Ndiyom'bonisa nkawu nge dog. Akandazi kakuhle." Lungelo: "sho awti." Lubby walked out and drove to Liya's house. She was with Luya, they were sitting together watching a movie. Lubby walked in. Liya: "hey. Nanku Tata boy." Lubb: "molweni. Ninjan." he sat with Luyanda. Who didn't seem interested at all. Liya: "kudala ene moods ke." Lubb: "hayi boy, ndim lona nje.." he put him on his lap. Lubb: "how've you been Maka Luya?" Liya: "ndiright wethu, wena unjani?" Lubb: "I'm good." Liya: "what happened? Kind of just disappeared on us." Lubb: "ahh...well...you know. Life." Liya: "uthi uLukhanyo benixabene and you tried to kill yourself." Lubb: "Lukhanyo?" Liya: "yeah, besithetha ku whatsapp. Is it true?" Lubb: "part of it wethu." Liya: "kwenzzeke ntoni?" Lubb: "but I can't tell you Liya." Liya: "yes you can." he couldn't. Would she be hurt? But then again. She's moved on. Liya: "I'm not gonna judge you Lubby. Sonke siyazenza Izinto esingekho proud ngazo. Talk to me..." Lubb: "Liya, I can't." Liya: "Lubabalo, ufuna kengoku ndibambelele kwinto ethethwe nguLukhanyo." Lubb: "I slept with Lihle." Liya: "I know that. He told me." Lubb: "ubuzela nton kengok?" Liya: "bendifuna uyiva ngawe Lubabalo. Because as unhinged as you are inyani unayo. Nobody needs to calculate how all that happened. You were too close and it was wrong of you." Lubb: "I know it was wrong. Kodwa kutheni ndingaz'regret nje? I am sorry I hurt Lukhanyo, but I still don't wanna take what I feel back." Liya: "kanti what do you feel?" Lubb: "ndiyamthanda Liya." Liya: "he says you don't. Uyibeke as ba yi"affair" Le. And I don't know, it sounds a bit unreal nakum. Because Lihle loves Lukhanyo." Lubb: "I'm not going to protest uba, who she loves and doesn't. Into endi-sure ngayo

is that mna ndiyamthanda. I did something really stupid because I knew I wouldn't be able to survive without her, ebendilahla because it would "make Lukhanyo better". Apparently it would help him change angenzi lento beyenza kuLihle to his new fiance..

Liya: "Huh?? He didn't mention that! Zintoni Dan ezi bezenza?" Lubb: "hayi Liya, I can't tell you amabibi kalukhanyo, since you best friends ask him. Maybe uzak'chazela ne reason why he did what he did kuLihle. Bungayaz Lukhanyo uzaw'tshata?" Liya: "khange ayithethe tu lonto. Bendibuza qha ngoLuya. Wandichazela ngalento yenu noLihle called it a disgrace and stuff." Lubb: "he can call it whatever he likes. Ndiyayaz mna ndiziva njani and andizotshintsha. She's gonn give birth to my next son, in about 3 weeks time." Liya: "what if umntana ngowaka Lukhanyo." Lubb: "that is My baby Liya mtshana. Noba sekus'thiwani. Ndiyayiva mna eyam. Nje ngale nqeqe yam." he kissed Luya. Who gave him a look, then melted into a smile. Lubb: "Kunin uqumbile mjita? Bukhumbul Tata ne? Yes you did!" the baby smiled again. Liya: "kodwa ke Lubby nyani, its Wrong lento. Cingela abantwana. Luthandoluhle uzothin xa emdala esiva lamanyala? How do you think this will affect them?" Lubb: "we will explain to them inyani besakhula. Bazoyazi. Akhonto izoba affecter ngandawo, if abandixoleli then its fine, kuzoba bhlungu but I can't change it. What I won't do is badmouth utatabo to regain points I will never do that. Indlela eyenzeka ngayo ndicela ingathethwa. by that time Lukhanyo will be a changed man and won't need to be reminded of his scary past." Liya: "hayi..andiyazi Lubby. I still think its a risk." Lubb: "well its my risk. I just need to find a suitable time and talk to Lukhanyo." Liya: "Lukhanyo uyamthanda uLihle Lubby. Don't do this to yourself. Eventually she'll go back to Him. Ushiyeke wena ukhubekile again. Then God knows what you would do to hurt yourself again. Please remember unabantwana. Amankazana come and go, don't be that foolish again." Lubb: "I won't be that stupid Liya. But I know for a fact I love her." Liya: "ukhona ongamthandiyo Lubby? You're quick to fall in love. and ulibele kalok ba ukhaw'leza udikwe wena." Lubb: "kwakunini Liya ngoko. Kuthen ndingade ndincame ke? Why ndinga dikwa? Sileqa uYear 2 ngoku." Liya: "uzaw'zibona wena net Lukhanyo ayivume lento, uzodikwa ufune olandelayo. Where will that leave her?" Lubb: "that won't happen ke kanti." Liya: "hayi. Like I said, I'm not gonna judge. Its Your life." Lubb: "ndicela uhamba noLuyanda. We have a kiddies party on Friday." Liya: "okay. Umbuyise nin kengoku?" Lubb: "on Sunday." Liya: "okay." she took the baby to feed him. Siviwe, her boyfriend arrived. Svig: "molweni." Liya: "hey babe." she kissed his cheek. Svig: "aww intwana yam mos." he played with Luya's cheek. Liya: "yathanda ke uqosha. Yamazi." Svig: "funেকে ndiqale ndim'cenge kaloku lo. Molo bhuti." Lubb: "molo." Svig:

"uyaphila?" Lubb: "I'm breathing. Wena?" Svig: "haha. Ndiright mna." Lubb: "mandini shiye." Liya: "bye." Lubby took Luya's bags and him then walked out to his car.

Later that afternoon, in Lubby's house, the guys had left for work. Lukha, and Luzuko remained. Ta Seez had come with Luthandoluhle since Lukhanyo was ordered by Lisa not to go anywhere near Lihle. Sibongile brought Chuma and his clothes, leaving him with his father. Lubb: "naba abantwana baka Daddy." Chuma ran into his arms, jumping and laughing. Chuma: "hello Daddy." Lubb: "hello nyana, unjani?" Chuma: "ndi right mna." Luthando was over excited. Lutha: "hayi Tata!" he giggled. Lubb: "izapha my boy." they all sat down. Chuma took out his toys and show him. Luhle sat on top of Lubby. Lutha was sitting next to him. Luyanda was with Lukhanyo. Chuma: "yabona ke daddy, so yena ubhuti wandithatha sahamba sobay2." Lubb: "iphi yona cherri yakho?" So ke yilo struggle, either Luzuko goes, or Ta Seez uyabazisa." Luz: "yatshintsha kodwa ngok Le weather." Lubb: "ziphi ezi? Bethule kangaka nje." Luks: "lutha's probably out there picking flowers for his sister, yinto yakhe ke leyo. Khangela in the garden." Lubby walked out, indeed Luthando sat in the middle of the flower bed with a flower in his hand. Lubb: "gentle man yam. Masingene ndlin kuzobanda." Luhle was at the other side digging something up with Chuma. Lubby carried Lutha, then picked up Luhle and kneeled on both knees. Lubb: "iza Chuma." the boy climbed on his back and they walked to the house. Luks: "akuse mandi ubano Tata one-muscles." Luz: "uyaxhwaywa nawe, I don't see why you complaining." Chuma: "daddy iza, zoyodlala plesteshin." Lubb: "hayi. Asizodlala play station ngandawo apha. We'll play here. bring your toys." Chuma went to fetch his toys and they washed their hands. A wind was starting outside. They closed all doors, windows and curtains. Lukhanyo lit up the fireplace.

Lubby and Luzuko were building a fort using blankets and cushions. The babies sat inside the custom made tent. Luhle making a racket, singing and clapping her hands. Luzuko joined them inside, with Chuma and Lubby. Lukhanyo brought snacks and juice boxes for everyone. Chuma: "mna Tanci, funa cula ngoma ka Lutha." Luz: "hlabela ke nyana." Chuma: "hayi Tata yayazi yena." Luks: "andingeni ndawo tu. There's someone at the door." Lubb: "noba ngu Lungelo." he crawled out the tent and went to open. Lungelo: "hey. Then walked Lungelo out. Lukhanyo lay back and took pictures of the kids singing and dancing. Luz: "down in the jungle where nobody goes. There's a big fat mama, washing her clothes." Lutha: "a-boogie boogie boogie!!" he screamed. Luks: "hahahaaa!! Yima kwedin!" Luz: "yeka umntana, this is His song. Iza ndoda. And a Oooh aaah." Lutha: " A-boogie boogie boogie!" he laughed. Lubb: "shhh...guys. Unyana ulele." Luhle: "lele baba?" Lubb: "ewe, baba ulele mntanam.." they hummed a little tune together while playing quietly. Lukhanyo fell asleep too. Luz: "so what do you have planned for Friday?" Lubb: "I've organized the cake, drinks and party packs. Something for close relatives and friends wethu because ke really, they not even in creche. and nje ingathi kuzobanda, We'll be indoors just like this, ngathi kushushu kamandi lewei." Zintle was helping in Lungelo's restaurant when he was busy with a case. Zuki helped with bookkeeping. Zintle helped the waiters and in the kitchen. She went to the office to check on her friend. Zintle: "USA Hamba right peto?" Zuki: "yes, everything is looking good and the business is growing hey." Zintle: "angavuya uva lonto." Zuki: "who's in charge of deliveries? Brian right?" Zintle: "I think so. Kukho problem?" Zuki: "no, but I do suggest he looks for another supplier because prices zale are quite high." Zintle: "I think its more of a quality thing which Lungelo cares about most. Eye-price akayikhathalele tu." Zuki: "oh, okay. But nonetheless he's doing well." she closed the laptop. Zuki: "ndincedise phi else?" Zintle: "please clear the tables for me. I'll be locking up and taking the waiters home. Then ndibuye." Zuki: "okay, khaw'leza peto." Zintle took Lungelo's car keys and drove some of the waiters home. Others had their own transport. She came back to help clean up. Zuki had already started.

Putting the chairs up and sweeping. Zintle mopped and washed the remaining dishes. Zuki wiped and they tidied up then went to count the money. Lungelo: "ndine worry ngo Khaya, he hasn't been back sin-" Zintle: "shhh..." she climbed on top of him. Lungelo: "wow. Okay." Zintle: "no touching." she unbuttoned her top releasing her breasts. His eyes stared at them mouth watery. Lungelo: "hayi baby.... I have to." Zintle: "zophela ke game yethu." Lungelo: "ok." he swallowed. She managed to take off her tights and was left only in her panty. He wanted to touch her so badly, he was shaking. Lungelo: "ndiyakcela baby." she licked his face, grinding on him. He gasped for air, his lips hungry to feel on hers. she took off his belt and pulled his pants down a little. Then played with it. Lungelo: "sthandwa Sam...." he moaned. She guided him inside her, his eyes closed and enjoying. She moved slowly on him biting his neck and cheek. Lungelo: "yesssss!!!!" he groaned. Lungelo: "babyyy..." she went faster. Lungelo: "ooooohhh. Zint-leeeee!!!!" he held on the window. Lungelo: "aaahhh yess!" he watched her breasts bounce up and down. He couldn't help himself. He grabbed them squeezing them and sucking. Lungelo: "slow down baby...." she went faster. Lungelo: "nooo baby zandicithisa njena!" Zintle: "I can't stop." she could feel her orgasm coming. Holding onto him. The faster she went, he groaned and breathed louder. Her ass bounced on him faster, feeling the pressure he let go and released. His mouth still on her breast. Lungelo: "damn...." her thighs shivered. Zintle: "you disobeyed the rules. You will receive punishment." Lungelo: "bring it on. Ndifuna siy'qibezel endlin baby...Yuuh, the things I wanna do to you girrl...shit." she got off him and wore his shirt. He drove straight to their building and went upstairs to finish up.....

The next morning, Thando was in bed with his daughter sleeping next to him. He was still sleepy. The baby had kept him up all night. Asanda came back in the room. Asanda: "hey honey." she too was drained. Thando: "akumnandi uba ngumntana. All you gotta do is keep people awake all night." Asanda: "yuuh baby suyithetha lonto. Asanda: "masilale boo." they fell asleep minutes later and were woken up by Sisipho at 10. Her mother woke up and fed her, bathed the baby and put her next to daddy while she made him breakfast and went to shower. Thando ate in the mean time. Still laying in bed. Thando: "kodwa mntanam awulali ne." Sisipho smiled shyly. Thando: "vuma uthi ewe Tata." her little balled up hand was in her mouth, gumming on her own hand and drooling on her bib. Thando: "baby thetha nam kaloku njena. Ithi tata." Asanda came to dress. Asanda: "makuvukwe." Thando: "andisozeli baby. Yuuh, asiphindanga?" Asanda: "sathini love?" Anyway ndiyahlaba." Thando: "okay ke baby. Its fine that way. Kodwa ndisozela." Asanda brought him a glass of water to drink. Thando got up, took a shower and dressed. Asanda: "so as a present sizothenga nton?" Thando: "zii-twin babies ze billionaire ezi love. I actually don't really know What may be the perfect gifts." Asanda: "saw'bona phambili love, ngu half 11. Thando: "babes, ungay'libali bottles zakhe." she went back to the house. His phone rang. He knew the number but not sure who it belonged to. He answered. Thando:

"hello?" caller: "hello my sweetheart. Unjani?" he froze. Thando: "sis'Beauty iyawa yinton ngoku!" She: "we had a deal chocolate.." Thando: "we cancelled it." Beauty: "ncooh, and I wonder what your pretty Little baby mommy would say." Thando: "kalok sisi, noba umdala uyakwazi uba dom. I have nothing to do with you. Leave me alone before I ask my brother to sue you since you got time to play!" he hung up. Asanda: "what was that all about?" he got a fright and looked at her. Thando: "uhm....my previousboss. Let's get going." he got in his car....

Chapter 627

Lubby was dressing the babies. Buhle gave him hassles. She didn't want to be dressed. Lubb: "angel come on daddy, is trying here." Buhle: "dada." Babalo was already done with Lukhanyo. Luzuko was holding Luyanda. Lubb: "sthandwa Sam. I know its your birthday and daddy loves you to bits and pieces. Nxiba kalok mntanam, kuyabanda njena." she giggled and crawled away from him on the bed. Lubb: "Eish. Awuva ke wena." he grabbed her foot and pulled her. She burst into laughter. Lubb: "Hee hayin uBuhle!" he sat her on his lap and tried again. She sneezed and hid her face in his chest, pulling on his shirt. Lubb: "uyagodola mos baby, iza kalok nxiba." she was too amused with herself. Finally he dressed her and then had to feed her which was another mission and a half. Lubb: "awusandigezel namhlanje caba uzixelele ba uzandibonisa." Lungelo and Zintle walked in. Lubb: "thank you Jesus! Kunin endisokolisa." Lungelo: "sujonga mna, andim'kwazi. Nika mamakhe." Zintle took her baby and fed her. Lubby went to make sure everything was going according to plan. Taking his son, from Luzuko. Lubb: "uxolo mjita, ndicela ithuba nendoda yakwa Morrison." Luz: "thatha awti. I think he made a stinky." Lubby held him up and sniffed his bum. He sure as hell did. Luyanda had the most adorable innocent look on his face like he did nothing at all. Lubb: "njani kengoku boy?" luyanda farted again and pouted. Lubby took him to the nursery and changed his diaper with a peg on his nose. Putting a clean diaper on him and walking to the lounge. Everything was fine, properly planned and organized. Luks: "bruh, siqala ban xesha?" Lubb: "I'm still waiting for Stuja, Sindiswa Thando and his girl. Plus their kids. Soso can't make it, they out with Soma and their girls. Uhm....yeah that's all." Stuja's little family arrived. Then Thando and Asanda. Luyanda clung onto his father half asleep. Babalo was crawling around with her baby toy. Luthandoluhle were wearing matching Lakers t shirts and denim jeans. Lutha had red mini Jordan's Luhl's had mustard little

Timbalands. Lukhanyo had combed his daughters hair and tied up in 3 pig tails. Lutha had a mohawk his father had cut the day before. They all moved to the hall where the party was set up. Lubby started the party with the prayer as always Lubby "Ahem, let's bow our heads. Dear Father, we are gathered here to thank You for the precious gifts, my daughters, Babalo and Buhle. I thank You for them, I thank you for reuniting us with the little one Babalo. Thank You Lord for my Family, thank You for my brothers. May all Your blessings pour upon us you have been doing. Amen." they all chanted "Amen". Luz : "AMENI, ebandleni." Lubb: "isgezo andisifuni. Ladies and gents, I welcome you all to-" something fell from the right side. Luks: "Luthando Mzinyathi!" Lutha: "Hayi!!" everyone laughed. Luhle stood up and walked to her brother. Lutha: "ah.ah Nana maani." Luhle pulled him away. Lubb: "as I was saying. I welcome you all to my daughters' 1st birthday its been a tough year, we had gone through some episodes and by the grace of God found our lost little angel, we haven't planned a program but we brought entertainment for the kids, so wonke umntu oze negift, ayibeke ngaphaya a-sign gama lakhe ku Luthando since he's in charge." they took pictures of the proud 3 fathers. The triplets were dressed in khaki skinny pants and black vests with black Nike sneakers red underneath. Chumani and Junior were outside playing together. Every body ate and the parents started chatting while the babies watched a puppet show. Lubby was laying on the carpet with Luyanda fast asleep on his chest. Luks: "we need to cut the cake, Lubby." Lubb: "sika Tata, yuuh andidinwe mna." Lukhanyo brought the babies. The second Buhle and Babalo saw their pink cake, they rushed toward, Babalo got there first and dug her hand in grabbing a handful and shoving it in her mouth. Luks: "okaay. So that's settled." Lutha ran hurriedly to them and sat down to eat. Luz: "YOH. Hayi namhlanje banayo energy." Luks: "more than ever. I am totally not in control of this situation. At all." Luz: "kudinwe noLubby shame." Lungelo helped them clean the kiddies up. Lukha Jr was with Luhle playing by the stage. Luks: "heeyyy!" all the babies got a fright and stared at him. Luks: "Luthando izapha." Lutha got up and walked to his father. Luks: "Luhle!" the girl stood up and ran to him. Luks: "Now, we're going to take the second bath for the day and you will behave! Uyandiva Luthando!" Luhle: "Hayi Tata." in the sweetest lisp voice. Luz: "idzoo bethuna. Khamyeke man adlale lumnyama. Ade anqandele ubhut wakhe." Luks: "so you'll see to it they're clean?" the clown came in, Chuma and Junior ran after it with plastic bats. Luks: "makwedin!" they beat him laughing loudly. Luz: "just let them be." Lubby took his son to the bedroom he lay down with him and took a nap. He was drained but still loved spending time with his kids. Asanda was with Zintle in the kitchen helping with the food and drinks. Zintle: "sweety, ndiyabuya Va." Asanda: "okay sisi." Zintle went to look for Lubby. Zintle:

"hey you." Lubby: "hmm....let me sleep." he grumbled. Zintle: "I won't be a minute." Lubb: "what's up?" Zintle: "well, Lungelo and I want to go on our first vacation to Mossel Bay. We're taking the babies with us." Lubb: "when do you leave?" Zintle: "Sunday." Lubb: "for how long?" Zintle: "well a couple of weeks, maybe 2, I'm trying to get dad and Lungelo to bond so we're doing it on holiday." Lubb: "hm..okay. Well good luck then." Zintle: "you're not worried?" Lubb: "if There's your parents and Lungelo helping you. I'm cool with that." Zintle: "We'll be back for Christmas." Lubb: "you still good?" Zintle: "Mpumie is in jail now. Everything is great man. Wena?" Lubb: "sleepy as hell babe." Zintle: "ncooh. Your son looks beautiful." Lubb: "ewe alok, everything I create is beautiful. You should know that by now. Worse ke lo zayo. Haa! He's the prince." Zintle: "haha! Yuuh mxim Lubby. We'll talk later." Lubb: "sharp." Zintle left him to sleep. Lubby let out a sigh and thought of his own plans for his vacation, his heart beating at an ultimate high.....

Sunday morning, Lukhanyo was in the kitchen making breakfast, he was craving pancakes badly but didn't even know how to make the batter let alone flip it over. So There's that, he'd tried a week ago, using the internet recipe but it flopped so bad, burnt and tasted like dog food. He hated that he couldn't do it like..... *sigh* Luzuko walked in and started eating immediately. Luks: "this weekend had been fantastic right." Luz: "I never thought I could have so much fun with children. I had a blast." Luks: "hm..that's good." he walked outside to make a call. Lisa: "Lukhanyo Mzinyathi." Luks: "damn my babe always so formal though. Unjani Mrs Mzinyathi." Lisa: "I am fine thanks and you." Luks: "are you mad at me?" Lisa: "no! I miss you." Luks: "we're going out for lunch right? Tomorrow we're getting ready for our holiday." Lisa: "I just can't wait baby, did you get the babies' passports?" Luks: "yes, kwa Friday. We ready." Lisa: "good. I got us a nanny so that we can have a few minutes alone at times." Luks: "hm....I just cannot wait yazi." Lisa: "Luzuko uzogodusa abantwana for the night ne? So you can come right over." Luks: "uhm....we're still sorting things out here ndizofika emini." Lisa: "okay. I'll wait." Luks: "I love you Mrs Mzinyathi." Lisa: "I love you too Mr Mzinyathi." he hung up, smiling. His heart felt light and happy. He walked back in the house realizing that maybe Lisa wasn't being too harsh when she restricted him from going to Sizwe's house. Maybe this was better for them, they could grow stronger as a couple and have a successful marriage that he dreams of having. He had to make it work. Luz: "Hee fondin!" by the time Lukhanyo snapped out of his thoughts he was in his bedroom getting dressed. Luz: "for the fourth time in a minute. UYAPHI!" Luks: "oh! Mxm andikuva. I'm taking the kids home." Luz: "but Ta Seez won't be back till next week, we planned that ndim ozogodusa abantwana." Luks: "I want to take my kids home! Iphi ngxaki?" Luz:

"you're starting again. Luks, you're fucking up Bro." Luks: "I don't understand why its soo bad. Andizokwenza nto! I just....." Luz: "izophela Le mana soup ke ndik'xelele. Inkunzi ifikile ngoku." Lubby walked in carrying Babalo. Lubb: "why we having a meeting and I'm not invited?" Luz: "I'll be in the kitchen." he walked out taking the baby. Luks: "morning." Lubb: "eita...z'kiphan?" Luks: "since when you start talking like that?" Lubb: "since when you started acting coco." Luks: "heee." Lubb: "so, besithin uLuzuko." Luks: "that you and I need to talk about everything." Lubb: "yes we do. You start." they sat down. Luks: "I...I don't know where to begin. But the first time ndidibana nawe. I was happy to have a brother, a twin. I really was but when I saw you develop attachment toward my wife you put some type of pressure on me. both of you did. I know ndiyi kaka yomntu at times but Lubby I would never do this to you. Kuyo yonke endiyenzayo I can never intentionally hurt you. I had no right ukuphatha uLihle the way I did. Even before ufike I was just.....it was bad. This thing has changed our relationship mna nawe, it has changed our lives. We all used to be soo happy. I just want to have it back. Ewe ndizotshata noLisa, and I'm waiting, although I've developed feelings for her I want to fix myself." Lubb: "I'm happy for you Lukhanyo, I really am. I know I hurt you. I didn't do that on purpose, I was too stupid. Kodwa one thing I know that is genuine, and I don't mean to disrespect you....its my feelings for her. I have always felt like this, kudala ndizinqanda Lukhanyo. I just can't. I want to make things right between us, I want you to accept me and her too. Just give me this chance." Luks: "no." Lubb: "Lukhanyo.." he whined. Luks: "how you expect me to look at her knowing she throwing that ass back on my brother every night? No." Lubb: "you don't have to look at her at all. You don't see her, look-" Luks: "I said NO!! And its not changing Lubabalo. Its either Me or HER. You choose." Lubb: "that is unfair Lukhanyo. You know I love you both." Luks: "stop doing this, its all just a game to you. Lubby yazi I really thought, this weekend you've changed. I thought we were cool." Lubb: "we are Lukhanyo." Luks: "you can't expect me to turn a blind eye." he stood up. Lubb: "Lukhanyo." Luks: "stop that! Stop!! You always whining like a baby who's toys got taken. You need to grow up Lubabalo. I want you in my life, ndiyakthanda bhuti. But, don't disrespect me like this." Lubb: "so that's that...you're really not giving it a chance." Luks: "uyawathanda amehlo Lubby, izojongeka njani lento ebantwini? Our family!" Lubb: "k." Luks: "you got great girls that would love you to the moon Bafo, There's Estella, she is practically a match from heaven, she prays with you, for you always puts you at ease. Uyakthanda lamntana. Kubekho uLiya, she gave birth for you! a son! An heir to your empire! Banintsi Lubby. come on Bafo let this crush rest in peace bruh." Lubb: "I hear you." Luks: "are we cool?" Lubb: "yeah. We cool Bro." they hugged. Luks: "I'm not gonn say I love you

again because that's gay as fuck, so...I'm glad you're thinking logically and you're being responsible yeah?" Lubb: "for sure." they pulled back. Luks: "so before I leave tomorrow we going out tonight, right?" Lubb: "only for an hour or two because Lisa gonn grate your ass." Luks: "haha. Funny." Lubby laughed. Luks: "sani? Uyamaz uLisa? Like other than ngam." Lubb: "yep." Luks: "where you know her from." Lubb: "its not important. Its nothing personal. I met her once for board meeting with Sivuyile's company and enye awti yam uPeter.." Luks: "oh. Anything else?" Lubb: "nah." he shrugged. Luks: "oh." they walked out to the garden. Chumani was arguing with Junior. He immediately punched him down and held his neck. Lubb: "Heyy!!! Kwedin!!!" they pulled the boys off each other. Chuma was kicking and screaming. Chuma: "ndiyeke maan!!!!" Lubb: "Chumani!!" Chuma: "Ndiyekeee!!!!" he screamed and growled. Lukhanyo picked Junior up. The boy was still shocked breathing heavily. Like what the hell just happened. Junior: "mos Chuma. Ndik'xelele andifuni." Chuma: "GIVE. IT. BACK." he warned in anger. Lubb: "Chumani! You better calm down before I hit you!" Chuma: "awungo Tatam!" Lukhanyo took off his belt. Lubb: "khome Lukhanyo!" Luks: "khasuke Bafo ndiqeqeshe lentwana!!" Lubb: "he is angry! Uzaw'thetha nto ezi off. Just let him cool down." Luks: "I want to beat him NOW!" Lubb: "that's not going to help him right now!" Zintle: "what is going on???" she yelled. Lukhanyo grabbed Chuma and smacked him across his bum several times. Luks: "cela uxolo komnye mntana Chuma!" Chuma: "andifuni! Qibile mos undibetha! Andifuni kee!" he cried. Lukhanyo hit him again. Luks: "Chumani! Cela uxolo." Chuma: "mos wena Tata ubetha umama ungathi xolo!!!" he screamed. Lukhanyo's heart dropped instantly. Chuma ran to lubby's arms crying. He picked him up and took him inside the house. Lukhanyo stood frozen in the same spot. Zintle was embarrassed For him. Who would've thought?? Zintle turned and walked away immediately. Now Lukhanyo had to face the crowd. Obviously everyone seemed to be awake all of a sudden. He walked into the house with his eyes cast low. Lungelo: "does anybody want breakfast?" he changed the subject quickly. He got up and walked to Lukhanyo. Lungelo: "talk to him. Umcacisele yonke into umntana and I think its essential if he went for counseling ngoku esemncinci angakhuli ngale mind set. Or it will damage him. Think of your daughters that he plays with." Lukhanyo just nodded and went to the bedroom where Lubby held Chuma in his arm whispering apologies. Luks: "can I?" Lubby gave him his son. Chuma declined. Chuma: "Tata uzandibetha." he sobbed. Luks: "andisoze ndikubethe boy, izapha mntanam." the boy was still reluctant. But climbed on Lukhanyo's lap. Luks: "ndicela uxolo ndoda. Kakhulu ngoku Betha. Kodwa ayikho right into yobetha kwabanye abantwana. If anisa visisisani, veske uguquke umshiye apho ame Khona sumbetha.

Ndilicelile uxolo kumama wakho bobabini and bandixolele kwekwe." Chuma: "mna undixolele?" Luks: "ewe, kodwa subetha kwabanye abantwana otherwise kuzofuneka ndik'fake ibhanti." Chuma: "ibhlungu mpundu yam mos." Luks: "uzoyeka uphendula intando yakho ke. Okay?" Chuma: "okay." Luks: "uzolicela uxolo ku Drew?" Chuma: "ewe." Luks: "Hamba ke." Chuma went to apologize to junior who seemed to have forgotten it by then. Lutha was in the far end of the garden, he had found a new friend. It was a worm. Lutha: "Nana!" he called out. Luhle: "hm?" she ran to him. Lutha: "ina." Luhle: "thith man utha!" Lutha: "ambe ke." he got up and took her arm. Walking to the kitchen. His water cup was on the small table so he inserted his friend in there. Luz: "Luthando, what the hell is that?" Lutha: "a-Dudu." Luz: "a what?" Lutha: "a-Dudu Tata! Mi." Luz: "I cannot understand your Greek boy. Yinto leyo!" Lutha: "nana, ambe moth." they walked out, leaving him there. They went to sit back in the garden where Chuma and Junior were playing. Mistakenly one of them pushed Luhle. Lutha stood up firmly and pushed Chumani. Chuma: "Luthando, wenzanton ngoku?" Lutha: "mpa!" Chuma: "ndizok'fak inqindi ke mna. Ndiyeke." Lutha: "Hayi man. huka!" Chuma: "mxim!" seeing he didn't move. Lutha took his cup and poured the water on his head. Chumani screamed in anger. Luthando giggled and ran away. Chuma was enraged, he chased him into the house. Lutha's short chubby legs tumbled themselves and he fell with a thud still chuckling loudly. Chuma grabbed his hand. Luks: "HEY!!!!!" Chuma: "Tata yabona unditshize ngamanzi!!!" Luks: "not if you didn't do something to him first. Akacingi Luthando enze lonto." Chuma: "andimenzanga niks!" Luks: "try again boy." Chuma: "bendidlala mos ndigile Luhle khandimbone!" Luks: "exactly, yekana noLuthando ke. Go play in the game room soze akuphazamise pha boy. Usile uLuthando, myeke net so." Chuma: "yena akabethwa?" he sulked. Luks: "iza naye." Chuma: "mxim!" he stormed out the house. Luz: "Hamba Chumani. What went wrong?" Luks: "maybe I'm being too soft on him." Lubb: "hayi andiyazi. Ndixakiwe mna kqala." Luks: "Eish Lubby suyithetha leyo. Ndixakwe ngumqa mna self."

Late afternoon, the guys got ready. Zintle and Lungelo were getting ready to leave. Lubby had spent the whole day with his babies. He would miss them a whole lot. Luzuko took Luthandoluhle home then came back. Everyone was leaving. 😞
:(Lukhanyo took Chuma to Sbosh's place. She was having dinner with S'bu. Lukhanyo knocked and came in. Luks: "molweni." Sbosh: "hello." Chuma: "bhuti, utata undibethile!" S'bu: "wenzentoni wena?" Chuma: "andiyithandi into enziwa ngu Drew bonanje. Ndim'boleka nto zam yena kafun buyisa!" S'bu: "so Chumani, you found the easy option of beating him instead of trying to talk to him." Chuma: "andikuva mna bhuti." S'bu: "wena awuyibonanga enye indlela other than

ukumbetha?" Chuma: "hayi." S'bu: "ngoku junior befuna into yakho ucelile or uyithathile?" Chuma: "uyicelile." S'bu: "wena wayicela back or wayithatha?" Chuma: "ndiyithathile." S'bu: "ngoku nguban orongo kengoku?" Chuma: "ngu Tata." S'bu: "utatakho akangeni ndawo." Chuma: "hayi ke andiyazi bhuti kodwa mna andikwazi hlala kamandi." S'bu: "suppose awukwazi kwa uhlala because une cheek." Chuma: "andina cheek mna bhuti." S'bosh: "Chumani!" Chuma: "mama?" he put down his bag. Chuma: "ndicela uya ku Puyuyu?" S'bosh: "awuyi ke kanti, uzohlala apha kulendlu." Chuma: "ndicel Bukel Sbongebob ke?" S'bosh: "NO." Chuma: "weeehh...." he walked to his room. Luks: "okay, you deal with that. I have had Enough for the day." S'bosh: "enkosi." Luks: "ndiphumile." he drove back to the mansion. Lubby parked his car too the same time, he'd just dropped Luyanda off. Lubb: "where we off to?" Luz: " There's this strip club. You will love it." Lubb: "naah...." Luz: "Yes!!! Its harmless, they don't touch you. They just dance. You're single. I'm single, for the night." he whispered the last 3 words. Luz: "and Lukhanyo? You're in prison." Lubby and Luzuko laughed. Luks: "so you gonn leave me behind?" Lubb: "let's just go somewhere more relax-" Luz: "NAAAI!!!! We're heading over to Candy's for the night." Luks: "cover me?" Luz: "for sure." they went to change their clothing. They were in all black. Black pants and shirt. Same style. Unbuttoned to the chest, tucked in, rolled up at the sleeves. Lubby's shirt hugged him firmly, Lukhanyo's tattoos glistened beautifully, then he wore his gold chain. Lubb: "copy cat!" Luks: "umona yinto embi." Luz: "hayi andiy'ngeni ke mna leyo." luzuko had his brown cigar in hand as they walked out to lubby's big Benz. They drove to the bar and walked in. The smell that filled the air was exotic and exciting. Lukhanyo had never been there. Ever. Girls stood at poles stripping and dancing. Luzuko spoke to a certain lady who led them to a VIP section. With 3 bottles of Henessey and the Johnnie Walker Platinum label. Limited edition. Luks: "to a start of a new beginning." he toasted. Lubb: "and a whole lot more of This!" four ladies walked in. Luz: "I second that.....mami." he sat two on his lap. The other two danced for Lukha and Balo. Lubby was thinking else where. He had a solid plan that had no beginning or end. He didn't know where to start. Should he go? Or not? Luks: "ekse Bafo! Segrand?" Lubb: "100 and 1." Luks: "you do know I got your back right?" Lubb: "forever awti yam." Luks: "and you know how much I value you." can we not do this right now. Lubb: "ya mjita. you're quite high now aren't you." Luks: "NAAI!" they laughed. After 4 hours of dancing around and having fun. Instead of the strippers doing the job. Lubby was on the pole and they threw money at him. Partition started playing. He took off his shirt while they cheered. He grinded his waist lowering his body to the floor. The girls screamed. 3 others had joined. Luks: "Yeah yeah!!!!" he cheered. He pulled a girl and they danced together. Swaying his waist sideways... She:

"hayi bhuti!" she moaned. Lubb: "I'll give you a run for your money girl, don't test me...." girl: "would you? In private." she bit her lips in a way that enticed him deeply. The song had changed, to No Angel by Beyonce. Lubb: "I'm taken." Girl: "pity..." he smiled shyly. Luz: "haibo! Iphelile show ngoku?" Lubb: "ngaphakam nje wena?" Luks: "if only I could stand up. Then yoooh, bhuti. Ndingas'vala esi stage kunyiwe nyi." they let him do his dance. Luks: "kodwa Bafo andik'qondi ngamanye amaxesha." Lubb: "tseekk!!!" he sat on the couch. His feet on the table. Peaches sat on him for a lap dance. He moved slowly under her. Peaches: "you've got no chill." Lubb: "zero!" Likhanyo was dancing too with Lacy and another new girl. His shirt was off tied around her neck. Luzuko went to a private room with his two ladies. Lukhabalo was having the time of their lives. Downing shots of Johnnie together. They linked arms and drunk together then laughed and smoked. By the time, Luzuko came back. He looked pissed off to the extreme. Which was a shock. Luzuko never got pissed off, only annoyed. Luz: "cela sambeni!" the boys took their shirts and alcohol walked out the club clumsily holding on to each other and giggled at their lack of balance. Luzuko wasn't on some playful mood because he was more pissed than they imagined to such an extent he couldn't speak. He was literally stuttering. Luz: "y-y-yeeyi! Nd-nd-ndithe k-Kuni mas-samben man!!!" he barked. The two jumped in the car immediately. Luzuko sped off...

Chapter 628

Early Monday. Likhanyo woke up next to Lubby. Luks: "Bafo." he mumbled. Lubb: "no fuck you." Likhanyo chuckled. Luks: "its your fault. Nguwe bu jaiva kaka." Lubb: "you just had to push me in the pool when we got here. You bitch." Luks: "haha. You deserved it after the picking my tiny ass up and spinning me around." they giggled. Luks: "ntloko yaamm." he whined. Lubby climbed out of bed and walked to fetch a jug of cold water. Lubb: "told you to drink this before you slept bungazobana problem yentloko. But you stubborn as hell." Luks: "izondenza ndichame mos." Lubb: "to get the booze out your system. Look at me, oko ndisela manzi." Luks: "uph Lusko?" Lubb: "I haven't seen him." Luks: "Eish I have to get going. He probably went to fetch the kids. Lisa is going to kill me." Lubb: "ambovasa and dress. What time does your plane leave?" Luks: "12pm. Nguban ngoku?" Lubb: "8am." Luks: "shit." he sprung up and ran to take a quick shower. Lubby walked to the kitchen and made himself his favorite SBS. Sexy beast sandwich. With a long glass of juice. After he finished eating he made

Lukhanyo a health shake because he won't have time to eat. It would also fix his raging hangover. Luzuko walked in at 9am. Luhle in his arms, Lutha holding his hand. Lubb: "my two sweet bunnies." the babies were dressed in black and white polar fleece jump suits. Lubb: "yanifeketisa mama wenu Nina. Yinton ngoku Le." Luz: "uthi akafun babe-uncomfortable during their flight so that's why she dressed them like cartoons. Lubby picked Lutha up and kissed his face. Lubb: "unjani baba?" Lutha: "Tata." he held his ears and smudged his face with kisses. Lubb: "hm.....thank you my boy." Lubb: "meboy." Lubb: "Nguwe uMeboy." Lutha: "hayi. Utha." Lubb: "ungu Utha wena? Wow. Umdala mos ndoda xa sow'zazi." Lutha: "mama." Lubb: "uthin umama?" Lutha: "amba Tata." Lubb: "mama Hamba notata?" Lutha smiled. Lubb: "I love how you understand me so well." he whispered. Lubb: "uyaphi wena." Luhle: "NANA!!" he screamed. Luhle: "hmmm!!" she grumbled. Lutha: "itha mani." Luhle: "funi." she mumbled. Lutha: "oh." Lubby laughed. Lubb: "usile kwedin." Lukhanyo walked in wearing jeans and a black vest. He grabbed a jacket and the fruit shake. Luks: "you're a life saver." he gulped it down. Luhle: "Tata!" Luks: "baby girl." she smiled at him. Her little face blossoming and blushing. Luks: "phendule kalok my sweetie pie. Sugar foot. Lulu bear ka yise." she giggled. Luks: "mami ka Tatakhe." she hid her face, embarrassed. Luks: "uryt ungandijongi." she walked over to Lubby and sat down. Lubb: "uhm..will you be back before Christmas?" Luks: "I doubt it. But siyabuya for sure before New Years." Lubb: "where ya'll going?" Luks: "Mozambique." Lubb: "hm...wow. I hope you have a blast!" Luks: "I will. Wena uzobuyela Australia?" Lubb: "nope. I'm not." Luks: "oh. Luzuko?" he was still mad but not as bad as last night. Luz: "ja?" Lubb: "what's up bra?" Luks: "oko kwayi zolo fondin. What went wrong." Luz: "ei....Bafo." Lubb: "yinton na ngok nyana. We had fun there right?" Luz: "correct, until I walked to a private section passing a room where my girlfriends were whoring around!" Luks: "what?!" Luz: "how could I have been so dumb? I dropped you off here just after midnight. Went to my apartment and for sure abekho! Only Tee was there sleeping. Her iPad next to her with a picture of me! She'd tried to call me the whole damn weekend and I ignored her! Kanti kwenzeka lento!" Lubb: "have you seen them?" Luz: "I don't want to whilst I'm angry. Can I stay here for a while?" Lubb: "this is OUR house. You're welcome anytime. Nasiya stixo sakho next to the fireplace." Luz: "thanks." Luks: "I still say talk to them." Luz: "and say what exactly? Because its flippen evident that ndenziwa is'menqe! They out there showing off their bodies and God knows what else! What if they're sleeping with these men? Baphathela mna izifo!!! Sieees!!" Lubb: "luzuko" Luz: "and don't you dare tell me to calm down!" he put down the baby. Lubb: "you need to get going." Luks: "you're right. But Luzuko if you need anything." Luz: "I'll be fine!" Lukhanyo took his bags to the car and said

goodbyes with the babies. They got in the car and drove off. Lubb: "Bro?" Luz: "what time you leaving?" Lubb: "huh? How do you know?" Luz: "the packed bags in your boot. Wasn't too hard to figure out." Lubb: "oh yeah..." Luz: "where are you going?" Lubb: "I don't know yet. Wherever the wind blows me." Luz: "okay goodluck. I'll see you ubuya kwakho. Keep in contact." Lubb: "sure bra." they hugged. Luzuko got in the Audi R8 and drove to his apartment.

Tee was doing her work on her laptop. He walked to her and stared. Tee: "hey sweetheart. Breakfast?" Luz: "I want you to tell me the truth. And nothing but.." Tee: "about what babe?" Luz: "ya'll. You whoring?" Tee: "what's that?" Luz: "selling your bodies for money. Stripping! Showing men what only I'm allowed to see!" Tee: "No Luzuko, I have been here the whole time, I told you about the Namibian deal I'm working on." Luz: "oh...and the other times?" Tee: "what other times?" Luz: "don't play dumb with me! All the weekends out together! The fuck you do!!" Tee: "we drink and dance babe!" Luz: "dance where?" Tee: "wherever There's music! What the hell are you on about?" Luz: "I'm gonn ask you one more time Tiyana. Just once. What the hell do you girls do when I'm not present?" Tee: "I don't know anything Luzuko. As you can see all I do is sit here and work. If not, I'm with you. They wouldn't do that though." Luz: "where are they?" Tee: "they went to breakfast. They'll be back soon." luzuko sat down and waited. Tee: "mind telling me what's wrong?" luz: "you'll hear once everyone is here." he heard the girls voices outside. Tee closed her laptop and waited. Didi walked in first with bags from YDE then Jess and Kirsten. Jess: "husband's back." Kirsten: "hey my love. How was yo-" Luz: "where you been." he asked calmly. Kirsten: "aww babe, I was with your girlfriends." Luz: "oh. where about." Kirsten: "Walmer Park, Greenacres." Luz: "before 11? I see. Teyana, where did you say they went again?" Tee: "I wasn't sure. I assumed they went to breakfast since I woke up late." Luz: "Didi, last night. Where was you." Didi: "here." Luz: "from 8 till this morning." she giggled. Didi: "here babe. Right Tee?" tee already knew Luzuko had been there to check she couldn't lie again. Luz: "Tee aint got nothin to do with this. I'm asking you. Jess? Kirsten?" Jess: "love. We were all here playing cards. Eating pizza. Come on now." Luz: "oh yeah? Where the pizza box at?" Jess: "the garbage truck came this morning." Luz: "on a Monday?" Kirsten: "Luzuko?" Luz: "I was at Candy's last night." they froze. Tee: "what's that?" Luz: "you don't know babe? Its a strip club." Tee: "what are you doing in a strip club." Luz: "hold up...what were YA'LL doing in the strip club? And don't you dare lie to me." Kirsten: "it was just one night." Luz: "LIES!! You've been doing this! Admit it, I fucking saw you!" Didi: "bab-" Luz: "y-y-yeeyi! S-s-sundi phambanisa sana!" Jess: "b-" Luz: "DON'T!!!!" tee: "Luzuko I think you should Calm-" Luz: "don't tell what the fuck to do!" Tee simply got up took her

laptop and walked to the bedroom, she didn't have time for his drama. She had work to do. Work that she's neglected because of him. He never even noticed that she sacrificed her life for his selfishness and she never once complained. It had been 6 months since they'd first met and somehow she was beginning to regret it. Being in love with someone that isn't yours was a grave mistake. She never tried to outsmart all the other girls, she knew her place and stood there at all times to obey. She was already stressed with her project she didn't need this. Meanwhile, Luzuko was still arguing with the girls. Luz: "how is this going to work if you sneak around me all the damn time and whore for thirsty nigga's!! You don't ever do that shit on me! And you know what? I can't fucking trust you no more. I am moving out!" Kirsten: "don't try and act innocent Luzuko as if you don't fuck around." Luz: "oh? OH?? Is that why you decided to fuck around?" Kirsten: "no, but we can't sit here and wait all day!" Luz: "mxim. Yazi nimuncu. Nimuncu nyan. Inqondo zingoo krakrayo! Edibene ne vinegar still. Nx." he packed his bag. Luz: "Tiyana, pack your bag let's Go." she looked at him. Luz: "today." Tee: "I'm not leaving the girls. So if you feel you want to leave, then Bye." He knew for a fact this was the only one he couldn't threaten. Too flippen smart and independent. Luz: "you choosing them over me?" Tee: "I'm not choosing nobody, but I refuse to be your tear sac when shit gets raw. Because before next week, there will be another 3 stringing your arm." Luz: "is that why you're" Tee: "you forgot your toiletry bag and slipper socks." he took them and stared at her once more before storming out to his car.....

Lubabalo was a nervous wreck when he left his house for Ta Seez's. He got out his car, shaking with excitement. He stood at the door and watched his queen, singing in the kitchen. I was cleaning up and talking to myself. Me: "There's always that one person. That will always have your heart" Lubb: "You never see it coming, Cause you're blinded from the start." my mouth hung open. Lubb: "well, are you gonna stand over there and not hug me?" I let out a little squeal and hugged him tightly. My eyes full of tears. He kissed my lips to calm me down. Lubb: "so....unjani?" Me: "I'm okay! Wena?" he held both my hands. Lubb: "I want you to say Yes." Me: "to what?!" practically jumping up and down. Lubb: "come with me? Just for a week. Ple-" Me: "Yes!!!" he smiled. Lubb: "uphi utatakho? Get your passport too." Me: "he's gone hunting for the week. I'll pack so long. Khakhulule uTiny kwi chain(a) lakhe." Lubb: "andicingi kanene." Me: "haibo wodlulwa ngu Lutha. Lo udlala naye oko." I packed my bag, with emergency things, but I was still a some 3 weeks away from giving birth. He carried it for me and I locked. Unchained the dog and we left. He drove to the airport holding my hand.. The joy in my heart just for seeing him, looking better than ever. Lubb: "guess where we going?" Me: "I don't care. As long as ndihleli

nawe..." Lubb: "wena.....Eish." we got to the airport and boarded a plane to Johannesburg. Sakhe sahlala and had some lunch. Then got ready for our next flight. We were going to Dubai! 😊) ❤️<3 😊:(I was so excited. He smiled because he knew I would love it. Lubb: "tonight we're going to forget everything that we leave behind for a week. I just want us to be happy. Do you?" me: "yes.." Lubb: "let's go." he held my hand and we went to board our flight. It took us approximately 8 hours to arrive. We landed at the international airport, I was tired. My back was hurting, I wanted to bath and sleep badly. Lubby rented us a car since he already had an international license and drove around. Me: "andizoy'bona kakuhle babes, I'm really tired yazi." Lubb: "just this one building babes. Jonga, that's called the Burj Khalifa." Me: "its beautiful!" I stared at the building in awe. It was huuugggee!!! Tall ass sky building. Lubb: "that is the tallest building in the world. Its called a sky scraper." I was sooo excited. I always thought a sky scraper was a space ship. 🤩:v kanti no! Lubb: "uhleka ntoni wedwa?" Me: "uzondihleka." Lubb: "andicingi baby." Me: "I never knew a sky scraper was a tall building I thought it was a space ship." he smiled. Lubb: "the hotel I'm gonn book, is standing in water." Me: "you kidding!" Lubb: "uzobona wena. Its the most beautiful thing. Its 7 star. So you can only imagine the standard." we arrived at Burj Al Arab. Maan, everything here was flippen amazing. He was booking us a room. Lubb: "babes, which one would you like? Panaromic one bedroom suite? Or the Royal two bed room suite or the Presidential?" Me: "they all sound lovely. Baby, khetha wena." Lubb: "let's take the panaromic one then." after the booking and going up to our room. I almost fainted bubuhle bale ndawo. My Gawd! It had floor to ceiling windows. Uninterrupted views of the city. We could literally watch the world pass by. It had Egyptian cotton linen and extensive technology. Including an iMac and a GOLD iPad. Bro. 😊:(it was Gold. there also was An in-suite business centre and 24 hour buttler service. Lubb: "beautiful right?" I swallowed and stared at him. Me: "its stunning." he kissed my forehead. Lubb: "masiyovasa." he undressed me and himself. Pulling me to the bathroom. Lubb: "Woow. Andise speechless. I think we should stay for another month or two. Or even forever." Me: "you're not serious." Lubb: "I'm as dead serious as a corpse at heaven's gate.." I giggled. we went to take a shower, washing each other and kissing a little then went back to bed. Lubb: "kunin ndikhumbula iPrince yam." I had developed minor cramps, some odd hours back, but I had brushed it off as nothing.. Me: "ndine cramps baby, can you please just massage it for me." he applied some of my gel on his hands and rubbed my stomach. massaging it, drawing patterns. He kissed it and hugged it. We were naked. His muscles were glistening, eyilonto ine 6 pack. Like wtf uLubby esonqena kangaka igym? I held his arms that felt so protective and strong. But its as though he didn't notice. Lubb: "cela

undifote babes." I laughed. Taking his phone and capturing the moment. While he cuddled on the big belly. Then another, while he looked up. And another kissing it. Lubb: "thank you." he looked through them smiling. We cuddled under blankets and he told me about his recovery. Me: "Lubabalo, why did you do it?" Lubb: "I didn't think I'd be able to live knowing I can't be with you." Me: "its not like I want anyone else. Nguwe ondim'thandayo, I know its difficult to understand but..." Lubb: "I know. I've had a lot of time to think. And ndenze a stupid mistake. Lord knows I never meant to hurt you. I didn't mean to break your heart." Me: "I know...just don't ever do something like that ever again." Lubb: "I won't. I missed my kids like crazy. And I want to be there for Prince too." Me: "I've decided to name him Lubambo." Lubb: "ahhh....that's beautiful. Lubby jnr. I love it. so what's this? Between us?" Me: "its love." Lubb: "I'm talking bout kwenzekani." Me: "I don't know Lubby. I just can't stay away from you." Lubb: "neither can I...let's have our night prayer, sizolala baby. Tomorrow we going on a city tour." we got up and kneeled on the floor to start praying. Lubb: "dear Lord. Our Father. We come to you this night to admit to our sins. We have come to ask the Lord for forgiveness and mercy. If it is Your Will Lord, let it be. If not, May you at least try and help us figure a way to prevent it. We thank you for the beautiful blessing you have bestowed upon us and may you continue blessing us.. We will forever be grateful and praise you until Kingdom comes. In the Name of Jesus Christ, our Savior Amen." Me: "Amen." we got into bed to sleep. I suddenly felt back pains. I sat on the bed. Lubb: "what's wrong?" Me: "nothing. Probably false alarm." Lubb: "ndenze nton?" he started panicking. Me: "just sit still." another contraction came. I winced in pain. Lubb: "you're really scaring me right now!" he got dressed in his tracksuit. Lubb: "iza love." I got up and I felt the liquid run down my legs. Lubby stared at me in horror. Lubb: "your water just broke." Me: "I know!!" Lubb: "uhm...okay. Lay down baby, I'll call an ambulance." I lay in bed. He ran downstairs because the lift would take too long and stayed there for a very long time. The pains were persistent. I was groaning in agony. Me: "Lubabaloooo!!!!!!" I screamed. I started crying. This was bad. I tried breathing and calming down. He came back after 45 minutes. Lubb:"baby, umama lo uzayo is a midwife. She'll be helping until the ambulance arrives then sikuse sbhedlele ne? Okay? Can I get you anything." Me: "water!!!!" he ran to the tap and brought back a glass of water. Then searched for towels. Me: "I can't do it!!" I cried painfully. Me: "kubhlungu!" Lubb: "baby.." he sat next to me, holding my hand. Lubb: "you can do this. You're doing a great job love. I promise. Let's do the next ones together." we breathed together. In and out. Lubb: "sukhala kaloku baby..we'll be okay, come on Breath.. Go Lihle! Go Lihle! Go Go!!" Me: "don't cheer me Lubabalo maaaaaan!!!!!!" I screamed. Lubb: "uxolo

baby." I could feel another contraction coming. I screamed out loud. He touched my stomach. Me: "WENZANTONIII!!!!" I growled. Lubb: "I'm trying to calm him down." he mumbled. Me: "DON'T touch ME." Lubb: "okay. Backing off." he stood back but still couldn't watch the pain. He sat down again. Lubb: "what do I do? Just tell me." I was so weak. Noba sekus'thwani. This is real. He massaged my shoulders. The midwife walked in. Woman: "ncaaw. You're not afraid?" Lubb: "nope." she put down the bowl of water and her bag. Woman: "are you ready?" he nodded. Woman: "come." he stood next her. Me: "what is he doing!!!" Lubb: "relax." they wore gloves and she started with her job. Lubby followed. I clenched my teeth in pain as another contraction came. I don't know how long I had to wait. It seemed like hours. They were so relaxed, trying to calm Me and shit! It didn't take this long ngo Luhle and her brother njena. I kept asking for the time. Zadlula iHours sana. Kanti where's this Fucking Ambulance yokunya!! Lubb: "love There's been an accident on the highway, most ye paramedics ziye pha and now we're tryna get alternative-" Me: "SUKUNGXOLA!!!" I screamed. Lubb: "but I'm not.." Me: "pleeaassee!!! Just get him..." Lubb: "I think she's about to give birth right now, what do we do?" woman: "yes. Lookz like we have to birth her herre." Me: "WHAT?? No!!!" Lubb: "baby, she's done this before. Its okay. Just breath." Me: "isandla sakho Lubabalo!!" he was too busy at the end. He wanted to see and take out the baby himself. Lubb: "iza ke baby." Finally. Lubb: "sthandwa Sam...breath in.....and push." I shook my head crying in pain.. Lubb: " Let's do it together." we breathed in. And I pushed hard. Lubb: "I can see the head!!!! Iza baby. Again! Breath in.....and PUSH!!!" I breathed, catching my breath. And pushed hard. Screaming. The head was out. Lubb: "shoulders baby, again....breath and....." I pushed again. Lubb: "one more time!" he was shaking in excitement. Tears ran down his face. I gave it my all... one last push. And finally. The baby was out. I breathed in relief. They cut the umbilical cord, the midwife did something, like esula or what I couldn't see, she then wrapped him in a warm towel. I too was in tears. Lubby sat next to me hugging us. Lubb: "I call him SiphoseNkosi. He is God's Gift." he took the baby and stood aside, I still had to birth the placenta. I was exhausted. After I was done the woman cleaned up. I was covered in a blanket, ndiqhaqhazela ugodola. Lubby came to sit next to me with my junior. I saw a flash and looked up. The couple from next door was taking a picture. They congratulated us. Lubb: "we must get to the hospital. He's a bit early." the guy offered to drive us there. They left the room. I was still in pain. Lubby sat on the bed holding Lubby junior. Smiling from ear to ear. Lubb: "and you're finally here. Kunini ndakufuna my boy. Kunini ndikulindle. INkosi ye Kumkani." he lay him on the bed and kneeled on the floor. He prayed. The midwife stared at him. I could barely walk. Let alone dress. When the car

was ready, the woman took junior, the lady from next door took my emergency bag. Lubby carried me to the car. Lubb: "yambona yafana nam baby?" Me: "I can't laugh, so ndiyak'cela ungandihlekisi." Lubb: "enkosi Lihle. Thank you so much for bearing me my prince." me: "pleasure..." we got to the hospital, they did tests on the baby and I. Engonwabe uLubabalo. He stood next to the doctor at all times. I ended up falling asleep.

Chapter 629

In Mozambique..

