We sat on the bed, the babies being asleep and chatted.....

We woke up the next morning. The guys had arrived late last night and slept. Lukhanyo was on the couch. Thulani and Lubabalo on the bed. I woke Luks up... Me: "baby...." I whispered... He groaned and pouted. Luks: "hm?" Me: "sleep on the bed,

you'll have sore body when you wake....come" I helped him up and walked him to the bedroom. Namhla was making tea....as I brushed my teeth Lukhanyo sprang out of bed and came to wash his face. Luks: "what time is it?" Me: "its 07:15am why?" Luks: "gym babes...." He brushed his teeth and took out his clean workout clothes. He got dressed and went to the kitchen. I poured cold water in a squeeze bottle and brought him a towel. Lubabalo woke up. Lubb: "where you off to?" Luks: "gym. Let's go..." Lukhanyo gave him track pants. Luks: "thulani?" Thulz: "hay, sanund'faka.....ya'll go ahead I'll join you tomorrow.....morning sweet plum." He kissed Namhla's cheek. Lukhanyo and Lubabalo left for the gym.

They arrived at 08:22am, and boxed while they went in playfully...they abruptly stopped....and stared..... Lubb: "yeses.....just look at that ass...." Luks: "shiit....." Lubb: "who is that?" Luks: "ndaqal umbona....she wasn't here yesterday...." Lubb: "jonga la figure lukhanyoooo!!!" He panicked... Luks: "ha.a lubabalo you're gonna get me killed.....ncaaaw, she has a cute little belly ring. Well look at that..." Anda: "niyow'gyrna nin? You're late.". They jumped in surprise. Anda kissed her and smiled... "Ngu Lukhanyo lo, andmaz lowa.....lukhanyo, this is my girlfriend Mandy." Luks: "n-nice to meet you M-mandy...." He managed. Anda: "baby, have you done your squats? Run along now...." He tapped her ass as she jogged to her spot to exercise. Anda: "didn't think you'd come back.....especially with a.....Him. You never mentioned a clone." Luks: "never asked...." Anda: "its unusual for every second person to have someone that looks exactly like them. That would just be creepy. Anyway. Nond'fumana pha. Show him how to start." Lubabalo and Lukhanyo went to stretch. Lubb: "well he's bossy." Luks: "he's a chilled guy...come on...." Lubb: "I don't like him...." Luks: "who DO you like? Wonke umntu um'fake plastic(in) ka Boxer super store. Before they even prove themselves." Lubb: "that is not true, I gave Thulz a chance! He did well." Luks: "you prayed for him, the first time you met him. That just says a lot." They worked out.... Lubb: "how you know that prayer was for him!" Luks: "oh please lubabalo....kha'gyrne wethu...." After a while...Lubabalo still stared at Mandy. Lubb: "but lukhanyo that girl is just pretty though, like ndinomona joe....." Luks: "why ik'hlupha lonto?" Lubb: "because I'm engaged now...I'm off the market...." Luks: "hahaaa!!!! Awutsho! Since when?" Lubb: "I haven't asked her yet..." He whispered. Lukhanyo burst out laughing and fell.... Lubb: "tshotsho! Tshotsho! Is'gezo siza ngama bucket alok!" Mandy: "damn, are you

Mandy: "your ribcage will be fine as well...." She smiled and walked away. Lubb: "I like her. Unlike like some other rude people." He shot Anda an ugly face. Luks: "she's sweet shem mntana bantu....f'neke ndizise uLihle..." Lubb: "yes, abenok'qwaba qho xa uz'wisa....ucholwa ngooMandy!" They laughed and carried on.....when they were done. Lubabalo was already complaining. "I have a beautiful fiance. I don't need this shit. Who am I tryna impress. Fuck this!" Anda: "I knew you wouldn't cope. This separates boys from real men....." Lubb: "what did you just ?" Luks: "lubabalo calm down....tshi.... Anda nawe khayeke uLubabalo maan..." Anda: "what are you up to vannag? We having a braai namajita....so if you wanna come...." Lukhanyo looked at Lubb. Luks: "I would, bu-" Lubb: "we'll see you at your little tea party." Anda laughed and stared at Lubb. Anda: "don't forget to bring your dolls." Lukhanyo held in laughter. Luks: "ithin number yakho fethu?" Anda gave him the number and they left. Lubb: "yand'qhela lantwana Lukhanyo. He makes me look like a fool!" Luks: "calm down lubabalo, he's just playing with you...." Lubb: "he is sooo gonna regret playing with Andrew Morrison....."

Luks: "nguban kehok uAndrew?" Lubb: "don't act like you don't know, Aubrey!" Luks: "I don't....." Lubb: "Lihle told you, didn't she...." He pulled down the seat and lay down while Lukhanyo drove. Luks: "no actually, I kind of just asked first." Lubb: "how?" Luks: "well, firstly, it was best for the babies. My first instinct was to protect my kids...if I had sat back Lihle would have just let go and prbably hated me then we would just have had those baby momma/babydaddy type of relationship which I didn't want." Lubb: "secondly?" Luks: "secondly, ndandinomona. I knew she would find someone better than me ...I

couldn't let that happen." Lubb: "you were obsessed." Luks: "still am.....but now I'm in love. At least." Lubb: "so wamcela njan?" Luks: "it just came from the heart....I remember man, she had left. Lubb: "noba you were tears and sniffs...ndakwaz alok wena ngokhala..." Luks: "ndok'faki ngqindi mna." He parked at the house and they got out... Thulz: "so how was it?" Lubb: "let me just go bath...ndinuka iPineapple." He sniffed himself and walked off....

Stuja woke up. Brushed his teeth and bathed. He had to take Sindiswa to her doctor's appointment. He got dressed in jeans a black t shirt and his gold chain. He wore his watch and took his car keys and walked out to the car. He had to admit, he was a bit excited to see his unborn child for the first time. He drove to Sindiswa place to pick her up. Lulu ran into the house wagging his tail, sticking his tongue out. Lukhanyo gave him his sandwich and he ate. He made himself another one....Lubabalo came back out dressed. Dark blue shirt, fitted jeans, blue suede formal shoe. They walked out to their cars and drove off. Lubabalo called Thulani and told him to pop by. Lukhanyo called Anda for the address.

They arrived at a house half full of people, they parked. Lukhanyo got out his car and walked toward the gate. He turned to look for Lubabalo who was still in the car talking on his phone. He went to take him out. They walked together and locked their cars. Lubabalo was in a heated argument over the phone. "But GEORGE!!! Anda: "kazapha...." He kissed her... Yon: "wait....." Anda: "for?" Yon: "I just thought we'd get to know each other first..." Anda: "okay, what you wanna know?" Yon: "well firstly...uphangelaphi?" Anda: "heee hay sisi, iyak'funa lonto? Ndiphangela kwa Transnet." Yon: "doing what there?" Anda: "wena uphangela phi?" Yon: "kwa Spar

eNew Brighton." He kissed her again and she didn't refuse this time. It was impossible. He took off his muscle shirt and lay her on the couch....kissing her neck....her breasts....he took off her vest....her hands held his muscular body...feeling on his big arms. He picked her up without removing his lips on her...and went to the bedroom. He lay her on the bed, taking off her pants...he slid his hand in her under wear....and rubbed her...he inserted a finger.....then the second...she moaned. He took off his pants, searching for a condom, he put it on and placed himself on her entrance... He held both her arms over her head with his one hand...then pushed himself in. She screamed out loud. Anda: "yinton?" Yon: "ha.a baby....it can't fit!" Anda: "lovey it will, just sit still!" He pushed in further and she cried. Anda: "ndiyeke?" Yon: "no....its just big, I'm not used to it!" Anda: "well you gonn get used to it then!" He went in, out, in slowly pulling it out....back in...out.....then sideways....she moaned in pleasure.... "Bbaaby!!" He thrust deeper...and kept the flow for a good 10 minutes...he felt a rush through his body..his pace picked up....his breathing quickened.....he lay on her and banged on her faster.....deeper....his other hand grabbing her hair...he pushed in one more time and released..... He breathed a sigh, got up and pulled off the condom....he went to the bathroom to rinse himself, dried up and got dressed. Yon: "ay'seb'hlungu nto yam...." Anda: "sorry....." He smiled faintly. Yon: "so ndizak'bona nin?" Anda: "kalok sisi....here's the things. As'dyoli nje?" Yon: "so what was this?" Anda: "something we both wanted...." She looked away.....upset. Anda: "ufuna bayi cherrie yam dan wena?" She didn't reply. Anda: "if izokwenzeka lento, there has to be some type of communication, and'zohoyana nomntu oqumbileyo mna." Yon: "ndithin ke?" Anda: "one hint. If you want to be my girl. Lace panties, ngak'linge uze kum nxibe gxwamsi....this one is okay. I don't mind it since iyi hot pant. Don't question my things or me. If ndik'xelela what you need to know, then that's that. And I dare see you with another nigga." He kissed her lips and walked out to his car.....

Luks: "thulani, iyephi le?" Thulz: "some chick's house wethu...." Lubb: "what for?" Thulz: "bek'funeka ndim'buze lubabalo?" Lubb: "hay masikhabe sisithi uye kuBeyonce. Mandy came toward them.... Mandy: "uph uAnda?" Lubb stared at her.....she was wearing tight jeans and a denim shirt with red Converse All stars. Lubb: "why did you change?" Mandy: "bethuna has anyone seen uAnda?" Luks: "he said he'll be right back." Her expression changed to angry as hell. Luks: "I'm sure yothenga something, he hasn't been gone long...try and call him..." She stomped off angrily. Thulz: "who is that???" Lubb: "vala umlomo,

you're attracting flies." Thulz: "haha...tsek Lubby..." They carried on chatting. Mabheka and Chester came to sit with them...and they drank. Anda walked in. Lubb: "yaz-" Anda: "Don't, even bother." Lubb: "heee awuse forward...." Luks: "yakukhangela uMandy." Anda walked to Mandy. "Babes?" Mandy: "uvelaph Anda?" Anda: "I just went to get some fresh air, why?" Mandy: "phone yakho ithen?" Anda: "phelelwe yi battery love....bund'khumbula dan?" He pulled her closer to him. Mandy: "khame, I need to see if the ladies are managing eKitchen." She kissed his cheek and walked away.

Chapter 311

I hated being alone. Lukhanyo can't just leave me here with the babies, angathethi nto oko ethule. Where is he? I tried calling. "You have reached mail box of. 082" I hung up. Sies mann!!! I bathed Chumani and put him to bed. I bathed the babies afterwards and clothed them. I gave them milk and put them to sleep. Ta Smig called. Where did he get my number? Me: "hello bhuti?" Ta: "hey, khand'vulule Malinki." I hung up and went to open the door. Ta: "hello nontombi." Me: "molo Ta Smig." I went to dish up for him and wE sat in the lounge. Ta: "thanks mamngwevu...baphi aba?" Me: "uyabaz nje bhuti ngothand um'phandle...they went to some Anda dude." Ta: "nguban kehok lowo?" Me: "and'maz wethu bhuti....how are things endlin?" Ta: "we're okay, we're coping. Nina ninjan?" Me: "siyaphila bhuti. We're okay." Ta: "can I ask?" Me: "sure..." Ta: "tell me.....about Ludwe" me: "well, there's not really much to say. Zas'funda kunye. Uhm...my first boyfriend, well a lot has changed and'sa mazi ncam..." Ta: "about his family?" I played with my phone while I spoke and went on facebook...Me: "I just know ba mamakhe besandobane accident, she suffers from Alzheimer's disease and temporary memory loss....he has a 2 year old daughter. I think hlala nomamakhe umntana." Ta: "oh okay..." Me: "why?" Ta: "hay akhonto...." Lento ye wall posts zabantu zivela nakum iyandidika mna....ooGoodmorning aba irrelevant singenaph thina! How do you disconnect it? Sies....I scrolled and read a few because I was just being nosy. "RIP mtshana.....you were gone too soon. We will forever miss you. Xx" Ludwe Runu? Hayi bayaphazama. I went to check his wall. And there it was, flooded with messages, I was so in shock. Ta Smig: "what's wrong?" Me: "Ludwe.....he's dead." Ta: "oh nyani? That's a shame...." Something in the way he said it. He already knew...I swallowed hard.... I don't know how I felt about this. I can't even talk to nobody about it. Lukhanyo uyondiphoxa. I don't have Rene's number

anymore. Namhla is probably asleep. So again. I'm alone. I switched the phone off and watched tv. My mood had completely changed. I wasn't mad. I wasn't angry, I just wanted to be alone. You know those moments? You just don't feel like socializing. Ta Smig sensed it instantly. "Sorry wethu sisi..." I just nodded. He got up and left. I locked the door behind him switched off all the lights and went to bed. What happened? How? When? Haayi man..and why was Ta Smig asking me all those questions? Its not that I loved Ludwe. I did once, he hurt me and I moved on. I'm happy where I am but still I can't just pretend he never existed. It hurt a little. His little girl will grow up without a father now...who's gonna take care of his mother? It seems like every guy I been involved with somehow dies mysteriously. Good thing Phila(ex-fling) moved out of P.E...otherwise naye bezoqokrwa sana. I lay in that bed alone...my insides felt cold but I felt hot on the outside. I eventually drifted off to sleep..... I woke up hours later, Luhle was crying. I got up and went to fetch her. I cradled her and fed her milk. I went to check the time. It was 04:54am....I went to the lounge, Lukhanyo hadn't come home yet. I breathed in and out to calm down. Luhle drifted of to sleep again. I went to put her down and checked up on Chuma. He was still asleep. I decided to take a rest again.....and fell asleep.....

I woke up again at 06:24am, quickly ran a bath for Chuma and brushed my teeth while he bathed. Ez'robha ke phof. I let him play when I went to make him lunch and breakfast. When I finished up, I took him out the bath and dressed him. He was singing softly..I couldn't even hear. Adapting one of Lukhanyo's tendencies of always having a tune in his mouth. Whether he's bathin, brushing teeth, eating, in the toilet. He's forever humming. When he's quiet, he's mad. Chuma went to go eat, I packed his lunch then went to the twins. Awake but chilling. I took Luhle and bathed her, I dressed her in a soft pink Hello Kitty dress. Then bathed Luthando, dressing him in white pants, and a white t-shirt. I don't know where Lubabalo got those pants but they looked really adorable. I lay them in their cots, fed them and took a quick shower, then went to check on them. I dressed, beige tight pants, with a thin gold belt. A white loose crop top. I got out the Louis Vuitton boot Lubabalo bought months back. Quickly did my make-up and tied up a bun. I don't need hair flowing in all directions when I'm alone with the twins. I'm not even going anywhere special. I took the babies and buckled them up in the Benz, Chuma came with his bag. I locked the house and left for school...dropped him off and went back home. Dressing up makes me feel better, noba I'm just chilling...I took the babies inside the house...they were getting ready for their morning nap....so laying them in their cots was a good idea. I cleaned the house in the mean time. I did the washing...then hung the clothes. A car pulled up at about 10am...I was making myself something to eat.

Lubabalo walked in. Lubb: "heyy....kuyiwa phi? Why didn't I get the memo?" Me: "morning Lubabalo." He was in such a good mood. Even his walks were different, he took long strides. He came to me and shook me. Lubb: "are you awake?" Me: "no, I'm still asleep." Lubb: "what's gotten you in such a mood?" Me: "I am not in a mood." Lubb: "yes you are...look at you all dressed up for spring cleaning. Something is definitely wrong." Me: "your imagination needs to take a break." Lubb: "and'se lambe." I walked to check on the babies, they were asleep. Lukhanyo and Thulani walked in. Luks came to the bedroom. He was tipsy Luks: "Mrs Me kwerin....awuse cute uyaphi?" Me: "uvelaphi Lukhanyo?" Luks: "well you know....around." Me: "Around? You've been around? Around where exactly!?" I hissed angrily. Luks: "baby alok, andithi we left ne, then we went to Anda, sahlala pha naye, and we had a braai.." Me: "phone yakho cinyelwe nton kehok!" Luks: "the battery die-" Me: "OHH the battery died!!? The bat- Mxm!!" I stomped out of that room. Thulz: "hello Malinki!" Why today are they in such a good mood? Yuh 😊-_- ...Me: "molo Thulz." There was another guy sitting on the couch. He was built to destroy. Those body builder types. They usually have crocodile face..(On tv) lol...but he looked really cute shame. This must be Anda. Me: "molo bhuti." Anda: "hello sisi." Haven't I seen this person before?....nah... Lukhanyo walked back in. Luks: "baby...ngu Anda ke lo." Me: "okay." Luks: "Anda, this is my wife....mother of all my babies, queen of the house..yakhaba ke ungam'deleli..Lihle." Anda: "wife??? Babies??" He sounded shocked. Luks: "kanene I didn't tell you. Yeah, this is wife." Anda: "okay...baphi oobabies? And kuthen eyam introduction iplain 'ngu Anda ke lo'..." Luks: "ungak'linge uzond'khwelethela mna. Heee, baby you should meet Mandy." Lubabalo gave him "the look" ...mmh...Mandy? Lukhanyo went to fetch the babies. Waking them up! Yuuuh! 😞>_< Me: "nguban uMandy?" Anda: "my girlfriend." Me: "oh okay." I put away the cleaning supplies. Lubabalo was eating a sandwich. Luks gave Anda my son. Oh Goodness, ungam'tyumzi...lol... Anda: "I just love kids...nguban gama lakhe?" Luks: "Luthando." Anda: "onke magama enu start with an L?" Lubb: "well Duh." Anda looked at Lubabalo sarcastically. Anda: "you want us to do this again?" Lubb: "yeah how about it, potato arms?" I really didn't want to laugh. Anda just ignored him and played with a grumpy Lutha. He pouted his mouth, squinting his eyes. He has this growling noise I don't understand noba uqumbile or what. Luks came in with Luhle. Anda: "there's two of them?" Lubb: "babIES is plural last time I checked." Anda: "ak'thethwa nawe ke wena, hlal nje mlomo khamisile ngath uyaqaqamba." Lubb: "say that again, to my face. And see how quickly I mash your potatoes." Thulz: "guys please..." Luks: "yooh. They've been at it the whole night!" Lubabalo walked to the bathroom. Luks: "Anda, I know you not used to be a

follower, but you don't know how quick Lubabalo can turn from Lubby to Andrew, its the saddest sight you'll ever see. Uyokhubeka engekenzi nto. If you want his help, don't provoke him kanye uyok'dibanisa nez'enemies zakho!" Thulz: "and uyok'vuthulula nyan uLubby..." Anda: "so ndim'yeke and'gezele in other words?" Luks: "you should hear what he calls uThulani xa engekho." I giggled and walked away. Thulz: "what does he call me?" Luks: "and'zoy'thetha cuz and'fun nikwa igama nam." Lubb: "sow'nalo nje..." He startled them. Luks: "why you always creeping around?" Lubb: "hayi ithi awundiva because I walk normally mna, qha phethwe bubufaz hlel nje yand'hleba." Luks: "uhletywe nguba?" Lubb: "mxm. So what's the plan?" Anda: "who do you want me to take care of?" Luks called Ta Smig. Ta: "ja?" Luks: "cela uze bhut." He hung up. Lubb: "baph ooMabheka?" Anda: "noba zitipile ez'ya.." Lubb: "get them here! Because I'm not repeating myself for no bitch." Anda called Mabheka. Mabheka: "mhh?" Anda: "khavuke fondin!" Mabhek: "nton dan fetu?" He was still sleepy... Anda: "ndiku Ta Luks. Kufunek n'be lapha within 15 or you're out." Mabheka: "kuphi apho?" Anda gave Luks the phone to direct them. Then hung up. Lubb: "lihle makazothatha bantwana lukhanyo, take them out or something." Luks: "Mrs!" I walked to the lounge. Luks: "take the babies out boo, get some fresh air." Lubb: "why don't you call Mandy and hang out?" Anda: "she's probably still at the gym" lubb: "ulala pha dan?" Me: "I don't know Mandy, ndizofika ndithin kuye mna? Hay wethu I'll go to Rene and check if she's busy." I packed the babies bags and took them to the Benz. Lukhanyo buckled them I took my bag and phone. Luks: "I'll call you ke baby, keep your phone on ne?" Me: "okay..." He kissed me. He still smelt of his cologne...it got me intoxicated I just held on to him. Luks: "bundkhumbula na." Me: "don't get ahead of yourself. Be careful...bye guys!" Anda: "bye." Thulz: "sho.." Lubb: "didn't even get a hug." Luks: "he's gonna sulk about it all day...babe..." I quickly hugged him and left.....

Lubb: "right. Masiyen kwa Gqalane." Luks: "let me shower.." Luks went to his bathroom and showered, Lubabalo used the second bathroom. Thulani sat with Anda in the lounge. Eventually got up to fetch something to eat. He took out chicken and spiced then put it in the microwave. Thulz: "yaz'shaya?" Anda: "ja." He finished up and took the sauce to the lounge, put down the food and went back for bread and the 2l bottle of coke. They sat down and ate. Thulz: "what do you want?" He asked blatantly. Anda: "what you talking bout?" Thulz: "you're up to something...if you tell me I might help you." He ate his chicken happily. Thulz: "but if the guys find out.....there'll be hell to pay." Anda: "I don't want nothing besides help okay? I'm not stupid, why would I go against Lukhanyo and his gang? I've heard the stories." Thulz: "good. Let me tell you ke, you know about lukhanyo mos ne? Fuck with him just

once, uzombona uYesu in flesh. Andrew doesn't fucking play...there's your help..just keep that in mind, juice?" Anda swallowed and nodded. Thulani poured him some cooldrink. Lubb walked in the lounge. He took some meat and went to get dressed. Mabheka and Chester walked in. Thulz: "chicken?" Mabheka: "hay no...sigrand Ta..." Lukhanyo came out dressed in black jeans that hung a bit low. Gray vest and sneakers. Always had on his gold chain. Lubabalo walked out dressed in denim jeans, black vest and sneaker too. Thulani went to go shower. Luks sat down and ate. Thulani came back 15 minutes later in jeans and white vest, and Lebron sneakers. They all got up and left. Luks locked the house. Each took their own car, Anda with his Range, Mabheka and Chester with their black Golf 6's.

They were in Zwide when Anda stopped his car, parked by emaShwemen. Lubb: "and Now??" Anda got out angrily and walked toward the bus stop. All of them stopped and looked. Luks: "kwenzeka nto hok?" Anda got to the bus stop where Yonela was standing waiting for a taxi with some guy. Yonela: "s'viwe, sundika kwak'sasa please! Like ndik'xelel ba and'nayo mali ye entyi, and'tshayi mna." S'viwe: "unje ke...uske und'tshintshele. Kodwa ndiyi tshomakho." Yon: "kuksasa kodwa S'viwe." Anda stood in front of her. Yonela: "hey babe...." Anda: "nguban lo?!" He growled. She started shaking, thinking he might hit her. Yon: "ngu S'viwe baby, ndiphangela naye." Anda: "bend'then kuwe ngoma namadoda?" He walked to her, she backed away. Yon: "baby ndicelu xolo. We were just waiting for a taxi." Anda: "masambe!" He took her hand and walked back to his car. Luks: "Fondin!!!" Anda: "ndizani landela!" He drove back to New Brighton. Yon: "I'm sorry...." He drove in silence until he got to her workplace. Anda: "don't make me look like a fool Yonela. Nditshilo kuwe izolo ndathi I dare see you with a man. Don't provoke me." He reached over to kiss her and she tensed up. Anda: "yinton ngok?" Yonela: "I thought uzond'betha." Anda: "soze ndiyenze lonto...come here..." He kissed her and held her thigh with a firm grip. Anda: "am I clear?" Yon: "ewe." Anda took out his wallet and gave her 200. Anda: "pguma ngaban?" Yon: "u19:00...." Anda: "call me." He unlocked the doors and she climbed out..... Anda drove to Oom Cola's(Gqalane) where the others were. He parked and walked in. Ta Smig had arrived. They introduced him. Lubb: "who was that?" Anda: "just someone." Lubb: "potato arms, if you gonna have secrets then I'm gonna have a problem." Anda: "yicherrie yam lubabalo." Lubb: "oh." He smiled and sat back. Lubb: "yicherrie yakhe..." He whispered. Anda: "do you have a problem with that?" Lubb: "not at all, mjita. Big ups to you." Luks: "okay. Ta Smig?" Smig: "he's out on bail. Uhlel kwindlu eseSlovo..probably hiding." Luks: "ubail'we nguban?" Smig: "some of the guys that work for him" Lubb: "the R100 000 loan didn't go through though, so akanamali." Smig: "there's six of them. And abakho kwindaw enye.

Masixole ughadwe zeziy2...the others are scattered." Luks: "Anda....you deal with the 2. And bring Masixole to me. Mabheka, 2 is yours, nawe chester. If its not done. Kwa shota nje umzimba oy1. " Lubb: "I'll put you on a train to Jesus. He could do with some bouncers in heaven." Anda: "but how do we find them? As'bazi nobazi ababantu." Ta Smig gave him the addresses. Anda: "what if kukho banye bantu pha?" Luks: "too bad for them." Anda got up, Luks walked him to a car Ta Smig came with. Lara and Phaki came through with white polo's. They gave the keys to Mabheka and Chester. Luks, took out the AK47'z and handed each one to them. Luks: "why you looking so nervous?" He closed the bags and boot. Anda: "I'm not..." Lukhanyo stood right in front of him, staring coldly at his eyes. Luks: "you don't want to doublecross me yeva? I'll come check personally and if kukho one suspicious thing. I'll blow you the fuck up. Go." Anda got into the car. Mabheka and Chester. In the white polo's too. Lubb: "Make me proud Boys! Whoop whoop!!" He cheered. Everybody laughed. Lukhanyo nodded at Anda and the cars drove off.....

Chapter 312

Luks: "okay, where are the rest of us?" Lara: "Stuja nank efika, ooLucky sese ndlelen Boss." Luks: "okay. Phaki, you follow uChester. Lara you on to Mabheka. I'm going after Anda. Lubabalo, and Stuja you're back up for these too. Thulani uhamba nam wena." Lubb: "let's go.." Lubb took his car and drove after Phaki. Lara left for Mabheka and Stuja followed. Luks drove off following Anda. Thulz: "what happens now?" Luks: "we'll see how Anda copes with this one. Ndamaz Lubabalo uzombonisa mafu." Thulani laughed. Anda used the National road to Slovo. On the way called Mabheka. Anda: "fethu!" Mabheka: "ja?" Anda: "kuthen pholile nje? Uphi?" Mabheka: "ndiz'fumene ez'kaka fondin, nank Phaki efika." Anda: "you killed them?" Mabheka: "its what I was told to do. Yinton ngok Anda? Ushap?" Anda: "hai no akhonto boet. Send'fika k'le plek." Mabheka: "anda, don't fuck this up for us. You don't wanna double cross ooLubby sani. Ndak'cenga fethu they're our only hope." Anda: "sho." He hung up and parked. He loaded the gun and set it. Anda: "God be with me." He whispered. Anda got out the car and bust the door of the house open, he shot continiously at everyone in the lounge, then stoppedm blood everywhere. He walked to the bedroom, kicking the door open. An old man sat on the bed. He tried to get up. Masixole: "ufuna nton ??!" He croaked. Anda grabbed him by his collar and dragged him out, he tied his hands and feet together. Masixole: "please.....bufuna imali, I'll

give you money....." Anda: "khathule man!" He tossed in the backseat. The man started wailing. Anda drove off... Anda: "I'll give you something to fucking cry about! Just test me!!" He kept quiet... All the while Lukhanyo was still behind him in a distance. Luks: "good boy. Mfonele, we'll meet eVEeplaas." He parked by the house and went in to check the bodies. 2 guys, 3 girls. Luks: "what a shame." He left quickly and they drove to Veeplaas.....

Lukhanyo got out the car and went to Anda, they took masixole out and in to an old shack. Luks sat him on a chair, tying him up. Anda: "and now?" Luks: "you wanted to see Andrew? Uyeza ke, we're waiting for him." Anda: "but I thought you said ngu Lubabalo uAndrew." Luks: "keep calm and sit down. Oh and make yourself comfortable." Masixole: "nifuna nton kum makwedini!" He choked. Lukhanyo ignored him and texted Lihle: "go home boo." Lihle replies: "okay babes, pheke nton?" Luks: "I'll bring take-aways." She didn't reply after that.. Lubabalo arrived. He entered With Phaki, Lara. Lubb: "Ho, Ho, Ho. Christmas came too early for me. Phaki, Lara enkosin boys. I'll reward you later, nibize abo baphandle on your way out." They left the shack. Mabheka and Chester came in. Lubb: "hlalan pha....you did a good job by the way. But manage your time, don't plan on the scene that could cost you your life. We do touch and go thina. We sittin on the bench, we don't play." Luks: "mabaphume." Lubb: "hayi! Ngoba?" Luks: "lubabalo...." Lubb: "ha.a....mabahlale." He took out a fire torch and blazed it. Anda: "what the???" Lubb: "do you know who I am?" Masixole: "please.....I can get you anything you want...." Lubb: "HAH!! Lies, all lies!!" Masixole: "I swear!" Lubb: "ndik'buze umbuzo, do you know I am? Who we are?" Masixole: "no!" Lubb: "Zakes Mzinyathi." Masixole: "you're.....no....." He started shaking and stuttering. Luks: "in the flesh...." Lubb: "does the name ring a bell? Ubulele utata wethu!" Masixole: "kange ubulalwe ndim!" Lubb: "chester, khulula la brukwe." Chester took off Masixole's pants. Lubb: "Mabheka, khakhulule ikaws yakho." Mabheka: "andiva bhut?" Lubb: "Off Socks Yours Take! Yandiva kehok?" Mabheka took off his shoe and sock he gave it to Lubabalo. Lubb made it a round ball. Lubb: "ithi Ahh..." He pushed it in his mouth and taped him. Lubabalo blazed the torch. Anda: "hay maan!" Lubb burnt Masixole between the thighs for a very long time. He was peeling off and bleeding.....he screamed agony. Lubabalo: "ima ask you one time. To tell me Why did you kill my father. Why did your son try to make our lives a living hell. Why are you still alive?" He took off the duck tape. Masixole was still crying in pain. Anda was covering his face. Mabheka looked another direction. Chester looked very sick. Masixole: "I didn't. Ki-kill him" Lubb: "Lies! Lies! Lies!!!" He taped his mouth again. Masixole: "wait!!!" He murmured. Lubb: "too late. Anda! Hold his head back!" Anda: "lubabalo please...." Lubb: "hey, hey hey!! Don't make me mad!"

Anda got up and held the back. Lubabalo burnt the neck.....stopping only when it peeled off. Lubb: "tshisa uphinqilis wakho next. Talk!" He took off the tape. Masixole: "it was a long time ago I made misstakeess....i-i-i didn't mean to do it... I needed the money he took from me, he made me lose everything! I had to mmake him pay!.." Lubb: "Luks?" Luks: "kill him." He lay back on the chair. Lubabalo took a knife and shoved it through Masixole's chest. He pulled it out slowly. Lukhanyo got up and set his gun, putting on the silencer. He shot him 4 times. Luks: "burn this place. Samben." They all walked out. Phaki and Lara already outside, they pour paraffin all around the house and set it alight. All of them drove off one by one.....

They exchanged back to their cars Kwa Gqalane and drove to Luks' place. They got in, Lihle took the babies to the bedroom. The guys sat down and Lubabalo went to go wash himself. He came back. Lubb: "now you know what happens to people that make me upset. One word about this day to anyone, any soul, I'll chop your head off. Yes?" Anda: "clear." Lubabalo walked to the kitchen for something to drink. Luks: "you wanted Andrew, you found him." Anda: "I have to.....get back to Mandy. She's gonna get worried." Lubb: "don't cry too much about it, potato arms. We'll talk later." Anda, Mabheka and Chester walked out and drove home. Anda called Mabheka: "Fondin..." Anda: "I don't even want to talk about it. I've been scarred for life....yeses!" Mabheka: "fethu, at least we did good, rhaaa ingcolile lakaka..." Anda: "umbonile ebuswen, he looked sick. Sies maan! Mabheka: "you'll get over it ntwana. We'll sort this out sibe grand..." Anda: "sothetha late sani, ndiyangen aphe ndlin." Mabheka: "sharp." They hung up....back in eFord. Luks: "was it necessary though?" Thulz: "fuck definitely yes. Now they know!" Lubb: "nyan'sile thulani. They know now, ubabonile the way they left ngath bayand'baleka...it broke my heart." He laughed. They drank. Thulz: "bend'cimba bazas'phoxa shame...they proved me wrong." Lubb: "noba akasa suzi uMabheka k'le ndaw akuyo ludyudyu...." Thulz and Luks laughed... I walked in the lounge. Me: "boo, the take aways?" Luks: "erhh....order pizza love." I took the phone and ordered pizza. I walked to the room, I heard the door close behind me. Yuh andothuka... Me: "sundothusa man lovie.." Luks: "xolo babes.." He walked to me and held me looking at my eyes. Me: "what's wrong?" Luks: "nothing babes...just want you to know that ndiyak'thanda, ne?" Me: "I love you too baby...what's up?" He kissed me softly and seductively...he slid his hand under my top and caressed my breast. His other hand slid at the back of my pants and held my behind firmly. The door opened. Lubb: "lukhanyo, siya kwa chief ton-" he stared at us. Lubb: "could you guys just give it a rest? Anidikwa? Yuh mxm man. You forever humping and bumping, nindiza entloko, you're coming to my head!" He hugged me tightly trying to make me calm knowing I'll eventually give up. Me: "lukhanyo ndiyeke." Luks: "no." He sulked. Me: "lukhanyo stop acting like a baby, und'yeke." Luks: "no." Me: "I want you back here by midnight!" He kissed me. Luks: "I am?" Me: "midnight lukhanyo, kanye uyow'lala phandle." He giggled and ran out the room.

Anda went to take a shower and got dressed, he lay on the bed trying to take a nap.. Mandy walked in. Mandy: "babe! Ulele emin apha? Its 2 in the afternoon." Anda: "tired." Mandy: "busow'tyile?" Anda: "no..." Mandy went to make him food. Mandy: "phakama sthandwa uzotya." He got up and ate. Anda: "thanks babes..." Mandy: "are you okay? Ngathi awuphilanga..." she felt his forehead... Anda: "I'm okay." Mandy: "you're heating up though babes, zosela vitamins zakho?" Anda: "mandy, relax. I said I'm fine." Mandy: "okay ke." She went to go change. Anda: "why you home early?" Mandy: "I wasn't that busy today. Clients are doing well. So I decided to come to you instead." Anda: "oh. You look beautiful." Mandy: "enkosi sthandwa sam, you always make me feel special yazi." She took his plate and went to wash then came back to him. He had drifted off to sleep. She kissed him on the head and went to the lounge and watched tv. Hours later he woke up. Mandy: "where you going?" Anda: "out with the guys babe." Mandy: "anda, awuyi ndaw, when are we spending time together as a couple?" Anda: "not this part again." Mandy: "you spend more time with your friends, you can't even sit still in one room with me anymore!" Anda: "mntu wam. I'll be back." Mandy: "at what time?" Anda: "hay Mandy tshi yinto hok...? Hay fondin. I'll be back when I'm back!" He kissed her cheek and walked out. Anda went to fetch Yonela from work and dropped her off. He went to Kwa Ngqoko, where ooLuks were chilling. Lubb: "hey nanku potato arms.." Luks: "awudiki lubabalo. Sho Anda." Anda: "moja Ta." Mabheka and Chester came through. They sat and drank. Luks: "so who are these people?" Anda: "ii-Loskop." Lubb: "potato arms." Anda looked at him. Lubb: "I hope I sent my message loudly and clearly to you. One fuck up. You'll be sitting on a stoep with your underwear on, praising Jesus. Understood?" Anda: "understood." Lubb: "Mabheka, Chester, niyandaz ke nina." They nodded. Lubb: "welcome to the team boys." He drank his alcohol in the glass finished. Then looked up. Someone had walked in and sneered at them.....they locked eyes. Lubabalo was itching and burning with anger. Luks: "lubabalo!" Lubb: "lukhanyo!" He growled. Thulz: "lubabalo please fethu. Just leave him alone." Lubb lay back on the couch. Siyanda: "Thulani izapha." Thulani got up, Lubabalo got up. Thulz: "lubabalo...." Lukhanyo pulled him back down. Siya: "look, I'm not here to cause trouble, I just want to talk to my brother in private." They walked out the bar. Lubabalo didn't trust this... Anda: "and now?" Lubb: "khabe uthatha ez'wey....uz'fake motwe, something's not right. Lukhanyo..." Luks: "suthetha lento ndiy'vayo nam....let's go...". They got up and followed them outside. Both Siya and Thulani were nowhere to be seen....

Chapter 313

Thulz: "siyaphi?" Siya: "thulani, what are you doing with your life? You are educated sani, you own part of a Project Management company! You have a son, life is good for you. Why are you wasting it away? What happens when you get shot? Die? Junior zamshiya naban? Even if you don't die, you might get paralyzed. Dude, andik'moneli xa ndithetha lento, you don't need this. Focus on you, your life. Umncinci Thulani, ukhubekisa umama ngalento uyenzayo." Thulz: "so you're taking me away?" Siya: "no, I'm not. I'm going to get petrol, qha bend'funa uthetha nawe benga disturb'i abaya. I

know they're your friends, and uyabathanda but khaz'cingele Thulani." He stopped at the Algoa Engen garage, to get fuel. Siya: "do you want anything?" Thulz: "nah...ndisharp." Siya paid for the fuel, just before he drove off 2 R8's revved in from either side of him. 2 Golf 6's blocking both exits. Siya: "honestly? Ngath ungumtana we Mafia, hlel nje uyalandelwa..what are they so scared of?" Thulz: "they just try to protect me." Siya: " thulani, I'm your brother. Like ndizoy'qala ngaphi into yok'bulala? Tshi, hayi suphambana apha." Lubabalo climbed out his car and walked to Siyanda's window. Siya rolled it down. Lubb: "awuva ne? You just enjoy provoking me." Siya: "hlel'nje umvalele mos uThulani, I just wanted to take him for a ride. He's my biological brother after all." Lubb: "thulani?" Lukhanyo appeared. Luks: "masambe fondin Thulani!" Thulz: "mdiyabuya ngok majita nd'sathetha no Ta Sira." Lubb: "what?" Thulz: "I'll be back khanis'vulele." Lubb stared at Siya with a hatred. Then signalled for Mabheka to clear the exit, Siyanda drove. Siya: "such a bully." Thulz: "he just likes order and control." Siya drove back to New Brighton. Siya: "thulani, I want you to know if you ever need anything...don't hesitate to call me. Noba kwenzeka ntoni." He drove into Chief Ngqoko's place and parked. Siya: "I'm telling you this because you're my brother. And I love you. Kukho i-crew ek'thwa zii-Loskop, ziyanifuna Thulani, phof they're after the guys you were with. Ndicelwe ndiba ncedise....I said yes...cuz I don't have a crew anymore, and ez'ntwana uhamba nazo azind'fun." Thulz: "you want to kill us!?" Siya: "not you, but lamajita nihlel nawo! Look at me Thulani." Thulz looked at his older brother. Siya: "whatever you do, don't be around them ngomso...nowhere near them siyavana? Don't answer their calls hlala no Lukhanyo, I know he'll protect you." Thulz: "bu-" Siya: "Thulani!" Thulz: "I'll call you later." He got out the car and walked to the table where Anda was chilling with Phaki, the others came in. Lukhabalo, Mabheka and Chester. Lubb: "yinton ngok? Ikwenze nto le?" Thulz: "akhonto Ta." Thulani started thinking to himself, lubby and luks won't separate from these guys tonight...I won't be able to keep them apart. So its best if I just tell them. He started shaking. His brother walked in and went to sit in a table with other guys. Luks: "thulani. What is it?" He whispered in his ears over the loud music. Thulz: "can we go?" Luks: "me and you?" Thulz: "yeah..." It was better talking to Lukhanyo rather than Lubabalo because everything is a joke to him. So lukhanyo will come with a solid solution. The real boss. They walked outside to the car. Thulani sat inside the passenger, Luks in the driver. Luks: "what did he do?" Thulz: "he came to warn me....he knows ii-loskop." Luks: "WHAAT???" Thulz: "get this.....andithi we took out his whole crew? So akanayo, they asked him to help them. Bafuna ubulala ooAnda ngomso, they say we shouldn't be anywhere near them." Luks: "okay." Lukhanyo got out the car to call the others. They all drove off to

Lubby's house. Lukhanyo told them what Thulani just said. Lubb: "Wow. What a revelation. So, Siyanda ukwi enemy scout yethu? How cute.....he makes it easier for me everyday." Thulz: "why do you hate my brother so much?" Lubb: "I don't. Hate is Love covered by walls of jealousy. I just don't like him." Luks: "he loves him, qha akanandlela yombonisa...he can't control it." Anda: "so this is it? Niyas'shiya el'wey?" Lubb: "no potato arms...here's what's gonna happen. Thulani, bring your brother here. We sorting this shit out tonight!" Luks: "uhm....I can't stay the whole night." He whispered, embarrassed. Lubb: "for what reason?" Luks: "uLihle told me to be back before midnight." They all burst out laughing. Lubb: "ahh man....mxm...okay, Thulani bring Siya." Thulz: "soze azapha." Lubb: "well, work your pretty boy charm alok, just get him here. Mabheka uph umama wekhaya?" Mabheka: "she's in East London." Lubb: "good, Chester?" Chester: "I don't have one." Lubb: "better. Anda iza noMandy." Anda: "WHY?" Lubb: "is that a rhetorical question? Potato Arms, you have to think! These people will be after you, if they can't find you. They will go after lo umthandayo." Anda took his keys. Luks: "khaw'lezani majita!.." Anda and Thulz left.....

Anda got to the house. Anda: "boo..." Mandy: "yes?" Anda: "we have to go...I called the exterminators for tomorrow morning" Mandy: "you didn't tell me this. Exterminate what?" Anda: "amaphela baby, just get a few outfits and all your stuff for make-up and shit sihambe." Mandy: "not until you tell me the truth. What's going on!" Anda: "jongapha Mandy. I am protecting you. If you don't want my protection. Too fucking bad. Pack your things and let's get going!" Mandy: "NO." Anda went to the bedroom and took a bag. He packed random outfits and shoes for her, her toiletries and make-up kit. Mandy: "what the fuck are you doing?" She walked in. Anda: "don't fuckin make me mad Mandy maan!" Mandy: "libele pajama." She whispered. He took her pajams too. Then packed his own bag. She took her work things and laptop. Her work bag too. They packed the bags in the car, locked the house and left...as soon as they arrived at Lubby's house. Lubb: "hi Mandy, bye Mandy. Sylvia fixed you your room. We'll see you in the morning." He showed her, the bedroom. Mandy: "who's house is this?" Lubb: "its mine, cupcake. Goodnight" he closed her door and went to the guys in the lounge. Lukhanyo's crew was present: Stuja, Lara, Phaki, Lucky, Ta Smig and 2 other guys. Lubb: "this way." They went down to the wine cellar. Lubabalo pushed away the couch and opened the underground basement, he jumped in and took out the first bag. Lubb: "that's Luks!" He threw the second. Lubb: "Thulz lowo." He threw the third. Lubb: "and me." He came out and closed the basement. He pushed back the couch and sat down. Anda: "yeses..." Lubb: "yes, potato arms, you're not the only one with dough." Lubb opened

his bag and counted R25000. Lubb: "Phaki." Phaki came forward. Lubb: "thanks for today." He gave him the money. Phaki: "ndiyabulela bhuti." He counted another R25000. Lubb: "Lara." He came forward. Lara: "enkos Bhut." He gave him the money and counted another for Stuja. He then counted R30 000. Lubb: "Anda." He gave it to him, same as Chester and Mabheka. Lubb: "majita. Today was done well. Thank you again. I need you in tip top shape for tomorrow morning." He took out his phone. And dialed for Jermaine. J: "Andy." Lubb: "kan jy praat?" J: "nah, I'm busy fucking." Lubb: "k." He hung up. Luks: "and now?" Lubb: "he's a bit busy." Thulani and Siya walked in. Lubby gave him his bag of money. Thulz: "sure." Siya: "thulani, you said you wanted to show me something, what the hell is this? Ndizothin apha mna?" Lubb pushed the bag toward him. Lubb: "there's R920 000 apho, I can add another 80. And you'll be a millionaire. Like me. Only difference is, I'm almost a billio- that's not the point I'm trying to make. Its yours on one condition." Siyanda stared at him. Siya: "you're trying to buy me?" Lubb: "suba muncu Siyanda, I already bought you. Just take the money." Siya: "what's the condition?" Lubb: "just give them to us. Ezi-Loskop. You don't even need to do anything just write it down where they are. Who are they. And how many. I promise nothing will happen to you.." Siya: "there's too many of them. Soze nikwazi." Lubabalo's phone rang. Lubb: "you done?" J: "yeah...what's up?" Lubb: "I need you to come over to p.e." J: "why?" Lubb: "I need to take out a group called Loskop's." J: "you Found em?!!! He hung up. Lubb: "bangaph?" Siya: "about 40..." Lubb: "we're almost 40.....we'll manage." Lukhanyo looked at the time. 23:22pm..... Luks: "so ithin iplan." Siya: "bazoqala kooMabheka. Then went to bed.....

Lubabalo couldn't sleep, he got up and walked to the kitchen to get a cup of warm milk. He opened the fridge, took the milk and closed it. He got a fright. Lubb: "what the hell?" Mandy: "sorry." Lubb: "ufuna nto?" Mandy: "a glass of water..." Lubb: "but there's a bathroom in you room. Lukhanyo went home to his Wife, if you're looking for him." Mandy: "don't be too forward. Ikhona ifridge kwi bathroom?" She took a glass and poured water. Lubb still stared at her... Mandy: "what are you looking at?" Lubb: "You." Mandy drank the water and poured a second glass, she drank it finish. Then walked to the wrong room. Lubb: "he went home to his wife." Mandy: "haska man! Your house is too big and confusing." Lubb: "it doesn't hurt to ask you know." She switched on the lights. And looked carefully. Lubabalo simply walked past her to his room. She finally found hers and walked in. Anda: "velaph?" He said in a sleepy tone. Mandy: "kitchen babes, that guy is soo weird." Anda: "who's that?" Mandy: "omnye weza twins..." Anda: "oh, lubabalo? Mxm...myeke wethu..." She cuddled herself in his biceps. Mandy: "I'm cold..." Anda: "come." He wrapped his arms around her and covered them with with the blanket. Mandy: "why are we here?". Anda: "because, kukho abantu aband'funayo...bad people....lubby is tryna protect us." Mandy: "why would bad people be looking for you?" Anda: "andaz nam baby." Mandy: "are you doing shady deals again?" Anda: "no." Mandy: "hope you're not lying to me Anda." She went to sleep.....

Lukhanyo got home and locked the house, he checked on his babies and took Chumani from their bed to his own. he undressed and got into bed. Luks: "boo...." I looked up... Me: "way past midnight." Luks: "hay baby, its only 00:20am. Kaze..." I moved closer to him. Me: "ndiyagodola bonanje." Luks: "nam babe, and I have to rest. Ndiyavuka ngo 5. Cela undiphe baby. Nje ndizokaw'leza ub'thongo." Me: "what's going on qala." He got on top of me, taking off my pajamas... Luks: "well, Anda wants us to help him with something." Me: "gang related?" Luks: "yeah, but kuzosebenza abaka Lubby is'kakhulu." Me: "be careful ke baby....." He pushed himself in. Kissing

my lips. It felt like.....wow.....I wrapped my legs around him. He groaned and breathed. Me: "ooooh....." I moaned...I held his arms, he moved quicker, biting my neck. My legs opened and let him fully in....I was about to release, my thighs started shaking. He quickly pulled out and I came...calling his name....the liquid rushed rushed out of me....he turned me around. And lay me down, he went inside again and carried on. I moved my ass with him...moaning softly...he was holding my hand and biting , sucking the back of my neck....his other hand reached for my clit, he played and rubbed it and I came for the second time he smashed into me and released. He pulled out and reached for a tissue. He wiped me first. Me: "kasapha wethu andaz le uyenzayo." Luks: "ima, man khayek uqava." He took another for himself...then we lay in bed....I snuggled in his arms under the blankets. Luks: "ndozela kamand kehok....." Me: "ndiva shushu nam ngok."just as I was drifting off.

Luks: "kuthen ungade umithe Lihle? Kunin ngoko?" Me: "didn't I tell you ndifakwe contraceptives? The one for 3 years?" Luks: "kange und'xelele lonto mna! For nton? Why can't we have another baby now?" Me: "baby, its too early, at least maba bena 2 ooLutha. Ungu tamkulu kodwa wena because I told you this. This is the third time!" Luks: "mxm. Khalale wethu." We fell asleep....he woke up a few hours later and went to go shower. He came back and got dressed. Luks: "baby, ningayi ndaw namhlanje. Izotixa. I'll call you." Me: "okay." I got up, he took his t-shirt and dressed me then went to kiss the babies and Chuma. I walked him to the door. Luks: "love you Mrs Me." He held the kiss and stopped. "I'll be back." He drove to Lubby's house and arrived at 05:35am. He went inside with the others. Ta Smig and brought all the guns they needed. 4 VW's combi's drove in. Jermaine and Donkey's crew. J came to Lubby, they spoke briefly. J: "we need to act quick..once they catch on, they'll paint this whole town red." Lubb: "here's the plan." He told them the plan which Lukhanyo had come up with. Then introduced him to the others. Lubb: "thulani, you're staying behind, make sure Siya doesn't go anywhere." He whispered. Then spoke up. Lubb: "siya. First location." Siya: "qala kwaba who's in hiding. Then niqbezele ngezi zizo sebenza. If you start with those who are doing the job, those in hiding will panic when they can't get through to them.." J: "and die original Loskop? Waar sy?" Siya: "I don't kno-" Lubb: "Siyanda....." Siya: "they say use Katanga." Lubb: "where eKatanga?" Siya directed them. J: "I'll take care of him." They drove out one by one..... Lubb: "luks, asiye mfethu." They took their weapons and left...

Lukhanyo drove Lubby's SLS. Luks: "why this one though?" Lubb: "you'll see." they drove to a quiet location after Jermaine's crew in the first combi.. They all got out. Luks and Lubb stayed in their car. The 8 guys knocked a door down in one of the house, gun shots were fired. Lukhanyo's phone rang, he didn't pick up. Lubb: "ayingo Lihle?" Luks: "a.a." The guys came out and climbed in the combi, they drove off. Lubabalo called Jermaine. Lubb: "what it do?" J: "we got the first group, there's 2 houses left. We're going to the biggest. Lubby, go home." Lubb: "why." J: "its about to get ugly." He hung up. Lukhanyo's phone rang. Lubb: "khay'phendule fethu." He answered. Luks: "hello..." Thulz: "lukhanyo, usiya uthi they picked up on his absence." Luks: "and then?" Thulz: "they know that uba-jumpile, so they're coming after him." Luks: "how does he know that?" Thulz: "sandofumana message ngok." Siya took the phone from Thulani. Siya: "ta luks, ababantu abayaz apha, but they know your place. They know Thulani is my brother , and he's your friend, so-" Luks: "I get it. Bazoya pha kum endlin. I'll get on it right now." He hung up. Lubb: "uLihle nabantwana Lukhanyo!" He sped the car, driving to New Brighton. Lubabalo dialed Lihle's number. Luks: "she's probably still asleep." Lubb: "shh...." Me: "hello? Who's this?" Lubb: "ndim Lihle, please wake up siyeza. Do not open until I tell you to." Me: "uhm okay." He hung up. So I got up and took a quick shower brushing my teeth and got out and got dressed. I packed the babies things quickly and woke Chuma, I dressed him up and fixed the beds while he ate.. I heard foot steps in the yard. I peeped through the door. A grey GTi stood at the front two guys stood in front of it. I called Lubabalo. While scouting for others, they were two in the yard. Lubb: "linkie?" Me: "there's 2 people here eYard'in, 2 bame stratwen..." Lubb: "fuck. Hlalan eroomin Lihle, with the babies." Luksh "makakuphe la ntsimbi ikwi wardrobe yam." Lubb: "Hayi lukhanyo, just drive." I hung up. I was really poes scared this time. Ndatsho ndatshiswa ngumchamo. Chuma came running from the lounge. They tried kicking and banged on the burglar gate. The twins woke up. Chumani just held on to me. I said a short prayer. They fired shots to the door and gate trying to break it open. Me: "Lord, please protect my children....anything but them...." I heard a car from afar. Then another shot, the door was kicked open. I held Lihle in one arm, trying to calm her down. Lutha was silent...it was quite disturbing. Gun shots from outside, some man walked into our room. Chumani started crying. I was crying too. He held his gun out, but fell to the ground. Someone shot him. The way my body shook. I just wanted my kids out of here. Lubabalo walked in, took Lutha. Lubb: "Lihle, iza...." I took the bags, and Chumani's hand, we got into the Range Rover, Lukhanyo came in the driver's seat and drove off without a word. Lutha was buckled in the backseat, with Chumani. Lihle still in my arms. I couldn't think what could have happened...I didn't

want to. We drove into Lubabalo's residence without a word. I got out with my daughter and unbuckled Chuma. Lukhanyo took Lutha we walked into the house, where Anda and 3 other guys sat there and Thulani. Some chick too. I walked straight to our bedroom without a word to none. I was too traum's....Lukhanyo walked in. Luks: "babes...." I didn't dare put my daughter down. Me: "uphi uLuthando?" Luks: "uku Thulani." Me: "bring me my son Lukhanyo." I sat on the bed with Chumani and Lühle. The only thing going through my mind is what my babies had just seen, I was okay. But bona? Seeing their father shoot a man in cold blood? Chuma was probably confused and afraid right now.. Lukhanyo came back with Lutha, laying him n the bed. Luks: "baby." Me: "lukhanyo abantwana! How could you do this to them? You almost ruined their childhood." Luks: "they won't remember this Lihle." Me: "that makes it okay???" Luks: "baby bend'ngena choice. It was either that or I'd have lost you. At least you're all alive." Well, that was a point. He picked up a quiet Chuma..walking out the room he spoke to him. Luks: "my son....I'm sorry ne? Everything is gonna be okay, daddy was trying to keep you safe mntanam....nobody will hurt you ndisekhona va?" Chuma nodded and lay his head on his chest. They entered the lounge. Lubb: "how is she?" Luks: "you do not wanna go there. What's the latest." Lubb: "3 groups down. One to go. Haven't heard from Jermaine." Luks: "think they're okay?" Lubb: "I don't know...I'll have to wait." They sat down in the lounge, Lukhanyo still cradling Chuma. Luks: "did you sleep well?" Chuma: "mama uvusile..." Luks: "wena safun ulala?" He nodded. Luks: "lala ke boy..." Chuma: "uzoshiya ichuma wena.." Luks: "asoze utata ak'shiye nyana....I promise you." Chuma held on to him and drifted off to sleep. Siya: "uphi uJunior?" Thulz: "uku mamakhe. I'll fetch him tonight." They sat in an awkward silence.....

My phone rang. It was Rene. Me: "hey." Rene: "hey sweetheart. How are you?" Me: "I'm okay. You?" Rene: "I'm good, you sound down though." Me: "something happened." Rene: "again?" Me: "yeah.....its always expected...I'm just worried about the kids." Rene: "are they okay? Are you okay." Me: "no, we're fine. Just don't want them out my sight...." Rene: "you're a mother sweetie that's natural instinct, to protect your children first. But you need to try and calm down, before they pick up on your stress, you know how sensitive babies are. And you don't need another thing to worry about. You told me about Lutha's medical history." Me: "I can't just pretend this didn't happen. You know?" Rene: "whatever happened Lili, I'm sure they won't even remember by tomorrow, let alone 3 years time. Just be relaxed okay?" Me: "I'll try my best..." Rene: "I'll check up on you later, I got a patient waiting." Me: "bye." I hung up. Where did Lukhanyo take Chuma?...calm down Lihle....calm down. I got up and looked for Sylvia, we washed the babies and clothed them. I fed them and put them to

sleep. I had to do something to keep busy, before I go insane. The time was still 07:20, imagine? Who wakes up early in the morning to kill people? Like they're going to work or something. Phof that's their work. I couldn't go anywhere, neither did I feel like talking. So I had to do something else. Watching a movie? But that seemed really odd. What do people do after they been almost shot. When their kids been traumatized. Do they sit and watch tv? I don't want to sleep though. I went past the lounge to the kitchen. Lukhanyo following me. Chuma in his arms. Luks: "lihle, please say something." Me: "I can't say anything. Can I? Its not my place." I took an apple and rinsed it. So apples don't have a season like peaches and oranges? They're just kind of there all the time like I am craving peaches right now, its not even funny. I started having random thoughts about the stupidest things, just to keep me from reality. Why don't we just move in here? I mean, every week we come here. And somehow, its the safest place...protected by angels and God. Me: "I don't know what to do." Luks: "get some proper rest babes." Me: "what about uChuma?" Luks: "he'll be fine. I spoke to him." Me: "let me take him to bed?" Luks: "myeke baby, you need to rest, I'll hold him." Me: "lukhanyo, give him to me...you need to fix your stuff." I took Chuma and walked to the bedroom and we lay down to sleep.....

Stuja and the rest of the guys filed in. Luks: "done?" Stuja: "ja boss." Luks: "lubabalo, call Jermaine, check if they're still good. Stuja, Lara Phaki and Lucky, iyani pha kum, remove those guys there, bay'4." The guys left. Lubabalo called Jermaine, he didn't pick up. The first 2 combi's drove in. The guys didn't climb out. Those were the rules. Lubabalo walked to them. Lubb: "and then?" Snyk: "al dood. Ons wag net vir J n D nou dan ons is klaar." (Translated: "all dead, we just waiting for J and D then we're finished." Lubb: "ok, get you anything?" Snyk: "water 'seblief." Lubabalo went in to fetch water for them then went out to hand it to them. He went inside the house calling Donkey, they weren't picking up. Lubb: "Fucck!!!" He was panicking by now. Mandy: "I'll be in the bedroom." She got up and walked to the room. Anda followed her. Mandy: "what the hell is going on anda!" Anda: "baby, I don't know...I'm just as confused as you right now, but at least we're all safe." Mandy: "Anda, ndiyoyika. What do these people want from you." Anda: "baby, I can't tell you that." Mandy: "whatever." She sat on the bed and opened her laptop to start working. Anda left the room. Lubabalo was on the phone. Lubb: "Smith, now is not the time." Smith: "Andrew, there is war at Katanga, where are you?" Lubb: "at home, what war?" Smith: "some gang leader has just been killed, its havoc in the streets." Lubb: "what gang leader." Smith: "The one and only Loskop. We've been looking for him for a very long time." Lubb: "hence his name. What's next?" Smith: "get your guys off here...we're on our way there and are arresting anyone around." He hung up. Lubb: "this cannot be

happening." Lubabalo sent a message to Jermaine: "COPS! Evacuate!!!" Luks: "what's wrong?" Lubb: "Jermaine akaphenduli and the cops are going there NOW. He'll get arrested in split seconds if they find him there." Lubabalo tried for the last time to call him. J: "what is wrong with you?" Lubb: "thank God, get the hell out of there the cops are on their way!" Right then sirens started ringing from afar. J: "sure thing!" He hung up. Lubb: "now. We wait. The third taxi pulled in. Jermaine only arrived hours later with the 4th taxi, he held Donkey in one arm. He'd been shot. J: "stop being a pussy and walk it out." Donkey: "is jy foken mal!?" Lubabalo held him inside and lay him on the floor. Lubb: "uhm....let's take him to the hospital instead, I don't want to ruin my Italian tiles. I had them imported....soo....." Donkey: "fuck you and your Italian dunguse!!" Lukhanyo walked to the bedroom. Luks: "baby?" Me: "mh?" I woke up. Luks: "number ka Rene..." Me: "why? what happened?" Luks: "one of the guys been shot...." I dialed for Rene. Me: "babe, I need your help." Rene: "what is it? Is it the babies?" Luks: "mbize lihle!" Me: "I just need you here, my husband is coming to fetch you." I hung up before she could protest. Luks: "ndiyeza ke." He ran out to the car and drove to the hospital. I got up and went to the lounge. The man was laying there, all the guys stood there looking helpless. Umntu angafa sana apha. I took a towel, folded it and put it under his head. I took another and put pressure on the wound. He screamed. Me: "lubby, bottle ye Jack." He walked to the cellar and came back with it. I poured a little in his mouth. Lubb: "why?" Me: "subconsciously eases the pain." Lubb: "and you know this how?" I stared at him as if he didn't remember my alcoholic streak a few weeks back. Lubb: "oh yes." The guy kept quiet after a while. Me: "still sore?" Donkey: "just a liTtle." It was the same guy I was afraid of, the guy that shot Xolani in cold blood. Why did I help him? Kudala watsho umama ndine ntliziyo too much. Lukhanyo walked in with Rene who was carrying her medical bag. Rene: "I need a warm room, towels and a bowl of lukewarm water." Lubabalo got right to it. They moved Donkey to the room and Rene ripped his clothing off, she covered her mouth and nose with that thing which I don't know that doctors use. Rene: "I'll have to remove the bullets without drugging you because you have alcohol in your system already." Donkey: "you mean you're gonna operate me wide awake?" Rene: "that's exactly what I'm gonna do." Lubb: "do I need to tape his mouth doctor?" Rene just looked at him sarcastically. Lubb: "sorry...." He walked out. We all waited outside...while Donkey screamed in pain cursing. They sat in the lounge while I took out the cleaning supplies. Lubb: "yeke love, I'll do it." He took it and washed his own floor. Chumani walked into the lounge. Chuma: "tata." He squeaked. Lukhanyo picked him up. Chuma: "uthe azushiya iChuma...." Luks: "andik'shiyanga nje boy.....ndim lo." Chuma wrapped his arms around his neck and slept. 2 hours later

Rene came out of the room. Lubb: "well?" Rene: "he's okay. Just resting. I gave him pain killers. Try not to move him." Me: "thanks Rene." A woman walked out one of the rooms. The girl that was here when I arrived. Rene: "Mandy?" Mandy: "Rene!" They hugged. Rene: "what are you doing here?" Mandy: "I'm with my boyfriend, Anda. You?" Rene: "just helping out a friend."they walked out chatting, I was jealous. So this is Mandy? How did she know Rene? Mh..... Rene: "Lily....I have to go, I'll call you later okay?" She hugged me. Rene: "you did a great job, should've been a doctor." Me: "I learnt all that on google." Everybody laughed. Me: "don't judge me." Rene: "stay well..." She left. Lubb: "thanks doctor!" Rene: "bye Lubby." We stood around the house confused.... Anda: "thanks....for saving us." Lubb: " You're part of us now. But I'm still gonna call you potato arms." Anda: "I know that.....is never gonna change." They shook hands. The combi's drove away, since Jermaine and Donkey were staying for a while. Luks: "babes, ndisayo lungisa pha endlin lamnyango ke va....I'll be back. Its all over, at least for now." He kissed me and smiled. At least we'll be relaxed for a couple of days. I tried to take Chuma from him. Luks: "myeke ndihambe naye." He left with him. The time was 10:12am. Not too late to start the day....despite the events. I walked to the kitchen to make food, I'm sure nobody had eaten since last night. I made breakfast and dished up. Everybody came to take their plate. I took the other to Donkey. I don't know why. I entered the room and put the food next to him. Donkey: "dankie...." Me: "pleasure." I proceeded to walk out. Donkey: "nee wag, I meant thanks for saving me." Me: "you weren't dead, or dying. I just eased the pain a little." Donkey: "a lot." Me: "why did you kill Xolani?" I had been burning to ask that question. Lubabalo walked in. Lubb: "I'll take it from here. Enkosi Lihle." He sat down next to Donkey and fed him. Lubb: "I said Thanks." It felt like he was Telling me to leave. Wait, he was. I turned around and walked out...

Chapter 315

I walked awkwardly to the lounge not sure what to do. Lubabalo just summoned me out that room. Yuuh. I went to put the dirty dishes in the dishwasher. Mandy came in the kitchen. Mandy: "hi sisi, they haven't properly introduced us. Ndingu Mandy mna." Me: "I'm Lihle. Unjan?" Mandy: "I'm okay thanks, wena?" Me: "I'm good. So you're Anda's girlfriend." Mandy: "yes. You are?" Me: "the twins wife." She laughed.... Me: "Lukhanyo's." I smiled. Mandy: "so you can tell the difference?" Me: "yep." Mandy: "how though? When they're fully dressed ingathi ngumntu omnye." Me: "you

must see uLubby, just look him in the eyes. He has this crazy, sarcastic look. Always playful. And then look at Lukhanyo, he's more mature, conserved and quieter. Especially with girls around, he's really shy...unlike his twin." Mandy: "wow. Still bangandi bhida." Me: "let me go check on my babies..." Mandy: "can I come with?" Me: "sure." We walked to the bedroom where Luthandoluhle was. Mandy: "oh. My. Goodness! They are too adorable. I love baby girls. Look at how cute she is." Mandy picked Luhle up, I took Lutha, we took the purity and started feeding them as Mandy chatted away. Mandy: "I want to have a baby, its just that I was waiting for Anda and I to be stable...I'm financially able to care for it, so is he. But I don't know if we're emotionally ready." Me: "aren't you stable? And by stable do you mean marriage?" Mandy: "I don't mean marriage. I just meant, I feel like he's not really attached to me, he just likes the idea that I'm his." Me: "what makes you think this?" Mandy: "I think he's cheating on me....the signs are there..." Me: "signs? What signs?" Mandy: "for instance, we can fight ne? Ahambe enomsindo andishiye. He'll be back hours later in the best of moods. Then I found lipgloss in his car this one time." Me: "hayi! Wathin wena!?" Mandy: "I said nothing. I don't know ndizathi bendikhangela nton ba ndiyibone." Me: "rhaaa Mandy! Girl, its either he has someone else or he's selling cosmetic products, asoze alok sana." Mandy: "2 days back ngok besine braai, we fought because I didn't want to have sex, he left wabuya about an hour later, when he held me ndanukisa some funky spray on him. I don't use spray mna, my fragrance is D & G the one. Ayikho enye." Me: "did you ask him?" Mandy: "he's gonna get all aggro..." Me: "why won't you have sex with him." Mandy: "I'm just tired Lihle, like honestly, I worked with people each and everyday. I'm a fitness trainer and Nutritionist at the same time I'm studying part-time for my Masters Degree. He just doesn't get it." Me: "I think you should just speak to him." Mandy: "I don't know..." She put Luhle up, balancing her on her lap. Mandy: "you are sooo cute...!" Luhle giggled. Mandy: "you're easy to talk to...thanks..." Me: "I try...its just that in this life, you're not allowed in the outside world." Mandy: "you too!? I thought I was the only one." Me: "how do you know Rene though?" Mandy: "we went to the same school, didn't lose contact since then." Me: "oh, I thought you were.....involved..." Mandy: "oh no, I'm not down like that. Andiyaz yena wanyanzelwa yintoni." Me: "ohh....hayke..." We sat in the room as she told me about her work.....

Lukhanyo walked in an hour later with Chuma holding his play truck. He walked in the room to check up on Lutha and Luhle. Luks: "how is he?" Me: "oko ethule..." Luks: "Luthando." He said in a firm voice. Lutha got a fright. Luks: "ok so his ears are fine." He put him on his lap and checked his eye sight. Lmao, akamuncu Lukhanyo. Why would his eyes be affected? Luks: "okay..." He handed him over and took Luhle from

Mandy. He did the same, but got up and left with her. Me: "hay'ke sana uyoncama pha. He is beyond attached to his daughter..." Mandy: "ne? That is so cute." I looked at her. Me: "it is." Mandy: "so you're a housewife?" Me: "yep.....at least for another month. I'm going to school next year to study Marketing." Mandy: "oh.....Marketing?" Me: "yeah...." Mandy: "I want to start a business." Me: "like?" Mandy: "masokwenza something to drink we'll discuss it." We went to the kitchen and made Hot chocolate. We walked past the lounge. Anda: "babes? Can we talk?" Mandy: "okay..." Me: "you'll find me in the room." Mandy: "what's up babe?" Anda: "I just wanted to know you're okay?....I miss you..." Mandy: "ncaaaww...I miss you too boo, sigoduka nin?" Anda: "tonight..." She kissed him. Mandy: "we'll talk later and she walked to the room. Mandy: "so, how about a catering business?, I know some healthy recipes and we could help people eat healthily." Me: "you want me to be honest?" mandy: "Please." Me: "that is Boring. People don't want to be told what to eat. The catering is a good idea, but let's not make it one sided. How about we have, different types? Like for instances, for normal unhealthy delicious food and for healthy food? Then umntu can choose for themselves which they want." Mandy: "hm.....never thought of it like that. We need people to help us though." Me: "well, for one there's Sindiswa. She can help us with the client base yase kasi. I know she'll force people to need us." Mandy laughed. Mandy: "nguban uSindiswa?" Me: "one of the guy's girlfriend's....yambona, he's a bit bigger than Luks, cute oval face. " Mandy: "ncoo bethuna lo with big eyes?" Me: "yes him" mandy: "and omnye?" Me: "there's Thulani, the light skinned one with hazel brown eyes and pink lips." Mandy: "he is just heavenly." Me: "khabe uhoya uAnda." Mandy: "yeah, ever since ndinaye.....I haven't" Me: "cheated?" Mandy: "yeah, akho ne interest kwenyi ndoda. Andaz noba ndamoyika na." Me: "maybe uyamthanda." Mandy: "love? I don't know." She blushed.... Me: "you're in love with him...." She couldn't help smiling....Mandy: "ayikho ke le uy'thethayo." Me: "khathethe naye wethu...." Mandy: "I don't know if he'll listen...." Me: "tell him what you want!" Mandy: "I want a future with him! But he still goes out there and fucks other women! He doesn't want anything that will tie him to me. That's what makes me so mad at times.." Me: "so you want a child?" Mandy: "I know its weird. I just wish he could stop cheating." Me: "eish girl..most men cheat I don't even know why, like look at you, all sexy and piping hot....truth is, aboneli. I'm just thankful to Jesus Lukhanyo isn't that type." Mandy: "how do you do it?" Me: "firstly, I give him what he wants, I make him feel special. At least every second day because he just gets cranky if its longer. Oh and keep him busy at all times." Mandy: "has Lukhanyo ever tried anything?" Me: "yepp he has. But I beat the shit out of him, he never even thinks of trying." Mandy laughed. Mandy: "You? Beat Luks?" Me: "trust me

Mandy....." I had been noticing her behavior when it came to my boo, I was telling her this so she would know.. Me: "when it comes to my husband, I won't dump him for no bitch. I won't train, feed and take care of him for someone to just take him. Anganya umhlaba onameva sisi. I have done it Twice. His ex walks ngaphaya kwendlela xa end'bona she knows not to come near me. I am a crazy wife, and I'm not ashamed mntaka Bawo." Mandy: "but I don't know how to fight." Me: "if you love uAnda. You will Shape him!" Mandy: "uyambona umngakanani lamntu? Ndingam'qala phi?" Me: "khulula ibhanti eli ul'fake mntwin! Uzokothuka sekuk'dala.." Mandy was on the floor laughing. Mandy: "you are so crazy."and don't you ever forget that.

We went to cook an early dinner, lubabalo still hadn't appeared from Donkey's room. After I dished up, I went to knock, Me: "Lubby, the food is ready." Lubb: "coming." Oohhkay...I dished up for Lulu and he ate outside. I took Luhle from Luks and went to put the babies to sleep. Mandy: "so how will we do it?" Me: "asizo needer i-Tender?" Lubb: "why would you need a tender when you got a rich best friend." He walked in. Lubb: "cela ukutya kwam?" Me: "are you spying on me." Lubb: "this is not some type of clubhouse you know? Its my house.." Me: "you are not even my best friend." Lubb: "so uyand'user? Wow, this hurts." He took his plate and walked out. Me: "ungu buddy njena." Lubb: "hay, buzz off Lihle." I laughed...who still says that? Oh my goodness Lubabalo is an idiot va. Mandy: "he's so nice to you." Me: "don't even mind him, he's mean when he likes, but shame after eqibile um'gezela umntu he is sweet and caring." Mandy: "he seems weird....like there's just something about him. Ngathi he'll just snap at any given moment....." I knew that all too well....but I couldn't just share it. Mandy: "ndiyamoyika...." Me: "how do you know ba nguLubby and not uLuks?" Mandy: "well Luks is wearing a vest and has a tattoo, lona is wearing a t-shirt and doesn't seem to have one. Well that's what I picked up when I was introduced to them." Me: "mh.....good memory." Anda walked in. Anda: "I have to be somewhere, I'll come pick you up later." Mandy: "uhm....ok-" I gave her the bitch look. Mandy: "uyaphi" Anda: "heee babes, ndiyabuya." Mandy: "where to?" Anda: "ungak'linge und'buze ikaka ke mna." He kissed her then walked off. Mandy: "yambona ke?" Me: "uyekwa nguwe." I walked to the fridge. Lukhanyo walked in. Luks: "Mrs Me....come here..." He walked to me, regardless. Luks: "me and the guys need to go somewhere ne." Me: "where is that?" Luks: "eBills baby, pha eDwesi." Me: "what time will you be back?" Luks: "midnight. You know." Me: "okay ke love" luks: "so can I go?" Me: "ewe baby....just be careful...." Luks: "I will." He kissed me...then let go. Luks: "bye." He walked out. Mandy: "I see what you mean.." Me: "you're a woman. When you love your man, you will do what it takes." I went to go bath Chuma,

Thulani came with Junior, and he was sitting with him in the play room. He must have really missed his son. Ade ayeke ooLukhanyo bam'shiye...chuma came to join them. Mandy was in her room working. So I let her be. I went to the room to check on Donkey, he was asleep. Then walked to go watch a movie.....

Lukhanyo walked into Bills, with Lubby, Stuja and Siya. Siya: "Ta Luks, yayaz la-awti ik'jongileyo?" Luks: "Phi?" Siya: "on your right....." The guy was wearing shades...a bit light in complexion but not too much. Lubb: "who wears shades inside a bar? Hay shame he needs strong prayer, who wants to join hands?" Luks: "woah woah woah.....Lihle....." He took out his phone and dialed for her. Me: "boo thang...." Luks: "love, describe the guy you saw at the funeral again..." Me: "uhm.....bit light, wore shades. Dodgey coat.....why?" Luks: "nanku lapha." Me: "lukhanyo cel'ubuye..." Luks: "I'll be back...." He hung up and looked for the guy again.....he was gone.

Chapter 316

The guys found a spot to chill and talk, Siya, Mabheka, Chester and Stuja went to do the meat. Lubabalo and Lukhanyo stayed behind with the alcohol. Lubb: "nguban dan lo?" Luks: "andimaz lubby, but if he wanted to harm us, ngesekuk'dala. Its like ikhona into afuna uy'thetha, but aphinde angafuni..." Lubb: "I think he's harmless." Luks: "why?" Lubb: "because, he's older...uzothi esas'leqa, axhozule awe phantsi." Lukhanyo laughed. Luks: "kuthin uku xhozula Lubabalo?" Lubb: "yathand cimba ndiyi moemish wena." Luks: "uyiyo njena." Lubb: "uyephi uAnda?" Luks: "noba uye k'la way yakhe." Lubb: "yoooh, bendizam'tyela aphambane bonanje if bendinga tshatanga. Qha eish." Lukhanyo laughed again. Luks: "awu-obsessed ngumtshato..yoooh..ungaske umcele nje?.." Lubb: "hayi suba muncu lukhanyo." Luks: "awutshatanga lubabalo. You are still free..." Lubb: "uyi-bad influence lukhanyo. Ngathi awutshatanga." Luks: "hay susenza msulwa, ngeloxesha bushiya Vuyo endlin yotyana noLiya." Lubb: "you like to darken my shine ne? Just because I'm married you bringing up my past now?" He was dead serious. Lukhanyo smiled. Luks: "xolo ke fasti wam." Lubb: "ngeloxesha uyand'cheatela." Luks: "sine agreement nje." Mabheka and Chester came back. Lubb: "iphi nyama?" Mabheka: "baza nayo ooStuja." Luks: "well, baphi?" Chester: "abeka qibi." Lubb: "khafownele uAnda, mxelele ba satya ke thina." Luks: "naye mos uyatya." Lubabalo stared at him. Luks: "qibele nin ukutya wena?" Lubb: "lukhanyo get off my case!" Luks: "bendibuza because ingath uxhwebile." The guys laughed. Lubb: "hlelani

nina...ndamaz mna Yesu noba ndim'sendele please call uzand'phendula. Carry on and laugh..." Siya and Stuja came back. They ate the meat.....

Anda and Yonela lay in bed after a session of love-making. Yon: "so binjan min yakho?" Anda: "it was eventful. Yours?" Yon: "yuh baby, ndidikwe ngenyi customer. Yazi uzojikisa ne, but akana slip, so ndithetha kakhle naye mna ba ndicela abuye ne slip. Waske wandinyukela yena ba ugulelwa ngumtana she doesn't have the time for lo up and down. The scene she made babes! Yuuuh." He kept quiet.... Yon: "und'mamele phof?" Anda: "ewe baby....uthi she made a scene?..." Yonela got up and wore his t-shirt. Anda: "nton ngok?" Anda: "xolo baby man, ndistresswa ngumsebenzi." Yon: "k Anda." Anda: "suqumba alok." She carried on cooking without a word. Anda's phone beeped a message. It was Mandy: "miss you..." He replied: "miss you too babes, nd'hlel namajita." Mandy: "ok." Then it rang. Anda: "fuck." He didn't answer. When it stopped he put it on silent and placed it on the dresser face down. He walked to the kitchen. Yon: "almost done." Anda: "yuuuh, ndiyafa fondin I didn't eat all day." Yon: "stop complaining tu." She took out the plates and wiped them. Anda: "andiy'thembi nale nyama yakho." Yon: "nobody forcing you to eat it." She dished up and gave him his plate. He ate immediately. Anda: ayise juicy kamand...ngathi ngenye into endiyaziyo." She blushed and ate her food. Her phone rang. Yon: "hello?" Caller: "hello uphi?" She got up, Anda held her wrist. She: "uhm....ndise ndlin." Caller: "okay...ubusy? I wanted to come over and chill. That's if you don't mind." She: "I kind of am...." Caller: "with what?" She: "wena wenzanton?" Caller: "uhm....I'm.....at home. Uhlel naban Yonela?" Yon: "sophinda sithethe wethu va? You never gave me the chance to tell you-" Anda: "und'xelela nton man!" He pulled on her wrist and she started crying... Yon: "umphethe kab'hlungu Anda....I can't breath nguwe, you order me around and bully me!" Anda: "so uyand'dyolela in other words?" Yon: "he's been here before you, okay! Yonela went to wash the dishes completely ignoring him. She went to shower after she was done, throwing his t-shirt at him. She dressed in her Pajamas. Anda: "so you gonn ignore me now?" Yon: "awufun und'understander mos. I don't know ufuna ndithin Anda." He looked at her...Yonela turned around and walked to bed but he held her wrist to pull her back. Yon: "Anda, Anda Anda!!!! Yon: "awuzaz ba ufuna nt-" He kissed her lips and dragged her to bed....climbing on top of her... Anda: "and'fun uqhelwa bonanje Yonela. Don't talk to me like that." She looked at him, pouting her lips. Anda: "I'll slap that attitude right off your face yeva?" Yon: "qiba ndiyoku bamba uvalelwe ez'seleni ke mna." Anda: "why unje man. You challenge me!" Yon: "I'm not a push over bhuti, ndingowase kasi mna." Anda: "mxm...." He lay next to her....his phone vibrated. Yon: "uya'raid'wer." Anda: "and'sozel ngeloxesha..." Yon: "hay und'ncede ngak'linge uzotipa apha tshi." Anda: "uyeza dan lo wakho? Yuuh andihambe for lo piece." Yon: "awumuncu nje, because akazi ngandawo." Anda got dressed. And took his things. Anda: "I'll call you...." He kissed her and walked out.....

Anda got to Lubby's house. The guys were already home. Anda: "oh fuck. Ndamaz Lubabalo noba und'fry'shile wand'xela ndanya." He breathed and walked in. It was dark. Anda: "why isn't it locked?" He whispered. Lubb: "because people like you are sneaking around like ghosts." Anda got a fright. Anda: "fuck! Lubabalo fethu!" Lubb: "how do you do?" He smiled. Anda: "do you ever sleep?" Lubb: "nope. Uvelaphi?" Anda: "that's none of you business." Lubb: "oh...hay'ke ndim'xelele mna uMandy uye kwenyi cherri yakho. You know? I thought maybe nine agreement. Judging from her anger, I doubt so. Sorry." Anda: "you did WHAT!!!" He choked. Lubb: "hay ubuzile. And I told her. Yinton dan? But in any case she's all good now, we had a little chat and stuff.....that sweet apricot flavored lipgloss....mh mh mh...." Lubabalo winked and walked away singing. Anda: "nx!" Anda walked to the room, and walked in. Switching on the light. Anda: "baby, I can explain." She woke up... "Heyy...you're back. Kunin ndik'khumbula..." Now he was confused. He stood there blankly. Mandy: "why umele kude what's wrong babe?" ...he calmed down, only because of the word "babe", it reassured him. Anda: "uhm...bendik'khumbula nam love." He undressed and went to shower then came to bed. She snuggled under his arm. Mandy: "lubabalo told me uhambe nooMabheka. That's why bungeka fiki..." Anda: "oh he did..??" Mandy: "yeah..." She started kissing his body. Anda: "babes, I don't remember you buying apricot flavored lipgloss...." Mandy: "that's because I didn't. Why uzobuza lonto? Its so random." Anda: "erh....because I wanted to buy it for you....inuka kamand...." She

smiled. "Oh really?" Getting on top of him, kissing his neck. Anda: "eish sthandwa sam....its been a long day yaz...." Mandy: "oh...." She got off and lay next to him. Mandy: "in between chilling here all day and having fun with your friends tonight, khand'balisele yinton le ik'dinise kangaka." Anda: "khalale wethu. Libele ungxola ebsuku." He took his phone to check messages and facebook. An inbox came through: "Hey." He got those a lot. But he was bored now, so he replied: "Hi." He checked her pro pic. Not bad, he thought....qha ngath yila type izond'fostela ndiye cawen le. He laughed at himself. Mandy: "apparently the phone is more entertaining than me." Message: "you have a nice body, been stalking your albums....by the way I'm Vuyo." He replied: "well, your name is visible. And I'm sure yal'bona nelam." She: "oh....my bad. You busy?" Him: "not really...." She: "oh...." Him: "bbm pin?" She sent it and he invited her. Anda: "so uVuyo ngowaphi?" Vuyo: "from East London, but I'm moving to P.E." Anda: "really? When?" Vuyo: "I'm already here, just waiting for the rest of my stuff." Anda: "oh. Where you staying?" Vuyo: "I have a flat in Central. You?" Anda: "who you live with?" Vuyo: "you didn't answer me." Anda: "that's irrelevant." Vuyo: "I'm with a friend and her son." Anda: "mh.....okay. So mna ndingak'bona nin?" Mandy woke up. Mandy: "please use your touch screen, them damn buttons are getting on my nerves! I have a meeting tomorrow, I need this sleep." He carried on. Mandy grabbed the phone and threw it across the room. Mandy: "sundenza ndiphume smilweni Anda!" Anda: "what the hell are you talking about?" Mandy: "awunazo nentlon uncokola nenkazana pham'kwam! If you want to be for the world, suka ke kum." Anda: "ngok phone yam uy'lahlele nton yona?" He asked calmly... Mandy: "MXM!" She pulled the blankets and slept. Anda: "awusena tricks nje." He got up and went to fetch the phone but used the touch screen instead. Vuyo: "I start work Monday, so tomorrow? Sunday session kwa Gqalane?" Anda: "see you there." He locked his phone and slept.

Lukhanyo was in the kitchen with Lubby. Lubb: "khenze alok mini me iqanda, eliya li-fancy." Luks: "ngeliphi elo?" Lubb: "andise lambe Lukhanyo man. Khayeke udlala." Lukhanyo made him an omelet. Luks: "eli?" Lubb: "does it have the vegetables with?" Luks: "do you want the vegetables?" Lubb: "yes ma'am." Lukhanyo fried the onion and the peppers. And some bacon. Then gave it to Lubabalo. Lubb: "may Jesus, the son of God, our father, Savior and leader bless your soul. The way I'm so hungry." Still he stood and bent his head. Lubb: "Dear God, I thank you for sticking with us in the toughest of times, thank you for protecting us, and our wonderful family. I ask that you bless Lukhanyo's soul for making me food, because Jesus I know on any other day, he would never have even thought of it. And Lord, please cleanse Anda, for being an idiot and focus on that girl. Sometimes we need a bit of light, but its clear he

needs a generator, the way he's so in the dark.. Anyway my point is, thank you for this meal Amen." Luks: "hahaa....yuuuh, besekuk'dala." Lubabalo ate his meal and thanked him again. Anda walked into the kitchen already dressed. Anda: "why lubabalo?" Lubb: "why what?" Anda: "bufuna ndi'confesse kuMandy? Why did you lie to me?!" Lubb: "I'm in a spiritual mood today. My faith is flying high, angels are singing around me, I don't need this type of negativity." Anda: "luba-" Lubb: "shhhhh,, did you hear that?" Anda: "what?" Lubb: "the beautiful melody of you keeping quiet." Lubabalo walked to his room. Anda: "WHY, does he hate me!" Luks: "haha, mxm, lubabalo doesn't hate you. If he did, you wouldn't be in his house, or in P.E. Or alive for that matter." Anda: "nx....anyways, me and the guys are going to Kwa Gqalane for a a drink, this afternoon. You game?" Luks: "sure thing." Anda: "just you and stuja noSiya, Lubby zand'jongisa ngabantu." Lubb: "my twin goes nowhere without me potato arms." He walked back in. Lubb: "I promise I'll behave. Uzond'phathela nton?" Anda: "I'll see you this afternoon." He walked out to fetch his bag and Mandy to go home. Lubb: "he doesn't like me much does he." Luks: "ARG come on! Kuthen niqoshelene na nina!" He went to go shower. Me: "uyaphi ke namhlanje?" He gave me that puppy dog look. Me: "hay ke asizovana." Luks: "but mos baby...uAnda-" Me: "anda this, anda that! Hay lukhanyo! You are a husband. A father. Anda, akangomnyeni, he can do as he please. He's not a father either!" Luks: "its just for a few hours babes." Me: "a few hours MY ASS lukhanyo awuyi ndawo! Tshi, if bindim oyenza lento bungazoy'thanda! Hay fok man!" I walked to the bathroom to go bath. Lubabalo walked in the bedroom. Lubb: "whatsup?" Luks: "she says I can't go." Lubb: "oh shame. Hayke, I'll see you when I'm back." He walked out. Luks: "sund'shiya.." He whispered. Taking his car keys and wallet. He tip toed out the bedroom, leaving the phone on purpose. He closed the door and walked swiftly to his car, started and quickly drove off. Lubabalo led the way, they went to have some breakfast at a small cafe. Chatting. Everybody stared at them when they passed. Lubb: "hay noba sibabi." Luks: "speak for yourself, I know I'm swaggin' today." Lubb: "oh?" He looked at him sarcastically. Lubby was wearing navy chino's and a light blue shirt, rolled up. Lukhanyo with maroon chino's and soft pink shirt, rolled up to his elbows. They both wore their black leather gloves and shades. Hours later near 14:00pm. They left for eKasi. As soon as they arrived, eyes stared at them. Lubabalo walked in first, talking to Siya. Lukhanyo walked slower, obviously scouting the environment. He got to the table and looked across it. She stared at him, he almost got a fright. She smiled, he shook his head and sat down. Lubb: "don't you even dare." Luks: "mxm." Lubb called Liya. Lubb: "baby, mna ndiyakukhumbula bonanje. Uphi." Liya: "ndisekhaya." Lubb: "can I come fetch you?" Liya: "can you greet me properly first?"

Lubb: "okay, hello Mrs Lubby, how are you?" Liya: "I'm fine thanks baby, and you?"
Lubb: "I'm good, can I come now?" Liya: "yes, you can." He got up and walked to his car then drove to her place. He only came back 30 minutes later with Liya, in pretty jeans and a figure hugging shirt. She wore blue Vans. Lubb: "awuse cute nje..." She: "nyan? Enkosi baby..." She stood on her toes to kiss his cheek. Lubb: "lonto u-short maan." Liya: "say "umfutshane" babes." Lubb: "aska, ungu kortez qha. Noba uballoon funek uy'bopheleli kwi waist yakho, otherwise zobhabha nayo." Liya: "awumuncu Lubabalo, that doesn't even make sense." They sat down. Luks: "hey." Liya: "hello bhuti, uryt?" Luks: "I'm good, nqabile qha." Liya: "hay ndikhona bhuti." She looked back at Lubabalo. Liya: "where did you disappear to these last few days?" Lubb: "work stuff babe..." Liya: "work stuff is all you got?" Lubb: "khayeke wethu love, sooo....uthin umama?" Liya: "I managed to convince her....so siya nin kwi end of year getaway yethu?" Lubb: "we can book the tickets now." He went to go fetch his iPad and switched it on, he went online.....her head rested on his shoulder, he kissed her forehead. Lubb: "I missed you mfaz wam bonanje...." He tested the waters.... Liya: "don't lie babe, if you missed me, you'd call." Lubb: "excuse you, why didn't you call?" Liya: "nigga, drop your attitude and check your voicemails!" Lubb: "xolo ke baby. Look, this one for this thursday. That okay?" Liya: "its okay boo." He booked two tickets and went on another site to check for hotels. Lubb: "I like this one. Demi recommended it." Liya: "Four seasons Hotel.....click on the picture...." He clicked. Liya: "it looks so nice.....wow." Lubb: "okay, so that's sorted. We're going shopping tomorrow ne, winter alok kwela cala. Or should we shop when we get there?" Liya: "whichever works for you..." Lubb: "we'll just do both wethu." He kissed her cheek. Lubb: "anything for my princess." Liya: "anything?" Anda walked in. Lubabalo looked up. Ana was holding Vuyo's hand while walking in. She froze. Anda: "yinton ngok?" Lubb: "YOH! Yal'thanda ikhwapha sisi, ndiyakuvuma!" Luks: "andaz noba nguyey okanye yena liyam'leqa." Lubb: "ukhubone mini me. Mk mk mk mk mk...." Chapter 317

Lubabalo's phone rang. "Mrs Luks?" Lukhanyo got a fright. Shaking his head, signaling that he wasn't around. Lubb: "uhm....hay mna and'maz uyephi Linkie bear. I'm chilling with uLiya." Silence.... Lubb: "haibo. But kuthen uzothukisela mna kengok?.....xolo kaloku." He sulked. Lubb: "okay ke." He hung up. Lubb: "lukhanyo, ndoda, please go home before your wife shoots us dead." Luks: "masambe alok." Lubb: "iza wifey." They got up. Luks: "majita....we'll check you later." Lubb: "sharp'in. Bye bye wethu Lady." Vuyo: "bye lubabalo." They got into their cars. Lubb with Liya. Luks in his own, they drove home. As soon as they got there Lukhanyo walked in first and went straight to the bedroom. Lubabalo drove Liya home. I was sitting in the lounge. I got up and followed him. Me: "so you decide for ba mawund'bhanxe lukhanyo? Mna mandibesi sdenge sakho!" He kept quiet. Me: "lukhanyo!" He rubbed his eye and looked at me lazily. He was drunk. I swear I wanted to beat him. But instead a tear fell down my cheek. It really hurt... Me: "you choose your friends and alcohol over mna nabantwana bakho lukhanyo?" He sat on the bed and lay down. Luks: "kushushu yazi." I just walked out. Like I can't even do this right now. I hate running to my mother whenever I fight with him. Bengathi ndingumtana ngok ndiyoxela. So I'll just have to suck it up. I tried my best to control myself. I went to Luthandoluhle. Sylvia was trying to put them to sleep. I took Lutha, since he was still awake. Lulle was dozing off. I walked to the quiet movie lounge with my son and switched it on. I put an episode of Spongebob Squarepants. I needed that positive energy he always had. Noba phoxwa kangaka nani na ngu Squidward, he still forgives him. Umthanda ukufa uSquidy wakhe sana ngok engahoywanga okok'qala. Lutha played with my lower lip, pulling on it and flicking it. Me: "ndik'lay'tel icartoons wena udlala ngam." He groaned.... Me: "ayo cheek mntaka Bawo." He pulled my mouth, opening his. Me: "mwwah." I kissed him and he giggled. I turned him around placing him on my lap and we watched the screen while he was sucking on my finger. I was getting dizzy....so I lowered my chair and rested. Lutha was falling asleep. I put him on my chest on his stomach. I was a bit sleepy too. I wonder uy'qibile Lukhanyo lanto bey'yenza endlin...and when are we going home. Lutha started snoring. Just before I drifted off, ndava umoya womntu come into the

movie lounge. He sat next to me. It was Lubabalo, I could smell him. Lubb: "hey." Me: "hey." Lubb: "what you doing?" Me: "chilling." Lubb: "uph uLukhanyo." I shrugged. He took Lutha and walked out then came back with a tub of ice cream. Me: "living with you is gonna make me fat." Lubb: "I prefer that rather than ubhitye. Angathin umamakho." I took the spoon and ate. Lubb: "khafake something dramatic wethu." I switched on a series. Lubb: "what's this?" Me: "its a series, called Touch. Very extraordinary. You'll love it." We watched the first episode in silence. Lubb: "wanna share it?" Me: "share what?" Lubb: "whatever is bothering you." Me: "I don't know hey...." Lubb: "you don't know what?" Me: "I think he's.....got something on the side...." Lubb: "cheating? Don't be ridiculous. Lukhanyo is forever with me if he's not with you. So yes, he's cheating on you. With me." I smiled at him. Me: "trying to make me feel better?" Lubb: "is it working?" Me: "no, its not. I'm always alone lubabalo, like he runs around the city with friends, I can't even go to the shop without being cross questioned or stalked. I hardly have friends, all I have is the babies. All day everyday. He's not even present anymore, ubuye enxilile...I try to talk to him, avume but enze the opposite. He doesn't listen to me anymore. Am I a nagging wife?" Lubb: "yes. My advice is. Find a hobby. You'll see how quickly he'll be back because akasa hoy'wanga. He'll get anxious and irritable." He tickled me and I laughed. Me: "ndenze ntoni though?" Lubb: "your little business with Mandy." Oh yes, true. I got up. Me: "thanks.." Lubb: "pleasure." A slow smile crept up on his face. I turned and walked out. I got to the room and packed our things. I'm leaving tomorrow morning. Lukhanyo can stay all he wants. I took my laptop and started researching for what I may need to start up the business. I texted Lubb: "you gonna help.?" Lubb: "if you want me to." Even so....I'm still going to go for least expensive, to save money. Lubb: "just send me a quote of how much err'thin costs when you done. I'll take care of it." Me: "thanks." I was determined to work through the night, I was getting excited. Lukhanyo was asleep, still with his clothes on, next to me. I carried on.

It was after 5am when I dozed off, after saving my research. Lukhanyo woke up at 7am and took the laptop. He tried looking at what I was doing but there was a lock code. And it wasn't Luthandoluhle. I wasn't thaat predictable. He couldn't open it so he ended waking me up. Him: "lihle!" Me: "no." Luks: "uthi no nton, gavuke fondin ithin le password?" He shook me. I just got up and went to shower, then brushed my teeth. Luks: "so awuzond'phendula?" I went to Chuma's room, Lubabalo just finished bathing him, he was dressing. Lubb: "I'll take him" he smiled. I went to the babies and fed them, then bathed them. Lukhanyo walked in. Luks: "lihle, yinton ngok fondin?" Me: "khaqal uyovasa qala." I walked to the kitchen and made breakfast, taking some

to donkey. Lubabalo stopped me and took the plate. Uwoah, I didn't even question him. Turned to dish up for Lulu. We ate and he finished before me. Thulani and Junior appeared. Thulz wearing a smart creme suit, white shirt and red tie, with maroon shoes. Honestly? Me: "you look like strawberries and whip cream." Thulz: "but cute though?" Me: "I guess." Chuma and junior ate their breakfast. Lubb: "I'm taking them." Thulz: "oh thanks, I need to get to an early meeting." He picked Junior up. Thulz: "boy, I don't want to be called out of work again because you're being naughty at school. Stop hitting other children junior! Okay?" Junior: "but da-" Thulz: "NO!" He said in a firm voice. Thulz: "don't. Or else mna self I will hit you, won't put you in no stupid time out corner. Ndak'betha kwedin! Enjoy your day, daddy loves you va." He kissed his cheek. Then put him down. Thulz: "ndimnkile..." He took his work bag and left. I made the kids lunch, Lubb left with them. Lukhanyo came back out after his shower. Wearing jeans no shirt. I went to fetch my laptop, unlocked and carried on working. I had a business plan to finish. For uumntu ogezayo onemali ongu Lubabalo, it had to be on point. Luks: "lihle. " Me: "your food is on the counter." He went to fetch his food, then went to get dressed. He took our bags and put them by the door. Oh siyahamba ngok? Xakuthande yena. Luks: "cela sihambe lihle, please fetch the babies." Me: "khabe uhamba, I'll follow, I'm waiting for Lubabalo to approve this." He was shocked. Luks: "lubabalo? Yinton leyo?" I kept quiet. Just then Lubb entered. Lubb: "how far are you." Me: "almost done." He sat next to me but fiddled with his phone. I finalized it and saved it. Me: "there. Done. Wait....lemm-" Lubb: "nope. Sapha ngok injalo I'll point out the mistakes my self." Me: "ha.a zand'hleka wena." Lubb: "its a start, some didn't even get this far. Sapha." He pulled the laptop, I let go. He clicked at the beginning and started reading carefully. I got up, he held my arm and pulled me back down. Still reading. Lubb: "okay..." He commented. I was nervous, it seemed like he was a lecturer assessing my assignment. Luks: "hehake." He turned and walked to the bedroom. After Lubabalo had finished. He gave me back the laptop and walked to his cellar. Coming back with a bottle and a glass with ice rocks. Lubb: "you deserve a Bells. I'll fund you." I smiled and giggled excitedly then got up to hug him. Me: "thank you!" He poured the alcohol, just a shot, Lubb: "ina." I drank it. Lubb: "call Mandy. And start preparing. Find clients, advertise. I'll help you with Radio." Me: "and what are you gaining out of this." Lubb: "nothing. Just a happy, stressed-less Lihle." Me: "20%." Lubb: "no.....andifuni. Yinike Lukhanyo lo 20%." Me: "okay. We'll talk later." I took my things and packed them in the car. Lukhanyo came out with the babies and buckled them. I said goodbye to Lubabalo and we left. Lukhanyo was acting up again. I was in a feel good mood.

Mandy was off from work today. Mandy: "boo, cela number ka Lihle." Anda: "and'soze ndibe nayo kalok mna nangolos'ngaphi. I only have ey'ka Lukhanyo." Mandy: "irynt nayo, I'll just tell him to call it out." Anda gave her the phone. She scrolled looking for "Lukhanyo" or even "Luks" it wasn't there. Mandy: "ayikho apha." Anda: "Ta luks." She found it and dialed. Luks: "sho fethu." Mandy: "hey its me, Mandy." Luks: "oh.....Hey you, unjan?" Mandy: "I'm okay thanks, you're driving?" Luks: "yep....why?" Mandy: "I need Lihle's number." Luks: "I'll send it just now." Mandy: "thanks." They hung up. Anda was in the front yard chatting to Mabheka. Mandy went on his BBM and found a "Vuyo-llicious ❤️<3 😊:D" mandy: "What the fuck?" She clicked on her display pic, and saw a pic of her and Anda. All cuddled up. She read the messages. Her hands started shaking, and she went to the next contact. "Lady-Yon's_The BaaBe." Her display pic was herself. Mandy: "okay....." She read the texts.... Mandy: "bengayanga ku Mabheka ngandawo. Why did Lubabalo lie to me? Or did he lie to him yena qala?" She put the phone down and went to the bedroom. She took his bag and packed his clothing. Toiletries shoes. Everything. With tears in her eyes. She came back and took his phone to transfer, Lihle's number. Then deleted it. Anda walked in and saw the bag. Anda: "and then siyaphi ngok babe? Another business trip?" Mandy: "nguban uVuyolicious anda? ULady Yons?" Anda: "you were going through my phone?" Mandy: "thatha konke okwakho ufokofe kwam." Anda: "baby I can explain..." Mandy: "then Explain!" Anda: "uYonela into yam naye was just for sex....you forever walking around naked pham'kwam, but you won't let me touch you. Anda: "what happened when the time he fell egymin, you literally ran to help." Mandy: "you literally Forget that I'm a fitness trainer and its my fucking duty! I can't sit and watch, like You! Hlel nje its work work work!" Mandy: "take yourshit and leave my house. Uye ke ku Vuyo, where its gonna be play, play, play. And'na kuku ezoba ngu nodoli wakho mna, GO." Anda: "baby I am sorry....." Mandy: "leave Anda." Anda: "ndak'cela Mandy, please don't do this." Mandy: "Anda, I want you gone. By the time I get back!" She left the house.... Anda: "Fucckk!!!!!" He dialed Ta Lubb, mistakenly, thinking its Ta Luks. He answered. Anda: "Ta Luks fethu, ndenze flop! Like Mandy found out and she threw me out, nd'celu thethe naye bhuti....pleeaasse....." Lubb: "hahahahaaaa.....yuuuuuh! It was about time." Anda checked his phone. Anda: "yeyes!" He hung up....the phone rang again. Anda: "if you wanna gloat and say I told

At least you'd have tried, u-cleane nje wena apho, uqoqoshe, kuube nice, buy her some flowers, sing for her....if she doesn't forgive you still. Then you know you've fucked up big time, and she doesn't love you anymore." Anda: "mxm...." Lubb: "its yours if you want it." He hung up. He went on BBM to end it once and for all. He texted Vuyo: "not interested in relationship or anything else. I'm sorry." She replied: "hayibo? Is it because of lubabalo? He's just like that, he abused me and put me down, nangok unomona ndithandwa ngomnye umntu, we can put him out of our picture once and for all." Anda: "hayi njan? This is not about him. And I don't love you mna sisi. What gave you that impression?" She: "the way we were last night, that can't be an act, please don't let lakaka yomntu get in our way." Anda: "don't ever contact me again." He deleted her. He went on to the hardest. Anda: "I think we should break up." Yon's: "me too. Sipho just asked me to marry him." Anda was shocked but didn't care nonetheless. Anda: "congrats" he deleted her. Lubabalo's advice lingered in his head.....he googled a simple recipe and started cooking. 2 hours later, a car pulled in. Mandy came inside the house. It was spotless clean. She hid her proud smile and walked to the kitchen. Mandy: "I told you to leave." He was dishing up. Wearing an apron with no shirt on and jeans. Anda: "just thought I'd do this before I go. Please sit and hear me out." She went to sit on the couch, he took her work bag, and took off her shoes. He kneeled in front of her and massaged her feet. Anda: "you've been working too hard, for me, and I haven't seen or appreciated it....ndicelu xolo Mandy. I really am sorry. I will keep saying the same thing oko....noba awusandifun." Mandy: "khenze neqatha alok." He rubbed her ankles.... Anda: "cela und'xolele baby? Please? I removed them from my life...as a matter of fact I'm throwing that stupid blackberry away noba ndithenge iroll on ingenawo nalo facebook." Mandy: "something is burning." Anda: "shit." He ran to the kitchen and switched off the stove luckily nothing was on. He washed his hands. And took her plate and his. They sat down to eat. Everything was just a bit watery. The meat was okayish. She ate a spoonful. Anda: "how about pizza?" Mandy: "please!" He threw the food away while she ordered pizza. They sat and spoke In the meanwhile. His phone rang. It was Vuyo. He answered and put it on loudspeaker. Vuyo: "Anda, we can work this out..you can't just let go olohlobo. I know you like me. Yinton ngok ingxaki." Anda: "fondin ndinomfazi mna. Please leave me alone." Vuyo: "unomfazi omnyaphi anda?" Mandy: "sisi, khayeke uz'hlisela kwi ndoda engeyiyo eyakho. He said akakufuni. Collect your self respect and carry on with life. Cima le phone anda." He hung up. Anda couldn't look at her....

Mandy: "I haven't forgiven you. But I love you, ayizotshintsha lonto. If ukhe wazama nje, wenza into engathi. I will show you the bitch in me. Siyavana? Ndikhuliswa with morals mna ekhaya, nembheko, and 'zolwela ndoda ilihule. My mother raised me by herself, and left my father without a single fight, because she is a lady. Uyandiva Anda?" Anda: "ewe baby." Mandy: "we're not going to have this fight again." Anda: "I don't deserve you yaz." Mandy: "damn right you don't!" Anda: "enkosi Mandy. For real, just thank you for being there for me." The pizza arrived, he paid and they ate. Mandy: "breaking the rules." Anda: "just once." He kissed her cheek. Mandy was debating with herself whether to tell him or not. They watched tv. While she texted Lihle. She lay on Anda's chest and for once he wasn't fidgeting with his phone. It lay there helplessly. Mandy: "so mna noLihle we starting a business. Catering and organizing events." Anda: "that's nice babe...uzoba nalo xesha though.?" Mandy: "well she'll be heads on, I'm just in the background." Anda: "oh ok then."after a very long pause. Mandy: "I lied." Anda: "uxoke nganton?" He asked calmly. Mandy: "I didn't have a period. I just didn't want to have sex." Anda: "I know." Mandy: "how?" Anda: "not even once have you 'checked or changed' yourself, I've lived with you for quite a while now.....I know you." Mandy: "oh. But ke most probably iyeza."that's 2 months in a row...he thought but didn't ask. Just smiled to himself.

Luks: "Lihle! Why you ignoring me!" Me: "I'm not." I clicked on my laptop, I was actually really busy trying to create a logo. Luks: "you've been on that laptop all fucking day!" Me: "do you know any printing companies?" He roared in frustration then walked off. He looked so cute, throwing a temper tantrum. He came back huffing and puffing. Luks: "uzopheka nin Lihle!" Me: "ukhona nje, If you hungry.....microwave yourself something." He growled and stomped off. He came back. Luks: "umntana zolandwa nguban eskolweni! Ul'bonile ixesha lihle!" Me: "lubabalo..." He turned and walked to the bedroom sulking. Hayi shem pethuna. I finished up and walked to him. He was on the bed frowning at his phone. Me: "pumpkin." Luks: "lihle why ungand'thandi namhlanje?" I giggled. Me: "ndiyak'thanda baby like any other day, and more each second." Luks: "but awund'hoyi. Why ungand'hoyi nje" Me: "because I'm busy boo. Come let me show you." I show him what I had come up with. Luks: "its cute." Me: "honestly?" Luks: "nyan babes, intle." Me: "I'm not sure of the name ke, so I'm meeting up with Mandy tomorrow, we'll discuss." There was a knock on the door. Probably Lubb. Lukhanyo got up and walked to the front. He opened. Nobody was there. He closed it and locked it. Me: "nguban?" Luks: "no one, but I swear I heard a knock." Me: "me too.....bring the babies." He wheeled their cots in our bedroom. Me: "khame ndiyopheka babe." Luks: "cela spaghetti baby." I made him spaghetti bolognaise.. After

I was done Lubabalo came in with Chuma. Lubb: "so?" Me: "check my laptop." He went to the laptop and unlocked it. Luks: "oh so he knows and I don't?" Me: "lubabalo is freaky as fuck, zange ndim'nike password mna." Lubb: "its your name in digits muncwana." Lukhanyo pushed him. I dished up and we ate. My phone rang. I ran to the bedroom to pick up. Me: "hello?" Caller: "Lihle....." A hoarse, dark voice. Me: "who is this?" Lukhanyo came in. Luks: "nguban?" Me: "hello?" Caller: "Lihle....." It sent chills down my spine. He hung up. I dropped the phone. Sies man! I felt like a ghost just whispered in my ear. Lukhanyo held me in his arms. Luks: "don't worry babes. He won't make a day ndingam'fumenanga."

Chapter 318

Mandy woke Up in the middle of the night feeling nauseas. Her stomach churned. She got up and went to the bathroom, throwing up in the sink. She rinsed her mouth and walked to bed. Her head was dizzy. She got in and covered herself. Anda pulled her closer to him. Anda: "you okay?" Mandy: "ewe tshi, you tried to kill me with that food." Anda: "hay suka tshi." She cuddled in his arms and fell asleep. Hours later her alarm woke her up. Anda: "uzokwaz uphangela love?" Mandy: "no, ndiphethwe sisusu. My period is probably coming." Anda: "yeah. Probably." He smiled. Mandy: "uncuma nto Anda?" Anda: "hay boo, akhonto wena. You'll be okay. Can I get you anything?" Mandy: "iza ne hot water bottle babe, the cramps aren't as bad. But cela head ache pills. And dry toast." Anda: "okay." He got up and made her toast, her water bottle and brought he pills to her with mango juice. She drank the pills and ate her toast. Anda: "I'm going to the gym, are you going to need anything?" Mandy: "cela und'phathele a sweet chilli Twister leya kwa KFC." Anda: "uhm.....okay." Mandy: "tennis biscuits and some juice." Anda: "okay ke baby." He took his work out clothes and left for the gym. Mandy went to the toilet and sat on the seat...she couldn't feel her legs. Her body was weak, she wiped and flushed then showered. She got dressed and went back to bed. Calling her boss telling him she was sick. Then fell asleep. Anda came back 3 hours later. With the twister, biscuits, juice and some sweets. Anda: "BABEE!" He yelled. She groaned and covered herself. Anda: "vuka love alok." She pretended she was asleep so he just went to take a shower then came to lay next to her. Anda: "mntu wam....khavuke tu. You haven't eaten since I left." Mandy got up and ate the twister. She drank her juice. Anda: "sthandwa sam." Mandy: "mh?" She said with a mouthful.... Anda: "you're pregnant." She swallowed. Mandy: "I'm gonna

choke on this food. Stop playing with me." Anda: "please take a test?" Mandy: "anda, and'kho mithi mna. I'm taking no test. I'm just naturally sick." He knew she was stubborn and really wouldn't do it. So he let it go.....

I woke up in a cloudy mood. I brushed my teeth and showered. Lukhanyo and Lubabalo just came back from the gym. I got dressed and went to the kitchen, Luks was with Luhle, Lubb with Lutha. They were all concentrating on the television instead. Luks and Lubb had little bowls in their hands, the babies on their laps. Their mouths slightly open. I made breakfast. Thulani walked in the kitchen. When did he get here? Me: "hey." Thulz: "hey." He said in a weak voice. Me: "what's wrong.?" Thulz: "namhla's phone been off since I don't know when. Ndim'qibele efika eAirport. That's it. She never called until she got home. Then kange aphinde. Her phones been off." Me: "eish, yazi...I don't know ke but I think her parents might have taken her phone or something." Thulz: "please can you try and get hold of her for me. Ndak'cela Lihle. I feel like I'm dying.....and'na mdlala wento yonke fethu..." He was shaking and near tears....hay shame man... He walked to the lounge and flopped on the couch, sulking. I dialed uncle's number, I knew he was fucked up strict but at least he was reasonable, better than the mother. He was my uncle, and ke he didn't get along with my mom, but he spoke just fine with me. He answered on the 3rd ring. Him: "HALLOW???" I wanted to laugh but controlled myself. Me: "molo Malume, ndim uLihle." Him: "tshin, molo mamngwevu unjan?" Me: "ndiyaphila malume. Ukhona uNamhla?" Him: "ewe ukhona mntanam. Ei...kuse nzinyana apha endlin." I knew I had to sit down and listen. You see, my uncle likes chatting especially with me, andaz noba uqhathwa yi-maturity yam na. But he tells me everything. So I went to the bedroom. Me: "ewe malume?" Him: "alok umama ka Namhla ublamer mna kuba andikho xesha el'ninzi aphe ndlin yilento nje izinto ziphalala.. I'm sure Namhla uk'xelele ba siya-divorcer....so ubuya koNamhla umthathele phone nezinye izinto. Yazi ind'visa bhlungu ke mna lonto.....mos uNamhla ngumntana. Of course uzoba ne stage, naye mos waye fikile kuso. Uske aqhwashuluze mntaka Bawo. Athuk'sele kwanto enom'sila nongenawo. And'theth qith ke mna, ndimyek atabalaze pha kude. Zekhe asondele net apha kum. Ndiyom'shova nge nqindi elideki." I laughed out loud. Me: "yooh, ndakwaz ke wena Malume. Ei...kuzolunga wethu yazi...honestly, God has a plan for all of this." Him: "ewe ne? Ebenjani uNamhla apho kuwe?" Me: "yoh, she's been a blessing malume, you have no idea. The way endim'khumbula ngayo...ungakwaz umnika iphone?" Him: "okay bamba....." I heard him get up. "Und'jonga nto Nomathamsanqa?" He growled. They'd always been like this. He was just one of those guys baphoxa oko. She replied: "uyand'sitha e'tvin Jongizembe!" I laughed silently. Him: "heh! Uyand'qhela bonanje nd'khe ndik'jongise elizembe

lik'thuk'thezelayo." A door opened and closed. Him: "ntomb'yam. Ina." Namhla took the phone, her father walked out. I went to the lounge. Me: "hey babe..." Namhla: "hey mntase. Unjan?" Me: "I'm okay, wena?" Namhla: "I'm cool hey." I pulled Thulani aside and gave him the phone. Thulz: "hello?" Namhla: "hey!!" Thulz: "oh thank God you're okay! You had me worried Namhla! Why uthule? What happened to your phone? Uphi? Are you coming back?" Namhla: "baby, I'm okay, my mother took my phone. I miss you so much Thulani." Thulz: "I miss you too Namhla." He walked outside and sat on the grass. Thulz: "I can't breath baby...I'm suffocating without you apha." Namhla: "I know....and I wish I could change all this, but I can't...." Thulz: "ndenze nton Namhla? Tell me what you want me to do. Ingathi ndiyafa apha, I need you back here!" Tears fell down his eyes... When he heard Namhla start crying. Thulz: "baby, cela ungakhali tu....you're breaking my heart." Namhla: "I.....I can't Thulani." Thulz: "Namhla please...." He begged. She hung up. He buried his face in his face....I couldn't watch this happen. It was so sad. I walked outside to him. Me: "iya kuye." I gave him the directions to where she was. He got up and went to his car, driving off.....

Lukhanyo and Lubby went to shower after putting the babies to sleep. They got dressed and came to the lounge. Luks: "uyephi uThulani?" Me: "I think he's going to durban." Luks: "mhh....and he didn't ask me to come with?" Me: "he went to fetch his girlfriend." Lubb: "siqala phi?" Luks: "kuTa smig. Baby, siyokhangela lomntu. I'm not resting till I find him." Me: "subamuncu lukhanyo. Lomntu ufika qho xa ungekho around. One of you has to be around." Lubb: "no, sohamba soy2. Bengathi asikho, we'll go fetch Benz yam pha endlin. Sibuye size apha but singangeni....when he comes near the house we'll bust him." Luks: "nyan'sile Lubby. Let's get going. Tixa Mrs Me." He kissed me and they walked out. I locked the front door. I sat in the lounge. I switched on the dvd player just to play some jams. Putting on Lubabalo's favorite album. Akamthandi bethuna uDrake yoh. Forever being quoted. Lukhanyo preferred ASAP Rocky and Kendrick. I played the track "From Time" by Drake and Jhene Aiko. "I love me, I love me enough for the both of us. That's why You trust me, I know you been through more than most of us. So what are you? What are you, what are you soo afraid of? Darling you.....give but you cannot take love....." It was a nice song....Lukhanyo needs to hear this.....the songs were okay...but ke mos Drake hlal'nje yakhala kwez'ngoma zakhe 🥰:v ..half the album finished I played "Connect" my favorite, I cleaned the house in the meanwhile. As I was dusting the table, a shadow appeared over me, by the back door. Sweat dripped over me. I was shaking all over. I swallowed hard....the song carried on playing "I'm on my motherfuckin way, swangin'..." I thought of Lukhanyo. My phone was far from me. I turned around and

saw a man standing by the door. Leaning on the frame. My heart beat increased. I felt like it was about to jump out my throat. Me: "ufuna ntoni!" I asked in a shaky voice. Him: "relax. If I wanted to hurt you. I would've done that months ago." Months? He's been stalking me for months? I ran to the bedroom and locked myself in with the babies. A car pulled up. Luks: "lihle!" I was still shaking. Lukhanyo knocked in the room. I opened. Luks: "kuthen kengok uz'tixele roomin?" Me: "he was here....." Luks: "how the FUCK!!!!" He roared in anger. Luks: "uthen kuwe?" Me: "he said if he wanted to hurt me, he would've done it months ago." Luks: "yazi....." He paced around the room. Luks: "people just enjoy provoking me, bandiqala ndiz'hlelele!" The music was still playing in the background. "Worst behavior" Lubabalo was dancing in the lounge. "Always hated the boy, but now the boy is the man motherfucker I done grewed up!" He sang. Luks: "lubabalo maan!" He yelled. Lubb: "yoh." He switched it off at once. Luks: "biza amajita...akulalwa namhlanje. Akazohlala kab'hlungu mfaz wam alok. Kaka yonke leyo! I will burn this whole fucking city if I have to. Find HIM!!!!!"

Chapter 319

Lubb: "uhhm.....can I object?" Luks: "iyawa yinton lubabalo?" Lubb: "we don't even know who we looking for and where. Or what he looks like. Sizom'fumana phi kanye kanye?" Luks: "uzoz'veza." Lubb: "uhm. Okay. But the problem is, I made plans with the babe. So I can't come play with you.." Lukhanyo shot him a death stare. Me: "lubabalo do what you have to do mtshana. Baby will sort this out." Lubb: "if you need me though just call me yeah?" Me: "will do." He walked out dancing to his car and drove off. Luks: "you just had to." Me: "boo. This is our fight, lubabalo Is his own man now, especially kukho umntu in his life, naye he wants to be like you. A wife and family, kam'phe ichance omnye." He sat on the couch. I went to the babies and took each one. I changed their diapers and went to the lounge, laying them next to their frustrated father. I went to fetch their food and fed them. Luks: "baby, tell me what this guy looks like." Me: " His complexion is abit lighter than mna kodwa. Nangok he was wearing shades, and'yaz ndizothi unjan man. Because he doesn't Seem ugly. Maybe..... " Luks: "maybe what!" He growled. Me: "ayingo bra Zakes?" Luks: "Bra Zakes yafana nam, I'd know if it was him." Me: "don't you have another uncle?" Luks: "no. Wena? Where are your uncles?" Me: "malume uJongizembe ngutata ka Namhla, use Durban, I spoke to him ksasa. And then uMalume uThobela use King and ke sana

umnyama yena yi Paarl Perle." Luks: "dad?" Me: "never met him. Mama doesn't talk much ngaye wethu. Apparently wahamba. And never said anything about coming back." Luks: "pack the babies' things. Siya ku mama" heeeee, ngu "mama" ngok. Not mama wakho. How cute 😊:) I got the babies' bags ready to go to their grandma. I did my make-up quickly and hair. Heee, funeke ndiyoz'vasa sana...then maybe next month I can put on something else. Maybe ndiz'yeke wethu ziphole. Yah man.... I wore a baby blue stiletto and jeans, with white blouse. Luks: "lihle. We're going to your mother's house kuthen hlal nje unxibe fancy." Me: "hayi lukhanyo you know I don't have flats! Funa ndinxibe isandal?" Luks: "ha.a mntu wam ungak'linge. Alok uMrs Luks funeke acace." Me: "mxm. Aw'zaz funa nto wena." He wore his jeans a white shirt. I first had to drop everything and iron. He wore a grey formal shoe. Oh, so he can look smart and I can't. Luks: "masamben ke." We took the babies to the Benz. And left for Motherwell.

Lubabalo and Liya got to Walmer Park, the shopping mall there was better than the forever full Greenacres. They started at Foschini. Liya picked out 3 outfits. Lubb: "I don't like the top." Liya: "ithen dan babes?" Lubb: "I don't know, it just bothers me." Liya: "okay, how about this one?" Lubb: "that is nice, I like that, thatha leyo instead of leya." Liya took the top. And they went to the shoes. Liya: "asihle boo esi, jonga." Lubb: "can you walk in that?" Liya: "sundenza weak tshi. Of course I can. The height is similar kwesa seFarewell yam." Lubb: "binjan in any case? Who was your date?" Liya: "some other friend of a friend wethu. Ayanda." Lubb: "nahamba nganto?" Liya: "hehake babe... Bes'hamba nge ML." Lubb: "mmh.....not bad." They went to the Men's side. Lubby took a few pants and shirts, 2 of each. Liya: "do you have to?" Lubb: "yeah...Lihle xa es'thengela us'thengela soy'2." Liya: "lihle doesn't buy the exact same things." Lubb: "yep, and I'm not lihle." He kissed her cheek and they went to pay. Lubb: "YDE?" Liya: "yes please, khona enyi lokhwe bendiy'bone pha." They went to a YDE boutique. They bought the dress and another 2 tops. And a pair of black heels. Lubb: "Luella?" Liya: "hayi baby. Let's just be chilled ngok. We'll shop in Europe." Lubb: "okay ke let's go have some lunch. I know the perfect picnic spot." Liya: "picnic? Haha..." They went to pack their bags in the car and went to Checkers to buy a few things. Lubb: "soyo thenga phi toiletries?" Liya: "masiye kwa clicks babe." They went to Clicks and bought toiletries then left for St Georges park. Lubabalo lay down the blue checkered blanket. And the sandwiches with juice and snacks. Lubb: "ndidikwe zi restaurants. They don't give me the privacy I need, when I want to be closer to my wife..." He sat her down. Liya: "wife?" Lubb: "there's something I've been meaning to talk to you about." His phone rang. He cursed silently. And picked up. Lubb: "Lubby Morrison?" Caller: "Mr Morrison. Hi, Its me Sandy, I booked for 3

meetings for the IT companies that we could use." Lubb: "I thought that was Linda's job. That's what I pay her to do." Caller: "well, she has a lot on her plate right now, her husband been in and out of hospital, so I took some of her work." Lubb: "why didn't hear about this?" Caller: "uhm.....she's a bit depressed about it sir. And....."

Lubb: "and what!!" He snapped. Caller: "and you're not the easiest person to speak to. I don't have Mr Lukhanyo's number." Lubb: "my employees choose my brother over me? Wow, thanks Sandy." Caller: "I thought you were busy sir." Lubb: "so when did you book the meetings for?" Caller: "this Thursday and friday sir." Lubb: "I'm not available, I'm leaving the country on thursday so, your favorite Me is coming over, I'll pass the message on to him." Caller: "thank you sir, have a good day." He hung up.

Liya: "work?" Lubb: "mhh....they like Lukhanyo better." Liya: "ncooh my sweet cakes. You the cutest person ever njena." Lubb: "you the only one that thinks so." Liya: "that's not true babe, your family thinks that too. Lukhanyo, Lihle, Demi, Your parents. Especially Luthando, he thinks you're awesome." Lubb: "yeah ne....." Liya: "whenever you're feeling down, just think of his pretty little face. The way he lights up when he sees you. He gets so excited." Lubb: "unyansile babes...." Liya: "and I love you....I'm here for you whenever you need me. Whatever you need." Lubb: "really?" Liya: "yes.." Lubb: "do you want a future with me?" Liya: "yes. Ezinto buz'thetha kuye weren't funny, ziyakhubekisa. I felt for her, you know you're the centre of attention. Everybody listens to what you say and that's gonna give her a label kwabantu. If you don't want her, don't entertain her." Lubb: "but babe andim'funi mos." Liya: "then stop acting like a child. I don't want us to discuss her again ane?" Lubb: "okay ke baby. Andizophinda." They ate their food. Lubb: "looks like iyatshintsha iweather." Liya: "ewe ne....let's leave.." He lay her on the blanket and kissed her. Lubb: "I want to spend more time with my short bossy girlfriend njena." Liya: "I'm bossy?" Lubb: "awuz'bon wena....I love it though...gives me a challenge." Liya: "good, because I'm

not about to become someone's submissive." He kissed her again. Lubb: "I'll submit you all over my bedroom though" Liya: "that word doesn't exist." Lubb: "how? Busandothi submissive ngok nje wena." Liya: "yes! Submissive. There's no verb for it." Lubb: "I will make a verb." Liya: "masambe baby apha, I'm getting cold." They got up and took their things. Lubabalo held her bag for her and they walked to the car. He opened her door, she climbed in and he went to his side. They drove off.....

Lukhanyo and Lihle were sitting in the lounge of Lihle's mom's house. The babies were asleep in the bedroom. Lukhanyo sat next to Lihle's mom. Slouched on the couch leaning by her side. Ma: "hay shame mntanam bund'khumbula?" Luks: "ewe mama...yuh, lihle hlel nje yand'phoxa pha kulandlu." Ma: "hay lihle!" Me: "I wonder ndimphoxe ngolwesingaphi. Ma, can we ask you something?" Ma: "ewe, yinton leyo?" Luks: "utata ka lihle mama...." Ma: "uthen?" Luks: "is he anywhere around?" Ma: "no." Me: "mom, this is a bit important...." She kept quiet. Luks: "can you at least tell us what he looks like?" Ma: "its been years. Ever since I gave birth to you. He'd been to jail." Me: "for what?" She kept quiet. My heart started shaking...what was she not telling me. Ma: "he went to jail because wabulala umntu. Some policeman." Me: "why?" Ma: "they were having a fight. And tatakho was trying to protect us. He handed himself in. Wabhanjwa ke. That's that." Me: "zange und'xelele mama ngoba?" Ma: " he told me never to go visit him and to keep quiet he knew you'd be curious. Ebengafuni umbone pha k'la ndawo." Me: "was these the "mysterious outings" you went to when you were off from work?" Ma: "ewe lihle, its when he needed a few things." Me: "mama, you said he left!" Luks: "technically, he did. So, how long was he in prison for?" Ma: "its supposed to be 30 years." Luks: "so he's not out yet." Ma: "no..." Luks: "can you describe him ma?" Ma: "he's.....more like uLihle. Uyafana naye nyan. A bit lighter ke. And very quiet. Akathand uthetha. He's always observing instead." Me: "uyandaz mna?" Ma: "yes. Of course uyakwaz." Me: "no I mean, how look like now.." Ma: "ewe, I told him and showed him pictures, noLukhanyo.." Me: "mama....if he came out, where would be the first place he'd go to?" She looked away. I didn't know how to feel about this. Honestly, I was a bit happy that he was still alive and he didn't abandon me. But why bengafuni ndimazi? Is the mysterious guy him? Why engathethi? Why did he say he wouldn't hurt me? Is he out on parole? Why is he hiding from me? I had so many questions for him. I was excited as well. But we're not sure if its him though. Maybe akafuni kubekho uLukhanyo. Then, akazobakho uLukhanyo ke, I have to talk to him. Luks: "babe? Yandiva?" Me: "uhm...yes." Luks: "ndithini?" Me: "hehake." Luks: "maybe he's out early...andiyaz...." Ma: "why uzocinga njalo nje?" Luks: "kukho umntu who's been following uLihle mama. For a while now,

right before sim'fumane, anyamalale. It boggles my mind how!" Ma: "if uSizwe bephumile, he would come straight here. He wouldn't know where to find you, so bezobuza kum k'qala." Me: "what if he.....escaped from jail?" Luks: "or what if akasaphili?" Mom got a fright. Ma: "lukhanyo, lukhanyo, lukhanyo! Uthi sis'poro? He's not dead." Luks: "mama, relax alok....yoh, ungaz'nyusel nge high high. Umqibele nin?" Ma: "before ndibene stroke." Me: "okay so the guy said if he wanted to hurt me, he would've done so, months ago. Mama, ubuzise nin iiphoto zam kuye?" Ma: "when we came back from eKimberley. Remember ndisiya shopping, for grocery?" Me: "yoh ma, how many times do you go shopping for grocery." Ma: "okay, nevermind. But khona imini, wawucele ndizothatha bantwana. Well, that day ndandihlel naye. Well, that was before ndingene pha." Me: "mama." I paused for a while.... Me: "unemfihlo. Yazi. You have secrets. And they're deep." Ma: "it was only to protect you." Me: "okay. So, let's say nguye ke lo. And uphumile etrongwen, what now?" Ma: "we wait." Luks: "for what?" Ma: "if nguye manyan lo. Then.....you'll have to wait. Soze aze xa kuthanda nina. Trust me." Me: "he will. Uza qho xa engekho uLukhanyo. So if I could jus-" Ma: "Lihle. Ndithembe. He won't come unless he wants to. Uzobona wena." I had to take her word for it. She knew him better. I got up to cook dinner, while Lukhanyo sat and chatted with her, he went to fetch the babies and they fed them. My phone beeped. It was a message. Lukhanyo stared at me, while he fed Lutha, he watched my every move. So I ignored the text. I carried on stirring the pot. Luks: "phone yakho Lihle." Me: "okay babe, I'll check it." Not with you staring at me like that. After a long while I checked it. After he was fully focused on Luhle, making funny faces at her. The message read: "I don't want to hurt you." I replied: "Who are you? Uphi? Ufuna ntoni?" No reply.....I called it back. "The number you have called is not available at presence, please try again later." Me: "fuck!" I whispered. Lukhanyo walked into the kitchen. Luks: "sapha." He demanded. Me: "its My phone. Not wePhone. " Luks: "are you trying to be funny?" Me: "no. Lukha-" he snatched the phone and went through it. Luks: "kuthen ungatsho kehok?" Me: "because you freak him out whenever you're around!" Luks: "excuse me lady, I'm the weather-confused freak now? In coats and shades and shit?" Me: "are you making fun of my dad?" Luks: "this is Not your dad Until he comes out, takes off them darn shades, ridiculously hot ass Coat and introduces himself to you as your dad other than that. He is a complete stranger!" Me: "ouch! Lukhanyo!" Luks: "ufane wancuntswa zinaliti ongaz'boniyo," he checked the pots and stirred. Then kissed my cheek and walked back to the lounge.

Chapter 320

Lubb: "andisa vimbwa man...kuthen?" Liya: "kuvinjwa babes. And no, andiku vimbi."
Lubb: "you're confusing me." Liya: "I'm building your appetite for.....friday night when we get to that hotel room...." Lubb: "what's gonn happen then?" Biting his lips. She pulled back his driver seat and climbed on top of him. Un-buttoning her top. She kissed him and he held her breasts. He was sucking on her lips, squeezing her body....the music was pumping in the car....the Power Trip track by J cole. Lubb: "what are you doing to me?" He whispered against her breasts. Liya: "sneak preview of what's waiting for when we're there...." Lubb: "okay....I love it....although you're killing me right now...." She opened his door and walked out, taking her bags. Liya: "call me later?" Lubb: "I will do so." She kissed him and walked into her street. Lubb: "Babe?" He yelled. She turned around. Lubb: "where you taking my heart though?" She giggled and shook her head...walking off. He drove away with a smile....his insides felt warm and tingly. He drove home calling lukhanyo. Luks: "mhh?" Lubb: "you always eating, uphi?" Luks: "ndilapha endlin ngok why?" Lubb: "okay, I'm on my way uphi uThulani?" Luks: "uthi uLihle he's going to Durban." Lubb: "kodwa und'shiyile mna? Why?" Luks: "I asked the same thing ke." Lubb: "what you eating?" Luks: "nyama." Lubb: "und'bekel ndiyeza." Luks: "sure." He hung up. Me: "woyika ntoni uLubabalo? He never wants to be alone. " Luks: "nam mos, I don't like being alone." Me: "whatev's I'll go fetch Chuma." Luks: "ha.a....lubby makaze naye." He called Lubby back and told him to bring Chuma and Junior home. I called Thulani. He picked up. Thulz: "ja?" It was as though he was sick. He sounded really defeated. Me: "heyy...unjan?" Thulz: "I'm ok....just can't get a flight for today. Izoba khona available on thursday." Me: "you taking it?" Thulz: "ayikho enye indlela lihle." Me: "okay ke, I'll take care of Junior, call us if you need anything." Thulz: "sure thing." He hung up. Luks: "kazapha I miss you." Me: "lukhanyo oko ndihlel nawe namhlanje. I'm going out." Luks: "yashaya...." Me: "honestly, I'm leaving. I have a meeting with Mandy." Luks: "you gonn leave me alone with the babies?" Me: "ewe lukhanyo. They missed you." Luks: "mos.....mos mna I want us to chill." Me: "lubabalo is coming over, and you Know you pay 99.9% of your attention to him when he's around. Soooo. I'm giving you space." Luks: "with babies!" Me: "they're cute, look at them!" He looked at them, Lihle smiled at him... His heart melted... Luks: "hamba lihle." He wore his boxers and vest to go chill on the couch. Luks: "what if he appears." Me: "then ndizothetha kakuhle naye." Luks: "call me." I went to the bedroom. Luks: "don't tell me you're changing." Me: "hay baby, just the shoes and getting a jacket." I wore my black leather platform boots and black biker jacket. Luks: "andisay'thembanga ke le meeting. Kuthen watshintsha wonke." Me: "heee, ndakwaz ke wena ngomona.

Awugodol baby? Kha-lyt iheater man...its cold.." He went to switch on the heater. Luks: "installing underground heating..." Me: "we're trying to save....we don't need that." Luks: "ubuya nin?" Me: "well, it depends." Luks: "mxm. Yathand und'phambanisa wena." Me: "don't you love me for it?" He walked closer to me, holding me against the wall. Luks: "maybe...." Me: "oh?" He bit my neck and held my ass.... Luks: "be back before 19:00....or else tonight will be a really long night for you." Me: "long night how?" Luks: "zund'teste." He held my gaze, without a smile and walked away.

I took the Benz and left for Mandy. I called her on the way. Mandy: "hm?" Oops...bad mood perhaps? Me: "hey, mandy ndim ulihle, uhm are we still on for today?" Mandy: "uhm oh yes. Let me just get ready." Me: "okay, ndisendlelen eya Summerstrand." Mandy: "I'll meet you there. Kwa Wimpy tu.?" Me: "that's fine." We hung up and I drove as slow as possible to the Wimpy at Summerstrand. Playing with my phone at the robots. Uphi na uMr Mysterious. I thought he'd be following me by now. I got to Wimpy, parked and walked in. The skies were changing. Maybe kuzonetha. I sat down and watched the sea. Mandy arrived after about 20 minutes. We hugged. Me: "hey. Unjan!?" Mandy: "I feel sick yaz. Oko ndiquqa etoilet." Me: "hay shame. Have you had your period?" Mandy: "no....not yet." I smiled at her. Mandy: "what?" Me: "what if you're pregnant?" Mandy: "Anda said the same thing, I shut it down so fast. It wasn't funny." Me: "hahaa...kha'teste wethu." I got out my laptop and switched it on. Mandy: "umqibele nin Rene?" Me: "that day besendlin...." Mandy: "yeke, lihle, what was going on pha?" Me: "hey, I really don't know all I did was help." I couldn't tell her nothing. Mandy: "okay, let's see what you came up with." The waitress took our orders. Me: "I'm not sure about the name." Mandy: "just keep it simple. Mandy & Lihle's catering qha. We don't need fancy titles." Me: "okay, and do you have anyone you can think of to help out." Mandy: "khona omnye cousin wam, just finished matric akekazaz funa nton. So, I'll ask her." Me: "good, I'll contact Sindiswa and ask if she's available, sidibane naye azos'ncedisa." Our food arrived after a good 20 minutes and we ate. Me: "so. How's things?" Mandy: "well....we're okay ngok, I found out he was cheating...heee, some Vuyolicious girl. And'maz...but they were cosied up. And nomnye ongu Yonela." My mind was stuck on "vuyolicious" liyafana no Vuyo ke elagama. Mandy: "apparently she lives with her friend ecentral." Me: "lo vuyo?" Mandy: "ja.....anyway, she called him sihlel kunye, ndam'xelela ke mna ba makasuke kowam...in the kindest manner." Me: "ei....sometimes kodwa basenzela ukunya lamadoda ethu yazi." Me phone rang. It was Lukhanyo. I picked up. Me: "babe?" Luks: "baby uphi? Lubabalo yand'abuser apha." Me: "I'm on my way pumpkin." He hung up. Mandy: "yafeketha uLukhanyo va." Me: "ndamaz....he's just like that, got used to him

mna" we chatted for about 2 hours.....mostly she....about her family, school, how she met Anda. Does she not know Anda ligintsa? Uwoah. My phone beeped a message, I ignored it. After a cup of coffee for me and milkshake for Mandy. We paid the bill and left. Mandy: "thanks for this...I needed it...." Me: "and you need to do that test. Masambe siyoy'thenga. " Mandy: "ngeyphi ndaw evuliwe this time?" Me: "follow me." I drove off to a chemist in town. It opened 24 hours we got in and bought two tests. We left for her house in Sydneham. We walked in, anda sat on the couch watching sports. Me: "hey." Anda: "hello." Mandy: "iza ngapha lihle." We went to her bedroom and she went inside the bathroom to take the test. Me: "are you okay?" She kept quiet.....that was odd. Me: "Mandy?" Silence..... Anda walked in. Anda: " what's going on?" I walked to the bathroom and saw her sitting on the seat. Staring at the stick on her hand. Me: "what's wrong?" She gave me stick.....

Lukhanyo and Lubabalo sat in the lounge with bowls in their hands. Watching a soccer match. Each of them had a baby on their laps. Chuma and Junior sat with their bowls and toys on the floor. Luks: "yeesss....?...." He sat on the edge of his seat. Lubb: "come on!!" They held hands while staring at the tv. Pushing each other. Luks: "zocitha kutya kwam man lubabalo with your gay tendencies." Lubb: "yazi wonwabe k'le ndaw hleli kuyo, uheart umhlophe." Their team scored and they screamed in excitement. So did Lutha. Luhle just sat there confused. I walked in. The house was a mess. The kitchen, the lounge. Everything. They wore boxers and vests, Lubb had Lutha on his left thigh. Lukhanyo had Luhle on his right. They had bowls of cereal in their hands. Lutha splashed his hand in Lubabalo's bowl. I walked in and stood in front of the television screen. They all stared at me. And swallowed. You see? This what happens when you let 2 men babysit. I shook my head at them. Luks: "you're back babe!" Lubb: "hi Linkie, you look awful cute today. Unjan? Is that a new jacket? Looks pretty." Me: "I leave for 3 hours max. And come back kunje?" I yelled. Me: "HOW tell me HOW did you manage to wreck the house! We could have a guest any second, and jonga lendlu injani!!!! Do you have a maid Lukhanyo!?" Luks: "no." Me: "then make a plan ngale mess niyenze apha!" I walked to the bedroom. Took off my boots and jacket, getting ready to bath. I ran my bath and went in. Soaking my body...I washed and relaxed...after about an hour I got out and dressed in my pajamas then went to check on them. They had cleaned up shame. Olohlotyana lwabo.. I took the babies to sleep. Lubabalo went to the spare bedroom. Heeee. Akumandi kwa Mzinyathi. Me: "Chuma, Junior, come have a bath boys." Chuma: "vasile mos mama.." Me: "ubavasaile." Luks: "yep." Me: "and they ate?" Luks: "yep." I took them to bed. Lukhanyo switched off the house lights and locked the doors. As soon as I got to bed, Lukhanyo pulled me. Me: "khayeke mntu wam man. Yazi wena, you're too playful."

He kissed my breasts... Luks: "your meeting? How did it go?" Me: "it was good babe....nina nihlel njani?" Luks: "yuuh, lubabalo unentlonti man baby." My phone beeped again. I then na le moeren ye phone! I'm trying to have a moment with my husband. Lukhanyo's rang so he picked up. I checked my messages. It was "him." The message: "I wish I could explain everything. If only you would let me. Only you." I replied: "then it will only be me." Him: "I know you will tell him. He will try to set a trap. And FAIL. Because I will know." Dude.....confidence nyana? 🤔:v ... Me: "I will not tell him. I promise. If you promise not to hurt me." Him: "I have already kept my promise. Uzova ngam." I replied: "when? Sodibana phi? Time? How will I know its you?" Him: "you will just know." Me: "phi?" The message didn't go through. This was so frustrating. Luks: "and then? Who texted US....khand'bone.." He peeped. I switched the phone off and put it on the dresser. Me: "ngu Mandy man baby lo....." Luks: "Lihle.....don't you even try." Me: "Lukh-" Luks: "Hey!" I swallowed hard. His expression had changed to a dark, cruel face. I stood my ground. Me: "you don't trust me?" Luks: "I do bu-" Me: "then you'll have to step back and give me my privacy lukhanyo. Ewe we're married but I need breathing space." He lay back and went inside the blankets. Then closed his eyes. I crawled to his side. And cuddled myself on him. Luks: "I don't have an oxygen tank on my back ke." He snapped. Me: "awuse na chuku!" He turned around and held me, till I fell asleep.....

Chapter 321

My breasts felt tingly...stomach was warm...and my cookie was dripping...what the hell was happening. I was chatting to Lukhanyo but we weren't at home. It was in Kimberley....why were we in Kimberley? He sucked on my breasts, putting in a finger....the way he was teasing me..I looked at his face. Me: "lukhanyo?" A slow smile crept on his face.....huh? Him: "yes?" He looked amused...and kissed me again. I kept pulling him closer. Why was he teasing. I wanted him so badly.... Me: "baby please.." He inserted him in. Just by going in, I was ready to cum.... Him: "not so fast princess...." He pulled out...but continued kissing... He went back in and pulled out. My thighs were shaking..he kneeled in between my legs and played with it, twirling his fingers around. His eyes hovered over my body and finally stared into mine. Me: "lukhanyo?" His eyes were different.....kind of dark.....cruel.....angry..... Him: "hm?" He smiled.....a really creepy smile...he bent down and kissed my cookie, sucking his teeth on it. I woke up instantly....but the sensation hadn't stopped. He was actually

doing it. Me: "baby...." I moaned. I held his head, trying to regain my consciousness. It was freaking difficult! He held my thighs apart. Licking and sucked. My eyes got lazy, heart getting all wobbly, my knees buckled. He giggled and continued. Me: "baby!!" I warned. My body was overheating, I couldn't breath. And finally climbing the elevator of climax. It stayed at the top for the longest time, taking my body into vibrating shock. And then stiffened. He stopped and looked at me. He smiled. Luks: "Good Morning." Me: "indeed." He kissed me. Putting himself in. Luks: "oh yes.....shushu kamand...." Me: "nyan? Was that your plan." Luks: "yes..." He went in and out.....it just hit different places...I moaned out loud. Luks: "shhh.....grandpa lubb uzothukisa." I felt like a naughty teenager at my boyfriend's parents' house. In his bedroom....he turned me around and pounded himself in me. Luks: "back it up babe." Ndam'kawlela...with the pace... Luks: "yeesss....." He pulled out and sat down. I climbed on him. Luks: "and now?" Me: "yaphambana tshi. I'm not done." Luks: "ndingena phi kehok mna?" Me: "I will rape you." Luks: "that sounds so sexy mntu wam.....uzand'raper njan?" He picked me up and held me against the wall. Banging on me. Luks: "like this?" The put me down, turning me around and banging from behind. Luks: "or like this?" Me: "don't stop....." Luks: "must I stop?" Me: "no!" I moaned. Luks: "yeesss???" He closed his eyes. Holding my hands, placed on the wall. He went harder..... Deeper..... Faster. He thrust it in, shoving it deep inside. Luks: "wooooo!!! Ohh shiit..." He pulled out. My thighs wobbled. I was tingly and warm. I loved the feeling. I just wanted to touch him. All day. Me: "I love you." Luks: "I love you too boobo. Ndik'phe kamand ne...." Me: "don't get ahead of yourself." He tipped me over and lay on top. Luks: "usabawa njena." Me: "mxm....I need to get the kids ready...." Luks: "do you know what time it is?" Me: "no...." I checked my phone. It was 04:38. Oh yes! Then I can sit and chat with my boo. Me: "yakwz umvusa umntu.." Luks: "und'lelise ndibhatyiwe alok. So duh." Me: "ubhatyiswe yinton?" Luks: "yoh, when you walked into the house, wama pham'kwala tv. Und'ngxolisa.....then walking off to the bedroom, waving your ass back and forth. Those heels clicking on the tiles. Mmmmh...sakhe sahlala sadenga noLubby. Ndiqond'ba yoh. Ndizofumana tonight. But waske wand'phoxa wena." Me: "you get turned on by the weirdest of things..." Luks: "what man gets turned on by a woman who bows down to him oko. Yuuh, I like to be bossed around...by you." He raised his eyebrows. Me: "mxm...." Luks: "ndok'phuza phambane mna nalo mxm wakho womileyo." Me: "khayeke man....yonke into ufuna kubekho umlo kuyo." Luks: "ndilwaphi xandifuna ukumunxuza?" Me: "sies...that just sounds wrong." Luks: "whatev's..." Me: "copy cat." Luks: "khalale lihle. I'll wake you at 7 for the kids." I held onto his body and drifted to a peaceful, wet sleep.....

I woke up, Lukhanyo wasn't in bed. There was a note on the bed. I read it: "the D will humble you." I couldn't help but laugh. I got up and took my phone. Another note on it. "Beautiful smile...." Ncoooh....he knows me too well. I check him, then the phone. I had no messages. I got up and went to the bathroom. And brushed my teeth. On the mirror was another note. "Morning Sweetheart. ❤️<3" I smiled and took a shower. Yes, there was one there too. "Waiting for that 'thank you, you so sweet' message. 😞 :(" awWw boo.. I showered and went to get dressed. They had taken the kids to school. I took LuthandoLuhle and fed them then bathed. I sent Lukhanyo a message: "Thank you mnyen wam. You so sweet! I love you...." The time was 09:45. I had totally forgotten about u"Him"..I fixed the house, Lubabalo and Lukhanyo's cleaning was okay shame but still needed a woman's touch. I went to make breakfa- too late...already made. There was a note: "Morning Linkie Bear." That was Lubby. I smiled and took the plate to the microwave. Another note: "no hug? Morning 2 u 2? #hurt!" I laughed. Ahh these two man. I sent him a message while I heated the food. Me: "thanks tellytubby yam. Morning to you too." I went to sit down and eat. Then went to wash the plate. They're probably still at the gym. And they're usually back around 10. I tried to call "Him"....the phone just disconnected without even ringing. How does he do it? Can't I trace it to him? 20 minutes later. Lubabalo walked in. He smiled. Me: "hey....how was gym?" Lubb: "remind me never to go back there. How was breakfast?" Me: "amazing. Thank you." He flopped next to me. Laying on the couch. Lubb: "pleasure." Me: "uphi uLukhanyo?" Lubb: "he's with potato arms. Can I talk to you about something?" Me: "sure thing." Lubb: "I think I want to get married." Me: "why do you Think that." Lubb: "because I'm in love..." Me: "is she in love with you back?" Lubb: "yes...." Me: "you shouldn't do this because you feel the need to keep up with your brother." Lubb: "nah...I have never felt this way before. I've always had a bad feeling about girls, like I see them from far.....but lona. She just completes me. I am so drawn to her, yazi.....its like I..... " Yep, that's it...he's inlove. If you can't really explain how it feels. Then its there... Lubb: "I can't even explain it. Und'visa kamand qha." Me: "then why don't you ask her." Lubb: "I'm scared....what if she rejects me?" Me: "why would she reject you?" Lubb: "she said she wanted to build her future first...get her degree, job, own assets....what if k'lo process she finds another guy....a Thulani type, you know those are the worst. Yok'tyela so badly, and painfully. You'll humble yourself and ask him for tips." I laughed. Me: "A thulani type? Hahahaaaa, nigga stop playing!" Lubb: "manyan Lihle, tell me, if you weren't maRried to Lukhanyo, esenza nje.....and a Thulani type approached you, buzothin?" Me: "but I am married nje." Lubb: "alok if you weren't." Me: "I don't go for looks though." Lubb: "exactly my point. You wouldn't go for uLUKS!" I laughed again.

Chatting with the friendly Lubby was really nice. Me: "I still can't get over the "Thulani type"....what the hell! Haaaahha." Lubb: "uzuy'hleke. Awumbon wena Thulani unjan? Heee, he's forever flexing....smiling....showing those dimples to everybody that's already looking....batting his eye lashes at strangers.....licking his lips. Like a lost kitten, Uth awumbon?" I was on the floor laughing. Me: "you make it sound so gay!" Lubb: "isn't it???" Me: "mxm...phambene wena." He got up to go shower.....

Lukhanyo walked in an hour later, looking frustrated. I didn't Ask. He probably went to look for "him"....I'd be really proud of my babe, if he found him yaz. Honestly. I'd give him half of my ass. Lubb: "do you want a drink?" Luks: "no!" Lubb: "a sandwich?" Luks: "hay man lubabalo!" Lubb: "a hug?" Lukhanyo breathed at him with narrow eyes. Lubb: "maybe not." Luks: "why aren't you giving a fuck about lomntu who sneaking around your family! Lihle!" Lubb: "hold that thought, I'm supposed to call Liya, to confirm the time we leaving ngomso." He left for his bedroom. Luks: "he is making me really mad right now!" Me: "relax cupcake. Naye alok he has a life of his own." Luks: "I am not a cupcake!" He growled. Me: "uyinton ke?" Luks: "mxm lihle!" Me: "uphi uThulani? Umqibele nin?" Luks: "he's staying with his dad....kange ifowne le?" Me: "nope." Luks: "so nidibana. Nin?" Me: "what are you talking about?" Luks: "you really thought I wouldn't find out? Those little messages you were sending each other, making pinky promises? Thought you'd know me by now. Akhonto unond'fihlela yona. He says I will fail if I set a trap for him?" Me: "yeah...." Ndatsho ndanyaba. Luks: "fine, I'll stay out your way then. Ndiya eKapa ngomso ek'sen. I've got a meeting at 9 and another one at 12 and another on friday, I'll be back around 19:00 late." Me: "you'll really go to Cape Town?" Luks: "ewe, I was going to take you with and the babies, wha andithi une appointment. And Lubby naye yahamba k'sasa, he's flying to joburg, then london later in the day."and Thulani is going to Durban tomorrow. They're all leaving!! Me: "nihamba nonke?" Luks: "that's what you and him want nje. But do me a favor. When you take Chuma and Junior to school. Please.....drop Luthandoluhle lwam ku Sylvia. Ndak'cela. We'll fetch them when I'm back." Me: "and me?" Luks: "you're grown. You can take care of yourself. You said you wanted breathing space. There you have it." That's a lot of breathing space. He got up and went to shower. Lubabalo sat in the toilet and they chatted. Luks: "why, are you not by the least bit concerned?" Lubb: "lukha,.....okay. Lukha, I won't stress myself ngomntu endingam'boniyo mna. Never." Luks: "what are you doing there?" Lubb: "I am taking a dump, and you?" Luks: "mxm. I'm hunting Zebra's lubabalo. What do you mean, awumboni?" Lubb: "like he just disappears. Nje out of the blue. He is a ghost." Luks: "ghosts don't send messages, they push furniture around." Lubb:

"hahaaa....and you know that how?" Luks: "just nje....." Lubb: "okay I'm done. Bye." He wiped and flushed then washed his hands. Luks: "yand'shiya ngok?" Lubb: "ewe tshi, why you want company?" Luks: "why did you use MY bathroom!" He switched off the shower and chased lubabalo to the bedroom. Lubb: "yinton ungabhetheki nge ngqentsi nje." Lukhanyo burst out laughing. Luks: "ingqentsU!" Lukhanyo got dressed and they went to chill in the lounge. I gave Lubabalo the quote for the start up capital. He called his lawyer. Lubb: "George Marc Middleton." George: "Good Day Lubabalo Andrew Morrison." Lubb: "I have a business interest that I'm interested in." George: "I'm listening." Lubb: "my bestfriend is starting a business, draw up a contract for her. Its between her and her partner, and husband. I'll email you the details it should entail." George: "okay then." He hung up. Then called his accountant. Acc: "Sir?" Lubb: "hi. Check me, how am I looking financially?" Acc: "so far you're above par sir." Lubb: "how much do I have spare?" Acc: "besides paying off the 3 cars you just purchased, the Mercedes Benz you ordered on standby, the trip you just booked for Europe. You have roughly 2 million left." Lubb: "only 2?????" Acc: "those are 4 expensive cars you just bought, they're not child's play. And we're waiting for your income from the New York deal. Which is the 10 mill." And the other 6 million I have in the spare account...lubabalo thought. Fuck I need to work! Hay, hay, hay!! 18 million qha? Ndizoy'thin? Fuck that. Lubb: "okay...take a bar for now. I'll send you the account details later." He hung up. Me: "a bar? A million?" Lubb: "yep. Create a business account with uMandy. Give me the details sizo deposit le mali then we can get the show on the road. Preferably kwa Investec. Don't go to a commercial bank, bazok'sokolisa.". I went to look for something to wear. Luks: "you're not going to a fashion show!" He yelled from the lounge. Lubb: "if she looks the part, it'll make the whole process easier." I wore a white high waist pencil skirt 5 fingers above the knee. A black blouse and white blazer. I wore white heels and tied my hair up, leaving a bounce on the bottom. I did my make up took my bag and walked out. Luks: "ahh madoda. Mrs Luks kwerin....." Lubb: "yoh, hay ngeyakho yonke.." Luks: "somashishini ka TaLuks fondin. Itsho lanto." I took the keys of the Benz and left. Hlel nje kukho iphavi...I got to the bank and spoke my business. Like lubabalo said, it wouldn't take long. It took an hour and a half. I sent Lubabalo and Mandy the details. Within 30 minutes another sms came through my phone. R1 million has been deposited in the account, hayin bethuna he wasn't playing. Mandy called immediately. Mandy: "are you crazy!!!!? A million?" Me: "hewethu, this is Lubabalo's doing! He didn't even give me a chance." Mandy: "we might as well just start a restaurant. Cause this is too much." Me: "that's a good idea. Let's meet tomorrow." Mandy: "okay ke mtshana. Thank him for me ne." Me: "will do." I hung up and walked to my car. He sat on the

bonnet and stared at me as I came out. I got the fright of my life. Me: "you're denting my car." Him: "my bad. Intle.....yafana nomnikaz wayo." Me: "thank you." Him: "sophisticated now.....all dressed up, looking stunning. This is what I wanted ke.....nothing else." I was shaking. My heart beating fast. I swallowed hard. Me: "why are you playing hide and seek with me?" Him: "I was gonna come to you tomorrow and tell you why. Since the family is leaving town. But your husband has his team guarding the house, so that's a bad idea." Lukhanyo is having me guarded kanti? Me: "if you don't want to hurt me. Then why don't you want him around?" Him: "because he's not my child." My heart skipped a beat....

Chapter 322

I just stood there and stared at him. Hayi ke bend'zaw'thin? Him: "you have nothing to be afraid of." The way he was...it was unnerving. He was so chilled out and relaxed. I saw the point for the coat. Today was a bit cold. Me: "I have so many questions I want to ask you." Him: "then ask." Me: "here?" Him: "wherever you're comfortable." Me: "uhlala phi?" Him: "come." He went into a white Astra. Me: "I'm driving my own car." Him: "I'm not objecting that." I got in my car and followed him. He drove in a fast pace, but I could keep up. We finally got to a house in KwaZakhele. He parked, I parked and walked out. Locking the car. Him: "told Hubby where you at?" Me: "yeah." I lied.... He chuckled and opened a house. Then gave me the keys. He walked in and came back with a gun. Him: "I'm sure you know how to use this." He gave it to me. Me: "what's this for?" Him: "I don't want you to feel threatened by me. Be comfortable. Come in." I walked in and sat down. It was like a bachelor pad. 2 couches. Tv. Small table. In the kitchen was a fridge, microwave. And 2 plate stove. Me: "uhlala naban?" Him: " alone. Your questions?" Me: "please take off your shades." He smiled brightly for the first time. Then took off the shades, hiding his face. He took off the ridiculous coat. This is sooo not my dad. I panicked. Me: "you seem....." Him: "younger? Prison does that to people. Its either uyatyeba and look old, or you take care of yourself. And look like me." He smiled again. With his hands in his pockets. Tipping his head on one side. He looked.....hay man! He was a Thulani type, lubabalo would say. But obviously for his age. He had a trimmed beard, and small eyes. He lifted his eyebrow. Him: "you okay?" Me: "yep." I breathed. Him: "can I get you anything? Juice? tea?" Me: "I'm fine thank you." He sat down. And lay back on the couch. Me: "why ungam'xelel umama that you're back?" Him: "because she

would freak. She wouldn't want me to meet You, so I decided to see you before I see her." Me: "why wouldn't she want you to meet me?" Him: "we had a bit of a fight the last time she visited. Ndath angaphinde aye pha." Me: "okay. Why have you been following me? Instead of just coming up to me." Him: "that wouldn't be exciting." He smiled. I loved his smile. Him: "bendingayazi how to approach you. I came close a few times but I couldn't. Until wade wandibaqa....I didn't mean to freak you out. So I forced myself to make contact." Me: "how did you get my number." Him: "I have my ways. Next question." Me: "why don't you want to be around Lukhanyo?" Him: "like I said. He's not my child. You are." Me: "so what do I call you kehok?" Him: "whatever you feel like calling me. Tata, Daddy, Sizwe. Up to you." He is so relaxed, I started loosening up. Me: "how did you know where to find me?" Him: "next question." Me: "the whole point of me being here is getting to know you, but if we keep skipping questions how is that gonna work?" He didn't reply, just stared at me with lazy eyes. Ei....this person. Me: "why?" Him: "uyafana nam....its really cute." I couldn't help but blush. Okay, I looked like him....a little. Me: "I have to tell my mother." Him: "don't worry. I'll tell her myself." Me: "what do you do during the day?" Him: "besides follow you? I stay here." Me: "and do what?" Him: "nothing." Me: "doesn't that drive you crazy?" Him: "no. I'm used to it." Me: "you're not what I imagined." Him: "haha....the typical father? Sorry to disappoint, they never taught me about being a daddy in prison, they took me in when I was about 24, so that's why I'm still like this." Yeah....he had a 24 year oldish thing about him. I was so excited for him to meet Lukhanyo. He won't get along with Lubabalo because my dear best buddy is loud and talkative. This guy is more like a Lukhanyo type. Me: "when am I going to see you again?" Him: "whenever you want to see me. You'll see me." Me: "why? All these years you made me believe you'd left my mother for another woman." Him: "it was better than having you thinking of your father as a murderer. Bendingafun ukhule nalo mindset. It was gonna fuck you up real bad. Every time you had a bad day you'd blame yourself uz'thuke ngobano tata ose trongwen...you'd think unebhadi...whereas ayikho lonto. I'm here now, that's all that matters." Me: "I'll come by tomorrow." Him: "you'll find me here." I put his gun and keys on the table then got up. Me: "uhm....so bye then." This part was awkward. Do I hug him? Or shake his hand? Or just walk out? He got up and pulled me into his arms. He held me for the longest time. We pulled back and he sat back down. I walked out to the car and drove off.....

As soon as I got home Lukhanyo walked straight to me. Luks: "where the hell have you been!?" Me: "the bank." Luks: "you left the bank 2 hours ago." Me: "are you keeping tabs on me now?" Luks: "fondin! You can't just disappear off the face of the

earth!" Me: "did you try calling me." Luks: "your phone BEEN engaged ever since!" Lubb: "izotshata?" I giggled. Lukhanyo was beyond mad. Me: "babe, I'm here now. What's the problem." Luks: "the problem is. I can't trace you anywhere, or call you! Why!??? How???" Okay, that was scary. Why couldn't he get hold of me. Me: "I don't know....you're the one that's technical..and computer smart." Luks: "are you trying to you know what. MXM!" Thulani walked in with Chuma and Junior.. Thulz: "molwen." Me: "hey." Lubb: "hey....where have you been?" Thulz: "kuJeff. What's cooking." Me: "lukhanyo is stressing over technology." Luks sat down and tried again. Luks: "you see?? Jonga, yavela ngok!" He yelled. Me: "uyangxola boo man." I hugged junior and chuma. Chuma kissed my cheek. I made them a quick sandwich and juice. They ate. The babies woke up, I went to feed them. Lubb: "so how did it go?" I got a fright. Did they know? Me: "how did what go?" I snapped. Lubb: "uhm.....the bank....what else?" Me: "oh....it was okay. And Mandy told me to thank you." Luks: "you were with Mandy?" Me: "yep." I quickly sent a text to Mandy: "if Luks asks if I was with you, uthi ewe." I sent it. She replied: "hahaa...ubuphi?" I smiled. "Nowhere interesting." Mandy: "do tell." Me: "I went to see my dad." Mandy: "oh? So what's the problem." Me: "we'll chat about it tomorrow." Mandy: "sure." Calling him my "dad" seemed nice. I loved it. Especially when he smiled. He had a warm smile. she texted again: "haha....he just sent a message. Ebuza kanye lonto." Me: "lol. Ndamaz." I deleted the messages and went to change. I wore Lukhanyo's sweatpants and sweater. With ugg slippers. It was really cold. Mandipheke ngoku kuse early, so that I can relax...I went to start on the pots. Luks took my phone and went through it. I had changed the password. He gave it to Lubby. He failed too. Luks: "ithin password lihle?" Me: "uzay'thin phone yam?" Luks: "I wanna play with it." Me: "oh." Luks: "ithin alok?" Me: "andiyaz nam." Luks: "mxm." I cooked them dinner and went to go chill with them in the lounge. They took their food and ate. I lay on the couch instead. Staring at the tv. Maybe he doesn't have network in his house. Maybe when you go inside everything disconnects. Maybe, its on purpose. But why. He looked healthy...and content. But was he really happy though? And why doesn't he want to tell me where he got my number? Found me? I should tell Ta Smig. Maybe he'll know better since its in his age group. Maybe its a old people thing. Although Ta Smig seems older than Sizwe. Luks: "Lihle!" Me: "mh?" Luks: "where is your mind." Me: "pha etv'in babe." Luks: "you weren't listening to me." Me: "uyay"thanda attention wena yaz...." Lubabalo got up to leave. Lubb: "guys....its been nice...but I have to get going." Me: "uhambe kakhle." Lubb: "I'll be be back on Monday." Me: "just the weekend?" Lubb: "yep..." He said his goodbye's and left. Thulani too. We locked the house and switched off the lights. In bed..... Luks: "so you met with him." Me: "lukhanyo...." Luks: "nahh Lihle! Tell me,

you went to him without me?" Me: "yes, I DID." Luks: "where!?" Me: "to his place."
Luks: "why are you stupid Lihle! What if lomntu is a danger, what if he raped you and
killed you!" Me: "Gee, lukhanyo thanks a lot." Luks: "okay. If he's a saint. Why can't I
get access to you when he's around? Lomntu usuka etrongwen Lihle, you can't trust
him!" Me: "okay alok lukhanyo ndik'vile!!! Damn!" I screamed. I turned around and
covered myself. A tear escaped my eye. I quickly wiped it away. He wouldn't do that
to me.....would he? Mxm. Luks: "baby listen to me...." I blocked out his voice. I didn't
need to hear that my father could grab me any second and I can't trust him. If he
went to jail for rape, then I would be more alert. but zange a'rape nje! I fell
asleep.....

I woke up early the next morning. Getting myself ready, then the kids and the babies.
I packed their bags too as well as Lukhanyo's. I made the bed and went to make him
and the kids breakfast. I fed the babies. The boys ate too. Lukhanyo appeared, dressed
up and took a quick bite of his food. Luks: "I'm running late. I'll call you fika kwam
yeva? Remember, to take my babies to Sylvia." Me: "okay." He kissed me. Then kissed
my forehead. Luks: "I'm sorry I kind of lost it last night. I just got worried. I don't
want anything bad to happen to you. If kukho something the least bit suspicious. Call
me. Or Stuja." Me: "okay." He kissed me again. Luks: "I love you Lihle." Chuma: "love
you daddy." Luks: "love you too boys..." Me: "love you too...." He kissed the babies and
walked out to the car with his bag. He got in and left for the airport. I Got the kids
ready, and packed their lunches. They went to the car. I took the babies and buckled
them up, locking the house then left. I dropped off the boys, then went to Lubby's
house to drop off the babies to Sylvia.. Lubabalo was rolling his suitcase to the car.
Talking on the phone. Sylvia took the babies in and I said my goodbye's to them.
Lubb: "hey, uryt?" Me: "I'm good thanks....." He looked at me. Lubb: "sure? You look a
bit nervous." Me: "I'm okay." Lubb: "good." Me: "do you think he'd hurt me?" Lubb: "I
wouldn't hurt you, but I don't know about anybody else." Me: "please stop playing."
Lubb: "okay, I haven't seen him for long to be able to judge him. So I wouldn't know.
But if you say he's been lurking for months, and he hasn't done anything
yet.....then....." He shrugged. He kissed my forehead. Lubb: "be careful ayt?" and left.
After a while I got in my car and drove back home. I parked in the garage and walked
in. I expected him to be already there. But he wasn't. I cleaned the house and started a
new proposal for a restaurant. I researched what I needed over the internet. It was
better to build or buy something instead of renting a property. So it won't have to be
a monthly expense. I'll have to talk to Mandy about it. We need to come up with the
theme for the place. I like brown and white....playing with shades....and african
antiques. There was a knock on the door. I got up and walked to open it. It was "him."

He wore jeans and tucked in a blue shirt...no shades... Him: "typical father knocks on a door, right?" He smiled....

Chapter 323

Me: "uhm.....I suppose." Him: "what's wrong? Should I leave?" I didn't want him to leave. But Lukhanyo made it a point for me not to trust him. Nobody had faith in him. And that was breaking my heart. Him: "Lihle." Me: "hm?" Him: "what's wrong?" Me: "I can't....do. This." Him: "because of him? Its okay. I understand. Here." He gave me two teddy bears and walked away. I couldn't let him just go.... Me: "wait....." He stopped and looked at me. He seemed annoyed. Him: "ja?" Tipping his head on one side again. Hands in pockets. Me: "can I get you anything? Juice? Tea?" He smiled and walked toward the door. Him: "tea please." I opened for him and he came in. I dished up some breakfast for him and heated it. Then made the tea. He sat silently on the kitchen stool, leaning on it. He tapped his finger on the table, then abruptly stopped. I looked at him. Something was wrong. He looked at the closed door with narrowed eyes. Me: "what's wrong?" He stared for another few seconds then got up. The door opened. "Lihle!" It was Stuja. Really? 😊_- me: "Stuja, what are you doing here?" He's probably been watching. Stuja: "I just came to check if you-.....nguban lo?" Sizwe: "ungabuzi kum nje?" Stuja stood back. He stared at him. Sizwe: "well???" Stuja: "askies ta....." He swallowed. He sat down. Me: "you came to check if I what?" Stuja: "Ta Luks asked me to....." He faded..... Sizwe chuckled. I gave him his tray..he prayed and started eating. Sizwe: "well are you gonna sit down or stand there staring at me like a ghost?" Stuja: "I have to go somewhere....Lihle I just came to check if you're okay. If you need anything. Cela undifownele." Me: "I will." He walked out. Sizwe: "he keeps a very close eye on you doesn't he?" Me: "who?" Sizwe: "umnyen wakho." Me: "yeah....he likes to know what I'm up to." Sizwe: "good. So what did he say to make you all caged up?" Me: "nothing...." Sizwe: "tell me.." How could I?.... Sizwe: "ndiyathembisa and'zoqumba.." Me: "he kind of lost it....saying you could hurt me." Sizwe: "hurt you how?" Me: "rape me.....kill me....." I whispered. Sizwe: "do you believe that I would do that to you?" His voice was dark...have you ever heard a dark voice? Me: "would you?" He drank his tea and looked at me over the cup then put it down without taking his eyes off me. Him: "why would I do that?" Me: "I don't know." Him: "jonga Lihle. I know you don't know me. I understand that I didn't expect you to just open up. If you feel the need, we could go to your mother sobabini.

