You must watch out for him. I don't

Soso: "I thought we agreed this was just a physical thing Mandy. Background yam ne emotions zingenaphi?" He saw that she wasn't happy at all. Soso: "Mandy?" Mandy: "yeah, its just physical.." Soso: "yeah...so no sappy stories about my family." Mandy: "what if mna ndifunu thetha?" Soso: "I'll be glad to listen.." He held her face. She didn't want to kiss him. Why was he so hidden? Lubby came in his house the next morning. He was bone tired. He went straight to bed and fell asleep. His phone rang and rang until he just couldn't take it anymore. He answered. Lubb: "hm?" It was Thando. Thando: "bhuti?" Lubb: "what is it?" He got up. Lubb: "Thando what's wrong?" Thando: "nothing, I just.....I can't take all this pressure. I swear to God if you move an inch and I'll dive in after you and cut your ass." He hung up and dragged himself to his car, he drove to Summerstrand. Indeed Thando was sitting on the railing of the pier. His feet dangling above the water. Lubby spoke calmly. Lubb: "Thando, don't you dare.." He held him back. Thando: "I can't.." Lubb: "you won't..iza..." He climbed back down. Thando: "why does he hate me so much? Ndamenza ntoni mna?" Lubb: "who are you talking about?" He didn't want to interrupt his young friend. Thando: "maybe xandingekho they'll be happy and less stressed." Lubb: "that's not true." Thando: "yes it is! I don't know what's this issue, both of them hide things and keep me out in the cold. Ever since dad died. Sometimes I think I'm adopted." Lubb: "Thando...I don't

Lungelo: "you have No business, meddling with my family." Lubb: "Thando called me because You don't listen to him." Lungelo: "I'm warning you Lubabalo." Lubb: "warn me all you like but when my friend is in danger, I will fucking intervene." Lungelo: "stay in your lane, Thando is not your friend, and never will be. Lungelo: "I've seen worse, your little pussy cat tantrums don't scare me." Lubby held him against the wall. The owner held them apart. Owner: "Excuse Me?" Lubb: "leave me the hell alone Ben!" Owner: "hell no I'm not. This is a restaurant and you're scaring people." Lungelo

walked away. He drove off with Thando. Owner: "what's up with you?" Lubb: "nothing! He just gets on my flippen last nerve!" He walked to his car. Lungelo drove back to the flat. Thando was quite upset. Still, he couldn't talk to him. He was even scared to take out his phone and send a message because Lungelo might yell at him so he sat there awkwardly. Lungelo: "you're taking your things Thando, and that's things that you need." He parked outside the building. Thando: "why?" Lungelo: "uyagoduka. I'm taking you home Today." Thando: "but bhuti-" Lungelo: "I'm not going to argue with you bonanje. Your mother told you izolo, now you're bunking school to hang out nababantu? I can't be out of work looking after you mna. You are going back home. To your mother." Thando got out the car and went upstairs. He didn't want to go. What about Asanda? She needed him. THEY needed him. He got in the flat and locked himself in his bedroom. He wasn't going nowhere. Lungelo came in. Lungelo: "Thando!" He knocked the door. Lungelo: "opening the fucking door before I kick it down!" Thando didn't move an inch. If he wanted him to leave, he would drag him out. Lungelo kicked the door off its hinges. Lungelo: "Thanduxolo!" He roared. Lungelo: "yay'bona le shit uyenzayo izondenza umsindo!" Thando: "andifun hamba mos!" Lungelo: "ngumamakho oze ne-decision yakho yoba ugoduke. So you're gonna disrespect her too?" Soso had his fists clenched, staring at the ground. His jaws were tightening, hands shaking in anger. Soma grabbed him and dragged him outside. Soma: "calm down..." Soso: "Soma, I will beat him to death bonanje, the fuck he thinks he's disrespecting." Soma: "look, uyawaz amajita anjan. He's just tryna get to you. Do Not let him." Lubb: "what you think you doing?" Soma: "stay the fuck back!" He grabbed Soso's collar and dragged him to the car then drove off.... Everyone stood there motionless. We were shocked. That

Lukhanyo and Lubby helped Anda up. Luks: "you know...I once got beaten by Lihle's ex... Wandikhaba nyan. Well my point is, sometimes we lose some...and maybe next time you'll learn to keep calm." Anda got in his car and drove away. Luks: "oh shit." Lubby ran to his car and Lukha went to his. They drove after Anda, who was chasing Soso's car. Lukhanyo overtook him and slowed him down by force. Anda: "ndizoy'dubul'inye lekaka Lukhanyo! Get out my way." Luks: "NO!!!!" They raced in the streets. Anda slipped through another street and sped off. Soso stopped his car. Took out his rifle, loaded the bullets and waited. Anda stopped and got out the car. Soma and Soso stepped out holding double barrels. Anda started shaking, he didn't expect this. He had a 9mm in his hand. Soso: "so you think you bad? Uzand'dubula?"

Anda: "you don't scare me." Soso: "no shit..." Anda: "you fuckin underestimate me ne?" Soso: "I'd be a fool to shoot you yazi...akho benefit uzond'phathela yona. Besides messing my reputation." He was shocked more than ever. Luks: "soso listen..." None of the twins looked at him. Their focus was on Anda. They didn't even flinch. Luks: "Sonwabise?" Cwaka. Lubby arrived. Lubb: "where do you people learn how to drive. Swear ta GAHD I almost died." Luks: "Lubby..." He whispered. Luks: "there's something very wrong here." Lubb: "Soma, we can talk about this." Luks: "please." Soso and Soma got in their cars and drove off. Lubby breathed a deep sigh of relief. Lubb: "Anda, get rid of that attitude. You gonn get you's killed!" Lukhanyo sat on the side of the road. He was disappointed. He didn't even know why, he should have just guessed it. Why didn't he know? He should've sensed it ba Soso uk'leway. He hid by Jesus! What the hell... Lubb: "you okay?" Luks: "I'm fine... Just a bit shaken." Lubb: "andise dizzy. Fuck. I thought I saw my life flash right in front of me." Luks: "Anda?" He looked at them. Luks: "you good?" Anda shook his head. Anda: "he's coming back for me..." Lubb: "nah, he won't." Anda: "ndinale feeling Lubby.....they're not done." He swallowed. Lubb: "Kodwa Anda, bikhona ineed for uk'phapha! Jonga ngok!" Luks: "hayi man Lubby nawe..." Lubb: "hayi man potato arms must sometimes drink water and take a chill. Caba ayind'hambel lemin oko ndisilwa. No man." Luks: "ulwe naban ngok?" Lubb: "Lungelo. La moeren. Nxx! He's so fucking annoying." Luks: "umthanda kakbi uLungsta wena." Lubb: "I'd rather

hang myself. Ndithande ela khaphetshu lomntu. Let's go." They got up. Anda drove off. Luks: "andiphinde ndim'leqe ke mna uyanya mos ngok!" Lubb: "he won't do shit....naye wothukile fana nje nam. Who knew our holy friend had a violent, urrrgh side." Luks: "definitely not me, noba yilento eSecretive nge past yakhe." Lubb: "what's qhup's ke khona?" Luks: "there's only one way to find out..." Lubb: "no Lukhanyo." Luks: "yes..." Lubb: "provoke them? Bandenza dizzy mna abaya, I can't." Luks: "Andrew can..." Lubb: "we can't go back there Lukha. Let's let him rest in peace.." Luks: "you scared of them, aren't you..." Lubby looked at him once. Lubb: "ustout wena...we'll do it tonight...I need a nap." Meanwhile Soso went to pick up Mandy. He was so sure that she would tell him to get lost...but she got in the car. Mandy: "is there something you want to tell me?" Soso: "I'm sorry.." Mandy: "no, fuck that...he deserved it. Ndithetha ngawe mna....that wasn't you." Soso: "no mandy. THIS is not me. I have to keep in check for my work and reputation." Mandy: "are you okay?." Soso: "never been better... What you said last night...about not wanting to be with a gangster." Mandy: "I'm done with all that, let's focus on other things." Soso: "andiy'fun lento mna Mandy! This whole 'I don't care' attitude yakho. Pretending not to have feelings. I don't want it. Its making me very uncomfortable." Mandy: "funa ndithin ke Soso? I didn't even promise you anything other than that I don't understand why utshintsha." Soso: "andizonga tshintshi Mandy when I want More!" She kept quiet. Soso: "but....." Mandy: "but what?" Soso: "asizokwaz uba together." Mandy: "why not?" Soso: "the reason I became a doctor and hid from society was because I was trying to avoid my life. Le yobu gintsa." Mandy: "uthin Soso?" Soso: "und'vile Mandy. I know for one thing I've changed, I don't do the things I used to. I'm more responsible and I only act when provoked. I will never hurt you. I swear on my own life." Mandy: "I don't know Soso..." He kissed her, holding her face. Soso: "give me one chance to prove it to you."

Chapter 487

Mandy: "no..." Soso: "babes please..." Mandy: "Sonwabise this is exactly what I'm trying to get away from, the violence, guns, fights. I can't do this.. I will never be that strong." Soso: "baby listen to me, I have left that life behind. Akhonto izandibuyisa umva when I've got you." Mandy: "no Sonwabise. I'm sorry.." She got out the car and went in the house crying. Me: "babe.." I hugged her and we sat down. I let her sob for a while. Mandy: "why do I attract the people I DON'T want. I make it clear, I don't want thugs in my life, I meet him and he's perfect but naye ulilo! Ukhona nje umntu thats straightforward. Someone that has a normal background." Me: "peto he's not a

thug, he was just fighting for you." Mandy: "he is Lihle, he just admitted it right now." Haibo 😊_- isn't he a doctor na? Mandy: "he says to me its his past life, before he became a doctor. Uthi he's left that life behind. But I cannot accept it!" Me: "I'm sorry peto....but maybe gangsters aren't so bad." Mandy: "and how would you know?" This was a hard decision for me, but I couldn't keep it any longer. I loved her, she was my friend. Me: "because I'm married to one Mandy." She looked at me and backed away. Mandy: "no...." Me: "yes..." Mandy: "Lukhanyo?? He's.....?? No." Me: "where do you think he gets the income if he never leaves the house. Mandy, I chose Lukha, I fell in love with him, he loved me too. We built this family through heartbreak, pain and struggle to get where we are. Its never easy, but its worth it. One thing I know about thugs is that they protect you more than themselves. They love you and treat you like a beautiful rare diamond. Ewe, zibakhona ezamini zi-stressful. But you'll never have to worry about that because Soso is now a doctor. He loves his work more than anything." Mandy: "Lihle, I can't." Me: "you still in love with Anda, after all the bullshit he put you through." Mandy: "I spent over a year, ndihlala naye. Doing everything for him. And kept motivating him, that's what pissed me off! Akana ambition! He doesn't want a career, I just couldn't accept what he was...he's no different to Soso." Me: "excuse me? Soso is a doctor, he makes real money by saving people from death and diseases. He has a real career, ambition and drive. Exactly what you want..." She lay on the couch. Me: "Mandy...." Mandy: "I just need to breath...think and let myself relax. I don't need a man to be happy. Maybe if I could just stick with myself and take a break from dating." Lukhanyo walked in with Lubby. Luks: "sthandwa, sibuye ne chicken..." He kissed my cheek and ear. Me: "thanks love." They sat in the lounge with us. Me: "I think Luhle is awake." He went to fetch his daughter and sat with her on the couch. Luks: "I love you like XO wena va..." He kissed her and held her against his chest, laying her head on him. I looked at Mandy. Me: "its really not so hard..." Mandy: "what if ndenze mistake kengok?" Lubby was falling asleep on the couch. Me: "mistake how?" Mandy: "maybe ndim lo bengakhange amnike attention uAnda, that's why he ran to other women. Then I kick him out...." Me: "he cheated on you Mandy. With your so called friend. Why are you even feeling sorry for him." Mandy: "everything....I just need a break from. I'll give you inumber yabantu to work with. I'm going to my grannies house eMthatha." Me: "you sure?" Mandy: "yes...I need to clear my head. Alone, nobody hanging on me, ndinga depend kwabantu. I did the stupidest thing of having sex with him, now akaphum engqondwen." Lukhanyo gave Lubby a look. His eyes wide open. Mandy: "I should have waited. Yinto bendiy'khathelele ngantton ka no strings attached khona." Me: "well Mandy, you had to learn and make that mistake yourself. Its up to you to fix it"

Mandy: "there's nothing to fix. I'm done wethu. I'm just focusing on myself and career." She got up and walked out...

Luks: "uleli noSoso baby?" Me: "yes she had a session with him." Lubb: "is this why he's called Trey Songs?" Luks: "caba uyay'shaya into yakhe, I wonder mna kuthwa ndinguban." Lubb: "ungu jay z." Luks: "why jay z?" Lubb: "because uno mlomo yathand thetha." He got up and went to take a nap, switching his phone off this time. Luks: "ndingu Jay z baby?" Me: "ungu Lukhanyo love...and I love you like XO." I kissed his cheek. Luks: "let me sleep nam yazi nditsho ndatyhafa. Aii these twins don't play games." He lay his head on my lap, his daughter on his chest. Meanwhile, Soso and Soma were at their spot together.. Soma rolled him a blunt. Soma: "ina..uzoba grand." Soso: "no man Soma." Soma: "yinton ngok." He lit up and smoked. Soso: "akandifuni." Soma: "why? Because ubethe lakakana yomntu." Soso: "I told her the truth about my past life." He took the joint from his brother and smoked. Soso: "told her ndiligintsa, and she hates thugs more than anything in this world." Soma: "uqale nin ubali gintsa fondin? Ndikwazi ungu Dr Tembani. Everything else is in the past." Soso: "you think I didn't tell her that?" He took a long puff and handed it back. Exhaling. Soma: "you'll find someone that's willing to accept you man, maybe not right now. Kodwa some day, it will happen." Soso: "that's the problem Soma, I want it to happen right now." Soma: "Soso..." Soso: "and its going to happen. She's going to be mine." Soma: "Sonwabise, you can't make her love you. Myeke wethu. Masambe." They went home to their mother. She was cooking dinner. Dad asleep. Soma lay next to him, Soso next to Soma his head on his brother's arm. Their mom didn't ask any questions. Something is bothering one of them, she continued cooking and kept quiet. Phindile was home with his wife and Thulani. He was reading the newspaper. Thulz: "mama, kukho umntu endifuna um'bone yazi. I promise you'll love her." Ma: "nguban lowo?" Thulz: "ndizoza naye, subana worry." Ma: "Uhlalaphi ngoku?" Thulz: "I got an apartment in Walmer, Junior uku mamakhe most of the time." Ma: "oh, okay." Siyanda came in after a few hours. Thulz: "mama...kwenzekani?" She kept quiet. Phindile: "awukwazi kalok sisi..speak up." Siya: "uyeke umamam!" Phindile: "kwedin!!" He took his keys and left the house. The woman still kept quiet. Ma: "I'm going to bed..." Was all she could mutter.

Later that evening. Lubby woke up, lukha dished up and we started eating. Lubby was quiet. Bit awkward for him. They got up and washed the dishes. Luks: "baby sobuya late ne.." Me: "where ya'll going?" Luks: "just a cruise around the city." Me: "okay.." They showered, dressed and left the house with one car. Lubby's SUV. Luks: "siyaphi?" Lubb: "there's this house besihleli kuyo noSoma, last night...what time is it?" Luks: "twenty past eight.." Lubb: "its an old burnt house, but still fine. I think there's something in that house.." They entered with Lubby's phone as light using the flash. Luks: "akhonto nje apha." Lubb: "shhh..." Something was moving around them. Luks: "Lu-ba-ba-lo!" He whispered. His heart beating over his chest. Lubb: "whattt!!!" Luks: "did you feel that?" Lubb: "let's pretend, No." They walked further in. Luks: "something's burning!" He hissed. Lubb: "k'la room, its a bit dim." Luks: "and wena kengok uzobangu Superman uvule?" Lubb: "ndifun ubona lukhanyo!" They stood by the door together.. They pushed it open to find one of the twins sitting on the floor staring at them. He had two candles next to him. They couldn't tell who. Lukhanyo got a fright, stepped back and bumped into someone. He looked behind him, another twin blocked his way. Lubb: "Yazi, this is actually quite funny, you're here. We're here. Whoop! Whoop! Now its time to go..Lukha-..." Soso: "Go? Where...." He hissed. Lubby dropped the phone. Soma switched off the candles...

Luks: "well, you know if uthule nam ke andizothetha ba uthen ku Lihle." Soso: "what did she say?" Lukhanyo closed his mouth and looked out the window. Soso: "lukhanyo..." Luks: "okay. They left Lubby and Soma behind. Lukhanyo drove as fast as he could to find his friends. The car was parked at the side of the road. Luks: "nabaya!" He stopped right in front and they got out. Stuja was standing outside the car. Luks: "uphi?" Stuja looked at him. Luks: "S'lulamile!" Stuja: "he's not responding." Soso looked in the backseat of the car. Assessing Lara. Soso drove into New Brighton without replying.. Soso: "I don't like repeating myself Lukhanyo." He dropped him off and drove home.

Zintle was at the flat watching tv. It was a bit tense. Thando and Khaya weren't talking. They weren't angry, just didn't have conversation. Lungelo wasn't home yet. Or maybe he wasn't coming back. Thando was thinking about Asanda, and his unborn baby. What would he call him? He was still so tiny in her stomach and needed to grow. Thando wanted a HIM to grow...he was ready. Maybe if he did something nice for his girlfriend to show her support. Where would he get the money? Lungelo wouldn't even dare. Just as he thought of him, the devil walked in. Lungelo: "molwen." He was in a bad mood. Thando got up and walked out. Khaya ran after him. Khaya: "what's your fucking problem?" Thando: "stay out my business khaya." Khaya: "stay out your business? Awuthethi namntu all of a sudden you're just a always by yourself. Ufuna kuviwe ngawe?" Thando: "xa kungekho ncoko Khaya ndithin? Everyone is mad at me mos ndijaive? Look I know I fucked up, its all my fault okay? Kodwa you can't expect me to lick arse." Khaya: "well, Thando. FYI you have to!! Thando: "you're supposed to be my friend Khaya, the fuck bra?" Khaya: "khandik'thume mna ba mawutyana namacherri wenze umntana. Don't blame your shit on everyone!" Thando: "did I even involve you or Zintle for that matter? Lento khandiy'nike komnye umntu, I said ima take responsibility. Why is everyone on my case?" Thando's mother stood next to them.. He got a shock. Thando: "molo ma." Ma: "thatha into zakho. Ndik'linde motweni."

Asanda was home with her mother and older brother. She wanted him to leave so she could talk to her alone. She occupied herself with her phone, bbm'ing her friends. Mandla was more than comfortable, as though he had nowhere to go. Mandla: "ba ndilele ningand'vusi." Asanda groaned in frustration. Mandla: "hayi yinton? uphethwe sisusu?" Asanda: "hayi bhuti." Mandla: "heee, ngand'phambaneli mna." His phone rang. She was getting hopeful. Mandla: "yes?" Caller: "babe, ndise Zwide, kuThami, bendicimba ndizolala apho kuwe." Mandla: "buxelele ban use zwide?" Caller: "hayi kodwa baby, ndayaz mos ba uhlala ngapha so ndizophumela kuwe." Mandla: "noba

Ma: "fane wand'jamela." Mandla got up and left. Ma: "tixa pha mntanam." Asanda locked and sat with her. Asanda: "mama..." Ma: "hm.." Asanda: "kukho into endifun uk'xelela yona." Ma: "yinton leyo?" Her mother got up and stretched. She had to tell her now or she wouldn't get the courage again. Asanda: "uhm..." Ma: "thetha Asanda, ndifun uyolala mna." Asanda: "mama, I'm pregnant." Her mother fainted.

Chapter 489

Asanda tried to wake her mother. She woke up and re-adjusted herself. She sat on the couch and looked at The ground. Only a few minutes later she felt better and less faint. Ma: "Asanda? Uthi kutheni?" Asanda: "ndicelu xolo mama." Ma: "ucela uxolo? Umithiswe nguban? xabek'thin? Phi!!!" Asanda: "nguThando mama, I didn't think. It just happened..." Her mother got up and smacked her with her slippers. Ma: "just happened Asanda??!!!" She hit her on the behind repeatedly. Ma: "mna ndikusa eskolwen ba uyofunda wena uyokwenza bantwana!" The shoe slipped out her hand. Ma: "ndiyak'thethela wena wenza ububhanxa pha phandle und'bone ngathi ndisidenge soqiba uk'sokolela kangaka!" She hit her again. Asanda was crying loudly. Mandla came in the house. Mandla: "xabek'then ngok mama!!!!" Ma: "vala lomlomo!!" Mandla: "mama man!! Yeka umntana!" Ma: "ungenaphi Mandla! Ungenaphi?!" She breathed heavily. Mandla: "uveske waphakama wa decide ubetha uAsanda kengok for nton!" Ma: "umithi lomntana Mandla! Ndimsa eskolwen yena uyobona amadoda! Jonga ngoku! Ndim f'neke ndiphinde ndisokole kwakhona phez'koba ndizisokolela!!" Mandla: "Asanda?" She was still crying. Mandla: "mama khaw'me nawe man!!" He grabbed his sister and took her outside. Mandla: "hayi man mntase kwenzeka ntoni? Ayinoba yinyan le thethwa ngumama." Asanda: "yinyan bhuti..." Her breathing in hitches and hiccups. Mandla hugged her tightly. Mandla: "sukhala kalok, yamaz

Mandla: "Sino, uzolalapha uAsanda, undincede ungam'buzi kunya, vala mlomo ulale." He gave Asanda a t shirt. Mandla: "kodwa nawe man Asanda man. Aii!!" He walked out angrily. He drove to Wara's place. Mandla: "masiye.." Wara: "uyaphi?" Mandla: "ind'qhela masimba lantwan imosh umntase khaya. Iyanya ke bonanje ndiyoy'qhekeza intloko..." They drove off. Asanda called Thando. Mandy just came home from the gym. She took a shower and wore her new lace lingerie. Just for herself she draped on a gown without tying it around her. The stove was on, she made herself some breakfast and poured juice. The front door opened. Mandy: "what the fuck?" She walked to see who it was. Anda stood there and stared at her body. Mandy: "uzothin apha and how the hell did you get in!" Anda: "I still have my key, and bendizolanda some of my stuff." Uyayaz ba ndiyakuthanda." She looked at the door. Soso stood there. He dropped the flowers and walked away.

Luks: "but I miss you..." 😞(Me: "uphi dan uHalf wakho love." Luks: "ubuye kapa." Me: "ndizobuya kwangoku ke va." I quickly went to collect the things and bought grocery for the house. Lukhanyo's ice cream and yogurt, my fruit. Lubby's grape juice. I took the baby's food and new bottle. Some powder, wipes and diapers. Anything else I'd get another time. Lukhanyo was probably panicking. I paid and walked out. Bumping into Vuyo. And probably her new boyfee Me: "hi." Vuyo: "hey." I was in a rush. Vuyo: "awuse nqabe." Me: "I'm studying and working so..." My phone rang. Luks: "love, uphi ngok?" Me: "ndiyeza babes, I'm packing stuff in the car." Luks: "did you get cereal?" Me: "What?? He sat the baby

down and left. I had faith in him. He'd be back in 20 minutes or less. I sat in the meanwhile and worked. I had two assignments to do and finish this event by Friday. Now Luhle wasn't feeling well. Shit was getting real. Lukhanyo came back almost 20 minutes later. Like a boss. He took care of her while I checked on my little boy. He was quite moody and grumpy. Me: "idrama onayo wena. Mxm." Luks: "ngand'xelel ngoLuthando mna. Ligeza elo." I started on a quick dinner, they would dish up later. Me: "so...ndadibana noVuyo." He was watching tv with his babies. Me: "peto nditshilo nje lomfana uright for wena. He's just perfect." Lukhanyo coughed. Me: "as long as wonwabile my friend. Sandy: "he ordered a Maserati, I think it was a month ago. The company claims that the landing costs haven't been paid." Dad: "just contact Dan, ask him to fix it. Call Micheal, my accountant, tell him to pay the full amount. Get it here by Monday." Sandy: "yes sir." Dad: "another thing.....come here." She moved closer. Dad: "anything else that happens...talk to me first, I'll handle it. Okay?" He whispered. Sandy: "yes sir." She hurried out the office. Dad: "Andy.....son?" Lubby wasn't even responding. Dad: "do you want me to call your mom?" He shook his head. Dad: "look, I'll fix this. Stop freaking out like a 5 year old." Lubb: "did you find her?" Dad: "she's being sent back. Chapter 491

Lubby's father was waiting for the police to have Linda collected. Lubby blew a fuse. Dad: "Andrew!" Lubb: "I cannot relax!" Dad: "do you want to go to jail!" Lubb: "no dad." Dad: "then sit the fuck down!" The two cops only came an hour later. Dad: "did you get her?" Cop: "yes boss, should we bring her in?" The street was full of security and journalists. Dad: "no stan, take her to the station for questioning." Lubb: "no Stan!

Bring her in. We'll question her HERE!" Dad: "Andrew!.." The cops followed his order. Dad: "papa. This my money she stole.. In this office. They gonn do them questions. In this office. And if somehow she DIES.. It will happen.....IN THIS OFFICE." They brought woman in. Linda: "Lubby." Lubb: "can we get some privacy please." Cops stood outside. Lubby grabbed her neck and strangled her. Lubb: "fucking bitch! Where's my money!" Dad: "Andrew Morrison!!" He grabbed his son. Lubb: "TaTA, GANDEHLE MAAAN!!!!" He banged her against the desk. Lubb: "you better start talking!" Linda: "I only took what's mine." Lubb: "hey this child. That is MY money! Because of your greedy ass MY car can't be delivered!" Dad: "STOP this madness! Before you attract attention. " Lubb: "swear ta GAHD dad, she better start talking and start talking faaast!!!" He took out a lighter. Lubb: "I will burn you.." Dad: "And'z son, put the lighter down..." Lubb: "T A L K." Linda backed away. Linda: "I'm sorry." She cried. Linda: "I am so sorry.....my mother has leukemia and the only best doctor that can help is overseas...I am not proud but I just don't want my mother to die.." She begged.

After dinner. Mandy went home. Lukha put the dishes in the dishwasher and tidied the kitchen. Lutha was sleeping. Luhle was awake. She seemed weak and sad. Luks: "how is she?" Me: "better... at least she's stopped crying." Luks: "maybe she's drowsy because of the medication." He sat next to me. Me: "cima nesis'bane." He switched off the light. Luks: "kham'sapha man babes.." He took his daughter and sang her a lullaby. It was so nice, I cuddled on his arm too. Luhle was muttering sleepy sounds. me: "selala ngok..." Luks: "ewe, mjonge waloqa." He went to put her down. Luks: "mas'lale babes.." I was in the mood for a game.. Me: " come here.." He sat on the bed. I took a scarf and blindfolded him. Me: "do you remember undenza lento?" Luks: "oh yes." I kissed his lips massaging Richard. Luks: "sthandwa sam..." Me: "shhh..." I took another scarf and tied his hands together. Luks: " haayyi baby.." Me: "shhhh..." I sat on the floor in front of him and took off his pants, his underwear. Licking him slowly. He groaned. I kissed it slowly all around, drawing patterns with my tongue, down to the two boys hanging below. I sucked them in. Luks: "Lord have mercy!! Lihllle!!!!" I stopped. Luks: "noo noooo....baby please.." I poured baby oilon his chest and held his body. Luks: "baby ndak'cela..." He begged. I sucked him in. Using my tongue only. Luks: "mntu wam..." He moaned. I took it out, sliding my tongue down. Luks: "SHIT!!!!" He was fully turned on. Richard had veins showing. Luks: "you are officially killing me...baby please..." I continued slurping him, sucking and twirling my tongue. Luks: "su-ka..." He muttered. I went harder. Luks: "no..." He moaned. Luks: "baby....wai....t." I could feel the blood running through the veins. Luks: "Lihle!!" I stopped, then undressed. Luks: "uphi ngoku...please mntu wam...sund'shiya nje..." I

massaged his body, held his face. Luks: "ihla kalok..." Me: "hell nah..." I tore the tie loose and grabbed me. Pushing me against the wall. Me: "but baby..." He entered his finger inside me then turned me around. He found his entrance and pumped it. Hard. Me: "lukhanyo..." Luks: "hold'up..." Me: "no...baby, mamela...." He went faster then pulled out. Sitting me on the dresser, he slid back in. He moved slower. Me: "deeper..." He went deeper. I moaned a little softly. Luks: "vula baby..." Me: "no...." I wrapped my legs around him. Luks: "oh Bawo!....khavule mntu wam..." He went harder. He was at his point of no return. I tightened my legs. He screamed. Luks: "baby pleease." Me: "enza man baby.." Luks: "ndicela ureleaser mntu wam...just...." I opened wider, the faster he went, his breathing deepened. Until the last stroke, he held on to the shaking dressing table and released himself. Luks: "wow.." Me: "don't go wow ungxola kangaka." Luks: "whatever it is you're having. Don't stop...yeses....whooo..ndatsho ndabawel usuza." Me: "aw'sa diki!" I went to clean up and came back to bed. Chapter 492

The next morning. Lubby was still laying on his bed thinking. He'd hardly slept all night. Linda was in jail. Lubby's father walked in. Dad: "son.." Lubb: "pa." Dad: "is jy goed?" Lubb: "sort of." Dad: "skuif.." Lubby moved over, his dad sat next to him. Dad: "I'll make sure, all of this blows over soon. She'll pay for this, I swear." Lubb: "I want her dead." Dad: "no, you don't. Because if she's dead, you won't get your money." Lubby breathed and covered himself with his comforter. Dad: "listen, we're selling the house she bought in Paris. Its worth 10 mil. The cars and the other assets belong to her husband. Which she also took." Lubby took out his phone and searched for the exchange rate. Then calculated the 2 million dollars. Lubb: "no dad, she owes me R21,8 million!!! She took MY dollars, they belong to me!" Dad: "we're still investigating boy, and you're disturbing this whole process. Just go home and let me handle this okay?" Lubb: "NO!" Dad: "I am ordering you to go Home!" He warned.

Dad: "you have a visitor. I'll bring her in. I want you ready by 1pm so that I take you to the airport. Okay?" Lubb: "okay." The father left. Lubby sat in the bed, twiddling his thumbs, waiting for his visitor. The house was extremely huge. It would take whoever a while to get there. A few minutes later the door opened. It was Estella. Lubby wasn't in the mood for chatting. She had a lunch box with her. Estella: "hey." Lubb: "hi." Estella: "how you feeling? I got you something you might like." She was wearing jeans and a nice pink t shirt with white platform heels. Her hair tied up in a bun on the top of her head. Big round earrings on, her colorful eyes sparkled. Lubb: "I'm not hungry. Can you please say what you want and go. I'm not in the mood." Estella: "you know what? Some of us are trying here, and you haven't even uttered so much as a thank you to everyone that's been helping out. Sandy! Your Dad, ME! Do you know who's been running your damn company while you're moping!?! Me! You don't even know that because you care more about money than people. THIS is why people steal from you. I'm not gonna be made your little door mat I did all this shit for free and I still got a job to hold down!" She turned around and walked away. Lubb: "Estella!" He got up and grabbed her arm just as she reached the door. Lubb: "look I'm stressed and upset. I really didn't realize. And Thank you for holding it down for me." Estella: "here. Enjoy your day." Lubb: "can you at least share it with me." He took the lunch box. Estella: "you told me to leave." Lubb: "I'm sorry." He sat on his bed, under the blanket and opened the lunch box. Lubb: "what is this?" Estella: "Bolo de Bolacha. Its cookie cakes." He ate. Lubb: "heavenly..." He muttered. She sat next to him and took out her tablet. Estella: "so this is how we're doing so far. The limpopo project is setting us back on track. I've made a budget for the next year and this is how we'll do if we keep to it." Lubb: "how did you finish this within a week?" Estella: "Lubby you're not taking care of your company. A lot of people will start taking advantage. Especially now of the Linda saga. You need to keep your employees up to date in as to what happened, make an example so that they know not to do you wrong." Lubb: "you're right...but my dad wants me to go to P.E." Estella: "he knows what's best for you and he's doing it to protect you. Everybody in the office is talking about your outburst yesterday. It was scary. They are scared to lose their jobs and even work." Lubb: "arg..I was just mad..it happens once in a while." He finished the cookies. Lubb: "why are doing all of this....." Estella: "uhm....just. You needed help and if I'd stood back and kept quiet knowing I can do the job would have been utterly selfish and mean." Lubb: "even after I did you wrong?" Estella: "I don't hold grudges. Plus, we're over that right?...look, I'll email this to you. You'll look through it and I'll send you all the transactions everytime we make a payment or receive something." Lubb: "thanks." Estella: "so...have you started packing?" Lubb: "no not yet." She got up and took out

his bag. Lubb: "use the Polo bag. I don't like that one." Estella: "where.....oh here." She packed his clothes and shoes. Lubb: "leave the toiletry. I got a lot in my house." He looked through her tablet. Scrolling through the pictures. Of her family, her, Brazil. Estella: "what are you doing?" Lubb: "looking at your messages." She took a pillow and put it over his head. Lubb: "I can't breath!" Estella: "that's the whole point!" He turned her over and tickled her. She was laughing uncontrollably loudly. Estella: "Stopp!!!" She screamed. Lubb: "no..." She tickled his ear. Lubby flinched. Lubb: "stop touching my sensitive places woman." Estella: "your ear is your sensitive place?" Lubb: "tell no soul." She laughed. His father walked in. Dad: "Andrew." Lubby got off her and sat up. Lubb: "yes dad." Dad: "when are you getting ready?" Lubb: "just now pa." Dad: "Estella, a word please." Estella: "yes sir." The father walked back out. Lubby giggled. Lubb: "yes sir?." Estella: "you mad!" She threw a pillow at him. Estella: "have a safe trip yeah?" Lubb: "thanks..." She left the room and he went to bath. Estella went to Sebastian study office on the other side of the mansion. Dad: "close the door behind you." She closed it. Dad: "listen hun.. I'm sending Lubby away today, he has a bit of a temper problem. As soon as this whole thing blows over, he will be back." Estella: "with all due respect sir. Why send him away? Lubabalo is a grown man and should learn from an inspirational man like you how to take care of his problems. The more you're there to pick up after him he'll keep running from his real problems and expect you to do the work.." Dad: "you're making sense young lady. I have been giving this some thought lately but I'm not really sure what to do at this point. Till today I cannot control my son's anger. It is just beyond me. He destroys everything he sees." Estella: "maybe he needs some stability in his life. Responsibility. Something to hold him down." Dad: "I can't force that on him, it was hard enough forcing him to change his ways. I'll let him stay in Port Elizabeth for a week. I want you to head up the company, Sandy will be helping you on every step of the way plus me." Estella: "I have a job Mr Morrison that I'm trying to keep down." Dad: "I will make it worth your while. I don't have the time to do it. Lubby is bubbly head, you on the other hand...." He smiled. Dad: "you made me proud on the previous things you've done in just this week." Estella: "thank you." Dad: "I'll triple your salary." Estella: "its not about the money Mr Morrison." Dad: "then why did you help in the first place?" Estella: "like I said before Sir. I did what most friends would have done to help their friends' assets." Dad: "that's all?" Estella: "yes." Dad: "at least think about it. Do it for the company. Please?" Estella: "I'll consider it." Dad: "thanks angel." She got up and walked out.

Soso was finished with his shift. He had done an operation the previous day and had to stay through the night. He hadn't slept or eaten in the past 24 hours and his only

concern was Soma. Soso packed his things and went to his house first to change and drove to parents' house. His mother was making porridge. Soso: "mama, uphi uSoma?" Ma: "usalele." Soso: "okay...can you dish up for me? I'm starving." He ate his hot porridge and sat in the lounge. Soma appeared. Ma: "ingathi aninazindlu. Soma um'shiya naban uThandi?" Soma: "mama bendik'chazele nje bana uThandi uye kowabo. So andizohlala ndodwa k'landlu mna worse akho noSkhura anymore." Ma: "oh bethuna umntanam..." She hugged him while he rolled his eyes. Soma: "I'm fine ma." Ma: "no need to act brave. Ndiyakwaz kalok wena..." Soma: "khame ke mama, I'll go bath ndisaya k'loSkhura. Uthe uYolanda akaphilanga so ndizom'sa kwa gqirha." Ma: "oh, undibulisele wethu ku mama." Soma: "Smallie." Soso: "please stop talking." He was watching the news. Soso: "heee, ithin na lento kalo Oscar Pistorius." Soma: "woaah. Nankoke. Soso: "this topic is making me veerrryy uncomfortable." Dad: "boy, lemme tell you some." He sat down. Dad: "when you love a woman. You must be ready. They're a challenge. Come closer." They sat next to him. Dad: "whatever you give your woman, she will make it greater than it already is. If you give her sperm, she will give you a baby. Give her a house, she'll give you a home, give her some groceries, she'll give you a meal. Give her your warm loving smile and she'll give you her heart. And trust me, when a woman gives you her heart. Its all yours, no other man can have that gift. I want you two to understand this. Treasure your women, treat them like gold and platinum. Sonwabise, The way you're so dedicated to your job. Divide yourself into giving some of your time to her, the moment she sees this she'll send you back to work because she is understanding of your circumstance. I've been through it all. I know this. Somangaye, the love you have and care you show towards abanye abantu. Show that attention to your woman, she will serve you proper and shower you with love. Boys, it is hard to find a good woman these days. So the ones you have, you better have a plan for. You're getting older than me, cuz I'm still youngin' " they laughed. Soma: "you listen to way too much hip hop." Dad: "I spend way too much time with YOU. Funeke ndikukhapha

futhi uyokhangel umsebenzi. I hope you two have what you want in mind. There's nothing more painful than losing your woman to someone more focused." Soso: "how would you know this dad?" Dad: "I guess we'll never know, because I was the focused guy that time. Hey babe?" The mother gave him his tray. Ma: "ask no questions, hear no lies." The boys laughed. Soso: "let me get going..." Dad: "woah woah, where you going?" Soso: "to my woman." He smiled....

Later that evening while Lukha prepared dinner. He had Luhle in her baby carrier. Lutha was laying on the kitchen floor, sounding out 'Dada.' And things Lukhanyo could not understand. Luks: "mfondin. Ma: " I want you to be ready ngomso undise kuMakhulu akaphilanga." Soma: "ngoban xesha ma?" Ma: "kwak'sasa at 7 sweetie pie. Uhambe kakuhle. Lukhanyo and Lubby hugged her. Ma: "niphinde ke nibuye, I promise utata will be on his best behavior." Luks: "okay mama." They walked out, getting in their cars. Ma: "love you pumpkin!" Soma: "love you too ma. Lonto you always make it a point to embarrass me." Ma: "that's why you love me. Faka ke seat belt." She went back to her house, the guys drove away.

Thando came out of work after 5pm. He walked to the taxi rank and sat, waiting for it to fill up. Suddenly he missed being driven around. He once hated it because all his friends took taxi's and he was the only one that was collected from school. Now he realizes how lucky he was. While he waited a few vendors appeared, selling key chains, rat poison, sweets and everything else that he didn't want. He stared out the window painfully. Swallowing his last bit of pride. How could he carry on with life, there was something inside him though. It kept telling him to push harder, work harder, and survive. He smiled. That would be his motto from now on. Push harder, Work harder and survive. Being in love was a difficult situation and he couldn't even get himself out. He didn't want to get out. The taxi rumbled to life and drove away, disturbing him from his thoughts. He paid and sat still. A whole chunk of him was missing. School, Rugby, friends. He took out his phone and sent an sms to Asanda since she'd deleted him from BBM, blocked him on Whatsapp and Facebook. "Hey babe. Today was my first day at work. Its not an ideal job but at least it keeps me busy, I keep thinking about you...our baby.... I miss you. I hope you're doing well at school and focusing. I hope one day, I'll get to see you again, I hope you'll forgive me for ruining your life. Even if you stop talking to me, I'll do this everyday to make sure you know that I love you." Send. He got off his bus stop and walked home updating his status on Facebook: "Shit is getting real." Until 3 guys stopped him. One held a knife to his neck.....

Asanda received the message. She missed him too. Thinking of the times they spent together. Her eyes welled up with tears. She cried until she found the courage to call

him. Her heart was in pain as soon as the phone hit voicemail. She wiped her tears and continued cleaning her mother's house before she came back. She had the stove on, cooking while cleaning. Mandla came in. Mandla: "hayi man mntase, yinton ngoku wangu Cinderella othile?" Her mother was standing by the door listening without them noticing. Asanda: "andifun mama andiqumbele kwakhona bhuti." Mandla: "jonga imbiza ke, mna ndenze le. Kalok funek ucingele nomntana ngok Asanda. Mama uzoba right sum'hoya, noko naye akangcolanga oluhlobo ba maw'de uz'hlukumeze njena.." Asanda: "ndonile bhuti, I did her wrong and I just can't see her oluhlobo. It breaks my heart nyani ba umama uyandicaphukela, uthi ndizom'jongisa ngabahlali." She cried. Asanda: "I have disgraced this family!" Mandla: "hay Asanda, wonke umntu uyayenza impazamo ebomini. Mama usenomsindo qha. Suba leway mntase please, iza ndik'ncedise." He took the broom and continued cleaning. The mother walked in and went to her daughter. Asanda: "molo mama." She made her tea. Ma: "yiyeke mntanam, izapha." She hugged her tightly. Ma: "I am very disappointed Asanda kodwa mntanam, andikucaphukeli tu. Ndikuthanda ngentliziyo yam yonke. Matter of fact nobabini nobhuti wakho. Ayizotshintsha lonto. Uphazamile kwakanye and as a mother yi-duty yam ba ndikuncedise ndikubonise uthando ne support.. Ungade uthethe kab'hlungu kangaka mntanam." Asanda: "enkosi mama." Ma: "yenza ke itea, sisi, uzophumla." She went to sit in the lounge.

Chapter 494

Lukhanyo and Lubby came home for dinner. I dished up the meal he had cooked for us and we ate. It was lovely. As always. Lubabalo sat in the lounge and texted on his phone. He kept smiling shyly. Then giggled. Lukha stared at him. Luks: "and then?" Lubby was too occupied to even hear him. Lukhanyo sat with Lutha on his lap, they ate their yogurt together. Lutha was laying on the floor playing with his fingers. I picked him up and went to change his diaper. He kept moving his legs around. Me: "khayeke kalok boy." He rolled over and crawled to the tope on the bed. He was still butt naked. Me: "lutha, I'm not playing with you, come!" I grabbed his leg and pulled him. He started giggling. Me: "masambe." I took him to throw the diaper away then went to sit in the lounge. Luks: "liphi napken?" Me: "he wants to be free. Yeka umntan." Luks: "naxa echama ke. Uzutsho. Noyoma pha phandle nobabin." Lutha gave him a funny look. Luks: "usile wena." Lutha crawled to him, actually to the yogurt and stuck his hand in. Luks: "imbeko inqabile apha." Lubby laughed at his phone, and continued texting. Me: "and then?" Luks: "kudala ndim'biza akandiva." Me: "Lubby?" Lubb: "hm?" He wasn't even looking. Me: "what's so funny?" Lubb:

"nothing...ngu Facebook lo." Luks: "and somehow all the updates are funny, you must have comedians as friends." Lubby ignored him. Estella sent another message. Estella: "bout to sleep, great chatting to you." Lubb: "give Alex a kiss for me." Estella: "will do." Lubb: "night." He put down his phone smiling and breathed aloud. Luks: "Yoh. Yamnand into." Lubb: "heee, uyay'thanda into ene hlwap's kanene. This just my friend. Ella." Luks: "friend huh..." Lubb: "mxm..." Luks: "let's see." Lubb: "hayi man yinton na Lubabalo?" Luks: "no, but you lied to me wathi uku Facebook kanti ubusy ku bbm uncokola no Elliot." Lubb: "Elliot? Really?" He picked Lutha up. Lubb: " sisayo vasa." He ran the bath, with bubbles and some rubber ducks. They undressed and went in. Lutha splashed the water everywhere. Lubb: "kha-relaxe ntwana." Lutha: "naa." Lubb: "ntwanaa" lutha: "nnnaa." Lubb: "come here my baby ekwazi nothetha." He put him on his chest as he lay down in the bath. Lubb: "soon, we'll be conversating sobabin. You'll let me how you feel nam ndik'chazele how I feel. Yabo?" Lutha: "bobo.." Lubb: "nguban uBobo? Yicherri yakho?" Lutha: "bboobboo." He pouted his lips. Lubby kissed him. Lubb: "uBuhle? Or you mean uBubu?" Lutha took the duck and bit it with his only four existing teeth. Lubb: "don't eat this, that's nasty." An hour later. Lukhanyo was sleeping on the couch. Lulle was asleep on top of him. I had bathed her in our own bathroom. I took her to her cot and she slept again immediately. I went to my bedroom, Lubby was standing near the cupboard, taking out pajama pants. He was half naked. His body was moisturized and shiny. With his Louis Vuitton briefs on. Lubb: "sorry wethu ndikhangela pajama. Ndiyozela mna, ndizogoduka ngomso." Me: "uhm..that's okay." Lubb: "Lukhanyo!!" Me: "ulele." Lubb: "oh." I walked to the lounge to let him dress. Lukhanyo was still asleep. Me: "baby." His eyes opened a little. Luks: "hm." He mumbled. Me: "izolala." He hung on to me and pulled himself up. I held him to the bedroom. Lubabalo was sitting by the mirror, brushing his hair cut. Luks: "what are you doing?" Lubb: "brushing my hair nje yabona mos." He got to check on the babies. Lubb: "ndicime?" Luks: "no, Lulle yathand uvuka oyike when the lights off." Lubby went to fetch his yogurt and sat in the lounge watching tv. I locked the house and went to bed. Lubb: "good night." Me: "night buddy." I got into the room, dimmed the lights and climbed on my husband. Me: "kunin ndikukhumbula." Luks: "really?" He looked unconvinced. I sat next to him and pulled out my laptop. Luks: "bendiy'qondile. Noba khumbula yona more than mna." I put it back down and pulled him closer. Me: "ndiyakukhumbula Mr Mzinyathi." Luks: "I miss you too my love...khand'lalise" I kissed his forehead and played with his ear until he fell asleep.

Busi was holding Tia in her arms, rocking her to sleep. They were in Tia's pink bedroom, Busi had decorated. Busi sang her a little song, walking slowly. Tia was

falling asleep. Busi: "there you go my little angel...ulale kamnandi." Lonwabo stood by the door smiling, his heart was at peace. Tia: "Mama." This shocked Busi to tears of joy. Busi: "mntanam..." Tia: "thanda Tia ka tata ne." Busi: "yes sweetheart I love you." Tia fell asleep finally, Busi tucked her in bed and tip toed out. Lonwabo held her to the bedroom. Losta: "you're amazing yazi..thank you for being here." Busi: "its my pleasure." He pushed his door. Laying her on the bed, kissing her. She unbuttoned his shirt. Unbuckled his belt, zipping down his pants. He took off her top and unhooked her bra. Sliding off her panties. Kissing her breasts. Losta: "you are beautiful..." Busi: "andifiki kuwe." He searched his drawer and found one condom. He put it on and rubbed in between her legs. Busi: "Lonwabo.." Losta: "huh?" He entered one finger. Losta: "oh Bawo, why itight kangaka." He kissed it. Losta: "fuck." Busi: "baby, ndicela uy'fake tu?..I haven't done this in a while....and you feel so damn good." He rubbed her clitoris gently with his tongue. This drove Busi crazy. She opened widely and squeezed her breasts. Losta: "yes mntu wam...open up for daddy." He dug tongue inside her and sucked her till her juices squirted out. She was moaning softly, her toes curling, her eyes couldn't open. The pleasure she felt was amazing. Beyond amazing. Glorious! He rubbed her again, sucking for an orgasm, just as her body was shaking, about to release he stopped. She moaned out loud. Losta: "shhh....zovusa umntanethu." She smiled and pushed him away, climbing on top. She slid it in slowly. Lonwabo's mouth hung open. She kissed him and started to grind on him. He was the one that start moaning. He couldn't breath. He couldn't explain. He just felt so much love and pleasure mixed in one. He held her body and kissed her breasts. She started bouncing up and down. Losta: "Lord...." He cried. His body was weakened, she stopped. Losta: "No Busisiwe!" He begged. He was out of breath. His throat dry and face red. He begged for more. He was hungry for her. She kept moving slowly in circles. Losta: "sweetheart." Busi: "yeess...." She moaned. Losta: "aahhh-ahhhh.....ohhhh yeesss....ohhhhhh." He groaned. She could feel it too..her body was feeling hot. 10 minutes later. He was on top, holding her right leg. His other hand in her hair. He was moving slowly, driving gently inside of her. He kissed her softly, whispering in her ear. Losta: "I'm in love with you.. Busi." She was weak and too horny not to respond. Busi: "I love you more lonwabo!" She moaned. He pulled out. Losta: "le condom izokrazuka, and I just don't want to stop." Busi: "then don't." Losta: "its going to hurt.." Busi: "yikhulule kalok." Losta: "you sure?" Busi: "okanye ufuna ndik'phathel medical records zam kuqala. You don't have to look at me like that." Losta: "please don't kill the vibe..." He took it off. Losta: "I'm just worr-" she got on top of him and faced the other way. Entering him slowly. The moment she sat and the whole of him was inside her. Losta: "ndafa Nkosi yam." She started moving. He

couldn't help but stare helplessly at her ass as she twerked on him. He could feel his orgasm coming, he couldn't stop it. He breathed in gasps, trying to hold it in. His eyes shut closed. He groaned out loud, holding her body still. Losta: "aahhhh.....ooooohhh yeses!" He breathed. Losta: "yuh wena, uyandonwabisa man!" She got off him and lay in bed. Losta: "this is the second time I ask you. Will you marry me?" Busi: "baby!" Losta: "look I know we're moving fast, but it feels so right. I don't want another girl in my life besides you and Tia. And she loves you. Busisiwe, I love you. I want to spend the rest of my life with you. I swear I'll treat you right." Busi: "ayika pheli nenyanga sisazana Lonwabo." Losta: "and I feel like a changed man. You're all I need, no more stringing women, outrageous parties, ndimdala and now I want to settle down." Busi: "let's take it one step at a time mntu wam." Losta: "but you're mine right?" Busi: "kuthen unendaw ezifuna ukhala nje?" Losta: "because I'm being serious Busisiwe." Busi: "yes I'm yours.."

Thando woke up the next morning. He wrapped his hand in a bandage. He had no time to go to a clinic. His phone and wallet was taken from him and his hand had a cut but Thank God he was safe. He bathed and made himself lunch since he had no money. He only had 25 rand left. Which was in his suitcase and would only last him the day. His mother woke up. Ma: "molo, uthen esandlen?" Thando: "its nothing ma." Ma: "iza ndibone." Thando: "hayi mama, its just a cut." Ma: "what happened?" Thando: "ndixuthelelwe iphone, newallet." Ma: "kwathin ungathethi kengoku?" Thando: "I couldn't..I'm just..." He breathed and went to his bedroom. Got dressed and took his back pack and the money he had. His mother gave him an extra 30 rand. Ma: "nantsi mali yokhwela." Thando: "ndizoy'gcinela ngomso mama, enkosi." He stashed it under his pillow and went to work. There was nobody his age that he could speak to. Not that he cared much. He didn't want to speak. His boss called him. Thando went to his office. Boss: "Thando right?" Thando: "yes sir." Boss: "its your second day? Well, welcome to the team. If you need anything just let me know." Something in his eyes wasn't making Thando comfortable at all. Thando: "I'm fine thanks." The boss got up, went around the table and leaned on it. Looking down at Thando. Boss: "we're a family in this business. Everyone of you. I treat equally with both love and respect. So, if you need anything, I'll be here." He smiled. Thando got up. Thando: "I'll keep that in mind." He walked out quickly and started working. Another employee worked near him. Guy: "you don't need his help." Thando looked at him. Guy: "it will always come with a painful price in your ass." That shocked Thando out of his shell. Thando: "yeah I'm chilled thanks." Guy: "why you here?" Thando: "to work bhuti. I've got a child to support." Guy: "the name's Siphso." Thando: "Thando." After that he kept quiet and did his job.... During lunch time, he sat in his own little corner and ate. The

boss walked in with a 1 litre bottle of juice. Boss: "to keep your spirits up." He gave it to him. Thando: "I'm fine thanks." Boss: "look, you are going to dehydrate. You're working yourself to an early grave. Take this." Thando looked at Siphon, Siphon shook his head slowly. Thando: "I said I'm fine thanks." Boss: "okay." He walked away. Siphon: "stay strong ntwana. His obsession only lasts a few days. The more you reject, uzodikwa." Thando: "why did you do it?" Siphon: "he's paying for my mother's treatment, and my sister's fees. Aphinde abhathale mna." Thando: "damn...and I thought my life was hard." They started chatting a bit for a while. Thando: "then yesterday I got robbed." Siphon: "then how you gonna reach icherri yakho?" Thando: "I have no clue. I'm just hopeless at this stage, ndizolinda till I get paid, ndithenge nje phone echeap." Siphon: "yayaz number yakhe?" Thando: "no..I didn't give myself time for uy'faka enqondwen." Siphon: "then uzom'contacter njani?" Thando: "andiyazi Siphon." He got up and went to his bag. Their boss was walking past. Boss: "lunch time is over boys! Get to stepping. Siphon, the boxes out the back need your undivided attention. Thando, I want you working in front today. Let's go!!" They went back to work.

Thulani was scared to go home to his parents house. The tension was just too much. Jeff: "what's wrong?" He walked in the office and shut the door. Thulz: "nothing." Jeff: "spit it out, I know you got something you wanna say." Thulz: "tata, what is going pharendlin?" Jeff: "I wouldn't know my son, I don't live there." Thulz: "ubhuti uthi utat'Phindile is cheating on mama with some young girl." Jeff: "oh." He looked away. Thulz: "dad?" Jeff: "the blue file? Khand'boleke yona I want to go through it again." Thulz: "TATA!! You know about this!" Jeff: "andazi niks Thulani." Thulz: "no dad, you do! Is it true?" Jeff: "yes." Thulz: "TSHINI TATA!! Wathula?? I thought you loved my mother!" Jeff: "excuse me Thulani, I'm not the one that's cheating on her, suthuka mna. Don't you think this hurts me too? Qha mos your mother never wanted to wait, she married him instead of waiting for me! Even after we made you, khang andifune, so what happens in her life has nothing to do with me and andizoy'ngena mntanam. Uyondixolela." Thulz: "tata she's going through a tough moment." Jeff: "you know what happens mos when I go comfort her, umdala ngoku you understand. We can't make that mistake again." Thulz: "so zange yenzeke kanye." Jeff was ashamed of himself. He couldn't look his son in the eye. Thulz: "tata, ndicela undiphendule ndibeno khululeka?" Jeff: "no Thulani it never happened once. It carried on for a while." Thulz: "No tata! You lied? To all of us including uTat'Phindile?" Jeff: "Thulani...this was a long time ago we are over it. Phindile ndim'chazele, and we spoke about this like the adults we are. Naye wathetha nomfazi wakhe. Whatever is happening between them andisay'ngeni like all those years ago. I am happy with

Thenjiwe. She completes me." Thulz: "no but Tata that's unfair. Yena umama akasena happiness ngoku wena ufumene umntu. Your life is fine, hers is falling apart!" Jeff: "kodwa mntanam, kufuneke ndithin? Ndihlale ndi-single and support her Again?" Thulani couldn't believe this, he was shocked and disappointed. Thulz: "you know what? No....I can't do this with you. No." Jeff: "son..." Thulz: "no dad...how do you sleep with your brother's wife?" Jeff: "ndithini xa ezizela kum? Ndiz'lambela? Hayi man Thulani don't be acting like a saint. You didn't have the World's Best Marriage and you certainly didn't win the title for best Husband either. So take a seat." Thulz: "I was not ready!" Jeff: "and she was? Sonke siyaphazama nyana. I was the most wrong, which is why I spoke out, although it ended years ago le affair, ibinditya. I came right out and spoke about it. Especially after your younger brother. Ndaske ndatyhafa." Thulz: "but I don't have a younge-....wait, she was.....TATA MAN!!!" He yelled. Jeff sighed. Jeff: "tore me apart. Yuh, Thulani so much has happened. And I am sooo sorry." Thulz: "my younger brother? What happened tata?" Jeff: "she had an abortion. She knew its was mine, Melisa was still young and Phindile was hardly around so bizoba obvious." Thulz: "I give up." He sat down. Jeff: "ndicela uxolo nyana ngongathethi yonke inyani. I have to go though.." He got up. Jeff: "I'm taking Thenji out for late lunch. I'll see you tomorrow." He walked out.

Chapter 495

Lukhanyo was in the lounge that evening with his son. They stared at the television quietly. Lubby wasn't around. Luhle probably sleeping, I heard her cry in the bedroom and went straight to attend. Her head was covered. That's why she cried. I took off the blanket and changed her nappy and clothing. Putting on a new diaper on and her pink summer baby suit and puffy slippers. I changed into Lukha's black jumpsuit 😊:) and a black vest. With my Timbalands. Took Luhle's bag plus mine with the laptop and walked to the lounge. Luks: "HAYI." Me: "sweety, I have a meeting ndizobuya late namhlanje yeva." Luks: "and my pants?" Me: "they're comfortable baby. 😊:((" luks: "ngoku?" Me: "ndizobuya man...and do that thing that you like." He smiled shyly. Luks: "what thing?" I demonstrated with my hips. Luks: "ooh...baby. Have a nice meeting ubuye quick va." Me: "bye boo." I went to the car and strapped Luhle in her seat. With her light white blanket. Lukhanyo brought me her rattle toy. Me: "thanks hun." I kissed his cheek. Luks: "bye my sweet angel, daddy loves you bucket loads yeva? Nihambe kakhle mntu wam." I drove to the meeting. Where Mandy was already waiting. I swear she always booked herself 10 minutes early every time. Me: "hey babe." Mandy: "heyyy....look who we have here!" She took Luhle from

me and she started crying. Mandy: "uxolo kalok girl..yinton ngok?" Me: "she's still a bit sick'ish." I took her back and she calmed down. Mandy: "yoh hayi sana ke mna ndiqhele icharmer boy yam." Me: "uhlel notatakhe sana lowo, wonwabe apha ku heart uyise akafane ahlale naye. Luthando yathand uxhumela uLubby." Mandy: "nangok inoba ucimba ngelakhe uhlel noLubby." Me: "I guess." Mandy: "what's up." Me: "nothing my friend." Mandy: "heee uyafihla ngok." Me: "heee, there's nothing interesting about me njena. you On the other hand are in love!" Mandy: "something is eating you yazi. I can feel it." Me: "I wish he could just go ngoku. I mean, its nice having him around but damn..." Mandy: "Lubby?" Me: "hm." Mandy: "wenzeni ngoku?" Me: "he's allergic to clothes." She laughed out loud. Mandy: "he's just comfortable man. Myeke omnye tshi, umthanda qith wena uLukha awufun abene tshomi or anything else around him. Unomona Lihle." Me: "hayi ndiright Mandy kukwam pha but ke uthe uhamba today so..." Mandy: "there. Akho ngxaki." We started with our work for over an hour. Luhlle started crying, she was hungry and tired. I breastfed her while we organized the final details with Mandy. Mandy: "awudinwa?" Me: "If I focus on being tired I won't get anywhere. Masiqibe ndiyolalise umntana mtshana."

Sonwabise came out from work and bought a bunch of roses. He unlocked Mandy's house the way he could break in without forced entrance. He scattered the petals to the bedroom. Creating a heart on the bed. He wrote a little note and folded it in half, placing it in the middle. He made dinner ready and washed the pots. Then locked and left the house. He went to Soma, who was in his own house. Cleaning. Eventually giving up and switching on the home theatre system. He played his favorite Kendrick Lamar's song. 'Bitch don't kill my vibe'. He tidied up a little and opened the windows. His pants sagged just below his behind, his brief showed. He had no top on. Wearing his nike sneakers. He sat down and rolled himself a blunt. Soma: "I am a sinner, who's prolly gonna sin Again. Lord forgive me. Things I don't understand. Sometimes I need to be alone...." He inhaled a puff and lay back on the couch. Soma: "bitch don't kill my vibe." He started dancing as soon as Backstreet Freestyle started. Soso walked in. Soma: "I Pray my dick get big as the Ifle tower, so I can fuck the world for 72 hours! Gaddamn I feel amazing!!! Awwww" Soso: "Lord save me." He turned down the blasting music. Soma: "why?" Soso: "I can hear this from the down the street. What bout your neighbors? Awukho considerate wena." Soma: "they listen to good music whether they like it or not. Uvelaphi?" He handed him the joint. Soso: "hayi man andiy'fun lento.." Soma: "oh well. Be miserable.....ooohhh...one day's gonn burn you out.....ahhh.." He sang. Soso stared at him. Soma: "I'm happy, what's your problem?" Soso: "only when you smoke. What happens when the effect wears out?" Soma:

"mxm." Soso: "I know its still hurting Soma, kodwa blocking it won't make it disappear." Soma: "if you here to lecture me about my life then you should get the fuck out." Soso: "andiyi ndawo Soma!" Soma: "why!! Whyy do you always wanna butt in my fucking life!!!" Soso: "yabona ikwenza nton lento!" Soma: "SHUT UP. You don't know anything." Soso: "Soma, I know! But drugs won't solve your-" soma threw a lamp at him screaming in frustration.. Soso got out the way in time. He was getting more impatient by the minute. He was slowly getting angry. Which would just probably hurt them both physically. Soso: "Soma.." Soma slid down the wall crying. Soma: "I can't do this Soso! I can't!" Soso got up and went to his brother, holding him closely. Soso: "askies sani." Soma: "it hurts....so baaad. I just" He sobbed. Soma: "I can't breath!!" Soso: "just try and relax Somangaye man." Soma was crying. Holding on to his brother, probably the only guy after his dad to see him shed a tear. Soso: "yaz'bona zikwenza nton ezi drugs Soma. Only God knows what you're thinking when you're alone. Don't do this to yourself." He picked him up. Soso: "whenever you want to talk, just come to me. Uyeke lento yakho. I love you, and I don't want to lose you anytime soon." Soma: "huh?" Soso: "ewe tsek undivile, ndithe I love you!" Soma laughed. Soma: "mxm fuck you man." He smiled and walked away. Soso gave him pain killers for his headache and they lay on the bed. Soma was out in minutes. He snored lightly, holding on to Soso's arm. Soso could finally breath a relief, that was a close call. For a second he thought it would start all over again. His mind drifted to the most disturbing night of his life. He had been too angry, drove to his parents' house in fury. Soma was in a vivid dream, he could feel everything just couldn't stop it. It felt like Deja vu. He was in his parents' house with his mother and father. Sonwabise walked in. Soma: "uvelaph na wena sow'vutha." Soso: "now....you're really fucking up! Bendithen kuwe!!" Ma: "hayi Sonwabise watch your language sweetheart!" Soso: "mama!! Stay out of THIS. Somangaye ndiyathetha!" Soma: "uthetha naban olohlobo kwedin! Soso: "andiyi kwedin yakho!" Dad: "EY!! What's this about Soso?" Soso: "Tata, khaphume kwiindaba zam noSoma!" Soma: "bra go check your fucking attitude." Soso: "you fucking disgust me! Uyenza njan ntwenje!" Soma: "what you on about!" Soso: "uThandi man! Who gave you the damn right!?" Soma: "I gave myself the damn right Sonwabise! Since when do your care!?" Soso: "I have had it with you! Always you want everything to yourself! You're fucking selfish and I hate YOU!!!" Ma: "Hayi soso." Soso: "ewe mama, Ndiyakuzonda Somangaye." Soma slapped him in the face. Soso pulled out a gun and pointed it at his forehead. Soma: "so what, you gonn shoot me now?" Soso: "I will shoot you dead right now Soma, don't fucking test me." Dad: "Soso....my boy..." His mother was crying. Soma stared at his brother sarcastically. Soma: "then what you waiting for? You're nothing

but a piece of SHIT. You'll never do it." Soso set the gun. The father jumped and they fought the gun. Soma woke up from his nightmare breathing heavily. It was just a dream. He reminded himself. He looked at Soso who was next to him. Soso: "what's wrong?" Soma: "bad dream..." Soso: "that night.....I'm sorry." Soma turned his back on him. Soma: "we shall never speak of it, ever again." He went back to sleep.....

Lubabalo was with Sizwe in his back yard. Starting a new garden. Lubb: "honestly? I don't know. Me? Garden? Ha.a." Sizwe: "iza man!" Lubb: "Ta Seez, I'm wearing my 3000 rand Gentleman slippers. Luks: "oh? Don't make me start on you lubabalo!" Me: "okay, tata...bayeke...give them 30 minutes maximum they'll hug it out." Sizwe: "are you sure? Maybe if I..." Me: "no, let them be. Uyoba uyaz'tyhafisa ngaba babini yambona mos noThulani akabahoyanga. He knows this." Lubb: "khasapha la remote." Luks tossed him the remote and lay on his brother's lap, frowning at the tv. Me: "see?" Sizwe breathed a relief. Sizwe: "anyway, bendifuna ukuthi I'm leaving." Me: "hayibo? We didn't even spend time together, I miss you and I'm busy all the time andinayo nemini ethile." He hugged me tightly. Sizwe: "you'll do good mntanam. Lubby told me you got this business thing under control. I'm

impressed." Me: "thank you tata..can you stay another few minutes?" Sizwe: "sure.."
We walked to the bedroom and sat down. I was on the floor he sat on the bed. Sizwe:
"so...what's up?" Me: "nothing. Everything is great. At last, it seems like we're going
back to normal." Sizwe: "I am happy for you sthandwa sam. Don't let anything....or
anyone....take that from you." The way he said it. 😊 O.o Me: "dad? Why would
anything take my things? I have a nice business I meet new people. Even School is
great." Sizwe: "oh? I thought you meant Lukhanyo and the babies." Me: "them too.
He's amazing and so supportiive and sweet. I come home and he cooks dinner, takes
care of the babies. He's just being wonderful." Sizwe: "look at me sweety." I looked at
him. Sizwe: "I am glad. Nothing makes me happier than knowing my daughter is
loved and around people who care about her. Lukhanyo seems to be doing a good job
lately. And I admire him for that." He really meant it. The look in his eyes genuinely
said it all. Me: "thanks dad." Sizwe: "I know this is important to you my piggy, as hard
as it is for me to let go of my only daught. I love you. And whatever you need, I'll be
there for you." No....there was something else wrong. Me: "dad, why are you talking
like this?" Sizwe: "ndiyak'thanda mntanam." He kissed my forehead. Me: "I love you

Lubb: "but I don-" Sizwe: "Lubabalo. You have to stay. Remember all the things I
taught you, uyeva? Make up your mind and make me proud." Lubb: "kay." He hugged
him and patted his back. Sizwe: "I'll call as often as I can." Lubb: "okay then uhambe
kakhle." Sizwe left. Lubby went to sit on the kitchen. He went mute all of a sudden.
Luks: "and then? Yinton ngok wena." He didn't reply. Lukhanyo threw a pillow at
him. Lubb: "I don't feel like playin with you okay?" Luks: "well I do." Lukhanyo
pulled him and dragged him out the damp mood.....

Later that night... Thulani and Namhla were in bed, kissing and talking. Thulz: "I've
been thinking.." Namhla: "about...." Thulz: "going away together...some vacation.
Take Junior and Chuma with us." Namhla: "it sounds lovely.." Thulz: "you're such a

Thulz: "I know babes...ndik'bona ku Junior. Its beautiful....and the way he calls you

Thulz: "my name is for sexy beasts. My sons are sexy." Namhla: "and if its a girl?" Thulz: "her name will be Princess. Lord knows I'd die for a little girl. Yuuuh, I just go crazy, girls are so beautiful and unique and amazing little creatures." Namhla: "is that a hint..." Thulz: "fuck yeah....I know I would marry the woman that gives me a baby girl." He climbed on top of her. Thulz: "and that will be you...." Kissing her lips. Namhla: "our plans baby..." Thulz: "I know babes, plus your dad already gave a warning kodwa ntliziyo yam ifuna lento iy'funayo qha." Namhla: "well, ntliziyo yakho needs to sit his big behind down and wait. Thulz: "but....we could start practicing..." Namhla: "and that I don't mind." He kissed her slowly, undressing her....

I was in the lounge, with my laptop and big Lays chips. I had two assignments to finish. Lukhanyo was in bed, if I went to bed I would crave sleep so NOPE. Let me finish this. I also had a Powerpoint presentation I just instantly felt like crying for real. Lubabalo walked in and sat down. He switched the tv on and took out his phone to text. Me: "tshomam..." Lubb: "yes?" Me: "I'm tryna work actually so....tv is kinda loud." Lubb: "what you working on?" Me: "school stuff?" Lubb: "can I help?" Me: "no I'm fine thanks." Lubb: "haska, let me help." He sat next to me and took the laptop. Lubb: "this is just totally wrong, bhabha, uy'fumanaphi lewei?" Me: "from the internet." He looked on his phone and continued with it. All I wanted to do was sleep. Lubb: "awukwaz kalok sana's. Awusoze ulunge. And'no tshiseka isinqa nentsula ndodwa ulale wena kodwa ndiyak'nceda." Me: "but I'm tired." Lubb: "ina ke start from here." I took over and he started chatting. Me: "lubby man." Lubb: "hayi mamela." He went on for hours. Eventually went to fetch a bottle of wine. Lubb: "lihle...." Me: "no. I'm almost done." Lubb: "well good. Kunin ndithetha ndodwa." Me: "ndiyolala mna mos." Lubb: "not in this life time. Sohlala sithethe." Me: "why? Why not wake up Lukha instead?" Lubb: "lukha undigxothile eroomin wathi ndize apha kuwe. Nawe uyandigxotha ngoku." Me: "I'm busy njena my friend plus I've got school and work tomorrow." Lubb: "really? Same here!!! Except the school and work part. I don't have that." Me: "yaz'bona ke." I saved my work and switched off the laptop. Lubb: "finally." Me: "ndim ozokozela k'la lecture. Not you." Lubb: "okay, mbolala ke.." Me: "goodnight." Lubb: "sure." He waited till Lihle closed the door and switched off the light. He took the laptop, unlocked it to Skype Estella. She was asleep so he first texted her. She connected her computer and he saw her face. Lubb: "Hey buddy

how's you?" Estella: "why aren't you sleeping? Its 2am." Lubb: "was helping a friend with something. Your hair." Estella: "what about it." Lubb: "you look like you been fighting for your lunch money." She giggled half asleep. Estella: "and funny enough, I had to do that a lot in primary. I was bullied." Lubb: "same here, I even had a name." Estella: "tell me." Lubb: "no." A little baby crept up behind her. Lubb: "nccoooh, here's another baby bear." Estella: "hey you're awake." She held her son, brushing his light brown curly hair. He had big green eyes and a dummy in his mouth. Lubb: "he is too cute." Estella: "say hi to uncle lubby sweety." The baby waved. Lubb: "hey...little hot dog." Estella laughed. Estella: "you're crazy. Let me get back to sleep, I got work tomorrow." Lubb: "oh yes, Ms CEO of Lubby's company." Estella: "not yet, still Acting.." Lubb: "its as good as a done deal. You're intelligent, that job suits you." Estella: "thank you. By the way, Dylan Gentiva called and asked if you could reply to his email." Lubb: "I'll do so just now. Kiss the little honey for me." Alex took out the dummy. Alex: "Macaco." (Monkey) estella laughed. Lubb: "what did he say?" Estella: "that you're a monkey." Lubb: "so its like that huh...okay." Estella: "goodnight buddy." Lubb: "bye.." He disconnected and switched off all the lights. Until something moved in the back yard. He thought he was imagining things. Then he heard voices.

Chapter 497

Lubby walked to Lukha's room quietly.. He opened the door and went to wake him up. Luks: "what's goin-" Lubby covered his mouth. Lubb: "listen..." He whispered. Something outside fell. Then an argument of whispers. Lukhanyo sat up. Luks: "who's this?" Lubb: "andaz." They got up together and listened. "Fondin, khosuse le burglar sibeno ngena apha!!" Guy2: "heee man uphambene!? Ba ndiyangxola mos zoviwa, sithunywe sithathe sihambe qha!" He whispered back. Luks: "mxm. Khabayeke baz'phambanise. Because abazongena apha. Go to bed." Lubb: "I will kill these stupid kids, bacimba bazobela ban!" Luks: "its pointless, noba zii-street kid ezi and zilambile. They can't get in either way." Lubby was very annoyed. It wasn't 'cute' or 'funny' to him. Luks: "come on Lubby awuva ba ngabantwana aba. Even their voices haven't broken yet. Damn." Lubb: "lukhanyo! I don't care even if they're ants! I will teach them a lesson! Mabazaz izindlu abazoz'robha! And THIS ONE isn't the one." He took the gun and walked out the front door. Lukhanyo followed with his. Lubby walked all around the house and stood still, watching them try to break in. Two young boys, with a crow bar 🤨-_- lubb: "yazi bendisene Hype ndicimba yinto ene hlwap's Enengqondo kant zez'takalan." Luks: "bend'then kuwe." Just before the boys tried to run. Lubby set the gun. Lubb: "hayi niyaphi?" He grabbed one's neck and dragged him

away. Lukhanyo held the gun to the others head. Lubb: "not so smart now, huh." They boys was choking. Luks: "Lubby.." Lubb: "Hayi Lukhanyo! Ziyaqhela ez'ntwana!!" They started crying. "S'cel uxolo bhuti." Lubb: "inttooni?" Luks: "let them go." Lubb: "anganya..." He kicked him twice. Lubb: "I'm bout to make an example out of you." The other ran away. Lubby tied this one's leg around the washing pole along with his hands behind him. It was a very awkward position. Lubb: "zukhale net, ndizok'faki nqindi qho xa ukhamisa." They walked into the house. Luks: "what the fuck's wrong with you." Lubb: "ingxaki ikuwe bonanje Lukha, all of a sudden you've grown soft!!" Luks: "I'm not soft! I'm being reasonable! Ngabantwana aba!" Lubb: "banengqondo yozokuba, bathunyiwe! Clearly if they old enough to follow orders they old enough to suffer the damn consequences! Worse ba mabandibilise sendi ready for iFight ehot kanti ziz'muncu nje ezine homework komakwazo. Sies man." Luks: "then why not let him go?" Lubb: "I will do that in the morning. Thank Jesus its about to rain!" He went to his bedroom and closed the door behind him. Lukhanyo went to bed. He lay still and tried to sleep, his conscience wouldn't let him. His heart broke as soon as it started raining. He slid out of bed and tiptoed to the back door. He unlocked it and went outside to untie the young guy. Luks: "I dare you to come back here, ndiyoku bulala ngokwam ngezandla. Uyandiva?" He growled. As soon as he untied him, he grabbed his neck. Luks: "umxelele lo ukuthumileyo aze kum ngokwakhe ndim'lindile." He let go and went into the house. Lubby stood in the kitchen with his gown on, crossing his arms. Lubb: "you weak ass." Luks: "fuck you Lubby." He locked his house. Lubb: "Lukhanyo. What the fuck? Do you know how people are gonna push and take advantage of you now?" Luks: "well let them Lubby." Lubb: "not on my watch. Ndizaw'khaba into ka Yesu ikekele is'fuba banganya kalok." He stomped to his bedroom. Luks: "you are too dramatic for your own good." Lukhanyo undressed his wet clothes, he was cold and shivering. He went into bed and stuck himself on his wife. Me: "no! Why you so cold?" Luks: "long story." I turned around held him closer till he stopped shivering. I thought he was asleep. Until he rubbed my thighs..extending his hand all the way to my ass, sliding a finger up my spine. Me: "I need sleep." Luks: "I need you." Me: "baby please." Luks: "damn lihle, this is thee only attention you give me. Aw'safun ngoku?" Me: "I got an early class tomorrow." Luks: "ngo 10. But its fine babes. Sleep." Me: "suqumba kalok." Luks: "I'm not mad hun, I understand." He lay down and closed his eyes...

Mandy was sleeping. Something brushed over her lips. She felt a cold air in hEr face. She woke up and stared at Soso. Mandy: "what are you doing? Awake at this time." Soso: "ndibuka umntu wam." Mandy: "come on babes, at 3am in the morning?" Soso: "I've been isishumane for too long, I'm still excited." Mandy: "okay ke..." She cuddled

in his warm body. The one question that she'd always been burning to ask. Mandy: "how was work?" It made her feel safe. It made sense. Soso: "work was stressful. Lost 2 patients. Phof ke, the chances were too slim. Ebene 10% chance of survival, ndam'xelela uDavidson, but he didn't listen, he said there was hope. Wabhubha owok'qala. He told me and just before I went to start on the second naye he died. I don't know ke, akekabi right uDave shame yazi." Mandy: "why though?" Soso: "kalok babes as much as we have policies zoba not close to patients, nathi singabantu, we chat and talk to them about stuff...caba ke bane friendship. Inoba yilonto. Nam ndandi risk'a kakhulu kuLukhanyo, worse during the surgery. Then when I got done, akafun vuka. I just panicked." She giggled. Mandy: "wacimba nguwe lo umbuleleyo?" Soso: "ewe babes, ziyenzeka mistakes kalok, qha ke you can't show fear kwi relatives. Ungaboyikisi. But he pulled through, that little bugger..wandothusa nyan. So Soma and I pulled a prank on them. Mandy laughed. Mandy: "akangcole lona..." Soso: "this is beautiful...this smile." Mandy: "qalile kanene." Soso: "kakade tshi. I love yo-your smile..." He almost said it. He hoped she didn't notice. Mandy: "thanks babe." She held him tighter. Mandy: "mna I love cuddling like this. Worse k'yabanda phandle." Soso: "hayi khangе kuqalise tu ubanda its just rain baby. Ninayo lonto." Mandy: "its the type of weather nje..." Soso: "to do what?" Mandy: "things..." Soso: "khandifumane ne things ke last night. Umntu ebekrhona." Mandy: "I don't snore." Soso: "of course you do...you snore like a dinosaur. U-Barney to be exact." She laughed. Mandy: "hampa ke. What time you got work?" Soso: "night shift ngomso. Qala ngo5. Wena?" Mandy: "I quit, I've got a volunteering job now. Then ndisebenza on the function." Soso: "oh, when I thought sizohlala in bed all day long." Mandy: "I would so love to." Soso: "its okay, liselininzi ixesha. Especially when we on holiday." Mandy: "holiday? Where?" Soso: "anywhere my queen wishes to go." Mandy: "okay..and your work?" Soso: "I have leave baby, remember kalok I'm anti social mna. I don't have friends or lovers. My work only has my attention, so leave bendizoy'thathelelan?" Mandy: "okay. I'll look for nice places for us to go to." He held her breasts.. Mandy: "hmmmm.....baby." Soso: "yes honey?" Mandy: "I want you to do lanto wawuyenza that other time." Soso: "remind me...ndimdala kalok mna." Mandy: "making love..." Soso: "I don't make love mna baby." Mandy: "yes you do...that was it." Soso: "does it make you fall in love with me?" She blushed and looked away. Mandy: "no, I just like it." Soso: "yinton enye ofuna ndiyenze kuwe?" Mandy: "anything." Soso: "anything???" He climbed on top of her and slid down underneath the blankets. Her underwear was still on. He gently bit her in between her legs. Damping the fabric

with his tongue. He pulled the panty off and sucked her. Her stomach had butterflies. Her body lay still and danced to his command. Her head was weak and feeling lightweight. She wanted to release herself. Her body was feeling high and energized. She moaned his name. Her body was shaking.. Mandy: "ohh man Sonwabise!! Sonwabissee.." Her eyes half open looking tipsy. Mandy: "baby.... Babes..." Soso: "I won't stop until you say it the way I want you to." Mandy: "but baby I want you so badly right now." He ignored her and ate her out again. Mandy: "mntu wamu...." She moaned. Soso: "louder.." He demanded. Mandy: "ahhhh yes...YES..." He stopped. Mandy: "mntu wam....ndiyak'cela?" He got up and kissed her. Scruffling in his pants for a box of condoms. Her legs wrapped around him. She held his body and kissed him passionately. Her whole entire body was hungry. Soso: "slow down..." Mandy: "No...." She groaned. Mandy: "khabe uy'faka baby..." Soso: "no sweetheart, andifun umithe just yet." He opened the box and the packet. Then entered the rubber on himself. Soso: "there. Iza ke..." He kissed her face. Rubbing her thighs. Mandy: "put it in..." Soso: "no." Mandy: "baby ndak'cela tu..." She begged. He held her, her pussy was throbbing. Her heart beating faster. Soso: "wow, this is a first...ndibawelwa kangaka kanti." He inserted slowly. Her body electrified. Mandy: "Oh Goodness..." Soso: "stay still..." Mandy: "Hayi man Sonwabise!!!" She moaned. He moved slowly. He lay his left side on her, kneeling his right leg, moving his waist. He held her left leg while he moved in circles. Mandy screamed in pleasure. Soso moved faster, digging deeper. Mandy: "oh Lord Yesss!!!!" He got up and leaned his hands on either side of her and moved. His fast pace was alarming. Her mouth was dry. She cried and moaned all at once. Her toes curled, waitingwaiting on her orgasm. Her mouth wide open. She felt it coming. Mandy: "oh yess..." She groaned. Mandy: "ooohhhhhh SONWA-BISEEE...." Her body started again. She was shaking. She was almost there. He stopped. Mandy: "nooo.....baby pleeeeaasse." She cried. He stared at her and smiled. Mandy: "Sonwabise!" Soso: "huh?" His eyebrow arched up. He moved harder....faster. His levels were high. His body temperature was high. He was heating up quickly. The harder he went. The weaker his heart was. He held her body and went deeper.....her hands held onto him, he stopped breathing. She gasped...when she reached her point, he groaned out loud. His body shaking and holding hers till they calmed. He breathed for a while. Then swallowed. Soso: "the condom broke. Funek sivuke siyothenga emergency pills baby, remind me va. As soon as we wake." Mandy: "uhm, okay..." Did he not want a baby? This sounded very weird. Maybe he didn't like babies. Or maybe he was too scared to drop them? Mandy let him fall asleep on top of her.....

The next morning I woke up and went to bath. Lukhanyo was still fast asleep. I wore my gown and went to the kitchen. Lubby was making breakfast. Me: "morning."

Lubb: "hi angel, sleep well?" Me: "yes. Wenzan?" Lubb: "hay mntase aw'sabon dan?" I tied my hair up properly And sat down. We sat together and ate. Lubb: "awuse qumbe." Me: "nah, I'm just tired, I hardly slept..ntliziyo le yam ay'xolanga tu. Do you know where my dad is going?" Lubb: "he said to me he's going hunting." Me: "abuye nin?" Lubb: "he didn't say." He looked away and fiddled with his food. Me: "why are you lying to me?" Lubb: "hayi Lihle, I'm not lying!" Me: "you are awukwaz nond'jonga emehlwen." Lubb: "I...he didn't tell me." He got up and quickly walked to the sink. Me: "lubabalo!" Lubb: "what?" Me: "look me in my eye and tell me you're not lying." He stood in front of me. I stood up. Lubb: "I..." He kept blinking and smiling. Lubb: "do you want a hug?" Me: "lubabalo!" Lubb: "okay look love, I'm not lying okay?" His eyes looked away for a second. Me: "hayi lubabalo." Lubb: "you making me laugh!" Me: "mxm." Lubb: "come hug it out for me?" Me: "no." Lubb: "he said a month or two." Me: "now. You're lying." Lubb: "hayke." He pulled a string of hair and tucked it in the hair band. Lubb: "its what he said to me, he didn't say why though." Me: "do you think something is bothering him?" Lubb: "yes. I think him and Ta Smig aren't friendly anymore so he's lonely." Me: "ncooh." Lukhanyo appeared. Walked straight to the kitchen got juice and walked back to the room. Me: "and him? Umenzen?" Lubb: "no sweetheart that's your doing. Mna ngendithukile." I walked to the bedroom. Lukhanyo was under blankets again. His glass half empty. Me: "hey baby." Luks: "hey love.." Me: "what's wrong?" Luks: "khandiphe bag yam ye'pilisi. I'm not feeling good." This just made me panic. I gave him the bag. He drank and lay down. Me: "I'll skip school today, just until you're okay." Luks: "hayi sthandwa sam...go to school, Lubby ukhona, he'll look after me and the kids." Me: "you sure?" Luks: "yes my love, uye nase span. I'll be okay." I wore my jeans and white linen top with a white vest underneath. I tucked the top in the jeans leaving a little bubble for comfort. I wore the diamond necklace luks got me for my birthday. The watch Lubby got too and some sandals. Luks: "so cute." Me: "fuze wena xa usiya kwi meeting." He smiled weakly. I didn't want to go. I wasn't comfortable with leaving him sick. At all. It pained me. Me: "hayi Lukhanyo mna andiyi ndawo." Luks: "yaz'bona ke baby. What about school? Khange uye friday last week also. Please go." Me: "I'll be back half 12 okay?" Luks: "and I'll be waiting. Come here." I kissed him goodbye. Lubby walked in. Lubb: "hayi nontombi. Awuse skime." Me: "nkosi my f." He climbed in bed and lay next to Lukha, staring at him. Luks: "uhambe kakhle mntu wam." Me: "I'll be back soon." I kissed his cheek again. Lubb: "intloni ziyaneed'eka sana." Me: "khathule lubby undijongele uLukha noLuthandoluhle qha wena, I called the nanny." Lubb: "uzand'batala?" Me: "mxm. Bye sthandwa sam." Luks: "babes, I'll be fine! Go." Me: "I

Thando got to work early. He changed and went to start on his job. The boss called him up. Boss: "close the door behind you." Thando: "morning." Boss: "hi. You okay?" Thando: "100." Boss: "what happened to your hand?" Thando: "its just a bruise." Boss: "but it makes you work painfully? You carry the goods with difficulty, come let me see." Thando unwrapped the bandage. The cut was still painful. His boss came with the First Aid kit and cleaned up the wound. Boss: "this could catch an infection, next time go to a clinic." He wrapped a new bandage and clipped it safely. Boss: "ya hear?" Thando nodded. Boss: "I hear you got mugged. Thando: "its nothing important." The boss opened his drawer and took out a box. He handed it to Thando. Thando: "what's this?" Boss: "open it." Thando opened the box. It was a grey BlackBerry Torch. Thando: "I can't." Boss: "its a gift. And I'm not taking it back." Thando: "I am not gay. I don't need this, and I sure as hell am not bending over for it." Boss: "what? " He laughed. Boss: "what does this phone have to do with anything gay? Gifts are gay now?" Thando: "no, I know you're expecting me to sleep with you for it and its not happening. Take your silly phone." Boss: "Thando...where did you hear this...oh wait. Siphopho." Thando: "I have work to do." Boss: "look, I didn't know this is how you'd feel. I honestly got the phone and thought you might need it. In any case, I actually like Siphopho. I don't sleep with anyone else But him. I do all these things for him because I care. This is just a phone. Relax." Thando got up. Thando: "then give it to Siphopho." Boss: "okay fine." Thando walked out. He continued with his work. Siphopho came in looking a bit moody. Thando: "ugrand?" Siphopho didn't answer just carried on working. During lunch time, he spoke. Siphopho: "mom passed away." Thando: "askies sani. I'm rea-" the boss walked in. Thando was very annoyed, why was he everywhere! Boss: "Siphopho? Come here." The guy got up and went to him. Boss: "I heard what happened, I'm sorry..okay? The hospital just called me." Siphopho held back tears. Boss: "do you need help?" He nodded. Boss: "yeah? Okay, we'll figure something out. Go home." Siphopho took his things and left. Thando walked quietly alone for the rest of the day. He missed Asanda so badly. He wanted to cry but held himself together. He had to stay strong. Boss: "hey Thando?!" He yelled. Iyawa yinton ngok! He thought. Thando: "yes?" Boss: "you have a visitor!" He smiled excitedly. Boss: "come!" Thando walked behind him to his office. It was Lungelo. Could this day get any worse. He thought to himself. Thando: "molo bhuti." Lungelo: "hi, ndizok'landa. Get your stuff." Thando: "I'm still busy. Ndizophuma u5 mna." Lungelo: "ndik'linde?" Thando: "no." Boss: "honestly Thando, go home, he's already here, plus that cut in your hand could use a rest." Thando: "I'm leaving at 5." Lungelo: "okay, sak'linda endlin ke. There's a family

meeting." Yay! 😊_- thought Thando. Thando: "cool." He walked back to his working area and kept himself busy. The time quickly rushed by. It went faster than normal. It was at 17:22pm when the boss started closing up. Thando went to change and leave. Same route to taxi rank, got off bus stop and walked home as slow as possible. He saw Khaya with his other friends by Khaya's house. Thando felt like burying himself, should he take the other street. Oh fuck it, he kept on walking. They all stared at him. He looked to the ground and walked faster. Till he reached his house. Lungelo's car parked outside. He walked in and greeted. Ma: "sicela uhlale phantsi." Thando: "can I first take a bath?" Lungelo: "you'll do that later...This is more important." Thando sat down....

Zintle's father brought Buhle to town. (Port Elizabeth) He left an hour later. She was by herself and very happy to see her daughter so happy that she switched off her phone.. Dedicating all her attention. They lay on the couch. Zintle had bathed and changed her. While they watched television, she realized she hadn't informed Lubby that Bubu was around. Somehow she felt really selfish because she didn't feel like seeing him. Then again, he was Buhle's dad. She switched on her phone and sent him a text: "Buhle is around. You can come visit tomorrow." His reply: "on my way." Oh great 😊_-he arrived 30 minutes later, huffing and puffing. Lubb: "Yuh Yehova." He kissed her cheek and walked in. Lubb: "ba mandiphants'gilwa yi-truck. Ayinkulu iza ngamacala. Unjan mtshan?" Zintle: "I'm fine wena?" Lubb: "spirits up. Where's my princess?" Zintle: "roomin." He went to the bedroom and sat with his daughter. Holding her in his arms. Zintle went to the other room to start studying. Lubb: "Zintle? Uphi uLungelo? I need to talk to him." Zintle: "about what?" Lubb: "Thando." Zintle: "why?" Lubb: "because I'm worried about the poor guy, noko ade am'khuphe sgela?" Zintle: "Lungelo is doing what his mother told him. Plus she has her reasons. Wena awungeni ndawo. Khange uncedise uThando amithise." Lubb: "no, but Zintle.. Ayikho right lento, without education uzothin kengok? Work piece jobs all his life?" Zintle: "Lubabalo yeka ungena indaba zabantu. You're going to make the situation worse especially because Lungelo hates you." Lubb: "oh wow, thanks for the highlight." He got up and walked to the room she was in. Lubb: "wenzan?" Zintle: "an assignment." Lubb: "can I bring her back tomorrow?" Zintle: "no." Lubb: "okay ke 2 hours? I want her to meet Luthandoluhle." Zintle: "no Lubby, its getting late and Buhle can't be outside ebsuku." Lubb: "damn Zintle!! Ndingu tatakhe! She won't die!" Zintle: "I said. NO." Lubb: "xa eleli kum yingxaki yanton leyo? Worse kuzobakho no Lihle and Namhla endlin. They'll be there to take care of anything if uyagula." Zintle: "ngoban abo?" Lubb: "my brothers' wives." Zintle: "kodwa Lubabalo nam ndiyam'khumbula uBuhle!" Lubb: "then come with us? Asizok'phazamisa." Zintle:

"No. Ungazom'landa ksasa uBuhle, take her out and stuff ubuye naye emin. That's it." Lubb: "you are so impossible." Zintle: "mxm.." He walked to the other bedroom. Lubb: "her bottle?" Zintle: "cela uyenze please." Lubb: "oooooh. Damn, I think she made a poopoo." Zintle: "hehake Lubabalo." She got up and went to the bedroom. He already undressed her, taking off the diaper. He pegged his nose while he removed the dirty diaper. He wiped her bum and sprinkled baby powder. Zintle stood by the door giggling. Lubb: "there you go." He wrapped the clean diaper and put her aside. Lubb: "clap hands for daddy." Buhle giggled sweetly, her little hands on her face. Zintle smiled. Zintle: "sapha ndiyolahla." She took the diaper and walked out. Lubb: "hey sweetie. Ndlela le ndik'khumbule ngayo, awuna idea wena. Give daddy a kiss." He kissed her cheek. Lubb: "you know you're always going to be number 1 in my life. I just wish I could get the chance to show you. Uhlale notatakho. I hate these 1 hour limited visits. Thando lwam for wena isn't limited at all and I'd hate for you to think that. I hope ungakhula uyazi lento, I wish you could understand mntanam." Zintle walked in. She gave him a bottle of her milk. Lubby fed the baby. Zintle finished her assignment on the side. An hour later, she came in to the room. Zintle: "Lubby." He woke up and stared at her. Lubb: "yep?" Zintle: "don't you have somewhere you have to be? Your wife is probably worried so you should get going." Lubb: "uyand'gxotha lewei?" Zintle: "no, I just don't want to be part of your drama again." Lubb: "nangok sendilele? Iphi inimba mfazi?" Zintle: "andik'gxothi, uzobuya mos ksasa." Lubb: "yuuh.." He got up and wore his shoes. Lubb: "ub'thong obumand kangaka. Lubb: "we're not together anymore." Zintle: "even so. Akho need for ii-sleepover. NoLungelo akazoy'thanda lonto." Lubb: "ndik'vile lady." He kissed his daughter goodbye and left.

Lubby and Lukha sat in the lounge with Thulani. Namhla and I cooked dinner. We kept laughing about the old days. The times she first arrived. Me: "yuuh, ndandine stress ke bonanje. Estella: "uhm, you still haven't replied to Dylan's email, he's been calling all day, so since he can't get hold of you, he's flying down to South Africa on Monday. Please be ready." Lubb: "ready for what?" He panicked. Estella: "I've prepared a proposal for you, I just emailed, PLEASE Lubby, please check it. You know how Dylan is. He wants business with you Only. And you'll lose the tender if you don't answer him. Just read through it, memorize and keep a clear head. The meeting will be at 15:00." Lubb: "okay. I hear you." Estella: "good night." Phila, Lonwabo, Busi and Zuki were having dinner. Tia was upstairs sleeping. Losta: "sweetheart, pass me the salt please." They chatted together, the girls started their own topic. Lonwabo and Phila were starting their own. Busi: "so, what do you do?"

How do you think that's gonna work out?" Busi: "I'm still working on something with my friend, uThoko. Then sobona phhambili." The room was silent. The two guys were listening too. Lonwabo smiling from ear to ear. Busi: "what's wrong?" She blushed. Phila: "hayi akhonto." He laughed. Phila: "babes, we should get going." Zuki: "dinner was amazing. Enkosi kakhulu guys." Losta: "our pleasure, thanks to Mrs Dabi over here." Busi: "heee..." They walked their guests out and cleaned up together. Losta: "thank you baby." Busi: "nawe thank you..you have nice friends. Losta: "I love you.." Busi: "love you too sweetly." He was finally satisfied. With everything in his life....

The next morning Mandla woke up and brushed his teeth. He was in a bad mood on a Saturday. He went to boil water and came back with it to wash. He got dressed in jeans and a vest. With All Stars. He started at the barber to cut his hair then went to Wara's house. While he drove, he was behind a red cross polo. Wara lived near Sino. It never clicked to him. The car slowed down by the bus stop. Sino climbed out.

Mandla stopped his car and stared. He waited till she saw him. Mandla: "heeee. Hayi ndisi sbhanxa Qha qhwaba." Sino: "bab-" Mandla drove off, he didn't feel like arguing, he was tired of beating her. He parked by Wara's house and went in. Mandla: "Khavule kaka!!" Wara: "tsek mngqundu!!" The door rumbled open. Wara: "ekse awti.." He got dressed. Mandla: "hlel naban fondin?" Wara: "enyi weyi. She got dressed and left. Wara: "nx yeses. Bingathi akasa hambu. Moer!" Mandla: "khame ndiqale phe ndlin." They drove to his mother's house. Asanda was making breakfast. Mandla: "mntase uph umama?" Asanda: "msebenzin." She sniffed. Mandla: "oh, unayo mali yesonka?" She nodded. Mandla: "khona umbane?" She nodded. Mandla: "Asanda?" Asanda: "bhuti." Mandla turned her around. Mandla: "yilantwana le kwenze lento!!" He yelled. She shook her head crying. Mandla: "kuthen udumb'amehlo Asanda? Bukhalelani?" Asanda: "he left bhuti. Ugodukile and he's not coming back. Akaphendul ne calls zam, phone yakhe oko icimile. This is not what we planned!!" She sobbed. Mandla: "son of a...." He held her closely. Wiping her tears. Mandla: "hee, mntase khaya. Ndizom'fumana. And kuzolyta. I promise you. Kuzonyeka nyan. Don't even worry..."

Soma was asleep at his place. Thandi walked in and cleaned up. She was tired from her trip but had to make the house tidy. Soma heard movement and got up slowly. He took his gun. Loading the bullets one by one. He slid it in slowly. Set the gun and walked out the bedroom. Thandi: "babe-" she got a fright when she saw the gun. Thandi: "what the hell!!" Soma: "damn babe!" He put it away and went to her. Soma: "I missed you! Awutsho noba uyeza." Thandi: "morning sweetie." She kissed him. Thandi: "you hungry?" He kissed her again. Soma: "yes...." He whispered. Thandi: "I'll make some food." She went to make breakfast and he sat down to eat. Thandi went to take a bath afterwards. Soma: "ndiphethwe yibhabhalaza baby. Yuuh, awunayo grandpa?" He took her bag and scruffled through it. Soma: "babbe??" Thandi: "no babes andinayo." He found a box of pills in her bag. He couldn't recognize them or what they were for. She didn't mention she was sick. Now what's this? He asked himself. He lay the box on the bed and waited till she came out. She was wearing a towel around her. Thandi: "now I'm relaxed. I missed you." Soma: "Thandiswa. Yinton le?" She looked on the bed in shock. Thandi: "baby, I can explain." Soma: "I'm waiting!" He warned.....

Chapter 499

Soma: "jonga Thandiswa, ungand'phambanisi va." Thandi: "baby I was gonna tell you.." Soma: "but??" Thandi: "its just...I....." She went to him. Soma: "hayi man!! Its just what!" Thandi: "I couldn't." Soma: "we're in a relationship Thandiswa! Suppose we share such things!! Now andizophinda ndikubuze. What is this?" Thandi: "its contraceptives." Soma: "for WHAT?" Thandi: "for mna." Soma: "why?" Thandi: "its to prevent me from falling pregnant." Soma: "Damn it Thandiswa!!!" Thandi: "baby I'm sorr-" Soma: "hayi man suxoka!! You're not!! If you were, buzo discusser le shit!!! With me!! Wena awufun!!!" Thandi: "could you please just calm down!" Soma breathed and sat down. Thandi: "its just that after the miscarriage, I lost courage. All hope. I thought I wasn't good enough to have a child. That I couldn't be a mother. I fell into deep depression Somangaye, for months on end I had to take treatment. I didn't know how to tell you because this also hurt me." He hugged her. Soma: "I'm sorry for being insensitive. Kodwa babes, funekile uthethe nam ngezizinto. You have got to be able to trust me, ndiyak'thanda and if you say you're not ready I'll respect that. Don't just keep quiet, because mna I thought you were willing to try again." She wiped her tears. Soma: "we'll wait ke. Okay? We'll take it one day at a time." She nodded. Soma: "uxolo for uk'shouter va." Thandi: "its okay." Soma: "let's take a nap quick. Uya nin emsebenzi?" Thandi: "Monday kalok baby." Soma: "funeke siyokwenz grocer babe, akho kutya apha. Andihlalapha mna alok, bendise khaya." Thandi: "uvuka kwam...I'm so sleepy..." She took off the towel and lay in bed. It was minutes later when she dozed off in a deep sleep. Soma: "ndiyabuya va?" He left and went to the shop to buy himself air time. Sonwabise came to the house to look for him. He saw the car. Soso: "usalele na Soma?" He opened and went inside. Soso: "andiyazi ke uleleleni kodwa you know we were planning something." He opened the fridge and took out juice. Soso: "I was thinking siye kooLukha, sihambe nabo?" He took a banana. Soso: "ndizok'qiba okukutya kuk'le fridge mna. Kuthen ngath nditheth ndodwa?" He went to the bathroom. When he came out, buckling his pants...he walked to the bedroom. Thandi woke up. Thandi: "Baby. Uthetha naban?" Soso looked away stuttering. Thandi: "come here.." He walked to the lounge. Thandi: "sweety..." She got up took the gown.. Why was he acting strange. She wore it and went to the lounge. Sonwabise sat on the couch, his elbows on his knees. His hands under his chin. He looked stressed. Thandi: "you're.....him?" Soso: "I'm sorry...I thought ebelele so I.....sorry." Thandi: "uhm...okay." She was shocked

and felt quite uncomfortable. She was burning to ask just one question. She just wanted to know. Thandi: "can I...ask you something?" Soso: "sure.." He still wasn't looking at her. Thandi: "did you-" the front door opened. Soma walked in. Soma: "hey. Just about to call you. Sow'vukile na baby." Soso: "yeah, ndivulelwe nguye." Thandi almost choked. Soso: "masambe bend'zolanda wena." He jumped up and stood by the door. Soma: "I still got to bath and change. Chill." He kissed Thandi. Soma: "awukatyi wena. Why?" Thandi: "I'm not hungry." Soma: "eat something. You'll need the energy later." He kissed her cheek and went to bath. Thandi made herself a sandwich. Soso: "your question." Thandi: "uxokelen?" Soso: "I got nervous. Yamaz Soma xa enomsindo?" Thandi: "why do you always fight?" Soso: "that's none of your business." Thandi: "like you fooled me into sleeping with you? That's still none of my business?" Soso wasn't comfortable with the topic. Soso: "it was long ago. Sidlulile apho. Plus I didn't fool you!" He hissed. Thandi: "you and Soma pretended to be one person! That is fooling people!" Soso: "I'm sorry Thandi, but yadlula ngoku!" He whispered. Thandi: "I want to know why." Soso: "Thandiswa khayeke tu." He kept glancing over at the bathroom door. Soma was bathing. The door was closed. Soma: "baby! Khandiphathel itowel." Thandi: "coming!" Thandi: "yazi, I tried to piece together those days and none of them make sense!" Soso: "ufuna ndithini ke?" Thandi: "nothing Soso. You already done." Soso: "I'm sorry. If only I could turn back time, but I can't. I met you first and I loved you, cacile ke Soma won. We are over it." Thandi: "its okay. Its the past and nyan we're over it." Soso: "thanks." He sat down and she went to fetch the towel. Soma: "hewethu iTOWEL!!" He yelled. Soso: "awukaqibi novasa kodwa ukhwaza ii-towel!!" Soma: "mayibelapha ecamkwam qha! Ibe ready xand'fun phuma!" She brought him his towel and helped him wash his back....

Thando had a half day today. He bathed and got himself ready. The meeting didn't go in his favor at all. All they gave him were rules. What to do, what not to do. Lungelo would pay the damages. Then Thando would start saving for maintenance until the baby is born. Then contribute. He wasn't going back to school. They didn't say till when. Or why. All of this just depressed him. He wanted to call his girl, but had no phone. He was all alone now. He still remembers his mother's words. "Xa ufuna ubayi ndoda, uhambe usenza abantwana. Cacile ke uzokwaz nothatha iresponsibility for usapho." When he asked how was he supposed to do that from here, they told him he was becoming disrespectful and didn't know how to speak to elders. Thando got his things ready and tiptoed out of the house before they could hear him. He walked to the bus stop and got a taxi to work. The boss wasn't there. Thank God. He didn't want to go home early though. Lungelo and his mother would be on his case. He was dog tired. His body ached, feet throbbled and his heart was in pain. Who knew, that he'd

fall for her so easily. He should've realized it the first night they spent together, the night they made their baby. These days he thought of it more as a blessing than a stupid mistake, he dreamed one day he would go to Asanda, buy her a house and get married. Like how they do in fairytales. but his wasn't a fairy tale. It was real life. Would he even afford it? At least she is continuing with her studies. He prayed to God, her mother and brother would let her continue although in future she'd be out of his league, with a degree and a proper job. Taking good care of their child. "Stop moping around." Said a voice behind him. He almost got a fright. Thando: "what is it now?" Boss: " can you drive?" Thando: "no license." Boss: "I need someone to make deliveries. Shaun and Siphon aren't around." Thando: "why don't you do it?" Boss: "I have a lot of work to do." Thando: "oh. Shame." He carried on working. Boss: "oh there's Ryan. RYAN!!" He walked to him. Thando: "nx." He took the boxes to the back. Packed them neatly and went to help a customer. It was an older woman. Thando: "can I help?" Woman: "ndifuna i-paint em'hlophe. Can you help?" Thando: "yes sure, this way." He showed her what they had available. Woman: "I want two of these. And lena incinci." He got a trolley for her. Then took her to pay. Leaving her there. Thando went to pack the hand tools and some of the other plumbing tools. He rearranged the shelf and went to the back to fetch garden products. When he came back. Woman: "sorry, ndikhangela umntu for upainter. Do you know anyone that can?" Thando thought for a while. He needed extra money. So maybe a second job wouldn't hurt. Although he was tired. Thando: "uhm..hayi sisi...ufuna umntu ozok'paintela?" Woman: "ewe, my new bedroom needs painting." Thando: "ndingak'paintela if.....you don't mind." Woman: "really? That would be great! Ina i-address." He took the paper. Thando: "ndizofika after 1. Then if andiqibanga today, I'll come back tomorrow since ndi off." Woman: "akho ngxaki." She walked to her Mercedes Benz. Boss: "what was that all about?" Thando: "erhh, she needed directions to a Mall." Boss: "she gave you a paper." Thando: "really?" He walked away to go change..his shift was over. He took his bag and caught a taxi to the address he was given. It was a beautiful house. The woman came to greet him. There were other older women sitting in the lounge having drinks. Woman: "iza ngapha bhut, what's your name again?" Thando: "ndingu Thando sisi." Woman: "ncoooh, you so cute, ndingu Beauty mna suthi sisi." He smiled and took off his shirt. Thando: "ndicela, iplastic to cover your furniture. Okanye ndiy'khuphe?" Beauty: "I think it would be better if uy'khuphile.." Staring at his fit body. His rugby years were carved on his muscles. He dragged the furniture out while the women watched in silence. "Peto!....where did you find him?" She whispered. Beauty: "la hardware mtshana, do you remember uRebecca esithi kusebenza iihunk pha?" "Oh Yesu, ndatshatelani!"

Beauty: "nazibhophelela sana..." She drank her wine and watched him work. Sweat dripped from his forehead. Thando: "sis'Beauty, ndicela iNewspaper?" Beauty: "isn't that just cute, 'sis Beauty'." She gave him the paper and he covered the tiled floor. He started painting. Beauty: "okay, ladies, masiqhubekeke nge meeting yethu, siyeke uThando asebenze."

Lubabalo was at Zintle's flat. He had woken up in the morning but helped Lihle and Mandy set up for the function. So it was afternoon. Zintle: "I thought buzoza ksasa." Lubb: "I had a few things lined up." Zintle: "I don't even want to know. Here's her bag. Nantsi botile yakhe, her food in the little container. Don't forget to burp her. Her medication is in there just in case she gets a cold, her nappies, extr-" Lubb: "okaayyy!!! Zintle why do you fuss!" Zintle: "she's my baby, of course I'm gonna fuss." Lubb: "I understand sweetie but sometimes just relax. I got this." Zintle: "do you remember how to feed her?" Lubb: "yes." Zintle: "okay." Buhle was shy today. She kept glancing over at Lubby. Lubb: "unentlon zanton ngok baby?" She put her hand in her mouth. Zintle handed her over to her dad. Lubb: "hey you.." Buhle smiled. Lubb: "sokubona late ke va." Zintle: "bye." He went to his car. Buckled her up and drove to Lukhanyo's house. Lukhanyo was angry and pissed off all at once. He missed his son Chuma. Sbosh was probably gonna act up if he called and asked for him. Lubby came into the house with his daughter. Luks: "nanku mntanam!" Lubb: "hayi ..woah." He sat down next to him. Luks: "come to daddy angel..." He took Buhle and kissed her. Luks: "undikhumbuza uLuhle when she was 3 months. So cute and bubbly." Lubb: "yeah ne. Yafana naye. Uphi uLutha? I promised him Gummy bears." Luks: "ulele, oh and please do not wake him up. Lubby opened the container and fed her while Luks held her. Thulani walked in. Thulz: "ncooh. You guys make a cute couple yazi. Mama notata." Lubb: "mxm. Khathule wethu." They heard two cars parking. Everybody stopped moving. Then they heard a knock. Soma: "molwen?" Luks: "tshin nini kanti." Soso: "aawww." Lubb: "nitheni na nina." They sat down. Lubby took the baby and burped her. Soma: "who's baby is this?" Luks: "ngowethu." Soma: "let's see, ngathi kanti umntana ufana noIfani." Lubby stared at him. Lubb: "owaka ba? Luks: "sizom'sorta lamntu. Thatha le mali uhambe wena." Sine: "and then?" Lubb: "sizok'chazela." He gave him a Nokia Lumia 520. Lubb: "uyeke la sghedlemba ubiza iimphukane." Sine laughed. Sine: "enkosi bhuti." Soso stared at the baby he was given and swallowed. He didn't know much about babies neither did he want to. Soma: "are you okay?" Soso: "can you take her?" Soma: "nope..." He giggled. Baby Buhle stared at Soso with her beautiful brown eyes. She smiled. Revealing her gums. Her hand wrapped around Soso's index finger. He was surely melting. Soma: "Soso?" Soso: "shhh...." Soma laughed at him. The baby made little noises while staring at him. Soma: "she likes you." Soso: "kham'thathe Soma. Please." Soma took the baby and lay her on his chest. Soma: "she's harmless. See?" Buhle burped on him, white liquid splashed on his shirt. Soso: "oh yes. Very harmless." Thulani was laughing. Lubby came back. Lubb: "intombi ka tata." Lukhanyo returned with a wide awake Lutha. Soso: "how many babies are here?" Luks: "3 babies and 2 kids." Lubb: "but the kids aren't here." Luks: "khasapha la phone ndifuna unyanam mna ngok ayikho le shit." Lutha: "shh...". Luks: "Luthando." He warned. Lukhanyo called Sibongile. Luthando kept pulling the phone from him. Luks: "kwedin!!" Lutha: "ahhhh..." Thulani took him. Luks: "hello? Sibongile?" Sosh: "hello." Luks: "look ndicela uzise umntana, ndiyam'khumbula." Sosh: "akaphilanga uChuma Lukhanyo, I'll bring him tomorrow." Lukhanyo took his son and kissed him. Luks: "noba ustout ndiyak'thanda." Soso: "hayi ke. Siyani shiya thina." Lubb: "or we could just chill here, until babuye ooLihle." Luks: "yeah, funeke siye somewhere tonight." Thulz: "where?" Luks: "oh you know...protecting our family. You in?" Soma looked at his brother. Soso: "what?" Soma: "well?" This was a difficult decision for Soso. He didn't want part of this anymore. Soso: "I can't." Lubb: "why?" Soso: "I have

a job, i can't be running around town shooting people. Plus my girl don't like that shit." Soma: "your girl, is using you as a rebound for sex." Soso: "uright kalok Somangaye! I'm still not fucking it up!" Soma: "who's going to tell her?" Soso: "mxm." Lubb: "we won't be long, we won't do much damage. Just make him disappear. Uhlelise ucousin wam nomamakhe njenge slaves. We can't just sit back!" Soso: "its your fight. Not mine." Soma walked up to Lubby. Soma: "your daughter." Buhle was asleep in his arms. Lubby took her to Lutha's cot since he was awake and playing. Soma wiped his shirt with a wet cloth. Hours later...the women came home. It was time for the men to leave. Me: "hayi baby, uyaphi?" Luks: "khona nje into wena mntu wam, kodwa sizobuya sizohlaleni apha endlin." Me: "into like what?" Luks: "hee ubaby. Khayeke man. Masamben majita."

Meanwhile, in Port Elizabeth. Lukhanyo, Lubabalo, Thulani and Soma were in KwaZakhele. They stopped at a certain house and jumped the fence to get in the yard. Lubby banged on the door. The lights were on inside. A guy with a hoarse voice answered: "ban lowo!!" Lubb: "cookie sale." Guy: "HUH???" Lubb: "do you believe in Jesus??" Guy: "uzand'thin dan?" Lubb: "nothing much, we'd like to say a prayer with you." Guy: "hayi! Hambani!!" Lubb: "if you don't open, Jesus cannot allow you in heaven because you have denied him." The door opened slightly. Lubby kicked it off its hinges and they came inside. Guy: "Hayibo? Ngu Yesu lo wenza lento kengoku? Xa nizorobha bantu nizimela ngaye!!" Lukhanyo grabbed his shirt and pulled him onto the chair. Thulz: "uphi uSinethemba?" Guy: "akekho apha!" Luks: "so uhlalapha?" Guy: "ewe! Kodwa akekho ngoku, sanundenza nto mna." Lubb: "noo, don't try and be smart. Yasazi singoban??" He shook his head. Guy: "no, bethuna can you just listen?" Lubb: "what?" Guy: "jonga emnyango." Lubby looked. The guy tried to run, they caught him and tied him down again. Lubb: "uyandinyela kengoku. Now you want me to be fucking rude." He taped the man's mouth and took out his blade. Luks: "is that necessary?" Lubb: "amboma pha phandle Lubabalo." He looked back at the guy. Lubb: "uzukhe net, uqalise uvule umlomo wakho to ANYONE. I will burn it with acid. I will cut your eyes out, and bruise your genitals. I dare you to ever go near family yam. Ndizok'nyisa bhuti. And I won't kill you. You'll be hanging on to death's door but won't be able to open. Because Andrew would have cut your hands off. Uyandiva?" The guy nodded. Soma strangled him with the rope, he started choking. Lubb: "masamben. Ndilinde uthethe net." The guys walked out and drove off.

Soso was with Mandy. Eating junk food and watching a romantic comedy. He gave her a foot rub. Mandy: "hmm....baby. Uyenza kamandi yazi.." Soso: "nyan? You must be really tired mntu wam. Laugh. Mandy: "what's wrong?" Soso: "nothing babes...just a bit tired." Mandy: "when's your next shift?" Soso: "Monday morning." Mandy: "so we're spending the whole night and day in bed....I love it." Soso: "hahaa...ubaby kodwa uyand'abuser ayikho le." She kissed his lips. Soso held her ass, grabbing her further on top of him. Her moving made him shiver, he was turned on already. Soso: "babes, can we just chill." Mandy: "I was thinking that...qha ke wena unengqondo emdaka every time I kiss you, you whip out your dick. You nasty." He giggled. Soso: "xa imandi ndithin ke." He kissed her neck and they sat together cuddling on the couch watching tv. Mandy: "ubusenza nton today.." Mandy: "maybe uzoziva different when you have your own." He stared at her. Soso: "Mandy." Mandy: "yes?" Soso: "you want a baby?" Mandy: "well, yeah eventually. Ndizohlala ndide ndithin? Mandy: "if you could just tell me what you're scared of..." Soso: "I'm not scared Mandy, cela siyeke le topic. And monday can we go to the doctor. For our blood tests. Then uzohlaba ne?." Mandy: "yeah sure." Soso: "thanks love." He kissed her cheek.

Soma got home to Thandi. She made a lovely dinner for him, he smiled as he walked in. Soma: "my lovely wife." Thandi: "good evening sthandwa sam." She kissed him. Soma: "this smells real nice yazi..." They sat down to eat. Thandi: "soo, I've been thinking.." Soma: "yess.." Thandi: "maybe we can try again." Soma: "no love, its okay. Singalinda until you feel absolutely certain that you want to. I don't mind mna..." Thandi: "are you sure.." Soma: "definitely." After dinner, they washed the dishes

together and tidied up. Soma: "khazapha man kunin ndikukhumbula..." He took off her dress. Thandi: "nyan baby." Laying down on the bed. He caressed her breasts. Then giggled. Soma: "this is so awkward." Thandi: "yinton ngok?" Soma: "ndicinga utata egezela uSoso." Thandi: "uthini baby?" She loved hearing those stories. She found Vuyisile quite entertaining. Soma: "andisakhumbul uSoso wayenomsindo wanton kodwa waphoxwa ngutata uthi he must calm his tits. Undihlekise xa esithi Adjust your bust before it combusts. I just couldn't stop laughing, ngok ndithi ndobona ibust kababy, ndibawela uy'adjust(a) ngokwam." She laughed. Thandi: "mxm wena..." He sucked on her breasts. Playing with her clit. She was getting hotter. Thandi: "sweetie?" Soma: "hm?" Thandi: "ndicela undiphuzele yona?" He kissed her lips and went down to kiss her underneath. Soma: "like this?" He wiggled his tongue on her. Thandi: "don't stop." She groaned. He licked down and slurped it up. Then undressed himself. she put his hardness inside her mouth, it only fitted half way. He smiled. She held the other half and massaged it while she sucked the tip. Soma held her head. Thandi continued for a while. He lay her back down and entered her. Her body shook in pleasure, she held onto his body and climaxed immediately. It was the best orgasm she'd had in a while. Soma: "I haven't even started babe..." Thandi: "Somangaye." Was all she could mutter. Soma: "I know, I know....you don't have to say it." She opened wider. Thandi: "kunin ndik'bawela." Soma: "oko ndik'lindle ubuye ke mna." He started moving slowly. Kissing her lips. He held her waist still so he could grind in perfectly. She was dying with pleasure. She tried to grip away. Soma: "wenzan?" He smiled. Thandi: "baby please..." She was still sensitive down there, emotions ran wild. Soma: "tryna run away from me baby?" He let go. Thandi got up and sat on him. Moving up and down slowly. Soma rode her from underneath. Sideways then up and down. Soma: "iza baby." He pounded harder. She screamed. Bouncing on top of him. Soma: "ima.....wait...." Thandi: "noo!!!" She held him down aggressively. Soma: "haibo baby." She went harder and faster. Soma: "I'm about to-" Thandi: "shhh!!!!" She moaned and groaned. Waiting for her second climax. Soma held her down on him and released himself. Soma: "oooohhh...Baby!!" She held on to him shaking. Soma: "waske wa-violent ulovey wafuna undibetha." Thandi: "andizivanga...yuuh, I missed you...so damn much." Soma: "nawe uzoyeka undishiya ndodwa apha." They lay in bed and chatted about her trip....

The next morning. Sunday. Lukhanyo went to his mothers' house. Lubabalo was sitting in the lounge with Luthando. It was a cold rainy day. Lutha was in his warm jumpsuit, lubby wore pajamas. They watched tv together eating warm custard. Lubby's phone rang. Lubb: "babe?" Zintle: "hey, nileli njan?" Lubb: "great...thanks again for letting me keep her for the night." Zintle: "yeah well, khangе undinike

Lubb: "I'll get there as soon as possible va..." Zintle: "okay." He hung up. Lutha was licking his fingers off custard. I woke up and brushed my teeth. I went to the kitchen rubbing my eyes, I was still tired from yesterday. Lukhanyo was sitting with his son watching tv. Me: "baby, why you feeding him custard eksen?" Lubb: "befuna yona." He almost shocked me. Me: "hayi man Lubby!" Lubb: "what it do.." He smiled. Me: "ndicimba ungu Lukhanyo I didn't really look." Lubb: "I noticed." Me: "uph uLukhanyo?" Lubb: "uyoncanca ibele lika mama." Buhle started crying in the bedroom. Thulani got up from bed and fetched her. Me: "she's such an angel yazi." Lubb: "ufuze kutatakhe." Me: "yuuuh." I drank my juice. Lubb: "iyanya le weather yazi." Me: "I know, lonto iyabanda lendlu. Iphi la heater?" Lubb: "ise garage. Ungafakeli fire place nje? It looks sexier." I think she needs to be changed." Lubb: "Thulani, uyamazi uLuthando ndlela le anomona ngayo. He will scream till Jesus comes back." Me: "come, mna ndizom'vasa. Then dress her." I took the baby and went to bath her. Dressed her then fed her. Luthando sat with Thulani this time. Laying on his chest quietly. Lubby showered, dressed and packed his daughter's bag. Lubb: "ndigodusa yena, I don't know when I'll be back." Me: "ungalibal lanto buthe ndik'khumbuze yona." Lubb: "oh yes, the presentation. Thanks mtshana. Bye guys, say bye to your family sweetie." I kissed her goodbye and Lubby took her to Zintle's flat. She just got out the bath, lotioning her body and wearing her gown. Lubby knocked. Zintle: "nguban?" Lubb: "ndim." So quick? She looked for something to wear fast. Lubb: "are you going to open Or nah?" Zintle: "ndiyeza." She dug in her wardrobe. Lubb: "ndiyatshiseka bonanje sisi." Zintle: "wait!" She opened. Lubb: "damn!" He walked in. Zintle: "bendisanxiba." Lubb: "why??" Zintle: "bendiqibo vasa." Lubb: "so..." She took her baby to bed. Lubb: "uyathand ulala umntanam." Zintle: "I hope you had fun." Lubb: "I did...especially xa evuka ebsuku. We sat in the dark and chatted until aphinde alale." Zintle: "cute.." He looked at her. Zintle: "I think that's all?" Lubb: "you missed me?" Zintle: "nope." Lubb: "you don't even think bout me?" Zintle: "tu." Lubb: "can I get a hug?" Zintle: "no." He held her body and kissed her. Shocking her out of this world. His lips moved slowly over hers. His hands holding her gently. Zintle pulled away. Zintle: "get the hell out!" Lubb: "I'm sorry...I didn't mea-" Zintle: "Out!!!" She yelled. Buhle woke up and started crying. Lubb: "umntana Zintle." Zintle: "hamba Lubabalo apha!!" Buhle started screaming. Lubb:

Chapter 501

Lubby calmed his daughter down, until she fell asleep again. Lubb: "Zintle?" Zintle: "Lubabalo?" They walked out the room and closed the door. Lubb: "I know you love me. Yazi, if we could just stop fighting it. We'd be great together. Asoze ndibone nomphi na omnye, maybe you want me to prove it to you but I can't because you don't give me the chance." Zintle: "I gave you a chance, you literally threw me out. Ufuna ndithin??" Lubb: "I was angry Zintle, I was hurt. I didn't know what to do!" Zintle: "you could have calmed the fuck down and listened!!!" She cried. Zintle: "but instead you'd rather have your friends over mna. You let me suffer for them! You never cared Lubby. You cheated, you were a dog and you still are. Because awuna respect." Lubb: "Zintle I'm sorry.." Zintle: "that's all you're ever going to say! You have no idea how badly scarred I am because of you." Lubb: "but I want to fix it Zintle, I want to make it better.." Tears threatened his eyes. Lubb: "nam indivisa kab'hlungu lento. Especially because I got the wrong info. It breaks me apart." Zintle: "please go." Lubb: "I can't. Not until we fix us." Zintle gave him a class. Lubb: "I'm not thirsty." Zintle: "throw it on the floor." Lubb: "why?" Zintle: "just do it." He threw the glass and it broke. Zintle: "ithen?" Lubb: "its.....broken." Zintle: "try and puT it together." He picked up the pieces. Lubb: "I can't..." Zintle: "and glue? Will it help?" Lubb: "no?" Zintle: "why not?" Lubb: "it can't be repaired." Zintle: "that's me for you. Now do you understand?" Lubb: "yes but Zintle can you just let me try?" Zintle: "no. Go to Liya. Lo wawund'cheatela ngaye ne, the one who almost ruined me, the girl you chose to marry. Mna nawe we're done. The baby in that bedroom is the only thing esidibanisayo." Lubb: "then I'm not going anywhere." Zintle: "mxm." he went back to the bedroom. There was a knock on the door, Zintle opened. Her father walked in. Dad: "hey sweetheart, bendine sthuk'thezi so I thought I'd come early. Khaya usaye kwenyi tshomakhe Central." Lubby walked out the bedroom holding Buhle. She giggled in his arms. Lubb: "you love me, don't you? She's awake again." She lifted her foot. Lubabalo looked up and saw Zintle's father. The man stared at him in disgust. Dad: "ifuna nton lento apha Zintle!!!"

I was done bathing and dressing. Thulani and Namhla had left. So it was just me and my babies. Lukhanyo or Lubabalo wasn't back. Lutha was asleep. I played with my daughter in the meanwhile. Holding her hands, teaching her to walk. Lukhanyo must

buy walking rings, I didn't want them because iyoba yingxolo everyday, but it would help them walk. Luhle was smiling while holding on to me stepping slowly. Someone knocked. I picked her up and went to open. Sibongile stood by the door. I was a bit annoyed, she has a nerve yazi. Chuma coughed and greeted. Me: "hey sweetie." He hugged me. Sbosh: "molo sisi." Me: "hi." Sbosh: "ukhona ulukhanyo?" Me: "nope." Sbosh: "befownile izolo ecela ndizise uChuma." Me: "oh." Sbosh: "yeah, well...so here he is." I opened for them and she entered but stood by the kitchen. Sbosh: "cela um'selise eli 3 times a day, seli selile ksasa. This one is only when he complains ngentloko. Eli cela nalo umseze after meals. Cela angatyi izinto ezi sweet kakhulu. Sbosh: "ndizok'bona ngomso ke va mntanam? I love you ne?" Chuma: "love you mama." He coughed again. Sbosh: "bye bye ke love." She kissed his head and walked out. Well, that went well. I took off his jackets and shoes. Chuma: "uphi utata mama?" Me: "masim'fownel boy sim'buze." I called Lukhanyo. He picked up. Luks: "sthandwa." Chuma: "hello tata!" Luks: "hey kwedin, unjan?" Chuma: "uphi?" Luks: "ndilapha estratwen ndiyeza." Chuma: "ngoku ne?" Luks: "ewe mntanam." He hooted. Chuma: "nton leyo?" Luks: "beka alok phantsi phone." Chuma: "uphi qala?" Lukhanyo laughed. Because wena wenza yonke into ngothanda kwakho you never want to know how I feel. Enkosi." She got out the car. Lukhanyo drove home, parked his car and walked in. Chuma ran to him. Luks: "my boy." Chuma: "tataaaa!!!!" Luks: "yes my boy?" Chuma was in the bedroom. Me:
"khayom'checka." He went to his son.

Thando was done with the painting by midday. He tidied the place up. Removing the
newspapers and the paint. He had to let the paint dry first before putting the
furniture back. Beauty came back while he washed his hands. Beauty: "ungaske

Beauty: "take a shower in the mean time." He took a long shower while Beauty
cooked a quick hearty lunch. Thando finished up and took the towel. Wrapping it
around his waist. He went to the other bedroom. Beauty stood by the door. Beauty:
"umhle umzimba wakho." Thando: "enkosi.." He blushed suddenly feeling violated.

He wore his t shirt. She gave him the rest of his money. Beauty: "kuthen unentloni. Woyika mna?" Thando: "hayi." Beauty: "soo?" He took off the towel and got dressed. Beauty breathed and walked to the kitchen. He walked behind her and sat down. Beauty dished up and they started eating. Beauty: "so how come ungekho seskolweni? Or is the workshop your part time?" Thando: "no andifundi." Beauty: "why?" Thando: "what do I gain in telling you?" Beauty: "peace, probably. Maybe if you need an ear. Get all that stress off your chest." Thando: "No." He got up, took his bag. Thando: "thanks for the job. And for your offer. But no thanks." He walked out the house and went home.....

Chapter 502

Lubb: "molo tata." Dad: "Zintle.." Zintle: "uhm...tata..uLubabalo just arrived, he came to uhm, see uBuhle." Dad: "WHY." Lubb: "because ndiyam'khumbula tata." Dad: "umazelaphi sow'zam'khumbula nje!" Lubby held his daughter firmly in his arms. Buhle lay her head on his chest. Dad: "ukhona ozand'phendula.....ohhh, wait. Ndiyayazi lento iqhubekayo. You manipulated my daughter into seeing the baby, didn't you!" Zintle: "no tata he didn't." Dad: "kudala esiza apha ne? This isn't the first!" Zintle: "hayi tata." Lubb: "tata. Ndiyayazi intoba uyand'cap'kela and I don't blame you. I only blame myself. If only I had listened, we would be talking differently right

now. I wouldn't have to have this limited experience kumntanam. Ndiyamthanda tata uBuhle. Andikwazi nje uphila without yena endenza intliziyo ebuhlungu lento. I had to beg and plead uZintle to give me this opportunity. She didn't want to disobey you but at the same time she saw the pain I was in. All I want is to say I'm deeply sorry. Kwi family yakho Zintle, kuTatakho. And to Buhle." Everyone kept quiet. Lubby looked at Buhle, she had hiccups. He kissed her nose with tears in his eyes. Lubb: "I just hope one day you'll forgive me. And you'll come to me, I won't stop loving you, uzohlala ungu Number 1 kutatakho. I'll always be waiting." He kissed her again and gave Zintle the baby. Lubby had tears flowing down his cheeks. He walked out the flat and drove home...

Lukhanyo and Chuma were playing together. They ran around the house screaming. I think they were playing as soldiers. I was done making dinner, they came to eat and went back to their playing. This time settling down, building blocks. Luhle was there to help. Luthando was with me in the kitchen acting up. Me: "what's wrong now baby?" I picked him up. He sulked. Starting to sniff out a cry. Me: "yinton kalok thetha nam." He just looked really grumpy and sad. I took him to the lounge where we lay together and took a nap. Lubby entered 20 minutes later. He sat on the couch. Luks: "hey. What's up?" Lubb: "nothing. Senityile?" Luks: "your food's in the oven..." Lubb: "nah thanks. I'm going home tonight. Eksen I'm flying to Cape Town for the meeting. So namhlanje I got to prepare." Luks: "oh...okay." Lubby sat and thought for a while. He was missing something huge. He just wanted to be alone now. Luks: "ugrand?" Lubb: "yeah.." Luks: "come on Lubby fethu." Lubb: "I'm fine Lukhanyo just stressed about work okay??" Luks: "its not just work." Lubb: "utaka Zintle arrived ndisepha. The look of hate in his eyes was just too much for me Lukhanyo. What I did was fucked up bra." Luks: "Lubby, idlulile yonke lento. Stop beating yourself up about it, every time uy'cinga uyakhubeka. And xa ukhubekile nam ndiva kab'hlungu. So it affects me too!" Lubb: "I can't just shut my feelings out when it comes to my baby girl Lukhanyo!" He cried. Luks: "I'm not saying that nam. I know you can never turn your back kumntanakho." Lubby wiped his tears quietly. Luks: "if you spoke with her father, did things right, pay for damages...maybe ingavakala iPlea yakho." Lubb: "I don't even know where to start." Luks: "iya ku Ta Smig akukhaphe. Niye pha k'lo Zintle. Nam I'll come with." Lubb: "uzand'thethela?" Luks: "yes, I'll speak for you." He hugged his brother. Lubabalo got up and took his things. Luks: "uyaphi?" Lubb: "I need to work, you guys got noise. Asoze ndiqibe apha." Luks: "hayi suka suphambana. Sit down and work. We'll be quiet. Ne boy?" Chuma: "shhh, lele uLutha." Lubb: "ewe man uright alale, soze andiyeke lo." He got up and went to work in his room. I woke up a while later, Lukhanyo had taken Lutha to his little bed. Luks:

"hey sthandwa sam..awulambanga?" Me: "no boo, I'm just tired." Luks: "ambolala babes, I'll take care of stuff." Me: "what time is it anyway?" Luks: "just after 7..." I got up and went to bath then slept. Chuma and Lukhanyo watched tv together eating snacks. Oh shit. His meds! I got up and went to give him the medication showing Lukhanyo how. Luks: "yuh, inintsi wethu lento." Me: "ok'salayo it can't be forgotten. Angatyi lekese ezinintsi. And when he starts getting more energetic nali yeza to calm him. Okay?" Luks: "okay." I went back to bed. Lubby made himself cold coffee. Luks: "kuthen ibanda?" Lubb: "keeps me up." Luks: "huh?" Lubb: "you won't understand." He went back to his work.

Zintle and her father spoke. Dad: "why do you still love this person Zintle after yonke le crap akwenze yona. Why do you still care? Khandixelele mntanam nam ndibawela uyazi." Zintle: "tata, akho lula uyeka umthanda umntu. I tried so hard to forget him, but everytime I look at my daughter, I see him. Every time she smiles, ndibona uncumo lwakhe." Dad: "kodwa it doesn't change all the things he had done to cause you such great pain." Zintle: "He wasn't the one that raped me. He never knew about it. Zange ay'plan'e. It happened and its the past unfortunately I can't change. I can't help the way I feel. As much as ndimthanda kodwa andibuyeli kuye. I am comfortable and happy with Lungelo." Her father breathed and lay back on the couch. Khaya: "Tata, to tell you the truth, into endiyaziyo ngo Ta Lubby is that unothando. He cares a lot. Ewe he's a bit of a loose hinge." His father stared at him. Khaya: "okay, maybe a lot of a loose hinge but ke most of the time he means well." Dad: "so you let him see the baby?" Zintle: "yes dad, I let him see the baby and uyamthanda nyan. He has a real connection with her." Dad: "I'll have to think about all of this Zintle. Ndithethe noMacy. Then we'll take it from there." Zintle: "okay tata." He got up, Zintle kissed her child goodbye and they left. Zintle and Khaya sat together in the flat. Zintle: "uphi uLungelo? He's supposed to be here by now." Khaya: "he's Your boyfriend. Kuthen umbuza kum?" She called him. He didn't pick up. Zintle: "Khaya? Didn't you see him ePlett dan?" Khaya: "he left right after us. Qha wasidlula endlolen. Think he was in a rush." Zintle: "haibo." She tried over and over again the started panicking. Zintle: "khangе kubekho ngozi enidlula kuyo endloleni?" Khaya: "nope." He wasn't even phased about him not being there. Khaya: "just relax maybe bene meeting somewhere." Zintle: "he always tells me xa ezobane meeting.." Khaya: "haike andazi." Lungelo only arrived hours later. They were asleep. He tiptoed in and undressed. Zintle: "babe?" Lungelo: "hey love ulele?" Zintle: "no..." He got into bed. Zintle: "is'bane alok baby." He got up and started at the bathroom. His phone rang, he jumped out the bathroom and went to fetch it. Zintle looked at him in

surprise. Lungelo: "nx. Missed call. Paul une tendency ezi dikayo xa ene sthuk'thez." He switched off the phone, lights and went to bed.

Lubabalo woke up early the next morning. He showered and wore faded jeans and a white t shirt. With his maroon suede shoe. He ate an apple and kissed the babies goodbye. Lukhanyo took him to the airport. Luks: "uya kwi meeting unxibe so?" Lubb: "its my company. THEY have to impress me, not the other way around." Luks: "Your company? Your meaning ours?" Lubb: "same shit. Ndizonxiba phambili." Luks: "got everything?" Lubb: "yep. Hardly slept though. I'll see you tomorrow." Luks: "cool." They shoulder hugged and Lubabalo left. His jet took off at 06:15am. As soon as he landed in Cape Town, the car was readily waiting to escort him home. He still couldn't rest because the office needed his attention. He got home and wore his light blue suit, white shirt no tie. His father was with the family lawyer(Dan). Lubby interrupted. Lubb: "Sir Morrison, can we talk please?" Dad: "come in my boy." Lubb: "good morning Dan." Dan: "hello Andrew." Lubb: "what is the latest on Linda? Is she getting jailed? When am I getting my money?" Dan: "these things take time son. It won't happen overnight. This is a case of fraud and theft. We're doing the best we can and I'm pushing for more investigation because you are not the only victim." Lubby was already annoyed. Lubb: "I'm going to the office." He took his laptop and left for his workplace. It was after 9am. Estella was in his office preparing for the arrival of Dylan Gentiva. He stood by the door and watched her. She was talking on the phone, writing something down. Even Alex was here playing on the floor. It was a while later when she actually noticed him. Estella: "Hey!!" Lubb: "well hello." Estella: "I'm sorry, his care giver had an emergency. I had no one to look after him so he's here." Lubb: "no its okay. He's not bothering anyone. So what are we doing." Estella: "well, Dylan has landed, he is on his way to the hotel. I organized a lunch meeting with him just to warm things up. Is that okay?" Lubb: "him and who? Me?" Estella: "yes of course. You will have to meet him for lunch, he insisted. So he'll be ready in the next 3 hours. That'll be 12:15pm. Here's where you meet." Lubb: "okay. And according to our meeting is there anything specific you may want to add?" Estella: "except that after the 15:00pm meeting you're meeting Robert, the Limpopo project guy, for dinner." Lubb: "no I can't make it, you'll go in my place." Alex stood up and walked to him with his rubber toy. He held Lubby's pants and patted him gently. Lubby looked. Lubb: "Oh Jesus! You can walk??" Alex: "Olá." (Hello). Lubb: "sho kwedin." He pulled up his arms. Lubby took off his blazer and picked him up. Alex: "Papai." Estella: "Não querido, isso não é o seu pai." (No dear, this is not your daddy.) Lubb: "what's going on? What did he say?" Estella: "he's hungry. Come here sweety." She took his son. Estella: "I'll be back just now. You can start so long." She left the office. Lubby

continued with his work. Whilst he was busy, he called Liya to check up on her and the baby. Lubb: "hello?" Liya: "yes?" Lubb: "ugrand?" Liya: "I'm good wena?" Lubb: "great. Unjan umntana?" Liya: "uright." Lubb: "when are we going to the doctor to check the gender? Uzoba free nini?" Liya: "I'm not sure Lubby, I got school stuff piling up so..." Lubb: "it'll only take 30 minutes maximum Liyabona. Damn." Liya: "I got important things such as assignments okay? Xandine xesha I'll go to the clinic and check, but not now." Lubb: "nam andithi ngoku kalok I'm just saying when you're going please notify me because ndingu tata and ndine right." Liya: "ok." Lubb: "cool." She hung up. Estella came to fix a few things. Lubb: "where you going?" Estella: "I'm getting Alex ready, my mom will come fetch him she's got the rest of the day off." Lubb: "okay. Although I didn't mind." The boy walked to him and tried to climb on his lap. Estella: "he is very possessive." Lubb: "I like possessive." He sat the little guy on his lap. Alex took hold of his computer and started tapping. Lubb: "let him stay." Estella: "we've got tons of work to get through Lubby. You'll see Alex after. Come baby. Vovó está chegando." (Granny is coming.) Alex: "Não." (No.) Estella: "Alex, Vamos parar de jogar.." (Come on, stop playing.) Alex: "Papai está aqui. Granny vir também." (Daddy is here. Granny come too.) Lubb: "this Papai hunger is very intense hey." Estella: "he's just acting up." Lubb: "let him be." Estella: "Lubby, three words. WE GOT WORK." Lubb: "okay, okay...I get it." She took the child to his granny. Lubby got ready for the first meeting of the day.

Chapter 503

Later that day. Lubby had had enough. He was tired and moody. One last meeting was the dinner one and he couldn't skip it because it was a huge deal. Lubb: "Estella!" He yelled. She appeared. Estella: "what?" Lubb: "what time is our reservation?" Estella: "uhm, at 19:00pm." Lubb: "okay, change into an evening gown. I'll meet you at my dad's." Estella: "what?" Lubb: "we're going together." Estella: "but its Your client." Lubb: "you're my CEO might as well get to meet him. I'll be waiting." Estella: "did you even consider how I felt? Do you think I'm just a pushover, whatever you say I'm going to do?" Lubb: "I'm sorry, Estella may you please escort me to the dinner because I know I'll be bored and need you to entertain me." Estella: "No." Lubb: "lady please. I'm begging here." Estella: "I didn't ask you to beg, but next time ASK. Don't just assume because you giving orders I'm coming along." Lubb: "I'm sorry dear.." Estella: "I'll be there before half 6." Lubb: "thank you." She went home to change. Lubby drove to his father's house and took a nap in his bed. He didn't have time for this. He was tired damn it. An hour later, dad walked in. Dad: "Andrew." Lubby was fast

asleep. Dad: "Andrew, you have got to get up! Estella is here!" Lubb: "hm?" He turned over and fell asleep again. Estella: "its okay Sir, I'll just go in his place, its been a hectic day so let's let him rest." Dad: "No! I didn't become wealthy by falling asleep! Andrew get the hell up!!!" Lubby got a fright and woke up. Lubb: "what?" Dad: "you're going to be late son. Get up." Lubb: "late for what?" Dad: "Robert's dinner!" Lubb: "Robert?" He sat up. Estella: "Limpopo project Robert." Lubb: "oh yes, Robert. Nah man Robert must take a chill." Dad: "No, this is your biggest project Andrew, you are Not going to fuck it up. Get your lazy ass in that shower, get dressed and Leave!" Lubb: "haibo, ndiyagxothwa?" Dad: "Get up." Lubb: "okayyy...shiit" He got up and took a shower. The moment he came out, he lay on his bed. Wondering what to wear. What was Lukha doing. Buhle. Look through your closet. You have tons of nice suits." Lubby took out white pants and a linen white shirt. Dad: "No." He took out grey pants and a navy shirt. Dad: "better. Now get dressed, Estella is waiting." Lubby got dressed and they went to dinner.

After dinner, Lubby and Estella went to the beach to relax. Lubb: "so why do like to challenge me." Estella: "I don't like being controlled." Lubb: "I'm not trying to control you. Or maybe I'm just too used to being boss." Estella: "well now you got a new boss kid, sit back." Lubb: "hmm....I like." They took off their shoes, lubby rolled up his pants. They walked around with their feet in the water. Estella: "don't get any ideas Lubby, I don't want you." Lubb: "Hahaa!!! Girl please. What ideas? I thought I was chilling with my friend. What's up with that? Talk about ideas." She laughed. Estella: "good. When you leaving again?" Lubb: "tomorrow. I got to fetch the new car, they landed it in Port Elizabeth today" Estella: "okay I'll take care of things in the meanwhile. You can go early." Lubb: "you sure?" Estella: "positive." She smiled. Lubb: "I've got such a cool friend." Estella: "don't get used to it." Lubb: "ncaah, look at that." She smiled. Estella: "you better get going hey, wife will be pleased to see you. Go!" Estella: "probably." Someone stood by the door, it was her mother. Alex was wide awake, waiting. With his dummy in his mouth. Lubb: "or not." Estella: "go well..." Lubb: "not yet. Bring him here." Estella: "No Lubby." Lubb: "Why." Estella: "I don't want him to get confused okay? You're the only guy that's close enough to me after my brother and father. I don't want him to get the wrong idea." Lubb: "what wrong idea?" Estella: "Papai means daddy. You're not his daddy. He doesn't have a daddy. The less he sees of you the better." Lubb: "what?" Estella: "I told you me and his dad broke up before he was even born. So i-" Lubb: "I don't mean that. Like why did you lie to me earlier?" Estella: "I don't know either." Lubb: "Estella?" Estella: "have a safe trip.." She got out the car and went into the house picking up her son. Alex waved at him. Lubby waved back. He drove to his father's house and informed him that he was leaving. He got on the phone with his pilot and took his gadgets. The trip back to PE was quite short because he was occupied with his iPad.

The next morning Lukhanyo woke up early, he was in a dull mood. Took a quick shower and dressed. I woke up after him. Me: "uyaphi love?" Luks: "just to get fresh air." He called the nanny. Luks: "ndikuse sgela?" Me: "no, I'll be fine thanks." Luks: "you mad. Ndiyakusa kanti namhlanje." Me: "fine babe. Whoo." I took a bath while he bathed the babies. I wore my shorts and a vest. Me: "relax.." Luks: "who said I wasn't. What I know is. You aint leaving this house like that." Me: "who said I was?" I made breakfast and cleaned the house. Did the laundry etc. So the nany would hang it. After the little chores, I went to get dressed for real. Nanny arrived at 7am. Lukha and I left. I drove while he sat in the passenger seat. Me: "uthen namhlanje, you look down." Luks: "I'm not." Me: "I know you babe, come on, spit it out." Luks: "heee, I'm just bored out my mind qha. That's why ndihamba nawe sisiya esgela." Luks: "okay ke, enjoy your day ne?" I kissed him inside the car. Me: "you too." Luks: "ndizok'landa what time?" Me: "I'll send you a message during my last class." I got out the car. Luks: "love you Mrs Me." Me: "I love you too honey." He drove home. As soon as he arrived. A sleek black Maserati parked behind him. Lukhanyo got out his car and stared in awe. Luks: "nahh..." Lubby stepped out the car. Lubb: "well.....surprise!!!!" Lukhanyo laughed out loud. Luks: "WHAT!!" Lubb: "what?" Luks: "hayi nyana who's this?" Lubb: "this is You lil bro. The Fuck you take me for?" He smiled. Lukhanyo screamed and hugged him. Luks: "SHIT!!!!" Lubb: "I know right?" Luks: "WHY?" Lubb: "Hawe-mother, because I love you nyana.." Luks: "you are something else, you know that?" Lubb: "here's your baby. Let's take her for a spin." He tossed him the keys and they sped off in Lukhanyo's new car.

Early afternoon. Lonwabo went to fetch Tia from creche and went to his house. Busi's phone was off. He'd tried all day long to call her, he was getting worried. Lonwabo made a sandwich and juice for Tia to eat then cut up an apple, banana, peach and pear. Mixing them in a Tupperware lunch box. He closed it and put it in her bag. A packet of flings plus a yogurt as well. Losta: "masambe baby." They drove to Busi's mother's house. Her car wasn't there. Losta: "Tia, shiya bag songena phakathi." Tia: "uphi mama?" Thando was at work. He went up to the boss' office. Who was on the phone with a supplier. He motioned for him to come in and sit down. Boss: "yes I'll send someone to come fetch it in a minute. We'll talk later." He hung up. Boss: "you are in demand, 2 ladies walked in here looking for a Thando. And I only employed one Thando. Plus I didn't he was a painter." Thando: "its a part time job to make extra money." Boss: "I see, but if you needed extra money you could have just said so. Instead of over-working yourself like this Thando. Your body will react badly." Thando: "I don't want your charity." Boss: "oh well...anyway, since you don't have a phone, I took their cards and here they are." Thando: "for?" Boss: "the painting job. Apparently you did a

good job in Beauty's bedroom." His voice was sarcastic and a bit annoyed. Thando: "its not what it sounds like." Boss: "let me tell you something. If you want to go the cougar route, use a condom Always. Each and every time. They do this to guys like you. Shower them with expensive gifts, use them then dump them. Be safe." Thando: "use them like you.....?" Boss: "I don't use anyone that doesn't want to be used. Plus I've been around enough. I've seen this happen." Thando: "whatever bra." He took the cards. Boss: "Beauty was here too." Thando looked at him. Boss: "she dropped this.....said it was for you." Thando: "can I get off early? I need to go to town quick?" Boss: "sure.." Thando took the box and left without looking what it was. He went to a shop with his documents and bought a phone. It was nothing fancy just enough for facebook to get Asanda's number. He placed it safely in his back pack trying to contain his excitement. He went home and passed time, sitting on his bed creating a new facebook account. He invited her. An hour later, she accepted. Then wrote an inbox. "Who's this?" Seeing no profile picture or anything for that matter. She thought it was a fake account using Thando's name as a joke. Thando replied: "I lost my phone babe, ndicela und'thumele number yakho so that I can explain." She: "how do I know its Thando? Ucimba ndizok'themba njan?" Thando: "I'll call you just now." She sent the number, Thando loaded the 55 rand airtime he bought and called her. Asanda: "hello?" Thando: "hello Asanda." She kept quiet. Her heart was at peace but was still mad. Thando: "look babes, that day I sent a message, I got mugged. I had no way of contacting you. I'm so sorry." Asanda: "are you okay?" Thando: "yes I'm fine, band'hlabesandlen qha when they took the phone and searched me for my wallet." Asanda: "I'm sorry about that..." Thando: "at least I'm okay. Nina ninjani?"  Asanda: "I can't take it Thando, their eyes of disgust ingathi I'm a prost-" Thando:
 "Hayi Asanda. Don't you dare say such things." Asanda: "I don't know anymore

 Asanda: "thando its going to be difficult." She sobbed. Thando: "but I'm here for you

 Thando: "I love you Asanda." Asanda: "I love you too Thando." Thando: "I'll call later

 and saw the latest iPad. He wrapped it back to its previous condition and got dressed
 to leave. It was going back home, he didn't need her help. He would push hard, he
 would work hard. And he will survive.

Ndithule mos, now what's your fucking problem!" Paul: "then uyothin ku Mpumie?" Lungelo: "if I know what she has don't you think I can cover it! Fuck man." He let go and walked out." Paul sent Lukhanyo a message: "we need to talk."

Lukhanyo took me home in his new car. Me: "its sooo nice baby. And the white interior dammn..." He didn't reply. Me: "mntu wam? What we having for dinner?" He stopped at KFC. Bought food and went home. He loved his new car. Too much. Lubby was at home with the babies. Lukhanyo got home and we went in. Lubb: "yuuh andilambe. Susu sam sikhala uNGqo. Nivelaphi?" The kids were asleep. I dished up and lay the table. Lukhanyo was still a bit moody. Me: "had late lunch, with a friend." Lubb: "what friend." Me: "just a friend Lubby." He looked at Lukhanyo. Me: "babe, ndicel thetha nawe." Lukhanyo walked to the bedroom. I walked behind him

and closed the door. Luks: "buhleli naban Lithembelihle?" He took off his shirt and started pacing around the room. Me: "baby, please calm down." Luks: "calm down?" He roared. Luks: "you better not tell me to calm the fuck down!" Me: "ndizothetha njani nawe unje!" Luks: "hey! Hey ! Hey! Don't get smart with me!!" Lubby opened the door. Lubb: "what the hell is going on!" Luks: "nothing." Lubb: "its something if its going to get you worked up ude ukhulule! Lihle?" Me: "I was with Lungelo. He invited me for lunch." Lubby took off his shirt and stood next to Lukhanyo. Lubb: "what the fuck did you just say?" They looked adorable when they stood together 'pretending' to be mad. Me: "ewe, we had drinks and chatted for a while." Lubby grabbed me and threw me on the bed. Lukhanyo tackled me and tickled my ribs. I couldn't help laughing. Me: "imaa baby." Luks: "benisenzan?" Me: "awusena maqhinga nje." Lubb: "what did he want?" We lay still. Me: "well, I think he's looking for something." Luks: "like?" Me: "undibuze the most awkward question. How was the beginning of my year with my family. Sesingena ku March. What type'a question is that." The twins looked at each other. Lubb: "wathini wena Lihle?" Me: "I told him about the Bluewater party qha. He kept laughing...naye ke wand'chazela about his family." Luks: "are you sure you didn't even mention Namhla?" Me: "khange ndiqalise." Lubb: "good. Wooh." Me: "what happened?" Luks: "nothing boo." Me: "no you guys, nenzeni? He wouldn't just be sniffing around." Lubb: "its best if you don't know. Who wants a drink?" Luks: "me." They jumped up and left. Luks: "oh and I called Paul over. Kukho into eshushu afuna uy'thetha." Lubb: "I'm beginning to get worried." Luks: "but Paul and Smith got our backs right?" Lubb: "yeah for sure." He sat on the counter with his drum stick. Lubb: "nank'engena." Paul walked in. Luks: "what's so important?" Lubb: "WHY is Lungelo getting on my grill?" Paul: "guys....its not Lungelo. Utata ka Melusi approached another person. She's quite stubborn and kunzima um'chazela ba makayeke she'll know kukho something endiy'fihlayo." Lubb: "wait...uyazi njan wena?" Paul: "I read the report Lungelo did on you." Luks: "wenze iReport?" Paul: "an actual file. Ene gama MZINYATHI in bold letters." Lubb: "he is sooo obsessed with me, that bastard." Luks: "he's got a man-crush on you bafo. Ayikho le." Lubb: "ewe man nyana, because if he knows all this, has all the evidence, kuthen angandi bambi?" Luks: "man-crush." Paul: "I'm just warning you that you may want to keep low key from now on." Lubb: "he'll never find the evidence." Paul: "don't be so sure because Lungelo is connected to everything like a ball of wire. He does his work, but only uses it when you push him to. So stay out of his lane." Luks: "why are you telling us this." Paul: "we're friends. I thought you needed to know." Lubb: "but Lungelo is your best friend." Paul: "Lungelo is just my business partner, he doesn't have 'friends' he excludes himself from anything." Lubb: "that's odd. Why?" Paul: "I

have to go." Luks: "heeyy..aren't we friends?" I walked into the kitchen. Me: "it was him, right? He did it?" They all turned around to look at me. Luks: "what's wrong sthandwa sam?" He held my waist. Me: "Lungelo killed his father?" Paul: "I have to go." He rushed out the house. Lubb: "Not so fast....woah der." He pulled him back inside. Lubb: "what?" Paul: "no..he didn't." Lubb: "Paul!" Paul: "honest to God, he didn't. I know nothing of this." Lubb: "did you just lie in God's name? Son, are you not ashamed of yourself. Bafo, khand'phe amanzi ndizo'baptiza lomfana." Paul: "that is not necessary, Lubby andazi nto mna." Lubb: "uzoy'khupha ngomlomo bonanje. Iza Lukhanyo mna, Lihle ziphi candle!!" I sat down and laughed. Me: "no Lubby man." Lubb: "waske wanyumbazwa." His phone rang. Lubb: "shhh everybody." He picked up lubb: "Lubby Morrison speaking." Estella: "I need to see you as soon as possible." Lubb: "why what's wrong?" Estella: "tell me you haven't signed the contract." Lubb: "what contract? I signed so many papers yesterday, what are you talking about." Estella: "today wasn't quite busy, so I did some research on our new clients company." Lubb: "the head of the Limpopo project? Yeah?" Estella: "I came across something very disturbing. Lubabalo. You need to see this." Lubb: "bad bad or average good?" Estella: "ugly." He hung up. Luks: "what's wrong." Lubb: "call Simon to get the jet ready. Paul, we'll play with you another day there's a problem I need to attend to." Me: "kwenzeka nton?" Lubb: "I don't know, but its extremely bad. Nxiba Lukhanyo!" They got dressed immediately. Luks: "love?" Me: "no its okay..uzobuya nin? At least take a little bag for into zotshintsha." I packed him 3 of everything. Luks: "I'll call you fika kwethu." He kissed me. Paul: "I'll get going." Lubb: "when we back we'll call you, sizo sorta lewei. Keep us updated kodwa." Paul: "will do." They all drove off. I was left alone with a bucket full of chicken and two babies. Who were still sleeping. I called Namhla over to come relax with me...

Thando got to Beauty's house. She opened the door quite late. He'd been knocking and ringing the bell for a while. She was wearing a gown and a head towel, wrapping her weave in it. Beauty: "sorry. I was in the shower, come in." Thando: "I'm not staying long." Beauty: "make yourself comfortable." She poured him juice. Beauty: "what's wrong?" Thando: "andizifun igifts zakho sis'Beauty. Honestly and I don't want you coming to my work and bothering me." Beauty: "bothering you? I stayed out your way didn't I? Nguwe ozizelayo kum. Here you are." Thando: "ndibuyise lento yakho uzama undithenga ngayo!" Beauty: "you're so respectful and mature yazi. More than a older men. That's what I like about you, when something is there you grab the opportunity." She loosened her gown. Holding both his hands. Exposing her firm boobs. Thando: "are those even real?" Beauty laughed. Beauty: "ewe tshi...this is what real women look like sweetheart." He stared at her. She held his hands up to her

breasts holding them together firmly. Beauty: "leave all your worries behind honey...let your mind be free." He was hard. She moved her thigh in between his legs. Beauty: "oh wow....damn." He looked away blushing. Beauty: "hayi lona....ide ibengaka...uy'tyisa ntoni..." She whispered in his ear. Holding his muscles. She kissed his soft lips. Holding his crotch softly. He was fighting with himself inside, he held her body pushing her down on the couch. He climbed on top. Kissing her. Beauty: "yess...khulula kalok..." Thando got up and shook his head. Thando: "I can't." He felt sick and wanted to cry. Beauty: "no love, come here..." He stepped back. Beauty: "Thando, baby...listen to me..." Thando: "no..." His voice trembling. Beauty: "I understand sthandwa....you just ne-" Thando: "NO!!!" He screamed. Thando: "just.....fuck man!" He ran out the house. All the way to the road, when he was far enough, he sat on the side of the road. Thando: "what the fuck did I just do!!!" He cried. Thando: "Why!!!" He was shivering with pain. He couldn't understand why. He'd been unfaithful in the past, something was different this time. He couldn't allow himself at all. A car stopped in front of him. Thando: "sisi. I will fuck your car Up. Sund'tester! Suka kum!!!" Beauty: "Thando, utheni? What's wrong boo bo-" Thando: "I'm not your fucking boo!!!" Beauty: "Thando, you're being childish right now.." Thando: "that's the problem sisi, umdala. Just, get away from me." He walked away.

Chapter 507

Cape Town

Lubby and Lukhanyo got to Cape Town after 8 in the evening. Lubb: "soqala ku Estella ne?" Luks: "why not ksasa? I'm sleepy mna." Lubb: "iza man lukhanyo." He took his father's Benz and drove to Estella's house. She was still waiting for him. They went into the house. Estella stared at the both of them confused. Lubb: "oh yes, this is my bro, Lukha. Bafo nanku Estella." Lukhanyo swallowed and shook her hand. Luks: "hi." Estella: "hello. Uhm...I remember you said you had a twin, but I didn't think it was a clone." Lubb: "well, I might have forgotten to mention. So what's wrong?" She went to the bedroom to fetch her tablet. Estella: "sweety, please sleep. Its late." Alex: "Papai aqui." (Daddy here.) Estella: "Não, mamãe tem que trabalhar, certo?" (No, mommy has to work, okay?) Alex: "Não!!" Estella: "Alex!" She warned. He lay down on the bed sulking. Estella went back to the lounge. Lubb: "what's going on Estella?" Estella: "like I said, I did some research this afternoon. This is what I saw." Lubby read thoroughly. Lubb: "they're being charged for corruption?" Estella: "it gets worse..." He scrolled down. Lubb: "and fraud?" Estella: "read on." Lubb: "no fuck man!" He

panicked. Estella: "they've been money laundering companies for years. I hope you didn't sign the contract Lubby." Lubb: "Shit!" Luks: "Estella, is there a way to reverse all this?" Estella: "if he signed then I doubt it. They can and will juice everything you've ever worked for." Luks: "but they can't take without being given authorization by Lubabalo, the owner of the company. Right?" Estella: "right, but by signing the contract without reading there could be somewhere written that some of his assets are bind to them." Luks: "we need to get it, Lubby iphi la contract?!" Lubb: "its already sent through." Luks: "sent through to where!!" Lubb: "ku Robert Lukhanyo!" Luks: "okay, I guess we'll have to do this the only way I know how." Lubb: "how?" Luks: "hlanganisa majita, ubazise kwel'cala." Lubb: "you're not serious right?" Luks: "sithini ke?" Estella: "what's going on?" Lubb: "Lukhanyo, siyazelaphi ba iphi kqala?" Luks: "that's what we'll find out in the meanwhile. Then we'll go and get it." Lubb: "and then?" Luks: "siyay'tshisa kalok bafo. Abanosenzel ikhence thina." He walked outside to make a few calls. Estella: "hello?" Lubb: "yes?" Estella: "what did he say?" Lubb: "now you know how it feels." He laughed. Alex appeared from behind her and ran to Lubby. Lubb: "there he is.." He swept him up and threw him the air. Alex was laughing his lungs out. Lubb: "your momma so jealous of you. Damn." Estella: "its way past his bedtime." Lubb: "will you chill? Please Estella, just relax." He sat down with the boy and played with him. Lubb: "where's your parents?" Estella: "asleep." Lubb: "and Twan?" Estella: "in his house." Lubb: "oh.." He lay back. Alex sat on him playing with his chain. Lubby took off his beanie and placed it on Alex's head. Lubb: "thug life...don't hate." Estella giggled. Lubabalo took off the gold chain and placed it around Alex's neck. Alex lay back on Lubby's chest with his feet up, fingers twirling around the chain. Estella: "don't start yelling when he breaks it." Lubb: "he's just a kid. Let him play." Estella: "what are we gonna do?" Lubby told her what Lukhanyo had said earlier. Estella: "what exactly is the only way?" Lubb: "depends on whether we find where it is or nah." Estella: "I could help with finding that out." Lubb: "really?" Estella: "here's what we'll do..." They spoke lightly and as soft as possible. Lukhanyo came in and listened. Alex stared at him in surprise but didn't move from Papai. Luks: "I think I like her idea better." Lubb: "what if it doesn't work?" Estella: "it will." Luks: "when will you do it?" Estella: "tomorrow night. The quicker the better." Lubb: "you don't have to do this. There could be another way." Estella: "let's try it okay? You guys can back me." Lubb: "fine." He didn't like it one bit but had to swallow his pride. Alex had turned around and fallen asleep on him. Lubb: "wenzan njani na." Lukha took a picture. Luks: "he's so cute undikhumbuza-" his phone rang. Luks: "hello?" Sbosh: "cela ubambe." She gave the phone to her son. Chuma: "tata? Uphi?" Luks: "hey boy, unjani?" Chuma: "ndiright buthe zofownela mos." Luks: "ooh, sorry mntanam,

utata is working kalok. Ndilibele boy yam, binjan mini yakho." Chuma kept quiet. Luks: "chuma?" Sbosh: "hello?" Luks: "yinton ngok?" Sbosh: "he's a bit upset. Uyakhala." Luks: "I'm really sorry Sbongile, ndilibele nyan." Sbosh: "um'libala njan umntanakho Lukhanyo? I mean honestly." Luks: "it was just once, something came up!" Sbosh: "yeah well, he doesn't understand that. Funeke ngok ibendim that picks up the pieces and mend his broken heart. Goodnight!" She hung up on him. Lubb: "and then?" Luks: "une drama eniiiiintsi uSbongile bonanje. I forgot to call him today so apparently he's crying, now Sbosh acting like I didn't want to call. I forgot...it happens!" Lubb: "umoyika qithi uSbosh wena. Uyok'qhwaba ngelathanga lakhe." He laughed. Luks: "zovusa umntana." Estella: "let me..." She took Alex to bed. Luks: "we should go. Yonke enye soy'bona eksen." Lubby went to Estella's bedroom. Lubb: "hey? We're leaving now." Estella: "just a second." She was changing Alex's diaper. Then tucked him in. Estella: "you stuff." Lubb: "let him keep it. I'll see you in the morning okay?" Estella: "uhm okay." Lubb: "is there anything else?" Estella: "no." He turned around and left.

The next morning. Lubby was up before 5am. Showered and eating Cereal in bed. Lukhanyo woke up next to him after 7. Luks: "Lord have mercy. You didn't tell me this bed was so comfortable and nice. Damn, I slept like I was in heaven." Lubb: "you're sleeping on water Lukhanyo." Luks: "it feels so nice." Lubb: "ambovasa, we're leaving in 30." Luks: "no, I'm not getting up." Lubb: "lukhanyo we don't have time to play." Lukha dragged himself out of bed and went to shower. Lubby got dressed. Black pants. Black shirt and Blue blazer. Lukhanyo wore navy pants and a red shirt. Lubb: "nxiba blazer fondin." Luks: "but I don't like blazers." He took the navy blazer. They left for work. Lubby went to look for his father, Lukhanyo went in the office to prepare work. The moment he switched on the computer, emails flooded in. Estella walked in. Estella: "Lubby, we need to get on with it, I have briefed your dad. He's in a meeting with the lawyers. I spoke to Robert this morning, so we're having dinner." Luks: "no problemo. Except that you'll have to repeat that because I'm not Lubby. He's right behind you." Estella: "we don't have time. Brief him quick, I'm going to sort out the media." Lubb: "what media?" Estella: "the Linda case Lubby, I don't know but someone leaked it. Its all over the front pages." Lubb: "like we need bad publicity right now!!" Estella: "its not us! Its her!" Lubb: "Yes, its her! But she belonged here! She's dragging our flippen name down too! I am losing more money each day!!" Estella: "if you could just calm down. Sit." She made a cappuccino and gave it to him. Estella: "relax for me.." Lubb: "I am relaxed." She walked out the office to finish her job. Luks: "your CEO...hmm....." Lubb: "I know right...." Luks: "let's just pull off tonight. After that, we need to be more thorough ngento zez'contract. People are

beginning to know that you're hardly around therefore aw'nalo xesha lofunda contract. Hire a company lawyer, everytime you get a contract he goes through it." Lubb: "I thought I had a fucking company lawyer. What the hell." Luks: "clearly akawenzi umsebenzi. Prepared for Linda? The moment we go out solandelwa yi-paparazi." Lubb: "I'm sure Estella won't let that happen. She's got it covered." The office phone rang. Luks: "Lubby Morrison." Lubby laughed. It was Anele. Anele: "Lubby, uhm is it me or is your company suddenly famous? Or nihlel ne Celeb apho? I'm outside and can't get in. We have a meeting in an hour." Luks: "we're just sorting something out quickly, I'll get someone to bring you in." Anele: "thank you." He hung up. Lubb: "that's a guy I was helping last month, company yakhe bi-bankrupt. Ndifuna ubona how much he made." Luks: "what's the cut?" Lubb: "55% but just to string him. I'm not taking the money." Luks: "okay...ndisayo khangel security." He left for a while. Lubby sat on the couch thinking. Lubb: "am I the only one chilling?" Everyone was doing his work FOR him. He felt blessed and loved for once. He got up and went to check through his work mail. Replying and finally got to Robert. It was an estimation of how much the project would cost. Lubb: "this cannot be right." Lukhanyo came back in. Luks: "wha?" Lubb: "jonga..." Luks: "haaa.....that's ridiculous. Ayinto inkulu mos leya." Lubb: "my Thoughts exactly." They read through the breakdown together. Luks: "I can be sure that just over a mil is being unnecessarily spent." Lubb: "its more than a mil Lukhanyo...did I just sign over my company." Luks: "your company is worth millions. Not just one. Here they're trying to coin you qha." Anele walked in. Anele: "Heeee, Nkos'enofefe. I see miracles day in, day out. Umenze nin ke lo. Because ndiyaqala umbona." Lubb: "khahlale phantsi wethu Anele B. Uvale indutsu. I'm busy." Anele: "what's the media doing outside?" Lubb: "they're having a party, feel free to join." Anele: "don't mind if I do, I need you to look through this. Nasi ne-statement sam from the bank. We did well." Lubb: "I'm happy for you." Lukhanyo took the file and looked through. Reading each and every line. Luks: "we own part of you right?" Anele: "ewe." Lubb: "is it any good?" Luks: "yep, its quite good." Lubb: "great." Anele, keep your profits ndoda or nontombi, whatever you are. You worked hard and I'm proud to have helped someone that needed my help and swallowed ku-sour kunjalo. I know I'm difficult as fuck. So happy to you." Anele: "you mean, you're not taking your cut?" Lubb: "you worked, I helped. Its Your money. Okay? Bendidlala nawe, ndizay'thin malakho mna. When I got my own." Anele: "oh my. You're actually really a nice guy." Lubb: "whatever." Anele: "hayi su-actor apha. I'm quite surprised. Lubabalo wonke." Lubb: "bye Anele. We're going through a frenzy today. You'll keep me updated." Anele: "I sure will." He cat-walked out the office. Luks: "wow, you have a selfless bone." Lubb: "waye desperate umntana

bantu." Estella came back in with Sebastian. Dad: "morning sons." Luks: "hello." Lubby: "dad, what is going on." Dad: "things are getting raw. This Robert character had us all fooled. Do you know all the accusations he's facing?" Lubb: "have you spoken to him?" Dad: "he claims he has nothing to do with it." Estella: "rumor has it, that he's busy with illegal things as well." Lubb: "what could be More illegal than this Estella? Rhino poaching? This already bad!! He'll literally murder us financially!" Estella: "he's part of an elite group of men." Luks: "elite? What do they do?" Estella closed the door. Estella: "that's what I'm trying to find out tonight. This is huge. If we can prove he's guilty, he'll be charged and convicted." Luks: "how are we to prove it!!" Estella: "your dad and I have it handled." Lubb: "excuse me??" Dad: "relax son." Estella walked out. Dad: "she's too mature for you." Lubb: "dad, you're married to mom." Dad: "and I'm happy, I'm just saying. You're too much of a loose canon. She's a woman of her own kind. Stick to your lane boy." He walked out. Lubb: "did my dad just diss me?" Lukhanyo laughed really hard.

Lungelo was still asleep. He had arrived really late. Zintle: "Lungelo. Vuka." Lungelo: "hmm.." He pulled her closer in his arms. Zintle: "Lungelo." Lungelo: "hmm ba?" Zintle: "uzoba late." Lungelo: "not going. Workin from here." Zintle: "why?" Lungelo: "I'm tired. Wena awuzoba late." She looked away. Lungelo: "what's wrong?" Zintle: "are you cheating on me Lungelo?" Lungelo: "no." Zintle: "then what's going on!" Lungelo: "do you trust me?" Zintle: "not xa usenza lento!" Lungelo: "eyphi nto? I work Zintle, that's it." Zintle: "whatever you do ne, please protect yourself and me because asisebenzisi condom. That's all I'm saying." Lungelo: "what makes you think I'm doing lokaka?" Zintle: "because you're always 'working!' You hardly have time for me anymore! So much as to look at me Lungelo! Ufika late aphe ndlin, unuka some funky perfume and wine. Like what? do you think I'm stupid?" Lungelo: "but I'm not cheating. Zintle, I told you this. Usandenzela istunts zooLubabalo. I told you when I work mna, kuyoba'bhlungu nyani. I was not lying. Mpumie and I were going over a case. And I told her andifun uba involved. She's refusing to let it go. So I'm trying by all means to block it. Which is why ke ndibuya late." Zintle: "but why Lungelo? Paul suppose yak'nceda in other areas wena wenza wedwa oko." Lungelo: "stop worrying baby. Nguwe wedwa kum. Come here." He kissed her, grabbed her breasts. Zintle: "I'm not in the mood." He rubbed her in between her thighs gently until she started breathing lightly. Lungelo: "you are now..." He stuck in one finger. Pushing it deep and pulling it out. Her body felt warm and tingly. Lungelo: "come on baby...yikhuphe yonke." Zintle: "no..." She moaned. Lungelo: "yes. Cum for me." She kissed him passionately. Opening her legs. Warm Liquid Rushed out of her. Lungelo: "yeess!!! Phinda mntu wam.." He went faster, pumping his finger in. She held on his body.

Lungelo: "suminca kalok baby, let it go...come on." She let go and did it again. He pulled out his fingers and climbed on top of her. His stuck himself in, he was hard and ready. Lungelo: "wow baby. Awuse manzi...shit." He stopped moving and kissed her. Zintle: "what's wrong?" Lungelo: "andifun citha." Zintle: "but we just started baby." Lungelo: "its been a while love...plus nguwe lo umnandi. I can't help myself..." He moved again slower.... Zintle: "just go deeper..." She whispered. Lifting her legs. He thrust deeper inside. She moaned louder. Lungelo put his thumb over her lips. Lungelo: "yangxola..." He went faster. Kissing her lips, grabbing her hair. Zintle: "Luuu-ngelo!!!" Lungelo: "hold me..." He groaned. She held his body tightly while he moved deeper. Faster. Harder. He breathed in and out slowly. And smashed inside, releasing himself. Lungelo: "enkosi." Zintle: "for what?" Lungelo: "tolerating me...when last did I feel this close to you... I love you mntu wam." Zintle: "I love you too..." Lungelo: "ndatsho ndozela kamandi." He lay on her chest. Meanwhile in Plettenburg Bay. Macy and Songezo(Zintle's father) were in bed. Macy: "sthandwa sam, vuka." Songezo: "good morning angel." Macy: "you're in a better mood." Songezo: "I had this dream. Nawe ke le undivise yona last night was just simply amazing." Macy blushed evidently turning pink. Songezo: "you're the most amazing, beautiful, lovely and caring wife in the whole world. Plus you're supportive and patient. The last few days got me thinking baby. It got me thinking hard." Macy: "what about?" Songezo: "my daughter. She's grown so much. She's mature and all. Do you remember ese high school oko ethetha English? Yoooh ndandinga dikwa. A-slang noba ayi-slang'isi. My goodness!" She laughed. Songezo: "ndandibano msindo nyan...but ever since she gave birth, wanyaba...that pains me to the extreme because now uyaz'bamba. She literally holds herself from izinto. Yilento ndisithi uyakhula." Macy: "mnyeni wam. Zintle is indeed mature. Life forced it on her, engathandanga. I understand where your worry comes from." Songezo: "I remember before she was born ndisachazelwa ba my girlfriend was pregnant. I was nervous. I had no money, no job. Nothing. When she was born, I even forgot about those things because I fell in love with my baby. She was my everything. But then umamakhe forbid me to see her because ndandingena mali. It caused me depression lonto, I couldn't eat or sleep. Kodwa I forced myself to do something. I got a job. Now, I'm thinking...if mna ndandi feeler lawei, how does this boy feel? I'm doing the exact same thing mos, but yena unayo ijob and resources to support his baby. Am I being selfish? I'm feeling a bit sad ngalento, the way he looked at me, uhlobo alile ngalo Macy. It reminded me of me." Macy: "ucinga uthin kengoku mnyeni wam." Songezo: " maybe if I gave him the chance to do things right, ndimbonise indlela eright. I don't know." Macy gave him the phone. He dialed Zintle's number. Zintle: "tata?" Songezo: "molo ntombam,

Songezo: "iza naye....it may be the last time." He smiled.

Chapter 508

Cape Town

Later that day. Lubby was already in a foul mood. He sat in his office trying the best he could to focus on his work. Lukhanyo was out and about sorting the mess around the office. Estella helped. Sebastian walked into Lubby's office and shut the door. Dad: "son." Lubb: "ta?" Dad: "we need to get home now. Estella told the journalists that you're not available at the moment." Lubb: "I got tons of work to do." Dad: "Estella will take care of that. You need to rest." Lubb: "can't go." Dad: "you know what? I fucking hate it when you get depressed. Get the hell up and do something with your life!" Lubb: "no." Dad: "You....." He paced up and down. Lukhanyo came in with Estella, they were laughing at a joke together. Lukhanyo holding her arm for balance. Lubby stared at them in jealousy. Luks: "ehh Bafo, you didn't tell me she was a comedian. Damn." Lubby ignored them and looked at his iPad, breathing softly. His phone rang. Lubb: "Lubby Morrison." Zintle: "hi, unjani?" Lubb: "fine." Zintle: "uhm...you seem like ukwi bad mood." Lubb: "Zintle, I don't got time to play ne." Zintle: "are you busy." Estella: "yes but he has to suck it up soon, we need to strategise for tonight." Luks: "don't worry he'll come around." Estella: "Lukhanyo. Its almost 6pm. My dinner is at 7. He needs to come around NOW." Luks: "look, go and get your sexy self ready, I'll handle Lubby. We need to get a whole lot of things done by tonight." Estella: "are you sure he's gonna fine?" Luks: "Estella, chill okay? Go." She left to go home and get ready. Dad: "Talk to Lubby, get him out of there we're using the Helicopter to leave the building." Luks: "do we have to make that scene?" Dad: "we're Morrison's son. We always make the scene. Get your brother." Sebastian left, Lukhanyo walked in the office again. Luks: "fethu we need to

Come on bra, I'm not down like that. Even so, all she kept talking bout was you." Lubb: "nyan?" Luks: "masahambe sani." They took their things, locked and went up to the roof and took off with their father. The helicopter landed at the residence 10 minutes later. Dad: "need a drink?" Lubb: "a double. Waiting is going to kill me." Luks: "we're not waiting. Masambe siyotshintsha." They took out black jeans. Luks: "Lubby please pull up your pants. This is not a fashion show." Sino: "baby, can I just explain?" Mandla: "ha.a subasa zama andifun noyazi." He sat down and ate. Leaving her half. Mandla: "naku kutya fondin." She sat with him and ate. Mandla stared at her with pity. Then shook his head. Mandla: "ucime isbane qiba kwakho." He crawled into bed and went to sleep.