Lukhanyo, Lisa and the kids had finally arrived. Lisa: "this place is beautiful mntu wam. Thank you so much baby." she kissed him. Luks: "my pleasure. Iphi nanny izothatha bantwana I wanna show you something." Lisa: "show me.." he held her closely, sticking his extended organ on her ass.. She laughed. Luks: "Le lokhwe uyinxibileyo is fucking me up badly." Lisa: "yazbona ke..." Lisa: "biza Le nanny kaloku mntu wam." she called the nanny to fetch Luthandoluhle. The babies seemed to like her. Lukhanyo closed the door and undressed his fiance. Luks: "you're beautiful....." kissing her forehead. Luks: "and I love you." Lisa: "you're handsome, and I love you too." he kissed her to the bed. Laying her naked body down. Lisa: "Mr Mzinyathi." he sucked her breasts. Luks: "hm..." Lisa: "undenzantoni?" she breathed. He traced his tongue down to her belly. Luks: "ufuna ndikwenze nton wena?" Lisa: "eat me.." Luks: "ooh.....I love that..." he lifted her legs up joining them together. Lisa: "wenzani?" he kissed in between her legs, she gasped opening them again. Luks: "mmmh..." blowing a soft breeze. Lisa: "babyy pleasee..." she begged. He kissed it, sucking his lips on it. Chewing with his lips. She cried out loud. He slid his tongue down and slurped it up again. Twirling it around then sucking. She was reaching her climax within seconds. Holding on to the bed. He held her thighs open. Lisa: "LUKHANYO!!!" she groaned holding his head firmly, finally reaching her destination.. Thighs shaking in pleasure. Her body throbbing. He sneaked up to her mouth and kissed her again. Taking off his pants. Lisa: "faka kalok bab-...." Luks: "shhh..." he slid himself in slowly. Still on her mouth, kissing. His strokes and silent moans drove her crazy. 5 minutes later, she climbed on him. Riding him. Luks: "ima baby....." he positioned her perfectly. Luks: "iza mntu wam...." she rode him slowly. He loved it. Luks: "loveey..." he groaned. She went faster. He was almost there. Squeezing her breasts. Breathing heavily. Luks: "L-Lisa." she didn't stop, her ass bouncing on him, he couldn't control himself, he held her body tightly and released. His heart rate slowing down after. Luks: "this was amazing...Yuuuh, enkosi mfazi wam." Lisa: "no, enkosi kuwe. You're naughty." Luks: "undithanda ndinjalo njena. Andilambe mntu wam. We didn't even

Oooh, look at that..." he jumped up and looked out the balcony. Luks: "izobona love." she walked to stand next to him. Looking over the beautiful lights of the city. Luks: "now this is what I'm talking about." Lisa: "worse ke ba uhambaze for uma phandle. Awuphilanga kodwa mnyen wam." Luks: "nawe uzoma ecamkwam mos. Asiphilanga sobabin." they walked back in and took a shower. Dressed and went to fetch Luthandoluhle from the nanny's room. Lutha was asleep, Luhle watched television. Luhle: "Tata!!!" Luks: "hello my angel! My dununu yam ecute maan." she giggled and hid her face. Luks: "pumpkin poodle." he scooped her up. Luks: "nunupie yam entle. Uthin Ntombikayise." he smothered her with kisses. Luks: "I love you mntanam." Luhle: "aveiw." Luks: "ncooh. I love you too baby yam." Luhle: "aview too." she smiled. Luks: "Uphu Utha?" Luhle: "lele." Luks: "ambomvusa ke siyotyia." Luhle: "Hayi." Luks: "heee, lonto uyamhlonipha ubhuti wakho man. Its good mntanam." he pulled Lutha's leg. Lutha: "hmm!" he grumbled. Luks: "vuka kwedin." Lutha mumbled. Luks: "nanku mama." the boy sprung up and turned around, only to be disappointed. he frowned at his father and sat on his bum. Luks: "molo ndoda. Awulambanga?" Lutha could not understand that piece. So he crawled on the bed and held on to his father. Lisa took Luhle from him and Luks took his son. Luks: "bum'khumbul tatakho?" Lutha lay his head on his daddy's chest. They all went back to their room, Lisa and Luhle lay a blanket on the floor to make a picnic. Lisa: "iza ke mntanam." their dinner arrived. Luthando got up and went to look for something. Luks: "Lutha? Yinton ngoku." Lutha: "icece ya Utha." Luks: "whaat???" Lutha: "Tata maani!" he stressed. Luks: "andikuva kalok baby. Talk to me." Lutha: "cece." Lisa: "akafuni cephe lakhe baby?" she gave him a spoon. The look of immediate rejoice on his face. Lutha: "a-boogie boogie boogie!!" he shook his bum. Lukhanyo laughed his lungs out. Luks: "yeyes kwedin!" Lutha blushed and sat down next his sister. Luks: "iza ndiku fote mntanam phinda." Lutha: "Hayi Tata." Luks: "ewe, iza sibone." Lutha: "funi." Luks: "mxim...mpa ke." Lisa dished up for them and they all sat on the floor. Lutha already had a spoonful of mash in his mouth. Luks: "inoba ukhumbul tanci wakhe ke. When he starts singing that song." Lisa: "its soo cute though. Worse xa eyijaivela." Luks: "I'll call him just now..." he dialed luzuko's number it went straight to voicemail. Luks: "its off." Lisa: "zama uLubby baby. Maybe bahleli Kunye." Lukhanyo called Lubby. Luks: "its off too. Do you think something is wrong?" Lisa: "maybe the network is not so good baby. You'll try again later." Luks: "I

still don't have a good feeling about it. Kuthen zoy'2 zii off. What if Li-" Lisa: "DON'T. If there is a problem. They will call you. Qha. Akho need to stress ngento engekhooyo. Your brothers are 2 grown men that can take care of themselves." Luks: "yeah. You're right." Luhle: "Utha." Lutha: "hm?" she gave him a little piece of her food. Tossing it in his mouth and pecked his lips. Luks: "awusamthandi man." Lisa: "its soo adorable." after dinner, they bathed the kids and they all lay in bed to watch TV until they fell asleep.

In Port Elizabeth..

Luzuko lay on the couch in the cellar with a raging headache, from drinking excessively throughout the entire day. He stared at his phone. None of them had called to even check if he was okay or not. Not even Tee. How could she do that to him. then he realized the phone was actually off. He switched it on and it immediately beeped a message and rang again. Luz: "yeah?" it was his older brother. Sifiso. Him: "molo mfondin." Luz: "hey what's up big Bro." S'fiso: "uphi Luzuko Anthony Daniels." Luz: "Hee ubhuti. Ndise Bhayi." S'fiso: "mother says you've been neglecting her calls. How true is this?" Luz: "no such thing bhuti, I've just been extremely busy." S'fiso: "you've neglected the business too. Uthi uNaledi Ngye yedwa pha and its been months. Kwenzekani ngawe Luzuko." Luz: "oh khayeke bhuti." S'fiso: "akhonto ndizayeka. I'm in P.E as we speak. Where about are you?" Luz: "whaaat!!!!?" he jumped up. S'fiso: "did I stutter?" Luz: "bhuti uzothin apha!" S'fiso: "ndizothetha nawe, is that so bad?" Luz: "uhm....okay. Uphi?" S'fiso: "at the airport." Luz: "I'll be there in 10 minutes." S'fiso: "okay." he hung up. Luzuko looked around and went to change. It was already very late. Why was he here at this time? S'fiso Daniels is an Investment Banker. He usually travels out the country, owning a house in London, an apartment in New York and a villa in Italy. He was currently in Cuba helping a friend with volunteer work. Putting his career on hold for 11 months to feed starving children with no families and homes. His friend, Ayanda was a doctor. Luzuko drove to the airport to fetch his brother. He was still in his formal black pants and white shirt. He held a suitcase and looked tired. His hair had grown, but neatly roughed up on his head. Ayanda was lighter in complexion big eyes and loved to talk. He always would calm you down or heat you up. Depending on his mood. Luz: "molweni bhuti." Ayanda: "Hey! Little man. Unjan?" Luz: "I'm great Nina?" S'fiso: "are you drunk?" with a hint of shock in his voice. Luz: "no..." S'fiso: "and you're driving, Luzuko kuthen ungeva nje?" Luz: "YOH hayi bhuti, right now ? In front of people? No man." S'fiso: "let's just go." Luz: "I'll hire a bigger car for you. Ndihamba nge ncinci mna and Lubby has left with his Benz. I think uyishiye somewhere apha." S'fiso: "who's that?" Luz: "my triplet." Ayanda laughed hysterically. S'fiso giggled. S'fiso: "nx

you just cute. With your little imaginary friends. Ndibuyile ke mminawa. Andifikanga ndigalelekile." Luz: "Whoopi." he breathed and rolled his suitcase out to the car rental company. They got a bigger one and drove to Lubby's house. The minute they drove in the extremely large drive way, the garage doors open, revealing two little R8's. They hopped out the cars. S'fiso: "this your house?" Luz: "its my triplet's house." S'fiso and Ayanda burst out laughing again. Ayanda: "ncaaa man. Mxelele ke ba sifikile." Luz: "he's not here." S'fiso: "uphi ke?" Luz: "I'm not sure." S'fiso laughed out loud. Ayanda: "xa usithi triplet uthi There's another one? Other than the one, one.". Luz: "Yes!" S'fiso: "okay, so yena uphi?" Luz: "he went on holiday." S'fiso: "riigghhhtt...." they went inside the house. S'fiso: "so which one's my room?" he walked straight to Lubby's huge bedroom. S'fiso: "woah." Luz: "uhm....iza ngapha. That's Lubby's room." S'fiso: "Lubby isn't here, he does not exist." Luz: "okay. But still, come this way." he showed them rooms to change and their bathrooms. They showered while Luzuko walked around the kitchen. He couldn't cook. So he stood there motionless unsure what to do. 20 minutes later S'fiso walked in with his track pants sagging a bit low and no top on.. Luz: "yakubityisa lendaw bukuyo. What the hell were you doing there?" S'fiso: "its called giving back to society Luzuko. I was helping out abantu who can barely afford the basic things ebomin. It was actually a great experience ke yazi. Damn, I learnt a lot. Saving someone's life has to be the highlight. The little babies needed medical attention and also needed uthando. Their parents needed support, kunzima ke Luzuko ukonwaba usapho lwakho lalmbile. Most times I would actually hold back tears ke yaz-" Luz: "okay! Damn I get it. You tryna make me feel bad?" S'fiso: "no, bendikubalisela qha. So when last did you speak to ma?" Luz: "its been a while." S'fiso: "she's worried sick about you." Luz: "bhuti she lied to me. All my life. I'm not mad at her, I'm just trying to take it all in." S'fiso: "lied to you? about?" Luz: "my other family." he took out his phone and showed him a picture of Lukhanyo in a vest. S'fiso: "you've got tattoos now??" luzuko took off his jersey and t shirt. Luz: "no." S'fiso was shocked as hell. S'fiso: "but....how?" Luz: "I've been spending time with them. They're really great, and I reconnected with them again. I'm not sidelining mom. She raised me and loved me, I respect and love her for that. Having another family doesn't change anything, but why did she lie? What is she hiding?" S'fiso: "the only way to find out is to ask her Luzuko. Hlala phantsi naye uthethe into esentliziweni.". Luz: "I'm not ready." S'fiso: "nobody is forcing you, so be chilled. Okay?" Luz: "okay." S'fiso: "I see, you finally got rid of the crazy bunch. Yuh Thank You Lord, I was in no mood to be smothered with unwanted love by your girlfriends." Luz: "nx...I don't want to talk about them!" S'fiso: "bakwenzeni ngoku?" Luz: "mxim." S'fiso: "okay. Let me go sleep." he drank a glass of juice and went to bed....

In Dubai..

The next morning, Lubby held his son in his arms. The baby was a bit restless. Lubb: "shhh kaloku mntanam..don't be afraid. For Jesus is here, with us. He will shadow you with love and protection for the rest of your life." the nurses stared at them with tears in their eyes. Lubb: "whatever feels too heavy for you, ask the Lord to carry it with you, don't ever feel alone through tough times. I'm your father boy, and I'll always be here. I love you.." he kissed his forehead and sat down. Lubb: "its a bit of a puddle actually, how we got to this day, let me tell you about it...Daddy met this lady. She was beautiful, smart and caring. Daddy loved her sooo much. It hurt. She was like my angel from way up above, she showered me with love. I Told her how I felt, every single chance I did. Then one day, we got careless and created something so beautiful. At first she denied it and I was like 'YES!' I prayed we'd have a son, because that'd be the best. I thought we could start over and move on together, when we decided to leave our troubles behind, we took a plane to paradise and after I'd asked God for a blessing, it was only a matter of minutes to find our due date was tonight. My Lubambo Morrison." the baby fell asleep in his arms. Lubby never wanted to let go. This was his pride and joy. He lay him in his little bed. Walking to Lihle. Lubb: "angel..." he kissed my forehead. I woke up, still in pain. Me: "where is my baby?" Lubb: "ndisandom'lalisa babes, I think he already has a favorite bed time story." Me: "ngeyiphi leyo? The 3 little pigs? Stop telling my child lies." Lubb: "haha, funny." Me: "have you called my dad?" Lubb: "he's still on the hunt babe, let's give him some days, thina, we're going to relax and wait till you get better. Until Lubby Jr is out of danger. Umkhulu yazi baby?" I was still exhausted, everything he said sounded like an echo. Lubb: "andisak'khumbuli ngeloxesha wena uyozela." Me: "sorry." Lubb: "lala ke, I'll be back." he kissed my lips and went to Lubambo. Lubb: "ughade umamakho kwedin. Ndiyabuya Va." I smiled and he walked out. He took a taxi back to the hotel to fetch the car and go shopping. He had to get new clothes for Lihle because she only had maternity dresses. And for his junior too. He bought 5 pairs of designer jeans. 3 tracksuits. And a bunch of blouses. T shirts and vests. Sexy matching lingerie sets. 4 pairs of heels and 4 sneakers, 4 sandals. Then accessories. He paid and went to the baby shop to buy Lubby's clothes. A load of clothing, diapers, soap, wash cloth, towels, his baby oil, lotion and vaseline. And much more. He bought the bath and his baby carrier. A pram, a cot everything. He took a baby bag too and went back to the hotel. Packing pajamas and a tracksuit for Lihle, baby's things too. He showered and got dressed. He couldn't wait any longer. He took the bag and went straight back to the hospital. I was feeding Lubambo. Lubby walked in. Lubb: "my beautiful family." me: "hey daddy.." Lubb: "iNkosi neKumkanikazi." he kissed my cheek. Lubb: "I

brought you your things. Uphinde wavuka uLubby?" Me: "uyal'thanda eligama ne? " Lubb: "it brings me joy. You know what this means right? We're staying another month or 2??" Me: "I don't think we have a choice." he sat next to me and looked Lubambo. He pulled my chin and kissed me. Lubb: "uLubambo lwam." Me: "am I now?" he smiled. Lubb: "yaz'bona ke." he took the baby and burped him. Lubb: "everything about him so cute. Umvile uyasuza?" I giggled. Me: "awuphambene maan." we lay in bed together. Baby on his chest and talked. Me: "why do you always have things under control and smooth?" Lubb: "it comes with being a Morrison babes. Ayincedakali. Naye uLubambo ndim'beke as Morrison." Me: "we didn't discuss that though. I had plans zoba abengu Manti." Lubb: " Think about it, Lubby Morrison the second. Or Lubby Morrison Jnr." Me: "you just like the name qha." Lubb: "I love the way it makes me feel inside." Me: "I'm a bit hungry now." Lubb: "ufuna utya nton baby?" Me: "can I get fruit?" Lubb: "uzokwazi?" Me: "heeee. Hayi inoba andina mazinyo." he lay the baby next to me and left again. I wanted to get better and start with exercising again. Lubby came back with a basket full of fruit, yogurt, chocolate, juice everything. heee uLubabalo. Phof I am not surprised. This is just him, yathand ubaxa izinto. I ate some fruit while he took the baby again. Me: "kham'phe ichance alale babe. Yoh sana, uzode avule umlomo athethe." he laughed. Lubb: "ndimbeka phezkwam nje ndifuna nqenqa nawe." he took off his shoes. Me: "put him in his little thingy." he lay the baby in his place. And hopped in next to me. Lubb: "how's my baby mama doing." Me: "I'm okay. Utshilo enkosi kumama lo besinceda?" Lubb: "oh yeah, I need to buy her something." Me: "intle Le fruit basket." Lubb: "I will do so." Me: "ok." I closed my eyes to sleep again. Lubb: "let me call mom to thank her." Me: "please don't go. Andifun lala ndodwa apha mna." I sulked. Lubb: "hayi ubaby uligwala kanti. Ndizoma apha phandle ke sweety. I'll be back Va?" Me: "okay." he got up and walked outside to find a phone. When he got one, he dialed his mother's number. Nette: "hello?" Lubb: "mommy." Nette: "hello dear, how are you?" Lubb: "I'm good, uhm...Lubby Jnr is born." Nette: "oh my! You're still in Port Elizabeth right?" Lubb: "no!" Nette: "oh my goodness Andrew! Such risk!" Lubb: "mom, we're fine. I had to get out that country. He's a healthy fella. Kind of looks like me." Nette: "haha, stop lying. Send me pictures okay? Are you enjoying the city?" Lubb: "the moment we landed and came to relax momma, Lubby Jr decided to join us. But nonetheless, for once in months, I'm happy and free." Nette: "I'm happy for you son. I really am. Just keep the my grand baby out of harm okay?" Lubb: "yes I will do so. Thanks for everything mom. I really appreciate it and I love you." Nette: "I love you too sweetheart. Good bye." she hung up. Sebastian walked into the room. Dad: "where's my son?" Nette: "sorry?" dad: "Andrew, where is he? I've been trying to track him

down for hours!" Nette: "oh." Dad: "Antoinette!" Nette: "honey?" Dad: "you know where he is?" Nette: "He's in Dubai." dad: "doing what there?! We have business to do!" Nette: "you isolated him from the world, and did 'business' by yourself. Now that I've sent him to enjoy himself, all of a sudden you want to do business?" Demi walked in. Demi: "Mom? Can I go to Paris with Trish's family?" Dad: "No." Demi: "MOM." Dad: "I said. N.O." Nette: "do you have something planned Sebastian?" Dad: "we're going to Cape Town and enjoying it together with my brother and sons. And Nette, please make sure Andrew is back by then. I would hate to turn that place upside down and drag him back kicking and screaming." Nette: "he will be back dear. Sit down, before you get a stroke." Dad: "I'm serious." she held his hand and walked to the kitchen nervously. She didn't know if Lubby intended on coming back. Ever.

Luks: "LUHLE!!" she got there and held down her bucket, waiting for water to pour in then ran to her father, he was already behind her. He scooped her up. Luks: "don't you ever do that again Luhle! Hayi man!" she started sobbing on his chest. Luks: "sorry kalok mntanam ngongxola. You scared me. I'm sorry baby girl.." he held her tightly. Lisa walked to them. Lisa: "what

happened?" Luks: "uzosifuman ehotel. I need some time with my baby..." he was shaking in fear, his reaction scared her, but his children were the last thing he was willing to lose. They were driven back to the hotel, he still held her in his arms when he walked in to his room. Luhle was falling asleep on his shoulder. Lukhanyo breathed a sigh of relief as he lay down to take a nap.....

Lubabalo was at the hospital as usual, actually it was his temporary accommodation for the past week. There was by no way he was leaving Lihle and Lubby Jr there alone. Today they were being discharged. He signed the papers and took the baby. Lubb: "Kumkanikazi, will you be able to walk?" Me: "I'm okay babes..." Lubb: "are you sure?" Me: "please stop fussing? Its not as bad. I can walk and chill." he walked to the car. Me: "what the....." Lubb: "beautiful right? Yeyakho ne Prince yam ke Lena mntu wam." Me: "No Lubabalo! I don't want this....car. Can you just relax?" Lubb: "I just want to spoil you babes. Come on Lihle. Yinton ngxaki?" Me: "we're here to have fun. Can we just try to enjoy each other rather than ento zi-materialistic?" Lubb: "Lihle, you need to understand that I can and Will spoil whether you like it or not. We're not gonn argue bout that because I will win that argument. Look at it, its practically calling your name." he walked around me in a small circle whispering. Lubb: "Lihle.....Lihle.....Lihle....." I laughed. Me: "uyadika kodwa wena." Lubb: "iza ke my love." we got in the car and he drove to somewhere I haven't seen. Me: "aren't we going back to the hotel?" Lubb: "why rent a hotel, when you can buy one." my heart stopped. Me: "don't tell me you bought a hotel..." Lubb: "its not a hotel." he stopped the car. Lubb: "our new home." Me: "Lubabalo." Lubb: "I couldn't help myself. Uxolo baby. But look on the bright side, we have a home for Bambino." Me: "I thought you said sizohlala inyanga, and how did you buy this house so quick unless you....." he bought it before we came here. Of course he did. He drove in, the garage doors flew open he drove into the garage. And into the HOUSE! Then parked. Lubb: "swag." Me: "stupidity." he laughed and got out taking the baby out his seat. Lubb: "tour now or later?" Me: "I wanna check on Luthandoluhle, if you don't mind." Lubb: "by all means baby, nantsiya iphone." I went to the phone and he gave me privacy. The phone rang to voicemail, I left Lukhanyo a message. Me: "hey, uhm, I was checking if the kids are still okay and if ndingakwazi uthetha nabo so when you get this message please call me back. Thanks." I hung up and looked for Lubby. Me: "niphi?" I walked around the house, it looked incredible, out the back was the sexiest pool I have ever seen. The crystal water filled up to the tip and the grass neatly cut. That pool though. 🤩:o I walked around it to the other side where it was a slide down to the other smaller pool. Me: "wow." Lubb: "beautiful huh?" he stood behind me. I turned to look at him. Me: "uph umntanam?" Lubb: "we have a someone to look after him. I need you to rest

baby. Banjani abantwana?" Me: "he didn't answer." Lubb: "We'll try again later love. Maybe they're out. Want a swim?" Me: "you know I can't." Lubb: "I'll teach..." Me: "I just gave birth a week ago..." Lubb: "okay. I think we need to talk." he walked inside, I walked behind. We sat down on the couch, a lady brought us a tray of tea. Lubb: "why are you making all these excuses Lihle? You don't want to be with me? Or here?" Me: "I do want to be with you Lubby, I just don't want you to throw money at me like I'm some type of gold digger. I don't care noba sihleli kwi tyotyombe mna, just being with you makes me happy. You are so much more than your billions Lubby, I prefer the real you, caring, kind, sweet and accepting not this splurging on expensive things. Its not impressive. I just want something real, something worth holding on to. Our friendship that we built for so long, the last time I was caught up in luxury Ndaphuma ndingenayo ne panty yotshintsha let alone isihlangu. So, Lubabalo, don't spend unnecessary money on unnecessary things. If I want something, ndizoyithenga for mna. Okay? Suz'hlupha mntwam." Lubb: "oh. Now ndiyakuva. Okay ke baby. So we go back to the hotel? But I love this house." he sulked. Me: "you can keep the house." Lubb: "great! Because Bill is coming over in a few days, I need to impress him." Me: "I'm sure He'll be impressed." I sipped my tea. Tasted like heaven. Lubb: "this tea is thumpin babe, yayiva." he took another sip. I giggled at 'thumpin' only he could come up with such names for tea.. Me: "really is..." Lubb: "look There's a place where I wanna take you.." Me: "let's first check on Bambo then siye. Lonto yandizulisa man." Lubb: "I'm too excited." we went up to check on the prince, he was already sleeping in his cot. I kissed his forehead and we went downstairs noLubby. We went out the front door and took a walk. Lubb: "you know everything about me, because you forced me to confessdo you know how dangerous that is..." Me: "is it?" he kissed my cheek, walking behind me, his arms around me. Lubb: "very. But I knew this day would come. My future wife suppose to know err'thang bout me. And you're that woman. My heart chose you." Me: "that sounds real cute. But ke uyazi njani...that this day would come." Lubb: "sakhumbula Sise Ford...in the kitchen, you asked me to tell you the truth and I asked if you love me?" Me: "no andiyikhumbuli lonto mna." Lubb: "well that day, ndayibona although you didn't answer me. I knew it. Now we ou'chea, with our own son." Me: "Lubby." we sat under a tree. Lubb: "yeah..." Me: "Lubambo could be Lukhanyo's child too." Lubb: "I know that babe, but it don't make me no difference. I love you, I love my junior." Me: "DNA test?" Lubb: "love, umntu wezonto nguLuks, if he wants to do one, andizoma ndlelen yakhe. He has that right, mna I can only be there if you want me to be, andizokwazi uzifostela." Me: "I want you to be there." he hugged me. Lubb: "then I will. Yeka uzi stressa ngezizinto. I love you, noba bazama ntoni ukusohlula its not

happening. Ndifuna undithembe ke ngalonto." Me: "what about your family?" Lubb: "I'll take care of my family. Baby, umbonile Lubby Jr une dimples?" Me: "suphosisa baby, hayi hayi hayi!" he laughed. Lubb: "heee, unje ke. Lantwana ifana noLuya, If I could persuade umamayo azohlala nam. That would be awesome, then my girls can visit daddy anytime they like. Lungelo noZee don't mind." me: "and we're taking a break from making babies right? Luthandoluhle and Lubambo, Babalo, Bubu and Luya are enough." Lubb: "fat chance love. The doctor said we should wait at least 3 weeks, 2 more to go, then I'm tearing that ass apart." I fell over laughing. Me: "you're something else yazi." Lubb: "ndiyadlala Kumkanikazi yam. Awulo hashi kalok. Ndiyozela ke bonanje yazi." Me: "lala. I'll be right here." he lay his head on my left side. Lubb: "my favorite song." Me: "mxim." he tickled me. Lubb: "take it back!" Me: "hahaaaha!! No!" he didn't stop tickling. Me: "ouch!" Lubb: "YOH...xolo baby." I let out a small giggle. Lubb: "heee. Awusadiki nje." he kissed my lips and lay back again. After a while of silence. Lubb: "baby?" Me: "hm..." Lubb: "if I ever die, during my sleep. Just know that you're the one that took my breath away." I didn't have a smart comeback for that one. Me: "I wouldn't want to be the cause of that njena." Lubb: "relax...." a few minutes later he dozed off...

Luzuko dialed Tee's number. It took a while for her to answer. Tee: "yes." Luz: "hi." Tee: "hi." Luz: "you good?" tee:"yeah. U?" Luz: "I'm ayt. So its been a week huh." Tee: "can I help you with something Luzuko?" Luz: "can we meet up?" Tee: " I'm on my way to the airport now, I'm leaving this place." Luz: "without us talking? working things through?" Tee: "we're different people. You'll find another group willing to share, right now I'm out, the last thing I need in my life is drama." Luz: "at least wait for me Tee. Please." Tee: "my flight leaves in 2 hours." Luz: "ok." he hung up and ran to change. He had to impress her. Knowing the financial blackmail won't work this time because she's got herself covered. Emotionally she'll block it out, so he needed physical and mental strategies to win her back. He drove to The airport. She was in her black shinny pants and white blouse. Brown platform wedge boot. With a brown and black blazer. He got to her before she saw him. Luz: "baby." Tee: "hello Luzuko." Luz: "look, I'm sorry I got mad and shut you out it wasn't my intention. You did nothing wrong." Tee: "okay." Luz: "please don't go." Tee: "I can't sit here and expect more from someone who isn't willing Luzuko. I can't sit and wait 4th in line. Its tiring now. I think this was a way for us all to move forward. Thanks for the fun and adventurous times, I'll miss that. But now I have to go." Luz: "Tee." she took her bag and got up. Luz: "Tiyana." he held her arm. Luz: "are you.....in love with me?" she didn't have to answer it was in her eyes, all over her face. Her cheeks blushed bright pink. Luz: "baby?" Tee: "please don't. Its better if I just go. I broke the rules." Luz: "I

don't remember the rule which said you couldn't fall for me." Tee: "when I joined th group-" Luz: "is there a group now?" Tee: "No." Luz: "exactly, so there are no rules." Tee: "its just me and you?" he nodded. Luz: "maybe its About time I grew up." he hugged her. Luz: "please don't go." Tee: "I have a meeting tomorrow morning with my sponsors." Luz: "then you're flying back yeah?" Tee: "okay." he kissed her forehead. Luz: "I'll be waiting." he whispered. Tee: "you'll be fine. I'll see you tomorrow." she walked to the gates. Luzuko made a call to his brother. Luz: "bhuti niphi?" S'fiso: "eLokshin. Some place called.....Ace kuph apha?" Ayanda: "kwa Chief." Luz: "Ndiyeza ke." he drove to New Brighton, honsetly the whole Gqalane and Chief thing was starting to bore him, he needed to go elsewhere, this meant he had to drive around and find a chilled spot. When he arrived, he parked and walked in Erhangeni. Everybody knew that face. Luz: "majita..." S'fiso: "I hope you're not talking to me in that language.." Luz: "molwen bhuti, masamben apha, kukho Patido's down there, kusekho kwa Gram, emashhwemeni, eBills. Andiy'ncanywa lendawo." S'fiso: "the vibe here is great." a short curvy girl walked past them. Luz: "sorry girl..." he picked up something. Luz: "you dropped my number." she laughed. S'fiso: "how the fuck does he do that?" Ayanda: "mninawa wakho uyawakwaz amacherri. Makancanywe." Luzuko was conversating with the girl. Luz: "so how come ndingazange ndakubona apha." Girl: "bundikhangela?" Luz: "yes...most definitely." Girl: "ndingowase King mna, I'm doing my 2nd year aphe Nmmu." Luz: "igama?" Girl: "ngu Vanessa." Luz: "hm....beautiful. Mna ke ndingu Baby." she smiled. She: "yabhanxa?" Luz: "tu kanti..." she: "ndiyabuya ngoku Va?" she disappeared inside. S'fiso: "izapha fondin." luzuko walked to him. A tall guy stood in front of him blocking his way. "Uyinton kwi cherri yam?!" he growled. Luz: "khaw'suke phamkwam. Uzothin ungak'balek omnye ugragrama okwe bhere engena boya." guy took out his gun. Lara: "Ta Luks, une ngxaki?" the team already stood up. Stuja: "sine ngxaki bra?" Guy: "xa ujongile ngath ndine ngxaki Dan! Usuke kwi cherri yam wena." Luz: "sova kuye kalok. Ubuya kwakhe. Susa lomntu phamkwam Stuja." he walked to the table. Luz: "yabona ke lendawo niy'thandayo? Hlel nje kukho chuku." S'fiso: "ngoban aba kengok luzuko and why kuphethwe imipu?" Luz: "Masambe bhuti." S'fiso: "are you involved in some type of dealing kwedin?" Luz: "no." S'fiso: "then what's going on?" Luz: "if we don't leave now. You will get your ass shot!" they walked to the car. Immediately gun shots went off.

Chapter 631

Luzuko woke up the next morning looking next to him. Vanessa was still asleep. He sneaked out of bed and took the used condoms from the floor to flush them. He took a shower and went back to the bedroom. She had woken up. Luzuko: "uhm, take a shower, I'll make something to eat." Nessa: "now? Ngu 6 nje. I'm getting ready for my meeting, if all this goes well I'll be able to open my own store within a month. Luz: "I was thinking of moving here love, since my family is here but I will visit Bloem occasionally." Tee: "so where do you think will be the perfect place for my business?" Luz: "what you bringin me?" Tee: "depends on what you want." Luz: "anything that gonn make me sweat..." Tee: "haha, We'll see about that..." she picked out her outfit. A body hugging black dress. It was cut at the back revealing her skin. Half thigh in length. Luz: "what you gonn wear." Tee: "the little black dress." he groaned. Luz: "you killin me." Tee: "you gonn make me late." she moaned. Luz: "girl stop that. Why you gotta play me like this." she moaned again, calling his name. Tee: "what's that baby.....?" he breathed inwardly controlling himself. He was turned on already. Luz: "don't do this to me..." Tee: "hm....Qué vas a hacer sobre eso papá?" (what you gonn do about that daddy?) Luz: "fuucckk.....Voy a robarte aparte." (I will rip you apart.) she giggled. Tee: "Despedida" (goodbye) Luz: "No.." Tee: "yes baby." Luz: "you done?" Tee: "yeah...getting dressed now. I'll call you later okay?" Luz: "okay baby." he hung up driving to the house. Qho!" lucky: "we signed a contract." he joked. Climbing out the car. Actually, the deal with Ta Luks was that every bullet you take on his account, is double pay. His "account" included only family members though. Anelisa: "oh nyani? For what company? Le Budeng'e?" he laughed loudly for the first time today. This was why he loved his girl so damn much. Lucky: "mxim Va? Budenge wena self." she chased him to the lifts. When the doors didn't open, he apologized still laughing. Anelisa: "uyangxola ke abanye abantwana bagula serious njebe wena u-sign icontract

Anelisa: "who's that?" lucky: "the lucky guy who's holding your hand." she giggled. Anelisa: "ndlela Le une drama ngayo." he led her inside the bright blue office...

Chapter 632

Sibongile woke up next to her boyfriend, she'd come home at 23:00pm last night. S'bu was clicking on his tablet. S'bosh: "morning." S'bu: "hey love. You've got an email." S'bosh: "read it to me." S'bu: "uhm...let's see.." he took her phone and scrolled down to her emails. S'bu: "its from Lihle, uthi Hey friend, I hope you're doing well I miss you too." A reply came through: "sorry I didn't mention it earlier, Lubby arrived and we left together. See attachment." S'bu viewed the two pictures of a newborn baby and happy parents. S'bu: "ncoooh." S'bu: "I'm not. let's take Chuma sihambeni for a couple of days." sbosh: "Chuma is mega excited about Ahlumile's party. He won't want to go." S'bu: "then We'll go together." another email: "come over for a week. I miss you! 😊" S'bu: "there. We're going to Dubai?" Sbosh: "hayi Sibusiso." S'bu: "stop over thinking it baby. Please. We have our passports since last month. We need a vacation. Personally, I've never been to Dubai I want to see the Lamborghini police cars!" she laughed. S'bu: "yuuh baby, eza Mustang, the Bughatti's and Aston's. Damn!" Sbosh: "u-crazy kodwa mntu wam." S'bu: "babes, I have savings enough already for a trip like this. Ndiyak'cela. You miss your bestie, and I want to see where she at." Sbosh: "let me think about it?" S'bu: "I'll book the tickets so long!" he was so excited. Meanwhile in Dubai, Lubby closed the laptop and put it away. Lubambo was sleeping on his chest. Lubby got up and took him to his little cot. Junior fiddled and held his claws firmly on his vest. Lubb: "okay then. I guess awufun usuka." he walked with him in his arms to the lounge. Lubb: "baby...cela umbambe. Ndisaya eAirport." I was listening to Drake- Too Much. He turned down the volume, looking a bit uncomfortable. Me: "and then?" Lubb: "bamba love." I took the baby and he turned to walk away. I held his arm. Me: "yinton Lubabalo?" he sighed and looked at me. Lubb: "lengoma brings back memories, the time I realized that I was in love with you, the time I was in a car crash, kwakudlala yona." Me: "I'll switch it off." Lubb: "no baby..mamela, I'm okay." Me: "uyothin e-Airport?" he smiled brightly then. Lubb: "well, a friend of mine wanted to see me, so he just flew in." Me: "Lonwabo?" Lubb: "nah, Losta is with Busi in Sun City, ngu Soma." Me: "oh yes. The doctor twin." Lubb: "ndizobuya ke mntu wam." he kissed my forehead and Lubby Jr. Jogging out to his new Porsche. Putting on his J Cole album. He quickly drove to the airport and looked for Soma by the arrivals. His plane should've landed 10 minutes ago. Where was he? "ekse Lubby!!!" someone yelled. He turned around and saw his friend. Lubb: "ndikhangela wena apha fondin usuka phi?" Soma: "the bathroom bendikhapha ubaby. How you my man?" they shook hands and bumped shoulders. Lubb: "molo sisi." Thandi: "hey Lubby." they hugged. Lubb: "okay, so senityile?" Soma: "ha.a. Uphinyana? Andifun bona wena mna Kunin ndibonana nobuso bakho." Lubb: "uhlel nomamakhe. Masamben." Lubby took Thandi's suitcase. Lubb: "uyindoda wena uzoz'bambela eyakho. Bastard." they laughed and walked to his car. Soma: "aww bra. You got a new whip? you've got absolutely zero chill!" Lubb: "well you know me." they got in and drove home. Lubb: "how was the flight Thandi? Lihle hated every second of it, oko eguquka. Kanti all along she's in labour." Thandi: "yuuh, she gave birth on the plane?" Lubb: "No Thank God! She gave birth at the hotel." Thandi: "hayi

Lubby lo risk bhuti." Lubb: "ey...bendiy'qondile ke bonanje uzandi yala." Thandi: "ndithule ke. Either way the flight was looong. But worth it." Soma: "baby jonga la building!" she screamed. Thandi: "When are we going there!!" Lubb: "you can go together. I'll organize a chauffeur. Mna ndingu Tata alok. Owam unyana akalali engam'bonanga Tatakhe." Soma: "hm....andisa baweli nam ubano mntu ongafun lala xandingekho....." Lubb: "hint hint...." Soma: "nudge nudge.." Lubb: "wink wink!" they laughed together. Thandi: "mxim! Anisa diki nje. I wonder sifika nini kuLihle because nindi dikile mna." Soma: "fanee saku dika baby." Lubby drove into the driveway and into the house. Soma: "mxim ei wena uyinja bonanje. Ncanyiwe igama." Lubb: "uhlike ke emotwen yam." Soma got off and took his suitcases out. Lubb: "is this a holiday, or you're moving in?" Soma: "both!" Thandi: "Eish baby, nam ndinento ethi we're moving in sana. DAMN!" I walked down the stairs to greet our guests. Soma: "first lady." Me: "molweni. Ninjani?" Thandi: "we're good thanks." I hugged them both. Me: "I've already started on lunch, it'll be ready in 20 minutes, baby, cela kaloku ubabonise ii-room." Lubb: "heee." Soma: "izaaa man!" they ran upstairs with the suitcases. Talking loudly and laughing. Me: " we've met before, but ke under bad circumstances kuba ndandisuka from some.....yeah anyway, ndingu Lihle." Thandi: "I'm glad you're okay Lihle, ndingu Thandi mna." we walked to the kitchen. Thandi: "so lubby's been bragging about ya'll baby. Where is he?" I laughed. Me: "he's sleeping, but with the noise upstairs uzovuka soon." Thandi: "let me go freshen up ke then we can chill." Me: "sure." she went upstairs. Soma came down, holding Lubby Jr in his arms. Lubb: "ungabi umntanam Somangaye. Andikuthembi." Soma: "and he's a steal'able little fella. Fana nam nqo." Lubby laughed. Lubb: "yeah you wish. Awuy'fun itea?" Soma: "hehake Lubabalo. Itea fondin? Haska. Khagalel shot." Lubb: "nah Bro. No alcohol around Lubby Jr. Sela nantsi tea. Its boss." Soma: "you brought me all the way here from South Africa. To drink tea?" Lubb: "precisely. This isn't just ordinary tea. This is no five roses, no joko. This some real shit." Soma took a sip. Soma: "okay." Lubb: "go ahead." Soma: "I guess I'll....have some of this tea." they sat down on the couch. Lubb: "Soso?" Soma: "Eish.... Soso is on another level. Yazi I thought he'd changed." Lubb: "what he do." Soma: "lento yobano mntana is driving him crazy. He is slippin up for real. Uxabana ne cherri yakhe aye straight ku Zoleka." Lubb: "Soso doesn't slip up. He's one guy I know for sure that he won't fuck up. Maybe he loves being around his daughter." Soma: "I know. But at the same time kuthen engam'beki endlelen umntu wakhe? Why is he not worried?" Lubb: "because he's a chilled motherfucker that's why." Soma: "buthethile noLuks? How are things between you?" Lubb: "we were great, when he left for his vacation. We haven't spoken yet. He told me to choose between him and Lihle. I can't do that. I want both of them in my life. "

Soma: "what you think he's gonn do when he finds out you chose her?" Lubb: "he's gonn get mad. Why can't he, just for once be relaxed and let things be. We not in his face nje. We both respect him." Soma: "m'vule. Bro, you're inlove, if he isn't happy ngalonto myeke net so." Lubb: "I don't wanna end up like....." Soma: "me and Soso? Nah, even if you tried you wouldn't. Because, problems zam noSoso are way deeper than about girls, it was more of an identity thing. We both wanted to be one person that's when everything clashed. Yaqala lento sisebancinci. Dad used to confuse us angayazi ngomphi owphi. Andibize Soso. okanye Athi ku Soso ngu Soma. We fought over everything even ngoku sikhula, I wanted to be a doctor, he didn't, after a couple of years, all of a sudden he wanted to be a doctor. My Jesus, he made me soo angry. Every time he opened his mouth I felt like shoving a spade inside. The girls, came and went, zange nakanye silwe ngawo actually, that was the only thing sasivana ngayo. Until Thandi. When I realized that I'm in love, wabona nge actions zam zongabuyi endlin and keeping things secret, he caught up and saw what was happening, wafuna naye. That was the deal breaker ke. So, you and Lukhanyo are far from me and Soso. Luks is Hurt, he is heartbroken, not because utye umfazi wakhe, but because umshiyile right under his nose. His initial expectation was that you fuck and drop, maybe bezobano msindo for a few months axole, but Le yoba umthande uLihle is probably still a shock. Khamcingele man Lubby, wena buzo feeler njani if Lukhanyo went behind your back and did the dirty with Liya or Zintle or Estella." Lubb: "well, we'd probably be mourning him." he smiled. Soma laughed. Soma: "usisbhanxa bonanje." Lubb: "but that's the thing about him, he's a better person. He has forgiveness." Soma: "better person than what? Lubabalo, how, how the Fuck do you just rape umntu omthandayo repeatedly? Beat them and treat them like ikaka? Better person my left ass. I told him the exact same thing, he got mad because he thought it was a secret, andiyo cupboard ke mna. I know I'm fucked up, ndiyazazi ba I aint shit at times, but ke noko andingcolanga." Lubb: "Lukhanyo is getting the help he needs, he's trying to be a better person. Akazenzanga Abe olahlobo as much as it angers me lento, I have to accept that it has happened and akhonto izoyitshintsha. I just need...." his hands were shaking , palms sweaty. His heart raced. Soma: "Lubabalo..." Lubb: "yazi.....I thought....I though that I'd....." his breathing had escalated in seconds, Andrew was coming back to life. Soma: "Lubabalo, you need to calm down." Lubb: "I am calm damn it!!!!" Soma: "Lubby." Lubb: "Soma, kuthen nje awam amacherri efumana into ezib'hlungu? Am I cursed?" Soma: "no, you're not cursed. But a strong man needs a strong woman to stand by him. Lihle, endured pain to be with you, like Jesus was crucified kuze sibeno xolelwa izono zethu. Look at your son, Lubabalo, look at him." Lubby looked at the baby. Lubambo stared at him. Soma: "you promised him,

you'd leave the old you behind. He looks up to you. Don't disappoint him." Lubby took his son and cradled him on his chest. Soma: " we're here to have fun okay? Libala ngooLukhanyo." Thandi came downstairs. Thandi: "ambovasa Somangaye." Soma: "ndisabuka uLubby Jr njena." Thandi: "akabaleki baby. Go, go.." Soma went upstairs to shower...

Luzuko lay in bed, impatiently waiting for his woman to arrive. S'fiso was in a business dinner with his partner. Ayanda was helping in Mercantile hospital. The Triple L mansion was extremely quiet. Finally he heard a car park outside. He went to open the door. Tee: "hey ssweety, I stopped to get us dinner." she held a pizza box and her suitcase. Luzuko took the suitcase. Luz: "hello my love." Tee: "miss me?" Luz: "tremendously." he held her hand to the bedroom dropping everything and kissed her lips. Tee: "baby..." Luz: "uh-uh.....don't do that to me." Tee: "I have something you might like.." Luz: "you bluffing." she pushed him down to the chair and tied him up. Luz: "but bab-" Tee: "shhh...." she closed his mouth and bind a tie around his head. She took off his clothes. Then her coat. She was in white lingerie. His favorite. Luz: "hmmm!!" Tee: "I would hate to punish you." she took out a little whip. His cock was already standing up straight. She walked around him and smacked his skin. He groaned out loud. Tee: "Qué es ese cariño?" (what's that honey?) she kneeled in front of him and sucked him in. Her hand holding firmly caressing him. Her mouth swallowing him whole. He growled again. Unable to control himself. He was craving her soo badly. He just needed to break free. Her tongue twirling on his tip, her tongue ring playing on his skin. Tee: "Papá mucha hambre?" her Spanish killed him inside. Not being able to reply was just another killer. He nodded quickly. Sweat dripping from his forehead. She sat on top of him, inserting him inside her. He closed his eyes, and enjoyed the amazing moment. The way she was so tight and wet. She stood up again, which enraged him. He banged against the chair. Breaking the ties loose. He snatched off the one on his mouth. Grabbing her body. He kissed her back to bed. Biting on her skin. Holding her hair. Luz: "baby? Habla conmigo, me hacen al climax..." Tee: "Tómelo papá, es tuyo!" Luz: "yess...." he kissed her down to her stomach and munched her. She called out his name. Tee: "Antonio!" Luz: "baby." he put in one finger, rotating it inside her. Tee: "ooooohhh!!!! Yes!" he lay on top of her and positioned himself. Luz: "Por qué es tan fuerte? Huh? baby?" Tee: "its only meant for you.." he pushed himself in. Holding her shoulders. He pulled out and pushed back in. Luz: "what.....the.....fuckk....." Tee: "faster..." he grabbed her hair, and the sheets, pushing in deeply. She opened her legs for him. Luz: "YES!!!" biting into her neck. Tee: "please don't stop!" he held himself up and went faster. Bumping into her gently. He was near his climax. He pulled out quickly she turned around and lay on

her chest. Her ass in the air. She guided him in, and backed him up. Luz: "Tiyana...." he moaned. He stopped her and humped slowly, holding her ass. One hand on the bed. She: "fasterrrr.." she moaned. He followed her order. Holding her hair. Her hole was super tight, it frustrated him to such extreme pleasurable high points he couldn't control himself at all. He shoved himself deeper, and faster. He couldn't stop. He lay on her back and fucked even faster. Pulling on her hair, biting her neck. His other hand squeezing his breast. She screamed his names. Crying in pleasure. He was almost there.....almost there....why wasn't he reaching his climax? It was like chasing a beautiful butterfly. Everytime he got close, it flew away. He widened her legs, trying one more time. Humping faster, pushing deeper slower..... Luzuko: "FUCK!!!!!!!" he went faster again. And again.... Breathing heavily, swallowed saliva, biting her. His body stiffened and groaned loudly. Luz: "Tee!!!!!!!" Tee: "Yess!" he held her body, bumping into her. Luz: "AAAAHHH yes!!!!!!!" holding her still as he released. He flopped on her, a bit tired and sleepy. Luz: "damn baby." Tee: "you are an animal." Luz: "oh stop it you." he tried regaining his breathing again. Tee: "let me get drinks." Luz: "go to the cellar bae, bring the Henessey bottle." she got up and walked out. His phone rang. Luz: "hello?" Caller: "hey you." Luz: "excuse me. Ungubani?" Caller: "its me, Vanessa. Luzuko you're not a bad guy. You can't be that mean." Luz: "okay. Look here. My wife is home, stop calling me. Ndik'xelele mos akhonto isidibanisayo anymore. What do you want? Money? I'll give you money. Just stop harassing me!" Caller: "No, ndifuna wena mna. And I won't give up." Luz: "you are one sick child." Caller: "I'll come by tomorrow....I hope you'd have come to your senses by then." she hung up. Sitting on her bed. Why did she feel like this about him. It had to be deeper than sex. How did he not feel like she did? He never said he was married. Why did he lie? The tears ran down her face. Her older brother walked in. Nessa: "tshin Bhut S'busiso. I thought uhlel noSbosh." S'bu: "I came to pack my things, ukhalelani?" Nessa: "I'm not...there was something in my eye." S'bu: "don't lie to me. Ubethwe nguban?" Nessa: "no one bhuti." he sat on the bed. S'bu: "is this about la Audi bizok'dropper apha the other night." she nodded. S'bu: "okay listen to me. Whatever that punk did to you. He doesn't deserve your tears, you're beautiful mntase Khaya. In every way. But the problem is that nqondo yakho doesn't match with what your ass got. Why else would he just leave you after he got what he wanted? Okay? Ndiyahamba ke ngoku, came to take my stuff." Nessa: "uyaphi?" S'bu: "Dubai! Ndik'phathele nton?" nessa: "anything nice bhuti." S'bu: "okay mntase." he took his things to his old room.....

Lukhanyo lay in bed with Lisa kissing and talking. Luks: "your phone babe." Lisa: "itheni?" Luks: "its ringing." she got up and went to fetch her phone. Lisa: "yes?" Caller: "hey...ndim uSivuyile." Lisa: "what do you want?" Sivuyile: "uhm...I was wondering if you home yet. If we could catch a movie." Lisa: "and why would I want to do that?" Sivuyile: "I was just wondering Lisa. Things aren't the same here. I don't know if I can cope." Lisa: "well I'm not home ke. I'm on holiday with my fiance." Sivuyile: "I know he's your fiance. Luks: "why is your inbox empty?" Lisa: "kodwa uyay'buz indununu." his hand was itchy. Luks: "uthi nditheni?" moving closer to her. Lisa: "and what you think you gonn do? Hit me? Hahaha! Mxim, nigga stop playing." she took her phone and walked out the door. Lukhanyo sat down, still angry. Why was she secretive? What was she hiding? He stared at his Galaxy and paged through it. He had 6 new voice messages. He dialed to listen. "Lukhanyo, please call me back, I just want 5 minutes with my kids." the next one. "Why are you being soo mean! Is it difficult kangako uphakamisa iphone unike abantwana. Khon'ba uyandonyanya?" the third one: "okay, now you doing it on purpose Lukhanyo what the hell is wrong with you!!!" she screamed. He giggled and hung up. Luks: "uyathanda uziphambanisa ke bonanje." Lisa walked back in. Lisa: "baby. There's something I need to tell you." Luks: "ndimamele." Lisa: "its my ex husband. He's the one that keeps calling. We met briefly before you and I left for vacation, it wasn't a casual meeting and I told him about you." Lukhanyo got into bed. Switched off his light and slept....

Lisa: "vtsek!!!!" Luks: "aze aphinde afowne net Lisakhanya! Kuzaw'nyiwa ntanga." she ignored him. Lukhanyo got up and went to check on his kids. Luhle sat with a bowl of porridge in front of the TV. Lukhanyo tip toed behind her. She mumbled along to the theme song of her favorite cartoons. Lukhanyo kneeled behind her and tickled her back. She burst into giggles and fell back on him. Luks: "hello my angel. Daddy's little princess. My sweet little pea." Luhle: "Tata!" Luks: "yes honey. Awusa moshi ngeloxesha. Uphi u-Utha wakho?" Luhle: "lele." he sat down and put her on his lap. Luks: "iza ke masitye." he fed his baby while talking and watching TV. Luthando walked in. Grumpy as always in the morning. Luks: "mbombos ka mamakhe." Lutha: "hm." he grunted. Luks: "ngathi uyibhere yase hlatin. 'Hm'" he imitated him. Luhle giggled. Luks: "uyam'va baby. Uthinni?" Luhle: "hm!" she laughed. Luks: "ufuna nton bunny yam?" Lutha: "Ani ya Utha." Luks: "what in the world is that?" Lutha: "Ani!!" Luks: "okay kalok calm down. Uhm.....Ani?" he thought to himself. He scruffled about in the cupboard. Luks: "Ani?" he read the labels and nothing matched to this mysterious Ani. Lutha sat on the floor sobbing quietly. Luks: "Thula kalok ndoda, daddy will find you your Ani." Lutha: "dada Ani mani mi nze." Luks: "mntanam I

Lukhanyo took the phone and dialed for Sizwe. It went straight to voicemail. Luks: "YHINI Luthando ukhala kangaka ingath ulahliwe." Lutha: "haaaayyii.." he cried. Luks: "xolo ke. Lukhanyo gave up. Lisa walked in. Lisa: "what's wrong now?" Lukhanyo looked at his son. Lisa: "Lukhanyo?" Luks: "ja." Lisa: "uthen umntana?" Luks: "uyakhala." Lisa: "why?" Luks: "andiyazi ufuna ntoni Lisa." Lisa: "bubbly boy, ufuna ntoni?" Lutha stared at Lukhanyo. Luks: "he's not in the mood to explain either. Usually he demonstrates what he wants and where it is. Clearly today, udiniwe." Lisa: "did you try listening to him?" Lukhanyo looked at her sarcastically. Luks: "No, I didn't Lisa. I was too busy breathing to even notice." Lisa: "attitude ingena phi?" Luks: "yay'buza ibus bhaliwe Lisakhanya because mos uyabona ndim'hoyile ndithetha naye." he snapped. Lisa: "Luhle, come angel, masiyovasa. Get you nice and warmed up." they left for the bathroom. Lukhanyo made Lutha his porridge and fed him. Still trying to figure out what exactly did he want. Feeling the urge to call and ask his mom but then again she would first yell at him and tell him about being a bastard for not knowing what his own son wants. It was a selfish thing called pride. Lutha watched TV and bounced up and down on his lap clapping his hands. Lutha: "bambu! Bambu!" he yelled. Luks: "hola Bambu!" Lutha: "hooooo!!!" Luks: "hooooo!" they cheered together for the little baby rabbit making quite a noise. The show ended eventually and they watched Winnie The Pooh. Lutha: "Tata, Ani." he pointed at the TV. Luks: "ohh....honey??" he laughed. Luks: "soyothenga honey ke ndoda. Masivase." he scooped him up and ran to the bathroom making truck sounds. The boy laughed happily. Luks: "cela usivulele amanzi mfazi." Lisa: "nizovasa Kunye?" Luks: "yep, then we going to buy my son his honey. Lovey, wena awufun honey?" Luhle made a funny face. Luhle: "urrg." sticking her tongue out. Luks: "ndizol'luma elolwimi Hleli nje liphandle ke mna." she slipped it right back in and smiled. Luks: "good girl."

I woke up the next morning, having back pain. I could barely wake up without wincing. Lubb: "yinton love?" Me: "my back." Lubb: "want a rub?" I nodded. he came back with some gel and rubbed my back, massaging it. Me: "no, no, no...awukwazi wena mos." Lubb: "shh...phola wena love. Dr Lubb in the house." Me: "you're going to kill me." Lubb: "haha. Cute." after his grueling massage, I covered myself with the blanket again. Me : "cela undiphathele umntana." Lubb: "breakfast first. You need your energy levels up." Me: "kalok uyandizulisa wena ndizothin ungathyafi." Lubb:

"well from now on, you'll be taking it easy, andifun ugule apha." Me: "not with Dr Lubb in the house." he laughed and went to the kitchen. Thandi was making breakfast. Lubb: "good morning." Thandi: "more like a great morning!" Lubb: "haha, okay, cela undiphakelele uLihle, she's not feeling well, so ndithe makathathe another few hours." Thandi: "will she be okay?" Lubb: "yes, I'll call the doctor in to check her for now. But I'm sure its nothing serious." she dished up and poured juice. Lubb: "thank you." he walked upstairs with the tray. Lubb: "Kumkanikazi yam. Breakfast is served." he fluffed up my pillows and I sat up then ate. He went to check on junior. Who was awake but staring at his toy chandelier. Lubb: "hello my son." Lubambo's eyes darted straight to him. Lubby picked him up. He had a dirty diaper. Lubb: "Good Heavens boy! Does mommy's tities spurt out lasagna? My goodness." he pegged his nose and lay the baby down to change his nappy. Lubb: "is that a smile I see there? Huh boy? Are you laughing at your daddy?" after he was done, he took him back to the bedroom. Me: "nihleba nithin?" Lubb: "hayi ndaba zamadoda akwa Morrison." I took the baby to feed him. Lubb: "uhm....babes?" Me: "hm..." Lubb: "erh.....I invited Sbosh over. Since you said you missed her, ndim'bizile ke. She confirmed about an ago her plane leaves South Africa in the next 9 hours I think." I looked at him shocked. he smiled brightly. Lubb: "awusemhle mntu wam." Me: "mpa, sundibhanxa. Why didn't you tell me?" Lubb: "I wanted to surprise you, because I thought it would make you happy." Me: "it does. Thank you sthandwa."he kissed my cheeked and cuddled next to us. Lubb: "undihlebele ke uLubby Jr ba your boobies spurt lasagna. So, if its possible, can i-" Me: "no!" I laughed. Lubb: "just a Lil old taste?" me: "uh-uh..didn't you say you're going out with Soma." Lubb: "uyandigxotha kengok?" Me: "tu Kumnkani yam. Akhandiqalise. Ndiyabuza." Lubb: "hm. Ok." he got up to take a shower. Ndabe sendisozela. I lay Lubby Jr next to me so we could nap together. His eyes closed slowly. Breathing quietly. His tiny hand clasped on my index finger. I too, was falling asleep. Just as I reached dreamland, I felt I was in a garden of beautiful flowers. 3 little kids sat by the other end.. The phone vibrated on my night stand. I sprung awake and reached over for it. Lubambo woke up too and started his quick breaths and sobs. Me: "uxolo mntanam ngoku vusa." rubbing his ear. I answered the phone. Me: "yes?" I whispered. Caller: "Molo Lihle." my heart raced, I literally choked on my breath....