Go for paternity test. Whatever is going to put your mind at rest." Me: "we can go to mama now." Him: "let's." I took his plate and washed it. He stared at me as I moved around the kitchen. He stopped and listened carefully. Then looked at the door. Me: "what?" Someone knocked on the door. I went to open. It was Anda. Honestly? Me: "what?" Anda: "are you okay?" Me: "I'm fine Anda." Anda: "can I come in?" Me: "uzohlala naban? Because mna ndiyahamba." He came in nonetheless. I went to fetch my bag and cardigan. Me: "anda. I am leaving the house." Anda looked at Sizwe. Sizwe stared at him sarcastically. Anda got up and walked out. Me: "we can go. We're taking my car." Sizwe got up and walked out. I locked the house and we left.....

As soon as we got to Motherwell. I parked. Me: "can I go in first?" Sizwe: "sure." I got out the car and walked inside the house. Ma: "heee, hello nontombi. Baphi abantwana?" Me: "molo mama....uhm.....promise me...awuzoqumba." Ma: "ndizoqunjiswa yinton? Is it Lukhanyo? Umenzen omnye Lihle?" Me: "hay mama. Its not Lukhanyo." I opened the door. Sizwe walked in. Hands in pockets. He had a sweet smile on his face. Mama: "Sizwe!!" Him: "molo Thenjiwe.." Ma: "uphume nini?" Him: "few months ago." Ma: "ubuzand'xelela nini Sizwe?" Him: "as'kholapho ngok. Tell your daughter about her father." He sat down. And lay back... ma: "that's it? Uphelele apho!?" He kept quiet and stared at her. He is really silent. Ma: "you were supposed to be gone for 30 years. 30!! Not 21!!" Him: "I thought you'd be happy that I'm back. Clearly not." Ma: "Sizwe." She warned. Him: "what." Yuuh akapholi man.. Ma: "I told you never to come back here." Him: "andizelanga wena apha. Ndizele intombi yam. Nguye othe ufuna ndize, and here I am." Ma: "you left her and went to prison! Now all of a sudden, you want to act like the perfect father!" Him: "hehake." Was his reply. Me: "mama, ndicela ubuza." Ma: "um'fumene phi lomntu lihle!" Me: "mama, he was the one who I was ask-" Ma: "ubulandelana nomntana Sizwe! Scaring her?" he still kept quiet and looked at her. Ma: "you haven't changed a bit!" Me: "mama please...asizanga ngobubi. I just wanted to know the truth. That its actually my father." Ma: "ewe Lihle. This is your father." She looked at him with a vengeful look. And then? Problem is, he was just so comfortable and didn't even mind her. Him: "ready when you are, baby girl." He said to me. I was stuck between my parents. Mama was in a mood. Tata was just chilled as ever. Me: "mama....we're getting ready to leave." Ma: "bye bye mntanam." I hugged her. Me: "will he hurt me?" I said through gritted teeth. Ma: "no...." She whispered. Sizwe got up and walked to the car. Him: "if you want to talk about me, just ask me to leave." He left. Me: "what is wrong with him?" Ma: "une problem nothetha. Akafuni. He just doesn't communicate AT ALL. Ndiyothuka ba he actually came forward." Me: "but why engathethi?" Ma: "wakhula kab'hlungu tatakho Lihle. He's always been the quiet one. Akathand

uthetha, ungam'ngxameli." Me: "wena mama kuthen umngxamela?" Ma: "sizwe yand'phambanisa mna, uske aphole qithi! Noba seku serious kangaka nani na. Nihambe kakhle." Me: "bye ma." I left the house and went to get in the car. Him: "hospital next?" Me: "for what?" Him: "awufun DNA test?" Me: "I believe you." Him: "okay." I drove back home. He was quiet....all the way. We got inside the house and he sat on the couch. Me: "I want you to meet Lukhanyo." Him: "ok. We'll do that tomorrow afternoon." Me: "he'll only be back late." He laughed. Him: "is that what he said? Ok. I'll meet him late then. Tell me more about him." Me: "he's a reasonable guy. Uhm, family man. Quite conserved....caring." Him: "hm.....and what does he do.....for a living." That look again. The half a smile, head tipped over, lifted eyebrow look. Me: "him and his twin have an engineering company in Cape Town.." He smiled. Him: "then what is he afraid of? Keeping you guarded." Me: "what are you hiding." Him: "nothing. I'm meeting him tomorrow, aren't I? When's the twin coming back?" Me: "sometime over the weekend." Him: "and the other brother?" Me: "I'm not sure." Him: "oh." Me: "I took the babies to their uncle's house." Him: "ncaaw bethuna. I would love to see them. But that can happen tomorrow. I have to go.". Me: "I have one more question for you." Him: "I'm listening." Me: "when I'm around you, nobody can get through to me. My phone disconnects." Him: "only when you're inside my house." Me: "why?" Him: "I disconnected everything....I want to live in peace. If it means anything to your husband. Just call him xa usiya, or bring him with. Whichever he's comfortable with." Me: "how do I get hold of you? When I want to see you." He smiled and walked out.....

I called Mandy. Mandy: "hey babe, what's up?" Me: "hey...I'm here at home when you're ready okay?" Mandy: "ayt, I'll be there in about an hour." Me: "sure.." I waited for her, finalizing my research. An hour and a half later. She called for directions. I directed her and she arrived. Mandy: "hey!" Me: "hey! you look lovely." Mandy: "thank you." We hugged and went inside. Me: "juice?" Mandy: "just water." I poured her water. We sat down and chatted. Mandy: "so Lukhanyo and your daddy aren't getting along?" Me: "well, they haven't met, nam I only recently met him. So Lukhanyo doesn't trust his motives." Mandy: "lukhanyo is too over protective. If this father didn't give a damn about your existence bizophinda ibe yenye i-issue leyo? Hay wethu, give daddy a chance. Or maybe Lukhanyo is feeling threatened, since he's been the male figure in your life...he thinks this new person will replace him." Me: "and ke ulukhanyo umuncu angacinga lonto nyan, the way he likes being my number 1. But he always will be..yena he doesn't trust that." Mandy: "let them meet and decide for themselves. Okay? So what have you worked on so far?" I showed her. Mandy: "these colors are really homely yazi...I like. You know what we could do?"

How about, a coffee area? Ibene wi-fi and a few computers for the people who need an internet cafe?" Me: "two sections huh.....it seems smart. But it needs careful planning around it. Do we really want to have coffee around our computers?" Mandy: "true that." Me: "but I like the wi-fi part. Moving with new technology." Mandy: "okay, let me plan out this part. You carry on with the actual place, and the menu's." Me: "okay then." We sat and chatted for a few hours, bouncing ideas around. Until I had to fetch the kids. I went to fetch chuma and junior, Mandy went home. I bathed the boys and gave them an apple each. I started on dinner while they played in the lounge. I finished up and we ate as they spoke about their day. After dinner I got them ready for bed. Chuma: "where's tata?" Me: "usemsebenzin baby." Junior: "huh?" Me: "work love.." They got into bed. I kissed their cheeks. Me: "sleep tight boys." Chuma: "love you mama." Me: "I love you too pumpkin patch." They giggled. I switched off the light and went to bed. I undressed and wore my pajamas. I got into bed then played with my phone. Oko Lukhanyo ethe cwaka. Kodwa bethe zofowna! I called him, his phone was off. I covered myself and slept....hours later I heard someone try to open the front door. I woke up. I heard foot steps going around the house to the back door. Thank God I had locked it. But it just opened, and someone walked into the house. I took my phone ready to call Stuja. I searched his number as quick as possible. My bedroom door opened. My whole body froze over. He switched on the light. "Still up?" Me: "lukhanyo man! What are you doing here? Uthe ubuya ngomso." Luks: "I managed to wrap it up today. Why you all nervous.....wait..." He sniffed around. Luks: "is he here?" Me: "no." Luks: "okay. So, nayaphi ke emini?" He sat on the bed... Me: "you had the house guarded by your friends, they kept barging in." Luks: "you thought I would leave you here by yourself?" He undressed and wore his pajamas. Then went to check on the boys....he came back to bed. Luks: "I'm listening...." He stood in the middle of the room. I told him the events of today. Luks: "just one favor." Me: "what?" Luks: "this is my house Lihle. You don't just invite people in! Without my knowledge." Me: "this is OUR house, and its not just people!" Luks: "mxm....." He climbed into bed and slept....

Chapter 324

Anda woke up Friday morning and went to get ready for gym. Anda: "baby. Masambe siye gymin alok." Mandy: "a.a babes. Hamba...." Anda: "uske wayonnqena igym Mandy, you haven't been this whole week. Kwenzeka nton?" Mandy: "I'm just tired."

Anda: "you're a fitness trainer, you know better than anyone how to keep your energy up." Mandy: "ndicela ulala tu?" Anda bent down to kiss her cheek. Anda: "I'll be back soon." Mandy: "love you." Anda: "love you too sthandwa sam." He took his bag and left for the gym. He found Lukhanyo already there. They started stretching. Anda: "so what's up?" Luks: "yabon le taimer ifikayo Anda, izandidika. I swear!" Anda: "but why?" Luks: "he's just.....too fucking slick! He's too much man. Did you see how he looks?" Anda: "yeah, he's a chilled out guy." Luks: "chilled out creep, or chilled out chilled?" Anda: "both. You really can't tell, that's just how relaxed he was." Luks: "HAY FOK man! U-relaxed endlin kaban!!!" Anda: "you should calm down. Maybe akananto." Luks: "No, Anda, ikhona into! Something doesn't sit well with me ngaye. He's calculating me, and awti'yam I'm sad to admit that he's out-smarting me right now." They worked on the their shoulders... Luks: "and'kwaz uhlala nje. He knows me!" Anda: "ukwazelaphi." Luks: "kuthen ezondazi nje when I aint around? When I'm coming back!?" Anda: "and when some one is about to enter the door." Luks: "how the??? Hay man!" After their work out, Anda got in his car. Anda: "when you need anything, und'fownele." Luks: "sho fethu." Anda drove back home.

He parked and went inside the house, Mandy was in the bathroom. What was she.... Anda: "babe!!!" She was throwing up. Anda went in the bathroom. Mandy: "No....phuma." Anda: "awuphambene nje. What's wrong?" She put down the toilet seat and flushed. Then brushed her teeth. Anda sat on the seat. When she was done he pulled her onto him, she sat on his lap. Anda: "you've been acting weird lately....like I don't understand what's going on and nawe you're pushing me away everytime I try to find out. You've been this sick for almost a week now, and I'm getting worried mna. Masiye kwa gqirha and see what's wrong baby ndak'cela." Mandy: "I already know what's wrong." Anda: "then tell me kalok mntu wam, so that I can help you." Mandy: "I....." Anda: "Mandy, I promise you...andiyi ndawo, just tell me." Mandy: "I'm pregnant Anda." He was taken aback...he didn't know what to expect. Mandy: "yabona ke pha? I doubt you wanna stay now." Anda: "hee lomtana.....fondin look at me. I'm not going anywhere. I'm not letting you raise MY child alone. Why ungand'xelelenga nje?" Mandy: "ubeno thini Anda?" Anda: "kunin ndiy'funa lento...I promise to take care you both. Sund'fihlela man Mandy. I'm here to stay and not even 10 babies will chase me away. Ndizohlala qha ndongeze inani." She giggled. They got up and went to the bedroom. Anda: "sow'tyile?" Mandy: "no...." Anda: "what do you feel like?" Mandy: "khenze ipapa ye mealie meal." Anda: "heeee, ndizoy'kwazelaphi ke mna baby?" Mandy: "I'll give you instructions." Anda: "let me take a quick shower." He went to shower and got dressed then went to the kitchen. Anda: "so ke babes, ndenzani?" Mandy: "boil water in a pot, mangabi maniniz." He

came to show her. Mandy: "ja aryt. Then take a jug. Galele amanye kuyo plus mealie meal and stir." Anda: "and then?" Mandy: "galele tyiwa. Not too much." Anda: "then ndigalele apha mbizen?" Mandy: "yes...." He poured. Anda: "and then?" Mandy: "zamisa baby." Anda: "until when?" Mandy: "you'll know when to stop." Anda: "hayke ngok." He stirred and chatted to her. Anda: "siya nin ku gqirha...." Mandy: "I don't know yaz..." Anda: "babes enza appointment no Rene alok. Have you spoken to Lihle recently?" Mandy: "uhm yes. Why?" Anda: "has she told you about her dad?" Mandy: "a little....stir again babe" he stirred. Anda: "uthi uthen?" Mandy: "she didn't say much, just that Lukhanyo is being stubborn about him." Anda: "oh...." He stirred. Anda: "iryty ngok baby." Mandy: "kange iqalise tu ubaryt. Zamisa qha wena." They waited till it was ready and he dished up. Mandy: "thank you love." Anda: "yayaz mos, ziwey zam ezi." Mandy: "hahaa....mxm." She put in some sugar and butter and they ate.....

Lukhanyo just finished bathing. I was done cleaning. I called Ta Smig. He needed to come in flesh. I wanted to speak to him because Lukhanyo was acting really ratchet about this right now. He wasn't even talking to me. Luks: "when is HE arriving?" Me: "he has a name!" Luks: "zange al'xelele mna igama lakhe alok." Me: "ungandibuzi nje?" He pouted and went to the bedroom he came back with the 2 teddy bears. Luks: "what the hell's this???" He sneered. Me: "ngoo Teddy bear!" Luks: "oh? Bafike njan apha? Did they just march in here?" Me: "those are for Luthandoluhle, zize noSizwe, cela uyoz'beka pha eroomin yabo tu" he went to fetch a knife. Me: "HAY lukhanyo!!!" Luks: "THIS, is how he knows about us so easily! He is spying on us lihle! Vula mehlo la uwanikwe ngu Yehova!!!!" Me: "these only arrived izolo. UNGEKHO wena!!" Luks: "trust me when I tell you this! These things are bugged!" Me: "and if they're not?" Luks: "uzaobona wena!" He ripped the teddy bears apart. It felt like my chest....it really hurt. Why was he like this? He tore both things apart. Getting a hammer to break open the eyes. I turned to look another way. A tear galloped down my cheek. I wiped it off. Lukhanyo was breathing heavily. Me: "iphi ke Lukhanyo? Where is the device that's spying on us?" I couldn't control my tears. Luks: "no man! Fuck!" Me: "you just tore apart your babies' first present from their grandfather!! Ungumntu onjan lukhanyo?" Luks: "I'm sorry lihle." Me: "don't fucking touch me!!!" I screamed. And went to the bedroom. I know Sizwe is a bit weird. But so is Lubabalo and we're fine with him. Everybody has their own shade of awkward, so what if Sizwe's is a bit darker than most? Uthin ngo Lubabalo ongu Mr 2 identities? He changes into some monster whenever you say just ONE word, like honestly? Luks: "lihle, I'm going out for a few hours." I ignored him. Luks: "lihle ndiyathetha." Me: "ndiyakuva." Luks: "you not gonna say anything?" Me: "ngok bend'the kuwe uSizwe uyeza namhlanje?"

That he wants to meet you?" Luks: "you'll call me xa efika." He turned and walked out. A few minutes later Ta Smig came in. I washed my face and went to the lounge. Ta: "hello nontombi, uryt?" He hugged me then sat down. Me: "can I make you tea?" Ta : "yes please mntanam." I boiled some water and made him tea. Lukhanyo had cleaned the mess he had made. We sat in the lounge. Ta Smig and I. Me: "Ta Smig, I found my father." Ta: "oh, nyan? That's sweet....so uphi ke?" Me: "I don't know." Ta: "you just said you found him njena." Me: "its complicated, not simple okay. I know him, we spoke. But I have no way of reaching him. He kind of just appears. Bethe he'll be here in the afternoon today." Ta: "its almost 13:00pm. Ndizom'linda ke. Tell me about him." Me: "he's been in jail....ever since I was inside mom. So he came forward a few days back." Ta: "is this the guy woyikwa ngu Lukhanyo?" Me: "yeah. He thinks my father is a creep. But fails to look at his Own brother." There was a knock on the door. I went to open it. Ta: "what's his name?"

Me: "Hey. You came." I hugged him...he looked at my face, searching my eyes. Him: "bukhalela nton?" Me: "hay tata, bendinga khali mna." Him: "your eyes are still wet. Jonga." He closed my eye and pressed gently on it then showed me. Me: "yaphosisa und'phandle." He smiled. And tipped his head. Me: " come in." He walked inside. And stood staring at the lounge at Ta Smig. Daddy was wearing a red trench coat today, a blue and red checkered shirt, tucked in dark crumpled jeans. And a brown boot. For a person who is Fresh out of jail, he was pretty stylish. He smiled brightly. Ta Smig: "Sizwe!" Sizwe: "Smilo." He raised an eyebrow. Sizwe: "aww na, no handshake? Hug? Your own bestfriend? Heee." Ta smig shakily got up. Sizwe hugged him. Sizwe: "how've you been." He pulled back and sat down. Me: "can I get you anything?" Sizwe: "nope. I'm good." Ta Smig sat down. Smig: "when did you?...." Sizwe: "a few months back." Smig: "you....." Sizwe: "yeah....I'm back. Heee, I heard about Zakes. Eish, I'm sorry....the boys did good ngoMasixole. Yafundisa mos." Smig: "you haven't changed have you...." Sizwe: "change into what? Nothing is as interesting as I get....you know this." They stared at each other for a very long time. Sizwe: "not even one visit to your best friend. Mk mk mk....the world changes ne?" Smilo: "Lihle, please give us a moment." Sizwe: "no.....my daughter is going nowhere." Smilo: "daughter? Uqale nin ubanomtana Sizwe!" Sizwe: "yay'buza inyehori ke wena. Akafani nam?" Ta smig looked at us both. Me: "Ta Smig?" Sizwe: "where's my son-in-law?" Me: "ndizom'biza." I called Lukhanyo. Me: "cela ubuye lukhanyo." Luks: "on my way." He hung up. Sizwe was peeling a sweet. He tossed it in his mouth and got up to go to the bin. Throwing in the paper. He saw the fluff from the teddy bear. He pulled out the torn ear. And walked back to the lounge. As he sat down he looked at the door, it opened. Lukhanyo walked in with the babies. I took Luhle from him. He went to sit

down with Lutha. Sizwe smiled at him. His smile slowly fading as he held the piece of teddy bear. Lukhanyo looked at his hand. Sizwe stared at him with a straight face then shook his head... Sizwe: "molo nawe bhuti." Luks: "molo ta." ...

Chapter 325

Sizwe: "maybe I should just go." Me: "no tata...you're staying. Lukhanyo?" He got up to shake his hand. They shook hands. Me: "lukhanyo.....can we talk?" He got up and we went to the bedroom. Sizwe: "so ubuz'misele ba you'll let me rot in jail?" Smilo: "it wasn't like that Sizwe. You knew how it was." Sizwe: "No, I don't. Explain to me." Smilo kept quiet. Sizwe: "akasekho ngok uZakes. NoTivo lowo. Ushiyeke wedwa. So you better speak up." Sizwe took off his coat and lay it next to him on the couch. Rolling up his sleeves. Smilo: "sizwe, ufuna nton apha?" Sizwe: "andizanga kuwe tu...came for my daughter." Smilo: "this is not about uLihle!" Sizwe: "hee ucimba ndize kuwe?" Smilo: "askies Sizwe. I'm sorry." Sizwe: "I still want to know why." Smilo: "Zakes said so, he said family was more important waye ngu brother wam!" Sizwe: "I was more of a brother to you. Than he ever would've been. But it was about the Mzinyathi blood right? Nothing else." Smilo: "there was nothing I could do." Sizwe: "and you ended up forgetting about me. Not even checked if I was alive or dead." Smilo: "it was part of the plan Zakes had made. Wayengafun ndize kuwe!" Sizwe: "ufa kwakhe? Still ebek'valela? But you know what? I forgive you. Only because intombi yam itshatele apha. If I was around it would never have happened. But ke enkosi ngondigcinela yena." They sat in silence. Sizwe: "kuthen uthe cwaka kengok? Aren't you gonna update me?...". Smilo: "you already know mos. What's the point." Sizwe sighed. Sizwe: "ndik'xolele ke." Smilo: "but?" Sizwe: "but nothing. Uphison in law?.." Lukhanyo and I were in the bedroom. Luks: "lihle." Me: "yes." Luks: "ufuna nto utatakho fondin." Me: "ay'se muncu ke lento uy'buzayo baby." Luks: "clearly kukho history pha kuye no Ta Smig. And its not good." Me: "he's not here to hurt anybody." Luks: "could've fooled me!" Me: "masambe..." He lay a sleeping Lutha in his cot, I took Lihle to the lounge. It was dead silent. Me: "does anybody want tea?" Sizwe: "ha.a mntanam khahlale phantsi. Ukhe uphumle." I sat down next to him. Lukhanyo sat next to Ta Smig. Lihle looked at Sizwe. He smiled at her and she hid her face. She looked at him again and reached out her hand to touch. Akandixhusha man. I gave her to him. They seemed to like each other. The look of envy on Lukhanyo's face. Lihle was just giggling happily. Smilo: "so ubusy nanton ngok

Sizwe: "so ke yade yaphelaphi eyaka Zolani? Did you find him?" Smilo: "sizwe hayi!"

I took my things. And packed Luhle's bag. I would be taking her with me, ndishiye

I took Luhle. Me: "usezohlala?" Sizwe: "wena ufuna ndihlale?" I nodded. Sizwe: "then
I'll stay." He smiled. I took my bags and left.....

Lubabalo and Liya got to the Four Seasons Hotel.. Lubby put down the suitcases and
locked the door. Liya: "I just need a bath. Ndingcangathe. That was one long ass
flight." Lubb: "I know right." He went to run the water in the round bath tub. He
poured bubble bath and salts. They undressed and entered. Liya: "finally..." She lay
back on his chest and he held her in his arms. Lubb: "yohh this place is fuckin cold."
Liya: "yoh mntu wam...ivakala emathamben ingqe." Lubb: "what are we having for
dinner?" Liya: "what do you have in mind?" Lubb: "I'd rather have you for dinner,
everyday of my life. And noze ndidikwe." Liya: "haha...ei wena...you're just
something else yaz.." They bathed and soaked then got out. Liya: "quick nap babes."
Lubb: "for who?" He lay her on the bed. Lubb: "you've been teasing me all the way
from Africa, you cannot expect me to sleep." Liya: "khayenze qala..." Lubb: "inton?"
She batted her eyelashes at him he kissed her breasts, then her stomach. Finally
reaching his castle. He planted a kiss on it. Then licked.....liya moaned his name. He
sucked on it, using his fingers inside. Liya: "slow doo-own...baby...." He kept
going...until he felt she couldn't wait any longer. Then he got up and went to his
suitcase. He took out his condoms and put one on. He entered her, firstly moving
slowly..... Liya: "faster...." She moaned. Lubb: "huuh??" He smiled. Moving faster,
bumping into her. Liya: "babyy....." Lubb: "shhhh..." Liya: "nnooo babyy maan...."
Lubb: "yess?..." He couldn't control himself any longer, he groaned..and thrust in one

last time. He released. Laying on top of her. Liya: "udiniwe ne?" Lubb: "ja, but I was horny, bend'ngasoze kwazi ulala without just one...." He got up and wiped her, then himself. Removing the used condom. He took a wet towel and wiped her again. Lubb: "let's get dressed, I wanna show you something." They got dressed. He wore his dark navy jeans, vest and black polo neck. A scarf and a black coat with boots. She wore jeans. A leather high platform boot, cream jersey and a coat with a beanie. Lubb: "Good God. Those jeans." He shook his head. He went to his suitcase and took his wallet, and the little box. He smiled to himself in excitement and being nervous. He tucked it in his coat and they left.

Thulani had followed the directions Lihle had given him. He parked outside a nice house. Jeff: "are you sure about this?" Thulz: "more than anything timer." Jeff: "I want you to know, we can go back any second, if you change your mind. Its okay." Thulz: "I am going in." Jeff: "and then? What you gonn say?" Thulz: "whatever comes to mind first." Jeff: "Thulani....." Thulz: "tata." Jeff: "mas'ngene." They got out the car and walked toward the house, they knocked on the door. Then waited. The door opened. A woman stood at the door, in her late forties. Woman: "molweni ndingan'nceda?" Jeff: "uhm....son." Thulani stepped aside. Jeff: "sorry sisi, to bother you. But there's just something that I need to discuss nawe notata wekhaya. Singa ngena?" She looked at him, he smiled. Woman: "uhm, okay." She opened and they walked in, sitting down on the couch. Woman: "JONGIZEMBE!!!" She yelled. Thulani held in laughter, Jeff poked him being amused himself. Jongi: "hey, hey, hey!!! Uthen na wena und'khwaz ingath uhle ntaben?" Woman: "kukho abantu abazothetha nawe!" Jongi: "andikho!" Woman: "jongizembe....." Jongi: "ndiyok'hlohla inyawo ebuswen uzuphinde uthi Jongizembe net." Thulani wanted to laugh sooo badly. Jeff whispered to him: "Thulani khaz'bembe fondin." Thulz: "I need to call Lubby." He giggled. Jeff: "no! Yamaz Lubby yoyenza worse! Just sit still. Thanda qith uhleka." Thulani composed himself. Namhla walked in the door, with a plastic from Pick n Pay. Woman: "us'fumene esaspice?" Namhla: "ewe mama." Woman: "beka pha ekitchen uyo biza tatakho, kukho abantu abaze kuye. Khamcenge ahle tu." She went to the kitchen passing by the lounge. Namhla: "molwen bhu-" she got a shock to see Thulani's happy face, smiling at her. Namhla: "thulani funa nton apha!!" She whispered. Thulz: "zobona wena tshin baby." He said Rather loudly. Namhla: "oh Yesu. Yehova. Somandla. Thixo wam ondim'khonzayo. EHLA!" She disappeared into the kitchen as she heard her father come down. Jongi: "iyawa yinton Nomathamsanqa Ngok!!" Noma: "kuze abantu bazobona wena." Jongi: "u-sure abazanga kuwe na? Molweni." Jeff got up and greeted Jongizembe. Jongi: "ewe?" She couldn't answer this, because she didn't know. Namhla: "baze kum tata.." Jongi: "hlala apha ecamkwam ke. Nidlulise umnyalezo wenu." Thulani didn't like this. How could he call her baby in front of her parents? Tell her how much he missed her? Tell her he loves her?.... The mother got up and walked to the kitchen. Jongi: "thetha kalok kwedin." Oh fuck it, thought Thulani. Thulz: "Namhla, bek'then zungafowni? Tell me where you were?" Namhla swallowed and looked at her father. Namhla: "and'na phone. I can't contact you." Thulz: "ndiyakukhumbula fondin....I can't do anything...ndi-hopeless nasemsebenzini. I can't focus on anything. I love you." Jongi: "hehake. Kange kuthwe ngu friend na?" Nguwe lo undenze so..." He kissed her... Thulz: "I missed you soo much." Namhla: "I missed you too.....sorry about my parents....they're kind of separated living in the same house. Reply: "hay baby, you're not alone mos." Luks: "please come back." He walked back to the lounge. Smilo: "Lukhanyo, let me introduce you officially. Ngu Sizwe lo. An old friend of mine. What a coincidence abe kanti ngu tata ka Lihle." Sizwe: "kudala kwatsho no Zakes, ba nyana wakhe uyotshata ne ntombi yam just so we could never break apart. Kanti wayenga xoki, nantsi yenzekile." Sizwe: "bit of a temper problem don't you think?" Luks: "I'm only trying to protect my family. Because nawe tata ufike ngendlela engaqondakaliyo." Sizwe just stared at him. Smilo walked back in. Smilo: "uhlala phi." Sizwe: "endlinam." Smilo: "oh. Naban pha." Sizwe smiled at him..... Smilo: "ohh...." I only came back a few hours later. Lukhanyo was sitting there uncomfortable trying to feed Lutha. Luks: "itya alok boy...iza man.." His patience was wearing thin but he didn't want to lose his temper in front of the new grandpa. Me: "sapha ndimtyise." I went to put Lihle down and took Lutha. Me: "can you go fetch the kids?" He took his keys and walked out. Smilo: "umkhumbula kakubi ke ubhut wakhe ngok." Me: "ndamaz xa eqala eza moods zakhe, its only gonna get worse. Andaz noThulani ude abuye nini na." Smilo: "uzonyamezela wethu Mamngwevu." I went to change Lutha's nappy. Me: "kudala ehlel Ta Smig?" Smilo: "about 2 hours now...ngathi akozeli tu.." Sizwe: "kham'sapha." I gave him Lutha. You should've seen the look on Lutha's face. Like Who TF is this? His little hand held Sizwe's chin. Touching the facial hair. I went to start up on dinner so long. The way Ta Smig was laughing at Sizwe's jokes about prison. Wonwabe nyan...then why didn't he visit him in jail? Yoh a.a sana the last time I played detective, I landed up with a monster ready to eat me alive. Just as I was shaking the memory from my mind. Sizwe was in the kitchen. Sizwe: "lihle." I got a mini heart attack. Me: "ta?" Sizwe: "I have to get going soon...." Me: "aren't you

staying for dinner?" Sizwe: "and'zokwaz mntanam there's somewhere I have to be." I wanted to ask where. But I knew he wouldn't tell me. Me: "okay...uhm....when can I?...." I trailed off....I knew the answer. Sizwe: "whenever you want to....you're welcome." He kissed my cheek and took his coat, walking out the door. Mandy knocked, I led her in to the kitchen...Luks: "I felt like I was gonna die." Smilo: "umince nton wena?" Luks: "he just creeps me out Ta Smig. Khona what's up ngaye?" Smilo: "he's just like that, uzode umqhele." Luks: "he does not like me one bit." Smilo: "sizwe is like that with everyone." Luks: "ligintsa." Smilo: "nope.....he was just a friend, wayethanda uhlala nathi qha...waza noZolani, then satshomana sonke." Luks: "nguban uZolani?" Ta Smig got up and went to fetch a crying Luhle.....

Mandy: "who was that?!!!" Me: "who?" Mandy: "lowa maan besandophuma?!" Me: "why are you so jittery." Mandy: "its the way he spoke. Yoh." She leaned on the counter. Me: "ngu Sizwe lowa." Mandy: "mhle shame, he has some weird charm about him. DaaMmm...." Me: "that is my father." Mandy: "well, you have a very hot father, excuse my forwardness girl. Rhaa." Me: "sies mandy..." I laughed. Mandy: "struu Lihle, that is an ideal sugar daddy. Not ez'nto zine zisu ezinkulu, bane kiss madolo umntu xa ehamba. Sogqiba ibrukwe imshiye qhathen...lona, if I wasn't in a relationship, and he wasn't your dad. I would flaunt him shame ndingabinayo ne ndaw enentloni because ke san-" Lukhanyo walked in.... Mandy: "so ke sana, uNwabisa wathi its okay, she'll be able to help, so ndizok'cela ke ku Mr, if you could be able to tonight, siye pha, to brainstorm, plus she's having a little girls' thing. So if its okay with....." She pointed at Lukhanyo. Luks: "uthetha nam?" Mandy: "kind of." Lukhanyo looked at me. Me: "mh?" Luks: "niyaphi?" Mandy: "eDwesi" Luks: "can I drop you off?" Mandy: "I will use my car, its okay. Sohamba ngayo." Luks: "okay." I tried to speed up cooking. Mandy: "ungaz'nxamisi wethu....where can I help?" I gave her the vege's. Mandy: "ncaaaw bethuna, so I told uAnda ke, he seems kind of excited, he uses google to research what he needs to do. Heeee, izolo. Ungahleki." Me: "I promise I won't laugh." Mandy: "okay, I was in a mood, so ndiyathukisa ke ba he doesn't know how I'm feeling and kunizma for mna, I'm getting tired quicker these days and his nagging isn't helping, I told him for once to put himself in my shoes. Ndiyavuka ke ksasa." She started giggling. Me: "yaz'bona ke uhleka kqala." Mandy: "okay okay, so I wake up this morning. Ndiye kitchen. He tied a cushion on his tummy and wore i-nighty yam. Mandy: "he had that thing on way'khulula xa kufika uMabheka. Worse ba I'm not even showing." Me: "give him the benefit of the

So ke he bought me snacks and some crackers, I have to eat xandivuka ndiziva ba iyaqala." Me: "he went to all that trouble? Kodwa that is sweet Mandy maan." Mandy: "I know hey." We finished on the pots. Mandy: "khabe uyolungisa, I'll finish up here." I went to the bedroom and changed. I wore tight grey pants and a white crop jersey. I had on a scarf and clipped my hair to the side. I washed my face and re-applied my make-up. Wearing my platform white leather boot. Lukhanyo walked in. Luks: "hay hay hay hay! Yabona kengok!" Me: "whaat???" Luks: "khange nithi its a girls night in? Why you wearing such high shoes looking like you tryna whisper to God?" I tried hard not to snap. Me: "ndikhuphele is'hlangu ke Lukhanyo." He went to our shoe cupboard and searched for a shoe. He took out a sandal. Me: "kubanda?" Then took out flat brown boots. Luks: "there." Me: "the colors DON'T fucking match! Grey white and BROWN???" Luks: "then I'm afraid you'll have to change." Me: "nxilile. Sendiqibile mna unxiba." Luks: "iheels lihle? To a chilla's you're wearing HEELS? Are you sure niya k'le ndaw nithi niya kuyo?" He was changing my mood kengok. I took off the damn boots and threw them to the floor. I took off my pants and wore plain jeans. Dragging the jersey off to wear a polo neck. I wore the stupid flat boots. Took my bag. Luks: "lihle!" He grabbed my arm. Luks: "uske uthin na? Like I can't do this with you ulol'hlobo." Me: "you like to take control over every damn little thing man Lukhanyo and the moment something bruises your ego, you got your tail between your legs woyike uqiba kwakho uzokuphela kum umsindo. Khasuke ndihambe!" Luks: "you're not leaving this house until we sort this shit out!" Me: "there's nothing to fucking sort out!" Luks: "uyageza xa ubona bantu wena. Unayo lonto ufune undenza isdenge." Me: "kukho abantu ngok eroomin yethu? Ndigeza phi?! Uyinton wena kwis'nxibo sam? Why do you have to wear ibloomas ungene into yam ne wardrobe YAM!" He sat down and laughed. Luks: "heee uyandiqhela Lihle. Ndinxiba ibloomas ngok?" Me: "sund'capkisa maan lukhanyo ndizoyo dibana nabantu!" Luks: "alok baby wam uxolo, but ke nyan, amaquza ayaphi kwi Girls night IN. Bizovakala if beniphuma." He pulled me closer. Luks: "I'm sorry I been acting like a dick about utatakho. Luks: "okay ke babes. I'll wait." Was that it? WOW. I took my bag and walked. Luks: "aren't you forgetting something?" He did his puppy dog face. I went to kiss him. Me: "bye boo." Luks: "sure ke Mrs Luks." I left with Mandy.....

Ta Smig and Lukhanyo sat in the lounge. Luks: "Ta Smig. I'm not gonn lie to you, I don't like Sizwe." Smilo: "sizwe is not a danger Lukhanyo." Luks: "ubungayi for nton

etrongwen kuye?" Smilo: " I tried covering for yena. But ndaqandwa nguZakes. If I had taken the wrap for him, then we wouldn't be here today. Ngow'nga tshatanga Lukhanyo, or you would never had met Lihle! Yamaz uZakes unjan...I had to make some hard decisions!" Luks: "but wafa utata, then?" Smilo: "I couldn't face him Lukhanyo. Bendizothin kuye? After all those years!" Luks: "then why he is like this? Enyonyoba." Smilo: "he's always been that type. He has a sharp sense of things, especially umntu ozayo." Luks: "now that's creepy. Zinto z'ka sathana ezo Ta Smig, ayikho lokaka!" Smilo: "way'fundiswa ese mncinci lonto ngutatakhe. Latata waye phangel eArmy. He was brutal. He taught uSizwe things you could never understand, wam'isolater wam'hlalisa yedwa ehlathin. He taught him how to differentiate sound, no-controller heart rate yakhe...engatyi kutya kutyiwa ngabantu. He had to Hunt for food..." Luks: "how do you know ALL this!" Smilo: "wandixelela ngenyi min...sihlel kunye..." Luks: "how the FUCK do you control heart rate?" Smilo: "ndaphants uz'chamela lukhanyo and'fun noxoka. That is why he is different and weird and lives in a space of his own. Akathandi ncam uthetha that's why he just stares at things and people xa edikwa." Luks: "so in other words, he lived in a bush half his life, got out, saw the world and its people. WAPHINDA wayovalelwa. Remind me never to step on his invisible tail." Smilo: "he would never hurt you. Akayo animal lomntu he's never killed before. So ke as I was saying. He was with Zakes noZolani and I...siyosela. Caba Zakes alwe no Zolani. Because Zolani befun balipolisa. Zakes knew it wasn't going to end well with them because kakade babengavani ncam. So, kwanqanda enyi tshom kaZolani....." He looked away. Luks: "and then." Smilo: "Zakes stabbed him to death." Lukhanyo's heart broke, he knew his father was mean. But this? But what difference is he to Lubabalo? Smilo: "so we had to leave. Sonke.... But akavuma uSizwe, because Zolani waye emotional engakwaz uhamba without his friend. Mna ndahamba no Zakes." Luks: "uphi Zolani ngok?" Smilo: "he died the following week. Sizwe wahlala yena, wabanjwa. When they asked who killed the 2 guys wathi nguye. Of course there was a witness, but wa-confesser and the polygraph machine yathi uthetha inyani." Luks: "how did he....." Smilo: "like I said. He can control his heart rate... Lomntu ukhula kwi environment e-open. Akhonto imothusayo. Which is why, he is what you call creepy." Lukhanyo sat there on that chair, with mixed emotions. He had a scary father-in-law. Hay ingathi uzoncokola into evanayo noLubabalo. I am not in their league.

Lubabalo and Liya sat in the restaurant. Liya: "ivalwa nin lendaw?" Lubb: "24 hours babe. Ufuna uhamba?" Liya: "nah...I like it...and its not cold...." He calculated in his mind...how was he gonna do this. His heart beat increased. He swallowed hard. She was chatting, all bubbly and happy. Liya: "are you okay? Ingathi ndiyak'bora." Lubb:

"hay baby....awund'bori..." Liya: "talk to me, what's up." Lubb: "do you really want a future with me Liya? Like thetha inyan, ndizo understand. I don't want to force anything on you." Liya: "you're not forcing me to do anything. I want to be with you. Yes, I want a future with you." Lubb: "then there's things you need to know about me. I'm not as innocent as I look. I'm not....." Liya: "what's going on Lubabalo?" Lubb: "I know what I'm about to say, will break us apart. You won't want anything to do with me. I will understand. I love you so much Liya. I can't hide what I am from you. I can't. That means I'm gonna be living a lie." Liya: "look, I'm not going to judge you...I love you too babes, whatever it is, we can work through it together." Lubb: "I'm a monster..." Liya: "no you're not...baby, come on." Lubb: "liya, ndibulala bantu....I have killed people, cut them done things I can't bear to think of. This is why I hardly sleep xandi ndodwa. Abuhli ubuthongo. I don't even feel bad about it, I don't know yinto endandiy'colaphi le. I just get so angry. Ndingakwaz uz'controller." His hands were shaking.... Tears ran down his face, he couldn't look at her. Liya: "you brought me half way across the world to tell me you're a serial killer?" Lubb: "I wasn't planning on telling you...its just that I am sane when I'm with you. You calm me...ndiyak'thanda Liya. You're everything I want. Need. Please don't leave me....." Liya: "ndizok'shiya ndiyephi lubabalo? Tell me, ndizobaleka ndiyephi mhlawmbi? Swim back to South Africa?" She couldn't control her tears. Liya: "nothing you say will make me stop loving you." His heart jumped in his throat. She touched his hand and held it. Liya: "yayaz la ngoma ka Adele?" He shook his head and smiled. Lubb: "khand'culele..." Liya: "I won't go, I can't do it on my own, if this aint love then what is? I'm willing to take the risk." He got up and kneeled in front of her, taking the little box out of his pocket. He held her left hand. Lubb: "Liyabona.....nobody can measure what I feel for you, but then again, nobody can complete me like you do. Whenever I see you, all my blood rushes to my heart, my brain stops working, I go crazy. You make me numb, I'm kneeling over here so terrified of you, because a King can only be tamed by his Queen.....please make me the happiest man on Earth. Will you marry me.?" The RnB in the restaurant was turned down, everyone stared at them emotionally waiting for her reply. She was in tears, speechless and shaking. Liya: "Yes!" She managed. He got up and held her tightly, the crowd cheered and whistled in joy...

In Dwesi, I met with Nwabisa, Lulama, Weza and a few other girls. We sat at the table and had a chat. Because Mandy had to bring up the "my dad topic"... Mandy: "you guys should meet her dad. Ndakwaz ke wena Nwaiza." Nwaiza: "wazi nton? Hahaa...yuh khayekane nam man Mandy, ndiyekile udyola." Mandy: "you know that lasts only a week." Nwaiza: "yoh, ndikhe ndiretise ngquza yam man. Nwaiza: "yoh, there was once an unfinished article emsebenzin ke, about a guy called Sizwe T-something and'say'khumbul ne surname yakhe." Mandy: "don't you write those murder articles na wena?" Nwaiza: "ewe but it wasn't written by me, or my team, nday'bona qha. Kuthwa he literally admitted to everything before they even questioned him. So bamane ngoy'investigater because they thought he was covering for someone." Mandy: "what does that have to do with anything that we're talking about? Yathanda uthetha into ez'phume calen wena, this journalism of yours makes our convo's run off track." Nwaiza: "mxm va.....but in any case, how's Anda?" Mandy: "Oh my Goodness, he's such a sweet! He's been supportive throughout and ke ancedise shame nalapha endlin." Weza: "why?" Nwaiza: "supportive with what?" Mandy: "I'm pregnant." Nwaiza screamed. They all hugged her. Lulama: "oh my goodness! Yaphela iFigure!" Mandy: "but its so worth it yaz. I'm falling in love with the idea." Nwaiza: "how many months?" Mandy: "we're checking that with the doctor. Bend'senze home test." Weza: "and the symptoms." Mandy: "ndicengwe nguLihle....otherwise ngendinga khangе tu ndiyazi." Nwaiza: "you're pregnant too?" Me: "no.....I have babies." Weza: "nccaaw...banangaphi?" Me: "they're 5 months old now." Nwaiza: "they?" Mandy: "twins! Yoh, the cutest ava." Weza: "oh bethunana...amagama abo? Is it girls?" Me: "its a boy and a girl. Luthando Luhle. Bathiy'wa ngutatabo." I showed them a picture where Lukhanyo sat with them in bed. He was under blanket, half naked, only his chest showed. Lutha's hand was in his mouth while he dressed Luhle. Nwaiza: "ngutatabo lo?" Me: "yep." She showed the others. Lulama: "zange ndaz'thanda ke iitattoo's kwi ndoda but damn.....umhle naye shame..." Nwaiza: "shame phi? Umhle qha qwaba utata wabantwana bakho sana." She scrolled and saw a picture of me and him alone. In bed. I had to snatch the phone, that was too intimate. Me: "he is my husband." Lulama: "mhh.....that's cute." Mandy: "and he has a twin." They screamed in joy. Nwaiza: "how does he look?" Lulama: "does he have tattoos??" Me: "hahaa....ufana naye." Weza: "like identical?" Mandy: "copy and paste tshomi." Me: "but he's in a serious relationship." Nwaiza: "so?" Mandy: "uwoah, khayeke abanye abantwana bonwabe Nwabisa! Anyway, enough about men.

Let's start ngale ye business." Weza: "cela okwe selwayo mntaka bawo." She got up to fetch 2 carrypacks of Savanna. She handed me one. Me: "andiseli mna. Thanks." Nwaiza: "ngu wife and mother lo, tshi, uzosela njan?" To tell you the truth, I was bored. Throughout. Only person keeping me entertained was Lukhanyo on whatsapp, I kept giggling as he sent me pictures of everything he could see. He sent another message: "can I get a kiss?" I replied: "hlel nabantu maan baby khayeke. Andik'phazamisi ke mna ne boys." Him: "because you always have something to do. Ndiz'tyisile zonke ezi. Chuma and Junior batipe aphe front. L and L are asleep." Me: "I'll be back soon va." Him: "and entertain me?" Me: "no, ima put you to sleep too." Him: "😞:(" mandy asked: "are you hearing me?" Me: "oh yes. Uthi we'll need to go look for a space?" Mandy: "okay. That's me and you's task. Nwabisa will take care of the decor. Weza Lulama will organise us waiters. Okay ke guys, we'll meet up next week again to check progress." We got up and left for home. She dropped me off and went to her place..

The next morning was sunny. I woke up feeling happy for some odd reason. Wait its not an odd reason, I have something to smile about. I have a mother and father, a husband and beautiful kids. I looked at Lukhanyo who was sleeping peacefully next to me with a light snore. I kissed his cheek and got up. Brushed my teeth and washed my face. I went to start on the day's most important meal. I was feeling so excited. All of a sudden I missed "him" ...he said I could go to him any time I wanted right? 😊 :) lukhanyo woke up and walked to the kitchen with his boxers. He took out milk and poured in a glass staring at me. Luks: "good mood huh...." Me: "just happy." Luks: "about?" He asked suspiciously. Me: "You." I kissed him. Luks: "why am I so special today? What happened at that meeting?" Me: "nothing babes." Luks: "ubabonise ipic yam, for sure khona othethe something now you feeling threatened." Me: "oh nigga please. They didn't say much. Just 'oh ok'" Luks: "awuxoki Lihle!" Me: "manyan, they weren't really phased." Luks: "yoh.....lubabalo was right. My pretty is fading." He walked to fetch the kids. Me: "I still think you're pretty boo!" I yelled after him. Luks: "you don't count babe." Me: "why not?" Luks: "because you're my wife, you're supposed to make me feel better." Me: "whatev's." As soon as I finished with breakfast I went to take a shower. I got dressed. Nothing fancy today, just a black and white newspaper printed maxi dress with white sandals. I wore the big earrings. And bangles. Luks: "I'm taking the kids out. We'll go to the park or something." Me: "lovely." Luks: "another meeting?" Me: "kind of.." He stared at me with that "don't tell me its Sizwe" face. But I had to tell him. Me: "ndiya ku Sizwe." Luks: "I see." Me: "please come with." Luks: "I've already promised the boys we'll go play soccer at the park." Me: "fine." Luks: "take Luhle. I'll take Lutha with us." Me: "no, uzodlala njan

uphethu umntana?" Luks: "noTa Smig promised to come." Lukhanyo is such a big fat liar. Akafun ya kuSizwe qha. Me: "okay then." He bathed the babies. I helped him dress them. Luhle wore a white dress too. Luthando wore red shorts and red t-shirt. I took Luhle's bag and we took the Benz. I left for KwaZakhele. I parked at the house and texted Lukhanyo: "I'm here. Mwah, love you." He replied: "love you too chocolate muffin zam." I took Luhle with her light blanket and locked the car walking to the house. I knocked. No answer. I knocked again. I heard a voice inside. I couldn't make out what he was saying. So I just stood there like a retard. The door opened. Sizwe smiled from ear to ear. Tipping his head like he always does. Him: "what a beautiful surprise." He looked behind him. "Ready?" He opened the door and a girl walked out. She stared at me then at Luhle. Sizwe: "ncooo bethuna umntanam...." He took Luhle and we walked inside. He was only wearing jeans. We sat in the lounge. Me: "sorry but nguban lowa?" Him: "omphi?" Me: "lo bephuma apha?" Him: "la sisi und'clean'elayo." Oh, okay. My heart rested. Hayi man.....is he sure? Cuz she had just-fucked hair and looked a bit shaken. But he looks so genuine, angaba uyaxoka? Him: "what's wrong?" And how does he always know something's wrong. Me: "akhonto tata." Him: "your eyes tell me something different." I looked at him and he raised an eyebrow then slowly smiled. All was forgotten. Me: "busow'tyile?" Him: "nah." Me: "can I make you breakfast?" I got up and walked to his kitchen. Me: "do you have eggs?" Him: "no." Me: "what do you have?" I checked the cupboard. It was empty. I checked the fridge. Empty except for a covered bowl. I went to take it out but he pulled me by my waist and closed the fridge. Him: "I'm not hungry." Then walked to the lounge. This can't be right. Inoba tata kanamali? Kutya? Why doesn't he speak up though. Okanye he doesn't want to bother me. I took the key to my car and left, leaving him with Luhle. I quickly went to shoprite and bought a few ingredients. He HAS to taste my pancakes. Akana choice 😊:DI bought meat as well and vegetables. I drove back to his place. He was still sitting in the same spot with Luhle. He held her up and she was baby-talking him, touching his face. I walked in with two plastics. He didn't smile. Just stared at me. Me: "I just want to make you something." Him: "Lihle." Me: "ta.." Him: "I said I'm not hungry." Something about the way he said it made me want to sit the fuck down. Why did I even come here. I went to sit down. Questioning my existence. Sizwe: "I've got everything I need. You don't need to worry about me." Me: "its just that....I don't want you to feel alone. Ndikhona." Him: "I know." Me: "okay, can you tell me about your childhood, wakhulela phi? I've always wanted to hear these stories." Him: "I don't remember."What? How can he not remember? Me: "uhm.....okay, what do you remember then?" Him: "I remember, ndisiya ku mama wam for the first time. I was 16. Tata

wam had just died. And yeah. That's pretty much my beginning. Tell me how you met Lukhanyo." Me: "oh well, I was walking to a friend's place, wamisa moto, and wabulisa. At first andam'hoya. But he kept insisting until I took his number. We met again later that day...then yeah. Here we are." Him: "and he just decided to marry you?" Me: "well.....partly because I was pregnant ngu Luthandoluhle." Him: "I like him, by the way." He smiled. Me: "well, he is convinced that you hate his guts." Sizwe: "uzoqina. I'm not much of a Barney." Me: "what is a Barney?" Him: "I'm not friendly with every second person. Caba ndihleke nengahlekisiyo. Hayi." Me: "my friend seems to like you." Sizwe: "mh.....from yesterday?" Me: "yeah...." I had a question I wanted to ask. So badly. Him: "what is it?" Me: "how do you.....know things." He laughed. Him: "I don't Know things. I can just tell the difference. I calculate." Me: "but how?" Him: "andaz nam, I can just do it." Me: "show me." Him: "okay. Here." I took Luhle and he went to bath and dress. Him: "come....." We walked out the house. He locked and we left.....

Namhla was in the kitchen that saturday morning helping her mother with breakfast. Mama: "yak'lala la kwekwe." She wasn't ready for this topic. So Namhla kept quiet. Mama: "Ndiyathetha Namhla, are you sleeping with that boy." Namhla: "hay mama!" Mama: "you are too young, to be having sex!" Namhla: "mama please not now." Mama: "hewethu, yes now!" Chapter 328

Namhla and Thulani walked hand in hand at the mall. Namhla: "andidikwe baby, they're forever fighting. Can you imagine namhlanje utata chased my mother with a shoe all the way outside? Abadala!" Thulani laughed. Thulz: "babes. You have wonderful parents...." Namhla: "thulani these people hate each other's guts. I don't know basa'hlaleleli nton kwindlu enye!" He pulled her to the side and leaned against the wall. Thulz: "look at me." She looked at him. Thulz: "yambona tatakho? He will never leave your mother. Same goes for your mother." Namhla: "they say they're separated." Thulz: "hahaaa....mxm. Who separates with someone and lives in the same

house with them? Baby yam. I know divorce, I'm going through it right now. Umntu xa engamfuni omnye akamfuni nyan. Like ubanaar nje ngo jonga, veske ucaphuke. I can't even explain the feeling of hate that you may need to go through a divorce. Awuthethi nothetha nalomntu, umyeke njeng'be njalo. You drag them out your life whether they like it or not. If its still cute push me type of hate, abeka fun udivorce(a) trust me." Namhla: "then why belol'hlobo?" Thulz: "because your father can't live without your mother. And naye mamakho can't live without your dad. They just need to realize it qha." Namhla: "how?" Thulz: "they'll find their way." They walked to the cinema. Thulz: "ndamthanda tatakho va.....damn that guy. Even utata uthi yamthanda." Namhla: "yeah, he's a real charm ey." She giggled. Namhla: "I'm still shocked at how easily he accepted us...nangok ndim'xelela ndiza kuwe he just said ok qha." They bought their tickets and went in. Thulz: "angand'faki dzedze nam." Namhla laughed. They went inside to watch their movie. Thulani fiddled with her kissing her... Namhla: "yand'phazamisa ke bonanje. Mna I'm watching a movie." Thulz: "I'm making my own." Namhla: "khame baby man." He took her hand and placed it on his extended organ. Thulz: "kunin ndik'khumbula." Namhla: "then why did you bring me here...." She smiled. Thulz: "because the hotel is just a few minutes away." He bit his lips. She got up and walked out. He followed.....

Lubabalo and Liya stayed the previous day in bed. It was in the evening they lay in each other's arms. Lubb: "you just broke your own record....that was the greatest sex ever." Liya: "how come?" Lubb: "because I was making love to my wife, not fucking my girlfriend. Its soo much better, knowing ba yeyakho wedwa." Liya: "fiancé babes." Lubb: "I can't wait to tell Demi. Bethe uya eSouth africa ke andaz ude afike nin?" Liya: "what if ufika ungekho?" Lubb: "I left Lukhanyo's number. Sylvia will call him." Liya: "akumandi ubane wele elifana nawe." Lubb: "yeah....so we have only one day left....kanye ufuna sihlale?" Liya: "you probably miss your family...." Lubb: "I do yaz. But I love you. And I want to be here with you." Liya: "okay ke sthandwa. We'll have other trips though. Then sihambe noLukhanyo no Lihle and the babies." Lubb: "or....we could just take the babies and let them have fun alone. Ever since they got married yaz baby they haven't had enough fun. Even though they don't mind, because they're inlove with their kids. But ndifuna ubenzela something special for their honeymoon." Liya: "you are the sweetest brother yaz.....that'll be a great idea." Lubb: "but uLihle is starting school next month and she has this new business ngok. You know ke when she starts something she gets super attached its like Ngca." Liya laughed. Liya: "uthi ngca baby?" Lubb: "uske und'hleke. Where's my phone? I haven't seen it ever since we got here." They searched for their phones. Lubabalo switched his on. Emails flooded in. Lubb: "oh goodness yinton ngok." Liya: "what's wrong?" He

pulled her onto his chest. Lubb: "okay no, this is work....Lukhanyo took care of it. Here's another from him." They read it: "buya nin 😊-_-?" Lubabalo laughed. Lubb: "noba une moods ke pha." He replied: "aww Fasti WAM. Guess what?" Lukhanyo: "no....ubuya NINI. Yoh, things are in the hot pan kwel'cala. Nditshiswa yi-oil sani." Lubb: "why? What's wrong?" Luks: "just get back as soon as you can." Liya: "and now?" Lubb: "ey baby. Lihle found her father. The guy is quite scary. Ndamaz Lukha noba yamoyika. But something else must have happened." Liya: "don't you think you he needs your help?" Lubb: "lukhanyo is grown babes. He can take care of himself. Plus, I've got a fiance now. You're just as important." He kissed her. Lubb: "when are we having a baby?" Liya: "not now babe, I still want you to me only." Lubb: "Unomona yaz" liya: "you still have Lutha njena." Lubb: "that's my lil nigga.....yoooh. Lubb: "uhmm....ndizova kuye ke yena ba ufuna nto..." Liya: "hehehee....nice. Khazapha ke." Lubb: "I just wanna eat you up." He climbed on her... Liya: "I don't wanna be eaten ke mna...you have a whole lifetime for that." Lubb: "ne? What are we having for dinner?" Liya: "there's this other italian restaurant I saw...can we try it?". Lubb: "anything for my wife." They got up and went to take a shower.....

We came back home and he unlocked the house, sizwe walked in first. Me: "that was cool. But I suck." Sizwe: "it takes time baby girl. You'll get the hang of it." Luhle was sleeping on his chest. Him: "now, I'm hungry." I smiled and went to the kitchen to prepare him some food, just as I opened the fridge. Him: "yeke esositya." I so wanted to look. Akandiboni mos, I'll take a quick peek. Just before I reached it the door closed. Me: "why can't I see?" Him: "because its not yours. What will you be making." Me: "I bought some eggs, bread, lettuce, tomatoes, sausage....meat....what do you want." Him: "yenza scrambled egg nge oil, libe manzi. Not dry. Wet. Okay?" Me: "okay." Him: "I'll do the rest.." He took a tomato and ate it. Luhle was asleep on the bed. He washed a few leaves of lettuce and placed it on a plate with his tomato, he defrosted the sausages. No, not heated for ba ivuthwe. Defrosted. Just to get the ice off. Me: "can I fry those?" Him: "you gonn dry my egg." He said without looking at me. I took the pan off the stove. He looked at the egg and narrowed his eyes. Him: "ok." He dished up for himself.. Him: "kuphi okwakho ukutya?." I made myself a fried egg and fried tomato with a cooked sausage and some fried mushrooms with bread. He tossed a raw mushroom in his mouth, took his plate and sat down. I went to sit with him. Me: "why is your foodraw?" He laughed. Him: "I like it like this, plus its not raw, its medium cooked." He ate in silence. I guess everybody has their preferences right. After we were done he washed the dishes and went to fetch Luhle.

I went to take her bag and he fed her. I was still mesmerized by how did he know ndizovula isityana sakhe. I'm just so curious what is it? Kanye mhlawmbi yiqadidi? Him: "what are you thinking?" His head bowed down, but eyes looking up at me. Me: "nothing. I'm just thinking about dinner." Him: "oh really? Dinner? Heh. Ok." He kept quiet and listened. I tried listening too. Then he relaxed. Me: "what is it?" Him: "dog." Me: "you have a dog?" Him: "yep, uTwinkie." Me: "ncaaaw cute. Eyaka Lukhanyo ngu Lulu." Him: "he has a dog?" Me: "ihlala kwa Lubby though. He eats take aways only. And today's food." Sizwe laughed. Him: "yoh." I got to see the little dog with a cute name. Him: "ungaveli wonke." So I peeped and a huge enormous thing roared at me. I screamed and ran back. Him: "told you." Me: "no! It shouldn't be Twinkie! It has to have a different name. Like Mutant Goliath 3000 or some shit!" He laughed. Him: "you haven't seen his brother Tiny." Me: "im so sure, he's anything but." He was so amused. Me: "zitya ntoni?" Him: "humans." He said with a straight then broke into a bright smile. Him: "I'm kidding, they eat meat." Me: "do you tie them on a leash?" Him: "yes, but noba iqaw'kile leya." Just then someone was screaming in the street. "Ncedaaaaaani!!!!" Sizwe put Luhle down and rushed out to fetch his.....his..... But its not a damn dog. He held it to the back of the yard. It had a large cloth in his mouth. Sizwe tied it up and went back to the traumatized woman. He led her into the house, she was still screaming though. He held her leg and wiped it. That thing bit her. He dampened a cloth and wiped the blood...it wasn't that bad. Me: "they are a danger to society." Him: "they are just hungry. Ndiyabuya. Bamba apha love." He gave her the cloth and went to feed his dogs. He came back and gave her something to drink. Him: "ndicelu xolo sisi va?" Lady: "yuuuuuh...." Sizwe: "baby, khaye phe roomin uze ne bandage on the second drawer." I got up and brought the bandage, he tied her. Me: "but what happened right now?" Him: "ebese yardin yam, I'm sure uthe woy'thi tshe wabaleka. Twinkie wam'leqa ke yena and dragged her back." Me: "what if bindim." Him: "I know when you arrive. Him: "uhm....its almost late, I have to go somewhere. Sorry baby girl..." This is the second time he declines coming around this time of the day.. Me: "where?" He smiled and got up. Him: "somewhere." He put his hands in his pockets. Me: "but tomorrow its Sunday,

you coming over for dinner right?" Him: "errh....." He closed his eyes. Me: "its okay if you can't make it." I hugged him and we walked out. I buckled Lühle in her seat and she started crying for him. So he sat there and entertained her for a while then kissed her goodbye. We left.....

Namhla and Thulani walked in the yard round about 18:12pm. Thulani hugged her from behind kissing her neck. Thulz: "I love you baby va." Namhla: "I love you too babes. Tata wants to talk to you." Thulz: "ima songena ngok....I'm going back to P.E tomorrow. I just need this moment." Meanwhile inside the house. Nomathamsanqa stared at them from the window. Hands on hips, pouting her lips. Namhla and Thulani walked in. Thulani took off his beanie and greeted them. Jongi: "molo, Thumkani....unjan?" Thulz: "ndiyaphila tata unjan?" Jongi: "uphi utatakho?" Thulz: "he had some work things to do, so besandobuyela. Mna ndihamba ngomso." Jongi: "mhh....okay. Upakishile Namhla?" She was shocked. Namhla: "hay tata for nton?!" Jongi: "hlala apha phantsi." She sat down. Jongi: "me and your mother decided-" noma: "khangе ndivume niks mna, ungafaki gama lam." He kept quiet for a couple of minutes. Jongi: "uqibile udubuleka kwinto ez'ngak'funiyo? Jongi: "mxm....worse ba ndiseza nayo kakhle yand'phoxa wena. Its fine." He got up and disappeared into the kitchen.

Chapter 329

As soon as I got home I called my mother. She picked up: "hello?" Me: "hello mama unjan?" She: "ndirynt mnntanam. Wena?" Me: "I'm okay...." She: "what's wrong?" Me: "mama.....unjan utata? Like I don't understand him..he's bottled up." She: "nam mntanam I don't know, these are one of the things that make us argue. Because akathandi uthetha." Me: "he senses sound...ebendifundisile namhlanje." She: "nyan? Okay ke sisi..." Me: "xaku late uthi uya somewhere...do you know where that might be?" She: "he used to do that everyday. Abuye ehamba ngogaga, or abuye ksasa. Till today he never told me where. Maybe he'll open up kuwe." Why has mama never gotten a bf...because it seems ba akam'fun uSizwe. Then why engabinomnye umntu? Me: "mama...if utata unobuya " She: "He won't. Akhonto ind'dibanisa naye mna." Okay. End of topic. Lukhanyo walked in with the boys and Ta Smig was holding Lutha. Me: "naba bengena ooLukhanyo." Luks: "mama?" I nodded he took the phone and I hugged my little bunnies. I undressed them and bathed them. Lutha was falling asleep. After I dressed Chuma and Junior, I went to Ta Smig to fetch Lutha. Me: "how was he?" Smig: "oko ethule...akasa ncumi tu ngok. And'maz qumbele nton." Me: "khumbula u-uncle wakhe. Lemme Skype him." I went to fetch Lukhanyo's phone. Ta Smig: "Skype?" Me: "video call." Smig: "ohh...." I texted him first on WeChat. it took a while to go through. I connected with him using my MacBook laptop and held Lutha. He was frowning at the screen. lubabalo appeared: "hello?" Lutha giggled reaching for the screen. Lubb: "hello my boy...." Lutha just shrieked. Me: "oko equmbile ke sana." Lubb: "aww shame man. He'll see me on Monday. I'll bring him something cute. Ne boy?" He was so excited. Lukhanyo walked in. Luks: "and then? Why is he melting?" Me: "uthetha no-uncle wakhe" luks: "oh." He came to sit on the bed. Luks: "when are

Liya: "ndimbile sana, you never getting him back." Lubb: "khababonise ngoba baby." Liya held out her left hand. Luks whistled. Luks: "MA NIGGA!!!" Lubb: "You KNOW????!!!" Me: "he's okay babe, I bought him grocery though cuz akhonto kwi cupboard yakhe nase fridge'in. Kukho sitya esigqunyiweyo qha. And akafun ndis'jonge ba yinton..." Luks: "maybe alok kukutya kwakhe.." Me: "so he showed me how to "hear" ...but he's a pro though....but he couldn't come for dinner he says kukho indaw f'neke aye kuyo...." Lukhanyo knew all too well though. Luks: "maybe next time ke babes, invite him to Lubb's engagement dinner. On Monday." He got up and went to Ta Smig. Luks: "Ta Smig." Smig: "ja?" Luks: "what does Sizwe eat?" He whispered. Smig: "hehake Lukhanyo. He eats what he finds!" He hissed. Luks: "this is the second time he declines dinner. Uyaphi dan?" He whispered. Smig: "ayise Obvious lento uy'buzayo! Uyazingela lukhanyo ngalamaxesha!" Luks: "sies man." Smig: "and don't you dare tell Lihle!" Luks: "she is my wife, she deserves to know this about her dad!" Smig: "then consider yourself, Dead, Chopped and EATEN." Lukhanyo got a fright.

I walked into the lounge. Me: "what are we having for dinner?" Luks: "I'm not hungry." He walked to Chuma's bedroom and played with the boys..I cooked a quick dinner for Ta Smig, me and the boys. I dished for Lukhanyo, just in case he changed his mind. He didn't. I poured him cranberry juice and he stared at it disgustingly. Me: "itheni?" Luks: "I don't want it." Me: "kanti ufuna nton lukhanyo!" Luks: "sund'shouter kalok." Me: "baby, you have to eat though. Ndak'cela." He took the plate and nibbled on the food. My phone rang. It was Malume Jongizembe. Lukhanyo stared at the screen and laughed uncontrollably. He gave me the phone and fell to the floor laughing. He gasped for air. I picked up. Me: "hello malume?" Jongi: "hello nontombi unjan? How are you?" Me: "ndiyaphila malume wena?" Jongi: "ndiryt ntombi ka Thenjiwe. Ndifikelwe ke yindodana apha endlin yam." Me: "ethini malume?" Jongi: "ithi yazana noNamhla apho kwelo Bhayi." Me: "oh, Thulani? Ewe tata...he's like my husband's brother." Jongi: "oh, so uyamazi?" Me: "ewe malume

Uza nin?" Jongi: "bayeza ngomso. Uyabulisa uNomathamsanqa." Me: "und'bulisele kuye wethu malum." Jongi: "uyabuza ba ng- hay man kuthen ungam'fownel ngokwakho!" He spoke in the background. Him: "no! The problem is, uyathanda nje uz'tshova kwinto zam." She: "bendibuza mos." Him: "no! Kuthen ungand'lindi ndiqibe!?" She: "awuqibanga kanti?" Him: "No!" She: "ngu no otheni lo!" Him: "its shorter than yes! Lihle, mntaka dade usekhona?" Me: "ewe malume ndim lo." Jongi: "okay ke, ndizoy'thumela kuye imali yenyanga. 2000 izoba enough?" Me: "ewe tata, iryt for yena." Jongi: "okay ke. Goodbye. Noommmaaaa!" He hung up. Luks: "kuthen ezoba ngu Jongizembe nje?" Me: "andiyaz nam baby, itya alok love.." He ate his food, putting the empty dish in the dishwasher. He picked up a sleepy Chuma. And walked him to bed.

Junior lay on the floor. Me: "junior what are you doing?" Junior: "I am bread." I held back tears of laughter. Me: "you are what?" Junior: "bread ma." Me: "boy why are you bread?" He didn't answer. Ta Smig just giggled, holding his mouth. I picked my piece of bread up and took him to bed. Lukhanyo was laying on the bed with Chuma... Chuma: "is mama coming with?" Lukhanyo looked at me. Luks: "no my boy." Chuma: "why not?" Yeah, Why not? I also want to know, where ya'll off to? Luks: "because....she wants to see you." Chuma: "why?" Luks: "we'll talk about it in the morning." He kissed his forehead. Luks: "I love you." Chuma didn't reply. Luks: "baby?" He turned around and looked the other way. Luks: "Chumani." Chuma: "tata." Luks: "look at me." He turned around. Luks: "its gonna be okay, I promise I'll come fetch you. Okay?" Chuma nodded sadly. Luks: "love you ne?" Chuma nodded again. I put Junior in bed. Me: "goodnight guys." Junior: "mmmwwah." He pouted his cute pink lips. I kissed him and kissed Chuma. Who wasn't in the mood. Luks: "babes, khamzame...I don't know what else to do." Me: "what's going on qala?" Luks: "I was going to tell you tonight, Sbongile funa ubona uChuma, so I'm letting him stay with her for a day." Me: "oh." I didn't want Chuma to go there, he was happy here and relaxed ngok uzophinda ayolaxazwa ngaphaya umntanam.... Me: "chuma." His lower lip was quivering. He was about to cry. This just broke my heart. I picked him up from bed and put him on my lap. Me: "my love, you have to listen to me, ok?" Tears rolled down his face. I can't do this, my eyes welled up with tears, I can't bear seeing him cry. Me: "boy, daddy loves you ava? And he will never leave you. I love you too, but your other mommy misses you. Daddy will come fetch you again. I promise." He just held onto me and hid his face. I didn't know what else to say to him. What could make him feel any better. So I just let him cry. Lukhanyo just got up and walked out.

What? He can't just go....I rocked Chuma back and Forth...until he eventually drifted off to sleep. I lay him quietly next to Junior who was already asleep. I went to my bedroom. Lukhanyo was holding Luhle. He had cried. I could see his eyes. Luks: "I can't see him like that Lihle. It breaks my heart lanto...honestly." Me: "I understand babes." He went to put Luhle down. Me: "uTa Smig uzolala?" Him: "yeah...." He switched off the lights, luks: "goodnight Ta." Smig: "sho Luks." I undressed and hopped into bed wearing his t-shirt. I was waiting for a protest. But he really wasn't in the mood, he just undressed and crawled into bed. Holding me closely.

The next morning, Lukhanyo woke up and showered. I woke up, wore my gown and went to run a bath for the boys. I woke them up and bathed them. I went to check on the babies, they still slept peacefully. I took out the boys and dressed them. Chuma wore dark green cargo pants, a white vest and denim shirt unbuttoned. He took out his white Nike sneaker and wore it. Junior wore his crumpled jeans and black baby milo t-shirt. He wore black Jordan sneakers. Wow. Air Jordan's. Okay. I made them breakfast. They ate while I went to take a shower. Lukhanyo wore his army pants and white Timbalands. With a white sweater. He wore the Rolex watch and went to eat. I got out the shower, wore a gown and went to feed to babies first. I bathed them and dressed them in their minion' outfits. The blue overalls, yellow t-shirts and yellow beanies. Luks: "shota nge glasses, ubaqibile." Me: "I know right....." Luks: "I wonder uMrs Luks yena uzonxiba nton...mhh....." Ndizam'phoxa bonanje. I took out jeans and a regular sweater plus my Timbalands too. I tied my hair in a bun. And for once I looked 21. Luks: "now this, is Beautiful. I love that." He kissed me. Me: "so you don't like me dressing up?" Luks: "I do babes, to be presentable as umfazi wam. But THIS look, its for me. I'd drag you anywhere looking like that. Not eza outfits zii-fancy you make me look out of your league. Ingathi, bendik'khapha ngok, yho." Me: "okay then. I'll see you later" luks: "okay babe." An sms came through to his phone, he read it and smiled. Me: "who texted us?" Luks: "the bank. I, just got paid." He smiled. Me: "well, congratulations to you." He kissed me and left with the boys. He drove with the Benz to S'bongile's place. He parked outside and called her. Luks: "nd'lapha phandle." Sbosh: "ima ndiyeza." He hung up and looked at Chumani in the rear view mirror. He looked really upset. A few minutes later, Sbosh walked out the house wearing shorts and a crop top, with black All Stars. Luks: "njan uveze isusu kengok Sbongile. Kodwa ungu mama?" Sbosh: "hay kehok lukhanyo." Luks: "just go wear something else please, andihambi nawe ulolohlobo mna." She turned around to go changed, tucking in a blue Aca Joe shirt. And went out. Lukhanyo just shook his head. She climbed in the passenger seat and he drove off. Luks: "where. We going?" Sbosh: "eBoardwalk, siyodlala pha kwezandaw zabo, then we can have some lunch...." Luks: "k." He drove

to Summerstrand, and they finally arrived. He parked and got out the car. Sbosh spoke to Chuma, he only used body language to respond to her. Sbosh: "sek'then ngok Chuma, can't you talk now???" She snapped. Luks: "don't you dare, speak to my son like that. Worse pham'kwam. Ndiyok'nyathela unye mna." Sbosh: "I was just asking." Luks: "ungabuz kum nje?" She kept quiet. They went to the Magic Company. Junior and Chuma just fooled around. "Playing" or running around or whatever. Sbosh: "so how you been..." Luks: "great...wena." Sbosh: "I've been okay. You look good too. Uk'phethe kakhle uwife." Luks: "kakhulu. Makes me feel like a king.... Junior, don't touch that!" He warned. Sbosh: "oh?...." He looked at her and smiled. "Oh what??" Sbosh: "hay akhonto." Luks: "don't ever wear red lipstick again babe. It makes you look cheap." He went to help the boys play their game. After a while they went to have lunch. Lukhanyo called Bukiwe. Buki: "niphi?" Luks: "sise boardwalk ngok, wena?" Buki: "ndilapha kum eflatin. Ndicela umzise wethu?" Luks: "arg...." Buki: "please." Luks: "whatever bra, ithin address?" She gave him the address. Sbosh: "how are the twins?" Luks: "they're cute, growing, healthy. They're a blessing." Sbosh: "mh....that's nice. Anyway, what you up to tonight?" Luks: "my wife and I are going out for a movie then siyochiller somewhere....you?" Sbosh: "everything is about this wife ne." Luks: "what did you expect? She's my wife." Sbosh: "I know, but its so rare, uwine umntu one night the next thing uyamtshata. Surely there's something else." Luks: "like?" Sbosh: "like you literally just fell for her in a matter of days. Weeks. Makes me wonder." She got up and walked to the bathroom, leaving him in deep thought. He swallowed hard. Lihle would never bewitch him. That's his angel. Even if she did, so what, akand'hlukumezi mos. Ndonwabile. I'd gladly open my mouth to more of that love potion ndiginye futhi....he thought to himself. She came back they finished up. They left for central, Lukhanyo called Bukiwe to fetch Junior downstairs. She came out. Buki: "hey...uryt?" Luks: "I'm good." He bent down to kiss Junior's cheek. Luks: "I'll come fetch you later ok?" Junior nodded. And ran to his mom. Buki: "the perfect daddy huh?" Luks: "I try my best." Buki: "thanks. For bringing him." Lukhanyo turned around and left. He dropped Chuma off with Sbosh at her place. Luks: "can I get a few minutes with him?" Sbosh walked out and left them together in the car. Luks: "nyana...listen to me..." Chuma wanted to cry again. Luks: "I'll come back. I promise you. Yabona we left your clothes at home, so you're not staying here. I'll come back later. And fetch you. Then you'll see Lutha and Luhle again." Chuma: "and mama." Luks: "yes..." He hugged him tightly.. Luks: "bye bye ke boy." He kissed him and led him to the house. He left him there and drove off.....

When he got home.... Me: "hey babe." Luks: "Mrs Mna Ndodwa. Uph uTa Smig?" Me: "he just left." Luks: "the babies?" Me: "they're asleep." Luks: "so its just us?" Me: "yeah,

we could like watch tv and eat some ic-" he kissed me to the lounge.... Luks:
"remember when we did it on the kitchen counter?" He bit his lips. Him: "you and
your crazy imagination!" Me: "I can't beat you though, fucking in Lubby's pool and
balcony. The day he finds that out....yoh." Luks: "he has fucked 2 different girls in my
house, he has no right to say shit." Me: "2?" Luks: "sesuko outisa uLiya apha, and not
forgetting Vuyo." Me: "mh....." I closed the curtains, windows and locked. Luks: "you
make my life so much fun yazi. Bend'cimba uzaw'dikwa.." Me: "you don't even give
me the chance yow'dikwa. Uza nedrama qho. Nochuku." He pulled me on top. I sat
on top of his erection. I grinded on it. Luks: "oooooh. Baby..." He moaned. Me:
"yay'thanda kodwa lewei wena...uthen?" Him: "ndiyay'thanda kakade, but most
importantly, ndithanda eyom'fazi wam." I kneeled in front of him, zipping down his
pants. I took it out, he was standing at attention. The great strong soldier. I stroked
him gently and kissed him...guiding him inside my mouth. Lukhanyo just sat there
with his mouth open, closing his eyes. I sucked on it, twirling my tongue at his tip.
Him: "zand'cithisa baby...ima..." He whispered. I put it in deeper..and sucked. In and
out..... Luks: "baby...." I went faster....his breathing escalated. Luks: "oh fuck....wait
baby...." I kept going. He held my hair and pulled me up...ripping off my jeans. He
climbed behind me on that couch and fucked hard. I held on to the couch, and
moaned softly....he held my waist moving faster, someone knocked on the door. He
didn't stop. He carried on.....deeper. Faster. He bumped into my ass one more time
and released. He groaned quietly. Luks: "nguban?!!" He yelled. We got up and went to
the bathroom. I wet my cloth and wiped. Me: "nguban lo use mnyango?" Luks:
"and'maz kandphenduli." We dressed and kissed in the bathroom. Until we heard a
knock again. Luks: "mxm. Andadikwa." He went to the bedroom and I went to the
door. I opened. Sizwe stood there and smiled. Him: "hey." Me: "you came." Him: "of
course I did. You busy?" Me: "nope.....was watching tv." He stepped inside the house
and smiled brightly. Him: "I like your new hairstyle. Inspired by tv?" He shook his
head and chuckled. While I tried to fix my hair. This was beyond embarrassing.

Chapter 330

I knew he heard us. I just had no doubt in my mind. As quiet as we tried, there were
those uncontrollable unexpected moans....just born out of pure pleasure. The thought
made me tingle down there. I smiled shyly. Me: "its not what it looks like...." Him: "I
didn't say anything. Uphi utata wekhaya?" Me: "in the bedroom." Lukhanyo appeared.

Luks: "molo ta." Sizwe: "call me Sizwe, or Seez, whatever comes to mind. come I wanna show you something." Lukhanyo just stared blankly at him. Sizwe: "I'm not gonna eat you. Iza." He laughed pulling Lukhanyo outside. I started on an early Sunday dish. Spicing lamb and roasting it. I peeped at the window. They were in Sizwe's car, looked like they were fixing something. As long as they were smiling at each other I don't mind. I opened the windows and curtains, calling Rene in the process, we chatted for a while on the phone. I kind of missed her. I wonder if it would be appropriate if I invited her to Lubb's engagement dinner. They weren't crushing on each other mos, Lubb would have told me if he liked her. Same goes for her. Instead they enjoy teasing each other. Lonto iyageza ke la Tellytubby. After cooking, one of the twins woke up. It was Luhle, I picked her up and led her to the kitchen to switch off the stove. I set the table and put the plates and cutlery neatly. Meanwhile outside, Lukhanyo and Sizwe, fiddling with the car's engine. Luks: "you see, that's it...khayoy'starter." Sizwe went to start it. Sizwe: "good as new. Thanks" Luks: "only my pleasure." He was dying to ask...the fire was burning inside of him. Sizwe: "yes?" Luks: "how do you do it?" Sizwe: "do what?" Luks: "like now I didn't say anything...but you knew I wanted to say something." Sizwe: "your body language. When you want to ask a question so badly. You become uncomfortable. Everyone is like that." Luks: "oh....so you were staring at me?" Sizwe: "no...I just felt it...because uveske wathula." Luks: "I can't do that though." Sizwe: "you grew up in a city, your foundation is based on distractions. Noba bufuna bungasoze ukwaz. Its late for you." Luks: "wena wakhulela phi?" Sizwe walked to the house. "Dinner's ready." Was his reply. Luks: "how did you know." Sizwe looked at him and pointed at his nose. He washed his hands and walked in.....

Jongizembe woke up from his nap. He walked into the kitchen grumbling. Noma ignored him flatly. Jongi: "ipeto yakho uThobani uyeza." She kept quiet. Jongi: "xolo wethu sisi, ulidonga?" He pushed her lightly. Noma: "khand'yeke please." Jongi: "uwoah...khandenzel itea?" Noma: "ungazenzel wena itea nje?" Jongi: "kukho wena Nomathamsanqa? Ndenze itea ingath ndingumfaz hok?" Jongi: "so le tea awuzoyenza ne?" Noma: "mxm." He boiled some water and stared at her. Noma: "und'jonga nton?" She snapped. He didn't reply just continued staring at her. She walked out the kitchen. Jongi: "Nommaaa!" Noma: "ndiyeke." Namhla brought out her suitcases to the lounge. Namhla: "tata...." Jongi: "ndilapha eKitchen." She walked to him and hugged him. Namhla: "enkosi daddy. I love you." Jongi: "I love you too princess. Ubuye for ikrismesi ke." Namhla: "ok tata." Jongi: "uphi uThumkani?"

Namhla: "usendlelen ezayo." Jongi: "hee, khajonge mntanam le phone yam." He took out his BlackBerry Bold. Jongi: "uNoma ebesenzanton apha." He went to his whatsapp and pro pic. Noma: "ndiyi mbumbulu Jongizembe?" He unbuckled his belt. Jongi: "thetha ndikuve." Noma: "jongizembe!" He put the phone down and raced her to the lounge. The front door opened. Jongi stopped and hid his belt. Jongi: "kalok kwedin apha k'lendlu funek i-discipline. Awenzi njee..." Thulz: "molwen tata." He giggled. Jongi: "unjan?" Thulz: "ndiphilile tata wena?" Jongi put his belt back on. And walked to the kitchen. Noma: "molo Thulani." Thulz: "molo molo mama...I got you something." He quickly went to the car and came back with a beautiful white satin scarf by Chanel. Noma: "wow. Ayisentle. Enkosi va..." Jongi peeked by the door. Thulani went to fetch his gift. He came back and gave it to him. A bottle of Jack Daniels Tennessee Honey. And 2 cigars. Jongi: "aww madoda...!!" He hugged him. Jongi: "yabona ke, yenza kanje indoda. Ingath sizovana." Thulz: "kwakhona tata bend'cela nje uthi enkosi, ngondi themba ne ntombi yakho. I promise asoze ndik'phoxe." Jongi: "sobona ngawe ke THULANI." They all laughed. Namhla: "we better get going..." She hugged her parents. Namhla: "I'm gonna miss you..." Mama: "we'll miss you too baby girl, uz'phathe kakhle ke and remember our talk." Namhla: "okay mama." Jongi: "we'll come visit. Sizozana ngoNombolo. Yooh, and'nokwaz umshiya, qha ndizokoyiswa kutsulelwa aphe ndlelen. Kuzokhala mprwwiiiiiiiiiii, ndisa qhuba. Ai madoda." Thulani almost collapsed laughing. They loaded the bags in the hired car. Thulz: "tata, you're welcome anytime. Sizofowna xasifika." Jongi: "bhabhayini ke bantwana bam." They got in the car. Jongi held his wife and said goodbye to his daughter. While he was waving and smiling: "yanyibilika ngok lentwana ik'thengel i-scarf. Mxm bend'tshilo." Noma: "ik'thuk'thezela phi kehok wena, ngenxa singathengwanga nguwe?" Jongi: "mxm. Khasuke kum." Noma: "ndibhanjwe nguwe nje." He walked into the house and locked her outside. While the car drove off.

Ta Smig came back, Lukhanyo and Sizwe were sitting at lounge the chatting. Lukhanyo was telling him some stories of when he was growing up. Sizwe was amused. Smilo sat with them in the lounge. Sizwe: "lukhanyo helped me fix the car. Hay shame uyazama. Smilo: "ikhona into angay'kwaziyo uLukhanyo?" Sizwe: ".....zolani." He murmured in memory. Lukhanyo heard it but pretended he didn't. He would poke Ta Smig about it later. I called Mandy over with Anda. I felt a bit lonely,

yoh, it was only guys. Lukhanyo was talking about Lubabalo. Luks: "i can't wait for you to see him. I-stout ke lantwana." Smilo: "iphambene ithe ruu.". Luks: "u-engaged ngok did I tell you, he's having an engagement dinner ngomso. Oh and Ta Seez, you have to come." Lukhanyo challenged. He knew Sizwe would decline. But Sizwe calculated it before him. Sizwe: "I wouldn't miss it. Would love to meet this Lubabalo you speak of.." Smilo: "bazok'bhida ke..." Sizwe: "sobona ngoko." Mandy and Anda arrived. I hugged her and she helped me with the dishing up. I called the guys to come sit at the table. Luks: "lubabalo would just pray for us right now." Sizwe: "can I?" He got up. We closed out eyes and bowed. Our heads. He kept quiet. I looked up at him. He was staring at the door. Then he bowed down. "Dear God, I thank you for this amazing moment of a wonderful family that you brought together. I pray that it stays together and grows. I personally, have to thank You of the privilege of blessing me with a lovely daughter and giving me the chance to be a father to her. Bless the food we're about to eat. Bless the blood that is shed...and Bless the hands that prepared it, Amen." Luks: "Amen." Everyone: "Amen." Sizwe looked at the door once again. Something was really bothering him. We ate. Lukhanyo watched him closely. Why was he staring at Sizwe's food? I poked him. And he started eating glancing over at Sizwe. I gave Lukhanyo a warning look. And he stopped. Sizwe seemed to really enjoy his meat. It was finished, within a minute. Then he ate the vegetables. He lay back on the chair and smiled. Sizwe: "that was great." Me: "but you....." Yep, He was done. We were still only before halfway...where did he take that food? Me: "can I dish you another?" Him: "please....but with no rice. I don't like rice." I took his plate and removed the rice, I dished him another chunk of meat and vegetables. I gave him the plate. Let's see how quick he gets this one done. So Mandy and I were chatting. Luks spoke with Anda about some Rugby match, Smilo spoke with Sizwe. A little giggles and laughs, everybody was having a nice time. A few minutes later I glanced over at Sizwe he ate his last spoonful. And chewed. Dad can swallow ne? Because I can't find any other explanation. Lukhanyo brought the red wine..and poured in the glasses. I went to feed the babies with Mandy. Lukhanyo took the plates to the kitchen. Sizwe helped him. As they packed the dishwasher. Luks: "so how was prison....." Sizwe: "it was like.....prison." Luks: "what did you do there?" Sizwe: "since I never went to school. They taught me....us.....from grade 1 to 12....." Luks: "oh, that's cool.....and then?" Sizwe: "and then. I did Accounting." Luks: "so you studied in jail?" Sizwe: "yep." Luks: "wow....and what do you eat there?" Sizwe stood in front of him closely. His hands in his pockets. He stared coldly into his eyes. THIS was the legit question Lukhanyo has been meaning to ask. He knew it. Sizwe: "don't bite off, what you can't chew. Uzobhindeka, son in law." He turned and walked back

to the lounge. Ta Smig looked at Lukhanyo with a "What-the-fuck-did-you-just-do!" Look.

Chapter 331

Smilo: "Seez, what's up?" Sizwe: "what did you tell him?" Smilo: "about what?" Sizwe: "don't play dumb Smilo you know what I'm talking about." He looked at him calmly. Smilo: "uthen dan kuwe?" Sizwe: "he asked me what I ate in prison. You know damn well, only you know my past." Smilo: "hehake Sizwe nawe, you like freaking out. Lukhanyo has never been to jail. He doesn't know what people eat in jail. He's just a curious busybody with nothing to do. He wants to create a relationship with you. Kham'cingele man nawe, uyeke urharhama at every turning point." Sizwe sat back on the couch, he knew Smilo was covering up for Lukhanyo but he decided to let it go. It will only be a problem when Lihle knows, anybody else is fine. He can't have his daughter looking at him in a weird way. Sizwe: "you didn't tell him about Zolani." Smilo: "he does not need to know. I told him what he needed to know to survive." Sizwe: "do you have anything....ka Lubabalo aphe ndlin?" Smilo: "why?" Sizwe: "I just want to know what type of person he may be." Smilo got up and went to fetch sweater from the spare bedroom. Smilo: "here." Sizwe laughed. Sizwe: "that's still Lukhanyo." Smilo laughed: "you are crazy as fuck." He went to put back the sweater and sat with him. Smilo: "uyand'chaza man. I wish I had your sense of living.." Sizwe: "trust me Smig, you don't. I don't want to be like this.....but I don't have any other base, I don't have a foundation. Ndakhula ol'hlobo." Smilo: "then why are you shutting people out?" Sizwe: "because I will be myself mna, ndifike kwi ndawo with a leg I tore of a goat, skin it and eat it. Baphinde band'jamele abantu." Anda walked into the lounge, he sat with them. Sizwe: "you remind me of a friend of mine in prison. I called him. Gaqa." Ta Smig laughed. Anda: "why Gaqa?" Sizwe: "because look at you, son. You are a big chunk awesome." Anda laughed. Lukhanyo came to sit with them. Sizwe looked at him and smiled: "I knew the cook." Luks: "what cook?" Sizwe: "prison. She was agood friend." Sizwe looked at Ta Smig and they laughed shaking hands.. Smig: "Aii Sho ndoda!" Sizwe: "usis'pili ke wena...." Smig: "as weird and unhinged. Amacherrie ayak'ncanywa wena. And saphants xabana kakbi ngalonto!" Luks: "why?" Sizwe: "ei Lukhanyo, le yayina macherri. Like you couldn't keep count!." Smig: "and the problem was where this one time. USizwe une get together pha kuye singama jita sonke. Sihlel phandle....kwafika ezWay! Yoh, One By

One!" Sizwe: "engasathukisi uSmig, enye yakhutshwa nges'xhanti. Enye way'dibanisa ne dolo!" They all laughed. Smig: "hay Sizwe suxoka ngam fethu, come on." Sizwe: "no but for real though, noba about 5 yeza way zakhe zazipha." Smilo: "a few days later, ndilwa noThembie, nday'khaba ke mna. Yagoduka, ndiqond'ba kakade ind'dikile. Khange kuphele ne hour. Yakhala phone yam. Sisene bakstena ke ngalama xesha, xa uy'phendula awubulisi uthi 'thetha ndiyasindwa!' Ndiyaz'bona ez'Galaxy iPhone zenu ngok yoh." Anda and Lukhanyo were in stitches. Smilo: "so ndiyaphendula ke mna, ithi le." Sizwe: "fondin! Khazolanda le way yakho nants lapha kum" smilo: "qiba kwayo wacim iphone. Yoooh umsindo makwedini. Ndand'funu khala!" He held his arms up high. They all laughed. Mandy and I were in the bedroom, bathing the babies. Mandy: "I wonder bathen kengok? Intsini engaka." Me: "I'm just glad they're getting along just fine. At about 19:00 in the evening our guests got ready to leave, I put the babies to sleep. Mandy and Anda left, and Ta Smig. Sizwe stayed. Lukhanyo went to fetch the boys. So Sizwe and I could chill together for a while.

I made us hot cocoa and we sat in the lounge. I called Namhla. Me: "baby, uphi?" Namhla: "sorry ngongafowni mntase, we're at Lubby's. Thulani um'fownele wathi nizoza ngapha for a few days. So we just decided to come here straight." Me: "okay then as long as you're safe." Namhla: "oh ndicela undikhaphe ksasa, I want to go for contraceptives. Mom gave me strict instructions." Me: "I can imagine. Okay, soya ku Rene akwenze. I'll call you when I wake up. Mwah." Namhla: "mmwah..." We hung up. Me: "that's my cousin uNamhla. Usam'khumbula ubhut'uJongizembe?" Sizwe: "hahaahaaaa! Ubrother ka mama omkhulu? Oh God I remember him like yesterday! Ind'capkela njan la awti." We laughed for a few minutes. Sizwe: "zinton ez'wig uz'fakeleyo man, baby...like I would love to see your natural hair." Me: "oh hayi wethu tata khayeke..." I always wanted to have these little arguments. Ndandiziva ngee friends zam xazi complainer that ootata babo abafun benze a certain hair style or dye their hair color. This was fun. Sizwe: "let me show you something. Come."

I sat on the floor in between his legs. He massaged my head. It felt so relaxing. Its like he had magic fingers. He brushed it through his fingers for a while...I was getting sleepy. After a good 5 minutes. Sizwe: "done." I held it...he had plaited my hair! Ela frerha ndingal'kwaziyo liy'one that goes down your back. Me: "how?" Sizwe: "my mother taught me.....before she died." Me: "oh...." Sizwe: "lung cancer. Then, I went to prison. That was partly why I chose to go. Bend'zohlala ndenze nton." I sat next to him again. Me: "I'm sorry...but maybe if buhlel...you could've.....you know....built something with umama." Sizwe: "its too late now, mntanam. Plus after your mother found out she was pregnant...yooh....things went really sour between us. I remember that day, ndisuka ehlat- I mean from soccer practice. She was waiting for me at our

usual spot when the sun was ready to set. That's how we marked our time ke, because zasingekho fancy ngalawamaxesha, love your watch by the way. " Me: "thank you, gift from Lubby." Sizwe: "WOAH! Bit extreme don't you think." Me: "so she was waiting for you at your usual spot...." He smiled at me...and shrugged his shoulders. Sizwe: "she was waiting for me, ndiyafika ke mna, all nice and sweaty. My adrenaline is pushed to the limit. I'm high, I'm happy. Ndibona yena, ehlel phantsi, I knew something was wrong qha ndicinge noba ulwe noJongi, because they always fought. So ke ndithi kuye masiye pha kum. Sihambe ke...we go inside, ndimenzel mongimali ke, I buy her some cookies. Ndiyovasa while she ate. Ndinxibe nje shorti ne vest, ndayaz mos, we gonn go sleep." He raised his eyebrows. Me: "dad please!" He laughed. Sizwe: "so ke sihlale, ndimbuze man, what's bothering her because akaqumbi this long for uJongi. So I ask her, athi yena ba....she doesn't know what to do...ndibuze nganton. Then she told me umithi. Imagine ndise in power ke, anda nyaba. I don't wanna lie I don't know njan, or why. Ndaveske ndamatha...I was so surprised, and happy. Yoh, bunombuza, the way ndam'phaphela ngayo." I laughed. Sizwe: "I was really excited, I offered ndim'khapshe siye clinic together, akavuma wathi woyika bantu. That's when we started fighting. I couldn't understand woyika nton because I was there for her. Salwa ke noJongizembe. When she was 8 months pregnant ndabhanjwa. it wasn't ideal...but we had broken up engafun niks ngam. So.....yeah.....that's it." Me: "ncaaaw, it sounds like some love story..." He laughed. Sizwe: "your imagination is beyond you. So.....about Lubabalo? Come on, tell me." But then Lukhanyo walked in with Chuma. Me: "next time." He smiled. And got up to leave, I walked him out. Me: "I'll come fetch you tomorrow, round about 2 emini ne? Is that fine?" Sizwe: "that's okay...." He hugged then left. I went inside the house and locked, Lukhanyo put the kids in bed. And switched the lights. Luks: "nice hair, uyenze nin?" Me: "dad did it." Luks: "mhh....it looks cute." I wore a scarf on my head. Luks: "take that off immediately. Owam akasoze alok sana anxibe iqhiya. Never." I laughed and took it off. Luks: "I'd rather all that hair be in my face than have some crazy, ugly smelly piece of cloth near me, nuka iHair food at that." I couldn't help but laugh. He hopped into bed...and chatted till we slept.

The next morning was a busy morning. I woke up as early as 6 and showered. I had to organize my best friend's dinner. The venue was his house of course. So everything I had to prepare from there. I dressed in jeans and a vest with sandals. No time for being sexy. I made porridge for breakfast, woke up the boys and they bathed, they wore shorts and converse all stars Lukhanyo had bought. They wore green and blue t-shirts. Then went to have breakfast. I woke Lukhanyo up and fed the babies. I bathed them and dressed them in bumble bee outfits. Lutha was all gloomy again. Well, not

for long. Me: "you going to the airport?" Luks: "yep. Masambe siye kwa Lubby, drop the kids there. Then you organize the rest of the stuff and I do my shit. Yeah." Me: "okay." He tossed me the Benz keys. I took the babies, he took Chuma and Junior with their toys.. When we got to Lubby's house, Sylvia took the babies and the kids ran to the game room with the puppy. I needed Lubby's contact list to invite people. So in the meanwhile I made a large bowl of salad. And ate fruit on the side with yogurt. Namhla came to help telling me all about the "Thumkani" fiasco. I laughed at how silly my uncle and his wife can get. At least they were sorting things out. Lukhanyo came back with Lubby and Liya. I went to hug her. Me: "congratulations boo!" Liya: "thanks sisi." Me: "hay man, and'ngo sisi mna, ndingu Lihle tshi....anyway, go take a bath and rest." Liya: "no I'll come help you guys-" Me: "No. You're going to rest. You slept on a plane, you can't be running around here working, its your special time, catch up on some sleep. I got this." Liya: "thanks lihle. I'll be up within 3 hours max." Me: "take your time dear." She went to Lubby's bedroom. Lubb: "Linkie Bear!" Me: "Tellytubby!" He hugged me tightly. Him: "and I didn't even miss you shame. Imagine that." Me: "mxm uryt." I shoved him. Me: "so how was the trip?" Lubb: "mmmh.....do you really wanna know." Me: "uhm....no thanks nevermind. You nasty ass." Lubb: "awunotsho kum alok wena sana. You and Lukhanyo just put the cherry on top. You never cease to amaze me. WHERE is ma boy?" He walked to Luthando. And came back with him. Giggling and drooling. Me: "I need your contact list, to invite people." Lubb: "nah, babe, I don't want the world here, just bring those around our family. Oh and where did Mr coat'n'shades end up? Did you have much action with that?" Me: "Mr coat'n'shades is not bad. He's sweet. And he's coming for dinner." Lubb: "lovely! Maybe we can sit and chat about the weather, he seems to be a tad bit confused." Me: "yokukhaba uSizwe wena." Lubb: "Mxm. Where's potato arms? Bendim'khumbula njan?" Just then Anda and Mandy came in. Lubb: "yay! Look who's here. Heeee, hay ishirt wethu bhuti..." Anda: "oh God, uyawa buyile." Lubb: "oh come on Anda, I'm a changed man. I'm getting married. I aint bout that dragon ball Z beef no more. Have faith." Anda: "uphi lomntu umtshatayo? I need to warn her about the crazy puppet she thinks she loves." Lubb: "I'm a puppet now? You know what? I'm gonn walk away." Anda: "because you can't reply." Lubb: "whatever Andapants." He walked with Lutha to the game room. Before 2, I went to the house to change, I wore a white dress. It was a baby doll dress. Tight from the shoulder to just below the breasts. It had a red thin belt. I wore the red shoes Lubabalo had bought for the funeral. I did my make-up and undid the plait. It was nice and curly. I loved it. I took a my white polo bag and left for KwaZakhele to fetch dad. But today I was scared, of Twinkie, he was nowhere to be seen but fuck that. I am scared of that big bitch. I

walked out the car to go knock, he opened and I walked in. Me: "you're not dressed yet." Sizwe: "no hug? Kiss? Hello? Nothing?" I hugged him. Me: "hi." Sizwe: "I was hoping you'd help me.....nam I want to look cute today." Me: "dad, you look cute already without even trying." Sizwe: "says my daughter who looks as though she's going to a fashion show. But you're beautiful mntanam." Me: "thank you tata." He came back with maroon pants and a navy shirt. And black and gold shoes. My heart skipped a beat. Sizwe: "cute enough huh?" He smiled. Me: "lovely." We locked and left the house for Lubby's. Sizwe: "you said we'd talk about him." Me: "dad, why do you want to talk about Lubabalo?" Sizwe: "because you promised we'd talk about him." Me: "well, he's like Lukhanyo x10. Or 100....you never know with Lubby." Sizwe: "is he that extreme?" Me: "he's.....okay now." Sizwe: "wasn't he in the past dan?" Me: "we just had our differences..." Sizwe: "like?" Me: "dad...." Sizwe: "I'm listening." Me: "we kind of had a moment or two. But I never knew....beqala und'xelela recently. In the past, he was like all over me...edika....well I admit sometimes nam ndandim'yeka.....so I decided to get him a girlfriend." Sizwe: "the one he's going to marry?" Me: "no....that's a story for another day." We drove into Lubby's driveway. I parked. Sizwe: "wow. Nice house. Civil engineer you said?" Me: "good memory. Let's go in." Meanwhile inside the house Lukhanyo and Lubb just finished getting dressed. Lukhanyo telling Lubby everything he knew. Lubb: "Ta Smig is a big fat liar." He laughed. Luks: "heeee, uzo'bonela bonanje. That guy is 50 shades of weird as fuck." Lubb: "Let's play a trick on him. I'll decide for myself whether he's weird or not." Luks: "clone trick?" Lubb: "of course. Kamand we dressed the same. Let's go." They walked out together and saw Lihle and Seez enter the house. Luks: "change your cheeseboy accent, there he is. Go greet him. And be happy he came." Lubb: "sure Lubby." He imitated Lukhanyo. Lubby walked with confidence to Sizwe. Before he got to them, Sizwe was already looking at him. Lubb: "molo tata....come meet my brother uLubabalo." Sizwe laughed and held out his hand. Sizwe: "ubhanxa ban Lubabalo?" ...Lubabalo shook his hand nervously.... Lubb: "I'm glad, we got this out the way, it was all Lukhanyo's idea." Sizwe: "haha....whatever. Its good to finally meet you." Lubb: "likewise." Sizwe stared at him holding his hand. Then smiled and let go. Lubb: "can I get you a drink?" Sizwe: "yeah..." Lubb: "which one?" Sizwe: "surprise me." They walked together to the wine cellar.....

Chapter 332

Thulani came back home from work. He was a bit tired. His body was weak, so he walked straight to his bedroom. Luks: "Thulz?" Thulz: "sho bra" Lukhanyo followed

him to the bedroom. Thulz: "uph uLubby?" Luks: "in the cellar with my father in law." Thulz: "takin your place again?" Luks: "nope, this time, he actually isn't." Thulani undressed and wore a tracksuit he hopped into bed. Luks: "tired?" Thulz: "yeah." Luks: "me too. Lihle und'vuse ngo 6 eksen." They lay on the big bed and took a nap. In the cellar Lubby and Sizwe were drinking whiskey. Lubb: "try this one?" Sizwe: "are you trying to get me drunk?" Lubb: "is it working?" Sizwe: "nope." They laughed. He sniffed the drink and gulped it. Sizwe: "let me guess, this is from the Three ships collection right?" Lubb: "indeed. How did you know?" Sizwe: "I personally feel its the best in the country." Lubb: "I second your feel. So how has everything been...you know we been busting our assholes out trying to figure out who you are?" Sizwe: "hahaa...you are so vivid. Phof betshilo Lihle..." Lubb: "what did she say about me?" Sizwe: "everything..." He lied to get Lubabalo's reaction....then he sipped another of his whiskey. Lubb: "everything huh?" He shifted uncomfortably. Sizwe: "yes.....everything. So maybe if we could chat about it and get it out the way? Unless you want it to cause a rift between us." The Best weapon. Form Guilt. They'll spill it like beans. Lubb: "well uhm.....what do you exactly want to know?" He muttered while sipping his drink. Sizwe: "first time you met." Lubb: "well uhm.....it was stupid. I had a silly crush on her. I wa-" Sizwe: "why? If you had a crush on her, why didn't you approach, you just had to let Lukhanyo do it first." Lubb: "it wasn't that simple. Anyway, yaphela yonke lanto, the girl she brought for me planted evidence to break her marriage apart because she was jealous of our friendship. That landed Lihle in hospital, that's when I decided to step back." Sizwe: "what made her land up in hospital?" Lubabalo kept quiet. Sizwe: "tell me." Lubb: "she and Lukhanyo had an argument. She slipped and hit her head." Sizwe: "he hit her? And bumped her head?" Lubb: "he didn't hit her..." Sizwe: "lukhanyo uyam'abuser uLihle?" Lubb: "well not anymore." Sizwe: "not anymore?" Lubb: "Lukhanyo has changed a lot. He really loves Lihle ta...honestly. And I can't get in the way of that." Sizwe: "oh. So your crush ended..." Lubb: "yes....it subsided." Sizwe: "did you do it?" Lubabalo swallowed hard. Lubb: "I have to go check on my wife....she said ndim'vuse." As he got up. Sizwe walked past him and closed the door. Sizwe: "the rift.....you really want to cause it?" Lubabalo looked him dead in the eye. His heart beat had increased. He didn't know why. Lubb: "I don't know what you're talking about." Sizwe: "you and I are of the same kind Lubabalo. We have the same instinct. Just that mines a hundred times sharper than yours. I could let you in.....teach you." Lubb: "you.....would?" Sizwe: "let's go. Its the perfect time. You might want to leave behind your designer shirt." He smiled and they walked out.....

Liya walked into the kitchen, she was wearing a cream and gold tight dress, padded shoulders and long sleeves, her hair tied. And gold stilettos. Lubabalo's wife. Beautiful.* liya: "have you seen Lubby anywhere? His phone is off." Me: "isn't he in the cellar?" Liya: "no he's not there. Matter of fact, none of them are anywhere to be found." Why do they HAVE to do this right now. I went to look for Lukhanyo, he wasn't here. Anda was sitting with the other guys, I asked him. Anda: "yooh...its been almost 2 hours since I seen him." Oh God...I looked for Thulani, I decided to look through all the bedrooms of that damn house then found them laying on the bed sleeping. I hated waking Lukhanyo up, he was just so cute. But it had to be done. Me: "babe!" He opened his eyes. Luks: "hm?" Me: "please wake up sthandwa sam...there's guests." He just pulled me onto the bed between him and Thulani. He woke up and lay his head back down. Luks: "khalale man baby." Me: "erhh....excuse you. I'm not gonna sleep here, wake up guys, we have guests. Come on now." Thulani got up and went to take a shower. Lukhanyo washed his face. We walked out, giving Thulz his privacy. Me: "uph uLubabalo babes." Luks: "in the cellar noSeez." Me: "no they're not." He stopped and stared at me. Luks: "what do you mean?" Me: "abekho pha, I've looked all over the house." Lukhanyo looked at his watch. Luks: "shit!" He ran to Ta Smig. Luks: "we may have a problem." Smig: "what's wrong." They walked outside. Luks: "lubabalo and Sizwe have disappeared." Smig: "maybe they're chilling around, uyaba phosa." Luks: "Ta Smig look at the time." He looked. Smig: "Ohh...." He swallowed. Luks: "he wouldn't.....would he?" Smig: "I doubt that." Luks: "Ta smig, where is this place? Liphi el'hlathi!" He rolled up his shirt. Smig: "even if bendilazi, I won't let you go there! Its where Sizwe let's go. And you do not want to be around him, when he let's go." Luks: "I don't give a FUCK Ta smig. That is my twin out there, and I refuse to let anything happen to him!" Smig: "your 'twin' chose to go! There's nothing you can do about it." Lukhanyo was flipping out. I walked out to them. Me: "uhm. Guys. What's going on?" Luks: "we might have lost Lubabalo." Me: "WHAT!!!" Luks: "ta smig, how long does it take?" Smig: "the whole night." He whispered. Luks: "oh God." Me: "what is going on?" Luks: "YOUR FATHER-" Smig: "took lubabalo out....." He held Lukhanyo back. Me: "sizothin ku Liya! Dinner is about to start!" Smig: "she won't tell the difference." Me: "what do you mean?!!!" Smig: "we can't sit and wait for uLubabalo." Luks: "I can't." Me: "you know what...you'll sort this out. I'm gone." Smig: "Lihle! Lubabalo has saved Lukhanyo's ass from prison and many other places. Lukhanyo will have to do this.." Me: "but why can't we just tell them they're gone?" Luks: "and disappoint Liya?" Personally, I didn't like the idea. Me: "xa bebuza kekok wena ba uphi?" Smig: "simple, he's with his father in law!" Me: "why can't you just say ngu lubabalo omkileyo?! Its not our fault he left!" They both stared at me.

Liya came out. "Babe, we about to start, why you still outside." I turned and walked inside the house. Luks: "talk to her." Smilo walked up to me. Smig: "nontombi, please its just until we find out uphi uLubabalo. We don't want to hurt Liya, on her first night being introduced to us as a wife, with no husband." Me: "so she must take MY husband." Smig: "you are so jealous its actually cute.....but remember when Lubby was in jail. Didn't she let you take her stand then?" Me: "Ta Smig. Khand'thethhe niks. Do what ya'll have to do." I walked to the kitchen. Mandy: "what's wrong?" Me: "I can't find Lukhanyo and my dad. Let's go." Sindiswa walked in flaunting her baby bump. She looked really cute though. Me: "ncaaaw. Bethuna ke yena!" Sindi: "yuuuh, yandi frustrater sana inguye notatakhe! Like erry mornin!" She slanged. I laughed. Me: "sindi, this is Mandy, Mandy, ngu Sindi lo." Mandy: "hey." Sindi: "hi sisi." Me: "uStuja akeka mbon uLukhanyo?" Sindi: "ndimazelaph na eyawa dumbise umlom. Akhona maas apha? Ndibawela umvubo." I took it out for her and she made herself umvubo with bread. We went to the table and sat down. Liya was fixing "Lukhabalo's" collar, he looked at his plate smiling shyly. Liya: "you okay?" Luks: "I'm good." Liya: "you seem a bit off.....lubabalo?" Lubb: "babe, we have guests." He whispered softly then coughed. Me: "I would like to hear a speech." I took my champagne glass and sat back. Smig: "yoh, ndilambile wethu mna and as the elder of the house. I accept Liya in our family. We hope uzoncedisana noLihle...and Lubabalo. I know personally, he's impossible. All he needs is patience and a little slap every now and again." Everybody laughed. Smig: "enjoy your dinner guys." Me: "but I was hoping Lub-" Smig: "lihle!" He hissed. We ate dinner. Liya: "boo? Uyandiva?" Lukhanyo was staring at me, I sat with Phaki and Lara. They were telling me jokes, so I was just balling in laughter. Liya got up and dragged Lukhanyo to the bedroom. Liya: "what the fuck is wrong with you!" Luks: "nothing." Liya: "inqondo yakho ayikholapha!" Lukhanyo fixed his speech to broken xhosa. Luks: "ndiyicinga inoba uLukhanyo iye wayaphi." Liya: "akalahlekanga baby uLukhanyo! Geez, like can you just concentrate on something else. If you're gonna change moods, everytime you're with your family, I don't know if I can deal with that!" Luks: "xolo babe. Hug?" Liya: "HUG? A hug lubabalo!! Why you acting so different!" Ta Smig walked in. Smig: "is everything okay?" Liya turned to look at him. Luks: "THANK GOD." He mimed. Then in a more audible voice: "no Ta." He held liya out the bedroom to the lounge.....

After hours, the guests started leaving. Lukhanyo pulled Ta Smig outside. Luks: "I'm panicking Ta Smig, naye lomtana uyabona ngok kukho something different!" Smig: "lukhanyo, I don't know what you want me to do!" Luks: "track them!" Smig: "I tried! Akhonto iphumelayo!" Luks: "how could Lubabalo leave his wife to be to go out hunting!" Smig: "you know lubabalo, he was drinking! Every idea, sounds like a great

idea when he's drunk!" Lukhanyo got an idea. Luks: "you said ayiphumeli?" Smig: "ja!" Luks: "I am so certain, they're at his house! Let's go! You still remember where it is right?" Smig: "ja..." Just as they entered the house they saw Sizwe in the lounge. Luks: "when did he.....?" He marched toward him. Seez: "you might wanna slow down boy. Hit your brakes hard." Sizwe smiled and sucked his teeth. Luks: "where is he?" Sizwe: "who?" Lubabalo appeared from behind. Lubb: "peek-a-boo!" Lukhanyo's heart relaxed. Luks: "where the hell have you been?!!!" He dragged him to his room. Lubb: "you are such a party pooper. You know that right? You know that?" Luks: "you just ditched your engagement dinner! I had to play lubabalo for your crazy ass!" Lubb: "Luks, I'm sorry okay. Do you know how tempting Sizwe can get? Yoh. That nigga's on point. You should've seen th-" Luks: "NO lubabalo! Fuck that! And'fun yazi about Sizwe mna! This shit is NEVER going to happen again! Next thing uzand'shiya on your wedding day, and I'll be forced to marry your wife for you! andiphinde ndiyenze lokaka! Umdala! You wanted to get married! You want this commitment! Its hard work ke bhuti, you better grow the fuck up!!" Lubb: "geez Lukhanyo....I said I'm sorry...." Luks: "you better speak to Liya, and explain why you been acting shy!" Lubabalo laughed. Just then Liya entered the room. Mad as hell. Liya: "lubabalo." She looked at both of them. Lubb: "babe?" Liya: "what's going on?" Lubb: "uhm....babes, I was abit stressed ngesis'bhanxa." He pushed Lukhanyo. Luks: "mxm." Liya walked out the room. Lubb: "and now?" Lukhanyo walked to her. Luks: "liya....I'm sorry." She looked at him. Luks: "I was covering up for him. He had disappeared and I didn't know how to tell you. Yaqala ubuya ngok." Liya: "you know what? I don't have time for this. This is not a game!" Luks: "jonga Liya, I understand that. I am sorry. Thetha naye tu." Liya: "where was he?" Luks: "that's a good way to start. Ask him." He pushed her with her shoulders.....to the bedroom. And closed the door behind them.

Later that night, Liya was in bed sitting on Lubabalo. Liya: "still haven't forgiven you. Ubuphi!" Lubb: "sizwe dragged me to his place for a while. He is so cool. Like the way he's so chilled." Liya: "lukhanyo was really worried hey." Lubb: "babe, lukhanyo needs some of Sizwe calming spirits, he's forever flipping out. I'll make it up to you. I promise." She was quite hurt. Lubb: "we'll re-do the dinner, all over again." Liya: "but you gonna keep running off with Sizwe to have tea and cookies at his house." He giggled. Lubb: "heeee, ibaby. I won't. I swear. Its just that, I didn't know it would take that long." Liya: "I hate setting boundaries Lubabalo, honestly, you must start prioritizing now. You know you can go out with your friends anytime. But alok not when we make plans. And you must be grateful for a twin like Lukhanyo." Lubb: "yeah, he's a gent, isn't he." Liya: "yoh, he was so shelled up. Kept wincing every time I held his arm. He was so shy." Lubb: "oh my God, lukhanyo can be a lil bitch, khame

ndimbize." He took out his phone. Liya: "myeke man baby. He even offered a hug, imagine that? Ndingesena msindo. Ndiqond'ba uyandiphambanisa bonanje. But now I know. Wena uqavile, yena he's more closed." Lubb: "heh. Awukam'bon wena Lukhanyo. Uyokothusa nyan uTa Luks. Ayiva leya." He pulled her to kiss her, slipping off her dress. Unbuttoning her bra. He sucked her breasts as he took off his clothes. He played with her inserting a finger. She moved her waist on top of him..... "Lubilllluuu!" The door swung open. They both got a fright. Lubb: "what the f- Mother!" The look of horror on her face...

Chapter 333

Lubb: "nxiba Liya." Mother: "what is going on in here!" He wore his pants and led his mother out. Lubb: "you didn't tell me you were coming!" Mother: "OH? That gives you the Platform to do what you're doing?" With her full Australian accent. Mom: "what happened to your speech? Why are you talking like This." Lubb: "mom please." He breathed. Mom: "you hasn't called me, replied to ze emails I did sent. No text. Nothing! What is going on! Sebaastian!" She yelled. The father came through. Dad: "yes, darling?" Mom: "speak to you son please. He has changed. I knew letting him come to diz place was ze bad idzea." She stomped off to fetch her bags from the lounge. Dad: "what's going on." Lubb: "dad, she walked in on me and my girlfriend. You know how she gets." Dad: "oh...." Lubb: "you didn't tell me you were coming." Dad: "we thought we'd surprise you. Demi's getting here in a few days time." Lubb: "I got something I want to tell you and mom." The mother walked in with her bags. Mom: "where is ze butler?" Lubb: "mom, I do not have a butler." Mom: "am I zupposed to carry all ze bags to le room?" Sylvia came to the rescue. Lubb: "when did she start speaking like this?" He asked his dad. Dad: "we just came back from France, so it will last for another few days. You know that everytime she visits a country she returns with its accent." Lubb: "somehow, not South Africa's accent." Dad: "she can't manage the click sounds. So she just gave up." They went to the lounge. Mother came to sit with them. Mom: "who was that?" Lubb: "my fiance." They gasped in shock. Mom: "WHAT! You dzid not tzell me about ze fiance Andrew!" Lubabalo was losing his patience with that stupid accent. Lubb: "mom, you're always travelling! How do I get hold of you!" Dad: "watch your tone boy!" Lubb: "I'm sorry. If you could just give her a chance. I know Mom, every girl I bring to you, you won't approve of. Because they're not Claire. Mother, Claire is dead, she's never coming back and I need to move on." Mom: "so who is she?" Lubb: "her name is Liya. She's a wonderful soul. I swear...just give her some time." Mom: "fine then. We'll zee in ze morning." Lubb:

"mom please stop." They got up and he walked them to their bedroom. Lubabalo went to Lukhanyo's room. He knocked. Luks: "come in!" Lubabalo walked in. Lubb: "khabekele mtshana." I moved over to Lukhanyo. He came in bed. Me: "and now?" Lubb: "mom's here. She walked in on me and Liya. Yoh the embarrassment." We laughed. Me: "why do they always arrive unannounced?" Lubb: "I have no idea." Me: "phof ufuzile nawe." Luks: "kakhulu. Lubabalo ufuze kumntu wonke. From his biological dad, to his adoptive parents back to Makazi." Lubb: "yeses. Yay'thanda ke mama lanto. I must go buy a sign to put on my door." We all laid the in bed. Me: "kalok lubabalo aw'zolalaphi tshi." Lubb: "yoh. Xolwen wethu." He got out of bed and walked out to his bedroom leaving our door wide open. Luks: "Lubabalo!" Lubb: "HAYI!" Me: "unqanda mton kehok?" Luks: "andimaz va." Luks got up and closed the door. He came to bed and entered from the bottom and slid up in between my legs. He lay on top of me and fell asleep. Uhm. Okay. I was hoping for something. But that's fine too.....

The next morning. I woke and took a quick shower. I wore sweat pants and a vest. Then went to fix breakfast. Lubabalo went to Lukhanyo's room and hopped into bed next to him. Lubb: "wake up." He blew wind in his face. Luks: "dude, what the fuck?" Lubb: "wake up, we have to talk." Lukhanyo woke up. Luks: "so what happened last night? Where'd you go?" Lubb: "I can't tell you...." Luks: "phuma ke." He covered himself again. Lubb: "I spoke to Sizwe." Luks: "go away." Lubb: "about you." Luks: "what about me?" He pulled back the cover. Lubb: "khathi man, yagodolisa. Tshi." Luks: "ndiyi topic ngok Lubabalo?" Lubb: "he likes you. A lot. Oko ethetha ngawe." Luks: "you are a liar. You know that? You are a douche." Lubb: "ndok'fak ikaws kulomlomo mna." Lukhanyo laughed. Lubb: "look.....when we spoke at first, he seemed alarmed. Then sahamba ke...." Luks: "I promise I won't tell." Lubb: "in the bushes. When we got there he explained....why he is cautious of you. He fears you. Because uyayaz wena uzoxelela uLihle. That's why he's.....how do I put this?" Luks: "cold." Lubb: "lukhanyo, uzak'approacher njan nalento." Luks: "that he hunts and eats animals? I already know! And no, its not sitting well with me!" Lubb: "look, he has a hunger to fill. I understa-" Luks: "because uqhelile uxhela wena! That's why ya'll best friends." Lubb: "that's unfair." Luks: "is it?" Lubb: "if he let's you in Lukhanyo there's no going back, and there's no telling Lihle. Its only between Us." Luks: "I don't lie to my wife lubabalo." Lubb: "do you want to build a relationship with your father-in-law?" Luks: "yes I do! Only if-" Lubb: "then accept him for who he is." Lukhanyo breathed a sigh and lay back for a while. He thought about this... Luks: "okay." Lubb: "okay?" Luks: "yes Lubabalo." Lubb: "yes!!!" He hugged his brother. Luks: "you are suffocating me!" Lubb: "yoh. Xolo." He let go. Lubb: "so later we're going to his place."

Luks: "with Thulz?" Lubb: "yeah. Siqibele kdala hamba sonke." Luks: "I don't know about this....." Lubb: "relax. He's harmless." Lukhanyo took his phone and texted his friends to back them up. Lubb: "khand'fote." He pouted his lips and narrowed his eyes. Lukhanyo burst out laughing. Luks: "yinton hok?". Lubb: "the Thulani pose." Thulani walked in. Lukhanyo took the picture laughing. Thulz: "what's so funny?" Luks: "jonga bhut wakho. He calls it the Thulani pose." Thulz: "heeee! Yand'qhela wena." Luks: "how was the trip?" Thulani climbed into bed between them. Thulz: "yoooh. You guys would've loved it..ndihleke from the minute I entered. Imagine the Father's name is Jongizembe." Lubabalo just couldn't control himself. He was in tears, he kept gasping for air. Lubb: "look at the axe?" Thulz: "you guys think I'm trippin." Luks: "I saw it kwi phone ka Lihle. Anday'hleka. So what happened ke." Thulz: "abazal ka baby, bayand'kama joe. Yoh, the dissing. Und'qiba xa esithi ndok'hlohla inyaw ebuswen...yoooooh" the guys laughed uncontrollably. Thulz: "damn, I must invite them here maan, you will love them I promise." They chatted some more.....

In the kitchen i was busy with breakfast. Lubabalo's mom walked in. I shrieked in excitement. Me: "Antoinette!" She: "hey, hey, heeyyy!!!" We hugged. She: "I missed you darling!" Me: "ncaaw, I missed you two. When did you arrive?" Mom: "oh, last night. The most dreadful sight I saw." Me: "what did you see?" Mom: "a girl and my son. In bed. Oh my goodness, how I wish I was blind." Me: "oh, that is his fiance." Mom: "darling how! How can she be his fiance!" Me: "uhm.....he asked her." Mom: "sweetheart. I don't trust these girls." Me: "Nette. Liya is a wonderful girl, trust me." Mom: "is she?" Me: "yes! And the best part is that she loves Lubabalo!....how exciting is that?" Mom: "I guess you right." She sighed. Mom: "but he never mentioned this to me." Me: "we'll make a special dinner tonight, just to formally introduce her to you. How is that?" Mom: "you are so sweet dear. Come here" she pulled me into her arms. Me: "Nette, can you please give her a chance....get to know her." Mom: "okay then, only because you said so dear." Liya walked in. Liya: "good morning, ma'am." Nette was shocked. Nette: "such formality. I am not ma'am, or mom, call me Nette darling. Yes?" She nodded her head. Liya: "okay Nette, would you like some tea?" Nette: "I would love some thank you." Liya went to make her tea. Nette: "she's nice, I think I like her." She whispered to me. Me: "I told you, she's a sweet." I dished up breakfast and we sat at the table with Namhla joining us, since the boys were cuddling in bed.....

Later that day, Lukhanyo, Thulani and Lubabalo drove to Sizwe's house with the Benz. Lubabalo parked and they walked towards the door. Before they got there it opened. A lady walked out. Lubabalo stared after her. Sizwe: "come in." They walked in. Lubb: "who was that?" Sizwe smiled. Sizwe: "niry? Can I get you something?"

Luks: "I'm cool." Thulz: "thanks, I'm chilled." Lubb: "I would like some juice. If you don't mind." Sizwe poured him juice. Luks: "so.....Lubabalo tells me oko uthetha ngam?". Sizwe: "yes, I want to know more about you. But there's that little problem that we both know.....that's bothering you." Luks: "that is?" Sizwe: "my lifestyle." Lubb: "Thulani, let's take a walk." Thulz and Lubb left. Luks: "your lifestyle." Sizwe: "lukhanyo quit playing. I know Smilo told you. But you got the whole thing wrong. Yes, ndakhulela ehlathin, I was taught to hunt, I eat sometimes raw meat. But I don't touch humans. I am not an animal Lukhanyo. I can't ignore myself. But I've never hurt anyone before, all I did was protect. In prison, I ate food. Mostly vegetables, but like I said, I knew the cook, so she'd prepare me twice a week my portion of meat." Luks: "why are telling me all this?" Sizwe: "because I want you to trust me. I'm glad you're there for uLihle. I'm thankful that you protected her. I wouldn't her to know about this. It would break her, because she won't understand. But you.....you're a wise man, Lukhanyo." Luks: "you want my trust?" Sizwe: "yes." Luks: "tell me nguban uZolani. And its all yours."

Chapter 334

Sizwe smiled laid back in his couch. He looked at Lukhanyo. Sizwe: "I was hoping you'd ask. I've been dropping these hints for quite a while now." Luks: "why?" Sizwe got up and poured him water. He came back and gave Lukhanyo the glass. Luks: "I didn't ask for water." Sizwe: "you're going to need it." Luks: "so who is he?" Sizwe: "Zolani is your uncle." Luks: "I don't have an uncle engu Zolani mna." Sizwe: "heh....okay." Luks: "why you saying that?" Sizwe: "what did Smilo tell you.....about a Zolani." Luks: "he didn't tell me anything." Sizwe: "yabona ke as'zovana when you start lying to me." Luks: "he just said you took the blame for my father. Bra Zakes killed someone and Zolani...so you went to jail for it." Sizwe: "oh. Did you ask who Zolani is." Luks: "Yes I did! But he dismissed me." Sizwe: "hm...interesting. Zolani is Zakes' twin. Like you and Lubabalo. Problem is, unlike both of you, they never got along." Luks: "you mean?.....my father had a twin?" Sizwe got up and walked to his bedroom he came back with two photographs. There were a group of guys. Sizwe sat next to Lukhanyo. Sizwe: "that is me, that is Smilo, lona nguban?" Luks: "Zakes..." Sizwe: "nope, that's Zolani. Nanku uZakes ecamko Smilo." He showed him the second photo. Luks: "Ta Smig never mentioned this." Sizwe: "he couldn't. Smilo is obliged to Zakes." Luks: "you're obliged to Zolani." Sizwe nodded. Sizwe: "but the problem is. Smilo is my best friend. So we had to pull them together at all costs." Luks: "where is Zolani now?" Sizwe: "he's dead, son. The days before he died he gave me something.

Said I must give it to you." Luks: "but Lubabalo is the eldest." Sizwe: "lubabalo was taken at birth. You were the only Mzinyathi left." Luks: "but Bra Zakes? Smilo? Tivo? Bona ngo Mzinyathi nje." Sizwe: "look, Zolani just instructed me to you qha. Nobody else." Luks: "is it why you're here? In our lives?" Sizwe: "partly." Luks: "are you against Ta Smig?" Sizwe: "no I'm not. But you're not allowed to tell him. Zakes made sure everything ka Zolani was destroyed. Smilo will only do the same. I have nothing on Smilo, trust me. But he's a dangerous combination with uZakes, even ngok efile uZakes, he drilled himself in his mind. all his decisions are based on what "Zakes" would've wanted. I tried to help him. But akandivumeli. He refuses to talk about it. So ndimyekile ke." Luks: "who else knows about this?" Sizwe: "you alone.....lubabalo is a crazy soul shame, he wasn't even listening to the instructions I gave him. He just kept dancing for some odd reason." Lukhanyo smiled. Only Lubabalo.....chances are umve kakhle qha uz'xelel ba soze ayenze lonto. Luks: "so what happened next." Sizwe: "well, a lot happened..." Luks: "what made my father angavani noZolani." Sizwe: "Zolani was more like you. Zakes efana no Lubabalo. Problem is, uZakes wakhula nabexhosa and violence. He had no cute bone in his body. Zolani on the other hand, was mature." Luks: "why Zakes efana noLubabalo?" Sizwe: "I have seen what he does, Lukhanyo." Luks: "and Zolani?" Sizwe: "he wanted more in life. A family. Job...all those. Zakes that's why bebengavani. He just literally lost it. They fought day and night until Zakes killed Zolani's policeman friend. Zolani wanomsindo, wathi he'll report him. Zakes warned him a couple of times. Wade wambulala. I'm glad Lubabalo wakhuliswa ngabant abamhlophe, at least he has a hint of sugar and he loves you unconditionally. Ebecula ngegama lakho apha." Lukhanyo laughed. Luks: "so iphi lento?" Sizwe: "are you ready?" Luks nodded. Sizwe got up and came back with a box. Sizwe: "I'm gonna give you this. And leave you. I'll come back after a while." Luks: "why?" Sizwe: "you need your privacy." He gave him the brown box and walked out. Lukhanyo opened the box. It was letters. A trophy. And a few other things. He opened the white envelope written: L. Mzinyathi. He read the letter:

Molo nyana.

You haven't met me....probably never will. I am Zolani, your uncle. I am trusting that you met Sizwe, ek'ben ufunda lencwadi. Treat him with respect, like he is me. Kudala ndikukhangela kodwa utata wakho wandivalela wakususa emehlweni wabantu. Ndiyathemba bakuphethe kakuhle apho kulondaw bukuyo. I am sorry at times I didn't try harder. Ndiyayaz kunjan uba notata onje ngalo wakho. Kunzima boy. But uzoqina. I hope awuzofana naye ke kuyo yonke oyenzayo. Be a man. Not a monster. Ukhule nyana kwa Mzinyathi... Ndithembele kuwe. Ngenye min I hope uzodibana

nomtakwenu. Don't judge him. Don't hate him. Umbonise uthando. And remember whenever you feel pressure, kneel down and pray. I'll be there to protect you.

Malum'Zet.

Lukhanyo had tears in his eyes. He wiped them away. He didn't know how to react to this. All along, he could've had some inspiration. He found a necklace in the box, it was made of beads....with a little horn in the middle in front. He wore it. Through the other things he found an identical necklace. There were a whole bunch of things that Zolani had owned. And a pink letter. On top written "ungahleki kwedin." He read the letter and laughed. It was a love letter, written by Zolani. Luks: "haha....mxm....I wonder if Lubby can read this." He paged through a photo album. Pictures of his great grandparents. And his grandparents..at the end of the album. There was an address for a little village in King Williams Town. And under it he wrote: "I know you'll do the right thing. Make me proud." Lukhanyo smiled. he closed his treasure box and waited for Sizwe to come back. He walked in 30 minutes later. Sizwe: "you done?" Luks: "yeah....tell me about uMakhulu noTamkhulu." Sizwe sat down. Sizwe: "well, I don know if they're still alive. But, all I know is that after they found out Zakes was behind his own brothers' murder. They cast him, Smilo and Tivo out the family. The parents moved to King Williams Town. Kubo uZolani was their hope, because they gave up on Zakes, waye stout nyan....do you want to go there?" Luks: "will you come with?" Sizwe: "if you want me to." Lubabalo bounced in. With thulani behind him. Thulz: "I don't understand WHERE you get this energy. Yho luks, the people I had to greet because of him. We were surrounded by amacherrie, all he did was pimp me." Lukhanyo laughed. Lubb: "we have got to use your good looks for SOME thing. It can't go to waste." Thulz: " undenz icelebrity apha.....yuuuh, andidinwe." Lubb: "HEYY! Christmas pressies iphi eyam lukhanyo?" Lukhanyo gave him the necklace. He stared at it for a while. Lubabalo wore it. Lukhanyo took out a bracelet matching the necklaces and tied it on Thulani. Sizwe smiled. Lubb: "I am hungry." Luks: "besekuk'dala." Lubb: "masamben we'll get Steers." They all got up, Sizwe locked and the left. They went to Steers and bought meals. Sizwe: "lukhanyo, don't change your attitude to Smilo, he's your elder. All he did was follow instructions, just like me. But yena he did it for the wrong person and he still isn't free from it. Zakes was nobody's friend. All he had was followers. And he literally forced you into his circle. Which is why he let me get locked up because he knew akasoze nangolwes'ngaph alenze ixesha kum. We all make decisions Lukha, and ke Smilo and Tivo are in the Mzinyathi household, they had no choice. Don't blame them." Luks: "okay Ta Seez." Sizwe: "good....now sizohlala noLubabalo and your little brother....we'll discuss this with

them too. because Lubabalo akeva, maybe when he's full uzondiva kakhle." They drove to the beach and sat outside to eat while talking.....

It was late evening and I was with Nette, Namhla and Liya in the kitchen. Nette was teaching Liya how to make Lubb's favorite meal, but it was different to the one we ate on his birthday. Nette: "No sugar plum. You must cut them up in blocks like 3D squares yes." Sebastian was out the whole day, he walked into the kitchen. "Good evening ladies." Nette: "dzarling, I teach ze fiance le Andrew to cook le meal." Dad: "my vanilla pudding, that is lovely." Nette: "would you like ze pudding in dzessert?" Dad: "yes please." He kissed her cheek and hugged her. Nette: "miss me much?" Dad: "over and beyond." He kissed her hair while she chopped some onion on the side. Mom: "Demi sayz le flight she booked iz cancelled. She booked for ze next day." Dad: "that's okay dear. As long as I have all my children with me for christmas." Nette: "and Micheal?" He let go of her and walked out. She followed him. Nette: "honey." Dad: "I don't want to talk about Micheal." Nette: "but sweetheart, Micheal is your brother." Dad: "I have 2 other brothers besides him. I'll be okay thank you." Nette walked back to the kitchen. Nette: "he's just being his grumpy old self." The guys walked into the house. Nette: "there you go. I likey likey....now let's put it in the oven." Liya smiled proudly. Nette: "so when's the wedding?" Nette made the pudding in the meanwhile. Liya: "lubabalo is still going to speak to my parents first. And then we'll set it after Lobola has been paid." Nette: "what must be paid?" Namhla: "ilobola sisi.." Nette: "uhm...your parents must pay my boy for Lubolola?" Liya laughed. Liya: "no, lubabalo must pay my family for me....its a traditional thing." Nette: "Traditional? I Love Traditional!! Iiililililililiii!!!" She sang. She was so dramatic. No wonder loves dancing randomly. Liya laughed. The guys walked in the kitchen.. Lubb: "mommy!" He hissed. Nette: "Hey pumpkin peck!" Lubabalo blushed. Lubb: "no...mom. I'm not." Mom: "nonsense darling! Your wife made you something special." Lubabalo smiled at Liya. Lubb: "she did?" Nette: "yes. And she told me about the labulo traditional thing can I come with?" Lubb: "what is that?" Liya: "lobola baby." Lubb: "oh yes!" Mom: "great, I'll go pick out a dress." She dancing out the kitchen. Lubb: "no mom, I mean you can't com-.....oh great!" Liya: "she is so sweet. I like her." Lubb: "seems like she likes you too." She reached up for a kiss. Lubb: "my beautiful short queen." Liya: "call me short one more time." Lubb: "xolo ke baby." Thulani dragged Namhla outside....Lukhanyo came to stand with me. Luks: "I met with your father." Me: "oh?" Luks: "yep....he gave me this...." He showed me the necklace. Luks: "and a whole lot of other things. From Zolani. He was my father's twin." Me: "Ta Smig zange ay'thethenje lonto." Luks: "I know babes.....but anyway....I need us to go to my grand parents. I can't do this alone." Me: "okay baby. I will be there with you. When?" Luks: "how

Luks: "nguwe ke baby noLiya abazayothenga ezonto. And'zaz mna." Me: "that's fine boo." Nette walked in wearing a dress. Ululating. Lubb: "mom please. You're embarrassing me." Nette: "Join me darling!! Come on!" Dad: "Leave Me. Alone." Lubb: "mother please stop." She danced to the lounge and flopped next to her husband. We laughed hysterically. As we waited for our dinner to be ready.....

Chapter 335

Thulani and Namhla were sitting in the garden. Chatting. Thulz: "baby, khafownel tata wakho." Namhla: "why?" Thulz: "nje man love, ndiyaba khumbula." Me: "guys, dinner's ready...." They got up and walked into the house.....

We had our dinner and sat in the lounge chatting, I went to feed the babies in the mean time. Chuma and Junior were playing. I took the little ones to the lounge. Giving Lutha to Lubabalo. Engeka qumbi. Nette was talking about her trip to France. Next was Lubb and Liya about theirs to London. And Thulani and Namhla about Durban. Bamenzan uMalume wam bethuna. Hehe..I missed Sizwe...I just enjoyed spending time with him. He was really chilled. And the fact that he's young and understands me. I like that. Now I missed him for real, like that urgent, I need to hear your voice type. I called mom instead. Walking to the bedroom.

Mom: "hey sweetheart." Me: "molo mama....unjan?" Mom: "ndi ryt mntanam. What's wrong?" Me: "nothing ma...." Mom: "lihle..is it Sizwe?" Me:"no mama...well yes....but not in that way. He didn't do anything bad." Mom: "so what's wrong? You don't seem excited..." Me: "uhm...ndiyam'khumbula...I know I saw him izolo...but...." Mom laughed.... Me: "mama what's so funny?" Mom: "lihle...awumazi uSizwe wena." Me: "mama is there something that I need to know?" Mom: "just know that he would Never hurt you." Me: "and?" Mom: "and its gonna be difficult my love. Sizwe is the type of person you can get addicted to. you see even after what happened between mna naye, I still went to him in jail." Me: "njani mama?" Mom: "he's a wonderful person, and very interesting. He'll surprise you each and every time. You'll feel attached, you'll love him and show him....you won't be able to spend time without him. Noba you didn't plan it ungavuka uye straight pha kuye just out of the blue uz'bone sow'pha uz'buza ba kuthen ndilapha. Eventually, uzafuna azohlala nawe or even you go to him. And then.....boom. He'll disappear." Me: "what? Why?" Mom: "your life will never be the same again. Sizwe is a lovely person mntanam, I'll say it over and over again. He is no harm. But emotionally. Yoh." Lukhanyo walked in. I was crying. Luks: "haibo baby what's wrong? Is it Sizwe?" Mom: "yabona pha? Nika uLukhanyo ifone." I gave him the phone and he spoke to her while I sat on the

bed, knees to my chest. Lubabalo walked in. He sat next to me and hugged me. Lubb: "what's wrong?" Me: "mama says sizwe is going to leave me." Lubb: "ayikho lonto, why would he make contact if he is planning on going..." Me: "I don't know, she's talking about him being addictive like he's some voodoo person osebenzisa amayeza." Lubb: "do you want to ask him?" Me: "he doesn't really use phones." Lubb: "masambe siye kuye ke." Me: "really?" My heart was overwhelmed with joy. Lukhanyo walked in. Luks: "let's go." I washed my face and we left the others at the house and they drove me to Sizwe. I felt like a small child who just simply missed her dad and was sulking about it. We got to the house. It was dark. Twinkie and Tiny sat in the front yard. Me: "uhm....I don't think its the appropriate time to go inside or out this car." Lubb: "uzophuma." Luks: "how do you know?" Lubb: "just watch."the door opened and Sizwe walked out. Sizwe: "come in maybe?" He was wearing shorts and nothing on top. His hands in his pockets. Me: "the dogs." Sizwe: "azizokwenza nto. Come." I sat in that car. Asoze bonanje. Sizwe: "you have got to trust me. I would never put your lives in danger. Iza..." He held out his hand and smiled. I opened the car door slowly. And put one foot out. Then got out and stood there. I walked step by step my eyes on the animals. Until I got to him. Sizwe: "see?" He held me inside the house. It was pitch dark. Me: "sow'lele?" Sizwe: "nope. Was just thinking." He switched on the lights. He walked out the house to go tie the dogs. Sizwe: "you coming in?" Luks: "we'll be back later." Sizwe: "sure..." He went back inside.

I didn't even know why I came all the way here. Just because bendim'khumbula. Why is he having an effect on me? He has to be using amayeza. Asoze uve tshin thiza Bawo. Ndide ndisuke ngaphaya...just to say hi. Sizwe: "you okay?." He sat next to me. Me: "how did you know I was outside." Sizwe: "baby, I know what your car sounds like. We've been through this before." Me: "I spoke to umama." Sizwe: "can I make you some tea? Coffee?" Me: "tea please." He got up and made some tea. We sat down with our mugs. Sizwe: "what did Mama say?" He sipped his tea staring at me. Me: "that you're going to let me love you. Then you'll leave." He kept quiet. Me: "she says you're amazing and all, you get a person excited. You're loving...but when someone gets attached to you.....you disappear." He kept quiet. Me: "tata please say something." Sizwe: "you won't understand mntanam. I love you. I swear I do. All I want is for you to be happy. Ever since wazalwa...your mother gave me your baby photo's even though I wasn't with you....I loved you with all my heart. You're my little angel. I....." Me: "are you gonna leave me?" Sizwe: "you're gonna want me to leave." Me: "tata, nam ndiyak'thanda...I don't want you to go anywhere." A car stopped outside...it was Luks. Sizwe pulled me into his arms. He smelt fresh and clean. I lay on his chest for a while. He kissed my head. Sizwe: "I didn't want you to know

about this...but its better you know now, rather than find out later." Me: "dad, whatever it is. You can tell me." Sizwe: "promise me you'll take care of yourself when you walk out that door. Don't even worry yourself about me. I'll be fine. If you ever miss me.....call me and leave a message." Me: "andiyi ndaw bonanje tata....I don't know why you're talking like this." Sizwe: "I.....eat raw meat." Me: "I know...." Sizwe: "you don't understand. I go out at night and hunt.....I kill and eat animal meat." It was like a blow. Why does he have to lie? He got up and led me to a room, he opened and I looked side. It was a full carcass. Ripped to pieces. In a bowl, there were insides of it. In another was its blood. Sizwe: "baby, I promise I will never hurt you.....I can't change it...I wish I could. I wish I was normal, for you. You really don't deserve it. I am so sorry...." I looked at his pleading eyes. All I saw was an animal. Who eats fresh ass, hunted, raw as fuck meat? That is not sane. He tried to hold my arm. I literally just ran out the house, What the fucking Hell!...

Chapter 336

Lukhanyo went inside to check on Sizwe. He was sitting on the floor in the passage, frowning at the ceiling. Luks: "what happened?" Sizwe: "I told her....you don't have to lie for me anymore." Lukhanyo sat next to him. Luks: "you didn't have to....bendingasoze ndithethe..." Sizwe: "uyephi?" Luks: "Lubby took her home..." Sizwe: "good." They sat in silence for a while. Sizwe: "ushiyekele nton wena?" Luks: "you need some support. Thought I might give it to you....even if asizothetha." Sizwe: "thanks lukha....but I'll be fine. I'm grown." Luks: "even if I wanted to leave. I'm stuck here with you because they left me." Sizwe laughed. Sizwe: "would you like some food?" Luks: "erh.....no thanks. I'll pass." Sizwe got up smiling and spiced some meat. He heated the stove and poured a little oil. Then fried the meat. Sizwe: "just because, I eat it raw. Doesn't mean I can't cook it." Lukhanyo laughed and sat on the counter while Sizwe made the meat and finished up. He dished out and gave it to Luks. Sizwe: "taste." Lukhanyo took a bite. Luks: "its great...." Sizwe: "exactly..." He took his raw piece, bit it and chewed. They ate in silence. Luks: "you must have really strong teeth." Sizwe: "hahhaa....I guess...." Luks: "its quite weird. Soze umntu ayicingele lento ngawe. I personally think its cool." Sizwe: "haaha. Mxm....you were just as shocked. Qha ke uyindoda wena..." Luks: "she'll come around. Ndiyamaz uLihle. Uzophinda aze kuwe looking for answers." Sizwe: "she won't. She hates me..." Luks: "ayikho lonto tata." Lubabalo parked the car outside and came in. Lubb: "heeyyyy...." He sang and did the dougie. Lubb: "khandphi nyama lukhanyo?" He bit Lukhanyo's piece and took another on his plate. Luks: "uyi bully qith wena." Lubabalo just at and ignored him.

They sat and spoke in the kitchen. Luks: "nantsi best friend yakhe. Uzothetha naye...it'll be okay." Lubb: "uhhm.....I will talk to who?" Luks: "lihle." Lubb: "oh yes....heeee tata, I'm engaged." Sizwe laughed. Sizwe: "I was at your engagement dinner. I know." Lubb: "soo kwez'way zesXhosa kwenziwa njan? To go to baby's family ndingahamba nawe?" Sizwe: "sure. We must first write a letter. Uzucele ku Ta Smig." Lubb: "okay then..." Sizwe: "lukhanyo?" Luks: "we were planning on getting married traditionally." Sizwe: "but?" Luks: "but then Tivo and Sam died, so we had to sit down for a while." Sizwe: "natshatela phi in the first place?" Luks: "in Kimberley. Yoooh....the happiest day of my life. The bestest. Top of the charts. I was beyond ecstatic...." Sizwe: "I thought that would be the babies' birth date." Luks: "because it is. Our babies sealed our marriage." Lubb: "yeah everytime she tried to leave, Lutha got violently sick. Ujike kabin es'bhedlele." Sizwe: "you were meant for each other. it was supposed to be. Uryt uLutha...anothuse qho xanicingela nina nodwa." Luks: "yeah but ayizophinda yenzeke lonto tata. I'll stick by her side no matter what." Sizwe: "that's what I wanna hear." Lubb: "who was that girl?" He asked excitedly. Sizwe: "just a girl.....to keep me from drowning in thirst." Lubabalo laughed high fiving Luks. Sizwe: "you know those immediate needs." Lubb: "trust me I do...." Sizwe stood still and listened. Someone was coming. He looked at the door. Someone knocked. Sizwe: "ngena." The door opened. A woman came in. Sizwe: "iya phe roomin ndiyeza ngok." She walked to his bedroom. Lubabalo looked at him. Sizwe: "und'jonga nto?" Lubb: "uyi pimp.". Lukhanyo and Sizwe laughed. Sizwe: "pimp? Hay not me.....I know how to treat women right...khame ndiyabuya." He walked to the bedroom. Sizwe: "hey..". Woman: "hi...ngoban aba?" Sizwe: "my son's....can I get you anything?" Woman: "you.....on the rocks..." He smiled and kissed her...holding the back of her head...then kissed her neck and shoulder. His teeth sucked gently on her collar bone..his other hand slithering underneath her top.....and tracing his finger down her spine....her body electrified with pleasure.....and he stopped. Sizwe: "you'll have to wait a bit." Woman: "why?" She moaned against him...Sizwe: "kukho le indala ngeyona ifekethayo. I promise you akazo funa uhamba. And mna and'zomgxotha." She sighed... Woman: "you put other people before me." Sizwe: "other people is my family. Watch your tone." He kissed her nose and stared into her eyes. She got shivers. Woman: "sorry." Sizwe: "you gonna be....." He walked out with his hands in his pockets.

Thulani and Namhla just put the kids to sleep. Thulz: "khazapha maan wena....I been missing you...so much." Namhla: "oko uhlel nam nje." He closed their bedroom door and locked it. Thulz: "I wonder ziyephi ezi." He lay her on the bed and undressed her. Namhla: "what are you doing?" Thulz: "awuvi shushu?" Namhla: "erh no." Thulz: "I

just wanna spend time with my babe...feel your skin." He kissed her hungrily...holding her roughly...namhla: "wait..." Thulz: "yinton ngok namhla?" Namhla: "sudikwa alok." Thulz: "and'dikwanga babes. Its just.....what's wrong?" Namhla: "can we just slow down?" Thulz: "andise bhatywe baby. Jonga." He undressed...he was fossil hard, veins were popping out.. Thulz: "izoba b'hlungu net ndiy'yeke...please mntu wam? Ndizoy'faka kancinci...I promise." Namhla: "okay..." He kissed her again, taking off the rest of his clothes. Massaging her down there, so that she's also comfortable....he opened her legs and inserted himself in. He went in and out again..she moaned his name. Within the 5th stroke he orgasmed. Namhla: "and now?" Thulz: "awumandi man.....sies....uyadika. I just came." Namhla: "so you got me excited for nothing?" Thulz: "patience sweetheart. That was just 1 out of 5...we still have 4 to go." He got up and went to fetch some wine. He came back with a bottle and glasses. They sat in bed and drank. Thulz: "you're beautiful babe." Namhla: "heee, uqala und'bona ngok? Andadana." Thulz: "naw....ndiy'bona everyday love....I just.....you fascinate me. Awuphole ngeloxesha. You just chilled as fuck." Namhla: "are you pillow talking me?" He drank his glass finished and pulled her on top. Thulz: "maybe..." He sucked on her breasts and guided himself inside her....she moved her waist and drank her glass, putting it on the table. Then moved up and down on him. Thulz: "ohhh yess.....that's my girl....." He buried his face in her bouncing breasts and groaned. When she stopped, she flipped over and he got on top from behind. Filling her in... Namhla: "oh baby....." She moaned. He held her waist while bumping into her. Namhla: "yess!!!" He went faster. Namhla: "ohhh....yes!!!" He pushed himself deeper. Her body started shaking...releasing liquid.... Thulz: "yacitha baby?" Namhla: "don't stop...." He carried on and pulled out. She turned around, he lay ontop of her, with a leg over his shoulder. He went back in.....banging in to her Hard....she groaned out loud....as he smashed into her the last time....he pulled out and kneeled in front of her. His phone rang. He switched it off. Thulz: "you still good?" Namhla: "yeahh....." She breathed. Thulz: "good. Cuz we got 3 to go princess." Namhla: "that is torture kodwa Thulani." Thulz: "ndak'xelela sisaqala udyola mos that I am insatiable. You need a lot of energy to be able to satisfy me." Namhla: "so buyond'landa kwabazal bam because you needed a sex partner?" Thulz: "hay inoba ndine sthuk'thezi." Namhla: "Yoh hay Thulani uyond'xelela sana. You'd have to rape it out of me. Otherwise I'm not going to volunteer for uxhwebisa ikuku yam. Bengathi yiplastic yesonka. Hay and'zo kwaz." Thulz: "plastic yam mos...." He kissed her neck...rubbing her clit.... Thulz: "why you acting like you don't want it?" Namhla: "acting?" Thulz: "admit.....you just can't....resist.." Namhla: "I actually can. Ndiyalala mna ngok." Thulz: "ksasa ne?" Namhla: "if kuku yam ay'dumbanga." Thulz: "can I play with it?" Namhla:

"uzofuna mos nawe...." Thulz: "I promise. Struu." He lay next to her and held her, with his finger circling her clitoris. Thulz: "so what can we chat about?" Namhla: "babes....I don't know about this unsafe sex hey...." Thulz: "unsafe how? I don't have other partners, I'm perfectly clean." Namhla: "neither do I. But I'm not talking about being dirty or clean. My mom told me specifically in detailed description painted on a canvas with a pen. NOT to get pregnant." Thulz: "and your father told me specifically in detailed plain simple men to men words that I must NOT get you pregnant BEFORE I marry you." Namhla: "so why are we doing this? Sizothin kubo if it happens." Thulz: "then I'll marry you...." Namhla: "I'm not playing man Thulani." Thulz: "I'm being serious nam Namhla. I want a future with you. And I will marry you, if you conceive a baby for me.." Namhla: "so you want a baby." Thulz: "not necessarily. But andizoy'nqanda if it happens. I'll be here every step of the way. Ndifuna a little girl..." Namhla: "awumuncu nje. Because I'm going to get myself on contraceptives. I can't deal with a baby. There's Luthandoluhle and chuma and junior, soon kuzobakho owaka Liya and Lubabalo. Its like you guys are competing but clearly Ta Luks is in the lead." They both laughed. Thulz: "yoh jonga, hay akanantanga uTa Luks.....yamithisa qha! Suppose bay4 bantwana bakhe. Lihle had a miscarriage a few months back. Ndachazelwa nguye.." Namhla: "hay uyakwazi shame. But ke Lihle um'valele ngok...." Thulz: "noba akadikwe... In 4 years' time ke babes....we'll have a kid...soya together kwa gqira for lewei yakho." Namhla: "okay...." He used two fingers...to play with her....she moaned softly.... Namhla: "yaz'bona ke..." Thulz: "ndiyeke?" Namhla: "I will beat you." He giggled. She held onto his hand and upped the pace...she felt it coming....her nails held onto his arm. Namhla: "faster....." He moved his hand faster....until she came tumbling down....holding onto him..... Thulz: "sweet dreams mntu wam...." He kissed her cheek.....and cuddled her.....

Lukhanyo and Lubabalo got back home. Luks: "you gonn go?" Lubb: "hay tshi...iya wena." Luks: "mxm, night." Lubb: "sho..." He walked to the bedroom to Liya. Lukhanyo entered his room. Luks: "boo..." He undressed and climbed into bed. Luks: "zulu lam....khavuke alok sincokole." I turned around to look at him. Me: "did you know?" Luks: "yes baby, but I couldn't say anything. It wasn't my place." Me: "okay." Luks: "love...." Me: "hm?" Luks: "he loves you. He would never hurt you." Me: "why does life always deal me the worst cards? Why?" Luks: "baby suthetha njalo man....you have beautiful kids, a mom, a dad. 2 loving husbands. That only one belongs to you." He giggled. Me: "one of my kids is asthmatic, he could lose his breath anytime. My mother just suffered from a stroke. My father practices cannibalism. My husband is a gangster." Luks: "but all of them are alive. And they love you.....some of us don't have both parents..." Me: "I'm sorry baby...." Luks: "you just having a bad

moment babes....give it time...." Me: "I don't hate him. I was just shocked...I didn't know what else to do." Luks: "he knows that...and he'll wait till you're ready. He is the only one that can explain everything to you. And you won't find out until you go to him." Me: "should I go?" Luks: "only when you're ready. Sleep on it....we'll decide in the morning okay?" Me: "I don't hate him." Luks: "he needs to hear that from you." He pulled me into his arms. I thought about all the times we had chilled together. He wasn't bad...he didn't hurt me...and I enjoyed his story-telling. So what if he eats raw meat. Hunts, skins and kills animals. Where did he learn that anyway. How does he catch an animal? Is this why he can feel things differently. Suddenly I was excited again. Luks: "ndakwaz ke uligwala. You just saw the animal and sprinted." I giggled, that was true. Me: "lelagazi man baby, and the insides that freaked me out." Luks: "you'll be okay..." He kissed my forehead. Me: "I am okay now...its just an animal." Luks: "are you sure?" Me: "yes...." I lay in his arms....breathing him in....and suddenly.....he smelt like him....it warmed my heart. Something tugged at my heart. Was it love?....I felt myself drifting away to a peaceful sleep....

Chapter 337

Thulani woke up the next day. And took a shower. He switched on his phone. Emails came in. 6 missed calls. 3 voicemails. He got dressed while he listened. It was his dad's lawyer. He wore his navy tight suit, white shirt and red tie, with matching shoes. He read the email. So he decided to call him when he got to the office. Namhla woke up. Namhla: "and then?" Thulz: "I'm late." Namhla: "for what?" Thulz: "work babes." Namhla: "but we're going to the doctor today?" Thulz: "I'll come fetch you aphe min babes. I'll call you." He took his work bag and laptop, keys and phone. He kissed her. Thulz: "love you." And he dashed out to his car. He drove quickly to work and walked in. His assistant came to greet him, giving him messages. Thulz: "love, just get me a cappuccino first." She left to make him his beverage. He sat in his desk, connected his pc and looked through his work emails. He replied to some, and started working on the project at hand. His PA came back with his cappuccino. She: "sir, Mr Lesley Benson asked you to call him immediately." Thulz: "yeah, that's dad's lawyer. I'll call when I'm done with this report." She: "don't forget your meeting at 11am with Mr Jeff. And you have to be at the site at 1pm today." Thulz: "can I finish this PLEASE." She walked out his office. He continued with his work, his phone rang and he ignored it. After a hour his PA walked in again. He frowned at her. Thulz: "ufuna nton Lisa?" Lisa: "its 11:15am sir." Thulz: "I'll get there, when I fucking get there! Okay?" He looked back at his screen. She hurried out the office. At 11:45 his phone rang again.

He finished up his report and saved it on his flash and on the laptop. I closed it and took his bag walking to Jeff's office. Colleague: "and then? What the hell is going on with you? I been trying to reach you. Lesley been trying to reach you! You didn't pitch up for work izolo. Hay thulani man noko! Just because you're the boss' son doesn't mean you can do as you please." Jeff walked in. Jeff: "don't talk to my son like that." Colleague: "what he's doing is unacceptable. He's 45 minutes late for our meeting!" Jeff: "give us a moment." He walked out the office leaving Jeff with Thulani who was slumped on the chair. Jeff: "what is it this time?" Thulz: "akhonto tata." Jeff: "no thulani, uLungile unyansile kodwa, you're taking unnecessarily advantages ngok. Without an excuse." Thulz: "I'm sorry." Jeff: "if you want to work in this company, you have to pitch up son. If you don't, then consequences will need to be carried out as with any other employee. If ufuna usebenzela uLubby uhlale ke wonwabe endlin and go to work just to say hi. Then do so. But don't do it on my company time. Its the last time we're having this conversation Thulani. Siyavana?" Thulz: "ewe tata." Jeff: "Lesley has been trying you." Thulz: "I've heard." Jeff: "uthi uya ecourt next week Tuesday for the divorce. Call him, he needs to discuss it with you. By the end of today." Thulz: "okay." Jeff: "where's the report." He gave him the flash, and Jeff looked through it. Jeff: "call him. Now. Thulani." Thulani took out his phone and called the lawyer who first gave him an earful about picking up important calls. They made an appointment to meet after business at 17:00 that evening. Jeff: "well?" Thulz: "we're meeting 5 late." Jeff looked at the time. Jeff: "get ready, we going to e'site'in." Thulani went to go fix his things. Him and Jeff left the office at 12:15.....

I was nicely dressed and ready to go. By nicely dressed I meant sneakers, and jeans with a vest. Luks: "ingak'fanel All Star yaz babes..." I ignored him. Ndamaz just one comment will encourage him to go buy it. Luks: "babe, yandiva?" Me: "yes hun. Do you think this jean makes me look fat?" Lubabalo walked in. Lubb: "don't answer its a trap. You look pretty." Me: "mxm va. Uph uLiya?" Lubb: "she kicked me out the room, because ndiyangxola. Do you think I make noise?" Me: "yes. You make a helluva noise." Lubb: "mxm....I'm taking her to a seafood restaurant. With mum and dad. Wanna come?" Luks: "nope, I'll be with my in-laws today." Lukhanyo's phone rang. He didn't know the number. He picked up. Luks: "ja?." Caller: "why you ignoring my calls?" He was taken aback. Luks: "uhm...hay Ta Smig ayikho lonto. I just been busy." Smig: "with Sizwe. You think I wouldn't find out?" Luks: "hay Ta Smig, it wasn't a secret." Smig: "lukhanyo, what are you trying to do?" Luks: "bond with my father in law. Is that wrong?" Smig: "no...qha you shutting your own family out." Luks: "Ta Smig, you're over reacting. Ayikho lonto." Smig: "okay, there's something I want us to discuss. Ima come over." Luks: "erh...." Smig: "yinton na Lukhanyo." Luks: "andizoba

available namhlanje." Smig: "why???" Luks: "I'm busy with something noLubby."
Smig: "Friday we need to go to Pretoria Lukhanyo. Siyangen istock esitsha." Luks:
"uhm.....Friday andikho aphe bhayi." Smig: "hay ke sismanga Lukhanyo. You know
what? I'm gonna give you today. To come see me. If I don't see you, by
midnight.....there'll be hell to pay!" He hung up. Lubb: "uhm....." Lukhanyo had a
worried look on his face.. Me: "babe? You okay?" Luks: "yep. Masiye." We got out the
room and I got the babies ready. We took Chuma and Junior too. Got in the Range
Rover and drove off to Sizwe's place. I called my mom on the way. Mom: "hello?" Me:
"mama, unjan?" Mom: "ndirynt mntanam wena?" Me: "ndirynt mama. I'm coming over
in a few hours' time, ukhona?" Mom: "ndizoba semthandazweni ngo 5..." Me: "okay,
soske size ngoku ke." Mom: "izani ngomso. Kukho Marhadebe apha, and uyamaz ke
soze amke ningeka hambi nina." Me: "okay ke mama." I hung up. Luks: "uthin?" Me:
"we can go tomorrow. So its Sizwe today." I took a deep breath. As we went in
eLokshin....to KwaZakhele.

Sizwe was fresh out the bath, with white knee tight shorts on. No shirt. Sizwe: "can I
get you something to eat? Scratch that, khabe yovasa, I'll make something". She: "can
we talk?" He walked to her in bed. She: "I want to know, what's this between me and
you." Sizwe: "Nana.....we are whatever you want us to be." She: "Sizwe I'm being
serious....I don't want to be commanded and dismissed mna." Sizwe: "who's
commanding and dismissing you?" She: "nguwe! And one wrong thing I say, I'm
punished for.." Sizwe: "how is it punishment when you enjoy it?" He moved closer to
her....tracing a finger up her thigh.... "Huh?" She: "I'm falling for you....." He kissed
her lips, biting her lower.....and held on, stopping, but not removing his lips....he
pulled back and smiled at her. Sizwe: "you might wanna get the fuck up." He got up
and walked to the kitchen. Sizwe: "eggs??" He yelled. She was near tears....he knew it.
But there was nothing he could do. So he beat his egg. And fried some for her. He
dished up and made her a fully cooked sausage. Defrosted his. Made some toast and
tea...pouring her juice. Sizwe: "lunch's ready." She didn't reply. He walked to the
bedroom and stood at the door staring at her. Sizwe: "crying about it won't change a
thing babes yaz? I made up my mind years ago. I don't attach myself to anything and
anyone. I warned you in the beginning. Wabe ke wena und'funa Hot And Ready. So
its not my fault you didn't read the Terms and Conditions properly." She: "and what
about me? Don't you care about how I feel Sizwe!" Sizwe: "why???" He sat next to her.
Sizwe: "babes, this is the only thing I can offer you. Love isn't available shame. I try
my best to be romantic...although I suck at that. I try my best to fuck you less, but I
can't.. I listen to your whining.....sometimes.....okay hardly, but that's just it....I'm
sorry for being honest, but I'm not going to lead you astray. I have to be straight up

with you." She got up and got dressed. Sizwe: "shower maybe?" She: "I don't wanna be here anymore!" She sniffed. Taking her bag, scruffing through it for a comb. He stood behind her and handed her the comb, hugging her. Sizwe: "uxolo wethu...." She stared into his eyes. Then combed her hair. Taking her stuff. She dashed out...a car parked out front. While Sizwe fixed his bed. Lukhanyo, Lihle and the kids knocked. Sizwe went to open. Sizwe: "come in." He smiled brightly. We came inside the house. Luks: "who was Nevermind." Me: "was she crying?" Sizwe: "I think so." Me: "why?" Sizwe: "andimaz, ndim'khwaze ndimbuze?" He got up and walked to the door, then closed it. Sizwe: "she'll be back. They always comes back." He whispered. He came to sit down. Me: "I am sorry about yesterday. I was abit shocked..." Sizwe: "I understand mntanam." Me: "I don't know what you do...and I don't want to know Yet. Maybe one of these days ndizobe ndiphinde ndik'buze....but thanks for telling me." Sizwe: "okay..." Me: "why though?" Sizwe: "why what?" He lay on the couch. Me: "why usenza lento uyenzayo?" Why was he so freaken relaxed! Sizwe: "remember ndisith, I don't remember my childhood? Well I lied.....it is what I am...ndakhula lewei. My father separated from my mother when I was a year old. He took me with him. Ene tyotyombe kweliny ihlathi. He used to bring dead animals, azixhele, abase umlilo heat it abit and eat it....he would feed me olohlobo. When I was your sons' age, he used to take me with. Taught me how to do it....obviously I couldn't. So in the meanwhile, he taught me sounds. I lay on the ground. When he taught me the difference, calculating...being different. When I was 10, my mother wanted me back...akavuma yena. I wasn't allowed out the bush...so yonke into nday'funda pha. Wandolusela pha when I was 15....then....I turned 16.....and one day....I just found him laying on the ground. Dead. I don't know what had happened. And I didn't know what to do. Until kwafika abantu...they took me, took his body. And I went to my mother....that's it." Me: "oh." I ached to ask...but I knew it would hurt me, so better not.... Sizwe: "he used to whip me..." That's exactly what I didn't want to hear. I held back my tears... Sizwe: "everytime he came back. From wherever. I am nothing like him.....I would never raise my hand kumtana, noba senze nton....separating me from civilization was bad enough. But ke I survived." I sat uncomfortably, I breathed in and out. Sizwe: "could you give us a moment?" He said to Lukhanyo. We went to put the babies in bed and Luks took Chuma and Junior out for a walk. I just walked to Sizwe and hugged him. He kissed my head. Sizwe: "sulila mntanam. I'm okay...." I couldn't help it. They just flowed down my cheeks. Sizwe: "shhh...." He held me tightly. I tried calming myself down.....

Hours later....

Thulani walked into the house after 19:30 in the worst mood. His temples were in pain and throbbing. Veins popped out, his eyes were red and swollen. He tightened his jaw, walking into the house. He didn't greet, just walked straight to the bedroom. Lubb: "thulani!" He didn't answer. Thulani got in the room and undressed. Namhla walked in. Namhla: "so mna mand'besi sbhanxa?" Thulz: "now's not the time." He growled. Undressing. Namhla: "WHEN is the time? Funeke ngok ndenz appointment for US! Am I not important to you!" Thulz: "can you just not?" Namhla: "No Thulani!!! You don't make promises! And leave a person hanging! You don't just disappear and not answer my calls! At least an explanation fuck damnit!!" His palms were itching really badly, hands shaking...he was getting really pissed off... Namhla: "ndiyathetha Maan Thulani ndiphendule!!!" He tried to control himself so hard....his complexion was turning red... Thulz: "Namhla. Please leave me alone. I had a fucking long and bad day at work!!!!" Namhla: "thulani, you said you were going to call! Awaphendula nenyeye yezi zam!!" Thulani went to the bathroom and locked himself inside smashing into the mirror. A few minutes later Lubabalo walked in the bedroom. Lubb: "kwenzeka nton?" Namhla: "I have no idea, uz'tixele ebathroom." Lubb: "Thulani!!!!" He banged on the door.....silence.