Estella went to the lounge with Robert. He was an old man. Looked abit aged and disgusting. Robert: "would you like something to drink?" Estella: "yes please." The quicker the better. His waiter came. Him: "sir. Dinner's ready. Would you please come to the table." Robert: "okay, my lady. We'll have our drink forward. Come." He took her arm and walked to the dining room table. They sat down together. Robert: "you seem like a very quiet woman. I like that. A woman that knows her place." Estella: "I suppose." Robert: "you should stick with me, I can take you places. Places that a boy like Lubby can't. All he does is play. Let the wise men do the work." Estella: "really? Places like where?" Robert: "anywhere you want to go angel." She smiled. Until he held her thigh uncomfortably. Sliding up her dress. Robert: "Firm and well maintained. I love it." Now she was panicky. They ate their dinner quietly. 30 minutes later he was still going on about himself. Robert: "you know I was quite

surprised when you called, clearly I must have caught your eye." Estella: "I guess you did." She really didn't want to talk. Hated him with a passion. Estella: "tell me about your work." Robert: "if I tell you, you must be my wife." Estella: "wait what? Why?" Robert: " you'll be owning half this world baby. I need people I can trust and I feel I can trust you." Estella: "why would you feel that?" Robert: "something in your eyes tells me to. You're gorgeous." Estella: "thank you." He turned her face to him and kissed her. Sticking his tongue in her. She pulled away immediately. Estella: "I need a drink." He licked his lips seductively. Robert: "this way." He dragged her to his private lounge. Robert: "beautiful right?" Estella: "amazing. Can I give you a massage?" He sat down. Robert: "come here.." She stood before him. Robert: "start here." He pulled her on top of him. She held his upper body and massaged. Robert: "your hands woman.....wow. Lower.." He ordered. She held his stomach. He held her thighs. Putting his hand underneath. Estella: "I'm not ready for this." Robert: "for what? We're just having fun. I won't hurt you." Estella: "yeah, that's what I don't really want." Robert clicked a button, the doors automatically locked. Robert: "then what do you really want?" She started stressing. Estella: "a drink." He poured her a drink and for himself. Estella: "so this is where you do your work?" Robert: "this is where I relax." Estella: "it seems like a relaxing place." He drank. Robert: "it is." Estella: "and where do you work?" Robert: "I've got an office upstairs." Estella: "lovely." Robert zipped down her dress. Estella: "uhm..." Robert: "shhh.." He slid it down. Robert: "there.....now you're beautiful." She only had her lingerie on. Robert: "stand over there and walk toward me." Estella: "what?" Robert: "please." She walked toward him. Robert: "use your hands on your hips...like you're mad at me or something." She just wanted to cry out loud. She was shaking with pain, she couldn't do this. She thought she would outsmart him. That it would be a quick job, drug him, get the papers and leave! but Robert was more intelligent. Robert: "Turn around. Bend down and squat for me." She did as she was told holding back tears, she suddenly missed Lubby. The night they went to the beach. She enjoyed his company. But right now....she needed it. Before something bad happ- Robert: "take your panties off slowly..." It was now or never. Estella: "I need another drink." She walked to the table. Robert: "get me a refill." She turned her back toward him and poured his drink then took out the rolled piece of paper and threw the contents in the alcohol. She threw the paper away and stirred with her finger. Robert stood behind her holding her waist. Robert: "what's taking so long?" He stuck his body on her back. Robert: "can you feel that?" Estella: "yes..." She didn't feel a thing. 😊_-_- Robert: "good." He licked her neck, sending nasty chills in her body. Estella: "here's your drink." Robert: "that can wait.....I want you now." He turned her around kissing her violently.

Chapter 509

Estella: "please. Robert, can we just have a drink first?" Robert: "no...I already had a drink.." He took off his pants. Kissing her she kept pulling away. Robert: "please don't make me mad." Estella: "I'm just not comfortable yet okay." Robert: "lady with class....you want me to romance you?" Estella: "no." He placed her on the couch and kissed her again holding her hands together to stop her from moving. He pulled aside her underwear to enter himself in her. Robert: "your body....and the way you move...turns me on." He looked at her vagina. Robert: "ohh....this looks really good." He licked his lips. Estella: "please stop!! I beg you." She cried and cried. Robert: "now why would I want to do that?" Before He entered her. Estella screamed in pain. He covered her mouth with his hand. Someone knocked on the door. Robert: "what!!" Waiter: "sir, you have a visitor..." Robert: "WHO!" Waiter: "Lubby Morrison." Robert: "tell him to wait." Someone banged louder. Lubb: "I can't its important!!" He yelled. Robert whispered: "I will kill you, snap your neck inside out I dare you to utter a sound!" He got up and got dressed. Taking his drink with him. He went out the private lounge and locked it again. Lubb: "can we talk in private?" The waiter walked away. Just as he turned the corner. Lukhanyo grabbed him putting a cloth over his mouth, he inhaled the chemical and fell weak. Luks: "I would've hit you, but that would've created noise." He carried him to the store room, tied him and duck taped his mouth. He went on the hunt for other people in the house. Lubby and Robert sat in the lounge. Lubb: "what are you busy with?" Robert: "oh nothing. Just having a little fun." He felt woozy and dizzy. Lubb: "you okay?" Robert: "yes, jusst..ju-ust...." He was getting Weaker. Lubb: "just what? Kill you?" Robert: "Patricia..." He mumbled. Lubb: "go to sleep old man. Patricia done left your ass years back with half your money." Robert fell down. Lubb got up and tried to open the private lounge. Lubb: "estella? Love, its me open." Estella: "I can't..." Lubb: "just unlock the door." Estella: "it doesn't have a key, this button...its just" she broke down in tears. Lubb: "baby please...try again. It has to open. Come on now." He heard a banging sound from inside. Luks: "dude! Yinton ngok?" Lubb: "ayivuleki le shit yecango!" Luks: "ayisebenz nge fingerprint?" Lubb: "now I must carry that old hag over here?" Luks: "iza." They dragged him to the door, clicked the button and it opened. Lubby dropped him and stepped on his face on purpose. Estella sat in the corner, shaking. And crying. Lubb: "hey...come here." Estella: "no..." Lubb: "I'm not gonna hurt you..come here." He pulled her into his arms. She cried even harder. Lubb: "what happened?" She shook her head. Estella: "I just wanna go home." Lubb: "we will go home. Soon.

We just need to find the damned thing." Lukhanyo looked thoroughly through the drawers. There was nothing. The cabinets, everything. Luks: "I'm going upstairs. Call the guys in." Lubby called the team inside the house and the search was on. Lubb: "don't break anything. The cops and dad will be here any minute.." He held Estella until her cries were silent. Tears just flowed from her cheeks. He kissed her head. Lubb: "its going to be okay." He picked her up with her dress and took her to the Porsche. They sat in the dark quietly. Lubb: "do you want to tell me what happened?" She shook her head. Estella: "take me home." He started the car and drove off.

Soso got out of work and went to Mandy's place just to relax. She was from the gym and still fresh while she heated frozen lasagna. Soso: "babes, masivase tu.." Mandy: "just a second." She switched off the oven and they took a shower together. She massaged his back and shoulders. Mandy: "utheni baby?" Soso: "I lost a patient namhlanje...phof ke ufike seku late. Died during the operation." Mandy: "ncaw sorry love." He turned around and looked at her. Mandy: "eyam imassage ndiy'funa ebhedin." Soso: "your wish is my command." She kissed his wet lips. He kissed her back. With hunger. Mandy: "slow down tiger." Soso: "ndine stress yazi....I need you baby..." She kissed him again. He held her against the wall. One hand on her behind. The other sliding down her smoothness between her thighs. He groaned softly. Soso: "lento undenza yona kodwa wena." He whispered. Mandy: "hayi baby...nguwe." Soso: "iva apha. Its just.....yeyes mntana ndin..." Mandy: "itheni na mntu wam." Soso: "its Gawdly..iza man, sizowa apha." They left the shower for the bed. He sat down and let her sit on him, driving in circles. Soso sucked on her nipples. She led his stick inside her and pulled it out again, he breathed in pleasure. Dragging out a packet of condoms from his pants. She opened it and slid it on him as slowly as she could. He couldn't wait. He turned her around and entered her with a slow gentle pace. Her mouth wide open, eyes closed....she moaned his name. He pushed in a circle, watching her quiver in pleasure under him. He loved every second of it. The way her eyes rolled back. The way she bit her lips. Squeezed her breasts and opened her legs widely for him. He lay on top of her grinding slowly. Mandy: "baby...." She cried. He stopped. Soso: "did I hurt you?" Mandy: "no baby carry on!" Soso: "bu-" Mandy: "QHU-BE-KE-KA." He smiled and continued. Holding her hair, whispering in her ear. He kissed it and her neck. Mandy: "harder." He went deeper, not harder. She held on to the side table. Mandy: "fasssteerr..." She groaned. He followed her order. Then stopped. Soso: "kodwa mna andikazoqiba." Mandy: "ok'salayo uzoqiba...iza baby. I'm almost there." He went further, grinding inside her...digging gently in her little well. Her nails dug on his back. Mandy: "ooh ahhhh yess...." Her body was shaking. She breathed heavily then stopped...waiting patiently for her orgasm...he slowed down teasing...

Mandy: "BABY!!!!!" She cried. He went deeper. She felt her body melt and shiver in climax. Mandy: "oh Lord Jesus....have mercy." He moved faster...for quite a while. 10 minutes later. Mandy: "baby ima....." Soso: "no baby, ndizocitha..." Mandy: "ndifunu chama baby." Soso: "then cum with me mntu wam.....citha..." Mandy: "No..." She moaned. Soso: "yes...." Mandy:"but bab-" Soso: "don't fight it....let it go sthandwa sam...I'm almost there. Ahhhhh yesss....Mandy man!" She opened her legs. Holding on to him. Soso: "that's my baby...." He held himself up and pounded faster. Soso: "let go..." Mandy: "uh-uh." Soso: "ewe. Let it go...." She let go. As the liquid squirted out, he thrust his last stroke and released. Then breathed a relief. Soso: "uyathanda undi'challeng(a) wena ne." Mandy: "I love it when you're frustrated....its sexy." They stared at each other. His small eyes hovering over hers. Soso: "I love you. I'm not expecting you to say it back but ndifuna uyazi wena. I jus-" his phone rang. Soso: "hello?" Caller: "sorry to disturb you bhuti there's been an emergency, we need all the doctors available. Can you come?" Soso: "babes?" Mandy: "hamba baby!" Soso: "I'll be there in a few minutes." He went to take a quick shower, got dressed and took his things. Soso: "I'll call you later babes va?" Mandy: "okay." He kissed her and ran out.....

Lukhanyo was in the office looking through the drawers. He unlocked one and found the contract. Reading it through again. He took the other two copies as well. Luks: "J, take this. We need to get going." J: "I am taking this." Luks: "come on bra, leave that watch alone." J: "hell nah...look my laaitie, prolly worth a billion." Luks: "with a tracker installed so that if it ever got lost. They would find it. Let's go." They walked out the house as quick as possible. Lukhanyo drove off, the others followed. J: "WAIT!!! Where's Lubby!" Luks: "he took the Porsche.." J: "oh.." They went to Sebastian's house. He wasn't home, since he was working with police to investigate Robert. J: "where the hell is Lubby!!" Luks: "Jermaine. Calm down! Lubby is-" the car revved in the driveway. Turning around by the fountain and parked. Luks: "here." Lubby came out the car. Lubb: "you got it?" Luks: "yes." Lubb: "good, before we burn it. Ndifuna uy'funda and go through everything in it." Lukhanyo's phone rang. It was Sbosh. He rejected the call. Luks: "mxm, and'naxesha lochuku bonanje." Lubb: "let's go in." They went inside the house. Luks: "unjan Estella?" Lubb: "I'm trying to talk to her but akafun thetha. She asked me to take her home qha." Luks: "do you think something happened?" Lubb: "then kuthen engathethi?" Luks: "maybe akafun um'vele....give her space for now." J: "do you have something to drink?" Lubb: "there's always something to drink here. You know the kitchen." Someone walked down the stairs. It was Uncle Mike. Lubb: "Andrew Morrison." Lubb: "Micheal Morrison." Mike: "what are you up t-" he stared at Lukhanyo. Mike: "who the fuck is this?" Lubb:

"my twin." Mike: "I can see that but where the hell-" he shook his head. Mike: "I don't even want to know. Son, I'm Uncle Mike." Luks: "Lukha." Mike: "that is so cute, its like a baby dinosaur. Lukha. Adorable. What are you guys up to?" Lubb: "we were trying to get back the contract." Mike: "and you got it." Lubb: "yes he did." Mike: "cool, so what's next. Your dad went to arrest some Robert guy." Lubb: "we let the authorities deal with the rest. We got what we needed." Micheal read through the contract. Mike: "you know what, fuck this. I don't even understand what's written here." Lubb: "all you know is traveling and exotic places. Thought you'd have left by now." Mike: "oh I'm trying something new. Like settling. Here is really nice-" Lubb: "you need money." Mike: "sometimes I just look at you and see myself. You feel me. You're my blood. I love you." He hugged him. Lubb: "forget it Uncle, I'm not giving you money." Mike: "oh whatever you're a loser anyway." He walked to the kitchen and found Jermaine holding a piece of chicken. Mike: "is this another twin?" He yelled. Lubb: "friend." Mike: "oh, cuz he looks like something I would have driven over." J: "askies?" Mike: "it can talk!!" J: "what the fuck bra?!" Mike: "its Moving!!!" He ran to outside for his night swim. Lubb: "don't mind him..he's a bit lonely." Luks: "he seems cool." Lubb: "if you want to make some pretty bad decisions. Play with him just once. He'll get you high, drunk and loose." Luks: "don't mind if I do..." Lubby stared at him. Luks: "ndiyadlala." His phone rang again. He rejected. Luks: "nx." Lubb: "maybe you should pick up." Luks: "azondithuka kwakhona? I'll just go there ndiyoland umntanam when I'm back. She's just trying to get to me right now." Lubb: "baby mama drama." Luks: "so siy'thin lento?" Lubb: "well, Estella us'phathele a new set of lawyers today. They'll take a look at the contracts and take it from there. If there's anything that binds me to Robert, they'll get rid of it." Luks: "cool. Khame ke ndiyolala. Kunin ndilinde la water bed. And stop pushing me." Lubby pushed him again. J: "gents, I'll be on my way." Lubb: "thanks for helping out man." J: "anything for my boy." He walked out the house. Lubby and Lukha went to bed. Lubabalo tried calling Estella. The phone rang unanswered. He tried over and over again. Eventually gave up. He fell asleep.

Chapter 510

The next morning. Thursday. Lubby and Lukha got ready for the office. Lubb: "sibuyele Bhayi tonight or ksasa? Zintle ebethe zendim'fownele. I wonder iyawa yinton ngok." Luks: "heee, xabek'then ngok. What's with your attitude?" Lubb: "Lukhanyo, I tried my best to work things out naye but yena ukhetha lamntu. So I work on my relationship with my daughter latata just made it clear kafun phinda

Lubb: "ndizofowna kalok xasise Bhayi ndive ba uthini. If ukhona Buhle, I'll chill with her for the day. Ndivale umlomo lo wam." They went downstairs for breakfast. Luks: "funeke ndiyolanda uChuma mna ngomso eskolweni. Sibongile andimaz uske aqhawuke phi. Because besincokola grand." Lubb: "benisaphana kamandi kalok ngok iphelile loJam, shiyeke peanut butter yodwa. Isonka somile." Luks: "besingatyani man, uthen na wena." Lubb: "asiyazi lonto thina and asifun yazi mntaka Yesu. Yigcine apho kuwe." Sebastian came into the kitchen. Dad: "morning." Luks: "hello." Lubb: "morning. Ready to go?" Dad: "yes. Let's." The helicopter was already waiting, they got in and went to work. The office was 10 times as busy as before. Lubby and Lukhanyo immediately started with their work. The lawyer came into the office for the meeting. Estella walked in. She looked.....fine. Like nothing happened. Estella: "morning.." Lubby and Lukha stared at her. Lubby walked up. Lubb: "what are you doing here?" Estella: "I'm working, what does it look like?" Lubb: "I thought you.....last night you were.....why?" He was so confused. Estella: "last night was last night. I'm here now." She walked past him to greet the lawyer. Estella: "the name is Estella Jose." Lawyer: "Bruce Cabriol, we spoke on the phone." Estella: "nice to meet you. Can we get started?" Bruce: "sure." They sat down and started with their meeting. 2 hours later, the door opened. Sandy: "Sir. Someone is out here requesting to see you." Lubb: "I am busy Sandy, tell them I'm in a meeting." Estella: "I'll handle it." She got up and walked out. Bruce looked at her. Lubb: "Hey!!" He warned. Bruce: "excuse me.." He repositioned himself. Luks: "dude you're married." Bruce stuttered embarrassingly. Bruce: "have you any other contact to this project besides Robert?" Luks: "no." Bruce: "uhm...I don't know if you know but Robert was busy with illegal dealings." Sebastian walked in. Bruce: "cocaine, ecstasy." Dad: "And it gets worse. Human Trafficking." Lubb: "what?!" Bruce: "he has multiple charges of rape against him. Plus kidnap. But the problem is that the charges had to be dropped because no evidence was ever found. The victims have mysteriously vanished." Now Lubabalo understood what had happened in that lounge. He got up angrily and walked out. Luks: "just a second." He walked after him. Luks: "bafo.." Lubby got to Estella and stood in front of her without saying anything.. Estella: "what." Lubb: "I want to see you in the boardroom right now." Estella: "I'm bus-" Lubb: "right now." He walked to the empty room and waited. Lukhanyo followed. Luks: "kwenzeka nton ngok!" Lubb: "Robert wenze something ku Estella Lukhanyo. I could feel it izolo. Now that this shows up I'm certain! Ndivile man e-screama ngaphakathi just when we got there!"

Luks: "so you think...." Estella walked in. Lubb: "please...tell me what happened."
Estella: "noth-" Lubb: "please don't lie to me...I beg of you." Lukhanyo walked out giving them space. Lubby sat down in a chair in front of her. Lubb: "trust me Estella. I know something happened." Estella: "he....." Tears threatened her eyes. He pulled her on top of him and kissed her arm. Lubb: "what did he do?" Estella: "he made me undress. Then walk around." She was shaking in memory of what happened. The tears escaped her eyes unexpectedly. Estella: "I tried to make him drink but he said no...he lay me on the couch and touch me. I begged him to stop." She sobbed. Estella: "but he covered my mouth, if you didn't get there...he would've" She cried. Lubb: "shhh.....look, I'm sorry. I really am Estella, I wish I could do something to make this go away." He hugged her tightly. Lubb: "please go home...you need to rest." Estella: "No. I need to keep busy. I don't want to think about it." Lubb: "you need to go for counseling. Come." He got up. Estella: "no! I'm fine Lubby, just stop feeling sorry for me." She stood up straight and wiped her tears. Estella: "this isn't going to mess up my day, my year or my life. I'm not spending another minute with it in my mind." Lubb: "babe..." Estella: "no Lubby." She walked out. Lubabalo went to his office. The lawyer was done. Meeting was over.

During midday. Soso was in his office to call Mandy. Her phone rang. Mandy: "hello?" Soso: "hey babyy, unjan?" Mandy: "good, how's everything?" Soso: "everything is fine love. Bekukho accident of about 4 people. The driver died on the scene. Passengers ngamanye amacherrie they're in ICU." Mandy: "oh shame man baby. Kwenzeken?" Soso: "I don't know mntu wam, qha ke batshayisane ne truck and rolled off the road." Mandy: "that's bad hey...are you managing?" Soso: "ewe baby, they'll make it. Let me get going." Mandy: "okay. Bye then." Soso: "sharp." He hung up and went to check on the patients. One had a sprained neck and broken leg. She still wasn't waking up. Soso did his work quietly. Looking through her file. Lindiwe Khaboni. The machine started beeping. He stood next to her and assessed her. He called for back up. Davidson: "Tembani, what's wrong?" Soso: "nothing, hold here." He held her still. Soso: "Lindiwe....wake up sisi. Come on." Her eyes opened. Soso: "God Bless your soul.." He took the mask off her face. Soso: "breathe..." Davidson: "what...how?" Soso: "shhh...." The woman started crying. Soso held her hand. Soso: "can you call her family in. " A nurse went to fetch her family. Soso: "you are going to be okay." She shook her head. It couldn't move. Soso prayed with her in the meantime. The family came in. Her mother was crying. Sonwabise got up and gave them privacy. He went to check on the other. Ayanda Sibeko. She was still unstable. Sonwabise had operated all night, removing the large piece of glass(from the windscreen) that had penetrated her chest. Only a few centimeters from her heart. She had survived. He had one last

patient to go to, his ex, Zoleka. He sat down annoyed. Soso: "kunin ndakuchazela ngez'tshomi zakho Zoleka. Kuthen ungeva nje? Umamakho angathin ukubona unje? Sometimes, no, All the time uSelfish wena! Awubacingeli abanye abantu!" She wasn't moving, couldn't breath on her own. He took out his phone and called her mother. She was upset but okay enough to make it. Sonwabise needed to get home. His shift started later that evening and he needed to rest. He couldn't go to his mother's place because Vuyisile would keep him awake. He drove home and dove on the bed. Falling asleep immediately.

That evening, Lubby sat in his couch at home watching tv. His ice cream bowl was empty. Mike walked in. Mike: "moping like a little bitch I see." Lubb: "I'm not." Mike: "yes you are. You got your bitch jersey on, your bitch socks on, plus your bitch bowl. Little bitch." Lubby laughed. Lubb: "whatever." Mike: "what's wrong." Lubb: "nothing, I'm just tired. That's all." Mike: "Lies..." Lubb: "its not lies. Can you get me more ice cream?" Mike came back with two tubs of ice cream. Mike: "remote please." Lubby tossed him the remote. Mike: "where's your half?" Lubb: "still at work." Mike: "shame that poor thing." Lukhanyo walked in. Luks: "ohh...so you dumped me, to come chill." Lubb: "you like working, I like chilling. Where's the problem?" Mike: "Andrew..son, let's talk quick." Lubb: "I'm not giving you money." Mike: "why you gots to hang my dirty laundry?" Lubb: "uncle please stop...we having a moment here." Lukhanyo sat down. Mike: "you know what? I'm not gonn do this with you. You lazy little fuck." He got up and walked out. Luks: "hahaaa, yaphambana le." He was laughing off the couch. Lubb: "une stress ufuna imali." Luks: "what's up with you..." Lubb: "nothing." Luks: "I know nothing when I see nothing, and that is something." Lubb: "khayeke sani." Luks: "khathethe man nyana." He flopped next him and lay on his chest. Lubb: "ndine bhadi yazi...I have a dark cloud following me everywhere. And it hurts those that care about me the most." Luks: "what you talking about?" Lubb: "first Claire, then Zintle ngok ngu Estella. All of them are victims of rape kungenxayam!" Luks: "what?" He sat up and looked at him. Lubb: "if we didn't get there in time, he would've raped her Lukhanyo. Ndifike pha ndisiva ekhala. What the hell is wrong with me." Luks: "nothing is wrong with you Lubby, its just that all these women go through the worst but bayakuthanda. Bonke futhi.." Lubb: "then why! Lukhanyo why is it that caba kwa cherrie endinoy'khathalela funeke ive kab'hlungu?!" Luks: "I can't answer you but Lubby this is out of your control. Its not like uyayazi kuzokwenzeka ezizinto." Lubby stared at the tv. Lubb: "I'm hopeless right now Lukhanyo. Ndiyatyhafa more and more. Maybe I'm not supposed to be happy. Maybe I'm destined to be like my uncle rather than utata." Luks: "unmarried and free? No, Lubby, you can't be thinking ol'hlobo. You're still young. Kusekho

noLiy-" Lubb: "Don't tell me about uLiya!! If uLiya bendithanda nyan she would at least let me in! But no, kunin ndim'cela kakuhle ndizama ndlela zonke? No man andiyo toilet kalok funeke ngok hlel nje ndityi kaka!" Lukhanyo couldn't answer him. Lubabalo got up and went to his father's car. He drove to Estella's house and knocked on the door. She opened. Estella: "hi." Alex was in her arms. Lubb: "hey..you good?" Estella: "yes..you?" Lubb: "can I come in." Alex extended his arms, lubby took him from her. He went in and sat down. Estella: "why are you here?" Lubb: "I just felt the need to be here. I don't know." Estella: "you don't have to feel that way. I'm fine. I promise." Lubb: "you sure?" Estella: "yeah I'm sure." Lubb: "oh." Alex was laying on his chest again. With the dummy in his mouth. Lubb: "take this out your mouth...thugs don't suck on this." He snatched the dummy. Alex: "Não!" Lubb: "yes!" Alex sat back and stared at him. Lubb: "sorry ke.." Placing it back. Lubb: "I'm going to Port Elizabeth tomorrow." Estella: "okay, that's fine." Lubb: "you sure?" Alex: "papai." Lubb: "yes nyana." Alex giggled. Alex: "nana..." Lubb: "nyana." Alex: "nana!" Lubb: "OKAY!! Nana ke." He mumbled something in portuguese. Estella: "its time for his bath, so.." Lubb: "so what? We're going to bath him. Run the water so long." He got up and undressed the little boy. They bathed him and got him ready for bed. Lubby waited till he fell asleep. Lubb: "I might as well act the part." Estella: "thank you." Lubb: "you're my friend..its what friends do." Estella: "have a safe trip...." Lubb: "thanks..." He walked out the house and stood outside. Then walked to the car drove home.

Chapter 511

Sino was asleep at Mandla's flat. He wasn't sleeping though. He kept thinking about his things until a phone rang. Actually vibrated. He ignored it and carried on with his thoughts. Sino was snoring loudly next to him. Mandla was really irritated and wanted to teach her a lesson. So he wrapped the duvet around them avoiding air coming in. Then let out a silent greasy fart. He got up and switched on the light. Sino immediately covered her head inhaling the explosion. Sino: "sieess man Mandla!!!" She yelled. Mandla laughed out loud. Sino: "you're so disgusting!" Mandla: "yeke, now yayaz ndlela endiz'feeler ngayo. Undenza isbhanxa sakho apha. You swine." Sino: "no but is this necessary kengok?" Mandla: "very qithi." She sprayed the room and turned to the other side to sleep. Mandla got into bed and sat up straight under the blankets. He was still mad and thought of more things to annoy her. Mandla: "Sino." She ignored him. Mandla: "khavuke fondin uzoqumba kengok? Ndadlala nawe mos baby. Uxolo ke, izapha." He touched her behind. Mandla: "awuse ngcole." He touched her

thighs, kissing her neck. Mandla: "khandiphe baby. Ndacela tu." Sino: "khayekane nam Mandla." Mandla: "khandiphuze ke." Sino: "awunayo nendlela yothetha!!" Mandla: "yoooh. Xolo baby. Ndicela undiphuze mntu wam." She turned around and kissed his lips. He pulled away. Mandla: "heee..." Sino: "yinton?" He blushed. Sino: "thetha Mandla!" Mandla: "sundingxolisa kalok." Sino: "ok, ufunani ke?" Mandla: "phayana kalok baby." Sino: "Mandla, we can't have sex. Ndiyamensa." Mandla: "mlomo wakho awumensi wona." He mumbled. Sino: "huh?" Mandla: "huh?" Sino: "and'na xesha lodlala nawe mna, ndiyozela." Mandla: "cela undincance ke baby." He said in an ashamed tone. Sino: "ungatsho nje!" He pulled down his underwear. She grabbed his cock and sucked it. Mandla gasped in surprise. Mandla: "Hayi kalok sund'hlafuna fondin!" She sucked slower and gentler. He laid down and relaxed. Now he was nice and sleepy. He held her head down, shoving it deep down to her throat till she gagged. Mandla: "so nice..." He held her hair, and watched her perform. This is the reason why he couldn't let go. Almost 5 minutes later she massaged it with her hands. Mandla: "phinda ufake baby.." Sino: "heeee.." Mandla: "khenze man Sino!" She put it in her mouth and sucked. Seconds later, he pulled out her mouth and came. White liquid seeped out of him. Mandla: "yuuuh. Anda citha kamaandi...ndatsho ndabawel ebandayo." He wiped himself and went to the small fridge taking out a cold beer. He drank and sat in bed. Sino turned around and went to sleep. He lit a cigarette and smoked. Sino: "Hayi ke noko!!" Mandla: "kukwam apha Sino. Awunond'xelel imoemish." Sino: "awunambeko yazi Mandla." Mandla: "mxim." After he was done, he pulled her closer to cuddle. Mandla: "awundithandi wena." She pretended to be sleeping. Mandla: "uright ungandihoyi Sino. Ndiyabona ba awundithandi nyani qha. I don't qondastand ba kuthen umane ngobuyela kum. Andikuphi kamandi, andina moto ifancy, ndiyaz'gintsela mna qha. Ungahlali kwez'ntwana zee cheese boys uz'thanda kangaka nje? Mxm....undenz umsindo bonanje."

The next day Lukhanyo and Lubby arrived in PE. Luks: "siqale phi?" Lubb: "food. I want food first." They went to a restaurant and ordered meals. Lubb: "I'll have this, with grape juice please." Luks: "same here, but get me orange juice." Lubb: "hayi man kuthen uthand undi'kop(a) nje. Isn't it enough le wayenza at birth." Luks: "yathand undiskeya wena. As though awufun abantu bayazi ba sizi twins." Lubb: "because we're not. Umbi k'nam bhuti." Luks: "mxm." The waiter giggled and walked away. A lady walked up to the table. Short with a petite body. She wore a black tight short skirt and blazer. With a white blouse and white heels. "Abengow'phi kengok uLubabalo?" They both smiled. Luks: "khetha lo um'thandayo." She: "two is better than one." She smiled. But mna ndikhumbula uLubby engakwaz thetha isiXhosa kakuhle so...." Lubb: "you would be surprised. Molo Mpumie." She laughed. Mpumie: "hey you." He got up

and hugged her. Lubb: "hmm....lookin cute." Mpumie: "well you know me...nawe, my goodness and the twin? Heeee bendingayazi ke le." Lubb: "binintsi obungayazi ngam. Don't act madam on me." She smiled. Mpumie: "still the sarcastic bastard." Lubb: "still the sexy bitch." Mpumie: "watshona phi...mysteriously disappeared kanti uzoz'fihla aphe Bhayi." Lubb: "kamand undifumene." Luks: "mna ndingu Lukhanyo. In case you were wondering. If not, then that's fine too." Mpumie: "nice to meet you Lukhanyo, mna ndingu Mpumie. Old friend of Lubabalo. I'm shocked he never mentioned." Luks: "not even once." Lukhanyo opened his mouth and eyes behind her. Lubby gave him a 'shut up' look. Mpumie: "we should catch up.." Lubb: "we should." She wrote down her number and left. Luks: "Hayi nyana!!!" Lubb: "don't do that." Luks: "I'm GONNA do that! The fuck was that? Yeey La friction! Nguban lo? And why have you never mentioned her?" Lubb: "just a girl I used to tap back in high school." Luks: "and??" Lubb: "and nothing. She fell for enye awti yam. Benza ke lanto yabo. After that zange siphinde sithethe." Luks: "so....now?" Lubb: "now nothing. I don't want her." Luks: "wow. Wena wonke? Not even one baps?" Lubb: "none. Lemme call Estella ndim'chazel ba we landed." He called her. Estella: "hello?" Lubb: "hey..we just landed. Having breakfast now." Estella: "good. Excitement has died down here but I'm still trying to sort the journalists. They just won't stop." Lubb: "here's what. We'll give them a full story of what happened. For a price." Estella: "exactly what I was thinking. We'll give it to the highest bidder. Look we'll talk later, check your emails. Bye." Lubb: "mwaah." He hung up. Luks: "ncaaww..." Lubb: "shut up." Their food came and they ate. Lubb: "ndisaya ku Zintle. Ndive ba uthin." Luks: "okay, I need to go fetch Chuma, then ndiye ndlin. Zondifumana khona." Lubby drove to Lukha's house and dropped him there. He drove back to Summerstrand and went up to Zintle's flat knocking lightly. She opened the door. Lubb: "hello." Zintle: "hey, come in." Lubby walked in and stood in the lounge. Lubb: "so where is she?" Zintle: "uhm...its about uBuhle, she isn't here." Lubb: "kanti undibizele ntoni Zintle?" Zintle: "my dad wants to see you." Lubb: "why?" Zintle: "I don't know, but when you got time he said we should both go to Plettenburg Bay." Lubb: "masiye ngok." Zintle: "what? No...I'm busy." Lubb: "busy? Zintle. Ndicela sihambe ngoku sisi. Undincede." She took her things and got ready. Lungelo walked in staring at Lubby. He stared back. Lungelo: "babe..." Zintle: "ndilaphe roomin love." Lungelo walked to the room and shut the door. Lungelo: "and?" Zintle: "utata ufuna uthetha noLubabalo. So he insisted siye ngoku. I was about to call you." Lungelo: "why?" Zintle: "to notify you." Lungelo: "no I mean why tatakho efun bona Lubby?" Zintle: "andiyazi nam baby, he didn't say." Lungelo: "I'm coming with then." Zintle: "hay'ke Lungelo. For what? Zintle: "all these long nights you spend wherever and I still trust you, andiyenzi lento yolandelana nawe mna. Ndiyak'cela ke please. TRUST me." Lungelo: "fine." Zintle: "I won't stay, ndizobuya kwanamhlanje." Lungelo: "okay." He kissed her goodbye.. Lubby had walked out the flat long ago to his car.. She got in and he drove away. Playing his music, all quiet and bobbing his head to the beat. He never said a word until he reached Plett-Bay around 1pm. Lubb: "ndicel igarage." He stopped at the garage and went to buy himself cool drink while loading fuel. He got Zintle juice too and went back to the car. He gave her the bottle in total silence. Zintle: "enkosi." He paid and drove to her home as he could remember but got lost a bit. Zintle: "umntu uyabuza xa engayazi." He looked at her. Lubb: "siphi Zintle." Zintle: "turn left." They finally arrived and she jumped out the car to hug her father. Lubby locked his car and walked to the house. Lubb: "molo tata." He was still in his work clothes. Cream pants and a blue shirt. The father stared at him. Songezo: "hlalani phantsi." They sat down.

Lukhanyo took his new car to go show his son. He drove to his day care and went in. He wasn't in the playground with the others. The teacher came to him. Teacher: "Mr Mzinyathi?" Luks: "yes, I came to fetch my son." Teacher: "he didn't come to school today." Luks: "oh. Did his mother call?" She shook her head. Luks: "uhm...okay. Thanks." He took out his phone while he walked to the car and called Sbongile. She didn't answer. He called again and again. No answer. Luks: "mxm. Yazi you so predictable, uy'thanda qithi attention yam man!" He got in the car and drove to her house. The gate was locked. He drove to her mother's house. No one was home. He saw a neighbor. Luks: "xolo sisi, baphi abantu balapha?" She: "baphangele bhuti." Luks: "bonke?" She: "ewe noSima ufumene umsebenzi, so wonke umntu ke apha usem'phangelwen. Uzobona ban dan..." He didn't reply. She: "ohhh, kanene ungu tata ka Chuma? Ncooow pethuna, anisa fani nje. Yuuuh, wenza bantwana bahle bhuti..." He walked to his car. She: "intle ne motwakho." He drove off. He called Sibongile again. This time she picked up. Luks: "yinton unobangela ba ungaphenduli phone man!!!!" She kept quiet. Luks: "Sibongile. Sundenza umsindo va! Um'sephi umntanam?!" Sbosh: "Lukhanyo...." She cried. Luks: "what?" Sbosh: "he's....." She broke down. Luks: "Sibongile.....sibongile uphi umntanam!!!"

He heard her cry painfully over the phone. He panicked. Luks: "sbongile uphi?" She couldn't speak anymore. Someone took the phone: "hello?" Luks: "hello Sima, niphi? Uphi uChuma?" Sima: "sise Mercantile bhuti. Chuma ukwi ICU." Lukhanyo hung up and sped off. He arrived in minutes and ran inside. Luks: "sorry nurse where's my son?!!" Nurse: "what is you son's name?" Luks: "Chumani Mzinyathi." She went to check. Nurse: "come this way sir." They walked together for quite a distance. Nurse: "turn left there, and walk up straight." Lukhanyo walked quickly. He found Sibongile sitting on the floor. Her sister sat on the chair, she was still in her work clothes. Luks: "Sbongile?" She looked at him. Luks: "uyawenzeni!!!" He roared. Sima: "hayi bhuti akenzanga nto. Kuthen hleli nje ugragramela uSbongile! Kunin sikufownela sithumela zii message bukhe nje wabuyela kwenye yazo? Hayi undincede mna." Luks: "khandifumane message man mna!!" He took out his phone and searched it. 6 unread messages. His hands were shaking. He hadn't seen them. Luks: "I'm...bendi busy I didn't realize." Sima: "exactly." She was angry. Luks: "Sibongile." She looked at him again. Luks: "what happened?" Sbosh: "he had a cough. Sbosh: "my son is laying in that bed fighting for his life and all you can do is yell at each other? If nifuna ukulwa khan'hambe ke niyolwa phandle." She sat down again and kept quiet. Luks: "kodwa ayikho lekaka Sbongile. Ayikho nyan. Kuthen hleli nje uChuma xa ekuwe esenzeka iz'manga. Xa ungam'fun umntana ungotsho nje! Lomntana ngok behlala noLihle zange nakanye agule." Sbosh: "so I'm a bad mother?" Luks: "ewe man! Mama onjan oyikwa ngunyanakhe!" Sbongile didn't answer him. She couldn't. Her heart was heavy with pain. Lukhanyo paced around the room and called Soso. Luks: "fethu uphi?" Soso: "ndisendlin. What's up?" Luks: "my son is in ICU asikeva nto." Soso: "Acres?" Luks: "no eMercantile." Soso: "but Lukhanyo you know I can't do shit if its not Greenacres. Khangela apho uNaheem. Tell him I sent you." Luks hung up and

went on the search. The nurse informed him he was off. Luks: "mbize kalok!!" Nurse: "sir, he's gone away. He's on a leave for 2 weeks." Luks: "yeses!" He walked back to the waiting room.

The doctor came to them. Doc: "I'm looking for Chumani's mother." Sbosh stood up. Doc: "can we talk over here." Lukhanyo walked with them. The doctor stared at him. Sbosh: "its okay. He's the father." Doc: "okay. Your son is stable. We are still running tests on him to understand what is wrong." Luks: "you don't know what's wrong!!!!" Doc: "sir I'm gonna need you to calm down. This is a very complicated process. At least he's out of danger but we're keeping a close eye on him." Sbosh: "can I see him?" Doc: "sure." They walked to the room. Luks: "khame apha wena." He walked to his son and sat on the bed. Luks: "my boy...kub'hlungu phi? Come on nyana, khavuke kalok." Doc: "maybe if you keep talking and making positive suggestions such as asking him to open his eyes would help. For now he's resting though." Luks: "okay." Doc: "I'll give you a few minutes." He left the room. Luks: "come on my baby, khavuke kaloku...hm my little baby elephant?" S bongile walked to the bed, holding Chuma's hand. The words couldn't come out of her mouth. Luks: "s bongile, umenzen umntanam?" Sbosh: "I didn't do anything Lukhanyo." Luks: "so uveske wagula wazolala apha mysteriously. Without anything being done? Like the last time?" Sbosh: "why do you keep blaming me?" Luks: "because you're abusive! Phuma kuka Chuma apha ndikusa eCourt, I'm getting full custody ngalomntana. Ndandikwenzela inceba the previous time and didn't but now you're pushing me!" Sbosh: "but luk-" Luks: "yangxola man! Nxx.." He lay next to his son kissing his cheek. Sibongile walked out crying. Sima hugged her. Sima: "what's wrong?...s bongile kuthwan?" sbosh: "masambe Simamkele. Lukhanyo won't let me near my own son. And sitting here would just be useless." She sobbed. Sima: "kanti Asiyi ndawo! Uyanya Lukhanyo. Rhaa siees." She walked to the room and bumped into him as he walked out. Sima: "who the hell do you think you are!!!" Luks: "mxm, khaval umlomo uyokhangela ootata ba bantwana bakho uyekane nam." Sima: "siees awuna ntlon. Ungcole ungu satana buqu! What's wrong with you! Sbosh: "Sima please stop this..." Sima: "no Sbongile!! Kudala sathula endlin! Umama wade wabhubha sistress salento yalobhuti! I can't take it anymore. He's a coward! And he's useless! Noba asinanto mntase khaya, noba siyasokola. Sizom'lwa nathi k'lo court utsho phantsi k'le game." She wiped her tears and walked off. Sibongile walked after her. Lukhanyo was just tired. He sat down on the chair to take a mini nap. Just as he dozed off, he felt something suffocate him. He couldn't move. He tried breathing and gasped in shock as he woke up. Looking around, there was no one there..he sat back again. Keeping his eyes open this time.

Lubabalo was nervous than ever before as he sat on that couch. Songezo was with his wife holding hands on the opposite couch. Zintle sat on her own couch. Buhle was sleeping in the bedroom. Zintle: "tata, uhm...you called us here." Songezo: "yes I did. What took so long?" Lubb: "uxholo tata. Erh. Bendise Cape Town. My company is going through a rough time and there's a few things I needed to sort out before." Songezo: "well, are you done?" Lubb: "no tata, I decided to come check first if izinto zihamba kakuhle na. I thought something might have happened." Zintle: "he would've been here earlier, but I didn't tell him kwangolwes'thathu because ebese busy." Songezo: "okay. Well. I have been talking with my wife for quite a while ngendaba which are concerning Buhle.. We love our grandchild more than anything in this world. It reminded me ngozalwa kuka Zintle. Basically, to cut the story short zange ndiy'fumane ichance yom'khulisa up until she was 7." Lubby nodded. Songezo: "I love my daughter. Kakhulu. I know how it feels to be deprived of something you love. I know you would do anything in your power to protect her. I know she instantly becomes royalty and your first priority. I know all this because I'm a father. This is why, Lubabalo. Ndikunika le chance to make every moment special with your daughter. I know that uyamthanda. I know that you care and you will protect her all you can. Ndiyakucela ke bhuti ungandiphoxi." Lubby smiled back his tears. Lubb: "enkosi tata. Ndiyabulela kakhulu. I can't even begin to show how grateful I am for le opportunity undinika yona. I promise andizokuphoxa. Not nakancinci." Songezo: "good. Zintle?" She looked at her dad. Zintle: "tata?" Songezo: "uzobane ngxaki if Buhle unohlala noLubabalo?" Zintle: "tata, we didn't discuss this." Songezo: "I know angel, but you have school and Khaya to take care of. If Buhle unohlala kuLubabalo you can see her anytime you like. Right?" Lubb: "right.." Zintle: "no tata, Buhle uzohlala nam, xa yena Lubby efuna umbona, he's going to come. Lubabalo is engaged to be married. Lento yoba ndiquqe kwakhe won't be ideal." Songezo: "what?!" Zintle: "ewe tata." Lubb: "not exactly.. We're separated and akahlali nam." Songezo: "oh?

Okay, you know what. You two are adults, you'll sort it out." Zintle got up and went to fetch Buhle. Macy went with her. Songezo: "so what do you do?" Lubb: "I'm a civil engineer tata, I own a company in Cape Town, but we specialize in other things, we run projects. We build under-developed companies. Etc." Songezo: "etc?" He laughed. Songezo: "okay, so you build under-developed companies? How?" Lubb: "like for instance, if a certain business owner cannot operate their business any longer, either being bankrupt or inexperienced. They approach me, I write out a plan for them, help them financially build themselves, kubakho ne program for them to understand their money better." Songezo: "so..basically. What do you gain? Kuyo yonke lento." Lubb: "nothing ta." Songezo: "in other words, you do it for free?" Lubb: "its always really nothing major. My company already makes millions a month." Songezo: "wow. So, whilst being a civil engineer, managing huge projects, ecaleni you build up other people, new entrepreneurs?" Lubb: "ewe ta." Songezo: "ukhona umntu oy'bona le effort uyenzayo kubomi babanye abantu?" Lubb: "no, andiyenzel ubonwa. Its really nothing ta." Songezo: "its something...stop being modest. Lubb: "Sebastian Morrison." Songezo was confused. Lubb: "I'm adopted tata." Songezo: "oh. I didn't realize." Lubb: "I was separated from my twin at birth, mna nda adopt(wa) but ke sihlala kunye ngoku." Songezo: "hm...and your real parents." Lubb: "they're deceased ta." Songezo: "reason why ndibuza is because I've just realized I hardly know anything about you." Lubb: "ewe tata." Songezo: "phof we have a lot of time for that, I hope ke awuzonqaba apha..you're welcome anytime." Lubb: "enkosi tata." Zintle came back with Buhle. Lubby took her in his arms. Zintle turned around and walked out...

Lubby fed Buhle. Lubby: "uphi uThando?" Zintle: "hayi Lubabalo." Lubb: "I just wanted to say hi." Songezo: "akekho either way uphangele." Lubb: "oh. Uphangelaphi?" Songezo: "andiyazi ke, he hardly talks to anyone. Worse umama lo wakhe is just anti social." Zintle: "and we should get going kungeka bi-late." Zintle

packed Buhle's things and took them to the car. They said their goodbyes. Lubb: "khaqhube alok mfazi." Zintle took the driver's seat and drove home. It was a quiet drive. Lubby had fallen asleep with Buhle on his chest. His heart was happy and joyful. He woke up just as they entered Port Elizabeth. Lubb: "Zintle.." Zintle: "yes?" Lubb: "is there something you're not telling me?" Zintle: "like what maybe?" Lubb: "Zintle." Zintle: "Lubabalo." Lubb: "is there something that you're hiding from me." She drove into Summerstrand and went to her building and parked. Zintle: "no Lubby." She got out the car and took the bags to her flat. He followed with the baby. Lubby stood in the bedroom after he lay Buhle on the bed. Lubb: "Zintle, andikho muncu, I know ikhona into e-deep ongandichazeli yona!" Zintle: "Lubby, you know everything okay?" Lubb: "then yi-tension bithen le ndiyivileyo kowenu when I mention my brother. And his children, ubus'baleka us'yaphi?" Zintle: "I was getting fresh air!" Lubb: "don't lie to me Zintle man. This is about Buhle. Right?" Zintle: "wrong." Lubb: "kuthen kengok unengxaki xandithetha about Lukha's twi.....wait, Zintle?" She walked to the fridge and took out juice. Lubb: "you gave birth to twins?" Zintle: "no." Lubb: "you're lying!" She looked at him. Zintle: "I'm not." Lubb: "hayi Zintle I know when you lie. Uyaphola. Xa uthetha inyan uyavutha ubenomso. You're lying!!!" She giggled and walked away. Zintle: "you are crazy." Holding back tears. Lubb: "I am not. You're.." He walked to her. Zintle: "Lubby udiniwe, get some rest." Lubb: "not until you tell me the truth." Zintle: "there is no truth. Nanku uBuhle and that's where it ends." Lubb: " fine. Ndizom'landa ksasa." Zintle: "night." He kissed his daughter and left. Zintle breathed a sigh of relief. She called Lungelo who was already coming back. Khaya walked in the flat drunk. Zintle: "Khaya what has gotten into you!" Khaya: "khand'yeke man mntase." Zintle: "ndik'yeke!!? Ndiyokufaka impama yeva! You can't do this Khaya uqale nin ukwenza le shit yonxila!" Khaya: "Zintle, you worry about your shiitt...I worry about mine. Okay?" He slurred. Zintle: "uyaz'mosha Khaya! Abazali bakho don't know that you do this crap!" Khaya: "bona bayayazi ba uhlalisana ne boyfriend yakho? I don't think so." Lungelo walked in. Khaya rolled his eyes and walked to his bedroom. Khaya: "hlel nje ungu Sobekho Mandingaphoswa. Aw'kwaz nje uhlala wedwa. Nxx...perfect yobukaka! Yazi kudala ndiy'jongile leshit." He locked his door and started yelling. Khaya: "kukunya konke oku. Mna ndithanda uTa Lubby cuz he cool as shit!! He knows he's not perfect. But does he care, NOOPE. Plus He is not boring. He never judges omnye umntu okay maybe uyak'gezela for a while but....he always there for support. Zintle, mntase you're wasting your time apho. Even my dad don't like this one. Shit." Lungelo looked at Zintle. Lungelo: "okay." Zintle: "baby, sum'mamela lo. Mna ndiyak'thanda andikhathali noba bonke bangak'capkela. You're my man and I won't give up on us."

Lungelo: "but he hates me." Zintle: "you don't have to please him. Udyola nam, not naye." Lungelo: "even your dad hates me." Zintle: "he doesn't hate yo-" Khaya: "yes he does!" Zintle: "Khaya FUCK OFF!!! I swear uphuma kwakho apho ndizok'nyisa!" Lungelo: "maybe, I should just go." Zintle: "please stay. Does it really matter what everyone thinks? The point is, I'm here, and I love you. Enye soy'bona phambili." Lungelo: "okay baby." Khaya: "ngumngqundu lowo!" Zintle: "ndizombetha anye bonanje uphuma kwakhe k'la room." Buhle started crying. Lungelo: "yoh babe, awutsho ba ukhona." Zintle: "but she's here every weekend." Lungelo: "I kind of have a headache right now.." Zintle: "I'll keep her quiet." Lungelo: "iza naye babes. Makazohlala noDaddy." She brought him the baby. Buhle still wasn't pleased. Lungelo: "what's wrong baby?" She cried harder. Zintle: "I don't know." Khaya: "fun'tatakhe umntana!!! Umbi!" Zintle: "khaya I swear I will break down that door!" Khaya: "hampa! Mbi ke qha. Ayizotshintsha lonto. Wawuvephi umntu hlel nje udumbise umlomo ngath uyabhatalwa." Lungelo: "I think I'll just go.." Khaya: "hamba!!!" Zintle: "awuyi ndawo lungelo. You're her step father and she will learn to get used to you." They sat in the bedroom together.

Lukhanyo was in his bed that night trying his best to fall asleep. He had a raging headache, it was throbbing in all angles. He drank pills but it just got stronger. Luks: "babes, khandi-massage." I massaged his back and shoulders. He Eventually fell asleep. I prayed for Chuma to get better. The moment Lukhanyo had come in, he told me. It was really heartbreaking. Lukhanyo didn't eat anything he just went straight to bed. He didn't want to talk. Well I don't blame him because ke nyan, ibuhlungu into yogulelwa ngumntana. Lukhanyo fell into a deep sleep. Something was holding him down. He couldn't breath then he heard a voice. "Ndizolanda unyanam. Nomfazi wam Lukhanyo.." He thought he saw Xolani standing in a distance. Lukhanyo struggled to speak or breath. The shadow moved closer and stood in clear view. It was indeed Xolani. "I want my son. Give me back MY son!" Lukhanyo wanted to scream but couldn't. A little shadow ran toward them. Chumani. Xolani: "iza kum mntanam. I've been waiting.." Chumani walked slowly to him. Lukhanyo woke up screaming. Me: "babe!" He jumped up and got dressed. Lubby walked in. Lubb: "what's wrong?" Lukhanyo couldn't talk he was shaking in tears. He grabbed his keys and ran out. Lukhanyo drove as fast as he could to the hospital. Lubby stood in the bedroom. Confused. Lubb: "what just happened?" Me: "I....." Something didn't feel right. I thought I smelt something familiar. I couldn't pinpoint what. Me: "can you.....smell that?" My breathing was slower, I was suffocating. What the fucking fuck? Lubb: "smell what lihle!!! I can't....." He sniffed around. The wind outside whistled loudly. Lightened crackled above the roof. Lubby jumped into bed immediately. Lubb:

"buddy ugrand? Look at me." I was shaking. Ndivaleka nes'fubha. Lubb: "hayi Lihle!!!" He lay me down and shook me. Grabbed my phone and dialed Thulani. Lubb: "Thulani iza noNamhla! Something is not right apha." Thulz: "okay." He hung up and called Ta Smig. The phone hit voicemail. Lubb: "please stay with me Lihle don't....." The smell was stronger than before. I saw blurry everything. I tried to speak but no words came out. Lubb: "lihle!!!" I tried to keep up, but I could hardly breath. Hardly. Something dark was covering me. I don't know when but I heard other voices. The baby were screaming. Namhla stood in their room staring at Luthando. His breathing looked abnormal everytime he gasped, his chest arched up. Namhla screamed. Lubby ran to the room. Lubb: "luthando!!!!" Thulani picked Lihle up and took her to the car. Lubby took Luthando. They drove off. Namhla stayed behind holding Lihle in her arms. The baby screamed and screamed. Namhla was crying too, she was beyond scared. Not knowing exactly what was happening. Something was inside the house...something very unhappy. Too unhappy.

Chapter 513 (Part two)

Thulani and Lubby sat in hospital. Both quiet in their own thoughts. Thulani spoke first. Thulz: "what the hell just happened? Uphi uLukhanyo?" Lubb: "Thulani I can't give you answers right now. Lukhanyo uvuke ekhala waphakama wemka. We don't know where he went." Thulz: "something isn't right man. Something....is just...." He was shaking. Lubb: "thulani ungaqali nawe please!" Lubby coughed. Thulz: "what do you mean ndingaqali Lubabalo! I can't just sit and pretend to not care!" Lubby coughed some more. Thulz: "I mean, this doesn't just happen, uChuma, uLuthando noLihle? Who's next?" Lubby coughed even harder. Thulani was almost too scared to look. Thulz: "Lubby.....please sani. Ndiyak'cela fethu." Lubb: "Stuj-" he coughed and took the bin to throw up. It was blood. Lubb: "I'm good...I'm fine." Thulz: "hayi fondin!" The nurse rushed to him. Lubb: "andise dizzy!!" Thulz: "Lubby!" Lubb: "I'm okay...just get Stuja ayolanda Namhla...then..." He breathed. Lubb: "amse ku Sylvia." Thulz: "okay!" The nurse held Lubby to another room. Lubb: "I promise I'm fine." Nurse: "you cannot be fine, ughaba lanto." He washed his mouth. Nurse: "sit still." Lubb: "uzand'hlab naliti? Hayi angekhe!!!" He walked out and paced through the passages. He called Lukha. His phone rang to voicemail. Lukhanyo was standing outside Chuma's room crying. He held onto the door. The doctor's were busy with the little boy. Nobody could tell him what was wrong, what happened. Didn't they say he was stable? Now kwenzekani? The headache he had was persistent and all he could do was cry. Why was this happening to him. Sibongile arrived with Sima. The

nurse updated her on what was happening. Sbosh: "nurse, will my child be okay?" She sobbed. The nurse couldn't answer. Nurse: "the doctors are doing all they can sisi." She walked away. Sbongile sat down playing with her fingers. Luks: "what have you done Sbongile?" Sbosh: "I didn't do anything." Luks: "ngok kuthen kuzovele kubenje! Kanye xa umkile apha! Why are you doing this?" Sbosh: "yazi. Uyandichakra ngok!! You are making me FUCKED. UP!! You blame me for every damn thing kodwa ndim that suffers a lot ngenxa yakho! If you could keep your dick in your pants, I wouldn't have left that night. Xolani wouldn't have been there. I fell vulnerable because nguye ebendinika attention that night. He RAPED me!!! I tried and tried to get your attention to get you to listen but you chose ubrother wakho ! Wandinyise ngok ndimithi and I landed here! Again, he came and took your place to comfort me! Bek'funeka ndithin? What did you want me to do!!!" She cried. Sbosh: "when it best suited you, wandi replacer wayotshata a girl you hardly knew. And you know what? I'm glad you did. Because mna bendingafun nto indidibanisa nawe! But ndakunyamezela Lukhanyo because of Chumani. Now, you have no platform, no right no Nothing!! To give me the crap you're giving me!" He stood still and stared at her. Then breathed as he sat down. Luks: "I'm sorry Sbongile." He whispered. Luks: "I just don't know what to do...I feel soo helpless, it hurts ubona umntanam olahlobo. Ndithethe ngomsindo ndingaziva and I didn't consider feelings zakho. Uxolo." She kept quiet. Luks: "sorry va?" Sbosh: "okay." His phone rang. He answered this time. Lubb: "bafo. Uphi?" Lukhanyo directed him. Lubby arrived minutes later. Luks: "what's up?" Sima stared at them both. She didn't know that Lukhanyo had another him. Lubb: "ngu Lihle fethu...noLuthando." Luks: "batheni lukhanyo?" Lubb: "luthando got sick, the doctors are busy naye, Lihle yena uveske wa-suffocater umka kwakho then she stopped breathing." Luks: "what!!!" Lubb: "I don't know what's happening sani. Whatever it is, needs to be dealt with." Luks: "uphi uLuhle?" Lubb: "ndithe kuThulani afownele uStuja ayom'landa noNamhla abase endlinam. I was coughing up blood, doctor? Am I gonna die?" Doc: "no, you look fine." Luks: "doc, how's my son?" Doc: "we're trying the best we can sir." Luks: "but what's wrong!!!" Doc: "its what we're trying to find out." Lubb: "try some shit else! Because this isn't working!" Doc: "sir, we gonna need you to calm down. Your son needs all the love he can get. The moment he's well. You will be informed." Luks: "so he's going to be okay." Doc: "I will do everything in my power sir." The nurse nudged his rib. Lubb: "do you promise." The doctor couldn't promise. Luks: "lubby bazobulala unyana wam ababantu!" Lubby held his brother while he cried. Lubb: "masiye kuLihle noLuthando sizobuya." They walked to her. Nothing had changed. Lukhanyo just cried sitting in the chair. He was in pain. Luks: "baby andinoshiywa nanguwe. Please wake up.."

Thulani walked in. Lubb: "uphi uNamhla?" Thulz: "base Lovemore. They're safe." They went to see Lutha. His breathing was calmer and he was fine. Luks: "luthando yena uthen?" Nurse: "he had an asthma attack." Lubb: "that was definitely not an asthma attack. Ndiyayaz lento ndiy'bonileyo!" Luks: "what did you see!" Lubby couldn't explain. Thulz: "it was not normal Lukhanyo." Lukhanyo held his son up. Luks: "can I take him home?" Lubb: "I don't think that's a good idea." Luks: "Hayi niyanya kengoku! Maybe its just a coincidence! Uryt mos ngoku uLutha! NoLihle uzobaright plus Chumani! Don't you guys have faith anymore! Lubby?" Lubb: "I do." Luks: "then masigodukeni." He was still tired and more restless than before. Lubb: "sizobuya ekuseni." Nurse: "maybe if you left the boy for another day, ndizom'jonga." Luks: "hayi man nur-" Nurse: "its for his own good." Lubb: "unyansile Lukhanyo. Let him stay." Lukhanyo set the baby back down. They walked out to their cars and drove home.

They entered the house. It was cold and windy. Luks: "nguban oshiye vestire zivulekile?" Lubb: "hayi tatekhaya akho windows zi-open apha." Luks: "but something is open. Akunobanda oluhlobo." He entered his bedroom. There was a nasty smell he just couldn't take it. Luks: "what the fuck is that!!!" Lubb: "yilento inukiswe nguLihle! Do not inhale." Luks: "but what is it!" He entered the room and looked around. Thulani came in, covering his nose and mouth. Thulz: "yinton ngathi kubekwe into." Lubb: "but nobody has been here." Luks: "nguban lo use lounge? Did you hear that?" Lubb: "lukhanyo stop playing games. You know my bladder don't got time for this." Lukhanyo opened the wardrobe. Nothing was there besides his clothes. Thulani checked the bathroom. Lubby checked under the bed. Luks: "mas'phumen apha." They sat in the lounge in silence. An hour later. Lukhanyo had fallen asleep again. Same as Lubabalo. Thulani couldn't. There was something he wasn't trusting. Lukhanyo was in a deep sleep once again. This time he was walking. He didn't understand where to. Just kept walking. Someone was walking next to him. Luks: "ufunanto kum Xolani. Ude undithakathe kodwa use ngcwabeni!!" Xolani: "ukhaw'lelwa zinto zakho Lukhanyo. And now everyone that bears the name Mzinyathi will carry all your burdens. Mna ndifuna umntanam nomfaz wam qha. Just let go." Luks: "let go? Fondin, awuna mfazi!! And Chuma akakwazi! Ndiyak'cela fondin." Xolani stopped to look at him. Xolani: "I won't stop. Until I have what's mine. Nawe ulale k'le ndawo ndileli kuyo." Thulani shook Lukhanyo awake. He woke up. Lubb: "fondin! What the hell!" Lukhanyo started crying. Luks: "he wants me finished.....ufuna yonke into yam iphalale..he's not going to stop!" Lubb: "anganya kalok Lukhanyo!! Who the hell is he?" Luks: "xolani." He sobbed. Lubb: "haibo silwa nes'dumbu? Hayi Lukhanyo." Luks: "its him lubabalo!!" Lubb: "no its not! He's dead!

Uyeva lukhanyo? Ufile lomntu akaphind abuye. D.E.A.D. Not coming umva. Please stop acting crazy bafo uyandoyikisa." Luks: "he's here." Lubb: "okay masambeni." Lukhanyo got up. Thulani held him to the car. Luks: "ngok bendigula.....it wasn't by chance. It was him." Lubb: "Lukhanyo I'm gonna slap the shit out of you! I swear. He isn't alive! These things you watch on tv are the ones that are scaring you! There's always a reason for something, wagula because wawugula! Chuma ugula because uyagula! Lihle inhaled something and there's probably a dead animal somewhere in your bedroom. So don't go blaming people who aren't even alive. Because balele!" Thulz: "khayeke nawe Lubby." Lubb: "hayi nawe man Thulan iyandinxilisa lento kaLukhanyo!" Luks: "he's here." Lubb: "hawe-mother!" He locked the house and they drove off. Lubb: "dude I need my twin back. Yhini na nyanam. Lubb: "okay, Thulani funeke uyolanda umama ka Lihle ksasa and tell her. Luks: "Dwesi." Lubb: "huh? Ufun uye dwesi?" He drove to KwaDwesi instead. The car wasn't speeding at all. Thulz: "stopp!!!!" Lubb: "what?" Thulz: "I-" the tyre ripped of the car and they swerved off the freeway. It rolled over multiple times and hit a pole facing upside down...

Chapter 514

Lubby crawled out the car. He was fine. He pulled Thulani out then helped Lukhanyo. Lubby started crying. Thulz: "its okay Lubby, kuzoba grand." Lubb: "its not that.." He sniffed. Lubb: "look at the car. Lihle's gonna kill me." Thulz: "maybe its about time we let go of le Benz. Kunin isiwa. Hayi suka Lihle values you more than a car." Lubb: "what the hell just happened?" Lukhanyo took out his phone and called Soso. Luks: "Sonwabise?" Soso: "hello, you okay?" Lukhanyo breathed. Luks: "no. Ndiphinde ndafumana accident. I'm with Lubby no Thulz." Soso: "nguban uThulz?" Luks: "nothing much other than taking what's his. And he said whoever has the name Mzinyathi will carry my burden." Soso: "uphi lo brother wakho can't we talk to him?" Luks: "he's dead." Soma: "okayyy. I'm going home." Soso: "nobody is going anywhere. Lukhanyo, ubhubhe nini lomntu?" Luks: "year back or two, I can't remember. Can you just make it go away!!!" Eyam ifaith iphelele kuThixo and nobody else." Luks: "but will He be able to help me? Protect my family? If ke kufuneka kufe umntu can it just be me?" Soso faced him. Holding his shoulders. Soso: "close your eyes let's pray." Lukhanyo closed his teary eyes. They joined heads. Soso: "Dear Lord, our Father. We come to you this night to ask Your forgiveness for our sins. We pray Lord that you are able to protect the name Mzinyathi from all that comes to hurt them. Jesus, we Depend on You for survival.

For faith! I personally pray to You to help the young man I am standing with, He needs your love and understanding dear Lord, his family is in danger. His life is in danger. They all sat inside the house, locking the doors. The mother made them warm milk. Heating up food as well. Lubby ate. Lukhanyo started crying. Vuyisile sat next to him holding his back. Dad: "sulila kalok nyana. Kwenzekani?" Lubby put down the food and explained what happened at the house, Lukhanyo's dream and the accident as they went to Kwa Dwesi.. Soso took over from the driving to getting lost because of Lukhanyo's lame directions. Dad: "wooah hold up. Nimamela umntu othi ngenani ehlathini and drive straight? I'm sorry but." He burst out laughing. Dad: "Airpic! Wooooah, and then?" Soso continued. Dad: "oh kodwa my boy. Bingengo Lukhanyo othethayo." Lubb: "tatoow. I know my twin's voice better than my own. Ma: " does he have much time.." Dad: "I don't know." Ma: "can't we try anything?" Dad: "I've got a friend. Ungu mfundisi. Let's go to him ksasa. Whispering and giving out directions, how did we become stupid? On any normal day, besingasoze simamele." Soma: "I know right? Mas'lale man Soso, this whole thing is freaking me out." Soso: "let me send Mandy a message, I wonder uyayaz ba Lihle usesbhedlele na." He sent the messages, chatting to Mandy. Not mentioning the incidents or why Lihle was there. Soma fell asleep.. Thulani woke up the next morning and walked to the kitchen. Lubby was sitting at the table already waiting for his porridge. Lubb: "I love mornings." He drank his cold coffee. Ma: "I still want to know why you drink cold coffee." Lubb: "hayi wethu mama, it keeps me awake." Lukhanyo walked in the kitchen. His eyes were dark and hollow. Luks: "molweni." Ma: "hi sweetie pie." They ate their porridge. Soso came to eat. Soma followed. Vuyisile walked in. Ma: "dear, leave your garden stuff phandle uzodakisa apha!" Dad: "okay, sorry love. Are we ready gentlemen?" Dad: "make sure, babuya bazapha. Ava? Don't let them out of your sight." Soma: "but he seems okay now." Dad: "yes he seems okay. But still be extra

Lukhanyo went straight to the bedroom and locked the door. Soma: "what in the world....." He shivered. Soso: "someone please explain okuk'banda to me." Soma: "and that smell!" Lubb: "Lukhanyo!!" He banged on the door. Lubby's phone rang. Lubb: "hey honey!" Estella: "hey...how are you?" Lubb: "bad..." He breathed. Estella: "why? What's wrong?" Lubb: "I can't even explain it babe!" Estella: "well, I'm here in PE thought I'd surprise you." The door opened. Lukhanyo walked out. Lubb: "I am surprised sweetie. I'll get someone to fetch you okay? I'll be in the house in a while." Estella: "okay. If you're sure..cuz I don't wanna disturb." Lubb: "yeah I'm sure." Estella: "bye." He hung up. Luks: "I'm done." Lubb: "nyana...you didn't change." Luks: "masamben." He pulled him off and threw him across the room. Soso ran inside. Soma: "kwenzekani?"

He walked out. Soso and Soma went out with Lukhanyo. They all went to Lubby's house. Thulani went to check on Namhla. Estella had arrived. Lubb: "hey.." Estella: "what's going on?" Lubby sat down and explained. Lukhanyo sat on the couch, looking at the floor. Estella: "I can...I feel it." Lubb: "babe, this is not a joke." Namhla came into the lounge. Namhla: "unyansile bhuti, khang silale noLuhle all night." Lubb: "how do you feel it?" Estella: "there's a negative energy Lubby. Something cold and unattractive." Lubb: "what? How?" My sister was being driven by something none of us knew. Until she just suddenly committed suicide." Lubb: "how do we prevent it?" Estella: "you need strong prayer." Lubb: "but your sister died." Estella: "what's that smell?" Lubb: "Lukhanyo izithi kanti nguwe lo umane ngobopha apha!" Estella looked at Lukhanyo. He looked back. Estella: "lubby..." Lubb: "what?" Lubb: "what do we do?" Estella: "pray!!" Lubb: "I can't!!" Estella: "he's playing with your mind Lubby, YES you CAN!!" Lubby fell to the ground and hit his head....

Chapter 516

Soso: "kodwa Lubby! I told you to stop aggravating him!" Lubb: "shuuuuu. Ayise bhlungu ntloko yam." Estella: "we need a priest. To perform an exorcism." Lubb: "HELL NO! That could kill him!" Estella: "this thing will lead him to death either way!" Lubb: "No!! We just need to sit down and think!" Soma: "okanye sim'se kutata aye kuMfundisi." Lukhanyo growled. Lubb: "hayi mpa." Thulz: "ndizoshiyeka mna." Lubb: "okay, keep an eye on everything. If something isn't right. Call me immediately." Estella took out her little Bible and started praying in Portuguese. Lubb: "xolo wethu lady. Asikuva thina." Estella: "Senhor Jesus, por favor guiar o caminho." (Lord Jesus please guide the way.) Estella: "come Lubby, bring him with."

They got in Lubby's Mercedes. The big one. Soma drove home to his father. Soso drove the other car. He picked up his parents and they went to the church. Luks: "turn right." Soma turned right. Estella: "what are you doing?" Soma: "he asked me t-" Estella: "you Do NOT listen to him. You know the way right?" Soma: "I don't know." Estella: "yes you do. Go back!" Soma stopped the car. Estella prayed again. Estella: "Nós estamos olhando para você para a proteção contra este espírito maligno. Senhor, por favor nos salvar!" (We are looking to you for protection against this evil spirit. Lord please save us!) Soma drove back, finding his way to the church. Lukhanyo stared at Estella coldly. Estella: "looking at me won't change anything. You are leaving Lukha's body and returning wherever you're from! In Jesus' holy name!!! AMEN!!" Lubb: "Yes!" When they arrived at the pastor's house, getting out of the car. Lukhanyo stood at the gate, while the others went in. Lubb: "bafo?" Luks: "andingeni mna apha." He whispered. Lubb: "hayi ungandenzel lonto mna!" Luks: "andifunwa apha. Andizongena." Lubb: "Xolani, Lukhanyo, Steve, Jacob, whatever you are! Uzowngena apha!!!!" Luks: "No..." Lubb: "YES!" Estella: "wait..." Lukhanyo stepped back. Lubb: "wait for what?" Estella: "lukhanyo....can you hear me?" Lukhanyo stepped back further. Lubb: "he's gonna run." Estella: "Lukhanyo!" He turned and sprinted. Lubby ran after him. Soma took the car and drove after them. Estella: "Lord please...Your children are suffering. Show us the light!" They brought him back to the church and entered with him. The priest lit candles and prayed. Lukhanyo sat there quietly. Luks: "andiyazi noba nicimba niyan'gxotha na." Lubby got a fright and ran behind the priest. Lubb: "uyamva? uyathetha! How dare he!!" Vuyisile: "nyana xola kaloku bekunini ngoko.." Lubb: "yuuh tat'Vuyisile ungak'linge uzame. undityhale ndayowa kwa ndokwenza mna." Soma giggled. Soso: "uz'wele Lubby don't lie in the house of God." Lubb: "hayi Soma, khandiwe undityhalile!" Priest: "shhh...." He burnt something in a bowl and walked around Lukhanyo in a circle. Priest: "konke ububi, buphume k'lomzimba. Ngumntana ka Thixo lo, not yours. LET GO!!" Luks: "let go of what?" Priest: "sund'phendula xandithetha!! Phuma k'lo mzimba ubuyele apho uvela khona!!" Lukhanyo stared into his eyes. Priest: "ndithe phuma k'lomzimba! Buyela apho uvela khona!!!" Lukhanyo folded his arms and stared at him. Priest: "phuma!!" He choked. Ma: "mfundisi!!" Priest: "susani lo satana kwam!" Ma: "hayi mfundisi! Sizoya phi naye enje!" Priest: "ayingangam lena. Something is blocking me. Kukho omnye um'phefumlo. Or more." Lubby swallowed. Lubb: "mfundisi. Mfundisi, uthi its not one?" Priest: "no!! Wenzaani Lukhanyo? What have you done boy? Yhini aba bantu bekuzonda kangaka?" Lubb: "Pastor, sokwenze njani kengoku." Priest: "keep praying. But asikwazi uphelela apho. We need to fix it." Dad: "if sinom'sa emntwin?" Priest: "I can't answer you." A Holy cross fell on the ground. The priest went to pick it

up and set it on its place. He continued praying, sprinkling holy water at them especially Lukhanyo, who wasn't even budging. Dad: "okay." Ma: "Siya ku tata?" Dad: "ayikho enye indlela vrou." Priest: "do not stop praying. Eli lady, sisi..." Lubb: "babe.." Estella: "yes?" Priest: "do not stop praying." Estella: "yes sir." They went to the car and drove off...

Hours later...Lukhanyo was back to himself again. Luks: "bafo." Lubb: "hm?" Luks: "my back is sore. Ndibawela unqenqa." Lubb: "ungalali ke va." They were at the Tembani's house. Dad: "kodwa ke libhadi eli snaaks eli dear. The one time we need a healer, he's gone!" Ma: "uzaw'buya sthandwa, at least his assistant gave us into yoqhumisa." Dad: "that won't help! Yohlule umfundisi! What is a little smoke gonna do!" He was panicking. Ma: "mnyen wam...uzoba right uLukha. See? He's okay now." Dad: "he hardly sleeps! Out of the blue atshintshe abengomnye umntu. Um'vile lamfundisi? Uthi its not one evil being. There's MANY. Bonke banomsindo and tonight, I'm scared for tonight." Lubb: "I think we should go back to my house." Soma: "yeah. I don't think I wanna sleep alone tonight. Noba siyi group." Ma: "dear?" Dad: "okay. Uhm...thatha dear iiBible zethu, and our crosses. Ngay'libali oil." They took all their things and went to Lubby's house. Estella created a living space in the lounge. Placing little Holy crosses around. She lay blankets on the puffed up mattresses and sprinkled the Holy water and oil while praying. She dipped her thumb and drew a cross on Lukha's forehead. Then Lubby, Thulani, Soma, Soso, Namhla and Baby Luhle. Plus her little ears too. Lubby lit up the fireplace to warm the house because it was getting cold. Estella went to make them a warm lunch. Lubb: "thank you babe. Your help is very much appreciated." Estella: "I don't mind." Lubb: " you just turned this place into a Holy sacred place for us. I feel safe." He hugged her, squeezing her tightly. She smiled. Lubb: "what are we having to eat? The way I'm so hungry." Estella: "you're always hungry...do you have board games? So we can play together as a family." Lubb: "I'll go fetch them upstairs." He went to his office upstairs. Estella brought the food to the lounge. Everybody dug in. Even Lukhanyo ate. Luks: "I want to go see my wife and kids.." Soso: "that is not really a good idea." Luks: "but she's my wife." Soso: "yes she is, but you tried to hurt her." Luks: "ndenzeni?" Soso: "ubum'phefum'lela." Luks: "bendim'phuza." Lubb: "with your mouth open? Haa! Negro please." He put down the games. Lubb: "we have snakes and ladders, scrabble, twister and Risk. Choose, my'khethel." They started playing for a while laughing together happily.

Later that evening.. After their dinner. Lubby was on the phone with Zintle. Lubb: "I'm sorry Zintle, but andikwaz uza kuBuhle until iphele lento yenzekayo." Zintle: "what is that?" Lubb: "its a sensitive topic. But I'll keep you posted." Zintle: "she's been

Lubb: "okay. but Zintle if uyaphinda. Tell me right away. Then we'll have to take a chance." Zintle: "okay, I will." He hung up. Lightening started outside. Lubb: "uph uThulani?" Soso: "ungenisa iimoto. Here he is." Lubby went to the door and pressed a code. The gate at the far end to enter the yard closed. He locked the garage. And all the doors. Thulani and Estella closed the curtains. Namhla brought Luhle's tub and bathed her. She dressed her in her pink jumpsuit and let her crawl around. As soon as everything was done. They switched off all the lights and let the candles burn. Estella: "can we all come closer and pray." They sat on their mattresses and closed their eyes to pray. Lubb: "Lord our God, we come to you this night again, to pray for protection. Guidance. Healing Lord. We ask that you get rid of this dark cloud hovering about in our homes, bless us. Anoint us with your heavenly touch. We trust and have faith in you. For you are, our Lord." Estella: "Curar os membros desta família que estão naquele hospital Senhor, trazê-los de volta para casa. Restringir a escuridão que está tentando quebrar-nos para baixo!" (Heal the members of this family who are in that hospital Jesus, bring them back home. Restrict the darkness that is trying to break us down!). Soso: "Thixo, Somandla, Nkosi enofefe. Singabantwana bakho. Siguqe ngawo mobabini amadolo sicela uxolo ngezono zethu. Siyayazi akusoze usilahle. Asoze usiyekelele ebubini." Ma: "when it is dark we look upon You Lord, You are our light! You lead the way." Lubb: "in Your holy name." They all said together: "Amen." The house was quiet. Lubb: "okay. Sonke sise right bethuna? Ndizise bucket? Kanye sekhona ufuna ndim'khaphe aye toilet?" They laughed. Thulz: "khalale Lubby." Lubb: "ndilele ke." Luhle crawled to Soso. Holding his ear and pulling. He didn't know how it react so he kept quiet. Lukhanyo was still sitting on the couch. Namhla fell asleep first. Soso put the baby next to him, hoping she would sleep. They all fell asleep. Lukhanyo smiled. He stood up and walked around blowing out the candles.

Chapter 517

Lukhanyo walked to where Luhle was sleeping. He picked her up and held her in his arms walking around the lounge smiling. The baby woke and stared at him. She started to sniff out a cry. Estella woke up. Estella: "Put the baby down." Lukhanyo smiled. Estella took her Bible. Estella: "in the name of our Father, our Lord and our Savior. You will put that baby down!!" Luks: "Make me." He threw a lamp at her. She screamed blocking it with her arms. Everybody sprang up. Lubb: "Jonga, andizolwa

nawe sani ne!!" Soso: "Lubabalo be careful he's holding the baby." Lukhanyo grabbed a knife with one hand. Namhla was crying, covering herself. Dad: "nyana, listen to me.... Ngumntana wakho lowo. Please don't do this." Luks: "give me back my wife!!!" Lubb: "she's in hospital ngenxayakho!!" Soso: "Lubabalo!!!" Estella stood up and prayed again. Soma tried to light the candles back on. His hands were shaking. Soso joined in prayer. Lubb too. Ma: "please sweetheart, give me the baby.." She walked slowly to Lukhanyo." Dad: "Lukhanyo, hand over your daughter." Soma's mother took the baby from him. Lukhanyo turned the knife around. Lubb: "noooo!!!!" He grabbed the knife from and they fought! Lukhanyo turned Lubby over and strangled him. He was choking to death. Thulani and Soma grabbed Lukhanyo, he pushed them both away and fought with Lubabalo. Thulani had hit his head on the table. Lukhanyo growled in anger, holding on with a firmer grip, squeezing the life out of his brother. Lubb: "ba-fo..." He choked. Estella hit Lukhanyo's head with a Bible repeatedly. He grabbed her chest and shoved her across the room. Soso prayed harder. Estella went to him again. Praying, opening the Bible and reading. Estella: "In Th-" he pushed her aside and carried on... Soso screamed at him from the bottom of his lungs. Luble was screaming painfully. Estella pushed harder for prayer. Soma couldn't watch any longer. He held onto his father crying. Thulani held Namhla back while she cried. Estella: "FIRE!!!" Luks: "GRRRRRR!!!!" He roared. Estella: "FIRE!!!!!" He growled. Soso: "PHUMA!!!! Jesus is in control!!!!" Lukhanyo fell down and started crying. Estella didn't stop, she continued over and over again. Praying until her voice burnt. Lubby stood up. Lubb: "YI MPI!!! Hayin madoda nide nind'phakanyele. Dad: "khanim'yeken this time....maybe he'll wake up with answers.." Estella: "should we let him sleep?" Dad: "yes dear." She fixed him a comfortable pillow and covered his shivering body with a blanket. She held his head softly, allowing him to fall asleep. Lukhanyo was in darkness. "How does it feel..." A voice crackled. Lukhanyo couldn't open his mouth. Or speak. "How does it feel to be in pain.....hopeless.....and nobody can help you." Silence. Lukhanyo woke up.

Lubby sat quietly next to his brother. Lubb: "nyana.." Luks: "hm..." Lubb: "what do you see?" Luks: "nothing." Lubb: "come on, we can't help you if we don't

know..umbonile this time?" He shook his head. Lubb: "Thulani, um'fumene uTa Smig?" Thulz: "ndithe ku Stuja aye khona...he says akhomntu phana. Mama ka Lihle uyile esbhedlele today and I told her ke akazokwaz ubona uLukha because he's got this multi-personality syndrome. And its getting worse by the day." Lubb: "Estella, what really happened with your family?" Estella: "I don't think its ideal for you to hear that right now." Lubb: "we might as well hear it now and talk about something." Thulz: "uTa Sizwe yena?" Lubb: "sizwe is probably gone already. Come to think of it....the last time we saw him, wayengekho grand. What if it was already started? He felt it?" Thulz: "could be...because You know him. But sizom'fumana phi?" Lubb: "I have no idea...or we could travel to the farm ku tamkhulu." Thulz: "or not. The last time sizame ukuya net aphe Dwesi you saw what happened. Maybe we should call them baze qha." Lubb: "what did you mean, akho bantu endlin?" Thulz: "that's what Stuja said..uthe ufike kungekho bantu." Soso: "what if Stuja is compelled to say that. Or khange aye at all?" Lubb: "then how are we gonna know because we clearly can't go." Dad: "sizoyeni ksasa. Then go somewhere." Luks: "where's somewhere?" Dad: "its best you don't know." Ma: "okanye siye ngoku." Dad: "haibo sthandwa its not even midnight. Sohamben ngo4 because kuyagcwala pha." Lubb: "akhomntu ubawel und'khapshe siye bathroom? Estella?" Estella: "what?" Lubb: "I need the bathroom." She accompanied him to the bathroom and waited outside. Lubb: "I should put a couch in here. Don't you think." Estella: "its a bathroom." Lubb: "yes and sometimes you want to chill in a bathroom." Estella: "no you don't." Lubb: "okay I don't. But me and Bafo like to accompany each other here. He bathes while I sit and talk." He flushed and washed his hands. Estella: "you really miss him." Lubb: "more than I miss myself...this whole thing Estella, its playing with my head I'm always thinking and wondering what's gonn happen next...I just can't do it anymore. I can't live in fear." She hugged him. Estella: "things will be okay Lubby. You just need to believe..you have a great support system. Just encourage Lukhanyo to pray with you." Lubb: "I need it to be okay right now. I miss my family. I'm dying inside Ella, I miss how everyday I'm sitting there watching tv. Linki walks in with a plastic as always. She brought me nice things from work and school. She made me food. You're....you remind me of her." He pulled back and looked into her eyes. Estella: "we need to get back to the lounge.." Lubb: "uhm...yeah." He cleared his throat and they walked back. Lubb: "I wonder how's Little Lubby doing. I wonder if he woke up yet. And Chuma... Lord knows how much I miss my kids. All of them. I can't even..." He sighed. Lubb: "buhle...." Estella: "we'll go to them for a little visit tomorrow okay?" Lubb: "what about work?." Estella: "tomorrow is Sunday. Plus I called your dad and told him what's happening. He's coming down for the day." Lubb: "heee, hayi Lord uXolani

une fans." Estella: "who?" Lubb: "XO babe. Xolani." They sat until they left for the inyanga...

It was dark and cold. Thulani held Namhla's hand as they walked out the car. Soso was holding the baby. He had dressed her warmly and covered her with her thick blanket. His heart was warming to the baby part. He was beginning to love every second of it. They walked into the yard and sat down. Soso: "I think since kuzele, ndizayohlala emotwen with the baby. Kuyabanda." Soma: "with the baby? You?" Ma: "kham'yeke Soma, nawe sele uhamba." Thulz: "babes, nathi masilinde motwen." They left. Vuyisile and his wife were left with Lukhabalo and Estella. They were 4th in line. They waited. Ella was getting cold here. Lubby wrapped his arms around her for comfort. Lubb: "you okay?" Estella: "just freezing. Otherwise I'm fine." Lubb: "this is my first time to a traditional healer. I'm more confused than a homeless person on house arrest. Like what am I even doing here. You know?" She giggled. Estella: "just relax. You'll be fine." Lubb: "easy for you to say. You're allowed to be scared. I'm the man and I feel like running my pants right now." She kept giggling. Estella: "stop..." Lubb: "sorry. I'm quiet now." Dad: "what are you two giggling about." Lubb: "is.....is that a rat." He lifted up his feet. Lubb: "oh my gaaurd!!!" He screamed. Estella: "shhh babe, it won't harm you! Its smaller than you!" Lubb: "so is a grenade!" Dad: "just keep calm boy..we're almost in." They waited for their turn and eventually got up. Ma: "okay, nizongena nina. Lukhanyo take off your shoes, nawe Lubby." Lubb: "what else mama?" Ma: "nothing else sthandwa sam..ngena wena qha. Uzova phambili." Lukhanyo took off his sneakers and stepped in, with Lubby. The inyanga stared at them and started chanting. "Haaayiii!!! Phandle!" Lubb: "huh?" The old women breathed and breathed. Growling and praising. Clapping her hands. Inyanga: "wonke um'phfumlo ohamba naye umshiye phandle!!!." Lukhanyo stood back. Luks: "andiyi ndawo mna." He whispered.

Chapter 518

Nyanga: "HEY!! Ntondin!! Ndithi phuma!!!" Lubb: "Xolani, this is not the time. Honestly. We not here to play." Luks: "heh.." He stepped back. Lubabalo held him and shook him. Lubb: "Phuma!!" Nyanga: "Thokozan, za nemvubu yam pha." Lubb: "hayi noko ma, andino kwazi uy'vumela lo piece." Nyanga: "ngena naye." They entered and sat down. Lubby put down an amount of money before him. She lit a little of her traditional herbs and listened as Lubby explained everything. Nyanga: "wabulalwa phi uXolani?" Lubb: "phandle endlin ka Lukha. Pha eyardin." Nyanga:

"oh." She started chanting again. Nyanga: "spirit sakhe siphelele pha. Which is why landlu ngoku injeya. Yeyakhe." She threw her bones while in praises. Lubby peeked a little around the room. 30 minutes later. Lubby and Lukha walked out. Wore their shoes and waited for Thokozani. He came with them to the car carrying their herbs. Lubb: "siqala endlin ne?" Thokozani: "ewe bhuti." They drove with him one car. Vuyisile ma. Lukha, Lubby and Zani. The others took Lubby's big car, Thulani Soma and Soso, Namhla and Luhle with Estella went to Lubby's house to wait. Lubb: "mama. Uthi ugogo siyolanda uBhut XO pha eFord. Simse mangwabeni. Then the rest is up to Lukhanyo." Ma: "okay nyana." They got to the house. Thokozani prepared his things outside. Zani: "wafela phi." Lubb: "I wasn't there....I don't know.." Lukhanyo went and stood at a certain spot." Zani: "apho?" He nodded. Just as Thokozani started to walk, his body shook. Zani: "hayi!! Hyyiii..." He started clapping his hands. Lubb: "its not there...it wasn't there!!!" Lubby thought hard. Donkey had once explained to him. He just needed to remember. He retraced everything. Looking around the yard. He was an engineer. He should know this! Lubb: "if the car was parked here. Lihle was taken out of the car by X. Bama apha." He stood at another spot. Lubb: "tata, xolo ngok'phazamisa cela uyoma ngase mnyango." Vuyisile went to the door of the house. Lubb: "so if umntu ume apho, they can aim and shoot Here. Here's the spot." Thokozani came to him and lay down the bowl, burning of herbs. Lukhanyo held his head and cried. Thokozani: "don't touch him. Vula pha endlin." Lubby unlocked and they went inside. Thokozani went around the house. Then into all the bedrooms finishing with the main. He put the bowl down. Opening all cupboards, drawers, the bathroom everything. Then took out a dirty old plastic. The smell was coming from it. Zani: "Lubby." Lubby went to the bedroom and looked. He got a fright. Lubb: "what..the...hell! Yiyo lento inukayo? Ifike njani apha!!" They went to the back yard. Zani: "kudala ikhona into kulendlu. Qha niyibona ngoku nina. Its been years." They burnt the plastic. Lubb: "don't we take this to XO? Maybe yeyakhe?" Zani: "ha.a." After they were done with the house they left for the graveyard. Lukhanyo walked slowly behind. Thokozani lay the bowl again at Xolani's grave. Thokozani: "Lukhanyo, theta nomninawa wakho ucele uxolo. Wazise noLubabalo. Sonilinda emotwen. Und'bize xa icimile lento." Lukhanyo kneeled down on the grave. Luks: "ndakwenza ntoni sani? What have I ever done to you kude undicapkele lendlela? Und'bulalele ifamily yam. What have I done Xolani? You first killed my father. Bek'suppose ndik'qhwabele izandla? Our father Xolani!!" He cried. Luks: "I hated you with a passion! Then you took Sibongile from mna. Wathatha noLihle! Mna ndakwenzani dan? I have never done anything to hurt you. But wena you stopped at nothing to bring me pain. That's why I killed you. Ubufuna kwanto

yam, unomona ngam! I'm sorry Xolani. I'm sooo so sorry! Ndicela undixolele. Tata wayek'thanda but you know how he is. Nakum wayenjeya but all it took was a little patience man. Please Xolani, ndak'cenga. Let go of my family. Chumani, ewe ngumntana wakho but he deserves a chance at Life. Wonwabile lomntana, I love him like my own. Lihle uyayazi ba wayek'thanda Xolani. She tolerated you nento zakho. But awusekho emhlabeni ngoku. Rest in peace awti yam. Please." He wiped his tears. Luks: "ngu Lubabalo lona.. Mkhuluwa wakho. I met him a year back and I'm sorry you didn't get to meet him. Sizozama oko sinako to appease you and the rest of our family engasekhoyo. Sixoleleni Mzinyathi. Bhele, Khuboni, Langa, Mafu, Qunta, Ndabezitha, Mnomana. Ndiyaxolisa." the little fire burnt down. Lubb: "let's go." Lukhanyo stood up. Thokozani came to fetch the bowl. They walked to the car and drove off.

At Lubby's house. Soso was changing Luhle's diaper making funny faces at her. She kept giggled and covering her eyes. Soso: "ima kalok...ndisule kqala." He wiped her bum then let her play before he dressed her again. Soso: "let's go and eat. Awulambanga? Iza." They went to the kitchen. He kissed her cheeks. Namhla just got out the shower and was dressed in her long black and white dress with a cardigan and sandals. Estella was reading her Bible. Thulani upstairs, working. The others arrived. Lukhanyo had finally bathed and changed his clothing. Everyone sat down. Lubb: "one thing is out the way. At least. Now, funeke senze umsebenzi. We have gotten rid of the half beings bezilandela uBafo. We came back from the cemetery. We've apologized to Xolani. Now we have to apologize to the rest of the family." Soma: "so...asizolala kab'hlungu anymore?" Lubb: "Thokozani believes that Xolani usukile kuthi...naku Lukhanyo. I am hoping so nam. Ndimince um'chamo. Kodwa ke ndiyam'believer. The problem is, we need to find our elders. Bazosenzela lo msebenzi. So again, sizozama siye Dwesi." Thulz: "if asifumani mntu." Lubb: "then we'll look for ta Seez. Mna ndizayolanda tamkhulu ngomso. We have to do this as soon as possible." Soma: "soyenzela phi?" Lubb: "endlin ka Lukhanyo." Thulz: "okay. Ndizoya ku mama ka lihle and explain." Lubb: "thanks." Lukhanyo's phone rang. Lubby answered it. Lubb: "hello?" Caller: "Mr Mzinyathi? Can you please come to the hospital Right now!" Lubb: "I am on my way." He hung up. Lubb: "that's the hospital." Thulz: "masiye. Iza Lukhanyo." Lubb: "myeke...let him rest a bit." Luks: "no, ndiyahamba nam." Lubb: "you sure?" Luks: "yes." Dad: "hamban boys, we'll take care of things here." They left for the hospital.

Lubb: "doc, How???" Doc: "he just woke up!" He smiled proudly. Doc: "he woke up and asked for his tata." Lukhanyo held Chuma closely. Luks: "ndim lona mntanam...tata is right here." Lubb: "when do we take him home?" Doc: "we're running a few more

tests...but today." Lubby hugged the doctor. Doc: "okay!!" Nurse: "we have a little surprise for you." She was holding Lutha whose hands were already in the air. Lubb: "nanku Nyana!" He took him from her. The nurse took Chuma for his last tests. Lubb: "thank you Lord Jesus, Heavenly Father. You are to be praised, all day err'day!!" Doc: "indeed!" Luks: "and my wife? Is she okay?" Doc: "uhm....I'm very sorry Mr Mzinyathi." Luks: "what? No.." Doc: "sir, she hasn't woken up." Luks: "but she's going to right?" The doctor hesitated a bit. Luks: "no she has to!!" Lubb: "lukhanyo calm down." Luks: "no Lubby, I asked him. Ndim'celile to let go...why hasn't she woken yet!" Lubb: "these things take time abazovuka bonke at once kaloku. Maybe yena angavuka late or ngomso.." Lukhanyo walked to her room. He entered and stood next to the bed. Luks: "baby, I'm fixing everything. You have to wake up and help me!....lihle wake up!" Lubb: "please don't do this to yourself." Luks: "no!!!!" He cried. Luks: "SHE can't do this. Lubby wake her up!!" He screamed. Lubb: "I.....I can't Bafo." Lukhanyo was shaking in pain. Luks: "please Lubabalo....I beg you!" Lubabalo held Luthando closely. Lubb: "lukhanyo...." Luks: "please wake up." He sobbed. The doctor came in picking him up. Doc: "just give her some time sir...she will wake..the moment she does, you'll be the first to know. You'll take her home and tell her how much you miss and love her. All will be well." They walked him out.. Lubby went to sign to discharge the two kids. Then waited for Chuma. Lukhanyo was quiet. He sat thoughtfully and looked at the floor. Lubb: "she'll be fine. In no time nyana. Don't worry." They took the kids and went back home. For once, the normal life started. The sky was clear, everyone was relaxed. Lubb: "khatsho ke nyana.. Ubuziva njan?" Soma laughed. Soma: "please don't bring it up. Ndoyika aphinde abuye." Soso: "hamba straight..." They all laughed. Luks: "what are you guys talking about?" Lubb: "hayi ungak'linge und'xelel ba awuyazi. Lubb: "nanku Bawo Morrison. Hi dad.." Sebastian: "hey son. So, what's been going on?" Lubb: "long story. But we're okay now, this is tata Vuyisile and his wife. This is Soma and Soso, you'll figure out who is who on your own, because I don't know either. And you know the rest." He greeted. Lubb: "I need to go to KwaDwesi, siyonganga lento ka Ta Smig." Dad: "I do not understand what you said." Lubb: "our other uncle, we going to check on him." Sebastian: "okay, I'll be at Richmond Hill for the day. I just came to check on my sons. And my CEO." Estella: "good to see you Mr Morrison." Sebastian: "I'll see you before I leave. Afternoon everyone." He left again. Lubb: "he's always so busy." Thulz: "but he's always there."

Lubb: "masambeni." They took the bigger car and drove to KwaDwesi. Lukhanyo in the back seat. Lubb: "Thulani, khasaph itv ye computer yam." Thulz: "yinton leyo?" Lubb: "iPad man! Lubby drove into the street and slowed down immediately. There were police cars in front of the house. Two handcuffed Ta Smig. He saw them and shook his head, miming: "hamba.." Lubby drove off.

Chapter 519

They went back to Lubby's house immediately. Lubb: "what the hell just happened!!!" Luks: "don't panic, we'll have to wait until he calls us and gives us instructions." Estella: "what's going on?" Lubb: "my uncle has been arrested." Ma: "oh my!" Luks: "everybody just calm down." Chuma walked to him. Lukhanyo picked him up and walked to the kitchen to make a call. Luks: "Stuja? Kwenzekani?" Stuja: "I don't know Ta Luks, ndizamile ukuya pha. Wath uTa Smig ndingayi. We were supposed to go sell tonight." Luks: "so you're telling me products zikuye?" Stuja: "yes." Luks: "shit! Malini?" Stuja hesitated. Luks: "tell me Slulamile! How much its worth!" Stuja: "I think its 200 grand." Luks: "umama yena uphi?" Stuja: "pretoria. Sendim'fownele ndam'chazela." Luks: "okay, we'll keep in touch." Lubby on the other side got his lawyer ready. Luks:"khame ngee Lawyer lubby. Let's hear from him first. Bukhe wayojonga ku Sizwe." Just then he walked in. Lubb: "wow! You're something else. You know that?" Sizwe: "uph uLihle!!" Everybody kept quiet. Lubb: "can we talk this side..." The went out to the patio where Lubabalo explained. Sizwe: "so she's in a coma?" Lubb: "yes." They give him the details of which hospital. Lubb: "we gonna need your help." Sizwe: "with what?" Luks: "how did you know we were here? And Lihle?" Sizwe: "ndiqale kwakho ndafika kungekho bantu, I just felt it...something wasn't right. Nifuna uncedo lwanton?" Lubb: "Ta Smig ubanjiwe." Sizwe: "what? Why!!" One Week Later.

The ceremony went well. In the late afternoon, Lukhanyo was still not feeling happy. A huge part of his life was missing. Luks: "uthin uDan, bout Ta Smig?" Lubb: "akay'fumenanga bail. Apparently he's a flight risk? Where's he gonn fly to? Heaven? Yuuh." Lukhanyo walked out the yard and stared out the street. Lubb: "what's wrong..." Luks: "I miss my wife.." Lubb: "she'll be fine Lukhanyo." Luks: "that's what everyone keeps telling me. And frankly iqal'und bora ngoku. So khame kancinci ngalo line." Lubb: "uMfundisi uthe it will take some time, but siyathandaza everyday. Its going to happen." Luks: "maybe....he hasn't forgiven me. Suppose ndim othathe indawo yakhe Lubby. All my mistakes, my faults, zonke eza burdens suppose zikum! I'm the one who should be in that hospital." Lubb: "bafo. We have to focus...jonga siyenze kakhle le yanamhlanje. Maybe belinde lonto. We have to keep positive." Vuyisile came looking for them. Dad: "Lubby!!" Lubb: "yebo ta? Ndiyeza!" Luks: "I'm losing hope.." Lubb: "please don't....iza. Let's finish today and chill for a bit. Kay?" Luks: "kay." They went back inside the yard. Lubby was walking around with his cup, talking to people he has never met. Stuja and Sindiswa had come with her friends. Lubb: "Masindi, awuse nqabe my f." Sindi: "ndikhona kanti. Bendingayaz nawe uyalunga kwi micimbi." Lubb: "ikhona endingay'kwaziyo? I can even rap mos. Ndiyacula ndiyinto yonke nje... Usaz'nyabele umntana." Lubb: "so you're managing?" Soso: "cela utshintshe uLuhle qha." Lubby pegged his nose and changed the diaper. Lubb: "uphi uNamhla?" Soso: "Kitchen.." Lukhanyo called Sibongile. Luks: "unjani uChumani?" Sbosh: "he's great." Luks: "okay, cela um'chazele, ndiyeza ke ne." Sbosh: "okay." He hung up and drove to her house, collected Chuma and came back. The boy was better but still weak. He didn't run around or scream. He spoke lightly and walked painfully. Lukhanyo couldn't bear to see it so instead he preferred carrying him around everywhere. Soma's mother came to him. Ma: "sweety, kham'beke phantsi adlale nabanye abantwana." Luks: "no ma, he's okay." Ma: "lukhanyo, nothing will happen to him. Just let him heal. Makaqhele. Let him play." Lukhanyo kissed his cheek then set him down. Luks: "khame ndiyojonga uLutha." Ma: "Lukhanyo... Your children are safe. They're fine. Akhonto izokwenzeka kubo. Just relax." Luks: "okay." He went to the men and sat next to Sizwe.

Sunday morning. Asanda went to church. It was only a 2 hour service. As she walked her way home. A red gti slowed down. She immediately lost her patience. The mood swings, swung a lot lately. "Sorry sisi..." She ignored him. "Lady..." She walked faster. "Hayke thetha fondin akandiva mna." The car stopped. The passenger door opened and some guy walked behind. The cologne was soo familiar, but she walked faster. "Uzand'baleka kengok?" She started sprinting. The guy grabbed her arm and pulled her to him. As she turned. It was Thando. He laughed. Asanda: "Thando!!" She hit his shoulder. Thando: "tshin uBaby, unje kanti....ude ubaleke ngenyawo zombini?" He

Lubby was dead tired. With a hangover. Lukhanyo came into the bedroom. Luks: "ugrand?" Lubb: "hangover from hell." He missed Lihle, she would've made those nasty-tasting shakes. Which actually helped. He couldn't mention that to Lukha. Every time he mentioned something that related to her, Lukhanyo would be depressed. Lubb: "basekhona na ababantu, bahamba nin. Yuuuuh Lukhanyo tixa la gate." Luks: "hayi tshi asinogxotha bantu." Lubb: "I have to go to my daughter. Ndidikiwe mna ngok." Luks: "you mean ufun uyo harass(er) uZintle." Lubb: "no, actually. Chuma: "ndi-zo thetha no tata. Mna. I-fuba. Siva kahlungu." He gasped every time a word came out. Luks: "I'm sorry mntanam...masiye kwa gqirha." Chuma shook his head. Luks: "kalok uzokupha iyeza ube right." Chuma: "se-li-le yeza. Lam. Mos." Lukhanyo's heart broke. He just wanted to scream. Why couldn't his son speak properly anymore? What went wrong? Luks: "okay..so what are you building?" Chuma: " ho-use." Luks: "for me?" He nodded and smiled. Chuma: "ho-use ka tata elephant." Luks: "that's really nice..bumbonile uLuthando noLuhle?" She didn't know why, but she was extremely turned on. Thando: "babe....." He pulled back. Thando: "you okay?" Asanda: "yes.." She was a bit embarrassed. Thando: "thetha nomntu wakho kalok, what's wrong.." Asanda: "nothing.." Thando: "babe..." He played with her hair. Thando: "talk to me..." Asanda: "I'm just a bit....I'm just.....feeling hot.. Qha." Thando: "ndilayte air con?" Asanda: "no..." Thando: "but uva shushu.." She was just plain ashamed. She didn't even know how to tell her own boyfriend she was horny. Thando: "kuthen u-uncomfortable Asanda?" Asanda: "I'm not..." Thando: "then? What's wrong?" Asanda: "I want you.." He smiled. Thando: "ungatsho nje....but apha?" Asanda shrugged. He kissed her lips. Sliding his hand under her dress, caught her underwear and pulled it down. She took off his shirt and shorts. He took off her dress. As she lay on the seat. He entered her slowly. She moaned out loud. His body was already weak with pleasure. He went in and out as gentle as he could. His lips on hers. He lifted her legs in the air and groaned himself. Thando: "oh. Yesss....Asanda!" The seat was already dripping wet. He sucked on her breasts and kissed her lips. The car windows steamy. He went slower, then faster. Carrying on for over 10 minutes. Thando: "baby..." Asanda: "yeesss..." He was near finish. He held her lips with his. Holding on to her body. Thando: "aaahhhh....yes.....yess!!!" He went deeper, faster. Then called out her name as he orgasmed. His body melting into hers. They lay quietly for a while. Thando: "ungcolile umntu wam....in broad day light. Unezmanga sana...and I love you." He got up and searched the car for tissues then wiped her softly. He took her underwear and put her one leg in then the other. He pulled it up to her waist. Then took her dress

and dressed her. He wore his clothes then helped her brush her hair. Thando: "let's go have lunch.." He kissed her cheek and got out the car. Holding the door open. She climbed out and went to the passenger seat. Thando drove off. Thando: "funu tya nton babes." Asanda: "I want a burger babe, a big fat one at that, I'm quite hungry." Thando: "okay sthandwa sam." They went to Spur. They ordered and waited holding hands. Thando: "my ultrasound babe." She gave him the little paper. Thando: "cute..singena ku week ban ngok 7 or 8?" Asanda: "this is 8 babe, you've been gone for 2 weeks, ndisangena ku 6." Thando: "so you're 2 months pregnant with my first born. Andise excited man!" He put her hand on his chest. His heart was beating fast. Thando: "that's what you do to me." She smiled and blushed. Who would've thought she, Asanda Bongco would have Thando this smitten. Thando: "what?" Asanda: "akhonto baby.." Thando: "awukandi trust nangoku?" Asanda: "its not that, I'm just counting my blessings. I'm glad you're supporting me and sacrificed your whole future for me. I'll never forget it Thando. I love you." Thando: "it is my pleasure. I love you too Mrs Moni." Their food came. Asanda dug in. She was extremely hungry lately. Ate twice as much as usual. Thando smiled looking at her. She blushed again. After lunch he paid and they left. Thando: "andifun hamba late kakhulu babes. As much as I hate to leave I have to." Asanda: "I understand. Thank you very much baby ngokuza." He drove her home. Thando: "I'll call you as soon as ndifika ke va." Asanda: "okay." He kissed her, taking her hand and slipping something in it. It was his chain. Thando: "xa nindikhumbula..." He kissed her stomach. Asanda laughed. They walked into the house. Thando: "mama, enkosi kakhulu ngento yonke. Ndise ndleleni ehambayo ngoku." Ma: "uhambe kakhle ke bhuti. Akekho uMandla." Thando: "okay ke mama...bye Asanda." He walked out in heart break. He didn't want to go. He got in the car and drove to Khusta. Dropped it off and left for home...

Lubby got to Kwa Ford much later that day. Granny and Soma's mom were cleaning. People were leaving. Luthando sat outside with Soma. Lubby walked in the gate with his baby and bags. Putting them in the bedroom. Gran: "yuuuh bethunana!" She took the baby. Gran: "akasmhle ke yena. Phariza ka makhulu." Lukhanyo sat at the front yard. Chuma: "tata." His voice cracked, sounding like he was choking. Luks: "yes my boy." Chuma: "funa ma-ma." Luks: "ufuna umama? Mntanam, umama akekho okwangoku. Uzobuya." Chuma: "sbosh." Luks: "oh." He was too disappointed. Luks: "uhm, iza sim'fownele." Chuma: "n-o..funa. Luks: "okay, let's go fetch your bag then." He took his toys and bags, then drove him home. Sibongile was bringing in her laundry from the line. Chuma walked awkwardly to her. Sbosh: "hey baby.." She kissed him and picked him up. Sbosh: "unjani mnatanam?" Chuma: "ri-ght." He lay his head on her shoulder. Lukhanyo brought in his things. Luks: "uthe ufuna ukuza."

Sbosh: "enkosi." Luks: "nazi nto zakhe..." Sbosh: "sure..." Luks: "chuma, ndiyahamba ke va...uzond'fownela?" The boy nodded. Luks kissed his cheek. Luks: "love you like a baby elephant." Chuma: "nam. I love. You. Like a. A. Tata ele-pha-nt." Lukhanyo turned around and left wiping his tears. It was just too painful for him to bare. He drove to the hospital to see his wife. He entered her room and sat down. Staring at her lifeless body. Luks: "I can't do this anymore Lihle....ndicela ubuye baby. I can't breath! I can't survive without you...ndiyakukhumbula mntu wam...yhini kangaka..awusenayo ne nimba na mfazi wam." He lay his head on the bed. Putting her hand on his face. Luks: "I miss you Matshangisa wam.." Eventually falling asleep. An hour later the doctor woke him up. Doc: "you're going to sprain your neck." Luks: "I fell asleep without realizing." Doc: "you okay?" Luks: "no..." Doc: "I know its hard, but there's hope...okay? Don't you ever give up." Lukhanyo got up and walked out. He went straight home. Now his family was there, nobody else, he didn't feel like talking to anybody at all. His daughter crawled to him. Lukhanyo picked her up and walked to the bedroom. Lubby was in his room, skyping with Estella while dressing Buhle. Estella: "what are you doing?" Lubb: "I was dressing my little princess. Now its time for bed." Estella: "that's so cute.." Lubb: "so when are you paying me a special visit." Estella: "I can only come in the weekend." Lubb: "come?" She laughed. Estella: "you nasty." Lubb: "how am I nasty? He smiled. She laughed again. Estella: "I will be traveling alone Lubby. You sick." Lubb: "you're the sick one. You Just had to OLX the vibe." Estella: "whatever..how's the family?" Lubb: "they're great. They miss you. They asked when you coming." She giggled. Estella: "you just don't give up, do you." Lubb: "never." Alex: "Papai!!" Lubb: "hey my little thug." Alex: "nana!" Lubb: "you remembered! Yes, nyana?" He just laughed as though someone tickled him. Lubb: "Estella please teach my son English." Estella: "he starting day care tomorrow, so he'll learn soon enough." Lubb: "good." Estella: "I got to put him to bed now, bye.." Lubb: "bye angel." He disconnected and switched off his laptop. Laying on the bed, half sleepy but staying awake because he had to guard the baby. Granny knocked on the door. Lubb: "come in.." Gran: "mntanam," she took Buhle. Gran: "please speak to your brother. Akekatyi oko kwayizolo and refuses to speak." Lubb: "yooh makhulu. Yamaz uLukha? The way he so stubborn. Donkeys don't stand a chance pha." Gran: "kham'zame kalok Lubby njena, at least he listens to you." Lubb: "I'm not promising makhul. I'll try." He got out of bed and walked to Lukhanyo's bedroom. The lights were off. Lubb: "nyana." Lukha was laying on the bed with Lühle on his chest. Going through pictures on his iPad. Lubb: "dude?" He

didn't reply to anything. Almost like he couldn't hear. Lubby touched his shoulder. Lubb: "fondin uright?" Luks: "if you're here to tell me what makhulu said. Please don't. I'm not in the mood." Lubb: "kuthwa awutyi fondin. For the why?" Luks: "I'm not hungry." Lubb: "for two days straight? Matter of fact you hardly ate the whole week." Luks: "food isn't important Lubby. I'm not hungry." Lubb: "you've got to keep your strengths up ke kodwa. Even though its not important. Or ndikwenzele a fruit shake?" Luks: "you can't make fruit shakes. Lihle can." Lubb: "I can try." Luks: "I don't want your fruit shakes Lubabalo." Lubb: "okay, fruit salad with your favorite strawberry yogurt?" Luks: "no." Lubb: "ice cream?" Luks: "please be quiet." Lubb: "okay..good night." Luks: "night." He was sleepy anyway. He lay quietly next to him and fell asleep.

Chapter 522

2 Months later...

Lubabalo woke up in the morning as usual. Took a shower and got dressed. He made breakfast and tidied the house. It felt so empty. He bathed the babies and dressed them. They were turning 10 months old soon, and seemed as though their parents..... Well, Lihle still being in that coma and Lukhanyo in the deepest depression. Lubby had to deal with everything. Namhla, Thulani, Soma, Soso and their parents helped as much as possible. Sometimes he felt lonely even with Lukhanyo there, who hardly ate or slept. He had to drink pills for everything. Lubby fed the babies and sat them on the floor then went to attend to Buhle. Bathed her and dressed her. Lubb: "Lukhanyo?" He was still sleeping. Lubb: "lukhanyo, please wake up Bafo, I need your help." No reply. Lubby shook him a bit. He woke up. Lubb: "brush your teeth quick." Lukhanyo went to the bathroom. Lubby dished up for him and he came to eat. Lubb: "ngaz'libali pilis." Luks: "semnkile uLihle? She has an early class again?" Lubby's heart broke into pieces. Lubb: "lukhanyo...she's..." He failed at breathing. He couldn't do it anymore. Luks: "ndibone message esuka kuye, jonga.." He gave him the phone. Lubb: "Lukhanyo, this is dated January." Luks: "kanti? Mxm, khasapha wethu." He grabbed his phone, smiling at the screen. Lubb: "ambovasa ke, we're going out." Lukha drank the pills, showered and dressed. Lubby called Soma's mother in tears. Ma: "yinton ngok mntanam." Lubb: "mama...I just...ngu Lukhanyo.." Ma: "uthen? Wenze nton uLukhanyo" lubb: "he's not okay." He sobbed. Ma: "ndiyeza mntanam..stay right there." She hung up. He wiped his face and sat in the lounge. 30 minutes later. Vuyisile and his wife walked in. Dad: "kwenzeka nton Lubby." Lubb:

"he's sick tata...he just said uLihle use skolwen and showed me a message yaka January. Its the end of April singena ku May!" He sobbed. Ma: "nxesi kalok nyana...." Lukhanyo came out the room. Luks: "kwenzeka nton?" Dad: "son, uziva njan?" Luks: "I'm fine. Yena uthen uLubby?" Dad: "Lubby uthi umbonise message ka Lihle." Luks: "ngok ukhalelan?" Dad: "son, sesadlula ku January, don't you remember in the beginning of March? What happened?" Luks: "what happened tata?" Dad: "mntanam, your ancestors were very angry with you, walendelwa ngu moya ombi...it affected Chumani and Luthando. Kunye noLihle. She is still in a coma." Luks: "what??" Dad: "its been 2 months and a week.." Luks: "no....but...." Tears fell down his face, suddenly he remembered everything and broke down in tears. Lubby got up and took the babies for their nap. Dad: "Lukhanyo.." Luks: "whyyyy..." He wailed. Ma: "awufun uyombona esbhedlele? Maybe she'll love to hear your voice..." He nodded. Dad: "iza ke masambe." The woman went to Lubby in the bedroom. Ma: "will you be okay?" Lubb: "yes ndizosa uLuntle kumamakhe. The nanny will be here to take care of the babies." Ma: "okay, sisasa uLukha to the hospital. Uqine mntanam. Don't lose your faith, everything will be okay." She hugged him and left. The nany arrived. Lubby took Buhle and drove to Zintle's place. He parked and went up to the flat. Lungelo opened the door. Lubb: "molo." Lungelo: "molo." Lubb: "uhm....ndizise umntana. Ukhona uZintle?" Lungelo walked away from the door. Lubby entered. He sat down quietly minding his own business. Zintle was still bathing. Lungelo in the lounge watching tv. Lubb: "nice shirt.." Lungelo: "thanks." Lubb: "so when-" Lungelo: "mxim please Lubabalo. As'na ncoko don't force it." Lubb: "k." He waited patiently. Zintle came out in her gown. Zintle: "hi." Lubb: "bendizise mntana. So..here." Zintle: "okay." He gave her the baby. Lubb: "ndimnkile." He walked out as soon as possible and drove to Liya's house. Zintle: "bekuthen ade andilinde ingathi awukho endlini?" Lungelo: "don't know nam." Zintle: "I wonder uthen..uske wathula lately. Not his usual annoying self. Lonto ingathi ebekhala." Lungelo: "why do you care whether he cries or not?" Zintle: "its not that..qha ndi curious nje." She walked to the bedroom to get dressed.

Lubby drove to Liya's house. Called her to come outside. While he waited... A lot ran through his mind. Life was unfair. Thinking about the pain he felt, the pain of seeing Lukhanyo lose himself each day. Having to smile and pretend he could handle it was a task. He thought about how it was to be in a coma for so long. No movement at all. The tears threatened his eyes. He smiled and decided not to let them win this time. But he couldn't help it when he thought about this morning, his half was literally losing his mind. He wiped his eyes and straightened himself. Liya stood by the car. 7 months pregnant and looking irritated. Lubb: "hello." He got out the car. Liya: "I've

got assignment to finish Lubabalo." Lubb: "bendizo checker if you and the baby needed anything." Liya: "no, we're fine." Lubb: "oh..uhm...okay." Liya: "lubabalo." Lubb: "I just thought maybe, we could chill..." Liya: "now that things go sour ucinga uzo chiller Lubby." Lubb: "I've just been dealing with a lot of things lately." Liya: "like your white girlfriend?" Lubb: "she's Brazilian. And she's not my girlfriend." Liya: "keep telling yourself that. Maybe one day, you'll believe it too. Sonke sibazii "friends" kuwe until you impregnate us and act crazy. Brother, I've got a life to live. I'm not going to keep entertaining your stunts. I want to be independent and successful. If ndizomane ngozi depresser ngawe asoze ndide ndiphumelele." He didn't feel like arguing. Or even talking. He got in his car and drove off. The car sped through the road. He cried silently...he didn't know where he was going. He just drove until he couldn't drive anymore. He wanted everything to be normal again. He couldn't understand why he was suffering this much. Was it because of all the things he's done to society? The people he'd hurt? Killed? Maybe he deserved this pain. The whole family was broken apart. Smilo's court date was tomorrow morning at 9am. Their step mother had left the country. Only Grandma and Grandpa were the elders left in the Mzinyathi family. Lubby prayed hard for them to survive. He couldn't take the responsibility of being the only elder. His phone rang. It was his father. Lubb: "hello?" He whispered. Dad: "Andrew? What's wrong?" Lubby hung up. Everything! Everything is wrong!!! He thought angrily. He started the car and drove away..

Lonwabo sat in bed that Sunday afternoon. He was sick. Busi: "baby, kodwa uyafeketha man." Losta: "ndiyafeketha mna? Just because I'm a doctor I'm not allowed to get sick? Khazapha ke." He pulled her on top of him. Busi: "ngu gqirha othen lo ngazaziyo ugula yinton." Losta: "nguwe baby umithi." Busi: "hayi and'kho mithi mna." Losta: "uzotsho ngoku. Ndayaz mna...3 months ngoku." She laughed. Busi: "you are delusional." Losta: "masambe kalok sochecker." Busi: "akhonto echeckisayo. I know myself. Anyway. Tia is asking ba awufun uzodlala naye. She's inviting you to a tea party." Losta: "hey, umntanam unoo hili kodwa ayikho le. Ndim've thetha yedwa izolo. Even forgot this name she used." Busi: "hahaa..mxim. Khayek umntana. I have great news though." Losta: "tell me.." Busi: "my bank loan has been approved." Losta: "your what? Bank loan? Xabek'theni?" Busi: "njani kengok baby?" Losta: "you didn't tell me about applying for a loan. What's this for?" Busi: "my business babes. I needed capital now I've got it. So mna noThoko sizozala." Losta: "but I wasn't told Busi." Busi: "I'm sorry babes, but I knew you'd want to help and I don't want you to fuss." Losta: "andiwathand amatyala mna. I have a phobia of debt." Busi: "the business will be a success." Losta: "babes you have to think of the bigger picture. Research. Understand. Depending on what your business is about. Baby I have faith in you. I know you're

the best, but what happens when you can't repay the loan. Uzand'fihlela?" Busi: "I didn't want to be a burden. Inintsi lemali." Losta: "no baby, I would have made a plan. Mali ndinayo, now the loan would double or even triple the initial amount by the time you finish." Busi: "lonwabo I don't need this speech!" Losta: "xolo kalok sthandwa sam, ndiyathand upanicker mna. Uxolo baby." Busi: "so you're going to support me?" Losta: "150% behind you." Busi: "thank you my love." Losta: "so this means we can get married right?" Busi: "maybe..." Losta: "yuh hayi kodwa. Awufun tshata ubhut Losta wakho?" Busi: "hm.....nah." He laughed then kissed her, pulling her on the bed again. His phone rang. He carried on kissing her ignoring it. It kept ringing. Busi: "khay'phendule baby. I'll check on Tia." He answered. Losta: "Dabi speaking?" On the other end of the line, someone was breathing or crying or... Losta: "hello?? " He checked his caller I.D. It was Lubby. Losta: "fethu? What's going on?" As he got up and got dressed. He just cried over the phone. Losta: "can you at least tell me ba uphi sani?" Lubb: "I don't....I can't." Losta: "look around and tell me what you see." He named a bridged. Losta: "lubabalo, listen to me carefully..." The phone cut off. Busi: "what's wrong?" Lonwabo's heart beat faster than normal. Losta: "explain later." He dashed out the house and sped to where his friend was. He tried to drive as fast as he could. Finding Lubby sitting on the ground next to his car. Losta: "FONDDIIN! Yinton undenzel is'yezi. My goodness!" He sat next to him in total silence.. They watched the emptiness together.

Chapter 523

The next day was a monday. Lubby woke around 5. Lubb: "lukha." Luks: "hm.." Lubb: "we have to get ready." Luks: "siyaphi?" Lubb: "siye court namhlanje for Ta Smig." Luks: "can I take another nap?" Lubb: "okay." Lubby went to shower and dress. Bathed the babies and dressed them. He fed them and went to wake up Lukhanyo. Lukha showered and got dressed. Lubby made him food, he ate and drank his pills. Lubb: "you good?" He nodded. Lubb: "great." The nanny arrived. Lubby took the Mazerati keys and they left. They got to court and hour early. Sizwe was also there. He hugged Lukhanyo and stood next to him. Sizwe: "uziva njan?" Luks: "better now you're here." Sizwe: "that's good..phuma kwethu siya esbhedlele. The doctor called me. Thenji sepha yena." Luks: "okay." They went inside. They had quite some proof to lock Smilo up. Although the judge was not in the slightest bit convinced. Judge: "ayikho lendlalo nindiphathele yona ke kodwa. None of this proves to the accused directly." Prosecutor: "Your Honor, he was caught red-handed." Judge: "in who's house?" Prosecutor: "his brothers' and the brothers' wife." Judge: "where is your brother Mr

Mzinyathi?" Smilo: "he passed away some years ago Your worship." Judge: "and his wife?" Smilo: "I went to check on her Your worship but she was not there so I decided to wait." Prosecutor: "How did you get in!" Smilo: "I had a key. Like I always have." Prosecutor: "you had a key. And somehow, you didn't know there were drugs in that house?" Smilo didn't answer. Judge: "Mr Mzinyathi...did you know, there were drugs in the house?" Smilo looked at his ex and stared into her eyes for mercy. Smilo: "No, Your worship." The crowd was in uproar! She hid a proud smile. "Order!!" They quieted down. The judge decided to set another day. The prosecutors needed to investigate further. With just a brief nod and grin to Lukha and Lubby, Smilo was taken back. The family left for the hospital. As they entered the room. Thenjiwe sat with Jeff. Her head lay on his shoulder. Sizwe was beyond annoyed he couldn't even help it. He kissed his daughter and stood next to the bed. Thulani came in with Namhla. Lubby's phone rang non-stop. He put it on silent quick as the doctor came in. Doc: "morning to you all." Sizwe: "what's wrong?" Doc: "uhm...sir. This is difficult. Especially for your family. I really do apologize for this unfortunate event in your lives." Lubb: "please just tell us what is wrong!" Doc: "that's the problem. Nothing. Its been two full months with absolutely no movement. Or even activity in her brain. We have tried all we could." Luks: "what are you saying?" Doc: "I am saying chances for her to wake up again. Are very slim. Keeping her here is expensive and heartbreaking. It is not my wish to cause you any pain, but please do consider to-" Luks: "let her die? Is that what you want to say?" Doc: "Mr Mzinyathi it would let her rest in pe-" Luks: "Heeeman!! Suthetha ngomfaz wam ingath ubhubhile wena!!! She's alive!" He yelled. Sizwe: "Lukhanyo khahlise umoya." Luks: "makangand'phambanisi lo gqirha Ta Seez!" Lubb: "doctor, we're not pulling that plug. Now the money is not even a tiny problem here. YOU must Try harder!" Doc: "we have done everything and anything we know. There's literally not much else we can do now." Lubby sat down. He didn't know what else to do. Lihle's mother sat there crying. Namhla was crying. Lukhanyo was pissed off to the extreme at this point. Luks: "Lihle, if you can hear me please come back. Sonke siyakukhumbula. Our children miss you! Please sisi, usenzele nje inceba yobuya. Andaz noba ubaleka mna na...kodwa ke uyayaz ba ndiyozok'landa nalapho ukhoyo MaRhudulu. We love you and we're waiting." The family sat for a while talking. Sizwe held his daughter's hand. He could feel something but kept quiet. He wasn't sure if it was good or bad. Thulani and his father left again for work. Ma'Thenji left with Namhla. Sizwe: "who wants coffee?" Luks: "I have to drink my pills. So ndifun juice." Sizwe: "masamben Lubby sizobuya." Lubb: "nah ya'll go ahead." They went to the cafeteria.

Lubb: "hayi lady uz'misel buzovuka nin?" He stood up and brushed her hair. Lubb: "oko ndicinga ke bonanje ndihlel apha ndiyabava nje bencokola aba. You remember the first time you met me? Awothuka sana yangath ndisi sporho." He giggled. Lubb: "yeah man. Those few days ndisaqala uk'phambanela. Yuuh ungabina msindo. Ndandichazeka kanye yuuuuh ndibawel uk'hleka. But somehow, sade savana. Even though we didn't plan ukuvana. It just happened, I remember ndithand ukugezela worse xasise dwesi. Wawuqheleka man. I miss you fondin. Especially now that you're determined ba uzos'nyisa straight ebhakethini." He untangled a knot in her weave. Lubb: "hayi nontombi uthini nge ntloko? Ayise xhwebe. Jonga." Throwing the little hair strand in the bin. Lubb: "andisena sthuk'thezi nje. Vuka mtshanam please. Lukhanyo needs you. The babies need you...and me too.. By the Power and the Grace of our mighty Jesus Christ, you will wake up from this bed and be stronger than an ox. You will survive. The bad omen or spirit that is in your body will be released from you and shall be burnt by the fire of our dear Heavenly Father. You will continue to bring light in our dark days. You will continue to smile and help us forget our old ways. You will wake up Lithembelihle Mzinyathi. Umfazi wase maBheleni uzow'buya. Khuboni, siphenduleleni. Langa sixoleleni.... We ask to be released from this pain." He held her head. Lubb: "Lord, please answer our prayers.. Hear our cries. We are Your children, we put all our faith in you. Amen." He kissed her cheek. Lubb: "you'll be okay my love. I promise you." Mandy stood by the door. Lubby saw her. Lubb: "hi." She swallowed and walked in. Mandy: "hi...were you.....praying?" Lubb: "yes why?" Mandy: "WOW! Ayifani ke nawe leyo." Lubb: "heee. Andizok'phendula bonanje. Unjani?" Mandy: "I'm coping..wena?" Lubb: "I'm hanging in there." Mandy: "ima, Lukhanyo or Lubby?" Lubb: "Lukhanyo." He smiled. Mandy: "why you smiling?" Lubb: "kuthen andinokwazi dan ncuma?" Mandy: "uwoah. Uy'batyaze ngothethi S'xhosa. Usile yazi." She laughed. Lukhanyo came in with Ta Seez. Luks held his bottle of juice so nicely, walking in slowly with his hand in his pocket as if he owned that place. Luks: "molo Mandy." She was still scared of him. He had a beastly thing about him. Now she was used to it. Because she knew why.. Mandy "molo bhuti." Emphasis on 'bhuti' as a sign of huge respect. Lubby was more relaxed and playful. Holding Lihle's hand staring into space with a little grin on his face. Luks: "what's going on." Lubb: "silinde uThixo asibonise imiracle." Luks: "huh?" Lubb: "hlala phantsi. Iva." Lukha sat on his lap and took the hand. Luks: "must I borrow you my pills?" Lubby laughed. Lubb: "mxm!" Mandy was chatting to Sizwe. Hours later, she left. The nurse came in. Nurse: "sir, may I kindly ask you to give the doctors some space to run a few tests." The guys got up and left..

Soso was at work, doing the rounds. He checked up on all his patients and bumped into his ex's mother. Mama ka Zoleka. Mother: "molo Soso?" Soso: "molo ma. Unjani?" Mother: "ndiphilile mntanam, haibo, ungu Gqirha!?" He smiled. Soso: "ewe mama, kudala kanti." Mother: "wow. Hayi khandiyazi tu, bendicimba Zoleka uyaxoka." Soso: "hayi unyansile ma." He sat in his office and ate some of the lunch Mandy made him. Which was delicious. Soma came in. Soma: "I've been calling you." Soso: "bendi busy. Worse ba isdala sakho is throwing fits ngaphaya." her friend Zimasa.. Her bag was full of books. There was a file in her arm. She was
visibly tired and moody. Her little bump was a bit visible but she wore loose tops.
Wara saw her and jumped. Mandla: "ndiyoku khabaaa unyeee kwedin!!!!" Wara:

Soso, Soma and Lukhabalo were in the lounge chilling. Luks: "noba sekus'thwan Lubby, la judge ndiyayazi. I know her from somewhere." Lubb: "nguban?" Luks: "nandithand uhamba noTa Smig andibalisele ngela olady but that was ages ago." Lubb: "so you think he stands a good chance?" Luks: "I doubt that very much. Kalok Ta Smig wamenzela ukunya, wayotshata." Lubb "how would you know? You were a baby when Ta Smig got married." Sizwe: "waye sa khasa. Njengo Lutha estout. Touching everything and eating." Luks: "kalok I moved to his place so ke xa efree we'd go out. I think ndandina 12 or 13. Sendihlala notata I was at soccer practice with Xolani. Kwafika Ta Smig ezos'landa. Lubb: "oh my goodness, so what if this is her chance at revenge?" Sizwe: "asoze enze lonto uNtombi. She's not that type. Ewe waqumba but akay'bamb igrudge." Luks: "so nawe uyamaz Ta Seez?" Sizwe: "onke amacherri ka Smilo ndiyawaz. You know we were best friends, especially after...Zolani." Luks: "so what now?" Sizwe: "we wait.." Lubb: "or...siya kuye sim'cenge. Lukha can pull a cute puppy dog face, show him Bafo." Luks: "that's gay." Lubb: "sifuna ndikuveze. Help me." Luks: "heeee, I thought we were one." Soso: "trust me, it can't be as gay as Soma." Soma: "okay, end of topic shhhh. Let's talk bout some else." Thulani came in with Losta. Sizwe: "let me leave you guys to it. With your lil boys' night in. I'll see you in the morning." Luks: "okay." He walked him to the door and out to his car. Sizwe: "it calms me to see you less stressed. I want you to keep positive. Uqine. Yeva?" Luks: "ewe Ta Seez. Thanks." Sizwe: "its my pleasure.. " He got in his car and left. The babies were up again. Due to the noise. Lukhanyo went to fetch his son. Lubby took

Luhle. Thulz: "icute ke le couple yazi." Lubb: "ndizok'hlohla ingqindi elideki wena. Uphi uNamhla?" Thulz: "uku mama ka Lihle." Luks: "yeah, she called me a while back, uthi ndizise abantwana. I just can't be without my kids too. Ndixolel ukhula ibele ntanga." Lubb: "basela ibotile nje." Luks: "I know that Lubby. But I'm just saying. They're fine here." Lubb: "Lukha, you're not managing. Luks: "its already late, ndizobasa ksasa. I just want one last night with them." He kissed Lutha's cheek. He was still sleepy. Luks: "he's in-tune nomama wakhe ke yazi. He feels her better than me." Lubb: "ba-close...kakhulu." Luks: "maybe, if I took the babies to go see her." Lubb: "I don't know if the doctors will allow it, but its a good idea." Luks: "this my last shot Lubby, because....if this doesn't work and she don't wake up. I'll be spending our anniversary alone. And I don't wanna be alone!" Lubb: "first thing tomorrow morning. We're taking our babies there." Luks: "thanks." They went to the lounge. Losta: "ncaaw my goodness. I am surprised bengakhali." Lubb: "lonwabo I'm an expert when it comes to babies. They bond with me. Kids Love me. Girls don't call me DaddyLubb for nothing." Luks: "don't lie. Girls don't call you that." Lubb: "umenywe nguban? Who invited you in this conversation?" Luks: "just saying." Lubb: "Soma, how's your dad." Soma: "befun kuza. Told him no. Because I know him. Bezoqala ayozequiper kqala. My goodness, esana mhlanje istory. Mxm utata." Soso laughed out loud. Soso: "honestly bendifuna ulala. Kuthe kongena utata wabalisa, yamaz ke ngongxola. I couldn't stop laughing." Soma: "as for nyeke ze-leather seats? No tata deserves an award. Ugezela kwa itshom yakhe." They told them the story. The guys laughed. Lubb: "Losta, ungahleka oko pha, trust." Losta: "ingath ufana noDabawo wam. Qha yena uthand usela. Ay'thetho into ebolileyo ngowakhe umlomo. Yuuh." Soma: "let me guess, when she's sober, she becomes quiet?" Losta: "ngqo!" They laughed. Lukhanyo played with his son's hair. Cuddling him on his chest. He thought about the day they were born. He was there. He saw everything. Their birth was the most amazing day of his entire life also marrying their mother. It was just perfect. When his little head came out. Lukha was nervous as hell but still held his wife's hand. His son. His first born. His Lutha. Suddenly overwhelmed with emotions. He got up and went to the bathroom. Soso: "and now?" Lubby couldn't answer. He knew what was coming. The depression and silence. Lubb: "excuse me." He gave Soso the baby and went after Lukhanyo. Lubb: "nyana..uright?" Luks: "yeah, I'm okay." Lubb: "put Lutha down. Let's talk for a second." Luks: "I don't wanna talk anymore Lubby. I just want to lock myself in a dark room and die." Lubb: "no man, sucinga njalo." Luks: "what came over me!?"

Lubb: "you were not sane Lukhanyo. Stop blaming yourself. Zange wenze lanto kuba wawuthanda!" Luks: "but I still did it..." Lubb: "you don't even remember." Luks: "I think I do..." Lubb: "where are you going?" Luks: "andazi. Maybe if i-" Lubb: "in the morning." Luks: "fine."

Zintle was with Zukiswa. Zintle: "sooo, kunjan ubangu madam? Hee lentombi oko wayotshona." Zuki: "ey girl. Things have been great but hectic. The deadlines are on another level." Zintle: "mtshana I know exactly how that feels. My back feels like breaking va. I've been working on this assignment for 4 weeks straight. She drank her third wine glass. Zintle: "what's up?" Zuki: "I'm boring Zintle." Zintle: "no you're tons of fun." Zuki: "Phila and I have been quite close hey, but ngoku ingathi," she had a hiccup. Zuki: "its as though....he's not interested. He spends more time with my ex, than he does with me." Zintle: "that's because they work together." Zuki: "baske bazi instant best friends Zintle, it bothers me a lot and he doesn't even ask for my advice anymore. Saqibela nin uphana?" Zintle: "speak to him my friend, drinking your sorrows away won't fix it. You need to communicate." Zuki: "drinking makes me feel better. Wena awuseli ngoba?" Zintle: "I have a 5 month old baby remember...can't be drinking." Zuki: "wena? How's things with Lungi?" Zintle: "I don't know anymore...he's a bit distant and jittery. The smallest thing iyamothusa. When a phone rings, when there's a

That still haunt me till this day. So no, I will never go back to him." Zuki: "sacrifices?" Zintle: "yeke wethu Zuki. I'm just fine with Lungelo." Zuki: "does he have plans? For the future?" Zintle: "well..." Zuki: "hayi subana worry my friend nam ndikulo situation. Phila is probably enjoying the pretend-wife game. I know my dad and brother will never approve." Zintle: "andidikwe ngu tata oko efowna endibuza uLubby. I'm thinking ndiske ndim'nike number yakhe." Zuki: "enza njalo tshomi. Let's just stop all this stressing and study. We need these diploma's sibeno bonakala kakhle k'la madoda." They laughed. Rather too loudly. Buhle started crying. Zintle: "well, that's my first princess...ndiyabuya." She went to the bedroom to attend to her daughter...

Chapter 525

Tuesday morning.. Lukhanyo was woken up by a call. Lubb: "lukha." He mumbled. Lubb: "lukhanyooo." Lukha was fast asleep. Remembering he drank sleeping pills the night before. Lubby got up and took the phone. Lubb: "hmm.." Caller: "is this Mr Mzinyathi speaking?" Lubb: "uh." He lay back in bed. Still half asleep. Caller: "I'm going to ask if you may please come to the hospital as soon as you can." Lubb: "the wha?" Caller: "the hospital sir. Where you wife is currently." Lubb: "oh." Caller: "will you make it?" Lubb: "hm." The call was disconnected. Lubby went back to sleep. His mind started registering. He jumped up immediately. What the hell? Am I dreaming. He thought. He checked the phone again. There was the call. This was Lukhanyo's phone. Why was it in his hand? Why was he awake? Why was he still asking himself questions? He woke Lukhanyo up instantly. Luks: "whaaat." Lubb: "phone yakho bikhala." Luks: "well it stopped now so.." Lubb: "its the hospital. Funeke siye phaya asap.." Lukhanyo woke up and yawned. Luks: "its so nice and cuddly here." He got up and showered. Lubby bathed the babies. Lubb: "nizonxiba nton?" He looked through the cupboard. Taking out Lutha's little jeans and a white t shirt. He got out a pink fluffy baby suit for Luhle. Lubb: "nah, noy2 nonxiba le." He took out a matching one for Lutha, putting back the jeans. The babies got dressed. Thulani came in, Lubby went to shower and dress. Everybody got ready and left for the hospital. Sizwe was

already there. With Namhla and Thenjiwe. Luks: "what's going on?" Namhla: "asika chazelwa nathi." They greeted and sat down. Still holding the babies. Lutha was his usual excited self, moving all over Lubby. Lubb: "please Luthando sit your bum still." The doctor came in.

Doc: "Good morning." Luks: "what's so good bout it." Sizwe nudged him. Doc: "well, I have good news. This morning, while I was busy...I saw change." Lubb: "change? In the world? Your pocket? Where?" Doctor smiled excitedly. Doc: "she moved." He looked like he was about to explode. Luks: "moved? How? When?" Doc: "the minute I called you. It was amazing. I think she's finally awake. Her brain has some activity. She's functioning properly. She's awakee!!" He screamed. Lubb: "calm down maybe?" Sizwe: "okay! Uhm..." He was excited and nervous. Sizwe: "she can hear us? Can she wake?" Doc: "speak to her." Luthando was holding onto the bed. Lubb: "kweedini." Lutha grabbed the blanket and pulled it. Ma: "myeke bhuti." The baby shrieked and pulled again aggressively. Lutha: "dadadaaaa!!" He yelled. Lubb: "I'm right here. Bunoveske ujike qha wena." Lutha: "haaabbbuu." spitting out. Lubb: "love you too sweetie." The doctor was standing proudly. Like a grade 1 ready to show his first project. Lihle thinking:(My body was stiff. I couldn't open my eyes. I wanted to speak but no words came out. My body needed warmth, someone to hold me, drifting me back to reality. Wait.... was I dead? No. No!! For what? What did I do? Wait...I hear voices. They seemed so far. Makazondi thatha. Who is it? Lubb: "Luthando!" Who was that? Luthando! Please come fetch me.. If only they could hear me. Someone please hear me.) Sizwe: "Lubby..." Lubb: "huh?" Sizwe: "let him..." Soon Lutha just wiggled himself from his grip. Lubby put him on the floor. He crawled away immediately. Luks: "baby? Cela uvuke. The doctor says there's progress. We're going to wait and see for ourselves. We miss you." Lihle's thoughts: (Ncaaaw, ngubani lona? 🙄:(I wish to see his face. Ngu Luthando maybe. Luthando please hold me...) Lubb: "tshomam, come now..don't be shy. You know you want to. We're here for you. Vuka Mamngwevu omhle. Silindile." Lihle thoughts: (ncaaaw. What's his name? Nguban Lubby? Maybe this is him? The 'huh' voice sounds th-) Sizwe: "my little princess. Ndakwaz kalok uyi fighter wena ufana nje noYihlo. Vuka mntanam. The whole family is here." Namhla: "ewe mntase. Vuka. Awusoze kalok sanaz ulale xesha elide kangaka cimba ndizoloqela ban? Khavuke sisi uyay'baxa noko." Ma: "oh bethuna malinkie kamamakhe. Vuka kaloku sana lwam..." Lihle's thoughts: (all these voices sounded so familiar..made me feel soo safe..where was I? I want Luthando's voice again.) Lubb: "okay you know what? Let's pray." He held my hand. Lihle thoughts: (oh Thank goodness I feel life again. I feel.....something was Happening...it was too bright..this is such an inspiring prayer. I am here.) I tried to

open my eyes. They flickered at the light and looked at him. They all had their eyes closed. Wait....what was the baby doing in the background on the floor. Although he wasn't touching anything. Who's cute baby is that? I felt like holding him.

Makazapha. Lubb: "in Your holy name, Amen." He opened his eyes. Lubb: "now mtsha-" he gasped in surprise. Lubb: "UVUKILE!!!" God, I was so thirsty. The man holding another baby was smiling with tears in his eyes. Why was he crying. On my other side was an older man, a woman and a younger girl. Then another guy stood there smiling. Little dimple on his cheek. He looked adorable. Who are all these people. Why am I here. Okay, first. WATER. My Throat was hella dry. Sizwe: "oh my beautiful little angel! I missed you sooo much!" He hugged and kissed me. I wanted to say I missed him too but...I can't remember. 😊:(this made me so emotional. A tear rushed down my cheek. The woman wiped it off. Thenji: "Lord our Father needs to be praised. Yuuuh mntanam, we were so worried about you." Me: "wa.." My voice broke. Then it was gone. Luks: "say that again?" I tried to open my mouth, but no words came out. I just started weeping silently. I was a silent weeper. Luks: "no, baby sukhalala, just try and relax. I'll get you some water." He gave the baby to the next guy. Wait, why did they look alike. Not alike, identical. No man. They even dressed the same. He held a glass with a straw. I sucked, it felt so good. Doc: "her voice seems to have-" Me: "enkosi..." I managed to say. It was cracky and low but he still heard it. Doc: "oh there you go." Why could I remember things like glasses, babies, colors, but not these people. There's parents who call me mntanam. Someone who calls me 'baby' another uthi 'tshomam.' Kanti mna kuthen ndingabazi. Me: "ungubani?" The shock and hurt was written all over his face. He backed away. Lihle's thoughts: (no, I didn't mean goo...) Doc: "uhm, she probably has suffered temporary amnesia. The more she gets used to things. She'll remember. She can still speak her language. So..." Luks: "what if she can't remember objects doctor!" Doc: "angel, do me a favor and name the item I pick up okay?" I nodded slowly. Me: "p-en." Doc: "good, this?" Me: "c..cup" Doc: "excellent. And the last one?" I wanted to say spectacles but then again it would take me 3 years. Me: "glas-sse-s." Doc: "see? She just needs time." Sizwe: "okay, I'm your father. Sizwe. This is your mother, and this is your cousin Namhla." Oh. Thulz: "mna ndingu Thulani, an old friend since primary." Lubb: "ungand'nyuseli nge HB lady, because you know exactly who I am!" I giggled painfully. He's cute. Luks: "I'm your husband. U-Baby." I smiled. Me: "Lut-tthand-o?" Luks: "our son? There he is... Heyyy! Kwedin!" He picked him up and carried him to me. Luks: "this is Luthando." Lubb: "and this is Luhle." I had....babies? Oh my 😭:((Sizwe helped me sit up. Oh my body ached so bad it felt like it was cracking in half. Doc: "we should give her some time to rest." Me: "n-o." Luks: "she's rested for than 2 months.". He sat down next to

me. My mother held my hand. Luks: "soon, we'll be going back to our home. Sihlale sonwabe. You'll be okay. Real soon." Just him....I felt so much. My whole family. Its lovely. Even for the brief minutes, I wanted them around. For far longer. I loved them. And as for the man next to me, I was falling..

Hours later I was a bit tired. My body. Damn. My body was in pain. I wanted to scream. Luks: "udiniwe?" He even knows me that well. Me: "ka-nci-nci." He fixed my pillows up and lay me back on my side. Lubb: "noba unes'shwapha ngok, oko ulele nge mpundu. Hayi iphelile mtshana yincame." I wanted to laugh. Luks: "iright. Ok'salayo ndiyamthanda..." Lubb: "hayi nyana. Ithin na lento." He teased. Luks: "hampa Lubby man!" So That was Lubby. Me: "twi-ns.." Lubb: "who's twins? Mna? Not me pumpkin patch, I don't have a twin." Luks: "oh?" Lubb: "ewe ndine groupie. Who literally copied me from birth." Luks: "mxim." The other guy was quiet. Who was he again? Argh.. I looked at him. He seemed to be deep in thought. What was his name? Thuso? No man. This was soo frustrating. Thulz: "Thulani." He smiled. I even forgot I was staring at him. Me: "sorry." Thulz: "its okay." I was tired now. Namhla: "girl, uright?" Me: "di-niwe qh-a." Namhla: "lala mntase we'll be here during the afternoon. At least now kuzongena ukutya. Besesilamba sana kunzima, ngenxa yakho. Hayi uyasenza is'yali ntombazana." I could only just smile. Lubb: "cela sihle siye downstairs?" They got up. Sizwe: "ndiyabuya sweetheart. Okay?" I nodded. My mother kissed me. They all left except for my husband. Luks: "so awund'khumbuli nyan?" Me: "I don't know exactly. Its just..." Luks: "its okay. This is the best way, to start over and forget about the past." Me: "pa-st?" What happened in the past? Luks: "let's leave it where it is. Cel'ubekele." He helped me move over then took off his shoes and climbed in. Luks: "I missed you.. Ndisenayo ne video yethu yomtshato. Let's watch.." He took out the phone and put on the vid. 'Just hold on we going home..' It sang. There I was. Oh my goodness my tummy is sooo huge. #hides. It was so emotional. I ended up crying until the end. Luks: "cute huh." I nodded. He kissed my cheek. That feeling you get when you start to remember...it was exciting but nerve wrecking because nothing made sense. When I closed my eyes. I saw a shadow. My heart beat faster. I was shaking. Luks: "lihle!" What was he doing here.. Why was it like this! Lukhanyo shook me. Luks: "BABBY!!!" He clicked the button to call for nurses, panicking, nervous. Luks: "Lihle open your eyes!" I opened my eyes. Crying and shaking. What the hell was that?.....

Luks: "baby ubone nton?" Me: "I...andiy-az." He just stared at me, hurt. The nurse walked in. Nurse: "what's wr-....you're awake." Luks: "yep.." She rushed over to me and checked everything. Nurse: "aren't you hungry?" Hungry? Yes! I was hungry. I nodded slowly. She walked out. Luks: "you okay sthandwa?" Me: "yes. Cel'manz-i." He held the glass and I drank. We lay together again. Me: "where di-d we. Meet?" Luks: "uhm...we met endlelen usiya kwi friend yakho. We exchanged numbers, and spent the rest of the night together." I giggled. Rest of the night? Nigga what do you mean? Me: "doing?" Luks: "well you know....." He smiled. Luks: "senza those cute babies. Wayengesena msindo mamakho. But I spoke to her and convinced her sizotshata, the harder part was convincing you. Yoooh." It was a nice story. Luks: "well sahlala kunye ke but you left waya eKimberely. Ndakukhangelaaa, damn. Uk'bona kwam-" Me: "why ndiye Kimberley?" Luks: "we kind of had a fight.." No it was more than just a fight, I could feel it. Luks: "ndacela amaxolo and proposed wavuma..." The nurse came in. He took the food and fed me. Luks: "well, when we got married, the same day you gave birth." It was a blur but I'm sure it would be all back soon. Me: "who is he?" Luks: "ubani?" Me: "this...guy. " I breathed. Me: "andiboni buso." Luks: "its your ex." Me: "uphi?" Luks: "he's dead." Me: "dead?...why?" Luks: "uhm.. Well, its been a long time.. Funeke uye engcwaben lakhe uyoxolisa. It seems like akaxolanga." Me: "ndim?" Luks: "no baby, it wasn't you. It was an accident." I finished eating. He gave me some water. I wanted to go home. Sizwe came in. Lubb: "hayi nyana. For the what, khabekele nam ndingene." He climbed from the bottom. Sizwe: " ayise ncinci lebhedi bethuna. Khan'suken nobabini!" Lubb: "andisuki mna engeka suki uBafo." Luks: "khayek umona." Sizwe: "niyam'sinda umntanam man!" Baby got off first. Then Lubby. Lubb: "ja." Luks: "uthi nyaa." Lubby's phone rang, he went outside. Lubb: "Lubby Morrison." Caller: "hey its me Estella. You good?" Lubb: "great, Lihle woke up!" Estella: "wow! That's great news! How is she?" Lubb: "she's okay, got temporary amnesia. I'm the only person she remembers. Oh well you know me. I'm hard to forget." She laughed. Estella: "you're probably the only person she CAN'T remember." Lubb: "hahaa, whatever!" Estella: "anyway, I called to let you know I just emailed you this months figures. We're looking great. And I've got a big surprise for you." Lubb: "did you buy me a yacht? Tell me you bought me a sexy white yacht?" Estella: "uhm no. I didn't buy you a boat, but its something better." Lubb: "okay. Tell me." Estella: "I can't over the phone. And I know, that you can't come to Cape Town because your best friend just woke up. So, I'll come instead. Plus I wanna see her!" Lubb: "you are most welcome anytime. The jet is there in Cape Town, but Simon is in Joburg so I'll get Mason to fly you here." Estella: "I've already booked myself a flight, thank you." Lubb: "Why, don't you like my generosity?" Estella: "I've

got my own money Lubby, I don't need yours." Lubb: "okay, calm down.. What time you getting here?" Estella: "after 6pm." Lubb: "oh okay. Should I fetch you?" Estella: "no. I'll contact you when I've landed okay?" Lubb: "what you bringing me?" Estella: "what do you want." Lubb: "something....yellow, and thick. Juicy. Sexy." Estella: "a pineapple?" Lubb: "argh, nevermind." She laughed. Estella: "see you." Lubb: "bring Alex with." Estella: "I didn't book for him." Lubb: "then do so..." Estella: "I'll see." He hung up. Lukha: "khandikhaphe. We'll fetch fresh clothes and toiletry for the wife." They left the hospital. The babies were with Thenjiwe and Namhla. Thulani had gone back to work. Sizwe sat next to Lihle. Sizwe: "what's wrong sweetheart." Me: "who is....he." Sizwe: "uban? Lukhanyo? Your husband angel.." I shook my head. Me: "he's hiding...." Sizwe: "what is he hiding." Me: "How long have we been married...he...there's things he doesn't say...." Sizwe: "are you starting to remember?" Kind of..I remember a shooting. But it was such a blur. Me: "yes...no...I don't know." Sizwe: "sthandwa, Lukhanyo won't ever lie to you he loves you unconditionally. If kukho into ofuna uyazi just ask him. He'll tell you the truth because he's that honest." Me: "nam..." Sizwe: "nawe ntoni." He smiled. Me: "ndiyamth-anda." He laughed. Sizwe: "ncoooh that's so sweet. Of course uyamthanda." We chatted for a bit longer until I fell asleep.

That evening, Estella arrived. Lubby was waiting anxiously. Lukhanyo was back at the hospital. Lubby stood in his lounge excitedly. She walked in with Alex. Lubb: "nanku nyana!" Alex: "nana!!" He ran to him. Lubby swept him up. Estella: "hello." Lubb: "heyy. Would you like a drink?" Estella: "yes please." Lubb: "you know where the kitchen is. You're no visitor." She went to make herself tea and warmed Alex's bottle. Lubb: "why is he still drinking milk at this age." Estella: "he's hardly 2." Lubb: "how old is he then?" Estella: "he's 18 months old." Lubb: "girl, don't make me do math." Estella: "he's a year and 6 months." Lubb: "that's almost 2 years. He must start drinking juice and other fluids as well. They've got this special tea for babies too." Estella: "he loves his milk." Lubb: "you'll make him a softie, he's a thug. Thugs don't drink milk. How's day care going?" Estella: "he cried all day long so I decided to get him a nanny and english tutor instead." Lubb: "english tutor? He's barely 2!!" She laughed. Estella: "she'll help him develop into English okay? That's what's important." Lubb: "well that's fine then.." They sat on the couch. Alex was staring at the house. Lubb: "you know what? I got something you might like...come." He took him to the game room. The smile on his face was bright and shy. Estella: "well...things are going great thanks for asking." Lubb: "oh well excuse me for paying attention to my little nigga first. Okay so what's up." Estella: "Lubby, everything is going so great, I thought that with the bad publicity and the Linda stunt things would hush but it blew such a

buzz. Everyone is impressed by how you handled the situation." Lubb: "and Robert?" Estella: "he's in jail." Lubb: "good.." They watched Alex play with the huge ball. He fell on his bum and giggled. Estella: "like I said over the phone, I have a huge surprise for you." Lubby wasn't listening. He was playing with Alex. Estella: "Do you remember Bill Sangane?" Lubb: "haha...Alex no." Estella: "Lubby?" Lubb: "what?" Estella: "Bill Sangane?" Lubb: "Trillionaire Bill Sangane? uhm...what about him?" Estella: "he wants to build a centre. And....he wants You to manage the entire project." Lubb: "but babe, how you think work is exciting? This isn't a proper surprise. Uh-uh, you robbed me." Estella: "he's paying 10 bills." Lubb: "10 bills of what? Castle lite?" Estella: "10 billion." Lubby stopped moving. Lubb: "wh-wh-what?" Estella: "if you take this project, Hire the best people...he's paying you.... 10 billion." Lubby faked a faint. As he fell down. Estella: "oh my goodness! Lubby?!" She kneeled next to him and shook him. Lubb: "oh my..." He opened his eyes. Lubb: "pack them bags Estella! We're leaving!" Estella: "oh stop acting! My goodness you gave me a fright." He sat up. Lubb: "what exactly did he say?" Estella: "well, he booked an appointment like any regular person." Lubb: "how humble of him." Estella: "we had our meeting and he asked where were you, I explained there is a family crisis you're taking care of but I'm handling all your business. He said he wanted to ask you to build him a centre." Lubb: "10 billion for just a centre?" Estella: "I doubt it'll be just one. I think there'll be at least 10 all over the country." Lubb: "we need to start getting ready putting teams together, my younger brother, Thulz is part of a project management company. He'll set up a team." Estella: "my friend owns an Accounting firm. She'll set up a team." Lubb: "Phila works for an IT company he can get me some help." Estella: "I'll fix the rest." Lubb: "I am becoming a billionaire Estella." Estella: "well congratulations." She hugged him. Lubb: "let's just keep this between us for a while." Estella: "I'll be working on a few designs and a pitch." Lubb: "you are Godsent." He kissed her cheek. Lubb: "hey nyana? Daddy is a billionaire... I'll buy you a bughatti when you turn 2." Estella: "that is absolutely unnecessary. You should stop spending money like this. Sometimes just relax." Lubb: "that is exactly what Lihle told me, a long time ago." Estella: "you've got everything you could ever need. Buying a 2 year old his own Bughatti just doesn't make sense. What will you be teaching your children? Don't you want them to be independent too?" Lubb: "I do babe..." Estella: "then it'll be best to show them the value of money. Alex will grow up and understand." Lubb: "so you don't want me to buy our son a car?" Estella: "he only started walking recently, how is he going to drive? 😊-_- " lubb: "okay then. I'll get it for Bubu." Estella: "if it makes you happy. How is she?" Lubb: "she's fine..I'll fetch her tomorrow." Estella: "looking forward to seeing her. Would you like a snack?" Lubb: "yes, can you bake me those

other stuff you like to bake?" Estella: "come help me." He took Alex Alex to the kitchen and they baked.

She went to the kitchen.....

Chapter 527

Days flew by. By Saturday I could actually walk. I was doing better. My head pained a lot. I wanted to go home and finally the doctor was letting me. Each and every day. Lukhanyo came to visit me. My dad and mom came as often as possible. Mom came with another guy. He looked handsome, somehow similar to the other light skin dude. Only later I learned that that's father and son. So Thulani was actually my step brother. Nice. Baby came in with a small bag. Luks: "ndifake into zotshintsha ke sthandwa. Come let's bath." He helped me, then I got dressed. He went to sign the papers with the doctor. Doc: "can I have a word?" Me: "sure." Lukhanyo went to fetch my other things. Doc: "you had a chip, in your arm. A contraceptive. We had to remove it because we feared it might interrupt. But you could have it installed again. As soon as you get better." Me: "okay, thanks for letting me know." I waited for Lukhanyo. He drove me home. I was excited, seeing my babies was just bliss! I loved them so much. I was smiling from ear to ear. Baby noticed this and laughed. Luks: "share?" Me: "I'm just excited." Luks: "really?" He parked the car next to an Audi. When I walked into the house. "Surprise!!!" I got a fright. Me: "you guys!" They had actually thrown me a party. Luks: "welcome home love." I hugged him and went to sit. Luks: "this is Soso, Soma..nanku mama notata wabo." I greeted. Luks: "this is Mandy, you know Mandy." Yes I did she came to visit a few days ago. Luks: "this is Estella. And little Alex." Me: "hello.." She looked gorgeous. Luks: "you know Thulani, Namhla and others." Lubby came and gave me a crown. Placing it on my head. Lubb: "first of all, I'd like to thank God this angel has woken up. Besendi xakene nento umlumzan uMzinyathi engasa philanga. Ndinibalisele ismanga, ndithi kuni umnt-" Luks: "hayi Lubby yinton ngok? Tshi khathule fondin akho need." Lubb: "iyafihlwa na lewei nyana? Ithini nto?" Luks: "hayi thula qha. Bendiphethwe yi depression that's it. Enye nenyebubuxoki." Lubb: "nyana kodwa busow'thetha wedwa." I giggled. Luks:

"suxoka Lubby." Lubb: "nyana, ubundi bonisa iimessage zika Jan." Luks: "uthi soqiba ukhale nawe." Everybody laughed. Lubb: "okay, mayiphele. My point is, we are lost without you, Lihle. Susoyikisa oluhlobo man, besendi senza ne washing ngoku, my back been paining. Kunzima kufuneke ndi cleane because uMr Man ebexakwe yi depression. Alwe nempukane esingaz'boniyo." Sizwe laughed. Sizwe: "hayi Lubby uyaxoka noko yini." Lubb: "Ta Seez, awu understand wena ndihlala naye lomntu." We started chatting and eating. Estella was in the kitchen keeping it tidy. Lubb: "babe, don't worry about this." He was carrying Alex in one arm. Estella: "let me change him then." Lubb: "I've already done that. What you could do is fix him something to eat." She made the food. Were they together? Was that Lubby's son? I had so many questions. Lubb: "I'm going to fetch Buhle real quick." Estella: "okay." She took the boy. Lubb: "no, we going together." Estella: "sure?" Lubb: "yes." Lubby left with Alex and drove to Zintle's flat.

Zintle was in the bedroom arguing with Lungelo. Lungelo: "baby...I'm sorry. It was a mistake!" Zintle: "a mistake?!! WHY!! Njani!!" Lungelo: "Zintle I told you this because I didn't want secrets between us. Ndiyayaz ba iwrong lento ndayenzayo but it was months ago baby." Zintle: "I don't know about you anymore." Lungelo: "Zintle..please.." She started crying. Zintle: "don't I please you?" Lungelo: "you do! I was a fool baby. Ndinxilile ndiyi kaka. Yadlula lento zange phinde futhi yenzeka." Zintle: "can we not talk right now? I don't wanna see you." Lungelo: "babes. I'm coming back later, kukho ingxaki at the restaurant." He hugged her. Lungelo: "I'm so sorry Zintle." She was still crying. Lungelo: "indophula intliziyo lento ke bonanje. I can't leave you like this." Zintle: "no hamba..." She wiped her tears and sat down. He kissed her cheek and left. A while later Lubby walked in carrying Alex. Lubb: "why is the door open? Kuthen ukhala? Uphi uBuhle?" Zintle: "in the bedroom." He sat down. Lubb: "what's up?" Zintle: "nothing. Nguban lo?" Lubb: "mntanam. Ukhalelani?" Zintle: "how many children do you have." Lubb: "6 now. Utheni Zintle." Zintle: "oh its such a mess!" Lubb: "what is?" He sat Alex down. Zintle: "this.....andiyaz Lubby. I don't know anymore." Lubb: "talk to me." Zintle: "Lungelo confessed something today. Uthi kudal I'm'tya..apparently he cheated. Months back." Lubb: "lungelo? Not yena kalok. He's probably hiding something, Lungelo is too good to cheat." Zintle: "lubby. He did. Okay? Khona la colleague yakhe bisandofika. I think ngu Mpumie." Lubb: "Mpumie the lawyer? From Cape Town?" Zintle: "nawe uyamaz? Mxim.." Lubb: "Zee, thetha naye uLungelo, ndiyamaz la Mpumie une tendency zobu gqwirha. She must have blackmailed him with something. Uyamaz nawe uLungelo he's a focused guy. And uyak'thanda." Zintle: "Is this Lukhanyo? Because Lubby ondimaziyo ngethukisa ngoku." Lubb: "I can't do that. Bubomi bakho obu zintle and you asked me

to back off. But ke I care because you're the mother of my child. Thetha man noLungsta, uzoy'chaza eyona nyani." Zintle: "you hate Lungelo. Kuthen umthethelela?" Lubb: "I hate him because he beat me with you clean. But nday'respecter lonto. Look, if I had to choose between Lungelo and Mpumie. It would have to be Lungelo. I once fell victim kwi schemes zalamntana. He must fire her qha. Ayikho enye indlela sisi." He went to fetch his daughter and the bag. Zintle: "can you keep her for the night till I sort this out?" Lubb: "take your time dear...come Lubby Junior. Come on honey." He held his hand. Lubb: "I'll call you later va?" Zintle: "bye." Lubby went to his car and buckled his babies. He was pissed off to the maximum. He took out the phone and called Mpumie. Lubb: "yinton problem yakho!!" Mpumie: "hi Lubby.." Lubb: "tsek man! Uthi Nyay Nyubby! Why can't you ever give up! Why can't you let other people be happy! Kuthen unгахuleli abantu aba single nje!" Mpumie: "who are you on about nowww." Lubb: "ndithetha ngo Lungelo!! I swear to God child. If you don't back the fuck off. Ndizoku qhekeza ngezi zam izandla and bury you. Just Test me." He hung up and breathed then got into the car to drive home.

Asanda came out of her extra classes on Saturday afternoon. She wore a sweater but her bump was visible. Girls in her class looked at her funny. With nasty looks on their faces. Anelisa was loud and loved attention. Anelisa: "YUH sana, umntu uyoze athule kangaka kanti uqavee!!" Her friends laughed. Anelisa: "uzosi qhayisela ngok ba befumen ncanca yena. Yuuh mandoyiswe." Phelz: "hayi peto ubazi nje abathuleyo ngabona bay'thandayo." Asanda walked faster. Anelisa: "ndikhumbula umntu wam mna uThando. Befownile ke izolo, akakwaz tu ungangancingi. Oko sithetha shame, uthe uzozond'bona.." Phelz: "ewe man peto akhe asikhuphe ubhuti. Yakhumbula k'la party ka bhut wakhe? My gaawd he's rich!" Anelisa: "yuuh mtshana wandirhumba ke k'la party. Ndagoduka ishushu. Oko encinwa esithi uyand'thanda." They all laughed. Anelisa: "oh bethuna ubaby wam. Kubekho aba baz'libazisayo. Uzobe thwelene ne susu. Cimba uzohoywa nguba? Yuuh." Asanda closed her ears from listening but their laughs and giggles were too loud. A taxi came by. Anelisa: "usmisele nathi." Asanda let the taxi drive by. They kept quiet too. The taxi's came by and left, clearly they waiting to get on with her. Asanda dialed her brother's number. Mandla: "hallo?" Asanda: "bhuti uphi?" Mandla: "ndilaphe town. Why?" Asanda: "cela uzondilanda." He came immediately. They were still standing there. He parked his car and got out. Asanda: "bhut masambe.." Anelisa: "yuh akambi." She whispered. Mandla: "kwenzeka nton Asanda." Asanda: "nothing bhuti let's just go." He walked to the busstop and stood in front of them. Mandla: "sine ngxaki?" Anelisa: "ewe. Nguwe." Mandla: "ndiyay'donora kemnake icherri sana. Sund'qhela ikaka. Ba aninanto kwenza sanunyela owase khaya." Anelisa: "eshee. Ude uthethelele ihule." Mandla reached

behind his pants and pulled out his gun. Mandla: "andivanga?" He cocked it and grabbed her neck. Pointing the gun to her head. The others ran away. Mandla: "ndiyokubulala unyee sana. Ungaziwa nakokwenu apho ukhoyo. Sundiqhela masimba mna. Zazi into zodlala zezase China. Undivile?" She nodded quickly. Mandla: "masambe Asanda."

Lubby got to KwaFord in a fowl mood. He carried Buhle to the lounge, Alex walked to his mother sleepily. Me: "ohh bethuna khaze naye. UBaby ubalalisile abantwana bam." I held the beautiful baby. She was just too cute. I had A flashing memory of her crying. Screaming. Lukhanyo walking in the bedroom carrying my boy. ' The only way you're leaving me is if you're going to the grave.' He sneered. I jumped in shock and stared at him. Luks: "what wrong lovey wam?" It cannot be him. He would have never said that, maybe ndiyaphupha. Or nday'phupha. Fuck I don't know! Sizwe: "lihle..?" Me: "huh? I'm fine." He gave me a look. But kept quiet. Was this a memory..I tried to think again..we were in a bedroom. The baby and I were crying. She was in my arms as I was sitting on the floor. The way he walked in. He was angry. Sizwe: "Lihle!" Me: "yes?" Sizwe: "are you remembering?" Me: "no...she's just so cute.." Luks: "Luhle used to be like this, ngok she's becoming a pretty little flower. Uyakhula umntanam." Me: "yeah..." Was all I could say. Hayi wethu Lukhanyo would never have said that. I got up gave the baby to Soma's mom and walked to the bedroom. Just entering, I looked around. Another memory flashed. Again we were arguing. I tried to walk away. He pulled me and smashed my shoulder on that very dressing table. More and more of these painful memories crept in. But why was it only bad? Didn't we have good times na. I stood and walked around. Did we always argue? Lukhanyo walked in and held my arms. Shaking me lightly. Luks: "sthandwa sam." My body tensed. Me: "hey." He kissed my neck and held his arms around me. Luks: "feeling okay?" Me: "I'm great." Luks: "okay." Why was he hiding all of this? Lubby walked in. Lubb: "Lukha, we need to discuss something real quick." Luks: "ndiyabuya baby." They left.

Chapter 528

Lubby sat down on his bed. Lubb: "yazi I'm beginning to think of something apha." Luks: "what's wrong?" Lubb: "Mpumie is the one Paul was talking about. Nguye lo wenza investigation." Luks: "how do you know this?" Lubb: "because usebenza noLungelo. Ndisuka kuZintle whereas she told me Lungelo cheated on her with Mpumie. Lungelo mos wayeseyi yekile le case now when she gets here uyay'vusa. She

blackmailed him. That's why he slept with her to keep her quiet!" Luks: "how do you know this?" Lubb: "ndiyamaz uLungelo and ndiyamaz uMpumie. Lungelo is focused, he would never intentionally hurt Zintle. Mpumie is a little bitch who would do anything for new dick. Akaz'phethanga kakhle qith lamntana." Luks: "hayi man Lubby. So? If he's fucking her, to keep quiet singenaphi thina!!!" Lubb: "awuboni Lukhanyo!? He is ruining his damn relationship to save our asses. Ayimonwabisi lento ayenzileyo!" Luks: "oh. But still why do you care!" Lubb: "because its hurting uZintle. And what hurts her, hurts me!" Luks: "ungenaphi Lubby wena? I thought you hated Lungelo. More than anything." Lubb: "yes Lukhanyo I don't like him but ke still. Ayikhomandi lento ayenzayo omnye. I warned that bitch to stay away from him. But she needs a proper warning." Luks: "kudala ndiy'thetha lento nithandana kakbi noLungsta. You're trying to be superman for his relationship with your ex? This is your chance ba mawutyubuluze ungene pha!" Lubb: "hayi Lukhanyo. Ufuna ade andicapkele uZintle? Noko andiyiyo la type ba mandidike." Luks: "kwenzekani ngawe?" Lubb: "hayi man." Luks: "izapha man Bafo." He pulled him to the floor. Lubb: "yeke man." Luks: "what's wrong with you?" Lubb: "khand'yeke." Luks: "mna andithandwa? Why don't you fight for me? Paste wakho? Unjani na." Lubb: "khome...I think I've got a plan." Luks: "uyaphi?" Lubb: "ku lungelo." Luks: "haibo!" Alex walked in. Lubb: "heee lentwana bilele mos." Luks: "hamba ungu tata alok." He got up and left with the boy. He called Paul to find out where Lungelo was. He drove to the restaurant. Lungelo was busy with his books. Lubby walked in carrying a sleepy Alex. Lubb: "yafeketha yaz wena." Lungelo looked up and growled under his breath. Lubb: "can we talk?" Lungelo: "what do you want? To gloat now? Ufumene chance yofumana back uZintle. Just get out my face." Lubby pulled a seat and sat down. Alex took Lungelo's pen. Lubb: "ha.a man nyana." He gave him back his pen. Lungelo: "ufuna nton!" Lubb: "ndiyamaz uMpumie." He looked at him. Lungelo: "what do you know?" Lubb: "I've known her since high school. She manipulates people. Ndiyayaz what she did to you." Lungelo: "your point Lubabalo." Lubb: "I can help you. Finding something to get rid of her." Lungelo: "I'm not down with killing, that's your game." Lubb: "I'm not talking bout killing. Although its not such a bad idea." Lungelo: "you're wasting my time." Lubb: "would you rather lose Zintle?" He kept quiet. Lungelo: "what do you want in return?" Lubb: "nothing. I'm just helping you take care of the mother of my child qha. If you're interested. Uzofowna." He left him his business card. Lubby MenaceTosociety Morrison. Who writes that on their business card? Lungelo smiled and carried on with his work. Lubby drove home....

Thando arrived finally. He went straight to Asanda's house. Not using a car this time. He knocked on the door. Ma: "ngena." He entered the house. Thando: "molweni

mama" ma: "molo mntanam. Unjan?" Thando: "ndiyaphila mama, nina ninjna?" They sat and chatted together the lounge. Ma: "Asanda!" Asanda: "ma?" Ma: "khazaph." She came out her room. Asanda: "mama?" Ma: "hayi ntombi nanku Thando." She looked at him. Her mother saw the tension. Ma: "thatha pha es'pajin sam niyothengi drink ndinxaniwe mna. Usele undiphathela nomgubo wovasa ne swekile." Asanda: "yuuh mama, ayinintsi lento." Ma: "uzok'bambisa uThando kalok." She went to fetch the money and they walked out. Thando: "baby yinton ngxaki?" Asanda: "udyola noAnelisa?" Thando: "owphi uAnelisa?" Asanda: "lo umhlophe man! Suzenzi sdenge!" Thando: "ndizodyola njani naye ndinawe baby? Plus I'm in Plettenburg. Amacherri afana naye awana mthetho. I love You because ndik'thembile. Yinton ezondenza ndidyole kengok?" Asanda: "because she says ulele naye at your brother's party. The one I wasn't invited to. And uyamfonela and stuff." Thando: "when did she say all this?" Asanda: "today, siphume skolweni." Thando: "babes, unomona lamntana. Don't even let her get to you. Ndiyakwaz ke wena you so sweet yazi. Qha mntu wam don't let them push you around." Asanda: "I don't wanna fight Thando. I want to protect my child." Thando: "sum'hoya ke love. Makayonya." She held his hand. Thando: "uzokwaz uhamba nam tonight?" Asanda: "I don't know if umama uzovuma." Thando: "ey and ndiyamoyika umamakho. But sizothetha naye...sizame ke at least. I'm booking a hotel." Asanda: "awukathethi no brother wakho?" Thando: "no and I'm not planning to." Asanda: "okay Thando." They got to the supermarket. Smiling and laughing together. Anelisa bumped into her on purpose. Asanda: "ouuch!!" She held her stomach. Anelisa: "oops." Thando: "baby uright?" Asanda: "no I'm okay.." Thando: "what the fuck do you think you're doing?" Anelisa: "hey Babe.. Bungand'khumbuli?" Thando: "ndizoy'khumbula njan into eweak efana nawe? Hlukana noAsanda!! Andikufuni Anelisa. Uyikaka nje yomntana ehamb'ilalwa! Khaz'thande man!" Everybody laughed at her. She ran out the shop. Thando: "baby, I'm sorry..." He hugged and kissed her forehead. Thando: "sorry va?" Asanda: "its okay I'm fine." Thando: "ha.a. We're going to the doc, siyochecker. Mas'thenge net ez'wey." Asanda: "its already late." Thando: "iza Asanda. I'm not going to be fine until I'm sure my baby is." They bought the things and went to a surgery. Receptionist: "sivalile bhut jonga ixesha." Thando: "please sisi, I just need to check if she's okay. Besandokuwa just now." Receptionist: "andizokwazi. I'm done for the day." Thando: "haibo sisi. Don't you have a heart na?" Receptionist: "angayi eDora nje?" The doctor came out his office. Doc: "yinton ngxaki." Thando: "girlfriend yam, someone kind of bumped into her ngesgezo, ngok ndine worry what if it affects my child." Doc: "iza ngapha." He smiled. Doc: "you're more nervous than she is." His friends whistled and cheered. He kept the car going for a very long time doing stunts until he bust a tyre. Everybody clapped. He drove away to change his wheels. Sino and Thami were jumping up and down. Sino ran to his car but it was already filled with girls. He stood outside with another girl flirting. She was short and light skin. Chapter 529

Lubby lay in bed with his daughter. Buhle was refusing to sleep. He played with her in the meantime. Hoping she falls asleep soon. He was yawning. Lubb: "mmwah.

Phuza tatakho." Estella walked in. Lubb: "hey..". Buhle smiled excitedly. Estella: "you coping?" Lubb: "yes, but she's refusing to sleep." Estella: "welcome to parenthood." Lubb: "where's Alex?" Estella: "Lukhanyo is putting him to sleep." Lubb: "he's probably too tired to even notice, the way that boy runs around." Estella: "he's always got energy." She held the baby rocking her back and forth. Lubb: "she's breastfed..". Estella: "I doubt I still have milk in my breasts. Alex hardly ever sucked. He stopped at 5 months and now prefers his formula." Lubb: "you always got milk, you're a woman." He sat behind her. His legs hanging on either side of the bed. He pulled her closer to him. Lubb: "she's ready." Estella: "and you? Why you monitoring?" Lubb: "I want to see. Its proven that babies can be breastfed by other women too not only their mothers." Estella: "I know all that. Although Bubu doesn't look hungry." Lubb: "just do it." She pulled out her breast and placed it softly on her mouth. The baby sucked. Lubb: "there we go..". He wrapped his arms around them. Rocking the baby gently to sleep. Lubb: "I just wanted to see your boob." He whispered. She laughed. Estella: "nxarg whatever." After some time Bubu fell asleep. Estella: "there you go." Lubb: "I told you, you had milk. Nam ndafuna ke sana." Estella: "what's that?" He smiled. Lubb: "nothing." She lay the baby on the bed. Estella: "goodnight angel..". Lubb: "where you gonn sleep?" Estella: "I put a blow up bed in the lounge." Lubb: "but I've space here." Estella: "no its okay." Lubb: "hey come. Even Buhle's here. Where's Alex?" Estella: "I told you he's sleeping with Lukhanyo." Lubb: "nah bring him." Estella went to fetch her son. The children lay in between them and they fell asleep. Lukhanyo was changing Luhle's diaper. Luthando and me lay in bed together. He looked very happy. Always smiling and opening his mouth to take a bite. He bit me 3 times today. Me: "uncanca ibotile?" Luks: "yes baby. Kodwa yal'thanda ne bele. He used to fight you so hard for it ade aqumbe." That was so cute. Let's try the boob. I undressed and he stared at it. Bringing his mouth I let him suck on his own. Then he bit me. Me: "ouch! Hayi usile mos Luthando." He smiled. Me: "No. Don't do that." I put him aside and wore my pajama top. He started sulking and crying. Luks: "Hayi HEY!!" He looked at his father and the cry died down immediately. Me: "hayi ungade urharhamele umntana." Luks: "its the only way he'll learn ba ironko into baby. Jonga nangoku uthule." They lay next to us. Me: "Lukhanyo...how was our relationship?" Luks: "it was amazing baby..mna I fell in love with you more and more." Me: "have you striked me before?" Luks: "uhm...no. I didn't strike you. We use to argue and mishandle each other." Me: "oh." Luks: "why do you ask?" Me: "ndifuna uyazi qha..". Luks: "okay sthandwa." I played with my son's little afro. He looked sleepy. I just wanted to hold him. When I closed my eyes. I saw myself standing in the lounge. Luks: 'lixesha lobuya eli?' He was angry. When I tried to answer he strangled my neck.