Chapter 634

Me: "Molo." I regained my voice and breath. Lubby walked in again and looked at me. He gestured with his shoulders to ask "who" Caller: "I got all your 8 messages. Was it really necessary." Me: "you got nerve to ask me that Lukhanyo." Luks: "why you don't have respect for my family time?" Me: "wh-" I chuckled. Me: "your family?? Sufuna ndik'phambanele mna uyandiva? I let you take my babies on vacation kuba ndingafun uba snaaks now all of a sudden I can't speak to them because ndiyakuphazamisa? The hell's wrong with you!" Luks: "ngak'linge undingxolele mna Lihle! Sekuthen ngok sow'ngath awuna mbeko?" Me: "nika abantwana bam iphone before I say something rotten to your ears ibenoku khubekisa ubom bakho bonke." Luks: "thetha kalok!" me: "don't tempt me!" Lubambo started his fiddling and sobbing. I tried calming him a bit, Lubby took him and got up. Luks: "nguban lowo?" Me: "Lukhanyo put Luhle on the phone tu." Luks: "who is that Lihle!!" Me: "hayi kaloku ndiyak'phazamisa with your family time and shit." Luks: "mxim, yazi uyikaka yomntana?" Me: "andikafiki kuwe." he laughed. Luks: "mxim." he called the babies. Luks: "izapha Luhle." he whispered. The girl walked to him. Lutha followed. Luks: "nanku mama." Lutha: "mama!!!" Me: "hello baby!" Luhle: "beby." I giggled. I missed them a lot. 😊:(Lutha: "athha kaloku mama ndze." Me: "iza wena alok nzena." Luhle: "hayi!" Me: "ewe." Lutha: "a-fika a-Bambu." Me: "ewe ndizofika naye love. Wena umpethe kakuhle uNana wakho?" Lutha: "Nana zam." Me: "okay ke boy, Luhle?" Luhle: "hm?" Me: "nawe ufuna ubona uBambu wakho?" she giggled. Luks: "usendlin?" Me: "ewe Lukhanyo.." Luks: "doing what?" Me: "I'm chilling. Luhle?" Luks: "andikaqibi uthetha nawe." Me: "I'm not done talking to my children Lukhanyo." Luks: "uzozala nin?" Me: "Dude!!" he was sooo annoying. But you know what? Mxim. Me: "Lukhanyo, when I want to talk to you, ndizothetha nawe. Okwangoku I miss my babies. Please give me time with my kids." Luks: "so awuzondiphendula?" Lutha: "Tata!!!" he screamed. Lutha: "mama yam man!!!" Luks: "hayi mpa tshi." Luthando screamed and growled. Luks: "hehake! What are you doing?" the boy grabbed his arm and bit him. Luks: "ouch!" Lutha: "mama!!!" he screamed. Luks: "okay! Okay!!! Damn!" he put the phone back on loud speaker. Me: "enkosi mntanam, unjani?" Lutha: "nzani." Me: "ndigrand mna." Lutha: "gendi." he giggled. Luks: "Hamba Lutha." Luhle and Lutha lay on the bed smiling at the phone. Me: "Luhle...." Luhle: "hmm...." I loved that sound. It was so sweet. Me: "wenzaniii." Luhle: "ehlali ephi Utha." Me: "uhleli no Lutha?" Luhle: "hm." Me: "hm." she giggled again. Me: "Lutha..." Lutha: "hmm...." Me: "Tata ukuphile honey yakho." Lutha: "Hayi. Ani ka Utha yikho." Me: "mxelele ke boy ba ufuna u Ani wakho." Lutha: "a-dudu." Me: "nimshiyile uDudu?" Lutha: "e.e. A-Tinie." Me: "No-Tiny? Yuhh, adlale naban ke yena?" Lutha: "Khudu Khona nze." Me: "awukhumbuli uKhudu wakho?" Lutha: "hm?"

Me: "uphi uKhudu?" Lutha: "Tata, phi Khudu?" Luks: "use ndlin yakhe. Wena Lihle uphi?" Luhle: "mi.. Tata." Luks: "yes?" Lubambo started crying again. I walked to the balcony. I wanted to tell Lukhanyo, but I wanted him to be happy on his holiday and just bond with his woman. One thing I know is if I mention Lubambo is born, He'll drop everything and want to see him. He'll forget about his progress and the drama will start all over. My intentions aren't to mess his life again. Then again, he has the right to know that the baby is born. Or maybe I'm just selfish. Luks: "hewethu ndiyathetha!" I was shocked back to reality. Me: "oh hi. Sisahleli kamandi I hope you're having a good time." LUHLE: "Utha, ambe ke. Mama itha moth." Lutha: "hayiii!" Me: "Luthando don't be mean to your sister." Lutha: "a.a mama." Luks: "oko ekhala uLuthando ke ethetha ngale Ani, bendingayazi mna until kudlale uWinnie The pooh." Me: "its his favorite and ke its good for him because ungulo une sfuba. You have to keep some around." Luks: "ja ndiy'thengile. Just the other day besise lwandle noLuhle, she built me a castle." Me: "that's nice. Make sure to put her sun block everytime you go out. Bayalisela yeza labo?" Luks: "ewe. Everyday." he rolled his eyes. Me: "okay then." Lukhanyo heard the door open. Luks: "uhm we have to go." Me: "haibo. For nton ngoku." Luks: "bye mommy." Lutha: "bhabha mama." Luks: "ithi I love you princess." Luhle: "aview." Me: "I love you too. bye guys." he hung up. Okay. What just happened? I still wanted to talk to my kids. Lubb: "baby?" I walked back in and sat on the bed. Me: "they're okay. Sound happy." Lubb: "come..." I walked to them and he hugged me. Lubambo was on his right arm. I in the left. Lubb: "I still want you to get into that bed and sleep. You're not suppose to be working yourself up like this." Me: "okay." the sun was hiding under the clouds but it wasn't cold, I hopped into bed and underneath the covers. They were warm and inviting. Lubby and baby ju crawled in next to me. Lubb: "junior wants a burger." ndaske ndahleka. Me: "a burger?" Lubb: "baby, I've been changing this nigga's nappies since day 1. He definitely isn't drinking milk. Milked stew probably. Beef or chicken? Pasta?" Me: "stop it!" I giggled. Lubb: "he's gonn blow up like a balloon. You watch." he opened up his laptop and I cuddled on his chest next to Bambi. The laptop was on his lower stomach. He paged through pictures as we re-lived some of the memories he shared with his babies. Luyanda was beautiful and yellow bone like his mother. The right dimple was visible when he smiled. Lubb: "yabona ke love? Yafana no Bambino." Me: "he's adorable baby. Fana nomama wakhe." Lubb: "hayi mpa. Fana nam, look at the charming smile." we scrolled to Buhle and Babalo. Lubb: "ncooh bethuna. Ndiz'fumene izolo ke ezi. Zintle emailed them." Me: "they're on holiday? Abase bahle man!" Lubb: "yep." he played the video where Babalo and Buhle were playing in the sand. Talking in their baby language. Lubb: "babes, I was thinking.... If Liya agrees,

can Luyanda stay with us?" Me: "of course yes. Buhle and Babalo yena?" Lubb: "well, Zintle and I spoke about that but she wants them with her, however, we agreed on holidays." Me: "alright then babe." Lubb: "yalala kengoku?" Me: "ewe tshin." Lubb: "masik'shiye ke." he left the laptop behind and went to put Lubambo in his cot. He dressed up and went downstairs.

I opened my emails, andiyaz why. I had 2 new ones. From Sbosh and another from Lukhanyo. Sbosh confirmed what time she'll be landing, I put a reminder and went to Lukhanyo's message. It read: " I've been doing some thinking....and realized how much time I've wasted in being angry for the end of us. The way it happened hurt me too, I was listening to some old music and this song just made me think of how stupid I have acted. Ndicela umamele qha. I'm not asking for bread so sudikwa. The lyrics are dedicated to you." I scrolled down and looked at the lyrics. The song name was Hurt You by Toni Braxton and Babyface by the way. I had the Song on my phone and I know exactly what it said but akho ndawo indothusa nje ngale "Baby, guilty as charged. I'm not gon lie babe I did you wrong so many times yes. So I know why you crossed the line. Oh but girl I never dreamed you'd cheat on me.." I replied to the email: "trouble in paradise?" the next email from him: "Go to hell." ndaphela yintsini. Uwoah. Uyagula Lukhanyo Mzinyathi Va. I replied. Me: "sizow'thi chuu Kunye mtshan.." it took him a while to reply but when he did: "yazi ndizama to be the better person for all of us to move on qha you on some play shit mood and I'm being serious apha! Kandithi ndiyak'funa kodwa ndicela uxolo. PEACE Lihle! between us qha. For the sake of our kids, qha cacile you don't care about that. Don't even bother replying because I aint gonn read it!" okay. So I didn't reply ke. Closed my laptop and eyes to sleep. Lubb: "babe?" he peeped through the door. Lubb: "you need anything, me and Soma going to catch some air." Me: "come here real quick." he came into the room. Lubb: "awulambanga?" I shook my head. Me: "Lukhanyo sent me some emails, ecela uxolo, have you spoken to him. I think he's in trouble." Lubb: "andikathethi naye. Uthin Dan." I showed him the emails. Lubb: "hm....hayi ke love you know andingeni ndawo. Its up to you ba funa uthin ngoxolo lwakhe." Me: "I don't want secrets between you and me Lubabalo, that is why ndikubonisa Lena into." Lubb: "thank you for considering my feel's babe." he bent down on the bed and we shared a kiss. Me: "I love you." Lubb: "I love you too Kumkanikazi. Everytime I'm meant to leave, you make me look forward to coming back again." Me: "hmm....Morrison is acting smooth now?" Lubb: "acting? Hah! Smooth my middle name." he kissed my cheek down my neck, while climbing on the bed. Me: "last time I checked....Your middle name was a beast called Andrew." Lubb: "uh-huh? He slick as fuck though aint he?" Me: "indeed." he pulled the covers over us. Me: "khame torho baby. Its too soon." Lubb: "we just

playing boo. Tell me when you feel uncomfortable." Me: "how?" Lubb: "key word, poodles." I laughed. He seemed serious about it. I kissed him back. giggling in between. Lubb: "usile kodwa wena." his body was rested on mine, I could feel his hard on. But there was nothing I could do because I was definitely not ready to throw my ass back again. Me: "poodles baby." he giggled. Lubb: "what?" Me: "poodles!" I chuckled. Lubb: "yinton leyo?" I couldn't stop laughing at how ridiculous it sounded. Me: "you told me.....to...say it man!" I said in between giggles. Lubb: "say what?" he continued tickling me. Me: "poodles!" I screamed. He laughed. Someone knocked on the door. Lubb: "yes?" Soma: "indlela bhuti. Masiye." Lubb: "Soma unomona kodwa yazi." he got up. Soma: "ndiright. Hey Lihle, you okay?" Me: "better now." Lubb: "ndizobuya ke Kumkanikazi Va." he smudged my cheek and they left. I exhaled, all that laughing made me feel a lot lighter although it was just goofy and stupid.....

Mandla walked out Jenny's office. He had gotten back his progress report for the year and it was glowing. He had studied hard because he wanted to succeed and it paid off. Getting into his car he drove to his mother first. He would go to Lubby to celebrate later. If he's around. He drove through New Brighton then Kwa Zakhele, through Njoli and into Zwide. It was getting dark. He parked outside the house and went in. Asanda and Thando were visiting with their daughter. Mandla: "molweni." Thando: "molo bhuti." Ma: "hello, yinton Le uyiphetheyo?" Mandla: "yuh hayi mama. Kunani undibuza impilo?" Ma: "ndikubuzile mos ksasa. Cela ubona." Mandla: "Ma-asi." Asanda: "molo bhuti." Mandla: "unjan uNunuz?" Asanda: "she's good, ulele qha." Mandla: "oh..okay." Ma: "iza ndibone kaloku." Mandla: "heee umama unjani na." he gave her the papers. She looked at his marks and gasped. Ma: "wow, mntanam Nguwe lo?" Mandla: "hehake mama, yinton nge zpili keho?" Ma: "hayi suka, spili santan? Izapha mntanam." Mandla: "hayi mama." she jumped to hug him tightly. As much as he loved seeing her proud, he was shy. Mandla: "unje ke wena." Ma: "yuuh, andizonga vuyi kalok xa abantwana bam be pass'a kakuhle." Mandla: "khame kancinci ke mama, andikwaz uphefumla." she let go of him. Asanda: "mama, its getting late...so sizobase ndlelen ehambayo. Congratulations bhuti." she hugged him. Ma: "heee nonke niyandishiya ngoku." Mandla: "mamzo uzoshiyeka noSisipho nje. Mna ndisathi shelele kancinci." Ma: "ungalahleki ke." Mandla: "ha.a ndiyokhangel Ta Lubby okany uLucky." Ma: "okay." Mandla got in his car and drove to the Triple L mansion. Asanda kissed her daughter goodbye and packed her things in order in the bedroom.. Ma: "mntanam. Uright?" Asanda: "ndiright mama." Ma: "usakuphetha kakuhle uThando?" Asanda: "ewe mama." Ma: "okay ke mntanam. Ndiyayazi ke akuzonga xatyanwa. Ni-engaged and Izinto nizenza Kunye but not ngoku fanayo, xa utshintsha ingqondo nontombi okanye ungonwabanga ukhumbule unalo ikhaya uyeva?" Asanda: "ewe

mama." Ma: "nihamben kakuhle ke sisi." Asanda:"enkosi mama." she took her bag and walked to Thando's car. He said his goodbyes to her mother and followed her. Then drove home. Thando: "love." Asanda: "hm?" Thando: "ndenze something wrong? Kuthen undiqumbele?" Asanda: "akhonto Thando." Thando: "but baby, uqumbile." Asanda: "qhuba Thando." Thando: "hayi noko Asanda. Just tell me what i-" Asanda: "nguban uBeauty??" he froze. Asanda: "ndiyabuza?" Thando: "andimazi loomntu mna." Asanda: "cela phone yakho." Thando: "hayi baby!" Asanda: "then tell me nguban." Thando: "uhm. Ngumntu wase Plett wethu baby." Asanda: "and...." Thando: "I did a job for her once or twice." Asanda: "and the job included sleeping with her?" Thando: "no." he hands were shaking. Heart rate increasing. Asanda: "kanti?" Thando: "lomntu uyandifuna baby. And ndimxelela qho ba andikho interested." Asanda: "ngoku buvasa ksasa. A message with a picture came through to your phone. A picture of you Thando, uphezkwa la mfazi. Because ngumama lowa!!!!" she screamed. He parked the car outside their house. Thando: "baby please Li-" she climbed out and smashed the door closed, walking to the house. He took out the phone and checked the message. Thando: "fuck!" He ran after her. Thando: "baby wait!" she locked herself in the bathroom. Thando: "baby I can explain!" Asanda: "its clear Thanduxolo that you're cheating on me. There is nothing to explain." Thando: "baby, zange ndilale naye lomntu mna. She put me under pressure and bendingayaz noba kukho cctv endlin yakhe." Asanda: "oh? So what, now you regret that I've seen your dirty lies?" Thando: "no babes, ndiyakthanda Asanda come on, I would never do that to you." Asanda: "Thanduxolo there is a Picture. Evidence yakho umuncana naye on top of her!!! In her house!!! How dumb do I look?" she cried. He sat on th floor, his back against the bathroom door. He hated seeing her cry, now it was even worse because he didn't see, he was hearing it. It broke his heart. Thando: "baby, ndicela ungakhali please." he knew she wouldn't. He had to wait till she was calm. Thando: "mntu wam..." no answer. He quietly waited then. Thinking how stupid he was. He should've known Beauty meant business when she threatened him about Asanda. She was really psychotic. But why didn't Asanda tell her mother? Or even worse Mandla? Meaning there was hope that she was going to forgive him. After 30 minutes, the door opened. He stood up and looked at her. Her eyes red and puffy. Thando: "uxolo mntu wam. I don't want to lose you. Asoze ndixoke, khange ndilale naye lamntu mna." Asanda: "sing it to the birds Thando." she walked to the bedroom and threw him his pillow and a blanket. Thando: "hayi baby, you kicking me out our bedroom?" she closed the door. The house had 2 other spare bedrooms though. she knew that, but also knew he couldn't sleep properly when he wasn't next to her. He dragged himself to the other room and hopped into bed. It would be a long night.....

Chapter 635

The next morning, Thando woke up. He was shivering because it was cold and his fiancée wasn't next to him. He walked to the bathroom, showered and brushed his teeth then walked to the kitchen. She was making breakfast. His clothes were ironed and his lunch was ready. Even though she still looked upset. Thando: "enkosi mntu wam." she didn't reply. He could see her hands were shaking. So he walked over to her. Thando: "baby please.." Asanda: "leave me alone Thando." Thando: "why did you do all this? I sure as hell don't deserve it." Asanda: "because we made promises to each other than no matter what we're going through, We'll always be there for one another. Do you remember that promise." Thando: "Yes." Asanda: "if I had cheated on you, how would you feel? React?" Thando: "I would be angry. Upset." Asanda: "exactly Thando, please let me be." Thando: "I don't want you to do this Asanda, I don't want you to be this emotional." Asanda: "don't tell me what to do." Thando: "baby, I'll do whatever it takes to fix this." Asanda: "Thando I can't trust you now. You broke that, kuthen bungandixeleli lento before?" Thando: "I thought you wouldn't believe me Asanda." Asanda: "but now ndibona lamanyala and you're telling me, why am I believing you when I should be screaming and hitting you?" his heart relaxed, so she believed him! Thando: "you believe me mntu wam?" Asanda: "Thando, even if you try to lie, you can't. I know you well enough. You should have told me this." he held her hands. Asanda: "I am still hurt, so don't think sizoveske sitsibe Sibe right." Thando: "I know, love." she let go and dished up his food. He dressed and ate. When he finished up, he went to fetch his bag and lunch. Thando: "morning." Asanda: "morning." he kissed her forehead and walked out. She went to shower and think to herself. She believed Thando, because she was in love with him. As angry as she was, she had to be reasonable, naye if she ever makes a mistake she would want to be heard out. Asanda got out the shower and dressed. She had to go to work too. Catching a taxi to Summerstrand arriving quite early. Zimasa was waiting. Zim: "hey tshomi. Uright?" Asanda: "ndiright girl wena?" she smiled. Zim: "I'm good, make-up? Wena Asanda?" Asanda: "just trying something new wethu, injan?" Zim: "you May want to chill on the foundation girl." Asanda: "oh. I still think it looks fine. Uvelaphi eksen apha wena wedwa." Zim: "last night was epic. Besise Cubana peto, and your brother was there, uske wathini na yena these days." Asanda: "nganton ngoku?" Zimasa: "the way he dresses is smart, ndamva while he was ordering a drink ethetha English, his cologne! Wooow. All This time ebezenzisa kanti?" Zim: "no Asanda, he's always been hot. And andimfuni, so don't worry." Asanda: "I'm not worried because he's in a very serious relationship with Khanya, she's the most supportive girlfriend he's ever been with. She's been there since day 1 emnceda ngofunda amthengel mpahla...actually She's the program he's on." Zim: "oh. I see." Asanda: "masingene ke peto. We have a long day ahead. Tell me about the rest of your night." Zim: "I met this cute guy, gama lakhe ngu Zuko, akamhle man, oko sincokola and stuff, he's really sweet ke yazi." Asanda: "and..." Zim: "I forgot to get his number." Asanda: "njani kengoku peto." Zim: "well, we were fooling around endikhapha ke siye bathroom and stuff, then while we were waiting in line, sincokola, he started kissing me. My Gaaawwd... Ndingasa nyibiliki. I don't know how his hand got inside my tights but damn. The nigga's finger game is on point." Asanda: "haayii!!" she laughed. Zim: "don't act like you've never done it before." Asanda: "I've been with one guy. In private futhi. Yayaz lonto." Zim: "anyway. He broke the pain inside me and melted it into butter. Yeses lamfana. When he was done, ndaya ke ebathroom. Ndili dama ndinjalo, luckily I had an extra panty liner." Asanda: "and then." Zim: "ndaphuma kaloku, and went to look for him but.." she shrugged. Zim: "a part of me still thinks I'm dreaming kodwa Asanda. How does a person vanish in thin air?" Asanda: "so you want to find him?" Zim: "I'm still recovering from that glorious orgasm. I couldn't care less where he went." they walked into the door, and changed into their uniforms.

Luzuko woke up, Tee was still asleep. Luz: "baby..." she mumbled and turned around. Luz: "okay then." he snuggled on her back. Tee: "shh..." Luz: "can I kiss you bae?" Tee: "uh-uh..." Luz: "aww, why not?" Tee: "cuz I'm sleeping baby...stopppp....." he held her ass, kissing her back. Luz: "I can't..." tee: "you're crazy Luz, go do something and leave me alone babby. Please damn." Luz: "I want us to make a baby." Tee: "hahaha, good one." Luz: "you such a party pooper." he went to brush his teeth and went to the kitchen. S'fiso was watching TV. Luz: "sho bhuti." S'fiso: "morning." his eyes fixed on the television. He was watching business news. Luz: "what you watchin-" S'fiso: "SHHHH!!!!" Luz: "okay." he went to fetch an apple. The phone rang. S'fiso: "can you switch that shit off! Oko kwasekuseni ikhala." luzuko went to the house phone and picked up. Luz: "hellloooooooo....." the other side was quiet. Luz: "hayi ke." he hung up again. S'fiso: "luzuko. Are dumb, stupid or both? Kukho umntu egatin!" Luz: "ohh!" he pressed the button to open it. Luz: "nguban lona eksen apha?" he opened the door and saw Vanessa walking in. Luzuko rushed to her before she reached the door. Luz: "what the hell are you doing here!!" Nessa: "I came to see you.

Nessa: "you weren't answering my calls I though-" Luz: "NO!!! You didn't think!" Nessa: "I can make you happy luzuko." Luz: "no Vanessa, right now you're making me really mad. If yu want to make me happy, then you stay the hell away. Or else kuyoba kubi apha Vanessa." Nessa: "luzuko. I don't understand why you think I'll just walk away from you. Because I won't." tee walked out the house. Tee: "baby?" Vanessa stared at her flawless body. She was tanned and had lovely curves, a flat stomach with a belly ring. A tattoo on her left rib, it was a quote written in Spanish. her full round breasts poking out, clearly not wearing a bra. She was wearing a crop top that covered just under her nipples and a white bikini panty. Vanessa swallowed. Tee: "luzuko?" she tied up her brunette hair in a lazy ponytail, revealing her nipples as she lifted her arms up, they were pierced too. Luz: "love. She came looking for Lubby, I'm just explaining to her, he aint here." tee: "hello, I'm Tiyana." she extended her hand to Vanessa. Nessa: "hi." looking at the hand, searching for the ring. Black pointed nails curled back into the palm clearly seeing the rejected handshake. Tee: "I'll start on breakfast don't be too long." she kissed Luzuko full on the lips. Luz: "okay baby." she walked to the house. Nessa: "wow." Luz: "look Vanessa, you're a beautiful girl, guys would be lining up to date, mna I'm taken. That night was a mistake." Nessa: "I get it now Luzuko. Kaloku mna ndisi sbhanxa sakho ne. Its chilled. Hlala ke nama cherri akho angena zimbiza." she turned and walked away in tears. Luz: "cela ungaphind ubuye." he whispered. Nessa: "fuck you luzuko!!!!" Luz: "already did." he walked to the house, Tee was making omelets for everyone. Luz: "babe." Tee: "who is she." while cracking the eggs open into a bowl. Luz: "I told you b-" Tee: "I'm not stupid Luzuko. I know you're fucking her." Luz: "bab-" Tee: "save it." she held the large bread knife and cut a slice from the fresh bread. He backed away. Luz: "babes, it was a long time ago. I keep telling he-" Tee: "the least you could tell me is the motherfucking truth! I know you luzuko. I know this is you, the real you. Which is why for once I didn't believe that faithful shit you were making me think you on. I know we only started 6 months ago when I joined the conglomerate. But I know how your mind works. So don't bullshit me." Luz: "baby." Tee: "you gonn have fried or scrambled eggs or is this omelet fine?" Luz: "its fine. Baby..." Tee: "don't lie to me." Luz: "I'm not." she made the breakfast finished, dished up and went straight to take a shower. S'fiso came to eat. S'fiso: "you fucked up didn't you." Luz: "Eish bhuti." S'fiso: "ucelile uxolo?" Luz: " I tried, she keeps swerving me." S'fiso: "then you got some ass kissing to do bra." he took his plate to the lounge. Luzuko went to his bedroom where Tee was showering. He undressed and went in. Luz: "I promise you I

don't want anyone else. Please forgive me baby..I am so sorry." she looked at him. His bottom lip plucked out like Lutha. She thought it was quite cute. Tee: "that's not gonna work. I need to get to my meeting in 45 minutes. Excuse me." after her shower, she went to get dressed. She dried her hair and wore a White pencil skirt and a white blouse tucked in. A one button light pink blazer and matching pink platforms. Luz: "honey..." Tee: "bye luzuko." she took her bag and laptop, rushing out before she melted back in his arms.....

Lukhanyo got out the shower dried up and took his lotion. Lisa was on the bed with Luhle since Luthando had fallen asleep on his play mat. Lukhanyo got dressed, new pair of dark jeans. They crumpled and ripped on the knee. He wore his Timbalands and a black sweater. Luks: "you done?" Lisa: "ja." he picked Luthando off the floor. He was wearing skinny jeans with a plain white sweater and the tiniest pair of white All stars. Luhle was dressed exactly the same but her All star was red. Lutha rested his head on his father' shoulder still snoring lightly. Luks: "lisakhanya." Lisa: "Lukhanyo." Luks: "I hate fighting with you. Andiy'thandi xa singavani. It breaks my heart nyani lonto." Lisa: "I don't like it either baby. Ndicela uxolo ngento yonke. I know I shouldn't have hidden this from you. But he doesn't want to get the point." Luks: "if you're lying to me, Lisa. Ndicela uyazi ngoku I won't be responsible for my actions. andiyoyiki trongo, I have a fucking powerful family name. Ndicela unga testwa ke. Kudala basizama baby. They have all failed." Lisa: "ndiyakuva Lukhanyo." Luks: "good. Masambeni." she picked the baby girl up, Lukhanyo took their emergency bag and they walked out. Luks: "what are we having for breakfast." I packed our breakfast in the bag. Lutha: "Tata." he was awake. Luks: "yes my boy." Luthando mumbled something inaudible. Luks: "nyani ndoda?" Lutha: "a-dudu." Luks: "uphi uDudu?" Lutha: "azi. Moth, ambe Nana. Nana?" Luhle: "hm?" Lutha: "Ithha." he reached out his hand. Lukhanyo and Lisa had to stand for their little embrace. Luhle smudged his brother's cheek and went back to her step mom's arms. Lutha: " itha Tata." Lukhanyo kissed him too. Lutha looked at Lisa and smiled. Lutha: "mazi." Lukhanyo laughed. Lutha: "Ithha nzee.." Lisa kissed him. Then they started walking down to the park. Putting a blanket on the grass, they took off their shoes.. Lisa: "yuh yeke, ndizoty ice cream noLuhle mna. Andizoqhathwa." Luks: "girl please don't play. Ntombi yam izoty notatakhe." Lisa: "akacingi." she held Luhle and ran with her around in a small circle. Lukhanyo ran after them. Lutha followed screaming and laughing. Lukhanyo grabbed Lisa and Luhle, they all fell lightly on the grass, giggling. Luhle: "hayi Tata!!" she chuckled out of breath. Lutha threw himself on them still laughing. Luks: "kwedin. You are an idiot yazi. Come here!" he laughed. Luhle got up and started running again. Luks: "yuuh nanko.." he chased after her. Finally she gave up bursting

into those cute giggles and falling down. Lutha ran too and pulled her up. Lutha: "Nana!!!" he laughed and fell down next to her. Lukhanyo grabbed them both and ran with them. Lisa ran after them. The babies found this running quite amusing. They all flopped on the blanket, breathing heavily. Tired. Luhle pulled herself up and started again. Lukhanyo just laughed. Luks: "yeeyi niyathanda udlala Nina. Hayi baby, its your turn now." Lisa: "haha. Yuuh, energy abanayo aba. Hayi a.a." Luks: "yaba bona. kha khuphe la bhola yabo better." she took out their ball and got up. Lutha stood up and followed. Lutha: "mazzii!" Lisa: "aww baby. Yakwaz khaba bhola." she rolled it over to him. Lutha picked it up and started running again. Laughing at his own stunt. Lukhanyo laughed and ran after him with Luhle. Lutha dropped the ball and fell down. Luks: "awusawi man!" he scooped him up, rolling the ball to Luhle. She sat down and hugged it smiling brightly. Luhle: "bambu." Luks: "Heeee, iza kaloku baby." she shook her head. Luks: "ndizothatha?" she got up and ran with it. Lukhanyo put his son down and jogged after her with Lisa. Lutha: "NANA!!!!" he screamed enthusiastically. Luhle ran to him. Her short little legs tripping and falling on the ball and she rolled over 3 times. Lukhanyo sat down and laughed out loud. Lisa: "awungcole." she giggled. Luks: "that was soo cute and funny baby umbonile?" Lisa: "worse when she rolled over 3 times. So adorable." Lutha helped his sister up dusting her jeans. Luks: "izannotya ke. Come little bunnies." they ran to him and threw themselves on him. Lisa took out their breakfast to eat.....

Chapter 636

It was late evening in Dubai. I was just out the shower, I walked into the bedroom. Lubabalo was in bed with Lubambo on his chest. They were fast asleep. It was so cute because they were wearing the same thing. A blue and white jumpsuit. It had a hoodie and zip in front. Lubby snored with his mouth slightly open, probably tired from the long day he had with his friend. On the bed was another jumpsuit, guessing it was for me. I wore it and got into bed kissing his parted lips.. He opened his eyes lazily and looked at me. Lubb: "hey you..." Me: "hey baby. This looks really cute, where did you buy them." Lubb: "custom made, we got 3 other ones too." Me: "ncaawh. Usweet ke wena. But then Sibongile is arriving soon, uzoyom'landa e-Airport unxibe pajama efana neyo nyanakho" Lubb: "ndibakhathalele nganton babes? Masamben sonke futhi." Me: "andicingi mna. Iya wena ushiye umntanam. You look

like a blue frog." Lubb: "Efana nawe kamand. Ina." Lubambo was awake. Lubb: "my beautiful Prince...." I took the baby while Lubby got up. Lubb: "I hired them a driver babes, they're landing in 20 minutes and they'll be here in about 30." Me: "come sit with us kaloku. Sow'dikiwe ndim?" Lubb: "no....but you make me lazy, I got to gym baby..." Me: "I don't gym either, you think I like sitting here all day." Lubb: "yes you do, the way you're glowing and getting all soft and smooth.." he kissed my cheek. We chilled on the bed together. Sitting opposite each other Lubambo lay in the middle. Lubb: "Junior..." he waved a pencil sideways. Lubambo's eyes followed. Lubby hid it. Me: "subhanxa umntanam wena." Lubb: "uyandiva kqala?" Me: "don't you even dare." I took my son to feed him. Lubb: "hm..kumand ubangu Bambi. The way he gets tities more than me. And he aint even a month yet." Me: "if you stop tryna act smart. Maybe you'd get som-." Lubb: "bleeehh..." I smacked his shoulder. Lubb: "haha, ndiyadlala boo." he switched on his laptop while I burped Lubambo. Me: "what is this?" Nette's face popped up on the screen. Nette: "Hello!!!" she actually startled me. Plus Lubambo got a fright too. Everything frightens him since he's not used to the world yet. Me: "hello Nette." Lubb: "hi mom." Nette: "oh my! This is the prince I've been told about. The cutest royal family." Lubb: "how are you mother?" Nette: "oh I'm good dear, and you?" Lubb: "we're doing great, just miss you. Waar is pa?" Nette: "ek weet nie seun." she looked upset. Lubb: "what's wrong ma?" Nette: "nothing my angel. I hope you and your family are enjoying yourselves." Lubb: "mom, what's going on there?" Nette: "its nothing you should be worrying about Andrew. Focus. Lizzle honey, how's the new fella, is he a hassle." Me: "not at all maam, he's an angel, sleeps and drinks his milk. You're welcome to visit anytime." Nette: "I sure will dear. Don't forget to take it easy okay?" Me: "I won't." Nette: "Lubbylu." Lubb: "mom." Nette: "don't be such a long face now. Have you made the arrangements yet? Have you asked?" Lubb: "asked who? What mom." Nette: "asked lizzle if she will m-" Lubb: "OKAY!!!! It is time for supper now." Nette: "I guess not. Why are you on slug mode. Get a move on boy!" Lubb: "Mom." he smiled. Lubb: "No, just No." Nette: "you mean you...." Lubb: "can we not discuss this right now?" Me: "discuss what?" Nette: "well you know sweetie lubbylu told me some of his fut-" Lubb: "momma goodnight. I'm switching this off. You're ruining everything." Nette: "okay pumpkin peck, I'm quiet." I so wanted to know but I guess it was a secret. Lubb: "we have to go Mrs Anne Morrison." Nette: "yes, soon there'll-" Lubb: "be no network coverage and this call will cut off. I love you." Nette: "I love you too dear, and the little replica. You too Lizzle." Me: "love you too ma." after the video call I had an urge to ask. Me: "what arrangement?" Lubb: "I was thinking of building an empire this side, this afternoon I went to a meeting with an old friend, Rasheed. We had some future plans and it looks

great so I'm weighing my options." Me: "oh. Another one? What about Cape Town?" Lubb: "my father is more hands on with that one. I need something that has a Lubby Morrison stamp on it not just Morrison. I'm in the mood for good business." Me: "well honey, if that's what you want, give it some real deep thought. This company you're thinking of building is going to consume more of your time. If you're ready for the ultimate sacrifice and challenge. I'll cheer you on. Although I can't promise on staying because next year I have to be back in South Africa to start my second year in university." Lubb: "I respect that love. So, I'm guessing we wait until you get your degree, our kids will be older by then and everything will be easier." Me: "I don't want anything to interfere Lubabalo. Promise me." Lubb: "I promise you, nothing will interfere with your studies. I want that degree as much as you because it will make you happy. And I love seeing you happy." I blushed ndijonge caleni. Lubb: "my favorite sunshine." Me: "we're tryna be serious here." Lubb: "my potato head." Me: "uyaz'bona ke." Lubb: "sorry. Busatsho ke?" he sat behind me, I rested on his lower stomach, Lubambo lay next to us. Lubby was playing with my hair, plaiting it or whatever he was doing. He always has done this. Its not new, I loved it, made me sleepy. Me: "I was saying.....uhm, I forgot what I was saying." Lubb: "let me help you there, you were telling me how much you loved me." he kissed my face, repeatedly. Me: "suphosisa mntu wam." Lubb: "manyan...you said it, not me. Qhubekeka ke.." Me: "you already have a big head. So no." Lubb: "you about to bruise my ego lady, don't play like that." Me: "I love you ke big Daddy." Lubb: "ooooh...that.....gives me a tingling somewhere." massaging my head...Me: "forget that thought." Lubb: "deleted and erased.....they've arrived." I heard Soma screaming Lubby's name from across the house. We got up and took our son downstairs. Sbosh: "peto!!" she hugged me. Still carrying a fast asleep Chuma. Me: "hey you! Unjani?" Sbosh: "yuh mtshana, glad to see you qha! Anise bahle man. Idzo bethuna." Lubb: "haha, nice to see you too Sbosh. Sho bhuda." he shook S'bu's hand who was extremely confused. S'bu: "Lukhanyo?" Lubb: "Steven, Abraham, Peter, Lubby, call me anything you like." he smiled. S'bu laughed. S'bu: "ndingu Sbu mna. Lovely house." Lubb: "nice to meet you S'bu, thank you a thousand much, would you like some tea? Coffee? A shower?" S'bu: "a shower, please." Lubb: "up stairs, 6th room on your left. Enjoy. Hello Sbosh mtshan uright?" sbosh: "for the 2nd time Lubby, I'm okay. Thank you." Lubb: "sundiphoxa kalok mfazi yinton ngath ndinuki khwapha." Sbosh giggled. Sbosh: "unjani Lubabalo." Lubb: "ndiyaphila girl, ayisentle intloko lady, iyalalazela. Icula iSoprano. Buyenze kwa Vusi?" Sbosh: "uyandiphoxa ne?" Lubb: "ndimazela ku malinki kalok ubrothers uyay'kwazi shame. And daddy's boy is still asleep, poor thing." Chuma opened his eyes. They sparkled and he smiled. Chuma: "mama, siphilapha?" Sbosh: "endlin ka

daddy." Chuma looked around and saw Lubby waving. Chuma: "daddy!!" he jumped off his mom and hung on him. Lubb: "I missed you too! Bonile ubaba ka mamakho." picking him up and standing closer to Lihle and Lubambo. Lubb: "nanku ke uLubby Jr." Chuma: "ubaba ka mama wam? Ngoku mna akazondithanda umama?" Me: "yuh sweety, ndiyakthanda nawe nje kakhuuulluu! Nonke Va." Chuma: "baba uzolalaphi kqala?" Me: "une bhedi yakhe ubaba." Chuma: "oh. K ke. Ndizomboleka ke truck yam." Lubb: "okay ke boy, masiyo vasa sizotyia." Chuma: "andifun vasa nje mna." Lubb: "hayi uzosinukisela amadzewula kengoku?" he walked upstairs with him. Chuma: "awanuki amanzewula am." Lubb: "sizova ngoku." he put him on the bed, undressed him and took off his boots. Lubb: "yoooh." he spun around and fell down. Pretending to faint. Chuma: "hayi daddy suphosisa tshi. Vuka." he climbed on him. Holding his face. Lubby tickled him. Chuma ran off giggling. Lubb: "heeyi! Izovasa kwedin. He caught him and threw him in the air catching him again. Lubb: "I missed you my boy." Chuma: "nam mos daddy. I Miss you." Lubb: "ngena ke ebhafin." he put him inside a bath and washed him.....

Luzuko was dragged to a meeting with S'fiso. He really didn't want to be there but since his brother insisted, he couldn't say no. S'fiso: "all you get to do is listen, don't say nothing. You hear?" Luz: "but why am I here?" S'fiso: "to spend more time with me. Shh, here he comes, act professional." Luz: "whatever." he sipped his whiskey. An older man with a younger woman joined them. S'fiso: "Good Evening Mr Joubert, this is my brother Luzuko, Luzuko, this is Mr Chad Joubert." Luz: "pleased to meet you sir." Chad: "likewise, this is my PA, Precious. Shall we get started." S'fiso: "certainly." Luzuko stared at Precious. He knew her, very well. They used to go to the same high school in Bloemfontein. He hated her and so did she. They had a stare down while S'fiso continued with his meeting. S'fiso: "sir, the impact this purchase will have on your current account will be severe, preferably if you could wait a couple of months because the share price has been quite low, its doing bad." Chad: "look.....uhm, Sifiso, you're good at your job, but I know what's best for me and my company, we're taking the project full on and I'm putting in my 30%." S'fiso: "as your financial advisor, I suggest you do not. I had a feeling as of any other business man that you'd want to be more convinced than just hearsay, which is why I've conducted research of my own on the history of the business you want to finance." he gave him an envelope. S'fiso: "I have shortened the information to save us all time, please turn to page 2." luzuko still stared at Precious, S'fiso kicked him. Luz: "aah!" S'fiso: "fo-cus." he said through gritted teeth. Luz: "waz'ba undijongelan lo." Precious: "und'qhel ukunya ne luzuko." luckily Chad could not understand. S'fiso: "bethuna ayiloxesha lalomlo wenu ngoku. Siyasebenza." Luz: "ingaske ndik'fak inyaw aphe mlonyen uyek undijamela ngamehlo

ka xam." Precious: "andikhose moodin yalento yakho ke. Otherwise bendizo-" Luz: "mlomo uyaqaqamba mhlawmbi? Khaw'vale kube kanye. Save your breath to save a life." Chad: "am I missing something?" S'fiso: "definitely not, apparently they're old friends, rekindling their spark. Who would've thought." Chad: "hm...I see. Let's proceed." the meeting dragged on for another 2 hours. Luzuko was hungry and irritated. Chad: "uhm, S'fiso. I don't know hey. Now I'm hanging in between. What do you have for me then." S'fiso: "turn to the last page please. See there I have listed 4 potential businesses in which you could invest in. All have a good track record, strategic and organized management. Productive and efficient employees. Audits are conducted once every 3 months. It is a great investment." Chad: "I'm impressed I'll have a look at this later. Thank you Mr Daniels." S'fiso: "my pleasure sir." they shook hands. Luz: "siyabulela Bawo. Nkosi elungileyo." Precious: "S'fiso, it was a pleasure seeing you." S'fiso: "you too sisi...uhambe kakuhle." Chad walked to the door. S'fiso: "ungashiywa." Luz: "because akho ndaw yakho kwi boot yethu." precious: "we came with separate cars. Hoping I'll see you again." S'fiso: "I'm sure you will." he gave her his business card. She took it and left. Luz: "big mistake. She's married." S'fiso: "oh wow. Now you tell me. Good lookin out Bro." Luz: "I tried but you were too busy staring at her breasts khangе undive." S'fiso: "fuck you and your trying. Masambe." Luz: "let's start somewhere and get some drinks yeah?" S'fiso: "that place.....uhm...." Luz: "Gondwana's? fucking right." they got in the car and drove to the club.

It was still early, so they walked to Nando's to get some food. While sitting at a table S'fiso noticed someone looking at him. S'fiso: "is that a potato staring at me?" luzuko choked on his drink. S'fiso: "ungajumpisi, don't look." Luz: "what potato? Ndifun bona." S'fiso: "noba wazi wena andimazi mna, now you can look. Thighs looking like cabbage leaves. Grrr." luzuko laughed. Luz: "you bastard." S'fiso: "zange kakade ndasweet. I tell it like it is." Luz: "you're mean as fuck." S'fiso: "heee. Mean? Mean is me talking shit to your face. And am I talking shit?" Luz: "you just dissed a girl's thighs." S'fiso: "luzuko, you need someone to sit on your face right this second. Becaus-" "Hello." Mandy stood by the table. Luz: "hey Mandy, unjan girl? You look adorable, niyaphi?" Mandy: "clubbing. My friend has been crushing on your friend here for days. Kudala emane ngom'buka. Molo bhuti." S'fiso: "hello. She's your friend? Please tell her to stop staring?" Mandy: "khathethe naye wethu. She's shy." S'fiso: "uhm. No." Mandy: "bhuti Luzuko, please speak to your friend." Luz: "ngu bhuti wam lona not my friend, bhuti please speak to the poor girl." S'fiso: "okay fine then! Not now though." Mandy: "thanks!" she turned and walked away. S'fiso: "now, I wouldn't mind tapping that all night long." staring at her ass. Luz: "is that drool?" he dabbed a serviette on the corner of S'fiso's mouth. S'fiso: "oh please fuck off." Luz: "hahaha!

Libala bra, cherri ka Soso leya, or Soma, I can't remember. But none the less. He's a bad ass. Stay away." S'fiso: "she look like she bad too." he smacked his lips. Luz: "I don't think you understand. S'fiso, her boyfriend is a thug." S'fiso: "do I see him anywhere here? Nope." Luz: "Bro. This is a dangerous game you playin. And I cannot support it. Andifun uba caught in the middle." S'fiso: "okay, okay....ndimyekile ke. She's still fine as fuck though. Buthe nguban gama lakhe? Mandy? Sexy." Luz: "okay. Time to go. You're about to fuck up." S'fiso: "No Luzuko. Sit the hell down." he looked at the girls' table. Calling them. Luz: "what the fuckkkk are you doing." S'fiso: "I'm being nice. Problem?" Luz: "you're playing with fire." the girls joined them. Mandy sitting next to Luzuko, SB sat with S'fiso. Mandy: "so, mna ndingu Mandy, this is SB my besty." S'fiso: "my name is S'fiso. Pleased to meet you both. So what do you do Mandy?" Mandy: "I'm a businesswoman. Have my own catering and event planning business." S'fiso: "hm.....nice, I love career women. I'm an investment banker." Mandy: "I see. SB?" SB: "uhm....erh...." Mandy looked at her pleadingly. SB: "I'm an executive." she smiled. S'fiso: "executive what exactly?" she froze. Luz: "so nobody cares that I'm a business man too? Okay." S'fiso:"no, you own it, you don't run it." Luz: "oh wow S'fiso, when you were in Cuba feeding the needy, were you still an investment banker or nah?" S'fiso: "okay, point taken." Mandy: "ncooh, you were in Cuba saving lives?" S'fiso: "yeah well I don't like to brag about it." Luz: "neggro please, you can't shut up about it." Mandy: "tell me more." S'fiso: "a friend of mine, Ayanda. He's a doctor, so he asked me to fly over there with him. The moment he started with his work, I was quite broken about the conditions in which these people lived, so as a businessman I created and funded a feeding scheme, also volunteering at the clinic." Mandy: "that is so brave of you." S'fiso: "oh well you know.....its nothing..." he blushed. SB: "its something, you saved lives and helped people." Mandy: "what was your most inspiring moment." Luz: "please don't get him started." S'fiso: "haha, well, every single second is precious to them. That's what's inspiring, the love and care they have for each other, they made me value time, especially because most of them didn't have much of it. But There's this one time I visited at the hospital. A little boy had been diagnosed with Cancer, most heart breaking thing you'll ever see. Usually when you think about little boys, you visualize them playing, kicking the ball breaking things, Santiago couldn't. He could hardly breath on his own. So a day before his birthday, I gave him a really cool truck. He looked at it once and said to me he didn't want it." Luz: "why?" S'fiso: "I asked him that and he simply said its not what he wanted, so I asked him, what exactly he wanted. And he told me.....he said, he wanted to go home." Mandy: "ncaaaaawh." S'fiso: "suddenly, I too missed home. Anyway, we made arrangements for him and he went home. Unfortunately A week

later. He passed on." SB: "that is so sad." S'fiso: "I know. But I'm glad he was happy, for the last time." Luz: "thank you S'fiso, for officially ruining the party mood." SB: "now I just wanna hug my mom." S'fiso: "wouldn't be a bad idea. In life its essential to appreciate the little you have." Mandy: "thank you for sharing your story." S'fiso: "thank you for listening." he looked at her eyes proudly, licking his bottom lip. Mandy: "so, we have to go." S'fiso: "niyaphi?" SB: "yeah. Siyaphi? We're still chilling nje." mandy: "my boyfriend is gonn start panicking." S'fiso: "I thought you were getting ready to party." Mandy: "There's something he asked me to do so yeah. Enjoy your day and evening. Uzoba right mos peto?" SB: "ewe mtshana. Bye." Luz: "uhm, uright nganton kqala girl?" S'fiso: "ja, worse sihamba nge 2 seaater namhlanje. So akho space. Hamba ne friend yakho." SB: "I'll take a cab. We're going for drinks first." Mandy: "great. Bye!" sge quickly walked to her car, got in and drove to Soso's house. His car was right outside. She strutted out opening with her own key. Giggles and screams from the lounge. Mandy went straight there. Soso was playing with his daughter, Siphe. Her mother was there too. Soso: "hey baby." Mandy: "molweni." Soso: "my angel passed, she's going to grade 2. Bendiphathelwe report." Mandy: "how lovely, congratulations sweetie." Soso: "oh and uhm. This is Zoleka, mama ka Siphe, Zo, ngu Mandy lo, my partner." zoleka: "okay. Let us get going then. Nice to meet you Mandy." she smiled. Mandy smiled back. Soso: "ndiyashiywa ngoku." he hugged his daughter. Siphe: "zoza ngomso Tata. Siyothenga ice cream." Soso: "most definitely. Give daddy a kiss" she kissed him. Soso: "I love you." siphe: "I love you too Tata." Zoleka held her hand. Zo: "I hope we're not messing your schedule, if you're busy tomorrow we can set another day." Soso: "nahh...I'm totally free, I'll come by ngo 11am." Zoleka: "sure. Bye Mandy." Mandy: "Bye." Zo walked out with Siphe. Mandy: "I thought we had plans ngomso baby." Soso: "we did? Oh, I'm sorry mntu wam, can we reschedule? I've got a meeting at 7am then ngo 11 I'm taking my baby out." Mandy: "can I come with you?" Soso: "uhm....well...I thought maybe I..." Mandy: "Oh, I understand it." Soso: "that's why I love you." he kissed her and went to shower.

Chapter 637

Mozambique.

Lukhanyo couldn't sleep. He stayed up until Lisa fell asleep. He snuck out of bed tip toeing to his pants on the chair, he took them plus his sneakers and sweater then

walked out the room. Dressing in the passage. He walked down the stairs and from the 4th floor and out the main doors down to the park. It was midnight and empty. He sat on the bench and took out his phone wondering why calls to South Africa cost him so much? The other day when he called Lihle. He had gone to so much trouble to get the system and phone to work now it was billing him. He bought airtime using his phone, 400 Rand. Luks: "ndizoy'bona kakhle ke lento." he called Luzuko first. Luz picked up. Luz: "hello?" Luks: "sho nyana ugrand?" Luz: "hehee!! Ekse Bafo! Ndisharp wena? How are my kids?" Luks: "I'm good, hayi bagrand abantwana. BaYathand dlala qha. Yoh." Luz: "baqheliswe ngu tanci. Wenzani apho?" Luks: "I'm sittin out here. Ndibuka ubusuku qha. Everyone is asleep. I can't." Luz: "why what's up?" Luks: "nah, don't wanna bore you with my pathetic shit." Luz: "bhuti, you know that's why I'm here. To sit and listen to your pathetic shit. Talk to me." Luks: "sometimes I'm not sure of myself. Ingathi ndilahlekile. I'm missing something in my life and no its not Lihle." Luz: "I know. Maybe you need a new challenge in life. A hobby, something that brings you purpose not lento yobu gintsa because ayikwakhi at all." Luks: "hayi yanya kengoku." Luz: "you want to change right?" Luks: "ewe, but-" Luz: "no buts Lukhanyo." there was music in the background. People were talking and shouting. S'fiso: "fondin khasuk efownin uzo jaiva!" Luz: "S'fiso, khawme man!!" he went to the car. Luks: "dude are you clubbing?" Luz: "hayi, mayime club, ndisancokola nawe ngoku. Look, you need something to look forward to Bro, something to inspire you in a positive way. Why don't you take a course and see what you're capable of?" Luks: "course yokuthin kengoku. The only thing I'm interested in is business. And I already have 3 succesful businesses running." Luz: "selling drugs and guns is not business its illegal trading and can send you to jail." Lil Wayne's Up, Up and away started playing. Luks: "luzuko. The music." Luz: "let me drive out, bamba kancinci." he started the car and drove a distance then parked. Luz: "as I was saying. You need to calm down and re evaluate your life." Luks: "its her birthday today." Luz: "you gonn hit her up?" Luks: "should I?" Luz: "if it'll put you to sleep." Luks: "give Lubby the phone I wanna talk to him." luz: "uhm, he isn't here." Luks: "he at his house?" luz: "uhm...no. He's on holiday." Luks: "oh? Where?" Luz: "nobody knows." Luks: "nto zakhe ke ezo. He'll be back soon enough." Luz: "wena usabuya ngomso?" Luks: "yep. I'll arrive noba late. We'll talk when I arrive." Luz: "okay mjita. Stay cool." Luks: "take 2 shots for me. Sharp." he hung up. Checking his balance. Luks: "something definitely wrong." this time it didn't charge as high as the last time. As he dialed Lihle's number. A voice behind him spoke. "what are you doing?" he got a fright and jumped up. Luks: "u-uhm..erh..just getting som- WENA what are you doing out here!" Lisa: "I came looking for you. Are you talking to yourself baby?" Luks: "what if I am?" Lisa: "that

would be.....a bit weird." Luks: "maybe I'm weird ke baby. Masambe." they walked hand in hand. Lisa: "ucinga nton?" Luks: "I'm just planning our future mfazi wam. I want what's best for us. Sikwamkelise kakuhle nakwi family yam." Lisa: "ncooh. Wena ke." Luks: "nditheni mna?" kissing her lips.. his phone vibrated. Lisa: "khawme man." Luks: "maybe.....its....from Luz." he said in between kisses. He checked the phone while kissing her neck. A call was just dropped. Luks: "shit." Lisa: "what?" Luks: "our plane leaves at what time kanene?" Lisa: "ngo 10 ksasa to Joburg, then leynosbini is at 4 emini. Why?" Luks: "oh, I got this schedule wrong. Let me just....." he went to his emails. Inbox was empty. He wrote a new email. "I wanted to say-" Lisa: "baby kuyabanda apha. And put away this phone. Awuy'thand ke wena lento." he switched off the phone. Luks: "nyansile baby. Let's go.".....

After the phone had woken me up. I sat in bed trying to think. What game was Lukhanyo playing? Uqala andithuke then out the blue afowne azincokolise ecaleni necherrie yakhe? Or maybe his phone dialed my number by mistake? Surely it did because as stupid as Lukhanyo was. He sure as hell wasn't pathetic and petty. So it was probably a mistake. Anyway, where is my son? When I fell asleep last night, him and Lubby Sr were having their bonding session and praying. Of course Lubambo didn't understand a thing but I loved the fact that Lubby was introducing him to Christianity at an early stage. Reading him Bible stories and praying. Such a beautiful sight. I got out of bed. A pattern of broken chocolate pieces led to our bathroom. Yes, chocolate. That is how random my man is. I opened the door. The bath was half filled with warm water and bubbles. He was sitting on the chair with Lubambo on his lap. They were dressed in white. Lubb: "Happy Birthday Kumkanikazi yam entle." I hugged them. Me: "you are so sweet baby! Thank you." Lubb: "still more to come....get in the bath, relax and enjoy your sexy self." Me: "well, molweni." Lubb: "good morning Queen. Unjani?" Me: "I'm Good." I kissed him, then Lubambo. Lubb: "do you need help?" Me: "I'll be fine..." stepping into the bath and relaxing. Lubby was a bit edgy. Me: "you okay?" Lubb: "who? Me? Hah! Baby. I'm Gucci. Siyabuya Va." he rushed out downstairs. Sbosh was decorating with Thandi. Sbosh: "is she up?" Lubb: "yes." usavasa though, the food is done?" Sbosh: "yes! Relax Lubabalo damn." Lubb: "I can't Sibongile." he was visibly shaking. Sbosh: "what's wrong?" he reached into his pocket and took out a white little box. She gasped. Sbosh: "Lubby!!" Lubb: "shh..." he put it back in his pocket. Lubb: "I don't know Sbosh. Lihle is still a bit fragile. She hates it when I spend too much, she wants to be in control, what if she rejects me." Sbosh: "kazapha." she pulled him outside by the pool. Sbosh: "Lubabalo. Andifuni uxoka, I really don't like lento yenzekileyo. This relationship will make my friend look like a hoe which she isn't." Lubb: "S'bongile, I don't care who thinks what. I'm in

love with her." Sbosh: "I'm not disputing that at all. I can see ba uyamthanda. Its just....I don't want to see her hurt Lubby. And you're right, she's still fragile-" Lubb: "I won't ever hurt her Sbosh, believe me. Just trust me on that point, ndiyayaz ba at times I'm an idiot but the one thing I hate is seeing my babe cry. Even before sidyole, I made sure to protect her because her pain was my pain. And it still is." Sbosh: "okay. Ndiyakuva Lubabalo. Although ingeka sink in ncam....but since you make her happy I wish you all the best...." Lubb: "do you think she'll say yes?" Sbosh: "I have no idea ke bhuti. Into endiyaziyo is that she loves you." he looked at his baby. Sbosh: "you have a beautiful son." Lubb: "thank you mtshana." Sbosh: "so you'll ask her today?" Lubb: "yes. Ndizominca impundu ndithethe." Sbosh: "haha, good luck ke." they walked back into the house where S'bu was holding Chuma in the air. Chuma: "daddy!!!!" he screamed. Lubb: "ndoda!!" S'bu tossed him to Soma, who spun him around. Lubby climbed upstairs to fetch Lubambo's mother. Lubb: "my leading lady." I was getting dressed. I felt like getting dolled up. Me: "my King." I wore my earrings and went to the bathroom to do my make-up. Lubabalo lay Lubambo the bed, taking out the box. Lubb: "sithini boy? You gonn help daddy?" he kissed his cheek opening the box. He put it on the baby's tummy. Taking out the ring. Lubb: "vula ke isandla." he opened his son's clenched fist and placed the diamond ring. Lubabalo walked to the bathroom. Standing at the door. To see Lihle inside and check his son in the bedroom. Lubb: "baby." Me: "yes honey." Lubb: "I can't remember a time I was this nervous." I could see it in his face. Me: "what's wrong love? Thetha nam." Lubb: "When I first met you I felt like I had known you forever, telling you my secrets and what I didn't want. Including what I liked too. We shared so much Lihle, through such a short space of time. who would have thought we would become more than just friends. Well when I got to know the real you, a woman so caring and gentle. Beautiful, amazing. With a heart so wonderful. You survived hurt and loneliness, regret, pain. But you don't give up. You don't hold resentment. You are my super woman." I had a tear in my eye. Lubb: "I told you I'd never leave because of the feelings I have inside. Sometimes, I wonder if I would survive if you'd leave me. And the answer is No, you are my air, my reason, my everything. Ulubambo lwam Lihle. I love exactly how we are together, people out there can talk all they like. Doubting if its 'real' or even going to last. Ndicela sibaphoxe ke mntu wam. I love you so much it hurts. Meeting you has changed my life...maybe it took some time but I know for a fact I want to be your man. And the problem now is that our son needs a nappy change and its your turn." I hung my arms around him. Me: "all that means a lot to me Lubabalo. I'm so speechless." Lubb: "I'm still nervous. I'm not done." his hand held mine close to his chest. I could feel his heart beat. Me: "I'll be quick." I walked straight to the cupboard,

took Lubambo's clean diaper, powder, wipes and turned to the bed. I stared at my son. My heart stopped right then. The box on his tummy. The ring in his grip. He hardly opened his hand so it was still clinging onto two of his tiny fingers. I turned to look at Lubabalo. He kneeled down. My heart literally skipped a beat. Lubb: "may you please marry me?"