Chapter 338

Lubb: "ithi ku Lihle afownel uLukhanyo!!" Namhla left the room, while Lubabalo tried to open the bathroom. Lubb: "what the fuck is wrong with this door!" He prayed in his thoughts that Thulani didn't smash his head. Or even worse his pretty face. Lukhanyo already walked into the house. In a bad mood...he wasn't feeling anymore. Namhla: "bhuti, something happened, uthulani ebenomsindo. And-" Luks: "where is he?" Namhla: "eroomin." Lukhanyo walked straight to the bedroom, Lubabalo still struggling with the door. Luks: "suka Lubabalo." Lubby moved away, Lukhanyo kicked down the door and walked in to find Thulani laying on the floor....there was blood everywhere. Luks: "Thulani maan!!!!" Namhla came in....Lubb: "Hay, phuma Namhla." Namhla: "No bhut-" Lubb: "phuma!!" She walked out. Lukhanyo sat next to Thulani holding his wrist with a towel. Thulz: "ouuch!" Luks: "you should've thought of that before you did this! Bucinga nton." He washed his hand with cold water. Luks: "jonga usene pieces inside your skin. Masambe. Bamba so..." Thulani held the towel and they walked out. Lubabalo took the Range Rover and drove them to hospital. Lukhanyo was oddly quiet. Lubb: "I didn't get the memo, did I?" Luks: "what memo?" Lubb: "Stress Day." Luks: "mxm....awu sour lubabalo." They got to Greenacres hospital and walked. The nurse saw them.... Nurse: "I was wondering when you'd be back."

The hospital isn't the same without you." Lubb: "me? Well obviously...you kno-" Nurse: "all 3 of you. Come this way." Luks: "Burn...." Lubb: "keep quiet." They walked to the room. And Thulani sat on the bed. Removing the towel. Luks: "what happened?" Thulz: "ayise obvious lento uy'buzayo." Luks: "ngak'linge kwedin und'qhele mna." Lubb: "uwoah...nawe lukhanyo uphethwe zezakho...khame man!" Luks: "let's have a drink before we head back." Thulz: "I want to sit in a dark corner. On my fucking own." Lubb: "why? What happened." Thulz: "its that Bitch!!!!" He yelled. Thulz: "I will fucking kill her!!" Lubb: "no, no....there's no need for that. Let's not be hasty...." The doctor walked in to fix Thulani's hand. Thulz: "ib'hlungu ke lento uyenzayo." Doc: "nyamezela bhuti." Said the white woman.. Lubb: "oh my goodness you speak xhosa?" He pulled a chair and sat next to her. Doc: "you're not supposed to be here...." Lubb: "do you want me go?" He smiled shyly. Doc: "just as long as you don't disturb me or the patient. You can stay." Lubb: "is staring at you disturbing?" Lukhanyo pushed him. Lubb: "I was just being nice!" Lukhanyo just stared at him with a warning look. Lubabalo sat back and kept quiet. Thulz: "like I met with the lawyer today to talk about the divorce. This hoe did say, I abused her, throughout her pregnancy noJunior, I slept with other women and didn't respect her in our house. She has a bitch nerve to call it OUR house. That was my motherfucking house!" Doc: "sir, please try and calm down." Thulz: "and then she say I drove her to another man's arms, because I never touched her! How could I touch a bitch that's sleeping with my bloody friends maan!" Doc: "sir-" Thulz: "no doctor! NO! She says she is the one that should be filing for divorce because I put her through hell! But all she's trying to do is make us work! That she loves me above everything else. Can you imagine that lie! So its likely that I'm not even getting this stupid divorce because she reported that I'm now staying with my girlfriend!" Lubb: "why aren't you getting the divorce kehok?" Thulz: "I don't know what stupid law he said and shit! I have to be at court Tuesday!" Luks: "ei fethu..." The doctor finished cleaning the wound. Doc: "can you two please leav-" Lubb: "we not going nowhere. You will stitch him up and finish, its not new to us." Doc: "sir, its policy. You not allowed to be here." They sat down and looked in another direction ignoring her. She finally gave up and did Thulani's hand. Luckily they sat in silence. And waited till he was done. They wrapped a bandage on his hand and left to pay the bill.

Me: "what happened Namhla?" Namhla: "I was talking to him. And then he just went to the bathroom waz'tixela." Me: "were you arguing?" Namhla: "I was. Emane ngond'phoxa aphenkul ikaka! Mos he promised, now akanayo ne explanation!" Me: "Namhla, be grateful to God that kange abethekise wena kwesaspili." Namhla: "how does he expect me to understand xa engathethi?" Me: "you didn't give him a chance,

uveske wamngxolela umntana bantu." Namhla: "bek'funeke ndihleke ke?" Me: "just give him some time Namhla. I suggest you not near him tonight." The guys walked back in. Again Thulani went straight to his room and closed the door. Lubb: "Namhla, I'm gonna have to ask you umphe ixesha nje namhlanje. He's going through a rough day..." She got up to go fetch her things in the room. He was laying on the bed. Thulz: "baby....." Namhla:"what?" Thulz: "khazapha." She climbed on the bed next to him. Thulz: "dibene ne lawyer namhlanje....it looks like its still going to get ugly...lomtana akafun divorce. And she's bringing out stupid things to make sure it doesn't happen. If I divorce her, she'll take the child. Ndinga phinde ndim'bone.....I just don't know what to do." Namhla: "so you're having second thoughts?" Thulz: "no..." Namhla: "thulani were you?.....abusive? To her." Thulz: "I am not abusive." Namhla: "so you never hit her?" Thulz: "I did! Xa end'qhel ikaka ndithin? Endlinam still. Khaba inye mna icherri shame baby...." Namhla: " then I don't think me and you will work out because mna ndiyay'thanda i-order ne communication." Thulz: "soze ndik'bethe Namhla. If I wanted to hit you, I would've hit you tonight. But I didn't, because I love you.....and my heart won't let me. Plus, awuhamb ulalwa so and'bon point yophakamis inqindi kuwe." Namhla: "that's not a guarantee tha-" Thulz: "IF I had EVER, so much as raised a hand in front of your face. We'd have this type of conversation. But not even once have I ever given you a reason to doubt me." Namhla: "okay thulani. I'll sleep in the other room tonight." Thulz: "come here...." He pulled her and kissed her. Thulz: "I love you yeva?" Namhla: "I love you too."she got up and took her pajamas with phone and left for the other room.....

Lubabalo walked into his bedroom, undressing. Liya: "what happened?" Lubb: "thulani was throwing a little bitch fit, kinda broke his hand." Liya: "oh my goodness is he okay?" Lubb: "he's a man. He'll survive." He hopped into bed. Liya: "baby, we need condoms..." Lubb: "need it for what?" Liya: "we first have to go testing together, then ndiyoncunsa for naliti. Then we can fuck unprotected." Lubb: "ayinde le process uthetha ngayo lovie. Fuck." Liya: "ncama ke bhuti. We not having a baby until I'm Mrs Morrison." Lubb: "hamba Mrs Morrison. Khaze ke ndiphuze just for fun." Liya: "go buy the condoms Lubabalo. Cela und'phathel ne Yogurt." Lubb: "yandi'bully'isha kodwa mfaz wam.....iza masambe together." She pulled back the covers. She was wearing pink lingerie in a tiny flight hostess suit. Lubb: "Fuck!!! Ima be right back!!!!" He jumped out of bed and quickly got dressed...running out the house. Luks: "where you going?" Lubb: "shhh!!!!" He drove off.....he decided to go to Rink street spar, he parked and went inside buying choc chip yogurt, strawberries, whip cream. He was so excited....he wasn't even looking where he was going. He bumped into someone and almost shouted. It was Vuyo. She was with Bukiwe. Vuyo: "uyawa khona nalapha."

Lubb: "you know I wouldn't say shit if I were you." He carried on with his little shopping. Vuyo: "you wouldn't talk? Wena wonke? Cela uz'bambe ke please this time Lubabalo. I'm with someone....ufuna ibe nguwe wedwa onwabileyo. So just stay out my business." Lubb: "Girl, swerve, I don't have time for you and your someone. Khasuke ndlelen yam tu. My fiance told me not to entertain you." Vuyo: "fiance?" Lubb: "Vuyo, please step out of my way." Bukiwe: "hahahaa, niyam'sharer kanene loLihle..." Lubb: "awuse xhwebhe ngeloxesha umlomo. Lonto unuki kawsu ka sathana. Khan'suken man!". He pushed between them and went to pay. Vuyo stood by the door next to some cute guy wearing shorts and a vest. She kissed him. Lubabalo laughed, and took his stuff to the car. He packed the plastic in the boot and went to climb in. "What's your problem?" Lubb: "Oh God please give this child a hobby." Vuyo: "lubabalo I asked you not to embarrass me." Lubb: "no! You asked me to look at your boyfriend mentally, bund'xelela ba you got someone! Bufuna ndi reacte. But I won't. Because in a few weeks' time I will be a married man. I don't have time to entertain you." Vuyo: "so uzotshata umntu odibene naye a month ago." Lubb: "I met her last year, mind you....and been with her since. Look, I'm sorry I hurt you okay? I hope Mr Fresh cut over there will treat you good. Bye bye fethu." He climbed in his car and drove off.

His mind was on Liya....he was getting turned on. Lubb: "fuck I forgot the condoms.!" He stopped the car. And gave it some thought....he wants her to have his baby....his first born...he started the car and drove off....he parked at home and walked in with the plastic. Lukhanyo was sitting with his wife watching television. Luks: "what did you get me?" Lubb: "I got you LOVE. Come and get it." Luks: "mxm." Lubb entered his bedroom and dimmed the lights. Putting the plastic down.... Lubb: "can we talk?" She walked out of bed and into the bathroom then came back sitting on top of him. Liya: "yes?" Lubb: "liya, I want to have a family....I'm not rushing you baby, but jonga. You could have the baby, and I'll take care of it. You'll carry on with life. I promise you we won't be a burden. Ngomso lo usayo, I'm going to your parents place. To ask for your hand in marriage, I will pay them millions just to have you, and my baby.....ndak'cela babes?" Liya: "here's the deal. If you can convince my father and uncles.....then yes, we can have a baby." Lubb: "if they agree we're getting married next month ne?" Liya: "so soon?" Lubb: "you said you want to be Mrs Morrison mos before we have a baby, so that's what will happen ke baby. Oh and one more thing." Liya: "oh no...." Lubb: "I forgot the condoms." Liya: "mxm...kange uqalise tu uz'libala...." He kissed her, massaging her breasts, laying her on the bed. Lubb: "please strip for me....I once bought a set, and I haven't used it....so would you?" Liya: "what set?" He took out a remote and clicked a button. The ceiling divided into 2. A disco

ball lowered down, with a stripper pole. He clicked another. The lights started flashing and he turned some music on. Liya: "you are just something else. Ngeyanin lento?" Lubb: "when I renovated last year.....nday'libala...cuz I was hardly home....khenze ke boo, ndibone." He poured some whiskey in a glass and watched her strip tease for him...

Chapter 339

Sizwe was in his other room, just finished eating. He went to bath and didn't dress as he was getting ready for bed. He sat in the bedroom fixing his cupboard. Laying out his clothes and folded them inside. He took out tomorrow's clothes and ironed them. Cleaned his house nice and spotless. Still not dressed. he suddenly stopped and wore his pants. Someone was outside. But Twinkie and Tiny were on duty, so they couldn't enter. He zipped his jeans up and walked out the door. He looked at her and smiled. He knew she'd be back. He walked to the end of the yard. Sizwe: "good evening." She: "hi." She was in tears. Sizwe: "what happened?" She: "my aunt kicked me out..." Sizwe: "come..." He took her bag and held her hand inside. He put the bag down and boiled some water for tea. He made it for her and handed her the cup. She: "thanks." Sizwe: "what happened?" She: "my aunt and uncle always fight....especially because my aunt took me in...after my parents' death. He never liked me...kudala esith mandihambe ndlinakhe...." Sizwe: "shhhh....." He hugged her tightly. Sizwe: "I'll get you a place to stay real quick, for now you'll be here with me..." She: "why do you have to get me a place." Sizwe: "I love my space....I can't live with someone, I'm only doing this because I know your situation." She: "but you still don't wan-" Sizwe: "masambe solala...." He pulled her up and they walked to the bedroom. Sizwe locked the doors and they lay in bed. He climbed on top of her... Sizwe: "Nandipha....don't get any ideas about this arrangement. I'd hate to have to put you out in the cold. Don't go through my shit. Don't question my shit. You do as I say. Ne?" She: "yes." Sizwe: "good. Khavule nd'bon?" She: "and'fun...." He smiled and kissed her face....tracing his tongue on her skin...his fingers drawing patterns on her thighs...he took off her clothes. Then searched for his condoms. She: "sizwe....." Sizwe: "don't even think about it...." She kept quiet. He undressed and put it on. Sizwe: "your position." She turned around, laying her face down, ass up and hands behind her back, as he drove inside her holding her wrists with one hand.....

The next morning, Namhla woke up. Her body was heavy. She tried moving...she opened her eyes. And reality started dawning. Thulani lay behind her, holding her tightly. His arm was around her body, his face buried in her back. His legs clinging on to hers. She reached for her phone, the time was 05:45am. She slipped from his arms and decided to try harder for him. She went to their bedroom and took out his outfit for the day. White pants and blue shirt. With blue suede shoes. He ironed his shirt and pants for him. Brushing his shoes. He ran him a bath and went to make breakfast then woke him up. Namhla: "boo...." Thulz: "m..mh...." Namhla: "babes its 06:30 you gonn be late." He woke up and stared at her. Thulz: "my love..." Namhla: "yes?" Thulz: "I'm sorry about last night." Namhla: "no, I'm sorry...I shouldn't have pushed ndik'bona ba aw'kho grand. But at least you should've sent a message , but you were busy, I understand. Come take a quick bath." He got up and walked to their bathroom. He undressed and got into the bath. Thulz: "khand'vase alok mntu wam, I can't use my hand." She took his cloth and washed him while they chatted.....

Vuyo had just woken up with a heavy headache. Last night they were at Government club, having drinks with Xhanti, her boyfriend and his friends. She walked to the bathroom to pee and she woke Bukiwe up. The guys were gone already. Vuyo: "peto vuka..." Bukiwe: " mhh?" She woke up. Buki: "yinton?" Vuyo: "bamkile ooXhanti. Uphi yena uZanele?" Buki: "andaz...." She walked to the bathroom to wash her face. Vuyo: "yoooh ibhabhalaza." Buki: "yuuh wena suy'thetha lanto. Zeza castle light buz'sela. Udibanisa kwanto le." Vuyo: "hay wethu." Buki: "anyway, bus'thin ku lowa izolo?" Vuyo: "omphi?" Buki: "la Lubby mann!" Vuyo: "ohh....hay wethu, bend'xelela ba uzotshata yena and stuff..." Buki: "yaxoka peto, usak'funa. Benyanzelwa yinton ba makay'thetha lonto? Ufuna reaction yakho. He wants you to stop him from the stupid mistake he is going to make!" Vuyo: "nyan?" Buki: "awusos'bhanxa vuyo. Umbonile indlela othuke ngayo uk'bona? Then he was staring at you..he still has feelings for wena lamfana. And ulinde kuwe wenze imove. Manjalo ke sisi amadoda." Vuyo: "ndizoyenza njan kehok imove mna?" Buki: "iba sexy mtshana. Qho xa ek'bona, ube on point, ube hott!" Vuyo: "njan kengok?" Buki: "kukho omnyu sisi pha eznyoka. Sizoya kuye namhlanje. Ak'nike elovasa. Nelo futha, ubeno lyta." Vuyo: "izosebenza?" Buki: "khanxibe sambe wethu. After ufuthile, um'sendele message. Ucele udibana naye. When you meet? Love, he'll be yours ngomzuzu..." She snapped her fingers. Buki: "mbonxiba qha wena." Vuyo and Bukiwe went to shower got dressed and left for Ezinyoka.....

Lubabalo had just woken up. Liya was getting ready to go home. Liya: "morning sleepy head." Lubb: "hey boo..do you really have to go?" Liya: "I have to be at home alok xa nisiza....don't forget ke baby, qala nibhale letter ne." Lubb: "okay then....." She

packed her things. Lubb: "MH MH MH.....last night was just WOW..." Liya: "which part?" Lubb: "I love it when you..... Mh....." Liya: "when I what?" She climbed ontop of him in bed. Liya: "huh?" Kissing his neck, cheeks and lips. Lubb: "why do you make me soo weak." Liya: "why do you give me such power?" Lubb: "because you're my wife....." Liya: "because you're my husband..." Lubb: "ndiyakuthanda, inunu wam uyeva?" Liya: "ncaaww....you sound so cute....ndiyakthanda nam my baby." She kissed him again. Lubb: "when you twerk.....fuck Liya, don't you ever do that shit for nobody else. That is my ass now." Liya: "hahahaa, I wouldn't dare. Ndakwaz wena xa into seyeyakho, uy'faki stamp sase post office." Lubby laughed.... Lubb: "ndiryt tshi. Yeyam mosi." She got up and fixed herself... Lubb: "can I at least drop you off?" Liya: "okay....you can drop me off.." He got up and took a shower then got dressed. He drove her home and dropped her off. Lubb: "ndiyak'thanda Liya. Whatever happens now, is up to your parents. I'll try my best to persuade them. I'll do anything for you sthandwa sam. As long as you're sure...that this is what you really want." Liya: "Lubby, we've been through this. I love you, I want you in my life. Stop doubting yourself..." Lubb: "okay ke love." He kissed her goodbye and she left.

He returned to his house. Yelling for Lukhanyo. Who was ignoring him.. Luks: "khathi baby ndiyagula or something. Yuuh yathand ngxola ulubabalo moer." I got up and walked out to the passage. Lubb: "good MORNING!!!" Nette walked out her room. Nette: "MORNING pom pom...." Lubabalo blushed and looked away. Lubb: "lihle uph ulukhanyo." Me: "he's a bit sick. Tummy bug." Nette: "oh dear. I'll make him some of me magnificent soup..." Lubb: "let me see him quick..." Me: "he said, he doesn't feel like talking so he sleeping...." Lubb: "oh?" He walked to the kids bedroom and played with them, bathed them and dressed them. Lubb: "okay young soldiers. Let's go!" He picked them up under each arm pit and ran with them to the car as they giggled their lungs out. They left for a few hours. I fed and bathed the babies.

Lukhanyo woke up after 11 and ate. He also showered. I went to Namhla and we chilled for some time. Lubabalo walked in after 13:00...with the boys carrying water guns and wearing shades... Me: "oh, wow. Why am I not surprised." Lubb: "hEY Lukha! What's with your tummy?" Lukhanyo looked at his tummy. luks: "what's wrong with it?" Lubb: "lihle said you had a.....Oh, I see this." Me: "he was tired Lubby, and wena yathanda ngxola." Lubb: "niryv va.....Lukhy, come we have to go." Luks: "just a second." Lukhanyo wore his shoes, and took his phone. Luks: "love you babe. Mwahh." He kissed me. Lubb: "uhm. Bye." They walked out to the car and drove off. Luks: "so where we off to?" Lubb: "k'lo Liya." He said with a straight face. Luks: "you must be fucking joking!" Lubb: "am I?" He still didn't smile and Lukhanyo knew, no smile meant no joke. Luks: "we're supposed to wait for Ta Smig. We can't

just go there!!!" Lubb: "watch...." He drove in silence...his seat pulled down. He leaned by his door, his left hand on the steering wheel. He was nervous. Almost as nervous as the time he was about to propose, he switched off his phone. He didn't need any distractions. Lubby said a short prayer in his thoughts while he drove. "Lord, I am at the verge of giving up everything...just for this one girl. Lord, give me the chance to prove that I can be a better man. Grant me the strength and patience I need. Jesus, I hope this father doesn't give me grief like the last time. I came to make peace. I have to do this." He was getting more nervous and this was irritating him. Which was not the mood he was hoping for. Luks: "you okay?" Lubb: "I need a drink." Luks: "nope....you Do Not. And'fun khatywa for isgezo sakho. You need to be alive for this one boet." Lubb: "that's easy for you to say. Your father in law is practically head over heels with you. He adores you. Le awti almost shot me dead!" Luks: "because he found you in his daughters' bed. You just fucked her. Uzothin ngafun uk'dubula? Rhhaa inganya kum, andinolinda kaka ngandawo. I will shoot him DEAD, and drop him off at the nearest police station. Ind'qheli kaka bicimba izotyia intombiyam. Ndoy'faki ntsimb k'lo ntsula yayo inye mna!" Lubb: "oh hay lukhanyo.....kunin wabatya bantwana bakwezinye izindlu?" Luks: "aska! Babefun utyiwa ndim. My daughter is off limits. I dare them bonanje lubabalo." Lubb: "and ndiyoku ncedisa kwelo cala." They parked out front at Liya's home. Lubb: "this is it." Luks: "yoh fondin, ayila moto yela taima eli?" Lubb: "eish.....khangene kqala fethu." Luks: "phambene, singena sobabin!" He climbed out the car and dragged Lubabalo with him. They knocked on the door. "Come in!" Lubb: "go in." Lukhanyo opened the door and walked in first. He took off his beanie... Luks: "molweni tata." He greeted. Lubabalo came in. Lubb: "molweni tata." Tata: "nizofuna nton apha?" Luks: "tata, I know the time besilapha zasize ngengxaki....." Lubb: "namhlanje. Sizocela uxholo... I know you may not want to see me near your daughter tata. Nam I would feel the same way if the roles were reversed.....okay that came out wrong. Andiyaz noba ndingenza njan tata....from the bottom of my heart, ndizele uzocela uxholo kuwe nomama ka Liya. I'm not here to fight, or start arguments." Tata: "why now? Kuthen all of a sudden.." Lubb: "tata.....with all due respect. Ndiyay'thanda ntombi yakho. Andizenzi...kudala ndiy'cinga lento and now its becoming to the part where it stresses me. Andizanga zodlala apha.... Tata.....ndifuna umtshata uLiya. I want to make her my wife." Tata: "UTHIN KWEDIN?"

Sizwe was in the kitchen making food. He went to check up on her. She just woke up. sizwe: "yalala babes, damn..." She: "what time is it?" Sizwe: "almost 14:00..." She: "yuh..." She winced in pain, as she got up from bed. Sizwe: "what's wrong?" She: "akhonto." She went to pee...then ran the bath water to bath. She washed her body and came back out. She got dressed and fixed the bed. Walking carefully slowly.. Sizwe: "nana wam....look at me..." She stood up and smiled at him. Sizwe: "what's wrong?" She: "nothing love..." Sizwe: "you're lying to me." He warned... She: "its just that ndib'hlungu kakhulu..." Sizwe: "punnany?" She nodded. Sizwe: "ahh man baby askies....but nawe why didn't you tell me to stop?" She: "I didn't want to ruin everything...you seemed like you were enjoying yourself....and you've already done so much for me..I don't want to seem ungrateful." Sizwe: "hayi nandipha don't be stupid. You think you're repaying me nge sex kehok? Hay man! If it hurts, you tell me to stop. You being here doesn't say naxa ungafun undipha you're forced to okay? Izolo mna I thought you were just kiddin ngok busith awufun...cuz you were smiling at me and you didn't stop me when I kissed you...iza nd'bone..." He lay her on the bed...taking off her underwear. He looked at it... Sizwe: "HAY Nandipha!" She: "what?" Sizwe: "fuck....idumbile lento...we'll have to take a break for a while.." She: "its not as bad...as it looks." Sizwe: "it is..." He kissed it....she moaned. Sizwe: "yinton ngok?" She: "its just.....it raises feelings...." Sizwe: "what type of feelings?" He kissed the clitoris... She: "oohhh.....those type of feelings..." She breathed. He licked it once to taste and he smiled. Sizwe: "I have never done this shit before." She: "don't...." Sizwe: "I'm sorry man ngaleway....mna alok andiva bhlungu ndawo, ndiva kamand qha...so you have to say something to me Nandipha. I'm not here to torture you....sivisana kamandi qha mos ne?..." He kissed her thighs in between. Sizwe: "let's give it some time to heal..." She pouted.... Sizwe: "what?" She: "I was enjoying that kiss...." Sizwe: "ndizobawa nje nam...." She: "ndizokwenza nam...." He didn't think twice. He licked it. Tongue-humping it. Flipping his tongue back and forth....she moaned out loud. He pressed his lips on it and sucked softly. She: "babyy!!!" She groaned. Holding his head, she was out of breath... She: "Siiizzzwe!" He circled his tongue. She just opened her legs. Sizwe: "yuuuh kodwa..." She: "I'm almost there baby..." She breathed heavily....then suddenly she got wobbly. She: "OH yeesss!!!" She climaxed, her thighs shaking..... Sizwe: "hahaa...you messed the bed..." She: "I'm so sorry..." Sizwe: "don't worry about it...how did it feel?" She: "it was the most amazing thing I've felt.....the way you make my body feel so relaxed and hot...." Sizwe: "I'm glad.....stay just like that...." She giggled. she: "why?" He went to the bathroom wet a cloth with warn water and came back. Sizwe: "ndizosula wena." She: "no...I can do it, its okay." He looked at her. Then sat down, wiping it with the damp cloth. Sizwe:

"you make me seem like a bad person....when you say I command and dismiss you. Zange ndak'gxothe mos...and I told you, you may come anytime you want. So I don't understand the statement." She: "well....the things you make me do...during sex...." Sizwe: "zitheni?" She: "you're kind of bossy." Sizwe: "HAHAHAAA!!! Kind of??? Girl I AM bossy okay? I like things done my way, because I enjoy it." She: "kodwa u-rough." Sizwe: "you know I don't make love, akho kwa Bold and the beautiful apha sisi. I fuck a person's brains out. You KNOW. I don't know why all of a sudden you're acting so brand new." She: "I hear you..." Sizwe: "no you don't...what's bothering you Nandipha? Don't you want to be here?" She: "I do." Sizwe: "okay tell you what. When you're healed.....we'll try to make love. I'm not promising. But I'll try to be gentle. Und'nqande when it hurts. Nxiba.....and come eat." She got dressed and they walked to the kitchen.....

TataKaLiya: "what did you just say?" Lubb: "tata, I am sorry....but this is the way I feel, I swear uLiya ndizomphatha kakuhle..." Tata: "MAKA LIYABONA!!" He yelled. Mama: "HEH?" Tata: "celu sondele..." The woman walked into the lounge. Mama: "nifuna nton apha!" Luks: "mama. Sizele ucela uxolo. Mostly because of behavior ka mkhuluwa wam...the last time zasilapha. He hasn't been well lately, which is why silapha namhlanje, uyamthanda uLiya and akafun ulahlekelwa nguye. He's willing to do anything." Mama: "so.....nizothin kengok emvako cela uxolo? And then? Sithin thina?" Lubb: "ndithethile nooUncle bam mama...and we have decided that I want to make her my wife...there's nothing in this world, no one....that can make me feel the same way. Besides that, partly the reason why I pulled that stunt that other time was to see you, I understand that it wasn't in the correct manner. It was wrong and disrespectful. ULiya told me over and over again.....never to contact her. Ind'visa kabuhlungu leyo ipart, because I can't just leave her." Mama: "Liya just came back from her holiday netshomi yakhe nomamakhe." Lubabalo raised an eyebrow in question. Lubb: "is she? Is she here?" Mama: "ewe ukhona. And wena, uphuma ngala mnyango bungene ngawo." Luks: "masambe fethu." Lubb: "hayi lukhanyo andizokwaz sani." Luks: "oh God, lubabalo ndiyak'cela....don't do this to me." He hissed. Mama: "ndithe niphumen KWAM!" Lubb: "andizokwaz kodwa mna mama....I'm sorry to disrespect your house, but ufuna ndenze ntoni? Ndingabina moto? Ndixhwebe? Ndinxibe mdaka? Should I not have money? So that nizond'accepter kengok kuphindwa kukhalazwe when I can't take care of her and my baby? Zonke ez'zinto I am willing to give them up. Just give me a chance Ma, just to prove myself...andizanga zomoshu..." Tata: "phuman makwedini." Lukhanyo got up. Luks: "lubabalo!" Tata: "ingathi oyena unengqondo apha ngu brother lo wakho. Landela pha kuye." Lubabalo got up and walked out. They got in the car. He was furious.

Lukhanyo knew not to interrupt him when he was having his Andrew moments. They just sat in the car in silence. Luks: "want me to drive?" Lubb: "how could they be so fucking selfish!!!" Luks: "you weren't expecting them to just give away their daughter. She's young! You're older, and have more than you need in life! Of course they're a bit selfish, they don't know you or your intentions. Mna personally, I think you should let go of this one." Lubb: "I'll fight Lukhanyo. Ngowam uLiya. Nobody else!" He started the car and drove off.

Meanwhile, Inside the house..... MamaKaLiya: "uxakwe kugxotha abantwana ababhanxekileyo?" Tata: "sund'phambanela va? Ukrwada man awuz'kwazi!! Yimalin umamela ba kuthiwan kqala! Yakhamis yatyhala! Siiees!" Mama: "bund'bizela nton kanti!!" Tata: "because unlike YOU, umntu ndiyam'respecter, I was involving you as umama ka Liya, wamkele uxolo xa abanye bez'bona ba barongo! Qha ingxak umuncu uyityiwa!" Mama: "ufokofe ndlinam andaz kakade uzothin apha!" Tata: "yindlu yam le! And I will leave xakuthande MNA! Amboz'thengel eyakho!" She stomped off to the room. Liya locked her door and put in her earphones, listening to their music.. What if Lubabalo never comes back? Gives up on her? Because her parents are acting like children right now. If they hate each other so much, why don't they keep out of each others' way. Tata uzothin yena apha, he doesn't even live here qha uthanda ucuku! Tears fell down her face. Tata: "Liya! Vula lomnyango!" Liya ignored everything.. Tata: "yaz'bona ke izenzo zakho! Hlel nje uyathukisa! For all we know Liya could be committing suicide because of your jealous streak you have towards her!" Mama: "jealous???? Haska..." Tata: "you can't face the fact that laphelwa ixesha lakho. Awusafunwa ngok. Now you shutting down opportunities for your own daughter, ungaske uthethe naye nje! Like a female, umbuze ba uthin yena. In a few weeks' time Liya is turning 18, she'll move out this house ayohlala kuuude, ungaze uphinde umbone. Because you just Fail to be a mother! Akhonto uyaziyo nango mntanakho, you forever shouting at Her and for what!? Awuzaz wena kqala! Phethwe ngumona ubuso bubuhlaza!" He knocked on the door again. Tata: "sweetheart, please open for me...ndifuna nje uthetha nawe..." Mama: "stout ukufa nalomntanakho! Soze ak'vulele because she is disrespectful and doesn't listen to elders! Ufuna nton emadodeni amadala aqhuba iimoto ezi exclusive!!" Tata: "ohh....all of a sudden ngamadoda ngok? Eyona nto ik'tyayo yile ba akufunangwa wena." He knocked on the door once again.... Mama: "uzombona ngokwakho." The door opened. Tata: "awungo mama kalok wena. Hlel nje yamprempreza!" He walked into the room and sat next to her in bed. Tata: "mntanam." She hid her face from him. Mama: "ufunu bethwa qha!" She walked in with a belt. Tata: "yuuuuuh, I dare you. Yoooooh, uYesu uyondixolela. Zekhe NET." Mama: "uzow'mitha ashiywe nayilondoda uthembe ngayo. Iphinde

funek ibendim uthuthuzelana nomntana!" Tata: "khaphume apha! Ndicela uthetha nentombi YAM!" She walked out. Tata: "angel, look at me." She was crying. Tata: "oh yhini mntanam, yinton ngok." She didn't reply. He hugged her... Liya: "why tata? Kuthen nje funeke yonke into ibeyi fight?" Tata: "kalok Liya zizinto zabantu abadala ezi. Awungeni kuzo wena." Liya: "njan ba andingeni when you curse each other out pham'kwam? Ngam at that. If you regret having me with her, why do you keep coming here." Tata: "I come back, because my first born daughter is here and ndiyamthanda. No matter how much me and your mother don't get along, awungeni ndawo wena. Mna, I'm only here for you." They sat still for a while.... Tata: "ubuphi Liya?" Liya: "I went to Jeffrey's Bay nomama ka Sisipho, uye wamfownela umama wathetha naye...." Tata: "don't lie to me. I saw you take the ring off your finger, next thing lomfana uzofuna uk'tshata.....that is not a coincidence. I may be quiet, but I'm not blind." She was dumbstruck, she didn't know how to answer. Tata: "ndimamele." Liya: "tata, if I tell you uzobanomsindo." Tata: "andinamsindo, ndiyabuza qha nje kakhle." Liya: "we went on holiday together..." Tata: "to?" Liya: "London.." Tata: "eMonti?" Liya: "no tata, in Europe." She whispered. Tata: "WHAT!!!!!!?" Liya: "tata, I'm sorry...." Tata: "you went ALL the way to Europe, ungaxelelanga mntu! What if the plane crashed and we never knew? Njan wenze lonto!" Liya: "tata, I didn't think....I just went ahead with the plan. Sisipho wathi uzofownisa uSister wakhe omdala athi ngu mamakhe, I knew mama wouldn't do background check because she's too busy." Tata: "so you thought you'd run off with your boyfriend all across the world!" Liya: "ndicelu xolo tata..." He tried to calm down. Tata: "you are being reckless with your life. This need to stop! Uyakhula ngok, you can't keep disappearing and lying. Something bad might happen one day. I'd have mixed emotions about that....because ndizokhubeka kuba ingu mntanam. But the authorities will finally realize negligence le ipha ku mamakho." Liya: "if you give him a chance tata.....nothing bad will ever happen." Tata: "how do you guarantee me that?" Liya: "because he's always there to protect me. I don't want the going out at night, getting drunk with friends life....uyandakha uLubabalo. I enjoy being with him because he doesn't bring me down. He is supportive of my education. He helped me study for exams. Pushed me to get a minimum of 2 distinctions." Tata: "why?" Liya: "because he wants me to be his equal, not just drag me along. Tata he is not bad...I promise you this." Tata: "if he really loves you. Then he won't give up." Liya: "so does this mean....." Tata: "ndizolinda incwadi. Nabantu bakokwabo not Yena." She shrieked in excitement and hugged him. Liya: "you're the best dad!" Tata: "and don't you forget that. Liya, you will always be my little girl...I don't want this for you...but clearly iyakonwabisa. Reason why I am accepting, is because I'd rather ak'mithise

mtshathweni. Rather than just, akshiye neemfuba yabantwan." She got uncomfortable with that subject. Tata: "uz'phathe kakuhle Liya." Liya: "ewe tata." Tata: "no more going to him ngobusuku ubuye ksasa. If he wants marriage, he'll have to prove by respecting ME first." Liya: "ewe tata." Tata: "ndizothetha nomamakho ngok.. I don't know if uzay'bona the same way as me ke...I'll try. Uphi uIviwe?" Liya: "uye ku tatakhe. He said he'll be back tomorrow." Tata: "okay." He got up and walked out the room.

Later that day.

Lubabalo was in a bad mood. He snapped at everything and everyone in the house. Me: "can I make you food." Lubb: "no." Me: "uthi uLukhanyo you haven't eaten all day, so if you just have a few bites-" Lubb: "I SAID. NOO!" He growled. Lukhanyo literally forced me to come speak to him, claiming he won't listen to anybody else. So here I am. Convincing a tiger to eat grass. I sat down next to him in the movie lounge. Me: "what are we watching?" Lubb: "my dark future." Me: "is that an action movie?" Lubb: "no Lihle, its a romantic comedy hey!" Me: "oh." Lubb: "I don't see myself with anybody else! My future is dark without her, that is why I'm staring at the blank screen. I can't take this anymore! Kuthen nje when I find the perfect one, shit goes wrong! I try and try! But nothing ever seems to work out for me. Having all this money means Nothing! If I don't have her with me. My life is downright meaningless and empty.....I don't think I ever wanna fall inlove ever again." That was so sad, I was the one who wanted to cry. Me: "Lubby. All I want to tell you mna, is that when you truly love someone. You'll never give up on them... You got to fight but respect them as well, because mna as umzali I'd be a bit concerned ngumfana ovelaphi lona. And funa nton...." Lubb: "then what must I do?" Me: "I can't tell you what to do tshomam. Only your heart can do that...." Lubb: "yonke nje into ephuma k'lo mlonyana wakho sounds like a quote. Its always perfectly orchestrated and shit. Uyandika Lihle! Ukhe und'boleke le ncwadi uz'fumana kuyo ez'lines zakho." I laughed. Me: "experience does that to you." Luks: "is he okay now?" He peeked through the door. Lubb: "awulogwala." Luks: "yathand qumba man nawe. Amajita athi akwa Gqalane....baby wam...." Me: "yes?" Luks: "ndicela uhamba ndiye kwi guys just for a couple of hours, I'll be back before 11 tonight." Me: "and if you're not?" Luks: "uhm.....I will be I promise." Me: "keep your phone on. And behave." He kissed me.... Luks: "Lubby masambe before she changes her mind!" Me: "nyani." They took their things and drove to Oom Cola's place. They parked and went in. They saw Anda's car parked. Lubb: "Oh Yes! Nanku potato arms, whoop whoop!" Luks: "awoonwaba. Uthen uPotato arms?" Lubb: "ndizomgezel aphambane bonanje. I want him to huff and puff like the Incredible Hulk." Luks: "rhaa, uphambene Lubabalo,

incredible hulk huffs and puffs now??!" They walked in. Lubb: "uzobona wena." They greeted the gents and sat down. Lubabalo saw the two girls sitting in the other table but paid no attention to them. Bukiwe: "heee, so ngowphi kengok, xabezo nxiba ngok'fanayo?" Vuyo: "I can't say....their arms are covered ak'bonakal nezo tattoo z'ka lukhanyo bend'thembe ngazo." Buki: "ima pha phamkwabo, uzothetha kqala uLubby, yamaz yaz'thand iz'pili." Vuyo: "but kukho noAnda pha! I can't just go to him behlel bonke...." Buki: "uyakutya dan uAnda?" Vuyo: "Hay tshi!" Buki: "ngoku? Uzom'hoyela nton?" They scouted for a while. One of the twins' phone rang, he answered. "Morrison speaking?" He got up and walked out. Buki: "chance yakho ke sisi. Iya pha kuye...." Vuyo got up and walked out to him. Bukiwe looked at Lukhanyo and smiled at him. he stared at her. Luks: "ndok'fakunye impama mna, andiyontengiso! Tsaal!" He turned and continued talking to his friends. Lubb stood next to his car and spoke on the phone with his accountant. Lubb: "how does it look for the rest of the year 2014?" Caller: "it looks good, sir our income from this month was above the projected 7% we had aimed for. It is 7.9% meaning we have earned more than we have, ever since we began." Lubb: "good, keep it up. And keep me in the loop, how is the business with my friend going I referred her to you..for accounting advice." Caller: "we scheduled to meet next week sir." Lubb: "good, we'll speak later." Caller: "good day sir." He hung up. Vuyo stood next to him. She was wearing a black tight mini skirt and white shirt. And sandals. Lubb: "can I help you miss?" Vuyo: "I just came to chat...I don't see why we should be enemies." Lubb: "I don't see why we should be friends." Vuyo: "after everything we've been through together?..." She moved closer to him, brushing his chest. Vuyo: "I can't pretend Lubabalo....like we never happened...we were a great couple. I made one small mistake..." Lubb: "that almost cost my best friend her life..." Vuyo: "yi-best friend bithen na le!" Lubb: "there you go again." Vuyo: "I'm asking lubabalo. Maybe we could just.....try once more. Spend today together..." Lubabalo moved closer to her...he went to her ear. Lubb: "maybe awundiva ncam. in case you haven't gotten the hint by now. Andikufuni Vuyo. Nale uy'qabe ebuswin ayizokwenza difference. I am inlove with her....and she understands AND approves of me. Unlike you. Trying to make me all yours and change me. I am warning you one last time. Stay away from me. Don't look at me. Don't smile at me, don't even think about thinking about me. And one more piece of advice, lowa uthi yitshomi, is using you. Suka phamkwa mehlo am." He brushed her to the side and walked back to the table. Luks: "And now?" Lubb: "what?" Vuyo walked and sat by Bukiwe. Luks: "masambe apha...ndinuk'selwa yinto esnaaks." Lubb: "masamben gents." They all got up and got in their cars. Lukhanyo led the way to New Brighton...

Chapter 341

Later that night at home. Lukhanyo and I were sitting on the bed with the babies. Luks changed Luhle's diaper, and I changed Lutha. Me: "what's wrong?" Luks: "nothing love..." Me: "you've Been quiet ever since you got here." Luks: "yathand ukuth ndiyangxola nje wena." Me: "ude uvale umlomo kungabikho ne conversation eDecent?" Luks: "heee, hayi kengok baby." Me: "we have to go home ek'sen tomorrow, and pack. Then me, Namhla and Liya will go to the shops siyothenga. I want us to leave P.E by 15:30 sizofika at least ngo5 or 6.." Luks: "where are we going babes?" Me: "king williams town boo! You said friday remember?" Luks: "uhm...." Me: "uhm what?" Luks: "Ta Smig needs my help with something. I can't go." Me: "okay Lukhanyo." Luks: "please don't get mad." Me: "I'm not mad." Luks: "you are mad babe..." Me: "hayke ngok." Luks: "we'll go next week." Me: "we can't. Namhla's parents arrive next week." Luks: "aphe vekin ke love." Me: "ok." Luks: "hay man Lihle." Me: "yinton baby ngok?" Luks: "pass me the powder.." I gave him the baby powder. Me: "who did you see..." His eyes shot at me. Luks: "what do you mean?" Me: "you've obviously distracted." Luks: "babes, I don't know how to tell you this." Me: "just say it." Luks: "Vuyo uhlala aphe bhayi noBukiwe." It was a shock. To me, because she didn't tell me. Me: "why then is it hard to say?" Luks: "babes....kudala...I keep bumping into them." Me: "and you only tell me now?" Luks: "because I know you gonn get mad as shit." Me: "so wena uyand'qibela!" Luks: "you see? Now you're mad." Me: "I'm not flippen mad!!!" I hit him with Lutha's cloth. Luks: "xolo alok love nje." He giggled. Luks: "awukwaz noba nomsindo wamanyan in front of the babies, you start hitting me with fabric. Awuse cute nje..." I pouted and he kissed me. Luks: "baby, what happened those months back, we're leaving it in the past. Vuyo too. I am really sorry ngalento ndayenza kuwe Lihle. Ndandino msindo nyan, I couldn't even hear properly, every word you said felt like a challenge. And when you fell....kwaveske kwa lighta iz'bane kengok. I started regretting, then kwangen Chumani...ekhala. I don't ever want to hurt any of you like that ever again." Me: "idlulie babe. Its been a while since you lost your temper." Luks: "naxa engekho lubabalo I can control myself." Me: "yes, you can." We lay the babies down in our bed. Me: "niyaphi no Ta Smig?" Luks: "some stuff we need to deal with babes. Nothing much. Ndizohamba eksen." Me: "where?" Luks: "uhm...." Me: "akho ne-need uxoke lukhanyo." Luks: "Pretoria." Me: "oh." I knew I couldn't say shit about it to change his mind. So I kept my worthless opinions to myself. Luks: "mas'lale love." We got into bed, cuddling with the babies and chatted until we fell asleep.....

In the early hours of the morning, Lukhanyo woke up and showered. He got dressed. I went to make him breakfast, he ate quickly and got his stuff ready. Lubabalo walked in the kitchen. Lubb: "where to?" Luks: "PTA." Lubb: "safe journey." He took an apple and walked back to his room. Luks: "I'll be back tonight love. Come here." He held me and kissed me. And we walked to the bedroom, he said goodbye to his babies then went to Chuma and Junior. After he was done, he took his things and kissed me goodbye then left. I washed the kids in the meantime, they got dressed and I fed the babies. Today we were going to my mother's house and then after say a brief hello to Sizwe. Namhla came out and Thulani went to work. She looked after the babies while I was bathing. I got dressed and she went to shower, I washed the babies, dressing them in brown polar fleece jumpsuits. Namhla came back out. Namhla: "where you going?" Me: "masiye kumama.." Namhla: "okay, let me get dressed quick." She got dressed and we were on our way. With the kids to Motherwell, Junior and Namhla got along. He seemed to listen to her. I liked that....at least one less problem for them because Bukiwe was just enough. I hope Tuesday works well for Thulani, he needs to move on with his life and with Namhla and his son by his side. As we arrived in Motherwell for the first time Namhla didn't jump to go to friends she stayed behind with us instead. Ma: "so how's everything?" Me: "okay for now..." I didn't know whether to tell her about the lifestyle my dad lived but ke its not her problem, because she doesn't want him in her life anymore so it was pointless. Ma: "uphi uLukhanyo?" Me: "he's gone to Pretoria no-tanci wakhe. Ubuya tonight." Ma: "oh...tatakho umqibele nin?" Me: "few days back...so how's church.." She looked at me...with a sarcastic look. Heeee umama yinton ngok. Ma: "church is fine..." She looked suspicious. I'm not letting nothing out. Ma: "Namhla, banjan abazal bakho ntombi?" Namhla: "mama, I don't know, one minute they fine the next they're on some debate, bathukiselane." Ma: "oh man Namhla, your parents have been together for a very long time now. Marriage is a wonderful thing and they can't just let go." Namhla: "Thulani said the same thing...wathi bazobaryt." Ma: "nguban uThulani." Oh shit. Namhla: "uhm.....a friend of ours...." Ma: "friend?" Namhla looked at me. But nguye othethileyo nje how can she look at me? Me: "ewe mama yifriend yethu, ndandifunda naye ndithand umgezela eskolwen." Ma: "oh...okay.." The kids were playing outside, climbing the tree. Namhla: "let me make tea..." She got up and went to the kitchen.....

Sizwe was out feeding the dogs. He wasn't feeling well, he had to have caught a tummy bug. He went inside the house. Nandipha was done cleaning. Sizwe hated people cleaning after him but he kept quiet. Nana: "can I make you food?" Sizwe: "ha.a love...I'm good." Nana: "you last ate yesterday. You have to have something."

Sizwe: "nope. But thanks." He kissed her cheek and walked to the lounge sitting down. Sizwe: "you need to get a job, find something to do during the day babes. I can't be cooped up in here with you day in, day out...we'll both grow to annoy each other and andikay'fun ke leyo...." Nana: "I'll start looking soon. Don't be worried. Matter of fact, let me go now." She took her bag and left. Sizwe was confused. Just like that? Where is she going? To do what? Why? He went to get dressed and just before he walked out he stopped himself. No, Sizwe, no. He turned and went to sit down. Suddenly he was the one that needed something to do. He got up, locked the house and left hurrying after her. She was at the bustop. He stood next to her and said nothing. Nana: "what you doing here?" Sizwe: "kange uthi ufuna ndik'kaphe?" Nana: "No. I didn't." Sizwe: "oh, I must have been talking to your heart then." She blushed to the other side. Sizwe: "where we headed?" Nana: "town. I need to fix CV yam qala and make dozens of copies. Then I'll send it out to places." Sizwe: "do you need help?" Nana: "I'll be fine thank you." A taxi was coming toward the bustop. Nana: "I'll be back soon as I'm done." Sizwe: "I'll be waiting." She didn't know whether to hug him, kiss him, poke him. He never liked public displays of affection. Sizwe: "aren't I getting a kiss?" This was new. She kissed him, taking full advantage of the moment. He pulled back and kissed her forehead, stopping the taxi for her. She climbed on and he headed back to his house, feeling.....happy.

After lunch, Namhla and I got the kids ready to leave. We said goodbye to mom. And drove home. Namhla: "I need to take a nap, ntloko yam yajikeleza." Me: "first take headache pills. Kanye Grandpa." Namhla: "yoh, and'noze ndikwaz Lihle. Yaz usis'Ntombi waye thand usela grandpa xa ene ntloko. After months....umntu waveske wagula wagabha amagazi and stuff. She was taken to hospital, her stomach had to be pumped waphantse wafa kuthwa her blood clogged up or something and the only explanation was the constant Grandpa intakes." Me: "maybe she used it way too much, Grandpa ayikho as bad. But ke truthfully I don't like it mna, it tastes disgusting." We arrived home and took the kids in. Nette took the babies, smudging them with kisses on their cheeks and they squealed in excitement. Lubabalo came into the lounge, he had a glass in his hand. And looked tipsy. Lubb: "uphi uLukhanyo?" Me: "he went to pretoria lubabalo he told you eksen." Lubb: "when?" Me: "when you walked in the kitchen." Lubb: "I walked into the kitchen?" Me: "hehake." Lubb: "uhm oh." Me: "what's for dinner?" Lubb: "my heart..." Me: "I'll buy some take-aways thank you very much. I don't feel like eating a thug's heart." He giggled and shook his head. Me: "fish? Chicken? Or ribs?" Lubb: "why not all?" Me: "hay man Lubby..." Lubb: "come, take the kids, let's go." Me: "uhm...I have to go do something noMandy...you go ahead." Lubb: "I can't drive with kids in this condition.

And you're not leaving me behind." Me: "I can't be seen with you uk'le condition. You'd be tainting image ka Luks." Lubb: "I can't be in this house all day.....plleeeaaassee??? I promise I'll behave." He went to get dressed in a white vest written 99 Problems on the back like a soccer jersey in black ink. He had on jeans and white Jordan's sneakers. Me: "why did you change?" Lubb: "soze ndiz'jongise ngabantu mna Lihle, wena why you all dressed up?" Me: "I'm wearing faded jeans, sandals and a top. How am I dressed up?" Lubb: "Boys!!" He yelled. Nette was feeding Lutha and Luhle. The boys came running. I changed their t-shirts and we left. Engasaloqi lubabalo bethuna. We went to the mall. Lubb: "you go get the chicken. I'll get the fish." Me: "how about I go get the chicken and you go find something thrilling to do." Lubb: "word." We walked casually on chatting. Actually, discussing people's hairstyles. Lubb: "heeee, jonga lowa ingathi uthwele iDrain yakwa maspala." I almost tripped and fell with laughter. Me: "fuck lubabalo, eyakwa maspala joe?" Lubb: "uyazaz ne? Ngeziya zinkulu ziginya kwanto, I'm scared her hairstyle might swallow me." Me: "awuphambene nje..." We continued walking as he chatted enthusiastically. Lubb: "yoooh, hay andaz ke le ngxak iza pham'kwam...." I tried looking. Lubb: "ndonqena nothetha because I know you're gonn laugh and embarrass me." Me: "khathethe man." I begged for laughter. Lubb: "hay Yesu, khasondele und'bolek iTorch some people guidance. Andimaz ingath uthwel ihlathi entloko. Yuuuh. singaxabana no baby net afake lanto ke yazi...." I laughed....but his mood changed. We reached the bridge. Lubb: "KFC or siye k'la ndawo igrillwer kuyo?" Me: "yeah, let's try yona." We walked again. Just before we reached the restaurant. Vuyo and Bukiwe walked out the cinema. She stared at us and poked Bukiwe. Lubb: "boys....let's go check out our stuff downstairs." He literally ignored her existence. I was really pissed, what the hell is wrong with her. They laughed as they walked past. Me: "Vuyo.." She turned and they looked at me. Vuyo: "yea?" Me: "yea? Yimalin umolo mhlawmbi?" Bukiwe: "bungabulis wena nje? Tshi." Me: "and'kafiki kuwe wena Bukiwe." Bukiwe: "akhonto zondenza yona mos, you forgot the restraining order?" Me: "ndoku donora unye ndik'bulale nalo restraining order yakho uyoy'bonisa uYesu va? And'thethi nawe, suqava." Vuyo: "uzafosta umolo ke ngok?" Heeee, ndizoy'nyisa le ba cimba ndim'libele. Me: "you know what? Nevermind. Sometimes you have to act dumb to accommodate people like you." I turned and walked to the restaurant burning with fury....

When we got home, I dished up and we ate at the table with Lubby's parents. Namhla and Thulani too. Nette: "sooo What are we doing for Christmas?" Lubb: "anything besides sky diving mom, please." Nette: "nonsense darling we're doing that in January." Lubb: "I am not available in January ma." Nette: "why not? Your uncle wants to see you in the Seychelles." Lubb: "uncle will come see me when he wants to see me. Or he'll email." Nette: "you know what? Suit yourself. Sweetheart, pass me the sauce." Dad: "which one?" Nette: "barbecue hun." He gave her the sauce. After our dinner, I went to wash the boys and got them ready for bed. Where was Lukhanyo? I went to fetch the babies and bathed. Lutha was yawning with his eyes half closed. Luhle just sat there frowning. There was a knock on the door.. Me: "ngena.." Namhla walked in. Me: "uziva njan?" Namhla: "a whole lot better." She sat on the bed next to Lutha. Namhla: "how do you manage to keep up? Awudinwa?" Me: "ewe ndiyadinwa but ke I'm a wife its my duty. And besides, nikhona nina to help me out so its not that bad." Namhla: "I don't know if I can..." Me: "yamthand uThulani?" Namhla: "yes I do." Me: "that's what makes it easier ke. You won't grow tired." Namhla: "he wants us to move in together, ufumene an apartment. Its a huge step." Me: "in a way....but you've been living with him anyway." Namhla: "I guess...ndifuna uya kwa Gqira ngomso, I started my period emini..that's why bend'ne ntloko." Me:"kwa gqira yothin?" Namhla: "hlaba naliti." Me: "oh good. I'll tell Rene siyeza.." Namhla: "ok we'll talk ksasa, mandihambe engeka qumbi lowa bethe funa ndim'rubbe" Me: "haha....better get going." Namhla: "sho ke mntase." She got up and went to her room. I took the babies to sleep. I last saw Lubabalo at dinner. Maybe he went somewhere or uz'valele k'la cellar yakhe." I went to shower and didn't wear pajamas. I got into bed and played with my phone. There was an email from Lukhanyo: "miss you.." I replied: "miss you too, buya nin...?" Then he went quiet. Or he didn't receive it? Oh well. I turned off the light then slept. Hours later, I felt the bed move. I woke up instantly with a fright. He calmed me down. "Shhh..." He smelt of alcohol, I turned around and looked at him. It was Lukhanyo. He was naked and a bit drunk. Luks: "hey love, I didn't wanna wake you up yaz." Me: "well you did. Uvelaphi?" Luks: "lubabalo asked me to join him for a drink. So besihleli ke sisela pha efront." Me: "okay." I lay my head down to sleep. He started kissing me. I stopped him. Luks: "kudala ke ndik'bawela mntu wam, khenze nje eyl." Me: "andizoyenza lonto usanxilile." Luks: "and'nxilanga nje baby." Me: "ndizok'nika ksasa lukhanyo." Luks: "mxm..." Me: "fane wath mxm bonanje." He pulled me closer to him nge cheek and cuddled me....

The next morning he woke me up. Oh Bawo, akalibali ke yena uLukhanyo. Me: "hm?" Luks: "lambile.." Thank God. I got up and went to brush my teeth then made him food. He ate and lay back in bed. I just need to have another 2 hours, my shoulders

are sore. I crawled into bed while he stared at me. Luks: "and then?" Me: "tired. Need 2 hours." Luks: "okay...heee baby ke ndik'balisele." Me: "when I wake up mntu wam." I was already sleepy. Luks: "busenzan dan izolo?" Me: "went to mama." I muttered. Luks: "oh how is she?" Yoooh Lukhanyo bethuna! Me: "baby, hay kakbi ne, but I'm already sleepy we'll talk all you want emini. For the whole day. I promise just give me this time." Luks: "okay. Ndisaya kuLubby ke." He got up and went to his brother's room. He knocked and went in. Lubabalo was still asleep. He climbed on the bed and stared at him. Lubb: "what." He growled. Luks: "ulele li nton?" Lubb: "wena hlelel nton." Luks: "I can't sleep." He crawled under the covers and started chatting to Lubabalo whose eyes were still closed. He replied with sounds, until he eventually fell asleep. Luks slept next to him.....

I woke up at about 10, took a quick shower and went to make something to eat. Namhla was already busy making a fruit salad. I joined her with yogurt. Me: "you ready?" Namhla: "yep." We sat in the kitchen and ate. Thulani was in the room with the kids. Sylvia bathing the babies. Lubabalo and Lukhanyo doing I don't know what or where. Probably still asleep. After we finished eating we got going. I called Rene on the way and told her we're coming. Namhla: "how's the business?" Me: "we're meeting with Lubby's accountant next week to get things sorted really quick. We also need to register our place and stuff so until all that happens, we're busy with trying out different themes for inside. Funeke ndiphinde ndim'fownel she's busy with her other work okwangok." We arrived and got out the car. Walking in to the waiting room. We booked and sat down. After a while we were called into the room. Rene hugged me and we started chatting. I introduced her to Namhla and they spoke about the different contraceptives. I left them in peace to speak and waited outside until she was done..

Sizwe was out the previous night and had returned during the day. Nana knew the rules, no asking. No meddling. He went to take a bath and got dressed. Sizwe: "missed me?" Nana: "kind of.." Sizwe: "how was yesterday?" Nana: "jobs are scarce babe, I'll have to be patient and just hope." Sizwe: "mh...okay." Nana: "should I make you food?" He thought about saying no, but then again, she'll be suspicious because he hasn't eaten here in a while. Sizwe: "yes...." She made him some food. While he sat in the lounge reading a newspaper. She: "we should get a tv, kuzophel is'thukthez baby" Huh? He thought. Sizwe: "nantsiya tv pha phankwam andaz funa eyphi ke wena. Cuz ayithengiswa enamehlo nomlomo." She: "heee hay Sizwe, that tv is Never on, ingath ayisebenz." Sizwe: "have you tried switching it on?" She: "no." Sizwe: "there you go." She brought him the tray and went to fetch her food. Sizwe: "njan punnany wam?" She: "she's fine..." Sizwe: "healed?" She: "not entirely. Awuqumbanga?" Sizwe: "no,

He went to wash his dish. She: "we need to go grocery shopping..." Sizwe: "no. YOU need to go grocery shopping, I'm not spending a day running around a shop with a trolley. Cela uzise plate yakho wethu sisi, andiphind nd'vase zitya mna." She got up and gave him the plate, he smiled at her.. She went to the bedroom. A car parked in the yard. He knew who it was. I knocked on the door. Sizwe: "ngena.." I walked in and greeted him. Introducing Namhla. Me: "nanku ke tata uNamhla mntana ka malum'u Jongizembe." Sizwe: "molo Namhla..." He held her hand. Namhla: "molo tata." Me: "so what's been going on?" Sizwe: "nothing much..." He walked to the lounge with his hands in his pockets. A woman walked out the bedroom. Sizwe stopped to look at her. Then shook his head sitting down. Sizwe: " so where are my babies?" Wait he's not gonn introduce her? Akasoz akwaz sana. Me: "basendlin, nguban lo? And why is she staring at me?" Then she took her bag and walked out. The hell? Sizwe: "ngu Nandipha. bashiyeka njan? Do you want me to make you tea?" Me: "tata?" Sizwe: "love?" No.....its none of my business. Me: "I would like some tea thanks. Namhla?" Namhla: " me too." Sizwe: "great!" He got up and went to boil the water.....

Lukhanyo and Lubabalo were getting dressed. They wore shorts and white vests. Thulani was wearing shorts with no t-shirt on. All of them sat in the lounge. Luks: "what are we to do ngale situation ka lubby." Thulz: "fownel Ta smig." They called Ta Smig and put him on loud speaker. Smig: "yes?" Lubb: "Ta Smig I need your help." He yelled. Smig: "what do you need help in?" Lubb: "I want to get married ne? So this girl's family doesn't like me." Smig: "ngoba??" Lubb: "uhm...." Luks: "wayegez apha Ta Smig." Smig: "so ucelil uxolo?" Lubb: "yes I did. But band'gxotha." Smig: "but ke ngokwes'xhosa sibhala iletter pha kubo." Lubb: "cela und'bhalele Ta smig before I go crazy." Smig: "yand'qhela kwedin itsho ku Lukhanyo yakwaz bhala is'Xhosa." Luks: "ndibhale nto ta Smig alok andaz mna..." Smig: "ndizoza xandi ne skhathi..." Luks: "okay sure." They hung up and continued chatting.....Lukhanyo got up and walked around the house looking for his wife. She didn't say where she was going today. He went to ask Sylvia. Luks: "uph uLihle sisi?" Sylvia: "umnkile bhuti noNamhla." He turned around and went to the lounge. Luks: "bayephi ooNamhla?" Thulz: "baye kwa Gqira ksasa." Luks: "okokoko bekwa Gqira kengok?" He dialed her number and it cut off. He was getting agitated. He sat down and traced her whereabouts just before it appeared on the screen his phone rang. It was Anda. He picked up. Luks: "sure Anda?" Anda: "Ta Luks..." Luks: "yinton fondin?" Anda: "Ta Luks, shit is about to go down. Kufunek nize Ngok!"...

Luks: "there's just something I need to be busy with real quick." Lubb and Thulz left while Lukhanyo tried Lihle's phone again. She answered. Me: "boo." Luks: "uphi lihle?" Me: on my way home, why is you panicky? What's wrong?" Luks: "Akhonto...khumbula qha. Khaw'leza, Lutha made a stinky." I laughed. Me: "change him alok babe." Luks: "ha.a baby, yile ufuna wena le." Me: "mxm. Ndiyeza." We hung up. He went to check up on the babies. Luks: "hey wena...ndimqhathil mamakho sendlelen ezayo ngok. Khangene ngqina." He fist bumped his son. Luks: "kaselele bethuna intombi katatakhe. Yoh, kuzongcatywa abafana babantu xa umdala wena. Yuh. Ndinosizi bonanje." He picked Lutha up. Luks: "wena zofana noYihlo. Attack ntwana yam. Charm ibemanzi kwerrin. Ane?" Lutha frowned. Luks: "ndik'funa emacherrin fondin kuthen uzoqumba nje. Ungafuman ez'way." Lutha smiled. Luks: "az'ncunyelwa ez'way kwedin theni ngath yay'bhanxa nje. Masambe sobukel tv. Uzongxola apha vuse princess yethu." They walked to the lounge and sat down, switching on the cartoon channel. Lukhanyo lay on the couch, Lutha half on couch, half on his chest. He held his dad's vest shoving it in his mouth. Chumani was playing outside with Junior and the puppy.

I walked in with Namhla. Me: "babel!" Luks: "hey hun." Me: "did you change him.?" Lutha squealed excitedly seeing me. I picked him up and smelt his bottom, he was clean. Luks: "I knew uzokhawleza xa Lutha made a stinky because aw'fun abe uncomfortable." That was true, ndlela le ndibalekise ngayo. Me: "awudiki." Namhla took Lutha with her outside to play with the boys and Lulu. Me: "where is everyone?" Luks: "parents went sight-seeing. Lubby noThulz baye kum endlin...because brother ka Thulz was in a fight." Me: "oh....so the emergency? Why you want me here so quick?" Luks: "oh yes, izapha ndik'bonise." He grabbed my arm and pulled me to the bedroom. He locked the door and held me against it kissing me. Me: "baby..." Luks:

"khome man...." He unbuttoned my jeans and took them off me. Then picked me up wrapping my legs around his waist. He bit my neck and sucked on it, his hand holding my hair. He lay me on the bed biting off my underwear....that instantly turned me on. Me: "these days ingath uthanda kanye mini." Luks: "awund'fun alok ebsuk..." He licked my inner left thigh. I was tingling, hungry for him, he took his time...why was he teasing.. Me: "baby..." He kissed right next to it..licked all the way to it. Then stopped, he blew some wind at it... Me: "Lukhanyo maan..." Luks: "khumbula ndicela wangafuni? Kodwa you sleeping naked next to me. Ndok'bonisa bonanje." He dove his mouth onto it and sucked. My whole body reacted. He stuck a finger in and pulled out... Me: "baby I'm sorry..." Luks: "can't hear you." He kneeled in front of me and played with it. Me: "celu xolo lukhanyo..." Luks: "for?" Me: "for uk'vimba..." Luks: "uzophinda und'vimbe?" Me: "never..." Luks: "what do you want me to do?" Me: "iza man..." He took off his trousers and guided himself in. Luks: "masenz omnye umntana..." Me: "Ewe. Baby masimenze..." Muncu ke bethu uLukhanyo. I told him mos I'm on a contraceptive that lasts 3 years. Qha ke let him make himself a baby for fun. He held my waist and pushed himself in and out...I moaned his name..he kissed me, and switched positions. I was on top. Luks: "wenze lawey ke baby." Me: "ey'phi way?" Luks: "the booty shake you like to do..." I got up and turned around. Luks: "yuh babes...." I hopped on him same time. Shaking my booty for him. Luks: "fuck...." I went on harder, catching a glimpse of him in the mirror. He looked like he'd just entered Willy Wonka's chocolate factory. He had that weakness look on his face...he was teasing me earlier. Let me try.....I slowed down....luks: "oh baby man....." Then upped the pace. Luks: "baby.....! Baby wait! Ooooh..." He growled. Luks: "lihle baby, I'm about to cum....please slow down..." I went faster making sure he sees the whole view. He was moaning loudly. Luks: "baby.....oh Yes...shit.....ima baby...." His breathing was in gasps and he held me down, releasing..his body relaxed soon after. Luks: "what was that for." Me: "don't patronize me. Xandingafun ukupha xa unxilile andifun. And'zova ngawe mna." Luks: "kodwa uyibully man lihle. You so fucking bossy." I got up and took some tissue wiping. Luks: "let's stay here all day, I'll bring snacks sitixe." Me: "great idea. But we can't leave Namhla with the kids its unfair." Luks: "khona Sylvia nje." Me: "first amboqonda kwenzeka nton kooThulz. Then I'll sort everything out uzobuya ndiready." He pulled me to the shower.

After we were done, Luks drove to eFord. He went inside the house, where the guys were sitting. Lubby was texting on his phone. Or playing a game. Luks: "ngoban ez'ntwana?" Anda: "Siya?" Siya: "lamajita ayafika aphe Bhayi. Andaz zisuka phi. Ndimile and 'thethi nazo, ey1 ithi nd'yaqhela, xandibuza nganto yaza nengqindi.

Lubb: "ndimhle mna Anda, I don't need gym." Anda: "what are you tryna say?" Lubb: "read between the lines, pumpkin bum." Anda ignored him. Lubb: "how's Mandy..." Anda: "fine." Lubb: "just fine?" Anda: "she's having moments...because of the baby." Lubb: "you don't have a baby." Anda: "awuse late. Someone please give him a program." Lubb: "mxm." Lubabalo got really irritated....he was the only one that didn't have a baby. Lubb: "hm...." Was his reply. He was in no rush. All he wanted was his wife. He got up and went to make food. he ate his big sandwich with Guava juice. Luks: "do you ever eat normally? Like peanut butter and jam types." Lubb: "what is that?" Luks: "I rest my fuckin case. Umntu njan angayaz peanut butter." Anda: "uyaz kakhle, qha phethe bubu menemene pha enqondwen." Lubb: "I wonder u-invitwe nguban Andapnats ka tata." The guys laughed including Anda. Anda: "awuphambene Lubabalo." Lubb: "sho awti yam" they shook hands. After he was done eating.. Lubb: "who wants chicken?" They all said no. Luks: "masamben." They got up and walked out, locking the doors.

Lubb: "where to?" Luks: "kwa Ngqoko. Just have a few drinks and head home.." They drove to the place and chilled outside. Lubabalo bought two bottles of Johnnie Walker, Thulani bought a bottle of Henessey and ice plus glasses. Anda came with a bottle of Jack. Stuja: "Ta luks, I have to get going. Promised Sindi ndizom'phekela namhlanje uthi her feet are swollen so...." Luks: "akho ngxaki chap." Stuja left. After a long while of drinking. A grey polo vivo came through. Siya: "nazi." Lukhanyo got up and went to fetch his gun he tucked it in behind his back and gave Lubby his. Luks: "Anda. Thulani. Get ready.....its about to go Down." Anda got up and fetched his. Siya: "umna?" Luks: "sit still....I got this." They sat back down and waited for the guys to approach. There was 3 of them. Lukhanyo laughed. The one who walked in front stopped and looked at him. "Khona ngxaki?" Lubb: "yep. Big one. Your face." Guy: "do I know you?" Lubb: "would you like to?" Guy: "and'na xesha labantu abazenz iz'khothane mna." Luks: "khabe ngath uthethela phezul kandik've." Guy: "ambonya kwedin." Lubabalo got up and looked at him. Lubb: "you on your highway to heaven, God probably staring out his window looking at your headlights right now." Guy: "oh yeah? Sokhe sibone ozofika kqala." Lukhanyo hit him with the bottom of his gun. His friends took out theirs. Anda and the guys stood up pointing their pistols at them. Luks: "nizond'qhel ikaka. In my territory. You

must want to die." The other people in the tavern were shocked but still watching. "Hayi Lukhanyo!!!" Luks turned around...

Chapter 344

Luks: "ufuna nton apha?" Sbosh: "please don't shoot him." She pleaded. She bent down next to the guy. Sbosh: "what the fuck were you thinking! Unxilile Lwazi?" Luks: "Sbongile, suka, kanye ndoni dibanisa mna." Sbosh: "hay Lukhanyo." Luks: "uth nyayi nton? Nguban lo?" Sbosh: "ngu Lwazi...Ta Luks, he's from Cape Town...akazi niks apha." Sbosh: "he's with his wife." Lwazi: "bring that child here." Sbosh: "he enjoys being with his father. Umenzela yonke into ay'funayo." Lwazi: "YEEYI!" Sbosh: "kodwa Lwazi I can't just-" Lwazi: "fondin! Ndim ndodakho. I will support your child. Sek'then ngok." Sbosh: "I won't do it." He slapped her across the face. Lwazi: "don't make me repeat myself. I want him here Tonight." He walked out.

She took out her phone and dialed for Lukhanyo. Luks: "yinton?" Sbosh: "uhm...." She tried to compose herself. Sbosh: "can Chuma come to my place namhlanje..." Luks: "Why." He poured himself water while staring at the mirror. He didn't look that bad. Or did he? Noma: "ingath ungu nkawana owalahlwa ngabazal bakhe." Jongi: "say that again and see how quick my hand reaches your face.." Noma: "haha....mxm." She dished up and gave him his plate. They sat down to eat. He was staring at her. Noma: "yinton ngok Jongizembe? Ndiyinga imehlo?" Jongi: "kuthen uthanda undiphoxa nje? Bendizothi umhle namhlanje. Qha uyandivalela qho xandiza nento entle. Ndik'yekile ke mna." Noma:

"uqhele undiphoxa mos." Jongi: "ndik'yekile kalok." They ate in silence...she took the dishes to wash them and came to sit next to him again. His arm was on the top of the couch. He touched her hair, pulling strings and wrapping them around his finger.

Noma: "wenzanton ngok!" Jongi: "khayek ngxolo." She kept quiet and they watched tv. She was getting sleepy...and lay back on the couch. When she eventually fell asleep he pulled her in his arm and kissed her head as she lay on his chest.....

Lubabalo called Liya. She picked up. Liya: "hey..." Lubb: "hey sthandwa sam. Unjan?" Liya: "I'm okay babes, wena?" Lubb: "I'm good. I just miss you, wenzan?" Liya: "Iviwe is taking me out to meet his girlfriend. Wena?" Lubb: "I'm just sitting her. I miss you." He sulked. Liya: "I miss you too mntu wam....." Lubb: "khacele noba yi10 minutes ku Iviwe man. We'll be brief...I promise." Liya: "you're not his favorite somebody ke. So I doubt he'll agree." Lubb: "baby...sulk, be mad or one of those annoying women tendencies. Do something. Ndak'cela." Liya: "okay fine...I'll ask him...maybe when we're done with dinner, ndidibane nawe then he'll come fetch me later." Lubb: "Great! I'll be waiting..." Liya: "I'll let you know ke babes, bye." Lubb: "bye.." He hung up and walked to the kitchen to make a snack singing a tune. Luks: "what's up?" Lubb: "what are you talking about?" Luks: "you're in a good mood." Lubb: "is that a bad thing?" They sat in the lounge and watched ESPN chowing on doritos dipped in yogurt. Me: "you guys just ate dinner, HOW can you be hungry?" Luks: "lubby eats a lot when he's excited about something, and when he eats, I get hungry." Chuma and Junior joined them in the lounge. Chuma sitting on Lubby lap drawing his face with yogurt. Junior and Luks were having a little bro moment watching tv, junior laying on Luks. After a very long time I took the kids to bath. Lukhanyo dressed them in their pajamas. Lubby's phone rang. He washed his face, grabbed his keys and dashed out. Driving to where Liya and her cousin were having dinner. When he arrived they were standing by the BMW. Lubby parked his next to it, stood outside and shook his head. Lubb: "well, good evening." Iviwe: "hi." He said coldly. Lubb: "hey boo." He kissed Liya. Liya: "this is Mbali, Iviwe's girlfriend. Mbali, this is my fiance, Lubabalo." Mbali: "oh My! Nguye lo? Molo bhuti." Lubb: "nice to meet you." Mbali: "likewise." Iviwe stepped forward. Iviwe: "I'm giving you only 2 and a half hours. Then I'm coming to fetch her. I'm not thrilled that she likes you of all people." Lubb: "nigga Please. I aint that hyped about you either, put your grass panties on. Masambe Baby. Bye Mbali!" He opened the passenger door for Liya and got in his side.....driving off.....

They got home and walked to his bedroom. Lubb: "so. How's things at home?" Liya: "kinda tense. Well only between mom and dad, I explained to utata, he accepted, but umama akafun...they've been at each others throats I don't even wanna talk about it."

They lay on the bed. Lubb: "I got something..." He went to his cabinet and took out swiss chocolates. Liya: "my favorite!" Lubb: "I thought I was your favorite." Liya: "stop being a baby..." He went to the kitchen to fetch ice cream and spoons. Then went back to the bedroom. Lubb: "so, did you miss me?" Liya: "no actually." He shot a serious look at her. Liya: "ndadlala man..haha...mxm....I missed you.." She took a scoop and ate. Lubb: "what'chu miss?" Liya: "your noise.....snoring, singing, dancing. You always so happy....you make me happy...." They stared at each other and kissed..a sweet long passionate kiss...she put away the ice cream and chocolates, climbing on top of him. Lubb: "we don't have to babe...I just want us to chill and hang out. I really missed you...." She: "we can do that later...." He smiled and kissed her climbing on top, pulling off her clothes. His body was shaking...he undressed and lay on top of her...he put it in slowly.. The blood in his veins bubbling under his skin like hot lava. It rushed straight to his heart. Liya: "umele nton baby?" Lubb: "just a second for me to calm down." He pushed in further....moving his waist, biting her ears....he was more gentle than ever before. Liya: "baby....a little harder tu?" Lubb: "I don't wanna hurt you." Liya: "you have never hurt me before, why now all of a sudden...?" He went faster. He moved sideways...pushing in all directions. Liya: "ohh baby..." She groaned... He turned her around and entered from behind, bumping against Her. liya: "Yes!" Lubb: "almost....." He banged against her harder. Lubb: "shiiit...." Faster. And finally.....smashed one more time. Releasing everything. His body shivered, he was dizzy and a bit weak. They lay in bed for a while and he dozed off. Liya: "hawu ndoda...olohlobo?" Lubb: "ndozela kamand...my body is free and relaxed." Liya: "okay..." She set her watch to wake her up in 2 hours. Laying on his chest. Lubb: "I love you babe...." Liya: "I love you too sugar..." They took a quick nap and woke up some time later, taking a shower together. Lubabalo was still abit sleepy. They got dressed and Iviwe called to say he's outside. Lubb: "thank you boo...for coming. Uth enkosi to Mr Flashy over there....." He kissed her. Liya: "bye hun, I'll call you when I get home." She left and Lubabalo went straight to bed.....

Luks: "lubabalo vuka, its 11am." Lubb: "don't lie lukhanyo get the fuck out my room. Andd let me sleep my ass off." Lukhanyo jumped and bounced on the bed. Luks: "long night?" A nigga needs a day off from you.." Luks: "whatever. Get ready, I'll wait for you in the lounge." Lubb: "make me food." He yelled after him. He took a shower and got dressed. Feeling the same way. Lubby walked to the kitchen.

Me: "damnn....you look like you been hit by a bus." Lubb: "oh wow, thanks for the compliment linkie..." Me: "can I get you something?" Lubb: "dumplings." Me: "what? You want dumplings?" Lubb: "yeah...ndibawela idumplings with stew." Me: "can't I make that for dinner?" Lubb: "can you please make it for lunch.?" Me: "ok then. Have a sandwich or fruit....I'll do it right now." He took an apple and Luhle from my arms as I started the dough for the dumplings, Sylvia helped me with the vegetables. Namhla started on the pots and we got busy. Ta Smig arrived. Smig: "hey sweetie." Me: "hello bhuti." He hugged me. Smig: "I hope you're doing well....unjan uSizwe?" Me: "he's good...he'syeah." Smig: "what?" Me: "there's a woman that lives with him. He refuses to talk about it." Smig: "have you asked him?" Me: "well he told me her name." Smig: "that's probably because you asked for the name. Sizwe is the only open guy I know. If you ask him, he'll tell you..." Me: "you're right.....anyway, ooLukhanyo are in the lounge." Smig: "sure mntanam..." He walked to the lounge and sat down with the guys. He dragged himself up to go fetch the notebook.....

Me: "don't you think you should go to the doctor?" Lubb: "after I'm done eating." Me: "okay ke." He waited for his meal to be ready. Lukhanyo walked in. Me: "babe, siya nin kwi grandparents zenu?" Luks: "we could go tomorrow sibuye on Monday." Me: "great! We can go home today and pack." Lubb: "and me?" Me: "you'll pack too... We're taking the Range Rover with the babies, you're taking the Benz with the boys and Sizwe. Namhla and Thulani will take their Audi." Lubb: "when did you organize this?" Me: "I didn't...I just said it. Okay so you go pack, uph uThulani." Luks: "use lounge." Me: "ask if he can take a half day Monday, we don't wanna upset his dad again." Namhla: "I'll go to him." Can I speak to you for a second?" They walked outside. Smig: "what the fuck is this?!" He pointed to the necklace. Luks: "its a gift." Smig: "its cursed!" Luks: "nothing bad has happened to me..how is it cursed?" Smig: "look, you can't believe everything Sizwe says. Zakes was your father, he wouldn't want this for you! You should live by his word and not anybody else. I know you respect Sizwe, but to go against your dad for him!?" Luks: "Ta Smig, I'm not going against anybody. I'm just trying to get to know my family. Yinton erongo?" Smig: "that family threw your own father out! They disowned him." Luks: "because he killed his own twin brother! And you with Tivo helped him. Ta Smig, I have not turned against you. I know what happened, you didn't have a choice, and I respect that. Ewe, you raised me. And I'll always be grateful. But I can't shut them out nangok ndisazi ba khona. Please... " Ta Smig: "well, its either Them. Or Me." Then walked off to his car. Now Lukhanyo had to weigh his options. He sat on the patio to think. He was really stressing. The business that he didn't want part of anymore, Ta Smig, the grandparents, his kids might grow up esekule mess ye business, it'll have a bad influence on Lutha and Chuma...so many things were getting to him. He got dizzy. His hands started shaking. His nose was runny. So he wiped it off, blood was on his hands. He struggled to stand up. Lubabalo walked out. Lubb: "Dude!" He rushed to him, pulling off his t shirt and holding it on his nose. Luks: "I'm okay." Lubb: "no! You're not. Yinton ngok Lukhanyo." Luks: "don't tell Lihle." Lubb: "why not?" Luks: "just don't!" Lubb: "on one condition. Siya kunye kwa gqira." Luks: "fine." They got up and walked inside the house. Me: "what happened?!" Lubb: "he kind of fell." They walked to the bathroom. Me: "please open!" Lubb: "no can do. We busy." Me: "doing what?" They didn't reply. I went back to the lounge and waited while we ate. Where did Ta Smig go to? Lubabalo and Lukhanyo came out the bathroom and went to get dressed. Luks: "babes, ndisa khapha uLubby uya kwa Gqira." Me: "okay...uryt wena?" Luks: "yeah I'm good babes. Masambe fethu" they walked out with Thulani.

She kissed him and walked out. A car parked outside Lukhanyo, Thulani and Lubabalo walked in. Sizwe: "Hey!" Luks: "sho ta.." Lubb: "hello." Sizwe: "ninjan?" Luks: "siryt, we just came to chill." Luks: " I didn't know you had a girlfriend." Sizwe: "you didn't ask." Lubb: "so she IS

Sizwe: "yeah sure. Can I get you a drink?" Lubb: "nope." Luks: "ha.a Ta seez." After a
few hours of talking, the time being almost 17:00 they got ready to leave. Lubb: "I'll

Sylvia was busy with dinner, Namhla and I sitting in the lounge with the babies.
Lubb: "Hey!" Me: "I hope the doctor gave you 3 shots." Lubb: "what?" Luks: "what's

Lulu came running to them. Thulz: "andiy'thand keinja." Lulu climbed on Thulani's lap and sat himself comfortably licking his palm. Namhla: "uyak'thanda nje yena." Thulz: "I guess he isn't that bad. Hey boy?" The puppy wagged his tail. Thulz: "uyay'tyisa uLukhanyo lenja. Do you know uxolel umenzela ichicken. Amqabele nesonka." Namhla: "hahaa! Yagula ubhuti. Isonka?" Thulz: "aw'kaboni nto wena. After eating Lukhanyo and I got ready to leave to go to our own place. Mr: "namhla, please be ready by 08:00 sizoya evenk'len to buy a few things esihamba naso" Namhla: "okay...that's fine." We got the kids ready and left for our place. It was dark and cold. Shame man. Kunin simnkile. I switched on the lights and heater. Lukhanyo put the babies to sleep. I washed Junior and Chumani. Got them to bed and switched off the lights. Lukhanyo was on his iPad in bed. I made sure all the doors were locked and burglar gates. I walked to the bedroom and dressed in my pajamas. I packed a one day bag for us and one for the babies, and Junior and Chuma. Then went to bed. Me: "we need to sleep baby, kuyavukwa ngomso." He put down his gadget and we slept.....

The next morning i woke up first.. I brushed my teeth and shower, then made breakfast quickly. I bathed the babies and fed them. Then woke Lukhanyo up. Me: "you got to get the boys ready, sisaya somewhere noNamhla." Luks: "mmkay." Me: "lukhanyo wake up." He got up and dragged himself to the bathroom. I wore a navy dress with a brown figure belt, and a cardigan and navy platforms. Me: "ndiyabuya." He brushed his teeth in the meanwhile and I left for the shops. Namhla and I returned after an hour. Lubabalo and Thulani were already here with Sizwe. I had bought gifts for the grandparents. I didn't know what they liked, so I bought a tea-set. And a few other stuff for that Grandpa. And Christmas groceries. We packed the things in the car with the bags and waited for Lukhanyo as always to get ready. 😊-- ...he took his damn time. Luks: "iBaby yam inxibe nton?" Me: "please be quick, its almost 10 babe!" Luks: "khand'ayinele apha." I walked to the room and ironed his pants and shirt. He was laying on the bed chatting. Ndamaz ke bethuna uLukhanyo ngophola. He got dressed and we got on our way to th village in King Williams Town. Lubb and Seez were in front because Sizwe knew the direction. After 2 hours and almost 30 minutes we got to King Williams Town, and starting on another journey to the village. Yoh the gravel. 😞:(my poor car. Lubby finally stopped at a neat little village house and got out the car. Luks: "I guess we're here." He seemed nervous. Me:

"you're gonn be fine baby. Iza masambe." We got out and I took Lutha, he took Luhle. The people from the area stared. Lubabalo and Sizwe walked to us. Thulani parked and they came forward. In the stoep of the house sat an old man. An elderly woman stood next to him and they stared at us. Luks: "lihle." He held out his hand, I held it and we walked toward the house. We stood in front of the elderly couple. Luks: "molwen tata. Nawe mama" me: "molwen tata..." Tata: "n-ningoba-ni." He choked. His voice was hoarse and seems like his breathing was in gasps. Luks: "tata, igama lam nguLukhanyo. Mzinyathi. This is my wife and children." Tata: "inton?" Luks: "ngumfazi wam tata lo ndihamba naye kunye nabantwana bethu." Mama: "nize kuban?" Sizwe walked forward. The old woman got a shock of her life. Mama: "sizwe!!" Sizwe: "molo ma...." She started crying. Tata: "ubani?" Mama: "uSizwe...itshomi yaka Zolani.." the old man kept quiet he looked very upset. Sizwe: "tata, uLukhanyo noLubabalo ngabazukulwana benu. Iza Lubabalo." Lubby walked to them. Mama: "kodwa Zolani wayengena bantwana." Sizwe: "ngabaka Zakhele ma." Everything went dead quiet. Literally the whole village. Uhm.....okay. The man coughed. Tata: "Zakhele ayingowalapha. Asimazi." Sizwe: "tata...siyacela nje ithutyana nibamamele. Abazi nto." Tata: "Hayi. No. Nihambe kwam. And'na mntana ungu Zakhele. Ongusathana! Guqukan manene."

Chapter 346

Sizwe: "mama...." He walked toward her. Sizwe: "abantwana abazi nto. Baxelelwe ndim. Abakhuliswanga ngu Zakhele abantwana. Ndim obaxelele ngani." Mama: "uphi yena uZakhele?" Sizwe: "wasweleka yena ma." Tata: "ngok nifuna nton?" Sizwe: "bafuna unazi tata...abazanga ngobubi. Cela nje nihlalani phantsi nabo nithethe." I was burning ekse. This place was hot. Lutha was getting irritated. I didn't like basking in the sun either. Mama: "ngenani." Thank God. We walked toward the house. There were two couches and a bench. I took the bench with Lukhanyo and Lubabalo. The others were on the couch. Mama: "wonke umntu caba une wele. Ngaphandle kwaba fazi." I smiled. She meant Lubby and Luks, Chumani and Junior and Luthandoluhle. Thulz: "ayingamawele ezi, mama...qha ziyafana." Mama: "oh...ndingenz'itea? Bendibhake iscones, ksasa." Lubb: "I would like a scone with jam and tea." Mama: "andisiva ncam alok mna esis'lungu senu." Lubb: "ndicela itea. Nescones esina jam mna mama." The old man outside walked in the house with his walking stick. Thulani gave him his place. The woman came with a chair. Sizwe was standing in the kitchen

helping her and chatting. Mama: "em'ven kwayo yonke into wayenzayo kuwe noZolani uZakhele zange siphinde sikwazi uhlala kwela bhayi. Utata waphathwa sis'fuba." Sizwe: "hay wethu mama..yadlula. Abasekho ngok. NoTivo besando sweleka k'le nyanga iphelileyo." Mama: "ebetheni?" Sizwe: "ei ma, istory andisazi sonke. Mna ndiva sengcwatywa. Kushiyeke uSmilo." Mama: "oh. Uk'bonile?" Sizwe: "ewe mama.." They took the tray to the lounge. And sat down with the rest of the family.....

Mama: "ngowphi uLukhanyo?" Luks: "ndim ma. Nank uLubabalo iFirst born." Mama: "oh...nifana ngqo noZolani. NoZakhele. Akho yayibohlula babefana ngca...ngaphandle kwezenzo." Tata: "enomsiiiindo...omkhulu omangalisayo ndingayaz umthathaphi.." Mama: "Zolani ez'thulele ke yena. Abavana olohlobo, oko bakhula..." She kept quiet. Mama: "bahle abantwana benu.." Luks: "ndiyabulela ma..." Tata: "nabo ngamakhwenkwe?" Luks: "hayi tata, omnye yintombi." Tata: "oh..ndiyakuva." Luks: "babes." He whispered, nudging my rib. Me: "hm?" Luks: "mama, uLihle uniphathele izinto." I was so shocked. Me? Mama: "nyani wethu?" Me: "ewe mama, khame ndiyoz'landa. Namhla?" We walked out the house to fetch the grocery and presents. We came back and handed them the gifts. Mama: "oh bethuna!" She landed a fat kiss on me. I giggled uncontrollably. I sat down and they packed their things in the kitchen. Luks: "besikhe senza umsebenzi kwi nyanga ezidlulileyo. But incinci idifference eyenzileyo. Akukabikho lutshintsho." Tata: "kalok nyana. Awukwaz....uvasa igazi ngelinye igazi. Yilento nje kungekho mahluke. Kuba nje ucimba uyalahla kanti uyaqokelela." Now it made sense!! No wonder nje kusekho iwar and black clouds following the family its because the ceremony was supposed to be done here! Not kwa Zakes. That is so sad. Luks: "tata, xasesikhapha utata wethu kengoku?" The old man kept quiet for the longest time.... Tata: "umhlawmbi xase ndixolile okwangoku khanimen kancinci madoda..." Luks: "kulungile tata." We got to talking about other things as Lukhanyo explained how he grew up. And other funny stories. Lubabalo and Thulani spoke to the grandfather. Namhla and I were quietly sitting there. Lutha started crying. It was too hot here. I took off his clothes and gave him milk. He had an annoyed look on his face while he drank. Mama: "liyatshisa ke kwelicala ilanga izokhawuleza adikwe yena." Me: "noba uyozela nokozela, kange alale." Luks: "phethwe yi-excitement." He kissed his son. A young girl came into the house she looked about 17..but had a big body. Mama: "uvelaph Nol'thando?" Nolu: "hehake mama. Molwen" She walked straight to the bedroom. Wow. I would have gotten a free of charge beating if I answered like that kowam umama sana. Mama: "ngu Nol'thando lo...last born yethu." Luks: "oh. Uhlala apha nani?" Mama: "ewe wethu, qha ke xakuthande yena." Lubb: "njani?" Mama: "unale boyfriend hlal nje uya kuyo. Ndambetha ndancama mna akandiva tu." Lubb: "akafun bethwa wena mama."

Thulani stopped a giggle. Mama: "athweni ke?" Lubb: "tixa umnyango lo wendlu yakho. Az'bone." Nolthando walked out her room to the kitchen staring at him. Lubb: "ode aqhabuke amehlo sana undijongile. Andiyi ndaw." Oh my goodness lubabalo uyawaqalile. Nolu: "mama liphi bisi?" Lubb: "bekubuzile mamakho uvelaphi awam'pphendula. Ndinguwe mna mama ibisi ndingal'faka phants kwekapha ndibone lizoselwa nguban." I wanted to laugh so badly. But lubabalo ngamanye amaxesha. Tata: "um'chane kakhle kanye." She just stood there not knowing what exactly to do. Lubb: "don't even look at me, I'm not on special. Cela uxolo kumama lo wakho." After a while of self doubt. "Celu xolo mama." Mama: "lise roomin yam, kwi cupboard yosbini." She turned and walked off. Lubb: "enkosi maybe?" She didn't reply. She made herself tea and sat in her bedroom. Me: "akazohlala ngapha?" Mama: "unjeya." Lukhanyo shook his head. And carried on talking.....

It was getting late and it was a bit windy. Lutha was asleep in my arms. I was tired too but there was something about this place nje, it was calming...relaxing. Luks: "mama, sise ndlelen eya eMonti ke ngoku." Mama: "okay bantwana bam. Ningalahleki. Sesi badalana thina...and tata lo unesfuba." Luks: "hayi sizo mane ngokuza ma." Lubb: "bangazi ebhayi for Christmas?" Tata: "hayi enkosi mfo. Okwangoku sisazama ukuphilisa mna. Bend'suka es'bhedlele." Luks: "oh.." Mama: "but ke umhlawmbi ngo January size sizonibona." Luks: "ndingay'vuyela lonto mama." We got up to leave. Mama: "xakuhanjwa kwa Mzinyathi siqala ngomthandazo. Akuhanjwa nje. Cela sibambanen izandla." We held hands. I had only one available. Mama: "Nkosi enofefe, sicela ukhusele abazakulwana bethu. Siyabulela ngokusiphathela bona bazosibona ngale nyanga yokuzivisa mnandi nosapho. Ngesona siphosi esi usinike sona and siyabonga ngokungazenzisiyo. Cela ke Yehova bahambe kakuhle bangaseb'nciphekwen aphe kwezindlela zixakekileyo. Igamen lakho Yesu Krestu. Amen." We hugged and kissed exchanging numbers. Mama: "enkosi Sizwe ngosiphathela bona bhuti. Inkosi ikusikelele." Sizwe: "enkosi kuni mama." We said our goodbyes and walked to our cars and got in. We hooted and drove off to East London to book a hotel.....

Upon arriving at the hotel. I put Lutha in bed and went to take a shower. I was sticky and feeling hot. Luks: "yovasa?" Me: "yep..." Luks: "sund'shiya alok." Me: "abantwan ubashiya naban?" Luks: "nd'zobasa kuLubby. Cuz Chuma noJunior baku Thulani." He took the babies to their uncle and returned to our room. I was already in the shower. He hopped in, tickling me. Me: "dude could you just stop." I giggled. Luks: "and'fun tshi." Me: "akushushu nje." Luks: "let's go dance somewhere, in a club." Me: "no, we not going nowhere near a club. Ndizothi ndijaiva ukhaw'lez udikwe wena." Luks: "I promise you I won't." Me: "pinky promise?" We washed finish. Luks: "come." He

dragged me out the shower and went to get dressed. Luks: "nxibe lalokhwe yakho isexy ne?" Me: "ey'phi?" He dug in my bag and took out the summer dress he claimed he "didn't like". Me: "I thought you hated this dress." Luks: "I hate it xa uy'nxibe ndingekho." Me: "how did it get into my bag anyway? Cuz I didn't pack it." Luks: "you left for the shops...." He winked. I wore the dress and shoes. He wore shorts and a white shirt. His phone beeped a message. Smig: "you need to be back. We have company that we don't need." Lukhanyo switched off his phone. He didn't want part of this anymore. He'd explain to Ta Smig later. Me: "you okay?" Luks: "yep. Let's go." After I was done with my make-up we left the room...

Chapter 347

It was 06:12am when we sneaked back into the hotel. I don't know nam why we were sneaking because we're grown and asizobethwa. But we were actually drunk. We entered the room and undressed. Crawling into bed. Luks: "damn....I had fun last night." Me: "me too baby. Lonto uyakwaz noJaiva." Luks: "ei and'moqithi uSid kodwa." We giggled. Finally they had met and got along first time. Lukhanyo was changing. I knew it would take a while. But it is happening....the man I'd always wanted. Luks: "tipile ngok?" Me: "hayi. Ndacinga qha." Luks: "bout?" Me: "you're changing. I like it." Luks: "I promised you remember? Sisaqala udyola." Me: "hay kodwa mntu wam, you forced me into dating you. Zange ndiplitwe noplitwa." Luks: "hay baby ndak'plita." Me: "yaxoka love. It was that first night that we fucked. Then waza khaya the other day. You didn't ask me to date you, you just assumed that I'm your girlfriend." Luks: "wife now....." He got up on top of me. Me: "nantso qha into oshate nayo." Luks: "heeee. Khenze man love." His lips were sweet and cold. He was really drunk, his eyes almost closed....I knew he wasn't gonna get far. I held his richard and pulled him close. He screamed. Me: "haha...yinton hok?" Luks: "ndicimba uyam'mba." Me: "ngowam njena." He kissed me.....with such hunger and passion, I couldn't even control myself. He entered slowly...and I dug my nails into his skin. His lips still on mine....he kept moving thrusting deeper, holding my wrists down. My heart was doing flips. I was near but yet so far...filled with nothing but love for my babe...he stopped. Me: "Hay baby!" Luks: "ima..." He moved again...faster...he lifted my leg. I held on to the sheets....climbing the ladder of climax. He pulled out, turning me around and entered from behind. Laying on top of me. Thrusting faster...deeper. And finally I felt my body tingling...I released the same time he did. So we just lay there...then got into the covers...falling asleep.....

There was a knock on the door. Ha.a man....who's this now. I got up and wore Lukhanyo's shirt then opened the door. It was Lubabalo and Lutha. Me: "hey." Lubb: "nisalele?" Me: "well yeah lubabalo." He walked in the room. Lubb: "late night?" Me: "morning. Uph uLuhle." Lubb: "with tamkhul wakhe. Enzan ready we gotta have breakfast soon. Siyahamben ngo 12" Me: "no...hayi as'zokwaz. We'll follow after you." Lubb: "why?" I crawled straight into bed. Lubabalo yay'buza bus ibhaliwe. Me: "xolo my friend." He lay Lutha in between us. Lubb: "what were you guys doing!" Me: "we went clubbing." Lubb: "OH OK! You run around Clubbing! Leaving ME behind! I see this." Me: "you not even the club type." Lubb: "lukhanyo isn't the club type either!!! He's worse than me." Me: "not what I saw last night. He was on fire." Lubb: "mxm". Lutha put his hand on my face. I kissed his hand. Lubb: "masambe tshomam, siyeke ezi zimbin." He took him and they left. I checked the time. It was just 08:30... Me: "baby...wake up." He turned and looked at me. Me: "uhlel kanti? Ei une things lukhanyo." I didn't even want to think that he still didn't trust me with his brother. Luks: "masambe siyovasa." He got up and walked to the bathroom. Why did it seem like he was in a mood. I followed him and we took a bath together.. Luks: "ndine bhabhalaza qha. My body is f'd up." Me: "you'll be ok boo." We bathed and went to get dressed. I packed our things and put them aside as we went downstairs to have breakfast. Everybody was up, staring at us. Probably at Lukhanyo because I had make-up and looked completely fine. Lubb: "they went partying last night." He blurted out. Me: "oh my goodness lubabalo really?" I went to take a plate and dished myself breakfast and some tea. We sat down. Sizwe: "will you be able to drive?" He asked lukhanyo. Who shook his head. Sizwe: "I'll take the kids, uzohamba noLubby wena." Lukhanyo sat there eating his banana. After breakfast, we took things and left for Port Elizabeth even before 12. It was still 10.....

It felt like years we been traveling. It was really hot. I couldn't switch the air-con on because indenza sinus. Sizwe was driving. Dad:) ..mama is coming over for Christmas week, I told her already, akho argument. Maybe I should invite tata too? Hmm..... Me: "tata." Sizwe: "hm?" Me: "what are you doing for Christmas?" Sizwe: "I'm gonna be at my house. Like any other day." Me: "I would like for you to come over for Christmas week." Sizwe: "what's Christmas week?" Me: "something Lubby came up with. We having the breakfast lunch and dinner at his place. And staying there for a week tops." Sizwe: "ok." Me: "so uzoza?" Sizwe: "did you invite your mother?" Me: "yes." Sizwe: "Oh." Me: "why?" Sizwe: "I don't know if she'll be comfortable with having me there." Me: "sobona ngoko wethu tata..." We arrived in P.E and started eFord. I got out unpacking our things and the babies. We need to shop for Christmas things ndamaz Lukhanyo uydikwa yena, kathand uhamba oko.. Me: "when are we

going shopping?" Luks: "take Namhla with babes. I'm bout to enter chill mode." Chill mode means you might as well just keep quiet because awuzohoywa. They undressed to wear their shorts and sat in the lounge watching tv. In "chill mode." Lubb: "I'm hungry." Luks: "und'phathele nam. Whatever it is." Lubb walked to the kitchen and cooked chicken. Hey unexesha va. He took bread and coldrink placing it in the lounge while the guys ate. Namhla and I left the house to go shopping. Lubby ate till he was full. Then took out his phone texting his babe. Lubb: "mntu wam....awusethule. You okay? Miss you tons." She took over 15 minutes to reply. Liya: "stressed...but I'll be fine." Lubb: "what's up?" Liya: "the matric results, I even missed a period. I'm just edgy." Lubabalo just smiled. He got up, calling her. Liya: "hey." Lubb: "hey sthandwa sam." Liya: "you good?" Lubb: "yes...uthi you missed a period?" Liya: "yes I'm a week late. Kudala ndiz'stressa ke baby, I don't know what to expect kwi phepha." Lubb: "love, please calm down?" Liya: "why!" He didn't want to scare her. Lubb: "you did fine baby. Trust me. You studied all you could mos, there is nothing more you can do now. Stop stressing yourself. So have you decided yet? Cape Town or sihlale apha?" Liya: "since we getting married, maybe sinoske sihlale. Plus I love the house. And I already know the environment.." Lubb: "okay then. Cela siye kwa Gqira?" Liya: "why?" Lubb: "just baby....I'm not feeling well. Ndifuna und'khaphe." Liya: "ok then...when?" Lubb: "now?" Liya: "let me get ready." They hung up. He walked back to the lounge and sat down. Meanwhile, on our way to Walmer, Namhla's phone rang. Namhla: "molo tata?" Jongi: "Yeke Ntombiyam! Sise ndleleni." Namhla: "WHAT?? Tata namhlanje?!" Jongi: "ewe tshi, bucifan'ba? Hay wethu sizocinga cebo while we shopping, for now let him know.." We got on with our shopping.....

Lubabalo went to fetch Liya and left for the doctor, he felt fine. He just wanted to check how she was from a specialist point of view. They arrived at the doctor and walked inside. Liya: "uth uthen ke baby?" Lubb: "I can't even explain bonanje." They went in just in time as Lonwabo was done for the day. Losta: "ja awt'yam!" They shook hands and went into his office. Lubb: "sthandwa sam, this is a friend of mine, uLonwabo. Akathand kuthwe doctor ke xa ebizwa." Liya: "molo bhuti." Lonwabo shook her hand and smiled. Lubb: "ndiyakhaba ke mna. Mfaz wam lo." shell. Liya: "oh my God lubabalo!" She was so embarrassed. Lubb: "if I told you sizela wena bungazofuna mos." Losta: "can we start?" Liya tried to breath. Liya:" yes." Losta: "khathathe apha ke uye pha k'la room. Take a wee, and bring it back." She took the cup and left to the bathroom. Lubb: "so I met your ex." Losta: "ex? I don't have much ex's, so its probably one of the 60 girls I've dated." They both laughed. Losta: "ow'phi?" Lubb: "la cherri wawufunda nayo man....that beautiful girl..." Losta: "lubby, I have studied with a lot of beautiful women, nguban gama lakhe?" Lubb: "uMbali!" He whispered. Losta: "ohh bethuna ipillar yam! Umbone phi?" Lubb: "sungxola. Liya came back. And gave Lonwabo the cup. He stood up and went to test it. Then they waited. Liya: "this is ridiculous." Losta: "not really....just a safety precaution. So.....tell me about you so long..." Liya: "uhm tell you what?" Losta: "who you live with...where you study....just to pass time." Liya: "with my cousin, and mom sometimes my da-" Losta: "tell me bout your cousin..." Lubb: "that is not necessary. Let's have the results." Lonwabo smiled and wrote on her medical record. Liya: "what is it." Lonwabo lay back on his chair. Lubb: "ndizok'faki nqindi kwedin." Losta: "congratulations fondin. You're pregnant." Her breath caught in her throat. Liya: "No!" Losta: "yes...hop on the chair so we can check how far you are." Liya: "but....." Lubb: "shhh.....don't argue babe. Iza." He held her up and they walked to the bed. She couldn't breath, her stress hiked and he was only too excited. He sensed her sudden change in mood. Lubb: "losta fethu khaspe nje umzuzu." Lonwabo got up and walked out. Losta: "call me when you done." Lubb: "baby, listen to m-" Liya: "lubabalo I'm scared! Dude ndizobangu mama njan mna! I Can't do this!" Lubb: "I know sthandwa sam, si-pregnant soy2 njena." He hugged her... Lubb: "ndak'cela Liya, don't stress....you're gonn be a great mother, baninzi abantu to guide you. There's lihle to help ngento ongazaziyo, there's namhla to keep you company...subanayo iworry, I'm here for you. Just try to relax." Liya: "this is not what I had planned. But okay fine lubabalo. There's no going back." Lubb: "ithi baby alok, suthi lubabalo tshi." He

sulked. He took out his phone and called Lonwabo back to check on their unborn baby.....

It was almost 18:00 in the evening. We had all moved to Lubabalo's house. I fetched my mother and Ta Smig. He wasn't himself. I tried conversating with him but something was really bothering him shame. We got there and I prepared mama her room. You should've seen the look she gave Sizwe. Too Funny. *shakes head*.....ngeloxesha Sizwe yangath akaboniswa nto tu. He lay back on the couch with a glass of whiskey, his eyes cast low, glaring at her with his sweet smile. Mom settled in her bedroom. As I sat with her and we chatted. Me: "noba sebezofika ooMalume ngok." Ma: "owph umalume!" Oh shit. Kanene I forgot abavani. Oh God have mercy worse kukho noSizwe kehok. I didn't think of all of this at all! Ndiy'libele shici. Me: "oh khayeke wethu mama." Ma: "ndigoduse Lihle." Me: "I can't." Ma: "zikhwelelaphi ke iitaxi? I refuse to stay in the same house as him for a whole week! Angekhe." Me: "mom please. This house is big enough for all of us." There was a knock on the door. He came in. It was Seez. Ephole njan. He walked in, one hand in his pocket, another holding his glass. Sizwe: "sweetheart. Can I speak to your mother for a second?" I left them together. Sizwe: "why you being so hard on me Thenjiwe?" Ma: "khand'yeke Sizwe, worse kuza noJongizembe. This is just too much." Sizwe: "what is?" He moved closer to her biting his lips. Raising his eyebrow. She swallowed. Ma: "no, sizwe. I can't. Wenza lento qho! You make me weak then leave me hanging! NO. Its not gonn happen this time!" Sizwe: "oh really?" He pulled her to him. Sizwe: "ungu mama womntanam Thenjiwe, as grown as she may be. That's us combined. You're forever gonna be mine, whether you like it or not." He kissed her and walked out.....

Meanwhile, Jongizembe and his wife just arrived. Jongi: "andaz noba ucimba nguSiyaya uNombolo! Hlel nje wenza unothanda ngath ubhathele!" He grumbled. Noma: "jongizembe, unothanda kuphuncula ikofu?" Jongi: "subona bantu ucimba uzothi Jongizembe, ndok'khaba nge ngqindi mna!" Noma: "mxm. Khayek ingxolo." Namhla came out to greet them. Namhla: "daddy!" She hugged him, then hugged and kissed her mom. Noma: "yoooh!! Yindlu kaban lena?!!" Namhla: "yeyaka bhut. Phof yeyoomntu wonke olapha. Its just your home." She took their bags and they walked in. Greeted by Lubabalo Lukhanyo and Thulz. Jongi: "Thumkani!!!" He hugged him. Jongi: "bendik'khumbula kwedin." Lubb: "thumkani??" Luks: "don't even...." He giggled. Luks: "molwen ta. Molo ma." Noma: "molo bhuti..." She looked at them confusingly. I walked out from the kitchen I was helping Sylvia with dinner. Where was Nette and Sebastian? Me: "molwen malume." He hugged me. Uncle loves hugging people. Trust. Jongi: "awusemhle mntaka dade mani, yuh, uphi ke umnyen wakho." Me: "nanku malume.." He looked at Lubabalo. Me: "malume nanku." Jongi: "oh! Molo

mfondin." Luks: "molo ta." They shook hands. Me: "and this is Liya, fiance ka Lubby." Jongi: "bahle abafazi benu makwedini." He eyed Noma for her reply but she kept quiet. Lubb: "enkosi tata. can we all go to the lounge." We all walked to the lounge and sat down. Nette walked in pulling Sebastian by the hand. Nette: "Darling!!! I did say we should buy it then. But no, you just HAD to be stubborn about it. I still love you though. It'll take at least a month to order it up and at least- OH my, we have guests!" She dropped his hand and hurried to the lounge. Nette: "hello!! I'm Nette!" Jongi: "kuthen ezobayi net nje?" Me: "malume its Antoinette." Jongi: "yoh. Ngoban kehok aba?" Lubb: "ngabazal bethu tata." Jongi was shocked. Jongi: "nimixwe nesiphi spice?." Nette: "doll, what did he say? Would he like some tea. This is Sebastian. Sit down dear, he doesn't bite." It looked like Sebastian was tired. But he obeyed his wife. Nette: "oh love, I adore your dress." She said to Noma. Noma: "oh than-" Jongi: "ungath madam." He grumbled. Noma: "kukho abantu ke apha. Ndakwaz yaz'thanda iz'pili." Jongi: "uyaz qha ke nyaw lam lijimile, ndiready. Sund'qala. Bantu bebetheni." Lubabalo laughed. Lubb: "uth li-fit tata inyaw." Jongi: "tshin! Thumkani, khenze alok la way yethu seun." Thulz: "Lubby?" Lubb: "this way." The men stood up. Luks: "uph uTa Seez?" Jongi: "yinton lonto?" He growled. Just then Sizwe appeared and stared at him. Jongi stared back. For a moment everything went silent. Eish ja ne..... Jongi: "ufuna nton Apha!" Sizwe: "my daughter. You?" Me: "malume. Please." Jongi followed Lubb to the cellar. Luks: "iza Ta." Sizwe walked with Lukhanyo and they all sat there.....only minutes later I heard howls of laughter. My heart eased even though I knew noba malume gezela tata....or probably dissing each other. Mama came to help us in the kitchen. She Nette and Noma were chatting about recipes. I went to check on my babies and the kids. The twins were awake. Lukhanyo walked in just in time. Luks: "khand'bolek unyana wam..." He kissed his daughter and left with his son. I took Luhle to the kitchen where Noma was all over her. Chuma walked into the house. Chuma: "mama." I looked at him, he had a cut on his arm. Me: "no chuma!" I picked him up. Nette: "give him to me darling, I'll take care of it." She took him to the bathroom. Where did Ta Smig disappear to? I called him. Smig: "yes?" Me: "bhuti uphi?" Smig: "ndiyabuya ngok mntanam. Khona nje into endiyoy'landa." Me: "okay bhuti." I didn't rest until he walked back into the house. Now we were complete...

Dinner was wonderful. The family got well together. Lukhanyo was pulled by Ta Smig outside. Luks: "I can't do it. Naah....matter of fact I Won't do it!" Smig: "Yeyi! Kwedin! Sund'phambanisa man! You're gonna abandon your own damn family?" Luks: "ta smig family yam ngumfaz wam nabantwana bam!" Smig: "if it weren't for ME ngow'ngeka mfumani lo mfazi uthetha ngaye! She wouldn't be here, and neither would your kids and this perfect fantasy you think you're in. Wacela uncedo lwam lukhanyo. I took care of you at every fucking turn. Now its time for You take care of Me!" Luks: "Ta Smig I have responsibilities!" Smig: "and I didn't?! Heh? You can't run away from this. Its in your blood. Aw'kwaz uy'avoider." Luks: "you treat me and make it seem like I'm some type of reject or failure! Ta smig nam ndifuna ubangumntu ebantwini." Smig: "ngeyphi reject sekhe yane respect oy'fumanayo? Which failure is worshiped? You are feared, envied and respected. Ayikho lento uy'thethayo, ungumntu lukhanyo.." Luks: "not like this." Smig: "Boy. You better grow back your balls. Sodibana at midnight. Don't make me come drag you." He walked off to the house. Lukhanyo walked in. Me: "boo.." Luks: "no." Me: "no nton?" He walked straight to the bedroom and closed the door behind him. Okay....I went to the kitchen to Nette who was dancing with a glass of champagne. Liya went to the bedroom and went to the bathroom inside...after a while she came back out, drying her hands and walked down the passage bumping into Lubabalo.....wait no, it was Lukhanyo. He had a bottle in his hand. The sleeves on his shirt rolled up, Buttoned down the chest, so his tattoos showed....The veins on the sides of his forehead showed, his jaw tightened. He looked really mad. Liya: "you okay?" He stared at her like he didn't even recognize her. Luks: "do I look okay Liya? Xa wena und'jongile. Do I look like I'm fine?" Liya: "I'm sorry." Luks: "no..I'm sorry." Liya: "uph Lubabalo?" Luks: "I don't know..." Liya: "is it him?" Luks: "no." Liya: "do you want to talk about it?" He sat down on the floor, leaning on the wall. Liya: "you so uptight. Kuthen hlel nje uthinzile?" Luks: "noba ucimba ndingu lubabalo wena. I'm not your friend." Liya: "khanditsho nam, qha just thought you'd smile every now and again. You gonn grow wrinkles." Luks: "wrinkles GROW? Ndiqal uyiva ngawe ke leyo." He chuckled. Liya: "there you go! Come on, live a little." SHE grabbed his arm and they climbed upstairs to the attic.

Opening the roof window. Luks: "No!" Liya: "yes. Come." She climbed out onto the roof. He followed. He still had the bottle in his hand. They sat and he opened it while they looked at the dark sky. Luks: "awuphambene man." Liya: "you act like a grandpa. Uyandika." Luks: "I'm a father, I have to act responsibly." Liya: "let go, once in a while tshi." Luks: "you have no idea what its like..." He drank... Luks: "I'm glad you're marrying my brother...yoyika ulala yedwa." Liya laughed. Liya: "ncooh shame man." Luks: "yohh, ndidikiwe Liya you have no idea..afike nango 3 eksen uzond'vusa. Funu

ncokola. Andozel ngeloxesha mna...kafun vuswa ke yena." Liya: "but you must be real psyched to have a twin man...worse ofana nawe ngqo." Luks: "yeah that's quite the highlight of my life yazi. My family being together.....hay man ina awuseli?" Liya: "no thanks I'm chilled." Luks: "yabona ke yand'bora?" Liya: "I can't nje." Luks: "one sip won't kill you. Ndizosela ndodwa ngok?" Liya: "oh?" Luks: "lubabalo. He is.....he's just so much. Ukhubone? I have to live up to him. Like, funeke ndi catch up qho. Nobody can understand this. Just because we look alike, people expect us to be in the same place in life. But its impossible cuz asikhuli kunye. The choices aren't the same. Ndili gintsa mna. A real thug. And I'm not ashamed. I have my grade 12 certificate and that's where it ends." He chuckled. Luks: "I'm proud of what I am, noba ind'cost gazi likabani. But him....he makes me different..he makes me want to change. My brother inspires me Liya. So that's my first pressure..." Liya: "go on...." Luks: "then there's my father's family. Everything is about this stupid legacy! Andiyo first born mos, why don't they harrass uLubabalo?" Liya: "kalok nguwe okhule pha. Bazi wena and you know how your family operated things." Luks: "I don't know anymore man....I just.....kusekho noLihle ngapha. The kids. sometimes yazi....I feel like i rushed it. Maybe if I waited..I love them with all my heart and soul. But they weren't ready for this type of life." Liya: "they'll just have to adjust, lukhanyo you like stressing yourself. Kuthen ungafun uba happy nje? Give yourself some credit. You're a nice person. And noba uligintsa. That doesn't matter, you do a damn good job at it for ba mawube uselapha with all the cash you have and cars, your house...come on fondin." Luks: "that's easy for you to say. You don't know much about this.. " Liya: "you acting like a little pussycat right now. Grow up tshi.." He pushed her lightly laughing. Luks: "yand'qhela wena, worse ndingu bhuti wakho." Liya: "and'na bhut thand uqumba mna. You gotta drink it all even if it taste too strong." Luks: "I gotta feel alive even if it kills me..." Liya: "hahaa...you listen to drake nawe?" Luks: "sometimes...I'm forced to." "Lubabalo!" They laughed at the same time... Luks: "yoh, I swear I know all the songs zaka Nothing was The Same back to front, I rearrange them for you. You have no idea how much he loves that album!.." Liya: "and your favorite k'la album?" Luks: "has to be my wedding song obviously, Just hold on, we're going home. But besides it kukho Wu-Tang Forever.....ahhh....Yesses la ngoma. I

Liya: "there you go again..." Luks: "usela nto xa ngay'fun Henessey yam?" Liya: "uzond'phathela?" Luks: "of course. What is it?" Liya: "ijjuice." Luks: "heee...why?" Liya: "uhm..." Luks: "what's up?" Liya: "I'm pregnant...." He gasped in surprised. Luks: "wow Liya! Congratulations..." Liya: "yeah thanks..." He looked at her sad face... Luks: " hay man yinton ngok?" Moving closer to her as she began to cry. Luks: "dude, sukhala loku...worse mna andaz noba ndithin ndiz'nxilele." She punched his chest and he laughed. Luks: "no but for real ukhaliswa yinton?" Liya: " I had plans, that didn't involve this. Andifun mntana mna Lukhanyo. I want success." Luks: ""ndiyakuva sisi....Lubabalo umxelele?" Liya: "he knows and is over the moon." Luks: "maybe its because the idea is still new to you...sukoyika...you'll be fine." Liya: "I hope so." Luks: "let's throw pebbles in the pool." Liya: "where are we gonna get pebbles." Luks: "kukho amapetyu somewhere in the attic bamba apha." He gave her the bottle and climbed inside the attic, took a vase of marbles and climbed back out on the roof. Luks: "ina ke, you go first." Liya: "lubabalo is going to kill us both." Luks: "gqaya man." She threw a marble in the pool and they hid. Lubabalo walked to the pool and looked around. Lubb: "what the fuck was that?" Lukhanyo wanted to laugh so badly. Lubby walked into the house again. Liya: "yoh ustout lukhanyo. Your turn." He took the marble and threw it. They hid again. Lubb: "lukhanyooo!!!!!" He screamed. Lukhanyo and Liya shared a high five laughing. Liya: "we better get down." They climbed back inside the house, walking downstairs.

Me: "he man! Uph uLukhanyo!" Lubb: "behlel e-roofin throwing stones in my damn pool!" Me: "what's he doing on the roof!" Lukhanyo appeared. Luks: "hey." Me: "uvelaph?" Lubb: "uph uLiya?" Luks: "nanku." She walked behind him smiling. Lubabalo didn't find it funny at all. He turned and walked to the cellar. Liya: "babe!" She walked to him. Me: "care to explain?" We walked to our room. Luks: "explain what keho?" Me: "nivelaphi nodwa lukhanyo!" Luks: "hay, don't! Don't you dare." Me: "what! Sunxila apha lukhanyo sek'then hok!" He grabbed me and held me against the wall. Luks: "zijonge indlela othetha ngayo nam. Don't get too fuckin comfortable." What? Excuse him? Me: "lukhanyo! What the hell?" Luks: "lihle..." He warned. His eyes burnt into mine. What the fuck! Yinton ngok? Me: "nivelaphi?" I tried to ask. Luks: "phandle." Me: "phandle?" He let go and went to the bathroom. Now he was making me mad. But ke ndizothin? Luks: "ewe lihle phandle. I don't cross question you when you chill with lubabalo." Me: "OHH this is what this is about?" Luks: "no! I needed someone to talk to. Because my wife is too busy pleasing everyone else and entertaining people. I'm tired of pulling you aside to tell you and'kho right. Nam

ndicel ubonwa ndibuzwe..." Me: "why didn't you say anything?" Luks: "you want me write down for you on a sticky note, ndiy'ncamathele kwi fridge dan? Hay man lihle. Tshi, we sat on the roof and chatted okay? That's it. I'm feeling a whole lot better. Let it go." He walked out. That stung real bad... I walked out to feed the babies. Lutha was still wide awake. Luhle falling asleep. I let her sleep in my arms as Lutha lay in his bed giggling at himself. Uyafana nyan noLukhanyo lomtana..especially when he smiles. I put Luhle down and tried to put Lutha to sleep. He wasn't ready tu.. I got up and walked with him to the lounge where the other women were. Namhla wasn't around...she had texted Thulani to meet her in their bedroom. Thulani had used the other way to go there. He walked in the bedroom and locked. Namhla: "hey..." Thulz: "hey...what's wrong?" Namhla: "you gonna have to go." Thulz: "hehake. Why?" Namhla: "baby, we can't be in the same house kukho abazal bam, they gonn think we.....you know." Thulz: "don't they know we live together?" Namhla: "I never mentioned that. Babes...please." Thulz: "this is ridiculous. They need to know ke baby." Namhla: "what! No!" Thulz: "so you tryna tell me you aint tell'ed your parents that we moving in together?" Namhla: "please don't talk like that. Its disgusting. No I didn't tell them." Thulz: "hay'kehok namhla! Namhla: "enkosi mntu wam." They hugged. And he kissed her neck sucking on it... Thulz: "you owe me.." Namhla: "owe you what?" He kissed her lips, holding her body..squeezing it, sticking it to him. Namhla: "we can't!" Thulz: "shh..." As he lay her on the bed, taking off her clothes.....

Jongi, Sizwe, Ta Smig, Lubabalo and Sebastian sat in the cellar drinking. Jongi: "makwedini. Nenzanton?" Lubb: "sihleli tata." Jongi: "muncu bonanje. Uphangela phi? Nguban baas john wakho?" Lubabalo got up and went to the bedroom laughing. Liya stood there talking on her phone. Liya: "what do you want from me!" She whispered. Caller: "hay liya fondin you can't be serious. Ndiyakhanda. He kissed her forehead and held her stomach. Lubb: "uz'phathe kakhle Liya, undigcinel umntanam please." Liya: "heeee." Lubb: "no, suthi nyeeeee, ithi ewe. Stop stressing yourself ngathi ulahliwe...I'm here for you and ndiyanithanda noba bini equally..please don't do anything stupid to jeopardize your lives." Liya: "okay alok baby I get it." Lubb: "let's go." They walked out to the lounge to say their goodbyes. Followed by Thulani, Who had the biggest grin on his face. Lubb: "nyama?" Thulz: "a.a ndihluthi." Lubb: "heh thumkani. Khaba uny'uLook At the Axe bonanje." Thulz laughed. Lubb: "uphi uLuks?" Thulz: "lele..." Lubb: "benisenzani kwi roof Yam Liya?" Liya: "hay baby we were chilling. And chatting." Lubb: "about?" Liya: "you." Lubb: "mh...mboxelel mama uyahamba." She left and Thulani went to say his goodbyes then left for Jeff's house. Lubabalo and Liya left too. Jongi and Sizwe came out the cellar with Ta Smig. Jongi: "nontombi, solala phi kanene thina? Ndiphethwe ngamathambo bonanje. Nommaaa!" He yelled. Me: "iza ngapha malume." Jongi: "uph uNamhla? UThumkani?" Me: "uThulani ugodukile malume. Uhlala notatakhe." Jongi: "oh, hay bend'send'thele ngqa. Kudala ndimjongile ndicimba hlala nani." I kept quiet...I showed him his room and he went inside. Noma came too. Me: "nilale kamand malume." Jongi: "nawe nontombi." I left them and went to my bedroom with Lutha who was oddly still awake. Me: "baby why ungafun lala nje." He made a sound. Me: "ndizolala ke mna...let's go look for your big brother." I took off my dress and wore a tracksuit then walked to the playroom. Chuma and junior had fallen asleep on the couches shame. Lutha was making a noise so I had to walk out quickly. Me: "namhla, cela ulalise ooJunior mntase, batipile k'la room badlala kuyo." Namhla: "okay." She went to fetch them. I went to my bedroom, Lukhanyo walked out the bathroom and lay on the bed. I sat with Lutha. Playing with him. Me: "ulala nin fondin!" He lay on his back, kicking his legs. I tickled him and he began that cute laugh of his. He gasped and shrieked and giggled. It made my heart feel soo warm. I was in love with this little boy. I kissed him and took him to their room, to check on Luhle. My angel was still sleeping peacefully. I lay her brother beside her as he started yawning. I put on their little chandelier and watched him drift off to sleep. I went back to the bedroom to a moody husband. Luks: "baby wamiii!" He sang. MOODY. Me: "yes?" Luks: "come here..." I climbed on the bed and sat with him. Luks:

"ndizohamba pha late va...I don't know when I'll be back..." Me: "no, lukhanyo its almost Christmas you can't do this." Luks: "lihle and'na choice, baby please don't make this difficult for me. Yayaz ba if you don't give me permission I Will fuck up." Me: "okay if you want to spend christmas out there with other people. Fine. Ndizohlala mna nabantwana aphe ndlin." Luks: "don't be that way. Please." Me: "what way!" Luks: "the nagging wife. It doesn't suit you.." Oh wow. Hay sana namhlanje. Me: "okay." Luks: "okay?" Me: "okay." Luks: "I love you yeva?" Me: "me too." Not right now...ever get that feeling? Everybody feels that way once in a while. You can't always be inlove, otherwise you'd be lying to yourself. You don't love your partner everyday. But you love them 95% of the time. I'm sitting on 5% today. Luks: "suqumba alok." Me: "khandiqalise tu uqumba." He looked at the time. Luks: "I have to get going in about 30 minutes. Let's do something just to pass time.." He tried to kiss.... Me: "no, let's try and bond, connect. Sime nge sex." Luks: "urrgh!" Me: "yakwaz uthetha noLiya, kodwa mna you just can't?" Luks: "hay Lihle. Hayi. Waske wane jealousy engapheliyo ngok?" Me: "I'm not jealous!" I was not jealous. Luks: "you are." Me: "hehake." We sat and chatted for some time. Meanwhile Thenjiwe(lihle's mom)..just got out the bath and walked in her bedroom, she took off the gown and got ready for bed. There was a knock on the door. She wore her nighty and walked to open. Thenji: "can I help you?" Sizwe: "cel uvule." Thenji: "and'fun Sizwe, stay where you are and state your problem." Sizwe: "my problem is inside this room..." Thenji: "akhonto yakho apha." Sizwe: "then you gonn open." She opened the door for him and he walked in to lay on the bed. Thenji: "awukho serious kanjan Sizwe. You not gonna sleep here." Sizwe: "geez thenjiwe andizokuluma. Why you all held up? This isn't you." Thenji: "I don't need to entertain you right now, ndifun lala mna. I'm tired." Sizwe: "you THINK you're tired.." She sat on the chair and looked the other way. Sizwe: "I don't eat human Thenj. Yayaz nawe lonto." Thenji: "khanditsho nje." Sizwe: "sund'khubekisa alok ngohlala kude ngath yandoyika. Sondela." Thenji: "sizwe ufuna nton apha!!" She sat on the bed. He held her shoulders and massaged her. Her body started shivering in warmth. Sizwe: "awuse tense.." He whispered in her ear. Thenji: "please stop." He hands traced down her back, under her arms and cupped her breasts. Sizwe: "ndiyeke?" She got up. Thenji: "you hurt me. I can't do this again." Sizwe: "I hurt you??" Thenji: "Sizwe, you have a lot of women, and'kwaz mna ubak'lonto. They might not mind sharing. But I do, okay? Ndicela uphume." He got up and walked out. Lukhanyo and Ta smig were leaving the house. Luks took the puppy to the back yard cleaning the mess he made in the house. Smig: "masambe Luks." Lukhanyo washed his hands and they walked to the car. Sizwe: "niyaphi?" Luks: "masiye." They all got in the Range rover and drove off to New Brighton.

As soon as they parked at Kwa KK. They got out. 2 GTi's were parked. It was Mabheka and Chester. Luks: "uph Stuja no Siya?" Mabheka: "baseza bhut. Anda ugodukile" Lwazi's crew appeared. Luks: "Yeses indenza naar lentwana." Smig: "uph Lubby?" Luks: "goduse Liya." He took out his phone and called him to where they were. Sizwe: "nguban lo?" Luks: "ngenyi ntwana yase kapa ephambeneyo. Nd'zay bulal inye bonanje zekhe net ind'qale." Lwazi sat on his car, with his friends and they drank. Laughing and talking. Luks: "he is mocking me. Yand'provoker lentwana Ta Smig!!" He hissed. Sizwe: "hay lukhanyo tshi. He's just laughing with his friends. Nanku Lubabalo nawe uhleke naye." Lubby parked and walked to them. Lubb: "kuthen nime ngath nikwi society nje, nguban ozovula ngomthandazo? Ohh kanene nilinde mna!" Luks: "suphambana Lubabalo, Ta smig?" Smig: "nab'ooStuja. Vula la boot." Sizwe: "what's going on?" 3 more cars parked on the other side. Lubb: "Ta Smig, ayingo stuja lowa." Lukhanyo opened the boot. Smig: "get ready." He took out his phone and dialed for Stuja. Sizwe: "HAYI smilo! Apha?!" Smig: "let me do. what I gotta do. Buya umva." He tucked his gun behind his back... Sizwe took a gun and followed him. Sizwe: "I'm not letting you do this alone." They reached the other cars. A tall black guy walked out. He looked nigerian. Smig: "Blaze." Blaze: "Smilo." He was Nigerian. Smig: "my money." Blaze: "what monie now'oh? I paid your friend the rest." Smig: "What Friend? Blaze, sund'phambanisa, nd'fun mal'am fondin!" Blaze went to his boot and opened. He took out a bag. Staring at Ta Smig. Smig: "you're wasting my time." Blaze: "is he your son?" He nodded at Lukhanyo. Smig: "that is none of your business." He grabbed the bag and walked off. Blaze looked to the car behind him just as he nodded, Lukhanyo shot at the windscreen simultaneously. People started screaming and they ran to their cars....

Chapter 349

Smig: "thanks." Luks: "don't mention it....khang'ak chane?" Smig: "ha.a..." Luks: "okay. Let's get outa here." He drove quickly out of the place to Dwesi using the National road. Smig: "iye tinara." Luks: "why?" Smig: "Dwesi is the first place they'll start." Lukhanyo stepped on the accelerator and the car flew through the road followed by Lubabalo's Mercedes Benz, Mabheka and Chester. Smig's phone rang. Smig: "ya?" Caller: "Ta Smig niphi?" Smig: "nyukan nize tinara Stuja." He hung up. Sizwe: "Smilo...." Smig: "not now Sizwe please. Jika pha Lukhanyo, ngene kwesastrato." Lukhanyo turned and drove into another street. Smig: "mise pha k'landlu mhlophe." Lukhanyo stopped at the white house. And they got off. Smilo walking in the yard first. Lubabalo parked and came out to them. Lubb: "our new club house?" Smig:

"shh.." They unlocked and went in. He switched on the lights. Lubb: "I was not gonna say anything. But forgive me. WHO Lives in this bitch?" Smig: "ndim." Lubb: "WHY??" Luks: "Ta smig uhlale dwesi. Andaz uyinton apha." Smig: "can you keep quiet and help?! Sizwe, please quit staring at me like a midwife." Lubb: "pppffh....midwife?" He giggled. Sizwe: "mxm." They moved the furniture, to rearrange it. Stuja and siya arrived. Luks: "so they know and I don't?" Smig: "while you busy playing house, they were there for me." Siya: "uph Thulani?" Lubb: "oh he's at jeff's place tonight." Smilo took the bag he got from Blaze and opened it. Smig: "bendicimba ind'bhanxile. Bendizoy'qhekeza!" He counted the money. Luks: "who the hell is Blaze?" Smig: "your new client Lukhanyo! Ulibele ba une company that imports drugs and guns?!" Sizwe: "you can't forc-" Smilo: "NO sizwe! Ayik'fun ke le ipiece. This is about Lukhanyo and learning responsibility for his shit!" Sizwe: "what shit Smilo! This is your mess, not his!" Smilo: "he wethu! Wawukhona wena ngok uLukhanyo wayecenga utatakhe to be part of us?! He wanted in." Sizwe: "it was the only way he could get his father's attention and time! Nawe uyayaz lonto ba Zakes spent most of his time working!" Smilo: "that's not true! Zakes Loved Lukhanyo! He was his blood! He always made time for him! He started this business to support and educate him. Which is what he did! If uZakes never loved Lukhanyo ngenganaye uGrade 12 k'la ndaw ahlel kuyo, he wouldn't have forced him to finish high school. After that the choice was eyaka Lukhanyo! Don't go around blaming abantu abangenzanga nto please." Lubb: "I know this is not the right time but, do you have bread? I'm kind of hungry." Smilo: "in the kitchen." Lubabalo got up to make the food. Hence he doesn't like awkward moments anyway. Lukhanyo got up and walked outside. This was way more difficult than he thought. The only people in his way to a better life were the people that raised him and he loved them. He couldn't just.....Ta Smig stood next to him. Smig: "Luks....you know I love you nyana." Luks: "I know ta." Smig: "and I would do anything to protect you." Luks: "ewe tanci." Smig: "I have your best interests at heart boy. That's why I got you Lihle, so that she can take your mind off things at times, then the babies were obviously unexpected but a true blessing right? Isn't that what you wanted?" Luks: "ewe ta." Smilo: "I want to help you because I love you, but I won't be able to cope ungekho. Its the initial income yakowenu lento. We can't just close it down. Indlu izobhathalwa nganto? Your mother's car? The other expenses? She can't get a job NOW because kudal ehlel. Same goes for me. Lukhanyo, just think this through son. I understand you won't be around 24/7...I get that, but at least once in a while xandik'celile..." Luks: "okay....fine." Smilo: "fine? Meaning?" Luks: "I'll stay." Smilo: "now you're being a man." He hugged him tightly. And they walked back inside. Lubabalo was eating a sandwich. Lubb: "so how long

are we staying?" Smig: "why. " Lubb: "because sendiz'xelel ba after this sandwich I'm eating, I'm taking a nap." Luks: "how you gonn take a nap at night?" Lubb: "its like a recharge." Smig: "sohamben within an hour..." Lubb: "so I can't nap?" Smig: "no, you need to be awake.." They stayed at the house, counting the money then split it and left.....

Stuja went back to his place and found Sindiswa watching tv. She had moved in a week ago. Her belly was big. And she was always complaining, but he didn't mind as long as he had a warm place to go home to. She sat on the couch fanning herself. Stuja: "usahleli babes?" Sindi: "akuse shushu, ingathi kufik'uSathana buqu namhlanje." Stuja: "ndim kehok lo Sathana?" Sindi: "hamba S'lulamile. I didn't say You. Its the Heat! Yoh, uthand uchuku bonanje. Izapha, uzova." He went to sit next to her, she took his hand and placed it on her stomach...he felt the baby move. Stuja got a fright. Stuja: "did he just?!" Sindi: "yes...." Stuja held it again and caressed it...he eventually put his ear on it to listen carefully, he was falling in love with his unborn son. Sindiswa held his head and watched tv. Sindi: "you were busy?" Stuja: "uqale nin uba interested ke wena k'le way." Sindi: "hay bend'buza, ndifuna siye Walmer ngomso, I must buy izinto for endlin." Stuja: "yooh babes." Sindi: "hay ungak'linge please.." Ndiyozela ngok." He got up and walked to his bed, taking off his clothes. He took off his watch and chain, then crawled into bed. As soon as he fell asleep Sindi went in too. Kissing his face. Stuja: "babe...yinton ngok?" He mumbled. Sindi: "bendik'khumbula." Stuja: "ndim lo nje...come here." He held her closely to him. But she kept touching him. Stuja: "baby uthen na?" Sindi: "S'lulamile, I missed you." Stuja: "kalok my love, I'm here now. Cuddle with me, and talk until we fall asleep. As usual." She kissed his lips, he pulled back and stared at her, waking up by now. Stuja: "yinton ngxaki mntu wam?" Sindi: "nganton ngok?" Stuja: "is there something wrong, its like you're trying to keep me awake." Sindi: "I am. Kanene usour wena. Baby, ndibatyiwe. Ndiyak'bawela nyan." He smiled and climbed on top, kissing her with no hesitation. She rubbed him back and forth while he pushed two fingers inside her. Stuja: "ayise shushu....mmhh baby man. Bek'then zungatsho nje?" Sindi: "yayaz mos love I'm feeling different. Khayenze man uyek uncokola...." He entered her and went out, pushing in again. Sindi: "awusa nuk kamand mntu wam..." Stuja: "ne? Stuja: "and'fun wonzakale bab-" Sindi: "enza man!" He followed her order simply because he was almost there...then he stopped... Sindi:

So she must be special." He replied to Mandy's message telling her he was talking with his mum and asked her if he should say anything about the pregnancy. She replied with: "its up to you babe, rather you tell her though, angabi shocked xa ebona abantu bezongen endlin. I haven't told my family yet but makhulu ingathi uyand'krobela.." He giggled. Ma: "you're glowing....uyabonakala wonwabile." Anda: "ndonwabile nyan mama...and'kwaz noz'nceda. Sihlala kunye too..." Ma: "What! He showed her a picture of Ta Luks and Lubby. Ma: "they look reasonable." Anda: "reasonable ma? Come on." Ma: "baryt for wena. You see they look serious about life." If only she knew. She looked for an appropriate picture of Mandy. Lately he only took pictures of her pregnant belly, it was still a little bun, but he thought it looked cute. He showed her a picture. Ma: "hmm.....akasemhle. She's lovely." Anda: "yayaz mos olady." The front door opened and he got up to go look, leaving his phone behind. His mother looked through the pictures, admiring Mandy, until she saw a picture of an ultrasound scan. Was she pregnant? She thought to herself. She put the phone down and kept quiet. Anda walked back in the room and took his phone while laying down. He sent another message to Mandy: "Missing You. And soncinci wam." She replied: "ncoooh. @soncinci...." He was smiling brightly. At his phone. Ma: "iyoh! Inkulu lento, kaphum'eroomin yam." He laughed and walked out to go take a shower.

Chapter 350

It was after 12, I had just finished making lunch. The babies were in the garden with the rest of the family. We were having a picnic. Mom went to open the front door and Thulani came in with his dad. Jeff: "Afternoon." He smiled. Her heart melted. She couldn't speak. All of a sudden she went dumb. He opened his eyes wider in question. Thenji: "erhh...." Oh God. Jeff: "Hello??" Thenji: "hello?" Jeff: "how are you?" He asked slowly. Thenji: "I'm fine thanks and you?" Jeff: "I'm good." Thulani was already at the

back with the others. So they stood in the lounge alone. Jeff: "are you gonna invite me in?" Ma: "uhm...yes. Ungangena." Jeff: "ndingu Jeff Lubisi." He held out his hand, she shook it. Ma: "Thenjiwe Manti...Mama ka Lihle." Jeff: "oh yes, now I see where the sweetness and beauty comes from." He lied. He had never met Lihle. He didn't even know what she looked like. Just that she's Lukhanyo's wife. And that's it. Thenji: "sizoty lunch ngok phandle. By the garden. Can I get you a drink, tea, juice?" Jeff: "juice is fine thanks." She walked to the kitchen and he followed her. She poured him some juice and he sat on the bar stool. Jeff: "so how come I haven't seen you around?" Thenji: "andihlali apha mna." Jeff: "uhlala phi?" Thenji: "ndihlala eMotherwell." Jeff: "naban pha?" He fished... Thenji: "that is none of your business." Jeff: "tate khaya?" Thenji: "...should I get a plate for you? Joining us for lunch?" Jeff: "most definitely. So wenzantoni ke Thenji." He smiled. Thenji: "I don't do anything. Ngaphandle kwento zecawa ne society yethu." Jeff: "oh, how beautiful. A woman that believes in God. I like that, maybe one day, you can convince me to go to church..." Thenji: "awuy'hambi cawa?" Jeff: "nah...no time, I speed up my work nge cawa, prepare for the week ahead. So that Monday I'm free and just helping out here and there." Thenji: "oh, wenzanton?" Jeff: "I'm the CEO of a Project Management company. Wena what do you do on a typical day?" She sat down opposite him. And they chatted. Thenji: "well, andiphangeli and my child is married. So ndihlala ndodwa, I wake up, clean the house. Ndivase, I started a new hobby of knitting kengok..hence I've got grandkids." Jeff: "that sounds really nice." Thenji: "uyabhanxa kengok." Jeff: "nyan, Thenjiwe, I get really tired of these women mna, lo uzobase msebenzin day in day out...I'm an old fashioned man, I still believe in housewives. Ndibuyee ndlin ndiphekelwe kamand, ku'cleaniwe, indlu ibe presentable ndingonqen uzisa colleague." Thenji: "oh so utshatile?" She moved uncomfortably. He smiled. Since She didn't answer him. He'll do the same with her. Jeff: "so you only have one child?" Thenji: "khangе und'phendule." Jeff: "nam khangе undiphendule." Then Sizwe walks in. He walked straight to Thenjiwe and kissed her cheek. He looked at Jeff. Sizwe: "Molo bhuti." He shook his hand. Jeff: "hello." He got up and bowed to the lady and walked out to the garden. Jongi: "Yeke!! Awuu madoda!" Sizwe stood in the kitchen with Thenjiwe. Thenji: "bek'nyanzelekile?" Sizwe: "don't be foolish Thenjiwe, njan uhlale namadoda eKitchen ngok ndikhona? Naske na-cozy." Thenji: "WHAT!?! Sizwe you are crazy. Andidyoli nawe mna." Sizwe: "because ndimbi? Is it because I'm not a businessman? Light skin?" Thenji: "no!!uqale nin ubambi kengok! And you are light skin. Its because you're a cheater." Sizwe: "no baby, wena you don't understand, a cheater covers his tracks and hides. I let you know mna. And you just dumped me! Ngoske wathi mandingabi naye omnye umntu. I can't sniff feelings!" Thenji: "sniff feelings sizwe!!!?"

During the big family lunch, with Lulu in between, eating everything. Lukhanyo and Sizwe sat together talking. Luks: "uryt Ta Seez?" Sizwe: "hay nahh I'm good why?" Luks: "ingathi ikhona into ek'phazamisayo." Sizwe: "nguban la awti hlel noJongizembe?" Luks: "Jeffrey...ngutata ka Thulani." Sizwe: "I don't like him." Luks: "he is a cool guy, kodwa." Sizwe: "that's exactly what I don't like.." Luks: "uthen?" Sizwe: "he's too much." Luks: "too much pretty ne? Yep that's how I felt about Thulz ek'qalen yooh I hated his guts!" Sizwe laughed. Luks: "worse wayi tshom ka Lihle, endiphambanisa njan. Etshate ne ex yam ndiqomba le awti, izond'thathela okos'bini apha...yooh Ta Seez, ak'thembeki niks pha..I know your feel." Sizwe: "waphel us'thin kengok?" Luks: "I befriended him, decided to watch his every move elapha ecamkwam. Wade wanoNamhla, ndam'yeka ke emvakoko. The problem is, he is just a nice kid. Akana niks, maybe same goes for his dad." Sizwe: "andiyaz Lukhanyo...I really don't know about this. Ndirongo? Ngofun mama womntanam?" Luks: "not at all. Yinton ingxaki dan Ta Seez?" Sizwe: "uthi ndithanda macheri qith mna, and yena ufuna uba nguyeyedwa." Luks: "that's understandable ke kodwa. I thought bu serious ngosisi phe ndlin." Sizwe: "hay tshi...we just chilled. Asikho serious." Luks: "oh." Sizwe: "what?" Luks: "hayi akhonto Ta Seez." Sizwe: "spit it out." Luks: "its just that I don't want to seem rude or anything. But kuthen uhlala naye if anikho serious?" Sizwe: "she needed a place to chill for a couple of days, umkile ngok use Durban to whoever, some relative. I wasn't really listening." Luks: "ooh...I see." Sizwe: "you see what?" Luks: "I understand kodwa where mama comes from...she's just being protective of her heart." Sizwe: "okay fine Lukhanyo ndik'vile." They sat for a while and chumani came running with a piece of cake. Chuma: "tata..ina" he opened Lukhanyo's mouth, broke a piece of cake and fed him. Chuma: "mhh..." Luks: "mandi mntanam." He pouted and kissed him. Sizwe: "yay'fekethisa lentwana." Luks: "I want him to be as comfortable as possible, rather abeyi gentleman." Sizwe: "you don't want him to end up like you right?" Lukhanyo nodded. Sizwe: "good." Lukhanyo was fixing Chuma's shorts. Then tied his laces. His phone rang. Luks: "ja?" Caller: "hey ndim uSbosh." Luks: "e.e?" Sbosh: "bendicela ubona umntana? For the day." Luks: "not today, sibusy aphe ndlin." Sbosh: "when?" Luks: "ngomso." Sbosh: "okay then...wenzanton?" Luks: "nank apha phamkwam yatya." Sbosh: "can I talk to him." Luks: "I don't want to upset him" sbosh: "why would th-" she sighed. Sbosh: "okay, fine...I'll see you ngomso." Luks: "shap." He hung up. Luks: "izapha boy." Chuma sat

on his lap, picking at his cake and tossing pieces in lukhanyo's mouth. Luks: "listen for a second?" Chuma looked at him. Luks: "mama ufuna uk'bona ngomso boy." He frowned. Luks: "alok baby, its only for a day. She misses you." Chuma nodded. Luks: "I'll come fetch you alright?" He nodded again. Luks: "khandiphe cake Ke." Chuma gave him the cake. And lay on his chest sleepily.....

It wasn't long when Jeff bumped into Thenji again inside the house. Jeff: "my guardian angel....ndiyalahleka." He held out his hand. Thenji: "ukhangela nton?" Jeff: "a bathroom." Thenji: "you can use mine, iyandibhida nam le indlu." They went to the bedroom and she showed him the bathroom. Jeff: "thank you." She walked out to the kitchen to help Sylvia prepare dinner. A while later Jeff appeared. Jeff: "man.....son of God. This house is full of beautiful women." The ladies laughed. Thenji: "you're a charmer aren't you?" Jeff: "andisemdala...." Thenji: "utsho ngok..." Jeff: "so where can I help?" Sizwe walked in. Sizwe: "outside with the guys, senzi braai." He walked over to Thenjiwe. Sizwe: "sweetheart iphi la nyama i-spiced?" Jeff walked out. Thenji: "why sizwe? Ngoba!?" Sizwe: "I was just saying! Khangabuz ba ancedise phi? Well I gave him a task." Thenji: "mxm...nantsiya nyama." He took it and left the house. Noma walked in with the salads and Nette. Nette: "darling!" She yelled for Sebastian. He came to her. Sebastian: "yes my sweet plum?" Nette: "have you eaten dear? Your medication time is in 20 minutes." Him: "dear, I had a sandwich about an hour ago. I'm okay." Nette: "no sugar. You need more than a sandwich in your stomach, sit down and lemme prepare you something quickly." She dished up some of the ready food and he ate. While she went to fetch his medication. He drank it and walked out. Nette: "Manners boo." Sebastian: "Thanks love." Nette smiled wholeheartedly. Noma: "you and your husband get along great hey. A True Team." Nette: "yes, we learned to schedule everything of ours to give each other time. Two demanding careers can destroy one's relationship. So we have a daily planner together to keep in touch with each other.. " Noma: "tell me more." Nette: "well firstly, do things together. Like bathing. Or showering in the morning, iron out his stuff and yours get dressed together, chat about your day and what you're going to do then obviously you go your separate ways. When you get to work, notify him. Wish him a great day. Be happy about it, encourage him. In the evening cook him food, make the house smell nice and exotic play his favorite music. Men love it..be nice, talk sweetly. Make him feel loved, listen to his complaining about his long day, massage him. And most importantly.. Make love to him!" Noma: "errh. I don't know about that." Nette: "try it!" Noma: "try what?! Its been a while." Nette: "lady. Wear your fancy things at night. Please leave the fish doek smelling like hair food and sulfur 8 behind." The ladies laughed. Outside the guys, were braai'ing the meat. Namhla and I were in the lounge

with the babies and Lulu who was asleep on the floor. Luhle was being restless abit and sweaty. She started crying. Obviously her father dropped everything and came to fetch her. He took off his t-shirt and took her. Luhle lay on his chest still sobbing. Me: "ushushu...I think she has a bit of a temperature." Luks: "ndiva lonto nam..." He sat next to the fan and tried calming her down. She started sneezing, he immediately switched it off. Luks: "qalwa yi'fever." He got up and took his keys. Me: "anizonxiba kengok?" Luks: "sapha ublankey yakhe, le imhlophe." I went to fetch her little white blanket and gave it to him. He covered her and walked to his car, buckling her and driving off. He went to straight to the hospital in search of a doctor. They examined Luhle. Doc: "her temperature is a bit alarming. Its a wonder she hasn't started screaming." He gave her an injection that made her start crying again. Doc: "she'll be fine, give her this, at night and in the morning." Lukhanyo took the prescription and went to the chemist to fetch her medication. He took her back home where Lubabalo was standing outside with Liya and her cousin and this other girl. Liya: "hey bhuti, come lemme introduce you. This is Mbali, girlfriend ka Iviwe." Lubb: "yambona bhuti zintle inwele zakhe sana iingathi zii'grapes." Lukhanyo greeted her with a smile. Luks: "sho fethu." Iviwe: "molo ta." Luks went inside the house to lay his daughter down.. Me: "well?" Luks: "they gave her an injection an amayeza." Me: "ewe kalok kuthiwa unantoni!?" Luks: "oh well you know.....high temperature." Me: "caused by what?" Luks: "erh...she didn't really say." See what happens when you send a man? Me: "thanks ke baby." I checked her and lay her to sleep. Lukhanyo started laughing. Me: "yinton?" Luks: "uLubabalo uthi girlfriend ka Iviwe ine-grapes" me: "he is so embarrassing!" We walked out to the lounge. Lubb: "heee uLosta bethe mandim'fownele ke kanjan." He took out his phone. Lubb: "lukhanyo uyamaz uLosta? Lonwabo? La tshomam ungu Gqira...you know?" Luks: "never heard of him." Lubb: "hehake Yesu onofefe." Mbali stared at him...she knew Losta, but he was her ex. From long ago. Lubabalo walked to his bedroom chatting on the phone. Mbali: "Liya ndicela ibathroom?" Liya showed her and left her. Lubb: "hayi awti yam. Ndiyak'tshekisha qha. Uphi?" Losta: "ndilapha kum. Uyeza?" Lubb: "naai...ndihlel noMbali." Losta: "phi?!!" Lubb: "bye Lonwabooooo" he hung up and laughed. Mbali bumped into him. Mbali: "bhuti, andikwazi ne? Nawe awundazi. Don't try and test me. I will blow you the fuck away. I won't let you ruin my relationship noIviwe!" Lubb: "oohh.....feisty..." 😊:p ... Lubb: "xa userious alok noIviwe, you wouldn't have a problem or issue bout Lonwabo. Right?" He pushed her and walked right past.. Mbali went to Iviwe. Mbali: "love, we need to talk." Iviwe got up and they went to a quiet spot. Ta smig's phone rang, he ignored it. Lukhanyo's phone rang. He picked up. Luks: "ja?" He was playing pool. Luks: "huh?" He held the phone with his shoulder. Luks:

"okay." He hit the ball straight into the hole. Luks: "on my way." He took his t-shirt and walked out....

Chapter 351

Me: "lukhanyo, get your tiny ass back here where do think you going?" Luks: "ndisaye ndlin baby." Me: "okay." He left the house wearing his t shirt driving off. Luks: "so uphi?" Caller: " ndiselapha." She cried. Luks: "stay still." He went to where she was and went inside carrying his gun. He knocked on the door. Luks: "vula ndim." She opened the door. Crawling on the floor. Blood everywhere. Luks: "Sbongile kwenzeke nton!!!" Sbosh: "he just got so angry..." She sobbed. Sbosh: "and shot me. Aphe ngalwen, I didn't who else to call..." He helped her up and dragged her to the car. Lwazi parked his and walked to them. Lwazi: "uy'saphi cheram!?" Luks: "hayke ndok'bulal unye mna kwedin. Ngak'ling und'qhel kaka! Luks: "thula sbongile....ndik'vile." He got to Livingstone hospital helping her out. Luks: "andikwaz ke ukusa eGreenacres, because my wife handles into zam phaya." Sbosh: "at this point andiy' mind neDora Lukhanyo, just get rid of this pain!" She was struggling to breath, they took her in and he signed the papers. He went to his house eFord to go change his t-shirt and cleanse the blood. He got a call from the hospital again and he went to check what the problem. They had done stitching her up removing the bullet and gave her pain tablets. Right before the sedative. Lukhanyo arrived. Luks: "yes?" Sbosh: "I just want to say thank you. Ndifownel usister wam to bring me stuff so that I don't bother you again." Luks: "and you couldn't tell me this over the phone?" Sbosh: "phone yam yile ndiy'shiyileyo alok. And can't really remember your number so instead they called my sister." Why didn't they just tell him that directly? Luks: "okay. Phone yakho? Ndiyoy'landa or?" Sbosh: "no. Its okay...I'd rather sit her without it." Luks: "cool then." Sbosh: "thanks again lukhanyo, I don't know if I would've survived if.....just thanks." Luks: "ok. Ndiyahamba kengok." Sbosh: "sho." He turned around and left for KwaDwesi.....

As soon as he arrived, his mom just got back from church, his cousins were here with umakazi. Luks: "molweni hlumi" Hlumi: "molo bhuti." Luks: "nifike nin? Don't I get a hug?" She hugged him. Luks: "so upasile?" Hlumi: "bhuti alok phepha liphuma ngo

walked to the bedroom. Luks: "mama ndifownelwe nguSbongile elila...her boyfriend

because bengayaz who else to call, khangе afune noba ndihlale ndimshiye nje

have allowed me! Ndiyamaz. She would have told me ndingayi ndawo. That's just
plain cruel." Ma: "oh. Well ke at least you saved a life. But you have to tell Lihle, if

Ma: "I'll see you tomorrow?" Luks: "heee yand'gxotha kehok?" Ma: "ewe tshi." He
kissed her goodbye and walked out to his car. Got in and drove off.

As soon as he got home, he went to the guys and Ta Smig. Smilo: "where you been?"
Luks: "edwesi...when are we eating? Ndilambe." Me: "doing what edwesi babes." I
hugged him. Luks: "some of my cousins base ndlin so ke bendincokola nabo. Babe, we

"why?" Luks: "because khandiye ndlin..." Me: "why would I freak out yilonto?

arm. Luks: "mamela Lihle." Me: "NO!! Lukhanyo! Ndiyeke!" I was shaking with anger.
Luks: "hun. Please listen." Me: "you lied to ME!" Luks: "not exactly! Well, not the way
yo-" I grabbed my hands from him and ran out. How dare he. He walked out and
grabbed me again, just as we got to the lounge. He smiled. Luks: "baby yathand udlala
ke wena!" He yelled. Luks: "ungak'linge us'jongise ngabantu lihle, we have guests!" He
hissed quietly in my ear then kissed my cheek. Me: "so now I must pretend nothing

utshintshe kanti benisenza nton?" He dragged me back to the room. Luks: "khasenze

"kang'qalise ulilisa ke le into. Sbongile dutyulwe nguLwazi, I just took her to hospital

and left her there. QHA. Bek'funeke ndithin lihle drop the phone on her? Ndimyeke afe? Come on nawe kodwa." Me: "but you should've TOLD me!!!" Someone knocked on the door. Luks: "baby please." He opened a little. Sizwe stood at the door. Luks: "ewe Ta Seez?" Sizwe: "what's going on?" Luks: "nothing, we just having a little chat." Sizwe: "can I come in?" Luks: "uhm..." Sizwe: "lukhanyo?" Luks opened the door. Sizwe walked in looking around. Sizwe: "lihle!" Me: "se bathroom tata, ndiyeza." I came back out, I washed my face. Andaz noba ndicimba ndibhanxa ban. Me: "ewe tata?" Sizwe: "Luks give us a minute I wanna talk to my daughter." Lukhanyo looked at me, with a frightened look. Me: "I'll be with you just now." He walked out. Me: "so what's up?" Sizwe: "sorry to interupt ntombam. But I have no one else to talk to. Ndithethile noLukhanyo but I'm still not feeling well." We sat on the floor and again I sat between him and he hugged me. Sizwe: "I'm getting very irritated ngula mntu mna." Me: "who? Uncle Jeff? He is so cool!" Sizwe: "aren't I cool?" Me: "haha. You are. In a dad way." Sizwe: "oh...now I feel special." Me: "hahaa...hay man tata, You're more mature. Warm...and conserved. Uncle Jeff is.....well, too playful and acts young." Sizwe: "I tried to talk to your mom, akafun nova. She keeps shooting me down to make space for this Jeff. What's so damn special about him anyway!" Me: "dadddyyy!!! You sound jealous." Sizwe: "but Lihle, I care about her.." He brushed his hand through my hair. Me: "I know you do tata, but then the problem is, the more you pull, the more she'll run...myeke enze lento Im'lungeleyo yena. It'll work itself out." Sizwe: "so you say ndi give up(e)?" Me: "not in that sense dad. Just give her space." Sizwe: "if I give her this space...uzocimba I don't care mos." Me: "no, she'll start wondering kuthen ungasam'hoyi. Then ibenguye ozok'krumba." Sizwe: "you make it sound so simple. But ke ndizozama um'ignorer." Me: "okay, let's go have dinner." We walked to the lounge and sat down for dinner. Mama really wasn't paying attention to Sizwe. She really didn't care. Jeff: "so what you doing tomorrow?" Thenji: "we'll be here...ngoba?" Jeff: "I was hoping we could go ice skating. Have an american type of Christmas day." Thenji: "no thanks, I would never survive that." Jeff: "horse back riding?" Thenji: "lizosindwa ihash labantu." Jeffrey laughed. Jeff: "you are something else, you know that?" Thenji: "oh?" Jeff: "tell me something, ngumnyen wakho lobhuti..." Thenji: "hayi, ex....ngutata ka lihle." Jeff: "oh good. So what would you rather do ke?" Thenji: "why don't you come over?" Jeff: "I would much rather singabi crowded. And ksasa I have to go to a children's home, I volunteered to be Santa Claus, how cute is that?" Thenji: "ncooh. That's sweet..." Jeff: "Hey! Come with me. Ubengu Mother Christmas..." Thenji: "what? No!" Jeff: "yes. I'll pick you up at 08:00am. Then after that....we can do whatever you like." He winked... Thenji: "I see....uhm. Okay." Me: "uhm, let's get our plates from the table, then we can dish from there." I went to

fetch the babies. Luhle was awake. I fed her and took her to the lounge, lukhanyo stood at the door. Luks: "baby, ndicela undixolele." Me: "okay." Luks: "I'm really sorry lihle. Honestly." Me: "its okay." He took Luhle from me, I took Lutha to feed him. We walked to the lounge and sat. Sizwe sat with Jongizembe, they were talking! Into evanayo at that. Or its probably because malume just doesn't want him with mom? Yoh! Jongi: "nditsho kuwe mfondin. Wafik uDyikish wamxentsa wanya!" Sizwe: "hahaa! Ei Jongi. Mxm..." But his eye kept hovering over at Jeff. Jongi: "myeke Sizwe." Sizwe: "huh?" Jongi: "myeke...akak'fun mos, kuthenuz'hlohla?" Sizwe: "hayi andiz'hlohli mna. Ndisukile mos kuye." Jongi: "uryt. Chapter 352

Jongi and Sizwe came back an hour later. Jeff and thulani were about to leave. Thenji walked him to the door. Thenji: "nihamben kakhle." Jeff: "enkosi, ndizok'bona ksasa ke." Thenji: "bye." She walked into the house again. I had to speak to her, urgently. Me: "Ma..." Ma: "hm?" I took her hand to her bedroom. Me: "mama, I know andigen ndawo. Its not my place or anything. But I don't think its ideal for you and Jeff to happen." Ma: "why? Akhonto yenzekayo, we just talk." Me: "mama, I know that..but its like..he's Thulani's father." Ma: "Thulani akango mnyeni wakho Lihle mntanam. He's not related to you in any way. I'm struggling to see your point." Me: "thulani is like part of us ngok." Ma: "as in?" Me: "ukwi family yethu, we treat him as a brother." Ma: "Lihle. This is about utatakho ne?" Me: "hayi mama." Ma: "ewe. He's the one that told you to come to me." Me: "mama ayikhho lonto, he was just upset and chatted. Mna ndize kuwe because I don't like where this is going." Ma: "uthetha njani Lihle?" Me: "heee umama. You're acting different xa kukho uUncle Jeff, and he's way too young." Ma: "no, Jeff is older than me. Secondly, awungeni ndawo lihle. I never stopped you mos unoLukhanyo. Your father can move on and I can't? Its been over 20 years mntanam. Nam ndicela ukonwaba." Well..its been long since she had a boyfriend. This was the 2nd man in her life, since Sizwe was the first. But not Uncle Jeff though, I like him, yes. But not for my mom. He's like aba sugar daddy bathand abantwan beskolo strictly..what if he already HAS umntana weskolo, at least akatshatanga. Why am I stressing about him. Ma: "tata wakho must learn to grow up.

Bekudala esenza into enye. I'm tired of waiting for him atsintshe." Oh, that's it! If only dad could change! Yoh ha.a mandingay'ngen. Me: "ok ma. Goodnight. I wanna lay down mna." Ma: "kwenzeka nton lihle?." I didn't want to tell her. Me: "akhonto mama, I'm just tired." That's the sad thing in a marriage you can't go running to people and telling them your problems. Yoh worse mama, she will butt the fuck in. I can't deal with that. Ma: "lihle..." I yawned. Me: "mama, sothetha ksasa." I walked out the room to mine and took Luhle to feed her the medicine. Afterwards I gave her the breast. Somehow she didn't like it anymore but sucked anyway until she fell asleep. I slowly removed her and took her to bed. Lutha was with Lubby, so I went to take a shower and went to bed. Why was I upset? Something didn't feel right man, lukhanyo tells me everything. Kuthen kengok? I didn't even have the energy to ask him. What if he's lying ngale nto and they did whatever they did. Ade atshintshe nempahla. Would he? When last did we? My phone beeped. Tsek man nawe. I don't need stress soma Merry christmas texts. I'm not in the mood. I don't trust this thing one bit, I might have to pay her a visit esbhedlele. Tell her what she needs to know. Lukhanyo walked in the bedroom, lemme sleep. I don't feel like talking. He opened the cupboard and took out something. Then Keys and walked out. Maybe I should follow him? I got up and walked to the lounge, where he and Lubabalo walked out together. Oh so bahamba kunye. Good, because I trust Lubabalo to make a spectacle of him xa enze into. I poured a glass of water and went to the bedroom. Took out a sleeping pill and drank it. I fell asleep after a while.....

The sun shon, I woke up and sat up checking my watch it was 05:06am. My head was pounding. Chuma and Junior ran into the room and jumped on the bed. Chuma: "Merry Chrriistmas!" Me: "hey love! Merry Christmas what did you get me?" He kissed my cheek and smiled. Okay, he got me affection. Junior hugged me. Me: "I hid your presents somewhere, so you'll get them after lunch okay?" They both sulked. Only now did I notice Lukhanyo was laying next to me. This was awkward. How could I have missed it? The boys left the room to go eat. Me: "good morning." He was on his phone. Luks: "morning." I reached for mine and realized it wasn't there, I looked over at Lukhanyo. He had my phone in his hand. I honestly ticked. Like for real! Me: "what the hell are you doing with my phone!?" Luks: "nguban uPhila?" Me: "ungambuzi nje! Why are going through my phone! Do I ever touch your phone! Go through it? No! Because ndik'nika privacy yakho now you have the nerve to ask me ngo Phila! Nx" I got up and he grabbed me so hard, I fell back. Me: "lukhanyo....please." I begged. I was in no mood for this today. Luks: "so you search for ooPhila when I'm not around?" Me: "ndim'searche phi uPhila? He's been on my facebook since lonng ago!" Luks: "and all of a sudden he's gonn start sending texts?"

Me: "its Christmas! Everybody sends texts!" Luks: "andimbon mna uEverybody apha. Its just Phila." I don't know what he wanted ke. Because a lot of people sent texts, qha he chose to ignore them andaz yi-text ethen dan le that stands out so much. I took the phone and read it, it was a Facebook in box: "Hey sweetheart, I hope uryt...its been a while hey, I'm back for Christmas, ndise Bluewater. Remember, 25 dec our first day? Yeah, ndiske ndak'cinga wethu. Otherwise. I hope you enjoy it ne. I miss you angel. Merry Christmas." Hehake Lukhanyo. Ukhalazela lento? Me: "yeah so?" Luks: "your first time with him, on christmas? Wow." Me: "you know, I don't have time for this. Phila akayiyo ne ex. He doesn't qualify because we weren't dating." Luks: "kodwa benityana." Me: "Yes. We were fucking." Okay maybe I shouldn't have said it that harsh...look at him now looking all upset and broken. It was a while ago after Ludwe wethu. Damn. I got up and went to brush my teeth. I wore a gown and went to check on Luhle. She was still asleep. Lutha too. Yuuuuh kwenze nton. Lubb walked in. Lubb: "besandovuka. I put him back to sleep." Me: "ok." I turned and walked out. Lubb: "Merry Christmas." Me: "you too Lubby." He followed me. Lubb: "wow..uryt?" Me: "excellent." Lubb: "you don't seem fine, you sure you feeling..." Me: "I said I'm fine! Goddamn." I took some fruit salad and yogurt, sitting on the barstool and ate. Lubabalo sat down. Where was everybody? Lubb: "what's up?" Me: "lubabalo, I'm not in the mood to speak ne, ndak'cela khand'yeke." Lubb: "its Christmas." Me: "what's that supposed to mean? Hay man." Lubb: "you feeling sick?" Me: "Yes! I am sick and tired! He just does as he pleases then mna xandiz'helel he complains bout some stupid texts from umntu ongenzanga nto! I'm supposed to sit back and watch as he goes around fucking the universe!" I breathed..... Flip! I shouldn't have spoken. Me: "forget I said anything." I got up and walked to the bedroom with my bowl.

I sat on the bed and ate while he stared at me. Maybe if I see some friends and stuff, just calm down... Luks: "Lihle." Me: "Lukhanyo, I don't want to fight with you. Uhambile apha waxoka ngekhaya lakho and went to help an ex. If she was dying like you say she was how did she manage to call you?" Luks: "I was the last person she had called. Befuna ubona umntana." Me: "then why did you lie to me!" Luks: "you're freaking out. I know you lihle, buzothi hayi" Me: "kakade bendizothi HAYI, azikho ambulance dan eBhayi?" Luks: "I'm sorry, okay? I didn't think..." I put the empty bowl down and took off the gown. Me: "you didn't think? Yeah....you didn't think about me and how I would feel." Luks: "but lihle I left her at the hospital, and that's it." Me: "whether you left her at the gate, on the freeway or the bus stop, I don't care. You did not consider my feelings qha. I'm taking a nap." I lay underneath the covers and closed my eyes to sleep. I didn't need this. He crawled in behind me. Holding me closely....stirring in mixed feelings. Luks: "ndicela uxolo kalok baby njena...it won't

happen again." I didn't answer, I just wanted sleep. He kissed my neck. The tip of his finger tracing down the side of my body. It felt so nice. Me not saying anything gave him ideas...he pressed himself onto my back, I felt his hardness on the butt. He held my waist and rubbed himself against me. He tongue licked my shoulder in circles and stuff. My God, lukhanyo! Does he have to do this today! His hand slid its way through to my breasts. I was melting...right into his trap. He held my breast and massaged it. It squirted a little milk and he turned me around. Sucking on it... Me: "please stop." Luks: "why?" Me: "ubalekela kwi sex qho xas'xaban wena. Not today please." Luks: "why uthanda uqumba? Can we just let it go? iphelile ngok, sidlulile, I want to enjoy my wife, please?" He kissed my other breast. Taking off my underwear. Then licked the stomach and belly, down to my cookie and he kissed it. It sent thrills through me. He pushed his tongue in. I was muttering all the energy I had not to scream. I couldn't control it....I moaned..I felt him smile and digging in. Sucking furiously. I held his head, I was near the end. He got up and pushed himself in. Roughly. He smashed into me with every thrust. Me: "slow down!" Luks: "about to.....ima.....ndizo.....citha" he breathed. He went faster, laying on top of me, holding me closely, his breathing increased. Luks: "fuck...." He moaned....he kept going, kissing my lips..he stopped and released....still kissing. I didn't want the kissing to stop. I was hungry for it. I held his neck...for the longest time and only pulled back when it hurt. Luks: "are you still mad?" Me: "yes." He dug into my neck on the left and nibbled on it. It really tickled and I started giggling. Me: "no!" He held both my wrists to not move. Me: "okay!" I breathed. Luks: "okay what?" Me: "I'm not mad..." He kissed me and smiled. Why was my left so ticklish all of a sudden. I crawled into his arms and he hugged me, I took another nap.