I quickly opened my eyes. Me: "do I work?" Luks: "you own a business babes, organize and cater at functions. Then uye skolwen kengok." Me: "skolwen?" Luks: "yes. Wenzi first year yakho love, the assignments you had before you went to hospital zisiwe ngu Lubby plus the paper from the hospital. So they held down your things till you get better." Me: "ndingaya monday?" Luks: "hayi baby, its too early, I can go fetch your work, sik'ncedise aphe ndlin." Me: "it would be nice to get out and do something." Luks: "we can go out tomorrow. Shopping. Then siye endlin ka Lubby maybe you'll remember something there." Me: "okay love." I was tired now. So I closed my eyes to sleep. I didn't like not dreaming, but I didn't want to think of negative things. Although as negative as they seem even if our relationship wasn't rosey and all. Why do I still feel so in love. So clearly there was good days, better days. Actually the best days. That made me fall deeply in love...

The next morning everybody got ready. My body was getting so much better now. Lukhanyo and I left first, Lubby, Estella, Alex, Buhle, Thulani and Namhla were going to lubby's house. Lukhanyo and our babies left for the mall. I carried Luthando. He was with Luhle. Luks: "ndilambile ke yazi." Me: "nam..qha andifun nto iheavy. Noba its just a sandwich." We walked around for a while, he bought a few things. Me: "where is your family?" Luks: "you're my family baby. Yiyo yonke le sihlala nayo. And lubby and the others." Me: "I mean your mom and dad and siblings." He got quite uncomfortable. Luks: "mom and dad are deceased. My brother too. Ndim noLubby abashiyekileyo. My uncles have passed sishiyeke noy'1 qha and he's in jail. Then kubekho our grandparents. Aba besiba fownele izolo." Me: "oh." He dialed a number. Sbosh: "hello?" Luks: "ndicela uzolanda uChuma." Sbosh: "and for the past 2 months? You Just wake up and decide boom, ndizolanda uChuma?" Luks: "its been a tough time fondin, come on." Sbosh: "uChuma use khaya with Sima and Zozo." Luks: "ndizoyom'landa khona alok." Sbosh: "Lukhanyo, please fetch him ngomso. He really enjoys it there and it helped him recover. Just let him stay." Luks: "ngomso is monday mos uzobese skolwen!" Sbosh: "uzayom'landa kalok." Luks: "mxm, ayikho le shit uyenza yazi Sbongile!" Sbosh: "Lukhanyo, we have been trying you, ungavumi. I'm trying to be civil apha ndithetha kakhle nawe. Uzombona ngomso lomntana." He hung up. Me: "nguban lowo." Luks: "mama ka Chuma babes, our other son." Me: "oh." Lukhanyo drove us to Lubby's house. When he slowed down before the gate. I remembered this house. I looked straight up to the roof where there was a little window. The attic. I looked at the street again and got out the car. I remember the two cars that were standing here. I shot two people and they died here. I carried them to the car and....Lukhanyo drove off with them. That cannot be real. Luks: "baby what's wrong?" He walked to me. Were we even married? The way he's hiding

things. I married a murderer? And I killed too? Nooo.. Luks: "baby. Yinton ngoku?" Me: "ngoban aba Lukhanyo?" Luks: "akhomntu apha baby. Iza let's go in. You need to rest. Ingathi uzowa." He got back in the car and drove in the yard. Why did we kill those people? We went inside the house. I felt the same way I fet yesterday at ours too. I went to the kitchen and made myself tea. Having to look through all the cupboards was exhausting. Luks: "ndik'ncede?" Me: "I just want tea." Luks: "okay. Walk down that passage, ungene kwi room yok'qibela. Its a movie lounge. It was your favorite place to chill." I went to the movie place. It looked like a mini cinema. A movie was on already. I sat down at the front row on the 3rd seat. It just felt so right. Someone walked in. Lubb: "you good?" Me: "hm..I'm fine." He sat next to me and watched the movie. Something was coming back...I kept glancing over at him. Lubb: "hayi lady wamane ngondithi jep? Ndithen dan ndinuk umlomo?" I laughed. Me: "no." Lubb: "what do you remember." Me: "only this seat." Lubb: "good." Me: "is there something else?" Lubb: "nope. Got to go. Got a meeting. Bye." He rushed out immediately. Lukhanyo came in with a tray. Luks: "what's wrong with him?" Me: "he has a meeting. Khandiphathel abantwana bam baby. All of them." Luks: "okay." He left. Lubby got a call from Lungelo asking to meet up. Lubby drove to his restaurant and walked out to him Lungelo was standing next to his car. Lubb: "yinton wama ingathi uzokaraba ihagu. What's up." Lungelo: "I need your help." Lubby gasped. Lubb: "I never thought I'd hear those words come out your mouth. Khame ndiyolanda i-IPad yam, ndibenok'recorder Bafo won't believe me." Lungelo: "Lubabalo I'm not here to play games. You know damn well, I can't stand you." Lubb: "then lie down or sit still bra." Lungelo: "uzandineda or just brag?" Lubb: "first let me record you." Lungelo: "you are soo damn childish!" Lubb: "you need to lighten up before I throw a lamp at your face." Lungelo: "lubabalo.." He warned. Lubb: "fine!!" Lungelo: "I don't understand why you got to Fight first." Lubb: "you're the one throwing a bitch fit!" Lungelo: "you know what lubby? You irritate me." Lubb: "you mean I grind your tits?" Lungelo: "fuck you." He walked to his car. Lubb: "asika qibi nje. Look. I'll help you." They stared at each other. Lungelo: "well?" Lubb: "masingene, I might have a plan." Lungelo: "I am not about to be seen with you in public." Lubb: "I don't mean to beg but nigga Please. Like I want to be seen with YOU in public. With your little sour jelly bean face." Lungelo just stared at him but couldn't help crack a smile. They went into the restaurant.

An hour later, As I was sitting there in that lounge. Sylvia had taken the babies to go sleep. Estella walked in. Estella: "hey." Me: "hi." She had her hair tied up, wearing a track suit. Estella: "do you want me to get you anything?" Me: "nah I'm okay." She sat down. I actually wanted to be alone at the time. I was thinking. Estella: "how do you feel?" Me: "I'm fine. Don't feel anything." I didn't feel like talking ke bonanje. Estella: "oh." Me: "are you and lubby together?" Estella: "no we're just friends." Me: "but you're all over him and I noticed you slept in his bedroom." She was a bit shocked but mos yinyan. Estella: "uhm..we didn't do anything." Me: "right." Andaz noba ucinga ndingumntana lona. Estella: "I see you're in a bad mood so..let me just leave." She walked out the room. I went to the kitchen. My dad came too. Me: "nguban lo mlungu tata?" Sizwe: "tshomi ka Lubby." Me: "iphi kanti girlfriend yakhe." Sizwe: "they broke up. Do you remember a Liya?" Sounds familiar. Me: "can you call her?" Sizwe: "let me ask for her number ku Lukhan- oh here he is. Khasinike number ka Liya." Luks: "why?" Sizwe: "lihle wants to talk to her." Luks: "that is not a good idea. Liya akafun kuza apha. She's mad at Lubby." Sizwe: "oh." Me: "ndise kuye ke." Luks: "I don't know where she lives." Sizwe stared at him in shock. Luks: "does anyone want pizza?" He walked out the house. Me: "why doesn't he want me to speak to her?" Sizwe: "andiyazi. Don't worry though. Maybe if we call her. Iphi phone yakho?" I gave him the phone and he searched for the number. Sizwe: "nantsi." I called her. Maybe her voice would bring back something. She didn't answer, I called again. Sizwe: "or maybe she's busy. She'll call you back." We walked back to the lounge I was in. Namhla came with this time. Namhla: "can we talk?" Me: "sure." Sizwe: "nizond'fumana phandle mna." Namhla and I sat down. Me: "Namhla what's wrong?" Namhla: "Thulani and I broke up." Me: "what? When?" Namhla: "its been days ngoku." Me: "but why Namhla?" Namhla: "I can't do this Lihle. I'm young mna. I thought maybe I could grow into it but its not happening." Me: "grow into what Namhla?" Namhla: "ukuhlalisana naye. He's demanding at times and I'm just not a door mat ke mna shame. So I called things off. That's why ndihlala nomamakho." Me: "did you guys fight?" Namhla: "yes kakhulu. For the past month! I thought une stress kuba ooLubby bebengekho right. But things are back to normal. He isn't. Naye wethu he was probably having doubts. We rushed into everything." Me: "uxolo mntase..but he'll come back to you. Nizobuyelana." Namhla: "let me just focus on school for now. How are you doing?" I could see it on her face. She was crushed. She wanted to cry. But still smiled and changed the topic. I wanted to comfort her but maybe she doesn't want that. Me: "you know you can still talk to him right?" Namhla: "he doesn't want to talk Lihle." Me: "but last night benilele kunye njena." Namhla: "ndim beled eroomin yena ulele else where andazi phi ke. Its like he's avoiding me. Ndandiy'thethile ke

Me: "maybe he thinks you're just mad at him. Because asiyaz nto yokohlukana kwenu thina. Naye he probably is in denial." Namhla: "yay'thetha ibebebe ke wena." I giggled. Me: "inton leyo?" Namhla: "mxim." Me: "nguban Namhla losisi umhlophe apha?" Namhla: "uban? uSylvia?" Me: "no man. This french lady." Namhla: "oh mxim. Tshomi ka Lubby. Andisam'khumbuli uLiya. Namhla: "mandy busowum'fownele?" Me: "not yet. Ndim'qibele izolo." Namhla: "okay." Ma: "lemme go check on my kids." I walked To the bedroom. Estella was already there, playing with Buhle. Luthandoluhle was still sleeping. Her little boy held a big ball, rolling it all over the floor. I turned back and walked to Namhla.

Lubby and Lungelo were still sitting together. Lungelo: "Lubabalo please stop fooling around." Lubb: "okay, I'll hire an investigator as'khangelele anything, enough for us to get rid of her." Lungelo: "you talk about 'us' as if we're besties or some shit." Lubb: "mxim. I'll call you tomorrow." Lungelo: "what do I do in the mean time?" Lubb: "have your nails done or something. I'll call you." Lungelo squinted his eyes. Lungelo: "thanks." Lubb: "say it like you mean it." Lungelo: "khaw'hambe ngoku." Lubby went to his car and drove home. Paul came into the restaurant. Paul: "ngu Lukhanyo lo?" Lungelo: "they're Your friends. Suppose uyabaz. ngu Lubby.." Paul: "uzothin?" Lungelo: "we have some business together." Paul: "wena no Lubby? you're lying." Lungelo: "okay. He's not that bad. Maybe a bit stupid but definitely not bad." Paul: "kudala ndik'xelela." Meanwhile Lubby got home and went to look for his daughter. Estella was holding her, laying her in the cot. Lubb: "hey." He whispered. Estella: "hi." Alex was sleeping on the floor. Lubby picked him up and carried him to bed. Estella's bag was open. She was continuing with packing. Lubb: "and now?" Estella: "we're leaving." Lubb: "what??" Estella: "I have a job to get to Lubby, its Monday tomorrow. Plus I've been gone the whole week." Lubb: "no but we agreed with dad you'd stay at least 2." Estella: "I have thus changed my mind." Lubb: "but why?" Estella: "Alex needs to start familiarizing himself with home, his tutor and nanny." Lubb: "Estella." She

took the boy's bag and packed it too. Lubb: "did something happen?" Estella: "no..nothing happened. We just came to keep you company okay? Now you have your whole family back in full force. I need to get to work." Lubb: "okay then leave tomorrow?" Estella: "I found a flight for tonight." She closed her bag. Estella: "why do you look sad?" Lubb: "I don't want you to leave." Estella: "I'm just going to Cape Town Lubby not Mars. When you want to see me, you'll bring your cool jet and fly over. Yeah?" She took her phone and dialed a cab. Lubb: "you know I don't understand this Estella I thought we were cool." Estella: "we are. I just know when I'm not wanted and I'm not the type to force things." Lubb: "come on, everybody here likes you. You're adorable. And I enjoy having you here." Estella: "yeah...they all like me, but refuse to talk to me? Nice." She took her son. Lubb: "look I'll talk to th-" Estella: "No! Please don't. We'll just talk when I land okay? Say goodbye to Soso and his parents for me." She took the bags, the cab arrived quickly and they left. Lubby was extremely pissed off and hurt. Lukhanyo walked in carrying pizza. Luks: "who's hungry?" Sizwe came inside the house. Luks: "how did Lungi go? I hope you didn't fight him again shame." Lubby didn't reply. Luks: "heh Bafo? He pissed you off didn't he? Uwoah, mxim. I knew it." Lubby got up and walked to his room. Thenjiwe came out of the other bedroom with Sylvia chatting about Dinner. Sylvia: "bhuti ndiniphekele nton namhlanje." He didn't reply, just walked into his room and locked it. His phone rang. Lubb: "yinton man!" Zintle: "damn... Yinton ngok?" Lubb: "sorry I thought ungomnye umntu. What's up?" Zintle: "yeah, uzam'zisa nin umntana?" Lubb: "she's still sleeping." Zintle: "I know, I felt that way before. Iyadlula lo feeling. You'll find someone." Lubb: "I always fail Zintle. Qho! Look at what happened with you, then Liya. Now just when I thought ndizozama something pushes it far away kwakhona." Zintle: "who are you talking about?" Lubb: "umama walomntana bendihamba naye." Zintle: "have you tried speaking to her." Lubb: "I did..but she's stubborn and selfless. Akafun utsho ba ugxothe nguban aphe ndlin." Zintle: "ouch...banomgxotha ngoba dan?" Lubb: "ndaziphi na Zintle mna ndingaboni nto irongo ngaye?" Zintle: "or umhlawmbi she had a disagreement nomntu and akafun bangathi she's causing problems. So wa-decide uhamba." Lubb: "so what do I do?" Zintle: "just give her some space. And don't go throwing a fit apho endlini. Just keep calm, because izophinda xa ekhona ibengath ngok ukhetha yena yedwa. Then idale ezinye ingxaki." Lubb: "ndithule kengok Zintle?" Zintle: "andiyazi Lubby shame,

because I can't make decisions for you. All I know is that you shouldn't shut your family out because of a woman." He breathed. Lubb: "okay..we'll talk later." Zintle: "sharp."

Lonwabo, Busi and Tia had come back from church. They went to Busi's mother for Sunday lunch. She had cooked a lovely meal. They all sat in the dining table. Monday morning, Lubby woke up. He was in Lonwabo's house. In the guest room. He took a shower and went downstairs. Lonwabo was walking around the kitchen making cereal. Me: "molo Lubby.." Lubb: "sup." He closed his door and locked it. Heeee. Luks: "lubby.." He knocked on the door.

Then heard the sound system turn on. Lubby changed the album and played some jazz. Turning up the volume a bit. He took his laptop and communicated with his father for business purposes. He Skype'd with Bill, his new client, having to turn down the volume for a while. After his online meeting. He emailed Estella. Lubb: "hey, hope you doing good. Give Alex a kiss for me." She replied: "I'm good thanks, I've already left for work. Talk later 😊:*" lukhanyo sent him a message: "stop being childish Lubby. Tshin bawo khavule umnyango lo." He opened the door. He took her hand and placed it on his hard organ. Thandi: "hmm..." She bit her lips. Soma: "ivuke yama ngqo." She got on top of him. Soma: "ooh....I'm loving this view." She stuck him inside of her slowly. Soma: "ahh..." He moaned. Thandi held her hands on his chest. Letting only her ass move up and down only. He was going crazy. She slowly rotated it. Round and round and round. He groaned in pleasure. She let his whole dick out to the tip and sat on again. He held her thighs and started to grind inside of her. She kissed him..still moving her behind sideways, up and down, circles. Soma: "babyyy..." Thandi: "love..." She moaned. He got up and turned her around. Pulling her one leg to his shoulder. He slowly entered her, grinding... She screamed his name. His eyes hovered her body then locked into hers. Just as they reached planet climax together. Soma: "ahhhh yeessss!!!!!" Thandi: "now that's a greeaat morning...." Soma: "good moaning to you too." She giggled. Thandi: "let's bath then I'll make breakfast." They kissed each other to the bathroom.

Lubby was in a meeting with Thulani, Jeff and Mxolisi. Thulz: "so what's up?" Lubb: "to cut a long story short I need a team of you to help me build a couple of projects." Zintle: "hi. What's up? All suited up and stuff." Lubb: "I'm going to work dear, where's my daughter. Just wanna spend some time naye before I leave." Zintle: "use roomin." He went to the bedroom and sat next to his daughter. His heart melted. Lubb: "I love you mntanam...daddy is going to work, he'll bring you something real cute efana nawe ava.." He kissed her cheek. Zintle: "uphangel aphe Bhayi ngok?" Lubb: "no, I'm flying to Cape Town in an

hour or two.." Zintle: "okay then." She went back to her studying. Lubby spent the rest of his time with Buhle. 2 hours later after she had fallen asleep he

Lukhanyo came into the bedroom I was in. I felt like taking a bath. I ran the water with bubble bath. I smelt a bottle of whiskey. Obviously it was all in my head. The moment I climbed into the bath and relaxed. I remembered the last scene here. I was drinking. I had fallen asleep then started to drown. He pulled me out the water, basically I woke up out the bath. How do you even drown in a bath? Was I drunk? Sleepy? Still you don't just drown in a bath of water. We fought a bit and he left. This wasn't Lukhanyo. It had to be Lubby. Trying to remember the fight. It was about Lukhanyo....what did Lukhanyo do. Just then Lukhanyo walks in. I snapped out of my thoughts. Luks: "hey, wothuka nton?" Me: "khandik'cingele ba uzongena that's all." Luks: "hmm...you're beautiful." Me: "heee.." I smiled. He washed my back for me and massaged my shoulders and neck. Then my breasts. Luks: "yinton?" Me: "nothing." After bathing I went to my bedroom and got dressed. Luks: "love, awuka khumbuli nento enye? The doctor said your amnesia would wear off in a few days but sizongena kwi vekhi yosbini ngok." Me: "don't rush it baby. Uphi uLubby?" Luks: "he left." Me: "why? Uyephi?" Luks: "cape town. He has a meeting." Me: "when is he coming back?" Luks: "why are you concerned." Me: "ndiyabuza qha." Luks: "andiyaz nam, he didn't say. Ngowum'buzile ngok bephuma." Me: "he seemed angry a bit." Luks: "he was, uthi asi thethi no Estella. Why ningathethi nomnye lihle? Unenze nton?" Me: "waske wa-blamer mna. I was trying to get my memory back ndicinga mna. Wena bekuthen zungathethi." Luks: "ndiyindoda mna, firstly. Secondly I thought as women you will be talking to each other. Thirdly, I didn't even realize ba akuthethwa I'm busy fussing over you." Me: "yabo? Wonke umntu ubusy at this point. Right ke makahambe." Luks: "hayi lihle." Me: "what? Do you see the way that girl looks at you?" Luks: "she's just being friendly." Me: "until she does something kuwe and says becimba ngu "lubby" mxim...there's something fishy about her. And I don't like sardines." Luks: "lihle mna andikwazi unje! You of all people should understand. Mos zange usibidanise noLubby wena! You could tell us apart and you didn't do nothing." I looked at him and smiled. Me: "cela undenzele itea baby. Make it black, strong with no sugar. Thanks." I walked to bed and read a magazine. Luks: "no sugar?" Me: "you deaf?" Lukhanyo walked out and went to Sizwe. Luks: "Ta Seez uyandiqhela kengok uLihle!! She's starting me." Sizwe: "calm down kalok nyana...kwenzekeni ngoku?" Luks: "she's not herself lately! The way she acts. Ingathi uhleli kwi pedestal yomhlaba!" Sizwe: "Lukhanyo she's a bit confused, khamnike ixesha, xa ungay'thandi into thetha kakuhle naye." Luks: "confused my black ass Ta Seez, she did not look confused ngoku bendipha. Usez'ngqondwen lamntu!" Sizwe: "utheni?" Lukhanyo told him. Sizwe: "okay I'll

make the tea ndiyise kuye. Go and cool off wena." Lukhanyo stomped off to his car and left. Sizwe made the tea and took it to his daughter. Me: "uphi uLukhanyo tata?" Sizwe: "he went to go fetch something." He gave me the tea. It was hot, I drank it and relaxed. Sizwe: "Lihle ishushu le tea." Me: "ndiyagodola tata." Sizwe: "uthi uLukhanyo wena uthetha kakubi naye. How true is this?" Me: "hayi tata njani? Ayikho lonto. Mna ndim'cele kakuhle andenzele itea. Okanye bekufuneke ndizenzele?" Sizwe: "no sweetheart, bendibuza qha kalok...maybe he misunderstood your choice of words." Me: "hayi tata ndim'cele kakhle mna uLukha, qha inoba unestress sakhe yedwa." I drank the tea. Sizwe: "okay love..I'll let you rest ndisayo bona uSmilo." Me: "can I come with you?" Sizwe: "no sweety you have to rest, akafun ubonwa, even ooLukhanyo aren't allowed to go to him." Me: "oh, okay." He got up and left. Thinking to himself, Lukhanyo would never lie to me..plus his reaction was quite vivid something must have happened. But why would Lihle be this calm about it.

Lubby arrived in Cape Town after 3 that afternoon. He went straight to the office. Estella was busy with the IT group she didn't see him. She was wearing her white high waist skirt and a peach corset with a nude platform looking like the color of her skin. He went into his office and checked the file on the desk. She walked in. Estella: "hey!" She was surprised. Lubb: "hey.." He smiled. Estella: "you didn't tell me you were coming." Lubb: "you won't let me come." He said with a naughty smile. She laughed. Estella: "okay, Bruce will be here any minute now, let me get the boardroom ready." Lubb: "why? Can't we use my office?" Estella: "no honey, 3 other lawyers will be joining us today." His father walked in. Lubb: "afternoon dad." Dad: "get yourself ready son, we're on in a few." Lubb: "on what?" Dad: "You have an interview in a few minutes, the fashion magazine is here." Lubb: "WHAT? Dad you didn't tell me about this!" Dad: "I'm telling you now. You're going to be on the cover. Come boy." Lubb: "NO!!" He panicked. Sebastian and Estella laughed. Dad: "I'm Joking!" Lubb: "damn tata man. Kwatsho kwanyuka ne Hullets yam ngoku." Dad: "what was that?" Lubb: "nothing dad." Estella went to fix their boardroom. Lubby helped. The lawyers came in for the meeting. It went smoothly. Bruce: "I'm sorry Lubby, we can only retrieve 70% of the money she took from you. The rest is already spent and untraceable." Lubb: "I guess its better than nothing." Bruce: "we will keep in contact however and where exactly to transfer it. Robert has been charged with a whole lot of mess. Thank God nothing binds you to him." Lubb: "thanks for everything Bruce." They shook hands. Bruce looked at Estella and smiled. Lubb: "thanks for everything. BRUCE." Bruce: "I was wondering if I could take you out for dinner." Estella: "well i-" Lubb: "she's not available." Estella stared at him in disappointment. Bruce: "oh, I guess some other time then." He left. Estella: "that was extremely rude Lubabalo! I can speak for

my damn self!" Lubb: "he's married." Estella: "so I can't to him? Huh?" Lubb: "no but he doesn't know nothing. Come on Estella he's not your type." Estella: "you can't decide for me who I speak to. Now I respect you a lot. But that doesn't make you my boss in my personal life as well." Lubb: "but I wanted us to do something, me you and alex." Estella: "then you ask nicely. Don't just butt in my conversations." Lubb: "I'm sorry then." She tidied the boardroom. Lubb: "you mad?" Estella: "no I'm not mad Lubby.." Lubb: "when you call me by my name I know you mad." Estella: "I always call you by your name." Lubb: "no you don't." She left the room for his office. Estella: "I have a family dinner tonight, Twan is bringing his new fiance." Lubb: "oh." Estella: "please come? Its in an hour's time." Lubb: "you sure?" Estella: "Sim, claro." Lubb: "and what does that mean?" Estella: "yes, of course. Now, I have to get going. I'm helping mom prepare food." She kissed his cheek and left. Lubby went home to change. He was tired, he'd been up since 5. He showered and dressed in jeans and a blue shirt then drove to Estella's home. 2 cars were already there. One belonged to Twan. His employee. Estella walked him in. Lubb: "where's alex." Estella: "Alex!!" The boy came to him wearing his pajama pants and no top. Lubby picked him up. Estella: "this is my family. That is mama, my dad, you know Twan, this is his fiance, and their daughter Michele." Lubby greeted them all. Dad: "come sit this side." Lubby sat with him and they chatted about business mostly, sharing a drink. The women were in the kitchen finishing up dinner. Twan: "so you're telling me, you're letting 600 000 dollars go just like that?" Lubb: "there's nothing we can do about it basically. Its better that I get the 70% than nothing at all. Plus there's a new project we might be undertaking." Twan: "pray tell." Lubb: "once everything is finalized. You'll be the second to know." Twan: "ohh, so now Estella has overtaken my spot. I see." They laughed. The ladies brought the food to the table. Estella: "may we please close our eyes to pray." Everybody held hands and prayed.

Chapter 533

After dinner, Lubabalo got ready to leave. Estella's father had enjoyed his company a lot. Father: "leaving already?" Lubb: "yes, I'm going back to PE tomorrow." Father: "oh... Well have a safe flight then." Lubb: "thank you. And thanks to you too Mrs Jose." Estella's mother: "pleasure dear." He said his goodbyes and walked out. Estella accompanied him to his car. Lubb: "can we hang out?" Estella: "sure." They drove around the city. Estella was the one driving. Lubby lay his seat back. Lubb: "your driving is as bad as uBafo." Estella: "my driving is not bad, I'm an adrenaline junkie, I love things that go fast." Lubb: "drifting? You can drift?" Estella: "yes. Hold on." She

sped off throughout the freeway. Lubby literally held on to the seat. She shifted gears and spun the car around. It swerved another vehicle and turned left. Lubb: "please stop now." Estella: "what??" She laughed. Lubb: "you are going to kill me!!" Estella: "you're not going to die. Just....." Switch gears. Spin. Lubb: "Oh Lord Jesus! Please fight for me." She slowed down and stopped. Lubby breathed out loud. Lubb: "I thought I was gonna die." Estella: "I would never do that to you." They looked at each other for a brief moment. Estella: "uhm, the beach?" Lubb: "you love the beach." Estella: "we can go skinny dipping. Its dark. No one's there." Lubb: "naked?" Estella: "no. Not naked." Lubb: "good because my D too long. It might strangle somebody." She burst out laughing. Estella: "you're just stupid man." She drove him to the beach. They went to the water and sat by the shore. Estella: "so..tell me about your past. Your old days." Lubb: "you mean when I was a bad boy?" Estella: "you were a bad boy?" She laughed. Lubb: "don't laugh. I used to be in a gang babe. Girls loved me. They called me DaddyLubb." Estella: "hahaa! Lukha says that's not true." Lubb: "lukhanyo doesn't know shit. I'm telling you. They used to call me DaddyLubb. I was a real nigga. But still sweet like I still am." Estella: "and.." Lubb: "and I used to be a thug." Estella: "I can't imagine you being a thug." Lubb: "its why I was in jail." Estella: "you said it was mistaken identity." Lubb: "I lied. I didn't wanna lose you.." Estella: "why would you lose me for being honest?" Lubb: "I don't know. I just panicked." Estella: "so you really did murder someone?" Lubb: "well....not exactly." Estella: "okay.." Lubb: "I have excluded myself from that life. All it does is destroy you because I could never sleep for years I struggled for sleep. I only fell asleep properly when drunk or next to someone." Estella: "I'm glad you finally see the light, because you're a hell of a business man. You make wise decisions and know what you're doing." Lubb: "thank you for that compliment. I'm blushing." Estella: "and the other girl? What happened?" Lubb: "well...after you, we kind of broke up. Then I did something which pissed her off more, now she doesn't want to see me at all." Estella: "and the baby?" Lubb: "if she shuts me out now, I'll have to wait till she gives birth I guess." Estella: "and Bubu? How's she?" Lubb: "she's okay..at least her mother understands. I even told her about you." Estella: "what about me?" Lubb: "that you help me a lot with Bubu." Estella: "oh." They chatted for a while then lubby drove her home....

The next day Lubby came back from Cape Town late afternoon. He went home. He was tired. Lukhanyo sat in the lounge. Luks: "lubby." Lubb: "lukhanyo." Luks: "can we talk." Lubby walked to the bedroom. Lukha followed him. Luks: "ndicelu xolo about yesterday and the previous days." Lubb: "ul'celela nton uxolo Lukhanyo?" Luks: "for acting like a jealous wife." Lubb: "you are a jealous wife." Luks: "uxolo kalok. I just

panicked. I don't know how I would cope without you around. You're the spine that kept me straight ndingasa kwazi kwenza nto on my own. I don't want you to be away from me, I'm scared to fail." Lubb: "you're not going to fail Lukhanyo. Funeke uyeke uz'cingela. Look, you're doing just fine now. Lihle is back things are back to normal.. I'm not intending on leaving you alone forever yayaz ba ndizohlala ndikhona. Ndiyak'thanda. But I got to do my shit too." Luks: "unjan uEstella?" Lubb: "she's doing great." Luks: "what's the deal with you two?" Lubb: "nothing we just friends." Luks: "oh." Lubb: "uphi uLihle?" Luks: "I have no idea to be honest." Lubb: "hayi njan?" Luks: "ndivuke emkile. Andazi noba uhambe ngantoni. I searched the whole entire house ushiye kwa phone. She withdrew 10 000 yonke kwi account yakhe. And that's it." Lubb: "uzay'thini lomali? Is she wearing her watch?" Luks: "nantsi." Lubb: "namhla?" Luks: "she says uthe uyabuya. She's going shopping." Lubb: "then masim'linde." Luks: "oko kwak'sasa ndilindile." Lubb: "uzaw'buya wethu."

Well I was at the beach. I needed space. They crowded me too much. I know they mean well, but mabakhe bazame urelaxer noko. I got a cab back to the house. Seemingly, I didn't forget the route. 😞:/ hm.. I walked into the house with the plastic bags. No I didn't spend the whole 10 grand. Plus this is my money now. Luks: "lihle!!" Me: "Hey guys!!" Lubb: "uvelaphi?" Me: "shopping, beach, cruising town. Ubuye nin." Lubb: "just now." Me: "busow'tyile? Ima make dinner." I was all smiles. So happy. Feeling a bit free. I walked to the bedroom and put the bags down. Lukhanyo walked in and closed the door. Luks: "how the FUCK do you just disappear ungachazeli mntu!!" Me: "I am not a child boo. I'm a grown woman, kuthen kuzofuneka ndi-report(e) ngok?" Luks: "lihle! You usually did. Zange waveske wenza ezi zmanga!" Me: "why you shouting?" Luks: "ayikho le shit und'buza yona lithembelihle! Why are speaking to me as though uhla kumthi wamapere!!" Me: "Hey!! Sundiphambanisa man!" Luks: "ndiyokukhaba unye mna yeva!" Me: "with what army!?" He slapped my face. I was shaking with anger. I slapped him back harder and pushed him against the wall. He hit his back painfully. I held his shirt and pushed him again against the table. Me: "I'll break you and crack you open ngezandla. Sek'then ngok uzand'nyela. I'm back, aren't I?" Lubby opened the door. Lubb: "Lukhanyo Wenza-" Me: "oh? So usually iqhelu ba nguye.." I walked past him to the kitchen to cook some lovely. Lubb: "and then? Bafo? Yinton ngok?" Lukhanyo just got up and straightened himself. Luks: "I think I just cracked my back." Lubb: "iza ndibone." He took off his shirt. Lubb: "ooh.. Luks: "uzand'betha njan engena mandla lomntu man!!" He yelled. Lubb: "I was just asking damn.." They went to the lounge. I was chopping vegetables, checking through my phone for music. Lubby came in. Lubb: "lihle ugrand?" Me: "I'm 100. You?" Lubb: "yeah..sine worry ngawe. You should know, ndicela xa ufuna uhamba, go with Namhla or us'xelele ba uyaphi singa stressi. Okay?" Me: "you're so nice yazi. Hlobo othetha ngayo." Lubb: "lukhanyo is trying his best. He has a bit of a temper problem, but all he needs is ukuba um'explain(ele) izinto like where you go like you usually did. Keep your watch on too." Me: "iyandisinda mna la watch. Its just too much diamond." Lubb: "I bought you that watch for your birthday, you loved it." Me: "nyani?" Lubby looked around uncomfortably. Me: "why would you buy me a watch like that anyway?" Lubb: "you're my best friend, come on. Yayaz ba I buy people nice things." I fixed his shirt collar. Lubb: "uyayiva yonke le ndiyithethayo phof?" Me: "haha, loud and clear." Lubb: "umbethelen omnye?" Me: "khangе ndiqalise mna.. Ndimbone sephantsi." I carried on with my cooking kuthen ezobuza into eweak nje? Ndizomazelaphi mna ba uthen? Lubb: "okay. Where to help?" Me: "just stand there and look pretty." Lubb: "so ubuphi." Me: "I didn't mention talking." Lubb: "hawemother. Ndimapha ndithin ke mna? Hayi wethu suzodlala ngam apha." He walked to the door. Me: "Lubabalo.." He turned to look at me. Me: "uyaphi?" He pulled a chair and sat down. Me: "kera apha. Mna ndenze le. Lukhanyo!!" He didn't reply. 5 minutes later I went to the lounge, he was sitting there. Me: "don't make me call you twice." Luks: "ufuna nton?" Me: "your help. We're making dinner as a family." Luks: "you just pushed me and hurt me, now ufuna udlala happy family!?" He hissed. Me: "I didn't hurt you mna. Are you coming or not?" Luks: "No!" I walked to him and grabbed a vase. He jumped and ran to the kitchen. Me: "we're a family, right boys?" Lukhanyo shook his head painfully. I gave him his pot. And continued with mine.

Asanda was walking home from the bus stop. A black golf slowed down next to her. Asanda: "yintoni Thera?" Him: "iza ndik'goduse." Asanda: "andilahlekanga." Thera: "eshheee, umithi kanti? He left the house and went to buy dinner...

Chapter 534

After our dinner. I went to check on my angels. Feeding them and giving each one a bath. Lukhanyo had left again. Lubby came to help with the babies. I could sense a vibe. Me: "what?" Lubb: "hm?" Me: "utheni? Why you acting strange?" Lubb: "hayi I'm just thinking." Me: "about?" Lubb: "uhm..work." He coughed a little. Me: "you're a bad liar." Lubby was running a bit of a cold. I looked through the cabinet and found med's. Lubb: "what's up with you and Lukhanyo?" Me: "nothing. ngoba?" Lubb: "I don't wanna butt in but it seems like he's angry or scared." Me: "oh? I didn't notice. I wonder uthen ubaby." I carried my daughter around. Rocking her to sleep. Lubb: "are you sure?" Me: "why wouldn't I be??" I put the baby down and went to watch tv. Lubby came to the lounge. Me: "uLutha naye ulele?" Lubb: "he'll drift off soon, ndim'laytele lawei yakhe iculayo." He proceeded to walk to the kitchen. Me: "in the darkest night hour....I search through the crowd...." I sang. I even researched the lyrics earlier. This song had something about it. I went back on google and looked for the correct lyrics. I sang the song. Me: "I love you like XO, You love me like XO, You

kill me boy, XO. You love me like XO. All that I see, give me everything. Baby love me lights out. You can turn my lights out..." Lubb: "anganya kalok. Endlin kaban?" Me: "uban ngok?" Lubb: "njan uthi you love him like XO? Hayi!" Me: "what? Its just a song." Lubb: "and its not allowed in my house. Uyoma pha egatin xa ufuna uy'cula." Me: "lubabalo. You were in the kitchen, now sow'zoma phamkwam und'chazel what I can and cannot sing. Hayi noko." Lubb: "Lihle kwaku nzinyana apha. Sisilwa no XO. He is not allowed in this house, neither is his song." I laughed. Me: "nguban XO?" Lubb: "ngu Xolani!" I laughed even harder. Me: "because Beyonce knows Xolani right? Mxim wethu Lubby!" Lubb: "lihle I'm serious." Me: "okay ke andizophinda ndiyi cule. Sorry." He sat down. I searched through the phone although ibine ndawo ezindidikayo. I didn't have messages, emails nothing except for numbers. Did I delete them? Why would I delete all my messages? Pictures were only a selected few. I eventually found a camera. Me: "ncuma." Lubb: "why?" Me: "I'm taking a picture." Lubb: "I can't smile." Me: "yazbona ke." Lubb: "what?? Andikwaz nyan. Cela nanku Namhla." Namhla: "hayi andifun fotwa mna. Ingath ndiyi ngozi ndiyazazi." Me: "nguban ke ufuna ndim'fote?" Nobody replied. Oh well, I did say I wanted my space. So bye. I got up and walked around the house. Discovering a basketball court. I took the ball and bounced it around. I was just bored. I played around with my self making inside jokes and laughing out loud. Lubby walked in. Lubb: "love, who are you talking to and laughing with?" Me: "Me." Lubb: "nguban u'Me'?" Me: "nevermind." He left again. I walked to my bathroom and showered. Drinking some of the water due to dehydration. It sprinkled on my face. I got out the shower and went into the bedroom. Took out Pj's and got dressed. Lukhanyo came in the room. Me: "uvelaphi?" Luks: "out..bendiyo bona uChuma." Me: "you were going to bring him here." Luks: "ndizam'zisa njan apha. When my wife chases me with furniture?" Me: "are you saying I'm crazy?" Luks: "no." Me: "are you cheating on me?" Luks: "no." Me: "ngoku kuthen uzonuka inkazana?" He swallowed. Luks: "because yile ntwana bidlala nge perfume ka mamayo maybe ke ithe ngca kum ngoku bendim'funqula." Me: "are you lying to me lukhanyo?" Luks: "I'm not lying lihle." I turned around and got into bed. He better not be lying. Me: "you know kuyo yonke into endiy'cingayo. I know for a fact I hate liars. Ndiyoku rhuqa ngalo ntsulana yakho ndik'se kuye ubanda. You Better not be lying to me." Luks: "what? Hayi man Lihle kwenzekan?" Me: "kuthen uxoka Lukhanyo? Why are you not telling me the truth about us?" Luks: "t-the truth?" Me: "yes. The truth, like how you bashed me around furniture. Strangled me. Ngeyphi enye oy'fihlayo?" He stared at me in utter shock. Luks: "you said you don't remember." Me: "I do NOW." Luks: "lihle, I didn't want you to have bad memory of us, I already thought I'd lose you for two months. I couldn't risk you hating me the

first days again." Me: "nguban obethe ndizok'capkela?" Luks: "I just didn't want to risk it." Me: "so nyan..wawundiphethe kakbi." Luks: "its not that..I just kinda lost my temper a few times." Me: "lost your temper? Abantwana bethu bathin kengok xa uzoveske ulose temper yakho like its a set of keys?" Luks: "baby ndiyak'thanda, and I'm changing for the better. Remember sihamba counseling? Ndisezoya nase Madagascar k'la program baby." Me: "I don't know nothin." I paged through a magazine. Luks: "baby ndicelu xolo." Me: "ndik'xolele. But piss me off just ones. Baby..... You'll see flames in an asylum." I smiled...

Lukhanyo walked out to lubby's room. Luks: "quick question, what is an asylum?" Lubb: "its the protection granted by a state to someone who has left their home country as a political refugee. OR most of the time its an institution for the care of people who are mentally ill.." Lukhanyo swallowed hard. Lubb: "why do you ask?" Luks: "just curious." Lubb: "okaaay." Luks sat down awkwardly. Lubb: "uright?" Luks: "ndigrand. I just.....I'm tired." Lubb: "go sleep then. Good night." Luks: "ndingalala apha?" Lubb: "haibo...what about Lihle?" Luks: "selele. Ndonqena umvusa." Lubb: "okay then." He moved to his side. Lukhanyo got into bed. Lubby was still on his laptop researching. An hour later I walked in the room, why was Lukha sleeping here. Kodwa ndimlindle? Me: "uhm? And then?" Lubb: "uhleli kanti?" Me: "yeah, ndilinde uLukha, what's up?" Lubb: "besith uyonqena uk'vusa..." Me: "umke ndihleli nje. Lukhanyo?" He didn't wake. Me: "baby???" Lubb: "myeke wethu alale." But I want to talk to him. Me: "ndilale ndodwa?" Lubb: "he'll be there eksen." I walked out and closed the door. I knew he was Avoiding me. And uyandiva, uhleli pha. The nerve he has. Luks: "is she gone?" Lubb: "heee, hayi nawe Lukhanyo. Tshi." Luks: "yoh Lubby, not tonight please." Lubb: "whatever.." I walked to the kitchen. Noba ucimba ndisi muncu sakhe lona. I made myself hot tea and went to the bedroom. I was feeling really cold inside. After drinking I fell asleep straight away. I woke up after 3am and walked to the movie lounge. Sitting down in my favorite seat. Ndidikwe ndiyanya yi bhedi. Worse ndodwa. So I sat there motionless trying to think. A sudden thought of being at the beach with Lukhanyo, it was just me and him. We were inside the water kissing and playing. A real happy moment. When was this? It was so nice. After the beach he took me.....home? Probably. Then I was blank again. Lubby walked to the kitchen half asleep. Briefs and sneakers on. He didn't take off his chain, it shon in the dark. He got to the kitchen, opened the fridge and drank some juice. Then took something else. He started chewing as he walked to the movie lounge. His eyes were barely opened. He must really know his house if he can walk around with his eyes closed. He sat on the couch and switched on the screen. The moment it lit. He saw me and jumped up. Lubb: "hayyyi man!!!" Me: "what?" Lubb: "kuthen uhleli

ebumnyameni nje!" Me: "haibo. I just woke up.... ndisacinga. Plus I didn't wanna wake you guys. Worse ke wena une tv eroomin yakho. What you doing here." Lubb: "its My house!" Me: "oh." I wrapped my blanket around me and lay back the seat. Lubb: "kuthen uhleli apha?" Me: "I don't feel like being in bed. Indidikile. Plus I'm all alone pha." Lubb: "ungahlal no namhla nje?" Me: "andinovusa omnye umntana ngel'xesha just to chat. Like nani khangе ndini vuse mos." Lubb: "oh." He relaxed a little. Lubb: "yinton undenza dizzy man Lihle damn it. Ndothuke ndaphants uz'chamela." Me: "kuthen unganxibanga kodwa its cold?" Lubb: "lukhanyo took all the blankets, ndiyonqena ke ukhangela broekwe." I gave him the blanket. A movie came on. I wasn't watching. I was thinking about my wedding day. I gathered the pieces from the pictures in the video. It was so beautiful. I do remember waking up that morning. I didn't recognize the place but we went to a lovely decorated venue. Baby planned a surprise wedding for me. Soo cute and thoughtful. I miss him. Kuthen engavuki yena? Me: "ulukhanyo yena usalele?" Lubby was already asleep. I tiptoed out the lounge to the bedroom. I got in the bed and wrapped myself on his back. Luks: "hmm..." He growled. Luks: "khasuke man lubby man!" He mumbled. Luks: "nxx...yadika kanjan." Me: "and'sak khumbuli.." He jumped out of bed immediately. Luks: "how the....." He breathed. Me: "Good morning sweetheart..." I smiled.

The next morning Lubby showered and left quite early. He started at Zintle's flat. Lungelo opened. Lungelo: "my God, lubby akukabethi no7. What could you possibly want?" Lubb: "vasa khaw'leza sihambe man!" Lungelo: "you can't just appear and tell me what to do!" Lubb: "like hell I can. Be quick man!" Lungelo walked back to the bedroom. Zintle was feeding Buhle her breast. Lubb: "molweni." Zintle: "hey." Lubb: "nise right?" Zintle: "better than ever. Ndlela le athanda ngayo udlala. Andikam'va ekhala nakanye ever since um'shiyile. Lubb: "I'm just teasing him..." He took his baby to the lounge. Lubb: "daddy's little bumble bee." He played with her in the meanwhile. Lungelo got dressed and ate cereal. Lubb: "why do you like pouting. Hm?? Mlomo utsolo um'fumana phi." He was speaking to his daughter. Lubb: "you're always ready for a kiss." Lungelo: "ndi ready." Lubb: "yuh. Lungelo: "what do you mean lost?" Lubb: "temporary amnesia. She's been in a coma for 2 months." Lungelo: "what??!" Lubb: "yeah..but ke thank God she's finally awake." He pulled into the yard and got off. Lubb: "welcome to DaddyLubb's kingdom." Lungelo: "hm....not bad." Lubb: "not bad? Haa! Bro please. My house not bad AT ALL. As a matter of fact. You should stand outside because you're not allowed in." Lungelo: "uyanya. Ndizongena ndibone." Lubb: "uyaz'thanda nezinto." Lungelo took Buhle inside the house. I was in the lounge. Who the hell is this now? Lungelo: "hello Lihle!" Me: "hi." Oh wait...I'm getting it.. I'm almost at the tip of- Lubb: "Lungelo. Is his name." Oh yes. Of course. Me: "uright?" Lungelo: "I'm...good." Lubb: "masikhawleze Lungelo, we got to get going." They took Buhle to Sylvia. Then looked for Lukhanyo. Lubb: "lihle uphi uLukhanyo?" Me: "uthe uyolanda uChuma umsa eskolweni." Lubb: "okay. Ndizobuya in a short while, okay? Don't run off again please." Me: "I won't. Bye Lungelo." He looked a bit confused. Lungelo: "bye." They left. While driving to their location. Lungelo: "so Lubby, I'm sure you didn't wake me up early to take me out for breakfast." Lubb: "as if I would even bother. Anyway. I found a lead." Lungelo: "on what exactly." Lubb: "operation saggin tits." Lungelo: "what the fuck is that?" Lubb: "mpumie." Lungelo laughed. Lubb: "yeah, anyway. I sent her name forward. We're meeting with Smith now. He has something." Lungelo: "okay." They got to Smith's house. Lubby knocked on the front door. Smith: "Ghadamit Andrew, when I said morning I didn't say before 8. Shit!" Lubb: "morning to you too." He invited himself in. Smith: "I just woke up!" Lubb: "well good." Smith: "just let me get ready." He went to his bedroom. Lubby made himself coffee and took some rusks. Lubb: "want some?" Lungelo: "no." Lubb: "ungathi ndikuvimbile ke." Smith came back. Smith: "Nompumelelo Pakisa. Not really much, other than the usual drunk and driving without a license back in varsity. she did community service for that. She's been convicted for assault. Her previous boyfriend's wife is dead. The cause was a fatal car crash. Apparently nobody witnessed anything." Lubb: "how fucking convenient." Smith: "it can't be proven that it was her. Anyway, her car was hijacked last year it got involved in another hit and run." Lubb: "so we're talking about a serial killer..." Lungelo: "oh wow, 10 points for you, Lubby. I wonder how you figured that out so fast." Lubb: "mxim." Smith: "she's not a serial killer. Its just that she has bad luck." Lubb: "the last year hit and run? Who was it?" Smith: "a young girl. Younger than 15.

It was broad day light she was going to the shop so says her father.." Lubb: "and she died..." Smith: "on the spot." Lubb: "take a further look. I say She was the one who knocked that girl over." Lungelo: "I second your say." Smith: "uhm..I'll see what I can do." Lubb: "your best is what you're going to do Smith. Or That Jeep might just drive itself back to a second hand car dealership. Masambe lungelo." They got up and drove back to Summerstrand. Lungelo: "bekungekho need yom'threat(nisha)." Lubb: "I don't threaten people Lungelo. I never have. I just remind them of how quickly shit could get real. Now Smith has been loyal to me since forever, I put my faith in him. But every now and again I have got to tug a little at his heart strings for him to do the job properly." Lungelo: "that's just plain cruel." Lubb: "says the guy who doesn't smile for a living." Lungelo: "people have got to take me seriously." Lubb: "doesn't mean you shouldn't smile. Give them the 'don't fuck with me' smile. Nothing is as bad as smiling while you mad." Lungelo: "that doesn't make sense. How do you smile when you mad?" Lubby stopped the car. Lubb: "come." They stood outside the car. Lubb: "make me mad." Lungelo: "how?" Lubb: "say something offensive." Lungelo said something offensive. Lubby stared at him coldly then broke into a soft chuckle. He stopped and stared at him again, his smile slowly fading. Then walked back to the car. Lungelo: "should I walk home?" Lubby laughed. Lubb: "and it worked! And when it doesn't, always growl like a dinosaur and roar like a lion. " Lungelo: "yeah, don't ever do that again." They drove to Summerstrand. Lungelo: "ndizova ngawe." Lubb: "sho." Lungelo got out and took his car to work. Paul was already waiting for him. Paul: "you're late." Lungelo: "sorry, I got held up." Paul: "by what?" Lungelo: "stuff." Paul: "what stuff? Since when do you have stuff?" Lungelo: "damn Paul, everybody got stuff." He went into his office and found Mpumie sitting in his chair. Lungelo's mood changed drastically. Lungelo: "get out of my office." Mpumie: "we've got a meeting." Lungelo: "ndithe Phuma." Mpumie: "not until we're don- Lungelo: "GET OUT!!!!" He roared. Shoving everything on that desk to the floor. She jumped up and ran out the office. Lungelo closed his door and laughed. Lungelo: "mxim wena Lubby." He thought to himself.

Chapter 535

Lubby came back into the house during midday. He stood in the kitchen with his twin. Lubb: "dude, talk to me." Luks: "eish." Lubb: "come on Lukha I'm worried about you. I promise I'll try my best to help." Luks: "Lihle remembers." Lubb: "what does she remember?" I was walking to the kitchen to get some juice, walking with socks so you couldn't hear my footsteps. I stood by the door and stepped back. Luks: "most

things Lubby, the time esuka from wherever, I kind of lost it and slapped her. She slapped me back wandityhala ndayowa ndabetheka kabuhlungu nyan fethu." Lubb: "hayi lukhanyo." Luks: "I'm serious bra." Lubb: "kodwa ke nawe um'fakele nton mpama? Umqalile mos." Luks: "that was out of line I know. And ndayaz bendi wrong lubby. But the strength this person has is not like uphuma kwi coma!" Lubb: "stop playing Lukha. Lihle wouldn't hurt you intentionally. Remember when you cheating, woman broke down the house and gave you a hard beating. So ke andibon nto rongo mna." Luks: "now you're exaggerating. Anyway, there's something different Lubby, the way she threatens me kuthi ndizoyohlala kwi ndawo yabantu aba phambanayo. She says she'll beat me if I cheat. This girl is sick." Lubb: "I would beat you too if you cheat. I'd beat the shit outa you. Beat your asshole inside out. Beat you to-" Luks: "I get it!" Lubb: "you better get it." Luks: "ndicela siyeni mangcwabeni." Lubb: "for?" Luks: "I just feel the need yoba sim'se pha uLihle." Lubb: "okay, when?" Luks: "Ngoku!" Lubb: "haibo." Luks: "I'm serious." I walked into the kitchen. Lubb: "HEY!" Me: "hey.." I drank some juice. Lubb: "so..uhm we're going somewhere namhlanje, ndicela uyoxiba a dress and head scarf." Me: "I'm a bit tired right now." Lubb: "it won't take long I promise." I walked to him. Me: "what do you promise?" Lubb: "come here, lemme show you something." He held my arm and took me to the bedroom. He opened and I walked in first. Before I turned around he closed the door locking me in there and went back to the kitchen. Me: "oh? So you just gonn lock me in here? Okay." I walked around the room. Me: "andiyaz noba ucimba ndisidenge na. Okanye ndimuncu. Udenz umntana." I opened the window and climbed out. Then walked around the house. Lubby stood in the lounge with Lukha. Luks: "do you think she heard us?" Lubb: "I doubt that, she seems a bit calm." Luks: "she's always that calm! Undikhabe wathi soqiba waCALM!" Lubb: "maybe she's-" I walked into the front door. Lubby screamed and hid behind Lukhanyo.. Lubb: "I was bringing you a surprise!! It was not on purpose." Me: "hey...hey!" I stood in front of both of them. Me: "I don't respond well to surprise. Don't you ever! Even try.. Or you'll pay a surprise visit to heaven. Uyandiva?" Lubb: "loud and clear. Would you like some cup cakes?" Me: "I don't want your lame cup cakes." Lubb: "that's okay, they don't taste nice anyway." I went to the kitchen to make lunch. Me: "guys, please come help." Lubb: "siyeza." He stood in front of Lukhanyo and whispered. Lubb: "we have got to go there asap. Lukhanyo, how the hell did she get here!! Ndim'tixele roomin mos. I made sure it was locked!" He hissed. Luks: "let's just relax, xasisenza into as'xelela yona she is nice and sweet. Let's try not to make her mad." Lubb: "until when!" Luks: "until she wants to actually leave the house siye kengok pha." They walked to the kitchen and helped me prepare lunch. Me: "what you snickering about." Lubb: "I have

to make a call ndiyabuya" he left quickly. Me: "so...sibuyela nini endlin yethu baby.. I miss our time alone.." I held him from behind, wrapping my arms around him. Luks: "uhm..I just feel that...uhm maybe singahlala apha till you get better yazi." My leg was in between his thighs. Me: "asina privacy nje apha." I whispered. Luks: "we're a family baby..what privacy is needed?" Me: "well you know.." His hands were shaking. Luks: "you're not ready for that yet love. Just focus on you healing.." Me: "I want it. Now" Luks: "let's just wait another week or two babes." Me: "lukhanyo." He dropped the sauce container and went down to pick it up. Kuthen engandifuni lomntu? Do I smell? Ndimbi? I walked to the bedroom and took a shower. Put on some nice cocoa butter lotion and some perfume. Combed my hair and walked back to him. By now Lubby was back. I got so mad! They chatted about some soccer scores. I went to check on the babies. Buhle was awake. I took her and went to the kitchen to make a bottle. Lubb: "iza ndim'thathe.." Me: "I can manage." Lubb: "I don't mind." Me: "lubabalo. Chill." The baby started crying. She was hanging over my arm, her little hands reached for him. Lubb: "khumbula utata mntanam?" He kissed her cheek. I gave him his baby and continued with the bottle. He took it and went to the lounge with her. I dished up. Lukhanyo had long left for the lounge. If I didn't know any better, I'd say he was avoiding me. Namhla was at school. I sat next to lukhanyo. Smiling at him. He didn't even look at me. Me: "sweetheart. Ndicele sidibane.." Luks: "for what now?" Me: "just you know." Luks: "we talked about this love. Its early." Bingathi benditshiseka ngaphakathi. My groins were tingling. Me: "I just wanna show you something." Luks: "which is?" He was pissing me off. Kakhulu. He seemed uncomfortable. Lubb: "lihle ndicela sambeni siye somewhere." The way I was just angry, I just nodded and went to get dressed in the stupid dress. Lubby gave the baby to Sylvia. We took his car and he drove us to a somewhere. I wasn't even interested. I just couldn't wait for two weeks, how can I change Lukha's mind? I'm fine mos. Maybe if I wear something sexy. At least my memory was running back. These days I remembered more things as I saw them. Quite a nice feeling. Back to Lukhanyo. Maybe he found someone else. Or maybe I bored him. I tried to remember having fun with him. I missed the feeling. If he showed me just one more time maybe I could revive it. So let me just imagine. I giggled by myself. Lubby looked at me from the rearview mirror. Lubb: "you okay?" Me: "I'm fine." He stared at Lukhanyo and looked back on the road.

Well I started imagining him kissing me to the bedroom. He squeezed my body ripping off my clothes. Then lay me on the bed. I thought I heard my phone ring. I checked it and smiled. Lukhanyo got really mad he started shouting in anger. I still continued to kiss him. He was pissed off. He kissed me back angrily and entered

roughly. It was painful.... Me: "no!!" I said out loud. Lubb: "yinton ngoku!?" He stopped the car. Luks: "what's wrong?" He didn't do all this. It was stupid imagination. Me: "nothing. I'm sorry." Lubb: "hey hayi kodwa ayikho lena." He drove off again. I needed to understand this, so I thought again. The thought of my own husband forcing himself on me seemed sick. He left the house don't know where to. I seemed to fall asleep and woke up again some time later. I was in pain. Bleeding. He walked in and saw the sheets. Looked sorry and all. Softer than normal. Wait....this wasn't him. It was Lubby. I went to shower and dress. Came back to a ready made bed. Sheets removed, with a big bowl of ice cream on the side. So sweet. My thoughts were interrupted. Lubb: "okay, sesifikile. Iza Lihle." We got out the car and walked inside a house full of people waiting in a queue. Sahlala ke and waited. After over an hour, singena k'welinye igumbi. Then another man was instructed to give us something. We left right after. Luks: "kuthen uthule?" Lubb: "lihle?" Me: "did you rape me?" Lubby stopped the car. Lubb: "I need to pee." He climbed out immediately and walked away. Luks: "baby ivelaphi kengoku lento?" Me: "thetha inyani." He swallowed hard. Luks: "no." By this time the tears fell down my face. Ndaske ndanyaba. Me: "biza uLubby sambeni." He got out the car, shaking and went to fetch his brother. There was heavy tension in the car. No use hiding it when both of them know. We got to the grave yard and walked to a specific one. Xolani Mzinyathi. I do remember how he died in my arms. I kneeled next to the grave and silently cried. Lubby and Lukhanyo stood far away arguing in whispers. I didn't care about them right now. I held the grave the way I held his coffin. My chest pained. I felt like something was ripping in pieces inside of me, but I knew I had to let go. Me: "Xolani. I don't even know where to start. But thank you for being a part of my life. Thank you for teaching me how to be strong in your own silly way. Now your time has passed. Awusekho bhuti. Ndiyakucela ulale ngoxolo. I do miss you, but there's nothing we can do about it now. Ewe ndizohlala ndikucinga. I just ask you to accept the fact that I've moved on." I dusted his marble grave. Lighting the little herbs the assistant had given us. Me: "Rest in Peace Xolani Mzinyathi." I wiped my tears waiting for it to burn down. Then I got up and walked to a tap to wash my hands. I went to the car then waited for the twins to stop their bickering. They climbed in the car. Lubby sped off. Akho use yalento kanjani. Its really unnecessary. I have come to a point where I don't want to know anything more of the past. No ndigrand. Rather I just focused on our future together. That's what was important. I don't know why he keeps lying though. Maybe I don't need the truth.

We got to the house and I went to pack my clothes. I was leaving, with my babies. If Lukhanyo wants to stay here then makahlale no bhuti wakhe. Every memory seems

to be going Lubby's way and I don't like that. I went to the babies' and got them ready to go home. Lukhanyo sat there holding his daughter. Just looking at him sent shivers down my spine. I took Luthando and his toys. Luks: "lihle uyaphi?" Me: "kwam Lukhanyo." Luks: "but I tho-" Me: "if you want to stay with your brother. I'm not standing in your way. Qha mna ndiye ndlin. Zondifumana khona." I walked out just as Lubabalo walked in. Lubb: "and then?" Luks: "she's leaving." Lubb: "uyenza njan intwenje Lukhanyo?" Luks: "please lubabalo." Lubb: "No!! Don't fucking nyeez me! What the hell!" Luks: "lubby, we spoke abou-" Lubb: "we did NOT! Zange ube specific! You did not tell me nothing!" Lukhanyo looked at his daughter. Lubb: "how will Sizwe feel when he hears you did this to his only daughter? Wena ungamele njani if....." He ran out of words. Lubb: "Why lukhanyo." Luks: "please don't make me think about it." Lubb: "in My motherfucking house!!! Wenza le shit and have the audacity to LIE in my face! She was bleeding Lukhanyo! What if she died!" Luks: "lubabalo please!" He cried. Lubb: "don't give me that fucking sad look man!" He sobbed. Lubb: "how do you even look at your self in the mirror? Huh? Uyenza njani into enje!!" He screamed. Luks: "ndicel uxolo!!" He cried. Luks: "do you think I'm proud? I am just as hurt Lubabalo! I didn't mean to. I do not know what came over me, khandiyazi mna ba she.....that I'm....." He lay his baby down and sat on the floor. Lubby walked out the room fuming. I packed the bags in the car. Me: "sis Sylvia cela undiphathel uLuhle please." She went to the bedroom and brought her to the car. Sylvia: "sisi, uzokwazi uqhuba imoto while you're st-" Me: "what? Crazy? I'm perfectly capable of driving the car sisi. Khona iphi Benz yam?" Sylvia: "uhm...I think uMr Mzinyathi uzok'xelela kakuhle kwenzeke nton." Me: "thanks for everything sisi." Sylvia: "wam'kelekile nontombi." I got in the car and drove home. My only fear was forgetting which road to take. But eventually managed to get home without trouble. Spending time with my kids was really heartwarming for me. We went inside and set up our home made play centre. Pushing all furniture away. Laying blankets on the floor. We sat with toys. Luhle held on to the coffee table and pulled herself up. I took a picture of her. A car parked outside the house. My quickest instinct was taking the kids to the bedroom and get ready for whatever. Now I understood why. But Lukhanyo unlocked the door and walked in. Luhle screamed, smiles all over her face.. Luks: "come to daddy angel. Iza." He bent down in a distance and held out his hands. All she did was scream. Luks: "iza kalok." She was holding on balancing on the table walking sideways. Then turned around and took two steps. Lukhanyo grabbed her before she fell! I felt like jumping up and down. Luks: "that's my baby! Uyakhula mos nxinxi ka tata. Sow'kwazi nohamba?" That was so cute. Her first two steps. Luthando lay on his back without even so much as a care, chewing on his gum soothing toy.

Lukhanyo sat next to me with Luhle on his lap.. Luks: "baby, I'm really sorry.." Me: "its okay." I just didn't want to speak of it anymore. Ever again. Me: "just stop lying to me." Luks: "okay." He held his arm over my shoulder and pulled me closer. I relaxed on his chest. Luks: "ayakhula amantshontsho ethu baby. Did you see that little walk she did?" Me: "that was cute. Lutha yena uz'pholele pha." Luks: "yeah well, that's my little dunder head. Aka stout man. What is he eating?" Me: "lanto yakhe ay'thandayo. I'll start on dinner." I got up and went to cook dinner for my husband. His mind was elsewhere though. As I cooked dinner, he seemed deep in thought. His phone rang and he quickly rejected the call. Luks: "lutha, izapha ntandana yam ecute entle." Lutha grumbled something. Luks: "mxim." The phone rang again. He got up and went to answer it in the bedroom...

Chapter 536

Luks: "hey! Look, cela ungayenzi lento ne?" Caller: "what are you on about?" Luks: "just send sms' qha. Yeka lento yosoloko uyafowna. I have to go." He hung up. He fixed the bed and made himself look busy when I walked into the room. Me: "who was that?" Luks: "ngu Stuja baby." Me: "oh." I wore my track suit and a sweater with socks then went back to the kitchen. Lutha was kneeling next to the cupboard, holding a box. Me: "Luthando Marvin Mzinyathi!!" Lukhanyo laughed. Luks: "hamba Marvin." I took him back to the lounge then I went back to cooking. Mandy knocked on the door and came in. She looked amazing. Me: "hey." Mandy: "hey tshomi." We hugged. Mandy: "so. Unjani?" Me: "I'm great mtshana. Wena?" Mandy: "happy! To see you u-right and alive and shit." Me: "haha! I wasn't dead chick." Mandy: "you kind of were. I was really worried, we all were." Me: "I know man peto, let's just get over it. Idlulile wethu yonke lento, andisafun thetha about the past anymore." Mandy: "okay.." Me: "so how's the new man.." Mandy: "totally wonderful. Peto, he's just the best." Lukhanyo walked into the kitchen. Luks: "molo Mandy." Mandy: "hi bhuti... Lihle, he cooks, he cleans. He massages me. Treats me like a queen. And damn, he fucks." I laughed. Lukhanyo was shocked and a bit shaken. He took some snacks and left immediately. Me: "no wonder you're glowing. Caba ukuvisa kamandi." Mandy: "ohh tshomam. Sekhe wava into ibenencasa engapheliyo. And you're always craving it." She crossed her thighs. Lukhanyo turned up the volume. Me: "this guy is turning you into a real freak hey." Mandy: "already was. I just needed him to pull it out the closet." We laughed. Mandy: "ndikuncedise phi peto?" I gave her a task. Me: "I'm

happy for you tshomi. I hope this will work out for both of you. Andimazi ncam lona umntu ke but I just see uhlobo o-reacter ngayo whenever you talk about him. Its a cute look peto. You're in love." Mandy: "hayi tshomi, uyay'baxa kengoku. We're just having fun." Me: "and if you would find out that he's having fun nabanye whilst he's doing that with you? How would that make you feel?" Mandy: "used. Hurt. Jealous. Andiyazi lihle..." Me: "do you want that to happen?" Mandy: "no. Of course not." Luks: "then tell him. Tell him that you're in love with him. So that he knows!" What? Umameleni? Mandy: "but what if he rejects me? Me: "if he didn't feel that way about you Mandy, he wouldn't do all the things he does right now. He would just be in it for the sex, but he goes the extra mile to show you that he loves you. What are you going to do?" Mandy: "what should I do?" Luks: "he did say he wanted a jet." Mandy: "I cannot afford a private jet." Me: "tshomi akho need yothena niks, don't listen to Lukhanyo. Cook some nice dinner, unxibe kakuhle. Not anything distracting. Just be presentable-" Luks: "noba kanti unxibe pajama. Doesn't really matter." Me: "sit him down and talk to him, tell him how you feel." Luks: "don't mention marriage and babies. Freaks us out instantly." Me: "you are already married with babies Lukhanyo. What are you exactly freaked out about?" Luks: "no, I'm different. Sendisitsho abanye aba." Mandy: "okay. I think I'm ready." Me: "okay, let's set up for dinner." Mandy: "andizokwazi my friend. I'm going to cook for my man. Love you zihlobo zam!" She kissed both my cheeks. Luks: "I don't get nothing? Effort engaka?" She pecked his cheek and left. Me: "dinner will be ready in a few. Baby please get the babies ready." Luks: "nah bayeke. Bazodlala bodwa, izobona uLuhle wenzan." She held Lutha's hand, trying to take the toy. Luthando let go and crawled to his father. Luks: "andisathandi. Ntwana yam I-bully'shwe ndikhona. Ithen into yalapha? Huh boy?" I brought him his food on a tray. He prayed. Luks: "heavenly father, I would like to thank you for this lovely dinner. This lovely family. I pray that you keep us together through thick and thin. That you build us to be stronger together as a unit. In Your holy name Amen." I went to fetch my food. Lutha lay on th floor with Lukhanyo's second piece of meat, sinking his baby teeth into it. Luks: "mxim. Doesn't Even know we praying yathatha qha." We ate our early dinner...

Soso arrived at Mandy's place after his shift. She was almost done cooking. Soso: "something smells wonderful." Mandy: "just relax sendizoqiba." Soso: "ndisayo vasa ke." He went to shower and came back half naked. Mandy: "please get dressed." Soso: "why? We got guests?" Mandy: "no....you're distracting me.." Soso: "nganton." He pulled her on top of him. Kissing her neck. Getting his hands into her tight jeans from behind. He squeezed her ass. Mandy: "Soso, we have something to talk about.." Soso: "we'll talk right after babes." Mandy: "no not after." Soso: "during ke..." He pulled

down her jeans. Mandy: "no. Right now..." Soso: "aww." He sulked. Soso: "its been a week since I got a little taste though." Mandy: "yes, well ndifuna uthetha." Soso: "I'm all ears baby." Mandy: "well." She got up and sat next to him. Mandy: "I'm in love with you." She saw his eyes light up. Soso: "nyani Mandy? You're not bullshitting?" Mandy: "yes...I don't know why I took so long to tell you this. I was scared and" She sighed. Mandy: "well, there it is. Ndiyakuthanda Sonwabise, I don't want to lose you. I'm scared that you've probably got other girls on the side and I don't want that. I want you to myself only." Soso: "there are no other girls Mandy. Its only you. I broke a promise to myself. Ndayeka celibacy yam, nday'beka ecaleni just to please you. It was the only way to get you. I loved you from day one. The time I first saw you kwela khitshi. The time I found you crying, I made a vow to myself soze ndikwenze ulile olahlobo. Ever. Which is why I went against myself ndenza lento nawe, I hope uThixo uyondixolela. right now ndlela le ndivuya ngayo." Mandy: "I'm glad you were patient Soso, I'm really happy." Soso: "good. Because usezoba happy. Even when we're married, and got kids. I'll still be there for you. Love you like I always have. Ube happy some more ude utyebe." Mandy: "yeah, now I feel special." Soso: "of course you feel special....uyi cherrie ka Soja." Mandy: "hayi hayi, ngak'linge sebenzise elogama endlinam." Soso: "hampa tshi..you better get used to it." He kissed her lips. Mandy: "umqibele nin omnye uYou." Soso: "my other me has gone away with girlfriend yakhe. Baye k'lo girlfriend." Mandy: "oh.." Soso: "baby you hardly speak of your family...matter of fact zange ndakuva nakanye uthetha ngabo." Mandy: "well, there's not much to say." Soso: "talk to me baby..." Mandy: "well, I'm an only child. Grew up with my parents, they used to be really strict. Yena ke umakhulu, my mom's mother. Was a bit better but naye waye strict. I'm not allowed to wear ibroekwe endlin. I didn't mind that at all. But utata just took it too far. We had to praise him, noba se wrong. He eventually lost his job, Then he started drinking. Abuye ambethe umama ade adumbe, and bleeds..I would have to help her up and help her nurse her wounds. I didn't mind. Ngoba ngu mama wam, but as I grew older I understood ba mama could easily have left tata but she had no one to support her because zange aqibe ufunda. Watshata wanam and took care of the household qha. So she was uneducated and with no money at all. Which is why I did all I could to pass eskolweni. Ndafumana scholarship, studied even harder. Got a job and worked for myself ndiz'xelel ba andifun nyelwa yindoda mna noba sekutheni na. So that's it." Soso: "that's a painful, but touching story baby. I'm really sorry." Mandy: "yeah well, it didn't really break me into yobona i-abuse. I guess singabantu we're different. I literally got used to it ndingathandanga. So I guess if it did anything to me, it made me stronger." Soso: "well....I'm glad you don't think every man is a...." Mandy:

"monster. Its okay. He's dead." Soso: "I'm sorry..." Mandy: "yeah. Let's dish up?" Soso: "let me babes, you went through all this trouble to prepare, let me help.." He went to go dish up.....

Asanda was studying her Maths. Mandla came into the room and sat down. Mandla: "mntase.." Asanda: "hello bhuti." Mandla: "so. La tshomi yakho izafika nin?" Asanda: "uban? uZimmy?" Mandla: "ewe." He smiled. Mandla: "lo u-chubby, umhlophe. Nobuso obu cute." Asanda: "uhm...." Staring at him suspiciously. Asanda: "hayi kabi ne? But you're not her type." Mandla: "the type for the what?" She laughed. Asanda: "hayi man bhuti, you're not what she's looking for in a man. Askies." Mandla: "I'm man mos Asanda. Yinton kengok ingxaki?" Asanda: "bhuti, I mean kaloku...abantu bathanda abantu abathile. For instance, Zimmy likes well-dressed guys, smells good, drives a nice car, one mali. Mna bhuti, I love you just the way you are. Ungazitshintshi." Mandla: "but nam ndingu well dress and ndiyavasa nje." Asanda: "bhuti. Akadyoli namagintsa." She said bluntly. Asanda: "I'm sorry." Mandla: "oh? Nguban igintsa kanen?" Asanda: "argg. Please don't do this." Mandla: "heee mntase awundithembanga?" Asanda: "just not with my friends. Please." Mandla: "awwa mxim." He walked out the house. His phone rang. Mandla: "thetha." Caller: "hi Mandla." Mandla: "Ja?" Caller: "kudala ndizama uku fownela and uhm...bendifuna sidibane." Mandla: "for the what?" Caller: "sithethe." Mandla: "kodwa unayo indawana enesgezo Khanyisa. Khona nje ichaphaza apha kuwe. Yinton ngoku esidibanisayo?" Caller: "but the other day-" Mandla: "besivisana kamandi kalok love. Yinton ngok uy'tsala lento ingena msila?" Caller: "I'm not following." Mandla: "andinaye nalo twitter. Ndizak'funela pha ku Asanda." Caller: "nguban kehok lowo!" Mandla: "bye bye Khanyisa." Caller: "Mandla!" Mandla: "yinton!" Caller: "just like that nje? Awukwazi kalok." Mandla: "okanye uzathini na sisi? Huh? Uzoyondi bamba? Ubachazele ndihlala phi va. Uyow'cholwa ungena mehlo nam'lomo. Qhubekeka." He hung up.

Lubby met up with Lungelo. Lungelo: "seeing you twice in one day equals a bad day for me." Lubb: "uxole k'le ndawo ume kuyo, heart umhlophe une butterflies."

Lungelo: "mxim!" They got to Smith's house. Lungelo: "why are we here?" Lubb: "he has something." Smith: "evening gentlemen." Lubb: "hi, get on with it. What you got?" Smith: "I got hold of the hijacking story. Its not adding up. According to the father The child left her home at 15:00, probably not exactly then but round about. According to Mpumie, she reported her car round about something to 4." Lubb: "coincidence?" Lungelo: "I think not. This father of the child, does Mpumie know him?" Smith: "he was overly depressed after the accident nothing he said ever made sense so he was taken to a mental institution where he's tried to commit suicide

several times." Lungelo: " I don't know Lubby...I think..they were lovers." Lubb: "then they broke up obviously He did. She got mad and wanted revenge." Lungelo: "where as she attacked his child probably not intending to actually kill her. So after she bumped her." Lubb: "she panicked." Smith: "there's more. She has an alibi. Apparently when she got hijacked, she asked around for help and called her best friend to pick her up." Lubb: "why would you call your best friend? Before the police?" Lungelo: "exactly.....but you would call Lukhanyo before anybody else right?" Lubb: "because he's half of me. He deserves to know before anyone else." Lungelo: "now the problem with this situation is. It looks overly suspicious. Can we get hold of the friend?" Smith: "why?" Lungelo: "to understand this hijack story if its real or just a front." Smith: "you can't just walk up to someone and ask that." Lubb: "I have a plan...." He smiled. Lungelo: "urrgh...." Smith what is your plan Andrew?." He handed him the paper with her work address. Lubb: "watch and learn."

Chapter 537

Thursday morning. Lukhanyo showered and dressed. Me: "uyaphi?" Luks: "a meeting baby, ndizobuya emini va." Me: "uhm okay." He took his Mazerati keys and left. I got up and went to the twins. They were asleep still. I brushed my teeth and showered quickly. Wearing shorts and a vest. I made myself food and ate. Then Luhle woke up. I went to fetch my daughter and fed her. While she held on to the table for her balance, I fed Lutha. Ran them a bath, and got them cleaned up. Lubby walked in the back door. Lubb: "molweni." He startled me. I did not expect him here, especially through the back door. Me: "hey." As I got up.. Lubb: "hayi relax." I sat back down. Lubb: "baby wam uyahamba na?" He kneeled on the floor. Lubb: "izapha love..come to daddy." Luhle smiled proudly. Lubb: "come on honey." She let go of the table and stepped towards him. Lubby grabbed her and laughed then took a picture of her. Lubb: "you're so cute!" Luthando was pulling my vest down. Me: "No. Luthando." Lutha: "mmmm!!" Me: "mm what? Ina." I gave him his bottle. He pushed it away. Lubb: "ufun bele." Me: "ulazelaphi ibele uLuthando. All he does is bite." Lubb: "akalambanga ngoku dan?" Me: "he just ate." Lubb: "uphi Lukhanyo? Usalele?" Me: "he left an hour ago." Lubb: "where to?" Me: "some meeting." Lubb: "meeting? What meeting? I only scheduled for the end of the mon-" Me: "huh?" Lubb: "nothing." Me: "would you like some juice?" Lubb: "yes please." I went to the kitchen and poured him juice. He drank and sat quietly. Me: "I'm okay Lubabalo." Lubb: "I wish bekho something bendinoyitsho to make it better." Me: "it was long ago, sidlulile kuyo. Can we just not speak of the past again?" Lubb: "in order to deal with it-" Me: "I don't

want to Lubby. Can we just...let it go." There was a knock on the door. Andisonqen phakama. Me: "come in." Sizwe walked in. Me: "molo tata." He had a confused look. Sizwe: "molweni. Uphi uLukhanyo?" Me: "he left. Uye kwi meeting." Sizwe: "yantoni?" Me: "he didn't say." He picked Lutha up and they sat on the couch together. Sizwe: "uziva njani ngoku? Have you remembered?" Me: "most things yes. I'm doing just fine tata, wena?" Sizwe: "I'm fine. Lubby?" He was thinking. Sizwe: "wee Lubabalo!" Lubb: "huh? What happened?" Sizwe: "unjani?" Lubb: "oh. I'm great. Fine." He took out his phone and started sending Lukha a message. Lubb: "uphi Lukhanyo Mzinyathi?" There was no reply. He checked his whatsapp. Last seen yesterday. Lubb: "ndilapha kwakho fondin. Will you reply?" He didn't reply. Lubby was getting frustrated. Sizwe: "lubabalo?" Lubb: "ta Seez." Sizwe: "can you hear me?" Lubb: "of course." Sizwe: "ndithini?" Lubb: "uhm...okay, bendinga mamelanga." Sizwe: "ndithi masambe, we're going somewhere." Lubb: "nah, I'm fine Ta Seez. I just wanna chill." Sizwe looked at me. Me: "why don't you just stay, I'll dish up breakfast." Sizwe: "there's somewhere I have to be sana lwam. Lubabalo masambe." Lubb: "Ta Seez, me and Lukha got to talk. So ndilinde yena abuye, for sure uyeza ngoku. Maybe he's still wrapping up the meeting because akaphenduli." Sizwe: "oh. Hayke nam ndiyahlala." He sat comfortably. I went to dish up breakfast. Sizwe: "yinton ingxaki Lubby?" Lubb: "akhonto Ta Seez." Sizwe: "why do you even bother lying to me?" Lubb: "andixoki mna Ta. Ndinga something from emsebenzin." Sizwe stared at him with a disapproving look. Sizwe: "son, are you...-" Lubb: "Hayi Ta Seez!" Sizwe squinted his eyes at him. Sizwe: "m'kay." Lubb: "yeah." Meanwhile, Lukhanyo sat back in the chair. Luks: "awuka tshintshi yazi Dumisa." Dumisa: "you mean I'm still cute." Luks: "hahahaha. Maybe.." Dumisa: "bendicimba awuzokuza yazi. Thanks a lot for your help." Luks: "its only my pleasure." Dumisa: "so...who's the lucky lady?" She held his left hand massaging it. Luks: "why ufuna uyazi?" Dumisa: "because uthathe i-seat yam. I deserve to know." Luks: "nguwe oye waphakama sisi, wahlala phantsi ke yena." Dumisa: "so ngubani ke? Ndandisiva kuthwa unomntu ongu Sibongile. Is that right?" Luks: "ayinguye lowo." Dumisa: "then who?" Luks: "ngu Lihle." Dumisa: "lihle? Waphi?" Luks: "you won't know her." Dumisa: "okay. Since you tryna be all secretive and shit." Luks: "I should get going." He got up. She got up from the other end and he looked at her again. She was wearing a tight short blue skirt. With a blue shirt tucked in neatly. With a white platform heel. Dumisa: "yinton?" Luks: "nothing. You look amazing." She walked around the table and hugged him. Dumisa: "ungalahleki ke. Mr Shareholder." Luks: "haha. Just stop hounding me oko. I don't want people to get the wrong idea. We're friends right?" She pulled back still holding his neck. Dumisa: "right." She kissed his cheek and walked away. Luks: "Sasa, please don't do that."

Dumisa: "oh please Lukhanyo. If you didn't like it, you would be able to control your....little self." Luks: "heee. Haska nawe man tshi. You'll email me." Dumisa: "bye." He went out to his car and drove out to the mall.

Lonwabo was helping Busi set up her new office. He was painting the walls. Losta: "kodwa baby uyandigezela wena. And you are such a bully. Ude undikhuphe msebenzin for ipainting." Busi: "because you said ufuna uba part of me and my success njena." She kissed him. Losta: "okay ke queen yam. What color do you want this side?" Busi: "sthandwa I'm thinking white or red." Losta: "you want a colorful office? Mna ndithi yenze red baby. This wall and this one. Then kweli cala libe white." Busi: "or let's just make it white. Then reception area ibe red. With a beautiful desk." She looked excited. Losta: "khazapha." He kissed her. Thoko arrived. Thoko: "yoh sana." They giggled. Losta: "molo sisi." Thoko: "molweni. Where do I start?" Busi: "come help me with the placing of the furniture." They went to the front while Lonwabo painted the rest of her office. 2 hours later he walked out and found them sitting on the front white leather couch drinking tea. Losta: "heee ubaby, awusatsho noba kukho itea break na?" Busi: "sorry honey. Ndicimba use busy kalok." Losta: "I'm done now. Lemme just call Lubby azondilanda. You'll take my car ne?" Busi: "okay love." He called Lubby. Losta: "ndoda." Lubb: "awti." Losta: "ndicela uze man. Ndise Newton. I'll send you the address." Lubb: "undibekela ntoni?" Losta: "Lubabalo. I'm working." Lubb: "you don't work anywhere near there. So ithin into?" Losta: "I'm helping uBaby she was setting up office." Lubb: "okay, ndiyeza." He hung up.

It took him less than 30 minutes to arrive at the address. Lubby walked in. He was wearing fitted jeans and a tucked in shirt with a maroon suede formal shoe. He knew he looked good, smelt good, walked good. He just needed to say something to the same effect as he walked in. They all looked at him. Lubb: "First of all I'd like to start off by saying. God is good all the time, can I get an amen?" They laughed. Losta: "aww mjita wam." Lubb: "sho awti.." They bumped their shoulders. Losta: "this is my beautiful future wife uBusi. And this is her friend Thoko." Lubb: "good mo-" he looked at his Rolex. Lubb: "oh, good afternoon ladies." He held their hands and gave them each a kiss. Busi: "molo bhuti." Thoko: "hello." She stared at him. Lubb: "so? What's this. It looks really cool." Losta: "accountants bro. Andaz noba yi firm or what. Buza koo sisi abo." Lubby sat in between them. Lubb: "hay wethu iphi eyam itea." Thoko: "I'll make it." She got up and went to make the tea in a hurry. Lubb: "so? What's this?". Busi: "business yam noThoko. I'm an accountant." Lubb: "nyan? So...niqala nini ke?" Busi: "well we tried approaching people but it seems like nobody is interested. Bonke baku Mark, my previous boss or with other companies." Lubb: "what is it that you have that's different to the others?" Busi: "we're young. Fresh and

hungry for success." He laughed. Lubb: "to tell the truth. Its not enough." Thoko came back with the tea. Lubb: "enkosi doll." He sipped as she sat down. Lubb: "look, Busi, you have to have something more. Show them your skill. Nobody, and I mean Nobody will want to trust a stranger with their finances. You need contacts, spread the word. Someone that can trust you." Losta: "hm... Hayi can we talk about medicine?" Busi: "khame kancinci baby... So Lubby, how do I actually do that? Because we're ready, but akhomntu uzayo." Lubb: "well have you tried your previous boss? Do you have a site where we can reach you? Have you advertised?" Busi: "wooah..haha. Okay, my boss is totally off limits he'll literally try to shut me down. Where do I get someone to create this site for me?" Losta: "I think Phila can do that for you." Lubb: "yeah... I have a friend in advertising. Ndizok'nika contact yakhe, uthi uthunywe ngu Lubby Morrison va?" Busi: "yeah, but we'll still wait right?" Lubb: "its going to take a while mtshan. Look, I'll get you 2 clients to begin with, people trust me. I'll vouch for you. Then after that they'll come flying in because I trust uyay'kwazi lento uyenzayo." Busi: "that would be so great!! Thanks a lot Lubby." Lubb: "my pleasure. Bethuna, mandihambe. Enkosi lady wethu nge tea emandi." He got up. Lubb: "masiye. Siyolanda uBafo." Losta: "I was just about to ask. Yuh, hay Lubby. You just can't breath without your twin around." Lubb: "ewe alok. Funek cace." They walked out. Lubb: "bye ladies..." Lonwabo kissed Busi and they left. Thoko: "Who is that!!" Busi: "uban? Lubby? Lonwabo's friend." Thoko: "yoooh, he is so gorgeous!" Busi: "well uhm...I guess." Thoko: "and he's so intelligent and smells wow... My goodness ndiyaqala udibana nalento ebomin bam." Busi: "haibo, I thought you said you're going lesbian route." Thoko: "yambona ba unjan lamntu Busi? He can get it any day. Every day. All day long." Busi laughed. Busi: "yeah you're probably high. Because Thoko endimaziyo akay'phaphel indoda." Thoko: "yeah, he's out of my league. He probably dates Super models. Angabona nton kwi ugly duckling efana nam." Busi: "peto. Khangе uqalise ubayi ugly duckling tu. You're beautiful." Thoko: "Busisiwe, you don't have to sugar coat it. I'm fat and ugly qha ke. I have accepted it. You don't have to make me feel better." This hurt Busi a lot. She hated it when her friend looked down on herself. She reached out and gave her a hug. Busi: "a nice guy will be lucky to have you one day. You're a wonderful person Thoko. You're amazing. The best personality and you care about others. Happiness yabanye comes before your own. Someone will be lucky to have you. Su-rusher izinto." Thoko: "I'm not holding my breath for that."...

Sindiswa came home from work. Stuja was with baby Lukha. Sindi: "molo love." Stuja: "hey." He just changed his 4 month old son. Stuja: "ndinuka lentwana njee." Sindi: "ntwana yakho. Funeke kubonakale. Busow'mtyisile." Stuja: "mncancise. Beku about an hour ago." She fed her baby while Stuja bathed. Sindi: "uyaphi?" Stuja: "kwa majita tshin." Sindi: "I thought sizohlala kunye namhlanje nje." Stuja: "ndizobuya mos Sindiswa." Sindi: "yinto oyithethayo oko wena leyo! Kodwa you hardly come back. Ubuya ekusen. Then I go to work. Thina kanti sizo phola nin kunye?" Stuja: "hehake Sindiswa ungxolelani kengok? Use xesheni?" Sindi: "umngqundu wakho Slulamile!" Stuja: "ngowam kakade." He got dressed. Sindi: "uyow'ma pha phandle xa utsitsa lo tyhefu!" Stuja: "heeee. Baby? Uyamensa?" Sindi: "f'tsekkk man!!" He laughed and went outside to spray his cologne. He came back in and kissed his son. Stuja: "sthandwa sam.." Sindi: "hmm.." He took out painkillers and another pill. Stuja: "sela apha." She ate and drank the pills. Stuja: "hlala ke ecamko Slu Jnr, uzoba right. Zik'qale nin?" Sindi: "ksasa. Cela uzubuye ne tampon va." Stuja: "hayi kehok baby. Bek'then zungaz'thengi?" Sindi: "khandiz'cingele ba ndizomensa mos. Ndishiyekelwe zeziy' two qha." Stuja: "heee. Okay. Ndizoya ngoku. Yoh, yathanda undijongisa ngabantu kanene. Iza ndihambe no Slu." He took his son and a blanket. Went to his car and buckled him in. They drove to Spar and went inside to look for these tampons. He had to call again. Stuja: "baby uthi zinton ezi?" Sindi: " tampons Slulamile. Khangela box yakwa lil let's apho." He looked. Stuja: "tampons??" A lady came to help him. Girl: "nazi bhuti. Ufuna ezi kanye ezi." Sindi: "nguban lowo!!!" She yelled. Stuja: "khame kancinci baby, uphuma kakhulu or kancinci?" Sindi: "thatha eze light flow. Nguban lowo?" Stuja: "ngu sisi ondincedayo." He took two boxes, paid and went back to home. Sindi: "ngoo sisi abathen abo?" As soon as he walked through the door. Stuja: "oh khayeke mntu wam." He lay his boy down. Stuja: "iza ke siyofaka." Sindi: "awungen kalok wena." Stuja: "utheth'ba ndiyothenga ento for ba ndingaboni? Ndizok'nceda." Sindi: "alok seyikhona. And wena awungeni ndawo. So brika bhuti." Stuja: "mcim. Ndiyahamba ke." Sindi: "bye." He kissed her cheek and left. He was meeting up with Lucky, Svig and Siya. He got to their usual spot and the guys were looking agitated. Stuja: "yinton ngok majita?" Svig: "siyanyelwa apha Stuja zez'nye ntwana zase Kapa." Stuja: "bathin?" Lucky: "lamajita afumene uLara. They're back." Stuja: "uphi yena uLara?" Svig: "kwi olady lakhe." Lucky: "uphi uTa Luks." Stuja: "ha.a. Yekan Ta Luks. Yeyethu lena majita, here's what's gonn happen."

Sizwe and Lubby had left a while back. Separately. I just put Luhle to sleep. Starting to cook an early dinner. I had to get back to school next week. Ndidikiwe kuhlala endlin mna. Thulani knocked and walked in. He looked distracted but very chilled. Still wearing his suit and tie. He took off the jacket and tie. Thulz: "hey lil sis.." Me:

"hello bhuti." I smiled. Since our parents sebefast beleqwa ngu mgqomo. Thulz: "uphi uLukha?" Me: "I have no idea to tell you the truth. Ndim'qibele eksen." Thulz: "Lubby yena?" Me: "been gone for the past 2 hours." He picked up Luthando. Me: "Luhle has started taking her first steps." Thulz: "uphi ngok ulele? Idzoo bethuna unontombi. Wena uhamba nin." Lutha frowned at him. Me: "oko ene moods ke lowo. Kwasek'sen. Even Lubby couldn't calm him." Thulz: "ufun tata kalok." Me: "hehake." I started with the rice. Then spiced and marinated the pieces of chicken. I fried ecaleni onion and peppers with a little spice and oil. Me: "so Namhla told me." Thulz: "yeah well.." Me: "why though?" Thulz: "andiyazi Lihle. I just felt.....I don't know." Me: "ulahle umntana bantu because you don't know." Thulz: "bendithethe notatakhe. He reminded me what would happen if I made a "mistake" nge ntombi yakhe." Me: "hahaa, mxim. Yamaz uJongi unjani man Thulani. He's scary but he likes you. A lot." Thulz: "he found out ba sihlala kunye. Flipped a bitch. Bezoza kweli cala but andaz ubhanjwe yinton. He told me that I'm disrespectful and andimameli. That he'd chop my head off when he sees me. Ndingaze ndiphinde ndidibane noNamhla because I'm corrupting her." Me: "did you tell her?" Thulz: "no..." Me: "but uchazelwe nguban kengoku that nihlala kunye?" Thulz: "andiyaz Lihle. Maybe this whole thing was wrong in the beginning. We rushed it." Me: "ayikho lonto Thulani, uyamthanda uNamhla. That's what's important." Thulz: "umncinci uNamhla. Her dad kept highlighting that ndi corrupt umntanakhe. Ndandize kuye ndizocela Namhla kanti ndiyazaz ba ndizomenzan." I boiled potatoes for salad. Putting the meat in the oven. I soaked the spinach then chopped it, put it in a pot and let it cook. I took some flour and milk to make a sauce. Grating some cheese and sprinkling aromat. Me: "but you should have at least told her this Thulani." Thulz: "aphinde ayo complainer ku tatakhe ibengathi ndiyi panty ngok ehamb ithetha indaba zamadoda. He could do worse athi makabuyele pha kuye. That would make her miserable. That's why ke ehlala no mamakho." I made bean salad on the side. Me: "I'm sorry hey." Thulz: "its cool." Something else was eating him. Me: "and how's everything besides that?" He hesitated to speak. Me: "what's wrong? Khona uphi uJunior?" Thulz: "you're the last person I'd speak to about this." Me: "heee. Ndingu sister wakho njena." I nudged his rib. Thulz: "but you hate the topic." Me: "I'll try my best to be understanding." Thulz: "ngu Bukiwe." The name was familiar. Thulz: "mama ka Junior, my son. You practically hate her guts. Almost killed her, ran her over nge moto wophuka ingalo." Oh yes. 😊-_-now I saw her face in my head. Me: "oh. Utheni." Thulz: "she's struggling Lihle. Its not even a joke. Akafuman msebenzi and uyasokola. I went there ndiyolanda uJunior. Bengenawo nombane. Umntana befunek amvase ngamanzi abandayo. Imagine that. Ingathi andisekho ngoku.. Akho kutya and she looks real bad. Ubhityile futhi." Okay,

I felt a bit sorry for her. Honestly. Noba umntu wakwenza ntoni na, kodwa ke ayibimnandi xa esesokola olahlobo. Thulani went to put a sleeping Luthando in his cot then came back. Thulz: "she tries to hide it. But ke you can hide a lot of things besides poverty. She sold her clothes for ba athenge a few things. The problem yayo yonke lento ngu junior lo ungathethiyo. He let's me take him back there every Sunday akatsho ba akabina lunch for eskolweni. Maybe nam I don't pay attention but ke this one time ndangena naye. The moment I saw lento ndaske ndava kabhlungu nyan. So I paid the rent and bought umbane. And grocery." Me: "I thought you hated her." Thulz: "I didn't hate her. Okay maybe I did. But ke nam I'm to blame Lihle. I am the actual blame. She never forced me to have sex naye. She never forced me to marry her, that was my dad. And la anger ndandinayo nday'khuphela kuye. I beat her, I abused her. Ngok emithi." His hands were shaking. Ndathoba istove and stood next to him. Thulz: "I cheated. Ndizisa amacherri endlin yethu. Sleep with them in our bed. Yena alale kwi spare room. Waginya kukrakra kunjalo. She was always depressed. That made me hurt her more because I hate weak women. The last time I beat her up she went into premature labor. Ndamshiya pha endlin ndayonxila. Wancedwa yenyi tshomakhe uAmanda. Took her to hospital wazala. I only found out I had a baby boy 3 days later xa ebuya esbhedlele. And still, I didn't pay attention. Until umntana wana 3 months wamshiya nam enjalo. I had to learn by force." Tears fell down his face. Thulz: "yonke lento wayeyenza. All the guys she met and fucked was because zandimnike attention. Ndandingam'khathalele. Now I meet the next best thing, I divorce her without hesitation. Do you know lengalo wamnyathela kuyo ayisa sebenzi lihle?" Nothing pained me more than looking into his hazel brown eyes. The pain was visible. I felt so guilty. Thulz: "andiyazi....but I can't ignore lento yenzekayo. Noba kwenzekani, she's the mother of my child. And he needs her. He loves her. For a young child ihlale inyamezele lento? Umntana mos uyakwaz uthi hayi ufuna uhlala notata yena for whatever reason. But he never complains at all. I swear Lihle I would just die if my son ever finds out how I treated his mother, that boy is stronger than me and he's not even 5." He chuckled and wiped his tears. I wanted to cry too all of a sudden. But Lubabalo marched in followed by Lukhanyo and some other person. Lubb: "yooooooooohhh!!!! Lawd JIZAZ. Yinton le nuka kamand kangaka?" He walked into the kitchen and opened the oven. Lubb: "ndicel piece wethu lady." Me: "I'm almost done." I sniffed. Lubb: "yinton ngok nalila? Thulani? Ndakwaz ke wena hlel nje unyembezana. You're worse than Lukha. Do you want a hug?" Thulz: "hayi man. Ndigrand." Luks: "uthen fondin." Thulz: "nothing, bendincedisa Lihle nge tswele." Lubb: "bekunin ngoko. Sekuzophakwa ngoku." Luks: "yah, men aren't allowed in the

kitchen for these reasons exactly. Baby, nanku Lonwabo." Me: "hello lonwabo." Losta: "molo sisi." They all went to sit in the lounge while I finished up.

Phila came home late from work. He was tired. His back ached and he was hungry. Zuki made him food and they ate their dinner. Zuki: "yinton ngxaki baby?" Phila: "ndidiniwe mntu wam. Ingaske ndilale yazi." She understood because she was in no mood to argue again. Like the past 4 weeks. Her phone rang. It was Zintle. Zuki: "hey tshomi?" Zintle: "peto? Did you know ubhuti wakho ulaphe Bhayi?" Zuki: "uMlungisi? What?!" Zintle: "usuka apha eflatin ufuna wena." Zuki: "wathin peto?" Zintle: "well I told him you'd moved out but andikwaz uhlalaphi." Zuki: "okay peto I'll speak to him." Zintle: "sharp." She hung up. Phila's phone rang. Phila: "ace?" Andile: "awti yam uphi?" Phila: "ndilapha kum. Ngoba?" Andile: "I know this is a bit off. But kufike ubhuti ka Zukiswa apha kum endlin. He's been looking for her and mna ke ndithe andimazi ba uphi. So cela um'chazele afowne athethe naye because he looks a bit mad." Phila: "uhm. Okay, ndizozama." Andile: "sho." He hung up. Zuki: "bhuti Mlungisi?" Phila: "please talk to him." Zuki: "all he's gonna do is shout Phila. I can't." Phila: "he might surprise you. Maybe tatakho akaphilanga love. Just call him over azolala apha ke. Noko its unfair on Andile because uhlel ne cheri yakhe. And he's there." Zuki: "makahlale naye tshin Phila. Ngu Andile wayefuna umazi. Maka xakwe ngumqa kalok sana. Naye ubhuti suppose uyandifownela instead ukhangela kwi ex zam ne tshomi. Bechazele ban ba uyeza?" Phila: "Zukiswa fownela ubhuti wakho tu." She called him. Mlu: "Uphi! Kunin ndikukhangela?" Zuki: "hayi bhuti khange kodwa utsho ba uyeza." Mlu: "uphi ndizokulanda! Ndihlel noAndile apha." Zuki: "bhuti Andile has moved on with his life nam ngokunjalo." Mlu: "ayikho lento uy'thethayo Zukiswa. Silindile apha noAndile!!" Zuki: "hewetu bhuti, andina Andile mna and andim'fun. If you like him so much, ungamtshati nje!" Mlu: "Yeyi! Suthetha nam olohlobo mntana ndin! Ndiyoku vuna uphambane mna uyolala ngecala eDora. Ndithe, NDIKULINDILE." He hung up. Zuki: "yabona ke Phila! He'll never get the idea through his head." Phila: "he's in denial Zukiswa. Just give him time." Andile sent him a message. Andile: "I'll take care of him, sanubana worry. He's just a bit overwhelmed." Phila showed her the message. Zuki: "akandidike nje hlel nje uzenza the Good Samaritan. Yilento nje Mlungisi engafun nova." Phila laughed. Phila: "mxim. Masambe wethu siyolala." They walked to their bedroom. Phila: "khazapha baby...ndakuqibela nini.." He kissed her all over. Laying her down gently. Kissing her skin, undressing her. Zuki: "zange utshintshe yazi. You're always romancing." Phila: "ndak'chazela nje ndiyi gentleman." He sucked on her breasts. His hand rubbing softly in between her thighs. He slid it under her panty, feeling the moist, inserting one finger. She moaned his name. His phone started ringing. Zuki: "khay'jonge baby."

Phila: "ima baby..." He took off her panty putting himself by her entrance. He kissed her neck, caressing her breasts. Zuki: "khafake baby." She moaned. Phila: "hm?" He breathed. Zuki: "just put it in." The phone rang again. Zuki: "phendula man love. It could be important." He looked at the caller. It was a private number. Phila: "hello?" Caller: "ndim nyana. Uright?" It was his mother. She seemed a bit edgy. Phila: "ndiright mama, kwenzekan? Is it Lwazi? Uyawenzen ngok!" Ma: "hayi mntanam ayinguye. Ndicela uze if uzokwazi." Phila: "give me 10 minutes." There was no car outside or anything suspicious. So he relaxed and walked in the kitchen. Phila: "mama?" He walked to the lounge and got the shock of his life. There was a man sitting on the couch. Man: "molo nyana wam." Ma: "Phila, ndicela uhlale phantsi bhuti." Phila: "ufuna nton lomntu apha mama." Ma: "Phila, please calm down." Phila: "calm- calm down ma?? Akakwazi kalok.". Phila: "tata, we'll talk tomorrow. I don't know how I feel about all of this right now." Tata: "all I want to say is enkosi." Phila: "okay." He drank the pills and got into bed. Phila went to the lounge and called Zuki to inform her.

Stuja and the guys got ready. Lucky: "uhm, Ta Stuja...what if-" Stuja: "yeyi! If you do as I say. Akhonto izokwenzeka." He gave them each a gun. Everything he had learned from Ta Luks he would do. Stuja: "hambe kakhle." Lucky unlocked his GTi and drove her home. Lucky: "hlalaphi?" She had fallen asleep. He stopped at the robots and looked at her. Her right leg crossed

over the left. Her entire thigh was exposed. Her skin looking smooth and shiny. He was turned on but couldn't do it. Lucky: "fondin! Khavuke!" He shook her awake. She just turned around and slept again. He drove to his back room and carried her inside. Lucky: "lisa, khavuke sani." She took off her clothes. Lucky closed his eyes. Anelisa: "iza.." She slurred. Lucky: "ha.a man girl, unxilile. Ndizobuya ksasa va." Anelisa: "ndiyak'cela torho...please don't go." She held her breasts. Lucky: "I have to....." He swallowed. He locked his door and climbed on her, kissing her and undressing himself. He fingered her. She was moaning loudly. Lucky: "shhh! Sungxola." Anelisa: "khay'fake baby!" He pulled out his cock and entered her. Holding her mouth closed and had sex with her. She sucked on his hand....getting wetter by the second. The sheets and bed were dripping wet. Anelisa: "harder!" He went harder and faster. Holding her mouth closed again. She squirmed under him climaxing multiple times. He carried on until he was done. Breathing heavily. Lucky: "awuse mandi! Mooeer.." Anelisa: "nawe mos.." Lucky: "yeses sana...udyola noStuja?" Anelisa: "ngoba dan?" Lucky: "ngu mjita wam lowa. I can't do this to him." Anelisa: "sow'qibile nje..khazapha man.." Kissing her second pair of lips. Stuja: "ude ubuye nin na lucky!!" Lucky: "Ta St-stuja. Ndisendlelen ezayo bhut." Stuja: "nxx!" He hung up. Anelisa: "hayi wethu khamyeye...nizosela kude kuthin." She lay him on the bed. And sat on his mouth. Anelisa: "undiphuza kamandi yazi.." Lucky: "ndiphuzwa nini mna?" Anelisa: "xa uqibile..I'll show you fireworks." She moved up and down. His tongue circling inside her. She climaxed Again! Getting off him and sucking him in. He was at the gates of heaven. He pushed her head further down it reached her throat halfway and she gagged. Pulling back out. Lucky: "faka yonke baby.. Deep throat that dick." She went deeper and sucked him. For 10 minutes straight. Taking breaks and massaging it. He put her mouth back in. His eyes closed, he felt so powerful and happy. So happy. Lucky: "send'zo citha love. Slow down." She went deeper. Lucky: "ahhhh.. Lisa..oooooh..." He felt his liquid rushing out into her mouth. She swallowed instantly. Lucky: "good girl." He got up and took a quick shower. Anelisa: "uyaphi?" Lucky: "msebenzin baby." Anelisa: "msebenzi wanto ngel'xesha?" Lucky: "wena xa sow'cinga mhlambi?" He left the room and drove back to Stuja. Stuja: "umgodusile lomntana?" Lucky: "ewe Ta Stuja. Ugodukile." Stuja: "good. Bek'nin ngoko." Two other girls were there. One of the other guys walked to them holding a gun. The girls ran away immediately. Stuja: "ndinganinceda?" Guy: "nilinde thina?" Stuja: "and what makes you so special?" Guy: "nis'qheli kaka nina. He walked back inside. The other group of guys walked away. Stuja: "Siya, Mindlo's noLucky. Niphuma kqala. Ndizon'landela noSvig." They got in their cars and drove away. Two guys followed them. Stuja and Svig went right after. Stuja took out his gun, aiming for the driver and shot him 3 times. The fourth bullet hit his head and he died instantly. Svig: "yeyes!" Stuja: "its about to get ugly.." Gun shots were fired all around. Tyres screeched and drifting throughout the roads of New Brighton. No wonder they call it Iraq. Always a war zone. The other guys stopped. There were only two left. Guy 1: "ha.a sani. Masijike...sobuya. We're finished." Guy 2: "its not over yet Denny. Sizoz'nyisa ez'ntwana. One by one. But for now....let's go." They drove away.

Well, I washed the dishes quietly and packed them. Somehow I didn't want to use the dishwasher. I needed to keep busy. When I was done I swept the kitchen and cleaned everything else. Bathed the babies, fed them, put them to sleep. Lonwabo left. Lubby and Lukha were asleep on the same couch. Thulani stared at the tv in silence. Me: "Thulani?" Thulz: "what?" Me: "uhm..I was thinking." Yuh bethuna ntliziyo yam ibibuhlungu nyani. Me: "if unomzamelala umsebenzi. If that doesn't work out, um'thumele mali monthly for support. Then maybe for the arm angafumana a disability grant." He just kept quiet. Me: "bhuti? Please say something." Thulz: "its

never going to take away all the shit I did." Me: "and neither is sitting here and feeling sorry for yourself. Its the past, we've got to let go and focus on the future. You're supporting umntana ngoku mos, and helping her is not a bad thing. Just don't hurt Namhla in the mean time. Tell her." Thulz: "this is not about uNamhla! Damn man Lihle. How many times funeke nditsho latata said to stay the fuck away from her!! Shit!" Well excuse me. 🤔:o Me: "sorry...I really don't know what to say." Thulz: "nah, I'm sorry..I shouldn't have snapped. I'm just stressed. Can't even think straight. I think uhlala olahlobo is just painful, how do you even accept that lifestyle, ewe ndiya understand ba awuz'khetheli but...bakhona nje abantu for unceda." Me: "come on Thulani, ufundile, you're smart, she could never come back to you azocenga kwakhona because akananto. Ubuzogeza again. Shut her out. Umenzel iz'pili." Thulz: "at least for umntana ke?" Me: "its a painful situation. Maybe yena uyakoyika." Thulz: "awunazo sleeping pills?" I gave him one. He drank it while I fixed him the spare room. He went to sleep. I switched off the lights and went to bed too.

The next morning, I woke up to the smell of tea. I opened my eyes. He was standing next to the bed paging my phone. Me: "Lubabalo wenzanton?" He got a fright. Lubb: "ndijonga iweather yanamhlanje. I'm flyin to Cape Town. Nantsi tea yakho." I put down the tea and went to brush my teeth. Me: "uphi uLukhanyo?" Lubb: "uhm....he went out." Me: "where to?" Lubb: "shopping. Wayolanda noChuma." Me: "its Friday. Isn't Chuma at school?" Lubb: "well yes alok, umse eskolwen then went shopping." Me: "shopping ksasa for what?!" Lubb: "guy stuff." Me: "whatever." I checked on Luthandoluhle. To my surprise they were ready. Me: "uhm...ukhona usisi?" Lubb: "nope why?" Me: "the babies...bavaswe nguban?" Lubb: "ndim." I gave him a 'no you didn't' look. He gave me back a 'yes I did.' One with his hand on his hip. Me: "well thank you." Lubb: "besendiqhelile. Now. I need to get to Summerstrand. My baby misses me" He got dressed. I didn't even notice. I missed Lukha so much kanti ubaphi all this time. Lubabalo took the Audi keys and drove to Summerstrand. Lukhanyo arrived an hour later. Me: "can you just tell me what's going on?" He pulled out a bunch of flowers from behind him. Me: "no Lukhanyo, a bunch of flowers is not an explanation." Luks: "well baby, I stumbled upon a new business venture. An old friend of mine needed Some help. So I helped. Besine meeting izolo and today ndayo sign contract. I'm a shareholder." Me: "when were you planning to tell me this." He pulled me closer to him, pouting his lips. Luks: "today. During lunch." Me: "why then?" Luks: "because us'memile baby. Siya endlinakhe this afternoon. Please?" Me: "I'm not in the mood actually." Luks: "I'll get you in the mood nje.....uyandi doubter?" He kissed my neck. Me: "no Lukhanyo. Not that way. From now on xasi xabana my body is off limits. If you can't say sorry ngomlomo. Then your dick won't work

either." Luks: "ooh....bossy....uyi challenge ke bonanje because uyandi bawela nam.." I didn't. Because his disappearing acts were such a turn off. Me: "no Lukhanyo, let me just take a nap." Luks: "uxolo kaloku sthandwa sam." Me: "just don't do this again. Cela xa une ndaw yokuya undichazele nam I will do so. I hate it when I look like a fool engazi noba uphi umnyen wakhe." Luks: "I don't intend to make you look like a fool mntu wam. I'm really sorry." He kissed my forehead. Luks: "I'm taking the babies to the park. Join us quick. Then sizobuya sonke and take a big ass family nap." That sounded like a nice idea. I liked it. I went to get the babies ready. He was talking on his phone. Luks: "yes, we'll be there. But a bit later, ngoba senza a family thing for now..." Caller: "oho..." Luks: "yeah well. The wife must be happy at all times. Haha... I'll tell you xasise ndlelen." Caller: "don't take too long." Luks: "sharp." He walked to the room. Luks: "ngu Dumisa lo, safuna uyazi ba siseza na." Me: "Dumisa? This friend is a woman?" Luks: "uhm..yeah babe, so?" Me: "so? Kodwa When I have male friends akuzoqhuma 'so' apha." Luks: "kodwa baby you DO have male friends nje. You got Sydney. You got Lungelo, whom you get drunk with. You got the worst best friend, my own twin. And I have no problem with none of that." Okay, maybe he had a point. Luks: "oh and I saw Rene at the mall, uthe give her a call xa uready. She doesn't want to overwhelm you." I just nodded. Luks: "Lubby uhambe nge Audi yam ne?" Me: "I think so, cuz nasi stixo se Benz yakhe." Luks: "masihamben ngayo." We took the car seats and left.

Chapter 540

After the park, coming back and our nap. I woke up and got the babies ready. I went to take a shower and walked to my closet to find something to wear. Kanti ke ndizoba fancy vandag. Akandaz kakhle lo Dumisa. Khona kuthen ndiqal umazi ngok! All this time. Phof I know none of Lukhanyo's women friends. I didn't even think he had women friends. I took out my tight skinny jeans and wore them with a white blouse. I had pink lace lingerie on. I took out the Louis Vuitton ankle boot, lubby bought. Tied my hair up neatly and did my make up. I wore big earrings and plum lipstick. Luks: "heee." He was awake. He got up and shower. Wore his crumpled up jeans and his Timbalands. He wore a black vest. Exposing all his tattoos. Then his Rolex. He took our babies and buckled them up. Lubby arrived. Lubb: "ndiyashiywa na?? Kuyiwaphi!! Awusemhle lady, ithin into namhlanje?" Luks: "sisa bantwana ku Sylvia. Then we off to lunch with an old friend of mine." Lubb: "kalok ndilinden nam. I wanna look hot." Uyaphi na 🤔:v phof uright maybe when I get bored ngoo

"remember whens" baka Lukhanyo and friend. We'll yawn together. Lubb: "yak'fanela ke le boot. Lonto ndine choice man. Khona enye endiy'bonileyo. My gaahd. Estella would love it! Gama layo-" Luks: "masambe man!!" We took the babies to the car and drove to Lubby's house. Leaving them with Sylvia. Lubby went to change. Luthando was sulking. He looked at me and plucked out his lower lip. Where did he learn that look? He was frowning and cute at the same time. While he sat on the floor looking all depressed. Luhle was having fun with her new walking hobby. She stood up and held on to the table. Sylvia: "haayi uyahamba upariza!!" Me: "yooh, funeke umjonge ke sisi, ukhe alahleke." We laughed. Lubby came out. He was dressed exactly the same as Lukha. Only his vest was white. He drove the Audi and we took the big Benz. Lukhanyo led the way to a house in Algoa. It looked nice'ish. We got out our cars and walked toward the door. Lubby went on about the shoe he saw. Lubb: "tshomam. Sihle ke esas'hlangu. I ordered it for uEstella, noba ses'sendlin ngok. Fika nje kwam ndosisa kuye." The door opened. I held Lukha's hand. He was uneasy. Luks: "hey." Dumisa: "molweni com-" she stared at Lubby and laughed. Dumisa: "what!?" Luks: "oh uhm, this is my twin brother, Lubby." Lubb: "girls call me DaddyLubb." She smiled at him. Luks: "and this is my wife Lihle." Dumisa: "ncoow awusemhle girl. I heard so much about you. Nyansile mos uLu you're beautiful." Me: "enkosi. nawe dear." She was gorgeous. Her long brown legs exposed by her short dress. She had a curvy firm body. Big ass, big breasts. Lovely face. Make up on point. She wore a short white summer dress and sandals. Dumisa: "come on in." She led the way. Lubby whispered in my ear: "I don't like her either." Lmao. MAH Nigga! Lukhanyo gave us a sour look and walked in. Lubb: "hee khajong bhuti wakho tshonge curves es'dlelen apha." I giggled. Lukhanyo turned back and looked at me. Luks: "ikhon ineed? Honestly you two must just fuckin grow up! Stop giggling like high school girls. Nxx!" He turned and walked into the lounge. Me: "Lubby thula man uze ngesgezo wena." Lubb: "nawe tshi, iza masambe engekas'bethi uTa Luks." We went to sit down out the back. Actually there were more people there. I didn't notice the cars out front. Lubb: "my f, do I get you a drink?" He got me a wine glass. Me: "akuse early man Lubby." Lubb: "you look like you need it. Kunin umjamele umntana bantu." Me: "why is she so cozy." We stood together and observed. Lubb: "ya neh...although she is quite hot. Fiery actually. Just look at that ass....hmmm.....Lawd." Me: "uwoah. Khame ndik'shiye." I went to stand with Lukhanyo. Luks: "don't you wanna sit down baby? Worse ba uchophise kodwa awukho grand." Dumisa: "who wears heels to a chilla's?" She mumbled. Bendinento ebolileyo emlindileyo bendizoy'khupha qha iproblem was self respect. So I stood back and smiled. Luks: "masihlalen phantsi." We went to a table. All 3 of us sat together.

They started talking about business. Clearly an open conversation I knew nothing about. Luks: "no but the problem is the currency is quite higher than usual so iyoba siyay'bhuda if we go international. They'll have us raw." Dumisa: "yes, but eventually we'll have to expand. If not there, then sikhangele somewhere we're suited in. Lonto you did your research. I'm impressed." Nam I wanted to say something. Me: "so yi business yantoni le?" Dumisa: "oh, its a jewelry company my father left me before he passed." Luks: "oh man utat'Rhadebe was'shiya?" Dumisa: "yeah..last year. When the business started failing he just gave up." Luks: "I'm sorry.." Dumisa: "akhonto wethu, uphi uBra Zakes? My goodness I miss him so much. Yohh utatakho Luu, he was always a gent. Everytime ndipha he was kind and calm athi 'ntombam, this my house. And ke mna ndinonyana nentombi encinci k'le indlu qha. So wena uze kowphi?" Luks laughed. Luks: "tata wayene zpili kanjan." Luks: "babe, can you imagine? Every time ndingena endlin ndithukwa ngento enye." Me: "no, I can't actually." She smiled. Dumisa: "we used to be best friends with Luu and utata wayemane ngok'buza nases'bhedlele. Abize gama lakho." Luks: "yeah well...notata wam wasishiya few years back. but olady lisekhona although ndingamazi ulahleke wayaphi for the past few months. Ta Smig yena use trongwen." Dumisa: "oh shame man.." I looked around for Lubby. He was standing with a group of girls talking, they burst out laughing while he explained something. Lubb: "ninje ke. Andika qibi nothetha." Girl 1: "you're so cute man..." She kissed his cheek. Girl 2: "nam ndiyafuna." They all kissed him. Lubb: "hayin kalok girls ndiyi virgin mna. Andiy'qhelanga lento." Girl 2: "ngok awufun ndikuncede?" Lubb: "nganton?" Girl 1: "mna I want to know ngowphi owphi kqala. You and your twin are too alike." Lubb: "yoh nam ke ndiske ndibhidwe. Andizaz noba ndingu Lukhanyo or Lubby." They giggled. Well everybody was busy. So I poured me another glass of wine and another. And another. While Dumisa and Lukha sat together chatting oh so friendly. Khaqhum'uthul. I threw the glass on the floor. Everyone stared at me. Bothukile. Me: "Lukhanyooo... Xesha limnkile lovey masigoduke." Without even looking at him. Lubby saw this coming a while back.

Lubb: "tshomi." He walked to me. Me: "I dare you to touch me. Lukhanyo Mzinyathi awundiv ba ndiyathetha?" Dumisa: "haibo girl sisancoko-" Me: "kuthethwa nawe sana?" Me: "oh, but you're fishing uDumisa ecaleni. Smiling and giggling." Lubby stood with us. Lubb: "what the fuck? Nijongwe ngabantu what is going on." Luks: "none of your damn business Lubabalo stay out of it!" Lubby stared at him shocked. Lubb: "uthetha naban elohlobo Lukhanyo?" Luks: "look, awungen ndawo apha! Just stop sticking your nose where it don't fucking belong!" Lubby stared at him with that famous 'you'll regret this' look. Then walked to his car. Luks: "do you want to stay or leave Lihle? Ayikho lento uyenzayo. Sihlel mos sithetha kakuhle apha next thing you're getting drunk and breaking glasses. Xa ufuna ugoduka itsho qha." Me: "good then we're leaving. I undressed and wore my baggy grey tracksuit and a vest with my All star. Me: "should I get take aways babe?" He didn't reply. I took the keys and drove to Kwa KK and bought us meat. It was full so I waited. Some guy stood next to me. Him: "awulahlekanga?" Me: "ndijongek ngath

I looked back. Me: "ngxaki?" Them: "hayi sisi." I took my meat and chatted to Stuja about baby Lukha. After a while I went back home. It was starting to get dark. Lukhanyo was on the phone. I tip toed inside the house. Luks: "I'm really sorry man. Its just that Lihle sandophuma esbhedlele and she's not well yet. So une anger issues." He listened and giggled. Luks: "hayi nzak'betha ke mna.." He smiled and listened again. Luks: "yeah I'll send you the stat's just now. Ndizoz'finaliser." Then he hung up. I stood there behind him. Me: "anger issues?" Me: "as long as you know who you belong to."

Thulani and Junior were at his place. The apartment was big and lonely. He tried to call Namhla. Her phone was off. Probably studying. Junior: "daddy. Lambile mna." Thulani wasn't in the mood to make food. He could hardly even cook. He got up and looked through the fridge. Junior: "funa rice nenyama." Thulani called his father who did not answer his call. Kuske kuthini na xa ufuna bantu bangabi available. Junior: "funa mamam mna." Thulz: "Junior, my boy kalok we're going back to your mother ngomso." Junior: "I wanna go now!" Thulz: "Junior, sizohamba ksasa!" Junior: "NO!!!!" He screamed. Thulz: "kwedin? Ndiyokubetha ke mna!" The boy threw himself on the floor and started crying and screaming . Thulz: "what the hell?? Junior khaphakame man! This is no time to play the bread game!" He continued crying. Thulz: "let's go to Spur then. Come..." He pulled his son up but he wasn't budging at all. He kept screaming. Thulz: "ndizok'thin kehok mna xa unje?" Junior: "funa mama!!" Thulz: "then STOP acting crazy!!" He cried again. Thulani packed his things. Thulz: "mxiim! Masambe!" He picked him up and took him to the car. Both of them frowning. His neighbor laughed. Woman: "you two look so cute. Worse niyafana." Thulani didn't reply. He was furious. They got in the car and drove to Bukiwe's flat. She was finished cooking. She cleaned up a bit and wore her pajamas. While watching tv on the couch. She wanted to call Vuyo but after their last argument she decided not. There was a knock on her door. Wazba iyawa nguban ngel'xesha. She thought as she got up and

went to peep through the hole. Seeing Thulani and his Junior looking angry at each other. She opened. Bukiwe: "its saturday. I thought umzisa ngomso." Thulz: "oko elila pha lomntana Bukiwe ufuna wena. He's refusing to do anything else!" Junior held his arms out. Bukiwe took him with her one working arm inside the house. Bukiwe: "what's wrong my love?" Junior: "lambile." Bukiwe: "kaloku my boy when you hungry uyathetha kakuhle. Right?" He nodded. Bukiwe: "say sorry to you dad." Junior: "sorry." He whispered. Bukiwe: "sorry who thulani junior?" Junior: "sorry tata." He whispered. Bukiwe: "nam I don't understand at times kuske athin. He gets frustrated by the most unnecessary things abenomsindo ascreame oko." Thulz: "his teacher once suggested ndiyo bona psychologist about his behavior." Bukiwe: "did you go?" Thulani shook his head. Bukiwe: "why?" He was ashamed. Embarrassed. Disgusted by himself. Bukiwe: "Thulani?" Thulz: "what if he's turning out to be like me Bukiwe? Every day ndifownelwa eskolweni sakhe, they tell me he's always disruptive and uyabetha kwabanye abantwana. He's becoming exactly like me." Bukiwe: "kodwa ke Thulani you have no one to blame but yourself. Foundation yomntana wakho is damaged because he was born mamakhe edonorwa ngutatakhe mihla nezolo." Thulz: "ndayaz lonto man Bukiwe ikhona ineed to rub salt on the wound?" Bukiwe: "I'm sorry but someone has to tell you inyani kalok. I forgive you mna and I've put the past behind me. Yonke nje into edibene nawe is a disaster waiting to happen. Jonga ngoku I have a paralyzed arm and can't get a job." Thulz: "zange ndithi yilwa noLihle mna." Bukiwe: "ndandingalwi naye firstly. Ewe I was very wrong to attack that girl, but nawe Thulani you were wrong ngondidyolela." Thulz: "nawe mos Bukiwe you fucked my friends behind my back beku-suppose ndithini?" Bukiwe: "lento uyenza ngok. TALK. I was very wrong throughout the whole marriage. I know ndinogalelo in the failure of our marriage, kodwa ke if you had at least tried to accept the idea kwa kweza nyanga zok'qala none of this would have happened. If you hadn't brought all those big breasted bitches in our house wabatya bamandinive maybe I wouldn't have slept with your friend." Thulz: "friendS Bukiwe. It wasn't just Lunga." Bukiwe: "mabathethe ke bona yonke kaka kuwe mna ndizaz ndilele noBulelani. And it was twice. But asikho lapho ngoku." She dished up for Junior and fed him only using her functioning arm. Thulz: "do you need help?" Bukiwe: "nope, sendiqhelile." Thulz: "okay then ndisemnkile." Bukiwe: "sharp." Thulz: "junior..." He looked at him with sleepy eyes. Thulz: "I'm sorry for shouting at you my boy. Utata uyak'thanda va?" He nodded. Thulani kissed his head and walked out. He drove all the way to Motherwell to see Namhla.

He tried to call her again. The phone was off. He parked outside and went to knock on the door. He didn't see the car parked in the driveway. He wasn't looking. "Come

in!" A voice said. He walked inside to the lounge. Seeing Jongizembe. Oh shit. Thulani thought. Jongi: "yaz unegila elibolileyo kwedin! To think I even liked you!" He was boiling in anger. Jongi: "you're a disrespectful, disobedient, disloyal littl- YEYI!!! Thenjiwe undibilisel amanzi pha!!!" Thulz: "tata I can explain.." Jongizembe jumped up and strangled him. Another two guys stood out by the yard. It was dark so they came closer. Guy: "nguwe lo ulalana no sister wam? Utya umntanasekhaya kwedin?" They were holding huge planks. Thulani was just shocked. He called his brother, Siya. Siya: "yes?" Thulz: "ndise mama. Khaze no Stuja Ta, ndise ngxakin apha." Siya: "phi emama?" Thulz: "k'lo lihle. Cela ku stuja he kn-" one guy hit the phone out his hands. He ran to the fight. Mpumezo: "tsek!!" Siya grabbed him. Mpumezo punched his face repeatedly and lay him on the floor. Mpumezo: "Rambo! Nazi ez'kaka." Thulani slipped away and ran to the car. He got in and drove off quickly. Rambo: "yiyeke ndifuna iza nala kaka uLukhanyo. Ndizoy'vungula ngokwam." ..

Chapter 541

Thulani got to Lukhanyo's house. His lip was bleeding. He knocked on the door. Luks: "baby khayovula." I was sitting on top of him. Facing the tv. Me: "angangeni nje." Luks: "yonqena ke wena. It hit voicemail. He called Soma. Luks: "ekse ntwana uphi?" Soma: "ndise ndlin." Luks: "we need your help." Soma: "on my way." He hung up. Thulani was holding onto his rib. He looked really bad yazi. Luks: "khulula esi skipa." He helped him take off the t shirt. His rib had a blue mark. Luks: "yah, you're definitely not going anywhere. Lihle khenze room for yena." I went to prepare the spare. Switching on the electric blanket to medium. He came to lay on the bed. I rubbed some ointment on my hands and applied it on his chest. He screamed. Me: "rela-" Thulz: "fuccckkk!!!!" Me: "you have got to calm down!" It looked really painful. I rubbed around the ribs in order not to hurt him. Me: "how did you even drive here." He was just feeling sore he couldn't

speak. Lukhanyo came with the painkillers and another tablet. Thulani drank them. I went to wash my hands. Soma arrived. Luks: "great masiye. Lihle, angahambi Thulani. Phof he'll be out till morning anyway." Me: "you drugged him?" Luks: "its the only way! Yamaz Thulani likes playing hero. He's in pain. He must Sleep! Masambe Soma.". They drove to Motherwell.

Lubby and Lukha arrived same time. Stuja had a swollen eye and lip. Siya was knocked out. Lubb: "kukunya kwanton oku. Sis THENJI!!!" He screamed. Rambo: "hey tsek kwedin!" Lubb: "hay ng'ban kengok ikwedin? Wenz'u High waist ophants kwe z'phika apha." He tried to pick Siya up. Mpumezo grabbed Lubby. He turned around and stood right in front of him face to face. Centimeters away. Lubb: "did you just fucking touch me?" Mpumezo: "ikhona into ozayenza? Kwedin?" Lubby smashed his head into the wall. He fell unconscious immediately. Rambo came ngeshori ye peacock. Just as he got ready to hit him, Soma kicked him. Lubby pulled Rambo up to his face. Lubb: "do you know who the fuck I am?" Rambo: "mngqundu wakho Lukhanyo!!" Lubb: "do you know who the fuck I am!!" He asked again. Rambo spat in his face. Rambo: "you're SHIT. That's what you are." Yoooh. Lubby flipped his bitch switch in an instant. Holding Rambo in a tight grip, punching his face, smashing his head on the cement floor. Lubb: "za naloo Hamire Bafo. I'll break this motherfuckers Jaws!" Lukhanyo came with the hammer and crowbar. Soma took the crowbar. Lubby grabbed the hammer and swung it in the air. Rambo flinched. Lubb: "siphelil. Isgezo ngok?"

Jongi: "ftsek yingxolo yanto le!" He came out holding a sjambok. Lubb: "okay, lukhanyo. Thetha. Yayaz ba I have bad experiences nela swazi lide." Luks: "xolo tata..kodwa yinton ngok le yenzwayo? He hit the sjambok on Lukhanyo. Lubby jumped in front of him. It hit him too. Lubb: "bubetha uLukhanyo nam ndibethe!!" Jongi: "sies azina mbeko ez'ntwez!!!" The neighbors flew out their doors. Curious to know what's going on. Luks: "mama uy'thetha njan intwenje!! I thought we was fine!" Thenji: "FINE Lukhanyo? Kwaku betere kwa uXolani compared to YOU! Jongi hit him again. Jongi: "andiphinde ndini bone apha!! HEY! Wena! Uxelele uLihle ndim'funa apha Ngomso ekusen! Angafiki net!!!" He grabbed Rambo and picked Mpumezo up. Stuja had taken Siya to the car. Lubby took Lukhanyo to the car. They all drove to Kwa Ford.

Thulani was fast asleep. I got up and walked to check on him again. Then I heard cars outside. Lukhanyo entered the house in anger. I went to him. Me: "baby kwenzekani!" Luks: "your UNCLE Lihle. Is fucking crazy!!" He had wounds all over his body. Me: "ubethwe nguye? For nton!!" Luks: "kuba Thulani ehlalisana noNamhla! And because your mother just HAD to mention ba ndili gintsa!" Me: "I'm so sorry sthandwa sam.." I went to fetch the kit again. My heart pained at what my uncle did to them all. All of them had sjambok wounds. Me: "hlala phantsi baby." Luks: "ndiyeke man Lihle! Enza lonto ku Lubby I'm fine mna! I'm used to this shit!!" Lubby on the other hand sat quietly touching his wounds. Lukhanyo kneeled next to Siya. Trying to wake up. Lubb: "enza CPR." Luks: "I'm not about to kiss another man. Not for a billion rands. Never." Lubb: "kodwa mna you kiss me every morning. Now yinton ngxaki." Luks: "hayi lubby suqal ubumenemene." Soma: "that is just extremely gay, Lukhanyo. It overpowers everything like I can't even." Luks: "uyaxoka lomntu! And quit talkin bout that shit. Sine problem apha." Stuja's face looked bad. Ndayokhupha nyama efridgin. I don't know if its gonna work but ke. I put it over his swollen eye. Since it was ice cold. Me: "ungadumbi worse." Stuja: "feels better though..iyekile uphefumla." Lubby called Losta. He arrived in 15 minutes and assessed Siyanda. Trying CPR. Lubb: "what's the worse?" Losta: "khame Lubby..." He listened closely. Losta: "pillow." I gave him a cushion he put it under Siya's head slowly. Losta: "you cannot move his head oko. We don't know the damage that's done. Ingaba idumbe ngaphakathi and the more uy'chukumisa it might get worse. To be on the safe side we should go to hospital. He has a very faint pulse." Luks: "okay

ndizosondelisa imoto." He ran outside. Then came back. Luks: "masambeni!" Lonwabo and Lubby carried Siya to the car and put him in slowly. Lonwabo climbed the backseat with him. The pillow on his lap. He lay Siyanda's head carefully on top of it and held his head gently still. Luks: "Lubby, you and Stuja stay. I'll keep in contact." Lubb: "okay cool." Luks drove off. Lubby went back inside. I was sitting with Stuja helping him with his ice pack on the eye, sesifake eye mix vege ngok. Got to improvise bethuna kunzima. Stuja: "awunazo pilis zentloko?" I went to the bedroom to fetch him pills. Lubby heated the braai meat I had bought earlier and they ate. Lubb: "ndisayo khangel Ta Seez. We need him to talk to Jongizembe. Worse kengok ba brother wakhe is unconscious. Sizothin kuye? His parents?" Lubb: "and we have to let them know kwangoku." Me: "so sokwenza njan? I doubt hearing over the phone that umntanakho is in hospital is ideal." Lubb: "ambo nxiba sihambe." I went to dress in a long skirt. A long sleeve top and cardigan. Wore a smart pump and tied up my hair. Lubb: "ncaaaw." Me: "hampa!! Masambe." Lubb: "Stuja, please keep an eye on Thulani. The minute he wakes up undichazele." Stuja: "sure boss." We drove to Thulani's parents' house. Lubby still remembered the way since the day he came to kidnap Thulani. Lubb: "uzofika uthin pha Lihle?" Me: "I have no idea." We went to knock on the door. A man over 50, below 60 appeared. He looked a tiny bit like Jeff. Just a tiny bit. But Jeff still took the cake and ran with it. Far. Phindile: "ndingak'nceda sisi? Are you lost?" Me: "uhm, ungu tata ka Thulani no Siya ta?" Phindile: "yes. But abekho ngoku. Ngoba?" Me: "ewe. I may have some news." His breathing hitched a littled but he opened the door. Sangena. Phindile: "kwenzeka ntoni?" Me: "molweni tata, we are Thulani's friends. Mna ndingu Lihle Mzinyathi. Lo ndihamba naye ngu Lubabalo." Phindile: "ewe sisi." The mother just nodded. Me: "well, thulani ebe involved with my younger cousin. Ngulo behlala naye. Unfortunately, my uncle, who is her father, found out. Bekusiliwa iyilonto. Her brothers hurt Thulani noSiyanda kakhulu. Well, Thulani is in our home, sleeping ngoku. Yena uSiya usiwe es'bhedlele because he was unconscious. Mna on behalf of my family ndicela uxolo kakhulu tata for all of this." Phindile: "uhm." He sat down speechless. Phindile: "will my son be okay?" Me: "I am unsure tata, but my husband's friend is a great doctor and nguye obusy naye.

Kwakhona ndicela uxolo." Phindile: "no.. Uhm.. Vrou?" Ma: "unjani yena uThulani?" Me: "he's okay ma. I tried my best to ease the pain, ulele ngoku. Someone is looking after him." She got up to get dressed. Phindile: "enkosi ngokuzosixelela. My wife is getting ready sizohamben. Wena utheni ngathi nawe ubethiwe?" Lubb: "sibethwe sonke tata." Phindile: "tshin ngutata othen na lo? Akana mlomo?" Lubb: "unomsindo latata. Ebevutha nyani." Phindile took his keys. Phindile: "mfaz'wam siqale phi?" Ma: "masiqale Ku Siya kalok andithi yena uThulani is fine and asleep? Soyombona ksasa." Lubby called Lukhanyo to find out which hospital. Lubb: "okay, tata, base Greenacres. Ndatsho ndaxola phakathi." Me: "yeah, yazi bendisoyika ba bathukise nabo." We got to dad's house as usual kumnyama tsuu. Oh kodwa utatam is weird as hell. Ndimthanda kodwa enjalo. We went to the door. Tiny appeared. Lubby screamed. 🙄:v the way Tiny was so chill. He sat down and stared at him. Sizwe opened. Sizwe: "iyawa yinton." Lubb: "Ta Seez!! That thing is a danger to society!!!" He ran inside the house. Lubb: "I swear it grew another 10 kilo's! Like what the fucking fuck!" Sizwe: "calm down!!" We sat in the house. Sizwe: "kwenzekani?" It was so dark. Sizwe lit the paraffin lamps on. Bringing Lubby some water. Lubby explained what had happened. Sizwe: "what? Namhla unangaphi kanti?" Me: "18." Sizwe: "haibo Lihle. Njan uyeke teenager iyohlalisana? Umazi utatakhe lihlanya." Me: "dad, they're in love." Sizwe: "so was romeo and juliet sweetheart and look where that got them. Look, ndiya understander mna. I'm not as old as him. I get this whole thing yoba bahlale kunye but maybe if Thulani had asked first. Phof nam bendingenoy'vuma lihle into yoba uhlalisane nendoda una 18. No matter how much I like him. Makuqale iinkomo kqala. I only accept Lukhanyo because you're married although kusafuneke nitshate okwes'Xhosa abatale ne lobola. I am not taking his side though, matter of fact I'm not on anyone's side. Qha ke akhomntu uzobetha umntanam ndikhona mna. Siya kunye ksasa kuye. " Lubb: "yoh hayi kodwa Ta Seez, ndiseb'hlungu mna uthe if he sees me again uzand'phinda." Sizwe: "anganya kalok. Siyoy'chola phantsi eyethu. Yayaz ke ba and'dlal mapetyu mna. Masamben." Now I knew it was going down...

Chapter 542

We got to my house. Stuja was watching tv. Shame ebesozela nyani but ke he was told to keep an eye out for anything. Ndaske ndam'vela naye shame ek'ben esez'ntlungwin. He got up and took his things, it was already after midnight. Me: "sele ulala Stuja, you can't be driving in this state, worse uyozela kengok." Stuja: "yooh,

ib'hlungu leway Mam." I gave him two pills and he drank them quickly. Me: "take off your shoes. Uze uzolala." He went to sleep next to Thulani. I made the other room ready for Lubby. Putting the electric blanket on too. Because it was a bit cold now. He came in and undressed. Sizwe came in too. He sat on the bed. Lubby got into bed slowly. Trying to avoid causing himself pain. Lubb: "nam ndicel rajwa." Sizwe: "ndik'rubbe nganto?" Lubb: "hayi yuuh, uzandophula ta Seez. Khenze tshomam." I went to fetch the ointment and applied it on his back. He kept ouching and oooh'ing. Lubb: "ibhlungu kalok!!" Me: "if you could just relax!" Lubb: "I'm laying on my stomach. How more relaxed does that get!" Sizwe: "kuthen unegama lika Lukhanyo apha." Lubb: "ndim uLukhanyo the original nje Ta Seez." Sizwe: "mxim. Khalale." He turned around and I covered his shoulders. Me: "goodnight." Lubb: "enkosi, night. Ungahambi torho ta seez." Sizwe: "ndizobase front if you need me. Khabe ulala wena. Sodibana eksen." I went to wash my hands and got into bed. I was tired. Iiyoooh! I called Lukhanyo to find out ba kwenzekani. Luks: "baby?" Me: "hey sweetheart. How's things?" Luks: "he's stable babes. Uvukile but funeke agcinwe to monitor his head ade abe grand." Me: "oh Thank God. Nidebene nabazali bakhe?" Luks: "ewe ndihlel nabo ngoku." Me: "good. Wena uzolala nin?" Luks: "hayi love ndigrand mna, I'll just get an energy drink. Funeke ndibekhona kwi ndawo ka Thulani." Me: "okay sthandwa sam ke ubuye ksasa, to change and eat yeva?" Luks: "okay baby." He hung up. I might've bent the truth. He's going to bath, eat AND Sleep. Then abuyeke pha ke. I tried to call Namhla. Her phone was off. Well I was tired and sleepy anyway. I switched off my lights and crawled into bed. Realizing I didn't call Sylvia. I started panicking. Okay, no use waking her up now so ndizoske ndifowne first thing in the morning. As I drifted off to sleep, a lovely peaceful sleep. I was dreaming of my husband and me only. Talking and cuddling at a park. Spending a lot of time together. A shadow was standing in a far distance. Staring at us. Something about it was cold and uncomfortable. But it just turned and walked away. My heart instantly relaxed.

The next morning I woke up brushed my teeth and called Sylvia. She informed me the babies were fine and I shouldn't worry. I showered and wore bleached jeans. A yellow skin tight long sleeve top. It was nicely cut. From shoulder to shoulder. I wore a red platform wedge and fixed my hair into a bun on the top of my head. I did my make up and wore triangular silver earrings. Sizwe walked in. Sizwe: "yooh uzocaphuka ke uJongizembe." Just then Lukhanyo came into the house. He looked awfully tired. Me: "vasa love kqala." Sizwe: "I'll fix some food." He went to the kitchen. Luks: "you look gorgeous sthandwa. Uyaphi?" Me: "hayi wethu I'm wearing basic nje. Siya eMotherwell notata." Luks: "baby, I suggest mna ungayi. Because uthe taka Namhla he will beat you for lying to him. And unxibe fancy namhlanje for

lonto." Me: "he won't even try kukho uSizwe. My father will literally shut him down. Kamand uyamazi." He entered the tub and I bathed him. Luks: "iba gentle kalok baby. Kuseb'hlungu." I dabbed a little softer. It looked really painful 😞:(my heart just tore a little. A lot. We finished up and went to the bedroom he wore his track suit and I rubbed his back. Sizwe brought him food, he ate. Me: "you gonn take a nap ke love. Ubuyele sbhedlele to check on Siya." Luks: "okay mntu wam." He pouted his lips for a kiss. I baby kissed him. First time I kiss my husband in front of my dad. I walked to the kitchen and made soft porridge then went to Thulani. Pulling a chair next to the bed. I help him sit up with pillows behind his back. He was even worse than yesterday. 😞:o his left side was swollen with the eye blue'ish. Thulz: "I look that bad huh?" Me: "yes, you do bro. I'm so sorry." Thulz: "its not your fault." I fed him the porridge. He could hardly move his arm. Me: "do you want more pain killers? But ke uzolala you're not going anywhere." Thulz: "yeah. Khandiphe 2. Plus I got a headache." Me: "okay, once you're done eating." I heard someone coming in the front door ingathi uyatyhalwa. "Uph unyanam!!" He demanded. Then the door opened. It was Jeff. His heart broke into pieces. You could see the disappointment written in bold letters on his face. He walked closer to us. Jeff: "uxolo sweetie." I got up and gave him the bowl. He sat down looking at him. Jeff: "nyana, kwenzeke ntoni?" Thulz: "tata ka Namhla. He was angry that sihlalisana without him knowing. Apparently..." He breathed. Thulz: "I'm corrupting his child and ndiy-" he breathed again. Thulz: "ndiyam'mosha." Jeff: "so he did this!!? Ebenga thethi for nton?" Thulz: "no, bingu brother ka.....ka Namhla. They beat me up outside." Jeff: "akunqandwa!!?" Thulz: "no. I slipped away ufika koo Siya. Wazondinqandela I ran and drove here." Jeff fed his son. Jeff: "I'll sort all of this out." Me: "sikulindele tata?" Jeff: "ewe mntanam." I left them alone for a few. I made breakfast for the team. Stuja, Sizwe and Lubby who was still sleeping. Stuja's face was better. I took Lubby's food to his room. He was literally still sleeping. Me: "haibo, Lubby? Wake up." I gave him a little nudge. He opened his eyes. Lukha's face when he wakes. So adorable. Me: "naku kutya. Come sit up." Lubb: "ohh my guard! My head so sore. My brain is twerking." I laughed. Lubb: "mxim." I lay the tray on his lap. At least he could eat by himself. Lubb: "lukha sebuyile?" Me: "yes, ulele ngoku." Lubb: "okay. Good." Me: "lubby what exactly did my mom say?" Lubb: "yoooh." He ate and drank his grape juice. Lubb: "she said Thulani forced Namhla ba makayohlala naye. That thina we want Namhla to end up like you." Me: "like me?" Lubb: "yeah, in and out of hospital ngenxa yethu. Abe miserable and stuff. Uthi thina all we do is mistreat women. Siyaba mithisa bamoshakale. We promise them the world then damage them." I was so shocked my mouth was hanging wide open. But I was kind of expecting into enje ku mama. This is so her. Lubb: "yeah.

Then watsho ba utshate negintsa." Me: "No!!" Lubb: "hm..." He drank his juice finished and got up. Lubb: "gimme a hug." I hugged him. Me: "I know zinto zakhe umama ke ezi. Ndiske ndingayaz noba woyika umalume na or what. But every time kukho ifight she'll take his side if not bayoxabana bona bangathethisani." I pulled back. Me: "go shower unxibe." I went to check on Lukhanyo. He was asleep. Jeff helped Thulani bath. I cleaned up the house and washed the dishes. Sizwe: "hlala phantsi Lihle please. Undenzi siyezi nezi color zakho." Me: "hee utata." After some time. Lubby came out, lukhanyo was awake. Sindiswa knocked on the door. Me: "hey girl." Sindi: "molo sisi, ninjan?" Me: "siyaphila nono.." She went to Stuja. Sindi: "yuuuh awuseyo dumpling sthandwa sam. Khaz'jonge." She took out a mirror. Stuja: "khandiyeke man." Sindi: "hayi mntu wam. Uli tapile jonga." Stuja giggled. Stuja: "uph umntanam?" Sindi: "ndimse kumama." Lubb: "andisa bonwa mna." Sindi: "hayi tshomi ndicimba ungu Ta Luks. Niske nifane kalok. Hi stharara." Lubb: "sho mtshana. Ndiyatsho zintlungu va." Sindi: "ungonjwe nguban na." Lubb: "ey tshomam. Masiy'bambapho sophinda siy'cuntsule xasine xesha." Lukhanyo came out wearing his long sleeve black muscle top. His sneakers untied. Uleqa phi. I tied his shoes for him and fixed his top. Me: "itya noba yi fruit." Luks: "no, ndifun yogurt." Me: "ambotya ke yogurt." He went straight to the fridge. Uncle Jeff came out. His sleeves were rolled up. Jeff: "nomiza," I turned around. Jeff: "khandinike eza pain killers mntanam." I went to fetch him the pills. Thulani drank them. So we waited. Twin 2(Lukha) looked a bit depressed. Twin 1(Lubby) had his own spoon digging in the yogurt. Lukhanyo gave him a look without saying nothing. Lubb: "yinton?" Me: "uphi lamfana benihamba naye?" Everybody went dead silent. Lubb: "uhm..." Lukhanyo took out his phone and he walked through the door. Soso: "molweni." Ok that was just creepy. Luks: "hey. Besik'buza." Soso: "you guys were quite busy last night. Bendingafun uniphazamisa. Ninjan?" Lubb: "better." Jeff came out. Jeff: "we can go." I don't think I've ever seen him this mad. Luks: "mna ndihamba no Lihle, we're taking the Mazerati, Lubby no ta Seez nihamba nge Benz ka lubby. Soma?" Soso: "I'll stay here, noske nind'bize xa nifuna something." Luks: "cool." We all went out. Luks: "hayi man." He saw a white Benz. Luks: "yimoto ka Soso mos." He walked back to the house. Luks: "Sonwabise!" Soso: "yes?" He smiled. Lubby laughed. Lubb: "andadikwa." We all drove to Motherwell. Lukhanyo was in front because he couldn't help but drive like a maniac. We held hands and spoke while he drove. He kept kissing my hand. Luks: "akasemhle mfaz wam namhlanje. Kodwa uskimele uzobethwa." I laughed. Me:"andibawel hleka bonanje baby." Luks: "nyan love." Kanye k'la M17 he pulled me closer and kissed my lips. Me: "watch the road!" He sucked my lips further then let go. He swerved a small car and sped through the freeway.

We arrived at my mom's house. Nanko sana uNombolo eme edriveway. Bhuti Mpumezo noBhuti Reference beme phandle talking. The way they stared at Lukhanyo's car in surprise. Ewe kalok ginya imali yamagintsa. My mother came around th house ephethe ivaskom noba bevel'oxhoma mpahla. She stood still and stared. Luks: "yaske yangathi asaziwa tu apha baby. Are you sure we at the right house." Me: "ndifuna mna uqala ndithethe nomama lo une pythons." I kissed his cheek and opened the door. Stepping out in my bright red wedge. I walked to them. Reference: "ndingak'nceda sisi?" Don't tell me they don't recognize me. Me: "uhm." Thenji: "ngu Lihle lowo!" They looked at me again. Mpumezo: "Haibo! Sowumngaka na?" Reference: "and then uyinton klanto ime pha kengok?" Lukhanyo leaned on his car. One foot on the wheel. I walked past them without an answer. Bandidike nje nge presence yabo. Tshonge milomo ebolileyo apha. Nx! Me: "molo mama." Thenji: "molo mntanam." Me: "noo mama, awunotsho! Now all of a sudden ndingu mntanakho kodwa just last night you were naming and shaming umnyen wam!" Thenji: "ungatheth nam olohlobo ndingu nyoko!" Me: "bu-suppose ungu nyoko mama izolo! Ku Thulani, ku Lubby naku Lukhanyo! They have been there for you! Since day one. Ephi yena umalume lo ugqemfeza ngaye? Uxolo ngothetha oluhlobo nawe mama kodwa ke usefish! All you think of is what is going to benefit you! Namhla khange ungamazi ba uhlalisana noThulani kodwa wathula because wena kqala buhlalisana umandelwe ngutaka Thulani uJeffrey apha endlin!" She slapped me hard. Luks: "Lihle!!" As he walked towards us rambo walked to him. Rambo: "uyaphi wena! Ungenaphi." Luks: "ndiyoni nyisa ke mna." The other cars arrived. My mother grabbed me and dragged me inside the house ekhulula islippers. Thenji: "aw'na mbeko Lihle sek'then uzothetha nam olohlobo?!!" She smacked me. Sizwe came inside and grabbed her at once. Sizwe: "ndiyok'dibanisa nale floor. Ungak'linge und'qhel ukunya mna!" His face was ill with anger. Sizwe: "this is my child!" Thenji: "NOW this is your child Sizwe! Wawuphi all these years! Ubhantintela omnye umntu! Awunayo ne backbone! Kwanto nje edibene nalamzi wakwa Mzinyathi ubasisyoyoyo! Since Zakhele was alive you couldn't even think for yourself!" Sizwe: "ohh??? And you could? Thenjiwe. You COULD? Ku Zakhele?" Woah what?? Sizwe: "do NOT, I repeat, do NOT make me umntu ombi Thenjiwe Manti. Bufuna ndibesis'lwanyana. Touch my child. Just once." Jongizembe marched in. His chest thrust out. Jongi: "you think you're a man? Hm?" Sizwe: "Jongizembe, ungak'linge undiqale mna. Uyandazi." He took a step. Malume stood still. Kwaphela nesosgezo ska think you a man. Kwe cwaka endlin. Jeff walked in. Jeff: "ndiyay'bona yonke lekaka yenzekayo mna ndifun yazi nguba obeth unyanam?" Noma walked out the bedroom. Noma: "naba ngabaya baphandle Jeff." Jongi: "Nomathamsanqa!!" Noma: "hayi yintoni Jongizembe!?! Apha

khasiqalise uzela uzobetha bantwana babantu. Sizele uNamhla! Lukhanyo, Lubabalo nabanye abangen ndawo!! Um'spoiler qithi wena uNamhla next thing xa esenza rongo you blame everyone else! Ndiyamthanda nam umntanam kodwa ke xa erongo akho need yoba afekethiswe!" Jongi: "oonyana bakho aba baphandle uthin ngabo!!" Noma: "abathunywanga Ndim Jongizembe! Tata ka Thulani is concerned ngowakhe umntana lo bambethileyo! Nalo ebelele phantsi engashukumi! Wena ayikusiki nimba????!" Jongi: "nowam mos umntanam bambethile! Mpumezo phants ukufa pha!!" Noma: "kuba ubaqalile!! Bambethe kancinci because ustout uReference noMpumezo! Aba bangakuhoyanga ke phof! All of a sudden ngok uz'ngombi s'fuba ngabo. UWRONGO Jongizembe! Ayizophind tshintshe lonto! And if awumbethi uNamhla, ndiyomfaka ngokwam imvubu because abanye abantwana banez'londa nguwe!" She grabbed the whip. Jongi: "HEY!!!" She closed the door in his face and locked it. As he banged on the bedroom door. Namhla screamed. Jeff: "you let my child, Thenjiwe, abethwe phamkwabo wathula?" His voice was low and hurt. Thenji: "Jeffr-" Jeff: "Don't touch me Thenjiwe. Ndiphendule." Thenji: "Jeffrey. Thulani ungene aphe ndlin waxabana no Jongizembe, then he Left! Bekufuneka ndiyoma phandle ndimjonge? I didn't know mna ba ooMpumezo bambethile." Jeff: "awusasiva Thenjiwe neskhalo somntanam." He whispered. Ayabib'hlungu intliziyo yam bethuna. 😞:(Jeff: "you know he means the world to me! Before anything kuqala umntanam. Okwe skhale sakhe Thenjiwe. Ecela amaxolo." He turned around and walked to the door. Then he stopped. Jeff: "ndicela undenzele ifavor." He looked at her. Jeff: "don't call me. Right now, you just disgust me. And wena Jongizembe. You'll be hearing from my lawyers. I am suing you for lento niyenze kwabantwana bam Bonke." He walked straight to his car and drove away. Then I realized not everything is solved with violence. The look on my uncle's face was as though someone just died. Lawyers and suing was a very big statement. Noma opened the door and stomped outside in anger. She grabbed Reference and whipped him hard. Then Mpumezo. I went to the bedroom to check on Namhla. She was crying in a corner. I bent over and hugged her tightly. Me: "uxolo mntase.." Namhla: "how is he?" She muttered. Me: "he is fine babe. He's okay." I wiped her tears and sat with her quietly. This was so sad. Did anyone at least care if abantwana actually really loved each other? They would die for one another. Why abazali bengalazi understand as though they've never been in love? They've never experienced the thought of losing someone and it actually felt physically heart breaking. Have they never spent hours crying and begging for understanding because nobody knew how they felt? Kanti utat'Jongizembe wayengafan noThulani. Doesn't he know how it feels? Me: "love, ndiyabuya va?" I kissed her cheek and got up. I

walked to the dining room. Where they were still arguing. Me: "xolweni tata? Ndicela uthetha." Sizwe: "thetha mntanam." He smiled...

Chapter 543

Yayingathi ndizokwenzi Oral sana. I was scared! How do you address 'love' kwabantu abadala? We all sat down. Thenjiwe next to Jongizembe. Noma sat in her own couch. Sizwe leaned on the wall. Lubby and Lukhanyo sat next to me. Even Mpumezo and Reference came to listen. Jongi: "s'mamele." Me: "tata. I know that emehlweni akho ndisengu mntana. Although nditshatile ndinabantwana. I just felt that, yonke le situation could have been avoided if bekuye kwa hlalwa phantsi nabantwana kwathethwa. I know Thulani, very well. Ndiyazazi intentions zakhe when he is lying or talking truth. I know that uyamthanda uNamhla nge ntliziyo yakhe yonke. He would do absolutely anything to keep her. Yes, une faults zakhe. But he fixed them in order to satisfy and make your daughter happy. He never forced her bayohlala kunye. It was a joint decision. Mna I never objected because I knew that bayathandana and I trusted him to take care of her. Even for that to happen ndandim'xelelisisa uNamhla to be careful, and she was. She made sure not to disappoint you. Akamithanga uNamhla. She's not 15. She's doing very well eskolwen. Average yakhe ngu 87% that is just something to be proud of. I'm not saying ba-right into abayenzileyo. Kodwa ke its done. Violence, beating each other up will only make the situation worse. I know this from experience. Ewe malume uLukhanyo ligintsa. Kodwa ndimthanda enjalo. He is always supportive and he loves me back. That is the only thing truly important. He has his faults and mistakes. Like every other human being, but that's what makes him Lukhanyo Mzinyathi. Akazobangu Jesus. He won't be God. He will be Lukhanyo. If he was the same as the next person how would I have fallen for him? Nangoku esenza lento ayenzayo he has time for other people in need. Wena mama, njebe nje uthuka ubugintsa buka Lukhanyo. When I was called kusithiwa uwile do you know yayingulo Lukhanyo umntu wataka kqala. He was the one who took you to hospital. He was the one who paid the bill, to pay for the operation that cost over 50 000 rand to save YOUR life. Lubabalo took care of you, hiring a private nurse to look after you uphuma kwakho kwesabhedlele. He did Everything in his power for you to be well again. Now all of a sudden udikiwe zizinto zabo? Yimali yabo yobugintsa? I don't understand mama. No matter what they do, they put everyone else first. Noba abamazi umntu they will help them. Izinto zam noLukhanyo zezam naye QHA. Whether we fight or fall back in love it shouldn't affect none of you. I understand ndingumntanako and you want to take my side. But Don't. Akhomntu

omashekeleyo k'le arrangement since the beginning. Thulani noNamhla behlala nathi. Until he got his own place. But now nifika ngomosha izinto instead of sitting us all down and asking what's happening. Siyanda ulele esbhedlele. Thulani is badly injured and everyone else is emotionally traumatized. Tata ka Thulani is now pressing charges, and we could have avoided this from the start. Malume, I know senze izinto wrong. Sicela uxolo, on behalf of both Thulani and Namhla. Kodwa ke nawe you understand being young and in love awufun nova nto. Nothing and nobody matters. You'd do anything to make them feel special. You break curfews ugoduke ubethwe kokwenu kodwa deep down you know you'd do it again." Noma smiled. At least she knew what I was talking about. Me: "andiyazi noba yenza isense lento ndiy'thethayo na kodwa ke as ba sibancinci sijonga kwi elders zethu, sifunde kuzo. As much as berongo ooNamhla. Baphethene kakuhle kuyo yonke into abayenzileyo akhomntu umoshe omnye. If that's not love, andiyazi ba ngeyiphi." Sizwe: "you make perfect sense mntanam. Nam I don't understand ipart yoba kubethwe wonke umntu. Namhla is young but she makes her own decisions. Other kids her age have 3 children with 3 different fathers, babolile and have no future and yena she's wrong ngoz'khathalele and focusing on her books whilst ehlala nalo Thulani? All of us k'le room have done something stupid once or twice in our lives and we did not regret it. Ewe bancinci, kodwa ke we have to take their feelings and put them in the picture because they count too. Mna personally if ndingu tata ka Namhla, ewe I would be disappointed ndimbethe, but again ndibabuze ireason yokwenza lento and find a way forward. If andifun bahlale kunye makaze ke uThulani azom'bona aphe ndlin. Ngeyphi ebetere to know your daughter is loved and taken care of okanye uyabhanxwa ngawo onke amadoda alapha phandle. Let's face reality, if Thulani bengamthandi uNamhla would he still be fighting for her?" Noma: "not at all." Jongizembe looked at her. Noma: "ufane wandijonga bonanje. Ayizotshintsha ukuba you are Wrong! Ndikuchazele last night, ndakuchazela this morning, it is not changing. Ndisak'chazela nangoku. You are WRONG!" Jongi: "ndik'vile kalok!! And wena Sizwe you are in no position ba mawund'xelele ndimthin na umntanam!" Sizwe: "ndithe. IF I WERE YOU. And I don't even wish to be you. Because uzobanjwa." Jongizembe stared at him. He was so mad but couldn't do anything about it. We sat in awkward silence. Noma: "Lihle ndicela undibizele uNamhla." I got up and went to fetch my cousin. She sat in my place and I stood next to my dad. Mpumezo: "mna ndicela uxolo Namhla. Okok'qala for ubetha uThula or whatever his name is. Bendinomsindo and khange ndikwaz uz'bamba." Rambo: "mxim. He deserves it. Lamanyala bewenza ku sister wam? Siees man!" Namhla: "bhuti he didn't force me to do anything!" Rambo: "suthetha nam olohlobo Namhla. Ndimdala kuwe." She kept quiet. As the meeting went on. We

were asked a lot of questions and we answered truth only. Sizwe: "uhm, I think that is all. Jongizembe if you don't want charges laid against you and your sons I strongly suggest ucele uxolo ku tata ka Thulani.." Jongi: "mxim." Sizwe: "masambeni Lihle." Thenji: "you can't just decide phakama umke apha like its your house." Sizwe: "sithini sisi sihlabel iculo?" I got up and walked out with Lukha. Lubby followed and Sizwe. Reference was still beefing with Lubby though. They exchanged looks with each other. But Reference kept a far distance. I wonder Lubby umenzen omnye. We got in the car and Lukha drove off quietly. Me: "uqumbeleni?" Luks: "umchazelen malume wakho ba ndili gintsa lihle?" Me: "baby he already knows mama sey'thethile." Luks: "still though." He was sulking.

We got to our house. I made food. Jeff called Lukhanyo. Luks: "ta?" Jeff: "hello Lukhanyo, uThulani ndimse esbhedlele ne? He's not getting any better." Luks: "nikwesiphi sbhedlele ta?" He told him. Luks: "okay siyeza Ta." He hung up. Lubb: "uphi uThulani?" Soso: "usiwe sbhedlele ngu tatakhe." Luks: "yeah, masiye ngoku." I needed to do my hair but now was not the time. Lukhanyo, Lubby and Soso left. Stuja and Sindiswa left too. I was left with Sizwe alone. Sizwe: "that was very brave of you mntanam. And I'm proud that uy'thethile we all know how difficult your uncle is." I started undoing my weave. Sizwe: "hlalapha." I sat in between his legs giving him the scissors. Me: "thanks tata. For supporting me." Sizwe: "my pleasure ntombam. Anytime." Me: "ungandichebi nwele zam please." Sizwe: "ndizok'cheba iFade efana neka Lukhanyo nifaniselane." I giggled. Me: "hayi noko tata." He undid the weave and I combed my hair. Sizwe: "awuse fratsi. Zok'gezela uthi saa uLubby." Me: "yuh yambona yena lowo. Mxim. I'll go to the salon ngomso. It seems insensitive mna ndiyokwenzi nwele to be looking fancy whilst abanye abantu are suffering." Sizwe: "ncaaw.. You so sweet. Uxolel uba fratsi na. Jonga ke uzuhambe noNamhla ngomso. She needs some time out." Me: "what if akavumi utatakhe?" Sizwe: "ingaba uphambene kalok. Plus Noma is a sensible woman soze angak'vumeli." Me: "okay." Sizwe: "let me get going. Ndisayo bona uSinethemba nomamakhe." Me: "undibulisele kuye ne." Sizwe: "okay sweetheart." He washed his hands, kissed me and left. He got to his house first to bath and change. Deciding what to wear, he got nervous. What was he going to wear! He took out jeans. He needed to go to the gym. At least prison kept him fit and in shape ever since he got out he got lazy. While he sat in his room lazing about, a voice in his head asked 'uyow'nxiba nini!' He got up and got dressed taking out his favorite soft pink shirt. Tucking it in. He took his keys and left.

Sinethemba was cleaning the yard. His mother just finished hanging the washing continuing to clean her house. When she was done, she sat down relaxed. Sine came to bath, dress and sat with her. Sine: "awulambanga mama?" Ma: "hayi mntanam.

Ndise right. Diniwe qha." Sine: "uhm, buthetha naban efownin?" Ma: "oh, bingu Sizwe, uthe uyeza." Sine: "oh nyan? But I have to go to warm up." Ma: "mlinde. Maybe uzohamba nawe ayok'bukela xa udlala tonight." Sine smiled. He would love that. Sizwe arrived 30 minutes later. Sizwe: "molweni." Ma: "molo bhuti." She smiled. Sine: "molo bhuti Sizwe." Sizwe: "niright?" He had a plastic and a box in his hand. Sizwe: "I got you something." He gave him the box. Sine opened it. It was a pair of new soccer boots. Sine: "enkosi kakhulu bhuti! This is so cool!" He hugged him. Sizwe: "I hope size iright." Sinethemba tried them on. Sine: "zii grand ta. This is the best gift I've ever received." Sizwe: "my pleasure." He gave the plastic to the woman. Sine: "bhuti Sizwe, I'm going to the stadium ndiyodlala match tonight. Will you be able to come?" Sizwe: "I would love to come. Ngoban xesha?" Sine: "its at 5 namhlanje." Sizwe: "I'll be there ntwana yam." Sine left. Sizwe: "so how have you been sisi?" Ma: "ndiright. Kuthen undibiza sisi nje, I have a name." Sizwe: "Nosizwe.." She laughed. Ma: "andingo Nosizwe mna." Sizwe: "mna cela ukubiza Nosizwe ke." She: "okay ke fine. I've been great yazi. Enkosi ngayo yonke into osenzele yona. You and those twins Sine oko ethetha ngabo." Sizwe: "haha, ow, mxim. Eza rascals zam zimbini. Zakhele's sons." She: "hmm...anyway, wena unjan?" Sizwe: "I'm okay now. Matter of fact, I've never been better." He smiled. She blushed and got up. She: "ndikwenzele itea?" Sizwe: "strong and black. 2 sugars." She went to the kitchen and boiled the water. Her heart beating fast. She made the tea. And breathed to calm herself down. She took the tray to him. She: "so, unqabe phi?" Sizwe: "after my daughter came out of hospital....bendingulo up and down." She: "how is she doing?" Sizwe: "she had temporary amnesia. But ngoku she's actually remembering. She's getting back to normal. Ngomvulo ubuyel eskolweni." She: "good. Yoh, 2 months is a long time. At least ngoku uzoba right." So he stared at her. She looked at her worn out dress. Sizwe: "umhle." Her heart melted. She: "hay tshin Sizwe. I'm in my cleaning clothes. Andilungisanga ke phof. Ndiyilo mess." Sizwe: "its a very attractive mess. Nosizwe." She: "please stop." He put down the cup and moved closer. Holding her face. He kissed her gently on the lips. They held the embrace for some time. He pulled back, listening closely. Someone was inside the house. She: "hayi Sizwe." Sizwe: "kudala ndiz'bambile. I can't keep it in any longer. Nawe you feel the same way. I can feel it." She: "Sizwe, its not just about me. Ma: "ungenaphi ke wena?" Sine: "you were making me an excuse nje." Ma: "okay." Sizwe: "okay? As in yes?" Ma: "okay as in yes.."
He hugged her. Sine: "great! So now can we go to my game?" Sizwe laughed. Sizwe: "let's go son."

Chapter 544

Sunday, early morning. It was 3am. Lukhanyo was awake. Kissing my back. Holding my breast. Me: "hmm..." I woke up. The way he caressed my boob kinda turned me on. His hand slid his hand down in between my thighs. Massaging me underneath. My one leg opened by itself. Lol. He moved closer. I could his hardness on my ass. His teeth sunk gently onto my neck. His hand slipped inside my underwear. Playing with my clit. That felt so good. I haven't felt this alive for such a long time. I just couldn't help myself. I took his hand further down. He smiled. Luks: "akasabawi ubaby." Me: "undiqalile mos.." Luks: "yaphosisa, ndibizwe nguwe..." He turned me around and climbed on top. Me: "love, contraceptive yam ikhutshiwe. We have to be more cautious. I'll buy morning after pill and book an appointment with Rene andifake enye yabo?" Luks: "hm okay." Me: "baby, if you could ju-" luks: "shhhh.....I got this." He took off my panty. Disappearing under the covers. I was so excited. So turned on. And he didn't do anything. Me: "baby kalok!" Luks: "iyaphefumla baby....bunoy'bona." Me: "Lukhanyo stop playing." He licked me once. Then kissed it. His lips sucking the clit. I just climaxed right then, holding onto his head. Liquid rushing out of me. His mouth was dripping wetting. He didn't stop. His tongue played deeply. I held my hand over my mouth. The Feeling right then was amazing. I couldn't scream because people was asleep. Me: "ohh myyy.....G...." I climaxed again, my body shaking with pleasure. He entered a finger. His rub was so soft, I felt like crying. This time I couldn't help it. I just couldn't. Me: "Oh my!!! Lukhanyo!!" I moaned out loud. He got up and looked at me. He entered me gently. Holding on to my body for dear life. Luks: "oohh man baby wamm..." He sang. Luks: "mntu wamm!!" Me: "shhh.." We went on for about 10 minutes. Luks: "rhhaaa Lihle!" I opened wider for him. Luks: "Oh FUCK!!" He gained power...he was at the point of no return. He held on to the head board. Luks: "Lihllee!!! Baby!!" Me: "Yes!!" I held his body. Luks: "look at me....baby cela undijonge." I stared into his eyes. Luks: "ohhhh

LIHLE!!!!" He groaned. Me: "Lukhanyoo!!" Luks: "ahhhh!!!! Ohhhhhhhhhh bab-" his body shook. He grabbed onto me tighter and released whispering my name. Me: "yinton ukhala kangaka sthandwa sam." Luks: "I missed you sooo damn much. Ndide ndibene nendaw ez'phambanayo. Ndishiywe ziingqondo. Shit, I love you woman. Don't you ever doubt that. Nangoku I know ndik'chanile. Two more to come. Akuzothengwa morning after ngandawo." Me: "hayi Lukhanyo don't be that way. We had plans." Luks: "no baby. My plan yokuthi ndigqibezele inzala yam. Luks: "we're moving in to our bigger house. Getting a stay in nanny. Luthandoluhle baya eDay care ke bona." Me: "still baby, I got school and the business. Let's wait a few years." Luks: "okay. But you're not drinking those pills." As if I'm going to tell you. Me: "okay sthandwa sam. Whatever you say." We woke up hours later. Actually I was alone in the bed. Lukhanyo walked in with a tray. Luks: "vuka zulu lam.. Breakfast is served." I sat up and ate. Me: "enkosi love. This tastes great." He went to run me a bath. Suddenly got cramps. Probably ndizoqalwa zii periods. I looked through the draw, found some still pain and drank with juice. Luks: "and then?" Me: "cramps.." Luks: "oh. Sorry boo. Itya uqibe uzovasa." I ate and went to bath. When I came out he already had taken out my outfit. He was now changing the sheets. I got dressed. Skin tight ripped jeans. Lukhanyo immediately regretted it. Luks: "khandiyaz ikuthi ngca olohlobo loo jean." Me: "yinton ingxaki baby?" Luks: "its....it makes me jealous." He said honestly. Me: "kodwa?" Luks: "kodwa ndiyay'thanda." I saw a YSL vest. Me: "who does this belong to because its not mine!" Ndabe senditshintsha nalapha ebuswen. Luks: "uy'phathelwe ngu Lubby le vest." Shame it still had the price tag on. I saw four digits and I got dizzy. For just a vest? I wore it. Luks: "nxiba ke la all star yakho iWhite." Me: "yuuh izode ithethe la All star ba idikiwe ndim." Luks: "you only wore it once oko ubuyile. Nxiba yona." Me: "I wanted to wear heel yam emhlophe nje." Luks: "yeyphi leyo?" I took out the platform, it had straps all over. Gladiator. Platform. Love. Luks: "babes, just wear le All Star and look thuggish for me. Please?" He did his legendary puppy dog look. Smart. Me: "fine." I wore the takkie. Putting on make up and big round earrings. I combed my natural hair and tied it. I went to the kitchen. ME: "thanks mtshana. For the top. I absolutely love it." Lubb: "intle. Umhle nawe tshomi. Qha, Your hair. Mother of ratchetry. I took the keys and walked out. Luks: "hey!" I started the car and drove out the garage. Waba seme phandle right behind the car. Luks: "uqumbile kengok?" Me: "suke ndlelen?" Luks: "not until you kiss me." I revved the car and he didn't even flinch let alone move. Luks: "you are so predictable. Ndiyayaz mos awuzondigila." He walked to the window and kissed my cheek. Luks: "you better fix your face baby, before I do it for you." Me: "is that a threat?" Luks: "wena ucing'ba?" Me: "khasuke wethu Lukhanyo. Your puppy bark doesn't scare me. You know damn well, we on the same damn level." He stared at me. I stared back. A slow smile crept on his face. Luks: "khahlike Lihle." I got out the car and stood in front of him with my game face on. He reached in his pocket and took out the Mazerati key. Luks: "take care of my car." I took the key and kissed his lips. He spanked my ass as I walked to the car. Got in and drove off. Grrrrr 😊;)

I got to Motherwell, again wabe uMpumezo eme phandle. Alone this time. Washing his takkies. Me: "molo bhuti." Mpumezo: "Hi." Me: "uright?" Mpumezo: "ndi alright wena?" Me: "I'm good thanks." Ezi bad boys zigcwele itattoo nicimba zihot kuba zine six pack niz'thandayo. But they'll cost you ubomi bakho." Me: "okay bhuti." This conversation wasn't going anywhere other than a lecture. I walked inside the house. Uncle and Mom were in the lounge talking as soon as I walked in. Silence. Kodwa ndibavile bencokola. Heeee. And then? Me: "molweni malume nomama." Silence. She didn't look at me. Nothing. Me: "maka Namhla?" Noma: "sthandwa?" Me: "what's going on?" Noma pulled me to the bedroom where Namhla was finishing her assignment and filing it neatly. Estella: "he's doing okay. He's just struggling with his first lessons. He seems as though he doesn't wanna know English." Lubb: "its not that love. He's probably still uncomfortable. He's barely 2. Give him some time. He'll grow into it." Estella: "maybe if you're here....he might be motivated a bit. He kind of misses you." Lubb: "I'll be there. I promise. I miss him too." Estella: "how's Buhle doing?" Lubb: "after this I'm going to see her. Then we going to my place for a movie and pizza." Estella: "kiss her for me. Okay? I got to get back to work." I got in the car and drove around with Namhla. Me: "ugrand?" Namhla: "all I'm thinking about Lihle...is how he's doing. What if he's not well?" Me: "Thulani is fine mntase. And how is he gonn feel xa sekufika abantu bezom'bamba. Naye ke utata akathula wabe thetha ba akho respect kwasek'qalen Thulani disobeyed him and yena he warned Thulani about what would happen, besathetha benjalo kwakho iknock emnyango." Me: "who was that kengok?" Namhla: "some guy wangena ezofun tata. Wam'buza a couple of questions. Kwafika amapolisa and arrested ubhut Reference. Apparently ke

Namhla: "well ke la bhuti, uthe my dad is facing a charge of discrimination of character or something along those lines. Both yena nomamakho. For the things they said about Lukhanyo being a gangster without concrete proof." So when Jeff said, 'BONKE abantwana bam'. He didn't just mean Siya and Thulz. Even Lubby and Lukha. Me: "so maybe Lukhanyo explained the whole thing to Jeff." Namhla: "but doesn't Jeff know ooLukhanyo ngama gintsa?" Me: "he's been told before, zange ay'believe. Then when the Melusi case came up kwa banjwa uLukha. Wahamba uThulani. Lubby kind of briefed him. Of what had happened. Andazi ke noba he never confessed what they are. Andiyazi ndandingekho." Namhla: "clearly he didn't sana. Ndlela le aba defende ngayo la bhuti. Esithi utata and sis Thenji abana right yothukisela abantu abanga benzanga nto. That this could actually ruin them because Jeff has the best lawyers on speed dial." Me: "oh Jesus, kubekho nala bhuti." Now I remembered Lungelo! He was a lawyer! Namhla: "owphi?" Me: "Lungelo M." Namhla: "yoh hayi sendincamile ba he's the one. Ndincamile mna." Me: "kodwa Namhla I have never been this confused. Ewe abazali bethu were wrong to let violence get in the way. But at the same time, they're still our parents. Ndizolala njan mna ebsuku when my mother and uncle are in jail?" Namhla: "andiyazi va?" We were at the hospital. We went in and looked for Thulani. Jeff was there. Holding his hand, talking to his son. They both looked at us. Thulani smiled a little. Thulz: "come here." Namhla moved closer. A small tear escaping her eye. Me and Jeff left them alone. Thulz: "ukhalelani?" Namhla: "I'm so sorry." Thulz: "its not your fault sthandwa sam. Ewe kub'hlungu ngoku but sizoba right. I promise to God we'll be fine. Ndizokwenza everything in my power to make sure of that." Namhla: "I just wish things were different. You don't deserve all this pain." Thulz: "I kind of do." He smiled. Thulz: "he wasn't bluffing all those months back esithi ndingak'moshi or else. Look, you know I love you right?" Namhla: "and I love you more." Thulz: "there....nantso qha into endifun uyiva. I'll recover. I'll be okay. Ndiyoxolisa kutatakho and start over." Namhla: "that is not such a good idea." Thulz: "I didn't go through all this. To just give up and let you go. Hayi asoze ndik'ncame mna Namhla. Betere andibethe andibulale ke. Its not going to change." Namhla: "khayek ubangu Superman man wena...let him cool off. Okwangoku he's so mad he's not even talking to my mom. Ubhuti ubanjiwe and naye uzobanjwa." Thulz: "cel'undibizel utatam." Namhla went to call Jeff outside. Jeff: "what's wrong?" Thulz: "dad? Cela undenzele iFavor?" Jeff: "anything nyanam." Thulz: "cela ucime le case."