In South Africa. Port Elizabeth.

Late evening, Lukhanyo, Lisa and Luthandoluhle arrived at Lisa's apartment. Luks: "baby. There's business I need to take care of. You'll be good?" Lisa: "sure. I'll be ayt. We'll take a long bath and head to bed. Two flights aren't really the greatest thing. Sidiniwe thina njebe une energy wena." Luks: "ndizobuya mntu wam." he kissed them goodbye and drove to Sbosh's place. The gate was locked. Lukhanyo drove to her mom's house where Sima(Sbosh's sister) lived. Till today, after all these years, he did not step into that yard. He stood out the gate on the road. He called Sbosh, went straight to voicemail. Luks: "Sbosh!!" He yelled. Sima came outside wearing a night dress and gown. Luks: "uphi uSibongile?" Sima: "kukwakho apha? Sow'ngxola ukhwaz ikaka us'fundekela thina!" Luks: "yese Sima. Ndakwenza nton Joe. knin ndacela amaxolo?" Sima: "imbeko iyafuneka Lukhanyo ngel'nye ixesha. Awusoze uphume isifombo. Thetha kakuhle uzophendulwa kakuhle. Akekho uSibongile uhambe noS'busiso. Andiyazi ke bayephi. Khangе atsho." Luks: "ok, so ndicela uncokola nonyana wam ke." Sima: "bahambe naye." Luks: "hayi njani kengoku?" Sima: "olahlobo ukwazi ngayo ushiya uChuma umke namawele odwa. Naye ke ukhutshiwe ngumamakhe." Luks: "oh. Babuya nin?" Sima: "andiyazi ke bhuti. Tea yam uyay'bandisa. Bhabhayi." she walked back into the house. Lukhanyo got into his car and drove to Smilo's house. As he walked in the yard. He could hear voices inside. But whatever they were saying was secretive. Smilo: "fondin, its time for you to go. Someone might recognize you." Guy: "who exactly? Its getting dark plus abekho abantu who are important enough for me. Where's the last one?" Smilo: "I have no idea." Guy: "find him. Keep him safe. Or there will be severe consequences. Siyavana kwedin?" Smilo: "yes boss." Guy: "There's something I need to finish off by tonight. If you can't do it, I'll do it myself." Lukhanyo was confused. He stepped away slowly and got back in his car and drove away. His heart beat was at an ultimate high. Boss? Who was Smilo taking orders from? His hands started shaking. He knew it won't be the end just yet if Smilo had a boss. Or was somebody else taking over? Lukhanyo parked at Sizwe's house without him realizing it. He needed someone to talk to. Someone who would understand and keep this extremely sensitive information to themselves. the only person he trusted. He got out the car and walked in. Sizwe was standing with his hands on the wall, head bowed down. He was in jeans only. The house was dark

and a bit dusty. Luks: "Ta Seez?" a low growl cracked in the room, like a hungry lion. Luks: "Ta Seez, ar-are you okay?" Sizwe: "okay.....is an understatement. I am fucking fine." Luks: "y-you don't look okay. Uphi uLihle? I need to talk to her." Sizwe: "he took her." Luks: "who!!!" Sizwe: "your brother Lukhanyo. And what the fuck is that smell!!!" Lukhanyo rushed to Lihle's room, checking the wardrobes, drawers, everything. Luks: "Shhiit!!!!" he walked out again to the lounge. Sizwe: "he stole my child Lukhanyo. When I find him....." he held Lukhanyo's jacket. Holding his neck. Sizwe: "sekhe way'bon ingonyama isilwa no xam Lukhanyo?" Luks shook his head. Sizwe: "it will be war!!" he let go of him. Luks: "Ta SEEZ, we have another problem. Lubabalo and Lihle are the least of our problems. There is someone in my uncle's house Ta Seez." Sizwe: "who?!" Luks: "someone who is controlling him." Sizwe: "impossible." he roared. Sizwe: "I have checked and double fucking triple checked. It is impossible!" Luks: "I heard them talk. I didn't know nganton. But something is going to happen Ta. And its going to happen Tonight."

Chapter 638

Me: "Lubabalo." I pulled him up. Lubb: "yes?" Me: "I want to marry you. I want to be your wife but right now isn't the time. You know exactly what I just came out of." Lubb: "and I want to make you happy. I already do. This I know." Me: "that's true-" Lubb: "I need you Lihle." Me: "I feel exactly the same way about you. I just don't want to rush this..." Lubb: "we're strong enough to stand by each other Lihle. Sukoyika sthandwa sentliziyo yam.." he picked me up without effort. I clung onto him, my head resting on his shoulder. Me: "yes." Lubb: "yes?" me: "yes Lubby I'll marry you, you idiot." Lubb: "Yes!!! You hear that boy?" I stood back on the ground. Lubb: " I kind of...called a priest out to bless our engagement. I didn't know you'd say yes, but I had faith." Me: "a priest to bless our engagement?" Lubb: "ewe baby." he kissed my lips still holding my hand. Lubambo starting sobbing. Lubb: "hayi baby njani ulibale umntanam?" Me: "hayi mpa." he picked up the boy. Lubb: "come sweetheart. Iza." he held my hand and dragged me downstairs. "Happy Birthday!!!" shouted everyone. I got such a fright. Me: "you guys!!" they started singing and I stood there like a dummy until they finished. I hugged everyone. Lubb: "sorry ke bethuna sine appointment. We'll be back." we walked out to the garden by the fountain was 2 thrones. And a little royal cot. Lubby covered the baby with a light blanket and we went under the shelter, sitting in our maroon suede and gold chairs. Me: "uyibaxile ke this time baby

because ineed bingekho." Lubb: "uxolo mntu wam. Kodwa azinojika sezilapha." I sat down, quite irritated. We greeted the old man who stood before us and introduced himself. Him: "may the Grace of God, the son and the Holy Spirit be with you today. Let us pray." we held hands closing our eyes. Him: "Lord Jesus, we come to you this beautiful morning you have dawned on us we pray for Your blessing to come upon this couple Lubabalo Morrison and Lihle Manti that as they await the day of their wedding, they will grow in mutual respect and in their love for one another; that through their companionship and prayer together they will prepare themselves rightly and chastely for marriage. Amen." Me: "Amen." Lubb: "Amen." he sat back and crossed his right leg over the left. Lubambo lay on his back on him. Lubby sat back comfortably in his chair. His relaxed mood honestly rubbed off me. I needed to stop being scared. For what? Priest: "This you may already know, but it is a very important part. Love is patient, love is kind. It is not jealous, love is not pompous, it is not inflated, it is not rude, it does not seek its own interests, it is not quick-tempered, it does not brood over injury, it does not rejoice over wrongdoing but rejoices with the truth. It bears all things, believes all things, hopes all things, endures all things." Lubb: "Amen to that." priest: " I repeat. Love is patient, it is Kind. It is not jealous, meaning you should trust and love your partner, it does not seek its own interests, you will soon be one and therefore that means what suits you should suit your partner. Love is not quick tempered, you do not lay hands on your partner. They got their discipline from their parents and that should be enough. It is does not brood over injury, nothing is as painful as being reminded of your mistakes by the one person you love and hope they have forgiven you. Learn to accept and solve problems as they come. Love should be supportive and not rejoice over evil and wrongdoings. The pain and tears of others should not be your foot rest. Throughout your life together, this love has to bear it all, it needs faith, and a strong spiritual relationship to be successful." Lubambo was fiddling again. Lubby held him up. Priest: "Love never fails. If there are prophecies, they will be brought to nothing; if tongues continue to talk, they will cease; if knowledge about you is always risen in discussions of hate, it will be brought to nothing. For we know partially and we prophesy partially, but when the perfect comes, the partial will pass away. You join a man and a woman together by their love for each other, so that in the family they establish they may rejoice in children, the crown of their love." Lubby kissed his son's face. Priest: " Through the paschal offering, Christ espoused the Church as his Bride and in his blood offered it to you, holy and immaculate. In this the Lord has given us the idea of the love that should exist between husband and wife in the sacrament of marriage. I call you Lubabalo, Lihle, to the communion of life and love that binds the Christian

family together, mind and heart. In due course may you honor the sacred pledge, and live in a peaceful, happy surrounding." he closed his Bible and note book. Priest: "congratulations on your engagement Mr and soon to be Mrs Morrison." Me: "thank you." Lubb: "thank you very much sir." we were instructed to kneel on the cushions and he lay his hands on our heads. We made our pledge. And after he was done, we thanked him once more. Walking inside the house. Lubb: "would you Like to joine us for brunch?" Priest: "I would love to." the house was set up so beautifully. Everyone nicely dressed and sitting neatly in the lounge. Lubby introduced our Priest to our friends. Soma walked up to us. Soma: "congratulations fondin! Lonto uyandishiya maan." Lubb: "pholile aloku nawe." he hugged us. Giving me my birthday gift. Soma: "this is from me and Thandi, Happy Birthday mntase." Me: "thank you so much SomaThandiswa." they laughed. Sbosh and S'bu came to hug me too. Giving me a big box. S'bu: "I'm bad at choosing colors ke sisi, uyondixolela mna." Me: "that's okay bhuti. Thank you." Chuma ran to me. Chuma: "mama jonga nantsi eyam." I kissed his forehead. Me: "thank you my love. Yinton?" Chuma: "yi-secret mama kalok. Shhh." I giggled. Me: "okay ke mntanam masithule." Lubby was leaning on the door frame with his hands in his pockets. Lubambo was held by Sbosh. I looked at him. He looked at me with that crooked smile that made me weak. Me: "what?" I blushed looking at the floor. Lubb: "nothing..." Me: "then kuthen undijamele." Lubb: "kalok wena uthe ndiyathand ubaxa Izinto." pouting his lips sadly. Me: "uxolo ke love. I appreciate your gift. Its beautiful." I hugged him. Lubb: "you know I'd still buy you the world if you wanted it." Me: "I don't want the world. I have you." Lubb: "when you're going through the night. I'll always be there as your brightest star and surround you with a light you've never seen before." Me: "you getting soft on me Mr Morrison." Lubb: "the strength of a man is determined by how gentle he handles his lady. So when you're next to me, Nguwe onamandla." Me: "so I can bully you.." he kissed my cheek. Lubb: " not too much, I'm still a sensitive bitch." I giggled. Soma cleared his throat. Me: "oh my goodness. I apologize sometimes lo wam umntu." Soma: "k'phethe nge spell. Korobela van die een mntase, Le iphuma kwi phepha Le Property guide." I laughed. Lubb: "hayi andiy'thandi." Thandi: "hayi Soma, uyayaz baby?" Soma: "hayi mntu wam ndandiy'vile nam." we walked to the dining table. Lukhanyo sat in Sizwe's lounge. His elbows rested on his knees. Luks: "sizothin Ta Seez?" Sizwe: "what exactly did you hear Lukhanyo!" Luks: "he asked Smilo, something like where is he. Andiyazi noba ubize igama lomntu na or uthe where is the last one." Sizwe: "I'm sure he said last one. What else." Luks: "he said to Smilo to find him and keep him safe. Or else kuzobakho consequences. What does he mean the last one kengoku. What if Smilo is dealing with my children and ulandela

uLubambo lo uthwelwe ngu Lihle! Where the hell is she!!!" Sizwe: "until we find out who this is. We're not sure. Masambe." he grabbed a jersey and they drove to Smilo's house. Sizwe: "undinike contact number yaba zali baka Lubabalo. For sure base Australia bonke." Luks: "kodwa uLihle ucinga njan! Uthin ngabantwana? Ta Seez mna funeke ndiyekelele kengok ndisonge izandla while she jumps out of town and lies. Because uxokile kum wathi usendlin knowing fully well she's out there wherever." Sizwe: "umsindo Lukhanyo. Thoba umsindo." Sizwe was trying to figure out who the voice could belong to. But if it was Zakhele, Lukhanyo would instantly recognize his voice, his speech, accent. Kwanto nje. Clearly it was someone else. But who. Smilo doesn't just lick feet for anyone at all. Sizwe: "I'm bout to drive myself crazy tryna crack who this could be." Luks: "for sure usekhona apha Ta Seez and akazohamba." they parked outside Smilo's house and walked to the door. Lukhanyo opened and walked inside quickly looking around. Smilo: "ukhangela nton kengoku Lukhanyo." he sat on a single couch. Having a glass of Brandy. Luks: "Ta Smig. Kukho umntu k'le ndlu!" he snapped. Smilo: "of course kukho umntu. Andiyo plastic mos." Luks: "someone else Ta Smig!!! Kuthen kunuk ichuba kodwa aw'tshayi.." Smilo didn't reply. Luks: "Ta SMIIIIG. Ndicel undiphendule! I heard him talk!" Smig: "Lukhanyo, you're paranoid yazi. Lento yoshiywa ngu Lihle has really done its worst. Ushiywa ziinqondo kwedin. Khaw'yo ceng umfaz wakho." Luks: "Ta Smig sundiphambanisa mna! Lihle khange andishiye, sohlukene! And this is not about her, nguban lo ulapha!" Smig: "go see for yourself." Lukhanyo's heart slowed down. He didn't expect him to give up like that. Did he really want to see the "boss". Smig: "go Lukhanyo. ambom'bona." Lukhanyo looked at Sizwe. Who stared back at him. Sizwe: "should I?" Smig: "ungu Lukhanyo?? He said he wanted to see mos, myeke ke aye." Sizwe: "I'll be right here, andiyi ndawo uyeva?" Lukhanyo nodded. He walked slowly to the first bedroom. His hands shaking he opened the door and looked inside. It was empty. He walked slowly to the second door and swallowed hard. His hand held the knob and turned it. Walking inside the room. It too was empty. So was the third. His heart fell. Luks: "Ta Smig akhomntu mos apha!!" Smig: "ujongil etoilet?" Lukhanyo opened the toilet door. Luks: "Ta Smig maan!!!!" he snapped. Smig: "benditshilo mna ndathi ushiywa ziinqondo. Ziyantringa mntanam." he sipped his brandy and flipped his newspaper. Lukhanyo stared at him, he was heating up. Sizwe: "Lukhanyo.....let's g-" Luks: "kodwa Ta Smig uyenza njan intwenje and play my feelings like that!!" he screamed. Smig: "ngak'ling undingxolele ke mna. Ndiyoku vuthulula nge mpama uyolala kwa sathana. Tshin Thixo. You come into my house throwing wild accusations and search it, phinda kwakhona uthi ndim ok'bhanxayao? Suphambana ke Lukhanyo. Like I said in the beginning, here I am. Ndim olapha. Lala nantsi couch ba

uyaqonda." Lukhanyo stormed out Sizwe: "kodwa Smilo unayo indawana edibene nok'thakatha. Umyeka njani umntana agoqoze kodwa uyayazi ba akhomntu apha." Smig: "kodwa Sizwe, undivile ndisitsho ba ndim ndodwa apha. Nguye ofune ubona. Ubonile ke. What was he expecting? Jesus? I'm sorry andiyo magician ke mna." Sizwe: "Lukhanyo akasodenge. Who are you hiding Smilo." Smig: "myself." Sizwe: "I'm gonn ask you one last time. WHO. Are you hiding!" Smig: "Sizwe, count your words, don't talk about 'asking me one last time' as if you're a prophet. Because things happen. People disappear." Sizwe: "if you think you'll succeed in killing me Smilo. You're dumber than I thought, tell him I'm ready." he Walked out to Lukhanyo who was grumpy in the car. They drove to the Triple L mansion.

Luzuko, S'fiso and Ayanda sat in the lounge. Tee was upstairs working on her launch. S'fiso: "Luz...bra. Khenze lewei sani." Luz: "nope." Ayanda: "what's that?" S'fiso: "Ace, mjita, sakhumbula lawei bes'hlel nayo eGondwana's kuze ibize friends zayo?" Ayanda: "oh ja. Uwoah. Uthen?" S'fiso: "tshom yakhe ndoda...yesessss!!!!" Ayanda: "omphi kengok?" Luz: "this is for dragging me to meet that bitch Precious." S'fiso: "get over it fondin tshi! Anyway, where you disappear to last night. With that Nandi chick." Luz: "Heeee." he hid a guilty smile. Ayanda: "you dog you." S'fiso: "and ..." Luz: "yaz'thand ndaba zam ke wena. Anyway, nothing happened bra." Ayanda: "lies." Luz: "her mouth is like my house. Ayi stout iqhaw'ka kwi chaina. Nqina lam." Luz: "but i-" the front door swung open. Ayanda and S'fiso froze. Luzuko's identical twin stood there, one hand in his pocket. Dressed in all black, and a gold chain. His sweater was pulled up one sleeve revealing an inked arm. Luz: "Ta Luks." Luks: "who is this, in my house?" Luz: "sorry. Ngoo

brother bam aba. S'fiso is my older and Ayanda is his best friend." Luks: "oh." he held out his hand and greeted them. Luks: "ndingu Luks mna. Feel at home, uhm, luzuko? Cela sithethe." they walked to the kitchen. Luks: "we are facing a problem. I need you to help me. Lubabalo uphi?" Luz: "I don't know bhuti." Luks: "does he call." Luz: "he did 2 days ago to check if I'm still good." Luks: "we can't do this alone. Something doesn't add up. I heard Ta Smig ethetha nomntu. Lomntu wants something done by tonight. I have a bad feeling about this." he explained the whole thing. Luz: "Lukhanyo, sizohlalen sonke apha. Bring the kids. Akhonto izokwenzeka. Don't be paranoid." Luks: "nyani maybe I'm just paranoid. Ndiyabuya ngoku." Luz: "its good to have you back." he hugged him. Luks: "its good to be back bruh.." then walked out to the car. Luks: "ngena Ta Seez, ndiyabuya ndisayoland abantwana endlin." Sizwe: "uzoba grand?" Luks: "yeah. I'll be good." Sizwe got out the car Lukhanyo drove to his fiancé's place. His favorite song was playing on radio. Luks: "God knows I never meant to hurt you..." he sang. Turning into the quiet street. A black BMW slowly turned behind him. Lukhanyo slowed down. Taking out his gun. Setting it. The car overtook him still driving slowly. The windows were dark. Luks stared for a while. Whoever it was. Clearly testing his patience. He got out his car, the gun tucked at his back. He walked to the car as normal as possible. The car sped off right before his eyes. This was a test. He was supposed to get in the car and run after it. But that was a stupid decision. There could be someone else waiting to go into the house and hurt his family. So he ran to the door and opened. Waking Lisa up. Luks: "lisakhanya we've got to go. Vuka baby." Lisa: "ngak'ling uzo nxilela kum ke mna mntu wam." Luks: "baby, someone is scouting this house. We have to get going!" Lisa: "ngabizi amapolisa nje Lukhanyo? Khaw'khwele bhedin akho kwa ndawo Siya kuyo ngobusuku ngath sibhanxekile thina." Lukhanyo picked Lutha up in one arm and Lutha in the other. Lisa: "ubasaphi abantwana." Luks: "uyay'buz injexe kanobathane because ndikxelele mos Sise ngxakin!!!" Lisa: "ungxolelan kengoku?" Luks: "mxim. Uyeza okanye?" she got up and dressed quickly. Someone was following him tonight, that he was sure of. They walked out to the car buckling the sleeping babies in. Lisa: "wait....my purs-" Luks: "sik'shiye girl?" he got in his car starting it. Lisa got in. The BMW was back. Luks: "gquma abantwana bam Lisa." she covered the kids. Lutha pulled the blanket off and stared at him. Lutha: "Tata." he had woken up. Luks: "sit still my boy.." he drove off. The car speeding across through the road.

Lutha mumbled something. Luks: "nyani mntanam. And then?" the car flew across the freeway. Lutha: "Tata!" he sobbed. Luks: "bambelela boy..sukoyika." he swerved a car on his left and turned right. They were still on his tail. Lisa: "who's this!!" Luks: "not now Lisa khame." Lisa: "we are being followed Lukhanyo! What the fuck!" Luks: "am I blind! Ndiyababona mos bayas'landela!!" another car came through, a white polo with tinted windows, it overtook Lukhanyo. Driving in front of him. The driver pulled his arm out the window and signaled for him to pass. Luks: "Thank you Lord." Lukhanyo passed him and accelerated, the other car blocked the BMW from chasing Luks. It kept in front until eventually giving up and turning around. Lukhanyo arrived at the triple L mansion. Taking his crying son out his chair. Luks: "uxolo kalok mntanam...sorry boy." Lutha was still asleep. Luks: "thatha uLuhle Lisa, ngene naye phe ndlin." Lisa: "who's house is this?" Luks: "owned by Lubabalo, but belongs to all 3 of us..kukho Luzuko pha ngaphakathi no Tata." Lisa went inside with the girl. Lutha held on his father's neck, still sobbing. Luks: "kodwa ndoda. You've seen worse. Uske undophule ntliziyo xa Lila kanje ke. Huh?" Lutha: "a-dudu shiyi." Luks: "ushiye uDudu wakho? Hayi ukhona Dudu, upha ngaphakathi." Lutha sniffed and kept quiet. Lutha: "fu mama." Luks: "masim'fownele simbuz ba uphi." he took his phone. It refused to go through. Lukhanyo tried again. Finally going through. It rang and rang. Until she answered. Luks: "Lihle uphi!!" Me: "hello to you too Khanyo." Luks: "sund'teketisa man! Do you realize how much shit has gone wrong apha? Sileqwa yinto endingayizo. And Ta Smig is being secretive. I heard him talk ngoku uyandibhanxa apha!" Me: "slow down...Lukhanyo. Qala ekuqaleni. What's happened? Are my kids okay?" Luks: "my kids are okay. Luthando isn't taking it well. Nguye ofun thetha nawe." Me: "give him the phone." Luks: "so mna andibuzwa?" Me: "please give my son the phone, you're too grown. I know you okay." Luks: "mxim." he put the phone on loudspeaker. Turning the music on his car radio up. Me: "baba wam?" Lutha: "mama." Me: "Lukhanyo turn the music down tu?" Luks: "andizomamela Nina mna." Me: "Lutha. Khacime mntanam lento ngxolayo." Lutha hit the buttons. Luks: "yeeyi!" Me: "cima!" he switched it off. Me: "unjani mntanam." Lutha: "nzani." Me: "wena unjan uright?" Lutha: "layt. Moth Nana lele nze." Me: "ow bethuna usweety, uhlel wedwa kengoku." Lutha: "Tata." Luks: "hm?" Me: "uhlel notata? Luks: "so ndim Le fucked up memory." Me: "you're not a fucked up memory. Zange nakanye ndithi I regret you. I don't and never

will." Luks: "then why did you run away?" Me: "I didn't run away. Ndiyoziphumza." Luks: "Lihle, you're heavily pregnant about to give birth any second. Kuthen uthatha risk ezinje? Look, just tell me where you are. Please. Akukho safe apha." Lutha: "Tata maani." Luks: "ewe nyana?" Lutha: "itha." he pouted his lips and kissed him. Luks: "thank you my baby. Phuza mama." Lutha: "Ithha mama." Me: "puuh usuka phi lomlomo qala?" Lukhanyo laughed. Lutha: "mama!" Me: "mwwwaaah." Lutha kissed the screen and clapped his hands. Luks: "khayek ngxola ke boy." Lutha: "hayi." Luks: "ewe tshi Thula." Lutha plucked his lower lip out. Luks: "ufane waqumba. Lihle, khathethe fondin. I'm starting the car right now. Thetha." he started the car. Me: "I'm out the country." Luks: "what?" Me: "I'm not in South Africa Lukhanyo." Luks: "mxim! Uyayenza ikaka xa uthanda!" he hung up in anger. He climbed out the car with his son and smashed the door closed. Walking into the house. Lisa: "bab-" Luks: "cela ume kancinci Lisa. Ta Seez...." Sizwe: "yes? Kwenzeke nton?" S'fiso and Ayanda got up uncomfortably. Luks: "are you part of this family?" S'fiso: "erh..no-" Luks: "Yes! So ndicela nihlale phantsi. Luzuko's brothers, are my brothers, yabona mos singumntu mnye." they sat down. Luks: "Ta Seez, someone out there just saved my damn life. Andiyaz nguban lo undileqayo. And andiyazi ndinqandelwe nguban!" Sizwe: "what if lomntu uk'leqayo is the one who was kwa Smilo." Luks: "no, it can't be. Ndithethile noLihle akafun und'xelel ba uphi. Saying she's out the damn country. I mean how fucking selfish can she get!" Lutha stared at his father, holding his chin. Luks: "uxolo ndoda." putting him down on the carpet. Lutha walked to Luzuko. Lutha: "hehehe." he smiled. Luz: "hahaha." Lutha: "a-dudu." Luz: "nanku phe kitchen dudu wakho." Luks: "Masiye Ta." Luz: "wait...niyaphi?" Luks: "nobody, fucks with my family and gets away with it. Andiyokaka ibhalwe China ke mna." he went to the basement. Taking out 3 AK47's and a 9mm. A bag of bullets. Re-loading them all. He tossed one to Sizwe. Luks: "Luzuko?" Luz: "andicingi kaloku. Ndoske ndiz'ncamele mna. Ndisihiye." Luks and Sizwe walked out. Lisa: "Lukhanyo!!" Luks: "Lisakhanya!!" Lisa: "what do you think you're doing! Ndandithen kuwe?" Luks: "so ufun ngcungcutheka wena? Lisa: "Lukhanyo Mzinyathi!!!" he walked out. Lisa: "Lukhanyooooo!!!!!" she screamed. He got in his car and drove off with Sizwe. Lisa went back inside the house. S'fiso looked at Luzuko who was playing with Lutha. Luz: "what?" S'fiso swallowed and shook his head. Luz: "awazi nto bhuti. The last enemy you want is the MziMorrison twins. Ungandifaki mna andingen

ndaw." S'fiso: "njan ndingak'faki Luzuko! You're one of them! Kukho nabantwana apha!" Luz: "abantwana are safe. As you can see. Akhonto izokwenzeka, come on bhuti. Don't be that guy." S'fiso: "is Mandy's boyfriend part of them too?" Luz: "benditshilo nje kuwe." Lutha walked to S'fiso. Lutha: "mi." giving him the remote. He climbed on him and took it again. Staring at the buttons. S'fiso: "sapha ndik'fakele popeye." he switched on the large screen. Disney Junior was playing. Lutha: "hayi!" S'fiso: "Luzuko help." Luz: "ufuna wena. Put on the formula 1." S'fiso switched the channel. Lutha kicked his shoes off happily and lay back. S'fiso: "okay then." surprised at Lutha's comfort. Luz: "good luck with him." Tee came downstairs. She was wearing shorts and a tank top. Tee: " my angel!" Luhle woke up and hid her face. Tee: "heeeeyy!!" the baby giggled and peeped at her. Lisa: "come sweetheart. Izotyia." she picked her up and went to the kitchen. Luz: "babes." Tee: "Quién es ese?" (Who is that) Luz: "Lukhanyo's Esposa." (wife) Luz: "No te preocupes por ella, ella puede ser un poco de puta." (Don't mind her. She can be a bit of a bitch.) Tee laughed. Tee: "No seas tan bebé significa." S'fiso: "ninje ke Nina. Nitsho ba siyahletywa." Tee: "anyone hungry?" S'fiso: "please make that lasagna of yours. Lawd.." She laughed. Luz: "I think the cheese is finished." Tee: "I'll go buy some." she took her keys and walked out to her red GTi. She drove to Spar in Rink street....

Soso was at Zoleka's place, tucking his daughter in. Soso: "I love you my angel." Siphe: "love you too daddy." he kissed her forehead and walked out. Soso: "thank you." Zoleka: "nganton ngoku?" Soso: "ngondinika chance ndikhulise mntanam ngale ndlela ndifuna akhule ngayo. Thanks for not being selfish. And ke Siphe is such a good girl so again thank you for raising her ngothando." Zo: "haha, oh hayi wethu Soso. Its a pleasure." Soso: "so we're friends?" Zo: "zange sixabane kaloku. So yes, we're friends." Soso: "so what's been bothering you. Oko uthule." Zo: "hayi wethu ndicinga nto zam." Soso: "share?" Zo: "hayi wethu. Its stupid guy stuff." Soso: "so you got a man? Tell me kalok. Heee, nguban?" Zo: "I met him twice and he seemed like a nice guy. So we exchanged numbers ke, sancokola savana. We clicked instantly, yayilo chemistry ingapheliyo. For days and weeks on end ingathi ndiyabhabha." Soso: "but?" Zo: "I just found out that he's married." Soso: "oh damn. Wathin kengok." Zo: "I was already falling in love with him. Kanti unje. Ndabekela ke ndasuka kuye and I didn't tell him why. Oko efowna eyilonto indicengayo ibuzwa ba nditheni." Soso: "kuthen ungamxeleli kengoku?" Zo: "I was so ashamed of myself Soso, how could I have not noticed. Yena akantloni zalento ayenzayo kodwa unomfazi. Its so disrespectful andifun niks nto zandidibanisa naye. Anyway. His friend comes to me a few days ago. Abulise ke sincokole beyilonto. Then he mentions ba tshomi yakhe ayiphilanga. He's been depressed and stuff, ndimxelele ke mna makanga xoki because I know about him and

his marriage. And he's defending ke ba I should have listened and spoken. So here I am, thinking this guy has a fat nerve." Soso was giggling while listening to and looking at her dramatic hand gestures while she spoke. Zo: "so Le situation yam iyak'nyumbaza?" Soso: "no...xolo, qhubekeka ke. Ndithule" Zo: "anyway, the friend tells me no man, bhuti is going through a divorce. The reason bengafun thetha nam was because he thought I won't believe him and generalize him as those men who lie to women kuba befuna ubalala. Now I feel so dumb because this guy has never tried anything kum. He's always been gentle and caring. Now I don't know what to do.."

Soso: "YOH, hayi usentweni. If he doesn't seem like the hit and run type I guess he's been sincere. Kodwa talking to him isn't such a bad idea. He might or might not be going through a divorce but if ke he's been a gent since word go. Kudala umazi mos?" Zo: "yes, its been almost 3 months ngoku." Soso: "shame man. Thetha naye uve ba uthini. But that still doesn't mean its okay to date him because he's still married. Until the divorce is finalized and done, then it will be fine." Zo: "so I should speak to him?" Soso: "absolutely. Nam khandihambe my girl probably panicking. Good luck ke Va." Zo: "thanks!" he got in his car and drove to Mandy's place. He parked inside the garage, walking in. She was sitting on the couch watching Real housewives of Atlanta. Soso: "hey beautiful." Mandy: "uvelaph Sonwabise." Soso: "Hee ubaby, I had an emergency at the hospital and on top of that Siphe bengaphilanga." Mandy: "still doesn't explain where you been." Soso: "I got out of work ndaya kuye with medication, checked on her, bathed her ndam'lalisa." Mandy: "so why your phone been off?" Soso: "xa umntu egulelwa ngumntana. A phone is the last thing they think of, biphelelwe nayilo battery. Jonga." he took out the phone. The battery really was dead. Soso: "bundikhumbula na mntu wam?" he kissed her cheek, turning her head to look at him. Mandy: "No." Soso: "suphosisa." he sucked on her lips, sneaking his hand underneath the t shirt. she was completely naked. Soso: "hmm....you naughty wena. Buzenza ntoni phantsi kwale ngubo..." Mandy: "nothing." he took her hand, kissing her fingers. He smiled. Soso: "ndiyabetha ke mna." Mandy: "xa ngekho ndithin..." he took off his pants laying her on the couch. Soso: "ndim lona ke...ufuna ndithini." Mandy: "I want you...." Soso: "let me see...." she bit her fist, playing with herself. It turned him on more than he already was. Mandy: "baby..." she moaned. He entered her, holding her hair. Biting on her neck. She held onto his body. His strokes went deeper, slower. Hanging her leg on his shoulder. He swayed his waist in circles, whenever he started doing that she went crazy. Mandy: "Sosooooo!! Baby!!" Soso: "Yess!!" Mandy: "faster baby wam.....come!" he smashed into her quicker. His thumb rubbing on her clit. Slowly and gently. Mandy: "shhhiit!!!! Sonwabise I'm about to cli-maaax!!" Soso: "its okay baby." his hand thumping a bit quicker, his thrusts deeper

and faster. She screamed out loud. Mandy: "soso!!!!!" her body shaking in pleasure. She cried in joy. He pulled out of her watching the liquid squirting out of her. The went back in to finish. He fucked slower, his eyes closed enjoying every second of her. He was reaching his point. Mandy: "Oh baby!!" he pushed further, her legs open wide. Soso: "Yuuuh mntu wam!" he hissed. Going faster. Soso: "Yes....yesss Mandy...." holding her down. A sudden rush of heat filled his body. He shivered and released groaning out loud. Soso: "YEEEEESS!!" he flopped on top of her. Trying to catch his breath. Soso: "Kunin ndim'bawela umntu wam. Endibaleka andishiye ndodwa." Mandy: "yaphosisa baby. Awubawi tu." Soso: "bendinxaniwe ke." Mandy: "uhm....baby." Soso: "hm....." he was so comfortable with her body. Still hadn't pulled out. He was sleepy and tired. Extremely satisfied. Mandy: "I was thinking maybe if we could start planning our future." Soso: "planning baby? We're great nje. We live together and stuff." Mandy: "baby. We can't do this forever. I'm just thinking maybe in a few months time, we try for a baby." he jumped up. Soso: "intoni???" Mandy: "I want us to have a baby Sonwabise." Soso: "uhm....Heeee. Ivelaphi ke Le?" he sat up and stared at her. Soso: "I don't have time for another child Mandy. I'm a surgeon. I already have to divide myself for you and Siphe. Plus I'm not ready for a second baby mntu wam. Yuh, ngumsebenzi love, i have to work over 70 hours a week, you're gonn be hormonal and sad and pregnant. Nddiphangele kab'hlungu mna kuba ndine worry, then uzala kwakho again I'm busy and stuff. Ha.a baby. Yuh, masime kancinci." Mandy: "you don't have to divide yourself baby, sihlala Kunye already. We'll work out a schedule. We can-" Soso: "No Mandy. A baby isn't an accessory. Can we just focus on us for now, ndiyak'thanda baby wam. I know lento yobakho Siphe bothers you a bit but I love you the same. Nothing's changed. You don't need to have these thoughts, ndizohlala ndingowakho. Okay?" Mandy: "this isn't about that Soso. I'm old enough to take care of myself and a baby. I am independent and I can cope. Yinton Le uyoyika kangaka Sonwabise." Soso: "nothing Mandy. I just don't want us to overload ourselves with responsibility ezosixaka. Babies can complicate everything side sixabane ngento ez'ncinci because There's not enough time for each other. We'll drift apart and hate each other. Makame baby umntana. Please." Mandy: "fine Soso. I get it." Soso: "iza ke masivase. I'll cook some dinner for us." they went to take a shower. Soso: " I'm in love with you girl. Don't doubt that. I just want what's best for us." Mandy: "I'm inlove with you too. I guess I didn't give it much thought." Soso: "as long as we've cleared it up. Andithandi xabana nawe mna." Mandy: "me neither." she kissed his lips. Soso: "heee baby, yazi ndilahlekelwe liwele lam. I wonder where he went." Mandy: "khange uthi uye kwi holiday nomntu wakhe." Soso: "yes. And thank God he's out my hair for once. Soso: "hayi baby, andiyaz lonto mna." Mandy: "mxim ke. Ndizak'fota xa uyenzile." Soso: "uzuqalise net." he got out the shower and went to lay on the bed. She dried up and walked to her. She took her phone and clicked the camera to capture him. He had half a smile half a warning type of look. Soso: "yakhaba ke uSoja ne." she laughed. Mandy: "oh? So this is Soja?" he turned around and covered himself. Mandy: "dinner kalok mntu wam." Soso: "kalok yandigezela wena. So ke uzoyozenzel sonka namanz eswekire." Mandy: "haha, ndingade! Iza man love. Luks: "Ta Seez, do you think I should let go?" Sizwe: "nganton?" Luks: "them. Kodwa nna andim'fun uLihle kuLubabalo." Sizwe: "your reasons?" Luks: "ndiyayaz ba bendingekho right for yena. I know. You don't have to worry about anything just focus on raising your children." they got out the car. Luhle was playing with Luthando in the bedroom. Luhle: "itha man Utha." Lutha: "hayi." he growled. She draped a scarf around his neck. Opening the drawers, she found a pearl necklace. Putting it on him. With bangles. He stared at her. Then snatched all of it off walking to the lounge. Luhle walked behind him sadly. Her bottom lip quivering. She sobbed silently, wiping her tears. Lutha stood in front of the TV. Luhle hid herself still crying. He looked at her. Luks: "Luthando! Umenzen uLuhle!" his son totally ignored him, walking to his sister. He sat next to her and hugged her. Lutha: "afun nze." Luhle: "huka man." Lutha: "afuni." he kissed her. Luz: "wabukel Lukhanyo umntana ekhala." he walked in. Luks: "shhh, ndibukel Luthando uzothin." Luz: "baxabene?" Luks: "ewe. Andiyaz wenzen." Lutha: "Nana zam?" Luhle: "hm!" he mumbled something, holding her hand. Lutha: "Ithha .." Luhle had hiccups. They got up together. Lutha: "abeke pha ne?" kissing her nose. She pushed him lightly. Lutha: "thha ke Nana." he dragged her back to the room. She put on the scarf and necklace on him. He smiled and reached for the brush on his tippy toes. He grasped it and brushed her hair. After brushing, they opened all the drawers and took out the clothes. Twirling around and laughing together. They chased each other in the bedroom. Lutha ran after her, she giggled, calling out his name. Lukhanyo walked in staring at the mess in the room. The babies didn't see him, he walked back out letting them play. Luhle had her mother's pink silk scarf waving it around while running. Lutha had found pumps, which he slipped his feet in. He giggled and walked around like a clown. They held hands and walked in circles then fell on their bottoms. Lutha lay on his back holding the necklace up and played with it. Luhle lay on his tummy the scarf in her arms. The twins eventually fell asleep together. Their father walked in to check on them. Luks: "noba anidinwe niphelile." Luks picked Luhle up, Luzuko took Lutha. Luks: "if that's not true love I don't know what is." Luz: "its the realest love I've ever seen yazi. From abantwana still. Wow." they lay the babies in their joined bed because They didn't sleep separately anymore. Luz: "S'fiso is a bit traum's by the lifestyle." Luks: "you didn't explain to them?" Luz: "I did. Khange bandi believe. So ke that's that. Anyway, I'm going out tonight. Lovers is having a thong and foam party in Kabega." Luks: "how you gonn leave me behind?" Streets of New Brighton were filled with smoke In the air. Sizwe: "keep careful Lukhanyo." he hit his brakes quickly. The white Polo from yesterday faced directly at him. Luks: "Ta Seez. This does not look good." Sizwe: "reverse." Lukhanyo reversed slowly. Stuja and Lucky came through. He called him. Luks: "Khay'bambe mjita. Don't shoot until they do." the Polo doors opened. A man stepped out and looked at Lukhanyo. Luks: "No..." Sizwe: "what?" they stared at each other and looked back at the man.....

Chapter 641

Everyone was in the pool playing volleyball. S'bu and Lubby being Team Muscles. Soma and Thandi being Team Love. Sbosh and I lay on the chairs cheering for them. Me: "Go Thandi! Wooooh!!!" Sbosh: "you can do it baby! Go Team Muscles!!" we laughed. I was still feeling a bit groggy about the phone call. Lukhanyo had told me they were in trouble. I was worried about the babies safety. Sbosh: "you okay?" Me: "I'm okay babe...its just that Lukhanyo called. Uthi There's some problem kwelacala. Whereas I spoke to Lutha, and he misses me. It really stresses me.." Sbosh: "so uzothin kengoku?" Me: "I can't even go anywhere because Lubambo is still young." Sbosh: "mntase talk to Lubby, he's your future husband after all." that made me smile a bit. But I still didn't feel 100. Me: "let me go make supper first." I switched on the pool lights and went to the kitchen where our helper was already half way through andiy'thandi ke Le into. I want to be the one who makes meals and clean my house, makancedise not do the exact thing. I know I still had to heal but I couldn't exactly sit still and do nothing. Me: "is my baby still sleeping?" She: "yes madzam. Ze baby still sleeps." I also didn't like the madam word. I keep trying to explain to her and ask her to call me Lee, but she simply refuses aske Athi My Lady. I walked up to Lubby Jr. He was still sleeping peacefully, his chubby body spread out like Luthando. When he opens his eyes and stare at me like Luhle does xa efeketha. I missed my children so badly it broke my heart. A slow tear escaped my eye. Lubabalo walked in. Half naked in his swimming shorts hung low. I busied myself tidying Lubambo's stuffed bears. Lubb: "my love." Me: "hey seniqibile?" my voice was cracky. Lubb: "baby? Are you.....crying?" he held my arm. Me: "no." I whispered. He turned me around and I looked down. Something glistened on his chest, a sentence written in italics probably his kids names. Lubb: "did I do something wrong?" Me: "no you didn't, I just miss my children. Phone calls are not enough. I'm hurt and nabo bayandikhumbula Lubabalo.

I can't even go to them because Lubambo is still young." Lubb: "I understand how you feel babes, let me get Lubambo's doctor, enze a quick check up asixelele singenza njani na. Did you talk to Lukhanyo" Me: "yes, he says kukho umntu who's threatening them and its affecting the children because noba behamba nabo. He Wasn't speaking sense ethetha about Ta Smig talking or not talking andimvanga ncam." he let go of me and went to the phone. Calling the doctor. Lubb: "please put me through to Dr Zaheem. Its Lubby Morrison speaking." he waited for about 5 minutes. Doc: "yes Mr Morrison? How are you?". Lubb: "I am currently in an emergency. Can you see us tonight?" doc: "is baby okay?" Lubb: "he is fine. I just need you here as soon as you're available. There is something I need to discuss with you." Doc: "I'll be there in half an hour." Lubb: "thank you." he hung up. Me: "what did he say?" Lubb: "use ndlelen ezayo. Don't stress yourself too much Lihle please. I'm sure Lubambo will be just okay to fly with. He's almost a month old and we're getting a private nurse to come on the jet with us." we waited for the doctor. Just after an hour he arrived. I was setting the table and dishing up. Lubby called us upstairs. In the room Lubambo was with the nanny. Lubby took him, she walked out giving us privacy with the doctor. Lubb: "doc, the problem is that, we have to go to South Africa and we're wondering how safe that would be for our baby. I want him checked and monitored 24/7." Doc: "I can do the check up tomorrow. I also need you to know that Lihle has to be properly healed too." Me: "I am fine." Doc: "you can't be seated for long periods of time, I recommend you wear a support hose to be on the safe side, plus, you'll have to drink lots of fluids and exercise walking up and down the jet and stretching." I nodded. Me: "and the baby?" doc: "once we do the tests and I'm sure he is healthy he will be able to go. Usually the problem with infants is ears and breathing. Many of my patients have flown with 2 or 3 week old babies, but it is not safe." Lubb: "we are not taking that risk. We'll wait until he is a month, that's in about a week and couple of days." doc: "okay, I'll see in the morning. 7am sharp, then a day before you decided to leave. Okay?" Lubb: "thank you. Would you like to join us for dinner?" Doc: "I would love to, unfortunately I have a date." he giggled. Lubby smiled awkwardly. He didn't understand what was the funny part. Lubb: "well good luck then." Doc: "thank you." he blushed and rushed out. We stared at each other. Me: "uthen kengok bhuti wakho?" Lubb: "uzundibuze. Nanku baby uJunior he wants a snack." I took the baby from him. Lubb: "funeke ndithethe nomama ke, then when we decide to go, she'll meet us in Port Elizabeth." I fed the baby quietly, the possibility of going back to SA in a week gave me mixed emotions. I wanted to see my children, I missed them a lot. At the same time I didn't want drama, which is why I was gonn miss this peaceful mini heaven. Lubb: "Lihle?" Me: "yes?" Lubb: "why are

you ignoring me?" Me: "I didn't hear you Lubabalo, ndine stress and I'm thinking mos!" Lubb: "ngok ungxolelan baby? I understand ba une stress nje." Me: "then why are you always prying for attention!" I snapped. He stared at me with his mouth open. Then turned around and walked to the shower, I didn't mean to snap but ngqondo yam ikwa bantwana. How safe are they pha k'la war zone yela Bhayi. Lubambo stopped sucking the breast. He just stared at it and started crying. Me: "Lubambo please!" he stretched himself pushing his tiny legs. Sobbing louder. Lubabalo came back out and took the child from my arms. Me: "I'm not done feeding him." Lubb: "andifun mntanam angxolelwe mna axelelwe ba he is an attention seeker. Because he is allowed to be, kuba kalok Tatakhe is always prying isn't he?" he hissed. Me: "Lubabalo I'm s-" Lubb: "save it." he walked out the bedroom. Akandiphoxa man. 😞

:(Me: "Lubabalo!" Lubb: "you know what Lihle. Don't. If ufuna ndihlale ke ndinga khathali so be it, I will do that, lento yoba always uyandilwa and always moody ayindi phathi kamandi. So what if I'm a fucking pussy? Ndingak'bonisi feelings zam? Ndithini?" Me: "ndithe uxolo Lubabalo. I didn't say don't show your feelings, I just need my space too." Lubb: "so I'm crowding you?" Me: "a bit." Lubb: "fine then." he dressed Lubambo in warm clothes. Then himself. Me: "uyaphi?" Lubb: "out your space." Me: "you are so fucking dramatic. Put down that bag tu." he put Lubambo in a red and black Ferrari baby seat, buckling him up. Me: "its not safe to use that yet." he took the Porsche keys and walked out with his son. Me: "uzobuya nje baby." Lubb: "mximm." Me: "awusena moods. Awukho mithi phof?" he ignored me and left. Sbosh came in the room. Sbosh: "bayaphi?" Me: "I don't know. Une chaphaza uLubby ndiyamazi. Something always triggers him some way, He'll be back though." sbosh: "okay ke, come have dinner with us." Me: "I don't really feel like talking Sibongile, something is wrong pha eBhayi. I don't know if I can eat either." Sbosh: "uyamazi uTa Luks? Akohlulwa nto. Uyilungisa ilunge ithand ingathandi. I don't have to tell you this. Don't do this to yourself. Ngxaki yakho uyamoyika wena uLukhanyo. What did he say to you?" Me: "nothing." sbosh: "boo?" Chuma rushed in. Chuma: "mama! Izobona?" he pulled our hands to his room. He and S'bu had built a Lego building. Me: "wow!" we clapped hands for him. Sbosh: "its beautiful sweetheart, izanotyia kengoku?" Chuma: "kalok andizokwazi mama, uthe yena ubhuti ndingu May." Me: "intoni baby?" Chuma: "May mama." S'bu: "yi Mayor ke Leyo.." I giggled. Sbosh: "baby, Mayors also have to eat ke kodwa. Yaqonda ke?" Chuma: "kodwa mna ndifun amasi." Me: "iyho. Amasi boy?" Sbosh: "iza sweety, sobona wethu sowafumanaphi amasi." she took his hand and walked downstairs. S'bu: "so. Uyephi uLubby? I saw him walk out." Me: "to cool off." S'bu: "what happened?" Me: "nothing. We just had a small hiccup. I'm going to take a nap." S'bu: "what about dinner?" Me: "not that

hungry." I walked to my room to wallow in my misery. Now all 3 of my children taken. At least now with no one in my face I could do some thinking. Just a year ago, I was married, happy at times, everything changed in a matter of days. Now its months later and I'm engaged again. I don't regret falling for Lubby, he keeps me happy at all times and for once in my life I don't have to keep my tail between my legs. Nobody pushes me around and my body does not have bruises. Even as happy as I am right now, I know Lukhanyo won't rest, he will make sure I suffer for this. Why he hates me so much is understandable but mna andim'capkeli for what he did to me, then There's my dad. When I was with Lukhanyo, he wanted me with Lubby, now I'm with Lubby he's backing Lukhanyo. I can't keep pleasing them. Or anyone else. I want to be where I am, with Lubabalo and that's where I'll stay.....

Lukhanyo sat in his car and stared ahead of him. Words couldn't come out his mouth. Sizwe: "Lukhanyo?" Luks, reversed his car, and drove off without a word. Luks: "I do not want to talk about it." Sizwe: "you ha-" Luks: "ubusazi ngalento Ta Sizwe?" Sizwe: "no!" Lukhanyo drove quietly to the Triple L mansion. Luzuko was waiting anxiously for him. Luhle was awake in his arms. Luz: "Lukhanyo?" Luks: "yinton Luzuko." Luz: "damn. What happened." Lukhanyo took Luhle and headed for his bedroom. Locking the door behind him. He sat on the floor with his daughter on his lap. Luks: "Ntombikayise." Luhle: "hm." Luks: "athini utata mntanam. Why did he do this?" Luhle: "uma." Luks: "no mntanam. Not wena." Luhle: "ibeby." he giggled. Luks: "not uBaby." Luhle: "aphuthi." Luks: "nguban lowo mntanam." Luhle: "fiso katata.." Luks: "nguban kanen uFiso mntanam." she held both his ears. Kissing his nose. LUHLE: "aview Tata." Luks: "love you too ntombam. Nguban kalok uFiso?" Luhle: "Tata." Luks: "ngaske ungakhuli. I want you to stay umngaka ndibe nokwazi uncokola into engavakaliyo. I'm gonn kill these boys one day." she giggled. Luhle: "Kii." Luks: "hayi! Uzoku tswikila mamakho ungak'linge please." Luhle: "ki!!" Luks: "heee." she smiled. Luks: "love." Luhle: "huvv." Luks: "awukwaz mntanam uthi L? Your whole family is L but wena nqi." Luhle: "hm?" Luks: "undivile. Ithi lwimi." he stuck out his tongue. she bit it. Luks: "Hayyyi!!!" she giggled and hid her face in his chest. Luks: "usile wena." they got up and went to the dresser. Luks: "tatakho khange akukame nokukama na baby?" she took the brush. He combed her hair, tying it up in pom poms. Luks: "you're the most beautiful girl in the world. You and your future sister. because you're going to have one. Ne?" Luhle: "Utha." she looked around. Luks: "ulele baby. Uzobanomnye, nomnye, nomnye kwakhona. Then We'll have a little creche, because all of me loves all of you." kissing her face. She reached over and kissed him back. Luhle: "aview." Luks: "aview too my princess." he took a picture of them both in the mirror and emailed it to her mother. Luks: "ulambile?" Luhle: "ambili.." Luks: "what

are we going to eat?" she shook her head. Luks: "sinanton esi suswana?" Luhle: "papa." Luks: "okay ke." she yawned. He picked her up and took her to bed, they lay down together for a while mumbling to each other. Luks: "ulele ngoku?" she was still grumbling and dozing off. Luks: "beby?" Luhle: "hm." her eyes closed. Luks: "umshiya naban tatakho?" she mumbled again. He cuddled her in his arms and let her sleep. His babies were the only thing that kept him sane at that moment, he just wanted to erase who he saw and never speak of it again. He needed something to get his mind off things. Taking his phone. Luks: "so kuthen kengoku engaphendul mamakho Luhle?" he dialed the number. The door opened. Luks: "Jesus Christ." Lisa: "hey..." Luks: "you're still here?" Lisa: "I'm sorry I got mad last night. But the last thing I am, is submissive. You know that! That's what you said you loved about me. Now why are you surprised?" Luks: "I want support not a fucking lecture." Lisa: "I am here Lukhanyo. That is support." Luks: "why does it feel like you're here to drag me and kick me down then? Huh?" Lisa: "you can't expect me to bow down to you lukhanyo. Xa into imbi ndingayithandi I will damn well make sure you know that." Luks: "mxim." Lisa: "we're supposed to be a couple, work together and-" Luks: "right now, I just want to sleep next to my daughter. Can we work with that?" she looked at him. Hands on her hips. Lisa: "Uwoah mxim." then walked out. He was left there feeling a bit lost. Luzuko came in. Luz: "Lukhanyo please talk to me. Uyayazi ba I'm here for you. I will never leave." Luks: "everybody, in my life comes in and says exactly that Luzuko. My father said that, he told me that he would never forsake me. Then, just out the blue, he mysteriously dies. Then my uncle says that, he makes me work as a slave. Then my ex wife says that and she fucks my brother, leaving me for him. Then my brother, chooses her over me. Bonke bathetha lento inye and I sometimes sit here and wonder why my mother had to die, if she was alive bendingasoze ndiphile kabhlungu oluhlobo. Now please understand when I say I want to be alone. My children are the only good thing in my life and I am content. You have everything, grew up with everything, so did Lubby. You can sit there and listen all you like and advise me like a psychologist but the truth is, you cannot even begin to imagine the pain I have to live with everyday. So Luzuko. Ndiyakucela sani. Ndicela ulala qha." Luzuko stared at him, he could see the pain, but knew he wouldn't be able to get through to him. Whatever he saw or experienced must have cut deep. Luzuko stepped back and walked out closing the door behind him. He stood by the house phone and called Lubby. The phone cut off twice. He kept trying until it went through. Caller: "mhello?" Luz: "Lihle?" Caller: "ndithetha naban?" Luz: "ndim uLuzuko. Where you?" Caller: "hi Luzuko." Luz: "ndik'vusile." Me: "yes you did. How can I help?" Luz: "give Lubby the phone." Me: "he's not here." Luz: "okay, jonga girl, I know you with him.

Stop playing games." Me: "I'm serious, he left with the baby a while ago. Akeka buyi." Luz: "th b-....." he chuckled. Luz: "the baby Lihle?" I didn't mean to say it. Luz: "what baby?" Me: "I have to go. I'll tell him to call you back." Luz: "Lihle wait, what b-" I hung up. Luks: "what baby?" luzuko jumped up and stared behind him. Luks: "I asked you a question. WHAT. BABY."