Thenji and Jeff left for the children's home. Jeff: "you look beautiful." Thenji: "thanks. Nawe." Jeff: "hahaa!! Ahh, I get that a lot." Thenji: "hayi ke tshi umbi!" Jeff laughed. Jeff: "soqala pha kum endlin ke ne?" Thenji: "what? Why?" Jeff: "the costumes have arrived already, qha bend'fun zothatha wena kqala." He parked in his house and got out. He went to open her door for her and held out his hand, she took it and walked with him to the house he unlocked and went in. Thenji: "wow. Intle indlu yakho man..." Jeff: "ahh, its not as pretty wethu..as I want it to be." He went to fetch the clothing. Thenji: "njani?" Jeff: "a house isn't a home without the loving feel of a woman inside it.." Thenji: "why aren't you married then?" Jeff: "well, the girl I once liked, is unavailable. Andiphinda ndanomdla. So I'm just focusing on my work...maybe that's going to change." Thenji: "because of?" Jeff: "you." He gave her the suit. Jeff: "you can take the second room on your right." She went to change into the suit, it fit just right. She walked out and found him sitting in the lounge, with his

Father Christmas outfit, he had a fake big tummy on too. Jeff: "think it looks real?" She laughed. Thenji: "oh man,,its adorable." He got up and took the big packs..of toys and put them in his Jeep. Jeff: "iza ke dear." They walked out and he locked his house. Thenji: "so iphi le ndawo siya kuyo." Jeff: "lennox street." He helped her with her seatbelt and drove off. They arrived and went inside with the bags. Jeff: "I don't even know how to do this. Cela ungandihlek ke ne? Please." Thenji: "cross my heart." He stood at the door. Jeff: "Ho Ho Ho!!!" He yelled. The kids screamed and ran to him. Jeff: "okay, I think I need help?" Thenjiwe helped him take out the gifts and they sat down with the kids. He stared at her.. And smiled.....

Chapter 353

I woke some time later and took a shower, wearing just shirt and jeans. Lukhanyo wasn't at home. Me: "uph lukhanyo?" Kuthen ngath akho bantu. Lubb: "besandophum uth uyeza." Me: "okay." I went to check on my babies. Sylvia had done bathing them, I fed them and took Luhle for her medicine. While calling Rene. Rene: "hey babe. Merry Christmas!" Me: "you too love. How are you? What you up today?" Rene: "having lunch with friends, join me?" Me: "I'd love to. Where ya'll??" Lubabalo walked in, he had a look on his face. Rene: "news cafe in 30 minutes" me: "ookay." I hung up. Me: "help?" Lubb: "uyaphi?" Me: "out." Lubb: "out where?" Me: "that type of question and look should be reserved for you wife." I rocked Luhle to sleep. Lubb: "wenzen lukhanyo?" Me: "ungambuzi nje?" Lubb: "he says you're mad at him and stuff." Me: "and stuff? Heh." I walked Luhle to her bed and put her down. Then went to look for something to wear. I took out the black and white skinny pants. A loose white shirt. And the red platform Lubby got. I looked at him and smiled. He didn't smile. Lubb: "dude." Me: "yintoni? I'm just having a moment with the girls. Why must I always be cooped up in here!?" Lubb: "I didn't say suhamba, wait for Lukhanyo though, uzothin xa efika ungekho?" Me: "he'll call me." Luks: "lihle." Lubby turned around and looked at him. He just walked out. Luks: "uyaphi?" Me: "I'm going to chill with Rene and friends for a while." Luks: "you can't go." Me: "says who?" Luks: "we're having lunch aphe ndlin and dinner later, friends can wait." I undressed and wore my pants. Me: "I'm not even gonn bother fighting with you. I'm leaving." Then wore my shirt and tucked it in neatly. Luks: "I wonder zophumaphi." I just laughed. Yay'thand challenge lo. Me: "noba ulibele both my father and uncle are in this house." Finally nam ndinommtu endizobalekela kuye san....its bout to get heated. I did my make-up

and hair. I made my eyes look bigger, no eye shadow, no blush. Just foundation, eye liner, mascara and plum lipstick. Luks: "are you threatening me?" I got up and looked at him. Luks: "hee! This must be some "friends" huh?" Me: "you sneaked out, waya pha kwakhona. Uzoxelel mna ba andihamb kehok? Awumuncu man baby, because ndizophuma k'la mnyango." Luks: "fondin ungumfazi! Lubabalo was in an uncomfortable position. Me: "Lubby." Luks: "akayi ndaw lomtana Lubby." Lubb: "Lihle, cela uhlale tu..." I took out my phone and texted Rene to come fetch me. I sat down on the couch. Me: "fine. Let's do this your way." Lukhanyo breathed in relief. Lubb: "heee, oomama bahambe baya to some Christmas function, come check the pics." Lukhanyo sat with him. Jongizembe walked in the lounge. Jongi: "Noma!" He yelled. Jongi: "uphi?" Lubb: "bahambile alok ta....nomama." Luks: "and dad?" Lubb: "you know tata unjan, yathand sebenza." Me: "so I can go?" Namhla walked in with Liya, they had gone shopping. OH? Ndim lo kungafunwa hambe??? Sizwe: "ewe tshi, I'll take care of things.". I stood there like a Boss. Sizwe: "and now?" Me: "I'm waiting for Rene to come and fetch me." He looked at Lukhanyo. He took out the Benz keys and gave them to Sizwe. I got them from Sizwe. And kissed his cheek, taking my bag and left right then. Sizwe looked at Lukhanyo and summoned him outside. Sizwe: "iy'1 into ezosi xabanisa mna nawe. Don't. You. Fucking. Dare. Treat my daughter like your prisoner. Siyavana?" Luks: "but ta-" Sizwe: "Yeyi!" He roared. "Sund'phambanisa kwedin. Don't think andiyaz le uyenze izolo. I know. But

I arrived at News Cafe, on my way out the house I met Rene so we drove after one another, so we arrived the same time. We walked in and went to a table of 2 more girls. Rene introduced us. They were so nice. One was also a house wife the other a lawyer. The lawyer was Amy and the housewife was Linda. We ordered and sat while chatting. My phone rang. I picked up. It was Lukhanyo. Me: "hello?" Luks: "uphi lihle?" Me: "news cafe. You?" I mocked. Luks: "mxm, amayeza omntana wabeke phi?" Me: "kwi room yethu, on the dresser." Khang'angaz'boni. Luks: "azikho apha." Me: "well I left them there." Luhle started crying in the background. Okay, this was breaking me now...I can't relax with her crying. Both she and her brother. Luks: "ok...ndiwa fumen..." Me: "cool." Luks: "ubuya nin?" That's why he called kakade. Me: "andaz...ukhalela nton Luhle?" Luks: "sandovuka, njan ba awuyaz lihle?" Me: "I have to go." I hung up. Putting the phone in my bag. Rene: "you okay?" Me: "yeah." Linda: "as I was saying, so he comes home. All moody and looking rough." Lol, you know Tamar Braxton? When she speaks? Lmao. That's how Linda spoke, she had a nice accent and she slanged on words for so long. Kukho ne hand actions ke. Too funny. Linda: "I ask.... "My nigga, where do you come from." You can't guess his answer. You just can't." Amy: "work?" Linda: "the gym. GYM! In a fucking suit. He doesn't even take time to think of a juicy excuse." Me: "the gym? Wow." Linda: "I know right?! So I decided to give him his fuck-space. I mean I love him and shit but he can't step into our house smelling of street pussy." Me: "so what you do?" Linda: "I beat his asshole out." I burst out laughed, choking on my drink. The way she said it. Yohh...it was too calm and convincing. Linda: "popped him the fuck out. I don't play that sharing shit. I grew up in the hood." I like her...she really hood, but lady-looking. Me: "do you have kids?" Linda: "he has a teenage son, but I ain got kids. I'm busy with my shit." Amy: "what shit? You sit at home all day." Linda: "I'm a model and campaign ambassador." Amy: "you quit last month." Linda: "well I took my job back, bitch I'm tired of chillin." We laughed. She drank her wine and ordered another. Rene: "we haven't even had lunch Linda.." Linda: "girl. I just needed that drink. When we eating?" I felt someone staring at me. Lukhanyo can be a real nag yazi. Ufuna nton apha. I turned to look. It wasn't Lukhanyo. Oh okay. I carried on chatting to the girls. Amy: "that guy has been Staring at you for the longest time, do you know him?" Me: "can't recognize him, with his shades on. "Lihle." Someone called out, I turned to look. It was this person still. He took off his shades. Me: "Hey!!" I got up to hug him. It was Phila! Me: "heee, uPhila, you've changed." Phila: "no, you've changed! Yooh! Drastically." Me: "khayeke man wena...hayin lona! You're so bright. Utsho wabonakala i-color." Phila:

She took the phone and we took few more. Me: "bye ke guys..." Phila: "sho mtshan.." Losta: "ungam'libal u-cousin." I laughed and went back to our table. To chill. After a while another one of them arrived. Probably the Saida. We left an hour later for the beach. Me: "guys, I didn't bring changing clothes." Linda: "neither did we." Me: "how we gonn swim though.". Linda undressed "I'll only be 24 once." and ran to the ocean. We did the same. Nobody bothered. We played in the water for a while and took a walk. Linda: "so guys, what are we doing later?!" Rene: "going home. You have a husband. We have kids. Life ends at 17:00pm for us." Linda: "arg...his parents are home. I feel like I could just die. That woman hates me." Amy: "maybe because you act too much like a kid." Linda: "I do not." Rene: "you do too. Go home, act wifely, she'll love you." We got to our cars, we waited till our underwear felt dry enough. Then I wore my shirt and pants. I checked the phone. 6 missed calls. Lukhanyo. On top of the other 3 that makes it 9. I called him back maybe its the kids. Luks: "fondin!!! Uphi??" He yelled. Me: "bend'the ndiyaphi dan?" Luks: "I been trying to call you, kuthen ngaphendul phone?" Me: "it was in the bag." Luks: "ubuya nin?" Me: "soon." Luks: "soon now or soon later?" Me: "soon later." He hung up. Rene: "maybe you should go to him?" Me: "yeah. Thanks for this..." We all hugged. Rene: "pleasure." Linda: "I hope to see you again." Amy: "definitely." Me: "I'm sure we'll catch up. I'll

email Rene the pictures." Linda: "byee..." I got in my car and drove home. Kange ndihlale kamandi tu. Being checked up on is seriously annoying. I drove in and parked. I walked inside to go shower and get changed to a simple dress and sandals..

I walked to Namhla and showed her the picture. She screamed and chased me around the house. Jongi: "HEEEY!!!! Akhose hlathin apha!" Namhla: "kuthen ungcilile Lihle!" Me: "bendingamazi nam!" She sent it to her phone and lay my phone next to me on the counter. Dinner and dessert was done. So, I made a snack to keep me going until we ate. Lukhanyo walked in. Luks: "so....ubuyile." Me: "I'm back." He kissed my lips. Luks: "buse lwandle?" Me: "ewe." Luks: "much fun?" Me: "no, because you kept bugging me." Luks: "ndiryt." He took the phone while I made a sandwich. The kids got their pressies by the way. Zothath eyakho." We went out to the garden and He took out an envelope from the book carriage next to the bench. We sat down. A piece of paper? Honestly. I opened it...taking out the papers. And read the few lines. I didn't know what they were talking about. I read again. Luks: "look inside." I looked inside the envelope and there was a key. I read the paper again some more. He had.....bought the house. I swallowed hard. Luks: "its yours." I felt like my heart was about to jump out of my throat. Luks: "I don't want it

to feel like I'm buying your love. Babes, I bought it when I got enough money for it. And thought it would be nice to sign it over as a Christmas present." Me: "thank you..." I hugged him. Me: "A house?" I wasn't sure I wanted it anymore.. Luks: "a Home, lihle, we're building our life over. Ndifuna sisuke k'la ndlu. There's just too many memories there. And from now on, its you and the kids first..sizoya pha k'lamntana soy2 umxelel." Me: "and'zothetha niks mna. It must come from you. If and when you're ready to move on." I got up and walked inside.

Chapter 354

Sizwe: "kuthen uz'hlupha nje?" Jongi: "mxm.." Inside the house Lubabalo had my phone. I don't know noba yiLandline na. He even knows the password. After a long while he gasped in shock. Thulani fell down laughing. Lubb: "uzuy'hleke. Ibemnandi. What did he say to you lihle, yawathanda amacherri lamntu...don't listen to a word he says." Chapter 355

We all sat at the table for dinner. Nette had made it lovely. The house lights dimmed and decorations sparkling. There was a knock on the door. Luks: "I'll get it." He got up and walked to the door. He opened. And someone rushed to his arms screaming. He got a real fright. She: "I missed you so much!!!" Me: "who the?" Lubb: "uhm...excuse me.." He got up and went to the door. She stood there and swallowed dry saliva. She: "okay. This is awkward." Lubb: "don't I get a hug?" She squeezed him breathless. She: "big bro! I missed you." Lubb: "hmm....I didn't." He joked. She: "whatever!" Lubb: "this is Lukhanyo. Mom calls him Lukha." She: "yeah, mom has a nickname for everyone." Lubb: "lukha this is my younger sister Demi." Luks: "nice to meet you." His heart ached for his own sister..he turned and walked to the table and sat down staring at his

plate. Me: "babe?" Luks: "hm?" He looked at me. Me: "uryt?" Luks: "ewe babe." Lubby entered with the younger sister, Demi Morrison. Lubb: "let's start here, this is Thulani, that's Namhla, Namhla's dad and mom. This is Lihle, you've met Lukhanyo, this is Lihle's dad Sizwe, this is her mom and this is Uncle Jeff, Thulani's dad. Everyone this is Demi." We said hello to her. Nette: "darling you're late!" Demi: "hey mom. Please stop fussing." She hugged her. Demi was quite skinny and had long legs...blue-green big eyes and long blonde hair. She was really beautiful. She must be a real sweetheart. Demi: "hi dad. Bro, show me my room." Okay, that was cold...and the father didn't even reply. She took her suitcases to the bedroom and they chilled there for a while. Demi: "so, mom says you're getting married, was that her?" Lubb: "who?" Demi: "you know, the chick with a long weave on." Lubb: "oh nah, that's not her. That's Luks' wife." Demi: "oh thank God." Lubb: "why?" Demi: "I don't like her...she seems fake." Lubb: "hey! Watch your mouth." Demi: "whaat? I'm not gonn pretend I like her when I don't. Anyway, who's that cute guy." Lubb: "please stay away from Thulani." Demi: "he's adorable bro, come on." Lubb: "he has a girlfriend which he's with Right Now." Demi: "we'll see about that." Lubb: "demi! Don't." He warned. Demi: "fiiine! Damn." Lubb: "how's fashion school?" Demi: "urgh! Its just work, work, work!!! I get tired quicker. I wanna quit." Lubb: "I told you. But you never listen to anybody. And modeling?" Demi: "oh, I got you a copy, my last photo shoot." She took out a magazine, which she was on the cover of. Lubb: "you look cute.." Demi: "I know." Nette walked in. Nette: "sweetheart come have dinner.." Demi: "I'm fine mom." Lubb: "we'll be down in a minute." Nette left them together. Lubb: "so, how's life?" Demi: "great..." She smiled and lay next to him. Lubb: "great?" Demi: "yeah...." Lubb: "who's the reason behind that smile?" Demi: "nobody..." She giggled. Lubb: "it has to be somebody, cuz you hate school, you always working." Demi: "I have friends and a life.." Lubb: "hmm....if you say so..." They sat together for a while to catch up, 2 hours later. Thulani walked in. Thulz: "siya eDwesi feth uyeza?" Lubb: "erhh....nah, you can go without me." Thulani walked out again. Demi: "oh my goodness!" She melted. Lubb: "child...." Demi: "that language sounds so rough and cute. I think I like him." Lubb: "demi I will smack you really hard if I have to tell you one more time to stay away from Thulani." Demi: "okay, I get it....I'm done." She showed him some of her work until she got tired and fell asleep...

The next morning.. I woke up and brushed my teeth. I cleaned up our room and went to help Sylvia clean the rest of the house. Nette was making a full french breakfast. Nette: "Lish'le pumpkin, come help me." I went to help her. Nette: "pass me the tomatoes. Chop these for now. Oh myy!! My mushrooms." Yoh idrama elapha. She held the pan in the air, I laughed and carried on chopping. Me: "ma, what does Demi

like doing? I want to take her out, just us girls..." Nette: "oh, you're such a sweetheart. Demi loves the beach. Parties. You know? Fun." Me: "I see.." Nette: "even shopping." Its as though she didn't want to talk about her. Nette: "pass me that bowl dear." I gave her the bowl. Ithin na lento. Aii, mandingay'ngeni. As we were almost done, I set the table. The food smelt heavenly. I placed the bowls on the table then went to call the kids. After their bath, they were still running around naked, playing. I dressed them. Chuma had on bright orange shorts and a white t shirt. With white All star sneakers. Junior wore denim shorts and blue t shirt with his All stars too. They went to eat while I checked on the babies. I bathed them and dressed them. Lutha was wearing all red. Shorts and t-shirt. Luhle had on a white little dress. I fed them. I need help. Me: "Lukhanyo!" I yelled. He came in their room. Luks: "babe." Me: "khathathe Lutha tu baby." He picked up his son and left with him. I cleaned up and took Luhle to the lounge. Me: "namhla, khand'jongele yena, ndifun yovasa." She took her and I went to shower. I wore a maxi dress and sandals. Tying my hair in a bun. It was hot. I went to fetch Luhle and found Demi playing with her. Jongi and Noma were in the bedroom getting ready. Jongi: "nomathamsanqa kath la body lotion pha." Noma: "kuthen ungay'celi! Hlel nje uya'demander apha! As though ndakusebenzela! Later that day the guys planned to go out. Luks: "nathi khe siz'khuphe kudala kuhanjwa." Lubb: "siyen phi?" Thulz: "kwa Oom Cola." Luks: "yoh, yamthand Gqalane Thulani." He walked to the lounge and waited for Luks and Thulz. Me: "you smell nice and british. Uyaphi?" Lubb: "thank you...boys night out." Me: "okay." Lukhanyo came out. He had on red shorts, and the same shoe as Lubabalo. And a white shirt. With a gold chain. Me: "you look smashing babe." Luks: "enkosi my love." He sat down and looked at Lubby. Lubb: "you look ratchet." Luks: "you like a confused pastor." They both laughed. Only until Thulani came out. Lubb: "fuck that, we're leaving him behind. Yuh." He wore bright blue shorts, a white t-shirt and blue suede shoes. Thulz: "mxm...masamben." They got up. Luks: "babes, I won't be late yeva." Me: "okay boo." He kissed me and went to his car. Lubb: "ngathathi Benz nje?" Luks: "yathand und'jongisa ngabantu lubabalo kodwa yayaz, andiz'thand iz'pili." Lubby gave him his keys to the SLS. He took the R8 and Thulani left with his. They went Oom Cola in Zwide first, it was a nice vibe. But seems like it was getting crowded. They walked in, Stuja was there. Luks: "ulapha kanti." Stuja: "ewe Ta luks." They sat with him and some others. Buying more alcohol. Phila, Khulile and Lunga were joining. Samkelo and his friends for a drink. They sat down by their table and chatted. Khulile didn't see Lubabalo and Lukhanyo. Neither did Lubabalo see him. Khusta: "uphi uLosta noSandile?" Phila: "tshomi yakho ke uLosta. Uzombuza kuthi nje ngok." Khusta: "yal'phendul nyaw kanene. Luks: "yeyi, yeka lentwana ndizoy'moera inye!" Phila: "andizoy'vuma ke lo piece. Mbongen emotwen wena." He gave Lwazi the keys to his car. Lukhanyo and Phila stared at each other for the longest time. Lubb: "its. About. To go. DOOOWN...." He stood back...he knew this was Luks' fight only today. No gangs.. Phila: "ndithe ASKIES...." He said calmly. Luks: "thunywa nguwe lantwana." Phila: "I don't send little boys to do men's work. I handle my business. Jonga sani andikwazi ne. Nawe awundazi. So let's just leave it at that." He turned and walked to his car. Khusta: "ekse Phila, yinton ngok sani?" Lukhanyo's mind clicked. The pictures on lihle's phone. Phila. HE was Phila! He walked toward him. Luks: "ekse!" Phila: "uzonyiswa ndim kengok! You make unnecessary enemies for yourself and I have to fight them off. Ndizok'moera unye Lwazi." He dropped him and locked him in the house driving off..

The next morning, Lonwabo took a shower and got dressed. Babsie woke up. Babsie: "aibo uyaph?" Losta: "uhm...work. Cela unxibe love." Babsie: "work?" Losta: "ewe Babsie, I have to go to work to pay for all this." He was wearing tight jeans and a blue shirt. His legs stood apart...ene brackets. Losta: "sweetheart, you had all night to stare at me. Come on, we have to go." She got up and got dressed. He took an apple and ate it while he paged the News24 on his iPad. She finished and took her bag. Losta: "okay, let's go." They walked to the car and he drove off. Losta: "ndik'dropper phi?" Babsie: "ndihlala eMotherwell." Losta: "cool." He went in by Truck in and drove to Motherwell. Frank Ocean was playing in the background. He was singing along to Pink Matter. Losta: "nu?" Babsie: "5...am I missing something?" Losta: "like?" Babsie: "like you acting different." Losta: "in what way?" Babsie: "lonwabo you know what I mean." Losta: "I really don't kanti." Babsie: "what happened between us last night..." Losta: "it was amazing right?" Babsie: "yeah....iphelele apho kuwe?" Losta: "yeah...why?" She kept quiet. He drove in to e5... Losta: "ndingena kwesiph istrato." Babsie: "ndirynt aphe stopin." He parked at the bus stop. She got out the car and he drove off. He went back to Blue Water Bay to Phila's place. He parked and went inside. Losta: "knock, knock." He sat on the couch. Phila came out, wearing a black tracksuit with no shirt. Phila: "sho awti." Losta: "iserious mos lento yakho ye-gym." Phila: "mxm." He had a tight body. Medium biceps and a 6 pack. He went to take a shower while Lonwabo checked his emails on the iPad. After Phila came out, he was wearing his faded jeans and a muscle top. Losta: "masiye Finezz ndoda." Phila: "ndifun qala pha kum endlin kqala. Uth Khusta umke nomnye umadam last night." Losta: "yeah...yeah." Phila: "and?" Losta: "and what? On to the next one tshi. They locked the house. Phila drove to his mother's house with Lwazi. He parked outside. Phila: "jonngapha Lwazi. And'fun qhelwa mna....siyavana?" Lwazi: "ewe bhuti." Phila: "I'm giving you le moto for the day. It parks right where it is ngo 8 tonight okanye ndok'dibanisa ne tar. Uyeva?" Lwazi: "ewe bhuti." Phila gave him the keys and card. Lwazi: "Enkosi grootman." They got out the car. Phila went to check on his mother. He made her tea and brought her pills while she sat in bed, he made breakfast and took it to her. His little sister was sweeping the lounge. Phila: "yakwaz notshayela kanti?" Busi: "ewe tshin bhuti." Phila: "ndizobuya late ke va. Press the 2 button on mama's phone xa kukho into oy'needayo. It'll call me directly." Busi nodded and he left with Lonwabo to Summerstrand.

Lukhanyo was laying in bed, looking edgy. Me: "you okay?" Luks: "ja." Me: "alright. We're going home ngomso babes ke va." Luks: "K." I was on facebook scrolling down my news feed. Phila just checked into Finezz Fusion cafe with Lonwabo. Mh...bro moment. Vuyo had just uploaded a picture of "last night" ...caption: "ebumnandini." I scrolled down and down. Nothing interesting really. Luks: "I'm taking the kids out to the beach today." He sounded down. Me: "utheni na lukhanyo?" Luks: "ngantoni?" Me: "you're acting weird. Ukhubekiswe nguban?" Luks: "no one." Me: "lukhanyo." Luks: "ndimbonile ke lo Phila wakho. Who the hell does he think he is? Ungena into engam'funiyo! How dare he." Me: "oh goodness lukhanyo. Uyawa lwe noPhila ngok! For ntoni!!" Luks: "khandilwe naye mna!" Me: "uk'bethile ke?" Luks: "excuse me?" He growled. Luks: "so ulindele ndibethwe?!" Me: "Lukhanyo. Yeka uPhila. Akakwenzanga nto mos." Luks: "I have a big problem with him sending you messages." Me: "it was one message!" Luks: "I don't care! Deleter lomntu ku facebook um'blocke." Me: "No." Luks: "heh?" Me: "und'vile. Ndithe N.O. I'm not your fuckin lapdog. if you feel threatened nguPhila, yimhemhe yakho leyo!" Luks: "so you gonn be chatting to iz'dala zakho kehok?" Me: "kushiyeke oyl thanks to you. And if you

kill this one, Lukhanyo. Uyoza'bona bonanje izpili." Luks: "is that a threat?" Me: "its a promise." I got up and went to get the kids ready. Tshin na Bawo uthen na Lukhanyo. Caba umntu wabantu akanophila for nton? Why is he so insecure. Uyaxoka yena ahambe ayobona iizdala zakhe and I'm not supposed to mind. I changed my password luckily. Makanga diki man. I bathed the boys and got them dressed. Then made them cereal. While they ate I walked to the bedroom. He was agitated. Luks: "ithin password yale phone!" I ignored him. I'm not about to fight over an ex fling. I don't even have feelings for. Shame if I at least had 9% of care, maybe we'd be arguing for real. Luks: "lihle ndiyathetha." Me: "the kids are ready." Luks: "le ndiy'thethayo awuy'khathalele yona." Me: "just let this Phila saga go. You acting like a dick right now, ngomntu ongak'khathalele ke phof." He grabbed my neck and held me against the wall. Luks: "what did you just say to me???" I couldn't answer, I was choking. Luks: "uthe ndiyintoni!?" Me: "I said... You're a dick." I struggled. He tightened his grip then let go. I slapped him. Und'qhel ntsente mos ngok. Luks: "you..... Yeses." He went to the bathroom. I sat on the bed and wondered what makes him so mad ngalomntu. Mos akenzanga nto..so kuthen kengok ezoba nomsindo? I can't ask Phila because zoba ngathi kwakhona ndine favorites but Lukhanyo isn't honest with me. Maybe Lubby? But naye these days akasa thethi ncam nam...aii...but I need to know what bothers him so much. Phila ndiyamaz he's not one that likes to fight but kdala when he actually Did fight, I don't remember him losing. Well, I only heard about 2 fights. That's it. But then again Lukhanyo ulwa nge ghani. 😊-_- ..and that don't count. He came back after his shower, I quickly got up to go check on the babies. He closed the door and locked it. I'm gonna cry this nigga out bonanje. Luks: "lihle..." Me: "no Lukhanyo! Don't even bother." Luks: "cela umamele." I kept quiet and blocked out everything he said after that because frankly I didn't care. He thinks he runs this world, ingaske naye loPhila ahambe abuyele Kapa. Uzothin apha! Luks: "yandiva?" Me: "you done?" Luks: "hehake lihle...look, I'm sorry okay. I just don't like him and I don't trust him." Me: "are we still on this Phila subject? Sizolwa ngoPhila ngok?" Luks: "asilwi njena love." Me: "you just choked me. For a guy I fucked years back. I don't even have feelings for him but you're going on like this. I don't freak out like this xa wena udibana noSibongile, I don't go around beating her." Luks: "mos he provoked me." Me: "why is it that EVERY person provokes you!!! WHYYYYY!!! Soze ak'provoke nje because he doesn't even know who you are! So uqalwe nguwe!" Luks: "you don't believe me?" Me: "no. I don't. There's something you're not telling me." Luks: "I don't wanna talk about this shit anymore." Me: "khasuke." I pushed him aside and left him in the room.....

Yep, he's definitely hiding something. And ndizom'vula ndimyeke. I went to the babies. I fed them both and bathed them. Then gave Luhle her medicine. Their father walked in. Luks: "sthandwa." Uthi nyandwa ngok le rubbish. Me: "ya?" Luks: "hay mntu wam celu xolo tshi." Me: "still usandifostela?" Luks: "I'm sorry Mrs Me." Me: "okay, nam xolo." Luks: "for what?" He took Lutha and sat him on his lap. Me: "for calling you irubbish." He put Lutha back when I lay Luhle in her cot. Luks: "you called me irubbish???" Hands on hips. Me: "undenz umsindo." He grabbed my waist and tickled my ribs. I wasn't amused at all. Me: "khayeke man lukhanyo. I'm tired of hearing you're sorry qho xa usenza ikaka. And I won't spend time away from you, uzocimba kukho into end'influenc'ayo. You're rude and abusive and I HATE that side of you." He was taken aback. Me: "yonk into nje funeke ihambe ngendlela yakho. Zisolwa kakhul ke bhuti because mna andizok'yeka. Uzond'betha ndik'bethe qha. Iphel ntwi bithethwa." Luks: "heee. Uzond'qhayisela ngalonto kengok." He pushed me then pulled me back into his arms, staring into my eyes. He wasn't smiling but his eyes were. Before he reached for a kiSs, Luhle sneezed and cried. I pushed him aside and took my daughter. He took Lutha and followed me. Luks: "Lubby!!" He yelled. Lubb: "hm!!?" Luks: "masamben fondin." Lubabalo came out a while later. They took the Range Rover. Luks: "Mrs Luks." I looked at him. Luks: "andaqhwatywa lubabalo. Kutshis'idlele fethu." Lubabalo laughed. Me: "xabesenze nton." He kissed my cheek. Luks: "sobuya emin ke bunny ne?" Me: "ok." He left with the kids and the babies with their bags.....

Thenjiwe woke up and checked her cellphone it just beeped a message. It read: "good morning beautiful. I hope you have no plans because I would like to take you out for breakfast. Please?". She smiled. At least he was Asking, unlike Sizwe who just demands. She got up and went to bath. She came back after a full 30 minutes and did her bed. Taking out her clothes. He sent another: "No? 😞:((" she smiled again then replied: "maybe." Then ironed. Jeff: "okay then." Thenjiwe got dressed and walked to the lounge where Nette was. Thenji: "where is Noma?" Nette: "she's in the bedroom with her husband..probably going to sleep in this morning. I wouldn't mind that, but Sebastian is at work. Who you looking fancy for?" Thenji: "no one." She smiled. Nette: "hmm...be careful of that charmer. There's something cocky about him. He may be what you don't need." Thenji: "meaning?" Nette: "you see for one, us girls we don't sleep with our cookies. We sleep and involve our hearts. He may be just wanting to play and you would get heart broken. So just be careful." Thenji: "I'm not planning on doing anything. We just talking and sharing company with each other.." Nette: "well good luck, there's your pretty doll standing at the door." Thenji turned and saw him, he waved and smiled. Sizwe just walked out the kitchen, looked at Jeff and carried on

walking to his bedroom. He was backing off. Jeff: "morning ladies." Nette: "hi sweet stuff.." She left them together. I walked in as they hugged. This made my stomach churn. Me: "molwen ma. Hi Uncle Jeff." Jeff: "hi sweety." I went straight to the kitchen. Jeff: "ready?" Thenji: "sure." He held her hand and walked her to the car, opening the door for her and letting her in. They drove off to St Georges park. Thenji: "what are we doing here?" Jeff: "we're having a picnic." They got out the car and walked to a quiet spot laying down a blanket and sat down. He made sure to sit next to her. Jeff: "you comfortable?" Thenji: "ewe..." He opened the basket and took out fruits. Yogurt. Cream. Thenji: "this is definitely not breakfast." Jeff: "uxolo sthandwa bendingafun uk'phathe qanda elitshileyo. I didn't know what to make. We'll just go somewhere after an hour or two. Bendifuna a quiet spot nawe qha." Thenji: "okay then." They ate strawberries. Dipped in cream. Jeff: "you have something on your...." He pointed to her lower lip. Then pulled her face closer to kiss her. Sucking the cream off. Her heart floated...his lips sweet and moist...mixed with the strawberry taste. They pulled back. Thenji: "jeffrey, andikho ready mna for lento uy'funayo." Jeff: "what's that?" Thenji: "sibadala Jeff. Come on." Jeff: "that doesn't mean asikwaz uzonwabisa thenji. Udenza happy mna...I don't wanna lie. I'm really comfortable with you. And if you don't want this, then sinoske siyeke ngok before we hurt each other." Thenji: "what's that supposed to mean?" Jeff: "are you sure wohlukene notata womntanakho?" Thenji: "yes I'm sure." Jeff: "I just don't want complications, angel." He kissed her cheek. Jeff: "you gonn cook me dinner right?" Thenji: "nin?" Jeff: "xa ufuna dear. I'll be waiting." He lay on her lay and ate his strawberry....

Phila: "sho bra." Khusta: "ndik'bekele cake encinci pha k'la room yos'bin wena." Phila: "I'm not hungry thanks." Lonwabo walked out the house. Stumbling. Losta: "nja yam estrong." Phila: "uvelaphi?" Losta: "I just got mouth raped. And I loved it. I aint NEVER pressing charges!" They laughed. Phila: "yeah. Yabona uLonwabo is just too much." Losta: "you take your s.f.a?" Phila: "nton leyo?" Losta poured him two shots of the Vodka, he drank and went to fetch another bottle. Khusta: "find me in the pool." Losta: "ushap?" Phila: "yeah..." Losta: "iya k'la room fethu. You'll enjoy. I promise." He took out a two plastic squares out of his pocket and put it in Phila's hand. Losta: "everytime." Phila: "sho ntwana." He walked to the room... Lonwabo went to fix himself food in the kitchen, he dished the Nando's chicken with rolls then left to go fetch something to drink. He came back and his piece was gone. There was only one girl in the kitchen. Losta: "where's my chicken?" She: "buy'bekeph dan wena?" His expression changed. Losta: "he'wethu sisi. Ndifun nyamam mna, kanye ulighte esa stove uy'pheke bay'veli." She: "jonga bhuti andiyo security mna ndibe ndijongene nenyama!" Losta: "so ikhule amadzedze yaz'hambela?" She: "I don't know, maybe kungene umntu way'thatha." Losta: "hay mann sund'bhanxa!!!" She: "fondin. I. AM. Not. The. One. That took-!" Losta: "Girl, I don't care, if you was The Two! I'm gonn curse YOU out because nguwe bume apha!" Lubabalo walked in chewing a piece of kitchen. Lubb: "ayimand le nyama. It taste heavenly, bukhe way'taster Losta?" Losta: "mos lubabalo yinyamam le." Lubb: "is it? Ndiy'bone on the counter looking all lonely nje." Losta: "lady, ndicelu xolo ngobu krwada. Ithe kanti ithathwe yile tommy yam." Lubb: "oh, phof kutsho yena ba mandiy'thathe." Losta: "sorry about that." She: "mxm. Uphethwe bubukrwada qha awuz'kwaz." She walked off. He went to sit with the guys and waited for Lubby.....

Lukhanyo had fallen asleep on the floor of the game room. Chuma lay next to him. Junior lay peacefully on Luks' back. It was a very cute picture. I collected their plates and put them in the kitchen. I took Chuma first and lay him in bed. Then went back for Junior. I woke Lukhanyo up. He was cute when he was tired. Almost like the first time I woke up next to him. He was a real beauty. Me: "baby, you can't sleep on the floor. Wake up." He got up and walked to bed. I picked Lutha up from his side and he undressed, climbing in. Luks: "m'sapha." He took his som and lay him on his chest. For the first time luthando wasn't all excited and jumpy. He lay there sweetly. Noba yam'va tata udiniwe today. Lutha had his daddy's big finger in his hand, sucking his gum on it. Luhle was asleep because of her medicine. She was getting better and more energetic. Which frustrated me at times because Lutha's excitement all day err'day

was just enough. But at least I had their father who sacrifices a lot to be with them. I lay next to them and paged through my phone. Facebook was such a bore when everybody wrote the same status message. Ufunde into kay20. Phila posted a pic...it was him and Luk-.....wait no. That's Lubabalo. Lubabalo?? They're friends? Thiza waphambana Lukhanyo uy'bona kwakhe le. I carried on scrolling eventually getting sleepy. I locked the phone and put it away. Holding my daughter as I slept.....

I don't know what time it is, my phone beeped a message, lukhanyo was fast asleep. I checked the time. It was 02:13am then the message. Phila on facebook: "sorry to disturb lihle, but there's been a bit of an accident. Lubabalo use sbhedlele and I didn't know who else to inform, please tell your husband sise St Georges." I scratched my head. The phone vibrated again. I answered: "hello?" It was Lubabalo. Lubb: "hey...". He groaned. I could hear the background was beeps and stuffs. Me: "kuthwa you were in an accident." Lubb: "uxelelwe nguban?? Give Lukhanyo the phone." I woke Lukhanyo up, he turned his head to the other side and carried on sleeping. Me: "baby! Khavuke tu.." Luks: "hm.mh..." He mumbled. Me: "lukhanyo!!" He opened his eyes. Luks: "what? Uthetha naban k'lo phone?" I wanted to laugh. Me: "ina nantsi phone." He took it. Luks: "mh?" Lubb: "heyyy lukhaa." Luks: "yes?" Lubb: "phone yakho ayiphendulwa. I been tryna call and-" he screamed. Lukhanyo instantly woke up. The phone cut dead. Me: "St Georges hospital. Now." I took Lutha and he got dressed quickly and rushed out. At least he can still use a phone. Lukhanyo went to St Georges hospital and went in. Seeing Lonwabo, he was wearing a white coat and had a stethoscope around his neck. Lukhanyo thought he was fooling around. Losta: "he's this way." Luks: "why are you....." Lonwabo smiled and walked to another room. Where Lubabalo was being tested. Luks: "What the hell happened!" Losta: "bhuti ndicela ungangxoli ke k'le environment we try to keep the stress levels low to our patients aba'need uva iz'thuko." Luks: "what did you do to my brother?!" Phila stood there keeping quiet, he didn't want to talk because he knew Lukhanyo would automatically THINK he was challenging him. Lubb: "lukhanyo, we were fucking around, I fell and hit my head. Nothin major. Ndiye nda fainteRrrrr!" He laughed uncontrollably.. Losta: "you had a concussion lubabalo, that is not a joke. You could have bled to death or even worse ubene brain damage. I told you to get off that slide!" Lubb: "I hate when you're serious. You become reallly boring shame. Ndiryt mos ngok." Losta: "kwi records zakho they say you had an accident a few months back wayolala ICU. You could have rekindled those injuries. I feel like hitting you really hard." Lubb: "My God, Lonwabo will you stop! I feel fine." Losta: "please take him home." Lubb: "hayi tshi, and then you'll carry on without me!?" Losta: "und'pheleliswe ngumdla man, I'm going home mna ngok. Ndiyolanda umami kqala

andithuzuzele." Lubb got up. Losta: "phila uzobuyela?" Phila: "nah..." They walked out, Lonwabo took off his badge and placed his things at an office. Lubb: "uyinton apha?" Losta: "uyal'buza ikretse elibomvu Lubabalo. I'm a doctor." Lubb: "yeah, but not for here. AND you not on duty." Losta: "I come in, when they need me, genius. Cela u-sign-e apha." He signed. Losta: "I'll take care of the bill." Luks: "I will take care of the bill." Losta: "its no big deal..trust." Luks: "ndizoy'bathala." Losta: "ookay." Phila: "fethu, ndiyak'shiya ne...ube ryt uyeke utakataka qith. I'll check you tomorrow." Lubb: "sho." He left. Losta: "masiyen ngapha." Lubb: "sok'landela ngok." Lonwabo walked out. Lubb: "please don't blow off the ceiling." Luks: "I am GOING to blow off the fucking ceiling!" Lubb: "oh no...." He moaned. Luks: "ubu cinga ntoni!! What kind of friends are these, nenza nton dan ude uyobhetheka nge ntloko?" Lubb: "if they didn't care about me, Lonwabo wouldn't have been here taking care of me. Phila ngeyekele ku Losta. But they're Here! AND abandithuki because they know it was a mistake!" Luks: "fondin, andik'thuki! I care about you. Of course ndizobano msindo!" Lubb: "but I'm fine! STOP fussing. Damn, nzoske ndibuyele eSummers mna, to people that are less aggressive." He regretted it the moment he said it. Lubb: "I'm sorry tha-" Luks: "nahh....its fine." He walked out to settle the payment. Luks: "uye ke Summers. To those people." Lukhanyo drove home and went in. Me: "is he okay?" Luks: "did you finish packing our things? Sihamba kwa ksasa ngomso, I want us to take a little trip."

Chapter 360

Me: "baby." Luks: "yes?" For one, I know that they won't get along all the time. They need time apart every now and again. I can tell something happened by Lukhanyo's reaction to wanting to leave immediately.. Me: "kwenzeke nton?" Luks: "its those friends. Oy'1 wabo nguGqira, like I don't understand! WHEN is he at work when he has time to run around with Lubby." Me: "its december, people take leave lukhanyo." Luks: "oh. But still. I don't feel comfortable ngabo." Me: "they intimidate you?" He kept quiet. Me: "babes, they're no harm if Lubabalo enjoys their company uyamaz mos he's a good judge of character uy'bona into kuse early." Luks: "I don't fit k'la group and I get that... But xa edibene nabo.....its like he turns into one of them.." Me: "he is. One of "them" boo, we have different choices, preferences and personalities. Lubabalo and you are very different noba nifana kangakanani na nide nibhide ipolisa nge license zenu. You two are not one person. Which is why I'm in love with you and

Liya is in love with her Lubby. Of course he's gonna have friends wakhula nazo, nawe you have ooStuja and them. Don't you think Lubabalo feels detached kubo? But uyahlala nabo because it means a lot to you ba nivane. Njeng'ba he changes when he's with friends, iyam'khubekisa into yakho yongaba'thand, maybe that's why he's drifting away." Luks: "but kukho laPhila k'la group! I just can't." Me: "you're fine with Thulani njena." Luks: "yeah...Thulani never slept with you. He doesn't know how you feel. Its gonna be awkward maan. And I don't want him thinking he's welcome in my house." Me: "you don't trust him?" Luks: "lihle mntu wam. Men are animals. Sizi zinjan nyan. Umntu uyotshomana nawe angam'jongi nalo mfaz wakho angam'khathalele tu. But if the opportunity arises he won't think twice of fucking her. And after that sucimba uzoba nento ay'feelayo. Hayi babes, its gonn be the same to him. Ibengu mfaz ke ngok lo usis'denge." Me: "so awundi thembi in other words." Luks: "noba inokwenzeka my love, mna ndiyoy dubula entsuleni ikaka. Ife inye ndibuye ndizolala ecamko mfaz wam ebhedin. Akazokwenza mntu wam isbhanxa sakhe alok, if he fucks you, he fucks us. And he better help paying our bills and cleaning our house. Akhonto i-free emhlabeni." I was laughing with tears in my eyes. Ei sometimes he's just so amazing yaz. Luks: "yuuh ndadlala baby, for real I would shoot someone in seconds ndive nje ba ubum'dunusele. Akhonto inond'phambanisa njengaleyo. He can do any other, but do not bend over. Fuck it ndinga'qhekeza kutake ubuchopho va." Me: "this is never going to happen. Because I won't do it." Luks: "mna noba ndinga tshiswa nge oil." Me: "Divorce, no lie. I'm not bout that another chance bullshit." Luks: "undithanda kangaka...." Me: "ne?" Luks: "khazapha my hun.." I slept on top of him. Luks: "we won't have to go through all this. Ndiyak'thanda mfaz wam... I'll drop one tear for you in the ocean. And until you find it, I'll always love you."...ncooooh. Me: "you so sweet... I love you too booboo."

Jongi woke up the next day, Noma still fast asleep. He smiled and took his handkerchief, positioning it in a pointy fold and tickled her nose. She exhaled and turned around. He tickled her ear, she brushed it off, as she yawned he stuck the rest of the handkerchief in her mouth, she goggled and woke up. Noma:"uthen na wena!" Jongi: "ndilambile!" Noma: "ikhitshi likhona! Full of food!" Jongi: "awuzondenzelaa? Kanti nditshatele nton?" Noma: "urrgg!!" She got up and wore her gown to make him food. She came back with his toast, egg and sausages, some cucumber and lettuce with sliced tomatoes. And tea. She gave him the tray and sat with him. Jongi: "undijonga nton?" Noma: "ulilanga?" Jongi: "ndokubetha ngok kuk'sasa ke mna." Noma: "wena naba?" Jongi: "heh." He carried on eating. Noma: "why singakwaz uba happy like izolo ebusuku all the time." Jongi: "kwenzeke nton izolo ebusuku." He chowed his sausage. Noma: "mxm..." She lay on the bed, her back facing him. After he finished eating, he

drank his tea. He lay behind her and kissed her back. Noma: "usuke." Jongi: "yaz'bona yand'phoxa. Mxm." He got up to bath. She went to him in the bathroom after some time. Jongi: "yabanda ke lomoya ungenapho." Noma: "khazam uz'bamba kube kanye man." She brushed her teeth. He got out the bath and stared at her. After Noma rinsed her mouth. Noma: "und'jonge nton?" Jongi: "lo sgumfemfe wempundu undijongileyo nam." Noma: "om'bawelayo." Jongi: "kushushu for iz'bilisa wethu, khabekele." He pushed her aside slightly. She walked out the bathroom to go fetch his tray and took it to the kitchen.

Thulani had snuck in last night in Namhla's room when everybody had gone to sleep, they woke up late. Namhla: "baby!" She whispered. Thulz: "eish, sorry mntu wam. But everybody still asleep though. One more for the morning?" Namhla: "what if my mom walks in." Thulz: "we'll be quick, nditixile emnyango or at least I think so." He kissed her neck, squeezing her breasts. Entering her slowly...thulz: "ungangxoli ke baby, we need to be extra quiet now." Namhla: "easy for you to say." Thulz: "its not sthandwa sam, trust me." Her body was heating with pleasure each time he pushed in and pulled out. She couldn't help it...she had no control of the emotions inside her. Heartbeat increased. They kissed passionately while they made love. He felt extreme pleasure and groaned against her mouth...he moved faster. His body getting weaker but movements went faster. The bed made a little noise. Namhla: "baby?..." She moaned. Thulz: "I'm almost done..." Namhla: "ohh yeess!!!" Thulz: "shh...." He breathed. He moved harder, opening her legs. He grabbed onto the sheets. His whole body was shaking in anticipation for his climax. She held onto his body, shaking. He thrust in deep and held it for a long time.....then released. His soul relaxed immediately. Thulz: "that felt so fucking good babes." Namhla: "I know exactly what you mean." He kissed her. Then there was a knock on the door. "Namhla!" It was her dad.....

Chapter 361

Thulz: "fuck!" He whispered. Namhla: "ngena bathroom!" She hissed. Jongi: "namhla khavule lomnyango man." Thulani grabbed his clothes, opening the big window he jumped out, luckily they were on the bottom floor. He dressed outside and closed the window. Namhla wore her gown and opened the door for her dad. Jongi: "tshin! Usalele?" He walked and sat on he bed looking at it suspiciously. Jongi went straight to the bathroom. He came back out. Jongi: "uph uThumkani?" Namhla: "andimazi ta.

Bucimba uleli apha? Akasoze alok." Jongi: "moto yakhe kodwa iphandle." Namhla: "kodwa akeka ngen apha eroomin Yam. Oko etixiwe umnyango kwayizolo." Jongi: "oh." Noma: "buzothin ke tata?" Thulani was standing with Lukhanyo in the kitchen. Thulz: "so uyaphi?" Luks: "I don't know...just driving out of town, maybe siye Jeffrey's Bay." Thulz: "cool. Umxelel Lubby?" Luks: "I don't have to report to him." Lubb: "niyawa lwile." Luks: "I didn't do anything wrong." Thulz: "but you're mad at him." Luks: "I just want a few days out with my family qha..damn." He drank his tea. Thulz: "ndizom'xelela." Luks: "whatever bro." Lukhanyo went to pack his things in his car. Luks: "can I take Junior with?" Thulz: "mamakhe befuna aye kuye today." Luks: "mxm. Mxelele ba akekho. Zoyohlala nomntana eCentral angabi nanto kwenza." Thulz: "eish." Luks: "xa ethetha ikaka uth zand'fownele." He buckled up the babies. Lutha making weird sounds. Playing with his feet. Luhle leaned over to his side trying to grab but she was too far, she started crying. Lukhanyo came to fetch her. Luks: "kuzofunek uqhube ke baby. And'fun akhale lo." Me: "mnike dummy baby." Luks: "ufuna udlala noLuthando." Me: "myeke. Uyam'fekethisa qith wena uLuhle." Luks: "like you do Luthando, taking him to salon's and stuff. Menzi moffie umntanam." Me: "beka phantsi umntana lukhanyo uzoqhuba lemoto." Chumani and Junior were at the back of the back seat. Since its a 7 seater. Luks: "everybody settled?" Me: "khame ndisaya kumama." I went to my mum. Who was in her room. "Jeff" was on his way so she told us to leave her behind. 😊_- me: "siyahamba ke mama." Ma: "nihambe kakhle mntanam. Call me ufika kwenu." Me: "okay mama." I went to Sizwe who was sitting with Jongizembe and Thulani. Me: "tata, ndizonixelela ba siyahamba ngok thina." Sizwe: "give daddy a kiss." I went to kiss him and hugged malume. Me: "bye thulani." Thulz: "sure mtshana." I went to the car and we drove off to Jeffrey's Bay.....

Lubabalo had slept over at Lonwabo's place. He woke up and walked to the lounge where Losta was on his laptop. Lubb: "ekse." Losta: "morning." He groaned. Lubb: "I hate it when you're in a bad mood. You're ugly." Losta: "thank you." Lubb: "you sick?" Losta: "no." He shut down the laptop. Lubb: "hungry?" Lubby walked to the kitchen to make breakfast. Losta: "kind of." He was staring into space. He didn't know what was wrong with himself. He just wasn't feeling well. But not sick. Lubabalo came with food and lay it in front of Lonwabo. Lubb: "hey!" Losta: "what?" Lubb: "utheni?" Losta: "this girl isn't answering my calls. Like andiyaz ngoba." Lubb: "which girl?" Losta: "uBabsie!" Lubb: "uthen dan kuye?" Losta: "I just wanted a shag...andiyaz why is she acting stubborn like she don't want me." Lubb: "lonwabo you have more than

He grabbed Lubabalo's phone and dialed Babsie's number. Losta: "shhh man Lubby!" Lubb: "I didn't say anything." The phone rang, she picked up. Babsie: "hello?" Losta: "hey, please don't hang up on me." Babsie: "who's this?" Losta: " ndim uLosta, I just wante-" she hung up. Losta: "arrrrrggghh!!!!" He screamed. Lubb: "I think its safe to say you caught feelings. Losta: "I didn't catch feelings. She's just being difficult. Selfish thing. Let me call Anelisa instead." Lubabalo laughed. Lubb: "maybe if you take a chill on the girls for a while..." Losta: "ja ne?" He sighed. Losta: "I'm taking my daughter out for the day. Ndam'khumbula mntanam man.." Lubb: "doesn't she remind you of....." Losta: "each and every time. But ke, we past that. Heeee, what we doing on New Year's Eve?" Lubb: "I don't know, let's fly to Durban." Losta: "okay cool. Phila was at his mothers' place, he slept in his old room, he went to bath then made breakfast. He checked his phone, only work emails. He checked the and replied to those important. He received a call. "Phila speaking." Caller: "hello Mr. Phila Somele. This is Rebecca speaking. You submitted your CV with our company 2 weeks back and we would like to call you for an interview." Phila: "when?" Caller: "if you'd be available in the next 2 hours I would appreciate sir." Phila: "okay, I'll be there." Caller: "thank you." He hung up. He got dressed and informed his mother. Phila: "ndizobuya as soon as possible mama." Ma: "okay mntanam. Uhambe kakuhle." Phila: "thanks ma." He kissed her and left.

Meanwhile....

Thulz: "molo timer." Sizwe: "molo." Jeff: "niyaphila?" Thulz: "I'm ayt." Sizwe got up and walked to his room bumping into Thenjiwe but passed her without saying a word. She went to the lounge. Lubabalo arrived. Lubb: "molweni." Thulz: "supp bro, izapha ndik'fakel jive." They walked out the back yard where Lulu was jumping about. Lubb: "ja?" Chapter 362

It was mid-afternoon. Around 3. Lubabalo was freaking out. Lubb: "kuthen zii-off phone zabo kengok!" Thulz: "lubabalo you're stressing me, khabayeke man, they'll get back to us when they settled okay?" Lubb: "I'm already stressing. Lukhanyo is mad. He can't be driving around with kids ene temper." Thulz: "mxm. S'rhama bonanje lubabalo." Demi walked in the front. Lubb: "where the fuck have you been!!!" Demi: "oh please Don't. I was at a yacht party." Lubb: "for 3 days!?" Demi: "it was 2 days. Lubb: "who gave her permission to go to a freaken boat party!" Thulz: "calm the fuck down. You're not her parent." Lubby sat down and calmed. Lubb: "khona man into erongo ngalamntana! There must be something or someone behind all this recklessness. And I will find him." He swore.....

We had arrived at Jeffrey's and booked into a Lodge. Luks: "two rooms?" Me:"NO! 1..we can't let the kids sleep alone." Luks: "they'll take care of each other." Me: "no lukhanyo." He rolled his eyes. We took our key and went to our room. It was big. And had enough space for all of us.. There was a lounge, a kitchen and 2 bedrooms. The boys chose theirs and ran to it with their toys. Me: "ndisayo tshintsha aba, get us something to eat please babes." Luks: "okay, ndibawel fish ke mna." Me: "get me shrimp or prawns." Luks: "hehake. Okay." He left me with the kids and babies. I changed them and sat them in the lounge. Daddy came back a while later and dished up. We ate our early dinner and sat in the lounge. I lay a blanket on the floor and placed Luthandoluhle there. Finally they get to play together. Chumani and Junior playing with action figures and army cars. Lukhanyo and I cuddled on the couch. Luks: "andonwabe baby. Kutsho kwaphola ingqondo." Me: "nyan love? At least ke Thulani, umxelele sihambe kakhle. Junior is his son he must be worried sick." Lukhanyo switched on his phone. He sent Thulz a text: "safely arrived at Jeffrey's." He replied: "okay fethu." Me: "see? That wasn't so hard. Khona usaqumbele uLubby? Hay man baby khayek uba selfish." Luks: "me? Selfish?!" Me: "babes, you know zifriends zakhe ez'ya. His phone rang. It was Lubby. He answered. Luks: "hello?" Lubb: "and you

Luks: "oh bethuna amaqokobhe ka tata."

Phila was with Lonwabo and his daughter at his place. Losta: "phariza ka tata." Phila: "yakhula mntanakho fethu, she's already 2." Losta: "yeah, that's daddy's angel. Come here baby." She went to him and he picked her up. Losta: "yamthand tatakho?" She nodded. Losta: "say I love you daddy..." She: "luvi deddii..." Losta: "okay I'll take that too. Kiss me?" She pouted. Losta: "phuza tatakho." She kissed him and giggled. She: "tata!" She screamed. Losta: "ewe mntanam ndim lo." She started mumbling things he couldn't hear. Losta: "yes my love. Nanku tanci wakho." She: "itati." Losta: "ja! Itati yakho nantsi." She looked at Phila shyly. Phila: "you are so cute." Losta: "khand'jongele yena, I want to make a call quick." Phila: "no...I'm bad with babies, they don't like me." Losta: "nonsense. Liyema is a sweet. Come on." Phila: "kuthen uthi Liyema kodwa her name is Tia." Losta: "mamakhe uLiyema." Phila: "oh yeah..." Lonwabo never spoke about his baby mama. Ever. It was a subject off limits. Phila took the toddler from Losta while he went to his study. Phila: "I don't even know ba ndik'thini mna. Just don't cry for me okay?" She nodded. They went to sit down. She: "ibhek..." Phila: "i-bag?" She: "juice yam." He took her bag and looked for juice, pouring it into her juice cup and closing it for her. Phila: "nantsi juice yakho ke nontombi." He switched on the tv and watched. Lonwabo came back. Losta: "see? Its not rocket science. Come angel...let's go back to granny." She: "no!" Phila: "oh, oh...." Losta: "okay, sweet pea, we have to go back to makhulu." She shook her head. Phila: "mntana ufun hlala nodaddy wakhe." Lonwabo called his mum to tell her they weren't coming back. Phila's phone rang. Him: "yes?" Caller: "bhuti....umama." Phila: "uthen umama busi?" He got up, taking his keys. Busi: "akafun vuka." She cried. Phila ran out the house...

Chapter 363

Lonwabo hung up his phone, running after Phila. Losta: "what's going on?" Phila: "olady sani." Losta: "ndizak'landela." Phila drove off. While lonwabo took Tia's bag and put her in her car seat. He locked his house and drove after Phila. They arrived at Phila's mom's house. He took Tia in and placed her on the couch. Losta: "hlalapha ndiyeza va." She nodded. He walked to the bedroom and assessed the old woman. Phila: "what's wrong?" Losta: "pulse ikhona. But its really faint, funek sim'se sbhedlele Now." They carried her out to Phila's car. He left first, Lonwabo took Busi and Tia with him. They went to Greenacres hospital and she was admitted. Losta: "I'll be back just now." He went in, leaving Phila with the kids. Lonwabo worked into the room she was put in. The doctor in charge knew him. Doc: "Dr Dabi." Losta: "yeah, can I take over?" Doc: "no, lonwabo. We don't have time for this." Losta: "I am more experienced." Doc: "we do not have time." Losta: "okay, Just stabilize her." Doc: "that's what I'm tryna do." Lonwabo prayed. He didn't want to lose Phila's mother. Doc: "please wait outside fethu, and let me finish this." Lonwabo walked out. Phila: "how is she?" Losta: "they doing all they can mpintsham. We just gotta stay strong." Phila: "ndizay'bulala inye lantwana lonwabo! Where the fuck was he!!!" He growled. Losta: "phila please, you're scaring the kids. Phila: "mxm." Losta: "they won't let me take her. I'll make sure they do good tshomam." Phila: "just being here means a lot ntwana." Losta: "anytime boy." They sat together in the waiting room. In silence. Everybody was in their own thoughts. Lonwabo tried his best not to think...he remembered the last time he sat in this chair. When his ex girlfriend was involved in tragic car accident, he had waited for hours and hours....and she didn't make it. He wiped a tear and smiled. He had a reminder of her though, their daughter. Even though they had their differences and weren't happy together, she left him for another guy. But he still loved her you can't wipe 8 years of feelings away, even after she died he left the pain. By now the tears just rolled down his face. He couldn't bear these type of thoughts. Phila: "askies sani...I'm really sorry." Losta: "no. Its fine." Phila: "you know she doesn't deserve these tears after all she put you through. Ewe, she didn't deserve to die like that. You have got to move on, bro." Losta: "No phila. I don't want to talk about this right now." He swallowed. He needed something to do...to keep him busy. The other doctor walked to them. Doc: "Dabi, can we talk for a second?" Lonwabo got up and walked to him. Losta: "what's wrong?" Doc: "she's not responding. Her pulse is slowly fading." Losta: "sign me in." Doc: "no! Just get him ready to for the worst, ayikho esinoyenza after this." Lonwabo walked straight to the room.....

It was a nice sunny day. We got ready to go the beach. Lutha was beyond excited as if he knew. Me: "baby, we're ready." Luks: "ndiyeza, let me just....." Me: "what's

wrong?" Luks: "nothing." He came out the bedroom wearing his black swim shorts and white vest. I wore blue shorts and a white vest. Luhle had on a pink top no tights, just her nappy. Lutha wore his white shorts with a T-shirt. I dressed Chuma and Junior in identical red and black swim shorts. Lukhanyo picked Lutha up, I took Luhle and we left our little apartment. Chuma and Junior held the bags. We got to the beach and found a shade, where we put down our blanket and sat down. Luks: "take the kids for a swim babe." Me: "ei kodwa.." Luks: "khahambe man...you've been sitting all the time, go have fun.". I got up and took the boys to the beach with their soccer ball. I played with them by the shore kicking the ball. Chuma was laughing and running, andiyaz ke why he was laughing. But shame he was having a great time. Chuma: "mamaa!!" He screamed. Me: "chumaa!!" He giggled again. Me: "Juniorr!" He kicked the ball and it flew and hit someone. Oops. The guy picked up the ball and held it under his Arm then continued chatting with his friends. This was not even funny, because the kids wanted to play. I walked over to him. Me: "xolo wethu bhuti." He looked at me. No smile niks. Me: "sorry to interrupt. But sicela bola yethu." Him: "le ind'bethe nqentsu?" I almost laughed. Me: "I'm sorry. Khandiy'qonde izok'betha..it was a mistake." Him: "oh?" Dude just give it back. Me: "so can I have it back?" Him: "khand'ph number yakho kqala.." Me: "I'm married." Him: "suxoka." I showed him my hand. Me: "nankuya mnyen wam. These are our kids." Lukhanyo sat still, staring at us with a "I'll fuck you up" look. He handed the ball just then. Him: "sorry." I took it and went back to play with the boys. After a while I took them to go buy food then we walked back to Lukhanyo and the babies. Lutha was asleep on his chest. Luhle lay next to him. Me: "lo be-excited kangaka selele?" Luks: "uyamaz nje, yay'thand ishow." The boys sat down to eat. Me: "nice place....I like it." Luks: "ebesthin lowa?" Me: "omphi?" Luks: "that guy standing over there." Me: "oh, befun' number." Luks: "ye ambulance?" I laughed.. Luks: "ndiyabuza." Me: "no babe, number yam man." Luks: "awamnika for nton? Number yethu?" Me: "athethe nawe ne?" Luks: "well, Duh." I knew he didn't mean it, if I gave the nigga my number. He would've blown his existence right off this planet. Luks: "let's go do something crazy as a family." Me: "I'm afraid ngalo crazy wakho." Luks: "okay, mas'qale nge charity, then we'll go have fun later on." Me: "charity?" He got up and packed our things. We went to put the bags in the car. And we walked to Kfc. He bought 10 streetwise 2's. Luks: "bamba." The boys held 2 plastics each.. He took 2 plastics of cooldrinks and we walked out. Luks: "okay. Chuma, kupha box ey1, unika utata lo hleli pha." Chuma put down the plastics and followed his dad's order. The man was surprised and thanked him. Luks: "let's march boys." They seemed to be having fun. Sweet.....

Lubabalo just got out the shower. He called his fiance. Lubb: "kodwa mna baby ndiyak'khumbula." Liya: "I miss you too honey." Lubb: "but you don't say njena." Liya: "oko wawuye kwi strip show alok ndicimba waginywa pha." Lubabalo laughed. Lubb: "hehake baby, ndingade ndiginywe. What you doing today? Can I come see you?" Liya: "I'm always tired baby. But iza cuz nam ndiyak'khumbula." Lubb: "when can we go to the doctor again. I'll book Lonwabo for us. To check the gender." Liya: "isn't it too early boo? I'm only a month pregnant." She whispered. Lubb: "okay sthandwa, unjan mamakho?" Liya: "she's quiet. Akathethi nam. My dad has gone to Transkei ku makhulu so ndithetha noIviwe qha aphe ndlin." Lubb: "oh....I'm sorry my love. Liya: "okay ke boo." He hung up. Wearing his khakhi pants, rolling them at his ankle. He had on a white plain t shirt. Demi walked in. Lubb: "you really should learn how to knock." Demi: "nobody in our family ever knocks. Morning, where you off to? Can I come with?" Lubb: "I'm going out with my fiance, I miss her, so No." Demi: "come on, I really wanna meet her." Lubb: "not today, pumpkin." Demi: "I'm gonna keep bugging you." Lubb: "dude I only have 2 seater cars. WHERE are you gonna sit?" Demi: "we'll use mom's Jaguar. Please?" Lubb: "I'm not driving that silly excuse of a car." Demi: "you used to love that car." Lubb: "and I still do." He took his keys, phone and wallet. Lubb: "bye." Demi: "don't you love me anymore?" Lubb: "nahh..." He laughed. She giggled and went to her room, to make a phone call...

Chapter 364

On Lonwabo's way. His phone beeped a message. He checked it. It was Babsie: "Hey I know I've been avoiding you lately...but I didn't expect that brutal honesty from the other day. Can we meet up? And talk?" Lonwabo switched off the phone, he didn't have time for this right now. Bitches can Wait. He had more important things to worry about. He went to sign in and take a coat with his medical things and introduced himself to the staff on duty. He went in the woman's room to work on her trying to get her to respond. The heartbeat was fading.....fast. Lonwabo started sweating. He tried a different angle and prayed it worked. His hands was shaking. Until the machine beeped once..... Losta: "hand the machine to me." She was going

into cardiac arrest. Meaning her blood circulation prevented oxygen to go through her body. They gave him the two plugs and they tried to resuscitate her. He gave it a second try. Still nothing. Nurse: "I think we're losing her." He tried the last time and waited....he could almost feel his heart beat through his clothes. The trails jumped on the machine. Losta: "I don't lose." He looked at her. Losta: "never." Nurse: "okay, this is the first." Losta: "can I have a moment?" They let him finish his work. At least she was alive and well, just still unconscious. He walked out the room where the nurse and other doctors were waiting. Doc: "my office Dr Dabi! Now." Their head was present, lonwabo followed him to the office at the end. They walked in and closed the door. Losta: "Dr. Williams I can explain." Doc: "No. No you cannot! You bent, twisted and broke the rules! You know you are not allowed to perform without signing in. Or informing. She could've Died! Then we would've been sued! It is Not excusable what you did lonwabo!" Losta: "but she's fine, I couldn't just let her die." Doc: "you're too close to her. You know the rules! you can't just walk in, and do as you please. Actions will be taken. Your license could be suspended or even taken from you." Losta: "I'm sorry." Doc: "what you did was awfully courageous of you and I'm proud." Lonwabo looked at him, shocked. Doc: "I didn't think you had it in you. You should study further for Surgery. You really have the passion." Losta: "all I did was any doctor would have done." Doc: "and you saved a life. Thank you." They shook hands. Doc: "just try and do it the right way next time please." Losta: "I will. Thank you sir." He got up and left.

Lubabalo and Liya just drove around. Lubb: "where do you wanna go?" Liya: "zonke indaw zigcwele love ngabantu." Lubb: "including my house. If siye pha mama, demi, and everyone is gonn want a piece of you. Ndingafumani mna." He pouted. She kissed him. Liya: "or.....we could buy goodies and go to a cozy little BnB." Lubb: "mhh.....lovely idea." Liya: "great, mama is out till New Years eve..." Lubb: "wow, so I get you for 2 days.....nice. Masiyo zimela." They went to Spar and bought food and snacks. Lubb: "I need extra babe, yohh...ndiyalamba va." Liya: "nyan?" Lubb: "I have all your symptoms babe. Andaz njan." Liya: "thank God." They paid and left for a small little guest house. Liya: "this is lovely." Lubabalo booked and they went in to their room. Lubb: "ayisa bandi!" Liya: "I know..." She closed the curtains and undressed. Lubb: "yuh, when last did I sEe and enjoy my babe.." Liya: "well this babe.....has been missing you." She sat him down, unzipping his pants. Sucking him in. He groaned out loud. She licked him faster and sucked. Lubb: "baby.....hold up." Liya: "what's wrong?" Lubb: "now you best understand. Kudala ndi turned on. Its gonna cum quicker than planned. Its been a while." She held him inside her mouth, carrying on. He moaned her name. She got up and sat on top of him guiding him it in,

pushing him on the bed roughly. He was surprised at this new feisty movement but he loved it. She bounced on him. Enjoying him for herself. The faster she went, the wetter. Lubb: "baby.....I hate to burst your bubble. But I'm about to cum." She carried on. Then lay on him, moving only her ass. He breathed quicker and held her down. He released everything. Lubb: "ha.a man Liya, you gonn raise my blood pressure." She carried on kissing him passionately. He was really shocked that she was the one pursuing. And he didn't decline. She got up and turned around. Facing the other way. She inserted him in again. Moving up and down. Lubb: "oh gaaaadd....that azz!!!" He cried in pleasure. He was drooling and dizzy....she kept going until she felt her orgasm coming. Liya: "Yess!!!....oh yes..." She moaned....she went faster. Releasing herself on top of him. Her body stiffened. She got up and lay next to him. Lubb: "this new energy? I love it to the max. Fuck baby. You caught me off guard." Liya: "you like?" Lubb: "too much. Funek undizume more often." She smiled at him. He pulled her closer to him holding her stomach. Lubb: "mama womntanam....kunin ndifuna ukhe nam ndiy'thethelonto." Liya: "well, there you go." Lubb: "God's precious gifts to me. You and my kid. Ndiyani thanda a lot yeva?" Liya: "we love you too baby."

It was late afternoon when we returned to our apartment. The kids were all sleepy except for Lutha. Luks: "I swear this child is nocturnal. Ulala emini avuke eb'suku." Me: "I wonder ufuze ban." Luks:"definitely not me." I washed the boys while Lukhanyo made dinner. After their bath they ate and went straight to bed. I bathed the babies and fed them, putting Lutha to sleep. With Lutha it was just hopeless effort. Me: "sweetheart, you're like my boss wena kodwa. I only rest when you're ready." He smiled. I tickled his chubby tummy and he started giggling. Lukhanyo sat with us and we cuddled together on the couch. Lutha was playing with his father's lips. While we watched a movie. Luks: "baby uyanditswikila uLuthando." Me: "that's impossible." I looked at his nails. They needed trimming. Lukhanyo fetched his nail clipper and chipped the tiny nails. Luks: "ungaz'fay'li nzipho zomtana please." Me: "why would I do that?" Luks: "ndaziphi." Lutha yawned. Luks: "yeke! Khalele man boy yooh. Mnike ibele babe." Me: " He just ate." Luks: "that was an hour ago." I took Lutha and placed him by his breast and he sucked furiously. Lukhanyo smiled. "I know how you feel boy." Me: "sies lukhanyo." Luks: "just saying." He held me closer to him in his arms. I sat in between his legs and lay back on his chest. Lutha was sleepy now. Luks held his arms around us, rocking both of us to sleep. I was tired too. Lutha dozed off finally. Lukhanyo brushing his head, remembering the first time he held him. When he was born and the time he almost lost him, when he was in hospital. Luks: "strongo lentwana. Yacaca yi first born ka Ta Luks." I giggled half

asleep. Uyay'cinga ke into bethuna lo Ta Luks. I got up and went to put Lutha down. Then returned to the comforting arms of my beautiful husband.

Chapter 365

Namhla and Thulani had gone out to watch a movie and have dinner, with Jongi and Noma. Nette and Sebastian were also out. Jeff was in the lounge watching the news closely, Thenjiwe making dinner. When she was done she brought him the food. He was still staring at the screen. Thenji: "jeffrey?" Jeff: "hm." Thenji: "your food is getting cold." Jeff: "oh. Sorry. Enkosi love." He started eating and smiling. Jeff: "this is lovely." Thenji: "nyan?" Jeff: "ewe. Ndaqibela nin uphekelwa? This is really good." They together quietly since he was still watching. She took the plates to the kitchen and washed them. Coming back when he was done with the news. Jeff: "khazohlal aphe camkwam." His eyes lit up and sparkled sweetly. She sat next to him. He faced her kissing her cheek. Then brushed it with two fingers. Jeff: "ndiyak'thanda." Her heart skipped a beat. Thenji: "so soon? Hay wethu." Jeff: "ayikho lonto, you're amazing. I just feel so comfortable and taken care of. You're the piece that's meant to complete me." She smiled at me. He kissed her, holding her closely. The kiss was deep and passionate...his hand lingered over to her thigh, squeezing it. Sliding up her dress. Thenji: "I think we're moving a little too fast." Jeff: "what? Njani?" Thenji: "its like ukwi rush..." Jeff: "oh. Celu xolo, I though we on the same page." Something about his look wasn't pleased but he smiled sweetly. Jeff: "sorry.." Thenji: "if you want us to.....then maybe we shouldn't be together." Jeff: "hay khandiy'thethelonto. Andingxamanga sweetheart. Let's watch some tv." He looked for an appropriate show, and they sat together, his arm around her.....

Phila stood up and walked to his best friend who was standing at the door. Phila: "fethu." Losta: "sho awti yam." He smiled. Phila hugged him in tears. Phila: "I owe you my life lonwabo." Losta: "hay suphambana tshi. Kunin wandilwela. I did nothing much, she's just naturally strong." Phila: "you risked your entire career, everything you've ever worked for. That's something much." Losta: "it was a pleasure ntwana. Lizoba grand i-olady." They pulled back from each other.. Losta: "ungayombona. I'll wait here." Phila walked to his mother while Lonwabo sat on the chair burying his face in his hands. Tia: "tataa!" She yelled. Losta: "mntanam." She walked to him trying to climb on his lap. He picked her up and sat her on top of him. Losta: "Tia zika tata." Tia: "itata." Losta: "uTia.." Tia: "Tiyaa." Losta: "ka tata." Tia: "ka tata." Losta: "Tia ka tata" tia: "Tia itata." Lonwabo laughed. Losta: "mxm va." Tia: "nxm nawe." Losta:

"khaze nd'phuze." Tia: "ayyi!" Losta: "awufun?" Tia: "mmwa." Losta: "apha kum alok." Tia: "funi." Losta: "ryt ke." She held his face with her tiny hands and landed a fat kiss on him. Losta: "ncooh. Pumpkin' yamu. Siya ku makhulu ne?" Tia: "ayyi maani!" Losta: "okay xolo ke." They sat in the waiting room. Losta: "busi awulambanga?" Busi shook her head. Losta: "funi drink?" She shook it again. Phila came back. Losta: "masambeni? Have some dinner. Kudala sihlel apha." Phila: "khahambe naye fethu. I need to find this boy." Losta: "nawe funekile utye Phila." Phila: "I'll eat later. Busi, uzohamba nobhuti va? I'll come fetch you sweetheart." Busi: "ok bhuti." Phila: "ndiyabuya." Phila left first. Lonwabo drove the kids to McDonald's, they bought their food and went home to eat. He needed to fix something on his laptop and finish his work. The kids sat in the lounge and watched cartoons. Lonwabo had his phone on, connected to his pc, he sat in the table and carried on with his things. The phone rang. He ignored it plainly. He heard Tia's giggles in the lounge and smiled. Lonwabo walked to his bedroom and looked through his drawers for a notebook and pen. He saw a pair of underwear. Losta: "HEH! Yi-bloomas kaban kehok le???" He yelled.....he threw it in the bin and took the book to where he was sitting.

Anda and Mandy were in his bedroom talking. Mandy: "your mom is nice." Anda: "ewe ne? She likes you. She's not just nice njee." Mandy: "I'm glad. Sibuyela nin eBhayi? Mna ndifun hamba ngomso." Anda: "sohamba ngomso alok my love, akho ngxaki." Mandy: "let me go home ke and pack ndixelele abazali bam." Anda: "when are you going to tell bazal bakho Mandy?" Mandy: "khayeke baby." Anda: "hayi khayeke nto!? Nahh...funek bayaz you're expecting their grandchild." Mandy: "sund'rusher Anda!" Anda: "I'm not rushing you baby, but ke the sooner you tell them the better." Mandy: "ufuna ndiveske ndihlale at dinner and tell them?" Anda: "nah babe. But ke uzoy'thetha nin?" Mandy: "I'll speak to them when I'm ready." Anda: "fine. Masambe." They got up and walked out, Anda drove her home. He went back home. His mom came home, while she prepared dinner. He sat in the kitchen with her chatting. Anda: "yuuh, andise lambe mama. Ncedise phi?" Ma: "hlala nje wena k'lo ndaw ukuyo, uphi uMandy?" Anda: "godusile, sibuyela eBhayi ngomso mama." Ma: "oh? Oryt then. Ithin plan yakho?" Anda: "nganton ngok mama?" Its uncomplicated and nice." Ma: "its a sin." Anda: "yuh ma. Khayeke man. I'll have to talk to Luks. Other than that, decision yam ayitshintshi. Ndizobona after some time."....

Phila drove to his mother's house and unfortunately for Lwazi. It was bad timing. Phila walked in and called out his name. Lwazi: "bhuti?" Phila: "uvelaphi?" Lwazi:

"bend'se lo-" he slapped across the face he fell to the floor. Phila: "uth uvelaph?" Lwazi started shivering. Lwazi: "askies Ta Phila." Phila: "yandaz ba ndivelaphi kwedin?" Lwazi: "hay bhuti." Lwazi went to fetch his bag and clothes.. Phila: "stixo semotwam." He demanded. Lwazi put the keys on the table and left. Phila had decided to sell the car to have money for his mother's heart transplant. He needed a whole lot more still. He sat and thought...he needed a plan and his mind was on what Ta Svig taught him, the lessons lingered in his brain from the past. He started planning. He needed a team. Just as he picked up his phone, he put it back down. He didn't need to do this. Maybe a loan from the bank would do. He went on the internet to research the best option and payment plan for him. His phone rang. It was Losta. Phila: "sho fethu, ndisendlelen ezayo." Losta: "hewethu. Ndidibana ne gxwamsikazi apha kwi drawer yam. Ezi zingath ngo nom'qondiso. Yeeyi! Amacherri ane z'manga va?" Phila was in tears laughing. Losta: "suhleka fethu, yoh. Khaze man ndinesthuk'thez ndizogodusa mimiza." Phila: "ndiyeza." He hung up and laughed again. Lonwabo was just beyond crazy. He took his things and locked the house, driving to his friend...

Chapter 366

Phila got to Lonwabo's house and walked in. Lonwabo was on the phone with a colleague.. Phila went to sit in the lounge with Busi. Tia was asleep. Phila: "baba. Uhluthi." Busi: "ewe bhuti." Phila: "okay, sizoyolala endlin yam va. I packed you your clothes and toys." Busi: "okay." Lonwabo came to the lounge still on the phone. Losta: "yes, I get that. No...I didn't. Oh Jesus....Yes! Please stop talking? You're giving me a headache, I had a long day. I don't need this." He held his phone with his shoulder and picked up his daughter. She lay on his chest and continued sleeping. Losta: "look, let's meet tomorrow. My daughter is sleeping. You making noise." He hung up. Losta: "can you believe this bitch?" He whispered. Losta: "masahamben? Ndifun godusa lo

Phila: "kodwa um'zumile ngok ephapha." Losta: "befuna lonto mos." Busi: "bhuti?" Phila: "yes love?" Busi: "yinton umzumile?" Lonwabo couldn't help but laugh. Phila: "erh....alok sthandwa xa usithi umntu umzumile.....eish. uhm. Kuthetha naye." Busi: "so nawe undizumile?" Phila: "HAYI!" Lonwabo had tears in eyes, gasping for her while laughing. Phila: "busi, zinto zabantu abakhulu ezi. You don't ever say it to no one, yeva?" Busi: "okay." Phila: "losta khayeke hleka nawe." Losta: "zokomelela ntwana." They parked at his mother's place and Lonwabo walked in with his daughter.. Losta: "molweni ma." Ma: "molo lonwabo. Ngok benithe anibuyi?" Losta: "I'm busy with work ma. Akhomntu wom'jonga." Ma: "nguban kanti lo use motwen?" Losta: "heee mama ubone nin ba kukh'umntu emotwen? Ngu Phila lowa, mamakhe yagula. So I'm helping him out." Ma: "hm." She eyed him suspiciously. Losta: "mxm. Une drama kanene." He went to go put his daughter down and lay next to her. This was the most difficult part of his day. It never became easy to say goodbye to his daughter. Losta: "I may have one of the toughest jobs in the world. But the most difficult is leaving you behind. Ndiyak'thanda mntanam. I'll be back soon." He kissed her and got up quietly walking out. Losta: "ndiyahamba mama." Ma: "uyaphi ngok?" Losta: "ndishiye umntu emotwen mos mama. I'll come back in a few days' time." Ma: "utatakho akekak'bon, uzohamba njan?" Losta: "uzaw'thin dan utata ma? Its all the same to him." His older brother walked in. Ma: "Molo mntanam." She hugged him. Ma: "uph makoti?" Brother: "use msebenzin mama, uzophumela ngapha." Losta: "ndimnkile ma." Ma: "ndithin kehok kutatakho?" Losta: "you'll think of something." He walked out. Brother: "ekse Lonwabo." Losta turned and looked at him. Losta: "Mandisi.." Mandisi: "are we still on this?" Losta: "I'm not. You?" Mandisi: "ndalucela uxolo lonwabo. Ufuna ndide

ndithin?" Losta: "jonga Bhuti. Focus on you. And I focus on Me. I have nothing against you." Mandisi: "ngok awuzothetha nam?" Lonwabo walked to his car. Losta: "masambe Phila!" Phila started the car and drove off. phila: "ugrand?" Losta: "I can't bear to look at him phila. Andikwazi." Phila: "ei Lonwabo. I'bhlungu sani leway. But try. Ngu brother wakho lowa." Losta: "ndizame ntoni Phila? What am I actually trying?" Phila: "uthetha naye? Get over what happened." Losta: "I'm over it." Phila: "you're not. Uyay'avoider family yakho lonwabo. You always busy trying to hide kumsebenzi wakho." Losta: "because it makes me very happy Phila. Ndiyonwaba. Seeing other people survive and rejoice gives me the boost I need." Phila: "family is everything." Losta: "Tia, nawe namajita are my family. I'm fine that way." Phila gave up. He knew Lonwabo wouldn't change his mind.....

The next morning, we packed our things and got ready. That was a lovely outing. I rested kamandi with my family. Luks: "thathe yonk'into baby ne?" Me: "yep..we ready." He took the bags to the car. I took Luhle when he returned. He took Lutha. The boys followed us to the seat and climbed in. I got in, Lukhanyo went to pay the bill and came in. We drove off. I was on my phone on facebook. Lukhanyo busy playing his Asap Rocky album. Luks: "kodwa ndim'dala ngok for le." Me: "qal'zibona ngok?" Luks: "hee, hay baby." The song Hell ft Santigold was playing "you live by the gun and you die by it too." I looked at him, he seemed a bit uncomfortable by that piece. But still looked cute. He pulled the seats down low when he drove, leaning by his door. One hand on steering wheel. Or he would sit at the tip of his seat leaning on the steering wheel. Either way, I loved it. The songs this Asap sings though. No wonder ethandwa kangaka. I looked back at my phone ndingeka phoxwa. Inbox came through: "morning." Me: "hello, uryt?" Message: "I'm okay..." It was Phila. This was awkward. Me: "you sure?" Him: "ja ey. Mama is in hospital." Me: "sorry to hear that Phila." I've known since years back that his mother was sick. I only saw her once hence zasingekho serious and it was only because I was with him the time he had to go fetch her at the clinic. Him: "its cool, lost my brother too. Andiyaz man my life is falling apart." Me: "lost him? ULwazi?" Phila: "yeah...I kind of kicked him out the house. I bought him a car last year kuba ndifuna abekhona xa mama egula am'se esbhedlele and stuff but he doesn't care about her health. I've been trying to warn him ngalento ayenzayo, I hit him I talk to him akandiva. Undenza umsindo nyan, why doesn't he understand life is hard for all of us? Ukhula kamand yena cuz akayiva intlungu yam. He even shot his girlfriend, ebezobethwa apha ngeny awti...I told him to go fend for himself ke. I don't know if that was a good idea anymore." Me: "kicking him out is like sending him to do what you don't want him to do." Phila: "ndithini ke?" Me: "do what you feel your mother would've done Phila. Lwazi is not your son,

but your brother. If akakuva then that's just it, you can't really do much." Phila: "okay. Ndiyakuva. Thanks." Me: "pleasure." I couldn't help but wonder...nguban lo amdubulileyo? Me: "what is his girlfriend's name?" Phila: "and'maz and andim'khathelele." 😊-_- mxm. So I have to try a different angle. Luks: "who we talking to? Uthule kangaka?" He changed the album. Me: "no one." Luks: "let's see?" Me: "fun bona nton na love?" Luks: "heee. Lomnt uthetha naye ungand'hoyanga for yena." Me:"uyamaz uLwazi?" He swallowed and looked straight at the road, turning up the volume a little. He literally ignored me. Me: "Okay. I'm not going to fight baby ne. I just want to know." He started singing along to the song. Me: "okay." I guess that was it. Luks: "baby uncokola noPhila?" Me: "yes." Luks: "why?" Me: "ebethetha wethu ba mamakhe akekho right and stuff." Luks: "oh. I see." Me: "you see what?" Luks: "subject ka Lwazi ngene phi kehok?" Me: "hay wethu he mentioned ba he kicked him out cuz akamameli." Luks: "really?" Me: "why do ask?" Luks: "hayi love alok, you want me to be closer to Phila, so ndi-interested ke ndifun yazi." Something wasn't right. Why was he smiling? He took out his phone and sent a text to Stuja: "khangele lontwana apho ndiyeza." Me: "lukhanyo?" Luks: "my personal detective..?"... He smiled. What was he talking about?

We got to Port Elizabeth after a drive and a half. Lukhanyo was in another happy mood. We parked at our house and brought our bags in. With the babies who were sleeping. Junior and Chumani ate lunch and went to play in the back yard. Lukhanyo called Lubby. I went to do the laundry, changing our bed linen and for the other rooms too. I spring cleaned the house, wearing shorts and a vest. I went to hang the washing and I washed the windows after. Luks: "hayibo love, khapheze, yinton ngok?" Me: "zimdaka baby awuz'boni?" Luks: "ei." Was all he said and watched the tv. I went back in the house and cleaned the kitchen. Precisely the fridge, taking out everything. Luks: "Lihle!" Me: "boo?" Luks: "qiba kwalo fridge uzohlala apha phantsi, ukhe und'chazele yinton le kwenza umsindo kangaka." Me:" and'namsindo mna." Luks: "yeah right." I tidied the fridge back and mopped the floor. He gave me that look and shook his head. I went to scrub my hands and sit with him. Luks: "yuh...kunin ndik'khumbula." He grabbed me, pulling me to him. I sat on top of him. Me: "abantwana baby." Luks: "they're playing in the back yard. Abas'hoyanga tu." I kissed him, his hands held my waist tightly and slid under my vest. Me: "hay man baby." I said against his lips. Luks: "kange undiphe ke eJeffrey's." Me: "khange ucele." Lubabalo walked in the house. Lubb: "oh God no. Nisenza lento? Don't you ever get tired of each other?!!" Me: "nope." Luks: "nxilile yazi, sadikwa yinto?" I got up and went to prepare a meal. Lubb: "how was Jeffrey's?" Luks: "great. Ingaske nd'hlale pha. Respect inintsi." Lubb: "so ubus'thin ke?" Luks: "kudala yand'qhela lantwana lubabalo,

and I don't threaten people mna, I teach them lessons. Ucimba ndiyikaka ngok qho xandim'bona ndiyathetha qha." Lubb: "nah luks, please don't. Yintwana ephambeneyo leya. He's being stupid." Luks: "uth ndim'yeke?" Lubb: "ewe." Luks: "so if he fucks up again ndithin?" Lubb: "hay alok samnyisa tshi." Luks: "okay, Stuja uthe sodiban eBlawa namhlanje. Uyeza?" Lubb: "for?" Luks: "meeting qha." Lubb: "okay." They got up. Me: "and then?" Luks: "siya ku Stuja love." Me: "for what?" Luks: "hay wethu mntu wam." Me: "hay wethu nto Lukhanyo? Niyothin ku stuja?" Luks: "we just going to visit him." Me: "angazi yena nje? Like he usually does?" Lukhanyo looked at Lubabalo for back-up. Lubb: "ndiyamkhumbula brother wam lihle yuh, khame wethu nosisi. We'll be back." He dragged him out. I went to the back to check on the kids. They were still okay. I brought them Ceres juice box. I watched them play. Then walked back to the house. It was odd. Somebody was inside. I checked the whole house, nobody was here. Hay man. I swear there's someone here. I went to fetch my phone in the bedroom.. Until I heard a drawer close in the bathroom. I searched for Lukhanyo's gun in his hiding place. The bathroom door opened, when I looked up andothuka. Me: "lukhanyo what the hell!" He just laughed. Luks: "aww bethun mntu wam. I came to fetch something, awulo gwala man." He kissed my cheek and walked out.

Lubabalo walked to lukhanyo and the guys then sat with them. Lonwabo breathed in and out. Then took out his phone to dial a number. He called Babsie. Babsie: "hey?" Losta: "hello love unjan?" Having their meeting. Lonwabo, Lunga, Saida and Khusta sat on the other side. Losta knew not to disturb Lubby when he's in those type of conversations as much as he wanted to yell at him. Nkosinathi and Lwazi with 2 other friends walked in erhangeni. Lonwabo called Phila immediately. Losta: "nank'engena apha sani. Khawleza, kukho lomjita apha." He hung up. Lubabalo looked Lukhanyo. Not iRhumsha. There's a fuckin difference. Stick to your shit. I'll stick to mine." He let him go and walked away. Lubb: "I think we should leave." Losta: "If you'd left ngelaxesha. This wouldn't have happened. At least the storm is over." He held Lukhanyo's shoulder. Losta: "hade ntwana." He walked to Phila who was still talking to Lwazi. Lubb: "masiye." They walked to the car and drove off. Parking at his driveway. Luks: "this did not just happen." Lubb: "I don't know what you were thinking. Don't even think of going back for revenge. Kuyoba bomvu. Its not that I don't believe in you mninawa, qha in life we have to accept that there are those who are bigger than us. Stronger and more powerful." Lukhanyo laughed out loud. Luks: "that nigga just whooped my arse." They laughed together in the car. Luks: "thanks for sticking up for me." Lubb: "we all learn the hard way. And this was your lesson." Luks: "I guess." He sighed. Luks: "now its time to face my wife and tell her why I look like I barely survived a world war." Lubb: "awukho bad. But she's still gonn whip you." Luks: "I think I like him." Me: "I am a bit disappointed lukhanyo. But zijonge unjan." It truly pained me to see him that way. He didn't seem to be phased. Luks: "ouch!" Me: "sorry baby. Let me get you your food, uzosel pain killers." I walked to the kitchen Lukhanyo stuck his tongue out at lubabalo. Lubb: "mxm." Me: "thulani uphi?" Luks: "andaz." Lubb: "let me go look for him." He got up and left. Me: "itya baby, here." Luks: "sib'hlungu sisu baby." He sulked. Me: "but sweetheart, you have to eat." He ate slowly. I went to fetch him painkillers and fed him. Waske wafeketha. Luks: "zizondo zelisa ke baby ez'way." Me: "go take a bath. Uyolala lukhanyo. You're going nowhere else." I ran him a bath. The boys came in the house, I undressed them and they went into the bath with their father. Luks: "hey! Kwedin uzowa apho..... Ouch man!" They were in giggles and squeals. Luks: "babyy!!!" He screamed. Luks: "ei istout ke lentwana." I walked in carrying Luhle. The bathroom was wet. Literally everywhere. I don't even understand how you wet a ceiling. Lukhanyo had an embarrassed look on his face. Luks: "I'll clean it up." He whispered. Me: "und'bizela nton." Luks: "khas'phathel towel my loving." I went to fetch them and brought them their towel. Luks: "iza ntombikayise." Me: "seniba nintsi k'le bath. Khaqibe baby, ndifuna bazotya." Luks: "ase shushu kamand lamanz kanjan." Me: "uryt ngok?" Luks: "I'm fine mntu wam. Enkosi. Iza ne boy yam ke." I dried them up, dressing them and they went to eat while Lukhanyo cleaned the bathroom in the meanwhile. I went to help him, we went to the bedroom I took Luhle trying to feed her. The boys came in the bedroom. Lukhanyo was still wearing shorts. They were chasing each other in the bedroom. Me: "lukhanyo please get dressed." I laughed. Chuma fell on his behind and cracked up. This boy just so cute, the way he's forever laughing. I took them to bed, Lukhanyo told them a story. When he was done, he came to fetch Lutha. They lay in bed with Luhle. Luks: "ndozela kamand kengok." Me: "lala baby." Someone knocked on the door. I went to open. Lubabalo and Thulani walked in. Thulz: "baph abantwana?" Me: "I put them to bed. But surely abeka lali." Thulz: "ndizoba thatha, bring them back ngomso late." Me: "okay then." Lubabalo was already under the covers next to Lukhanyo and the babies. They looked like they were talking about something quite important. When I entered, they kept quiet. Me: "oh please, don't stop on my account. Andinimamelanga tu Gossip yenu." Lubb: "hayi. We weren't talking bout you. Keep your wig on." Me: "usuke ndawen yam xa uzondiphoxa." Lubb: "make me." I took out a belt and Lukhanyo laughed as Lubabalo jumped out of bed. Lubb: "bullying inintsi apha.

Me: "no pumpkin dot. Bendibuza cimba uzohamba." Lubb: "since you want me to leave. Bye." He turned and walked away. Luks: "love you!" Lubb: "mpa." I took the babies to their cots to sleep. Thulani took the boys with clothes for tomorrow and left with them. I locked the doors and windows. Switching off all the lights. When I walked into our room. Lukhanyo was already smiling shyly. You know?

Lonwabo was sitting in his lounge, reading a book off his iPad. His phone rang. Losta: "hm?" It was Babsie. She: "hey, hay andikwaz ukhwela ngelixesha ke, mama uye wathi mandipheke and I've only just finished." Losta: "oh ok." She: "are you disappointed?" Losta: "no." She: "kuthen ngath awunamdla?" She: "yoh hay sana." He hung up again and got up, he was wearing his boxers and vest. He took a sweater and went to his car driving to Motherwell. He called her for directions and parked by her house. She came out and climbed into the car. Babsie: "molo." Losta: "ewe ke." He drove off to his place. Babsie: "ubulele?" Losta: "yep. Wena?" She: "ndilinde wena!" Losta: "I'm here now boo." They arrived at his house and got out the car. Walking in, he locked his house and dragged her to the bedroom. It was actually warm like he had said. With snacks on the side. She: "manyan kanti? Bend'cimba uyenza juicy qha." Losta: "heee, noba ndingu Khamisa ndityhale." He lay her on the bed, kissing. Babsie: "I think we need to talk first." Losta: "after..." He undressed her, kissing and caressing her body. She: "no, before." Losta: "during ke?" He held her cookie, rubbing it gently. She: "khame lonwabo." She moaned. Losta: "hmmm....awand'ncwinela kamand." She: "lonwabo man....wait." He stopped and looked at her. Losta: "yes?" She: "I said we got to talk." Losta: "ndimamele ke." He lay next to her. But I want to know where I stand." Losta: "I don't like having stable chicks around me. Bayandi distracter." She: "why?" Losta: "I just don't! Wena awunamntu?" She: "no..." Losta: "cool then. Are we done?" She: "I'm trying to understand you." Losta: "ngoba!!" She: "because I like you." Losta: "khand'tyise kubekay'1 ndibeno basez'nqondwen baby please?" She: "sizothetha?" Losta: "anything you want babes." He climbed on top of her and searched for his condoms in the drawer, he put one on and entered her. She screamed. Losta: "baby?" She: "yes?" Losta: "did I tell you how much I love it when you call my name? It just does things kum ngaphakathi." She: "nyan?" She blushed. He pushed in further and she moaned his name out loud. His heart melted.....

The next day, Lonwabo had called Lubabalo telling him of the cancellation of the Durban trip. Losta: "both the people we want, abavani and basando kulwa just yesterday. Its not gonn work. Sinoske sihlale." Lubb: "yeah. So sokwenzen nton?" Losta: "house party. I'll go buy the booze aphe mini, and call people up." Lubb: "okay. I'll come by after about 3 aphe mini. Kuzotyiswa nton?" Chapter 369

Lubabalo arrived. Lubb: "Morrningg!" Luks: "hey." Lubb:"are you good?" Luks: "I'm fine. Khathethe noLihle sani." Lubabalo knocked on the bedroom door. Me: "yes?" I was dressing the babies. He sat on the bed with Luhle in his arms. Lubb: "so what we doing tonight?" Me: "we staying home." Lubb: "yoh ha.a lihle." Me: "what?" Lubb: "jonga, mom said we must bring the kids. Since your mom is with uncle jeff and maka namhla and her dad are leaving today. They're going to be bored, so ke even after bantwana be-taken care of ufun hlale ndlin." Me: "I'm not in a party mood yaz. I just feel better about life when I'm with my babies." He stared at me and smiled. Me: "what?" Lubb: "nothing." Then he looked away. Lubb: "just think about it. Okay? Liya and Namhla are going out too." Me: "I don't mean to be a bore, but 4 children for months on end is not a joke. I'd rather take time and rest." Lubb: "you need to get out and breath." Me: "you're not giving up are you?" Lubb: "no." Me: "you just want to go to that party with Lukhanyo." Lubb: "you can come too." Me: "izondenza ndifun khaba uPhila qith because iyandicapkisa into ayenze kubaby." Lubb: "lukhanyo knew what he was doing.." Me: "meaning?" Lubb: "as if lukhanyo angade ahleke onwabe xa ebhethiwe." Me: "what are you saying?" Lubb: "your husband is psychologically sick. And has deep issues. He's just a bit too calm, if you ask me. What if wenze revenge kuPhila at that party. You know he won't think twice." Me: "so what are you suggesting." Lubb: "pack the babies' things sihamben siyen k'la party." He said in a serious but calm tone. He walked out while I packed the babies' bags. He sat next to Lukhanyo. Lubb: "and she fell for it." Luks: "for what?" Lubb: "I lied and said you let phila beat you, so you could get her sympathy ubenokwaz umbethe kakhle back uPhila without her getting mad at you." Lukhanyo smiled. Lubb: "so she's coming with." Luks: "what?! Noo...she can't come with!" Lubb: "why?" Luks: "there's a little trick I wanna play on Phila." Lubb: "le boyish crush yakho noPhila izand'dika." Luks: "don't get jealous." Lubb: "mxm. Ndisayo theng umbhengo.." He got up and walked to the car then drove off.

I wore jeans and a white top and Sandals! Lukhanyo walked in. Luks: "aniyi lwandle na baby? Why don't you wear shorts?" Okay these two are up to something. They're going to perform on New Years Eve! Me: "kanti what's going on." Luks: "baby, iyani elwandle man, ne peto zakho. Then at about 10pm nize kengok eBluewater to the party, for the countdown. Yabo?" Me: "but Lubb said we going to the party." Luks:

"tatakho wayethe I must not treat you like my prisoner, so my love you can go have fun. Call Rene up. Form a little girl scout together." Me: "you're sure?" Luks: "absolutely. Nxiba la shorty we jean." Me: "why?" Luks: "because ndizokuba k'la party." Me: "you'll have to catch me first." He kissed my neck, sending chills down my spine. Luks: "und'nika ichallenge, Mrs Luks?" Me: "maybe.." Luks: "well aren't you a tease.." His tongue separated my lips and he kissed me, his hands squeezing my buttocks. Luks: "yayiva? Izok'zuma pha k'la bathroom." Me: "IF you can catch me. Then sobona." Luks: "challenge accepted." He let go while I looked for my faded high waist shorts. Me: "ha.a man baby zimfutshane ezinto." Luks: "hardly noticeable baby, wonke umntu uzobe nxibe shorty. Ufun bayi highlight kekok wena unxibe ijean?" Me: "so in other words ufuna ndi-blende." Luks: "yes!" I wore the shorts and saw the smile on his face evaporate. He breathed silently and kept quiet. When I bent over, to pick up the clothes. Luks: "sele umkhulula. Hayi hayi hayi! Xa ugoba, intsula yam yonke ivele? Fuck that, take it off!" Me: "but you said it was okay. Ndizobe ndigobela nto elwandle?" Luks: "uzukhe net uqulise pha." I laughed and went to the bathroom. By the time I came back, he'd already picked out a top. It was white, written LV in front. You know with Lukhanyo, he would buy something for himself then feel guilty he didn't buy me something. He then would buy something for me and shove it in my wardrobe so that I don't see. Ayilibale naye. Reason why I hardly shop for clothes anymore is because of my shopaholic husband. I wore it. It was a crop. I looove crop tops. I only own 3 though. Luks: "faki sneakers sakho kekok babes." Me: "hay baby ndizonxiba sandal." I tied my hair in a messy bun. Did my make up and packed my little bag for wallets phone etc. Luks: "aawww. Awuse cute man! Iphi watch?" Me: "nantsi." I took it out the bag and wore it. Luks: "now let me get dressed." He took out white linen shorts. A black vest, written "LV" 😊_-_- in front and sneakers. Me: "khanxib sandal?" Luks: "hay! Sek'then ngok?" Nevermind. I called Rene and she told me they were at the beach. Luks: "I'll take the kids, khabe uhamba." Me: "ok." I kissed my babies goodbye. Taking my bag. Luks: "10pm lihle. I want you in that house. Yandiva?" Me: "okay." Luks: "come give big daddy a kiss." Me: "big daddy?" I kissed him. Luks: "yes, big dzadzy." Me: "can I take Audi yakho?" Luks: "no." Me: "awww baby please?" Luks: "why? Yayingath awuyifuni nje?" Me: "you hardly use it. Ima let you catch me at the party." I whispered in his ear. Luks: "hmmm....and then?" Me: "then ima do this..." I rubbed his package. Luks: "keys in the bathroom drawer." I kissed his cheek and ran out. Me: "bye!" Luks: "10pm!!" He yelled....

Rene and the girls were at the beach but since Lubby had said maka Namhla and uncle are leaving to day let me start there to say goodbye. I went to Lubby's house and they were packed and ready. Sizwe was leaving. Sizwe: "my angel." He hugged

me. Me: "uyaphi ta?" Sizwe: "home. I need to feed the dogs, then ndiye dwesi kuSmilo. We're having a braai with friends." Me: "oh. Okay." Sizwe: "how was the trip?" Me: "so wonderful! I loved it. Intle njan landaw." Sizwe: "sweet." Me: "ndingak'libazisi ke tata." Sizwe: "we'll catch up apha evekin sthandwa sam va?" He kissed my cheek and walked away. I went to my uncle. Me: "molwen malume." Jongi: "molo malinkie." Noma: "hello sisi." Me: "ndive kuthwa niyahamba namhlanje. I just wanted to say goodbye." Jongi: "enkosi mntaka sisi omncinci. Ingath usendlelen eyolahl'umlenze uyaphi?" Uncle likes things. Me: "ndiye lwandle malume." Malume: "oh. Ungalahlek kolalwandle" me: "asoze malume." I hugged him and his wife. They walked to the car. Jongi: "sow'ntsontsile?" Noma: "ndizoyo tsontsela nton?" Jongi: "andizomisa garage mna." Noma: "mxm." Jongi: "uzaz ba ubambe umtsulo mntaka bawo kanye ndoyok'hlise Njoli." Noma: "betere leyo k'nohamba nawe, hlel'nje ukhamisile ngath umlomo uyaqaqamba." He stared at her in disbelief. Loosening his belt. Jongi: "thetha kwakhona. Ndimamele." She walked to the car and climbed in. Jongi: "uz'maqwel imoto iyavova xa ukhwela. Hayi man no. Yi-abuse le ndiy'hleleleyo apha." Noma: "abuse nguwe uz'hambela. Uphefumla." Me: "nihamben kakhle ma." Noma: "enkosi nosisi." Namhla came out to hug and kiss them. I went inside the house Nette came rushing. Nette: "Darling! Darling! Where are the babies!" She spoke as though she was rehearsing a script off a Shakespeare film. 🙄:v Me: "lukhanyo is with them at home he's bringing them later." Nette: "oh? Okay then." Me: "where's my mom?" Nette: "she's out. With Uncle Jefferson Pink Milk." I giggled. Me: "let me get going...I'll see you tomorrow." Nette: "bye sugar foot." I walked out to Namhla. Me: "need a lift?" Namhla: "a.a I'll be okay. Sothetha efownin.". Me: "sure mntase. Uph uDemi?" Namhla: "umke aphe ngenye iBenz." Me: "naban?" Namhla: "khandi'bone the windows were tinted." Me: "okay then." I got in the car and left for the beach, tinted windowed Benz doesn't sit well with me.....

Upon arriving at the beach. Linda and Amy were there. Linda: "your husband spoils you to death! You have a different car for each day of the week?" Me: "don't be silly. This one is his." Linda: "what's his is yours." Me: "yeah well, its nothing much." Amy: "your husband is one of a kind." Linda: "mine won't even let me drive the Benz. So I'm stuck with this BMW." Her accent nje makes me laugh. Me: "its a very nice car." Linda: "THAT is a very nice car. No shit." She pointed to the Audi. Me: "ya'll are over reacting." I hugged them. Rene: "hi sweetie." Me: "so later on we're going to Bluewater Bay, there's a house party." Amy: "who's party?" Me: "my husband's friends. Bachelors." Amy: "the Lord has finally answered my prayers." Me: "be careful though. Luks can be deceiving. Him and his friends." Rene laughed. "Luks can be deceiving." Linda took out her bottles of wine pouring for me. Me: "not too much." Linda: "stop

being a grandma and live a little." Me: "I've still got to drive to Bluewater Bay!" Linda: "in a few hours time. You'll be ayt!" Meanwhile, Lukhanyo took the babies to Nette and drove to Bluewater. He called Lubabalo, who gave him Losta's number. And directed him to the house. It was still early. Lonwabo welcomed him in. Losta: "andaz noba nguban owphi. Ndizothi Luu qha, obheke kqala ndithetha naye." Luks: "ndingu luks mna. Uzand bona nje wena." Losta: "and'nalo nexesha loku nqika ke mna." He whistled to Khusta on the other side. Losta: "siyacela ke fethu, kungabikho nxabano vandag." Luks: "hay no akhonto." Losta: "thank you. Zosela nton?" Luks: "Hennessy." Losta: "I like." They went inside the house and poured the drink talking. Lonwabo's was making jokes, Lukhanyo laughing. Luks: "and I thought Lubabalo was worse." Losta: "he is. Zombona wena namhlanje. Ndiyi angel mna compared to that sick thing." Luks: "haha! Mxm....khame ndabuya." He walked to the bathroom. Lubabalo and Phila arrived. Lubb stood with Losta. Phila was chatting to some girl on the side. They were in a bit of a private moment..kissing and whispering. Losta: "why is your brother so calm? He bothers me." Lubb: "uligwala ke wena kodwa ndlela le ugeza ngayo." Losta: "he's got this mysterious vibe. Ngath ikhona into afun'uyenza. Something is beating water." Lubb: "what the hell does that even mean?" Losta: "kukhona ok'shaya manzi. Ndak'chazela." Lubabalo laughed. Lukhanyo came to stand with them again. Smiling at Phila. Luks: "let the games begin. Losta, khazapha fethu." Losta: "uhm. I have to go do something upstairs....that.....needs to be done." He quickly walked away.

Chapter 370

Lubb: "Lukhanyo. Please...like I am begging you apha." Luks: "why?" Lubb: "don't do this! Kukho abantu apha, you promised! If you really do this Lukhanyo....." Luks: "uzokwenza nton lubabalo?" Lubb: "uzand'khubekisa. That's what. Akho mandi uk'bona ubethwa uhliselwa phantsi by some randomer." Lukhanyo looked at his hurt brother. Lubabalo walked away. Luks: "Lubabalo wait." He walked after him. Lonwabo came back. Talking on the phone. Losta: "baby, khaze man, ndizokonwaba kamand xa kukho wena." She: "ndihlel netshom zam njena. We at the beach, siphole kamand." He was holding the girl from behind cuddling in the corner. Losta: "uBabsie." Phila: "lonwabo do what

Phila: "kalok she a hoe, xa eze kuwe akazokwaz ulungisa mehlo for aba ababonayo." Losta: "ayikho ke le uy'thetha nxx." He walked away to Lukhanyo. Who was playing pool with the other guys. Khusta: "and then?" Luks: "nday'jumpa yanya mna. Yoh." Khusta: "awaphatha pha?" Luks: "ndizothin ungaphathi? Qha ndahamba, because wayezond'hlalela. Lonwabo?" Losta: "ha.a sund'faka, ayind'lingani." Luks: "listen..." Lukhanyo hit two balls into the hole. Then whispered in Losta's ear. Losta: "you do know, this time. He will kill you right?" Luks: "isn't that exciting?" Losta: "erh...no. Its not. I don't know what kind of planet you from." Luks: "kange uth ukhangel uBabsie?" Losta: "umazelaph wena?" Luks: "ndikuve uthetha efownin." Losta: "I'm not letting this happen. Ndivale indlebe." He covered his ears. Luks: "fine." Lukhanyo went to pour himself a drink and sat still. How could he humiliate Phila without hurting Lubabalo? Phila: "don't even think about it." Luks: "urrgh...you again." Phila: "I know what you thinking. And its not gonna work." Luks: "ufuna nto kum Phila?" Phila: "you're the one planning revenge." Luks: "just because ndithule?" Phila: "hm." He walked away. Luks: "maybe we should start over?" Phila: "I'm not in the mood to fight with you lukhanyo." Luks: "no, I don't mean that. You won. Fair and square. Start over, from the beginning. You can call me Luks." Phila walked to him: "Phila." They shook hands. Luks: "game of pool to even the score?" Phila: "I will beat you so hard kwi pool. Don't even think about it." Luks: "bet?" Phila: "how much?" Luks: "up to you." Phila: "50 grand" Luks: "if I beat you.....we'll discuss it later." They walked to the pool table. Luks: "break." Phila started the game. 1 ball in hole. Luks hit a ball with his hand weakly. Phila: "bad idea." The guys came to watch. Lubb: "what is he doing?" Losta: "ingath akakwaz dlala nje ucopy and paste." Lubb: "oh yes he can. Qha wenzan ngok!" Phila scored 5 balls without Lukhanyo attempting one. Phila: "dude are you sure about this?" Luks: "its not like and'nayo le 50 thousand yakho." Lubb: "I can't watch." Losta: "why?" Lubb: "you're about to witness a sad incident." Lukhanyo positioned himself, squinting his eyes and aiming. Phila: "useless." Lukhanyo shot 2 balls into a hole. He went in straight for the kill. Losta: "YOHH!!" He took all the balls and finally ended the game. Luks: "capiche?" Phila was defeated. Phila: "okay....cool. So you're a master in pool. Name Your price?" Lukhanyo held out his hand and shook his. Luks: "1-1" Losta: "total legend." Lubb: "ha.a..sekhona into ngoLukhanyo. He's tryna gain his trust." Losta: "what was that?" Lubb: "nevermind." He knew how his brother worked. He was looking for phila's weak spot. And befriending him seemed like an easy task.....too easy.

Demi had left with her boyfriend of 11 months. His name was Owen Williams the second. He was a rich Billionaire ranked #9 on the Forbes list. He was 52 years old but looked 40. Fitness and healthwise. Owen: "I booked us the top floor on the Radisson. Or would you rather go on a cruise?" Demi: "both seem so tempting because I would do the same thing wherever we are." Owen: "oh? Looks like you're going to give me high blood pressure." Demi: "wouldn't you like it?" Owen: "dying? No! And who would take care of you baby?" He parked at the hotel and they went in. People looked at them. Owen: "should've bought the entire hotel out for the night." Demi: "that's not necessary." They got into the lift and went to their floor. He took off his ring, shoving it deep inside his pocket. Owen: "so how's the family?" Demi: "they're okay. They just bore me." Owen: "aww...your present should be arriving soon." They walked into the room. It was big. Demi: "this is nice." Owen: "doesn't top the one we were in, in LA." Demi walked over to him and kissed him. "I missed you..." Owen: "not as much as I missed you." His phone rang he checked it and put it down. Owen: "look outside the window." She went to peep. Seeing a white Jeep gleaming at her, with a red bow tied on it. Owen: "Merry Christmas and Happy New Year." He smiled. She ran to hug him. Demi: "thank you soo much! How did you know?" Owen: "I listen to your whining baby....come on." He grabbed her and kissed her. Owen: "ready to thank me proper?" Demi: "yes.." He ripped her clothes off and bent her over, entering her from behind. He usually didn't last long. But today.....after the first round, 45 minutes later. They sat in bed. Demi: "and that?" He just smiled, still had an erection. He climbed on top of her, and entered gently, gasping in air, his mouth drooling. He spoke dirty in her ear but she didn't mind. He started shivering, moving faster, his eyes closed, bumping into her. His breath choked and body stiffened as he lay on top of her. He tried to regain his breathing. Owen: "I'm coming to a point where, I can't work properly if I haven't seen you or heard your voice.....your nagging and whining. I can't sleep at night, knowing I can't hold this body close to mine. You just so amazing. I'm falling inlove with you." Demi: "but I can't have you. You're married." Owen: "she doesn't make me happy like you do. All she ever does is complain. You understand me better." Demi: "I don't know Owen." Owen: "I need an heir." She swallowed. Owen: "please." Demi: "is that why you don't want to use protection?" Owen: "we went for our tests together, you know I'm clean. All I need is a son." Demi: "Owen, my brother would LITERALLY skin you alive. Trust me." Owen: "don't you love me?" Demi: "what about your wife?! I'm not about to have some bastard child." Owen: "she doesn't want to have kids. I'll change everything. I swear. I'll call my lawyer up right now..." Demi: "I think I need to think about this. I don't know." Owen: "don't be afraid Demi, I'll take care of you my baby." He held her

closely. Demi: "but you won't divorce your wife." Owen: "we've been through this..." Demi: "whatever. Can I take my new baby out on a spin?" Owen: "knock yourself out. Ima take a nap." She took her keys got dressed and went to her new car....

It was just after 8, the beach was PACKED. Me: "maybe we should go now." Rene: "yeah, traffic is hectic." Linda: "yeah, I need to call Owen. He's being a bit of a bitch lately. I need to clear the air. Just before 2014." We climbed into our cars and drove. Linda called her husband, he picked up. Linda: "Hey!" Owen: "hello?" Linda: "the network is bad....I just wanted to say I'm sorry." Owen: "for what exactly Linda? Neglecting me? Telling me I'm a useless bitch? What are you sorry for?" Linda: "you're Always gone! I asked you to be around just for this one day and even after 4 years you fail to manage that!" Owen: "sorry." Linda: "where are you?" Owen: "Indonesia....business." Linda: "okay, when are you coming back?" Owen: "in a few days' time. I have to go." He hung up. Linda followed Lihle to Bluewater bay. I followed Lukhanyo's directions and parked at the house calling Namhla. Me: "babe, uphi?" Namhla: "St Georges noLiya." Me: "nise right?" Namhla: "yes we good. Solandwa nguLubby. Thanks mntase." Me: "sure." We hung up and I went in with Amy, Linda and Rene. Losta: "ndiyakwaz wena." He stood in front of me. Losta: "ndiyaxoka?" Me: "lonwabo, cela usuke phamkwam." Losta: "where do I know you from?.....hay man ima. Uph la cousin wakho alo????!!!" Phila came forward. I simply walked away. Luks: "my babey!" Me: "hey boo." We kissed. Lubb: "oh Lord, save us PLEASE. Have mercy on our virgin eyes, Yesu onofefe. Amen." Losta: "Hallelujah." Luks led me inside the house upstairs. Me: "siyaphi?" I was a bit tipsy. He was Drunk. He kissed me in the passage. Me: "bab-" he sucked me in... Luks: "feel like eating you out right here.." He unbuttoned my shorts. Me: "mas'ngene." We got in the bathroom and locked it behind us. He dragged off the shorts and kneeled down to his queen. He kissed it gently and sucked on it. He pulled my legs apart. My heart was floating as I moaned his name. I held his head as he continued twirling his tongue. He stopped and took off his vest. He placed my legs on his shoulders, diving his mouth in between. Me: "babbby...." I moaned. Luks: "hm...." Me: "wait...." I groaned. I didn't want it to end....and it was coming to an end...I could feel the pleasure piling up. Me: "oh mntu wam..." Luks: "iza baby.." I reached the highest point I've ever been in. Screaming in joy. He kissed my inner thighs, then got up. His mouth and chin was wet. I dropped his shorts and kneeled in turn, returning the favour. Just as he was about to release. I took it out and rubbed it gently. Luks: "oooooh baby. Ungayeki." He swallowed....holding my head gently, I sucked it back in for a few minutes and pulled out and he came..... Luks: "thank you." He washed his mouth and kissed me. I went to wash mine. And got dressed. Luks: "ngoban aba uze nabo baby." Me: "oh that's Rene's

friends babe." He held my hand and we walked downstairs. I went to the girls, he went to the guys. Lubabalo walked to me. Lubb: "lihle, please watch Lukhanyo. Ndisayo landa Liya noNamhla, Thulani sendlelen ezayo.. This one is up to no good." Me: "I know. But he's no harm for about an hour. He's still feeling soft and fuzzy." Lubb: "hehe... Ndiyabuya." Lukhanyo was sitting with Lonwabo. Drinking, listening to music and chatting. Luks: "ngok iphi eyakho?" Losta: "aska, and'nayo...and'kwaz ketha." Luks: "funa nton dan kwi cherrie wena?" Chapter 372

Lonwabo was laying in bed with his eyes closed. Not sleeping. The image in his head, of her.....bruises and cuts all over. Her head cracked on the side. Arm ripped off...by the accident. He still got shivers just thinking about it. He tried to remember the last time they spoke which was 2 weeks before arguing about the baby. They had broken up before Tia was even born. Which made things harder for him. "Celu xolo mninawa.....I'm sooo sorry." His brother cried. How did he survive?! Lonwabo asked himself day in, day out. WHY! He snapped out of his thoughts when Babsie's phone rang. She whispered into it thinking he was still asleep. She: "huh? Hayi ndizok'fownela man baby, awuzokwaz uza kum because ndik'xelel zolo khona ubhuti and yamaz unjan." Caller: "ndik'bone nin kehok mna?" She: "ndizoza kuwe mini." She hung up. Losta: "hi." He yawned. She climbed on him and lay on his chest. Losta: "yand'sinda babsie." She lay next to him. She: "you okay?" Losta: "ndiryty." He snapped. Losta: "und'vusela nton?" Lukhanyo and I just got home. I remembered we have the house to our selves and for one. We were both tired. We locked the house and I took 2 pain killers for the oncoming headache. I made a banana shake and stored it in the fridge. Lukhanyo lay in bed. I went to lay next to him. Luks: "it wasn't that bad was it?" Me: "nah...they're nice people shame. Luks: "you need to shower real quick, uye ku namhla kwa lubby. Something happened." I got up. Me: "what's

something? Is she okay?" Luks: "just get ready." He walked to the lounge. Luks: "samben." They got in Luks' Range rover and drove off. I showered and grabbed jeans and a t shirt with sneakers, brushed my hair and left for Lubby's place. No time to look fancy. I quickly drove to the house and parked walking in. It was quiet. Liya in the kitchen. Me: "hey, uph namhla?" Liya: "I think she's in her room bendisezoyo checker pha ngok. Why?" Me: "what happened?" Liya: "andiyaz, thulani umke nobaby not so long ago." I went to the bedroom and knocked. She kept quiet. I opened and walked in. She covered herself with blankets. Me: "hay man namhla, kwel'langa?" I tried to pull back the covers. Taking off my shoes I got into bed with her. Me: "mntase utheni?" She sniffed. Me: "namhla please...." She turned around and held me tightly. I held her as she sobbed loudly. What happened here? Ayinoze ibengu thulani. He would've been here if binguye. Me: "what's going on?" She couldn't speak. Maybe if I give her time. Liya walked in carrying a tray. It was hot chocolate with marshmallows. She climbed in bed with us. And we sat in silence. Waiting for namhla to explain why she was crying in vain.....

Lukhanyo parked at the place Thulani had directed. Thulz jumped out the car followed by Lukhanyo and Lubby. When he got to a group of guys. He kicked Melusi in the face and stamped on him angrily, he kicked his stomach repeatedly. The other guys tried to stop him but he pushed them away. Growling in anger. He bent down and kneed on his throat roughly, punching him in the face. Lukhanyo and lubabalo held the guys back. Luks: "hey tsekin makwedin! Thulani, faka lokaka phe motwen." They opened the boot. And shoved him in. Driving off. Thulz: "yeses undenz umsindo melusi sani." Melusi: "andaz lent thetha ngayo thulani!" Lubb: "uzokaka emhlophe ngomlomo ke namhlanje." They parked inside a bush and dragged him out. Luks: "kuphe la ntsimbi pha." Lubabalo drew out a metal pole from underneath the seat. Lukhanyo reached under his seat taking out his gun and loading it with bullets. Thulani dragged Melusi out the boot still hitting him. He face was swollen and he spat out blood. Thulani's hand full of blood and bruises. Lubabalo undressed him. Hitting him with the pole. Luks: "what were you thinking? Huh?" Lubabalo pulled out his pocket knife and held Melusi cock. Lubb: "ingathi mancane akeva kakhle, ufun ubaptizo." Luks: "yolusa lontwana lubby." He cut slits on him and he screamed. Thulz: "izandla ezi zingena mbeko!" Lukhanyo handed thulani the gun, without a second thought, he pulled th trigger and shot Melusi in the forehead, walking off. Thulz: "samben.".....

Lonwabo sat with his daughter at Wimpy calling Phila who informed him the people had left. After eating, Lonwabo and Tia went home and found the house in a standard condition. Losta: "befikil usisi?" Phila: "ja besando hamba, I'm leaving. Ndisaya

Babsie: "kudala ndik'fonela awuphenduli." Losta: "I was ignoring you. Hello!" Babsie: "why?" Lonwabo took out his phone and dialed a number. Losta: "security? Yes, there's an impostor in my house. Please come remove her." He hung up. Babsie: "you are not serious." Losta: "just watch." He sat his daughter on the counter and tied her laces. Tia: "tata..." She mumbled in her mouth. Losta: "ne? Nam andaz umele nto." The security guards came. Guard: "Doctor Dabi?" Losta: "thatha nantsiya me'pha." Babsie: "I can walk myself." She grabbed her bag and stomped out. Losta: "so what does my princess want to do?" Tia: "adlala notata." Losta: "okay." He picked her up and they sat on the carpet with her tea sets and pearls, she wore her mother's old earrings and heels. Lonwabo applied pink lipstick on her. Tia: "nawe tata!" Losta: "uhm...no baby. Not me. Ndingu tata mna alok." She placed a necklace around his neck and gave him a teacup. Pouring in "tea". Tia: "sela." He pretended to drink in the empty teacup. Losta: "mhh....mandi angel." She climbed and sat on him watching tv.....

At the house, we were still in bed. Namhla had told us what happened and it pained me to the extreme. I felt like it was happening to me. Liya was even worse, sobbing. Well, she was understandable since she's hormonal because of the pregnancy. We drank our hot chocolate and sat quietly. The guys came in while we were laying in bed. Lukhanyo sat on the bed. Lubabalo and Thulani hadn't entered yet. Luks: "can we have a moment?" Liya and I got up and left them. Luks: "namhla..." Namhla: "bhuti." Luks: "look at me..." She looked at him. Luks: "the country's justice takes too long. We had to do this the quicker way. Ungam'qumbeli uThulani, don't push him away. He doesn't know what or how to handle this situation. Trust me, I've been in your shoes. I know what you feeling. Uziva as though you're not good enough and usi-scrap. You're not all that. Ungumntu. And siyak'thanda thina. We'll be here for you. If something like this, Ever happens again. Do not even hesitate to tell us. Noba usekhona lomntu, thetha sibenento kwenza ngaye. Ava baby girl? I'm really sorry..." She nodded. Lukhanyo got up and left the bedroom.....

He walked out the house accompanied by Lubabalo.

Mandy lay in bed for a while, she had a heavy headache. Mandy: "baby!" She looked at the time. Anda was still at the gym. And he'd only just got there meaning it would be another two hours till he got back. she was stressing about how to tell her parents she was pregnant. They believed in no sex before marriage strongly and she didn't want to pressurize Anda with marriage because she knew he wasn't ready for such a big step. Even moving in together had been a mission and a half because he was really stubborn.. She got up and went to the kitchen to pour water. Her stomach was cramping a little. She took pain killers and went back to bed. After an hour she woke up, still feeling the same. Everything was worse the cramps were more painful. She called Anda. Mandy: "baby! Please come back." Anda: "what's wrong?" Mandy: "andiyaz anda. My stomach is cramping abnormally....just....come back." She breathed. Anda packed his things and left the gym. Rushing to his girlfriend. Mandy started feeling faint. A sharp pain pierced through her body and she screamed in agony..as she was crying and weeping, Anda rushed in. The sheets covered in blood. Anda: "Baby!!!" He yelled. He picked her up and took her to the car. Mandy: "umntanam anda!" She cried. He started the car and raced to hospital...shaking in fear. He blocked the tears from streaming down his face because he knew what was happening. But couldn't understand Why! He stopped right out the door and the paramedics helped her in to hospital. He parked properly and went in after her. They stopped him and told to wait. It was only an hour later, they let him in to see her. She

had been sedated to sleep. Doctor: "I'm sorry sir. We couldn't save the baby. It was already too late."

Lukhanyo called Stuja. Luks: "uphi?" Stuja: "s'lapha kuwe ndlin. Silinde nje marhath' asuke pha k'la plek, siyobeka lawai pha siy'tshise." Luks: "okay sho. Ndiyeza." He hung up. Something didn't feel right. Me: "baby.." Luks: "mntu wam." Me: "what's going on?" Luks: "thulani benomsindo babes....and he kind of..." Me: "he" Lukhanyo nodded. Luks: "boniwe ngabantu ngok ebem'betha. So we're taking necessary precautions. Uphi uChuma." me: "out in the back." He went to him and picked him up. Luks: "my boy." Chuma: "daddy.." Luks: "I love you." Chuma: "luv yuu." He kissed him. Chuma wiped his cheek. Luks: "ndok'faki nqind kwedin." He laughed. Luks: "ndizobuya va?" Chuma nodded. Luks: "you gonna be a good boy?" Chuma: "hm.mh." Luks kissed his head and put him down. He ran to Junior, while Lukhanyo walked to the babies' room. Luks: "yoh, ndibaqibele nin aba." He kissed Them both, his phone rang. Luks: "sho" Stuja: "sibekile bhut. Khona enye into?" Luks: "ndiyabulela madoda. Just keep close nina qha." He hung up. Me: "sohamba noNamhla ne baby. Get the babies things ready." Luks: "ima babes, soguka late. Let me go sort out a few things eDwesi." Me: "okay." He took his car and drove to his parents house. Ma: "kunin ndik'fownela lukhanyo." Luks: "kodwa and'fuman missed calls ez'suka kuwe.." Ma: "nenzenton? Why are the cops looking for you?" Luks: "what?" Ma: "lukhanyo, kufike amapolisa apha, bezofuna wena buqu noThulani." Luks: "yese! Wathi ndiphi mama?" Ma: "I said you were out of town." Luks: "uph Ta smig?" Ma: "he left. Uye Pretoria." Luks: "okay." He went to take out his weapons from the car and put them in the house. Ma: "zikhona kuwe ndlin." Luks: "ha.a ndiz'susile. There's only one left. Leye emergency. Ndiyolanda yona ngok." Ma: "be careful." Luks: "okay ma." He drove out the yard and went to his house. He parked and went in. Searching for the gun. He called Lihle in the meantime. He tucked the gun in his trousers and went to make food. He spoke on the phone while he ate and went back to the bedroom. His phone beeped. There was an incoming call which he'd been ignoring for the last 30 minutes. As soon as he hung up, he went out the house...locking it. He called Stuja, before Stuja picked up he heard sirens behind him. He dropped the phone and turned around. It was flooded with police. They spoke in a loud speaker. "Drop Your weapon, and put your hands on your head." His heart beat increased as he thought of his kids. He put the phone and gun on the ground. Putting his head above his head. The police handcuffed him. Police: "Mr Mzinyathi, You are under arrest as an accomplice for the assault and kidnapping of Melusi Siwisa. You have the right to remain silent, anything you say will be used as evidence against" Everything went blank.....

Chapter 375

Lubabalo got back home. His left wrist was a bit sore. He got to the kitchen and ate a fruit salad.. His phone rang. I walked in the kitchen when he answered. Lubb: "'lo?" He mumbled. Luks: "fethu, I don't have much time. Ndibanjiwe." Lubb: "WHAT?!" He yelled. Lubb: "njan? Where? Why?" Luks: "fuck lubabalo, if I wanted a lecture and the 21 questions I would have called my wife. Which I know uzobane worry. I only get one phone call and I know you can deal with everything." Lubb: "ndize nin?" Luks: "they won't let visitors today. So ngomso." Lubb: "okay. What else." Luks: "take care of my kids." The phone cut off. Me: "what's up?" He swallowed hard and looked away. Me: "lubabalo?" Lubb: "please don't freak out." Me: "I will not." Lubb: "okay. Uhm....lukhanyo ubanjiwe". Me: "WHAAT!!! Hayi lubabalo xabek'theni!!!" I screamed. Lubb: "please calm down." Me: "DON'T tell me to calm down! Kwenzeka nton lubabalo!?" Lubb: "please don't shout at me, andiyaz." He pleaded. I was near tears. I went to the bedroom and took the car keys. Lubb: "they don't allow visitors today. Sizoya ngomso." Me: "why not lubabalo!" Lubb: "I don't know lihle." I was crying by now. Liya walked in. Liya: "Hay kwenzeka nton apha?!" He seemed speechless for once. Liya: "ndiyathetha lubabalo." Lubb: "lukhanyo ubanjiwe." Liya: "what!? Why?" Lubb: "we don't know. We're only finding out tomorrow." We stood in the kitchen quietly. Liya hugged me in comfort. I just wanted my man. Nobody else!

Lubabalo went to his upstairs apartment which he used mainly when he wanted to work. He called Smith. The phone went straight to voicemail. He left him a message: "You had Better call me back Smith or I'll come to Beijing turn that whole city upside down looking for you and I WILL find you and drag you back here. C A L L M E!" He ended it. He called his father's lawyer. Daniel Sullivan. Lubb: "Dan?" Daniel: "I have a meeting in 10 minutes, you have 8. What's up?" Lubb: "I need you to help me man." Daniel: "what did you do nooww..." He sounded irritated. Daniel: "you know I'm getting tired, sorting out your scandals right? You're always around unnecessary drama and forever and always you're the cause. Andrew, I been telling you for years to quit and start something new for yourself. Try and move on. But nooo, nigga's just got to do their thing and ignore me. How many times do you have to get jailed before you start to accep-" Lubb: "I did not get jailed. My twin did. And don't act smart here you know my cases put you on the map and built your firm. Daniel I know you're busy okay? I just need help. Legal advice, that's it. I swear I won't bother you again."

Daniel: "what happened?" Lubb: "we're not sure yet, they won't let us go to him today. Visitors are only allowed tomorrow." Daniel: "were you involved?" Lubb: "I suppose because we're always together." Daniel: "my advice for now is to stay the hell away. The moment they see you, they will take you too. I'll fly down tonight. We'll meet at 7am tomorrow okay?" Lubb: "thanks a lot Dan." Daniel: "now I'm late. Cheers." He hung up. Lubabalo tried breath, he felt suffocated and couldn't face his brother's wife's tears. He had to go downstairs though. He tried to call Ta Smig. Phone on voicemail. Why is everyone sooo busy when you really need them! They had to look for Sizwe. He would know what to do. The thought of going downstairs. He collected himself and walked down to the lounge. Lubb: "lihle...I need you to do something." Me: "what?" Lubb: "khangel uSizwe. I can't be seen or else nam ndizofakwa ngaphakath and that wouldn't do us any good right now..I called dad's lawyers, uyeza ngoms eksen. We'll talk more xa kukho Sizwe." Namhla was sleeping. I felt so dumb. Like really. Ndaske ndamuncu. Nette came into the lounge. Lubb: "ngok lihle." I got up and walked to the car then drove to my father's place.

When I got to the house I walked to the door and knocked. Sizwe opened. Him: "what a lovely surprise." He smiled, raising his eyebrows. His smile was contagious. Me: "molo tata." He led me inside. Sizwe: "what's wrong." Me: "tata...." I couldn't speak. Sizwe: "talk to me, kwenzekani? Ngu lukhanyo?" I nodded. Sizwe: "what did he do?" Me: "he got arrested namhlanje. We don't know why or where. Befownele uLubby and told him, I don't know what they did. But Thulani bamkisile naye." Sizwe: "uphi lubabalo yena?" Me: "endlin." He took his jacket and we left the house. He took the wheel, driving us to Lubby's place. Sizwe: "I'll call someone, to make sure he's taken care of. Akazokwenzwa nto. Don't worry." Me: "its not him I'm worried about. You don't know how moody lukhanyo gets, ndine worry yaba bantu bazobe behlel naye." Sizwe laughed. Me: "is it warm enough? What if he gets sick?" Sizwe: "lukhanyo yindoda, he spent 3-4 weeks in a bush. He'll survive." We got to the house and Sizwe sat in the lounge. Nette was in the kitchen cooking dinner. Lubb: "daniel yi lawyer ka tata. He's coming in the morning. Then nizoya naye nobabin. He told me to stay away. At least if he applies for bail and gets it. It'll buy us time. I need to get hold of Ta Smig and detective Smith..especially xasingayaz how much the police know." Sizwe: "okay." He got up and went to make a call. This was gonna be a long night. Thenjiwe and Jeff entered the house. We have to explain it all over again. They sat down with us. Jeff: "uphi uThulani?" Lubb: "on his way to Australia by now." Jeff: "what?!" Lubabalo took Jeff aside and explained what's happening. Jeff: "why did nobody call me!!" He fumed. Lubb: "because Thulani khange afune. Uncle Jeff, my dad's lawyer will sort this out..ngomso lusayo. Then Thulani can come back. All we're

trying to avoid is him going to jail. The quicker that docket disappears. Uzoyekwa." Jeff: "no lubabalo!! You have no right to tamper with suspects or evidence noba kuthen. Thulani was irresponsible, he should've left it to the police for justice. You can't go around beating people to death thinking it'll just blow over. Now HE will be the one with a damned criminal record!" Lubb: "Uncle Jeff, I get that you're mad. But what's done is done. Akusekho asingayenza ngoku." Jeff: "ubuya nini?" Lubb: "when all this is sorted." Jeff: "and that will be when?" Lubb: "until I get hold of Smith. I don't know." Jeff: "nx!" He walked back into the house, grabbed his keys and left. Sizwe came to the lounge. Sizwe: " okay, that's sorted. I guess kuzomel silinde ngomso." Chuma and Junior came into the house junior climbed on the couch. Chuma stood in front of me, sulking. Me: "what's wrong baby?" Chuma: "chuma ulambile." Me: "okay baby, granny Nette is making food." I sat him on my lap. Nette brought us the dinner and I fed the kids. I went to the babies, fed them, bathed them and put them to sleep. Namhla bathed Junior and Chuma, she dressed them and put them to bed. I went straight to bed without talking to no one. Realizing I hadn't washed today. I took a very long shower. It looks like our nightmare has only begun. I got out, dressed and went straight to bed. I just sat there in the Dark.....

Chapter 376

I woke up as early as 5am and went to shower and brush my teeth. I felt like I was in a nightmare. I wore my track suit since I didn't have clothes here and took the keys. Sizwe, Jeff and Lubabalo were in the lounge. I greeted and left. Lubabalo came to the car. Lubb: "are you okay?" Me: "I'm fine." Lubb: "uyaphi?" Me: "home to change." Lubb: "lawyer yafika ngo 7, please be back by then." Me: "okay." I started the car and left. I arrived at home and went in, locking behind me. I packed the kitchen because there was still things Lukhanyo had left on the counter. I went to my bedroom and got dressed...navy pants and a white shirt. I wore the nude platform he had bought me, did my make-up and tied up my hair. There was a knock on the door. Who the fuck is that? I took off the heel and tip toed to the window and checked. There was a police van. I opened the door. Me: "yes?" Police: "morning Mrs Mzinyathi." I stared at them plainly. I was in no mood to play. Police: "eerr...." He stuttered uncomfortably. Police: "we would like to ask you a few questions regarding the whereabouts of Mr Mzinyathi on the 1st of January." Me: "you can ask his lawyer that question.." Police: "we are lookin-" Me: "I don't care what you looking for bhuti. Ayikho apha. Cela uguquke. Nihambe naye mos izolo. Yinton enye eniy'funayo kengok." Police: "alok sisi asilwi nawe." Me: "ndiyalwa mna?" Police: "we are just doing our job." Me: "people

are being killed, raped and robbed. And your job is to come Chat to me ngomntu enimthathe izolo?" They looked at each other. Me: "you're wasting your time. And mine as well because ndifuna uya khona ngok." They turned around and walked to their van. I wore my shoes and locked the house, driving back to Lubby's.

When I arrived there was a black Porsche Cayenne in the driveway. Probably the lawyer. I walked in. Lubb: "what took so long?" Me: "kufike amapolisa endlin." Lubb: "wathin lihle?" Me: "I told them nothing." Lubb: "good." I sat down in the lounge. Lubb: "lihle, this is Daniel Sullivan, Dan, this is Lukhanyo's wife. Lihle. Let's get started." Daniel: "nice to meet you." We shook hands and Lubabalo began the story of what happened. Daniel: "when you left him, was he dead?" Lubb: "we didn't check. We shot him just once. He seemed fine to me." Dan: "fine andrew? You shoot someone and you think they're fine?" He asked sarcastically. Daniel: "okay. So where's the body?" Lubb: "Stu burnt it and hid it." Dan: "so without the body or substantial evidence or hospital records or anything else for that matter, they can't link Lukhanyo to his murder or even disappearance. Or did you leave with him?" Lubb: "yes we did." Dan: "oh shit....okay. Let's try this, you left his body and where did you go? Did you meet anyone at any specific time?" Lubb: "no, we left the body and came straight here, lihle, liya and Namhla were here." Dan: "who else saw you?" Lubb: "our housekeeper. And Mom." Me: "lukhanyo left after Lubby took Thulani to the airport." Daniel: "woah there, we're scratching the airport part completely out. The will dig why you let Thulani leave the country. When they ask where he is. His grandmother got sick in Ciskei and they don't have cellphone signal..where did Lukhanyo go Lihle, explain his exact last words to you before he left." Me: "well I told him to get the babies' bags ready so we could go. He said no, we'll leave later on, he was going to KwaDwesi to his parents house to sort something out." Dan: "and then?" Me: "well he said goodbye to the kids as usual and left. He called like 30 - 45 minutes later and we chatted on the phone, he told me he was at our house, he was asking me where I put the sugar." Dan: "then that was it." Me: "yeah." Dan: "okay, let's go." We got up and walked out. Dan: "we're using my car." I got in the passenger seat and he drove away. Dan: "stop looking nervous. I'll get him out of there real soon." Me: "today?" Dan: "I believe so.".....

We got to our destination and climbed off the car. Dan: "you keep quiet, I'll do all the talking." We walked inside and he requested to be taken to his client immediately. He spoke with such order I swear you'd just listen to him noba bunga baweli. We waited, they searched us. Then after the longest time led us down a hallway into another room. Dan: "Please. Don't get emotional. Okay?" I nodded. He went in first and left me behind. They spoke with the detective. I couldn't hear what exactly. Daniel came

back out with the detective. Dan: "Lihle, you can go in." Detective: "10 minutes." I went inside. Lukhanyo was sitting in the chair slouched looking really bored with himself. He tapped his fingers on the table. Me: "hey?" He jumped up and hugged me. Really tightly. Luks: "I'm really sorry mntu wam." Me: "its okay baby, Lubby and Dan are trying everything they can." Luks: "I kind of fucked up." Me: "you didn't fuck up sthandwa sam." I looked at him and kissed his lips. Me: "you'll be okay. We'll fix this." Luks: "banjan abantwana?" Me: "they're okay." Luks: "I know chuma uzoba moody and uzondifuna. Just tell him I've gone to work for a couple of days." Me: "okay." He kissed my forehead. Luks: "stay strong for us and our kids, ndigrand mna." Me: "did you make friends?" He laughed. Luks: "yes I made friends, khona enyi awti bithethe noTa Seez. His name is Svig. Oko sincokola. He's really cool." Me: "okay ke sthandwa sam. As long as you're safe." Luks: "I'm good." He bit my ear, kissing it. Me: "I can't be long." Luks: "its okay. Kiss my puppies for me. All 5 of them." Me: "I will. Except the real puppy." He kissed me one last time and the guard came in to fetch him. They handcuffed him and left. Daniel and I sat in the table. Me: "so? Can you get him out? What happened?" Daniel: "we'll talk at home." We got up and drove home....

The moment we got in the house I was just tired beyond measure. My heart was breaking. I sat in the car and stared into space. How was I gonna cope without him? What about the kids? What if they find even bigger things linking to him? Daniel: "the hearing is tomorrow." Me: "why can't they let him out today?" Dan: "let's go in." We got out the car and went to the house. Lubabalo was already waiting. Lubb: "where is HE!!" Dan: "andrew." We sat in the dining room.. Daniel: "they can't find enough evidence that directly links to Melusayi or whatever his name is. There's only two guys that aren't sure of what really happened. The hospitals have no records neither do the morgues in P.E." Lubb: "but why is he still inside??" Daniel: "when they arrested him, he had a gun on him. So now they're opening another case." Lubb: "oh fuck." Daniel: "what?" Lubb: "uhm...." Daniel: "andrew!" Lubb: "that's not his." Me: "meaning?" Lubabalo breathed. Lubb: "there was a time, I took his gun. And replaced it with mine a few days later because I lost his.." Dan: "is it licensed?" Lubb: "yes I did it last year." Me: "I didn't know you owned a gun." Lubb: "you never asked." Dan: "okay, okay!!!" He sat excitedly. Dan: "the hearing is tomorrow at 09:00am. Here's what we're going to do." He took out papers with the biggest smile on his face.....

While he and Lubby was working I went to check on Namhla. I was feeling really down but she had gone through something bad too. Me: "hey, unjan?" Namhla: "I'm okay, wena?" Me: "yeah I'm good." Namhla: "I'm really sorry Lihle. This is all my fault." Me: "nonsense. This is not your fault baby, don't you even dare blame yourself." Namhla: "if I hadn't said anything." Me: "no namhla, you were right to say something. Mntase ndak'cela. Don't blame yourself." Namhla: "bathi kwenzeka nton?" Me: "Daniel will be going tomorrow, for the hearing. Hopefully we'll be able to bring him home." Namhla: "what happened today?" Me: "they said since he was carrying a weapon on him they can't let him go. But ke the gun belongs to Lubabalo and its licensed. Instead, he will say ebeyigodusa." Namhla: "luckily. So is there anything I can do?" Me: "yes....yabona ke peto. they're opening a new case ne? For sure by now they'll click that Lukhanyo only recently started work. His assets are expensive and date to 3 years back, meaning it could not have been by the company. When the court wants you as a witness, you will stay saying, Lukhanyo and Lubabalo knew each other since they were young but Lubabalo only came to live in S.A a few years back. That's all you know." Namhla: "okay. Will they ask?" Me: " mtshana andazi, I'm just being cautious if they do." I got up to go check on the kids. Nette had taken the babies out for the day. Chuma and Junior were outside playing with the puppy. I sat with them for a couple of minutes. The puppy ran to me, Chuma chased after it. I hugged him. Chuma: "hello mama." Me: "hey pumpkin." Junior hugged me. Me: "nityile?" Junior nodded. "Yep!" Me: "okay, are you full?" Chuma: "yeah. Mama, iphi bola?" Me: " ise roomin sweety go fetch it." They ran to the room to fetch their ball. I went to help Sylvia with dinner. Sizwe walked in. Me: "hey." Sizwe: "hello...so he's okay?" Me: "yeah. Uthi behleli noSvig pha." Sizwe: "yeah, tshomi yam leya." Me: "thanks tata." I hugged him. Sylvia left the kitchen. I carried on with the pots. He peeled the veg and started a chat. Sizwe: "so, how was Jeffrey's." Me: "it was great tata, we had so much fun at the beach. I loved the place. And we went on a lil charity streak thanks to Luks." Sizwe: "he has a really big heart. Ngathi wakhula kab'hlungu. Kindness isn't rare to those who never experienced it." I kept quiet, it wasn't my place to discuss Lukhanyo's past. Sizwe: "ne?" Me: "andiyaz tata." Sizwe: "I think you know by now I can tell when you're lying." Me: "I suppose." Sizwe: "so I'm right?" Me: "yes.." Sizwe: "pity....lantwana bizokhula right bonanje if wayehlala noZolani. He would've been something....but then again, maybe kwakufunekile..maybe he wouldn't have met you." Me: "heeee utata." I blushed. Sizwe: "I know true love when I see it. Its visible kuni noy2. You can't even keep away from each other." Me: "yeah well, I hope it never changes." Sizwe: "hahaa! It won't. Not on my watch. Lukhanyo phof knows.....he told me the last time you almost divorce him. Uth he almost pee'd on

himself um'lahla ngalama phepha. Don't scare the poor boy like that again." I giggled. Tata was taking both our sides at the same time. I don't even know how. Me: "let's hope he's sure of himself." Sizwe: "reminds me of when I was his age...I had two in years in jail. Your mom came to visit 3 times a week. You could see the love didn't die in her eyes each and every time wayefika kum enothando. Supported me, got me through those first tough years. She said she'll always be there for me no matter what I did." Me: "between me and you I don't really think Uncle Jeff is for her." Sizwe: "why not? They make a pretty couple." Me: "pretty doesn't mean happy tata. Uncle jeff is like a show stopper. The party starter. A ladies man. I-know-i-got-it type of guy. Mama is too humble for that." Sizwe laughed. Sizwe: "I know I got it type? Mxm wena." As we were chatting, Thenjiwe was standing by the door. Me: "but she seems happy with him, and who am I to stand in the way of her happiness?" Sizwe: "good.I'm happy for her nam. Maybe she deserves to be treated like a queen. I'm Too less of a king. I can't do it." Me: "you are a King. To me and your grandkids tata. What happened to the lady you were seeing?" Sizwe: "we broke it off, she moved to Durban. So I'm alone for now and I'd like to keep it that way. For a while." Me: "oh. I'm sorry to hear that." Sizwe: "life goes on sweetheart...." He smiled at the stove. Sizwe: "rather ungene uzoncokola uhlale nathi ke bonanje." Me: "huh? Uban?" I turned around and saw mama. Me: "hey mama. Kuthen ngangeni?" She came in shyly and sat down. Me: "would you like some tea." Thenji: "ewe mntanam." I made her tea while Sizwe was occupying himself with the pots. I gave her the tray putting it on the table. Sizwe closed the pots, turned down the stove and turned to me. He kissed my cheek. Sizwe: "you'll handle the rest. I'll see you later." He put down the cloth. Sizwe: "Thenjiwe." He bowed and left with her reply.....

When dinner was ready Nette came home with the babies. I missed them quite a lot. I took Luhle who was being really restless. Her temperature was fine. She probably missed her dad. Usually when she acts like this, he takes her and sings to her. But akekho ngok. I took her to the bedroom and bathed her. When I dressed her she started crying. I tried to comfort her, she spat out her food and refused to drink milk. Lubabalo came in the bedroom. Lubb: "utheni ngok?" Me: "I don't know...she's just." Lubb: "lihle, you're stressing. Lomtana uyay'senser le negative energy yakho." He took Luhle from me. Me: "but ndithini ke lubabalo? I AM stressed. I can't just switch off." Lubb: "try and eat for once. You haven't eaten in two days." Wait.....was he keeping track? Me: "I did eat." Lubb: "don't lie. You didn't." But I ate!! 'When bitch?' my subconscious asked me sarcastically. Lol. Mxm. Me: "I'll grab a fruit or something, I'm not hungry." Lubb: "your energy levels got to be on par Linkie. You have to eat food." Luhle was quietly laying on his chest. Me: "she's quiet." Lubb: "I'm her uncle. Of

course she quiet." Me: "I need her to eat before she sleep, or else yondivusa ngentseni." Lubb: "rather that...uzolala pha kum...I don't want to upset her again right now. Let her sleep. Just make the food and put it on standby for me." Me: "are you sure?" Lubb: "yes! Lutha is more suitable for your mood. He'll cheer you up yayaz nawe he likes playing by himself." I walked to go make Luhle's meal and put it in Lubby's bedroom. I went to collect Lutha and bathed him. As always, he was excited as hell. I dressed him, while I fed him. My phone rang. Private number. Me: "hello?" Caller: "hey you..." Me: "nguban kehok lo?!" Caller: "heeee." It was lukhanyo. I recognized the 'heee'...lowe force. Me: "heee nton, ungubani?" Caller: "ngu tatekhaya fondin." Me: "molo tatekhaya." Caller: "molo mfaz wam. Unjan?" Me: "I'm fine my love. Where did you get a phone?" Caller: "ndiy'nikwe ngu Ta Svig. Airtime thengwe ngu Lubby yamaz ke ngoya overboard. Andaz sizoy'thin airtime ye R1000 apha." Me: "always trust him to take things to the next level. But he means well hey." Luks: "yeah, we spoke and he told me kuzokwenzekani. Ndithele ngqa nje la ntsimbi felt different..but when did he take mine and ebezoy'thini." Me: "yaz love....there was a time I was in the bedroom. Busy with my stuff, wangena yena took something and walked out. Don't know noba it was then." Luks: "either way. He did good. Cuz le yayi yeyam wasn't licensed at least le inento e-legit." Me: "I'm glad." Luks: "uhlel naban.." Lutha made a growling sound. I put Luks on loudspeaker and fed Lutha in the meanwhile. Luks: "my boy." Lutha had hiccups and laughed in between the chokes of breath. Luks: "yi-happy chap qithi le..." Me: "inguye noChuma...yoh, bonwabe." Luks: "umxelele ndizobuya ngomso..." Me: "okay sthandwa." Luks: "uthi uLubby awutyi lihle." Me: "hayini ulubabalo unolwimi! I do eat." Luks: "don't lie to me." Me: "I will go eat now." Luks: "ndakwaz wena noba ucingela mna. I'm okay baby I promise, I swear." Me: "okay ke ndizoyotya.." Lutha screamed. Me: "a.a man boy. Shhh.." I gave him my thumb which he gummed on. Luks: "uthen ngok?" Me: "hay wethu yamaz unyana wakho he has his moments of drama. Luhle uleli kuLubby. Oko ekhala." Luks: "he told me.....babes, I have to go. Guards ziyeza. I love you." The phone cut off. At least I had a hearty chat with him.

The next morning I woke up with Lutha by my side. He was awake, his fingers in my hair. For a moment I thought it was his daddy. But it was still the same. Me: "morning mbombosi yam yamanzi e5 litre." He smiled. I kissed him. Me: "you're such a happy soul." I got up and brushed my teeth. Then went back to him. Nette knocked on the door. Nette: "you got to get ready honey. I came to collect the munchkin." She took Lutha. How does she remain so calm. Phof she been through all this before. I showered and went back to my place to change and packed a few other clothes just in case. I went back to Lubby's house. Namhla, Liya and Sizwe were ready. We waited

for Dan and we left for court. We arrived at 08:02, we were on at 09:00. I was totally nervous. I was shaking. What if he doesn't get it? If I have to leave him here again, I swear I'll collapse and die. We waited and waited. Dan wasn't with us this time. We called in. My heart felt like jumping out my throat. They led Lukhanyo out and he stood in front. He seemed quite annoyed, I could see it in his attitude and walks. "All rise." We stood up, the judge came in. I swear I just wanted to die by the time we sat down. Lukhanyo turned back and looked at me. He smiled then turned the other way. They read out loud. Like they wanted the whole world to know. "Lukhanyo Aubrey Mzinyathi, Accused of assault, kidnapping and in possession of an unidentified weapon." That's it? A weapon? Daniel is about to make mince meat out of this nigga. When the judge asked Daniel to speak. I felt like rejoicing. Daniel: "Your worship. The states witness. Fails to bring substantial evidence to the court of How my client was linked to the assault and kidnapping. The witness claims, he saw my client at the scene. But did my client do the assaulting sir?" Witness: "no." Daniel: "exactly. My client has more than 3 alibi's of his whereabouts around the time. He admits to collected Mr Melusi Siwisa's live and breathing body but they had left him at a near veld to civilization, Still Alive. Given what came up, Melusi was the one who started the fight and my client is not responsible for him missing." Judge: "what is your point advocate Sullivan." Daniel: "first and foremost Your honor. The correctional services in Port Elizabeth have failed to bring enough evidence, therefore arrested him on uncertain grounds in his own house." Judge: "they found a weapon on him." Daniel: "which belongs to his brother whom he was on the way to see Your Honor. Here are the documents that state that the weapon he had on him indeed belonged to his brother and the brother had asked him to bring it back." He handed the documents. The judge analyzed them. The court was quiet. Daniel: "I feel, Your Worship, my client has the right to sue the state for negligence and failure to come up with proper information and witnesses. He should sue, for he has wasted time which he could have been with his kids..." Judge: "we will take 30 minute recess. And I will rule out if your client is worthy of bail or not...court adjourned." This felt like the longest 30 minutes of my entire life.....

Chapter 378

Recess was over, we went back in. "All rise." We stood up. I was getting really aggravated. We sat down after the judge. Lukhanyo as usual was calm. I didn't know what to think. I was not calm at all. What if they don't let him out. Judge: "I have looked at these documents. They show that the weapon is indeed licensed. An

affidavit from the owner, to the accused is present.." He kept quiet. Judge: "However. Certain records of the accused have been given as it appears that he has been on numerous outings to Pretoria. Can you explain to me and the court, what is your business. In Pretoria?" He looked directly at Lukhanyo. Oh God please let him speak respectfully. His whole attitude might jeopardize this entire hearing. Luks: "Your Honor, my uncle is in Pretoria, and I go up there to check if he's still okay, from time to time." Judge: "is your uncle sick?" Luks: "no Your Honor, we are just very close." Judge: "I see." What? What do you see? Judge: "the prosecutor states that you may be a potential flight risk hence your accomplices cannot be found. Advocate?" Daniel: "Your Worship, my client takes these allegations against him very seriously and will not do anything to jeopardize his freedom. What he does care about is how his children will react after they have been informed of this. His only obligation is to them and his wife. He is not a flight risk at all." The judge stared at Lukhanyo. I'm sure he did his puppy dog face because the judge quickly looked away. Judge: "Mr Lukhanyo Mzinyathi. On the conditions of limited traveling. Drug and alcohol testing. Psychiatric, medical and psychological testing. Comply to a curfew and Remain in the custody of a designated person..... The bail is granted." I felt like screaming. Judge: "you are to check in with the authorities once a week, maintain your employment and commence with an educational program." That can all be done! Thank God. After the hearing, Daniel, Sizwe and the girls and I stood together. Me: "I can go fetch the money in the meantime." Daniel: "I'll sort out the rest." I left and drove straight to the bank and withdrew the amount the magistrate had said. I went to Spar and bought yogurt and juice, with apples, banana's and peaches. Lukhanyo had to eat before we get home ndamayaz, noba khangе aqulise tu ukutya pha. I drove back. Daniel was just done with the paperwork. I was signed to be Lukhanyo's guardian. Dan: "let's get going." Me: "where is he." Dan: "probably on his way, I don't know what's taking so long." We waited. And waited. Finally Lukhanyo came escorted by that other nigga. They did their stuff and I waited eat the side with Namhla and Liya. And we left for Lubby's house.

Me: "baby, eat some fruit ne yogurt. Not excessively indulge yourself in food. You haven't eaten in a while." Luks: "wena phof bukhe watya." Me: "ewe baby." Luks: "Liar. is Chuma okay?" Me: "he's fine." Luks: "ndizotya xa kusitya wena." I ate a banana. He ate a banana. I ate an apple. He ate an apple. Me: "so zandikopa kekok?" Luks: "ewe tshin nawe bundikopa mos." Me: "why didn't you eat." Luks: "I wasn't hungry." We got home and went inside. Luks: "cela und'vulel amanzi ebaфini, I want to soak my self." I went to our bathroom and opened the water for his bath. Putting in bath salts and bubble foam and stuff so that he's comfortable. He came in and

undressed. Luks: "uphi uLubabalo?" Me: "not upstairs? Cellar? His room?" Luks: "I'll check him upstairs xandiqibo vasa." He got in the bath. Luks: "jaa....neh..." He relaxed. I massaged his shoulders. Luks: "mmmhh....ungand'sokolisi ke xa ndifuna cuz yandiqala ngok." Me: "...yinton unobangela wosokolisa umnyen wam ngento yakhe." I slid my hands down his chest. Mind you I'm still dressed and outside the bath. Luks: "ungangeni nje?" Me: "ndonqena man baby, I wanna make lunch. I've been useless for the past two days." I groped his thighs, he had a naughty smile on his face. Before I knew it, he grabbed my arm and pulled me inside the bath. I stumbled in, splashing water everywhere. He laughed. Luks: "kudal ufuna ungena qha bufuna ndik'cenge?" Me: "erh no, you kind of forced me in, now my clothes and hair is wet." I took off the clothes and put them in the sink then sat in between his legs. He held his arms around me. I felt so warm and loved and protected. I swear I wanted to cry. Qha ndamaz uyondiphoxa. Luks: "for a moment I swear my whole life flashed right before me. Ngok bend'banjwa. Ndaske nda dom. Andava nale ndiy'banjelweyo. But ndithe ndofakwa pha kwi holding cell, I calmed down. Sorry I didn't call you first." Me: "that's fine babes. So, what happened." Luks: "khand'vase alok baby ndifun uya kwabantwan." I washed his body clean and we went out the bath. Luckily I had

more clothes. So I got dressed and he got dressed then walked to the babies while I washed our clothes and hung them. I went to make lunch for the family. Lukhanyo was carrying Chuma and Junior. Luks: "yoooh! Niyasinda nina! Sigoduka nin wifey?" Me: "after lunch babes." The kids ran to go play, he walked upstairs to Lubabalo. Luks: "miss me?" Lubb: "no." Lukhanyo hugged his brother. Lubb: "what's wrong?" Luks: "nothing. I'm just happy to be home. Wenzanto?" Lubb: "trying to trace Smith. Oko icimiwe phone yakhe." Luks: "didn't Daniel say if they don't find evidence they'll drop the case?" Lubb: "yes, the witness went for drug testing since when the incident happen they were drunk. Kufunyanwe narcotics in their urine samples" luks: "so?" Lubb: "so, they're not going to be a problem. They're gonna look for further evidence, the court gave them a specific date and if they can't find anything. The charges will be dropped and Thulz can come back." Luks: "uth unjan?" Lubb: "you know how much he likes to whine. But ugrand, uhlala pha kuth endlin kukho the housekeeper and my dog Sally." Luks: "Thulani hates dogs, I can only imagine." They laughed. Luks: "kham'fownel." Lubb: "I'll call him later, noba ulele ngok."

Losta was finished with his last appointment for the day. It was only 13:00 in the afternoon. His office phone rang he picked up. Losta: "Dabi." Caller: "sir, there's a Miss D-yasi here to see you." Losta: "but sweetheart you said I had no more appointments left and I was just called in at the hospital to stand in for Doctor Kutscher. I have to be there at 14:00." Caller: "she insists sir." Chapter 379

I packed our stuff finished since it was a Friday. I cleaned the bedroom. Lukhanyo was sleeping with the babies. They looked very peaceful. So I tidied as quiet as possible. I left the room and went to fix the babies' room. Lubb: "uphi uLukhanyo? Kudala ndim'khangela." Me: "he's asleep nabantwan. What's up?" Lubb: "hayi nah, bend'buza." Me: "thulani ubuya nin?" Lubb: "I'm still trying to get hold of my damn detective." Me: "why?" Lubb: "just in case, we need help. Naye Jeff ngapha uyapnicker. Zandiyazi mna utata omkhulu upanicka worse k'no mtana. Boggles my mind." I chuckled. Lubb: "so niyahamba." Me: "yes." Lubb: "Liya naye yahamba. And ya'll leaving with Namhla. Ndizohlala ndodwa mna." Me: "khona nje uNette and Sebastian. Wait, uphi uDemi?" Lubb: "andimazi. Haven't seen her since 2013." Me: "and you're not worried?" Lubb: "she's old enough to take care of herself. If she needs help, she'll call." Me: "what if ukwi accident or something bad happens?" Lubb: "then the authorities will let us know. Don't worry yourself ngo Demi lihle." Me: "I hear the front door." Lubb: "noba nguyee ke.." Me: "what's the deal with her? Kuthen ngafun hlala apha nathi? Angaske ahambe ke? Abuyele Paris." Lubb: "only she knows what she wants. Wancanywa ngutata. Somehow, they don't even speak. Nobody knows why, because zabe close." Me: "hm....." I wonder. Lubb: "you should be a journalist or

PI or some shit. Hlel nje you searching." Me: "I'm not, ndicinga ezam mna." Lubb: "I'll give you 100 bucks to find out why." Me: "why what?" Lubb: "bengathethi." I laughed. Me: "uyaz'thand indaba! Hay tshi. And'fun 100 rand yakho mna." Lubb: "ndizok'thengela uMEEEH." I couldn't control my laughter. Me: "you mean igusha?" Lubb: "ewe!" Me: "I don't want your sheep." Lubb: "what ke?" Me: "I'm not going to dig for you." Lubb: "why not! You're as interested as I am." Me: "I learnt the hard way Lubabalo, I'm never snooping around again. I find out secrets I don't like or want to know." Lubb: "ndiyak'ncela? We not snooping. Siyajonga jonga njee." Me: "yand'ncela?" I giggled. Lubb: "please mntase ndlin." Me: "hayi! Andingomntako kwenu mna." Lubb: "heee, khenze wethu my eff'able." Me: "haha, hee ndingade ndibengu my f.." Lubb: "so you'll do it?" Me: "to keep you quiet, yes!" Lubb: "okay, iya kuye ke uyombuza." Me: "uqala ngobu muncu kengok. Akandazi lomtana if I just ask blatantly. Izocaca." Lubb: "okay, buza kutata ke." Me: "lubabalo. Let me think." Lubb: "okay." Me: "uthe Namhla uhambe nge Benz ene tinted windows the other time." Lubb: "nguban kehok lowo?" Me: "andaz, maybe a friend?" Lubb: "khahambe man uyombuza. Kanye ndom'buza hokwam!" Me: "ubhatyaze kengok." Lubb: "okay. You'll deal with it and stuff. Ima go to the kitchen and make myself an SBS." Me: "what is that?" Lubb: "sexy beast sandwich." He walked out the room. I tried to think. I hardly talk to Sebastian. He won't want to talk to me about his personal stuff. Maybe Nette? Does she know? I guess there's only one way to find out. I walked out to find her in the garden. She loved flowers and she made sure to look after them.

I sat with her and helped. Me: "hello." Nette: "Hey, sugar foot." Me: "you okay?" Nette: "I'm fine darling and how are you?" Me: "I'm good thank you." The boys were playing with a ball on the other side. Me: "Demi is quite a quiet one isn't she? Haven't seen or spoken to her." Nette: "I guess she is, pom pom." Me: "has she always been that way?" Nette: "no, she used to be a happy child. Everytime we came back from traveling, she used to be really obedient and sweet. Until she moved to Paris." Me: "and then?" Nette: "well, for one, she stopped visiting, claimed she was busy with her modeling and school. She then, stopped calling, for weeks." Me: "is that why Mr Morrison is quiet towards her?" Nette: "I suppose, he's never been much of a speaker.." Me: "well, that's sad...maybe its because she felt alone, and needed you to reach out?" Nette: "but we did." Me: "oh." There was something about Paris. And Nette didn't know. It was something big futhi and I have an uneasy feeling that Sebastian knew about it. Nette: "pass me the garden fork dear." I gave her the fork and I watered the other flowers. She seemed to be thinking and I didn't want to disturb her. Me: "let me go check on the babies." Nette: "you do that sweetheart." I got up and walked in to the house....

Lubabalo was so confused. Lubb: "Demi!!" He yelled. Lukhanyo woke up and walked out the room. Luks: "what the fuck??!" He still had his sleepy voice. Lubb: "uph lomtana." Luks: "I don't know or care. Dude, stop making a noise!" Lubabalo breathed. Lubb: "I'm sorry." He walked to her bedroom. Me: "and then?" Luks: "andaz nam babes. I'm hungry." Me: "your food is in the microwave." He went to the kitchen. I went to the babies in the bedroom. Lubabalo walked into Demi's bedroom. Lubb: "who does that Jeep out there in my driveway belong to? Do we have a guest!" Demi: "its mine." She whispered. Lubb: "I don't see anybody else in MY house so, wait what?" Demi: "I said its mine." Lubb: "Demi, dad obviously didn't buy you a car, mom wouldn't buy you a car. And I didn't. So who did? Demi, did you steal it?" Demi: "no!" Lubb: "well?" Demi: "I got it as a gift." Lubb: "from Who?!" Demi: "a friend." Lubb: "what friend!" Demi: "Bro please." Lubb: "does mom know about this?" Demi: "could you just please stop?" Lubb: "no I won't!" Demi: "unlike YOU! This friend actually pays attention to me!! You don't even have time for me. Its all about you!" Lubb: "what am I actually listening to? Your aimless dreams?! Do you understand that in life you've got to work hard. Your dad won't be connected to every second person to give you benefits! Why can't you just be humble and accept what's been given to you! I studied and bought my own cars. I don't understand where you get this spoilt brat shit. You're taking that car back to whoever got it!" Demi: "it belongs to ME. And if you have a problem with it, I'll just leave!" Lubb: "you're going no damn where Demi Lee Morrison! I will find this person and shove his damn car in his face! You hear?" He walked out the room. Me: "lubabalo." Lubb: "uthin mama?" Me: "she doesn't know. But I have a feeling whatever it is its in Paris." Lubb: "why?" Me: "her behavior started when she got to Paris." Lubb: "oh. That's true." Me: "cela phone yakho." He gave me his phone I unlocked and searched her facebook from his profile. Lubb: "can you hack it?" Me: "no I'm not that smart." Lubb: "there's nothing really interesting here. Wait, Phila has an IT diploma or degree or something, maybe he can." Me: "nguban Owen Williams the second?" Lubb: "dad's ex best friend, why?" I stared at him in disbelief. Me: "what car does he drive?" Lubb: "yuuh, he owns several, he has a Lamborghini, a Rolls Royce that's identical to dad's. And a Mercedes Benz. But moto zakhe zihlale overseas, only the Benz is this side." Me: "with tinted windows...." Lubb: "oh yeah....with tint-.....oh hell naaw." I could sense his personality change. Yoh, I was burning with fear..