Chapter 545

Jeff: "hayi Thulani." Thulz: "dad please! I don't want this fighting anymore!" Jeff: "its your right ba mawuba bambe! Don't do this to me nyana. They deserve to be put in jail." Thulz: "but tata andifuni mna." Jeff: "why!" Thulz: "tata. Ndenze wrong. Like mna nabo benza wrong. Can we just let it go now?" Jeff: "I cannot fucking believe this!" Thulz: "dad." Jeffrey stormed out the room. Namhla: "myeke wethu Thulani. Maybe this will teach tata a lesson." Thulz: "that I'm disrespectful. And ngoku ndilwelwa ngutatam." Namhla: "obviously Jeff will fight for you like tatam did for me." Thulz: "ndiyi ndoda Namhla. I can fix this myself. This is my mess!" Namhla: "please don't make this complicated Thulani. Ndiyak'cela." He sighed. Thulz: "andiy'thand lento iqhubekayo Namhla. I really don't." Namhla: "nam andiy'thandi Thulani." Thulz: "come here." She kissed his lips. Thulz: "please don't stress?" The nurse stared at her. Thulz: "mntu wam, khandiselise amanzi." Namhla sat on the bed and held his glass. Nurse stomped out. Thulz: "akasaz'phambanisi nje." Namhla: "uJunior unjan?" Thulz: "ohh. Phila was at his mother's house. He helped his father dress. Then cooked dinner. He dished up and fed his father. Then he ate his pills. Tata: "uphi umamakho?" Phila: "use caweni." Lwazi walked in the house and took one look at his father and shook his head. Phila: "yinto ngxaki yakho Lwazi?" Lwazi: "le yoba uthandwa ukodlula banye. Kodwa he was NEVER there. Not even once!!" Phila: "hey suphambana kwedin! Ayondlel othetha leyo!" Lwazi: "xolo Ta Phila. Kodwa ke inyan iyafuneka and andizoy'fihla mna. Uzotyali mali lona apha qha. Sunday evening Lubby came home alone. I was getting ready to go fetch the babies. I missed my nunuz. So much. Lubb: "uphi uNamhla?" Me: "took her home. Lukha?" Lubb: "uhm..he's out." Me: "benihamba together." Lubb: "I told him to drop me off. I'm kinda hungry." Me: "what happened?" I heated his food. Lubb: "he met an old friend of his. S'ke ndadikwa at word Go." Me: "Dumisa!?" Lubb: "nahh, not her, man. There's this other guy. Thabang." Me: "who the hell?" Lubb: "exactly. Nam ke ndivele nda lost. Lukhanyo is so secretive about his past." Me: "nawe mos." Lubb: "I don't have people that creep up from nowhere. Thanks babe." He ate his food. Me: "unjan lomntu?" Lubb: "hmm....he's ugly." I laughed. Me: "and?" Lubb: "he has tattoos all over. Fana noLukha. But Bafo is better noko. This guy is like a chameleon. Euw. Then he's light in complexion. Une dreads." Me: "oh. I have never seen or heard about him." Lubb: "you wouldn't have. Ngu notrongo lowa. 6 years yonke.." I laughed again. Me: "uwoah. Mxim. Ndisayolanda bantwana." Lubb: "wait for me." He ate finished and took their seats. We drove to his house. He took Lutha and I went to Luhle. Lubby went to fetch his work things. Including a large chart and a bag. Plus his laptop. I thanked Sylvia and we left again. At home I lay a big blanket for Lutha and his sister to play. Lubby removed the vase from the dining table. He lay out his paper and started his design. He had his serious face on. I lowered the tv volume to let him work peacefully. Me: "so what you busy with?" Lubb: "part of one of the 10 centers. This is an underground parking lot though." Me: "oh." I went to look. Me: "and that is?" Lubb: "pillars." Me: "why?" Lubb: "its underground Lihle. It needs Pillars to keep the structure above from crushing down.." Me: "oh." Okay now I felt like a grade 1 learner. Lubb: "why une interest?" Me: "well... I don't know. I guess ndine sthuk'thezi." Lubb: "hmm...ina" he gave me a pencil. Lubb: "let's see if you got potential. I want you to design for me the front view of a double storey house." Me: "I can barely draw a stick man." Lubb: "just try.." I tried on another paper. He checked it. Lubb: "It honestly looks like a dying dinosaur. Lutha can draw better." Me: "mxim. Whatever." Lubb: "khayek ungxola mfazi and let me work." Me: "isn't this architectures work?" Lubb: "nope. Nabo they do something similar. I don't know though I'm not an architect. My job is to design and build." Me: "Ohh.." I went to sit down with the babies. Luhle got up and stepped to Lubby. Lubb: "hey honey..yazi Buhle uyak'khumbula." He picked her up and carried on working. Lubb: "your brother, will be doing this in 20 years time. Cool huh?" Me: "Luthando akazoqalisa ubayi engineer. He'll engineer his mouth." Lubb: "maybe zobangu doctor Mzinyathi. That'd be the first." Me: "it sounds beautiful. Dr Mzinyathi." Lubb: "or he'll be a

lawyer...maybe a chartered accountant." Me: "I want him to be a doctor." Lubb: "zabayi gynecologist ke." He smiled. Me: "why'd you choose engineering?" Lubb: "errh...andazi. Dad kind of wanted it." Me: "and you let it happen." Lubb: "I had nothing better wethu." 2 hours later. We were sitting on the floor, teaching Lutha his steps. The front door opened. Lukhanyo walked in half drunk. Luks: "heeeee molweni." Me: "hi." Luks: "unjan love wam. I have someone, want you to meet him. Thabz!! Zapha mjita." Lukhanyo held my arm and pulled me up. Me: "you're drunk." Luks: "no my love. Luks: "nanku ke baby uThabz. Thibo'z wabantwana. Thabang kay 1." Thabang: "molo sisi." He held my hand. There's something cold about him. Me: "hi." We shook hands. Have you ever met umntu odikiweyo? Ungamaz noba umenzenton. There's just those type of people. He didn't have anything friendly about him. At all. He was quite light, full of tattoos like Lubby mentioned. He was semi pretty. Not that bad. He didn't have dreads. Lubby is such a fat liar. Me: "I've never heard of you. From Lukha, ndiyaqala uyazi ba kukho umntu ongu Thabang in his life." Thabz: "was away for a couple of years." Me: "still. bengathe-" Luks: "eii uBaby yathand bangu detective kanjan. This is my house ke sani. You're welcome anytime. You've met the other me mos. So, at least uzoba grand?" Thabz: "yeah, for now. Ndisharp. Ndisayo bona igriza. Ndibuye later." Luks: "ok. Sharp." He left. Lubb: "usezaw'buya na? Gawd" Lubby yawned. Luks: "uhm..yeah...baby? About that.." Me: "No." Luks: "baby akanandawo yohlala though...come on please? Ndiyakucenga mntu wam. He won't bother anyone. Ungumntu othuleyo." Me: "hayi Lukhanyo we have babies in this house. Strangers can't just walk in and out as they please." Luks: "ndiyak'cela Lihle. Just until he finds his feet shame." Me: "angahlali no makhulu wakhe nje? Lo aya kuye." Luks: "she's at a home baby. Indlu yakokwabo burnt down, before he left...family yakhe yabhubha yonke. Kwashiyeka yena no makhulu qha. Cela ungam'judge because of the tattoos baby. He's hiding scars olahlobo. Please mntu wam." Me: "our babies Lukhanyo?" Luks: "I'm here 24/7. The nanny will be here all the time. Bazolala nathi futhi.. So akhonto." I didn't like this at all... I didn't like this guy. Thabang has been through shit but something endingayiviyo ngaye tu..... He's hiding something.

Chapter 546

I fixed the other room. Putting in new sheets. I lit the electric blanket to low, for it to be warm so long. Lukhanyo sat in the lounge with his son. Talking a lot of nonsense

to each other. Lubby was still working engahoyanga namntu. He sat Luhle on his lap while he designed. Talk about multi-tasking. Lubb: "bamba le uyeke apha." She farted. Lubby put down his pencil. Lubb: "for nton Luhle? Why?" Luhle: "baahh." He got up and went to change her nappy. Me: "iza ndim'lalise." He gave me the baby and went back to work. Luks: "baby!" Me: "yes?" Luks: "izolanda noLutha." I went to fetch the boy And took him to bed. What was I wearing tomorrow? Might as well take out my stuff. I took out black skinny jeans since the weather looks bad. Black polo and a brown scarf with my Timba boots and a brown blazer. I took a bath and went straight to bed. Lukhanyo barged in, Luks: "sthandwa sam.." Me: "hm?" Luks: "ulele mntu wam? I wanna show you something." He climbed on the bed. Kissing my cheek. Luks: "baby.." Me: "what's wrong?" He went inside the blankets, touching me. Me: "hayi Lukhanyo. You're drunk." Luks: "ngok uzondivimba ngenxayalonto?" Me: "ewe lukhanyo. Lala." Luks: "ndilale njan ndibatyiwe?" Me: "bona into kwenza ke." Luks: "baby. Mos you don't mind?" Me: "what don't I mind?" Luks: "Thabang? He'll be quiet manyan." Me: "Lukhanyo, there's BnB's. Why ungam'bathaleli pha?" Luks: "hayi man baby man." He got up. Leaving the blankets open. I pulled them back. Lutha woke up. Their cots were in our bedroom I'm not taking no chances sana. Lukhanyo took the boy and left with him. In the lounge. Luks: "bafo.." Lubb: "what?" He kept quiet. Lubb: "please state your issue lukhanyo I'm working." Luks: "hayi andithethi." Hours later. Thabang came back. Lukha went to the bedroom to lay down his son again. Luks: "iza ngapha fethu. This is where you'll sleep." Thabz: "enkosi mjita." Luks: "sow'tyile?" Thabz: "hayi ndigrand." Luks: "sow'tyile na?" Thabz: "no." Luks: "iza fondin utye kqala." Thabz: "ndizotyaka ksasa." Luks: "okay. Uhm. Ja." He left him there. Lubb: "uhamba nin lomntu apha." His pencil was behind his ear. He stood and stared at Lukhanyo. Luks: "khayeke 560 man.." Lubb: "no, don't do that. Don't 560 me. Ndiyabuza." Luks: "its only for a couple of days." Lubb: "I'm taking the babies to my house for those days ke." Luks: "abayi ndaw bantwana bam!" Lubb: "lukhanyo, uzobahoya njan abantwana unondwendwe. And Mna ndiye Kapa ngomso. Lihle zobase skolweni." Luks: "we have a nanny!" Lubb: "lukhanyo. Sylvia will take care of our kids just fine. Please!" Luks: "lihle akazoy'vuma lonto." Lubb: "ndizothetha naye." He packed his things away neatly. Lubb: "goodnight." Luks: "yandishiya?" Lubb: "yes, funeke ndiyobon la Prof I put in charge of Lihle's things whilst you were in crazy land. Worse ba ndandihamba nawe ke. Unqwakuza unjalo." Luks: "wawund'saphi?" Lubb: "ndandizok'shiya naban? Ungaphilanga unjalo. Ndak'bhinqa apha kum sahamba kunye ubuza labhuti uLihle." Luks: "cimb yahlekisa?" Lubb: "no but ndiyak'chazela." Luks: "I don't want to know." Lubb: "I'll keep reminding you though." Luks: "mxim. Ndisayo lala. Gimme. " He stumbled and held on to him. Lubb: "ingaske ubhetheke

nge mpumlo yazi." He held him to the bedroom. Me: "yinto ngoku?" Lubb: "special delivery." He opened the blanket. Luks: "yimaa mani!" He took off his shoes. Lubby took off his pants. Lubb: "ngena ke ulale." Lukhanyo crawled in and slept. Lubby checked on the babies and went to bed....

The next morning I was hella excited for school. I woke early, bathed and got dressed. Me: "baby!" Luks: "no." Me: "vuka kalok love." Luks: "hm." The nanny arrived. It was 06:45am. I went to the lounge. Thabang was already sitting on the couch neatly. Me: "awulambanga?" He nodded. *sigh*...I started on breakfast. Then dished up for everyone. Lubby came out dressed too. Lubb: "Lukha?" Me: "still asleep." He breathed and walked agitated to the bedroom. Lubb: "dude! Cela uvuke tu!" Luks: "no!" Lubb: "gawd Lukhanyo can you just stop being childish. Une meeting at 10am TODAY! Plus funeke siye NMMU for lihle!" Lukhanyo jumped up. Luks:"meeting!!! What fucking meeting!" Lubb: "ina! I took your phone by mistake last night." Lukhanyo checked it. He really did have a briefing at 10am. Luks: "ndiqhwatywa yibabalaza qha." Lubby walked out the room. Lubb: "lihle enza sambe man!" Well, he's in andrew mood today. Me: "I can find my way." Lubb: "iya ke kulomntu. Tell him who you are and give him this." It was a name of some guy plus a letter from the hospital. Me: "ndim'fumanephi mna?" Lubb: "you said you'll find your way mos?" He took his bag and left. Wow. Thabang sat quietly staring into space, shame the poor soul. I gave him his food. Thabz: "ndiyabulela sisi." Uvuke nini? Sevasile nje. Me: "uhm....ndicelu buza, do you have clothes to change?" He shook his head and dug into his food like he was starving. Lonto ndakhubeka. Bekuthen zangatsho ba ulambile or make himself food? Betyile phof izolo? Oh hayi mani uLukhanyo uyobane sono. I walked to the bedroom. Lukhanyo was showering. The nanny was holding Lutha who was not in the mood for her at all. He cried for me. I made the bed quickly and took him. He was still sleepy though. I just couldn't understand why ehleli. Me: "sis Thozi, ndicela umenzel papa yakhe lomzuzu." Thozi: "ewe sisi." She left the room. Lukhanyo walked out and starting getting dressed. Me: "sweety, your friend? Where's he's clothes?" Luks: "baby. I told you. Indlu yakowabo burnt to the ground." He whispered. Me: "oh so this is recent? Shame man..." Luks: "yeah, ndizom'phathela a few things to change. I didn't want him to be on his own because he needs some type of life around him." Me: "ungxamelephi love?" Luks: "meeting." Me: "what meeting?" Luks: "with Dumisa love, we have a briefing today at 10." I don't know. It felt like someone stabbed me. I didn't want him near her at all! Luks: "what now?" Me: "I don't like her." Luks: "baby, yazi andi understand why because akakwenzanga nto." Me: "kodwa you're a bit unfair yazi Lukhanyo." Luks: "unfair? I'm being unfair?! Nguwe umntu busenza izinto zobupatazane uphulana nee glass zabantu. Love, just try and relax." Me: "just tell me

something Lukhanyo." Luks: "what?" Me: "you've slept with her?.." His face changed. He was about to lie or defend himself. Me: "please. Ndicela ube honest Lukhanyo. I will not freak out. I swear." Luks: "yes. Lihle. We have had sex before..but that was years ago!" Me: "ok." Luks: "baby.." Me: "I said. Ok." Lutha was snoring lightly on my shoulder again. I went to the kitchen. Me: "sisi, uphinde walala ke." Thozi: "hayi bekukhumbula wethu. Msapha." Me: "nah. Ndizoyom'beka. Just put his food away." Lukhanyo wore clothes similar to mine too. Black jeans, black polo but a black scarf and his Timbz. Me: "a meeting you say?" Luks: "yeah, its nothing wow. Just a briefing qha." I put my son down. And let him sleep wit his sister. Luks: "love I promise you akhonto izokwenzeka." Me: "I trust you baby. You've never given me a reason to doubt you mos." Luks: "thanks love." He pulled me closer to him and hugged me. Luks: "good luck mntu wam." Me: "thanks my love." Luks: "I know you'll make me proud phof." He kissed my forehead. Luks: "uhambe kakhle ke zulu lam." I took my bag(which he had packed two days before) plus my laptop. I took the Audi keys and gave him the Mazerati's. Luks: "awuy'fun ngok?" Me: "izandijongisa babes. Where's my Benz." Luks: "uhhmm....baby, we'll go look for something more suitable. Sawa nayo lamoto." Me: "okay. See you later." Luks: "love you." Me: "love you too hun." I got in the car. And suddenly remembered.....man...who's gonn look after my kids? Thozi? Kubekho Thabang? I got out the car bumping into Lukhanyo. Luks: "ndizobasa kuSylvia baby. Relax." I smiled and drove to school. I finally arrived and followed the directions Lubby gave me. Ndalahleka ndathi saa. At about 8 I found the person I was looking for and gave him my letter. He was actually a doctor too. Doc: "oh, so you're Mrs Mzinyathi, my goodness, I heard from your..uhm, husband's brother that you were in a coma. I'm glad to see you here." Me: "thank you sir." He led the way to my first class. Doc: "they're all busy right now, but I've found someone to partner you with. So that you get up to speed with everything okay?" Me: "okay." I attended the class. For once I was actually happy and excited. Until the end of class when he called me to the front. The other learners left. Doc: "this is Damian Scott. Damian, this is Lihle Mzinyathi." Damian: "so?" Doc: "well, the favor you owe me? Here she is. I need you to help her get on track. She's been in hospital and needs someone as clever as you. I've already briefed you and here's the rest." He gave him a stack of papers. Doc: "enjoy." He walked out. Wait...what? Damian: "you have got to be fucking kidding me. Honestly?" Me: "wha-" Damian: "I'm not talking to you." He took his bag. Damian: "just great! People go on holidays for months on end now we must suffer." Me: "holiday? Dude, I was in hospital. In a bloody coma!!" Damian: "you don't look like you been in a coma to me. Matter of fact, it seems as though you were on honeymoon. I don't got time for this. I've got class in 10 minutes." Me: "what about

me?" He just stared at me and walked off. I walked behind him. As much as endidikile, I had to follow him around. Damian: "keep up?" Me: "you're walking like Moses, how the hell you expect me to keep up!!" Damian: "got jokes huh?" He grabbed my arm and walked even faster. We got to class, I was out of breath. Damian: "you better get used to something girl. This isn't Paris." He sat down. I sat down. Can this week just end already. The lecturer wasn't present. Damian: "let's start with this so long." A girl came toward me. She: "hey!!" Me: "hi." She: "uhm Tash..remember me?" Me: "oh yes! Hello dear." Tash: "hawu, awusangati?" Me: "uhm....-" Damian: "we're kinda busy so can you please have this reunion after school." Me: "can you just shut up? Damn." For the first time he stared at me in surprise. Me: "I haven't heard a simple hello or even how are you ever since you met me all you do is throw insults. If you don't wanna help, just say so, and I'll ask someone else. Okay?" He closed his mouth and nodded. Tash: "so how you been?" Me: "babe, I've been better hey. But we'll talk after I'm back on track. We'll catch up." Tash: "see you later." She left. Me: "now where were we?" He paged through a book and showed me. Explaining a few formula's. Damian: "after this class, I'm starting on our group assignment. You're part of me and Simon. Then we've got extra classes at 4pm till late. If you want to catch up, it would be in your best interests to attend." Me: "I will do so." He was still annoyed and looked pissed off. Mxim. Uwoaah. 😞 -_- drama king enkulu lena. Ade aqumbe ngathi ndizom'cheba ez'nwele zakhe. He had black hair cut neatly, big blue eyes. And a frown. Hleli nje ujije umlomo. lonto andiy'boni nalento ay'bhalayo. He was supposed to be a doctor. Yinton lento bhalwe apha? Damian: "are you even listening!!" Me: "yes!" But andiy'boni lento uy'bhalayo though. It looks like the egyptian hieroglyphics. That G looks like a bird. I giggled. He banged on the desk in irritation. Me: "I'm sorry." Definitely not sorry. Khamé ndifunde.....

Sizwe went to see Sine's mother after about 12. She had gone to the clinic. Sine was home. Sizwe knocked. Sinethemba went to open. He looked awfully sick and in pain. Sizwe: "and then? What's wrong with you?" Sine: "just a tummy bug Ta seez. Nothing much." He walked to the lounge painfully. Sizwe: "hayi man Sine, it look like something stuck up in your ass." Sine: "oko ndihambisa ta." Sizwe: "uphi umamakho?" Sine: "she went to get me amayeza." Sizwe: "butye ntoni?" Sine got up and ran to the bathroom. He closed the door and pulled down his pants. One hand held on the top of the toilet, he urinated. Cringing in pain. Sine: "ffuuucckkk!!!" He whispered. White liquid was smudged on the tip of his penis. He had rash. Sizwe knocked. Sizwe: "son, are you okay?" Sine took a tissue and wiped the white liquid off. Sizwe: "sinethemba, please talk to me? Come on." Sine: "its..... Ndigrand Ta Seez." Sizwe: "you don't have to lie to me son. I won't judge." Sine: "you promise?" Sizwe: "I promise." Sine:

"awuzomxelela umama?" Sizwe: "I swear." Sine opened the door. Sizwe: "what's the prob-.....SINETHEMBA!" Sine: "I don't know what happened." Sizwe: "what the hell does that mean!! Okay..jonga..uhm.....shit." He ran a bath. Sizwe: "vasa. Get dressed siye kwa gqirha." Sine: "No!" Sizwe: "Yes!! Ngena k'la bath kwedin!" Sine obeyed. Sizwe went out. Sinethemba bathed and went to get dressed. He was embarrassed and ashamed of himself. Sizwe: "Sinethemba." Sine: "Ta seez." Sizwe: "what happened? Are you sleeping around?" Sine: "hayi bhuti. I only have one girlfriend." Sizwe: "and you slept with someone else?" Sinethemba kept quiet. Sizwe: "sine, you are risking ngalento uyenzayo! You must always use protection. Umdala, I shouldn't even be lecturing you about this because you're a mature guy and I don't understand yenzeka njani lento. Either way ke, we have to fix it Now. Ingeka bi worse. Iza masambe." Sine: "ndicelu xolo bhuti." Sizwe hugged him. Sizwe: "akho need yocela uxolo nyana. Just do not play with fire, don't risk your life. Zinintsi izifo phandle apha." Sine: "I know...I jus-" Sizwe: "shhh...ayikhali ndoda fondin. Come on. Man up. Masambe. We'll fix this." He locked the house and got in the car. Sine: "siyaphi?" Sizwe: "somewhere your mother won't see us, but ke when all of this is fixed its important to be honest." Sine: "hayi ta Seez. Yamaz umama unjan." Sizwe: "ewe, I do...when you need help suthula usufferishe. I'm here, Lubby and Lukha too. You don't have to be alone. Just minus Lubby, he'll make this a joke first. Une chaphaza lamfana." Sine chuckled. They got to the doctor and waited in line. Sinethemba was too nervous. He knew for a fact he'd only slept with one girl for over 6 months. Nobody else. He trusted his girlfriend with his life. She would never do such. So maybe its just a germ infection. Nothing to be alarmed about. They got in when it was their turn. The doctor tested his urine. Sizwe: "how long will it take..." Doctor:"few minutes. Then we'll take blood tests, if needed." Sizwe: "Sine, uyafuna kwenza blood test?" He nodded. Sizwe: "are you sure?" Sine: "ewe bhuti." Sizwe: "when last did you test?" Sine: "two months ago." Sizwe: "okay. I'll wait outside." The doctor drew some blood. Sine was still nervous. Doctor: "well, it seems as though, you have contracted a sexually transmitted disease. Do you use protection?" Sine: "no." Doctor: "that is often a bad decision, you see now the problem with multiple partners is that you're not aware of their status, which might actually change your life without you realizing. I suggest you start using condoms. Whether a girl is on contraceptives or not. Use a condom. Each and every time. Properly. I'll give you treatment to get rid of this. And again, I say, use a condom. Tell your current partner and bring her with to come test and get treatment as well so that you do not re-infect each other. Okay?" Sine: "okay." Doctor: "good. Here." He gave him a paper. Sine walked out to fetch the medication. Sizwe: "uright?" Sine: "enkosi bhuti. I'm okay." Sizwe: "okay..iza

masambe..." Sizwe had already settled the bill. They took the medication and went back home....

He took out clean track suit pants. Sine: "ina baby. Nxiba please.." She wore the pants over her shorts. And the black sweater he had on. Anelisa: "soo...what's so important?" Sine: "okay." They walked out. He tried to hold her hand. She just folded her arms instead. He didn't give up. Putting his arm around her waist. They walked silently together for a distance. Sine: "ubhala nton baby?" Anelisa: "I'm not writing qha, I've neglected my books for so long." Just before they reached her house. A car stopped in front of them. A black GTi. Anelisa stood still. He kissed her cheek. Sine: "thanks for being unde-" Anelisa: "soncokola later baby...okay?" She ran inside her mom's house.

Sine walked back to his house. When he crossed the road, a car sped in his direction. He jumped out the way. The same GTi screeched to a halt. The driver's door flew open. "Kwedin!" Sine looked at him. He looked vaguely familiar. Lucky: "HEY! Ndiyathetha kaka! Uyinton echerrin YAM!!" Sine: "what?" He slapped him grabbing his chest. Lucky: "uyinton kwi cherri yam!" Sine: "hayi groti, mna bendihamba neyam icherri." Lucky: "kwedin, suka ku Anelisa! If you know what fuckin good for wena! Ndiyokukhama unye mna!" He pushed him to the floor. Then got in his car, driving off. Sine: "what?".....

I got home just before 9. My battery had died. Damian was such a pain. I could hardly do anything other than sit on my ass and work. Right now I wanted a long bath. I walked in the house. Thabang was sitting in the exact same place I left him that morning. I swear. Me: "molweni." Luks: "hello." Thabang: "molo sisi." I went to the bedroom. Me: "lukhanyo where are my babies?" Luks: "baku Sylvia baby." Me: "uphi uLubby?" Luks: "uye Kapa yena noBuhle." Me: "oh." Akakhange atsho noba yahamba or why he was mad that morning. Thabang stood up and went to the kitchen. I went to bath and wore pajamas. Luks: "babes?" He walked into the bedroom. Luks: "Thabang made dinner." He gave me a tray. Me: "thank you. This looks.....cute." Luks: "its lasagna." Me: "oh?" I ate. It tasted okay. It was nice. Luks: "soo...bekunjani ke?" Me: "it was great baby. Totally fantastic. Yuuh qha kukho lento indidikayo ingu Damian. Tsho ngamehlo ablue apha." Luks: "ukwenzen ngok." Me: "he's rude and annoying. Ingase ndim'fake nqindi." Luks: "hayi ungade." Me: "when are the babies coming back?" Luks: "I thought Lubby spoke to you?" Me: "he didn't." I went to the kitchen. Thabang was washing the dishes. Me: "the food was lovely. Enkosi." Thabz: "my pleasure sisi." I went to relax and called Sylvia. Lukha's phone rang. Luks: "hello?" Sine: "bhuti!" Luks: "hey Sine, yinton ngxaki." He got up. Sine: "I just..." Luks: "uphi?" Sine: "eZwide." Luks: "ndiyeza ngoku." He got up. Luks: "masiye Thabz." Me: "what's wrong now?" Luks: "siyobon uSine." Me: "okay, ndiyalala mna. I'm dead tired.." He went to wear a beanie. I got into bed. Me: "binjan meeting yakho?" Luks: "what meeting?" Me: "leka Dumisa Lukhanyo." Luks: "OHHH! Mxim. It was fine wethu." I was too tired ke bonanje but I knew he was lying. He kneeled beside the bed and kissed my head. Luks: "ndiyak'thanda uyeva?" Me: "me too.." Luks: "I won't be long honey, ungafi." Me: "okay." He kissed my head. I kissed his chin. He kissed my nose. I kissed his lips. Luks: "yaz'bona ke..." Me: "I don't want you to go...I missed you all day..." I sulked. He took off his shoes and lay next to me. His arms around me. I listened to his voice, singing a tuneless melody. The tip of his fingers drawing on my arms and shoulders. It felt so nice. Luks: "good night Mrs Luks." Me: "hm..." I couldn't even reply. I was too sleepy. Finally when his wife fell asleep. Lukhanyo got up and

walked out with his shoes in his arms. Luks: "now we can go." They got in the car. Lukhanyo drove. Thabz: "never thought you of all people would get married." Luks: "bantu bayatshintsha." Thabz: "yeah, she changed you kakhulu." Luks: "my babies changed me. Lihle is...she's half of me. Not just icherri nje.." Thabz: "yilento ndiy'tshoyo. You're different. Family man. Its nice." Luks: "it is..." Thabz: "nadibana phi? Njani?" Luks: "its a long story..for another day awti." Thabz: "awuse inlove." He stopped at the robots. Luks: "hahahaa, hayi tsek Thabang. Of course I'm in love. This my wife." Thabz: "and Dumisa yena?" Lukhanyo drove again quietly. Thabz: "oh....ok." Luks: "its not what it looks like." Thabz: "le yoba ufike just before your wife and act like kudala ukhona? Or spending the day with an ex? Don't worry I don't judge." Luks: "Thabang, it was nothing but Work! Akhonto enye, I would Never do anything to hurt my wife." Thabz: "I'm quiet." Luks: "did you fit the stuff I bought? Zigrand?" Thabz: "you didn't have to Lukhanyo. I'm not-" Luks: "hay fondin! I want to help. And I will. You're my homie from day one." They got to Sine. Luks: "who did this!" Sine: "I don't know" Luks: "njan ba you don't know man Sinethemba!! Did you get mugged?" Sine: "no he didn't take anything he just...." Luks: "just what!" Thabz: "kham'phe chance to explain?" Luks: "wena you're always too fucking calm! Sinethemba thetha!" Sine: "he said mandisuke kwi cherri yakhe. But mna bendihamba nechherri yam." Thabz: "uthin yena le cherrie?" Sine: "ndimkhaphe wagoduka." He explained what had happened. Thabz: "le cherri iyayazi le awti." Sine: "no she doesn't!" Thabz: "I'm not asking you, ndiyak'chazela. Oko ezifihla kuwe when the car came, wabaleka when it left... ." Luks: "can you recognize this guy?" Sine: "yes." Luks: "Nobody, messes with my family. Kuzow'nyiwa, masamben." They got in the car and drove away.

Lubby and Buhle were in Cape Town. The baby enjoyed her daddy's presence. He sat her on his chest. Taking pictures. Lubb: "give daddy a kiss. Iza." He kissed her tiny foot. Lubb: "can't wait for the day you say I love you daddy." She smiled at him. Lubb: "oh you a bit shy huh? Morrison's aren't shy baby. Get that out your system." His bedroom phone rang. Lubb: "yes?" Caller: "Miss Estella is here sir." Lubb: "Finally. Send her up. With Bubu's blankey ne? I left it by the....third lounge I think." Caller: "yes sir." He hung up, getting up to open the door. Buhle sat on the bed, pouting her lips. Lubb: "sthandwa sentliziyo ka tatakhe.." He pulled a funny face. She giggled and fell on to one side. Lubb: "ungawi baby." Estella knocked and walked in. Estella: "my goodness! And the giggles?" Lubb: "hey babe..." He hugged her. She kissed his cheek. Estella: "missed you. Where have you been." Lubb: "haha, babe you funny yazi. Love your outfit." She was wearing grey high waist tights and a white corset. Estella: "I just got out the gym. Showered and wore the stupidest thing I could find." Lubb: "stupid

looks.....nice." She knelt on the bed holding the baby. He stood behind and stared at her firm ass and tiny waist. Lubb: "oh gawd..." He whispered. Estella: "what's that buddy?" His heart broke into a billion pieces. Buddy? What the fuck! Lubb: "Estella....can we talk?" Estella: "can you pass me her diaper bag? She needs to be changed." He gave it to her. Estella changed the nappy. Lubb: "uhm..I was thinking...if we could.....uhm...." Estella: "about tomorrow? I hope you're ready. The meetings are quite early. Do you have someone to look after Bubu?" Lubb: "yes. Sharmane, our help." Estella: "her bottle?" Lubb: "she prefers your breast hun." Estella: "she's supposed to be asleep. Its quite late." They lay on the bed. The baby on Estella's chest. She fell asleep in a short while. Lubb: "can you please stay the night...." Estella: "you are insatiable Mr Morrison." Lubb: "you aint seen nothing yet." He bit his lips. She smiled. Taking the baby to her cot. Lubby and Estella lay on the bed talking. He was falling asleep. Lubb: "been running around all day. With a baby." Estella: " then sleep. I'll be in the guest room." Lubb: "no bu-" Estella: "goodnight." She got up and wheeled the cot out to the spare. Lubby lay in his empty room. Estella came to fetch the blanket. He was fighting an intense hunger. It was long a longing. To be with someone. He shook the thought out his head. "I'm better off alone." He thought. His dick did not think so at all. It was standing embarrassingly. Lubby turned around and tried his best to sleep. Thinking of his past. All the good women he'd played. Maybe this was Karma coming to tease him of something he can't have. Something he can't buy. But this something was what he needed..

the light. Sino was sitting on the bed waiting. Khanya: "unguban ke wena?" Sino: "ambondibizela ndodam wethu ungandibuzi kaka mna."

Busi was helping her mother eat. Lonwabo washed the dishes. Tia was watching cartoons in the lounge. Busi came to the kitchen with the empty plate. Busi: "sorry baby..." Losta: "ngantoni sthandwa sam?" Busi: "I know you planned a weekend away for us and asikwazanga because....my mom is sick." Losta: "love. Your family is MY family. Lonwabo tidied up and bathed Tia. Dressing her in a white and black spotted body suit. Busi bathed the baby. Dressed him and put him to sleep. He wasn't budging. Busi: "unje ke uKhanyiso!" Losta: "yinton ngok?" The baby started crying and screaming. Busi: "I don't know uske athin. He always cries for no reason." Losta: "khasapha, uze ne botile yakhe." He took the boy. Busi went to fetch the bottle. Losta: "shhh kalok boy." He gave him the bottle. Khanyiso calmed down. He was sleepy. Laying in Lonwabo's arm, his little hand grasped his shirt. Busi: "ncaaaw...that is so cute. How did you get him to quiet down?" Losta: "I have the most dramatic daughter. You get to learn it quick noba awufuni." Just then Tia entered the room, looking like a little lamb. Tia: "tata ka Tia!" She stressed. Losta: "ewe kalok boo." Tia: "asuse baba. Tata maniii!" Losta: "baba uyalala kalok love. Nawe uzolala?" Tia: "suke tata!" Losta: "Tia! Hayi." She sulked and kept quiet. Khanyiso fell asleep. Busi took him to bed. Losta: "iza ke Tia ka tatakhe." Tia: "afuni." Losta: "Tia. Get up and come here." She walked to him. He cradled her in his arms. Losta: "baby, funeke uyazi kalok tata ka tia always ne?" She nodded. Losta: "kodwa kuzobakho ubaba. Ibengu tata ka tia nobaba ne?" She shook her head. Losta: "Tia, you have got to get used to other children mntanam. You're having a little brother and sister. Wena uzomncancisa bottle yakhe ne? But always ubengu number 1 ka tata. She smudged his cheek. Losta: "izo lala ke." He read her a story till she fell asleep. Lonwabo went to Busi in the lounge. They cuddled. Busi: "you're so good with kids." Losta: "ewe baby...I know. Andiyaz why you still doubting me." Busi: "I'm not. I'm just shocked. Because babies are harder to deal with worse ke yena uKhanyiso." Hearing someone struggle to breath. Lonwabo jumped up and ran to the bedroom. Busi's mother was having a seizure. Busi called an ambulance. Lonwabo fetched his kit. Losta: "baby, biza tata wase next door azondincedisa sim'ngenise motwen. Asolinda ambulance izofika ngomso." She ran next door and came back with Mr and Mrs Radebe. They waited till the seizure was down. Lonwabo felt her pulse rate. The worry was written on his face but he kept calm and tried his best. Losta: "okay, iza tata." They carried her to the car. Losta: "Busi, hlala apha. Jonge abantwana. Call Khanya abuye. I'll contact you." He drove to hospital as fast as he could...

In Motherwell, Noma and Jongizembe were sitting in the lounge. Namhla was with Mpumezo in the bedroom. He helped her study for the test she was writing the next day. He asked her questions and she answered. Mpumezo: "hayi sho gqwa mntase uzopasa. Benyansile mos Lihle une ngqondo." Namhla: "hayi wethu bhuti." Mpumezo: "serious girl. Khame ndiyo tshaya ndiyabuya." He left the room. Jeff arrived and knocked on the door. Thenjiwe went to open. Thenji: "hey." She hugged him. Jeff pushed her arms off him. Thenji: "Jeff...ndic-" Jeff: "no Thenjiwe. Awuliceli kum uxolo. I am just disappointed that you don't even try making an effort. Ngoku I'm becoming more skeptical of this relationship." Thenji: "uthe ndingak'fowneli nje." Jeff: "I'm not talking about me. Bukhe wayozama ucela uxolo ku Thulani in hospital? See how he's doing?" Thenji: "uhm...." Jeff: "yeah...I thought as much. Yazi, even though ndi hurt it would have meant something kum. At least bendizozama uxola nam. I don't know this New Thenjiwe. And I sure as hell don't love her. Kuthen uske watshintsha all of a sudden? Awundifuni?" Thenji: "haibo! Jeffrey ndiyakufuna. How can you even think that?" Jeff: "your actions lately. I don't want to be alone. But I am not forced to be unhappy. Sundenza umntu ombi Thenjiwe because I am not. What you did was fucked up. I don't know if I can trust you any more. Especially when it comes to my only son." Thenji: "kodwa Jeffrey!" Jeff: "don't do that. Don't start with tears. Awundibon ndikhala mna. I'm not dropping the charges against you, its not my decision anymore. Ngeyaka Lukhanyo and Lubabalo aba ubathukileyo." Thenji: "Jeff, we are in a relationship. How can you do this?" Jeff: "yes, exactly like how you let

them beat my child and kept quiet. I don't want to argue nawe anymore. Bendizok'chazela leyo qha." Thenji: "so mna nawe? Its over?" Jeff: "you said it. Not me. Enkosi." He turned and walked away. Thenji: "hayii!! Jeffrey wait!" She walked to him. Jeff: "yinton ngok?" Thenji: "I was asking!" A neighbor was standing at her window peeping at them. Jeff: "ubundilahla." Thenji: "ndiyak'thanda Jeffrey. Please forgive me. Ndiyakucela." He looked at her for a very long time. His heart ached. He wanted to hold her closely, but still wanted to be angry. It was so confusing. He hated it. Thenji: "baby. Ndiyakthanda." His moment of weakness was about to drop any second. He felt he couldn't breath anymore. He just pulled her into his arms and hugged her tightly. He held her for so long, his heart was still hanging on a thread but it felt lighter. He pulled away. Feeling stronger and got in his car. He drove away. Thenjiwe went back to the house. A while later a car parked out front again. They heard a woman yell and shout. Then a knock. Jongi: "Ngena!!" The door swung open. Pumeza walked in with her 8 inch heels. Shorts and a matching top. Pumeza: "HI FAMILY!!!!" Jongi: "mntanam! Hello!!" He hugged her. Noma: "molo Pumeza, zinton ento uz'nxibileyo yangathi ungu popayi?" Looking like a bear." Jongi: "hayin man! Khaniyeken ukulwa!!" Pumeza: "daddy, I missed you so much!" Jongi: "me too sweetie." He smiled. Jongi: "uphi uBill?" Pumeza: "he's in Cape Town, for business. Uthi ndithi kuwe Hello. And he got you this." She took out an expensive bottle of whiskey. Pumeza: "yeah, only Billionaires drink this, abanye abafana noMpumezo, might choke and die. Remind me to pour some in his porridge. Carlo!! Bring my bags and put them in my room!" Thenji: "what room? Hayin bethuna to be realistic kodwa. This is a 3 bedroomed house. 6 people is too much." Pumeza: "ndithini ke mna? Sleep on the roof?" Mpumezo: "ambofa." She gave him a nasty look. Jongi: "simple, makayohlala noLihle." Pumeza: "YAY! I missed my cuzzy wuzzy!! Mpumezo: "izaa man!" He held her hand and they tip toed out the house. He let down the hand brake. The car slowly slid out the drive way since it sloped a little. Mpumezo turned it around and started it. He drove away. Namhla: "so? Siyaphi?" Mpumezo: "where you do you think?" Namhla: "andiyazi..." Mpumezo: "ndiyocela uxolo ku Thula." ...

Blocking the screams from this girl. Khona uqale nini ukwenza lewey uMandla? She thought. Why is he lasting this long? Waske washushu qithi all of a sudden? The way Khanya was groaning his name. She wore a tight short dress. It had nice prints on it. With a black stiletto. She tied up her Peruvian weave. And put on a lot of make up and red lipstick. She took her Louis Vuitton bag and walked out. Mpumezo: "oh Yesu. Bafa abantu." Pumeza: "yathetha?" Mpumeza: "ingathi uyinkomo ebijelwe nge lace curtains." Pumeza: "mxim!" She strutted herself out the door. Pumeza: "Carlo!! Type this on the GPS I'm going out for breakfast then we shopping for new pillows and linen. Then you're taking me to a spa, and then the salon to wash my hair. Did you get that?" Carlo: "yes mam." He drove her to the restaurant. Then the shopping, then spa and salon. He was tired but had to work. Later that day, she called Lihle. I was definitely in no mood. Damian was being an ass all over again. Me: "hey mjita! Khaval umlomo man. I heard you say it once. You don't need to repeat it." Damian: "you better snap off your attitude miss." Me: "attitude? You're the one that's acting like you swallowed a sour worm." Damian: "excuse me? I'm the one helping you, you're supposed to pay attention! But you're always on your damn phone." "Guys PLEASE stop arguing!!" His

friend came to sit with us. Jack. Damian: "what you doing here?" Jack: "I could hear you from down the passage. Bro, please just calm down. Help her, I helped you right? Then why are you being so selfish?" I got up and went out. Damian: "she's using up my time Jack, the time I'm supposed to be spending with Chrissette Michaels." Jack: "Chrissette Michaels is not even into you. She's playing you dude. The least you could do is focus on your studies." Damian: "please leave. Just go." Jack: "all I'm asking is, stop acting like an ass to Lishle. She just came out a coma bro. Come on. You're a nice guy.." Damian: "fine then." I was talking on the phone. Me: "ndithetha nabani?" Pumeza: "ndim uPumeza girl!! Awusandikhumbuli?" Me: "ohh! Hey love. Unjan?" Pumeza: "I'm just great. Can we meet I'm in town." Me: "uhm. Right now I'm at school quite busy." Jack came out. Jack: "bye angel." Me: "bye Jack." I sat down again. Damian: "maybe...if we give it a rest for the day." Me: "Huh?" Damian: "you've been working real hard since quarter to 8 this morning without a break. You can go home." Me: "you sure?" Damian: "yes..plus I need to get my girl something to make it up to her.." Me: "uhm, thanks Damian." Why was he being sooo nice? Oh well. I took my things. Me: "bye." Damian: "go well." I literally ran out to my car like a little penguin. Ndixhakazela zezo bags and laptops and everything. Driving straight to Lubby's house to see my babies. I spent time with them I even forget to call Pumeza. My phone buzzed a message and I replied with my home address. I got ready to leave. Sylvia took my Lutha for his bath. I took Luhle. They bathed and I left soon after. At home I realized that the windows were shining. The yard was spotless. I walked in. The tiles were squeaky clean especially my kitchen good God it seemed as though there had been a make over. The couches were rearranged, the entire lounge looked new. Table shining brightly. Four pots sat on the stove. Something smelt amazing. Thabang sat neatly on the floor. Oohh man. 🙄 :(ndaske ndakhubeka. Kuthen na ezihlupha kangaka lobhuti. Me: "hi Thabang." Thaz: "molo sisi." Me: "nguwe ocleanileyo?" Thabz: "ewe sisi." Me: "you honestly didn't have to though. Thabz: "oh, he went to work." He turned and walked away. A car pulled in front of the house. And I heard foot steps. I went out to look. "Mntasekhaya!!" Me: "hello Pumeza.." She: "awuse...dull nje. Luks: "who's your friend." Her mouth was hanging open. She: "ndingu Pumeza." Luks: "oh." He kissed my ear and whispered through gritted teeth. Luks: "I don't like her." Then walked to the bedroom to change.

Chapter 550

We sat in the lounge. I first went to change. Both My track suits was in the washing plus Lukhanyo's grey baggy pants. I looked for something else. He wore his shorts. I took out another track suit by Nike. Luks: "I wonder xa sendinxiba eza high waist zakho uzothini." Me: "heee ubaby. Khayeke wethu." Luks: "khandithethe....because I love how that ass just moves k'lo track suit. My God. Intle le view." I bent down to pick up my clothes. Luks: "hmm.....khazapha love." Me: "hayi man Lukhanyo." Pumeza: "yuuh peto, Bill is working on some stupid new deal always ebusy ngoku we hardly travel. Just last month we were in China. Had the absolute time of my lives!" She went on and on and on. Honest truth? I was tired. I had a long day I wanted to bath and sleep. Thabang got up and went to the kitchen. He's so weird shame. He dished up supper and brought me a tray with a glass of juice. Then Pumeza. Then Lukhanyo in the bedroom. He took his plate and sat on floor then ate. We ate our food. I wanted to know kuthen ehleli phantsi. Me: "bhuti? Why uhleli phantsi?" Thabz: "andifun dakisa couch." My heart just dived into an ocean of knives. Yhini na nkosi yam! Me: "awuzidakisi njena. You can sit on them. Its okay." He poured himself milk and warmed it. Pumeza stared at his body. I packed the dishes neatly away. Someone opened the front door. It was Lubby. He was holding Buhle in one arm. A bag in the other. Lubb: "molwen." I took the baby. Me: "hey!" Pumeza: "there's another one?" Lubb: "another what?" Lord Jesus his cologne! 🤔:o lubb: "bafo!!" Luks: "uyawa buyile!" LuBb: "you missed me!" He hugged him. Lukhanyo tried pulling away. Luks: "no!! I thought ubuya Friday." Lubb: "I cut that motherfuckin trip short nigga! Shit! Hayi no ndiyafa straight no dash. Hheee ndoda?" Luks: "xabek'then ngok?" Everything is nipped and tucked. We're ready to start in a month. How was your meeting?" Luks: "I was just going over financial statements is'kakhulu met the employees and everything then today was my first day at office. I looked like lamajita akwi GQ magazine. You know?" Lubb: "mxim. Luks: "we can have it with him here though. Namanye amajita." Lubb: "the whole point of 560 is two people only." Pumeza: "or we could have a party!!" She yelled. The look on Lubby's face yangath yaqala umbona. Lubb: "are you gonna let me fuck?" Wanyaba usis wakho. Lubb: "weeehh kodwa ukhala ngee party! Uwoah. I'm buying you a pram. Ndikugoduse! Me: "bye love!" Pumeza: "bye!" In a low tone. Heee yinnton ngok?? Worse bedlala ke Lubby. Or was he not? 😞:/ I took the baby to my room and sat with her. Lubb: "where's my kids?" Me: "baku Sylvia." Lubb: "oh good.." He walked back out. Me: "Lubby! Haibo njan na?" Lubb: "I can't be around women tshomi I hope you understand. Ngxaki le ndinayo ngoku is becoming mentally disturbing. Andikwaz hlala near ladies. Ndiyophoxakala. Xolo my friend. Ndiyakhumbula kodwa. Bye!" He ran out. I fed the baby and bathed her. We went to my bed and slept. I missed my own candies though. Soo much. I fell right asleep ndisaba cinga ndinjalo. Lukhanyo came in and took Buhle to her bed. He entered next to me and stuck his body onto mine. Luks: "everybody is sleeping.." Me: "great because nam ndiyozela." Luks: "please baby? Just one?" Me: "you've always got sex on

The phone kept beeping loudly. Uyenza ngamas'bom bonanje. Until it rang. Luks: "hey babe." He whispered. Caller: "phuma." Luks: "ustout ke wena, I'm not about to do that... Caller: "hehe...ewe tshi...for old times' sake...iza." He hung up. Tiptoeing around the room. He took his pants and a sweater with shoes. And sneaked out the room. Was he about to cheat on me? I wanted to cry honestly but aint nobody got time for that. I wore my gown and slippers. Walked out the bedroom. The front door just locked. I opened it and walked out to find Lukhanyo standing with his twin. Lubb: "lukha, but you always drive! Let me drive for tonight tu?" Thabz: "can we just go?" Luks: "fine! Ina ke Lubby. The next day. Lonwabo had made sure Busi's mother was stabilized and fine. He stayed the whole night and morning. Busi was at home the time Khanya came back. Busi: "kunin ndik'fownela Khanya!" She packed his emergency bag and wore warmer clothes. Busi dressed too. They got in Lonwabo's Merc which Lubby had given him. Lonwabo had left with his Range Rover Evoque. Khanya: "uphi lamntana umncinci?" Busi: "gama lakhe ngu TIA use creche." They drove to the hospital to go visit their mother. Lonwabo was still there. Checking on his other patients. He stood with a nurse talking about the progress of his patients. She giggled and moved closer to him. Nurse: "yuuh wena Dr Dabi. Lonto yakukhumbuleka man." Losta: "hayi nyan? Soso got ready to go to Siphe's school. He took his work clothes and equipment as props then drove to Zoleka's house. She was dressed already. Zoleka: "morning." Soso: "hey. Taken a father away from umntanakhe!!" Zoleka: "I'm sorry! Okay? Bendingafun lonto. I didn't want to ruin or change your life. I just wanted to do this by myself!" Soso got out his car angry. She climbed out. He locked and walked in the school premises with his things. Zoleka: "soso!" He ignored her. Siphe came running to them. Siphe: "mama!!" She yelled. Zoleka: "hey sweetheart. So, are you nervous?" She picked her up. Siphe: "no! Sukhala mama." Zoleka: "I'm just proud of you mntanam." Soso: "nangok usam'xokisela umntanam Zoleka?" He pulled him to the class. Wearing his white coat. And stethoscope. She did her little presentation. The class clapped. Soso: "can I take her?" Zoleka: "take her where?" Soso: "maybe kwa McDonald's or wherever she likes." Zoleka: "she has school." Soso: "I'll wait." Zoleka: "soso, can we please do this some other time? During the weekend? I promise you'll have her the whole day. I just need to prepare her." Soso: "you just want to hide her." Zoleka: "don't be like that. You know its not true." Soso: "isn't it? So what exactly happened the past 6 years?" Zoleka: "saturday." Soso went to Siphe. Soso: "angel, you okay?" Siphe: "yep!" Soso: "okay, ndizohamba kengok. I'll see you on Saturday. Ndik'phathele ntoni?" Siphe: "I want a big fat teddy. And this." He took off the stethoscope and hung it around her neck. Soso: "its yours. Khandiphe hug ke ndihambe." She hugged him. Soso left and went to his mom's house as soon as he entered. Soso: "mama! I need to tell you something. Promise not to freak out." She wiped her hands. Vuyisile came running to him, bumping her out the way. Dad: "I'm going to be a grand daddy! She pregnant isn't she?!! Oooooooooohhhhhh that's MY boy!!!" Soso: "dad n-". Vuyisile screamed in joy. Dad: "shit! I been wanting to do that all day!" Soso: "dad, calm down?" Dad: "hell naahhh... " Ma: "Vuyisile!!! Uvelaphi? You've been gone for a day and a half!" Dad: "I'm here now." He let Buhle play with Luthandoluhle. Then went to change. He wore just fitted jeans and black Air max sneakers. He wore a white basketball vest and a gold chain. Lubb: "just move to the rhythm let it take over.....move your body! Shake it!" He sang and danced. Taking a box of condoms and his keys. He puffed his cologne. Lubb: "move yo booddy!!!" He got in his Audi and drove to the address he was sent. He parked in front of the house next to a cute red polo. He went to the door just as he lifted his hand to knock the door swung opened. He got a fright. Lubb: "hayi!" Thoko: "hello!" Lubb: "hi." Thoko: "ungangena." She was breathing heavily. He was a bit afraid of what she might do the minute he entered. He stepped into the house. Thoko: "undinxibela kamandi yaz." She smiled. Lubb: "oh well... Andikho fancy nje." Thoko:

"still." She stared at him with the sweetest smile. He was a bit uncomfortable. Lubb: "can I sit?" Thoko: "oh yes!! Sure. Hlala phantsi!" She dusted the chair and he sat down. She lay a napkin on his lap and dished out the food. He felt like he was trapped. Lubb: "soo...work?" Thoko: "everything Is going great." Lubby looked around. Lubb: "nice place you have." Lubb: "some people see beauty in other things rather than appearance. Just that amanye amajita asile and awana respect because personally I feel women are a God's gift to the world." Thoko: "you're so sweet yazi." Lubb: "I'm not what you're looking for though. Please don't take it the wrong way." Thoko: "I know I just....do you think I could improve my body?" Lubb: "just be yourself. Don't change yourself to get the attention of a man. Cause men won't even notice." Thoko: "would you notice." Lubb: "ufuna ndi notice nton dan wena?" She took her dish to the sink. Her bulky body following behind her. Lubby looked to the ceiling. Why was he even here. He thought. Lord please connect me to my half. Kuthen yena dan akandikhumbul? She hadn't been kissed in such a long time, it made her warm and tingly inside. She clung onto him. Until he pulled away. Lubb: "you don't need this from me. I don't care mna. Thabang went to Lukha's office using the directions he was sent. He stood by the door and waited. Luks: "ngena fondin. I'm not done." Thabang sat down. Lukhanyo walked out to go photocopy a few things. After a while, Dumisa came in. Dumisa: "Lukha I'm gonn need you to-" she stared at Thabang. Dumisa: "what the hell are you doing here!!!" He stared at her quietly with no reply. Dumisa: "Thabang!!!" She hissed. Thabz: "I'm not here for you. So you can chill your tits." Dumisa: "I'm going to call security!" Thabz: "ungaske ubize amapolisa nje Dumisa? And send me to jail again?" Dumisa: "you deserved it!" Lubby had come to the office because he thought Thabang wouldn't come. He stood by the door hearing the arguing. He listened. Thabz: "I deserved it? Dumisa, you lied!" Dumisa: "zange ndixoke Thabang! You're...." Thabang: "say it. Agcwale umlomo. Itsho! I spent 6 years in jail for a crime I didn't even commit. Suka pham'kwam!" Dumisa: "this is My company. And wena awukho allowed apha!" Thabz: "I'll leave when Lukhanyo says so!" Dumisa: "and when I tell him what you did....why you were in jail....?? What then? He'll kick you out on the streets. Don't make life difficult for yourself Thabang." Thabz: "what have I ever done to you Dumisa? What have I ever done for you to hate me oluhlobo!" Dumisa: "save your breath Thabang. Uphume umke!" Thabz: "you have ruined my life. Burnt down

So stop trying to understand me if ndiyi creep then let me fucking BE!!!!" Lubby drove to his house. Lukhanyo was in the office with Dumisa. Luks: "look, I didn't know he'd do this. Ndicelu xolo." He wiped her tears. Luks: "I'm sorry." She held onto him. Her lipstick smudged on his white shirt by mistake. Dumisa: "please don't go." Luks: "I have to get home..Dumisa I've got a wi-" she kissed his lips. Pulling him closer to her. He pushed the papers and files to the floor. Squeezing her behind. Dumisa: "I miss you so much Lukhanyo...." He was beyond the point of thinking. His hands were shaking. Luks: "Dumis-" Dumisa: "why do you like over-thinking things...there's nobody here.." Luks: "still. Asikwazi kwenza lento.." Dumisa: "lukhanyo, what's the problem ngoku!" Lubby's words rang in his head. 'Kanti ndiyok'haba unye ngokwam.' He didn't want that to happen. Luks: "I have to go." Dumisa: "uzandishiya leway?" Luks: "I'm sorry..." He took his things and walked out.

Lubby and Thabang sat in the lounge quietly. Lukhanyo walked in and went to the bedroom. That was weird. He came back changed. Luks: "how dare you!!" Lubb: "hayi man lukhanyo!" Luks: "awungen ndawo Lubabalo! Thabang ndithetha nawe!!" He shouted. Poor Thabang sat neatly without so much as a word. Luks: "heeh man ndithetha nawe!!!" He pushed him. Lubb: "lukhanyo hayi!!" He closed and locked the door. Pulling her gown. He kissed her slowly...

Lubb: "babes....please listen to me..." He sat her on the couch. Sitting next to her his arm around her shoulder he held her hand. Lubb: "I want you to know that, you're beautiful. The reason why I can't sleep with you is because I want you to meet a friend of mine. Someone that will be humble and treat you like gold. I am incapable of all that because ndilihlanya mna and I don't want to be in a relationship I don't wanna hurt you. If I fuck you. I will walk out that door and never come back. Then

the chance of you meeting this guy will be gone. Uphinde uhlale wedwa apha and hate yourself. You need confidence. Not me or sex. Confidence begins with acceptance. Nobody can put you down if you got confidence. Don't do this Thoko. Zigcine sisi, I know 8 years is hella long. But trust me, the guy that does you will make it feel worth it. Okay?" She nodded. Thoko: "now I feel like a fool. I don't know what came over me." Lubb: "yi drought ndik'chazel inez'manga. Go get dressed we'll go catch a movie." Thoko: "out in public?" Lubb: "ewe tshin. Thabz: "hay man Lubby, ask a chick or something." Lubb: "khaze man!!" Thabang took his hotel room card and left with him. Thoko was driving her own car so he didn't notice. Lubb: "so ndicela undenzel favor ne." Thabz: "okay." Lubb: "bamba apha." He gave him a stack of money. They got in his car and drove to the Boardwalk. They got off and walked together. Thoko was standing by the entrance. Lubb: "I know she's not cover girl gorgeous. She just reminded me of you." Thabz: "who?" Lubb: "Thabang, I trust you. I know you're not a jerk. You're a great guy and she needs a great guy like you in her life." Thabz: "who are you talking about?" They stood in front of Thoko. Lubb: "Thabang meet Thoko. Thoko this is Thabang." They looked at each other. He smiled. Thabz: "hello." Thoko: "hi." Thabz: "you okay?" Thoko: "ndi right wena?" Thabz: "I'm fine thanks..... Bye lubby." He held Thoko's hand. Lubb: "OH?? Thabz: "why have I never seen you around?" Thoko: "ubundikhangela dan?" Thabz: "maybe in the wrong places." Thoko: "nithanda izlenda kalok." Thabz: "not really...I prefer a bit of meat..." She blushed. Thabz: "which movie do you wanna watch?" Thoko: "I wanna watch Noah." Thabz: "I wanna watch Amazing Spiderman 2. Are you in a hurry?" Thoko: "nope." Thabz: "then soz'bukela both...what we having for dinner?" He walked to a restaurant. Thoko realized that he hadn't let go of her hand, not even once. "Someone who is humble and who will treat you like gold."..... #Lubby

She held her breasts moaning and groaning. He kept her legs apart and played. His head lay on one thigh. He held the most sensitive part. Rubbing it gently. She let go....her head feeling dizzy. His tongue wiggled on the clit and she climaxed out of breath. Soma: "now that's what I like..." He went to kiss her lips and lay on her breasts. Soma: "there's something I want us to talk about..." Thandi: "yinton leyo baby." His phone rang again. Soma: "andise dikwe yile phone ingena mbeko." He picked up. Soma: "hello?" Dad: "ndicela ubuye nyana. I got out of school. Ndlela le bendidinwe ngayo. I handed 3 assignments that kept me on my toes but thanks to Damian ndaziqiba. Damian saw me first. Damian: "hey." Me: "hey, you okay?" He looked quite upset. Me: "did you fail a test?" Cause I don't imagine him having a girlfriend at all. Kodwa umhle yazi. He looked like a movie star. But ebedika ingxaki. He was always grumpy that's why people stayed away from him. He reminded me of someone in a series I watched once. Damian: "fail? Me? Never. Got 92% on both. 100 on the last one." YUUUH! Clever lenja. 😞:(Me: "congrat's. Siyak'bongela. So uqumbelen?" Damian: "I cannot understand a word you're saying." We went to sit outside by a tree. Me: "why you sad?" Damian: "oh its nothing..." Me: "come on..tell me." Damian: "I walked in on my best friend and my girlfriend....in my bed." Andoma! Ngebafa kalok sana kum. Bawo uyondixolela. Ngesinom'phanga. Me: "I'm sorry Damian." Damian: "no its okay. She didn't love me either way.. Errh..so yeah." Me: "and your friend?" Damian: "what friend? I don't have friends. I am my own team." Me: "I can be your friend." Damian: "thanks Lishle, but I'll be fine." Me: "you're gonn spend the rest of your varsity years alone? Don't be stupid. Or join the rugby team." Damian: "I don't like sports." Me: "you look like you play sports." Damian: "I only go to gym. To keep my body fit and healthy." Movie star 😞_- and he never smiles. He's awkward as hell. Me: "want ice cream?" Damian: "no..I need to find someone to help me pack. I'm moving to my own place." Me: "I'll help. Come let's go." He got up and we walked to his flat. Damian: "excuse the mess." Me: "understandable and not that bad." I sat down on the floor and took a box. He gave me a thick koki pen. Damian: "write fragile and only put in plates and stuff." I packed his 5 plates and cups. Wrapped in newspaper. He packed his clothes. Jack walked in. Jack: "Dame. I'm really sorry bro." Kanti ngu jack le friend!!? Hewethu, never trust people! Especially friends, uy'tyela njan tshomakho lo hlala naye ke phof? Hayin bethuna! I kept quiet and minded my business. Jack: "Damian talk to me. Say just one thing. Please?" Damian: "lish, pass me the marker please." I tossed him the koki. Jack: "I didn't mean to do it! She was the one who initiated it. We can't let a girl come between us!" Yyyuuuhhwiii. Jack for Jackal. 🙄:v liqubusha elifutshane ngath ngu Hili ngath ngeske nim'bone. Jack: "lishle, please talk to-" Damian: "LEAVE lishle out of this! And let me pack my things in peace!" Yoh sana. Ndaival umngxunyo wam. Ndoyika Damian more than Jack. So makasel amanzi axole mntaka bawo. Jack walked out. Damian took off his shirt. Nkosi yam enofefe. #mute. He took out a needle and a tiny bottle. Suckin in its contents. Me: "wh-what are you doing?!!!" Damian: "it helps me cope." Me: "the fuck it does! You're not going to turn to drugs!" Tshhi uzoz'moshel

ihule? I grabbed it nday'nyathela. It broke. Damian: "why?" Me: "just talk your feelings out or deal with them like a man. Go to the gym. Work out till you can't feel your muscles!" Kanye ndok'sa kuLukha mna akuqinise. Damian: "I just...." Me: "you're smart Damian. You're handsome. Any girl would like that, just try and tone down though because you're intimidating. But my point is stop being angry at the world." Damian: "I don't want to be here!" Me: "then why are you here?" Damian: "my parents forced me. I wanted to be an actor!" Oh there we go! 🤔:v Damian: "but they said they'd cut me off if I did it. My dad is in business. He owns quite a lot of companies around S.A. So he brought me here to 'learn' I just Hate this place!" Me: "just make the most of it. Get new friends, study harder. The time you graduate he would see that you've got a back up plan and he will let you do as you please. Trust me." Damian: "you really think so?" Me: "yes! Your dad cares about you and your safety. He knew you were capable of this. He has faith in you." Damian: "so I should stick it out?" Me: "yes! Call him and tell him you're doing fine. Update him on what you do. Photocopy your results on each test and send him the copy. He'll be beyond proud." Damian: "you knowyou're right." He got up and went to call his dad. I looked at the bottle which had drugs. I recognized a certain symbol. I swear I've seen it before. I studied it harder. Until Damian walked back to me. Damian: "what you reading." Me: "where did you get this?" Damian: "my supplier gets them from Pretoria. Why?" Me: "the name of your supplier?" Damian: "I can't tell you that." Me: "I promise I won't say nothing." Damian: "swear." Me: "I swear." Damian: "I call him Stu." Me: "oh." Stuja, works for Lukhanyo. They're still selling drugs. Me: "please do me a favor Damian. If you need to talk, call me or daddy or something. Don't do this to yourself." Damian: "okay." Me: "promise me. If you don't want me to report you. Promise me you'll never use this again." Damian: "I promise. I wasn't addicted anyway." We took the boxes out to his car. Obviously he had a car. His dad probably spoiled him. We packed the boxes and bags. Damian: "well for now, I'll get a hotel until I find a flat. Thanks for helping." Me: "pleasure." I walked back to my car. Damian drove to the Garden Court and booked himself in. I went home. Lukhanyo was watching television. Me: "hello love." I kissed his cheek and sat on him. Luks: "uvelaphi lihle." Me: "I was helping a friend move out. Uphi uThabang?" Luks: "don't know." Me: "lubby?" Luks: "call him man lihle! Akekho mos apha ndizomazelaphi mna!" Me: "what happened?" Luks: "he hit me." Me: "wenzen Lukhanyo?" Luks: "baby, uThabang sexually harassed uDumisa. Bendinomsindo because I have let him in my house where my wife is. I trusted him!" Me: "hehake Lukhanyo. If Thabang wanted to rape me. He would've done so. He is definitely not that type." Luks: "he was in jail for rape. Dumisa lay a charge against him for um'raper! She told me." Me:

"and you believe her? Mxim" Luks: "hayi Lihle kuthen ungcolile nje?" Me: "look, I know I didn't like Thabang at first I didn't trust him tu. But he didn't give me anything to doubt him by. He is obedient and knows his place. Ngand'xelel ngoDumisa mna." Luks: "but if he's so innocent, why was he convicted then?" Me: "Ask him! Only he can tell you that! Suthatha advantage komnye umntana ngenxa ez'nyabele wena uyingonyama." Luks: "where do I find him kengok! Because he's gone." Me: "andizoyaz ke baby." Luks: "even Lubby isn't taking my calls." Me: "yamaz Lubby can't stay mad for long." Luks: "ndiyeza." Me: "uyaphi?" Luks: "ndiya ku Lubby baby." He kissed me, got up and went to fetch his keys. Then drove away. I missed my kids. I sent Lukhanyo a message to bring them home then decided to bath. I dressed and took my books to study in the lounge..

Chapter 553

2 hours later I was into my studying. Lubby walked in with the babies. One in each arm. Lubb: "good evening." Me: "hey." I took Lutha from him. My boy was sulking and sleepy. He kept yawning. Lubby ran them a bath. We bathed them. Me: "uhm..uphi uLukhanyo?" Lubb: "ndizomazelaphi mna? I left him here emin." Me: "he left two hours ago esithi uya kuwe." Lubb: "maybe uqale elsewhere ke." We dressed the babies, fed them and put them to sleep. Me: "what's up." Lubb: "akhonto..." Me: "sure?" Lubb: "yeah, ndibawel usela qha." He took out a bottle of whiskey, small glass and ice. Lubb: "join me?" Me: "I'm studying." Lubb: "please?" Me: "just one glass." I drank just one. Then another. Talking and laughing together. He got tipsy on his fourth glass. Lubb: "khame ndiyabuya." He got up and went to the bathroom to pee. Khona uphi uLukhanyo? Bekunin ngoko? Lubby's phone beeped a message. He came back and sat. Checking his phone. Lubb: "ndikwa zez'inbox. Jonga.. He got up. Luks: "I've been looking for you." Me: "where?" Lubb: "ya, where?" Luks: "andiyaz noba yi tavern le. Caba ninxila nithethe ngam. Lihle?" Me: "we were just relaxing Lukhanyo." Luks: "in who's house? Is this wifely behavior? Getting drunk with my brother?" Me: "I'm not drunk!" Lubb: "look, I just asked her to join me for a glass." Luks: "again I ask, in who's house?" Lubb: "bendingayaz ba izok'offender lonto Lukhanyo. I'm sorry." Me: "yeah sorry." Luks: "ndicel ukutya kwam." Oh no. Luks: "did you even bother to cook?" Lubb: "I'll see you in the morning." Me: "you're leaving?" Lubb: "ufuna ndihlale

"uncume nto kangaka?" Lubb: "why can't I smile?" Lukhanyo stood by the passage and
stared at us. I cleared my throat and packed my bag. Lubabalo took his keys and left.
Me: "can I fry you some meat?" Luks: "no ndigrand." He picked up his daughter and
went to bed. I made a sandwich for myself. I was really embarrassed and ashamed.
Ndiyasela kodwa suppose ndiphekel umnyen wam. Ndaske ndane ntloni. I ate and
went to bed too. Wayolalisa umntanakhe and came back. I wanted to make it up to
him. Me: "can I give you a back rub?" Luks: "I am fine babes." At least he said 'babes'
so I know he's not mad anymore. Me: "anything else?" I held his body as a hint. Luks:
"sleep would be nice. I had a long ass day..." Anda-phoxakala. Minutes later he dozed
off. I turned around and slept too.

The next morning. Soma landed in Port Elizabeth. He went to drop Thandi at home
and drove straight to his parents' house. He went in to find his father sitting in the
lounge with Soso. Soma: "tell me the reason I had to cut my holiday short and come

Soma looked away. Dad: "nindivile makwedin???" Soma: "uxolo Soso." Soso: "sorry Soma." Dad: "get back in that house and talk this out like men!" Soma walked in. Soso followed.

Mandla was alone waiting in his car outside Khanya's home. He kept calling her. She wasn't taking his calls. He eventually sent a message. "Ndilapha phandle. Phuma kanye ndiyangena." She came out the house and walked to the car. He had dropped his Gusheshe a bit low and changed his tyres. It was shining and all. Khanya: "Mandla, I'm busy." Mandla: "ngoku? Ndizok'bona fondin. Thando: "I like the simple one. It defines her. I'll take it." Cashier: "with the black or white box?" Thando: "white please." He paid and left. Meanwhile Mandla and Zimasa cruised to Njoli. All the car windows opened. Blasting loud music. She was so uncomfortable. He parked his car by KFC. Zimasa: "ungaphumi wethu. I'll go in myself." Mandla: "k." He got out the car anyway. After our classes. Damian and I sat together at the library to study. Damian: "so I found a place..but I don't like the area." Me: "where is it?" Damian: "central. I went to check it out this morning and I wasn't impressed." Me: "have you tried looking around here?" Damian: "I don't have the energy actually. So I'll just take it." Me: "please just be patient. Why do you always take things you think you deserve? Look, I'll speak to Lukha. I have a house in Lovemore heights, nobody lives there." Damian: "nah, the last thing I need is to live in a big house alone. Thanks. I'll just look for some other place then. I'm kinda hungry.." Me: "let's go." We walked out the library and went to McDonald's. Damian: "I'm buying us both a McFeast. I promise you'll love it." We sat down and ate. It was quite big. Damian: "open your mouth and bite. No use acting like a lady, you're at McDonalds boo. Open." I opened my mouth and took a big bite. Damian: "nice." I had sauce on my cheeks. He laughed. I had to first swallow before I spoke. Me: "you are so mean." Damian: "don't you like my meanness?" He wiped my cheeks. Me: "no, this the first time I see you smile." Damian: "lies." Me: "for real..." He ate his burger. When he chew, you could see his jaws working. It looked so cool. Damian: "wha?" Me: "nothing." We finished our meal and left. Damian: "I was thinking of going to my dad in Durban for the weekend." Me: "I'm sure he'd like that." He took a picture of me. Me: "why?" Damian: "just...come let's take one together.." We took the picture. Damian: "can we go out? Like watch a movie, go to a club?" Me: "I can't Damian. I'm married." Damian: "then come with your husband. I'd love to meet him." Me: "I'll invite you some time. I'm sure he'd like to meet you too. I have to go." Damian: "okay. Bye." He went to his car. I went to mine. I drove home to cook and make a lovely dinner for my babe. He wasn't home as usual. I cooked. The nanny had put the babies to sleep. Although I didn't quite want that because seku late and Lutha will wake us up ekusen. She left to go home and I was left to finish up le ndiyenzayo. Hours later I heard the car go in the garage. He took out the food and they ate. The guys rested. Chev: "so..did you speak to Luks?" Lubb: "yeah, he's just busy with work. He can't make it." Chev: "Work? Luks? That's like oil and water." Lubb: "not lately. He's into this new 'job' of his. Kinda makes me proud that's why I don't wanna disturb him." Chev: "I see..." Lubb: "I'm leaving. You'll take it from here." Chev: "sure." Lubby got in his car and left. He went to fetch his daughter from Zintle's place. She was ready to go to school. Lubby took Buhle's bag and they left. He went to his house and played with his baby. An hour later fed her and went to fetch his laptop to start working. She sat on his lap and held his phone. Lubb: "ungayifaki emloniyeni ke princess morrison." Buhle: "uh.." Lubb: "uphendula nton." She mumbled something in baby language. Lubb: "ndiright. Lonto uyaloqa ne baby? Pretty talkative lil beaut." She took the phone to her mouth. Lubb: "ha.a..yabona ke!" He took the phone and gave her a toy. She threw it away. Lubb: "uwoah." He carried on working for a couple of hours. Holding her in one arm. Eventually falling asleep on his shoulder. He went to put her down and back to work. Sylvia: "bhuti, ndikwenzel ukutya?" Lubb: "what time is it?" Sylvia: "kuzobetha u12 ngoku." Lubb: "yooh, liyabaleka ixesha ne. Nah, I'm going

Lubb: "ndiyaphuma Sisi, cela undijongel Bubu. Ulele." Sylvia: "okay." He drove to Walmer park and purchased an iPhone 5 and a Macbook Pro. Then drove to the hotel. Thabang let him in. Lubb: "molo mjita." Thabz: "hello." Lubb: "I brought you these. Thought it might make life easier. Research wise." Thabz: "ndiyabulela bhuti. I really appreciate this." Lubb: "its only a pleasure. Lubb: "nothing is lame. Especially when it comes to jobs. Noba umntu utshayela istrato that shit aint lame, its to support family yakhe and you should never let broke people clown you about your job. If you collect garbage, you collect it with pride because xa umntu ezimisele entwini better be sure akaphelelanga pha." Thabang smiled. Thabz: "thanks.." Lubb: "if you need anything else. Call me." He wrote down his number. And Thoko's. Lubb: "nanku mntu wakho." Thabz: "haha, enkosi ." Lubby left him again and went to look for his brother. Thulani.

Jongizembe and Noma sat together and discussed their issue of not talking. Noma: "mnyen wam. Kodwa ke ngoku ayisena ncasa le uyenzayo. Kuthen nje ungathethi nam?" Jongi: "ucimba I'm a bad father kalok. Ndithini ke." Noma: "you're not a bad father Jongizembe. Ubunomsindo. And you acted irrationally. Sonke siyazenza mistakes asikho perfect." Mpumezo: "just his name says it all." They got to the station. Where Mpumezo turned himself in. Nomathamsanqa couldn't see her husband yet. Chances are, he wouldn't be out probably till Monday. She was worried and scared. After she called Mpumezo's friend and waited about 30 minutes. He arrived. A tall dark man, with scars on his face. He looked even scarier. It was a surprise. Surprise: "askies ma, uli olady l'ka Mpumezo?" She nodded. Surprise: "ndim uSurprise mama." They went to the car and drove home. He was actually quite talkative and supportive. Surprise: "subana worry wena olady. Bazaw'ba grand pha. Akho bad. Kuyancokolwa nje. Abekagwetywa mos. Hayi no. Kuse mnand." She was in no mood to chat but he went on and on about how he met Mpumezo. Surprise: "sure olady." He left the house. Thenjiwe arrived. Thenji: "baphi abantu?" Noma: "jongizembe ubanjiwe Thenjiwe. Uyafunwa ngamapolisa." She stood still and stared at her. Thenji: "hay njan!!" Noma: "kakuhle Thenjiwe. Mpumezo turned himself in. They will be back for you." Thenjiwe took her phone and called her daughter. She wasn't answering. She didn't know who else to call. Pumeza arrived. Thenji: "hayi Nomathamsanqa we have to do something!" Noma: "We? Thenjiwe, nguwe umntu ohamba estratweni ingathi ungumntana. Saturday kwafika usisi to do our washing. I showered and bathed my babies. Lubby took Luthando to his room to play. Uvelaphi eksen khona?. I wore white high waist tights. And a white corset. With a white platform wedge. Everything was nipped and tucked. That hospital gave me my figure back. I combed my hair and applied small make up. Wearing my triangle ear rings. Bangles and a thick gold chain. I took my watch to the lounge. Me: "khandinxibise babe?" Luks: "uyaphi lihle unxibe lewei!" Me: "out my love." Luks: "out where??" Me: "heee ubaby. Lubb: "hayi Lukhanyo subanomona. Ungayonxiba uAll white wakho nje?" Luks: "hayi Lihle sihamba nani. Fuck this. Rhaaaaaa." Me: "why don't you trust me ?" Lubb: "ja! Why vele?" I could tell Lukhanyo was very stressed. He didn't want me to look pretty. He wanted me in sneakers and jeans oko. Luks: "zimbi ezinto uz'nxibileyo!!" I was so hurt. Akhonto indikhubekisa nje ngoxelelwa leyo. Ndiz'thanda kangaka impahla mna phinde uthi zimbi. My goodness you're breaking my heart. Lubb: "hayi uyaXoka kengok." I walked to the bedroom to wear my jeans instead as much as I didn't want to. Lukhanyo was my husband and I had to obey what he said. Lubb: "hayi lukhanyo ayikho le shit uy'thethayo yazi. Kuthen ukhohlakele nje? You know damn well. She looks cute kodwa you're putting her down. For nton sani?" Luks: "hayi lubabalo find a wife and you'll understand. I can't let my woman's curves be seen by every tom dick and harry! You can see her ass rock while she walks. She's as good as naked. Yazazi perverts out there!!" Lubb: "its NOT see through!! Wena when you met Lihle what was she wearing?" Luks: "tights! But kalok ngok sitshatile. Mngqundu lowo." Lubb: "you just hate the fact that anyone might see what you're playing with..." He took his glass and left him there. I wore faded skinny jeans in the place of tights. Lihle was with Lukhanyo. I took my bag and walked out, started the car and sped off. He called me immediately. I ignored the call. Lukhanyo undenza umakhulu qithi. And a child at the same time. How does that work. I went shopping by myself. 2 hours of retail therapy. Then went to lunch with my girls. I was still unhappy but smiled brightly and pretended all was great being a Mzinyathi wife. People who aren't in your shoes will always judge because they're never in the picture. They don't understand the situation because they are not exposed to it. You'll hear advice from everyone but have they actually felt your pain? No. Have they been through the shit you been through? No. Problem is as humans we judge. We talk. We hardly understand. Its difficult to know why you would die for someone. Why you would kill for someone. I have killed to protect my man. I have almost died for him. How do you decide to let go? All of that, just down the drain. Rene: "Lihle!!" I was so deep in thought I forgot ndihlel nabantu. Me: "hey bunny, I was just thinking some stupid stuff." Mandy: "what you thinking of babe?" Rene: "her hunk. Who else." They laughed. Me: "haha...ya'll crazy." I smiled. Me: "Mandy, how's your man?" Shifting the topic. Mandy: "he is wonderful! Peto. Yuuuh, he's so gentle, so warm. So bloody honest!" Rene: "about everything?" Mandy: "everything babe, he recently found out his ex has a child. His child. We're supposed to be spending the day together today but he said he wanted to get to know her better first not to just

overload her with everybody." Rene: "so this child...its really his?" Mandy:: "well his twin isn't the father. So it has to be his." Rene: "they both slept with her? That's just wrong." Mandy: "its ancient history. Plus I don't see how you sleep with two guys and not tell the difference. Soma is extremely different from Soso." Rene: "what if they dick size the same." I laughed. Me: "Rene you always on some sex tip!" Rene: "that is not a secret. If you love sex then that's that. As long as you don't bed hop and you stick to one partner." Mandy: "I too, don't see nothing wrong with staying faithful and being a freak to your partner." Me: "but Rene you don't have a man." She picked up her bag. Rene: "say hello to Billy!" She took out a pink Dildo I laughed out loud. Me: "WHAT THE FUCK!!" Mandy: "you are just sick and you need to get laid." Rene: "I would rather fuck myself than throw myself at men who don't give a shit about me." Mandy: "that's the spirit. But I'd rather be sexually frustrated!" We laughed. Me: "I don't know if I could have the guts to actually BUY it." Rene: "you guys got good men by your sides. I don't have one...I have needs too." Me: "let's find you a man." Rene: "no." Me: "I know this totally awesome guy. Please? He's just as lonely as you." Rene: "no. I don't want some loner ass." Me: "he's handsome too! Just meet him?" Rene: "fine!" I called Damian to come. He arrived after 30 minutes. He was wearing a white shirt tucked in orange shorts. Plus a very cute white formal suede shoe. The shirt was unbuttoned to the chest and he wore moonlight shades. Damian: "what's the emergency?" He didn't look like no damn student at all. Mandy: "her punanny." She whispered. I laughed and pinched her. Me: "hey Damian." We hugged. Damian: "hey." Me: "this is Mandy and Rene. Will you join us for lunch we just ordered." Damian: "yeah." Me: "weren't you going to Durban?" Damian: "dad is in London, he'll come see me during the week." He seemed excited. We sat down and started chatting. Me: "so Rene is a doctor." Damian: "oh. That's cute." Aiish. I forgot Damian was the most sarcastic, chilled out motherfucker in the whole universe. I couldn't try any longer, the ball was in her court nanku Ben 10 that looked her age. Or was he? Rene: "so what do you do?" Damian: "I partly manage my father's business in Cape Rd and I'm a student." Rene: "who's your father." Damian: "Owen Wilson." I choked on my drink. Me: "I thought your name was Damian SCOTT." Damian: "yes it is. Damian Scott Wilson." How did I miss this? Fuck. Phof mos akhonto, I don't have anything against his dad except that he sleeps with teenagers. Damian: "why Do you look so worried?" Me: "I've heard of his empire. Pretty big. Now I understand." Damian: "oh.." He ordered his food while we all chatted...

Lubby was on his phone all the time. He had to keep track of the progress. Lubb: "Stuja, are you done painting the cars?" Stuja: "ewe Ta Lubby, siz'tshintshile icolor. Siz'khuphile iparts nazo, ndizizise apho kuwe?" Lubb: "no. Lomntu uzaz'thenga kuwe.

Luks: "working ???" They got in the car buckling the babies and drove to fetch Chuma. Luks: "hello nyana." Chuma: "molo tata." Luks: "unjan? Give tata a kiss. I missed you." Chuma: "ubuphi?" He kissed his father. Luks: "bendise msebenzin nyana wam." Chuma: "oh okay." Luks: "uziva njan?" Chuma: "ndiright tata. Lutha!!!" He screamed. Lubb: "Heeey!!!" Chuma: "molo daddy!" He smudged his cheek with a fat kiss and climbed over to the back. He sat in between the car seats. Lutha pulled himself up. Luks: "where we going?" Lubb: "some park. Losta naye uyeza nomntana." They drove to the park. Lukhanyo carrying Lutha. Lubby went to fetch and came back with Buhle. Thulani was with Luhle. Chuma ran in front with Junior. Lubb: "Alex should be here. Oh bethuna unyanam. Khumbula xa esith Papai." Thulz: "you can hardly understand the boy." Lubb: "as long as ehlala nam sidlale akayi hoyi enye. Ndivuma kwanto xa ethetha. The last time I was there, tuesday. He was learning English. Shame yazama ntwana yam. Qha ayifun nyan." Luks: "funke bay'ncokolise kalok bona kqala." Lubb: "told them that." He checked up on Stuja again then Lonwabo arrived. The guys started talking for a couple of hours and played with their kids. Lukhanyo's phone rang. Luks: "yes?" Caller: "there's an emergency I need you to attend to right now." Luks: "I can't. I'm having a family day." Caller: "Lukhanyo this can't wait. I can't send it through because its wrong." Luks: "I'll come by later." Caller: "thanks." He hung up. Lubb: "and now?" Luks: "work stuff." Lubb: "work stuff?" Luks: "lubby please stay out my business. I don't disturb you when you design bridges." Lubb: "ok." They went to have lunch and bought hats. Thulz: "we must do this often. Ndaqala ubona uJunior ehleka. Its been months." Luks: "what's up dan?" Thulz: "eish...yasokola umama wale ntwana Luks...if I didn't realize it ngendingayazi. She's paralyzed and can't get a job." Lubb: "I know I don't like her at all but hayi noko ayisekho mnandi xa umntu esokola. I hope you helping her bra.." Luks: "wena wonke utsho." Losta: "egeza kangaka." Lubb: "you know better than anyone andim'gezel umntu ongena nto. That's just plain cruel." Luks: "aweee." They drove back home. Lukhanyo put his babies to sleep and started cooking dinner. Losta: "andide ndik'qhele ekhitshin yazi?" Luks: "khaniyekane nam nento zendlu yam." Lubb: "if we were still teenagers, bendizom'bully'isha. Bezopheka qhoo." Luks: "fana

nangoku uzohlala kwam ngenkani." Lubb: "xandihamba uyandilandela nje."
Lukhanyo cooked while the guys sat in the lounge talking. They ate an early dinner. Lukhanyo called me to come home immediately saying he had an emergency to get to. I wonder uqale nin ubayi ambulance. I came home just as Lonwabo left. Thulz: "I should also get going. Tata undibizile tonight." He left too. I was excited to see Chuma. I kissed him and sat down to chat. Wabe encokola emane ngothi jep kutatakhe. Luks: "babes..." Me: "hm?" Luks: "ndizosele ndihamba naye." Me: "uyaphi Lukhanyo?" Luks: "baby, ndifownelwe emsebenzin. There's a report that isn't going through because its wrong. Kufuneke ndiyoy'lungisa because kuyavalwa ngomso." Me: " yinton le ivalwa ngomso." Luks: "lihle please don't be difficult." Me: "I'm asking nje." His phone beeped. He gave it to me. I read the email: "Mr Mzinyathi this is Liza Meyers, please report to the office. It is an emergency." Oh.. I gave him back the phone. Luks: "they called earlier ndathi andikwaz ukuza kuba ndihlel nabantwana. Baby I'm trying here, I even cooked dinner for you to come home and relax. Can I please go fix this." Me: "okay. Ungabuyi late." He kissed my cheek. Luks: "Chuma uzobuya on Thursday. For his Birth weekend." Me: "bye sthandwa sam." Chuma: "bye bye mama.. Bona ngomso ne?" Me: "okay baby. Ndik'bekele nton?" Wazba uzoy'thin moto kodwa una 4." Chuma: "heeeee..." He picked him up. Chuma: "ima tata!!" He wiggled to the floor and ran to Lubby. He climbed on him, pushing the phone out his hand and hugged him tightly. Lubb: "I trust you to force your love. Ndak'thanda nam nyana va." Chuma: "thanda nam daddy." They left. I was so tired and cold but wanted to watch something. Took out my laptop and watched a series. Vampire Diaries. With my pink fluffy blanket. Me: "ithuliwe mpahla ecingwen?" Lubb: "yep.." His phone rang. It was Estella. Lubb: "babe." Estella: "hey bro..wassup?" Lubb: "nothing much...and you?" Estella: "you seem kinda mad about something." Lubb: "you haven't called me once this week.." Estella: "buddy, I'm running Your company. Its quite tiring and you know it. I'm sorry.." Lubb: "okay..so how's everything." Estella: "amazing. Bill is impressed with your designs. He said his wife is in Port Elizabeth and if its possible, could he have dinner with you. He'll be there for a few days." Lubb: "who's his wife." Estella: "some Pumeza girl. Loud and colorful." Lubb: "oh God please tell me she doesn't drive a Porsche Cayenne." Estella: "that's the one." Lubb: "shit." Estella: "what's wrong?" Lubb: "tell Bill I would be happy to join him for dinner with his wife and I am actually looking forward to it."

Estella: "is there something you wanna tell me?" Lubb: "nah.." Estella: "do you know her?" Lubb: "yes but I don't like her at all. Are you jealous?" Estella: "not really. Can we talk later?" Lubb: "what now!" Estella: "sweetheart I'm busy...please understand?" Lubb: "okay cool." Estella: "mmwwaahh!!!!" He hung up. I went to fetch my pillow to be more comfortable. For 2 hours straight we didn't talk. He was staring into space I was half asleep. Ndothuka when the babies woke up. I fed them both. Lubb: "bring them here uyolala wena." Me: "nah, I'm waiting for Lukhanyo." Lubb: "why?" Me: "I want to be awake when he arrives." I stayed up another 4 hours watching movies not enjoying them because ndifuna abuye lomntu. Now it was almost midnight, I heard a car park outside. Ndavele nda happy. But instead of the garage I heard a knock. Lubby opened. Thulani walked in. Thulz: "nawe linki sahleli? Ey lengqele." He sat with us. I lit the heater in the meanwhile and went to dish up for us again. Thulz: "yinton ngok fondin." Lubb: "nganton?" Thulz: "uphi uLuks?" Lubb: "I don't fucking know." They were talking in low voices I couldn't hear a thing. Thulz: "stop what you doing bra.." Lubb: "ndenzen Thulani!! He hissed. Thulz: "that staring! Its creepy.." Lubb: "ndinamehlo mos Thulani!" I brought the food. Silence. Lubby prayed for the food, we ate. I went straight to bed. Lord knows, I don't have the time for this. An hour later Lukhanyo came home. Thulz: "hayi Lukhanyo...ha.a sani." Lubby shook his head and went to his room. Luks: "what?" Thulz: "you better have a good ass explanation yoba uvelaphi." Luks: "Thulani, I explained myself before I left. Khandibeke xesha lobuya." Thulz: "ayithethi lonto fondin." Luks: "Thulani, ndithin ndiyeke umsebenzi? Should I bring you all to work with me? Ndithin? Ndiyeke lena iright ndibuyele ebugintseni?" Thulz: "no. Anditsho Lukhanyo..." Luks: "I just need a shower and sleep." He went to take a shower and went to bed holding his wife.....

Sunday morning Thando was up early. The family meeting with Asanda's family went really well. His mother knocked on the door. Thando: "come in." She came in and sat on the bed. Ma: "Thanduxolo." Thando: "molo ma." Ma: "uleli njan?" Thando: "okayish.. Wena?" Ma: "good. Lungelo tells me you want to marry Asanda." Thando: "ewe mama, I do." Ma: "thando, I know this baby thing is exciting. But kunzima my boy. A baby is expensive. I don't mind helping out, but the moment ubanomfazi you're your own man mntanam." Thando: "but I love her ma." Ma: "I know kalok nyana nje. I'm not saying don't marry her but at least wait a couple of years. Save a bit. For now focus on your baby." Thando: "ndilinde for nton mama? What will be the difference?" Ma: "you'd have thought it through. Uzotshata ngoku and 5 years down the line udikwe ngumntana bantu because you'll be a 24 year old lad ubone amanye amankazana umvise kab'hlungu. What you could do, is probably be engaged to her for a couple of years niyibone inihambela njani." Thando: "okay mama." Ma: "you

asked her yet?" Thando: "no." Ma: "are you nervous?" Thando: "kakhulu.." Ma: "relax love. You'll be okay.." Thando: "khome ndiyovasa." He got up and took a shower. Got dressed and went to Zwide. Mandla was laying in bed by himself. He had the day off from boss Lubby. He really admired him. Mandla boiled himself water and washed his body, got dressed and went to his mom's house. Mandla: "Ma olady." Ma: "ndiye cawen Mandla uyandilibazisa." Mandla: "ndicela umamele kancinci." Ma: "uxolo mntanam ndizoba late. Buya kwam. Love you!" She grabbed her bag and Bible rushing out. Mandla: "hehake Bawo. Asanda!" She just got up. She was not allowed to be part of the guild since she was pregnant now. So she stayed home. Asanda: "bhuti?" Mandla: "khavuke mntase sithethe." She was already up. Asanda: "okay." She started cooking Sunday lunch. Asanda: "so uthin bhuti." Mandla: "akuse ksasa for upheka." Asanda: "its sunday bhuti, plus ndizohamba after ndiye ku Thando." Mandla: "okay good, because ndicinga u-extender." Asanda: "extender ntonn bhuti?" Mandla: "indlu le sihlala kuyo. Maybe sivule lounge ne khitshi and re-do it. Ndifuna mama abe nela khitshi lase tv'in li black and white." Asanda: "bhuti. This is expensive." Mandla: "hayi imali ayongxaki mntase. Funeke kengoku ndilinde umama. Because sendinabo abantu for ukwenza le job. When its done. Ku paint(we) phandle. Then ndiqibezele nge flat yam. Fakel itile nomnyango.." Asanda: "okay bhuti. Yonke lento suppose uyithetha nomama though." Mandla: "nanku kalok unditsibe ndime aPha wemka." She laughed. Asanda: "she's late." Thando knocked. Mandla: "ey uyavuka kwedin.." Thando: "molweni bhuti." Mandla: "sho sho..." Asanda: "heyy..." Mandla: "ndisaya ku Wara ne ndizobuya xa mama ebuya ecawen ndizothetha kakhle naye." Asanda: "Bye." Mandla left them together. Thando: "so unjan?" Asanda: "good. Wena?" Thando: "great." He kissed her cheek and gave her a slab of her favorite chocolate. Asanda: "and I was craving it just now. Thanks sthandwa sam.." She kissed him. Her pajama top showed abit of her belly. Thando: "ncinci kodwa lena baby." Asanda: "ndiy'thandaa ngeloxesha." He stood behind her and held the tummy. Asanda: "I think he's awake." Thando: "its a he?" Asanda: "I haven't checked babe. I want a boy though." Thando: "nam ndifuna ikwekwe. We must pray together for a boy. Kodwa ke even if yicherri it'll be okay as long as she's healthy." Asanda: "yuuh zoba protective wena ngaye." Thando: "kakade. She'll be daddy's princess." He kissed her neck. Asanda: "uzotsha ke apha. Kukho oil." Thando: "wenzan?" Asanda: "fried chicken." The baby kicked his hand. Asanda: "uyam'va?" He nodded. He was so happy. So excited. He didn't know what to do. How would he wait for the perfect opportunity to propose? Now is as good a time as ever. Thando: "sthandwa sam?" Asanda: "yes love?" He turned her around and breathed. Asanda: "waske wa nervous? What's up?" He knelt down on one knee. Reaching in his pocket. Thando: "Asanda... I know its only been months. But

I've grown to love you. Not only are you carrying my seed, but you're part of me. I love you. Regardless of the baby. You showed me how it felt to truly be in love. Something I have never felt. Something I don't ever want to feel with anybody else. This is US baby. I will never let go. Will you please marry me?" She looked at him, speechless. She was emotional and happy. Asanda: "yes." He kissed her swollen belly. Thando: "enkosi baby..." Entering the ring on her finger. He got up and kissed her. Asanda: "but what about my family. Bazovuma? And your brother?" Thando: "sendithethe nabo bonke mntu wam..my mom suggested we wait a few years." Asanda: "nam ndicinga lonto." Thando: "as long as you officially mine..." Asanda: "ndizotshisa apha ngenxayakho." Thando: "iza ndik'ncedise..." He helped her with the pots.....

Soso went to Zoleka's place to fetch Siphe in the afternoon. He enjoyed the time alone with his daughter the previous day. Today she was to meet the family. Zoleka got her ready. Siphe kept asking questions. Zoleka: "my love, you'll ask him when he arrives." Siphe: "uzofika nin utatam mama?" Zoleka: "he's on his way my baby." Siphe: "uzandiphathela nton?" Zoleka: "I don't know pumpkin." She never got annoyed by the billion questions. Children need to ask before they actually know. So snapping at a child because 'ubuza qith' is a bit harsh. Siphe: "mama?" Zoleka: "yes honey.." Siphe: "uzohamba nawe?" Zoleka: "hayi sweetie, uzohamba notata wakho niyobona makhulu wakho kaloku." Siphe: "oh." Soso arrived. Siphe: "nanku tata mama!!!" Zoleka: "yep! There he is." Siphe ran to him. Soso: "hello angel..." Siphe: "sohamba nomama?" Soso: "not today ntombam, mama une plans." Siphe: "plans zantoni?" Soso: "zizinto zoomama kalok nam andizazi." She giggled. Zoleka: "please make sure you feed her amayeza right after meals. Nantsi emergency bag yakhe. No fizzy drinks." Soso: "okay." He took the bag and left. Drove to his mom's house. She had cooked a lovely lunch and dessert. Soso: "okay, lets go in mntanam. You excited?" Siphe: "yes." Soso: "excited for what?" Siphe: "zobona makhulu." Soso: "ooh, so wena awukho excited for mna?" He tickled her. She giggled in his arms as they entered the house. Soma was already sitting there waiting. The look on his face. He was actually smiling. Soso: "that is unc-" Soma: "tata....she can call me tata." Soso: "Somangaye." He warned. Soma: "tata said we share. Right? Then we share the title." Dad: "this isn't the time for arguing about this." Soma: "we not arguing tata, just setting the record straight. Its what you said." Dad: "Soma, the last thing we need is to confuse the child." Soma: "baby are you confused?" She lay her head on Soso's shoulder. Ma: "you two need to talk this through. Sappha umntana Soso?" She took the child from him. Ma: "hi sweetheart. Can you bake cupcakes?" Siphe: "nope." Ma: "uzoncedisa makhulu ne?" Siphe: "makhulu uzokwenza icupcakes?" Ma: "for my little angel, of course!" They

went to the kitchen. Vuyisile left the men alone. It was silence after that. Soma looked at Soso with a satisfied look. Soma: "she looks like me..." Soso: "don't you fucking start!" Soma: "what, you intimidated now?" Soso: "intimidated! You fucking fool, ndinguwe!!" Soma laughed. Soma: "I'm just pulling your leg. Why are you always aggro. Damn." Soso: "ndizoya for DNA tests. Soma, get the hell out of my things." Soma: "jonga, Soso, its not gonn make a damn difference. We're of the same seed." Soso: "I really hate you right now Soma. Manyan." Soma: "love you too..." He said sarcastically. Soma: " I'm backing off Soso. If you want this all to yourself then fine. Be the dad. Mna ndizoma in the sidelines." Soso: "I don't mean cut yourself off like that. But you always try to steal my happiness. Its like you tryna get me back for what I took from you." Soma: "Soso, I'm not trying to get back anything. Fighting about umntana isn't going to help. But ke as the elder....I understand and I'll give you your space." Soso: "you playing?" Soma: "I'm being for real. Congratulations on being a father." He hugged him. Soso: "but sobabini mos Soma, we could play that role." Soma: "I want her to know the difference Soso, the reason iyi mess lento was because of dishonesty. We have to find a way for her asohlule." Soso: "dude, our parents can't even differentiate." They laughed. Dad: "I heard that!!" He yelled from the bedroom. Soma: "we'll think of something." He looked at the bracelet on his arm. It was identical to the one Soso had. His was red. Soso's was blue. But they've switched it before. Soma: "unguban wena?" Soso: "nah I'm blue." Soma: "okay." Ma: "supper's ready!" Soso: "finally..." Soma: "I'll take her for a walk so long." Soso: "you'll take her for the walk, after we're done eating Soma." They sat down as a family. Their mother prayed. Dad: "itya Soma. Ndingekak'faki shlangu." And for the first time in his entire life Soma picked up the spoon and ate. Just before Soso.

Chapter 558

I was cooking for dinner on Sunday. Lukhanyo had been on his laptop all day. Lubby was with the babies. After he put them to sleep, helped me with preparing the food. Thulani was bathing. I wanted to leave with my friends kodwa I know they won't let me. Lubb: "lihle.." I snapped out of it. Lubb:"why you always miserable and deep in thought ngathi une stress semali." Me: "zizinto zesikolo wethu nothing much." It was Lukhanyo, he was the one making me like this. Ebevela phi izolo? His answer was simple: 'Work' khangaphinde athethe. Mandy and Rene walked in. Mandy: "molweni. We came to kidnap your first lady." Lubb: "she's all yours.." Me: "andika qibi upheka." Lubb: "I'll finish up ambonxiba." I went to the bedroom ndabendisoyika uphoxwa kuthwe what I can and cannot wear in front of my friends that

would be embarrassing. The last thing I need is their pity. Lukhanyo walked in. Luks: "wahlala phantsi mfazi? What's up?" I was sitting on the floor. Me: "cinga into yonxiba." Luks: "this is cute. K'yabanda phandle for ilokhwe." But the girls bebenxibe iilokhwe. He gave me black skinny pants and a white top. Me: "ayizongena le top xa usithi k'yabanda." Luks: "nxiba le jersey ke." Me: "can't I just wear a dress?" Luks: "its cold." Me: "ndizogodola ndiyeke." Luks: "uphinde uphethela mna ingqele?" I wore the black pants and a white baggy shirt. I tucked it in and wore a black ankle boot platform. I took my scarf. Luks: "faka jersey." Me: "nah, ndigrand." He wasn't happy but he kept quiet. Me: "ikhona ofuna uy'thetha." Luks: "nizoyaphi?" Me: "out anywhere wethu." Luks: "what time you coming back?" Me: "late." Luks: "whens late." Me: "awukwaz buza kalok wena. It depends xa ndidiniwe. Your late is lam." Luks: "I was working." Me: "right." Luks: "lihle, do we have some sort of problem?" I brushed my hair ignoring him. He stood behind me and held the hair. Luks: "ndiyabuza." Me: "let go of my hair." Luks: "answer my question." Me: "ufuna ndide ndibenomsindo ne Lukhanyo..you testing my patience." Luks: "so awuzondiphendula?" Me: "we have guests." Luks: "to hell with guests. Ndiyoba vuthulula bonke bemke apha. This is OUR house." I got up. Me: "cel'usuke ndlelen yam ndiqithe." Luks: "yeeyi!" He warned. Me: "do it. Hit me Lukhanyo. So that your brothers hear how you treat your wife behind closed doors! Hit me so that ndibeyi topic of discussion ndihletywe zi tshom zam! Ndibethe!" Luks: "uyonga phumi k'le room sengathi awuna mbeko nje. Kuthen zothetha nam olohlobo nje!!" Me: "fuck you. And your stupid ass job. Unoske uthathe nempahla zakho uyohlala khona because here-" ndava ngempama. PAAH!! He closed and locked the door. Luks: "jonga wena...sundiqheli kaka uyandiva?" Me: "mngqund wakho Lukhanyo." He slapped me again and held my head. Luks: "don't fuck with me....you would hate what you see!" I pushed him away wanditsho ngenye. He held his fist by now. Luks: "ndiyoku faki nqindi uyeva?" Someone banged on the door. I got up slowly and looked at him. Me: "you hit like a bitch." He grabbed my neck and choked me. Luks: "uthini!!" I stabbed my nails into his arms. Luks: "ARRRR!!!!" He let go. Big mistake. I slapped him and hit him. Me: "why!!! Why do you want me to be like this!!!!" He was shocked. I took an ornament and broke it in half. My hands were shaking. He was on the floor staring at me. Luks: "put that shit down!" Me: "make me." I breathed. I sat on his chest kneeling on his arms. Luks: "Lubabalo!!!!!!" He screamed. They broke the door open. Lubb: "Lihle!!!" Me: "phuma apha Lubby." Lubb: "andizokwazi Lihle. I can't let you do this to my brother." Me: "oh, so kumand xa ekhaba mna?" Lubb: "that don't mean you must kill him!" She washed her face and they drove to the public hospital. A nurse attended to them. Lubb: "usakhumbula unurse wayekuzalisa?" Zintle: "yes I do.." She called out a name and they looked for her. The nurse was busy with a patient at that moment so they went to wait. An hour later she came to them. Nurse: "molweni. Can I help?" Zintle: "molo sisi, ndim uZintle.." Nurse: "Zintle?" Coming back 30 minutes later. They waited for the nurse who gave them a paper. He gave her the envelope looking at the paper. He dialed the number in front of her. Lubb: "hello, Mrs Bhatyi?" Caller: "yes?" He walked out to his car. Lubb: "uyaphila sisi?" Caller: "ndithetha naban?" He heard a baby cry in the back ground. That was His baby. Then a male voice: "thembakazi get off that damn phone uhoye lento man!!" He hung up. Zintle: "what's wrong?" Lubb: "masambe!!" He drove out to Kwa Magxaki. Following directions and then the address. Finally stopping at a peach house. He heard screaming and shouting inside. Lubby knocked on the door. It opened. A dark man with a beard stood there. "What do you want!!" Lubb: "ndicela ungena?" Guy: "kukwam apha!!" Lubb: "jonga andifun drama ke namhlanje. Vula umnyango sithethe nje ngamadoda." He let him in. Lubby looked around the house. Lubb: "kukwa Bhatyi apha?" Guy: "no. He drove back to his house and went to Buhle's room. Zintle: "Lubby." He wanted some alone time with his child. Zintle: "what did he say." Lubb: "they moved away. Abasahlali pha." Zintle: "abayazi singam'fumanaphi?" Lubb: "no... Ndizobuyela ngomso." He sat on the bean bag with Buhle. After some time he had calmed down but couldn't stop thinking of what the other was doing. Where was his little Babalo? Was she well-fed? Warm enough? Happy? Lubb: "ndik'goduse?" Zintle: "yes.." He got up and they took his big car, zintle drove to Summerstrand. Lubb: "can I keep her? futhi..come here." I kissed him. Luks: "busandibalisela kalok baby." He lay on my breasts while I talked. Minutes later I heard a light snore. As irritated as I was I decided to be understanding. He was tired and maybe falling asleep is not that bad. Although I wanted to go watch some tv. His arms were locked around me. Me: "sthandwa sam.." Luks: "hm..." He mumbled. Luks: "wathin ke baby?" Me: "lele nje wena.." Luks: "dinwe nd'yafa babes..worse ba ndihlel ne zulu lam kengok so I'm at peace." Me: "let me carry on studying ke." Luks: "Iza ne ncwadi..I'll help you.." Me: "you're half asleep love, its okay. I'll do it myself." Luks: "wuv yu." Me: "love you too baby.." He fell asleep again.

Lubby was up by 3am. Rock hard. He took a cold shower and dressed quickly. Grabbed his keys and left a note: "I'll be back before 7." He drove to his new spot. The team just arrived, they looked even more tired than the last time. Lubb: "I don't pay you to yawn. Ndini nike xesha elide kangaka to relax. Get your lazy asses into gear! Lucky! Run a 180 for me. 30 seconds." Lucky: "askies ta lubby?" Lubb: "make it happen!!" He got in the practice car...started and got himself ready. Lubb: "GO!!!!" He sped off... Stuja: "Ta Lubby...." Lubb: "what!!" Stuja: "Mandla uthe usendlelen ezayo. He was sorting something out, for the day since sizobuya late." Lubb: "what could you possibly sort out at 3am in the damn morning!" Lucky was back. Lubb: "this is just bad. We might as well ring bells while we drive!" Lucky: "kodwa Ta Lubby its col-" Lubb: "you will DO IT! Go!!!" He started the car again and sped off. Lubb: "I need Mandla here!! Somebody call his black ass! Sthe iza!!" Stuja went to call Mandla. Lubby showed Sthe how to start the car without a key and how to remove the tracker. Lubb: "you got that?" He nodded. Lubb: "enza ndibone." He did it and explained it. Lubb: "good. Efficiency majita!! Come on! Kuzophuma ilanga ningeka kwazi ubamb'ixesha! In who's asshole is Mandla stuck in na bawo!!" Meanwhile Mandla was in bed talking. Mandla: "kodwa uyay'lambisa indoda sisi...moer." Khanya: "yeah well. Busi uhambe noKhanyiso so that's why I came." Mandla: "nguban Khanyiso?" Khanya: "ngunyana wam." Mandla: "zange undixelele lonto mna kodwa." Khanya: "ndakuxelela first time, you never paid attention.." Mandla: "okay ke, ndikugoduse ngok or zahamba ksasa? Andizobakho ke mna." Khanya: "ubulinde mna qha mandla...when there's a bunch of girls all around...? You really waited." Khanya: "ndizohamba ksasa.." Mandla: "stixo usinike umama va." Khanya: "hayi Mandla! Can't I hide it somewhere?" Mandla: "nika umama esostixo."

He got dressed and left. Driving quickly to his team. Lubby had lost his patience long ago. He was having a really bad day already. It was only 5am. Lubb: "Mandla. Don't test me. I'm like a sprained ankle, you don't wanna play with me. Undivile?" Mandla: "yes boss." Chev arrived. Lubb: "I'll be back later." He got in his car and drove off. Calling Sir Morrison. Dad: "son. I know I taught you the saying, the early bird catches the worm shit...but come the hell on boy." Lubb: "dad, this is important." Dad: "I'm sorry. My brain doesn't wake up before 6. And its starts functioning after 7." Lubb: "dad. My child's life is at stake. I need her back." Dad: "hold on son. I'm on my way."

Chapter 560

Sebastian Morrison got to Lubby's house just after 9am. Dad: "my boy. What's wrong?" Lubby was holding Buhle. Lubb: "sit down dad." They sat down. Lubb: "I just found out that, my baby has a twin. She was given up for adoption. The couple has moved to King Williams Town. I don't know where. Problem is, I think she's in trouble I heard her crying over the phone and I just..." Dad: "okay, stay put." He took out his phone and dialed a number. Lubb: "who you calling?" Dad: "steven. He's based in East London currently but he'll be able track down the family. What's the details." Lubb: "Mr and Mrs Bhatyi." Dad: "we'll look for each and every person with that name if possible. Just busy yourself and I'll handle this." Lubby got up and took his keys driving to Lukha's workplace with Buhle. They got out the car and walked in. Likhanyo was in his office. The door was closed. Lubby knocked and opened. Lubb: "what's going on here?" Luks: "uhm...molo lubby. You didn't tell me uyeza." Lubb: "thought I'd surprise you." Dumisa was sitting on the desk with a file in her hand. Luks: "hellooo" he kissed Buhle and took her. Luks: "how's my little youngling?" Lubb: "she's been quiet all day. Dumisa?" Dumisa: "hello." Lubb: "khasiphe ispace sisi." She got up and walked out. Luks: "what's up?" He sat down holding the baby up. Lubb: "I found out kuba Buhle has a twin." Likhanyo stared at him. Luks: "uphi ngok!! And why the hell am I only hearing this now!?" Lubb: "you were tired izolo. I was still feeling raw about it." Luks: "no man lubby despite me being quiet, busenond'chazela! Uphi umntanam fondin!" Lubb: "waske waphambanela mna. I have no damn idea! Bekthwe use king. Tata is looking for her." Luks: "its a girl?" Lubb: "yeah...Babalo." Luks: "ncoow...khame ndilungise nje lewei, soncedisa utata ke." He finished up his work, saved it and emailed Dumisa. He switched off his computer and packed his bag. Dumisa walked in. Dumisa: "you're leaving? Its not even 10!" Luks: "more important things Dumisa. My daughter is missing." Dumisa: "the police should take care of that! Wena uzokwenzan instead you'll just go insane." Lubb: "ndik'phoxe

??" Dumisa: "I was not talking to you." Lubb: "well, I am talking to you! And ndisabuza ndikuphoxe na." Dumisa: "lukhanyo??" Luks: "please understand? Look, you'll cope for the next few days. Sorry." He took the bag. Luks: "masambe Lubby." They left the office. Driving to Thulz' building. He wasn't that busy since he was waiting for the Bill Sangane deal. Lukha walked in carrying Bubu. Thulz: "sweetheart encinci!" Luks: "sisengxakin Thulani." Thulz: "what's the prob now?" The baby lay on Lukha's shoulder attempting to sleep. Luks: "we have another baby." Thulz: "umithise ban Lubby?" Lubb: "hayi kengok. Caba ndingu 'Thand'ipanty' gama lam" thulz: "what's wrong?" Lubb: "buhle has a twin." Thulz: "where?" Lubb: "ndazi ba use King qha. Nothing else." Luks: "tell us from the beginning Lubby." Lubb: "so ndilwa noLiya. She blurts out about Buhle no Babalo. Since its not the first time bdisiva el'gama ndiye kuZintle ndimbuza. She confessed that she gave birth to twins.....but she..." He breathed and looked Away. Lubb: "she could barely afford one baby. So she gave up one. Apparently le couple moved to King. Ndifumene phone details zayo k'la nurse yayizalisa uZintle. When I called, ndiva umntana ekhala in the background. Uphethwe kabhlungu mntanam Lukhanyo. Ndlela ekuthethwa ngayo pha. I just don't know where to start." Luks: "give me the number. I'll try to track ba yeyaphi. Masambeni siye ndlin." Jeff came in. Jeff: "kukho ingxaki?" Thulz: "ewe tata. Sizothetha later." Jeff: "okay then." They left the office, driving to Lubby's house. Sebastian was on his phone. Dad: "I sent you two damn pictures! What the hell's wrong with you!" Caller: "I'll check again sir." Dad: "look here. You better fucking find them in an hour. Or else." He hung up. Dad: "my boy...we're almost there. I got the jet ready. We need a rented car from that side, can you sort that out?" Lubb: "okay." He went upstairs. Lukhanyo went to the kitchen and made Buhle her meal. Then Thulani sat down to feed her. Lukhanyo went to make his calls, sending the number through. An hour later they got ready to leave. Buhle was fast asleep. Lukhanyo prepared her 4 bottles and four purity's. Thulz: "why?" Luks: "I don't know how long sizoba phaya. Having babies taught me to be well prepared at all times." Lubb: "masambeni." Luks: "Tata!!" Lubb: "hehake lukhanyo. Dad.." Dad: "yes?" Luks: "here. I managed to find where the phone is." Dad: "you are just something else. Another Morrison. Let's get going." They got in the car and drove to the airport. Thulani covered the baby and they boarded the plane.

Soma woke up and stayed in bed all morning. He was thinking of a business venture researching on his phone. He needed help. Thandi came back just before 1pm. Thandi: "nana. Busow'tyile?" Soma: "ha.a love. Tryna get research on a new business." Thandi: "babes, why don't you do something you like qha?" Soma: "sleeping?" Thandi: "heee. Besides that." Soma: "chilling with Soso." Thandi: "baby man." Soma: "khazapha

Thandi: "what?" Soma: "yeah she has a kid. But Soso is claiming it." Thandi: "I thought he hated babies." Soma: "not anymore." Thandi: "then why you upset?" He didn't answer. Playing with his fingers. Thandi: "babe? Is there something ofuna undixelela yona?" Soma: "its just that...from another view I look selfish." Thandi: "how kengoku?" Soma: "Thandi. Soso says I steal his happiness. All the time." Thandi: "its a tiny bit true baby. Uyam'bhityisa wena umninawa. You always stressing him out." Soma: "with what?" Thandi: "you know he gets nervous around you." Soma: "that's not my fault though. All my life Thandi, I've always put Sonwabise first before everything. I took the wrap for every damn stupid thing. Since sakhula. I always fought for him. Been there for him. When he got involved ngento ez'phambeneyo I tried protecting him I even went to jail for him sacrificing my studies, for HIM to be something in life. Its not my fault I was brave enough to tell that I'm inlove with you. Now all of a sudden I steal his happiness." Thandi: "hayi ke kodwa Soma. You know he's a bit more fragile than you." Soma: "so again I must just let him be. But you know what Thandi, I'm not fighting nothing." Thandi: "why don't you share the responsibility ?" Soma: "he's too secretive about the child. As though akafun ndimazi at all." Thandi: "he's still trying to get to know her better khamphe ichance kalok baby." Soma: "I'm okay about the whole situation babes. I wish he could just trust me qha. I'm not intending to hurt him in any way." Thandi: "so you accept the fact that its His child." Soma: "yes I accept it." Thandi: "good. Now I think you should speak to him and tell him that. Tell him you support him and if he needs anything you'll be there for him." Soma: "okay..but he'll still see me as a thief. Asobe iphinde itshintshe lonto Thandiswa. He's the glorified miracle doctor and I'm the black sheep gangster." He got up and went to shower, got dressed too. Thandi: "not just a gangster. An intelligent, passionate, loving gangster." Soma: "awww. Still not feeling better though. Thanks babe." He kissed her cheek. Thandi: "I love you." Soma: "I love you too. I'll be back late." He took his keys and drove to the hospital. Sonwabise was finishing with his patients for the day. He sat next to an elderly woman who had an operation 2 days ago. Soso: "uziva njani ma?" Woman: "yuuh. Ingathi kususwe into ndafakelwa entsha. Enkosi bhuti. Nkosi ize ikusikelele." Soso: "ndiyabulela ma. Ndizobiza uNurse ke azokwenzela izinto zakho." He left for his office. He got a fright to see Soma sitting in his chair paging a book. Soso: "Why can't you be normal Somangaye! My goodness." Soma: "now what fun would that be..." Soso: "phakama Somangaye." Soma: "sleep well?" Soso: "sleep where? I've been here all night and morning." Soma: "unjan uSiphe?" Soso: "she's fine." Soma:

"ndingayomlanda eskolweni?" Soso: "I'll manage." Soma: "look, Soso, I know you don't trust me. But I'm not trying to hurt you at all. If you don't want me to be part of ya'll then that's fine too. Its your decision and I'll respect it." Soso looked at him, staring in his eyes. He meant what he said. He could feel it. Soma: "so that's all. Otherwise wena ugrand??" Soso: "I'm good." Soma: "off nini? Thought we could have a drink with the others somewhere.." Soso: "friday. But I'll be on call cause yayaz kungona abantu bonzakala ngayo is'kakhulu." Soma: "I'll see you then." He got up. Soso: "ndilinde...siyoland uSiphe." He packed his things up and they left together...

I left school after 5 and got home. Sisi was in a rush. Me: "molo sisi." She: "ndingxamile wethu sisi. Akaphilanga uAphiwe." Me: "utheni na sisi?" She: "unesifuba." Me: "oh hayi man...unayo ipump? Yena uLutha uno machine. Iza.." She: "uzothin uLutha yena?" Me: "he has an extra one. Thatha lena. Jonga ucofa apha." I showed her how to switch it on and work it. She: "izonceda?" Me: "funeke umsile kwa gqirha ke sisi. Let me see if I can check Lonwabo ndimbuze." I checked with Lonwabo. Losta: "usually it shouldn't be a probably umnika but there are different types of Asthma. It doesn't always work for another patient. It could heal or make them worse. The safest thing is to take them to hospital qha." Me: "enkosi bhuti." Losta: "sharp." He hung up. Me: "ndinise esbhedlele?" She: "its fine wethu sisi, suzihlupha. Ndizomsa ufika kwam." Me: "u-sure sisi?" She: "ewe nontombi suzikhathaza." She rushed out. Luthando crawled to me. His sister was asleep. I called Lukhanyo, he didn't answer. I tried Lubby, no answer. Then Thulani naye cwaka. Pumeza arrived. She was wearing a short black dress and heels. Me: "hello mntase." Pumeza: "hi mtshan uph Lubby?" Me: "erh..I don't know actually." Pumeza: "khand'phe number yakhe." I don't know if Lubby would appreciate that. He hated it when random people starting calling him. But at least he knows Pumeza. She wasn't Random. I gave her the number. She called. Pumeza: "kaphenduli nje." Me: "bendingafun ngathi ndinomona mntase ndlin. I just called them all abaphendul so noba bahlel kunye. Probably busy." Pumeza: "with what? Abekaphum emsebenzin?" Me: "nah. Uphi uNamhla?" Pumeza: "she's studying. Yabhala ngomso." I put Lutha on my back tying him with a towel, dummy in his mouth. I started cooking, Pumeza made coffee. And for once sancokola. Me: "kunjan ke Mrs Sangane. Life must be exciting." She looked around trying to avoid the topic. Me: "mtshana?" Pumeza: "its great." She smiled. That was so fake. Me: "you don't enjoy it do you?" Pumeza: "I get tired. I want something real. But I just...." Me: "you just what?" Pumeza: "I tried getting out..but he won't let me divorce him knowing fully well I'll walk away a millionaire." Me: "wenza nton kangaka dan?" When Lutha started sleeping I took him to bed and came back. Pumeza: "hayi wethu Lihle.." Me: "thetha Pumeza. What did

he do?" Pumeza: "he's always busy. If I spend 10 minutes naye I'm lucky. He's all over the world with his business and stuff." Me: "but you travel with him." Pumeza: "and I'm lonely too." Me: "then why don't you leave? If you don't want to be with him." Pumeza: "he won't let me!" Me: "yazi mtshana. To tell you the honest truth...nam ndakhe ndakulo situation. But if you really don't want to be there, take him to court, go through all of it. Restraining orders and all." Pumeza: "wena wenza njan?" Me: "I don't want to talk about me." Pumeza: "hay thetha mfaz." I really didn't... Me: "its just that Luks wasn't ashow do I put this. We've been through a lot. His lifestyle, made me want to leave so many times but he wouldn't let me." Pumeza: "kanene ligintsa." Me: "who told you that." Pumeza: "ngu tata." I rolled my eyes. Me: "well yeah..I can't just go. Although its not the same, andiyazi but ndinento ethi uyadyola but still ndiyamthanda and I want him to be mine. We fight so much. He gets angry and I get angry its so toxic. But I don't know if I can survive without him. He's such a part of me now." Pumeza: "your situation is different because you love your Lukhanyo. And mntase noba umntu angathin the decision will always be YOURS. Xa abantu besithi hlukana naye blah blah. Don't do that to please them. Ngumntu wakho lowa. Ba ufuna umxolela xa edyola ifuna wena leyo. Every couple fights, sometimes its not normal.-" me: "yeah, ours is not normal." Pumeza: "akhomntu perfect ebomin. Take some time out man. Noba yi veki...maybe you both need space and you're crowding each other." Me: "so wena uzothin ngo Bill?" Pumeza: "well...I'll take your advice. Only after I try it again with him for the last time. Ndizothetha naye. If things don't change I'm leaving his ass." Me: "okay. Nam ndicinga thatha leyakho advice. I just don't wanna give him space kanti kuzobakho latywetywe ingu Dumisa izaw'thi gxamfu umngqundu wakhe on my man." She laughed. Pumeza: "Lihle. Thetha noLukhanyo. Don't be clingy. Don't be bossy. The more you push he'll run to her. Mnike wena space zobona he'll be like a headless chicken." Hours later. I wasn't relaxed no more. Baphi ooLubby? Especially when they didn't pick up their phones. I started panicking. It was almost 10 in the evening. Pumeza: "yinton ngoku wathula?" Me: "akhonto peto." Pumeza: "hayi lihle yandoyikisa ke mna kunga fiki abantu apha!" Ligwala ke eli ndihlel nalo. Angalila oko, namhla is even better. I heard cars outside. Pumeza: "iyyuuuwwhiiii!!!!" I didn't wanna laugh but that giggle slipped out. The door opened. Lukhanyo walked in with Buhle in his arms covered in a blanket. Thulani came in after him. Then Lubby with another baby covered in a blanket. Sebastian Morrison came in and closed the door. Sebastian: "good evening ladies." Me: "evening sir. Can I get you a drink." Sebastian: "no thanks." Lubby was shaking. Me: "lubabalo? What's wrong?" Ndatyhila ingubo ka baba. My heart tore into pieces. I held back tears and took the baby. She started crying. Me: "what happened?" Lubby

broke down. Lukhanyo wiped his in anger. I tried my best to calm the baby but she just couldn't calm down. Me: "Sir, can you please drive me to hospital?" This child was still in pain. From Whatever happened to her little hand.

Chapter 561

Sebastian drove Lubby And I to hospital. He explained what had happened. The way he is boiling with anger, engasakwaz nokothetha. We got to the hospital just before 11pm and they took the baby in. We waited. Me: "she'll be okay lubby. Sukoyika." Holding his hand. Lubb: "I wish she could just stop crying. I wish I could take away her pain. Bamenzen umntanam Lihle!" Me: "I'm sorry.." I didn't know what to say to him because nothing will make him better unless he knows mntanakhe is fine. Me: "she's as strong as her father. Unyamezele. She's a fighter. Ngu Mzinyathi omncinci lowa. With a special hint of Morrison. Umfownele mama womntana?" Lubb: "Zintle will cry oko. I don't wanna stress her." Me: "she has the right to know." Lubb: "if she had told me this, beforehand! My baby wouldn't have been abused oluhlobo!!" Me: "I know...but ebengayazi naye nje. The last thing she needs is blame because uzova kabhlungu for ukuva lento naye." He took out his phone and called her. Zintle: "hello?" Lubb: "usahleli?" Zintle: "I couldn't sleep." Lubb: "I found her...ukhona uLungelo? Cela umnike iphone." She gave her boyfriend the phone." Lubb: "mjita, please bring uZintle, we in hospital right now." Lungelo: "ok, sinike 20 minutes awti." He hung up." Me: "Lungelo the lawyer?" Lubb: "yeah." Me: "is dating your ex?" Lubb: "yep." Me: "damn....it really is a small world." They arrived together after some time. Zintle: "molweni sisi." Me: "hi girl. Ndingu Lihle mna." She was gorgeous even ngoku engafakanga make up. Evuka ez'nguben. Pure beauty. I loved her face. Zintle: "niyaphila?" Me: "siright wena?" Zintle: "just okay. Lubby?" Lubb: "kodwa Zintle uyenza njan into enje? If bungazokwaz you should have just left her at my doorstep. At least I wouldn't have harmed the child noba bendingayazi ngowam." Zintle: "I was scared Lubby. You would have found a way to shame me and humiliate me again!" Lubb: "but I would not have harmed a child! Ubhale iletter explaining what happened njengase tv'in uy'fake nguben yakhe!" Zintle: "I'm sorry." Lubb: "sorry will not take away the pain she feels right now. The pain I'm feeling right now." Me: "Lubby, please calm down." Lubb: "calm down Lihle!?" Me: "kodwa ke nawe you're partly to blame because you should have listened to her side before doing what you did. But you chose your friends over her. Bezoyifumanaphi confidence yophinda azocela uncedo kuwe uzazi ba uyageza Lubabalo. This is not a time to be blaming who did what, why." Zintle: "what happened to her?" Me: "there's just a burn on her hand

ingathi utshile. I'm not sure." Tears ran down her face, she wiped them furiously and bent down covering her face. Lungelo sat down and hugged her. We stayed over the night the doctor attended to us just before 5am. We were still wide awake. Doc: "can I see Babalo's parents?" Lubb: "this is all of us. How is she?" Doc: "she is totally fine. What happened? You do know that I have to report this. She is a defenseless little baby. It is unfair." Lubb: "we just got her back from her foster parents a few hours ago in King Williams Town." Doc: "I will need their information forward please." Lubby wrote it all down. Lubb: "when do we take her home?" Doc: "today. Should be fine. I gave her something for the pain. She wasn't well fed either, so I will refer you to the baby nutritionist." Lubb: "thank you." Doc: "this way." Zintle and Lungelo went to fetch her. Lubby paid and went to the nutritionist. We left the hospital just after 6am. Lubb: "umchazele utatakho Zintle?" Zintle: "no..." Lubb: "we have to go to him. Sibeno thetha naye." Lungelo: "sele nihamba ngok ekseni nifike kwangoku..." Lubb: "yeah, I'm going to change real quick I'll come fetch you in an hour. Fownela tatakho umchazele ba siyeza." We parted ways. Zintle went with Lungelo and Babalo. Lubby, sebastian and I left. Me: "uhm, we need to buy new clothes and baby stuff for Babalo." Lubb: "didn't even think of that yazi. Zivulwa ngo 9 most yevenkile though so she'll use ez'a Bubu for now." Me: "I'll buy hers ngoku ksasa." Lubb: "thanks." We got home. Lukhanyo was bathing the babies. Thulani showered and went to work. Lubby showered and got dressed too. I made breakfast. Lubb: "keep it simple please babes, I don't really have an appetite." I made an egg, toast, bacon and sausages. I couldn't help it. Sebastian and Lubby ate. Dad: "are you going to be okay from here?" Lubb: "yeah, we just going to her family to notify them. And show them the baby." Dad: "want me to come with?" Lubb: "I'll be okay thanks dad." Dad: "that's my boy. You got me real worried last night. Take care of that girl..." Lubb: "both of them.." Dad: "all 3 of them." Lubb: "okay." He hugged him goodbye. Dad: "sweety?" Me: "yes sir.." Dad: "please don't call me sir, you make me feel so old and wrinkly. Call me Sebas...it sounds cooler." He winked. Andancuma. Lol mxm lotata. Dad: "thanks for everything. I am on my way now." Me: "have a safe trip." Dad: "oh why thank you miss." Lubb: "Mrs." Sebastian stared at him. Dad: "I hope you remember..bye son. Lukha!" Luks: "ta?" He came through the kitchen. Luks: "yes dad?" Dad: "I'm leaving." Luks: "so soon?" Dad: "yes...you can cope for now right? You'll call me if you need anything." Luks: "for sho. Thanks dad." He hugged him too. Sebastian left. Lubb: "nam ndisaya ePlet." Luks: "Uzoba grand?" Lubb: "I think so." Luks: "ndilindele ndihamba nawe." Me: "sow'vasile?" Luks: "ewe babes." He ate his food. Luks: "I'll call you va." Me: "okay." I kissed his cheek. They left with Buhle to go fetch Zintle. Lukhanyo's phone rang just before they entered. Luks: "hello?" Dumisa: "hey unjani?" Luks: "I'll be okay.

You?" Dumisa: "I'm good, so how's things? Did you find the child?" Luks: "yeah sim'fumene." Dumisa: "hm...I kinda missed you izolo. But ke I'll see you today right?" Luks: "Dumisa my family had a crisis, of course ima just drop everything! I'll see you on Monday." Dumisa: "but we had something planned." Luks: "I'll make up for it. Please just give me some time..." She hung up. He tried calling her back. She wasn't answering. She was with her younger sister, Kim. Dumisa: "nxx!! Sies." Kim: "yinton ngoku?" Dumisa: "uyandidika ulukhanyo!!" Kim: "uyinton ngoku ku Lukhanyo Dumisa?" Dumisa: "I love him Kim. Just leave me alone." Kim: "he is married. With kids." Dumisa: "so? He still makes the time for me. Naye ndiyayazi uyandithanda." Kim: "stay away from him Dumisa. Asoze ufumane indoda ekuthandayo ngokwenene because hleli nje uyahula! And you are manipulative and controlling. Look at what you did to Thabang! The poor guy is severely traumatized yilento umenze yona." Dumisa: "kim, I pay for your things, I support you umdala umngaka. Ndikondlela abantwana. I just dare you to double cross me. Lukhanyo ngumntu wam. Kwatsho notata lo wakhe. Uyandithanda and akaphinde ayeke." Kim: "kodwa Dumisa uwrong yazi." Dumisa: "such is life honey." She took out 500 rand. Dumisa: "buthe umntanakho needs amanapken nobisi. Ina." She put the money on the table and left.....

Lubby, Lukha and Zintle arrived in Plettenburg Bay with the babies. Songezo was waiting anxiously for them. Macy had prepared a meal in the meantime. Also nervous. Lubby carried Buhle inside. Zintle was carrying Babalo. They greeted. Songezo: "molweni ninjan?" Lubb: "siyaphila tata, ninjan nina?" Songezo: "we're good." He stood up. Zintle: "sim'fumene uBabalo. Here she is." He took the baby in his arms and smiled. Lubb: "we found her eKing Williams Town. The couple that took her..." His voice trailed off. Luks: "tata, umntana ebengaphethwanga kakuhle pha. Songezo took Babalo and cradled her in his arms. Macy held Buhle. Until the babies fell asleep. Luks: "uThando uphi?" Songezo: "thando is at work." Lubb: "uphangelaphi? Sifuna uyombona ta." Luks: "Estella will eventually give in. Just be patient, don't fuck up. Even though
anidyoli respect her and her space." They got to the house and relaxed for a few more
hours sharing stories with Songezo. They left just before 4pm for Port Elizabeth.

Mandla was sitting at home watching the builders. He was actually very bored with

Phila: "thank you very much sthandwa. I love you." Zuki: "love you too." He kissed her again and left for work.

Friday afternoon I came out school early. I drove to Lubby's house because that's my new home for the next week and a half for the two parties because it was spacious. Lubby hired 3 jumping castles. And 2 foofy slides. One that railed in the air for a few seconds (my child isn't going on that shit.) And one on the ground, you just slide on it until you splash into a puddle of water. He hired some clowns and mimes. 2 magicians kept appearing too. Smh. There was also a big castle with nothing but balls inside. I started decorating the house. Lukhanyo was nowhere to be seen. Probably yoland abantwana from day care. Lubby was busy with building a camping tent outside, there were cameras and stands and everything like soldiers. He was dressed in his camoufflage pants and black vest with black boots. Lukhanyo walked in an hour later, dressed exactly the same. Junior and Chuma ran around excitedly. Luks: "hey

honey." He kissed my cheek whilst I was aiming for the lips. Chuma ran to me. Lukhanyo grabbed him and threw him in the air then caught him again. The boy was all giggles. Chuma: "tataaa!!!! Hayi manni!!!!" He screamed. Luks: "masambe siyovasa." Chuma: "andifun vasa mos mna!" Luks: "kant uzovasa." He grabbed Junior and they ran to the bathroom. Lukhanyo ran them a bath. Luks: "my boy come here." Chuma climbed on his lap. Luks: "yafun ubayi ndoda?" Chuma: "ewe!" Luks: "indoda ayihambi ithetha kwanto eyibonayo kumamayo kwedin." Chuma: "andizothetha nto mna tata." Luks: "that's my boy. Uyindoda ke ngoku. Iza sivase siye ku daddy sodlala the soldier game." They bathed in excitement and got dressed in the soldier outfits. Lukhanyo took them outside to play in the tent, there was artificial bushes and fake guns. They hid and played together. Mandy came in to help me. Pumeza and Namhla too. Me: "Lubby ordered a massive cake ifika ksasa. For now we just setting up the play stalls for all the kids that will be here. Senze ne party packs. The hall down the passage izobenziswa zii magicians and the clowns." Mandy: "Lubby went all out hey." Me: "I'm just surprised he didn't bring Spongebob!" We all laughed. He walked in. Lubb: "kuhletywa mna ne." Me: "no...sithetha ngawe qha." Lubb: "what about me??" He stood by the counter took a sandwich. Lubb: "ndilambile ke bonanje." Me: "unjani ubabalo??" Lubb: "she's asleep. At least she stopped crying. Yuuh yatsho yama endawen yayo ntliziyo yam. Let me check on her real quick." Me: "uze naye if uhleli va and Bubu too." Lubb: "okay." He walked to their room. Namhla: "so naye he has twins? Yoh! Noba Liya naye zozala twins? Hayi shame niyakwazi." Me: "andiyazi. Have you tried contacting her?" Namhla: "no luck." Me: "anda tyhafa. Ngok ndicimba sohlalen sonke. Simenzele ne baby shower." Mandy: "kanti uphi?" Me: "I have no idea right now. Naba babini they're secretive." Pumeza: "I think instead of chairs we should put cushions for the kids pha kwela holo bazohlala kulo." Me: "that's a great idea." Mandy: "how many are we expecting?" Me: "Chuma's whole day care. Uthe ufuna undibonisa cherri yakhe embi." We all laughed. Namhla: "yaxoka lihle." Me: "I promise you those were his exact words. Mama, yabona xa iyi party ka Chuma? Ndizok'bonisa ke cherri yam. Leya imbi." Namhla: "uyazelaphi cherri! Unesgezo lamntan fuze ootata bakhe." Me: "yuuh sana." Someone knocked on the door. She walked in. Kuske kwathin wabitya kancinci na uSibongile? Chuma ran to her. Sbosh: "hello baby!" Chuma: "molo mama." Sbosh: "I brought your teddy. Lo buthe yamfuna." He grabbed the teddy and hid it. Sbosh: "esshhe." Chuma: "hayi mama Junior zohleka." Sbosh: "mos andizanga kuwe or her. Ndize kumntanam." Luks: "you just don't understand, do you.." Me: "she can come...ngumntanakhe mos uChuma. So why must she be away?" He turned to look at me. Luks: "uzohlala nani?" Me: "yeah, why not? Its a child's birthday akho need ye drama." Luks: "fine. We having a family gathering in the morning, so if you can make 9am. But the actual party starts at 1pm." He turned around and left her there. She looked around awkwardly. Was she dismissed? She turned and walked out to catch a taxi.

Chapter 562

The day of the party came. I woke up at 5am, lukhanyo's arms wrapped around me... Luks: "no baby.." Me: "we have to get ready babes." Luks: "we'll get ready at 7." I covered myself again. I missed my husband. I held his body massaging his organ. Luks: "hayi baby sungcola tshi." Me: "ndiyakukhumbula njena." Luks: "ndiyozela babes...the moment we wake up yeva?" Heeee. Mxim. I decided to play with my phone because ndiphelelwe bub'thongo. A message beeped. Lubby: "you awake?" Me: "yep." Lubb: "come have a swim. I heated the pool." Me: "can't swim." Lubb: "LMFAO. My gaahhddd!!!" It wasn't funny at all. I didn't have a pool while I was growing up and I was never interested in the sport at school. Lubb: "come. Wake Lukha up, I'll teach." Me: "I don't want to learn." Lubb: "okay fine. Basketball?" Me: "okay." I put the phone down. Me: "lovey," luks: "hm??" Me: "let's go play Bball with Lubby." Luks: "you go babes, ndiyozela mna." Me: "but nawe ndifun ube khona..." Luks: "ndiyeza ke." I brushed my teeth, washed my face. Got dressed and went to the court. Lubb: "morning." Me: "hey." He threw the ball and I caught it. We played while talking. 2 hours later I went to shower. Lukhanyo was still asleep. Lubb: "Khavuke fondin!! Yuhh yabuthanda ubuthongo." Luks: "fuck off bra.." Lubb: "naii!! Vuka!" He pulled him out of bed and they went to wake the boys. I got dressed in skinny tight jeans. And a black suede wedge I got at Luella. I had on a black blouse. It fit perfectly. I tied the hair up and went to the babies. Bathing BuBa(Babalo and Buhle) Sylvia bathed Luthandoluhle. We dressed them for the party. Luthandoluhle was wearing their minion outfits. The blue overall and yellow top underneath. With white socks. BuBa

had on soft pink dresses. Which I bought yesterday. We fed the four and I sat there thinking thiza wam. I have four babies. 6 to be exact. And when Liya gives birth? Heee bana. Ibengu 8? Or maybe she is carrying one baby. Lonto ziyachana ezi zimbin straight. In no time Lukha is gonna want to have sex, I should make an appointment with Rene for contraceptives. I can't deal with 10 babies. Lubb: "ucinga phi?" I didn't realize he had walked in and Sylvia had left long ago.. Me: "uhm...nowhere." Lubb: "talk to me..." He sat down and listened. Me: "well ndicinga the kids we keep having in our family. I need ba ndiyofaka la contraceptive...at least kubekho a 3 year gap kolandelayo. If uzobakhona.." Lubb: "soo..you don't want anymore kids?" Me: "they are a lot as is...at least if sinokhe simeni kancinci...there's no rush.." He put Babalo to sleep. Lubb: "I agree with you.." Laying her down on the bed. Me: "Liya having twins?" Lubb: "nope. Its only one baby.." Lubb: "you ready?" Me: "ewe. I'm done." I smiled. He hugged me. Lubb: "thanks for everything." Me: "only a pleasure." He pulled back and pecked my lips. I was surprised. He kissed me again, slower.....his lips moving in a motion. Sucking on my lower lip, holding my behind firmly squeezing lightly. I pulled away. Lubb: "I'm sooo sorry....I don't know what came over me." I simply walked away. My heart beat was on a high. How could he just....what the....my Goodness! Chuma and Junior ran out the bathroom naked, laughing and screaming loudly. Lukhanyo chased after them. Luks: "I'm gonna catch you!!" Junior: "Tata!!" He screamed. Thulani grabbed them both. Thulz: "happy birthday nyana." Chuma: "happy birthday Chuma!!" Junior: "happy birthday!!" Me: "happy birthday sweetheart!" Luks: "masim'culelen." We sang him happy birthday. Then sat in the dining room table for breakfast, made by our wonderful Sylvia. After breakfast, I washed the dishes. Mandy, Pumeza and Namhla arrived. We started making hotdogs and burgers. Lukhanyo stole one and stood by the sink. Pumeza was telling us about her trip to Los Angeles some time ago. Pumeza: "hollywood is the place to be. I'm telling you. While walking in the streets, everybody started taking pictures of me. Ndayi instant celeb my Friend." Namhla: "hay mtshan noba bunxibe la lokhwe ingath lulusu. So baqabuka yona." Pumeza: "hayi Namhla. Umona yinto emdaka sisi. I was wearing my designer dress.." Namhla: "le yolusu." Pumeza: "kanene you clueless about fashion. Mntase, khathethe, lonto umhle today." Namhla: "lihle?" Mandy: "hello??" Me: "huh? What?" Pumeza: "hayi ntombi ucingaphi?" Me: "some school assignment. I think I left question 1 out. Kanye ndiye ndam'faka? Ndaske nda dom." Pumeza: "hayi wethu uyoy'cinga ngomvulo eksen lonto. Chazela uNamhla uyi ugly duckling." I giggled. Me: "hehake Pumeza." Mandy still stared at me. Me: "what's up?" Mandy: "Damian, checks your assignments. You can't miss anything." Me: "yeah.." I took the hotdogs out to the lounge. She followed with the sauces. Mandy: "did something

happen?" She whispered. Me: "where." Mandy: "between you and him.." Me: "no! Tshin hayke Mandy. Stop playing." I went back to the kitchen. Mandy: "ucingan kengok?" Me: "how's the business?" She pulled me to our room. Mandy: "spit it out!" Me: "akhonto mandy I swear." Mandy: "is it the fight you had with Lukha?" She hugged me. 😊 O.o Mandy: "these things happen kalok peto. Just respect your hubby, umxelele xa ungay'funi into." Me: "okay." We went back out to finish up. Sbosh arrived with 2 little boys. Soma and Soso arrived with a little girl. I took the 3 kids out the back to the amusement park Lubby hired. Me: "Chuma!! Junior!!" Chuma: "weeeehhh...nanko umama esbiza again." Lmao. Usile lomntana. Me: "izapha mpa!" They ran to us. Me: "what's your name angel?" Girl: "Siphesihle." Me: "and you two boys?" Boy: "mna ndingu Ahlumile, lona ngu Hlumelo." Chuma: "heeh Ahlu kwedin! Iza zobona." They ran to the castle. I was left with Siphe. She was soo adorable. Me: "okay, uzohlala nathi ne? Then the other girls will arrive soon nawe uyodlala." Siphe: "okay sisi." We went back to the kitchen.....

The kids poured in just after 12 bephethe their camp stuff and presents. They were sleeping over. At 1pm we all gathered in the hall. Sylvia prayed for us. Lubby wenza ufefe. Well, the kids ate their hotdogs and burgers with the Ceres juice boxes. There was marshmallow and chips everywhere. After eating, the Magician came through, then the clowns. After the mimes acting. Came the presents. They were all toys. Lubby came with a Range Rover kiddies sized. It was the mini model of our own! Chuma was overly excited he climbed in. Lukhanyo got him a tricycle, he'd been dying for it. He screamed in excitement. Lukhanyo spoke. Luks: "okay, kids, this next one is a surprise present from Lubby. Chuma, mntanam, come here." Chuma got up shyly and walked to him. Luks: "guess who it is?" Chuma: "andazi nje tata.." A big Spongebob puppet walked in. WOAAH!! 🤩:v I knew it. The kids went crazy. Jumping up and down. Who was wearing the Spongebob outfit? Spongebob: "HI KIDS!!" It was Lubby. Kids: "Hi Spongebob!!" They played around with him and sang. That was probably the cutest gift ever. Me and the girls went to the kitchen. Me: "what's for dinner?" Mandy: "I was thinking pizza but no, kudala besitya junk food. So sizobenzela a nice meal." Me: "right la sausage and meat bi braai'ywa ngu Thulani. Ndizokwenza ipap and we still got the cheese rolls." Namhla: "and some vege's. Baby carrots ne-salad." Sbosh: "ndincedise phi?" Me: "khabe usenza salad lomzuzu." I made the pap in a big pot. Then went to check the babies. Sylvia was with them. Lutha on her lap. I took Buhle who was awake, the other two girls fast asleep. Pumeza: "we need paper plates. Uphi uLubby?" Namhla: "ngu Spongebob pha kaloku." Pumeza: "that is so freaking sexy. Indoda ethanda abantwana kangaka. Ide inxibe a lame outfit to impress them...hmm...." Namhla: "get over your crush noLubby. It will never work.

Akana ngqondo lamntu." I went out to the garden and played with my baby. I took off my shoes and we sat on the jumping castle. She giggled loving the little bounce. We went to the garden and chatted. Well she was talking in baby language. I couldn't understand. It started getting cold. I went inside the house. Lukha and Spongebob had lit a fire. Luthando sat next to his father. In the kitchen, the ladies were done with the food. So we chatted away. Thulani came in wayohlala noSpongy and the team naye. My dad and Sine arrived. Sine went to the hall too. Sizwe: "mntanam, nguban la popeye?" Me: "ngu lubby." Sizwe: "yazi iyafana naye lonto. Andothukanga tu ndik'xelele." Me: "unjani uTa Smig?" Sizwe: "he's okay. Shame uphetheke grand pha. I don't understand what's taking so damn long." Me: "you know how prosecutors like to drag stuff. I hope they're not investigating other things." Sizwe: "such as?" Me: "a friend of mine...ndim'baqe ephethe a bottle of their stuff. I stopped him ezozihlaba inaliti. He says his supplier ngu Stu." Sizwe: "Stuja...so they're still selling." Me: "clearly. Nim'fumene umama ka lukha?" Sizwe: "she's out the country. My guess is she probably knew amapolisa ayeza. Wabaleka kqala." Me: "but that's so selfish of her mos, what about her sons? What if bebebaqiwe?" Sizwe: "ngcolile lamfazi. Fana nje noZakhele. They just made the most crucial couple." Me: "tata, cela undichazele inyan ne. I promise I won't freak out." Sizwe: "sure, what's up?" Me: "when you were shouting at umama usithi kuye she couldn't think for herself kukho uZakhele. What did you mean?" Sizwe: "hayi mntanam. Bendino msindo." Me: "dad please. Uphilile?" Sizwe: "great." Luks: "come join us." He took him away from me before I got my answers!

Thando was waiting for Asanda to get ready. Thando: "its just a kiddies party. Nxiba jeans and a sweater ngath yatshintsha weather." She wore jeans and a warm grey sweater. With a long sleeve vest and t shirt underneath. Mandla: "niyaphi?" Thando: "ku Ta Lubby." Mandla: "ndizoyoni dropper. Masamben.." They got in and drove to the house, he left them there and went back to find Khanya. She was at home studying with Khanyiso on her lap. Her mother was not yet back from the hospital. She hated being alone because Busi was always with Lonwabo in their big house. She had to take care of her mom's. She had to take care of her child too. Her books needed attention too. Khanya was stressing and couldn't focus anymore. Her phone rang. Khanya: "yes?" Mandla: "ndisendlelen ezayo ndik'phathele nton?" Khanya: "noba yinton baby yokutya. Ndonqena upheka." Mandla: "ok." He hung up. 20 minutes later he parked his car outside neatly in the driveway. Wangena. Khanya was still upset because Khanyiso refused to sleep. It was just before 8pm. Mandla: "wenzanton?"

Khanya: "ndizama ufunda but I can't focus." Mandla: "ngoba dan?" Khanya: "this is my son. Khanyiso. A little distraction." Mandla: "hm..itya kalok ufunde. Sapha Khanyiso lo yena. Sikhe sibonde nje ngamadoda." He took the baby. Khanya ate and went back to studying. Mandla lay on the couch watching tv, he took off his shoes. His feet were on the arm rest. Khanyiso lay on his chest pulling on his beard. The child was finally calm. Khanya could now study in peace. A while later the boys fell asleep together. Khanya lay a blanket on them and went back to her books. The front door opened and Busi walked in. With Lonwabo. And their mother. Busi: "now who the hell is this!!" Ma: "endlinam!!"

Chapter 563

Mandla woke up and stood up. Mandla: "molweni ma." He held the baby in his arms. Ma: "Khanya.." She breathed. Ma: "nguban lo?" Khanya: "ngu mandla mama." Ma: "ufuna ntoni apha?" Khanya: "I needed help ma. Khanyiso bengafun lala and ndiyabhala ngomvulo I can't study. So he offered to keep him quiet while ndifunda." Ma: "oh. Uhlalaphi?" Mandla: "aphe Zwide mama." The baby held his t shirt with both hands chewing on it, he burped and slashed white liquid on him. Then giggled. Khanya: "I'm sorry." Mandla: "nah kugrand.." He wore his shoes and wiped himself. Mandla: "ndiyaxolisa mama." They just stared at him awkwardly. He didn't know what to do. Busi: "hamba Mandla. We are here now. Sizomncedisa uKhanya." He took his keys and left. Ma: "Khanyisa!! Yindoda yaphi lena!" Khanya: "oh hayi kodwa mama. He's no harm." Busi: "uyi HAZARD lamntu. Uyambona phof unjan! He is old and akakufanelanga! Kuthen nje ungahlali kuSibulele. He's always there for wena and supports umntanakhe! Ngoku ungenisa iz'gelekeqe endlin!" Khanya: "akango tsotsi uMandla. He's just different. Not sonke kalok sizofunwa ngaba nxiba isuit and tie. Xa umntu umthanda the least of your worries is his clothing." Busi: "Khanya. NdimDala kuwe. You have a child. Suppose your focus is on him and your books! Not emadoden amadala!" Khanya: "uxolo Busi." Busi: "suthi xolo kum Khanya! Nanku umamakho uphuma esbhedlele wena uhlelise amadoda endlin." Khanya: "mama I'm sorry.." She took her baby to the bedroom with her books too. First putting him to sleep. It took her over 2 hours because Khanyiso was still busy playing..she then started studying but was too tired to be able to focus. She tried her best but the information just didn't get into her head, she gave up just before 11pm and slept. Her phone rang. Khanya: "hello?" She whispered. It was Anelisa. "Peto! Khandivulele ndilapha phandle." Khanya: "k." She got up and walked to the front door, opening for her friend. She was shivering. Khanya: "kuthen unganxibanga nje? Uvelaphi?" Anelisa: "yuh peto." She

sobbed. Khanya: "no Anelisa! Khanyiso just fell asleep he's being a bit difficult. Cela ungangxoli." They sat in the lounge. Anelisa: "I need a place to sleep peto. Mama utixile igate and Lucky is going to start looking for me." Khanya: "why would he be looking for you?" Anelisa: "ndibalekile peto kuye!" She cried. Khanya comforted her friend. Khanya: "kamand mos peto usabambe grand pha.." Anelisa: "ndizoya kuye ksasa mtshana." Khanya: "what happened Anelisa? Khathethe." Anelisa: "Lucky has HIV." Khanya jumped up and stared at her. Khanya: "Whaaat!! I hope you used icondom!" She hissed. Anelisa: "we didn't..." Khanya: "umunccuuu!!! Unga towner njan nomntu ongamaziyo!" Anelisa: "like you're perfect!" Khanya: " I am Not perfect Anelisa! But every guy endilala naye ndithi make sure kuba kukho condom! The only man I have ever slept with, without a condom is my baby daddy! QHA. Noba ndinxile kangaka nani na. Condom ndiyam'nxibise umfana. How could you be this Dumb?" Anelisa: "I don't need you judging me right now. Ndicela ifriend not umama" Khanya: "okay jonga nantsi plan. Sizoya eclinic, ulile kakhulu uthi you've been gang raped awuyazi ngooban. Bazokunika ezapills to prevent you from HIV." Anelisa: "uzond'khapha?" Khanya: "of course tshomi akho ngxaki. Anelisa: "fine ke.." Khanya: "masiyolala." They went to her room and slept.

The next Sunday morning the kids woke up. I took the first 3 girls to bath. Namhla took her 3. Mandy took her 3. Pumeza took her 3 too. Lukhanyo, Thulani and Lubby washed the boys. After everyone was done, they made their little blankets and mattresses up. I had woken up at 5am to make pancakes. I dished up, with flapjacks and the girls made the rest of the breakfast. We all ate. The kids ran outside to play. I went to check up on the babies. Luthando was awake, entertaining himself. I undressed him for a bath. Someone walked in behind me. Lubb: "can we talk?" Ndavele ndoma. My heart beat went crazy again, I became tense. I started shaking. Lubb: "Lihle.." Me: "I have to bath Lutha." I muttered and hurried out. He pulled me back inside. Lubb: "kuthen undibaleka kengoku?" Me: "I'm not." Lubb: "no don't lie to me. Look, let's just forget le yayizolo. It never happened." Me: "way past that.." Lubb: "good...because we're great friends and I want it to stay that way." Me: "same here..." Lubb: "sapha Lutha lemme bath him." I gave him the baby and walked away. Mandy and Namhla were cleaning the hall. I helped. Sbosh was helping Pumeza wash the mountain of dishes. Lukhanyo was sitting in the lounge with Lonwabo and Thulani. 2

hours later we started with the last meal. Lunch. Sbosh made it. She was quiet and so nice yazi. Kodwa amadoda bethuna. Basenzela i-enemies ezi unnecessary. Well I helped her, the kids came In and ate. With their little party packs. Chuma was King for the weekend. Lubby made him wear a gold crown. The king walked into the kitchen rubbing his tummy. Chuma; "mama, ndifuna amasi." Sbosh: "baby, kwenziwe nje sandwich." Chuma: "andifun sandwich mna. Ndifuna amasi." Sbosh: "kodwa Chuma awakho amasi." Chuma: "uzowathenga ne?" Sbosh: "qala ambotya sandwich yakho." Chuma: "TATA!!" Luks: "yooh?..." Chuma: "ndicela uthengela uChuma wakho amasi." Luks: "okay my boy, masambe soy2." They left together. I could tell Sbosh was ticked off. Kodwa ke uzothin? They came back with a 2litre of amasi carried by Chuma. Him: "ina ke mama, ndicela amasi." She pieced brown bread into a bowl and poured amasi. Chuma: "enkosi mama." He took his bowl and sat next to his father. Luks: "khandiphe?" Chuma: "hayi kengoku tata. Iva." He fed him a spoonful. Chuma: "noUncle Tools, iva. Amasi ka Chuma." He fed him too. Chuma: "tata nguban lo?" Luks: "ngu Uncle Losta." Chuma: "iva apha Uncle Lost." He gave him his then sat down to eat.. Luks: "siphi sonka sakho?" Chuma: "nasi." Luks: "sandwich yakho man." Chuma: "andis'funi." Luks: "yatala qith man.." Lubby came through holding his daughters, he gave one to Lukhanyo. Lubb: "khabambe apha. Ina Losta." He gave him the other then walked back to fetch Lutha and Luhle.....

By Sunday evening I was dead tired. I just wanted to sleep. Pumeza stood outside with Lubby talking, he was holding a small glass of whiskey. Pumeza: "so....you didn't give me a tour of your house." Lubb: "you didn't ask." Pumeza: "sendiyibone yonke qha andazi noba ulala etoilet kanye ekitchen na because khandibone room." Lubby laughed. Lubb: "come." They went to his room. Lubb: "this is my kingdom. The boudoir." She smiled shyly. Pumeza: "all white linen....sexy." Lubb: "what did you expect." She sat on the comfy bed. Lubb: "want a drink?." Pumeza: "nah." Lubb: "soo..." Pumeza: "I thought you wanted to chill.." Lubb: "uhm..you must have gotten the wrong impression. I meant as friends, to chill outside. Qha." Pumeza: "that's not what you meant the other day." Lubb: "I didn't mean anything besides le ndiy'thethayo Pumeza. I'm not interested in fucking you." She got up, a bit embarrassed. Pumeza: "I should..." She walked out quickly. I walked to my room for a nap ndambona ephuma eroomin. I was startled but ndathula. Lubby walked out behind her ndangena kweyam and closed the door. Taking off my dress, Putting on sweat pants and threw myself on the bed under blankets, falling asleep peacefully. Everyone had left during the day. Lukhanyo sat in the lounge with his twin. Thulani left with junior. Sbosh left with Chuma. The babies were asleep. Lubb: "drink?" Luks: "nah." Lubb: "what you busy with." He peeped over his phone. Lukhanyo hid it. Luks:

"haibo." Lubb: "ufihlani?" Luks: "uyinton efownin ka Lihle?" Lubb: "oh, this is hers? Khambone." They looked through it together. Lubb: "nguban lo??" Luks: "yila ntwana afunda naye. Damon or some shit." Lubb: "from the states? Ngathi he's an actor." Luks: "maybe..." Lubb: "wait, hold up. Hold my phone. I know this guy." Luks: "nguban." Lubb: "this is Owen's son. Ngu damian scott lo." Luks: "oh." Lubb: "why efunda apha though. Thought he was in London." Luks: "anyway, ndiyabuya ngok va. Hold here." Lubb: "ndingaku khapha?" Luks: "I'll be cool thanks." He got up and left. Lubby watched some tv for a few hours then made a snack. He was a bit lonely so he went to check on his kids. Then went to the other room. Lubb: "hey. Ndenze i-potato chips, want some?" I woke up. Me: "what?" I mumbled. Lubb: "khamisa." He popped one fry with cheese sauce in my mouth. It tasted delicious. Lubb: "nonke nalala kangaka. Ndihlal ndodwa. Hayi vuka mfazi, bekunin ngoko." Me: "I'm tired Lubby. Been working the past 2 days." I ate the chips. Lubb: "awuy'bawel juice?" Me: "yeah." Lubb: "phakama ke lady ngoba nam ndiyay'funa." Me: "pass me my tshirt." He threw me a vest and I wore it under blankets. I went to fetch the juice ndafika se-comfortable qithi kuna kqala. Me: "uhm..I'm going to Rene's for a Yoga session with the girls soo..." Lubb: "hm!" He swallowed. Lubb: "great! I'll go get ready." Me: "no lubby. Its For girls only." Lubb: "but Lukha already left me alone, noLonwabo went back to his girlfriend, Thulani is with Siya and their family. Mna ndizohlala naban?" Me: "the babies hun." Lubb: "balele!" Me: "hayi Lubby ndithini ke kodwa mna? Call your other friends." Lubb: "but you're my realest. Bonke abanye don't give a fuck actually. Bonke aba ndiba bhalileyo are busy." Me: "then I'm sorry but ke nam ndiyahamba." He left the room to go to his 4 babies. I washed my face and got dressed in tights and a vest with sneakers then drove to Rene's house.

She gave me a pink mat. We all sat down and started with the Siddhasana. To focus our minds and help circulate our blood flow to the spine. We went on to the plank. Then the cat pose 2 hours later, we finished up and chatted over a glass of wine. Me: "I still have to drive home. So I can't be drinking more than two." Mandy: "celebrating that right now we can actually relax. This weekend has been long." Me: "Rene where's your son?" Rene: "Lebron is with his dad. Since last week. What did you two get up to, I've been busy with work all weekend." Mandy: "party for Lukhanyo's son. Chaos I tell you, how's Damian?" Rene: "he fucks like a little boy." We all laughed. She stared at us with a serious face. Me: "you're kidding me right?" Rene: "this is the ultimate truth. The first time I thought it was because first times are always awkward but second and third I just gave the fuck up." Mandy: "is his dick size the problem?" Rene: "no. I'm just teaching him how to use it." Mandy: "and you?" Me: "what about me?" Mandy: "the grin on your face. What you thinking?" Me: "a new

way to spice the romance. I feel like my baby's getting bored." Rene: "buy a cowgirl stripper suit." Me: "that's weird Rene." Mandy: "not actually. Its quite sexy. Its a string n lace type. With leather gloves. Boots and a whip." Me: "no guys that's over doing it." Rene: "he'll love it...come." We got up and drove to Rene's favorite shop 😊_- picking out two outfits. The cow girl and bunny suit. I thanked my girls and drove home just before 10pm. I walked in. Me: "molweni." The guys sat in the lounge staring at the tv. Me: "molweni??" Lubb: "wassup." Lukhanyo gave me a look. I walked straight to my bedroom and changed into the cowgirl outfit. Holding the whip. Heheheee!! Lmfao. What the hell am I doing?? Ndizothin ba lukhanyo unoveske ahleke? What if he doesn't like it? Ndizothi ndiy'thengele nton? Am I trying to say our sex life is boring? Meanwhile in the lounge. Lubb: "uyawa qumbeleni?" Luks: "la mngqundu wo tight!! Lihle akandiva man! Akandi respecti." Lubb: "tight? Beye kwi Yoga mos suppose unxiba ilokhwe ne jean ngaphantsi. Hayi wethu khasel amanz uyeke undidika." Luks: "mxim." He got up and walked to the bedroom, opening the door and stepping in. He was shocked and a bit taken a back. Luks: "baby wenzani?" He chuckled. Andakhubeka. Me: "don't you like it?" Luks: "uhm. No offense ne mntu I love you. But that hat makes your head look so big, ingathi une unlimited memory. Yinton yona le ingathi lixolo letapile? Uwoaah. Wanna join me for a shower?" He took off his t shirt and went to the bathroom. I was so embarrassed. So ashamed. Maybe I did look like a fool. Vuleka mhlaba ndingene undigqumelele ngoku!

Chapter 564

I lay in the bed with my pajamas on. A slow tear escaped my eye. What's going on with him lately? I can't speak to him while I'm this emotional. I look pathetic and ugly. Worse ndiyafixiza. I wiped my face and tried to sleep wabe umntu ecula in the shower. Always in that 'great' mood but not apha kum. 30 minutes later he came out and slipped into bed texting on his phone. I wanted to sleep so badly but I couldn't. I had insomnia at the worst time. Ndahlala ke thinking to myself ngezinto eziphambeneyo and what I'd do at school. My phone beeped a message. Lukhanyo leaned over way'thatha. Checking it. Just an email. He put it back down. I got up and walked to the bathroom ndavasa ubuso bam. He was underneath his blankets. So belala. I went to the movie lounge and switched on an old movie. Watching it quietly. Until 2am. Lubby was helping Babalo fall asleep, she was a bit restless. He tried to calm her down, giving her some milk and her med's. He rocked her back to sleep, hearing another noise from down the passage. Who was still awake at this time. He thought. Putting his baby down, he trotted down the passage and found the

source of the noise. It wasn't loud. Just audible. He went inside and checked who was sitting. I was half sleepy. Lubb: "hayke for nton mhlawmbi? Why aren't you sleeping?" Me: "andina buthongo." Lubb: "ewe kalok bulele emin. You got school tomorrow though. You have to get some rest." What was the point. He sat down next to me. Lubb: "khona ingxaki?" Me: "no..there isn't." Lubb: "I know you, uhlutshwa yinton girl? Talk to DaddyLubb." Me: "akhonto iwrong Lubby just leave tu." Lubb: "why you shutting me out Lihle? I'm trying to be a friend here!" Me: "why did you kiss me!!" I was dying to know. Lubb: "it was an accident." Me: "an accident? You didn't trip though." Lubb: "you're acting as though bungafun like I somewhat forced you to." Me: "well you kind of surprised me." Lubb: "you loved it." Me: "I didn't." He turned my face to look at him. Ndiseli hlwili ndinjalo ke. Lubb: "and if I??" He kissed my lips softly. Lubb: "do it again..." Something inside of me shivering. His lips were wet and cold. Sucking me gently. Me: "please stop this." Lubb: "I can't now...nguwe ovuse le topic." Me: "what if Lukhanyo walks in here!" Lubb: "lukhanyo is fast asleep." Me: "no Lubabalo. This is wrong..." Lubb: "then kuthen ungandinqandi lihle? If its so wrong, why you still sitting here." Me: "I got here first." Lubb: "bull.....come here, andizokwenza nto..." I was shaking. I didn't know ndaske ndalocker. Why was this happening now? He kissed me again. It was a deadly move, I know. It was wrong in all angles but it felt so right. So sincere and real. The realest I've felt in a very long time.. He held my body. I had to stop him there. Me: "no lubby. This is fucking wrong." Lubb: "ngeyphi ke le i-fucking right?" He kissed my shoulders.... Me: "it can't be right." Lubb: "let's go.." Me: "siyaphi ngoku Lubabalo?" Lubb: "away. Out there in the world. To make it feel right. Just for one week. Your holiday is coming up. I'll book a vacation in Dubai for us qha." He smiled. Me: "no." Lubb: "yes..." Dubai was my dream place. Lubb: "woyika nton?" Me: "everything. The vows I made to your twin. Ayisoze ilunge Lubabalo even if I left him for you. He would hate you for the rest of your life. Can you live with that? With me knowing that I caused you and your half to be broken apart? No. I'm sorry...I just can't." Lubb: "uzoyiva ngaban?" Me: "hehake. Secrets don't last forever." Lubb: "who said anything about forever?? We just enjoying a moment qha." Me: "moment of weakness." Lubb: "ndicela uyeke undilwa kangaka lihle." Me: "I know this is not you speaking. Yimbatyo le yakho." Lubb: "hehehe...mxim." He pulled me in his arms and cuddled. Lubb: "I still want to go to Dubai though. Take the kids, sipholeni kamandi.." Me: "then go. Nihambe no Thulani." I started sneezing. Lubb: "yagodola?" Me: "kind of..." He pulled out a blanket and covered me. Me: "I should go to bed." Lubb: "if you wanted to ngowahamba kdala. Qha andiyaz kuthen uz'bambe kangaka. Umntu ke uyaqabuka xa emincela

kwanto le." I laughed. Me: "hayi suka tshi. Andimincanga." Lubb: "utsho ngoku." I eventually went to bed still sneezing. Ndigodola. Sleeping till 7am.

Monday morning. Lukhanyo was just out the shower, dressing in a black suit. I think I have a cold. I still sneezed and sniffed. With a sore chest. Me: "uyaphi?" I croaked. Luks: "its Monday. Work." Me: "oh..." Ukhe ubawele uncokola nomntu and not know what to say to them? Was he seeing someone else? Is that why ebengekho interested anymore? Me: "lukhanyo.." Luks: "yes?" Me: "ulala noDumisa." He looked at me. Luks: "uyabuza okanye uyandixelela?" Me: "I'm asking you." Luks: "well that is a pretty pathetic question coming from you. Come on fondin." Me: "phendula kalok." I coughed again. Luks: "No. I'm not." He took his keys. Me: "ndicela undiphathel yeza lokhohlela." The way he looked at me ndaske ndoyika. Luks: "lihle, phakama ebhedin. Oko uthe nyeke imin yonke k'lo bhedi izolo. Even today? Hayi man! Now you're ordering me around like your servant. Get up, bath and get ready for school." Watsho ephuma. He probably didn't sleep well. I got up from bed and went to the toilet for some time. Then before I brushed my teeth ndakhe ndazi jonga espilini. I looked like something you would find in a dump. Kanye etipin. My hair was a mess. I had something stuck in between my teeth. I had a big snot hovering about my nose waving at anyone looking. I had bags under my eyes. it was an ugly scene. I brushed my teeth and washed my face ndaya ekitchen to look for flu remedies. Lubby was sitting in the lounge with a cup of cold coffee and a newspaper watching CNN. Lubb: " good morning." Me: "hi." I just wanted to cry. I made toast with butter and strawberry jam. With some hot cocoa. Lubb: "you okay?" Me: "think I got flu. My chest hurts." Lubb: "go lay down I'll bring you something." Me: "lukhanyo told me to get up and get ready for school." Lubb: "lukhanyo is talking fresh ass. Ambolala lihle." I was scared what if Lukhanyo came back and screamed at me again? I walked to the room slowly. He came with a tray of my food and some warm custard and pills. I ate the toast first. Drank the pills ndatya custard. He kept dipping his finger in. Me: "andaz noba sivelaphi esosandla." Even my voice changed. Lubb: "psss....girl please. Zi clean zandla zam. Jonga. Lonto I have to go fo my manicure." Me: "you're crazy. Sapha phone yam ndifownele Damian and tell him andizi." He gave me the phone, I called him and continued eating. Lubb: "aw'sa vimbi nje." Me: "awutsho ba uyafuna kalok." Lubb: "ndicel undiphe?" His eyes meant something else, they told a seductive story. His eye brow arched up and a slow smile crept on his face. It sent chills down my spine. Damn you Lubby. Me: "no." Lubb: "see? Yavimba." He lay on his back. Ndatshona ez'nguben ndalala. Waking up 3 hours later endijamele with a stupid smile. He was under blankets in close range. Our faces one hand away. At first andilibali ingu Lukha. Kanti mxim. Me: "what are you doing?" Lubb: "watching you

sleep." Me: "you have a tv and a movie cinema." Lubb: "you're cute." Me: "baphi abantwan?" Lubb: "I took the younger twins to mamabo. Lutha noLuhle badlala noSylvia in the garden. How you feeling?" Me: "still the same." Lubb: "give it some time. Zobagrand." He gave me a hug..the warmth. I melted into a dizzy sleep again. The next time I woke up ndamva behind me. Sleeping too. I don't know what I was doing, what game was my mind playing? Sleeping with Lubby for what? Why!! Why couldn't I say no to him because I did Not want to do this. But we're not fucking...we're just cuddling. No. It is wrong! His head was buried in my neck, his arm around me, his fingers merged with mine. He's so sweet...but its still wrong. Just as I was about to wake him up. The door opened. Wangena Rene and Mandy. Oh my God, I wanted to die that instant! Rene: "they're both asleep...how cute..." They thought it was Lukhanyo. The tattoo on the back of his neck. Thank God! I prayed he didn't wake. Why are they here! Mandy: "lihle honey..." She whispered and yes Lubby woke up. The horror on his face. Rene: "I'm sorry.." Mandy: "sis Sylvia didn't say nilele...we just came to check on her." Lubb: "ban xesha?" Mandy: "uhm, its twenty past two." Lubb: "shit!!!" He jumped out and ran to his own. Ndingesena ntloni. What was I thinking. This is so bitchy. Kuthen ndaske ndane satan tendencies nje. Mandy: "lihle." I looked at them and smiled. Mandy gave me a look. Mandy: "you ok?" Me: "yep." Oh good, akabonanga. Rene: "let me give you a shot, it'll help you heal faster." She injected me. Mandy: "ntombazana. Yinton le ndiqiboy'bona?" Me: "mandy. Ndiyayaz lento uy'cingayo and hayi ayiyo." Mandy: "ndiyayaz ba ngu mkhuluwa womnyen wakho lo uphuma apha. Lukhanyo has a body of tattoos." Ndavele ndabanda. Rene: "what's going on?" Me: "its not what it looks like." Rene: "what is?" Mandy: "ewe lihle..what is?" Me: "he just kept me company. That's all." Rene: "who? Lukha?" Me: "thats not lukha." Rene: "No!!!" Mandy: "hayi lihle!!" She smacked my shoulder. Me: "ouch!" Rene: "don't tell me ya'll fucking." Me: "we're not. Guys please relax." Mandy: "it didn't look that way when we walked in. Hayi Lihle I'm not supporting ke tshomi not k'le game." Rene: "especially when you in his territory. He can and will do what he likes." Mandy: "he is manipulative. You know him. Ngoku uzenza sweet and innocent playing the perfect side dish. The moment you fuck him, you must know its all over. No more him. No more Lukha. No more luxury life. They are twins. Blood related! If Lukha finds out, he'll automatically choose his brother over you!" Rene: "I suggest you go back home. And draw him boundaries. Be clear. Be honest." Mandy: "you have a wonderful husband who loves you. Don't do this." They were right, Lubby was playing with my mind. He tells Lukhanyo everything of course nale ingafika seyazi. They discussed it. That's why Lukhanyo was acting leway because I played into their trap ndali hule lomfazi. I was

so disgusted. He was probably waiting for the day I have sex with lubby azosibaqa andilable. Ndisozela ndinjalo ndatsho ndiphakama. I wonder iyoba mnandi na when I just ignore them both. Sies. Me: "can you please help me pack." They packed my things while I showered. Mandy made the bed. I got dressed. Rene: "aren't you feeling a bit woozy?" Me: "yes.." Rene: "I'll drive you home." Me: "my babies." Mandy: "Sylvia uzoba jonga." Rene drove me home nda-cleaner kwam and cooked a lovely dinner. Meanwhile Lubby was in a meeting with Bill. After the meeting Bill invited him for dinner at the Radisson Blu hotel. Lubb: "a friend of mine is living there." Bill: "bring a partner, I'll be bringing my wife." Lubb: "sure thing..." He left. The dinner was in 2 hours, Estella wouldn't make it. He called Lukhanyo. He didn't answer. He tried Lonwabo. Losta: "mjita?" Lubb: "sani. Ugrand?" Losta: "ndisharp wena?" Lubb: "I'm 100. I need a partner man. Ndiya kwi dinner ne business associate." Losta: "are you asking me out?" Lubb: "no man Lonwabo. Can you get me a partner?" Losta: "eish..andazi awti. Okay let me give you number ka Spoki." Lubb: "okay thanks." He sent him the number. Lubby called and they agreed to meet.....

Lukhanyo got home just after 5. I still wasn't feeling well but I was better than before. I got out the shower and dished up for him totally nude. I was on the phone with Damian. He told me which activities to practice and what work to study. Damian: "I hope you get better." Me: "I will, thank you Damian.."
Damian: "and I kinda wanted us to talk bout your friend." Me: "what's up?" Damian: "she is amazing...just that she seems like she doesn't want anymore than to use me. I don't like that." Me: "isn't that what you want?" Damian: "no actually.." Me: "then talk to her about it. She'll understand I'm sure." Damian: "you know she says you said I'm a movie star. Why you making fun of me?" I laughed out loud. Me: "I did not!"
Damian: "ahh..you laughed. So you did. What you up to?" Me: "oh I'm just chilling with my notebook and laptop wena wenzan?" Damian: "girl you know I don't understand you at all. What does that mean." Me: "wena means You. Wenzani is what you doing." Damian: "and what does crazy mean?" Me: "uphambene." He laughed. Damian: "well, wena uphambene." He said in a weird accent. I laughed again. Me: "goodnight Damian." Damian: "night buddy." He hung up. Luks: "so ikuvisa kamand le ntwana." I got a fright. How long had he been standing there. Me: "he was telling me what to study." Luks: "so apparently iyahlekisa lonto. Its so nice huh." Me: "he was just telling me a joke." Luks: "a joke? Ithin?" Me: "ebesithi ndiphambene."
Luks: "yijoke kengok lonto?" Me: "kalok ebesitsho ngesi Xhosa. It sounded funny."

Lubb: "when I got home, I was a bit worried esithi uSylvia umnkile." Me: "I don't want you around me Lubabalo whatever it is that happened andifun phinde yenzeke. Ndiyamthanda uLukhanyo that's not gonna change. So ndicela uyeke lento and stay away from me." Lubb: "but Lihle, we're just comfortable qha." Me: "then why is it a secret? Khandiyeke ne? Me: "I'm serious Lubabalo." Lubb: "same here. Tell him, if it means the world to you." Lukhanyo walked in. Luks: "nyana, let's go for some drinks." He looked excited. Lubb: "now?" Luks: "yeah! Iza fondin. First two

He hung up. Luks: "people that actually want to have fun with me." Mna khangе ndibuzwe kodwa nam ndiyafuna. Luks: "masambe man Bafo!!" He went to change. Lubb: "you gonn be okay?" Me: "yes.." They walked out together ndayo ngena straight ez'ngubeni undressing ndashiyeka ne underwear. Khangе kubek'dala kwakhala phone yam. It was private number. I picked up. The caller hung up. I replied: "okay, umphathe kakhle girl. Abuye ksasa." Send. Kodwa nguban lo and uyifumanaphi number yam? I stayed up till 1am ndizama ucinga about my marriage. Remembering our hot nights together. Our happy days.. Where did it go wrong? Why did I do this to him? Ndingu mntu onjan na. I suddenly couldn't sleep because of the guilt I felt. I walked to the cabinet and poured myself whiskey. Glass after glass. I felt like dancing the stress off too. I connected the home theatre system ndafak Beyonce No Angel. Ndaqal cula ndazivisa kamand endlinam slow dancing and grinding. At 1am that was a bit disturbing. I fell asleep on the couch. Lukhanyo walked in and stared on the couch. Then the bottle. He shook his head walking to the room to sleep. Ndothuke 2 hours later ndaphakama. Heeee. Nditipile na bawo. I walked to the bedroom and saw lukha under blankets. Lihle Mzinyathi wabe enomqhelo. I pulled those blankets off him. He turned to look at me. Luks: "yinton ngxak yakho!!" Me: "xandik'khumbula ndithin? Ndiyadikwa yilento yakho yongand'hoyi." I sat on him. Me: "I feel like playing.....don't you?" I unstrapped my bra. Luks: "khasuke kum lihle." Niyamaz Beyonce yathand motivator.....grinding on him. Me: "I know I drive you crazy baby but at least I'm trying..." He was pissed off. Luks: "I'm warning you..." Me: "or what?" He pushed me off waphakama wakhwela phezkwam. Luks: "I'm gonn give you what you want." He tore off my underwear and entered immediately. It pained because it was unexpected. Me: " baby wait..." He moved roughly in and out it was painful and uncomfortable. Me: "lukhanyo!!!" Holding his arms, pushing him. We fought until He held my wrists down and went on. Me: "lukhanyo please just stop!!" Way'faka yonke I just wanted to cry. I couldn't move. I waited until he was done I don't know when but it was too long. He got up and went back to sleep. Luks: "nantsoke into buy'funa." I covered myself and held back my tears. My body was in total shock. Maybe I deserved it.