Thulani was taking Junior home to his mom. Bukiwe had cleaned up the flat and made it a bit presentable. Luckily she had gotten a job and was earning an income enough to support her and her son. Thulani walked in the flat. She was getting dressed in pajamas. Buki: "the least you can do is knock." Thulz: "ndiyayaz mos. Fihlanto. Molo." Buki: "hi." he sat on the couch and stared at her. She was very intimidated by him. Her hand was shaking. Buki: "can I get you juice?" Thulz: "beer." Buki: "I don't have that." she kissed Junior hello. He already knew what to do. As young as he was, he helped a bit with buttons and zips. Junior: "mama, cela ice cream?" Buki: "sizoyitya emini mntanam. Its still early." Thulz: "uvelaphi wena?" Buki: "bendiqibo vasa, since I'm off, ndizohlala with my PJ's on today.." Thulz: "oh...." Buki: "you should get going." Thulz: "sizokwenza njani for this month, should I send the money or??" Buki: "take him out ngayo, he hasn't had much of an exciting holiday." Thulz: "wena?" Buki: "I'm fine thanks." Thulz: "I mean your holidays." Buki: "andiziva kalok ndiyaphangela nje." Thulz: "oh. And its good?" Buki: "yes. Its fine." Thulz: "oh." he sat quietly after that and relaxed. Buki: "shouldn't you be getting somewhere." Thulz: "like where." Buki: "your girlfriend." Thulz: "my boy. Izapha?" Junior walked to him. Thulz: "you take good care of mommy. Okay?" he nodded. Thulz: "ndiyak'thanda ke mntanam." Junior: "me too." Thulani put him down. Bukiwe lay the warm blanket on the bed and got the movie ready for her son. Thulz: "ndiyahamba ke." Buki: "bye." Thulz: "akabandi lo bye wakho. Ngathi uyandigxotha." Buki: "hehe, ey uyagula wena. Ndithini ke?" Thulz: "andisa bonwa." Buki: "yeah right." he hugged her. Thulz: "thanks." Buki: "excuse me." pulling away. Thulani walked out quickly. Driving to his apartment. Namhla was in bed, texting on her phone. Her friend, Aphiwe was sending voice notes on BBM. She sent one back. Then a message talking about Aphiwe's family. He was raised by a single mom with 2 older sisters. Thulani walked in. Undressing, seemingly today was stay in bed day. He tried calling Lukhanyo earlier but he never answered. Lubby's phone had been disconnected or rang twice or didn't even go through. So, since they now had another look alike, they had forgotten about him. He didn't even have friends, the ones that were with him in Jeffrey's Bay on his first outing with the twins on their birthday had actually tried to kill him, one of them slept with his wife too. The other group which he went to school to hadn't spoken to him since Melusi's death. So yeah. He had nobody, except his brother,

Siyanda. Thulz: "what you busy with." Namhla: "nothing." Thulz: "you better not be talking to that fool, Namhla, I don't take male friends type of jokes." Namhla: "k Thulani." he climbed on the bed, pulling her closer. Thulz: "what's this?" Namhla: "you can't ask me that Thulani." Thulz: "uxolo baby, I didn't mean to." he tickled her punanny. Namhla: "Thulani." Thulz: "khayive ke love? Please? The way endibatywe ngayo. Oko kufike Junior, khandiphiwe. Khenze mnt'wam." Namhla: "will you eat?" he disappeared under the blankets. Sinking his mouth on her vagina, his long tongue dribbled at her entrance causing her insides to melt. He slurped up to her clitoris, sucking gently. Namhla: "ohhh.....yes Thulani!" he pulled her legs apart. Keeping them wide open. She couldn't take it. Namhla: "baby! Pleaaaasse..." he rubbed her with two fingers. She was reaching her orgasm in just minutes of his circling and humping. Namhla: "Aaaahh!!! Ooooh baby ungayeki. Shiiit!" her legs shaky and wobbly. Her phone beeped. Namhla: "Thul-ani!!!!" her breath in hitches, body shivering with climax. He got up to kiss her facial lips. Thulz: "was your phone ringing?" namhla: "ento z'ka Facebook mntu wam....please just..." he stuck himself inside Her. Holding her tightly. Biting on her neck. His missed this. Banging hard against her, he held onto the head board and groaned. Namhla: "yesss!!!!" Thulz: "vula baby. Open up!!" Namhla: "no...." she moaned. Thulz: "vula impundu my love please." her legs wrapped around him. Thulz: "I wanna fucking cum baby, please!" she opened up slowly. His eyes rolled back. Biting his lips. Grabbing hard on the sheets. Thulz: "yes man baby. One more time." sucking on her breasts. His body shaking. She clawed his back, legs in the air. Thulani climaxed, releasing strong and hard. Thulz: "damn." he cuddled her for a while, satisfied and a bit hungry. again the phone beeped. He got up and took it. Namhla: "baby wait!" grabbing it from his hand. He took it again, Holding her down. Thulz: "ithin Le password?" Namhla: "yayazi nje baby. Please give me my phone." Thulz: "sundenzi sbhanxa uyitshintshile. What is it before I break it apart." Namhla: "its junior." Thulani typed and it unlocked. Message from bbm, name; AphiweM_90. Thulani stared at her, slow deep breaths escaping from his nostrils. Thulz: "Namhla, what the fuck is this?" Namhla: "nothin-" Thulz: "ndiyokudibanisa unye Nela donga uyandiva? Now, you better tell me what the fuck is this? If I open it and see something, kuyow'ba navy black k'lendlu, so ima ask you one more time. What is this?" Namhla: "we were just talking about school and friends." Thulz: "and what did I tell you?" he hissed. Namhla: "that I must not talk to him. But Thulani you can't choose my friends for me." Thulz: "Bull shit!!!! Iyakutya lentwana Namhla?" he growled. Namhla: "no!" she cried. He clicked open the message. Reading it: "I know we're just friends and nothing but a few good laughs can come out of it, but mna hlesko ndiyak'thanda. Kakhulu. I wish you could just give me chance to prove that."

Thulani threw the phone at her and stood up. Thulz: "so ndim ikaka apha!!!!" he screamed. Namhla: "No Thulani!!" he held the vase and smashed it across the room. He growled in anger. Namhla: "Th-" Thulz: "shut up!!!!" She backed away from him. Thulz: "yabona ke Namhla, uzofunda undimamela xandithetha. I give you every fucking thing! And you have the audacity to disrespect me?!....." Namhla: "xa kalok uzibona as ikaka ifuna wena lonto, oyena mntu u-disrespectful ngu-" he slapped her. Thulz: "don't talk to me like that!!" she jumped and grabbed him. But he held her and pushed her against the wall. Thulz: "DON'T. Test me." Namhla: "or else what...."

Mandy showered and got dressed. Soso: "babe!" Mandy: "what!!" Soso: "I try my damn hardest kodwa Mandy awuyiboni lonto!" Mandy: "Sonwabise Tembani. I want more!! This isn't what I signed up for! This fucked up arrangement of casual sex! I don't even have dinner with you no more! Ufika undikhwele ulale qha! Kanti utyaphi! Uhleka nabani!!" Soso: "for fucks sake! While I'm out there, saving people's lives, wena uhamb usela kwez'taverns with those fucked up friends of yours! THAT is not what I signed up for either!" Mandy: "so its my fault that you're bored!" Soso: "speak your damn mind! Have a backbone. Ufuna ukuthi I am Boring?" Mandy: "I didn't say that!" Soso: "its exactly what you meant in bed this morning. You told me I was predictable and out of sync!" Mandy: "this new damn routine is sucking the life out of you!" Soso: "oh wow." Mandy: "are you sleeping with her Sonwabise. Are you fucking zoleka." Soso: "andiso sdenge mna and andizophendul ntwenye ngathi ndili geza. If I was fucking her ngendipha nangoku Fucking Her. Nxx!" she slapped him hard. Mandy: "how dare you!" Soso: "what the hell's gotten into you!" Mandy: "you're the one that's changed!!" Soso: "well excuse me for being a motherfucking chameleon! because mna Mandy, I blend with what is around me, xa uphuma and do God knows what I don't complain. But when I go on a date with my child emini for a few hours, its a problem. For what?!" she stormed out the house, driving her car around. Her eyes welled up with tears. She went to New Brighton, parking at Engen, she went to the shop to buy a few things, why was she even here. "morning Beautiful." a familiar voice said behind her. She turned around and looked at him. Mandy: "molo Anda." Anda: "what's wrong?" Mandy: "nothing. I....its just girl stuff." he took a box of pads, putting it in her basket. Anda: "awubawel chocolate?" Mandy: "no. I'm fine." Anda: "whole nut.....your favorite?" Mandy: "no." Anda: "it will make you feel better..." she looked away. How could he see right through her. He hugged her. She couldn't help the tears from falling down her cheeks. He held her tightly for a very long time. Anda: "I'm sorry." Mandy: "its not you." she pulled away from him. Anda: "Mandy, look at me. If you ever need to talk..you know I'm here for you." his eyes were soft and caring. He looked well. She rushed out to her car. Anda: "you can't drive in that state!" she drove

off. She had to talk to Soso, she was being selfish and inconsiderate. Her boyfriend needed her support, why was she failing at that? Sisebahle was probably still out at her baby daddy's place, Sibongile had disappeared, Lihle was gone. Mandy: "mxim. I can do this myself. She parked her car next to Soso's and walked in. He stood up and rushed to her. Soso: "baby." Mandy: "I'm so sorry." Soso: "I said some hurtful things and ndicela uxolo love." Mandy: "me too, I kno-" he pulled her into his arms. Soso: "its okay baby. I love yo-".....he sniffed her shirt. Soso: "who the fuck's cologne is on your shirt?"

Chapter 642

Mandy looked at him. Soso: "ndicela uphenduulwa ne." Mandy: "Sonwabise, baby please listen to me. I love yo-" Soso: "Answer my question Mandy. Who's cologne is this?" Mandy: "I was at the garage, and trying to buy some stuff then I saw Anda. He hugged me, ndikhala, but I pulled away and left." Soso: "not soon enough though because unuka yena Mandy. So when we fight you run to your ex. Is that it?" Mandy: "I didn't plan on seeing him! It just happened." Soso: "no Mandy. Soso: "I'm only there for the child Mandy. Akasos'dumbu ke uZoleka andizongathethi naye, but I don't go around hugging her and flirting with her. I respect you enough for that, ungu mntu wam and that is what it is." Mandy: "you still spend more time with her than you actually do with me." Soso: "Mandy, I sleep next to you, when I'm off, I come with Siphe apha endlin if we not out together. Ndidibana noZoleka when I pick my kid up and or drop her off, ndithin ndimshiye stopin umntana?" Mandy: "no." Soso: "look I know I was a bit rude and I am sorry baby. But la Anda, makasuke ecamkwakho. Please." Mandy: "fine." Soso: "can we please let this fighting come to an end now? Soso: "my shift starts at 6 tonight so ndiyolala again. Join me." Mandy: " I don't feel

like having sex though." Soso: "nobody said anything about sex, funa uncokola nawe mna. Ndithe I miss you." he pulled her to the room. Undressing again and hopping into bed. They cuddled for a while, Soso talking about his work. Soso: "tshini mntu wam, yazi while I'm operating wavuka umntu, ndothuka ndoma. Iqinile landoda." Mandy: "hayibo! Akeva kabuhlungu?" Soso: "no kalok he's numb, but the moment he saw ndenzani. He started to panic. Hayi ke yayilo ngxaki. Soso: "Nguwe kalok..." kissing her cheek. Soso: "ndozela kamandi ke yazi. Undivuse when my phone rings." his phone rang immediately after that. Soso: "heee." he checked the caller and answered. Soso: "Dr Thembani speaking." Caller: "doc, sorry to disturb, we need you to come through urgently." Soso: "I'm on my way." he hung up. Soso: "you know there are times I wish Soma was a doctor too. " Mandy: "hahaha, wazifunela mos." he got up kissing her lips. Mandy: "sow'tyile?" Soso: "yes. I won't be long ke baby. I'll just check the problem and call another doctor to help." Mandy: "take your time." he took his things and ran to his car. Mandy stayed in bed a bit lonely. sometimes she missed her job when the side business was quiet, she missed how things used to be. her phone beeped a message. A familiar number. It read: "whenever you need to talk, know that I'll be here. I hate seeing you cry, after all this time I still do care. Anda." her heart beat faster. Why was he doing this. The phone rang. Mandy: "hello?" caller: "hey, are you home safe? Are you okay?" Mandy: "ndiright Anda. Look I'm sorry for earlier." him: "don't be.. Just that if you need anything, ndikhona for wena yeva?" Mandy: "ubuphi when I needed you while in a relationship. When you were fucking my friends." him: "that is something I have to live with and regret for the rest of my life Mandy. I fucked up a perfect thing. Even umama usakubuza, andiyazi ndithini kuye anymore." Mandy: "tell her Anda into oyenzileyo and leave me alone." she hung up and switched off her phone..

Thulani stared at Namhla. Thulz: "ndiyoku qhekeza kanti Namhla. Ungak'ling undiqhayisele ngokunya mna. Iba nendlela yothetha!" Namhla: "I won't stand for this shit! When your stupid little ego is bruised uyabetha and act like a fucking animal. Fuck you Thulani!" she pushed him out her way. Thulz: "sekhe ndak'betha nini Namhla!! When the fuck!?" Namhla: "you just slapped me, you asshole!" Thulz:

"ukhalel impama enye? Uphambene Namhla shame, because andizokuqhwabela izandla xa uhamb uzenza weak, wenze mna weak, wenze Le relationship yethu weak, ngez'ntwana zekaka!" Namhla: "what makes you better!? Its all about you these days! I must obey you. Jonga apha ke bhuti, there is no fucking ring on this damn finger and until there is. You can't tell me NOTHING!" she went to the shower. Thulani took his phone and dialed for his brother. Siya: "hello?" Thulz: "sho bhuti kunjani?" Siya: "ndiyaphila wena." Thulz: "ndigrand. You busy?" Siya: "ewe fondin Ndise nyameni." Thulz: "kuphi nyameni?" Siya: "I'm busy fondin. Ndise mcimbini. I'm fucking." Thulz: "oh! Yuh, sorry. So. You gonn call me back." Siya: "I might." Thulz: "bendifuna siphume or something tonight." Siya: "erh...that's okay, ndizak'fownela late." Thulz: "ubuyile ku Tata?" Siya: "hayi. Tata is an ass when he likes and andiy'fun lento ayenzayo kumama but in any case ndim'qibele 2 days back nd'zoya later." Thulz: "sodibana khona ke." Siya: "sharp." he hung up. Thulani went to the shower too. Getting in next to Namhla. He showered and ignored her, bumping her on purpose. Namhla: "jonga Thulani, andina xesha lakho Va. Xa ufuna ndiphume vula mlomo lo wakho utsho qha kube kanye." Thulz: "mxim." after showering Namhla went to get dressed. Thulani stared at her, drooling over her body. Thulz: "baby.." Namhla: "don't you dare...baby me!!" grabbing her bag and storming out the house. Thulani got dressed. In an Adidas tracksuit and sneakers then lay on the bed. He missed his son, Junior probably would be busy singing to him right this second and dancing on the bed. He called Bukiwe. She answered: "he's sleeping." Thulz: "awusa diki. Umlaliselan umntanam." buki: "ebesozela mos." Thulz: "ndiyamkhumbula ke yazi. Ndihlel ndodwa apha." Buki: "shame." Thulz: "ndiyeza, cela undiphakele ne." Buki: "andiphekanga." Thulz: "so ndithin ndize ne pizza?" Buki: "Thulani, junior is fast asleep. Uzolinda lonto?" Thulz: "yeah, I will sit and watch him ade avuke. So you can go out with your friends and spoil yourself." Buki: "I don't have any friends. Junior is my friend and right now I would appreciate it if you could give us our space. Like I give you yours." Thulz: "okay ke, I'll bring pizza and juice.. Sharp." he hung up. Walking to fetch his wallet and keys, he drove to Debonairs and went to Pick n Pay, buying strawberries, yogurt, chocolate, and snacks plus Juice. Paid and drove to her place. She opened for him, a tad bit annoyed but accepted because a part of her still feared him. Thulz: "Ina ke girl. Cela undiphakele." Buki: "you know where the kitchen is, and ingalo zombini unazo ziyasebenza Thulani Lubisi." Thulz: "okay fine, wena awufun?" Buki: "no thank you." she went back to bed. Cuddling with Junior, he was still asleep. She watched her movie quietly. Thulani dished up 4 slices of pizza and a large glass of juice and sat on the bed. He ate his food. Thulz: "you sure you don't want? This some good pizza. Just taste." she bit a piece. Buki: "hmm....nice." Thulz: "told you, yafuna." Buki: "no,

ndihluthi. Thank you." he washed his dish and came back to bed. Junior woke up briefly, looking a bit confused but when he saw he is father, smiled brightly and pulled his track top. Thulani moved closer. Thulz: "hello my boy. Ndizothatha wena." Junior: "hayi andifuni." Thulz: "awufuni?" he gasped. Junior: "sihleli apha nje. Soyaphi?" Thulz: "mamakho uthi mandihambe apha." Junior: "asoze." he yawned, closing his eyes. Thulz: "lala ndoda.." he kissed his head. Junior: "ungahambi ne." Thulz: "andicingi ndiye ndawo." junior fell asleep again. Bukiwe stared at her TV in utter silence. Thulz: "kuthen uthule kangaka nje." Buki: "I have nothing to say." Thulz: "awundikhumbul Dan." Buki: "haha, shame no I don't." Thulz: "uyaphosisa, uyandikhumbula, moer toe." she laughed. Thulz: "thethi nyani." Buki: "I really don't Thulani. I'm content with the way things are. Its reasonable and civil for Junior ba masivane." he reached over and kissed her lips. Holding her chubby body. Its been a veeryy long time since she's been felt, she was melting. Pulling back from him. Buki: "umntana Thulani." Thulz: "he's asleep." Buki: "you're going to suffocate him. Plus you're in a relationship, I can't do this. Ndicela uhambe." Thulz: "I can't go, I promised my son." Buki: "I'll explain to him later. Please jus-" Thulz: "ndicela uxolo, I'll keep my distance." he lay on his side and watched Junior breathing slowly. He seemed a bit restless. Thulz: "Thulani.." Buki: "what's wrong?" Thulz: "Thulani vuka!". Buki: "what is it?" he shook the child awake. Junior: "Tata." he sobbed. Thulz: "sundothusa kwedin." he hugged his son. Junior: "ndiphuphe, imonster iyandileqa." Thulz: "ayicingi kwenze nto mntanam, ndikhona." junior: "ungan'shiyi." Thulz: "andisoze." Bukiwe got up from bed and went to busy herself giving them their space...

Lukhanyo stood a few feet away from Luzuko. Luks: "jonga ke, I'm not asking you again ne. Luz: "I tried asking her Lukhanyo she hung up on me." Luks: "Lihle? As in my wife? She.....she gave birth and didn't Tell me?" Luz: "yes, Lihle, your ex wife." Luks: "where is she?" Luz: "I have no idea." Lukhanyo held his head with both hands. Luks: "no wonder the other day I thought I heard a....." he walked to his room as quick as possible. Lutha was awake, the boy walked to him. He stood next to his father. Both of them had brackets and the same standing structure. Lukhanyo's miniature. Luks: "molo kwedin." Lutha: "phi Nana zam." he croaked. Luks: "uhambile, uye ku mama." Lutha: "hayi!" his bottom lip quivering. Lutha: " Mothi mi anana. Ma." he started with his baby french and sobbed. Luks: "ndlela Le une drama ngayo kwedin. Nanku sis wakho." picking him up and putting him on the bed. Lutha crawled to her pretty face and smiled. Smudging her cheek. Luks: "uzumvuse ke ne." Lutha: "beby." he whispered. Lutha woke up and looked at him. As usual, annoyed because he woke her up. Lutha: "Nana." he lay next to her staring at her eyes. She

looked like him in a female way. Lutha: "dudu khe phi Tata bethu kava telini." Luks: "excuse me?" Luhle: "a-Tata, kiva ke nze. Afik mama moth." Lutha: "buyi." Luhle: "hm." Lukhanyo lay next to them, calling their mother he had to be sure about this. The phone rang for a while, he was anxious and impatient. Why wasn't she answering. Lutha: "bom bom." Luhle: "mpa." she slapped his shoulder. Lutha: "imbothi mbothi ya Utha." he giggled. Luhle: "ha maani!" she sulked. Luks: "Luthando hayi." Lutha: "Hayi." Luks: "stop it." Lutha: "stoh it." Luks: "mxim." Lutha: "nx." Luks: "ndik'bethe?" Luhle: "hayi Tata." Luks: "the way you two form an alliance against me. Mk mk mk. Nawe ntombikayise?" Luhle: "Kase." Luks: "Nguwe lowo." Lihle answered. "hello!" Lutha: "mbothi mbothi ya Utha." Luhle sobbed. Luks: "Luthando no man, sister wakho is not mbothi mbothi, or whatever that is." Lutha: "ka Utha." he smiled. Luks: "I don't care noba yey'ka bani." me: "hey.." Luks: "hey." he smiled. Luks: "how you? Ugrand?" that is a bit suspicious. He actually is nice today? Me: "I am well thank you. Wena?" waking up. Lubby walked in carrying Lubambo. Lubb: "baby." I pointed to the phone. Lubb: "oh sorry." Luks: "who you with?" Me: "uhm...." Luks: "I dare you to lie to me. Just once, xoka. Kuyow'ba heavy Lihle. Where are you and with whom?" Me: "you're not the boss of me, you didn't give birth to me and you don't pay me so where I am or who I'm with should not be your business unless it has something to do with our children." Luks: "speaking of which. How is my newborn son?" I froze. Almost pissing on myself. Me: "your son?" Luks: "did I fucken stutter?" Me: "uhm-" Luks: "one thing I'm not is a damn idiot! Don't lie to me! Uphi Lihle, ndizothatha unyanam!" Me: "Lukhanyo, you can't just demand people." Luks: "why didn't you tell me!" Me: "you were on holiday. I didn't want to ruin your 'family time'. You're happy with your woman and I don't want to mess it up ndikuleqekela ngomntana." Luks: "Lihle. You said to me, ngumntana wam lona. Why is everything about him a secret kengoku?" Me: "he is not a secret." Luks: "There's something you know and you're hiding from me." Me: "you're being ridiculous Lukhanyo." Luks: "Lihle is this my child or not." Me: "you will do the DNA test when we're back." Luks: "I'm giving you 3 days Lithembelihle Mzinyathi. THREE." he hung up. Lubb: "and now?" Me: "he wants me back there in 3 days." Lubb: "did you explain to him that the baby is still young?" Me: "as if he will listen to me." Lubb: "our baby's safety comes first. We're waiting until he's over a month ke qha." Me: "I know Lubby." he kneeled next to the bed with Lubambo. For his night prayer. After they were done, came into the bed. Lubambo on his chest. Me: "sweety..." Lubb: "please don't." Me: "I'm really sorry, I didn't mean to hurt your feelings." Lubb: "I don't have feelings remember. I'm stone. I only seek attention, which is why people trip over me." Me: "heee." I chuckled. Lubb: "no baby. You just OLX'd my vibe." Me: "ndik'yekile ke." I closed my

eyes to sleep. I couldn't. For a few minutes I just stared into space. I looked over at him. His eyes were open staring at the ceiling. For a second I thought I saw Andrew, he was focused on that ceiling and looked ill. I crawled onto his right arm and cuddled on his chest with Lubambo. He kissed my forehead and relaxed after that. As I was drifting off to sleep, a slight reminder in my mind clicked. *3 days.* kwaphel ub'thongo. Lubb: "why you shaking?" Me: "I'm cold." he covered my shoulders and pulled me inside his arm. I was not cold, I was actually afraid. For the first time, I was afraid of going home..

Chapter 643

Later that day. S'fiso and Luzuko were in the bedroom together getting dressed for the party. Luz: "ne-weather iyavuma fondin, ngalibali ngomso we've been invited to the 3 piece party. As VIP. Luks: "I can't show up at a party naked." Luz: "am I naked? Andithi I'm wearing my shorts?" Luks: "okay fine. Give me two minutes ndiyaleze ku Ta Seez abantwana." he went to the bedroom to undress. Lisa: "uyaphi?" Luks: "out with the guys." Lisa: "ngoku ukhululelani?" Luks: "because I feel like it." Lisa: "Le attitude yakho i-expayarisha nin mhlawmbi." Luks: "mxxxim." he took out his black swim shorts and black sneakers. He walked to the lounge. Luks: "Ta Seez, I'm going out with the guys for the night, do you mind keeping an eye?" Sizwe: "absolutely not. Enjoy yourself nyana." Luks: "I plan to. Yazi..heee, Tata ndifownele uLihle. I found out she gave birth." Sizwe: "what?!!" Luks: "yeah. Anyway she'll be back in a few days so ungazi stressi Kakhulu." Sizwe: "you managed to convince her?" Luks: "I'm sure she got the message." he smiled brightly. Luks: "I'll see you in the morning." luzuko came out the cellar holding a bottle of Patron and another of Moet. Luks: "NO." Luz: "Yes!!" Luks: "Lubabalo will slaughter us! That's his collection!! Ha.a luzuko, you don't want to see lakaka inomsindo!!" Luz: "relaaax! We'll order him others before he comes back." Luks: "okay, but if that doesn't happen, andazi niks!" Luz: "yeah, We'll just say its you who took it. Masambe." Luks: "mxim. Uph Yanda?" S'fiso: "he's working. We're taking my car right?" Luks: "yeah, cause ingathi Luzuko uzondinxilisa nge

nkani." they got in the car and drove to the house party. Playing Bed rock on full blast. S'fiso was driving, luzuko pouring a glass for Lukhanyo. Then himself. Luz: "to a peaceful future, peace between you and Lubby and the best threesome this universe has ever seen." Luks: "I'll drink to that!" S'fiso: "erhh....is it me or I'm being forgotten so soon?" Luz: "hahaha! Never! Ungu bhuti kalok wena." S'fiso: "not tonight, nd'yok'faki mpama uzundikhwaze net." they laughed.

When they arrived at Kabega it was full and full of foam. S'fiso rolled a blunt, lighting it up. Luz: "Luks?" Luks: "uhm.....I don't know hey." Luz: "live a little. Ina. Let's go." Lukhanyo took a pull and got out the car. He was a bit tipsy from the couple of shots as he walked in with Luzuko hanging on to him talking and laughing. The girls screamed. Luz: "hayi! Yinton ngoku." "There's two of them!! Oh my goossh you guys are soo cute!" Luks: "lighta Yesu." luzuko pulled him to the back, by the pool. His friend, Lovers was sitting with a group of ladies all in bikini's. Lovers: "khakhethe umculo pha sani andiyazi lekaka idlalwa ngulomntu." Lukhanyo looked at him. Lovers: "lusko? Uyandiva?" Luks: "andingo Lusko nje mna." lovers stared at the tattoos on his body. A bit confused. Luzuko came through. Luz: "ekse kwedin." lovers: "ja kaka. Nguban fondin lo?" Luz: "ungaphazami ke apha. Yokukhaba ukake uTa Luks. Luks, this my friend Lovers." they shook hands. Luzuko played Wale and Rihanna's Bad Remix. Luz: "cel' zapha tu?" licking his lips staring a girl who was so shy. Luz: "come here fondin. Waqosha? Andilumi nje." she shook her head and walked away. He held her arm, and dragged her to a quiet corner. Luz: "ndiyifakele wena la ngoma. Khand'culele." she pulled him closer, her arms around his neck, she sang softly in his ear. She: "Is it bad that I never made love, No, I never did it But I sure know how to, fuck. I'll be your bad girl, I'll prove it to you can't promise that I'll be good to you. Cause I have some issues , I won't commit. No, not having it. But at least I can admit that I'll be bad no to you. Yeah, I'll be good in bed, but I'll be bad to you." he chuckled. Luz: "hm....yabona ke. Uzandonzakalisa wena." she kissed his lips gently. Her lips tasting like strawberries and cream. He was in a trance. Her perfume intoxicating him, her lips softly teasing him. She pulled away. She: "I have to go." Luz: "no...no....you can't." she: "ewe, I can. I told you I'm bad for you." she kissed his cheek and disappeared. He touched his lips, where did she think she was going? Leaving him enchanted like that? While he tried searching and asking around. Seems like she disappeared into thin air. Lukhanyo was by the pool with S'fiso. Luks: "ekse nyana!" Luz: "ja?" he sat with them and drank. Luks: "what happened bra? You look flushed." Luz: "Yuuh Lukhanyo! Dammn.....what I just met up with." Luks: "luzuko. Khaphole sani." Luz: "yabona lo ndim'bonileyo has blinded me for the rest of my damn life ndoda." Luks: "so...where is she?" Luz: "she disappeared." Luks: "shame." Luz: "help me

look for her." they got up and walked around. Luks: "andise nxile luzuko for lento. Unxibe nton?" Luz: "marijuana colors bikini. Brown eyes and bouncy curly hair." A short girl stopped them. She: "can I take a picture with you guys?" Luz: "okay." they took a picture and left again. Different directions. Lukhanyo bumped into another. She smiled at him. Luks: "hey." she smiled again and walked away. He held her arm. Luks: "ndiyabulisa." she: "so?" Luks: "subakwrada apha tshongo Buhle. Mpa." she giggled. She: "haisuka tshin. Enkosi." Luks: "so nguban gama lakho." She: "what do you want, and don't lie to me this time." Luks: "uhm. Okay. Ndifuna someone to sit with me, sincokole side sidikwe." She: "zuko, stop playing games. I really am not in the mood for you." Luks: "what? Awuvakal kakuhle." She: "I said." in his ear. She: "I'm not in the mood for you." Luks: "haibona." pulling his puppy dog face. She: "don't do that." Luks: "sorry." he sulked. She pulled him away from the crowd. Luks: "andikuva..." She: "don't worry bout hearing my voice, I won't need it for what I'm about to do to you." locking the room. She kneeled on both knees in front of him. Luks: "wait....wait....hold up... I have to help my brother find this other....." she sucked him in. He gasped. Luks: "please don't..." he whispered. her tongue ring rubbing on his skin. Deep throating him. Luks: "ooohh...fuck." after some minutes, he held on her hair, pushing her in faster, until he released a thigh shivering climax. Luks: "are you brave?" she swallowed. She: "why do you ask." getting up. Luks: "why'd you do this?" She: "returning the favor." Luks: "favor?" She: "damn Luzuko. You don't even know who I am." Luks: "uhm..." he chuckled. Luks: "this is a bit awkward." She: "you don't remember my name, do you. Vanessa?" Luks: "I'm not Luzuko." She: "oh but of course." she rolled her eyes. She: "I get your game and I'll keep clear, like you want me to." kissing his chin and walking out. He felt guilty and sick.. He went back to S'fiso who was talking to the group. S'fiso: "segrand?" Luks: "yeah." pouring another glass, throwing it down his throat, one after another. On his 5th S'fiso grabbed the bottle. S'fiso: "What happened? Kuthen uzibulala nje?" Luks: "bra.." he held onto him, while standing up. Luks: "uph uLubby? I need to talk to him." Luz: "ndim lo. What's up." Luks: "ubund'shiyelan fondin. Why?" Luz: "because uyacucuza that's why!" Luks: "heee. Uyandinyela ngok Luzuko, caba ndili tobhi." Luz: "haha, mxim." Luks: "I have done the biggest mistake yet." Luz: "We'll find a way to fix it." Luks: "Lisa gonn fuckin kill me bruh. Like ndiyangcwatywa next week, I'm finna plan my own funeral masifownel Avbob.." he looked through his phones contacts. luzuko fell down laughing. S'fiso: "Lukhanyo uphambene mfethu.." Luks: "mjita, uzaw'ndinyisa lamntana. Moer toe. I'm as good as cold." Luz: "whatever you did, is better left unsaid. Akhomntu uyaziyo mos. Vala ke umlomo and stop being a loose canon." Luks: "fondin. Fownel Vantyi lomzuzu, I'm going home." Luz: "Vantyi? Fuck that man

Luks, uzaw'thin loomntu." Luks: "uzolungiselela is'ngcwabo Sam." he walked to the car, stumbling a bit. Unlocked and climbed in. He started the car feeling somebody staring at him. This sobered him up for a second, looking around him. He drove home. Everytime he stopped at the robots, he felt sleepy. But managed to arrive. Lisa was putting the twins to sleep. Sizwe standing in the dark garden. Just before Lukhanyo pulled out the keys, a familiar beat came on the radio. He sat and listened. "I got my eyes on you.. You're everything that I see. I want your high love and emotion, endlessly. I can't get over you, I want your high love and emotion endlessly. Cause you're a good girl and you know it." he felt a sudden pain. Sharp and full of Hate. The song was a painful reminder that he lost once again. Just as the hook came on. Holding back his tears, flashbacks of his wedding day, "oohh just hold on we're going home..." he smashed the radio off. Banging repeatedly on it. Sizwe opened the door holding his arms. Sizwe: "Lukhanyo-" Luks: "Why Ta Seez!!" Sizwe: "kuzolunga nyana. Shhh. Suzenza lento kalok." he cradled him. Sizwe: "everything will fall back into place...."

Mandla sat alone in his room and wondered why his girlfriend had been quiet that whole day. What did he do wrong? He tried rethinking and tracing his steps. He didn't do wrong. So he made a Call. Khanya: "hello?" Mandla: "hello baby. Uright?" Khanya: "no. You?" Mandla: "utheni mntu wam?" she put the phone down and ran to the bathroom. Mandla: "hello? Khanya?" he looked at the screen. After waiting 3 minutes. She came back on. Khanya: "I'm sick Mandla. I've been.....vomiting and dizzy." Mandla: "shame mntu wam. Ubutyile." Khanya: "iyabuya yonke." Mandla: "Eish...now uyandistressa." Khanya: "I'll be okay." Mandla: "ndiyeza ke, ndikuphathele nton." Khanya: "just juice." Mandla: "okay ke mntu wam. Ubambelele ke ndiyeza." she giggled and hung up.. Mandla jumped out of bed, wore his shoes and took his car keys. He drove to Spar, buying her juice then went back to her place. He was still nervous around her family because he knew they didn't trust him much. Dialing her number. Mandla: "uzokwazi uphuma baby?" Khanya: "yes, ndiyeza." she came out dressed in a track suit and sneakers. Her hair tied up. Her face looked a bit swollen and ill. He opened her door for her. Mandla: "hello my love." Khanya: "hey." kissing his cheek. Mandla: "uziva njan. Ina." he opened the juice, giving her a straw. Khanya: "not better at all." she drank. Khanya: "maybe its something I ate...or ndine nyongo?" Mandla: "or maybe umith." he muttered under his breath, looking out his window. Khanya: "what's that baby?" Mandla: "nothing." Khanya: "yaz'bona ke..". Mandla: "I know you said, sizolinda ne baby. But mna I think umithi and if nyani umithi cela simgcine." Khanya: "haha, shame mntu wam, I'm not." Mandla: "kuthen ikunyumbaza nje lento? Awum'fun umntanam?" Khanya: "I do baby, but I want to

Mandla: "kodwa yi abuse Le." Khanya: "no Mandla, go visit Lucky or Sthe, ndizoba right mna." Mandla: "okay. But if ufuna ndikuse, call me ne." she nodded kissing his cheek. Khanya: "I love you, thanks ngozond'bona." Mandla: "okay. I love you too." she hopped out the car and went into the house. Mandla drove away. He was already missing her badly. It hurt him to see her sick. Lucky was at their spot so Mandla decided to join him for a beer. They bought their alcohol, sat together and planned again. Mandla: "mjita, I put aside lamali ye registration," lucky: "khangе kuthwe kufree ngoku? Anyway, uzokhetha eyiphi course?? Bendinga sihlanganise something sibene business encinci ecalen." Mandla: "lento bendiy'cinga. Into ene business studies. Akekho noTa Lubby asicebisi ba senze njan. Asinoya kuTa Luks?" lucky: "Yuuh Mandla uyay'chamela kengok. Ta Luks akathand buzwa isende. Yokudlula ngomva wempama." Mandla: "haska. Niyambaxa uTa Luks, ngumntu othand i-order qha. Soze akwenze nto, sayombuza singenza njan." lucky stared right ahead of him. Taking out his phone, his hand was shaking. his eyes fixed on the man walking with Ta Smig. He had shades on and a hat. But his walks, attitude and the way he spoke was nerve wrecking. With his left hand in his pocket and his right hand gesturing as he spoke like he was giving instructions. Lucky: "it can't be." he whispered. Mandla: "intoni ngoku?" Smilo walked two steps behind him, up straight and proper. The man spoke in a legendary form. Pausing for a while and looked at Lucky. Him: "Vusumzi." lucky bowed his head. Lucky: "molo Ta." the man carried on walking. Mandla was stunned. Mandla: "and then?" lucky switched his phone off. Hands still shaking. He sipped his beer and convinced himself. Lucky: "its not our business. Ndiyak'cela siyibambe apho." Mandla: "No. Asizoy-" Lucky: "Please Mandla." Mandla stared at his shaken friend then looked back at the tall well

structured man, still walking like he owned the place. He didn't understand, what was it about him...

Chapter 644

2 weeks later.

Lubabalo sat in his large study office. His laptop on the desk. He had been keeping track of his work for 3 days straight, occasionally bringing Lubambo and Chuma in for an hour or two then carrying on. Bill Sangane had come over to discuss business too. The project was running a bit slower than expected but nevertheless Lubby would return and help his father. He had another vision. He wanted a new business, something for the youth to develop on. Soma walked in. Soma: "hayi man Lubabalo! our flight leaves in 2 hours and you still on that thing. Its been 3 consecutive days. Come the fuck on bra!" Lubb: "you get very cranky when you're going to see Soso ne." Soma: "its not that. But you have spent more time on that thing than hours of the day." Lubb: "I have missed a lot of work really, I needed to sort things out, hlala phantsi so we can talk." Soma sat down. Soma: "what's up." Lubb: "I am hungry for a new project Soma. Something out my comfort zone." Soma: "business wise?" Lubb: "yes of course. I am extremely happy with my personal life, but I'm too much into engineering, I need something else fethu." Soma: "Lubby, you're a genius when it comes to Engineering, why change that? It made you a billionaire." Lubb: "I can't take all the credit Soma, I have my team that helps me. Ewe I am involved with the projects but they also do some hard work and stand in for me, but I did some research and found that the unemployment rate keeps increasing, ngoku umntu efundile. I need a partner to work with me." Soma: "who did you have in mind?" Lubb: "umntu ongazondi jikela last minute, someone who can take charge With me. Someone I can learn a few things about business from. You know? Lukhanyo and Luzuko are great and perfect for this, but Luks is probably mad at me right now, and Lusko is a party animal. I don't want to choose one over the other too." Soma: "hahaaaa!!! Yuh Lubby, you are in a dilemma. So uzothin." Lubb: "I want me and you to do this." Soma: "damn. Okay...this is a lot to take in." Lubb: "it shouldn't Be, look, I have the funds readily available, our budget is limitless, I use my current company and your private status to kick start this one..." Soma: "okay, but the only problem is, if we use a public approach, everything we do will be in the spot light, taking the kids for a walk, going shopping with your wife, clubbing, all that privacy is lost." Lubb: "you know what, you're right, yilento ndingathand ubase Kapa, hleli nje someone has a camera in my

face. But either way Soma, even if siyenze kancinci kancinci, word will be out and you will be a celeb." Soma laughed. Soma: "Soso would hate me for that. Ngoba kuzoleqwa yena, and Lukhanyo will surely strangle you to death." Lubb: "at least Luzuko is a chilled soul, wooh, I love my brothers to infinity kodwa bastout man. Yooh aziva eziya." Soma: "they learn from the best. Uyi Nkulu kalok, ngok ukhulile uthi bastout." Lubb: "let me finish up here. Anyway, sizothetha ngalento on the jet, because Sine is available to start working, I need at least 3 other youngsters fresh outa college." he got up. Lubb: "maybe if I contact the colleges and ask to set up interviews with their final year best learners." Soma: "but Lubabalo those kids are inexperienced. Izositshonisa lonto!" Lubb: "we will train and groom them, kukho workshops that they can go to. Lukhanyo and Luzuko will be involved too." Soma: "its still a risk, abeva abantwana Lubabalo, not the twins, I mean the youth." Lubb: "they're inexperienced Soma, we get to teach them what they need to know and they will implement it the way we want them to because they don't know any other way. Baphuma eskolweni their brains feed off anything that's new." Soma: "okay, you have a point." they packed his things away and walked out. Soma: "I'll construct a business plan on air. Then We'll go about it." Lubb: "cool, S'bu uphi? He can give us some advice." Sbosh came down stairs with her suitcases and Chuma. S'bu followed. Lubb: "uphi umfazi wam bethuna? I haven't seen her today." sbosh: "upstairs getting ready." Lubby ran upstairs. Soma: "yinton ungawi ubetheke nge slevu." Lubb: "mpaaa!" he stood by the bedroom door, looking at Lihle. She had on white tights and his white sweater. With her white Air max sneakers. Her new hair style tied up in a bun. Lubambo was in his cot holding a rattle toy. A month and a week old. Lubb: "sthandwa sentliziyo yam." Me: "hey." he walked in and sat on the bed. Lubb: "you look lovely. Uyaphi?" Me: "Heeee." I giggled. Lubb: "come to daddy.." I sat on his lap. Lubb: "I want you to know that ndiyakuthanda baby ne." Me: "I know that." Lubb: "and nothing will change that, Le ndawo siyakuyo isn't very fond of us, and that's okay because we have each other. Don't ever feel any weight too heavy because We'll carry it together ne." Me: "my sweet nunu's. Enkosi mntu wam." I kissed his lips. Lubb: "hm...kubekho lo tight." holding my thighs and kissing my neck. Me: "subawa daddy tshi. We have a flight to catch." Lubb: "its our flight, ya'll acting like its essential to be on time." Me: "it is." Lubb: "that jet belongs to you Mrs Morrison. So if she's late, its late." he kissed me again. I got up and sat properly on top, straddling. His kisses deeper and gripping firmly. My waist started grinding on his, he groaned softly. He was getting turned on. I could feel his breathing escalating. He picked me up laying me on the bed. Me: "umntana baby..." Lubb: "Yoh..Nguwe man baby lo...kodwa mjonge, he's asleep shame." Me: "uphethwe kubawa kodwa." he kissed my neck,

sucking gently on it. His hand sliding down inside my tights. Me: "wenzani." Lubb: "ndicheck itemperature. Dr Lubb in the house." I chuckled. Me: "hewethu Dr Lubb. We have a flight to catch." his finger brushed on the fabric of my underwear. Catching my breath, I kissed on his lips, sucking the bottom. Just the tip of his finger slowly brushing up and down was amazing, it sent hot chills through my body. I thought I was floating. Me: "baby....." I muttered. Lubb: "shhh...." the faster his finger thumped my clit, I opened just a little. He stared at my face, biting his lip. Me: "ohhh my...." I moaned. Lubb: "yinton na mntu wam." in a deep husky voice. Me: "don't stop....." I whispered. Lubb: "like this?" he slowed down. I grabbed onto him. He continued, I felt dizzy and somehow like I had forgotten how it felt to be touched and made hot inside. My heart stopped as I orgasmed, closing my trembling thighs together, my vagina throbbing on his hand. Lubb: "woow. Baby, andikafaki niks nje." Me: "you were teasing me..bucinga kuzokwenzeka nton." I pushed him off. Sitting on his chest facing the other direction. I wasn't ready for penetrative sex yet, this was the first sexual act we've tried in months. After Lubambo's birth we focused on him rather. Lubb: "baby....what are you doing?" I unbuttoned his jeans and pulled out his Dick. Me: "playing with Willy." Lubb: "girl please, his name is King Kong." I laughed. Lubb: "mxim." I kissed Kong and slid my tongue down him and up again, slurping him whole. Lubby gasped. I carried on while he grabbed on my ass, groaning. I pushed it further down, spitting it out again. He pulled down my tights and stared, sliding the panties aside. I could feel his breathing. Me: "love..." Lubb: "cel'ubona qha baby..I just wanna." he did what shocked me to such an extent ndothuka nyan. He kissed Both butt cheeks. One by one. It was ticklish but still nice. I massaged his king Kong. Lubb: "baby..." I sucked it back in. Lubb: "I'm bout to bust....." sucking deeper. Lubb: "Good God.....Lihle!!!" I pulled out and watched the white liquid squirting out of him. Lubb: "Oooh Damn!!!!" trying to breath. I waited...then wiped him with a warm dampish cloth. Lubb: "tshini Nkosi yam. You don't do that to a nigga." Me: "ude ukhale kangaka baby. Yuh." he pulled up his pants. Lubb: "ndiright." he got up, I ran from him. He chased me to the other room, grabbed and threw me over his shoulder. I was just bursting with giggles. Lubb: "uthi mhlamwbi ubaleka uyaphi?" he walked to the shower. Spraying the water on me. I screamed and wiggled out of his tight grip. He laughed and put me down. Eventually stopped playing and showered got dressed in other clothes and sat on the floor with Lubby Jr. Lubb: "Soma and I are thinking of starting a business together." Me: "wow, that's nice. And what about Cape Town?" Lubb: "dad, takes care of that one more. I love that company, it made me the money I spend today. But at the same time I need something else." Me: "something else?" Lubb: "yeah. If I could take on another project, okay cool. But a completely different

business. Challenging." Me: "baby, I hope you know that starting a new business will take time, a lot of it too." Lubb: "I do know, you will be there to help me and support me right?." Me: "absolutely." Lubb: "Lihle?" I looked up at him. Lubb: "what's wrong?" Me: "nothing.." he thought back to the start of the conversation to what might have upset her. Lubb: " Is it the time I'll be spending on the business? I'll always have time for you nje." me: "I know that." Lubb: "then why you upset?" Me: "when you say you want a new challenge after mastering a good career and obtaining so much from it, now you just going to drop it for something 'fresh'. Just makes me wonder a bit." he held Lubambo up and held my left hand. Lubb: "This is my ultimate dream. Don't even entertain those thoughts, because from personal things to work I'm a completely different somebody." Soma walked in. Soma: "okay. Now please explain in less than 5 sentences, why are you sitting on the floor while we're waiting for you." Lubb: "we got carried away." Soma: "hm.hm..cela sambeni ke bethuna." we got up and went downstairs. Our driver was waiting, the cars had been taken to South Africa a week ago. They had to be registered, we had to get new number plates and whole load of paperwork. then I could drive my damn Bentley 😊^_^ Lubby gave the Porsche to Soma and ordered himself a Bentley too. But it would only arrive in a month. The private nurse was with us like the doctor suggested. Although Lubambo was in good health. He sat comfortably on Lubby. Lubb: "awww kodwa uzoba sisdudla my boy. Fetty boom boom ka Tata." Me: "sugezela umntanam Lubabalo." my laptop fully charged and I had to wear that support hose and it irritated me a bit. Chuma was mega excited, he seemed to love planes at the airport he stared in awe. Me: "baby?" Lubb: "hm." Me: "Star bucks." Lubb: "I am trying to fight the urge to buy a cup. You're breastfeeding kodwa baby." Me: "I want the cup cakes though." Lubb: "okay ke." so we all started at Starbucks coffee where Soma, S'bu and Lubby drank the coffee. Me and the ladies had the marvelous cupcakes with Chuma. After 30 minutes, We went through our private gate to the jet. Chuma smiled brightly. Chuma: "daddy, yeyam Lena ne?" Lubb: "ngqo my boy. Uzosiqhubela?" Chuma: "ewe!!" he beamed. Inside the jet, he gave me Lubambo and fixed us our seat. Lubb: "ndiyabuya boo. Iza Chuma." holding his hand, they went to the front. Opening the door, Chuma went in and stared at the billions of buttons. Chuma: "yuh." he gasped. Lubby sat down and put him on his lap. Lubb: "uzokwazi ke ndoda?" Chuma shook his head. Chuma: "koda nday'thanda." Lubb: "uyayazi iPilot yinton?" Chuma: "ha.a." Lubb: "ngumntu oqhuba plane. This is Jack." Chuma: "hello Jack." jack: "hello." he smiled. Lubb: "we're ready. What time we taking off?" Jack: "immediately. We're 10 minutes behind schedule." Lubb: "can I strap him in here, just so he can see how we take off? He seems to like it." Jack: "children are not allowed this side Mr Morrison." Lubby chuckled. Lubb:

"nigga I own this plane, what my son wants, he gets. Chuma, ufuna ubona?" Chuma: "ndiyoyika daddy. Ndizowa apha mna." Lubb: "soze uwe ndoda." Chuma: "ndizohlala apha kuwe ke better. Andifun hlala ndodwa pha." Lubb: "funekile nje boy Uhlale kwesakho istulo." Chuma stared at the chair. Lubb: "okay ke, maybe next time ne? Masambe." they went back to the rest. Thandi Lihle, Nurse Pam and Sbosh sat together and chatted. Soma and S'bu were in their own discussion. They got ready for take off, putting on seat belts and welcomed by the air hostess. After 10 minutes, the jet took off.....

12 hours later in South Africa.

Lukhanyo woke up after 9am frustrated to the core. He was in a constant bad mood and screamed at everyone and everything except his twin babies because they did nothing wrong. Everything they did was just perfect. Luhle woke up first and smothered him with kisses. Luks: "hello my angel." Luhle smiled. Luks: "vusa ubhuti wakho sizovasa." Luhle: "funi." Luks: "hah? Your first word today should be love. Kuthen uzothi awufuni nje." he tickled her. She laughed and fell over on the bed waking Luthando up. Luks: "nants ingwenya fondin. Ta Luks uqobo lwakhe. Unjani boy?" Lutha: "hmm" he grumbled. Luks: "okay then. Izovasa." Lutha: "funi." Luks: "hehehe. Andiy'hleki. Nitheni na namhlanje." Luhle: "aview." she kissed Him. Luks: "ncaaww umntanam. Aview too njena." Lutha stared at them and looked at the ceiling. He looked next to him at an empty space looking depressed. His bottom lip quivered. Luks: "ndoda. Yinton ngok wavuka ufun ukhala." Lutha: "mama." Lukhanyo's mood dropped again. Why was Lihle so damn selfish, her children missed her so much bade bavuke kabuhlungu befuna yena but nooo, men are more important to her! He thought. Luks: "izapha mntanam." Lutha: "fun mama!!" Luks: "ndikhona nje boy. Lutha: "mamaaaa!!!" he screamed. Lukhanyo took him, holding him in his arms. Luks: "sukhala kalok mntanam. Shhh..." Luhle: "shhh..." she helped. Holding her brother's afro. Her mouth set in a firm pout ready for a kiss. Lukhanyo couldn't resist, he quickly pecked her and looked away. Luhle stared at him. Luhle: "hayi Tata." in a soft one. Luks: "xolo baby, bingeka Lutha?" Luhle: "Utha moth ikali yeni fun mami." she snapped. Luks: "sorry kalok. Tshin mfazi ude uthukise." Luhle focused on her Lutha. LUHLE: "beby." she smiled. Lutha: "hm." Luhle: "a-fun aDudu." Lutha pulled himself and crawled off his father. Lutha: "aphi?" Luhle: "Ithha." she reversed off the bed holding on sliding off, same as Lutha. They ran to the closed door and looked at each other then looked at Lukhanyo who stared back at them smiling. Luks: "I wonder nizovulelwa ngubani ke." Luhle: "Tataaaa" she giggled. Luks: "babbyyy." Luhle: "vuza." Luks: "ndivuze nton." Luhle: "avuza imi." she banged the door. Luks: "funi nam." Lutha: "tataa!!" they pouted. Luks: "that's not gonna work." Luzuko

knocked from the outside. Lutha : "Ithha!" Luz: "vula kqala." Lutha knocked too. Luz: "vula umnyango mntanam." Luhle: "vuza Tata." Luz: "suka ke ndivule." he opened a bit the twins pulled the door and squeezed out, running to S'fiso. Luz: "hey." Luks: "supp." Luz: "you good?" Luks: "trying." Luz: "look, I'm sure she's trying naye, it can't be easy travelling with a new born." Luks: "its been over 2 weeks ezelwe lomntana for all I know he probably could be a month old by now!" Luz: "have you tried calling again?" Luks: "No. Lihle knows she's testing me, and lento ayifunayo yile ndizam'nika yona. Luz: "Lukhanyo, come on. Just focus on the kids, they're crazy about you, don't fuck it up." Luks: "fuck what up? She doesn't want these kids. Kumnandi kuye she's out there balling on a testicle. Luthando uvuke ekhala apha. I have to wake up every morning and comfort him. Uphi yena? Hm? Where the fuck she at? Akazoba fuman abantwana bonanje. Makahlale wherever she fucking is. I DON'T CARE." Luz: "my lie detector shows that is a lie, you do care and that caring is a bit dangerous. You may want to calm down." Luks: "calm down for what!! She likes testing my patience. Uyanya ke this time." Luz: "une hype ngoku. But the moment umbona, I bet my favorite pair of socks you'll forget all that." Luks: "nxilile Luzuko. If andimtywatyushi nge mvubu..... Heh." Luzuko laughed. Luz: "phone yakho." Luks: "fuck that phone." he got out of bed and took a shower. Luzuko checked the message. It was from Lubby: "we need to talk." Luzuko knew this couldn't be good. Lukhanyo was too angry. Lord knows what he would do. Like Cain did to Abel. Luzuko replied: "he's in the shower, best wait for him to cool down before any communication. Ku-bad." he sent it. He missed him too, but in order for them to be together, there needed issues to be resolved. Lubb: "I understand." he replied. Lukhanyo came out the shower and got dressed. Then went to check on the twins. Sylvia was bathing them too. Lukhanyo walked back to the bedroom. Luks: "what's up." Luz: "Lubby sent you a message, I replied." Luks: "what he say?" Luz: "he wants to talk to you?" Luks: "uphi? Is he coming back? When?" Luz: "I told him you needed to cool down, you're too angry for communicating with him, awuzothetha kakuhle naye and awuzoyiva lento afuna ukuyithetha." Luks: "oh." Luz: "wait.....you want to?" Luks: "no." he muttered. Luz: "Lukhanyo come on." Luks: "maybe...I don't know...." Luz: "you miss him?" Luks: "kinda...just a little." Luz: "you'll wait? Or you want to call him now?" Luks: "he's the one that wants to talk mos. So He'll Call." Luz: "cool." the phone rang. Lukhanyo answered. Luks: "Ta Seez?" Sizwe: "hello kunjani?" Luks: "ndiyaphila Tata, wena unjani?" Sizwe: "ndiphilile nam, are you busy? I thought maybe ungazisa abazukulwane bam. Ndiyabakhumbula." Luks: "andikho busy tu, ndisendlelen ezayo Ta." Sizwe: "enkosi." he hung up. Luks: "Masiye ku Ta Seez." Luz: "let me bath. S'fiso has a meeting at 10, Ayanda just got in from night shift." Luks: "khawleza ke." Luzuko

went to bath and dress. Lukhanyo fed his twins and let them play with Dudu. He hated Dudu, because Dudu was a fucking worm. That seemed to do nothing but grow. Luzuko even bought them a glass container with soil and a bit of water to accommodate this Dudu. The kids loved him to bits. Every 5 minutes is a Dudu moment of praise.. Luks: "mxim." Luzuko came out and they took the kids to the car. Lutha: "ashiyi Dudu!!" Luks: "Siya ku Tiny boy." Lutha: "Tinie ka Khudu?" Luks: "ewe." he buckled him up and they drove to Sizwe's house.

At Port Elizabeth airport, S'bu: "that was the best holiday, of my damn life. Nothing beats the yacht cruise. Thanks bra." Lubb: "totally a pleasure, as long as umntase umpethe kakuhle." he hugged Sbosh. Sbosh: "thank you bhuti." Lubb: "okay ya'll. Its cool, really." Soma: "thanks ndoda. Sizodibana later on mos." Lubb: "ningalibali utshintsha amaxesha. Uwoah. Khaba jongе baby bacimba ku-late." Soma: "haska Lubby." Lubb: "yayaz ke andiy'soli into phendula." they laughed. Lubb: "bye sweetie." he hugged Thandi. Thandi: "thanks for everything." Lubb: "sure thing." I said my goodbyes. Chuma didn't want to leave. Chuma: "daddy, uzophinda uhambe." Lubb: "not without you my boy." Chuma: "okay." he hugged him tightly. Chuma: "I love you daddy." Lubb: "I love you too son. Uzoba ngu good boy ka daddy ne?" Chuma: "nguban ugood boy Tata? Ndiright nje mna." Lubb: "awuzogeza kaloku. Awuzobetha abanye abantwana." Chuma: "okay ke." he kissed his cheek. The couples left. Lubby, junior and me walked slowly together. Lubb: "you still fine?" Me: "yes." Lubb: "I could take you-" Me: "no Lubabalo, I need time to talk to my father." Lubb: "okay." he took the sleeping baby from my arms. Lubb: "I'm going to miss you." peeking in the white blanky. Me: "kuzobanzima ulala ke ku brothers. Yayaz ngxaki yakhe." Lubb: "ncoooh. Sendim'khumbula already. I love you Siphо Senkosi Lubby Morrison Jr." kissing his forehead. Me: "what happens to Sister Pam?" Lubb: "she's flying back tonight. Nantsi moto ifika." he gave me the child and took the suitcases into the boot. I waited till he was done. Lubb: "my first lady." he held my left hand. Kissing my lips. Lubb: "I love you Kumkanikazi yam." his other hand around my waist. Lubambo in between us. Lubb: "call me when you arrive and call me when you have time." me: "I will do so. I love you too baby." kissing him back. He opened my door, I went in and the driver drove us.....then stopped after a few metres. Lubby opened the door breathing heavily. Lubb: "I forgot my soul." kissing me again. Me: "tsek man wena." I giggled. Me: "usile yazi." Lubb: "xolo ke. Bye." he closed the door and we left again. My heart felt so warm and fuzzy. I had butterflies in my stomach, for a brief second I forgot about life and day dreamed about my fiance. Driver: "Mrs Morrison, your destination please." I told him the address, which he typed on his GPS and he drove. Lubabalo walked to pay his large fine on the parking of his Benz. Just as he finished and turned

around. A tall man stood in front of him. Lubb: "Morning. Excuse me." as he swerved him. Man: "Lubabalo Mzinyathi." Lubby stopped dead in his tracks and stared at him. Lubb: "Morrison." he corrected. Guy: "Mzinyathi." he said again. they stared each other down. Lubb: "and you are?" Meanwhile, Lubambo was awake and his big eyes staring at me. Me: "uyazazi uphi baby?" he blinked and looked side ways. Then back at me. A little grin cracked on his face. My heart melted. It was some time later the driver stopped the car. Driver: "we have arrived Mrs Morrison." Me: "Lihle, my name is Lihle, sir." he got out the car and came to open my door. Then took out my suitcases wayongena nazo endlin. Sizwe and Lukhanyo stared at him as he greeted and walked out again. I walked into the house, tickling Bambi's chin. He seemed to like that. I looked up. Me: "molo Ta-" Lukhanyo was already standing, staring at me. His eyes felt like they were burning me. I stood firm and stared back at him. Me: "molo Lukhanyo." his eyes moved to the baby. Then the ring. Luks: "Lihle..." he hissed....