Chapter 380

Me: "lubabalo! Calm down. Asikafiki k'lo conclusion. Look, this text just says: 'have yourself a wonderful day.' Its normal." Lubb: "ngok bezomthatha emsaphi! And the fucking boat cruise was him again because he owns a motherfucking yacht!" Me: "lubabalo, you're just going to push her away if uyathukisa. Her dad probably knows about this and that's why engathethi noDemi and he broke off with his own best friend. For once khacingele feelings zabantu." Lubb: "lihle, do you know how old Owen is?" Me: "no I don't, he looks 36 in this picture." Lubb: "he is older than your dad! ufuna nton emntanen ona 16? Siieeeeess!!!" Me: "hey! You don't know ireason behind this. Please keep calm." Lubb: "I am black Lihle, don't fucking tell me to be calm." He scratched his head pacing up and down the room. Me: "I'll talk to her." Lubb: "she hates you. Akasoze akuve tu." Me: "oh? Wow." Lubb: "I'm sorry.." Me: "hay akhonto. But sum'ngxamela Lubabalo. You don't know why or what." Lubb: "lihle, wakhe wadyola nomntu around that age group?" Me: "no." Lubb: "then have a seat. Me: "xolo." Lubb: "izonya nyi ke bonanje la timer!" Me: "just in case you forgot. You and Lukhanyo are being watched closely. You still have charges against ya'll and this guy is rich as hell, it'll be all over the newspapers." Lubb: "sies man! SIEEESS!" He was really disgusted. Me: "if you talk to her, be reasonable ungathukisi. Ncokola kakhle ubuze kakhle. She'll be able to trust you and talk freely then ungam'advizer kehok." Lubb: "lomntu utshatile lihle. He has a teenage son, from his previous relationship.. " Me: "what if udyola nonyana? Maybe, Owen knows her and approves of their relationship. Regards her as his daughter in law and shit." Lubb: "kehok theni equmbile tata?" Me: "then there's that. Hayi andiyaz man." Lubb: "you have to talk to her Lihle, show her some light. Utata omdala ongakaya otshatileyo at that?? Hayi man. Ha.a." Me: "khange uthi ndingayi kuye na?" Lubb: "I don't know. I'm just so shocked. This explains the Jeep." Me: "Jeep? What Jeep?" Lubb: "khange ul'bone elagwinya lime phamkwendlu yam?" I laughed really hard. Me: "igwinya lubabalo??" Lubb: "mxm."lol

Lukhanyo sat in the lounge with Liya. Liya: "uph uLubabalo?" Luks: "he's playing detective with uLihle, andiyaz ke kukhangelwa nton, qond'ba and'fun nophazamisa." Liya: "haha..mxm. Luks: "nope. No way. I didn't trust Lubby shame no lie. The first times we met, he had a crush on her. Didn't trust them together." Liya: "and then?" Luks: "kwakho uVuyo alok, but he still seemed not

Luks: "yinton efana nam? Just because I'm a thug I'm not allowed to have feelings?" Liya: "not that. Its just very rare to find a thug that loves his family like you. Its a beautiful sight." Luks: "oh thank you then. I try my best to keep them smiling hey. Especially Daddy's little angel, at least my boys are tough. Ntomb'kayise yena yay'thanda attention ka Yihlo." Luks: "hahaa! Yooh, I feel sorry for her boyfriend." Luks: "boyfriend will only be a word she reads in a dictionary." Liya laughed. Liya: "come on! If tata ka lihle belol'hlobo toward you buzothin?" Luks: "that's different." Liya: "how?" Luks: "I'm a guy, I know what guys do to girls and I won't let my daughter be played or made a fool." Liya: "but basekhona abaryt. Like you." Luks: "there's a reason why I married her mother, and treat her like a queen. So that ay'bone suppose injani. My daughter will have high standards kazodyola na scroblap se kwekwe. Lubabalo had a ill look on his face. I sat on the bed quietly. Ndoyika le ngonyama ndihlel nayo. Luks: "okay, what happened. Why you mad at each other?" Me: "we not." Luks: "kukho umphanga? And I saw a post on her facebook esuka komnye tata wishing her a good day, the old man is Lubby's dad's ex best friend and coincidentally he owns a Benz with tinted windows. Given the silent treatment from father to daughter and sudden

loss of friendship to the bestie. We think that might be the cause." Luks: "you're getting real good at this ne." Me: "at what?" Luks: "ukhangela izinto! Damn babe. Uy'dibanise njan ke.." Me: "namhla informed me nge Benz, Nette mentioned the behavior started when the girl moved to paris and lubabalo uth utata nentombi were very close. All I need to find out is if Owen Wilson behlala eParis naye na." Luks: "this is big Lihle. Yam'qonda phof lomntu sithetha ngaye?" Me: "who? Owen?" Luks: "I read an article about him the other day online. He is ranked #9 in the Forbes list. He is wealthy." Me: "and OLD." Luks: "if he finds out you're digging in his personal life?" Me: "I'm not digging him. Mna ndikwi nto z'ka Demi if yena ke uyi mpukane pha ayifun mna leyo." Luks: "masithathe nto zethu babes. Kuba late." We packed our bags in our car and took the kids. Namhla was coming to. We said our goodbyes to Nette and Sebastian then left.....

Lonwabo came home late after 22:00pm. He had collected his car and Babsie hopefully had given up. For once, he watched tv while in bed and ate a slice of pizza. His phone rang. Losta: "noo." He groaned. He wanted to stay in for once. It kept ringing and ringing and ringing. Only Lubabalo was that persistent. He picked up. Losta: "lubabalo." Lubb: "uphi, ndilapha phandle." Losta: "phandle phi?" Lubb: "mxm." Lonwabo heard the back door open and someone walk in. Lubb: "uphi?" Losta: "did you just break into my house?" Lubb: "I'm not breaking in if I announce myself. Robbers don't make sandwiches. Want one?" Losta: "no, I'm having a pizza upstairs." Lubabalo hung up and ran upstairs. Lubb: "ulele on a friday?" Losta: "hee. Ndizoy'fumana le." He started his car and they drove off.....

Luks and I were in the lounge watching tv. He was on the phone, replying to work emails. He got up and used my laptop. I don't know what he was doing but whatever it is, it looked serious. So I let him be and watched the reality show. Namhla went to bed, the kids were in bed. I wanted to hold my man. Kuthen nje engand'hoyanga? What is he busy with? I peeped over at the script. It was a report which I could understand nothing on. He made a call. Luks: "Hello, Mishka?" Caller: "hey you..." Luks: "this is not a social call, I'm sorry for disturbing you late, the stats you just sent me, don't correspond to the ones I requested. This is not what I wanted. It looks like a grocery list." Caller: "what's wrong with them?" Luks: "mishka, I can't understand this. Any of it. I'm sorry to burst your friday bubble angel but you gotta re-do it. Plus the totals are wrong and are clashing with those of which Sally sent." Caller: "I can't do this without you here to guide me though.." Luks: "you have your whole team to help you. Plus I can't move here for a couple of weeks so you gotta stay strong." Caller: "when's a couple of weeks?" Luks: "that is none of your business." Caller: "maybe you could come over and I'll cook you something exotic. Then we can go through that report yes?" Luks: "uhm...I don't think so." He shifted uncomfortably. She whispered on the phone, in his ear. Caller: "and maybe..-" luks: "no, that'll be all thanks. I expect this by the end of Monday, clear?" Caller: "yes boss." He hung up. He saved the stats and lay back on the couch. Me: "who was that?" Luks: "that psycho bitch from work. Masiyo hlal eroomin man." We got up, switching off the lights. He checked the doors and came into the room, sliding into bed. He positioned himself nicely and closed his eyes. Me: "hey." Luks: "hey." I moved closer and kissed him. I held onto him, pulling him closer. Luks: "hmm..." He groaned. I climbed on top of him. Luks: "yess.." He mumbled. I grind on him. Luks: "khay'fake man baby...kancinci." Me: "kancinci?" Luks: "ewe mntu wam.." I inserted him inside me. I clawed his chest. Luks: "ohh....yess." I took it in and out slowly. Luks: "ndafa Nkosi yam.....slower babe,.....nantso. " I upped the pace and bounced on him. My adrenaline was rushing out my ears. Luks: "ohh fuckk..." He was getting there soon. Me: " babbyy!!!" I moaned. Luk: " yess....oh yeess." He held my body down then turned me around.....

Losta: "yoh, you were not supposed to hear that part." He shook his glass and drank. She: "lubabalo." Lubb: "Zintle." Phila: "Phila." Lonwabo laughed. Losta: "bak'libele awti yam!" Phila: "hay ndenz'ba noba and'bonakali." Losta: "imbheko inqabile..." Lubabalo looked at her. His heart broke when he remembered how hurt he was because of her. How much he'd been fooled. It was one silly mistake on a stupid night. Please ndicela ungand'capkeli.." Lubb: "but andik'capkeli nje." Her phone beeped, she checked the message: "peto uphi?" She replied: "v.i.p section, ndabuya." Returning to her wallpaper of a cute baby girl. Lubb: "nguye lo?" She: "yes." He nodded and continued drinking. She: "okay, that's all I wanted to say anyway....bye." Lubb: "sharp." She got up and left. Losta: "bend'tshilo ndathi EZ'WAY az'na mbheko. Ndikiwe maan!!!" Phila: "qho xa unxilile wena uyadikwa. The next morning, Mandy woke up in bed. Anda did a lot for her. Changed and washed the linen. Ran her baths, made food.. She wasn't feeling in a mood at all. But had to be appreciate. At least her man was trying. She got up and went to the bathroom. Then brushed her teeth. She went back to make the bed. Anda came back from the gym. Anda: "hey." Mandy: "hey." She cleaned up the house. Anda: "maybe after a week or so, sibuyele gymin together, work off stress." Mandy: "no thanks." Anda: "Mandy I'm trying here, you hardly talk to me. I was sitting on top of Lukhanyo with Lihle on my lap. Lutha was playing with his father's eyes. Jumping in fright and laughing every time he flickered them. Luks: "you are entertained by the most weirdest things. Baby yakhala phone yakho." Me: " iphi khona." I reached over and took it. I answered. Me: "Mandy! Unjan?" Mandy: "hey....I'm okay wena?" I got up and sat on the bed next to Lukhanyo. Me: "ndiryt my friend, uyagula?" Mandy: "no...." Me: "is it just the symptoms? Bukhe watya?" Mandy: "no Lihle....." She wiped her tears... Luks: "oh shame man...." I got up and put Luhle down, went to take a quick shower and got dressed. Jeans and t shirt with sneakers. Luks: "kissie?" He pouted, I bent down to kiss him, tying my hair. I kissed the babies.. Chuma and Junior were outside playing with Namhla. Me: "andaz ndizobuya nin baby." Luks: "und'bizel uAnda." Me: "okay." I took my bag and left.

Chapter 382

I knocked on the door. Anda opened. Me: "hey." Anda: "hey." He let me in. Mandy was laying on the couch covering herself. Me: "babe." I sat next to her. Mandy: "hey..." I remember it all. When I lost my baby. Luthandoluhle was only 3 months old that time. Maybe I wasn't ready to have another child. But whatever it was, it was painful as hell. Vuyo came through that time for me and ke Mandy needs all the support she can get. Me: "bhut Anda, uLukhanyo becele uye pha kuye." Anda: "nizoba grand?" Mandy: "yes thanks." He took his keys and left. Mandy: "akuseb'hlungu lihle. I can't even look at him in the eye." Me: "trust me Mandy, I know what you feeling.....but the only way to get over it is to talk about it With your partner, naye uva kab'hlungu ngalento." Mandy: "I know peto.....nam its just what I feel. I don't know." Me: "kuzolunga my friend....Anda is a nice guy. Yenzeke njan yonke lento?" Me: "abanye abantu peto abayaz la ntlungu. Umntu ucimba just because you didn't see the baby, you can't have feelings." Mandy: "let me go get dressed." She got up and wore jeans and a light sweater with her red All stars. We walked out and got in my car. I told her about the

New Years Eve party. She started laughing. Mandy: "Thixo, ndine picture yalo Lonwabo." Me: "sgezo esipha! Fana nje noLubby." Mandy: "and? What else?" Me: "and my ex was there. Caba belwe noLukhanyo." We kind of just dropped everything in the trolley. All junk. Ice cream, Lays, Dorito's marshmallows, yogurt, Lindt Lindor chocolate. Everything. Mandy: "soz'qiba peto?" She giggled. Me: "ha.a my friend zophinda uz'mince no Anda." She smiled and paid then we walked out. we went to hire some movies and went back to her place.

Luhle was sleeping on his chest. Luks: "finally."

Phila was at his mother's house. They had just taken her out the hospital. Lwazi was sitting at home. Phila cooked for them. He didn't mind today, since he'd done nothing. He dished up and gave them their plates. As they prayed and started eating.

Phila started with his mother. Lwazi: "uphi uBusi?" Phila: "uku makazi for a while." Lwazi: "oh." Phila ate his own food and lay on the couch. Phila: "Lwazi buyela nin eskolwen?" Lwazi: "andaz ta." He helped his mother up, walking her to the room. Zuki: "I'm good, wheni ngathi ubusy nje?" Phila: "a liTtle. Can I call you back?" Zuki: "sure..." He hung up and lay his mom in bed. Then called her back. Zuki: "okay, so what you doing tonight?" Phila: "I don't have plans, wena?" Zuki: "well neither do I." Phila: "ucinga uthin wena?" Zuki: "andaz...." She blushed. Phila: "why, don't you come over?" Zuki: "over where?" Phila: "I'm at my mom's." Zuki: "uhhm.....yoh." Phila: "iza man, she won't mind." He directed her. Zuki: "okay, give me 30 minutes." Phila: "ewe mama." He gave her, her medication. Zuki arrived after a while. Phila walked her in. Zuki: "so tell me about you?" Phila: "well, I don't have much to say, about myself mna. Ingaske uzibonele.....that's if you want to be part of my life. Cela hug yam?" She went over to hug him. A long one. Phila: "ndatsho ndava kamandi." Zuki: "kuthen ungathand thetha?" Phila: "ndiyaloqa mna xandithanda.....I'm just giving you a chance." Zuki: "ndibawela uzibonela.....you're such a mystery. Its interesting." Phila: "iza...." He sat next to his mum, in her room. Phila: "mama, ngu Zuki lo, Zuki this is my mother.." He waited for her reaction. Zuki: "molo ma." And she sat on the bed. Ma: "h-hello sisi." Phila: "nantsi ke friend yam." Ma: "mhle." Zuki smiled. Zuki: "enkosi mama." Phila: "mama has a heart problem....bes'suka omthath esbhedlele." Zuki: "oh.....I'm sorry....owam passed away a while back....she had cancer." Phila: "I'm sorry...." Zuki: "akhongxaki wethu ndiryt.." Ma: "cela manzi." Zuki got up first and poured her some water. She helped her drink. Phila: "so you don't mind?" Zuki: "don't be ridiculous. Why would I mind? I'm glad you brought me here." He smiled...

It was after 6pm... Me: "ei girl, I have to go. Ndamaz Lukhanyo zolinda mna ndibuye for pheka." Mandy : "hay shame....he can't njena." Me: "yuuuuh! Not Lukhanyo Mzinyathi. He CAN, trust me." Mandy: "enkosi mtshana, I feel better though." I walked to my car, we hugged. Anda pulled in the front yard. I said my goodbyes and drove off. HeAring Mandy talk about her feelings and describe how she feels just brought back the memories. How it happened...I didn't want to cry in front of her. This is not about me, its about Her. A tear rolled down my cheek, I wiped it quickly. They came rushing after that. I carried on, stopping at the robots. Then, went into our street. I parked inside the garage. Lubabalo was here, saw his car. I wiped my face and sat still for a while. I don't know why all of a sudden I felt this way, was it because I ignored it? The door opened, Lukhanyo stood there with Luhle in her baby carrier. He stared at me. I got out the car and took my bag. I walked toward the house. Me: "hey." Luks: "hey, uryt?" Me: "I'm fine." He kissed my cheek. Luks: "me and lubby making dinner." Me: "smells nice. Lubby zaz'tshisa eza mbiza bonanje." Luks: "nyan ne?" He rushed to the kitchen. Luks: "yinton eso smell?" Lubb: "si'spice!" Luks: "kuthen sinuka funky nje?" Lubb: "nguwe lo nuka funky." He had Lutha in his carrier, he was opening his mouth. Lubby gave him a tiny piece and he played with it in his mouth.. Me: "what are guys cooking?" Lubb: "cchhiicckkeenn!!!!!!!!!" He's in a good mood. I wonder why. 😊_- luks: "go rest babe, we can do dis." Me: "okay." I went to sit in the lounge with Namhla. She was texting. Me: "hey what you up to?" Namhla: "just chatting to ubaby, network iyageza kodwa. He sent me this." She showed me pictures. Me: "beautiful place." Lubb: "thank you. Its mom's house." Heee hamba Lubby, usive nin? Namhla: "uthi akeka yaz ubuya nin..." Me: "but he'll be back soon, ungabina xhala." Namhla: "yuh..." Me: "uya nin esgela?" She: "let me go Tuesday. Me: "ak'ka phakwa kanti?" Luks: "shhh...." A phone rang. Lubby picked up. Lubb: "nja yam." Caller: "uphi? Phila's out on a date, I'm lonely." Lubb: "sithin thina singabahlali?" Luks: "yes.....I can't leave here, remember..got a curfew and have to be at one place at a time." Lubb: "oh yes..." They dished up and lay the food on the table. While we ate, Lubby fed Lutha, Luks with Lulle. I could tell He was uncomfortable. Me: "babe?" Luks: "hm." Me: "what's wrong?" Luks: "why does everything have to be wrong?" Me: "mos uqumbile." Luks: "an'qumbanga mna." He definitely was. I got up and went to the bathroom real quick. Lubabalo's phone rang again. Caller: "izith kant und'nik address ewrong. Ndilapha phandle." Lubb: "nam mos, ndilapha phandle." Caller: "lubabalo." Lubby walked out to Lonwabo's car. Losta: "lubabalo you didn't tell me you had a baby." Lubb: "well here he is." Lonwabo got out the car. Losta: "did you steal him?" Lubb: "mxm....anyway, what's up?" Lonwabo took Lutha from Lubby. Losta: "nqina lam elitsha. Samkhiqa uLubby." Lubb: "uvelaphi?" Losta: "endlin." Lubb: "uph uTia?" Losta: "hay man lubby you never told me about this." They walked into the house. Losta: "molweni." I walked to the lounge and sat down. Luks: "sharp fethu." Namhla: "hi..." Lubabalo took Lutha to the bedroom. Luks: "babe!" He whispered. Me: "what?" He pointed at Lonwabo with his eyes. Me: "yoh, I'm so rude. Can I get you a plate?" Losta: "uhm...no thanks." Me: "oh, please I insist." Losta: "well, If you insist then." He sat down. I got up to dish up for him. Then brought him the plate. He ate. Losta: "wow, uyapheka sisi man...kumandi okukutya." I stood away from Lukhanyo. Last time I said it was him, ndakhatywa. Me: "it was actually Lukhanyo and Lubabalo that cooked tonight." Losta: "What?? Bakwazelaph upheka." Lubb: "bingu Lukhanyo, I was just cutting stuff and helping." Lukhanyo was beyond embarrassed, I swear he hid his face with his daughter. Why doesn't he want to be known as a great cook? Does it make him look soft? Losta: "wow. Hay no, if I wasn't straight...." Lubb: "sies lonwabo." Losta: "nqondo yakho imdaka man." Luks: "thanks." He whispered. Losta: "lubby,

Me: "why not?" He stared at me. Me: "abanye bazohamba bodwa kengok?" Luks: "you.....?" Me: "yes, you can go. Yazaz mos conditions. One place, no excessive substance abuse, and behave." Losta: "akumand banomfazi. Nam ndifuna uxelelwa nge conditions. Ndilindelwe gate'in." Lubb: "uBabsie ukhona for wena nje." Losta: "yuuh lubby sani. Don't even." After eating they got up and put the dishes in the sink. Namhla took Luhle from her father and he went to get dressed. Lubby had put Lutha to sleep.

So we were alone in the bedroom. Luks: "I'll be back babe.." Me: "yes you will. Come here." I fixed his collar. And kissed him. Me: "no excessive drinking lukhanyo, keep your phone on. No violence. Okay?" Luks: "okay. And when I get home?" Me: "ufike ulale kalok." Luks: "aww na, andiphiwa niks? For being a good boy?" Me: "no...." Luks: "ahh....so you like the bad boy ne?" Me: "maybe." I blushed. It was true I was attracted to the bad boy more than the good. Luks: "ndizobayiyo ke le bad boy uy'funayo. And I'll be so bad.....you'd need to punish me, kakhulu.....over here...." He kissed my neck, his hands slipped in between my legs and rubbed against it. Luks: "ne?" Me: "I'd have to think about that." Luks: "you makin me hungry right now..." His other hand slid down my back and held my behind. Luks: "ohhh....." He groaned. Lubabalo yelled from the lounge: "Lukhannnyooooo!!!!!!" Luks: "lubabalo yay'thand inoise. He has absolutely no chill. Ndizobuya ke mntu wam. And eat you alive." He kissed my lips and winked then walked to the bathroom. After that he left.

Phila and Zuki were at Bluewater Bay, Phila's house. Zuki: "intle indlu yakho." Phila: "thank you.." Zuki: "so what do you do?" Phila: "I'm an IT consultant dear, can I get you a drink?" Zuki: "yeah, you must be really good." Phila: "I try..ndi apply for a job aphe bhayi...I'm still waiting for a reply." Zuki: "did you go on an interview?" Phila: "yeah I did, ngo December." Zuki: "then they're probably gonna choose you. Suthand uz'worrisha..." He poured her a drink. Then got himself some water. Phila: "wena wenzanto?" Zuki: "well, nothing yet. Its my last and final year e-Nmmu." Phila: "what do you want to be?" Zuki: "an accountant." Phila: "interesting, I hack into computers and you steal the money. Cool!" They laughed and sat on his couch.. Zuki: "so, who's the lucky girl.." Phila: "erh....akukho lucky girl, love.....its just me." Zuki: "I find that hard to believe." Phila: "and who's the lucky guy...." Zuki: "hay wethu..." Phila: "come on....ndixelele..." Zuki: "well, he's a guy I met nje wethu. We bEen together for 8 months." Phila: "you don't seem pleased about it though." Zuki: "we have our ups and downs." Phila: "do you still want in?" Zuki: "no....evErytime I try to leave, he blocks me ngoba uyand'thanda." Phila: "if you're not happy, then akakuthandi. By whatever

He said I'm the only one that can make him change." Phila: "honey, a man doesn't say that, he Shows you that. Ezakhe yena i-actions prove that he's still a boy." Zuki frowned. Phila: "hayke phela komntu ongasoze ak'xokisele ngulo umjongileyo. Staying with him, isn't loyalty. He doesn't deserve that xa ezophinda ayofuna abanye. But ke its your life sisi..." Zuki: "I'm just afraid of what he might do, if ndingam'shiya..." Phila: "why?" Zuki: "he's just....has anger issues." Phila: "he hits you?" Zuki: "no...." He knew She was lying but he wouldn't probe, that might push her away.. Phila: "Zuki, you're the only one that can change this....if ufuna ubanaye. Stay with him...but I can assure you one thing. The more time you invest kuye, the less chances of you finding real happiness." Zuki: "you're different yaz...I thought the minute we'd get here uzofuna undilala." Phila: "do I look like that type?" Zuki: "well yeah....most ye guys ezine moto and careers and houses only look for girls to play around with...." Phila: "not sonke sinjalo...but if wena ufuna lonto. Then unotsho because mna I won't force you to do anything you don't want." She looked at him. He looked back. For a very long time, it seemed they were thinking the same thing. They moved closer and kissed. He kept his hands to himself. But when she touched him...something moved inside his body... Could he be that guy just for the night? And return to gentleman tomorrow? He held her thigh, brushing her skin under her dress. She was shaking. He stopped. Phila: "I'm sorry. I didn't mean to....." Zuki: "don't stop...." She whispered. Phila: "but uyandoyika...." Zuki: "its not ndiyakoyika.....I just.....I haven't been touched this gently in a while..." What does she mean by that? Phila: "do you want a drink?" Zuki: "are you a drink?" Phila: "no." Zuki: "then no...." Phila: "I don't want to be that type you just mentioned....I'm not after sex." Zuki: "you're not that type, I trust you...." Phila: "I want you to trust me nyani....I'm not going to hurt you..." They kissed again, he pulled her to the bedroom. He lay her down and lay next to her. Phila: "you are so beautiful..." Zuki: "hay man....don't lie...." Phila: "I swear...." He played with her hair and traced his fingers on her skin. He slowly zipped down the dress and took it off. Zuki: "why are you so relaxed?" Phila: "because I'm with you...." Zuki: "just that?" Phila: "ufuna ndibe rough? Rip your clothes off type?" Zuki: "not really..." Phila: "good, because even if you begged me, I wouldn't do such." He kissed her, then lowered down to her breasts. Phila: "so cute...." Zuki: "they're small though. I wanted to-" Phila: "I love them, ngok mengaka....don't ever change your body for no man....baby girl." He hooked her panty with one finger and slid it off. Zuki: "nam ke ndicela ukukhulula ndikubuke...." Phila: "be my guest....."

Chapter 384

I woke up on Sunday morning. Started my daily routine of going to bathroom. Bathing. Brushing teeth. Lukhanyo was still asleep. I went to the kitchen to make breakfast. I felt like scrambled eggs today. Bacon, fried tomato, mushrooms. Some sausage. I was really hungry. I finished with the sausage, bacon and tomato. I did the mushrooms, put them aside and finished with the egg. I took out the bread and put in 4 slices to toast. So I turn around, I got the fright of my life when I turned around and found Lubabalo standing behind me. My heart literally jumped. He was smiling. Lubb: "morning!" Me: "morning lubby, what are you doing?" Lubb: "wothuka nton?" Me: "khangе ndik've ungena!" Lubb: "oh well here I am, andise lambe. Ndivuswe livumba qha." He took a sausage and ate. Me: "khandiyaz noba ukhona mna." Lubb: "mom and dad leaving ngomso. Andiyaz ke ngo Demi, you know mom received an email stating Demi akas'hamb skolo. I'm so tired I promise you. Lomtana aka understand ukuba uhlupha tatakhe." Me: "I think tatakhe lowo makathethe naye." Lubb: "khand'phakel man." Me: "sapha plate.". He gave a plate and I dished up. Me: "so....what you gonn do?" Lubb: "a part of me wants to beat her DNA out. Ndiphinde ndifune unyisa lelixhego." Me: "and?" Lubb: "but I can't jeopardize shit now, Because Lukha just got outa jail. So I must be chill." Me: "did you find Smith?" Lubb: "he booked a flight for tonight, he's coming back from Beijing. He'll arrive tomorrow though." Me: "and then what's next?" Lubb: "I don't know, Dan went back to Cape Town. Uzobuya when I need him." Me: "okay. Tomorrow, Lukhanyo has to go report in. Ndiphinde funeke ndikhaphe Namhla aye skolwen." Lubb: "what time is he due?" Me: "hay wethu, at 14:00." Lubb: "mna ndisa mama and Daddy at the airport. Ima miss her cooking though." Me: "and she cooks real nice. Unike mna and Liya ezinye iincwadi, with many recipes. She wrote down all your meals. And some others wethu, kuzo zombini." Lubb: "ahhh....that's nice. Ulovey uzand'phekela mos.." He ate his food. I went to wake Lukhanyo. Luks: "nooo baby, ima mannii." Me: "awulambanga?" Luks: "noo." He sulked. I let him sleep. Junior got into the room and climbed in bed next to him. He probably misses his dad. I walked out to the other room, I checked on Namhla. She was still sleeping. Lubabalo went to fetch Lutha. Who was already awake. His sister was sleeping. Kuthen dan, is it early? I cleaned the house and connected the washing machine. I did the laundry. Hence I washed the windows last week, they were still clean. I scrubbed the bathroom. Then went to rearrange the cupboards. I went outside and cleaned the yard. The woman from next door greeted. Yuh, I swear I've never seen her 🙄:v Me: "molo sisi." Neighbor: "yuh, niyakwaz

uzivalela nomntu wakho." How was it her business? Me: "asibikho wethu, besando buya." Her: "oh okay." I went back to finishing up and disappeared back inside before she started a conversation I couldn't get out of. Lubb: "hehe uthin lo?" Me: "tshi uthi sathand uz'valela." Lubb: "angas'vulel dan yena?" Me: "kubekho wena..." I went to hang the washing at the back.....

Zuki woke up, Phila was staring at her, smiling. Zuki: "hey..." She covered her face. Phila: "morning." Zuki: "ujonge nton?" Phila: "ubuhle obu bendalo...." Zuki: "heee, ingathi ndisisporho xandivuka..." Phila: "sporho sam mos.." She sat up straight. Zuki: "cela bathroom, just to rinse my mouth." He pointed to the door. She got up and went to the bathroom. By the time she came back, her phone rang. She slipped into bed and checked it. Phila: "what?" She looked afraid. She: "its him." Phila: "uzothin kehok.." She put it back down and put it on silent. Zuki: "sorry." Phila: "no problem....come here..." He held her in his arms. Zuki: "last night was amazing Phila. I've never felt that way before." Phila: "nyani? Ungasa khali man...buziva phof? Phhhiilla!" She laughed embarrassed. Zuki: "khanditsho mpa!" Phila: "heee, uyay'phika?" She blushed. Phila: "bus'thin ke? Khand'hlebezela..." Zuki: "just give me some time." Phila: "don't play with my feelings Zuki. I don't have time for games. Don't drag me along, and leave me hanging." Zuki: "I like you Phila. I'm trying nam to give you all of me." He kissed her again. Phila: "I'll make breakfast." Zuki: "can I?" Phila: "okay, that's fine. Und'xelele when you need something." She got up and wore his shirt then went to the kitchen to prepare breakfast. When she was done, brought him the tray to bed. Phila: "enkosi...it looks amazing." They ate together. Phila: "uhlala naban?" Zuki: "ndihlala ne friend yam...eflatin in Summerstrand." Phila: "will she get worried if you stay the night?" Zuki: "I have to go change though." Phila: "sizayoland impahla alok. Then go to mom, spend the day there. Sibuye size apha?" Zuki: "okay." Phila: "If you don't want to, then its cool. Mna my whole life revolves around my family. Especially my mother." Zuki: "and I respect that, I know how important it is to have a mother." Phila: "family yakho ihlalaphi?" Zuki: "eQonce...my dad is quite old. Kubekho my older brother ohlala naye." Phila: "okay. Makazi wam mna use New Brighton, my little sister lives with her." Zuki: "oh, you have a little sister?" Phila:

Phila: "babes....." Zuki: "Phila, just relax and forget for a few seconds. Andifun uba stressed. Can you?" He touched in between her thighs. She bit her lips. Phila: "you good?" Zuki: "great...." He got in between her legs and searched for a condom in his drawer. It was empty. Phila: "fuck. Ndiphelelwe zicondoms." zuki: "what now?" Phila: "we can't...." Zuki: "you don't trust me?" Phila: "I'm not ready for kids Zuki. You too. Because funeke uqibe esgela. I don't have a stable job yet...and I don't want to stress you." Zuki: "okay then. I understand." He lay next to her and continued rubbing her softly. She opened her legs... Phila: "yess...." He slid his fingers in. She cried.... Phila: "you still good?" Zuki: "Yess!!!!" She breathed. She was shaking, her whole body vibrating.... She: "PHILLLA!!!!!" He slipped out his fingers and her juices rushed out of her. As soon as she finished. He rubbed her gently. Phila: "ugrand kehok?" Zuki: "yes..." Phila: "good....let's take a bath, siyolanda izinto zakho.." They got up and went to bath.

Lonwabo woke up and showered. He missed his daughter. He had to swallow his pride and go to her. So he got dressed in his jeans and red check shirt. He made his bed and took his keys downstairs to eat. Then left the house, driving to his mom's. He parked the car and breathed a sigh as he walked in. Ma: "molo Lonwabo." Losta: "molwen mama." Ma: "unjani?" Losta: "I'm fine....wena?" Ma: "ndirynt. Tata wakho uyeza ngok." Mandisi: "lonwabo." Losta: "Bhuti." Lonwabo walked to the bedroom, the moment Tia saw him she screamed in joy. Tia: "Tataaa!!!" Losta: "hey princess." He picked her up and threw her in the air, catching her again. They walked to the lounge. His brother's wife sat there staring at him. This annoyed Lonwabo to the maximum. Losta: "und'jonga nton Nothemba?" He snapped. She: "hayi lonwabo awulolanga." Losta: "andiyo tv yakho." She: "kuthen ukrwada nje." Losta: "kuthen uthand uz'hlohla nje wena?" Ma: "lonwabo hayi." He kept quiet and entertained his daughter. His father walked in. Tata: "molo lonwabo." Losta: "molo tata." Chapter 385

Lonwabo's father was deeply hurt. He couldn't understand why his son had to go through this alone. Why didn't he tell him? Tata : "Nomsimelelo. Thatha umntana." The woman got up and took Tia to the bedroom. Tata: "lonwabo." Losta: "ta." Tata: "bekutheni uzungathethi?" Losta: "bendizoy'thetha njani tata? I know you always loved Mandisi more mos! Tata: "I wanted to be a doctor, I wanted to so bad, yayindivisa b'hlungu because abazali bam couldn't afford it. Maybe

I was too harsh on you, but now you're able to save lives Lonwabo. The reason why ndahlohla kuwe zonke savings zam for your studies was because I knew you wouldn't disappoint me. If bendingakuthandi, ngenda fundisa uMandisi yedwa. But I wanted you to be something I could be proud of and ke ndiyaziqhenya ngawe nyana. I don't love you any less than umkhuluwa wakho." Losta: "sometimes ngathi andi belong mna apha...I feel left out and ingath andifunwa." Tata: "nonsense! Uzothin ungafunwa kowkenu? Siyakuthanda nomama wakho. I just don't understand why zange uyithethe lento. Kwenzeka nton Lonwabo?" Losta: "tata, after Liyema wazala uTia. That's when she left me for real wahamba naye, yawa nalomoto. He escaped unharmed. And she...." He held back his tears.. Tata: "uxolo nyana...I am sorry to hear this." He held him in his arms and he cried. Losta: "tata, she's never coming back!" Tata: "ewe kalok ndoda...kodwa funekile uxole." Losta: "ndixole njani? Mntanam ezokhula engena mama? Ndixole njan, umntu bendimthanda ngentliziyo yam yonke. I went through hell and back for her. Ndingaphinda ndixole njani ngoku!" Tata: "shhh....." He tried his best to comfort his son. After some time, Lonwabo calmed down. Tata: "kuzolunga boy. Ndiyathembisa. Uzophinda ufumane ulonwabo. You're gonna be okay." Tears were welling his eyes too. Tata: "iyandikhubekisa lena into. Especially when they accused you of rape. Ndiyakwazi wena soze wenze into enjalo, yilento ndathula. It really breaks my heart." Lonwabo sat up and wiped his face. Tata: "you staying for dinner?" Losta: "I don't think that's a good idea tata, funeke uthethe nomama. Andingeni ndawo kwinto zenu but I know when things need attention." Tata: "okay then." Lonwabo got up to fetch Tia. He took her bag. Losta: "ndimnkile mama." Ma: "lonwabo..." Losta: "mom please." Ma: "kutheni ungamxelelanga?" Losta: "its not my place or my business what you do xa engekho utata ma. Ba ufuna yazi, izothethwa nguwe, andazi nto mna, and andizogulisa utatam ngezinye izinto." Picked up his daughter and left.

I was cooking by midday. Luks: "baby would you please just give it a rest?" Me: "alok baby, I just need to finish cooking then ndihlale phantsi. Why do you always panic, when I'm busy?" Luks: "I'm not panicking qha andithandi man, ingath ulikhoboka ngok." Me: "I don't mind njena love." He sat and frowned at the tv. Lubabalo had left to go spend the last day with his parents. Me: "uqumbeleni?" Luks: "do I really have to go?" He was talking about tomorrow and having to go report his progress. Me: "sthandwa, its not gonna take long. You just need to relax." Luks: "ingath ndise skolwen funeke ndimane ngoyo reporter ngok." Me: "it'll be over soon baby." I went over to hug him. Luks: " urrgg.....uzondenza worse." Me: " right alok." He bit my neck.

Me: "iyatsha imbiza lukhanyo." Luks: "mayitshe mpa!" I tickled him but he didn't move. I forgot he wasn't ticklish. Luks: "uzam'ukwenza nto?" I slipped away and ran to the kitchen to finish cooking.. Luks: "uzondikhapha baby?" Me: "ewe love. Ndizokukhapha." He got up and went to fetch Luhle. The boys were taking a nap with Namhla. Luks came to the kitchen with his daughter. Luks: "baby...." Me: "my love?" Luks: "have you spoken to Namhla?" Me: "we speak, yeah..." Luks: "about what happened? Ingathi iyam'tya lawei and uthule ngok, not as she usually is. Don't you think she's a bit traumatized?" Me: "she is Lukhanyo. But will she admit to it?" Luks: "well obviously not. Maybe you should take her to see Ricky." Me: "wena, uqibele nin umbona uRicky?" Luks: "hayi man baby khayeke. I'm fine." Me: "its one of the judge's condition's babe, and educational program yona?" Luks: "andazani nezonto mna. What do you suggest?" Luks: "ya." I took out 3 Ceres juice boxes. Luks: "thanks love." I took Luhle from him. Me: "finish your food lukhanyo." He ate his food and drank water. They took the ball and walked to the Range Rover. Me: "bye coach!" I laughed. Luks: "hay mpa!" Me: "khaze ndiphuze alok." He came back and kissed me. Luks: "love you Mrs Luks." Me: "love you too Mr Lihle. Try not to hurt yourself." Luks: "andis'thandi sgezo." He got in the car and drove off.....

Phila and Zuki just finished eating Sunday dinner at his mom's place. They washed the dishes together. Zuki: "uhm babe?" Phila: "yes love?" Zuki: "namhlanje cela ulala eflatin yam, my friend is s-" Phila: "you don't need to explain yourself babes, you need

Phila: "okay boo, only if he doesn't chase me ngo mhlakulo." She laughed and kissed him. Zuki: "mxm..awudiki nje." They went to say goodbye to his mother and let her rest. Then left for Summerstrand. Zuki: "enkosi...I'll call you?" Phila: "khand'phuze kqala?" She kissed him. Phila: "I'll do the calling. Ambongena ke ndik'bone baby." She took her bag and went inside the building, Phila drove off. Zuki unlocked her flat door and walked in smiling to herself happily. She entered the lounge and her feet locked to the tile. As she saw Andile standing in the room

Chapter 386

Andile: "kunin ndik'fownela Zukiswa! Where the fuck you from? And who the HELL is that???" Zuki: "Andile, w-wha-" Andile: "YEEYI!!! Sund'phambanisa sana. Nguban lamnqundu uk'hlisa k'la gate?" Andile: "I been trying to call you all damn weekend! Ubuhleli naye ne? And don't you dare think of lying to me!" Zuki: "celu xolo Andile." Andile: "you're gonna be fucking sorry!!" He picked her up. Andile: "ndizoty nini mna! Xa libele uhlala namadoda!" She wiped her face and started cooking immediately. Her hands shaking. He sat on the couch and watched soccer. Her roommate walked in. Zintle: "molweni." Zuki: "hi peto." She looked at the stove and carried on cooking. Zintle: "uryt?" Zuki: "I'm good peto. How you feeling?" Zintle: "ndisava kabhlungu, ndiz'cenge ndaya echemist ndayothenga ipainkillers." Zuki: "zikhona nje phe roomin yam." Zintle: "uyazi nje ba andingeni kwi room

Zintle: "yamaz umama une tricks, uthe akakwaz gcina mntana yena namhlanje so I had to cancel." Zuki: "I can help you babysit." Andile stared at her with a warning look. Zintle saw this. "Hay peto its okay. Let me take a quick one hour nap." She disappeared into her room. Zuki carried on cooking. She dished up and took a tray to Andile. She kneeled and gave him his food and drink then went to wash the pots and dishes, putting the rest of the food in the fridge. She went to take a bath and got dressed in her pajamas. Andile: "baby!" She walked to him and took the empty plate then washed it.. Her phone rang. Her body turned ice cold knowing exactly who it was. So she pretended not to hear it. Andile: "uzay'phendula lo phone okanye? Because iyangxola." Zuki: "hayi wethu, ngabantwan ndand'funda nabo last year aba, and'kho se moodin yoncokola." Andile held out his hand. Zuki: "yeke wethu baby." Andile: "uyawa qalile lamaqhinga akho. Sapha lo phone." She rejected the call and handed it over. She went to bed. An hour later, she heard the front door. Probably Zintle leaving. Then her bedroom door opened. She was still in a light sleep. Andile undressed and went into bed. He snuggled into her body. Andile: "Zuki, uyand'dyolela?" Zuki: "andile..." Andile: "you don't want me?" Zuki: "n-" Andile: "because mna, andizok'yeka. You're mine. Uy'xelele la awti lonto." Zuki: "andile you're always hurting me..I don't want this anymore. I don't want you." She sobbed. Andile: "baby, you make me angry wena. You ignore me uyolala namanye amadoda! Ufuna ndithin." Zuki: "andihambi ndilalwa mos." Andile: "when you walked through that door I could still smell him on you! Ebek'lele lamntu. These men don't love you. Uzak'user ak'qibe ak'shiye. Then ubuyele kum mna lo usidenge! Baby you know I love you..I swear I will protect you. I'm sorry sometimes I act harsh but nawe khayek uzenza weak k'la madoda.." She kept quiet. All she missed was Phila. Andile: "give me a chance without hanging onto all sorts of men. Ndicela undinike ixesha ndik'bonise uthando lunjani." Where was her phone. Andile: "bhuti wakho befownile emini. Uthi he's coming this side andaz lento azoyenza before umsebenzi kokwenu. But ndithe he can stay at my house for the time being. Uyafika ngomso." Zuki: "why ezohlala kwakho?" Andile: "why not?" She didn't argue. SHe knew they were close. Zuki: "goodnight andile." Andile: "goodnight my future wife ondimthandayo.." Zuki: "please don't." Andile: "hayi Zukiswa sund'phambanisa!" Zuki: "ndicel phone yam." Andile: "ndiy'fake kwi charger, uzofownela ban ngel'xesha? Uzay'thatha ngomso man babes ise lounge." She closed her eyes and tried her best to sleep.

Lukhanyo and the boys were laying in bed after their bath. Me: "so how did it go?"
Luks: "andise dinwe, khand'massage baby." I sat on his bum and massaged his back.
Luks: "it was awesome..." He said in a sleepy voice. Me: "really?" Luks: "ja...bes'dlala nezinye intwana pha eBlawa. So we're going to form a little soccer team. Ages 5 to 7."
Me: "ezi rascal zakho zimbini?" Luks: "bazobazi mascot aba. Kchange umbone uChuma maan. Engasabaleki. Eleqa ibhola. Tshongo bane zgweqe." Me: "ncooooh." Luks: "hmmm.....that feels good. Ude wathethe noNamhla?" Me: "oh yes!....but uthi yena uright, akafuni kuya kwi psychologist." Luks: "and you believe her?" Me: "no! But ndizom'fostela? Maybe Thulani should just come back." Luks: "by tomorrow night we'll have a way forward for Thulz, Lubby bethethe naye." Me: "babes, sizothin ngoku? Because asinohlala nomntu esingamaziyo ufeeler njani." Luks: "she wouldn't hurt herself, but inoba usava b'hlungu. Just give her some space." Me: "baby, ngumntase khaya lowa. I can't just leave her olahlobo." Luks: "then go to her, and chat with her.." I got up and changed Lutha's diaper. Me: "khand'jongele uLuhle baby." Luks: "naye fun' utshintshwa babes." He held her one leg up in the air. Me: "heee ubaby?..mtshinthe alok." Luks: "sow'senza alok my lovviiiing." I gave him a drooling Lutha and changed Luhle. Me: "ina ke." Luks: "beke aphe camkwam." I lay her next to him. She started crying. Luks: "hamba naye ke sweetie." I took her to Namhla's room. She was fiddling with my top. I entered the room. Luhle was still acting up. Me: "heyy." Namhla: "hey." I sat on the bed and decided to just take off the top and gave her the breast. She calmed down...so sweetly. Namhla: "akasa acti man." Me: "yambona phof une tricks. Kchange ay'fune ke ibhotile." Namhla: "soze aphinde al'yeke ke sana." Me: "besitsho umama wathi mandim'fundise kuse early. But Lutha is just fine njena..uncanca bhotile le yakhe avale umlomo." Namhla: "ewe alok Luhle akaqhatheki fana nje notatakhe." I laughed. Me: "so unjani ke." Namhla: "I'm good thanks." Me: "come on Namhla. You know you can talk to me." I lay next to her in bed. Luhle was falling asleep, I lay her down between us. Namhla: "I don't know how I feel Lihle. I can't think about nothing else. Worse kengok noThulani akekho." Me: "have you spoken to him?" Namhla: "yes I have, uthi mandizame uz'occupy with something else. Like going to school ngomso." Me: "are you sure you don't wanna go to Ricky? Mntase mna I can't even begin to imagine what this feels like. So I can't give advice kulonto. But if you want someone to just offload, come to me. I'm here for you." Namhla: "Thulani funeke abese court next week. I'm just praying the divorce goes through because naye uyastresser ngok." Me: "they say it takes a while hey. but as long as umthanda uThulani naye ek'thanda. You can overcome anything and any obstacles." Namhla: "was it the same with Luks? Zange ufune um'divorcer?" Me: "at some point I wanted to. But I couldn't." Namhla: "why?" Me: "he wouldn't let me."

Actually, he threatened to kill me and meant it, but I can't tell that to Namhla or anybody else for that matter. Namhla: "njani ba he wouldn't let you?" Me: "hay wethu namhla, he kept the card and the money at that time. I wouldn't have been able to even afford a lawyer." Namhla: "so you stayed." Me: "yes, he's the father of my kids." Namhla: "then what if Thulani stays because uBuk-" Me: "don't even think of such. Thulani loves you." Namhla: "I been thinking lately, kudala wahlala nalamntu and I am not understanding enough to be a wife." Me: "its not about that. Peto mna zange ndiyalwe mntu, I don't have someone to go ask. The first months ndanditshate noLukhanyo were the worst. I'm telling you in confidence, zayingapheli vekhi singaxabenanga. We were inexperienced. But soze utsho ngok. Silwa nje 2 hours siphinde sibe right. You can't say awunayo understanding enough for uba ngumfazi. Akho lonto apha. You'll do just fine and ke wena ukhona nomamakho to guide you." Namhla: "I don't know hey...." Me: "namhla, are you reconsidering relationship yakho noThulani?" Namhla: "I love him but kuthen ndishota kengok?" Me: "its because he's not here. Uyamkhumbula. Uzobuya mntase..don't worry" Namhla: "I know..." Luhle was snoring lightly. Namhla: "I think I'm being selfish...this is also hard on him and ingathi ndimfakel ipressure enintsi." Me: "I can't answer for him ke peto, and mna andizongena nto yenu. Just talk to him when he gets here." Namhla: "enkosi...injan tshomakho?" Me: "she's okay...at least bendim'shiye right. Siyavuka ke ngomso." Namhla: "kalok phuma eroomin yam tshi!" Me: "hahaa...mxm." I slowly picked up Luhle. Me: "goodnight ke lovey." Namhla: "night babe." I walked to the lounge and checked the doors and switched off the lights. I walked into our room. Lukhanyo was sleeping. Chuma and Junior next to him. Lutha was on his father's chest, sleeping with his mouth open. I put Luhle in her cot and went to fetch Lutha, putting him in his..I went in the other side of the bed and slept next to the boys.....

The next morning, I woke up at 05:30am. The boys are supposed to be going back to day care. In a few weeks I have to plan Chuma's birthday. I'll have to find out ku Thulani about Junior's. I went to shower and woke Namhla up so she bathed in the meantime. I woke Chuma and Junior bathing them and dressing them in shorts and a t shirt. They wore sandals which Junior did not like AT ALL. I made them cereal. And school lunch. Then Luhle woke up. A while later she stopped crying, probably taken by Lukhanyo. The boys ate and I packed their bags. Lubabalo came in the house giving me a mini heart attack. Lubb: "you forgot these." Me: "oh Gosh, thank you so much." It was Baby Soft toilet paper and some stationery. Basically crayons, paper. Why did he buy paint? But Sometimes this guy can think yazi. Lubb: "uphi uLukhanyo?" Me: "bedroom." He walked toward the bedroom. Me: "baby, please don't mess on yourself." I wiped Chuma's mouth and checked Junior. He was fine. I went to

the bedroom and took my clothes to dress in Namhla's room because Lubabalo was laying in bed with Luhle and Lukhanyo. Namhla wore shorts, a white vest and red Vans. I wore a blue maxi dress, and sandals. Brushed my hair and splashed on little make-up. I walked to the bedroom again. Lukhanyo was still sleeping. Me: "babe, ziphi ztixo zemoto." Luks: "huuh...." He groaned. Me: "lukhanyo I don't have time to play with you today." He mumbled something with the word 'under'. Me: "under WHAT! Lukhanyo saw'ba late!" Luks: "hmm....." I swear he was trying me. I looked for the keys all over. Problem is, I can't find the Range or Benz keys. Only the Audi. And I NEED one of the two, because I'm taking the kids to school. I finally found the Benz keys. Me: "you are such a bore." I proceeded to leave. Me: "simnkile." Luks: "YEEYI!!!" He yelled. I had to turn back. 😊 -- me: "yes hun." Luks: "uyaphi?" Me: "the kids to school, thina siyokhangel ndawo for Namhla." Luks: "kissie?" I kissed his cheek. Luks: "ukhululekile kengok mfaz wam. Love the dress. Unxibe iquza?" I laughed at the word 'quza' Me: "you so random. Hayi andinxibanga quza. Nxibe sandal." Luks: "bye babe, lubabalo what are you doing in my bed?" I walked out the house and got the kids in the car and we left for day care. I got in the creche with the boys. They just ran to play. I handed over the things they required. And signed for them. Teacher: "we're having a parent meeting on Thursday evening, we'll send out a Newsletter for the times, and now the kids will be given tasks to complete at home." Me: "aren't they a bit too young for that?" Teacher: "no Mrs Mzinyathi, its nothing hectic, you'll see when Chumani and Drew bring it home tonight." Me: "drew???" Teacher: "oh that's what his friends call Junior." Me: "it sounds like a cartoon name, Chumani and Drew." Teacher: "I know right." She laughed. Me: "okay, thanks. Is there anything that you may need or I can help in?" Teacher: "well, we were planning to have a fund-raiser, to do something fun for the kids, take them to the beach or zoo. So we're going to discuss that further at the parent meeting." Me: "if you need any help with the fund-raiser, just contact me okay?" Teacher: "I sure will." I left because Namhla was probably panicking as soon as I entered the car. Namhla: "ndikwaz ke wena ngoloqa." Me: "yuh khayeke mntase." We left for the college. Me: "you excited?" Namhla: "not really, but ndiyavuya ndizoba busy with something. Dropping out of grade 12 was a stupid idea." Me: "I'm glad you see the light." Namhla: "ndibawela ne part time job." Me: "ncedisa lukhanyo uzo coacher isoccer." Namhla laughed. Me: "for real." Namhla: "yuuuuh. Ethinza kangaka uTa Luks? Goodness ndiyabavela abontwana." We arrived at the college and found a parking spot. Namhla: "yuuuuuh! Akugcwele!" Me: "probably aba ba last year bezofun iresults." Namhla: "asoze ndingene k'le nyovu yabantu mna!" Me: "kanti uzongena Namhla, its just for today. Register and leave, ngu 07:45 ngok xesha, I have to be back home by 12:30 and take

Lukhanyo to our appointment. Ndabazi xa edibene no Lubby bazonqenqa k'la bhedi imin le yonke bancokole ingath ngabafaz abadala." Namhla clutched her stomach and laughed. We got out the car. Namhla: "umntu uyajongwa apha sana." Me: "yay'bona lonto. Umntu akanazo nentloni, jonga la group yamacherrie ik'jonge snaaks. Bafane bane nerves mntase uzoba grand." Namhla: "ndithembe wena ke nge motivation." We went inside to fetch forms for her Registration.....

What the fuck? Where was Phila's number? Zintle walked out her room with her baby girl in her arms. Zintle: "morning." Zuki: "hey." Zintle: "what's up? You looking for something?" Zuki: "yes, I can't find his number." Zintle: "who?" Zuki: "Phila! I need to tell him what happened. Zintle, I can't carry on with Andile mna. I know he loves me. She took her daughter and knocked next door. The door opened. They were playing music and smoking. Zintle: "Hay wethu ndizophinda ndibuye." She hurried back to her flat and locked behind her. She packed the baby bag and her wallet and phone. She covered her daughter and went to catch a cab to Lovemore Heights. She didn't like this at all. But she wanted to help her friend, she'd been with her throughout everything. When she had nobody. She stuck with her, her moods and even the birth of Buhle when all her other friends disappeared. When the cab arrived at Lubby's house. She paid. Zintle: "I'll pay an extra 20 and the returning fair, please don't leave?" Driver: "ok sisi. But

He took out his phone and scrolled for Phila's number. Lubb: "drink?" Zintle: "no thanks." She transferred the number. Zintle: "enkosi." Sylvia appeared. Sylvia: "uthin bhuti?" Lubb: "hay bendibuza utata'z. Lo uphandl-....." He trailed off. He stared at Buhle. Zintle took her daughter and the bag. Zintle: "Enkosi, thanks nawe Sisi. It was good to see you." Sylvia: "igama lakhe ngu Buhle." She smiled sweetly. Lubb: "was she running away from me?" Sylvia shrugged. Lubb: "okanye unentloni ba ndingambon umntanakhe?" Sylvia: "und'khumbuza uLuhle yazi...she's such an angel." Lubabalo went to sit down in his lounge and noticed the white and pink baby blanket that was forgotten due to the rush they were in.. He got up and took it to his car. He drove around, realizing Lukhanyo was at his appointment still. he called lonwabo. Losta: "lubby?" Lubb: "uphi?" Losta: "ndise summerstrand, ndiyatya. I put the dishes in the dish washer and poured myself juice. Lubabalo came in. Lubb: "I've made up my mind." Me: "with what?" Lubb: "ndizoya kuZintle, ask her to do a DNA test. I can't sit and relax Lihle." Me: "okay." Lubb: "say something." Me: "well goodluck friend." Lubb: "but?" Me: "but please tell Liya. She's your wife to be. Just be honest with her from the beginning no matter what the outcome. Uthenge phepha ngomso...the results will be out." Lubb: "okay. So I'm a bit nervous." Me: "that's normal. You'll be okay.." Lubb: "okay, let me go get some rest.... Thanks." Me: "my pleasure. Don't tamper with the samples qha..." Lubb: "I won't. Ndizokhupha Liya out tomorrow. Then I think I'll tell her." Me: "okay cool then. I'm out...ndozela nyan...." Lubb: "night." He walked to the bedroom and sat on the bed. He tried to think back to the time he dated Zintle...he couldn't remember. Lukhanyo walked in. Luks: "yinton ngok wangath unestress?" Lubb: "major..." Luks: "but you enjoyed soccer practice though?" Lubb: "I did...haahaa...mxm ndichazwa ngu Junior man ebaleka. They got up and walked out. Lubabalo was driving..they went to Smith's house and knocked on the door. He opened.

Smith: "I was about to call you." Lubb: "oh yeah? No shit." He invited himself in.

Smith: "andrew, I looked at the email you sent me, the one you got from your lawyer. They are investigating.....EVERYTHING. They even going speak to his ex wife. I just don't know if they'd already done it or not. They're literally turning Port Elizabeth and surrounding areas a crime scene." Lubb: "I know all this Smith. What do we do?"

Smith: "Nothing. I'll handle it." Lubb: "no, you are gonna take weeks!" Smith: "I'm not looking to lose my job!" Lubb: "we want to bring Thulani back, by the end of this week." Smith: "Thulani has serious charges against his name! Wanting to bring him back so soon will get you and him into trouble, your little boy band will be torn apart!

Do this the way I'm showing you or he's going straight to jail the minute he lands in South Africa." Luks: "but Smith nyansile. We've got to be more careful..." Lubb:

"Thulani uyapanicker Lukhanyo." Luks: "then he'll have to stick it out for a while.

What choice do we have?" Smith: "where is the body?" Lubb: "what body?" Smith:

"the guy you took out for dinner's body. Andrew damn." Lubb: "oh that body,

lukhanyo where's the body?" Luks: "I'll have to ask Stuja." Smith: "do that now. If I know where it is, I can make sure they do not search that area. Or we could move it to Cape Town. Where's Donkey?" Lubb: "he's in Gelvandays or something." Luks:

"Gelvandale man Lubabalo." Lubb: "andiyaz alok mna." Lukhanyo called Stuja. Luks:

"Stuja, nay'beka phi la way ye 1st." Stuja: "uhmmm....khame kancinci Ta Luks." He

was fiddling in the background. "Sindiswa, khazam urelaxer tu." Sindii: "slulamile

He'll drive it out of the spotlight." Lubabalo called D and told him what to do. They

left for the place they needed with large plastics. Shovels and gloves. Lukhanyo

stepped on the ground in the bush trying to find a hollow place. Lubb: "izova apha."

Luks: "its here..." Lubb: "should be. Jonga the soil is dug out, and not the same as other places." They started digging and digging. Smith: "wait ..."

He dragged out the body that was covered in a black plastic. Smith: "check the coast." Lubb: "clear. Lukhanyo

sondenza la mot nge reverse." Luks drove the car closer by reversing so they could put in the boot. Smith: "he is BEYOND heavy. Literal concrete!" Luks: "there's 3 of us.

Come on, he can't be that heavy." They tried to pick the dead body. Luks: "okay

maybe you're....." He tried breathing and dropped the body again. Lubb:

"nigga, you gonn have to get rid of that Stench! You know Lihle gonn kill you. You

They went dead silent. Lubb: "let's get done!" They picked the body up with a whole lot of effort and put It in the boot covered in plastic. Lubb: "thank God, this Bitch short. Because damn." Luks: "cool. Let's clean up here and go." They threw soil back in the ground and covered it up and went to the car. Donkey arrived. Lubb: "I think you heard D." Luks: "nope, bendik'bhanxa. Ndifuna ukhaw'leze." Lubb: "you know you have some nerve." D: "okay so what's up?" They told him the plan. D: "then why'd you put him in Your boot? Come let's remove it again." Lubb: "okay, you know what? I can't do this." Smith: "you are gonna do it. You've done worse." Lubb: "my sir, that smell though.....ahhhh. I can't." Luks: "uzokomelela." Lubb: "Thulani better give me half his good looks for this. I'm not doing it for free." Luks: "zaa man!" They took the boot to D's boot. Smith: "we may have a problem." They closed the boots. Luks: "what?" Smith: "we need to leave. NOW."

Chapter 390

Donkey stood still and stared at Smith. D: "why?" Smith: "I just have a feeling okay?" D: "Andrew..." They walked a little distance together. D: "wies hy?" Lubb: "Smith, he's with us." D: "I don't like him. You becoming too soft." Lubb: "damn, just relax, we gotta go." D: "you need to go back to Cape Town. For a few months." They went back to Smith and Luks. D: "you're coming with me." Smith: "why?" D: "because I said so." Smith: "andrew, this wasn't the arrangement." Lubb: "plans have changed. We got to keep moving." They got in the car. Lubby and Luks, Smith left with D to get rid of the body. It was past midnight. Luks: "you good?" Lubb: "100." Luks: "usene stress salomntana?" Lubb: "who told you that?" Luks: "my wife." Lubb: "oh. Nah...andina stress somtana. I need to get back to work." Luks: "work?" Lubb: "cape town." Luks: "oh." Lubb: "its been almost a month, I have to go check up on things pha." Luks: "for how long?" Lubb: "I'm not sure..." Luks: "athin uLiya?" Lubb: "I don't know yet." They arrived at Luks' house. Lukhanyo went to bed. Lubabalo sat in the other room. It was after midnight. He lay in bed for the longest time. Until he fell asleep for a few hours. He woke up after 8 in the morning. The smell of breakfast. He got up and washed his face then went to the kitchen. Lukhanyo was cooking. Topless, and dancing. Lubb:

"good mood?" Luks: "Great mood." Lubb: "what happened to you?" Luks: "wouldn't you like to know." He winked. Lubb: "euuw, just stop right there." He went to the baby room and leaned over Luhle's cot. She was still sleeping. Cute and chubby cheeks. Her mouth in a firm pout. Luthando on the other hand was sleeping with his mouth open. His little legs and arms spread apart. Lubb: "indoda." He smiled. He went back to the baby girl. Holding her cheek. Lukhanyo walked in. Luks: "let one of them wake the hell up, uzabalalisa. They woke me up at 5, basandolala." Lubb: "uphi lihle." Luks: "use chuma and junior to school and namhla to college." They walked out. Lubb: "let me go change, I have somewhere to be." Luks: "sharp." Lubby left the house and went to his. He showered and wore his fitted slightly ripped jeans and white shirt with white Adidas sneaker. Puffing his new cologne, by Clive Christian. He took his things and walked to the car. Driving off to Zintle's flat as he still remembered. On the way, he rehearsed his speech. But calmed himself down. He had the right to know.

He parked and walked up the stairs. He stood by the door and breathed. Then knocked a few times. The door opened. Lubb: "molo." Andile was at the door. Andile: "hello can I help you?" He let him in. Lubb: "uhm. Ukhona uZintle?" Andile: "zintle?? Ufuna uZintle?" Lubb: "ewe bhuti. Ukhona?" Andile: "uhm no..umke noZuki." Lubb: "wait, do you live here?" Andile: "why?" Lubb: "unayo ke number ka Zintle?" Andile: "nope." Lubb: "okay, eyaka Zuki? Since usith uhamba naye?" Andile: "why?" Lubb: "mxm." He took out his phone and dialed for Phila. He answered almost immediately: "yep?" Lubb: "sho Phila sani. Ndifuna unumber ka zintle, kuthwa uhamba noZuki, so can you text or call her, akunike eka zintle its urgent. Lubb: "mxelel ba ndithe ndizoy'thandazela!" Phila: "I'll send it just now." He chuckled. They hung up. Lubabalo just left the flat without saying a word. He got the text with the number. And he called Zintle immediately.

Zuki and Phila were sitting in the lounge. Phila: "I can't believe I was stupid. Mna ndicing'ba awundifuni. I didn't know he is that crazy." Zuki: "I'm sorry for all this Phila." Phila: "you don't have to be sorry sthandwa sam..if you're sure that you want to be with me." Zuki: "I am sure baby." Phila: "okay. So here's what we'll do. Uthe mos uphangela emini." They got up and he drove her to Summerstrand. Zuki: "ndiryta apha, I'll walk the rest." Phila: "okay, there's only an hour left, for him to leave, take your time." Zuki: "bye babe." She left the car and walked the distance to her block of flats. When she walked in. Bhuti Mlu was there with Andile crying. Andile: "I don't know why she does this to me bhuti, ndiyamthanda mna, but she's just playing with my heart qha." He sobbed. Mlu: "Zukiswa! Yinton le ndiy'vayo?!!" Zuki: "kwenzeka nton bhuti?" Lubb: "hayi fondin you're being unfair!" Zintle: "I'm busy." Lubb: "I won't be long. I promise." Zintle: "I'm at the clinic right now, so ubuya kwam." Lubb: "wenzanton eclinic?" She kept quiet. Lubb: "huh?" Zintle: "just a check up." Lubb: "okay, und'buzz xa uqibile." Zintle: "k." She quickly hung up. And went in to the nurse...they diagnosed the baby and prescribed her basic medicine. They fetched it and walked out. Zintle called Lubby. Zintle: "uthini ke?" Lubb: "uphi?" She told him. Lubb: "ima apho ndiyeza." She sat on the bench with Buhle. 15 minutes later, Lubabalo pulled up. He walked to her. Lubb: "hello." Zintle: "hi..." He sat down. Lubb: "uhm.." Zintle: "I don't want her to be phandle emoyeni." Lubb: "what's wrong dan?" Zintle: "she's sick...ndiyele yena eclinic." Zintle: "I don't want to interfere in your life!! I don't want to be a homewrecker, focus ku wife wakho. Forget me. And Buhle. Ndiyakucla Lubabalo." Lubb: "at least let me hold her? Then andiphindi ndikuhluphe." She handed the sleepy baby over to him. Buhle sneezed on his hand. Lubb: "hey you..." Kissing her forehead. Lubb: "Zintle, ndicela uxolo." Zintle: "for what now?!" Lubb: "I'm taking the test with or without your approval, if ngumtanam lo and you won't let me near her. I'll get the authorities involved." Zintle: "are you threatening me??" Lubb: "its not a threat." Buhle lay her head on his chest. Her little hand wrapped around his index finger. Lubb: "akasemhle maan.." Zintle: "do the test." Lubb: "huh?" He was shocked. Zintle: "you can do the test Lubabalo. If she's not yours, please don't bother us again." Lubb: "kuthen une confidence ba she's not mine?" Zintle: "you yourself said it engeka zalwa. The only fair thing is to let you do this test so you can just buzz off." Lubb: "enkosi Zintle. Go home, let her rest....I'll come back later." Zintle: "okay." Lubb: "ina ke..." He handed the baby over and started the car driving her to her flat in Summerstrand.

A text came through his phone, it was Lukhanyo. "Liya ulapha, she's been looking for you, she got 3 Distinctions. You better get her something nice, ingathi ukuqumbele." He smiled. Zintle took her things. Zintle: "thanks." She got out the car. Lubb: "okay." She walked to the building. Lubabalo called the George. Lubb: "did you change the car?" George: "yep....its in town. When do I get It delivered?" Lubb: " today. I'll send you the address. And I might need a chauffeur for a couple of months. " George: "sure." He hung up.

Lukhanyo was sitting on the top part of the couch, watching a sports channel with a bowl of cereal. Luks: "pass! The mfuckin mall!" He mumbled with food in his mouth. Luks: "muck!" He swallowed and screamed. Me: "Lukhanyooooo!!!" I yelled. Me: "calm the fuck down." Luks: "he scored babes!" Me: "yeah, but sit down and eat, love." He sat down and watched tv again. Lubb: "she letting me do the test." Me: "okay..that's better." Lubb: "I don't know ndizom'xelela njani Liya." Me: "just be honest mtshan." I walked out to attend to Lutha who was in the bedroom crying. Liya walked back in the house. Lubb: "what's up baby." He held her stomach....kissing her forehead. Liya: "tata called the family up, they're at home we gonna have a braai." Lubb: "oh, I thought we planned on chilling together tonight." Liya: "its a surprise babe, I didn't know." Lubb: "okay. I guess its fine then. Let me drive you home." Liya: "are you okay?" Lubb: "yeah I'm fine." Liya: "I can talk to dad..." Lubb: "no babes, I don't want to be in his bad books more than I already am." Lubb: "bye hun." She got out the car and walked home.

Lubabalo drove to Summerstrand. He wasn't planning on doing so, but he did it either way. He parked outside and went up. He knocked on the door. Zintle: "Who is it?" Lubb: "cel uvule.." She opened. Zintle: "what are you doing here?" Lubb: "I don't know, I just-" he breathed. Lubb: "can I come in?" Zintle: "what for?" Lubb: "I just want to chill." Zintle: "you can't lubabalo. Buhle is a baby. Zintle: "can you hold her I need the bathroom." Her eyes had welled up in tears. Lubabalo took the baby, Zintle walked quickly to the bathroom, shivering. She locked herself in and let herself cry at the memory....of all those months back. She got tired, washed her face and dried it. She checked her phone's messages. Zuki had sent a text: "Please tell Phila, ndithathwe ngubhuti. I'm going to king williams town. With andile 😊:(give him the address Zintle." Zintle took her stuff and walked straight to Lubby who looked a bit annoyed. Lubb: "we're about to go in." They walked with the doctor to do the paternity test. Lubb: "what?" Bye." She turned and walked up the stairs to her flat, unlocked and went in. She lay Buhle down and prepared her food. Right when she was done. The electricity cut off. Zintle: "just great." She looked for the candles and placed them in clear view. She'll need them for when its dark.

We were sitting at home, Sizwe and Ta Smig arrived. Sizwe: "good afternoon." He said in a deep voice. I looked at the door. He was standing with his one hand in the pocket and smiling. Sizwe: "miss me?" I was so happy to see him. I went to hug him. Me: "I

did!" I hugged Ta Smig. Smig: "ndashiywa ngu Sizwe kodwa shame." Me: "akak'shiyanga kakhulu noko..." They laughed and went in. Sizwe: "uphi uLubby?" Luks: "he took Liya home. Bekukdala ngoko." They sat together and chatted about the time in Pretoria. Me: "I'm going to check on Namhla." Luks: "ubuye ne yogurt va." Me: "eyphi?" Luks: "anything edibene ne strawberry, qha ibe smooth." I took the keys and left. Meanwhile, Liya was at home with her family. Iviwe and Mbali were there. Liya: "Iviwe, please get me ice.." Iviwe: "phelile aphe ndlin so I'll have to go buy it. Ndiyabuya." He took his keys and left. Mbali: "oko ufikile sana, you've been abit off, kwenzeka nto." Liya: "useyi tshomi ka Zintle?" Mbali: "owphi kanene peto khand'khumbuze." Liya: "when you were with Lonwabo yena enoLubby." Mbali: "ohh, ewe wethu we talk sometimes. She has a baby now." Liya: "oh...by whom?" Mbali: "she never really said. She's secretive when it comes to that baby yuuh." Liya: "oh...okay." Mbali: "anyway!! How's the wife to be of the hottest and richest bachelor in the Eastern Cape doing." Liya: "hahaa. Yuh Mbali ayinde lo title. I'm fine wethu, just a bit overwhelmed..." Mbali: "khame ndiyabuya, yandibiza umamakho." She got up and walked to her. Liya took her phone and looked for Zintle's number. She transefered it and put it back down. She took her own and decided to give her a piece of her mind. She sent a message: "Zintle. You don't know who I am. But let me tell you one thing, stay away from my husband! You were a dirtbag and played him. He has moved on, stop clinging onto what's not yours! Keep in Your lane. Get yourself back wherever you came from! And let us be!" She sent it. She was very angry. Waiting for a reply. Her phone beeped: "ok." That was it? She deleted them and sat back at least she could now relax. She can't let Zintle back in.....it would ruin EVERYTHING. Lubabalo gets really nervous and confused when that thing is around. Mbali came back. Mbali: "so you were saying?" Liya: "everything is great...." Meanwhile, Zintle took her bag and packed her clothes. P.E was turning against her. 3 whole years, was washed down the drain. She wiped her tears and called her father who was in Plettenburg Bay. Dad: "hello?" Zintle: "molo tata..." She cried. Dad: "oh mntanam, yinton ngoku?" Zintle: "tata, everything is going wrong apha, I can't cope." Dad: "stay right there princess, ndiyeza. I'll drive down just now.....its going to be okay." Zintle: "no tata, I want to leave apha. I don't want to be here anymore." She sobbed. Her breath in hitches. Dad: "okay sweetheart, ndizozok'landa ke. Just stay still okay? Don't do anything crazy. I'm coming." She hung up and broke down in tears...

Zintle's father arrived at her flat and knocked on the door. Dad: "angel, khavule ndim." She opened the door for him and he came in. Dad: "ziphi bag zakho?" She showed him. He took the bags to the car. Zintle took the baby, locked the flat and followed. In the car on the way back to Plet. Dad: "umxelel mamakho uyahamba?" Zintle: "no tata. Akandihoyanga either way." Dad: "ok." He drove off... Dad: "whenever you're ready mntanam." Zintle: "Lubby is back." Dad: "oh." Zintle: "he wants to know if Buhle ngowakhe na. His wife is sending me messages telling me to leave him." Dad: "its okay. Kuzobaryt..." They traveled in silence all the way back to Plettenburg Bay. They arrived and the father's wife came to welcome her in. She was a short chubby woman. With a plump friendly face. A lovely nice lady. Zintle: "molo sisi." Lady: "hello nontombi, ndandithe ithi Macy xa und'biza." Zintle smiled. They walked in the house and Macy took her bags to the spare room. Macy: "khaze unotsitsi wethu." Zintle gave her Buhle. They sat on the bed. Macy: "yuuh Zintle uyabona lomtana nguwe uhleli." Zintle: "hehe...hay wethu mama." Her father came in. Dad: "ndisayo sebenza ke va. I'll be back later." He kissed his grandchild and left. Macy: "what happened." Zintle: "yuh sis Macy. Lubabalo is back in our lives." Macy: "oh God, no. Ufuna nton ngoku!" Zintle: "uthi ufuna uyazi about the baby." Macy: "did you let him?" Zintle: "senze dna test....sis'macy mna I don't want to be back in that life. The one that involves Lubabalo. Worse unomfazi ogezayo, I can't do this. Akhomntu that can help me pha. I hate being a nuisance to people." Macy: "kukowenu apha baby, uzohlala wonwabe, you're not being a nuisance to anybody. Maybe umfazi une reasons zakhe for ugeza, you must remember alok asifani singabantu and you have to understand that asikhuliswanga ngokufanayo. Don't have anger in your heart." Zintle: "I don't have anger sisi...I'm just sick and tired. Nothing is going right for me." Macy: "thembela kuThixo girl, everyone else can leave and give up on you but Not God. Whenever you need him. Noba wenza ntoni, its important to have a conversation with Him. Ask Him for guidance and peace in your heart." Zintle: "I don't know what I want to do..." Macy: "you don't have to know right now. Relax. Let me cook you a nice meal. Iza." They went to the kitchen. Her young half brother walked in from holiday work. Zintle: "hello Khaya." Khaya: "Zintle!!!" He hugged her tightly. Khaya: "I missed you soo much. Damn! When you get back?" Zintle: "just now." He dropped his bag and hugged her again. Macy: "sweety, pick your bag up and take off your work clothes.." Zintle: "uphangela phi na!" She laughed. Khaya: "ahh, kwa Fruit and Veg. Yamaz mama ngothand i-independence." Zintle: "go change, so we can chill." Khaya: "mna ndifuna bona, my little niece." He went to change and came to sit with them in the kitchen.....

Phila had driven all the way to King Williams town with the address Zintle had sent through Lubby's phone. He was getting lost. So he stopped and asked for directions. Then continued driving, he stopped at cozy little house in a township. He got out the car and walked to the gate. Andile saw him first. He kept quiet and observed. Phila knocked on the door, taking off his shades. Mlu: "yes?" Phila: "molweni bhuti." Mlu: "molo." An elderly man walked into the lounge and sat down on one of the worn out couches. Andile: "Zuki..." He called out, while staring coldly at Phila. Mlu: "ndikuncede nganto?" Phila: "ndize ku Zuki." Zuki appeared. Mlu: "uzothin kuye?" Andile: "we going to the shops, are you ready." Zuki: "andihambi nawe." Tata: "haibo!! U-usandok-kutheth-tha naw-we ng-gok-ku...." He stuttered. Tata: "utsh-tshin-tshwa yi-yintoni?" Phila: "celu xolo ngoy'ngena tata, but Andile uy'phethe kakubi ntombi yakho eBhayi.." Mlu: "don't tell me yilendoda umane ngoya kuyo lena!" Andile: "wazi ntoni wena! But she lies to me, ngowesbini lona ndimnqanda kuye!" Phila: "what?" Zuki: "andile khavale umlomo. Kudala ndisithi andik'funi!" Mlu: "hey! Uyothetha olohlobo eBhayi. Not apha! Uthin Andile?" Andile: "bhuti ndiyavuma ndenza wrong nam ku Zuki, but at the time sidibana wayazi ndine cherri. Sohluhana nalo girlfriend.. Zuki didn't believe me. Wadibana ndihamba ne colleague, who was engaged! Mlu: "awum'fun Andile?" Zuki: "no." Mlu: "wena bhuti uthini?" Phila was just confused. Phila: "Zuki you told me Andile abused you." Andile: "ndiyavuma ewe ndambetha. If ufuna umthatha. Hamba naye sani. I'm done with this mna. I have tried to keep you happy Zuki, I have done wrongs but I apologized.." He got up and took his keys. Andile: "ndicela uxolo tata....cacile ndim rubbish apha. Phila, nanku Zuki, usezoyiva leyam intlungu nokwakho fethu.." Tata: "um-mtshat-o." Andile: "uxolo tata. But andizokwaz." He walked out to his car. Mlu: "ulindele nton? Bufuna lonto mos." The father started crying. Zuki walked to him. Mlu: "no Zuki, No. Uthe ufuna uPhila mos ne? Nanku ke uPhila uzok'landa." He got up and picked his father up walking him to the bedroom. Phila: "am I missing something? Why did you lie? To get out of a relationship?" Zuki: "he is possessive Phila. I don't want him in my life." Phila: "and your dad? Bhuti wakho?" Zuki: "bazoba ryt after a while. Now.....its just." Phila: "just what?" Zuki: "tata bemthanda uAndile. A lot." Phila: "bade ba-discuss umtshato?" Zuki: "this is new. Bendingayaz mna lonto." Phila: "phof its tradition, uqale ucele kutata before the girl. Anyway masambe." She went to fetch her bags. They got in Phila's car and drove off.....

4 DAYS LATER...

Phila and Zuki were in her flat in Summerstrand. She was making him breakfast. Phila sat on the couch. Zuki: "hay man baby, there's something wrong I tell you." Phila: "phi mgok love?" Zuki: "Zintle has never been gone this long without contacting me!" Phila: "maybe she's busy." Zuki: "let me try her again." She tried to call Zintle but it went straight to voicemail. He turned her around, laying her on the couch....biting the buttons of her top off. Zuki: "but baby...." Phila: "shhhh.....we'll find her, but for now." He took off her pants. KiSsing her whole body, sucking and biting. Zuki: "philaa manni." She moaned. Phila: "zuki manni." He smiled. He kissed her thighs slowly.... Zuki: "cime stove." He got up and switched off the stove. He led her to the bedroom. They lay on the bed together. Phila: "your body....hmmm lovey. It feels like silk." Zuki: "khayeke man baby." He rubbed two fingers on her clitoris. She moaned louder. Phila: "shhhh...akho seBluewater ke baby apha. You'll wake your neighbors." Zuki: "nguwe njena i-cause. This relaxed mood of yours just frustrates me inside." Phila: "that's the whole point...." He winked and took off his pants, put on the condom. And entered.....

Lukhanyo woke up and went to the bathroom. Lihle had left with the kids, probably on the way back. He went to put on the radio and called her. Luks: "Uphi baby." Chuma was playing with his truck on the floor, or fixing it. I'm not sure. Luks: "what did you get me?" Me: "me." I went to the kitchen and made him his breakfast. Luks: "benisenza nton eWalmer? Uph uNamhla?" Me: "she went to her friends. Besithenga ezinto besithi uyaz'funa qha. Ndadibana noVuyo." Luks: "uy'bamb'apha, don't wanna hear that name in my house. I was really excited now!

Lubabalo was laying in bed with Liya.. His mind was reeling. Everything was ticking him off lately. He sat and looked over his work. He had a presentation to attend on Monday in Cape Town. Then a meeting at the airport with Nameesha, from the IT department. Then on Tuesday he was meeting his accountant, and then his lawyer to update his things.. Wednesday he had an appointment. Again. Which he really didn't feel like attending, so he busied himself with his work. Liya: "hey you...." Lubb: "hey sweetheart." He bent down to kiss her, holding the tummy. Lubb: "you good?" Liya: "yeah, wena?" Lubb: "I'm okay love. Can I get you anything?" He got up. Liya: "no I'm okay...I just wanted to chat with you." Lubabalo wore his pants. Lubb: "about?" Liya: "the wedding stuff." Lubb: "babes, we'll talk about that after the negotiations. You, Namhla and Lihle can plan it together. Andingeni ndawo mna." Liya: "okay. Love are you sure ugrand?" Lubb: "ya." He took his cellphone and walked upstairs. He dialed a number on his landline. Thulz: "hello?" Lubb: "sahleli kanti." Thulz: "your parents are home kalok. Yamaz uNette the way she fusses." Lubb: "haahahaha, enjoy it while it lasts. Uzoba yi egg kuye." Thulz: "ufuna uhamba nam siye msebenzin wakhe!" Lubb: "wathini wena?!" Thulz: "does it Seem like I have a choice?" They laughed. Lubabalo kept quiet. Thulz: "still there?" Lubb: "yeah." Thulz: "what's up?" Lubb: "look, I'm sending the jet over, you leave tomorrow night. Ufike apha Monday yeva?" Thulz: "okay.." Lubb: "we'll talk again." Thulz: "sure." They hung up. Lubabalo called the hospital. Lubb: "hi, uhm....I'm looking for a Dr. Martin. I called her 2 days ago, asking for clarification on the tests I did and she told me to call

her today." Caller: "who am I speaking to?" Lubb: "Lubabalo A. Morrison." Caller: "A?" Lubb: "yes. A." She got busy on the computer busy clicking, irritating Lubby even further. Lubb: "girl, are you on Facebook?" Caller: "these calls are recorded for safety purposes sir. I am not allowed to discuss inappropriate things." Lubb: "all you have to say is yes or no." Caller: "no." Lubb: "then hurry up." Caller: "I'm putting you through to Dr Martins, please hold." Lubb: "why didn't you do just th-" the phone beeped loudly and music started playing. Lubb: "did this bitch just swerve me?" He asked himself. After some time, he went downstairs holding the phone still, he poured juice and drank. Dr. Martins: "morning?" Lubb: "oh wow, hello." Dr. Martins: "hi Lubby, its a busy day. What can I do for you." Lubb: "the results of the paternity test I asked for." Martins: "oh yes, uhm. Bye." Then hung up. He went to take a shower and dressed. Liya: "uyaphi?" Lubb: "out baby, ndizobuya." Liya: "out where?" Lubb: "come on Liya. Just out. To get fresh air." Liya: "I'm coming with." Lubb: "hay noba awuphilanga baby. Khahlale phanttsi wethu." Liya: "ndinoske ndigoduke ke mos xa ndingazohoywa." Lubb: "kodwa Liya you saw I've been working all night long. I wasn't ignoring you. Liya: "ok." He took his keys, kissed her and drove around. He landed in Summerstrand. Lubabalo took out his phone and called Zintle. The phone just cut off and disconnected. He tried again. Same thing. Lubb: "mxm! Ndiyadikwa bonanje." He got out the car and walked to the building up to her flat and knocked. The door opened. Lubb: "I have been trying to-" he stared. Lubb: "Phila what are you doing here?" Phila: "nothing much....you?" He walked inside. Lubb: "nothing much needs that door to stay open. Uphi uZintle." Zuki walked out the room. Zuki: "uhmm....akekho." Lubb: "U-PHI." Zuki: "I don't know exactly." Lubb: "you're her bestfriend you're suppose to know." Zuki: "she left ndingekho with her stuff. Nobody has seen her. Kokwabo kuthwa akekho pha." Lubb: "What?!" Zuki: "since tuesday...asikamboni or heard from her." Lubb: "no, no, no, no fuck!" He stood up and paced around the room. Lubb: "her room?" He went to her room. Most of her things were gone. Lubb: "she left. On purpose." He kept telling himself to calm down. Lubb: "okay. Its cool." Zuki: "I'll ask our frien-" Lubb: "yeah, do that now." Zuki called a few people, none of them had seen Zintle anywhere. Lubb: "yeses!" He breathed and left. Got into his car and drove off. He was calm. Trying to collect himself. It was almost 1. He went to the hospital, calling Lukhanyo.. Luks: "yes?" Lubb: "I need your help." Luks: "what's up?"

Lubb: "ima call you back just now." He went straight to Dr. Martins office hanging up. He knocked and entered, she was on a conference call with other doctors. She stared at him and shook her head. Lubabalo sat down, folding his arms. After Dr Martins finished the call. Martins: "I knew you just couldn't follow simple instructions." Lubb: "you know me better than that." Martins: "how are you?" Lubb: "I don't know, I feel like I'm bout to explode." Martins: "nervous huh?" Lubb: "please stop mocking me." Martins: "okay, these results are accurate the actual original." Lubb: "is there another copy." Martins: "nope, this is the only one." Lubb: "are they going to make me mad?" Martins: " see for yourself." He opened the envelope and swallowed. His heart was in his throat. He could feel his own pulse breaking into his skin. He was shaking, sweating. His eyes scanning quickly through the paper.....Boom. There was the result. His heart took a dive into the ocean. He got up and walked out, calling his brother.. Luks: "listening." Lubb: "I am not going to rest. Until I find my daughter Lukhanyo!" Luks: "what?!" Lubb: "ngowam!" He cried. Lubb: "she's mine dammit!" Luks: "where do I start?" Lubb: "ku-Ta Smig. Zintle umke no mntanam. I can't find them! She did this on purpose just to spite me!" Luks: "okay, lubabalo. Sam'fumana." He hung up.

Chapter 394

Lubabalo parked at his brother's house and walked in. Ta Smig was already there. Luks: "Balo, you gonn have to calm down first. Andikuva mna xa unomsindo." Lubb: "lukhanyo. Ndiyoli vuthulula lonke eli Bhayi kube bomvu!" Luks: "that will not be necessary. Yet." Ta Smig: "akekho kowabo?" Lubb: "kuthwa they haven't seen and Zuki uth oko bemke Tuesday!" Luks: "check hospitals." Lubb: "what are you trying to say?" He growled. Luks: "we have to look at all possibilities Lubabalo." Ta Smig: "ithin number yakhe?" Lubabalo gave him the number. Ta Smig: "ay'phumel." Lubb: "oh wow, geez really!!!" Luks: "getting worked up is not gonna help tu ke kanti." Me: "what's going on." Everyone kept quiet. Me: "yangath ndisisbhanxana esithile." Luks: "lubby can't find his child." Me: "what child?" Lubb: "the baby." Me: "oh so its yo-" I stopped myself. Well obviously. The look on his face wasn't funny at all. Me: "uphi uLiya?" Lubb: "ndlin." Me: "okay, boys!" They came running. The older guys needed some time to sort out their things. Me: "wear your shoes love, sihamben." I took the kids and babies out to Lubby's house. Liya was in the kitchen making food. She seemed a bit irritated. Me: "hello..." Liya: "hi." The boys went outside at the back. I put the babies down. Me: "what's wrong." Liya: "kukho lekritsi ye ex ka lubabalo! You know she's doing this ngamas'bom?!" Me: "doing what?" Liya: "faking umntana saying

ngowaka lubabalo! Why Now! Behlele leni? She's trying to ruin his life." Me: "oh." Liya: "ever since she appeared, lubabalo doesn't pay enough attention to me! He's forever out or distant! Yilento ndiyaziyo. Xa kukho le bitch. Nqondo ka lubabalo ayisebenzi! He just gets nervous!" Me: "uhm-" Liya: "you know if she thinks she can take my husband from me, she has another thing coming! She's fucking crazy!" I let her blow off some steam. I can't tell her the Baby is really his. Its not my place. Me: "so, what are you planning to do this year?" Liya: "I'm not interested in that right now. Oko bemke ksasa lo apha! Where the hell is he?" She took out her phone. I took it from her. Me: "he's with Lukhanyo at home. What's going on with you!" Liya: "ndam'capkela lamtana Lihle, with a passion." Me: "hayi Liyabona that's not healthy." Liya: "you hate vuyo, don't act like a saint." Me: "I don't hate vuyo. Ukwenze nton dan lomtana?" Liya: "there's something off about her. And ikhona into ebadibanisayo noLonwabo. IF I prove that, maybe Lubabalo uzocaphuka asuke kuye nalo fake baby." Me: "you don't want to do that." Liya: "why not! She's a bitch, walala netshomi zika lubabalo kwakho ne video yalonto! Bubuhule baku level 90 obo." Me: "kodwa liya awungeni ndawo...let's make a smoothie, do you want to go baby clothes shopping. Or watch a movie? OR we could dress you up in Lubby's clothes." Liya: "why would I want to do that?" Me: "its fun. We just passing time..." Liya: "hay wethu..." She took her glass and walked to the bedroom. Bendizothin kanene apha? 😊_-_-

Ta Smig: "uphi utatakhe?" Lubabalo thought hard to a time where they were talking over lunch...he was asking heR about her family. Apparently the father had gotten married to some sweet religious woman.....and uhm.....they lived in..... Where the hell was that place? Lubb: "a small town though....I'm tryna think." Luks: "george?" Lubb: "nah...qala ngo P or something." Luks: "polokwane?" Lubb: "no...its closer than that." Luks: "Pietermaritzburg?" Lubb: "nah...." Luks: "Popo village?" Ta smig laughed. Lubabalo's expression changed the whole atmosphere, the house went dead quiet. Luks: "khona la ndaw ngase Knysna I think, and'kho sure ncam." Ta Smig: "ePlet?" Lubb: "Yes! ePlet." Smig: "do you know the place?" Lubb: "no I don't." Smig: "khandiphe surname ka Zintle or her dad." He gave him her surname. Ta smig: "I'll be back." He got up and left. Luks: "butyile?" Lubabalo thought hard. Everything these days required his full attention, why was he feeling like this. He needed his God...more than anything. He kept talking in his head: 'dear God if you listening right now. Please bring me back my baby. I'm begging with all my heart.' Luks: "lubby!" Lubb: "huh?" Luks: "are you not hungry." Lubb: "no." Ta smig came back aftEr 2 hours. Lubb: "um'fumene?" Smig: "errh....yes." Lubb: "ndicela siyeni ngoku." Luks: "how about we first-" Lubb: "lukhanyo sundenzi nerves. Ndicela siyolanda umntanam

Khaya walked in from work, he went to change and stood with Zintle, helping her. Khaya: "I'm glad you're here sisi." Zintle: "really? Ngoba dan?" Khaya: "no reason, just kubekho another child aphe ndlin. you know mom and dad like to fuss." Zintle: "and kalok uba wedwa so noba ubaliqanda worse. Its a good thing you don't become a spoilt brat though." Khaya: "I don't even have that chance, mom would take me to church and pray for me." Zintle giggled. Zintle: "what else do you wanna tell me?" Khaya blushed... Zintle: "come on!" She poked him. Khaya: "okay, there's this girl..." He whispered. Zintle: "finally! You're 18 mos. What's the prob?"

Khaya: "I can't talk to her mntase. She's sooo...wow, her eyes just light up, her smile.....ahhhhh." He melted. Zintle: "how long have you known her? Who is she?! Tell me." Khaya: "do you remember Tammy?" Zintle: "Tammy Louw your best friend?!" She hissed. Khaya: "ungam'xelel mama please. Yes, she's amazing Zintle. Its been almost 2 years I felt this way ngaye. She's different..." Zintle: "different from what? She's your first crush nje....worse ukhula naye lomntu, since grade 3." Khaya: "different from the girls at school." Zintle: "tell her." Khaya: "she broke up with her boyfriend last year. I don't want to be a nag. She said she's happy single. So I don't wanna ruin our friendship." Zintle: "bunny. Find a way to tell her. Maybe she feels the same, and she also doesn't want to ruin your friendship. And I see you, looking all mature now all of a sudden." Khaya: "I even joined the rugby team to impress her." Zintle: "dude you HATE rugby." Khaya: "I know! Instead ndaske ndafunwa by All-Sorts pha esgela." Zintle: "you're looking mighty fine, obviously uzofunwa. Tshongobayi chocolate bone apha." Zintle: "she totally digs you and that cute puppy face.." Khaya blushed sweetly. His phone rang. Khaya: "its her..." Zintle: "then pick up, say hi for me." She walked to the lounge leaving him with his privacy. Macy: "uthin uKhaya?" Zintle: "updating me nge Rugby." Macy: "I thought he hated it ke sana, I've been to all of his games and he's always the one that wins for the team. Uyay'kwazi shame uy'dlala." Dad went to set up the braai stand at the back, macy marinated the meat. They all sat outside the back yard with juice. Dad: "Zintle, have you decided?" Zintle: "no tata..." Dad: "okay love, no rush at all....take your time. Khaya applied for Cape Town and pha eBhayi. And got accepted" Zintle: "whEre do you wanna go?" Dad: "I'll pay the rent." Macy: "sorted!" Dad: "don't annoy your sister boy.." Khaya: "I won't tata...heee." After the braai they went inside to eat at the table. After dinner, khaya and Zintle washed the dishes. Zintle: "you don't have to feel the need to protect me Khaya. I'm fine." Khaya: "hayi Zintle, you're my sister, I can tell you're not. And I want to be there for you..." She hugged her young brother. Zintle: "you are so cute. Uzothin Tammy." Khaya: "uzohlale Walmer with her aunt." He smiled. They went to sit inn the lounge it was still early, just after 4. A car parked outside. Dad: "expecting someone?" He asked his wife. Macy: "no hun, you?" Dad: "nope..." Buhle woke up and starting crying. Zintle:

"seyili xesha lakhe eli.." She got up and walked to her in the bedroom.. There was a knock on the front door. Khaya went to open. Khaya: "hello." Lubb: "hi...unjani?" Khaya: "I'm good and you?" Chapter 395

Phila went to Lonwabo's place. Knocking on the door and calling him. Lonwabo opened. Phila: "what the hell, happened to you! Nguban okwenze lento!" Losta: "khayeke Phila." They walked to his lounge. Losta: "I'm tired for uphuma vannag." Phila: "hay nam andiyi ndawo. Khatsho fondin, why do you have a black eye?" Losta: "hayi Phila, this is not a black eye. Its just a bruise now anyway." Phila: "okay ndiyavuma ayikho bad, but Who? And why?" Losta: "khayeke sani." Phila: "hay man lonwabo." Losta: "ndilwe noLubabalo, matter of fact, he hit me." Phila: "tell me you joking." Losta: "I'm not kanti. Yayaz ndikhawuleza ndidumbe mna. My eye was swelled up..he even strangled me." Phila: "xabekthen fondin!" Losta: "Lubby akaphilanga. He accuses me of past things. Uthi Zintle cheated on her. And mna bendi aware ngalento. He thinks I slept with her !" Phila: "did you?" Losta: "fethu you of all people know. I love women and sex. But not kwi tshomi zam. Andiyenzi lokaka." Phila: "why would he think that kengok Lonwabo?" Losta: "there was a party....kukho mna, Victor the owner of the house, Sabz, Buyile, Terrence, uhm.....Themba, Nangamso, Luthabo, Tyler, Craig, Steward, Josh, and then these girls. One of the guys esithi ufuna uzama something. He spiked a drink way'nika some chick. Way'sela....after a while waqal ustripper lomtana. She started doing funny things, and the guys said no one to touch her....la amajita Phila, bengekho right fethu. I was very uncomfortable mna pha kwafika tshomi zika Zintle, they called her there. Wafika wethu basela, so ndaz'chazel ba mna, I'm going home.....it was past 9 to 10 at night..I had an early shift the next morning.. Ndaxela ba ndiyahamba. I left that place....I drove all the way to Bluewater, realizing ndishiye wallet yam, and I needed my card for tomorrow. Xandikhangel phone nayo ayikho. So I got in the house and called it nge land line, nobody answered. Ndathathisa kwakhona unyuka ndibuyele. On the way ndibhanjwa yi traffic for speeding and mind you my driver's license is in my wallet yayenye i2hours, had to call my dad nge phone yenye yez'officers to bring

a copy of my I.D umazi ke utata ngothath xesha lakhe...so ke ndanikwa i-fine ndahamba. ndangena k'landlu again ndancokole noVictor. I went inside ndabona ku empty. Kudlal mculo qha. So I looked through the house for my things. Wallet nday'fuman bathroom. Xandiyongena in one of the rooms. Ndabona uZintle. She was unconscious by then. Lubabalo refuses to listen! Yonke into yena ucingela gama lakhe qha!" Phila: "wayetheni?" Losta: "I can't say Phila." Phila: "why not?" Losta: "I'm a doctor. Its part of my job I shouldn't have even told you about this.." Phila: "lonwabo you must tell Lubby lento. Suy'gcina kuwe. And Zintle? Does she remember?" Losta: "he never gave me the chance, whenever I mention it uske abeyi bomb adubule ndam'yeka ke nam. Zintle remembers everything that happened but wayengena control." Phila: "eilonwabo." Losta: "I know bra...." Phila: "get some rest....ndiyahamba ngok...I came to check up on you." Losta: "hayi no, ndigrand sani. Promise." Phila got up and left, Lonwabo missed Lubabalo but he had to let him be. He switched off his lights and went to bed. ON A. SATURDAY NIGHT.

Lubabalo and Lukhanyo were waiting by the second street corner in total silence. Khaya walked to them and got in the car. Luks: "can I drive around." Khaya: "cela umise k'laaa park pha phezulu." Lukhanyo drove to the park. Lubabalo was mute. The car stopped and lukhanyo switched off the engine. Luks: "call me Luks." Khaya: "uhm, okay..." Lubb: "ufuna nton." He said in the weakest, most defeated voice. Khaya: "well, bendithetha noZintle izolo. She says she forgave you for kicking her out kwak'dala.." Luks: "do you know what exactly happened?" Khaya: "yeah, she was at home this one time. Fownelwa ngu Toby, her friend, to come to a certain party, waya khona ke. They drank.... Zintle wabe ebona ifriends zika Lubabalo, knowing akekho. Wacela uhamba. Apparently Victor said, "one last drink for the road" wamnika iglass. Zintle drank it....uthi after that waziva edizzy waya kwi room, she closed it kwangena uDuma. Well, Duma si-student naso and bepha, she tells Duma that she's feeling sick. Instead he made moves on her...." Lubb: "stop." He tried to process the whole thing. It felt like it was happening over, the moRe Khaya spoke the more angry Lubabalo got. Lubb: "and then....." Khaya: "well, kwangena omnye bephethe camera. Recording the whole thing. They tied her up. Kuze kengoku kufike the rest of the guys.....she...." His own heart broke into pieces. Luks: "thetha fethu, you're doing fine...." Khaya: "she says oko ekhala ekhwaza uLubby...they closed her mouth benza until she lost consciousness." Lubabalo was shaking....the tears rolled down his face quietly.. Khaya: "she woke up es'bhedlele..kukho a doctor friend, andisam'khumbuli igama, she says he had left kwakudala, but after the others did what they did, wafika lo noba about an hour later. Andaz noba ngu Loyiso or Lonwabo or-" Lubb: "lonwabo." Khaya: "yeah him...he was the one to call tata, he treated her wamnika the necessary treatment to

prevent disease and stuff. Apparently Lonwabo wayesithi uzay'thetha kuLubabalo. Zintle akavuma, wathi makayekwe uzothetha ngokwakhe. And tata told Lonwabo that he didn't have the right to discuss her because he was the doctor. That's how she found out she was having Buhle, Lonwabo confirmed that it wasn't from the rape, kudala emithi. She tried to act brave about it all but after wam'gxotha endlinakho. Wabaqwa ngu Zuki, ezoz'bulala. I know you sitting there thinking that I might be lying and shit okanye ndizothethelela sister wam. I just thought you should know mna. Because obviously none of your friends told you. Lonwabo ke yena could have but uxhaywe yiLaw." Lubb: "but why did she let me believe that she cheated? Then why did she come apologize kum on friday last week?" His voice was shaky. Khaya: "Zintle une pride. Her life is complicated already, having to see Duma on campus each and every day is not easy. she couldn't tell you. You shut her out." Lubabalo was speechless. The image of Zintle breaking down in that chair, shaking and crying it brought him pain. Luks: "why did she send you to us ?" Khaya: "akafuni um'vele. She doesn't want your pity. " Lubb: "she probably hates me." Khaya: "ha.a kanti. She doesn't. Its less complicated this way. She doesn't want you to feel sorry for her. Idlulile lento. She goes to counseling twice a month, even though she says she doesn't feel change, at least she's trying to pick herself up. I have to go now." Lubb: "so how will I see my baby?" Khaya: "andiyazi ke boet." He got out the car and walked home. Lubb: "I feel like my whole life is a lie Lukhanyo. How could Victor do such a thing to me? Is this why ebendibaleka? He was the first one to come show me the video esithi ndingatshati nehule. That she....." He broke down. Luks: "lubabalo khayek ukhala fethu....come on.....at least inyani uyayazi ngoku..." Lubb: "and the one friend that actually saved her from bleeding to death or whatever, ngulo ndimthukileyo ndambetha. I should have calculated the reason angakwazi uyithetha was because of his policy! He tried to push me to Zintle ndim lo wayengamameli!" Luks: "talk to him. Cela uxolo." Lubb: "he told me he never wanted to see me again mos! You were there. Dude I hate myself. I just can't...." He sobbed. Lukhanyo started the car and drove home, Lubabalo eventually fell asleep. Thank God, Lukhanyo thought to himself. Lubabalo's crying just wasn't usual, it was painful.....

Around 8 in the evening, dinner was ready. I was sitting with the twin babies in the lounge. Liya walked to us. Liya: "lihle, I'm sorry..." Me: "its okay..I understand. How you feeling now?" Liya: "better that I blew off some steam." Me: "okay then. Your dinner is in the oven." Liya: "I'm going home. Cacile apha mos Lihle I'm not needed..." Me: "At least wait for him to get home." Liya: "nah, he knows where I live. Xa efuna uthetha nam uzandifownela. Ndizobe ndisekhaya." Me: "okay text him, so that he knows." Liya: "ok." She went to fetch her bag. Me: "what if its his? What are

you going to do?" Liya: "Hayi Lihle, he should've found out about this before he Got ME pregnant. Kuthen yena efuna yonke into AND ayifumane? Uthin ngabantu who get hurt in the way? I didn't even want this baby mna. I told him, I wanted to build my future! But did he listen...NO." Me: "he loves you Liya, ndiyamazi mna uLubabalo. He won't go back to his ex, he just wants to know about the child qha." Liya: "okay....I get that. Yimalini kengok undixelesa?" Me: "men are secretive sisi, especially aba bakwa Mzinyathi, uthetha xa eziva yena. He will never say a thing if um'ngxamele. Look at the Sbosh fiasco? The more I got bitchy about it, the more lukhanyo esiya kuye. And when I let it go, wayeka. I'm sure wam'qibela ngoko. Don't be too hard on him." Liya: "uthi ndingaqumbi kengok? Ndimyeke?" Me: "just don't scare him. Suyingena. If he wants to talk to you, he'll sit down and talk to you. If he doesn't and you keep pushing, uzobaleka sisi. Trust me, I Know." Liya: "ndiyakuva. Okay, but I still need to get home though. I'll call him in the morning. I won't raise the topic." Me: "okay cool. Can I drop you off?" Liya: "no thanks, I'll take a ride with my new bennzzz!!" She smiled brightly. Me: "have fun sweety." Liya: "John!" She took her things. Liya: "bye munchkins." She kissed the babies and the boys then left with her chauffeur. John was a silent man. He didn't say much unless asking a question. John: "Any specific destination Mrs Morrison?" her heart melted at the title of 'Mrs Morrison.' Liya: "just take me home please." He typed in the address and they drove in silence. He dropped her off, opening her door and taking her bags out. She walked to her house, his duty was to make sure she had entered. Liya went inside the house. Her father had left. So it was her and her mother. Liya went straight to her room. Her mother walked in. Mom: "Liya..." Liya: "mama." Mom: "it is a new year. I can't do this with you anymore. Andithandi ukulwa nawe mntanam. Ndiyakuthanda. I only want what's best for you. Ndifuna ufana nabanye abazali nam, ndidikiwe kusoloko ndinomsindo or moods. Its not your fault your father left me, ndicelu xolo Liya." Liya: "ndiyak'thanda nam mama...and you know I'm here for wena, with or without dad..." Mom: "yeah, but uyaphinda uyandishiya." She wiped her tears. Mom: "you're going to University, you're getting married, I'll be alone all over again." Liya: "mama.....there's something I need to tell you." She was in tears too. Mom: "what is it?" Liya: "I know you warned me mama, you told me this would happen, I'm sorry I didn't listen to you.." Mom: "sweetheart please tell me." Liya: "ndimithi ma." Her mother hugged her. Mom: "Oh Liya!" She cried. Liya: "I'm soo sorry mom....." Mom: "no mntanam....if I had been more open, instead ndimane ngok'gxeka kwinto ezimbi. Ewe I'm disappointed. But you passed your matric, you're going to university, you're getting married and I'm here to help you." Liya: "I don't know if lubabalo wants to marry me anymore, some girl has appeared in the picture again...akabambeki. He

doesn't want to talk or pay attention. I messed up!" Mom: "its okay....." Liya: "what?" Mom: "being mad at you won't make you unpregnant. Sisobabini kulento. Sincedisane...but for now, let's focus on school. Butyile?" Liya: "no..." Mom: "you have to keep your strengths up ke mimi...we'll make an appointment for you Monday, before senze nto zeskolo." Liya: "thank you soo much mama." She was getting emotional by now. Mom: "you're my only child Liya. I need you as much as you need me...ngamanye amaxesha amadoda are not what we need to be happy. Funeke ufunde uzimela..jonga how much time I wasted in being mad at you for indoda engandikhathelele. I can't live like that." Liya: "tata does care mama." Mom: "for you he does.....let's have dinner out." Liya: "out? Okay!" She jumped up to get dressed. Mom: "nam ke mandibe fancy sana." Liya: "heee umama!" They laughed and got ready together.

Chapter 396

I went home with the kids and bathed them. Preparing them for bed. I lay the babies down. Lukhanyo probably was on his way back now. I heard the car go in the garage. yep....it was a long while till he came inside the house. Lubabalo went straight to the spare bedroom. It was actually his now. Lukhanyo stood in the lounge, motionless. Me: "babe?" He just shook his head and locked the house and switched off the lights. He went to take a long shower. I was falling asleep by the time he got out. He crawled into bed. Luks: "lihle.." Me: "hm..." I was really sleepy. Luks: "ndiyakuthanda yeva?" Me: "yes love." I groaned. Luks: "lento yenzeke ku lubby nozintle is really fucked up yazi...nobody deserves it tu." Me: "what happened." I was forced to wake up. Ndamaz uLukhanyo. It was now or never. I know I'll never hear of it again. Luks: "baby, Zintle never cheated." Me: "njani? Lubby mos wath she cheated ngalamfana wayefunda naye." Luks: "she was gang raped lihle." I was so shocked, I actually choked. Luks: "he is torn apart. Oko ekhala, andimazi ndingathini to make him feel better." Me: "ohh hay man lukhanyo...what the hell." Luks: "uzothetha naye babes?" Me: "no. Myeke...." Luks: "izom'mtya lanto lihle. He's already hating himself. He has to go to work monday. Uzoyenza njan lonto?" Me: "hay man, khame ngoLubabalo. Umntana bantu yena! She's been in such pain, still wathula wamyeka uLubabalo am'gezele ahambe ethetha kakubi ngaye. Yuuuh hay lukhanyo sundikhathaza ndizolala." Luks: "babes, she's fine. Yena lo uqalayo uyiva lonto is going crazy. Yandaz ke mna I'm hopeless when it comes to comforting people." Me: "did he call liya?" Luks: "no, if he wanted to, he would've done it." Me: "I'll check on him tomorrow man, makalale aphole for now yabo..." Luks: "I need to go to Cape Town." Me:

"uzohamba njani uzazi ba usema peren wena?" Luks: "babes, I'll call the officer tomorrow and notify him. Kamandi its work related. At least I have to try..then ndiyolanda la brief ka Lubby endlinakhe, go through it and I'll be ready." Me: "okay. Ungabaleki though, make sure you get permission." Luks: "okay. Masilale love."

.....

Early on Sunday morning, Macy got ready for church wearing her full uniform. Dad: "awusemhle sisi." She blushed. Macy: "uyaz'bona ke..enkosi mnyen wam." Dad: "und'beke ecawen love, I want to take another nap." Macy: "when are you coming?" Dad: "when I can focus for more than an hour max. Then sure." Macy: "mxm wena. Let me check on Zintle." She walked to her bedroom. Macy: "sweetheart are you ready?" Zintle: "yes, just finishing Bubu." Zintle wore a grey high waist pencil skirt with a slit at the back. A white short sleeve blouse and white stilettos. Buhle had a white dress with a silk bow at the back. Macy: "akalinganwa nayi sandal ke mos yena. Eli nyawana lincinci bethuna." Zintle: "kushushu phandle but ndizom'faka okwe kaw's I don't want her catching more cold." Macy: "okay, sow'mtyisile mos. So we're leaving in 15 minutes." She walked to Khaya's room and knocked. Macy: "khaya! Open up pumpkin." Khaya opened the door. He was already dressed but looked ill. Macy went inside and closed his door. Macy: "what's wrong?" Khaya: "I think its just a lil fever ma, akhonto." Macy: "you went to those guys izolo and you told them the story, didn't you." He couldn't lie to his mother. Khaya: "but mama he had the right to know..." Macy: "I know love, I know. But uyaz'bona kengoku uyazikhathaza wena self. You cried yourself to sleep because you felt that he had the right to know. Mntanam, you have a brave beautiful big heart. Be careful. Not everyone in this world can be your friend. Sthandwa you have to think of yourself at times uyeke uba selfless. Come, let's get you something to eat.." She fixed his collar and tie. Macy: "it'll be alright sweety. Just keep your head up high." Khaya: "how do you manage to keep so calm." Macy: "someone has to have a clear head here, asinoqumba sonke. Ndakhathazeka ndayeka mna..pray for strength. God shall grant it to you." Khaya: "he wants see his baby.." Macy: "ei sweety, this is a complex situation. But I can't go behind your father's back." Khaya: "but mama, can-" Macy: "No Khaya, uyamazi utata wakho how he feels about this and Lubabalo. I can't upset him. Iza" They walked out to have breakfast.. Zintle came out with Buhle and they all left for church. The service hadn't begun yet. They were 10 minutes early. Macy was sitting with the older women, by their side. Khaya was outside, Zintle had Buhle on her lap on the other side, chatting to her. Someone walked over to her. She looked up and saw a vaguely familiar face. He was light skin and had big dark brown eyes. A shy smile crept over his face. Him: "hi, ndingu Lungelo." Zintle: "Zintle..." Him: "can I sit next

you? Okanye kukho umntu?" Zintle: "yes, my brother and his friend." She looked at Buhle and ignored him. He sat down in the front row. Khaya came back. Zintle: "I'm going to change Bubu, ndiyabuya va." Khaya: "again?" Zintle: "noba ngalamayeza." She walked out the church and took a walk with her daughter. "Toilet uzishiye ngasemva ke sisi." She got a fright..turned around. Zintle: "are you stalking me?" Lungelo: "nope, I'm going to the shop." He walked next to her. Lungelo: "ndaqala ukubona apha.." Zintle: "oh really?" Lungelo: "yes really...mna ndihlala kwesa strato. I was in East London for the past 3 years. I'm a lawyer...wena wenzanton?" Zintle: "I'm a student.....look, do you mind? I'm kind of trying to bond with my Daughter." She made it clear that its HER baby. Lungelo: "and what a beautiful girl she is...what are you two doing after church?" Zintle: "I'm not interested in whatever you have in mind." Lungelo: "I'm just trying to make a new friend." Zintle: "I can't be your friend Lungelo, sorry." She turned and walked away. Lungelo: "uhm....okay." He went to the shop to go buy himself sweets and air time. Then walked back to church. The service was great, the Pastor had spoken about forgiveness. At half 12, Zintle was already at peace. They walked out of church. Khaya was holding Buhle, Zintle got to sis'Macy who was standing with Lungelo. Macy: "unjani yena umama wakho?" Lungelo: "hayi u-right wethu mama, namhlanje qha uthe akaziva." Macy: "uzolunga wethu bhuti, have you met Zintle? Eldest ke lena.." Lungelo: "nguye lo? We've met.." Khaya: "I'll start walking for now...bhut'Lungelo uphi uThand'xolo?" Lungelo: "ndim'shiye lele..." Khaya: "tell him I'll come by later." He walked home. Zintle: "sund'shiya..." Macy: "Lungelo will you walk with us..." Lungelo: "sure.." They all worked together, until before their street. Lungelo: "ndiyajika ke mama apha. It was nice to meet you Zintle." Zintle: "you too." She looked to th side. Macy: "und'bulisele ke bhut va." Lungelo: "okay ma." He walked off. Macy and Zintle walked together. Macy: "he's a sweetie." Zintle: "bonke bafika bezi sweetie wethu mama, and'na xesha labo mna. I'm fine with Bubu." Macy: "not bonke sthandwa, you need someone to laugh with at times. No rush. I don't want you carrying on with life thinking all men are animals. Lungelo is really humble." Zintle: "andiyaz wethu sis'Macy. What are we having for dinner?" They walked into the house.

Lubabalo was still in bed. Covering himself. Likhanyo had left to meet with his officer. It was almost 1 Lubabalo akeka phakami? What if he hurt himself? I knocked and opened. He was in the same position, covering his head with a pillow. Me: "Lubby." He didn't answer. Me: "mtshana you have to eat something." He did not move an inch. Hayi man this was not normal. Me: "Liya kudala ekufownela, she wants to talk to you." Cwaka sana....is he sleeping or playing dead? I took the cover off and the pillow. He was laying there with his eyes open and swollen. Me: "lubabalo.. I

made you an SBS." He was staring into space. Me: "and grape juice, your favorite. Please say something." Lubb: "I hate who and what I am. Ndiyamcapkela uLubabalo Andrew Morrison, Lihle." Me: "hay Lubby akho need yalonto. You'll be okay, just speak to Liya, she'll comfort you. Ube grand. These things happen, but we have each other as a family." Lubb: "these things happen? Lihle, I don't want to talk. Please get out." Me: "No! Sund'phambanela mna ugxotha mna kwindlu kaba? Life is hard lubabalo! If you going to keep dwelling in the past soze wonwabe! Shutting people that love you, uphinda kwalonto wawuyenza. Accept help! Awungo Superman tshini! Utheni na. I'm sorry to be mean tshomi yam, but you need to pick yourself and stop moping around like a little bitch." Lubb: "I'm not a little bitch." Me: "then get up and eat." He got up and stared at me. Lubb: "you are sooo freaking mean Lihle, iphi SBS yam?" I brought him his sandwich and juice. He ate and sat back. Lubb: "thanks." He burped. Lubb: "excuse me..." Me: "my pleasure, bend'funa nje utye mna, ungaphinda ulale right after you call Liya." I got up and took his plate. Lubb: "andikwazi uzixolela ngalento, I feel like its my fault." Me: "you couldn't have known this was going to happen nje Lubabalo." Lubb: "I should have paid more attention, asked, be calm.....you know? The way ndam'treat'a ngayo, after everything she already gone through. It was just the ultimate low for me. Even I can't find it in my heart ba ndiz'xolele. How could those bastards do this to her? To my child! She was carrying my baby!!!" He cried. Lubb: "God what did I ever do to deserve this!" I didn't know why I was crying, but it was painful. Me: "I'm sorry lubabalo." Lubb: "lihle do you know what trauma she had to endure because of my selfish deeds? She even tried to commit suicide. Esathwele umntanam Still. I can't even get near them...I just want to tell them I'm sorry...from the bottom of my heart. Why did she leave apha eBhayi khona. Because ebengandi baleki that's for sure. Was it too much for her?" Me: "it is too much for anyone Lubabalo. At least did you get to speak to her?" Lubb: "no, ndithukwe ngu tatakhe kqala wand'vuna nge swazi. My back is still burning. I must get myself one of those. Ingathi bibekwe kumlilo." I wanted to laugh but I couldn't. So I just smiled. Me: "and the baby.." Lubb: "I wanted to hold her in my arms Lihle, tell her she's mine, not to be afraid of anything. I wanted to tell her I loved her no matter what. But andivunyelwanga anywhere near them. Tata wapha made it clear. I don't know if I'll ever see her again..." Me: "zintle yena uthin?" Lubb: "couldn't speak to her.....ndimqibele kwi phupha lam last night." Me: "oh...." Lubb: "she was wearing a white dress, white heels. She changed the baby's diaper and then gave her to me. Instructing me on how to feed her. I asked her uyaphi wathi uyaphangela, she kissed Buhle and left...Lihle, she hates me. The only reason she tolerates me is because of our child other than that akafun nond'bona." Me: "she didn't exactly say that, did she..."

Lubb: "Zintle akathand thetha....she's just overly nice." Me: "don't shift focus Lubabalo." Lubb: "I just want my child Lihle." Me: "Liya yena?" Lubb: "liya utheni?" Me: "what about her?" Lubb: "I love her for being with me, and tolerating my stupid self. I owe her a lot. Just that right now I just need some time by myself." Me: "okay." He got up... Lubb: "and I need to apologize to my friend." He went to take a shower. I dished up Sunday lunch. Lubabalo got dressed and came out his cave. Me: "you'll eat later..?" Lubb: "yeah." He walked out to his car and drove to Losta's house. Lonwabo wasn't home. Usually his car is outside during the day and the front door is open. The second window should be open too. He knew this because it was his friend's house. He sat on the porch, to wait for him. Thinking to himself...lonwabo drove into his driveway an hour later. He had a plastic in his arm and a big Tupperware lunch box. Lubabalo stood up. Lonwabo put the plastic down and opened his house, walked in without so much as a glance at Lubabalo. Lubb: "lonwabo." Losta: "lubabalo." Lonwabo put the things in his kitchen and walked back to the front door. Losta: "can I help you?" Lubb: "I want to say I'm sorry." Losta: "oh?" Lubb: "lonwabo I should have listened to you, and her...I was a fool. I remember usithi you don't like ooVictor, I'm sorry I made you feel bad. Dude ndicela uxolo ngento yonke." Losta: "somehow, that doesn't feel enough. Kukho into eshotayo." Lubb: "and I'm sorry for hitting you and making you look ugly." Losta: "better. I don't forgive you for making me ugly though, but I'm glad you see the light." Lubb: "ndiye k'lo Zintle....to apologize kuye, cuz umnkile aphe Bhayi.. Her father won't let me near her. I heard what happened ngoKhaya.." Losta: "eish awti yam. I'm really sorry I couldn't tell you, enye into latata unala look in his eyes, yendenza ndabawel uchama just thinking about it." Lubb: "Yey! Wandikhanda nge swazi fondin." Lonwabo laughed. Lubb: "but for real though, I need to say sorry. Ndibeno khululeka, ukhubone?" Losta: "I think I can help, kwelocala." Lubb: "really?" Losta: "yes, on one condition. You're showing me your house and sharing la bhotile ye Moet." Lubb: "deal." Losta: "come on in..." Lubabalo went in to the lounge and they sat down...

Chapter 397

Lukhanyo got home. I heated his food and gave it to him. Luks: "thank you my love, andise lambe." Me: "how did it go?" Luks: "they gave me permission," he ate. Luks: "but..." He swallowed and drank his juice. Luks: "funeke ndihambe noy1 wabo." Me: "its better than not Going at all." Luks: "yeah well..." I let him finish eating. The boys were outside playing. Luks: "so sihamba ngo6 in the morning. Presentation is at 9, got a meeting with Nameesha at 2 emini. Still have to go through Lubby's work, by the

end of today." Me: "okay, I'll take the kids to mama for the day, uzokwaz sebenza kakhle." Luks: "enkosi mfaz wam." I got the babies ready and dressed the boys in clean clothes. Me: "Namhla, we going to Motherwell, uhamba nathi?" Namhla: "yuh ewe! I'm a bit bored." She wore her shoes and we got going. Me: "we'll be back later hun." Luks: "EI! Come here!" I walked to him and gave him his goodbye kiss. Luks: "nd'bulisele lovey." Me: "will do." I left for mom's house. At least by this time she was out of church. I parked outside and took the babies in. Mom was sitting in the couch. Me: "molo ma, buyil'ecawen?" Ma: "oh hay....Jeff bekhona, khandikwazi." Me: "oh." They do sleep overs now? This is so awkward. Ma: "niryty?" Me: "I'm fine, wena unjan ma?" Ma: "hay ndiyaphila mntanam..." Something was wrong...or off. Me: 'usekhona Uncle Jeff?" Ma: "no...khona into a-busy nayo namhlanje. Khona idrink in the fridge. Aninxanwanga? Akuse shushu mntaka bawo.". Namhla went to pour the juice. Me: "umqibele nin utata?" Ma: "ngelaxesha sise ndlin ka lubabalo." She took Lutha and played with him. Me: "mama you sure ba uryty?" Ma: "hehake Lithembelihle, ndithe ndiryty mos." Okay.....hold it right there. Me: "okay." We drank our juice and I fed the babies in the mean time. Me: "so, on Wednesday, I'm meeting the accountant to continue with the business. Yazi, I'm not sure anymore. Nge restaurant, I'm just not feeling inspired enough. So ndizo dibana noMandy, sikhe sizame siy'ncokole..." Ma: "self doubt has always been a problem, mntanam you'll do great." Me: "enkosi mama, on some days, I might need your help with the kids until we get a nanny. We might be moving next weekend." Ma: "yuuh, inintsi into enzekayo k'le veki mos." Me: "ei mama." Ma: "I'll be available for the kids anytime you want." Me: "thanks ma...how's Uncle Jeff?" Ma: "Fine....ndiniphakele?" me: "hayi mama enkosi." Something deep.....is wrong. Soze ndikwazi nobuza. But maybe daddy could.....

Lubb: "so? What did he say?" Losta: "well, I called Khaya. He agreed to help." Lubb: "I like that kid yaz. He's quite smart." Losta: "he is, jonga ke, he says uzocela uZintle am'khaphe babuye baze apha eBhayi. He doesn't know if his dad will let her take Buhle with because bekuthethwe into yokuba she's gonn stay thEre till Zintle finishes University." Lubb: "eish....and?" Losta: "he's gonna push for tomorrow...then xabefikile ngapha, he'll notify me, ndik'xelele, I'll take him out for lunch and a spin then you can have time with Zintle...." Lubb: "you are so smart, yacaca zange ufunde ububhanxa. Maths is stapled to your brain." Losta: "yeah, so is helping you and losing out on my job for an entire day." Lubb: "I'll pay you." Losta: "no fethu, I owe you....if zange ndithule maybe we wouldn't be struggling to get the love of your life to talk to you." Lubb: "she's.....she's not. I'm jus-just feeling groggy about what happened." Losta: "so you keep telling yourself. You starting to believe your own lie lubabalo. Its actually very sad yaz?" Lubb: "uyaphambana lonwabo. If I talk to her, make an

arrangement for our kid. I can get on with my life, marry my babe, sivane sonke."

Losta: "nivane nonke? 2 black girls? 1 man? Dude, akho se tv'in apha, bayokukhaba unye xa bedibene." Lubb: "bangak'linge benze nto ezisnaaks for mna. Andidiban namaphathazane. I choose women carefully xa une tendencies zobunkawu uzohamba kum. Tsek!" Losta: "yinton kengok amaphathazane? You mean Oonopatazane?" Lubb: "whatever." Lonwabo's phone rang a message: "Uvumile, we'll arrive round afternoon." He showed Lubabalo. Lubb: "good. All I gotta do is pray she brings my daughter...even if its the last time I hold her, I want it to be worth it." Losta: "sundophula ntliziyo man lubabalo voetsek!" Lubb: "aii, khame ndihambe, kudala ndihlel apha. I need to help Lukha with tomorrows presentation. Suppose ndiya emsebenzin." Losta: "akumandi ubane wele. So when you don't want to go, he goes in your place?" Lubb: "our secret. Funny enough no one can tell the difference except Sandy and Mishka." Losta: "why them?" Lubb: "the two people I work closely with. Sandy organizes my everything. So attitude yam uyayaz. So the moment wadibana noLukhanyo way'qonda ba hayi man..ayinoze ibenguye lo. Same with Mishka, they all have a crush on him." Losta: "because ukrwada lubabalo. You not even romantic." Lubb: "mxm....I don't have time for that shit....ndiyokwenza mali pha nothing else." He got up. Lubb: "sothetha ngomso." Losta: "sho." Lubabalo drove to Lukhanyo's house. Who was reading through the report that was saved on Lubabalo's laptop. Music played in the background.... "No one has ever made me feel, so happy. You are, you are, all that I need.....stay with me. Stay with me! Please For e-ternity.. Baby.....baby.....yeeeah...." Lubb: "awuthandi ucula." Luks: "le ngoma, ndiyay'thanda man. Yerr." Lubb: "r n b? Lukhanyo? Hayi try another lie." Luks: "mxm..." Lubb: "help?" Luks: "yeah, izo explain what this long paragraph is talking about indilahleli manyan ngoku." Lubabalo sat with him and explained. Lubb: "uph Lihle?" Luks: "your food is in the oven." Lubb: "thank you." He got up to go eat. Luks: "you seem better." Lubb: "I am. You know your wife swore at me and called me a bitch?" Luks: "yuh. Nyan?" Lubb: "tshi! Made me get up. She's like a general in the army or something. Undithuke ndade ndatya. Imagine" luks: "she just wanted you to eat. Not feel bad, worse uqumbe ulambile." Lubb: "yeah, lonwabo helped me....I might see her ngomso, ndicele uxolo. Then yeah..." Luks: "okay. Ndihamba kwa before 6am ke mna." Lubb: "okay, postpone certain points to be discussed later if you don't understand them well. Its practically your company so you can do as you wish." Luks: "careful...." Lubabalo ate his food silently. Staring at the blank screen on tv. Lukhanyo gave him the look. Luks: "dude!" Lubb: "hm?" Luks: "kunin ndik'biza?" Lubb: "uthin ke?" Lukhanyo shook his head at him.....

I came back just before dark. Lukhanyo was already panicking. Luks: "ifone iyaphendulwa lihle!!" Me: "but baby, I was driving. And ndihamba nabantwana come on." He took his daughter and walked to the bedroom. Me: "ndifuna uba vasa kqala.." Luks: "yozela lomntana lihle." Me: "I'll be quick..." I washed Luhle and put on a diaper on her and a vest. Lukhanyo lay her to sleep. I bathed Lutha and dressed him too. I went to put him to sleep as well. Me: "sweet, ndizolala ngok nam...." Luks: "I'll join you in a while..." He walked to the lounge. Luks: "you gonna update me..." Lubb: "yeah, you can cancel my tuesday meetings, I'll reschedule. Nale ya Wednesday, bendingay'funi kakade ke yona shame." Luks: "okay. Thulani?" Lubb: "he'll be back tomorrow night. Uthi ebone an apartment in Walmer, a house in Charlo and another in Bluewater bay." Luks: "oh yeah?" Lubb: "but ufuna ungena kuyo when the divorce is finalized. He's not really sure anymore. Uthi udikiwe kukulwa yena." Luks: "you mean he's changing his mind?" Lubb: "I don't know Lukha, maybe he's feeling a bit lonely. He has to go through la divorce, funekile asuke k'la witch. He has Namhla now." Luks: "and ndam'cap'kela ke uBukiwe, undenza umsindo nyan." Lubb: "dibana njan khona wena nalamntana." You on the other hand, Struggle. Ambolala." Lukhanyo went to sleep. Lubabalo stayed up all night thinking. His heart was beating different. He couldn't sleep so he just sat until almost 4 am then went to take a shower. He got dressed and ate. I woke up early to make Lukhanyo his breakfast. Me: "hey.." LuBb: "hello." Me: "you good?" Lubb: "I'm good." Me: "you look good." Lubb: "really? I think I'm a bit shaBby I wanna change these clothes when I get back from the airport." Me: "you've never cared about looking shabby. Its cute shabby." Lubb: "I can't BE shabby looking at all." Me: "okay, you gotta meeting?" Lubb: "kinda...I think I should wear the silver suit, or probably leya iNavy, then I might be taken seriously." Me: "the navy one is nice, I like it. Uyaphi?" Lubb: "uhm....just an appointment, Lukhanyo!!" Luks: "coming!" The officer arrived. Me: "hello..." Him: "hello Mrs Mzinyathi, you are early birds in this household huh?" Me: "they don't have much of a choice sir." He laughed. At least he wasn't hardcore. Me: "can I get you some tea? Breakfast?" Him: "coffee will be great please." I made him coffee and brought him the tray with sugar and milk. Lukhanyo walked out. He was looking proper. Black pants, black shirt and a blue

blazer. Everything tucked and fitted so nicely. Luks: "morning sir." Officer: "morning Mr Mzinyathi." Lukhanyo ate. Lubb: "you gonn do great. I promise." Luks: "yep....I hope so. Even if I mess up, I'll mess up like a bawss!" Lubb: "my niggaaaa!" They shook hands and hugged. Luks: "we better get going." He finished up, lubabalo Lukhanyo and the officer left for the airport. They boarded the plane and left for Cape Town. Leaving Lubabalo behind. He drove home and changed into his navy suit, he wore his Tag Heuer watch and puffed his expensive cologne. Lubb: "I better smell smart as hell, because I'm feeling dumb as shit today." He went to look for Demi, she was laying in her room. Lubb: "dem..." She woke up and stared at him. Demi: "what time is it? Why are you all dressed up?" Lubb: "its 9!" She checked her watch it was still 8am.... Demi: "what do you want." She mumbled. Lubb: "how do I look?" Demi: "like the millionaire you are, bro." Lubb: "that's not what I want to hear right now." Demi: "you look gorgeous then..." Lubb: "you not even looking." Demi: "damnn broo.....you looking HELLA FINE! Why you nervous bout what you look like today? Have a date?" Lubb: "no.....yes.....I don't know.....what if she's not coming?" Demi: "who? Your wife?" Lubb: "what? No.....wife? Nahhh.....wait, shit!" He ran out the room to his and took his phone to call Liya. Just before he dialed Lonwabo called. He answered: "hello?" Losta: "dude, are you ready? Just got off with Khaya, uthi bayeza....you know ke, its 2 hours max for you to be ready....ima call you at about 11 or 12." Lubb: "I thought you said in the afternoon." Losta: "naahh Nigga. I said they'll be here BY afternoon. Gotta bounce." He hung up. He threw his phone on the bed and walked out to the car in the garage. He was taking his white Benz today. He drove to Baby Boom to buy a teddy bear. A brown cuddly, soft teddy bear. He paid and drove around the city. Then went back home to stress over little things. It was jut before 12 when Lonwabo called. Losta: "ndiyangena ke, ndizolanda uKhaya. So you can come." Lubb: "okay." Losta: "I hope you're not wearing a suit lubabalo. This is not a business meeting." Lubb: "will it be too much." Losta: "ewe! Slap on some shorts or jean or something, damn." He hung up. Lubby wore his orange shorts and white t shirt. He left for Summertrand with the teddy. He parked downstairs and rehearsed his lines. Got out the car and walked to the door. He knocked. Lubb: "Lord.....Jesu-" the door opened. Zintle was wearing a dress. It was white. This disturbed him a little. Lubb: "uhm....erh....hi." Zintle: "hi, can I help you?" Lubb: "can I come in?" Zintle: "what for?" Lubb: "can I just talk to you." She let him in. He heard a sneeze in the bedroom and he went straight to his daughter. He kneeled next to the bed and held her in his arms gentle but tightly he kissed her head.. Lubb: "Thank You God." He whispered.....

Chapter 398

Zintle stood in the lounge. Zintle: "you knew I was going to be here didn't you."
Lubb: "I can't perform Zintle, without talking to you." Zintle: "ufuna uthetha ngantoni lubabalo. I have to go to my appointment." Lubb: "Zintle, ndicela uxolo." He got up and walked toward her, with Buhle in his arms. Lubb: "I want to tell you that I'm sorry, I should have listened, paid attention, trusted you. Fuck I am truly sorry. From the bottom of my heart. Yazi, I can't begin to imagine the pain I put you and my baby through. You survived. Nobabini...I don't know ndingaze ndithini to make you understand my sincere apology. If you could ever find it in your hear-" Zintle: "I forgive you." Lubb: "but....." Zintle: "lubabalo, if I didn't, I wouldn't have been able to move on. It happened, I can't change it okay? I don't need your pity. I'm fine now, and you want to start rubbing the wound again. Ndigrand. I promise you. Thanks for the apology and all, although its unnecessary." Lubb: "then why did you leave P.E? If you say you forgave me?" Zintle: "I just can't be here. Nangok, I'm only back to finish this year then I'm out." Lubb: "because of me?" Zintle: "not everything is about you." She laughed. Zintle: "look, you have a lovely wife. Uyak'thanda lamntana lubabalo. She protects you and cares for you. Take care of her. Don't mess this one up too."
Lubb: "but Buhle yena?" Zintle: "you can see her 3 times a week. I don't mind." Lubb: "hay Zintle, only 3!" Zintle: "you'll get used to it. I have to get her ready. Sizohamba."
Lubb: "where you going?" Zintle: "I'm going to my therapy session." Lubb: "can I watch her for the day?" Zintle: "mos definitely NOT. I'll give you 30 minutes that's it."
Lubb: "hayi man Zintle, yinton ngok?" Zintle: "what do you know about babies lubabalo?" Lubb: "let me show you." Zintle: "wait.....before you fuck up. This is how you make her food.." Lubb: "I already know that. My brother has 2 babies." Zintle: "Bubu is a bit sensitive to certain things, akatyi ngokufanayo with other babies. Please don't feed heR anything other than this and this Way." She gave him the instructions.
Lubb: "ok, ok, I get it." Zintle: "okay." Lubb: "Zintle you need to study really hard this year, can I please take care of her?" Zintle: "lubabalo. I am going to tell you this once and not discuss it with you again. You WILL SEE HER 3 times a week. Okay?" Lubb: "that is not fair." Zintle: "LIFE isn't fair lubabalo, and you don't see us complain. Tshi" she packed the baby bag with extra diapers and her face towel. Her squeaky toy. Her rattle toy. Her squishy toy. Lubb: "pheza ngok tyhini." Zintle: "here's her bottles. Don't over feed her. Uhm....what else. Oh ja, her medicine." Lubb: "Zintle, relax. I can handle it." Zintle: "I just haven't gotten used to leaving her." Lubb: "I'm her dad. She'll be fine. I promise." He smiled. Zintle: "okay, but we're driving to your place first, then mna ndiz'khwelele from there. Because you can't hold the baby and drive."

Lubb: "okay." They took their things and left the flat. Lubabalo drove to his house. Lubb: "iphi license yakho?" Zintle: "in my purse. Why?" Lubb: "hayi ndiyabuza qha." They parked in the driveway and got out. Zintle: "Lubabalo, don't let her out of your sight, okay?" Lubb: "ndim noSylvia qha apha." Zintle: "sweety.." She whispered to her daughter. Zintle: "I will be back soon...I promise, I love you va?" Lubb: "I will take care of her..." She hesitated giving him the baby. Lubabalo put his arms around her and Buhle. Lubb: "I won't hurt our child Zintle. Ndiyak'cela sisi, just trust me...okay?" She nodded and handed her over. Zintle: "I'll be back before 3." Lubb: "take your time bab-....." He stopped himself. Zintle walked away to catch a taxi. Lubb: "Zintle....." She turned around. Lubb: "ungahambi ngemoto nje?" Zintle: "I'll catch a taxi. Thanks." She left. Lubabalo walked into the house with his baby. Lubb: "this is your home baby girl." He kissed her cheek. "Her home?" A voice broke out.

He stood in the lounge, he was shocked to see Liya sitting on the couch. Lubb: "baby." Liya: "baby? That's ALL you gonna say?" Lubb: "listen to me love....ndicela nje umamele." Liya: "listen to WHAT! She's in your fucking head! Get her the hell out!" She slapped his head. Lubabalo looked away his hand on his hips. Lubb: "the reason I don't beat women is because it is immoral and only done by cowards. And my strength is beyond any of yours. Don't Hit Me. Uyandiva?" Liya: "lubabalo she is trying to ruin us! Lubb: "Liya, ndizotshata wena mos, why are you acting like this." Liya: "I don't want her here! If kukho mna. Then kukho mna ke QHA! She doesn't deserve to be in your life. Lubb: "hewethu, zaku mnandi mos sityana sobabini now all of a sudden I Forced you? Baby, ndiyacela.....just listen to me...." She breathed. He pulled her into his arms. Lubb: "this won't make me feel any different about you and our child. We're still going to be happy. This is just a minor setback. We'll sort it out together. Zintle said I can see the baby 3 times a week so akazohlala apha. I'll send the money ye maintenance, ayikho ezosidibanisa mna naye..I promise." Liya: "I don't want to lose us....sonwabile mos just the way we are. When are getting married." Lubb: "as soon as you stop calling Zintle by names and accept first born yam." Let me drop you off, ndisele ndiyothenga car seat for Bubu." Liya: "izohlalaphi lo car seat lubabalo? On the roof?" Lubabalo laughed. Lubb: "I was thinking of buying a new car...." Liya: "when the HELL were you going to discuss this part with me!!!!!!" Lubb: "baby I forgot....come on now." He giggled. Lubb: "you are soo cute xa unomsindo yazi." He kissed her unexpectedly. Liya: "don't....." Lubb: "yazi uyay'bawela ke..." He held her body, kissed her passionately, it was a hunger kiss. Sucking on her lips gently... He heard Buhle cry. Lubb: "just hold on a second." He quickly ran to the room to his daughter.

I was sitting on the couch, Luhle sat on the blanket on the floor. Lutha was on his stomach, he was breathing heavily trying to push his knee forward. Me: "boy, what are trying to do?" I unlocked my phone. And took a video Luhle just stared at him the

reached her hand out to him, she rolled over and bumped his toy a meter away. Lutha looked at the toy and growled. This was oddly funny. He pushed his knee forward again then balanced his two hands firmly. Was he trying to move? I was getting excited. Me: "phakama alok boy, come on!" He pushed himself up giggling and crawled twice then collapsed to the floor. Me: "ncooooooh!!!!!" I was so proud of my boy! 😊:D I can't wait to send this to Lukhanyo. Lühle looked at him grabbing his shorts. She was trying to follow. So I put the phone on the table and placed her hands on the ground, I pulled her knees up and helped her crawl. My phone rang. I picked up. Me: "yes?" Lubb: "hey Lihle, I kind of need your help." Me: "what's up?" Lubb: "buhle is heating up, akafuni ukutya and spitting out her med's. I don't want to call her mother and disturb her if yinto encinci." Who was Buhle!? Me: "uhm, okay, let me buckle these two ndiyeza." I grabbed both babies and put them in their car seats, buckled them up. I took their purity and 4 diapers, my bag. Locked the house and left for Lubby's. I got there and took the babies inside, laying a blanket down and placing them to continue with their exercise. I walked to the screaming baby in the room. Me: "utheni?" Lubb: "I don't know!!" He was really panicking. I undressed the baby and changed her diaper, wiping her then putting on a clean diaper. She quieted down. Lubb: "that's it?" Me: "no, and she seems hungry. Bekhe watya?" Lubb: "I'm not sure." Liya: "who leaves their baby without feeding her? Yuuuuh." She folded her arms. Lubabalo took out the baby's feeding plan and followed the instructions. He fed her...then gave her the medicine. Within minutes the baby was drowsy. Lubabalo sighed in relief. Lubb: "yinton undothusa kangaka wena...." He kissed her forehead and walked out rocking her to sleep. Me: "aren't they just cute." Liya: "I have to go." She turned and walked out, calling John. I went to my babies. They were playing together. Me: "Luthando tried to crawl today..." Lubb: "that is too cute, umfotile?" Me: "yeah, took a video." Lubb: "I'll check when Bubu falls asleep. Liya!" He walked out to her. Lubb: "kodwa baby, we have to do this together." Liya: "but I told my ma, ndizobuya..." Lubb: "okay then, but cela ungaqumbi mntu wam. Ndiyak'thanda yeva?" Liya: "K lubabalo." She got into her car. John drove off. Lubabalo got into the house to lay Buhle in bed. He lay next to her and watched her sleep....

Chapter 399

Zintle arrived after a few hours, it was just before 6 in the evening. Lubabalo was by himself and Buhle. They were in the garden with the puppy. Zintle knocked in the front door. Lubabalo went to open. Lubb: "hey..." She was dressed different. Tight Jeans that had a few rips, a grey sweater and white All stars. Zintle: "hey." She had a

thicker blanket for Buhle and a polar fleece jumpsuit. Zintle: "weather ngathi iyatshintsha." They walked in. Zintle: "did you have any problems?" Lubb: "yuuuh, aka khala man emin. Liya: "is that bitch your definition of OUT?" Lubb: "call her a bitch one more time and I swear....." He growled. Liya: "are you threatening me!?" Lubb: "no Liya, this isn't a threat. Its a motherfucking promise. I dare you to call her a bitch ONE MORE TIME." His eyes were flames. Lubb: "I am Trying okay? I'm trying my fucking best to keep the 3 of you happy." Liya: "thre-" Lubb: "KEEP shut, let me speak. I don't know isuka phi le behavior yakho all of a sudden and its not attractive Liyabona. Ndiyay capkela!

Stop calling her names! She has been through enough without your spoilt ass nagging negatively on her! Focus on you uyeke uZintle. QHA! Do you have something to say?" Liya: "no." Lubb: "I'm going to the airport to fetch my brother, we're going over today's presentation. I suggest you go home cuz ndinga ngabuyi." Liya: "I'm staying." Lubb: "don't wait up." He grabbed his keys and walked. Lubb: "Good God." He drove to the airport to wait for Lukhanyo.

As the plane landed he stood up and waited. Lukhanyo and the officer appeared. Luks: "ei! Sow'fikile." Lubb: "yeah.....been here for an hour, got the times wrong." Officer: "okay then. Sign here." Luks: "isn't my wife supposed to sign?" Officer: "your brother will be just fine too." Lubabalo signed and the officer left. Luks: "he's a cool guy. He says he wanted to be an actor but his dad forced him to be a cop instead." Lubb: "hmm....benincokola na? Ndikwaz ngoloqa ke wena" Luks: "ewe tshi." They drove home in silence... Luks: "what's wrong?" Lubb: "nothing, how did it go?" Luks: "I recorded the whole thing plus Nameesha's meeting." Lubb: "k." He parked in the yard. Of Lukhanyo's house. Luks: "dude....kwenzeke ntoni ngok?" Lubb: "I'm just....I'm messed up Lukhanyo. The way I'm so confused right now." Luks: "confused yinton?" Lubb: "liya hates Zintle bra, literally doesn't want her near me. Akafun nomntana. I don't know what she wants me to do. On the other hand Zintle uthule. She just walked out. Lubb: "I'll speak to Liya again. Ndenze some type of agreement naye concerning the baby. I can't upset her, because naye she's having my baby." Luks: "thetha naye nyan...and stay away from

Okay guys, thanks for the mighty love." Me: "unjani sthandwa." He picked up the boys. Luks: "I'm good love." He kissed my lips and walked to the lounge. There was a knock on the door. I opened. Thulani walked in. Me: "HEY!!! Look who's back!" Junior ran to his father and jumped on him. I could see Namhla blushing evidently. Junior: "my boy! I missed you so much." He hugged his son and went to sit on the couch next to his girlfriend. Junior lay on his dad, holding his hand. Me: "yuuuh bekukhumbula nyani ke va." Thulz: "ndiy'bona nje ngofeketha le yam xa ind'khumbula. He'll cling on me for the next few days." He kissed his boy then looked at Namhla. Thulz: "good evening..." Lukhanyo played from the beginning of the meeting.

The house had to be quiet....as Lubby had said, they would work through the night, it was not a lie. Me: "goodnight guys..." Thulani was already in bed with Junior and Namhla. Chuma was in my bed, the twins were already sleeping. Luks: "Lubby, we'll carry on tomorrow jonga umfazi wam yand'shiya." Chapter 402

Andile was at work as usual looking over the short list of CV's his assistant had picked out. Andile: "Noni, sow'ba interview'ile?" Noni: "ewe bhuti. I'm bringing them in for a final interview abo." Andile: "uhm, let me look through them ndizobenza ngokwam interview yok'gqibela.." He sat in his chair. Noni: "ndingak'phathela into bhuti? Coffee? Tea?" Andile: "who the? Nguban loPhilasande?" Noni: "ngulo ebese Kapa bhuti, he's experienced, resigned from his previous job and moved here." Andile: "impressive CV, neQualifications. I like...iphi I.d yakhe?" Noni: "its at the back." Andile looked at it and laughed. Andile: "ndiyamazi..." Noni: "oh?" Andile: "ebendityela ke lomntu." Noni: "haibo bhuti kuZuki?? Beningazo tshata na?" Andile: "yep, call him up. He's hired." Noni: "but bhuti what about the final interview-" he stared at her coldly in dismissal. She walked quickly to her desk and called Phila. He was having a late lunch by the beach with Zuki. Phila: "baby, you spend 90% of your time at my place, why don't you move in with me?" Zuki: "haibo baby its too soon." Phila: "but brother ka Zintle uzohlala k'la flat naye, ya'll gonna crowd each other...pleeaaase baba...." Zuki: "I'll think about it baby. Yakhal phone yakho." Phila: "I wonder who...." He picked up. Phila: "hello?" Caller: "hello bhuti, ndim uNoneka, who did your interview.." Phila: "oh, hey sisi unjan?" Noni: "ndiryt bhuti, well....I've got some good news here. You're hired!" Phila: "wow really? Thank you so much." Noni: "lovely, when can you start?" Phila: "I'll be ready by next week Monday." Caller: "okay ke bhuti I'll be expecting you at 07:30am. Thank you." Phila: "bye." He hung up. Phila: "I got the job baby!" Zuki: "congrats boo. I'm happy for you hey." Phila: "finally ndibenento kwenza nam. Damn....I need to go tell Losta, do you mind babes?" Zuki: "no hun....have fun, ndi drop phe ndlin qha man. I'll entertain myself." Phila: "thanks mntu wam. You thee best." He kissed her and pulled her up they walked to the car and drove home.

I took the bigger car to go fetch the babies. Lukhanyo went to go fetch the boys from school. As soon as I got home I put them on their blanket to play with each other. At least they were in clear view. Luthando was beginning to crawl again and Luhle was trying to do the same. I started cooking dinner. Thulani walked in. Me: "hello.." Thulz: "hey." He looked like he was having a bad day. Me: "would you like a drink." He opened the fridge and it himself. Okay. He was in a bad mood. He went to sit in the lounge. Me: "namhla?" Thulz: "apparently moto yam imenzela iz'pili so uthe uzoz'buyela." Ouch. Me: "ei ndiyazaz ke students. Zizothi uyi sugar daddy.

Babebesenza into ezisnaaks bem'jonga kakbi." He didn't answer. So I decided to just let him be. Kanti Lukhanyo buya nin? I cooked in silence. Texting Mandy on the side, we are meeting tomorrow. So I had to keep writing things that I wanted to discuss. I finished cooking in a few hours. Lukhanyo walked in with Chuma and Junior and.....well uhm, I didn't know his name. Luks: "lovey." Me: "hey pumpkin." Luks: "this is Athi." Me: "hello Athi." Athi: "hello." He was so shy. Luks: "run him a bath quick babes, ndizophaka mna, then batye." I went to our bathroom and ran him a bath. He undressed and got in. Me: "awekho shushu?" Athi: "Hayi sisi." Me: "okay, uyakwazi uzivasa?" He shook his head. I took the sponge and applied soap on it, washing him. I didn't say much, neither did he. I didn't want to be insensitive and ask ii-whereabouts zabazali. Or where he lives. Me: "ufunda phi?" Athi: "eCreche." Okay. Me: "ufuna uphinda funda ecreche?" He shook his head. Athi: "funa ya skolweni mna." Me: "okay, ufuna ufunda phi eskolweni?" Athi: "andiyaz." I wonder zise khona indawo kwezizkolo bethuna, but at least si-zam ilaka." Worse, we still have to start packing our things to move. I got him out the bath and dressed him in his new pajamas which he seemed to like. Ez'way z'ka Ben 10. Lukhanyo gave him his food and he said a short prayer for himself. That was so cute. When last did Lubby pray for us? Khona uphi? Him, not pitching is very odd. Me: "baby uphi uLubby?" Luks: "ndlinakhe." Me: "aww why?" Luks: "khayeke wethu Lubby ahlale nomfazi wakhe." Me: "umenzeni umtana bantu?" Luks: "mxm." We sat and watched tv. Namhla was in the shower. Me: "I didn't hear her..." Thulz: "fike ngok buvas umtana." Me: "jonga ke baby nanku Luhle ekhasa." She had the biggest grin on her face, her mouth open, drooling. Luks: "iza ku tata mntanam. Come.." She giggled and shrieked and excitement then collapsed again. Luks: "ncaaw yabona wena, undenza happy kanjani." Luthando was laying on his back chewing his toy. He didn't seem interested in getting attention today. I took Chuma and Junior for their bath. They got dressed in their pj's. Chuma went to sit on Lukhanyo's lap. Junior went onto his father. I was tired yazi. I put the dishes in the dishwasher and went to relax in a bath... Lukhanyo walked in. Luks: "love, Athi uzolala k'la room ka Chuma naye." Me: "okay...are you tucking them in?" Luks: "ewe, chuma has been nagging me about a bedtime story. Andizaz intsomi mna mos." Me: "you tell beautiful stories. M'balisele leya ye family. He likes it." Luks: "ok." He walked to their room and I got out the bath dried up and slipped into the covers. Lukhanyo can take care of them all today. Diniwe mna ngoku, been running around all day. In a few minutes I was drifting off to sleep. As soon my eyes got heavy, I heard the bed move. Luks: "honneey." I pretended to be asleep. But knowing Lukhanyo, he would wake me the hell up. Luks: "mummy..." Cwaka sana. Luks: "ndiyok'lencaaa ke mnake. For le piece ungandihoyi ndithetha." Me: "hm?"....

Luks: "uthi hm nto?" I grumbled in my sleep. He traced his fingers on my thigh, it felt as though his fingers had electricity connecting to me inside. Luks: "baby come cloooser to me....don't you wanna feel my bodyy?" He sang. Me: "is that even a song" Luks: "ndizo record demo, wena you don't have faith in me, zoqal utaka xa ndiyolanda iAward yam pha on the stage wearing suit yam eGreen." I giggled. Me: "ndikuphike kwezoz'thuba ze suit egreen." Luks: "don't you think its sexy? Indithi ngca, kuvele umzimba wam lo uFit indalo?" Me: "uFit phi wena? Ngath ulitapile nje mntu wam?" 🤪:vluks: "heeeee, ndili tapile ngok?" Me: "ndiyadlala sthandwa sam. Yuuh. Fit alok wena, uyiyo nantsi lapha." Luks: "its like you spend too much time noLubby, isgezo andis'thandi. Uyand'khubekisa ngok uthi ndili tapile." Me: "uyi cabbage ke baby, nice and strong." Luks: "yuhh Zahara phendula! Khenze alok mntu wam, lonto une tendency embi yondivimba these days. Caba andina ncasa." Me: "prove me wrong..." Of course he could do it good. Qha ndamaz ngobayi show off funa nje challenge. Luks: "hayi lona, awunxibanga kanti..." His hand held one butt cheek and slid down, slipping a finger in my honey. Luks: "valekile novaleka." Me: "awudiki man...". Luks: " ndizoy'faka kancinci ne baby...ungangxoli." He lay behind me and went in. He groaned. Me: "aibo....usaqala?" Luks: "heaven...." He bit my shoulder and pushed in deeper...the more I tried to keep calm. I could feel this excitement tickle inside me. I wanted to scream so badly. I held onto the sheets as he drove faster. Luks: "aah...yes!" He groaned. Me: "shh...." Luks: "wait..." He pounded into me harder, faster. Luks: "yeyes baby!!!" Me: "yess...." I moaned softly... He pulled out quickly. Me: "no baby why." Luks: "yuuh ha.a dlala ngempundu wena mna ndibusy, I want this to last, but you just keep playing with me." Me: "khayek tricks ezi uqibezele wethu." Luks: "jika, I want the front." Me: "I enjoy the back." Luks: "oh so awufun und'jonga, funa ucinga ngoo Drake?" Me: "okay iza ke baby maan!" I was melting into liquid. He climbed on top. I could feel my 'she' throbbing in exciting. He started over by kissing me, my face neck. And when I least expected it. Yangena tshwa. I gasped in shock. Luks: "ewe alok nqondo ziku Chris Brown. " I didn't even want to laugh. He grabbed onto my hair and pushed in further. I clawed his back. I don't know how he did it but I could feel the pressure building up. Luks: "nana wamm" he moaned. Me: "mntu wam..." He bit my neck, his pace moving faster. My eyes just went dizzy, I felt my body tumble down in relaxation. Luks: "yuuh, love." Me: "ewe ne. Iza silale." Luks: "ndizok'phinda ek'seni." Me: "I'll pretend khandikuve." He lay his head on my breasts. Luks: "goodnight Mrs Me." Me: "night love." We fell asleep.....

Lubabalo woke up the next morning. He didn't feel like doing anything. He didn't want to go to his brother because seeing babies was a bit too much for him right now.

He called Ta Smig. Lubb: "molo bhuti." Smig: "hello, kunjan?" Lubb: "ndiyaphila tata, uhm....about the marriage stuff. Do I have to go to Liya's house ndiyobathala? Can I send them a cheque?" Smig: "no son, sizoyeni singamadoda akwa Mzinyathi. I'll talk to someone to help, I think Sizwe zoba right. I'll do this for you, ndibuye ndik'chazele." Lubb: "okay then." He hung up. Liya woke up next to him. Liya: "morning.." Lubb: "hey my love." He lay back down and kissed her. Lubb: "what we doing today?" Liya: "we could fly to Cape Town, sihlale pha for a day..." Lubb: "Knysna baby....we'll take the Heli." Liya: "okay, that's fine. Ndinxibe nton?" Lubb: "even if bunganxibanga baby, I wouldn't mind." He gave her a naughty smile. Liya: "mdaka nqondo yakho wena." Lubb: "thandwa nguwe." L: "let's save that for later.." Lubb: "can I get a massage? And 1 round please." Liya: "hahahaaa! Choose one. I'm kind of feeling sick-ish" lubb: "massage ke baby wam. You owe me kodwa." Liya: "I owe you.....and I will pay my debts." He pulled her, kissing her face. Lubb: "you're beautiful." Liya: "thank you my love. Let's take a bath and have breakfast out?" Lubb: "khame ngo out, khakhe ume phe stove'in undenzele lo breakfast because I'm hungry ngok. Bamandivase ndiye kwi restaurant ndiyolinda ukutya kodwa ndikushiye ndlin? And still wait till you get dressed until Jesus come back? Hayi baby, andinokwaz." Liya: "but my feet are swollen." LuBb: "I'll give you a foot rub, if you make and finish breakfast within 15 minutes." Liya: "then after breakfast?" Lubb: "after breakfast is time for me to take a nap, then at 12 I start working. 3pm I give it a rest, ndiz'vise kamand no Lovey wam." Liya: "damn, funeke ndifakwe kwi schedule?" Lubb: "have too many things on my mind. Bare with me." Liya: "that's fine baby wam, I'll make you breakfast." She went too the kitchen to prepare the meal. Liya: "Sylvia, where's the cup?" Sylvia: "ikwi cupboard." Liya too the cup out making Lubby his special tea. She took him the breakfast when she was done and gave it to him. He was getting dressed. Liya: "and now where you going?" Lubb: "ku Ta Smig." Liya: "oh...okay." Lubb: "uzoya kowenu?" Liya: "nope. Ima wait right here." He kissed her and took out his car and drove off.....

Zintle was cleaning her flat in leggings and an old T shiirt, she'd tied her hair up in a messy bun. Zuki was with Phila. Khaya had went for his morning run. She heard a knock. Zintle opened. It was Lungelo. Zintle: "hi..." He just smiled. Zintle: "ndingak'nceda?" Lungelo: "uhm.." He breathed. Zintle: "Well?" Lungelo: "can I come in?" Zintle: "why?" She didn't trust no one at all. Especially those that wear suits. Lungelo: "or I can take you out for lunch? Doesn't have to be indoors." Zintle: " I can't go Around hopping and skipping in town." Lungelo: "and I respect that." Zintle: "so, No." Lungelo:"why are you being so hard on me Zintle?" Zintle: "uqhele into ezilula dan?" Lungelo: "akhonto ilula about inviting me in to chat, or have lunch out." Zintle:

Lungelo: "uyaz'bona ke uyandihleka?" Zintle: "tiny?" Lungelo: "okay, its massive. But that's not the point. Ndifuna nje ukwazi mna." Zintle: "uhm...." She was having internal conflict, part of her wanted to, the other part that was rotten and used, was declining kakubi qithi. There was just something warm about him. Trustworthy. Phof he's a lawyer, that's his job. To make you feel safe. Zintle: "can I make you tea?" Lungelo: "coffee please." She let him in. He sat on the couch while she made coffee. Zintle had even forgotten how she was looking. Lungelo: "you looking quite pretty..." Zintle: "hay uyabhanxa kehok. Ndixhwebe kangaka." Lungelo: "andiy'boni tu lonto mna." She gave him his coffee. Zintle sat down. Lungelo: "what are you studying?" Zintle: "Civil Engineering. My final year." Lungelo: "wow.....my future wife will be earning more than me...I'm not sure how I feel about this." She laughed. Zintle: "future wife? Mxm. Sutuja apha wena." Lungelo: "andituji mna.....I would kneel down ngok, qha ingxaki ndiyakoyika maybe undiphoxe." Zintle: "I don't want marriage.....yet." Lungelo: "I'll cling onto the 'yet' for now. Kuzobakho umntu ozok'tshintsha inqondo. I promise you." Zintle: "you have a lot of confidence ne?" Lungelo: "iza ngevas'kom Eyam." He sipped his coffee. Zintle: "heee, uzund'phungulele va..." Lungelo: "you should have confidence in yourself baby girl. Suzoyikisela. You're pretty, you're focused, don't let things of the past rule your future." Zintle: "tell me about you?" Lungelo: "you first...." She smiled. Zintle: "well, you know me, andithi you've been stalking me for years." He laughed. Lungelo: "you are exaggerating. Years? Okay maybe before ndihambe...ndiye Monti. It was just one year." Zintle: "you still a stalker...anyway, you know ndenzi civil engineering eskolwen. I have 2 month old baby." Lungelo: "boyfriend yakho le bilapha?" Zintle: "why?" Lungelo: "akandiphoxa...yuuh, the way he looked at me. Aii ndaxakwa mpela kengok." Zintle: "he's Buhle's dad, akayi niks kum. Zintle: "why? Yazi ndiya ngok'qwalasela....hleli nje uWedwa." Lungelo: "I'm too focused on my work. I already told myself the next girl I date I'm settling with. Ndimdala ngoku, andinayo nekati." Zintle: "so you want to have kids?" Lungelo: "yes...I love kids, ndiyay'funa i-4, at least. Running around the house, omnye nxibe diaper yodwa kafun nxiba. Omnye dlala ngamanzi etapin. Lungelo: "nangok engasa phili I still walk around and feel his shadow against my path...yonke nje endiyenzayo wasn't good enough..." Zintle: "I'm sorry hey....but look now, you're a lawyer and a good one I'm sure..." Lungelo: "yeah I know....but it won't take away the pain endakhula nayo..." Zintle: "pain?" He smiled. Lungelo: "tata wam used to beat my mother senseless. Nam andibethe, my older brother died trying to fight him. Luckily zange afumane chance yomenzanto uThando ke yena. I still have the bruises on my skin....my back.....the burns....but he's gone now." Zintle: "I'm so sorry..." Lungelo: "don't be.....sometimes in life we need a painful reminder to move forward, to push us to be better." Zintle: "it can hold you back though....ndiyayazi mna, trust me." Lungelo: "part of the reason why I didn't want stable people in my life. Yinton point yalo feeling? It shouldn't hold you back, although you have no control. Masiyeke man le topic, before I start crying kodwa I'm trying to act manly for you." She giggled. Zintle: "you are so crazy. Uzothin ungakhali?" They stood together and looked at each other. Lungelo: "bye then..." His eyes not leaving hers. Zintle: "bye.." Lungelo: "would I be pushing my luck if I did this....." He kissed her cheek. He smelt like heaven. Zintle: "yeah, that would be pushing your luck because next time ndizok'faka impama kulomlomo uqavileyo." He laughed. Zintle: "you're gonna be late." Lungelo: "andibawel nokok'hamba ke bonanje. Qha ndiyacinga, there's no manager at my restaurant, Thando uzomosha indawo yaam. Let me go before he sets it on fire." Zintle: "have a nice day ke." Lungelo: "most definitely...you too angel" He turned and walked to his car.

Chapter 403

I had a meeting with Mandy in 15 minutes and Lukhanyo as always, was being a nag. Luks: "but nam ndifuna uhamba?" Me: "Lukhanyo, you have to take Athi to find a school, and take the babies to mama." Luks: "so niyaphi?" Me: "we meeting somewhere and'kabi sure." I finished with my hair and make-up. I was wearing a black and white striped tight skirt and a white vest. Luks: "can I comment?" Me: "no."

I wore a black stiletto. Luks: "but I have to comment." Me: "I have to go. Love you." I kissed his cheek and grabbed my laptop bag and handbag, with the Benz keys.. I left for the restaurant we were meeting at. Mandy was already waiting. I arrived and gave her a peck on the cheek. Me: "hey tshomi." Mandy: "hey love, uryt?" Me: "I'm good, where do we start? And'fun uk'moshel ixesha." Mandy: "okay, the accountant should be here in a few minutes time." Me: "how's you..." Mandy: "I'm good." Me: "just good? What's up?" Mandy: "hay wethu peto.....its just...." Me: "Anda?" Mandy: "ewe mtshana....I can't even explain it." Me: "come on talk to me." Mandy: "its as though he expects too much from me...ndiyamthanda and all, but sometimes the pressure." Me: "how do you mean he expects too much? Yinton dan?" Mandy: "andis'fumani i-space sam Lihle, and its not the miscarriage thing, I've been feeling this way for a while. He wants my attention noba and'khose moodin and when I tell him I'm not good he gets mad. Sometimes ndifuna uyekwa mna, ndinga rush'we're." Me: "so you're not ready to commit?" Mandy: "I want us both to be at a stage where we're ready to have a full life." Me: "in what way?" Mandy: "okay, an example... Anda is not working, but hleli nje unemali, uyifumanaphi? He's secretive as hell! Xandimbuza ufuna ukwenza nto ngo life wakhe, he literally ignores. All he cares about is that fucking gym." Me: "but peto it keeps him focused and uyay'thanda shame..." Mandy: "I love it too, but....." She sighed. Me: "kuse better that he has something that he's passionate about instead of being a lazy ass couch potato. Unento ayivukelayo everyday. Why doesn't he become a fitness what-what....andizaz nezi profession zenu ke mna." Mandy: "akafuni! Gosh he frustrates me." Me: "do you think maybe you need some time apart." mandy: "I love him peto, I don't know how I will survive without him...but ingaske ndibe kuude. Just for a few weeks. I need a breather." Me: "its a bad thing spending time from him.....he might be tempted." Mandy:: "and that's what worries me..nanku lomntu sim'lindileyo. This way sir.." He came to sit down with us and we started on our meeting.....

Lubabalo and Ta Smig were at Sizwe's house. Sizwe: "uyandiva Lubabalo?" Lubb: "huh?" Smig: "jonga. We need you to pay full attention! Uthe ufuna utshata mos ne! Ngok yinton ngxaki?" Lubb: "I'm just.....I'm okay." Smig: "lubabalo, don't make me mad." Lubb: "I'm sorry." Smilo got up and went outside. Sizwe: "so what's wrong?" Lubb: "my ex.....she....." Sizwe: "ukwenzen?" Lubb: "nothing its just that.....I found out kuba I'm the father to her baby...I mean our baby....eish....I don't know Ta Seez..." Sizwe: "so the problem is.....?" Lubb: "I spent some time with the baby...I've never felt this way about anything you know? She's so perfect. I wanna give her all my love. Yonke nje into ay'funayo. She must know this." Sizwe: "then why don't you?" Lubb: "they won't let me! Nobody wants to give me a chance with my own daughter. They

all seem to think I'm some monster that doesn't have a heart! Liya akam'funi, Lukhanyo uthi ndimamele uLiya and do as she says. Zintle is tired of fighting wam'sa kutatake umntana. And that guy despises me. Everytime endibona ufuna und'faka iswazi." Sizwe giggled. Sizwe: "iswazi?" Lubb: "I'm not playing, this is serious." Sizwe: "okay.....wena how are you feeling?" Lubb: "she's all I ever think of these days. And her mother..." Sizwe: "your ex?" Lubb: "I made a huge mistake Ta Seez...kutheni ndingamameli nje?" Sizwe: "hayi lubabalo kanti iserious nyan lento....don't come and cry in my house." Lubb: "I just want to.....ingaske andimamele. She refuses to even give me 5 minutes." Sizwe: "what did you do to her Lubabalo?" Lubb: "I ignored her cry for help. I should've been there, protected her...all this wouldn't have happened." Sizwe: "there it is...." Lubb: "what?" Sizwe: "lento kudala ndiy'khangela kuwe.....Love." Lubb: "mxm khayeke Ta Seez man, this is not about me. Ndikhumbula umntanam mna." Sizwe: "yaz'bona phof you're ignoring your pain for another human being? Uyak'tshintsha lomtana." Lubb: "are you even listening to me?" Sizwe: "I'm trying to find answers for you, cacile akhomntu uk'nikayo. Liya akam'funi ngoba umntana?" Lubb: "she has this vendetta....against Zintle for some weird reason." Sizwe: "find that reason out." Lubb: "how?" Sizwe: "I don't know the whole story but start with friends." Lubb: "unyansile. Let me start ku Losta." Sizwe: "lukhanyo umqibele nin?" Lubb: "don't know." He got up. Sizwe: "honestly?" Lubb: "I'll go to him tonight and apologize." Sizwe: "for what?" Lubb: "I acted like a dick toward him the other day. Bendine stress, wanted to fly to Brazil, he nagged me to stay and fix my shit." Sizwe: "he means well yena....but you can't give up on your child lubabalo. Noba kwenzeka ntoni na. That is your blood. Liya funeke ayiginye noba akathandi." Lubb: "she's also pregnant. She threatened me wathi uzokwenz abortion if I don't pull up my socks." Sizwe: "cacile ba akam'fun kakade for ba makacinge lonto. I'm telling you now, we're not going ahead with no damn lobola until your child is in your arms." Lubb: "oh great. More stress. Just what I need." Sizwe: "akho stress ngandawo Lubby and I'm being serious ndizom'chazela uSmilo, asiyi pha k'de kubuye umtanakho. We want to see colgate smiles." Lubb: "ndizokwenjenjani kengoku mna?" Sizwe: "iya ku Zintle, uthethe naye kakuhle. Tell her you're sorry, ungayi uphetha ii-chocolate please lubabalo uyay'bhoxa. That's where she'll think you're tryna buy her, aphinde akujikise ubuye kum uphinde ukhale. Just be sincere, talk from your heart." Lubb: "hewethu Ta Seez. I'm not going to do abooHeart to heart mna. I want my daughter, and that's it!" Sizwe: "hamba ke. Go to her grandpa. Ukhatywe kwi ndawo ongazange waz'bona ngamehlo enyama. Go on." Lubb: "I need to start ku Losta." Sizwe: "losta is your last option. Qala pha ku mama ka baba." Lubabalo took his things. Ta Smig walked in. Smig: "we're not done!" Sizwe: "a.a.....khona wena nje

into....sizoy'thetha." Smilo: "okay." Sizwe: "lubabalo, send me the names of her friends." Lubb: "what for?" Sizwe: "uzobona..." Lubabalo left for Summerstrand....he drove slowly trying to figure what he was gonna say. What was he doing.

He parked downstairs, sent the numbers to Sizwe and walked up, everything was screaming inside of him: 'NOO!!!' He knocked on the door.

Zintle opened the door. Zintle: "hello." Lubb: "Hi." He stared at her in pain. Lubb: "I'm sorry..." Zintle: "oh please don't start lubabalo man! Ufuna ntoni ngoku?"