Yinton lekaka bendiyenza noLubby. Kutheni ndinje! I started shivering. Ndavala umlomo wam ndalala.

Waking up the next morning was difficult. My vagina was swollen and a bit sore. Ndavuka ndakhe ndacinga. I missed my children. All 6 of them. But I had to go to school because I decided to be a hoe yesterday. The thought made me nauseas I went to throw up. Bathed and brushed my teeth. I didn't know how I felt. But I was broken inside. I went to get dressed. Taking out my leopard print tights ndaphinda ndabeka yangathi besendi sitsha. I took out jeans and my sneakers instead. I wanted to fetch my babies but andifun bona lubabalo. I called Mandy for help. Her phone was off. Rene was probably at work. My phone rang. Me: "hello?" Caller: "hello mama!" It was Chuma. Wait, how did he dial my number? Phone kaban le? Me: "hey baby. Where are you?" Chuma: "sendlin njena. Wena uphi?" Me: "nam ndise ndlini. Uhleli naban?" Chuma: "ndihleli no mama. Lindele transport ka Chuma." Me: "oh okay mntanam. Unjani ke?" Chuma: "ndiright mna. I hung up and realized ba since Rene drove me home yesterday I left my car there and Lukhanyo was gone. I took my school bag, locked up and walked to the bus stop ndakhwela itaxi. I got off in town and took another to Summerstrand. I arrived 30 minutes late. 😞/Damian was already waiting. Damian: "where have you been?" Me: "I was busy with something. You good?" Damian: "I'm great." We rushed to class. Today I was in no mood but had to smile here and there. Nodding and say the appropriate I'm-listening-sounds. "Oh?, hm. Really?" Keeping a front the entire day At school. Until it was home time. I took a taxi back home. Sibongile called and came with Chuma. She was still in her uniform. There was no tension whatsoever. Lento ndisithi amadoda asenzela unnecessary enemies. Sbosh: "you okay? You seem a bit....off." Me: "I'm sorry. Ndingcinga into zeskolo qha. Akhonto." Chuma was on the floor playing with the monster truck Lukhanyo bought him. Chuma: "do you like it? Yes. Hayi Chuma ithi sisi! Usisi kaban? Chumani, ndithi ithi sisi. Ewe tata. Hayi ndahlala ke." He was mumbling to himself all along. Me: "baby, who are you talking to?" Chuma: "noJosh mama." Sbosh:

They sat. Lubb: "qala apha, you gonn start reading it aloud. If you can't pronounce the word sound it out." Mandla: "t-he cat r-ran after t-he moose." Lubb: "mouse. Its a small rat. Impuku." Mandla: "oh okay." Lubb: "so you'll do this at home. Uzokubona Monday for your first lesson ufike ngo 8 apha. Plus she'll teach you Maths. That okay?" Mandla: "igrand ta Lubby enkosi." Lubb: "pleasure. Hamba ke go practice that every time you get a chance." Mandla drove to pick Khanya up. Calling her on the way. Khanya: "hm?" Mandla: "ulele?? Emin apha?" Khanya: "ndine period pains baby." Mandla: "okay ke, ndizok'landa pakishe bag for weekend. No-Khanyiso umfake." Khanya: "uhm...undivile Mandla? Ndiyamensa." Mandla: "ndikuve kakhle baby. Ngoku ithi lonto andihlali nawe ngoba?" Khanya: "okay let me get ready." He hung up. She was a bit shocked, most guys are turned off by the period thing umntu athi uze xa uqibile. Why not Mandla? Or he still wanted sex even though robots zibomvu. Mxim sies. She packed her and Khanyiso's bag. Then spoke to her mother. Khanya: "mama, ndizobuya ngecawa ndihamba noKhanyiso, tatakhe ufuna umbona." Ma: "uqibile upheka?" Khanya: "ewe mama, and ndiphakile." Ma: "okay ke. Nindibulisele." Mandla arrived, she took the bags, covered her baby and left. They went to buy takeaways and snacks for the weekend. Then went back to his flat. Mandla: "awuna cramps

baby? Awufun nto yosela?" Khanya: "ewe ndicela pills." Mandla went to the house wabuya ne packet ye brufen. Mandla: "uthi uAsanda sela one apha." Khanya drank the pill, Mandla fed the baby. Mandla: "hey kwedin." He missed him. Mandla took the boy and lay down on the bed. Khanyiso was falling asleep. Khanya: "undibizele nton Mandla? Asizokwaz ulalana" Mandla: "ucifan'ba yiyo yodwa into endiy'funayo kuwe leyo? Andikhathal noba uyopha. Mna ndifun hlala ndincokole nomntu wam qha." He put the baby down and massaged her, then rubbed her feet. Mandla: "ugrand?" She nodded. Mandla: "zoba right mntu wam. Ayikho bhlungu?" Khanya: "its just the cramps." He rubbed her stomach. Khanya: "enkosi baby." Mandla: "sho sho lovie." She took a nap next to her son. Mandla took out his books and started reading quietly....

I got home lukhanyo ehleli noChuma and Junior. Things between us hadn't changed. Wayengathethi nam at all. This whole entire week. Lubby hadn't visited either. Oko wayemke ngalamin bebephuma cwaka. It was late afternoon. Ndaqalisa upheka. Luks: "masamben boys go fetch your bags." Me: "niyaphi?" Luks: "lubby." He muttered. Ingathi wonqena nokothetha. Me: "I thought nihamba ksasa." Luks: "for what reason?" He strutted out with their bags. Me: "uhm...uzobuya wena?" He didn't Reply wangena motwen yakhe wemnka. He went to drop off the kids and drove to Dumisa's place. She was about to bath pouring in a pinch of something in her water. She burnt another and bathed. Wayicima and went to get dressed. Lukhanyo arrived. Dumisa: "hey!" Luks: "hi ugrand?" Dumisa: "great..so sisahamba mos?" Luks: "yes of course. Sunday. Tomorrow yiparty ka Junior, so we gonn do the whole thing all over again. Then mna nawe we fly sunday afternoon." Dumisa: "I can't wait! I hope you prepared ke ne. Akhomntu ozasiphazamisa." Luks: "yaz'phambanisa lo uhleli k'landlu." Dumisa: "uthen shame?" Luks: "akaz'kwazi man. Uz'phethe kakbi. Mntu ingathi uncamathele ebhedin oko." Dumisa: "uwoah mxim. Elovila. I hope you're hungry I made dinner." Luks: "hmm....ndaqibela nin ukutya kamandi. Phaka ke sweety." She went to the kitchen and took out the newspaper again. Sprinkling something in his salads and meat. She gave him the food wayothatha okwakhe. They ate together. Luks: "this tastes amazing..." He swallowed and continued eating. Dumisa: "it always will..." After eating they relaxed and chatted about the latest at work. Then kissed. Dumisa: "andikwazi ulala nawe ungekohlukani naye. So us is only happening after the divorce." Luks: "yoh ndaqal fuman cherri engekho weak ol'hlobo..kodwa ke baby ndiyak'thanda njena.." Dumisa: "nam sthandwa ndiyak'thanda...." Luks: "just a little taste? Ndicela uyiphuza ke baby?" Dumisa: "no...uzoy'qhela lonto." Luks: "ndiyak'thanda Dumisa va?" Dumisa: "me too." He kissed her again. Luks: "let me get going..." Dumisa: "call me later?" Luks: "definitely." He left again. Kim walked in near tears. Kim: "usingcoli somntu Dumisa!! Nguwe lo uthathe phone yam!" Dumisa:

"bucimba I wouldn't find out ba buzama ufownela la kakakazi yomfaz??" Kim: "you are evil!!" Dumisa: "watch your tone love. I swear to everything I own. Ndive bukhe wam'bona ngeli lenyama iliso. I will kill you ulandelwe ziintsana zakho. Uyandiva?? LET ME BE HAPPY!" She went to wash her dishes.

Meanwhile I was at home cooking. Just in case he came back hungry. Beef stew and pap. Its been a while. Plus its his favorite meal. I dished up ndayo vasa and got dressed. I wore long dress and a cardigan ne pumps. I packed my small bag for tomorrow. I ate and washed my dish. Luks walked in waza straight kum ekitchen. Andoyika. Ebezothin? His eyes looked red and distant. Luks: "ndicela sidibane eroomin." So he finally wants us to talk. Noba besonqena abantwana. Sahamba saya eroomin. I was a bit calm now that efuna siwork oute differences zethu. He closed and locked the door. Then kissed me. He was already hard. Since when. Me: "baby?" He undressed me. Nigga must be playing. Me: "lukhanyo!" Ndava ngelokhwe ikrazuka and dropped to the floor. Me: "what the hell are you doing?!!" I pushed him wabuya ngamandla eslwanyana. He pushed me on the bed on my stomach, holding my hands behind my back. I couldn't move at all! Kuske kuthin na Yehova? He slid the panties to the side and entered. Ndasitsho iskhalo. I screamed and begged him to stop and give me a chance. His other hand held my hair wandidibanisa nomqamelo. No sound came out. I cried silently praying and begging to God to make him stop. Yayingathi my heart was ripped out and thrown away. He went on and on for a longer time. Close to 45 minutes waphakama wandiguqula. My body was numb. inside out. He went back in. Ndaziva ndina mandla to fight him. I hit and pushed him ndimfaka manqindi scratching him. He held my hands and lay on top of me moving deeper and harder. I just lost all hope. I couldn't scream or cry no more. My voice burnt. Nothing left. He finally came to a stop and pulled him out. He sat on the bed and looked away. As umntu onentloni. He breathed heavily ebile ethe xhopho waphakama waye bathroom, I heard a shower. I closed my wobbly legs ndayothatha tracksuit yam. And got dressed. I could hardly walk. My destination was the police station. Andisoze ndikwazi kaloku, hayi uxolo. I tried to unlock the door as silently as possible and walked out slowly. Not by choice. Ndithe ndisaphuma efront he pulled me back in enxibe towel. Luks: "uyaphi ungavasanga?" If I shower I wouldn't be able to report him because akho evidence!! Luks: "ngena kwi shower uvase." I went to undress ndangena. Ndazulisa making it a point not to wash my under. Me: "ndiqibile." He took his rag wet it and rubbed in between my legs. Ndaveske ndatyafa. He made sure it was clean ndaphuma ndayo nxiba something else. He got dressed and walked out to the car. Luks: "tixa sambe." He took my bag and phone even. I locked the house and went to the car. He drove off. Luks: "ugrand?" A sad tear ran a marathon down my

left cheek ndayosula. Luks: "ndiyathethi Lihle." I shook my head. Luks: "khona nto oshota ngayo?" How could he ask me that shit! I couldn't talk either. Ndaske ndanyaba. I wanted to fight but my body wouldn't let me. We got to the house kwabe kukho ezinye castles and things. I was not interested at all. Got out the car with my bag and walked in kab'hlungu. The pain was written on my face. Ndayobeka bag and went to help in the kitchen. Ndalibala nobulisa oko. Pumeza: "ngas'phambanel ke thina. Mpa!! Yimalin umolo!" Me: "yoh, molwen guys." Mandy: "you okay? You look a bit sick." I wanted to talk so bad but I couldn't take the embarrassment away. I felt dirty. Mandy: "khayonqenqa babe. Ingathi uzowa wena." She led me to the room. Ndangen ebhedin took 2 sleeping pills ndalala. I woke up hours later. I wanted my children kum. Walking to their room I bumped into Thulani. Thulz: "hey sweetie ugrand?" I nodded. Thulz: "what's wrong?" I didn't wanna answer him. Makasuke kum. I walked past ndaya kwi babies zam. Lubby sat there holdin Lutha up. Lubb: "khahambe kalok nyana. Come on my son. Take a step." Lutha jumped up and down yi excitement when he saw me. Which melted my heart to such an extent I had tears in my eyes. Luhle walked to me. Ndamphakamisa. Lubb: "uhm...hello maybe?" Me: "hi lubby." Lubb: "sup...you good?" I nodded. Ndabe ndiyi mince meat. I kissed my angel and chatted to her. Lubby stared at me suspiciously. Lubb: "kuthen udumbe amehlo?" Me: "spent the whole night studying kwi laptop." Lubb: "and your voice?" Me: "left with the flu." Lubb: "your posture? Your walks?" Me: "stop analyzing me man!!" I snapped. Lubb: "lihle." He picked up the baby and walked to me. Lubb: "thetha fondin kwenzekani?" I wanted to cry badly. Ndabe ndiziva I'm on the edge. I was gonna break down any second. Lubb: "please talk to me babes. I'll try my best to help. What happened?" Me: "I wa-" lukhanyo walked in. Luks: "kukho umntu oku khangelayo efront. Smith. Hey bumble bee ka tata..." He kissed his daughter. Lubb: "tell him I'll be there in a second." Luks: "says its important." Lubb: "do I look like I give a flying fuck?" I walked out. I didn't want Lukhanyo thinking there was something I was doing noLubby. It would make matters worse. Ndayongene roomin yam. Changing my baby's nappy. Luks: "kukho into enzeka between wena noLubabalo Morrison? And you better not lie to me. Uyakutya?" Me: "no." Luks: "uyaxoka lihle. You did something with him. Bengasoze athethe olahlobo kalok. Never. Yighabe sisi." Me: "lukhanyo umntana." Luks: "suzimela ngomntana Lihle. When I've been going to work ndisenza a living for us. Wena uvulela ubrother wam amathanga. Did you know ba utshatile phof? Or you need me to remind you?" Watsho ekhulula ibhanti. Me: "lukhanyo umntana!!" I sobbed. He could hit me all he liked. But oko mntanam angaboni Yehova. "TATA!!!!" Chuma yelled from outside. Chuma: "tata, khand'vulele!!" Luks: "yinton ngxaki yakho Lithembelihle? For you to

go sleep with my twin? You're weak. Usezo dlalwa ngalamadoda! Because mna andikufuni. Not after le bhentse undenzela yona. You disgust me! Sies man awuzithandi!" Chuma: "josh khavule lomnyango ndingene." Luks: "ufuna nton kwedin!" Chuma: "ndifuna utatam tata maaaaan!! Vula!!" Lukhanyo opened. Luks: "ndim lo." Chuma: "yeke, iza sik'bonise iCastle ethengwe ngu daddy." He dragged him out. Ndathatha umntanam. Ndaqoqa konke okwam ndayolanda pram zabo. Put both my babies in ndaxhwaya okwethu and walked out. Somehow nobody noticed. Ndahla indlela and walked to the house I was bought. 99% of me didn't want to be there. It brought nothing but sad memories although zange sahlala kuyo. This was our dream home. The only person I knew who wouldn't ask me stupid questions was the one I called. The person whom I despised in the beginning kanti I would need her near the end. Sbosh picked up. Me: "Sbosh, please help me..." Zisihla nenyembezi. Sbosh: "uphi girl?" I directed her wafika in 30 minutes. The babies were crying and I suddenly knew not what to do with them. She took Lutha, changing his diaper and fed them. Wababhodlisa then put them to sleep. Sbosh: "lihle, yindlu kaban lena? Why are we here?" Ndatsho ndakhumbula umhlobo wam uSino. Sibongile sat next to me and hugged me. Sbosh: "shh...sukhala kalok ntombi. Ustressa nabantwan." I tried calming down and talking. Sbosh: "ha.a sweetie. Shhh...." I lay in her arms for a very long time. Ndade nde cwaka. I finally found the courage to speak. Me: "enkosi.." Sbosh: "we all need a cry every now and again. Its a feminine thing. Just let it all out." She sat with me quietly wandincokolela into zakhe. Which was what I wanted. I didn't want people asking me about this nightmare I'm living. Maybe lendawo ndikuyo is an even worse idea. What if he finds me and punishes me again. The thought made me cringe. My heart was really heavy. Hours later. It was dark outside. Sbosh: "peto. Awulambanga? Let me order some pizza." She took the phone and called. Someone walked in the front door and shut it closed. Whoever it was knew kukho abantu since the lights were on. Ndaveske ndangangcazela luloyiko. Sbosh: "calm down mtshan. Sibabini umnye yena. Sukoyika." He stood in the lounge. It was Lubby. He looked flushed ngathi ebebaleka ene stress or some shit. Lubb: "oh Thank God!!! Kunin ndikukhangela! How do you leave the house lihle ungachazeli mntu. I was worried sick! Ndisuka emotherwell! Naku tatakho! Nakoo Damian abanuk intsula! Every damn where this was my last hope! Don't you ever...scare me like that again. Please man Linki...yhini na ntombi. Sendisifa sistress. My babies?" Sbosh: "balele." Lubb: "wena uyinton apha?" Me: "ubizwe ndim." Lubb: "for the why? I thought I said when you needed something ngikhona." Me: "get out of my house Lubabalo." The whole Mzinyathi lot just made me sick to the core. Lubb: "but lihle, kwenzekani? Yinton le ungandixeleli yona and andiphum de uy'thethel!" Me: "get. out." Lubb: "lihle please..."

Me: "hamba man!!! Just go!!!!" I screamed. Waphuma emane ejonga ngasemva. He eventually left driving back to his house. He walked straight to Lukhanyo who was laughing and talking with his friends. Lubb: "lukhanyo. We need to talk." Luks: "awww madoda. Yangena ingqawa. So....kunjan ke? Huh? KuMandi??" He was drunk. Lubby grabbed him once and took him to his room and locked it. Lubb: "now I'm gonna ask you this once. And if you even lie. I will feel it. I will burn the shit out of you. Umenzen uLihle?" He took out his torch and blazed. Luks: "hhayi lubabalo sani!!!!" Lubb: "ndingu lubabalo kuwe uqala nin! Mbeko iphi lukhanyo? I asked you a question. Umenzeni?" Luks: "THULANI!!!!" He screamed. Lubby waited till he was done. Lubb: "uqibile?" He smiled. Lubb: "By the way. This room. Is sound proofed." Oh God.

Chapter 567

Luks: "lubby. We're twins. We share the same blood. Yinton lento uzayenza?" Lubb: "I'm not gonn talk again ne. Ndanditshilo ndathi kuyakukhubeka abazal aba bethu bangasekhoyo. Sundenz umsindo lukhanyo!!" Luks: "Lubby, uyinton ku Lihle?" He knew where to poke him. He would use the situation to his advantage. Lubb: "what are you talking about!!" Luks: "I know the tension I felt ungena kwam nithetha. You two are always together. Flirting and doing Lord knows what together. Niyalala Lubby? Is that why you want to kill me?" Lubby swallowed hard. Lubb: "no Lukhanyo." Luks: "but? Something did happen. Can't you see what's going on? She's trying to break us apart Bafo. Usuka ku Xolani deceived him, came to me, ngoku ulandela wena." Lubb: "she's not like that Lukhanyo. Stop it." Luks: "lubabalo. Ya actor lamntana. Khandim'bethe mna I didn't do anything. Ndingam'betha njan umazi wena kqala unawo amandla ondikhaba? Wangena efuna undihlaba. You know that yakwaz ubetha! Andenzanga nto mna." This part was true. Lubby thought. He knew Lihle wouldn't let Lukhanyo hit her at all. Ingayi lo fight. Luks: "lubby. You know me. Ndisuke apha ndaye office'in. Then Ndayomthatha. Buza koo Chuma. Simshiye right lomntu. Ba makenze auditions zakwa Generations ayifuni mna." Lubb: "ingaba uthen kengoku!" Luks: "maybe usexesheni wethu. How am I supposed to know?" Lubb: "lukhanyo. Are you lying to me?" Luks: "not mna. Why would I do that?" Lubb: "there's something I need to tell you. Ngalo Dumisa uzifaka kuye. She's not what you think she is. I heard her arguing noThabang. She charged him on purpose because he refused to sleep with her." Luks: "if he refused ubanjelweni?" Lubb: "because to keep her quiet ude walala naye. Kuba lomntana emenzela itricks." Luks: "ayikho lonto Lubby. Thabang is lying to you." Lubb: "she killed his family!!" Luks: "the house

caught fire Lubabalo! It happens! He's just tryna get to you!" Lubb: "well ke Lukhanyo I'm gonn prove it to you!!" Luks: "sho Bafo. Just please don't let women get between what we have. You're my only brother left and andifun uk'loser ngenxa yecherri." Lubb: "uthen ke Lukhanyo uLihle? Or she just doesn't wanna see me?" Luks: "what happened between you two?" Lubb: "nothing." He looked away and busied himself. Luks: "lubby...ndicela undichazele inyan." Lubb: "Nothing happened Lukhanyo. Let it go please." Luks: "that's not what she said.." Lubby looked at him, shocked. Luks: "ndixelele inyan Lubabalo." Lubb: "buthe we can't let women get between us. Whatever happened ndicela sidlule kuyo Lukhanyo." Luks: "fine. Because siyohlukana mna naye." Lubb: "uhm. Okay." Luks: "okay?" Lubb: "ndithin ke Lukhanyo? Beg you not to? Hayi man nokwakho." He opened his door. Luks: "where is she?" Lubb: "endlinakhe. She chased me out." Luks: "eFord?" Lubb: "nah, apha." He walked out. Thulz: "kunin ndinikhwaza?" Lubb: "what's up?" Thulz: "Luks. Masambe mjita wam. Sisaya kwa GQ." Lubb: "Thulani you're drunk." Thulz: "andinxilanga mna. Masambe Luks." They got in the car and left. Mandy: "uphi uLihle?" Lubb: "she isn't well, so she went home." Mandy: "okay. Khame ndiyom'jonga." Lubb: "call her first." She went to her car and drove off. Lubby sat down and thought really hard. Was Lihle really playing with feelings? He knew he wouldn't get her but why did she respond and kept stringing him. Was Lukhanyo lying? But if he had hit Lihle, he would be dead by now. Because that girl doesn't play. So what exactly happened. Maybe he's right. She's just hormonal. No wonder Sbosh was with her. I'll just give her a couple of hours to cool off. Chuma: "daddy! Uphi utatam?" Lubb: "uzaw'buya ngoku. Ufuna nton my boy." Chuma: "ndifuna. Athengele uChuma wakhe ijuice." Lubb: "ikhona nje juice." Chuma: "a.a andifun leya." Lubb: "ufuna ice cream?" Chuma: "ewe!!" Lubb: "uhm...ungam'chazeli umama ke ne?" Chuma: "indoda ayithethi yonke into kumama. Iza Josh!" Lubb: "who the hell's Josh." He looked around walking to the kitchen. He dished up 3 ice cream bowls. Lubb: "biza uJunior. He brought him and gave them both he took his. Chuma: "ha.a daddy. Iphi eyaka Josh?" Lubb: "hayi kwedin nguban lo Josh." Chuma: "nanku!!" Lubb: "phi!" Chuma: "hayi daddy. Uvisa kabhlungu uChuma. Ulapha njena." He was near tears. Lubb: "mphe k'le yakho ke. Ndizophinda ndik'galelele." They sat in the play room and ate while playing. The boys fell asleep late. He carried them to bed and went to his brother's room. He sat on the bed and smiled. Remembering the last time he was here... Lubb: "no man. something isn't right." He got up and went to bed.

The next morning. I woke up and showered. Fed and bathed my babies. Sbosh had slept over, I was fearing Lukhanyo coming here and hurting me all over again. Sbosh: "peto uyaya epartyin?" Me: "no. I can't." Sbosh: "kodwa Junior is more like your child

too. But if you don't want to, we can do something else instead. Sihambe ne babies."

Me: "I don't know if ndifuna uphuma." Sbosh: "lihle, you can't close your life up oluhlobo. Shutting the world out won't work. Your friends care about you, they're probably worried. It would do you good if unophuma at least just an hour ubethwe ngumoya." Me: "he raped me." I wasn't planning on saying it. I just blurted it out. She gave me a long hug. Without any words. Kwehla inyembezi kuthi sobabini.. Sbosh: "kuzolunga Lihle. Thembela ku Thixo qha. Nyembezi zakho aziweli phantsi. He will answer for you. I know what you feel Lihle. I've been through it too." We sat down. I told her what happened, waske walila yena kqala. Me: "what did I do wrong for him to treat me this way?" Sbosh: "this is Him Lihle. The real him.. Its not the first time he does this." Me: "what do you mean?" Sbosh: "before I dated him he had a girlfriend ebeft nayo. Wandifuna ndingayazi tu mna that he's in a relationship. Well he was sweet at first. Kumandi. He dumped her for me and made me 'the one' and trust me it feels nice. He changed obviously waqal undibetha. I didn't take action ndaqomba if I listened to him then singa right. Well...he distanced himself, one night I went out. I tried calling him azondilanda since kulate he never picked up. Ndazama uX. Waza...he didn't take me home. Instead wandisa kwakhe and just forced himself on me. That's how I fell pregnant ngu Chuma. Xandibuyela kuLukhanyo engasandifun. I tried everything Lihle. Andibethe andinkule andivune ngento yonke ayibonayo. Ndayolala es'bhedlele ndi 6 months pregnant. Xolani seemed sorry for what he did emane ngoza ecela amaxolo until I gave in. He promised me the world. I gave birth and he disappeared. ibingu loo on and off noLukha. When he met you ndaske ndanomsindo ba he'll do the same thing he did to that girl to me. And it happened. Nangoku I'm sure that he found another." Me: "but" Ndaske andabina mazwi." Sbosh: "I don't want to tell you what to do. Its your decision. If uhlala noLukhanyo. Ngumnyeni wakho." Me: "andiyazi ndingathin Sibongile." Sbosh: "pray girl. Only God can give you answers." We stayed and chatted over some coffee. Sbosh: "suziyekelela love. You're gorgeous and a strong black woman. No man can ever destroy that." Me: "ndiske nda dom Sibongile." Sbosh: "pick yourself up. Mna it took me so long to get over him. My advice to you is that suhlala uphole. Do something for yourself azokubona ba ungumntu nawe. Yinton ngoku sow'nxiba ezinto ziwakuwaku? Hayi mfazi. Masolanda mpahla zakho." Me: "what if use ndlin." Sbosh: "he isn't. Ukwa Lubby for the party kalok." I called Mandy wazosilanda. I went to rent a car from Avis saya eFord. We entered with the babies. Ndapakisha konke okwam. And I meant konke. Andashiya nomva wecici. Iwasnt running, I jusT needed time to myself. I wrote a letter. Dear Lukhanyo. By The time you read this letter I'd have left. I hate what you have turned out to be. If I am not what you are looking for in a wife you

should have sat me down and explained it. Instead you hurt me over and over, you have broken my trust. I'm taking my kids, if ufuna ubabona we'll make arrangements for that. I have also filed a restraining order against you. I have constructed a file of every crime you have ever committed and threatened me to keep a secret. I dare you to try and hurt me again. Yours sincerely. Lihle MANTI. I had one more thing to do. Change. Ndiyi nton kwi makoti dress kanene? 😊-- Swerve. I went to dig in my bags for a dress I hadn't worn in years. It was olive green. La green ngathi usondela kwi uniform yamajoni. It was short and body hugging. I wore a black stiletto and black leather fingerless gloves. I felt better. Just by dressing up. Sbosh came in. Sbosh: "peto kuthen uthatha kade, I thought you were do-" she stopped and stared. I was doing my make up. She brushed my weave. Sbosh: "you look amazing. Uyaphi ntombi?" Me: "nowhere actually. Ndiye ndlinam qha I felt like looking good." Sbosh: "and you do." She yelled for Mandy. Sbosh: "khazobona tshomakho ine curves sanqa." I laughed. Me: "andise bite nje." We took my things to the car. And all my babies' things. We drove back to my beautiful house. I took my baby boy equmbe enjalo ndimazi ke ngemoods. We packed my things in and Mandy went grocery shopping with Luhle and Sbosh. My confidence was back. The talk I had with Sbosh helped a bit although inside I still felt nothing but pain. I wanted to hate him with all my might but at the end of the day he was the father of my kids. I didn't want to be bitter. The restraining order and file shit was a lie to scare him off because he was a coward. But maybe as safety I should really do it. I took my laptop and started constructing a file writing down everything since day one. I included the police that helped them. Dates. Victims. Their storages. And lastly. Their biggest income. The drug and rifles dealing company in Pretoria. I saved it on a flash drive with a code ndayoy'fihla. I had to look for a lawyer. MY lawyer, not lungelo, Dan, or even Paul because they're friends with them. I needed a woman by my side. If Lukhanyo wants Dumisa, he can have her. Call me a coward kodwa andisakwazi anymore. I just fail to cope with him. Lutha and I ate together. Listening to music. Watched some cartoons which he seemed quite excited about. Engxola eyilonto. He stood holding onto the glass table screaming at the tv. I crossed one leg over the other chatting on my phone to Rene. Who was coming over too. All my girls had my back. Now the question was, am I going to divorce Lukhanyo? After everything we've been through together? I felt nothing but pain. I just needed time to heal before I made a decision. Someone walked in. Ndibone ngoLutha ekhasa esiya pha kude. He stood and stared down at the boy. He had a box in his hand. Tupperware sana. 😞:/ it was Lubby. Lutha held on his jeans and pulled himself up wama. He pushed out his lower lip sulking and crying. Lubb: "bundikhumbula ne? I missed you too my boy..come here." Ndabe ndingenawo nalo

umncinci umdla. Yangathi it was just a shape of germs that walked in. He picked the baby up and walked to the couch. He was wearing dark jeans, black shirt and a black biker jacket. It fitted him perfectly. Lubb: "molo Lihle." Me: "thought I told you yesterday to leave. Uyaphinda uyabuya. For nton?" Lubb: "to check ba unjani! And the kids! You're over reacting Lihle. Whatever Lukhanyo might have done. Tell me." Me: "what will you do Lubby? Huh? Hit him? Congratulate him? It doesn't make a difference because what's done is done! Ayiphinde ijike. Iya ku mninawa wakho ubuze pha kuye." Lubb: "why you acting like this?" Me: "leave my house." He sat down. Lubb: "andiyi ndawo." Me: "should I get one restraining order for you too?" Lubb: "you wouldn't do that!" Me: "try me!" Lubb: "Lihle, we can talk about this. You know I'll always be there for you." I got up and strutted to the door. my heels clinking on the tiles. Naomi Campbell walks. I opened the door. Ndavala owam umlomo.. Yangathi he was stuck on that chair, instead he lay back talking to Lutha. Mandy Sbosh and Luhle came back ndayoma emotwen. Me: "he's here." Sbosh: "Who!!" Emise ne nqindi ulady caba beready. Me: "lubby." Mandy: "izangxama undidika lento kaLubabalo." Sathi sisame phandle. The sleek Mazerati parked in the driveway. Ndamelwa yintliziyo. Lukhanyo stepped out, taking off his shades. Someone was inside the passenger seat I couldn't see who but bekhona. He laughed and said: "I promise ke.....don't make me laugh." He walked to us and stared at me up and down. I wanted to break down. Ade aze nenkazana endlinam? Uzothin apha?! Suddenly I felt ugly and the confidence level dropped in seconds. I felt naked in that dress. I was exposed and rotten inside. Luks: "uyinton wena apha." Sbosh: "ayik'fun lonto." Luks: "yindlela yotheha nam leyo." Sbosh: "I'm standing here asking the same damn question." Luks: "asizotshomi Sibongile. Don't get it twisted." Sbosh: "mxim. As if ndingade ndiy'thandazele efana nawe. Masambe peto yam. Lonto le freakum iyak'fanela man. Umhle lomzimba ngathi ngu Kim Kardashian. yuuh!" Sangena endlin. I needed that pick up from her. He got in and saw Lubby. His heart beat started doing laps. Fuck, he thought. Luks: "uhm...Babes. Ndicela sithethe." Wait, babes? Me: "uthetha nam okanye lo umshiye motwen?" Ndingamjonganga nakanye. I wiped my son's face and his hands. Lubb: "motweni? I hope ayile bendiy'thengile nkosi enofefe or so help me Jizaz. Egamen lika Yesu Krestu, noMoya Oyingcwele AMEN." Luks: "hayi lihle man. Subanje! Ndifuna sithethe yinton ingxaki?" Me: "about what?" Luks: "in private." Me: "I can't Lukhanyo because andikuthembanga." Luks: "njani kengok Lihle." Me: "because you....." The tears rolled down. Luks: "uthetha ngantoni?" I ran to the bathroom ndalila. Kicking off my shoes and that stupid dress that made me feel like a prostitute. Ndinga khululekanga tu. I wished I could tear off the part that he damaged. Ndine sngqala ndifixiza. I could hear them arguing

down stairs. Ndava ngama nqindi engena emntwin. Mxim. Senziwa izidenge because by the end of the day bazophinda bavane. I heard the front door slammed. Then footsteps that sounded closer and closer. Ndathandaza ingath kanti sesis'lingo uLukhanyo. Maybe Lubby left washiyeka yena. Just as I reached to lock the door it flew open. He entered and looked helpless. Lubby. Part of me was relieved. I still screamed and pushed him out. He overpowered me, holding me tightly. Ndabe ndim'nqinda qha. Until I grew tired and stopped. We sat down as I cried painfully. Ndingazi noba ndiqale phi na. What I knew was that ndandi ngafun abelapha. He would also take advantage. The Mzinyathi's were no different to each other.. Always having their way. I was tired of this. He took off his jacket, putting it on me. I shrugged it off. Me: "ndicela uhambe Lubabalo. And never come back. I don't want you near me." I got up and walked to my room ndayongena ez'ngubeni.

Phila was chilling with Lonwabo. They were having a drink with Andile at Losta's house by the pool. Phila: "aww umnganam. Watshintsha nyan man. Mooeer. This girl really has you huh. For a while I thought you'd never change. Worse kalok sow'gugile wena." They laughed. Losta: "oh so its like that? Okay. Cool." Phila: "I'm still surprised Ace fethu, awumaz lomjita wayenjan." Andile: "what happened kanti." Phila: "he woke up next to his future wife. Without having touched her. Not even once. Imagine that." Losta: "hayi tsek Phila man!" Phila: "then he proposed to her enxilile." Losta: "nd'zak'khaba unye sani." Phila: "but the girl said no...so waleqeka ke umjita wam. E-lovestruck like a lost puppy." They laughed at him. Losta: "are you gonn tell this to everyone ?" Phila: "its my favorite drunk story. Epic as hell. That weekend at Lubb's crib though." Losta: "weekend of my life sani. Shit." Andile: "pity I never stayed long." Phila: "Ace, mjita the damage was just beyond. But ke Lubby is the man." Losta: "he can fix a mess," Phila: "wherever he can!!" They laughed again. Losta: "khome ndifownele umjita wam. Ndine ndawana emkhumbulayo." Phila: "that sound-" Losta: "I don't care !! Mpa!" He dialed Lubby's number. Lubb: "Morrison speaking." Losta: "kwenzekan sani?" Lubb: "bout what?" Losta: "your tone. And awucingi uthi Morrison speaking unless you mad." Lubb: "everything is such a mess Lonwabo. Usually I would pack my shit and leave but this time something is pulling me to stay." Losta: "is it bout Luks?" Lubb: "kinda..look soncokola later on. I'm meeting with someone." Losta: "moja." He hung up. Lubby's phone rang again. It was Spoki. He knocked on Thabang's hotel room. Then picked up the call. Lubb: "hey." Spoki: "hey...awusenqabe nje." Lubb: "been a bit busy angel. What's up." Spoki: "I was hoping we could meet up tonight." Lubb: "I can't actually. I'm hosting my son's party nangok I'm at an urgent meeting ndiphinda ndibuyela endlin. Can we try tomorrow?" Spoki: "sure no problem." Lubb: "bye." Spoki: "mmwah." He hung up. She was

beautiful. He remembered from the dinner night, quite energetic and smart too. Maybe if he stopped focusing on lihle whom he can't get. Then he could have another female friend. Why was Estella ignoring him? Thabz: "mjita! Uvukile phof?" Lubb: "I've got sooo much on my mind man." Thabz: "wanna talk bout it?" Lubb: "ndiyi kaka yomntu. I am an utter waste of oxygen and space." Thabz: "ayikho lonto." Lubb: "ndine bhadi Lukh- fuuccck!!! I can't even breath without him. Let alone speak without his name in my mouth. Why I did this I have no idea. Ndiske andacinga lately." Thabz: "what did he do now?" Lubb: "let's just drop this. Let's focus on business. The only thing I'm good at." Thabang gave him a business plan. Lubby read it through quietly. Lubb: "quite good. I'm sold." They shook hands. Lubb: "so..premises?" Thabz: "I want to move to East London." Lubb: "only if you're absolutely sure about that." Thabz: "I am..." Lubb: "I'll make the transaction to your account. Ungandiphoxi Thabang. I want what's best for you. And ngaske iNkosi yezulu nomhlaba iku blesse kakhulu wonwabe. With everything you do." Thabz: "thanks Lubby for everything you've done for me. And ndizozama my best." Lubb: "make me proud suhn." He shook his hand again and walked out. Thabang called his girlfriend. Thabz: "baby, I got great news. Lubby loved my idea!! He's funding me." Thoko: "that's a great thing babe. You'll do a great job I know." Thabz: "with you by my side. Of course I will. I'll see you tonight? We having dinner out." Thoko: "ooh...uyathanda ke undenza excited wena baby...I'll be waiting for Your Majesty in his throne." He laughed. Thabz: "okay ke mntu wam. Goodbye." Thoko: "bye my love.." ...

Chapter 568

The days went by. Sbosh came to stay with me for a couple of days. I hadn't seen Lukhanyo oko kwa Saturday. He hadn't called or even checked on his children. I was beginning to feel absolutely nothing for him and ndingena ngxaki at all. Lubby was busy with his work too. I went to school that friday, ndabuya in a good mood. Mandy sat with me and discussed the business and how it was doing. Mandy: "tshomi buy a car." Me: "with what money." Mandy: "remember Lubby gave us 1 million as capital? We only used 70 thousand to buy everything we needed. So you can buy a car, isenintsi ukufa imali eshiyekileyo." Me: "I guess you're right. Ndizoya ndiyochecker monday. Since andiyi next week eskolweni." Mandy: "great. Uzothenga eyiphi?" Me: "as much as I'd love a Benz. Funeke ndizame something less expensive. Ndizobona

phambili wethu." Mandy: "when is the twins party. Me: "in 1 month and a few weeks. Andifun anything big." Sibongile came in from work. After 6. Sbosh: "let's go out guys. Drinks on me. Siziviseni kamand." Me: "ya'll go ahead. Ndidiniwe mna. I'll go out tomorrow." I would make another excuse though. Sbosh: "you sure? Andifun ukushiya wedWa apha." Me: "this house is secure. I changed the locks and everything." Savala the windows and curtains. Sbosh: "okay then. Sisaya eCubana thina." She went to bath and change. Mandy: "going out will do you good lihle." Me: "I'm okay mna Mandy. I promise andina niks. Qha ndidiniwe." Mandy: "and you're looking more positive. If you feel so much as a car outside usifownele immediately." Me: "okay." I took my babies to eat, bath and sleep. Kissing them goodnight. Chuma was with Sima. Sbosh's sister. They got dolled up and left. I ordered myself pizza and stuffed my face. After eating I had a glass of wine. And another. Checked all doors were locked. Ndabukela tv. . Someone knocked. "Its Moses, please open." It was Lubby. Muncwana lo. I went to open wangena holding two big teddy bears. Me: "hey." Lubb: "hi. You good?" Me: "yeah. Wena?" Lubb: "100." We sat down I poured us a glass of wine. Sasela and had a lovely conversation. We watched a movie like the old times, dissing the characters and laughing. Lubb: "ahh, ndiyamthanda ke la sisi. Oh man.." Me: "Megan Good? I love her too shame umhle." I went to go fetch another bottle. Came back to him staring at me. Me: "ngxaki?" He shook his head. Me: "khagalele le ke apha." He poured it in our glasses saphinda sathathisa. Lubb: "have you ever tried weed?" Me: "never." Lubb: "me neither." Me: "uyay'funa?" Lubb: "no. Yamosha intsango." Me: "its not addictive or dangerous. Its a plant." Lubb: "I beg to differ. Yes its a plant, but in the long run its a gateway to other drugs. Uzofuna uva cocaine nee heroine after yona wanting something to take you higher konakale kengoku." Me: "not really. I feel that its not a gateway. Kuthen izoba legal and used as medication kwezinye iicountry." Lubb: "I don't know. Maybe because their government is crazy." Me: "wrong. You of all people should be a bit open minded Lubby. Kukho iicountry that are ruled by the government only, there are also those that are called free market whereas you rule yourself. Kubekho ne mixed kengoku. I was going to research if this 'medication' is given na to the government ruled countries. Or only in free market and mixed na." Lubb: "what are you getting at?" Me: "let's start local, why Thabo Mbeki stepped down aphe S.A." Lubb: "because he wanted people to die engafun kuze ARV's aphe SA!!" Me: "Lies. He didn't want people to die. Tell me, if scientists can create a drug to to prolong an illness, why can't they create one to cure it over all? That's what Mr Mbeki fought for. He tried to get scientists to invent this drug. They blocked his way. Wazama kwanto akakwaz. Eventually doing his own research he found that people who are positive should be

living healthier lives. I have an uncle that died a few years back. He had the virus waaay before I was born. Wayengatyi ARV yena. He lived healthy had a diet and all. He lived for over 20 years, waqala ARV's he died within just 3. What does that tell you?" Lubb: "could be that his time was near?" Me: "no. A country's population grows everyday. People dying in accidents isn't enough. If Women kept giving birth, and every sick person was healing. What would happen." Lubb: "the country would over-populate." Me: "exactly. How many years have we had this crisis yet people still keep dying yiAids. I'm not judging our government at all. Its just how I saw it fit." Lubb: "so you're telling me they're Not finding the cure because funeke ku controll'eke population?" Me: " I didn't say that. Even Cancer worries me because Chemo doesn't help most. La Chemo is what they make money by. Nayo it prolongs your death not cure it. How many people had cancer. Gone on Chemo, became fine but still after few years ibuye lo cancer?" Lubb: "shit." Me: "nantsoke. Ujonge ke kweza country zi-legalize iweed if ikhona na ngxak ye cancer. Personally, I think marijuana kills those cancer cells. I don't have the proof but I really think so. Ndine belief etshoyo." Lubb: "kuthen ungabiyi scientist?" Me: "hayi wethu.." Lubb: "I like the way you so broad about the world we live in. Bendingayaz mna lento no lies. Now its starting to make sense." Me: "I'm glad I shed some light." He kissed my lips unexpectedly. This was no surprise at all. His hand was shaky. Laying me down on the couch. He lay on top of me holding my full breasts. He slid off the dress. Kissing my skin. Then he got up. Dragging me upstairs. I lay on the bed while he carried on. I was naked and warm. He rubbed me gently. I had shaved just that morning. He kissed it, sucking gently. My mouth was open slightly, eyes rolled back. He undressed and I went down. He was huge. Sucking him in for a couple of minutes. He lay me back on the bed. Opened me up, sliding it in safely. Lubb: "oh gaaawwd." He groaned. Sparks flew inside of me. He pushed in gently, in rotation. Me: "ohhh Lubby!!! Daddy?" Lubb: "YES!!!!" Me: "... Lubabalo.....Oh Lord!!!! Daaaammn Baby! Yeeees!!! Yeeees!!!! Oooooooh fuck!" I moaned until I had no more air to breath. I felt it in every corner in my body, my nails dug onto his skin, toes curling. I was a waterfall. His waist was grinding, his lips on mine. He kept looking at me biting his lip. His sex face was to die for. 10 minutes later, I could feel him about to come. I opened wider. Lubb: "shitt baby!! Say it again.." He whispered in my ear as he grabbed the sheets pushing in deeper... Me: "daddy...." Further. He Rocked. Harder. And Steady.... Lubb: "gaddamit lihle!! Uthini man??..." Me: "daddy!!!" I screamed.....he suddenly couldn't breath, he went faster. His eyes shut closed. Lubb: "aaahhh.....ooohhh....." He groaned out loud. Releasing himself laying on My chest... I could feel his heart beat with mine. He breathed in relief. No words were said. I just brushed his head. Lubb: "so uhm...what was that all

about...." I giggled. Me: "should be asking you." He got up to look at me, smiling. He kissed my lips pulling himself out ndingazoyiva. Kanti ndiyam'va. Me: "uy'khuphelen..." Ndaziva ndibuza. Lubb: "don't worry. Be happy. Give it 5 minutes. I just love it when you call me daddy. My Goodness undivisa mnandi. Tickling my fantasies like that." Me: "that is soo weird Lubabalo!" Lubb: "ivuswe nguwe and andiphinde ndiy'yeke tu.." We sat and chatted about other things. He kissed me again pulling me on top. He slid it in. Ndamtsho nge donuts. Riding slowly. He had tipsy eyes from the pleasure he was feeling, he moaned. Lubb: "yesss....yesss!! Ohh man Lihle...faster." I bounced on him. Legs apart with only my ass moving. Lubb: "Lihlleee!!!!" I went on longer then slowed down. Lubb: "no baby qhubekela!!" I teased him. Sitting down and pulling up. He humped from under. Lubb: "yhini udlala ngam ndibawa kangaka.." Ndatsho ndimkhawlela. I got up, he stood up and pushing me gently against the wall. Pulling me up, wangena... Me: "oh My !!!" He had skill. Hats off. He continued kissing while doing me. I came first, he followed seconds later.. We lay back in bed, cuddling. Wandincokolela ndozela ndalala....

I woke up the next morning. Naked and cold, alone in bed. Babalaza isitsho. I started tracing back my steps. Why was I naked. Then boom! It all came rushing back. Ndothuka ndatsarhwa. Me: "Good God please forgive me. For I have sinned." What the hell have I done! Why! I was sick with disappointment. But ke ayizojika yenzekile. Now he's left. Because uyifumene le bey'funa. The door opened. Lubb: "rise and shine angel! Today is an 'I wish a nigga would' day. But either way I'm glad I'm awake. Uleli njani?" Me: "good." I couldn't look at him. He put down the tray, held my chin up. Lubb: "uleli njan?" Me: "I slept good. Wena?" Lubb: "like a baby. Look, what I made for you this morning. mushrooms, toast, fried tomato, an omelet. Lubby, coffee. Err'thaang..." I giggled. Lubb: "iza ke masitye." We ate the lovely breakfast. Lubb: "sokwenza nton namhlanje? I was thinking maybe the beach. Or we could go to a farm with the kids." 😞:/ Me: "why should we be 'doing somethin' together." Lubb: "well...you know. We're together. So obviously sokwenza things together." No we're not bruh. It was just a one nighter. Damn. Me: "Lubby, we're not together." Lubb: "then last night? What was that all about?" Me: "andiyazi nam it just happened." Lubb: "so awufun kwanto?" Me: "lubby. It will Never work!" Lubb: "kodwa awukayi zami Lihle? I won't hurt you. Uhlala wonwabe mos nam. I give you your space and I treat you well." Me: "its not about that. I wasn't supposed to have it with you. Bazothini abantu." Lubb: "childish lento uyenzayo lihle. honesty. Why you always gotta please people. Don't you wanna make yourself happy?" Me: "this is wrong Lubby. Akho ndlela yoy'justifyer. I'm sorry but I just...." Lubb: "tell me.." Me: "I can't." He put the tray away. Lubb: "ndiyakucenga uthethe nam." Me: "its hard

lubabalo." Lubb: "I know babes, but please you gotta try.." Me: "we weren't talking...."
Lubb: "who?" Me: "mna noLukhanyo. He was ignoring me for days on end. That
day..he came in. Waza kum ekitchen wacela ndiye eroomin naye. When we got
there. He raped me." I felt his hand go cold in seconds. Me: "I begged him to stop.
Until I gave up. It wasn't the first time either. That's what happened." I cried too
much during the week. Ndandingasenazo nezonyembezi. I had accepted it. He was
quiet. Me: "lubby?" Lubb: "hm." Me: "don't be upset." Lubb: "why didn't you tell me
this earlier?" Me: "I couldn't. Bendisava kabuhlungu." He hugged me. Lubb: "I'm so
sorry.." Me: "its okay." Lubb: "now I feel bad.." Me: "don't. I'm not disabled or
anything." Lubb: "I didn't mean to seem insensitive.". Me: "you didn't know." Lubb:
"sometimes I just don't know him. Matter of fact I have given up on him. Andifun
mntu unjeya mna in my life." Me: "he's your blood Lubby. You can't turn your back
on him." Lubb: "I don't care what he is Lihle. I am done mna ngalamntu. Akana
respect, he never learns. He lied to my face. I've been trying to contact him and he
told me never to call him again. So I guess me and him is over. And maybe its for the
best. Xasikunye its too chaotic." Me: "I see." Lubb: "ndizoya eKapa tonight. Don't you
wanna come with, since une holiday. With the babies. It would do you good to go
out." Why do people think going out makes someone better. Mos mna ndiright. Me:
"actually, I wanted to be here for some time. Mandiyovasa, I'm going to see dad."
Lubb: "ndicela ujoiner. Promise I'll behave..." Me: "no Lubby. Thanks for your support
and everything but this is the end." Lubb: "I get it. Its cool. Kodwa I'm still vaying to
see Bra Seez with you though." Me: "okay then." I went to take a long bath. Wrapped
a large gown around my body. Lubby was sitting in my closet. Only Lord knows why.
Me: "wenzani." Lubb: "its so warm in here.. Khame ndiyovasa nam." He went to
shower I got dressed ndama ngxi ndingazazi ndinxibe nton. The way I was so afraid of
tights and short dresses 😞:(ndakhupha navy skinny jeans and a bubble blouse. I took

"figuring what to wear." Sbosh: "so wazivalela kwi jean kushushu kangaka." Me: "hayi

Sbosh: "so then who's this?" Me: "hayi wethu Sbosh...nobody." Sbosh: "lihle girl, listen
to me." She sat me down. Sbosh: "I know how it is. We all deal with pain differently.
Abanye keep it to themselves and move on. Abanye they shut out everyone
completely. Then abanye think that's all they're good for, to be used by men. I know
usava kabuhlungu and you're not in your right mind. But you don't need a man in
your life to be strong. You are your own pillar. Don't do this to yourself!" Lubby
walked out the shower wrapped in a towel on his waist. Lubb: "morning Sbosh."

Sbosh: "molo Lubabalo." She said coldly. Sbosh: "peto, if you need to talk I'm right here. Okay?" I nodded and she walked out. Lubb: "she doesn't like me that much does she?" Me: "she says you're taking advantage of me." Lubb: "uthethi hond se kak. Uzum'xelel ba nditshilo." He got dressed. Lubb: "sodibana phambili ne. Ndizohamba noLutha." Me: "sure." . I went downstairs, the nanny was in the lounge playing with the twins. Me: "sisi, please pack their things. Ndizoya kutata." Lutha: "dadaa!" Me: "ewe my boy." Lubb: "udada kaban ndoda?" He picked him up with his bag and left. Sbosh came to me. Sbosh: "suyenza lento Lihle. You're better than this. Akakwazi ufika lomntu and just take your husband's place anika divorce noLukhanyo." Me: "he's going to leave today. So andiphinde ndim'bone." Sbosh: "yay'bona ke lonto! He's just playing with your feelings. And taking advantage of the fact that you're vulnerable." Me: "Sibongile. I know you're concerned. I did wrong. Andiyazi ndingenza ntoni but I can't take it back. I'm going to my dad's place you coming with?" Sbosh: "ndiya ku Chuma babe. Sodibana late." Me: "sho." I took my bag with Luhlle and hers and went to my dad's house.

Sizwe sat in his lounge when I walked in. He looked a bit pissed off or annoyed. Was this a bad time? Me: "molo tata." Sizwe: "molo Lihle." He muttered. Taking Luhlle. Me: "are you okay dad?" Sizwe: "uphi uLuthando." Me: "uku Lubby." Sizwe: "lukhanyo?" I swallowed. Me: "akekho." Sizwe: "umke namhlanje ksasa?" Me: "no tata. Since last week. We're separated." Sizwe: "for how long." Me: "forever." Sizwe: "I'm not following." Me: "tata. Ndihleli kabuhlungu kulamtshato. And I am done now. I don't anything to do with him anymore." Sizwe: "are you sure Nobody influenced this decision on you." Me: "like who na tata." He stared at me. Ndabe ndityiwa sisazela ke ngoku. The look on his face made me uncomfortable. Sizwe: "what happened?" Me: "he found someone else." Sizwe: "ngu someone waphi lowo." Me: "hayi tata andizomazi." Lubby walked in with Lutha. Lubb: "molwennii..." Sizwe stared at him suspiciously. Kanti tata uthen namhlanje. Sizwe: "molo Lubabalo." Lubb: "uright Ta Seez? yinton ngatth uginye vinegar nje." Sizwe: "ndifuna uyazi mna what happened. Uphu uLukhanyo?" Lubb: "tata. Lukhanyo left with Dumisa. He chose Her over his family. Ezenzela ku Lihle. He disrespects ALL of us." Sizwe: "uyazenzelaaa??? With what!!" Lubabalo unomlomo kodwa. Sizwe: "lihle ndiyathetha." Me: "he just..." As much as it was over, I didn't want violence involved. Sizwe: "he just what!!" Lubb: "Lihle please..." Me: "tata Lukhanyo abused me because I didn't respect him. I am a failure as a wife which is why he found someone else." Sizwe: "xabekutheni ngoku Lihle!! Failure for what! Abused you with what! Uvale umlomo wena Lubabalo andikathethi nawe." Me: "Lukhanyo said things that broke me down. He raped me more than once." Sizwe heated up and put the baby down. Lubby gave me Luthando.

Zange ndambona enje tu utata. Its was just scary. Sizwe: "UPHI." He hissed. Me: "asimazi tata." Sizwe: "Find Out. Wena!" He pointed at Lubabalo. Sizwe: "how could you let this happen!!" Lubb: "tata nam she only just told me today!" Sizwe was fuming, pacing up and down. He was shaking in anger. Sizwe: "and you?? what did you do???" He looked at Lubby. He couldn't utter a word. Lubb: "erh...." Sizwe: "hey!! Ndiyathetha nawe!!" Lubb: "Ta Seez I promise it was not intentional." Wamtsho nge nkunzi yempama. Which broke me into pieces. Me: "TATA!!!!" Sizwe: "I treated you as a son!!! The next thing wenzela wena emntanenam nawe!" Me: "tata he didn't force me." Sizwe: "andikafiki kuwe Lithembelihle. Lubabalo, what do you have to say for yourself!!" Lubb: "ndicel uxolo Ta Seez..." Sizwe: "lihle. Linyala lantoni eli!! Your husband's twin!!" Me: "uxolo tata." Sizwe: "uxolo won't undo your recklessness! I thought your mother would teach you ukuziphatha as a woman! But you're acting like a little girl! I cannot do this!" He was hurt, but still angry. Sizwe: "ndicela nihambe." Me: "tata ple-" Sizwe: "GO." We got up and left. In our different cars. Saya endlinam. Nobody was there. I felt more guilty than anything I've ever done in my life. He brought in a sleeping Lutha and put him in his cot. Me: "I'm sorry." Lubb: "I deserved it. Andizazi bendicinga ntoni.." Did he regret it? Lubb: "I can't leave you like this. Should I call Mandy?" Me: "no." Lubb: "ha.a lihle. I can't risk it. I can see awuziva kamandi anymore." He called her over and waited. Luhle was holding her toy. Lubby sat on the floor with her. Lubb: "khandiboleke nam.." Luhle: "m.mha." Lubb: "uzoma uthini." She held his head with both hands attempting to kiss him. Lubb: "thank you my love. Ndizokhumbula umntu sana..." Me: "umqibele nin uBuhle noBabalo?" Lubb: "yesterday I spent the day with them. Nangoku ndiya khona to say goodbye." I heard footsteps walk in the front door. Lubby stood up giving me Luhle. Lukhanyo stood there staring at him. Luks: "so you finally got what you wanted. I-Family yam?" Lubb: "one man's trash is another's treasure." Luks: "kudal ufun uba ndim ne." Lubb: "mxim...lihle, take the baby upstairs." Luks: "hey! Usapha umntanam!" Lubb: "lukhanyo...." He warned. Luks: "what Lubby. Yintoni??..uyi kaka yomntu, you're sick! Sapha umntanam wena!" Lubb: "uzohlala nomamakhe lomntana." Luks: "Uyintoni apha!!! Hleli nje uyi mpukane ezintwen zam!" Lubb: "heeee, hell just can't wait for you....and ndizoku godusa bonanje Lukhanyo!" Luks: "mxim!" He walked toward me. Wabanjwa ngu Lubabalo. Lukhanyo threw the first punch. Me: "LUBABALO NO!!!!" Wabe emnqinda moer tu. I took the phone and called the police, taking my child away from all this mess I just created by one stupid mistake. Crying about it was useless. I was afraid they would kill each other. For what! I heard one loud bang then silence.....

Chapter 569

I put the baby down and ran downstairs. Lubabalo lay on the floor. Lukhanyo looked at me. Luks: "uyenza njan into enje kum Lihle. How do you even begin to do such!!!" I was so scared. I almost pissed myself. Yayingathi he would break me apart right that second. He looked completely different from his twin now. Darker, a bit thinner. Luks: "ndiyathetha.." He moved closer to me. Ndava nge mpama eshushu and fell to the ground in a thud. He tramped on my face and punched me. Luks: "ulihule man!!!! You BITCH!!!! Utyiwa nangu brother wam!!!" The blows just came one after the other. I screamed in agony. Luks: "ndizaw'ni nyisaaaa!!! In MY fucking house???" He grabbed a knife cut off my hair. I felt the blade seeping through my skull. Lukss: "was he worth it!!!!??? Huh???" I couldn't speak. My jaw hurt. Wanditsho ngelinye inqindi. Then threw me on the ground. Luks: "Slut!! No wonder uyihlo wam zange ak'fune nangok ese ngcwabeni." He ran up stairs and took the babies. I couldn't get up or stop him. Eventually passing out. An hour later, Sibongile arrived. She saw the mess and already knew what must have happened. Quickly calling Mandy for help. Mandy: "tshomi ndiyeza bendibambekile." Sbosh: "MAAANDY!!!" She cried. Mandy: "what's wrong Sibongile!" Sbosh: "she's d.....they're dead....." She sobbed. Sbosh: "he killed them." Mandy was crying over the phone. Soso stared at her. Soso: "babes? Yinton ngoku?" Mandy: "Lukhanyo killed his brother and wife.." She sobbed. Mandy: "Khawleza Sonwabise!!! And drive." He dialed Soma quick and briefed him. They drove to the house where Soma met them. Rushing in. Where was the damn police! Ambulance? Sibongile was holding her Chuma sobbing silently. Chuma: "mama, kuthen daddy elele?" She couldn't answer him. Soso examined Lubby. Soma with Lihle. Soso: "he is still alive." He had tears in his eyes. Looking at the damage. He was stronger than this, but these were his friends. It cut deep. Soso: "iza Soma." He whispered. They carried Lubby to the car. Then Lihle to the second car both driving off at the same time. Mandy searched the entire house for the babies. Screaming in pain. She fell to the floor crying. Seconds later a police van stood outside. Police came into the house and found Sbosh crying. Police: "miss? What happened?" She shook her head. Sbosh: "ni useless. That's what happened!!!" She screamed. Police: "lady, we have a lot on our plates as is. So its either uyasixelela kwenzekani or not because kukho abanye abantu abafuna uncedo." She was so rude. The man walked up the stairs. Police: "hey? What happened here?" Mandy: "I don't know...." She cried. Police: "why are you crying?" Mandy: "he killed them! They lay so.....still.....and....I jus....." She broke down again. Mandy: "the babies!!!" Police: "where are they?" Mandy: "he took them." She was too emotional. Police: "girl...come, it will be okay." He took

her downstairs. Police: "who is he??" Mandy fainted. Sbongile still crying even harder. Poor Chuma stood there and hugged his mother. Police: "sweetheart we need to know what exactly happened. Yes I see its a mess but you need to make a statement." She didn't know who to call for help anymore. She didn't have Lihle's relatives' numbers or address. She only knew Mandy because they spent time with her almost everyday. She gathered herself, trying to erase the image of the two bodies. Meanwhile Sizwe drove to Lubby's house. He had a sudden urge to see them both. He didn't know why his heart was beating so fast. He had started eFord, but the house was empty. He arrived at Lovemore and jumped out running inside the house. Sizwe: "Sylvia! Uphi uLubabalo noLihle!" Sylvia: "abekho bhuti, I last saw Lubabalo ksasa ezotshintsha ehamba noLutha. He's hardly ever here." Sizwe: "where does he be?" Sylvia: "usually endlin ka Lihle, that's where he was izolo." Sizwe: "abekhose FORD!!!" Sylvia: "no her second house apha eLovemore." She directed him. He ran out and drove there. There was a police van outside. What happened he thought to himself. Knocking on the door, he entered and saw Mandy on the ground. Sizwe: "what. The HELL happened!" The police explained their arrival. Sizwe: "uphi uLihle ntombazana!!" Sbosh: "hospital ta." She sobbed. Sizwe: "which!!" Sbosh: "Greenacres.." He went back to his car and drove there.....

Lukhanyo got to Dumisa's place. The babies were crying. He put them down and went to fetch their bags. Dumisa: "what the fuck is this?" Luks: "my kids." He smiled. Dumisa: "bafunani apha kwam?" Luks: "heee yazi baby. Ezazinja zihlel kunye zivisana kamand phamkwa bantwana bam!" Dumisa: "what!!!! Ngoku bazohlala apha???? Hayi uyand'phambanela Lukhanyo andina creche mna!" Luks: "baby. You said you wanted us to have a big family. Sizozala ngaba ke. Then you'll have my kids. Sizalise inani." He seemed excited. Luks: "I've been wanting more kids. So badly." Dumisa: "can you shut them up? Abasoze balale apha aba. You better take them back to that bitch you call a wife." Luks: "hayi baby abayi ndawo abantwana bam. I'll keep them quiet ima kancinci. Balambile." He fed his babies. But they struggled to sleep. Dumisa: "fuck yonke lento! This is NOT what I bargained for Lukhanyo!" Luks: "what do you mean!" Dumisa: "these brats are spoilt! Und'jonga nton!" She screamed and stormed out. Lukhanyo put the babies to sleep. Dumisa came back an hour later. Luks: "uxolo kaloku mntu wam.." He held her hands. Dumisa: "nanga amaphepha ke. Ambom'nika." Luks: "that's not necessary." Dumisa: "why not?" Luks: "baby, yazi kudala ndam'warnisha Lubby kwi property yam. Wandenza ismenqe senja yena. He had the audacity to tell me in my face that they fucked. And I must get over it. So I made sure they're gone. Permanently. That's why ndithathe abantwana." Dumisa: "hayi baby ushiye iz'dumbu?" Luks: "you know I'd kill for you...ndithe ndiyak'thanda

She took off her shoes and lay down. Lukhanyo gave her a massage. Dumisa: "uzopheka ke, mna ndisaya kwi meeting with the board members." Luks: "I'm not attending?" Dumisa: "uze ne creche alok bhuti uthi izojongwa nguban? Don't worry I'll bring feedback." Luks: "I'll get a nanny from monday on." Dumisa: "mabayohlala kuMakhulu wabo wethu. So that me and you can have space." Luks: "my step-mom left." Dumisa: "mama ka no tyebdyosh yena." Lukhanyo laughed. Luks: "aw'sa diki." He kissed her lips and lay on top of her. Dumisa: "zaw'ndenza late wena.." Luks: "we're the bosses. Noba awufikanga." Dumisa: "hayi subanes'gezo baby...I'll be back." She got up and took her bag and shoes. Dumisa: "ungay'libali uthula washing ecingwen baby. And pack our bagss. Tomorrow siye Durban. That's why funeke sise abantwana ku makhulu. We might be there a while." Luks: "okay mntu wam. What about Kim?" Dumisa: "I sent her to Angola kutata wabantwa bakhe. So she won't be back for a very looong time." She kissed his lips and Walked out. He stared after her and immediately jumping up to start cooking.....

I woke up in a bed. I could feel my face was swollen and I had no hair. I could hardly move. Where was Lubabalo? What happened to him? What time was it? Only one eye opened. My father stood next to me with tears in his eyes. I couldn't talk. Everything was swollen and I felt my jaw couldn't open. I wanted to cry but couldn't.. Sizwe: "they had to wire your jaws..." He whispered. The tears ran down his face. Sizwe: "undixolele mntanam but....the day I find him. Will be his last." All of it came rushing back. Yazihlela inyembezi. Sizwe: "Lubby is just out the coma. He had a concussion." He gave me a pen and paper. I just wanted to scream. I scribbled in anger. My arm was in the worst pain but ndaqhubekeka... Sizwe: "he's okay sweetheart. He's okay..." He held my hands together. I tried to pull away. Writing in a shaky handwriting. 'Babies.' Where were my children!! Sizwe was too upset but I wanted my kids with me. Sizwe: "I don't know baby. Umnkile endlin." Then find him tata!! Pity I couldn't say it. He saw my frustration. Sizwe: "I'll do my best Lihle. I swear." He kissed my forehead and left. To see Lubby. He was being fed looking overly pissed off. Lubb: "khasuke apha. Ndithe and'lambanga!!!" Nurse: "sir your pil-" Lubb: "fuck them damn pills! Hamba!!" Sizwe walked in. Sizwe: "sapha sisi." He took the bowl." Lubb: "Ta seez. Ndithe andilambanga." Sizwe: "I don't care, uzotyqa qha. Because funek sele pilis." Lubb: "how long have I been here." Sizwe: "22 hours. Uvuke ngo 6 ekse. Its Sunday something past 11 ngoku." Lubb: "my head." Sizwe: "itya. Sosela pain killers uzolala." Lubb: "uphi uLihle?" Sizwe: "lubby you need to focus on yourself. Getting better." Lubb: "is she okay?" Sizwe: "no." Lubb: "uuphi." He tried

getting up. Sizwe: "Lubabalo don't do this to yourself." Lubb: "let me go!!" Sizwe: "hayi!!" Lubb: "suka kum Ta Seez!!" Sizwe tried to hold him and call for help. The nurses came with the needle to sedate him. Lubb: "I swear to God Ta Seez if he did it again, I will kill him!! I will kill him!!!" He growled. The nurses held him down and injected him. He calmed and lay back down. Sizwe held his hand. Sizwe: "not before I do." He walked out.

Lukhanyo took the kids to Thenjiwe's house. Luks: "molweni." Thenji: "molo Lukhanyo." Jongizembe and Noma were not there probably gone home. Mpumezo was in the lounge. With Namhla. Luks: "mama ndicela undigcinele abantwana." Thenji: "okay. Uphi uLihle?" Luks: "mama. ULihle ulala noLubabalo. We're getting a divorce." Thenji: "intonii!!!" Luks: "ewe mama! Mna ndenziwa isibhanxa apha. While I'm working bona ba-busy endlinam. In my bed. Abantwana abasahoywanga. Ndidikwe finish mna mama! Ndicela undijongele abantwana." Thenjiwe was heartbroken. How could she do this? Kuthen engena ntloni na uLihle? Lukhanyo kissed his babies and left to fetch Dumisa then went to the airport. Luthando had something on the palm of his hand. Nobody noticed it. Namhla took him and it rubbed off on her. Namhla: "kuthen une vaseline esandleni ndoda?" She rubbed it on her arm and lips then took him to the bedroom. Mpumezo: "khafoanel uLihle. Andiyiva tu le ithethwa yile bhari." Namhla: "hayi Mpumezo. Lihle uzenzile! Bubuhule banton obu? Endlin enye?" Mpumezo: "aw'soze kalok Namhla uthetha olohlobo. Just tr-" Namhla: "No!!! Makaz'bonel ba uzothin." Her hands were shaking. Mpumezo: "are you okay?" Namhla: "ndiright! Ndenza umsindo lanto ayenzileyo ku Lukhanyo." Mpumezo: "okay. I'll give you a few hours to cool off." He walked out glancing at her suspiciously. Meanwhile, back at Lihle's house. Sibongile and Mandy cleaned up the mess. Soso and Soma helped out. Chuma was playing with his new Range Rover in the back and Josh. Soso: "who was here when this happened." Sbosh: "nobody. Ndifike mna semnkile." Soma: "why would he have done this?" Sbosh: "maybe uba baqile." Soso: "they were having an affair?" Sbosh: "I'm not sure." She took the dust pan to the bin. Soma: "do you know where I can find him?" He hissed. They shook their heads. Soso: "we cannot leave you here. Asiyazi noba unobuya azoqibezela." Soma: "right now I'm questioning his sanity." Sibongile went to fetch Chuma and packed his things. Mandy took hers. Chuma: "mama.. Josh yabuza uphi utata? Uphi?" Sbosh: "Josh needs to settle down sweetie don't you think?" Chuma: "hayi mama. Uphi utata?" Sbosh: "umnkile utata baby. He went to work." Chuma: "uzobuya ne?" Sbosh: "andiyazi love." Chuma: "uwoooah." He ran to the car and climbed in. Chuma: "umama uphi yena. Uzondiqhubisa moto yakhe." She couldn't reply to him. Mandy: "we should probably take him to see her." Sbosh: "No. I don't

want my child to grow up thinking negatively." Mandy: "although he might understand why she's not here. Oko embuza kwayizolo." Sbosh: "I can't Mandy. Chuma may be strong but he's only a little boy still. Cela nisidrop eNew brighton. ECentinary." Mandy: "what if he comes after you." Sbosh: "angacham amatye ekhaya. Akangen nase gatin. Ndiye ndlin ka mamam. And he doesn't pass the stoep by the gate pha." Mandy: "okay. Bakhon abantu?" Sbosh: "yes." Mandy: "emini we'll come fetch you. Siyobona uLihle." Sbosh: "okay." They went to drop her off in New Brighton. Soso was still a bit disturbed by this. This can't be Lukhanyo. He wasn't like this. Ayifani naye lento. Noba sethethela tshomi yakhe. Naye he was once in this position but not that bad but also emotionally scaring. He almost killed Soma for the same reason. Soma: "what you thinkin?" Soso: "he didn't..." Soma: "we are not gonna argue ke ngale into Soso." Soso: "but Soma not Lukhanyo." Soma: "I'm ignoring you." Soso: "now you acting bitchy. Wena ucinga Lukha could have done this." Soma: "Yes! Yes I do. And I said I'm not arguing with you over a douchbag." Soso: "you've never really liked him." Soma: "big surprise! Hleli nje he's the King of All Fuck ups! It was because of him that we were being chased around by ghosts!" Soso: "awuka xoli na Somangaye?" Soma: "I don't care noba its been months! Andisobe ndiphinde ndixole. He violated my soul and memory." Soso: "sixelele umama?" Soma: "if you want her to have a heart attack. And you know she loves that lukhanyo like a little butterfly." They drove to his mothers house. Vuyisile sat outside bobbing his head next to Sebenzile.. Dad: "El dee dee dee. Please bring me my water whilst you busy walking around like Beyonce." Ma: "ungaphakami nje." Sebenzile: "phakam fondin. Wenze amanzi ngobisi." Dad: "awuyibawel zambuk? Mlomo uxhwebile mhlekazi. Ina." Sebenzile: "andifun." Dad: "ngath yintlama yamagwinya." Sebenzile: "iphi mbeko." Dad: "masiyobeth ibenye pha kuwe endlin. El Dee, siyabuya." Soso walked to them. Dad: "my duplicated nyana. Copy and Ngca nje nge bostik kwedin. Unjan?" Soso: "tata, we have a problem." Dad: "what happened?" Ma: "kwenzeka ntoni." Soma: "Your perfect twins are hell bent on killing each other. I guess we're not the only crazy ones." Dad: "funeke ndiyonxiba ibrukwe kengok. Khame kancinci workman." He went to wear long pants. Sebenzile: "uyaphi! Khang uthi siye ndlin." Dad: "ndizobuya ngawe Nyek'iyaphfumla." Sebenzile: "huh?" Dad: "kanen awuva. Ndithi ndiyabuya. Masamben madoda. Dee ka tata?" She was just done dressing. Ma: "ndiphathe ntoni?" Soso: "hayi mama, akho need ye biscuit. Masambe." They drove to the hospital. Where Lubabalo was asleep. Vuyisile and his wife prayed for him. Soma sat down and tried too. It was no secret that he hated Lukhanyo with a passion or it was maybe because he was more like Lubby in that situation years back. Soso: "maybe I should look for Lukhanyo." Ma: "ewe nyana. Soma? Awufun hamba naye?" Soma:

"I'm staying right here." Soso: "dude snap out of it. Lubby ebe wron-" Soma: "Sonwabise. I don't care if ebe wrong or nah. Kodwa andisuk apha mna!" Soso: "okay fine. Dad?" Dad: "masambe." They walked out.....

I didn't want to feel anything. Nor spirit. Breathing. Or life. Nothing! He drove to the house. I got in locked all my doors and windows went up to bed, changed my sheets and locked my door. Ndangena phantsi kweengubo. My phone was in the drawer. It rang and rang and rang. I drank two pills, Switched it off ndalala..

Dumisa and Lukhanyo landed in Port Elizabeth. They walked through the airport holding hands. Dumisa: "sweety. That was a lovely vacay. Funeke siyenze often." Luks: "ewe love. And yazi we could go away to Italy or New York." Dumisa: "slow down babes tshi. Sisene tender esisay'zama." Luks: "why?" Dumisa: "its going to be a great business opportunity. Yazithanda impundu Lukhanyo. Jonga uvuza izincwe.." Luks: "mpa." He entered her from behind bending her over. She moaned his name. His mind was elsewhere.

Something was missing. She stood still. Dumisa: "ima Lukhanyo!" Luks: "yinton love." Dumisa: "cramp." He pulled out and took her to bed. Trying something different. She kept complaining. Dumisa: "fondin. Keep still wenze qha. Style singenaphi?" Luks: "ndik'visa kamand nje." Dumisa: "its not working. I prefer le." The missionary. Luks: "okay akho ngxaki." He lay on top and continued. Luks: "ndizo fownela Thulani ke. Ndithethe naye. I know he'll talk. Maybe Sizwe umbuzile ba ndiphi." Dumisa: "let me call isquad ke. Bazoba undercover for the entire day and night." He took another shower and left. Dumisa got up and looked through the room. It was quite empty apart from Luks' things. Dumisa: "lekakakazi ithathe kwanto. Sies!" She went to the bathroom and looked in the drawers and cupboards. Finding body lotion and other things. She poured a few drops of something in the bottle of Nivea. The combs were clean. Only one brush had few strands of hair. Dumisa: "hahaha! Eli xelegu." She pulled out the hair and went back in the room putting it in her bag.. Dumisa: "uzaw'nya. Awuzofunwa nangubani na!!" She laughed...

I woke up hours later, smelling something. My tummy rumbled, I was starving. Pulled the blanket off me. Lukhanyo stood there with Sizwe. How the fuck? I locked all doors! Bangena phi ke bona!. I looked at them again. No man. This was Lukhanyo. I started shaking in fear. Lubb: "lihle??" I tried to hide myself. Sizwe: "lihle?? Mntanam. Please wake up sweety." Me: "he's here..." Lubb: "uban?" Sizwe: "she proolly thinks ungu Lukhanyo." Lubb: "no no no no no no!! Babes... Listen to me.." Me: "get away from me!!!" Lubb: "I won't hurt you, ndim uLubby." Me: "you're LYING!!" Lubb: "then lo-" Sizwe: "kham'yeke Lubby." Lubb: "No Ta Seez!! I won't have her thinking I'm some type of animal. Lihle, please look at me." I couldn't. He wanted to kill me. I didn't have hair because of him. Lubb: "linki bear...please khandijonge kaloku." Sizwe looked in the drawer seeing the bottle of pills. Sizwe: "Thank you God engazibonanga." Lubb: "but I'm sure uselile a few. She's a bit confused right now." His phone rang. It was Thulani. Thulz: "heh fondin uphi. Ndihlel no Lukhanyo apha." Lubb: "PHI!!!!" Thulz: "uhm..sise New Brighton but yagoduka yena uthi ulindwe ngu mam. Anyway, uphi wena? Can we-" Lubby hung up. Lubb: "usendlinakhe." Sizwe asked no further questions. He walked out immediately. Lubb: "baby?? Awufun jonga udaddy? Kancinci?" He slid in the bed and chatted. I moved away. Lubb: "I'm not him." My head was cold. I was now bald and even uglier. He took off his beanie and placed it on my head. Lubb: "I made chicken soup. And I got you le swiss cocolatiers all ze way from ze Australia." I giggled. I couldn't help it. Lubb: "thank you." I was cold and shivering. He switched on the electric blanket and I sat up to eat. Ndabe

ndilambe ndisifa but couldn't eat quick. I could feed myself. After eating, I lay back in bed. I missed my children badly. I still couldn't believe my own mother cast me out her house. Without my children. Uthi mandithini. Lubb: "ucinga ntoni?" Me: "my mom..." Lubb: "what did she say? Bout us..." Me: "she threw me out and told me ndiyam'hlaza. She disowned me." Lubb: "that's taking it a bit too far." Me: "Lubabalo, ndikhuliswa ngulomntu ndiyamazi ba unjani umama. Uyi python. Sorry to say...akakhathali kwenzeke ntoni but the mere fact Lukhanyo wants a divorce because ndileli nawe aggravates her because akazofuman benefits." Lubb: "that's not the reason. She knows I provide for her as well. I pay her bills and all." Me: "she doesn't really care about that. She didn't even give me a chance to explain. For sure Lukhanyo told her everything except for what HE did." Lubb: "she's just a bit disappointed. She'll cool down. Wena just focus on getting better." I just wanted to die. How could I survive with all this guilt and without my babies? I don't care about Lukhanyo, he can go to hell. Me: "but I want my kids." Lubb: "when you're better we'll get them back. I promise. You gonn be okay?? Ndizobuya." Me: "please don't do it. Ndiyakwaz uyaphi. He's not worth it. Ubanjwa kwakho uzothin Lubby?" Lubb: "I'm not letting him get away with this shit Lihle, andicingi." Me: "what about your kids? If you don't stop fighting with lomntu unobu kwekwe, you'll lose them." Lubb: "I can't just sit back Lihle." Me: "let the authorities do their job. My doctor suggested I report him. And I will." Lubb: "okay. Fine ke. Is there stuff you need pha?" Me: "yes my lotion. ndithathe le phelileyo. Ndashiya the new one." Lubb: "I'll buy a new one. Whatever is there could be contaminated with Lord knows what. I'll be back later ne.." Me: "bye." He got up and walked out. Driving to Kwa Ford. Meanwhile Sizwe got to the house and kicked the door down. Sizwe: "kwedin!" Lukhanyo gave Dumisa the signal waya eroomin. Luks: "yinton Ta??" Sizwe punched him to the ground. Luks: "its not my fault she did this!" Sizwe: "its not my fault I'm doing this either!" Lubby walked in pulling him off. Sizwe: "ndiyeke!!!" Lubb: "No!!!" He took him outside. Lubb: "he isn't worth it." Sizwe: "I don't care Lubabalo!!" Lubb: "for all we know, cops could be on their way right now! Lihle needs her father. Mamakhe just disowned her, ndiyakucela Ta Seez." Sizwe: "thenjiwe did what??" Lubb: "yeah. She threw her out." Luks: "uncedile." He wiped his bleeding mouth. Lubb: "shut the fuck up!" Luks: "make me. Oh wait....awukwazi." Lubb: "if you could actually leave your second hand thugs. Undilwe njenge ndoda without weapons we'd be talking different. I'm sure you thought undibulele ne? Heh.....you're dumber than I thought." Luks: "suthetha nam olohlobo kwedin!!" Lubb: "masambe bhuti. Wena Lukhanyo, I hope you understand that from now on andikwazi. I don't care what happens to you. I'm not fighting because of our kids that will be affected. So hlala ke noDumisa wakho. And when it

all fails. Ungaqalisi ukuza kum." Luks: "you're a coward Lubabalo. Wenza ii'speech sobu kaka njenge moffie." Lubb: "k Lukhanyo." Sizwe jumped up and punched him over again, then started choking him. Dumisa: "get up Lukhanyo!! Fight him like a man!!" Lubby pulled Ta Seez again. Lubb: "masambe bhuti man!!" Sizwe shrugged himself off and kicked Lukhanyo's face against the corner of the table. Lubby tried to stop him. Sizwe threw him aside. Dumisa: "Lukhanyo phakama man!!!" Lubb: "Ta Seez please stop!!!" Sirens went crazy outside. Lubb: "Ta seez you're going to kill him!!! Stop!!!" He tried and tried. Sizwe held Lukhanyo's neck. Police: "Stop Right There!!! You are under arrest!!" Lubby pulled Sizwe off. Sizwe: "rather basele bendibambela into ekhoyo!!" Lubby stood in front of him. Lubb: "please!!" They hand cuffed Sizwe and took him out. Dumisa laughed. Dumisa: "One down. Two to go." She giggled. Lubb: "you will regret this with your life. I swear to God I will remove you off the face of this earth like a blemish. And I won't rest until I do. Mark my words."

Chapter 571

I sat in bed the next day feeling even more shitty. Rene wasn't taking my calls. Mandy was in Mthatha her granny was ill. Sibongile was at work. Damian was in Durban. I had no idea where Lubby had gone. I sat alone and thought about how quick everything changed. Just last month we were reunited again and happy. Now this. I got out Of bed at 8am ndaya ebathroom. Damn I looked fucking ugly. Washed my face and went downstairs to make myself porridge. Something moved behind me in the kitchen. I was too scared to look. I went around the counter and saw Lukhanyo standing there. Is there an extra door in this damn house! That I don't know about! Luks: "ubaleka nton?" I sprinted up the stairs but he grabbed my leg and pulled me down. Ndaphinda ndabetheka nge ntloko on the tile. He held my neck and pulled me up to his face. Me: "just kill me. Please." I couldn't live like this anymore. Luks: "I bought this house. Knowing fully well why. I could keep track of you xa undibaleka. So don't think you're smart by changing the locks. I will always be one step ahead." I was shaking again. Ndili phakuphaku. Luks: "so you slept with my brother and think I wouldn't find out?" I tried pulling away. I couldn't scream at all. Luks: "you're worth nothing on this world. You don't deserve to be a mother especially kwabam abantwana! How the hell you think uzofundisa intombiyam ubuhule? I want you out my house. Watsho wambi wafaneleka too. Siees." He spat on me and threw an envelope and pen. Waphenduli phone yakhe. I opened it ndingcangcaleza ndicengana

noThixo angandenzi nto. I signed the papers as quick as possible. Luks: "ndiyeza ngoku mfazi wam. Isa signer le rubbish." I heard a laugh on the other end of the line. Luks: "okay ke baby sharp." I gave him back his things. Luks: "phuma endlinam kaka!" The house was rightfully mine. In My name. But I wanted nothing to do with him. Luks: "usapha ama card am ne phone yathengwa ndim!" I walked upstairs with my tail in between my legs wandilandela with black plastic bags. Throwing everything inside. He took them outside. Wabuya yena. Luks: "Cards!!" I gave him his cards he grabbed my phone and everything else. He literally wiped everything I owned out. Wandijamela. Good God please!!! He pulled me out nge gown wandilahlela ngaphandle. He locked his house and drove off. The plastics were in flames. The smoke alarmed the neighbors and called the fire brigades. I now had nothing. I walked away to Lubby's house and for the first time kwabe kuvaliwe ginci. With no sign of Sylvia either. I walked to the neighbors house and asked to use her phone. I called Lubby. His phone was off. I tried Thulani. Unavailable. I left a message and walked out. Where would I go? Who would help me? Ndaske nda dom. I sat on the pavement and thought hard. Police station was quite a distance from here. Since I had nothing else to do let me just start walking. Ndatsho ngenyawo. This walk gave me time to think. To evaluate everything. Why was everyone turning against me all of a sudden? Maybe I really didn't think of this shit ka Lubby through. What was I thinking? Lukhanyo had warned me over and over again. But I didn't listen. It was all my fault lento because ngendinga vumanga. Now both of them have left me. Betshilo Mandy. She told me this and I didn't listen kuba ndiphethwe kubatywa. I will never forgive myself for ruining my marriage. I started to loathe myself for the lack of self worth. Then it started raining. Could things get any worse? Yes, because it started thundering. I was afraid of thunder. I hid under a shelter shivering. After it stopped I walked faster ndade ndayofika. Explaining to an african woman because she would understand. Police: "sisi, uthi thina masiyobamba umnyeni wakho lo uzaphinda ubuyele kuye okanye um'baile ngokwakho. We deal with these cases everyday! Bengathi simuncu xa abantu bexolelene." Me: "but sisi, you don't understand. He kicked me out and took everything." Police: "ambothetha naye kalok sisi. Nitshatile mos. Khona kuthen out of the blue ezokugxotha cacile wenze into kuye kalok sana. Ithin na into yakho." Me: "I didn't mean to hurt him." Police: "uzenzile ke mntaka bawo. Next please." I moved away and walked out to the street. I had to make a plan asap. I walked to the residential side and went in door to door asking for help. Nobody seemed to be home or willing. I looked like I escaped a mental hospital suddenly regretting everything I have ever done. Ndade ndafika at a big house with 2 cars outside. A black couple standing outside. One kissing the other goodbye.

Ndaveske ndafun ulila kakhulu. Maybe they could help. The lady approached me first. Lady: "sorry girl, khasondele." I walked to her. Lady: "we need a maid, for a few days owethu went back home. I will pay you everyday." A maid?? No! But I had to swallow my pride. Ndizothin ke? Me: "ok." Lady: "great. Love? Khamnike uniform yakhe sibenohamba. Vasa nyawo zakho ntombazana nantsiya itap." I went to wash my feet. The guy gave me a blue long overall ndayongena endlin. Both of them drove off. How do you trust your house with a stranger? 😊 -_-#smh. There was a mountain of dishes. The floor had dirt marks on it. The counter had coffee stains and crumbs all over. The iron was still on. Up in the bedroom there was washing basket full of dirty clothes. The bed unmade and panty ka sisi inqenqe phantsi gcakamele ilanga. At least for a few days I had shelter. I started with my work. I would get paid and be out this motherfu****

Lubby was in Cape Town for the day. He was forced to but he told himself only for 2 days. Then he would head back to Port Elizabeth and get Sizwe out. Lungelo was ready to help. They spoke on the phone. Lubb: "I need the best lawyers, you and Paul must work something out." Lungelo: "Paul left me last month though, he claims ba mna I don't treat him like an equal partner so wahamba ke and moved to Durbz with his wife." Lubb: "okay, but I need to get Ta Seez outa there brah. And anything you can find dodgy ngala case ka Thabz tell me." Lungelo: "I searched this girl. She has been married twice and une sister engu Kim who has 2 kids." Lubb: "get me Kim's number. Who's the previous husbands?" Lungelo: "they're out the country. Omnye use Afghanistan. The other in Egypt." Lubb: "okay so for now I'm dependent on the sister. We'll keep in touch." He hung up. Then called Lihle. It rang to voicemail. He left a message. Lubb: "hey sleepy head. Cela uxolo for leaving without saying I had an emergency in Cape Town I'll be back by tomorrow I promise. Call Sbosh over in the meantime and call me back when you get this." Estella walked in, looking as gorgeous as ever. Estella: "good morning." Lubb: "afternoon actually. You look beautiful." Estella: "thank you. I emailed you something did you get it?" Lubb: "sorry I was on the phone." He checked his computer. Lubb: "there. What's this about?" Estella: "weekend away. Me and you..." Lubb: "sounds lovely but uhm..I have to get back to PE." Estella: "the one time I try and make it work. You're not interested..." Lubb: "its not that I'm not interested Estella. I just need to deal with some stuff. Lihle is in a pretty bad space lately." Estella: "what's wrong? She okay?" Lubb: "nah, Lukhanyo left her.." Estella: "ouch man...that's pretty hectic. Sooo, isn't she with her family?" Lubb: "no, she's at her house." Estella: "and you're..??" Lubb: "supporting her." He looked away quickly and took some papers to staple. Estella: "that's all?" Lubb: "yep." Estella: "surely she can understand you've been there all week. Don't you wanna relax?" He

knew she would catch on if he kept rejecting. She was just that smart. Lubb: "okay let me just inform her okay?" Estella: "send her my regards.." She walked out. Lubby tried to call again. Rang till voicemail. Lubb: "babe, please pick up. Look, uhm... *sighs* I won't be able to come back friday. Estella booked us something. I hate lying to you. So I hope you understand. You told me that you didn't want us, and I guess I got to move on. I'll always be here for you though. I promise. Please reply." He got up and attended a meeting.

By 15:00 I had finished the entire house. My feet were breathing. Ndabe ndi need ibath desperately. I went upstairs and bathed as quick as possible. Ndanxiba rhow and went back down. After 4, husband came home first. Ndihleli in the back yard estoepin. Thinking where to from here. Ngokuya ndandigezela ooVuyo nooBukiwe kanti andizazi ndiyoze ndiphelele apha. Bragging and showing off my husband kanti uyondijikela kanje. Ndandityiwa ziintloni. "Utyile?" I heard a deep voice behind me ndothuka. I shook my head wandipha isonka ne drink. But I couldn't chew properly because of my jaw. I Tried my best until done. Ndayovasa sitya and put it away. He sat on the couch with his feet up watching tv. Kwangena umadam wam. She went straight to her husband dropping all bags to the floor and hugged him and kissed him. That was soo sweet. 😊:(what a beautiful couple. Guy: "how was your day?" Lady: "great. Baby, I got the promotion! Yuuh engese naar uThabisa. Ndaqomba tshotsho. Bonke betshintshile ke phof uy'thanda njan uMavis wathi akabuyi? Heee zange ndaxakwa ngumqa." She went on and on, her husband simply smiled and kissed her. Lady: "unje ke wena..." Guy: "but you promised we'd keep trying nje. Now..you got what you wanted." Lady: "ewe baby I now am ready." She looked at me. Lady: "chola ezibag uzise roomin uyek us'jamel ngathi ubukel tv." I quickly picked up the bags and took them upstairs. Lady: "I invited some friends over ke, I hope you don't mind. Kwatsho kwa clean k'lendlu. Ungatsho nje I made a good decision to pick this one." Guy: "the best. Funek um'thengel shlangu. Akanazo oko ehamba nge nyawo." Lady: "uske ukhathale over and above ke wena. Ndizobuya nazo ngomso." There was a knock on the door. I walked to open it. I had the shock of my life ndakhawleza ndajonga phantsi. Vuyo walked in with 2 other girls. All of them in heels and pretty dresses. Beautiful long weaves with nails did. My madam got up. Lady: "sweety khafownel ooXhanti kalok." Guy: "ookay babes, molweni ladies." Lady: "wena, make us food sizoty a iroom yakho ise back." I opened the cupboards and began with the starters. They chatted loudly about work and laughed. They all looked amazing. I looked at myself and continued with my job. Served them ndayo grill ichicken. Made hong kong chicken. Fried chicken. Every type of chicken. I made salads and decorated the counter with food. The guys came bayohlala nabo. I served the meal

and went back to start something for desserts. Vuyo walked in the kitchen to rinse her glass. Then I started panicking. I didn't want her to see me like this. The plastic bowl accidentally slipped from my hands wandijonga. Ndazifihla. Vuyo: "Lihle??"
Watsho ngesqhazolo sentsini....

Chapter 572

I had locked myself in my room since the previous night ndalala. The next morning I was woken up by a knock. Ndayovula. The husband was standing outside. Guy: "ulibonile ixesha ba nguban?" I shook my head. Guy: "It is 11am! The house is a mess and my mother will get here soon. Awufun Xoliswa abe nomsindo." I nodded and made my bed real quick ndaya endlin. The house was a mess. I managed to clean it up within 2 hours. Guy: "ndikunike ngoku mali yakho or ???" Me: "ndicela ngoku bhuti. I'll be leaving now." Guy: "but you haven't cooked." Ndaqala ndenza i-lunch. Guy: "ungxamelephi?" Me: "home. Bendingena mali yokhwela or a phone to contact umntu." Guy: "bekutheni zungatsho izolo? I thought you wanted to work mna." He gave me 100 note. Me: "no. I. Just wanted to go home." Guy: "busenzani kweli cala? Where do you live?" Me: "I live in Motherwell. I had a house in Lovemore Heights. But mnyeni wam divorced me waxutha yonke into. Burnt everything I owned. And took all my cards, I.d and phone, that's why ndingakwazanga goduka." Guy: "haibo. Umenzeni de enze lonto na." He sat on the arm rest and put one leg over the other esitya iLays. Caba intlungu yam yimovie. Me: "I slept with his brother." Guy: "HAIBO!! Wena uyenzelani lonto!!" Me: "I don't know what I was thinking." Guy: "soo...brother naye wayotshona?" I nodded. Guy: "hayi ntombi uz'phethe kakbi. Uzothin kengoku?" Me: "I just said. I'm going home." Guy: "sendisitsho ngo husband kaloku." What's the matter with this guy!! Guy: "awuzocela xolo kuye? I mean you wronged him. Now all of a sudden ufuna sympathy ngenxa ungena shlangu?" I didn't want his sympathy neither did I want to fight with him right now. So ndavala mlomo wam and continued cleaning up. Guy: "hayi ndiyathetha kalok and'sosthunzela." Me: "bhuti, andifun sizi ne? Ndiyazaz into endiyenzileyo whereas I'm trying to do my best to overcome this situation if ayikho ebetere ozay'thetha then don't speak to me." Shit. Guy: "andingo bhuti mna ndingu Shaun. so uzothini ke?" Me: "andizokwenza niks." Guy: "hayi njan ntombi?" Me: "ndizocela njan uxolo kumntu undibethayo andidlwengule and leaves me for someone else!" He gasped in shock. Guy: "I didn't kno-" Me: "hayi fok man! Bungafun yazi! Now stop! Just stop asking me stupid

questions!!" He sat down on the couch wavala umlomo, staring at me. Umsindo bendinaye. My God. At midday ndaya to the back room to change into my gown kamandi ndiyivase izolo ngok bendisenzi washing. He knocked again. Me: "ngubani?" Shaun: "ndim uShaun khavule wethu." Me: "I'm changing." Shaun: "into what?" Me: "ento bendifike ngazo." Duh. Shaun: "heeeee. Uzohamba nge gown estratwen? Jonga ina.." mnini ntozonke. Shaun: "its some of Xoliswa's old stuff. At least akhomntu uzok'jonga ingath ulihlanya." I opened and took the dresses. Me: "enkosi." He gave me a little bag then walked away. Ndanxiba lelokhwe inde ifloral. I wore the sandal and looked in the bag kukho enye imali. Well I walked out looking a bit hungry but decent. Shaun: "bukhe watya phof?" Me: "ndizoty phambili enkosi." Shaun: "I'm a psychologist. If you need someone to talk, ina." I took the business card and left. I took a taxi home, excited to see my kids. I couldn't just rock up at a bank without an I.D or card or maybe I could use the card-less services. Ndade ndayofika eMotherwell ndicinga into zam. When I entered mama was standing in the kitchen. Me: "molweni mama." Wandijamela. Me: "mama, ndicela uxolo ngento endiyenzileyo. I'm really sorry." Ma: "ulicela kuban? Kum or Lukhanyo?" Me: "mama he kicked me out my own house. He took everything." Ma: "uphi ke yena uLubabalo wakho we bhongo?" Me: "he's gone." Ma: "haha! Benditshilo kuwe. I fail to understand ufunda nini uyeka amadoda." Lukhanyo walked into the kitchen carrying Lutha. Andothuka ndaphants ukufa. Luks: "umkile uloverboy ngoku? Hehee.." Me: "mama..." Luks: "akangen ndawo mamakho." I didn't argue ndayo ngena straight eroomin. What would I do now? I counted the money Shaun gave me. It was 500. I had to plan carefully le mali izothin. Firstly I needed an I.D since this thing burnt mine. I needed to get a new bank card. I needed a phone. If I can access my account at least I could have more money. I don't need a car yet. I need busfare to go to and come back from school for next week. I lost all my work since ikula laptop iku Lukhanyo. I had no books nothing. I had to start over again. Late that day ndabizwa ngumama. Ma: " uthi kuzopheka ban xa uzivalele k'la room ngathi unohili onoboya?" I started cooking instantly. Lukhanyo ezenza oyena mntu kumama. He knew he was only making me uncomfortable kuba ndisoyika. Coming into the kitchen and making a scene. Luks: "sitya somntana." He demanded. I looked through the cupboards was'xhutha esandlen. He came back put it dirty next to me. Ndasivasa. I dished up ndayonika umama nge tray okwakhe. Ndaya eroomin. Yanya lo uzophakelwa yinkazana le yakhe. He only left late that night ndazi sola bekuthen ndingatyi kwa Xoliswa. As I got up ndayoziphakela ndatya and washed the dishes. Namhla came home waye roomin. At least ndinomntu wothetha. I went to my cousin ndahlala phez'kwe bhedi. Me: "hi mntase." Namhla: "hi." Me: "unjani?" Namhla: "fine." Me: "I'm far from fine. Can I use your phone?" Namhla: "ufuna

ndikusizele Lihle emven wenze lento ku Ta Luks? He's always been a great husband ekwenzela kwanto kodwa you just had to cheat nalanto yakokwabo ingena smilo!" Me: "namhla you don't understand-" Namhla: "andifun understander NIKS. Iya kalok ku lubby wakho. Tshin." She took out her books and started studying. Okay, so this wasn't working. Hayi sho, its chilled. Just until tomorrow ndizozama izinto zibenolunga.

The next day Lubby was up by 4am. It was Saturday. He took a shower and dressed. He was at the game lodge Estella had booked but in different rooms. Lubby tried calling last night and nothing was going through so he called Stuja. Lubb: "dude, ndifuna uye k'la address ndik'thumele yona izolo and see kwenzekan." Stuja: "sho boss." 2 hours later estella knocked on his door. Lubb: "come in." She came inside, wearing shorts and a vest. Lubb: "its cold." Estella: "not outside. Come let's go check out the place." Lubb: "can we just wait another while? I need to be in a place where there's signal." Estella: "what for?" Lubb: "she hasn't returned my calls." Estella: "because she probably got back with Lukha and she doesn't want to speak to you." Lubb: "nah..she wouldn't." Estella: "they love each other Lubby. Get over it and let's go!" Lubb: "something could have happened..." Estella: "you're gonn drive yourself crazy. When she's ready she'll call you. Okay?" Lubb: "okay." He got up and walked out with her. They walked around and went on a hike. Then a bicycle race. Lubb: "I'll be back just now, I need to pee." Estella: "okay." He ran to the room and tried calling again. No signal. Lubb: "FUCK!" There was one more day left then he'd go back to Cape Town, and leave for PE. Estella walked in on him making another call. Lubb: "Stuja, what did you find?" Stuja: "akhomntu pha Ta Lubby. Just a patch on the driveway ngathi bekutshiswa into." Lubb: "into efana nantoni!!!" He panicked. Stuja: "andikwazi utsho ba yintoni. I don't know." Lubby hung up. Estella: "and now?" Lubb: "I have to go." Estella: "why?" Lubb: "there's something wrong going on. I shouldn't have left PE!" Estella: "lubby when will you stop intervening in your brother's life and focus on building your own? I'm really trying here but you're secretive and not helping." Lubb: "I'm sorry Estella, but I've been waiting and waiting for you. I tried to show how much I care but you rejected all that and I understand I hurt you and you couldn't trust me. But you can't just expect me to drop everything now. We've got to take it one step at a time." Estella: "okay. I understand. Let me come with you then." Lubb: "let me fix this on my own please? I'll keep you updated." She nodded. Lubby walked out with his bags, she followed with hers. They drove back to Cape Town. He was stressed and couldn't utter a word. He took her home and took a flight to PE immediately. Arriving in the afternoon. He went to the house and saw the burnt driveway then drove to his. Nobody was there. He drove to Lukhanyo's house Kwa

Ford. She wasn't there. Lubby drove to Motherwell. I had gone to Home Affairs and Main street. Thenjiwe opened the door and looked at him. Lubb: "molo mama." Thenji: "molo Lubabalo." Lubb: "ninjani mama." Thenji: "ndiyaphila wena." Lubb: "I can't find Lihle. Is she here??" Thenji: "akekho apha." Lubb: "awukamboni mama? At least once?" Thenji: "andimazi ba uphi Lubabalo ndamqibela ngolwesithathu mna. Maybe ufumene omnye." Lubb: "are you sure akekho mama." Thenji: "uyambona wena?" Lubb: "if you see her ma, ndicela um'chazela andifownele." Thenji: "andiyo post office yakho mna." Lubb: "mama please." Thenji: "Lubabalo, ungaske ubuyele apho uvela khona? Because oko kwafika wena zange kulunge. Nguwe wonke lo." Lubb: "ndicel uxolo ma." Thenji: "uthin ngo mninawa wakho yena? Esiva kabhlungu kangaka lelinyalana lakho nalomntana?" Lubb: "kodwa mama uLukhanyo wenze izinto nokw-" Thenji: "phuma endlinam." He walked away. What was he expecting after everything he does for her she still treats him like this. Even after clearing her name, still wenza lento. It wasn't the first time so he wasn't surprised. He called George. His accountant. Lubb: "any money coming out of any of my accounts. Block it. I want to start new." George: "okay, what else." Lubb: "leave my expenses though. Just cut off everything else." George: "except the Lukhanyo Mzinyathi right?." Lubb: "especially the Lukhanyo Mzinyathi. He can survive for himself. I won't pay him 60 grand a month to give me shit." George: "will do." He hung up. He contacted his lawyer Daniel Sullivan. Lubb: "I wanna re-do my will." Dan: "I'm in Port Elizabeth as of now, where can we meet?" Lubb: "News Cafe, 20 minutes." He hung up and called Stuja. Lubb: "anything!!!!?" Stuja: "what are we looking for exactly?" Lubb: "uLiHLE! Damn it. Uphi yena Lukhanyo!" Stuja: "I think use span." Lubb: "when last have you spoken?" Stuja: "its been weeks." Lubby hung up. He was running out of patience. He drove to News Cafe and fixed his will with Dan. Lubb: "everything of mine must belong to all my kids and nobody else." Dan: "your companies?" Lubb: "my dad." Dan: "uhm...the house." Lubb: "the kids will share the house. The money is in trust funds. For all 6. I wanna add my latest too, he/she isn't born yet but the mother is Liyabona." Dan: "so...your twin?" Lubb: "nothing. I don't trust him anymore. The way he's acting lately." Dan: "your back up money...the money you've kept in that foreign account just in case you lost everything..." Lubb: "I forgot about that account! Damn. Write that one to Lithembelihle Manti." Dan: "its worth 10 mil." Lubb: "I know." Dan: "that is supposed to be something for you to fall back on." Lubb: "well I guess I'll have to just take that risk Dan." Dan: "that could backfire badly Andrew." Lubb: "contact me when its ready." Dan: "the new car you just bought? The Mazerati?" Lubb: "let him keep it." He got up. Dan: "I'll do this as soon as possible." Lubb: "thank you." He called his team to meet him back at his house. They all arrived after a couple of minutes.

Lubb: "I want you to look for someone for me." Stuja: "umam?" Lubb: "uLihle. She's a bit different now, akanazo inwele. Qala kuSbosh, then Mandy and Rene." Lucky: "if we don't find her?" Lubb: "uzubuye net apha engekho sesandlen sakho ndiyoku sika indlebe. I said find her!!" They rushed out. He tried Lungelo. Lubb: "dude, aw'kambon lihle? Maybe beze ku Zintle?" Lungelo: "no bra, khangе aze apha. Oko ndilapha namhlanje noZintle didn't say anything kodwa khome ndibuze." (He asked Zintle) Lungelo: "uthi ha.a khangе ambone." Lubb: "please help Lungelo. Ndak'cela fethu. I did the most stupidest thing." Lungelo: "khandiphe 15 minutes ndiyeza." He hung up. Lubby called Lonwabo and Phila too. They all arrived round about the same time. Losta: "what's wrong?" Phila: "uthe uphi uLihle Lubabalo!!" Lungelo: "majita khanimen kancinci...Lubby?" Lubb: "I thought she'd be okay...I should've known he wou....." Losta: "who!!" Lubb: "ndimshiye endlinakhe on Thursday kuba ndizobuya Friday. I didn't want to wake her because khangе alale ubsuku bonke ekhala. So I left early in the morning, my phone been off ndam'fownela ngeyase span. She didn't pick up. I tried oko andabuya friday kuba ndisiya to some trip no Estella then I tried ngeyam still akaphenduli. There's an unexplainable burnt patch on her driveway. Kutixiwe akhomntu, her mother hasn't seen her. Nobody has." Losta: "can I ask something a bit stupid? Kuyo yonke lento uphi uLukhanyo? What if she's with her husband?" Phila: "yeah, and why are you panicking kangaka?" Lubb: "they're divorcing." Lungelo: "hayi man.." Lubb: "lukhanyo has changed over night. He left her for another chick. LoDumisa ndikhangela zinto ngaye. He abused Lihle, physically, emotionally and... The things bemenza zona..." His hands were shaking in anger. Phila: "then masiyokhangel Lukhanyo sibenomfundis is'fundo!!" Lungelo: "before any of that, we should report her missing. We don't want anything that's going to come back to bite us in the ass. So before whooping Lukhanyo, we need to d-" Lubb: "FUCK the law Lungelo!!!" He screamed. Lubb: "what if he killed her!!" Lungelo: "as much as he's capable of doing that, asina sure. Let us just think with our heads here. Beating Lukhanyo won't bring back Lihle. We need a different plan." Phila: "I'm still going to beat the shit outa him. Qha. Kuthen ezoveske alahleke?" Lungelo: "I understand that, but utata ka Lihle is in jail just for that. Ba sino banjwa sonke sizom'fumana ke uLihle?" Losta: "let me check the hospitals." Phila: "I'll check the mortuary's." Lungelo: "I'll drive around and ask. Lubby?" Lubb: "I'll come with you." They all left. I got home in the afternoon ndahlala noLutha in the lounge. Ndingese lambe man. I went to the kitchen ndenza sandwich. Ma: "worse ba mawenze lo waste kodwa aw'thengi nokutya. Funeke ndondle wena nabantwana bakho ngenxa yongaz'kwazi!" I reduced to 2 slices and ate. Ndapheka for supper. Every thing I seemed to do. She hated. The baby lay on the floor playing ndabe ndibusy ne mbiza mna. Lutha always

did that, he loved the floor. Wangena kitchen umama. Ma: "umyeka njani umntana umazi unesfuba alale kwi tiles!!!" She picked him up and took him to the room. I didn't know that was wrong. Anyway carrying on with cooking. Namhla enxiba, she was going out with her friends. And mama still denies knowing anything ku malume fika kwakhe abengathi wothukile. #smh. I dished up and went outside to make a call. I had bought a phone for under 100rand. I didn't know anybody's numbers except for Lukhanyo, Lubabalo and Thulani. Not counting my mom and Namhla because naba belapha. I called Lubby, trying my luck because he doesn't answer random numbers. Ever. Maybe I should've sent a message first. But during desperate times, he actually picked up. Lubb: "llo?" He grumbled. Me: "hey..." Lubb: "Lihle!!!" He stopped the car. Lubb: "uphi!!!" Me: "I'm okay. You don't have to worry." Lubb: "what happened? Uphi? Kunin sikukhangela!" Me: "I'm safe." Lubb: "tell me ba uphi ndizok'landa." I wanted to make things right with my mother first. I had to think for myself. Yes he would treat me well but until when? Nanko noLukhanyo changed in a matter of days. I didn't want to be in a situation where I regretted myself again, ndibuye ndizocenga kumama kwakhona. Yes I was in desperate need of money and clothes but I needed my pride and self respect more. Lubb: "Lihle please babes. Just name whatever you see...I'm sorry I left you alone. Ndiyak'cela just tell me." Me: "I'll be okay Lubby. I didn't want you to worry. That's why ndifowna. Lukhanyo gave me the papers on thursday and I signed them. So yeah ndigrand ngoku. Ndicela undithumel number ka Mandy." Lubb: "sundenza lento Lihle. Please. I'm trying here." Me: "I'm at home...I just want to prove to mama I'm sorry. If you could stay away...because unomsindo right now." Lubb: "yiphone kaban le?" Me: "mine. Ndithenge entsha." Lubb: "okay. Cool." Me: "bye." Lubb: "sure." Me: "cima phone kalok." Lubb: "ngay'cimi nje wena." Me: "because I called so wena funek cime njengoba uphendulile." Lubb: "xandingafun cima ke ndithin?" Me: "I have to go though." Thenji: "LIHLE!!!" She screamed. Lubb: "okay. Bye then." I hung up ndayongen endlin. Thenji: "izitya." I washed the dishes and cleaned the kitchen. I kept drinking water ndlela bendinxanwe ngayo. Then went to check the babies. They were asleep. Kwangen SMS. I checked it. Lubb: "jonga phandle." I looked. He stood outside ecamkwe ndlela and waved. Ndahleka ndisonqen ukhala. Lubb: "izapha!" He whispered and gestured. I shook my head and he made a sad face. I had to go back inside the house because my mother would start cursing me out again. Ndava nge knock. Ma: "come in!" He walked in. Lubb: "molwen ma." She looked at him. Lubb: "kodwa mama, bekho ineed yoba uxoke ngoske wathi awufun ndim'bone instead undiphatisa nge high blood imin yonke." Ma: "uzothetha nam olohlobo Lubabalo? Endlinam?" Lubb: "uxolo ma." Ma: "uzofuna nton apha!" Lubb: "ndizolanda abantwana bam ma. NoLihle." Ma: "ngabaka Lukhanyo abantwana

abalapha Lubabalo. And abalahlekanga." Lubb: "lihle?" Andifun nothetha elinye. Ma: "yeka uLihle! Wenze enough damage apha ngocimba zothatha is'hlalo sika Lukhanyo. Phuma endlinam." Lubb: "okay. Ndizophuma mama. With my family." Ma: "ndifownele amapolisa? Azok'landa." Lubb: "I'll sit here and wait." He sat down. Me: "kodwa Lubby awuva. Nditheni kuwe?" Lubb: "ndik've kakhle. But you need to be and feel safe. Lukhanyo will be in and out of here like its a bathroom, wena funeke ube usoyika lonto?" Ma: "Lubabalo ndithe phuma kwam." Lubb: "mama, uyayazi ba loLukhanyo um'defendayo ngulo uhlu kumeza umntanakho?" Ma: "uzozenza mhle wena ngegama lika Lukhanyo qha, ayikho enye." Lubb: "okay, ndizenza mhle ngegama lakhe ma, I'm still not leaving." Me: "please go. Lubabalo I will be fine. " Lubb: "are you sure about this?" Me: "yes." Lubb: "if you need anything ke. Zundixelele." Me: "I will." He got up and stared at Thenjiwe. Lubb: "a mother that sees the bad mistakes of her child, teaches and forgives.." Ma: "uzandixelele ndim'khulise njan umntanam ngoku Lubabalo?" He walked out without a word. Thenji: "uchazele lanto ingaze iphinde ibuye apha Lihle! Akana mbeko lamntu ngathi yikwekwe." Me: "uxolo mama." Ndaphakam ndaye roomin. A message came through. "I'll be there at 22:30. Get the kids ready." Hayibo. 🙄:o ndizothi ndiyaphi?

Chapter 573

It was a tempting offer. Running away to Lubby. But I was still quite vulnerable. Ndandisiva kabuhlungu. He could leave me naye just like Lukhanyo did. And I would be left with no money kwakhona sendiy'qhelile funeke ndiphinde ndize kumama azondithuka kwakhona. I hated the way he made me feel. Now I felt guilty yiyo yonke lanto and I can't bring myself to forget it. Although I wanted to leave here, my mom made me feel worse about myself. Who would look after my children xa ndisiya eskolwen if I go? So rather ndihlale ke ndinyamezele. I replied: "No. I said I will be okay. Can you just give me space?" He sent Mandy's number. Ndafowna in the mean time. I explained what happened ndabe ndiphelelwa nayi airtime. She was only coming back Thursday but suggested ndiye ku Sbosh in the meantime. Yacima phone. I looked myself in the mirror. Me: "baby girl you can't survive like this." Luthando started crying. I took my baby and rocked him back to sleep. He looked so much like his father, it pained me to the extreme. Andakwazi noz'bamba. I just cried. He cried too. Now I was upsetting my child. Me: "uxolo mntanam." I sniffed. I Tried sing him a his favorite lost donkey song his father used to sing to him xa engafun lala. I ended up

stopping because it made me miss him when he was so perfect. Before he turned into this. I eventually fell asleep ndavuka ekhensini ndisiva ingxolo phandle. It was a car playing loud music, I peeped out of curiosity. It was Namhla and her 'friends' who were by some reason driving in a black Mazerati kuhlekwa kumandi. I went back to sleep.

A few weeks passed by. Ndiziva ba at least I'm getting me back. My hair was growing back. I had a few jeans and tops thanks to Sbosh. I had busfare money thanks to Mandy. Actually I had quite some money qha ke I had to pay my mom most of the time. She complained nge grocery, I bought it. She complained ngezinto ze babies, I bought them. I bought my school books helped by Damian to catch up. Lubby called everyday ancokole noLuthandoluhle lento iviwa ngabo bodwa. Lukhanyo came every 2 days. Ndandidikwa ndiphinde ndiyeke. The next day was my babies' birthday and my anniversary. I saved up ndiz'xelel ba ndizobuya eskolweni ndikhuphe abantwana bam with Mandy, Sbosh and Chuma. It was friday. I was happy. Best mood I'd been in such a long time. I got home just after 2pm. Me: "molo mama." Ma: "molo Lihle." Me: "baphi abantwana? We need to get going." Ma: "bamke notatabo." Ndaveske ndasikeka indawo. Worst part is that I told my mom of my plans yet she ignored them wabayeka wabathatha. Me: "njan kengok mama? I said ndizohamba nabo nje!" Ma: "ngak'linge utheth oloholobo nam!" I was so angry I took my bag and walked out. I took a taxi to Sbosh's house in New Brighton telling her what happened. Sbosh: "don't let them win. Don't ever give in! Masambe peto siyoba bamba." I washed my face and we left for the police station and explained. Police: "ngoku bathathwe ngutata wabo engatshongo?" Me: "ewe sisi." Police: "ubuphi wena? Beshiyeke naban bona?" Me: "bendise skolwen, bebeshiyeke nomama." Police: "he didn't steal them kalok ucele kumamakho wabathatha. He has a right to those children as much as you do." Me: "ndicela undibambe sisi?" I was soo angry. Iphi justice yase Bhayi na Bawo? Police: "wenzenton kengoku wena?" I gave her fat slap across the face kothuka wonke umntu. Just as you might have imagined. Ndabanjwa. 😞_- for good reason though. I spent the night in some stinking cell. Fuck all of this. Kunin ndilungile. Caba ngabamoshayo abafuman ukonwaba? Yuuh rhaa. Kuzoba heavy ke kanti. Ngu mnqundu wonke lo wenzekayo mos. Njengo Nicki Minaj. A hundred motherfucker's can't tell me nothing uqala namhlanje. Akhonto bendiyenza pha instead I wrote nge chalk pha phantsi. Ndakhutshwa the next day by Sbosh and Lubby. Firstly he laughed at me. Lubb: "kodwa babes uphambene yazi? Ndiy'hleke ndalila. Ubucinga ntoni?" Me: "mxim khayeke Lubabalo." Lubb: "uxolo ke..awulambanga?" Me: "I just want to bath." Lubb: "sure thing." He drove us to his house wasishiya. I showered while Sibongile made food. Somehow ndithe ndova ela vumba ndanaar and ran to

bathroom. Throwing up in the toilet. Lubby drove to Lungelo's office. Lungelo: "mjita wam! I've only the bestest news." Lubb: "I could use some nice news." Lungelo: "finally traced where Kim is. Angola." Lubb: "yeses!! Can I get her to come back?" Lungelo nantsi email address yakhe. Explain to her kwenzekani." Lubb: "thank you so much! And Sizwe?" Lungelo: "he'll be out. Worse ba nguban lawyer ka Lukhanyo." Lubb: "let me guess? Paul?" Lungelo: "tshi! But the problem he never anticipated is that I know his weak spot. Wafundiswa ndim kalok uPaul. So uzathin ngoDumisa?" Lubb: "don't worry. I got that bitch in fifth gear. Mpumie?" Lungelo: "Surprise is in prison." Lubb: "what a big surprise." Lungelo: "I'll strike a deal naye. He can't afford bail." Lubb: "keep me informed." He left and went to his car. A message beeped on his phone. He checked it, it was an image of a new born baby. He called Liya immediately. Her mother picked up. Lubb: "molo ma, unjan?" Ma: "ndiyaphila wena?" Lubb: "ndiright mama, uLiya nomntana banjani?" Ma: "baphilile bhuti, ulele ke kodwa Liya yena kuba benzwe operation. Nobaba usalele." Lubb: "ndingazoba bona mama? Uthe Liya uzom'sa ku makhulu wakhe, so at least if I can meet the baby before ahambe." Ma: "kulungile bhuti ungeza sise Mercantile." Why was she so nice. He wondered and went to buy baby clothes and nappies. He went to the hospital. Feeling excited as though it was the first. He met Liya's mother and father who congratulated him on being a dad. Everybody seemed so happy. Ma: "simthiye Luyanda ke. Kuba Liya befuna njalo." Lubb: "yeah she told me. So ndingambona?" Ma: "of course!" She went to tell the nurse and they waited. She brought the baby boy. Lubb: "Luyanda ka tatakhe. He's beautiful." He held him in his arms. The baby was calm. Lubb: "bekhe wakhala?" Dad: "oko ekhala. Ndothuka ba uthule ngoku.." Lubb: "indenza worry man, makanga thuli kangaka." Ma: "he's okay! He's healthy." She giggled. He sat down with his son. His own flesh. First son. A morrison heir. Liya's mother took pictures of them. 😊^_^ he stayed for a couple of minutes until they took the baby to be fed. Lubby went to see Liya. They spoke for a while. Lubb: "he's so cute. Fana nam intwana yam." Liya: "haska tshi. Nyana ka mama lowa." Lubb: "unomona ke ndiyakwazi." Liya: "is the name okay?" Lubb: "its perfect. So uzohamba nin?" Liya: "after a month. Uzokwenzelwa nomsebenzi ekhaya then ahambe ke. But you can visit him anytime." Lubb: "I plan to do so. Thank you for being patient wandizalela ikwekwe. It means a lot." Liya: "akhonto." The door opened, a light skin tall guy walked in. He had big eyes and a contagious smile which Lubby hated with a passion. He had flowers and a yellow paper bag. Liya: "hey babe. Uhm, this is Lubby...lubby ngu Siviwe lo." Lubb: "sho sani." Siviwe: "molo grootman." At least he had respect. Liya: "what's this?" He gave her the bag. It was a little black and white jumpsuit with a hoodie. It was written 'moo' Liya: "heee. Zobangathi yibaby cow mos." Siviwe

laughed. Siviwe: "yathand chamel nice time ke wena." Lubb: "uhm...let me get going. Ndizok'checker later on ne." Liya: "bye. Thanks for coming." Lubb: "nice to meet you mjita." Siviwe: "likewise bhuda." Lubby walked out. Siviwe kissed Liya. Siviwe: "he isn't that bad kodwa baby, you make him sound like he's a wild bear." She laughed. Liya: "usweet kalok wena that's why engakuhoyanga." Siviwe: "did he like the name?" Liya: "yes. Thank you.." Siviwe: "how's the baby?" Liya: "he's great." Siviwe: " Yindoda leya. My main nigga." They laughed together.

Sbosh and Mandy were going out for the night and I wanted to have fun too. I had a couple of clothes that were still here plus my black wedge. I got dressed in tights and a black corset. With my platform wedge. Mandy wore black white tights and a white platform heels. with a black tank top. Sbosh was in black slashed tights and stilettos with a black vest. Hayi jonga. Skeem saam besi right man tonight. We did our make up. Ndanxiba big gigantic round earrings and brushed my short hair. Sbosh let loose her soft dread. Mandy had a 16" weave. Saphuma. It was full already saya eNew brighton, saqala kwa Chief. We went in to buy our stuff. Sayophola phandle drinking. For a few hours. I saw two familiar guys. Then Stuja talking on the phone. He kept glancing abalekise amehlo. We danced with my ladies just before 22:00pm, I was ready to go home. Sbosh: "hayi Lihle uyaphi?" Me: "ndiyagoduka peto." Mandy: "its only 10. Uleqa ntoni?" Sbosh: "I don't blame her seqhelile shame. Relax mtshaan." I did not relax at all. Instead ndaske nda jumpy and clumsy. We went to Mandy's car. Sadlal Beyonce, Partition. Saphinda sajaiva pha phandle rhangeni by the car wash. Blasting the music opened all doors. Sisonwabe kamand njalo. I felt a shadow behind me. Sbosh looked at him, just by her facial expression I knew who it was. I turned around and smiled. Me: "Hello!" Because alcohol. Luks: "hi. Uright?" Me: "I'm 101% great! ubasephi abantwana bam?" Luks: "basendlin. Ubusy? Ndicela sithethe?" Me: "thetha ndimamele bhuti." Luks: "in private." Me: "ncama ke love. Andizokwazi." Ndabuyel emjaiven. He looked pissed off to the extreme point of no return. Pity he couldn't act on it. Well what goes around comes around, like propellers. Satsho nge hip hop k'londawo. He came back. Luks: "uhamba nin?" Eshee.. Me: "xasiqibile." Waphinda wemka. Beats z'ka Lil Wayne zisenza amehlo. Sbosh's friends came sahlala as girls only all around the car with another white polo that belonged to a friend. Sbosh: "akasaz'phambinisi lona peto. Ithin nto yakhe?" Me: "une sthuk'thezi mtshan because ndiyayaz ufownelwe ngu

Safika sahlala phandle napha, Lubby, Phila and Losta were already there, in a distance. We were Chatting about ourselves, sihlel sodwa ke thina. Ndihleli nomnye ongu Sibahle. Ntomb'entle. Ethand uncokola. She told me about her job and kid. Notata womntanakhe. Oko eloqa and shame for once I actually forgot about my own problems. I wanted to leave now. So just one more bathroom trip ndihambe. Sibahle accompanied me sabuya sifresh. And guess who was waiting outside. Me: "kuthen waske wangathi ulahlekile?" Luks: "birthday yabantwana ngomso. He waited till Lubby sat down and relaxed. Luks got up and drove away. Switching off his lights...

Chapter 574

Lukhanyo thought twice. Praying this works the way he thought it would. He drove after the car his lights still off. Mandy was driving ours. Mandy: "I think we're being followed." Sbosh: "by what?" I looked behind me. I didn't know whether to be annoyed or scared. It was easy being confident in front of many people but what happened when there was nobody to stand up with me. Uzondikhaba ndinye ke

bonanje uLukhanyo kuba ndigezile. A part of me kind of missed him. Just a tiny part. Kanti kutshintshe ntoni kuye? Was I missing something ade aye komnye umntu? Lukhanyo sat in his car and thought things through. He saw Lubby's SUV behind him. Game over. He drove off in his own direction to his house. Luks: "this nigga has no chill. Phof xa utyele umntu you'll never relax..and you'll NEVER relax bafo." He thought and smiled parking in his garage. He walked in, the babies were in their cots sleeping peacefully. He walked to Dumisa, in the bedroom. Luks: "baby.." He whispered. Dumisa: "hm?" Luks: "cimba ulele.." He kissed her, climbing on top. Luks: "you won't believe ndidibene naban." Rubbing in between her thighs. Dumisa: "ban baby???" She breathed. Luks: "lubabalo noLihle. And their little friends. Bez'bamba tsolo." Dumisa: "bathini?" Luks: "nothing. Siswakho besenza i-scene pha. Ndisazama uthetha." Dumisa: "did Stuja see it? And the other witness?" Luks: "yep...now, ndizom'sa ecourt for our kids custody. Luks: "took them. PLUS eyona ilegendary. The one ebeme so comfortably noLubby." Dumisa: "undenza excited bonanje. You're soo intelligent and hot..." She moaned. Luks: "and guess what?" Dumisa: "oh hayi lona uzondicithisa mannii!!" Luks: "hahahaaa! Ndenze ingathi I'm following them, ndiyamaz ufownele Lubby, he's gonna insist aye kweyakhe indlu. Once they're there, obviously they've done it once they'll do it again. Ndizochazela uThulani Lubby isn't okay ndicela ayomchecker. And he's gonna walk in on them eksen!! Strengthening our case!" She climaxed breathing quietly..... Dumisa: "you're the fucking best.." Luks: "I love you.." He lay next to her. Luks: "so, what are we to do ke baby ngomso?" Dumisa: "we could take a drive love. To Shamwari game reserve." Luks: "is it child friendly babe? Ndifuna ndawo ezoba safe for a picnis singa leqwa zii elephants." She giggled. Dumisa: "sizokhangela ke enye indawo. Because it is home to the big 5. Ndonqena leyo leqwa nam." Luks: "but for now...let's sleep..." He kissed her cheek and slept...

Lubby got out his car and walked to ours. Lubb: "did he try anything? Are you okay?" Mandy: "we're fine." Lubb: "knowing him he'll be back because yayaz ba nizobe nihlel nodwa. Let's go." We turned the cars around and drove to Lubby's house. I was soo hungry. I took out meat. Spiced it ndayfaka kwi oven. I sat on the counter and waiting with bowl of snacks. Lubby walked in. Lubb: "uphi Mandy and Sbosh?" Me: "eromin ndenza nyama. I'm hungry." He stood in between my legs and kissed my stomach. Lubb: "esi susu hleli nje silambile." Me: "suppose kakade. Because I haven't eaten at all." Lubb: "nyansile kanene. Khandiphe." I popped a dorito in his mouth. He took out some dip and I gave him a cracker. The meat was getting ready. Smelling

seductive. Ndilambe ndiyilonto. Lubby poured himself a glass of white wine. Me: "eyam yona?" Lubb: "you've had enough. Next thing uzothi ndiyi bad influence ndiyak'nxilisa qho." Me: "uyiyo njena.." His one arm around my waist. Me: "please stop." Lubb: "stop what? Looking at you?" He drank his wine finished. I kissed him. I wasn't even drunk let alone tipsy. It just happened. He bit my lower lip smiling. I pulled away. Lubb: "unje ke." Me: "I was playing with you.." Lubb: "ndise ngxakin njena.." Me: "shame." I took out the meat to the girls in the room. Satya. Mandy: "why you got that grin on your face." Me: "can't I smile now?" Sbosh: "all of a sudden?" Me: "akhonto guys...come on!" Mandy: "you're blushing." Me: "because of you!" Sbosh: "heee Mandy. Andisa qondi sana. Is it because of...." Me: "who? Lubby?" Sbosh: "no actually. Not lubby. But since uy'vusile topic yakhe.." Me: "girls please. Its nothing." Mandy: "I hope you're using protection. Because noba ndithe don't fuck him, you will. Just like the last time. So usebenzise condom." Sbosh: "mna I'm still saying don't. I see that he cares a whole lot but hayi my friend. Awonelanga yila drama yakwa Mzinyathi?" Me: "he's a Morrison." Sbosh: "he could be an Abraham and I wouldn't give a damn." Me: "guys. Ndim lo nje, its not like I'm going to do it.." I wanted to sooo badly. Mandy: "good. Because mna ndiyalala sana I'm not gonna guard no grown woman ofun ncanca ka Lubby ebsuk apha." she lay in bed. Sbosh: "phof peto its your coochie. If ufun umnika... Then...." She shrugged and lay in bed.. I took the empty plate out to the kitchen. Lubb: "soo..." Me: "Lubby?" Lubb: "Daddy.." I turned to look at him. His eyes were tipsy and red. With that half crooked smile. Me: "we can't keep doing this." Lubb: "you're divorced. I'm single. Andiboni ngxaki mna. And don't give me that twin shit again. Lukhanyo is nothing to me." Me: "I don't wanna make the same mistakes, because wena kqala awukho stable. Look what happened ngo Zintle, Vuyo, Liya? Now there's an Estella that you just run off to xakuthande wena. I don't trust you." Lubb: "every time ndisiya eKapa. I ask you to come with me, its for business only." Me: "and the weekend trip, was it business too?" Lubb: "no bu-" Me: "akho but ngandawo Lubby. Xa abantwana bebadala sizothin kubo? Ha.a Lubabalo. Uxolo." Lubb: "the kids will grow up bendazi as their dad. They already do." Me: "I can't trust you. Because wena ndiyakwazi Lubabalo. I know you really well, you use things to your advantage, xazingasak'lungeli you dispose of them." Lubb: "I won't do that." Me: "then why you keeping Estella as back up. So that if it doesn't work with me uzotsiba uye kuye ndishiyeke mna ndiyi damaged goods." Lubb: "I'm an engineer, I must always-" Me: "ahha!!!! MXIM. Nonke niyafana man. Khasuke." I walked past him and went in my bedroom. He walked

after me. Lubb: "ndicela unqenqa ke? Khand'rubbe kubhlungu ishoulder yam.." Me: "mxim lubabalo!" I got in bed and faced the other side. Lubb: "so ubabe uqumbile ol'hlobo?" I ignored him. Selfish little fuck. Lubb: "okay. Okay. Fine. I'll do it, only if you promise me to keep it 100. No lies. No secrets. Just us." I was sleeping. He must just keep silent. Lubb: "I can feel your heartbeat..." He sang. Me: "khaval mlomo, I'm tryna sleep." Lubb: "Yuuh, ngoku seyingu 2am. Uzolala nton na. We going to church eksen, siyohlamba wena because uncolile uyandivimba." He was right behind me, endenzel inoise ecula. It was impossible to sleep. Lubb: "oh hayi kodwa babe, ndide ndicenge kangaka. Noba ndincinde kabin kathathu? Ewe ne?" Me: "no." Lubb: "mxim. party pooper." He eventually kept quiet and slept.

The next morning, he came in with a bowl of fruit salad and yogurt. We ate it together. Lubb: "babalaza endiphethayo." Me: "khona banana?" Lubb: "ndizayol'thenga." He climbed on top and kissed me under blankets.. Meanwhile, Thulani had received the call from Lukhanyo an hour ago. He hated the tension worse he didn't know why they were fighting Now! Always putting him in the middle, at least Lukhanyo cared enough even through their fighting xa egula omnye uya checker even though not directly. He entered the house and went to Lubby's bedroom. Passing the others but heard a giggle. He stopped and listened. Lubb: "haibo? Even today? Hayi sungcola njena." Me: "khasuke man Lubby." Lubb: "andifun mos..." Lubb: "Mandy can you give us a moment?" Mandy: "for what? Kukho ndawo esiya kuyo nomngane." Lubb: "I promise I won't keep her long sweety." She walked out. Lubb: "how you feeling?" Me: "I'm okay." Andiyifihli sani, and I was waiting for the right time to tell you but....please Thulani. Just take my call bro?" He hung up. Thulani went to Lukhanyo's house. Dumisa was in a church meeting. Lukha got the babies ready. Thulz: "lukhanyo fethu!!" He was so angry. Luks: "what's up? Is he okay?" He hid his smile. Thulz: "you won't believe the shit I saw!!! Dumisa: "you're a mommy's boy, aren't you." She kissed his cheek he spat out the cheese. Making a sour face. Lukhanyo took the bags to the car. Dumisa took their lunch. And the left...

Chapter 575

I got a call that my mother was getting sick and I decided to cancel the doctor trip ndaqala kuye. I stayed with her day in and out, not being able to go to school for a few days because Namhla bengakwaz hlala naye. Lukhanyo brought back the kids on Wednesday. I never saw them once. But at least they were happy. My mother was asleep. I had bathed her and let her rest. Andizoyaz uphethwe yinto. Lukhanyo sat in the lounge on purpose, he held Lihle's phone blocking a number on purpose. He sat it back down wadlal uInnocent Visitor. Ndatsho nda naar. I ignored him and cleaned the entire house ndivale umlomo. He just stared at me. Luks: "awuzimiselanga ntwen yazi." Cwaka jwi. Yay'thand ifight lona umntu shame. He gave me an envelope. Me: "I already signed your damn papers. Yinton ngok lena." Luks: "ndifun abantwana Bam." Me: "what the fuck for." I opened the envelope. Lukhanyo ebendisa ecourt. Me: "you can't do this!!" Luks: "watch me." Me: "Lukhanyo. Please. Yinton le ingaka uyifunayo!" Luks: "abantwana bam. Andifun mntana wam akhule ebona ubuhule kunina. She needs to be in a positive environment." Me: "Positive Lukhanyo? You call that bitch positive!!!" Luks: "ungak'linge utheth oloholo bout my wife. She's been nothing but faithful!! Andiyazi ke ngawe." He walked out. Me: "at least he does a pretty good job. I don't have to fake it." He was beyond pissed off etakataka. Luks: "uthin lihle!!!!" Me: "2 words. Restraining. Order." He got in his car slamming the door and sped off. He screamed in rage. He needed to stop this thing from happening. He couldn't take it. He drove to Lubby's house and walked in. Lubby stared at him. Lubb: "never thought the day would come where I'd be sooo happy you don't look like me anymore." Luks: "andizanga ngobubi sani can we talk?" Lubb: "you mean, can you lie." Luks: "lubabalo you're my blood, we promised each other soze sohlukaniswento. Especially women." Lubb: "shit changed." Luks: "It did. And I'm sorry it did. But Lubby, akho kokqala esenza lento uLihle. I know you think she's cute and all. And uyamthanda. But she can't be trusted." Lubb: "oh yeah? Give me 2 reasons." Luks: "firstly because wenza lento ku Xolani, wanam. Now she dropped me uza kuwe. How sure are you that she loves you? If she did, kuthen ezol'veza ngoku olothando when she's in financial trouble? Why not all those months back?" Lubby couldn't answer.

Luks: "she's playing you bafo. She really is. And mna andithand ngathethi nawe. You're my only brother, all I want is for things to be back to normal because ndiyak'thanda. That's how our dad would want it to be. Yena uLihle you'll make one mistake abeleke aye komnye, angaya naku Sinethemba. You never know. Think this through boss. Sesibathathu, what could prevent her kolandelayo? Hay khaz'cingele Lubby." Lubb: "I don't like Dumisa Lukhanyo. There's something wrong ngaye." Luks: "but awundifun kuLihle because you're there. Apparently um'visa kamand." Lubb: "I prefer not to talk about my activities, thank you. Into endiyenza eroomin, iprivate. And I like to keep it that way." Luks: "she doesn't. Nako ekwazile uy'thetha." Lubb: "ifuna yena naleyo." Luks: "Lubby. Khay'cinge lento mjita. For real. Ayikho need side sicapkelane lewey." Lubb: "ndik'vile." His house telephone rang upstairs. Lubb: "excuse me." He got up and ran. Lukhanyo took Lubby phone and unlocked it. Sending a quick message and deleting it. He deleted and blocked a number too. Locked the phone and put it back down. Lubby came back. Lubb: "uhm..something came up at the office. I've got to go." Luks: "do you need any help?" Lubb: "nah I'll be good thanks. Sothetha late." Lukhanyo left. Lubby searched for Lihle's number. Didn't find it. Eventually dialing it. It wasn't going through. He sent a message instead: "babe, I'm going to CPT for a few days. Something needs my attention quick. I'll be back soon. Promise. xxx mwah." Just before he left the phone rang again. Lubb: "yes??" Caller: "is this Lubby Morrison speaking?" Lubb: "yes." Caller: "I received your email a while back. You're speaking to Kim." Lubb: "thank you for replying Kim, that is so respectful of you. Can we meet up?" Caller: "on 3 conditions only." Lubb: "money is not a problem." Caller: "I can't pay for a ticket back to South Africa. If I reveal anything to you I'd be putting my life as well as my kids in danger. Plus I might lose every thing I have." Lubb: "what are your conditions." Caller: "A plane ticket. R500 000. And protection." Lubb: "but how do I trust you?" Caller: "guess you gotta have faith then." She hung up. Now Lubby thought deeply, what did he really want? To expose Dumisa and put her in jail? That would leave Lukha by himself and he'd crawl back to Lihle. What if she takes him back? What about.....him?

Lubabalo drove to his friend, Lungelo. Losta would just make fun of him in this situation.. He arrived at the office and spoke to the receptionist. She let him in. Lubb: "hey." Lungelo: "wassup. Nton ngath uyaleqwa." He sat down Lubb: "so Kim called." Lungelo: "great uthin?" Lubb: "sizodibana. What she has to say apparently endangers her life." Lungelo: "so its probably hectic. Ngoku you suppose to happy." Lubb: "I guess." Lungelo: "talk to me." Lubb: "I don't know if I want him back in her life." Lungelo: "who?" Lubb: "Lukhanyo." Lungelo: "but they were married mfethu. So xa kuvele lento they might get back together. Wena you don't want that to happen?"

Lubby shook his head. Lungelo: "why?" Lubb: "because I think I was beginning to feel something pha..we spend a lot of time together and kukho ne possibility yoba uzoba nomntanam." Lungelo: "you slept with your brother's wife?" Lubb: "yes." Lungelo: "so what if ayingo wakho ke? What if its his child?" Lubb: "I don't know if I wanna accept that." Lungelo: "what happened Lubabalo?" Lubb: "promise me, what I'm bout to say doesn't leave this room." Lungelo: "I promise." Lubb: "he raped her. I don't know how many times. I can't accept that he did this. That's why I can't let him father lomntana." Lungelo: "did she tell you this? And that she's pregnant?" Lubb: "she told me this. But akazaz naye ba umithi or not. She's been taking care of her mom. So akaz'jonganga." Lungelo: "my advice to you is.....yese Lubby, do you know how complicated you've made everything now. Instead of black and white there's grey too! Jonga, I suggest you tell her uziva njani. Honestly. That's what I would do. Tell her about your plans ngo Kim and why. Tell her yonke into. So that xa kubanjwa lomntan abuye kuye Lukhanyo she can then say for sure ngomphi am'funayo." Lubb: " If she chooses him?" Lungelo: "then you'll have to accept it and move on ndoda. Cacile she's not for you." Lubb: "in the meanwhile ndenze ntoni?" Lungelo: "give her space to breath and support her from a distance. abenokwaz uphola intliziyo yakhe before she makes decisions." Lubb: "okay. Borrow me your phone." Lungelo: "for what reason?" He gave him the phone. Lubby dialed Lihle's number. It rang. Lihle: "hello?" Lubb: "Hey, why are you not taking my calls??" Lihle: "lubby? I've been trying to call you akuphumeli nto." Lubb: "where are you?" Lihle: "I'm at home." Lubb: "okay, ndiyeza ke." Lihle: "sharp." He hung up. Lubb: "uyambona ke uLukhanyo uyandiqala?" Lungelo: "wenzeni ngoku?" Lubb: "he deleted her number from my phone!" Lungelo: "hahaahaa!!! Woohaah! Niyand'chaza xa nisilwa ingath ningama cherrie. Kuthen ungask umfake inqindi nje?" Lubb: "no matter what happens. Lukhanyo is my blood, I can't stop my soul from vibing with his." Lungelo: "eish...ja ne." Lubb: "thanks for listening." He got up. Lungelo: "my pleasure, just know that xa umthanda kakhulu. Their past is not important leave it exactly where it is and focus on your future with them. That's if it works out for ya'll even though ndinga understand why you HAD to choose your bro's ex wife. Damn Lubby. Uyi ngxaki." Lubb: "menace to society bruh. You know this." Lungelo laughed. Lungelo: "tsek!" Lubby drove to Lihle's mom's house. I was outside ndothula impahla. He tickled my ribs andothuka! Me: "hayi man!!" Lubb: "hey sweet chunks." Me: "hey..." Lubb: "unjani?" Me: "bad. Ndiqibele last week esgela and mama isn't getting any better." He hugged me and spun me around. Me: "khayeke mani Lubby. Unje ke wena." Lubb: "let me take care of my mama, wena uye skolweni." Me: "nah Lubby. I have to do this. You can't bath and take her to the bathroom and all. That's just too much." Lubb: "okay, but I can hire someone to do it

ndibelapha nam." Me: "thanks but-" Lubb: "I'm not taking no for an answer. I'll get someone aze by tomorrow morning. 6 am. Lukhanyo belapha?" Me: "yes. He was." Lubb: "he blocked your number." Me: "no wonder bezenza unodolly kwesa stulo mos. Ethe cwaka. Acting all innocent." Lubb: "well he came to me sathetha and I'm thinking about a lot of things right now." Me: "which are.." Lubb: "firstly, Dumisa wabambisa uThabang. Burnt down ndlu yakokwabo." Me: "oh Nkosi yam." Lubb: "yeah, so I found her sister who is willing to give us the evidence we need to put her behind bars." Me: "and what else?" Lubb: "if Dumisa ubanjiwe, Lukhanyo will be alone." Me: "uright kaloku." Lubb: "I hate to ask this question Lihle, if he comes back to you...would you still take him?" I went dry. Me: "what's this about Lubby?" Lubb: "I've been here all this time, since day 1 zange ndikuphoxe. Even nangoku I'm supporting And I'm behind you. Before I invest my feelings in you, I want to be sure if andidlalwa na. So I need an answer. Would you go back?" Would I? Me: "No. Not sendisuka phambili ndiphinde ndibuye umva." He breathed a sigh of relief. Lubb: "I was holding back fart by the way, ndicimb uzondiphoxa." I laughed. Lubb: "suppose ke ndise Kapa. Qha ha.a man. Sistress nje esiya. I hired a CEO for these reasons. Ndibeno phola. Anyways, have you been to the doctor." Me: "no." Lubb: "well....uya nini?" Me: "I'm fine Lubby. Kuphele nokok'vomita ndi right. It was probably just a bug." His face fell. Lubb: "ok." I took the basket in. Thenjiwe had been standing in the window she hopped back into bed and closed her eyes. Me: "I need to feed her real quick ndicela ujonge uLutha, think I heard him cry." He went to the bedroom to check the babies. I went to my mother. Me: "mama? Are you awake?" She opened her eyes and yawned. Me: "molo mama, I made you some soup since buthe awuyifun papa." I fed her the warm soup. Finished her bowl and drank her pills. Me: "awufun ye toilet?" She shook her head slowly. Me: "okay, ndikushiye ulale?" She nodded. Ndaphuma ndaya kwenyi room. Lubby lay asleep on the bed with the twins. Ndaya ekitchen to cook for supper. Lukha walked in. He welcomed her in as she took off her shades. Lubb: "Kim? So nice to finally meet you. Ngena." Kim: "Lukhanyo? What game is this!!!" Lubb: "I am not Lukhanyo. He is my replica." Kim: "replica?" Chapter 576

Lubb: "would you like a drink?" Kim: "just water thanks." He poured her some water. Lubb: "uyamazi uThabang? A good friend of mine." Kim: "yes I know him." Lubb: "how." Kim: "well, mna I know Thabang as a really nice guy. He was Lukhanyo's friend ngok'ya wayeno Dumisa. My sister hated him kuba loThabang didn't want her waze waz'cengezela kuye ndlela zonke. Lubb: "andithi xa umzimba esitsha, aren't there ashes left over?" Kim: "there are. The only person who knows what happened ngaleya into ngu Gazi, he was the one to cover up her tracks but I'm sure if you spoke to him he would give you what you want." Lubb: "what else." Kim: "Dumisa is using umuthi on Lukhanyo. Lamntu umenzela amayeza ngowase Swaziland. She used it on him to leave his wife for yena. Bazotshata and so that he helps her financially." Lubb: "how can you prove this?" Kim: "you're playing a very dangerous game Lubby." Lubb: "okay, look..I just need to find this Gazi guy." Kim: "nank ulapha phandle uGazi." Lubb: "you brought him with??? Mbize kalok." The tall man entered and greeted then explained what happened that night. lubb: "if we take this to the police. I will make sure with everything I have, you are not involved. You brought the information forward and we'll find a way around it. Kim, uthi liyeza elithini eli?" Kim: "its like ivamna...he does whatever she says and falls in love with her. Kwanto esendlelen yabo he will get rid of." Lubb: "so that's why he's been acting like this....how do we stop?" Kim: "I don't know, andihamb ndityisa bantu izinto ezi snaaks mna. What I do know is that it will take quite sometime for him to get back to

Lukhanyo could eventually lose his mind if ul'qhelile eliyenza ayekiswe nje out the blue." Gazi: "and angaqhaw'kelwa nyan." Kim: "plus Dumisa is hell bent on destroy the wife. Kim: "I think sisele sisiya ngoku because I don't know she might find out we're here." Lubb: "okay." They got up and left to go confess everything. Two hours later, Lubby received a call. He stood outside. Lubb: "dad?" Dad: "Boy, I don't know what the hell you did. But I want you in Cape Town. Right this second!" Lubb: "no dad, I'm dealing with a crisis I can't come today." Dad: "son, its either you're dying or dead. If not, get your skinny ass to Cape Town!!" Lubb: "maar pa. Ek kan nie." Dad: "I don't care! Maak n plan!!" He hung up. Lubb: "hebana? Uthen ngoku utata?" He had a lump in his throat. What did he do wrong? He went back inside, they were still busy. He couldn't leave them. He promised he would protect them. So he sat down for some time. Then started to panic. They finished up and he drove them to a secure hideout. Lubb: "there are people who are looking out for you. Nobody is allowed to come in or out. Are we clear?" Kim: "yes. Thank you." Lubb: "I'll call once a while to check how you're doing." Gazi: "enkosi bhuti." Lubby drove straight to Motherwell. Lubb: "hee mfazi!" I came out the house. Me: "what's wrong?" Lubb: "my dad just summoned me to Cape Town." Me: "then you better get going." Lubb: "yes, ndizohamba ngoku I just want to...." He kissed my lips. I pulled away. Lubb: "say I'll be back as quick as I can. We're moving right on track. Everything is going according to plan. How are the kids?" Me: "they're great. Unjani yena uLuya?" Lubb: "he's the cutest thing since sliced bread." I giggled. Me: "babalo? Buhle?" He sat on the bin. Lubb: "they're amazing. Ngaske bonke bahlale nam all at once yazi. So that I don't have to run around. Bakhule besazana." Me: "you could ask.." Lubb: "bangand thuka oomama babo." His phone rang again. He answered. Lubb: "dad I'm at the airport as we speak." Lubb: "let me say bye to the kids quick." He went inside to give them goodbye kisses. Then left.

Lubabalo got to Cape Town in the evening. He was tired and nervous about what could have made his father this upset. He walked into the house and looked in his dad's office. Lubb: "heeyy...dad. Sir Morrison. The baawws. My ma-" Dad: "sit down." Lubb: "okay. Hi stella, how are you angel?" She didn't reply. Dad: "Andrew. We would like to know the meaning of this." He gave him the phone. Lubby read the message. Lubb: "uhm. I didn't send this." Dad: "its coming from your phone. Or isn't that your number too?" Lubb: "erh..." He scratched his head. Lubb: "its my number but I...didn't send this." Dad: "then who did?" Lubb: "I don't know, but its not me." Dad: "Andrew Morrison, you're not 5. You're grown! We do not have the time to be playing. Can you just admit." Lubb: "but I didn't do it dad." Dad: "then who!!" Lubb: "ek weet nie pa. Miskien Lukhanyo, Maar beslis nie vir my nie." Dad: "okay. But is it true?" Lubby swallowed hard. Dad: "I am going to ask you one more time. Is it true?" Lubb: "dad..please listen. It wasn't my intentions." Dad: "DAMN IT!!! Andrew just answer the damn question!!" Lubb: "yes dad." Estella: "Can I go now?" Dad: "Estella, you're doing a magnificent job, we can work this out." Estella: "I can't be working nothing out Mr Morrison. When your son is having the time of his life I am sweating for his company. Then THIS? I'm sorry but I just cannot. I quit." Lubb: "this doesn't affect any-" Estella: "yes it does!" Lubb: "Estella I'm so sorry. Just let me talk." Estella: "I don't want to know Lubby. I'm done. For good." She took her bag and walked out. Dad: " see what you've done?" Lubb: "that's being unprofessional. Wh-" Dad: "Fuck being unprofessional Lubby!! Your brother's wife???" Lubb: "dad, I can explain." Dad: "start talking." Lubb: "It kind of just happened." Dad: "I know you've always had a thing for her but damn Andrew. DAMN! And now you even lying about it!" Lubb: "tata I am a xhosa man. I am designed to lie." Dad: "well stop!!! Tell me the truth and nothing but." Lubb: "we were having drinks and talking, I guess I got too comfortable." Dad: "you guess? How do you think Lukhanyo feels about this? How do YOU feel about this? Or its just another girl that you don't give a shit about? Because that's you. That's what you always do!" Lubb: "this is different. I don't wanna hurt her and I'm not intending to." Dad: "its always the same damn story with you! You never listen. You never learn! I wish I could have faith in you but you make it soo difficult for me son. You always break my spirit and disappoint me. This time I can't fix this mess. I just hate that this is going to affect the bond you have with Lukha." Lubb: "HAD. Its already been affected. And I don't want to talk about Lukhanyo. Siskelem qithi bloody swine." Dad: "are you on drugs?" Lubb: "pa!" Dad: "Andrew, I'm asking you questions and you don't give me straight answers. What I know is, you did wrong. You shouldn't have slept with her.." Lubb: "he abuses her." Dad: "how?" Lubb: "physically, emotionally.....sexually." Dad: "I'm sorry son. I really am. Now, I

shouldn't have left you with your mother for so long. You're so soft, its quite cute, and I know you wanted to help, but you've made matters worse. Now Lukhanyo's crimes seem minor to what you've done. I don't support neither. You betrayed him, he committed a crime and none of that is justifiable." Lubb: "dad, just give me this chance." Dad: "I'm sorry but I can't." Lubb: "father please." Dad: "No Andrew. You are going to give Lihle the advice she needs and stay the hell away. If she wants to report him, she will. If not, then that's not your decision. But I am not going to let you do this.... This thing." Lubb: "you can't make that decision for me!" Dad: "I just did." Lubb: "you just told me I'm grown but you're treating me like a child. Dad I can handle this!" Dad: "with your pants by your ankles? Not letting it happen. Sorry." Lubb: "you can't force me." Dad: "damn right I will. Your company needs a fresh CEO from tomorrow onwards. And NOBODY is doing it for you." Lubb: "have you been listening to me! What about Kim and Gazi?? They need my help! I have to be there!" Dad: "I'll take care of the case. And the witnesses. You're staying right here and that's final." Lubby stood up and stormed out in rage. He got to his room, slammed the door and screamed. Sebastian knocked on his door. Dad: "Son? Please stop that?" Lubb: "leave me alone!" Dad: "I'm giving you a week maximum and you'd have forgotten about this. Trust me. Just like, liya, Zintle and Vu-something. You'll get over it. Okay? I'll check you in the morning." He gave him his space. Lubby wanted to leave, but his company needed him too. He had to think of something fast. He tried calling Estella. The phone was off. Lubb: "mxim." Then called Liya. She answered. Liya: "yes?" Lubb: "hey, ugrand?" Liya: "ndiright wena?" Lubb: "I'm good. Listen. I'm in Cape Town. I won't be able to be there any time soon." Liya: "oh okay. No problem." Lubb: "you make it sound like andifuni. Dad's forcing me to stay here because my CEO just resigned." Liya: "no I understand Lubby, subana xhala. Just whenever you want to see the baby, uzotsho. There's no need for you to explain yourself." Lubb: "then into zobatala? Like maintenance-wise." Liya: "I'll send you number ka tata. You'll call him uthethe naye." Lubb: "okay. Thanks for understanding." Liya: "sharp." She hung up. Lubby called Zintle. Lubb: "hey babe? Uright?" Zintle: "I'm good thanks you?" Lubb: "I'm fine, ndise Kapa. I won't be able to see the kids for a while." Zintle: "what's wrong?" Lubb: "eish Zee.. Ndine crisis apha." Zintle: "that's fine." Lubb: "but I'll call regularly okay?" Zintle: "okay then." He hung up. And called Lihle. Me: "hi." Lubb: "heyyy....unjani?" I was feeling a bit off. Me: "I'm good." Lubb: "heee, awusendityhafele. Yazi utata is forcing me to say here because Estella resigned. He doesn't want me to come to PE." Me: "why?" Lubb: "kungene message kwi phone ka Stella, uthi ndim. Confessing about us and saying mna I've made up my mind funek ayek undifownela." Me: "it was your 'him'." Lubb: "ndine good mind yom'khabe

emlonyen bonanje. I'll make a plan and come back I promise." Me: "nah, don't rush it. Do what you have to do. We'll be fine." Lubb: "not after I know what he might do. andisoze ndi relaxe Lihle. I just can't." Me: "you don't have a choice." Lubb: "why you cold? You sure you're okay?" Me: "yeah. I'm great." Lubb: "okay, ndiyakuva ba awukho mnandi. Benditshilo ndathi you'll miss Daddy." Me: "haha. Mxim. Goodnight." Lubb: "khumbula nje mna." Me: "I have to go." Lubb: "night then qumbayo." I hung up. Lukhanyo was sitting in the lounge with Lutha on his lap. I walked to the bathroom and threw up. Why couldn't he just GO!! My Goodness. I was physically naar by him. Also scared. I had a lot of studying to do. At least tomorrow I'd be going to school.

A couple of days later. Dumisa was in her office. 3 policemen walked in. Luks: "can I help you gentlemen?" Police: "ewe bhuti. We're looking for Dumisa Cikani." Luks: "that's my fiance. What for?" Police: "can we see her?" Luks: "not until I know WHY." Police: "we prefer to say. Ufika kwakhe." Dumisa walked to him. Luks: "baby, ngoban aba?" Dumisa: "good morning gentleman, how can I help?" Police: "Dumisa Cikani? You are under arrest for arson, fraud, and first degree murder." Everybody was shocked. Luks: "waaiiit, WOAHH! For what reason? What are you talking about!!!" They handcuffed her. Police: "you have the right to remain silent, anything you say can and will be used against you." Dumisa: "you can't do this!!" Luks: "baby, calm down. I'll fix this! Vala nje umlomo and give me a few minutes." They took her to the van. Luks: "uhm... Sindy, please take over for the day. And everyone just keep calm. We're all just as shocked but cela siqhubekeke ngomsebenzi. We're in this together and I need your support." He went to his office and took his things calling Paul. He answered: "jaaa???" He was drunk. Luks: "Paul! Where the fuck are you! You're supposed to be my lawyer and on standby kodwa usela paarl perle eksen! The fuck's wrong with you man!" Paul: "juuusstt leeeave me alon maan!" Luks: "Paul, I need you. Can you just come? Sober?" Paul: "I quit Lukhanyo. Lungelo drove me out of business! I'm useless...ndise durban." Lukhanyo hung up. He didn't have time for this. He needed a damn good lawyer. Not just anyone. He called Lungelo. Luks: "heey!! Lungsta!" Lungelo: "we're not friends. What do you want?" Luks: "come on Lungsta, me and you never had beef, you got my bro's back and mine right?" Lungelo: "wrong." Luks: "I need your help bra." Lungelo: "I'm Lubby's lawyer. Not yours." Luks: "Lungelo, we can sort out a deal, I'll pay you." Lungelo hung up. Lukha tried calling Dan. His phone was off. Luks: "shit." Sindy brought him a card. Sindy: "the company's lawyer." Luks: "you're heaven sent. Enkosi sisi." Lukhanyo called him and left. Meanwhile, Sebastian was with Kim and Gazi. Discussing their package. He paid them but still had to make sure that they were safe. Sebastian: "you still have to stay

here." Kim: "what if we skipped the country?" Sebastian: "that can't happen. We'll be needing you for the case. The story you gave us has been investigated and now hearing from Dumisa's side but I doubt she'll see it coming. This is huge." Kim: "I hate to do this." Gazi: "baby, think of our kids...we're doing this for them." Kim: "but she's my sister!" Gazi: "she's evil Kim. She would do anything to destroy. Don't let it get to you." Sebastian: "and the first person she'll call is you. Do not answer." Kim nodded. Gazi: "she's just scared. She'll be okay." Sebastian: "I'll keep in touch." He drove to Lubby's house. Strange that it was open but nobody was home. Lukhanyo walked out the cellar. Luks: "daddy." He smiled. Sebastian: "afternoon son. What's that in your hand?" Luks: "oh this? Its My bag." Sebastian: "oh. So what's it for?" Luks: "I need to pay the lawyer." Sebastian: "but you have money all over the place." Luks: "well, I can't use the account where I receive money from the business in Pretoria since its still under investigation. And my second card was declined. My shares are only paid out at the end of 3 months. Sooo...." Sebastian: "you're broke?" Luks: "kind of." Sebastian: "why do you need a lawyer again, son? Forgive me, I'm old." Luks: "well uhm, my fiance just got arrested and uhm....yeah." Sebastian: "fiance?? I thought you had a wife." Luks: "I divorced Lihle." Sebastian: "oh yeah? why?" Luks: "she cheated on me with Lubby." Sebastian: "OH? The same Lubby you're stealing money from?" Luks: "this is my money too dad! It belongs to Three of us!" Sebastian: "keep calm Tiger. We're not in the wild. This is his property. Its stealing if he doesn't know you're taking it." Luks: "I will tell him later, right now I'm running out of time." Sebastian: "so I guess he lied when he mentioned you abused Lihle." Luks: "that's not true." Sebastian: "its not? we'll see what the police think about it then. Go well son." Luks: "but you can't do that tata! I'm your son!" Sebastian: "if there's one thing in this universe I cannot tolerate, it is the abuse of women and children. I love you as my son, but the law has to take its course and teach you a lesson. I'll try my best to keep you comfortable and safe but that's as far as it goes." He walked away..

Chapter 577

That afternoon I returned from school. Lukhanyo was waiting by the door. Ndabulisa and walked past. I wanted to go to the salon and dye my short hair brown. I Set my books down and went to the kitchen ndabona take aways. 😊-_- I went to check mama and she wasn't there. Neither were the kids and Nomusa. Me: "where's everyone?" Luks: "I sent them to my house for the mean time." Oh God. He's going to do it again.

I started shivering and backing away. I sprinted to mom's room he pulled my arm. I pulled away. Pushing and screaming. K'se mama ke apha kuyongena abantu benga celwanga. Luks: "I just want to talk!!!" Me: "leave me alone!!! HELP!!!!!!!" I screamed. Luks: "calm the fuck down!!" Me: "FUCK OFF!!! HEELLPP!!!!" He yanked me hard ndawa, and he covered my mouth. Holding my hands. Luks: "I just wanna talk!! Okay? Relax." There was a knock at the door. Yes! Because in Motherwell, akudlalwa. Luks: "stay calm. Ndifuna uthetha qha nawe." The knock was very persistent. Luks: "phendula, and make it quick." He whispered. Me: "NGUBANI!" Outside: "ndim Meza, ndiva ingxolo. Nise right?" Me: "ewe sisi." Outside: "vula ndingene ke sisi." Luks: "get rid of her!" He hissed. Me: "ndise busy kancinci sisi, ndizophinda ndijikele." Outside: "okay ke, undikhwaze xa uxakekile." Me: "okay." I heard her walk away. I was dying inside. Luks: "good. Iza ke sithethe." I got up and he stood in front of me. Me: "please don't hurt me." Luks: "I have never done that nje. I always give you what you want." Me: "lukhanyo awuziva? You rape me, you hit me, you always bring me down! That's hurting umntu." Luks: "I'm sorry, look. Ndifuna sithetha kanye ngalonto. Come on Lihle, its the past. Ubundi neglecta for my twin, how was I suppose to feel? Anyway, ndenze wrong. And I'm really sorry, now akho need ye court namapolisa mos." Me: "What??" Luks: "yeah, I mean it was a disagreement between us and we've resolved it. Think of our kids Lihle. Uthi uNomusa you've been vomiting a lot lately...umithi?" Me: "no." Luks: "don't lie to me...andiyaz noba ndim lowo, but as'kho lapho...I need to take care of my children. ULuthandoluhle. Ndingu tata wabo. Do you want them to grow up without a father? I know you care babes, I can see it in your eyes.." I looked away. He moved closer. Ndanovala. He smiled. Luks: "yandoyika ne? You're only making matters worse for yourself. Don't press charges. Ane?" Me: "you can't tell me what to do." He held my wrists. Luks: "don't forget who you speaking to...sizoba fine I'm gonn take care of the kids, wena uhlale nalowakho umntana. Nobody is going to get hurt." Me: "I'm not pregnant." Luks: "right kalok. Qha I want us to have an agreement." Me: "there was no agreement for you to take me to court ufun uxutha abantwana!" Luks: "I'm doing what's best for you apha. How you gonna take care of kids, ubusy ne skolo, that stupid business and yourself? You'll get to see the kids whenever you want. Kodwa leyam nawe stays behind closed doors. Agree?" Me: "no. I am going to report you." Luks: "baby mos wena uyandithanda. You would never in a million years want to see me suffer. Because you love me like xo..." I was getting sick again. I ran to the bathroom. Luks: "Lithembelihle!" Why am I getting this sick kanti? I can't be pregnant. Naku Luthandoluhle I was never this sick. Luks: "lihle man!" I can't stay in here nalomntu mna. Chances are akazo hamba. I washed my mouth and found him in the kitchen,

eating. Luks: "umithi." He muttered with a mouthful of meat. Uthethi kaka. I wanted to reply qha ndonqen impama ezondidibanisa nedonga. I packed a little bag and toiletry. Andizokwaz hlala apha nalomntu or at his house either. As I walked out the bedroom. Luks: "hayi uyaphi??" Me: "out." Luks: "awusoze uye ndawo Lihle. Out phi? Hayi uyanya kengoku." Me: "LUKHANYO MZINYATHI. WE'RE DIVORCED! I don't have to answer to you anymore. Stop trying to control me! Uye kulo mfazi wakho webhongo! Because andikufuni!" Luks: "ngoku undishiya naban?" Me: "by your fucking self!" I ran out. 🙄:v yuuh bezand valela pha weekend yonke? Rhaa sies puh. I got to the bustop and took a taxi to New Brighton ndafika uSbosh ehlel noSima, and the kids Chuma, Ahlu and Melo. Sbosh: "hayi mtshan nton ngath yaleqwa?" Me: "andifiki kukho uLukhanyo endlin? Umkise kwamntu wandilindela and ndineto ethi befun undivalela. I ran out when I got the chance." Sbosh: "hhayi man utheni na Lukhanyo? Ufunanto?" Me: "he doesn't want me to report him. Uthi it was a disagreement and its the past masidlule kuyo." I sat down. Sbosh: "and? Will you?" Me: "I don't know Sibongile. I don't want to be on a revenge tip. I'm not like that. I'd rather, umntu a-sufferishe by himself az'bone errors zakhe." Sbosh: "usoft Lihle." Sima: "kakhulu mntase. Funekile uy'bambe lanja! He deserves to be behind bars. Kudala wahlukumeza abantu!" That would pain me. I would rather duck and dive than to take the kids away from their dad. Sima: "Lihle, girl, ndiyakwaz mna, ndiqhelile ukubona. Umhle uright. La Lukhanyo ndin unez'gweqe ingathi ngunonjana akak'fanelanga kuba akaz'kwazi. Even if you forgive him, kuzofika omnye one mpundu ezingu size 40 kalok ezakho zisengu 34. Aleqeke kweziya because akaz'kwazi. Uz'phethe voetsek uLukhanyo. And the more you let him, the more he will take advantage kuthen uzohlala kabuhlungu ngenxa yakhe? Hayi girl, mna ndikucebisa umbambe shame ubenokwazi uphola aphe headquarters and akaphindi akuqhele ukunya. Nanku uSbosh wamonzakalisa, she never reported him kuba esoyika, nanku ey'phinda kuwe, nako landelayo uzophinda. Stop this cycle Lihle. Makafunde is'fundo uLukhanyo." I didn't want him to go to jail. I still cared noba ke uthando lungasekho ncam. Sbosh: "tshomi, its Your decision. Sucingela ba uzothin umntana xa kuthe. You can support your kids unayo imali. You will explain to them why their father ese trongweni. Nabo babenoyazi ironko into ye abuse." That made sense, a great deal of sense. Actions have consequences. My phone beeped. I answered. Me: "yes?" Lubb: "hey! Uright?" Me: "yes, I'm good. I'm fine." Lubb: "yeah, well, ndilapha eBhayi for the weekend. Can we meet up?" Me: "uhm.." Lubb: "there's something I need us to talk about." Me: "ndikwa Sbosh." Lubb: "I'll be there in 20 minutes." I hung up. Sbosh: "yoh hayi ndikuncamile shame umva egazini lomntu." Sima: "nguban lowo?" Sbosh: "ngomnye uLukhanyo." Sima: "hayi my friend

sow'kumnye ngoku? Phof uz'khuphi stress. Nam shame bendizokhe ndiz'pholise." Sbosh: "hayi Sima! They're twins!" Sima: "So?? Hayi mntase ndlin. If there was a better version of utata wabantwana bam ngendikuye right now." Sbosh: "but its not right. Abantui bazothin?" Sima: "it would make me happy. And abantu bazohlala bethetha noba wenzeni. S'ka.." Me: "guys. I don't want him. Andiyazi kuske kuthin. Ndiyonwaba kodwa xa ekhona. But I can't be with him because I'm scared." Sima: "uyaz'ngcungcutthekisa Lihle shame. Hayi uz'phethe kabhlungu." Me: "its not that. But kalok I was Lukha's wife. Not his girlfriend." Sima: "still usam'teketisa. 'Nyukha' mxim! Nyukha wasekunyeni!" Sbosh: "you broke their relationship. Abasavani ababantu. I still say stay away from Lubby." Me: "I try. But he just appears. Uyafowna athi uyeza and he does. I ju-" a car hooted outside. Sima: "nantso indodakho mfazi. Hamba." Me: "ayondodam man Sima. Ninje ke nina." His cologne walked in first. Sima: "yessesss.." He stepped in wearing jeans and brown boots. A black polo neck and scarf. Lubb: "molweni." Chuma: "Daddy!!!" He screamed. Lubb: "hello my boy!" He picked him up. Lubb: "kuthen ungafun siye kapa nje kwedin?" Chuma: "kafun umama." Lubb: "wena kuthen ungazi." Chuma: "ndizoza kalok. Ndihamba nawe." Lubb: "okay ke ndoda. Lihle?" Me: "hi." Lubb: "my boy, ndizophinda ndibuye ke va." Chuma: "uzothatha mna ne?" Lubb: "ewe. Ndizothatha wena nyana." Lubby put him down. Me and him walked to the car. Sima: "hayi shame man." Sbosh: "akho hayi shame ngandawo."

We sat in the car because it was cold. Lubb: "can we go to my house sizohlala kwi fire place sithethe." Me: "thetha ngoku lubby please so that I go back inside." Lubb: "I can't do that." Me: "fine ke. Masambe." He drove to his house and we went inside. Started up the fire and made hot chocolate. We sat down and relaxed. Me: "what's up." He didn't want to say this because it would ruin his chances. Although again he didn't want to feel this guilty because it would be building something on lies and dishonesty. Me: "Lubabalo?" Lubb: "I haven't been entirely honest with you." By this time I was expecting the worst. Me: "nganton?" Lubb: "this whole thing. I don't want this to change anything. My only intention is to keep you smiling and I will continue to do that as long as you give me the opportunity to." Me: "what's this about?" Lubb: "Kim says, Dumisa ebemtyisa iyeza uLukhanyo. She used it to get him and keep him. That's why he has been acting that way." Me: "is that what makes him rape and hit me? She gave him iyeza to hurt me?" Lubb: "andiyazi ke lisebenza njani babes. But this could affect Lukhanyo mentally. And he hasn't been in the correct space of mind." Me: "so again Lukhanyo is out of his minds uyi zombie?" Lubb: "he is kind of an easy target babe, akathandazi akafan nam. Thixo wam umkhulu mna." Me: "so what happens now?" Lubb: "well ndizocela utata ka Soma, amse emntwin

ayom'tyurusha amenze right." Me: "how do I help?" Lubb: "that's your decision. If you want to be there for him." Ohh, so this is where this was going. Me: "you want to know if this will make me go back to him." Lubb: "well yes I do Lihle, is that wrong?" Me: "like I said, I'm not going back." Lubb: "and me?" Me: "we can't be together Lubabalo. It just can't happen. I'm sorry.." Lubb: "I know it seems wrong right now. But ngeyphi eyoze ilunge if ayizanywa? I disregarded all challenges of this circumstance. I know I'm risking both my families. I can't go back now. You're too big a part of me to just let you go. I need you." Me: "you don't need me Lubby." Lubb: "can you just have faith? I got you. Always." Me: "I'm really sorry." I got up and he followed me to the car. Lubb: "lihle?" Me: "just take me back. Yabona nangoku andikwazi uzenzela nto. How the hell do you expect me to just forget all the humiliation I have been through and start all over again? I just can't! I can't even depend on myself funek ndihlel nje ndijinga kuwe. Well NO." Lubb: "there's no need for you to get nerves kalok. Uxolo njena." Me: "just stop!! Stop all of this!! Stop feeling sorry for me!! Stop following me!! Stop doing this because you're confusing me and its Wrong!!" I cried. Lubb: "Lihl-" Me: "No Lubby!! I don't want to go through this again!! Its too damn painful! I can't get over it because he broke me. Inside out! Look at me!!! Ndjonge Lubabalo!" Tears fell down His face. Me: "I have nothing left but my kids and he wants to take that too! He took his house too and left me with no clothes, no money NOTHING! When you say you'll always be there for me where the hell were you when I had to work my ass off as a maid just to get Home!! Because of Him! I don't want to do this with you. Please just..." He hugged me tightly. Kissed my head and kept quiet. Lubb: "I'm sooo sorry." He whispered. I pulled away from him. Lubb: "I wish I could take it back." Me: "you can't Lubabalo and that's why I can't be with....." I held my stomach. I felt a cramp. Lubb: "what? What's wrong?" Me: "nothing..." Lubb: "hayi! I'm taking you to the doctor Lihle, andizoy'mela le." Me: "just take me home! I'm fine." Lubb: "Doctor first. Ayizoba nde. Just a little prick on your ass, ndikuse back to Sbosh." Me: "I don't want a prick Lubby. Ndifunu hamba mna." He got in the car and we drove back to New Brighton in sad silence. A part of me didn't want to let go. But I had to. He stopped his car and we sat there staring into space. I still had these stomach cramps and they were annoying me because I was not in the mood. At least I had brought my tampons and pain pills. I reached for the handle, he locked the doors. This wasn't funny. He unlocked, when I tried again he locked. Me: "Lubby." Lubb: "xolo ke." I opened the door, he held my hand. Me: "If things were different." Lubb: "I know..I get it." Just a half a minute of staring into his eyes. I felt his lips brushing across mine, holding my face, sucking on my lip. Lubb: "I wish you all the best with everything. And know that whenever you need anything

I'm only a phone call away." I nodded and got out the car as quick as I could. Got in the house and went to a bedroom. I just wanted to be alone. How could I have just lost everything including my kids in a few weeks?. Sbosh walked in. At least I made new friends. She hugged me while I cried for the umpteenth time. I wasn't strong at all. I was weak and needed help. I couldn't do it by myself.

Lubby went to look for his twin. He found him in his house. With Thenjiwe and Nomusa plus the babies in the lounge. Lubb: "molweni." They all looked at him. Lubb: "ndize kuwe lukhanyo." Luks: "uhm...okay." They walked outside. Lubby got in the car. Luks: "and then?" Lubb: "ngena emotweni Lukhanyo." Luks: "yay'thanda kanene attention. What's up with you?" Lubb: "I don't want your attention I bring enough of that on my own." Lubabalo got in they drove off. Luks: "undisaphi?" No reply. Luks: "there are witnesses so if I go missing you'll be the first suspect." Lubby didn't reply. His mind was elsewhere. He missed his kids. Luks: "bafo? Where you taking me?" Lubb: "shut up maybe?" Luks: "ookay. I have a meeting in the morning with the lawyer to discuss bail, I don't have time to be running around with you." Lubby stopped at Vuyisile's house. Luks: "oh, sizothin k'lo Soso?" Lubby got out and walked to the door. Lukhanyo followed him. Luks: "awusendidike nje. Yinton ugxanya kangaka? Damn it." They got in. Lubb: "good evening mama." Ma: "hey sweetheart!! Ninjani?" She hugged him. Lubb: "ndiright ma." Ma: "are you sure pumpkin? I baked some pie, would you like some?" Lubb: "no mama, I'm okay thanks." Ma: "you sure? You look a bit hungry." He giggled. Lubb: "hayi mama, I'm fine." Ma: "Lukha honey!!" She hugged him too. Ma: "would you like some pie?" Luks: "ewe mama, andise lambe." They sat down and she brought the pie for him. Vuyisile walked in with Sebenzile. Coming from a prayer meeting. They greeted. Vuyisile: "so, you say its urgent Lubby, on the phone. Ungow'phi kanene?" Lubb: "ndim lo tata. Yes, uhm..as you're aware, Lukhanyo wohlukene nomfa...noLihle. We don't have elders nearby. Our grandparents are far and we need some advice." Dad: "I understand nyana. Totally. What do you need advice on?" Luks: "I don't need advice oyena mntu une ngxaki ngulo uthathe umfazi wam." Lubby stared at him blankly. Lubb: "you done now?" Dad: "shh Lubby your turn is coming." Luks: "so ke we came to that conclusion, I got the papers, we signed. Now

I'm engaged to Sasa." Dad: "Lubby?" Silence.. Dad: "Lubabalo you can now speak." Suddenly he couldn't open his mouth. Ma: "come honey, spit it out." Lubb: "I know I made a terrible mistake. But I'm not about to sit here and lie. Before I found out what Lukhanyo did. I slept with Lihle." Everybody was silent. Lubb: "and at the time she and Lukhanyo were still fighting, it was just before the divorce." Dad: "what made you do that Lubabalo!!" Lubb: "andiyazi tata..." Dad: "what did Lukhanyo do?" Lubb: "lukhanyo thetha." Luks: "akhonto ndizay'thetha mna!" Lubb: "tata, uLukhanyo abused his wife. He treated her like garbage and raped her repeatedly." Ma: "HAYI!!!" Lubb: "ewe mama! Lubb: "there's a new disease around Lukhanyo, its called 'Ass Whooping' keep talking shit and you'll catch it." Luks: "ewe kalok. Obviously. Lil fag." Lubby turned around and punched him to the floor. Lubb: "what did you call me?" Luks: "ndithe uyi moffie Lubabalo!" Lubby kicked him in the stomach. Vuyisile and his wife came out to stop them. Dad: "okay, Lukhanyo shiyeka wena! Hamba Lubby." He got in his car and drove off.

Mandla was in his flat. It looked brand new. Khanya decorated for him after they tiled his floor and put in a new door and furniture. Instead of everything having their own weird color, Khanya forced him to go shopping and bought red and black since it was a man's space. He loved it, his mother's house was done too. She was beyond proud of him. She spoke about his effort everywhere she went, which made him shy. Now older ladies in the street smile at him. And for what reason? He didn't know. While paging through his phone, there was a knock on the door. Mandla: "ngena." Khanya walked in. She looked upset. Mandla: "gama lakhe ne address ndizomnyisa

Mandla: "awulambanga?" Khanya: "yes babes." He went to go fetch his food inside the house. Asanda made sure to dish up for two of them. And cool drink. They ate and chatted till they slept.