Chapter 645

Sizwe: "Lihle usuka phi?!" Me: "on holiday Tata." Sizwe: "you didn't tell me about a holiday! You never called waveske wathula do you understand how worried I was! Lihle you are a mother the least you could be is considerate damn it!" Lukhanyo walked to me. I took a step back. Sizwe: "Lihle." bendingam'va tu. Ndoyika umva wempama ndingay'qondanga. My focus was on why Lukhanyo was moving closer to me. He stood in front and stared right into my eyes. Luks: " umntanam." he demanded. Me: "kuthen ungena ndlela yothetha nje. Ndifike apha ndikukhawlela ngabantwana?" Luks: "Ta Seez. Ndicela uthetha noLihle." Sizwe: "I'll take the kids for a walk. Masambe Luzuko." What? 🤔:o Me: "Tata-" Sizwe: "Lihle, you need to get your priorities straight. Lukhanyo is a devoted father, he was worried too." Me: "but Tata-" Sizwe: "you need to sort things out." he walked out. Luzuko went to fetch the kids at the back and followed. Lukhanyo looked to the side with his hands in his pockets. I was waiting. What would he do. My heart rate was high. I couldn't breath. Ndingcangcazela nditshiswa nangu mntsonso. Only when they walked out the gate. A few seconds later. Luks: "you." he pointed in my face. Luks: "you like fucking with me?!" I didn't answer. He banged on the table. Luks: "I asked you a damn question!" Me: "no Lukhanyo." Lubambo started crying. I rocked him back and forth trying to calm him down. Luks: "you are selfish yazi, spiteful and flippen inconsiderate! Uthin ngabantwana bakho aba ubashiyileyo Lithembelihle!" Me: "you took them on holiday! Bek'funeka ndithin? Ndilinde kubuye wena?" Luks: "Don't! Don't bloody test me!"

Me: "or else what?" I could see he was pissed off. He had the 'look' on. Luks: "what the fuck is this!" Me: "its an engagement ring. What it fucking look like?" ndava ngempama eshushu. My cheek burned. Luks: "ndithe sundi tester uyeva? The fuck you tryna act smart for!! Engagement ring for nton!" I sat down, shaking. The baby was screaming his lungs out. I held him up to my chest and trying my hardest kunzima ndibambe nezo nyembezi. He took the child from my arms and looked at him. He wiped his tears kissing his cheeks. I looked out to the kitchen. I can't blame my father, I brought this on myself ndinqandwa ndingafun nova. So I had to fix it myself. I slowly stood up and took the suitcases to the room. Unpacking my clothes into the wardrobe. I went to the kitchen and tidied up a bit. After some time going to to the lounge. Lukhanyo sat with Lubambo on his lap. Luks: "cela umtshintshe napken." I took the baby to the bedroom and changed him. His eyes still sparkled abit with tears but he looked okay. I put his rubber toy in his hand, carried him on my waist ndayolahla the dirty diaper. Luks: "Lihle." I looked at him. He was standing 2 feet away. Luks: "I am sorry." Me: "okay." Luks: "I can't believe you could do something like this to me. Udenza umsindo on purpose and you can't expect me to be okay! Never!" Me: "okay." Luks: "I want to take care of our baby. I know we've been through some rough times but sizolungisa yonke lento Sibe grand." I just nodded. If he thinks ndizothula ndingathethi ngoku. He is mistaken. Luks: "I'm an ass because ndiyakhathala and I don't want to see you throw your life away." Me: "same here." I walked past him. He grabbed my arm, ndamjonga. Me: "what's up?" Luks: "you mean you still care about me? You still love me?" I nodded. Me: "I do. How can't I Lukhanyo. You've been great, just a few faults eziku moshayo nam ndino galelo because andikumameli xa uthetha." he squinted his eyes, looking at me suspiciously. Luks: "why do I get the feeling this is a trap?" Me: "trap to what babe?" Luks: "I don't know I just....." he sighed. Luks: "this thing is killing me Lihle, its hard for me to admit but, andiyithandi i-involvement yakho noLubabalo. Now you're marrying him. That's a bit drastic don't you think? Haibo Lihle. Undijongisa ngabantu. Ndizoqheleka ngoku." Bambi was falling asleep, ndlela athand ulala ngayo ubaby. Lukhanyo moved closer and took the baby. Luks: "remember when the twins were born?" I looked up at him. Luks: "bebangaka. Damn...ngathi bekuyizolo. They were just so cute. Qha ubhutiza kuthen enendaw ngath yicherri nje." I didn't know what exactly to reply to him because bendisitsha ngumsindo kanophakade. Keeping calm as a Xhosa woman is just not on. I am heating. Luks: "kodwa umhle man. Look at his fat cheeks. Good God....he's easy to fall in love with. Mxim, yafana nam unyana kodwa moer. Ne? Look at him." Me: "I guess." I muttered. Lubambo yawned and closed his mouth firmly, revealing the cute dimples. Luks: "nah. You's a chick baby. Kuthen ndingak'qondi

nje." kissing his face and smiling. Luks: "the latest Mzinyathi. Luthandoluhle will be head over heels. Ukhule ke nawe ndoda." I boiled some water in the kettle. Luks: "so, what are your plans for Christmas, bendicinga something different k'lonyaka. Last year was a bit crowded. The twins need attention from both abazali babo then There's him." kissing Lubambo again. Luks: "he needs to feel his family bond." Me: "family? What about your wife?" Luks: "uya kowabo." Me: "and somehow, some way you thinking of replacing her ngam." Luks: "uz'libele sisi ungu mama wabantwana? Now they must have Christmas without you? Or without their father? Like what type can you be? Kuthen unenzondo engaka toward me?" Me: "no, no. Don't be mistaken, andina nzondo. Andilibelanga ndingu mama. But uhm. You chased me out your house. Left me in the street to beg and starve. So wena, what type can you be?" he went to put Lubambo in the bedroom. Luks: "you slept with my brother. Was I supposed to clap hands and be happy?" me: "no. I'm not gonn play the blame game but you and I are poison to each other. Don't force it. It will never work. Ever. Uzaw'tshata, you paid Lobola for your woman, if she's going to be with her family hamba naye and have fun. Stop tryna have your crusty bread buttered on both sides." Luks: "I paid lobola because she deserved it. Suyenza problem yam intoba mawu hule." Me: "oh yes! Because I fucked Lubabalo before we got married huh?" Luks: "Lihle.." he warned. Me: "what you gonn do? Hm? Beat me to a pulp?? Lukhanyo I take responsibilities for my actions, I don't give a slight fuck what people think ngam noLubabalo. And your opinion doesn't even count! Andithi I didn't deserve your Lobola, she does. Ndiyeke ke ndibeyi lekaka suppose ndiyiyo!" Luks: "Lithembelihle." I pushed him. Me: "Betha mngqundu!!" Luks: "leave me alone." Me: "you're a bastard Lukhanyo! I would curse my life with you. But then I can't because I wouldn't have met the man that I love and deserve." he charged for my neck, gripped it. I kicked him hard, he pulled back immediately and I punched his face. Sizwe walked in. Sizwe: "Lithembelihle!!!!!!" he screamed. Me: "he tried to-" Sizwe: "DON'T!!!" he rushed to his side. 🤯:o Sizwe: "you okay?" Lukhanyo held his manhood, groaning in pain. Luks: "Noo!!!!" Luthando stood next to Luzuko with his lollipop. Lutha: "mama!!" he smiled. Luhle walked past me to her father. I picked Luthando up and hugged my son. I missed him sooo much, the tears just ran down my face. Me: "hello my baby." Sizwe: "I am disappointed in you! how could you be so mean." about time..you saw your 'son' is not gold. Sizwe: "Lihle ndithetha nawe man!" I looked at him. Me: "he was about to strangle me to death Tata. suppose ndenzeni?" Sizwe: "you're supposed to be grown and stop blaming each other! When the hell will you two grow up!! You have children for crying out loud! Kuthen hleli nje nizoxhwithana for shitty things!" Me: "bhuti Sizwe ndingu mntanakho. How can you for once even not want to hear

my side?" Sizwe: "lihle, what kind of father would I be if I didn't listen to Lukhanyo. He has NOBODY. Everyone expects him to be strong forgetting he's human too! He has feelings too! Nobabini ni wrong! And you must take responsibility." Me: "kodwa tat-" Sizwe: "Stop with the excuses Lihle! Its pathetic. Kuthen ningeno kwazi uthetha kakuhle with each other?" Luks: "Tata, its not only her....nam I.....I provoked her. I know I was wrong and ndilicelile uxolo but I guess I'll never be good enough." 😞 - - oh please stop. Sizwe: "Lukhanyo. The important thing is uyazi bona that you're wrong. You are good enough, we can still sort this out even though it will take time." Me: "uyandigxotha Tata endlinakho. Is that it? Because I refuse, to even think of being here and side lined while THIS is put on a throne andicingi tu." Sizwe: "Lihle, Lukhanyo is only human. Ukhule kabuhlungu omnye umntana he needs stability and understanding." Me: "I'm not his wife anymore so he can't expect it from me!" Sizwe: "if you think you're going to marry Lubabalo, ndiyak'cela mntanam, think something else, andithi buya kuLukhanyo but be civil with him! Lubabalo yena? It can only ruin you, he is not stable. He will hurt you! Uzophinda ulile apha ubelu sizi. You need to focus on the 3 babies and yourself." Me: "so by being with Lubby I'm not focusing on my children." Sizwe: "nako ulahleke for weeks without even caring bout the kids, uyamazi uLutha ngogula but no. And that thing is not allowed in this house." Me: "my engagement ring? What for Tata?" Sizwe: "I don't have to spell it out mntanam. I'm sorry but I cannot accept it." Me: "cacile nam mos andikho allowed apha k'lendlu and so is Lubambo." Sizwe: "this is your home. NoLubambo lowo. Not that ring." I looked at my father with tears in my eyes. Putting Luthando down. I went to the room and packed the twins and Lubambo's bag. I took my sleeping son walked out. Me: "come sweetheart... Let's go." Luthando walked with me. Me: "Luhle my love come." sshe stayed next to her father holding his hand. Me: "baby girl? Come to mommy."she blinked twice and didn't budge. This hurt me, because I couldn't leave either. Not with one twin. I stood there motionless. Ndingazazi noba ndijike ngaphi. Me: "angel.." I begged. Luhle: "aview." she muttered looking at Lukhanyo. He kissed her and hugged her. I walked out the house. It broke me apart. But I couldn't be there and listen to all that 'I'm useless and selfish' bull. Ndama phandle with the boys. Sometimes I just missed my mom. Maybe she's what I needed right now. Noba angandithuka ayoma eJerusalem, I just wanted her next to me badly. I got in the hired car with the boys and we were driven to Motherwell using the GPS. Lutha kept peeping in the blanket. giggling by himself until Lubambo woke. He looked Lutha. I'm sure he was confused, his eyes wide open. Me: "nguban gama lakhe boy? Ngu Bambi ne?" Lutha: "Bambi." he smiled, tickling his cheek. We arrived at Motherwell, got out the car and walked to the house. I knocked. Ma: "come in!" I walked inside

holding Lutha's hand. Thenjiwe was sitting with Jeff in the lounge. Me: "molweni mama." Ma: "molo mntanam!" she stood up and hugged me. Thank you Lord. Jeff: "molwenii! And look at this big boy!" he picked Lutha up and threw him in the air. Me: "ninjani?" Ma: "siyaphila wethu ntombi. Awuse nqabe. Ngu baby lona." revealing Lubambo. She took him from my arms. Ma: "ncoooh bethuna. Akasemse ke mos yena. Nguban igama lika ntombana?" Me: "hayi mama yikwekwe uLubambo." Ma: "Yuuh! Andiyazi ke leyo. Hello my nunu." she kissed him. Jeff: "unjani Lihle?" Me: "ndiright Tata." Ma: "awubonakali uright ke ndik'xelele. Uphi uLuhle?" Me: "shiyeke notatakhe." Ma: "kwenzeke ntoni." Me: "yuh mama. Its a long story." Ma: "thetha mfazi, ungxamele phi?" Jeff: "I'm taking the boy out for ice cream." Me: "uphuma kwi stokkie ke bhuti." Jeff: "hehe....We'll find something else." they walked out together. Namhla came in. Me: "heee umntase." Namhla: "haayyin!!! Uvelaphi ntombazana? Ndicimb uthathwe yi boko haram." Me: "ungayondikhanegla nje." Namhla: "ndiphethwe sisinga peto okwangoku Yuuh. Nguban na lona." Lubambo's eyes darted to her. Namhla: "ohh bethunana." Ma: "gama lakhe nguLubambo ke. Yambona ngathi yintombi?" Namhla: "ha.a Dab'z khange aqalise tu. Yindodana yase wisile Le." I laughed. Just then a car parked outside ndothuka and looked at the door. A bit shaky. Ma: "Lihle?" andeva nto. I heard arguing outside recognizing my uncle's voice. I breathed a sigh of relief. My mother stared at me. Me: "ma?" she shook her head and looked at the baby again. Jongi: "nqo nqo! Baph abantu?" he walked in. Me: "hello Malume." Jongi: "aww madoda. Ndizohlala kamnandi ke sendiyazi. Ku'khwa Bantu abandilalisa ngamatye emqamelwen." Noma: "uthetha nam?" Jongi: "sutyiwa zii tekkie lady. Zikhulule uz'beke caleni undincede." Noma: "xa ufun uthetha into suzimela. Thetha ndim lo." he looked at her. Jongi: "awubawel undenzel itea mnakwam? Ibe shushu." Noma: "don't change the subject." Jongi: "Hehake. Kodwa ndi'vote'ile Noma nje." Noma: "awu'vote'eli mna kalok.." Ma: "molwEni bethuna. Yooh!" Noma: "molo Thenji, hello Lihle. Hello Namhla." Me: "molweni ma." Namhla kissed her mom. Jongi sat down. Jongi: "iintombi zam zizaw'ndi phekelana namhlanje." Ma: "utshuphinde bhuti." Namhla: "halala." Jongi: "nguban na lo?" Namhla: "ngu Lubambo Tata. Umzukulwana wakho." Jongi choked on his breath, holding his chest. We all laughed. Jongi: "sundiphathisa nge ntliziyo sana lwam please. Iza namanzi eswekire pha. Ndatsho ndanyukelwa yi high high." I laughed and went to the kitchen to fetch him the sugar water..

Lubabalo was at Zintle's flat since 3 hours ago upon arrival, playing with his daughters. He lay on the floor tired. Babalo knelt by his head and gave him a kiss. Lubb: "thank you sweetie." Buhle held his phone, which had slipped out his pocket. Lubb: "thank you love." swooping it from her. Buhle: "dada!" Lubb: "baby yam." he

pouted. Buhle did too. And frowned. He took a picture of her. Lungelo came with their building sets. The babies rejoiced and took each a block. Chasing Lubby. Lubb: "haibo." he ran and hid behind the bed. Sprang out and they screamed, laughing. Babalo fell on her bottom trying to run. Buhle hid her face behind Lungelo. Lubb: "bum bum?" Buhle mumbled. Running towards her father. He swooped her up in the air. Then sat down. Babalo skipped in. Trying to climb on him. Lungelo: "hey bukhunjulwa ne." Lubb: "oko ndingenile. Bejinga ke. How's you been?" Lungelo: "great. Except the thing with Zintle's dad. He's having a hard time accepting me, yazi I've tried everything." Lubb: "sometimes you could just stop trying so hard and focus on Zintle. When he sees you're serious maybe uzonyibilika. Nam he hated my guts at one time, but that guy has a soft bone somewhere you'll be fine." Lungelo: "why did he hate you?" Lubb: "he blamed me for what happened." Babalo sat next to her dad quietly. Buhle was standing on his lap, pulling his face. Lubb: "I blame myself too Lungelo. Like I....." he stopped and listened carefully to his thoughts. Why has Lihle not called yet? Has she arrived safely? What did her father say. But best give her space. Lungelo: "fondin." Lubb: "what?" Lungelo: "ucingaphi?" Lubb: "I have a new son." Lungelo: "Kudala usitsho. Siphso seNkosi Lubby Morrison Jr. I know." Lubb: "I'm just worried about them. She hasn't called me yet. What if something happened" Lungelo: "stop thinking the worst. Stop! She's been out the country with you for over a month, maybe ichance akekabi nayo. Be patient." Lubb: "I am." Lungelo: "so, you proposed?" Lubb: "yes." he smiled. Lungelo: "congratulations bhuti. I hope now you'll chill on the drastic acts of self pity." Lubb: "in the past...I just need to find a way to speak to Lukhanyo, I need you to help me with something." Lungelo: "ungandifaki kwinto zenu ke mna." Lubb: "nah, this is totally out. I met a strange man today. He called me Lubabalo Mzinyathi, like what the f? He's not with the program? It sounded weird and I hate it. Anyway. Ndlela Le be-sure ngayo it kinda spooked me out. So ndimbuzile ngubani he just walked away." Lungelo: "an old friend?" Lubb: "I don't have old men as friends, that's just creepy." Lungelo: "then who could he be?" Lubb: "if he knows me, clearly he knows Lukha, so kuzofuneka ndithethe naye he's not even answering my calls.." Lungelo: "give him some time mjita. Do not rush these things." Buhle had fallen asleep on his chest with her arms on his neck. Babalo's head was on his lap. They took the babies to bed. Lubb: "ndicela nidniboleke abantwana bam for some time. I'm gonn be at my house." he checked the diapers. Lungelo: "I'll bring them to you later xa kubuye uZintle, une interview with some company." Lubb: "wow. Kanene she's graduating next year. Congratulate her for me." Lungelo: "sure." Lubby stared at his daughters. He was in love with them, all of them. From Chumani and Drew to Lubambo. Every small moment spent melted his heart and brought him

joy. Lungelo: "so when are you getting married?" Lubb: "whenever she is ready. She's studying at the moment. andifuni umphazamisa." Lungelo: "oh. How considerate." lubby's phone rang. Lubb: "hello?" Caller: "bra! I'm here at the house where are you?" Lubb: "I'm coming just now." caller: "okay cool." he hung up. Lubb: "Lungsta awti." they shook hands, bumped shoulders. Lungelo: "ndiyeza later on." Lubby sat next to his girls. Tickling Babalo's foot underneath. She pulled her little leg away. Lubby tickled Buhle's foot. She did the same. Lubb: "ndiyanithanda bantwana bam." kissing them both. He got up and walked to his car. He still had to go fetch his son Luyanda. Driving quickly to Liya's home, her red Benz parked outside. He knocked, standing outside. She opened for him. Liya: "hello, ngena, I'm still packing his things." he walked in. Lubb: "you good?" Liya: "I'm great." Siviwe was sitting in the lounge, watching TV. Lubb: "molo nakuwe bhuti." Svig: "molo Ta, ugrand?" Lubb: "yinton lonto." Svig: "uxolo bhuti, isqhelo soyisi nqondo. Unjani?" Lubb: "I'm good thanks and yourself." Svig: "ndiyaphila Ta." Liya brought Lubby the baby. And his bag. Lubb: "thank you. Anything else before ndivaye?" Liya: "don't forget his medication Lubby. I wrote down his instructions in his blue book." Lubb: "okay. And?" Liya: "and nothing. I'm kind of busy right now. Sooo..." Lubb: "bye." he walked out, buckled his son and drove home. He sang in the car, Luyanda giggled and hid his eyes with his hands. Lubb: "I embarrass you boy? Khajong uTata." Luya mumbled and stuck his tongue out, his eye peeping through his fingers. Lubb: "haha. Okay. Ndizok'fumana." he stopped at the robots and turned to him. Holding his left arm and tickling him. Luyanda forever laughing till he turned pink. Lubb: "phefumla mntanam." he stopped. Luyanda caught his breath and hid again. Lubby held his foot. Pulling him to the front. Luyanda giggled and reached for his hand. Lubb: "ngena." he low fived him. Then drove off to the house. A white polo was in his driveway. Lubby didn't know of any visitors. When he came to shower before going to the twins, the house was empty, he even left a note for Luzuko. Lubby walked in with his bubbly son, Luyanda held his chain staring and pulling on it. Lubb: "Luzuko ligwinya lika ban Eli lime phandle lidakis iyard yam? Tshonge ntlam enganyukanga who the Hel-" he stopped and stared. The same man from the airport sat in his couch with Luzuko. Luz: "you're home!" Lubb: "who is this in my house." he growled. Luzuko swallowed. Luz: "uhm.." Man: "intlonipho kwedin." Lubb: "first and foremost, in who's house?" the man chuckled. Man: "Smilo!" he yelled. Ta Smig walked in carrying his hat and shades. Lubb: "Ta Smig, I know this a family house. Particularly ours. But I don't think I like people walking in and out like they own it." Man: "then I guess I'm home." Lubb: "the fuck you are." he muttered and walked away. Man: "uyathetha?" Lubb: "I'm giving you exactly 3 minutes and 25 seconds, to leave my premises." Man: "kuzothin." Lubb:

"Jesus scored himself a full time applicant this time. I don't got time to play.." the man relaxed and drank his whiskey. Lubabalo went to his room. Luzuko followed. Luz: "Lubabalo wenzani fethu." Lubb: "about to write a letter of recommendation to God. With a thesis statement and powerpoint presentation explaining why this nigga is going to get his arse whooped. Can you imagine the nerve? Drinking on my whiskey? Sitting in my chair? Hm. Heaven just can't wait for him. No, no, no..." Luz: "Lubby please listen." Lubb: "iphume landoda pha Luzuko. Tell him to go before I tear something to pieces, because I will.." Luz: "I can't." Lubb: "give me a 7 good reasons why." Luz: "I don't know how to tell you." Lubb: "oh come on, here's my jaw, Drop it." Luzuko breathed and looked to the ceiling...

Chapter 646

I sat in the bedroom feeding Lubambo. I tried calling Lubby, he sent back a message: "baby, I can't talk right now. In the middle of something." and I admit I was getting a little impatient. My mother walked into the room. Sitting on the bed. Ma: "kwenzeke ntoni Lihle." Me: "nothing mama." it was pointless telling her because she would automatically take Lukhanyo's side. Ma: "ndiyabona mos ba ayingo nothing lo use busweni bakho." Me: "mama, isafana nje uzothethelela omnye not mna." Ma: "andithetheleli mntu mna Lihle kodwa into xa inga lunganga ayilunganga qha.." I missed being here, so much. a few years ago, when I was still in college and free. Me: "ma I am engaged." Ma: "ndiyay'bona lonto." Me: "awuzobuza nabani?" Ma: "umnye qha umntu endimcingayo. Ngula Lubabalo ndingayazi mntanam kuthen ungeva kangaka xandithetha. Ukwenze ntoni ntoni ngoku! Ndithethe ndancama nawe." Me: "akenzanga nto mama, it was me. I fought with Lukhanyo." Ma: "ngoba Lihle." Me: "I just came back from holiday noLubby and ndifike Lukhanyo enomsindo. We exchanged ugly things and ended up fighting." Ma: "oh hayi kodwa Lihle! What went wrong?" Me: "mama, ever since I got out the coma, it hadn't been the same, my conscious does not like the idea of Lukhanyo. Why else would you think this is happening? When he left me, it didn't kick in because I thought ndim ifailure." Ma: "Lihle uyamthanda uLukhanyo." Me: "zange ndithi andimthandi mama, qha ndithi andimfuni. Even when I try to hate him, I can't. Ndimthuka ndiphinde ndive kabhlungu nokwam. But he deserves it!" Ma: "eyonanto indenza ndinga kuva kakuhle mntanam, is because even ngoku ekuphethe kakubi uLukhanyo, uhleli uthule. Uqala uthetha after kuvele inyan ngawe noLubabalo. Ngoba kuthen Lihle? Yay'bona phof uzenzeela nzima." Me: "I thought I could handle it mama. But it blew up in my face." Ma: "yiyo ke leyo ingxaki yakho. Uyaz'valela nento zakho uthule. You can't keep on

ukwenza i-excuses, as umfazi suppose uyayazi indlela yoziphatha." Me: "I fell ma, but instead of moving on, I fell in love because Lubby akazange andiyekelele. As wrong as it seems, he loves me and I love him too." Ma: "so ubathanda bobabini abafana Lihle." Me: "no ma, I love Lubby But I care about Lukhanyo. He's had a tough life. I don't know what I was expecting." Ma: "so wena ukhetha uLubabalo because awusamfun uLukhanyo." Me: "No mama, I am with Lubabalo because ndiyamthanda." Ma: "if yena ukhlukele?" Me: "he won't..." I put Lubambo on the bed, covering him halfway with a blanket. Ma: "maybe mntanam, kufuneka uzinike ixesha uphole kqala before uzifake kuLubabalo." Me: "mama, I'm ready. If it doesn't work then at least we tried." Ma: "andiyithandi Lihle lento uyenzayo. Andizoxoka tu. Andiyifuni." Me: "mama please. Cela umnike a chance. Just one." Thenjiwe looked out the window. Ma: "ndine worry ngale family Lihle. Bayoze baphinde bavane? Emveni kwayo yonke lento. And if bayavana, wena uzoshiyek usthin." Me: "akhonto ndizoshiyeka ngayo mama. It will be actually a better thing because I won't have to see Lukhanyo, Lubby will deal with it." Ma: "I just hope Lihle, for the children's sake you know ba wenzantoni. Nabo izoba affect(a) lento." Me: "mom. Kuzofuneka ndive kabhlung kude k'be nini? I want to be happy too. And Lubby makes me happy. You make it seem like ndibulala umntu." Ma: "mntanam. Inye into endiyithethayo mna, I hope uyazazi wenza nton." Me: "awukho forced ba mawumthande mama, its okay." Ma: "enkosi, because I am embarrassed Lihle..I'm sorry." Me: "ndiyakuva mama." Ma: "imagine bunoyiva lento uJongizembe. Uzophinda ayiqale ekqaleni." I didn't want to talk anymore. Not right now, I just had a headache. Ma: "mntanam." Me: "mama." she hugged me. Ma: "ayikulungelanga lento uyenzayo. But ke ndazenza mistake zam ndafunda kuzo. Nawe you have iright to make your own. Ndizovala lowam umlomo mna." I just lay on her chest, at least she didn't yell, although engafuni niks ngo Lubby. For once she listened to me. Ma: "heee! Ndishiywe nangu Marhad'z ke.." Me: "noba uphola aphe ntloko. Uyephi." Ma: "maxhoseni kwindlu ka Tatakhe. Ndliziyo bixhuma xhuma wena awazi nto." I giggled. Me: "cela nje 2 hours mama, ndizovuka ndipheke." Ma: "okay ke." she walked out the room. I sat alone thinking with a sleeping Lubambo, I thought of what my mom said about the time to heal and what she asked, will Lubby and Lukha ever get along? Tearing them apart didn't really sit well with me. It was a difficult decision but I couldn't let him go. I was being selfish for once! I've been doing everything to everyone else's expectation and pleasing them but what about me? I would not let this get to me. I kneeled down on my knees and started a short prayer.....

Sizwe stood in the kitchen, dabbing a damp cloth on Lukhanyo's face. They took Luhle and got in Sizwe's car, because Luzuko took Lukhanyo's. Luks: "maybe I should

just go Ta Seez." Sizwe: "Lukhanyo." Luks: "hm?" Sizwe: "what happened to your father?" Luks: "I don't think I wanna talk about him." Sizwe: "its inevitable." Luks: "from what I know. Ta Seez, my father was shot and burnt with his car. Ta Smig told me this. I went to the scene and there his car was burnt to metal. Umngcwabo wakhe was with ashes not a corpse. So that's that." Sizwe: "Lukhanyo?." Luks: "Tata, I hated my brother as much as he denied everything, I hated Xolani for killing him. Ta Seez, do you know how hard it was for me to accept it?" Sizwe: "I can only imagine. But You've accomplished some things. You're a good father to your children and I'm sure a good influence you will be to them." Luks: "I don't want them exposed to this life Ta. I don't want them to experience all this." Sizwe: "they won't. Ndikhona, nawe ukhona to be a stable parent." Luks: "what about her." Sizwe: "Lukhanyo, I know its hard. I can't begin to imagine, but to move on properly you have to let go." Luks: "let go huh?" Sizwe: "asoze ibelula lonto. I know, but clearly this, isn't working." Sizwe drove in the Triple L mansion's driveway and parked his car, seeing the white polo standing out. Luks: "he's here." Sizwe: "don't be afraid. Thetha kakuhle and don't forget to stand up for yourself, okay?" he himself was nervous but couldn't show. Lukhanyo walked in with his daughter, staring into the lounge. Luzuko, Lubabalo and the man sat on the couch looking at him. Sizwe stood still outside the door, looking at the floor. Luks: "Ta Seez? Aren't you gonn come in?" Sizwe shook his head. Smilo hid a satisfied smile. Luks: "cela ungene Ta Seez." Lubb: "can somebody tell me what's going on before I let out gas." Lukhanyo went to the room and put Luhle in bed. Walking back to the lounge. Luks: "Lubabalo. This is your father. Bra Zakes." Lubabalo gasped and choked at once. Lubb: "but he's" Luks: "so I thought, but here he is.." Lubb: "No...no..." Lukhanyo sat down. Smilo: "so now I guess I don't have to hide it anymore." Lubb: "why yes you do Ta Smig. Tell me.....uhm, 'Father' after all these years, where have you been?" Zakes: "I don't answer to you." Lubb: "your family has grieved you, mourned you, cried over you!! Inimba bhuti?" Smilo: "Lubab-" Lubb: "and You..... Good Lord have mercy! I asked Ta Smig, over and over again what else are you hiding from me! You lied to our faces and said nothing, next thing you disappear for months only to come back with the man himself. Bra Zakes?" Smilo: "kwedin!!" Lubb: "what, you gonn beat me now?" Zakes: "nobody is beating anybody. Smilo, get out." Smilo: "bu-" Zakes: "Get." Smilo got up and walked out. Lubb: "I'm still holding gas. How many of you are out there shacking up together?? Fooling ya'll families and breaking their hearts, because mine is still intact mind I tell you." Zakes: "I wanted to come to you believe me-" Lubb: "I don't. Not for a second. Uthini ngo Lukhanyo who had experienced the pain of losing you, only for you to come back again. Like a thief in the night. You were out there. chilling. Throughout all our bad

experiences as a family. Hm? Bra Zakes." Zakes: "boy... Do not. I repeat, Do Not make me mad." Lubb: "you aren't in the position to get mad sir because you're the one sitting in the shit chair." Luks: "Lubabalo..." Lubb: "am I the only one in the dark about this? I want to know everything, you can't waltz in my house, blowing bubble gum and expecting me to flip my skirt side to side." Zakes: "I was shot, and in danger. I had to leave." Lubb: "an explanation letter maybe?" Zakes: "shut up!" Lubb: "I can't. I'm sorry but I can't shut up if YOU can just show up. In my house." Zakes: "it was to save your life! All of you!" Lubb: "I smell lies." he folded his arms. Luks: "Tata, you groomed me well enough. You know I would've helped!" Zakes: "that was not your fight." Luks: "you lied to me Tata! For years, you broke me!" with tears in his eyes. Zakes: "Luzuko." Luz: "dad." Lubb: "wait. You know him too? Yesu lighta ngesbane sezulu, Eskom woyisiwe. I'm the only one out here-" Zakes: "Lubabalo!" Lubb: "naw. Intrigue me Bra Zakes." Zakes: "I just want to make Izinto zilunge." Luks: "how!" Lubb: "I suggest you get your big panties on and hit the road. Shows over. And you're not welcome in my house." Zakhele stood up and held his collar dragging him to the bedroom. Lubby fought him off. His father held him against the wall. Zakes: "I don't have to put up with you." Lubb: "I'm not asking you to." Zakes: "jongapha ke kwedin-" Lubb: "that's not gonna work." Zakes: "damn right it will. See that round yellow orange circle out there? Ubomi revolves around that, not you." Lubb: "not exactly, well the earth revolves, not life, because whether there is life or death, the earth still revolves and-" Zakes stared at him. Lubby shut his mouth immediately. Zakes: "ntwana yam. The last thing I wanna be to you is a painful reminder. " Lubby opened his mouth and closed it again. Zakes: "Good." he walked out to the lounge. Zakes: "kwenzeka ntoni Lukhanyo." Luks: "my father lied to me for 5 years. That's what happened." Zakes: "Lukhanyo." he stared at him. Luks: "xolo Tata. I just can't accept this yet." Zakes: "nyana. Look at me." Lukhanyo looked up and away. Zakes: "I'm not here to mess everything up, but I can't stand back and watch you suffer." Luks: "so if my life wasn't fucked up you'd never be back." Zakes: "that's not the reason I'm here." Luks: "then what is Tata." Zakhele looked at the door. Sizwe had long left. Luks: "Tata?" Zakes: "you'll find out soon enough." he sat next to him. Zakes: "ndikukhumbulile kwedin." Luks: "don't....don't do that." Zakes: "I may be a cold bastard but I do love my children. Which is why ndathi make sure you get the best. Lubby with Sebastian, you with me..I was fooled by a woman I trusted and she stole my last born son. But iyeza min yakhe. As'kholapho namhlanje." Luks: "the best? Tata, I've been suffering. Money isn't everything. I was deprived of love." Zakes: "Lukhanyo you lived with Smilo and his wife, they loved you like their own son." Luks: "she abused me! Tata.." he buried his head in his hands. Luks: "she molested me,

raped and beat me each and everyday of my life! How is that love!" Zakhele stood up, grabbing his jacket and stormed out.

Lubabalo stared at Lukhanyo. Luzuko sat on the couch painfully. Lubb: "I....I didn't...wha...." he was lost for words. Luks: "I wanted to tell you, but I didn't want to be a burden to you Lubabalo. I didn't want to seem pathetic, but that's what I am." Lubb: "no you're not!" Luz: "don't ever let that shit define you." Luzuko sat next to him and hugged him. Luz: "I'm sorry.." Luks: "don't feel pity Luzuko." Lubb: "Lukhanyo." he looked at him. Lukhanyo walked to him. Holding his brother. Lubb: "I'm sorry." Luks: "no..." Lubb: "yes. You've had to sit here and listen to me complain about my life when You've had to deal with much worse and right now I feel like a Dick." Luks: "I don't hug dicks. Get off me." he chuckled. Luz: "important thing is, we all here and I'm not going anywhere. Lukhanyo, everything in life happens for a reason. God gives the hardest battles to his strongest soldiers. The love you have for your kids, builds you into being a great person. Life gets better every time you try." Lubb: "No matter how much society puts you down. Remember your worth and never let them win. You'll always be the stronger one." Luz: "your life was worth the fight bra. Sithi aba, we love and care about you. Don't never give in to your past." Luks: "I don't know what I'd be without you both in my life. Maybe in jail or dead. Really dead unlike my father who seems to think its cute to come back from wherever. But No one makes me as angry and frustrated as you do Lubabalo. And wena luzuko? Mxim.." he chuckled. Luks: "I wish...I...." Lubb: "don't...say it." Luks: "when you came into my life, I was under pressure. But I also learnt that love, it should come naturally. Not with force, or jealousy. I just couldn't accept it because I grew up knowing it differently." Lubb: "I also learnt patience kuwe, stability, and passion something I didn't have, but something you stamped on me. I still need you in my life and if that means sacrifice, then I guess i-" Luks: "no..." Lubb: "what do yo-" Luks: "we're far from fine Lubby, but I refuse to lose another brother for icherry, if anyone has to sacrifice its me." Lubb: "I can't expect that from you. You've already had so much to deal with and I'm just ad-" Luks: "no more lies. No more secrets." Lubb: "of course I'm gonn lie to you, what I look like, Adam from the garden of Eden?" Lukhanyo pushed him. Lubb: "ndik'khabe ke." he pushed him back. Luz: "and there they go again." pushing Lukhanyo to Lubby. Who tackled him to the floor. Luks: "wait!!!....." Luz: "what!" Lubb: "where did he go." they looked at each other. Luks: "shit." he sprang up and ran to his car. Lubby followed to his Benz with Luzuko. Lukhanyo sped off to the first place that got to his mind. Smilo's old house. Zakhele kicked the door in. Zakes: "You...." she looked at him. "Haaayyii!!" she exclaimed. He grabbed her hair. Zakes: "kuthen undenzi kaka nje! Emntanen wam!!!" she fainted,

falling to the ground. Zakhele went to the car taking out diesel containers. Smilo: "bhuti wait!!" Zakhele stared at him. The hate written on his face. Running from him was pointless because it would only make things worse. It was already ugly. Zakes: "for what!!!!" he roared. Zakes: "you want to take her place???" Smilo: "hayi bhuti." Zakes walked to the house. Pouring the liquid on her. Lukhanyo ran in. Zakhele lit up his torch and threw it on her. Luks: "tataaa!!!!" Zakhele walked out to Smilo.. Smig: "bhuti. Please." Zakes: "uyayazi kuba I don't need you. Right." pulling out his gun. He set it once and pointed it to him. Zakhele: "you knew about this and lied to me!" Smilo: "i-i-i didn't...b-bhuti. I swear." Zakes: "don't you fucking choke Smilo!!!" Luks: "Tata please!!!" the house flew up in flames. Zakes: "get out my sight Smilo. Before I blow your head off your neck!" Smilo went straight to his car, diving never to look back. Zakes looked at Lukhanyo. Zakes: "keys." Lukhanyo handed over his keys immediately. They got in his car, Zakhele drove, speeding through the streets. His driving was worse than Lukhanyo. It made his bladder act up every time since a young age when Zakes taught him how to drive.. Luks: "Tata..." this was a long shot. Luks: "please don't do it." Zakes: "do what." he snapped. Luks: "I know you're....." he held onto the handle when they car drifted to the left. Luks: "Tata! You're starting a never ending war in Port Elizabeth again! I tried not to hurt anyone, but you're going to damage them! Respect is one thing to work for and earn. But Le uyenzayo is driving me further to never wanting to see you again! You're just too much and I can't take it." Zakhele stared ahead at the road in his zone. He blocked out everything and focused on his mission. Luks: "Tata. Sizwe has been good to me. And the only person to listen to me! Tata ndiyak'cela! Dad!!!" Zakes: "the rule of Mzinyathi?" Luks: "Patience is a virtue, the more I persist, the more I lose." Zakhele stopped the car in the middle of the road. He switched off the ignition. Disrupting traffic. Zakes: "zange ndayi role model kuwe Lukhanyo. The way you are is because of my bad parenting skills. awukwazi uzi blamer, blame me. Ndim okumoshayo okutshonisayo. Instead of paying for you to further your education, I taught you how to handle a gun, instead of getting ready for life, you got ready for death at every breath of your life and that is unfair. I never told you how much I loved you nyana. But I do. In my thoughts of ukuqinisa zange ndiy'cinge ba ndiyak'bulala instead. Ndicela uxolo mntanam. You, Lubby and Luzuko are all I have. And its all a normal father needs. We all got angels, we all got demons. And right now, andifun uba ngu Bra Zakes, ndifuna uba ngu Tata. I want to be your hero. That's one opportunity I would kill for. Everyone responsible for your pain will meet their maker." Luks: "life doesn't work that way Tata. You can't eliminate everyone." Zakes: "true. And I hope one day you forgive your brother, not today, or next month, but when you're ready, I spent my whole life hating Zolani and

with one moment of anger I took his soul without hesitation, I live to regret it." Luks: "I thought Ta Seez said you hated him." Zakes: "for that moment I did, but all the other times wayengu mninawa wam ndimthanda. I never told him that, I made him miserable to fill the empty dark hole of jealousy in my heart. You're God's gift Lukhanyo, to me to your brothers.. Pain, hurt and betrayal are one of the things to build someone up. I don't know everything that happened. Only you and God know the truth." Luks: "I'm trying Tata. I've decided to let go. I just don't know if I can. I just want this nightmare to end." Zakes: "be strong ndoda, don't break down. You got your children to live up for. What I've heard, lomntu umkhalelayo is toxic to you." Luks: "Ta Smig lied to you, that aint true." Zakes: "andazi nto. Snedisitsho qha." Luks: "now Lubby is marrying her, getting all the wifely benefits. And mna I'm stuck here." Zakes: "you're engaged. Aren't you." Luks: "all we ever do is fight. I get so angry and I just can't focus." Zakes: "maybe before uzivalele nomntu you need to find yourself first." Lubby stood outside the window. Lubb: "well damn." he breathed. Luz: "you can't drive." Lubb: "excuse me? I'll have you know-" Luz: "I don't want to." Lubb: "but i-" Luz: "bleehh..." Lubb: "mxi-" Luz: "brrrr." Lubb: "I will smack you." Lukhanyo put down his window. Zakes: "we going back to the house to fetch my things. Get in." Lubb: "are you sure." Zakes: "uthetha nganton ngok Lubabalo." Lubb: "well you know, last time they said you were dead but here you are tat'Mzinyathi. So who knows where you'd take me. Probably leave me in a deserted amusement park, or a dark alley with a dog fight, or even Jupiter, you tell me." Zakes: "come on." Lubb: "I'm starting to wonder if anything you're going to tell me is true." Luks: "Lubabalo please bruh." Lubb: "I'm going back to my house to my son. So Luks, I'll see you there. Bye." Zakes: "arg.." Lubb: "you don't get a bye. You get a 'hm'.....Judas." he whispered walking away to the car.. Luks: "he is a bit of a dramatic lunatic." Zakes: "I know. Ndiyay'faka impama ke mna ayazi naleyo. iza Luzuko." Luz: "uhm..I'll be going back to the house. you go ahead." he walked after Lubby. Zakes: "akhonto ibuhlungu more than ucapkelwa ngabantwana bakho. Like a blade seeping through my heart.." Luks: "Lubabalo doesn't hate you. He's just.....well.....yeah he probably hates you. But that's just his nature, unjeya kumntu wonke aqala udibana naye, so get ready for endless reminders of his trust issues." Zakes: "okay." he started the car and drove to Dwesi. Luks: "uhm... Tata." Zakes: "what." Luks: "she's gone." Zakes: "gone where?" Luks: "she left months ago with half the money." Zakhele's expression changed. Luks: "wait Tata. If the police find you, then you'll be charged and arrested." Zakes: "that is why I'm here. Ndithe ndizolungisa Izinto Lukhanyo." Luks: "what?" his heart fell with a thud. Zakes: "There's something I have to tell you."

Chapter 647

Luks: "you can't do this Tata. We'll find a way around it." Zakes: "Lukhanyo, when the authorities find me, they will take me from you by force, its better this way, uzayondibona whenever you like, maybe ndihliselwe nes'gwebo Sam." Luks: "but I just....k Tata." Zakes: "suqumba Lukhanyo. You have Lubby and Luzuko to keep you company." Luks: "andiqumbanga Ta." he took out his phone and clicked on it. Zakes: "wenzanton." Luks: "tracing Lihle. She's.....in Motherwell. Masambe." Zakhele drove to Motherwell. Zakes: "uyothini pha." Luks: "ndifun cela uxolo." Zakes: "like I said Lukhanyo. When you are ready to fully let go." Luks: "I am ready, ndidikiwe Tata kuhleli nje ndinomsindo, ndidikiwe kufelisha kabhlongu kutyeka ndilile. its enough." Zakes: "okay." Luks: "will you see her?" Zakes: "if uyafuna." Meanwhile at the house I just woke up from my nap. My mother had Lubambo in her arms, encokola. That was soo sweet. Ma: "ndik'vulele amanzi sisi, ambovasa. Sendim'qibile lo funa uncanca qha." I took Lubambo and fed him. Me: "maybe ndizohlala mama, for sometime aphe ndlin." Ma: "kukokwenu apha Lihle. Kunin sikucinga ntombi sihlale sibene sthukthezi noNamhla." Me: "yuh mama so much has happened yeva." I couldn't tell her I was kidnapped, tainting Lukhanyo's image to her again I couldn't do that. Peace was all that mattered, the past was the past. Ma: "hmm.....hayi ke uzokhe undibalisele." I burped the baby and handed him back to her. I went to take a bath and came back out to dress. A long white and blue dress since it was hot. In the bedroom plumping my curls up and down. No make up.

Someone knocked on my bedroom door. Me: "ngena." Lukhanyo walked in. Luks: "hi." Me: "hi." I was over the little fight, honestly. Luks: "look Lihle, ndicela uxolo. For everything and I guess the reason bendifuna ungonwabi was because mna andonwabanga kuba undishiyile." Me: "no Lukhanyo Nguwe washiya mna." Luks: "that's true, ndakushiya and you moved on. I care about you, I always will and I realize that now to care I must let you be happy. I guess what I'm trying to say is, if Lubby is the one to do that then I wish you the best. Its hard but in due time I'll be fine. But ba ibi ngomnye umntu shame ngefile kwak'dala no lie." I chuckled. Luks: "I want you to meet someone." Me: "who?" I thought he was taking me to meet his fiance. He pulled my hand. Me: "hayi Lukhanyo!" Luks: "iza mann." he dragged me to the lounge. Jongizembe was sitting there uncomfortably, with my mother who was taking lengthy breaths and an unfamiliar face. Me: "molo Tata." I smiled and shook his hand. Zakes: "molo sisi. Unjani?" Me: "ndiyaphila Tata wena unjani?" Zakes: "ndiphilile." he grinned at Lukhanyo. Luks: "linki, ngutatam lona." I gasped. Wasn't he dead?! 🤯:o Me: "Oh, I didn't realize. Ndingu Lihle mna Tata." Zakes: "I know." I

was lost for words. The things Lukhanyo told me about his father made me respect him dearly. Zakes: "sukoyika sisi andilumi. Uph umzukulwana?" Me: "Luthando uhambe no uncle Jeff, kushiyeke uLubambo." Zakes looked at Thenjiwe. Zakes: "ndicel ubon umntanam." he whispered. She handed over the baby. Zakes: "ncaaw. Hello my boy." I just stood there motionless, he didn't seem like a brutal person. neither did Lukha, nor Lubby. Well...I guess the apple doesn't fall far from the tree. Zakes: "ngathi ndizohamba naye lo. He's the cutest thing I've seen since my triplets." I faked a chuckle. Lord knows I'd put the Fed's on him. Luks: "uzabona umkhuluwa wakhe. Akagezi man uLutha. Unqanda oko." Zakes: "I'd love to meet him. Thenji, khenzi tea lady tu." she got up. Me: "no hlala mama, I'll do it." I didn't like how my mother looked, have you ever seen a black person go pale? She was clearly uncomfortable in her own house and I knew exactly how that felt. It wasn't nice. I walked to the kitchen, boiling some water. Luks: "so what do you think?" Me: "about your daddy? Looks scary." I whispered. Luks: "haha. Don't be silly. He's just a bit...unusual." Me: "hm." I took out the cups and sugar. Luks: "he doesn't drink milk." but of course. Pouring the water in the cup and taking the tray to him. Zakes: "enkosi sweetie." he finished it up while sitting Lubambo on his lap. My uncle was dead quiet, so was his wife. It wasn't even my place to ask ndavala owam umngxunyo sana. Zakes: "soon enough you'll be doing joy rides in your grand daddies Jaguar. I remember Lukha was this small." he sipped his tea. Luks: "you have a Jaguar?" Zakes: "of course I do. this is my story." Luks: "okay." Zakes: "he had fat little cheeks like this." Luks: "hayi Tata man." Zakes: "and the biggest bum too." I couldn't help but laugh. Zakes sipped his tea again. Zakes: "he used to try standing up, balancing izandla ne nyaw. Xa ephakama, Boom phantsi ngeza mpundu." Luks: "Hehake." Zakes: "awukhumbul? Oh and how could I forget when you grew a tooth. Ndandifownelwa Nango 2 eksen kuthwa you just can't stop crying. And when you started walking. Ndandine worry uzondilandela qho xandiphuma the way you were so curious." he chuckled. Luks: "but I thought..." Zakes: "you thought what? Ndakushiya pha oko and never came to see you? Mk mk mk. Ndandisiza qho." Lubambo looked at Zakes and he tipped over on his arm. He stared at his grandfather. Zakes: "these eyes. The last look Lubabalo gave me when I gave him away. He was 2 weeks and 3 days." I went back to the kitchen and started cooking our supper because this just sounded too sad, Namhla came to help me. Me: "uvelaphi?" Namhla: "ku Norooi." Me: "who is that?" Namhla: "omnye wethu endifunda naye. Nguban lo se front?" Me: "taka Lukhanyo." Namhla: "oh. Ngok akho ncoko?" Me: "erhm...andiyazi. He seems like a.....I don't know." Lukhanyo came back with the tray. Luks: "hello." Namhla: "molo bhuti." Zakes: "uuhm.....Lukhanyo." Luks: "Ta." he walked back, Zakhele held Bambo up in

the air. Zakes: "smells like beef stew.." Lubambo had his fists in his mouth, grinning. Luks: "hayi Tata. Why can-" Zakes: "do I look like I can even change a diaper? Thatha ndoda." Lukhanyo brought Lubambo to me. Luks: "mama." Me: "I'm cooking." Luks: "please." he begged. Me: "no. You do it." Luks: "but i-" Me: "nope." he breathed and rolled his eyes walking to the room again. He changed the diaper bringing him back to the lounge. Zakhele started talking to Jongizembe asking him random questions about his business. Zakes: "wena Thenji. wenzantoni ngoku." his eyes danced around playfully. Thenji: "nothing." she mumbled. Zakes: "nothing? Yinton leyo?" Thenji: "andenzi nto bhuti." Zakes: "oh. Did you miss me." she froze. I clenched my teeth. Not Now!! Zakes: "ndiyabuza." ndatshiswa ngumchamo right that second. Jeff walked in with Luthando holding his hand smiling from ear to ear. Lutha: "mama!" Me: "hey baby!!" I scooped him up and kissed him. He giggled and looked away. I missed my daughter too, but now that everything is laying out evenly, things will get better. Zakes snapped his fingers twice. Zakes: "awundiva na?" Thenji: "uhm....Bhuti this is Jeff, uhm, Jeff ngu Bra Zakes lona." Zakhele looked at him smacked his lips and lay back on the couch. Zakes: "if I wanted to know who he was, I would've asked thank you." Thenji: "the answer is No." Zakes: "too bad." Jeff: "uhm...am I missing something?" Zakes: "are you?" Jeff: "Thenjiwe?" Thenji: "hm? No." Zakes: "so Jeff, that right? Wena wenzanton." Jeff: "I'm CEO for Lubisi Project Managing." Zakes: "interesting. Didn't that company flunk a few months ago." Jeff: "because of your first born." Zakes: "hehe. Don't let him discourage you. Ufuze uyihlo. Destructive." he winked. Jeff: "I'll keep that in mind." Lutha walked into the lounge and looked around. Staring at Zakhele. Luks: "nantsi ndoda enkulu ka Tata. Come here boy." Lutha: "funi." Luks: "boy stop playing." Lutha: "Nana zam." Luks: "umshiyile nje Nana wakho." Lutha: "athathi Nana. buyi moth." Luks: "huh?" Lutha: "ambe." Luks: "izapha kum qala mothi." Lutha frowned and melted into a smile. Luks: "come on." Lutha: "Ithha nze." Luks: "ndim obiza wena." Lutha: "Hayi." he smiled. Luks: "hayi ke hlala. Nanku tamkhulu." Lutha: "Khudu Utha?" Luks: "uhm...Khudu no. 2" Lutha walked to Lukhanyo and looked at his Grandfather. Zakes: "hello." Lutha: "hm?" Zakes: "molo." Lutha shaped his mouth in a O. Luks: "u-shy ke uLutha xa ethanda. Give him a minute." Zakhele nodded and looked to the TV. This was a awkward gathering. After cooking I dished up and Namhla took the trays to the lounge. Zakes: "Lukhanyo, cela uthandaze nyana." Luks was visibly shocked he trusted his father to put him in the spotlight. Luks: "cela sicimeleni. Dear God, thank you for bringing our family together this late afternoon and blessing us with this food, may you continue to protect and guide us in Your Holy name, amen." everyone: "Amen." I took the baby to the bedroom. After dinner, Noma and Thenji washed the dishes. Zakes: "uphi

unontombi?" Lukhanyo came to call me. Me: "ewe Tata." Zakes: "that was lovely. Thank you." Me: "my pleasure Tata." Zakes: "well," he got up and took his jacket. Zakes: "time for me to go.. I hope to see these little pumpkin's more often. Thenji?" she tensed up. Zakes: "ndicel indlela." Jeff: "the door is on your left." Zakes: "in who's house." Thenji: "uhambe kakuhle." Zakes: "ndiyabulela Ma." he walked out. Luks: "ndizobuya later with Luhle Va." Me: "okay." he kissed Lubambo's forehead and walked out.

Lubby sat in his lounge floor with Luhle and Luyanda. They were watching cartoons and eating. Luya held his father's hand, sucking on the thumb with melted chocolate.. Lubb: "ndizobulawa ngumamakho." Luya: "ahhh." Lubb: "No. No more ahhh. Give back daddy's thumb." he sulked. Lubb: "don't give me that look. Yaz'bona ke." he kissed his cheek. Luhle: "Tata. Mi." giving him the jar. Lubby got a fright. Lubb: "baby what is that?!" Luhle: "hm.hm...mi. A-dudu." Lubb: "oh? How cute." he took it. Lubb: "hello Dudu." Luhle giggled. Lubb: "mi ke nawe, beke phaaa." Luhle: "Utha yeni buyi tutu. A-dudu mami ne." Lubb: "ewe mntanam." he was sleepy. Laying on the couch. Luyanda sitting on his chest. Luhle held Lubby's face. Luhle: "aview Tata." Lubb: "I love you too my angel. Awufun lala ecamko Tata." he tickled her. Luhle: "hayiii." she laughed. Lubby pulled her up to the couch. Lubb: "oko uhleli nje baby." Luhle: "andi Utha." Lubb: "okay." she climbed off and ran away. Lubb: "heey!" he got up and chased after her with Luya in his arm. Lubb: "I'm gonna get you." she collapsed on the floor and rolled over. He scooped her up and kissed her cheek. Lubb: "uyaphi mfazi." Luhle: "Athi mami Utha." Lubb: "I wish I could hear you though. Whatever it is sounds flippen adorable" they walked to the bedroom. Luzuko was on his Macbook. Lubb: "hey." Luz: "sup." Lubb: "wenzan." Luz: "just catching up on something. You?" Lubb: "trying to keep these two calm. Every five minutes Luhle up's and leaves." luzuko smiled. Luz: "awukaboni nto. There's usually 2 of them. Running in different directions. You still lucky." Lubb: "haven't slept since I got here." Luz: "lala." Lubb: "nah..I missed these angels of mine." he lay on the bed. Luhle sat on Luzuko's lap. Luyanda stuck to his father. Lubb: "zolala soon Le. Fana no Lubby Jr, hleli nje ulele." Luz: "andiyazi ndizoth bafuze ban because you never sleep." Lubb: "I actually do. Believe it or not." Luz: "where do you think Lukhanyo is." Lubb: "with his father." Luz: "his?" Lubb: "Luzuko ndakhuliswa ngu Sebastian Morrison mna HE is my father, just because now all of a sudden this nigga decides to come back, don't mean I'm gonn dance to his tune." Luz: "I know how you feel but lets give him a chance." Lubb: "he has to work for my trust." Luz: "Lubby come on fondin." Lubb: "nahh if you want to boogy with him don't even mind me." Luz: "mxim." Lubb: "I'm not hanging myself on the washing line ecamkwe gwexamsi because of him. Sorry." Luz: "I get it." Lukhanyo

walked in. Luhle: "Tata!" Luks: "hello Bubu-bear!" she hid her eyes. Luks: "molwen."
Lubb: "supp..." Luz: "hey." Luks: "Lubby.." Lubb: "I have a feeling you want to bribe
me." Luks: "I do not." he smiled. Luks: "uhm. So I invited Tata for a couple of days."
Lubb: "to stay here?" Luks: "yeah." Lubabalo held his temples with two fingers each,
closing his eyes. Luks: "please?" Lubb: "Lubby, calm yo tits. Soothe your boobs. Relax."
Luzuko giggled. Lubb: "ok." Lukhanyo took Luyanda from him. Luks: "oh and, if its
not too much trouble. Please take Luhle to Motherwell." Lubb: "k." Luks: "cheer up
kalok." Lubb: "no." Luks: "he won't bite you." Lubb: "he won't bite? No shit." he
walked out. Zakes: "Lubabalo." Lubb: "no." Zakes: "list-" Lubb: "Do Re Mi Fa So not in
the mood for this shit right now.." Zakes: "will you just listen!" Lubb: "so you can sell
me fake dreams? I don't think so." Zakes: "ndiyayaz ba awundifun apha, ndifuna
ukwazi nyana. Cela undinike elithuba." Lubb: "don't....please." Zakes: "Lubabalo." he
warned. Lubb: "see? Nantsoke you're like a ticking bomb. How in the world can I
trust that, naw.... We don't play that game." Zakes: "ndizohlala apha and try the best I
can until my time is up and I leave. I hope by then We'll have sorted us out." Lubb:
"don't get impatient if that takes too long. I'm not used to drinking bull if it tastes too
bitter." he walked to the bedroom and got himself ready Lukhanyo brought Luhle and
her bag. Lubb: "thanks." Luks: "its getting dark." Lubb: " I haven't rested all day oh
and Lungelo is on his way with the twins." Luks: "I'll take care of them." Lubby
walked out to his car. He buckled Luhle and drove to Motherwell. It took him 20
minutes because he was still a bit sleepy.