Lubb: "andiyaz man Zintle! I'm just here okay. Stop shouting at me.....I just.....I can't take it anymore!" He was shaking. Zintle: "what's WRONG with you lubabalo. Zange ndak'bona unje... Are you on drugs?" Lubb: "no I'm not on drugs, damn Zintle really?" Zintle: "what do you want ke?" Lubb: "uyenza on purpose lento ne? You're punishing me. Making me fall in love with my baby and snatching her away from me." Zintle: "khangе ndiqalise ukwenza lonto mna. I gave you an opportunity to be with her. But your wife disapproved so ke ndathatha owam umtana. She's at a place where akazohlala kakubi. Being cursed at and shit, she's happy where she is!" Lubb: "so that ndingamboni mna!" Zintle: "this is not about you! Just leave lubabalo. Please." Lubb: "I can't believe you're doing this to me." They stood in her lounge. Zintle: "oh you're saying that ? Naah. Can't be you." Lubb: "I'm human, I got feelings too!" Zintle: "FEELINGS??? What the FUCK do you know about feelings lubabalo? You're ice cold! It took me a year to please you, all you want is FUN!" Lubb: "don't lie Zintle, it didn't take you a damn year! I fell in love with you the time we went to our Durban vacation with Losta noMbali! On the 23rd of June! It was 3 months into our relationship I remember you were wearing a blue dress and shoes, unalanto icurly on your hair." Zintle: "but you didn't tell me that..." Lubb: "I couldn't." Zintle: "so you let me suffer and think that you didn't love me?" Lubb: "I do...I should have mentioned it kwangoko.....I was a coward. I was stupid. I was a fool. Ndiyayaz kuyoba nzima for undixolele. But I'm truly sorry." He swallowed and sat down. He was still shaking nervously. Lubb: "I don't know what to do with myself, I can't seem to focus on anything. I don't know what I am right now..I'm stuck. I can't hide anymore. Everyone is pulling at me, I'm under so much pressure, its work, liya, the unborn, then nguwe and Buhle. I'm out of it. Its getting too much for me." Zintle: "somewhere along the line, I haven't heard you mention Jesus.....you've lost your faith?" Lubb: "I've done so much wrong to people, I've hurt so many...I don't know if Jesus wants me back." Zintle: "of course He does. He hasn't forgotten you. Don't forget Him. Noba kubi kangaka nani...." Lubb: "ei Zintle." He breathed a sigh. Zintle: "tata will bring her this side on Thursday...mama is going on some work thingy, so if you want....you could come see her." Lubb: "if I want? Sour ke wena, of course I freaken want to!

Thank You." Zintle: "sure thing..." He got up. Lubb: "I should....get going." Zintle: "uhm.....yeah...." He looked at her. She looked away. Zintle: "its too late..." Lubb: "I know.....bye bye ke..." Zintle: "hambe kakhle..." He pulled her t shirt and hugged her tightly....for the longest time. Zintle: "you are suffocating me!" Lubb: "yoh! Xolo wethu sisi..." He let go. Lubb: "ndingak'shwabanisi.." Zintle: "mxm....ide uhambe kalok!" Lubb: "heeee, andisa gxothwa na Bawo, khazophendula..." He stood by the door. Lubb: "bye!" Zintle: "bye bye, lubabalo, bye bye. Ingathi ungu Dub pha k'la show yak'dala ka sabc 2." He laughed. Lubb: "unesgezo mntana ndin. Mpa!" He walked to his car smiling, got in and drove off.....

Sizwe and Smilo were on investigative mode. They needed the full story first. Knowing Lubabalo, he takes light years to pick up his phone. Sizwe: "try Luks....maybe he knows." They stood out the yard for cell signal. Smilo called Lukhanyo, who gave them a quick brief of the party. Luks: "why do you ask?" Smilo: "kukho nje something esifuna uy'jonga." Sizwe: "my gut feeling Smilo, everything inside me is running wild I tell you." Smilo: "we'll call you back Luks." He hung up. Sizwe: "yabona la Victor. Ndiyom'qhaqha isusu ndisibeke phez'kwe tatile. I swear the moment I find him.....I won't kill him." Smilo: "uzom'thin?" Sizwe: "I'll show him true pain. Uzonya Smilo, ikaka eyellow enamaqabi abomvu." Smilo: "ngade benamaqabi aRed. Injan na lento...." Sizwe: "trace for the first contact, Mbali." Smilo: "we'll need my things, masiye Dwesi." They took the car and drove to Kwa Dwesi. They arrived and walked in. Smilo: "let's....." He tried to see where exactly her address was. Sizwe: "uyifunde phi lento?" Smilo: "wouldn't you like to know." Smilo: "this is where she is....right now, and here is where she lives." Sizwe: "okay. Masambe, if we call and ask, uzokoyika as'jumpe. But if we just appear....." He smiled. Smilo: "ei you have days where you just scare me." They drove to the place where they could find her. Sizwe: "how do we know its her?" Smilo: "ask." They got out the car and walked to the 3 girls sitting in a yard. Smilo: "sicela ubuza ngowphi uMbali." The all looked at her. Mbali: "yes? What's wrong?" Sizwe: "nothing yet.....its just that sicela uthetha nawe ecaleni." Mbali: "what is this about?" Sizwe: "Victor's house party." Mbali: "I wasn't there." Sizwe: "how convenient. When your best friend was? Drugged, raped and almost bled to death?" She started backing away. Smilo: "and somehow.....your ex is just in time....tell me how does that work? Coincidence?" Sizwe: "I think not." She swallowed hard.

Sizwe: "cela nis'bolele iz'tulo niphakame nigodukeni please." The two girls left. Mbali: "I don't know what you're talking about." Smilo: "asifun ukulwa nawe. Uyamaz. Mos uLonwabo?" Mbali: "ewe." Sizwe: "he's your ex, right?" Mbali: "ewe." Smilo: "ithi ewe tata, sibadala singaka. Uyamaz uLubabalo his friend." Mbali: "Ewe tata." Sizwe: "HIS girlfriend, Zintle?" Mbali: "that's his ex." Sizwe: "ex? Okay, Liya?" Mbali: "ewe tata ndiyamazi." Sizwe: "umazelaphi uLiya." Mbali: "I met her once kdala, ndihamba noLonwabo, she came to chat with me...uhm....sa-exchange numbers, we kept in touch, she told me ngo cousin wakhe...gave me his details. We're engaged ngok." Sizwe: "so whilst you were Lonwabo, you were given details zika cousin. Okay, and then?" Mbali: "and then I found out that Liya was Lubabalo side chick..." Smilo: "wathini wena, tshomi ka zintle?" Mbali: "nothing...I didn't want to intervene indaba edibene noLubabalo because there's something creepy about him." Sizwe: "and then what happened?" Mbali: "well I left Lonwabo, for Iviwe, we were happy then decided to get married, I didn't tell him ndanikwa ngu Liya iDetails zakhe...so when he introduced us, I played dumb." Sizwe: "andifun noy'hleka because it SOUNDS dumb." Smilo: "and then what happened." Mbali: "okay so before ipart ka Iviwe, Liya told me that she was falling for this guy...so I made a joke that why not be with him kengoku. I was chilling ne girlfriend ka Victor, and him. So he asked who we were talking about, we didn't tell him." Sizwe: "and then?" Mbali: "when his girlfriend left wathi he can help...ndathi mna hayi bendidlala. Lubby was happy with his arrangement no-Zintle. So this day kukho party kwa Vic, he invites all my friends, I knew Lonwabo would be there so I decided I didn't want to go, ndichazele uLiya, she said Lubby was out of town, so yena ufuna ukuya.. I told her Zintle would be there and she got mad." Smilo: "so mad that ade athenge idrug, afune omnye umtana abe traumatized laway." Mbali: "that was not what should've happened. Becimba yena Zintle would go for Duma because they used to have a fling kusaqala eVarsity before Zintle adibane noLubby." Sizwe: "you told her this?" Mbali: "yes..." Sizwe: "so you both THOUGHT Zintle would have willing sex with Duma." Mbali: "yes...I know Lonwabo, he usually gets home and takes out his wallet and phone, so if he'd left it behind he would have to go back because akakwazi ngena emsebenzi without his card or phone....asazi nto edibene nee Drugs thina." Smilo: "but that's not what happened. Did you see the video?" Mbali: "only xa iqala, I didn't watch the whole thing." Sizwe: "are you positively sure uyi tshomi ka Zintle or eyaka Liya? Ithin na lento?" She kept quiet. Smilo:"because let me tell you exactly what happened to your friend, victor lo befuna ukuncedisa in being a little bitch, actually did it behind your back. He drugged her drink, gave it to her ba ayisele. She drank it and went to the room angiziva right. Somehow kungena uMr Duma with uCamera-man. Then the rest of the whole damn

team. They tied her up and forced themselves on her. And as you say nyani Lonwabo comes back but only a tad bit late, kuba ebhanjwe yi-traffic. So he didn't get to "catch her in the act" he took her to hospital because she was bleeding. Kwafumanisek into yok'ba she had been gang raped. How does this make you feel Mbali? Knowing that umona wakho noLiya almost cost a girl her life? Is it a nice feeling?" Mbali: "no...it wasn't suppos-" Sizwe: "but it did. And you and Liya were the cause. Now should I tell u-Creep?" Mbali: "I'm sorry..I didn't know yonke lento izokwenzeka.." Smilo: "you should not have even TRIED. Kwi tshomi yakho? What are you gonna do next, axe her to death kuba enxibe lokhwe ka Cinderella ungenayo wena?" Mbali wiped her tears. Sizwe: "jealousy and hate is a bad combination. Worse xa kudityenwe ngayo. Your little frindship with Liya won't last because ayina foundation. Akho trust, nanxedisana uhlukumeza umntu what does that tell you about you? About each other. Masambe Smilo. LUBABALO usilindile." They got up and walked out.

Late afternoon....

I walk in the house, it was smelling great, Lukhanyo was cooking. The 3 boys outside playing. Me: "evening hun." He hugged me and kissed me. Me: "You are so sweet, bundikhumbula?" were melting. Thulz: "woow....." He kissed in between her thighs. Namhla: "babyyyy....." Thulz: "sungxola mntu wam." Namhla: "I'm about to come...." Thulz: "I'm coming with you baby wam..." He took off his pants and slid it in slowly. Thulz: "Ahhhhh.....damn." He pushed in and out, holding his breath....her thighs were shaking. Namhla: "faster...." Thulz: "what?" Namhla: "iza man!!" She hissed. He went faster, the bed moved with them. Namhla: "oh yes !!!" She moaned very Softly. Thulz: "bab-.....baby.....oh shit...." He held on tightly pushing himself in, breathing heavily. He moaned and smashed himself in..squeezing her body. Thulz: "you make me soo weak. Yuhhh Namhla. Yinton le undenza yona.." Namhla: "awungxoli ngeloxesha." Thulz: "ndenzwa nguwe, ncwinisa indoda. Unesgezo mntana ndin." He lay next to her. Thulz: "mzimba wam uxolile ndozela kamnandi kengok." Namhla: " take a nap." Thulz: "undivuse ngo7 lovey ndiyak'cela.." Namhla: "okay sthandwa." She kissed his lips, went to the bathroom to bath herself.. She wore her pajamas and went to the lounge. Namhla: "kunuka kamandi bhut yazi..." Luks: "ne? Enkosi mtshana." Me: "uph uLubby? I'm getting a bit worried ngaye...." Luks: "and he's phone is on voicemail oko kwak'sasa." Me: "that's odd, did you call his house?" Luks: "yes, uth uSylvia bemke ksasa njalo.." Me: "maybe he's at work?" Luks: "would have told me." Me: "or not because ukuqumbele for whatever twin-prob's you have..hlel nje kuqunjiwe." Luks: "mxm....khazo taste apha babe, injan?" I tasted the meat. Me: "it tastes lovely." Luks: "thathe pha kwi recipe book ndiy'bhaqe kwi cupboard." Me: "okay, let me go bath the boys." I took them to bath in my bathroom. Lukhanyo's phone rang in the kitchen. He picked up. Caller: "hey lukhanyo?" Luks: "hello Liya..." Liya: "are you with Lubabalo?" He thought very quickly. Luks: "uhm....yeah, qha use busy kancinci..he can't talk." Liya: "okay, tell him I was just checking if he was okay." Luks: "I will do so. Bye." He hung up and called Ta Smig. Luks: "ta smig?" Smig: "yeke, was about to call you, have you seen Lubabalo?" Luks: "bendizobuza wena!!" Smig: "khazame uLonwabo." Lukhanyo called Lonwabo. Losta: "hello? Who's this?" Luks: "lonwabo ndim uLukhanyo, do you know where Lubabalo is?" The other side was silent. Luks: "lonwabo, is he with you?!" Losta: "sorry, ndiphume msebenzin mna, I haven't seen him." Luks: "okay" he hung up. Lonwabo put down the phone. Losta: "why are you running from him?" Lubb: "lonwabo I just need space man, bayandi suffocate Bonke!" Losta: "he sounds worried." Lubb: "lukhanyo has his kids to keep him smiling. Makakhe ahlise umoya. They won't even trace me here, I left my car at the airport, ndathi ku Simon, ase i-Jet to Johannesburg." The next morning, Lubabalo showered and got dressed. Lonwabo was already having breakfast downstairs. Lubb: "ndisaya kwa Markhams, I need changing clothes." Losta: "why don't you just go home?" Lubb: "if ndingenile k'la ndlu Lonwabo I can assure you, andiphinde ndiphume." Losta: "you have to talk to her though, awuno gezelwa kwi ndlu yakho. Put your foot down and stuff." Lubb: "I'll be right here when you get back babes...." Liya: "fine then...I'll see you later." Lubb: "enjoy love." She walked to her car, John drove off. Lubabalo changed his clothes eating a peach. He wore a white shirt and jeans. He tucked the shirt in and wore his watch. Lubb: "where the fuck is this girl?" He walked to Demi's room. The bed was unmade. Lubb: "demi!!" There was no answer. He went

to the bathroom, kitchen, outside. Lubb: "Sisi, uphi lomtana?" Sylvia: "akhok'dala emkile bhuti." Lubb: "nxx..." He walked to lonwabo's car and drove to Summerstrand. He stopped being nervous by now. He was just plain happy. He was trying to find a way to make his fiance understand. His phone rang just as he parked outside the building of flats. Lubb: "Ta Seez." Sizwe: "lubabalo. I have been trying to get hold of you. What's your car doing at the damn airport. Enye ikoo lonwabo. Where are you?" Lubb: "heee, ndikhona Ta Seez." Sizwe: "you're with her aren't you?" Lubb: "no." Sizwe: "don't lie to me. I don't judge, but listen, kukho something endifuna siy'ncokole. So when you done, uze kum." Lubb: "nah, thetha Ta. Akhonto." Sizwe: "nah, ndifuna uthetha nawe uhlel ecamkwam. I know you. You over react." Lubb: "its about what?" Sizwe: "I'll be waiting apha ku Smilo." He hung up. Lubabalo walked up the building to the flat. Zintle was sitting with Buhle, her father had already left. Lubabalo knocked. She got up to open. Lubb: "hey." Zintle: "hello." She gave him the baby. Lubb: "Good God, I missed you..." He went to sit down. Lubb: "she's better?" Zintle: "yeah uyazama, andim'yekisanga mayeza though, she still sneezes." Lubb: "masim'se kwi pediatrician." Zintle: "that's not necessary, she'll be fine." Lubb: "scrambled egg, and bacon, ne tomato." She made him the meal and gave it to him. Zintle: "I'm going to Khaya, ndiyomncedisa ngezinto zeskolo. Are you gonna stay or uhamba naye?" Lubb: "ndihamba naye, where's her bag?" She gave him the bag. Lubb: "need a lift?" Zintle: "no thanks..kukho umntu ozond'landa." Someone knocked on the door. She opened. Zintle: "hey..." Lungelo walked in. Lungelo: "hello, you ready?" Zintle: "yeah, just let me get my bag." He walked in and saw Lubabalo staring at him. He stared back. Lungelo: "are we gonna have a problem?"

Chapter 405

Lubb: "what problem?" Lungelo sat down. Zintle came back out. Zintle: "you not eating?" Lubb: "I'll eat." Zintle: "stixo usifake kwi pha, it locks itself. Bye.." He didn't answer. Lungelo: "bye." He smiled. They walked out. Lubabalo ate and took Buhle's bag. Carrying her to the door, locked the flat and left for Walmer. She sat on his lap

with the seatbelt around them. He drove the car with one hand hence it was automatic. Until he arrived at the baby shop. He bought a car seat, and a baby carrier. With a few more toys, then he went to buy baby clothes. He drove to Smilo's house and parked outside. Taking Buhle out her car seat and walked into the house. Lubb: "molwen Ta." Sizwe: "molo lubabalo. Where did you disappear to." Lubb: "bendilinde le angel yam." Sizwe: "she looks beautiful." Lubb: "busithi ufuna sithethe?" Sizwe: "Lubabalo?" Lubb: "yes..." Sizwe: "Mbali noLiya befuna Wohlukane noZintle. They planned the scene at the party." Lubb: "yima woah....Ta Seez wena uyazelaphi?" Sizwe: "ngu Lukhanyo, I searched around....." Lubb: "Liya ungenaphi? Umazelaphi uZintle?" Sizwe: "sithethe noMbali she told us Liya was in love with you. Mbali suggested to remove Zintle by tempting her to cheat...so that um'lahle ubeno Liya. She knew.." Lubb: "No sizwe. Liya has nothing to do with this." He started thinking of the random mood changes ever since this erupted. Lubb: "hayi man!" Sizwe: "I thought you should know ke qha." Lubabalo lay back on the couch. Buhle was falling asleep on his chest. Sizwe: "what are you gonna do?" Lubb: "nothing." Smilo: "nothing!?" Lubb: "being angry is pointless. Ndizothin emvakoko? Ndimngxothe naye, aphuncuke isusu? Something painful happens to her? Ndiz'regret?" Sizwe: "wow. Okay Lubabalo." Lubb: "ndiya endlin.." He got up. Smilo: "don't be mad Lubabalo." Lubb: "I'm not mad Ta, I'm just disappointed ba akhomntu ufuna ude andithande for me. Kanti where's my Perfect girl? Kuthen hlal nje ndifuman iRejects zamagqwirha? Hayi fok man." He walked out and put Buhle in her car seat. Got in and drove off to his house. As soon as he arrived he took his baby inside and fed her. They walked to his bedroom and lay on the Bed until they both fell asleep.....

His phone rang mid-afternoon. He answered. Lubb: "baby?" He mumbled. Zintle: "ndim uZintle?" Lubb: "hm..." Zintle: "you asleep?" Lubb: "hm.." Zintle: "okay ndicela undiphathele uBuhle va..." Lubb: "okay" he hung up. He looked at his daughter. Lubb: "heeee, ndiyoze ndibulale umntu for wena." He kissed her chubby cheeks and lay his head next to her. Lubb: "I don't care what they all think...what they say or do..I love you sweetheart. Daddy will do anything for you my angel." He sniffed around. Lubb: "did you just.....aww hell naw baby, hayi man." He got up and undressed her. She woke up. Lubb: "hey yoou.." He changed her diaper and dressed her in one of the new clothes he bought. He took pictures with them together. Then they got up and left for Summerstrand. Lungelo was with Zintle, she was getting dinner ready. Zintle: "so...where exactly do you live?" Lungelo: "eCoega . Do you need help?" Zintle: "nah I'm good...." Lungelo: "can we talk about something...." Zintle: "sure..." Lungelo: "okay, I don't want to be forward Zintle. I just have got to get this off my chest...I like you a lot and I'd like you to be a part of my life... We don't have

to rush into it, I just want you to know and think about it. I don't want to be a reserve because there's a free space or anything. " Zintle: "Lungelo I told you this sisadibana...I dont-" Lungelo: "I know...but you're not even giving me a chance to try. Please don't make me beg." Zintle: "I'm....I'm a cocktail of emotions, you can never be able to handle." Lungelo: "I'm strong enough to try though....I can handle it Zintle." Zintle: "lub-" she stopped. Zintle: "Lungelo." Lungelo: "okay.....never mind I said anything. Let me just go." He got up and walked to the door. Zintle held his arm. Zintle: "wait....." Lungelo: "I want to make you happy. Please let me?" Zintle: "I just have a lot of stuff that I need to let go of first.." Lungelo: "we'll do it together. You deserve happiness...let yourself relax." Zintle: "I can't...." He pulled her closer and kissed her. He cupped her face with both his hands, she held his shirt. Lungelo: "you can...and you will babes. I'll take care of you and the baby.....support you...love you...." Zintle: "I'm trying....ndine insecurities." Lungelo: "trust me. I won't hurt you." Someone knocked on the door. Lungelo: "I'll get that." Zintle: "okay." She kissed him one last time. Lungelo opened the door. Letting an irritated Lubabalo in. Lubb: "zintle, can we have a little chat please?" Zintle: "I'm listening..." Lubb: "without Mr Fresh chinese cut over here." Lungelo: "was that directed to me ??" Lubb: "if the shoe fits. Lace that bitch up and wear it boy. Babe?" He walked to the bedroom laying Buhle on the bed. Zintle: "don't mind him..." He walked to Lubabalo. Zintle: "what the fuck's wrong with you." Lubb: "nguban lona? And what is he doing here. Uthengisa i-insurance?" Zintle: "lubabalo. Lungelo is his name, you have no right, to come in this place and throw insults at no one! Akho kwakho apha! Your only business is Buhle, stay far away from whom I associate with okay?" Lubb: "is he your boyfriend." Zintle: "yes." Lubb: "oh." He looked on the bed at his daughter playing with her foot.. Zintle: "what we had is over Lubabalo. We can't never go back." Lubb: "why?" Zintle: "we have moved on with our lives, get married uhoje ulife wakho. And let me live mine...we'll end up hating each other because of the past. So let's not even..." Lubb: "I" Zintle: "you what?" Lubb: "never mind..." He got up and walked out.

Lubabalo got home and poured himself a stiff drink. He drank 4 glasses and sat down with his 5th. He put it near his nose and smelt it. He felt himself go cold.

Remembering Zintle's words "You're ice cold"everyone seems to think he only cared about himself. Who cared for HIM instead? Liya? She lied to him. Zintle? He doesn't want him. Lukhanyo? Life's too perfect for him to even give a fuck. Perfect wife. Perfect kids. Perfect family. Perfect fucking everything!!!! He didn't need to stress, someone always got him covered. What about him? Who cooked for him everyday? Made him special things? Loved him? Lubb: "mxm....." He drank his drink

finished. Then threw the glass on the floor, it shattered to pieces. Liya walked in. Liya: "hayi baby what's wrong?" He looked at her. Lubb: "what's wrong Liya? You're asking ME. What's wrong?" Liya: "hehake lubabalo are you deaf or dumb? Ewe ndibuza wena." Lubb: "don't you ever speak to me like that. Siyavan? EVER. I swear you'll regret opening your mouth." Liya: "what's going on? Why are you like this." Lubb: "THIS is who I really am Liya! Sundibuza ikaka!" He roared. She tried backing away. He got up and closed the door. Liya: "lubabalo..." She was scared of him in this state. Lubb: "what in the world! Were you fucking thinking. Lying to me! Ubucinga ntoni?" Liya: "what are you talking about?" She was shaking. Lubb: "you knew about Zintle! You did this shit to her behind my back." Liya: "no..." Lubb: "don't you dare, lie." Liya: "khandenze nto mna baby. They said she slept with Duma..that's it!" Lubb: "and I when I tell you she was raped, still awundimamela uqhatsela phezkwam! Ruling me and making me your bloody idiot!" Liya: "lubabalo I love you!" She cried.... Liya: "I don't want to lose you.." Lubb: "bekuthen zungathethi nam Liya?" Liya: "I couldn't lubabalo." Lubb: "what else are you hiding from me?" Liya: "nothing, I swear." Lubb: "I want you to get this straight. Zintle bendimthanda. I loved her....I still do. Its never going to change. But I will Never get back with her! Akhonto indibuyisela phayana. I hate what you did Liya, I fucking hate it! But I love you now, YOU will be my wife, not her! I want us to come to an agreement that you do not lie, you do not try to even bully, boss or push me over. In this house its my word first and last. Siyavana?" Liya: "yes." Lubb: "you're carrying my child...I want to make you as comfortable as possible, but If undiphethe snaaks nam ndizoyeka!" Liya: "I'm sooo sorry" Lubb: "stop saying sorry. I'm not Happy Liyabona, but uthukisa isn't going to change anything..nam ndine faults, I'm not perfect. But I love you. I just want you to love me back. I want to be happy, without all this jealousy shit. I want umntanam aze apha onwabe, treat her like she's your daughter. Zintle is not out to get you, as much as what you did to her. She's moved on. I want you to tell me now. Do you want to be with me? And this includes uBuhle." She kept quiet.... Lubb: "ndicel uphendulwa." Liya: "yes." Lubb: "ndiyaphinda ndiyabuza Liya, are you not hiding anything else from me?." Liya: "no..." He sat down. Lubb: "come here." She didn't move an inch. Lubb: "I won't hurt you....come." She walked to him and sat down. He pulled her under his arm. Lubb: "we're not going to have this discussion again. I want you to apologize to her qha. I'm not expecting you to be best friends. But being civil is the only way we could all move forward, no need to dwell on the past. Yenzekile and ayizojika." Liya: "okay." Lubb: "okay what?" Liya: "I will apologize." Lubb: "can I take you home?" Liya: "why?" Lubb: "I can't process this with you here..ndicela some time alone." Liya: "but we have to sort this out.." Lubb: "I'm drunk Liya, how can I sort it out?" Liya: "okay

lubabalo. You'll call me when you're fine. John will take me home." He kissed her cheek. Rubbing her belly. Lubb: "I love you..." Liya: "I love you too Lubabalo, I know I've been acting stupid and I hurt you..I didn't mean to." Lubb: "don't stress..." She got up and walked out. His phone rang. Lubb: "hmmmmmm!!!!" He was beyond annoyed. Luks: "hay tsek tsek tsekkk! Tshi, uthen na." Lubb: "yawa yinton lukhanyo aubrey mzinyathi." Luks: "izapha man, my thandwa ndim. Mandy: "andise bhlungu. Worth it though." Anda: "sorry my love." He bent down to kiss it then lay next to her.. Anda: "iza...." She held on his muscular chest, his arms held around her body in comfort until she fell asleep. He got up and went to take a shower. Got dressed and left.

Phila hung up from the phone call and got up from the couch. Zuki: "what's up?" Phila: "I'm going out with the guys babe." Zuki: "you haven't eaten." Phila: "yeah, we'll probably grab something." She got up. Zuki: "I'll make you food first, Philasande awuzohamba ungaryanga." He sat down. Zuki: "do you know umntu uyagula kusela angatyi? You can develop ulcers. They can kill you..." Zuki: "uzodikwa ndim baby then you'll say I'm trying to control you and stuff, sibene arguments ezipholileyo such as 'you not my wife' type. I don't want that for us...sigrand lewei." Phila: "baby, I hardly go out, xandihamba, I go with Losta, ndibuye early mna ndizolala. Its not a big deal. Okanye woyika ba ndizok'valela kwinto zakho?" Zuki: "its not like that." Phila: "but? Zuki: "I'm okay I swear." She sniffed. Phila: "sthandwa sam khand'jonge kaloku..." He begged. She turned to look at him. Phila: "why are you crying?" Zuki: "I'm just being stupid." Phila: "thetha nam, please." He wiped her face. Zuki: "I'm.....I'm falling for you. Deeply. Yazi I keep expecting you to change into something bad but you don't. He came back and got dressed. Phila: "bye sweetie..." Zuki: "have fun babe." He kissed her cheek and left...

Zintle was laying on the couch, her head on Lungelo's lap. Buhle was sleeping on his chest. Lungelo: "she snores like a baby bear. Its sooo freaken cute." Zintle giggled. Zintle: "I'm surprised ude walala. She was just too energetic this afternoon." Lungelo: "une peto entsha alok endim." Zintle: "mfem. Yaphela le movie ngok.." Lungelo: "its only halfway through." Zintle: "that guy dies, his wife killed him ayom'bantintela, umntana relocates. The end." Lungelo: "yadika kanjan." He tickled her rib. She laughed. Lungelo: "uzum'vuse..." Zintle: "she likes you..uzophinda lale.." Lungelo: "I doubt that." Buhle started shifting. Then cried. Lungelo: "ai kodwa baby, yinton ngok?" Zintle checked the time. Zintle: "time for her milk. Yalibamba xesha lomtana." Ufuze nje uLubabalo, wakes up on time no matter what. Noba ulele 30 minutes if he sets himself a specific time be sure he will wake up then. She thought. Such a creepy individual, she smiled. Lungelo: "uncuma ntoni?" Zintle: "uzom'feed'a?" Lungelo: "yes, iphi bottle yakhe?" Zintle made the bottle and gave it to him. Lungelo: "I have never done this before but somehow, it feels so natural.." He held the bottle in Buhle's mouth and she sucked. Lungelo: "she's beautiful...uyafana nomamakhe." Zintle: "thank you." Lungelo no wonder her dad keeps coming back. Alinde nomntu oz'hambelayo ongenzanga nto." Zintle: "he's only here for his daughter." Lungelo: "I'm quiet, not blind Zintle..." He kissed Buhle's forehead. Lungelo: "but ke shame, he doesn't know me properly yet. Andiyoswa nto mna. Especially guys like him." Zintle: "what's guys like him?" Lungelo: "one of the two. Number 1: Ligintsa. Number 2: drug dealer. Therefore, he thinks he runs the whole city. I'm a lawyer, umntu ndijonga okwe behavior yakhe." Zintle laughed out loud. Zintle: "yeah, your imagination is on another level. Lubabalo owns engineering companies all over the country. Nothing to do with ubugintsa" She lied. Deep down inside....she knew what he was. Lungelo: "oh. Aike ndim lo uthanda uzigqhatsha, sorry..." Zintle: "that's okay...let me put her to sleep." Lungelo handed Buhle over to her. She went to place her on the bed. Then sat with Lungelo on the couch. Zintle: "khaya noThando baryt pha?" Lungelo: "yeah, my manager is around. He'll keep an eye on them. The last time ndam'shiya yedwa

Lungelo: "istout lantwana baby, you don't understand, ndiyaphola xa kukho Khaya at least um'faka endleleni.....you got something over here." He kissed her cheek. Zintle: "isukile ke.." Lungelo: "it escaped to here..." He kissed her lips. His hands holding her thigh. Zintle: "please stop." He stopped instantly. Lungelo: "I'm soo sorry. I don't know what I was thinking." Zintle: "its not that...." Lungelo: "no babes....akho rush..let's finish this movie.." He held her in his arms. Lungelo: "undivuse xandilala va..I have to go home and prepare, I have to be at court tomorrow." Zintle: "okay..." They watched the movie..he eventually fell asleep. She wanted to let him sleep but had to wake him up. He seemed so relaxed. Zintle: "hey..." She shook him. Lungelo: "hm?" He mumbled. Zintle: "what time you at court?" Lungelo: "9.." Zintle: "I'll wake you at about 5...you can't drive all the way to Coega like this." Lungelo: "okay." He cuddled on the couch, falling asleep again. Running a restaurant and having a full time career was a stupid smart decision. She kissed his cheek.....

Lubb: "I can't tell him...actually, I don't know how to.." Luks: "oh.....and then? Since Zintle didn't cheat and she gave birth to your first born?" Lubb: "Lukhanyo andiyaz kwenzeka nton ngam. I love that girl, I

He took out a beanie and gave it to his bro. Luks: "it will be an 'accident'it could've happened to anyone." Lubb: "one by one.....all those responsible will pay.. Jesus has guests tonight." Lonwabo walked to them staring at Lubabalo. Losta: "dude..." Lubb: "stay out of this mjita...." Losta: "I thought we spoke about this." Lubb: "things changed." Losta: "okay, okay.....andizoy'ngena." Lubb: "we'll need your help. I want it done and dusted by tonight. Phila, Anda Mabheka noThulz....." They came and stood together. Luks: "its going down.." Luks: "stay behind me, ndizoleqa uLubby before he does something stupid." He raced the car off to Zwide.

Chapter 407

Lukhanyo overtook Lubabalo and stopped right in front of him. Lubby hit the brakes.. Lubb: "YOH hayi Lukhanyo thinks he owns these damn roads. What's wrong with you!" He screamed out his window. Lukhanyo walked to his window. Luks: "siyalandelwa." Lubb: "utsho noLonwabo, uth ubona some black car. Maybe ibidlula? Because ayikho ngok." Lubb: "som'linda pha kuye ndlin." Losta: "and then?" Lubb: "you'll see." Lubabalo didn't follow Lukhanyo, instead drove to Duma's place. He took out the gun and loaded the bullets. Putting on the silencer. Thulz: "help?" Lubb: "nah, take the wheel, ndizophuma sihambe." A long While later,

a white opel corsa parked at the house. Duma held a girl's hand walking in, luthabo had his girl in his hand..they went inside. Lubb: "ndiyabuya." He put on the balaclava Lukhanyo had given him. He walked to the house and walked in. The 2 guys stood up. Duma: "ufuna nton!" Lubabalo took out the gun. Lubb: "nina." He set it and shot Luthabo stone cold first. The girls screamed. Lubb: "nivale imilomo or you're next." Duma: "fethu, I can give you the car, money anything..." Lubb: "duma, andifun nto zakho mna." Duma: "what do you want?!" Lubb: "undiqhela ukunya kwedin! You forced yourself on my fucking girlfriend emithi ngomtanam!" Duma: "ayikho lonto fethu, I don't know what you talking about." He was shaking. Lubabalo aimed at his head. And shot him dead. Lubb: "ndive iskhalo net.....ndive just one little hint that you snitched. And you're next. You hear?" The girls were crying uncontrollably. Lubabalo walked out and they drove off back to New Brighton. Lukhanyo was panicking by the time they arrived. Luks: "what the hell! Nihleli phi." Lubb: "keep yo panties on, we made it back." He poured himself a drink. Luks: "lubabalo.." The guys sat together and ate then drank. Lubb: "yes, I killed them.. If you wanted to know. I couldn't wait!" Luks: "nobody saw You?" Lubb: "nah. It was all clear, bendinxibe ne mask. Those two bitches can't say shit." Luks: "okay." Lubb: "next is Terrence, uhlala eDwesi. We'll pay him a visit tomorrow, utshatile and unabantwana. So we got to play this one cool." Luks: "fine then... Masiye." They sat with the others. Losta: "nankuya ufasti womntu elibel ubasis'thwangu thwangu pha. Khame ndiyo phatha noba kukay'1." Lubb: "uzokhatywa wena." Losta: "yuuuh, jonga ume nenye nday'wina kdala. Inoba nguye lo wayeshiye igxwamsi endlinam. Fana nje naye lonto." Lubb: "heee, umbi mos lomntu, ingathi uqamela ngelitye." The guys laughed out loud. Losta: "yoh, ndothuka ndivuka.. Kwangath ndihlel nes'thunzi se hashe." Lubb: "noba wataka nak'lo bhedi." Losta: "inwele zanuka into yoflita. Heeee, andaxakwa man. Losta: "lonto f'neke ndiye pha, ndiyamaz xa ebona mna ubona botile ye mpala mpala." They drank and chatted till morning.....

Zintle woke up at 04:30am. She fed her baby and woke Lungelo up from the couch. Lungelo: "andise leli kamand...I feel like staying longer." Zintle: "and your case?" Lungelo: "cinga lonto nam baby." He got up. Zintle: "you gonna eat?" Lungelo: "nah, I can't eat before ndiye court. I'm gonna get lazy. Yayaz le advert, ithi you're more aggressive when you're hungry? That's me." Zintle: "okay ke love." Lungelo: "yazi

We grew apart phof because of izinto ebezenza. But he was my friend either way. The only one of 2 I had." Zintle: "betheni dan." Lungelo: "there was this time ndisahlal eMonti. Zintle: "uhm....I don't know, he used to be your friend..." Lungelo: "its not like him to just disappear. But anyway he's not my responsibility. And I'm done with him. Can I see you later. Zintle: "khayek udlala man wena uzoba late." He kissed her forehead. Lungelo: "I'll see you later pumpkin." He let go and walked out....

I just dropped the boys off at school, driving around with Athi. Namhla was at home with the babies. We were looking for a school for him. I went to Parsons Hill. I wonder if bazom'thatha na, its late for ubhalisa ngoku.. I had to wait for Mr Saddler to finish his meeting before speaking to him. He was the kindest gentleman I have yet met. But kungekho ndawo. 😞:(Athi was outside playing by himself watching the other kids play. My heart tore a little. Me: "we can't find his parents, and when I asked him what he wanted the only thing he said was that he wanted school." Mr Saddler: "ooh shame man...you know what? Let's make a plan." I smiled at him. He asked his secretary to help us, I filled in the details as his guardian, oaid the necessary fees, and got the stationary list. Lady: "here is a place where you could get the school

uniform." Me: "thank you and please thank Mr Saddler for me. I really appreciate it.."
Lady: "okay ma'am." I Left with Athi a to buy his uniform, he seemed too excited.
Athi: "ndizoya eskolweni?" Me: "ewe boy, monday nawe uzoya eskolweni va?" He
nodded. I drove home and he went to watch tv. I placed the new uniform and
stationary in his room. Lukhanyo and Lubabalo were still asleep. Me: "you two better
wake up. Ndifuna u'cleana le room!" They didn't wake. Mxm. Me: "nizoyi cleaner
bonanje noba bini!" I walked to do the laundry and took off my heels. Namhla
appeared. Me: "hey, sifumene indaw eParsons Hill." Namhla: "ku better ke. The babies
are asleep, Lutha une heat rash." Me: "funeke ndim'se kwaGqirha lowo, but lemme
finish this first." I did the laundry and Namhla helped clean the house. Lubabalo and
Lukhanyo Eventually woke up during the afternoon. Lubb: "andise lambe." Luks:
"ntloko iyatsho fethu." They got up and dragged to the kitchen. Luks: "Namhla, uph
uLihle?" Namhla: "use uLutha kwa Gqirha. He has a heat rash." Luks: "oh. Masiye
fondin." They went to take showers and got dressed, leaving the house. Lubb: "khona
la restaurant ndifuna siye kuyo...uthi uLosta its a nice place...we'll have lunch pha,
then ndiye ku buhle..." Luks: "and tonight?" Lubb: "we finish what we started, son."
They arrived at the restaurant 30 minutes later and walked in. They got a table and
sat. Lubb: "she's nice..." Luks: "yeah, sotya nton?" They looked at the menu and then
ordered their drinks. They ordered their meals. Luks: "uzondiphambanela uLihle, we
supposed to start packing. We moving out kulandlu." Lubb: "uzay'thengisa?" Luks:
"hell nah...zoba yindawo yethu yobalekela xa sithukiselwa ngabafazi." They laughed
together. Luks: "so you really wanna get married to Liya...look me in the eye and tell
me the truth." Lubb: "Lukhanyo, can we not go there...." Luks: "nah bro, I wanna
advise you. Its going to be easy. I know ngok uzocimba me and Lihle had always been
this happy. We haven't. We never had the best start and ndandi soyika that it'll be a
tragic ending. She wasn't happy, I wasn't happy I was selfish, possessive, abusive. I
almost killed her.....I'm not proud Lubabalo, I was the worst husband ever. She tried
more than once ukundishiya umtana ka Ta Seez. So, you have to be really sure if you
want to get married for love or the baby in her stomach." Lubabalo looked at the
door. Lubb: "kuthen hlel nje ndinez'lingo ezilandelana nam!" Luks: "who's that." He
looked. Lubb: "Zintle's new stupid boyfriend. Andaz noba lentwana icimba we on the
same Level na." Luks: "khayek ungxola man lubabalo." Lungelo walked past their
table. Lubb: "walking in this fuckin place like he own the building." Lungelo stood,
turned to looked at him. Hands in his pocket with the coolest smile on his face.
Lungelo: "I actually do." He turned and walked to a table. Lungelo: "Brian, get me a
cup of coffee, and the books." Brian: "yes boss." Lubb: "masambe apha." Luks: "kanti
asiyindaw. You are going to get over this whether you like it or not." Lubabalo

growled in frustration. The girl brought their drinks. She: "Enjoy." She walked to Lungelo. Lungelo: "Cindy, when you done I need you to call Paul, tell him I'm going to be out for a while, so if he can keep an eye." Cindy: "sure thing sir." Luks: "he is really the boss...." Lubb: "please don't rub it in, I feel like a fool already." Luks: "aska tshi, nathi sobhathala mos. Sis'Cindy, get us another round!!" He yelled. Lubabalo giggled. Lubb: "ndik'thembile...".

Chapter 408

As irritated as Lungelo was, he paid them no attention because they wanted his reaction. He kept quiet and continued working. Lubabalo and Lukhanyo burst out laughing at a joke. Lubby called Losta. Somehow, Lungelo felt that they were doing it on purpose. 15 minutes later, a tall, light skinned guy walked on...wearing shades. He sat with them. Lubb: "shades ngaphakathi?" Losta: "hay khayekane nam. Iphi waiter yenu?" Luks: "sis'cindy!" He yelled. Lungelo was getting pretty annoyed...burning with anger. His restaurant was meant to be quiet, reserved and calm. He hated what they were doing especially when majority were whites. He tried his best to keep calm. Losta: "hello sweetheart, mna ndingu Lonwabo....but you can call me Mntu wam." The guys chuckled. The girl blushed. Cindy: "can I take your order?" Losta: "yes you can....I'd like to have a serious relationship, with no bullshit, a side of Loyalty and a bottomless glass of Love, thank you." She smiled uncontrollably. Lubb: "awukwaz uthi Hayi sisi..awti yam, proposed kamand kangaka." Cindy: "ndise msebenzini bhuti." Losta: "ndizok'tshata mna, ndikhwakhele eyakho restaurant..." Cindy: "I'll have to decline. Thank you though." Losta: "your number at least?" Cindy: "no..will that be all?" He ordered his food. She walked away to the kitchen. Losta: "I think I'm in love." Lubb: "akak'funi lamtana." Losta: "she's just tryna play hard to get....ndizom'fumana yazi....noba kunini." Lungelo got up and went to the kitchen. And helped with preparing food, washing dishes too. He cleaned up every few minutes to start another meal. Brian: "boss, I got this, don't worry." Lungelo: "you sure?" Brian: "yep..." Lungelo washed his hands and went to the front. Lubb: "Ekse maaan!!! Bendithe ibene ice, ishushu Le drink." He complained. Lungelo went to fetch the drink and made him an ice cold one. He gave it to him. Lubb: "I'm not gonna pay for this..." Lungelo: "its on the house." He turned and walked off. Lubb: "tshi...ubusatsho ke sani?" Lungelo wanted to leave but couldn't leave this 3 here. Losta: "I booked myself off le weekend, rhaaa, hayi iyatsho intlama sani, kamand

khandibena appointment vandag. Ithini nto namhlanje?" Lubb: "finishing off...." Luks: "keep your voice low..." Losta: "you don't need me right?" Lubb: "fuck yeah we do...sifuna uTerrence." Losta: "khayek Terrence sani, his wife is pregnant and he has kids." Luks: "ja ne....okay, landelayo.." Losta: "Tyler, phuma ngo4 espan...hlala eBridgemed." Lubb: "okay." Lungelo called Zintle in the mean time. Zintle: "hey sweetie.." Lungelo: "hi sthandwa sam...you good?" Zintle: "I'm good, thought zobe sow'phumile by now." Lungelo: "I'm at the restaurant babe, ndisalungisa nje apha, then I'll come to you...where do you wanna go?" Zintle: "anywhere, as long as I'm with you." Lungelo: "okay babes...I'll be as quick as possible.." Zintle: "sure." He hung up. The 3 guys have been there for more than 2 hours now. One of his older customers came to him. Woman: "Mr Lungelo, I love your restaurant. You know this." Lungelo: "yes I do, Mrs Patterson." Woman: "I just cannot tolerate such behavior. It is utterly shocking and rude. I am not used to such nature when I come here. Therefore, I will have to leave..." Lungelo: "I sincerely apologize ma'am." She walked away. Lungelo walked to the guys' table. Lungelo: "I'm sorry but I'm going to have to ask you to leave." Lubb: "kodwa asiyi ndawo. We paying just like err'body else." Lungelo: "and you're disturbing my customers, akhose shebeen apha. Nor itshisa nyama. So I suggest you take your little boys club and hold your meeting elsewhere." Losta: "hehee...my nigga. nyathel ibrakes zakho ungeka gilwa yi plane kwi sporo." Lungelo: "you see that sign over that door. This is my property, I have the right to make you leave." Lubb: "what sign..." He joked. They laughed. Lungelo was quickly losing patience. Lubb: "huh? Cuz andibon sign mna." Lungelo: "Right of admission reserved! Ndinicela kakuhle niphume apha." Lubb: "masamben majita, have to go see my beautiful baby girl and her mommy anyway.." He got up and took out his wallet. Lubb: "do you take platinum?" Lungelo: "I've already paid your bill. Step out of my restaurant." He hissed. Lubb: "I'll be back.." Lungelo: "I dare you..." They stood facing each other. Lubb: "you do know who you messing with right?" Lungelo: "whatever you are....khona nje into ey1 enokophula uwe phantsi ngomzuzu. Be careful." He pushed him aside and walked to the counter. Lubby and Luks walked out. Losta: "sthandwa sam. Ndiyahamba kengoku va." The waitress looked at him. Without smiling. Losta: "ndibuye late? Kanye ngomso? iphela nin shift yakho, ndizok'landa?" Cindy: "boyfriend yam seyifikile. And as I said before, I DECLINE. Andikho interested." Losta: "but mna ndiyak'thanda njena." Cindy: "bye." She turned, he held her arm. Losta: "I left my number on the white napkin, at our table. Cela uzundi fownele." Cindy: "mxm." She walked away.

Lubabalo went to Zintle's flat. He walked up the stairs and knocked on her door. Zintle: "bab-.....ohh its you." He smiled and bit his lips. Lubb: "hello.." Zintle: "next

time ndicela ufowne. You can't just pop up here same as nam I was told by your wife not to just pop up kwakho and to stay away from you." Lubb: "what?" Zintle: "Buhle is asleep." Lubb: "Liya told you to what?" Zintle: "lubabalo some of us have things to do, uzoma k'lo mnyango mini yonke!?" He walked in and went to his daughter laid next to her on the bed. Lubb: "saw your little Boyfriend. He has a restaurant kanti..." He said in an annoyed weak voice. Zintle: "stay the hell away from Lungelo." Lubb: "hahahaha....awww love, he already threatened me and stuff. On some: 'Be careful' tip." He imitated Lungelo's voice. Zintle: "lubabalo do not dig a grave for yourself. Lungelo is a damn good lawyer. He will shut you down so quickly it won't even be funny." Lubb: "you don't have faith in me baby??" Zintle: "faith in what?! UHlukumeza bantu? Khayeke man Lubabalo." Lubb: "okay, come chill with us ke...simyekile uLungi-boy." Zintle sat with them on the bed. Lubb: "remember when we were on camp? Sihlel kwi tent, ungasoyiki man, so we lay facing each other, sancokola ubusuku bonke..." Zintle: "whatt does that have to do with anything?" Lubb: "then the time we went canoing, ungasaphazeli. Our canoe tipped over....I had to save you from drowning...ungasakhali." He laughed. Zintle: "I was not drowning! I was shocked." Lubb: "don't lie babes, ubukhala pha...I had to carry you back." Zintle: "because you're a bad sailor." Lubb: "hai nguwe tshi, I said I go right you go left. You went right, I tried correcting you but you decided to argue with me, yade yawa nalo boat." They laughed together. Zintle: "nothing beats the elephant rides though." He fell off the bed from laughing. Lubb: "that shall never be spoken of." Zintle: "my lips are sealed..." They relaxed for a while. Lubb: "then our last weekend together at our favorite place in Paris." Zintle: "please let's not go there." Lubb: "why did you say No?" Zintle: "what difference would it have made...." Buhle woke up. Zintle: "hey Boo Boo..." She smiled at her mother shyly. Looking to the other side and smiling again at daddy. Lubb: "awumdala..ude uncume kangaka." He kissed her cheek. Zintle: "we'll be leaving soon, so I'll give you a few minutes together.." Lubb: "niyaphi?" Zintle: "we're going out with Lungelo." Lubb: "and my daughter? Over my dead body." Zintle: "khayek u-acter man Lubby..." Lubb: "can she sleep over at my place tonight?" Zintle: "no." Lubb: "why do you want to make this as difficult as possible for me?" Zintle: "its not that..I just can't let her." Lubb: "without you...." Zintle: "its nothing personal Lubabalo." Lubb: "okay then, I'm taking her now, ubuye ngaye when ya'll done with whatever." Zintle: "are you.....jealous" Lubb: "No!" He got up and took his daughter. Lubb: "yafana nam wena, we be looking so cute!" He kissed her. Lubb: "daddy loves his Bubuneh?" The baby stared at him. Lubb: "yeah well....at least you know." He took her bag. Lubb: "botile zakhe?" Zintle: "isnaaks ke lo attitude yakho." Lubb: "attitude bitheni na Zintle! Xandicel botile yomtana!" Zintle: "why are you aggravated??" He

packed her diapers and other things. Lubb: "I'm perfectly fine mna." Zintle: "lubabalo..." Lubb: "hm?" He grumbled. Zintle: "mxm." She helped him pack the bag and gave it to him. Lubb: "simkile." He announced. Zintle: "I don't get to say goodbye?" He turned and walked back to her. Zintle took the baby from him. Hugging her and kissing her curly hair. Lubby looked at them...it was a lovely sight. Zintle: "bye bye ke mntanam...I love you." She kissed her the last time and handed her over. Lubb: "and me?" Zintle: "nihambe kakhle." He walked out the flat to the car, putting his baby in the car seat, strapping her carefully, thinking that he still had to call Liya. He got in and drove off.....

Thulani was with Namhla, he just got out of work and they met for lunch. Thulz: "babes, I took the apartment ke, furniture that I ordered iyafika ngomso pha. I want us to move in together." Namhla: "but-" Thulz: "love wam, we got to be independent together, Ta Luks bought a house nabo bayasuka pha. I'll be at my dad's tonight, then tomorrow I want you to help me move in kakuhle pha. Thulz: "sesiqhelile nje uhlala kunye?" Namhla: "that was different, kuba kukho abantu, it felt like a big family. But I guess its time for change...I would love to move in with you sthandwa sam.." Thulz: "great. Ndise court on Tuesday. I'm hoping ide udlule lento." Namhla: "it will pass, plus I'm here for you." Thulz: "I love you." He held her hand from across the table and kissed her fingers. Thulz: "you're the most supportive, loving, caring girlfriend I ever had. I'm so lucky to have you." Namhla: "I'm more than lucky to have You. I love you too." His phone rang. Thulz: "hello?" Luks: "uphi?" Thulz: "having late lunch with Namhla...why?" Luks: "looks like we aborting mission yanamhlanje. Lubby uth hlel nomtanakhe yena. So ndiyolala nam ngok." Thulz: "ayt cool." Luks: "sho." He hung up. Lukhanyo was laying on the couch. Me: "lukhanyo. That room." Luks: "I aint about that life Bae..." Me: "xakufika indwendwe !!" Luks: "sizohlala k'la room dan?" Me: "you jus-" what's the point, he was too busy watching soccer. Luks: "Athi!!" He walked in the house. Luks: "hlalapha kwedin sibukel ibhola." I wore my shoes and went to go fetch Chuma and Junior. I passed at Greenacres, Woolworths and grabbed a few things at the food market. I took snacks and more lunch products for the boys.. The were running around me playing. Me: "boys please." I paid and we left for home. Luthando was sitting on the couch with his dad. Luhle was on the floor. Lukhanyo got up to go shower. As he started getting dressed. Me: "hay uyaphi kengok?" Luks: "out babes." Me: "again?" Luks: "heeee, hayi ke Lihle." Me: "nah lukhanyo you can't." Luks: "why is that?" Me: "undishiya nabantwana abay5 uhambe uyokonwaba!" Luks: "why are you going to start acting like you mind?" Me: "you

don't even look like you're interested!" Luks: "stop....uyangxola." Me: "lukhanyo!!"
Luks: "I'll be back, yinton ngath andibuyi!" He wore a black jumpsuit and black t
shirt. With his black adidas sneaker. Me: "so uzoveske uhambe kengok?" Luks: "I'll see
you when I'm back." He took the keys and left the house. I started preparing dinner,
but for who? Mxm!! I made macaroni and cheese. Waiting for it to be ready was
annoying because I was hungry. These kids were making a noise. Me: "CHUMANNI!!"
Chuma: "xolo mama." He mumbled. I brought out the dishes and wiped them. But
then again Lukhanyo is what he is, ndam'tshata ndisazi ba uligintsa and they mostly
operate at night. But. The company in Cape Town yona!? Isn't that enough. I dished
up for the boys and myself, Namhla and Thulani. They sat together, Athi prayed for
us. I took the babies to bath them and feed them. Then put them to sleep. Lukhanyo
and Lonwabo were at Chief Ngqoko's place with Anda and Phila. Anda: "uph
uLubby?" Luks: "uthe usagodusa umtana when I called ndiphuma kum.." Losta: "so
today we chilling?" Luks: "nope, sikhangela uTyler, simyekile Terrence, usinda
ngomfaz wakhe...." Anda: "sim'fumanaphi uTyler?" Losta: "andimazi ke yena.
Unowaziwa nguLubby. Ndibawela ishot ye Jameson bonanje." He walked to buy a
bottle, ice and glasses. Lukhanyo looked up and saw Xolani's old friend. Ayanda. He
hadn't seen him in years. Since he had moved to Durban. Ayanda: "sho Ta Luks."
Luks: "ja Ace awti....ugrand?" Ayanda: "I'm good...uphi uXolani?" Ayanda was not a
gangster, he was totally against the whole thing from the beginning. He hated guns
with a passion. He always motivated Xolani to focus more on work than of the
world's distractions. Luks: "uhm.....wasweleleka uXolani fethu." Ayanda almost
choked. Ayanda: "what! How? Why zange ndixelelwe!" Luks: "I'm sorry sani....it was
just unexpected. He was shot by umntu esingamaziyo nathi." Ayanda looked at him in
disgust and walked off. Losta: "he didn't take that very well." Luks: "eish....akathandi
nyan..noba wade wam'tshata lamtana hamba naye" Losta: "omphi? Lo unobuso ngathi
uphethwe sistress?" Luks: "khayek isgezo sani." He giggled. Losta: "uhleka nton wena."
He poured himself a glass and sat back. Lubabalo arrived. He sat with them and they
discussed. 3 hours later. Lubb: "yazi.....ndiyacinga." Luks: "oh my....you can think?"
Lubb: "I'll call Jermaine to do the rest. I don't want this shit anymore. I have a
daughter mandiyeke uba irresponsible." Luks: "okay ndoda." Losta: "pheeeew!! Thank
Jesus! Besend'qond'ba susu sam sidlal unjiqha.." They laughed.....

Chapter 409

I don't know what time it was. Namhla was asleep in her room. I heard someone
shouting outside. I woke up. Probably Lukhanyo? No but it sounded like a woman. I

was so convinced that it was Sbosh. It was just her tendency. I got up and went to the lounge. She banged on the door. God, really? Tonight? Ndizotshisa umntu ka Yesu bonanje. I opened the door. Woman: "rhhaaa, nicimba ningoo bani ninaaa! Ngenxa nine mali nityhala nenze! Khon'ba ndiyasokola!" It wasn't Sbosh. What was she talking about, enye problem is that ukhala ngosokola kodwa unxilile. How does this work. Me: "uthin na wena?" Woman: "ndifun mntanaam! Nawe fana nje nathi qha uqhathwa kuhlala ntofo ntofo MngqunDuu, saph umntanam!!" Me: "nguban mntanakho?" She: "athenkosi sonjicaaaaa!!!" Oh. Lukhanyo bethe mos akana bazali lomtana. I closed the door and went to the bedroom, I called Lukhanyo, it went straight to voicemail, I called Lubabalio, voicemail. Thulani, I doubt he was with them though. Me: "thulani, uhlel noLukhanyo?" Him: "hm.hm..." He was asleep. Me: "okay." He hung up. I heard the door open. This bitch trying me right now. I went to her. Me: "kalok sisi awunofika ngobusuku apha uthethe yonke lento uy'thethayo, bunozwa emini because ulele lomtana and tata lapha nguye oze naye so funek thethe naye." Woman: "ngu tata othen uzoshiya umzi wakhe ahambe ngobusuku? Ndifuna mtanam..." That question beat me to the core shame no lie. Athi was already awake. Me: "uzohamba njani ngobusuku unxilile sisi still uhamba nomtana?" Woman: "nxilanga mnaaa!!! Tseeek!" Me: "buya kusasa uzomlanda, ndim'pakishele izinto zakhe.." Woman: "heeEyy! Sundiphambanisaa!" I dressed Athi in his warm jacket and pants on top of his pajamas. Someone else was shouting outside and a car revving. Good God. 😞_- it was a man. Man: "fondin nton le sokolisayo!!" Woman: "nd'yeza mann!!" I gave him his bag. Me: "ngumamakho lo?" He nodded. Me: "bye bye ke boy." He hugged me briefly. I gave her his uniform and school things.. Woman: "umchazele uzondifumanaphi!" She yelled as she went to the car outside. I don't even know you though. I locked the gate and doors then went to bed. I was really pissed for one. I don't know exactly for what. I couldn't even sleep, I just sat on the bed, like wtf. My door opened, Chumani walked in and climbed on the bed. Me: "awukwaz lala boy?" He shook his head. Chuma: "uphi Athi?" Me: "ugodukile boy..." Chuma: "buya ngomso?" Me: "hayi akazobuya." Chuma: "uphi tata?" Me: "uye msebenzin." Chuma: "buya ngomso naye?" Me: "ewe mntanam, uzohlala notata udlale ngebhola?" Chuma: "ewe, tata yakhaba ibhola ne. " Me: "ewe, yakhaba ibhola, wena yakhaba ibhola?" He nodded. Me: "masilale ke." We lay together and slept...

I woke up early the next morning. It was a saturday. Lukhanyo was laying in bed, asleep. Chuma lay on his chest clicking randomly on his old iPhone. I'm sure he didn't even know what he was doing. Just clicking qha. I showered and wore shorts and Lukhanyo's shirt. I made breakfast and cleaned the house. I took Chuma and Junior, bathed and dressed them. They went to play on the bed next to Lukhanyo

who was covering his head with a pillow. Luks: "baby!!" He moaned. Luks: "khabathathe man bayodlala phandle." I was too busy bathing the babies. Namhla was also getting dressed. I dressed them and put them in their cots with their bottles and toys. They were fed and ready. Kuzobamandi namhlanje. Its daddy day. I went to get dressed. I called Mandy. Me: "peto awubawel siphume and have some lunch out and go shopping?" Mandy: "I'd love that, khame ndenze ready." Me: "sure." I hung up. I wore a summer dress and sandals. Let my hair down, put on minimum make-up and shades. Chuma: "mama, yahamba?" He yelled. Oh shit. Lukhanyo woke up instantly. He stared at me. Luks: "uyaphi?" He growled. Me: "Out babes." Luks: "out phi?" Me: "heee hayi ke lukhanyo." Luks: "awuyindawo tshi." Me: "and why is that?" Luks: "uzand'shiya nabantwana kengoku!?" Me: "don't start acting like you mind.." His famous words! 😊:) me: "mama ka Athi bezom'landa, I tried reaching you but ke your phone was off as usual." Luks: "um'yeka njani athathe umtana lihle." Me: "ngowakhe nje. And she said yayaz zomfumanaphi xa umfuna. Ndimkile." I took the keys and my bag. Me: "namhla ndiyaphuma." Namhla: "coming.." Luks: "lihle!! Come back here." Me: "ungazi kum nje wena?" I got into the Benz with Namhla and left. Namhla: "isn't he mad?" Me: "uzobona ba makathini." Namhla: "okay, drop me off eSummerstrand. Sohlal elwandle with my girls." Me: "sure..." I called Mandy and she suggested we go to Tabu. I liked the sound of that. I dropped Namhla off. Me: "do you need cash?" Namhla: "nah, I'm good mntase. Bye." Me: "sure." I drove straight to the Radisson Blu hotel.. Mandy was sitting at a table, I hugged her and we sat down. Mandy: "yuuuh peto le ndaw ngath ihlala amaxhego." Me: "nonsense. Jonga ayilo xhego eliya." Mandy: "phi?" Me: "jonga nank engena pha..." Our mouths were open. Mandy: "akasmhle..." My phone rang. Me: "kase serious sana bhuti wakho." Mandy: "tshin Lihle, when you married awukwaz uncoma enyi ow?" Me: "its not that....okay umhle ke." We ordered our food. He was standing by the bar. Him: "my name is Lungelo Moni, do you have a reservation for two?" Manager: "yes sir, if you may come this way." Lungelo: "just get it ready, I'll pay for it in the mean time, I need to get my partner." Manager: "sure." The man walked out. Mandy: "Lungelo huh.....yoh! Anyway." She shook herself to reality. Me: "eii mtshana....." Mandy: "Anda and I worked things out...I think uhlala naye and listen to his concerns actually opened my eyes yazi, ndiyamthanda and I don't want to lose him." Me: "I'm happy for you peto yam yazi. Every struggle passes somehow.." Mandy: "nanko my friend our Dream guy for the day." I laughed out loud by mistake. He stared at us, no smile...as he walked past talking to his partner, they sat at their table. Mandy: "hhahaaha! Uzokukhaba ubhut Lungsta sana uy'bonile la look." Me: "nguwe lo und'hlekisayo. Dream guy? Pleasee....my dream guy is Drake." Mandy: "yaxoka ngu Ta Luks, noba ungena nasema

If I didn't know any better ben'zothi li gintsana elithile." Me: "hahaaa. He's just naturally like that, akathand qhelwa." We drank our cocktails and had a lovely chat. Mandy: "intle le ndawo I wanted something like this." Me: "ne? Kodwa it'll take time, worse ba you're busy with work, I'll be at school. Even though sizoesha bantu." Mandy: "let's start small, senze events ezincinci wethu..." Me: "okay that's a good idea." Mandy: "how are the kids?" Me: "mandy ndiske ndastresseka man. Worse ezi ziy2 zinkulu. Aba stout man. Me: "I guess." Our food came and we started eating. Mandy: "uthin uLukhanyo?" Me: "he wasn't around, I told him ufika kwakhe, waske wand'buza ndimyekelen ahambe nomtana." Mandy: "heee, bek'funek uthin. Kanye maybe he's still shocked." Me: "I suppose." She stopped eating and looked at me. Mandy: "what's wrong?" Me: "nothing, heeee. Imandi lento ndiy'tyayo." Mandy: "lihle...." I sighed. Me: "he spends most of his time out. With his friends andishiye mna nabantwana. I can't cope anymore, I am really just tired. Ndiyabawel nam uphum'zwa ngamanye amaxesha. Can you believe ndiqibele nin ubane decent conversation naye. Today is saturday, for sure zophinda hambe." Mandy: "oh hayi kodwa mtshana. Maybe he thinks you can handle it. Do you tell him ba udiniwe?" Does he even have time to listen to that! We usually sit with each other and talk...but ngoku ingathi akasakhathali." Mandy: "Lukhanyo umncinci peto...he wasn't done having fun when ya'll got married. Maybe usonwabile yena akabon nto irongo. Akho nomnye kwi friends zakhe I'm sure otshatileyo. So naye ke usabambe apho." Me: "then its time he got new friends. Ayikho le." Mandy: "ei kodwa tshomi." I had already lost my appetite. Me: "I should go visit my dad...ndiyam'khumbula yazi." I pushed the plate away. Mandy: "hmm, daddy's baby. Ungand'shiyi ke my friend. Uyandiqiba latata." I laughed again. Me: "yawathanda ama ow amahle wena, qha uyawoyika." Mandy: "ewe alok, I'm committed to one only." Me: "uryt lovey.." I drank my cocktail and ordered another. Mandy: "soya elwandle....maybe take a walk. Ndiqibele kdala. Didn't go this festive." Me: "okay..." Lubabalo walked in. Me: "heeeee, uqond'ba uzothumelisa umntu azond'landa kengok.." Lubb: "hey...." he sat

down with us. Mandy: "hello Lukhanyo." Lubb: "hey..." She looked at me nervously. Me: "nguLubabalo lona." Mandy: "ohh!" Lubb: "uthi uLukhanyo umshiye nabantwana and you went drinking." Me: "akaphamben ubaby." Lubb: "andihlelanga, just came to check on ya'll." He looked at the bar. Lubb: "Jesus Christ, doesn't this person have anything better to do." Mandy: "uban? ULungelo?" Lubb: "ohh....I see this, nizohlala nooLungelo eTabu??" Me: "asihlelanga naye. We don't even know him." He took out his phone and dialed for his brother. Lubb: "bahlel nalentwana apha." Me: "I hope uyavuya Lubabalo." I took my bag and got up. Lubb: "nganton ngok?!" Me: "you know Lukhanyo unjan! He will throw an unnecessary tantrum!" Lubb: "he won't. Why are you moody na?" Me: "masambe Mandy." I paid the bill. Lungelo stared at Lubabalo. Lungelo: "its like everywhere you go, Drama is your best friend." Lubb: "who the hell invited you??" Lungelo smiled and walked out. Lubb: "lihle." Me: "he's right, drama yinto engathi ilandelana nawe these days." I walked to my car. Mandy drove after me. Lukhanyo sent a message: 'don't forget to give him our account number. Nothing for free..' I didn't find it funny at all. Even though I knew it was meant as a joke, since the last time zasidlala...

Lungelo sat in the lounge with Zintle. Buhle was on his lap, sleeping like a little turtle. Khaya walked out the shower to get dressed. Lungelo: "Khaya, uphi uThando?" Khaya: "he said something about some girl ayombona...andaz. Kodwa he'll be back this morning." Lungelo: "iphi eyakho wena icherrie." Khaya: "Heeee ubhuti." He blushed. Lungelo: "ndabuza fondin." Khaya: "and'nayo bhuti." Zintle: "une crush on his best friend, girl called Tammy." Lungelo: "oh? Then what's the problem?" Khaya: "I have to go to work." Lungelo: "the restaurant can wait, uthi ithini le chick?" Khaya: "khayeke man bhuti man." He took his bag. Lungelo: "fane wand'baleka." Khaya: "ndiphumile." He kissed Buhle and walked out. Zintle: "he's shy hey..." Lungelo: "ndambona.....kuthen uhlelel kude nje." She sat next to him and lay her head on his shoulder. Lungelo: "I'm beginning to think. Tata ka Buhle has a serious problem with me. Akandithandi tuu. Everytime I bump into him he makes a scene." Zintle: "baby, ungabom'hoya tu Lubabalo. That's so him. Ufuna nje ubenomsindo azok'xela kqala." Lungelo: "he disrespected my restaurant, oko ndifuman complaints izolo. I can't deal with someone that's going to tarnish my careers ke mna, uryt angalwa nam just don't touch my family and work." Zintle: "sorry love...I hope you didn't give him the satisfaction." Lungelo: "nahh baby. People like him, I work with on daily basis. Never argue with a fool, he'll simply drag you down to his level and beat you with experience. Then people that are watching won't be able to tell the difference.

Sibeziz'denge sobabini." Zintle: "you're soo adorable yazi.." Lungelo: "nyani..." He kissed her lips.. Lungelo: "but you're beautiful..." Zintle: "really?" She kissed him back...passionately. She was letting go. Slowly... Zintle: "let me put her to bed?" She got up and took Buhle to bed. She sat next to Lungelo. He was watching tv. Zintle: "I want to tell you something..." Lungelo: "okay." She didn't know where to begin. Lungelo: "khululeka sthandwa sam..." He held her hand. Zintle: "I...." She swallowed. He waited patiently. Zintle: "I was dating Lubabalo mos ne...." Lungelo: "yes." Zintle: "he had a whole bunch of friends...they liked throwing parties a lot. So we were invited with my friends every now and again. I somehow, find out that Lubabalo was cheating on me, but ndithule ndingathethi. He hated uthukiselwa. So I kept my cool. He left, for business. The friends threw a party, my friends, begged me to come. Ndiye ke nyani. We had a few drinks, until I said ndiya hamba. His friend Vic, gave me a drink...nday'sela. I got quite dizzy ndayohlal eroomin." He breathed slowly. Zintle: "this guy I go to school with, angene. Followed by another ophethe camera.....he recorded the whole thing." She cried. Lungelo: "what whole thing zintle." Zintle: "he raped me lungelo." Lungelo buried his face in his hands... Zintle: "and then balandela nabanye..." She was shaking, wiping her face. I lost consciousness when they left. Ndavuka esbhedlele when Losta told me what had happened." She swallowed. Lungelo: "lubabalo yayaz lento?" Zintle: "well, they lied to him. Told him I had cheated on him. Zange afune ukuva, he threw me out the house. Sisandophinda sidibane. He saw Buhle...we went to test for Dna....and yeah....uqala uchazelwa ngok, that's probably why he's acting like this." He hugged her... Lungelo: "celu xolo baby..I am so sorry. Awuy'deserve yonke lento. I want you to be comfortable. Don't be afraid of telling me anything." Zintle: "that's why I'm just soo.....nam ndifuna ufana nabanye abantwana. I want to be free." Lungelo: "we not rushing for anything Zintle, we'll take it as slow as possible, I'm not going anywhere. You're amazing, stop uz'jongela phantsi. Ndiyak'thanda mna and I don't want you to change." He wiped her tears. Lungelo: "until you ready va?" Zintle: "thanks..." There was a knock on the door. Zintle got up to open. Lubabalo walked in. Lubb: "molweni." Lungelo just looked at him. Lubb: "I was hoping to find you here." Lungelo: "Why?" Lubb: "I know you're not my fan. And I'm not your air conditioner either. But there's something I wanna say." Lungelo: "ndimamele." Lubb: "I apologize. I acted like an idiot, and bendi wrong. I should respect your acquaintance with Zintle, whether you're her friend, boyfriend or whatever. You'll be part of my child's life and I can't be acting bitchy around her uzoba confused." He breathed. Lubb: "so from now on, I'm gonn be chill with you. I'm not your friend though, cuz I still don't like you but I guess the best man won. She's my first born's mother and ndiyamthanda fethu. Please take care of

her...or you'll have me to answer to." Lungelo laughed. Lubb: "I guess that's it. Where's my little dot?" Zintle: "asleep." Lubb: "okay, give her a kiss for me." He walked out to his car.. Lungelo: "he's up to something." Zintle: "What? He was just apologizing." Lungelo: "baby, he hates my guts. I'm telling you.. I know his type, uzofuna ndibe relaxed then boom! Enze something when I least expect it." Zintle: "give him a break." Lungelo: "I will babes, ndizo relaxer ndimnike lento ay'funayo. When he strikes and I crumble, I just hope you remember my words. He is dangerous." Zintle: "okay kalok baby, should I make dinner.?" Lungelo: "nah hun, ndicela uk'phekela ngokwam tonight...let's go to Spar first." Zintle: "mmh...I wonder." She took Buhle, and her blanket, she was still asleep and they walked to his Jaguar....

Lubabalo got to Lukhanyo's house. Lubb: "wassup nigga." Luks: "bayangxola abantwana fethu. Rhaaaa, ntloko iyatsho!" Lubb: "uzoyeka uzalisa nawe." Lubabalo picked Lutha up. Luks: "why would even think of doing that?" Lubb: "because I am a clever azz bastard. Ndiyadika." Luks: "just tell me why." Lubb: "because Lukhanyo. I know if I apologize, he will think I'm just pulling a front. Therefore, uzocimba I'm out to get him...atatazele." Luks: "why are even bothering Lungelo?" Lubb: "because I wanna play with him. Zintle will thank me and say I'm being a sweetheart, that'll make him mad." Luks: "you are so confusing. And stupid. Ungaske ufocuse kumntanakho nje? Uyekane noZintle. Lubb: "ndizohamba noLutha, khonto uy'funayo?" Luks: "custard and some apricot jam. I wanna make malva pudding." Lubb: "eish if you weren't married ngendihlala nawe bonanje..pheke everyday." Luks: "khahaambeeveee!" Lubby put Lutha in Buhle's car seat. Lubb: "mayide ifike motwam man.". He drove to the nearest shop and bought his grapes, juice, jam and custard. He was carrying Lutha in his arm pushing a trolley with another. He chatted to him about random things. The baby held his collar and

chewed on it. Lubb: "you know boy, ingathi akhomntu undivayo. Kanye noba ndim lo ngakwaz uz'explainer. Usezofika k'le situation yam bonanje one day, maybe if luckily I'm still alive we'll talk about it ndik'balisele...okwangoku akhomntu who's actually paying attention all they seem to do is tell me what I HAVE to do. And I hate that." Lutha growled. Lubb: "you agree ne? Tshi! Its like I'm in love, and I can't let this go. Ndiyazama boy, everytime I get to that 'fuck it' point, ndiske ndijike. Andizaz ndibuyiswa yinton." A woman looked at them confused. She smiled. Lubby paid her no attention. Lubb: "so, I think maybe I should just give up. If she wanted me, she wouldn't be with him. Nam I played too much, I lost. I'm still feeling grumpy but funekile ndiz'cenge...to be able to take care of my unborn." Lutha was grunting, nibbling his shirt. Lubabalo paid and they walked to the car. Lubb: "boy, uyasinda maan." He put him in the seat and buckled him. They drove back home. Lukhanyo was cooking already. Luhle in her baby carrier on his chest. Chuma and Junior were screaming in the lounge, playing with trucks and cars. Lubb: "Thulani bethe he's moving to his place namhlanje." Luks: "yeah, ncediswa ngu Anda, I can't because of my pack of wolves, that are screamingg!!!!!!" He yelled. Luks: "PLEASE be quiet!!" Lubb: "hahaahaa! Aww kumand bangu tata ne?" Luks: "into endixakayo they're never this loud xa kukho Lihle." Lubb: "li olady alok yal'faka iswazi. Usanyabile wena." Chuma: ""junniioorr!!!!" He screamed. Luks: "Chumani mAan!!" Chuma: "Hay tata!! Drew thatha traka yaaaaam!" He screamed jumping up and down. Luks: "calm the hell down!" He growled. Luhle started crying. Luks: "fuck this. I'm out. Lubabalo, they're yours..." He undid Luhle and placed her next to her uncle. Lubb: "bhuti, take care of your pack of wolves. Call Lihle." Lukhanyo called his wife. Voicemail. Luks: "you see now, I'm gonna throw a fucking fit!! Uy'cimelani phone!" Lubb: "you're scaring the kids lukhanyo." Luks: "these kids are spoilt. They need to sit down and watch some Spongebob or something!" He was panicking. Lubb: "dude, mkhangele ke..if her phone is off." Luks: "she left the damn watch behind!" Lubb: "and your car?" Luks: "lubabalo undistressa more and more! Keep quiet nawe." Lubb: "iyatsha imbiza." Lukhanyo went to switch off the stove. Lubb: "so we're not having malva pudding." Luks: "if anyone deserves malva pudding in this house, its me!" He dialed for Ta Smig. Went straight to voicemail. Lukhanyo looked around the house for headache pills. Lubb: "errh....sorry to disturb you but Luhle needs to be changed." Lukhanyo groaned in frustration. Lubb: "never mind." Lubabalo changed the baby's diaper and Lutha's. Lubb: "wooooooooooh! Booy!" He pegged his noise. Lubb: "its like you ate a dead skunk and now it has come back to life." Lutha was giggling happily. Lubb: "suhleka kwedin." They threw the diaper away. Luks: "dude." Lubb: "why do you look hopeless." Lukhanyo was sitting in the couch weakly and tired. Luks: "I am sooo tired.

Fuck." Chuma: "xela ku mama yathuka." Luks: "uxelelwe nguban wena ba ndiyathuka." Chuma: "xela ku mamam." Luks: "mxm." Lubb: "I'm sorry bra, but I have to go." Luks: "hayi lubabalo uyaphi!" Lubb: "I have to go to Liya, then ndihamba noLosta. Siye Gondwana's" Luks: "uzand'shiya kengok??" Lubb: "ewe..you got kids.." Luks: "but lubabalo you're supposed to help me though.." Lubb: "zange ndik'ncedisa kwangok wawubenza boet. Uzoqina." He got up and took his keys. Lubb: "call you ksasa, sisayo tjukuja thina noLihle." He giggled. Lukhanyo had a serious face on. He was really mad. Lubabalo walked to the car and drove off.....

He got to Liya's house and called her. Lubb: "cela uphume ndilapha phandle." She: "ubuxelele ban ba uyeza?" Lubb: "ndikucela kakuhle Liya ne. Andiyonqen ungena kokwenu." Liya: "ok." He hung up and waited.. She didn't come out. 10 minutes later. Lubb: "yathand und'tester ne?" Liya: "you didn't even ask me ndenza nton, all of a sudden mandiphume." Lubb: "ndiyak'cela Again." She hung up. He opened the door of the car and stepped out. Slamming the door again, he walked to her house. She came outside. Lubb: "bufuna ndizok'krumba?" Liya: "bendipheka." Lubb: "ubungatsho nje." Liya: "what do you want?" Lubb: "I want to apologize for the past few days I been acting weird, sorry ngongathethi nawe. Kodwa what you did was mean, it was cruel, but ke idlulile. I want us to focus on the future..." Liya:"oh." Lubb: "I think we need to wait some more before sitshate. I'm sure your mom won't allow you to move in with me but I'll take care of our baby, uqhubekeke neskolo wena." Liya: "I thought I told you I didn't want to have a child out of wedlock." Lubb: "but you got pregnant out of wedlock. Same shit...listen to me, ndi committed kuwe and our child okay? We are just not marriage ready. It takes a whole lot of strength for that step and mna shame I'm too stupid and ridiculous to be a husband." Liya: "why did you propose to me if awufun tshata?" Lubb: "liya....baby....sund'buza into endingakwaz uy'phendula." Liya: "honestly?" Lubb: "I thought it would be easy, okay? I was mainly focused on being happy ndingay'qondi ba its difficult at times, uayaz nawe ndine problem yothetha. I can't communicate. That's the problem that makes us fight oko." Liya: "okay Lubabalo. I hear you." Lubb: "come here." He hugged her. Lubb: "we'll get through at least another year ne...then we'll decide. Ndizofuneka ndithetha nabazali bakho. They hate me already, ndayaz for sure ngok they'll just kill me." Liya: "okay lubabalo." Lubb: "yinton ngok baby." Liya: "it just hurts to know that I'm second best." Lubb: "hay man baby, you're second best xabekutheni ngok?" Liya: "like you said mos Lubby, you'll always love her more, mna I'm the spare because she doesn't want you." She sobbed. Liya: "I'll always be the 'other girl'.." Lubb: "liya suthetha ol'hlobo." Liya: "isn't it true though?" She sniffed. Liya: "yinyani mos lubabalo. I'm as good as single and pregnant. You and your big promises and demands. Now I'm left with the scraps

wena wonwabele uBest of both. You made go through shit, you made me do things I have never done in my life just to please you. And still, still isenguyeye obalekela kuye." She pulled away from him, he held her tightly. Lubb: "but baby, I'm not letting you go mna." Liya: "no lubabalo, she's the one you're not letting go. Funeke mna ngok, after being here for you, loving and caring ndiphinde ndiz'chole phantsi and move on because the King has changed his mind again. I'm tired trying to please you. Kuthen xa uz'bona ba awufunwa ubalekela kum? No man." Lubb: "baby its not like that." Liya's mother walked out the house. Ma: "wh'ts goin on here!" Liya: "mama please. Stay out of this." Lubabalo let go of her. She stood next to him, holding arms around herself. Ma: "andizoyenza ke leyo. Ambongena endlin. I wanna have a word with this man." Liya went inside the house. Ma: "yazi kudala ndik'nyamezele. But now its just too much. Why ungam'yeki xa ungam'funi?" Lubb: "mama, ndiyamthanda uLiya." Ma: "then kuthen umphethe ol'hlobo? Why is she always crying?" Lubb: "we just had a disagreement." Ma: "that's not what she told me, uthi ubuyele kumama womtanakho. After yonke lento umenza yona. You disrespect me, her father, her body. You make her disobey me, she leaves abuye nge ngomso, you make her pregnant and then ubuya umva ngok. Awusam'funi because uqibile um'mosha." He kept quiet and listened. Ma: "I was starting to let the idea of you grow on me because I want to see her happy. Kanye when I start to accept you, you prove my instinct right. Umdala. You are more experienced. Lomtana uyakuthanda and you are going to hurt her and this baby kabuhlungu. I suggest le disagreement reaches its final stage wenze ebonakalayo. Either you leave her alone. Or make things right. Not le ndlalo uyenzayo." She turned and walked away. He didn't know whether to leave or stay. So he sat on top of the car and waited. A message came through on his phone: "Leave." He replied: "I'm going nowhere." Liya: "lubabalo, I can't talk to you right now, mom's lecturing me." Lubb: "what for?" Liya: "could you just please go?" He got in the car and drove off to Lonwabo.

Losta was in his pajamas laying in the couch watching tv. Lubabalo walked in. Lubb: "yo bruu. Get ready." Losta: "Man, tonight gonn be tight, I'm telling you." Lubb: "soqala ku Thulz, pre-drinks at his new place." Lonwabo went to bath. Phila walked in. Lubabalo was on the couch drinking juice. Phila: "sho fethu." Lubb: "w'sup..." Phila: "nothin." He didn't know whether it was Lubabalo or Lukhanyo. But judging from his comfortability he guessed it was Lubby. Lukhanyo was too tense. Always. Phila: "uphi uLuks?" Lubb: "home with the kids, wife went awol." Phila: "awol? How?" Lubb: "andaz wethu, she went to have fun." Phila: "I'm sure yavutha k'le ndawo ahlel kuyo uLuks." Lubb: "yuuuh. How's the new babe." Phila: "wow she is soo amazing. Ndlela zonke. Uyandonwabisa man lamtana." Lubb: "okay....stop right there,

Yazi if I have a head for that department it would run more smoothly and make more money. Now I have to pay for other people to part time pha, don't you want to take over?" Phila: "I don't want to work for you sir, you are very mean." Lubb: "I'm a nice boss tshi, and in any case, you'll be in charge of elacala lakho. I'll quadruple whatever they're paying you k'le company." It was a tempting offer. Phila: "no thanks." Lubb: "I'll get you an uptown apartment, your own M-class. Please?" Phila: "its tempting, but I'm done with cape town. Ndifuna ubalapha. I enjoy it here." Lubb: "kay then. If you're unhappy the offer still stands." Lonwabo walked out looking fresh. Losta: "let's go. The gay guy(Tham-Tham.) and his friend went to a table. A bottle of Sky and 2 carrypacks of Hunters Gold, Cranberry juice and ice. Tham-tham: "mtshana ayise colorful la tafile. Tham-tham: "oh myy chocolate!" He kissed her cheek and they drank. The guys had went straight to Lubby's house and chilled....

I arrived home late that evening, it had been a great day. After the early lunch, we had gone to the beach, then went home and watched some tv while chatting and drinking wine. It was now 23:35. Lukhanyo was probably in flames. So I tip toed into the house abit tipsy and undressed in my bedroom. I knew he was awake. He was laying in bed with Chuma and Junior. I had no space, somehow I felt kind of guilty because of leaving. I decided to crash in the other room. As I silently walked out...

Luks: "lixesha lobuya eli?" Me: "I was at-" Luks: "I don't care. Ndiyabuza ba lixesha for umfazi onabantwana ba makabuye eli??" Me: "but you do it all the damn time kuthen izoba yingxaki ngok?" Luks: "you compare yourself to ME? Mna lihle?? Are you being fucking real?!!" Me: "oh? All of a sudden yi issue ngok?" He got out of bed and walked to me dragging my arm to the lounge. He pushed me to the couch. Luks: "Lithembelihle. Don't fucking Try me. Uvelaphi!" Me: "ku Mandy." Luks: "ngel'xeesha!!" Me: "we were watching a movie and lost track of time." Luks: "uyaxoka! Nguban le ndoda ben'hlel nayo eTabu?" Me: "I don't know him." he held my chest. Luks: "don't. Lie. To. Me. I swear you'll regret it." He hissed. I was beyond scared, ndizothi ndimazelaphi ke? I can't even remember his name, lungile lu-something. Me: "baby I swear, ebeme kude lamntu kuthi lubabalo was playing." He let go of my pajama top. Luks: "andaz noba ucimba ndisi sdenge sakho. Y-you leave this house, the kids. Uyohlala namadoda mini yonke noboku bayo! Ubuye unxilile qiba kwakho! You left that watch on fucking purpose bufuna ndingak'fumani!" Me: "I forgot.." Luks: "ngu mngqundu lowo! Forgot nton? How do you forget you have a bloody husband and kids!! Why the fuck was your phone off! Ungak'linge uxoke nge battery!!!" Me: "khandiy'jonge baby I forgot to-" I felt his hand crushing my neck. I was choking. Luks: "you tell him...that I will find him. And when I do. I will fucking Kill him." He threw me back and walked to the bedroom. I just wanted to scream, back to square 1 I guess. The beast, Lukhanyo was in the beginning slowly started creeping in. How could I have been so stupid to think he had changed. He will never change. That's who he is and always will be. I felt tears threatening my eyes, I just couldn't let them fall, I had to be strong. For myself. I wonder ujikwe yinton man. He was so perfect...what happened? No, WHO happened? I picked myself up and walked to the other bedroom. The twins were with him too. He was punishing me for something HE does too. I must sit here all day and suffer while he has fun. Kanti bendingxamelen utshata lomntu? This wasn't in the term and conditions. Oh wait, who reads that? 😊_- I crawled into bed and covered myself to sleep. My throat hurt a little. In the midst of light sleep I was hearing voices. They were singing. Then it went silent. He walked to me and held my hand. "Ndiyakukhumbula paroza wam." I smiled at him....I wanted to hug him just as I pulled him closer he disappeared. Me:

"no.... Xolani!!!" I cried. Me: "Xolllaaanni!!!" I jumped up from the sleep. I was dreaming. It was just a dream. I slid back in back with tears. Lukhanyo kodwa killed Xolani. Even though it was indirect. He killed Sino too. Even though I helped. Truth is. He is a murderer. And so am I. I started crying. I was disgusted with myself but there was no turning back.....

The next morning, I woke up hearing music. Lukhanyo was already awake. I doubt he slept and I know for a fact akayi ndawo uzohlala apha and make me uncomfortable as hell. I got up and went to brush my teeth, washed my face and showered. I went to the kitchen. Me: "molo." He didn't reply just carried on cooking Sunday lunch. It smelt like heaven. I was hungry as hell. He hummed a tune and stirred the pots. He closed it and made salad. Chuma and Junior were in the back yard playing. The babies were on Tummy Time.(Laying on their tummies, practicing their crawling) I sat down with them trying to help Luhle balance her hands. Namhla walked in. Namhla: "Molwweenniiii!" Me: "hey." She sat on the couch. Me: "uvelaphi?" Namhla: "well, after the beach Thulz uye wazond'landa elwandle, went home with him...wena?" Lukhanyo grunted: "HM." Me: "bendihleli noMandy, we went to her place and watched her series and stuff." Namhla: "ukhona kanene.." I didn't know what else to say or do. I felt so useless. Me: "ndiphethwe yintloko, I'm going to lay down with the babies yeva..." I took Luhle first and came back for Lutha, we lay in bed for a while....

Thenjiwe(lihle's mom) woke up on Sunday morning and bathed. Jeff was still asleep. She got dressed and brushed her hair. He woke up just as she got done. Jeff: "babes...uyaphi na." Thenji: "caweni." Jeff: "can I drop you?" Thenji: "I'll walk, enkosi. Ndikwenzel nto yokutya?" Jeff: "nah love, ndizoz'lungiselela." She took her bag. Thenji: "ndimnkile ke." Jeff: "kodwa Thenjiwe awunohamba uqumbile, what did I do wrong?" She took her Bible and hymn book. Thenji: "stixo usishiye phants kwe pot plant xa uhamba." He got out of bed and held her arm. Jeff: "honey?" He pulled his cute face. Thenji: "yintoni jeffrey!" Jeff got dressed. Jeff: "ndikwenzeni. Oko uqumbile since ndifikile izolo, what, are you changing your mind about us?" Thenji: "mhlawmbi." Jeff: "haibo, for nton? Did I do something wrong na? Don't I make you happy?" Thenji: "ndik'bonile Jeffrey!!" Jeff: "undibone PHI thenjiwe?" Thenji: "ubuhamba nomnye umntana onxibe uniform yeskolo, you dropped her eBustop wamnika imali, wahlika emotweni yakho. You're having sex with young girls! Uxoke kum uthi you can't see me because of 'business that needs to be taken care of.' Umdala and you dirty! How could I even begin to trust ixoki elifana nawe!" He laughed. Thenji: "uphume endlini yam Jeff, don't you ever come back here!" Jeff: "okay, ndizohamba, just wait." He took out his phone. Jeff: "lomtana unxibe uniform yaphi?" Thenji: "collegiate! Andikhathalele! Andimaz! And I don't care!!" He dialed a number.

He put it on loudspeaker, Jeff: "bhuti..." Phindile: "molo Jeff, kunjan." Jeff: "ndiyaphila. Quick question. Umntanakho ufunda phi?" Phindile: "uqale nin ungayaz uMelisa ufunda eCollegiate kodwa buyomlana eskolwen ngolwes'hlanu?" Jeff: "nah, umfaz wam unomsindo apha uthi ndinomtana omncinci." Phindile: "unomfazi phi wena?" Jeff: "haha...mxm." He hung up. Jeff: "please take that back?" Thenji: "khandiyazi." Jeff: "which is why sthandwa sam.....funeke uthethe nam. So that sivane, ungaqumbi ude udubule like you just did...but nam I should have told you, thought it wasn't important mna cuz when my brother isn't around ndiyam'landa." Thenji: "uxolo...I didn't kno-" Jeff: "shhh...you said I was a dirty ol' man...." He bit his lips..pulling her closer, dropping her bag. He kissed her lips. Thenji: "hayi, I haven't gone to church oko eqalile unyaka. Ndizobuya after 12." Jeff: "iza ndik'khaphe." Thenji: "ha.a...its fine." Jeff: "you're ashamed of me ne?" Thenji: "hayi, ayilonto. Masambe ke." He picked up her bag and they walked out locking the house. He held her hand as they strolled to church. Her neighbors were looking out the window clapping once. Thenji: "wena uya nin ecawen?" Jeff: "hayi baby, hayi." Thenji: "yintoni?"

Jeff: "I'm not ready for church. Ndizokwenzela nje lunch emandi." Thenji: "noba wenzani na, unga tshisi ndlu yam please." Jeff: "ndifuna yohlala nam." Thenji: "that is not happening." They reached the church. Jeff: "ndiyajika ke apha, angandibon umfundisi and make me guilty." Thenji: "okay, bye." Jeff: "unentloni zikabani?" Thenji: "Jeffrey we are elders, asinobe si act njenga bantwana estratwen." Jeff: "okay. Fine. Und'beke va" thenji: "izoz'beka ngokwakho." She walked inside turning back to look at him. He blew her a kiss and walked back to her house.

Lubabalo was in bed. All his friends had left in the earliest hours. He couldn't sleep all he did was think. Lubb: "Dear God..." He sighed and got out of bed. He locked his door and went back to kneel next to his bed, his placed his hands together, closing his eyes. Lubb: "I know I've been neglecting my faith, always convincing myself I aint got time. But from time to time I guess I've got to make time. I apologize and for the fact that I only speak when I'm going through a rough patch. I know You can help. I don't even know what to do with myself. Tell me how do you have faith in something you can't even see? How much should I believe. I know I shouldn't doubt you...and I don't. I'm just not sure if you recognize me as Yours no more. Everyone out here is driving me crazy and my petrol tank is on empty right now. I can't do it anymore. The faith and hope I have isn't enough for me. I'm losing myself, I need You to find me!" He was crying... Lubb: "help me accept things I can't change, I'm tryna work out my life, I need help. I'm grateful for the blessing that is my daughter..I know its never going to be too late to show her I can be the best father. I pray you protect my unborn

child too..sometimes I just think I'm above everything....I dream bigger than I actually am. Is you feeling me? At times I look at my brother, my friends and see that I'm no match for them. They're better than I could ever be. I sometimes wish I'd died in that car crash. Why did I survive? But I guess You're trying to turn me into a blessing from a burden. If not for myself, for my child...." He held on to his sheets, his hands were shaking... Lubb: "amen." He got up and went back into bed....

Chapter 412

I woke up hours later. Where were my kids? I got up and walked to the lounge. They were having lunch by the table. I simply lost my appetite in seconds. I don't know why. I turned and went to the bathroom I felt sick to the stomach, nditheni na...kneeling down next to the toilet seat I threw up. Again and again and again. Until I couldn't breath. I was choking, something was blocking my airway I had to stand up. I stood and washed my mouth while flushing the toilet. I just needed sleep. Ndiske ndatyafa. I wiped my mouth Lukhanyo came in. Luks: "yinton ngok?" Me: "nothing." Luks: "you're throwing up." Me: "I know." Luks: "so awuzond'xelela why." Me: "its just a stomach bug lukhanyo." I walked out the bathroom he grabbed my arm. Luks: "UTHENI?" Me: "I told you akhonto. Please let me be, I wanna lay down." Luks: "kunin ulele?" Me: "ufuna ndithin ndijongane nawe? Bungathethi nam mos." I snatched my arm back from him. Walked to the bedroom and closed the door behind me. I was tempted to lock but then again, it would be another issue. I started having cramps. They were pressing more and more. I took out pain killers and drank two. Lukhanyo swung the door open. Luks: "what the hell are you doing?" Me: "nalapha ufuna ubakho! Could you just GO! Its what you do mos, hamba ke!" Luks: "lihle, don't be crazy apha." I went under the covers, still being cold and shivering I was really feeling sick. My whole body was weak. Lukhanyo pulled back the covers. Luks: "ugodola njan kushushu wombethe ingubo?" Me: "mxm." He stormed out my room grumbling "nxila ude ungaz'kwaz phinde kuthwe ndim owrongo. Ndazelaphi butyiswa nton k'le ndaw kuyo mna." He dialed a number, I heard him talk on the phone. "Lubabalo, khancede uzapha endlin." Lubb: "what's wrong?" Lukhanyo hung up. The cramps still persisted...were my periods coming? Why ndisiva kabhlungu kangak? Maybe the pain killers were going to work soon. I tried my best to sleep. Instead I lay awake and tried to think...what would make me happy right now. I was so scared to think of someone Lukhanyo might catch me. Andingombe. Seeing him in my dream really touched me. Why does he always arrive when shit hits the fan? Whenever I'm sad.....whenever Lukhanyo starts acting up. Its what he had said

though...he'd always be there for me. Even after ndaphaphela uLukhanyo ndam'shiya umtanabantu. That was a stupid decision. No, sleeping with him without a condom was a stupid decision. I was stupid to not knowing, I could've gotten pregnant sisaqala. Kanti ndandifundiswa nton eskolweni? Mama wasted her cash because ndandi DOM. Someone walked in. Great, the other Him. Kodwa bethuna why didn't he- Lubb: "hey.." He whispered. I pretended to be asleep. Lubb: "I got you some prawns. And other sea creatures that you might like. Jonga le ngathi linyaw le gusha." I wanted to laugh, Lubabalo is an idiot yazi. Lubb: "utheni na? Wake up.." He shook my shoulder. I turned to look at him. My whole body quivered. Of course I knew he looked exactly like Lukhanyo. Well DUH. But was it necessary. It confused me today. Kukho lo uVulgar kubekho lo usweet. Me: "hi." Lubb: "theni apha?" He held my face up. I pushed his hand away. Me: "vuke ndinje. Excuse me.". I walked quickly to the bathroom and threw up again...it was disgustingly green. Sies man. I flushed and washed my mouth then walked to the bedroom. Lubb: "you're....." Me: "nah...I'm on a contraceptive remember." Lubb: "it could've chipped off...mistakes happen." Me: "I don't have the stomach for seafood. Thanks though.." Lubb: "what happened Lihle?" Me: "nothing happened." Lukhanyo walked in to open the cupboard, he took out his track suit pants and got dressed. Yahamba again. Lubb: "sum'hoya uLukhanyo, thetha nam." Me: "can I just get some rest?" I covered my head with the blanket and slept.

Luks: "yambona ke sani? I don't know ndithin ke mna." They stood in the lounge. Luks: "she comes back here ngoo to 12. Uvelaphii? Enxilile? She knows I hate it when her phone is off, ushiya ne watch I have no way of tracking bana uphi. Of course I was bloody mad! And then she says I do it all the time mos what's the big deal. She knows the risks ak'suba kayaz!" Lubb: "isn't she....pregnant again?" Luks: "she's not talking to me. Andaz ufuna ndide ndithin." Lubb: "bendizothi myeke, but she seems like uyagula nyan...so maybe if you talk her to going to hospital." Lukhanyo walked to the bedroom again. Luks: "babes?" OH we back to 'babes' ngok? Luks: "can you try and get up? Siye kwa gqirha." Me: "ndine nyongo lukhanyo.. I just need yeza eChemist qha." Luks: "ok ndiyabuya ngok ke va?" I didn't reply. He got up and drove to town looking for a chemist. Lubabalo was with the kids in the lounge. Chuma: "Tadddy..." He screamed. Lubb: "boi, can you talk without screaming?" Chuma: "yes." Lubb: "good. Ithi Yes tata. Andiyo friend yakho." Chuma: "ewe tata." Lubb: "uphi utatakho?" Chuma: "hambile." Lubb: "ndingubani mna?" Chuma: "tata." Lubb: "kengok uph utatakho?" Chuma: "mkile." Lubb: "nguban lu hambileyo?" Chuma: "tata wam." Lubb: "mna andingo tata wakho?" Chuma giggled slid from his arms. Lubb: "izapha junior mtshanam." Junior: "HAYI!!!" He ran to the other side. Lubb: "EI! Zapha kwedin!" Junior:: "nope." Lubb: "bought you a truck, guess you don't want it

then." He came running and jumped on him. Lubb: "nahh get off of me." Chuma joined the wrestle screaming. Chuma: "TATA!!!!" Lubb: "yooooohh!" Chuma: "khandiphe...." Lubb: "don't scream qala..." He pouted his lips. Lubb: "mwah." Chuma: "mbaah." Lubb: "junior...iza." Junior: "mwwah. Iph traka yam?" Lubb: "at my house..you gonna go fetch?" Junior: "gonna drive da car?" Lubb: "can you drive?" Chuma: "ewe!" Lubb: "uthi ewe nton?" Chuma: "Mamaaa!" He yelled. Lubb:"yeyes you can freakin scream. Ngathi uyicherri." Chuma: "hayii tata!" He sulked. Lubb: "zovusa mama no thando ke. Ulala nini wena." Chuma: "lala nawe." Lubb: "phi kalok? Zohamba nam?" Chuma: "ewe tata." Lubb: "okay." Chuma heard the car enter the garage. Chuma: "yeza tata!!" He jumped off the couch and ran. Luks: "my booooy!" He swept him up. Luks: "nd'zok'sa kwa Gqirha wena." Chuma: "ha.a tata." Luks: "you need to calm down mntanam, you're too energetic." He walked in the house and put him down. Luks: "hlala pha ulinde, ndiyeza." He went to the bedroom with a glass of juice and a slice of bread.. Luks: "baby, get up and have some of this." I got up, ate the bread and drank the juice. Luks: "how do you feel?" Me: "its only been a few seconds." Luks: "uzoba right, kuthwa it works the quickest." I heard his voice. It sounded like he wanted to apologize. Luks: "lihle, buhlel naban izolo?" Me: "I'm not gonn do this with you again." Luks: "babes, you can't just up and leave like that, look I know you're young and stuff but come on, sitshatile." Me: "meaning wena uyakwaz uhamba ubSuku bonke ubuye ngenstasa. You don't help me with the kids, you expect everything from me kodwa I don't get nothing back." Luks: "but bab-" Me: "NO lukhanyo, I understand bendi wrong mna, I wasn't supposed to do what I did. What do you want me to do xa uhamba? Don't you think mna ndabawela uhamba? You never give me a damn break, everything in this marriage is to please you. If you don't get your way you strangle me. So Lukhanyo. If you want to act like a bachelor, uhambe kude kuse go the fuck ahead just don't expect me to be here xa ubuya ek'sen. Awufun mos ubangu tata, umnyeni. Hamba ke." Luks: "Lihle, you don't tell me all this nje. Ndizothin ngahambi namajita, why do you have a problem with it xa ingoo Phila and Lonwabo? You've never been like this kukho Stuja nooLara. Kanye uthanda lonto? You want me to step back in my lane? Nxx...." He got up and walked out.....

Lubabalo left to go pick up Liya. This time he went to knock on the door. Her mother opened. Lubb: "molo mama." Ma: "molo." Lubb: "unjan ma?" Ma: "ndiyaphila." She stared at him coldly. Lubb: "mama, ndifuna uba committed ku Liya, ndi serious nyan. If you could give me a chance." Ma: "I gave you a chance but you messed it up." Lubb: "I did not mess up, it was just a disagreement mama.." Liya appeared. Lubb: "love?..cela umxelel umama it was a disagreement." Liya: "it wasn't a disagreement. Bindim o-wrong mama." Ma: "uthin na Liya, ukhala nje apha kum, about Lubabalo

leaving, kanti nguwe unobangela." Liya: "it was a long time ago. Bendi ngacingi. I just wanted happiness with him, so I plotted against girlfriend yakhe...I didn't know they would rape her, matter of fact I didn't know bazoqhubekela, biyinto nje besincokola ngayo. Victor benomona ngawe saying uzenza better k'naye. He wanted you to lack something too. Nje ngaye." Ma: "wait....ima kancinci, YOU plotted against icherri ka lubabalo, for ba adlwengulwe?" Liya: "I didn't know.." Ma: "LIYABONA!!! Wakhe wa'rape'wer nguban wena! How could you even-?" Lubb: "mama, this happened a while ago..kwakud-" Ma: "uvale umlomo wena. Liya, ungumntu onjan? Zange ndik'khulise ol'hlobo mna! These devious acts. Uz'funda phi because notata zange akufundise oluhlobo!! How do you rejoice kwi ntlungu zomnye umtana! I am ashamed. I can't even look at you." Liya: "mama.." Ma: "NO. Uyandiphambanisa. I thought we were getting somewhere, but still you lie to me. You do things behind my back! Qiba ubuye uzolila apha nyembezi zika xam ombi!" Lubb: "xam?" Liya: "crocodile." Lubb: "OH..yes." Ma: "I'm going to lay down. I can't deal with this." She got up and disappeared into her bedroom. Lubb: "okay, so cela u'layte tv so long..we'll watch some movies while we wait." Liya: "no, we can't. She's going to overthink and wake up more angry than before ibengathi bephupha ngayo. Can we go?" They got up and locked the house. Getting into the car. They left. Liya: "kuthen qhuba moto ka losta?" Lubb: "ndisalinde leyam inkulu, I don't know what's taking so long." Liya: "oh okay then." Lubb: "where do you wanna go?" Liya: "ku Zintle, I want to apologize to her." Lubb: "you sure?" Liya: "yes." The way to Summerstrand was quiet. Neither of them said a word. Lubabalo parked downstairs and they got out. Lubb: "argg....now we have to wait." Another tenant opened for them and they went up. Lubabalo knocked. Zintle opened. She didn't smile. Zintle: "yes?" Lubb: "hey.." He smiled. Zintle: "hi." Lubb: "sizekuwe." Zintle: "ndim lo." Lubb: "can we come in?" Zintle: "why?" Lungelo: "nguban lowo babes?" Zintle: "lubabalo and his wife." Lungelo: "bafuna ntoni?" Zintle opened the door. Lubabalo and Liya walked in. Lubb: "molo." Lungelo: "ewe ke." He was laying on the couch topless with Buhle on his chest. He held her for support as she squealed and smiled at him. Lungelo: "we'll be in the bedroom." He got up and walked to her room. Liya: "Zintle..." Zintle: "ja." Liya: "I just wanted to say sorry...I was the one who...." She breathed. Liya: "I was behind the whole thing....at the party." Zintle: "I know." Lubb: "wait what? Bekuthen zungatsho kengok?." Zintle: "bend'funa uz'xele ngokwakho mna. Unlike other people, I respect people's happiness. Even if I did tell you Lubabalo, would it have made a difference? Jonga man, we're kinda busy..right now. You should have called." Liya: "Zintle I'm not expecting to be your friend but at least accept my apology, you're going to be part our lives, I want to be at peace qha." Zintle: "your apology is noted dear. Acceptance

is still pending. I forgive you though. Now if you don't mind." She showed them the door.....

Chapter 413

Lubb: "uhm...okay." Liya went out first, lubabalo followed, he was pissed off that she actually threw him out like that. How the hell? And there was literally nothing he could do about it. Khona why is that stupid boyfriend ALWAYS there doesn't he have a day job and a restaurant or some shit. Liya: "you okay?" Lubb: "yeah." They got in the car. Lubb: "ndilambile yazi, let's go have dinner somewhere." Liya: "please let's go home. I don't feel like being out." Lubabalo turned down the volume. Lubb: "how you feeling?" Liya: "nah..I'm abit nausias yazi." He drove to his house. Lubb: "I need to call Lihle and find out wenza njan to eliminate lonto..." Liya: "okay babes.." He stopped the car at the robots, leaning over to her seat and pulled it down. Lubb: "hleli ngath use caweni apha." Liya: "hee." He kissed her lips, she held onto him. The cars started hooting behind them. Liya: "bab-" Lubb: "hm.." He let go and drove. Lubb: "andisa phiwa nophiwa these days. Andifunwa." She laughed. Liya: "akhonto indiqiba njenge s'xhosa sakho." Lubb: "siryt noba siza nge side." He parked in the garage and they walked in. Liya: "I'll cook something.." Lubb: "ima kqala..". He pulled her to the bedroom closing the door behind them. He pinned her to the door kissing her. Liya unbuttoned his shirt, he unzipped her jeans sliding his hand in. "Andrew!!!" Lubb: "fuck!" He whispered. Liya: "who's that?" Lubb: "yile tritsi uDemi." Liya: "maybe its important.." Lubb: "no...." He pulled her to the bed, undressing her. Demi: "ANDREW!!!" Lubb: "fuck damnit! WHAAAAT!!!" He screamed. Demi: "open! Damn, I wanna talk to ya." Lubb: "I am BUSY!" Demi: "well hurry up then." Liya: "its okay." Lubb: "hayi baby its not! Look at me!" She saw his erection. Lubb: "its gonn be fuckin uncomfortable and painful. Hayi makayonya tseek." Demi: "its about Owen." He literally got turned off in a second. He got up and walked to the door and opened. Lubb: "What?" Her eyes were red. They walked to the movie lounge and sat down. Lubb: "what did he do?" Demi: "he....." Lubb: "I swear if he dare hurt you....I will mince him so quickly. Budget meat will have a discount this weekend." She giggled. Demi: "nah man...its just...wait how do you know Owen?" Lubb: "I investigated. Like you knew I would, did he take his potato car from you?" Demi: "no....I crashed it....sent it back to him." Lubb: "yeah, I was wondering how the hell you survived Port Elizabeth." Demi: "I need to get away from here. I wanna go home." Lubb: "this is

home. And you're going nowhere." Demi: "you can't force me to stay." Lubabalo snatched her iPhone 5 from her hand. Demi: "give me back my phone." Lubb: "until you learn respect, you're not getting it." Demi: "whatever, I'll just get a new one." Lubb: "good luck with that." He got up. Lubb: "you know, you don't understand what you do to other people, you are just reckless, I know I was also guilty of such behavior in the past and I'm not proud. Owen, won't do you any good. The quicker you understand that you need to be alone or have someone your own age, the fuckin better. I'm taking you to NMMU tomorrow. You ARE staying." Demi: "What the hell! What about my work!! My school!" Lubb: "you better watch your tone Demi Lee Morrison. I aint playing wit'chu. You don't attend school, you don't pitch up for SHIT! You're staying." He walked out, calling his dad. Lubb: "freeze each and every one of her accounts. She's staying here with me." Dad: "are you sure about that?" Lubb: "Dad, just do this please." Dad: "okay then." He hung up.

Monday Morning.....

Phila was up early already. He showered for more than 40 minutes and got dressed in a black suit. Phila: "I cannot wear this shit everyday." He mumbled. Lonwabo arrived. Losta: "Phila!!" He yelled. Phila: "bedroom." Lonwabo walked to the room. Losta: "aww madoda! Ntwana yam estrong...hayi jonga..." Phila: "mxm, sisbhanxa ke wena." Losta: "hay shame man, worse awuqhelanga nonxiba suit, you look like a little piglet." Phila: "lonwabo, why are you here? Uzondinyela kwasekusen?" Losta: "hayi ndoda...came to remind you, we had planned a Bro weekend, ku Feb...do you remember?" Phila: "yes I remember, sifaka malin?" Losta: "lubby's paying for it, you know how he is mos." Phila: "you know he offered me a job." Losta: "oh? To do what?" Phila: "ufuna ndibeyi head ye IT department pha kuye." Losta: "woah, so you be like a second boss..." Phila: "well, yeah.." Losta: "you know this is a great opportunity right? And ndamaz Lubby, he doesn't say shit njee for the likes." Phila: "yeah, imagine earning over 50 grand nge nyanga? Driving my dream car?..." Losta: "you're thinking about it?" Phila: "no...I must stay here..ndiqibile Kapa mna." Losta: "okay then. You ready?" Phila: "yes..." Losta: "okay, don't fuck up too much, bendizothi good luck qha.." Phila: "aren't you supposed to be at work?" Losta: "ndiyakhona ngok. Sharp awti." He proceeded to leave the house. Phila: "call you later." Losta: "k little piggy." He laughed to the car and drove off to work. Phila couldn't help wondering why Lonwabo couldn't sit still, wasn't he ever tired...ever since his ex's accident he's had this over-caring thing about him. It was appreciated but unnecessary. Or maybe akakwaz u-express pain yakhe in another way?... Phila: "okay...let's do this." He took his car keys and drove to his new work place. Noneka was standing outside, waiting. Was that even appropriate? He got out the car and

walked to her. She smiled at him shyly. Noneka: "Good Morning, Mr-" Phila: "please sisi, I'm Philasande. My friends call me Phila. I just need that formal greeting out the way." Noneka: "nawe ke sukuthi sisi, ithi Noni." Phila: "okay then, Noni..." Noni: "Sande." He smiled. Phila: "so wena uzoz'khethela elakho..." Noni: "I don't like calling people ngegama elisebenziswa ngumntu wonke." Phila: "oh so you like to be different...." Noni: "may we come in? I'd like to show you around." They walked in the office and she showed him his. Phila: "hmm...." He bit his lower lip. Phila: "I love the desk..." Noni: "and this side..." She walked out quickly. Phila: "cela ungabaleki wethu, I can't run. My legs get wobbly, so....if you could just." She laughed.

"NONEKA." A deep voice bellowed from the across the hall. Phila: "oh oh. Kudala uhleka." She smiled. Noni: "time to meet the boss. He's the one who actually liked your CV and qualifications. Literally insisted on you." Phila: "I bet we'll get along just fine then..." She knocked on the door. "vuliwe lomnyango." Phila: "grrrr.." Noni giggled. Noni: "usile wena." She whispered. They opened and Noneka walked in first. Phila entered behind her. Noni: "I'll leave you to it." Phila stared at Andile's bright smile. He wasn't scared, just shocked. Why would he hire him in his company? Andile: "silence means bad manners to me, if you're wondering." Phila swallowed. Phila: "I didn't know." Andile: "yeah well. Its not exactly front page news. Take a seat." Phila: "I don't like being told what to do." Andile: "hayi ke ima tshi," he gave him a brown envelope. Andile: "read through, get a lawyer to check if awundithembanga, sign and hand it back within a week. That's next week Monday." Phila: "just tell me why you hired me." Andile smiled. Andile: "you've got work to do. Qala pha kwi office ka Lenny. Ubuye nga leyam. Oh and organize a cup of coffee for me, black, 2 sugars. Thanks." He turned to his computer in a more serious expression and did his work. Phila: "that is not in my job description." Andile: "read it through one more time." Phila: "andizoyenza lonto mna, nalo kof yakho yamanzi." Andile: "Philasande, I am your boss. I hired you to do a job and not stand there and argue with me all day. Your time is ticking." Phila stormed out.. Noni: "hey, hey, hey.....yinton ngok." Phila: "this was a mistake." Noni: "Sande, he's forever like that nomntu wonke, don't mind him. And in any case you don't have to work with him at all, yenza umsebenzi wakho qha." Phila: "I still have to report to him and make him coffee!" Noni: "I'll make the coffee, ambosebenza wena." Phila: "iphi kanene office ka Lenny?" Noni: "2nd door on your right." He walked to the office. Andile appeared again. Andile: "ohh, and uhm...you might want to come in something more comfortable than that tomorrow. You're looking all shades of stupid." He giggled his way back to his own office shaking his head.....

Zintle was doing her laundry. Khaya was still asleep and Zuki had gone to the salon. Buhle was sleeping with Khaya. Zintle: "Kay." He didn't reply. She got up to go wake him. Zintle: "hey...school?" Khaya: "I'll go check ngomso, I'm like grave dead tired right now.." Zintle: "okay." She went to hang her, Buhle and Khaya's clothes. She bathed and got dressed quickly. Her phone was ringing. She picked up. Zintle: "hey babe." It was Lungelo. Lungelo: "morning mntu wam..unjan?" Zintle: "I'm good thanks, wena?" Lungelo: "I'm not good hey....ndiz'khumbulela ulovey wam kunye no-thanda wam.." Zintle: "I miss you too honey...she's asleep yena..you still coming over for lunch?" Lungelo: "this is why I was calling baby, please listen carefully to me. I want to come over my love, but I doubt I'll be able to make it. I would give it to Paul, qha naye ubusy with some guy's divorce things..." Zintle: "oh, that's okay...I'll just wait till you're available then." Lungelo: "hayi babes, iza wena..." Zintle: "ndize mna?" Lungelo: "ewe love, we'll have lunch here, little picnic in my office. Akuka qitywa apha but andina choice I have to start working or else I'll go insane." Zintle: "I'm thinking of all the dust, I don't want Buhle exposed to all that." Lungelo: "okay, no its fine...I'll just call you later then..." Zintle: "awuqumbanga?" Lungelo: "just a little...but ndizoba right mntu wam.." Zintle: "uqine sthandwa ubeyi pali." Lungelo: "hayi kodwa pali? Better idonga.." Zintle: "lona kanye baby..." Lungelo: "bye bye ke sthandwa." Zintle: "bye.." Lungelo: "I love you..." She froze....its been a while she heard that from another person except her dad. Lungelo: "babes you still there...?" She didn't know whether to say it back or not. Did he expect it? Why so early though? Lungelo: "I'm sorry if I scared you hun...you don't have to reply, andik'faki pressure, ndifuna nje uyazi how I feel..ndiyak'thanda mna...everytime I spend time with you, you just show me such care and I trust you with my heart, I hope you won't break it because I think I'm beginning to fall for you.." Zintle: "erh...." She coughed uncomfortably. Lungelo: "bye bye then." Zintle: "lungelo..." Lungelo: "hm?" Zintle: "you're moving a bit fast...." Lungelo: "okay Zintle, tell me what you want me to do." Zintle: "Iits just...." Lungelo: "ufuna ndingak'xelel feelings zam? Pretend I don't care about you? Not tell you how much you mean to me? Ndithule ndingak'hoyi? Ba ufuna lonto, then I'm not the guy. Andiyo bad boy mna. Ezodlala nge feelings zakho. I told you from the beginning, I want something worth holding onto. No matter what...I won't rush you." Zintle: "and thanks for that." Lungelo: "my pleasure, we'll talk later then?" Zintle: "okay." She hung up. Her heart was racing. She got up and made food for herself. Her phone rang again and she smiled. Walking back to pick it up it was Lubby. Zintle: "hello." Lubb: "hey, I'm around ne, I've taken Demi

to Nmmu, cela undibolek uBuhle tu? I miss her." Zintle: "you can come and fetch her. Tata ufika wednesday to come fetch her." Lubb: "okay, I'm downstairs." Zintle: "wait what? Khange uthi use NMMU na?" Lubb: "no I said I took her to nmmu...stay still I'm coming up.." He hung up..

Chapter 414

Lubabalo walked in the flat. He was in all black, with blood red sneakers and a gold chain. Zintle: "she's still asleep.." Lubb: "kunin ndin'khumbula." Zintle: "cela ungand'faki mna." He smiled sweetly at her. Lubb: "why?" Zintle turned and walked to the bedroom. Khaya was up. Zintle: "uyaphi Khaya?" Khaya: "gym." Zintle: "thought you said you were tired." Khaya: "I am..its just that ndizotyhafa worse if I sleep." He wore his track pants and sneakers. Zintle: "when you going to work?" Khaya: "I'm off today and tomorrow." He yawned. Zintle: "okay." He took his bag and walked out. Khaya: "molo bhuti." Lubb: "sho fethu." Zintle changed Buhle's diaper in the bedroom. Lubabalo walked in. Lubb: "uyand'baleka?" Zintle: "ndinyanzelwa yinton?" Lubb: "I don't know...should be asking you..." She dressed her baby and let her sleep. Lubby held Zintle's hand pulling her up. Lubb: "ndithe ndiyakukhumbula." Zintle: "good for you." Lubb: "awusengcole man." Zintle: "have you eaten?" Lubb: "yep." Zintle: "okay, ndisaya eGreenacres mna...pay accounts and buy groceries." Lubb: "uzandishiyelani?" Zintle: "you taking care of the baby Lubabalo. I'm not about to be seen with you in public." Lubb: "you are ashamed of me dan?" Zintle: "yes." Lubb: "nam ndifuna uyoz'thengel Oros njena. Iza I promise I won't disturb you." Zintle just stared at him, annoyed as hell. Her phone rang. She went to fetch her baby. Lubb: "ina..." He gave her the keys and took the baby instead. Lubb: "khayek uma ingathi ustajiwe man Zintle sambe. You're driving." He walked out with his daughter and her bag. Zintle locked the door and walked to the car. She got in and answered the phone. Zintle: "hey?" Lungelo: "are you busy?" Zintle: "ndisayo kwenz groceries and pay my stuff, nothing much." Lungelo: "oh...okay, its fine then. Are you gonna manage with Buhle? I mean buying groceries uphethu umntana? You gonn need help." Zintle: "stop worrying yourself babes, how's the meeting going?" Lungelo: "he's flying in, in 2 hours time." Zintle: "oh..okay, bendicmiba ukwalaphe Bhayi." Lungelo: "me too. Okay then, ndingak'libazisi. Bye." Zintle: "bye babe." He hung up. Lungelo looked at the white Range Rover Zintle was driving. He started the Benz he rented for his friend and drove off to his office. He didn't understand why she forgot

to tell him ba she's not alone, then again he didn't mention he was coming either . He promised he wouldn't pry so he just went back to work.

Lukhanyo had taken the kids to school. Namhla had already left. It was only the babies and me left. I wonder if Athi made it to school. At least if uyaya, sim'organize'el transport. Maybe if Lukhanyo spoke to his mother. Well, I haven't spoken to him since yesterday afternoon. Ndizothetha ndithin? I said sorry. I don't know what else he wants from me. I got up and took a long bath. At least I was better than yesterday, yuh ndiy'quqile toilet kodwa. My anus was on fire. Lol. The bath water was nice and warm...I relaxed nice and slowly. Lukhanyo walked in. My whole body tensed. I felt like he was a stranger, ndane ndawo ezifuna uz'coverisha. I sat up straight and washed my body. He stood there and stared at me coldly. He was wearing a black vest, black jeans, black sneakers. 2 Gold chains. The thug outfit. He put his hands in his pockets. The ink on his body glistening. I'm sure he could hear my pulse, the way it was so quiet. He walked slowly to the bath and squat down pulling up his jeans. He held my chin and turned my face towards his. Then kissed my lips slowly.. Luks: "I'm sorry." Mxm..bendiy'qondile. Luks: "not for this though.." He pointed to the neck. Luks: "until you learn to respect me. You know exactly what I'm capable of, but still, uyandidelela endlin yam. Ezi tshomi zakho zingamadoda mazi lazi xesha lohamba. if they know better. They won't fuck with me." Me: "lukhanyo, for the last time, andimazi lamntu. Biza uLubabalo um'buze. Bendihlel noMandy." He got up and walked out. I got out the bath and went to get dressed. Jeans and a nice blouse, with sandals. The babies were asleep. I took my bag and keys. Luks: "girl, you better not be testing my patience.." He sat on the couch, his feet up on the table, he held his iPad in one hand. Me: "do I need your damn permission xandisiya kwa bazal bam??" Luks: "suthetha lohlobo nam Lihle." Me: "or what Lukhanyo? Uzand'krwitsha? Uzand'betha? Shoot me? Ndisaya ku tatam." The look on his face was priceless. I got in the car and went to Daddy's place. I was excited to see him. I could already see his bright smile beaming at me. Yuuh, ndingakhali Bawo. I drove into the street and parked. I couldn't wait. I jumped out the car and walked toward the house, knocked on the door. "Ngena love." I walk in the house, he was sitting on his couch drinking a cup of tea. Me: "molo tata." I kissed his cheek. Sizwe: "hey pumpkin." Something was bothering him. Me: "what's wrong?" Sizwe: "with you.." Me: "ndirynt mna....what about you?" Sizwe:"try again." I sat next to him. Me: "we just had a fight since saturday night." Sizwe: "about ??" Me: "I went out with Mandy, my phone battery died. He tried to reach me and couldn't so he started freaking out. He thinks bendihlel with other men. Specifically one certain man. Andimazi lomntu mna, Lubby made a bad joke about him, which set Lukhanyo off."

Sizwe: "what did he do?" Me: "he was just mad...I don't want to talk about him, what's up? You look distracted." He looked at his phone, confused. Sizwe: "ufane way'baleka le topic. Erh....you know Bra Zakes mos?" Me: "I've heard about him yes." Sizwe: "well ebene wele right?" Me: "I believe so..." Sizwe: "well, iwele, being Zolani. I remember he had a girlfriend. Or umntu nje athandana naye. Thing is, ndidibene nalo sisi. She called me by my name. Ndimjonge. Ndam'fanisa but andiyazi ba ndimazelaphi, wandikhumbuza. I was like oh yeah...then....." He paused dramatically. Sizwe: "then....kufike lentwana." Me: "eyiphi ntwana?" Sizwe: "ntwana yalo sisi kalok baby, aren't you listening?" Me: "I am." Sizwe: "yeah. Well ke, ndim'jonge..he looks back abulise. You know the vibe I get when I'm around Smilo, Lukhanyo, Lubabalo...andiyaz man lili, do you think that might be his child?." Me: "did you ask her?" Sizwe: "andikwaz kalok uveske ndibuze ezozinto kumntu, especially about someone who passed long ago.." Me: "but if ngowakwa Mzinyathi, maybe um'se naku Tamkhulu, they'd be happy and actually have something to look forward to." Sizwe: "but ndiy'buza njani kwaku mama lo. I just gave him my number, unyana lo, told him if he needed anything andixelele." Me: "okay, then uzova ngaye, ulinde kuye." Sizwe: "kubekho le message besandoy'thumela. Yiyo le indiphungisa itea kushushu. Indenz istress." Me: "from the guy?" Sizwe: "ewe...uthi ukuba, ufuna umsebenzi so that he can take his mother away from ustep father because latata yingozi. He seems desperate." Me: "so uzaw'thin?" Sizwe: "andifun acinge I'm after her, if ndithe azohlala apha, plus ingathi yaz'thand ithings. Asoze sivane. I don't work though, ndizom'fumanaph umsebenz for yena?" Me: "yes about that, what do you do to survive?" Sizwe: "I hunt my own food and water, I don't need electricity. Case closed." Me: "tata man." Sizwe: "its best you don't know angel, help me think of something for the boy." Me: "I'm so clueless, yena ufuna ukwenza what type of job?" Sizwe: "anything..." Me: "angahamb esithi anything, k'se Bhayi apha. Anything can be ANYTHING." Sizwe laughed. Me: "for real tata...call them over, uhlale nabo nincokole wethu." Sizwe: "okay, qala siya endlin." He got up and put on his shoes. Sizwe: "let's go." Me: "where to?" He locked and got into the car, he drove to Lukhanyo's house. Me: "daddy..." Sizwe: "shhh mntanam. We still thinking of something for the boy remember." Me: "tata, do you feel the need to help him because you think he might be your best friends' son." Sizwe: "ewe...that's exactly why. Akanoze asokole ndikhona. Njengoba nawe ungasoze usokole kukho uSmilo. If we knew each other since way back, you would have had the best of everything. Trust." He parked and we got out. The house was smelling divine. My stomach was melting seductively. Lukhanyo carried Luhle while he cooked. Luks: "molo ta seez." Sizwe: "molo lukhanyo." Me: "what's for dinner?" He kissed my forehead. Luks: "its a

surprise. Jonga Lutha, he's crawling." Me: "nccoooh bethuna my boy." He balanced his hand and knees, pushing forward slowly. Luks: "he's just amazing." Me: "its too adorable." Lutha had the hugest smile on his face. Luks: "yep, and he needs to be changed hun.." I picked up my little boy and walked to the room to change him. Sizwe took Luhle from Luks, taking her to the bedroom too. Sizwe: "ingathi xesha labo lolala..." Me: "yeah, its round about their nap time." He left the room and went straight to the kitchen. Pulling Lukhanyo outside with his vest. Luks: "what the f...Ta Seez?" Sizwe threw his back against the wall. Holding him by the neck. Sizwe: "sundenz isdenge sakho. I warned you about touching my daughter. TWICE. And still wenza unothanda...do you really think I'm stupid and blind? Lukhanyo I will fucking have you for dinner, if we have to have this conversation again. You hear me?" Luks: "ewe Ta Seez." He quivered. Sizwe tightened his grip. Lukhanyo couldn't breath. At all. Sizwe: "Keep your hands to yourself. Stop acting like a little boy and control your fucking tantrums. Okanye my boy.....nc nc nc nc nc....." He let go and walked back inside the house. Lukhanyo gasped for air, kneeling on the floor, his chest was in pain. He had a runny nose. He wiped it with the back of his hand.....blood.

Late evening....

Zintle was home from shopping with Lubabalo, he was so impossible. He literally made sure everyone was looking. Calling her "my love" in front of that cashier actually ticked her off. She sat in the bath with Buhle on her lap. The bath was full of water. Zintle: "I can't ever go shopping with your dad aain mntanam. He is beyond impossible." Buhle smiled. Zintle: "you agree?" She made a sound..sounded like she was pushing a conversation. Zintle: "give me a big fat kiss, come here." She kissed her daughter. Zintle: "I love you...so much." Buhle had her mouth open looking at the ceiling. They got out the bath and dressed in their warm pajamas. Zintle was still expecting Lungelo. She missed him a lot. He's been quiet all day, which was unlike Lungelo. He usually called to check up every now and again. Probably too busy, until she heard a knock. Zintle: "ungubani?" She was alone with Buhle. "Ndim...uLungelo." He said in a low voice. Zintle opened for him. He walked in. Lungelo: "andihlelanga...ndiyahamba ngok aphe Summerstrand, I need to get home and work." Zintle: "ubulaphe Summerstrand?" Lungelo: "half the time yes." He was still standing. As if he was waiting for something. Zintle: "baby what's wrong?" Lungelo: "nothing....so how was today?" Zintle: "it was okay wethu love." Lungelo: "so did you manage on your own?" Zintle: "lungelo.....what's wrong?" Lungelo: "did you manage on your own?" Zintle: "lungelo?" Lungelo: "its a simple question.." Zintle: "no. I didn't." Lungelo: "oh. Then wenze njan?" Zintle: "Lubby was already here. Bezobona Buhle...so sahamba kunye." Lungelo: "that's all I wanted from you qha. Inyani. I was

Lungelo: "ha.a love, don't sell me lies tu....whatever you do, just tell me inyani I promise I won't throw a temper. Noba ndiva kab'hlungu, I'll accept cuz you told me the truth. I don't know where I stand with you. I honestly don't. I just came here to know exactly. Do you want to be with me?" Zintle: "yes I do...Lungelo...I want to be with you." Lungelo: "I just...I'm sorry. I'm insecure and selfish yazi.." Zintle: "stop! Please stop! I hate it xa unje Lungelo, why do you look down on yourself? Umhle, you have a great career, business. You're great. Stop undermining yourself. Especially ngomntu ofana noLubabalo. Trust me babes, even I feel intimidated nguye. I'm the one that should have told you ndihamba naye, I just didn't want to upset you." Lungelo: "okay..." He kissed Buhle then her mother. Lungelo: "let me get going babes..." Zintle: "please stay? I've missed you so much." He smiled at her shyly. He had one dimple on his left. Zintle: "ncaaw, you have a dimple. That is soo cute." Lungelo: "hayi man baby tshi." He straightened his face and they cuddled on the couch with baby Buhle. Lungelo: "I might as well take the day off ngomso..." Zintle: "yes please." Lungelo: "then silale sivuke ngo 12 emini. Chapter 415

A WEEK LATER...

It was wednesday early morning. Lukhanyo woke up in a fright, sweating and breathing heavily. He got up and rushed to the bathroom. He threw up in the toilet. He was shaking and sat down. Closing the seat and flushing..its been 3 days since this was happening. He has had a headache for a week. I woke up. Me: "babe.." Luks: "lala lihle." Me: "what's wrong?" Luks: "noba its just flu. I'll be fine." Me: "well, I can get you something.." Luks: "ndithe lala ne?" Me: "why are you acting like this!! Damn lukhanyo its been over a damn week!" Luks: "ungayo xelela utatakho nje Lihle?! Kalok when we fight you involve your dad, andinyise. Because mna and'na tata to take my fucking side!" Me: "kodwa bekungekho need yondikrwitsha!" Luks: "we were BOTH wrong! Damn! Khandithi nguwe wedwa! I'm not justifying my bloody actions but nawe man. Fuck!" he walked out the bathroom coughing. His bones were in pain. He was even beginning to lose weight because he hardly ate. He was stressed. But by what?! I went back to bed. He was on his phone. Luks: "ithin number ka lubabalo?" What? He didn't just ask me that. Me: "babes, its on your phone." He tossed the phone to me. Me: "nantsi nje." Luks: "akho Lubabalo apho kukho Lubby!" I'm sure you're as confused as me right now. Something was really wrong with him. Me: "sthandwa sam...lubabalo IS lubby." Luks: "huh?" He looked confused.. Me: "are you okay? Maybe you just need to take a nap." Luks: "hay ndisabantwana eparkin." He got up and went to take a shower. He got out and got dressed. Me: "boo...." Luks: "hm?" Me: "its wednesday. Don't worry ndizobasa eskolweni ngokwam." Luks: "hay man, isn't it saturday?" Me: "no, babe." Luks: "oh." He went back into bed, looking disappointed. He slept. Me: "lukhanyo I hate it when we fight like this." Luks: "I hate it too Lihle..." Me: "then let's try together.." I lay under the cover on his chest. Luks: "I'm sorry babes, I was out of line." Me: "okay..maside siyeke ukulwa ngok. I miss you mna." Luks: "nyani?" He kissed my head pushing me over to the other side. I kissed his lips and held him closely. Me: "vasile phof umlomo?" Luks: "skaa...sowund'qibile undifunxa nje." Me: "you are disgusting sies man." Luks: "ndiryt, ok'salayo uginyile." Me: "let me take a nap, yazi ndozela kamand." Luks: "same here.." Me: "are you okay babe?" Luks: "don't worry about me, I'm fine." Me: "kodwa hun you should go check yourself out." Luks: "andizoyenza ke lo shit. Ndizoba grand. I drank allergex and other pain pills. Chill." Me: "okay then." We took another nap for an hour, I had to wake up at 6 to get the kids ready. I showered quick and ran the bath for the boys. Thulani was

fetching Junior today. Chuma would be so lonely. The boys took their bath, I made them their lunch and breakfast to eat. Lukhanyo was fast asleep. He looked really uncomfortable. Like he couldn't breathe. I dressed the boys quietly not to wake luthandoluhle and their father. I fed them as quick as possible. While they sat and watched tv, I got dressed. I wore a skin tight dress with long sleeves. The length was just above my knees. I wore a white blazer and platform. Luks: "I wonder uyaphi." He was laying in bed staring at me with low, tired eyes. Me: "lukhanyo.." Luks: "I told you not to worry about me, I'm okay." Me: "I'm taking the kids to school, I want to come back uvase abantwana, then we're going to the doctor." Luks: "lihle, sundiphambanisa. I'm fine!" He looked really sick, pale and fragile. He got out of bed and walked to the bathroom. I left with the boys and took them to school. I came back home and washed the babies. Lukhanyo was watching tv. Me: "hunn..." Luks: "hm?" Me: "izapha.." Luks: "what's up? Ndonqen uphakama." Me: "your soccer team? When are you going?" He kept quiet and didn't reply. Me: "babe?" Luks: "I'm just a bit sick wethu, I'll go xandi grand." I let that topic go before I start stressing about him going to the doctor again.....

Sizwe was busy cleaning his house. He had invited the woman and her son for lunch. He went shopping and made a meal. Nothing fancy. There was a knock on the door. He went to open. Sizwe: "hello sisi." The woman and her son walked in. Woman: "hayi man, ndibize Nomvuzo." Sizwe: "okay. Nomvuzo. Ninjan?" Nomvuzo: "andihlelanga, I have to go to meeting ye society...Sinethemba uzoshiyeka." Sizwe: "akho ngxaki." She got up and left. Sizwe: "ndenze ukutya, I'm about to dish up...iza." Sine went to the kitchen to help Sizwe. Sizwe: "woyika nton?" Sine: "ai akhonto timer." Sizwe: "I can smell your fear.." Sine laughed nervously. Sizwe stared at him with a serious look. He continued to dish up. Sizwe: "my daughter is round about the same age as you." Sine: "I already have icherri mna ta." Sizwe: "hayi tsek kwedin andik'lobolisi. She's married. She's like your sister...you'll get to meet her." Sine: "oh ok." Sizwe: "so what do you do?" Sine: "andenzi nto tata, mama khange abenamali yokwazi undisa eskolweni. Nam andika kwazi fumana umsebenzi. Noba kuse garage." Sizwe: "oh, I'll try and pull a few strings if ndizokwaz.." Sine: "ndingay'vuyela lonto ta." They took their food to the lounge and sat down. Sizwe: "boy, umamakho uthi uphi utatakho?" Sine: "uthi umama, tata wasweleka ndingeka zalwa. So, andimaz." Sizwe: "what else has she told you?." Sine: "yonke into tata." Sizwe: "oh?." Sine ate the food quickly. He was really hungry. Sizwe: "slow down before you choke.." He swallowed and drank the cooldrink. Sizwe: "you didn't eat breakfast?" Sine: "qibele izolo emin. Ubhuti khange abuye nento kutya." Sizwe: "bhuti? Njani angabuyi nokutya?" Sine: "bhuti ngumntu ohlala phe ndlin. Wandikhulisa. Uthi bengena mali."

Sizwe: "tell me what your mother told you about utatakho." Sine: "mama uthi, tata was a twin to some guy obeli gintsa or something..babethanda ukulwa. Kodwa ke to cut the story short, wava uzoba nam umama xa utata seswelekile. Uthi she thinks kwakusaliwa.." Sizwe: "so tatakho ngu Zolani." Sine: "ewe, utsho umama. Ligama lakhe elo, wandibonisa ne foto lakhe." Sizwe: "oh. Zange atsho ngoba?" Sine: "eyyi." He wiped his hands. Sine: "timer, umama ngok'ya ebeno tata...andaz noba bebesaqala ngoba abazali baka tata abekho aphe Bhayi. Naye akayaz ba aye kuban na, esoyika nobhuti waka tata..." Sizwe: "and ke nyan, bekungekho nandlela yosondela kulamntu uyingozi, even though ebathanda bantwana. He would've put your life at risk." Sine: "usaphila?" Sizwe: "no, wasweleka. Nabo ngamawele, you'll get confused, but uzujonge lo thanda qith uncuma nothetha yazi ba ngu Lubby. The quiet one nguLukhanyo. Be careful, they switch places bakubhanxe uphambane." Sine laughed. Sine: "bafana olohlobo na?" Sizwe: "uzoba bona wena. Eat up." He ate his food finished and washed his plate. Sizwe: "let's get going." They walked out the house and got in Sizwe's vehicle and left for Smilo's. They arrived while he was talking to Bruno. Smilo: "I delivered it last night, I'm expecting the payment within 24 hours or all hell break the fuck loose." Bruno: "what type is this?" Smilo: "snow. Give them a little push in the right direction. And stop selling to students!" Bruno: "but they're the target market. They're the ones that buy the most." Smilo: "I said. STOP." He breathed. Sizwe knocked. Smilo: "scooter off!" He hissed at Bruno. Who left immediately. Sizwe: "nguban lo?" Smilo: "khayek und'khweletel ngath ungumfaz wam wena. Nguban lo?" Sizwe: "oh wow. Nguban umfazi kehok? Ngu Sinethemba lona." Smilo looked at the young man trying to study him. Smilo: "waphi?" He asked slowly, he knew where this was going. The boy looked oddly familiar. Sizwe: "ngu nyana ka Zolani lo." Smilo went pale. Smilo: "erh...I have to... uhm..." He fiddled around the lounge to the kitchen. Sizwe: "smilo!" Smilo: "kukho i-indawo f'neke ndibe k-kuyo." Sine: "tanci?" Smilo's heart beat increased even more. Sine: "ndicela okwe xeshana ndibenokwazi." Sizwe: "please Smilo." Smilo turned around to look at the boy's face, he resembled his father and for a split second. He saw Zolani stare back at him with pleading eyes.....

Lukhanyo got dressed. Luks: "love wam, ndiya ku Lubabalo va." Me: "okay." He kissed me then took his keys and walked out. Driving to Lubby's house. Kuske kuthin abe confused na ubaby? What is he so stressed about? Lukhanyo drove all the way to Lovemore and stopped at the robots. Luks: "fuck." He closed his eyes and opened them again. Luks: "what the hell." He drove into the house and parked on the lawn.

Lubabalo came out screaming. Lubb: "WHAT THE FUCKInG FUCKERY ARE YOU FUCKING DOING!!!!!! Get it offfffff!!!!!" He screamed. Lukhanyo stumbled out the car. Lubb: "dude is you drunk?" Luks: "hay man." He walked to the house. Lubabalo started the car and drove onto the driveway, parked and went inside the house. Lubb: "ndilinde uLosta, we having lunch out..." Lukhanyo lay on the couch. The girls and one gay from the club. Losta: "Jesus please save me from this time of trial. Because they're trying me." He ignored them, but couldn't really because they burst

Chapter 416

Lukhanyo got to the hospital and went straight to the nearest help desk. He was sat down for a while. His phone was switched off just in case someone called him and he changed his mind. He was already afraid. Not exactly sure of what. Other than the stigma of New Brighton gangsters have Hiv/Aids. He trusted himself though. The nurse called him in and he walked straight to the doctor. Luks: "hello." Doc: "hello..." He stared at him awkwardly. Doc: "what's bothering you?" Luks: "I've been having a lot of pains lately. My bones feel sore, I get frequent headaches. I bleed, sweat at night...just a whole list of everything. I don't even eat because I lost my appetite." Doc: "have you been coughing? Urinating more often than usual? Fatigue?" Luks: "no I hardly cough, I'm just always tired. I hardly use the bathroom either. I just struggle to breath from time to time." Doc: "oh." He got up and took a kit, wore his gloves and opened it. Doc: "have you eaten?" Luks: "no." Doc: "you have to eat a proper meal, I need to draw out some of your blood and take it to the lab for testing." Luks: "what's gonn happen if you take my blood without me eating?" Doc: "its best if you do. I'll wait an hour For you, come straight back to me." Luks: "k." He got up and went to buy food. He ate in his car while driving back to the hospital. When he was full, got out and walked straight back to the doctor. Doc: "good. This will hurt just a little. Relax." Luks: "how do you expect me to relax?" Doc: "I need you to trust me okay?" Luks: "fine." The doctor drew out his blood. Luks: "aaaaahhhwwwchhh!" Doc: "I'm done..." He wiped the area and gave him the cotton for it, she placed the stored blood and labeled it. Luks: "when do I come back for it?" Doc: "3 days to a week." Luks: "what do I do with myself in the meantime, while I'm feeling like this." Doc: "I can't give you pills for something I'm not even sure of." Luks: "what do you think it is?" Doc: "it don't matter what I think. We'll wait for the results." Luks: "please....talk to me. I can't focus on anything anymore. What is it." The doctor looked at him.... Doc: "I prefer we waited. Is there anything else you are unfamiliar with?" Luks: "I get confused. I don't know how, sometimes I don't recognize places, names or other

things..my eyesight is another problem." Doc: "I would suggest we go for a MRI scan, as soon as possible." Luks: "Why?" Doc: "just to make sure nothing is damaging your organs internally." Luks: "right now?" Doc: "next week. I'll push for your results to be done earlier...maybe give it 2 days but that's the best I can do." Luks: "not even tomorrow? I can pay whatever amount it costs, I just want to get better." Doc: "they working through the night already. So 2 days is the best they can do. I'm sorry, but you'll have to wait. I have to admit you in hospital." Luks: "that is not going to happen." He got up. Doc: "sir, its for your own good. You can get badly hurt." Luks: "how can I get hurt at home huh?" He walked out to settle his bill and went straight home.....

I was sitting on the floor with my babies. Lutha could crawl to wherever he felt. Meaning I had to be more alert because yena ngu grab and eat. Maybe we should get locks on the cupboards at the bottom. Lukhanyo walked in. Luks: "hello.." Me: "hey sweetheart." He lay on his back next to me. Luthando came rushing to him and tried to climb on his chest. Me: "baby uryt?" Luks: "hm.....ouch.." He flinched when Lutha was half on top of him. Luks: "khambeke aphe camkwam babe, yandisinda." That just pained me to the core. No lie. It broke my heart. Me: "kub'hlungu phi?" Luks: "chest." I took Lutha and sat him next to daddy. He rolled over on his tummy and lay next to his father. Luhle was falling asleep. Me: "uphi uLubabalo?" Luks: "andimazi." He actually couldn't remember but how could he mention that? I took Luhle and breastfed her to sleep. Its been a while they were breastfed. Lutha saw this and grunted disapprovingly. Luks: "zolala kdala, tshongobano mona apha." Lutha looked back at him and back at me. He started crawling around his father and came to us. Lukhanyo grabbed his leg. Luks: "uzoba stout wena. Cinga ubu rhwiphilili nje. Uyokwenza nton pha! Ndik'baqile nala look yakho. Izapha." He pulled him back. Lutha lay by his head and played with his ear. Luks: "awww bethuna unyana ka tatakhe." Luhle was fast asleep by now. I took her to her cot and went back to the lounge. Me: "awulambanga sthandwa?" Luks: "a.a Mrs Me, enkosi. Just ate not so long ago." I made myself an SBS lol leka Lubby and ate it with juice.. My phone rang. Me: "hello?" Lubb: "hey." He took his son and went to the bedroom, locking his door behind them. 😳O.o what the? Okaaaay. Smilo and the guy sat down. Sizwe went to the bedroom and knocked on the door. Sizwe: "lukhanyo." There was no answer. Sizwe: "you better open this door before I kick it open!" Me: "tata." Sizwe: "uthen na lomfana." Me: "dad, its no use. Lubabalo went in and closed it behind them, he sat next to Lukhanyo and Luthando on the bed opening the meat. Lutha reached his hand to grab a piece. He pulled a juicy wing and shoved it to his mouth. Luks: "kodwa my boy yinyama yam lena and uzobethwa ngumamakho ngcolisa ibhedi.." Lutha suck on the meat and kept quiet. Luks and Lubby ate. Lubb: "Lukhanyo..." Luks: "Lubabalo." Lubb: "I know khona into ondifihlela yona. You know exactly why you're sick. Utheni?" Luks: "and'na niks mna.." Lubb: "why are you hiding it from me? Lubb: "I don't want you to be offended when I ask, I am here for you fethu noba kuthen na." Luks: "andina Aids mna!" He whispered. Lubb: "khandithi unayo. I'm just worried.." Lutha choked. Lubabalo picked him up and gently hit his back. He spat out the meat. Luks: "ndiye sbhedlele for blood tests. They wanted to book me in ndilale pha." Lubb: "and why didn't you?" Luks: "I'm fine aphe ndlinam. Andiyi ndawo." He played with his fingers nervously. Lubb: "ziphuma nin results?" Luks: "the doctor is pushing for 2 days time...that's if they're able, naye akekho sure." Lubabalo was afraid too all of a sudden. Luks: "lubabalo." Lubb: "you're gonn be okay man Lukhanyo." He tried to convince himself too. Luks: "can you promise me?" Lubb: "anything.." Luks: "whatever happens to me-" Lubb: "lukhanyo please." Luks: "fondin listen. Anything that happens, don't ever abandon my kids. Andifun basokole like I did...promise me Lubabalo." Lubb: "I promise." He held his tears. Lubb: "uzoba grand sani.." Luks: "and my wife...angabi na worry. I'll always be there for her...don't let her lose hope. Ungam'valeli ndlela..I just want to see her happy." A tear escaped his eye. He held his hands. Firmly together. Lubabalo let his tears fall down. Lubb: "I can't believe we can beat anything together and be scared zi blood test results." They giggled. Luks: "zange ndagula lewei fethu, I can feel it in my bones....and after everything we've been through. I guess this is it, 560." Lubabalo hugged him tightly shaking.. Lubb: "look at us crying like we little bitches." Luks: "nguwe okhalayo. Jonga uhlekwa nangu Luthando." Lubb: "you'll be okay man, Lukhanyo. I swear."

Chapter 417

Smilo walked in the bedroom. Lukhanyo and Luthando had fallen asleep. Lubby had on his earphones, reading the Bible on his phone. Smig: "Lubby." Lubb: "Ta Smig." He wiped his face. Smig: "I want you to listen carefully, ngu Sinethemba lo sihamba

Smilo: "you were here with him for hours, njan ungayaz?" Lubb: "Ta Smig...I don't know." He got up and went to the lounge. Lubb: "Linkie, ungamphakeli namhlanje. Lukhanyo says he's not feeling well." Me: "utheni?" He shrugged. Lubb: "sine?" Sine: "molo Ta." Lubb: "hayi, undincede andingo Ta mna. Ndingu Lubby, kanye Lubabalo kanye Lubb" sizwe: "sik'vileeee!" Sine laughed. He seemed pissed off but happy. Lubb: "undijonga nton? Ndjinga uqhoki?" Sine laughed again. Babesazi Nkosi yam he has a crazy cousin. What the hell is uqhoki? Me: "yinton leyo Lubby?" Lubb: "uzungayazi." Me:"what are we having for dinner?" A phone beeped out loud. Lubb: "kukho iKriket kulendlu na?" Sine took out his phone and checked his message. Lubb: "Oh, my bad." He rushed after Sinethemba.....

Zintle and Lungelo were in his house. She was making dinner. Lungelo: "yazi baby. Ndifownelwe ngu tata ka Melusi. He's trying to find answers, apparently kwabhanjwa umntu but they can't find evidence. So yayekwa." Zintle: "did you investigate?" Lungelo: "well I spoke to the guy that last saw him." Zintle: "uthini?" She closed the pot and sat next to him. Lungelo: "he reported him missing, kidnapped by 3 guys. Abay 2 ngamawele...they left with a black Range Rover." Zintle: "and then?" Lungelo: "apparently bambethe kakubi, and he believes those guys might have killed and hid the body." Zintle: "oh my God, that is just plain cruel." Lungelo: "Lubabalo has a twin." Zintle: "no, he has a brother qha. He told me about him." Lungelo: "baby, I'm not asking. They went to my restaurant together with this other guy, remember the day wayezo cela uxolo...besuka pha." Zintle: "are you trying to say Lubabalo killed

your friend?" Lungelo: "khandiy'thethelonto. I'm just being honest with you. Melusi's father ufuna undiqesha to find out what happened. Now problem is, he could be my big break. But, Zintle, the choice is up to you. Kudala ndisithi Lubabalo makangand'nyeli. I told you he's dangerous." Zintle: "ndiphendule man lungelo!!" Lungelo: "I'm not saying he killed him. But its possible. If the witness recognizes him and his bro....kuzoba nzima." Zintle: "you want to put him in jail?" Lungelo: "awundimamelanga na Zintle, ndithe mos the choice is up to you. I want you to know." Zintle: "lungelo! UBuhle akakwaz ukhula without utatakhe." Lungelo: "nawe awukwaz uphila without Lubabalo." Zintle: "that's not true. I love you ngoku..and I'm with you." Lungelo: "I'm going to decline. I'm going to slow down career yam. For WENA. Zintle please don't disappoint me..this is the second time lo Lubabalo intervenes kwi career yam. Still, ndiyamyeka. Ndiyak'thanda Zintle, I'm in love with you...and I can't bear to lose you. Even if it means losing myself first." Zintle: "thank you.." He took his phone and called Mr Siwisa. Melusi's father. Lungelo: "molo Ta." Mr S: "molo Lungelo, I hope you have good news for me." Lungelo: "uhm...tata, unfortunately not. I can't do it." Mr S: "lungelo, ndiyak'cenga nyana...I will pay whatever amount! Andilali ebusuku, ndibona intwana yam idada emanzin abomvu. You've got to help me find him!" Lungelo: "tata, I'm only a lawyer, not an investigator. Andiyazi ndizothi uphi." Mr S: "Lungelo you can push for them to re-open that damn case! Help them investigate! You are connected and powerful enough to find anything that might lead to his disappearance!" Lungelo swallowed hard.. Lungelo: "celu xolo tata. I can't." He hung up..

Zintle: "I'm sorry I had to make you do this..." Lungelo: "yayaz Zintle I'll do anything to make you happy." He sat uncomfortably. Lungelo: "into ebuhlungu is that his father is having nightmares of him. Meaning he could not be alive.....mbiza ayitshi?" Zintle went to the kitchen and checked on the pots. Lungelo lay on his couch staring at the television. Lungelo: "I've got an appointment ngomso in Newton Park." Zintle: "what's it for?" Lungelo: "my psychologist." Zintle: "what for?" Lungelo: "its to prevent me from having anger problems or solving things nge violence." Zintle: "why?" Lungelo: "ever since wasweleka tata, I couldn't socialize with others. I was a little schizophrenic. Spent most of my time alone, so mama wandisa kwii psychologists so that ndingavukelwa zeza nqondo." Zintle: "have you ever beat a woman before?" Lungelo: "No...I slapped a girl's hand once though, does that count?" Zintle laughed. Zintle: "for what?" Lungelo: "she kissed tshomi yam...bek'funeke ndithin? So I slapped her hand and pushed her out my flat. Called her a cab yam'godusa...I don't know why people keep expecting me to be a monster. Nezi classes mna andi understand why I have to go but ke better safe than sorry.." Zintle: "you just so sweet yazi?" She

switched off the stove. He pulled her into his arms, kissing her. They sat on the couch, holding each other. He stopped kissing her and lay back. Zintle: "what's wrong?" Lungelo: "akhonto love.." Zintle: "why did you stop?" Lungelo: "I'll be ready for you, when you're ready for me. Sundihoya mna.." Zintle: "I am ready..." Lungelo: "you sure?" She leaned over and kissed him again. He picked her up and carried her to the bedroom.

Laying her on the bed...she heard her phone ring. Lungelo: "your phone...maybe its your dad." She picked up. Lungelo continued to undress her slowly, caressing her body...nibbling and licking her skin. Zintle: "hello?" "Hey.." It was Lubby. Lungelo slid up her dress, parting her legs. Zintle: "hm?" Lubb: "I was just checking, you okay?" Zintle: "yes.." Lungelo hands rubbing on her skin between her thighs...zintle: "ufuna nton?" Lubb: "nothing ndiyancokola qha." Zintle: "well I'm busy. Sothetha ufika komntana." Lubb: "kalok ngaban xesha." Zintle: "I'll call you. Bye." She hung up and tossed it far away. Lungelo: "he will never give up." Zintle: "sorry love.." Lungelo: "andinayo ne worry mna baby..." He kissed her thighs, tracing his tongue up to her underwear. He bit it slowly. She breathed out loud. His thumb rubbed it gently and he took them off. He kissed it and licked it once taking off his trousers. His shirt. Vest. Underwear. He took off her dress and bra. Lungelo: "your body look so nice..." Zintle: "yours too.." He kissed her lips, rubbing her softly. Lungelo: "babby...you mean the woorrld to me." He sang. She laughed at his poor singing. Lungelo opened his drawers. He took out a packet of Durex condoms and put one on. He kissed her breasts, sticking a finger inside her. Then a second one...he bent down and sucked his teeth into it. She moaned and groaned in pleasure. Its been a while since she felt this. More than a year to be exact. She could feel the electricity rushing through her and leaking out the bottom. Lungelo: "woow..." He pulled out his fingers and used his tongue...he lifted Zintle's leg up to the air, and dug his tongue in. She screamed his name. Lungelo: "yees baby...iza.." He rubbed on it with two fingers. It came rushing out. He got up and placed himself in. Lungelo: "tell me when I'm going too fast..." Zintle: "okay.." She moaned. He placed his hands on either side of her, pushing his lower waist in slowly. It felt like he was dancing...moving only his waist. Her heart was floating. Whole body shaking. He held the headboard with one hand and pushed further in a rhythmic movement. Zintle: "ohh my g-" he lay on top and kissed her, holding her body tightly moving gently. His body upped the pace. He breathed and breathed. His body failing him. He thrust in deeper and groaned out loud. Releasing from the cage he'd been in for his whole life. He lay his head on her. Lungelo: "awuse mandi mntu wam. Damn...akhandikwaz noz'bamba.." Zintle: "I couldn't either.." Lungelo: "I hope this doesn't change anything between us. I know

I'm not exactly-" Zintle: "MPA!!! Tshi. Uzazi kakhle uyiyo. Unezmanga man sies.."
She kissed his head. He laughed. Feeling his heart break open for the first time..he
was free. From everything... Lungelo: "uyandomeleza yazi." Zintle: "oh baby,
uyathanda undililisa ke wena xa uthetha." Lungelo: "but I want to tell you why..."
Zintle: "tell me what?" Lungelo: "why my father is dead."

Chapter 418

Lungelo: "please don't judge me.". Zintle: "I've seen worse things happen Lungelo.
What's wrong?" Lungelo: "its just.....I've never been this close with anyone. I don't
want to lose you." Zintle: "you're not going to...you just need to tell me the truth."
Lungelo: "as you already know, my father abused us sonke endlini..he used to beat up
my mother so bad..nam andibhethe, used to burn me, jonga pha emqolo." He had
burn marks on his back..she was heart broken. Lungelo: "ndiyaz'thanda though, they
represent who I am, where I came from...and how I built myself to be what I am.
They're my motivation. There was this one time ndivela esgela. Tata andibuze
ndisuka phi, I tell him eskolwen. He flipped and wanted to hit me because beku late. I
don't know what was wrong with mama that day, but zayengekho right. So he got up
and hit me...over and over again. Until I heard a loud bang. Realized akubethwanga
mna. I looked up and saw my mother holding a broken vase. Tata eleli phantsi ekhala.
My mother yelled at him, I...." He stopped and regained his strength. Lungelo:
"she....." He swallowed. Lungelo: "she stabbed him to death enomsindo.....I saw
her kill my father." Zintle: "hayi man Lungelo." Lungelo: "well, we had to cover it for
some reason. I didn't understand then. But when the cops arrived, we said it was a
robbery. Ndafunda ngelaxesha uxoka nobumenemene. I had to come up with a story
to save my mother. She regrets what she did babes....and everyday when she calls I
can hear it in her voice usava kabuhlungu. She doesn't want me to turn out like him.
That's the reason why endisa kwi psychologists." Zintle: "this is painful Lungelo,
seeing your mother kill utata is just too much.....are the classes helping?" Lungelo:
"I'm alright mna babes...oyena mntu who needs them classes ngu mama, she can't deal
with the public, uthi ingathi everyone knows what she did.. Yes nam, ndandi anti
social for a while. But I preferred being on my own. Then I met you...you complete
me." Zintle: "I'm sorry about what happened love..honestly.." Lungelo: "its
cool...okay, we got that out the way..that's me ke, my boring life. Unfortunately
nothing exciting often happens to me." Zintle: "nam ndiyabhora nje ndifana nawe."
Lungelo: "nah you not...I like traveling a lot. I went to Italy for the holidays nomama
and Thando. And for once she relaxed." Zintle: "I like traveling too...I've been to

Paris.." She bragged. Lungelo: "lucky fish! Damn, kudala ndifuna ke...qha Thando likes Italy because uyay'thand iArt and all that stuff. Wandicenga nyan." Zintle: "being a big brother sometimes..." Lungelo: "thanks for being understanding ngalento Zintle..." Zintle: "I don't mind babes." He kissed her breasts again. Zintle: "azophuma ubisi ke." Lungelo: "aryt, as long as they're mine." Zintle: "all yours...awulambanga?" Lungelo: "ndilambele lena..." He kissed her neck and sucked on it. Zintle: "kunin ndik'lindile??" She turned him over and climbed on him. Lungelo: "oh really???" Hmmm....." He bit his lips. Her hands held it and rubbed it back and forth. Lungelo: "oooooh....." He groaned. Zintle: "aren't you hungry...." Lungelo: "VERY hungry sthandwa sam..." She put him in his mouth and pushed it to the back. Lungelo: "ahhhh....." He pulled her up and took out another condom. She sat on him and moved slowly. Zintle: "yes...." Lungelo: "babbyyyy!" He turned on top of her and went faster and faster.... Lungelo: "sthandwa sam??" He groaned. Zintle: "yess! Lungelo!" She screamed. He turned her around and slid in slowly from behind. Starting the rhythm again. Only his waist moved, sideways, in, out..... Lungelo: "khand'vulele babes." She lay on her chest. Put her knees up and held as high as she could. Lungelo: "that's my babe...." He went in further and harder. She was shaking and breathing louder than before. Lungelo: "I got you baby....come on..." She moved with him. He choked on his breath. Lungelo: "fucck...." He gasped out loud. Zintle: "I'm almost there baby..." He growled....lungelo: "almost?" Zintle: "yess!!!" Her climax came tumbling down...he collapsed on her back too. Lungelo: "yeses...." Zintle: "you are a freak." Lungelo: "yondixilela ke mntu wam kwelo cala. I like to talk..." Zintle: "I've noticed...khame ndiyophaka." Lungelo: "but bab-" Zintle: "a.a Lungelo, you have got to eat." Lungelo: "ok ke mfazi." She went to dish up for them, they sat in bed and ate together. Lungelo: "hun...I have to meet Paul, in an hour. Kukho something we have to discuss." Zintle: "ngel'xesha Lungelo?" Lungelo: "come with me babes. Its nothing wow, just a little meeting about our firm. This is the only time he has free." Zintle: "its okay babes, iya...I'll take a nap so long." Lungelo: "alright...I'll be quick though, ungang'shiyi kakhul ngobuthongo va.." Zintle: "okay my love.." He got up and took a shower. She was still craving him. Her body ached for his touch, the love..she just wanted to hold him but didn't want to seem too clingy and annoying. So she let him leave. He got out and got dressed. Lungelo: "kuthen ngath ubaby uqumbile nje." Zintle: "I'm not." Lungelo: "you can't even lie sthandwa sam." Zintle: "I don't want you to go ke..." Lungelo: "aww babes. Ndizobuya njena..it'll be quick honey. I promise..." He kissed her cheek, grabbing his keys.. Lungelo: "ndiyeza ke va? Feel at home..." He walked out and took his car driving to his meeting with Paul.

He arrived and went to the table they'd booked. Paul: "evening." Lungelo: "hello."
Paul: "kunjani?" They shook hands and sat down. Lungelo: "I feel like I'm on top of the world." Paul: "I knew it, I fuckin knew it. You're falling really hard hey." Lungelo: "yoooh Paul fethu. Mxm...anyway, what's up." Paul: "bro, I need help.
Iyandinqunqutha lakaka ecourt. Tuesday, he hit me blank ndaske ndaxakwa ndanya yuuuuh." Lungelo: "yinike mna. I'll handle it. Nangona ndingayazi niks about divorce cases." Paul: "aren't you busy with Melusi's story?" Lungelo: "Nahh..I let that ship sail..." Paul: "NOOO!!!! Uphambene Lungelo!!!" Lungelo: "we can't find the body. Dude, sizothini ke?" Paul: "which is why I'm partners with Mzansi's top lawyer! You know you could've dug it up somewhere bra! This is fuckin lame of you." Lungelo: "whatever Paul. Do you need help or nah?" Paul: "you caught feelings, you can hardly think. I like it better when you're cold and ruthless." Lungelo: "my skill is connected to my brain not heart. Unless I start going crazy, I know I'm the fuckin best." Paul: "will you take over or help?" Lungelo: "iza ne story kqala.." Paul: "the name, Thulani Lubisi, he's married to Bukiwe, have a kid together and lived in the same house, until Thulani 'got new friends' apparently wahlala kubo is'kakhulu...got new girlfriend. Matter of fact him and Bukiwe were never intimate. Baphelela ngok'ya kwenzeka umntana. His step father forced him to marry the girl. Basically yeah...yena ufuna divorce." Lungelo: "do they still live together?" Paul: "no...thulani got a new apartment, Bukiwe is with a friend in Central." Lungelo: "first thing first. How much is this Thulani willing to lose." Paul: "uthi she doesn't deserve a cent." Lungelo: "the court won't agree with him. She's his wife and unless she signed a pre-nuptial agreement then he's forced to half his belongings." Paul: "well, she already has the other car. Their house burnt down..due to mysterious circumstances." Lungelo: "le ndawo ahlala kuyo uThulani can't be under his own name. He'll have to share that, all you have to do is prove Bukiswa or whatever is a bad wife." Paul: "how?" Lungelo: "I'll take care of it...funeke siyotshintsha..." Paul: "thanks bra..." The waiter brought drinks. Lungelo: "I hope this is non-alcoholic." Paul: "why did you decline utaka Melusi?" Lungelo: "I already know who did it." Paul: "who?" Lungelo: "whatever I tell you Paul, you don't breath to no soul. Or else....." He warned. Paul: "I have never betrayed you Lungelo and I never will." Lungelo: "I have a feeling ubulelwe ngutata womntana ye girlfriend yam." Paul: "what?" Lungelo: "I checked the records. Kwa bhanjwa uLukhanyo Mzinyathi. But the picture shows Lubabalo. When I saw them together, it clicked to me that they're identical twins. The witness that was discredited in court ngenxa wayenxilile and had drugs on him, states it was a set of identical twins. Behamba neny awti emhlophe. Every time I research ngabo...everything goes blank. Meaning they have something to hide. But ke my babe

told me to let it go." Paul: "and you're going to let it go?" Lungelo: "I just want to make her happy. Whatever those rich play boys do is none of my business." Paul: "if bendinguwe mna. I would have taken it. Kudala nday'thetha lento yakho yongabina cheri, the one girl you want to date ngulo uzok'hurtisha kakhulu. She could easily leave you for her baby daddy any day of the week." Lungelo: "she won't hurt me Paul! Zintle akafan namanye amacheri, if bengand'fun she would've been with him already. Cheese boy yentwana leya that's forever bragging nge mali." Paul: "taka Melusi has a lot of connections he'll build us all the way to heaven." Lungelo: "I've made my decision. Andizophinda ndijike. Are we done?" He paid the bill and left.

The next morning...

Lukhanyo woke up and went straight to the toilet. His body was shaking and weak. Lubabalo walked to the bathroom. He didn't ask questions. He held his shoulders still while he threw up. Then flushed the toilet. Lubb: "you good?" Luks: "for now..." He whispered. He washed his mouth and they walked to bed. Lubb: "ima make you some toast and juice.." Luks: "yeah..just one slice ne." Lubb: "2. Khangе utye izolo...you just have to hang in there for another day, kufike ezi results. Then we'll get you treatment ube grand." Luks: "and if it doesn't have a cure? Sizothin?" Lubb: "soze ingabina cure Lukhanyo. Aids yodwa engeka bina cure. And wena awuna Aids." Luks: "i don't know anymore..." Lubb: "mxm..when Lihle had your babies, zange kwenzwe blood tests? When you got shot didn't they do blood tests?? If bikhona ngenixelelwe. Suba sour man nawe." He got up and made him two slices of toast and orange juice. Lukhanyo ate the bread slowly. Drinking the juice. Luks: "so Buhle's coming today." Lubb: "yes! Heeee, yaz uZintle is acting weird now...und'dropele nge phone izolo." Luks: "meaning akasafun uk'entertainer. Shame." Lubb: "why is she with that idiot?" Luks: "you are with u LIYA! Duhh!" Lubb: "I know, all I'm saying is that she could do better you know?" Luks: "problem with you is, you feel intimidated by the guy. You know for a fact. Uk'shiyile. Live." Lubb: "erh...excuse me? What's my name? Ushiya ba? Nigga, always playing victim. There's nothing special about him." Luks: "awumbi xa unomona. Yuuuh." Lubb: "mxm..let me call my Liya." Luks: "please do me a favor." Lubb: "what?" Luks: "akak'fun uZintle. Let it go." Lubb: "I let it go...but every time ndim'bona. My heart just jumps and runs after her like a headless chicken!" Lukhanyo laughed. Luks: "oh?" Lubb: "qho xandimbona man...I can't explain. Uyandaz ke nawe, andikwazi ubayi fake mna and pretend." Luks: "you have got to be fake if you really want her to come to you. The moment you're distant, uzoba ne doubts, amane ngoz'buza uryt na..." Lubb: "ne?" Luks: "or she might be glad you have finally fucked off. Angak'hoyi naye." He laughed. Lubb: "mxm...ndizobuya late. Ima bath and wear you navy shorts." Luks: "kudala uzifuna kakade, noba uyavuya nje ndibitya." Lubb:

"heeee. Yabona ke." Luks: "go shower quick.." He got up and took a shower. Then walked back to the bedroom. Luks: "vula pha k'la cupboard." Lubb: "you are so neat, rhaaa, re-arranged impahla zakho nge color? Hay unesithuk'thezi." Luks: "ndizohlala ndenze nton imin yonke?" He found the navy shorts. Already ironed. Luks: "nala shirt inavy..." He took out the navy shirt. Luks: "nantsoke. Qibezele ngala gentleman nton nton..le iBlue ye suede. Uy'tye yonke." Lubb: "ndaske ndafana nawe ke ngok. This is definitely not Lubby." He tucked in the shirt. Wore his watch and Lukhanyo's chain, puffing his cologne. Luks: "Ta Luks kwedin!" Lubby laughed. Lubb: "khame ndizobuya late. I want to be seen in this outfit bade badikwe abantu. Funa noLosta andibone. I'm looking hella fresh today." Luks: "hamba ndingekak'khulul ngomona." He smiled. Lubb: "bye!" He walked out getting into his car and drove to Summerstrand to pick his baby up. He would go to Liya and take them both out for the day. He called her to make sure she could. lubb: "babes?" Liya: "morning love..." She had just woken up. Lubb: "wenzani?" Liya: "ndiyavuka mntu wam, wena?" Lubb: "I'm driving. Baby, can I ask you a favor?" Liya: "what's up?" Lubb: "I want me and you to go out for the day, sihambe noBuhle is that okay?" Liya: "that's fine babes, I don't mind.." Lubb: "are you sure?" Liya: "ewe love...let me get ready quick." Lubb: "okay, I'll call xandisiza." Liya: "sho." He hung up and breathed a sigh of relief. He parked by the building and walked to the entrance. A tenant who was leaving let him in. So he climbed the stairs. In his mind, he reminded himself to 'pretend he didn't care' it was the best option maybe in a few days' time it will all go away. "Just block out the feelings." He said and knocked on her door. Zintle opened. Lubb: "h-helloo." He stuttered. Block the fucking feeling lubabalo Goddamit!! He yelled at himself in his thoughts. Zintle: "hello. You're early." Lubb: "yeah well I planned the day out already. So..." Zintle: "uh-huh. Okay, ngena ke. I'm just getting her ready." He walked in and sat down. Zintle packed Buhle's bag with diapers and extra clothing plus her med's for just in case. Zintle: "do you remember how to feed her?" Lubb: "brief me real quick." She showed him again. Lubb: "okay, ndiyakuva." Zintle: "alright, here." She gave him the baby. Zintle: "you look nice." Lubb: "nyani? Its usually my bro's look...do you like it?" Zintle: "yeah, its cute. Nihambe kakhle." He smiled shyly and got up. Taking the baby's bag and little blanket. Lubb: "okay. Ithi bye mama." Buhle smiled. Lubb: "say byeeee..." Zintle kissed her baby goodbye. Lubb: "simkile." Zintle: "sure." He walked out the flat and put Buhle in her seat. Just as he finished and went to his door. The sleek Jaguar parked next to him. Got out the car and wore his shades. Lungelo: "molo." Lubb: "mxm...." Lungelo laughed and walked to the building. Lubabalo got in his car and drove to Liya's house. When he got there. Her father stood by the gate...