The next day, Lukhanyo was done being cleansed for the day. He sat next to the bucket looking a bit pissed off. The inyanga had told him that it was true indeed that he was used as a puppet. How could he have been so stupid. Why didn't anyone tell him? This was why Lubabalo took advantage of his wife. He knew he wasn't in his right mind. Lukhanyo was so angry that he had to stay away from Lihle for a whole week before seeing her to apologize. They insisted. Vuyisile sat next to him. Dad: "tell me what's bothering you." Luks: "tata kodwa noLubabalo uyathakatha! Kuthen eqala uthetha lento after seleli noLihle??" Dad: "bengayazi kaloku nyana." Luks: "akho ngayazi tata! Kudala efuna ukwenza lento akungoku!" Dad: "okay, Lukhanyo I think you should speak to your brother and sort this out." Luks: "ligwala lantwana nangoku for sure ibalekele eKapa!" Dad: "okay, then Dumisa? Uzothini ngaye?" Luks: "andiyazi tata, I'm still trying to get my head around this maybe funeke ndiz'hlalele for some time and sort my life out." Dad: "that would be a good idea. AFTER you sort everything out unгахambi kujinga izinto..." Luks: "hayi tata. I can't see Lihle for a week! Iveki yonke?" Dad: "ewe Lukhanyo. Ubukwazi nje. Thetha wena noLubby ubenohamba." Lukhanyo was pissed off. Luks: "ndiqiba nini apha tata?" Dad: "akufunekanga uy'rushe lento Lukhanyo. You're done now, qha uzonikwa namayeza uzenze ngawo endlini." Lukhanyo got up and went to fetch his things. They left for home where he called Lubby on the way back. Luks: "ndifun thetha nawe." Lubb: "who am I talking to firstly?" Luks: "hehake Lubabalo! Ndim uLukhanyo." Lubb: "oh. Uthin ke?" Luks: "we need to talk." Lubb: "there's nothing I wanna say to you. Stop calling me Lukhanyo. I'm busy." Luks: "kuthen unje man! You're a fucking annoying spoiled brat!" Lubb: "enkosi." Luks: "its clear that I never meant anything to you kwasekqaleni! I was an excuse for you to get close to her!" There was Silence. Luks: "lubabalo!!" No reply. Lukhanyo looked at his phone. Lubby had long dropped the call. Luks: "yese lentwana! Uske athin abengu nopatazana qithi?" Dad: "if you could just calm yourself Lukhanyo and let this thing take its time. Bekutshiwo kwathiwa kuzoba nzima. The first few days uzoba nomsindo, which is why you shouldn't be

near your ex wife." Luks: "xandimfuna ndithini ke tata!!" Dad: "you can't do this your own way." They got to Vuyisile's house first to drop him off then Lukhanyo drove home. Thenjiwe was still there with Nomusa and the babies asleep. He sat down to talk to Thenji. Luks: "mama, kuthiwa ndidlisiwe ngulomntu." Thenji: "nguban lowo?" Luks: "ngu Dumisa mama, undityise iyeza for ba ndimthande ndohlukane noLihle." Thenji: "kwathin kengoku?" Luks: "mama, andinoy'vumela intoba uLihle abenoLubby. Never! Ngumfazi wam lowa and ndiyamthanda." Thenji: "ndizothetha naye uLihle, I'm sure uzo understand ba kwenzekeni na. Akasoze aye k'la Lubby ndini." Luks: "ndiyacela mama, umxelele ndicela uxolo." Nomusa: "worse ke sana, Lubby yathanda uya phe ndlin kuLihle babe bephuzana pha phandle. Qha ke ndiyay'qond'ba siswakho akazaz ba ufunani na." Luks: "ingaba undicapkela olohlobo kengoku?" Thenji: "tu kanti, ingafika kanti nalo Lubby akakho clean tu! Kuthen hleli nje izinto zifikela wena? La Lubby ikhona into athwele ngayo. Struu. Akhonto inohambel umntu kakhle oko kaloku." Meanwhile Lubby was with his new born son. He was 4 weeks old now and they had performed a ceremony. Lubb: "bendisoyikisela ke bonanje ba usemncinci. My little boy is a soldier man." He kissed his face and held him closely. Lubb: "tatakho uyak'thanda mntanam. Ungaze nakanye undi doubte. I know awundiva but deep inside your soul I want to plant a seed of hope that whenever you need anything. Your daddy will come through. He will put you first. You're a Morrison kwedin. A warrior. Negotiator and a chilled Mofo." Liya laughed. Liya: "what the???" Lubb: "conversation yamadoda ke le andikwazi ungenaphi." Liya: "ndifunu yazi yinton mofo kqala?" Lubb: "ayik'funi. Yeva ke my boy, you're not a fighter, you're a lover and a defender and you will always respect ezwey." Liya laughed again. Lubb: "khaw'hambe. Yaphazamisa, I'm tryna lecture my son." Liya: "this isn't initiation Lubby. Uyayaz phof lonto?" Lubb: "its all the same to me. Ok'salayo uzoyazi umntanam." Liya: "okay, awulambanga?" Lubb: "no thanks I'm okay babe. Lubb: "okay ke masambe." They went inside the house. Ma: "suppose wena uphandle." Lubb: "ha.a mama, ndizotyisa uLuya." Liya: "ndizom'zisa kuwe, khabe usiya kutata, kudala ekubiza." Lubb: "yuuuuh.... He made a stinky. Ina." He held the baby up. Liya:

"mxim...iza mntanam...uyeke lo uk'qhelayo. Uzongasuzi for ntoni? Heh my baby?" She changed his diaper. Lubby went to her father. Lubb: "ndim lo tata." Dad: "izoma apha kwedin. Lubb: "well, my biological parents are deceased, my uncle is in jail, so Is my mentor and yena utamkhulu akahlal aphe Bhayi. Now ndi-close notata wetshomi yam. Can he be my representative? Since ndingena mntu." Dad: "ooBrother bakho?" Lubb: "andisavani nabo. We had a big disagreement." Dad: "okay, I guess ke, tata wetshomi yakho can represent you since you don't have family near. Kuthen bese trongwen ootanci?" Lubb: "well, oyl is under investigation, omnye usandobanjelwa assault." Dad: "some mentor you have." Lubb: "hayi tata, ndiyazazi izinto endinoz'funda and violence isn't always the answer." Dad: "I'm happy to know that. You're actually not that bad now that ndihleli nawe, pity Liya has moved on." Lubb: "she deserves to be happy." She brought the baby to him. Lubb: "nantsi prince yam." He took the baby in his arms. Lubb: "ndiyay'thanda ke lentwana. Luyanda usapho lwam." Dad: "ungazom'bona anytime you want. Just call, we'll make the arrangements." Lubb: "thanks tata. Thanks Liya. Both of you for giving me le opportunity at least ndibekhona ku bomi bomntanam." Dad: "pleasure. Nothing makes me more impressed than a man that takes care of his responsibility. Angancami." They sat together talking for hours until Luyanda fell asleep in his arms. Lubby didn't want to let go. Ever. He loved his baby boy. Liya: "awusindwa?" Lubb: "nope." Liya: "let me take him to bed...ulele ubuthongo obuserious lo, fana nabantu endibaziyo abahleli kunye." Dad: "I hope aw'thethi ngam." Lubb: "andilali kangako mna." Liya: "iva uyarhona." Lubb: "you lie!" They took the baby to his cot. Lubby watched over him for a very long time then left. He drove to Sbosh's place. It was late afternoon, around 5. I was curious therefore bought 3 pregnancy tests. Kamandi kungekho mntu endlin, Sbosh and Sima took the kids to the Boardwalk they would go back to their family house.. I got in the bathroom and pee'd on the all three one at a time and waited. The first one showed two lines. My heart shifted. The second showed two lines. Then the third. Shit!! How?? Mxim Lihle TF you mean how! Lukhanyo. That's how! I couldn't do this again. I literally started panicking. When someone knocked on the front door. I hid the sticks and went to open. Lubb: "hi." I felt butterflies in my stomach. My eyes fell to the ground and I smiled automatically.

Me: "hey." He leaned on the door. Lubb: "aren't you gonn let me in?" Me: "no." Lubb: "can you come out then?" I came out the door and he hugged me. Lubb: "well, I'm leaving Sunday morning. For good. I'm moving to Cape Town." I felt like someone was stabbing my heart out. Me: "what about your kids.." Lubb: "Zintle and I made an arrangement they'll fly to me 3 times a month. Bendizobuza kuwe about Luthandoluhle and Chuma, can they do the same?" Me: "its up to Lukhanyo to decide. He has the kids for now." Lubb: "I'll try talk to him about the kids." Me: "Sunday is tomorrow." Lubb: "I know...I know this is a long shot, but can I please spend my last night here with you. I want something To remember you with.. " Me: "is sex all you ever think of???" Lubb: "I didn't say anything about sex, but if that's what's on your mind then...." He smiled. Lubb: "ndiyadlala...please? Just as friends, nothing more..." Me: "give me a moment.." I went to the bedroom and thought for a while. I was pregnant. He was leaving. But he had nothing to do with it anyway. There was a 60% chance this was Lukhanyo's baby. Probably even higher. I couldn't keep it. No! How could I even think that? Shit what was I going to do? Lubb: "still okay???" Me: "yeah.." I wore my shoes and took my bag sahamba. Lubb: "akasakhuli uLuyanda. Jonga kwi pictures." He gave me his phone ndabuka. He was beautiful. Light complexion like his mom. Charming eyes like daddy. Me: "he's gorgeous." Lubb: "fuze utatakhe." He was so proud. I was craving something huge. Probably a burger. McDonald's! Lanto ndandiy'tyiswa ngu Damian. We bought the burgers and went to sit by the beach and ate. Lubb: "awubawel uquba? I'll hold you." Me: "most definitely not." The sea was making me nauseas again ndaya straight emotweni. He followed. Lubb: "did I say something wrong?" Me: "no I just.....its cold." Lubb: "lihle, yinton le ungandixeleli yona njebe nje Hullets yam isihla inyuka ngathi sis'Tonight qho xa unje? What's going on?" Me: "akhonto, I just....feel cold." Lubb: "siye ndlin? We can play there if you like." Me: "no." Lubb: "I can feel that you're hiding something from me." He had more important things to deal with in his life. This, he didn't need to stress about. Me: "ndine assignment that's due..." Lubb: "masambe ke siyoy'yenza." We went back home and started with an assignment that was only due in a months' time. Throughout the whole night he kept making jokes, making me laugh hard. He fell asleep on the couch. I went to bed struggling to sleep. Would I be able to live with myself if I had an abortion? Should I tell Lukhanyo? Will he even care? Well, I don't have to see him for a week thank God. I was happy when he texted me that. What would Lubby say? Eish this is all such a mess! I ended up falling asleep and woke up the next morning.

I was cuddled under his arm. Woken by his heart beat. He was already awake. Deep in thought. Me: "hey." Lubb: "good morning beautiful. Uyenza njan into yond'shiya

kubanda mfazi? Iphi nimba?" Me: "bufuna ndikuxhyawe dan mfo?" Lubb: "noba undirhuqe ngomlenze. Bendingasoze ndithi hayi." I went to brush my teeth. He stood up and made the bed. Me: "you're leaving NOW?" Lubb: "my jet is ready. I'm taking off in 2 hours." What? No! Me: "oh okay." I went to the kitchen to make a quick breakfast. Lubb: "no babe, its okay." My hands were shaking. Ndingazi noba kuthen. Who would protect me now? He turned me around to look at him. I was embarrassed because a silly tear jogged down my cheek. Lubb: "look at me.." I shook my head. Lubb: "please..." I slowly looked into his eyes. He was smiling, with tears. Lubb: "I'm sorry it had to end like this.." I couldn't even answer. Lubb: "maybe....you'll find someone in the long run, that will love you and respect you and treat you well... I'll pray to God every night for that. I want you to be happy. To take care of yourself and give your kids something to be proud of. Ndiyak'thanda Lihle, my feelings have grown and ziqibile novuthwa...although its too late.. I just want you to know that I love you and I wish....." He looked away and wiped his tears. Trying to breath. Lubb: "I wish I could take you with me, but I guess in life, you don't always get what you want...and I have learned that....the most painful way." I hugged him. Lubb: "I can't even find the words to describe how I feel..I can't breath.....but I know one day kuzolunga..I wish you all the best Matshingisa." I pulled back from him. Me: "goodbye Lubby." Lubb: "goodbye Lihle." He walked out, got in his car and let it all out, leaning on his steering wheel.. I went to the bedroom and cried until I couldn't breath for a very long time.. Ndingazazi noba ndililelani kangaka.....I had to stop him. I couldn't just let him go before I told him. I got up and went out... The car had driven off....

Chapter 579

I just felt incomplete. I couldn't get through to him either. Ndahlala phantsi ndadom. I needed someone to talk to because I didn't want to do this alone. I called Shaun. Shaun: "Shaun speaking." Me: "uhm hi." Shaun: "hello, how can I help you?" Me: "its me." Shaun: "Me who sweetheart? Andikuva, uthethel ezantsi." Me: "ndim uLihle." Shaun: "what's wrong? Are you okay?" Me: "yes I justed wanted to talk to someone." Shaun: "okay, thanks for calling me, jonga. Its best if we meet up. Somewhere you'll be comfortable." We agreed to meet at his office. I bathed and got dressed, then applied some make up and combed my short hair. I took a taxi to his office arriving about an hour later since the call. There was nobody there, excpet him. Wearing blue

shorts and a white shirt tucked in neatly. Ndama emnyango. Shaun: "hey! Come in." I didn't move an inch. Why was there no one here except us? I just didn't trust his smile. Shaun: "Lihle? Come in? I'll pour you some juice." I couldn't speak or move. Shaun: "okay. Now I'm confused. I'm not going to hurt you Lihle, I promise." Me: "I'm not comfortable with being here alone." Shaun: "okay, I'll call someone ahlale apha phandle to keep you calm. We won't be alone." Me: "female only." Shaun: "uhhm....okay." He called for a security lady and she stood outside. She: "woyika nton ungena na? Yuuuh, babindim bendizom'valela mna la gqirha pha. Yeses..." Well it wasn't a secret that Shaun was an inch attractive not wow. Just neat and clean. I went in to the office. Shaun: "unjani?" Me: "I'm good you?" Shaun: "I'm great. First thing I would like to ask is, woyika ntoni?" Me: "I ...andiyazi." Shaun: "I want you to be comfortable and say whatever you want to say. Okay? This is off the record, I'm not here to judge or make you feel inadequate." Me: "so its just a friend conversation." Shaun: "yes. Tell me woyika ntoni?" Me: "I have been married for some time now. To a gangster." Shaun: "so I've heard." Me: "he has anger issues and struggles to deal with them." Shaun: "so he takes it out on you?" Me: "yes." Shaun: " Tell me, why you married him." Me: "I thought I was in love with him. I was pregnant with our babies. And he was there every step of the way." Shaun: "when you say you thought, what changed?" I breathed slowly trying to avoid it but I couldn't. Me: "I met his twin." Shaun: "twin? Wow. Uhm. Okay. Masiqale ngalo mnyeni, you had great times right? Tell me about him." Me: "well, he loves kids, he loves people. Helping others in need. He's a very nice guy. We stayed together for such a long time ndayeka neskolo. Wayendenzela yonke into and protected me." Shaun: "and what went wrong?" Me: "I have no idea, he hated when I lied to him, when I went behind his back and did things. He hates secrets, so he kind of loses it but it was never that bad." Shaun: "what does he usually do?" Me: "he strangles me. Recently wandibetha nyan. I Landed in hospital." Shaun: "okay, now I got an idea of this guy. Tell me about the twin." I smiled. Me: "he's something else. Always making jokes and laughing and smiling. He's quite a crazy character and makes one feel comfortable. At first I hated him, then. Eventually became friends. Then grew closer. My husband never minded at all. He met an ex of his and spent quite a great deal of time kunye. Nam ngapha ndihlala noLubby. We kissed..a couple of times. He was always there for me and helped me with everything." Shaun: "how did that make you feel?" Me: "relaxed for a while. Took my mind off things. Until, my husband lost interest in me. Ndizama by all means to show him uthando, instead he raped me then made me feel worthless.. He did again after some time." Shaun: "do you want to talk about it?" Me: "yes.." Shaun: "go on." Me: "he found me in the kitchen, wacela siye roomin, I thought he wanted us

to talk. So I followed the moment we got there, he tore off my dress..pushed me on the bed, holding my....my hands" I began to cry all over again thinking of that day.

Me: "he penetrated me even ngok ndilila ndim'cenga ba makayeke. He didn't. He did it for such a long time I.....lost count. I lost hope!" He handed me a box of tissues.

Me: "savasa sahamba, sisiya endlin yewele lakhe. As usual Lubby, the twin, saw that something was wrong so he asked and I didn't answer. Lukhanyo wayond'confronter eroomin then accused me of sleeping with his brother. He called me all sorts of names you could ever imagine." Shaun: "did you try to defend yourself?" Me: "no." Shaun: "why?" Me: "he was going to beat me. This time in front of our child. I couldn't let it happen." Shaun: "how did you end up sleeping with the brother?" Me: "we were drinking and talking as usual. Next thing it just happened." Shaun: "waziva njani after that? Weren't you guilty??" Me: "No. Maybe for the first few seconds I woke up. It was a mistake and feeling sorry for myself wasn't going to change it." Shaun: "a mistake?" It wasn't. Deep down I wanted to. Me: "andiyazi Shaun. I really don't!" Shaun: "how do you feel about this twin?" Me: "I think I love him. It doesn't feel normal, like ingathi andikwazi uphefumla when he's away. When he's sad, I'm sad too. The way he laughs and smiles makes me giggle. Then my most favorite of all, is his heartbeat." Shaun: "wow...this is a bit deep. Was there a time you felt like this about your husband?" Me: "I can't remember feeling this way." Shaun: "Lihle, sisi, these are twins. Secondly, I think you only feel this way of Lubby because he is your version of a perfect Lukhanyo. You're trying to replace your husband with his own physical copy." Me: "they are identical, but the personalities are different." Shaun: "what makes you think he will respect you?" Me: "I just know he does. He has never done anything to hurt me." Shaun: "your husband needs help. And I can't advise you to go back to a man that beats you and strangles you to a hospital bed. But I can't advise you to have a fling with the twin either. What I do suggest is to take some time out, tell your ex husband his faults, ukhe uzi distance nak'le twin." Me: "I'm pregnant." Shaun: "and you don't know the father because of the short time frame?" Me: "I'm convinced its Lukhanyo's." Shaun: "why not Lubby? You're trying so hard to cover up the fact that you cheated first and created a child. Why is that?" Me: "the day after I slept with Lukhanyo after being in a coma for 2 months, ndandi naar." Shaun: "that doesn't mean anything at all. Could be just exhaustion. Or fatigue. Does not necessarily mean he made you pregnant that night. Did you tell them?" Me: "no. I haven't decided ba ndizothini." Shaun: "you're scared. You're scared to be judged by society Lihle. And I know exactly how you feel. Because you were married now wenza lento ecaleni under sad circumstances. I think you've loved this Lubby guy for some time ude umthembe kangaka ngawe. Question is, does he love you? Or he's just

playing you? And if he does, he'll stand by you at all times. Wena kuthen unentloni?" Me: "my mom refuses to talk to me because of elinyala. I'm all alone in this, Lubby has left." Shaun: "you should've at least told him Lihle. But ke get through to him uthethe naye. Plus your ex too, suhlala until things get out of hand Lihle, stop bottling this inside. Thetha nomntu noba yitshomi." Me: "I can't. Ingathi ndili nyala mna self because Lukhanyo made me that. Undenzile ndalahlazo." Shaun: "no he didn't. God never gives you a challenge he knows you won't be able to overcome." Me: "then how do I began to stop feeling like this! Now that Lubby's gone, I have no one to stand up for me." Shaun: "then stand up for yourself. Be your own pillar of strength angel. Take time to heal and forgive, you have a life growing inside of you, take care of it. Of yourself. Suzenza lento man. Yazi undenza umsindo o-unnecessary because you're young and beautiful. That boy doesn't deserve you. Nawe you don't belong there, because akusoze kuphinde kubekho trust between you two. Forgive him in your own time. Build yourself up and move on. If with Lubby, then so be it, fuck society they don't feed you, awuzolamba if bayak'capkela. Just do what you think is fine for you but right now I do suggest some time alone." My phone rang. It was my mother. Me: "excuse me.." I went to answer the call. Me: "mama?" Ma: "yeke mntanam. Khaw'ncede ufike wethu girl ndilapha endlini." She coughed badly. Ma: "uphii?" Me: "ndiyeza mama." Hanging up. Me: "I've got to go." Shaun: "remember Lihle, to accept what is, let go of what is not and have faith in what could be." Mee: "enkosi Shaun. For listening." Shaun: "anytime girl. Uhambe kakuhle.". I took my bag and went home....

Thenjiwe was with Lutha, trying to feed him. The baby screamed and hit the table loudly. Me: "Luthando!!" He stopped right then and stared at me with a shy smile. My heart just melted. Me: "molweni mama." Ma: "hello, unjani?" Me: "ndiright nina?" Ma: "siyaphila. Noko I'm a bit better.." I wiped Lutha's face. Ma: "uqibele nin thetha noLukhanyo?" Me: "in a while." Ma: "khawukhe ufowele omnye Lihle. Uyakukhumbula. Akatyi and uhleli nje uthetha ngawe." Me: "andikhathali noba uthethe kwabuya uYesu noMoya Oyingcwele kanti mama." Ma: "hayi Lihle, uyamthanda uLukhanyo naye uyakuthanda futhi. Nenza ivows to each other. Funekile uy'hloniphe lonto." Me: "akhonto ndizoy'hlonipha mama, he divorced ME. Andizobe ndikhasa emva kwakhe mna." Ma: "because of lento umenze yona! Ngeyphi indoda enonyamezela uhulelwa kwalapha kwi family yakhe." Me: "mama, awuzazi izinto ebendenza zona uLukhanyo." Ma: "kodwa Lihle ukhule kabuhlungu uLukhanyo. Ndiyambona loLubby uk'the chuu nge chalk aphe ngqondweni. Libala ngalamntu akasoze akuthande!" I kept quiet. Ma: "kuthen uphinda utyeba nje? Umithi?" I couldn't answer. Ma: "lihle andisuzi ndiyathetha!" Me: "ewe mama." Ma:

"yoooooh!!! Yay'bona ke lento yakho! Mnkile kengoku yena uzoshiyeka wedwa wena! Kodwa awumameli Lihle." Me: "uxolo mama..." Ma: "jonga, sizovuka ekuseni ngomso, siya esbhedlele. Lukhanyo akanoze ay'vume lena into!" Me: "what if nguyee utata?" Ma: "if ayinguye? Uz'libele ngoku?" I took my baby to the room and put him to sleep. I planned a launch to boost our exposure. An all white party. The tables and chairs were already available, the speakers, the music, I needed a venue and a dj. I sent Mandy a message. Then Sbosh to spread the word. We would do it this Saturday. Someone once said to me. 'You have to spend money, to make money.' And it worked for him. I missed him so much. Working through the day and night wasn't hard because I needed to keep my mind off things. Eventually falling asleep. Mama woke me up around 5am. Ndavasa and got dressed. We left for the hospital. It wasn't that full. Mama booked and we sat, waiting. I wonder what he was doing right now. I looked at the time. Usually he was done showering but still walking around in his underwear because he was lazy to get dressed. Unless he was late. 2 hours later a girl came out the room walking painfully. Then it was my turn. Latsho uvalo. I got in and greeted. Me: "I want to know what you're going to do." he explained what he was going to do. Doc: "I'll do a suction cutterage because you're about a month. Basically I'm going to use anti bacterial solution to cleanse your vaginal area. I will inject medicine to your cervix to prevent you pain. Then-" Me: "you're going to rip my baby in shreds?" Doc: "it is not a baby yet. Only an embryo. It will be only 10 - 15 minutes don't worry." I was given something to wear. And lay on the bed. I couldn't do it. Tears ran down my face. Doc: "relax, I'm about t-" ME: "NO!!!! Stop!!!!" Doc: "nurse?? Hold her!" Me: "NOOO!!!!" I cried. Pushing her away and I ran out. I can't believe I was about to do this! Why! I sat outside and sobbed. I'd rather be alone than kill this baby. They can take anything from me, but not my child. Nurse: "sela apha girl." Giving me a pill. Me: "ndithe ANDIFUNI!!!!" I got up and went to get dressed took my things and went straight home. Leaving my mother behind. The nanny had bathed them already I packed my clothes and theirs, calling Mandy to come fetch me. Just as I finished everything. Lukhanyo walked in. Luks: "ubasaphi abantwana bam!" He roared.....

Lubby covered himself with blankets. He didn't want to face the world anytime soon. He hated himself and felt that he was a waste of space. He had disconnected the house phone in his room and his cellphone. Locking himself inside. Sebastian was on the phone with Nette. Him: "sweetheart, you need to come back for this, things have literally fallen apart between the twins and its worrying me. Andrew has locked himself in his cave since he came back yesterday. I'm afraid what he might do to himself." Nette: "I'll be on the first flight out dear, how is Lukha?" Him: "he refuses to

speak to me, I can't handle them both, mami. Its becoming more difficult." Nette: "okay. I'll be there by tomorrow. Try talking to him for now. Make sure he's okay." Dad: "okay." He hung and went to knock on the door. Dad: "son, please let me in." Lubb: "please go away." Dad: "yes I'll go away to fetch a hammer and knock you down. If you don't open." Lubby went to open the door. Dad: "what's wrong now? Ever since you got here yesterday you've locked yourself in." Lubb: "I just want to die." Dad: "hoekom? Wat het gebeur?" (Why? What happened?) Lubb: "Ek weet nie, ek voel net hartseer." (I don't know, I just feel heartbroken) Dad: "askies seun. Alles sal okay wees." (I'm sorry son, everything will be okay.) Lubb: "Kan nie dat dit nou gebeur? I'm tired of feeling empty!"(Can't that happen now!) Dad: "Andrew, what's happening now?" Lubb: "pa, Ek kan nie beskryf hoe ek voel oor haar.. Dis net soos, iets binne.....like...." (Dad, I can't describe how I feel about her. Its as like, something inside...like.....) He breathed. Dad: "come here." He hugged his son. Dad: "you'll be strong boy. You always bounce back. Always. I know you. This time just give yourself time and look after you first." Lubb: "and her?" Dad: "she has a family. Andrew, its a matter of days before you get over this." Lubb: "I can't wait it out daddy, I have to go back." Dad: "you can't my son. You have to stay here and fix your company." Lubb: "can't I hire som-" Dad: "no, you're doing it yourself. I want you to stop feeling sorry for yourself, get up and make me proud. Okay?" Why did nobody understand! He simply adored her to infinity and back. Why did nobody have faith in that? He showered and got dressed. Dad: "that's my boy. I love you son. I always have and always will stick by your side." Lubb: "I don't want to disappoint you dad. But I want to prove to you...I am capable and I'll make you proud." Dad: "thank you." Lubby took his keys and dragged himself to the office where everyone was in his face for every small thing he was about to blow up. Just 5 to. He picked up the phone and looked through his family pictures. He missed his kids but he was here to secure their future. But he just couldn't take it anymore, he dialed her number and called. I picked up. My heart just stopped beating. Me: "hello." Lubb: "hey..." I was holding back tears. My face was in pain. Lukhanyo had taken his children and left. Lubb: "you okay?" Me: "I'm fine...." I muttered. Lubb: "Lihle..." Me: "Lubabalo." Lubb: "please don't cry.." Me: "I'm not.." The tears rolled down my face. Lubb: "do you believe in God?" Me: "yes." Lubb: "nguye yedwa oyaziyo why kunje. I don't want you to question Him. For He knows what He is doing. The shortest distance between a Problem and a Solution, is the distance between your knees and the floor. For He who kneels to the Lord can stand up for anything. Don't you ever lose hope. Okay?" Me: "o-kay." I whispered. Lubb: "I'm still here, sukoyika baby girl...take care." I couldn't help but cry. I hung up and just kneeled on the floor beginning to pray...

Chapter 580

I knew I had to pick myself up by force. a few days later I found a flat. Bought a bed and sheets. It had a built in cupboard. I didn't need a tv or anything else because I had my books and the business to focus On. Mandy got me a small fridge, Sbosh waza ne microwave and a two burner stove. I bought blankets and a few other shoes plus a dress for the function. We were doing last minute preparations at the venue. Late friday night. Rene came to help too. Sbosh: "baby, khayo phumla wena ngoku. We'll be fine." Me: "no I'm okay." Mandy: "no, I'm taking you home." Rene: "what's wrong?" Me: "I'm pregnant again." Rene: "ncoooh! Congratulations babe!" Me: "thanks love.." I went to sit down. My back was aching. I was hungry too. Me: "can we order something?" Rene: "what would you like?" Me: "a triple decker and a large milkshake. Some potato chips too, with cheese sauce.." She went to buy the food. I was decorating the glasses. Everything was white and silver. The chairs were covered with white cloth. The tables and walls too. Everything was ready. We waited for Rene to come with the food. I ate and took my other things then went home. Kungasa bandi man. Tomorrow would be a long day. I needed my rest. Ndava nge knock e-urgent at the door. Maybe it was Mandy. I opened ndothuka ndoma. It was Lukhanyo. HOW did he find me here!!! Me: "what do You want!" Luks: "hayi khehle umoya Lihle." He was carrying a sleeping Luthando. Luhle stood next to him with her beautiful eyes wide open. Me: "ngena." He walked in. I picked up my daughter and went in. She had a dirty diaper, I went to the bedroom to change her. Lukhanyo walked in to put Lutha on the bed. Luks: "unjani?" Me: "I'm fine." Luks: "uthi umamakho umithi." Me: "so?" Luks: "you look like it. Ndibona aphe buswen." Ndaske ndam'jamela naar. Me: "ufuna ntoni apha?" Luks: "ndizise abantwana." Me: "I have a function this whole weekend Lukhanyo!" Luks: "ngoku? Uzobaleka abantwana bakho kengoku?" Me: "lukhanyo andiba baleki. But this weekend is a bit busy and important for me." Luks: "more important than your family? I want us to work things through." Me: "Ayikapheli mos iveki!!" Luks: "well, starting from tomorrow sizozala ngokutsha...look, I booked for us siye Madagascar sonke as a family and then we'll work our relationship from there. Sizobona ba sizothin ngalowo umntana." Me: "I don't want anything to do with you. Andiyi ndawo nawe mna." Luks: "move back in Lihle, with us." Me: "you can't force me to do that. Andifuni Lukhanyo." Luks: "uzohlala aphaa??? In this shit hole kude kuthin?" Me: "please leave. Ubazisile abantwana cela uhambe." Luks: "don't you

And I forgive you, ndiyayazi ba ndiku neglect'ile and that drove you to Lubabalo. Nguye oyena satana apha. Sizoy'lungisa lento Lihle. izapha." He hugged me. I pulled away from him. Me: "don't touch me!" Luks: "I just said I'm SORRY!! Ufuna ndithini!!" Me: "ndifuna uhambe!" Luks: "mxim." He undressed and got into bed next to Luthandoluhle. I didn't even have a couch. Ndiphelele k'la bhedi nezangubo. One thing I know was that I was definitely not going to sleep in that bed. Even though our kids would be in between us. I took my phone. Luks: "awuphumi k'la mnyango Lihle." Me: "if you could just leave! Ndibeno lala!" Luks: "I'm not gonn eat you! Lala fondin." I sat on the floor and played with my phone. Luks: "u-childish bonanje." I stayed up all night. Kumane kuvuka Luhle ndihlale naye for a few minutes then she fell asleep. Lukhanyo was cuddled with Luthando in each others arms. 5am, I showered and got dressed in the bathroom. Did my make up and ate. I was ready by 06:30am. Lukhanyo woke up and rinsed his mouth. Luks: "ndicela undenzel breakfast tu?" Me: "microwave." I bathed the babies in the meanwhile. I was angry but kept a cool face. He would leave today anyway. The kids were ready. I took my bag, wore my shoes and walked out. Got a taxi to our venue and opened. Sbosh arrived after 7am. Sbosh: "hayi lihle ufike nini?" Me: "just now." Sbosh: "why! You're supposed to be resting." Me: "I couldn't Sbosh. Ufikile Lukhanyo with the babies. Walala uqiba kwakhe." Sbosh: "wathin wena Lihle?" Me: "ndahlala phantsi." Sbosh: "why didn't you call us? Wait, he threatened you right?" Me: "right..." Sbosh: "peto, kalok ukhulelwe. You Have to rest! If I didn't know better bendizoth mna he's doing it on purpose." Me: "let's get these things ready Sbongile. I don't wanna ruin my day ngothetha ngoLukhanyo ongena mbeko mna." The other girls arrived with the food. I was too tired to continue. My back and feet ached. Rene: "baby, take a nap for about 3 hours, we're still a long wait to start anyway." Me: "where exactly." Mandy: "iza peto." She drove me home, ndangena eflatin ubhut wakho enxibe gown ka Lihle ne slippers. Sitting on the floor with his babies and my bowl of yogurt. 🙄:o Me: "lukhanyo uhamba nin?" Someone knocked on the door. Luks: "khasuse abantwana baby." He opened. Stuja greeted and brought in a plasma tv. The other guys brought a stand. Lukhanyo was literally moving in. Me: "lukhanyo?" Luks: "ima kancinci baby." Baby? I took my kids to the bedroom and left again. I can't do this. Not today. Mandy was waiting outside. Me: "masambe mtshana. Akekazohamba lowa pha." Mandy: "njani Lihle? That's Your flat. Not eyenu. Makaye ndlinakhe." Me: "I don't feel like fighting with him right now. He's too comfortable. Unxibe ne gown zam! The fucking nerve!" Mandy: "peto, report him. Akakwazi kalok." Me: "Mandy, I can't find a nanny ngel'xesha usisi ugodukile for the weekend.

Namhla isn't talking to me either." Mandy: "uzohlala kalok peto." Me: "I'm NOT missing my launch because of Lukhanyo Mzinyathi!! That is what he wants, ufuna ndibe lonely and miserable!" Mandy: "calm down, breath, inhale....exhale. We'll go to my place then, after you're rested siye kwi launch then tonight siya epolice station, to take him out your space." Me: "okay." Now I could breath. We drove to her place ndabe ndisozela kakade..

Mandla was with his friends when Lubby called. Lubb: "khandiifake kwi loud speaker." Mandla did as he was told. Lubb: "molwen majita." They greeted back. Lubb: "I have moved to Cape Town, still deciding if permanently or just for the time being. I don't want you to be involved in any illegal activities because andikho. We're shutting the operation down." Lucky: "haibo Ta Lubby! We need esa span. I for one, ndiyas'ncanywa mna. And us'rholisa grand." The others agreed. Lubb: "but majita, I'm not around anymore. And without someone to head up the operations kunga moshakala izinto and andifuni tu nibanjwe mna. If you need help with something, just give me a call." Sthe: "andisenaso ne span kemna andizazi ndizokwenza njan." Lubb: "look I'll figure something out. Khabe nisenza CV zenu ready for now, I'll send each one of you to someone aninike msebenzi.. Okay? Mandla, I need your help, put me back on handset." Mandla switched off the speaker. Lubb: "I want you to trace a number, ithi ku Stuja akuncede. The minute you find her, tell me. I have a gift to send kuye. I have to go." He hung up. Another call was coming through. Lubb: "yes." Thulz: "ndim uThulani." Lubb: "sharp mjita ugrand?" Thulz: "ima keep this short Lubby, my company is pulling out of the project." Lubb: "HAYI! Thulani don't be stupid man! This is worth billions!" Thulz: "I don't care! Andisoze ndisebenze nomntu ongena morals ofana nawe mna. You are cruel and deceitful. Andik'thembanga tu!" Lubb: "hayi Thulani fethu.." Thulz: "don't call me again." He hung up. Lubby had a big problem in his hands. He had to find another group of project managers by today! The first center has been started and someone needed to take over. He called his team together and scheduled a meeting. The stress was piling up. The books of the company had no one to attend to them. He didn't have accountants. Estella had left with her people. Now with Thulani pulling out, he was sure to start losing big time. His company was a mess. Nette walked in. Nette: "honey, I brought you some food. What are you doing?" Lubb: "Thulani pulled out my project. I have no project managers nor accountants." Nette: "have a biscuit and some milk baby. Calm down." Lubb: "ma, I really need to get going I don't got time for tea and biscuits." Nette: "well at least one. Here." She dunked his biscuit and opened his mouth. He ate. Nette: "now, what's the problem." Lubb: "I thought dad told you." Nette: "he wasn't specific." Lubb: "I kind of have a thing for...you know, Lihle." Nette: "I know that, its been

what 2 or 3 years now?" Lubb: "you are exaggerating ma! Anyways, we kind of...you know." Nette: "I don't actually.. Don't speak in riddles." Lubb: "we slept together." Nette: "You had sex???" Lubb: "MAMA! Damn." He was embarrassed to talk to his mother about his sex life. Nette: "well did you use protection?" Lubb: "no, mom can we n-" Nette: "WHAT? Andrew!" This is why he didn't want his mother here. She would make it a Huge thing. Fuss all over the place. Lubb: "ma, please listen." Ma: "what about Lukha?" Lubb: "that's partly the reason why we're not talking." Nette: "honey please, talk to him." Lubb: " I'm not doing that. And can we not talk about this." Nette: "why not?" Lubb: "because not being around her breaks my heart. That's why." Nette: "just give it a couple of days Lubbilu. You'll be fine." Lubb: "dad said that a week ago." Nette: "but its because we know you." Lubb: "fine mother. I need to get to work." Nette: "its saturday boo, get some rest you've been working throughout the week." Lubb: "mom, this is a big deal for me. We talking Billion rands." Nette: "I'm so proud of you son. You're taking the name Morrison to new heights." Lubb: "I'm making up for the humiliation I caused in the past. All the terrible things I did." Nette: "that is the past. We have dealt with a lot and you're going to pull through." Lubb: "can we pray? I feel a bit down right now." Nette: "okay." They kneeled on the floor and prayed together for some time. Sebastian walked in and sat on the bed. After the prayer Lubby got up. Lubb: "I need to fix my company." Dad: "good luck my boy." He smiled at his son. Lubb: "dankie pa. Vir alles." Dad: "you're my first born. You know I'd kill for you." Lubby walked out.

Mandla was with Lucky, Anelisa, Lizeka, Sthe, and a few other guys that night. Khanya was at his flat with baby Khanyiso. Anelisa: "Mandla, uphi uKhanya?" Mandla: "khayek umfazi wam. Ulele." Anelisa: "uyam'gugisa omnye wena." Mandla: "andifun afane nawe. She's fine pha endlin." Anelisa: "uzam'ukuthi nditheni?" Mandla: "damaged." Anelisa: "baby uzam'yeka athethe nam olohlobo." Lucky: "ufuna nton kuMandla wena." Anelisa: "mxim. Lizeka peto khandikhaphe." They walked to the bathroom. Lizeka: "tshomi, I think I like that guy ke yazi." Anelisa: "uban? Mabheka? Plus I think he likes me too." Anelisa: "ngoku iperfume ingenaphi." Lizeka: "I want to be myself peto." Anelisa: "awuse muncu Lizeka. Lamntu uzokutya akushiye. Qha. Because that's what men do!" Lizeka: "I know uyandimonela kengoku. Wena mos unoLucky and Mandla userious ngo Khanya. Nam ndiyafuna ukonwaba." Anelisa: "okay, whatever." She walked out and bumped into someone. "YUUH!!!! Masambe my friend." She and lizeka walked to the guys. She was fuming. Anelisa: "yinton le kaka ndiqibo yiva Lucky!!!" He held his beer in one hand. Lucky: "ndiyok'dibanisa nale botile ndlela yothetha leyo?" He said in the calmest tone. Anelisa: "ndicela sithethe." Lucky: "sothetha ufika kwethu endlin baby. Hlala phantsi." Anelisa: "Lucky, utya madoda?" Sthe: "YOH." Mandla: "ndicela uk'ncedisa mjita wam. Xa um'khamba. Ndifake." Lucky: "khame kancinci Mandla... Babes, nguban ohamb ekuxelela lonto? Nawe kengok uzomkholelwa? K'ne ndoda le yakho? Hayi uyandityhafisa." Anelisa: "le moffie yobubhanxa inxib ukunya!" Lucky: "hlalapha baby." He went to Thami. And stood in front of him. She got in to bed next to him. Meanwhile Mandla was still drinking getting ready to leave. Sino walked to him. Sino: "hey." Mandla: "sho." Sino: "sow'hamba na? Awubawel ndikukhapha?" Mandla: "actually. Ha.a umfazi wam, undilindle." Sino: "anise fast nje. Sengu mfazi." Mandla: "ewe kalok xa ndiy'thanda icherrie naye engandenzi sdenge ndimenza umfazi. He got in his car and drove off....

The next morning I got home to Lukhanyo cuddled with his babies on the bed. I took a quick shower and got dressed before he woke up. The launch had gone very well. I had a breakfast meeting with the girls then the day off. Luks wakes up. Luks: "heyyy...ubuye nini?" Me: "a while ago." Luks: "so waqomba awuzondivusa babes...we missed you." Me: "please just stop this pretend game!! You're acting as though nothing happened and it makes me sick!" Luks: "are you going to be okay?" Me: "mxim!" I bathed the babies and dressed them. Then fed them. Luks: "uzoyaphi babes? I was thinking siphumeni out as a family and go shopping." I ignored him. He stood close behind me and whispered in my neck. Luks: "ndiyathetha nawe." I picked up the phone and called. Me: "morning officer, there's an intruder in my house." Luks: "Hayi fondin!" Police: "your address?" Lukhanyo grabbed the phone and switched it off. Luks: "uzandibambisa??" Me: "if that's what it takes to get you out of here!" Luks: "FINE!! Ndizohamba ke! With My KIDS!" Me: "you're not taking my babies nowhere!" Lukhanyo took Lutha. Me: "Give me back my son!" He walked out with him. Ndashiyeka noLuhle. I locked the flat and ran after him. Luks: "sapha Lihle abantwana bam. Then you can have all the fun you like. Yilento buy'funa kakade lena to be free. Ubuye ngee ntseni. Undidelele. Go have fun and drink with your friends. Ndinike abantwana aba bam mna qha." Me: "uzoba jonga njan abantwana ungu nolokhwe othile!" Luks: "ndiright ndibengu nolokhwe Lihle! Ndibona apha kuwe! You're too busy for these kids!! Siskolo ngumsebenzi! Phinde bemithi ngapha! Khasaph umntanam wethu ndizom'bonisa uthando mna." He buckled Lutha in and took Luhle from me. My angel started sobbing. Luks: "shh....sorry sweetie. Oh man intombikayise." Me: "so you're going to shut me out?" Luks: "kudala ndikuzama mos, cacile uLubby uku plugge kamand awusafun nond'bona! Am I that bad a fuck!?" Me: "lukhanyo, don't!" Luks: "mxim!" He got in his car and drove off. I went to fetch my bag and went to the meeting. We ordered our food. Sbosh: "hmmm...." Me: "yinton peto wahlafuna ungeka tyi." Sbosh: "ndijonge lanyama ihleli pha." I looked behind me. A group of gentlemen sat there talking calmly. Looking a bit familiar. Mandy: "amboz'introducer tshomi yam." Sbosh: "khame peto ndifumen eye contacr...shh...." Mandy: "ngok ngayo cela number nje!!!" She yelled. Sbosh: "Mandy man! You're just something else!" Me: "ingathi zii tshomi zika Shaun eziya." Sbosh: "yadika nawe Lihle wazi wonke umntu lo." Mandy: "nguban Shaun?" Me: "a friend." I drank my juice. The food came, we ate while we focused on our work. After an hour someone stood next to Sbosh at our table. He greeted. I was figuring this was Eye Contact Man. Mandy: "molo bhuti." Me: "hello." Sbosh: "Hi." Him: "my name is, Xhanti Tetani. The owner of this restaurant." Sbosh: "ndingu Sibongile mna, this is Lihle and this is Mandy." Xhanti: "molweni ladies. Ndicela ubolekwa usisi lo for a couple of minutes."

Mandy: "you have 2 minutes bhuti, sikwi meeting thina apha...." Xhanti: "ndiyaxolisa kakhulu maan sisi." He took her hand and walked away with her. Mandy: "tshomi?" Me: "maybe I need to go to the doctor tomorrow." Mandy: "what happened?" I was tired of sympathy. I just wanted to move on. Me: "nothing love, I just wanna check on my little bambino." Mandy: "and check who the dad is?" Me: "I don't think I want to know. Ok'salayo wethu, I'm doing it by myself anyway." Mandy: "that's the spirit! I'll drink to that." We clinked glasses and I drank my juice. I was honestly tired. I needed rest badly. After the meeting I went straight home. Ndafika kukho a bunch of flowers and chocolates. A gigantic teddy bear sat on the floor. I didn't know who sent it, how they got inside and why. I asked no questions Ndahlala on top of the teddy and opened the sealed chocolates...

Chapter 581

I fell asleep on the huge teddy. Waking up hours later. Hungry but feeling warm. I smelt something really tasty. Satsho isusu grumbling. As much as ndilambe nyan. Who the fuck was in my flat? And what were they doing? Is it the same person ozise chocolates and flowers. I opened my eyes and saw Lukhanyo standing in the kitchen wearing an apron, cooking. Oh. I closed my eyes again and pretended to be sleeping. Under the blankets I sent Mandy a message to come fetch me. Luks: "babe? You're awake?" But in the morning he left enomsindo! Ubuyiswe yintoni na! Luks: "I made you supper, inoba ulambe nyani. Plus you got to feed the baby. Phakama love." I stared at him without moving. Luks: "Lihle I'm trying hEre." Me: "Stop trying." Luks: "what do you want me to do? Please khandixelele." I got up and went to the bathroom. Luks: "babbbby..." Me: "No! You are violating my privacy Lukhanyo. Where are the kids." Luks: "ku mama." I went back to the bedroom. Luks: "please talk to me?" Me: "and say what?" Then it dawned on me. Kuthen ezoza yedwa nje. I moved back and he walked away. Wayophaka and brought the food. Luks: "let's eat first." Me: "I'm not hungry." Luks: "asoze ndikwenze nto. The least you owe me is to just listen to my sorry. Qha." Me: "this doesn't make sense! Ksasa you were on another tip, now uzocela uxolo!" Luks: "I had some time to think things through. I miss you. Maybe now, we can start over..." Me: "its not that easy Lukhanyo. Awuceli xolo wena ufuna nje le uyifunayo!" Luks: "mos andenzanga nto." Me: "after ndikucela usuke ku Dumisa, you still went after her, you emotionally abused me Lukhanyo, controlling everything I did. You told me what to wear, how, where to go, when to come back!

You stole from me. My dignity when you raped me. Okanye awusakhumbuli? Do you want me to elaborate?" I sat down. Luks: "lihl-" me: "do you remember, ndisuka kwi Yoga class ndayongena eroomin. I changed into an outfit, wangena wandihleka? You embarrassed me and told me imbi. Do you remember, ufika endlin wayolala, I came to you, asking to make love, instead you pushed me off of you. Wandi dlwengula. Because that wasn't making love. It was uncomfortable and painful! Do you remember, ndisithi I'm going out for lunch. Ndinxibe utight, wandiphoxa ba mandiyotshintsha because I was a wife and I looked naked. But I'm sure as HELL you remember this one. So fucking sure! When you came in the house a day before Junior's birthday uvela kwa Lubby. Wabuya wandikrazulela ilokhwe. Pushed me on the bed. Holding my hands behind my back, my head against a pillow and you raped me! Hour yaphela Lukhanyo uphez'kwam. And the reason why ndisithi you remember lena was because usuka kwakho wahlala phantsi wayicinga le shit. You broke me on purpose! You beat me back to hospital. Threw me out my own house. Ndingenanto nanye but now you, Lukhanyo uTa Luks. The Boss. Comes here and sayS he wants to work things out. What exactly do you want to work out? Un-rape me? Un-abuse me? Huh?? Uzothini kanye kanye?" Luks: "baby, ndicela uxolo.. I swear to God I didn't mean for that to happen. Ndiyakuthanda babes, I just hated the fact that you..." Me: "I what?? Loved you ?" Luks: "loved him more than you could ever love me. This is what I knew from the beginning since you met him. He's the perfect man you've always wanted. And mna ndiyile reject ndiyiyo. I have never been good enough for you, he always made you laugh, uske ube silly nangok ndikhona uncume oko." Me: "Sbosh yena? Wayengekho Lubby kuye!" Luks: "kwakukho Xolani!! I hate the fact that nandenza isdenge nobabini! I know I was wrong and I'm really sorry. I just want things to be the way they were. Ndiyalukhumbula oLuthandoluhle lwethu lihle. We've been together through worse, this we can fix together. At least for our children, ndicela sizame Lihle. I forgive you, and I know uyamthanda but just give me one last chance, I'll prove it to you....I love you. Ndithethile no Ta Smig, about trying again. This time, we'll make things right, I'll pay for iLobola, and introduce you to my ancestors. But before senze lonto ndifuna siqale ekqaleni. Fix our relationship without anyone interfering, I know kuzoba nzima mntu wam, but we'll survive it. Even the new baby, in your tummy, I'll treat him or her as my own. Ndimthande." He held the tummy, kneeling on both knees.. Luks: "I remember use mithi ngo Luthandoluhle, do you remember when they first kicked? I remember, sasime kitchen kowenu eKimberley. When I asked you to marry me...we used to be so in love Lihle, Lubabalo never loved us. He used us, all this time, jonga ngoku everything is upside down. He ran away ba masiz'bonele. Uyay'bona phof lonto? I can't let him break my family

apart like this. We'll get all the help we need baby wam. I promise. Just this last chance. Lihle, will you please marry me?" Me: "I can't do that Lukhanyo. You hurt me too much. Nam I did my fair share of mistakes, and that is why we're here today. Iyi hazard kwabantwana bethu le relationship. It was good Lukhanyo, bekumnandi nyan, but also bekubhlungu kakhulu. I think its best we just go our separate ways." Luks: "I have already booked the trip. Can we at least go? Give it a chance Lihle, for our kids." Me: "then siphinde silwe kwakhona. I can't. But I want you to go, this is for you. To fix yourself to be a better man and uzofumana umntu oright for wena sow'lungile." Luks: "I want to do it for You." Me: "then do it our kids." I got up and pulled him up. Luks: "so now its really over? You don't even want to let me try?" Me: "its not going to change our past. Or make it better. Sobe singasa thembani ngoku. Instead sihlalisane kakubi." Luks: "okay. Ndiyakuva lihle." He hugged me. Luks: "ndicela ibey'1 before ndihambe?" He whispered. Me: "uphambene kengoku. Mpa." He laughed. Me: "nihamba nin?" Luks: "tomorrow. Sibuye next week." Me: "good luck then." Luks: "yeah well....thanks." He kissed my forehead. Luks: "nakuwe ke. I hope he treats you well." Me: "there is no he. I'm by myself." Luks: "kengoku theni ungandifuni mna?" Back to square 1. Noba kuqhawuka into man apha kuLukhanyo. There's something very wrong. Me: "yaz'bona ke? Yaqala again?" Luks: "okay, okay! Fine. Bye bye, uzoza ksasa?" Me: "yes, to say goodbye to the kids." Luks: "sharp." He walked out the door. Well that went pretty well, I can now start over with myself and baby. Although it would be hard still, I'm glad I didn't abort my child. He/she made me feel some type of way. I loved it. My ultimate focus: School. Work. Kids. Thank God for my friends to help. But my heart still felt misplaced. Someone was missing. But I guess that's life. You win some, you lose some....

Sunday evening, Mandla and Khanya were in bed. Mandla: "uyaya eskolweni ngomso baby?" Khanya: "ewe, but funeke ndigoduse Khanyiso kqala." Mandla: "ndizomgcina mntu wam. Lonto uyamthanda uAsanda oko bedlala kunye namhlanje. Undinika ixesha to.." He kissed her lips. Khanya: "ndakuqibela nini baby. Uyavimba wena ever since udibene no Khanyiso." Mandla: "nyana wam alok lowa ndiyamthanda." He took off her shirt and tights. Mandla: "kubekho ezi mpundu uthand uz'bonisa bantu." Khanya: "subanomona...khandi massage baby umqolo." Mandla: "andina mona tu.." She lay on her stomach wearing a black G String. He was already turned on but continued playing her butt cheeks shaking them. Khanya: "umqolo kalok mntu wam." He kissed her ass. Then took off the underwear. Mandla: "akabatywe umnyeni wakho unendawo ezingangcazelayo." Khanya: "makatywe kalok ulinde ntoni." He lay on his tummy and kissed her ass again. Khanya: "uy'bonaphi ke lena?" Mandla: "bendiy'bukel kwenyi movie, uzundixelele injani." Khanya: "foreplay Mandla?"

Really?" He pushed a finger inside her gently. She moaned. He couldn't fit a second finger, so he used his tongue. Khanya: "Mandla!!" She breathed. Mandla: "ayikho bad mos... Zange ndamunca ke, ndandingayaz ba kanti..." He turned her on her back and muffed. Her body electrified. She has never felt like that before. Especially because she was falling for him. He licked it playing with his tongue. She held her head, begging him not to stop until she finally orgasmed. He quickly undressed and entered her softly. She sucked on his lips. She had once been bisexual so the taste of vagina juice turned her on even more. Khanya: "khaphinde baby!" Mandla: "ima mntu wam..." He really couldn't help himself, literally climaxing too early. Mandla: "sorry..." Khanya: "I understand baby...kodwa ndicela uphinde mna..." Mandla: "heee..." He went down. Kissing her. She opened her legs wide while he went on eating. Her body was breathing pleasure. Khanya: "oone moore time baby.....Yes!!!" She moaned. Khanya: "I'm almost there!! Don't stop.."He teased her. She held his head in moving her lower body. Mandla held her still and finally helped her reach climax. Khanya: "uzondiphambanisa wena." Pulling him up, sucking his lips off the juice. Mandla: "baby? Uyay'thanda lewei?" Khanya: "heee...taster kamandi..."Mandla: "heee, eworse ke baby izolo uy'thanda njan Anelisa abuze Lucky utya amadoda na. Yeses inoba ukhatywe wanya fika kwabo endlin. Ndiyamvela yazi." Khanya: "baby....." He looked at her. Mandla: "ugrand love? Ndiyak'sinda?" Khanya: "we forgot to use protection." Mandla: "Shit! Yoooooh babes. Ndiy'libele nyan. Ndlela le ndi comfortable ngayo." Khanya: "I can't have another baby Mandla! Khanyiso is barely 6 months old." Mandla: "subana xhala, ndizothenga ezapills zak'sasa. Xandikusa esgela. Funeke khe siyotester futhi. Phuma kwakho kanye ngomso eskolweni.." Khanya: "okay.." Mandla: "sorry baby va? Siqibezele?" Khanya: "I don't know if I'm comfortable anymore." Mandla: "its okay babes. Akho ngxaki. Ndicelu xolo man. Ndiyayazi ba besithethile ngalento yonga towni until siteste. Kodwa baby uyivile nawe la moment bimnandi. Mandiyolanda unyana sizolala ke." He wiped her first then himself and went to go fetch their son from the house. Asanda was playing with him. Asanda: "he's such a sweetie bhuti, khamyeke man. Ndizolala naye." Mandla: "u-sure?" Mama: "ewe wethu, ndim'thanda xa egigitheka ade awe phantsi. He's cute." Mandla: "okay ke xa nisitsho, ndizoniphathel botile zakhe. Nama napken." Mama: "ndifuna ude ndibone umama wakhe mna. Asanda: "say goodnight to tata boy..." Khanyiso mumbled something in baby language. Mandla: "sho ntwana yam. Yakthand utata ne?" He kissed him and left. He loved this. So much, he had a family. A beautiful girlfriend that loved him. And a son. As he walked outside he saw Sino

standing by the gate. Totally ignoring her, he got in his room and locked. Mandla: "ndizoy'khaba ke leya ime kula gate." Khanya: "lonto unesthukthezi baby. Myeke wena. Uphi ukhanya?" Mandla: "umama noAsanda bacele alale kubo.." He took the baby's things to the house and came back to sleep.

Soso was off from work the Monday morning. He took Siphe to school then went back home to his parents. Soma was also there. Dad: "Soso, umqibele nin Lukhanyo? How are they?" Soso: "bendimbone izolo. I took him to church but he didn't like it much." Soma: "oh wow. Why am I not surprised." Soso: "mxxim. Why you so negative towards him??" Soma: "because he's a bitch that's why. How dare he treat his woman like that! Siees. Udenza NAAR. Ingaske ndim'hlohle imeva emehlweni! That fucking idiot! Nxx! Yazi what frustrates me more is that uzibona eyimboza! He does not qualify to be a man!" Dad: "excuse you.." Soma: "what type of person, beats his wife like that ade ayolala esbhedlele? Who rapes their wife? Kutheni engaceli nje! Butt nooo! Kalok yena he's the big boss! Mxim. Ndisezom'khaba anye acule uNdiyakholwa nge Afrikaans zekhe ndim'bone net!" Soso: "awuzoyenza ke lonto. Khona why you so aggro?" Dad: "tshin bethuna, waske wanomsindo waphaphatheka okwe hobe elibon isonka. Kwenzekan ngawe?" Soma: "celu ndiyeke tata! Andiy'thandi abuse. Iyandiphambanisa." He breathed. Dad: "you can't be talking about rape like you're squeaky clean. Because kalok wena nyana wam ungu Mr I am Sonwabise Too. So don't be on that Jesus tip." Soma: "tata, zange ndafostele ntombi mna ba mayilale nam! Zange ndam'lwa umntana bantu! Even noba unoba buza ngoku bonke!" Dad: "still qualifies as rape Somangaye. They didn't know it was You." Soma: "tata. I am still saying, I never forced anyone." Dad: "still." Soma: "mxim, Sonwabise ngak'linge uze naye apha lantwana. Ndiyoy'qhekez indawo. I swear." Dad: "Lubby yena unjani?" Soma: "he's okay." Soso: "just okay! You are sooo.....Mxim man Somangaye!" Soma: "so what!!" Soso: "uthin ngo Lubabalo lo ulele nomfazi ka Lukhanyo!!" Soma: "he didn't rape her though. She knew it was him. Lubby isn't as monstrous as that excuse of wasted space you call a friend." Soso: "Lubabalo is a whole lot worse than Lukhanyo. You're fooled by his soft appearance." Soma: "more like someone I know." He muttered. Soso: "ungak'linge undifanise nala mntu mna. I would never go behind your back and sleep with Thandi. Noba kwenzekani." Soma: "Soso, I am going to stop talking right now. Do the same." Soso: "andizoyenza lonto. I want Lukhanyo to prove you wrong bonanje. He's going to change himself for the better. He's a great guy, he's been through a lot. But he loves his family!" Soma: "been through a lot? I've been through a lot and you don't see me beating my fiance around." Soso: "he had a tough childhood." Soma: "oh really now?? Enlighten me." Soso: "I can't tell you that because its private." Soma: "private? Mxim. More like private lies." Soso: "I don't care what

you think about him. Mna I have faith that he will change. Hlala ke wena and praise your god Lubby. He has no loyalty. No dignity. Kuyo yonke lo friendship'nyana. Watch your back angafuman Thandi wakho." Soma: "ndifuna akukhabe unye lo Lukhanyo wakho. Uzoz'bona iz'pili zikhona." Vuyisile was in stitches. Soso: "worse ba mawuhleke tata iserious le ndaba!" Dad: "nizolwa ngabanye abantu kengok nibe nixhwithana? Ndizonihleka mna." Soma: "mhleke tata! Because usezaw'nyiswa ngula Bhamfuqu wetshomi." Dad: "Bhamfuqu??" He laughed. Soso: "mxim! Kudala wabanomona ngoLukhanyo wena!" Soma: "umona? Daammnn Soso... Daamn." Dad: "you know what I think? Lukhanyo is more like Soma, Lubby fana noSoso. And opposites do attract. Most of the time, so its understandable that Soma likes another version of his baby brother. And nawe Soso, uthanda uLukha who is as headstrong as your biggie." Soma: "andifani nalanto mnaaa!!!!" He was frustrated and angry. Soma: "he is a-" Soso: "before you name him, read John 8:7, go on Soma, He Without Sin Shall Cast The First Stone." Soma: "so its like that?" Soso: "stop judging abanye Somangaye. Reading out his crimes as though you've never done wrong! He is human too!" Soma kept quiet. Dad: "Thank You Jesus for intervening." Soso: "Soma, you gotta stop putting the blame on Lukhanyo. As much as ewrong naye uLubby bewrong." Soma: "you were there Soso, when we found Lubabalo hanging on a thread ngenxa ka Lukhanyo. You were fucking there! He's not even sorry about it!" Soso: "you are impossible to reason with.." Soma: "oh!! But of course you'll take his side because you two are a brother killer combination." Soso: "I'm done talking to you." Soma: "You're fucked up." Dad: "I need a smoke." Soma: "I'll join you ta. Siyek itshom ka Bhamfuqu le. Sezokhatywa ajinge imehlo." Dad: "inyeke ikekele ijonge caleni. Twerking east and west. Masambe." Soma laughed and they walked out. Dad: "kodwa ke I'm not taking your side Soma. As much as erongo Lukha, naye uLubby was acting like a dickhead to him.. Hopefully they will fix this thing together." Soma: "I hope so too ta. Because Lubby uyamthanda uLukhanyo." Dad: "bamba apha." He took out a cigar. Soma: "nanku Nyeke." Dad:"khay'fihle Soma, uzomanzisa ichuba lethu lomntu." Soma: "hayi tata. Ndiyadlala." He lit it up and smoked. Dad: "Duplicate!" Soso: "cela undiyeke tata!" Dad: "yathanda ke u-acter." They walked back inside the house. Soso: "Mom will kill you both." Soma: "hee tata?" Dad: "ha.a khame kancinci...zintoni ezi ziculwa ngu R Kelly ngoku? What went wrong? Nyusa volume Soso!" Soso: "andifuni!" Dad: "mxim." He took the remote from him and started dancing. Soso: "I wonder utata uyoze ukhule xa kutheni?" Vuyisile saw his wife come in the gate. Dad: "Soso, bamba apha ndiyabuya." He gave him the cigar and ran to the bathroom. Mother walked in. Ma: "Sonwabise!! What is this!!!" Soso: "hayi mama, ngutata lona!" Vuyisile walked in. Dad: "what's that smell!!! Sonwabise!" Soso: " hayi tata!!!" Ma: "phumani!! NONKE!!!"

They walked out the house. Soso: "hheee hayini utata!" Soma and Vuyisile laughed outside. Soma: "hayi tata I give up!" Dad: "masambeni, siyobona uNyeke." Soso: "mxim!" Dad: "sizocengeni sonke ke late xasibuya. Mna ndizophatha ichocolate, nina niphathe roses." He dragged his sons to his friends place...

Anele was busy with his financial statements. Lubb: "knock knock." Anele: "heeyy..." He smiled. Lubb: "I need your help with accountants can you refer me to someone reliable?" Anele: "mna ndizophiwa ntoni?" Lubb: "I'll pay you." Anele: "with

what?" He winked. Lubby took a stack of papers off the desk and rolled them up. Lubb: "money. What else?????" Anele: "I don't want money." Lubb: "ndizokubetha kuphel ubumoffie unye kwedin! You gonn help me or Nah??" Anele: "then forget it." Lubb: "you ungrateful little fuck! After everything I did for you?" Anele: " its business Lubby. You trust too much." Lubby threw the papers in his face, turned around and left. Didn't Kabelo have an accounting firm besides the IT company? He sure as hell did. But he wasn't about to beg that idiot. Sebastian called. Lubb: "dad? I'm almost in. I'm outside." Dad: "you need to see this. And explain this shit." He hung up. Lubby went up to his office. Lubb: "what's wrong." Sebastian handed him the iPad. 'Morrison empire being run to the ground by the first born son. Just in a week they have lost a total of R375 560 and still counting. The company has been run by Estella Jose and recently she resigned because of a fight that erupted between she and the bachelor millionaire son. Estella says, 'she is sick and tired of being unappreciated because everything he wants. He gets. Even his brother's wife.' Wow. How does one begin to touch his brothers' property? Well, we tried reaching the bachelor for his comment but as usual, he is unavailable. Wondering in who's bed? Former friend Kabelo Sonjica, claims to have been victimized and is still traumatized by what Lubabalo Morrison has done to him. He couldn't report or speak to anyone for months after it happened. Hospital records prove that the 26 year old millionaire cut his friend and burnt him with salt water... Kabelo confesses: 'I couldn't sleep at night, because I never thought he of all people could do this. I still have nightmares because of that.' Well, seems like our dear favorite chocolate hunk isn't so sweet at all. ' Lubby stared at the article in horror. His hands shaking in anger. Sebastian closed the door. Dad: "son...." Lubby broke the iPad and kicked his glass desk into pieces. Lubb: "who the FUCK!!! Leaked this shit!!!" Dad: "Andrew, calm down. The least you need is another negative comment." Lubb: "Calm Down For WHAAT!!! Nguban lo unesisbindi!! Ndizomnyisa!" Dad: "Andrew!!" Lubb: "no tata!!!" He stormed out the office. Lubb: "SANDY!!! OFFICE. NOW!!!" She dropped everything and ran after him. Lubb: "who have you been talking to?!" Sandy: "nobody sir I swear. I've told them its not true and tried to cover up as much as I can." Lubb: "find whoever did this. Do you hear?" Sandy: "yes sir." Dad: "Lubby-" lubb: dad, ima find whoever did this and break them apart!" Dad: "that is a bad idea. I'll organize a press release to clear things out. You call Bill and explain." Lubby took his phone out. It rang. There were journalists outside the building, camera man. Everything. Lubb: "nobody comes in! Or out! Shut the elevators down!" Sandy: "already done." He answered his phone. Lubb: "yes!" Caller: "Mr Morrison, is it true that you slept with your brother's wife?" Lubb: "who am I talking to?" Caller: "this is Phumla Sebedi, from the Daily News."

Lubb: "okay." He hung up. Lubb: "you're lucky I don't attack women. Nx this little bitch." He called Bill, the phone was off. Lubby sat down on the couch and stared at the mess in his office.. The mess in his life. He dialed a number to lighten his mood. Me: "hello?" Lubb: "hey." Me: "hi..unjani? Why do you sound down?" Lubb: "log on the daily news website. I am fucking up big time apha, thulani and estella pulled out. I am not coping at all. Then some idiot writes about us." Me: "us being ?" Lubb: "sleeping together. NoEstella commented k'lonto, nooKabelo beza nezabo iztory. Everything is just a mess right now." Me: "remember the message you sent me earlier?" Lubb: "remind me?" Me: "Jesus said, I am the light of the world. He that follows me shall not walk in darkness. But shall have the light of life." Lubb: "ndiyabulela..." Me: "don't lose hope okay? Just keep pushing and you'll pull through." Lubb: "I will remember that. Thank you." Me: "I hope your day improves." Lubb: "I'm sure it will." Bill walked into the office. Lubb: "I'll have to call you back okay?" Me: "okay." He hung up. Lubb: "uhm...good afternoon sir." He got up. Lubb: "I'm having my office re-done, can we go to the boardroom instead?" Bill: "what is going on? Tell me that article is NOT true." Lubby couldn't answer. Bill: "you're losing money?" Lubb: "I'm soo sorry Bill. I don't have accountants or managers. Everything is falling apart. Estella literally picked up and left." Bill: "then why didn't you say so my boy? Come..." They walked to the boardroom. Bill: "I'm bringing in my team from London. They'll help you. What happened to the project managers?" Lubb: "my brother is siding with my twin and they've both turned against me. Not that I blame them." Bill: "oh? How sad then because we're suing them." Lubb: "no, no, no, no. Can we not make it worse? We'll find another team." Bill: "its either you're with me, or not. I don't want to pull this Billion rand deal from you. We're suing." He took out his phone and called his assistants. Lubby didn't like this at all. He had to make a sacrifice. The one person that could help him with the company. Or his brother.....

Lukhanyo had landed safely in Madagascar, Antananarivo with his babies. They went straight to their resort. He was not even excited about being here. The flight was long and annoying. They were welcomed by Jacob and Joseph. Wearing white robes standing by the large Aluminium gates. Joseph: "we've been expecting you. Good evening." Luks: "hi. Which way do I go?" Joseph: "left and straight." He drove in. Luhle on his lap helping. Luthando was in the passenger seat, buckled in. Luks got to his room and settled in. Watching the beautiful view to the downstairs swimming pool. He saw a woman who was swimming inside the water. He stood in his balcony and watched. She came out the water and took her towel. He stared at her and shook his head. He had to focus on his task. He walked back in his room and ordered dinner. In an hour he had a class to attend. The nanny came and took care of the babies while

he showered and left for the lesson. He was given a white linen sheet. At least that's what he thought. Luks: "what do I do with this?" Jacob: "wear it and take off your shoes." Lukhanyo wore it around his waist. Then took off his shirt. Everyone sat down in a circle. Jacob: "we have a new member with us today. Please introduce yourself sir." Luks: "uhm, my name is Lukhanyo. I'm from South Africa." Jacob: "lovely! Have you met Lisa? She's also from SA." Luks: "no I haven't." Jacob: "oh, well. Our first task tonight. I want you to write down your name." Lukhanyo wrote his own name. Jacob: "now burn it." They lit their matches and burnt the papers. Jacob: "whatever it is that you wrote starting from now, will not be controlling you. I will teach you peace. Forgiveness. Trust. Patience and happiness. Each one of you grab a partner." The woman Lukhanyo saw before walked in. Jacob: "lisa! Lukhanyo doesn't have a partner. Help him." Lisa: "with pleasure." She introduced herself. Luks: "hi." Jacob: "blindfold your partner." Lisa: "kuzoqala wena ke." Luks: "I do not trust you, uzond'yeka ndiwe wena." She laughed. Lisa: "come." She covered his eyes and they started with their exercise. Lukhanyo struggled and refused countless times. Luks: "uthi mandithinii?? Asoze kanene." Lisa: "look, just trust me." Luks: "I can't!" Lisa: "sokwenza njan kengoku?" Luks: "cingi cebo ke sisi." She pulled him and forced him to complete their exercise. Luks: "uyadika yazi." Lisa: "thank you. Iza..tell me about yourself?" Luks: "uhm...I'm a dad. Just divorced. What else." Lisa: "I have a weakness for beautiful women." She laughed. Lisa: "every man does." They sat down and chatted. Lisa: "nam I'm divorced. No kids though." Luks: "why you here." Lisa: "I have temper issues. I guess you too." Luks: "yep." After they were done they went out to the park. It was dark and had lights all around. He told her his story, she did too. After some hours. Luks: "I have to go, my kids are with the nanny." Lisa: "okay, ndizok'bona ngomso I guess." Luks: "okay." He smiled and walked to his room. Where the kids were asleep.

I heard a knock on the door, it was just after 9pm. I wonder nguban lona. Worse ba I'm so warm under these blankets. The knock went harder. Ndaya emnyango. Me: "ngubani?" Sbosh: "ndim peto vula." I opened for her. Wangena. I locked again and hopped straight into bed. I was in a bad mood. Sbosh: "tshomi uright?" Me: "ndine mood swings mtshan. " She pulled out a KFC paper bag. I opened and found Zinger wings. My cravings 😭:(Me: "enkosi my friend. Yuuuuh!" I hugged her. Sbosh: "my pleasure tshomi. I need advice." She got into bed. I poured us some juice. Me: "what's up?" Sbosh: "the guy we met..Xhanti." Me: "hmm." Sbosh: "he has a girlfriend." Me: "oh. Ukuchazele?" Sbosh: "well, yes. At least he's honest. Bayahlalisana." Me: "so uzothin kengoku wena?" Sbosh: "andiyazi mtshana. I really do like him though. He's sweet and always nice. He's shy and just so romantic." Me: "but he's taken." Sbosh:

"yes." Me: "I can't tell you what to do my friend. But ke if he is doing this behind his girlfriend's back how safe are you?" Sbosh: "but I don't want to drop him." Me: "uzobangu makhwepheni kengok Sbongile?" Sbosh: "andikay'cingi lonto okwangoku. I just wanna sleep this excitement off then ksasa ndizoy'qonda kakuhle lendaba." Me: "well good luck with the decision you come with. Andikho semoodin nyan tshomi. Otherwise bendizok'cebisa kakuhle not lempepho ndiy'nyayo." Sbosh: "you really miss him ne?" Me: "yuuh Sibongile." I wanted to cry but held myself together. Sbosh: "uqibele nin uthetha naye?" Me: "emini." Sbosh: "did you tell him?" Me: "no, his company is doing badly. I don't want to put pressure on him." Sbosh: "that might motivate him. Izomenza happy." Me: "or depress the shit out of him because use kaken already." Sbosh: "hayi man Lihle. Zothula kengok angayazi?" Me: "can we not talk about this?" Sbosh: "okay ke." I switched off the light and we slept. The next morning I woke up a bit late. Showered and got dressed. Sibongile made breakfast. We ate quick and I left for school. She went to her place then work. The days dragged on, Lukhanyo called once a day to update me on the kids and what he did. There was something new in his voice. It was Peace. I was happy for him. Luks: "uhm, Lihle. Ndicela into ne..." Me: "aren't you supposed to be coming back tomorrow. what's that?" Luks: "I decided on staying another few months." Me: "hayi Lukhanyo! My children? You're being totally unfair right now." Luks: "babe pleeeeaassee! We're doing great here and they miss you but...you know." Me: "I miss them too Lukhanyo. You can't keep them forever, we're supposed to share them." Luks: "and we will. Just give me a month. Bendithe kuwe iza awafuna." Me: "no, just kiss them for me. Tell them I love them." Luks: "okay then night." Me: "bye." I hung up. I felt soo sad. I wasn't going to see my children for a full month! I took out my books and started studying. Mandy called. Mandy: "peto! Masiphume. Kwa Gqalane or kanjan?" Me: "kanjan tshomi. I'm not in the mood." Mandy: "we'll brighten it nje?" Me: "I'm pregnant Mandy. Suppose ndilapha endlin not out there looking for God knows what." Mandy: "peto could you just for once forget about Lubabalo! Uz'vise kamandi?" He hasn't called since Tuesday. It was now Sunday. Me: "Its not about him. Lukhanyo is keeping the kids for another month in another fucking country!" Mandy: "shame man. So uzothin kengoku?" Me: "does it seem like I've got options Mandy??? I'm not in the mood to celebrate ke because my life is a complete fuck up. Have yourself a nice time." I hung up then carried on studying. I missed my cousin, but ke ungulo aske atshintshe ndingayazi kuthen. Plus it was already late. I hated being alone, but it was something I was getting used to everyday. The baby was okay at least. Meanwhile Sbosh was with her new man, Xhanti, his friends and Mandy. They were at Kwa Gqalane having a few drinks and talking. Xhanti held her hand walking to the car.

Xhanti: "bayathand thetha ikaka ke xabe nxilile." Sbosh: "yeah, I see that. Wena kuthen uthule?" Xhanti: "because andithand thetha." Sbosh: "even xa usele?" Xhanti: "nah..." He leaned on his bmw and kissed her. Xhanti: "yazi umhle? Have I told you that before?" She blushed. Sbosh: "nawe umhle. Thank you." Xhanti: "khazapha ke..." They got in the backseat and played around. Situation started getting hard. Sbosh: "uhm...asizokwazi ke ulala bhutiza. Andiyiyo loo-type." Xhanti: "khanditsho nam. I just wanna...." He held her breasts, playing with them. Sbosh: "yagula wena yazi." Someone banged on the window. They both looked. The door flew open someone grabbed Sibongile's hair pulling her out ngenkani. It was a woman. Xhanti: "Lerato!!!" Lerato: "fokof mngqundu!!! Indoda yam lena!" She kicked her, slapping her, fisting and everything. Xhanti pulled her away. Kwangena friends zakhe ku Sibongile. Lerato slapped Xhanti. Lerato: "yinton lekaka undenza yona wena!" Xhanti pushed her aside and picked Sibongile up. Lerato: "usuke kuye Xhanti! Singeka lwi." Sbosh walked away immediately. She was embarrassed and heartbroken. But she knew that he had a girlfriend just didn't know she was that crazy. Mandy was with Sibahle inside. She sat with them and kept quiet. Xhanti rushed in. Xhanti: "baby mamela." Sbosh: "undiyeke net so!" Xhanti: "ndicelu xolo love, please just listen!" Sbosh: "ungayi ku Lerato wakho nje?" Mandy: "kwenzeka nton ngoku?" Xhanti: "baby wam." She ignored him and carried on drinking. The tavern was getting full. Sbosh: "Mandy khandise kuLihle. Ndigrand mna yile ndawo." Xhanti: "ndicela ukusa? Sibenothetha?" Sbosh: "ungu Mandy?" Xhanti: "hayke Sbongile fondin. Give me a chance to explain?" Sbosh: "I already got an explanation thanks Xhanti!" She got up and walked out. Mandy followed. Xhanti went after them. Lerato was waiting by the car. Lerato: "anganyaaa!! Uzokhwela phi?" Xhanti: "fondin gayek ez'nto zobupatazane!" Mandy gave Sbosh the car keys. Sibongile unlocked the shiny car, and got in the driver's side. Woma umlomo kuLerato. She: "right ahambe kaloku. Not ngeye ndodam qha!" Xhanti: "ayise phantsi le shit undenzela yona Lerato! Yinton ngoku." Sbongile drove off with Mandy. Lerato: "tshin Xhanti uyandiphambanela! Ngenxa ndingena mali ndiphangela kwa Spar utya amankazana aqhuba iimoto ngoku?" Xhanti: "andimtyi baby lamntana. Uzizele kum." Lerato: "kodwa nihleli emotwen yakho." Xhanti: "bendim'chazela ba ndinawe njena." Lerato: "xhanti mna ndiyakuthanda and difun uku loser. Yeka lento yakho yothanda amacherrie." Xhanti: "xolo babes, ndik'goduse?" Lerato: "hayi! Ufun uleqa impundu ngok? Phambene rhaa. Sihamba kunye." Xhanti breathed in anger silently. Sibongile arrived at my flat with Mandy. My eyes were swollen from studying. And I had a test tomorrow. Company was the last thing I needed. But they looked upset. Me: "kwenzeke ntoni ngoku?" Sbosh: "ayo cheri ka Xhanti. Sies.." Me: "uxolo tshomi." Kwabe sekukhala ne phone yam. Me: "yes?" It was

Namhla. She was panicking. Namhla: "mntase! Ndicela uze torho, usis Thenji uwile!" I hung up the call and got dressed immediately. Mandy: "siyaphi mtshana?" Me: "ekhaya peto." Mandy: "qhuba ke my friend." She handed me her keys and I left soon after. I got to Motherwell as soon as possible. Imagining the worst. Ndangena eleli ebhedin. Ma: "yuuuh mntanam isinqa!!" As annoyed as I was. I kept calm. Me: "mama! Kuthiwa uwile!" Ma: "ewe, ngoku, ndiyaqaqanjelwa. Khandenzele into yophunga sisi." Me: "I was studying!!! Why couldn't you just say this over the phone!!" Ma: "hehake Lihle. Kuthen uthetha nam oluhlobo nje?" Me: "uphi uNamhla?" Ma: "besandophuma." I went to make her tea. Ndingcangcazela ngumsindo. I tried my best to calm me down. Ndayomnika tea yakhe and made her comfortable. Me: "mama, funeke ndibuyele flatin. Ndiyabhala ngomso." Ma: "hayi lihle awunokwazi undishiya ndodwa apha." Ndatsho ndatyhafa. I went to bed and lay there in the dark....

Lukhanyo was up early the next morning he had completed his week program and decided to help out for a couple more weeks. He enjoyed being there. Especially with Lisa. Luthando was a bit quiet that morning. Refusing to eat or drink his milk. Instead he just sobbed quietly once in a while. Luks: "utheni kengoku Luthando? What's wrong?" He picked up his son and bathed him. Then Luhle. She seemed more mature than her big brother. Obedient and sweet. Lukhanyo dressed them and they left for the picnic meeting with Lisa. She brought a basket of lunch juice and snacks. Laying a blanket on the floor. Lukhanyo put his kids down and they sat. Lisa: "abase bahle man...this one is a daddy's boy ne?" Luks: "ukhumbula unyoko. Ndiyamaz ubane tricks xa em'khumbula." Lisa: "that sweet. So, when are you heading back to SA?" Luks: "I'm still enjoying this little haven. Its beautiful. Nawe umhle...actually you're flippen gorgeous." Lisa: "thanks." Luks: "you don't believe me?" Lisa: "well, its a bit difficult to trust for me. Amadoda are just...." He kissed her lips. Luks: "are just what?" Lisa: "uhm...well...I kind of gave up finding the right one. And now you're here, can we just take it slowly? As friends." Luks: "as friends? Why so?" Lisa: "because I want to get to know you." Luks: "okay. I understand then. Where is your family?" Luthando lay on the blanket. He couldn't breath properly, he made no sound at all. Just struggled to get up. Luhle kneeled next to him, Confused. She held his hand then lay next to him. Luhle: "dadaa." Luks was still talking to Lisa, mesmerized by her beauty and humbleness. Lisa: "wena eyakho dan iphi?" Luks: "I don't have one." Lisa: "bayephi?" Luks: "my parents are deceased. My grandfather and grandmother bahlala kude kum. My uncle is in jail. My brother is deceased and the other one we've disowned each other." Lisa: "why?" Luks: "a lot of things. Unforgivable things he did to me that I can't ever forget." Lisa: "that's not healthy Lukhanyo. He's the only you have left." Luks: "I been on my own before I met him. I'll be doing me from now on

andizophuma s'fombo." Luthando finally gasped out loud. Lukhanyo looked at him. The boy could hardly breath. He started crying. Then screaming. He was suffocating. Luks: "SHIT!!!" He picked him up and ran to the car. Luks: "Please look after my daughter!!!!" He drove off to the nearest hospital. The nurse took the child. Luthando finally stopped screaming. Luks: "luthando!! Baby? Luthando wake up!!" Nurse: "Sir, please wait here." They left with the little boy in a hurry....

Chapter 583

Hours later Lukhanyo went in to see his son, he had a mask over his nose and mouth. Luks: "my boy.....don't you ever, do that to me! Kuthen undothusa kangaka nje? No man kwekwe." He held him in his arms knowing fully well he couldn't tell Lihle. She would be really angry and blame him. Luks: "I'm sorry ndoda...but its not working out this time. Funekile sixole kalok somelele and move on. Ne? You'll get to see your mommy all the time you like, nam whenever you want. We both love you. And we always will." He lay back on the chair singing him to sleep. They both fell asleep. Lukhanyo was woken up some time later. Luks: "yoh..." He put Lutha back in his bed. Luks: "sorry. I'm just a bit tired. Can I take him back?" Doc: "we're keeping him over night. So you'll be able to take him tomorrow. He had a minor asthma attack, just please keep an eye on his at all times." Luks: "I will." He kissed his son and went back. Lisa was with Lihle by indoor garden. Luks: "hey." The baby got up and walked to him. Lisa: "how is he?" Luks: "he's fine at least for now. Thank you for looking after her." Lisa: "its a pleasure, I think uyozela though." He picked Lihle up and took her to the nanny. Lisa walked with him. They got to his room alone and sat down. Lisa: "what's wrong?" Luks: "I really love my son, but he always does this trick when I break up with his mother. Funny enough, he didn't do it ndino Dumisa." Lisa: "maybe its because he's in another country. Oko efikile nje uyatsho nawe akanguye." Luks: "yyes, he's usually bubbly and happy always laughing but ngoku. Ndiyamazi ufuna ndibuyele kumamakhe." Lisa: "uqibele nin uthetha nomamakhe?" Luks: "some time back, ndim'chazela ba asizobuya kwangok." Lisa: "wathin?" Luks: "she tripped. Qha ke wade wavuma." Lisa: "the boy is connected to his mother, she's probably upset kuba engazoba bona." Luks: "maybe we should just share the twins." Lisa: "how?" Luks: "Luthando ahlale nomamakhe. Lihle ahlale nam." Lisa: "separating siblings has never been a good idea. Worse yintombi ne kwekwe." Luks: "bazohlala kunye each and every weekend bazane ngama wele. They'll choose when they're older bafuna uhlala

naban na." Lisa: "eish, andazi. Talk to their mom." He pulled her shirt and kissed her. Holding her. She felt warm inside. Lisa: "I said we should take it slow.." Luks: "we could take it as slow as you want, I just wanna let go of everything and love you. Ndikuvise kamandi." Lisa: "abantwana?" Luks: "they're both well taken care of. My baby will be fine." Lisa: "okay." She couldn't resist his kiss. It was playful yet serious. Soft and tender. Luks: "oko use ngqondwen yam Lisa...this whole week, and you're the reason I want to stay. I want to try something different. Something new. I just wanna take care of you.." Lisa: "I just hope you're not going to hurt me. I've been through it all trust me." Luks: "I know how you feel. Nam I've felt pain. And I don't want to feel it anymore..let's give it a try?" Lisa: "okay.." He kissed her to his bed. Then lay down. Taking off her shirt. Lisa: "not right now baby..there's no need to rush it." Luks: "for sure." His phone rang. Luks: "Lihle?" Me: "hi unjani." Luks: "I'm doing well wena?" Me: "amazing, what are the kids doing?" Luks: "bahleli nje." Me: "oh, khanike Lutha ifone. I just wanna hear his voice." Luks: "uhm, they just fell asleep. Naba bepoqe pha phantsi.." Me: "ohh, well can you at least take pictures and send them?" Luks: "damn Lihle. Yuuuh!" Me: "is there something you're hiding? Kuthen ungafun undichazela ngabantwana bam? Where are they?" Luks: "but babe, you're gonna yell at me!" Me: "where the hell are my kids!!!!" Luks: "uyaz'bona ke Lihle! Sow'qalile! Andithi balele? Ufuna ndithin?" Me: "take pictures!!! How fucking difficult is that!" Luks: "yazbona ba uyandithuka!" Me: "andithuki wena! Just....." I breathed. Me: "I miss them soo much Lukhanyo." Luks: "I know, and they miss you too. Especially Lutha." Me: "ne? Umbone phi ba uyandikhumbula?" I smiled. Luks: "he's just grumpy a lot uyamaz mos." Me: "oh bethuna. Yena uLuhle? How's my baby girl?" Luks: "she's great." Me: "okay. Nithe nizobuya nini kanene?" Luks: "in about a month or two." Me: "kodwa you're making me miss out on my kids. Worse ba I won't get to see Lutha start walking. Or Luhle to start talking." Luks: "I'll send you their video's." Me: "okay, fine. Program yakho uy'qibile?" Luks: "yep. Ndiqala enye ngoku." Me: "as long as its helping." Luks: "yeah. Wena unjan? How's the unborn?" Me: "uright. Me: "they both sound nice, but what if yintombi?" Luks: "uhm.... Bubele?" Me: "I'll think about it." Luks: "I still think Lulonke sounds gangster as hell and I like it." Me: "oh? Andil'fun for lo piece." Luks: "Luthandoluhle Lulonke. It sounds appropriate. Since Lwethu left...us too early." He whispered. Me: "yeah." Luks: "we'll talk later." Me: "bye." He hung up. Luks: "sorry about that." Lisa: "she's pregnant?." Luks: "yeah but its my bro's baby." Lisa: "how are you sure?" Luks: "because khange andixelele. If it was mine, she would say so." Lisa: "ayikho valid le point uy'thethayo." Luks: "let's

Not ba ude uncume ugigitheke efownin." Luks: "I didn't mean to do that boo, come on Lisa, bethetha ngabantu bakhe qha." Lisa: "I hope that's it." Luks: "I promise you it is. Please don't go?" She sat on the bed with him and they talked....

Tuesday afternoon. Lubby met with Bill's new project management team. Natasha was the manager. The accountants came in too and started working immediately where Sandy briefed them on everything. The stress was being narrowed down. Lubby's office was under renovation. He used the boardroom to work. Belinda walked in. She was from the new teams. Lubb: "can I help you?" She was wearing a short tight black skirt and a white shirt tucked in and platform heels. She sat on the desk crossing over her legs. He looked at her thigh then her face. Lubb: "hello??" Belinda: "hi. Thought I'd introduce myself since kukho rush apha and we not well acquainted. I'm Belinda." He went back to his work. Lubb: "I am Quite Busy. But appreciate your effort thanks." Belinda: "do you need help." Lubb: "no I'm fine." Belinda: "drinks later?" Lubb: "no thanks." Belinda: "so you're not married?" Lubb: "how is that any of your business?" Belinda: "I'm just trying to get to know my boss." Lubb: "no I'm not. Any other questions, please ask Sandy, like I said. I'm BUSY. Yes?" She got off the desk and walked out. Natasha stood in front of her outside. Natasha: "what do you think you're doing?" Belinda: "securing my job. What does it look like?" Natasha: "stay away from him!" Belinda: "make me." Bill stood next to them. Bill: "what is going on?" Belinda walked away. Natasha: "nothing sir." Bill walked into the boardroom. Bill: "hee mfo. Kuliwa ngawe apha phandle." Lubb: "nguban ngok lowo?" Bill: "hayi uyayaz wena busenza nton." Lubb: "heee andenzanga nto nje." Bill: "hahaa! I'm just playing with you. Yawaz amacherri aybone nje ephephen kusithwa 26 year old millionaire. Lubb: "its just that I don't want to...I'd rather be alone." Bill: "how come?" Lubb: "Bill, can we please find a way around suing Thulz? He's just hurt by what he saw and he's young lamntu akazazi wenza ntoni." Bill: "then he's going to learn the hard way!" Lubb: "please Bill. If I could jus-" Bill: "Morrison, the reason why I want you to work with me is because I know you're good at what you do. You have the craziest plans and I like how you think. I will not let stupid little boys hurt your company because for the next few months I'm part of it! Whatever you did with whoever's wife even my own, I don't give a fuck ok'salayo sayenza siy'qibe le project! Are we clear?" Lubb: "crystal. Uhm, about your wif-" bill: "don't worry, she already told me what she tried to do. And I appreciate your loyalty to me but ndicel ubuza

you have loads of women who want you badly. Brazilian beauties, with gorgeous bodies. Black, white, indian. All of them. Kodwa WHY lona! Why her?" Lubb: "its too complicated." Bill: "we have a lot time. The teams are doing the work, so now ungakwaz uphola." Lubb: "Bill, I just love her. And andikwazi umyeka. I thought this ridiculous crush ended some time ago but akhonto yam ilastayo! All my relationships fail kakubi." Bill: "its because you expect women to be like her. Awuziboni iflaws zakhe ubona ezabanye qha." Lubb: "but we can't be together. Yilento ndingasenawo namandla nje. Because all my efforts are down the drain." Bill: "pity ungu mxhosa. There are cultures that actually let it happen." Lubb: "no Bill, there aren't." Bill: " the brother takes the wife....if the husband mysteriouslydies." Lubb: "only if he dies?" Bill: "yep. But in any case how far are you.." Lubb: "close enough..." He whispered deeply in thought. Bill: "I hope you're not thinking what I think you're thinking." Lubb: "nah Bill. I love Lukhanyo too much but I hate what he did to her. She is damaged because of him!" Bill: "and you want to repair her?" Lubb: "I want to show her love." Bill: "then what are you waiting for?" Lubb: "until she's sure enough and strong enough. I want her to be ready." To heal." Bill: "enough! Damn Lubby. Good God. I don't wanna hear anymore love talk. Yuuuuh next thing ndizobhuda ndithi ndiyamthanda uPumeza. Let's carry on with our work." Lubb: "kanti?" Bill: "having a wife une mali. Is actually the greatest accessory. It shows responsibility and power." Lubb: "but what's marriage without love." Bill: "uyandixaka lubabalo. No honestly." He took the papers. Bill: "you need to flush her out of your system man. On a serious note, I've called and organized a group of lawyers. They're here. We're meeting them at 15:00pm. Then you and I are having dinner at 6 bring a partner." He got up and left. Lubby read a message he'd just received. It was a prayer from his mother. He smiled and got ready for his meeting.

Jeff stormed into Thulani's office angry as hell. Jeff: "what the fucking hell have you done!!!!" Thulz: "nganton ngoku tata?" Jeff: "since when do you make decisions of pulling out a Billion rand deal for our company!!" Thenjiwe walked in. Thulz: "tata, I am not about to work for a bastard that can't keep his pants on." Jeff: "you're talking shit! Ingenaphi lonto Thulani!! Ingenaphi!" Thulz: "have you seen the news lately? His company is going bankrupt, you wait and see!" Jeff: "bad publicity happens to everyone! Lubabalo is a public figure and uyaziwa ngabantu! He is a well known business man, engineer and comes from a family of millionaires. Everything he does, is taboo! Watch him sneeze and you'll see another article about how his germs dance in the air! Because he's just that rich. His company isn't failing at all. Obviously its not heaven, akhondi oko, it will fluctuate! NOW, Bill Sangane is backing him. Do you know what that means. Thulani, we are being SUED! By one of the most powerful

men in the continent." Thulz: "akana right yokwenza lonto!" Jeff: "he is well within his rights Thulani. I can hardly negotiate with his lawyers! They will screw us over big time or shut us down." Thulz: "but...." Jeff: "you have created a huge mess kodwa T-man. Before big decisions, you must speak to me! Now instead of making money we're losing it. Bill is gonna fuck us up badly son." He walked out thenjiwe followed him. Thenji: "honey, ndik'phathele ilunch." Jeff: "I'm not hungry." Thenji: "kodwa ke its your fa-" Jeff: "my company is about to shut the hell down. Food is the last thing on my mind right now!" Thenji: "awuzokwazi ubathala la fine dan?" Jeff: "no matter how much money I may have Thenjiwe. Bill Sangane will always have billions more. Fana nje noLubabalo. Bakhona abantu ongakwazi ukulwa nabo financially and those two are not the ones. Bayondihlafuna without effort." Thenji: "lo Bill, utshate nomntana ka brother wam. Ndizom'fownela uthethe naye kakuhle." Jeff: "that will make matters worse. You don't know how powerful Bill is. Contacting him could send me to court because I'm not allowed to speak naye." Thenji: "oh. Ndingak'nceda njani ke?" Jeff: "start by letting me do my work. I will call you later." Thenji: "utsho oko Jeffrey and you never do." Jeff: "I am sorry sthandwa. But as you can see, kubusy apha ku worse ngoku. Ndicela u-understand. Should I call someone to take you home?" Thenji: "ewe, but bendifuna uqala eGreenacres, ndithenge grocery." Jeff: "bamba apha, ndizophuma ndize kuwe namhlanje." He gave her his card. Thenji: "why?" Jeff: "ndifuna uzi spoile. I can't come with because as you know my current situation.". Thenji: "ha.a I'll use eli lam." She kissed his cheek and walked out waiting for her driver.

He drove to Greenacres where she went to the Standard Bank atm to withdraw money. It refused so instead she went shopping. Buying a trolley of grocery then paid. The card was declined. Thenji: "let me call my son, uzoy'lungisa yonke. I'm sure." She called Lukhanyo, he was in a lesson. The phone was off. Then Lubby. He answered. Lubb: "molo ma." Thenji: "Lubabalo, I cannot access my funds ndilapha kwa Shoprite kwenzekani?" Lubb: "uhm, mama, ndingenaphi mna? Khangе uthi awufuni nto kum?" Thenji: "nguwe umntu owathi mandiyek uphangela!" Lubb: "because you were sick, and I said I would take care of you mama." Thenji: "and then?" Lubb: "and then you sold me out." Thenji: "mos birongo into oyenzileyo kuLukhanyo." Lubb: "ma, ndiyayazi ibirongo into endayenzayo. Kakhulu. I admit to it. Kodwa ke Lukhanyo ebemphethe kakubi umntanakho. He treated her like his slave, embetha, and abuse her! He raped her more than once! Killing ispirit sakhe! Now I know it is wrong but ndiyamthanda uLihle, ayizojika leyo. But lukhanyo naye makakwazi ucela uxolo. Instead he's blaming thina sodwa and its a bit unfair. I will send you the money futhi because I don't want you bothering her! She has been through a lot and the last thing

she needs is more pressure from You!" He hung up. Letting her digest the new information. Why did Lihle not tell her this was going on? Why ethule kangaka? 20 minutes later, her phone beeped. That was quick. R20 000 was in her account. She paid and went straight home to call Lihle. I was in a lecture just after a test. And I was in a great mood. My phone vibrated I couldn't answer because Damian held out his hand ndamnika. He rejected and we carried on listening. After the lesson we went out to lunch. Damian: "how was the test?" Me: "I killed it." Damian: "you cold blooded murderer." We laughed and high fived. Damian: "its great to see you laughing Lee. I was a bit worried." Me: "nah, I'm cool actually. How's you?" Damian: "arrrg! My dad and his damn controlling wife. He's back here in P.E with Linda, and I am really sick and tired of that superstar wannabe. She's always talking like, Oh ma Gwarsh, omg! Like totally! It drives me the fuck insane!!!" I laughed. Me: "give her a break." Damian: "her voice annoys me! Just her breathing, fuck damnit. Anyways, how's the baby?" Me: "he or she is doing great actually." Damian: "have you told the father yet?" Me: "its better this way. I can support my child by myself." Damian: "he has a right to know. I, personally. Would flip a bitch if a girl didn't tell me she was having my child." Me: "the father of this child already knows, he is just denying and can we not talk about him?" Damian: "okay, don't bite my head off. Eat up, we're going to class in 10 minutes." Me: "the group assignment?" Damian: "we can start tonight. Rene is coming over too, I've told Tash and Tshepo we're all meeting at my place." Me: "time?" I munched down my burger. Damian: "18:30pm." Me: "okay, cool." He had dyed his hair blond. Which made his eyes look brighter. He had grey eyes. Me: "your hair looks nice." Damian: "do you wanna touch it?" I touched it. It was soft and nice ngathi ngu nopopi. Damian: "you gonn dye yours blond too right?" Me: "caramel." Damian: "great! So we can look like twins." I laughed. We went back to class for our lecture. After 4 I went straight home. Damian went back to his flat and ordered pizza for everyone. Something vibrated in his pocket. He picked up. Damian: "yes?" Lubb: "who the hell is this?" Damian: "uhm. Its Damian, you are?" Lubb: "where is Lihle?" Damian: "she forgot her phone while we were at school. So she went home. But we're meeting up for a group assignment later. " Lubb: "oh okay. Well tell her to call me then, thanks." He hung up. An hour later, Rene arrived. I got there just after 6pm and he handed me the phone. Damian: "your boyfee called." Me: "don't be ridiculous I don't have one. Can we get started?" We sat on the floor with Rene to help us. My phone rang again. Ndingese dikwe. Me: "hello!!" Ma: "Lihle, ndicela uze apha endlin kukho imeeting." Me: "no mama I'm not coming. I'm busy with a group assignment." Ma: "this is important Lihle. Nceda ufike." I hung up. Rene: "I'll take care of your space, Go." I got up and took my back. Got a taxi to Motherwell ndafika bonke behleli

I took my bag and walked out. I need to go and study. Aint nobody got time for this. No. Not Today.

4 months later.

Asanda and Thando were together in a bnb. She was now 9 months pregnant. He was next to her, kissing and fingering her. Asanda: "baby please..." She moaned. Thando: "awuse manzi babes. Damn!" Asanda: "faka kalok.." Thando: "andifuni nje..." He loved watching her face while he circulated her clitoris. Asanda: "Thando man!!" Thando: "kodwa mntu wam the baby." Asanda: "she'll be fine! Doctor says its perfectly safe." Thando: "know what he said, but ndiyoyika." Asanda: "hayi thando." He kneeled in between her legs. Asanda: "yes mntu wam...iza." Thando: "kodwa wena baby. Ai mxim." He entered himself and gasped out loud. Holding himself up his hands on either side of her. He pushed himself in deeper and gentle. Asanda: "yes!! Oooh baby!!!" She screamed. Asanda: "Thando!! Yes!!!" After a while he was about to climax. His thumb rubbed her clit and she screamed. Thando: "come on baby...citha!" She opened her legs wider. Thando: "Yes!!!" She orgasmed first and he followed. Thando: "yoooh madoda." Wiping her clean. Asanda: "let's take a shower instead." They went for their shower, kissing and chatting under the water. They dressed in their pajamas and went to sleep. The next morning she woke up having cramps. Asanda: "ouch!!" Thando woke up. Thando: "yinton Asanda?" She got up and her water broke. Asanda: "baby, your daughter is on her way." Thando smiled and jumped up. Thando: "baby, jonga, I want you to relax! I've got this. I've been preparing all these months. Ndifunde kwi internet that we still have a lot of tim-" Asanda: "Stop Talking thando!!" He went to ran her a bath. Thando: "iza baby." Asanda: "Hayi Thando! HOSPITAL!!" Thando: "okay! Lemme call ubhuti." He called his brother. 20 minutes later Lungelo arrived. He drove them to the hospital. Thando was bubbling in excitement. Couldn't even control himself. They went in to the ward checking Asanda. Lungelo: "kwedin uright?" Thando: "ndizoba ngutata bhuti." Lungelo held his hand. Asanda's mother and Mandla arrived. Ma: "molweni!" Thando: "molo mama." He smiled. Mandla: "awusa shine ubuso. Utheni?" Thando: "heee ubhuti." They waited together outside for a couple of hours. Thando heard Asanda scream his name. Which was a bit awkward for him. Lungelo: "wahlala phantsi ubizwa?" Thando rushed to the room. He was scared and excited he was finally going to meet the miniature version of him and Asanda. He was given something to wear and entered the room. Asanda pushed one last time. The doctor held the baby as she cried. Thando took her in his arms. Thando: "hello sthandwa sentliziyo yam." He kissed his daughter and sat down. The doctor gave him a couple of minutes to bond. Asanda: "yuuuh mntu wam, ayise bhulngu punany yam." Thando: "kodwa kuphume into entle jonga." He showed her the baby. Asanda: "what do we call her?" Thando: "Sisipho. She's a gift." Asanda: "uphi umama?" She came in and saw the baby. The doctor and nurses left with Sisipho. Ma:

"ubhuti wakho usayothengi mpahla." Asanda: "gama ngu Sisipho ma." Ma: "heee, senindi khiqa na?" Thando: "hayi mama, wena kufuneke umthiye first name yakhe. For us, I feel she's a gift." Ma: "that's what she is mntanam." Mandla: "makabengu Mandlakazi." Everyone laughed.

I was in my flat. Saturday morning I cleaned the whole place up. Now I had a couch and table. It looked more like a home. I changed all my linen and washed my windows. Ndade ndavasa and got dressed. I had to attend a friend's kid's party. Ndisa uChuma with Sbosh. I wore skinny jeans and a black long sleeve elmer. A grey sweater phezulu. I kept my hair very short and well maintained because I needed a fresh new start. At least I was making a lot of money with the business and I was comfortable. I wore the white All star sneakers ndajija nwele zam ezi gold, had little dreads. Mandy said I looked weird. Since I was a weave person. But I like this look. Especially the color. I heard a knock on the door and went to open. Luhle stepped in. Me: "sweety!!" I picked her up and kissed her cheeks. Luhle: "mama." Me: "hello my angel." Lukhanyo walked in carrying a sleeping Luthando. Me: "lonto uyalala unyana maan!" Luks: "morning." He kissed my cheek and walked in. Luks: "kudala ehleli. The whole flight here. How you doing? Siyak'fanela isusu maan." Me: "hayi mpa tshi." He laughed and sat down. Luks: "Luthando?" Lutha: "hm?" Luks: "vuka kwedin nanku nyoko." He opened his eyes and gave me a look. Me: "hello my boy. Khaze ndiphuze." He blushed and hid his face. Luks: "unje ke. Yoh akaloqi man. Ayivakali nalento ay'thethayo. Ndiva 'tata' 'mama' qha." Lutha sat up and crawled on the couch. Me: "hayi ndoda, umdala kangaka kodwa awukahambi." Luks: "kukonqena. Khangе angakwazi." Me: "noba bum'betha wena umntanam." Luks: "andizonga bethi xa egeza." Lutha sat on me holding the tummy. Lutha: "khamphe mama?" Me: "inton baby? Ibola?" He nodded. Me: "ayobola nje ngu baba ka mama." Luhle: "ubaba." She pulled up the sweater. Me: "ewe mntanam. Ngu baba." They rubbed the tummy together. Luhle poked it. Lutha scratched gently. The baby kicked. They both giggled. Lukhanyo sat in the corner by himself. Me: "you okay?" Luks: "yeah." Me: "ngok wahlalela kude?" He didn't reply. Oh well, maka khedame ke sana. At least we were civil with each other. Me: "sow'yile kumama?" Luks: "no, ndizoya ngoku. With the kids then I'll bring them back tonight." Me: "well, to warn you, mama knows everything and she is going to grill you ndlela le anomsindo ngayo." Luks: "yilento she's ignored me for these past months?" Me: "yep." Luks: "Lihle." Me: "hm?" Lutha was standing on my lap, kissing my face. Luks: "I know that I have hurt you more than I can never imagine. I have had time to deal with my shit and ndicela uxolo. I am deeply sorry for all the pain I've caused you. I didn't do it on purpose. I didn't do it because la Dumisa played with my mind, but because I was a coward." WOW 🤩:o I

never thought I'd see this day. Me: "I forgive you Lukhanyo. I'm glad you're a different person." Luks: "enkosi. I didn't think you'd accept it that easily." Me: "I forgave you a long time ago Lukhanyo, for me to be happy and move on, I had to." Luks: "that means a lot. Ndiyakwaz phof you've always been the understanding type. Thank God for that." Me: "yeah." Luhle's head was on my tummy, falling asleep. Luthando sat next to me, playing with his fingers and buttons. Luks: "ungandithuki ne." Me: "uyawenzi?" Luks: "luthando ebenga philanga. A few times. But I got him a good doctor wagrand." Me: "don't hide such things from me Lukhanyo. Please." Luks: "askies, ndicela sithethe?" Me: "kanti ngoku senza?" Luks: "about Lubby." Me: "what about him?" Luks: "have you seen him or spoken?" Me: "he relocated to Cape Town. But uyafowna." Luks: "oh." He swallowed. Me: "uyathetha wena naye?" He shook his head. Me: "then call him." Luks: "No. Its better this way. How do I face him? I just can't." Me: "oh. Okay." He got up and took Luhle. Luks: "I'll be back with them later." Me: "ufowne ke because I don't know what time I'll be back." I got up and walked him to the car. Wangena wahamba. I couldn't wait till this evening to spend time with them. I took my bag and left to fetch Chumani..

Lubabalo was at the office that Saturday afternoon. Natasha came in the office. She was wearing a short dress and sandals. Lubb: "what are you doing here?" Natasha: "let's have some lunch. You stress yourself too much." Lubb: "I was at the brink of losing everything just a few months back. SARS is keeping a close eye on me." Natasha: "but you're up to date." Lubb: "and I plan to keep it that way." She sat on his desk. Natasha: "I'll wait." Lubb: "Natasha you're wasting your time honestly." Natasha: "Lubby, are you gay?" Lubb: "why would you even think that? Matter of fact, yibambe apho I don't wanna know." Natasha: "you've been rejecting me since I got here, or are you with Belinda?" Lubb: "look, Natt, you're beautiful. Okay? I'm just not interested in any one of you. All of you. Please tell the girls to leave me alone. I am not gay either!" Natasha: "then what's wrong?" Lubb: "nothing!" Natasha: "oh. Is it something wrong with me?" Lubb: "I would rather not mix business with pleasure. Last time that happened. It blew up in my face." Natasha: "I'm not that type. She just wanted your attention. Why would you run to newspapers when things go bad." Lubb: "I wouldn't know." He packed up his things. Natasha: "can we at least have drinks?" Lubb: "nope." He smiled and took his bag. Lubb: "after you." She walked out, lubby locked his office and drove home. He called Lungelo. Lubb: "hello? Lungsta?" Lungelo: "hi, ugrand?" Lubb: "ndishap awti. This is the first time I'm relaxed in quite a while. Banjan abantwana?" Lungelo: "they're doing great. Babalo is standin apha, did you get the pics?" Lubb: "yeah, ndiz'fumene. They're amazing. Ndiyabakhumbula." Lungelo: "at least you make time even though you're busy." Lubb: "yeah, uhm.....umqibele nin

uLihle?" Lungelo: "oh yeah! She visited izolo. But khangahlale she had an appointment ne gynecologist." Lubb: "for what?" Lungelo: "erh....you don't know?" Lubb: "would I be asking if I did!!!" Lungelo: "she's pregnant Lubby." Lubb: "what?" Lungelo: "I honestly thought you knew." Lubb: "ima have to call you back." Lungelo: "lubby please..ju-" lubb: "ima call you back!" Lungelo: "Lubabalo!!" Lubb: "how could she lie to me all this time!" Lungelo: "talk to her mjita." Lubby hung up. How? Why did she hide it from him? Sebastian walked in. Lubb: "dad." Dad: "what's wrong?" Lubb: "I have to go." Dad: "son? What's going on?" Lubby took his keys, phone, wallet and ran out to his car. Dad: "ANDREW!" He couldn't think properly. His hands were shaking. What if Lungelo was lying? He had to see for himself. He got a flight that was available in 2 hours but he sat down and panicked. 2 hours later boarded the plane and flew to PE. The moment he landed, late afternoon he started at his house, showered and got dressed in a different outfit. Jeans and a black shirt. He undressed again and tried another outfit. Sylvia: "bhuti." He was sitting on his bed staring into space. Sylvia: "bhuti, kukho indawo ebandayo. Nxiba le." He gave him his grey jersey and scarf. Lubby got dressed again and left. He didn't know where to start. Checking the time it was 17:50pm. Probably home. He called Mandla to give him the direction where the flat was. Lubby parked and stood outside his car. He would for however long it took. An hour later, Mandy came to drop me off. We sat in the car and chatted for some time. Mandy: "hayi tshomi, at least he's changed hey. Ambongena ke endlin, uzova shushu. Afikele kwindawo ewarm with your kids. Noba uyavuya sana oko uncumile." Me: "yuuuh awuna idea Mandy va? Sho ke mtshana. Nalona uyandikhaba bekunin ngoko." I got out the car and walked toward the building. It was dark. While reaching in my bag for keys. I got them and looked up. My heart raced. Knees went weak. He stared at the big belly with a shocked look. Then looked at my face. I couldn't speak. Suddenly nda mute. He held the stomach, pulling me closer. Lubb: "lihle.." Me: "lubby." The baby kicked again and he felt it. Lubb: "how?...I mean....why didn't you tell me all this time sithetha efownin you don't say." Me: "like you had to take care of your company, I had to take care of my own self." Lubb: "but Lihle you know I always will be there and I still am." Me: "I'm sorry." Lubb: "no its...its okay." He hugged me. Lubb: "lonto une excitement man. Why is he kicking so hard?" I laughed. Me: "ever since he could. Wenza lewei." Lubb: "its getting cold here. Masingene." Me: "you didn't tell me you were coming." Lubb: "ubuzondixokisela kude kuthin?" Me: "because lubby, lukhanyo is the father of this child." Lubb: "no he isn't!" Me: "lu-" Lubb: "no! Listen to me. I'm gonna stand by you through out this whole pregnancy. And take care of the baby." Me: "I don't want your help Lubabalo. I am perfectly capable of doing it myself." Lubb: "okay!" Me: "okay?" Lubb: "I will let you

do this your way. The moment you need something. I'll be right here." Me: "you promise you won't interfere?" Lubb: "I promise, as long as I get to listen to him kicking." Me: "deal." Lubb: "only if you promise to remember me when you're good." Me: "ahh...we'll see about that." Lubb: "heey!" We went inside the flat. I lit the heater. Lubb: "its quite pretty. Your apartment." Me: "hahaa! You should've seen it ngoku bendisaqala. Kungekho couch, tv, nothing. Iyi bed qha." Lubb: "but you made it. And you're still climbing high. How were your exams?" Me: "I think I did well. I hope so, Damian is such a control freak." Lubb: "ufuze uyihlo ke lowo." He yawned and lay on the couch. His head on my lap, kissing the belly. Lubb: "lihle, what's this?" Me: "what?" Lubb: "us..." Me: "I want us to remain friends without complicating shit." Lubb: "okay. I will respect that. As long as this right here..." He held it again. Lubb: "is Mine." Me: "ndiyozela and ndilambile ke yazi." Lubb: "worry not." He jumped up and opened the fridge. While he started cooking. I fell asleep. Lubby turned down the stove when he heard a knock on the door. He opened and saw his twin standing right before him. Lubb: "Lukhanyo Mzinyathi." Luks: "Lubabalo Morrison.".....

Chapter 585

Lubabalo stepped out and stood in front of him. Lubb: "before you say anything. I want to say something." Lukhanyo looked away. He wasn't in the mood for this. Lubb: "I know I hurt you. That wasn't my intention. It wasn't for you or to spite you." Luks: "then what exactly? You gonn lie and say you love her? Because we all know you're not capable of that." Lubb: "that's unfair Lukhanyo." Luks: "you're a failure to yourself Lubabalo! To everyone around you. Andil'fun uxolo lwakho because you don't mean it!" Lubb: "lukhanyo please-" Luks: "the ONE thing I warned you against! Several times! You took without hesitation! Jonga ngoku! Umithi! Why could you just- yeses man!!! Gasuke!" The next morning I woke up, bathed and went straight to see Shaun. I couldn't face these two again. And for sure oy1 uyeza. I took a taxi to the office kwabe kuvaliwe. So I called. Shaun: "Shaun speaking." Me: "hey Shaun, ndilapha e-office'in. Are you busy?" Shaun: "not at all. Give me 10 minutes." I hung up and waited. The baby was oddly quiet today, usually undivusa kwasek'seni. But today, nothing... Shaun arrived after the 10 minutes nyani. Sangena. Shaun: "I hope awundayiki ke this time, kannye sibize uPhumza?" Me: "I think I trust you're not that mean." Shaun: "how's the little one?" Me: "quiet today. Kufike aba babin." Shaun: "tell me what happened?" I told

him everything. Me: "and now they're still fighting. Lukhanyo akam'fun lomntana. And he's willing to try though, but the baby will always remind him of what I did." Shaun: "what does the twin say?" Me: "uyaz'thanda izinto uLubby. He wants to take the responsibility. He's always trying to do the right thing." Shaun: "but you won't let him. Nguban tata womntanakho Lihle?" Me: "nguLukhanyo." Shaun: "but you're 5 months." Me: "yes, the last time he..." Shaun: "a week. Before Lubby." Me: "you just don't miss highlighting that do you? Did he pay you?" Shaun: "no, but he seems like a reasonable guy qha wena uyoyika. Some times just admit to things Lihle, it makes life easier." Me: "why can't they just let it go? Lukhanyo yena unomona qha, akafuni undibona ndinomnye. Lubby yena he's tryna prove a point both of them are just bad news right now and they're just in my face." Shaun: "uqibile ubhala mos ne?" Me: "yes." Shaun: "spoil yourself. Pack up your shit and leave. Go on holiday with your kids ubonde nabo. Shiya nezo phone. Uphole eheadquarters banqwakuze bodwa." Me: "unyansile yazi." Shaun: "right now, you need You. Bona baza ne drama ne-stress. I don't want you to lose another part of yourself. Uqibele nin kwa Gqirha?" Me: "its been a while." Shaun: "go check yourself out. What you need is a vacation uqonde ba awuzokonwaba na." Me: "that's like running away from the problem I caused." Shaun: "yes! Kodwa Lihle, you're at risk of losing your kid. If siphuncukile esi susu izophinda iqale enye ku blame(we) uLukhanyo. You need to sit with yourself and be honest. Akhomntu uzakubetha, don't worry about anything. I doubt Lukhanyo meant what he said, unomsindo and he's trying to find a quick solution." Me: "obviously he doesn't mean it. Lukhanyo loves kids." Shaun: "stay repping Team You. Don't be fooled by both because bayadlala aba bantu. I'm telling you, soze itshintshe le situation until you do it yourself." Me: "problem is, abantwana baku mama, If I fetch them, she won't want me to leave." Shaun: "will she tie chains to your limbs?" Me: "no." Shaun: "then take your bamboo's and leave girl. Nobody can tell you what to do with your kids and life, you're a grown woman. If she can't understand, that is not your problem." Me: "Shaun, you're supposed to be advising me not driving me away from ingxaki.." Shaun: "I don't want to endanger you. Andifuni uhlale umane ngohlukunyezwa zezi imbeciles zimbini kude kwenzeke into ebuhlungu that will pain you for life. Take time out for yourself ukhe uzi thande without indoda there to complicate shit." I sighed. Shaun: "Lubby? If he really loves you. He'll wait." Me: "and if he doesn't?" Shaun: "then its not yours mtshan. I would like to see a black young woman, e-single e-successful. Do you know how rare and attractive that is? I wanna see that Lihle, apha kuwe. I want you to be that woman." Me: "I want to be that woman." Shaun: "you've got what it takes. And whenever you feel down, give me a call. I'll motivate you shame mna this is my job. Go Lihle!!" He cheered. I laughed.

Me: "kodwa Shaun awuphilanga yazi." Shaun: "but I made you smile. Just forget bout these persons mtshana." Someone walked in the door. I looked back, it was Vuyo. She: "khandiyaz ubusy sorry. I'll wait outside." She quickly went out. Me: "thanks a lot Shaun." He looked very embarrassed and uncomfortable. Shaun: "its my pleasure! Any time..just don't do this to yourself." Ndam'bona sana ingqondo seyikwenye indawo ngoku. Me: "I better get going then." Shaun: "undichazele ke kodwa when you go, don't go ghost on me." Me: "I will do so." I got up and walked out. Vuyo: "heee, uphindile kwakhona? Yuuuh uyakwazi sisi." She walked into the office and took off her coat.. Shaun: "imbeko iyafuneka." Vuyo: "uxolo, I just couldn't wait any longer." She was only wearing lingerie. Walked behind his desk and sat on him. Vuyo: "how've you been?" Shaun: "fine. Utixile emnyango?" Vuyo: "andaz." She kissed his lips. He got up, placed her on his desk and locked the door. Vuyo: "iza kaloku..". He climbed on her slipping off her panties. Biting her lips. She undressed him and massaged his organ. Entering it in her. Shaun: "usile yazi?" He took out a condom and slid it on then carried on.....

Lukhanyo woke up, touching the space next to him on the bed. Why was it empty? He opened his eyes and looked around. Lisa walked out the bathroom. Lisa: "uyakwaz ulala kodwa ubaby." He was a bit confused. Luks: "uhm...bendidiniwe." He sat up. Lisa: "of course you were." She kissed his cheek and sat with him. Lisa: "soo...what do you want for breakfast?" Luks: "you." He kissed her lips, laying her on the bed. Luks: "yazi andizazi lento bendiy'cinga." Lisa: "you wanna talk about it?" Luks: "my ex mother in law. She suggested ndibuyelane noLihle. I went to her ndiyom'chazela, I don't know why, kodwa ndafika kukho brother wam. That made me so angry ndaziva ndiy'thethile." Lisa: "its understandable that you still have feelings for her Lukhanyo, you need to keep strong and pull away from them because it will bring back pain. What did your brother say?" Luks: "he apologized, yazi uyi fake lamntu. He didn't mean it at all!" Lisa: "you can't let a loose woman tear you away from your brother babe. Andithi khaw'leza unyibilike but just try. Everytime you talk about her uva kab'hlungu and I don't like that. I can also see you miss your bro. Ayikho eyodlula igazi lakho mntu wam." Luks: "so ndithini babes?" Lisa: "let your brother in. You gotta make up an arrangement for your kids and mama wabo though. Andiy'thandi le yoyohlala pha ubuye uthanda kwakho." Luks: "I'm sorry love." He kissed her lips. Luks: "sokwenza nton namhlanje?" Lisa: "buthe we're going to sell your shares and start your own business. Don't you want to brainstorm? And do research?" Luks: "yuuuh hayi kodwa..." He sulked. Lisa: "haha, uyathand udlala wena. Give me your laptop baby." He got on top of her and kissed her. Lisa: "that's not going to work love. Laptop." Luks: "arrg...such a control freak." Lisa: "ndiright." He gave her the laptop.

She started with his research. Luks: "ndilambile kodwa mna." Lisa: "bamba ke apha ndikwenzele kutya." She got up and went to the kitchen wearing his shirt to start making breakfast.. Lukhanyo showered then wore shorts plus vest and went to her. They chased each other around the kitchen. Lisa: "lizotsha eliqanda wena." Luks: "yi fault yakho ke ne?" He kissed her again and helped with breakfast. Lisa: "have you figured out uzokwenzanto about the kids? I would love it if banohlala apha yazi." Luks: "I doubt mama wabo angavuma." Lisa: "I've been trying for years. Ndlela le ndibathanda ngayo abantwana, but I can't have my own." Luks: "ndiya chana ke mna. Uzungakhali." She laughed. Lisa: "baby, its something I have accepted. I had such fun with them in the past few months. Which is why ndibawela baze apha abantwana. Then during weekends baye kumama wabo." Luks: "ndingay'vuyela lonto mna babes. For real..." He held her hands. Lisa: "kuthen u-emotional nje?" Luks: " I don't remember being this happy." Lisa: "me neither." Someone knocked on the door. Luks: "ngena." Lubby walked in. Lukhanyo was instantly irritated. Lubb: "uhm...molweni?" Lisa looked at Lukhanyo. Luks: "cela uye roomin babes." She walked straight to the bedroom. Luks: "what do you want? Uzomthatha nalo?" Lubb: "hayi kengok Lukhanyo. Khayeke fondin." Luks: "uyinton apha?" Lubb: "I hate this Lukhanyo. I want us to stop fighting. I'm really sorry okay? Ndicela sihlale sithethe at least." Luks: "Lubabalo, just tell me Why. Qha. That's all I want to know." Lubb: "I shouldn't have slept with her, but ndiyamthanda. You know this." Luks: "no, you were obsessed." Lubb: "maybe just a little." Luks: "mna didn't you feel anything for me? You had to do it." Lubb: "kodwa Lukhanyo ubumphethe kakubi uLihle yazi, I just wanted to show her love." Luks: "oh? So mna I failed to do so?" Lubb: "how is raping your wife repeatedly called love? Hitting her like a punching bag ade abe unconscious ayolala esbhedlele? They had to wire her jaws shut because you broke it." Luks: "so you're blaming me again?" Lubb: "I'm not blaming you for nothing. We're all at fault apha. And I want to make things right." Luks: "then you would leave." Lubb: "lukhanyo-" Luks: "andithi ufuna ukwenza izinto right? Go Lubabalo. I don't know how you sleep at night. You let our brother's company sink because wena kaloku you can buy everything-" Lubb: "it was Bill that sued him not me!" Luks: "he's lost it all ke kodwa, now he has to start from over. Lento uyenzileyo Lubby has destroyed everyone's lives and I think you should just go back where you came from." Lubby turned and walked out sadly. Lisa: "baby kodwa mani!" She came out the bedroom. Luks: "undenza umsindo Lisa" Lisa: "Lukhanyo, kodwa he's trying shame." Luks: "baby ndiyamazi mna uLubby. That is so him, he wants me to feel sorry for him and I won't!" Lisa: "he is your blood. You can't turn your back on him." Luks: "watch me." Lisa: "lukhanyo." Luks: "kodwa baby awumazi uLubby unjani. He's a snake, he's probably still outside

waiting for me to run after him. Jonga." She looked. Lisa: "because he doesn't want to lose you." Luks: "kodwa nawe Lisa, awuyiva lento." Lisa: "ndikuva kakuhle baby. I also had a sister I used to fight a lot with." Luks: "what happened?" Lisa: "on our last fight, she got in her car and drove off. The car rolled over and she died immediately before I could apologize. Don't do this Lukhanyo. Accept his apology first, nibe right. Then you can rebuild your relationship." Lukhanyo looked at her. Luks: "you're not giving up are you?" Lisa: " I don't want you to make my mistake baby." Lukhanyo walked out to the car. Luks: "mfondin, umele nton apha?" Lubb: "ndilinde wena mhlekazi." Luks: "ngoku ulilelani?" Lubb: "something got in my eye." Luks: "fag." Lubb: "ndiright, want to go for a drive?" Luks: "iza ndiqhube?" Lubb: "haike uzohamb aph ecamkwe moto mntaka Jesus." Lukhanyo pulled him out the car, dragging him across the road. He raced to the driver's seat. Lubb: "you're lucky ndine knee injury from 2002 otherwise bendizok'gila uyowa ngaka ndokwenza. I tell you." Lukhanyo laughed and they drove off.

Chapter 586

I packed my bags and booked a ticket to Durban. I went to Motherwell to fetch my babies and their nanny then went to the airport. Whilst waiting for our flight I bought a book. It was about a married couple with children. The husband goes away for business and their teenage daughter goes out to have fun with a friend which ends in tragic accident. When the mother tried reaching her husband he wasn't available until she found out he was cheating on her. They eventually divorced, whilst their child lay in a coma, not knowing whether she would wake up or not. This whole story made me cry and I felt blessed that at least my children were both alive and well. The new nanny, Nono asked if I was okay. Me: "ndiright wethu sisi." We boarded the flight to Durban. Luthando seemed to be in awe of the huge airplane, this wasn't his first time but his reaction looked surprised. Me: "yay'thanda baby?" He reached up trying to touch the ceiling. We sat down on our seats luhle on top of me. Lutha on Nono. We flew to Durban and arrived 1 hour and about 20 minutes later. I booked a hotel room for us and Nono went to buy food. She came back, a bit excited. Nono: "sisi, ndibone enye park apha. Intle inoojinga!" Yuuuh andahleka. Me: "swings? They're too little for swings." Nono: "kodwa ke sisi at least banohlala k'la ndawo ye santi ne toys zabo." Me: "masilyeni ke kqala." We fed the babies and ate. Luthando was not over the tummy at all. Every chance he got, he hugged it and mumbled sweet

little things. Me: "sweety, masihambe siyo dlala. Bring your building blocks." We took the toys bag and walked out to the park. Luhle held my hand to the park. Only staying for an hour since it started get cold sabuyel ehotel. I felt happy and at peace. My babies made me happy. Nothing else. Although I looked like an ugly elephant these two loved me and what beats that? [#trueHappiness](#).

Lubby and Lukhanyo were in Motherwell. Luks: "mama, baphi abantwana?" Ma: "baku Lihle?" Luks: "hee hayke ngoku." Ma: "noba uzobuya nabo wethu kwa namhlanje." Luks: "well ndizamile ke mama uthetha naye about ukhupha isusu. Akafuni." Ma: "uyay'qonda phof uLihle lento ayenzayo? Lomntana uzakum'khumbuza ungakwazi uziphatha oku." Luks: "hayi wethu ma." Ma: "wena uthini?" Luks: "ndim'yekile." Ma: "ayikho lonto Lukhanyo! Uyakuthanda Lihle qha uthand ucengwa oku." Luks: "ma, akandifuni nje and I found someone else so...." Ma: "mxim. Into endiyaziyo mna nizobuyelana kungek'dala." Luks: "I doubt that mama, anyway, mandijonga pha kuye." Ma: "okay." He walked out. Lubby was waiting in the car. Luks drove to Lihle's flat. Lubb: "uthini umama?" Luks: "she took the kids to her place." Lubb: "oh." 20 minutes later arrived and went to knock. Lubby tried calling. Voicemail. Luks: "hayi man uphi ngelixesha? Its almost after 5 ngoku!" Lubb: "maybe ulele? Lihle!!" He yelled. A neighbor came out. She: "she left with a lot of bags hours ago." Luks: "where did she go with my kids!!" Lubb: "calm down." She: "andizoyazi ke nam." Luks: "fuck!!!" Lubb: "maybe uye kwi friend. Sobuya ngoms-" Luks: "nah she's gone Lubby!" Lubb: "she can't just up and leave. For sure noba she'll be back." He called Mandy. Lubb: "hey tshom. ULihle ulapho kuwe?" Mandy: "no. She isn't." Lubb: "uhm. Okay." He hung up and called Sbosh, and Rene. Luks: "nditheni kuwe! Even her phone is off. Uyay'thanda ke attention uLihle uyoze utsho ba uyenziswa yinton lento." Lubb: "maybe she needs space Lukhanyo with her babies." Luks: "kunani uxela kengoku?" Lubb: "let's just go." They walked to his car. He drove Lukhanyo home and left him. Lisa was cooking dinner. Lisa: "hey honey! Unjani?" Luks: "great." Lisa: "what's wrong love?" Luks: "Lihle left with the kids. We don't know where she went." Lisa: "have you tried contacting her?" Luks: "ewe Lisa but akafumaneki." Lisa: "she'll be back sweetheart, don't stress." Luks: "don't stress? Abantwana bam! Of course ima fucking stress!" Lisa: "relax Lukhanyo, breath in....and let it all out..." He breathed. Lisa: "she'll be back." Luks: "ungand'phakel. I'm not hungry." He went straight to bed. Lisa switched off the stove and went to him. Lisa: "sthandwa, I'm leaving tomorrow. Going back to my place." Luks: "hayi kengoku uzandishiya ndodwa Lisa!?" Lisa: "you've got your bro to rebuild your bond with babe." Luks: "my bro can wait! I'm used to being with you. This past months nakanye zange salwa. You understand me, you care and you're everything I need right now. Sendiqhelile uba nawe." Lisa: "that's

cute baby. Kodwa mntu wam...its only been a few months." Luks: "we will make it work. Please." He pulled a puppy face. Lisa: "I need to learn to resist this cute face. Izok'geziza." Luks: "asoze baby." They lay on the bed kissing, he undressed her. She did the same. The room was heating up. He pushed his hand between her legs. She held his dick back and forth. Then took out a condom. Lisa: "wait a bit..." He played with her breasts and vagina. She moaned in pleasure. Her fingers tracing on his skin. He put on the condom and entered her. Luks: Yes!!!" She held him closer and moved in a rhythm. Lisa: "Baby!!" Luks: "yes!" He went deeper. Lisa groaned loudly. Lisa: "Lukhanyo!!! Oooooohh yeeess!!!" Luks:"shh..." She turned around and he entered behind her. Banging against her. Lisa: "faster!" Luks: "ooooohh baby!" Lisa: "Yes!! Almost.....I.....ooooohh!!" He started moving slower. Remembering a bit. His mind was elsewhere. He looked down at Lisa's back. Lisa: "baby uyekelani?" The last time he was in this position someone was begging him to stop. He could still hear the screams in his head so loudly he flinched. Luks: "eissh!" Lisa: "baby?" He could remember how he held her hair tightly, face against pillow her screams and cries going silent into sobs. Luks: "I'm sooo sorry..." He cried. Lisa: "haibo? Lukhanyo? For what? Uxolo lwantoni?" Luks: "I couldn't control myself. I just....." Lisa: "shhh.....babes....you don't have to be sorry..." She got up and faced him. Lisa: "its okay...come here." Luks: "what did I do!" Lisa: "its the past Lukhanyo...just let it be." The lay in the dark together. He tried falling asleep. But he couldn't, he had a headache and felt uncomfortable in his own skin. He eventually slept, dreaming of a time he was around 8. He was in the lounge. Ta Smig had stormed out a while earlier. Someone called his name to the bedroom which he went. "Uyaz'bona ke nguwe wonke lona!!! Undishiye ngenxa yakho!" Luks: "I'm sorry..." He muttered. "Nyori bethen. Guqa wenza umsebenz wendoda!" Luks: "xolo sisi." He felt a sharp sting of a whip. His hands were shaking. "Lukhanyo...phatha." Luks: "andikwaz-" he was grabbed and had his pants pulled down, the pain he felt. Lukhanyo woke up immediately. Lisa: "baby?" He swallowed hard. Where did he go wrong? Lisa: "please talk to me baby." Luks: "I can't Lisa..." Lisa: "okay. But uphuphe ntoni?" Luks: "nothing." She held him in her arms. Lisa: "whenever you're ready babe. Ndizoba lapha. Don't feel that you're alone, I'm here for you. Okay?" Luks: "what happens when someone thinks of their past? Does it mean the program didn't work?" Lisa: "No baby wam. Listen very carefully, your past can never be erased. It is natural to have flashbacks ngezinto zak'dala. The program teaches you to deal with it accordingly without attacking omnye umntu. Remember the breathing exercise, you say when you think, you can't breath?" He nodded. Lisa: "you haven't lost your temper once. So don't be negative when you think of your past. Kuzolunga love, it will build you to be

stronger." Luks: "what if I told you that I raped her? Repeatedly. Because I wanted her to feel my pain?" She stared at him in total shock. Lisa: "what?"

Mandla came back from checking on the baby and Asanda at the hospital. Khanya was packing her things. Mandla: "ha.a baby, yinton ngath yandilahla ngoku?" Khanya: "nganton mntu wam?" Mandla: "kuthen uhamba nempahla?" Khanya: "kuba zezam Mandla. Ndihamba nazo qho nje." Mandla: "hayi love, ndicela uzishiye ezi." He took out the clothes and re-packed them in the cupboard. He covered his nose. Khanya: "khamtshintshe kalok love." Mandla: "andizokwazi love." She changed the baby. Khanya: "at least mnxibise napken eli clean. Jonga ndim'sulile." He took the diaper, putting it under the baby. Khanya showed him how to do it baqibe and got dressed. Mandla took them home. Mandla: "ufunde ke babes, ndizofowna later va." She kissed him. Khanya: "okay." She got out the car and went into the house. Mandla back home. Khanya spoke on the phone with Anelisa. Khanya: "tshomi uphi?" Anelisa: "ndisendlelen eya ku Lucky peto. Lucky: "huh?" Thami: "hehake! Ndithini kengoku mna??"

Thami screamed for mercy. Tham: "hayiiinn ubaby!!!" He continued running in the streets. Tham: "imali yam yom'qamelo!!" Lucky pointed the gun at him. He ran further, still screaming. Tham: "YOOOH!!! Bahlali!!! Naankkoo!!!" Until he was out of sight. Anelisa walked out. Lucky held her. Lucky: "mntu wam ndiyak'cenga." Anelisa: "I don't wanna hear it Lucky, all this time undibetha ngenxa yothetha nendoda because wena uyawatya behind my back." She sobbed. Lucky: "ayilonto love, qha kalok ndiyakthanda. Changing the blankets and duvets. He sat on the couch watching her. She couldn't leave because she knew he would hit her or even kill her. So it would be best if she waited till the morning. Khona besiyaphi sexakene nento ngok. She thought to herself getting into bed.. Lucky came in behind her and cuddled. Lucky: "undixolele mntu wam." Kissing her neck. Anelisa: "leave me alone Lucky." Qha uyazi kuyo yonke into ndiyak'thanda." She ignored him. Waiting till the next morning.

Lukhanyo was up early the next morning he had tried explaining but Lisa ignored him. She was in the kitchen making herself a sandwich. Luks: "baby, awuthethi nam?" Lisa: "you weren't completely honest lukhanyo. Khangе uthi kum you're a rapist!" Luks: "I'm not. I just don't know how to-" Lisa: "Lukhanyo. You need to face reality. Admit what you are." Luks: "hayi Lisa fondin. Andiyo rapist mna." Lisa: "not anymore. You're a changed man." Luks: "kodwa awufuni thetha nam." Lisa: "I was shocked. Plus I have to go to work." Luks: "you'll come back later?" Lisa: "I'll be at my place." Luks: "I love you." Lisa: "love you too babes." He kissed her goodbye. She took her bags and left. Lukhanyo called Lubby quickly. Lubb: "yea?" Luks: "usalele?" Lubb: "hm." Luks: "then wake up bra. Come on." Lubb: "hm.hm." Luks: "Lubabalo?" Lubb: "khanyo." He mumbled. Luks: "tshin lomfo, ulele nyan. Lubby was just out the shower he crawled back into bed. He was just plain tired. Its been a while since he rested. The past months have been difficult and hectic. Just as he was dozing off again. His phone rang. Lubb: "What?" Luks: "I'm waiting for you fondin uphi!" Lubb: "ndisando phuma aphe ndlin. I'm by the robots." Luks: "k." He hung up. Lubb: "yees ay'ncami le awti. Moer." Maybe sizoyazi uyephi." Lubb: "you want to break into her flat?" Luks: "do you have a better idea?" Lubb: "Lukhanyo, she'll be back. Trust me." Luks: "so you know where she is!" Lubb: "if I did, would I be helping you look!?" Luks: "masambe ke!" They got in the car and drove to Lihle's flat. Lukhanyo broke into the apartment neatly, without damaging the lock. They looked through everything. Lubby found a bag in the wardrobe. He looked through it and found the clinic card. He looked at Lukhanyo who was not paying attention. Then quickly tucked it in his sweater. Luks: "found anything??" Lubb: "nope, just bills." Luks: "what bills?" Lubb: "ento zombane wethu. Look in the drawer." Lukhanyo looked. Luks: "brochure yase Kruger National park. Do you think she went there?" Lubb: "totally. Yabona pha? She'll be back." Lukhanyo's phone rang. Luks: "private andim'phenduli ke mna." Lubb: "it might be her, pick up." Luks: "hello?" Lihle:

You do know how long sperms stay in a woman's uterus. Could be from the last time Lukhanyoyou know." Lubb: "ok'salayo. Its still me." Losta: "don't do that Lubby." Lubb: "nah, ndizothula ndim'yeke. She's pushing everyone away." Losta: "why?" Lubb: "unale idea of being independent." Losta: "what's wrong with that?" Lubb: "I want to be there. And help. Yena ucimba I'm saying she must depend on me kanti no. I will take a step back azakhe yena while I watch the kids for her and keep her smiling but....." He shrugged. Losta: "I can refer you to a psychologist. Uthethe naye." Lubb: "I don't need a fucking psychologist." He lay on the bed. Losta: "Lubabalo, I'm working. Abantu bayagula serious. Wena uzodlala." Luks: "good, xa ubuya uze ne ribs yeva? There's something I need guidance on ndenzi business plan." Lubb: "ok. Just give me about 45 minutes." He hung up. Lubby bought the ribs and went to Kwa Ford. Lukhanyo was watching tv. Lubb: "aren't you supposed to be at work." Luks: " nah, I'm selling the shares to the highest bidder." Lubb: "don't do that. No matter what happens, if the company is doing great secure your share. Uzofumana dividends zakho qha uvale umlomo." Luks: "I wanna start a new business." Lubb: "iphi ke business plan?" Luks: "on the table." Lubby saw the laptop and looked at a blank screen opened by microsoft word. Lubb: "phi apha Lukhanyo?" Luks: "heee 560, izobhalwa apho kalok. He took the bag from him and started eating while watching soccer. Luks: "you're the best." He mumbled. Lubby sat down and started constructing a business plan for his half..

Chapter 588

Lubby finished hours later. His phone rang. Lubb: "hm?" Me: "hi." His heart skipped a beat. Lubb: "hey." Me: "you good?" Lubb: "I'm great.. And yourself?" Me: "I'm good." Lubb: "you having fun?" Lukhanyo lay back and closed his eyes. Lubby got up and walked out.

Lubb: "the dragon is awake." Me; "haha, uzokhatywa ke." Lubb: "I'm going to fetch Ta Seez today." Me: "oh. Ndicela undibulisele and tell him I'll see him the minute I'm back..." Lubb: "that's if he doesn't find you first." Me: "goodbye then..." Lubb: "yaz'bona ke.." Me: "I want to pee. And I'm a bit hungry." Lubb: "iya kalok." Me: "bye Lubabalo." Lubb: "bye babe..." I hung up. He felt breathless pulling himself together. He walked back to the house. Lukhanyo was standing in the kitchen. Luks: "caba iyak'ncumisa lendaba." Lubb: "ndizongancumi ngoba." Luks: "buthetha naban?" Lubb: "heeee." Luks: "nguLihle ne." Lubb: "ndiy'qibile lento. Jonga." Luks: "answer me." Lubb: "why we on that tip." Luks: "usandixokisela nangoku Lubabalo!?" Lubb: "ewe Lukhanyo ndithetha noLihle!" Luks: "where is she!?" Lubb: "akafun ukutsho! Lukhanyo, can we just not do this? I thought we were past that." Luks: "Lubabalo. I do not want you near her." Lubb: "for what fucking reason? Siqhelile mos uncokola!" Luks: "its disrespectful that you're shoving it in my face." Lubb: "Lukhanyo, why don't you focus on your girlfriend uyeke uLihle ave kamand." Luks: "ngumama wabantwana bam lowa. If you have so much for respect me, then you'll stay away." Lubb: "Lukhanyo please don't do this. Ndiyayazi ba lento its hard to understand but I can't help the way I feel!" Luks: "what about ME? OUR family? Nizoyenza kude kuthin lento? Because ayina future. How is it going to look, to your kids? Bazoziva njan bona xa ubrother katata edyola nomama wabo." Lubb: "Lukha-" Luks: "and what about the new baby. He'll be a constant reminder of your mistake. Uzoziva njan yena?" Lubb: "uzova uthando lukhanyo. Oluhle. Olu lwethu. He will belong and sizomthanda because he's OURS!" He took his things. Luks: "uyaphi!" Lubb: "I'm leaving." Luks: "you know where she is qha wenza mna isdenge like you've been doing." Lubb: "lukhanyo ndiyolanda uSizwe. Do you want to come with me!?" Luks: "hell no!" Lubb: "exactly. I'll check on you later." Luks: "okay." Lubb drove to fetch Sizwe....

He arrived and took him home. Sizwe: "you okay?" Lubb: "yep." Sizwe: "you're really quiet boy, talk to me." Lubb: "ndigrand Ta seez." Sizwe: "spit it out." Lubb: "Lihle is gone." Sizwe: "gone where." Lubb: "we don't know where. But she called to say she's fine. Uthe ndikuchazele ba uzoza kuwe ubuya kwakhe and she misses and loves you." Sizwe: "we've got to find her!" Lubb: "siqalephi Ta. She hid her number. Didn't leave a trace of anything." Sizwe: "sokwenzi means Lubabalo and find her. What else is bothering you." Lubb: "I know bra Seez this is off limits and andifun bangathi I'm disrespectful." Sizwe: "talk." Lubb: "if someone were to ask if they could.....uhmm...marry your daughter." Sizwe: "uthin kwedin!" Lubb: "Ta Seez before undibethe. I want you to know I have her best interests at heart. I am trying all I can to show her protection nothando." Sizwe: "I know." Lubb: "andiva Ta?" Sizwe: "I

know Lubabalo. You always have kakade and that's one of the things I admire about you. I know how you feel. But the answer is N.O." Lubby kept quiet, there was no arguing with Ta Seez he knew he would never win. And without his approval, he would never be comfortable. Sizwe: "ndi-drop pha ku Stayputi. Und'bolele phone, we'll try and trace where she is.." Lubby felt like tearing everything apart. People just expected him to lure her back then when she's here, he's expected to leave. He drove quietly. Sizwe: "fondin! Utyiwa yinton? What is the vibe I'm feeling?" Lubb: "nothing Ta Seez. Ndigrand. I just have a meeting to get to." Sizwe: "what meeting." Lubb: "I'm seeing a doctor. Psychologist, guy called Shaun." Sizwe: "for what?" Lubb: "I need someone neutral to talk to." Sizwe: "ndim lo. Thetha nam." Lubb: "I've already booked an appointment." Sizwe: "why you lying? Ingaske utsho ba awufuni qha." Lubb: "its not that Ta." Sizwe: "then what?" Lubb: "its too complicated.." He stopped the car at Stayputi's place. He was Sizwe's friend. Lubb: "ndik'lande what Time?" Sizwe: "whenever you're free. Kanye zond'fuman endlin." Lubb: "ok." Sizwe got off. Lubby drove to the address on the little business card. Parking outside a building he pulled up his sagging pants and entered expecting an old man. There was a receptionist. A small bodied yellowbone. Small eyes, small everything. Lady: "afternoon sir. May I help you?" Lubb: "I came to see Shaun." Lady: "do you have an appointment?" Lubb: "no." She went to knock on the door and asked. Shaun: "yeah makangene, my last appointment has just been cancelled. So bendizohamba ngoku." She let Lubby in with a form which he started filling in. Shaun: "good afternoon. As you've heard, I'm Shaun." Lubb: "Lubby Morrison." Still writing down his information. Shaun stared at him in shock. This, was Lubby Morrison. Thee Lubby Morrison. Right here in his office. The office phone rang. Shaun: "Shaun speaking." Lihle: "Hey. Unjani?" Shaun was stuttering but kept a firm voice. Wondering if it would be a good idea to speak with Lihle while her second psychopath is in the office. Shaun: "I'm great tshomi, can I call you back? I'm in a meeting." Lihle: "sure." He hung up. Lubby put down the form and looked at him. Lubb: "what?" Shaun: "what brings you here." Lubb: "well....." He sat comfortably on the couch. Lubb: "firstly because a friend of mine uLosta, told me to come here, secondly I don't have anyone else to talk to about the way ndiziva ngayo." Shaun: "I'm listening." Lubb: "I have a twin." I know... Shaun thought. Lubb: "he was married to this woman. I liked her, to such an extent umntu uvuke uvase uyom'bukela qha. She didn't know me until she saw me. That's when my twin discovered he had a twin." Shaun: "did you know you had a twin?" Lubb: "Yes! But we never met." Shaun: "did you care?" Lubb: "No!" Shaun: "okay. Carry on." Lubb: "so, we got to know each other sonke and she knew how I felt yena wacimba I'm creepy. Sangulo on and off. Sixabane sivane. Well anyway. A few months back, I

found that, my twin wasn't treating her well, yena engafun chaza how. I was always there to make sure she's okay. Then when she moved out, mna in an attempt to comfort her, I was overpowered by lust and greed and we made love." He closed his eyes.. Lubb: "just the way I thought it would be, I know she felt it! That hint of electricity, that spoon of love, the chemistry. Everything I been building on la foundation istrong yothando. I put in all my efforts! So my twin and I were fighting, it kinda slipped, no actually it didn't. I said it because I wanted to hurt him! He abused her, raped her! I wanted him to burn for that shit so I told him, not knowing he was crazy enough to bash a blunt object sending me to a coma for a day. Anyway, ndahamba ke ndaye Kapa because my dad didn't like what was happening. Days ago ndifownelwa yi friend yam telling me my girl is pregnant. Got on the first flight out. Xandifika nyan umithi, 5 months. I couldn't believe it, but a part of me loved the idea of a mini me growing there." Shaun: "but?" Lubb: "but my twin hates that. He doesn't even want me near her ngeboxesha lomntu unomntu omtsha. That he's living with! He still doesn't want her to be happy. I now have to choose between my brother, or the woman that I really care about. Still, her father also wants me to stay away. Nobody understands. And they're against us." Shaun: "this is a bit complicated. Uthini yena ugirl?" Lubb: "when I'm around, its amazing. Sihlala kamandi, talk, relax, everything. But she wants us to remain as friends. And I don't want that." Shaun: "I think if you want what's best for her, uzomnika esispace asifunayo. I know for a fact women have a way of making a man feel like he belongs. She gives you that natural type of love which is what you're hungry for. The problem why she can't feed you is because she's broken by what your physical image did to her. She does trust you, but its a bit hard to grow up with not much, then be given a world of luxury only to have it snatched away from you in the most brutal ways possible." Lubb: "so I must do what now?" Shaun: "she already knows how you feel right?" Lubb: "yes." Shaun: "support her throughout everything, give her breathing space, also Comfort. But don't fuck, Sleeping with her will make her feel worse and will only set her back. Ndiyayazi mna when the moment is there and you can't help it. Cuddle her, uz'bambe. Sometimes that's what satisfies females more. Showing that you care." Lubb: "ndizothin ngo brother wam kengoku. Lo undenza isdenge sakhe!" Shaun: "your brother is still hurt and I don't blame him, so don't rush the situation. Let him be but ungam'yeki azenzele just because you're at fault. Tell him xa into i-unfair ungay'thandi. Don't let him take advantage of the fact that you're guilty. That's what abusers do. They feed off your guilt, it makes them feel better and they forget what they did because kalok wenu uguqe ngamadolo." Lubb: "naye ndimnike space?" Shaun: "No. Talk to him. Hlala phantsi naye and make him listen without fighting with each other." Lubb:

"that's gonna be quite difficult. Anyway, funeke ndiye ku tata ka Lihle. We're tryna find her.." Shaun: "lihle?" Lubb: "the woman." Shaun: "of course. Njani ba you're tryna find her?" Lubb: "she just upp'ed and left with the babies. Ufownile to notify us shame but her dad is tracing where she is." Shaun: "oh. I see." Lubb: "thanks for letting me vent. I feel like at least 1 of my 99 problems have been solved. Andiyazi utata wakhe why engavumi. I asked him if he Would let me marry her, he said straight up No. Andakhubeka." Shaun: "why do you think he said no." Lubb: "Ta Seez the kinda nigga that loves his daughter so much he would kill you with his bare hands if you hurt her. He's tryna protect her and I'm sure akafuni noba abenow'phi kuthi sobabini noLuks. Nam ndafakwa impama yand'shiya ndiboni ntaka ez'bhabhayo. Man, yaphela i2 hours ndiqhwanyaza." Shaun laughed. Shaun: "mxim wena." Lubb: "no wonder Luks wandifaka la vase ndayowa first time." Shaun: "kuba kalok uleqana neentaka entloko." Lubb: "yabona pha." Shaun: "but Lubby, marriage is just not on the agenda right now, she just got divorced." Lubb: "but alok wena bhut Shaun, I was trying to soften him up. Of course we weren't gonn marry tomorrow but in the long run, we would, like for now sokwenza eza negotiations, pay damages, pay la mali and chill..." Shaun: "I think you should first fix the problem with your brother and the entire family ukhe ume kancinci ngapho. Your bro will make things difficult for you both." Lubb: "what time is it?" Shaun: "just after 5." Lubb: "I have to go to Ta Seez before he unchains Tiny. Gaawd I'm afraid of that dog. Ayonja yibhere." Shaun: "hahahaha! Awukaqibi nje." Lubb: "zobuya some time again." He got up and gave him the paper. Lubb: "where do I pay?" Shaun: "its on the house." Lubb: "hm..thanks. For everything." He walked out and drove back to Sizwe's house. Shaun dialed the number Lihle gave him. Lihle: "hello." Shaun: "usuka apha ke umntu." Lihle: "ban lowo." Shaun: "Lubby Morrison." Lihle: "you lie." Shaun: "for real. Your father is back and is tracking you down." Lihle: "thanks for the heads up. Ndinoske ndibuye ke mos." Shaun: "your father should understand if you're honest with him." Me: "ewe but he will still tell them ndiphi and they'll come here and and and! Uwoah. Hayi suka. Caba akufunek ndonwabe." Shaun: "you'll be okay sweety. Sothetha later ke va." Lihle: "sho." He hung up and called Vuyo. Shaun: "indoda xa ilambile ayivinjwa ukutya kwayo sisi. Iphi nimba?" Vuyo: "uyavuya wena wedwa unokutya. Singabane sisela manzi." Shaun: "can I come fetch you?" Vuyo: "I'm busy." Shaun: "then you'll make a plan. I'll be there in 20 minutes." Vuyo: "1 hour." Shaun: "sihamba ngexesha kalok babes. Yayazi nje." Vuyo: "okay." He hung up.

Khanya: "I love you too." She kissed his lips. She was falling deeply in love and didn't feel like hiding anymore. As she got out the car, Lonwabo's little Benz parked. This time, she just waved and waited for him to go in the house. Losta: "why you being nice?" Khanya: "just accept it and move on. Ungu bhuti walapha endlin and that's how you'll be treated." Lonwabo was shocked. Busi came out the room. Khanya:

They got to the house and went in. Lonwabo's father was sitting on the couch. His mother in the kitchen. Losta introduced her to everyone. The father stared at them and looked at the tv. Losta: "tata?" Dad: "nyana?" Losta: "you okay?" Dad: "ewe ndoda. I'm just feeling abit.....faint." He got up and left for his bedroom..

Sizwe had already found the private number, then traced it. Lubb: "where is she." Sizwe: "Durban." Lubb: "oh! How cute. Yuuh ndaqibela nin eDurban." Sizwe called the number. Me: "hello?" Sizwe: "Lihle." I froze. Where did he get this number. But then why was I surprised. Come on, this was my dad after all. Me: "molo Tata." Sizwe:

"how is my angel doing?" me: "I'm fine Tata, wena?" Sizwe: "I'm fine. Where are you." me: "ndise Durban Tata." Sizwe: "doing?" Me: "just a vacation with the kids Ta." Sizwe: "okay. But uze kum. I don't want her feeling suffocated or uncomfortable." Lubb: "I'll stay away." Sizwe looked at him. Feeling really sorry for him. Lubb: "I better get going then." Sizwe: "ina ke enkosi." Lubby took his phone and walked out. At least he had her number. Sizwe walked to his house, at least Stayputi didn't live that far from him. Lubby drove to his own house then called the number again. Me: "hello?" Lubb: "hey..." ndothuka abit but I liked hearing his voice. Lubb: "have you ever loved someone kude kubengathi kub'hlungu? As though, you're dying on the inside and you can barely breath?" I couldn't answer. Lubb: "and then, have you ever had to sacrifice what you love for what you think is right." Me: "I have." Lubb: "well, I hope you'll understand then. Basically Lukhanyo is telling me to stay away from you. So is your dad. And your mom and everyone else." me: "wena uthin?" Lubb: "to hell with everyone. They don't pay my bills." me: "well, I'm forced to come back tomorrow. Andiyazi Tata uzothin Xa endibona." Lubb: "Maybe he'll say Yes." me: "to what?" Lubb: "me paying for lobola." I laughed. Lubb: "I'm sorry. I was trying to get an idea ba uphi, nday'baqa by mistake." me: "Lubby, don't do that. Xa ufuna uyazi, you ask for permission!" Lubb: "Lihle, I'm sorry." me: "goodnight Lubabalo." Lubb: "kodwa ndicela uxolo though?" me: "ndiyakuva kalok." Lubb: "okay then goodnight." I hung

up. Yazi unesbindi. How many times must I say this isn't his baby. I don't know what made me More mad. Him going through my things or actually finding my card. But either way it made me agitated. My baby started moving again. Luthandoluhle's favorite moment. Me: "Luhle!" Luhle: "mama." she walked in the bathroom. Me: "izova uBambino." Lutha rushed in. Dragging off his pants. my kids were so welcoming I thought they would be jealous of the tummy that kicked them everytime. Instead it made them happy. I pulled them into the bath, Luhle sat on my lap. Rubbing the foam on my tummy. Lutha was doing his own thing. With a rubber duck by the tap. Me: "Luthando, suka apho." Lutha: "hayi." me: "uzokukhaba uBambino suka apho." Lutha: "bambi aba mama." me: "nawe uzoku khaba." Lutha: "hayi." his favorite word which he failed to listen to. Me: "hayi nokwakho." after the water playing session we got out and wore our onesie pajamas. Nono put in a DVD. Sabukela for a while with snacks. And the kids fell asleep. All of them. Nono: "so ithini into ngotata womntana." why is this sooo important to everyone. Can't I be both parents dan? Me: "there is no father Nono." nono: "kodwa sisi, umntana needs both parents and I'm sure ubhut Lukhanyo soze Athi hayi." me: "ufuna ndisikhuphe esi susu because he is reminded of inyala endilenzileyo. So there." nono: "so umntana ayingo wakhe?" me: "it is.." nono: "kuthen kengok engay'thembi lonto." me: "because ndilele noLubby." nono: "yoh. So ngumntana ka Lubby?" me: "ngumntana wam. I fell asleep next to them....

Lisa: "why are you still fighting your brother? Kuthen nje ungeno myeka enze Le thandwa Nguye? Kuthen Lukhanyo une problem xa elala i-ex yakho!" Luks: "baby, calm down ne. Nobody, and I mean it xanditsho. Akhomntu u-touch oomama babantwana bam. They are mine for a reason. But you will be my wife and that's all that matters." Lisa: "NO! I don't want to be in your string of women! Its either ndim ndodwa or I'm out!" she grabbed her bag and walked out.

I landed the next afternoon in Port Elizabeth. Sizwe and Lubby were already there waiting for me. Luthando walked straight to Lubby. Lubb: "hello my boy." he picked him up and took my bag from me. Lubb: "you look beautiful." me: "thank you." I hugged my father. Me: "molo Tata." he was disappointed. I could see it in his eyes. Sizwe: "molo mntanam. Unjani?" me: "ndiyaphila Tata wena unjan?." Sizwe: "I'm good. Molo nawe sisi." nono: "molweni bhuti." we walked to the car. Lubabalo was burning inside walking behind me. When Sizwe wasn't looking he held my hand. Nono pretended not to see. She just smiled and looked away. We got to the car. Sizwe opened the boot, Lubby opened the back door for me. Lubb: "awulambanga?" me: "yes, I am. Qha ndizopheka fika kwam." Lubb: "you should be resting." me: "I've been resting. Ndigrand ngoku." he kissed my cheek. Me: "please stop that." Lubb: "but I can't help." me: "then try." he gave me Lutha. Nono came in next to me with Luhle. Sizwe got in the passenger seat. Lubby drove us to my place. Ndingene nje ndaqala ez'mbizeni. I didn't want take-aways. I wanted a full fucking meal. Sizwe: "Lubabalo. Can you please give us a moment.." he left the house ndashiyeka notata. Nono was feeding the babies in the bedroom. Sizwe: "mntanam." me: "Tata?" Sizwe: "come here." I sat with him. Sizwe: "Lithembelihle. I did not expect this. I am disappointed but at the same time I'm happy for you.. Nguban utata womntana?" me: "nguLukhanyo Tata." he held the tummy. Sizwe: "are you sure about that?" Me: "I guess so. Everything edibene noLubby will just complicate everything." Sizwe: "I know he means well mntanam. But you wanted Lukhanyo and I didn't want to come between that. I had to accept it. Now that this has happened. I would rather you stay away from them all, because soze wonwabe." me: "but he doesn't understand that. Akandiva xandisitsho kuye." Sizwe: "give him some time to calm down. He'll get used to it." me: "so this means I must stay away from him?" Sizwe: "please mntanam. Its like you're strawberry and mustard. Separately you're great, but together, its just plain disgusting. Sorry to say." Me: "Tata...." Sizwe: "yes angel?" me: "I think I love him." he

held my hand. Sizwe: "I know, but its complicated. He's your ex husband's brother."
me: "Ayikho enye indlela around it maybe?" Sizwe: "I'm afraid not. Ndibize umakhulu
notamkhulu wabo. They'll be arriving aphe vekin. I don't want to speak to them
alone because ndizoqhekeza into ka Yehova ibezi ngeceba." Me: "okay Tata." I got up
and finished cooking. Sizwe: "Lihle, I'm not playing xandisithi andikufuni Ku
Lubabalo. Worse ke yena la Lukhanyo ka satane. You have so much fun with the
babies, There's no need to complicate it." me: "ndiyakuva Tata." he hugged me. Sizwe
: "suqumba kalok." me: "andiqumbanga. I'm just hungry." Sizwe: "get some rest
princess, I'll check on you kwak'sasa Ava?" I nodded. He walked out. Nono was
getting ready to go home by now. Me: "enkosi sisi, for nto yonke." nono: "akhongxaki
nontombi. Qha Xa undifuna undifownele wena." me: "ndizokwenza njalo." she left. I
carried on cooking while Luthandoluhle sat with their toys in the lounge. Some time
later I dished up for myself and the kids only mashed veggies. I ate, Luhle was fast
asleep I took her to bed and ran myself a bath. Luthando was sleepy, I first had to put
him to sleep. There was a knock on the door. Andidinwe bawo. All this running
around. I opened. Lubb: "hey." me: "my dad is going to kill you." he sneaked in,
closing the door behind him. Lubb: "does it look like I care? Something smells
wonderful." me: "ndik'phakele?" Lubb: "later." me: "you can't stay, Ndifuna uvasa and
my father doesn't want you around me." Lubb: "I feel like we're teenagers all over
again. This is so sad." me: "yeah." Lubb: "but.....he's not gonna find out." he
unbuttoned my dress.. Kissing my lips. I held his collar. Pulling him closer. Suddenly
beyond turned on. He held my breasts gently caressing them. He lay me back on the
couch and kissed my stomach. His eyes staring into mine. Me: "why did you stop?"
Lubb: "you're feeling hormonal. Its normal for pregnant women." me: "yes, but wena
why did you stop." Lubb: "because I want to show you ndik'thanda for more than just
sex." me: "wonzakele njena." Lubb: "I know! But my psychologist advised me not to
do it." me: "you're right. My dad told me we were disgusting together." he laughed.
Lubb: "well sorry.. Izovasa.." he pulled me to the bath, I got in and sat down. Me:
"ooohh!..." Lubb: "what's wrong?" me: "he's...so excited." Lubb: "of course he is. Uhleli
notatakhe." he took my washing cloth and wiped my face, then my back, breasts and
tummy. Me: "undenza umntana qithi wena." Lubb: "as long as he's still in there. Ungu
mntana." he massaged my shoulders. Someone knocked on the door. It was urgent
and loud. Me: "who the hell is that." whoever it was just kept on knocking and
knocking. Lubb: "I'll get it. Ungaphumi k'le bath." me: "the babies." Lubb: "I'll handle
it." he closed the door and went to open at the front. Lukhanyo stood there breathing
heavily. Luks: "oh. So its like this now." Lubb: "molo Lukhanyo." Luks: "you fucking
traitor. Bastard. Liar." Lubb: "you can go on the entire day, that won't change, I'm

inside and you're out." Lukhanyo pushed him, pointing in his face. Luks: "sundiqhel ukunya Lubabalo uyeva." Lubb: "there are kids in this house and I don't support it when you teach them violence, I will throw you out." Luks: "they're my kids! And I'll teach them anything I fucking want to!" Lubb: "not in this house." Luks: "I'm not looking for trouble ne. So ndicela uphume ngala mnyango There's things I want to discuss nomama wabantwana bam! Ek'ben ba ndik'xelele usuke kuye!" Lubb: "I'll give you your space, when she says I should." I got out the bath and wore a gown. Me: "what's this Lukhanyo? Lubabalo?" Luks: "nothing, we're just catching up. Baphi abantwana?" I could tell he was lying. Me: "balele." Luks: "oh? So why didn't you tell me you were back." me: "are you having me followed? Uve ngabani ba ndikhona?" Luks: "I came to fetch the kids." me: "I said BALELE." Luks: "I miss my children Lihle. And ndicela sincokole, regarding them." me: "I'm listening." Luks: "I want to ask you if they can live with me. You'll see them anytime you like. Ndingela wena and the new kid, you need help and I don't want you to be overwhelmed." it was a bit tiring. But I could handle my kids. Me: "I'm doing even better with them here." Luks: "okay, ndicela for the rest of the week then?" me: "can I bring them tomorrow morning?" Luks: "okay." he walked to the bedroom. Lubby was sitting on the couch watching TV. Me: "I'm sorry." Lubb: "for what?" I looked in the bedroom where Lukhanyo was laying on the bed. Me: "hayi kengoku!!" Luks: "yintoni?" me: "that's my bed." Luks: "ngoku?" me: "Lukh- mxim!" I went to sit down. Wabe ez'xelele uLukhanyo akahambi tu kanene. Lubb: "he's not leaving until I leave." me: "Kodwa YIKAKA LEYO." I wanted him to hear me. Instead I heard him take off his shoes and get in bed, chatting with his sleeping children. Lubb: "I can't leave, I hate to know what he's capable of." me: "There's kids here, he wouldn't. I will be okay." Lubb: "you sure?" me: "yep." he walked to the room. Lubb: "can we go out for some drinks?" Luks: "you go ahead big Bro. I'll join you in a minute." he smiled sweetly. Lubby turned around and walked out. A full 30 minutes later, Lukhanyo got up and wore his shoes. Me: "what's wrong nawe?" Luks: "hayi sisi, nganton? I'm only here for my kids." he took his keys and walked out. I locked my door and switched off all the lights.

Lubby sat with Mandla, drinking talking about Lucky's car. Lubb: "oh man Lucky, awuna Luck!!!" they laughed at him. Lucky: "khayeke Ta Lubby. Eish." Lubb: "imhlophe mos lawey yakho. Jonga ke. Lubb: "imapho Lukhanyo, I got this shit nipped and tucked." xhanti threw the first punch. Lukhanyo punched him back. Soma and Lubby followed. Kicking the others. Lukhanyo shot in the air for warning. Then pointed at Xhanti. Lubb: "Lukhanyo!" he fired a shot twice. Soso wrestled the gun from him. Another shot was fired. Soso: "Hee fondin!!!!!!" Luks: "cisha inye!!!" Soso took the gun Lubby dragged him away. They heard sirens immediately, everyone got into their cars and fled. Lubby was with Soma, Luks with Soso. Soma: "heee ndoda. After everything he does to you! Uyam'lwela?" Lubb: "I'd die for that nigga." Soma: "dude, you just jumped in front of a bullet for him!!!" Lubby took off his sweater. Looking down at his chest. Full off blood. Lubb: "Somangaye." Soma looked at him once and sped to the nearest hospital.

Chapter 591

The next morning Lubby was still in hospital. They had taken out the bullet the previous night and stitched him.. Soma was next to him. Soma: "ndifownele uLihle?" Lubb: "no, I don't want her to get worried and stress. Its not good for my baby." Soma: "its yours??" Lubb: "yeah." Soma: "wow. Congratulations bra.." Lubb: "thanks." Soma: "how you feeling?" Lubb: "fucked up tired. Mzimba ub'hlungu." Soma: "zoba strong ndoda. Luckily it wasn't serious. Did you see who shot you?" Lubb: "uhm..no." Soma: "suxoka Lubabalo." Doc: "where are you off to?" Lubb: "I'll recover at home." doc: "as much as your injuries weren't serious you still need to stay for a day." Lubb: "I'm fine. I've been through this before and never came to hospital." Soma: "hayi njan?" Lubb: "hee, ndadutyulwa engalwen

He shot in the air THEN pointed at Xhanti. Dubule uXhanti, the gun was grabbed by my Bro, And then we heard a shot okok'qibela." Lungelo: "and it wasn't Lukhanyo?" they both looked at Lubby. Lubb: "it wasn't him." Lungelo: "damn it Lubabalo, when are you going to have a back bone and stop covering for him instead of your own arse?" Lubb: "I'm not covering for him Lungelo. Ndiyayazi ayinguye." Lungelo: "OH? So in the past Lukhanyo first fires warning shots in the air before adubule umntu?" Lubb: "no." Lungelo: "then if the fight was between him and Xhanti, you say Xhanti was shot twice, lying on the ground. Tell me if a person got shot twice, wanqenqa on the floor, sphi strength sophinda adubule?" Soma: "its what I've been saying the whole night." Lungelo: "either it IS your twin. Or someone he paid to do it for him bezulisa nge fight yobubhanxa engena ncasa! Because ayina ncasa lento bey'lwela." Lubb: "can we just let this go?" Lungelo: "he won't. Until you join your younger brother Lubabalo. This guy has problems. Serious problems. He needs psychiatric, psychological, and spiritual help." Lubb: "ibiyi mistake Lungelo. I'm sure naye akay'qwalaselanga ba I got shot. Why do you make this a big deal." Soma: "because you're my friend and I care!" Lubb: "thanks guys, this means a lot but honestly. There's no hidden agenda here it could've been anyone qha ndabane bhadi mna. Its because I haven't prayed lately. Ndithe phithi zinto zomhlaba." Lungelo: "umxelele uLihle?" Lubb: "ha.a. I know her, uzo panicker kakhulu and over-stress herself. Its not good for the baby." Lungelo: "with pleasure." Lubby went to sleep. The guys went out. Lungelo called Lonwabo to inform him. Losta dropped everything and came over straight away to check on his best friend.

I woke up the next morning, Bambino was moving inside, ingaba uthen na Nkosi. I went to make myself a large sandwich and ate it with a long glass of juice. Luthando woke up and pulled on Luhle. She woke up too. I made them their porridge, fed them and bathed them. Wabe yena uBambilicious ez'xelele ba kanti ndizoku khamba. Luhle sat next to me. I dressed them in a simple polarfleece jumpsuit suit with a piglet hoodie. Ndatsho ndahlala phantsi. Trying to breath. Luhle held the tummy and giggled. Luhle: "utha!" my boy came to the lounge ndingamazi bevela kobuphi ubustout. Me: "yinton leyo Luthando? Izapha." Lutha: "hayi." me: "izova uBambino wenzanto." he dropped the object and stood between my legs. I had to call my doctor and find out what's wrong. Me: "Cecilia, I don't know what's going on. The baby has been at it, since 5am." she: "its normal sweetheart, you don't have to worry too much. He's probably in the mood for playing." she laughed. This wasn't funny. Me: "can I get him to calm?" doc: "try rubbing him to sleep. Did you drink the pills?" me: "I'm about to." doc: "good, he'll be okay. If it gets painful, come to my office okay?" me: "sure thing." I hung up and called Lukhanyo. Luks: "ja?" 😊_-_- me: "ukhona? Ndizozisa abantwana." Luks: "ja ndikhona." me: "cool." I hung up and took a bath. The babies watched cartoons. I quickly got dressed. Thick white tights, and warm white long sleeve t shirt. Yathi ngca kamandi. I wore a brown baggy wool pullover. Wore my white all stars. Ndapakisha bags zabantwana. They both held their own. Ndaxwaya

bag yam and Luhle's hand. Lutha doing his thing ekhokhela. We got a taxi to eFord. Then walked the distance slowly. Sincokola nabantwana bam. At least now bambi was quiet. Probably asleep. I got to the house ndanqonqoza. "come in." said a woman's voice. You've got to be kidding me. Ndangena. Luhle walked to her. Me: "hello." she: "hi." me: "ukhona uLukhanyo?" she: "nope." ehlafuna chappies omkhulu ngathi ngalamathanga akhe sana . Me: "I'll wait." wandehla wandenyuka and ignored me, clicking on her laptop. Luthando wandenzel istunt sofeketha kengok naye. He sat on top of me, leaning on the tummy, sucking his thumb. Intsha ke Le. Me: "Luthando? Ucinzel uBambi boy." Lutha: "uva shuu?" me: "ewe. Hlala so." he faced me and lay down again. Lady in red emane ngondithi jep. Phof nam ndandinje Ku Sbosh. Ndakhiqwa kakbi qithi ngu Dumisa. Luthando was giggling by himself ekhatywa ngubrother wakhe. Lukhanyo walked in the house. Luks: "hey nyana! Izapha kwedin yinton ngok uncanca iminwe, uyafeketha wena." he took him from me. Luks: "khaphuz uYihlo?" Lutha: "hayi." Lukhanyo kissed his cheek. Ndaphakama and took my bag. His eyes stared at the tights watshintsha ngomzuzu. Ndabawel uhleka qha, because he couldn't do anything about it. Luks: "uyaphi Lihle." he mumbled. Me: "mna? Ndiyaz'khupha utsho ngoba?" Luks: "unxibe olohlobo." me: "ngqo nge veg." etyeka ndimbona apha ebusweni. He swallowed and walked to the bedroom. Luks: "khaze nee bags zabantwana." me: "enyinto ndingxame kakhulu." Luks: "ubuya nin kengoku?" I kissed my babies goodbye. me: "Sunday!!" I smiled. ndaqemfeza ndaphuma. Making fun of him was really funny. Enomsindo enjalo. Luks: "babes..." Lisa: "honey." Luks: "uLubabalo called me esithi something happened, so ndochecker ba unjan, I'll be an hour." Lisa: "awuyi ndawo love, khandive phone ikhalayo mna. Matter of fact we're having an indoor picnic. Luhle will help me prepare. Ne sweetie pie?" Luhle smiled and nodded. Luhle: "ayihambi Tata." Lisa: "mxelele mntanam. Akayi ndaw." she kissed his lips and walked to the kitchen to prepare for their picnic. 4 days later.

Lubabalo was woken up in the earrly morning when phone rang. Lubb: "andidikwe yile shit ye phone hlel nje iyankwenkweza! Nywe nywe! Okokoko!" he picked up. Lubb: "YES!!!" caller: "Mr Morrison, I am calling from the hospital. There is an emergency and we need you to come in immediately." Lubb: "what's wrong?" caller: "I cannot discuss it over the phone sir." Lubby got up and went to shower. Dressed quick and called Lonwabo. Lubb: "I've been called in the hospital. Worse ba its Sunday, can you come with?" Losta: "sure, ndilinde."Lubby ate. a while later Losta arrived and took the bigger Benz. He was driving. Lubb: "uyaz'thand moto zam kodwa sani." Losta: "une taste egrand awti yam. Who would've thought of an SUV yakwa Mercedes." he turned up the house music. Cruising around then arrived at the

hospital. Losta: "uzoba grand?" Lubb: "yeah." he went inside and looked for the nurse who called him. A doctor attended to him, they walked to his office. Doc: "Mr Morrison I do not wish to keep you long." Lubb: "what's this about?" doc: "how's your wound?" Lubb: "its uncomfortable, but at least the pain killers help a lot when it comes to aching. Plus my best friend is a doctor, he's taking care of me." doc: "good friends you have.. Well, there has been an accident on the N2 days ago, a patient had bad injuries and lost quite an amount of blood." Lubb: "that's quite bad...how do I help then?" doc: "well, he has quite ascarce blood type. And I know its none of my business but your blood type matches his." Lubb: "oh. Well, I don't mind." Doc: "at first I thought it was a relative but we can't find anything that links to you other than his DNA." Lubb: "what?" Doc: "see, our system in the computers, we group the types of blood and DNA of each patient that way its easier to spot re-" Lubb: "what do you mean his DNA links to me?" Doc: "I thought y-" Lubby called Lukhanyo. Luks: "yes?" Lubb: "Bafo uphi?" Luks: "in my house nyana, you?" Lubb: "we'll talk later." he called Sine. Lubb: "fondin, uphi?" sine: "endlin bhuti." Lubb: "okay." he hung up. Doc: "Mr Morrison?" Lubb: "let's...let's do it." if it wasn't one of his brothers, then who in the world was this Mystery man?