He parked the car and took out his phone to call Lihle. She answered on the 3rd ring.
Lubb: "mntu wam cela uphume ndilapha phandle. Brought you a pressie." Me:
"hmm....ngoku ndisezinguben." Lubb: "come on..." Me: "give me 10." Lubb: "no, don't
fix yourself, iza qha wena." Me: "fine." I got out of bed, Lubambo was asleep with my
mom. Lutha was with Jongizembe in their bedroom.. I wore a jacket and walked out
to the car then got in. His seat was laid back, looking sleepy. Me: "bukhe walala phof."
Lubb: "no. Ndingalala njani ndifike kukho esis'gibhiri somntu." Me: "your dad?" Lubb:
"yeah. Its like he expects me to welcome him with hugs and kisses." Me: "look, I've
been in a similar situation. I know its hard to just accept him in your life and trust
him. I felt that way about my dad too. But I let him in because he hadn't given me a
reason to hate or not trust him." Lubb: "I'm happy for Luks baby, he's bonding with
him and that's quite good, but mna ndigrand shame." Me: "don't be so hard on your
dad Lubabalo. He probably has his reasons. We're living on borrowed time, don't
carry unnecessary resentment." lubb: "I don't resent him. I'm just a bit shocked and
having a hard time to accept that he's alive." Me: "just one chance. He seems
interesting." Lubb: "interesting is a bit of an understatement if you ask me. He's

daring." Me: "like someone I know." he looked at me with his sleepy eyes. Lubb: "khand'phuze." Me: "andifuni." I looked in the back and saw my angel fast asleep. Me: "ncoow bethuna umntanam!" Lubb: "how is Lubby Jr." Me: "he's okay, shame ulele." I kissed Luhle's face. Lubb: "I haven't been away this long from him ever since his birth. Feels so unnatural. Can we go out tomorrow?" Me: "where to." Lubb: "house hunting baby. Le yam indlu has got everyone in it. Living with the bro's now." Me: "that's not necessary yet." Lubb: "okay then, Wednesday I'll go to Cape Town. I need to see J. Make sure he's okay." Me: "undibulisele wethu. I wonder how he's holding up, I just can't imagine how it must feel to lose your bestest friend..." Lubb: "hm...." he closed his eyes. Lubb: "probably the most painful thing ever." Me: "come in." Lubb: "Yoh your mom will chase me out with a broom and spade. Thank you.. Nah." Me: "balele. You can't drive back usozela kangaka." Lubb: "phuze qala." I kissed his cheek. We got out the car and went to the house, I locked behind us and went to our room. Lubb: "uph uNamhla?" Me: "utakile. She'll be back eksen." Lubb: "who else is here?" Me: "Malume." Lubb: "shit." Me: "shhh..." I undressed Luhle and put her in bed. Lubby undressed and crawled in next to her dozing off immediately. I took off my clothes and went into bed. While I lay there in the dark trying to fall asleep my phone beeped a message. I ignored it. Again it beeped. Lubb: "you gonn get that?" I took it and read the message. Ndomelwa ngumqala. "I need your help." I stared at the message. I didn't know this number. I replied: "unguban?" 2 minutes later another message came in. I stared at it locked my phone and covered myself. What the hell does he want Now!

Chapter 648

Luhle and Luthando woke up just minutes apart. I was making breakfast, my uncle brought him to me. Me: "morning my pumpkin." Lutha: "amuu." I chuckled walking to my room, Lubabalo was still asleep. I lay Lutha on the bed next to him. Luhle was sitting on his chest. How could he not wake up? I tip toed out, uzozibonela ngezi zimbini. Zovuka engathandanga. Luhle: "Utha.." she pulled him closer. Lutha: "Tata ele." pointing at Lubby. Luhle bent down and smothered his face with kisses. Lutha tickled his chin with his little fingers. Lutha: "Tata.." Lubby opened his eyes staring at the 2 bubbly faces smiling from ear to ear. Lubb: "hello my babies." Lutha: "Aview!!" Lubb: "ncooh. Aview too." Luhle: "apiz amama." Lubb: "no funa hlala nawe mna. Khumbula mos." Luhle: "hm?" Lubb: "hm.hm." Lutha reached over on top of him on the dresser and took his phone. Lutha: "nazi." Lubb: "bikhala mntanam?" Lutha: "hayi." sliding off the bed with the phone. Lubb: "okay." Luhle was pouting, laying on

her stomach, playing with her fingers. Lubb: "honey." Lutha: "Ani!!" he jumped up and held on the bed attempting to climb back on. Luhle pulled him. Lubb: "Ani? Nguban lowo." Luhle: "athathi Utha Tata!" she snapped. Lubb: "mpa." tickling her foot. She giggled and crawled away. He pulled her foot again. She laughed uncontrollably trying to catch her breath. Lubb: "izapha?" Luhle: "funi." he held her up in the air. Lubb: "awufun." Luhle: "Utha!" she screamed. Lutha looked at her smiling. Lutha: "Nana!" Luhle: "athathi!" Lutha: "Ithha!" I walked into the room. Me: "ingxolo engaka. Molweni." Luhle: "mama!" Lutha ran to me with his hands in the air. I picked him up and threw him on the bed. Hopping on next to Lubby and Luhle. Lubb: "morning." Me: "hello." Luhle kissed my cheek. Me: "so ndivile uyakwazi uthi you love me." she smiled stepping on to my thigh her arms around my neck. Me: "ndimamele ke baby." Lubb: "did you know they had a pet worm?" Me: "yep, uDudu." Lubb: "andothuka man. Why not a cat or dog or something." Me: "come on, they love Dudu." Lubb: "urrg..." Lutha: "A-dudu!" Lubb: "okay. Dudu it is. Khona kuthen izoba ngu Dudu?" Me: "uzundibuze. Breakfast?" Lubb: "yes please. Uze nezabo." Me: "have you tried feeding two little lion cubs?" Lubb: "no." Me: "you don't want to." Lubb: "come on they not that bad. Ne babies?" Luhle smiled sweetly. Lubb: "see?" Me: "you asked for it." I went to the kitchen, took his plate, made Luthandoluhle's porridge and went to the room. Giving him the tray. Me: "good luck." I left them to feed Lubambo. Lubb: "okay. So here's what we gonn do. You're going to eat first. Right? Then once you're done, I'm gonn eat. Yes?" Lutha: "yhes?" Lubb: "good." he took the first bowl. Lubb: "say ahhh." Lutha shook his head. Luhle too. Lubb: "okay. Uhm.....brrr brr Brrrrr.....here's comes the train?" Luhle giggled. Lubb: "chooo chooo! yum yum!.....choo choo! yum yum! Ahhhh" Lutha: "ahhh!" Lubby put the spoon in his mouth. Lutha held it in. Lubb: "uhm okay. Khupha kalok." Luhle put her fingers in the bowl and licked it off. Lubb: "Luthando!" Lutha: "hmm?" letting go. Lubby fed them finished with a bit of struggle. Then took his breakfast. They sat next to him and looked at his face, grinning. Lubb: "nistout yazi. Honestly, that look." Luhle took the sausage and bit it. Luhle: "mi." handing it to Lutha. Lubb: "did you jus.....share my food?" Luhle looked again for another. Taking a piece of bacon. Luhle: "aview Tata." Lubb: "I love you too angel kodwa yandityela." they ate the breakfast with him and lay on the bed. I walked in with Lubambo. Luhle: "Bambi!!" Lutha picked himself up to get ready for a kiss. Lubb: "nantsi Nkosi ka Tata. Babes, khandiyive ke breakfast yam, because my twins ate it." Me: "I told you." Lubb: "I have to go check on Babalo noBuhle in the house, bafike late izolo." Me: "okay. You're melting." Lubb: "I was tired izolo and taking strain, I've rested and thought about it maybe it wouldn't be so bad that I gave him a chance." Me: "I'm proud of you baby." Luhle: "beby!" she giggled. Lubb: "so...love, who was sending you messages last night." ndothuka. I didn't expect him to ask that. Lubb: "hm?" Me: "ngu Sbosh love." Lubb: "then why do you look shaken?" I couldn't tell him who it was. Angaphambana abeligeza. Me: "I do not look shaken." I chuckled. Lubb: "you're nervous Lihle. Who is it." Me: "I just told you Lubabalo." Lubb: "you're lying to me. Am I that much of a psycho ude ungafun undixelele inyan?" Me: "no. This is the truth nje." he looked at his son and ignored me flat. He looked worried but hid it well. I'm sure he thought it was Lukhanyo. Which it wasn't. Me: "ngu S'phelele." Lubb: "nguban lowo." Me: "uSporo." Lubb: "Sporo?" Me: "from eMonti." he stared at me. Lubb: "the same Sporo that kidnapped you while we you were pregnant with my son?" Me: "he took care of m-" Lubb: "don't. Lihle, do not! Why would he kidnap a pregnant woman! That's just sick!" Me: "I won't speak to him again." Lubb: "how does he have your numbers?" Me: "I don't kno-" Lubb: "oh? You don't? Okay." Me: "babe." Lubb: "nah, tell him, I said. If he knows what's good for his sorry ass. He will..stay the hell away from my family. Ne Lihle?" Me: "yes." Lubb: "he killed my friend. What if you had lost the baby?" Me: "but I didn't Lubabalo. Sporo took good care of me! He didn't want to hurt me, he fed me and made sure me and Lubambo were comfortable!" Lubb: "so that makes you text buddies?" Me: "we're not text buddies! khandimphendule." Lubb: "MrKidNapYoGirl_305. He's yo text buddy." I smiled and laughed. Lubb: "so you think its funny? Wow. Yam'va Luhle?" Luhle: "avi mama." Lubb: "akeva mamakho." Lutha: "Eva." Lubb: "but for real babe, stay away from this guy. If he can steal you once, he could do it again. I personally would go into cardiac arrest. If that were to happen. Ndiqhaw'ke nesinqa." I giggled. Me: "you are stupid." Lubb: "let me get going." he kissed my lips and stood up. Giving me a sleepy Lubambo. Lubb: "I love you Lutha." Lutha: "aview!" Lubb: "I love you Luhle!" she pouted her lips. Lubby kissed her. Luhle: "avview!" he got dressed. Lubb: "I love you Kumkanikazi." Me: "I love you my King." Lubb: "and then There's prince." he kissed Lubambo. Lubb: "I love you too Lubby Jr." Me: "bye daddy. Undiphuzele." Lubb: "will do." he walked out to his car and drove home. Zakhele was in the garden with a cup of tea. When he drove into the driveway, parked his car, walked to his house. Zakes: "uya outer ngok kwedin." Lubby stopped and turned to look at him. Lubb: "I was too sleepy to drive back." Zakes: "hmmm." Lubb: "uphi uLukhanyo?" Zakes: "took the girls out." Lubb: "oh." Zakes: "iza nomhlakulo senze Le ghadi." Lubb: "hell naah. Someone will come do it tomorrow." Zakes: "Bring the damn thing." Lubby went to fetch the gardening tools. Lubb: "here you go. Bye." Zakes: "heey! Izokwenziwa Nguwe lento. Come, qala

ukhuphe la weed." Lubb: "excuse me?" Zakes: "get a move on boy." Lubb: "Tata, do you understand these Jordan's cost more than these tools and garden put together?" Zakes: "but you can afford it right? Come." he pulled his arm. Lubb: "can I at least were gloves?" Zakes: "gloves are in the kitchen, used by women." Lubby bent down and helped his father do the garden. Zakes: "let me tell you a story." Lubb: "let me die..." he mumbled. Zakes: "when I was a young boy, k'la farm ka Tata. Zolani used to wake up before me ayozingela. Abuye and brag in my face about how fun it was, nam ndandi bawa because I saw he was happy and always in a good mood. Mama would go do her things. Ndivuswe ngu Tata mna. Yuuh! I hated it. I had to clean up the entire yard and feed the chickens. So one day." Lubb: "can I guess?" Zakes: "no, one day I woke early, ndaya kqala ehlathin. Ndishiye uZolani." Lubb: "that was my guess." Zakes: "xandifika pha, I realized I didn't have the equipment or what it took to be able to know kwenziwa ntoni pha. So I walked around, took a nap. Ndaphola. A hyena appeared. Now, khumbula ba andinanto, ndim ndodwa. I wasn't prepared. Bendisendiyaz ba izonditya ndiphele. I lost all hope. Luckily kwafika uZolani notata and killed it for supper." Lubb: "I'm intrigued." he rolled his eyes. Zakes: "it might not be a juicy story but there is a lesson to it. Umona awenzeli mntu nto. I was jealous because I saw Kumandi ku brother wam, he never told me about the dangers or warned me about the animals there, I just assumed it was all fun and games because he was always happy. Until I went in and saw for myself. Same goes for you. Don't get me wrong, andiku judge(I) but correct me if ndithethi kaka, wabona kumnand emtshatwen ka Lukhanyo wano Mona." Lubb: "can I say it?" Zakes: "by all means." Lubb: "uthethi kaka. I didn't first see umtshato, I first laid my eyes on Lihle and fell for her." Zakes: "either way. Now that you have been given a go ahead, don't fuck it up. Go there prepared. Knowing what to expect and have the guts to stand for it. You say you love her? Stop rubbing it to everyone that asks, prove it. Make it real not perfect. In the end, it'll be worth it." Lubby smiled shyly. Lubb: "thank you." Zakes: "my pleasure." they carried on their work until Lubby went to shower. Lubb: "nah, I can't do this mna Tata, I refuse to smell like a blocked drain and tropical forest. Ndiyo vasa." Zakes laughed. Zakes: "mxim."

Lukhanyo and Luzuko were carrying Babalo and Buhle in their Kangaroo carriers. Lukhanyo pushed the trolley. Luz: "what you cooking for dinner?" Luks: "roasted turkey and veggies, I'll do it. Sisaya k'la plek?" Luz: "the Christmas party? Hell yeah! But its a costume party though." Luks: "haha. Mxim. We going as the fantastic 3 right." Luz: "4. NoS'fiso uyeza." Luks: "fondin, uphi uTee?" Luz: "she's in Bloem with her mother." Luks: "and your mom?" Luz: "she wants to come down." Luks: "and..." Luz: "Lukhanyo. Kukho uTata. Did you hear what he said?" Luks: "oh come on bra,

Tata always says empty threats." Luz: "I can't risk that, I love that woman bhuti, noba she stole me, but she raised me and loved me unconditionally I never for once in my life felt like I wasn't her son. I can't find it in my heart to despise her although I'm disappointed." Luks: "ndizothetha notata. I'll make him understand. You need to speak to your mom nyana. Its been months, do you realize how hurt she is k'le ndawo akuyo." Luz: "and you? Uphi uLisa?" Luks: "she went to her family. Umke singavani ncam. But at least she said goodbye." Luz: "Lukhanyo, do you love Lisa?" Luks: "yes I do. If I didn't ngendimke kdala pha. I want to make us work, I just need her to be patient." Luz: "what happens if she finds out you fuckin around?" Luks: "but I'm not fucking around." Luz: "hmm....Neyney, Tammy....need I continue." Luks: "hayi Luzuko don't talk ububhanxa apha, we were just chilling. And talking and probably kissing that's it." Luz: "so you didn't tap." Luks: "not at all! Hayi noko Luzuko. A little faith." Luz: "okay then. I hear you." his phone rang. Luks: "siyaphi after this?" Luz: "just a second. Hello?" Caller: "Luzuko." Luz: "mama." Caller: "I'm at the airport sweetheart, I have to speak to you." Luz: "mom, you didn't tell me you were coming!" caller: "well I'm here now so..." Luz: "okay. Give me 30 minutes then." he hung up. Luks: "now is a good a time as ever." they went to the till to pay. Luks: "why you nervous?" Luz: "awumazi umama Lukhanyo. She just expects a lot from me. All the time." Luks: "every parent does." Luz: "but at least she'll be happy the girls are gone and I'm surrounded by babies." Luks: "see? Go get your mom, ndizoya ku Tata mna and talk to him before you arrive.." he called Lubabalo. He answered. Luks: "khazond'landa Bafo man ndilapha eWalmer. Lusko uhamba ne moto." Lubb: "ba ndithe andifuni?" Luks: "I don't think you got much of a choice. Iza man, the kids are panicking." Lubb: "ndiyeza." he hung up. Luks: "he's on his way." Luz: "lomntu usuka eMotherwell? Driving like a granny?" Lukhanyo laughed. Luks: "Lubby does not drive like a granny." he giggled. Luks: "he drives like a turtle." they laughed. Luz: "so you're cool with it?" Luks: "No, I mean he slept the fuck over! But ndithe ima let it go. So ndithule." Luz: "you're not really pissed off aren't you." Luks: "let's just say, situation is leveling down now. Although it'll take some time." Luz: "I'm glad." 7 minutes later Lubby arrived. Their jaws dropped open. Lubb: "you're attracting flies ladies." he hopped out pulling up his sagging pants.. Luks: "how did you...." Lubb: "I don't cruise control, I control my cruise." Luz: "Bafo, I retract my statement from earlier." Luks: "same here." Lubb: "what statement?" taking Buhle from Luzuko. The baby curled up in his arms, still dozing peacefully. Lubb: "nibenze ntoni abantwana bam, kuthen belele kangaka nje." Luks: "it was Luzuko's idea." Luyanda was left with Zakhele. Luz: "I have to go. Ndilindiwe airport." Lubby gave him the Benz keys and he left. Lubb: "where to now?" Luks: "we're shopping for the kids. Then going out for lunch how's

my sons." Lubb: "Lukhanyo bastout abantwana bethu sani. My Gawd.." Luks laughed. Luks: "I should've warned you but then again. Naahh..nam bendikwi struggle ngonxibisa aba." they loaded the grocery in the car and walked back to the mall. Lubb: "my parents are arriving later on today." Luks: "and Luzuko's mom is here. Funeke sithethe notata, before he strangles her." Lubb: "you think he wasn't kidding?" Luks: "you never know with him. Damn. Andazi noba ndizomqala ngaphi." Lubb: "We'll figure something out. This is cute." Luks: "haha, Luthando will never wear that." Lubb: "why?" Luks: "have you seen Lutha play? He needs something like i-overall." Lubby laughed. Lubb: "he's a boy, what you expect. Okay, this ke?" Luks: "better." he chose dresses for the girls and shoes. Lubby took for the boys. Chumani and Drew, Luyanda, Lutha and Bambi. Luks: "for presents Siya kwa Reggies, I need to get some for Lukha Jr. Mntana ka Sindiswa." Lubb: "when is he turning one?" Luks: "next month." they paid at Woolworths and went to Markhams to shop around for themselves. Buying 3 matching clothing at a time. Cashier: "sinazi njani ke thina ba ngowphi owphi?" Luks: "uyow'cingi cebo kalok sweety. By the way my name is Looks, this is my brother Loob. There's another one. Yena ngu Looz." cashier: "ncaw. That's cute, and their names?" Lubb: "we still have to speak to dad before siphole." getting in their car. Luks: "you're right. But lunch is still on you." Lubb: "whatever bra. What you getting me for Christmas?" Luks: "Love, that's what I'm getting you." Lubb: "oh? I guess its goodbye to the Triple L yacht then." Luks: "WHAT!!!!!!" he screamed. Lubby brought in the shopping bags and started on preparing lunch. Luks: "Tata, can we talk." Zakes was sitting in the couch with Luyanda. Zakes: "yes?" Luks sat next to him. Luks: "uhm.....promise me not to freak out." Zakes: "ndizoyenziswa yinton lonto Lukhanyo. What did you do." Luks: "well.....we invited Luzuko's mom fo-" Zakes: "that witch is not his mother! Luzuko's

mother is Nokukhanya. Not la rubbiskazi yesela!" Luks: "Tata ndiyakucela, Luzuko loves her because she raised him. Even he says it, not even once has she made him feel like an outsider, she loved him like her own son. Please accept her apology Tata. Ndiyakucela." Zakes: "unotshe!" Luks: "Tata! Luzuko is a great person. Uyambona mos ukhuliswe kakuhle." Zakes: "does it look like I'm stressing, point of the matter is. She Stole my child." Luks: "please forgive her." Luks: "like I mourned you...kodwa usaphila. And I have forgiven you." Zakes: "okay fine!! But she must not try her luck. Just because I will be tolerating her, don't mean we friends. Angathethi nam, angahleki jokes zam. Angamameli story zam. She must just stay away!" Likhanyo laughed. Luks: "I'll make sure she gets the memo." he got up and went to the kitchen leaving the twin girls with their brother and grandpa. Luks: "Lubby." Lubb: "hm?" Luks: "ndicela undixelele inyani ne." Lubb: "okay." Luks: "what is it that you have on Lisa." Lubb: "nothing Likhanyo. She's your fiance you know everything about her." Lubb: "I told you before Bafo," Luks: "tell me again. How do you know her." Lubb: "she was married to Victor's other friend, uSivuyile they own a company together." Lubb: "Likhanyo why don't you talk to her about this?" Luks: "because Lubabalo you're my brother and suppose to tell me!!" Lubb: "I thought you knew." Luks: "she did not tell me that!" Lubb: "oops." Bethwa ngumoya. Ndizabajonga aba." Me: "enkosi mama." I went to go bath and take out clothes. Nothing fancy, just ripped skinny jeans and a white vest. I fixed the hair, applying something to moisturize my face. My foundation. Then started with the nose, applying a little darker one to make it look pointy. I applied powder on my entire face and then did the eyes, liquid eye liner at the bottom and top of eye then mascara. Nothing too much. Small amount of lipgloss too. Ma: "heeeeeee." Me: "yuh mama, ndaqibela nin uzinxibisa." Ma: "umhle mntanam. Jealous down. Funeke wombathe ke sisi." Me: "ewe ndizonxiba isilamba mama." she just stared at me and smiled. Ndaske ndablusher, you know that thing parents do, they just stare at you with that cocky smile. I took out black suede ankle boot wedge. Wore some bangles. And a small white scarf. I took my phone and sat down to call the King. It rang twice then he answered. Me: "hello?" Lubb: "hmm." Me: "you're still asleep??" Lubb: "headzache." he mumbled. Me: "why would you have

a headache so early and why didn't you answer my calls last night.." Lubb: "thing is bae, I went to a party. We were the fantastic 4 dressed in the...uhm....the.....the costumes. And then.....we were dancing.....on the other table, so.....my phone was in my pants and.....I kind of forgot baby, uphi?" he was Still drunk! Me: "so your pants were off?" Lubb: "huh?" Me: "Lubabalo usanxilile. How can I talk to you like this?!" Lubb: "whaaat. Baby I am not drunk. I'm just.....I'm sleepy that's all." "hey angel!" I heard in the background. Lubb: "Tammy Lukhanyo is in the kitchen, I'm tryna talk to my wife." she: "sooo...." Lubb: "yaqhela ke lomntana bonanje. Baby uphi tu." Me: "I'm going out." Lubb: "excuse me?" Me: "I'm going out Lubby, with a friend." Lubb: "what friend hun?" me: "just a friend. I'll call you later." I hung up. Taking my old bag which had most things, like my licence, I.D and other documents. walking to the twins. Luhle: "mama." she was less excited. Me: "baby yam, what's wrong." I kissed her chin. Luhle: "aphi." Me: "yabuya mama Va." Luhle: "hayi..." Me: "ndizobuya kaloku mntanam. Uphi uLutha." she clung on to me. Me: "sweety kaloku." Luhle: "a.a." Noma came to fetch her so I could slip out. My heart wasn't in the right place. So I should quickly come back. Outside the hired car was there with the driver, he ate with us but went home to sleep at night abuye eksen. So here he was ready. Me: "uhm....Clive, can I borrow the car." Clive: "yes madam, you in back seat. Clive drives." Me: "haha, yeah, how about Me drives, Clive in house? Huh? I'll pay you." Clive: "but the boss-" Me: "No sir, he's not your boss. The lady wants you in the house, keys?" he got out the car and handed me the keys. Then walked inside the house sitting in the chair. I drove to the address, playing some music. Sporo was already waiting. I wore my biker jacket got out the car and walked to him. Yep, he needed change. Drastic change. Me: "hello." Sporo: "hi." he smiled. Sporo: "you look nice." Me: "enkosi." Sporo: "so...Unjan ubaba?" Me: "he's great. 1 month and a week." Sporo: "wow." he walked inside ndangena. Me: "first things first, iyabanda lendaw." Sporo: "I kind of noticed. But uhm....funeke sikhangele an aircon. Then nice chairs for abantu balinde." Me: "and paint." Sporo: "which color?" Me: "something for people to feel relaxed in, not dark dungeon colors. Maybe blue and white." Sporo: "I like black." Me: "I don't think people are comfortable with black." Sporo: "okay, dark blue." Me: "just normal blue." Sporo: "what about red." Me: "Siphelele!" Sporo: "okay blue. And my chairs?" me: "We'll find nice chairs in Walmer. Have you started?" Sporo: "we're open." Me: "Siphe, look at me. People do not know you, abantu aba-need imali are mostly older women and men to support families, worse ngoku Christmas is around the corner, kukho imigidi, iiparty, iimpahla, you need to look trustworthy." I walked out he locked and we drove in our separate cars to start with ordering his chairs, and the paint....

Lubabalo woke up. He was still fully clothed, but had a raging headache. Lukhanyo was still sleeping Luzuko was in the other room with someone. Lubby went to the kitchen and drank water, making food then going back to Lukha. Lubb: "bruh." Luks: "what?" Lubb: "Tammy came in here ekhangelana nawe. Wenzan nalamntana." Luks: "nothing, we just Chilling." Lubb: "oh." he bit his apple. Luks: "what's wrong." Lubb: "its nothing." Luks: "come on, talk to me." Lubb: "no its fine. Its nothing really." Luks: "Lubby you know we're chill, talk." Lubb: "well, Lihle called and said she's going out. With a friend." Luks: "ja so." Lubb: "she didn't want to tell me who." Luks: "big surprise. You ignored her last night." Lubb: "when I was there, Sporo sent her a message. Do you think maybe...." Lukhanyo's eyes shot open. Luks: "ubani!!" Lubb: "yeah....I don't have proof but I have this feeling." Luks: "and You're still sitting here!" Lubb: "I don't wanna look petty and clingy, invading her space like that. She has the right to enjoy herself." Luks: "problem with you is that you're too fucking soft." Lubb: "its not about being soft Lukha. I just feel differently." Luks: "yeeses kwedin." he covered himself with the duvet, boiling.. Lubby called Lihle again. She didn't answer. And again. Still. Lubb: "okay now, I'm panicking." Luks: "about fucking time." Lubby went to shower, Luks went to brush his teeth. Lubb: "2pm sine appointment ne. For the yacht purchase, I need your signature." Luks: "mine?" Lubb: "yes, yours. Inkulu qha leyana man, but you'll see for yourself." Luks: "when did you do this?" Lubb: "yesterday before we left for the party." Luks: "damn Bro. Thanks." Lubb: "yeah well....for 2.6 mil, I'm gonna need a shot a or two.." Luks: "we're still going to cape town tonight?" Lubb: "Yes! Ndifuna ukusa eMavericks brada. Candy's is nice, but Mav's bruh....mxim." Luks: "haha, usese ngxakin ke wena. I don't know what you talkin bout." Lubb: "Eish Lukhanyo..." he got out the shower. Lukhanyo ran his bath. Lubby went to dress. Lubb: "ndik'linde?" Luks: "no. Go." Lubb: "is that a no go? Or No you can go." Luks: "both Lubby tsek!" he laughed. Lubby checked his emails. Bill Sangane was in the country and wanted to meet up the next day, he would have to choose the place. Another email from Tuarez Hank, inviting him to Mexico for business. Lubb: "Lukhanyo!!!!!!!" he yelled. Luks: "yinton ngok!" Lubb: "we're going to Mexico!!!!!!!" Luks: "whooooooo!!!!!!!" he screamed. They celebrated for a couple of minutes. Luks: "why?" he breathed. Lubb: "you're a fucking idiot." he laughed. Luz: "what happened!" Luks: "we're going to Mexico!!" he beamed. Luz: "Yeeees!!!!!"

Whyy???" Lubb: "business Bro, funda Le email. Reply with accepting and confirm the date. I have to go to Walmer ndisaya ebankeni. Do you need anything?" Luks: "Mexican hats. Luzuko is gonn teach me Spanish. How do you say hello?" Luz: "hola." Luks: "haha, that's gangster." Lubb: "okay, don't get too ahead ne, nam ndifun u-imprensa." he walked out to his car. Driving to the bank. His accounts were with Merchant Banks only simply because the commercial banks didn't handle billions. But his one investment account with Standard bank had accounted a problem. He still had to come back and go out with his brothers and the babies for Daddy day. Joined by Phila, Losta and Somasonwabise, Luthandoluhle, Lubambo, Tia and Siphe (Soso's daughter.) also Thulani, Junior and Chuma. He got into the bank and waited in the queue. Thinking about the Mexico trip. An international business proposal, was it the right thing for him at that moment? But there was 3 of him so work could be divided. His turn arrived and he quickly sorted out the problem. Signing and filling in endless forms. Lubb: "andise Lambe Nkosi yam isusu Sam side sayi holo." he mumbled. Lubb: "is that all?" lady: "please sign apho ezantsi and I'll print out your copy." he signed and gave it back to her. She took another 10 minutes to give his copy without even an apology. He stared at her, annoyed, irritated, agitated. Grinded. And pissed off. Lubb: "how long does it take to print a 2 paged form?" Lady: "we had a pro-" Lubb: "fix it." he walked out to the mall, hungry for some breakfast. A familiar someone walked out of a store. He smiled. Lubb: "tshin umntu wam." she was smiling as she walked out someone followed right behind her. Lihle: "okay so this is where my work ends. Good luck." Sporo: "thank you so much. I owe you." Lihle: "I'll keep that in mind." she turned and bumped into Lubby. Lihle: "baby." his eyes were straight at Sporo. They stared at each other for a long time. Then broke eye contact. Lubby looked at Lihle. Lubb: "somebody please explain to me. What the fuck is this..."

Chapter 650

Me: "babe, Siphelile asked me to help him with something. His business needed a 'pick me up'. So we went shopping for furniture." Lubb: "what did I say to you?" Me: "that you want him to stay away. Lubb: "and what'd you do." Me: "I helped him with something." Sporo: "feth-" Lubb: "don't....I don't like making scenes, so before I damage your face. Leave." Me: "haibo Lubabalo." Lubb: "no Lihle. You lied to me." Me: "I didn't lie! He is a friend." Lubb: "when I told you to stay away, you didn't! That's false promises, its lying!!" Me: "I'm not gonna do this with you right now." Sporo: "Lihle." Lubb: "uselapha??" Me: "its okay Sporo.." Sporo: "you gonn be fine." Lubb: "she's with her fiance. Do the math." Sporo walked away. Me: "that was

unnecessary." Lubb: "mxim." he walked away too. I walked to him. Me: "Lubabalo!" Lubb: "how would you feel if I lied to you and started hanging with women you don't want around me? How do you even begin to befriend your kidnapper! Someone that kept you hostage, just for money!!" me: "calm down!" Lubb: "I will not calm down!!" he roared. Me: "you're causing eyes Lubabalo!" Lubb: "my wife is out here gallivanting with kidnappers! That's what's causing eyes!" Me: "Sporo is not a bad person Lubabalo just give him a chanc-" Lubb: "over my dead body! Andifun uxabana nawe Lithembelihle. Stay away from that man!" Me: "you can't choose my friends for me Lubabalo. And why are you following me?" Lubb: "following you? How would I have known you're here! You hung up on me! So you could run around with your serial killer friends!" I walked next to him quietly. People were starting to look. Lubb: "sorry for yelling." Me: "who was in your room this morning. The girl calling you angel.." Lubb: "baby. Listen." Me: "OH? Now I must listen xa inguwe!!" Lubb: "baby, Tammy is Luks' friend! Behleli naye." Me: "behleli naye in your room!!" Lubb: "no, baby, at the party mna ndiye ndozela sagodukeni sonke. I fell asleep." Me: "but she was with you xa uvuka." Lubb: "because Lukhanyo beleli camkwam." he cringed. Nothing had happened but it sounded wrong. I just stared at him, he looked back with a dumb face on. Me: "mxim." I walked back to my car, I parked in underground parking just because I didn't want sun and it was dark.. I knew him when he was lying, but now he wasn't. He was just caught in an awkward moment.. Lubb: "babe?" I unlocked the car, throwing the bag in the boot. He grabbed my arm pulling me to look at him.. Lubb: "ndiyathetha fondin." Me: "ndiyeke Lubabalo." Lubb: "boo?" Me: "stop it." he held my face. Lubb: "I love you.....even more xa unomsindo....." Me: "mxim." I pushed him away, he held both arms and kissed me. Pulling away was not an option. His lips sucked my lower lip, grabbing my ass firmly. We leaned on the car. Me: "stop..." I moaned. Lubb: "no..." his hand sunk into my hair. Me: "baby.." Lubb: "let them stare I don't give a fuck." I was embarrassed. He pulled me up, hanging my waist on his, my legs wrapped around. Me: "haibo mntu wam..." Lubb: "bayazithanda Izinto." he nibbled my neck. Spinning us around. I giggled and hid my face. Until a car hooted. Lubb: "Yoh." he moved out the way. Lubb: "sorry." the guy smiled and drove off. Lubby opened the backseat door, laying me inside. Me: "no." Lubb: "yes...." he pulled up the vest. Biting my bra off. He closed the door with his leg. He was actually serious. Ripping the jeans off. I loosened the his belt unbuttoned his pants. He was sweating, rock hard. He grabbed on my body, kissing each curve, sucking on top of the breast. Me: "don't do that." I breathed. Lubb: "you're freakin sexy....." Me: "go in....." Lubb: "permission?" he pulled the panty aside and slid it in. He held on to the seat and pulled out pushing it back in. His waist rotating doing

donuts in and out. I screamed his name. He held my mouth with his thumb. I couldn't breath. I wanted to cry. Lubb: "right there??" he was reaching a place I haven't felt in a veerry long time. He sunk deeper, groaning. The windows steamed up, the car was heated. He pumped in harder. Me: "yess!!!!" he turned his head sideways to look at it, biting his lip. Me: "papii....." Lubb: "huh?" with a lopsided smile. Lubb: "daddy bout to rip it off yeah?" Me: "baby pleeaasee!!!!" he lay on top of me and slowed it down, staring into eyes. Lubb: "you go hard, I'll go steady....." I nodded. He dove in again. I hung my leg on his shoulder and we went in together. Me: "noo..." I moaned. Lubb: "just once more...." I was running out of air. Reaching climax.....slowly. I held on tightly, his hand grabbed on my hair, biting into my neck letting go my leg. This man had me screaming to heaven for air to breath.. Me: "OoooH!!! Daddy!!!!! Daddy!!!!!" Lubb: "uh huh? Iza baby." my body shivered right to the bone and clung onto his. Lubb: "YES!!!!!!!!!" he groaned. Releasing hard.. He stopped and breathed. Lubb: "and that's why you're my equivalent." Me: "you forget the towel." Lubb: "fuck the towel. I'm about to lick it off." Me: "hayi sies!" he leaned to the front and took out tissues. Lubb: "seats are wet. This poor Benz." he wiped me slowly with focus. When he was done. Planting a soft kiss on it. Lubb: "thank you." Me: "I am still mad at you. This doesn't change shit." Lubb: "haibo baby. I even did the Micheal Phelps move....." I laughed out loud. Me: "you are nasty. And I need to go shower." Lubb: "I'm saying we hide in a hotel all day." Me: "no. The kids are waiting for you mna, ndizovasa ndise lemoto eCar wash." he finished with himself and got dressed. Lubb: "freak of a wife. Damn...." I wore the jeans and got out the car. Looking in the boot for a towel. Luckily found a small navy one sacleana. Lubb: "its like....nah never mind." Me: "thetha.." Lubb: "nah. Kuthwa I'm too soft so....masiy'bambapho." Me: "hm...you are nje, but its cute." I kissed his cheek. Lubb: "so now uyandishiya." Me: "thank you and goodbye." he kissed me back. Lubb: "I'll call you before I leave." Me: "okay." he walked away to his car. I got in mine, switching the air con on and driving straight home for a bath.....

Lubabalo arrived home, in the best of moods, he played Trey Song's remix of Best I ever had sitting in his car rethinking the day. He smiled brightly. The music was loud enough Luzuko heard it inside the house. Luz: "and then?" Luks: "kham'jonge." looking at their brother from the front door. Luz: "I wonder what happened at the bank." Luks: "I want to KNOW what happened at that damn bank because I want to go too!" they went to the car. Luks: "and now? Did the bank double your salary? What happened?" Lubb: "something along those lines." he blushed. Luks: "try again." Lubb: "uhm....we're leaving at 12. Kids ready?" Luz: "he can't even hide that smile off his face. What happened!!" Lubb: "can't I smile? I need a fucking drink." he laughed. Luz:

"what's so funny." Luks: "we need to beat it out of him." Luz: "I second that." Lubby jumped out and ran to the house. Lubb: "Tata!!" hiding with his father. Zakes: "undiyeke!" he snapped. Lubb: "khathethe noLuks, I'm having a happy moment and he wants to beat it out of me." Zakes: "I'm about to beat you OFF of me!" Lubb: "hayi Tata man!" Zakes: "Lukhanyo. Move!" Luks: "ndifuna nje uthetha naye." Zakes: "ndive iskhalo net. Ndinikhanda nobathathu." Luz: "ndingenaphi ke Tata mna." Zakes: "nyana wam. Ungulo unama futha emlonyen kodwa khange utye nyama. Ndizoninyisa qha.." he pushed them out the way. Lukha jumped on Lubby. Luz: "thetha fondin!!" Zakes: "I wonder nikhula nini." he made himself some tea. Luzuko's mom was in the kitchen. Zakhele stared at her sucking his teeth. Ma: "ndingak'nceda." Zakes: "ndik'cele kakhle ba suthetha nam. Andiyo peto yakho." Ma: "kuthen ukrwada nje Zakhele. Ndicela uxolo!" Zakes: "ndiyok'vala nge nqindi loomlomo yandiva?" she kept quiet. He poured his boiling water in a cup. Zakes: "yay'funa itea?" Ma: "ewe." she blushed. Zakes: "nanga manzi, cela undiphathele rusks xa uqibile." he walked out. Her heart fell. Zakes: "Lukhanyo!!!! Ingxolo!!" Luks: "xolo Ta. What happened?" he whispered. Lubb: "I keep telling you nje!" Luks: "Heeee...Bafo!!" Lubb: "now get off me." Luks: "Siya nge 3rd ka Jan eMexico ke ne." Lubb: "sure." he went to shower. Nette, Demi, Thabo (their new son) and Sebastian arrived. Zakhele was reading the newspaper. With Luyanda on his chest, playing with his beard. Sebastian looked at him. Zakhele lifted his eyes from the newspaper. Sebastian: "Zakes?" Zakes: "Sebastian." he sipped his tea over the baby's head. Sebastian: "I thought you were...." Zakes: "I came back for a reunion. I didn't like the way they conducted my memorial. Hello Nette dear, you look beautiful." she took deep breaths, holding onto her husband. Sebastian: "its okay darling, I've got you." Nette: "he's" Zakes: "can I get you water." she collapsed. Zakes put down the newspaper and tea. He got up with Luya. Sebastian: "no no...I'll handle it." Zakes: "I'm sorry." Sebastian: "its okay sir. Just have a seat." he fanned Nette, Demi brought water. After a couple of minutes Nette woke up. Nette: "darling I had the weirdest dream!" Sebastian: "what was it dear?" Nette: "that, our pumpkin butt's father came back to fetch him!" Sebastian: "that's not true honey." Zakes: "but I'm right here." she screamed. Lubby walked out with black basketball shorts and sneakers only. He was still wet from the shower. Lubb: "what's going on!!" Luks: "Tata?" Zakes: "why iyingxaki yam?" Luz: "because umoyikisile Tata." Lubby pulled his mother up, hugging her. Lubb: "mom. I meant to call and tell you, I just didn't get the time. You told me you'd let me fetch you from the airport." Luks: "come..." he took her to the bedroom. Lubb: "dad." Sebastian: "Andrew." Lubb: "I can explain." Sebastian: " yes please and start from where you ran away from me for a month and weeks." Lubby

looked at the little boy next to him. Thabo held Lubby's hand. Lubabalo was perplexed. Lubb: "who...who is this?" Sebastian: "my son. Thabo." Lubb: "uhm....okay. And I wasn't told that I was a big brother?" Demi: "hey!" Lubb: "what? Hello boy." thabo smiled. Sebastian: "he's a bit shy." Lubb: "ncaw. That's cute." Sebastian: "I'm listening Andrew. Don't change the subject!" Zakes: "I'm still here." Sebastian looked at Lubby. Sebastian: "We'll talk later." and walked to Zakhele. Meanwhile in KwaZakhele, Smilo knocked on Sizwe's door. Sizwe came to open seeing his former best friend. Sizwe: "what do you want." Smilo: "ndiyayazi ndingumntu wokuqibela ofuna umbona." Sizwe: "not only did you lie. Ubundi plann'a no brother wakho! Sizwe: "Smilo andizokwazi...andikwazi ukulwa uZakhele mna!" Smilo: "but sibabini umnye!" Sizwe: "still doesn't make a damn difference he is a beast!! The last thing endifuna ukuyenza is piss him off. So ndiya-" Smilo: "please Sizwe...ndiyak'cela. Help me, help you..." Sizwe: "what was he planning." letting him in...

Chapter 651

After my bath I noticed a bit of bleeding. Then cramps. I put on a panty liner and got dressed again. Ma: "sow'buyile?" Me: "ewe mama." I was worried. Mama: "yinton ingxaki." Me: "akhonto mama. I'm just feeling a bit weird." Ma: "butye nton Dan?" Me: "oko benditye ksasa." Ma: "ndikwenzele something." I shook my head. I just wanted bed. Me: "I have cramps." Ma: "hlala apha ndikuphathele ipilisi." she went to her room bringing back Still pain and iBrufen. Plus some water. Ma: "inoba uzaw'mensa?" Me: "maybe." I drank the pills she brought me her sandwich ndatya. Ma: "ngok kuthen une stress?" Me: "stress wethu mama, santon." I giggled. Ma: "thetha nam mntanam." I couldn't tell her this part. Yuh noko angadikwa moer toe kengoku. Ma: "ngu Lubabalo? Ukwenze ntoni?" Me: "nothing mama." she was praying on his downfall. I knew. Every time ndiqumbile the golden question with high hopes of trust and support "ukwenze nton". Ma: "oh. Okay." I lay in bed for a few minutes, waiting for the uncomfortable cramping to go away. Luthando barged in the bedroom wearing blue pants and a plain white t shirt. his sister wore jeans and a white plain too. Me: "helloo!!" Luhle: "elllloo...." I pulled them up on the bed. We sat in a circle holding hands. Lutha: "a boogie boogie boogie!" Luhle giggled. His favorite song with

Luzuko. Me: "down in the jungle, where nobody goes...." I lost the lyrics and mumbled. Lutha: "end a boogie boogie boogie!" he laughed. Me: "washing her clothes. Ooohh aahhh." Luhle: "boogie boogie boogie!" she stood up and shook her body.. Me: "ncaaw!" Luhle: "aview!" she jumped on me. We fell back on the bed. Lutha joined us in a hug. Smudging my cheek with kisses. Me: "I love you too, my nunu'z." we lay in bed chatting together until after about 30 minutes I heard a knock on the door. Luks: "can I come in?" Me: "yes." he walked in. The kids threw their arms up. Luks: "ohh?" Luhle: "Tata!" he picked her up and scooped Lutha too. Luks: "bags?" Me: "in the lounge." Luks: "thanks. Say bye to mommy." Me: "bye." Lutha: "bhabha!" Luhle waved her little hand. Lukhanyo walked out. Lubby came in with Lubambo. Me: "cela angahlali kakhulu phandle babes." Lubb: "you okay?" I nodded. Lubb: "yeah we've decided to just do it pha endlin. Sohlala pha my parents have arrived too, you sure you okay?" Me: "just a little cramp and bleeding. I'll be fine." Lubb: "is it normal." Me: "I don't know." Lubb: "cela uye kwa Gqirha sisi. Please." Me: "that is not even necessary." Lubb: "I feel like shit right now, so ndiyak'cela go check." me: "why do you feel like shit?" Me: "what happened?" Namhla: "he admitted something, that made me doubt him a bit." Me: "what's that." Namhla: "uthi he and Bukiwe kissed by mistake. Kudala imtya lento because ebengazazi wenza ntoni. He says that's where it ends, but I don't believe him. Oko ecela amaxolo. I just don't know how to trust him." Me: "if he can confess, then I think uthetha inyani, I don't really know though. If you want to forgive him, thetha naye and discuss this." Namhla: "andiyo ndaw yonyela Lihle. He's going to think its okay! Ayiphinde! Does he even use protection emazi ba ithin imeko?" Me: "ask him, sube uthukisa oko. Me: "no Namhla, again, sit down discuss and tell him what you don't like." we got to Rene's workplace. We walked in sahlala phantsi. Kunge gcwelanga kakhulu. You only come here by appointment kanene. The receptionist looked at us with a

smile. Me: "hi." I walked to her. She: "do you have an appointment?" Me: "no bu-" She: "we only attend to appointments, anything else can be only after 3pm." Me: "tell Rene, Lihle is here." She: "I can't do that." I stared at her with a smile. I'm finna slap this one. Hard. Me: "should I?" She: "she is busy." I called Rene. She answered: "Hey honey!!" Me: "hey love, are you busy?" Rene: "kinda. what's up." Me: "I'm right outside and your lady says I can't come in till after 3pm." Rene: "she's talkin shit. I'll call you." Me: "finish the last few, I'll come in after." Me: "today, me and Lubby tried again." Rene: "making another baby!?" Me: "no!" I laughed. Me: "having sex." Rene: "how old is Bambino?" Me: "a month, week and a couple of days now." Rene: "okay, what are you worried about? Falling pregnant again?" Me: "yes." Rene: "you're just almost 6 weeks pregnant and that's round about the time you can actually start with contaceptives. You're breast feeding right?" me: "hm." Rene: "okay. You can use the mini-pill, also called the progestogen-only pill (POP), if you are breastfeeding, because it won't affect your milk supply. A small amount of the progestogen hormone will pass through to your breastmilk, but it won't affect your baby." Me: "are you sure?" Rene: "its what I recommend and fully sure of, I used it myself when I had Lebron. Just be sure to have a packet on you. Every where you are. It must be taken exactly at the same time every day." Me: "I shall set an alarm. Right this second." Rene: "good. I'm having my last appointment. Wait for me? We'll go out for some juice and stuff." I took the things. Me: "I'll wait out front, thanks babe." I went back to the girl to settle my consultation fee. Plus for the pills.....

Zakhele sat out the back with Sebastian. Talking about what had happened. Sebastian: "by the time he was...I think 6 he developed this passion for cars. He has an exquisite taste." Zakes: "my son loves Mercedes Benz." Sebastian: "he went to high school, at age 13, he had started school a year early. But hated private schools, I took him to a public and surprisingly his grades didn't drop. 85% average." Zakes: "wow, what did you feed him?" Sebastian laughed. Sebastian: "well, they're naturally smart all 3 of them." Zakes: "yeah, sometimes I wish I acted more smart on Lukhanyo's part, I blame myself and regret it everyday. He was intelligent, still is. He would probably have a masters degree or something but I was dumb." Sebastian: "we all make mistakes in life, some more fatal than others Zakes. You could still encourage him to go, its never too late." Zakes: "but it is Sebas. Lukhanyo won't want to even hear it. He's comfortable and happy." Sebastian: "maybe he wants you to give him the go ahead." Zakes: "well. I will. My wish is for all my kids to have some educational background. I regret leaving my family Sebastian. I really do, do you know how bad my heart is aching? My only daughter. One and only, died. I wasn't there to keep her safe, I never was since birth." Sebastian: "don't be so hard on yourself Zakhele. These things happen. Life has its complications and lessons." Zakes: "but she's never coming back, is she...." Sebastian: "unfortunately not." Zakes: " I need a drink." he got up and walked to the cellar. Lukhanyo sat on the couch with Lubambo. Feeding him his bottled breast milk, Admiring him and talking softly. Lubabalo and Lonwabo were in the kitchen baking with the girls. Luzuko and Phila were outside playing with the boys. Thulani arrived with Junior and Chuma. Luks: "banike uLuzuko. He's in charge of the boys." Thulz: "and this is....." Luks: "our son. Gama lakhe ngu Lubambo." Thulz: "can I hold him?" Luks: "nope." Thulz: "eshhee." Chuma: "Tata, ndingu Bhut wakhe ne." Then.....I kind of went over to Bukiwe's place." Luks: "no shit." Thulz: "serious bra. We kissed and made out for some time, wandinqanda though, so nothing happened. Ever since then ke we've created boundaries. I felt so bad I confessed ku Namhla." Lukhanyo slapped his forehead. Luks: "you idiot." Thulz: "ibinditya lento Lukhanyo, I've never cheated on Namhla. I don't know yenzeke njani that day lanto." Luks: "so Namhla akathethi nawe?" Thulz: "its been one day and 14 hours now." Luks: "you counting hours? Bra you got it bad!" Thulz: "Lukhanyo I can't

There might be some nigga out there praying for you to fuck the hell up. Angene athathe. And you do not want that." Thulz: "how you holding up." Luks: "if I could get rid of the feeling of curiosity. Because once I know, I will get angry. And when I get angry, I will want to hit something." Thulz: "so you're keeping away from knowing." Luks: "yeah. It aint none of my business no more." Lubabalo came into the lounge carrying Buhle. Her hands were covered in dough. Lubb: "visa uTata injan." Buhle held out her hand. Lukhanyo licked it off. Luks: "hmm.....this is nice. Yinton baby?" Buhle: "hmmm...." Lubb: "have you packed?" Luks: "no. I'll do it later." Lubb: "uzucucuze ke ne." Luks: "come on. I'm still chilling, jonga uDarealyst akafun lala." Thulani laughed. Thulz: "whaaat!" Luks: "Lubby named our son, Darealyst. Imagine. Dlala ngomntanam apha." Lubb: "but isn't he? The realest." he took Buhle to wash her hands. Thulani sat down. Zakhele stopped and looked at them. Zakes: "molo." Thulz: "molo Tata." Luks: "oh uhm. Tata this is my friend, Thulani. Thulz, this is my dad, Bra Zakes.." Thulani stood up and shook his hand. Zakes: "give us a moment please.." Thulani went to the back where Phila and Luzuko was. Zakes: "nguban ke nogku lo popeye?" he sat down. Luks: "haike ngoku Tata." putting Lubambo properly on his lap. Zakes: "have you made a decision?" Luks: "nganton Tata." Zakes: "ngomntana." Luks: " andisayazi Tata. Ndiyoyika." Zakes: "woyika ntoni." Luks: "ndiyoyika uba if I find out that he is mine....then I'll have to live with the guilt that ngumntana we-rape. I'll never be able to forgive myself. I think ku better oluhlobo Tata." Zakes: "andiva Lukhanyo uthini.." Luks: "it was a mistake, I wasn't thinking-" Zakes: "uthi wenzeni kwedin!!" he growled. Lukhanyo swallowed hard. Zakes: "Lukhanyo!!" Lubambo started crying. Luks: "Tata." Zakes: "how could-" he breathed, calming himself down shaking his head. Zakes: "sundophula intliziyo Lukhanyo. Ndiyak'cela mntanam. I'm trying to change to be a better man." Luks: "uxolo Tata." Zakes: "xa usiva kabhlungu Lukhanyo thetha ngomlomo, ubenomonde! Sukonzakalisa abanye abantwana, ndiyayazi nyana kunzima ukwamkela lento yakwehlelayo. Chapter 652

The triplets were getting ready for their trip. Lubabalo packed his clothes in a small bag with toiletries and his favorite shoes. He was on the phone with Bill Sangane.

Lubb: "Good evening sir." Bill: "hello. Are you good?" Lubb: "100. And you?" Bill: "I'm good thanks, did you get my email?" Lubb: "yes I did. And I'm on my way to Cape Town. Where are you?" Bill: "I'm right here, We'll meet when you arrive. At what time?" Lubb: "well, I land at 20:00pm. So let's say 21:00pm just so I can get settled." Bill: "hm.....okay, I've got a bit of a surprise for you." Lubb: "I can't wait. I guess I'll see you then." he hung up. Replying to Tuarez Hank's email. Luz: "fondin?" Lubb: "just.....a second." he sent it and took his laptop. Luz: "you can't start working now!!" Lubb: "luzuko for me to be this comfortable I have to work any time, any where, any how. That's the sad thing." Luz: "can't it wait?" Lubb: "I have to send this report in an hour." Luz: "yeses Lubabalo Joe!" Lubb: "what do you want?" Luz: "just came to check on you. You still have to take Babalo and Buhle home." Lubb: "Lungelo's on his way to pick them up." Luz: "and Lubambo?" Lubb: "give me about 30 minutes." luzuko stared at him, annoyed. Lubby carried on working because he was running out of time. Lubb: "I don't have time for games Luzuko. Lukhanyo wants me to buy a yacht. I just bought a Porsche and Bentley and another Mercedes Benz SUV, in due time I'm gonna have to work!" Luz: "you don't have to work alone bra, I can help." Lubby looked up at him. Luz: "I guess not." Lubb: "thank you." he continued quietly. Having to re-check the financials and statements for the past few months. He looked through his bag for the printed documents. Lubb: "what's the current exchange rate?" Luz: "I'm not sure." Lubby took his iPad and googled it. Lubb: "well damn, no wonder I'm losing a bit. Check this." Luz: "you use too much of international products and suppliers, that takes long and is expensive." Lubb: "I only use quality." Luz: "so South Africa isn't enough?" Lubb: "It is, andithi I changed after I met up with Bill in Dubai, we spoke about it." Luz: "good." Lubby finished up after 30 minutes. Lubb: "done." Luz: "woah. What? Isn't that like 2 pages?" Lubb: "yeah." he saved, emailed it and got up. Lukhanyo walked in. Luks: "yinton ngoku?" Luz: "Lubabalo is ditching us for work, I knew it. This trip is just for his work a holic ass!" Luks: "nahh. Lubby?" Lubb: "yayaz mjita I'll never do that to you." Luks: "I thought as much." he packed Lubby's laptop and iPad plus chargers and zipped up the bags. Lubb: "I'm taking the kids home I'll be short.." Luks: "We'll wait on the jet Bafo. I'm taking your bags and stuff." Lubb: "luzuko stop pouting." he walked out to kiss his babies goodbye. Babalo and Buhle were taking their nap with Luthandoluhle and Lubambo. Luzuko helped him take Lutha and Luhle. They buckled them up with Lubambo in his own small seat and Lubby drove to Motherwell. He was tired from the day's work. As soon as he arrived. Calling Lihle to come out and fetch the kids. I came out with 3 blankets. I took Lubambo, he picked up Luthandoluhle, one in each arm. Namhla was in my room when we put down the kids, but my mom came to fetch Lubambo. Lubb: "can we

talk?" Me: "now?" Lubb: "yes, now." we walked out side to the car. Lubb: "what the doctor say." Me: "khang athethe nto, I got contraceptives." Lubb: "why?" Me: "to prevent me from falling pregnant again." Lubb: "why Lihle." Me: "I have 3 children. ndigrand ngok." Lubb: "sooo.....we can't have more kids?" Me: "not now no." Lubb: "oh okay." he held my hand and lay his head on my shoulder. I put my legs on his lap. Lubb: "Ndlela Le ndine stress ngayo babes. Your father hates me. I would be starting soon ngezi negotiations, do things proper you know? I can't continue to make plans unless and only if, he accepts. The last thing I wanna be is disrespectful." I don't know hey, my father won't accept, no matter what. Lubb: "and I can't use my dad. That's just out the question." Me: "I have a bad feeling they have a rocky vibe so...." Lubb: "I was doing some thinking, what type of wedding do you want." Me: "a small thing babe. Pleaaase I beg you, do not go wild, I'll take care of everything. Even the cost, just something intimate." Lubb: "Hell No." Me: "why." he lay back on the door, taking off my slipper. Lubb: "because, you're a Queen and you deserve something extravagant." Me: "the Queen doesn't want extravagant." Lubb: "your wish is my command. BUT. I want an island wedding. Maximum is 30 people, re-invent a building into a castle for Reception." Me: "uhm, no. That's too much." Lubb: "kodwa mntu wam, you're high, if you think you gonn pay for our thing. Shame shuuu." Me: "like I said-" Lubb: "I know what you said Lihle and I get it. But that don't mean I can't spoil you." Me: "the answer is no. Lubabalo." he licked his lips and looked at my foot. Lubb: "your car is arriving tomorrow. I put my address down, so you'll fetch it in the afternoon and let Clive go?" Me: "yes." Lubb: "and he told me you already paid him.....hm...I'm impressed." Me: "I will kick you." Lubb: sorry ke ndithule. I will need your hand, phof ubuya kwam." Me: "my hand? For what?" I was ready for the craziest shit. Believe me. Lubb: "well, this was supposed to be a surprise. But.....my wedding ring, ndifuna ibene finger print yakho." I hid my face trying hard not to laugh. Me: "you are dumb." Lubb: "you love Dumb though. I make you go cray cray. So nunu's." kissing my toe. Me: "but its sweet, I like." Lubb: "hm? Aannd...." Me: "no baby, no." his phone vibrated. Me: "you better get going." Lubb: "andisonqeni. You know I've got a meeting as soon as I land, then I have to entertain Bill for a few hours because he seems to enjoy my attention. Then kubekho ezi zam ziy'two nazo zifun attention yam, Luzuko was already starting to complain." Me: "oh hay mntu wam, but I hope you have fun though." Lubb: "I doubt that a lot. Ngomso ksasa ndiya ku J." Me: "that's gonn be a bit depressing." Lubb: "yep. Come here." I got up and lay on his chest for a while without talking just listening to his heart beat. I felt sleepy. When I looked up at him he was already dozing off. Me: "baby vuka." Lubb: "just 10 minutes." Me: "no Lubby your brothers are waiting. Unje ke wena xa funeke uhambe." Lubb: "aarrg...." we got out

the car. Me: "uziphathe kakuhle ke ne." Lubb: "I promise, I will behave. Andimfuni Sporo apha for the last time. Kuyow'ba kubi when I change to bitter." Me: "I don't wanna see that. Thank you." I hugged him. Lubb: "I love you my angel." Me: "I love you too." he kissed my forehead and closed his eyes. I waited till he was finished. Then let go. Lubb: "baleka baby, let me see that ass wiggle." I slapped his shoulder, giggling. Me: "mpa!" I walked to the house hiding my bum. I tried wiping the teenage girl grin off my face. Ma: "awuse ncume. Ungaqhekeki sisi." Me: "heee umama." Jongi: "uvelaphi?" oops. Ma: "kumnyeni wakhe bhuti. Bezise abantwana." Jongi: "oh." my mom carried on with cooking and I helped.....