Chapter 419

Lubb: "oh God, really? Today?" He parked the car and sat still. Buhle was sitting there in her seat with her big brown eyes wide open. Her mouth set in a firm pout. Lubb: "baby wamm." Her eyes darted to her dad. Lubb: "come here boo-boo." He reached over and took her out her seat and they climbed out the car. Lubabalo walked toward Liya's dad. Ta: "what do you want." Lubb: "tata, ndicela uxolo...I just want to iron things out here." Ta: "I want to have a word with you boy. Yabona uLiya, ngumntanam. Therefore when you break her heart I will break your neck. You hear me? Ungazodlala apha qiba kwakho yokwenza ubu rubbish and come back with babies! I am not letting you hurt my daughter again. You have done enough. Zekhe net abuye engekho right. Ndiyokwehla kwedin kakbi!" Liya came out. Liya: "dad..." Ta: "if he does anything.. You call me. I'm expecting you home by 7 tonight, sine family meeting." He turned and walked to the house. Lubb: "you look beautiful." Liya: "enkosi..you too." Lubb: "ncaaw jonga you're beginning to show.." Liya: "yeah..tata uzoxelela ooTanci...etc." Lubb: "okay. Akho ngxaki then." Liya reached over at Buhle. She smiled at her, holding her step mother's finger with her chubby little hand. Liya: "she's so cute." Lubb: "masamben..we going on a picnic." Liya: "can I hold her?" He gave her the baby and got in the car. Liya sat at the back holding Buhle. Lubb: "uphi uLiwiwe?" Liya: "he went house hunting noMwali. Demi?" Lubb: "yeke khame ndim'fownel." They started at Spar and bought a few snacks and some juice and yogurt then left for the park. Liya: "you'll call her when we get to the park, you can't be on the phone while driving worse sihamba nomntana." He drove in silence while Liya chatted with Buhle at the back. He kept checking them on the rear view mirror. Liya: "I think she's Sleepy." Lubb: "yeah, but funeke atye kqala." They drove in the parking lot and got out. Lubb: "you can manage?" Liya: "yes babe.." Lubby found a spot where they sat down and relaxed.

Lubb: "its such a chilled day." Liya: "babe?" Lubb: "hm?" Liya: "I feel like kukho idistance between you and me...I hate that a lot. I want you to be honest with me. I promise I won't be mad or stress." Lubb: "truth about inton ngok?" Liya: "you can't stand me...uyandonyanya and the only reason you still with me is because you hate being alone. And she doesn't want you anymore." Lubb: "Liya..." Liya: "no lubabalo...don't apologize for nothing. Ndiyenze ngokwam lento I should've known." Lubb: "look, I just want us to move on from this, okay? Yenzekile and we can't change it." Liya: "you're not being honest." Lubb: "I just want to start from the beginning...give each other breathing space." Liya: "as friends." Lubb: "no..Liya ungumama womntanam. You're not expecting me to treat you like a friend." Liya: "I

just can't bear to continue with you like this. Indivisa b'hlungu kakhulu." Lubb: "like what?" Liya: "like I'm nothing to you. Just a shag qha whenever you feel like it." She wiped her tears. Lubb: "bab-" Liya: "I need to know where I stand...I accept ba Buhle is your baby. I accept Zintle and apologize, now funeke ndiphinde ndidlale undize nawe...your actions make me doubt you. Its as though the only reason you're with me is because of the baby I'm carrying." Lubb: "ndiyanithanda nobabini nalomtana wethu nje Liyabona." Liya: "it doesn't feel that way.." She sniffed. Liya: "but akhonto wethu Lubabalo. You've always been this way sisadyola qha ndaqhatwa yile ring bundinika yona...I don't hate you, I'm not mad at you. If you want us to be like this. I'll give you that. And when you're hurt again ufune ezinye impundu for ukuthuzela." Lubb: "kuthen uthetha lewei fondin?" She kept quiet and played with the baby. Liya: "can you pass me her food?" Lubb: "liya." Liya: "or you gonna feed her?" Lubb: "awuzond'phendula?" Liya: "yilento uy'funayo mos. You want me as back up. Nayo i-back up iphelelwa si-space. Lubb: "cela siyeke thetha ngalento please." He gave her the baby's food. Liya fed Buhle, while playing with her. Lubb: "so uyand'lahla ol'hlobo?" Liya: "I'm giving you the space you want to go around and play as much as you like." Lubb: "you met someone?" Liya: "yes." She lied, what someone? She hardly left her house. Lubb: "nguban lowo liya?" Liya: "just someone..." Lubb: "name..." Liya: "uhm..ngut-thabo." Lubb: "awusa xoki man." He laughed. Liya: "ndiryt." She wiped Buhle's face. Lubb: "I know you love me...soze undenze lonto. Nangok ufuna ndi-reacte, but Liya uyayaz ba ndiyak'thanda. We'll get through this." Liya: "xakuthande wena." She lay on the ground and placed the baby on her chest. Lubb: "don't hurt yourself, mnyuse kancinci." Liya put Buhle next to her. Lubabalo took a picture. Lubb: "jonga." Liya: "looks pretty.." Buhle started fiddling..her head on Liya's stomach. Lubb: "ayisozeli le.." Liya: "nam ndine ndawo eyozelayo ngok.." Lubb: "aren't you gonn eat babe?" Liya: "I'm feeling a bit sick." Lubb: "maybe lilanga?" Liya: "I guess." Lubb: "masiye ndlin ke xa ungaphilanga, so that you lay down for a while. We'll play at the pond. Ndifuna nothetha no Demi." They got up and left for his house.....

Ta Smig got to Lukhanyo's house and woke him up. Luks: "khayeke man Ta.." He mumbled. Ta smig: "khavuke kalok nyana.." Lukhanyo got up and looked at him. Luks: "hm?" Smig: "sela apha." Smilo got up and fetched the little boy, laying him next to his father. Luckily Luthando was in a quiet mood of his own. He held his father's face and made quiet sounds by himself. Luks: "boy yam.." Lutha grunted. They fell asleep together.. Lukhanyo woke up hours later feeling refreshed. Lutha was still asleep, his legs apart and mouth open. Luks: "ntwana ka tata. Vuka alok." Me: "myeke man baby alale.. How you feeling?" Luks: "I feel great..." Me: "good, ndicela uk'thuma kwa Spar." He got out of bed and went to shower. Luks: "love, khand'khuphel mpahla." Lukhanyo sat with his daughter and called his brother. Lubb: "hello.." Luks: "hey." Lubb: "hi." Luks: "moloou." Lubb: "what's up." Luks: "what you doing?" Lubb: "ndizogodusa umtana..wena?" I hugged and kissed him. He took his keys and walked out, driving to Spar first. He bought the items and went to the restaurant. Lubabalo was already waiting for him. Lubb: "hey, you seem better." Luks: "yeah, Ta Smig brought me some traditional medicine. Tastes like calamine." Lubabalo laughed. Lubb: "as long as isebenza." Luks: "yeah well...masingen.." Lubb: "jonga ikhona lento." Luks: "why are you hating on the guy?" Lubb: "he doesn't deserve my love." Luks: "to me, it looks as though he doesn't really give a fuck." Lubb: "khamjonge. Lubb: "what are you doing here?" Luks: "yeah, what are you doing here, Lihle says uya kwi Lawyer yakho. And I don't see no lawyer." Thulz: "this IS my lawyer. NguLungelo Moni. Luks: "you two are in love shame. Andifun nova." Lubb: "love will make me kill him. Burn him and bury him my fucking self." Thulz: "you wouldn't want to do that..." They both stared at him. Lubb: "Thulani..." Thulz: "I'll see ya'll later, ndisayo landa umntana eskolwen." He walked out looking irritated. Lubb: "what's up with him?" Luks: "utyiwa zii-frats ze divorce uThulz, masiqibe man apha, I'm getting hungry." They went to order their meal. Lungelo: "ndiphumile Brian." He walked out and saw Thulani sitting in his car. Lungelo: "you okay?" Thulz: "nd'zoba grand.." Lungelo: "I know brothers can be annoying buze apha kum ndamaz. Its worse for you, cuz you might feel left out." Thulz: "all the damn time, mna they don't ask how I feel about something, I'm always dragged along. When they don't want me around they run on their own. Lungelo: "ungathethi nje wena?" Thulz: "as if Lubabalo would ever listen." Lungelo: "the only thing I can assure you of is that yonke into ekwi gama lakho will never be traced back to you. Lungelo: "just sit back and let me do what I do best." Lungelo got in his car. Lubb: "why are they smiling at each other?" Luks: "whatever it is...we got to pull Thulani back in our corner. He's being distant." Lubb: "I'm not comfortable with this..yabona yena lamntu...I just need to find something that makes him tick." Lukhanyo smiled at him. Luks: "are you thinking what I'm not saying?" Lubb: "let's burn this motherfucker to the GROUND!" He hissed.

Chapter 420

Lungelo and Zintle were laying on the couch. Lungelo had just put Buhle to bed. Lungelo: "I missed you yazi." Zintle: "really?, nam ndikukhumbulile love...how did your meeting go?" Lungelo: "it was great..Thulani seems like a nice guy, he has his head screwed on straight and ngu brother we twins." Zintle: "did you have to?" Lungelo: "I didn't know until they just pitched up..." Zintle: "I'm beginning to think unento noLubabalo." Lungelo: "Heehake! How could I have known Zintle?? And I don't want to spend my night discussing your ex! Damn." Zintle: "aibo Lungelo, kuthen uthetha olohlobo nam?" Lungelo: "look baby. I'm tired of lubabalo this, lubabalo that. Its driving me insane." He said through gritted teeth. Lungelo: "asiphinde sithethe ngalomntu please." Zintle: "fine." Lungelo: "anyway, I'm giving my all kule case. Ndiqibele kudala ubase court. How are doing with getting your school things in order?" .. Lungelo: "babe?" Zintle: "hm?" Lungelo: "are you listening to me?" Zintle: "yes." Lungelo: "no you're not, ndiqibo thin kuwe?" Zintle: "something about court and school?" Lungelo: "am I boring you?" Zintle: "no babe...I'm just thinking about Khaya." Lungelo: "okay." He looked at the tv screen and let her "think" about her brother all she wants. Just as he was beginning to fall asleep. His phone rang. He answered: "someone better be dead or dying Brian." Brian: "Sir, I need you to come quick!!" Lungelo: "what's going on??" He jumped up and wore his shoes. Brian: "everything's burning!!!" Lungelo hung up. Zintle: "what's wrong?" Lungelo: "restaurant caught fire. I have to go." He dashed out the flat running to his car. He got in and drove off as quick as possible. His hands were shaking, that place was his dream. As he approached the scene, he could see the smoke already. He parked and ran toward his restaurant. It was too late.... Lungelo: "FUUUUCCCCCKKKKK!!!!!!" He screamed in anger and pain. The firemen tried to remove him from the burning building. Lungelo: "Ndiyeke maan!!" Fireman: "sir, we did the best we could." Lungelo stood by. He felt helpless. His whole heart broke in pieces. His workers stood by the crowd. Lungelo: "is there anyone hurt?" Brian: "only Bianca, she burnt her arm." Lungelo: "where is she?" Brian: "with the paramedics." Lungelo walked to the vehicle. Breathing in and out, trying to control his anger. He could feel his pulse, his temples, veins and heart throbbing angrily. He stood next to the girl. Lungelo: "hey sweetheart." Bianca: "evening sir, sorry about your restaurant.." Lungelo: "its not your fault dear. These things happen. How's your arm?" Bianca: "its sore." Lungelo looked at it. It didn't look pretty at all. Lungelo: "I'm sorry about that..I'll cover your medical bill, okay?" Bianca: "thanks.." Lungelo walked to the cops to give his statement.

Police: "we'll have our people look around....to check what could have caused the fire." Lungelo: "I'll be waiting." Police: "for now, there's not much for you here, you should go home. We'll call when we find something." Lungelo went to his Employees. Lungelo: "who needs a lift home?" 3 put up their hands, the others had their own transport. Thando and Khaya left with Lungelo too. He dropped them off at Zintle's place and drove off to drop the other's. Lungelo got home just before midnight. He smashed his door and kicked the glass table broken. He ripped the plasma off the wall and broke the home theatre system. He cut his left hand mistakenly. He felt numb with anger. Nothing registered anymore. No Love, No Hate, No nothing.

The next morning Phila was running late, almost 15 minutes. He knew Andile would have him for breakfast. He drove to work and got out, walking in a hurry. He was wearing his jeans and shirt. Noni: "Sande!" Phila: "not now Noni, I'm late." Noni: "yes I know, but come here." she jumped up and down. Phila: "you are soo dramatic, what's wrong?" Noni: "well, I wanted to tell you to tell your girlfriend, ndithengisa uAvon. Or even better, I have products ready, I can give you some for Valentines day..and you can pay later." Phila: "hun, its only the beginning of February. That is not even on my mind." Noni: "its the perfect timing bhuti!" She clapped her hands as she spoke. Noni: "what planet you from? Women love being pampered!" Phila: "do we have to have this conversation today?" Noni: "okay fine, Andile is in a meeting anyway, he won't be in until the next 30 minutes." Phila: "Thank God. Thanks." He walked to his office. Noni: "wait." She hurried after him in her heels. He entered his office and set up his computer. Phila: "yes?" Noni: "uhm...I like your shirt." He laughed. Phila: "thank you Noni, what do you want?" Noni: "its just that, I'm lonely throughout the year and I don't mind. There's just this one day that just bothers me." Phila: "shame man..uzokwenza njan kehok?" Noni: "maybe go to my grannies house ndihlale naye weekend." Pila: "well good luck with that." Noni: "so what will you be doing?". She sat in the chair and folded her arms. Phila: "don't you have work to do?" Noni: "not until Andile gets here." Phila: "well, Valentines day will be a normal day for me. Akhonto ispecial." Noni: "yeah..anyway, there's this friend of mine." Phila was a bit lost, he kept asking himself. Are we friends? Noni: "I don't know what I should do, so if I could get manly advice, do you think he might have a crush on me?" Phila: "errh...." He scratched his head. He was sure they weren't friends. Phila: "well, as a guy, you have two sides to you. It depends on what a girl puts out there. If uza ngobuhule, he'll treat you like a hoe. If uza nges'lady, he'll respect you." Noni: "okay, so what if he's shy?" Phila: "real men aren't shy damnit." Noni: "can I ask him? Like if he likes me and stuff?" Phila: "well, that's up to you Non'z." Noni: "oh, well, I'll ask him later." Phila: "I hope this guy is not me, cuz I'm happy in my relationship." Noni:

"hayi mpa tshi suqava apha!" Phila: "whatever." Noni: "oopsie daisy! Nank bhuti Andile." Phila giggled and she walked out in an orderly fashion. Andile knocked on Phila's door. Phila: "come in." Andile: "hi, you good?" Phila: "yeah, you?" Andile: "never been better, I need your help with something so when you've got time, pop by my office yea?" Phila: "I will do so." Andile walked out. This was odd. Andile being nice was so rare. What did he want? Phila went to him. Phila: "what's up?" Andile: "I can't find any information, k'le way intsha uy'fakileyo, it confuses me." Phila showed him how to access his info. Andile: "oh, ndidom mos ba kuphelele apho." Phila: "that all?" Andile: "yeah. Uhm...are you busy later?" Phila: "nahh, was going out on a Bro's weekend, but I think its being postponed. And'kho sure, I'll have to check with Lubb-wait why are we even talking?" Andile: "I thought we'd go out for some drinks but its chill wethu." Phila: "this is kinda freakin me out." Andile: "when I'm rude, you have a problem. When I'm nice you have another problem, ufuna ndide ndithin? Look I'm sorry for how I been treating you, I apologize for acting bitchy. Andithand ubane grudge against umntu ondisebenzisana naye on a daily basis." Phila: "oh. So, ufuna uthin kehok?" Andile: "that'll be all Phila. I guess I deserve your hostility." Phila: "we'll go for drinks later. On one condition, I choose the place and time." Andile: "ndizova ngawe." Phila walked out to his office to call Zuki...

The next morning Lukhanyo woke up and sat in front of the tv. It was quite early. Something was bothering him. Me: "babe.." Luks: "hm?" Me: "are you good?" Luks: "I'm good babe." Me: "sure, sure?" Luks: "yeah.." I washed Chuma and dressed him. He went to sit next to his dad in the lounge. I quickly showered. Wore jeans and sneakers with a crop top. I had to come back and clean this house. Lukhanyo made Chuma cereal. I made him his lunch. Me: "love, cela uvase uLuthandoluhle va." Luks: "k love." I took the boy to school and left Lukhanyo staring at the tv. He didn't know what to do with himself before his appointment so he just got up and bathed the babies. He fed them and sat on the bed. Lubabalo walked in. Lubb: "hey..look who's up." He sat next to Luthando and tickled him. He giggled and choked. Luks: "ngak'linge und'bulalele unyana wam. Xolo my boy va." Lutha rolled over and crawled on his uncle's lap. Lubb: "okay." Luks: "and that?" Lubb: "this divorce is getting to him hey." Luks: "awuse sour nje. Awumbon uqumbile umntana bantu? Ngenxa yakho?" Lubb: "excuse you paste. Nawe une influence.." Lubb: "that is just fucked up Thulani. Look, I'm sorry okay? We just thought you okay thina because awuthethi." Thulz: "well, I'm not. I'm fucked. Lubb: "asoze man awti I promise. You my bro. And if my bro don't like something, itsnot happening ayt? I'm really sorry about this. I didn't think it that far." He drove to Zintle's place. He thought of Losta. He's been quiet. Lubabalo called him. Losta: "yes?" Lubb: "ugrand?" Losta: "I'm good." Lubb: "yoh, uyawa k'le mood yakho kanene. He checked the parking lot and couldn't find Lungelo's car. So he's gone for real shame, poor thing. He thought. Lubabalo got to Zintle's door. He knocked. She opened. Lubb: "hey." Zintle: "hello Lubby." She let him in and to his surprise Lungelo sat in the couch and stared at him with the coldest look ever. Lubb: "molweni." He smiled. Zintle: "I'm just about to bath her real quick." Lubb: "ndizolanda apha." He sat on the couch. Zintle disappeared into the bedroom. Lungelo: "you got some nerve yazi." Lungelo: "you know I thought you'd be mature about this whole arrangement. Clearly not. Uzundibuze ku Jermaine. I will destroy you, little boy. You will suffer. And yazi the fact that you've never experienced intlungu other than missing a release date on the latest gadget. You'll know life. You'll know Me. All in good time." Lubb: "is that supposed to scare me?" Lungelo: "7 counts of manslaughter, 16 murders, 3 attempted, 2 armed robberies, and fraud." Lubabalo went cold. Lungelo: "what are going to do now? Kill me? Call Jermaine? Donkey? Lukhanyo? Slulamile? Phaki? Lara? Or even Anda?" He laughed. Lungelo: "problem with you is that, you are too predictable. You do the same shit over. Do you think you're God? Ndiyathetha kwedin." He stared at him. Piercing through his soul. Lungelo: "ya ne...I suggest usuke

Chapter 421

Lubabalo sat in the couch motionless. How could he have been so stupid? What the hell was he doing? He got up and walked to the bedroom. Zintle was dressing the baby. Lubb: "babes..." Zintle: "no lubabalo. ZINTLE." Lubb: "look, I don't trust this guy okay? And I don't think you're safe with him around." Zintle: "I wish you two could just stop yazi. Both of you are paranoid and obsessed with each other!" Lubb: "he's the one that's obsessed. Andazi ndimenze ntoni how the hell does he know so much about me!" Zintle: "maybe if you'd stop bitching about, he would leave you alone. How dare you burn his place down?" Lubb: "I didn-" he breathed. Zintle: "lubabalo, you can't lie to me." Lubb: "okay, zintle. I did it. But how does he know my stuff!?" Zintle: "he probably dug your in your past." Lubb: "you didn't tell him?" Zintle: "why would I discuss you? We have better things to do." He stared at her in surprise. Lubb: "better things to do? Zintle? Are you sleeping with him?" Zintle: "that is none of your business!" Lubb: "it is some of my business if you're going to be fucking around my child!" Zintle: "mxm. Thatha Lubabalo umntanakho. And get out." Lubb: "I don't want to fight with you, he's trying to turn you against me. Zintle?" Zintle: "ngok ufuna ndithin lubabalo?" Lubb: "if you really loved me, you'd help." Zintle: "are you tryna blackmail me?" Lubb: "so cacile bungand'thandi." Zintle: "lubabalo, I'm not helping you. Xolo, you did this to yourself" lubb: "so ufuna Buhle akhule without her dad....okanye you want to replace me with him?" Zintle: "its not th-" lubb: "nah. Kugrand.". He took the baby and her bag. Zintle: "lubabalo.." Lubb: "nah zintle. I said its fine." He walked out the flat and got in the car, strapping Buhle in. She started crying and screaming. Lubb: "baby shhhh..." She just didn't stop, she literally screamed her lungs out. Zintle came out and stood with them. She took the baby and calmed her down. Lubabalo stood a distance and looked away. Lubb: "yazi I can't believe you can be so cold? Or nguwe lo uthethe noLungelo ngam!" Zintle kept quiet and ignored him. She knew this was the worst time to reason with Lubabalo because he simply won't listen. She learnt the hard way. Lubb: "you'd rather see me go to jail because of that man! You want to see me suffer! Ok'ingathi I've never cared for you! Nam I suffered ndandisiva kab'hlungu! I don't know what the hell you want me to do. What do you want me to change!" Zintle: "here." She gave him the baby.

Lubb: "zintle man!" Zintle: "why NOW lubabalo. Why can't you just let me be happy!" Lubb: "not with HIM. Akak'thandi lomntu, he's using you and umntanam to ruin me!" Zintle: "lubabalo, not everything is about you. Get over yourself. Damn." Lubb: "zintle I don't trust him, okay?" Zintle: "wena. Not mna. That's not my problem." Lubb: "ngowaphi lomntu?" Zintle: "e Plett. His mom lives there." Lubb: "dad?" Zintle: "he's dead. Why are you asking me this." He put Buhle in her seat. Lubb: "andizobuya." Zintle: "ngak'linge und'nyeje ke mna ubuye nomntanam." Lubb: "mxm." He got in the car. Zintle: "uyathanda bonanje ucengwa. You better bring her back lubabalo." Lubb: "or what? Huh? Zoyond'bamba nawe for ikidnapping? Adding aromat kumnqushu? Caba ayivakal sana ncasa." Zintle: "mxm." She walked away. He drove to his house.

Lungelo got to his meeting with his broker telling him what had happened and the case and all the necessary information. "This is such a tragedy you know. My wife is more angry because she loves the food you serve there." Lungelo smiled. Lungelo: "no worries Chris, it'll be up and running in no time." Chris: "okay, I'll call you by tomorrow, I just need to go process this." Lungelo: "we'll talk later then." Chris left and Paul came in. Paul: "fondin! What the fuck!!" Lungelo: "eeh. Paul. Khayeke sani." He signaled the waiter. Lungelo: "I'll have another double." Paul: "hayi man Lungelo." Lungelo: "ndithin ke Paul? Huh? What must I do?" The waiter disappeared. Paul: "you hadn't had a drink since.....you know. And that was years ago. Don't do this to yourself." Lungelo: "Paul, hlukana nam. Please man!" Paul: "andizoyenza lokaka! You're my friend and although you piss me off, I care about you. Khayek uz'ntyintya ngotywala sani." Lungelo: "this my last. Swear." Paul: "what happened?" Lungelo: "they did this. Yibambe apho. The walls have ears. Case ya Monday??" Lungelo: "don't worry, I'll handle it yona." The drink came. Lungelo took it and gulped it down. Paul: "I hate to see you like this.." Lungelo: "nam Paul, andenzel ba mandithandwe. Sometimes umntu uyandirhumba ndingenzanga nto. They just like to provoke me bacimbe ndi weak." Paul: "as long as you don't hurt anybody." Lungelo: "if they're in my way, that's not my fucking problem." Paul: "qibele nin uya pha.." Lungelo: "hayi man Paul! She's not coming back." Paul: "okay, it's fine bra..don't freak out." Lungelo: "I don't even know what to do with myself." Paul: "you done preparing?" Lungelo: "stayed up all night for le case." Paul: "then get some rest." Lungelo: "ndimthin umsindo? Paul left for his meeting. Lungelo got up and walked to his car. Lukhanyo got to the hospital and waited. He was nervous and anxious and couldn't focus. He had to lie to Lihle to leave the house. At least if he could understand what was wrong with him, he'd sit her down and talk to her. A nurse walked to him. Nurse: "Mr Mzinyathi?" He looked up. Nurse: "come, the doctor is waiting for you." He got up and went to the doctor, he sat in the chair and greeted her. Doc: "well, I've got your results." Luks: "so what is it?" Doc: "they can't find anything wrong with you." Luks: "but I've been sick!" Doc: "well, there's not much I can do when I can't find anything wrong with you. I could do an X-ray and check what may be blocking your system." Luks: "can I get a second opinion, because I think you're bullshitting me right now." Doc: "feel free to do so Mr Mzinyathi.. I think to be on a safer, we could just do the X-rays." They got up and went to the Radiologic Technologist. (Person who performs x-rays.) Luks: "how long will this take?" Doc: "couple of minutes.." Lukhanyo rolled his eyes dramatically. They waited for a while and went in. Doc: "take here." Luks: "do we really have to do this." Doc: "go." He went in... When he was done he walked back to the doctor. Luks: "and how long do I wait noow?" Doc: "I'll call you when they're ready." Luks: "and that will be when?" Doc: "by tomorrow Mr Mzinyathi. I have another patient waiting so if you don't mind." Lukhanyo got up and walked out. He drove straight to Lubabalo's house. He parked and walked in. Luks: "Lubabalo!!" He yelled. He saw the car was in the garage. So he was home. Sylvia appeared. Luks: "molo sisi, uph uLubabalo?" Sylvia: "use roomin noBuhle." Lukhanyo walked to the bedroom. His brother was laying on the bed. Buhle was asleep. Luks: "nanku lona.." Lubb: "uzum'vuse." Lubb: "so how did it go?" Luks: "that stupid doctor can't find anything wrong with me. I'm getting a second opinion." Lubb: "iya kwi specialist. I'll give you his number." Luks: "okay." He sat on the bed. Buhle was falling asleep on his chest.. Lubabalo looked distracted. Luks: "yinton?" Lubb: "there's something very wrong with that guy." Luks: "what guy?" Lubb: "Lungelo." Luks: "uthen dan?" Lubb: "he's....he knows about me." Luks: "how?" Lubb: "andaz Lukhanyo. he just warned me to stay away or

Lubb: "lukhanyo. I'm already stressed. Where's my phone lemme call J." Luks: "ina." Lubabalo took the phone. Lukhanyo lay Buhle down on the bed again. Lubb: "ei yo! Jermaine." J: "hol'dup....." Luks: "what he say?" Lubby's phone rang again. Lubb: "yes?" J: "son, you know I value you. I would do anything for you, but when it comes to dai laaitie. Askies boy. Its lights out for you. He is very influential. He doesn't work alone. If you kill him, they'll come looking for you and bury you alive." Lubb: "okay, so tell me what he's about." J: "you didn't hear this shit from me." Lubb: "yes." J: "he has inner demons that he fights. Anger problems to say the least, he takes it out in court obviously, which is partly why he's the best." Lubb: "does he have a past?" J: "yes. And its ugly...you do not want to go there." Lubb: "give me a name." J: "Nomakhwezi Twatwa." He hung up.....

Thando: "but, bhuti you ruined everything endlini. I can't stay there." Lungelo: "I'm getting it fixed by tomorrow, Thando get down please?" Lukhanyo walked in front. Lubby was behind with the baby. Luks: "molo." Lungelo: "hello." He hung up and went inside. They all got in the lift. Lungelo was on his phone clicking furiously. Lubb: "hhm..." He puffed. Lungelo: "are we going to have to do this again?" Lubb: "what? I can't breath now?" Lungelo: "mxm." Lukhanyo cleared his throat. Lungelo rolled his eyes dramatically. Really? How freaking childish. He thought. Lubb: "soo...." Lungelo: "No, we're not friends. Don't even!" Lubb: "oh? Well excuse me. Daym." Lungelo: "nx." Problem is, he had gone in first so he was at the back of the lift. The twins blocked his entrance. Lubb: "Lukhanyo uyamaz uNomakhwezi Twatwa?" Luks: "nope....Lungelo do you know her?" Lungelo: "you're wasting your time." Luks: "yamazi, I wonder how Zintle would feel if she found out you are cheating on her." Lubb: "or even Nomakhwezi lowo, angathin yena?" Lungelo: "ungayom'buza engcwaben nje?" He smiled and got out the lift.

Luks: "is it me or did I just feel a chill?" Lubb: "didn't I tell you that guy was weird?"
Luks: "masambe. I want you to play cool for this. Don't let him know what you thinking. Phola." They walked to the flat. The door was already open. Zintle and Lungelo in an embrace. Lubb: "ndisize umntana kanye ndijike?" Zintle: "enkosi." She took the baby from him. Lubb: "lukhanyo, ngu Zintle lo...Zintle, this my bro.." Zintle stared at them both. There was no difference she could see. Luks: "Hi.." Zintle: "hello." She swallowed.....awkward silence..... Lubb: "kanye niyazana?" Zintle: "no." Luks: "first time." Without losing eye contact. Lubb: "masambe Luks." Luks: "erh okay. Ina." He gave her the bag. Khaya and Thando walked out the room. Khaya: "molweni bhuti." He smiled. Lubb: "ekse awti ugrand?" Khaya: "ndigrand ta." Lubb: "how's school?" Khaya: "and'ka vuli bhuti, ndiqibile nge way ze registration koda." Luks: "sow'bonile pha?" Khaya: "yooh bhuti..." Lukhanyo laughed and they walked out together with Lubby laughing. Lungelo: "I don't understand lantwana ibona nton kwezi idiot zimbini." Zintle: "uyabathanda." Lungelo: "how am I going to prove myself to him xa engandinik chance? Everytime I reach out he walks out or leaves me hanging." Zintle: "he respects you, uk'thatha njengo tata wakhe." Lungelo: "but he doesn't feel comfortable ngam." Thando: "bhuti can I please stay?" Lungelo: "I said No Thando." Zintle: "yabona ke? You're like a father, you're strict. If ufuna ubangu bhuti loosen up a little." Lungelo: "okay, at least let me buy more groceries ke, ndayaz iyatya lena. Andifun akuhluphe." Zintle: "that's fine." Lungelo: "ima...take this instead uyothenga wena." Zintle: "hayi, you and Thando go buy...I'll wait here. Undibizele uKhaya please." Lungelo: "I'll be back babe." He kissed Zintle and Buhle. Lungelo: "I love you yeva?" Zintle: "love you too sweetly.". He walked out with his younger bro. Lubabalo, Luks and Khaya were standing by the car..chatting. Khaya: "ibe ne rims ezi mnyama nalamgca ubomvu. It kills me dead." Lubb: "really? A black gti is your dream car?" Luks: "its a cool car for HIS age." Lubb: "phof nyan..what, you 18 now?" Thando: "khaya, Zintle yak'biza, I'll be back in a second." Khaya: "ok." Lungelo drove off with him. Lubb: "tshom yakho le?" Khaya: "yeah.." Lukhanyo giggled. Khaya: "what?" Luks: "akhonto." But I'm afraid of what you might do..." Lubb: "I won't do anything, hunky dory ka Ta Luks...." Khaya: "the father

was stabbed countless time, whoever did it tore his chest apart, kuthiwa ntliziyo yayi visible ngaphandle, intestines everything...it was bad. Thando wayengekho. Wabuya kukho amapolisa. Yellow tape around the house. Wathi umama wam mandiyolanda uThando to come sleep over. Lungelo yena wathi zohlala nomamakhe. Nobody knows what happened that day, but wonke umntu kulandlu wayengathethi nabantu base arean.. Lungelo qala thetha nathi when they came back from Italy." Luks: "from your opinion what do you think happened?" Khaya: "Lungelo seems like a nice person. He is. He means well. But akaphilanga ncam. He's still traum's." Lubb: "I can only imagine....." Luks: "yoh." Lubb: "isn't it weird though....nobody saw this happen. Right after the incident, the whole family backs out from reality..." Khaya: "meaning?" Zintle stood at the balcony. Zintle: "KHAYA!!!!" She yelled. Lubb: "nomona sister wakho." Khaya: "can I hang out with you guys later?" Lubb: "cela ku Zintle..if uyavuma, thatha number yam kuye. Uyonwaba nyan xa hlel naye, I can only imagine when there's two of them...but awukwaz ubafaka empokothwen kakhulu ooLubby." Khaya: "why? Because ligintsa?" Zintle: "not only that, but the moment Lubabalo sees someone, he juices what he needs from them am'shiye omile." Khaya: "he's a cool guy. And ndi comfortable naye." Zintle: "I understand that khaya. Kodwa Lubabalo is way older." Khaya: "why are you sooo ahgainst him." Zintle: "let's first start with why are you against Lungelo." Khaya: "I'm not against him." His whole attitude changed. Zintle: "but why ungafun hlala naye like you do with Lubby?" Khaya: "Lubby is easier to talk to, he's relaxed. Lungelo is always serious and tense." Zintle: "that's not the reason." Khaya: "I don't know what you want ke..." Zintle: "inyan Khaya!! Is there something he's said to you or done?" Khaya: "I DON'T FLIPPING LIKE HIM!!! Okay? I don't know what you see in him. He grosses me out!" He yelled. Zintle: "Khaya! Watch your mouth!" Khaya: "ndithin ke Zintle uthe ufuna inyan mos? Ndiyazama uzicenga for yena! I just can't do it. I prefer Lubby and that's that." Zintle: "Lubby is my past, andizobuyela pha. So you can just forget it." Khaya: "Zintle, nobody asked you to go back to him. Qha that doesn't mean andinohlala naye." Zintle: "how do you expect to know Lungelo If awuthethi naye, you Worked for him. Kuthen ngok um'phakamela?" Khaya: "if it

means the world to you, then FINE! I'll try. Damn." Zintle: "good." Khaya: "on one condition.." Zintle: "iyawa yinton Khaya?" Khaya: "you'll let me go out tonight." Zintle: "who you going with?" He looked away from her. Zintle: "huh?" Khaya: "Lubby." Zintle: "ehla Yesu." She took her baby and went to the bedroom.

Lonwabo called Phila. His phone was off. He called Anda. Off. Thulani. Rang to voicemail. He called Lubabalo. Who answered. Lubb: "Losta." Losta: "am I missing something? He tried to call him once more. Lubb: "gee dude, is you mad?" Losta: "nah I'm not. Ndibukel South park." Lubb: "I'm coming over." Losta: "andik'fun apha, undiqhela rostile elitshileyo yazi." You become too chilled its actually

scary." Lubb: "that's the main point. I want him to crack...without me doing anything.." Losta: "just don't play into his charm...Lawyers are the sneakiest individuals. Its his job to keep up a smart appearance. Don't let that rattle you. When are you going to work" Lubb: "suppose ndiya this Monday. Andisonqen." Losta: "you're slacking off....this is what you did k'la company you built aphe Bhayi. You destroyed it ngoba pre-occupied. The same will happen yileya yase Monti." Lubb: "ndizoy'vala yona. Losta: "that's Gentiva's company, he can cut you off whenever he likes." Lubb: "that will be His day ke shame." Losta: " did you find Victor?" Lubb: "he's still on vacation in Mauritius. I want him to enjoy it like there's no tomorrow. Because for him its a bit late." Losta: "Lubabalo, you-" Phila walked in. Lubb: "I what?" Losta: "nevermind.."

Luks: "eii come heRe!" Chuma came to him. He was wearing jean shorts, a red and blue check shirt and sandals. Luks: "please behave for me?" He kissed his son. Chuma: "okay." Luks: "promise me you won't scream?" Chuma: "pwomise." Luks: "love you." Chuma: "I love you dzaddy." Luks: "sho ke ntwana." Chuma ran out the house, stopping at the gate. He ran back inside pouting his little lips. He gave me a kiss and ran out waving. Why was he soo excited. ALL THE TIME. Luks: "babies are asleep...its us alone..." He dragged me to the living room. We sat on the couch. Luks:

"yazi....." He kissed my neck trailing it on my shoulder to the breast. Me: "yes?"
Luks: "I been thinking...." Me: "about?" He got up and disappeared to the bedroom.
Coming back with.....what was that? He put a blind fold on me. I was so excited! He
undressed me and tied my hands behind my back... Me: "this?" Luks: "yes...." A soft
something brushed my skin gently. Luks: "you like?" Me: "I love..." I breathed. Me:
"kodwa baby..." Luks: "we'll deal with everything later...just relax." Before I knew it, I
felt his mouth kissing and biting my right rib. He stopped....where's he going next?
My stomach? The anticipation though! It was more of a surprise moan when I felt his
mouth down there. Me: "Lukhanyo!!!" Luks: "shhh...." He stopped. I wanted more!
The next kiss was my breast..sucking a little then let go... Me: "why...." Luks:
"ndithanda lewei u-responder ngayo...." Me: "but-" he kissed my lips.... "Am I gonna
have to silence you too?" He whispered. Oh Laawd!! Me: "but...you're teasing me."
Luks: "nyamezela..." His mouth found my ear and nibbled on it. Then got up. What
was next. Me: "baby?" Luks: "hm...." He massaged my feet...slowly..then kissed them...
Luks: "I love you...." Me: "I love you too baby." He kissed my thighs..taking my breath
away, when he bit my underwear, pulling it off. He licked it once and kissed it. His
phone rang. Luks: "nx..." Me: "phendula sthandwa. Maybe its important." He looked
at the caller I.D. His face went pale...

Luks: "okay love, izotixa." He took his keys and phone then kissed the babies goodbye. Me: "be careful." Luks: "always am.." He kissed my cheek and walked out. I locked each and every entrance including windows.....

Lukhanyo drove to Terminus. He parked under a bridge next to a black velocity golf. A tall thin guy walked to him. Luks: "Toby, where's the others?" Toby: "base Kasi Ta Luks." He set his gun and aimed at a group standing by a tavern....

Chapter 425

Lukhanyo stopped the car. Luks: "aand shoot." Ta Smig fired 2 shots. The gun had a silencer, so it wasn't loud. Two guys fell to the ground. Stuja came from the other corner with Lucky, he shot one that was running 3 times and he fell. As Stuja was about to get out the car. Luks: "nyathele." He yelled. Instead of walking out to shoot him dead, the car drove over the enemy. Luks: "Go!" Stuja and Lucky drove off. Toby

appeared. Running to Lukhanyo. Luks: "NO!!!" Toby: "Ta Luks!-" Luks: "GOOO!!!!!" Toby went back to his car, just as he entered. Someone shot him in the head. Ta Smig aimed at the direction....it was the real Blade. Everyone around them was screaming in terror. Running in all directions. Smilo shot at him and only got his arm. Blade ran away. Luks: "samben!" He drove after Stuja. Phaki and Lara behind him.. Luks: "I cannot believe Toby was this stupid." He shouldn't have left him there but he had no choice though. What if Blade got him, esayo bayi Hero. Smig: "it was a fucking stupid move! Shiitt!!" They drove to KwaDwesi. Luks: "at least without his team, he won't get far." Smig: "nah....su'stresser. Sizom fumana wena." They reached the house. Stuja was parked by the front. Luks: "eyy! Slulamile. Don't you ever. Okay? NEVER get out the car xa kukho enemies lurking." Stuja: "I wasn't thinking." Luks: "Toby got shot." Stuja: "ugrand?" Luks: "andiyaz. We had to go, yayaz Motherwell inezipili qithi. And I doubt he'll make it. Bam'fumen entloko." Stuja: "so what now." Luks: "we get rid of these. Ta Smig uya eMonti ngok uhamba nawe Lara." Lara: "ok." Lukhanyo opened the boot of Ta Smig's car. He pulled off the carpet. There was a storage space where. He put in the guns. Covering them with a wooden board and dragging the carpet on again. Everybody was quiet. Luks: "nindijonge nton?" Stuja: "akhonto Ta Luks." Lukhanyo closed the boot and went to his car. Luks: "sobonaneni ngomso I'll call you for ixesha." Lara and Smilo got in the car and drove to East London. Phaki and lucky drove off to go drink because it was just after 9pm. Lukhanyo got in his car. Luks: "ndilapha emvakwakhoku Stu." Stuja got in his and drove off to his place. Lukhanyo dialed a number. "Hey.." Luks: "you alone?" Caller: "ewe." Luks: "ndise ndlolen ezayo..." Caller: "okay..." He hung up. Stuja drove into his garage. Lukhanyo hooted once and drove off.....

He took out his Tom Ford suit and got dressed. Zintle: "can I make you some breakfast." Lungelo: "no." He was definitely not in the mood. He looked angry. Was it her? She thought to herself. Zintle: "did I do something wrong?" Lungelo: "no, look babe..this is me for court. Ungandihoyi kakhulu...I'll be back later." Zintle: "break a leg sthandwa sam." He kissed her. But Daddy has to work, andimaz noba uphi umamakho." He went to put the baby down, making calls to figure out where his friends were. Nobody knew..

Chapter 427

Luhle was finally asleep. Snoring peacefully. Lukhanyo called Lihle. The phone rang in the house. Luks: "fuck!" Lukhanyo took a quick shower and got dressed. I was doing a little shopping. Nothing special, just toiletries for Lukha and me.. I walked to Markhams to buy him a set of underwear. I bought mine by Foschini. The babies needed more nappies, we need purity. Chuma needs a new bag. I walked to Woolworths at Greenacres Mall. Buying the things. Me: "that is just too cute!" It was a white and navy blazer. Just Chuma's age. My heart was all tingly. He could wear it with his shorts and shirt. He would Look like a Prince. Plus he needs to get a haircut. I paid and left for home. Lukhanyo was pacing up and down. Uwoah...mxm. He was fuming. I was expecting a Yell. Instead..... Luks: "Thank God, you're home. I have to go look for the guys. Love you." He dashed out. Me: "woah, woah.....what do you mean?" Luks: "we lost Ta Smig and some guys Lihle, I have to look for them." Me: "okay. Ubatyisile abantwana." Luks: "yes, they're asleep. Bye!" He got in his car and sped off.

It was late afternoon. Lukhanyo was not back yet, I started cooking and called him. Luks: "ja?" Me: "hello." Luks: "hey." Me: "cela ubuye noChuma tu." Luks: "ok." He hung up. Eshee.. I called him back. Luks: "yes." Me: "ngok uy'dropela nton phone ndingeka qibi uthetha?" Luks: "Lihle, I'm trying to keep this line open in case someone calls." Me: "oh. Okay." Luks: "call you later." He hung up again. Lutha was laying on the floor, chatting to him self in baby language. Luhle was in my one arm. She was feeling a bit offish. I didn't know what Lukhanyo fed my child. Kuthen edikwe kangaka nje. I turned down the stove and undressed her. It was mighty hot so maybe uva shushu. Me: "LUTHA!!" He got a fright. Me: "put it down!!" He giggled and crawled quickly out the lounge. Did this mean I had to chase him? Mxm. Me: "Luthando Mzinyathi!!" He squealed in joy. I walked to the bedroom. He was sitting with some packet. It was empty. Me: "sapha." I took it from him and he started crying. Me: "a.a Lutha don't you dare..." He cried even louder. Me: "khala mpa!" I walked to the kitchen and continued cooking. Lukhanyo walked in with Chuma. Luks: "lihle umntana!" Me: "luthando uSpoilt. Ukhalela iplastic." Luks: "ngok ithi lonto mawungam'hoyi?" Me: "ndimnike iplastic lukhanyo? Atye iplastic?" Luks: "yimalin umthuzela ayeke ukhala kehok?" Me: "sele usiya kuye kamand ukhona."

Luks: "what the hell?" Me: "mxm." He walked to the bedroom and picked up the baby. He walked outside with him.. Me: "chuma, khand'phathel blanket ka Luhle.." Chuma: "eka Luhle mama?" Me: "ewe boy." He went to the bedroom and grabbed a blanket. Me: "beka pha phez'kwe mat." He lay the blanket on the floor. I put Luhle on it, switching on the tv and went back to cooking. Lukhanyo walked in, Lutha lay on his chest quietly, still sulking. Lukhanyo took his blue blanket from the room and walked out again. He got in his car, buckling the baby then drove off. I ran Chuma a bath in the meantime. Undressing him and he bathed himself. Actually played in the water. I kept checking on him and the pots. Luhle lay her head on the floor and stared at the tv screen. I took Chuma out the bath and dressed him. Me: "yozela?" He nodded. Me "busenza ntoni?" Chuma: "bendidlala pha skolen. Khabi bhola no-Drew." Kanene uDrew ngu Junior. Me: "yam'khumbula?" Chuma: "hayi." Me: "ngoba?" Chuma: "uthi utata indoda ayikhumbuli." Me: "yakubhanxa utatakho mntanam." Chuma: "uright." He drove her to work and went to his house. Lihle and the babies weren't home. He could sit and relax. He showered and lay on the couch. He tried calling the guys again...Lubby's phone was off too. He was literally alone. I walked in with the babies. Me: "what the hell?" He looked at me innocently. Me: "lukhanyo, ubuphi ubusuku bonke!!!" Luks: "Lihle, I called you and told you ndise right, we spoke. Why is it an issue NOW." Me: "you KNOW! Funeke ubekhona xandisisa uChuma to school! You fucking know you have to take care of babies! Luks: "lihle, I was wrong for not coming back this morning. I'm sorry." Me: "that's not going to fix anything man!" Lukhanyo got up and went to make a sandwich. I couldn't control myself. I just pushed him against the side of the counter, it hit his pelvis. Luks: "fucck!! What the hell??" Me: "you make me sooo

Me: "I'm not normal? I'm the one that's not normal Lukhanyo?." Luks: "dude, its before 10am and you are screaming your lungs out at me. Not even once k'le veki have you showed care toward me. Fix your attitude." He walked to the bedroom with his daughter...

The next morning, Lubabalo woke up, took a shower and got ready for work. He was wearing his favorite suit. Looking all bossed up. He had a maroon shirt on and navy pants. He held the blazer in his arm. He drove to work and walked in. No smile. Sandy came to him. Sandy: "excuse me Sir, Linda called in sick today, so I'll be taking care of your things." Lubb: "get me some iced tea." Sandy: "anything else?" A woman walked toward their direction while chatting to one of his employees. Lubb: "who the.....I don't remember employing this one." Sandy: "she doesn't work here sir, this is Twan's younger half sister. He stared at her licking his lips. Lubb: "she's....." He swallowed. Lubb: "twan's younger half sister?" Sandy: "yes, she lived in Brazil all her life. Its her first time in South Africa." Lubb: "Hey.....I'm Lubby." He smiled and extended his hand. She: "Bom dia." (Good morning) Lubb: "uhm, so are you okay?" She: "Eu sou graças finas e se." (I'm fine thanks and yourself) Lubb: "Sandy..." He whispered. Lubb: "what did she say." Sandy: "Sir, I don't speak Portuguese. And she doesn't speak English. I'm afraid that's as far as she understands." Lubb: "call Twan!" Sandy: "Twan is in a meeting on the other side of town, he won't be back till midday." Lubb: "damn." She: "Há algum problema?." (Is there a problem?) Lubb: "yes, yes Problema!" She: "Oh. Estou deixando." (Oh. I am leaving) She walked past him. Lubb: "no, no, no....wait. Don't go." She stared at him. Lubb: "your name?" She: "nem?" Lubb: "yes, name..." She looked at him confused. Lubb: "oh God please help me!!" She: "O Que." (What?) Lubb: "erhh.....fuck. Sandy, organize me a translator ASAP!" Sandy: "ok." Lubb: "you want to see my office? Come. Its got the city view." He held her arm and walked her to the office. Lubb: "see? Pretty huh?" She: "Por que você me trouxe aqui??" (Why did you bring me here?) Lubb: "I don't understand yooouuu!!!" He sulked. She: "Estella." Lubb: "Estella! Me," he pointed to himself. Lubb: "Lubby." She smiled brightly. She: "Lubby." She giggled. Lubb: "you are soo pretty you know.." He

thought of an idea. Took out his phone and translated his words to Portuguese. Lubb: "Você é tão bonita." (You are so pretty) She laughed out loud. Estella: "Você não é tão ruim mesmo." (You are not so bad yourself.) He looked it up and smiled. He was blushing. Estella: "Tão bonito ." (So cute) She brushed his cheek. Lubb: "Posso arranjar-lhe uma bebida?" (Can I get you a drink?) Estella: "Não, obrigado, eu tenho que ir agora, meu pai vai ficar preocupado desde a sua a minha primeira vez aqui. Espero ver você em breve." (No thanks, I have to go now, my father will get worried since its my first time here. I hope I'll see you soon.) Lubb: "I don't understand....talk slower..." Estella: "Eu não consigo entender você." (I can't understand you.) Lubb: "your number?" Sandy walked in. Sandy: "what's the point sir? She won't be able to talk to you on the phone either." Lubb: "I'll be able to google translate, smart ass!" Sandy: "oh. Here." She gave him a list of translators. Lubb: "never mind this, I'll learn how to speak it for myself." He looked up another translation then spoke. Lubb: "Querida, tome o meu número e me enviar uma mensagem a qualquer hora que quiser." (Sweetheart, take my number and send me a message anytime you want.) He tried unsuccessfully. She took the number down. Estella: "Obrigado. Vou mandar uma mensagem mais tarde." (Thank you. I'll send a message later). Her father walked in. Dad: "Estella, É hora de ir, anjo." (Its time to go, angel) Estella: "Ok pai." (Okay dad) She smiled at Lubby and walked out. Lubb: "Wow." He flopped in his chair. Sandy: "can I get you anything else?" Lubb: "no....close the door on your way out. When Twan gets here, bring him to me." Sandy: "sir you have a meeting at 10. Chapter 429

Lubb: "erhh.....can we take a mini pause quick?" Banali: "excuse me? Look I don't have time to be waiti-" Lubb: "nah, Anele. I am the CEO everything here needs my attention. You will just have to wait." He got up and walked to the 4 guys. Lubb: "Good Morning can I help you?" Kabelo: "we need to speak to Linda." Lubb: "I'm afraid she's not here." Kabelo: "look Lubabalo If you're hiding her here, you could go to jail you know." Lubb: "look Kabelo. If I knew where she was I'd give her to you. I don't know where she is, I got here and Sandy told me she called in sick. If you want to ask about anything, go speak to her." Kabelo: "fine. Just tell her, when you do see

her. That this isn't over!" Lubb: "I will make sure she receives the message." Kabelo: "let's go guys." They walked out and Lubabalo breathed in relief. Sandy walked to him. Sandy: "what did they want." He got a fright and stared at her coldly. Lubb: "you didn't tell me Linda was dating Kabelo." Sandy: "you never asked. Twan will be here in the next hour, I already sent him a message." Lubb: "thank you." He walked back to the room and continued with the meeting. An hour later, Twan arrived. Sandy sent him to the boardroom. Twan knocked. Lubb: "come.." He walked in and stood there awkwardly. Lubb: "please sit." He sat down. Banali: "who is he?" Lubb: "my friend. Do you have a problem?" Banali: "no." He carried on talking. Lubb: "so....Anele, kudala uthetha. Tell me, what exactly do you want from me and my company? I don't want to hear about sales figures and stuff." Anele: "I already told you, I need help and I gave you the reason why." Lubb: "because you're bankrupt?" Anele: "I am not!!" Lubb: "I know you are....you're on your sad little journey to bankruptcy, now you want my help." Anele: "you know what? I was giving you a business opportunity, I'll take it somewhere else." He got up. Lubb: "look here....mamela. I'll help you get back on your feet." Anele: "but?" Lubb: "no buts." Anele: "not you Lubby, you always want something back." Lubb: "I will help you, on one condition." Anele: "what?" Lubb: "I will own 60% of your company." Anele: "I built that company from scratch!!" Lubb: "oh well....your loss. Because nobody else will help a dying little business." Anele got up, took his belongings and walked out. Twan: "you're going to let him leave?" Lubb: "he's the one who wants help, not me. Anyway, he'll be back. How are you?" Twan: "we're not friends Lubabalo, what do you want from me?" Lubb: "honestly? We're not friends now?" Twan: "no we're not. You're mean to everybody. When you want something, you become nice." Lubb: "I am nice to everyone, Twan. Your imagination is running wild." Twan got up. Twan: "I have work to do." Lubb: "you never told me you had a younger sister." Twan: "oh wow. That's why you nice. I should've just guessed." Lubb: "Twan, I'm not as bad as you think I am, okay? I need you to trust me.." Twan: "with what?" Lubb: "I want to get to know her, and I need to learn Portuguese." Twan: "then what you want from me??" Lubb: "can you bring her here tomorrow? I'll take her out for brunch and stuff." Twan: "okay. And?" Lubb: "that's all." Twan rolled his eyes and walked out bumping into Anele who walked in. Anele: "40%" lubb: "60." Anele: "50 and no more." Lubb: "60%." Anele: "55." Lubabalo stared at him. Anele: "you can't own more shares than the actual owner." Lubb: "I'll take your 55." Anele: "you are a very sad man." Lubb: "and you are broke. Ask Melisa to help you out, book an appointment for Wednesday me and you, we'll discuss the fine print, ask a lawyer to draw up a contract. Bye." Anele walked out to find Melisa. Lubabalo was on his way to the construction site. Lubb: "Sandyy!!" He yelled. Sandy:

"yes?" Lubb: "get me one of those sexy fireman helmets. My next meeting will be on site." Sandy: "you get those AT the site sir." Lubb: "okay. I'll be gone for the rest of the day." He got up and took his things walking to his car. Sandy: "Thank Jesus." She breathed.

She gave him the phone. Khaya searched for Lubby's number and sent to himself, then deleted the texted. He pretended to call his mom. It was on voicemail Khaya: "uyicimile phone yakhe. I'll try later." He put it back down and went to the room. Khaya: "let's go." They walked out together and left the building. Thando: "did you get it?" Khaya: "ja. Lemme call." He dialed the number. Lubb: "YES???" He screamed. He was in a noisy place. Khaya: "hey ndim uKhaya." Lubb: "hey Hunky Dory!!" Khaya: "I can't hear you." Lubabalo went to his car. Lubb: "now?" Khaya: "yeah that's fine. Lungelo: "what are you two doing?" They stared at each other.

Thando: "standing." Lungelo: "what for?" Khaya: "hewethu bhuti silambile." Lungelo took out his wallet and gave them 200 rand. Lungelo: "Buy food. Eat and continue looking for a damn job. If I see you standing again. I will drag you door to door myself! And'khathali noba nenza igarden zabantu. GO." They walked to the nearest garage and waited for him to leave. Lungelo drove off. A while later a black GTi parked where they were. He rolled down his window. "Khaya?" Khaya: "yes." "Masamben fondin." They got in the car and drove off. "Ndingu Khusta ke mna. Tshomi ka Lubby." Thando: "mna ndingu Thando. Where we going." Khusta: "New Brighton...I have a little something for you to do." He smiled.

Lukhanyo got up in the afternoon. He walked to the lounge and sat down. Luks: "babes..." Me: "what." Luks: "I'm sorry...I really am." Me: "hm." Luks: "ndine stress mna. Me: "problem with you is that you think you can fix everything nge sex. I'm tired of you and your tricks." Luks: "I just wanted a kiss. Damn." He got up and walked to the bedroom to get dressed. Me: "again uzoveske uphume umke." Luks: "ndiyolanda uChumani ndim'sa kumamakhe." Me: "Why?" Luks: "because ngumamakhe Lihle. She doesn't need a reason to see her son." Me: "she should've thought of that before she almost killed her son. Em'bethekisa ngentloko wherever. Ngu mama onjan ozokoyikwa ngumntanakhe?" Luks: "wow Lihle." He took his keys.

Me: "I'm coming with you." Luks: "abantwana?" Me: "its your kids too!" Luks: "uyothin kehok wena!!" Me: "why are you getting defensive? Ikhona into oy'fihlayo?" Luks: "I'm just going to drop the kid ndiye kumama wam edwesi!" Me: "ndihamba nawe qha." I took the babies to the car and he got in and drove off. We picked Chumani from school. Junior had already left. Hayi sana uThulani usuke nyani kwezi. Lukhanyo drove to Sbosh's place. He called her. Luks: "ndilaphA phandle, cela uphume." Then hung up. Chuma was singing himself a little melody. Sbongile walked out the house. Wearing a high waist skirt, a blouse and blazer. She was in slippers. Uphangela phi na lo. Luks: "hello..." Sbosh: "hi." Chuma jumped out the car. Chuma: "Tata iza!!" Luks: "ndizobuya late boy va." Chuma: "uzolanda mna ne?" Luks: "ewe ndizozolanda wena mntanam." Chuma: "byeeee!" Luks: "izophuza utata." With a clear passion, I hate it Lihle. Its unattractive kwi cherri." After that he drove to KwaDwesi in silence. I couldn't help myself, xa enga fun uhlala nam endlin uhlalaphi all this time? With who! His phone rang. Luks: "hello." Caller: "Lukhanyo..." Luks: "who's this?" Caller: "who the fuck do you think it is!" Lukhanyo hung up immediately. Turning the car around. Me: "and now?" Luks: "awuzazi busiyaphi bonanje wena. Because now you're making my work difficult." Me: "work??? You speak as though yinto esez'nqondwen luyenzayo." Luks: "ok'salayo it bought the clothes on your back. It buys the expensive ass weaves on your head, the food you eat! Le mali uy'capkelayo, yile uyisebenzisayo. You don't make fun of other people's job if you've never had one." He parked outside the house. Luks: "if you could just stop being ungrateful. And a nag.. Yazi-" I got out the car and smashed the door in his face. How dare he!! I had tears running down my face. Luks: "Lihle!!" He got out and followed me into the house. Luks: "abantwana ubashiya naban?" Me: "YOU Lukhanyo!! Ndibashiya nawe! Nguwe wawufuna abantwana! I never wanted this mna! I never wanted to be a stupid housewife wiping everyone's asses. Now I must be the joke? Wena you can do as you please!" Luks: "lihle I can't do this with you right now. People's lives are at stake!" Me: "that's all you care about! What about ME!!! Don't you think I deserve happiness!" A car outside drove off. Lukhanyo ran out...

Lukhanyo stood outside. The car was gone. He took the Benz keys and drove off after it. I couldn't stop crying. I felt so helpless and weak. Like I threw my kids away. Lukhanyo drove as fast as he could, chasing the Range Rover to a dodgy place. The Range Rover stopped, lukhanyo stopped behind it and waited. The door opened and Blade walked out carrying Luhle and a gun. Lukhanyo got out the Benz. Luks: "Blade...." Blade: "undiqhela ikaka Lukhanyo." Luks: "umntanam akangeni ndawo k'lento..." Blade: "since its the only way endinofuman attention yakho. Why not." He held the gun close to the baby. Luks: "Blade please... Thatha le uy'funayo uyeke abantwana bam." Blade: "hit a nerve, didn't I.....ngok'ya bundi ignorer bucimba uzophelelaphi?" Luks: "jonga singathetha kakhle xa undinike abantwana.. We'll negotiate. I swear!" Blade: "wow...Ta Luks, is begging?? This is a first." Luks: "abakwenzanga nto abantwana. Just let them free. Mna ungandenza le uy'funayo." Blade put Luhle back in her seat. Blade: "I want you dead." He pointed the gun at him. Police sirens went off all around them. Luks: "this is your chance. Ndibulale." Blade was panicking, he ran off and disappeared. Lukhanyo went straight to his kids. He held Luhle who was beginning to cry. Luks: "shhh.....sorry my baby.." He was even shaking. His heart beat over his chest. For once in his life he was scared. He leaned on the car, one policeman stood with him the others chased after Blade. Police: "bhuti, what happened here?" Luks: "my babies got kidnapped. Ndim'leqile ngenye imoto..And caught him here." Police: "do you have any connection with this man?" Luks: "no. Andimazi. I've never seen him." Police: "can you describe to us in detail what exactly happened?" Luks: "can we do this later. I'm a bit out of it. I almost lost my children, I need ixesha nabo..." Police: "okay. Do you have someone to contact? Azolanda enye moto?" Luks: "no." Police: "take your kids ngaley. We have to test this one first for fingerprints, siyibuyise kuwe later or in the morning." Lukhanyo carried his babies' seats to the Benz. Then took his belongings from the Range Rover, giving all his details to the police. Police: "we'll keep in contact. Sizoz. ngomso kuwe." Luks: "okay." He drove straight back home. I ran outside. Me: "my babies!" I carried Luthando out of his seat, he took Luhle. I walked in the house crying, tears of joy that they're back. I couldn't believe it. Me: "uyabona ke Lukhanyo. This thing of yours almost cost our children's lives!!" Luks: "Lihle. I'm sorry." Me: "sorry doesn't fix it damnit! I'm Leaving!!" Luks: "ushiye kwanto ethi mna, including my children..." Me: "these babies were in MY stomach!! Ndim obakhathaleleyo! Not YOU!!" Luks: "so uzam ukuthi andikhathali!" Me: "YOU DON'T. Into yaziyo kuphakame uhambe ubuye nge ngomso, doing who knows what with who, where! Whoever it is lo ushifter attention yakho must be pretty good, because Lukhanyo I don't feel you anymore, its not the same!" Luks: "now you know how I felt, ngokuya wawumane

ngobhuda ngo Lubabalo ebhedin. I felt like I wasn't good enough for you. You preferred him over me. I know uzoxoka apha kum. Trying to justify yourself...like always. You must be perfect. Wonke omnye umntu abesi scrap njee...I know uyamthanda, that's why you wanted to kill him because you couldn't deal with the fact that he existed and couldn't be yours, ithi kwakhona ndiyaxoka Lihle. I tried so hard for you, but whenever kukho yena you change. You just brighten up....now akekho all you do is scream at me. If you want to leave, I'm done begging mna, ndityiwe zizinto oko. Hamba sisi. I know I make mistakes, I know ndiyi kaka yomntu and I always will be....which is why I think we're better off apart. Nankuya umnyango xa ufuna. Shiye mntanam qha." He took his daughter and went to the bedroom.

Lungelo was finished with work and went to check on the progress of his restaurant. They were done painting. He called Zintle. Zintle: "babe?" Lungelo: "hey boo, unjani?" Zintle: "I'm fine wena?" Lungelo: "I'm good...they're done painting here. So ndiyaqoqosha ngoku. Bazo replace furniture ekseni. As soon as that is done, we'll have to advertise and prepare to re-launch. Siqale ek'qalen." Zintle: "wow. Ingathi ise nintsi mos lento." Lungelo: "yeah, its not going to take just days to get it up and running. Abantu bazoba negative toward the place because nobody wants to burn." Lungelo carried on cleaning up behind the painters. Guy: "lise manzi elo cala bhuti, qala ngapha." Lungelo went to the other side to carry on cleaning. When he was done, he called Paul. Paul: "bro." Lungelo: "hey how did the meeting go?" Paul: "I've never been that bored, ndisando phuma ngok sani. Yours?" Lungelo: "sine client

He tried again, leaving a voice message: "Thando. You better do yourself a big favor and answer your damn phone." He hung up. Guy: "sorry Bhuti? Bend'cel amanzi." Lungelo: "are the taps running?" Guy: "no. Akuphum manzi." Lungelo: "ndiyabuya ngoku." He got in his car and drove to the nearest garage. He bought food and cooldrink. Then drove back. He had to get a plumber to fix whatever the problem with his taps was. He gave them the meals and they ate. Lungelo called Thando again. He still didn't answer. His phone rang, it was his mother. Lungelo: "olady." Ma: "hello, unjani?" Lungelo: "ndiphilile mama wena unjani?" Ma: "ndiyaphila nyana. Kuthen kungxolwa? Ubusy?" Lungelo: "not really, siyalungisa nje apha. Ma: "I love you too. Undibulisele kuThando." Lungelo: "ok ma." He hung up. Lungelo waited till everyone left and locked everything up then drove around. He sent Zintle a message: "all done for the day. Missing you. Tell me when the boys get home. 🥰:*" he drove home and started working again. It was getting late. He tried not to panic. Until he actually lost focus on his work. What if they got robbed? Killed? Why aren't they picking up? What happened? He got up and took his keys. Driving to Summerstrand. A black GTi was parked by the building. They got out and walked up to the flat. Lungelo followed in utter silence. Thando and Khaya got in the flat and sat down. Zintle: "nivelaphi? Kunin enikhangela uLungelo?" Thando: "bethe masiyokhangel umsebenzi. That's what we did." He walked in. Lungelo: "ngowphi lomsebenzi?" Thando stared at his older brother in fear. He turned back to the flat. Lungelo: "Khaya. Let's go."

Following morning.

I woke up and packed my bags with the babies'. Lukhanyo was watching television. His mind far away. Everytime his phone rang he jumped. He answered. Luks: "ja?" Caller: "Lukhanyo, oko ushiye uChuma apha, I have to get to work, ndim'vasile ndaqiba but I can't take him to day care. Ndizoba late." Luks: "I'll come fetch him." She hung up. Lukhanyo wore his pants and drove to her place, waiting outside. Chuma came running out and screaming. Chuma: "tata!!!!" Luks: "hey ntwana yam..." He picked up and carried him inside the car. Sbosh: "bye honey." Chuma: "bye bye mama." Luks: "hey." Sbosh: "hello." He got in the car. Luks: "thanks.." Sbosh: "pleasure." She walked back to the house. Lukhanyo drove Chuma to school, dropped him off and went back home. Lihle was done packing. He stared at her without talking. Me: "yinton ngok?" Luks: "I got a nanny to take care of the babies xa use skolweni.." Me: "ndiyahamba apha mna!" Luks: "nguban bethe hlala na? Qha ndak'chazela regarding my children, I hired a nanny. Since bek'qedel injabulo. You can do whatever you please, whenever. I'll come see them at least 3 times a week." I ignored him. He can go to hell with his stupid 3 visits and nanny! Luks: "so awuzothetha nam kengok?" He turned and walked to the babies. Kissing each one of them lightly. I took the bags to the Benz and left with my children. Lukhanyo stood in the middle of his house, in pain...it felt like his heart has just been ripped out. He showered and got dressed. Just as he took his phone to make a call, it rang. Luks: "Stuja?" Stuja: "Ta Luks, I just got a call. Ta Smig uthi dibana naye endlin. They just got back and abak'fumani efownin." His heart relaxed for the first time... Luks: "ok, ndiya pha ngok!" He took his Audi keys and ran out. Stuja was with Sindiswa. Stuja: "kodwa baby, awuna timing. Sapha ndik'bonise." Sindi: "khasuke man Slulamile, ndifuna yontsontsa mna." Stuja: "ungak'linge uchamel ibhedi yam, hamba." Sindi: "bamba uLukha kalok nawe, uyeke usonga ingalo ngath ungumfaz olinde umnyen egatin." She went to the bathroom. Stuja: "khajike ndibone." She climbed over the bed, he jumped up and ran to the door. Stuja: "ungatyumzi umntanam wethu." Sindi: "undiqhela masimba Slulamile." Stuja: "oh bethuna uNo-tomato wam, khaze ndiphuze baby." Sindi: "usuke kum ndingekak'faki idzewula emlonyen!" He picked up his phone. Stuja: "Ta Luks?" He heard brakes on the other end and the phone cut off.....

Chapter 431

Mandy was getting ready for work. Anda was laying in bed tired. He hadn't slept for days. Mandy: "Anda." Anda: "hm?" Mandy: "are you okay baby?" Anda: "I'm just tired love." Mandy: "let me take leave then, ndik'jonge." Anda: "ha.a baby, go to work. Ndizoba grand mna I promise." Mandy: "okay, I left some food in the microwave when you hungry ok?" Anda: "ok..." She kissed his nose. Mandy: "ndiyak'thanda baby wam va." Anda: "me too sthandwa." She took her bags and walked to her car then drove to work. Anda got up and went to eat then showered and lay in bed with his phone. A message came through on his phone. "I miss you..." He didn't know the number. He replied: "ungubani?" Message: "you don't remember me now?" He put his phone away and ignored it. Then fell asleep. It was a while later when he woke up hearing a knock on his door. More of a bang.....

Lubabalo was in his office, talking on the phone. Lubb: "I ordered one for the end of this week." Caller: "is there a specific detail you would like to add?." Lubb: "no, just get me the original. Thanks." Caller: "okay." He hung up. His phone rang. Caller: "Andrew, I have your car ready." Lubb: "thank you, just deliver it in Port Elizabeth, I won't have a chance to use it here." He hung up. The phone rang again. Lubb: "oh fuck damnit!" He picked up. Lubb: "what!" Twan: "should we go back home? Is it a bad time?" Lubb: "no, no, no....I'm sorry I'm just under a lot of pressure. I'm in my office, come through." He hung up. Twan and Estella walked in. Lubabalo was too busy. Estella: "Lubby!" She ran to him and gave him a firm squeeze. Her boobs in his face mistakenly. Estella: "Como você está?" (How are you?" Lubb: "uhm. Yes." He was so confused. Lubb: "Twan, please tell her to wait a few minutes I'm busy with something." Twan: "Estella, Ele diz que está ocupado. Por que ele não está falando

com você?" (He says he's busy. Why isn't he speaking to you) Estella: "Eu quero ver até onde ele pode ir, tentando me impressionar com seus pobres Português." (I want to see how far he can go trying to impress me with his poor Portuguese.) Twan: "Mas Estella, você pode falar Inglês!" (But Estella, you can speak English!) Estella: "Diga a ele, eu vou esperar." (Tell him I'll wait.) Twan: "Lubby, Estella will wait for you, and anything you want to say to her say it directly, because she knows how to answer you." He walked out. Lubb: "oh? So you've been playing me all this time?" Estella: "it was fun, seeing you all jittery and helpless." He smiled at her. Lubb: "you are something else, you know that?" Estella: "I try." Lubb: "so where do you want to go?" Estella: "surprise me." Lubby packed his things and switched off the computer. Lubb: "let's go." He held her hand and walked to the car, driving to a restaurant. Lubb: "so...what do you do for a living." Estella: "I was a model." Lubb: "what stopped you?" Estella: "I got pregnant. Now I've gained a lot." Lubb: "I don't see shit wrong with your body. You're fine." Estella: "well I don't feel that way." Lubb: "how old is your son?" Estella: "he just turned 1." Lubb: "where's daddy?" Estella: "well he just doesn't care about him. Or his existence, he wanted me to have an abortion. That was the end of us..." Lubb: "wow, choosing your child over a man, is a brave and beautiful step you know." He parked and they walked in. Lubb: "so what brought you here?" Estella: "I came to search for you..." Lubb: "hahaa....well here I am." Estella: "I'm kidding...I'm a qualified Auditor and I found a job. So I start next week." Lubb: "wow. So whilst you were modeling...you studied..." Estella: "as back-up, if anything happened I wouldn't be out in the cold. I started modeling when I was 8. I'm turning 31 now. I think I've had enough." Lubb: "hmm.....you're quite smart, you know." Estella: "tell me about you?" Lubb: "I was adopted. By white parents..I have lived here for my schooling years. I finished school at 17, went to University till I was 22. Then went to jail. The moment I got out I left for Australia. When I came back to SA I lived in Port Elizabeth then built the company here...I only recently found out I had a twin brother, an uncle and 2 nephews and a niece. My younger brother X, is dead and both my biological parents." Estella: "wow. What you go to jail for?" Lubb: "murder..." Estella: "how did you come out so early??" Lubb: "mistaken identity. It wasn't me." He lied. He had lawyers to cover everything up. Estella: "oh..." Lubb: "and I have a 3 month old baby girl...." Estella: "the mom?" Lubb: "she don't want me back. The current girl I was dating is pregnant too." Estella: "you are fast...what happened with her?" Lubb: "says I don't pay enough attention to her. So she dumped me." Estella: "shame..." They ordered their food. Lubb: "so is there a man in your life..." Estella: "you don't waste time, do you?" Lubb: "why should I do that..." Estella: "I am already looking at my man." He melted in his seat.. Lubb: "your eyes.....fuck." Estella: "what's

wrong with my eyes?" Lubb: "they're sexy...I love them" Estella: "well thank you..." Lubb: "now I'm all speechless." Estella: "no need to be shy...problem with you is that you're too used to be the boss. You should have a seat because I'm no pushover..." Lubb: "hm...I love a little control..." The food came, they ate. Lubabalo took out his wallet to pay the bill. Estella: "what are you doing?" Lubb: "I'm paying the bill babe." She took out her wallet and paid it. Estella: "I can afford my own things thank you." Lubb: "okay....I'm loving this..." They walked to the beach and he held her hand. Lubb: "tell me about your family in Brazil." Estella: "they are a crazy bunch. You'll get to meet them very soon. They like being updated in my life." Lubb: "great." Estella: "and when am I seeing the twin, little nephews and your baby? I adore babies! They are so cute." Lubb: "anytime you want, just not today babe, tomorrow I have an important meeting. Why not this weekend?" Estella: "this weekend...is great." He hugged her from behind. Lubb: "I'm in love with this ass.." He whispered to himself. Estella: "I can feel the bump that's not getting any for a few weeks..." Lubb: "so you gonna torture me?" Estella: "I'm not a first nighter babe...I don't roll like that." Lubb: "don't worry I will wait." He kissed her neck. Estella: "we'll see...." Lubb: "can I show you where I live?" Estella: "hahahaaa!! That is just overrated, you can do better." Lubb: "fine then.....I'll wait." He turned her around and kissed her soft lips. Holding her beautiful Brazilian hair with one hand, the other sliding down her back and onto her curve. Lubb: "shiiiiittt!" Estella: "lets go..." They walked to the car.....

Lukhanyo opened his door and crawled out his sports car. His right shoulder was pain. The car that had bumped into him sped off immediately. He called Ta Smig and told him. Luks: "Ta Smig, ndisando gilwa yenyi way...I think I broke something." Smig: "okay..ndiyeza." He hung up. Two Other cars stopped. Guy: "you okay?" Luks: "No. My head.." He was feeling dizzy. The guy helped him sit down and called an ambulance. Guy: "um'fownel umfazi wakho?" Seeing the ring on him. Luks took it off. Luks: "as if she cares. Ndifownel uTanci. He's on his way." Guy: "igxalaba lakho looks pretty torn hey." Luks:"its as painful as it looks trust me." Guy: "ndingu Sonwabise." Luks: "nice to meet you." Guy: "can I get you anything?" Luks: "lukhanyo." He breathed. Soso: "lovely." They sat in silence. Soso: "Lukhanyo do you believe in Jesus?" Luks: "Sonwabise, whoever you are. This is not the time okay? Ndisez'ntlungwin." Ta Smig arrived. Smig: "unguban ke wena?" Soso: "Sonwabise." Luks: "don't ask." Ta Smig helped him up and the Ambulance arrived. Luks: "sodiban es'bhedlele." Soso: "do you want me to come with you?" Luks: "I'll be fine thanks." Soso: " don't forget to pray." Luks: "I won't. I promise." He rolled his eyes and they left

for the hospital. After they tested him again and fixed his shoulder. Giving him painkillers. Smig: "uphi uLihle." Luks: "and'maz." Smig: "where's your ring?" Luks: "threw it away." Smig: "for nton!!!" He yelled. Luks: "akandifuni mos." Smig: "Nonsense Lukhanyo! Wenzentoni! Speak before I strangle you cold." Luks: "call her and ask." Smilo took out his phone and dialed Lihle's number. Me: "hello." Smilo: "Lihle, uphi?" Me: "ndisekhaya bhuti." Smilo: "ndicela uze tu...Lukha usandofumana ingozi, he's in hospital." Lubb: "is he dead?" Smig: "damn it, No." Lubb: "ndise msebenzini mna. Lo angam'funiyo. If he was here he wouldn't have injured himself. I'll come by nge weekend. We'll talk later." He hung up. Smilo called Thulani. Thulz: "Ta?" Smig: "uphi Thulani?" Thulz: "ndise ndlin, Ta Smig." Smig: "lukhanyo ufumene ingozi. He's kind of injured. Akekho noLubabalo." Thulz: "Oh." Smilo: "Lukhanyo!" Luks: "cela uzuyondilandela uChuma eskolweni. I need to lay down." Smilo: "let me drive you home, I'll take care of the car and everything." He drove Lukhanyo home. Smig: "will you be okay?" Luks: "ndigrand bhuti." Smilo drove off. Lukhanyo sat in his house by himself. an hour later...he woke up from a deep nap. He heard someone walking toward the house. He stood up and Blade walked in. Blade: "finally out in the cold.....ndim nawe qha ngok." Luks: "ungaske undibulale nje? You'll be doing the world a favor." Blade looked at him confused. Blade: "don't tell me what to do." Luks: "yacaca bonanje wena, waphelala ku standard 2 eskolweni because udom. SHOOT ME! KILL ME!" Blade set his gun. Luks: "you're a bitch. Just then.....outside 4 shots penetrated Blade's back and he fell to the ground. Dead. Lukhanyo stared at the door. The shooter stared right back at him and smiled....

Chapter 432

Luks: "Thulani..." Thulz: "surprise." Luks: "I thought you...." Thulz: "let's get rid of this qala." Lukhanyo called Smilo and Stuja. They covered the body in black plastic and a

sheet. Stuja arrived, helping them carry it out to the boot then cleaned the mess. Lukhanyo was still stiff in pain. Stuja: "hlala boss, I'll do it." Stuja called the others and left. Thulz: "you good?" Luks: "nah....my whole body is fucked up." Smilo arrived with Chuma who was bouncing all over the place. Chuma: "tataaa!!!!" Luks: "izapha boy yam." Chuma climbed on his chest. Luks: "tata wakho uyagula va." Chuma nodded. Luks: "uzondincedisa apha endlin ne? Zohlala notata?" Chuma: "ewe." Thulz: "uyephi uLihle?" Luks: "she left me. Akandifuni." Thulz: "damn...askies man." Luks got up and went to his son. Luks: "my boy." Chuma was crying silently. Luks: "hayi man Chuma." He sat next to him, holding him tightly. Luks: "bendidlala alok nyana, khange andibhethe umamakho. Ndigiliswe yimoto mna." Chuma: "uphi yena umama?" He sobbed. Luks: "uye ku makhulu." Chuma: "uzobuya?" Lukhanyo couldn't answer him... Luks: "andiyazi boy." Chuma: "uthi wena akafuni.." Chumani didn't ask any further. Chuma: "funa umama mna." He cried. Luks: "shhh....." Chuma: "UPHI!!!" He screamed. Thulani walked in and took the child. Lukhanyo got up painfully and walked to his room. He had a flashback of that afternoon. The person he'd met. Sonwabise. Lukhanyo put a pillow on the floor and kneeled. Luks: "God....indithathe intlungu engaphaya komlingo to actually kneel down before You. At first I didn't believe, I didn't have faith. I still don't, but I have hope. Hope that you'll help me see light. I know only You can guide me kule into...I'm trying to find my purpose and lately all I've been doing kususa abantu abandithandayo ecaleni kwam. I hurt people and in the process I hurt myself. All I'm asking is Your forgiveness. I don't deserve anything, which is why abantwana bam ndibayekile maybe they're better off without me. Just guide them through life's difficulties. Amen." He got up and went to the lounge. Luks: "Thulani, I can cope sani, if you gotta go. Don't stress yourself ngam." Thulz: "are you sure?" Luks: "yeah." Thulz: "ndizofika eksen for Chuma." Luks: "sure.." Thulani left. Lukhanyo locked his

house and started on dinner. Luks: "ufuna utya nton?" Chuma stared at him. Chuma: "noodles." Luks: "Chuma, you just ate noodles." Lukhanyo made spaghetti and mince instead. It wouldn't take long and didn't need much effort. Luks: "Chuma, khazondinceda apha." It him quite a while to get up and drag himself to his dad. Luks: "hold here." Giving him a bowl. They sat in the lounge and ate. Lukhanyo's phone rang, the number was Sbosh. He put his phone on silent and stashed it away. Luks: "imandi?" Chuma nodded and watched tv. Luks: "we'll be fine my boy....I promise."

She switched the lights off and put on a movie for him then ironed his clothes for the morning meeting. By the time she got to bed, he was asleep...snoring lightly. She turned off the movie and cuddled with him.....

I was getting ready for bed. Jeff and Thenjiwe were in the lounge. I took the kids to my room and lay them down. Luhle was restless and refused to sleep or eat. Me: "Luhle!" She started sobbing and pushing. Me: "no man! Sit still and eat. Luhle!" She was really irritating at this point. Mom walked in. Ma:"ufuna utatakhe lomtana." Me: "no mama Luhle uyageza!" Ma: "m'sapha." Me: "I can cope." Luhle wailed lightly. As if she didn't want to cry. I wanted to spank her hand. Ayikho le ayenzayo. Me: "Luhle.....baby. Please just stop!" She groaned loudly. I just put her down and switched off the light. Lutha was drifting to sleep already. Ma: "akho use yalento uyenzayo. Ifika nin le nanny?" Me: "tomorrow." Ma: "bukhe wayombona uLukhanyo?" Me: "why should I? Uyenze ngamabom lanto Lukhanyo for sure ufuna nje itruck yoba ndibuye ndimvele. Unez' stunts qithi." Ma: "still.....he's your husband." Me: "he doesn't view himself as my husband mama. He does as he pleases. Athethe nam as if I'm nothing. Worse ba makathi mandiphume endlin yakhe, ndishiye kwanto ethi yena. He was making fun of me kuba ndingenamali inguye umntu onayo." Ma: "utshile ngomlomo wakhe na ba awunamali?" Me: "no but that's what he meant." Ma: "you need to sort this out Lihle. And ke you know better than anyone xa uxabana noLukhanyo it affects your children. Ungalibali ba unyana lo wakho has a chronic illness that strikes anytime his parents fight." With that being said She walked out. Luhle was quiet and laying there. I lay in bed and thought for a while. Thenjiwe went to the lounge back to Jeff. Thenji: "sorry bout this....khandiyazi ba uzoza apha." Jeff: "yeah, I know ngumntanakho babes ne. And this is her home. But she can't just barge in and be moody. Makathethe kakuhle. Besides that, I know I've never been married but running to parents everytime you fight is just immature." Thenji: "akazongazi apha uLihle xa efuna!" Jeff: "I'm not fighting that darling, but what happens when she gets along with Lukhanyo? Uzophinda anqabe until the next fight?" He got up and took his keys. Thenji: "awuzohlala?" Jeff: "no. I don't want to be part of a girl's support group. She needs her mother." He kissed her cheek. Jeff: "ndimnkile" Thenji: "sthandwa..." Jeff: "you'll call me xa ufree..." He left. Thenjiwe walked to the room to comfort her daughter....

Chapter 433

Lukhanyo woke up at 05:45. He bathed Chuma and went to make him lunch. Using only one hand because his whole right side was painful. He had broken his arm and possibly his shoulder or so he thought. His leg was limping. He tried to dress his son and heard a knock on the front door. Lukhanyo opened, letting Thulani and Junior in. Thulz: "what's wrong?" Luks: "this shit is painful bra. Yesess! Ndibuyela esbhedlele namhlanje. Will you take Chuma for the rest of the week?" Thulz: "sure thing man. Uhm...uphi uLubabalo? Does he know kwenzeka nton?" Luks: "lubabalo useKapa. And let him be. Chuma: "love you tata." He sulked. Luks: "I love you like a jelly tot ne." Chuma: "love you like a tata Elephant." This almost made Lukhanyo cry. Luks: "okay ke my baby elephant." He got off and walked to Thulani holding his hand, they left for day care. Lukhanyo got dressed and waited for Ta Smig. He arrived after 8am. Luks: "bhuti cela undise esbhedlele." Smig: "what for?" Luks: "andiziva mandi....I'm in more pain than I was in izolo." Smig:"uzoba right man Lukhanyo!" Luks: "no Ta....I just... I can't sit here and take it." Smig: "okay." They drove to Greenacres hospital. Lukhanyo went in by himself and his little bag. Luks: "uzund'phathel inyama ne coke." Smig: "okay." Ta Smig drove off....

I Woke up late at about 9. Mama had taken the babies in the morning. I was in no mood. Maybe if I could just get fresh air. I went to bath and dressed in black jeans, a white vest and sandal. Ma: "uyaphi?" Me: "I don't know...ndifuna bhethwa ngumoya qha." Ma: "uzobuya nini?" Me: "emini mama." Ma: "okay." I took my keys, bag and left...calling Rene on the way. She didn't pick up. Let me try Linda. Me: "hello?" Linda: "hey?" Me: "how are you?" Linda: "I'm good thanks....what's up?" Me: "would you like to have lunch?" Linda: "well yeah, I don't got shit to do today...where ya at?" Me: "let's meet at Tabu." I loved that place with my entire heart. Bye bye Angelos. Linda: "I'll be there." I drove to Summerstrand slowly. Parked by the hotel and took a walk around it until Linda arrived. We hugged and went inside. Linda: "you are

scarce! What happened to you!" Me: "oh this and that. I just need a breather from everything." Linda: "hm...as housewives we are totally entitled to that." She ordered a cocktail. Me: "just a glass of water please." Linda: "nonsense! You're having a cocktail with me!" She ordered another. Linda: "one won't hurt. Come....tell me everything, let's sit at the outside table." We went outside and sat.. Me: "me and the hubby are separated." Linda: "why?" Me: "he's too much for me. A total Control freak. I'm always tied up with the kids and the house, and everything depends on me. I'm tired." Linda: "you still wanna have fun." Me: "I wanna be my own person." Linda: "then you shouldn't have gotten married, boo." Me: "I loved him. In the beginning it was rocky and I understood...but things went extremely smooth we became really happy and comfortable and perfect. Now I think he's fed up. He hasn't even called once! Plus I think he's sleeping with his ex." Linda: "and you think by leaving him in that house alone will chase her away. Grave mistake darling. She will be there for him, like a Bible in a church. Like saliva for a tongue. A light in the dark. She will literally lure him to her. Men are weak, he will fall into this trap, because you're not there." Me: "why Must I be the one that always begs and pleads." Linda: "which is what I'm saying. You weren't ready to get married. I'm old as hell, I know for a flying fact that its my darn duty to drag his ass around wherever I want. I give him his space, he gives me mine. Its just that simple. You can't work nothing out without talking!." Me: "I don't wanna talk to him." The drinks came. She gulped hers down. Linda: "then Don't. Bottoms up!" I sipped my cocktail. Linda: "don't be a wimp. Open your damn throat." I laughed and drank the liquid. Linda: "there. You see?" Finally our food arrived and we ordered more drinks. Ate and left... Linda: "tonight there's a DJ from wherever coming to Cubana. Come with...have a little fun." Me: "nah...I'll pass." Linda: "oh yeah...you're still in the dungeon. Well, text me if you change your mind. Let's go for retail therapy." Me: "woah....so early?" Linda: "we've got the money they GAVE to us. So why not..." We got in our cars and left for Walmer. We went in the shops and bought a couple of dresses. Me: "I can't wear this. Its short." Linda: "for who? You or your husband?" Me: "I like it...but no." I put it back. Linda: "and this one?" Me: "just perfect. This looks better on you." Linda: "yeah ima take it." We paid and finally left for Summerstrand again. Linda: "I wanna show you something." Me: "what?" We walked down the beach to a peaceful place where we sat down. Linda: "whenever I'm feeling lonely I just come down here and reminisce about the times me and him shared together. Now....all he ever does is travel and business. That's what the brand Owen Wilson is about. " Wait.....I've heard that name before. Linda: "what's worse is that I know he's cheating wherever. I just don't want to lose him, you know." She cried. Shit Owen is Demi's sugar daddy kanene! Linda: "he doesn't

even care about me anymore. His secretary had to remind him of our anniversary. How shameful is that." Me: "I'm sorry...." I was still in shock and fear. Me: "would you like to take a swim?" Linda: "yes, even though I am drunk and will probably drown to death." She got up and we walked to the beach.....

Lubabalo got to his office late afternoon from the building site. He had a late meeting with Anele Banali. He sat down and started preparing. There was a knock on his door. Lubb: "come in." The door opened. Lubabalo was too busy reading off his computer to see who. Estella: "am I distur'bin you?" Lubb: "definitely not. Have a seat babe." He pulled out a chair for her. Lubb: "you missed me? Estella: "tons." Lubb: "good." He kissed her lips holding her waist...and behind. Estella: "don't get ahead of yourself Mr." Lubb: "can I just get a taste?" Estella: "I'm beginning to think our relationship isn't that important to you, if you going to keep initiating sex." Lubb: "I'm sorry honey...I really do apologize." She sat down. Lubb: "you are one woman, right after my mommy, that can put me in my place. I'm not sure how I feel about that." Estella: "be happy.." Lubb: "have you eaten?" Estella: "yes." Lubb: "I would like to have dinner with you later." Estella: "where?" Lubb: "my place. You're cooking." Estella: "you need to drop your confidence hun. Its leading you astray." Lubb: "will you please come and cook for me?" Estella: "I would love to." She smiled. Lubb: "I've just got one more meeting." Anele walked in. Lubb: "do you mind babe?" Estella: "no worries. Vou esperar o bebê." Lubb: "okay." He didn't understand but he sat down with Anele. Lubb: "well? How are you Partner?" Anele: "I'm fine. Here." He handed over the contract. Lubb: "don't you want to discuss it in detail." Anele: "no, everything I want is there." Lubb: "including my 55% right?" Anele: "55% of MY company." Lubb: "I will build your company and make it beyond successful. Trust me." Anele: "whatever you say Lubabalo. I need to rush somewhere." Lubb: "but where's my copy?" Anele: "that is yours, I just want you to talk anything you may want to add." Lubb: "I'll send you an email tomorrow. These belong to my company's lawyers." Anele got up. Lubb: "its nice doing business with you." Anele: "I can't say the same." He walked out. Lubb: "you know for a broke person he has a lot of attitude I tell you." Estella: "you're taking 55% of his company?" Lubb: "not really." Estella: "that is a bit greedy Lubby." Lubb: "babes...I'm not taking 55%...I'm doing it for free." Estella: "but he said..." Lubb: "I said that to him to motivate him. He will work harder for himself, I don't need his little business but I can only tell him that after the first income." Estella: "oh..I thought-" lubb: "I've done this before Ella. Okay? No need to be worried. I have major companies that have my stamp on it, that maybe when I go bankrupt will help me up." Estella: "ncoooh. You so cute you know?" Lubb: "show me..." She kissed his cheek. Estella: "come, I'll cook you mom's favorite." They went to buy the

ingredients. Lubb: "my parents' old house.....I haven't been here in years." Estella: "its a beautiful house!" Lubb: "I know...." He switched off the alarm, put on the lights and took out the pots. Estella: "its okay. Vou levá-lo a partir daqui" (I'll take it from here.) Lubb: "your language really frustrates me... I think I must speak mine too. Ndik'vise ndiyivayo nam." Estella: "okay. I am sorry." Lubb: "what are you making me?" Estella: "its Rosemary and Lemon Pork Stew." She prepared the pork cubes first. Lubb: "can I help?" Estella: "bring the mushrooms for me." He brought the mushrooms and they cooked together. Estella: "who lives here?" Lubb: "the caretaker comes once a week." Estella: "it seems oddly fresh for someone who comes only once a week." Lubb: "nobody else is here babe... You're imagining things." Estella: "okay." Lubb: "I hardly cook, this is fun." Estella: "its your turn tomorrow." Lubb: "I'll make umphokoqo." Estella: "the what? Is that even a word?" He laughed. Lubb: "say it with me..UM" Estella: "nah.." Lubb: "come onn....." Estella: "I'm not saying it..." She giggled. Lubb: "come here.." He grabbed her, pulling her toward him. Estella: "baby?" Lubb: "yes..." Estella: "there's a race I'm doing for charity. Running the 15km. To raise funds for an orphanage." Lubb: "I would so love to see you in gym shorts.....hmm....." He was holding her hair, playing with it. Estella: "then join me." Lubb: "yeah, that's the problem. I can't run for shit. I won't be able to even save my own life." She laughed. Estella: "we'll train together. Please?" Lubb: "can't I just write them a cheque?" She stared at him in disappointment... Lubb: "okaaay! I'm going to make a fool of myself attempting to run." Estella: "you the best!" She kissed him and continued cooking. Lubb: "when do we start gym?" Estella: "tomorrow morning." Lubb: "erh.." Estella: "5am. We're taking a jog. Then at 6 in the evening we'll be doing stretches by the gym." Lubb: "but...." Estella: "we're fixing your diet to accommodate the extra energy you'll have...." Lubb: "as long as you don't make me eat leaves." Estella: "you won't eat leaves." She added the wine, rosemary, basil and coriander. Then stirred. Lubb: "you sleeping over?" Estella: "no." Lubb: "okay, since I'm doing this with you. We're going canoing together on Sunday." Estella: "I cannot!" Lubb: "hahahaha! Yes you can. I'll teach you...." She finished up the meal, adding the last ingredients. Estella: "cut up the garlic bread will you?" Lubb: "almost done?" Estella: "yep." He followed her order. Then went to fix the table. Estella dished up. Lubabalo sat down. Someone walked down from upstairs. Lubabalo stared at him in shock.....

Lonwabo arrived home from work. He'd worked throughout the previous night and day. He was dead tired. He locked his house and went straight to the bath, soaking himself in the warm water. Then wore pajamas and lay on the bed. Babsie called. Losta: "my wife..." Babsie: "hey baby...unjani?" Losta: "tired, hungry and horny. Uphi?" Babsie: "ndilapha ekhaya." Losta: "awundikhumbuli na? Kunin ungasand'bon?"

Babsie: "busy kalok wena.." Losta: "I'm off this weekend..iza apha...sizonwabise ngento ezi nice..." Babsie: "akhonto zokhwela ngelixesha...you'll have to come fetch me." Losta: "I'll send a cab babe..ndidinwe ndiyinja. I'll pay when it gets here okay?" Babsie: "okay..." She hung up. He waited for her until his phone rang again. He went to pay and they walked in. Babsie: "busow'tyile?" Losta: "hayi, ndilinde wena..khazapha..." He kissed her all the way to his bedroom...laying her down. Losta: "kunin ndik'khumbula...kodwa wena ngathi uyand'punisher yazi..." He undressed her. Babsie: "ndizok'vusela emsebenzin ke baby?" Losta: "I would enjoy that....a lot." Babsie: "khame ndibophe nwele zam..." Losta: "ewe zibophe mntu wam, nganxibi qhiya ez'nuka hairfood ne Paarl Perle apha." Babsie: "heee, ingenaphi Paarl Perle." Losta: "emnayngo baby...khawuleza kalok." He lay her down again. Babsie: "hayi man lonwabo, ndifun thetha nawe." Losta: "what's wrong babes.." He rubbed her thighs and massaged up between her legs. Babsie: "are you listening?" He kissed it. Losta: "hm." Then put himself at the entrance. He slid it in... Losta: "ohhh yesssss..." He moaned. She had to wait till he was done otherwise talking to him was pointless. Losta: "kuthen ingathi awukho comfortable nje?" Babsie: "I'm...." He stopped and cuddled her. Losta: "iyand'capkisa le shit uyenzayo ke yazi. Its turning me off nyani." She breathed. Losta: "you're scaring me Babalwa. Yinton ngoku?" She started crying...

Chapter 434

"Andrew..." Lubb: "uncle Mike." He stared at him. Mike: "wow, you're all grown now....who's this? Beautiful woman." Lubabalo stood up and held Estella behind him. Lubb: "my wife." Mike: "lovely....introduce me?" Lubb: "I don't think that's a good idea Uncle. What are you doing in dad's house? Does he know you're here!!" Mike: "I don't have a place to stay. I'm homeless and broke." Lubb: "how come?" Mike: "well...all the traveling expenses." Lubb: "now....how will you survive? How long have you been here? How did you get in?" Mike: "calm your tits Andrew. Its been 2 weeks, Mavis let me in....look..." They walked to the lounge. Lubb: "what?" Mike: "I need some money." Lubb: "uncle I can't..." Mike: "you're almost a billionaire Andrew. You can afford to lend you uncle a lousy 2 million." Lubb: "no, I can't. Then you're going to leave and I won't see you for years on end." Mike: "this time will be Different." Lubb: "stop feeding me lies Uncle Mike. I've seen you do this before. You cannot be in one place." Mike: "I'm in debt! Okay? They're looking for me....they want me to pay...and I can't." Lubb: "WHAT?" Mike: "I can't afford a single thing. I can't leave the house. I just" Lubb: "I'd have to consult dad about this." Mike: "he'll kick me out in the cold. You're the only one that can help me Andy....please." Lubb: "okay, but

I'm not giving you money. I'll take care of the debt." Mike: "thank you son." Lubb: "you eaten?" Mike: "nah...its been couple of days now..." They walked to the table. Lubb: "baby, this is my uncle, Mike." Estella: "nice to meet you." Lubb: "Mike, this is Estella..." Mike: "a pleasure." The 3 ate in silence. Estella: "sweetheart, can I pour you some wine?" Lubb: "please do." Estella: "uncle Mike?" Mike: "no doll....just water for me." She got up and went to the kitchen. Mike: "she's gorgeous." Lubb: "thanks." Mike: "so.....when you marrying her? Because I know she's not yours yet." Lubb: "its too early." Mike: "you've always overthought personal decisions Andrew. If you treated your life like your business, you would be happy." Lubb: "how? Mike: "sticking to one woman. Like you stick to chasing money. Settling down. You just want everything all at once." Lubb: "I can't find a woman that can fully satisfy me enough to not even want to look elsewhere." Mike: "you're looking in all the wrong places, the wrong ways. You know you're also a bit soft when it comes to women." Lubb: "I am gentle, not soft." Mike: "have a little edge....be a bit rough....you'll attract them like garbage flies." Lubb: "you want me to be gentle and rough at the same time?" Mike: "yes!" Lubb: "I'm not sure I follow, uncle." Mike: "be more dominating but listen to her as well....tell her what to do but give her suitable options....don't hit her..don't push her around..being silently aggressive does the trick." Lubb: "and this has worked for you how? Because you're not married." Mike: "I'm more like you. Emotionally unstable. The love of my life left me for someone better." Lubb: "I'm sorry..." Mike: "its nothing." Estella came back and sat down. Lubb: "you okay hun?" Estella: "just a bit drained." Mike: "I'll be in the Art studio for the rest of the night...Estella, it was lovely meeting you angel." Estella: "likewise, uncle Mike." The uncle left for the art gallery down the hall. Lubb: "would you like a foot rub?" Estella: "please babe." They sat on the couch and he rubbed her feet. Lubb: "cutest little feet." Estella: "why is everything about me cute?" Lubb: "because you are..." He kissed her shin and knee. Estella: "lubabalo, why does your uncle call you Andrew?" Lubb: "second name.....can I lay on top of you?" I lay his head on her breasts. Lubb: "this is like heaven's pillows man." Estella: "hehehe. You crazy as hell." Lubb: "I'm going to take a quick nap, okay?" Estella: "okay." She sang a verse in portuguese softly... Lubb: "whatever that is.....calms me the fuck down.." Estella: "shhh....Descanse bebê, relaxar. Eu tenho você." (Rest baby, Relax. I got you.) Lubb: "tomorrow we're flying to Port Elizabeth right?" Estella: "I have to start at home. My parents need to know." Lubb: "hmmm...kay." Lubabalo fell asleep....

Losta: "umithiswe nguban Babalwa?" Babsie: "baby nguwe nje!" Losta: "lies..." Babsie: "lonwabo uyand'phika kodwa besileli kunye without i-condom?" Losta: "Babalwa, andiyilwi lonto ne. But kodwa andisosdenge mna." Babsie: "so now that you got what

He panicked. Babsie: "uthi mos ayingomntanakho lo? Ayikho enye ke bhuti, I'm leaving. Undizeke wandiqiba, now its gameover." Losta: "mntu wam," he grabbed her and pulled her back to bed. Losta: "I'm sorry...ndisene shock. I don't know ndizom'chazela njani umama lento..they're a bit protective and strict. Worse ngokuya zakufika uTia. Babes, we'll work it out though sobabini. Ava? Babsie: "you promise?" Losta: "I promise mfaz wam..." Stupid bitch, he thought. Ucimba ubhanxa ban lo Pomprika ka sathana? Sies, kodwa nam ndathand uhamba ndihlohla uRambo. Babsie: "awulambanga?" Losta: "khulula baby I wanna see your ass wiggle when you walk. Undenzel into emandi efana nawe." She undressed and went to the kitchen shaking it. Lonwabo held his Rambo. Losta: "Fuck, uyabawa nawe man!" He whispered. Losta: "kodwa andizongatyi mna ukutya kukhona." He pulled out a condom and wore it then walked to the kitchen. He stood behind her and rubbed her in front. Babalwa moaned. Babsie: "ndizotshisa ke ne.." Losta: "we'll order something." He bent her over and entered her slowly. Losta: "this feels soo fucking good.....undenze ntoni fondin?" He groaned. Babalwa: "just fuck!" She moaned. Losta: "that's my girl..." He pulled out slowly and shoved it back in hard. Repeating it a few times. He picked her up and lay her on the kitchen counter then climbed on top, entering roughly. this is for the shit you put me through. The lies and thinking I'm a stupid bitch. He thought to himself as he banged against her. Babsie: "Lonwabo!!!" She screamed. Yes Bitch? Losta: "YeSSS!!!!" Babsie: "I'm almost there...please.....don't.....stop..." Losta: "what you say?" Babsie: "Don't Stop!!" He orgasmed and pulled out instantly. Babsie: "baby maan!" Losta: "qanda lam liyatsha." He got off and went to the stove. Babsie: "but I'm not done!" Losta: "thought you told me to stop." He flipped over his egg. Losta: "yuuuh, jonga liyatsha!" Babsie: "LONWABO!!!" She yelled. He ran to the bedroom, Babsie: "Lonwabo man!!!" Losta: "mos jonga iwile?" Babsie: "make a plan!!" Losta: "imandi kakhulu dan baby? You just can't deal ne?" He kissed her neck. Babsie: "can we carry on?" Losta: "qala itsho, Losta uzeka kamand, say it." Babsie: "mxm...khayenze man baby. Yaz'bona ke." She sulked. He pinned her against the wall and lifted her right leg while kissing her. He entered two fingers inside her.....and she got wetter. Babsie: "faster..." He moved his pace up a little. Babsie: "yesss.....Lonwabo..." Losta: "ewe mntu wam...?" Babsie: "ohhh...." Losta: "nguban gama lam?" She clawed on his back, sucking on his neck. Babsie: "lonwabo!!!" Her body went into shock.....hot liquid rushed out of her. Losta: "yes..." Babsie:

"nezmanga qithi. Sies." Losta: "andifikanga kuwe. Get me my phone. And wallet. Nxibe siyothenga ukutya. Because qanda lam ulitshisile shame." He went to wash his hands and Rambo then got dressed. Losta: "thatha eliya limhlophe for usula. Yeke eli navy vas'lap please. Ngelobuso." Babalwa went to the bathroom and took the Navy one on purpose. Losta: "zonxiba kalok." She came to get dressed. Losta: "you took the navy one didn't you?" Babsie: "why do you ask." Losta: "because ndiyakwaz. Andaz noba ufuna undifaka iqobas yakho na. But ke shame utsho phantsi because nam bendibhanxa. Sekhe wal'bonaphi vaslap lenyawo libe mhlophe laway. Let's go babes." He laughed and walked out.

I woke up the next morning around 10am. Mom barged into my room. Ma: "lithembelihle! Ufike nin?" I pretended to be asleep like a boss. I couldn't deal with her yelling right now. Ma: "LIHLE!!!" She pulled her blanket. Me: "Damn Ma! Ndine ntloko, can I just take a couple of hours?" Ma: "ubuphi ubusuku bonke!" Me: "bend'hlel noLinda mama. Please give back my blanket?" Ma: "abantwana bona!?" Me: "why yonke into its about the babies. Can't I enjoy myself for one night?" Ma: "No Lihle! I sacrificed a lot for wena! I was just about your age, when I had you! Unlike you I had NO husband!" Me: "that abused you every chance he got. Ungay'qibezeli nje? Utata loved you and respected you just the way you are. He still does. I don't know ubona nton ku tata ka Thulani mna because he's half the gentleman my dad is." Ma: "WHAT did you just say???" Me: "I'm tired of everything thrown at me. Ndidiniwe mna yiyo yonke lento! I want to be my own self! Hlel nje funeke ndoyike ba ndizokrwitshwa na. Ndizobethwa na. I'm grown. I want to be independent without Lukhanyo hanging over my head." Ma: "you will regret yourself kungek'dala bonanje." Me: "mama kuthen funeke mna ndicenge uLukhanyo kodwa nguye ondenza ikhoboka lakhe?" Ma: "you're his wife Lihle, awulo khoboka. It is your duty to take care of your kids, clean the house umpathe kakuhle." Me: "yena akandiphethanga kakuhle mos." Ma: "I can't listen to you only Lihle. Ayinanyan yonke lento uy'thethayo ayisa dibani. Itsho qha wena udikiwe and awufun uba ngumfazi. End of story." She walked out. My phone rang. Me: "hello?" Linda: "hey babe!" Me: "why are you so fresh?" Linda: "just got out the gym! Hey, last night was epic! Everything was great!" Me: "I've never had that much fun I swear..." Linda: "well, guess what..there's a students party tonight in Summerstrand. You doing your first year right? You can make friends there. So we gonn do, the same shit. We did last night. Again!" Me: "I don't think my body will allow me to do that." Linda: "babe, get up, take a jog, rest and drink water. You'll be fine! I'll call you around 6!" She hung up. Me: "urrg...." I got up and went to bath then dressed. I walked to the nearest shop to buy banana's and I met my childhood friend. Tyler. He whistled. You know

those guys that wear ipanama and allstars and look like thugs? He looked like that, with gold teeth. But shame he was more legal than the actual law. Me: "hey Tyler." Tyler: "awww mampintshos! Yakhumbuleka mtshana man ey." Me: "ey..yayaz nje." Tyler: "liphi rhuzu fondin....ndak'bona uhambela emafin, urhuqa ne Benz ngok. Hayi no, kugrand." Me: "haisuka Tyler tshi. Uphi uNotsitsi?" (His girlfriend) Tyler: "ndiya kuye ngok, awufun und'khapha? Wakuqibela kdala nyan." Me: "maybe next time, und'bulisele va." Tyler: "sho sho, kortez." Me: "mpa!" He laughed and walked away. I walked in the house. Mama put Lutha on the couch with iBompi. Me: "Hayi mama!!! Akanotyti bompi uLutha!" Ma: "why not? Uyay'thanda nje." Me: "his health doesn't!" Lutha started crying. Me: "mama iyabanda lento, Luthando akanokwaz ukutya lento." I picked him up and tried to calm him down. He didn't budge. Ma: "sapha lomtana Lihle." Me: "ndicela ungamtyisi bompi please." I gave her the baby. Luhle was asleep. I went to my room and relaxed for once....what will I wear.....?

Mid-afternoon, Lubabalo and Estella arrived in Port Elizabeth. She was wearing tight high waisted denim shorts. A YSL t shirt and sneakers. Her long brown hair was let loose over one side. Lubabalo had on his shorts and a white New York t shirt. With Jordan's sneakers. They were holding hands walking through the airport. Everyone stared at Estella's firm body. Lubb: "okay, I am the greenest point of jealousy right now." Estella: "I didn't realize this much attention was given to a person wearing shorts." Lubb:"its those sexy tanned thighs. Come..I wanna show you the beach." They got in the car and drove off. Estella: "later? When its less hot." Lubb: "okay sugar foot. Let's go to our mini heaven." He drove to his house. Estella: "How do you survive this place? É tão quente aqui" (its so hot here.) Lubb: "the weather will change later, you'll see...Brazil is hotter than this. I don't know why you complaining." Estella: "it will change to hotter?" Lubb: "windy or cold or probably even a thunderstorm." Estella: "Impossível!" (Impossible!) Lubb: "you'll see..." He drove in and parked. Estella: "you have nice taste." Lubb: "it runs in the family...come," he took the bags in. Sylvia came out to help. Lubb: "molo si." She looked at Estella. Sylvia: "hello. Me is Sylvia." Estella: "lovely to meet you Sylvia, I'm Estella." She hugged her. Sylvia smiled sweetly and disappeared into the bedroom. Estella: "she is so nice. Your mommy?" Lubb: "no, that's my helper boo. Let me take you on a tour." He showed her the entire house. Estella: "you have twin babies? I see the baby room." Lubb: "my nephew and niece's room pumpkin. They're twins." Estella: "when do I see them?" Lubb: "tomorrow...for now..." He kissed her... Estella: "I don't know Lubby." Lubb: "I get carried away. Babe..." Estella: "I'll make lunch." He watched her find her way to the kitchen. Lubb: "that ass though..." He walked after her. Lubb: "wait for me.." Estella stood in the lounge tying up her hair. Lubabalo stood next to her and looked at

the door. Liya was standing there. Wearing a black and white dress. Showing her baby bump. Estella: "Lubby..who is this?" Lubb: "Liya.." Liya: "nguban kengok lo!" Lubb: "uhm....." He scratched his head. Lubb: "Liya, cela ungabi krwada tu. Estella...please listen..." Estella looked at him. Her green eyes sparkled and big. Estella: "I'm waiting." Lubb: "this is the girl that I told you about." Liya: "ndiyi girl qha ngok!!! Did you forget to mention I'm your fucking FIANCE!!!!" She screamed. Lubb: "Liya!" Estella: "excuse me??" Liya: "you heard me! So pack your little self, tie up your hair and get out of my house!" Estella: "Seu filho da puta! Você mentiu para mim!" (You Bastard!! You Lied to me!) She yelled. Estella: "Me trouxe até aqui para me enganar!" (Brought me all the way here to fool me!) Lubb: " Estella..." She walked off to fetch her bags. Liya:"Nyestella wokunya! This is our house! Wandimithisa apha, now all of a sudden ufuna ooNyestella abene figure!" Lubb: "fondin! You told me you didn't want me! Ngokuya sasihamba noBuhle, you said ufuna uzenzela izinto zakho!! Now that I'm happy, you start acting up!" Liya: "you are still engaged to me!" Lubb: "well the engagement, is OFF! Kuthen ndizova ngawe nje, when you feel like being with me? Well the ship has sailed!" He walked to the room. Lubb: "estella! Wait!" Estella: "Leave me the HELL ALONE!!!!" She growled. Her eyes ablaze with anger. Estella: "don't touch me. Don't nothing!" She grabbed her bags and walked out. Lubb: "I'll take you to the airport!" Estella: "I'll find my own way!" She cried. Liya: "makahambe!" Lubb: "um'landele." Liya: "what?" Lubb: "undivile. P H U M A. KWAM."

Chapter 435

Lubabalo ran after Estella. Lubb: "babes please." She ignored him and waited at a stop. Lubb: "there are no taxi's here...can you please listen to me?" She stood by the road and waited. Lubb: "she's not my fiance, we broke up a while back. Okay? The only thing between us is that baby. And that is it. You've got to believe me." Estella: "leave me. ALONE." Lubb: "I can't! I won't! I know what I want right now, and its you..Estella. You make me feel alive, you're strong, intelligent, pretty. My soul is at peace when I'm with you and you don't even do it physically." Estella: "I don't care what you say Lubby. I've been through this shit before! I ended up pregnant and alone! When I gave birth to Alexandre, his father acted like THIS! Until I found out he was already married! I can't do it to myself Lubby. Go back to her. We're done." Lubb: "but I want you.." Estella: "you mean you want my body. And when you're

done with it? Dump me and look for another. Just leave me alone!" Lubb: "can we at least talk about this?" Estella: "Volte para o seu grosseiro mulher! Não há nada para você aqui!" (Go back to your rude wife! There's nothing for you here!) Lubb: "can I take you to the airport?" Estella: "no!" He stood and waited with her in silence. Tears fell down her face. Lubb: "baby." She moved away from him. Lubb: "I'm telling you, there's no taxi's here." She took her bag and started walking. Lubb: "don't tell me you're walking to the airport." He ran after her. Lubb: "baby!. Wait.." He walked next to her. Lubb: "you have a lot of pride and stamina woman. You know? My mom, used to...." He breathed. Lubb: "can you slow down a little? My legs aren't used to walking." He tried to catch up. Lubb: "my mom..used to wake me up and tell me to go jog. I used to hide behind the big fence for about 30 minutes. One day.....she saw me do it. She was so mad. Literally dragged me on a two hour walk with her." She was quiet. Seemed as though she wasn't listening. Lubb: "babe?" Estella: "I told you, I don't want you anywhere near me! Go!" Lubb: "I can't leave you here by yourself. This place is dangerous especially at this time." The weather started changing. Lubb: "Estella please." She waved for a car. It stopped, it was a white woman. "Do you need help?" Lubb: "no!" Estella: "I want to go to the airport." Woman: "uhm..." She looked at Lubby. Lubb: "baby, please, we can work this out.." Estella : "bye Lubby." Lubb: "babe?" He pulled her arm. Estella: "let go of me!!" She climbed in the car. Woman: "what about him?" Estella: "he's going nowhere!" The car drove off. Lubabalo walked back home sadly. Liya was still there. Liya: "I came here to fix things lubabalo! Next thing there's fat thighed bitches walking around apha!" Lubabalo got his keys, bag and wallet then walked to his new car. Liya: "lubabalo I'm talking to you!!" He got in his car and reversed out the yard and drove away. Liya: "lubby!!" She walked to hers. Liya: "John, let's go!" They left the house.

Lonwabo was getting dressed. Babsie: "uyaphi?" Losta: "ndiyaphuma." Babsie: "mna ndize kuwe to spend the weekend, wena uyaphuma? For the how?" You buy things for people that don't even deserve it." Lubb: "that's the problem, I BUY, but andina xesha labo, I waste money on gifts instead of my time and care." Losta: "I don't like what this girl is doing to you...why are you like this?" He poked him. Lubb: "khand'yeke man Losta." Losta: "heeeee!! Zange ndavelelwa awti yam! So this bitch....." The waitress came back with a bowl. Losta: "Lubby, breath in esi steam." Lubby inhaled. Losta: "again.." Lubabalo breathed. Losta: "yinton ngok wena?" Lubb: "was I having a heart attack?" Losta: "no! Thulani brought Chuma to the hospital to see his dad. Chuma was running around him, excited. His big back pack jiggling on his back. He was holding a paper, waving

it around. Chuma: "tata!" He ran to the bed and tried to climb. Thulani picked him up and put him on the bed. Chuma: "tata jonga!" Lukhanyo looked at the paper. Luks: "its beautiful mntanam. Come here.." He hugged him. Chuma: "sogoduka..masambe tata." Luks: "hayi nyana.." Chuma: "why?" Luks: "hlala apha, I wanna tell you something." Chuma lay on his chest. Lukhanyo's eyes welled up with tears. Chuma: "tata?" Luks: "my boy, you're going to live with umamakho." Chuma: "noThando?" Luks: "no...komnye umamakho. Tata akakwazi uhlala nawe." Chuma: "why?" I want him to know the truth." Thulz: "how....." The words couldn't come out. Thulz: "Lukhanyo what about Lihle? The babies? Uphi uLubabalo!" Luks: "things are fine just the way they are. Thulani, people make choices in life. I made my own. Lihle too, Lubabalo as well. And they're not Here. Even though they both know ndilapha!" Thulz: "you can't just go without talking and settling things out." The machine started beeping. Lukhanyo tightened his jaws. He grabbed on the sheets. Luks: "susa Chuma apha!" Thulz: "lukhanyo please!!" He cried. Chuma: "tata!!!" Lukhanyo let go. His body started getting a seizure. The nurses and doctors flooded in. Nurses: "you have to leave!" Thulz: "No!" The nurses took the child outside with Thulani. Nurse: "we're taking him to theatre right now, he has a lot of internal injuries that have damaged his organs. An emergency operation has to be taken. We need a signature, to continue." Smilo walked in, he took a wailing Chuma from the nurse. Smig: "kwenzeka nton?" Nurse: "Sir, are you Mr Mzinyathi's father?" Smig: "I'm his uncle, his father is deceased. WHAT'S GOING ON!" Nurse: "well, sir. He is at his worst. He sustained a lot of injuries internally, some are of old wounds which never properly healed, we need to operate immediately." Smig: "then operate." Nurse: "your signature

here." Smig: "is this the form that tells me not to sue if he dies on your hands." Nurse: "we have the best doctors available. I can assure you, he will not die." Smilo signed. The nurse hurried off. Thulani was sitting in the chair, his face buried in his hands. Smig: "Thulani." Thulz: "Ta Smig." Smig: "I need you to get hold of that little psycho, you call a brother. Ubuye noLihle." Thulani got up and left.

Chapter 436

Zintle was at her father's house. She lay in bed and played with her baby. Zintle: "I missed you sooo much baby. Hm? Did you miss me?" She kissed her. Sis'Macy walked in. Macy: "hey.." Zintle: "hello." She picked Buhle up and put her on top of her. Macy sat on the bed. Macy: "so?..." Zintle: "what's up?" Macy: "how's everything? Khaya? Is he fine?" Zintle: "total angel...he's great and helpful a lot ." She wasn't the snitching type, since Lubabalo. She always covered for people she cared about. Macy: "and how you holding up?" Zintle: "well....Lungelo lives in PE." Macy: "I know." Zintle: "him and I decided to try things out..." Macy: "I am so glad you're giving that boy a chance! He is an honest darling. Always calm and patient." Zintle: "yes he is..." Macy:: "but honey, I know temptations are high..especially in your generation. I want you to always protect yourself no matter how much you trust someone. If they love you, they can wait." Zintle: "ok." She wasn't comfortable with this topic. Zintle: "I think I'm....falling in love with him." Macy: "and Lubabalo?" Zintle: "I'd rather forget about him." Macy: "you once told me....you would never stop loving him. And you know, I believe that when a woman's heart has been hurt, a man's will never rest. You know what that means?" Zintle: "he'll search for something he'll never find? Well I hope he does forever. The only reason I care, is because he gave me the world's most amazing gift, and that's our daughter." Macy: "zintle..." Zintle: "can we stop talking about him? Its making me super emotional right now." Macy: "tell him." Zintle: "never. He made his bed. Its about time he lay in it. Its enough that he sees the child. I cant-" macy: "what?" Zintle covered her mouth in surprise. Macy: "what did you say?...you let him see the child!?" Zintle: "sisi, its his own flesh and blood. He loves her more than anything in the entire world. The way he is when he's around her. She even responds to him. I can't bring myself to tear that apart." Macy: "Zintle! What will your father say when he hears about this!" Zintle: "I don't know sisi...I just can't let Buhle grow up without her dad." Macy breathed. Macy: "your father sacrificed a lot for you sweetheart. Lubabalo is no good for you." Zintle: "its still his baby! He has the right to see him. Surely tata can try and understand." Macy: "I don't think he will." Zintle: "please talk to him sisi?" Macy: "I will try. Just not today, he's had a bad day." Zintle:

"whenever you're ready." Macy got up and went to her bedroom to sleep. Zintle switched off her light and cuddled with Buhle. Zintle: "sweetie..." She kissed her cheek. Zintle: "between you and me...yes, I do love him. But there are things in life that separate two people in ways one can never understand. I'm sorry we didn't get to be a real happy family. But kukho Lungelo for that, he's the piece we need for happiness and security. Okay? I will finish studying, start working and provide for you anything you want. You won't have to wish you had a billionaire dad...I promise you...." They soon drifted off to sleep.....

Thulani came back hours later. Crushed. Thulz: "I can't find them." Smig: "njani Thulani?" Thulz: "oko ndikhangela Lubby, Losta naye akekho. Lihle left kwangoo 6 kowabo. Her mom doesn't know ba uyephi." Smig: "uyayazi uhlahaph umaka Chuma?" Thulz: "yeah. Iza ndim'goduse." He took the boy and took him home. Smilo called Lukhanyo's step mother. He called Lihle's mother. He had no way of reaching Sizwe. Smig: "nurse!" Nurse: "yes Mr Mzinyathi?" Smig: "how is he?" Nurse: "they are still busy with him, uhm...it might take a while. They are no where near the end." Smig: "okay." She walked away. Lukhanyo's mom arrived. Ma: "uphi!" Smig: "benza operation ngok. I don't think it looks good sisi. Its like they don't have faith that he'll make it. Izinto ebez'thetha kuChuma, naye uyazaz ba akahlelanga." Ma: "hayi Smilo! He WILL make it! I can't lose him too!" She sat down. Ma: "what's wrong with him?" Smig: "he's damaged internally. The wounds that never healed, I think zizo mna, because Lukhanyo akahlal esbhedlele xa onzakele." Ma: "oh God.. Uphi umfaz wakhe!" Smig: "bohlukene." Ma: "Yeyi! She's supposed to be HERE! Whether bohlukene or not! Bum'fownele?" Smig: "akEkho kokwabo. Her mother doesn't know uyephi." Ma: "what???" Ngel'xesha!?" Smig: "let's just focus on Lukhanyo ngok." Ma: "uzothin ungaguli umntanam enomfaz ongena discipline! I swear Smilo, if he dies.....she'll have a lot to pay for!" Smig: "hayi sisi...you don't know what's going on." Ma: "I don't care! Hlel nje nimenza isgebenga umntanam! Because akanamthetheli yena! Tell her, I said. She had better get here. Or else!" Smig: "ndim'fumanephi mna!?" Thulani walked in. Smig: "still?" Thulz: "I think Lubabalo uye Kapa." Smig: "did you check the flights?" Thulz: "he has a private jet ta smig. He can go whenever he feels. Molo mama." Ma: "hello Thulani." Thulz: "lukhanyo said...." Smig: "what did he say?" Thulani said down. Thulz: "he said, bangabizwa. Its their choice not to be here. He said mabayekwe." Smig: "no. Nah.." The mother started sobbing. Thulz: "let me just....." He got up, smilo grabbed his arm. Smig: "hlala pha phantsi. Nobody goes anywhere now. Asiyazi how long he has. We have to be here just in case he...." Ma: "HAYI Smilo! Akayi ndawo uLukhanyo." Smig: "let's admit kodwa sisi, its not looking good for him." Stuja walked in, with Lara and Phaki.

They greeted and sat down. The room was silent. Everybody deep in their own thoughts. Hours right before sunrise, it was 05:46am. Thulani woke up on the chair. Lubabalo walked in. Smig: "lukhanyo..." Lubb: "heee ubhuti." He got up and hugged him. Lubb: "what's going on?" The nurse walked to them. Her hands were shaking and fiddling. She stared at Lubabalo in shock. Smig: "how is he?" She gave them the wedding ring, the Rolex watch and necklace he had on. Lubb: "Ta Smig..." He cried.....Lubb: "Ta Smig uphi uLukhanyo?" Smig: "my boy....." He held him closely. Smig: "lubabalo...." Lubb: "NO!!!!!" He screamed..... Lubb: "Lukhanyo!!" Stuja and Thulani held him up. Lubb: "Ndiyekeni maan!!! Ndiyekeeee!!!!!"

Chapter 437

Nurse: "the operation was done by 02:00am." Lubb: "no....." He collapsed to the floor. Smig: "Lubabalo..." Nurse: "sir, it seems...." Lubb: "what? What!!!!!" Nurse: "it seems as if he doesn't want to wake. We tried everything we could. He isn't responding. All we can do is pray." Lubb: "it should've been me!" Smig: "lubabalo hayi man." Lubb: "Ta Smig kub'hlungu....." Smig: "ndiyayaz my boy, but funeke womelele. We have to have faith. We could do with your prayers right now." Lubb: "I can't!" He wailed. Lubb: "I just....." He stopped breathing. Smig: "lubabalo!" He choked and coughed. Nurse: "doctor!!" The brought a stretcher and put him on it. Lubabalo became unconscious in a matter of seconds. Thulz: "what the hell!" Smig: "I don't know what this could mean." Ma: "lela gqirhwa lomfazi lihamba ngobusuku!!" She cried. Smilo ran out the hospital and drove off to Motherwell. As fast as he could, he saw the Benz parked awkwardly in the front of the house. He ran to the door and knocked. Thenjiwe opened. Thenji: "hello Smilo." Smig: "uphi uLihle?" Thenji: "use roomin." He walked into the house. Smig: "uxolo sisi, ngongena leway endlinakho but this is important." He knocked on Lihle's bedroom door then walked in. Smig: "Lihle!" Uyawa funa nton Yesu uLukhanyo ngok. Me: "abantwana baku mama." Smig: "hey! Phakama unxibe! Lukhanyo noLubabalo are busy fighting for their lives!!" Me: "what?" I jumped up and stared at him. Me: "kwenzeke nton ta Smig?" Smig: " G E T D R E S S E D!!!!" I sprung up and wore jeans and a shirt. Washed my face and tied my hair. We walked out the house and drove to hospital in utter silence. Me: "bhuti kodwa ulukh-" Smig: "I don't want to hear it." Me: "maybe its their evil ways catching up with them." I whispered. Smig: "jongapha. I don't care if awusam'funi uLukhanyo or not. As his WIFE, you will be there by his damn side. Uyandiva?" Me: "ewe bhuti." Kuthen khona ezondingxolisa ndingenzanga nto, as though Lukhanyo ugiliswe ndim? Hayi Yesu. 😊_- but what happened to Lubby though? Didn't I see him just last night at the party? Why is he in

hospital? We finally arrived and walked in. The mother stared at me like I was dog shit on her shoe. Me: "molweni mama." She stared at me with a cold painful look. Smig: "fownele uLiya." Losta walked in. Losta: "not a good idea. Molweni. Ndicela uthetha nomzali ka Lukhanyo?" When did he get here? Wasn't he.....kuthen ndi confused kangaka? Smig: "ewe?" Losta: "like the nurse already mentioned, to you. Lukhanyo's operation went well. He just refuses to wake up. His injuries were severe, and he has a bone in his neck that has been crushed and never healed. I fail to understand wahlala njan yilontlungu. Well....the doctor in charge, asked me to inform you that. If he doesn't wake up. By late evening. Kuzofuneka kucinywe umachine." Me: "NO!" Losta: "I'm sorry sisi...we're looking at 40% and lower chance survival." Me: "but you said the operation went well!" My voice was already shaky. What would I do with myself if he actually died? He can't just die on me like this! What about the kids! Losta: "it did, but he isn't waking up. And its not up to us anymore. Ingxoxo iphakathi kwakhe nomdali wakhe. Lubabalo on the other hand, is stable. U'fakwe kwi drip. He is in shock and could be a danger. For now, we have to keep praying for Lukhanyo. Thulani?". They walked away together. Thulz: "he doesn't want to wake up Lonwabo. He said it himself! You have to do something." Losta: "thulani, my hands are tied, nam ndiyafika ol'hlobo. Only because Lubby dragged me here. Ndiphethwe zii babalaza. I'm just all over the place. I need you to call someone for me, tell her Lubabalo ulapha and he needs her. Okay? Ina number yakhe." He gave him the number. Thulani made the call.

Hours later.

I walked to the room where Lukhanyo was. The nurse let me in. He looked soo peaceful. Relaxed. He can't be.....I couldn't help but start crying quietly. Me: "baby....please wake up." I held his cold hand tightly. Me: "mntu wam, ndicelu xolo...I am so sorry. Please just wake up for Luthandoluhle. They need you." He didn't even respond which is what broke me apart immediately. Me: "how can you just leave me like this lukhanyo! You can't!!!!" Nurse: "ma'am I'm going to have to ask you to calm down." Me: "calm down??? How the fuck do you expect me to calm down!! Baby vuka!!!" I screamed. Nurse: "Mrs Mzinyathi!" She hissed and dragged me out. Me: "I'm sorry....." I cried. Me: "I'm so sorry..please tell him....I'm sorry." Nurse: "I'm sure he can hear you. You have to stay strong." I walked back in. Nurse: "try and talk about the happy times.....something positive." She walked out. Me: "lukhanyo...you can't leave me ol'hlobo. We haven't spoken...I love you. I know we fought, I left but I still do love you. I always will. If you can't survive for us at least zama for your children. Do you remember the promises you made them bezalwa? It was on our wedding day. The promises we made to each other. I'm really sorry for not sticking by your side.

Even Lubabalo needs you to survive. Siyakukhumbula babes.....just...." I broke down again. He really wanted none of it. I got up and walked out. Zintle walked in the hospital. Thulz: "Zintle?" Zintle: "yes?" Thulz: "buthetha nam efownin." Zintle: "yes, what happened? Where is he?" Thulz: "he kind of just collapsed, twin yakhe ise ICU." Zintle: "oh my goodness, is he okay?" Thulz: "let's go in." They walked to where Lubabalo was being kept. On supervision. Lubb: "get me out of here sani! Lukhanyo uyand'biza!" Thulz: "can you talk to him?" Zintle: "I will try." Lubb: "get me out!!!!" Zintle: "Lubabalo!" Lubb: "no Zintle..." Zintle: "listen to me..." Lubb: "he can't be gone....." He started crying and shaking. Lubb: "Lukha akakwazi undishiya, baby tell them! He's not dead!" Zintle: "he's going to be fine. If your fine....if wena uyoyika, naye uzova kabhlungu...and relapse. You gotta stay strong." Lubb: "he's going to be okay?" He sobbed. Zintle: "masim'thandazele..." She sat next to him on the bed and cradled him.

Ta Smig stood in the middle of the waiting room. The mother was still crying. Stuja and the guys sat in the chairs dumbfounded. Smig: "Lara, Phaki, you need to go check up endlin." The guys got up and left. Stuja: "bhuti?" Smig: "ambolanda uChumani." Stuja went to Sbongile's place. It was late afternoon. Lukhanyo didn't improve. Smig: "Fuck damnit Lukhanyo!!" He panicked with tears in his eyes. The doctor came to them again. Doc: "Mrs Mzinyathi? The wife?" Me: "yes?" Doc: "we cannot keep him any longer. His condition will not improve." Another doctor walked in the room. Ta Smig: "haven't I seen you before?" He smiled. Me: "doctor, you can't let this happen! He will wake up!" Doc 2: "if he remembers what I told him. He will wake up." Me: "who are you." Doc 2: "Sonwabise Tembani." Smig: "you were the guy who.....at the.....why are you..... Ufuna nton apha!!" Doc: "he was the doctor who did the operation on Mr Mzinyathi. Best surgeons available. I'm afraid, its time..." Smig: "give him a couple more hours." Sonwabise: "he doesn't need hours. He needs to feel love." He turned and walked away. I don't know hey. That guy just freaks me the fuck out like why! Zintle walked back in. She only recognized Ta Smig. Ta Smig: "Hey! I didn't know ukhona." Zintle: "akhok'dala ndifikile, ndivela ePlett. Lubabalo is okay, he wants to see you." Me: "uphi uLubabalo?" Ta Smig: "I'll be back." He walked off with the girl. We all sat down and waited. Stuja walked in carrying a sleeping Chumani. He woke up and looked at me shyly. Then smiled. Chuma: "mama." Me: "hey....izapha." He got off Stuja's lap and walked to me. Me: "unjani.." Chuma: "right. Uphi utata?" Smilo appeared. Smig: "Lihle? Khazapha." I walked with Chuma after him. Lubabalo just looked at us painfully. Chuma: "tata?" I put him on the bed. Lubabalo's tears slowly slid down his cheeks. Chuma stared at him. Peeking in his shirt. He understood then. This wasn't tata, it was daddy. He sat on the bed. Chuma:

"uphi utata wam?" Zintle: "how does he know?" Smig: "lukhanyo probably taught him the difference." Lubb: "hay wethu Lihle girl, kwenzeka nton why you looking like a Mechanical experiment? Iphi kama ntombi?" I just giggled. Me: "mxm va. Tshongo nuka muncu apha." Lubb: "andifikanga kuwe sanaz..uli pineapple k'le ndawo ume kuyo." He tried to get up. Lubb: "masamben." Me: "you can't leave here." He ripped off the drip and hopped out of bed. Lubb: "my brother needs me." Ta Smig and Thulani held him. We walked to Lukhanyo's room. Chuma: "ndiya ku tata ne? Uphi mama?" He wiggled himself out of my arms and pushed the door open. He climbed on the chair and held on to the bed. Me: "chuma!" Chuma: "Tata." He breathed. Lubabalo sat on the chair. Chuma sat on the bed. Chuma: "tata. Sizohamba ngoku. Qhuba ne moto yakho mna goduse ne." Lubb: "boy..." Chuma: "tata? Yavuka?" Lukhanyo lay still. Chuma: "yahamba ngoku?" Me: "Chumani, iza." Chuma: "tata?" He sobbed. Lubabalo covered his face. Chuma: "a-chum ahaamba, akhwele moto..vroom vroom. Alaka. Atshintsha haaamba. Fika kolweni. Ooooooh." He sang. Chuma: "I love you Chuma. I Love you like a tata elephant." Everyone was crying except for him. He kissed his father. Then jumped off the bed. The machine beeped louder..... Luks: "love you like a baby elephant, kwedin.." He whispered.

Chapter 438

He was awake! The nurse walked in and checked him. Luks: "khasaph unyanam." He whispered. Nurse: "you need to keep still so that you don't hurt yourself." Sonwabise walked in. Soso: "good evening Lukhanyo." Luks: "its you.." Soso: "surprised?" He picked Chuma up and sat him next to his dad. Soso: "ngok wena umkele nton ebhedini yakho?" Lubb: "k'yabanda pha, nizond'fakel ibhedi yam apha." Nurse: "we cannot do that.." Soso: "we'll make a plan. We need to check Lukhanyo for a while more. But I'm sure he'll have a speedy recovery....for now, I'll give you about an hour with him. Then he's going to rest." Lubb: "uhm..who's going to stay first?" Smig: "ndim, ndizohamba soon.." We all walked out and left Chuma and Smilo inside. Smig: "you scared us Lukhanyo. Kakhulu futhi." Chuma: "not mna. Tata uthe ndoda ayikhali." Luks: "indeed, my boy." Smig: "mamakho blames Lihle for this. What happened." Luks: "nothing happened. Lihle doesn't want me. And I just have to be okay with that." Smig: "ayikho lento uy'thethayo. She lov-" Luks: "she's tired..of begging me. Uyandoyika, she doesn't stay because she can, she's afraid of what I might do to her and I don't blame her. Ndifuna uxelele umama lento matter of fact mbize ndiy'thethengokwam kuye." Ta Smig went to fetch his ma, Ma: "ow umntanam!" She kissed his head. Ma: "unjani!" Luks: "mama ndiright mna...I want you to stop blaming people

Me: "you can't be talking like this you're still in shock." Luks: "I'm not. I just had a reality check. Sometimes it takes a painful situation to make us change our ways." Me: "but I love you." Luks: "love is not enough..matter of fact you tolerate me. I can't do this to you, to myself. My kids...I love them so much it hurts. Bayakhula ngoku, andifun bandibone as a monster." Me: "so now its official? Uyand'lahla?" Luks: "andikulahli mna. I'm giving you the space you've always wanted. You were complaining about me not always being around. That you don't have time for

Chapter 439

I was dragging myself. The nanny had arrived. I had nothing to do other than teach her about the babies. Turns out she's a qualified nurse too. So it didn't take long. Luthandoluhle napped right after. I was in no mood for a conversation so I decided to sleep too. Or get a lawyer. I must ask Thulani for number yale yakhe. I called him. Thulz: "hey tshomi." Me: "hey, can you get me the number of your lawyer?" Thulz:

"why?" Me: "because I have a crush on him Thulani, damn. I need a lawyer." Thulz: "ohh uPaul okanye uLungelo?" I was confused. Ndizobazelaphi mna? Me: "ngoban abo kengok?" Thulz: "well, Paul did leway yam ye-divorce. But Lungelo took over. That guy is GOOD. Jonga he's the best...what you need a lawyer for?" Me: "can you send me his number?" Thulz: "not until you tell me why?" Me: "thulani..." Thulz: "thetha nam mntase." I held back the tears and smiled to myself. Me: "thulani..." I said in a shaky voice. Me: "get me his number tu?" Thulz: "lihle, I think we're now in the stage where, asisezo tshomi. We're family. I'm your brother...or soon-to-be. The way things are going with my dad and your mom. Either way, I got you. Okay? Tell me what's wrong?" Me: "I can't.." Thulz: "did something happen?" Me: "no..." Thulz: "I'm coming over just now." He hung up. Arrg 😞_- I can't even think of a good lie to my own brother! At least that made me feel better. I had a big brother. I had a father. Things I never had before. Even if Luks wants out, at least two beautiful creatures were made out of it. They were getting big too. Luthando was laying on his back. Luhle on her stomach. 30 minutes later Thulani walked in. Thulz: "hey." Me: "honestly? You did not have to come all the way here ndirynt mna.." Thulz: "kodwa bulila, look your eyes are swollen." He sat down. Thulz: "what's up?" Me: "thulani, do I have to go to an interview Just for a lawyer?!" Thulz: "nah, bendine sthuk'thez, was going to the hospital qha ndacinga noba zisalele eziya." Me: "where's Namhla?" Thulz: "some new church. Yoh hayi and'nokwazi mna." Me: "your friends?" Thulz: "in hospital." Me: "not your brothers, your friends." Thulz: "I don't know, Khanyiso is probably with his wife. NoOyisa." Oh...everybody can have fun. Bahlale nowife babo. Sunday morning in bed... Thulz: "lihle?" Me: "lukhanyo wants a divorce." His face was pale. Thulz: "what? Why?" Me: "maybe he met someone...now he says 'we're better off apart' knowing fully well its bull." The tears came again. Thulz: "no man lihle maybe he's just having a moment." Me: "what moment? Thulani, akandifuni. Okay? Don't you understand that? He literally doesn't want me. Maybe I got too comfortable, too nagging, even worse ndaz'yekelela." Thulz: "that's stupid lihle, you still as pretty as the day we met, except for now. You looking a little rough..wanna hug?" Me: "no..." Thulz: "I'll give it to you anyway..." He squeezed me in his arms for the longest time...it made me wanna cry even more. Thulz: "uzobaright baby girl. Don't worry." Me: "you don't understand how much it hurts..." Thulz: "letting go of something you can't live without because its unhealthy? I know exactly how it feels....I just went through a divorce mna kqala. It wasn't nice at all. We had lovely times with Bukiwe, don't get me wrong. Qha I was too young. Now ndiyay'bona lonto I wasn't ready for her. But we can't change it.." Me: "you're squashing me." Thulz: "ndiright." He tightened his grip, I let out a little giggle and he let go. I looked at him and smiled.

Me: "thanks." Thulz: "bendine sthuk'thezi mna qha." Me: "sapha number ka Lungelo." He gave me the number and got up. Me: "enkosi again." Thulz: "it was my pleasure." He looked away. Thulz: "..I should get going." Me: "yeah." He turned and walked out. I dialed Lungelo's number. He picked up immediately. Lungelo: "Lungelo Moni, hello?" I almost laughed. What the fuck? Me: "erh...hi." Lungelo: "hello..." Suddenly I forgot everything I wanted to say. Lungelo Moni? How cruel is life mara? Lungelo: "still there?" Hayin Yehova. There must be another lawyer kodwa, maybe I could ask for Paul. Me: "ukhona uPaul?" Lungelo: "uhm. Yinumber ka Lungelo sisi lena, uzom'thin uPaul?" Me: "erh....I need to discuss something with him." I was getting my groove back. Lungelo: "business?" Me: "yes, I need a divorce lawyer." He laughed. Uhleka nton? Intlungu yam yintlekisa na ngok? Lungelo: "I can help you, till Paul comes back, he's in Durban for the week." No, I don't want you though. Ndifuna Paul. Me: "how long will he be?" Lungelo: "about 3 to 6 weeks." Me: "but why?" Lungelo: "its personal reasons. Listen sisi? I don't have much time right now, I am free ngo 12 till half 2 today. If you're available, send me a place and time." Me: "for how much do you charge?" Lungelo: "first meeting's free." Me: "okay. I'll send a place and time." He hung up. Just great 😊--

Zintle: "who was that?" Lungelo: "some lady, ufuna divorce lawyer. Ingathi naye akekho sure." Zintle: "uy'fumanaphi number yakho?" Lungelo: "andaz love. Come here.." He kissed her shoulders. He entered her from behind. Lungelo: "oh Lord...baby!!" Zintle: "hmm...." Lungelo: "ingath send'zocitha yazi." He massaged her breasts. Lungelo: "umhle lomzimba...fuck....I'm so in love..." Zintle: "baby?" Lungelo: "ima sthandwa sam..." He started moving again. Lungelo: "ahhhh.....yess!" He held her firmly, biting her neck. Lungelo: "you feel sooo good Zintle! Shit..." Zintle: "baby....." He stopped. Lungelo: "what's wrong my love?" Zintle: "condom." Lungelo: "oh shiiii." He came. Zintle: "ucithile?" Lungelo: "I'm so sorry baby. I just couldn't help it." She pinched him. Lungelo: "ouch!! Uxolo kalok baby! Damn." He held her hair and kissed her. Lungelo: "but baby, uyahlaba njena, and we're both negative. Okanye ufuna uyotsalwa igazi With me. Because mna I showed you my results." Zintle: "its not that man babes.." Lungelo: "okay, what do you want us to talk about?" Zintle: "the reason I came back from ePlett." Lungelo: "hahaa. You missed me like crazy mntu wam." Zintle: "yes I did.....and Lubabalo had a bit of an accident." Lungelo went ice cold. He shifted in bed. lungelo: "oh." Zintle: "actually his twin was in an accident, fighting for his life. Lubabalo just felt the effects wagula naye. So ndicelwe mandiyombona. I went there...but sthandwa sam, I told him

Lungelo: "zintle.....what is it with you and this nigga? Does this childish behavior yobugintsa bakhe excite you?" Zintle: "please don't be mad." Lungelo: "baby andinamsindo ndiyabuza. Because akhonto uy'needayo ngok unam. I give you love, attention care, patience....but I can't compete with a guy like him. My budget has a bit of a limit hey. Yinton le ingaka ngaye ikwenza mnandi?" Zintle: "he's my child's father Lungelo." Lungelo: "you know what I understand? That the twin was fighting for his life, if that twin WAS Lubabalo and you were there, I would never question it for a second. It is well within your interests or whatsoever for Buhle. But you know what.....its fine baby." He got up. Zintle: "uyaphi ngok?" Lungelo: "I have a meeting at 10 and another at 12." He took a shower and got dressed. Zintle: "lungelo I'm sorry." Lungelo: "there's no need for you to be sorry my love. Qha andiy'thandi shame. no lie. Lubabalo akasoze aphinde ayazi iboundary yakhe because une excuse ka Buhle. I'll just have to deal with for the rest of my life, I guess." He wore dark jeans and a formal grey shoe. Zintle: "so you're telling me, I must ignore him." Lungelo: "Zintle, akana mntana nam uLubabalo. If meeting him for the likes of you makes you twinkle. Then so be it.....nam xasendi sebenza ndi serious kungabi bhlungu qha." Zintle: "so you gonn be doi-" Lungelo: "I won't be doing nothing. Except for Work. I sacrifice for you, I let my career WAIT because ndifuna ukubonisa how much I care about us. I'd rather be here, than there. Kwa loLubabalo destroyed my restaurant, ndavala umlomo. Because I don't run my mouth every damn second like a child. I respect you. I do things that are comfortable for both of US. Leka Lubabalo noTwin. Indenza uncomfortable mna because I cannot compete with jerks. There's levels to this shit." He wore his shirt, puffed his cologne and looked at her. Lungelo: "and I'm only asking for love. Is that too much for you?" Zintle: "no..." Lungelo: "we'll talk later okay?" Zintle: "uzond'fuman eflatin yam." Lungelo: "okay. ujonge ezi zimbini." He kissed her forehead and left.... Lungelo called Paul. Paul: "yes?" Lungelo: "ugrand?" Paul: "I'm good you?" Lungelo parked his car and thought to himself.... Lungelo: "Mzinyathi?.....where have I seen this....." He took his things. Lungelo: "A..... Oh wait, Aubrey....Lukhanyo Aubrey Mzinyathi!" He thought again...harder this time. Lungelo: "waphi kanene?.....oh. Mxm. Twin." He shook his head and walked out.....

Chapter 441

I got to the restaurant of course I already knew what he looked like. I walked to the table. Lungelo: "hi." Me: "hey." Lungelo: "haven't I seen you somewhere before.." Me: "yes, I was with my friend eTabu once...you were there." Lungelo calculated everything. She was with Lubby there too. Lungelo: "oh yes! Ngumnyen wakho lowa?" He pretended to not know. Me: "that's his twin brother." Lungelo: "but at least abafani right?" Me: "wrong. They're so identical. Its scary." Lungelo: "haibo! Nyan?? You're kidding.." Me: "manyan! The first time I met Lubby....yoooh, ndothuka va. They're the same, but not the same.. Lukhanyo uthule. He's a mystery." Lungelo: "the silent G in lasagna." I giggled. Me: "yes, he's that...and then Lubabalo?" Lungelo: "tell me..." He smiled sweetly. Me: "he is crazy. He has this look....this happy-but-creepy look. Which is weird." Lungelo: "I can only imagine. Ucreepy njan na." He ordered the drinks. Lungelo: "Strawberry Daiquiri for the a lady please, I'll have a beer." Me: "how did you know I like a Strawberry daiquiri?" Lungelo: "wild guess....so carry on." Me: "he's uneasy man. Uyathandeka, just don't get on his bad side." Lungelo had always wanted to hear this from the inside. The research was never enough, it needed witnesses to make it believable. Lungelo: "what's his bad side? Is it only this specific twin or bobabini?" Me: "both of them...they're the sweetest people you could ever come across. Just one wrong move, Lukhanyo blow a fuse while his brother rips you to pieces." Lungelo: "I will pretend I didn't hear that, in case I'm ripped to shreds. Have you seen this happen?" Me: "yes....I have seen the drastic change happen. Countless times." Lungelo: "kuLukhanyo?" Me: "yes, only once kuLubby because he's just that calm." Lungelo: "you're a big fan hey?" Me: "he's interesting." Lungelo: "divorce the brother type of interesting?" Me: "kind of..." Lungelo: "tell me what happened...between you." Me: "Lukhanyo and I?" Lungelo: "that's why we here.." Me: "we met once. Ndiphumile with friends. We had sex....and I thought that was the last I've seen of him. Kanti no....the boyfriend that time turned out to be his half brother..." Lungelo: "where is he now?" Me: "Xolani is dead." Lungelo: "I'm sorry." Me: "anyway, I found out that I was pregnant and my mom cast me out....but Lukhanyo was there, he took me in. I fought with his ex, who landed in hospital I got jailed for that, after I got out. I left for Kimberley." Lungelo: "in an attempt to escape Lukhanyo?" Me: "yes...he searched for me. And found me, I think I was 2 months pregnant that time...he came to apologize and proposed to me. We got married there

and he came back here. I followed him weeks later with our twin babies." Lungelo: "that is thee most adorable thing. You have twin babies?" Me: "yes." I blushed. Me: "its a boy and a girl....anyway, couple weeks later, we bumped into Lubby. For one...I actually didn't think of a twin. I thought it was still Lukhanyo. Until the real Lukhanyo appeared." Lungelo: "that must have been really awkward akhule engazazi ba une twin. Efana naye." Me: "yes..well basically that's much about it." Lungelo: "this.....twin. Is he married?" Me: "no." Lungelo: "is he seeing someone." Me: "iyandixaka into yakhe mna." Lungelo: "so when you met him....he was single?" Me: "what are you trying to imply." Lungelo: "I don't know....I mean.....they are clones." Me: "lubabalo would never do that to me." Lungelo: "and when he 'changes' do you still believe so? Why do you want to divorce Lukhanyo?" Me: "he suggested it. He says we're better off apart. After everything we've been through together, he decides..he wants to destroy it all!" I wiped my tears. He touched my cheek. Lungelo: "wena ufuna uthin?" Me: "I want to move on with my life." The drinks came. I drank the cocktail. Lungelo: "I personally think, you're too afraid to admit something." Me: "what's that." Lungelo: "you and I both know. I'll fix the papers for you by tomorrow latest. Did you sign a prenuptial agreement?" Me: "no..." Lungelo: "good.." Me: "and the kids?" Lungelo: "depends if he is a good father....if not...." He shrugged. Lungelo: "mna, I strongly feel. If you would talk to him. This will blow over." Me: "lukhanyo ucimba uyi King. Everyone must bow down to him. Andizoyenza lonto." Lungelo: "sisi....pride will damage you. I am talking from experience. Lukhanyo is still your husband, and until the divorce is approved. You have got to act wifely. It will strengthen your case." Me: "okay." His phone rang. Lungelo: "excuse me.." He picked up. Lungelo: "babes?" Zintle: "they've disappeared!" Lungelo: "bubafownele?" Zintle: "they left their phones behind." Lungelo: "for sure baku laNew Brighton bonanje, okay ndiyeza va." Zintle: "okay." He hung up. Lungelo: "didn't know raising teenagers would be this difficult. Suppose ngabona bakwaz uncokola nawe kakuhle ubave ba bafuna nton. But noooo" Me: "your son?" Lungelo: "brothers. We'll have to reschedule va?" Me: "but asikaqali nje. This wasn't what I thou-" Lungelo: "this is how I work sisi....because if it decides to get ugly I'll know where to push. The reason for this meeting ke." Me: "oh. So..." Lungelo: "send me your email, and I'll book a meeting. For tomorrow." Me: "okay." He got up. And took out his wallet. Me: "I've got it, don't worry..." Lungelo: "next time then." He walked out and quickly drove off. He was.....just something else. Taking control in a calm manner. Nice. I decided maybe if I paid Lukhanyo a visit.

Meanwhile, Khaya and Thando sat in the room with Lukhanyo and Lubby. Lubb: "noba nikhatywe nanya ngu Ta Lungz." Thando: "just soo close!!" Lubb: "was there

Lukhanyo looked at him. Luks: "Soso?" Soma: "hello?" He smiled. Lukhanyo got up

Soso: "I told you!!! To watch him." Luks: "how can I???" Soso: "ask him about Jesus.

Thandi: "its gonna take me a while Soma...to forgive you. But...I know for a fact I love you." He looked at her. Soma: "why? I'm messed up...you deserve someone like my brother not mna. I love YOU. You made me feel like a Queen too. You nurtured me, always gentle and sweet. Stayed faithful. You're something too. You're MY something." He hugged her tightly. She couldn't tell him...her heart was racing...she just couldn't. Her body was shivering in fear. Soma: "what's wrong?" Thandi: "just a bit cold." Soma: "masingene motwen." The boys walked to the room. Lungelo: "I'm realizing maybe we're trying to be too strict on them. They're old enough to make decisions by themselves. That's a better way for them to learn. To make mistakes." Zintle: "I guess you're right. Ndidikiwe nam kuThukisa ngathi ndingu mama omdala." Lungelo: "its sexy though..." As He kissed her. Holding her. Khaya came to the lounge and coughed. Khaya: "Zintle, can I go out k'le weekend?" Zintle: "where you going?" Khaya: "well, Thando and I are going on a hunting trip with Lubby noTa Luks." Luks: "urg."in the house, Namhla had gone home with Thulani. I was about to go home to Mom's place. Lukhanyo's phone finished charging, I checked the email. Oh, he probably got it kanene from Lungelo. I had forgotten. I locked the house and went to the car, then drove off. I checked the unread messages. Probably uTa Smig. Scrolling down I saw Maka Chuma. 'Love, what's going on? You've been ignoring my calls and have gone awol. I miss you, and that night...we can try it out again. That's if you still interested.' Me: "is that so?" I turned the car around. To that hospital.....

Chapter 444

Lukhanyo was getting sleepy. Luks: "Lubby iyangxola le iPad yakho." Lubabalo was playing music and a game at the same time. Lubb: "wait.." Luks: "arrgh....lubabalo maan!!" Lubb: "almooost.....YES!" He screamed. Lubb: "hahaa... Beat my own record. Wanna play?" Luks: "NO. I wanna sleep!" Lubb: "okay, ima ndifake some sleep music." He switched the music to a less noisy sound. Soulful music. Then put the iPad down. Lubb: "mas'lale ke." Luks: "shhh. Cima esas'bhane." Lubby switched off the light and they slept. I walked into the room and switched on the light. Luks:

"lubabalo damnit!!!!" Lubb: "I didn't do anything!" Me: "Lukhanyo!" Luks: "oh..hey.. Didn't expect you to be back. What's wrong?" Me: "what's wrong??? WHAT'S WRONG!!!" I threw the phone at his face and stormed out. Lukhanyo held his stomach...blood seeped through the fabric. He held on the table and tried to breath. Luks: "lubabalo!" He tried to yell but couldn't. He slid and fell to the ground. Luks: "Lord please help me..." He could feel the stitches tearing apart, his wounds opening. Lubabalo walked in. Lubb: "Lukhanyo!!!!" He threw the iPad on the bed and ran out to call the nurses. They came rushing in. Luks: "soso...." He breathed. Nurse: "he's off." Lubb: "call him!" The nurse wheeled Lukhanyo out the room. Lubabalo paced around the room. He was shaking, what if Lukhanyo has a relapse. What if he doesn't make it this time. He had to sit and wait though. Hours later, Soso walked in. Lubb: "uphi uLukhanyo." Soso: "he's okay, what did you do?" Lubb: "his wife was here, maybe they fought, andazi." Soso: "uhm...we might have to restrict her from coming back here, Lukhanyo bengekabi right. This is extremely painful for him. Stitches on the same wound twice, imagine xa liphinda livuleka? He could have gotten an infection. So to be safe, we're keeping him elsewhere. And you, should go home." Lubb: "I understand.....you'll keep an eye on him?" Soso: "I will." Lubabalo collected his things. Lubb: "so... Soma?" Soso: "I don't want to talk about him." Lubb: "where is he?" Soso: "don't know, don't care." Lubb: "what? But why?" Soso: "Lubby, ndithe and'fun thetha ngalomntu." Lubb: "damn. Case closed. Just know if he gives you trouble, call me. Ndizom'sorta out." Soso: "thank you..." Lubb: "can I say goodbye to my brother?" Soso: "He's asleep now, but iza." They walked to Lukhanyo. He was really rested. Lubb: "I'll be back ekseni awti. Uzoba grand...I promise. Soso, will take care of you." He turned and walked out.....

The next morning, Soma was still awake. Thandi had fallen asleep. He couldn't forgive himself for leaving her. Now he regretted it more than ever for their child. He wiped the tear and turned around to hold her. Soma: "baby?" She woke up. Thandi: "hm?" Soma: "I'm sorry for not thinking nge feelings zakho..I was shocked, I still

am...and somehow...I have only myself to blame for not being there for you." Thandi: "its the past. Can we just get over it?" Soma: "Thandi this isn't like our puppy died. Its our child. How do you expect me to just get over it? Uxolo baby but I need some time to mope around." Thandi: "can I make you breakfast." Soma: "nah..I'll fix us something." He got up and went to the kitchen. Trying to make an egg and bread. He diced tomatoes and fried them with onion. Soma: "babe.." Thandi: "you're burning something." Soma: "yeah I think I need help." She got up to help him. Thandi: "hlala phantsi baby, you're just hopeless in the kitchen. But its the thought that counts." He kissed her cheek. Soma: "you're the best." He went to the lounge and put on the Kendrick Lamar Live performance in America. Thandi made the breakfast and they ate. Soma: "this is lovely..." Thandi: "yeah, andaz lento buzondityisa yona. Thandi: "I still have to go home and get dressed." Soma: "sund'shiya kanye nd'zokhala mna." Thandi: "khala kalok." He sulked and looked to the ground. Thandi: "kodwa uyafeketha man wena...I'll call you when I'm done." Soma: "ndizok'landa ne?" Thandi: "ya... Bye babe." She kissed his cheek. Soma: "bye." She left. Soma got up and washed the dishes. Then took out his Rizzla box. His packet, and lighter. He rolled his weed while singing along to his music. His phone was ringing but he ignored it on purpose as he smoked. There was a knock on the door. Soma: "ja?" The door opened. Soma: "I didn't say come in." Skhura: "khayeke fondin, what you up to?" Soma: "nothin...." Skhura: "ndakwaz you don't smoke this shit unless something is eating you." Soma: "want a puff?" Skhura: "sure.." They sat in silent together. 15 minutes later... Soma: "Tony's dead." Skhura got up and left. Soma bathed and got dressed then lay back on his couch....

I was ready to see Lungelo by 8. Realizing I had to call Thulani from mom's phone ndifune address. When I got it. I took my things to leave. Ma: "sele uy'sebenzisa for the day, when Jeff calls tell him ndilaphe ndlin." Me: "ok." Ma: "you'll be okay mntanam....suzi stresser kangaka, Lutha might pick it up any second and you don't need that right now." Me: "ndithin mama ndibe happy?! WHY can't I do anything without having to drag another person along. Ndicela uba free nam. I'm tired of

everything being thrown at my shoulders. Isn't it enough that I'm hurting? But Still funeke ndiy'libale naleyo." Ma: "Luthando is your child, your responsibility." Me: "I know mama! I just can't deal with all this stress right now." I walked out the house and got in my car, driving to Lungelo's office. I got in, I was almost in tears, but I had to be just fine for this part. Matter of fact for the rest of the day. I walked in and found him in his office thanks to his friendly secretary. Lungelo: "morning, come in." He closed the door and continued talking on the phone. Lungelo: "haha...mxm. I have to go. Yes I'll call you later.....no I don't feel like ithaha, I have to go bra. Sho." He hung up. Lungelo: "sorry about that okay?" Me: "its fine. Do you have the papers ready?" Lungelo: "no, I'm still busy with it. Maybe you can help me on a few pointers. Is there specific things you want?" Me: "No." Lungelo: "well, legally you're entitled to half of everything, what you do with that half is entirely up to you." We carried on for quite a while, I was already drained. Lungelo: "hey....hey, yinton ngok?" Me: "I'm just not feeling okay." Lungelo: "its okay, we're almost done." I didn't want to continue. I just wanted to sit in a corner and cry. Lungelo: "lihle, we can't do this without your participation." I felt a tear escape my eye. It was too late for me to save it. And then they followed right after. Lungelo just stared at me blankly. Then pushed a box of tissues to me. Lungelo: "I'll give you a couple of minutes." He took his phone and walked out to the secretary. Prudence. Lungelo: "sugar, please check on her ne, I've got a couple of calls to make." Pru: "Yes sir.." He left. Prudence walked in. Pru: "can I get you some juice?" Me: "no." Pru: "uhm...uMr Moni is making a fe-" Me: "Can you just....stop? I want to be alone." Pru: "sisi, this is an office not your bedroom. Clearly that man you crying over does not deserve you ba mawubelapha." Me: "No, ungenaphi!!" Pru: "andingen ndawo, but akho need ube kwrada kwabantu because of his faults. Damn." She turned and walked out. Me: "Mxm!" She doesn't even know what she's talking about! How dare she butt in. Lungelo came back. Lungelo: "can we wrap this up quickly? Are you okay?" Me: "yes." Lungelo: "good." He carried on explaining all the processes and stupid things that I found quite irrelevant to my suffering. He didn't care, this was his job. He was the 'boss' he didn't care AT ALL. I was paying him for my pain. Suddenly I hated Lukhanyo for making me feel this way. To have this mentality! He made me kill...now he wants a divorce. I can't bring back the damn dead people now! For HIM. I sinned. How dare he do this to me! Lungelo: "are you even interested in the slightest way about what I'm saying?" Me: "no." Lungelo: "okay. You know what. I'll draft what I can for now. Ndik'nike. When the date is set, Paul will be back and help you okay?" Me: "I'm sorry..." Lungelo: "no need. Is there a stable number where I can reach you? Ndifowne ndacama." Me: "my mom's." I wrote it down for him and left. I still had school to go to. The drive to

Summerstrand was the longest...all I did was think. My eyes were watery again. Until I had a hard loud bang. "Hee Ftseek mann awujonganga dan!!!" A taxi had bumped into me, or I had bumped into him. I don't know. I can't remember. Either way, the driver was furious and rude. I got out the car while he was ranting and raving. Me: "bhuti, I'm sorry I didn't see-" Driver: "you didn't see ntoni!!! Ez'cheese girls niy'phethe lendlela. wena eyakho iBenz izoba grand xa uyolala motwam izohamba ne Dent mini yonke, kanye yohlala kuMechanic, ndingenzi mali! Wena awuna ngxaki ngoba nityiwa zez'nto zihlel nje zine mali." He was making a big scene. Me: "I'll pay for your thingy. Ndicelu xolo!!" Driver: "ndithin kengok mna NGOKU?!! Ndilinde??? Time is MONEY!!!" Me: "I'm supposed to be at school." Driver: "and'khathali noba busiya ezulwini! I want my money." He dialed for the police. They got here within 10 minutes. Like WTF? Driver: "this girl, Meneer, she. She drive into my taxi. In here." He showed the bump. Driver: "now is me have to stop span, because my taxi is like this!" Police: "but it does not affect your driving in anyway." Driver: "my lighting is broke. Jonga, for the indicate." Me: "indicator. Its called an INDICATOR." Driver: "uvale umlomo wena." Police: "lady, did you bump into him?" Me: "yes. Its probably because of his absurd driving and not looking where he's going." Driver: "Liar! Bez'valiwe eza robot!" Me: "Police officer? I'll pay for this okay? I just need to go. Right now." Driver: "she lie and run away Meneer!" Police: "let's sort this out right now. Nobody is going nowhere." Driver: "umchazele nine-nine Meneer.." I wish I could scratch his face off! That bastard.. The day was officially the worst....

Lubb: "you're probably in pain Lukhanyo, kakhulu..you don't deserve this." Luks: " I do. I deserve every single inch of pain. I should've just died and saved everyone the trouble. He took Lubby's phone and went on the internet. Lubb: "what you looking for?" Luks: "how long will I take to heal..." Lubb: "take your time, we'll postpone the party till you're

Luks: "they have trust funds already. For xabe khulile." Lubb: "what about uLihle?" Luks: "she owns a mansion in an expensive ass suburb, she owns a Benz. She has la account yam yos'bini which generates la money from the business in Pretoria. Zonke salary zam zingena kuye. What more must I do?" Lubb: "okay, let me go do this.." He left Lukhanyo by himself. Luks tried to fix his broken phone. The screen was cracked in half. But it still worked. Luks: "hamba Samsung. Awuncami tu." He put the phone down and went back to sleep.....

Thami was at work. He was sorting his boss' files and chewing gum. He was wearing a load of make-up and lip gloss. The office phone rang. As he answered, popping his gum. Tham: "You speakin to Tham Tham, can I help you ngoncedo?" Caller: "just put me through to my husband." Tham: "unfortunately.....uBUSY." He chewed as he filed his nails.. Caller: "I don't care, just put me through." Tham: "you'll have to leave a message." Caller: "tell him, to call me back!" He hung up. Tham: "sies ez'nto zikwrada. Sizoni shiya ninye thina. Sity'incanca le iFree." His colleague walked over to him. Lusi: "nton ngok my friend." Tham: "hayi Lusanda andiyotshomakho. Tshin Messiah olungileyo." He got up and walked to the office. Wearing tight pants and a blouse. Tham: "Mr Davids. Your wife called, asked you to call her back." He got up and closed the door, locking it. Tham: "hewethu Chris, what are you doing?" Chris: "shh, for once can you keep quiet?" He held Thami's ass against himself and rubbed on it. Tham: "uhm...what if..." Chris: "shhh....." He undressed him and got it on.. When they were done, Thami got dressed again. Tham: "so-" Chris: "close the door on your way out." As he opened the windows. Thami went to do his work. Lusi: "tshomi! Kukho enyi ndawo endifuna siye kuyo bonanje." Tham: "bendithe andiyiyo itshomi yakho Lusanda. Cela uKamva ahambe nawe." Lusi: "kodwa uKamva uyamaz nje akand'fun. " Tham: "ungayoz'ncokolisa nje. Ndibusy mna apha. And'bhathalelwa mlevo!" Lusi walked away. Thami was in a twirl of emotions. He wasn't in love with his boss...but

their making out every chance they got was exciting for him. Nobody knew about it...and Chris begged to keep it that way. This time Thami felt cheated and used. He finished filing his documents and got up to give him his files. He walked to the office, another colleague was there talking about work. He hated gays with a passion. Thami walked in and put the files in the drawer, sorting them one by one. Chris: "Brad?" Brad: "yeah, you goin to the game next weekend?" Chris: "for sure, my wife will be away..so I don't got nothing planned." He looked at Thami. Brad: "what are you doing here?" Thami: "placing Mr Davids files." He muttered. Brad: "goodness, get done and leave. I can't even talk to my friend now. You're just everywhere!" Thami started shaking. Brad: "stupid and confused! Chris what do you do with these people!" Chris: "they're humans, they need jobs too. Just like the rest of us." Brad: "God didn't create no Adam and Steve!" Chris: "he didn't create you to judge others either. So unless you're God. Take a fuckin seat." Brad: "nxx! Don't understand why you defend these idiots!" Chris: "I don't understand why you attack them!" Brad: "I'm not gonn argue bout some gay ass. I'll check you later." He left the office, shutting the door closed. Thami stood by the cupboard. He was crying silently. Chris: "hey." Thami: "hey." He whispered. To his surprise, he felt him hug him from behind. His arms held him tightly. Chris: "I'm sorry, you didn't need to hear that." Thami: "its fine.." Chris: "so you're spending the weekend with me?" Thami: "I'll think about it." The door opened Chris stood away quickly and occupied himself. "Mr Davids, your wife is here, she wants to speak to you...." Chris: "here where?" He mimed. The colleague pointed out the door. Chris: "fuck!" Before he knew it, she barged in.....