Chapter 592

After the tests, Lubby went to Lonwabo and waited. Losta: "and now?" Lubb: "lomntu ndim'donate'el igazi. He has the same DNA as me." Losta: "is it Luks?" Lubb: "no. Neither is it Sine and I doubt Ta Smig." Losta: "then who?" Lubb: "I don't know Lonwabo and I'm just as curious as you. I guess we'll have to wait until the operation is done." Losta: "uzom'chazela uLukhanyo?" Lubb: "when I'm actually sure about this. Could be ba kwenzwe mistake. Can you, check?" Losta: "you mean sneak in?" Lubb: "ewe." Losta: "that's illegal Lubby, I can't do that." Lubb: "I know. Sorry for asking but I need to know." Losta: "just pray that he stays alive Lubabalo, then you'll ask him all you like. Or even speak to his family." Lubb: "nyansile." he went back to the doctor. Doc: "we're operating in the next 30 minutes." Lubb: "how long will it take?" doc: "approximately 6 hours." Lubb: "can I see the family?" doc: "well, we cannot get hold of his parents. But his uncle signed the papers and left." Lubb: " can I see him?" doc: "he is on life support Mr Morrison. He will not be able to hear you. Plus this is not allowed, I have said more than enough." Lubb: "Doctor. Please. Just 2 minutes." doc: "this is against the law." Lubb: "name your price." the doctor looked around. Doc: "are

you trying to bribe me?" Lubb: "is it working?" the doctor paged through his file. Doc: "I'm giving you 2 minutes maximum." Lubb: "thank you!" doc: "we'll talk later." Lubb: "certainly." he walked with him to the room. Covering his mouth and nose with a mask. He sat down next to the man. He looked familiar but he'd never seen him before. Lubabalo didn't know what to say, this was a complete stranger but had his blood running through his veins. His DNA in his body. Lubb: "Lord Jesus, please show us your merciful glory and send your Holy Trinity to save your child's life. Please, Father." he prayed. Lubb: "Kuzolunga bra. I know I don't know you or anything but I just feel something, anything. And if I'm not the only, I know you'll pull through." the doctor came in. Doc: "time to go." Lubb: " sure." he got up and left. Lonwabo drove for him. Losta: "you okay?" Lubb: "nguban lamntu?" Losta: "andimazi kalok mna. Sometimes they confuse their information." Lubb: "but he seems so sure that ngumntu endimaziyo. But I don't." Losta: "do you want to find out?" Lubb: "yes. What I know is if there was another one of us, Ta Smig would've told us." Losta: "well, you should ask your uncle." Lubb: "my uncle is mad at me. I tried getting through to him wathi he's busy. Cela undise Summerstrand. I want to see my babies." Losta drove to Summerstrand and parked downstairs. They both went up to the flat where Lungelo was. Lubb: "amantombi aka Tata." he sat down with them playing. He still had to travel to the village to see Luyanda for the first time in months. But he couldn't leave before he spoke to the man he just saw. Lubb: "heee Lungsta. I met someone." Lungelo: "oohh....who?" Lubb: "this other guy." Lungelo: "HAIBO! I didn't know you roll like that!" Lubb: "nooo! Not like that. Nah, I meant ndibone umntu." Lungelo: "it still sounds wrong Lubabalo." Lubb: "I was called at the hospital they told me about someone who needed blood. His DNA isimilar kweyam." Lungelo: "OH! now I find you. So? Did you talk?" Lubb: "he's on life support. they are starting to operate soon. Lomntu I want to know ba nguban." Lungelo: "if you can get his name and I.D number." Lubb: "I'll try my best." Losta: "I'll help you with that." Lungelo: "how have you been?" Lubb: "good, I guess." he stayed with his kids for the whole day then went to Lukha's house with Losta. Lukhanyo was in his lounge with Lutha on his lap. Lubb: "Bafo." Luks: "sho, sho." Lubb: "we need to talk." Luks: "bout what?" Lubb: "ndifowenelwe esbhedlele. To donate some blood." Luks: "good for you." Lubb: "when last did you go?" Luks: "I think last year. Ndizophinda some time again kulonyaka." Lubb: "good. Mna it was my first time." Luks: "and you were scared as fuck." Lubb: "no actually I had a lot on my mind." he sat down. Luks: "what's wrong?" Lubb: "the guy I donated blood to. His DNA, is similar to mine." Luks: "oh?" Lubb: "yes." Luks: "is there something you want to tell me about you?" Lubb: "mxim. You know we're twins Lukhanyo. Qha its because I was recently in hospital and they have my stuff. That's

why be-teste ngam ke." Luks: "oh." Lubb: "would you come with me? Siyom'bona after the operation." Luks: "Lubby, stop attaching yourself to everything like velcro. Take a chill uphole qha. If this guy was family, we would know him, but zange sichazelwe about another brother that's out there somewhere." Lubb: "I guess so. But I still feel that maybe, we should pay him a visit then as time goes...sizom'buza." Luks: "okay, let's go tomorrow. Tonight I'm busy." Lubb: "tomorrow is chilled." Lisa walked into the house and greeted. Lubb: "molo sisi. Luks, I'll call you ksasa ngomso." Luks: "ok." Lubby walked out immediately. Lisa: "did I say something?" Luks: "no actually. Qha he's in a rush. I'm taking the kids home ke love. Say goodbye quick." Lisa: "yuuh hayi kodwa." she sulked. Luks: "sorry love." he packed the bags, took the kids and drove to Lihle's flat.

I was done with cleaning the flat. I Sat with a bowl of Amasi. Ndibawa ndinjalo. I ate and ate. I bathed and wore my black tights and a baggy top. My body was heating inside, ndibawela into ezimnandi qha. Yes, I had to admit I was horny. But there was nothing I could do. Since Lubby refused. But good thing he did. Or not? Damn it, everything about him is so confusing! I want to do it, but I want to be by myself as well. A woman can be independent while having fun, I'm not spending his money or depending on him for anything. But he could set me back after I give birth Athi mandihlale phantsi like Lukhanyo did. Ndihoje abantwana. At least I can handle Lubby better. He's softer and less controlling. Why was life so damn complicated! I heard a knock on the door. I got up and opened. Lukhanyo was carrying Luhle, two bags and holding Lutha's hand. How he managed, was over and beyond me. Trust. Me: "hi." Luks: "hey." he came in, dropped the bags and lay Luhle on the bed. Lutha got on it too, trying to fall asleep. Lukhanyo came to me. Luks: "ubuphi Le weekend yonke." me: "out." Luks: "out where." me: "friends." Luks: "what friends?" me: "you don't know my friends now?" Luks: "ndiyabuza nje." me: "its none of your business who I hang out with. Nako wena uhlalisana ungay'thethanga kum lonto kodwa you were on a 'let's get back together' tip." I walked to the sink, to wash my dish. He was still staring at me. Ingaba uhamba nin kengoku? Me: "Lukhanyo." Luks: "hm?" he growled. Me: "I want to tell you that I'm rea-" ndava ephefumla behind andothuka! Me: "wenzani?" Luks: "bendingakuva so ndizoma apha, qhubekeka." I washed the dishes. Me: "I'm sorry. For everything I did to contribute to the end of our marriage. Maybe if I'd tried harder, supported you..just maybe it would be different. And I'm sorry that ndilele noLubby. I know it hurt you, badly. I just hope that you find it in your heart to forgive him. He's your brother. And I hate how you hated Xolani wade wayofa. Not this one too. Try and find it in your heart ba uxole uzokonwaba nosisi lo uhlala naye. I know for a fact, you're gonna be paranoid to the point you'll want to

kill Lubabalo. You've found yourself a wonderful woman. Don't ruin her kuba ujonge kwi past yakho." Luks: "why Lihle?" me: "because Lukhanyo he is the only brother you have left." Luks: "cela undijonge." I wiped my hands and faced him. Richard was standing. Which made me uncomfortable because I know he wasn't listening kuba ebukele impundu ezi zam! Me: "please don't. Lukhanyo, khacingele umntana lo ndim'miithiyo. Show mercy. Ndiyayaz ayinguwe lona." Luks: "shhh....yinton ngoku waphaphazela." me: "please don't." Luks: "look at me. Ndjonge!" I looked at him. He looked desperate and lost. Luks: "to tell you the truth I wish I tried more. Le relationship was picture perfect, I tore all that apart. Ndikhumbula sihlala kunye, nobody else, no work, school. Just us. Now I've found another girl that's perfect and I'm the only reason, why we won't be perfect. I'm trying apha. But ndivalelekile." me: "if you could just let go. I'm really sorry Lukhanyo." Luks: "mamela ke. What happens between Lubby and mna. Wena awungeni ndawo. Okay?" me: "sorry." Luks: "this undying crush of yours, better come to an end Lihle very soon. Focus on our kids, and your little business. Ucimba wena uLubby is the least bit stable, give him one month maximum. Ebemthanda noLiya, kakhulu futhi. Engaged her, esezam'lobola. Kwafika omnye wasuka ingathi andimaz kuthen. Rather, keep calm and relax awuzophuma qakuva, love." me: "okay." Luks: "and I don't forgive you Lihle. Ndisakhubekile nguwe. My own twin? Hayi I'm sorry. I just can't. As for the baby you're carrying, I just doubt ngowam. I don't feel anything." me: "how could you? Huh? Buzom'va njan kalok you raped me! Ndicapkela lento uske uzenze isdenge!" Luks: "Lihle..." me: "Fuck you and get out! Andithanga nqa ngawe mna. If awufun bangu Tata womntana. So fucking be it! Ngabanga cela xolo kuwe nqi umamela kuba ujonge umngqundu! Fokof man Lukhanyo hamba!" Luks: "Lihle can you calm down and listen!" me: "I said Get the fu-" he grabbed me with both arms with warning. Luks: "I'm not here to hurt you damn it! Ndizothin ungajongi xa uz'vezile? Hayi sund'phambanela mna. Zezinto ndingafun unxibe otight yilekaka! Imagine umntu estratwen kengok." me: "Lukhanyo ndiyeke!" Luks: "I'm sorry." me: "ndik'vile kalok." Luks: "until ukwazi undixolela from the bottom of your heart, things for me aren't the same. I get these nightmares and shit, I just...." me: "what nightmares?" Luks: "my childhood." me: "I thought that's why you went to Madagascar, to deal with them not bring them back." Luks: "I thought so to. But I wasn't completely honest. Lihle, nguwe wedwa umntu oyaziyo lento. And I don't want anyone else to know." me: "I will never tell anyone Lukhanyo." Luks: "I can't let them know, andifuni mntu uzandijonga funny and stuff, looking at me with pity. I can't let people know I was raped." my heart stopped beating. But zange ay'thethethe Nyani Le part. He only said he was forced to touch the woman, not sodomized. Luks:

"it makes me feel.....less of a man. I try to cover it," he sobbed. Luks: "I try my best, to cover the feeling by being controlling of everything I come across and that's why ndimbetha umntu ongamameliyo because with action comes consequence. That's what she always used to say. Before she hit me. Noba umntu akenzanga wrong funeke ayazi nguban ophetheyo, that's what she said before she....." I hugged him. Luks: "I feel so low. I keep wondering how other people grew up and that breaks me everytime ndibona uLubabalo because he had the best of everything. Do you know how hard it became for me to trust a woman? To actually keep quiet and pretend it never happened? I don't have anything positive to say about my life until I turned 12 years of age. I'm supposed to forget, but I can't." he pulled away and wiped his tears. Luks: "I have to go." he got up and went to his kids. This explained a lot of his behavior, a child's surroundings and environment have a huge impact on their life. Which is why its important for them to grow up kukho uthando. This was harder for a man because now he feels that he would be judged and ridiculed, the feeling of emptiness is filled by a hatred for women. He can't carry on like this, it will destroy him. Me: "Lukhanyo." Luks: "don't do that. Don't feel sorry for me." me: "speak to your woman about this so that she understands and is able to help." Luks: "I don't want help." me: "you need it Lukhanyo." Luks: "I will always be like this Lihle, akhonto izotshintsha. Lisa helps me control my anger and hatred. She calms me down. That's the only thing important ngoku. Akho need ba ndichazele ilizwe lonke." me: "then why did you tell me?" Luks: "to explain why I did what I did. And ndicela uxolo Lihle. Now you know the real Lukhanyo Mzinyathi, why he's always the quiet bastard in the corner, the guy that never smiles, the shy one around females." me: "I understand better. And andizochazela mntu." Luks: "enkosi. Well, ndiyahamba ngoku." me: "uhambe kakhle." he moved closer. Ndajonga ecalen. Luks: "yooh, ndingakhatywa ngu Ta Lubby." me: "we're not together." Luks: "Good." he tickled the tummy. Luks: "awww Lulonke kwedin ka tanci. Zo'spoil'lwa iphambane Le." me: "ayingo Lulonke lona man Lukhanyo." Luks: "nguban ke?" me: "ngu Bambino." luks: "hehake! Mna ke ndithi nguLulonke. The name sounds cool." me: "it does, but can we put brakes on the L's?" Luks: "like hell we are. Kusezobakho uLuxolo no Luzuko, Luvuyo, Luphakamo, Luphawulo. Lubambo. The works." me: "esuswin sika Lady ne? Ndiqibile mna." Luks: "ndizoya k'la clinic, ndikhuphe apha kum. Ba'fake apho kuwe uLuphawulo." me: "what does it mean?" Luks: "I have no idea, ndiyay'thanda qha." we laughed. Luks: "I better get going.." Me: "ima kancinci I want to go somewhere cela ujonge abantwana I'll be back in a while." Luks: "okay. But ndicela unxibe ne?" I wore something else and went to buy more things for the kids, took quite a while I also got some take aways and went back home. He was taking a nap, ndamvusa and he left..

He drove home to his fiancée, something in him was buried. He was finally letting go of his memories that brought him nothing but heartache, he wanted to be free from everything. Focus on his kids, work and beautiful soon to be wife. He wanted to do things right, and he wanted to apologize to Sibongile as well. He wanted to be a regular guy. An ordinary person. He parked in his garage and went in the house. Lisa was out the bath, wearing her night dress. Luks: "my beautiful queen." Lisa: "where you been." Luks: "well, I went to see Lubby and saphola." Lisa: "oh? For how long..." Luks: "well, for like a while." Lisa: "is that so?" she closed her laptop and stood up to face him. Lisa: "because he was here to look for you." he froze. Luks: "uhm...baby, I meant Lucky. Bendihlel no Lucky." Lisa: "sifownele uLucky?" Luks: "hayi kengok Lisa." Lisa: "its been 2 hours Lukhanyo. 2!!" Luks: "before you get upset. Let me tell you inyani!" Lisa: "thetha!" Luks: "my friend, he's girlfriend dumped him wamosha imoto yakhe so he wasn't feeling well, ndahlala ke naye." Lisa: "awafowna ngoba?" Luks: "battery yam died baby." Lisa: "you could've asked for his phone to call me!!" Luks: "sorry kalok mntu wam." Lisa: "what's his address?" Luks: "uhlale Zwide babes. Can w-" Lisa: "Lukhanyo are you playing?! I asked you once, wathi buhlel noLubby, watshintsha wathi uLucky now all of a sudden a friend who's heartbroken? Ngeyphi kanye kanye? Who you think you foolin?" Luks: "I fell asleep Lisa. Bendihleli with my kids, ndalala kuba ndilinde Lihle eye somewhere." Lisa: "then why is that so difficult?" Luks: "I thought you were gonna get angry and yell at me." Lisa: "hayi Lukhanyo, have I ever yelled at you?" Luks: "no." Lisa: "baby the reason why I stress is because I care and I don't want any secrets between me and you. Andinobanomsindo xa ujonge abantwana bakho. I have no problem with that. Just let me know xa kukho ingxaki okay? Suxoka nge tshomi, you're toxicating us." Luks: "I'm sorry." Lisa: "its okay." she kissed his lips. Lisa: "I missed you.." Luks: "nyani? Khumbula nton?" they sat on the couch and cuddled. Lisa: "everything. Unenqondo edirty wena." she touched him. Luks: "ndibonapha kuwe." she played with him, moving her hands and fingers. Luks: "ooh.....fuck." she went down to kiss it. Sucking and licking. Luks: "babbbbyyy!!!!" he moaned. Holding her hair. She went deeper. Luks: "oh Lord! Lisa!!" he pulled her out and climaxed without thinking. He had been on, for a while. Too long. She took a tissue wiping him gently. He lay her on the couch opened her legs. Grinding his teeth softly on the fabric of the underwear. He took it off and kissed it, licking it over. Lisa held his head. Lisa: "hayii...Lukhanyo." he stretched her legs out wider and sucked on her until Juices came out. Lisa: "baby....I'm about....to.....Lukhanyo wait.....noo....don't stop!" he paused and kissed her thighs. Her body was shivering. Lisa: "baby plleease!" hhe carried on lifting her legs in the air. Lisa: "YESSS!!!!!" she screamed his name. Her body was reaching its climax. Lisa: "ohhh hhaayi baby man!"

she finally orgasmed. Every part of her part warm and welcomed. Lisa: "what the hell...." he kissed her lips. Luks: "mandi ne?" Lisa: "hee yaqhela kodwa. Its fucking amazing." Luks: "cela ufaka?" there was a knock on the door. He got up, pulling on his pants and opened. Sizwe, granny and grandpa stood and stared at him. Lukhanyo wiped his mouth. Luks: "molweni Ta." Sizwe: "nxx!" he turned and walked away. His grandparents had bags in their hands. This was honestly the worst time. Grandpa: "aww na nyana? Asingeni?" Luks: "just a second Tamkhulu." Sizwe: "Tata, Lukhanyo ubusy ndicela siyolinden kwam." grandpa: "oh. Ok." they walked back to the car. Sizwe stared at Lukhanyo with a deadly look that spoke a thousand words.

Chapter 593

Lukhanyo closed his door and went back to Lisa. Luks: "uhm....baby. My grandparents just arrived. Khandiyazi mna bayenza and baze notata ka Lihle. So, ndicela unxibe kakhle." Lisa: "okay baby." she got up and went to the bathroom. Lukhanyo cleaned up a bit. The look on Sizwe's face scared him to death. He didn't know what he would do to him. Lisa came back dressed and helped. Lisa: "should I make dinner?" Luks: "yeah, something quick. Ungapheki 6 hours baby, sekulate already." she went to the kitchen and started cooking. Lukhanyo took a shower and got dressed. An hour later he heard a car park outside. It was just after 8pm. He opened his door and welcomed his grandparents. Luks: "ninjani makhulu?" gran: "ndiyaphila nyana. Yuuh kunin sihamba. Inde lendlela." Luks: "sesizophaka soon. Nibeno phumla." they sat down. Luks: "uhm...Lisa?" she walked to him. Grandpa: "bingengo Lihle na?" Luks: "erh...Tata sohlukana noLihle, some time back. I met Lisa overseas a couple of months ago. Lisa this is my grandfather and grandmother." Lisa: "molwen ma notata.." they stared at her. Luks: "Tata?" grandpa: "erh..molo sisi." gran: "molo nontombi." Lisa went to dish up and brought them food. Sorry Tata, bendingayazi." grandpa: "kulungile sisi, ndicela ikamer." Lukhanyo took him to the bedroom. Granny ate the food quietly and went to wash her dish. She went straight to bed. Lukhanyo was chatting to his grandfather. She sat with them. Luks: "khange ndichazelwe mna ba niyeza. I could have prepared." Gran: "prepared intoni ? Sesilapha mos ngoku." grandpa: "kwenzeke ntoni Lukhanyo?" Luks: "relationship yam noLihle bingasekho right Tata." Grandpa: "njani?" Luks: "UTa Seez unixebele?" Grandpa: "khange athethe niks uSizwe uthe sizova ngawe yonke

Luks: "makhulu, uLihle umithi, ngomntana ka Lubabalo." Gran: "Ohh! Nkosi eno fefe!" Luks: "and andikwaz ubaxolela mna." grandpa: "hayi. Masithethen ksasa xa kukho wonke umntu ke. Ndicela ucele ke kwi ntokazi yakho asiphe intsuku ezim'balwa because yi matter ye family Lena." Luks: "okay Tamkhulu." he got up and walked out. Luks: "honey. Can you give us a couple of days...the family is coming over and kuzobakho meeting." Lisa: "but I'm going to be your wife. I'm supposed to be here." Luks: "this is a bit sensitive baby." Lisa: "okay, ndizohamba ksasa ke." she went to their bedroom and got ready for bed.

The next morning, Lubby woke up, bathed and left immediately. He arrived at 7am on the dot and knocked. Ndilele kamandi ndinjalo I woke up and opened. Lubb: "great. Good morning." me: "now is not the time Lubabalo." I didn't like being woken up. I was moody and grumpy. Lubb: "andizanga zok'hlupha. Go back to bed." me: "uzothin apha?" Lubb: "to make you breakfast. Since ungfafun ndihlale nawe. You'll have to wake up to open for me ke." I walked back to bed and covered myself again. Maybe I was dreaming. He would leave soon. Bafika obam ubuthongo right then ndalala. Lubby made breakfast and dished up. The flat was already clean. Luthandoluhle were still sleeping, usually they wake up early. Just some time later ndothuka kwakhona. Bambino was awake. It was a bit difficult sleeping then because une happiness every morning lo umntana. Uyaz'cacela ngu mninawa ka Luthando nyan. Lutha: "ubaba?" Lubb: "yep." he swooped him up to make porridge.

Hamba before my dad, comes and drags you out." his fingers touched my face and lips while I spoke. His eyes seemed warm and peaceful. Me: "can you hear me?" Lubb: "just keep on talking." Me: "snap out of it Lubby." Lubb: "I don't-" Luhle walked into the room. He got up and picked her up. Lubb: "what's wrong baby girl?" Luhle: "utha." Lubb: "akeva ke ubhuti wakho. Uxolo mntanam. Lubb: "bye bye." he put him on the bed and left. He drove to Lukhanyo's house.

Sizwe and his grandparents were in the lounge. Sizwe: "Lukhanyo, ndicela sidibane roomin." Lukhanyo was afraid but he got up nonetheless. They went to the bedroom. Sizwe closed the door. Luks: "Ta Seez I'm sorry about last night-" Sizwe: "this isn't about last night whatever you do in your spare time doesn't bother me one bit. But right now, you're my least favorite person Lukhanyo." Luks: "kodwa Ta Seez zange wandithanda." Sizwe: "nah. Sutheth ukunya." Luks: "its true Ta. Always number 1 wakho ngu Lubby." Sizwe: "its not about taking sides Lukhanyo. Chapter 594

Luzuko lay in his bed thinking. Why would his mum not tell him about a brother. Or brothers. Or whatever. the doctor walked in. Luzuko: "Doctor, who was that?" Doc: "Lubby Morrison I asumed your brother?" luzuko: "he isn't!" doc: "but he looks like you." luzuko: "how much is he paying?" Doc: "what are you talking about?" Luzuko: "how much is he paying you?" doc: "he paid your bill. And he donated half a bar to me." luzuko: "I'll pay double, if you keep him out of here." Doc: "problem is. Lubby Morrison, is a billionaire. You can't get rid of him that easily." luzuko: "fuck!" doc:"even if I move you, he will find you. No matter where you are. He is a man with unlimited resources." luzuko: "Stop Singing what he can do. And think of a plan to get

him away from me!" *a quick show down about Luzuko Daniels. He was a go getter. An arrogant. Self centered, businessman. He had younger siblings, brother and sister. His mother too. He never had a father. So he was the head of the house. If you think Lukhanyo is crazy, and Lubabalo is a psychopath. You clearly haven't met Luzuko Daniels. 😊_- he knows himself and cares not what people think. Comes across as rude, always taking control. With his 4 girlfriends, no children and none planned in the future. * doc: "why don't you want him around?" luzuko: "first of all. He talks too much. secondly, he annoys the shit out of me, thirdly he LOOKS like me! Do you realize now the problem I'm facing! I'm not exclusive anymore!" doc: "well, look on the bright side, you've got bruises that mak-" he stopped immediately seeing Luzuko's facial expression. Doc: "I'll be on my way." luzuko: "yea, Do That!" his mother arrived. Luzuko: "Mom get me outa here. These nigga's are claiming me!" mom: "nigga is not English, Luzuko. That's impossible. Your brother is S'fiso, and he's in Cuba." luzuko: "exactly! And that's not even the worst part. Akandidikanga undifuqile. He's talkative and loud. Worst combination. Get me a transfer, I'll recover at home." mom: "kuba ibili Bhayi olicenge nganton Eli!" luzuko: "Ma, there was a great business opportunity here, but now its down the drain!" mom: "okay, okay, calm down. I'll get you to be transfered by tomorrow morning." luzuko: "and I need a comforter. Preferably blue. Not any other color. Call Kirsten and tell her what's up she'll let my girls know." Mom: "I'm not going to call your 60 girlfriends Luzuko. I hate that you're not satisfied just by one! Can't you just settle." luzuko: "really mom? Today? Whilst I'm in hospital, just out the coma. you gonn lecture?" Mom: "of course I'm gonn lecture. Luzuko you are reckless! You almost lost your life!" luzuko: "ma, angithi ngiyaphila manje inkinga ikuph?" mom: "doctor? Is my son fit enough to handle a slap?" the doctor didn't want to be caught in the middle. Doc: "I have to check on my other....patients. Excuse me." he quickly left. Luzuko: "mom, can you just for once let me be. You've always got no chill unnecessarily though." mom: "I don't care if you been on life support boy, I'll give you a good hiding you better check yourself." luzuko: "sorry ma.." Mom: "now, what did this man say to you?" luzuko: "DNA yami ifana neyakhe. The doctors confirmed it. And uyafana nami." Mom: "this is ridiculous, abantu bafana njalo nje. I'm gonn get you out, siye Khaya uyeva?" luzuko: "yebo ma. Ma, sekhe washo ukuthi yimi kuphela ingane yakho, uS'fiso yena? Mom: "mntanam, stick to your language." he laughed. Mom: "I'll be back ne?" Luzuko: "okay." she walked out to find the doctor. Grabbed his arm and dragged him to a corner. Mom: "now. I don't know how much this mystery man pays you. And I don't care. I don't know who he is, but what I do know is that he is NOT going to take my son from me. if you don't keep him out of Luzuko's way.....I'll make sure, you lose each and every piece of your self plus your license. Are we clear?" Doc: "yes mam." mom: "you tell him. You made a mistake and he isn't here anymore. understood?" Doc: "yes mam." she walked away.

Naye wathula akathetha. I've got to find him!!" he ran out to his car and drove to the hospital. The moment he went in the hospital, he realized he had no name or surname of the patient. Matter of fact. He didn't know him at all. But they were all connected. Some weird way. Doc: "Mr Morrison?" Luks: "yes, uhm. I'm here to see my....." doc: "brother?" Luks: "yes. How is he doing?" doc: "I'm afraid that is not your brother Mr Morrison. We had a bit of a mix up. Your DNA doesn't match, matter of fact its not even close. Anelisa: "phuma before my mom kills you." Thembisa took the pot off the stove. Anelisa shoved him out the way, the hot water splashed on her arms. She screamed in agony. Anelisa: "MAMA!!!!!" lucky grabbed her before she fell. Tearing off the t shirt she was wearing. Lucky: "izanengubo Khanya." Khanya ran to the bedroom. Ma: "suka apha mntana ndin!" lucky: "hayi mama, andizokwazi um'shiya ol'hlobo uyondixolela." she was crying trying to help. KHANYA brought the blanket. Lucky carried her to his car and drove to hospital.

Chapter 595

I woke that evening from the most peaceful sleep I've ever had. I felt so rejuvenated after that long ass nap. Lubby was still asleep, Luhle on his chest. Lutha on his arm. He held them firmly. I took a picture with his phone. It was really cute. He opened his his eyes. Lubb: "wenzani." me: "taking a picture." Lubb: "come here." I bent down to kiss him. Lubb: "wow, bendicimba uzothi awufuni." Me: "well, when you're away. I miss you. A lot." Lubb: "ncoooh. You miss me?" me: "ewe.." I blushed. Me: "so how did the meeting with your new guy go?" Lubb: "babes, lomjita yafana nam. But he refuses to accept it. Undiphika nyani." me: "maybe you're just similar to him?" Lubb: "nah love, similar is Thulani and Siyanda. They're brothers so bayafana. The same is Luks and I. Plus unompundwana lo ungafun ukuva niks." me: "haha, uwoah. Did you get to talk to Ta Smig." Lubb: "nah, ndimke before afike, then came from the hospital straight to here. I don't own shit." he looked at me and smiled. Lubb: "changed my will. The house will be for the kids. But since you're their guardian." Me: "oh. I see." Lubb: "There's 3 Audi's in my garage. Zilusizi pha. Just collecting dust." me: "sell them on OLX." he laughed. Lubb: "hayi kengoku." Me: "freshen up, uye kokwenu. I'll make supper." Lubb: "okay, ndihamba naye lona." he kissed Lühle's cheek. Me: "I don't think that's a good idea. They'll know ubulapha all along." Lubb: "so? Lihle, grandpa and I are gonna have serious talks about this. Honestly. Its gonn get real." he put the babies down. And got up. I went to start on supper. Lubb: "I'll be back soon soon." Me: "okay." he went to the bathroom, washed and wiped his face then left. He drove to Lukhanyo's house and found him standing outside talking to Stuja. Lubby greeted and walked inside. Sizwe: "hayi unesgezo Lubabalo. Ayikho lento uyenzayo." Lubb: "uxolo Ta Seez." Sizwe: "usukaphi?" Lubb: "bendiye sbhedlele." Sizwe: "and?" Lubb: "qha Ta Seez." Sizwe: "awundiva xandithetha Lubabalo ne? I asked you nicely, to stay away from her. This thing is tearing you and your brother apart. There are many girls out there who would love and cherish you." Lubb: "I don't want many girls Ta Seez." Sizwe: "Lubabalo, its better for everyone oluhlobo. Asiku moneli. I know, more than anyone, even Tamkhulu lo wakho uyayazi uyamthanda. But I know you love Lukhanyo more. Its best to let go of this one Lubabalo." Lubb: "andikwazi Ta." Sizwe: "zama kalok nyana. Siyayazi kunzima kodwa Lukhanyo ukhubeke nyani yilento. It does not present a good image." Lubb: "so kengoku mna Ta Seez ndincame umntu ondimthandayo for Lukhanyo onwabileyo ozotshata for the second time Ta Seez?" Sizwe: "kodwa ke Lub-" Lubb: "K Ta Seez." Sizwe: "Lubabalo!" Lubb: "I'm sorry for being disrespectful." Grandma: "mntanam." grandpa: "nyana." Sizwe: "Lubabalo bayathetha abazali bakho." Lubb: "ndiyabava Ta Seez." he stared at the floor painfully. Sizwe: "we have to fix this before we start with anything else." Lubb: "fix? Fix this Ta Seez??? Can you fix a broken heart? Errhh, I don't think so." Sizwe: "Lubabalo, kukho ezinye problems that we facing." Lubb: "well since mine has been tossed aside I guess we can continue then." Grandma: "we're not tossing it aside, we're doing what's best for everyone." Grandpa: "best for everyone? Everyone being Lukhanyo?" grandma: "hayi Tata, kodwa ke ayivumelekanga lento." Grandpa: "kweyphi ncwadi?" Grandma: "for intombazana, especially umfazi." grandpa: "nguMfaz kaban ngoku?" Grandma: "well, ebenguye."

Ayiseyiyo ngoku." Lubb: "no ndivile Ta Seez." Sizwe: "so you understand why you can't carry on?" Lubb: "ewe Ta Seez." Sizwe looked at him. He could see he was hurt, but there was honestly nothing he could do. Grandma: "biza uLukhanyo ke bhuti." Lubb: "Lukhanyo!" he yelled. Luks: "JA?" he walked in the house. Luks: "eh?" Sizwe: "kwathin esbhedlele Lubby?" Lubb: "lomntu akafun Va niks. Uthi akandazi and he has a family. Abantu bayakwazi ufana but that don't mean nothing." Luks: "kuthiwe kum they made a mistake and akakho related and he's been moved. Sizwe: "this boy is as clever as you both. Obviously he's hiding something." Luks: "so sizokwenza njani?" Sizwe: "what we do best. Find him. Smilo confirmed that he is indeed a third. If uthi he was determined still born, and usaphila, its clear he was taken." Lubb: "can I go now?" Luks: "but sizozalaphi? I don't even know his name." Sizwe: "Lubby? Don't you by any chance know his name." Lubb: "Luzuko." Luks: "this attitude of yours sucks Lubby. Come on!" Lubby ignored him. Sizwe: "can you get us his details." Lubb: "I'll give you Losta and Lungelo's number. They'll help you find him. Can I go now?" Luks: "no, we're doing it together!" Lubb: "I'm honestly not that interested in knowing another version of myself." Luks: "give him a chance man. It can't be that bad." Lubb: "uzand'toucher xanimfumene. Ndicela indlela Tamkhulu?" Sizwe: "but asika qib-" grandpa: "Ungahamba Lubabalo." Lubb: "uxolo Ta Seez." Sizwe: "no its fine. Kudala kakade sihlel apha." Lubby got up and walked out.

Asanda and Thando sat together. Thando holding their baby girl. Asanda: "kham'jonge napken babes." Thando: "ingathi usuzile baby ina." Asanda: "babe!" Thando: "okkaayy!" he lay the baby down and checked the nappy. It was clean. Thando: "I told you usuzile, I can even differentiate her cries. When she's hungry, sleepy or annoyed." Asanda laughed. Asanda: "okay! Ingathi ndiyashiywa." Thando: "shiywe kdala kanti." he kissed his daughter. Thando: "one year ago I never thought I'd be here, being a father." Asanda: "and a wonderful, supportive hubby.." Thando: "tshintshwe nguwe baby. And the birth of Sisipho actually softened my mother. Which is a surprise." Asanda: "that means?" Thando: "she'll let me stay here. IF I promise to stay out of

trouble." Asanda: "I knew she'd come around. Now at least we can do everything together." Thando: "and I get to watch her grow, ndikhabe intwana eziqhelayo." she laughed. Asanda: "I'm glad its working out Thando. Thank you for being my support from the beginning." Thando: "I'm glad I was. Yeyi. The day you told me, ndandingath andiphilanga. Zange ndive nto eclassin, then inimba kicked in. I was blaming myself for ukuk'mosha." Asanda: "we're past all that now, let's stay focused ne?" Thando: "most definitely." he kissed her cheek. Thando: "I'm in love with the 2 most beautiful girls." Asanda: "and we're in love with the same man." the baby had her hand grasped around his one finger. Thando: "I wonder ulala nini..." Asanda: "tonight is yours ne?" Thando: "kodwa baby-" Asanda: "ha.a we taking turns. Nguwe ovukayo tonight. Love you honey." she crawled into bed. Thando: "I love you too. Mna noPrincessLove are gonn have a chat before we sleep, ne baby yam?" Asanda: "cime sbane ke baby." he picked up his baby and switched off the lights.

Luzuko was with his private doctor and nurse in a hotel room. Doc: "this was a bad idea." Luzuko: "as long as I'm safe. I don't need nu'n else. Get me my tablet please. Mom put it in the top drawer." the nurse gave him his iPad. Doc: "Luzuko. You are just out a coma, an operation. You can't b-" Luzuko: "that's why we hired YOU. So its either you do your job, or uqhwithe isthende bhuti." doc: "okay." he did the tests again and let him rest. Luzuko called his girl. Kirsten: "sweetheart! Are you okay?" luzuko: "I'm fine babes. I survived." Kirsten: "good." luzuko: "how are the girls? Ya'll good?" Kirsten: "yeah they fine. Last time I checked. Uhm, honey. Do you know a guy called Brian?" luzuko: "no. Why?" Kirsten: "well, he called and claimed he was an old friend. You two were meant to do business together and he can't reach you, so he asked for an alternative number." luzuko: "I don't know a Brian. Did you give him my number?" Kirsten: "yes. Sorry." luzuko: "uhm...okay. I have a feeling this guy is on to something. Thanks for letting me know." Kirsten: "okay." luzuko: "what else did he say?" Kirsten: "nothing much other Than wanting your contact number. Anything else?" Luzuko: "not yet. I'll check on you later okay?" Kirsten: "okay. We love you." luzuko: "love ya'll too babe." he hung up and called his mother. Luzuko: "mama, I am about to disconnect this phone right now. Lomntu akandincami. I know that doctor warned me, but I didn't know this guy was this smart." mom: "no, don't. Let him come to you. Uzova ba uthini.." luzuko: "no mama! I don't want him near me." Mom: "Luzuko, it can't be that bad. Hear him out and then tell him to back off. " luzuko: "ok. Ubuya nini?" ma: "I'll be back by tomorrow afternoon son." luzuko: "manje mina ung'shiya naba?" Ma: "you're a grown man. Goodnight honey." luzuko: "night ma." he hung up. Luzuko: "Doctor Laveski." he walked back in. Doc: "yes?" luzuko: "make sure nobody enters this room yes?" Doc: "yes sir." he turned him comfortably to sleep.

I dished up supper then fed luhle. Lutha was standing by the television, with a wooden spoon, dictating whatever. Lubby sat on the couch. Lubb: "iza Lutha, izotyia." he stirred his food. Lutha: "Hayi!" Lubb: "let's sing then. Old McDonald's had a farm." Me: "hiyahiya hooo." Lutha giggled. Lubb: "and on that farm he had a dog." Me: "Hiyahiya hooo." Lubb: "woof here and woof there. Woof woof everywhere. Woof woof." he grabbed him and threw him in the air. Lutha laughed his lungs out. Lubb: "good boy, khamisa ke." he fed him. Me: "you've been quiet." Lubb: "yeah." me: "wanna talk about it?" Lubb: "not yet." I brought him his plate. Lutha helped him eat, starting with the meat. I ran a bath for Luhle in the meantime. Lubby came with Lutha. We washed them together. He shaped a foam beard on Lutha and himself. Plus a ball on Luhle's head. Lubb: "and There's Mr and Miss Mzi-Morrison." we finished bathing them and dressed them for bed. He rocked Luhle, she lay peacefully on his chest, Lutha on his thigh asleep. I took him to bed waza noLuhle. Lubb: "now I wouldn't mind that everyday." Me: "kids are hardwork Lubby." Lubb: "not unless the work is divided. Lihle, you're almost 6 months pregnant, you can't be straining yourself like this." me: "my kids have to be taken care of Lubby." Lubb: "biza ke uSis' Nono, azokunceda, so you can rest." Me: "I'll do that tomorrow morning." Lubb: "thank you. Ndiyahamba kengoku." Me: "hambe kakuhle and thanks for helping me with the kids." Lubb: "pleasure." he kneeled on one knee and kissed my stomach. Lubb: "I love you." he whispered. Then got up and left. Lungelo called him. Lungelo: "who's the man?" Lubb: "you are. What you got?" Lungelo: "I disguised myself ndazibiza ngoBrian. I got direct location, hotel, room number and name of doctor plus nurse attending to him." Lubb: "okay. You'll send them right?" Lungelo: "nakanjan. How you doing?" Lubb: "I'm doing okay. Despite my sad circumstance. You? Zintle? The kids?" Lungelo: "we're all great. Nyamezela man Lubby. Its gonn be okay." Lubb: "I pray so..send real quick, we'll talk later." Lungelo: "cool." he hung up and sent him the details. Lubby went to fetch Lukhanyo. they drove to the hotel together. Lubb: "Bafo, buthe ufuna uthetha nam about something?" Luks: "its nothing important. Don't sweat it." Lubb: "you sure?" Luks: "totally." Lubb: "yazi suppose sihamba noTa Smig kodwa." Luks: "Ta Smig, just suddenly left. Anyway we can handle our other us nje. Its not a big deal." Lubb: "I hope so." Luks: "kuthen unuk ibaby powder?" Lubb: "because I've got kids." Luks: "oh. Buyobabona? how are my girls doing?" Lubb: "they're great." Luks: "cool, can I see pictures." Lubb: "my memo got wiped. So...." Luks: "damn." he parked the car outside the hotel, they walked in together. Luks: "here goes nothing." he knocked on the door. A young lady opened. Nurse: "can I help you?" Lubb: "Fortunately yes." turning on his charm. Lubb: "we're missing our little triplet." nurse: "unfortunately, Mr Daniels isn't available." Lubb: "I see...can we at

least see him?" nurse: "I'm sorry. That is not allowed. Only his mother is allowed in." Lubb: "even with a little motivation?" Nurse: "sorry sir." Luks: "we can either do this the easy way, or the hard way." nurse: "I don't see us doing anything any kind of way." Lukhanyo held her arm and silenced her mouth. Luks: "ngena Bafo uvale ucango." he went in and put her in the bathroom. Luks: "zoyek ubaleka ecamkwe s'hlangu. Forward too much." he checked the room and found Luzuko sitting up right, covered in a blue blanket. Luzuko: "Security? We might have a bit of a problem.....Yes. Most certa-." he hung up. There was an awkward silence. For the second time since their birth. They were in the same room together again. Lubb: "first of all, I'd like to start by saying, God is good. All the time." Luks: "indeed." Luzuko: "somebody explain to me what the fuck is this!" Luks: "maybe if you keep calm." Luzuko: "keep ca-.....nigga! Shit!" Lubb: "and I thought I was 'bad'." luzuko: "ya'll better be playin. Cuz I don't have time for this shit." Lubb: "oh but of course. Because you're too busy occupying bed right? Dude, keep your fuckin panties on." luzuko: "Get Out." Lubby sat down. Lubb: "Bafo?" Lukhanyo lay on the bed. Luks: "its gonna be a long night. Utixile mnyango?" Lubb: "fucking right. certainly.....anybody want some juice? Yes? No? Maybe?" luzuko: "nifuna nton kum!" Lubb: "your soul Luzuko.." he poured some juice for himself and sipped. Lubb: "got your attention?" Luzuko: "Mxim." Luks: "Lusko, can I can call you Lusko? Anyway, our parents are deceased. Mama wethu at birth, our father a few years back. I met Lubby last year, because he was given up for adoption. Our uncle told us kushota oyi 1 just today, and somehow, you needed our blood to survive. So this, I feel was a way of us re-uniting." Lubb: "we're not forcing you to be part of our family. But at least know where you're from." luzuko: "I was never told." Lubb: "like us. Zange sichazelwe. Bloemfontein, Cape Town, and Port Elizabeth. What chances did we ever have at meeting?" Luks: "I don't know how, but here we are." luzuko thought hard. Was he lied to his entire life? His family was fake? Was he adopted or abducted? Why would his mother lie to him? He had so many questions, he started getting dizzy. Luzuko: "my doctor." he mumbled, with his eyes closed. He started muttering and breathing faintly. Lukhanyo opened for the nurse again. Nurse: "sir? Mr Daniels??" she ran to fetch the doctor, who rushed in. Doc: "please wait outside?" Lubb: "we must take him to the hospital! His breathing is deteriorating" Doc: "Wait outside!!" they stood outside and waited. Luzuko opened his eyes and breathed. Luzuko: "are they gone?" he whispered. The doctor stared at him in shock. Doc: "you scared the fuck out of me!" Luzuko: "try finding out you've got two identical brothers. Shit, goodnight." he turned around and tried to get some sleep.

Chapter 596

Lukhanyo and Lubby waited for a very long time. In the early hours of the morning. Lubb: "we've been played." Luks: "ndicinga lonto nam. Sizothin kengoku. Cause we can't go back in. Sitixelwe." Lubb: "why can't we go back in?" Luks: "they locked us out." Lubb: "sir, you are now looking at Luzuko Daniels." Lukhanyo laughed. Luks: "Yes Sir!" Lubby ran down to reception. Lubb: "I'm sorry for the inconvenience, I Am Luzuko Daniels. I was speaking to my business partner right outside my hotel room and I forgot to take my card, all my possessions are locked in." lady: "good morning sir. I'll get you a replacement, fill out here. Supply with an I.d number as well." Lubb: "thing is...I only got the first 6 numbers stuck in my head. Pathetic right?" he flashed his billion Rand smile. Lady: "not at all. Uhm....its okay...we'll fill it in later. Room number?" Lubb: "417. You're a darling." lady: "thank you." he took the card and went upstairs. Luks: "hehehee...this kid thought he was smart." they opened and went in. Luzuko was being fed while paging through his iPad. The News24 application. Luks: "ucimba usmart ne?" luzuko: "nah. Not at all. I don't THINK I'm smart. I KNOW I'm smart. Big difference." Lubb: "obviously not enough." luzuko: "well at least to a certain extent. Because I kept you out the entire night like I wanted." Luks: "and what did you gain?" Luzuko: "sleep. What I've been hoping for." Lubb: "okay here's what. Luzuko, you need to stop running from the fact that you're one of us." luzuko: "I'm not running. I'm avoiding. Again, BIG difference. Problem is, I don't like you." Lubb: "well neither do I! Kodwa it don't change the fact my blood is running in your veins." Luzuko: "but of course you'll remind me every chance you get. I heard you are a billionaire, so obviously you don't want money. So yini Le uy'funayo?" Lubb: "aren't you the least bit curious in as to how we got here!!" Luzuko: "not at all, see my life was perfect just the way it was. Once I'm 100 I'm out this bitch. You will never see me again." Lubb: "boy I will tie you to this bed. Don't test me!" Luzuko: "ooohh....did I wake the bear? I certainly did." he laughed. Luks: "don't you ever get tired of being annoying? You're worse than Bafo." lubb: "I am not like that." Luks: "yoh, Bafo ithi awuz'boni. Lusko, what you busy with?" he climbed on the bed. Luzuko: "A new recipe of 'Whoop Your Arse, the fuck you doing in my bed?'" Luks: "ngas'qhel ke thhina. Asinantanga kweze nqindi. Bafo will knock you back into a coma." luzuko: "mxim." he ignored them and carried on with his research. Luks: "so I see you're not married?" luzuko: "why would I even do that? Yuh." Luks: "no kids?" Luzuko: "asoze ndizi xakekise mna. I'm chilled, I got my Babes with me, I'm good." Lubb: "babes? Your girl friend." luzuko: "plural." Lubb: "well, being a player is not what's up no

Lubb: "i-AIDS yona?" luzuko: "let me give you a quick, simple explanation. I use condoms. I got a separate toiletry bag. Full of rubbers. Besides that, if a mami wants to join my conglomerate, we start with a series of tests. HIV, std, sti, blood preessure, diabetes, everything. Wait For 3 months, siy'phinde kwakhona. Does that answer your query?" Luks: "wow. Okay. And what if bamithe?" luzuko: "one long word. Con-tra-cep-tives. Bayancuntswa every 3 months." Lubb: "Damn, Luzuko, all this trouble for multiple coochie?" luzuko: "correction, MY multiple coochies." Luks: "you are living the life, aren't you..." Lubb: "well I got 3 babies, and one on the way." Luks: "I have 3 too." Luzuko: "shame." Luks: "kids are wonderful, uzobona wena, they're heaven's gift to earth. Uyashiywa." Lubb: "and if you don't catch, sizok'khiqa." luzuko: "oh, PLEASE, don't threaten me with a good time." he said sarcastically. Luks: "mxim." Lubby stood next to the machine and looked at the plug. Luzuko: "what are you doing?" Lubb: "I wonder if suddenly this machine stopped." luzuko: "you wouldn't." Lubb: "try me." Luzuko: "okay okay! What do you want?" Lubb: "firstly you'll respect us xasithetha because you're the youngest." luzuko: "nah, you can't bully me. Matter of fact. You won't." Lubb: "don't make me pull this plug Luzuko." luzuko: "oh please don't?" he yawned. Lubby snatched off the plug, Luzuko laughed. Luzuko:"you fell for that too? Uwoah, hayi umuncu One." Lukhanyo chuckled. Luks: "luzuko can you stop? Si-serious ngoku nyan." luzuko: "nam I'm serious." Luks: "but can you give us a chance? Then afterwards you can decide ba ufun thini." Luzuko: "you expect me to sit with you all day long? Hayi cha. Angekhe ngikhone." Lubb: "kanti uzokhona ke. Lukhanyo run him a bath." luzuko: "you must be the square root of negative one because you cannot be real." Lubb: "kanti I am. Phakama." nurse: "I strongly suggest you not to do that. It could set him back." Lubb: "and that'll give us more time to bond." luzuko: "nigga you are not bathing me!" Lubb: "ucimb'zohlala naban ungavasanga?" luzuko: "nobody forced you to be here! You are violating my privacy!" Lubb: "too bad. Stand." luzuko: "Nurse do something!!" nurse: "can I take it from here?" Luks: "you better not act smart." she helped Luzuko up and they held him to the bathroom. Luzuko: "ndiphethwe kakbi apha." he mumbled. Luzuko: "I swear the first chance I get, I'm leaving these idiots behind, bayondichol'ecamkwe langa. Bloody swines." the nurse bathed him and dressed him in an Adidas track suit. Walking slowly back to his bed. Luzuko: "I have to take my treatment and sleep. So ndicela a couple of hours." Lubb: "okay. Do you need anything?" luzuko: "nope. Thanks for coming." Luks: "sizobuya after 6 Luzuko. Try just one move. Uyaw'ndibona." luzuko: "I won't bhuti. Trust." the walked out the room. Luzuko: "azimuncu man ezi. Kanti abandaz kakhle. I'm fucking

Qhandine half day, do you want to go out and have lunch?" I missed her

ndalibala nokozela. Me:: "yuh, sana uzohamba nohagwana ke." Sbosh: "ayikho lonto peto. You're adorable." me: "I don't feel adorable." Sbosh: "stop stressing peto yam. You're beautiful and glowing. Awuzobane ntombi na?" Me: "nope, its a boy." Sbosh: "yoh, that'll be a very sexy boy." Me: "hahahahaha! Mxim Sibongile. Jonga Lutha une gama elitsha alithandayo. Ngu Hayi." she laughed. Sbosh: "kodwa peto yiqeqana yam leya. Ayiva tu." me: "yuh akeva nyan umntanam. And imbi lento yakhe. Maybe I'm too soft on him." Sbosh: "you're not. uyanqanda nje." Me: "maybe funeke ndim'bethe? Yuh andizokwazi kalok." Sbosh: "a little spank won't hurt, nje kancinci. Ayazi into erongo ine consequence." I went to get dressed. Me: "Lukhanyo usuka apha." Sbosh: "I saw him downstairs. Yandibuza ndiphangelaphi ngoku. ndadlula ingathi kutsh'umoya. Uzandithin? Une issues lamntu." me: "ezi major." I twisted my hair with a tennis racket yenza dreads ezincinci. I had to dye my hair caramel again. The color looked nice. Me: "peto, is it ideal to put chemicals on my hair? Ngoku ndimithi?" Sbosh: "njani kengoku peto?" me: "ndifuna udye ntloko." Sbosh: "andiyazi ke tshomi andifun uk'nika advice ewrong. Call your doctor or consult google." Me: "ndizoyenza later. Let's go." I took my bag, locked up and we left. taking a taxi to Summerstrand. It was a windy but sunny day. We took a walk to the restaurant, got a seat and chilled. Then ordered. Sbosh: "so, how are things?" Me: "Yoh Sibongile. Things are hectic." Sbosh: "I heard Luks is getting married again." me: "oh?" Sbosh: "you didn't know?" Me: "I saw the woman ngok bendise abantwana." Sbosh: "sorry wethu peto. Kuzolunga." me: "I actually don't really care what he gets up to. As long as my children grow up in a postive environment." Sbosh: "and Lubby? Unjani yena?" I smiled and looked away, like I just saw him. Sbosh: "hello?" Me: "he's okay. A bit secretive lately but uright." Sbosh: "shame tshomi. usamthanda nangok?" me: "ndizophinda ndim'yeke NA my friend?" Sbosh: "peto yam, ndingathi mna follow your heart. But the problem is, its your ex's brother. you will be crucified for it. But then again. Xa umthanda umntu, you don't give up." Me: "but?" Sbosh: "but, Lukhanyo will make it extremely difficult for you. Soze wonwabe, he'll make sure of it." Me: "its not up to him." Sbosh: "Lihle, Xhanti got shot. Luckily he's still alive. First it was Xolani now Xhanti. He's killing our X's." me: "that doesn't mean udutyulwe ngu Lukhanyo. He wouldn't." Sbosh: "you think?" actually no, I didn't think that. What if he did shoot him? But for what reason? Sbosh: "yabo? He chooses easy ways to get rid of a problem. Wena, just focus on the baby in your stomach for now. Ukhe ume ngayo yonke enye. I've been through similar shit. Abantu judge that you're easy kuba ulalwe zii-brothers. When you get pregnant, they shun you and humiliate you. Ubizwe ngezithuko zonke, nobody by your side, funeke for 9 full months uncekelele lonto. And the one person that gives you attention yile ndoda. Yabo ba ndiyayazi?"

I've been through it, yile troupe yakwa Mzinyathi. I don't know noba Lubby is different NA, so I can't judge." my phone rang, ndaphendula. Caller: "what do you call a star in isiXhosa?" it was Lubby. 😊^_^ Me: "inkwenkwezi" Lubby: "well, nkwenkwezi yam unjani?" Me: "ndiright wena unjani?" Lubby: "I'm good. Nkwenkwezi yam edubulayo." I laughed. Me: "whaat?" Lubby: "shooting star alok baby." Me: "you are crazy." Lubby: "yes, I believe so. I hope you don't mind me butting in ne? I booked an Antenatal class for us, siyokwenza istretches and stuff. then we'll learn about other things." Me: "this isn't my first child Lubby, I know what to do." Lubby: "it won't hurt boo boo, I promise. Our appointment is at 3pm. Be well rested okay?" Me: "okay." Lubby: "should I get you anything?" Me: "nope, I'm good." Lubby: "cool then, I'll come by to collect ya...Mwah." me: "bye." I hung up. Me: "he wants us to go to birth classes. This isn't my first, but akafun nova. " Sbosh: "I wouldn't be surprised if he wanted to help you give birth, the way he's so involved." me: "I hope not." we ate our food and had another 2 hours talking. I was having a serious debate in my head about my other wants. Sbosh: "awuse kude tshomi. Masambe, it looks like its going to rain." Me: "yeah. Let's." we parted ways at the taxi rank I took mine home. It had started raining. I changed into something more comfortable and a blanket on the couch, watching a movie. Andiphindi, ndiphume mna ngoku. Yageza uLubabalo. A couple of hours later, I heard knock. I opened. He walked in the flat.. Lubby: "boo." me: "hey." he sat next to me and watched TV, cuddling Under the blanket. . Lubby: "how was your day?" me: "a bit boring since bengekho abantwana, but I also saw Sbosh for some time which brightened my day." Lubby: "why didn't you call me?" me: "thought you were busy." he held my thigh, I didn't say anything. A sex scene came on the screen. His hand moved further up my thigh. The girl on TV was screaming her lungs out. He touched in between my thighs, I was already wet. He smelt soo damn fine. His fingers playing and rubbing. I opened my legs and he inserted one. I looked at him, he kissed me. Finger humping softly. The way he touched it just ignited deeply. I touched his hard cock. he pulled out his finger slowly, circulating my clit. I just moaned out loud, unable to control it. Laying back with my legs sprawled, he went underneath the blankets sucking me. I wrapped my legs around his head, breathing heavily. His finger inserted again, but he didn't stop eating. Me: "baby???" Lubby: "yes?" me: "I think I'm about to climax!" Lubby: "oh mntu wam...khenze ndibone... Come sthandwa Sam. Cithel uDaddy." he shoved his tongue deeper. I screamed! Me: "Lu-ba-ba-lo!" Lubby: "yeeea?" I moved my waist, his tongue teased me. Lubby: "its literally breathing my name....I loove that." he slurped in further. Sending electricity right through my body. I climaxed long and haardd!!! With a deep ass sigh of relief. Lubby: "you are soaking wet..." I pulled down his pants and got on top of him. Entering his big boy.

The satisfied smile on his face as his eyes closed slowly, enjoying every second of pleasure. I moved up and down, kissing him. Rotating my waist. He was beyond hungry. I stopped kissing just to watch his helpless face. Sweating and Thirsty. Lubb: "don't you ever.....stop." I went a bit faster. Me: "Lubby..." Lubb: "nana? Yes baby!" me: "oohh, baby mannii..." Lubb: "you're doing a great job sthandwa Sam. Don't stop!" me: "I'm.....ooohh fuck." Lubb: "me! Fuck Me." I went faster. He groaned louder. Lubb: "Lihle!!!!" Me: "baby?" Lubb: "lovey?" Me: "honneeeyy!!!" Lubb: "mntu wam?" Me: "ohhh Sthandwa Sam!" Lubb: "YES!!!!" he got up, holding me against the wall. I turned around, wangena emva. Me: "daddy?" Lubb: "oh hayi mntu wam!" Me: "whaaaatt.." Lubb: "you're gonn make me.....come." he humped faster, I humped back. Lubb: "shiiitt! Biza baby..." Me: "Daddy...." Lubb: "huuhh???" Me: "baby!" I was reaching the climax, slowly. Lubb: "Lihle!" Me: "ohhh....daddy!" he rubbed my clit while he humped faster. Lubb: "almost....." Me: "Yea?" Lubb: "fuckin yeah!!" his body was shivering, his blood boiled. He was at his point of no return. Finally reaching his orgasm. I followed soon After. He grabbed my body tightly releasing himself deep inside. Lubb: "yoooh. Wifey madoda. I think we've created another. And I love it.." me: "now you plain mad." he pulled out. I went to pee and we showered. Kissing and talking. Me: "baby, I want you, na na. Can't keep your eyes off my fatty Daddy, I want you, na na drunk in looove, I want you." Lubb: "We woke up in the kitchen saying, How the hell did this shit happen? Oh baby, drunk in looove we be all night." we sang together and danced like silly idiots. After an hour we got out, and went straight to bed. He cuddled himself with my big belly. We were both tired and sleepy. Lubb: "I love you Lihle." Me: "I love you too Lubabalo. Goodnight baby."

That evening, Lukhanyo was in a meeting with his gang. He was pissed off. Luks: "you did a BAD job. Bendinithembile! But that fucking idiot is still alive!! Lucky??? Lucky was with Anelisa at hospital. Her arms had bandages on them. She was a bit drowsy. Her mother was sitting next to her. Ma: "mntanam?" Anelisa: "mama." ma: "yuuh, ndicela uxolo sana lwam yhini NA kangaka sthandwa sentliziyo." Anelisa: "its okay mama." ma: "hayi mntanam. Ayikho okay tu. Ma: "mfo, usafuna nton apha!" lucky: "uxolo mama." Anelisa: "mama ndicela umyeke." ma: "usure mnatanam? Because ndiseno khulula is'hlangu ndim'ngene ngaso." Anelisa: "please....don't." her mother got up, squinting her eyes, her nose up and pouting her mouth. Then walked out. Lucky: "baby, ndicela undixole, ndim wonke lo ukwenzela iz'manga. Oko umelene nale kaka yam. And ndiyaz'bona ba I don't deserve you kodwa ndiyak'thanda and andikwazi uyeka." Anelisa: "Lucky, you cheated on me more than once. With a MAN. You have been treating me like your slave all these months. Awandichazela status sakho instead you carried on fucking me wathula. You beat me all the time. I can't do this with you anymore, Lucky awuphinde utshintshe wena." lucky: "baby ndicela undixolele. I never meant ukuvisa kabuhlungu. I know I was wrong, if unondipha one last chance ndikubonise Anelisa. If bendingak'thandi ngendingekho lapha. Ever since this happened I've been by your side because beku suppose ndim lo uleli apha. I know uyandithanda nawe, qha uz'bambile because of the shit I do to you." Anelisa: "yuh hayi lucky. Andizokwazi mna. Rather I be alone." lucky: "oh hayi mntu wam...." his eyes were teary. This tugged at her heart a bit. Lucky: "please baby wam..." a tear fell down his face. Anelisa: "andiyazi Lucky.....just give me some time." lucky: "undifownele babes, whenever you need me." Anelisa: "goodbye Lucky." lucky: "ndiyak'thanda Anelisa, ungay'libali lonto." Anelisa: "k." he got up and left. She couldn't turn properly, so she settled for that position to sleep.

Mandla was in his flat, fast asleep. He'd endured a long tiring day. Khanya came to visit him since she left Khanyiso with Busi. She unlocked with her key and walked in.

Khanya: "baby?" she whispered. He opened his eyes. Khanya: "awulelanga kanti?" Mandla: "ndikuve usangena eyardin. Und'phathele nton?" Khanya: "your favorite baby. Tinkies." Mandla: "ahhh, usisthandwa yazi." he took the caramel sponge and ate. Khanya: "so uhambe njani today?" Mandla: "ndine stress babes. Zange ndane nerves lewei." Khanya: "binzima Dan test?" Mandla: "no, kodwa ndizamile. andiyazi baby. Its stressing me." she massaged his shoulders. Khanya: "bae, I know you did well. kudala ufunda apha, all night long. Anyway, why is this so important to you? I thought you were just learning." Mandla: "ndifuna umenza proud UTa Lubby. Ngumntu wokuqala ondithembileyo wafezekisa iphupha lam. Wandinceda, wandi supporter. Ndifuna Abe proud." Khanya: "UTa Lubby?" her heart beat faster praying it wasn't who she thought it was. Mandla: "Ta Lubby, awunomazi baby. Uhlala eLovemore, une Mali qithi, uthetha ngathi ngumlungu. Hehe, yazi iyand'chaza la awti. Baby? umamele?" Khanya: "uhm yeah." Mandla: "first time ndam'va ethetha ndingekamboni, ndathi hayi sho gqwa, ngumlungu lo. Moment ndambona sancokola ndothuka lawey, hey leponi! Uthi uJenny kuthwa yi Ak-sent leyo. Ixhomekeka nge surroundings zomntu. Like Ta Lubby wakhuliswa ngaba lungu so uthetha lawey. But uyakwaz nawe uz'gobha ilwimi ne baby?" she nodded. She hated herself with every bone in her body. How could she tell her boyfriend, the man she was deeply in love with, that she'd once slept with his role model? That would tear him apart. But she hated lying and keeping secrets from him. This would change his relationship with Lubby, even though it happened long ago, before they even met. Mandla's phone rang. Mandla: "nanku baby UTa Lubby." he picked up. Mandla: "sure boss." Lubb: "molo Mandla, ugrand?" Mandla: "ndiphilile Ta, kuwe?" Lubb: "I'm good, uhm....ndifownelwa ngu Jenny apha." Mandla: "ewe Ta?" Lubb: "apparently, she's impressed. I hope you don't mind her telling me. She was too excited." Mandla: "khange akuchazele ndi score(e) ngaphi Ta?" Lubb: "hayi ndithe makangandixeleli. Ndizova ngawe ksasa. You give me something to smile about Mandla. You make me proud." Mandla: "enkosi Ta Lubby." he smiled. Lubb: "nahh...enkosi kuwe wena for having faith in yourself and dedication. For not being interrupted by the world. One day, you'll be whatever you like because of a few important things. Acceptance, Patience and Faith to name a few. Sho ke sani." Mandla: "ndiyabulela Ta." he hung up. Mandla: "YES!!!!" Khanya: "I knew you had it in you. I'm proud of you." she hugged him. Her heart was being eaten away by guilt and regret. She just couldn't take it anymore. With tears in her eyes. Khanya: "Mandla...." she sobbed. Mandla: "hayi baby...yinton ngoku...?" he hugged her tightly, holding her in his arms protectively. Khanya: "I know you're gonna hate me for this. But I can't keep it a secret because I love and respect you. I wish I could turn back time." Mandla: "kwenzeka ntoni

Khanya?" Khanya: "I slept with Lubby." he let go of her instantly. Mandla: "nini?" Khanya: "about a month or two before you and I met...I didn't know he was your friend. I shouldn't have." she got up and took her bag. Mandla: "kengoku uyaphi?" Khanya: "you're gonna kick me out." he pulled her back into his arms. Mandla: "Firstly. Lubby bengeyo tshomi yam ngoko. Okwes'bini mna nawe besingazani. Okwes'thathu Ndiyak'thanda Khanya. Ezidlulileyo maziyekwe k'la ndawo zikuyo. Ude ulile kangaka baby ngathi buyenz izolo. Hayi noko sthandwa...." he kissed her cheek. Khanya: "I am so embarrassed." Mandla: "at least undixelele before ndiyive ngabantu." Khanya: "I'm sorry." Mandla: "akho need mntu wam." he wiped her tears. Mandla: "awusafun phuma? Siz'khuphe?" she nodded. Mandla: "andihambi no Nokhalayo ke mna sisi." she giggled. Mandla: "nankoke umntu wam. Nxiba ke sizohamba."

Chapter 598

The next morning Lukhanyo went to visit Lisa from her workplace. She was pleased to see him. Lisa: "hey sthandwa Sam. I missed you so much." kissing his lips. Luks: "nam baby. Wenza ntoni?" Lisa: "sure." she walked to the bedroom and put his presentation aside, taking out her own. She would now do things HER way.

During the afternoon, Luzuko was busy with his physiotherapy. Lukhanyo went to help. Luks: "kodwa you've got a big mouth Luzuko. Ungu mngqundu." luzuko: "ndiright. Luzuko: "erh..bendikwi car accident." nope this definitely didn't sound like Lubby. Me: "car accident?" they stumbled in together. Luks: "hlala apha." they sat down. Me: "what are you doing here?" Luks: "ngu Luzuko lona. Did Lubby tell you about him?" me: "kind of." I didn't think bebefana leway. Luks: "luzuko this is Lihle. My ex wife." luzuko: "khange uthi ngumntu ka Lubby NA? Lukhanyo was up to something umzise for ukuthin lomntu apha? Ba mandim'thin mna? He was making me nauseas right now getting on my last nerve. Me: "Lukhanyo you have a house with our kids. Uzothin apha." Luks: "Luzuko wanted to say hi, awunayo recipe yentlungu? Laway wawundiselisa yona xa ndigula." me: "you came all the way here for iyeza?" Luzuko: "sorry ngokuhlupha wethu. Luks: "I know you don't." he sat on the bed. Luks: "its just...I'm trying to get a business up and running but I can't do it because my money is frozen. Since the investigation." me: "create another account and transfer it. Because kudala usithi uzayeka lento yakho awude uzame." Luks: "its not that easy Lihle. You don't just simply stop. You remember how bad things got when I wanted to stop." Me: "sell it Lukhanyo." Luks: "what?" Me: "sell it to someone and get rid of it!" Luks: "what about Ta Smig? If I sell it, what's he going to do?" Me: "haike Lukhanyo andizoyaz ba ufuna nton nge ntliziyo yakho. And Suza kum thetha nomfazi lo wakho." Luks: "I haven't told her about these things. Andifun ungcolisisa relationship ngento zam ezi phantsi." Me: "well then think of something quick. Usebenzisa eyphi Mali ngoku? And petrol? Food? How are you coping?" he looked at me shyly. Me: "its mine isn't it." Luks: "hayi Lihle. Its ours." me: "okay. Banjani abantwana?" Luks: "Luhle is doing great. Lutha is his usual self." Me: "when you planning on bringing them back?" Luks: "ndithe 2 weeks nje. Unless you're planning on going overseas for about a month...." my heart stopped beating. How did he know? Did he install a bug in my room? Me: "uthetha nganton kengok?" Luks: "nothing. Sendisitsho qha kanti are you?" me: "nope." Luks: "good. Kuthen ungam'hoyanga omnye umntana." Me: "Lukhanyo ndicela nihambe tu. I'm busy." Luks: "okay...ndiyahamba. Thanks for trying to tolerate me. Akusuba ndifuna ukuk'dika. Its just that, things with Bafo are still rocky, I can't just say anything. Then Ta Smig is ignoring me even so, ebezandithuka ngoba weak." me: "just try and sit down noLady wakho. If she really loves you she'll accept you for who and what you are. Plus all your baggage." Luks: "what if uyandilahla kengok?" Me: "nah. She wouldn't. Try her." he looked thoughtful. Luks: "okay. Bye then." he walked out to the lounge. Luzuko was sitting next to Sbosh chatting to her. She looked pissed off. Luks: "masambe Lusko." luzuko: "ha.a Lumnyama. Mzimba akavumi." Luks: "funeke siku qhelise ukwazi uzihambela." Luzuko: "usis' Sbosh, will take care of me." Luks: "mxim. Masiye fondin." he picked him up and dragged him out. Luzuko: "enkosi nawe sisi." Me: "pleasure." they got to the car. Luzuko: "so, I see what's up. You want to destroy the relationship right? Since ek'xhuthela?" Luks: "its never going to work kakade. The whole family disagrees. Eventually, their little crush will Die. Kakbi. That's where

you come in." luzuko: "will I be getting paid?" Luks: "Yes. Most certainly." Luzuko: "here's what... How about silinde kancinci. If it wasn't meant to be, it will end soon. Don't interfere." Luks: "no man Lu-" Luzuko: "nahh listen to me. I know andikwazi much but I know you love your brother. You're really hurt right now and I understand it but akhonto ibuhlungu more than letting life pass you by kuba ufuna unyisa umntu ungade uphumelele. The best way to seek revenge is to keep calm and do you. When you're doing better for yourself, that's when they notice you. You're a cool guy and uthetha ngomsindo. I can hear it in your voice awuxolanga. You need to start accepting this is life Bro. Myeke uLubby enze Le ayenzayo don't let it intervene in your life. I'm not saying wenza into entle. Kodwa nawe uzophela udika abantu ngoba bitter oko. You say have a girlfriend? Focus on her, spoil her. Do all the things you should've done in the past. With her. Make things right. Okay? this whole plotting to make him pay thing sucks for real. I'm sure you don't want to lose your twin brother just because of a chick." Luks: "but he betrayed me Luzuko. Uyenza njani lanto kum?" luzuko: "Lukhanyo suzisokolisa mfethu. Kodwa its clear kudala umane ngoy'expresser Le feeling and it hasn't changed anything between you." Luks: "I don't know what else to do. The fact that he led me into believing he cared kanti all along he just wanted to fuck my wife." luzuko: "andikwazi um'phendulela ke mna. Or justify lento ayenzile. Phela mina ngekhe ngiyenze leyonto. You need to be honest with yourself and improve the things that are negative about you. Start by acknowledging your faults, listening to house music and driving to Kwa Gqalane cuz that's where we going! Azishe!" Lukhanyo laughed. Luks: "sizobethwa sinye ngu Lubby." luzuko: "mxim, Lubby has zero chill. We tryna get it." Lukha drove to the tavern. His phone rang. Caller: "I have a job for you. Tonight. Get your boys ready." Luks: "Ta, the team is a bit rusty. Its short notice." caller: "this is why you're the best in the city. Lukhanyo, if you love your kids.....you'll get the team ready." he hung up. Luzuko was dancing in the passenger seat. Luks: "I have to take you back to the hotel." luzuko: "ha.a alok besine deal. Siya kwa gqalani." Luks: "something just came up luzuko." luzuko: "what are you hiding from me?" Luks: "nothing." luzuko: "thetha fondin." Luks: "I am involved in a couple of activities." luzuko: "what? Do you play netball or something?" Luks: "ndili gintsa Luzuko." the rest of the drive to the hotel was a quiet one. Luzuko went up to his room, quietly. Luks: "Luzuko, I hope this doesn't change anything." luzuko: "you are a criminal. You terrorize people, steal from others to make a living?" Luks: "don't act like you've never taken something that didn't belong to you." luzuko: "no actually I haven't. Ayikho ntle lento uyenzayo Lukhanyo ingathi awukho mdala. A gangster? Like what the fuck were you thinking?" Luks: "jonga Luzuko, khandikhule kamand ndintofontofo nje ngawe

noLubby! If my life disgusts you then fine! I was never fed with a silver spoon, into ezintle ndiz'fumana ngok sendikhulile! So excuse me for my embarrassing past!" luzuko: "I didn't mean it like that Lukhanyo. You're better than this." Luks: "mxim Luzuko. Don't act like you care when you don't. Kakade you didn't want to be part of the family so why act and pretend as though you're concerned." luzuko: "I didn't fuckin care kakade. Until I saw the pleading in your eyes. You need deliverance. ASAP." Luks: "you annoy the fuck out of me xa uthanda." luzuko: "will you be okay?" Luks: "ja ndizoba grand." Luzuko: "you are a physical stress. Ndizolala njani kengok mna." Luks: "you'll make a plan." luzuko: "be careful." Luks: "always am." he walked out. Then drove to New Brighton, putting together his team. Luks: "majita. Its short and simple. There's 3 vans coming. Two have the money, Le iy'1 is for security purposes. Lucky, you're throwing off that one with Sthe. Phaki nawe Lara ningena k'le yok'qala." he took out the AK47's. Stuja: "Ta Luks, ooSoldier are already in it for this one." Luks: "then I guess we'll have to show them who's boss. Get it moving, we have an hour."

Soma and his gang was getting ready for their next hit. Soma: "Svig, unxilile?" Svig: "ha.a boss." Soma: "uyozela?" Svig: "no Soldier.." he gave him the gun. Soma: "you better not fuck up. T-bo's, masiye." they got in the white polo. The others followed. They wore their balaclavas and got on the freeway splitting directions. Soma parked and waited. T-bo's: "what if abezi." Soma: "silence." he listened. After some time a van was traveling at a fast pace from a distance. Being chased by a GTi. Soma: "what the fuck!" t-bo's: "nx! Ngooban kehok aba." Soma started his car and raced after them. Hhe overtook both and slacked in front of the van blocking its way. Lukhanyo drove to the side of the van. Luks: "aim." Stuja set the gun and shot at the driver and wheel. The van lost its control. Rolling over in the road. Soma stopped Lukhanyo stopped. they opened the van. Soma: "always in my business huh?" they emptied the van. Luks: "isn't it a pleasure to have me." Soma: "one down two to go. Masiye." they both drove off. The second van had seen what happened and alerted the police immediately. The two VW cars raced after it. Stuja and T-bo's shot at it. To their surprise. Someone started shooting back. Luks: "Shit!" the windscreen broke open. They both ducked but continued nonetheless. Soma signalled to Lukhanyo to slow down. He did. Soma drove right next to the van. moving a bit further away. Luks looked out his window and aimed at the tyre. He shot it twice. Soma crashed into the van pushing it off the road. The boys stopped their cars and aimed their guns at it. Two men crawled out the damaged vehicle. Soma shot them instantly. Luks got to the truck and unloaded. They heard sirens from a distance. They took off immediately to hide the cars. Lukhanyo had a taxi waiting for him. Luks: "thanks." Soma: "no use fighting

Lukhanyo." they shook hands. Soma: "I still don't like you." Luks: "I'm cool with that. As long as we splitting the profits equally." Soma: "no problem." Luks: "so we'll go to your place?" Soma: "this doesn't make us friends. Masambeni. We just merged teams to cover both our arses. Let's not get it twisted." Luks: "still. Two leaders are better than one. Khayek uzenza iking." he sat down. Luks: "hold the fuck up.....one of our cars is missing." they both sprinted to the GTi. Lukhanyo sped off.

Me: "kuba wena utheni?" Lubb: "uzund'jonge kakhle mami." we carried on talking about his kids. And how excited he was about the trip to see Luyanda again. We went to get take aways. Ndabe ndibona a

black Mercedes Benz looking dodgy and out of place. We went back home to eat and bath. Lubb: "Lihle, I'm getting a bad vibe..kuthen ndinovala nje?" me: "maybe you're excited?" Lubb: "nah. Its deeper than that. Kuzokwenzeka into." me: "you're imagining things Lubabalo. Everything is fine." Lubb: "ndicela sithandaze baby. Something just doesn't feel right." I could see he was really uncomfortable. He put a pillow on the floor and helped me kneel down. He started praying.....

Just after midnight, Lukhanyo and Soma found Lucky's abandoned car on M17. They weren't in it. It was empty and locked. Soma: "so for sure bahamba ngenye." Luks: "either way, andidiban nomntu ozoveske anyamalale mna." he called Stuja to start searching around. Soma: "masiye sani. Abekho apha aba Bantu." they got in the car. Soma drove into Motherwell. Lukhanyo called his friends. Stuja: "boss. Zishubile aphe Blawa. Buyan." Luks: "siyeza ngoku Stu." he hung up. Luks: "masijike." Soma: "yinton hok fondin." he turned the car around and went back to New Brighton. He passed two cars that were parked in Ferguson road, they immediately started following them. The black Benz flashed his lights at them. Soma: "nguban lo Lukhanyo?" Luks: "keep driving!" Soma stepped on it. Soma: "Lukhanyo, yi BENZ leya. In case you didn't fucken notice! An AMG!!" Luks: "ngena on your left." the car was turned around. It spun to the left. He turned it around and drove again. The Benz still on their tail. Just before they got to the circle. Gunshots were fired. the back window came crushing down. They both lowered their seats. Soma: "Lukhanyo!!" Luks: "khome Soma! I must get rid of him." Soma: "hey! Sundiphambanela wena! Nd'zothin Ku Lubby when you get shot in the fucking head!" another gun shot hit the boot. Soma swerved side to side to avoid them shooting the wheels. Shit wa getting real. Stuja's car came speeding before them. They entered the circle. Kwa KK was emptier than usual. Driving in circles, Soma's team came through. Parked and shot at the cars. Soma slipped away quickly. Soma: "where can we hide out?" Luks: "let me call Lubby." Soma: "do that!" he called Lubby quickly. Soma hid the car in some bushes, switching off the lights. Luks: "he's not answering." Soma: "try again!" he tried too. Still no answer. Luks: "we have two options. His house or the hotel." Soma: "what hotel?" Luks: "we have another twin, staying there." Soma: "bad idea. Bazocimba nguwe if they see him tell him to keep out of sight. We have to try something else." Luks: "masiye kwa Lubby ke." Soma: "what makes that safe?" Luks: "nobody enters Lubby's kingdom. kudala ndisithi uyathakatha lamntu masambe." Soma drove out the bush with the lights off scouting out for whoever's watching. Luks: "all clear." they drove quickly to Lubby's house. The gate was locked. Clearly nobody home. Soma: "do you have another plan?" Luks: "Lihle." Soma: "no. They'll find us eventually. And asikwazi u-risker bam'fumane. She's pregnant." Luks: "we can't exactly stay here all

night." Soma: "call inside! Akekho umntu oncedisayo?" Luks: "fuck! Lubby is leaving to transkei. So he sent Sylvia home for sure! Soso yena?" Soma: "he will surely kick us out because uhleli noMandy. We can't risk our parents. Or girlfriends." Luks: "qhuba Soma siye Ku Lusko. I guess we'll have to drag him along with us." they drove to the hotel. His phone rang again. Luks: "nanku Lubby." Soma: "pick up!" Luks: "hello?" Lubb: "7 missed calls Lukhanyo? Who's dying?" Luks: "Me damn it!" Lubb: "you don't sound like you dying though." Luks: "uphi?" Lubb: "I'm out. Wena?" Luks: "ndiya Ku Lusko, I just came from your place ndine ngxaki. We're being followed by someone and ngath unomsindo." Lubb: "ubani Lukhanyo?" Luks: "just meet me at the hotel." he hung up. Lubby woke up and looked at me. Lubb: "Kumkanikazi yam." I knew he was gonna use that phrase since he asked that afternoon. Me: "yinton baby?" Lubb: "Lukhanyo's in trouble. someone is following him." me: "why would someone be following him?" Lubb: "umazi nje Lukhanyo uyageza. Will you be okay?" me: "yes. Hamba love." he kissed me and got up. Dressed and left as quickly as possible.

Luzuko opened his door for Lukhanyo and Soma. Luzuko: "I have been worried sick! Uvelaphi?" Luks: "not now Luzuko." luzuko: "and who's this?" Luks: "Soma, ngu Luzuko, luzuko this is Soma." he locked the door. Luzuko: "kwenzekan?" Luks: "the less you know, the better. Silinde uLubby ngok." luzuko: "Lukhanyo. You can't just barge in here and throw tantrums. Uphinde uthi andikwaz uyazi. Chopha ke bhuti uy'chaze lendaba. Soma, do you want a drink?" Soma: "another Lubby. My God." luzuko limped over to the bar fridge and took out a sealed bottle. Someone knocked on the door. Everyone froze. Luzuko: "guys, my bladder can't take this stress." he whispered. Luks: "shhhh..." another knock on the door. Soma took out his gun and pointed to the door. Signaling with his head. Luzuko: "hayi uyanya bhuti andisoze kalok, not mna." Lukhanyo hid with his just behind the door. Lubb: "NILELE NA??" he yelled. Luzuko: "oh my God!!!" he sat down and breathed. Soma opened the door. Lubb: "tshin ukhona nawe. Kuthen ningavuli kengoku?" Luks: "we're taking precautions." Lubb: "what precautions? What happened?" Luks: "where have you been Lubabalo?" Luzuko: "now is not the time. Lukhanyo kwenzekanton?" Luks: "Soma and I besi busy. We took a couple of bags, next thing lucky goes missing so I go back siyomkhangela and boom. We're being followed." Lubb: "you went to go rob and got caught?" Luks: "Lubby khayeke man!" Lubb: "nah, I'm tryna piece the puzzle so we can find a damn solution!" Luks: "you were the one that cut me off! Bufuna ndizok'cenga! You knew exactly how I make money bufuna lento kakade! I wouldn't be surprised if you're the one behind this because the big shot billionaire has secret warehouses full of his millions guarded and secured! Now you're having me killed because kalok andina Mali mna!" Lubby grabbed Lukhanyo and pushed him to the

bathroom. He closed the door. Lubb: "I didn't cut you off because I wanted you to suffer. Bendingomsindo and I didn't want anything to do with you! I know bendingi wrong okay? I didn't mean for it to go this far!" Luks: "so you wanted me to beg you for money!" Lubb: "no Lukhanyo! You're smart. You can make your own! You know this. Ingxaki yakho kuz'underestimator because you've got what it takes." Luks: "this money was supposed to help me start afresh. Ndenze Le business." Lubb: "ngeyaka ban lemali?" Luks: "some loan bank. Ndithunywe ngu Ta Smig." Lubb: "okay. Call the team in we'll have to turn this town around kwangoku!" Luks: "sizoqala phi! They're everywhere!" Lubb: "sakhe sohlulwa yinton kqala Lukhanyo? From little boys to Men. 'Menace To society.' This time they'll get it right. Iza." Luks: "what about your son?" Lubb: "I'll go to Luyanda...when we done." Luks: "jonga Lubby. I can handle this. Okay? Soma and I got this covered." Lubb: "Lukh-" Luks: "no Lubby. Let me fight My battle." Lubb: "I can't let you do that. I'm sorry." Luks: "awuna choice Lubabalo." luzuko knocked on the bathroom door. Luzuko: "me and my bladder are going through some issues. I need to take a piss." Lubb: "khame Luzuko. Lukhanyo, don't do this." Luks: "why don't you have faith in me?" Lubb: "its not that I don't. Just.....okay fine. But we're finding Lucky first. Then ndibuye umva." Luks: "nantso ebendiy'funa. " Luzuko: "well EXCUSE ME DAMN IT! I NEED TO PEE and SHIT!!" he yelled. They opened the door. Luzuko: "tshin Nkosi enofefe, Thixo Somandla, Mdali wento zonke." he stumbled in and pushed them out. Lubby called Mandla and Mabheka. They started searching for their friend. Lubb: "njani ba anikam'boni Mabheka!" him: "Ta Lubby. Sim'qibele izolo, but siyajonga ngoku. Yeeeyi Ku heavy eBlawa vannag. Ngu qhusaaa." Lubb: "call me when you find him!" mabheka hung up and drove with Mandla loading their guns. Mandla: "olady lika Lucky?" mabheka: "soqala khona." they went to his mother's house. The door was wide open they heard screams from inside. Mandla walked out and started shooting. BHA BHA!!! Two shots in the head. He dragged the body out. Mabheka came in and looked for the little girl who was lucky's sister. She was hiding in a cupboard. Her mother crying in a corner. Mabheka: "olady, uphi uLucky?" ma: "andimazi bhuti." mabheka: "akho ndawo end'nokusa kuyo for namhlanje? Ak'sekho safe for Nina uphi uAmy?" he searched under the bed and cupboards. Mabheka: "iza baby girl." she shook her head and screamed. Mandla: "fondin masambe! Ak'sekho s'khathi! K'zofik amarhathi apha!" mabheka: "as'noba shiya leway Mindlo's!" Mabheka: "Ta Lubby uthe funeke sim'fumane uLucky before liphume

elalanga Mandla! Sizothini!!" Mandla: "khayek panicker Mabheka! Sikhangel ooStuja." they drove back to New Brighton. Stuja, Lara and Phaki met up with them in Algoa.. Stuja: "I doubt base khona abashiyekileyo. Lucky noSthe sibashiye eMama. Esbhedlele." Lara: "yila Benz qha eshiyekileyo." Mandla: "ngoban aba bas'bilisa impundu kubanda?" Stuja: "andiyaz Mindlo's. Two guys sat in it and stared at the little group formed. They pulled away slowly with the lights off and drove away.

Chapter 600

The next morning. Lubby was watching news. Lubb: "Bafo jonga." lusko and Lukha sat up from bed. Soma came out the bathroom. Luks: "last night though." Lubb: "hayi niyenzile into." he turned up the volume. Reporter: "there have been no witnesses to come forward, others are scared for their lives. Residents claim they are sick and tired of what these gangsters do in their presence, if they're fighting why not take it elsewhere? 9 bodies have been found dead on the scenes. The suspects who threw the 3 vans off the road have still not been identified. Mr Sathobe, what do you think might have caused this." him: "errrh....Miss, Mam. The problem starts when these people fight on their own. They are very dangerous. Errh...our children are not safe in the street anymore. They play inside the house. We are always afraid, because even going to shop is not safe. Maybe you passing by, they fight them Bam! Udutyulwe ubhubhe. They fight on their own. Siyoyika thina. Asisazi noba sithin. Abantwana ndibasa eKirkwood, I can't take this risk." reporter: "thank you sir." Lubby switched off the TV. Lubb: "so the guys wiped them out." Luks: "and found Lucky noSthe." Soma: "so now we can relax. At least its over." Lubb: "are we really that sure." Luks: "they're dead. There's no witnesses." luzuko was oddly quiet. He was really hungry but couldn't eat. He couldn't believe these people were talking about murder so lightly. How do they kill someone in cold blood? Ayina masikizi lento kubo? Lubb: "luzuko!" luzuko: "hm?" Lubb: "can I get you food?" luzuko: "no. I'm not hungry." Lubb: "your stomach is singing. You're hungry." luzuko: "nah." Soma: "what's wrong?" Lubb: "thetha Luzuko. What's eating you." luzuko: "did you really kill all those people?" he whispered. Soma: "he's gonna need a little bit of counseling. I need a shower, Luks, sizodibana." Luks: "sharp." he walked out. Lubb: "luzuko, listen to me." luzuko: "no Lubabalo. You're murderers?" Luks: "not in that sense." luzuko: "what?"

The fuck you mean not in that sense! What other sense do I not know about?" Lubb: "we only hurt those who harm us first." luzuko: "Yesu, nyana we ntombi uMaria thethela." Luks: "luzuko, I know this difficult but we don't need to be babystepping you about this." Luzuko: "so you just Expect me to be okay with a room full of serial killers. Because one is bad enough. But 9?? No. Uh-uh. Fuck that." Luks: "Luzuko, we had no choice. They were coming at us. We needed to protect our family." luzuko: "it is the police's job to secure you. When you feel threatened!" Luks: "we are our own police." Luzuko: "what about your families? What aba Bantu bebeze kum and shot me without knowing I'm not You! What about your kids? What if you get arrested?" Lubb: "none of that is going to happen. Relax! Sizok'jonga, Luks will take you to his house. To recover, bafile aba Bantu. They won't come after you." Luzuko: "so no one will harm me?" Lubb: "no. You'll be okay." Luks: "you still leaving?" Lubb: "nah, let me wait it out." Luks: "no sizoba grand. You can take some time uhambe. Zobuya Monday mos. We'll be fine." Lubb: "yeah. If kukho into nje. Call me." Luks: "of course." Lubby walked out the room and drove to Lihle's flat. I was already awake making breakfast. I opened for him and he went straight to shower. I dished up when he got dressed. Lubb: "baby. Everything is sorted yeva. Just stay here though." Me: "I can take good care of myself." Lubb: "okay. I'll call every hour." Me: "that is unnecessary." Lubb: "to me it is. I love you Kumkanikazi yam." Me: "I love you too Kumkani yam.." he gave me a fat kiss. Lubb: "I don't wanna leave." Me: "you'll be back soon nje. Eat your food honey." he sat down and ate. He finished up and said his goodbyes once more and left. The black Benz drove away. "yalahla lentwana. Siyachola ke thina."

Hours later, Lukhanyo arrived. Me: "what's going on!" he closed the door behind him. Luks: "Eish...at least we've sorted it out." Me: "okay." Luks: "uhm, ndiy'buyisele Mali ke ne..." Me: "thank you. Mandy was really mad at me. Next time ndicela uthethe kakuhle uyicele." Luks: "sorry Lihle. I panicked and I needed it ngelaxesha." Me: "where's my other things?" he gave me the last bag he snatched from me, exhutha AMA card nee phone and I opened. It had my old phone, and wallet and little cosmetics. Everything I had in my purse. Me: "thought wazitshisa zonke." Luks: "not the bag. Look I'm sorry okay?" Me: "ndik'vile Lukhanyo." Luks: "Have you seen anything suspicious lately, aphe ndlin and around you?" Me: "suspicious? No. I live alone." Luks: "outside?" Me: "yeah, a black Benz but I suppose ihlala somewhere near because bendiy'bon ngath ilahlekile." Luks: "a black Benz? Where?" me: "when I went to go buy take aways." Luks: "this place isn't safe for you anymore. Ndicela uuzame uye Ku mamakho or ku tatakho for some time." Me: "why?" Luks: "because this war was started by this stupid black Benz. And if bakubonile, they'll think we're still

married." me: "oh. Ndizoya ndiyobona utata. So I'll stay there for a while." Luks: "okay." he sat down. Me: "what else?" Luks: "luzuko is a bit freaked out. Kodwa usendlin eFord noomakhulu. He refuses to speak to me." me: "give him some time. Not everyone is comfortable around this. But uzoyiqhela andithi force him like you did ku Thulani. Aren't you glad that at least There's One normal brother?" Luks: "I am, but ngaske Abe accepting, ewe uzohlalela kude. Now he's ignoring me and ndithetha ndodwa." me: "he'll be okay as time goes. Nawe don't expose him too much to it. Maybe before you showed him you should've explained." Luks: "too late for that now. Naye uLubby umnkile uye etranskei eksen uyobona Luyanda." me: "oh. I see. How are my kids doing?" Luks: "heee, Luthando ustout Lihle yazi. Wayetshilo ke UTa Seez zange ndim'hoye, ayimameli lantwana. Qiba ithi Hayi kqala uz'maqwel iyayaz ba irongo into." I laughed. Me: "now you know." Luks: "and abalali abantwana bakho, Luhle ndizom'lalisa nomakhulu mna ngoku, qho ndivuka behlel kunye noLutha bencokola nto engavakaliyo. Luks: "oh and I need amayeza ka Lutha, ingathi umane ngophefumla kabhlungu. Ebeshushu izolo." I took out the medication. Luks: "thanks. Well, ndiyahamba ngoku. Lihle enza uqibe uye kokwenu. Okay?" Me: "okay! Stop fussing." Luks: "unayo ke lonto." he took the medication. Luks: "I'll keep in touch." Me: "sho." he walked out. I sat down with my old bag. The only things I had from the past. I switched on my phone, the battery was dead. But I didn't want it anymore. Maybe I should just sell it. The bag? Probably worth 900 Rand. Selling it too. Giving away the make up and everything else except my wallet. I went to bath and came out to eat. Got dressed in skinny jeans. It was a mission and a half. I wore a peach maternity top with a white Elmer underneath. I twisted my hair and packed a little bag. then sat on the bed to call Mandy. I had to apologize. The phone rang for a while. She didn't answer. I sent her a message and Sbosh arrived. She was still in her uniform. Sbosh: "iza mfazi silate!" Me: "peto Mandy isn't answering my calls." Sbosh: "sizodibana naye at the venue when we're done you'll talk okay?" I took the bag and locked my flat. On our way to the bus stop I answered my phone. Me: "Hello?" Lubb: "sweetheart, akho signal apha. It is Bad. But I've arrived safely." Me: "I'm glad to hear that, unjani uLuya?" Lubb: "big babe. He is big. He's doing really great apha and he's a happy chappy. Nangoku ndihleli naye." Me: "undiphuzele ke Va." Lubb: "will do. We're on a mountain top by the way. I'll have to climb up here at least 6 times a day to get proper reception." Me: "hayi Lubby! You can't climb mountain tops with a baby!" Lubb: "I wanted to talk to you, and he didn't want me to leave, so I took him with. akhonto apha love. Its a natural place. Plus its beautiful, I'm taking pics." Me:

"kuyabanda apho!" Lubb: "stop fussing woman. Damn. I know you miss me." Me: "oh? How are you sure." the black Benz traveled at a slow pace behind them. Sbosh was holding lihle's hand while walking to the bus stop. Her other hand texting. They didn't notice. Lubb: "baby, I can't hear you?" Me: "iyaqhawuka Le phone." Lubb: "okay, use moyeni?" Me: "yeah, ndiyokhwela. We're going to the venue to prepare for tonight then mna ndiye ku Tata. I'm staying there for a while" Lubb: "yuuuh hayi kodwa. So mna andizokwazi thetha nawe kengoku." Me: "I'll call you when I'm on my way there. Then ksasa xandisiya ku Sbosh. Ndiphinde xandi goduka." Lubb: "okay ke boo. Daddy loves you ne?" Me: "I love you too.." Lubb: "say it." Me: "no." I blushed. Lubb: "come on...spit it out." Me: "I love you too daddy." Sbosh laughed out loud. Lubb: "undibulisele apho. Bye babe." Me: "sharp." he hung up. Lubb: "what have you got in your mouth boy? Iza ndibone?" he opened the baby's mouth. it was empty. Lubb: "hungry ne? Masambe ke." they went back to the house. The granny was getting his food ready. Lubb: "uhlafuna ulwimi xa elambile NA makhulu?" makhulu: "yoh, ndoyiswa mna kqala." she laughed. Makhulu: "unayo nento encanca ubhontsi." they sat down. Lubby fed his son.

After the decorating and food preparation Mandy and I got to talk. Sayohlala ebathroom because bekubusy kwela cala. Me: "peto, I was unprofessional and wrong ngom'nika into zethu uLukhanyo. its just that he need the cash kuba eyakhe was frozen and the kids account is fixed until they are 18. He should be able to make his own, and I know ndimane ndimenzela lame excuses. I'm sorry about all that. He brought back the money. All of it, plus interest. And ucela uxolo." Mandy: "I just don't know why you still do everything in your power to please him Lihle, don't you remember when he beat you near death? Kodwa just a month before that you got out a coma you were in for 2 months?! Don't you remember how difficult it was for you to speak? Because they WIRED YOUR JAWS shut ekophulile!! Kodwa here you are! Still making excuses for him! He bladed your head, Usene scar entloko ngenxa yakhe! Kodwa still Lihle ingqondo awuy'sebenzisi! And I never thought I would say this about him but Usis'menqe uLukhanyo Lihle. Esenja at that! Nawe andithi you were right with Lubby kodwa, Lukhanyo should have handled the situation better. Stop being a weak ass! Be the Bitch you used to be! Be bossy and dominant oluhlobo ndikuqhele ungallo!"

Don't let him do this shit to you! You are more than this Lihle! Eyona indenza umsindo akusuba he took the money. Its the fact that you cover for him! And he Stole it because khangе aqalise uyicela kuwe!! Stand up for yourself!!" she breathed heavily trying to calm herself down. Me: "I really don't know what's gotten into me Mandy. He is a lost soul and doesn't know what to do with himself." Mandy: "let him Be. Awuzophuma qhakuva emngqundwin! Myeke ayozi phuthaphutha k'la nkazana yakhe. She'll find him for him." she hugged me. Mandy: "I swear if he does this again. Ndizoku qhwaba wena mna ngempama. I promise you." Me: "uxolo peto." Mandy: "let me take you home, akasandi khaba uPrince mntaka bawo." Me: "hayi wethu peto, ndiya ku Tatam. Luk-" Mandy: "he told you to go right?" Me: "yes, but only because akafun ndibe ndodwa eflatin." Mandy: "then come home with me." Mandy: "ndingayoni drop estopin guys?" Sbosh: "ewe peto." we got in the car and she drove to the bus stop, it was before 6. So kind of still light. Mandy: "bye girls. I'll call kwak'sasa ke ne." Me: "he says its more peaceful and I have to admit it is because we get to play boardgames and cards together with a paraffin light. Andibalisele stories about his childhood. Its sooo nice." Mandy: "that is cute peto, you're really lucky to have such a cool dad." Sbosh: "babini Mandy." Me: "hayi Sbosh khayeke!" Mandy: "hnguban omnye?" Sbosh: "hayi mandivale umngunyo lo wam." we got out the car. Mandy went the opposite direction. Sbosh and I took a taxi. I got off at my dad's bus stop. Sbosh: "call me xa ungena mtshana Va?" Me: "okay mntase." I walked down the road, I was only a street away. I looked behind kwabe kungekho mntu. I was becoming paranoid. So I took out my phone to call Lukhanyo. The phone rang 3 times and he picked up. Luks: "yes?" Me: "I don't if I'm being paranoid, but I feel someone watching me." Luks: "where are you Right now?" Me: "ndilapha ngase stopin ndi-" someone held an arm around me and a gun to my head. Luks: "Lihle?" Me: "Lukhanyo." I sobbed. Luks: "just give the name of a place!" guy: "ndiku dubule unye..." Luks: "Lihle!!!" I couldn't speak. The black Benz came towards us and parked. Another man came out and took my phone. Guy: "mfake motwen." Me: "please..." he set his gun and pointed to my stomach. 🤩:o inimba? I got in the car immediately. He tied my hands and covered my eyes. I prayed for my child. Who were these people? What did they want? I felt the car start moving wabe umpu esahlel on my stomach. I had to breath in intervals. I needed to pee. The driver threw out the phone and drove over it...

Chapter 601

Lukhanyo started panicking. Grandpa: "yinton ngoku?" Luks: "Tata." he breathed. Grandpa: "thetha nyana." Lukhanyo went to the bedroom to his babies. They were sleeping peacefully together on the floor. Lutha was laying on his back. Luhle's head and right hand on his chest. Lukhanyo picked her up, kissing her forehead. He put them in one cot and left quickly. He went to Soma's house. Soma was with Thandi. Explaining to her what happened. Lukhanyo knocked and barged in. Luks: "askies fethu, I really apologize. I need your help!" Soma: "why? What's wrong?" he stood up. Luks: "they've taken her. Lihle undifownele esithi ingathi ulandelwa ngumntu, when I asked uphi kuba ndiyomlanda. Someone attacked her! I heard him esithi makafakwe motwen! Then it just cut off." Thandi: "oh hayi Nkosi yam! What about the baby?" Luks: "I don't know. Andiyazi. I really can't even think straight right now." Soma: "okay, masambe. Iza Thandi. We can't leave you here by yourself. Pack i-bag encinci." she packed changing clothes and toiletries. They got in two cars and left. They gathered with the teams. Almost 20 of them at KwaNgqoko. Luks: "majita, icacile we left a loose end. Right now, umfazi wam has gone missing. Akulalwa! Every single stone shall be turned and whoever's responsible noba umnye ubone into nimzise kum. I will deal with him! Masiye Soma." they got in the car and drove off. Luks: "cherri yakho uzay'beka phi?" Soma: "she's fine with me. Siyaphi?" Luks: "tshomi zika Lihle. They can tell us uyephi." they started at sbosh's place. She was about to bath. Lukhanyo knocked on the door. Luks: "Sibongile ndim!" Sbosh: "what do you want?" Luks: "Sbosh, this is honestly not the time, please open!" she could hear the urgency in his voice as she hurried to the door and opened for him. Sbosh: "what's wrong?" Luks: "uphi uLihle?" Sbosh: "she was suppose to call me ufika kwakhe.. Her phone is off so ndicinga inoba uku tatakhe." Luks: "iza noChuma Sbongile. We need to get going. Pack yourself a bag." Sbosh: "why?" Luks: "because they've kidnapped her! Get it moving!" she went to the bedroom and followed his instruction. Luks took a sleeping Chuma. The boy wrapped his arms around his father's neck and slept again. Luks: "ready?" Sbosh: "yes." they went to the car and drove to his house. To leave the women and child there. Granny and grandpa were in the lounge. Luzuko was playing with Luthando. Luks took Chuma to his bed and tucked him in. Locking all windows and burglars securely. Luzuko came in the bedroom with Lutha hanging in his arm. Luzuko: "what's going on Lukhanyo?" Luks: "lihle's been taken. I have to protect yonke inzala yam kunye nomama babo.. I still have twin girls in Summerstrand plus umama wabo. I can't reach uLubabalo lendaw akuyo akho signal." luzuko: "okay, I'll keep trying Lubby, mbolanda your kids. We'll keep an eye on things apha." Luks:

"Lusko, I know this is difficult for you right now. But you have to take care of my family apha endlini." luzuko: "what if bangene apha ababantu." Luks: "some of the guys will be outside to keep you safe. Andiyaz ndibuya nin." he kissed his son. Luzuko: "okay." Lukhanyo walked out. Soma drove out the yard.

I didn't know when I woke up. I was in a dark room. How did I even fall asleep kanti. It was cold and uncomfortable. The door opened. One of them walked in. Guy: "khulula." Me: "andikwazi bhuti." I sat up straight. Guy: "andizophikisana nawe mna." he grabbed me, ndazixhutha ndizidlikidla, I started screaming. The door opened again. Someone grabbed him and pulled him away. I thought it was Lukhanyo. Guy: "wenzan Sporo!" he dragged him out the room. Sporo: "ngu mbuzo wam kuwe lowo, Sira! Awumboni ukhulelwe lomntu!" Sira: "utyiwa yinton kengok wena." Sporo: "khandijonge." he turned to look at him. Sporo smashed his head into the wall. Sporo: "ndikubone net. Ndikuve net. Heh." he turned and walked away to take the food. He walked back in the room and locked the door. Me: "bhuti, I swear I can get you nantoni NA oyifunayo. Give me a chance." I couldn't even see his face. Sporo: "khulula." Me: "no..." I cried. Sporo: "I don't have all day sisi. Uzohlala k'lo jean kodwa umithi?" he gave me a bucket and a dress. Sporo: "I'm giving you 3 minutes." he walked out again. I took off my jeans in sobs and decided to pee while I still had the chance. I had tissue in my jeans I wiped and wore the dress. Which was surprisingly warm and veeryy long. I sat in the corner he walked in again and tied my hands together. Me: "if its money you-" Sporo: "Shut the fuck up." Me: "but ufuna nton kum!" Sporo: "umnyeni wakho! He has MY money. And if he doesn't bring it back.....he might never see you again." Me: "but we're separated." I cried. Sporo: "ucimba ubhanxa ban?" he took out a plate of food from the bag. Sporo: "the next would be your little friend, qha usijumpele. He's a smart boy...so ke, you'll have to do for now." Me: "he will give you back the money. Just Le-" Sporo: "khamisa." Me: "please bhuti." Sporo: "ndithe Khamisa!!!" he roared. I got a fright and opened my mouth. He gave me a spoonful of food. I chewed and swallowed. After the meal, he took out a water bottle ndasela nge straw. Me: "enkosi." he got up and just as he was about to leave. I pulled a stunt. It actually wasn't really a stunt because ndothuswe ngu Bambi. the giant kick he gave me. I gasped in shock. He stared at me. My boy just kept kicking. Sporo: "how many months?" Me: "8 and a half." I muttered a lie. I could feel the panic in his energy. Sporo: "uzaw'zala ngoku!?" Me: "I don't know!" I cried. Sporo: "nahh no, no, no!!! Fuccckkk!!!!" he breathed. Sporo: "ndik'thini mna xa unje!" Me: "just take me to the hospital...." Sporo: "unyile." he put down the bag again and paced around. Deep down lomntu uyasikeka yazi. There was something soft about his character but he covered it ngoba yilento ayiyo. Another animal would have let the

other do whatever he wanted, ngendingatyi. I would be dehydrated but kuba umntu ka Yesu exakwe yile meko akuyo he brought me here. Sporo: "yafuna manzi?" Me: "ndifun goduka." he bent down in front of me. Pulling out his gun. Sporo: "try that stunt one more time. I swear to Jesus uyozisola umzale ngomlomo lomntana." he hissed. He walked out. I stayed in the dark room by myself. At least I was full and warm. I needed to stay positive, at least for my baby, Lukhanyo is trying his best wherever he is. He would never let me suffer like this. Or would he? What if he was still angry at me and wanted me to die? Who were these people? I couldn't sleep knowing what could happen next. I literally sat awake the whole night. The room had only one small window at the top which barely brought in light. Today was hella cold. Even the blanket-dress couldn't deal. I shivered and brrr'd all alone. I don't know what time it was the next day, I could hear rain outside and a thunderous wind blowing. I was so scared of thunder. The door opened again. Wangena ubhuti. His face was covered in a balaclava. He held a blanket in his arm and food. If he was so mad, why was he being this nice? Me: "I need to use the toilet." Sporo: "unganyi ebhaketin nje." I looked to the floor. I might as well just shit on myself. He pulled me up and took me to the toilet. Sporo: "make it snappy!" I did my business and washed my hands and face. I was taken back to the room. Ingathi ndili bhanjwa. Sporo: "awugodoli?" I nodded. He gave me the blanket, then realized since my hands were tied I couldn't do anything. He put the food down and wrapped it around me. I tried searching for his eyes. He looked at me and looked away. Me: "bhuti. Do you have kids?" Sporo: "khamisa." I opened. He gave me a spoonful. Sporo: "No." I swallowed. Me: "a wife? Girlfriend?" Sporo: "No." he fed me again. Me: "but you know the feeling of love, from mother to child." he instantly remembered his mother. The strongest woman in his life. The love and care she carries. Me: "I know deep down you don't want to hurt me. You will get what you want, just think of the child in my stomach. The more I stress, the more its harmful kuye. In other words you're killing my baby boy." he played around with the food, ndabe ndibona akasa ziva tu ngoku. Something was bothering him, did he have a son? Me: "you know how I'm feeling." Sporo: "No. Khamisa." that little sense of hope vanished. Yangathi he felt nothing. Me: "whenever he's this restless.....his father sings him a song. Am'bambe, the bond they have....." Sporo: "andinguye Tatakhe kalok mna. He doesn't need to bond with me!" I started crying again. Sporo: "hayi man fokof! Ufuna nton ngok!" Me: "I want to go home!" I sobbed. He took out the gun and shot the wall ndothuka ndaval umlomo. Sporo: "shut your fucking mouth!! You are fed! You are warm! One of those priveleges will disappear uzukhe net uvule lomlomo wakho! Then you'll have something to cry about!" he sat down again. Me: "why ungaveske undibulale ngoku

ke?" I whispered. HE looked at my belly and continued feeding me. From now on I would shut the fuck up and be grateful I am not hurt and still taken care of, thanks to Bambino. I forgot about everything else and listened to my boy's kicking. I wonder ulala nini. My hands were tied in front so I could lay a hand and feel him. Traintrack stared at me abit annoyed. Sporo: "uhluthi?" I nodded. He wrapped the food in plastic. Putting it on the table. Sporo: "ndiyay'capkela lonto ndiyenzayo. But he gives me no other choice." ndavala umngxuyo wam mna because bekuthwe mandithule. Sporo: "I'm leaving for ixeshana. He needs another warning. Ndik'phathele nton?" just take me home! Good God. Sporo: "friend? Son? Daughter?" Me: "you have me! That's enough attention." Sporo: "oh? So now you suddenly gold? Xa usith nohlukene?" Me: "its complicated. There's...3 of them." Sporo: "of who?" bad mistake, I can't tell him they're triplets, they'll know what to expect. Me: "my children. We have 3 children together. This is our 4th." Sporo: "yuuuh. 4? Hayi uyay'khwela into yakhe lomntu ne." I looked at him. Sporo: "so nohlukene?" Me: "can I see your face?" Sporo: "answer my questions." Me: "yes, we're divorced." Sporo: "why." Me: "he was abusive. And I cheated." Sporo: "oh...." he sat down. Sporo: "uxolo." Me: "unyanzelwa yinton wenze lento? Borrowing me because this is not what kidnap is." Sporo: "ufuna ndithin? Let you starve? Make you my sex slave? Cuz I can easily do all that. But that's not me." Me: "then let me go home!" Sporo: "No." Me: "he will find you. And he will kill you." Sporo: "cool." he walked out and locked the door. I heard the Benz engine start and drive off. I got up and tried opening the door. It was either iron or aluminium. Or both! The window was too far. Even climbing on the table it was still far. This was an actual prison cell. I wonder if anyone can hear me. I screamed my lungs out. Cwaka. nothing moved on the outside. I tried untying my hands and it didn't work! There must be something apha! He used a bloody plastic spoon! And it was a paper plate. This person is fucken smart though 😞_- My Belt! I looked for my jeans ndiphatha phatha on the floor and took off my belt. I couldn't bend my hand to reach my wrist! Fuck! I got up and went to the door. Ndafaka ikhonco between the door frame and door. smashing on the lock ibenokophuka. This wasn't fucking helping. Ikhonco lebhanti Lithembelihle? Mxim. I went to look for something else. This room was empty. Giving up being tired and all ndahlala phantsi. I opened the plate and tried eating as hard as it was I managed. Ndaphinda ndahlala. The door swung open slowly. Ndataka ndaphakama! 😊:D I tip toed out. Passing another room and headed for the front door. Sporo stepped in front of me. Sporo: "uyaphi?" so fuckin chilled. didn't he just leave!!!!? Kanene akekho mnye apha? The tears rolled down my face pleading with him. He held my arms and pushed me back inside my cell.

Lubabalo was a bit distracted Saturday afternoon. He hadn't heard from Lihle since yesterday and he was starting to panic. He lay Luyanda down for his nap and walked out to his signal place. Trying to call her. It went straight to voicemail. He tried again. So he dialed for Luks. He didn't pick up. He couldn't. How would he explain this to him? Soma: "pick up Lukhanyo!" Luks: "fondin yamaz Lubby uzand'thuka!" Soma: "no he won't! Mxelele nyani qha wena!" Lukhanyo picked up. Luks: "yes?" Lubb: "molo Bafo. Kunjan?" Luks: "siyaphila mhlekazi. How's our son doing?" Lubb: "amazing. Have you seen Lihle?" Luks: "not recently." Lubb: "meaning? Ayiphumel phone yakhe." Luks: "Lubby, I think its best for you to spend time with your child right now. Ezase Bhayi uyozi bona ufika kwakho." Lubb: "Lukhanyo." Luks: "Bafo? She's proolly with her dad or something." Soma: "she's missing!!!" he yelled. Lubb: "INTON???" Luks: "Lubby we're trying all we can to-" Lubby hung up. He ran down to the house and packed his things. Makhulu: "kukho ingxaki nyana?" Lubb: "enkulu mama, ndingahamba noLuyanda?" makhulu: "hayi bhuti, ingathi ungxame kakhulu umntana uzokulibazisa." he rushed to his son. His heart was so soft when it came to this little fella. Light skin and small brown eyes. Lubb: "I love you my son. I'll come back again. With your sisters." he kissed his forehead. then walked out. His heart was breaking into pieces. Will he ever get used to this arrangement? He got in the car and drove to Port Elizabeth. Lukhanyo, Soma, Soso and Stuja were driving their different cars. Luks led the way to Ta Seez's house he stopped in the road and got out. Soma: "what's up?" Lukhanyo saw the pieces of the broken phone. The battery was missing though. Luks: "bamthathe apha." Soso: "let's go Lukhanyo." they got to Sizwe's house. Sizwe was pacing around the house, unsure what he was looking for exactly. Something was not right. He could feel it. Lukhanyo knocked. Sizwe: "ngena..." his voice sounded more like an angry bear. Luks: "m-molo Ta Seez." Sizwe: "what's wrong?" Luks: "Ta Seez. Lihle has gone missing. Last night undifownele ezondixelela uphi and like kukho umntu om'landelayo, besiza apha kuwe, someone attacked her while she was talking to me." Sizwe: "what did you hear!" Luks: "umntu othe makafakwe motwen qha. He dropped the call." Sizwe: "Shit!!! Lukhanyo do you have people after you!!" Luks: "yes." he mumbled. Sizwe: "ngabantu abathen aba!" Luks: "andibazi Ta Seez. the guys are asking around in the neighborhood." Sizwe: "what have you done recently!" Luks: "Ta, we hijacked imoto yemali. Sithunywe ngu Ta Smig." Sizwe: "why am I not surprised!! Iza!" he went outside to unchain Tiny. Luks: "Ta Seez!!!!" Sizwe: "Keep calm! Akazokwenza nto!" the dog wiggled himself out of sleep and walked around. Lukhanyo climbed on top of the gate. Sizwe: "Lukhanyo. Stop acting like a fool and get down here!" Luks: "andicingi mna Ta Seez that dog looks hungry as fuck!" Sizwe: "he will not harm you!! Akaty mntu ndikhona uTiny!" Lukhanyo jumped and ran to

his car. Tiny ran after him. Sizwe held the dog still while it growled and barked. Luks: "uyaz' bona ke Ta SEEZ!!!!" Sizwe: "ubaleka nton ndithe kuwe ihla kakhle! Now he thinks you're a burglar!" Luks: "I don't care Ta Seez! I don't care what he thinks!" Sizwe put Tiny in his own car and locked his house. Sizwe: "masamben." he drove off first to Smilo's house. He was sitting in the lounge with his girlfriend. Lukhanyo walked in. With Sizwe behind him. Luks: "molwen Ta Smig. Sine ngxak." Smilo: "uy'fumen Mali?" Luks: "yes! You said Le Mali belongs to some loan bank!!" Smilo: "I lied." Luks: "ngeyaka bani Ta Smig!" Smilo: "I don't know and I don't care. As long as uyifumen Mali qha! You kids did a clean job, I must say." Sizwe: "killing people is a clean job Smilo?" Luks: "Lihle has been kidnapped! Ngooban abantu bale Mali! Silandelwa zii Benz apha! And its more than one!" Smilo: "calm the fuck down Lukhanyo! Thembsie, iye roomin." the woman got up and went to the room. Smilo: "what if she ran away! Uyamaz mos une tricks xa emithi! Running off to Kimberely and shit!" Luks: "she called me Ta Smig! Ndabava bem'thatha!" Smilo: "we'll get her back. Okay? Stop stressing!" Sizwe: "stop str-?" he punched him in the face. Sizwe: "you better pray to God, I find her alive Smilo Mzinyathi. Or therell be Hell to pay!!" he growled. Lubby arrived in 4 hours maximum. Looking for his team. Mandla and Mabheka waited for him at his usual spot. Lubb: "kwenzeka nton Mandla?" Mandla: "Ta Lubby, kuthiwa mfaz ka Ta Luks uthathiwe. Sichazelwa ngu Stuja hok!" Lubby was panicking badly. Lubb: "sizoligqogqa lonke Eli Bhayi! Let's go." he drove to Mandy's house. It was locked so he called. Mandy: "hello?" Lubb: "Mandy, umqibele nin uLihle?" Mandy: "izolo ngok besihamba bathe mandibabeke stopin. She was going to her dad's place." Lubb: "wena uphi ngok?" Mandy: "Soso bandishiye aphe Ford endlin ka Lukhanyo, ndim uSbosh, Thandi noZintle." Lubb: "okay." he hung up and called Khusta. Lubb: "Khulile!" Khusta: "Lubabalo." Lubb: "uphi fondin?" khusta: "ndilapha ku Lunga'z huzet?" Lubb: "mfethu, ndilahlekelwe apha. Luks: "ndiyeza ngok." he hung up. Luks: "Ta Seez, Siya kwa KK. Lubby upha." Sizwe: "ok." they drove to the place. The 2nd black Benz was parked in a distance. Sira: "khajong eziz'denge.." B: "ukhatyelwen wena ngu Sporo?" Sira: "mxim, iyanya la awti. Masiye." he started the car. Sira: "khona kuthen ingafun ngene omnye wethu pha! Hleli nje thunywa thina! Itya yodwa pha." B: "fondin. Uyokubulala unye uSporo. Get off his lane. Qhuba." Sira drove away.

Chapter 602

Lubb: "Lukhanyo, what's going on. What happened?" Soma: "I have a feeling this has to do nala Benz imnyama." Stuja: "but la Benz siy'dubule yaphela!" Luks: "and it still got away!" Mandla: "what if ayikhonye?" Luks: "good point. Ayinomazi uLihle, if bileqa mna ndodwa. Unless...." Lubb: "ibone mna yacimba ndinguwe." Luks: "buhamba noLihle?" Lubb: "yes we went to get take aways for supper." Luks: "for sure ikubonile! Then when you left, yaphinda yabona mna because bendiyom'nika into zakhe. Then it followed her when she left for la event yakhe." Lubb: "so what went wrong kengok?" Sizwe: "they got to her before she arrived at my house." khusta arrived. Lubby went to him. Lubb: "iza fondin." walking back to the group of men that have gathered. Khusta: "kwenzekan?" Lubby explained about the Benz. Khusta: "nithathe imali? Le ibikwi van zihamba ziy'3?" Luks: "ja. Uyayaz?" khusta: "shit. Niyamaz umntu wala Mali?" Luks: "ha.a." khusta: "fuck. Zange wava ngomjita ok'thwa ngu Sporo?" Luks: "uthen Dan?" khusta: "yoooooh. Bra. Nobody, takes from Sporo." Lubb: "yen'utheni?" Khusta: "if uSporo uthathe into yakho, better be sure you're never getting it back. Ngowase Mdantsane lamntu. Ubolekisa nge Mali. Skeem sakhe sonke sihamba nge Benz ezimnyama. Soze uyazi ngeyphi eyphi." Lubb: "that is just sad. Even mna noLukhanyo don't wear the same shit anymore, that's how childish Sporo is." Luks: "Khusta sim'fumanaphi lomntu?" Khusta: "he is never in one place." Lubb: "can you try and get hold of him?" Khusta: "basuka apha nje." Luks: "njani?" Khusta: "ndidlule kubo ndisiza apha." Lubb: "Fuck!!" Sizwe: "better get going!" they got in the cars and went on the direction they were given. From a far angle, Lukhanyo could see the Black Benz, cruising. He sped through through the road. They saw him coming. Sira: "yas'landela lentwana." B: "simse ku Sporo?" Sira: "hayi! Bum'vile mos uSporo bethen izolo." B: "we can't kill them before sifuman Mali!" Sira: "but we can throw them off." he slowed down. Lukhanyo drove next to them on the right. Lubby and Mandla on the left. The Benz in the middle. Lukhanyo pulled out his gun and pointed it at them. The Benz hit the brakes, reversed the car, turned it around and went the other direction. Luks: "yeeses!" he stopped the car turned and drove back. Benz was already at far sight. It turned right and disappeared in the different streets. Luks: "yesssss!!!!!!!!!!!" he banged on his steering wheel Frustrated. Mandla drove back to him. Lubb: "how!!" Luks: "andaz Lubabalo he just slipped!" Sizwe drove in the same direction chasing after the Benz. It was nowhere to be found. They roamed around the area for hours on end. Sizwe walking around with Tiny sniffing around for a lead. They couldn't find a slight trail. Lubb: "its as though they

vanished into thin air!" Sizwe: "impossible! They've probably long gone. SHIT!!!"
Lubb: "then we KEEP LOOKING!" he called the police department. Lubb: "This is Lubby Morrison speaking, Sebastian's son. I have a problem, can I please speak to Mr Doron?" caller: "you're going through sir." he waited for a while. Sizwe: "what the hell are you doing?" Lubb: "just watch." Mr Doron: "hello?" Lubb: "Mr D, its Lubby Morrison?" Mr D: "yes of course, my very own little trouble maker. How's your father?" Lubb: "he is great. I want to report a crime, I may know suspects that are part of the hijacking that took place. the 3 vans that were tossed over? Plus the shootings." Lukhanyo stared at him in anger. Luks: "How Dare You!!!" Mr Doron: "oh? Enlighten me." Lubb: "a certain Black Benz has been spotted around these events." Mr Doron: "that's hardly much evidence." Lubb: "well, they're armed firstly, and are responsible for kidnapping." Mr Doron: "Lubby. Are you sure about this?" Lubb: "rumor has it, they're from out of town. And surely enough they'll get away with it. You gotta do something." Mr Doron: "describe the type of Benz." lubby described it. Mr Doron: "I'll look into it." Lubb: "I'm glad I'm of assistance." he hung up. Luks: "are you crazy!" Lubb: "relax! They think the Benz is responsible for everything! Just give them an hour. They'll block all main roads." Luks: "and how the fuck is that supposed to help us!" Lubb: "they'll have limited space! Sibafumane njalo! Plus, Mr D yandaz we'll chase these fools till we get them!" Luks: "wait, uphi UTa Seez?" Sizwe was already gone. Mandla: "umnkile. Uthi akanaxesha lojikeleza yena mntanakhe uyafa." Lukhanyo got in his car. Followed by Lubby. They all drove off.

It was windy and cold. Lukhanyo was stressed. Lubabalo was stressed. Sizwe was stressed. In all different parts of the city. How does someone just vanish off the face of the earth? Lukhanyo went home. His phone rang. He answered. Luks: "yea?" Lisa: "hayi, kuthen phendul phone olohlobo?" Luks: "I'm just tired, a bit stressed." Lisa: "oh, well ndilaphe Bhayi mntu wam. I got back an hour ago. Come over. I have a sexy wet surprise for you.." Luks: "I can't, I'm busy babe." Lisa: "with what exactly?" Luks: "baby, uLihle has been kidnapped. This is the second night. We cannot find any traces of her." Lisa: "hehake Lukhanyo! Why do you care? Firstly you divorced her! Wathi awum'funi! She cheated on you with your own brother, xa elahlekile ungenaphi wena? So you'd rather waste your time with her than me?" Luks: "baby just calm down ne." Lisa: "hayi Lukhanyo, how would you feel if I ran around after my ex!" Luks: "I wouldn't like it. But baby its my fault that she's missing. Its my past catching up with me." Lisa: "I don't care Lukhanyo. I really don't. If she's missing, uyekela lonto kwama polisa! Are you a cop?" luks: "no." Lisa: "ngoku? Suz'phambanisa." Luks: "okay Lisa, I get it." Lisa: "kodwa Lukhanyo its a bit unfair. Awunoqumba kuba ufuna ndikuyeke uleqane nee ex zakho ebezik'hulela. Like I don't understand ufuna

ndithini. Because wena wenza izinto ezingandi visi kamand. When it comes to you, you roar like a lion. Ayihambi njalo kalok mntu wam. Let the police do their job." Luks: "ndiyakuva mntu wam." he parked in his garage. Luks: "I have to go." he hung up before she could answer. He wasn't in the mood for arguing. Not tonight. Luzuko was in the bedroom with Chuma, Buhle, Babalo and Luthandoluhle. Luzuko: "iza Lutha, hlabela iculo." the baby sat down and giggled. Luzuko: "that's okay. Luhle, come sweetheart. And a one! And a two!" she just smiled shyly at him. Luzuko: "okay! Ndizohlabela ke mna. Nicule nani ne? No laughing guys, its my first time." he stood up. Luzuko: "down in the jungle, where nobody goes. There's a big fat mama, washing her clothes. With a OOOH. AAAH. A boogie boogie boogie." Chuma: "ooh aaahh, a boogie boogie boogie." they wiggled their bodies together. Luzuko: "that's the way she washes her clothes. iza Babalo, stand up angel." he held her up. Luzuko: "down in the jungle, where nobody goes, There's a big fat mama. Ironing her clothes." Chuma: "and a ooh aaah!" Lutha: "bugi bugi bugie!" Luzuko: "that's my boy. Do the dance." Lutha: "bugi bugi bugi." he giggled and wiggled like a worm. Lukhanyo smiled and walked in. Luks: "akuse mandi kuni. Ngeyphi ke lengoma?" luzuko: "my sister sang it all the time. I have dozens of irestation ngenxa yakhe. How's the search?" Luks: "we haven't found anything yet." luzuko: "maybe we should launch a Bring Back our Wife campaign." Luks: "too soon." luzuko: "my bad." Lukha picked Buhle up. Luks: "nivasa nin nilale baby?" he kissed her cheek then walked to the lounge. Luks: "girls, cela nilungiselele abantwana. Bavase balale. We've got work to do." the women got up and went to bath the kids. Thulani arrived. Then Lubby. Luks: "nothing?" Lubb: "nope. Andiyazi lomngxunyo akuye." Thulz: "what's going on?" Luks: "lihle's missing." Thulz: "oh." Luks: "oh Thulani?" Thulz: "ndithin Lukhanyo?" Lubb: "yinton ngxaki yakho Thulani? How many times must say sorry?" Thulz: "anditheth nawe wena!" Lubb: "don't you fuckin forget who you speaking to." Luks: "can you both just chill the fuck out! Lusko!" luzuko: "talk to a nigga." Luks: "izapha fondin." he walked out the bedroom. Thulani stared at him in shock, then at Lukhanyo then Lubby. Thulz: "what the fuck?" Luks: "Thulani. This is Luzuko. My triplet." Thulz: "NO! Zange ithethhwe lonto! Kuthen ezoveske aqhamuke just out the fucking blue?" luzuko: "who the fuck is this guy?" Luks: "now's not the time Thulani. Our wife is missing. You can't be out here asking shit. Yambona mos uLuzuko! Uzukhe uvule lomlomo wakho omkhul ngalento. There'll be hell to pay."

Once again I was in the dark room. The whole afternoon nobob'suku bayo. I didn't see him again. Ndingase Lambe Nkosi enoyolo. I felt like crying. Do I shout? Cry? He said he'd kill me if I did. So instead I prayed and prayed to be found noba ngumntu odlula ngendlela. The door opened. He walked in and stood by the door. Then walked

toward me. Excuse me but why was Traintrack dressed like a soldier? Well not the actual uniform. But eza boots ziphelel egatsin. Hlohle skinny wakhe pha. And a bomba jacket. He lit the paraffin light and went to fetch a heater. Burning it up. At least kwatsho kwakho light ngoku kwabangath k'ba shushu. Why was his face covered? Do I know him? Not that I cared. I wanted to go home qha. I needed an urgent bath. He sat down on the chair. Elbows on knees and stared at me. Well this was one of the most awkward moments in my life. If he wanted to hurt me, he would have done that yesterday, this morning or this afternoon. But clearly I'm just bait apha. And Lord God, was I grateful! Sporo: "I hate it. Xa umntu endigkrumba ubunkawu bam yazi." just that statement terrified the shit out of me. Damn. Ubunkaw? What level of crazy is that? Sporo: "I want to make one thing clear. AWUYI NDAWO. Now, you can put time rolls on me, bring police and let them wait outside. It don't make me no difference. Its either you co-operate. Or die. The choice is yours." I just nodded. Andiselambe 😊_- he took out his phone. Sporo: "his number?" Me: "who?" Sporo: "Lukhanyo." I called out the number. The phone rang on loudspeaker. Sporo: "I dare you." he warned. Luks: "hello??? Nguban?" I just started crying, nditshiseka ndifunu thetha. Luks: "Lihle? Uphi!" Me: "I'm-" Sporo pulled out his gun and set it. Luks: "whoever you are. Ufuna ntoni!!" Me: "please leave me alone!!" I cried and screamed. Sporo: "andizokwenza nto! The fuck's wrong with you." I hit him and pushed. He grabbed my arms, covered my mouth and held me still. Breathing. In and out....slowly. Sporo: "uxolo." I was still shaking violently. Sobbing and out of breath. Sporo was confused and didn't know what else to do. Sporo: "uright?" Me: "suka kum!" Sporo: "not until you calm the fuck down." Me: "NOOO!!!!!" I bit his hand. He held the gun to my head one more time. Ndabanda. Sporo: "now ingathi ngowuzi qokelela ntwazana. Chapter 603

Sporo: "this wasn't my intention." me: "but why did you! Siphелеle?" Sporo: "they stole from me and killed my friends!" well. You must be asking yourself, nguban

uSiphelele. No he's not an ex. Formar school mate of mine. Number 1 enemy ka Ludwe. They hated each other with a passion. I think it started somewhere during a sporting event in primary bakhula becapkelana benjalo. Sphelele never spoke much. The mute type. You know kukho, the shy type, the quiet type. Then mute is like totally quiet. Only actions. No wonder ndingayazi voice. Anyway, Siphe as ba wayengathethi namntu throughout high school, umntu wayethand umgezela ngu Sino. Mna ndandimoyika sana, and he's not even ugly. Just his eyes have some type of warning. The way he sat on a chair elbows on knees. either holding keys. Or slinging them around with his index finger. It hasn't changed. He hasn't changed. No wonder the hospitality. But he's supposed to hate me although wayegezelwa ngabant ebebe close kum. Which somehow they're both dead. Oh shit, Lukhanyo noLubabalo are going to kill lomntu. Sporo: "say something." Me: "having me locked in a cell, cold and scared. While I'm pregnant!!! I'm still thinking of something." Sporo: "like I said, I don't wanna hurt you." Me: "you are hurting me right now! Jonga!!!" I showed him my tied hands. Sporo: "I can't risk you trotting away from here. Its dangerous!" me: "dangerous? Okudlula wena?" Sporo: "did I try to hurt you? No! We are at least 20 if not 30 kilometers from the city. You're gonna walk in this cold rain all the way?" he sat me down. Sporo: "look, I'm going to need you to calm down. Andifun kwenzeke something. I'll be here oko andiyi ndawo to look out for you because abantu endisebenza nabo abakho right. You just need to relax.". I didn't believe that he actually wanted me to relax. I just couldn't. Uumnt unjan na bethuna? How do you relax when you're kidnapped its not a slumber party. Me: "Sphelele. Ndigoduse. I will give you your money. Even double or triple. Just give me the chance." Sporo: "No." Me: "awufun Mali mos!" he simply walked out and left me there with my mouth hanging open. Me: "siphelele!!!" I yelled. He walked back in. Sporo: "don't do that." he shook his head lightly. Ephole aphe ngqondwen ngathi unqanda umntana. Khona bendim'bizelan kanene? Sporo: "ndik'phathelen?" Me: "take me home!" he walked out again. Heeee. Undikhupha ishori lo. Kanti ndizongxolela lonto. Me: "Siphelele!!!!" Sporo: "yo?" I tried standing up and it was hella cold. Sporo: "why are you so freaking stubborn!" I stepped back crawling into the bed. He gave me a plate of food. Sporo: "noba ubaba ulambile. Its been a while. Udenze umsindo lento uyenzileyo bonanje." I just stared at him. This guy is actually serious ba he's keeping me here. I didn't want his nice food. I needed to bath and properly sleep. He sat down and fed me. Me: "what happened? When did you leave? Sekuthen nje usenza imali ngoluhlobo? I thought you wanted to be an engineer." Sporo: "uyazelaphi lonto?" Me: "I've seen your drawings, phof that was years ago." Sporo: "yeah, ndaqibela ngoko ke yazi. I've been too busy. Qiba kwam eHigh School, ndahlala mos those few weeks, ndafumana

results in January that I passed kakuhle futhi. mama wam eMdantsane got sick so ndagoduka. To take care of her and the business. Malume wam wasweleka that same year and that way I inherited everything Kwafuneka ndibe hands on. Ubolekisa nge Mali but not like umashonisa. Eyethu business is registered and charges rates ezi low. It was more of a community project qha yabazi abantu abafun batala so funeke ubengath uyoyikeka. Friends zam ziz'gebenga ke zincedisa buyisa Mali qha." me: "so uyishiye naban ngok business xa ulapha?" Sporo: "kukho umntu ondim'qeshe pha. Lemali bizoqala apha ebhayi. Another branch but ke babona ba ngathi sizophisa." Me: "so, basically you started shooting at them?" Sporo: "they started first. They killed my friend lo beqhuba la van yos'bini. And the fact that he wasn't a violent guy, or even armed for that matter! But they killed him." Me: "I'm sure they didn't mean to." Sporo: "of course they did. And Cela singathethi ngalento." Me: "so mamakho unjani ngoku?" Sporo: "uyaphila, uyazama. Sister wakhe naye uyam'jonga but she's able to do most things by herself." Me: "so when am I going home?" he smiled. Sporo: "awuva wena yazi. Ustout nyani." me: "at least untie me ke ndizothula." he untied my arms. I had purple marks already. A car stopped outside. Sporo: "ndicela undenzele favor, sungxola. Uyeva?" I nodded. He walked out and locked. Sira: "Sporo, I think kukho umntu os'landelayo." Sporo: "who? Njani!!" Sira: "ukhubone inyoka xa izimela? Exactly that! Ndi'bone kabin Le moto ngok sibuya and ihAmba neza bari!" Sporo walked back to the room. Switched off the heater and light. Sporo: "phakama. Masambe." Me: "what? Why?" Sporo: "get up!!" I got up and took my blanket. He wrapped it around me and tied a knot. He led me out. Hewethu, There's 3 black Benz's out here!! One was full of bullet holes all over. All windows broken. We got into one, I in the back seat. The other guy next to me with a gun on my waist. Sporo drove. Sira drove the other. Just as we pulled away. Another car came rushing towards us. Sporo sped off the other direction. The person next to me took out an AK. I already knew it. Loading bullets. I knew all the steps. He pulled me down, opened my window and starting shooting. I don't know ndibethekephi I just started crying. Sporo looked back. He wanted to stop I could tell by his reaction but the way things were intense. He changed his gear and accelerated. The Benz literally flew on the road. Bumping on the potholes until I guess the other car was out of sight. Sporo finally stopped. Sporo: "phuma bandile!" B got out the car and went to Sira. Sporo: "hey, what's wrong?" Me: "get.....to hospital. NOW." Sporo: "NO. If uyazala, then so be it. I've done it before. Just lay back. I'll get towels from the boot, SIRA!!! Get me lukewarm water, ne olive oil edikidiki." Sira: "for what?" Me: "Siphelele, I'm not giving birth damn it! Ndibhethekile." Sporo: "Sira!! Ne washing rag eshushu!" Sira: "hehake Bawo." he walked away. Sporo: "errrh....well, shit." I was scared that I

might lose my child. I couldn't have another miscarriage. Not all that pain again. I was panicking. Me: "my baby..." Sira brought the warm water and cloth with oil. Sporo: "he'll be okay." he looked at Sira in dismissal. He walked away again. Sporo: "nxiba apha." he gave me my jeans. I wore them. Sporo pulled up the long dress placing the wet cloth on my stomach. Me: "what the hell are you doing!" Sporo: "kuyabanda, trying to calm him down." ayabi bhlung ntliziyo yam. I don't know why. After he was done he searched for vaseline in the car. Finding a little tub. Wathambisa. Sporo: "you're sure awukazo zala?" me: "you've done this before?" Sporo: "we have to get going." I looked at the door handle. He locked the doors got back in his seat and drove off with the heater on. I might as well just give up. A few minutes later. He stopped again. Literally in the middle of the road. Wamisa ecaleni. And Took out his phone.

Sizwe went back to Ford more enraged than ever. Luks: "Ta Seez? Where've you been!" Sizwe: "she slipped right through my fingers!!!" Lubb: "WHAT? How!" Sizwe: "I was already there! Almost!" he sat down, near tears. Sizwe: "its as though I could hear her crying! I tried my all, but that bastard got away!" Lubb: "akanayo number plate? Didn't you get that?" Sizwe: "ayina number plate." Luks: "shit!" Sizwe: "they're out the city." Luks: "I hate to say this." Sizwe: "what?" Luks: "lento bithethwa ngu Khusta, that they'll never give her back?" luzuko: "as if they have a choice, ndamazi uLihle uzoba tshintshela kakbi qithi. Bazow'phoxwa shame on them." Chuma walked into the lounge. Luzuko: "kwedin yinton Le uy'nxibileyo, yangathi you're a little frog, come here." it was past midnight. The child climbed on his lap and cuddled on his chest. Luks: "Lubby. We'll have to extend to out the city." Lubb: "on it." Lukhanyo's phone rang. He stared at it. Lubb: "what?" Sizwe: "phendula." he answered. Luks: "hello?" Sporo: "here's what's going to happen. You get me my money ready by 2am, eTruck in. If I sniff any of your dogs around, shit will get real." Luks: "what about my wife." Sporo: "get me back my money." he hung up. Lubb: "uthin!" Luks: "he wants his money in the next 30 minutes." Sizwe: "where?" Luks: "Truck in." Sizwe: "how fucking clever of him! The moment we open fire, the whole fucking place will explode!!!!" Thulz: "I think this guy has Been calculating you. To such an extent where ubala nje ngani, if not better." Luks: "shut your fucking mouth. Shut up. SHUT your ass UP! SHUT!!!!!!!" he called Soma. Luks: "we need to get going. Get the bags ready." Soma: "okay cool. Sidibana phi?" Luks: "Coega. Only me and you. I'll take it up to him." Soma: "you sure?" Luks: "ya." he hung up. Lukhanyo took his things. Lubb: "ndik'khaphe?" Luks: "nah, I'll be fine." Lubb: "No! I'm coming with you!" Luks: "uthe lomntu mna ndodwa. Who knows what he'll do if he sees abanye." he walked out the

door and drove off. Sizwe: "no...I don't trust that guy. At all." he walked to his car and drove off.

We were waiting in a distance. Quietly. Sporo was far in his thoughts. Playing with those stupid keys that made a rattling sound and it annoyed me to the extreme point of no return. Me: "are you taking me home?" Sporo: "depends." Me: "on?" Sporo: "do you want to go home." Me: "yes." Sporo: "the doors been opened ever since we got here." I reached for the handle, he quickled locked them again. Looking at the rear view mirror and smiled. I was frustrated. And helpless. Yet, feeling safe and warm. Me: "so what happens now?" Sporo: "now, I get my money and we go to East London." Me: "we?" Sporo: "what? You thought I was giving you a lift home? Hayi cha sesi." Me: "you play too much." Sporo: "play? Me? Never." he looked at his watch and started the car. Sporo: "ready? Hold on." it was 01:57am." Lukhanyo met with Soma who gave him the cash in bags. He loaded them in his car and drove to Truck in. Where Sira and B was waiting. They walked to him. Sira: "well, uyayazi ngxaki mos....one horrible mistake can set this place alight. We don't want that, do we?" Luks: "I don't know about you." Sizwe drove into the garage. Sira: "so this your way of thinking you smart?" Luks: "andiyaz lento uthetha ngayo. Either way. Nazi nto zenu." he opened the boot. Sira and B took the bags to their car. Sira: "try one stunt...uyoz'bona iz'pili kwedin. As'zanga zodlala apha." they got in their car and drove off. Lukhanyo followed right behind them with Sizwe. Soma's team flew in all corners. Luks: "hee...zind'qhel amasimba ezi." he knew she was around somewhere. He had to find here. Sporo was anticipating and calculating every move. These were real gangsters. No gangster just hands over money, either they tampered with it or replaced it with fakes. If he hands the woman over, they'll kill his team. Me: "Siphelele please." Sporo: "don't." Me: "I can talk to him!" I heard sirens approaching. He drove off. Lukhanyo spotted the Benz and sped towards it. Sporo: "bad bad bad mistake boy." he pulled out his gun and slid down his window. Me: "siphelele No!!" I grabbed his hand. The car lost its control. Sporo: "Lihle MAAN!!!" he roared. Me: "stoppp!!!" he swerved the oncoming traffic and went back to the correct lane. Sporo: "are you crazy!!" it was pitch dark out here. Sizwe saw where the car was going and followed from a distance. Me: "you were about to do a stupid thing!" he called Sira. Sporo: "is it all there?" Sira: "khome Sporo, Sise kasi sirhuqwa zez'kaka!" Sporo: "come on Sira, those fools are childs play, drive out and meet me eColchester in 30." Sira: "sure." he hung up. Sporo: "hm...looks like we're being followed." me: "Sphelele." Sporo: "L." Me: "what is the meaning of this." Sporo: "all my life, ndenziwa is'denge. Umntu uhla ezenyukela apha kum kuba ndithule! This isn't about you, I'm sorry about all this. I want you to go home and relax. Rest. yonke lanto. But. I want him to

struggle. Hayi nje kancinci. Uzoyazi into ay'thandayo iyasetyenzelwa." he was heading straight for a thick pole Me: "Siphelele pleeeaaase!!!" I begged. Sporo: "now, now angel...just a little scratch. Just kancinci." I was sobbing trying to open the door. He drove faster. I screamed. Sporo: "yeka apho." I let go immediately. He swerved the pole quickly ndava emva a loud crash. BAH!! Esos'thonga. Sporo: "he should've kept his lights on like a normal fucking driver."

He waited and waited until she had fallen deeply. He got up and walked out to the lounge, took out a sketch pad and pencil case he went back to the room, lay on his side and started drawing her while singing to himself softly the slow version of Bands Make her dance. Sporo: "oh what would it take to make you happy, don't hesitate to let me know. Tell me what are you looking for exactly, open your mouth and let a nigga know. Baby would you tell me please, what I can do to make you smile again. Just say the word and baby I would do whatever it takes for me to brighten your day. So tell me what do you say. She told me what she wants aint hard to understand, she on a paper chase and in need of rubber bands. Now I'm like damn girl you should've said so, what you think I'm stacking these 1's for, get your ass on this dance floor, and won't you make this cash flow cuz.....Bands make her dance. Sporo: "uhleli?" Me: "leave me alone." he didn't say anything else after that. Carried on singing wangena kwezaka Usher uConfessions. Gawd was I irritated. Me: "do you mind!?" Sporo: "sorry?" Mxim. Me: "Leave." he kept quiet again. Sporo: "I thought maybe we could-" Me: "could WHAT, Siphelele!!! What!" Sporo: "never mind." he whispered and got up. Sporo: "uxolo." he walked out quickly leaving his sketch pad behind. I looked at the half drawn picture, it looked really nice. I wanted him to finish it though. I got up and walked to the door. Xandi vula. Locked. Mxim. Lukhanyo stopped his car and ran out to the crash. A police car stopped too. Luks: "Ta Seez!!" he tried opening the door. The policeman walked to the damaged car. Police: "khome kancinci before uzonzakalise my broer." Luks: "awuyaz lento uythethayo!" he pulled the door open. Luks: "Ta Seez!" he had a cut on the side of his forehead. Sizwe: "he got away.." he whispered. Luks: "we'll find him, and he'll pay for this! Iza." he dragged him out the car. Police: "bhuti. We are waiting for the paramedics to arrive soon." Luks: "Linda kalok wena, we got things to do." he placed Ta Seez in his car and drove off to the hospital calling Lubby. Lubb: "what happened?" Luks: "Lubabalo Ta

Lubb: "masambe Thulani uzibambe aphe ndlelen because the slightest thing you say to piss me off will send sparks in your face. The only reason I've kept my cool is because I'm around my children and I don't want to teach them violence." luzuko: "awushwabuli man." Lubb: "Masambe Thulani." he walked out. Thulani followed him. Luzuko looked down at Chumani who was fast asleep on his chest. His phone rang. Luzuko: "hello?" he whispered. Kirsten: "Hey baby!!" luzuko: "shhh..hey can I call you in the morning?" Kirsten: "why?! Are you with someone?" luzuko: "yes. He's sleeping and I don't want him up yet." Kirsten: "HIM Luzuko?? You're cheating on us with a man!" luzuko: "urrgh..I'll call you back." he hung up and took a picture of Chuma on his chest. Then sent it. 2 minutes later a message came through. "ncooooh he's so cute! We're coming down to see you tomorrow. Night honey. Xx" luzuko: "oh Lord, nantso enye campaign isiza Yesu olungileyo ndisonwabe kangaka NA." he got up and took the child to luks' room where his mother was asleep. He then checked the babies. Luthandoluhle was awake by now, holding each other's hands in the air, chatting. Luzuko stood next to their joined bed. It was the most cutest thing he'd ever seen. Luzuko: "anilali Nina." Luhle: "Tata." luzuko: "haha. Not yet. Ithi Tanci. Ncinci." Lutha: "nana." luzuko: "no, Tanci." Luhle: "Tata!" luzuko: "okay. Whatever. Tata it is. Good night bunnies." he kissed their cheeks. Buhle and Babalo were fast asleep in the other room. Luzuko checked all doors were locked and stayed up in the lounge. For the next few hours he had to be on the lookout for anything since everyone had suddenly just left.

The next morning Lukhanyo was next to the bed Sizwe lay in. He opened his eyes. Luks: "molo Ta Seez." Sizwe: "molo Lukhanyo." Luks: "uziva njani? Soso did wonders with your scar. It looks quite cool." Sizwe: "hehe. Uyaqhela kwedin. I'm feeling okay. Funa uphuma qha apha ndibenoyo khangel umntanam." Luks: "we're doing the best we can Ta Seez." Sizwe: "I know you are nyana. And I'm grateful for your help kakhulu." Luks: "I just hope and pray she's not hurt. When I heard her cry ndiske ndasikeka kabhlungu Ta Seez." Sizwe: "all of this seems so unreal. I really didn't see it coming. Whoever this Sporo person is. Nahh...uyazikwazi hayi nje kancinci. He knows exactly what he's doing. He doesn't play games." Luks: "ja, ndaphantse uqhwebuThulani bendenza umsindo highlighting that this guy is smarter than us. Yuuuh,

Sizwe: "uphi uLubabalo?" Luks: "usayo zama naye. Bringing in his contacts. Befownele ooJermaine. They'll probably be here by afternoon. We'll get here back by tonight." Sizwe: "I wish Lukhanyo, I so wish I could tell you that would come true but I doubt izokwenzeka lonto." Luks: "it seems impossible but we can do it! Asinokoyiswa ngabantu aba thathu qha." Sizwe: "don't do anything that will jeopardize her life, maybe if we-" Luks: "hayi Ta Seez. I will not be ruled by some 2 minute thug. This is MY city. I run it, smoothly might I add, xa ndifuna kunyiwe kuyanyeka! I'm not having this!" Sizwe: "but right now, they're not in your city, they escaped, because of all this hype you attracted. Funeke sicinge ngale level yalomntu. He's quiet, and very withdrawn. We can use that." Luks: "Ta Seez mna ndikhulele eKasi. Khuliswa ligintsa." Sizwe: "but you are quiet and withdrawn. We can use this Lukhanyo, You can get her back. We just need someone to help you nge timing because you're short tempered. Lubby is not even an option because he's 20 times worse. I hope Luzuko im'phosile lo part." Luks: "Luzuko is too flippen soft. I'm sure akakwazi nobetha umntu nge mpama." Sizwe laughed. Sizwe: "yeka lantwana. Ndiy'thand injeya. Sisbhanxa esiya and akaboniswa nto." Luks: "too flippen dramatic. one Lubby was enough but 2? Yooh." Sizwe: "can't be that bad." Luks: "when they argue. Need I say anything else?" Sizwe laughed. Sizwe: "I'm sure bayaxhwithana." Luks: "worse ba Lubby is very physical. Yathanda ubamba. Phambane kwezoz'thuba Luzuko. Und'bambelaanniiii!! always screaming in the house." Sizwe: "oh man, noba anganyabi uLubby ey'thanda kangak attention." Luks: "utyhafa ukufa." the nurse came in. Luks: "ndizobuya emini Ta Seez." Sizwe: "okay ndoda." Lukhanyo walked out to find Lubby with Stuja and the others. Lubb: "how is he doing?" Luks: "good, for now. Imoto has been towed?" Lubb: "yeah. And, we found the other Benz, its hiding in Uitenhage. Siyen khona ngoku. After all of this, I want you to promise me something, you gonn get home and rest. Right?" Luks: "for sure. If you promise me you'll do the same." Lubb: "sure thing. Let's get going." they got in their cars and drove to Uitenhage. Meanwhile in Uitenhage, Sira and B were ready to go. Ggetting in the Benz and drove away. Sira: "khafownel Sporo. Tell him siyeza." Bandile called Sporo. B: "mjita, Sise ndlelen ezayo ngoku." Sporo: "so." B: "siyakwazisa." Sporo: "ayt." he hung up. B: "ngathi usalele." Sira: "ihluthi lenja. Benditshilo ndathi utya yodwa pha." B: "hayi kodwa nawe ufane ubawe. umntu omithi uzam'thin? Haska fondin." Sira: "Yeyi. awuyazi into emnandi." he stopped at the red robots. Looking ahead. His eyes were drawn to the 2 cars on the other side. he looked to the right side of the cross road. Another two, his left, another two. Then behind him. The robots turned green.

All cars moved slowly towards his. Sira: "I think we're surrounded." B: " by stupidity.. Tsibela eBack. I got this." Sira jumped to the back B leaped onto the driver's seat. Almost immediately. Gun shots were fired.

Chapter 605

B reversed the car avoiding the shooting. He bumped into the one behind him. And turned the car around. Lara was blocking them. B: "Sira! Khosuse lenja phamkwa mehlo am!" Sira shot at the opposite car and they eventually drove past slipping away and got onto a different route. The car sped through the bumpy road. the others followed. B: "bambelela." Sira held on. He spun the car around and faced the oncoming cars. The first hit the brakes, the one behind it crashed into it, the third crashed into the second and so went the cycle. B drove back down the road. 2 cars left following him. Sira: "uyay'enjoyer lento ne." B: "too fucking much!" he laughed. The two cars raced right behind him. He hit his brakes, both cars flew past him. B turned on the left and sped off to hide the car back in the house they were in. As soon as they arrived, and hid it, they disappeared in the quiet house. Meanwhile in Colchester, I felt something brushing lightly on my cheek. Holding my hair and face. It felt nice. For a second I thought this crazy dream was over. Lubby was right next to me with his crooked smile. Those small low eyes lazying around. Ndenzi mistake and opened my eyes. Fantasy gone. Sporo: "awuse ncume man." my mood changed, ndajika, ndajonga kwelinye cala. Sporo: "Lihle." me: "khandiyeke Siphelile!" I grumbled. Sporo: "do you hate me that much awusakwazi nondijonga?" Me: "mxim!" he sighed. Sporo: "where do I drop you off?" he muttered. I turned to look at him. The disappointment was written all over his face. Me: "you're letting me go?" Sporo: "its what you want mos. Ndizok'lind emotwen." he got up and walked out. I got up and took a quick shower. Wore my jeans and top Le ndandixuthwe ngayo. I wonder bayithin bag yam? I went out nyani he was in the car talking on the phone. Sporo: "again? Kwakhona Sira?" Sira: "ewe Sporo! Sithini?" Sporo: "nah, izani. Sigoduken. And'na xesha lodlala nabantwana abadala mna. If they want a fight, they'll get it." he hung up. He looked extremely pissed off andayaz noba ndikhwele front seat or back NA. I went to the backseat. Sporo: "you haven't eaten since yesterday, awulambanga?" his voice felt low and a bit off. Me: "I'm okay." Sporo: "the baby needs to eat Lihle." he speaks as if its his baby. Me: "My baby is fine." Sporo: "your food is in the mircowave." Me: "I'm ok-" Sporo: "YOUR FOOD.....is in the microwave." he stared at the rear

view mirror. ndaphuma ndabuyela k'la ndlu and ate. 10 minutes later I came out again. He started the car and we drove off. Sporo: "plans have changed. Kukho gun fight eTinara and I still don't have my money in my hand. SO. Unless and Until I do, I can't take you home. Ngaphandleni you have a different counter offer." Me: "such as?" he gave me a look. Me: "I'm not for sale." Sporo: "even if I had all the money in the world I wouldn't buy you. Utshilo mos ba uyandicaphukela. And I don't blame you." Me: "so ufuna ndithin." he gave me the phone. Sporo: "call him and tell him I'm leaving you E-ST Georges beach. That's where we're going. If you say annything else. I'm driving straight to East London, no lies." I called. I wanted to call Lubabalo, My heart was aching to hear his voice. But then again izophinda yenze iingxaki between him and his brother. Sporo: "ndime ngawe Lihle." Me: "why? Because you want to trap them?" Sporo: "no. Khang uth funu goduka?" I dialed for Lukhanyo. Luks: "hello?" Me: "its me." Luks: "Lihle?! uphi!!!" Me: "in St Georges." Sporo stared at me, I knew what that look meant. Luks: "baby? Are you still there? Listen to me, I'm doing everything I can uyeva? I'll get you home real soon. I promise." Me: "okay." Luks: "phi e-St Georges?" I directed him and hung up. Sporo: "celi phone yam." I gave him back the phone. He drove to Zwide 🤪:o Me: "you said St Georges!!!" Sporo: "I lied." he sneered. Yuh andacaphuka man. Me: "What the fucking fuck!!!" Sporo: "bendithe andisiso isthulu." I tried opening the door. He ignored me and looked straight ahead while driving faster. Sporo: "don't make tie your hands and feet together like the monster you expect me to be." Me: "I'm not scared of you ke Siphелеle bonanje." he was really ignoring me. We got to a certain house I jumped out the car and started to run. He just stared after me then walked into the house his late uncle used to own. Where he grew up.

I was so relieved! I was actually free, but why didn't he chase me? Oh well, bye bitch. I walked down the street very quickly I kept looking behind me to make sure.. As I walked, I slowed down, my mouth went dry. B drove toward me. I knew this wasn't Sporo. It had to be the others. And I knew they wouldn't take me to Sporo, I was officiallly in shit. I had to run back before they got to me. I sprinted back to the house. They must have spotted me because they drove faster. I prayed to God they wouldn't reach me. I had to do something. So I screamed his name. Me: "Siphелеleeeee!!!!!" he had walked out already onto the street and came to me. He caught me instantly. Sporo: "what's wrong?" me: "he's....they.....comi-....." I was out of breath. Sporo: "for a pregnant woman you sure as hell can run." I was scared. Fear is a great motivator shame. Ndaqibela nin ubaleka. He walked me into the house and gave me water. Me: "did you send your friends to me? Is that why unngandileqanga?" Sporo: "firstly, I didn't send anyone. Uthe ufuna ugoduka mos." Me: "if you wanted me to go home,

ubuzondishiya e-St Georges where my family would find me!" Sporo: "I mislead your hubby to get my friends out of the the stupid little trap they tried to set up. If ooLukhanyo Benga sukanga eTinara, would I get my money? No. And I let you go because you said ufuna uhamba. Ba mawudibane nooSira endlelen ayifuni mna." I was so worried about my baby, yonke Le mess and today he's been quiet. I hated it when he didn't wake me up it gave me nerves. Just then he gave me a little kick to reassure me that he's okay. I smiled. Sporo: "can I?" I moved my hand, wabamba. Sporo: "wow, okay." he stopped and stepped away. Sporo: "sorry, for putting you in the middle of all this. I swear it wasn't my intention. Matter of fact I bendingayaz ba nguwe umfazi ka Lukhanyo. I only saw you xa sow'ngena emotwen that day." me: "well, enkosi, for protecting me at all times, ude uncame ubuthongo bakho nemali uyeke iyokhangelwa ngabanye. I appreciate it." Sporo: "ndiyayaz lento ndizoy'buza is stupid. But after all this, is it possible if we could remain friends?" friends with my kidnapper? Keep in touch? I doubt that. Then again, if I didn't know him, Lord knows what could have happened. Me: "maybe..." Sporo: "maybe is okay, at least There's hope." a car stopped outside. Sporo: "iya eroomin." I walked to the bedroom. Sita and B walked in. They had the bags in their hands. Sporo: "we're missing two." Sira: "WHAT?" Sporo: "suppose, ziy'8 ezi bag not 6!!!" B: "fuck!" Sporo: "yabona kengoku.... They pushing my buttons." he took out his phone to call his other squad. Sira: "Sporo, maybe if we try to scare them again." B: "ewe sani khaw'me kancinci nge bra'z. Aw'nobiza iSquad." Sporo: "jongal!!! Ndidikiwe yile kaka! I'm losing time and money! My business needs me! These little boys have nothing to do all day because they're rich! Singabanye ke we have to work for our fucking money!" the phone rang. Sporo: "Vega. Sinengxak'ana encinci apha kwel'Bhayi. I want this finished off by Tonight. Iza nebhuda's, Iphele yonke Le shit!" Vega: "khandiphe 3 hours mjita." he hung up. Sporo: "nxx!" he opened the bags and looked through them, checking the money if it was legit.

During the afternoon, Luzuko was in the kitchen with Babalo in his left arm, taking her food out. Luzuko: "ufuna eyiphi?" Zintle: "will you manage?" luzuko: "yes." he took the bowl to sit down with her. Having a secret conversation together. He fed the baby. Zintle fed Buhle. Luthando was by the door with a spoon in his hand. Banging on that door. Sbosh: "Luthando!" Lutha: "Hayi!!!" everyone laughed. Luzuko: "unqandwa qithi lomntana, myeke. Akasawuva noHayi ucimba kuyadlalwa." Luthando was yelling at the top of his lungs. Luzuko: "YEYI!!!" he warned. The baby sat down immediately. Keeping quiet. Luzuko: "izapha kwedin. Sapha elo cephe." he walked to his uncle and gave him the spoon. Luzuko: "thank you." his phone rang. Luzuko: "yes?" Kirsten: "baby we're at the airport, I thought you'd come to fetch us."

luzuko: "love, get a cab, I'll SMS the directions yeah?" Kirsten: "ok." he hung up and sent directions. Babalo was falling asleep in his arms. He took her to bed. Chuma was running around there with his truck. luzuko: "ndoda, iya pha ekitchen uyodlala khona. Ndifuna ulalisa ubaba." Chuma: "ubaba ulele?" he whispered. Luzuko: "ewe jonga." he rocked her back to sleep. Chuma sat next to him and watch his little cousin. After some time they left her alone and went to the lounge. Sibongile was making lunch with Mandy. A car parked outside, doors opened. They heard loud chatter and giggles. Luzuko: "Bawo cela undomeleze." they knocked on the door. Luzuko opened. Luzuko: "shhh...." Kirsten: "Baby!!!!" they screamed. Luzuko closed his eyes. They jumped around and on him. Didi: "we missed you! How are you feeling?" Jess: "who's house is this?" Tee just hugged him. Luzuko: "afternoon my princesses. I missed you too. This is my brother's house and I am doing okay." they giggled and poked him around. Luzuko: "no, baby, stop that. Come in." Tee: "but our bags?" luzuko: "what do you mean bags? You're staying?" Kirsten: "yes love, where's the little boy?" she pushed past him and entered. Kirsten: "good afternoon." Mandy: "hi." Zintle: "hello." the rest of the girls came in. With their brown Louis Vuitton luggage. Luzuko: "how many seasons will you be here?" Jess: "we're here for you babe." luzuko: "I think ndiqalwa yintloko." Tee: "Can I make you tea?" luzuko: "why would I be drinking tea na. this house can only accommodate so many people, granny and Grandpa will be back from their shopping soon. There's babies all around, would you really stay, I mean you'll get bored and tired." Kirsten: "I love babies. And This one is mega cute." she picked Lutha up. Jess: "ncoooh, look at this one." she took Luhle. Didi: "hey angel." she picked up Buhle. Mandy: "well....looks like you're stuck with them." she giggled. Sboosh: "wait till Lukhanyo gets here." luzuko: "don't even." he had to think of something. The front door flew open. Lukhanyo stormed in growling in anger. Lubby was equally pissed off. Luks: "they fucking got away!!! AGAIN!" Lubb: "I swear to God, I'm going to rip someone's heart out. Ndim'fumane nje abemnye!!" luzuko: "what the hell happened?" Lubb: "who the fuck is this!!!!" Luks: "and what are they doing in my motherfucking HOUSE!!!!!!" he screamed. The baby in the bedroom started crying. Zintle went to attend to her. The new girls stared at the copies of their boyfriend. Lubb: "LUZUKO." luzuko: "uhm....well, to cut a long story short, this is Kirsten, Didi, Jess and Tee. They just appeared." Luks: "app-....." he moved closer to him. Luks: "I'm in no mood for chatter, guests or giggles. And ayo hotel Lena! Find them a place within an hour before I break something." he whispered. Luzuko: "that's not happening, you took me from my hotel room ba mandizohlala apha. Ngoku when your thermometer is reaching high points uyandigxotha? Kanti andiyi ndawo. Tshin thixo, uqhel amagwala ekhowin." Mandy

whispered. Mandy: "I cannot watch." Sbosh: "hayi Mandy!" Luks: "Luzuko! I'm not doing this with you!" luzuko: "neither am I. I'm just stating facts. Tshin, unjan NA uLukhanyo. Ungayo nqonqa primer yakho phandle nje xa ucac'ba awuzokwaz aphe ndlin? Hayi wethu. Fix your face, and calm your tits. Do you want tea?" Luks: "I don't want your fucking tea!" he hissed and stormed to the bedroom. Lubby was sitting in his corner shaking in anger. He'd been controlling himself for too long. He was holding a glass and squeezing it in his hands. It broke and cut him. Chuma: "daddy! Shuuu glass yophukile jonga!" Lubb: "sorry, my boy. Iwile." Chuma: "yuuuh, jonga ik'sikile. Ay'kho bhlungu?" Lubb: "ibhlungu kakhulu." Chuma went to the kitchen grabbed a dish cloth. Chuma: "zzosula daddy, iglass im'sikile." Sbosh put gloves on his hands and ther boy went back to Lubby. Chuma: "ndizosula mna apha ne." Lubb: "heee, kuthen undiphathel fadukhwe nje." Chuma: "ayikho enye. Sapha ndizosula kalok.." Lubby gave it back to him and let him dab on the cuts. Chuma: "galeli salt ne?" Lubb: "hayi suyenza lonto." Chuma: "izotshisa? Mna ndizoba ngu Gqirha wakho." Lubb: "okay ntwana yam. Kodwa ibhlungu lento undenza yona." Chuma: "mama!!!!" Sbosh: "baba?" Chuma: "iza kaloku." she came to them. Lubb: "kham'thathe. Ndiyamazi akasobe aphinde asuke apha." Sbosh: "Chuma has a weird obsession. Iza boy." she took him. Lubby cleaned his mess. Luzuko explained to the girls the current situation. Kirsten: "oh my Goodness, she's been kidnapped?" Didi: "with the Nigerian girls?" luzuko slapped his forehead. Luzuko: "no!" Jess: "how do we help? Do you have a picture of her?" Tee: "or even the kidnapper? Probably a description?" luzuko: "how is that going to help?" Tee: "we can ask around the locations if they've seen her, or the suspect around. Even the car they're rolling with." Sbosh: "banayo ke kodwa i-point. Sitting here all day, makes me feel useless." Mandy: "I'll go print her pictures." Thulz: "ndisaya kuKhusta, to get a picture of lomntu." he walked out after Mandy. Ta Seez walked in, one crutch in hand. Lubb: "Ta Seez! You're supposed to be in hospital!" Sizwe: "well, fuck that. Ndilapha ngoku. What's the latest." Lubb: "we fucked up. Again." Sizwe: "you sound like you're losing hope." he sat down with him, in the corner. Lubb: "I'm just feeling a bit selfish Ta Seez that's all." Sizwe: "selfish how?" Lubb: " I just miss her so much. Yena is she thinking about me? What does this whole thing mean for us? Am I ever going to see her again? Those types of selfish." Sizwe: "its not selfish, Nkulu yam. Sonke siyam'khumbula and all of us are taking strain. Wherever she is, she misses us too. She loves us and she is thinking of us. We just have to have faith. You need to pray." Lubb: "Ta Seez, ndiske ndityhafe umphefumlo, my spirit is failing me." Sizwe: "that's the devil talking Lubabalo. your spirit will never fail you. Your God will never forsake you. You know better than anyone, once you pray there is light, hope, and life. You move people's hearts and souls. Pray

nyana. Go on." Lubb: "I can't Ta." Sizwe: "uyaqosha ke wena xa use ngxakini.. Ndibize uLuzuko?" Lubb: "No!" Sizwe: "you can do this. Don't lose ithemba lakho." he got up and walked to the bedroom limping. Lukhanyo was sitting on his bed, thinking. Sizwe: "Phakathi." Luks: "inton Ta Seez? And how did you get out so quick?" Sizwe: "you're the middle twin. Lubby ngu Nkulu, Luzuko being Ncinci." Lukhanyo smiled. His new name was Phakathi, it sounded so awkward. Luks: "oh. Khandiy'cinge ke leyo." Sizwe: "how are you doing?" Luks: "bad." he held back his tears. Sizwe: "talk to me." he sat next to him, holding his shoulder. Luks: "she called me Tata. She told me to go get her. I was really glad that this nightmare was finally over but when I got there, ebengekho. I waited and waited thinking I got the directions wrong. For hours Ta Seez I waited!!!" he sobbed. Luks: "if it wasn't for amajita I would still be there waiting! I can't help thinking what if, that was her last call? What if I never see her again? Ndizothin kwabantwana bethu xa bekhula bebuza uphi umamabo? How will I explain to them that I failed! I'm a failure and a disappointment to my own children! I can't even rescue their mother!" Sizwe hugged him. Sizwe: "shhh... You didn't plan this Lukhanyo, in life kakade kubakho a couple of obstacles before you get what you want. You can't lose hope like this. Don't think like this, it isn't healthy." Luks: "ndithini Ta Seez? I can't exactly relax!" Sizwe: "maybe if you could calm down a bit you'll be able to think straight, both you and Lubby need a rest. You're taking strain. soze nikwazi ukwenza nto, instead you'll be putting your lives in danger. You both haven't eaten, slept. Take a shower, I'll make you food, take a sleeping pill ulale for a few hours. Yeah?" Lukhanyo nodded. He was dead tired. He got up and went to take a shower. Sizwe went to Lubby and told him to do the same. Sbosh brought food to their bedroom and a pill each. They ate and drank the sleeping pill, laying in bed quietly. Lubb: "so you're just gonn sit there and ignore me?" Luks: "wena uthuleleni ungathethi." Lubb: "because I'm drowsy as hell." Luks: "makes two of us." Lubb: "There's already 3." he smiled. Lubb: "akakupholisa uLuzuko maan." Luks: "luzuko can be a pain when he likes but at least he keeps me sane." Lubb: "yeah, ngathi we're back to square 1. When she was in a coma." Luks: "kunzima ulala, kunzima utya. You're just a hopeless little bug xa engekho." Lubb: "says the guy who's been wailing like a walrus giving birth." Lukhanyo laughed. Luks: "foetsek Lubabalo." he turned around to sleep. Lubb: "nyweeeeeeh.. Like a baby rhino. Unayo ne bass." Lukhanyo laughed again. Luks: "ndicela ulala man. Yekane nam. Mr I-cant-find-my-faith." Lubb: "oh? Its like that? Okay." he turned around too. 3 minutes later, they fell asleep.

Jermaine and the rest arrived in Port Elizabeth that later afternoon. Sporo's Mdantsane's squad arrived as well. Thulani was around Zwide with Khusta and

Lunga, looking for the slightest clues. It was getting dark. The streets were becoming empty, residents already knew what's up. It would be a long night...

Chapter 606

Sporo, B and Sira were in the lounge. Vega and the squad drove to the house in 7 Caravelle mini buses. Vega parked in the front and went inside to find Sporo. Vega: "Sphe." Sporo: "sho bhuda." Me: "nothing Sipehelele." Sporo: "is it because of what he said?" Me: "no." Sporo: "then yinto ngxaki?" Me: "do you really have to do this? Kuthen ningeno theta like human beings and stop acting like animals." Sporo: "woah there. Yibamb'apho ke sweetie, Animals?? The last thing I am is an animal. I'm not blaming anyone here, kodwa they stole from me and xasifuna okhwethu back they started acting up. Me: "I'm sorry, that statement wasn't meant for wena Sporo, but nithin ngabantu aba ngenanto kwenza ngale fight yenu?" Sporo: "kuthen uthukisela mna. I didn't ask for this to happen!" Me: "I know you didn't Sporo but you have options! You could trust me ndithethe nabo and give you back your money!" Sporo: "I don't want my battles to be settled by a woman Lihle, olahlobo bayithathe ngayo lolahlobo bazoy'buyisa ngalo!" Me: "what? So you'd rather kidnap an innocent pregnant woman!" Sporo: "sundingxolela Lihle." Me: "andizongak'ngxoleli man Sipehelele!" Vega walked in with a bowl of umvubo. Vega: "yinton ngoku?" Sporo: "khame man Vuyani. Sporo walked behind me saphumen endlin. Kubanda Va? No jokes. Xa umntu esithi uyi weather yase Bhayi ubozazi ba hayi jonga uk'thukile. Ndiqhaqhazela amazinyo.

There were 7 taxi's. SEVEN. Ndaveske ndagodola worse. But I still trusted my nigga's. Sporo took off his jacket, puttin it on my shoulders. He had a black muscle hugging jersey on. I zipped up sangena kwey'ka Vega taxi. Kudlala some local kwaito music. He drove us somewhere to drop us off. Sporo got a totally different car with tinted windows. Audi A3 eblack. Sangena and drove to McDonald's drive thru for burgers. I missed them damn burgers. Maybe this would be the last time I ever saw him. Everything about tonight was hanging on threads.

Lubabalo woke up first. For a second he was confused. Where was he? Then looked around and saw Lukhanyo. Wherever he was, he knew he was safe. Lubb: "khanyo." he mumbled. Luks: "hm.hm." Lubb: "uhlel?" Luks: "no....I'm sky-diving Lubby." he opened his eyes. Lubb: "uziva njan?" Luks: "weaker. Ndisozela. Wena?" Lubb: "same here!" Luks: "uph uThulz? Andikam'boni." Lubb: "nah man, you'll build your business from here. Hire umntu kwelacala." luzuko: "I'll think about it." he walked out to fetch them water. Babalo crawled to him. Luzuko: "my sthandwa Sam." Didi came into the kitchen. Didi: "Pumpkin. We're going shopping in the morning, so we need. A little motivation." Luzuko: "does it involve my credit cards?" didi: "yes." luzuko: "in my room, top drawer." Didi: "you're not coming with?" luzuko: "no, I've got kids to look after." he picked the baby up. She hugged them, laying on his chest next to the Babalo. She smiled at her. Didi: "are you thinking of extending our family?" Luzuko: "don't be ridiculous. The family is big enough." he kissed her forehead. Tee came in. Luzuko: "love, please take this to the bedroom." she took the tray. Luzuko: "Didi, please change the baby for me. I'll get her supper ready. Jess??" Jess: "yes?" luzuko: "please run the bath for the kids. Start with Chuma." Kirsten was already making dinner. Sbosh: "what an effective team." Mandy walked in. She was cold and tired. Luzuko:

"funeke kucace andinama wexuwexu mna." Sbosh laughed. Luzuko: "nani niphumle man kudala nisebenza. Uphi umakhulu Tata?" grandpa: "uyavasa nyana." luzuko: "okay." he went to his bedroom. Tee: "and someone has to take care of you." she turned him around to kiss his lips, sitting him down on the bed. She climbed on him. He unbuttoned her Top, kissing her firm breasts. Luzuko: "when all of this is over babes. For now, my mind is a bit distracted." Tee: "its okay love." luzuko: "I missed these." he squeezed her boobs in his face. Tee: "they missed you too.." Lubabalo yelled for him. Luzuko: "come.." they got up and went out. Lubb: "Sise ndlelen ehambayo kengok. We need you to be alert." Luks: "kuzobaseka apha phandle Luzuko. My family must be safe at all times." luzuko: "I get it." they went to the bathroom to kiss their kids then left.

Jermaine and his boys were waiting for them. Lubby, Sizwe and Lukhanyo arrived. Lubb: "J." Jermaine: "hoe gaan dit." Lubb: "no time for that Bro. We got work to do." he briefed him. Thulani called Lukhanyo. Thulz: "I just found the cars. Kukho nezinye ezimbin apha. Soma followed them baye ngase Zinyoka." Luks: "usebenzile bra. Sharp." he hung up. Lubb: "we on?" Luks: "ja." they drove to Ezinyoka. Where they stopped around an empty playground. Sporo drove past slowly. They didn't notice the car he was driving. Me: "let me?" Sporo: "No Lihle. I'm not letting you do that. Its safer here." I hated this, but ke I had to be reasonable for my child. Sporo: "if this is the last time I see you, look in the inside pocket after all this is done. Okay?" Me: "what does that mean?" Sporo: "anything is possible Lihle." Me: "I'm sorry about yonke Le mess." Sporo: "oyena mntu cela uxolo ndim. Look, don't leave the car, unless someone you know and trust comes. Unlock, uphume naye. And Leave immediately nisuke apha. Istixo Sam usifake phants'kwe moto. Kweli cala lika driver." Me: "be careful." he kissed my cheek, parked the car around the corner, got out and locked it. Vega arrived. Vega: "tsiba." he got in and they drove to their opposition. everyone got out their cars. Lubby stood with Lukhanyo and Soma. Sporo walked straight to them with Vega. Sporo: "wow. So this is what she meant by 3." Lubby was fuming in anger. Sporo's squad parked their vehicles all around. Some sat on the roofs. With their guns. Jermaine: "fuck." Donkey: "I got your back." he whispered. Lubby looked around. There were at least 30 more people than them. Every single one armed with a Rifles and AK47's. Lubb: "where is she." Sporo: "imbeko iphi?" Lubb: "your army doesn't scare me. Asiphazamanga ubalapha. If you know what's good for you. You'll give us what belongs to us." Sporo: "I wish you would. You stole from me, and still uyibuyisa ishota." Luks: "uthethi kaka! We gave you all your money back!" Sporo: "you missed

two." Luks: "utheth umsunu wakho kwedin." he went straight to him. Vega set his rifle and pointed it to his forehead. Luks: "Give me back my wife!" Sporo: "imali yam kqala." Lukhanyo pushed the gun out his face. Pulling out his own. Sporo: "one mistake Lukhanyo. I'd hate it if something had to happen to Lihle and the unborn." Vega: "dubula alok." Luks: "you bastard!" Sporo: "uYihlo." he sat on Lukhanyo's car. Sporo: "ndilindile." Lubb: "Jermaine." he signaled. They set their machines gun shots flew in the air. Sporo sat still and watched. Luks: "I'm not gonn ask you again." Sporo: "uzothin Lukhanyo? Shoot me? Make this a whole lot easier for yourself, give me back what's mine. Okanye ndiythathe apha kuwe?" Luks: "I dare you." Sporo nodded his head. 3 big guys grabbed Lukhanyo and Lubby. Soma tried to fight but Sporo held his collar and dragged him away. Sporo: "you're fucking with someone who doesn't give a fuck. Uzokwenza icebo and get me what belongs to me before I rip your ass apart." Soma: "who the Fuck do you think you are?" Sporo pushed him out his way and walked to the first vehicle. 6 bodies lay on the ground. Dead. Police sirens went off. Jermaine carried Donkey's body to their car. Everyone got in their vehicles and sped off. Sizwe went to the abandoned car and found his daughter. I unlocked and ran to him. Me: "Tata!!!" Sizwe: "my baby!" he hugged me tightly with tears in his eyes. Sizwe: "we have to get going." Me: "wait." I locked the car and threw the key under it. Sabaleka to his ride. He was still in pain but that wasn't the point. We drove off quickly, I was soo happy. finally. FINALLY I was going home! I cried in the car. Sizwe: "sweetheart, you're safe now.you're okay mntanam." he held my hand as he drove. Me: "you've been trying to save me all this time, wade wonzakala Tata." Sizwe: "its my duty as your father ntombam. I was supposed to protect you from the beginning." he drove to Kwa Ford. I needed to see my children. I needed sanctuary. Peace. Love. As soon as we arrived I jumped out the car and went inside the house. Everyone stared at me. Luthando was the first to stand up and ran to me like a little penguin. 🐧:(Lutha: "mama." Me: "my boy..." I had tears of joy streaming down my face. Luhlle came after him with Chuma. The giggles and screams. Well, kubekho abantu abay4 endingabaziyo and frankly for now I didn't care. Luzuko got up, ndahlala phantsi. Mandy was in tears too. Sbosh: "my friend, we were soo worried! Unjani? Do you need anything?" Me: "no. I'm okay." Mandy: "you sure?" I nodded. Kirsten: "ila make some hot chocolate." Me: "thank you." Meanwhile, Soma drove to Smilo's house. He was not home, he broke in and searched the entire place, finding the two bags under the bed. He took them and got out. Driving to the rest. Lubb: "is'qhela masimba kodwa lekaka." Luks: "you know what Lubby, you're right. But this whole thing is pointless." Lubb: "pointless my ass!!! We are going to fuck them up! I will not be man-handled in my own fucking territory! Those bastards!" Luks: "they

are too many! We just lost a friend and We need Lihle back more than these people defeated. And the chances of that are fucking slim! Let's be sensible about this." Lubb: "Lukhanyo andikwazi unje mna! you can't be giving up! These people will bully us all our life if asenzi nto ngoku!" J: "Kan ek nou praat?" Lubb: "WAT!" J: "maybe. He's right. They're like the navy. The army AND the Airforce. Combined. Lubby, we can't take chances. We're good. I know, but it will cost us our lives, we've already lost one maybe if we-" Lubb: "Jermaine, Jermaine, Jermaine! moenie kak praat nie!" J: "hey!" Lubb: "I will destroy them. For what they did!" Luks: "lubabal-" Lubb: "leave me the fuck alone!!!!" he got in his car and drove off. Leaving dust in the air. Luks: "don't mind him. He's been quiet ever since this thing started so now he's heating." J: "yeah, sometimes his emotions take too long. Now he's over the edge." Luks: "sorry about Donkey." Jermaine just kept quiet. His one and only best friend was gone. He was simply defeated and couldn't carry on. Soma arrived. Out of breath. Soma: "I found them." Luks: "thanks Soma. Sapha kum. I'll take them. Khaye kuLubby, he's on dragon mode." Soma: "you sure?" Lukhanyo nodded. He had to do this for his family to be out of this mess. He took Soma's car and drove to look for Sporo. Followed by Jermaine for protection. It didn't take them long. The squad was spread out around him. He was sitting on his A3 waiting patiently. Lukhanyo took out the two bags. Walking to Siphелеle. Luks: "where is she?" Sporo shrugged. Luks: "the deal was that you bring her back!" Sporo: "the deal was that you give me my money. I gave her solid instructions. She must have followed them." Luks: "instructions?" he dropped the bags and moved closer to him. Luks: "nobody touches my wife kwedin. What you did was disrespectful. You may have won this time, but this battle is far from over. You better Sleep with one eye open." Sporo was swinging his keys on his index finger. He picked his eyes up to stare at Lukhanyo in the face. Sporo: "steal from me one more time. You'll arrive in heaven, crawling with no legs." he got up and took his bags. Got in his car and drove off..

