tomato, cucumber and avo's. Then I fried eggs for everyone, making bacon, pork sausages with melted cheese. Wangena Lukhanyo taking his cereal esitya. Luks: "nam ke ndiyamfuna um'hombiso. Whatever that is." Me: "how did it go?" I dished his breakfast. Luks: "it went fine. he'll be fine. By tomorrow he says." Me: "hm..okay. Is he staying for the party?" Luks: "I don't think so. Akakho in the mood." Me: "Ta Smig uyeza?" Luks: "I don't want him here." Me: "Lukhanyo-" Luks: "Andimfuni apha babes. And that's not changing." he finished his cereal wasela amanzi akhe. Then went into the breakfast. I set the table ndayobeka ukutya pha. Me: "I need to shower ndinxibe." Luks: "party starts at 4pm. I need to put up the outside playroom for abantwana. Then you and I are going to take a walk, then sizobuya before they start." Me: "Okay." he kissed my lips holding me with one arm. Me: "ginya." Luks: "gqibile." he kissed me again. Me: "andihamb nabantu abangavasanga ke mna." Luks: "haha! Kulungile kuba ndizovaswa nguwe ke sisi." I chuckled to the bedroom. I took my shower ndaphuma ndazothambisa taking out just regular clothes. My skin tight camouflage pants, all white Superstar Adidas sneaker, a white vest and white cap. before wearing the cap, ndathambisa ubuso bam with foundation, shaped my eyebrows, applied eye liner, mascara and maroon lipstick. I combed the 20" Peruvian weave I put on Sunday taking advantage when I was being treated by Yours Truly. Finally putting on my cap. Lukhanyo walked in and smiled. Luks: "iwele lam." he hugged me. Me: "ambovasa." Luks: "andifun vasa mos mna." Me: "uyashiyeka ke." Luks: "awuse sexy man. Khawume pha ndik'fote." Me: "stop." Luks: "Iza." he took his phone, taking pictures of me. Luks: "nam ndiyovasa. Ndicela iphuzis." Me: "a what?" Luks: "a kissie." I kissed his forehead staining the lipstick on him. Me: "let me go eat." I went to eat. Everyone was up and ready. Liya was dressed in a two piece navy and red outfit. High wasted, gypsy pants and a boob tube gypsy crop top plus navy stilleto. Namhla was wearing a short white jumpsuit with a gold belt on the waist and gold sandals. Demi walked in the house. Her heels in hand as she mumbled good morning. I wonder be-awtele bani? The kids came in to the dining room ndayolanda uLubambo, Liya fetching Luyanda. Me: "I'm going to be out for a while, ndicela undijonge Lubambo? I know the twins don't even know ndisaphila or what." she

laughed Liya: "bonwabile wethu, especially kufike uBabalo noBuhle. I think they're sorted bona." Me: "and to think oko ndileqana nabo all week. Wow." we laughed. Liya: "its nice to see you smile. Finally." Me: "its nice To smile." Liya: "that's good." Lukha walked in. Luks: "I'm ready." Liya: "awwww. That's so cute. Hayi aba." I frowned at him as he smiled innocently. He was wearing the same outfit as me, only he was wearing black Yeezy boosts 350's, a black vest and black cap. With the camouflage pants that gripped his ankles so sexily without effort. He picked up Lubambo and kissed him. Luks: "uyabuya Utata nomama vha baby boy? Uzodikwa ndim very soon. Sizohlala together all day. Ne? Ungalali ke." he kissed him again. Luks: "ndiyak'thanda kwedin." he said as he put him down. Luks: "awuzokhala?" Lubambo puckered out his lower lip. His eyes beginning to water. Liya: "hambani. I'll look after him. Come baby, nanku Luyanda. Say hi Luya." we left the room, walking to the kids. Me: "ndiyabuya babies vha?" Lutha: "mama hamba notata?" Me: "ewe boy. Siyeza ngoku." Luhle: "laview mama." she pouted and kissed me and went for her dad. I kissed Lutha, Chuma and Thabo, and Babalobuhle goodbye. We Went out to the car when we were done. Me: "what happened to walking?" Luks: "relax." we got in the car. He started and drove. Me: "uhm. Babe." Luks: "do you trust me?" Me: "of course. What's going on?" he drove into the airport. Okay by this point I was really confused. We were walking home from the airport? What was happening? Me: "love?" Luks: "mntu wam." he got out the car nam ndahluka. Still perplexed. Me: "siyaphi?" Luks: "its a surprise love." Me: "Lukhanyo." I snapped. Luks: "the reason I wanted us to leave now is because sizobuya ngomso Ksasa for the wedding. Initially, besizohamba late, sibuye Sunday." Me: "Lubabalo is going to murder us Lukhanyo, and then asingcwabe in his garden! So that xa esikhumbula ayohlala pha ancokole!" Luks: "Lubabalo is the least of my concerns. Masambe man babes. This is our first trip together, alone. I want to spend this day with you-" Me: "what about the kids! ULubambo bab-" Luks: "he's well taken care of. Come." I held his hand as we entered the airport. Luks: "next time its the Maldives. A family holiday in December? Or Bora Bora?" he said as we checked in. Me: "baby," Luks: "I know babes. We're Saving. I also have an income though. Just to spoil us once." Me: "only if I help." once we were done we walked away to board our flight. Luks: "erh...no. Let's enjoy this trip my rib. Ukhe uyeke undi challenger." he stopped and pulled me into his arms. He stared deeply into my eyes. His mouth curving into a beautiful smile. His eyes glistened and he blinked. Luks: "I love you so much Lihle." Me: "I wonder ndizonxiba nton at my funeral." he chuckled. Me: "I love you too." he kissed me. A silent, passionate kiss which made me forget we were in the middle of an airport. Escaping together in our hearts before our bodies moved. Escaping into a bright new life filled with positive actions, God and love. I

stopped and looked at him. Luks: "Let's go, bambo lwam. We have a flight to catch."
we ran to the boarding gates holding hands.....