Phila and Andile were in a meeting. Andile was disturbed by something else. He wasn't listening. So it was Phila's duty to listen for him. It was 3 hours later, they got out and went to his office. Phila: "ugrand?" Andile: "yeah....that meeting sucked the life out of me." Phila: "you sure its just the meeting? You seemed as though bungena interest whatsoever." Andile: "yeah. I'm cool." Noni: "okay, I'll be at my desk if you need me. Hi Phila." Phila: "hey." And she walked away. Phila: "see? Its obvious she's into you. Laway." Andile: "she's always been like that, its her nature to be caring." Phila: "khandibuzwe nobuzwa ke mna." Andile: "I can'tI'm still feeling weak after that chick bra....ingaske ndibe single for a few months.." Phila: "just one more try...please." Andile: "damn Phila. Fine! I'll take her out for dinner or something. But that's where it ends!" Phila: "cool." His phone rang. Phila: "askies, wifey calling." Andile: "sharp." He smiled. Phila walked to his office chatting to his girlfriend on the phone.

Lubabalo went to a baby store, he bought a big teddy bear. Then went to buy 2 bags of 8 wings from KFC. He was hungry. He drove to Spar to buy chocolate ice cream and a milk tray. Lubabalo drove to Liya's house digging in the zinger wings. He parked out front and called. Liya: "hello?" Lubb: "hi ugrand?" Liya: "I'm fine you?" Lubb: "I'm good.." They kept quiet. He got into bed and covered himself. Thandi: "I hate this shell you put yourself in xa uqumbile..it really breaks me baby." He kept quiet. Thandi: "aren't you hungry?" Silence. Thandi: "okay, I'll fry some meat for myself I guess." When she came back to sit next to him. He waited till she finished eating. Soma: "I hate to see my father in that state...even though ndiyay'entertainer. I just don't want to lose him too. Family yam yonke has drifted apart. Ingathi zange sa-happy at all. It drains me everytime Thandiswa, but I am the only son that still respects him. Andaz why Soso can't open up to him." Thandi: "kanti what's the deal with wena noSoso." Soma: "I don't feel like talking about it." He covered himself again.

I got home after 22:00. I was dog tired. That stupid driver made me spend my day with him and the mechanic. I smelt like oil and metal. Hayi shame asobe ndiphinde ndigilise kwa moto. He has disciplined me for years to come. Taught me patience and respect in one day. Shit. Through out it all, we actually created conversation and we spoke.....although we not best friends. He was a nice guy. Just rude. Anyway, I took a long bath and wore my pajamas. Ma: "where have you been?" Me: "with the mechanic, ndigilise enye taxi. So we fixed his car, eyam ndizoy'sa kokwayo." Ma: "uright kengok wena? Didn't you get hurt?" Me: "I'm fine mommy, balele abantwana?" Ma: "usahlel uLutha, Vicky is playing blocks with him." Me: "he's only 7 months old, why would he play with blocks." 😊_- this nurse was overdoing it right now. Me: "ndicela aze naye please...I miss his laugh." I lied...I lied so hard...I missed his father, and Lutha's smile was his father's. Those puppy eyes. And the expression Lukhanyo named the "gangster look." It was him everything. She came with my boy. He was excited as ever. He kept his fist in his mouth. I lay with him on the bed.... He was starting to mumble things now.. Sounds and gurgles. I didn't understand baby language at all. Me: "Boo boo." He pouted his cute lips. "Daa..." Me: "dada?" He

giggled. Me: "no baby, say it again!" He shrieked and rolled over. Me: "unje ke. Izapha man!" He screamed in joy. He was really happy as always and bubbly. Me: "ithi mama." Lutha: "mmm...." Me: "mxm." He grabbed my thumb and sucked on it, soothing his gums. I was falling asleep. Mama came in with a tray of food. But I was full. Masixole bought me iqadidi ne kota. 🤩:v because he didn't want to go to kfc 😞 :(...we drank Refresh and funny enough, ndahlutha. It wasn't bad. Refresh yona, I know and used to drink it. But qadidi? Hayi, it was the first. I fell asleep. Mama took Lutha who was still wide awake. I dreamt I was in a dark room...Lukhanyo was asleep next to me. I heard a sound outside. Me: "baby! Did you hear that?" He woke up and tried to stand up. He looked weak and defeated. Me: "lukhanyo come on!" He stared at me with painful eyes. The front door was broke down. Someone walked in. I locked our bedroom door. Me: "baby you have got to wake up!" Luks: "help me..." He cried. Luks: "khandincede Lihle..." He kneeled to the floor. Me: "yinton Lukhanyo?" Luks: "don't le....." And he fell down. Me: "no.....lukhanyo!!" He didn't wake up. Someone was trying to open our down. Me: "baby please don't do this to me right now!! Vuka!!!" The door broke down. I screamed. And woke up. It was just a dream.....a night mare. I breathed out loud. Then lay back to sleep...

She moved closer and stuck to his body. He kissed her and held her gently caressing her curves, squeezing her. He stopped. She could feel him hard. Thandi: "what's wrong?" Soma: "nothing.." Thandi: "ever since you got here, we haven't had sex...what is wrong?" Soma: "excuse me? Baby mna ndicingela wena...I was going to that night, but you told me the news, so I couldn't. You're too much of a gentleman for your own good." Soma: "oh, awufun ndibe sweet?" Thandi: "I love that you're sweet but noko love, don't torture yourself." Soma: "I'm not. I just respect my girl qha." Thandi: "enkosi baby." Soma: "iza ke silale..... Soma: "sek'theni ndizo gxothwa ngok." Thandi: "I want to clean." Soma: "okay!" He bathed got dressed and went to his brother.

Soma walks into the hospital, he looked for his brother everywhere. Then walked into the room where Lukhanyo was in. Soma: "you good?" Lukhanyo and Lubabalo looked at him. Soma: "have you seen my bro? Kinda my height, eyes look like mine. Pretty much me.." Luks: "no." Soma walked in and checked the file. Luks: "have you found Jesus?" Soma: "oh man, is he lost again? He called Lungelo. Paul: "uthi nguban gama lalomntu?" Lungelo: "Lukhanyo Aubrey Mzinyathi." Paul: "cool." Lungelo: "proud of you." Paul: "Mxm." He hung up and went to look for him. Nurse: "his mother is with him right now, you will have to wait a few minutes." Paul: "how long is a few minutes? I don't have the time. To be here." Nurse: "may I ask your name sir?" Paul: "my name is Paul." Nurse: "paul?" Paul: "look, lady. I just need to say 2 words. Then go. If his mother, granny, brother, goat and cat is there. Then that's that. I would say these two words, because its no secret." Nurse: "I will inform them." Paul: "that's not even necessary." Nurse: "then Wait." He rolled his eyes and sat down. The family came out 20 minutes later and left. Nurse: "you may come through. You only have 10 minutes." Paul: "I only need 1." He went inside. Lukhanyo looked at him. Paul: "hi." Lubb: "who you?" Paul: "can I speak to him in private?" Lubb: "this is as private as it gets.." Paul was ticking like a time bomb waiting to explode. Paul: "I came to say sorry, for bumping into you." Luks: "what? Paul: "2 bahlala nomfazi wam in Durban. But she kicked me out." Luks: "why?" Lubb: "he was eating pussy, its written all over his face." Lukhanyo laughed. Luks: "I feel your pain. Lubb:"woah who?" Paul: "lungelo....my partner." Lukhanyo's expression changed. He was pissed, half as pissed because Lubabalo was boiling in Andrew's steam...

Chapter 449

Lubabalo grabbed Paul's shirt and threw him against the wall. Lubb: "ubanii!!!!" He roared. Paul stuttered. Lubabalo held his neck. Lubb: "I will crush your bones inside out if you don't start talking boy! Did he send you here!!" Paul: "n-no" Lubb: "are you here to gather info?" Paul: "No. I swear." Lubb: "uzothin ke?!" Paul: "Lungelo begged me to come say sorry. I really am. I didn't know you or him. But-" Luks: "myeke." Lubb: "huh?" Luks: "I said leave him." Lubby tightened his grip, Paul started choking. Lubb: "I swear to everything that crawls and walks this earth, Paul. Betray me just once and you'll start walking bent backwards. Do you follow?" Paul: "ewe." Lubb: "EWE BANI!!!!" Paul: "ewe Lubby." Lubb: "the name's Andrew. Get it right next time." He walked out the room in anger. Paul rubbed his neck and breathed steadily. Luks: "I like you Paul, I really do, but my family comes first. Paul looked away. Luks: "good." Paul: "I have to go..." Luks: "ungalahleki...we're friends now." Paul: "I'll try my best." He walked out and ran to his car. Driving straight to the office. He closed the door behind him and breathed again. A knock startled him. Lungelo: "dude!" Paul: "erh..." He laid out papers and opened the door. Paul: "ya?" Lungelo: "yinton ungena ngath yaleqwa. What's up?" Paul: "oh nothing..." Lungelo: "how was he? What he say?" Paul: "just said its okay. He's a cool guy..him and Lubby. Great combo." Lungelo: "don't bullshit me. What he do?" Paul: "maybe if you stop concentrating on the bad Lubby, you'd make cool friends with him...you got quite a lot in common." Lungelo: "mxm. Get that report done by tomorrow va..." Paul: "thought you said tonight." Lungelo: "you don't need to be working graveyard shifts. Rest and come back ksasa.." Paul: "thanks." Lungelo left. Paul called his wife. Paul: "baby? I came home from school after 5. I was already fucked up tired. Oh and I saw Masixole again. 🙄:v he hooted and warned: "uzuphind und'gile net!" I couldn't help but laugh. I started cooking. Luhle crawled to me and sat by my feet. Me: "hello mntanam." I was in a relaxed mood. She was holding her rattle toy waving it at me. It made a noise and usually I would get agitated, but ngumntana lo. She doesn't know. Thulani, Namhla and Junior walked in. Thulz: "hey." Me: "hello." My mother wasn't home. Thulz: "have you seen my dad?" Me: "not for a while, no." Lutha was screaming in the lounge with the nurse. Not crying but excitement as always. Thulz: "my mother is in hospital...akhandiye span namhlanje. He's been in a meeting all day." Me: "mas'linde umama abuye, she'll have better knowledge." Namhla: "ndincedise phi mtshana." Me: "ina.." We all looked at the boy who was sitting on the floor playing with his action figure. Namhla: "looks normal to me." Thulz: "he doesn't want to pay attention. Akamameli niks unless he wants to do it, its not going to be done." Namhla: "fuze kuYihlo lo wakhe." Thulz: "mpa....apparently she has tried to punish him in different ways but akeva still." Me: "maybe she just needs to stop focusing on him and take a seat. Kodwa ke look into it, maybe she's right, but when he lived with me, he was a sweet angel engenanto, but don't relax..." Thulz: "I also think he should get checked out...he has a problem and andifun akhule ebethwa oko abe abusive naye." Me: "hm...I guess that's the only alternative." Namhla: "ubuthethile naye wena? Just for today." Svig: "naziya!" They all looked at the direction of a group of guys with a velocity golf and a polo. Soma: "son of a bitch..." They were standing together, laughing. Soma pulled out his gun, the guys followed. Soma: "and'fun nephefumlayo!" Gunshots fired loudly. People started screaming. Soma got out the car, with an AK. He was reloading. And started shooting again. 7 bodies lay on the ground. He walked to them. One was still breathing. Soma: "kuthen nind'qheli kaka nje Sly?" Sly: "hay Soldier sani bengisithi abaya bakhuphe uTa Skhura!" Soma: "how do you know ba ndithetha ngalonto?" The guy stared at him. Soma aimed at his head and shot him dead. Thandi and Soma were busy.... Thandi: "ohhh....Soma!!!" He held her thighs apart, pushing slowly inside her. He stopped and stared at her. Thandi: "baby? Please don't stop" she cried. He smiled and shoved it in right deep. He moved faster, pulling her hair, other hand holding head board. He bit his lips, pleasure. Thandi was screaming his name....her body shaking. Thandi: "faster!!!" He upped his pace. Holding onto the bed. Thandi: "bbaby.....I think....I'm" Her eyes rolled back. Her nails dug deep into his skin. She wailed a tune in pleasure. He got up and stuck himself inside of her.....

Friday morning. A part of me didn't feel like going to school. I had a class at 10 and coming out at 12 thank goodness before I die. I got up as usual and sat with Luhle and her bowl of porridge. Ma: "awuyi skolwen?" Me: "ngena ngo10 ma." Ma: "oh, so awufun lala kengok." Me: "ndizoske ndibe worse." I finished up with Luhle and went to get ready. It was a hot day. So I wore the navy summer dress. With a white sandal. Combed the weave nicely and put on a white head band. Ma: "uzobuya nin?" Me: "about half 12 ndizobe ndilapha ma. You want something?" Ma: "hayi, ndizohamba ndiye somewhere, I have an appointment with Jeff ngo 2." Andisam'khumbul utatam andaz mama yinton nalo Jeff. But I guess its every kids dream to see their parents together, look at me and Luks? Maybe naye Luthandoluhle uzodikwa ngu stepfather wakhe who probabaly won't survive a die kusekho ooMzinyathi. I took my school bag and laptop. Luthando started crying. Me: "Mama..." He didn't want none of it...he just crawled angrily to my feet. Me: "what did I do?" Luckily I was an hour early so why not just. I sat down with him and listened to his squabbles. Eventually, Thank God. He fell asleep. I took my stuff and left for school. Well, driving a polo I couldn't get used to, I had to miss my car. When I got to school I saw Tash. Parked and went t her. Me: "hey." Tash: "sawubona sesi." No lie, I loved the lingo. Me: "unjani?" Tash: "I'm fine, you?" Me: "just great..let's go in." She had a bottle in her bag, I heard it clink. Me: "uhm....at school though?" Tash: "its Tshepo." Me: "but why still." Tash: "its an

invitation." We got in class. Me: "hahhaa...an invitation is a beer nowadays?" She took it out. Oh no. It wasn't a beer. It was a Henessey bottle. Me: "uhm..." It had a sticker on it, probably the invitation. Me: "whoever's party this is. Has to be filthy rich, to buy everyone a bottle of Henessey." Tash: "I know, right.." One of the girls walked by. Girl: "oh my God! You're invited to the bachelor's party?!" Tash: "no actually she is." The girl stared at me. Tash, really? Did you have to? Girl: "how?? Its difficult to get an invitation out here, help a sister out!" Me: "erh..." Tash hid the bottle as the lecturer walked in. Me: "how Did YOU get it." Tash: "well, the party is hosted by this guy who's in the rugby team with Tshepo's older brother. Remember the guy that bumped into you when you walked out of class the other day?" Me: "That's Tshepo's brother?" Tash: "well yes....he is friend's with the party guy. I think his name is Khaya. Or something. First year student." Like me. Me: "wow....he must be a billionaire of some sort." Tash: "parents' money. You coming?" Me: "uhm...no, I'll be with my kids tonight." Tash: "its a 4 day, 3 nights party Lihle." Yoooooh. 🤪O.o what the fuck? Me: "I think I'll pass this one, thanks." We sat and listened to our lecture, it was the slowest most annoying ever. I failed to pay attention. By the time the nigga was done I was already packed and ready to leave.....

Afternoon....

Lukhanyo and Lubabalo were packing in hospital. Luks: "Thank God I'm leaving." Lubb: "nam besendidikwa ngok shame for real." Luks: "vula uchecke lo drawer." Lubby checked everything. The nurse walked in. The same one who hated Lubby with a clear passion. Nurse: "need you to sign here." She whispered. Lubb: "sorry?" She breathed. Nurse: "cela uSign apha." Lubby smiled and took the paper to sign. He handed it back, with a grin on his face. She took it but Lubby still held on. Luks: "lubabalo!" Lubb: "sorry va..." Nurse: "k." Lubb: "khand'jonge kalok." She looked at him. He smiled lubb: "uxolo va?" Nurse: "okay." Lubb: "uhlalaphi?" Nurse: 'kwaZakhele." Lubb: "ndiyok'bona nin pha..." Nurse: "andiyaz..." Lubb: "phuma nin dan...." She blushed and rushed out the room. Luks: "you're such an ass." Lubb: "they still love this ass. Ndiyadlala wethu naye bendizom'pha mali yentloko qha ubalekile ke so..." Luks: "ASS." Lubb: "heee....now I'm an ass for being nice? Ndiphinde ndibe krwada ndibeyi ass? Mxm. Let's go..." Luks: "you go fetch the boys, Khaya noThando, I go to my kids. I feel like I'm going insane." Lubb: "ok baby daddy I'll drop you pha kum uhambe ngale yam iAudi, when they finishing yours?" Luks: "ndizobuza ku Ta Smig." They left for Lubby's house. Lukha took the Audi. He drove straight to Motherwell to see his babies first. He thought Lihle would still be at school this time so its just the nanny. He relaxed. He parked outside and saw a silver polo. Luks: "polo? Nguban kehok lo." He asked himself. Probably a visitor. He walked to the door and

knocked. "Come in." A voice yelled from inside.. Lukhanyo stepped inside. I walked to the kitchen and he stood there. Wearing his jeans and a black shirt, sleeves rolled up as usual. 😊^_^ ...our eyes locked for a few seconds. Luks:"I'm not here to start fights. I'm only here for my kids." Me: "of course." And he sat down with his son. Luks: "ithi tata?" Lutha: "hmm.." Luks:"taa.." Lutha blew bubbles. Luks: "mxm.." Lutha: "dadada..." Luks: "ane? Uphi udada wakho.." Lutha smiled stuck his tongue out to lick his chin. Luks: "mpa man..sies kwedin." He tickled him. This melted me in so many ways. Lukhanyo saw me there standing awkwardly. Luks: "did I disturb something?" Me: "uhm..no." Luks: "oh." He sat back with his son and kept quiet.....

Chapter 454

Luks: "uphi uNtomb'kayise?" Me: "she's asleep....." Luks: "oh. I'll wait." I didn't know what to do, so I walked to the bedroom and sat down.. He was talking to his son while watching tv. Lutha was also babbling. Lutha woke up next to me. Me: "hey sweetie.." She picked up her head and smiled. Me: "khazapha, awulambanga na..." I sat with her and realized in the lounge it was utter silence. He probably thought ndihleli nomntu. I heard him get up and walk out. I followed. Me: "um'saphi umntanam?" Luks: "going out for a haircut and some meat." Me: "oh." Luks: "I won't be long." He got in his car and drove away. He started at American Swiss. Luks: "what would your mother like? Hmm....khetha boy." The assistant came to help. Lutha placed his hand on the glass. He smiled to himself at a sparkling bracelet. Luks: "I'll take it.....put it on this account." Assistant: "sure.." Luks: "anizolwa nomamakho ngale into..." They left for the barber, getting a fresher haircut. The other lady held Lutha. She was an old friend of Sam's. She: "akazocheba yena?" Luks: "ewe makachebe...aphe macalen qha, like mine." She: "hay man icute le afro yakhe. Makachebe xa ena 1" Luks: "zobangath yicherri lomtan." She: "myeke wethu." Luks paid and left. He went to order the meat. It would be delivered to Lubby's house later. He drove there to check on the guys. Lubby was in his study upstairs working. Luks: "dude.." Lubb: "heeyyy....ntwana yami." He took Lutha and kissed him. Lubb: "uphi uLuhle?" Luks: "with her mother and her boyfriend. Yazi Lubabalo, ndifika pha, kume enyi Polo esilver, ndingene endlin. Ndikhawulelwe nguLutha. Lihle wayo hlala eroomin. I don't know who she was talking to so ndazicenga nge ntliziyo encinci ndahamba..I don't know why I feel like this!" Lubb: "you're hurt Lukhanyo...it happens. Askies sani. Maybe nawe you could move on." Luks: "but andifun Lubabalo. I don't wanna go out there and fuck someone else just because I can.....I just... Mxm. This is bullshit!" Lubb: "calm down man nawe yuuh. Hee awusemhle, bucheba phi?" Luks: "some place wethu." Lubb:

"funek ndiyocenga uZintle ngoku for the boys. 😊-_- " luks: "awukayi na.." Lubb: "nahh...just finishing this work report quick. Can I keep him?" Luks: "you're hosting a party Lubby, you can't keep no damn baby here. Iphiinja?" Lubb: "ndiyigcinise ku Aunt Lucresha. Phaya kwesastrato." Luks: "oh..khame ndigoduse unyana, ndiyobona intomb yam ndiphinde ndibuye." Lubb: "good bye nyana?" Lutha: "dadaa.." Lubb: "sho ntwana yam..." Lukhanyo took the boy and left with him. I was still sitting in my bedroom with Luhle. Decided to go over my school work, just to pass time because my daughter was occupied by her toy. She was even having a conversation with herself. More calm and collected unlike her brother who was loud and rough always growling in frustration then laughing like nothing happened. There's something very wrong with my boy man. I heard the car outside and went to look. Lukhanyo was back. Luks: "he needs to be changed.." I took the boy, luhle crawled to him. Luks: "you guys are just all over the house aren't you..." He bent down to pick her up. Luks: "nawe yakwaz uthi Tata..." Kuthen kungade kuthwe mama nje? 😊:(oko bekhala ngo tata. Lukhanyo sat down, he was uncomfortable. I could see. Luks: "ungandithunuki. Ingath unyathela njee." He lay her on her back and they played and chatted together. Lutha had found a remote. Me: "Luthando." I took it from his hand. And he gave me a shocked. 'How dare you.' Me: "ngak'linge undijamele mna." He started frowning...then cried. Luks: "umdala man wena.." He picked up his son and put him next to himself. Luks: "bukela itv. Phaa." Lutha was squabbling and reached over to Luhle. Luks: "ungu Khatyiwe ke apho." Lutha lay on his sister's tummy. Luks: "nelaka...ndifuna akuphoxe bonanje. Ngoba usile." I went to start on supper real quick. Mama had ordered me 3 times to cook a stew. She even sent an sms: "don't forget the stew." So I cooked the damn stew, even though I felt like having fish. While I was busy cooking. Tyler knocked. (My old friend.) Tyler: "aww mpintshamm!!" Me: "hey mtshana." Tyler: "ndicimba awukho, ndithunywe kwi olady, likhona?" Me: "ha.a akekho...zobuya late..." Tyler: "ndizaw'ske ndibuye late akho smoko. Ziphi takalan ezimbin.." Me: "bahlel notatabo efront." Tyler stood there and stared at me. He whispered. Tyler: "ikhona iboss? Yiyo lemoto ime phandle?" Me: "yes, ukhona." Tyler: "rhaaa noba igcigciza imali..fuck.." He was still whispering. Noba yamoyika. Lukhanyo walked into the kitchen on Purpose. Luks: "iphi botile ka Luhle." Me: "andikayenzi." Tyler took off his cap. Tyler: "molo bhuti." Luks: "sho fethu, ugrand?" Tyler: "ndiyaphila bhut kuwe?" Luks: "siyacenga mjita." I took out the bottle to make it. Luks: "sapha ndiyenze." He made it and went back to the lounge. Tyler breathed out. Tyler: "he is not so bad." Me: "xa ethandile." Tyler: "ndizobuya late ke my friend...sharp." He left the house.

Sizwe knocked on the door. He was with his younger gentleman Sinethemba. Me: "Tata!!!!" I hugged him so tightly. Sizwe: "if I knew I was missed this much I would have come earlier. Unjani." Me: "great!" Sizwe: "uhleli noLubby? Ndim'qibele kdala bonanje." He walked to the lounge. Sizwe: "oh. Its You." Lukhanyo tensed immediately. Luks: "molo ta Seez." Sizwe: "molo Lukhanyo.." There was nowhere to hide. Lulle crawled to Sizwe. Lutha stayed exactly where he was with his dad and stared at his grandpa. Sizwe: "ehh kwedin..." Lutha turned and climbed on Lukhanyo. He sneezed twice and lay on his chest holding onto his shirt. Luks: "yozela ngoku. Qibile ugeza." Sine: "hey." Me: "hey ugrand?" Sine: "great..." He walked to the lounge and greeted Lukhanyo who's phone rang. Luks: "ja?" Lubb: "uphi?" Luks: "ndise motherwell, wena?" Lubb: "ndilapha nam..." Luks: "iza kalok. Sosele sinyuka kunye." He hung up. Phof ndim." Lubb: "haibo what happened? Who did this..." Me: "I wasn't looking and bumped into someone wethu..yuuh, zange aphambane man. Made me spend the whole day naye at the mechanic." He went to sit next to him and they started chatting. Lubb: "molo Sine ugrand? What are you doing tonight? are you busy?" Sine laughed. Sine: "I'm not busy." Lubb: "great, because you're coming with me...busatsho Ta Seez." Sizwe: "I

His party went on for an entire WEEK. Be grateful, suhn." He got up. Lukhanyo walked to the kitchen and stood next to me. He stared at me waiting for me to look back. Me: "what." He took out something from his pocket and placed it on the counter. Luks: "happy valentines day..." Oh My Gosh. I had totally. Forgotten!! Me: "uhm...enkosi." I looked at the box. He opened it. A beautiful diamond bracelet sparkled. Me: "intle..." Luks: "its nothing much, just a little thank you, for sticking by me through all the bullshit. I know you deserve and will get something better than I ever offered." He turned and walked out. I felt so bad, I didn't get him anything. Except the divorce papers which will be ready on Monday. But mos Lukhanyo is like this every time I want out, he acts this way, all emotional and lonely then again wen we're fine he turns into a monster. He was so confusing. Sine walked out then Lubby. Lubb: "I'll see you.." Me: "bye..." They left.

Lubby went to Zintle's place first to fetch the boys. He knocked on her door. Zintle opened. Lubby got stuck. Zintle had taken the weave off. Her hair was afro and soft. With no make-up on her face. All natural. Her eyes glistened, lips moving but he couldn't hear a thing. He lost his speech. Zintle: "hewethu, have you gone deaf...???" He snapped out of it. Lubb: "erh...uK-khaya..khona?" Zintle: "yes. Kunin ndisithi ngena." She walked to the lounge. She was wearing tights and a big sweater with fluffy socks. He loved that look. Always have. Lubb: "I'll just stand here.." Zintle watched the tv and ignored him. Zintle: "Khaya!!!" Khaya: "still getting dressed.." Zintle: "why would you want to look like a supermodel kodwa you're going hunting? Do you even know what hunting is? Have you held a rifle? Heee, ndizokhe ndiy'bone Bawo." Khaya: "oh thanks for the faith sis.." Lubby sat down. His palms became sweaty. His knees were buckling. Zintle: "uyagodola??" Lubb: "no...no...why would

Zintle: "uyay'thand ke idrama Lubabalo, because akho sizathu soba upatazele." Lubb: "but I want to see my daughter though!" Zintle: "you will see your daughter when you're back from hunting!! DAMN." Lubb: "you damn right. Tshi..." Zintle: "thula kalok ngok." Lubb: "kanti umlo-" Khaya: "guys please!!!" Lubby breathed and calmed down. Lubb: "what you doin tonight..." Lubb: "oh...maybe.....I might drop by, read you a bedtime story.." Zintle: "I'll manage.." They looked at each other. Zintle: "I'll be okay..have fun..." Thando and Khaya walked out the room. Thando: "ready.." Khaya: "bye Zintle." Zintle: "enjoy.." They left the building. Lubb: "so uhm....uph ubhut'wakho Thando." Thando: "he's workin on some case wethu, he's in East London ubuya eksen ngomso.." Lubb: "Oh?....." He smiled. Lubb: "how cute.." He drove off to his house. The DJ had arrived the meat had arrived. The alcohol was already there. Lukhanyo and Sine were busy fixing everything. Lubby called Losta. Lubb: "my nigg, ufika nini?" Losta: "send'se ndleleni awti yam...ndiyatsha as IS." Thando: "I'm already loving it..." Luks: "Khaya, you need to come with me." Lubb: "NOBODY and I mean NOBODY touches my lawn. I'll burn your fingers purple-blue." Lukhanyo laughed. Khaya and Lukha walked to the bedroom. He closed the door and took out a box of condoms. Luks: "undimamele kakuhle Khaya. I don't want nothing to happen to you, okay? NEVER trust ez'way. Use these each and every time. And when you run out, look for me, ndikunike ezinye. DO NOT GO RAW. Uyandiva? I will knock a brick in your face, I swear." He pushed his head and wrestled him. Luks: "you ready?"

Khaya laughed. Khaya: "yes." Luks: "you can use lena iroom." Khaya: "ok." They walked out the room. Cars flooded in the neighborhood, crowds of girls stood by the gate. Losta came in and walked to the guys. Losta: "Phila uthe uyeza, and Khusta, no-Lunga. Lubb: "cool. Iphi la Gin yethu. Everybody that comes in has to take a shot." Losta: "for sure." He went to fetch the bottles and poured shots for the people who walked in. Lubb: "Gentlemen.....let the party begin." .

Khaya: "okay." Losta: "before that....you first kiss, undress and touch. Make her want you. Ungachazi ba uyi virgin uyow'nyelwa uphambane zez'way. Stall for a while, keep kissing her everywhere. Soma was at his parents' house laying on the couch with his shoes off. watching tv. Ma: "my love?" Soma: "hm?" Ma: "you haven't eaten in a while...naku kutya." Soma: "thanks mama, but I'm not hungry." Ma: "somangaye." Soma: "I'm okay ma." She kissed his forehead. Ma: "what did you want to talk to me about." She sat down, and lay his head on her lap. Soma: "I have someone I want to marry." Ma: "Wow, Soma, that is a big step." Soma: "I know ma, please leave my ear alone." Ma: "jonga, ndisusa lento..who is she?" Soma: "I met her few years back..we grew close...kakhulu, and for the first time in my whole life I was satisfied with her only. And'kabi nawo nomdla wenye icherri. I'm in love with her...when I went to jail recently...I didn't tell her, I was scared she might leave me mama...so I just disappeared. She miscarried our

baby...because of my selfishness. I would have been a father qha ndisidenge somntu esingevayo." Ma: "my tomato pie....awusosdenge tu...ungumntu. You make mistakes nawe. You're not perfect. Hopefully you learned the hard way. Xa ufuna utshata umntu mntanam, you must always put them first. Noba wenza ntoni na. I still remember when your father and I met. Yoooh, he used to fuss. About everything. Angafun nohamba netshom zakhe, ahlale yedwa. Everything he did, he said....'Was to accommodate, support and respect his future wife' I didn't know that would be me...until he asked me ba ndimtshate. We got married and 3 years later had you and your brother. That was enough for him. Ndandifuna intombi but he was too busy working to support us instead, so I put my needs aside and catered for his. It takes a whole lot of sacrifice mntanam. And you need to prepare for battleship." Soma: "damn...thanks Ma, uske ungabi deep man." Ma: "ndiyak'thanda kalok my son. So I have to give you the best. Ndimbona nini.." Soma: "I'll bring her soon, she's off ngomso, maybe we'll come have dinner with you." Ma: "I would like that." Soma: "yeah and stop kissing me in front of people, its embarrassing mama. Andimdala Bawo." Ma: "hayi mpa! I will kiss you all I like. You still my baby." Soma: "eish..." His father walked in. Ma: "Vuyisile, what are you doing here?" Dad: "this my house. i can come and go as I please. Molo nyana." And for the first time in 3 months, he was SOBER. Soma: "hey dad." Dad: "Vrou, khandiphe istulo, I wanna speak to my son." The mother got up. Ma: "ndisaya ku Nosakhele ke Soma va, unгахambi." Soma: "ok mama." She left them together. The father sat next to Soma. Dad: "I'm sorry to hear what happened to your friend...he was a good kid." Soma: "yeah well..." He looked at the tv. Dad: "don't 'yeah well' me....I hope this is a reality check for you boy, yababona abazal baka Skhura bab'hlungu njani, do you want to see us like that?" Soma: "hayi tata.." Dad: "I don't either...stop this nonsense, you're intelligent. You can do things with skill. You can create. Somangaye you're smart, that life doesn't deserve you. Killing won't make you real. Real should be taking care of your family. It should be praising God and thanking Him for blessing you with a second chance in life. Real is GOD. Not Gun. Come here...." He held his son who was in tears. Dad: "as much as I'm hurt for you, ngoSkhura. I'm glad it wasn't you. Kuzolunga nyana wam. You'll see...." Soma: "its soo painful tata...I feel like I can't breath...he left me without even warning, there's so much I wanna tell him. I can't...fault yam lena.." Dad: "ha.a Soma, its not. I know kubhlungu boy. But you have to keep strong. You're a man. I know you a sensitive bitch, but you still a man." Soma giggled. Soma: "mxm." Dad: "kuzolunga okay? Wipe those tears and turn them into gold. For your best friend. "

Soma: "yeah.." Dad: "so what did your mom say about me?" Soma: "she loves you tata, stop doing drugs." Dad: "what drugs? Marijuana is a plant. Medication. Aint no fucking drug." Soma: "yeah but wena awutshayi yona. You're on-" Dad: "Shut up boy." Soma: "mxm...I gotta go...ndiyolanda uMrs from work." Dad: "oh great, uza naye nin?" Soma: "we having dinner here tomorrow." Soma took his keys and walked down the street. A red BMW slowed down in front of him...

Chapter 456

Soma looked at the car. The window rolled down. Soma: "ndiyakwaz?" A older-looking, dark skinned guy with a scar appeared. Guy: "the name's Kaizer. Soso right?" Soma: "nah...I'm not him." Kaizer: "uyand' bhanxa??" Soma: "hehake Yesu. Andingo Soso mna." Kaizer: "look here, I'm not here to pl-" "Kukho Ingxaki madoda??" Soma's father walked up to them. Dad: "because I don't want to solve problems....in an ungodly manner. You hear?" Kaizer: "ewe bhuti." Dad: "beat it!" The car drove off. Vuyisile waited for his father and wife to come into the house. Dad: "uthen lamntu kuwe Soma?" Soma: "khayeke timer...ufuna Soso lamntu, didn't say why." Ma: "what happened now?" Soma: "some guy was aski-" Dad: "he threatened him." Ma: "WHAT!! Baby are you okay!!!" Soma stared at his father with an annoyed look. Vuyisile laughed out loud. Dad: "uk'fekethisa qithi unyoko kwedin. Moer.." Soma: "nguwe wonke lona tata man..." He took his keys... Soma: "have to go fetch Thandi emsebenzin mam'zo ne...I'll see you tomorrow." Ma: "okay nyana." Dad: "be careful ne." Soma: "ok." He got in his car, pulled down the seat. He opened the windows and rested on the down while he drove. He went to fetch his girlfriend thinking to himself, who the hell is Kaizer? And uzam'thin uSoso?.....

Lukhanyo sat with Paul, Phila and Andile. All of them had a girl on their lap. Harmless chatting. Lukhanyo lay back on the couch and looked at himself. He was rock hard. His head started spinning. Phila lay next to him. Phila: "grand?" Luks: "yeah..." Phila: "heard you broke up with the wife." Luks: "ja...we did." Phila: "why?" Luks: "she deserves better. I can't give her that. Ewe ndiyamthanda, but I don't want to put her through shit. Plus she has a new man...so that's that." Phila: "askies sani. Uzobagrand though." Luks: "ai no, for sure." Lukhanyo held the girl still. Luks: "please

She'll fuck and leave ibenguwe onetyala." Lukhanyo looked at him. Luks: "you're right." He got up and walked to fetch the keys to the car then drove to Motherwell as fast as he could. All he could think of was 'what if she rejects me.'. He parked outside. Stupid ass Polo still here! Luks: "SHIT!!!" He got out his car and decided this was a fucked up idea and he needed to leave. He turned around and got in the car But he was still drunk therefore had confidence. Luks: "I'll shoot this motherfucker right now, cimba tya mfaz kaban!" He walked knocked lightly on her window... I heard a knock and thought I was dreaming. Who the fuck? I peeped through the curtain. Lukhanyo stood there. I opened the window. Luks: "cela undivulele." I went to open the door for him and he tip toed in. Luks: "who the hell is this! Kunin elapha lihle! I want him out NOW!!!" Me: "who are you talking about?" Luks: "polo le phandle man sundenz umsunu!" Oh? Good....he's jealous. Me: "he isn't here for you. Uze kum!" Luks: "you're still my wife!" Me: "you didn't say that when you were fucking that bitch!" Luks: "I didn't fuck her. That don't own you the right to be fucking him too!" Me: "I'll bring the papers to you Monday morning. I have no time for this shit! Goodbye." Luks: "I'm not leaving till HE leaves!!! Kaka yonke leyo mos. Caba mandibesi sdenge mna." Me: "hey! Get out!" Luks: "N.O." Me: "lukhanyo don't piss me off!" Luks: "hay ftsek man Lihle nawe! Luks: "I said andiyi ndawo.." Me: "haska!! imapho ke." I turned to walk away. He grabbed me and kissed me. His cologne melted my insides, the alcohol on his lips, tongue..I couldn't resist. I've been dry too. I missed him too. He tore my top off. Literally tore it off. I was left with my underwear. He picked me up and placed me on the counter. Caressing my breasts. Luks: "where's your mother?" Me: "sleeping!" I whispered. Luks: "iyanya leye Polo ba icimba izotyiswa namhlanje makayonya." Me: "awuzom'shiyela?" Luks: "in his dreams..." I dragged him to the bedroom. Me: "there's nobody here." He didn't hesitate. He pushed me on the bed and undressed then climbed me. Luks: "why do you like to challenge me woman? Is my anger a turn on to you?" Me: "maybe...." Luks: "benisenzan noLubabalo kwela khitshi? I heard you whispering..." Me: "none of your business." Luks: "you like to do this to me ne." I kissed his neck, he entered himself slowly and groaned. Me: "shhh!" Luks: "yuuuhh.....kunin ndik'khumbula mntu wam....shit..." He came immediately. Me: "haibo?" Luks: "I missed you sooo freakin much...why you got to do this to me?" Me: "khome kqala maan.. We'll talk later." Luks: "oh fuck yes..." He kept moving. Opening my legs wider. He moaned my

name. Me: "shhh kalok baby..." Luks: "I can't.....yeeses....." He whispered. He swallowed and breathed. I climbed on top of him and started to grind in circles. Luks: "Lihle..." His hands were shaking....I went harder. Luks: "oh fuck baby....man..." Me: "keep silent!" I held my hand over his mouth and went faster. Bouncing on him. He groaned even louder. I stopped. Me: "dude!" I hissed. Luks: "I'm gonna cum." I got off and went down on him. Slurping it in. Luks: "fuck....Lihle...." I sucked and ate. He must know where gets it best. Luks: "faster...." I followed. Twirling my tongue around it. He pushed me away and came, gasping out loud.. Luks: "now tell your polo friend.....akhonto zakhe apha. Let him go. Stupid ass." I lay next to him while he wiped himself and me. Luks: "uph umama?" Me: "probably awake thanks to you." Luks: "shh...mas'lale..." He pulled me closer and cuddled. He fell asleep immediately. Luks: "I love you.." I turned around and slept.

Lubb: "iphi piece yam?" Losta: "piece?" Lubb: "ewe man uLukhanyo!" He got up and started searching frantically. It was near midnight. Soso arrived. Lubabalo was stressing. Losta: "maybe he's getting laid." Lubb: "WHERE" He bust in all the rooms. A girl grabbed his arm. "Kunin ndik'khangela?" Lubb: "nyan? Ima ke ndiyeza ngoku love." He went upstairs. Lubb: "OUUUT!!!! Mngqundu!!" A couple ran downstairs. Lubby went down to his cellar. And everywhere else he couldn't find him. Lubb: "Thixo wam uphi na lomntu!" Phila: "who you looking for?" Lubb: "me!" Phila: "oh, he went to his wife." Lubb: "huh?" Phila: "I told him to go to Lihle." Lubb: "you told him to do what?..." Phila: "she IS still his wife right?" Lubb: "of course...why didn't henever mind." He went to the lounge. Losta: "did you find him?" Lubb: "no uhambile. Car is gone. Soso, what you drink?" Soso: "water thanks." Lubb: "you have to take a shot though, then afterwards ungasela ke manzi akho angcwele." He poured him the shot. Soso drank it down. Without a reaction. They all stared at him. Losta: "uhm...Lubby, umnike amanzi?" Lubb: "no. That was it." Phila: "give him another." Soso: "nah..I'm fine thanks." Lubb: "No! You're not. Khamisa.." Losta: "I will tie you up..." He took the second shot. Lubb: "My New Nigga!!!" They started cheering for him. Lubb: "Go Soso!!! Go soso!!!" Soso: "Nah, Lubby yaz'bona ke?" Losta: "just one more.." Soso: "nah, every one will be that 'one' more!" They chilled down and started chatting Lubabalo introduced them to Soso. Lubb: "best surgeon ever." Losta: "oh?" Lubb: "kalok wena you a doctor. The best doctor. He's a surgeon, the best surgeon. Why you catching feelings?" Soso: "I need the bathroom." He got up and looked for one. When he came back they sat with a group of girls. Lubb: "ladies. This is a friend of mine, Sonwabise. He prefers the name Baby though, ask him why." Soso: "you are the worst marketer of all time. Advertise ubuxoki bodwa." Lubb: "lona ngu Busi, this is Khanya" he whispered in his ear. "Mna noLosta sesisuka pha..don't bother." Soso

giggled. Lubb: "lo ngu Amish, that's.....what's your name again sweetie?" Girl: "Qaqamba." Lubb: "oh...sounds like struggle though, mna ndizok'biza ban kengok?" Soso: "kuthen ufuna umbiza kodwa uhlel nam?" Lubb: "my man." He fist-bumped him. They sat till morning chatting. Lonwabo had disappeared to the bedroom with Busi. He didn't do much other than cuddle. Busi: "Lonwabo?" He woke up. Losta: "unguban kehok wena?" Busi: "uyanya kengoku. Get up." He got up and sat on the bed. All his clothes still on. Same with her. Losta: "we didn't.....?" Busi: "No. You fell asleep!" Losta: "my bad...some of us work though. Siyadinwa." He walked to the bathroom still stumbling, rinsed his mouth and lay back on the bed again. He stared at her. Losta: "umhle mos..." Busi: "mxm...." Losta: "khaze ndiphuze.." Busi: "no." Losta: "okay ke fine, what's your name.." Busi: "ndingu Busi.." Losta: "what happened.." Busi: "Nothing! Losta: "can we at least talk?" Busi: "talk." He stumbled up. Losta: "ndilambile bonanje..." He walked to the kitchen to make himself a meal.....Meanwhile Lukhanyo woke up the next morning alone, confused with a major hangover. Luks: "where the hell am I...." Thenjiwe walked in the bedroom. He got the shock of his life and he was still naked.....

Chapter 457

Lukhanyo covered himself. Luks: "uhm..this is not what it looks like..." Ma: "what does it look like?" Luks: "uhm....olady. I was just." Ma: "iphi imbeko? In my House still?!" Luks: "mama, its just that bendinganayo enyi ndaw yokuya, Lihle told me I can spend the night." Ma: "ayindlu ka Lihle Lena! Yeyam. After all the heartache you put her through, uzokwenza amanyala endlinam!" He couldn't answer, he was too ashamed. Ma: "uphakame unxibe, uhambe lukhanyo. Come back when you have some respect for this household!" She turned and walked out. Lukhanyo got up and dressed. He took his keys and made the bed. Now he wanted to come out but was embarrassed. Should he say something? Sorry? How was he going to look at her again. Luks: "shit!" He opened the door and walked out. Luckily she was nowhere to be seen. He got in his car and drove away. The polo was gone. He was so confused but remembered everything. He replayed it in his head. His heart was feeling warm and fuzzy. He drove to Lubby's house. Meanwhile Lonwabo and Busi were having breakfast together in bed. Losta: "so how did we end up here?" Busi: "well....you asked me ndikukhaphe uye toilet. That's what I did. When we got here, you told me you loved me with all your heart...and proposed." Losta: "Lies!" He laughed. She took out

her phone and played the Voice Notes: "yazi..it feels like our souls are connecting...I'm so in love I don't even want to pretend. My whole life will be spent bowing down to you, Busi, will you please marry me?" He laughed even louder. Losta: "hay ayindim lowo!" It played further: "ungubani?" Ndingu lonwabo baby girl." He got serious. Losta: "please delete this." Busi: "no.". Losta: "please Busi...I was drunk and I can't remember." She ate a grape. Busi: "this is a beautiful house....." Losta: "look girl, I'm not playing with you!" He tried to grab her but she jumped and ran off, he caught by the door and pinned her against the wall. Losta: "delete it...." Busi: "make me." He didn't know what to do. He was too tired to have sex again. And emotionally drained. Losta: "ufuna ndikucenge." Busi: "no...I'll delete the video...in my own time." She slipped under him and sat on the bed again to eat. He followed. Losta: "so what do you do..." Busi: "I'm an accountant. Wena?" Losta: "doctor.....what are you doing in this type of party..." Busi: "WENA what are you doing here..." Losta:"its my best friend's house. He does this to mine too...soo..." Busi: "ohh...bendikhaphe sister wam...first year student." Losta: "oh..sweet..." He lay on the bed, she removed the tray... Busi: "I want to know you.." Losta: "ndingu Losta mna." Busi: "and...." Losta: "and I fuck bitches..." Busi: "and...." He stared at her. Losta: "thought you were going to get up and leave..." Busi: "why? Just because you're honest?" Losta: "uhm..okay. Well, ndingu Gqirha. As you already know, uhm..I'm a bachelor, I live alone. I have a 2 year old daughter...what else.." Busi: "single? Wow...awuxoki phof? Baby mama yena? Abalahlwa kalok." Losta: "she died few months after the baby was born....car accident." Busi: "oh my goodness I'm so sorry." Losta: "its fine....wena?" Busi: "no kids, just my sister and mother. We live together although bendikhangela my own place. I love my career...and I love kids.." Losta: "great...I think we'll get along just fine...but about the proposal, can we...." She deleted it. Busi: "wiped out...friends?" He smiled. Busi: "how come you single?" Losta: "arg you know, dick too long, might kill someone." She laughed. Busi: "oh really? Mxm...wena.." Losta: "can I make love to my friend?" He begged. Busi: "no..." She smiled at him. Busi: "let's go check on the others." They walked out the room. Losta went to his friends. Lukhanyo sat with Lubby, Phila and Soso.. Losta: "sooo....how was it?" Luks: "so amazing.." Lubby stared at him. Luks: "yeses...oko ndivukile ndicinga lento inye like what the freakin hell.." Losta: "hehehe...hamba Lukhanyo." Luks: "kwenzeke amasimba ngok ksasa." Losta: "Pray tell!" Luks: "her mother walked in on me. Naked...richard was standing at attention enendawo ezingath zighobile..." Lonwabo fell to the floor laughing with Phila and Soso. Luks: "I cannot make this up. For real...wangena andothuka, fuck." Losta: "wathini!" Luks: "nday'fihla..but t'waz too late. The look on her face said it all. She saw it. In full view. Worse bendisa vuka kamand and stretching. Gilighidi umntu

Lubabalo was oddly quiet. Luks: "ugrand fondin." Lubb: "I want each and every motherfucker out my house. NOW." He hissed. Luks: "lubabalo what's wrong?" Lubb: "NOW!!" He got up and stormed to his room. Thulani walked in. Thulz: "and now?" Luks: "andaz unqumbeleni." Thulz: "I'll go talk to him." Thulani went after Lubby and walked into the largest bedroom in the house. The curtains weren't open. The aircon was on high. It was cold and dark. Thulz: "Lubby!" Lubabalo gave him a deadly look. Thulz: "what the fuck bro? Kwamnyama? kwabanda? Uthen ngok?" Lubb: "khaphum'eroomin yam Thulani." Thulz: "but-" Lubb: "GO." Thulani walked back out... Luks:"and..." Thulz: "let's let him cool off..." Luks: "what is he doing there?" Thulz: "sharpening a knife..." Luks: "do me a favor, call Liya and ask her to call him. Athethe naye." Thulani followed. And Liya called Lubby. He ignored the call and got up. Taking a cold shower, he wore a grey jumpsuitblack sneakers and a white sweater. He took his car keys and left the house.....

He arrived at Zintle's flat and ran up. He knocked on the door, Zintle opened. Holding Buhle in one arm. His heart warmed instantly. He held out his arms and took his daughter, sitting down with her on the Couch. Zintle didn't bother asking, she walked straight back to bed. Lubby sat in the lounge quietly with Buhle. Lubb: "zintle..." Zintle: "hm.." He got up and went to sit with her. Lubb: "setyile?" Zintle:"hm.." Lubb: "kuthen ulele nje?" Zintle: "she kept me up all night long..and akeka lali...I'm tired.." Lubb: "okay..I'll look after her for a few hours." Zintle decided to sleep. Lubby went to the kitchen and made a sandwich with Oros. He ate and went back to the bedroom. Zintle was fast asleep. He crawled onto the other side and lay on it. Zintle moved a little but was still sleeping. Lubby put Buhle on his chest and held her head gently, humming a tune till she fell asleep. He drifted off to sleep too. He was up all night. So he was tired. Zintle woke up 3 hours later and saw him sleeping with his daughter peacefully. She got up and went to bath then dressed quickly. She called Lungelo, he was supposed to be here by now. Lungelo: "hey sthandwa sam..." Zintle: "hey...thought uzobe sow'fikile." Lungelo: "I'm held up babes...kudala ndizama uphuncuka apha, I can only leave after 3, that's the time I estimated....ndifike apho at about 6..." Zintle: "but this was supposed to be our weekend." Lungelo: "I'll make it up to you...I promise love. I miss you..." Zintle: "same here..." Lungelo: "okay I have to go now, love you angel.." Zintle: "love you too." He hung up. When she walked into the room, Lubabalo stared at her. She got a massive fright. Zintle: "do you have to?!" Lubb: "he can't make it.....?" Zintle: "he's on his

way..." Lubb: "don't lie to me...he's in East London and akeka zobuya..." Zintle: "MXM!" He smiled and looked at his daughter. Lubb: "hey Princess? We gonna have fun, right?" He kissed her head and lay her down on the bed. Zintle: "I'll be in the other room studying..." Lubb: "you need help?" Zintle: "No lubabalo." Lubb: "come on, I have a degree in what you doing, let me help.." Zintle: "when I'm stuck, I'll ask." Lubb: "good. I'll wait here." She took her books to the other room.....

Lukhanyo and the guys sat in the lounge in the afternoon. He saw Khaya. Luks: "ei kwedin!!! Izapha." Khaya walked to him with the biggest grin on his face. Luks: "did you do it?" Losta: "its all over his face..." Khaya: "yes!" Luks: "binjan??" Khaya: "oh my GAHD...it was great!" Losta: "did she suck your dick?" Soso laughed. Khaya: "well no..." Losta: "damn boy...hayi usemncinci nyan..you'll be fine though. Next time." Luks: "give yourself a rest....ina...for just in case." He gave him another box. Khaya: "thanks." He left. Losta: "I don't know bout our new friend hey..." Phila: "we have 3 new friends." Lukhanyo was chatting to Stuja. Paul had disappeared during the night. Andile had gone home. Phila: "we have a business owner, a lawyer plus a surgeon." Losta: "the surgeon. Something's beating water. Furiously pha...." Phila laughed. Phila: "mxm...you're over imagining things Losta...the guy is just quiet." Losta: "bit too quiet...and calm." Phila: "I like him. Jonga yabizwa pha..." Losta looked. Losta: "no....mxm, this feeling will pass." He lay back and kept quiet. Phila shook his head. Phila: "Lonwabo? In love? Impossible!" Losta: "phila, go jump off a cliff, and'kho in love man, ndiyancoma qha." Khanya came to sit next to him. Khanya: "you vanished all night." Losta: "erhh...well...you know, my girlfriend is here...she's the violent and jealous type. So khangе ndikwazi. Kudala endijongile." Khanya: "oh..." Losta: "look I'm sorry okay? This is for your own safety...she had a tough life, she's rough. Nangok

und'jongile, if she finds out, one of us will die. And that one won't be me..." Khanya: "I understand. Nice knowing you...bye." She left him there. Phila: "nja yam..." Losta: "akho way.." Busi stared at him, he winked at her. Meanwhile, Soma and Thandi were getting ready. Thandi: "how's bout this dress?" Soma: "its beautiful..." Thandi: "no but I think its too tight, shows too much curve..." Soma: "I love it." Thandi: "what if your mother doesn't approve." She undressed and looked for another. Soma covered his face. Soma: "BABY!!!" He growled. Thandi: "if you could just HELP me pick out a perfect dress!" Soma: "nxiba jean ke!" Thandi: "no!" Soma: "Jesus Christ." Thandi: "jongalena." Soma: "lovely." Thandi: "you not even looking baby mani." Soma: "its the black and white one right? I know already." Thandi: "looks too formal ne?" Soma: "wear the white dress...makes you look innocent..." She wore the white dress and sandal. Thandi: "Now. We can go..." He got his keys and they left. Thandi: "how's my hair?" Soma: "you look like a shark. With a wig on." She hit his shoulder. Soma: "hahaa...xolo love, you look amazing. You ARE amazing." As he parked in front of the house, Soso parked his car facing Soma. They stared at each other for a while. Soma: "why would mama want to do this to me today specifically." His father walked out the house. Dad: "ooohh....shit's about to fly off the ceiling.. TELL EM!!!" Soma: "Oh God..."

Chapter 458

Soma: "okay, baby....there's something I need to tell you. My dad is on drugs. That is why, he's acting that way and if he says something offensive, don't mind him. Ne?" Thandi: "okay." They got out the car. Soma held her hand and walked inside the house. Thandi: "did you know your brother would be here." Soma: "I wouldn't have come. If I knew." Ma: "hello honey!!" She hugged and kissed him. Soma: "moom..." Ma: "hai suka tshi...hi darling." Thandi: "molo mama." Ma: "unjan." Thandi: "ndiyaphila mama, ninjan nina." Ma: "we're great, don't mind...him, he's a bit. Yeah." She looked at her husband. Ma: "hlalan phantsi." Soso walked in. Soso: "molo mama." Ma: "hi sweetie. Sit down." She went to finish cooking. Soso sat down and took out his phone. Soma lay on Thandi's shoulder chatting about nothing..he was kissing her skin and smiling shyly... Soma: "you know I love you right..." Soso stared at him sarcastically. Thandi: "and I love you too baby.." Soso looked at her surprised. Soma: "and part of the reason I brought you here is-" Ma: "Soma!! Come help me please." Soma: "be right back." He got up and went to the kitchen. Soso was still looking at Thandi. The father came inside the house. Thandi: "so you're the quiet one?" Soso: "No." Thandi: "oh..but you don't say much.." Soso: "by choice." Thandi: "why...." Soso:

"what should I say.." Thandi: "uhm...anything." Soso stared at her with low eyes and said absolutely nothing. She shifted uncomfortably. Thandi: "do you have a girlfriend.." Soso:"no.." Thandi: "how come....you look like an honest young guy." Soso: "you're a bad judge of character aren't you..." He looked back at his phone. Thandi: "why are you so cold?" Soso: "I'm not cold. Just quiet. Is there a problem?" Thandi: "I'm trying to talk to you, but awuna interest whatsoever." Soso: "okay, what you wanna talk about?" Thandi: "anything...even the weather...how's your weekend..etc." Soso: "my weekend has been fantastic until 5 minutes ago." Thandi: "how come..." He didn't answer. Thandi:"okaaay....so what did you do?" Soso: "went to a friend's party." Thandi: "oh....thought you'd be mourning your other friend, uSkhura." Soso: "why would I be mourning Skhu....." Soma walked back in and sat down. Soso: "uphi dan Skhura?" The house went quiet. Soso: "Somangaye...I asked you a question." Soma: "don't you Dare speak to me like that." Soso: "I'll speak to you however way I wanna speak to you! UPHI USKHURA!!" Soma: "he's DEAD!!" Soso: "no..." Soma: "Yes Soso! If you could just stop being selfish!" Soso: "I'm not selfish damn it!" Dad: "tell em Poi!!!" He stood next them and started boxing the air. Soma: "I sacrificed MY WHOLE LIFE for you!! And this stupid behavior is how you repay me!!" Soso: "so THAT'S what this is all about...for years on end!" Soma: "fuck yes it is. You wouldn't be what you are if it wasn't for me! I GAVE you ME!! And I didn't expect anything back besides your love! Which I did not receive. Masambe Thandiswa!!!" Dad: "oh HELL Naii you NAT!! Tell Em!!!" Soma: "TATA!! NO!! Thandi: "you have to sort this out today...if you're really serious about building a future. Fix your past." She whispered in his ear. Soma looked at his brother. Soma: "can you all give us a moment." Dad: "I am going no damn where. There's ants in this house." Thandi and the mother went to the kitchen. Soso: "what do you want from me." Soma: "Damn Soso...ndidiniwe kukwenza le shit nawe. Honestly. We're Twins! What you feel, I feel! You know this!" Soso: "you can't expect me to do this by myself though...I can't be pushing all alone! All you ever do, is come with threats and you know that's low...you always want to make a point that you can destroy me in seconds just because you made me." Dad: "YES! Its the government, I done told Themba, its the government! Its the government! Its the government! Its THEM. Tell em!!" Soma: "I don't mean to do it.....you just expect the worst from me All the time, so I give you the worst. I feel inadequate to you." Soso: "bullshit

Soma...you know you're 10 times okudlula mna." He sat down. Soso: "all my life, I've been looking for how I can be better. You aced everything. I hated you for stealing all the light. Even mama wethu preferred you over me. I'm not counting dad because he's never one sided. Uyandicap'kisa nyani." Soma: "you remember sisa khula.....? And When we turned 20." Soso: "and you met this older chick?" Soma laughed. Soso: "and every other chick after that was Ours. Not yours, not mine. And then came Thandi." Soma: "I'm sorry Soso..." Soso: "I can't blame you for falling in love, I'm not mad about that okay? I just wish you could've told me!" Soma: "she still doesn't know...." Soso: "its the past...we can't change it....I'm really sorry." Soma: "for what.." Soso: "what broke us apart..." Soma: "changing lives? I don't regret it..." Soso: "I thought you-" Soma: "look, you deserve being there. You studied hard, to be that surgeon." Soso: "but it was Your dream. Not mine." Soma: "its too late now...at least you're living that dream. And that's good enough for me.." Soso got up. Soma got up. Soso: "so what do we do now?" Soma: "I don't know..I guess we just gonna stand.." The father grabbed them both. Hugging them tightly. Soma: "Dad!!!" Dad: "shut up Boy!!!" Soso giggled. Soso: "khayeke man timer..." He let go. Dad: "ooh tell em!!!" He started dancing his way outside.

Thandi the mother sat in the kitchen. Thandi: "you have a beautiful family ma..." Ma: "oh what's beautiful doll....a drug addict for a husband....my sons hate one another. The one almost killed the other. Its a living nightmare. I prefer them angry at each other than them being nice because the slightest thing infuriates my Soso....just a small little thing. Then Soma blows off." Thandi: "but now, they're fixing things." Ma: "they do that every time. This is the 5th time and I'm afraid what if they start fighting again and one.....doesn't make it." Thandi: "hayi mama, they will. All sibilings fight, but they fight because of love." Ma: " I don't know anymore. I love them both dearly...but uSoso wam....he's a bit....different." Thandi: "different how mama?" Ma: "nothing." She wiped a tear. Ma: "he's changed, he's a believer now. No evil can do him harm." Thandi: "why are they like this..." Ma: "dear...its something I can't just share." Thandi: "I understand..." Ma: "ever since I gave birth to my boys. The prettiest creatures God ever gave me. They were too close. Since birth. Buza kuYihlo wabo, one held the other everytime they fell asleep and if they were apart, we would never get anything done." Thandi: "that is so cute.." Ma: "we marked them, Soma had a green bracelet. Soso had a blue one. Soma never ate before Soso. I tried and tried...zange tu. Uzobona nawe ngoku when we eat. Soma won't open his mouth until Soso has finished his plate. Uzow'zulisa. I bet you all my jewelry." Thandi: "but when they apart....?" Ma: "kubakho certain nights Soma doesn't eat ne?" Thandi: "well yes...usually he gets upset alale engetyanga." Ma: "check if Soso akaphangelanga na

that night." Thandi: "but.....yuuuuuh." Ma: "it sounds weird now huh? Well....Soma dreamed of being able to save lives, as a doctor. Tatakhe bought him a little doctor equipment with the coat and glasses and all. Oko wakhula nayo. Soso.....didn't want to be anything. So he chose a wrong path, when he got caught. Soma took the blame, wayobhanjwa. The money we had saved, wasicenga sise uSoso ngayo to med school. That's what we did. When Soma came out, zange baphinde bavane, nobody knows why. After that, I don't know what tore them apart. Waphinda wabhanjwa ke uSoma...ever since he came back. They've been like this. Kudala besilwa ababantu. But its getting worse each time they forgive each other." Thandi: "so Soso, went to medical school kwi ndawo ka Soma." Ma: "yes...but not AS uSoma..." Thandi: "then I wonder....what happened." Ma: "that's what confuses us nathi." They dished up. Ma: "Food's ready!" They all sat in the table. Soso prayed, they started eating. Thandi looked at Soma's plate. He hadn't touched a thing. Thandi: "Soma..." She whispered. Soma: "hm?" Thandi: "eat." Soma: "I will babe." Then she remembered. Oh yes. But WHY! Soso finished up eating. Soma took his spoon and ate his food.

Lubby was playing with his daughter and talking to her. Zintle was studying. There was a knock on the door. Zintle: "come in." Lungelo walked in. Nobody was in the lounge. Zintle walked out the other room and jumped on him. He hugged her and smiled. Lungelo: "bund'khumbula kangaka na.." Zintle: "you have no idea..." She kissed him...slowly and seductively... Luks: "babe!" He whispered. I opened the window. Me: "yes?" Luks: "cela uphume tu?" Me: "its raining!" Luks: "sohlal motwen.." I took my Gown and wore it. I wasn't wearing pajamas. When I came home, Mama was so mad.." Luks: "and'qond beyazi ba ndikhon. She walked in on me. Richard was still standing because you left me hungry for more..." He stuck a finger inside. Me: "okay..." Luks: "what...." Me: "noth-nothing..." I breathed. He knew exactly what he was doing. Luks: "ngathi aw'kwaz thetha nje...hm?" Me: "khayeke Lukhanyo ne..." He put in a second finger and rubbed me with his palm. Luks: "undiqalile njena. You're the one that came to me naked." I was throbbing on his hand. Luks: "shiit...khazapha Lihle." He dragged his chair back and pulled me on top of him. He zipped down and took out an extended Richard hungry to eat. I sat on him. Luks: "oh mntu wam." Me: "baby.....this is a sports car not Range Rover...I can hardly move!" He pulled down his chair and lay me in top of him. Luks: "just fuck me baby...mayonya le moto." I rode him slowly...but I wasn't getting it fully, so I went harder. Luks: "yeess!!!!" I took off the gown. Sitting my behind up and down. Kissing his wet cold lips. The windows were steamed up. It was heating in the car. Luks: "faster...." I followed his order. Luks: "honey..." Me: "baby..." My liquid rushed out immediately. Luks: "ohh yess!!! Baby...izaa..." He was breathing heavily. Almost there...I stopped. Luks: "you're the only person capable of killing me....and right now. Uyand'bulala sana..." I moved slowly. Luks: "khenze kalok baby...I'm almost there." I went round in circles...he held my breasts. Groaning out loud. Then He came...silently. Me: "xolo va..." He grabbed my head and kissed me, it was a long sweet passionate kiss. It told a love story. It Remembered him of the first days they met. The creation of their children, their wedding, the rocky marriage, the pain, death in his family..she'd stayed and protected him. Tears flowed down his cheeks. Luks: "I'm soo sorry Lihle." Me: "haibo Lukhanyo...why are you crying..." Luks: "this shouldn't be happening...we belong in our own house with our beautiful family. Not

I call you again, and we talk real nice on the phone..I come over, we chill.. We basically had the greatest time. Until you said "uy'fumanaphi yonke le energy" that tore me apart in so many ways Thandi I couldn't explain. When I asked him, he said 'mas'yeke sani, I think we should do separate things' now, he never elaborated on "separate things" but it was clear-" Thandi: "so wait....." Soma: "lemme finish Bae...I didn't want to let go. He didn't want to let go.. We fought. So badly waphants'und'bulala saying how come I must always get the best of everything.

He held the gun to my face ready and willing to shoot me dead. In front of our parents. Wacengwa ub'suku bonke. Partly why my father is on drugs because he could never bare to see his children do this. Mama yena, zange aphinde abe right, that's why she fusses over me that way. Siyathandwa soy2 endlin..but they'll never forget that night. Ever. So. I left, ndayokwenza ezam, I knew I would come back ndizothetha nawe and tell you what happened. But then ndabhanjwa again. Ndandimincile angazi kuwe...ndandingakwaz ulala thinking he'd come back for you. This is why when I came to you that night I said "I'll respect whatever is going on in your life" I was so sure that he told you everything. So yeah, that's us.." Thandi: "this rule of Soso, eating first...." Soma: "uy'vephi lonto?" Thandi: "your mothe-" Soma: "yeyes umama! Its nothing!" Thandi: "if he always eats first....that means....." Soma: "baby...I didn't know he did, he never told me. We can't be sure about that." Thandi: "Soma..." Soma: "baby, cela sidlule k'lento its making me uncomfortable. Soso will be fine." Thandi: "I doubt that...would he stay single this long...andim'thembanga." Soma: "he's a born again. Okay? He won't harm us...he's just waiting for the right girl." Thandi: "ok." Soma: "forgive me?" Thandi: "No Soma. I don't. You should have told me!" Soma: "I know babes...and I'm sorry. I knew you'd react like this." Thandi: "you were going to tell me something...why we went to your parents house." Soma: "Thandiswa...I'm unprepared. You caught me off guard." Thandi: "prepare for what! You're still hiding things from me!" Soma: "I'm not hiding anything...I just wanted to introduce you to my parents qha." Thandi: "that's it?" Soma: "yes..." He whispered. Thandi: "okay." She got up and went to her bedroom.

Soma woke up late, he had slept on the couch. Thandi left a note for him: 'Food in oven. Gone to church.' He got up and went to the kitchen. He saw the food and walked away. He wasn't hungry. Soma lay on the couch for a couple of minutes until Thandi walked in. Thandi: "oko ulele?" Soma: "just got up.." Thandi: "kodwa Somangaye why don't you fold the blankets and put it away?" Soma: "but I'm still laying though.." Thandi: "mxm...utyile?" Soma: "nah..ndigrand." She picked up the remote and switched off the tv. Thandi: "please get up. I'll cook, you clean." Soma: "baabbe..." He sulked. Thandi: "hayi soma, get up!" He dragged himself up and started cleaning. Thandi went to start on the pots. Soma's phone rang again. Soma: "Hello?" Soma: "the problem is andifun uyiva, if God really loved me, He wouldn't have taken my best friend!" Soso: "okay Soma...I understand the way you feel. But this was a lesson to you.." Soma: "Sonwabise..." Soso: "God didn't do this to hurt you on purpose..khazame uxola..maybe not yet, but sooner or later you have to start accepting it. Okay?" Soma kept quiet. Soso: "awufun chocolate?" Soma nodded. Soso: "awuy'thandi." Soma: "uthen ku Thandi.." Soso: "nothing." Soma: "don't lie to me. Ndim'chazele everything kemna." Soma: "what are you planning Soso?" Soso: "let's take a drive..."

Lubabalo woke up and looked around. He was a bit lost. A lot lost. He got up and walked out the bedroom. Sizwe walked up behind him. Lubb: "Jesus Christ!" Sizwe: "Good Afternoon to you too." Lubb: "Ta Seez, you scared me out my shell! Shit." Sizwe: "you drank yourself to sleep....or you don't remember? Fike apha unxile uyikaka. Where's Sine?" Lubb: "sendlin somewhere..." I feel like a waste of space, skin and oxygen. I mean.....I got everything you know? Literally everything. But I'm still not happy!!" Sizwe: "what is making you unhappy?" Lubb: "noba yile mali inintsi. Its fuckin wit me..." Sizwe: "I know what you should do..take one long bath. Siyahamba." Lubb: "where we headed?" Sizwe: "to the farm." Lubb: "why would I want to be in a stupid farm?" Sizwe: "eii! That's your grandfather's farm. Maybe it'll teach you a little struggle...you need to be in a place you can't use money for jack shit!" Lubb: "I think I'll pass...take Luks with you...him and his wife. They will have fun." Sizwe: "haska....Lukhanyo will just pass out in an hour." Lubby laughed. Sizwe: "what's funny?" Lubb: "the thought of Lukha passing out is quite funny. Imagine him jiggling like jelly to the ground..falls down, Boom! Eyes closed, tongue out style." Sizwe laughed. Sizwe: "kodwa usile kwedin." Sizwe: "oh...now I see. So what's the problem?" Lubb: "problem with these two, xakumandi..they literally shut everyone out. When things get rough, they run in all directions like headless chickens. I don't mind them being together, but the least they could do is not cut us off like strings." Sizwe: "is that green? All over your face?" Lubb: "are you kidding me Ta Seez? I'm not jealous, just a bit annoyed." Sizwe: "did you tell him?" Lubb: "Lukhanyo une drama kakhulu uzocimba I want his wife kanti nahh...that ship has sailed to China." Sizwe: "and you don't..." Lubb: "Ta Seez, we're trailing off the subject ngoku!" Sizwe:"okay nyana..ndiyakuva yonke le shit uy'thethayo. So go bath sibenohhamba sishiye el'Bhayi likudikayo." Lubby went to bath. Lubb: "ndizonxibanton?" Sizwe: "you're fine olohlobo. Come.." Lubby dressed and ate a little. Lubb: "ready." Sizwe: "okay, masambe ke." He took his fishing rod with and one for Lubby. They drove out of Port Elizabeth, spotting a dam. Lubb: "let's fish here!!" Sizwe: "honestly? Khayeke excitement..we'll try the next one." They drove further and Sizwe parked. Taking out the rods and walked down the foot path. Lubb: "I should buy a boat." Sizwe: "a Yacht...we'll go sailing on weekends." Lubb: "yeah...soy'bona buya kwethu...I don't even know how to fish." Sizwe: "okay, let me teach you. Bamba apha." Lubb: "if something so much as bites me. I'm out this bitch. I can't even deal." Sizwe: "mxm! Khabambe man! Gwala qithi!" Lubb: "ndiryt mos Ta Seez." Lubb: "shhh....I think I caught something!" Sizwe: "Yes because Fish can hear

me. Pull it up." Lubb: "how!" Sizwe took the rod from him. Lubb: "we gonn set a little campfire and fry it, right?" Sizwe: "no.....we're letting it go." He dropped the fish again and let it swim away. Sizwe: "first rule is sacrifice. Letting go of what's important to you. Kuwe yi-meal leya, but its God's creation. He created it to live. Are you hungry?" Lubb: "No." Sizwe: "then don't be greedy. Let's pack up and go..." Lubby helped him. Sizwe: "you have a long way to go son. But it'll be worth it." Lubb: "let's hope..." Meanwhile Lukhanyo and Lihle were out with the Babies. Me: "Chuma ubuya nin?" Luks: "I'm letting him stay with his mother." Me: "hayi kengok Why?" Lukhanyo walked into the house. Luks: "Every single breathing soul. OUT!!!" People walked out the house quickly. Luks: "kushiyeke abalapha!!" He roared. Phila, Thulani, Paul, Sine, Khaya and Thando stayed. Stuja too. Luks: "now...what the fuck happened?!" Phila: "few windows broke...and there's green paint outside the wall mixed with alcohol." Lukhanyo went to check. Luks: "Lord, have mercy on all your souls because Lubabalo will murder us!!" The police walked to them. Police: "you're the owner of the house right? Lubabalo Morrison? Well we've had a few complaints, about noise. Seemingly your party got out of hand Sir..you ignored the complaints. Therefore some of your neighbors reported you. You're facing a fine of up to almost 10 grand." Luks: "that is fucking ridiculous!!!" Police: "not that its any of my business but it shouldn't be a problem because you can afford it." Lukhanyo signed. Police: "payment should be made within 7 business days, or you will be taken to court." He turned around and left. Lukhanyo stared at the guys. Luks: "Lubabalo is officially going to knock us dead." Thulz: "not if we fix the place before he gets here." Phila: "yeah, I can do the painting.." Thulz: "I'll replace broken things." The two boys were

still drunk(thando and khaya). Sine: "we'll clean up." Luks: "nah...we hired cleaners zifika tomorrow. Uphi uLubabalo!!" Thulani tried to call him. Thulz: "it keeps cutting off, ayi ring or even voicemail." Phila: "do you think he's okay?" Luks: "if benzeke something, I'd know..yeses...this place is a mess." Phila: "I'll stay for the rest of the day until tomorrow 6am. I have to go to work." Luks: "ja, I'll help you from 6am lowo nam..." Khaya: "ungu Legend. I have never....felt so alive. So good...so confident. Shit...that girl was screaming my name...and it felt soo goo-" Luks: "ok...too much info...ambolala!!! Talk bout being confident. Nx" Thulani helped them to the bedroom. Luks: "what the fuck is that?" He stared at the roof. Phila: "oh my fuck...." There was paint on the ceiling and walls. Luks: "I have never been so afraid of my own brother. Kuzofa umntu QHA." Phila: "eish Lukhanyo...suy'thetha lonto." Luks: "I still have to take care of this stupid fine....Thulani!" Thulz: "ja?" They walked to the cellar together. Luks: "vala umnyango. Utixe." He stood next to the couch and moved it toward the door. Thulz: "what we looking for?" Luks: "mali yethu. We need to fix this house!" He opened the basement and hopped in. Thulz: "how much money do you think is down there?" Luks: "something over a mil, izobona." Thulani went in. Thulz: "fuucck...Lubabalo uphambene na!!!" He yelled. Luks: "khathule man. " Thulz: "should this house burn down. All this money is gone. What ever happened to banks?" Luks: "maybe ayikho semthethwen. Masiye." They went out again. Thulz: "got what you need?" Luks: "yes. Ndizom'chazel ubuya kwakhe kakuhle." They closed and locked the basement, pushing the couch back to where it was.

Lubabalo and Sizwe were at the farm. Lubby stood by the gate and refused plain and simple to go in. Sizwe: "Lubabalo, khangene man!" Lubb: "errh...excuse you? Do you understand how much these sneakers cost? Haha choo choo. Totally not happening." Sizwe: "am I going to have to drag you in here?" Lubb: "Ta Seez? I'd rather hang myself." The grandfather walked out. Carrying a pair of old boots. Granddad: "m-myeke maan Sizwe..ina nyana." He croaked. Lubb: "you must be kidding me." Sizwe: "look at his feet." Lubby noticed the grandfather was walking bare. He had taken off his own to give to him. His heart tore a bit. Lubb: "I didn't mean it like that.." Sizwe: "Understanding. Your next task." Lubabalo took off his sneakers and gave them to grandpa. Lubb: "my grand daddy is fly as a mofa...stop hatin..." Granddad: "mxm kwedin." He chuckled. Sizwe: "iza, we starting with the sheep." He went to the kitchen and drank water then left with his elders. Lubb: "what are we having?" Sizwe: "chicken." Lubb: "oh cute." The grandfather opened the chicken kennel. They all ran out. Sizwe: "pick one and catch it." Lubb: "Hayi kengok Ta Seez. Can't we go to Spar or even better KFC ????" Sizwe: "no. On this farm we only eat what we catch and kill ourselves." Lubb: "running around after a chicken though....I don't know hey." Sizwe: "kuzolamba wena. Better do it before it becomes dark.....third task, Patience." Lubb: "that is a deep weakness. When it comes to Lubby. It doesn't even have back up." Sizwe: "well....you'll have to change it." Lubby ran after one. He ran until he fell. Lubb: "oh crap!" Sizwe: "I'm sorry princess did you ruin your nails?" Lubb: "esshee.." He ran after one, grabbed its leg but it got away. Lubb: "Fuck Damn!! Get your stupid jumpy ass back here!!" He was frustrated and annoyed. Lubb: "Good God!!" Sizwe: "Patience!!" Lubby stood still. He waited till it was near him and he grabbed it. Lubb: "HA!! In. Your. Face!" He handed the chicken to Sizwe. Lubb: "cool let's go!" Sizwe: "you're not done...that's not patience....its tolerance. You knew you had to wait. Sacrifice your time, to understand the situation. Patience will reward you. Your chicken. And when you have it. You don't say 'in your face' You appreciate it. Catch another." Lubb: "but Ta Seez. I'm tired." Sizwe: "Patience." Lubb: "urrgg...." He went back to catch another, it took him longer but he waited until he caught it. Lubb: "here it is.." Sizwe: "you're getting there...now...be careful zingaphumi...kuphume wena wedwa." Lubb: "kodwa Ta Seez, ziqavile ez'way." Sizwe: "you're a civil engineer. You'll think of a way." Lubb: "a way? Really?" Sizwe: "sarcasm will get you nowhere.

Iza. Siyoxhela sitye." Lubabalo walked out carefully. Grandfather closed it behind him. Sizwe: "two chickens? I'm impressed." Granddad: "nam ngokunjalo." They entered the little house and chopped up the chicken. Grandfather cooked them, when it was done they ate. Granddad: "ingathi ngowuyolala. Kuyavukwa ngomso. Sokwenzi brak'fesi siye nase marikeni." Lubb: "can I take a bath?" Sizwe: "sure thing." He boiled water in a kettle and gave him a little zinc bath tub. Lubabalo stared at him. Granddad: "kange uthi ufunu vasa?" Lubb: "yeah that's the problem...I don't know if I'm going to fit.....in there." Sizwe laughed. Granddad: "makancanywe lo."

Soma got to Thandi's place really late. She kept quiet though. Didn't utter a sound. Soma: "babes I'm sorry." She occupied herself with other things. Soma: "love...boo....Thandi? Sine smiled as he drifted around the curve. Luks: "there...not so hard.." Sine: "ndimise phi.." Luks: "ngena kwi drive thru." They bought their meals and for the workers at the house. Sine drove off. Doc: "what can I do for you?" Luks: "uhm...I don't know I just feel I need to be here.." Doc: "how's your wife?" He took his notebook and started writing. Luks: "well....I kind of cheated. We broke up...a lot has happened. I got in a car accident...and i suggested divorce." Doc: "why." Luks: "she deserves better. I can't ever change. This is my personality. Its in my blood. We recently got back together...it has been amazing." Doc: "and have you told her this?" Luks: "no...I don't want to lose her. Ricky, I just want to myself. She completes me." Doc: "this is not healthy. To yourself and her. You can't keep repeating the same things, she's going to keep running away." Luks: "not if you help me." Doc: "I'm not a magician Mr Lukhanyo. If you want help, you need to do it yourself." Luks: "but you're my doctor." Doc: "yes I am. Lukhanyo, if you can't fix your mistakes by yourself, learn to appreciate you and stand on your own. How can you expect someone else to?" Luks: "she's my Wife. That's her duty." Doc: "you make it sound like she's your slave.." Luks: "I don't know what you on about." Doc: "at least sit down and speak to her about your relationship. Regularly, communication is always the key to any successful relationship." Luks: "we do talk!" Doc: "there's no need to be frustrated..relax." Luks: "I know I'm going to do better for her." Doc: "I'm glad you're determined to change. Look, I want you to read this book when you have got the chance." Luks: "what's it about." Doc: "read it." Luks: "I need to....go." He got up and walked out. Luks: "mxm!" He got in his car and drove home to his babies. He missed Chumani. Lukhanyo drove to his day care to fetch him and Junior. Chuma: "tataaa!!!" Luks: "nyana wam!" He picked them up. Luks: "daddy's still hurt boys...masambeni." He drove home....

Sizwe: "you need to be humble for certain things Lubabalo. To appreciate. You had things easy, le attitude yakho yokungoneli will have severe consequences." Lubb: "I know I hurt people..a lot of people. Especially the two women that carry my babies for me." Sizwe: "because you're never fully satisfied." Lubb: "yeah.." Sizwe: "why aren't you settled with Liya?" Lubb: "I don't know. I just can't." Sizwe: "because awoneli...let's sit here.." They sat down. Sizwe: "you can't live life comparing yourself to your brother, he's him. He has a family. Make yourself your own man, nawe uzokonwaba if you just focus. Look at me?...I loved Thenji, I still do. And stops waiting for your sorry self?" Lubb: "I don't have answers for myself right now.." Sizwe: "okay. But all I'm saying is women have a limit to their love. You do not want to push it....come, let's go." It was getting dark. They walked back slowly. Sizwe: "have you seen ngcwaba lika tanci wakho?" Lubb: "nah.." Chapter 465

Soma: "what the fuck are you doing?" Soso: "shh..." He aimed with his tongue out and shot twice. He burst the wheels of the BMW. Soma: "masambe....think I heard cops." Soma drove off. Soma: "where to?" Soso: "uya ku Thandi wena, drop me off at my place. Uthathe le yam." Soma drove to Soso's house. Soma: "what was that about?" Soso: "old skeletons. Suppose ndaz'susa kdala." Soso: "look I do whatever it takes to save my blood from spilling okay? And ooKaizer don't think twice. I did this to protect you!" Soma: "what about you!"

Soso: "Stop fighting me man!! Fuck!" They kept quiet. Soma drove into the driveway and got out the car. Soso grabbed him and pushed against the wall. Soso: "you better lose that fucking attitude!!" Soma: "you can't tell me what to do!" Soso: "The Fuck I can! Hlel nje you gotta fight me on everything!" Soma: "fighting you? When I'm worried I'm fighting?!" Soso: "I can handle this shit Somangaye! Soso: "okay." He shook his hand, bumped the fist and held his chest. Soma: "sharp." Soma drove home to his girlfriend. She just got out the bath. She opened the door for him, dripping wet. He locked and grabbed her body. Carrying her to the couch. He sat her on his lap, sucking on her neck. Her skin was smooth and moist. Everything shaved. She took off his sweater, unbuckling his pants. Thandi: "baby.." Soma: "Yes??" He rubbed two fingers on her. She held his face and kissed him. Getting off and kneeling on the couch. Soma stood behind her and entered slowly...

Busi: "I'm in a relationship Lonwabo...we're friends, if you can't accept that then you better stop calling me at irregular times of the night." Losta: "okay no I understand...so, can I take you out for breakfast tomorrow?" Busi: "I have a meeting at 08:00am. Will you be available ngo11?" Losta: "totally. Sizoya phi?" Busi: "surprise me.." He blushed over the phone. Losta: "okay...what kinda flowers you like?" Busi: "why are you so nervous? Buza lento ufuna uyazi.." Losta: "uzand'phoxa wena..." Busi: "try me..." Busi: "save your petrol Lonwabo. And Sleep." Losta: "Yes ma'am...goodnight then." Busi: "night tshomam." He hung up. Losta: "mxm..." He felt like growling out loud. Why couldn't she understand this! He switched off the light and slept. He started having Lucid dreams. He saw her walking toward him. Liyema. He couldn't help crying...she spoke to him. "Ulilelani Lonwabo?" He couldn't answer her. His chest pained. She: "don't give up...ever. Uyazaz nawe womelele. You deserve this." Losta: "Liyema..." She smiled and walked away. He opened his eyes. Suddenly he didn't want to be alone. Dreams about her upset him severely. She was the reason he didn't want to love again. How dare she tell me this now. He thought to himself. In the midst of his silent tears, he fell asleep.....

Chapter 466

Tuesday morning...

I woke up early. My arm and shoulder hurt a little, I got in the shower and got dressed after. Faded jeans and sneakers. A vest also. At 4 today I had to take the polo back and fetch my Benz. Lukhanyo was bathing Chuma. I made the bed quick and took out clothes for him, made lunch and breakfast. Me: "uhm, ndiyahamba ngoku." Luks: "I think Lutha sandovuka." I could hear my Boy goggling a few sounds. Mainly dada. So I went to him. The nanny arrived just in time. Lukha dressed Chumani and himself. Me: "andikaba vasi sisi, they just woke up." Nanny: "kulungile, I'll take it from here." I took my bag and laptop. Me: "ndimnkile Lukhanyo." He got up, held my

arm and walked me outside. Luks: "Lihle...you know damn well. I hate it when you come back ngobusuku. You know I hate it when you don't pick up your phone, I don't care what you doing where. Lazi ixesha longena k'la mnyango." He kissed my cheek. Luks: "enjoy your day." Then walked back into the house. I drove to Mandy's place. She was showering, Anda was watching television. He had just come back from gym. Mandy dressed. Mandy: "Anda!" Anda: "ja?" Mandy: "don't ja me...how many times must I beg you to do something?" Anda: "iyawa yinton ngok?" Mandy: "you have no motivation whatsoever to do anything! Next thing kufika bantu apha banging on our doors and you tell me not to worry." Anda: "so why you stressing?" Mandy: "I'm stressing because it bothers me! What are you doing? Isuka phi imali onayo? I want you to have goals, to work! Make your mother proud but awumameli kwanto endiy'thethayo." Anda: "and if I enjoy sitting here." Mandy: "sitting there and watching tv all fucking day is a Turn Off!" Anda: "why do I need to work when I already have money?" Mandy: "IVELAPHI???" Anda: "kuthen ik'thukuthezela nje?!" Mandy: "oh so kuwe if I disappear on certain nights and come back with money that's gonna make you happy!" Anda: "mxm." Mandy: "Anda, what are you doing!" Anda: "ndili Gintsa Mandy! There! Now you fucking know!" Mandy: "whhaat???" Anda: "I'm sick and tired of these stupid motivational movies you bring nez'ncwadi. I'm fine with what I do!" Mandy: "when the cops come looking for you, when your enemies come looking for you. Kuzo attack'wer nam? Mnqundu lowo." Anda: "ithetha uk'thin kengok lonto." Mandy: "ucimba uzohlala naban uyilonto? How do I even begin to relax? Introduce you kwabazali bam?" Anda: "uyandonyanya ngok?" Mandy: "just get out of my face! Can't believe you LIED to me all this damn time! You've been hiding this shit from me!" Anda took his keys and left. I bumped into him in the porch. I knocked on the door. Mandy: "come in." Me: "hey...you okay?" Mandy: "can you believe him! All along uzenza ingelosi kanti he's stealing from people!!! Gracious Lord, he disgusts me!" Kanene she never knew Anda was a thug. Ouch. Me: "maybe, if you could hear him out. Niyathandana njena.." Mandy: "andinohlala na gintsa endlinam mna Lihle. And'cingi." Me: "mtshana ngumntu wakho lowa kodwa...he loves you and will protect you." Mandy: "this meeting isn't about Anda or my relationship. Ndithe Andizohlala na tsotsi endlinam mna. End of story. Did you rent the chairs?" Boom, end of topic..

Sizwe got to Port Elizabeth around 10. He went to his house to feed his dogs and open his house. Sizwe cleaned a little and took clothes for himself. Then drove to Smilo's place. He knocked and walked in. Sizwe: "molo.." Smilo: "heee, une moto entsha ngoku." Sizwe: "moto ka Lubby Lena. What you up to?" Smilo: "so you know where he is?" Sizwe: "ewe. Yinton dan?" Smilo: "upha kuwe?" Sizwe: "nah ukowabo eFarma."

Smilo: "this is the second time, you're doing this! First nge engagement yale ntwana, no wonder he's so fucking confused. You're a BAD influence." Sizwe got up and walked out. He got in the car and drove off immediately.

Lubabalo was sitting with John the cow. He was milking him and singing. Granny: "mntanam." Lubb: "makhul?" Granny: "uthetha naban?" Lubb: "noJohn makhulu." Granny: "kuthen ezobangu John?" Lubb: "sizombeka apha Tamkhulu." The pig wailed in labour. Lubb: "oh my God, I cannot watch." Granddad: "lubabalo, izapha man!" He helped the grandfather. The pig gave birth to the first piglet. Lubby wrapped it in the towel. Granddad: "kwedin beka lonto pha phantsi awukaqibi!" The second piglet came out. Lubb: "ncaaw..jonga uyoncanca ibele. Uyazelaphi? Yuh ziqavile ez'zinto." Mandy switched off the tv, took out her laptop and continued planning the saturday event. Nwabisa and Weza came over to help. Nwabi: "hee peto uphi uAnda?" Mandy: "we broke up." Weza: "Why?" Mandy: "hayi man, its just over qha!" Nwabi: "hayi mtshana...we're your friends njena...we're here for you, sizok'supporter. Is he still cheating?" Mandy: "what do you mean Still? She missed him already. Maybe if they spoke and came to an agreement. She stopped herself and called her grandmother instead.....

Lukhanyo got out the car and took Chuma inside. Sbosh hugged her child and took him to the lounge. Luks: "ikhona ineed yoba kwrada?" Sbosh: "lukhanyo. Oyena mntu ukrwada nguwe." The babies were sitting by the tv making a noise. Smilo and Lukhanyo walked in. I took out the plates and wiped them getting ready to dish up. Luhle had crawled to a cupboard and was trying to open it. I knew for a fact, she wouldn't be able to. I dished up and took the trays to the men. I went to fetch my daughter and son, bathed and dressed them. Lukhanyo came into the bedroom. Luks: "babes." Me: "yes?" Luks: "ndicimba uqumbile, what's up?" Me: "nothing...ndidiniwe qha." " Luks: "no problem. Masamben my little munchkins." He put each twin under his arm and raced out the room. I took out my books and laptop. First I had to contact Mandy for an update,

couldn't go to her because of Lukhanyo's obsessive "don't be late" syndrome. She sounded upset but she didn't want to talk about Anda. Mandy: "Weza will organize the waiters, what time will the chairs arrive? La function iqala ngo 10 on Saturday morning." Me: "I told them by 6am, so that we can do the whole setting up thing." Mandy: "are you okay?" Me: "yeah ndidiniwe qha." Mandy: "can you come over?" Me: "I can't leave here, wena iza ngapha.." Mandy: "okay, give me 20." I hung up. At least I would have someone to talk to. I heard the front door open. And a voice. Luks: "ekse Anda fethu." Are you fucking kidding me!! I called Mandy back and told her. Me: "peto, he's here." Mandy: "damn..well okay." Me: "I'll try and come over.." Mandy: "ungaz'hluphi kakhulu mtshana." Me: "alright." I went to Lukhanyo. Me: "can we talk a bit?" Luks: "yeah what's up?" Me: "errh...Mandy is a bit upset and ndifuna uya kuye, I'll be 2 hours maximum." Luks: "at this time?" Me: "its only 8." Luks: "yeah, ubuye ngo 10? Nah." Me: "she's my friend." Luks: "and you're my wife babe, I won't have my wife driving around at night. Kange uthi uzofunda?" He walked back to the Lounge...

They put that trap in order to catch you all. If uyile, they'll take you too. But its your decision. Khumbula ke wena usene responsibility yomngcwabo. And Thandi, but most importantly abazali bethu. Your choice...."

Chapter 468

I woke up in the middle of the night. Lukhanyo packed my books away. He was using my laptop though. I got up and undressed then hopped back into bed taking a glimpse of what he was doing. But shame he was on the internet. Looking at cars. Khona uy'sephi Range Rover yakhe. I closed my eyes to sleep. He wrapped himself around me. Luks: "my wife." Me: "hm..." Luks: "khavuke kalok." He entered right after me. Luks: "can I join you?" Me: "you're already inside..." Luks: "I'll wash you back." Me: "Lukhanyo uzondenza late yazi." Luks: "nguwe ovuke late." It was impossible to ignore him because he spoke for a while. I got out the shower and took out clothes. He followed. Luks: "baby jonga." Me: "not now Lukhanyo I'm busy. Uy'bekephi ncwadi yam?" Luks: "in the drawer..." I packed my bag quickly. He dressed and went to make breakfast. It was 7... I walked to the

Me: "class!" Luks: "without giving me a kiss?" I kissed him and drove off. Luks: "why are you acting weird?" He asked himself. The nanny arrived. Luks: "molo sisi, abeka vuki ke kodwa." Nanny: "akhongxaki ndizoske ndibalungiselele lomzuzu." He took his food and went back to the bedroom to chill.

Chapter 469

I came back early from school, Lukhanyo was cooking dinner. I knew when he's in the kitchen, he pulls out all the stops. Me: "hello.." Luks: "hey my love, iza ndiphuze kalok." I kissed his cheek. Luks: "diniwe?" Me: "kinda.." Luks: "I'll run a quick bath,

ima apha." He walked quickly to the bathroom. I stood still because I was told not to move. He came back a while later. Luks: "Mrs Lukhanyo, this way please." He bowed. I walked after him. The bathroom was smelling real nice. Rose petals floating in the water. He kissed my shoulder and undressed me. I walked in the bath and relaxed. Lukhanyo walked back to the kitchen to finish his masterpiece. The chicken, wedges and corn were in the oven. He cooked the rice and made salad on the side. I got out the bath, wore my pajamas and sat with the twins. Lutha was sitting on his bum watching television and screaming. I wanted to sleep so bad. Luks: "binjan mini yakho?" Me: "great, yours.." Luks: "amazing, can we change cars for tomorrow? Ndifun uhamba nabo, we're going to the park." Me: "ok." Luks: "honey." Me: "yes...." Luks: "kuthen unje? I'm trying here but uyand'valela.". Me: "its not you baby, I'm just tired." Luks: "I'm almost done." I thought of taking a nap but Thulani and Namhla came in. Thulz: "molweni." Me: "hey.." Namhla: "hey mntase nton ngath yagula?" Me: "ndidiniwe Yazi." Namhla: "then just relax, wonwabile wena you've got a domestic husband. Lonto yay'shaya ntoyakho kwelo khitshi Ta Luks, it smells heavenly." Luks: "enkosi Namhla, ungafundisi uThulani njena." Me: "where's Junior?" Thulz: "kumamakhe." Lutha was already pulling on his jeans. Thulz: "yathand utsalana nam wena kwedin." He picked him up. Luks: "oko sincokola namhlanje." Namhla and I sat together and chatted, she showed me her ring. Me: "ndiyak'vuyela mna mntase. I'm happy he's treating you like a princess hey." Namhla: "yeah..nam ndiyavuya." Me: "how's school? Friends?" Namhla: "iyyoo! Yidrama yodwa. Kukho into ezifuna ustrike'isa for busary. But ke andingen mna so andaz...do you remember uBompi?" Me: "of course I do, lo bemithi?" Namhla: "kanye yena, uzom'gcina ke umntana shame, bathethile nela nyawo lendodakhe. They're fine." Me: "that's good, kodwa wena awumthand umntana bantu." Namhla: "hayi Lihle, uryt for yena. Bafanelene." Luks: "cela sizen etafileni." We went to sit. Lutha on my lap, he held Lühle. Luks: "can we pray?" We closed our eyes. Luks: "Lord, we thank You. For the food we are about to eat. I thank You personally for my beautiful family and may You continue to Bless you with many dinners like these. In Your Holy name, Amen." When I opened my eyes. Lutha had my piece on chicken in his hand and mouth. Me: "dude!" Luks: "that's my boy! Mxelele uyindoda wena, udikiwe yipapa." We had a lovely dinner as a matter of fact...

Lonwabo and Busi were eating wings and playing video games. Losta: "hehe, you know what I like?" Busi: "what..." Losta: "icherri ingabi fancy..okay occasionally yes, but xanihlel kunye abe comfortable, you know. Hair tied up messy, no make-up and my sweater on her. Its cute." Busi: "I'm only wearing your sweater because undicithele nge juice." Losta: "I still love it, lonto uyatya man..jonga uqibe nezi zam

He held her head, turning her towards him and kissed her lips. She held his face closer to hers. Finally he was winning...his heart started flipping backwards. Until she stopped. Losta: "Busi I'm in love with you...I swear...you're the only one I want to live for. Ndicela undiphe ichance. Please?" Busi: "this was a mistake Lonwabo. I can't do this to Kevin. He's been nothing but good to me." Losta: "uzom'xelela inyani..Busi I know you feel the same way." Busi: "I'm sorry." Losta: "but the kiss? What was that for.." Busi: "its been a while I've been this close to someone. It shouldn't have happened. uxolo man Lonwabo...this is getting abit....complicated and I think its best we paused calling each other." Losta: "but Busi-" Busi: "I belong to Kevin! He wants to marry me. I can't leave him for a playboy." Losta: "come on that's unfair!" Busi: "I can't Lonwabo...." Losta: "kodwa uyandithanda Busi. Admit it." She looked away with tears in her eyes. Losta: "we spend a lot of time together, we click....give me just one week and I swea-" Busi: "No." She got up and took her things. Losta: "busi!!!" She got in her car and drove home. As soon as she got to her mother's house, she locked herself in the bedroom in tears. Realizing she still had Lonwabo's sweater on. She held it for comfort....she wanted to, but couldn't....something he won't Ever understand.....

Lubabalo and Sizwe drove to Smilo's house, they had just arrived in Port Elizabeth. Lubby was already agitated and fidgety. Sizwe: "you okay?" Lubb: "No." Sizwe: "remember what I taught you Lubabalo. Sacrifice, Understanding, Patience.....now you have to Accept there's things in life you can't change." Lubb: "5th rule?" Sizwe: "you'll find that out yourself...Appreciating what you have" He parked his car out front. Lubb: "okay." Sizwe: "I'll wait here." Lubby went inside the house. Smilo: "tshin molo Lubabalo." Lubb: "molo Ta Smig." Smilo: "you had us worried there a bit. Uhamba njan ungathethanga?" Lubb: "ndicelu xolo Ta Smig, I should have said something." Smilo: "betshilo Lukhanyo wathi asoze ulunge phayana. I'm glad you back kwedin. Um'chazele uLukhanyo?" Lubb: "no..actually andihlelanga. I've got to get to Cape Town by tonight." Smilo: "haibo Lubabalo, seku late ngoku mos. Ima ndifownele uLukhanyo." Lubb: "please don't. I have to go to work Ta..." Smilo: "hayi man suphambana! Work can wait...he's been worried sick." Lubb: "uzand'fuman endlinam." He turned and walked out to his car. Sizwe: "drop me off pha estopin I'll walk myself home." Lubb: "ok." He drove Sizwe to the bus stop and went to his house. The moment he stepped in, he noticed a funny smell. He sniffed around as he walked toward the bedroom. His was still closed, he went outside the back and noticed something odd. Lubb: "why would they repaint my house?" He walked inside and

went to check the cellar. The couch looked dislodged. It wasn't in its correct place. The red marks wouldn't be showing, he knew for a fact someone had tampered in his basement. He walked back out. Something dripped from the roof. He started twitching with anger. So instead he sat down and waited for Lukhanyo who walked in an hour later. Luks: "sure fethu.." Lubb: "what the fuck happened here?" Luks: "uhm...things kinda got outa hand." Lubb: "out of hand? There's paint on the side of my house. Something's dripping from my roof. What exactly is out of.....what the fuck is hanging on my ceiling?" Luks: "look, lubabalo you're the one that hosted a party washiya lendlu yakho without a word! Don't act all surprised when there's a bit of damaged." Lubb: "oh?? I must not act surprised? What should I do? Throw another party?" Luks: "you know.....you've been acting like a real dick and I'm getting tired of your attitude." Lubb: "a di..." He laughed. Lubb: "okay." He went to make a call. Lubb: "I'm looking for a professional plumber and painter? Yes.....will they be available in the morning? Sure thing here's my address." He gave them the address and hung up. Luks: "ndicelu xolo." Lubb: "its not your fault, I shouldn't have left. Ndizoy'lungisa lento. Just.....what happened to my cellar, someone was fiddling." Luks: "I took some cash, I needed to pay a fine. We were being sued for noise and other stuff throughout the weekend." Lubb: "okay." He walked to his room and packed his bag. Luks: "uyaphi ngoku?" Lubb: "the Cape." Luks: "but you just got here..." Lubby smiled and sat down. Lubb: "you know.....not everything revolves around me, you have your family that you stay dedicated to. I have my job...asoze sifane noba sekuthwani. I love you. You're my twin bro. But I've got to live my life too. Like you living yours." Luks: "but uhambela nton?" Lubb: "ndihlalele ntoni? Bulale abantu? Talk shit? Damage self esteem zabanye? I'm at peace with myself and I feel that being around here has a negative energy towards me." Luks: "now you're being stupid. Bak'tyisa nton eFarma?" Lubb: "bandityise uthando Lukhanyo." He took his bag and walked to his car.

Asanda: "what are you thinking kengok?!" Thando: "maybe if you did an abortion...we have a future ahead of us...asikwazi tu uy'lahla Asanda." She slapped him. Asanda: "You're a DOG." She left him there still rubbing his cheek.

Lubabalo was in his office by 9am. He had a load of work waiting for him. He started immediately. Sandy walked in. Sandy: "Good morning sir." Lubb: "where's Linda?" Sandy: "uhm....she resigned sir." Lubb: "okay, so have you started looking for a replacement?" Sandy: "I have 3 candidates ready for interview." Lubb: "did you nominate yourself?" He opened the files and looked through. Sandy: "no sir, I'm just a receptionist and a bit fat.." Lubb: "who told you that?" Sandy: "You." Lubb: "well that's a bit mean. Sandy, you've been doing this job for over a month and doing it well. You've been a secretary for how long?" Sandy: "a year." Lubb: "yes, well its time you got promoted. Advertise your job, you're my new assistant." Sandy: "really?" Lubb: "okay then...we'll talk later..." Liya: "bye..." He hung up. Sandy walked in. Sandy: "you have Robert on line 2." Lubb: "thanks sweets." Lubabalo continued working throughout the entire day.....

Lonwabo finished his shift at 4. He wanted to see Busi but she wasn't answering his calls. Busi was at work. Her office desk was dripping papers. Her whole head was a mess. Thoko walked in. Thoko: "hayi tshomi uryt?" She fixed her desk for her. Busi: "just stressed, almost starting ne end of financial year procedures. I need to approve budget ka Nambitha. There's just a lot." Thoko: "peto. You're used to this. I've never seen you ol'hlobo." Busi: "cela ungameleli mntu about what I'm bout to say." Thoko: "thetha mtshana." Busi: "well...I met this guy. The manager walked to the table. Manager: "is everything okay?" Thoko: "we'll be fine thanks." He walked away bringing a glass of sugar water. Thoko: "thanks.." Manager: "pleasure." He left them alone again. Busi: "after the abortion, he put me On a contraceptive. We carried on with life, he fulfilled his promises, I got my degree, worked, my sister went to a good school...then he started hitting me. Abuye from wherever enomsindo. The time ndandise sbhedlele?" Thoko: "where you were in a car accident?" Busi: "what accident Thoko? The car is fine. He beat me till I was unconscious. Ndiyayazi ba I'm independent now, but its because of him. Thoko: "peto, you're independent because of yourself, you didn't use his brains to study hard, it wasn't him that passed, it was Your brain and your energy, your sleepless nights. The skill God gave you for number, he didn't give it to you. You cannot live like this Busi. Lonwabo bunothetha kakuhle naye and if he is really in love with you, he will understand. He will support you. He will continue to love you, because you will be HIS woman. Yeka la kaka ingu Kevin. They made their food take-aways and left. Busi drove to Lonwabo, Thoko went back to work. Busi got to Blue Water still in tears, she walked out the car to the house, her knees buckling in fear. She was scared of rejection. Lonwabo opened the door and looked at her swollen eyes. Losta: "come.." He held her in his arms...until she stopped crying. Busi: "I have something to tell you...."

Losta: "what's wrong?" Busi: "I have a past...a bad one. And I know its not what you may like." Losta: "sonke nje sine past embi Busi...nobody's perfect." Busi: "ndandiyi prostitute. Busi: "I'm scared that if I turn my back on him...he would make life difficult for me." Losta: " so what are you going to do?" Busi: "I don't know." Losta: "but.....?" Busi: "I'm in love with you..." Losta: "and that's all that matters Mntu Wam. Yeah I'm a bit shocked but sidlulile k'lonto you're a fine woman. Maybe even back then mna bendizak'thenga nge million ndibaleke nawe shame." She just started e-skoleni manje sefuna uba uma. Hawu." Thando: "what about my seed? My own blood?" Kenn: "are you high?" Thando: "mxm. Check you tomorrow ntwana." Kenn: "don't drink poison." Thando: "mxm." He walked to the flat, at least he could relax by his own for a while. His heart was still beating beyond the normal rate. This was no joke. He couldn't think or focus on nothing else. What happens to them when his brother kicks him out? What will his baby eat? Wear? Tears rolled down his cheeks. He couldn't let his child into the world without having anything to give him/her. Who would take care of him? Would he get a job with a matric certificate? At least something to support the baby, noba yilo 500 rand. Abengumntu naye. He thought to himself. Maybe Khusta could help him get a job, last time they sold drugs and got 500 each and it was only a day. Yeah...that could do for a little while, he entered the flat. Sniffing and wiping tears. Lungelo: "ukhalela ntoni Thando?" He froze.....

I was done for the day. I just didn't feel like going home. I felt suffocated and stressed with Lukhanyo's constant nagging which was worse than Luhle. Tash and I walked out of class. Tash: "uright sesi?" Me: "I'm chilled. Wanna go for ice cream?" Tash: "I got a session to get to." Me: "oh..ok." Tash: "buuut. I can spare an hour. Who says no to ice scream?" We walked to the Audi. I unlocked and got in. She stood there in shock. Tash: "this is the third car 2 weeks!" Me: "just get in..." She got in. Tash: "is your husband like a car dealer?" Me: "nope.." Tash: "so he's a drug dealer? Ahhh....a gangster! Too cool." Spot on. Me: "hahhahaa! No...he's not. He's business man. Likes cars. So he buys them every few seasons." Tash: "ohh? Lovely! And you also wanna

join him in business." Me: "maybe...hey, you can come to a function I'll be organizing on Saturday, I need all the help I can get." Tash: "I would love to." We went to buy ice cream and I took her home. I drove to my dad's house. I prayed that he was home. Luckily, yes he was. He stood outside, fixing his car. I walked in. Me: "hello." Sizwe: "hey angel.." We hugged and went inside. Sizwe: "mighty hot out here. Want cooldrink?" Me: "no thanks, I just came to say hi." Sizwe: "you drove all the way here to say hi?" Me: "ewe tata I haven't seen you in a while." Sizwe: "ncooooh...my sweetie pie. Nam bendikukhumbula ke yazi...qha I've been away for a while." Me: "oh.."
Sizwe: "what's wrong Lihle?" Me: "nothing tata." Sizwe: "I don't understand why you Think you can lie to me...talk baby." Me: "I don't know tata...I'm just not feeling myself. Its like I've got bad energy around me all the time.." Sizwe: "I'm not a psychologist mntanam. But maybe you should just take a break." Me: "from what? I have to be there, for my kids, my education, my business and.....lukhanyo." Sizwe: "you say his name as though you wish he weren't there." Me: "its not that." Sizwe: "what did he do Lihle?" Me: "nothing tata..." Sizwe: "what DID HE DO?" Me: "he didn't mean to...I pushed him too far. Ndiyamaz ulukhanyo, he doesn't just snap." Sizwe remembered something Lubby said. Only when times are tough, their doors unlock. Sizwe: "lihle.....you didn't tell me ubuyelene noLukhanyo." Me: "it just happened wethu tata. Maybe it was too soon. I don't know how to get through to him." Sizwe: "love, I know this is hard for you...but ke funeke uthethe naye, last time I interfered now he refuses to breath the same air as me, Smilo isn't speaking to me. This is Your marriage. If you want out, then leave. If not, hlala wonwabe. Don't run around in circles and squares.." Me: "but I'm tired.." Sizwe: "then rest. Nobody will kill you for that." I don't know, I still didn't feel happy. My shoulders were heavy, my heart was heavy. Everything nje. Me: "where did you go..." Sizwe: "oh, I went to the farm with Lubby...maybe, this weekend me and you could drive up noba asihlelanga. just a few hours, its quite peac-" Me: "Hayi tata...I'm not a farm person." Sizwe: "neither am I." Me: "why uhambe noLubby, this is probably why Lukhanyo can't relax with you, hleli nje you running off with his twin. Leaving him left out." Sizwe: "would Lukhanyo agree to come with?" most definitely not. Not ku Ta Luks. I couldn't answer. Sizwe: "my thoughts exactly. Why are so against Lubabalo?" Me: "I'm not. Its just that you try sooo hard for him. Its like he's your own child. You have this obsession naye. Hay man tata." Sizwe: "obsession? Lihle...obsession?" Me: "yes. He's like your son-crush. If those exist." Sizwe: "maybe he is. Is that wrong?" Me: "why do you hate Lukhanyo?" Sizwe: "I don't hate him. I Loathe him. How dare he hit my child? But nawe Lihle, you go back to him. Ndiphinde ndibe sisbhanxa mna because again he does it and I'm supposed to relax!!!" Me: "he's my husband..." Sizwe:

"I don't care if he is Moses in flesh. I don't like him and unfortunately, I have to suck it up because my daughter had to fall for and marry HIM!" Me: "tata please just try....thetha naye." He kept quiet and looked another direction. Sizwe: "I'm giving him one more chance. And that's it.." Me: "but the last time you hurt him." Sizwe: "ndizocela uxolo kalok. So we can start afresh." Me: "thanks dad.." Sizwe: "anything for my princess..." He smiled.....

I craved him like nothing in this world. Oh well. Had to get ready. Lukhanyo met up with Stuja and they went to the hospital for his check-up. Stuja: "aww Ta Luks, uyaphi?" Luks: "just business." Stuja: "ndiyahamba nam? Ndiyohlaba la suit imnyama." Luks: "hahahaha...next time." They met with Soso. Soso: "you're early, molweni. Come this way." Stuja stared at him. Lukhanyo tapped his shoulder: "nton hok wena?" Stuja: "I know him!" Luks: "shhh.." Soso: "ungam'linda apha phandle..." He said to Stuja. Who stared at him. Soso closed the door and started. Luks: "you're a bit scarce..what's up." Soso: "big brother crawled back in." Luks: "oh...? Grand mos lonto." Soso: "yeah I guess. Kuthen unxibe smart kangaka just to come see me." Luks: "you're stingy about information concerning your brother ne." Soso: "its my business. Not ours." Luks: "what did he mean when he said we must ask you about your life before Jesus?" Soso: "Soma is just plain dramatic. Likes to add aromat with everything. Guquka." Luks: "but I want to know....we're friends right?" Soso: "I confess to God only. Nobody else needs to know. Sit up." Luks: "I thought God's people never told lies." Soso: "its not lies when I don't wanna talk. Like I said, My business. Not ours...and if we're friends you'll respect that." Luks: "for a second I thought ubuli gintsa. But then again. You? Psss..." He laughed. Soso kept quiet and continued his work. Soso: "stop drinking Lukhanyo." Luks: "I have stopped." Soso: "good. Nxiba ke." Lukhanyo wore his shirt. Soma walked in. Soso's hands started shaking. Lukhanyo saw this but kept his mouth shut. Soma: "well, well, well.....Molo, where's your clone?" Luks: "Cape Town. Working." Soma: "he lives there?" Luks: "yes." Soma: "fought?" Luks: "what's it to you..." Soma looked at his brother. Soma: "ready to knock off?" Soso: "yeah. Ndilinde office'in." Soma walked out. Luks: "does he ever finish conversations?" Soso: "Never." He laughed. Luks: "I'll call you later." Soso: "sharp." Lukhanyo looked for Stuja. He was waiting in the car. Luks: "okay, let's go." Stuja: "ndamaz lamjita Ta Luks." Luks: "umazelaphi?" Stuja: "eroundin. Saw him a day ago." Luks: "noba bubona wele lakhe." Stuja: "No Ta Luks, Nguye LO. This is exactly who I saw, his walks, his eyes the way he stares. That's exactly him. Wena noLubby

anikho olahlobo mos, you don't walk the same." Luks: "we actually kind of do slulamile." Stuja: "he walks with one hand in his pocket. He did it pha kwa Ngqoko. And he just did it again!" Luks: "you know how crazy you sound???" He laughed at him. Stuja: "the look he gave me. I feel like smashing something in his face. Ind'qhela masimba lakaka!" Luks: "calm down. Soso looks at everyone like that. Sum'hoya." Stuja: "ayingo Soldier?" Luks: "what? Why would he be....." He stopped at the robots. Luks: "Soldier?" Stuja: "lamajita bend'hlel nabo, band'ringele. Stuja: "Ta Luks, banzulu ababantu....kuthen bona bodwa!" Luks: "you need to relax...I'll call you later.." Stuja: "sure." He dropped him off and went to his appointment with Ricky.

Doc: "Mr Lukhanyo Mizinyathi." Luks: "Mzinyathi." Doc: "whatever. How are you?" Luks: "I'm fine thanks and yourself." Doc: "I'm good, what can I do for you today?" Luks: "that book you gave me isn't working. Nothing is working, instead its falling apart!!" Doc: "no, no...don't blame my book Lukhanyo. I told you this before. It won't work until you Fix yourself! It will never work if you keep on ignoring your issues!" Luks: "Ricardo...I want it to work! Cooking and Cleaning all day isn't ideal for a man like myself." Doc: "who told you to cook and clean?" Luks: "Your Book!!! It says there I must understand her and the things she does, and I should try them out for a week to understand how she feels." The Doctor laughed. Doc: "I wasn't talking about chores Lukhanyo. In any case, I stay saying. You're better off apart for some time to rekindle your relationship! If you really want her to be yours, fix your faults...learn how to be You without having someone to catch you when you fall. Learn to trust her when she's away. Do all this without her around to correct you. You're doing it for YOU." Luks: "you're telling me to separate from my wife? What kind of person are you?" Doc: "there.....you see? You see negativity in everything. You're not separating. You're giving her and yourself breathing space. Love will draw you back to one another..." Luks: "how do I tell her this? She moved back in and I don't want to seem rude.." Doc: "sit her down and talk to her. Don't be angry, keep calm. Be nice. Instead of her leaving, why don't you go? I have the best therapist brother, he can help you..." He gave him a brochure. Doc: "its a 1 week programme, he teaches self control." Luks: "this looks like an island." Doc: "its in Madagascar. Take your kids with, they have a day care in the centre, you'll have fun. I promise." Luks: "will it work though?" Doc:

"its what you need Lukhanyo. If you want to save yourself from damaging your marriage." Luks: "1 week?" Doc: "think about it.."

Soma and Soso were organizing almost done organizing Skhura's funeral. It was the next day and everything was in place. Soma went to Skhura's mom's house. Soso went to fetch the rest of the chairs. Zanele was sitting in the kitchen, deep in thought. She missed her boyfriend so painfully. She could almost still hear his voice when he laughed, spoke and yelled. His touch. Smell. The look in his eyes when she had their baby. She tried to console herself, wiping her tears. Soma: "Zanele..." She: "what?" Soma: "I'm really sorry..." Zanele: "bubomi Soma." Soma: "ina..'" Lubabalo was in his office, looking through last year's figures. Something was not adding up. He called Sandy. She walked in the office wearing a new pale pink skirt and blazer. She had on pretty white shoes. Lubb: "hmm..cute. You remind me of Sarah." Sandy: "who's Sarah?" Lubb: "never mind. I know I'm not smart when it comes to Accounting but this just doesn't look right." Sandy: "I am clueless as well. Estella is quite smart when it comes to this." Lubb: "yes but Estella isn't here." Sandy: "she is, she came to fetch Twan. I'll call her." She went to fetch Estella. The woman walked in wearing a high platform. A high waist skirt, a black mini blazer and white blouse. Estella: "yes?" Lubb: "hi." Estella: "good afternoon." Lubb: "I may need your help here, you do Auditing right? Please look." He gave her his seat. Estella: "I'll need a few minutes to get on track..so If you could just..." Lubb: "in who office?" Estella: "who needs help?" He walked out without a word. He had a meeting anyway. He took his bag and jacket. Lubabalo went to town for his meeting with Anele Banali. Lubb: "how are we doing?" Anele: "hi, I'm fine...Lubabalo, I'm needing you to increase our budget, we can't work on the money you gave us." Lubb: "you will have to make a plan Anele, because no great business starts Big, you have to start at the bottom, use figures that accommodate you and your business. You're a small company. The more you build, I will increase." Anele: "I have always worked with a bigger budget, I can't do this!" Lubb: "this is why you lost money bra. Try this out please, I'll get someone to help you work out the new budget." Anele: "how come you so nice?" Lubb: "I have always been nice." Anele: "is that so??" He moved closer. Lubb: "stop breathing my damn air, what's wrong with you?" Anele: "There! That's not nice." Lubb: "Anele, we'll speak later once I've assigned someone for you." Anele got up and walked out. Lubb: "this rude bitch." He got up and went straight back to his office. Estella: "Lubby.." Lubb: "hm?" He set his jacket down. Estella: "who was handling your

company's finance before?" Lubb: "my previous assistant was an accountant so she did it.." Estella: "oh." Lubb: "why." Estella: "please don't get mad." Lubb: "Estella...don't work on my nerves girl." Estella: "is she still here?" Lubb: "she resigned! Damn it Estella. You're grinding my left nipple right now!!" Estella: "if you could first calm down." Sandy walked in. Estella: "close the door, sweetie." Lubby smashed it closed. Lubb: "WOMAN." He warned. Estella: "I looked through what you gave me, you're missing 2 million in total." Lubabalo breathed. Lubb: "2 million what?" He growled. Estella: "2 million dollars, from the New York tender you got.."

Meanwhile, Lukhanyo came home with fish. Luks: "kuthwa imandi ke le fish. Baby! Come have a bite with me..." Lutha came crawling to him. Luks: "my boy, uphi umamakho?" He picked him up. Luks: "kiss daddy? Gimme a kiss..." He kissed his cheek. Luks: "awund'khumbul na, uphi uLuhle ?" Lutha lay on his chest. One little hand holding his shirt. Sizwe walked to the kitchen holding Luhle. Lukhanyo's heart almost jumped out his throat. He didn't expect this. Sizwe: "the nanny let me in. I hope you don't mind." Lukhanyo just stared at him motionless. Thank God Thulani walked in...

Chapter 476

Thulani walked in and stood next to Lukhanyo. Thulz: "molweni." Sizwe: "molo Thulani." Still staring at Lukhanyo, who was staring at him too. Thulz: "uhm....okay. I'll be in the lounge." He left them alone in the kitchen. Sizwe: "lukhanyo?" Luks: "Bhuti Sizwe." Sizwe: "since when did you get formal?" Lukhanyo didn't answer. Sizwe: "Lukhanyo...?" He breathed. Sizwe: "you know what? I'm doing this because Lihle asked me to. The least you could do is keep her happy and meet me half way." Lukhanyo still kept quiet. Sizwe: "I'm sorry for hurting you, but you know deep down you deserved it. I'm not letting anything or anyone hurt my child. Kunin ndithetha nawe ndik'xelela ba yeka lento uyenzayo? I'm not going to lie I don't really like you and-" Luks: "I don't like you either." Sizwe: "well that doesn't bother me one bit, but I have to tolerate you and you have to tolerate me because we both love one person that loves us too. Which means Lukhanyo Mzinyathi, we don't have much of a choice but to be civil with one another." Luks: "at least we agree on something." Sizwe: "and

stop looking at me like I'm a ghost. Or running to your bedroom when I arrive. Its childish." Luks: "mxm." Sizwe held out his hand, Lukhanyo shook it. Lutha held on to his sister and pulled her. Luks: "kwedin awuva man!" Sizwe: "what's for dinner?" Luks: "John Dory's™." Sizwe didn't like fish much, but didn't want to disappoint. Sizwe: "smells nice." Luks: "Thulani!" No reply. Luks: "he better not be dead." They looked and found him asleep on the couch. Sizwe: "that's awkward." Luks: "very awkward. Thulani akalali emini unless he's in a bad mood." Sizwe: "in that case..myeke." He took a tiny piece and gave it to Luhle. Luks: "so...mqibele nin Lubby?" Sizwe: "Wednesday. Awuka'thethi naye?" Luks: "nope.." Sizwe poured water in the kettle and boiled it. Sizwe: "how come?" Luks: "he claims I have it all and naye he wants to focus on his life. That's why esiya eKapa...to do his 'job' so ndam'yeka ke. Since he's Guapanese." Sizwe: "haahaa, what's that?" Luks: "umntu othand imali more than anything else, its like a religion or culture. Guap yimali.." Sizwe: "awuphambene man." Luks: "ndiright..." He set his son down to crawl away. He already knew where he was going. Lutha got to his uncle Thulani and pulled his pants. Thulz: "khayeke Luthando..." Lutha started screaming in frustration. Thulz: "OKAY!!!! Damn." He picked him up. Thulz: "yinton?" Lutha smiled and blushed. Sizwe: "izoba stout lentwana xa ikhula. Yayaz futhi izothethelelwa." Luks: "uba? ULutha? Never..yafeketha qha." Sizwe: "okay." He took his tea and went to the lounge.

After 6 in the evening, Lubabalo was still trying to trace Linda's whereabouts. Estella: "should I file a report for you? I know someone that works with these type of people, maybe he can help?" Lubb: "will he help bring back my money?" Estella: "well, no bu-" Lubb: "then no." Estella: "he can track her down, through airports and bus terminals. He'll put up Wanted posters." Lubabalo stared at her coldly. Lubb: "did you not hear me say, NO?????" She kept silent at once. He called Kabelo. Lubb: "KABELO!!" Kabelo: "who is this?" Lubb: "ndim uLubabalo man!" You must watch your finances very closely. Which was why I wanted you to do that business course. So that you don't have to depend on other people but yourself. You can't relax when you run a company and let other people run it for you while you go and chill with your brother. You must always be hands on and open your eyes..do you want me to fly over and help?" Lubb: "Yes dad, that would help..." Dad: "okay, we'll talk when I'm there." Lubb: "bye." Sebastian gave Nette the phone. Nette: "my baby, what's wrong?" Lubb: "ma, have you heard from Demi?" Nette: "yes sweety she's here. Do you want to talk to her?" Lubb: "No." Mom handed the phone to Demi: "hey bro!" Lubb: "why did you run away from me?" Demi: "I didn't run. I left." Lubb: "next time, do a little thing called informing yeah?" Demi: "its not like you noticed. You pay more attention to your dog than me." Lubb: "bye bye Demi." Demi: "I'm coming with Dad." Lubb: "please don't. You're a walking stress just stay where you are. And give mom the phone." Nette: "love?" Lubb: "bye ma..I have to go." Nette: "I love you sugar foot." Lubby looked at Kabelo and Estella. Lubb: "I love you too mom." He whispered.

Nette: "what's that honey?" Lubb: "I SAID. I LOVE YOU TOO MOM." Nette: "bye baby.." He hung up. Kabelo giggled. Lubb: "ndik'faki mpama."

Namhla and I only got home after 9pm. I could see Lukhanyo's foul mood. Sizwe looked at the tv quietly. Thulani and Luthando asleep. Me: "molweni...sorry I'm late, we lost track of time." Sizwe looked at me. I went to change and took the babies to sleep. Dad came in. Sizwe: "Lihle..." Me: "ta?" Sizwe: "kodwa xasekuthethwa inyan akho need yeli xesha." Me: "Dad, I own a business. I can't just leave everything to my partner. That is just unfair." Sizwe: "but utshatile!" Me: "so funeke hlel nje ndisonge izandla apha k'lendlu?" Sizwe: "child.....watch your tone." Chapter 477

Saturday morning, Lubby woke up in his parents' bedroom. His father just walked in. Dad: "Morning son." Lubb: "hi Dad..when did you get here?" Dad: "its been about an hour...you okay?" Lubby shook his head. Dad: "okay, take another nap or two, I'll handle this...who in charge of your things?" Lubb: "Sandy and Estella. Then Kabelo is trying to track Linda down..." Dad: "the girl that took the money?" Lubb: "yeah." Dad: "okay, I'll call you later. Don't move here, just take a breather." Sebastian got up and left for the office. Lubby stayed in bed and called Liya. Lubb: "hey babe?" Liya: "hi Lubabalo." Lubb: "unjani?" Liya: "fine you?" Lubb: "I'm good love....I'm coping...hey." Liya: "oh." Lubb: "wenzanton?" Liya: "is there something you want to say?" Lubb: "no not really, I was just saying Hi." Liya: "I'm kind of busy studying so if you don't mind." Lubb: "oh, sorry then, bye." She hung up. He called Zintle. Lubb: "hello Zintle?" Zintle: "yes?" Lubb: "ukhona uBuhle k'le weekend?" Zintle: "ndiyaphila nam unjan wena?" Lubb: "sorry, how are you?" Zintle: "I'm good." Lubb: "so uBuhle ??" Zintle: "nah akekho..." Lubb: "oh bendichecker nje....akhonto." Zintle: "ok cool, bye." He hung up. He decided to play a game, 5 minutes later it bored him. He went on the news App, reading and watching. Nothing interesting. Lubby got up and went to look for his uncle Mike. Who was in the garden. Mike: "Hey..." Lubb: "uncle do you ever shave?" Mike: "nope..mos definitely not. Ladies find this extremely sexy." Lubb: "its extremely gross especially when its hot." Mike: "ok, so you're in quite a mood today." Lubb: "I hate being bored. Dad told me not to go anywhere." Mike: "your dad knows you better than anyone else. He told me what happened. He knows you will get frustrated and break someone's bones, so you're safe here." Lubb: "baking in the sun? I doubt it." Mike: "watch movies, eat, Enjoy some You time." Lubb: "that shit is for women." Mike: "not really. Just let yourself relax and stop worrying bout the world. You're blessed to have a father to fight all your battles and let you shit. I know for a

fact, Mr G. Morrison wouldn't. Lord, bless his soul." Lubb: "how was he like?" Mike: "strict. Overly strict and obsessed with perfection. No wonder your dad turned out so protective over you. Demi too. You're like his little eggs." Lubb: "and you?" Mike: "oh you know....I was the black sheep in the family." Lubby laughed. Lubb: "like me?" Mike: "hell yeah! But you're worse than me. I don't have a corpse on my conscious, okay maybe one by accident. I was in a hotel in Bangkok. Three Super hot girls joined me. We were smoking, drinking poppin..fuckin. Until one just fell and died. T'was an overdose. Ran out as fast as I could, high as fuck. Skipped the country immediately, I've never booked a ticket while high but it had to be done." Lubb: "you're crazy Uncle Mike, lemme go eat something and watch tv." Mike: "ayt, have some You Time." Lubby walked back into the mansion and went to find food....

Lukhanyo woke up. Lutha was on the bed sitting on him smiling. Luks: "kwedin, what are you doing?" Lutha: "Dadaa." Luks: "no but how did you.....mxm." He kissed him and they got up. Lukhanyo walked to the lounge, the nanny was feeding Luhle. Luks: "molo sisi, ukhwele njan lo pha?" Nanny: "ubekwe ngumamakhe, engafun ahambe." Luks: "oh, so she thought Lutha would be entertained by his sleeping dad." He went to go brush his teeth and make breakfast, setting Lutha on the counter munching cheese. Luks: "Luthando, HAYI." Lukhanyo's phone rang. Luks: "baby?" Me: "hey love, uvukile? Ndisokoliswe nguLuthando bonanje, so I sat him next to you." Luks: "yeah ndivuke endijamele, uphi?" Luks: "love you too honey. nanku Lutha." He gave his son the phone. Me: "Luthando..." He giggled. Me: "bye bye boy." I hung up. Luks: "iza ke siyotywa kwedin." They sat in the lounge, the nanny went to bath Luhle. Luks: "kalok awuzotywa oku kwam nawe. It doesn't work like that." Lutha grabbed his arm opening his mouth to the bread. Luks: "hey!" Nanny: "uryt bhuti?" Luks: "hayi ndiryty, ndigezelwa yile mbombosi yam ithand ukutya." He went to go fetch his little bowl and fed him. Lukhanyo bathed with Lutha, dressed him in small skinny jeans. A white t shirt and sleeveless blue shirt on top, unbuttoned. Luks: "aww heart breaker." Lukha wore jeans and a long sleeve grey muscle top. Packed the babies' bAgs and went to fetch Chumani. The nanny stayed in the car with the kids while Lukhanyo went to the mall, he bought toys. Lots and lots of toys. Loaded it in the boot and drove to Thulani's house. He called him. Luks: "khavule sani, uready uJunior?" Thulz: "ewe nanku.." He opened. Junior walked out the door, straight to the car. Luks: "ugrand?" Thulz: "ndishap fethu...niyaphi?" Luks: "just out...dikiwe kuhlale ndlin." Thulz: "okay have fun..." Luks: "you too..." Thulz: "of course I will." He winked. Lukhanyo drove out to an orphanage. Luks: "boys.." Chuma: "tata..siphi?"

Luks: "listen to utata ne...these toys, ezi zise boot'in, belong to the children ba phaya. Thina kengoku, sizoyoba nika." Chuma: "and then sidlale nathi?" Luks: "ewe kalok uzoba bonise udlala njan..." Junior: "why are we here?" Junior looked bored already. Luks: "kwedin. Some children don't have those nike sneakers you wearing! Lo t shirt ye Polo abanayo. The least you can do is smile. Damn it." Junior: "but tata, why?" Luks: "because I said so!" Junior: "ok." They got out the car and went inside the building. Luks: "Junior, Behave yourself." Junior looked at him, a small smile creeped slowly on his face. Junior: "okaay.." He whispered...

Skhura's funeral....

Soso had been at the house preparing before the arrival of the body. When they went to church, Soma took over therefore Soso disappeared. They were both wearing navy pants and grey blazers and a red shirt underneath, grey shoes. They didn't stand together or were in the same room together. It was time for Soma to speak about his friend. A part of him didn't want to, but he knew he had to. As he slowly got up and walked to the pulpit, he could feel the eyes of pity burning on him. He stood and looked at the congregation that had gathered to honor his late friend. The choir quieted down. Soma stared at the casket in pain. Soma: "First and foremost, ndicel ubulisa.. Andiz'qhelanga iz'pili ke mna, and this is the first for me so I'm not sure how to begin." He swallowed. Soma: "mna ndingu Somangaye, itshomi ka Sikhumbuzo, of over 20 years. I've known him since I was 12. Sifunde kunye eHigh school...passed matric sahlala kunye, asenza nto. Each and every day, wayesithi umama we're each other's bosses, because ovuke kqala uyafowna, either ndiye kuye okanye aze kum. The only person who understood me, oyena mntu waye okwaz undinyamezela, andiphakamele, even strengthen me. Nanku elele pha." Tears fell down his face. Soma: "Skhumbuzo wayekwazi ubanomsindo aphinde abuye kwayena azohlala nam andithuke angaphind athethe ndide ndiz'cenge ndicele uxolo. The one guy that never turned on me, for all these years I was priority yakhe naye eyeyam. I can't ever forgive myself...but ke uThixo uthathe eyakhe... Lonto indenza ndixole because one day, siyoze siphinde sidibane. I know you're sitting there thinkin, 'nxx, ukhalela nto kwedin!.." The crowd giggled. Soma: "andizonga khali ndikukhumbula....and I promise, I'll take care of yours. Your kid...your family... Sonke sizohlala sikucinga mjita wam. Ulale ngoxolo." The choir sang another hymn as Soma walked out the church. He drove out the yard and left. Soso came in and went to Zanele. Soso: "ma-zet..." She looked at him. Zanele: "Soso??!!" Soso: "shhh....jonga xaku phunywa ndifuna uhambe no mama ka Skhura yeva? Sapha umntana.." The little girl hung her hands around him and he walked out to his car, he drove her home. It was time to go to the cemetery. Zanele took the mother out after the casket and they left first. Soma

was already at the cemetery. 3 cars parked in a distance, waiting till they were done. The priest started, they sang a hymn. Zanele stood next to Skhura's mother holding her hand. Ma: "uphi uSomangaye?" Zanele: "ugoduse uYolanda. Ndithe makam'thathe." After they threw gravel into the grave. As they were singing the closing hymn. The cars started spinning. Firing gunshots in the air. Zanele led the mother to their car and left the gangsters to do their thing. The woman started crying. Ma: "yinto bey'cenge nganton uSkhumbuzo lena!" She wailed. Zanele tried her best to comfort her. Zanele: "kuzolunga mama...subanalo nexhala umdali uyayazi into ayenzayo." Ma: "yuuuh, uxolo wethu mntanam." She wiped her tears. Thandi followed to the house and helped with handing out Plates. Soso had left and Soma came in an hour later. Soma: "love.." Thandi: "bukhe watya? Uphi omnye?" Soma: "omnye uban?" Thandi: "Sonwabise." Soma: "oh, umkile. Sund'phakela mna. Siyahamba namajita ndizok'landa nin?" Thandi: "ndizoz'hambela baby." Soma: "uyageza kengoku. Ndizofika apha ngohalf 5...khabe uhlalisa uZanele." She kissed him and he left for KwaDwesi.. He called Soso. Soma: "uphi?" Soso: "ndise ndlinam." Soma: "siya eBills eDwesi to chill." Soso: "nam ndiya kwi function ye friend yam. Sodibana later." Soma: "today?" Soso: "ja, I'll call you after 8." Soma: "sho." They hung up. Soso changed his clothes to jeans and a different shirt. He drove to Humewood.

Me: "my friend, I think we're doing fine..." Mandy: "ewe plus nokutya konele, bendine worry ba it won't be enough." Me: "mna ndizokhabe ndiqokelela iplate ze'starters, then uzolungiselela iMeal." Mandy:"khabe uhamba, uyathanda ke wena noz'sebenzisa because sinazo ne waiter." Me: "and'fun bengathi sibossy wethu yamaz umntu omnyama ngohleba. Ndiyabuya." I went to collect the empty bowls all around. The old woman was very fussy. She: "ityuwa sisi, ha.a man...khazam uthoba isantya." The father looked at her surprisingly. Him: "ngok ubuncoma apha? Hayi khayeke amaqhinga dabawo. Xawunomona s'ke cele ufundiswa." She: "fundiswa into edadiswe kwi tyuwa?" I wanted to laugh but decided ba ndithule. I took the bowls and plates to be washed and stored. Mandy: "yinton gigiteka wedwa?" Me: "la makhulu une things va." Mandy: "khange umve ndim'phathel starters wand'buza ba yinton na le." Me: "hayi shame, kodwa uy'qibile." Mandy: "undikhumbuza uMakhul wam bonanje. Masincedis uhamabis ez'plate." We took the plates out to everyone and went back to our hiding place. Mandy: "sendidinwe isinqa va." Me: "you have no idea." Mandy: "akumandi kuwe kuba you have umnyeni ozok'pamperisha." Me: "akay'thandi mbiza Mandy, nangoku ndizofika emise stove sonke shame umntu wam." Mandy: "that's sweet though. You're blessed, don't take it for granted." I just smiled. Me: "let me go check...on...." I stood at the door. Mandy: "what is it?" Me: "nothing...I just..." She looked. Mandy: "heee kodwa umntu ka Yesu unayo nendawana ezodika. Bekutshiwo

Mandy finished up and went to help setting out dessert and handing it out. She cleaned up a little spot and went back to start packing everything. Nwabisa and Weza were oddly quiet. Mandy: "guys, anibawel siphumen? Have a few cocktails maybe eCubana.." Weza: "andizokwazi mna..." Her phone rang. Weza: "aand I have to go." Mandy: "ungxamele phi na.." Weza: "endawen zam my friend." She grabbed her things and left. Mandy took a box out to her car and saw a very familiar car. She looked at the number plate. It was Anda.

Mandy: "no.." Soso: "next time?" Mandy: "maybe.." He gave her his card. Mandy: "doctor?" Soso: "anytime you feel like having a chat." He drove off slowly. She got in her car and drove home.....

I walked inside the house with dessert. The boys(Lutha, Chuma and Junior) were in the bedroom. Luhle and her father lay on the floor watching tv. Me: "molweni..." Luks: "mom's home." Chuma and Junior ran to the lounge. Followed by a grumpy Lutha crawling in a fast agitated pace. Chuma: "mama!!" He jumped on me. Me: "hey sweetie.." They sat next to me. Lutha appeared.. He looked sad. Me: "izapha mntanam." He stared at me with his lower lip pushed out. Luks: "oko efeketha namhlanje, khumbula umamakhe. Umqhelise into embi umntana lihle." Me: "I brought dessert, Luthando unayo indawana ene sgezo." Luks: "smells nice...iphi cheesecake yam?" Me: "nantsi.." The boys sat on the floor and ate. Lukha sat with Luhle and his cake. I took Lutha. He looked really grumpy. He doesn't miss me. Ukhumbula uLubby lona. I'm here and he doesn't even look excited. Me: "umqibele nin uLubby baby?" He didn't answer. Luks: "ithi aahh.." He said to Luhle, and tossed a piece in her mouth. Me: "boo?" Luks: "andaz Lihle." End of topic. I wonder bayawa xabene nganton. Me: "so...passport uzenza nin?" Luks: "ndizoya monday love. Everyone was sitting on the bed. Me: "guys really? Mna ndidiniwe njena.." Junior: "come mama iza! Sikhweli aeroplane." Me: "okay..." I lay on the bed while Captain Chuma and Drew flew us across the world. Lutha was the co pilot, laying on his tummy next to them, chewing a toy. Luks: "akafun phoswa." Me: "akam'futshane ngeloxesha." Lukha sat behind me, I lay back with Luhle sitting on me. Me: "akusenzima k'le plane. It looks like we're gonna crash." His hands held my boobs. Then massaged my shoulders. His daughter held a

Me: "myeke wethu, dim the lights, he's gonna fall asleep." Lukhanyo came to bed and sat on me. Me: "back ache.." He rubbed my shoulders and back, down my spine. Mandy was bathed and just got dressed. Her new lingerie and a normal dress. Soso arrived. Just as casual. Jeans, t shirt and sneakers. Mandy: "right on time..." Soso: "hmm....your dress.." Mandy: "what's wrong??" Soso: "no its.....beautiful." Mandy: "dinner will be ready in a few minutes..." He poured himself some wine. She been drinking long before... Mandy: "so do you have a girlfriend?" Soso: "maybe....wena do you have a man?" Mandy: "yes...long distance." Soso: "cute." The silence was definitely not awkward...just vibey and sexy... Mandy: "you're quiet.....kind of a....strategist." Soso: "analyst. I like to sit and observe." Mandy: "hmm....I like to act on instinct." Soso: "and what does your instinct say right now..." She kissed him. He was a bit shocked but expected it. After a while, she pulled back and walked to the kitchen. Soso: "women..." He smiled and shook his head. Mandy came back with their dinner and ate. Soso: "uyayazi lento uyenzayo phof?" Mandy: "I can cook, doc. Like you can save lives." He chuckled. Soso: "I meant....before the food. Kissing me.." Mandy: "it was nothing. You told me to do it." Soso: "okay. Ndiyi Christian mna ke kodwa. I can't be involved in such activities." Mandy: "I understand." Soso: "we could.....make an exception...for one thing." He bit his lower lip. Mandy got up and walked to her bedroom. She couldn't do this! Where was her Miss confidence? She was weak when it came to the real deal. Mandy: "Chick, get a grip. Its just sex. One night, won't ever

see him again. Case closed." She walked to the table, he was almost done eating. Soso: "Mandy...?" Mandy: "ulazelaphi gama lam?" He smiled sweetly. Soso: "you're a damn good cook. Mama would love this totally." Mandy: "but unomntu." Soso: "khandiy'thethelonto mna. I said maybe, nguwe umntu o-decide ba makaxoke." Mandy: "okay so maybe I'm single." She undressed him. They rushed to the bedroom.....

Lonwabo and Busi were done having dinner. They chatted for a while and walked around. Losta: "yazi...I had the most amazing dream." Busi: "tell me." Losta: "I dreamt that I had the most amazing girl in the universe." Busi: "haha, mxm...that is so lame. I have a better one. Baby..." Losta: "yes hun?" They got in the car and drove to her mother's house. Losta: "I told my father about you..and ufuna ukuk'bona. So there's another hunk you gotta impress." Busi: "and uncles and brothers too?" Lonwabo kept quiet. He didn't want to see his brother ever. Losta: "just my dad babes." He parked in front of the gate. A red Porsche Cayenne parked in front of his car. Losta: "and then? Tatakho?" Busi: "no..." Losta: "then who?" The drover got out his vehicle and walked toward their car. Busi: "its Kevin....."

Chapter 481

Kevin knocked on the window of the passenger.. Busi opened it. Kevin: "babe...can we just talk? Please. All I ask is 5 minutes." Busi: "then talk." He looked at Lonwabo.

Busi: "he isn't going anywhere." Kevin: "boo, I'm sorry okay? I'm getting help, I already acknowledge that I've got a problem. I shouldn't be doing this to you. I do love you and I want to be with you. I don't care how long it takes." Busi: "you should have thought of this maybe a few years back, it would've worked but I can't. I'm with him now and I'm happy." Kevin: "look, Him.. I'm sorry bra...to ruin your evening. I love her, you won't understand this-" Losta: "I do actually because I love her too. The choice is for her to make, not me." Kevin: "Busi...please.." Busi: "I'm sorry Kevin. I can't do it anymore..." Kevin went back to his car and drove off. Losta: "somehow I feel he isn't done." Busi: "we need a restraining order." Losta: "because a little piece of paper will help us?" Busi: "its worth a try." Losta: "ewe, but people like him need a reality check before shit gets real.." Busi: "mas'ngene..." They went inside the house. Ma: "tshin molo Lonwabo." He was still not used to this. Losta: "molweni mama niright." Ma: "ndiphilile mntanam." Losta: "linjan inyaw?" Losta: "what's your problem?" Khanya: "mxm..." She sat down and crossed her legs. Losta: "fondin khayek u-actor snaaks ngathi usafunda ehigh school. Tshi, xa ungafunwa, ginya noba kukrakra qha. Andaz noba ucimba ndidunyelwa ngamathanga amakhulu mna." He was just annoyed. Busi came to the lounge. Busi: "and then?" Losta: "nothing, I'm leaving.." Busi: "oh, okaaay. Ungalibali ke tomorrow morning, siye k'la ndawo." Losta: "I'll call you the minute I open my eyes.." He kissed her. Busi: "and I'll be waiting." Losta: "don't lie, uzobasa lele, dreaming of me..." Busi: "I always wake up before you." Losta: "I'll beat you to it." Khanya: "KADE UHAMBE. Tshin na Bawo!" They both looked at her. Losta: "mxm.." Busi: "I love you baby." Losta: "I love you more sthandwa sam.." He kissed her forehead and left....

Mandy woke up the next morning with a bit of a hang over. She looked at Soso, he was awake...staring at her. Holding her body...his fingers tracing up and down her thighs. Soso: "good morning beautiful." Mandy: "morning handsome." Soso: "I hope you don't mind...I already made you breakfast." Mandy: "of course not. Let me cancel my morning quick." She made a call to the office quickly and switched off her phone. Mandy: "khame ndovas umlomo...ndingak'qhumiseli." He pulled her back and kissed her. Soso: "I don't care about all that. I'm the one person that should understand." Mandy: "since you're a doctor.." Soso: "exactly..and your doctor needs to be at work at 12...wena, you crazy lil freak kept me up all night...not that I'm complaining." Mandy:

"I'm sure I wasn't that freaky.." Soso: "I have never been danced for firstly, let alone a lap dance. And many other things...I'm not mentioning..." Mandy: "like..." Soso: "this tongue..." Mandy: "well its been a while.....so..." Soso: "inoba ndine 2 or more years mna." Mandy: "wow...yakwaz uz'gcina." He kissed her again, holding her breasts. Sliding his hand down her smooth skin to her behind. He got on top of her, rubbing in between her legs. Soso: "finally..." All night she'd dominated. It was his turn now. Soso: "cela uxolo ke mna if I'm a bit rusty. But I like perfection....slow rhythms..." Mandy: "making love?" Soso: "I call it fucking slowly." He took a condom and put it on himself, entering her. Her body immediately melted. He didn't do nothing else except go around in a circle. Mandy: "Soso..." She moaned. Then he went in and out very slowly. She was hungry for more. Mandy: "why are you teasing me!" Soso: "shhh....calm down baby..." He held his body up and moved deeper inside her. She groaned out loud. Her heart was floating. His beeper went off. He kept goingsideways, circles.... Mandy was calling out his name. He held on to the head board and went faster. She opened wider. Soso: "yes!! Vula baby.." Mandy: "deeper..." He went deeper, harder...her body was shaking. Full of joy, screaming out loud. He grabbed the sheets....thrusting with all his might. Mandy: "Sonwabiseee!!!" She cried. His last stroke was slow and deep. Her nails clawed into his neck and skin. Her body in the ultimate climax. Mandy: "there's something very wrong with you.." Soso kissed her lips. Soso: "I have to go..." Mandy: "just one more hour." Soso: "I'm sorry I can't...there's an emergency esbhedlele...that's why this thing is going crazy. I'll call you later. I promise." Mandy: "okay..." She held him closely and kissed him again. Soso quickly showered got dressed and ran out. There really was an emergency. An accident had happened and the driver was severely hurt.....

Later on that day... Lungelo and Paul were in his office after the meeting. Paul: "what's up fethu?" Lungelo: "nothin..." Paul: "oko uthule." Lungelo: "pass me the blue file." He gave him the file. Paul: "Lungelo? Is it your girl? " Lungelo: "No paul! Ngu Thando. I cannot believe he can be this irresponsible with his life!" Paul: "what has he done now." Lungelo: "he knocked up his girlfriend." Paul: "how? Lukhanyo ubanikile nje iicondom." Lungelo: "what?" Paul: "what?" Lungelo: "Lukhanyo utheni?" He hissed. Paul: "I thought you knew..." Lungelo: "knew what?" Paul: "maybe, if you could just maybe chill out. I get why Thando likes the twins. They're the funniest combo ever. And they're cool. Wena on the other hand.....ai andaz. always ufuna ungxola." Lungelo: "and where will is the funny combo now? Nanko umntu ushiyeke nendaba yakhe." Paul: "its no use arguing with you because you simply hate the twins. Therefore into edibene nabo ayizovakala." Lungelo took his bag and keys. He drove to fetch Thando and Asanda, trying to be calm. Thando actually lied to him. They got in the car and greeted him. Lungelo drove to Greenacres hospital. They did the tests on Asanda. Doc: "so we're entering your 5th week of pregnancy. This is when the brain, the spinal cord, the heart and some other organs start to form. I know its hard to believe but he or she is probably about the size of the tip of a pen." Thando: "wow....I thought at least my hand." Doc: "growth is more rapid from week 6. The neural tube along the baby's back will start closing and the heart will be pumping blood." Lungelo: "so when do they come back for a check up." The doctor gave them a date. Thando: "so everything will be okay?" Doc: "yes, everything is fine." He smiled. Lungelo: "okay. Thank you doctor.." They got up. Doc: "anytime.." Lungelo walked out first. Thando held Asanda's hand as they walked out. He was happy for once. Asanda: "what?" Thando: "nothing.." Asanda: "mxm..khathethe." Thando: "I'm just happy babes, akhonto.." Lungelo drove Asanda home. Asanda: "uhm...the problem is, I was going to tell umama. Just not now. When I'm ready." Lungelo: "ok then." He stopped by the bus stop. As Asanda got off, Mandla's car turned around the street corner. He saw her and stopped in the middle of the road. Mandla: "OH." He got out the car. Mandla: "OH Asanda?"

Lungelo: "ehh...you are in quite a lot of shit bonanje. Uyabona phof ligintsa lamntu and akanayo nengqondo. They're even worse than the average cartoons you're used to." Thando: "cartoons?" Lungelo: "amawele la uvanayo nawo. You lied to me to go have fun with them. You went to party and got a girl pregnant. Now they have disappeared, badala ke bona. One is married and the other is an unstable goat running around making people miserable." Thando: "Lubby isn't an unstable goat. And he makes me happy. Nguwe wedwa oba miserable xa kuthethwa ngaye." Lungelo: "is that so... Thando, these guys will ruin you. They possess you, ubathande over, then when you're fucked, they disappear. Buza kwii former friends zabo they will let you know. Bazok'user aba, once you have blood on your hands, they'll cover up for you but you'll forever be indebted to them. Uzoba sislave sabo." Thando: "can we just let this go, and Asanda zange ndilale naye k'la party. We go way back, I know its my child because it was sometime a month ago. Ndingeka bazi ooLubby. So they didn't do this, I Did. Cela uyeke uba blamer." Lungelo: "I've stopped. Thando, by means of supporting umntana you need a job. My restaurant is running, uzobuyela khona and save your money for the baby." Thando:

"what about Rugby? My social life?" Lungelo: "rugby and socializing can't be more important than your child." Thando: "Lungelo-" Lungelo: "ndok'fakunye impama." Thando: "but bhuti, I can work twice a week. QHA, the weekend I can play matches and/or rest." Lungelo: "uzubuye ke uzokhalela kum when socializing gives you a second baby." He parked at his house and got out the car.

Soso was at his mothers' house for a quick supper. He looked up and got a fright. Soma was leaning by the door staring at him. Soma: "you've been ignoring me." Soso: "mxm...ayikho lonto." Soma: "we were suppose to meet izolo, usual spot, you never pitched. Who is she?" Soso: "who?" Soma: "the girl you ditched me for." Soso: "none of your business." recognize ba ndikhona and good for her..." Soma: "ncaaaw...that's soo sweet." Dad: "and stupid. Unavail yourself! Appear once only, ulahleke for a while. The moment you're there every split second. You will be the official booty call. If she understands ba awuphelelanga kuye, uzobawa akuleqe, that way she'll complain and argue about needing you. That's your gateway to the relationship." Soma: "Now you just pushing for friend zone. Awufun adikwe mos nguwe?" Soso: "can I do this my way?" Dad: "I'll be sitting here waiting to laugh my butt cheeks to heaven." Soma: "ndincedise nam. In more ways though." Soso: "just stay the hell away!!" Dad: "Ayy...soothe your boobs boy. Give that chest a rest..." Soma laughed. Dad: "hakuna your taataa's..." Soma: "don't have a rack attack." They laughed at him. Soso: "you two are just idiots yazi. Mama!!" He got up and looked for his mama." Dad: "he must adjust his bust." Soma: "before it combusts!" They laughed again.

Busi and Lonwabo sat in his bedroom that evening. She was painting her nails white. Lonwabo lay next to her and continued playing his PlayStation. Busi: "boo. Nceda apha." Losta: "ha.a sweetie. Andizokwazi." Busi: "lonwabo man!" Losta: "no honey, my mom told me never to touch that stuff." Busi: "just pull up my sleeves." He paused the game and pulled up her sleeves. Busi: "hair.." He tied up her hair. Busi: "enkosi ke love." He carried on playing. Busi: "sweetie...don't you have a single friend?" Losta: "nope, married or stay-in's." Busi: "not even one?" He shook his head. Busi: "I want to help Thoko find a date. Phof as a surprise..." Losta: "hm.." Busi: "are you even listening?" Losta: "not really." He was trying to focus. Busi: "ndizoy'cima bonanje lento mna!" Losta: "just a second.." She breathed and kept on with her nails. Busi: "so bendicinga maybe if you had a friend omaziyo ba uright...because Thoko has a fragile heart." Lonwabo didn't reply. Busi went to pull out the plug, he screamed. Losta: "BUT BABY!!!" Busi: "kunin ndithetha ndodwa?" Losta: "fine then what's wrong? Who died?" Busi: "no one man...I want to find Thoko a date." Losta: "ndizam'phathel uLubby. Umbi ke qha." Busi: "nguban uLubby." He showed her a picture. Busi: "OH,,lona..umbi? Phi exactly? He's adorable." Luks: "no wait that's not him, nguLukhanyo lo, ima..." Losta: "okay, scratch Lubby...the other doctor is too weird and unhinged and andim'qhelanga, so scratch him....I'll think of someone." She received an email and read it, it was from her boss Mark:

"please see me urgently tomorrow morning in my office. 07:30 sharp." Losta: "what's wrong?" Busi: "andazi...I'll find out ksasa..let me get going..." Losta: "yeah nam ndisaya ekhaya. Next time I'm taking you with..." Busi: "I would love to." They went to the cars and kissed goodbye. Losta: "I'm already missing you..." Busi: "me too...I'll call you va." She kissed him and left. Lonwabo drove to his parents' house. There were several cars parked outside the house.. Losta: "and then..." He wondered. He parked his car and went into the yard. Tia came straight to him. He picked his daughter up. Losta: "tata??" As he entered. His dad came to him. Dad: "ndodana. Funeke sithethe..".... Losta: "about.....what tata?"

Chapter 483

Lonwabo's father sat him down with the family. Dad: "uyabazi ababantu?" Losta: "hayi." There were strangers too. Lonwabo held his daughter very closely. Dad: "lonwabo. Nga bazali baka Liyema aba. Basuka eMthatha." Losta: "molweni ta.." He shook their hands. Dad: "they know you and the baby. Waya kanye qha uLiyema naye. After she passed away, they didn't know where to find you." Losta: "oh." They couldn't take his daughter away. He would never let them. Dad: "Lonwabo, they came for the child.." Losta: "NO." Dad: "Lonwabo.." Losta: "Hayi tata! Tia akayi ndawo!!" The elderly man intervene. Liyema's uncle. Uncle: "asizanga zolwa nawe. Akasekho umama womntana kengoku sicela umthatha sizom'gcina. Wena ungaza uzombona." Losta: "with all due respect tata, andizokwazi uyivumela lonto. Firstly ndava kab'hlungu kakhulu ulahlekelwa nguLiyema, I was in pain. I still am. Now nifuna uzothatha something that's my only link to her? Uxolweni tata, but you've wasted your trip." Dad: "Lonwabo, at least if you come to Reason." Losta: "tata, andivumi. QHA. Ayizotshintsha lonto, if Liyema befuna uTia ahlale eMthatha ngengamzisanga kum." Dad: "ngabazali bakhe ke kodwa aba. Funekile uy'hloniphe lonto." Losta: "uxolwen ta." Lonwabo simply walked out, got in his car and drove away with his daughter. He went to Busi's house. He held his daughter in his arms as he knocked on the door. Khanya opened. Khanya: "funa nton?" Losta: "khasuke man uphi uBusi?" Khanya: "akekho." Ma: "nguban lowo." Khanya: "akhomntu ma." Losta: "sies...lento inobuso ngath litswele, khaw'suke man!!" He pushed her aside and walked in. Ma: "oh nguwe Lonwabo. Molo." Losta: "mama, ninjan?" Ma: "ndiyaphila mntanam. Busi!" She came out her room. Busi: "hey what's wrong?" Losta: "yazi utata is unbelievable at times. Ubayeka njan ababantu bangene benze demands endlinakhe! Bade baze ngeemoto ezinthathu!" Busi: "ngoban abo?" Losta: "liyema's parents...ngabase Mthatha. Bafun thatha umntana." Busi: "why?" Losta: "I don't know.

I know for a fact Liyema would never in a million years let this happen. She told me umntana ufuna ahlale nam. That's why she's with my family, her family wouldn't treat her ngendlela eright because watsho ngomlomo wakhe ba wayephetheke kakubi. That is why she came here! She had the baby, Here! And she left her, Here!" Busi: "calm down kalok love...we could go to the police first sibachazele lengxaki. Before they go bak'reporte. Let me get dressed." Lonwabo sat down. Ma: "mntanam." Losta: "uxolo mama kodwa asoze ndibayeke bahambe nomntanam mna." Ma: "and that is what's right for you. Ngumntana wakho lo. Any decision about her, must be made by you. Akak'xakanga mos. Kodwa ke, thoba umsindo, uthethe ngendlela elungileyo nabo ubabonise kuba unembeko." Losta: "ndizozama ma." Ma: "suzama, yenza." Busi came back with a small bag. Busi: "masambe. Ndimnkile mama." Ma: "hamba nestixo sakho ndiyolala mna." Busi: "andizobuya kodwa." Ma: "kulungile ke. Uhambe kakhle Lonwabo." Losta: "nkosi ma." They left for his house. Busi drove her own car. Lonwabo was in front, he parked in the garage, leaving space for her car. They went inside the house. Busi: "khamsapha, ngathi uyozele nje, I'll bath her alale." Losta: "her things are in the white and pink cupboard. Thanks baby." Busi: "singaqali epolice station kqala? Before they lodge a complaint." Losta: "I suppose. Nangona ndidiniwe already." They took Busi's car and drove to the station.

The next morning Soso was at work. He had left his mothers' place the previous evening at 9pm. Working night shift. He had a load of administrative work to finish, and catch up on. Soma went to visit him in his office. Soso: "Soma, please use your hands properly and knock." Soma: "I'd rather stand here and watch you work. Wenzani?" Soso: "admin stuff." Soma: "let's see." Soso: "no this is confidential." Soma: "I'm confidential but you still see me." Soso: "mxm, pass me those files." Soma brought him the stack. Soma: "let's go out for lunch.." Soso: "Somangaye, I am busy." Soma: "you're always busy." Soso: "exactly. I'm a surgeon remember? Peoples' lives depend on me." Soma: "when its their time, then its their time." Soso: "shhh.." Soma kept himself busy..looking around the office, he found a stress ball. He played with it. Soso: "iyangxola lento uyenzayo yazi." Someone knocked on the door. Soso: "come in.." Another doctor came in. Soma stared at him. Doc: "uhm..." He saw Soso sitting in his desk but still stared at Soma. Soma: "what?" Soso: "Davidson?" Doc: "we were supposed to meet at 8. You still busy?" Soso: "yes..everything is just piling up, give me another hour?" Doc: "will do.....hey, you didn't tell you had a clone." Soso: "you never asked." Davidson looked behind him. Doc: "where did he go?" Soso shrugged. Doc: "uhm...okay. I'll see you when you done." He walked out puzzled. Where did the twin disappear to? Or was he dreaming? No man he even spoke though. Davidson shook himself out of his thoughts. Soso: "ubaleke nton?" Soma: "I needed to pee.

Ndiyak'shiya mna..." Soso: "just bring me a sandwich ne juice ke Soma." The brother went to buy him food and brought it back. Soso: "thanks." Soma: "bye.." Soma left for the Mall. He wanted to buy something for Skhura's kid. Probably a dress or something, he wasn't sure. He started at Luella seeing a nice shoe displayed at the window, so he entered the shop. Mandy was there shopping with her colleague. As soon as she saw him, her heart melted. He was holding the black stiletto, thinking Thandi would totally love this. He had to surprise her. Mandy: "hey you..." Soma looked up...a little confused. He tried to register or remember her, staring at her face then moved down to her body, he just couldn't help it. That skirt sat perfectly on those curves, the twins peeked on the top of her shirt. Soma: "me?" Mandy: "you still playing hide and seek huh...ungene undibona now all of a sudden you're shocked to see me." Soma: "I, uhm...." Everyone was staring at him. The only guy in the shop. Mandy: "peto, this is Sonwabise...babe, this is a friend of mine. Wenzan apha?" Soma: "you're probably gonna think this is crazy but uhm....andingo Sonwabise mna." Mandy: "okay love. Either way...." She held him closer and whispered in his ear. Mandy: "I'll be waiting tonight..you owe me..." And kissed his cheek. She walked away. Mandy: "and by the way, I already have that one....I like the white though." She winked. Soma looked at the shoe in his hand. Would he call Soso....or would it just be his secret? He smiled. Soma: "Mandy?" She turned to look back at him...

Lukhanyo drove to Nmmu. he called. Me: "boo?" Luks: "ndilapha phandle, uphi?" Me:"ndiyeza." I didn't have a class for at least 2 hours. I got to him by the parking. He was standing outside the car. Me: "hey, what's up? Are the kids okay?" Luks: "yep, I missed you." Me: "but...you came all the way here?" Luks: "saw your status ku BBM. Khandikhaphe baby, siyothengi phone for mna.." Me: "your phone still works though." Luks: "its ugly, yijonge." The cracked screen really did make it look ratchet. So we drove to buy another phone. He took the same one. Me: "ndilambile bonanje." Luks: "itya mna ndim lo ndiyinyama." The assistant laughed. It wasn't even that funny qha inoba ufuna ibrowny points ku brothers. Me: "khawuleza kalok." Luks: "really?" He dropped the phone on the counter and stared at me. Me: "enza uqibe sibenohamba." Luks: "okay mfaz wam. Sunxama ke." He made a quick signing process and as I thought, the assistant started taking her time, doing things slowly. Luks: "HEY. Jonga loly, you better make it snappy! As'phelelanga apha. Be quick before I...." He kept quiet. Luks: "ndizom'betha lomntana lihle." Me: "just chill boo." The moment he was done, grabbed the box and my hand, we left the shop. He drove to Lovemore Heights. Luks: "when are we moving in?" Me: "after you're back from your trip." Luks: "akho rush anyway, because its still ours. Asiy'bolekwanga." Parked the car and walked in. Everything was fine and neat. All white. Luks: "this house makes

me....." He grabbed me and carried me upstairs. Luks: "indenza mnandi man...even Richard loves it." Our bedroom was made, the bed looked like a carriage. We lay down and kissed. No touching... Luks: "intle indlu yakho sisi." Me: "enkosi bhuti.." We sat together and chatted, forgetting the initial reason for being there. Meanwhile, Lubby was back. He first had a meeting in Newton Park, another in Richmond Hill then he would call Lukha. Lubb: "hewethu, andizongatyi mna." He drove to Richmond Hill first. Stanley street. He thought he saw Soso sitting there having a meal, so he he'd join. Lubb: "heyyy, Soso-man." Soma stared up at him. Lubby sat down, opposite. Soma: "who invited you to sit?" Lubb: "oh stop being a poopoo head. Waiter?" Soma kept quiet and ate. Lubb: "so how you been?" Soma: "andifun thetha nawe mna." Lubb: "so what you gonn do? Sihleli kunye mos." Soma: "I did not invite you." He warned. Lubb: "oh wait....you're the other Soso, the mean bastard." Soma: "lubabalo...don't fuck with me the wrong way. Andihlelanga wena apha." Lubb: "well, andiyi ndawo. Uzoy'ginya ngok ishushu." The waiter stood next to him. Lubb: "I'll have the same as him." He left. Lubb: "kuthen hlel wedwa?" Soma: "bro's at work, babe's at work...so.." Lubb: "friends?" Soma shrugged. Lubb: "you're like the kind of guy that doesn't have friends. Why you uptight? Ungathethi nabantu..?" Soma: "that's where you and your brother fuck up. You think everyone is your friend. Sometimes you gotta keep your eyes open and watch without saying nothing." Lubb: "hmm....ndiyakuva..." They sat silently staring at each other. Lubb: "you want to be my friend, don't you.." Soma: "I don't befriend clowns." Lubby laughed. Lubb: "mxm..." Lubby's food came and they ate quietly. Soma: "what you doing tonight?" Lubb: "nothing...maybe steal Lukha for a while." Soma: "I wanna show you something." Lubb: "what?" Soma: "9pm...here." He wrote down the address. Lubb: "okay...ndize noLukha?" Soma: "if that makes you sleep better at night, yeah whatever." He got up and went to pay his bill. Lubb: "uzond'shiya kengok?" Soma: "finish your things for the day. Yayaz zond'fumanaphi mna." He got in his car and drove off. Lubb: "but where?" He wondered.

Chapter 484

Later that day, I went straight home. Lukhanyo was watching soccer. Me: "love, ubasephi abantwana?" Luks: "balele baby." Me: "semnkile usisi." Luks: "yeah, told her to take the rest of the day off." Me: "okay." I flopped next to him and cuddled. We watched tv together. Mandy knocked on our front door. Luks: "come in." She rushed in. Mandy: "molweni." Luks: "hey.." Me: "hey babe, what's up?" Mandy: "we have another gig. Saturday." Me: "heee, aren't we gonn need help kengok?" Mandy:

"ndicinga lonto nam." Me: "let me go fetch my laptop sikhabe siqala." I went to the bedroom. Luks: "nguban Trey Songs?" Mandy: "trey songs yacula nje." Luks: "hayi man, omnye..." Mandy: "omnye?" I came back and sat down. Lukhanyo went to the kitchen. Mandy: "I met uMr kwa Luella ke peto..I think he went to buy me a shoe as a surprise but I ruined it. Ndimbone phethe is'hlangu, esibuka." Me: "he's so romantic...how cute man, banqabile ke ama ow aveske acinge ngothenga is'hlangu for umntu wakhe." Mandy: "but peto..its what he said that confused me." She came to sit next to me and whispered. Mandy: "uthe akango Soso yena." Me: "what's that supposed to mean." Mandy: "well ndaphuma ke waphinda wandibiza, he explained to me that he's an identical twin and ndiyabandanisa. He's brother was at work." Me: "haibo...wathin ke wena?" Lukhanyo walked to the lounge and switched off the tv. Tidying up the table. Dusting it and fluffing the pillows. Me: "sweety." Luks: "yes love?" Me: "cela uyo checker abantwana?" Luks: "ndinenzele itea?" Me: "no we're fine thank you." He walked to the bedroom. Mandy: "I asked him who he was, because mos mna zange ndixelelwe nga twin. He said ngu Soma yena." Lukhanyo came back. Me: "my friend, let's take a walk." We got up and walked out. Luks: "so its like that? Awufun ndik'khaphe?" Me: "No baby.." Mandy: "he's adorable man, ubanesthuk'thezi omnye lihle." Me: "ndamaz, he'll be fine wethu. So what else did twin say.." Mandy: "that was pretty much it wethu, wahamba after that." Me: "its true though, I've seen them together. Ndothuka more than Lubby and Lukha." Mandy: "but what happens when they lie? Firstly they're identical secondly, bathule...you know how deep quiet people are. Ndizokhe ndivale ke sana namhlanje andizom'tyisa tu until ndibeke iStamp komnye wabo ndimazi owam." I laughed. Me: "yinton undikhumbuza uNamhla. Befuna nokhupha abemnye izinyo." Mandy laughed too. Mandy: "I don't know how I'm feeling yazi...I'm so confused and stuff, maybe I moved too quick." Me: "tshomi, just take it slow, tonight hlala naye, get to know him more, explain to him how you're feeling. If he's real, he will have your back." Mandy: "no sex.." Me: "ewe peto, give your pussy a break. Maybe this guy is your future husband, if you hang on to your ex, ungam'loser kabuhlungu." Mandy: "and I don't want that to happen. Wena how did you and Lukha happen?" Me: "uhm...we met and had sex. The day I found out my boyfriend was cheating. Andazi noba bendizama irevenge na. Kodwa ke my ex didn't give up...but unfortunately he died. I had to get over it quick because kwakukho Lukhanyo lo ngoku and I didn't want to lose him." Mandy: "I'll speak to him. Maybe naye he'll open up about himself..like why he's hiding his twin." Me: "kubekho ezi zimbini zithandana over." Mandy: "dragging each other everywhere..." We laughed and walked back to the house.