Chapter 607

Lukhanyo walked into the house, I was in the bedroom putting Lutha to sleep. Lihle was in my arms. Engafun suka tu alale camko brother wakhe. She just clung onto me and Bambino. Lukhanyo walked into the room and stared at me. He rushed to me wandibamba, hugging me tightly with our daughter. Luks: "I'm soo sorry." Me: "its okay." Luks: "its not...yonke lento yi-fault yam. Kudala wandiceng ndiyeke Le shit

and I put your life and our baby in danger again." Yimake woah. OUR BABY?? Uqala nin mhlaw'mpe? Luks: "ndicela undixolele Lihle, I never meant to hurt you. Ever." Luhle: "Tata." she muttered. Luks: "yes my angel." he looked at her. She held his ear, brought him closer, wantsho nge baby kiss. Lukhanyo was emotional but smiling. Luks: "enkosi ntombikayise. Yakuthanda utatakho uyeva?" he kissed her forehead. Then looked back at me. Uphi uLubby? Luks: "please Lihle." me: "I forgive you Lukhanyo. I really do. Don't beat yourself up about it." Luthando woke up again. Akalali umntanam bethuna haibo. He just fell asleep 2 seconds ago. Luks: "funeka siye kwa Gqirha love, to check everything. Plus umntanam ba unjani. IStress bendinaso." I wanted to say something but kengoku bendingafun siqale phantsi ukulwa. But this needed to be said. So in my calmest voice, I asked. Me: "wandiphika Lukhanyo wathi ngowaka Lubby lomntana, zii magic zaphi kengoku ezimenze owakho?" he smiled. Luks: "kodwa Lihle uyageza. Usile nyani. Asisekho lapho ngoku, you said ndik'mithisile, and under the circumstances zela xesha, I was feeling guilty ngendlela yenzeka ngayo yonke lento. But nevertheless abantwana bona ngabam, and ndizobathanda more than anything in this world." Me: "There's only one child." Luks: "ngoku kuthen sisikhulu kangaka? Hayi baby, masiyoy'jonga lendaba please. Wena busiye clinic qha." Me: "I did a scan, and bekukho oyil." Luks: "were you paying attention though?" I pushed his shoulder. Luks: "haha, ndiyabuza nje." Luhle wabe efeketha kengoku nokwakhe. She reached for her father. Want sala nge jersey. Luks: "ow kodwa yibully umntana ka Lihle. Wenzani ngoku." he took her from me. Waphinda wajonga mna wanditsala again. This was a Lutha tendency. Wabe uboy eme ngenyawo looking grumpier than ever. Me: "ushiyiwe uyakweleta ngoku." Luks: "izapha kwedin, kuthiwa awuva wena." Lutha: "hayi" he Grumbled. Me: "yuuuh ndinombono walo voice xa emdala." Lukhanyo imitated him with a deep voice sahleka. Luks: "we need to bath silale, then ksasa Siya kwa Gqirha Lihle, and I'm not taking no for an answer." Luks: "uphi uLubabalo?" Luks: "andimazi." he took Luhle to her little bed. Me: "njan ungamaz kodwa benihamba kunye?" Luks: "Lihle, I'm trying apha. For us! Lubabalo is grown he can take care of himself. for now, we're focusing on us. I'm trying, to forgive you for what you did to me. I want us to move on." me: "you're about to get married Lukhanyo. And khange ndithi mna funeke uzidubadube to forgive me. Ndiyazazi ndikwenze wrong and I do not expect you to melt ngenxa ye-3 days of kidnapping. Let's not just sweep everything under the carpet because funeke isortwe, ibenolunga." he came to me again and hugged me. Luks: "andifun lahlekelwa nguwe sana." Me: "Lukhanyo." Luks: "please don't say it." me: "I have to." Luks: "No..." Me: "Lukhanyo!" he pulled back. Luks: "I'm glad you're home." me: "okay." where the hell was Lubabalo? Luthando cried for his father. Lutha:

"tataaaaa..." he sobbed and pouted. Luks: "ndodaaaa." he did the same. I walked out the room ndisiya elounge. Nope he was not here. Sizwe: "mntanam." Me: "where is he!" Sizwe: "I'm not sure. You should rest Lihle, think of your child." I was burning to see him. I had to. Walking up and down the house looking out the windows. Checking every 10 minutes. Sizwe: "Lihle. Hlala phantsi." Thulz: "uLubby went to make arrangements for uDonkey." Me: "why?" Thulz: "uhm....." Me: "what happened to uD Thulani!!!!" Me: "he's dead." ndamelwa yintliziyo. I sat down and tried to breath. We weren't close, at all. Donkey killed Xolani. In cold blood right in front of me, but sathetha and got over it the time naye he got shot. I helped him. But still, eyoba makafe? Ulife unjani bethuna? Lubby must be feeling like shit right now, especially J. Me: "ndise kuye." Thulz: "its late Lihle, plus andazi noba uyophelelaphi. And Lukhanyo is happy you're home right now. Yonke Le mess is over." I went to the bedroom ndizovasa ndilale. My heart was breaking into millions of pieces. I missed him sooo much. Lukhanyo was on the phone speaking in a low voice ejonge the other way. He didn't hear me come in. Luks: "baby, ndiyeza ngoku kaloku suqumba I've sorted everything out." Lisa: "okay, so we can get the wedding planner right?" Luks: "khangе ndithi sizozala kwi family yakho NA mntu wam? I still got to pay iLobola." Lisa: "can't we just skip that siqhubekeke nge white wedding?" Luks: "no. Uzobangu makoti. Uthanda ungathandi." she sulked. Luks: "I miss you, ndize nanton?" Lisa: "your toiletries. Because ndizokuba for the week and we won't be needing any clothes." he giggled. Luks: "ustout ke wena...give me an hour to get ready?" Lisa: "I'll wait." ndabe ndise bathroom by then. Luks: "I love you." Lisa: "I love you too." he hung up and walked out the room. Ndavulela amanzi and locked the bathroom. I took off the jacket I still had on, and all my clothes. I went into the warm bubble bath and relaxed myself. Hayin man, ubuya nini ulubabalo? Does he even know ndikhona? I took the jacket again ndajonga kwi inside pocket. There was an envelope. I opened it. Ndabona a folded paper ndalivula. It was the drawing. It looked AMAZING. How did he finish? Kanene ndivuke elele ecamkwam he probably did it ndilele. I loved this picture, I need to frame it. I turned it around kubaliwe ke. It goes as follows. I loved you, and I probably still do,
And for a while the feeling may remain...
But let my love no longer trouble you,
I do not wish to cause you any pain.
I loved you; and the hopelessness I knew,
The jealousy, the shyness - though in vain -
Made up a love so tender and so true
As may God grant you to be loved again." I giggled. Sporo though. He even drew a

heart. Not ulove. Ha.a. The actual organ. Ndaphinda ndahleka. He's sweet shame. Well, I doubt I'll ever see him again especially kengoku engu enemy number 1 ka Tata and the Mzinyathi's. Wherever he is, may God Bless him and his life for taking care of mine and my child's. I bathed and shaved. Andise muncu man. Ndizonxibantoni? I heard a knock on the bathroom door. Mandy: "cela uvule peto ndim." I opened for her ndikhupha amanzi. I wanted another. So ndavasa ibath and ran amanye amanzi. Sbosh and Mandy walked in with a towel, a new pink toiletry bag. And some pajamas and clothes. Mandy: "ndibaleke ndaye flatin yakho to grab these at least for tonight." me: "enkosi peto." I went into the bath again. Sbosh: "yawathanda amanzi mfazi." me: "yuuuh peto, ndlela Le ndonwabe ngayo, I only bathed once and took a mini cold shower ksasa." Mandy closed the door. Sbosh was sitting on the toilet seat. Mandy on the towel leaning against the door. Sakhe sancokola. Sbosh: "what happened Lihle?" Me: "hewethu, ndixhwi'lwe ndisa fownela uLukhanyo ndakhonjwa ngomphu. ndiz'xelel ba ndizoz'kakela Va. Ndafakwa kwi moto sahamba. Ndibotshelelwe ndivalwe amehlo, sade sayofika k'lo ndawo.ndafakwa kwi room emnyama ndahlala khona. I don't know how I fell asleep pha, uuvuka kwam kungena oy'1 wabo ndingasoyiki!" Mandy: "ithi uyadlala Lihle!" Me: "peto, just thinking about it gives me goosebumps." it felt like it was yesterday ewe it pained me a bit but I wanted to talk about it ndikhe ndibalisele umntu. Plus the best part was yet to come. Me: "so ndajjisana nalomntu kwangena omnye." Sbosh: "ohh Nkosi yam!" she covered her eyes. Me: "but he stopped him. Wam'khupha phandle. Ndabava bexabana wabethwa ke omnye I assume bingulo wok'qala. Wabuya owos'bini ngaba nga cenga akavumi tu, waske wandinik ibucket nelokhwe eshushu ndanxiba. He even fed me. oko ezigqume ubuso, only to find out ngumntu ondimaziyo." Mandy: "HAYI peto!!" Me: "I'm telling you. I was mad ewe, but grateful. Ndandifunda eskolwen naye in high school. Engumntu othuleyo wethu. Either way, I survived ngenxa yakhe. He let me go nangoku ekuqibelen ndinxibe jacket yakhe kanti ufake lento." I showed them the letter. Sbosh: "ncooooooh." Mandy: "hayi man lomntu he's sick. How do you kidnap a pregnant woman!" Me: "it wasn't his intention." Mandy: "but it was his action though because he did it!" Sbosh: "but let's be grateful he didn't hurt you wethu. Nguban gama lakhe?" Me: "ngu Siphelele." Sbosh: "ncoooh. Hayi man omnye umntana Ebe love struck akakwaz nozibamba." Me: "no, ebesikwa yinimba uSiphelele. Being calm and caring is in his nature." Mandy: "its written here. 'I loved you and I probably still do' okanye ndim lo udom?" Sbosh: "peto, enough about this thing ingathi its upsetting you." Mandy: "uxolo tshomi." Me: "I'm okay guys manyan. Uphi uLubabalo?" Sbosh: "oko bemke noLukhanyo. Akeka buyi yena." Me: "mxim." Sbosh: "uba yi-panty ke xa ethanda uLukhanyo." Mandy: "all he cared about was

rescuing you ba mawuzohlala uthi nethe apha endlin while he goes and has fun." Me: "uyam'capkela ke wena omnye." Mandy: "ayo mfihlo kanti leyo. Andim'thandi tu. Uleqa impundu as is." Me: "kalok that's his fiance Mandy, kuthen funeke aguqe kum ndiright mna. Ndilinde ndodam ibuye qha. Naye ke makayozonwabisa." Mandy: "can't you get a normal guy, that is not a gangster and obsessed and abusive? Banintsi Lihle. Trust me they exist. Yi-circle yomgca obityileyo othen lo umjikelezayo? Now that ubuyile bazo phinda baqale ek'qalen baxabane? No man Lihle man. Ha.a ayiyo mntase Lena. Mna ndithi go live with your dad, give birth to your child uqhubekeke neskolo. Indoda mayime ngoku sekukho noSphelele abaSpooky nje ngoku. This isn't life mtshanam. Abanye beat you, abanye kidnap you. Hayi andisa vumi kaloku noba sinokusa kum'thandazeli akhe ajonge elibhadi lakho." Me: "Mandy, Lubby makes me happy. Isn't that what's important?" Mandy: "not if he's your ex's twin. No. Nam ndifuna ube happy Lihle, but kuthen ufuna indoda nje?" Me: "andizom'lahla umntu wam Mandy to prove a point to you! Call me names and whatever! Ewe ndisi sbhanxa I'm pathetic and weak!! Qha ke ndiyamthanda uLubabalo Morrison fullstop!" Sbosh: "girls. Please. Lihle, calm down mtshan. Mandy kodwa you can't tell her what to do." Mandy: "I'm not tryna do that peto! I just hate to see her hurt, kuyo yonke lento she's gonn have to face Lukhanyo every 5 seconds. Family gatherings, imisebenzi etc. Isidima sakhe as a woman sizokuhla. She's my friend and I don't want her to lose value!" Sbosh: "the more you push, the more she's going to do it. Myeke uLihle to decide for herself umdala engakaya nje." Mandy: "ade alale nobrother womnyen wakhe Sibongile! That's not right noba ungay'gqumelela NA. Stop trying to lick her ass uvume inyani." Me: "both of you please get out." Mandy: "andiyi ndawo lih-" Me: "GET OUT!!!!!!" I screamed. Me: "out!!!! Phumani!!!!!!" splashing water at them. They jumped out and left the bathroom. I got out ndathambisa ndanxiba and went to the room. Tata waza ne-tray enokutya. Sizwe: "my beautiful angel." Me: "thank you Tata." I sat and started eating. Sizwe: "I was doing a whole lot of thinking Lihle. Mntanam. Ndiyakuthanda, kakhulu futhi. You're my only child and I want to do everything in my power to protect you." Me: "dad? Kuthen uthetha oluhlobo? I'm okay. I promise." Sizwe: "but I'm not. I can't trust to leave you again. andikuufuni apha ntombi yam." Me: "what is that supposed to mean?" Sizwe: "I brought you here to see your children and family. Not to stay. Asoze ndikwazi uvuma uhlale ubomi bakho busebu ngciphekwen. I almost lost you. Again. As umzali you should understand this. Wahhlala kwi coma for months, wabuya ungasandi khumbuli, you got hurt again emtshatwen wakho awaza kum instead you fell in the wrong hands. Now you just got kidnapped? Hayi its enough. I can't do this anymore." Me: "Tata, bubomi obu. I chose it when I married Lukhanyo." Sizwe: "now that marriage has ended and so has this

life. You're coming to live with me." Me: "no, Tata, I don't want to hide in your dungeon forever." I snapped. Regretting it immediately. Me: "sorry Tata." Sizwe: "its okay, look I know its not a 5 star hotel nor is it as big as your boyfriend's mansion, but its home. That's where I want you to be." I wish everyone could stop treating me like a child. Me: "you're trying to break us apart." Sizwe: "Lihle, ndiyayazi uyamthanda uLubabalo deeply and kudala wamthanda this is what I asked you all those months ago. Wayiphika usithi uthanda uLukhanyo ndabe ndiyazi mna into endiy'bonayo. So much has happened, these past few days brought the twins closer again. They have a chance to rebuild their bond again. Your relationship with Lubby will just destroy that because Lukhanyo akasobe aphinde axole. This family will be broken apart. Forever. Lukhanyo uzohlala eMiserable ubomi bakhe bonke and he'll never change because he already feels he's a failure in life. Ingam'bulala lento Lihle. Kakubi qithi." I also didn't want to hurt Lukhanyo. I wanted him to restore his brotherhood with Lubby as well as build another with Luzuko. Tata is right if Lubby takes over uzophinda Lukhanyo abuyele umva and he'll never change. Sizwe: "sweety?" this was the most difficult decision I have ever had to make. I had to sacrifice my happiness for Lukhanyo, he needed it. I wanted him to change so that his sons could have someone positive to look up to. I wanted his daughter to see the love and care her father possesses so that she has an example of how men must treat women. I had to sacrifice my love, for my family. Ndaphelelwa yi-appetite. Sizwe: "I'll give you a chance, to explain to him." I nodded ndibambe amazinyo. I wanted to break down but izonceda nton lonto?

Just then Lubby walked in. My father looked at him in pain. He swallowed and stood up. Lubby walked to me slowly waguqa ecam kwam and started praying. My father turned around walked out wiping his tears. He hated this but he couldn't let his daughter throw her self respect away like this. He couldn't let these twins hate each other like their father did his brother. He wanted them to continue with the special bond. The Mzinyathi love. Lubby held my hand and stomach and finally looked up at me. I kissed him. Ndilila ndinjalo. He was still kneelin between my legs, his head lay on my stomach. Lubb: "ndicelu xolo ngoku shiya baby. I shouldn't have left." I held on his head continuing to cry, how could I explain to him that life was so cruel and I couldn't be with him. his arms around me, ecela amaxolo. His heart was rested. Although still in pain. I pulled him up sahlala on the bed. Lubb: "I missed you Kumkanikazi." me: "I missed you too." Lubb: "sukhala kalok sthandwa Sam. Ndim lo...I'm never leaving your side. Ever again." I cried even harder. Lubb: "uxolo mntu wam." he held me in his arms. I just couldn't stop, ndiphethwe nasis'nqala. I clung onto his jersey and broke down again. He kissed my head and decided to continue

praying instead. Lubb: "Nkosi elungileyo. Mdali wezulu nomhlaba. Siyabulela ngoku mamela imithandazo yethu. Siyabulela sikuthandaza ngosiphathela umfazi engonzakelanga Moya oyingcwele. Sizohlala sikukhonza Mkrestu wethu. " he breathed and tried controlling his tears. Lubb: "the Lord is my shepherd. I shall lack Nothing! He makes me lie down in green pastures, he leads me beside quiet waters. He refreshes my soul, he guides me through the right paths for his names' sake. Even though I walk through the darkest valley, I will fear no evil if you are with me. Your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil. My cup overflows. Surely your goodness and love will follow me all the days I shall live and I will dwell in the house of the Lord forever. Amen." I had calmed down by then. He kissed my forehead and rocked me back and forth. Lubb: "I am never leaving your side. I'll forever be here for you." Me: "I can't." Lubb: "you don't have to. I'll be your pillar of strength, right by your side. I'll be the one standing for you when you can't lift yourself up. I love you baby, to such a point I love you more than myself. I could literally give all I own away just so that I can have you." Me: "we can't be together Lubabalo. I want you to rebuild your relationship with your brothers. I want you to be happy with him in your life. All I do is cause trouble for your family and I feel that its best if we go our separate ways." I could feel his heart ripping into shreds. Me: "I'll always love yo-" he pulled me back into his arms without a word. The tears just filled his eyes and rolled down his cheeks silently.

Chapter 608

I hardly slept that night. I woke up ndayolungisa kuba ndisiya kwa Gqirha by myself. I didn't want to talk to nobody. Forever. I just wanted to be alone. I couldn't do anything oko ndingcangcazela. I showered and got dressed still shaking and crying. Ndongdlula the bed and went out. Luzuko was in the lounge with Luhle on his lap. He looked at me ndakhangela spare change ndaphuma ngomnyango. Luzuko: "Lihle!" he yelled. Chasing after me. I ignored him ndayokhwela itaxi who could I go to? I started at my place, Sbosh was there cleaning. I took my old bag, bank cards, old phone and walked out. Sbosh: "babe!" I didn't want to talk to anyone at all. I got a taxi to the doctor. Luzuko back at KwaFord woke Sizwe up and his grandparents. Luzuko: "Tata, she just walked out apha andimazi uyaphi!" Sizwe: "did she say anything?" luzuko: "No!" he tried calling Lukhanyo. The phone was off. Lubabalo's too. Soma arrived.

Soma: "molweni, uphi uLubabalo?" luzuko: "he left ekseni." Soma: "uyephi?" luzuko: "He said something about following his friend." Soma: "donkey." he ran out the house, got in his car and drove off to Lubby's house while calling Lonwabo. Soma: "khadibane nam kuLubby sani right now!" Losta: "what has he done now?" Soma: "andiyazi fethu, I just have a bad feeling." Losta: "okay ndiyeza." he hung up. 10 minutes later. Soma arrived. Lonwabo as well, they walked into the house. Losta: "jonga eroominakhe." Soma ran to the far room. Losta searched the house. They couldn't find him. Soma was just exhausted because of the huge house. Losta: "the cellar!" they went straight to his under ground cellar. The door was locked but they could hear music inside. Soma: "suka Losta." they stood back. Soma kicked the door down. The whole cellar was in shreds. Everything broken upside down. Lubby lay still on the floor, bottles of pills lay next to him and his most expensive whiskey. Soma: "Lubabalo!!" he kneeled next to his best friend shaking him awake. Soma: "please wake up bra! Vuka Lubabalo!!!" he cried. He screamed his name. Losta: "Somangaye...please. Myeke." Soma: "NOOO!!!!!" he growled. He couldn't give up. He pulled his friend up. Lonwabo checked the pulse. Losta: "we don't have much time Soma, sondenza imoto!!" he too was emotional but he had to keep calm and do his job. They drove to the nearest hospital. Lonwabo went in, bringing back a stretcher and nurses to help them. they took Lubby in. Losta and Soma were told to stay behind. Lonwabo called Lukhanyo's phone it was off. He called Thulani the phone just rang by itself. He ended up calling lubby's father. He had no other choice. Sebastian: "lonuwabow. How are you son?" Losta: "uhm...Mr Morrison." Sebastian: "what's wrong?" Losta: "we're in hospital an-" Sebastian: "hospital? Why!!! What happened?" Losta: "Lubby tried to commit suicide. I don't know if we're too late, you need to come soon." Sebastian: "I'm on my way." he hung up. Soma was traumatized for the third time in one year he'd had to resuscitate Lubby. Why would Lubby do such a thing to himself? Soma took out his phone, calling his father. Vuyisile: "ndiyeza ngoku nyana. Ima nje kancinci." he arrived 30 minutes later and went straight to his son. Vuyisile: "kwenzeke ntoni Soma? Ndilibele no ironer, andishwabene man. Undothusile." Soma: "Lubabalo tried to kill himself." Vuyisile sat down. Soma: "Tata why? Kuthen hleli nje ezam iibest friend zifunyanwa kukufa?" dad: "suthetha oluhlobo nyana. Lubby usaphila kalok yena. Asinazo iimpendulo zezinye izinto and ke abanye bayoyisakala bobuu bomi sibuphilayo.." Soma: "I don't want him to die. Yena uzokonwaba nini?" dad: "you must have faith my son. Umamakho uyeza naye, sizobanom'thandazo omncinci for yena. Even now its important sihlale ekholwen lika Yesu krestu. Uphi uSoso?" Soma: "I don't know or care kanti Tata!" he stood up and marched to the room where they were still working on Lubby. Losta: "Soma!!!" he

pulled him back. Soma: "they're going to let him die!" Losta: "benza their best Soma! I know its frustrating but we have to be patient." Soma: "you know he's not going to make it Lonwabo! You know it." Lonwabo hugged his friend. He was also scared. Losta: "he'll be okay bra...he'll be fine." Soma's mother arrived. Mom: "oh bethuna ummntanam!" Soma: "I'm okay ma." mom: "hayi mntanam. Iza." she took him and comforted him. Mom: "womelele uLubabalo. He can survive." they sat down. Dad: "baphi abantu bakokwabo?" Losta: "ndifownele utatakhe, andiyaz noba use Australia or New York NA. But uthe uyeza." dad: "okay...." he sat next to his wife and son.

Lukhanyo woke up and went to the bathroom. Lisa was waiting for him in bed. Lisa: "babbbyyy..." Luks: "khome baby." he was feeling a bit sick. Lisa: "are you okay?" Luks: "no." she walked to him. Lisa: "baby?" Luks: "ndibopheleke isusu." she took a bottle of medicine and a spoon. Lisa: "khamisa.." Luks: "no." Lisa: "come on sthandwa Sam. You will poop it right out." Luks: "that's exactly what I don't want." Lisa: "iza baby, you'll be okay." he kneeled on the floor and threw up. Lisa left him there. He washed his mouth and went back to bed. Lisa: "kudala ungaryi babes. Your body isn't used to food ngoku so afunekanga uzi over feede." she brought him one slice of toast and juice. Lisa: "we must eat small portions de uqhele. Yabo?" he covered himself with a pillow and blanket. Lisa: "come on kalok sthandwa." he wasn't budging so she let him be. And cuddled. Lisa: "undenza iworry ke yazi." her phone rang. Luks: "sundishiya kaloku." Lisa: "I won't." she answered. Lisa: "yes?" Sivu: "you're an hour late! Uphi?" Lisa: "I'm not coming in. My fiance is sick." Sivu: "then be a fucking professional ufowne! Nxx!" he hung up. Luks: "yinton ngok lo?" Lisa: "ubane moods love." Luks: "hm...yandigodolisa, sondela kalok." she moved closer to him. Luks: "baby, Siya nin kokwenu?" Lisa: "siseno hamba nangoku sibuye ngomso." Luks: "buya kwam ndithethe no Tamkhulu silungiselele izinto. Then after that you get your wedding planner and knock yourself out." Lisa: "business yakho ihamba njan?" Luks: "I'm starting to think maybe if ndithenge shares k'le company usebenza kuyo. Wouldn't that be nice?" Lisa: "uhm...let's look for another maybe? Why not build your own legacy ke at least?" Luks: "that means we'll have to put the wedding on hold for months. Mna bendifuna sitshate within a month or two." Lisa: "I would love that." she kissed his cheek. Lisa: "masiyovasa ke sizohamba." Luks: "babes, I need to go shopping ke so soqala eWalmer before we leave." Lisa: "and then have breakfast. Uziva njan ngok?" Luks: "better. Iza." they took a shower. and got dressed. Lisa: "uzothenga ne bag?" Luks: "ja, masiye kalok love. Kuthen cucuza nje?" he gave her his Mazerati keys. Luks: "ungasi wisi please." she drove to the mall and they shopped together. Holding hands walking around the mall. He was happy and relaxed. Lisa: "I paid a membership fee for us. Sizoyo gymer. kunye." he laughed out loud and paid for

his clothes. Luks: "you must be playing." Lisa: "I'm serious. Siqala next week." Luks: "hayi saw'bona." they ate their breakfast and left for her hometown.

Luzuko was panicking. Where was everyone? He was left with his grandparents and the kids. Lubby and Lukhanyo weren't found. Sizwe had left to look for Lihle. Mandy and Sbosh went home. Zintle was in the bedroom with her daughters since Lungelo was only arriving that night from East London. Luzuko kept checking his phone. His team was out shopping. His mother called. Luzuko: "mama." ma: "molo mntanam unjani?" luzuko: "ngiyaphila ma, ndicela ukufownela back ne?" Ma: "why?" luzuko: "I'm expecting a call." ma: "okay then." he hung up. Trying Lukhanyo again. Voicemail. Even if he left, where would he start looking for them? He didn't know where Lubby lived neither did he know Port Elizabeth. He was stuck. Stuja arrived. Knocking on the door. Luzuko opened for him. Luzuko: "where is he?" Stuja: "ubani ngok Ta Luks?" luzuko: "yena man UTa Luks lowo!" Stuja: "yoh. Eish Lubby andimfumani nyani. Andimazi ndizothi uphi." luzuko stared at him sarcastically. Stuja: "Lubby?" luzuko: "andingo Lubby mna." he warned. Stuja was now confused. If this wasn't Lubby or Ta Luks. Nguban kengoku? Thulani walked in. Thulz: "uphi ulukhanyo!" luzuko: "I should be asking you!" Thulz: "ndifownelwa ngu Soma uthi uLubby is in ICU. We have to go, Tamkhulu." grandma: "ow Nkosi yam umzukulwana wam. Yhini Nkosi enofefe." grandpa: "khabe nihamba mntanam. Kusekho amasana apha funeke siwajonge." luzuko took his phone, they got in the car and drove to the hospital. As they arrived the doctor was speaking to Lonwabo. Doc: "I need to speak to his family." Losta: "is it bad?" Doc: "quite critical. We really can't say at the moment. We're not sure if-" Losta: "just try your best Busakwe." doc: "I'll make sure....." he stared behind him confused. Lonwabo turned around. Losta: "oh, this is his identical twin, Lukhanyo iza..." luzuko: "we can't find Lukhanyo. Ndim uLuzuko." Losta: "6 no 9 ningumntu omnye wethu, Busakwe this is his triplet. Is it possible maybe if he went in? To see him." doc: "certainly, this way, Mr Morrison." they walked to the room where his brother lay in a still position, only the machine beeping. Luzuko: "just a couple of weeks ago, 2 to be exact...I was in your position, inguwe ome apha k'le ndawo yam. You prayed for me. Had faith that I'd pull through and I did.. Now, Lubby, you have to do the same. If not for me, or Luks. At least for your children. Please..." he hoped he could hear him but nothing happened. The machine was still beeping at its regular pace. Lubby didn't move an inch. Luzuko: "can you hear me?" his own voice was sickening him. He sat in the chair feeling helpless. Hours later Sebastian and his wife arrived. The doctor greeted them and explained the current situation. Sebastian: "doctor, can you do me a favor?" doc: "sure.." Sebastian: "I don't want this to leak to the press, the last thing my family

needs is publicity. We'd like to keep this matter as private as possible." Doc: "absolutely. His twin is already inside." he led them to the room. Doc: "not more than 2 people are allowed but since you're all close relatives, I'll allow. 20 minutes time I'll come for his check up. Try not making noise, say positive things. Don't be upset Ma." they walked in the room and closed the door. Luzuko stood up and greeted. Luzuko: "good afternoon, sir, maam. I am Luzuko Daniels." Sebastian looked at him knowing this could not be Lukhanyo. But the other baby passed away at birth so this can't be... Antoinette was overwhelmed. She fainted. Luzuko went to call the nurse, they came rushing in. Taking her. Sebastian and Luzuko sent out the room as well. Sebastian: "where's my other son?" luzuko: "he's phone is off and can't be found." Sebas looked at him. He felt blessed to have 3 sons. But still worried if his first born would make it. Sebastian: "sorry for my rudeness, my name is Sebastian Morrison. But you call me Dad. Okay?" luzuko: "yes dad." they sat down and waited together.

Chapter 609

Lukhanyo and Lisa were driving back to Port Elizabeth. He had forgotten something in his house. Lisa: "kodwa Lukhanyo, couldn't this wait?" Luks: "uzobona wena. I won't take long, I promise." he arrived to his grandparents. He picked his daughter up. Luks: "molweni Tamkhulu baphi abantu?" Grandpa: "Lukhanyo kunin sikuzama. Iphi phone?" Luks: "yuuh ndanele Tata, ndiy'cimile phone mna." grandpa: "Lubabalo usesi bhedlele kuthiwa bezityise pilisi." Luks: "uyenziswa yinton lonto mhlawmbi?" he walked to his room. Luks: "hee Tamkhul uph uLihle?" Grandpa: "uphinde wemka uLihle akathethi namntu." Luks: "hehake. Umka njan ashiye abantwana bakhe! Mxim. Ndiyadikwa ke bonanje." Grandpa: "uzoya ku Lubabalo? Umphathele izinto ezishushu." Luks: "kodwa Tamkhul mna ndine plans. Lubby andzoyaz kuthen ezofika nestunt esinje." he packed a bag for him and walked out leaving his children. He drove to the hospital. Lisa: "siyaphi ngoku!!" Luks: "Lubby use sbhedlele, I need to speak some sense into his thick skull because okwe'sbini esenza Le shit." Lisa: "wenzeni ngoku?" Luks: "uzityisa pilisi. I don't know why. Yonke nje into yakhe confuses me." they got to the hospital and went in. Thulani Soma and his parents, Luzuko and Sebastian were in the waiting room. Luks walked in holding Lisa's hand. Luks: "uph brother wam?" Soma: "imbeko iphi Lukhanyo!" Luks: "molweni Tata, nawe mama. Good afternoon father." they greeted him back. Luks: "uphi ulubabalo?" nobody answered him. Luks: "babes, hlala apha ndiyabuya." he walked to the doctor,

who led him to the room. Lubby was still asleep. Lukhanyo stood next to the bed. The machine beeped louder. Lubby opened his eyes. Luks "nurse! He's awake!" she came rushing in. Checking everything with Lubabalo. Luks: "Lubby how can you be so selfish! This whole act bizoba phatha njan abantwana bakho! Why ucinga nge nyawo nje. Siphume kwenyi ngxaki usifaka kwenye." Lubby couldn't speak or reply. His whole body hurt. Luks: "look, I'm sorry Bro, kodwa uyandothusa xa usenza kanje! Indiphatha kabuhlungu lento yakho yofuna ukufa. What did I do wrong now? Ndikwenze ntoni? Tell me what you want from me. Because ukufa won't bring you any justice instead uzondishiya nomnye umthwalo. I can't do it on my own Lubby. Come on bra." Lubby was still a bit confused. Why was he there? What happened? Luks: "can you even hear me?" his twin still didn't move, instead he stared right ahead trying to piece puzzles together. The doctor came in and spoke to the nurse. Doc: "Mr Morrison, if you can hear me, please blink twice simultaneously." nothing. Doc: "uhm. Okay." he waved his hand slowly in front of his face. Lubby didn't move. Luks: "has he lost his sight???" doc: "uhm, sir, its difficult to explain. These things happen, sometimes temporarily sometimes permanently. We're going to do a couple of tests to determine the problem." nurse: "doctor busakwe. We have already done the tests. They showed no activity in the brain." Luks: "what!!!" Doc: "its still too early to rule it out. I'm sure the condition will wear out in a couple of days." Luks: "Lubby, khayek into zobu moffie sani uvuke! You've got my attention mos ngoku." Doc: "sir.." Luks: "no Doctor, khavale umlomo. Ndithethe nomntaka Tata." Doc: "it would be of great appreciation if you could tone down your voice." Luks: "I am aggravated. I can't just be calm over this. What if he'd actually died. Jonga ngoku, you can't hear, speak or see! Chances are you can't walk either." Doc: "chances are, you need to get the hell out." Luks: "I am going nowhere!" Doc: "nurse, please call Security." Luks: "how dare you! This is my soul, lying on this bed!" Doc: "you have to calm down sir." Luks: "MXIMMM!!!!" he was frustrated because Lubby wasn't responding. Luzuko was Waiting outside. Lukhanyo walked out. Luzuko: "how is he?" Luks: "he's brain dead luzuko." Luzuko: "no man Lukhanyo. Stop playing!" Luks: "I'm not! There's a 50% chance for it to be forever! Angayi vegetable uLubby ubom bakhe bonke because of one lousy stupid ass mistake!" Luzuko: "he didn't mean to make you angry." Luks: "oh? Kanti besenzela ndivuye? Abantwana bakhe? Bathin bona?" Luzuko: "maybe utyiwa zezinye izinto uLubby you never know." Luks: "that's the problem with him. You never know what he's thinking! Hleli nje une scheme enqondwen." he went to sit down. Lisa: "what's the problem?" Luks: "we can't leave yet." Lisa: "Is he bad?" Luks: "yes. Lisa, akeva, akathethi, akaboni. I don't know if akakho paralyzed na." Lisa: "he's going to be okay sthandwa Sam. Don't worry." she held his hand. Sebastian came back

with Nette. Lukhanyo got up. Nette: "afternoon my boy." Luks: "hello ma." he hugged her. Luks: "this is Luzuko." Nette: "I know honey, come here sweet stuff." she pulled Luzuko and sat them down. Nette: "I know that I was not completely honest with you Lukha. It was only to spare your feelings. Both you and lubbylu. I knew you'd be devastated to find that there was another that couldn't make it. That's what the nurses told us. When your mother gave birth, she gave birth to 3 children, arriving with them at the hospital. The nurse determined the last born dead because he couldn't breath. She told us he had lung problems and therefore didn't make it. We believed her, asking to prepare a burial, but she had already made arrangements. Zakes was already broken, we would've taken both you and Lubby but he had already lost his wife and son, he couldn't give his last hope away. He loved you with all his heart. He worked hard to make sure you have a better life. We know it wasn't easy and I am sorry that you were cheated of your siblings from the start, I for one, am utterly shocked to see this one here with us. The little fighter actually made it. We were robbed of a life, but we should be thankful to God for reuniting this family. Sebas and me regard you as our own children too, we love you all equally, you are one of us.. We might be away most the time, but we're working to make sure you all live as comfortable as possible. Maybe a little too comfortable." Luks: "but what about Lubby? What if he doesn't....." Nette: "my first born, is a true fighter. He will make it out that bed and out this hospital like the man I raised. All we need to do is support him. Stand by him and help him recover. Where is Linkie?" Luks: "Ma, so much has happened, now she has disappeared. Plus she's pregnant." Nette: "again?" her eyes sparkled. Nette: "that is wonderful!!" she hugged him. Luks: "mother, we're divorced." Nette: "what? No!! But why?" Luks: "its a long story ma." Nette: "pumpkin, take it one step at a time. Okay? And you, zuzu? Do you have a wife?" luzuko: "haha, I have 4." Nette: "you 3 are going to give me a stroke. Honestly." she got up. Nette: "come angels. come along." she pulled them up and went to see Lubby for a short prayer.

Lukhanyo hung up and walked out. He knew this was sibongile's doing. She brainwashed his son into thinking he doesn't care. He drove to her house, she was done making supper. Cuddling with Chuma watching cartoons. Lukhanyo knocked. Sbosh went to open. Luks: "you are sick yazi Sbosh, ude utyhale umntana athethe ezinto kum kuba ufuna ndibelapha." Sbosh: "Lukhanyo Chuma akathunywanga ndim ba makathethe olahlobo! Nam I'm as shocked as you are. Into oyilibalayo wena kuba Chuma akana 1, umdala uyakhula." Everytime he tries with you its either ubusy or awukho!" Luks: "jonga man Sibongile nam I have things to do. Andikwaz balapha every 5 seconds." Sbosh: "Explain that to him!!! Suthetha nam, thetha naye!" she stomped off. Lukhanyo grabbed her arm. Luks: "ungak'linge uthethe nam olahlobo Sibongile!!!" he yelled. Sbosh: "Lukhanyo....." she said in a warning tone. Sbosh: "don't you fucking DARE touch me. I am not the one!" she pulled her arm and walked away. Chuma was hiding under a blanket. Luks: "mntanam? Hee, ucimba uyazifihla kengoku?" Chuma: "uzandibetha." he said in a shaky voice. Luks: "asoze ndiyenze lonto mna. Never." Chuma: "kodwa uyambetha umama." Luks: "hayi boy, bendingaqalisanga. Kuthen unobuqhinga nje? Chuma: "sizom'linda kalok Tata, nanku penguins edlala. Ungangxoli." Luks: "ndithule ke." Chuma lay back on his father and watched the cartoon.

I went home after the doctor visit. My child was okay. Ebemnye futhi. Andiyazi Lukhanyo efuna undiphathisa nge ntliziyo. Ndingay'thin enye set of twins. yuuuh. I started at my flat ndatshintsha mpahla. I wore dark denim jeans. With a white oversized sweater. Kwaphela nento zos'kima ngoku I looked like a granny ndingathandi. I wore All Star yam ewhite, ndajija dreads zam ezincinci. I packed a bag with clothes, another with shoes. Ndatixa ndemnka. I headed to my father's house where he was waiting. He looked worried and panicky. I greeted and went to my room. Eyenze kakuhle ke shame, it smelt wonderful and it was tidy. Phof like the rest of the house. There was a woman in the lounge, did I greet her? I got up and dragged myself ndiyobulisa. Me: "uxolo mama, unjani?" Ma: "ndiyaphila sisi, ingath

udiniwe ndiyak'bona." Sizwe: "uhm, mntanam, ngu Nosizwe lo. Mama ka Sine." I just nodded. Sizwe: "There's something I want us to talk about, hlala phantsi angel." I sat down. Sizwe: "as you know intokuba Zolani ngu Tata ka Sine. Ebethandana noSis' Nosizwe. We have decided that, we want to be together. And kulo process sizoya engcwaben lika Zolani, to explain what is happening, then after that mna noNosizwe will arrange to be married." Me: "oh. Congratulations sisi." Sizwe: "as ifirst born yam, phof my only child, I will need your blessings to continue with this." Me: "I give you my blessings." Sizwe: "Lihle, funeke isuke entliziweni yakho. Sweety I know you're hurting okay? But ubomi buya qhubekela." Me: "I know Tata, which is why I give you my blessings to be happy. You deserve someone who loves you for who you are. Umntu ozokuphatha kakuhle akonwabise. I'm happy for both of you." I stared at him. He looked disappointed. Upset or embarrassed. I couldn't tell which. Sizwe: "so you have a new brother. Isn't that nice? Worse ke nishiyana ngee nyanga. Nani niyafana ngath ningama wele." they chuckled. I didn't find it funny. Me: "can I please be excused? I need a nap." Sizwe: "okay love. You're excused." I got up and went to my room. Nosizwe: "kodwa ndikuxelele this isn't the right time to tell her. Now she's even more upset." Sizwe: "dear, I know. I should've listened to you....iyandikhathaza ubona umntanam enje yazi. But I can't let it happen. Does that make me a bad father?" nosizwe: "no. You're trying to protect her from getting hurt. One day, when she's independent and grown, she will thank you. Okwangoku kuse buhlungu kuye, give her some time to heal." Sizwe: "I still feel like I have failed her. Kakhulu. I wish I could take away the pain she's feeling." Nosizwe: "that pain is called love, it won't fade but it will get easier as time goes." Sizwe: "okay." he got up and went to Lihle's room. Sizwe: "mntanam? You asleep?" he walked in and felt her left side. Her heart beat was regular. More calm. Meaning, She was asleep. He kissed her forehead and walked out closing the door. Sine rushed into the house. Sine: "Tata!" Sizwe: "what's the matter?" sine: "is it true?" Sizwe: "what is? Sungxola uzovusa uLihle." sine: "look!" Sizwe took the smart phone and looked the screen. It was a screengrab of an online article. "Billionaire heir hospitalized after attempting suicide." He saw lubby's picture. He froze....

Chapter 610

Sizwe: "No." sine: "is it? Bayivaphi kengoku?" Sizwe: "this can't be..."he went to the bedroom. Where his daughter was sleeping. How would he explain this to her? Sizwe:

"mntanam." he shook her lightly. I woke up and looked at him. Me: "Ta?" he looked worried. I wonder utheni kengoku? Me: "what's wrong Tata." Sizwe: " ndicela unga over react please." Me: "I won't." Sizwe: "don't stress yourself." Me: "I won't Tata." Sizwe: "uLubby usesibhedlele." I felt my heart take a dive. Me: "why?" Sizwe: "he...tried to commit suicide." it was all my fault. I should have known he would do something stupid. Sizwe: "Lihle?" Me: "Tata please stop thinking ndili phakuphaku, I'm okay. Ndicela undise?" Sizwe: "okay." I got up and wore my shoes. Washed my face sahabeni sonke. My new family. As Tata put it, my step twin, step mom and Him. Something I'd always dreamed for. A normal family. Tata was holding my hand sangena esbhedlele. It was late afternoon. Saya straight to the waiting room. Ndaz'xelela ke ba kanti ndizofeketha ndimdala ndim'ngaka nje. Lubby's family was present. Soma's too. Funny enough engekho twin wakhe. Thulani was there, and Lukhanyo's wife to be. Ephethe tablet yakhe ecofa. Wandehla wandenyuka. Mxim, today I'm daddy's little girl. Uzandijonga ancame. Luzuko stood up to give Nosizwe a seat. Mna ndahlala no Tata. Resting on his shoulder. Nette was happy to see me. She waved and smiled. I greeted her and Soma's parents. Sebastian came in and smiled at me. Sizwe: "ntombiyam. Busow'tyile?" I shook my head. Sizwe: "yuh Lihle umntana kaloku." me: "I'm not hungry Tata." Sizwe: "but you have to eat! Cingela umntana lo umthweleyo." Me: "ndicela umbona kuqala? I will eat." Sizwe: "promise me." Me: "I promise." we got up and he walked me to the nurse who was in charge. Nurse: "I'm sorry sir, only family allowed inside." Sizwe: "she's carrying his baby. She has the right to be inside." nurse: "oh, uhm.." she walked us to the door. Sangena. He was awake ehleli ejonge kude. I stood next to him. He didn't move. I was confused. Did he not notice? Me: "Lubby?" no reply. There must be something wrong. I held his hand. It didn't move. Hayke Bawo. Kwenzeka nton. Me: "Lubabalo." the nurse walked in. Me: "why is he not talking?" Nurse: "Ma'am. Mr Morrison is brain dead. He cannot speak, or move. There is no activity in his brain and 80% chance that he can't hear or see either." she was lying!! This wasn't happening! Not uLubby! Me: "what the HELL do you mean!!!!" nurse: "the damage is quite bad ma'am. He's not responding. To anything at all. It takes time for things to get to normal but usually a person has defects for the rest of their life." Me: "No!!!" I cried. Sizwe caught me before I fell. I screamed his name. Me: "Lubabalo!!!" Sizwe: "shhh." why was life so bloody unfair! Sizwe: "I'm sorry mntanam.." Me: "Lubabalo!" I cried. He had to hear me. He could hear me. Me: "baby please!!!" my father held me tightly, blocking his tears. Me: "Tata makavuke!" Sizwe: "he will my love. He will wake up. Iza...." Me: "no!!!" I sobbed for such a long time I lost my voice. I lost my air to breath. I have lost my love. Everything was failing me. Sizwe walked me out the room, sitting me down on the

bench right outside the room. Sizwe: "Lihle, please listen to me. I'm just as heartbroken. I didn't know Lubby could think of doing something like this. Bendingafun kubenje mntanam. You need to be strong. For your child, Lubby uzophila, he will regain his sight and all other senses. Funekile Lihle womelele. I'm really sorry..." I wiped my tears with my shaky hands. Suddenly everything in the world turned sour. Yonke nje into yenzeka to bring me nothing but pain. The abuse wasn't enough. Nale funek imoshakale. All the people I've hurt, bonke abantu balila on my expense. This was the universe's revenge. The 3 people I killed, and Sino. All of this, was because I am a failure of a human being. Now Lubby is there all on his own. Suffering. I slowly got up and walked away from this pain. Lukhanyo arrived and sat next to his fiance. He kissed her cheek and explained where he had been for so long. I walked out that hospital. At least He was happy. Sizwe walked behind me. I just trotted slowly in front with my thoughts. He didn't disturb me at all. I just wanted to die. I looked right and left. A truck was coming. I waited. 3 seconds later I stepped off the pavement. Sizwe grabbed me back. Holding me tightly. The truck sped across from us. He held me for a very long time. His hands shaking. Sizwe: "ungaze uphinde!!! Wenze lonto Lithembelihle. Don't you ever!" I never wanted my life to be like this. I curse the day I lay eyes on a Mzinyathi soul. All this was my doing, had I rejected that Xolani. Rejected Lukhanyo ndaske ndafunda ncwadi ezi zam. I would be done with college now and ready to work. But instead ndine mfumba yabantwana and I'm still struggling. Dad walked me to the car. It was going to be fucking difficult.

1 week later. Lubby was still the same. His condition had changed a bit. But had to be taken care of 24/7. He never opened his mouth. Not even once. Unless he was forced by the nurse because she had to brush his teeth. Lukhanyo walked in, to help with the physio. They picked Lubby up and put him on the wheelchair. His father pushed him to a different room to start exercising. Sebastian held him up and walked him to the machine. The doctor helped him too. Doc: "Mr Morrison, at least try to hold on, can I let go?.." Lubby stared into space. They positioned his legs and started with the exercise. Then the psychologist came. He tried to show him different visuals, encouraging him to speak. Luks: "is he deaf?" Doc: "well with the series of tests I did last week, it doesn't show any sign that he is deaf. He can hear, the problem is speaking." Luks: "then why is he not responding? Why is he not looking at me?" Doc: "don't be on his case. he needs a little more patience." Luks: "fondin. Kuthen feketha kangaka nje? And uyandiva, so ndiphendule!" Sebastian: "Lukha..." Luks: "dad Why is this happening!" Sebastian: "I don't have an answer for you son. We just have to be patient. He's trying. He really is." Lukhanyo walked out, he just couldn't bear the

pain. He drove to Lisa's place to calm himself down. She was busy with her work in the bedroom. Lukhanyo walked in and kissed her. Lisa: "woah....you okay?" he continued to kiss her, holding her wrists. Lisa: "babes?" she muttered. He held her against the wall and stopped. Luks: "why is this happening. Why!! Everytime I try to be happy, Lubabalo finds a way to fuck it up. Akafun thetha. Can you imagine? Uth umdala umngakaya ungafun vula umlomo as if uxuthelwe lekese.!" Lisa: "love, if Lubby ebefuna uthetha, he would. But he can't. All he can do is listen! Akakwazi uzenzela nto. Let alone go to the toilet by himself. He's not pretending. Bekukdala ngoko noko ngebhaqiwe. He's severely injured, don't you think he's dying to know kwenzekani in the real world? Khayeke ke mntu ucingela wena wedwa. Try and be patient, at least his limbs ziyoluleka. And uyazama ukwazi uhamba." Luks: "what if he stays like this forever?" Lisa: "but he's getting better nje...." Luks: "I can't watch my brother go through this shit. Knowing he did this to himself! Lord knows why, cause I sure as hell don't! Indophula umphefumlo, I can't lie. Its as thoughEish." Lisa: "he needs you baby. He can't say it right now, but he needs you by his side he's trying, meet him halfway nawe uyeke uba emotional apha. Okay? Be patient, God knows what plans he has for both of you." Luks: "thank you for being patient, for everything. Ndiyakhanda Lisa." Lisa: "I love you too mntu wam. I want you to be happy. And even if it means waiting until your brother gets 100% better I don't mind." Luks: "you are the best girlfriend I've ever had." she hugged him. Luks: "uyandomezela Lisa. I couldn't pull through without you." Lisa: "shh, baby uzondikhalisa mani." Luks: "okay xolo ke. Let me fetch Chumani eskolweni, ndizobuya late Va." Lisa: "okay." he took his keys and drove to fetch his son. Sibongile was already at the day care speaking to Chuma's teacher. Chuma was playing quietly in the corner. Sbosh: "ma'am what exactly happened? How could you not have seen anything?" teacher: "the children were in the playground and playing, Chumani pushed another boy off the swing and he bumped his head. Now, accidents do happen, what I find weird is that Chumani doesn't feel remorse. He refuses to apologize." Sbosh: "he's being bullied, and when the other gets hurt all of a sudden its a big problem?" Teacher: "if Chuma was bullied and came to us we would have fixed the problem." Lukhanyo walked in. Sbosh: "YOU should evaluate and supervise the damn playground!!" Luks: "haibo sbongile, yinton ngoku." Sbosh: "bathi uChuma ubethe omnye umntana." Luks: "is it Kyle?" Teacher: "yes." Luks: "good. Masambe Sibongile andizophendula bubhanxa mna. Chuma!" the boy ran to his father. Chuma: "Tata!!!" Luks: "heeyyy...." he picked him up and they walked out. Luks: "uthi uTeacher ubethe uKyle." Chuma: "bengafun suka phamkwam, ndamsusa ke mna. Befuna ndithin?" Luks: "aww nja yam....khangene." he fist bumped his son. Sibongile came to the car. Luks: "kodwa Chuma iwrong lonto. Suppose uya ku

teacher wakho umxelele ngalo Kyle." Sbosh: "yinton point yongxolisa umntana xa ebona kuYihlo." Luks: "andiva?" Sbosh: "usis'thulu?" she stared at his eyes. Luks: "ngena motwen Chumani." he closed the door behind him and stood in front of Sibongile. Luks: "uthin Sibongile?" Sbosh: "undive kakhle Lukhanyo!! Ubona kuwe lomntana. Didn't you know? Abantwana don't take advice, they learn from their parents' example." Luks: "uzam ukuthi I'm a bad father kengoku?" Sbosh: "khandiy'thetha lonto. Cela umbuyise before 7pm." she walked away. Luks: "andikaqibi uthetha nawe Sibongile!! Don't fucking walk away from me!" Sbosh: "ungandileqi nje." he got in his car and sped off. He drove to Kwa Ford Luzuko was on his laptop trying to finish working then had to go see Lubby. When Chuma came into the house he ran straight to Luzuko. Chuma: "daddy!" luzuko: "well hello to you to. Bekunjan eskolwen?" Chuma: "bekumandi. Sihamba nin sitye hot dog?" Luzuko: "ima ndiqibe nje apha." he sat him on his lap and they finished his work together. Luzuko: "Lena yona ndiy'beke phi?" Chuma: "faka apha....ha.a ima, beke apha. Ja." luzuko saved it. Luzuko: "masambe ke." they got up and left together. Lukhanyo got the twin babies ready putting them in his car and drove to Sizwe's house. He was still upset by what Chuma's mother said. He didn't teach Chuma to go around bashing others. Or was it because the little boy noticed more than he should? The time he walked in on them fighting, when she lay on the floor bleeding and unconscious. And many other incidents. He had to speak to his son about this issue before it got out of hand. He parked his car, taking out his kids. Luks: "iza Luthando. Come on my boy." Lutha walked past him straight to the back where Tiny was. He sat next to the large dog. Luks: "LUTHANDO." Sizwe: "myeke, he loves him." Luks: "Hayi Ta Seez!!! Yingonyama lanja!" Sizwe: "but they've been playing together njena this past week. Bahlala kunye olahlobo. He won't harm him." Luks: "I can't take that chance!" Sizwe went to fetch his grandson. Lutha started crying. Sizwe: "yabona ke? He loves the dog." Luks: "he'll get over it." he went to fetch their bags. Sizwe: "how is Lubby holding up? Ndiqibele izolo ukuya. Andikabina chance today." Luks: "Eish Ta Seez. Andiyazi whether we going forward or sibuya umva na. Everything is just paused. Why would he do this to himself? I don't Know noba wenza ngamas'bom ungathethi or what. But then again, Lubby yathand thetha so he can't be pretending. He can't walk either. Its just painful to see him enjeya. All helpless and shit." Sizwe: "I know its hard Lukhanyo, it really is especially now ekulo condition akuyo. But he was there for you ushiywa ziingqondo, you got to be there for him, he never lost faith in you he carried on supporting and taking care of you ngoku kwaku nzima. Wena ke, ujongelwe abantwana and your grandparents are around yonke into yayenzelwa. He had to take care of you, himself and your kids. Please be patient Phakathi, he'll pull

through." he hugged him. Luks: "I needed that..." Sizwe: "you've been through a lot Lukhanyo, but you've got to stay strong. Siyavana? Okwangoku nguwe inkulu." Luks: "I understand now." Sizwe: "okay ke ndoda." Lukhanyo pulled back and looked around him. Luhle sat on the floor. Luks: "uphi uluthando!" Sizwe: "Eish istout ke lentwana. Lutha!" Lutha: "hm." they found him sitting in the kitchen floor with the honey bowl. Sizwe laughed. His hands and face full of honey. He licked his hands and dug in some more. Luks: "oh hayini Luthando Mzinyathi!" Sizwe: "let him bee..." he chuckled. Luks: "yooh Ta Seez, uzoba ngcangathe nje. Uphi uLihle?" he picked up his son. Sizwe: "uye esbhedlele." Lutha was now crying again. Luks: "hayi Thula tshi." Sizwe: "yeka lentwana. Uyayaz Lutha xa elapha ngezphi corner zakhe." he went to run them a bath. They played in the water for a while. Lukhanyo dressed them in their pajamas. He fed them too. I walked into the house. Greeted my father and went to my bedroom. I put down my bags and went to cook dinner. Lukhanyo walked out Sizwe's room. Luks: "sharp." Me: "hi." I carried on in silence. Luks: "sooo....unjani umntana?" I wasn't in the mood for a conversation at all. Especially with him. Me: "fine." I muttered. Luks: "uqibele ni-" I stared at him with one warning glance wavala umlomo. Luks: "hee yazi uLuthando ndim'bhaqe ehleli aphe kitchen egrumba esa sitya seHoney." if he paid attention to his child he would know that his son loves honey like nothing in this world. Usually he brings me the bowl and dips my finger in it then suck my finger. Even Tata knew not to fucks with Lutha's honey. Luks: "so you're never gonn speak to me again?" I turned around and went to the bathroom. Ndabuya sesembizeni. So I went to clean the lounge. Sizwe: "mntanam, ku-clean apha, you cleaned this morning nje." Me: "I know." he let me be, ndaqhubekaka nge room yam. Lukhanyo came to notify me rice iready. I went to fry my dad's meat, he didn't like it properly cooked. Just warm. I did that and made my own. Luhle was with my dad, falling asleep on his shoulder. Luks: "Ta Seez ndiya hamba ke." Sizwe: "uhambe kakuhle Phakathi..and remember what we spoke about." Luks: "enkosi kakhulu Tata." he kissed his children and walked out. Sizwe: "Lihle." Me: "Tata." Sizwe: "you've been depressed for a week now. Ayikho healthy lento yakho. You're 6 months pregnant. Awukwazi uhlala kanje." Me: "I eat, I've started to exercise what else Ta?" Sizwe: "emotionally?" Me: "emotionally I am damaged. Ndicela abantwana bayolandwa nguwe Tata, uphinde uba goduse. The last thing I need to see is Lukhanyo. Mandi uba Nguye. He's busy bawllin and shit. Thina funeke sibengoo makhulu. How Lovely." Sizwe: "kodwa naye uva kabuhlungu mntanam. He's hurting kuba Lubby ngu brother wakhe." Me: "sendisitsho nam Tata. I'm glad his happiness has finally arrived. Kudala shame elengalenga." Sizwe: "I understand how you're feeling Lihle." Me: "do you Tata? Really? Pushing a stomach around everywhere you

go, having your feet swollen, your back aching, oh and wait.....umntu omthandayo paralyzed. I thought as much Tata." Sizwe: "okay, I'm going to ignore you right now because uphethwe zezi mood swings zenu." Me: "then how about knowing you're not good enough for someone. Having them remind you every chance they got? Pushing and pushing for them to fix themselves uqiba kwabo ukuhlukumeza a-decide kengoku yena he wants to be better. So all in all, he wanted to fuck me up. No its nice. Fucking lovely." Sizwe: "Lihle!! Stop it!" Me: "nawe mos Tata, uyam'vuyela the mighty Ta Luks. Nje ngam. Sik'leway. Nditsho nangoku. Its nice, aint it? That he's finally happy." I switched off the stove, dished up and brought him his food. He was mad and totally ignored me. I set the tray in front of him ndathatha uLuthando saya eroomin to conversate with Bambino. Seeing Lubby lay helplessly in that bed broke me in so many ways I couldn't even describe how I felt. My heart was heavy. I was weak and I couldn't do this anymore. Waking up every morning going there ndibuye without him saying a thing cut me deep. The only thing that kept me was Psalm 23. And a prayer each night. I knew he wouldn't just wake up and be 100 but I had hope. I had faith in God. Luthando kneeled next to my tummy and kissed it. Bambi gave a little kick. Lutha smacked him back. Lutha: "hayi!" Me: "subetha kaloku baby." instead he poked me. Lutha: "Tataaaa." Me: "ngu baba lona." Lutha: "huh?" Me: "baba." his soft hands tickling and raking the belly. Me: "awozeli? Iza zolala." he put his head on Bambino and closed his eyes. No use taking him away because akacingi asuke. I let him fall asleep. Lightly snoring. I picked him up, laying next to me. Sizwe walked in with a sleeping Lutha. He put her down next to Luthando. Me: "Tata ndicela uxolo. I was being disrespectful and inconsiderate. Ndithethe ndinga cinganga." Sizwe: "you need to stop bottling things up Lihle. You're going to hurt people that care about you. I know uva kabuhlungu. We can't do anything about it though. He has the best doctors working him everyday, all we have to do is pray..sihlale thembeni." I nodded. Sizwe: "I love you my angel...I hate to see you oluhlobo. ndiyamthanda nam uLubby like a son. I hate what he's going through, any day of the week I could take his place, but ubomi abusebenzi olohlobo. Funekile uxole Lihle." Me: "I know Tata. I'm trying." he hugged me. Me: "I still don't want Lukhanyo here." Sizwe: "why?" Me: "I just don't. Andithi eyam value ihlile eyakhe flew sky high. Makahlale pha kude ke." Sizwe: "unochuku ke ngoku." Me: "goodnight Tata." Sizwe: "Lukhanyo is trying to change his life. He's trying to make sure wonke umntu is comfortable." Me: "okay Tata." Sizwe: " And ngutata ka Luthandoluhle." I got into bed. Sizwe: "goodnight then." Me: "good night Tata." he switched off my light and went out for his night hunt.

Nette and Sebastian were in Lubby's house. Sebastian: "dearness. I have found a specialist who can help Andrew heal and recover faster." Nette: "really? Where is he then!" Sebastian: "in Australia. We need to go back home with him." Nette: "darling, what about his other family." Sebastian: "they can visit whenever. We're leaving tomorrow night." Nette: "what about Lizzle? She's pregnant and already depressed. She's coming with us?" Sebastian: "No. Love, I know for a fact that Andrew would appreciate that, but what about Lukha? If I pick Lee, then Lukha will be upset, if I pick Lukha then Lee will be upset possibly even lose the baby. If I pick them both, it will be a lot of tension and that won't help Andrew at all. He needs a relaxed environment, sugar plum." Nette: "things have just gotten so complicated between this family..sweetheart if you'd just let Andrew go in time, all this could have some how been avoided. But NO. You were hell bent on teaching your son a lesson and keeping him in jail all those years ago. Unnecessarily." Sebastian: "Andrew had to know that with action there is always consequence!" Nette: "and did he learn his lesson?" Sebastian: "No." Nette: "exactly, so he wasted a year and a half in prison for nothing." Sebastian: "we can't do this right now my skat. I honestly can't take it." Nette: "we need to call the family. So that we can get their approval to leave the country.." Sebastian: "approval??? Andrew Morrison is MY son. Letting them know is just courtesy, I don't need their approval for nothing because Zakes Gave me that right." Nette: "honey....you're stressed." Sebastian: "I am not stressed! I am upset Antoinette. My first born has lost his abilities! Stressed is an under statement! You should've seen him in therapy. He Still can't walk! He still can't speak. And I can see the frustration in his eyes whenever he starts crying. So NO Antoinette, I am not just stressed. I am damaged!" he walked out the lounge to his room. Nette called Lukhanyo and Luzuko. Asking them to notify Sizwe to bring Lihle in the morning for the family meeting. She was tired by the time she got to bed. Sebastian was laying there with his eyes closed. Nette: "sugar." Sebastian: "hm?" Nette: "I apologize for being another added stress." he opened his arm to cuddle her in. Sebastian: "its okay." the next morning, Nette packed a big bag for Lubabalo. Sebastian making arrangements for the private jet. They headed to the hospital. Lukhanyo was waiting with Luzuko and Sizwe. I was by the far side speaking to the doctor about something to calm down my moods. If anti depressants were safe or not and other things. Actually bendibaleka uLukhanyo because bendizom'phoxa kuba I'm just pathetic and bitter like that. I went back to their side Nette and Sebastian had arrived. Nette: "hello sweetheart." she hugged me. Ndiyamthanda ke lomama. She's so warm about everything. Dramatic, but still welcoming. Sebastian: "Good morning everyone, I hope we tried getting a few hours of sleep as difficult as its been. Uhm.. I have been

doing research and found a Dr Paul Thomas. He's one of the best doctors, with his team they can help Andrew recover fully. The reason I have brought us here together is because we have to move him back to Australia. And we're leaving tonight, I'm sorry it had to be this soon but we all want Andrew to get better in no time." Sizwe: "if this Doctor is as good as you say he is then I guess its worth a try." I was being pushed further and further away from him. Luks: "so how long will this take?" Sebastian: "a month probably two. We're not sure. But you're all welcome any time you like to visit. I just don't want a lot of tension around him." Luks: "I understand. Luzuko?" luzuko: "erhm....okay. I guess its the only way." Sebastian: "I am grateful to you all for your support. I know its been difficult with the media harassing you at irregular times. But your patience is well appreciated." we went to say our goodbyes, one by one. Nette: "come darling. You okay?" she pulled me up and walked me into the room. Seeing him pained me, I just couldn't help but cry. Nette: "I know its hard to see him like this. . But we have to stay strong for him. Every time we break down, we break his hope. This makes him feel inadequate and breaks his self esteem." Me: "I don't mean to....I didn't mean for it to be like this..." Nette took his hand. Nette: "we can never question God's will. Only pray to him and put our faith in him." she lay his hand on my stomach. Nette: "anytime you want to come, just give me a call." I nodded. She walked out the room. Me: "the way you prayed for me, and kept your faith for me. I will do the same for you. God will answer our prayers and you will be well....usakhumbula ndilila apha, all you did was hold me and pray, praising God instead of questioning him..." I sat on the bed next to him. He looked helpless. Me: "the Lord is my shepherd, I shall lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters. He refreshes my soul, he guides me through the right paths for his names' sake. Even though I walk through the darkest valley, I will fear no evil if you are with me. Your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil. My cup overflows. Surely your goodness and love will follow me all the days I shall live and I will dwell in the house of the Lord forever." the door opened again. Me: "amen.." I wiped a tear from his eye. Lukhanyo stood on the other side. The last thing I needed was to fight with him here right now. I made the face cloth damp and wiped Lubby's face. The tears didn't stop. He made a sound, like a trapped soul. Ndingase khubeke. Me: "shhh....." Lukhanyo held his hand. Luks: "kuzolunga bhuti. Don't lose hope. Tata is getting you the best doctors to help you get better, nathi sizohlala sikucinga. We'll be waiting for you. okay?" I said my goodbye kabuhlungu qithi ndinga understand kuthen Lukhanyo ebuyile because he had his chance. I got up and walked out ndilindiwe ngu Tata phandle. Sizwe: "you're okay?" Me: "yes. I'm

fine." I had nothing else left here, I wanted to go straight home and crawl inside my cave. But I couldn't because I had to help Mandy and Sbosh with the coming event. I had to go to my mother because I hadn't seen her in a long time. Damian was back in town and left a message inviting me for lunch. Sizwe: "Lihle?" I snapped out of my thoughts." Sizwe: "oko ndithetha ndodwa apha." Me: "sorry dad, I'm making plans in my head, ndicela uyondibeka ku Sbosh, we'll be done around 7 tonight." Sizwe drove me to my friends place. Instructing me not to leave the house. Always keep the doors locked and he'll be at Stayputi's place so that I could call. Me: "dad, Siphелеle is long gone. And akaphindi abuye. We'll be fine." Sizwe: "wemka, wabuya, wa bhabha. Andikhathali enza lento ndiyithethayo qha." I smiled and got out the car. Ndayongena endlin. Only until Sbosh closed the door and locked, he drove away....

Chapter 611

Mandy and Sbosh were having drinks together bencokola with a few other girls. Ndangena ndabulisa. They greeted back. Everyone carried on with their conversation, uMandy ebalisa. I took Sbosh's laptop, went to the bedroom and started working. I needed to buy one. Since I'm living with dad I needed something to do instead of staring at the ceiling all the time. Sbosh: "babe? Uryt?" she whispered and gave me a cup of hot milk. The others carried on loudly with their conversations. Me: "yeah." Sbosh: "you don't look okay." Me: "ndizoba right mtshana." she sat next to me. Sbosh: "I heard that's he's in hospital." Me: "yeah. Well. he's being moved to Australia." Sbosh: "yooh. Hayin man mtshanam." Me: "I really don't wanna talk about it Sibongile." Sbosh: "I understand wethu mntase. But you have to." Me: "I feel like yonke into eyenzekileyo is my fault. Kwa udibana nam noLukhanyo....I was drunk heart broken. Yaveske yenzeka.. I thought we would make it. I really did. Ndamthanda kakhulu and went to different lengths to make sure he was pleased. Until I threatened to leave him. Ndamoyika ever since then. The look of hatred in his eyes, ingathi ngumntu onama demon. I knew he would never hurt me. And when he did, I was in denial, ndim'thethelala. Even my own mother, took his side, esithi Lukhanyo bengasoze andenze nto, I must stop provoking him and emtshatwen kuyanyamezelwa. I did just that nam. ndamnyamezela then he" I looked back at those days. It felt like a dream, no a nightmare. Me: "he raped me for the first time andayihoya. Thinking mxim wethu, he was a bit rough...then he strangled me some time later, every time he did something, he would plead me not to leave, of course I

didn't, why because he had threatened to kill me if I did. Everytime I tried to escape I remembered the beastly look. So instead, ndazama ke umlungisa umnyeni wam. Taking him to therapy and stuff, Abe right nyani for some time we'd be happy then out of the blue aphinde kwakhona ndinga yazi kuqhawuke phi. We tried again and again and again. Sibongile I tried every single thing to keep him happy. But still I wasn't the one. Instead, I am burnt for what he did because ndilula. I am to blame for his actions. Even my father, Tata lo undizalayo Sibongile, feels for Lukhanyo. Instead of everything he did to me, he just remembers that mna ndileli noLubby QHA. Ndenze inyala mandisuke kuye. After seeing me in and out of hospital Sibongile. Endibona ndibokoboko. He still stands by him, don't get me wrong andifuni am'capkele but the fact that he wants me to tolerate and accept Lukhanyo in and out my life as he pleases? No. It can't be Sibongile. Uthi MNA ndinochuku ngoku. He told me, to dump Lubabalo, to make Lukhanyo happy. To help them 'rebuild' their bond. I did that. But Lubby decided to commit suicide. Lukhanyo is still getting married, he still sits there like a champion because he got what he wanted. To see me suffer and scrape apha phantsi. Lomntu feeds on my misery ingathi wonwaba kanye xa ehleli phez'ko mphefumlo wam. Ndanele Sibongile, I just want all of this to end. So that I move on with my life, ndodwa. If that's the case." Sbosh: "so wena wohlukene noLubabalo to make Lukhanyo happy?" Mandy walked in. Mandy: "ncedile sisi! Its about time you see sense. Into ezok'nceda kuvala imilenze and be independent. You've got your own money, you've got us, you've got your dad. You do not need a man to make you happy. Lihle you're barely 23 and una bantwana abathathu? Hayi sisi ayiseyiyo ngoku." Me: "Mandy, bendithetha noSibongile." Mandy: "because ufuna akuxokisele to ease your conscience? Ufuna agqumelele ihlazo lakho?" I decided not to answer her. Andimazi undifuna ntoni uMandy honestly. Mandy: "I'm glad mna wohlukene nabo bobabin shame. Lento buyenza bisey'qala nondi embarrasser mna ngoku k'le yam indoda xa ibuza yinto Le yenziwa ziiitshomi zam. Sukwenza into ezijongisayo sisi." watsho ephuma. Sbosh: "usele lo...don't mind her." Me: "maybe she's right Sibongile. Not maybe, she is right actually." Sisebahle: "hehake Lihle usakhalela lobrother ka mnyen wakhe? Layta Yesu!" Sbosh: "into ezinje ebomin zenzeka naku banina. Ungacingelanga. Subahoye aba bathetha kakhulu, focus wena emntaneni lo uvale umlomo wakho. Uzala kwakho umntana ohealthy, uzoba grand ubeyele ebuhleni bakho umntu uyow'langaza ancame." Me: "how have you been?" Sbosh: "urg yayazi mos working aaalll the time. But..." Me: "There's someone?" Sbosh: "not exactly wethu, but damn he's sweet." Me: "njani tshomi?" Sbosh: "well, ndifika every morning kukho a note on my desk. And he brings me a cup of coffee just the way I like it. Andincokolele ke wonke uvobe lo. Helps me with my work too, always

concerned ngento endizenzayo. He's just a sweet person nje.." Me: "so wena ubhanjwe yinton?" Sbosh: " I wanna make him sweat a bit." I giggled. Me: "awugezi." Sbosh: "yuuh tshin Lihle, uyawazi anjani amadoda afika esweet eyilonto ifekethayo umntu ancinde aqibe ajike abeyi hazard ebomin bakho, akwenzele izinto. I have had enough of that." Me: "yeah hey? I hope it works out for you ke. You deserve at least umntu ostable, bekunin uzama. Worse ke when you got shot." Sbosh: "hayke ndandisithi ndiyafa ngu Lwazi. He beat me every chance he got, qho. Ba undibone ndincokola nomntu uzondithatha andise kwakhe anditsho sana kwanobom. Ndikhale ndiphinde ndiyeke. Ndik'xelela ngoLwazi mna." Me: "I wonder kuske konakale phi. Or maybe we've got bad choices." Sbosh: "hayi ndirhanela njalo nokwam. but you've got a thing for bad boys." Me: "haha. Mxim.....its just something so exciting about them. It makes my blood boil." she laughed. The other girls were leaving, we said our goodbyes sahlala sodwa. Mandy: "heee ningade." Sbosh: "intoni na Mandy? Just yesterday, ubethe umntana Bantu and carried on like it was nothing. The other boy has a huge bump and bruise es'bhunzi, khangе aqalise uChuma ulicela uxolo, notatakhe lowo waguquka wemka naye. I was angry at the teacher is'kakhulu because xa uChuma egezlwa ngabanye akanqandi, let it be umntana wom'lungu ohlukumezekileyo all of a sudden its an issue. Yuuh..." Me: "Chuma ufuna kuhlalwe phantsi naye kuthethwe ngalento ayazi ubetha kwabanye iwrong because mna I doubt for a split second Lukhanyo reprimanded him." Sbosh: "mxim umazi nje ngophola uLukhanyo. Zinjani iitwins?" Me: "yoh Sibongile. I love my babies, kodwa jonga ba-stout Va. Hayi shame ndiyavala ngeziya zimbini. Aziva nyani and they're forever working as a team, inkokheli ngu Luthando." Sbosh: "they're adorable together ke motsi." Mandy: "charmer ke leya. Yuuh undichaza xa engxoliswa ngu Luzuko, woyika ahlale naphantsi umntana." Me: "oh hayi Luzuko umenzan umntanam." Lukhanyo and Luzuko were together with the kids, Luthandoluhle. Luzuko: "ja ne.....still seems surreal." Luks: "I just wish there was something I could do Luzuko. Like I wish I didn't feel this helpless!" luzuko: "you heard dad, this doctor can heal him quicker and that's what we want right now, seeing him in such pain isn't nice at all." Luks: "I wonder Thixo wam benza ntoni abantwana babini nje bethule Nje." luzuko got up and looked for them. Lutha pulled the lowest drawer opened. It was empty just a stack of documents. Luzuko: "iza boy." Luhle was on the other side, standing next to the dressing table pulling on Lisa's jewelry box. Luzuko: "Lukhanyoooo!!! Khazonqanda." Luks took his daughter. Luks: "anozeli ngoku?" Luhle: "Tata." Luks: "ithi ewe Tata ndiyozela ngoku." Luhle mumbled something and wiggled herself to the floor again. Luks: "mabaze front. Ndizoba bona kakhle." they closed the rooms and bathroom bahlala bonke front. Luzuko and Lukhanyo watched the match. LUTHANDO sneaked away to the kitchen followed by Luhle. They opened the grocery cupboard. Taking out the flour bucket. It wasn't properly closed. With a cup inside. The babies played with the soft powder quietly giggling together. Messing on all over the floor. The rice bucket poured over splashing on the floor. Pulling on everything on the lowest shelf. Granny walked in. Gran: "he bethuna!!!" luzuko: "hello 'khulu." gran: "khanizozi bonela ke. Sondelani." Lukhanyo and Luzuko got up and walked to the kitchen. The kitchen floor was a mess. Luthandoluhle's face and afro covered with flour. Lutha smiled brightly at his fathers. Lutha: "Hayi." he said in his sweetest voice. Luks: "andatyhafa. Hayi ntoni Luthando? Sowuqibile nje umosha uthi Hayi! Hayi to what exactly!!" Gran: "akayazi nje yena. Uyadlala qha, uva kamandi." Luks: "no makhulu Luthando unendawana egezayo ngoku, I think he's old enough for a smack. Luks: "ndifuna wena mna, ndizok'vasa. Iza." he picked them up, Luzuko ran a bath. They bathed the babies and put them to bed. Granny cleaned the mess in the kitchen. Lukhanyo sat with his

Chapter 612

A month went by.... Lukhanyo was getting ready for the negotiations. He took the kids to Sizwe's house. I was hanging the laundry and cleaning the house. Ndimopisha phantsi so ndixhakalala ndimdaka ndinjalo. He knocked and walked in. Luks: "uph UTa Seez." Me: "ulaphe ntloko." Luks: "mxim. I need to speak to him. Mna noTamkhulu noLuzuko we're going to Mthatha for my fiancé's Lobola negotiations." bikhona need yondixelela? Luks: "cela uyovasa izandla ke, ndizise abantwana." Me: "zinodaka Dan?" Luks: "and'na xesha lolwa nabant abamdaka abangaz'kwaziyo mna." he mumbled and stomped out. Well, well, well. Luthando screamed his lungs out. I was worried he'd stop breathing. Me: "Thula kalok boy....iza." I tried everything to keep him quiet. Ended up giving him the breast. wancanca umntanam emdala engaka. 🙄:o Me: "kodwa uyageza Luthando. Ayikho Le." he just smiled and sucked quietly. Me: "wodlulwa nangu Luhle." Lutha: "hmm..." he growled and swallowed. Luhle sat next to me, wandijamela. Me: "hello." Luhle: "Tata." she sulked. Me: "uzobuya ngoku my love." bambi kicked at Lutha, who giggled and pushed back. Me: "khanimeni ke ngoku. Woah. Luthando." he was falling asleep. We lay on the bed all three of us, Luhle wasishiya kqala and slept. Then Lutha. I got up and prepared supper. Dad returned. Sizwe: "hi sweetie, emin apha." me: "might as well finish everything ngoku." Sizwe: "yeka apha ke, take a rest mna I'll finish." Me: "I don't mind Tata." Sizwe: "go rest Lihle. You're 7 months pregnant, the last thing you need is to be over-working yourself." Me: "are you sure Tata?" Sizwe: "positive." I went to take a long bath. Washed my hair too, dried it ndaflerha oo-Barbie. Ndangu nolali nyani. But I didn't care, nothing mattered anymore. Only my kids. Selizofika nexesha for my Bambino. I was excited for his arrival. I wanted to name him Lubambo Manti. I wore a white maternity dress and sandals plus a cardigan. Sizwe came into the room. Sizwe: "sweetie, I have a surprise for you." Me: "inton Tata." Sizwe: "well, oko ulapha you've been bored and I'm sorry ngoba ndimane ngohamba." Me: "its okay dad." Sizwe: "look...your birthday is coming up." Me: "that's weeks away." Thank you!" Sizwe: "you like it?" Me: "I love it. Thanks dad." I hugged him. He gave me a modem. Me: "but Tata, your house doesn't have reception." Sizwe: "I had it done ngokuya buye koo Sbosh. I figured since my little princesses and prince live with me, maybe we should live normally, andithi ndi-ignore(e) ke ngenxa yelaptop. We still going to have the family time. Each and every day." Me: "of course Tata." we sat down and switched it on. Sizwe: "uzohamba nini?" Me: "in about hour." Sizwe: "maybe you should take a break baby. Until uzale." Me: "no Tata, I need to work to keep my income." Sizwe: "kodwa ke Lihle lamali yoqala business wayiphiwa ngu Lubby. It belongs to You. So whenever you want to rest for however long, akhomntu unok'xelela nto." Me: "I can't let Mandy work alone noba Mali yeyam. Sayohlula." Sizwe: "cingela umntana lo wakho. Sizwe: "iza ku Khulu wakho." he stood up pulling Lutha's leg. Sizwe: "hayi kwedin!" Luthando giggled and walked to him. Sizwe took him to Tiny to play. Lutha took the tennis ball and opened the dog's big mouth. Tiny clenched his teeth closed shut. Lutha: "Tini!"the dog opened its mouth, Lutha placed the ball neatly inside. Lutha: "itha." grabbing the collar and pulling him. Sizwe: "awugezi Luthando." Lutha: "hayi." Sizwe: "Khulu." Lutha: "dudu." Sizwe: "uyamaz uTiny kodwa mna awundazi. Ithi Khulu." Lutha: "khudu." tiny bumped him over, wayowa phantsi. Sizwe laughed. Sizwe: "tshotsho!" Lutha got up and dusted himself, walking to the dog, he smacked him. Lutha: "mpaa!!" tiny ran away, waleqa uLutha. Sizwe left them together to fetch Lutha. She was awake. Me: "uphi uLuthando?" Sizwe: "nanku pha phandle noTiny." Me: "yuuh zobuya emdaka eyilonto ke pha. I went outside to Luthando, he was laying on his back on the sand. His head rested on Tiny's

stomach. Abase fast! Me: "Luthando suka apho, iza ndiphuze." Lutha: "hm.hm." Me: "LUTHANDO!" wandithi jep and looked away. I left him there ke. Locked the gate and walked to the bustop.

Sbosh kept quiet and continued with her work. She knew this wasn't Mandy, its the influence of her 'new friends' ever since S'bahle and the other girls started hanging out with her she's changed into someone she was not. Eziphakamisela umntu wonke. Lihle knocked and walked in. Mandy: "ulate ntombi." Me: "I'm sorry guys. I just need to....." I sat down. My back was sore, my feet already swollen. Maybe its because of her miscarriage now ndiyaphinda ndiyamitha yena akeka bina mntana? Hayi andizoyazi. We decorated the small space in silence. She took her stuff and left. Sajongana noS'bongile. Sbosh: "zeza tshomi zakhe ke ndik'xelele nam banditshintsha Lihle kakubi qithi, kungela xesha sasidibana kwa Gqalane, ndanditshomene nabo, ingabo bemana besithi mandenze Le ndenze leya, kuba sasiyitya sonke Mali yendoda. Awufun sihlale motwen?" SB: "ngandihlalisi koo Jikeleza mna." Vega: "heeee, hayi ndiyaqheleka shame eBhayi." they walked to the car. Climbing in the backseat. Continuing the conversation and drinking. She was getting drunk and laughing more often than before. Vega was getting a bit bored and Sporo wanted to go home. Vega: "umhle yazi." SB: "haska tshi. Sundibhanxa." Vega: "manyen..." his hand was already on her upper thigh. SB: "and'kho ready for lento uyenzayo Vuyani." Vega: "siyancokola nje..asenzi nto." she carried on talking while his hand traveled up. SB: "khayeke mani." she moaned. Vega: "uncokola kamandi mos..." SB: "hayi Vuyani ndiyanqanda." Vega: "kodwa uyancinwa." he brushed the top of her clit. SB: "Vuyani.." Vega: "shhh....qhubekaka." she kissed him. His hand rubbed her gently, putting one finger in and a second. SB: "oooohhh....Vuyani!" Vega: "shhh...." he fingered her while kissing her lips holding breast. She moaned louder. Vega: "uzasibhaqisa wena." SB: "sobhaqwa nguban?" Vega: "ngabantu tshi." he unbuttoned his pants, pulled them down halfway. Putting on a condom. SB: "hayi Vuyani mani." Vega: "ndizoy'faka kancinci baby. I promise." he placed himself in. Pushing it halfway. She screamed. Vega: "yinton ngok?" She grabbed his jacket and kissed his lips. Vega: "Eish wena.." he went in further... Sporo was sitting with the two girls further down the road. He was definitely not part of the conversation. Shut his mouth and stared at the ground. Mandy: "peto, uLihle unobu childish ufuna i-sympathy kodwa wenze ubuhule. Mna ndim'xelele ke ba ayikho into ayifunayo k'la madoda ak'wa Mzinyathi kodwa ubolekana noLukhanyo iimali." Nandi: "tshomi zisuse k'lo

mntana. Uyaku reya goed. Usebenza wedwa uncediswe ngu Sbosh yena ufika ngohlala phantsi okanye ayonqenqa eMercantile. Uright umxelele ndaba zakhe." Mandy: "ndizaw'ya wethu kuye ngomso sithethe. Mandy: "hayi andiy'thandi." nandi: "nguwe lo uncolileyo. Cebisa itshomi yakho yenze intloko. S'ke waz'phatha snaaks." Mandy: "shiyiwe kalok nje. Yeka mntanabantu. Ne natural beauty yakhe." Nandi laughed. Nandi: "ndatsho ndatshiswa ngu mchamo. Natural beauty ekse.". She looked at Sporo. Nandi: "ucingaphi." Sporo looked at her and kept quiet. Mandy: "aka stajwa u-brothers wangath lilitye." Nandi laughed. Nandi: "masambe peto. Siyongena. Andimazi lo waske wane long face ebumnandin." they left him alone. Sporo took out his tablet and started working in Vega's car. He had a deadline for himself even as his own boss he couldn't disappoint. He started with research. The survey they did last month helped him a lot. He could now determine where exactly he could locate his business and how much the rates were in Port Elizabeth. He had to think of a strategy to draw customers and a whole lot more. This was what stressed him because the business in East London was doing so well and he had to maintain the standard. he drove off to buy a meal and went to the beach. Ate and continued working. Vega called after an hour. Sporo: "uqibile?" Vega: "yuuuh ntwana...I am sorted. fuck." Sporo: "sies Vuyani. Intloni ziphi? Emotwen yam still. Uzoy'vasa ke bonanje." Vega: "I will gladly do so. Pussy so good, Jesus had to pull me out." Sporo laughed. Vega: "uphi?" Sporo: " ndise lwandle. Blue water." Vega: "ndiyeza." he hung up.

I went home after about 8 in the evening. Ndikhatshwa ngu Sbongile. She went home too. Tata was in the lounge with his friend Stayputi. Me: "molweni Tata." Sizwe: "hey sweetness." Stayputi: "molo mntanam.." I went to the bedroom and checked on the babies. Both were bathed and cleaned, sleeping peacefully side by side. I went to take a bath and wore my pajamas. Sitting on the bed, I opened my laptop, faka modem and searched for music and movies. Downloading all that looked interesting, I also checked my emails. There was a new one. I clicked on it. a.s.m@gmail. was the name. Me: "asm?" the email read: "Your King is waiting." ndaske ndamuncu. My king? Waiting where? These were probably one of those scam messages. I deleted it and moved on. Another email came in. "a moment of anger can destroy a lifetime of work. Whereas a moment of love can break barriers that took a lifetime to build." I replied: "who are you?" He didn't reply after that. Or she whoever it was. although it kind of freaked me out. How did this person get my email address? What did they mean? Meanwhile in Australia, Sebastian walked into the room. Lubby switched off his mother's iPad. Sebastian: "what are you doing?" Lubb: "just reading a book dad."

Sebastian: "which one?" Lubb: "the one about Ryder and Rob." Sebastian: "the Italian twins? Hm...how far did you get?" Lubb: "uhm...the part where the woman tells the wrong twin she's pregnant." Sebastian: "I see. You comfortable?" Lubb: "I'm good." Sebastian: "your mother suggested we go out for dinner since today its your birthday and you deserve a treat and you're doing great." Sebastian: "Andrew, he said anything that affects you emotionally might set you back into depression." Lubb: "I know what he said! I'm not depressed!" Sebastian: "make that call son, your gym session starts in 5 minutes." Lubby dialed Lukhanyo's number. Luks: "hello?" Lubb: "hello." Luks: "who's this?" Lubb: "ndim. Lubby." Luks: "oh, hey! Lubb: "nam ndiyanithanda. Goodbye." lusko: "sharp." he hung up. He wanted to make one last call. He dialed the number. Sebastian walked in. Dad: "time to go son." Lubb: "okay." his heart ached badly. Sebastian took the gadgets and held him up. They walked downstairs to start with the gym session..

Namhla: "what's that supposed to mean." Thulz: "you'll be loyal to me mos? forever?" Namhla: "yes." Thulz: "promise me." Namhla: "but my parents come first Thulani." Thulz: "I'm not disputing that. If we're gonn have a future together, I think I should know where your loyalties lie." Namhla: "but Sise kude kulonto. We're following our future plan. The one where we wait until I'm done with college and start working?" Thulz: "do you realize that's less than 5 years. Ndiyayaz ba its been a bit hard these couple of months from my side, I've been acting up and lost my temper once or twice. But ndiyakuthanda baby. I

It was Saturday 5am. Mandy walked in her house from the club. Soso's car wasn't outside. So he wasn't home. She drank some water, standing by the sink. When she turned around. Mandy: "I'm sorry." Soso: "about." he continued with his work without looking at her. Mandy: "for not coming back last night." Soso: "you have the right to enjoy yourself babes. Umdala umngako nje." Mandy: "so why are you mad?" Soso: "I'm not mad. I'm just stressed with work things." Mandy: "work? Wait.....ubungene night shift izolo. You said uzophuma ngo 9 ksasa namhlanje. So end of topic, come here." he kissed her. She held onto him. Intoxicated by his amazing smell. He held her beautiful body kissing her breasts. Her right leg, hung over his thigh. His hand reached under her put in his finger. Then a second. Mandy: "sosoooo...." he rotated his finger inside her. She moaned louder. Her lips touched his. His hand didn't stop playing. He touched the most sensitive part inside her. It felt like a marble. He rubbed it gently. She was screaming his name. Squirting on his hand. She held his piece too. Massaging it back and forth. She went underneath the blankets and sucked him. Deeper down her throat. He held her hair for her. Closing his eyes, his mouth open. After a lonng time. He was feeling so much pleasure. All the pressure

he had suddenly vanished. The stress narrowed. Soso: "Mandy..." he warned. He was reaching his climax. . Soso: "babyyyy..." he moaned. Soso: "M A N D Y." he groaned. His breathing suddenly escalating. Soso: "ba-baaaabbe!" he held her head, helping her go faster. He couldn't stop now. Soso: "aaahhh!!!! YES!!!!" he climaxed, holding her still. He gasped for air, shivering. She licked him again. his body reacted. He still felt sensitive. And happy. Soso: "you....." she crawled on top of him. Kissing his neck. Her legs apart. He held her ass with one hand and the other reached under her. His phone rang. Soso: "NO!!!!" Mandy: "it might be important baby." Soso: "I'm OFF. There's not much I can do.." he flipped her over and kissed her body. He had missed her. Soso: "damn baby...." he waited a while before he got an erection again. Sliding himself in safely. The phone rang again. He switched it off. Kissing his girlfriend. Mandy: "baby, maybe its important." Soso: "I have worked 3 consecutive days. Ndiqala ulala izolo. I deserve some time." he carried on. Moving slowly...looking into her eyes. He put her left leg on his shoulder and started grinding her. She grabbed the sheets. Her toes curling. He bit her leg and she clawed his shoulders. Bringing him closer to her. He kissed her lips. Her leg still in the air. He held onto the bed. Humming gently. Mandy: "Sonwabise!!! Baby.....ooooohhhh.....I'm com-ming...." he went faster. Moving his waist in circles. She cried out loud. Tapping on the bed. She was reaching her orgasm already. Her body was shaking. He whispered in her ear, sending chills down her spine. Mandy: "SONWABISEEEEE!!!!!!" she moaned. Her body stiffened as she reached her climax. Lowering her leg. Mandy: "thank you..." Soso: "my pleasure." he carried on. Biting his lower lip. His eyes lazily hovering her face. It was some time later, when finally felt himself coming. He rolled over, Mandy climbed on top and rode him. Soso: "hayyii.... Baby..." he moaned. She fucked him All around until he called out her name. Mandy: "YES...." he held her down and groaned softly. Releasing himself. He felt dizzy and tired. They went to take a shower and headed back to bed. Soso switched on his phone. 4 missed calls and 1 message. It was Soma. "Shit just got bad!" he listened to the voice message too. "he-fondin! Why did you switch off your phone on me like that? I need your help Sonwabise!!! Where are you!!" he could hear shouting in the back ground. Then gun shots. It cut off.

Soso got up and dressed as quick as possible. Mandy: "what's wrong?" Soso: "uhm..ngu brother wam. I don't know when I'll be back babes." he grabbed his keys and dashed out. His car was inside the garage, he drove out and sped off trying to call Soma back. He answered. Soso: "uphi Soma!!" Soma: "oh wow. NOW you call! Ndilapha kum." Soso drove to his place. Soma was standing outside with Svig in his arms. Soso: "what the hell happened!" Soma: "Svig udibene nenye yeza kaka zase Monti!" they took him to the couch. Soso brought in his kit. What if it was your best friend that got shot. Lukhanyo, might I add. Would you be this calm?" Soso: "No! But you would be the one to pull me back because mna nawe, we are one being! You would never let me do something stupid!" Soma: "wouldn't I?" he walked to his car. Soso took his keys. Soma: "you're fucking kidding me right?" Soma pushed him away and grabbed the key. Walking to his car. Like a boss. Soso: "SOMA!!" SOMA: "what?" he drove off. Soso got in the car and followed him. Soma drove to Zwide and went to the area he had been directed to. Sporo and Vega were getting ready to drive to East London. Vega: "mjita. I can take care of things kwela cala. Wena jonga ngapha." Sporo: "ndihamba nawe Vuyani." Vega: "ishiyeke naban Le ndawo? Besigheid yona? Khacinge sani." Sporo: "okay! Fine unгахamba." Vega: "sho sho." he took the Benz and drove off. Sporo wasn't feeling right about it. So he got into the A3 and followed him. Soma came speeding past him straight to the Benz. Another car came behind him. Sporo was now confused. He remembered the time about a month back he had handled this guy. But There's now 2 of them and he wasn't sure which one. Sporo: "kanti esi skeem sigcwele amawele nje? Heeee." he thought to himself. He flashed his lights at Vega. He saw it and turned left Soma followed him. Sporo turned right. Soso followed him. All 4 cars sped through the road. Vega: "woooaahh...." he turned around in a circle, until Sporo appeared. He raced toward him. Sporo smiled. He hit his right indicators. then switched them off. Just before Vega reached him both cars turned. Sporo went left, Vega went right. The two cars behind him crashed into each other. Soma: "FUCKKKK!!!!!!!!!" he screamed. Sporo and Vega drove away. Sporo: "There's levels to this shit.." he smiled.

Soso called Lukhanyo to the scene. Both cars were damaged. Lukhanyo came with Luzuko. Luks: "what in the world, happened here!!" Soso: "I want Soma to tell you. Because mna ndikhubekile." Luks: "Soma?" Soma: "leave me the fuck alone." Luks: "no." he called the towing trucks. Directing them. Luzuko: "aren't you hurt?" Soso: "yes I am. My heart is hurting because my car is fucked up!!" Luks: "you'll get a new car Sonwabise, the important thing is that you're both alive and breathing. I still don't understand how the fuck did you just crash into one another? You guys still fighting?" somasonwabise was sitting next to each other on the pavement. Ignoring everyone including themselves. Luzuko: "anise cute nje." Luks: "khome luzuko nawe man! Soso?" Soso: "bes'leqa ez'ntwana! Ezi zase Monti. They out-played us!" luzuko: "again? Shit." Soso: "how could I not see this coming!! It happened so fast." Luks: "They're fast. Trust me." Soso: "Bro." Soma: "ja." Soso: "masambe fethu. I need a car." Luzuko: "akuse kusasa for lento yenzekayo. Like what the hell? Abalali Dan bona? Good God, Jesus Christ, and the Holy Spirit. Yonke nje into yabo is too quick and smart." Soma: "calculated." Luks: "but funny enough, almost always lo

umnye uhamba yedwa. Baske baqham'ke phi abanye?" Soma: "lomntu he's quiet, he's lurking around, always looking ba senza ngoku. There is by NO WAY someone can be this lucky all the fucking time! Noba sow'smart kangaka nani na." Luzuko: "There's no underestimating a loner. Who hardly talks. He just sits around, watches and listens. What do you think goes on in his head all day? Talking chickens and flying dogs?? Nigga please. he's plotting! Always scheming and planning!" Soso: "you're right." luzuko: "and the best thing is to just stay out of his way. Its the best thing for you and your families." Soma: "the best thing for me and my family is if I strangle the life out of him." Soso: "forget it Soma. We don't even know his name." the towing truck came. Luks: "where do I take you?" Soso: "ekhaya." Soma: "dad is gonna freak out." Soso: "I'll explain to dad." they got up and Lukhanyo drove them to their parents house. Soso: "aningen?" Luks: "sizongena." they parked outside and went inside. Ma: "oh my! Niright? Did you go check esbhedlele?" she hugged her youngest son, Soso. Him: "siright mama." Ma: "whoever this is, cela nimyekeni ngoku bantwana bam. Akho use uzifaka engozin ngenxa yento encinci." dad: "that was a stupid decision to go after umntu ongafuni Nina. What if you'd gotten injured? Or killed?" Soma: "uxolo Tata." dad: "Sonwabise, bendik'thembile ke bonanje. You're the most responsible one. Why did you let this happen. Ndiyamaz ke Somangaye ngu Mandingadlulwa. And this was probably his idea. Am I right?" Soma: "ewe Tata." dad: "sometimes ebomin we must. We HAVE to let go and let God. Some things we can't prevent from happening bu-" Soma: "yooooohh....Tata zokwenza i-speech kanene!!" dad: "kanti, ndiyow'vula inkonzo, siy'qale kqaleni. As I was saying, we can't prevent things from happening as much as sometimes kukho abantu who grind our tities. We are humans not animals, we must be in control of ourselves. Worse wena Soma, I know its hard and you're going through difficult times such as Skhura's passing, taking care of his family and Lubby's sudden incident. My boy, please regain control of your life. To all of you, It might be exciting, carrying guns and shooting people who make you mad, stealing money and spending it, walking

around knowing you're the shit. I know all of this, I've been through it. But let it not consume you, ayi kwakhi lento as a human being instead it decreases your value. Instead of respect, you are feared and instead of jealousy, you are killed. Bafana, choose wisely. El Dee, awufun uthi catha I-2 cents?" Ma: "ndisa mangle k'le piece ba nawe sow'suka?" dad: "don't you remember? Those days when I was a bad boy? Grrrrr..." he lifted his eyebrows and smiled. Ma: "hamba Bad Boy Vuyisile Thembani." she went to the kitchen to prepare breakfast.

Khanya: "really?" this excited her a lot. He lay her on the bed and kissed her body. Sucking her skin, her thighs and the underwear. He pulled off the panty and licked her. Khanya: "Mandla!" Mandla: "shhhh baby..... " he knelt on the bed. Holding behind her thigh onto her ass and pulled her up to his face. He kissed her in between her legs and sucked her juices out. She was balancing on her arms and head. Moaning softly. He stuck his tongue inside her small warm hole. She screamed unexpectedly. Khanya: "ima Mandla....ndizochama." he didn't stop. She let the liquid spray out on his face. He kissed it again and set her down on the bed. She pulled him to kiss her lips. Sucking on his mouth. Mandla: "awusa ngxoli. Heeee. Unjan na baby." Packing towels and sun block. They bought KFC on the way to the beach. Khanya found a nice spot for a picnic where they lay out their things and started eating. Khanyiso had a plastic ball in his hand. He and Mandla played together while Khanya read a book. Mandla: "iza mntanam. Phakama." he pulled the boy up. Holding his hands and helping him walk. Mandla: "junior ka Yihlo man. Sow'za qhuba nemoto ngoku, iza ndoda. Baby jonga!" she looked at them. Khanyiso had the hugest smile on his face. Khanya: "kham'yeke love." she took a video of them. Lonwabo was at his house hosting a birthday party for Tia. They'd invited her class from creche and everything was set up in the beautiful house. Tia was dressed as a princess in pink and white with wings at the back and a silver magic wand. Tia: "Tata ka Tia!" Losta: "yes my love." she waved her little wand. Tia: "abacadaba!" Lonwabo spun around. Tia: "PSH!!!" he stopped. Tia: "come dis way Tata." she led the way to her princess kingdom. Tia: "hlala phantsi." she had no front teeth, they had to be taken out because of her candy obsession so they were rotten. Lonwabo sat in the little chair. Tia took the jug and ran to the kitchen. Tia: "mama, Tia ufuna ichocolate milk." Busi: "okay my princess, uphi utatakho?" Tia: "an'mazi mama." she took the milk and left her. Lonwabo was still waiting Tia brought him cupcakes and milk. Losta: "isn't it fucking hilarious how Karma knows your exact address? Zange uyicinge all those years ago, when you crashed that car, got out still alive and ran. You left Liyema to die. You let a 3 month old baby become motherless just to save your own skin. Do you remember? And don't give me that bungafun ndi-find out ol'hlobo bullshit. Because had you saved her life, I would've forgive you and let it be. Only if you saved her life, but instead you let her die because you thought you were covering up your dirty secret." Mandisi: "I'm really sorry Lonwabo. Ndiyayazi iwrong into endakwenza yona, and ndiyazisola day in, day out. Losta: "what shelter?" Mandisi: "No, Lonwabo. I'll be okay. Don't worry about me." he carried on walking. Lonwabo held his arm. Losta: "what happened to your house?" Mandisi: "ithathwe yi-banka." In Australia. Lubby was just done with his workout session for the morning, he stood in the gym and stared at his muscular body. His legs were getting stronger, thighs getting fitter. His arms had developed a sexy shape and finally, what he'd always wanted. A 6 pack. He laughed at himself. Just in a month. It took pain, hardwork and a fixed schedule. His doctor worked him too much. Lubby walked to his room and showered for a very long time he came out naked and dripping wet. The house help was ironing his clothes in the room. She stared at him with her mouth open. Lubb: "what?" She: "you're...." Lubb: "Naked? This is MY room. Tshin Thixo." he went to his walk in closet. He took out his Polo underwear and socks wearing them then went back to the room. She was done ironing. She left the room immediately. Nette walked in. Nette: "and now." Lubb: "mother, it would be of great appreciation if these people didn't come into my bedroom. I can do my own clothes I'm not stupid. Nobody is allowed anywhere near 2 meters of my room. Let them Yell if needs be." Nette: "I will have a word, dear. How are you feeling?" Lubb: "I'm fine." he got dressed. Nette: "love." Lubb: "Ma!" she held his cheeks. Nette: "I saw the emails you sent." Lubb: "mom I'm sorry." Nette: "There's no need to be dear. You're human. I know you're a bit hurt for now." Lubb: "For now? Momma, I'm crushed! I can't survive like this! And if you tell father I really couldn't care less. I just wanna go!" Nette: "I'm not going to tell your father anything. He'll be back in a few." Lubb: "where did he go?" Nette:

"the airport, he went to fetch someone to keep you company." Lubb: "who? Is it Lihle?" Nette: "he didn't say..come..." she held his hand and they walked downstairs. Sebastian's Porsche entered the estate. He parked outside and walked out the car with a lady. Nette: "he's here." Lubby was excited. He was happy that finally his prayers had been answered. Sebastian walked in the house. Sebastian: "son, you're okay?" Lubb: "yes dad." Estella walked in right after Sebastian. Estella: "morning Lubby." she smiled. His heart fell with a loud thud. Lubb: "Hi." he muttered and walked back to his room.

Chapter 617

Lukhanyo was fast asleep in the early hours of the morning. He was dreaming. In his house kwa Ford he walked in, it was clean and smelt a meal so wonderful, it made him hungry. He undressed and a woman walked out the bathroom. She was naked, just out the shower. Luks: "mfazi wam." She: "hey honey, how was work?" he stared at her sexy body. He was Rock Hard. Luks: "the greatest part was coming back to you." he kissed her leading her to bed. His fingers twinkled in her cookie. He kissed her breasts and lay her down. His tongue swivelling down her stomach. He finally reached his destination and stopped. Then kissed it. Holding her thighs. She sang his names in tongues. She: "ohhh yeeess!!!! Bhele wam." his tongue tickled the tip of her clitoris and she screamed out loud. He slid it down the Labia and stuck it in her tiny hole. His face was dripping wet. He humped it with his mouth, slowly rotating his tongue inside. She literally couldn't breath. He sucked on her once more and stopped to enter Richard. He held himself up, each fist on either side of her and fucked slowly. In and out. Donuts and stop. In and out, sideways, donuts and stopped. She was in tears of pleasure. He bent down to kiss her holding her body tightly. He was sooo ready to cum. It was almost there. He grabbed onto her soft hair, opening her legs wider. Luks: "Oh Fuck!!!" he went faster....deeper. Just as he got there seconds away. Someone shook him awake. He sprung up irritated. Lisa: "haibo baby, ulale ude uvuze izincwe? Hayi vuka love, we got gym." Luks: "Yeses Lisa. He held her head down, going deeper in her mouth. She gagged and pulled out. Then sucked again. The deeper she went, the more he loved it. After a very long time of playing and teasing. Luks: "faka baby..." he whispered. She sucked him in. His insides trembling, his body stiffening, he was getting there, the room was heated. Luks: "faster..." she went faster. Luks: "Lii....." he mumbled. His heart raced. Luks: "zocitha." she didn't stop. Lukhanyo held her hair and released himself. Breathing heavily. She spat it out. Luks: "Yoh. Uxolo baby." Lisa: "heee isgezo asinqabanga." Luks: "ndatsho ndozela kamand worse." Lisa: "hayi mntu wam, ndizohamba ndodwa kengok?" Luks: "kodwa mna love, ndikhumbula bantwana bam. Ndizoya ndiyoba bona. Lukhanyo woke up and showered quickly. He drove straight to his house because he wanted to wear something different. He walked in. Luzuko and Tee were in the lounge. Tee was sitting on top of him. Feeding him cereal and licking milk off his mouth. She kissed him and gave another spoonful. Luks: "molweni." luzuko: "hm'lo" he muttered with his mouth full. Tee: "Heeeyy, want some cereal?" Luks: "uhm.." he wanted some, but not with her. Luks: "I'll make myself some, thanks." he went to the bedroom were Didi and Jess were having a pillow fight and tickling each other, both topless. Luks: "hey girls." they threw a pillow at him and tackled him down. He laughed. Luks: "not today girls!" Didi: "yes today!" Jess pulled off his shoes. Lukhanyo went to get dressed again. He drove to Sizwe's house.

In Australia, (late evening)

Lubby was still in his bedroom, Estella walked in. Her bright green eyes Shon. He hair tied up. She wore black tights and a powder blue corset with powder blue heels. Estella: "I brought you some food." he stared at her, annoyed to the decimal point of no return. Lubb: "you have some skinny nerve you know?" Estella: "look, babe, I'm sorry." Lubb: "don't fucking BABE me!" Sebastian walked in. Dad: "how's everything?" Lubby ignored his father. Dad: "Andrew?" Lubb: "I don't want her here." Dad: "you NEED her here!" Lubb: "like hell I do! Dad, she betrayed me! Dropped me Last minute on the biggest project yet! She ran to a bloody tabloid to talk SHIT about me! So NO, I don't need back stabbers, now if you can't get me the love of my life, I would rather sit here ALONE." Dad: "love of your life? Stop fooling and get over this stupid infatuation already! Lihle is LUKHANYO'S love, NOT Yours! Stop being a bully!" Lubb: "you don't know half the crap I know. Father, let me be in peace please. And take your little mascot wit'you." Sebastian walked out. Estella: "Lubby," she moved closer and sat on the bed next to him. Estella: "I'm sorry..." her cleavage was peeking out. Estella: "I did you wrong and I really wish I could take it back. I was hurt by what you did. I thought we had something, then you go behind my back and fuck someone you claimed to be your best friend? What about me?" Lubb: "it wasn't about you, to begin with." she held his muscular arm. It felt smooth yet strong at the same time Estella: "we can work this ou-" Lubb: "get out." he knew he was being fooled here. Estella: "Lubby, I care about you." Lubb: "then you will leave me in peace." she walked out. Sebastian was in his room with Antoinette. Nette: "WHY Sebastian! Why do you insist on hurting my son! Don't you see he's already damaged!" Sebastian: "Andrew cannot do this Nette, him and Lukha have come so far, he can't destroy it!" Nette: "you are trying sooo damn hard to replace the brotherhood of Lubby and Lukha because you can't fix your own with Micheal!" she cried. Nette: "you're replacing the emptiness and the hole inside of you and you're idolizing. Your children

to be perfect when they're NOT! Lubby is IN LOVE! Can't you see that!" Sebastian: "what about Aubrey! This will Crush him! Andrew always finds things to destroy and move on. Don't get me wrong Antoinette I Love Lihle a lot, but she does not need Andrew in her life." Nette: "don't you think that this might actually be the one for him! His one and only chance. Sebastian, this as far as I remember is his longest lasting relationship he has ever had!" Sebastian: "Lies!!! He had Zintile! That was his future wife but because he wants everything at once. He lost her!" Antoinette took her iPad and walked to Lubby's room. Nette: "my angel.." Lubb: "hi ma.." Nette: "your father is a bit of a nuthead these days, its old age. Don't stress yourself too much." Lubb: "Momma, please don't fight with dad about me. I'm grown enough, I can handle myself." Nette: "I'm your mother Andrew, whatever hurts you, hurts me more." Lubb: "I'm sorry for being such a burden, always letting this family down. Its just that I miss her so much...its as though, I'm missing half of my left side. I am broken mom, I love her more than me and I would do anything in this world just to tell her that." Nette: "you've got, only 3 weeks left my love. If you can wait that out, you'll have the best reward of seeing her again." Lubb: "can I call her?" Nette: "no, but, let's do something a little more special." she unlocked her iPad, and booked a 2 tickets. Twice. Lubb: "where is this?" Nette: "its a surprise." Lubb: "please tell me." she kissed his cheek. Nette: "I love you..." Lubb: "mooomm" he whined. Nette: "eat your dinner so that we can have our night walk. Here." he gave him the iPad. He wrote an email: "I wanted to tell you that wherever I am, whatever happens, I'll always think of you, and the time we spent together, as my happiest time. I'd do it all over again, if I had the choice. No regrets. They can try and take me, but they'll never take my love away from you. I love you, Kumkanikazi." he sent it. Lubb: "thanks ma." Nette: "delete before your father sees it son, its our secret." she hugged him.

In South Africa, (morning.)

I was in a rush. Mama uNosizwe wanted to take me to her church. So, I dressed the kids. Lutha wore skinny jeans and a long sleeve white shirt, and a black blazer. Luhle wore a white dress with a pink little cardigan. She looked beautiful with her combed afro etswebwe ngu Tamkhulu ke phof. Sizwe was wearing black pants and a white shirt, he wasn't thrilled about going to church but he wanted to please his future wife, since they were going to be married. Sine was wearing grey skinny pants and a blue shirt. He was dressed lovely but his mood was on a different note. I wore a white maternity dress. It was ocean blue at the bottom. I combed my hair and applied minimum make up. Lutha was already outside. Talking by himself. I was curious kuba nguban kengok lo athetha naye. I walked out quickly and found him in the arms of Lukhanyo. He looked at me and then at my stomach. Luks: "Molo." he smiled. I was

SO shocked! Excuse me? Me: "hi." Luks: "unjani?" he was dressed in black and white. Me: "I'm good. Siyahamba ke thina, siye caweni." Luks: "I'm only leaving tomorrow and bendiba khumbula abantwana bam." Me: "you should've called." Sizwe walked out with Tiny's food. He served the dog and came to us. Sizwe: "Molo nyana." nothing irritated me more than that 5 lettered word. 'nyana' Jesus have mercy. Luks: "molo TATA." he shook his hand. No he said it on purpose. Sizwe: "joining us for church?" Luks: "uhm, actually n-" Sizwe: "Iza man, you'll enjoy it." he made a tired face. Lukhanyo laughed. I didn't. Why was he coming with us? On Jesus' day we just HAD to bring Satan with? I went inside the house and joined Sine's bad mood. I took my baby girl and we all left for church. We walked. Tshotsho, ashiye esa spili sakhe semoto. We went into church sahlala, the service started saculeni and praised God. I suddenly forgot he was present kwehla nomsindo. I prayed and asked for forgiveness, kumnandi man ecaweni. I had fun. Then the time came to hug the other people. Ndama ngxi ndaz'xelel'ba andizoqalisa umjonga kanene. I hugged my father and Nosizwe and Sine. Luhle was in my arm. Luthando ephethwe ngu Tatakhe. I hugged strangers and greeted them sicula. Lutha saw the hugging process and hugged his dad. He loved hugs. He reached for his mother, I was talking to a lady ndava a little tap on my shoulder I turned and looked. Luks: "umntanakho ucela ihug yakhe.." the lady's name was Nomahlubi. Hlubi: "nccoow pakithi, nanku omnye nzena." Luthando just blushed and hid his face. Luks: "hayi ndoda, uyagwaja kengoku?" he can't use those gangster terms in church. 🤩:o 🤩:v Hlubi: "bahle abantwana benu Lihle mfazi, nibahle nonke, nalo uzophuma apha. Yuuuh, Le family bethuna." we exchanged numbers and she went to her seat. Lukhanyo still stood there endijamele. Me: "I only have 2 hands!" I hissed. Luks: "siphamkwa Bantu Lihle ungak'linge wenze eziz'manga zakho." the whole church was seated. He was embarrassed by then. Luks: "please." he held my arm sahlala phantsi. Swapping babies. Lutha lay on my stomach and listened to Bambino's kicking. Luhle was jealous when she saw her twin playing with their mini version. Lutha was giggling and poking back. Lukhanyo looked at him. The boy was having fun. He remembered only about a year and a half ago, when he was getting married. She was wearing a white dress, pregnant exactly like this. Luthandoluhle was in that stomach. He smiled. Lutha: "Tata." Luks: "ndoda." Lutha: "ithha." he pulled his hand and lay it on my tummy. Bambino kicked him too. Luks: "heeee, ndiyam'va boy." he quickly took his hand away. After the service sabuyelen endlin and I started with Sunday lunch. At least Now, he would LEAVE. The meat was defrosted. Marinated and seasoned from that morning. I switched on the oven, ndakhabe ndisenza salads. Nosizwe came to help me sancokola ke. Nosizwe: "kodwa ke nontombi umntu xa enze imphazamo uyaxolelwa. Lomfana uyabathanda

abantwana bakhe." Me: "ndim'xolele mama, kdala." Nosizwe: "Oh hayi kulungile ke." Luthando ran out to his best friend. Lutha: "Tini, itha kalok." he pulled the dog but it was chained. Lutha: "Khulu!! Tini!" Lukhanyo had Luhle on his lap. Luks: "uthini kengok?" Sizwe: "ufuna ndiyokhulula lanja yakhe." Luks: "tshin uLuthando." he fed Luhle and played with her while his son ran around outside collecting stones and bugs. He came in the house. Lutha: "Tata." he had something in his hand. Lutha: "nana." Luhle looked at him. That's what he called her. Nana. Lutha: "ithha." he held her hand and gave her a small flower. Luks: "idzoo mannii. Ei yi-gentleman ke Lena." Sizwe: "ncaawh. That is just the cutest thing by far. Worse uyam'hug(a) xa belala." Luks: "oh man ikwedin yam." Lutha ran out again. I put the meat with the wedges in the oven. Sinethemba was in his room on his phone. I went to check on him, kunin ethule. Me: "hey twinnie." he smiled. Sine: "sho mntase." Me: "what's wrong?" I sat on the chair. Sine: "hayi wethu..its nothing." Me: "talk to me." Sine: "the girl I'm in love with, left me for another guy. Worse ba ligintsa labhuti." ouch. Sine: "I can't even do anything about it, akandifuni tuu. I feel like ndiyashota mna, like I'm a failure as a man, is it because andina moto? Or imali?" wabe ekhubeke nyani ke Va. Sine: "its been months Lihle, but I can't move on. Worse ba tshomi yakhe ngoku, lamntan uLizeka started making moves on me." Me: "moves?" Sine: "bemane ngondi in'boxela ku Facebook, xasidibene hugs and kisses me. So a few days ago. Ndise Khaya Athi u-around. Ndabe ndihlel netshom'zam ngela xesha, sisela. Ndathi makaze. Sahlala kwamandi amajita ahamba. I don't know what went wrong, ndileli naye. At first khandiy'regret(e) kodwa ngoku, ndiziva ndi-weak." Me: "firstly, uy'sebenzisile condom?" Sine: "ewe, I did, 4 times." 4? Haibo. Sine: "don't judge me." I laughed. Me: "I'm not. So you feel like you betrayed your ex?" sine: "ewe. Although wandibhanxa I have no business in fucking her friends." Me: "she's moved on, and I don't think she really cares what you do right now, into wena funeke uyenze is tell the friend you're not comfortable anymore, usuke kuye and focus on other things." Sine: "but tonight she said she's coming over. I asked her, andiyazi ngoba." Me: "Sinethemba uyam'funa lomntana?" Sine: "not yena. just her" he looked away. True Mzinyathi. Forgets pussy by using new pussy. Me: "as long as you never forget to use protection. That feeling you feel yoba incomplete, is gonna stretch and become a big hole of darkness, xa uwedwa it will eat at you and you will be depressed, then guess what you're gonna do? Uzokhangela omtsha to fuck the pain away, it will continue and awusoze wonwabe." Sine: "ndithini kengok?" Me: "I can't tell you what to do, enza Le uyiva entliziweni yakho mntase." I got up and went to the kitchen where Lukhanyo stood by the oven holding a piece of chicken. My temperature hit the roof ngumsindo. Luks: "andise Lambe...my Jesus ayise mnandi lenyama." my heart broke and shattered

to my knees. Lutha was standing next to him with his own chicken wing. Lutha: "hmmm" he licked his fingers. I turned and walked back to my room. This. Is. Bull SHIT!

Chapter 618

I sat on my bed. Taking off my shoes, ndakhupha laptop yam and switched it on. I watched a movie. I needed to laugh. Not Le mbhanxo. After a couple of minutes, I logged onto my gmail account. My laptop beeped. A new email. Hmm....it was mystery asm. I wonder nguban. I read the email. "I wanted to tell you that wherever I am, whatever happens, I'll always think of you, and the time we spent together, as my happiest time. I'd do it all over again, if I had the choice. No regrets. They can try and take me, but they'll never take my love away from you. I love you, Kumkanikazi." oh my goodness I squealed in excited. I should've known! But why create an alias? My hands were shaking ndigigiteka ndiyilonto. I sat up straight and started constructing a reply. "the joy in my heart when I read this message. Thank you for putting my heart at ease and making my day brighter. Just when I thought that I couldn't love you more than I do, you prove me wrong." I sent it. I was waiting excitedly. Bambino was kicking again. My door opened. Lukhanyo stood by and stared at me. Luks: "awuse ncume." I really couldn't help it. I felt like I was high. Luks: "so what's up." Me: "just watching a movie. I thought you'd be Gone by now." Luks: "Ta Seez invited me for dinner." Me: "oh." I minimized my mail and went back to the movie. Lutha walked in. Lutha: "Tata." Luks: "hello my boy, qibile ukutya?" Lutha: "nama." he gave him a bone. Luks: "imandi ne?" he picked him up and they sat on the bed. I was too busy focused on my laptop to even care. Kanti when will he reply? I was so nervous, my eyes was welling with tears of joy. Lukhanyo peeped over at my screen. Luks: "what you watching." Me: "nothing." I breathed. I could tell he was jealous. Lutha: "Tata ithha." ebeteketa umntanam. Akakwazi uthi Iza. Uthi ithha. That cute little lisp. He crawled further on the bed and lay next to me. Lukhanyo must stick his bony ass right where it is. Another message came in. I giggled when it beeped. "I hope my prince is doing well. I have a surprise for him and his mother." I replied: "Oh? What is it?" him: "patience is a virtue. I just wanted you to know that I love you and nothing can make me stop, you hear?" I smiled. Luks: "heeee. Cela uncuma nam?" Lutha: "Tata!" he giggled. Luks: "ndize ne boy?" he climbed on the bed and lay next to Lutha.

I hid the message and went back to my movie. I had kiddies movies for the babies, I put on one and Lutha watched quietly. I was a bit irritated that ubhuti wakho ethe ngcu ebhedin yam. He did this ndisease flatin yam. He invaded my privacy walala ebhedin yam, I had to sleep on the floor. Kanti uyanya ke this time nam ndizohlala k'le bhedi, ndilale if needs be. Tshin wavuka wanxiba nee gown yam with SLIPPERS endlinam! Cacile ba respect inqabile apha. Ba ucimba unyisa mna uyazinyisa sana. Luthando was sitting on his bum holding his father's hand. Lutha: "patha patha. Khudu. Utha, Nana. Tata, tini." he was singing his family's name. I had no idea who patha patha was. Luks: "iyoooh, iyoooh." he cheered. Lutha: "aTata, a-Utha, a-Nana." Luks: "inxiza ka Tata. Idzoo." he helped. Lutha: "brrrrr." he took my hand. Me: "yes honey." he was holding both our hands. Me: "Luthando wenzan." Luks: "khayek umntana adlale. Kuthen soloko uyalwa. Khon'ba uyandonyanya? Yambona mos lomntana wonwabile!" andam'phendula tu. He played with his son ignoring me completely after that. another email came through. I read it: "did I scare you?" Me: "not at all. I'm just in a bit of a dilemma with 2 Mr Mzinyathi's." Him: "What the fuck is he doing there?" Me: "calm down. He came to the kids." Him: "oh. Bendizobhabhisa impama. Put it on a business class flight. Iqhwebu umntu akekele ngecala." I laughed.. Lukhanyo peeked again nday'cima. 😊:) yaz'thanda indaba. 🙄:v Luks: "ncokola nabani?" Me: "Sbosh." Luks: "heee, lonto uske wane attitude kum uSbongile. Hlel nje uthetha snaaks. Andimenzanga nanto ke phof." Me: "nyan?" Luks: "khangе ndik'bal'sele?" xa ubund'bonaphi mhlawmbi? Yuuh, yavuleka platform sana. Luks: "kalok There's a time ndibizwa eskolwen sika Chuma. Ndim ke lowo ndiyaya, ndifika Sbosh ethetha noTeacher wakhe. Kuthiwa ubethe omnye umntana." Me: "hayi." Luks: "ewe! Ndaqomba umbethe kancinci because kalok ebendibalisela uChuma ba uyagezelwa ngulomntana." Me: "heee, nawe uyay'support lento." Luks: "khakhe utsho ke sisi ubundiphoxelani kangaka." Me: "khangе ndiqalise ukuphoxa mna Lukhanyo, I just hate it when you appear and make as though kukwakho apha. Always ufumana indlela yondidika." Luks: "so ndiyak'dika?" Me: "in a way." Luks: "ngoku kutshintshe nton?" Me: "nothing, I'm still annoyed." Luks: "kodwa sinqenqile nomntana wethu. Siyancokola." Me: "don't push it.." Luks: "haike ungafa bunobona indlu injani. Kuhlala lamacherri ka Luzuko ayi 4 pha. Hleli nje kuyangxolwa kuyadlalwa, kuyahlekwa.." Me: "kumnandi caba." Luks: "some times kumnandi, qha ke ndiyay'khumbula peace yam. My sanctuary." he stared at his son. Lutha was tired and sleepy. Luks: "ithha ke ndoda." he climbed on his father's chest and closed his eyes to sleep. Lutha: "ithha mama." his little hand reached for me. Me: "ndisaye bathroom ndiyabuya." I locked the computer and went to urinate. Lukhanyo tried to unlock the pc. Starting with the kids names. None of them worked, he tried birthdays and wedding anniversary.

Nothing. He eventually gave up ndabuya ndahlala phantsi. Me: "no luck?" Luks: "bendifun gama lale movie." I laughed. Me: "into iyacelwa xa ifunwa. Maybe, uzoy'nikwa." Luks: "ingaku xaki lento uyithethayo." I unlocked and carried on. My dad walked in the room with a sleeping Lihle. He lay her in between us. Kanti uTata unjani? Sizwe: "I'll be in the lounge." ndaphinda ndaqala ek'qalen uvutha. Until another beep. Him: "Lihle. I miss you. 😞:((" ndanyibilika right then. I replied: "I miss you too." send. Luks: "heee, uqale nin ukukhumbula uSbosh? Kuthen engaqondakali nje?" Me: "Why The Hell Are You Reading My Mail!!!!" I grumbled. Lutha woke up. Luks: "abantwana balele mfazi, yinton Dan yangath uginye ukrakrayo? Jesus Christ." heeee, hayini! I wanted to hit him so bad I actually smiled. And chuckled, ndlela Le ndinomsindo ngayo. Me: "kuzofuneka nalapha ndisuke and give you my space? Again?" Luks: "awugxothwa ngumntu ke apha. Qha ke mntana wam undibizile mna, therefore andizosuka until avuke Athi masambe. And andizo vala mlomo mna ngathi uthungiwe kuba une moods zase gwad-" his sucked his teeth. Me: "ezaphi Lukhanyo?" Luks: "ezi fly by moods uzenzayo. One minute uyi giggle poodle, next you're a bloody rotweiler. Tshin, ndingu mntu nam kalok ndine ntliziyo ayilo litye." Me: "lonto uyathetha Lukhanyo. You are Very talkative today." Luks: "andizonga thethi mna. Andinas'londa." akase mdala. For uba ne cheek. I took my phone and emailed Lubby instead. Me: "baby, I need you back. Badly." Lubb: "undenza ntliziyo ebuhlungu when you talk like that. sthandwa Sam I'm doing the best I can. Just hold it out for a couple of weeks and I promise you. Everything will be okay. If you feel you can't manage, kneel down and pray. I'll be here doing right by you and praying for your happiness. I love you babe. ❤️<3" I smiled and blushed. Luks: "inoba ndinuka idrain." 😞-_- Me: "uyay'thanda i-Attention Lukhanyo." Luks: "mxim." the babies were snoring peacefully. I was sleepy too. Qha Tata must come fetch his friend/nyana. Luks: "yazi Lihle, I'm not out to get you. Like manyani. Mna ndize kwabantwana bam and I wanna make them happy. So that they never feel inadequate. Now you're here, and you have the audacity yondijongela phantsi kodwa xandingazi uzophinda undithuke and say I'm not a responsible father. Exactly, what do you expect from me?" huh??? 😞 :o 😞:vslow down. The new Vocab! Me: "I expect you to respect my space, call first before showing up." Luks: "but I didn't know that ziyaphumela icalls apha, it was Your duty to notify me so that ndiyazi. If we're gonn do this for the kids, we have to communicate and notify each other of any changes or developments." Unganya! 😊 :D Hey! The accent was on another swangin tip. I stared at him and held back laughter. Luks: "iyanyubisa Lihle?" Me: "no. I'm just a bit emotional." Luks: "ndiyay'cap'kela lento uyenzayo qho xandifika undenzela istyle undiphoxe. What image is this to our children if you gonn have the same bad ass mentality about me? I

am a changed man Lihle. I know its hard for you to accept, but here I am and I'm doing good. So ndiyakucela, if you feel ukuba kwrada, don't talk to me." Me: "but why are you laying in my bed?" Luks: "because it makes my child happy, andiku khoti mos, ngoku yinton ngxaki yakho?" Me: "Excuse Me???" Luks: "undive kak'hle akho Moya." I didn't want to say something rotten because he might just slap the shit out of me. I closed my laptop and went to dish up

Lonwabo had taken Mandisi out, for the afternoon, they only returned later that day. With his new clothes. He didn't want expensive things. Lonwabo had to beg him to choose from Markhams. Eventually he agreed. Mandisi: "as soon as I'm back on my feet I'll repay you." Losta: "no. I don't want anything in return. Ungu bhuti wam. And I'm just helping." Mandisi: "okay. At least mandincedise ke." he walked to the garden, bringing the tools. Losta: "what are you doing?" Mandisi: "your grass needs a trim. And your garden." Losta: "ukwazelaphi ke wena?" Mandisi: "one of the things I learnt at the shelter. But Handy work is'kakhulu." Losta: "so you can fix broken things?" Mandisi: "yes." he wore the yellow gloves and started working. Losta: "I'm wearing my 3000 Rand suit, I don't know if I'm gonna be able to." Mandisi: "hahaa!!! Ambo phola man wena, and let me do this." Lonwabo went into the house. Busi drove into the driveway and climbed out the car with Tia. They walked toward the house. Busi: "molo bhuti." Mandisi: "molo sisi " Busi: "unjan." he didn't look at her. He just carried on with his work. Mandisi: "ndiyaphila sisi unjan wena?" Busi: "ndiright nam." he kept his head low. What he did in the past ate a piece of him inside everytime. He couldn't look at her because he felt as though he was violating his brother's happiness. That is how scarred Mandisi was. He was deeply wounded by his own actions. Busi went into the house with the little girl. Losta: "hey honey." Busi: "what is wrong with your brother?" Losta: "what did he do?" Busi: "ingathi uyandoyika. He didn't even look at me. Bulisile qha ejonge phantsi. Did you guys fight?" Losta: "no. That's a bit awkward, because Mandisi ngumntu othanda uncokola. Phof since he arrived, oko ethule ehleli ndaw'ninye. Maybe Khona lento em'hluhayo?" Busi: "ewe man, maybe he's still getting used to the surroundings. Umnckolise ke nawe azoziva comfortable." Losta: "I've been doing so, but uthetha kancinci or ahleke aphinde athule." Busi: "hayi ke nam andizoyazi. Me and Princess Tia went shopping and guess what we got You?" Losta: "Food? Because ndilambile." Tia: "Hahaha, hayi daddy." he picked her up. Losta: "undiphathele nton ke mntanam." Tia: "surprise yethu, xa izolala Tia notata nomama." Losta: "oh? Okay mntanam ke.." Losta: "babes, the guys are coming over to chill ke ne." Busi: "I'll be upstairs working with my sweet baby girl.." she kissed his cheek and took the child upstairs. Phila arrived first and went into the house. Phila: "sho mjita." they shook hands. Bumped shoulders. Phila: "who's that? I

need eyam ighadi yenziwe nam. Andiyonqeni man." Mandisi walked in. Mandisi: "umbhobho uphi?" Losta: "its in the garage." he walked out Again. Phila: "No!" Losta: "yeah. We're trying again. He lost everything. So uhlala nam until he's okay again." Phila: "you let him live in your house? Where you girlfriend is? AGAIN." Losta: "come on bra, look I had my doubts but then again, he seems sincere and he's learnt his lesson." Phila: "a leopard Never changes its spots!" Mandisi: "sometimes it takes a painful situation to make you change your ways and appreciate the little you have." he left again. Phila: "I didn't mean to offend him." Losta: "cela kuye kalok uxolo. Not kum. My trust is not 100% but I do however trust my woman." Phila: "so did Lukhanyo and look what happened there. Right under his nose." Losta: "I am not Lukhanyo. I am not a beast. Ayikho reason enobalekisa Busi kum. Yena ke uLiyema wayedikiwe ndim kuba ndandimdyolela. Ukonela kwakhe mna ndafun uba serious. But it was too late." Phila: "I just hate the pain you were in Lonwabo. Wawungakwazi kwa ukwenza nton. Ulila imini nobusuku. I never want to see that happen." Losta: "I never want to experience it again. Fondin, masiyeke Le ncoko man, sisele." they went to the lounge and started drinking. When Mandisi was done with the garden, he went to shower and dress in pajamas. He crawled into his bed and slept.

Sindiswa was done cleaning the entire house. Stuja and his friends still sat in the lounge drinking. It was late Sunday afternoon. She missed her son dearly. Sindi took a bath and wore her tracksuit and sneakers. The whole night Silulamile hardly paid any attention to her. Which could only mean one thing. The other girl was present. Sindiswa hated starting unnecessary fights over suspicions. So she just kept quiet. The night dragged on. The guys left. After 8pm. Stuja received a call which he ignored. It kept ringing and ringing. Then a knock on the door. Sindi: "uzaw'vula kanye ubaleka umntu?" Stuja: "heee umntu wam. Yinton Le ndizoy'baleka." he said rather too loudly so that anyone outside could hear. Then opened. Zimkitha stood there chewing her bubblegum. Stuja: "ufuna NTONI." he murmured silently. Zim: "ndize kuwe." he swallowed. Stuja: "Fondin, Akuhlali Mas'xole Apha!" he yelled. Zim: "ewe ndicela uSilulamile." Sindi: "uzam'thini?" Stuja: "mfazi wam, let me sort this out." Sindi: "sizoy'sorta together. Asiyoy couple na?" Zim: "andizanga kuwe sisi, ndize endoden Le yam." Stuja: "Hayi!!! Ayikho Le shit uy'thethayo!" Sindi: "Silulamile." Stuja: "baby, andimazi mna lomntu. Uve ndikhwazwa wabamba igama. Zange tu ndambona lona umntu mna." Zimkitha took out her blackberry and dialed a number. Stuja's phone rang loudly. Zim: "njani ungandazi?" Stuja: "mntu wam." Sindiswa turned around and packed her clothes. Stuja: "baby, ndicela undimamele." she took Lukha Jr's things too. Stuja: "baby please, let me explain. Lento sithethile ngayo izolo, it was a one nighter. Sindiswa ndiyakucenga." Sindi took her shoes, her toiletry. Stuja: "sthandwa Sam,

please say something!" Sindi: "its one thing, undidyolela undenze ikaka. But eyo xoka yona? Hayi noko Silulamile imbeko ise masendeni." Stuja: "kodwa mntu wam, ndiyakuthanda mna and andifun la hlekelwa Nguwe." he held her arms. Sindi: "sufuna ndiveze ubukwrada. Ndiyayazi ndakhe ndaku hurtisha before. I know ndandi wrong but kwaku nini ngoko??? Ndade Ndakupha uNyana okudala um'funa. Now that udikiwe lel'xhekwazi linuka muncu ubisi lomntana uye kolandelayo. Suka pham'kwam Silulamile ndigoduke." Stuja: "ndiyakuthanda Sindiswa." Sindi: "ndiyakuva bhuti qha ndicela ugoduka." Stuja: "awunohamba ngel'xesha. Lala baby, sithethe kakuhle ksasa." Sindi: "SUKA KUM!!!" she screamed. Stuja held her tightly. She hit his back but he didn't let go. She kept pushing and pushing. Until she broke free and left him standing there with Zimkitha. Stuja took off his belt. Stuja: "undiqhela ikaka ne??!!!!!!" Zim: "haibo baby. Ude ukhulule nebhanti." Stuja: "sundibuza umnqundu maan!!!!" he roared. She ducked and hid. Stuja: " kanti uzonya." he took out his gun, loading the bullets. Stuja: "phuma apho ndingekak'nyisi." Zim: "baby uxolo!" Stuja: "One.." Zim: "Stuja!" Stuja: "Two." he set the gun. She ran out the door all the way home. He tried calling Sindiswa. The phone rang to voicemail. The second and third time. Then it eventually hit voicemail. She would Never switch off her phone. He looked around for his keys. Failing to find them. He started panicking and looking for the cellphone to call his friends. He suddenly became blind. Where the hell was his possessions. He searched himself and found the keys and phone. In his damn pocket. 15 whole minutes wasted because of being tipsy. He walked to his car and got in driving the usual route to Sindi's home. He arrived and went to knock. Her mother opened. Stuja: "molo mama, uSindiswa ukhona?" Ma: "hayi man, akekho kuwe?" Stuja: "no! Umnkile nee bag zakhe nezomntana." Ma: "maybe uses ndleleni." Stuja: "okay." he got in his car and drove around the route looking for her. Something was wrong. He hated this feeling. Where was she! He took his phone and called for back up. Stuja: "Ta Luks, ndilahlekelwe ngu mfazi." Luks: "siyeza mjita.."

They walked faster. 2 men were strangled someone down. Stuja: "Sindiswa!!!" she screamed. Stuja shot at one's leg. He fell down and crawled the other started running, he pulled the trigger again. Luks: "mbothatha Sindiswa, z'yekele kum ezi!" he called his boys. Grabbing one suspect and beating him with the crowbar. His pants were on his knees. Lukhanyo hit his head repeatedly kicking him and went after the other. Smashing his head with the tool. He hit his back and legs. The suspect was screaming for help. Lara, Phaki, and the rest of them team joined in. Lukhanyo stopped and went to Stuja. Luks: "phakama fondin." he was crying, kneeling next to his bruised and stabbed girlfriend.. Luks: "MFONDIN PHAKAMA!!!!!" he pulled him up and picked Sindi's limp body, carrying her to the car. Luks: "iza Stuja!! IZA!" they got in the car and drove to Mercantile. She was taken in. Doc: "we have managed to stabilize her, she has quite a lot of bruises, stab wounds. We have treated her for everything, right now we should let her rest, would you like to come in?" Then wena ungaxela kowabo use mamakhe esbhedlele." Luks: "would you? Enkosi kakhulu. That means a lot." he stared into space. Me: "maybe you should go home." What would he do if he was Stuja's position. He'd been in that type of situation a while back, but she came home safe. How would he have felt if she had been stabbed and raped? Me: "can you hear me?" Luks: "uhm. Yeah." he undressed and crawled in next to his kids. Inoba usashiywa ziinqondo yile yenzekileyo shame akenzi ngabom this time. He does look a bit shaken. I went to my dad's room ndalala Khona since he had left with Nosizwe and Sine. The next morning, he woke up and took Lutha for his bath. Luks: "Yeses Luthando!" he had made a huge stink bomb. Luhle sat and giggled on the bed. Luks: "tshin Bawo! Luhle wayihleka." he bathed his son and dressed him. Then bathed Luhle. Luks: "unayo indawana enesgezo namhlanje." I walked in the room. Me: "molweni." Luks: "hello mommy." Luhle: "bobby." I laughed. Me: "heee." Lutha wanted to get out and go outside. Me: "ndim'fownele ke uNono, she's on her way. Uzohamba naye ke wena. Luzuko was still there, this time alone because Stuja and Sindiswa's mom were inside. Lukhanyo sat next to him and sighed. Luz: "she beat you?" Luks: "No." Luz: "then why you here with some long ass sigh." Luks: "iyam'khathaza lento uLisa yazi. I don't like seeing her cry. Indivisa kabhlungu nyani lento." Luz: "Oh? Nguban lo uthanda umbona ekhala?" Luks: "you don't understand Luzuko, I love Lisa. I really do, she had my back when I had no one. She supported and loved me ngayo yonke into anayo. Wandamkela. Some things longer than others, because my baggage is too big. But akatyhafi. She continues undithanda. She completes me. Now xandimbona ekhala because of me, I just can't face myself I can't deal, ndiyabhindeka nyani." Luz: "so....let me get this straight, you're inlove with Lisa....but wenzi slumber parties k'lo Lihle?" Luks: "andenzanga slumber party. I just needed a peaceful environment, where my kids were." Luz: "funny enough, how the peaceful environment is with your ex, other than the current girlfriend who supposedly.....completes you." Luks: "are you even listening to a word I'm saying?" Luz: "know what it sounds like to me?" Luks: "nah. Shut up andika qibi." Luz: "ima say it anyway! You're tryna replace your ex. Tell me how many times has your mind drifted to her uhleli noLisa." Luks: "never." Luz: "that

is a big fat lie. you're there because ufuna uvalela enye indoda. Ude ulale pha Lukhanyo? Ndikubuzile izolo. And you said you needed someone to understand and support. Why not go to Lisa, if she completes you? Yinton eyona nto uyifuna pha ku Lihle?" Lukhanyo was getting angry by now. Luks: "stop pushing me!" he hissed. Luks: "ndithe mos, ndithanda Lisa! Nobody else!" he growled. Luz: "Lies. Awumthandi Lukhanyo lamntana. Because if you did, you wouldn't go back to your "so called ex" sleeping over and cuddling with ya'll babies. If you hated Lihle so much, you wouldn't even want to see her, so don't lie to yourself, ngxaki yakho you've all created a mess soo big. Its impossible to solve it without getting someone hurt." Luks: "Leave Me Alone luzuko!!" he warned. Luz: "I'm not gonna leave you alone." Luks: "shut the fuck up!!!!" Luz: "you can't live without her." Luks: "shut up!!!!" Luks: "you're still in love with her Lukhanyo. But the problem is-" Luks: "WHY THE FUCK DID SHE CHOOSE HIM!!!!!" he screamed. Luz: "AHA! So that's the problem." nurse: "excuse me sir, I would kindly ask of you to step outside." Lukhanyo got up and walked out in anger. Luzuko followed him. Luks: "suka kum Luzuko! You talk too much." Luz: "you need to stop bottling it in. You're not dealing with it accordingly. It will never be okay. Kuzohlala kukho idrama. Worse xa kubuya uLubby, zibongathi yinkunzi yenyoka efuna mazi yayo apha. And its not gonn be pretty." Luks: "all this time I've been trying to be a good husband, okay, maybe sometimes, bek'ngekho bhlungu oko mos. We dealt with our issues, we loved each other. All the damn time! HE had to come along then everything fucking changed! From the day they first laid eyes on each other! He knew she was All I had. He had everything he liked, disliked, wanted, or needed. I had limited things, but he never stopped. He was the one to tear my family apart. Lihle kudala wayesithi ufuna nditshintshe and become some businessman. Wayebona ku Lubby tryna change me to be him. Wabhuda ngegama lakhe ebhedin, sileli kunye. Do you know how painful that is Luzuko? Watching them behleka kumnandi hugging and blowing kisses at each other?" Luz: "wena, what did you do? Did you just decide to up and leave?" Luks: "no. I was angry. Most of the time. So I, lost my temper....its because akandimameli xandithetha. He always butted in our business, xasi right aqumbe abenomsindo. I never really understood, I make One small mistake and they both turn on me! First chance he gets uyamngena straight. How do I even know that's my child she's carrying! The way he's boasting about saying its his! Mna, how do they expect me to feel?" Luz: "what was your small mistake?" Luks: "my what?" Luz: "the mistake that pushed her to your brother?" Luks: "I had someone on the side...ebendisebenzisela iyeza. Most things I don't remember." Luz: "what are the things that you do remember? How did you feel? What were your actions toward Lihle? Ubum'capkela?" Luks: "well, not bendingam'capkeli. But I

didn't want her. Ndaveske ndaphelelwa ngumdla, she annoyed me kakhulu. Ndikhumbula egula, Sise ndlin ka Lubby, I can't remember what I said to her but I was sooo mad. Ndamshiya pha." Luz: "what else." Luks: "I remember, ndingena endlinam...this one time behleli kunye noLubby. Alone. I was kinda pissed off but zange ndithethe, ndaveske ndathi masambe kuLubby and we went out with our friends." Luz: "and ?" Luks: "and I don't remember anything else." Luz: "try your best Lukhanyo. This is to help you get it out your system. do you remember using vulgar words to her?" Luks: "no." Luz: "hitting her?" Luks: "not clearly." Luz: "tell me. What is the little that you remember?" Luks: "it comes and goes...sometimes ndiyay'khumbula other times. I don't." Luz: "and now? Do you?" Luks: "I remember ndilele ebhedin. Aze kum asuse ingubo. Angered me manyan. She was on top of me I can't remember what she was saying but she was singing me something. Ndam'tyhala ba makasuke kum." Luz: "so you hurt her?" Luks: "I raped her luzuko." luzuko shifted uncomfortably. Were his girls playing naked around a rapist? Were they safe? He needed a place to move in to. Luks: "say something. Tell me I'm evil Luzuko. Ndikhohlakele!" Luz: "I'm not going to sugarcoat it, yes Lukhanyo ukhohlakele. Not only because you raped her, but because you knew akasoze ayok'reporter kuba ekuthanda." Luks: "I never meant to hurt her, I swear to God. andiyazi what came over me." Luz: "but you did it again?" Luks: "I don't remember." Luz: "you sure as fuck do! Did you do it again Lukhanyo?" Luks: "stop shouting me!!" Luz: "I'm not shouting." Luks: "No luzuko!!! Leave me alone!" Luz: "dude!" Luks: "suka kum!" Luz: "okay. I'm sorry....seeing this upsets you, rather siyeke." he gave him a hug. Luz: "nam andithandi ukubona unje Lukhanyo. You're my brother, both you and Lubby. But ikhona efuneke itshisiwe mjita, one of you has to sacrifice. I don't know the whole story and I can't judge you because I'm not God. Neither can I judge Lubby. Into endiyibonayo mna kuba naye uyamthanda uLihle. Imagine you had to separate from umntu omthandayo. How would you feel?" Luks: "imagine you had to watch lomntu umthandayo, love somebody else." Luz: "it is beyond our control. If they break up. Its gonna be because they want to. Absence makes the heart grow fonder, the more you push Lubby away, the more ezom'funa. I suggest you concentrate your love on Lisa ulenze lube strong, usuke Kwezi zimbini. pay them no mind, because they won't change." Luks: "enkosi luzuko." Luz: "and on that tip...me and the girls are planning to go home. Probably in a day or two. Phof sizozala in Durban. Take a cruise and stuff." Luks: "what about my negotiations? Tomorrow." Luz: "I'll stay for that kalok. Then ndihambe on Wetday or thirstday." Luks: "oh." Luz: "go to your girl. Love and respect your girl because even if unobuyela ku Lihle soze mjita wam kufane. You'll have doubts and too much conflict. Especially xa kukho uLubby." Luks: "Luzuko. I know

nditheni ne. Ndiz'vile kakuhle futhi. They WILL NOT be together. Matter of fact, it won't last.." Luz: "usenomsindo. You need to sit down wit-" Luks: "ndithe. HAYI. End of story." he got up and went inside to find Stuja. Lukhanyo's phone rang. Luks: "babes?" he answered. Caller: "ndim Sbosh, ndifownelwe siskolo sika Chuma, I can't leave work again. Ndicela uye tu?" Luks: "its still morning!" Sbosh: "I know Lukhanyo. But please." Luks: "nah. Ndizoba available emin. If they can't control One child then they shouldn't open a fucking day care." he hung up. Stuja was sitting next to Sindiswa, her mother had left to buy some coffee. Stuja: "baby." she wasn't looking at him. Stuja: "mntu wam ndicela uxolo." sindi: "okay.." her voice was very low and she still had a sore throat from the strangling. Stuja: "I didn't mean to hurt you. I wish ndingabuyela back nditshintshe yonke into. I love you Sindiswa. Andikwazi uhlala ngaphandle kwakho." Sindi: "okay." Stuja: "ndicela noba undiqumbele baby, noba undikhabe ndanya. Cela undixolele." she looked at him painfully. Sindi: "this isn't i-fault yakho S'lulamile. I shouldn't have left." Stuja: "Sindiswa ndiyakucenga Joe." sindi: "I'm sorry." she clicked the button to call the nurse. She came in. Sindi: "ndicela ulala sisi." she was still in pain and couldn't sleep by herself. Her body required pills. Stuja got up and walked out. Luks: "what's up?" Stuja: "usandilahlile. Akandifuni." Luks: "ndithethe naye?" Stuja: "nah... Myeke Ta Luks. Let her be. Uhamba nin?" Luks: "I'm thinking ngo postponer." Stuja: "no bhuti, kudala ufuna lento. Funekile uye ndizoba grand mna. Go." Luks: "u-sure?" Stuja: "ewe. There's not much I can do anyway." Luks: "okay." they shook hands. Lukhanyo got in his car and drove off to pack his clothes. After some hours, around 4pm. He drove to Sbosh's house.

There was a black golf 6 parked outside. Lukhanyo walked in. S'bu was inside the house helping Chuma with his 'homework' which was only coloring in. Each held their own crayon. Soma: "you're too stuck up that's why!" Soso: "excuse me for having to take precaution. How on earth can a surgeon get high! If ndinobizwa esbhedlele to operate right now? Hayi man nawe Soma." Soma: "Losta gets drunk all the damn time!" Soso: "Losta is not a surgeon. He isn't on the thin line of life and death." Soma: "actually he is Soso. His patients are just as sick, but he has FUN. You need to have some of that." Soso: "I am responsible and won't stoop to such." Soma: "we will tie you to this chair." Soso: "niright kaloku. Tshin Bawo, anibadala." Vuyisile was sitting in front of the TV. He kept rubbing his eyes. Soso: "dad?" Soma: "he kept it in too long." he laughed. Vuyisile held onto the table. Dad: "kwedin!! Ndiyabhabha!" he screamed. Opening the umbrella over their heads. Dad: "kanti Le bus ihamba nini?" Soso: "both of you are stupid and I refuse to entertain you." he sat in the lounge and waited for his mother. Soma: "he's giving up." Dad: "its too soon." Soma: "sithin kengok?" Dad: "just watch. Bamba apha." he stumbled into the house and lay on the floor. Soso: "Tata!!!" he jumped up to him. Dad: "Boo!" Soso got a fright. Soso: "you two drive me INSANE!!!" he fumed.

Sizwe came into my room while I put my children to sleep. Lukha Jr wasn't budging. So him and I were sitting on a pillow on the floor, chatting. I couldn't hear what he was saying, because it was baby lingo but I enjoyed it either way. Sizwe: "molweni." Me: "hey daddy." Sizwe: "ninjani?" Me: "great." I smiled. I was in a bubbly mood. I loved it. Sizwe: "uhm, Lukhanyo belele apha?" I nodded. Sizwe: "is that why you're smiling from ear to ear?" Me: "Haa! No dad I'm smiling because of Jr. He is so cute kham'jonge." Sizwe: "he is indeed. Can we talk?" Me: "sure." Sizwe: "I know you've been through a lot mntanam. These months. I just.....ndiyakthanda kakhulu. I want to see you happy." Me: "where is this going Tata. Please don't tell me you bout to contradict yourself." Sizwe: "angel, Lukhanyo uyakuthanda. He's always here to-" Me: "BOTHER ME. That's why." Sizwe: "no...he wants his family together. He really misses you all and-" Me: "unfortunately, I have moved on Tata." Sizwe: "not with his brother, I can't give my blessings with that." Me: "Tata I have moved on with myself." Sizwe: "then why am I getting this weird feeling?" Me: "maybe its because you regard Lukhanyo as your son. That's bound to make you feel weird." Sizwe: "hayi Lihle. Omnye umntana can't you see he's in pain." actually, to be honest after I saw him walk in last night ebalisa lento ka Masindi, I felt sorry for him. He looked disturbed a

bit. He's natural instinct was to protect us. Which was why he climbed into bed. Even though ndibashiye bodwa ndaya kwenye room he accepted that too. Kuba engafun ukulwa. Sizwe: "don't you want to take some time out, niphume niyothetha where There's no one to interfere?" Me: "No." Sizwe: "angel, I have a pretty weird feeling. Andiyazi man, ngathi you're in danger.....Eish. I need Lukhanyo to be on good terms nawe." Me: "danger? Tata what danger?" Sizwe: "it could either be you, leaving me or someone taking you from me." Me: "I'm not leaving you dad. Okay?" Sizwe: "promise me." Me: "I promise." Lukha had fallen asleep. I lay him next to Luthandoluhle and went to make supper. Sizwe: "Lihle please sit down. Sizwe: "Eish Lukhanyo....I have a weird feeling xandi around Lihle. I think kuzokwenzeka into kuye." Luks: "like what Ta?" Sizwe: " Ndinama xesha ndihambe mna. Either ndibaku Nosizwe or ehlathin.. This is our second one together I think if we had it with Nosizwe and your forced twinnie it would be lovely." Me: "hehehee. Hamba forced twinnie." Sizwe: "haha. Isn't it nice to have a sibling? Anyway I wanted our family to be closer kubekho uthando oluninzi. Something I've always dreamed of. Ubenendawo yokuthi likhaya." I thought I was gonna have that with umama and Uncle Jeff but I don't know what went wrong there. Oh yeah, ndagxothwa kanene. Me: "yeah, I would love that Tata. Something positive to come home to." Sizwe: "we're not doing something big though. Sizotshatiswa traditionally only." Me: "did you set the date?" Sizwe: "we decided after you've given birth." I like that "we" decision. It was sweet of Nosizwe. She was a very nice quiet lady. I actually loved her for my dad. Sizwe: "what are you thinking?" Me: "nothing much." he came to sit next to me. Sizwe: "thetha nam mntanam." Me: "I'm happy for you Tata. I like her, she's lovely." Sizwe: "enkosi. What else..." Me: "nothing." Sizwe: "how's the laptop." Me: "its such a great help. You're the best." Sizwe: "and don't you forget that. Soo...what do you do..." Me: "I download movies. Music. That stuff." Sizwe: "only...?" Me: "what else Tata." Sizwe: "hayi ndiyabuza my princess." he kissed my head and went back to

the kitchen. He knew something, although he's never touched that laptop ever since he gave it to me, he knew something. Tata ke uphola ukufa. What did he mean about me being taken? By what? Nosizwe and Sine walked in. Sine: "hey." Me: "hi mntase. Molo ma." Nosizwe: "hello sweetie." she helped my father while I sat with Sine. Me: "soo...how did it go?" Sine: "I've decided to let it go. Ndizoske ndijonge ncwadi zam for the coming year ndime kancinci kweza macherri cacile I suck." Me: "you don't suck. Right uhlale ujjongane nencwadi, oright uzozizela. Be patient." Sine: "khandibolek laptop yakho, ndishiyile eyam kuba its late I want to watch something." I brought him the laptop. Kwatsho kwavuka Lukha Jr. Lo bendisandom'beka 30 seconds ago. 🤔:o I carried him to The lounge....

Hours later, Lukhanyo arrived at a hotel. Luz: "Lukhanyo you're wasting unnecessary money. Book room eziy'2. One for me and wena, the other for Tamkhulu. Qha." Luks: "ndicela ulala ndodwa?" Luz: "mxim." he took the key and walked to the lift. Luks: "iza Tamkhulu." they went up to the room and helped him settle in. Luzuko went to the second room to shower. Luks sat on the bed and made a call. Lisa: "are you even supposed to be calling me?" Luks: "andazi. Anyway, sifikile thina, wena?" Lisa: "yeah, nam I've arrived. Ndise Khaya." Luks: "okay then." Lisa: "I miss you." Luks: "same here. I wish I could just fast forward to the part we're married and chilling in our house. But ndizolinda ke, to do things right." Lisa: "hm...chilling in our house? Doing?" Luks: "nothing... Nqondo yakho imdaka baby mpa." she giggled. Luks: "goodnight baby, singabhaqwa." Lisa: "I love you mntu wam." Luks: "I love you too, My Future Mrs." he hung up. He missed his kids. He was definitely not used to not seeing them every second. He preferred to literally watch them breath and grow. This thing of them being far from him didn't make sense. He called Sbosh. She answered. Sbosh: "hello." Luks: "hey girl, unjan?" Sbosh: "ndiright wena?" Luks: "ndigrand. Chuma uyenzile way'qiba Le homework?" Sbosh: "ewe. Uqibo vasa ngoku." Luks: "okay. Lutha got up and walked to the bed. I pulled him up on the bed. Luks: "hello my angels." Luhle: "Tata!!" her voice sounded like honey. It was sweet. Luks: "unjani mntanam?" she mumbled something I couldn't hear. Luks: "nam ndiyakukhumbula nje. Kuthen ethule Luthando? Kwedin!" Lutha: "Tata!!" he was excited and wanted to know where the voice came from. Luks: "unjan kwedin?" Lutha: "Khuudu." Luks: "uphi uKhuudu wakho?" Luhle: "lele." Luks: "Nina nilala nini?" Lutha: "ithha Tata." Luks: "ndize boy? Ndiyeza ke Va? Ungalali uvulele utata.." Me: "Hayi ningak'linge kalok tshi. Ndilale nini mna." Luks: "subanomona mfazi. Luhle?" Luhle: "hm?" I took the phone. Luthando was pissed off 🤔:o can you imagine a pissed off baby? Funniest thing ever. Me: "qumbile ke nyanakho." I set the phone back on handset. Luks: "akagezi man." Luzuko was standing at the door staring at him. Luks: "how long you been standing there?" Luz: "why are we here Lukhanyo?" Luks: "yay'buza intwemdaka enoboya kengoku." he went to shower quickly and went back to check his phone. Then the video's. Why didn't she send it? But was it really a good idea? He thought to himself. Luz: "you okay?" Luks: "yeah." he got into bed with a heavy heart. Luz: "Lukhanyo." Luks: "hm?" Luz: "yinton?" Luks: "I'm just nervous about tomorrow. I'm Finally moving on with my life. Permanently." he turned his lights out..

Chapter 622

The next day was a very stressful day for Lukhanyo. All that was on his mind were his kids. How they were demanding him to go back home. As they were standing outside the gate, grandpa was speaking loudly, with the bottle in his hand. Luzuko whispered to Lukhanyo. Luz: "its not too late." Luks: "for what?" Luz: "to change your mind." Luks: "I don't want to change my mind." Luz: "you're worst than last night. Oko unemoods." Luks: "can we just focus on the mission at hand?" Luz: "fine." his phone beeped. Luks: "switch. It. Off." he hissed. Luz: "andicingi kalok." he answered. Luz: "baby?" whispering. Didi: "honey, how are you?" Luz: "babes, I told you I'm busy today!" Didi: "so we can't chat?" Luz: "no love, we can't. I'll call you later on." Didi: "but I miss you, the girls are still sleeping. I'm bored and by myself." Luz: "I'll be back soon, I promise, okay?" Didi: "can I visit Zintie?" Luz: "who the hell is Zintie?" Didi: "the girl with the two babies? Yes her! I wanna go to her." Luz: "I'll send you a number to call, got to go, bye love you." he hung up. Lukhanyo stared at him. Luks: "you have some nerve." Luz: "its thick and hot." he winked. Luks: "Mxxim." eventually they were let in, after a long wait. The negotiations went well and successfully. After a lovely lunch with the family, getting to know one another. Luks: "luzuko." he whispered in his ear while smiling brightly. Luz: "yes?" Luks: "what the

fuck do you think you're doing." he hissed through gritted teeth. Luz: "chill your face." Luks: "I will....." he laughed when he saw his grandpa look at them suspiciously. Luks: "don't." he finished. Luz: "she's cute...plus this is the sister not your woman." Luks: "hehehe! Eish, My little triplet." he smiled. Luks: "don't test me." the sister came to fetch their plates. Luz: "uthin na kum bhuti, awuyo AIDS." he giggled. Luks: "Siyabulela sisi." giving her the plates. After some time, the Mzinyathi's left for home. Luzuko drove to Port Elizabeth. Luz: "50 grand. Wow. Like I'd pay for a soul. Angekhe. Times 4 thank God I love white women. 200 grand yonke down the drain and I'm not gonn get a refund when shit don't work out. Damn. Hayi andicingi mna, rhaa. Tshin Lord." Luks: "luzuko, I hardly slept last night. Right now I just wanna sleep, just shut the hell up bra." Luz: "well damn. I would be stressed and sleepy as fuck too if I had to pay 50 grand for single pussy. Shit, I'd rather she ran up my credit card to 50 grand. Awha. Angiy'kholwa ke Le. Manje bhuti, uzokuthola kuphi u50 thousand?" Lukhanyo ignored him. Luz: "ngiyaz'buzela phela." Grandpa: "khaw'yeke brother wakho luzuko, uvumile mos and uyamthanda uLisa." Luz: "I beg to differ." Luks: "nobody cares Luzuko man! Khathule!" Luz: "oooooh. Feisty." Luks: "nxx." he switched on the radio instead. Luz: "this is the same way I actually had my accident, because of this radio. You know, I was tr-" Lukhanyo switched it off. Luz: "thank you. Kodwa umhle sister ka Lisa. Good Jesus Christ!" Luks: "awuva ne?" Luz: "ndiyancoma mos Lukhanyo, what, have you suddenly turned blind too? Damn. Mhle ke qha. Khandith ndiyabawa. Calm yo face." he kept quiet for a while. Luz: "kanene nguban gama lakhe? Portia? Bridget? Nguban?" Grandpa: " nguNobuhle nyana, suzisokolisa." Luz: "Ngqo nge veg Tamkhulu." Lukhanyo fell asleep while Luzuko chatted to Grandpa about his growing up.....

Lubabalo got out his evening bath and went to his bedroom, laying on his bed. While he held th iPad in his hand, about to email. The door opened, he didn't hide it this time because the doctor's shift was done and his father had left for Cape Town to take care of the business. Estella walked in the bedroom, after her night swim. Still in her blue and white bikini. Lubb: "liver huh." Estella: "excuse me?" Lubb: "isbindi sisi." Estella: "I don't follow." Lubb: "could've fooled me, why are you still here again." Estella: "Lubby, I don't wanna fight." Lubb: "I'll double whatever he paid you. Just get out of my sight." Estella."its not about the money, I let you go once, I can't let it happen again." Lubb: "pumpkin pat. You 'hated' me remember, you gossiped about me. Went all out, quit the job and took your team, blackmailed people not to work with me but unfortanetly you must have misunderstood the part where Bill Sangane is not just my business partner he's my friend. People like me never fail. Not even by mistake." she sat on the bed. Estella: "we used to be good friends Lubby. That's what's

important. I'm not trying to worm anything. You could use some chill time and that's why I'm here." Lubb: "you're right!! I actually do. So here's what, tip toe back to your room, I need to clip my nails, wax, and take myself out." Estella: "wax what?!" she laughed. Lubb: "that's My business. Not ours." Estella: "where you gonna go?" Lubb: "out with my old friends. You won't like them." Estella: "how come." Lubb: "hm.....they're men." Estella: "oh." she got up. Lubby nodded to the door. She walked out. He got out his blankets and dressed. He HAD to be presentable. It was a priority. He got out his red suit. Navy shirt and navy blue suede shoe. He had black leather gloves and his Tag Heuer watch. Nette walked in and smiled. Nette: "will you be okay sweetie?" Lubb: "yes ma, I just need a chauffeur. Where's Mason?" Nette: "he's downstairs, ready. You? Where you off to?" Lubb: "just a couple of drinks and convo's with Leandre and Steven. Haven't seen them in years, can I use your Porsche?" Nette: "sure. If you're not feeling well, call me immediately, no excessive drinking Andrew, you have your tests tomorrow and if you fail them you'll spend another 2 months here, meaning you might miss the birth of your son. And your girls' birthday.." Lubb: "I won't jeopardize any of that momma. And if I pass...can I go?" Nette: "We'll see about that." she fixed him. Lubb: "I'm wondering why Estella is still here. I find it difficult to trust people who have sold me out." Nette: "I'm wondering the same thing, but your father insists and she can't leave without his approval. I trust you to make me proud and not give in to temptation." she kissed his cheek. Lubb: "well thank you Ma. That vote of confidence though. Too sweet." they walked downstairs holding hands. Lubby took his gold walking stick with a diamond on the top to hold on to. Ma: "I don't like that stick." Lubb: "I know." he laughed. Lubb: "but it is boss. Makes me look like an actual king." Nette: "which you are. The only thing missing is your gold crown." Lubb: "ncaaw." he loved his mother. She always made him feel better about himself. Especially now, this past month and a half.. She's been there to be the one sparing his feelings and letting him heal and be himself. Mason was already waiting in the car. Lubb: "I'll be back later ma." Ma: "bye honey." he walked out to the car and they drove to Centennial Park, another rich suburb. Ranked number 3 in Sydney. Lubby lived in Point Piper. Number 1. Leandre lived with his mother, the father passed away years ago. He was shocked to see him at first but then again what did he expect, this was Lubby. Full of surprises. Leandre: "Andrew? Are my eyes deceivin me?" he had different accents everytime that annoyed Lubby to the worst point but his late father was "British" but why was he acting fresh? Lubb: "good evening sir." he smiled. Leandre: "lemme get my things, come on in." Lubby walked into the palace, it was beautiful. Neat, smells like heaven. Reminding him of home. That's why he enjoyed being there, it was the same as being at home. He sat down

and waited for his friend. Leandre came back dressed in his elegant suit. Leandre: "I want a stick like that, you look like a pimp." Lubb: "haha, I'm far from that, where we headed? I'm not allowed near alcohol." Leandre: "why?" they got in his car. Lubb: "I kind of did something stupid some time back, almost 2 months now." Leandre: "tell me more, you've always got something interesting going on in your life. I haven't seen you in 7 years, Andrew." Lubb: "firstly, as you know I'm adopted, I met my biological family." Leandre gasped in shock. Leandre: "AND." Lubb: "well....let's just say, There's too much of me now." Leandre: "brothers? Wish I had a brother." Lubb: "I am a triplet. We all got separated from birth." Leandre: "wow. I wish I was separated from birth to someone. Damn, And'z your whole life is like a movie. I am jealous." Lubb: "trust me, after all this crap. You won't be. Be glad you're yourself." Leandre: "spill bruh.." they got to Leandre's chilled jazz bar and went straight to the VIP section. It was only them. A bottle of Three Ships Whiskey and juice for Lubby. Lubby told him everything. From the beginning till end, without missing a detail. Leandre: "well, fuck." he lit the cigar finally. Leandre: "you've lived most your life, alone. Your parents always traveling and shit, here is the brother you've always wanted." Lubb: "I just wish we could make peace Liyan. He knows very well I'm in love, he just refuses to accept it." Leandre: "put yourself in his shoes, would you accept it?" Lubb: "with due time, I guess I wouldn't have a choice." Leandre: "yeahhh, well, you're raised differently although you look alike its quite freaky, you all different so it won't be the same for him. Now, you tried to commit suicide, nigga is you dumb?" Lubb: "you see, Liyan, you confuse me, you're half British, but yet here you are chopping and changing your accent now you sound American." Leandre: "just carry on with your story, and leave my broadness alone." Lubb: "yes, I'm dumb. Stupid and crazy." Leandre: "she's having your baby, you should actually be happy about that specific part and stop acting like you got nerves. So....you lost ability to walk? And use your body physically?" Lubb: "yeah. Literally couldn't do shit by myself." Leandre: "so...you couldn't fuck?" Lubb: "that was the last thing on my mind." Leandre: "great. So tonight we getting bitches right?" Lubb: "unfortunately not." someone walked into the VIP section. He had a bottle in his hand and smiled at Lubby. Him: "my best friend. Wandilahla?" it was Victor. The same person, who ruined Zintle's life. Leandre: "Andrew?" he held his shoulders. Leandre: "Bro? You okay?" Lubby was boiling in anger. Vic: "you just gonn sit there and not greet me? Hmm...waske wane tendency zobu moffie." only him and Lubby could understand what he was saying. But Leandre felt a bad vibe from Lubby. Leandre: "Victor, please get out of my club." Vic: "I have a right to be here." Leandre: "I do not want you here." Vic: "why?" he moved closer to him. Leandre: "I just don't. This is MY club, I

can throw you out if I like." he stood up to face him. Vic: "well I'm already here. And I aint going nowhere." Lubby stood up and strangled him with his bare hands. He squeezed the life out of him. Shaking him to die. Vic: "Lub....." Lubby didn't say a word. He just held tightly onto him making sure he suffocated painfully. Leandre: "Andrew!! You're gonna kill him, stop!!" he tried to hold him back. Lubby pushed him once, he fell across the room, his back hit the window and it broke to pieces. Victor was slowly losing consciousness. He saw blurs and choked begging for forgiveness. Security came inside to break the fight apart. Leandre: "just leave him." security: "he's half dead!" Leandre: "do you want to be next?" he got up painfully and dusted himself off. Lubby finally let go of Victor's neck. Vic fell on the ground. Andrew breathing in and out. He couldn't kill him. He didn't want to. When he prayed last night he promised not to take another soul. At least for his children. He prayed to be present at the birthday of the girls and the birth of his son. He couldn't change all that for a sick perverted son of a bitch. Lubb: "if you're not out my sight. And out my way for the rest of your life. I will show you flames." victor got up and ran out. He knew Lubby better than anyone ever could. He had betrayed him and under any other circumstance would have suffered a lot worse. Lubb: "sorry." Leandre: "dude, you have some explaining to do. He used to be your BEST friend! The fuck went wrong! I just saw you switch from Lubby to Lucifer in seconds. You could've killed him!" Lubb: "and buried him. Free of charge." Leandre: "Bro. Victor was your buddy." Lubb: "Victor raped my ex and lied to me!! He told me, she'd cheated, but he was the one to rape her! She was pregnant, with my twin girls. My GIRLS Leandre!! My fucking family!!!!" Leandre: "I'm really sorry And'z. I didn't know, look I'll fix this. You need to get some chill. Let me call your driver, We'll catch up yeah?" Lubby nodded and sat down staring at the damage of his friend's club. He didn't mean to, just something came over him and took over immediately. His driver arrived. Lubb: "you okay?" Leandre: "I'm good Bro, just worried a tad, bout you." Lubb: "We'll talk later." he got in his car and they went home. He hardly slept the entire night thinking of what he'd done. He had broken his promise to God. This was the only realest relationship he had before his Mom's. The next morning, his tests were done and confirmed that he was okay. Healthy too. Nette: "I'm proud of you sweetheart." Lubb: "thank you mum." he walked to the gym for his training.

4 weeks later....

Lukhanyo was in his bedroom, just woken up by Luzuko. Luks: "ugrand?" Luz: "just in a good mood." Luks: "Wait....hold up. UFIKE NINI!" he was so used to having him visit, he forgot that he didn't live with him anymore. Luz: "about 10 minutes ago. Breakfast?" Luks: "nah. Why my stomach in knots?" Luz: "something funny is

Luz: "left them back at home. I need to breath." they went to the kitchen and whipped up some breakfast. While talking and laughing. Luzuko burnt the toast. Lukhanyo was frying his egg sunny side up. The sun was shining. Everything wa-.....wait. Luzuko stopped dead in his tracks and stared at Lukhanyo. The door had been closed, now it was open. Both of them turned around and stared at the masculine figure standing at the door way. Lubb: "miss me?" . They howled in joy....

Chapter 623

They all sat in the lounge and spoke. All of them spoke at once, they were too excited. Luz: "we should hash it out." Luks: "lemme take a shower quick, hayi Bafo, the muscles? Hayi uyaqhela kengoku." The girls birthday was on Friday, he would be with them from today till Sunday. Luyanda was in P.E with his mother for the holidays so Lubby could see him, He'll bring him to the party to start introducing the babies to each other.. He would be fresh for his new journey. Lubb: "bend'then kuwe!" Luz: "Lukhanyo!!" Luks: "I told you not to take the Benz!" Luz: "don't just stand there He'll suffocate me!" Lukhanyo grabbed Lubby. Who picked him up, over his shoulder and stood up. Lubb: "kanti ndiyoniqhekeza nobabini ngexesha elinye." Lukhanyo was laughing uncontrollably. Luks: "put me down." Luz: "uk'xwhaye ingathi uyingxowa yetapile!" he laughed. Lubb: "benqanda nton? Ungenaphi?" luzuko tried to tackle Lubby, instead they all fell on the floor and laughed. Lubb: "nx. Lubby drove to Soma's place first, he needed to see him ASAP. Soma was at his place doing his business' books. Lubby knocked. Soma stood up and went to open. Lubb: "good morning." he smiled. Luks: "Silulamile umoshile ntwana. Kakhulu, and it backfired badly kengok." Lubb: "what did he do? Ubanjiwe?" Luks: "nah Bro, he had this chick on the side yabaqwa ngu Sindi lonto. Lubb: "yeah, I'll be back though." they got off the car. Lubby got in the driver's seat and drove to Sindiswa's mom's house. He parked outside and went to knock on the door. Ma: "hello bhuti Lukhanyo, unjani mfana?" Lubb: "ndiyaphila mama." he giggled. Ma: "away'hleka. Uzobona uMasindi?" he nodded and entered. Sindi: "hey..." she smiled. love. Masindi, you're going to heal with time and Forgiveness. Let those who love you in. When you're ready." she was quieting down. Stuja walked in carrying Lukha Jr. Lubb: "nanku Slulamile." she looked up and saw him. Stuja: "molweni." she stood up and walked to him. Hugging both her son and baby daddy. Stuja: "Enkosi." he smiled at Lubby. Who got up and walked out. In his car....he was near where he wanted to be. His heart started that car and drove to Sizwe's house. Then stopped. He had to follow the plan, or else everything will flop. Like the last time. He drove away feeling his heart tear a little. He wanted to see her so badly it hurt. He drove to Lukhanyo and the guys.

The next day, everybody woke up with a headache. Lukhanyo opened his eyes re-tracing his steps. Soma stood up and walked to the bathroom still half drunk. Losta was fast asleep, so was Thulani and Soso. Luzuko walked back in the room. His eyes red. Luks: "uphi uLubby?" he panicked. Luz: "ndivuke engekho nam. Ndivel omkhangela outside and in all rooms. I can't find him." Lukhanyo took his phone and dialed his number, it went straight to voicemail. Luks: "what if he....." Luz: "suy'cinga lonto fethu! Try again!" Thulani woke up. Thulz: "nto hok?" Luks: "lubby's missing. Khavuse amajita." they woke up the guys. Losta: "what you mean he's missing! He came home with us right? Cuz I don't remember shit from last night." Luz: "I was as Turnt as you my bru." Soma: "what if he came to say goodbye?" Phila: "maybe he went to buy breakfast! Why you always negative? Masilinde." Luz: "but his car is still outside!! All the cars are outside!" Luks: "Yeses!" Soso: "there must be some type of explanation. didn't he say he's going to a meeting or appointment or some shit." Luks: "hayi Soso, ubunxile uphelile wena. There is noo such thing." Losta: "andisozeli for lekaka yenzwa nguLubabalo." Thulz: "try again!" they called and called. No answer. Lukhanyo sat down and officially started stressing. Luz: "we can't report a grown man missing." Losta: "We'll look for him ourselves. Just that minute Lubby walked in. He was wearing a black tracksuit bottom and white vest. With Air max sneakers. Lubb: "and then? Society meeting?" Luks: "we were worried sick about you! Usuka phi!" Lubb: "the.....gym... Why were you worried, I left a note on your foreheads." Luks: "elaphepha ndil'suse ndilele Nguwe kanti!" Luz: "andilibal iyi number ye cherri ndiy'fake mpokotwen ndokhangela wena mna." Lubb: "aniphambene. Nani niyancedisa?" Soma: "tsek Lubabalo. He wore his black fitted jeans and black slim fit t shirt. With his all red Jordan's sneaker. He walked to the kitchen the guys were preparing food. Messing everywhere. All of them hungry. Luz: "emzin wezintsizwaaaa." Lubb: "ndisayo bona abantwana bam kemna. Missed my kids like crazy. Nilungise ke apha majita. Friday

Lubb: "a.a kalok Nguwe unyana.ngu Bafo lo, Ndingu Tata mna. Nto ngok?" they laughed. Lubby walked to his car, got in and took out his phone. And sent a message to Lihle. Lubb: "the day I have dreamed of is slowly approaching. It seems so surreal. It hurts my heart to wait. I feel like ripping my ribs apart and letting my heart free out in the wild. Where it desires its one and only true match. Where they beat together, singing the same tune. As naked and exposed, the trees and thorns may scorn and judge. But they walk together. Free at last. I miss you sweetheart. I love you Kumkanikazi ka Daddy. Enjoy your day my angel." Send. He started the car and drove to Summerstrand smiling thinking about how crazy in love he was. Who would've thought, he could write romantic poems? He could just imagine two hearts, meeting in the middle of a forest, being scratched and burnt by the wild society. But the minute they hold hands, all the wounds heal, they walk together toward a beautiful sunset. Lubabalo laughed. Lubb: "fuck it....I'm in love." he admitted. He smiled all the way to Summerstrand, parked his car and went up to the flat. He knocked on the door. Lungelo opened. Lungelo: "look who's back.." Zintle: "ubani baby?" Lubb: "didn't you miss me?" Lungelo: "a little." Lubb: "too much?" Lungelo: "don't push it." they laughed. Lubby walked straight to his daughters. Babalo was standing, holding on to a table looking at her dad. Lubb: "izapha man mntanam. Iza ku Tata." she smiled and covered her eyes. Buhle crawled to her daddy. He pulled her up and tossed her in the air. She didn't like that part, it scared her. Lubb: "xolo mntanam. Andiphindi ke Va." Babalo: "dada." Lubb: "ncaaaaaw...ntombiyam." she giggled and started doing her baby squats. Lubb: "I missed you guys like crazy.." Zintle: "uzokhe uchophe ke bhuti, uy'chaze ba mhlawmbi bucingani." Lubby laughed. Lubb: "then There's you....." he sat down with the little family....