Lukhanyo knocked on Sizwe's door. Luks: "Ta Seez!" Sizwe walked to open. Sizwe: "molo Lukhanyo. Unjani ndoda?" Luks: "ndigrand Ta." he smiled. Luks: "bendizo checker ba uright na." Sizwe: "I'm fine my boy." Luks: "and bendifuna ukuthi enkosi ngento yonke ondenzele yona, for believing in me, undikhuthaze and Undiphatha as unyana wakho when everyone else turned against me." Sizwe: "you're human Lukhanyo, you're bound to make mistakes, it was really nothing." Luks: "its something kum Ta. Yazi.....for a very long time ndazi capkela and was ashamed of who I am. Oko ndakhula. When I started making my own living still, I just wanted something...anything to make me feel good about myself. And xandi dikiwe, I dispose. I'm sorry it had to b-" Sizwe: "no....no, listen to me. One thing I learnt ndikhula mna. Uyayazi ndandihlala njani, imagine a little boy growing up in a forest. Ndikhule ndingazi life beyond ihlathi, but as soon as I broke free. Ndabona ihlabathi linjani. As slaves we don't dream of being free Lukhanyo, we dream of being masters. That is what eats human existence. That's why people hurt others, because of inzondo. I have let go, and forgiven you, in the sense that uzibone uburongo and fix your mistakes." Luks: "thank you Tata." Sizwe: "unjani utatakho?" Luks: "he's great. Akay'fun ingxolo qha." Sizwe laughed. Sizwe: "Nguye nyan ke lowo." Luks: "anyways, I'd better get going. Ndisaya eKapa." Sizwe: "okay ndoda. Uhambe kakuhle." he hugged him and walked out. Sizwe closed the door, walking to the lounge. Smilo: "yak'ncanywa lentwana ne. He even forgot about me." Sizwe: "Smilo I can't do it. Sorry." Smilo: "what! Why?" Sizwe: "for the first time in months I've never seen him this happy and relaxed!!" Smilo: "it has nothing to do with Zakes, inoba une cherri entsha. Awumazi kakhle wena uLukhanyo!" Sizwe: "he would've told me!" Smilo: "AWUYO TSHOMI YAKHE. And in any case, He'll never know its you!" Sizwe sat down. Smilo: "do you want to survive this shit or not? Because you won't make to next year." Sizwe: "I'm going to settle my debt ku Zakhele Smilo." Smilo: "uyi mhumhu Sizwe! Wenza lento ayifunayo!! You will be his slave for the rest of your life!" Sizwe: "kuthen wena ungayenzi nje? Huh? Eyona mhumhu Nguwe. He's Your brother you should know his

weakness." Smilo: "I know." Sizwe: "good, yinton!" Smilo: "The Mzinyathi triplets."

Meanwhile, back at the Triple L mansion. Zakhele stood by the door, Lungelo took off his beanie and greeted. Zakes: "uzele bani?" Lungelo: "ndize ku Lubby Tata." Zakes: "what is that. Akhomntu ngu Nyubby apha." Lungelo: "I mean uLubabalo Ta." Zakes: "oh? He's not here." Lungelo: "uthe mandizolanda abantwana." Zakes: "why?" Lungelo: "he can't divide himself in half." Zakhele looked at him, then smiled. Zakes: "wena ungubani?" Lungelo: "ndingu Lungelo Moni." Zakes: "what do you do?" Lungelo: "I'm a lawyer." Zakes: "Oh? Come in. What type of lawyer are you, I might need you on my side, some people might-" Luz: "Dad!" Zakes: "okay!" he sat down. Luz: "ekse fethu." Lungelo: "hey, where are my angels?" Zakes: "YOUR???" Luz: "Tata!" Zakes: "all right!" luzuko and Lungelo went to the room to fetch the girls then walked back to the car.. Lubby arrived, talking to Lungelo and Lukha outside. Luzuko went to his mom in the kitchen. Luz: "mom, its just 2 days." Ma: "you're leaving me here, with Him?" Luz: "kukho uTat Sebastian and his wife. S'fiso will be back tomorrow. Nanku noThabo." holding the boy's head. Thabo smiled shyly. Ma: "maybe I should take a flight out for a day or two, ndibuye nge weekend mntanam." Luz: "do it for me mama. Please. He's not that bad. Uyathanda qha uthetha but Uzoba nesthukthezi afune uz'ncokolisa nawe." Ma: "okay." Luz: "okay? I love you mama. Thank you soo much." he kissed her cheek. Ma: "be safe luzuko." Luz: "I will." he walked out. The triplets said their goodbyes to everyone and took Lukhanyo's car to the airport. The Morrison's went out. Zakhele sat on his favorite couch watching TV with his cup of tea and rusks. Luzuko's mother, Nomonde stood in a distance. She: "ndik'phakele?" he nodded. Zakes: "yes please." cleaning up his spot. She brought the tray with his plate and a glass of juice. They ate quietly. After he was done he took his dish to the sink and washed it. Zakes: "ndiyabulela." he sat down. Zakes: "but your chicken was a little too dry, the trick is, to first boil it before you fry it." Nomonde: "oh? Uyakwazi upheka Zakhele!?" Zakes: "Sundixhaya kaloku!" She: "mxim." after an uncomfortable silence. She: "this is silly. Zakhele ndicela uxolo." Zakes: "hm." she: "Zakhele." Zakes: "hm?" She: "ndiyayazi Bendiwrong. I'm sorry.." Zakes: "no you're not. Utsho ngomlomo qha." She: "you know what? Yes! I'm not sorry, kuba ndiyamthanda umntanam! And I don't for one second regret taking him." Zakhele was too focused on his movie. It was impossible trying to get his attention, a few minutes later everything shut down. Pham! Zakes: "uyawenzi!" She: "nothing. Yabona mos kucime yonke into!" he looked out the window, the whole neighborhood was dark. Zakes: "great. Just great!" he sat down. Zakes: "ubusithin Nomonde." She: "niks." Zakes: "khange uthi ufuna uthetha? Ndim lo thetha!" She: "not anymore." he

stared at her sarcastically. Zakes: "mxim." she: "if ndiyathetha awuzothukisa?" Zakes: "Hehake." She: "so, ba sinothetha just nje...." Zakes: "lady, ghabha lento ises'fuben sakho." She: "since sihlel sodwa maybe kalok ndinokubalisela kwenzeka nton." Zakes: "andifun yazi." She: "okay. Ufuna uyazi nton ke." Zakes: "surprise me." She: "well. Ndiseyi ntombi encinci, ndandiz'xelel ba ndizotshata ne Nkosi. Ndadibana nomnye ubhuti omhle, wandiqhatha njani. Esithi ufun undivisa nduku yelekese." he laughed and looked away. Zakes: "no!". She: "Its funny isn't it? ndibalisele ngawe." Zakes: "andinanto balisa mna." She: "noba yinton." Zakes: "I.....own 10 pairs of pants." She: "okay, something a little more.....you know, personal." Zakes: "oh? Yeah. I.....also have a couple of sets of..... underpants." She: "something that touches you." Zakes: "okay, ndiyakuva kengoku. Uhm....okay here it goes....when Lukha was 2 and some odd months, just before his 3rd birthday, ndayombona ke, I was feeling a little off. Someone broke my car, I missed my girlfriend, ndingenamntu by my side so I went to my boy. I sat down with him, ethanda uphithizela ke. Always carrying something. Enale set yakhe yee moto and little things zodlala. Ndithi ndihleli pha, ndiske ndim'ncokolele. Ndiyamazi mos akandi understand. he's always been quiet after some time I shed a tear, aze kum. He was fat kunzima uhamba. Azogwencela ndimthathe. He wiped my tear and said, 'Colo Tata'. Till today that's my highlight, every time ndisiva kabhlungu ndicinga lamini. Now he's all grown and doesn't even care about me. Angandihleka abuze ixhego likhalelani." he chuckled. She: "that's so sweet." Zakes: "ya. I am sugar." he lifted his eyes to look at her and smiled. Zakes: "I still don't like you." She: "nam nje. You're a bully." Zakes: "mxim.." he got up and walked out to the garden.

Chapter 653

Cape Town, 20:15pm

The triplets were on their way to the Morrison house. Lubby switched his phone on and called Bill. Lubb: "Mr Sangane, I have landed, are we still on for 9?" Bill: "most definitely. I'll send you the address." Lubb: "thanks." he hung up. Luz: "so what do we do? Sit and wait?" Lubb: "you'll take my dad's car to the club. I'll join you later." Luks: "can't this wait?" Lubb: "guys, come on we spoke about this. I can't disappoint Bill Sangane, if he's not satisfied its goodbye billions. Please!" Luks: "fine." Lubb: "honestly?" Luz: "you dragged us all the way here so you could work." Lubb: "its just two meetings nje. One tonight and the other in the morning. Siyobon Jermaine then we can chill till whenever." Luz: "whatever bra." the car stopped. Lubby got out the

car with his bag and walked to his room, took a shower and got dressed. Grey fitted pants and a blue shirt tucked in. He wore his Rolex and took his iPad. Walking out the room. Lubb: "Bafo!" Luks: "what?" Lubb: "I'm gone. Here." Lukhanyo took the smaller bag. Lubb: "go to Mavericks, reservation is Lubby Morrison. For platinum VIP. I'll be there at about 10 or 11." Luks: "sho." Lubb: "uph unyana?" Luks: "outside swimming." Lubb: "and you?" Luks: "can I come with you?" Lubb: "sure, you have 10 minutes to get ready." Lukhanyo ran upstairs. Lubb: "luzuko!! We're leaving." Luzuko popped out of the water. Luz: "you say somethin?" Lubb: "we're going to the meeting together, come." Luz: "hell nah. Hamba noLukhanyo, gimme our shit, ndizani bona phambil." Lubb: "on the table." he turned around to the kitchen. Where was the house keeper? Lubby looked around the house, opening the bedroom doors, he got to his uncle's room, opened and walked in. He gasped and covered his mouth. Mike: "Andrew!!" he covered his himself. Lubb: "sisi!" she was so embarrassed. Lubby walked out. Luks: "what's up?" Lubb: "my eyes need soap." Luks: "haha, what you see." Lubb: "I don't think I want to re-live that moment." Lukhanyo was dressed in blue chino's that hugged his legs comfortably. A white shirt and black suede shoes. Luks: "I'm done." they walked out together to Sebastian's Porsche. Lukhanyo drove, directed by Lubby. Luks: "so...how's it going?" Lubb: "just great." staring and clicking on his iPad. Luks: "just great?" Lubb: "depends on what you asking bout." Luks: "the project." Lubb: "yep, its great, its been slow, but I think I found a way. Yile ndizoy'presenter ksasa." Luks: "aren't you rushing it? I mean Lubabalo, you don't even know kwenzekani." Lubb: "I created that proposal, I know it off by heart. Ngene right." Lukha turned right. Luks: "okay. If you're 100% sure." Lubby sent a message to his fiance and switched off the phone. Luks: "we're here." Lubby breathed. Luks: "fondin are you okay?" Lubb: "I'm okay. I'm good." Luks: "you don't have to be here. Udiniwe fondin. Look at your eyes." Lubb: "it won't take long. Come" they got out the car and walked to the house. Bill opened his door. Bill: "evening gentlemen. Oooh...I see this." he laughed. Lubb: "evening Sir, thought I'd bring The other me." bill: "hm.....nice. Come in." they went in and sat in the set table. Bill: "I won't waste your time, what's the latest." they started talking business. Served drinks and a meal. Just after 22:00pm. Bill wrapped things up. Luks: "we're down to 8 centers now. 2 more and we're done." Bill: "damn boy. You just give me power." Luks: "we try. Basically we didn't use the same people, since the centers are all over the country." Bill: "I noticed, every city had its own team. This is yours." he handed Lukhanyo an envelope. Luks: "what is it?" he opened. Peeping. Luks: "wow." he took out the papers. Bill: "I'll need both your signatures." showing Lubabalo. Lubb: "haha. No." Bill: "my villa in Italy. Its worth 3 billion, its yours, sell it, keep it. I don't need it." Lubb:

"wow." Luks: "thank you Mr Sangane." Bill: "come on....the name's Bill. Its a pleasure doing business with this family. Even with the scandals, you deliver." Luks: "enough of those now, I hope." he looked at Lubby. Lubb: "aye aye Captain." Bill: "I love this." they got up and walked to the door. Thanked him once again and got in their car. Lubb: "thanks a lot bra....undincedile." Luks: "at least we got something to celebrate." he switched on some music. Lubb: "khafake la track bidlala izolo pha k'la ndawo." Luks: "For Real?" Lubb: "ya leka Future no Drake." Lukhanyo looked for the song on his phone and connected it to the car. Luks: "we got that drink hell yeah, We got that drink. They wanna pop champagne, they wana drink." Lubb: "for real?" Luks: "for real!" Lubb: "they wish they was rock stars like us!" Luks: "they wish they can get fly like us!" they sang together. Lukhanyo drove to the club. Lubby sent Luzuko a message: "where you?" Luz: "second home!! Strip Club!! 😊:D" Lubby laughed. Lubb: "we out here." they got out the car. walking in. It was hip hop hour. Drake and YG in the speakers. The twins went to the Platinum VIP section, luzuko was chilling with 2 women. Luks: "we nailed it." Luz: "you deserve a shot of Patron. Angel, get my Bro's something nice on the rocks." a long haired yellow bone beaut walked in. "Which one is Lubby Morrison?" Lubb: "noo luzuko." Luz: "its the owner's treat, becimba ndinguwe.." she came to sit on top of him. Another girl walked in. Curved body, black pink lingerie, looking at Lukhanyo. He stared at her, patting on his lap. Luks: "hey...." she sat on him. She: "hello....." Luks: "I'm Luks, you?" She: "Strawberry." he giggled. Luks: "what is it that tastes like strawberries on you?" he kissed her skin. She: "everything." Luks: "you know you're beautiful?" she: "stop...." Luks: "nah...I won't stop." she got up and danced. Luks: "Lubby...." he whispered. Lubb: "yeah?" Luks: "I don't know no more." Lubb: "neither do I bra....neither do I." Luzuko walked out followed by two. Lukhabalo stayed back and drank talking about the company and how its doing, their latest deal in Mexico.. Luks: "what we gonn do ngale villa kengoku?" Lubb: "prolly a holiday home, or we could rent it out to families. We can't sell it though." Luks: "ja its a great investment. Maybe we should just go check it out." Lubb: "question is when? Because its gonn be Christmas soon, sihlale till the 31st, that's when we ship off for the night with our yacht, sibuya nge 2nd to sleep and get ready for our flight to Mexico." Luks: "how long we staying in Mexico?" Lubb: "a week, back to back long ass meetings and shit. Worse leya ngomso. Fucking annoyed already, but I got that shit in 5th gear." Luks: "if you gonn be all right then I'm all right. So what am I getting for Christmas?" Lubb: "you're a proud owner of a yacht. Now you're tryna cross the line like a Mexican." Lukhanyo laughed out loud. Luks: "starting from the 3rd of Jan though." the owner walked in the room. Lubb: "Shane Harrison!" Shane: "when I heard you're back in town, I had to secure this one for you.

Who's this?" Lubb: "my duplicate. Thank you for the treat. But we're engaged." Shane: "haha! To each other?" Lukhanyo laughed. Luks: "he wishes!" Lubb: "ohh so its like that?" Luks: "Lubby stop playing, you know damn well you can't stand me!" Lubb: "I can most definitely stand, sit and chill you." Luks: "I'd like to see you try." Shane: "you two are definitely fit for each other." Lubb: "would you like a drink?" Shane: "no thank you. I just came to check you're comfortable with my Christmas gift." he winked. Luks: "over and beyond." Shane gave them another bottle of Moet. Shane: "this one's for the duplicate not you. Old bastard." Lubby laughed. Lubb: "introducing my little brother to your schemes I see." Shane: "This kind of exclusivity means that you can expect – and will get – only the best in high-class entertainment with a sexy twist... and shake. And slip. And slide." Luks: "I'll be glad to enjoy." Shane left them in peace. Luks: "friend?" Lubb: "nope. I used to be a regular apha. Yuuhh....Mali yam yayityiwa k'le ndawo." Luks: "Lubabalo, you're looking bad, maybe we should go home?" Lubb: "I'm fine, I promise you." his song started playing, he stood up and danced, leaving Lukhanyo with his entertainment.....

Port Elizabeth...

Lubambo was crying for the hundredth time today. I changed him, fed him, did everything and anything. He didn't stop. Eventually taking his temperature it was still fine. Or was it? I started panicking. Luthandoluhle peeped at him over the bed. Me: "mama!" she came in. Ma: "uthen?" Me: "andiyazi mama." I packed his bag quickly. Ma: "umfownele Tatakhe?" I even forgot about that. Me: "noba use kwi meeting or ulele." Ma: "still. Mfownele!" I took my phone dialing his number quickly. It went straight to voicemail. Me: "yabona ke mama. Its off." Ma: "Lukhanyo?" I dialed his number too, it rang to voicemail. Me: "naye." Ma: "Masambe ke." she took the baby and we walked out to the car, Jongi and his wife stayed with the twins. My mother tried her best to calm him. Ndaske ndadom. Me: "utheni mama?" Ma: "sukuzi stressa Lihle, Uzoba right lomntana. Mhlawmbi uva shushu." Me: "kuthen kengoku sim'sa esbhedlele?" Ma: "Lihle, anino khala nobabini mntanam ndiyakucela." I took a deep breath. This was all my fault! I called Namhla. Me: "mntase uphi?" Namhla: "ndingena kuThulani, why?" Me: "please ask him to call Luzuko or S'fiso, maybe bahleli nooLukhanyo I don't know." Namhla: "why? What's going on?" Me: "I think Lubambo is sick. Akayeki ukhala and his temperature doesn't look normal." Namhla: "Thulani, cela number ka Luzuko?" Thulani searched his phone and called it out. Me: "thanks." Namhla: "call me." Me: "okay." she hung up. Thulz: "what's wrong?" Namhla: "the baby is sick." Thulz: "u-Darealyst?" Namhla: "what?" Thulz: "never mind. Baby, listen." Namhla: "ndicela ukhaw'leze ke Thulani." Thulz: "I thought you're spending the night." Namhla: "why would I be doing that?" Thulz: "ndicela

uxolo Namhla. Uyayazi ba ndiyakthanda and its not my intentions to make you upset." Namhla: "not your intention? Thulani, when we fight I don't go running to someone's arms and kiss them. Khona how am I even sure ba iphelele apho?" Thulz: "mntu wam. You know me, please ndicela undithembe Namhla." Namhla: "I don't know Thulani." Thulz: "we've been through a lot...I know." Namhla: "I know I'm being petty, but do you remember Thulani what you did to me just for talking to another guy? How am I supposed to just be okay kengoku?" Thulz: "you're right. I don't deserve you." he sat down. Thulz: "ndiyi rubbish nje yomntu." Namhla: "don't give me that pity talk." Thulz: "so I guess its over now? This is it?" Namhla: "you're not ready to commit Thulani. Awuzazi ba ufuna nton." Thulz: "I want you babe. Nobody else." she sat next to him. Namhla: "I feel like we're going back and forth. Going nowhere. I still have to lie kwabazali bam and all that." Thulz: "Namhla its not about that! What am I supposed to do to prove to you that ndiyak'thanda?" Namhla: "stop acting childish for one. Xa une problem nam, don't throw temper tantrums and run to your ex's! If we're going to grow together funeke kubekho i-progress not Le mbhanxo!" Thulz: "I understand." Namhla: "don't just understand Thulani. Implement." she got up. Namhla: "ndicela undise ku Lihle." he walked to the car. And drove her to the hospital. It was true that he loved her, he could feel it that moment willing to accept any option just to be closer to her. He was just a man like any other, who wanted another slice of pie and now regretted it badly. Namhla held his hand. Namhla: "We'll talk later." he nodded. Thulz: "I love you." kissing her cheek. Namhla: "I love you too.." Namhla got out the car. And walked in calling Lihle. She directed her to where they were. Me: "hey." Namhla: "how is he?" I shrugged. Me: "asika xeletwa. Mama usayo thetha ne nurse." Namhla: "you okay?" Me: "no. I'm feeling guilty, I shouldn't have....." Namhla: "what?" me: "had sex. Maybe that's why my son is sick. He's still young. And I fucked up!" Namhla: "hayi suphambana Lihle tshi. Akazelwanga izolo mos lomntana. He's over a month. Maybe une fever or something, but I know He'll be okay." me: "how do you know that?" Namhla: "because his mother is a fighter. Womelele. Uyincanca ebeleni." I needed to hear that. Me: "I don't feel so strong. Cela ufownele umamakho umbuze if LuthaLuhle Unjan." she went to make the call. I sat in the cold waiting room, covered with the blanket. The pictures of happy smiling babies all around me. I was filled with thoughts, happy moments to keep a positive mood. My phone vibrated. As I looked at the caller I.d..

I answered the phone. Me: "hello?" Luks: "hey. Ndibona missed call zakho. What's up." Me: "are you busy?" Luks: "yeah, I'm in hospital." Me: "why?" Luks: "I don't know. Lubabalo just collapsed apha. Kudala ndim'buza what's wrong engafun thetha. Then....." I just stared at the floor, motionless. Me: "will he be okay?" I stuttered. Luks: "he's fine. Une Duma Eli khulu on his head though, ngathi Li apile." I chuckled a bit tears streaming down my face. Luks: "what's up?" Me: "Lubambo oko ekhala apha. We're in hospital the doctor said his temperature is high." Luks: "maybe he's got a cold. Kudala ezula umntana." what had happened? How did he just collapse nje out the blue? Me: "can I talk to him?" Luks: "not yet, he's sedated, udiniwe and apparently he had pills that he's been skipping. Supposed to take them once a day." Me: "what pills?" Luks: "ento zakhe zongabina nqondo wethu ndaziphi." Me: "that's not funny." Luks: "sorry, I meant the time ebezama you know what, and landed in hospital...when they took him to Australia, unikwe pills. Akazityi." he did mention something about pills in Dubai, but kwayena akafuna ezilahla. Me: "he said they made him dizzy and nauseous." Luks: "ndizam'faka impama ke mna zekhe net angazityi this time. Uzoba right uLubambo, he's a baby, babies get sick all the time." Me: "I know...I just can't get used to it." Luks: "benzanton amawele?" Me: "left them behind noMalume." Luks: "hm.. Okay. Siphuma ksasa apha thina." Me: "nonke nilapho?" Luks: "yep, we've all been admitted because of this retard of mine. We'll call you tomorrow." Me: "thanks. Bye." he hung up. Luz: "who is that?" Luks: "Lihle. Says Lubambo une temperature." Luz: "will he be fine?" Luks: "yes, umse esbhedlele." he sat in the chair. Luks: "kunini ndimbuza ba uthen ulubby. All day and night." Luz: "he probably didn't know ba wenzani." they stayed by his side, falling asleep on the chairs. Lubby woke up first in the morning. Lubb: "Lukhanyo? Luzuko?" Luks: "yho hayi suka Lubabalo khaw'lale fondin!" Lubb: "no! What time is it?" Luz: "its morning." Lubb: "shit. Fuck. Fuckety, fuck, fuck Fuck!!" Luks: "what!" Lubb: "my meeting!!" Luks: "I told you Lubabalo to go home and rest! Jonga ngoku! You can't do this again!" Lubb: "help me up. Satana uyanya vandag. Ndiyaya. I'm going to get my bloody golden cheque." he tried getting up. Luks: "you are not going nowhere!" Lubb: "Lukhanyo, do not underestimate my might to slap you to next Thursday. Help me get up." Lukhanyo held him up. Lubb: "please call Sandy, ask her to move the meeting to 10:30 instead of 10. Tell her to get the poster ready for me, and boardroom 3C because its bigger.. Where Is this damn doctor!" he walked in. Doc: "Mr Morrison, please." Lubb: "if I can speak and sit, I'm good to go. I need you to let me." doc: "I just need to check on you, run a few more tests." Lubb: "you'll do that after 2 this afternoon. You gave me the medication right?" doc: "it will take some time." Lubb: "time is not on my side. Get me my pants Luzuko." they helped him get dressed. Lubb: "I just shut down for a few minutes,

that's what happens when you're tired! Yinton ngathi bendixhozula." Doc: "you need to take this seriously sir." Lubb: "yes. I am taking it seriously, but that deal is more important and I can't afford to lose it." Luz: "I'll go sign." he walked out. Doc: "okay, take this the minute you finish eating. The moment you get home, drink water to stay hydrated, not juice. This one you drink after 3 hours, take 2. And I need you back exactly at 3pm." Lubb: "thank you." he walked out with Lukhanyo holding his arm. Luks: "when you get home, ufownele umfazi wakho. She called last night ulele." he mumbled. Lubb: "I hope you didn't tell her this." Luks: "haike ngoku. Andiyo post office, ndidlulisa umyalezo qha." they got in, waiting for Luzuko. Lubb: "I'm gonna start panicking Lukhanyo jonga ixesha!" Luks: "Nanku Luzuko. Chill. I'll handle the preparations, you just get yourself ready qha." they drove home. Lubabalo walked in slower than usual, his head hurt but he was okay. Lukhanyo made him a hearty breakfast with water instead of juice and his first pill. Luks: "iza. Itya Bafu." Lubb: "did you call Sandy?" Luks: "qala itya ndikubone." Lubby started eating. Then drank the pill. Lukhanyo went to call the girl in charge to make arrangements for the meeting. Luks: "he's okay Sandy, I just need you to stall for a bit and prepare boardroom 3C real quick. 10 okay?" Sandy: "okay." he hung up. Luks: "zovasa." Lubb: "I am more than capable. Thank you brother." Luks: "mxim. UThethi stena." he pulled him up and took him to the shower. everybody got ready. Time was running out. Lubby wore his pants and sat on the bed going through his presentation one more time. Everything had flushed but was gradually coming back. He couldn't tell Lukhanyo, he still felt exhausted, he would never let him go. Luks: "ready?" Lubb: "two minutes. He wore the shirt and tie Too. Luzuko came in dressed. Luz: "let's do This." Lubb: "Luzuko, please take my bag, Lukha please check on sandy, has she done everything. Its 9:45 now." they walked out, Lukhanyo talking on the phone, Luzuko drove with Lubby's instructions.. Outside the company building, journalists stood by with their camera's. Lubb: "Somandla. Right now?" Luks: "let's go. luzuko park the car." they got out and walked toward the entrance. 'Mr Morrison, is it true that you were hospitalized after a suicide attempt.' Luks: "ungabahoyi. Just keep walking." 'was it because of your brother's wife? Which one is he? Where is she?' Lukhanyo opened the door and ignored them. 10:02am. Luks: "just in time. Go get em Tiger!" Luzuko whistled. Luz: "behind you 200% poi!" Lubb: "you two are idiots. Thanks for the support." Luks: "We'll be in our office. Iza Lusko." Lubby walked to the boardroom. The clients were seated, just waiting on him. Bill: "what happened?" Lubb: "minor setback Ta. I'm okay." Bill: "you sure?" Lubb: "why is there media outside my company?" Bill: "when you're in town Lubby, you know how they watching. Just the smallest things." Lubb: "I don't know if I'm comfortable with that no more. I do not

feel like making front page today." Bill: "We'll figure something out...come on, let's begin.." everyone sat down.....

I sat with my mother after seeing Lubambo. I was still a bit stressed although he was in capable hands now. I didn't sleep all night, all I did was pray for my boys. Hopefully Lukhanyo said the truth about Lubby being okay with nothing damaged. Namhla came in with some hot chocolate. I couldn't stomach anything. Namhla: "mntase, funeke uyolala ngoku. The twins miss you, Bambi is fine. He doesn't need to feel his mother's stress. Khaw'yo phumla peto." Me: "ashiyeke naban yena." Namhla: "umama uzoza, she got the babies ready." Me: "I can't take him home yet." Namhla: "kaloku mtshana uBambi is a little younger than most 1 month olds." Me: "yeah, he was early." Namhla: "uyoluleka. He'll be fine. Ambolala ubuye emini." I was scared. I've heard a lot of stories how umntana agule ebusuku Abe right ksasa only to pass on a few hours later. I couldn't leave. Me: "No." Ma: "mntanam, you're no good to anyone k'le condition ukuyo. Ndizohlala apha ndim'jonge uLubambo. Akuzokwenzeka nto." Me: "mama, he is my son, andiyi ndawo." Ma: "uthethile noLukhanyo?" Me: "qibel izolo." Ma: "mfownele umxelele unjani umntana.." instead of arguing ba if he wanted to know he would've called, I kept quiet and accepted that maybe naye he has a lot on his plate. I dialed the number and waited till he answered. Luks: "Luks speaking, hello?" 😊 -_- Me: "heee hayi ke Bawo." Luks: "oh hi! Unjan umntana." Me: "he's okay but uGqirha uzomgcina for a few days." Luks: "ncooh bethuna unyana. Noba akasa feketi apho. Bendithen kuwe ke? Yathanda uz'bityisa wena." Me: "how's it apho?" Luks: "Lubby forced himself to go to his meeting. Akekho 100% okay ke yena. Kodwa I can't stop him. At least after this, He'll get to sit and rest." Me: "did you tell him?" Luks: "I didn't want to overload him nge stress. He has to take it easy. Sizothetha when he's done." Me: "okay cool. Thank you." Luks: "bye." he hung up. Ma: "so uthin?" Me: "he's glad he's okay." Ma: "uyeza?" Me: "no, There's something a-busy yiyo kwela cala. Bazobuya soon." Ma: "oh." I felt someone walk in, I hoped it was my father. When I looked up. Nope. Zakhele held a brown fluffy teddy bear. Zakes: "molweni." wait....how did he know that we're.....why am I even asking? They always have a way of knowing. Me: "molo Tata." Thenjiwe looked at the floor without a word. Zakes: "sthandwa Sam." he teased. Zakes: "right ungandihoyi. Unjani uboy sisi?" Me: "he's okay Tata." I told him what the doctor said. Zakes: "don't worry, ngu Bhele lowa, He'll be fine. So ugcinwe kweliphi gumbi?" I walked with him down the passage. I was quite scared of him, for obvious reasons. He was a well known, feared and respected villain. I explained to the doctor who he was. Zakes: "enkosi." I just nodded and stood aside. Zakhele looked at his grandchild. Zakes: "kwedin yam...susothusa kalok, yinton ngoku usixhathisisa ngentseni? Hm?" brushing his

head. Lubambo was fast asleep. Zakes tucked the teddy in his little arm. Doc: "uhm....excuse me?" Zakes: "you're excused." Doc: "its rather safe to put that, on the table." Zakes: "its not going to eat him now is it?." Doc: "yes, I know, he's just a bit fragile at the moment." Zakes: "oh? What's the matter then?" Doc: "are you the father?" Zakes: "temporarily. But I'm the grandfather." Doc: "well, like I told Miss Manti, the baby is still getting settled to his surroundings, the sudden temperature hike can be associated with the climate change or anything else he's unfamiliar with, its not extremely dangerous but we're being cautious." Zakes: "because of the long flights?" Doc: "partly. Yes." Zakes: "I see. So when can we expect him to be fine?" Doc: "when the results are back. We'll be able to determine that." Zakes: "ndizobuya late ke boy yeva? Tamkhulu has things to sort.." he kissed his head and walked out. He went to the car Lukhanyo had already called earlier in the morning to let him know of the baby and what hospital. He took Lubby's Benz, driving carefully to New Brighton. His plans were changed, he had something different in mind. All he needed was his young team. Past KwaZakhele, Njoli to Zwide. He stopped the car at the car wash, rolling down the window. Lucky, and his friends were having pre drinks washing their cars. Zakes: "Vusumzi." lucky: "molo Ta." Zakes: "I need you to do me a favor." Lucky: "okay Tata.." Zakes: "khangela Smilo, find him, undixelele ba uphi na. By the end of today." Lucky: "ewe Bra Zakes." he rushed back to his car. Zakes: "noba ucimba ndingu bebebe uSmilo. Sit and relax while he plans me. Heh." he drove off.

Chapter 655

Late Thursday evening, luzuko helped Lubby in bed. Lubb: "mind the butt. La injection iyandinyisa." Luz: "bakuhlabe kancinci. You should get some rest." Lubb: "I can't, I have to-" Luz: "No! Kuthen ungeva nje? Hleli nje Ungu 'I have to go.' Stop it Lubabalo!" Lubb: "but Jermaine needs me, I wasn't there for him kungcwatywa uDonkey, he probably thinks I'm a shitty friend." Luks: "you're not, He'll understand ba you have shit to get through nawe. You need some rest." Lubb: "okay, can I at least get my iPad to update something real quick?" Luz: "No. Lukhanyo and I will take care of anything work related, just sleep Bro please, Luks uzokuphathel kutya, utye ne pilisi zakho then sleep." Lubb: "can I get my phone?" Luz: "ndizayoy'landa ezantsi kuLukhanyo." he walked out the room, Lubby tip toed to his bag, slipping out the iPad and walking back to bed, he crawled in carefully avoiding the pain. He unlocked and stared at the wallpaper, picture of Lubambo and his mother, merged with. Buhle and Babalo, and Luyanda. Starting with his emails, he contacted Bill Sangane and Tuarez to keep in touch with their deal. He had to get Christmas gifts for the family,

Demi would probably want heaven and earth combined. His mother would be fine with jewelry. He already ordered 3 Limited bottles of Glenfiddich Janet Sheed Roberts Reserve 1955 Whiskey for himself, Sebastian and Bill with Montecristo No. 2 and Davidoff cigars. But his bottle was going to Zakes. Lukhanyo and Luzuko got the yacht. Thulani, Namhla, Sizwe were left. Lihle had stated more than once she didn't want a gift. The babies were sorted. Luzuko stood behind Lukhanyo in the kitchen. Luz: "what are you doing!!" Luks: "reading." Luz: "ayo phone ka Lubby leyo?" Luks: "no." Luz: "where is it uyay'funa." Luks: "its in the charger. He first needs to eat, take the pill, it'll take him out for like 8 hours straight. And please do not say anything about the baby, he's taken care of, yamaz uLubby He'll want to drop everything and fly to PE kodwa akekho grand." Luz: "uzofuna ufownela uLihle mos." Luks: "lihle's phone is off." Luz: "so I must lie to him?" Luks: "its not lying if he didn't ask nothing. Just give him the food, pill. then the phone He'll get later." luzuko looked around anxiously. Luks: "mxim." he took the tray and went upstairs. Luks: "Bafo.." Lubb: "hm?" he hid the iPad. Luks: "here's your food." they lay together in bed. Luks: "so how are you feeling." Lubb: "Lukha, this is not necessary bra, I'm okay seriously." Luks: "no! Kudala undijonga nam, time to return the favor." Lubb: "thank you, but if you want to go out, you can leave me behind and stuff, I don't mind." Luks: "just rest for me?" Lubby ate his food. Lubb: "andikafuman calls?" Luks: "earlier...you did." Lubb: "who?" Luks: ".....Lihle." he took a slice of toast from the plate and lay back on the bed. Luks: "ungayilibali pilis yakho." Lubb: "it makes me dizzy and weak and a bit crazy." Luks: "a bit crazy? You are already crazy nje." Lubb: "you don't understand Bafo. I become emotional and too honest and fucking annoying. It has progesterone." Luks: "izokulalisa nje." Lubby put his plate on the dresser and drank the pill. Lubb: "can I have my phone." Luks: "ndiyay'charger. Its low." Lubb: "okay. Come." Luks: "no I'm not gonna cuddle you. Fuck off." Lubb: "your loss." covering himself. Lubb: "thank you for everything you've done for me Lukha. I appreciate it." Luks: "its chilled. yinton Le?" he took out the iPad. Lubb: "ayo tile?" Luks: "hehe, you sneaky bastard. Khalale." Lubb: "my neck feels ticklish." he mumbled. Luks: "sleep." rubbing his neck. Lubb: "its going around.." he sang softly. Lubb: "around and around in circles." Lukhanyo chuckled. Luks: "what is." Lubb: "pumpkin and the bear. Holding hands to....." Luks: "the rainbow?" he joined. Lubb: "please don't go he said..." Luks: "you said it not the pumpkin." he giggled. Lubb: "hmm....mmh hmm.." he hummed. Luks: "ooh ooh oohhoo..." Lubb: "ya-ngx-ol-a." he slurred. Luks: "ndithule ke. Shhhh..." Lubby dozed off to sleep. Luks: "you are such a big baby." he snuck out of bed and walked out. Luz: "he's asleep already?" Luks: "yeah, I'm getting some snacks." Luz: "nawe zolala? Aibo Lukhanyo, we were gonn hit the club?" Luks: "nah..angavuka

Lubby pha with a blanket around his neck, uyagula lamntu une chapaza." Luz: "so you're gonna stay with him?" Luks: "yes. And watch some movies, have fun though." Luz: "you slaughtered my vibe Lukhanyo. How do I party by myself? No man. Lubabalo has a housekeeper, technically a nurse, she can keep an eye on him." Luks: "he's our brother Luzuko. He hates to admit he needs help but nawe uyam'bona ba unjani." luzuko sat down. Luz: "I get that, but I don't like seeing sick people, it makes me nervous." Luks: "you don't have to see him. Have fun, the girls Are waiting..." Luz: "nahh...it won't be fun without you guys." Luks: "wanna come up?" Luz: "in a minute." Lukhanyo took the snacks upstairs and got into bed with his earphones paging through his brother's iPad. Luks: "Hahaha!! Yuuuh ubhanxekile Lubabalo moer." he looked at the movies, switching one on.....

Lucky went to Zakhele in the car. Getting in the passenger seat. Lucky: "Tata, ndim'fumene." Zakes: "phi." lucky: "uhleli noTa Seez." Zakes: "yinton leyo." lucky: "uSizwe boss. UTata ka Lihle." Zakes: "Lihle?" lucky: "umfazi ka Ta Luks." Zakes: "oh yes! ULihle. Hm...so....uSizwe, ngutata ka Lihle kanene." he thought back to the past. Zakes: "Thenjiwe wamitha after.....shit." Lucky: "ndenze ntoni Bra Zakes?" Zakes: "no....sukwenza nto. Yeke net so." lucky: "usure Ta?" Zakes: "positive. myeke. Akhont indidibanisa noSizwe. Ndifuna inqina lika Smilo Mzinyathi qha!" lucky: "o-okay Bra Zakes." he got out the car. Zakhele sat and thought for a while. Clearly Smilo was hiding from him using Sizwe as the shield. Or were they forming an alliance? Zakhele missed his boys. He called Lubby, phone was off, then Lukhanyo. Luks: "Ta?" Zakes: "hello unjani?" Luks: "ndiphilile Tata. How you holding up?" Zakes: "kuyazameka, wena? Are you doing well?" Luks: "ewe Tata, ndiphilile for the second time." Zakes: "Unjan uLubabalo? Is he pulling together?" Luks: "bit by bit. Akafun ncedwa, hleli nje ufun phithizela. Finally managed to get him in bed, wasela pilis, wacula, walala." Zakes chuckled. as long as his mission was half done, bringing his sons to peace. Seeing them made him miss Zolani. An aching pain in his heart of guilt and regret. The other half of his mission to put himself out of this misery. Every time he looked at the mirror, zolani stared back at him painfully.. He couldn't do it anymore, he couldn't run. Luks: "Tata?" Zakes: "ewe nyana." Luks: "uright? Kwenzeka ntoni?" Zakes: "hayi akhonto my son, bendifuna ukuva niright na." Luks: "Unjan umntana. Sephumile sbhedlele?" Zakes: "hayi akekaphumi, bathi zothatha iintsuku ezimbalwa, kodwa ndise ndlelen eya khona ngoku." Luks: "give him a kiss for me. Undijongele amawele anjani please." Zakes: "Lukhanyo, ndimdala ndimngaka, andizo zulela wena mna, andiyaz why you keep having babies all over the place." Luks: "Heeee UTata. Banomama omnye njena." Zakes: "ndizoya late, xandiyo facer uThenjiwe." Luks: "oh, khaw'myeke torho Tata, yhini." Zakes: "uyamazi undenzeni? Mcim. Wenzanton?"

Luks: "ndileli camko Bafo. Bukel film. Luzuko naye yozela leli on my other." Zakes: "vusa Luzuko umchazel mamakhe unditshise nge tea ksasa." Luks: "I'm not gonna do that Tata. Issues zenu nizozu sorta nobabini." Zakes: "ilwimi lam lisa bhabhuzela." Luks: "liyabawa kaloku." Zakes laughed. Zakes: "niyandiqhela makwedini." Luks: "wena wenzanton." Zakes: "looking for your uncle." Luks: "ngoba?" Zakes: "Smilo uyandi planner Lukhanyo. Andingo thubethe kalok mna andimuncwanga." Luks: "nobody said..." he laughed. Luks: "nobody said Ungu thubethe Tata, kuthen uzocinga lonto." Zakes: "because ndiyayazi isebenza njan nqondo ka Smilo. Its been years. Ukhula emva kwam, ndandim'nxibis napken. I know him." Luks: "okay...prior to you dressing him. Awumshiyi nge 6 years na Tata?" Zakes: "ingena kowph umnyango ke Le uy'thethayo kwedini?" Luks: "okay, ndival umlomo. Dad, mna ndithi hlala phantsi uthethe noTa Smig." Zakes: "andicingi Lukhanyo. S.O.Z.E." Luks: "okay! Fine. Just remember he's your only brother left." Zakhele kept quiet, that was really true. Zakes: "ndizok'fownela ngomso ke.." Luks: "okay. Please be careful Tata." Zakes: "always am." Luks: "bye." Zakes: "sharp." he hung up. Zakhele had driven all the way back to the hospital to check on the baby. He hopped out the car and went inside the building. Thenjiwe rolled her eyes. He irritated her to such a point she couldn't explain. Zakes: "my darling Chocolate cream." he smiled. Zakes: "bendizokukhethela iblom entle efana nawe qha ingxaki andide ndiyifumane. Ndihamba ndinyathela ameva ndizimisel ukonwabisa ngenye emini. Phewwu madoda, itsho lanto ngoncumo Lwe ngelosi ind'shukumeza iziphakathi. Intliziyo ilighubhu es'fubeni ililela intombi yakwa Manti ithi thatha ndim lo, ndilinde wena. Molo sisi." she looked at the floor in embarrassment. Thenji: "molo Zakhele." Zakes: "uright?" Thenji: "ndiphilile wena?" Zakes: "better now that ndibona wena." he winked and walked in before us. I stared at my mother in shock, surprise and wonder. Me: "what was that about?" Ma: "phambene wethu uZakhele. Akafun bona abantu bonwabile hlel nje Ungu khanda liyazula, nyathela kwanto ephamb'kwakhe. Nxx!" Me: "kodwa mama, it didn't seem like that." Ma: "wazi uJeff, that's why esenza lento. Babendi ndodwa bengasoze enze lento, ndiyamazi mna." Me: "hm...." Ma: "singa goduki mntanam?" Me: "andikwazi mama ushiya Lubambo yedwa. Ndihamba xa kuhamba yena mna." Ma: "ndikuphathel nto yotshintsha?" Me: "ewe mama. Noba track suit." Ma: "okay my baby." she took her bag and walked out. I waited till grandpa was done and he came out. I went inside. Zakes: "Lihle." ndothuka ndama. Me: "Ta?" Zakes: "ndifuna uthetha nawe uqiba kwakho apho. I'll be in the waiting room." he walked off, flipping his blazer. His tone was more of a warning. I was shit scared.

Lungelo and Zintle were done packing their things. deciding to spend their Christmas in Plettenburg with their parents. Khaya lay on his bed. Since that morning. The

twins were sleeping. Lungelo: "baby, please chill now? Okay?" Zintle: "Lungelo ndizohamba njani noKhaya enje!" Lungelo: "He'll be sober by tomorrow." Zintle: "problem is keeping him away from utywala! I thought you had 'a plan'" Lungelo: "Lubby was in hospital again." Zintle: "what! Why?" Lungelo: "well he wasn't taking his med's so he collapsed." Zintle: "Lubabalo is just bloody careless kodwa yazi. I keep telling him over and over again but akeva!" Lungelo: "he's under pressure, engaged and has a new born son, he can't remember everything." Zintle: "he's what?" Lungelo: "what?" Zintle: "engaged to who??" Lungelo: "uhm....." Zintle: "tell me!" Lungelo: "he's going to marry Lihle." she laughed. Zintle: "nah boo. Ndiyamaz Lubabalo. He's always distracted after some time. I give him 3 months maximum." Lungelo: "I might not know much, but I think he's pretty serious this time." Zintle: "no, he's obsessed. As always, runs the marathon, gets the trophy, hangs it for a while.....runs another marathon, moves the first trophy away to make space for the new one. And so it goes." Lungelo: "okay. Whatever. Back to Khaya." Zintle: "ndiyamshiya mna baby. if he wants to act like a hobo. So be it." Lungelo: "at least he passed. That's something right?" Zintle: "yeah, at least that's something positive." she walked to her brother's room. Lungelo: "babes, I'm meeting Lonwabo for drinks." Zintle: "don't be late Lungelo." he took his keys. Lungelo: "love you." Zintle: "me too sweetie." he walked out the door to his car. Meanwhile Lonwabo dressed Tia in her pajamas after a bath. They sang together as he tucked her in bed. Tia: "Tata, cela fundel Tia story ne?" Losta: "okaay my angel. Bekela ke." he hopped onto her bed. She cuddled on his chest. Lonwabo read her the story, making all the sounds out loud. She kept giggling. Losta: "ulala nini mntanam." Tia: "lala notata. Nomama." Losta: "oh? Uyak'qhelisa UTata ne." Tia: "hayi." she smiled. Losta: "masilale ke my love." Tia: "izoculela qala Tata?" Losta: "of course yes." he sang her a short verse for a while. At least he could sing. She fell asleep on him. Losta: "uphila kamandi kodwa mntanam wena. All you have to do is demand your daddy." he kissed her head. Losta: "I love you my angel. Naxandili xhego ke nam ndizofuna uculelwa xandilala soze ndiyilibale tu." he lay her on the bed and walked out. Busi was in bed with her work. Losta: "no, no, no, no.....absolutely not!" Busi: "what baby?" Losta: "this! You know we have a rule in this house. No work brought from the office allowed." Busi: "I'm just reviewing it nje." Losta: "you'll do that in the office at work." she packed away her papers and files. Losta: "uhm.....ndicela ukuqhatha." Busi: "with what." he kissed her lips getting in bed. The phone rang. Losta: "argg!" Busi answered. Caller: "hello sisi, cela uxelel Lonwabo ndiphandle. He said at 7." Busi: "okay." she hung up looked at his guilty expression. Busi: "uzenza fresh kodwa uzandishiya." Losta: "xolo mntwam. Ndiye ndalibala kanjan." Busi: "don't lie. Ulindile ke omnye umntana downstairs." Losta: "I want us to

talk about something though." Busi: "ubuya kwakho." he got out of bed and went to his wardrobe. Losta: "I'll be a couple of hours." Busi: "you always are." she yelled. Losta: "mxim." truth is, he was nervous, but ready. Busi: "uyephi uMandisi?" Losta: "uye endlin. Ku Tata, uthe zobuya ngomso." Busi: "okay, I'll just slip in next to Tia ke." Losta: "ha.a man baby, ndiyabuya njena." he sulked. Busi: "I know uzobuya ngo 3 eksen. Usozela uthetha oopoqo bakho." Losta: "bayak'hlekisa nje love oopoqo bam, uyabathanda." Busi: "or maybe ndinxibe la set yam intsha, ndilale ngayo." Losta: "uyaz'bona Busi uyandimosha?" Busi: "ulindiwe kaloku." he got dressed quickly. Losta: "akazobetha u10 ndingeka buyi." kissing her lips. Losta: "uyathandwa Mamu'Dabi." Busi: "ndiyakthanda nam bhuti." he walked out with a smile. Lungelo, Phila and Thulani waited for him downstairs. Phila: "finally!" Thulz: "uplanner njani uphinde ulibale?" Losta: "ndino sapho kalok bahlekazi yinton ngok nind'phakanyela okwe EFF.. Ndim lo mos." Lungelo: "khaw'ngene bra. Sizothetha lengxaki yakho kakhle." Losta: "here is where it starts." they got in the cars and drove off.

Chapter 656

I sat down next to him. Waiting for him to say something. I had questions in my mind but then again mandim've uzothin lotata. Zakes: "yazi uyafana notatakho, I don't know why I didn't notice before. A little Sizwe. Its So cute." I smiled faintly. I already know that ndiyafana notatam. Me: "enkosi Tata." Zakes: "mamakho wakhe wakuxelela ngam?" Me: "hayi Tata." Zakes: "hm.....I wonder ngoba kuthen." Me: "ikhona Tata into suppose wandixelela yona?" Zakes: "hayi. Qha I find it weird why engazokuthetha ngam like zange ndi exist ku life wakhe." Me: "oh." Zakes: "don't be alarmed. Its nothing bad." Me: "I'm not alarmed." Zakes: "abantu abadala bayazenza imistakes." Me: "such as what Tata." Zakes: "well. Ndizicelela uxolo nontombi, I am part of the reason why abazali bakho zamge batshate and utatakho aye etrongwen." my parents were going to get married? 😞:(Me: "how are you the reason?" Zakes: "hmm.....well. Sizwe ebethandana no Thenji, that's the time besendi comfortable ebomini. Sisancokola kakuhle, nothing much. Just friends. Sizwe ene tendency yolahleka oko. Baxabane ngezonto. So.....kwenzeka something, and I figure that's why Sizwe enje.." he totally did it. He slept with my mother, and uzohlala apha and admit it like it was a cool thing. I didn't wanna hear my mom's sexcapades! I don't care why, where or how. Me: "you're not my dad." Zakes: "hahahaha!!!!" he laughed and breathed ndangathi ndisi sdenge kengoku. Zakes: "she found out afterwards ba umithi ngawe. Then Sizwe went to jail weeks later. Nam ndandiphuma icountry, I found out after some months ngoSmilo. Xandibuya ndiku khangela she had left." okay, he can stop

now. Seriously sick of this. Zakes: "anyway, no, akhonto sizalana ngayo, nyan andingu tatakho, thank God.. Except that you're about to marry unyana wam and that's what I want to talk about." he looked at me, his expression suddenly changed, kodwa besandohleka? Yoh. Zakes: "ndiyivile into eyenzekayo. Between wena noLukhanyo. And it kind of embarrasses me, yilento ndicela uxolo." Me: "Tata, uLukhanyo ulucelile uxolo. And ndimxolele. We are past that Now." Zakes: "I know, kodwa ke for mna sendisitsho ba uxolo. Yhini na umamgwevana ka Sizwe." he smiled. Now that's where Lubambo and Luyanda gets the dimple! Haha. Well hello. Zakes: "there is something endingekayi thethi kumntu. And I hope, uzoyigcina kuwe nawe ungayithethi. I trust you with this. Ne?" I nodded. Andiyo cupboard nje mna. 😞_- Zakes: "ndibuyele kuba, yonke into imoshakele ngoba bendingekho. I want the boys to be happy. Ndibakhele something esolid for each other. So I want you to be sure. Anidlali noLubabalo?" Me: "no. Its not a game Tata." Zakes: "Lukhanyo will get married, Lubabalo too, and I want to be present. But at the same time andinalo ixesha elininzi." Me: "you're going to leave again?" Zakes: "andinalo ixesha elininzi. I can work on Lukhanyo, but I need your help ngoLubabalo." Me: "ufuna sitshate before you....leave?" or disappear again, I wanted to say.. Zakes: "ewe." Me: "hayi Tata. We had plans to wait and get comfortable during the engagement.." Zakes: "do you love him?" Me: "yes." Zakes: "then why do you have doubts?" I didn't have doubts, I had Plans! Me: "I don't know if I can Ta." Zakes: "we have communication issues, mna naye. Wakhuliswa ngu Sebastian, a better role model. So whatever endiyithethayo mna akasoze ayivume." how is that my problem? I did not want to rush this. I couldn't. Zakes: "ndiyak'cela mntanam." Me: "Tata, what I suggest mna is that you speak to him, I know Lubabalo akayihoyi lento uyithethayo ye-role model. He's just happy that he got to meet one of his biological parents, everything else doesn't matter. Please talk to him. Noba yinton Le usengxakin yiyo, they can help you." Zakes: "you really think so?" me: "I know so Tata. Abana 10 ababantu anymore. They're grown and can make grown decisions." Zakes: "kodwa ndityiwa sisazela and andisakwazi uyi controller anymore." I Didn't ask because I Didn't want to know. Zakes: "uqala ubomi obutsha akukho lula when the past keeps creeping in." I figured he was talking about his twin then. Again, I don't want to know. Zakes: "ndizama ulungisa Izinto, so I can go in peace." Me: "are you sick?" Zakes: "no. Ndiya epolice station ndizinikezele." OH. 🙄:o that is brave. Zakes: "Tata wakho does not deserve this. He never did. He gave up his life and his family for ityala lam." Me: "why now?" Zakes: "it feels like the right thing to do. Now." Me: "oh." we sat in silence for some time. I was a bit sleepy but I couldn't just doze off here. My mother came back after 2 hours. Zakhele was still here. Emane ngoncokola ke about his childhood, quite funny stories. I could tell he spoke in a

painful voice, he paused often and breathed when he spoke about zolani. Like he's trying to hold back tears. Angakulinge andiqalisele ukhala apha, because I wouldn't know what to do with an emotional old man. Ndizom'shiya apha mna. I don't have time for that. Thenjiwe sat down next to him. Me: "I'll be inside." I walked to Lubambo's room giving the two elders their space. Thenji: "ufuna ntoni Zakhele." Zakes: "akhonto ndiyifunayo. Lovely daughter.." Theni: " don't even think ngalonto." Zakes: "kuthen uzaw'ndikhaw'lela kengoku." Thenji: "Because Zakhele. uyathanda ufuna uba involved!" Zakes: "but mos its quite obvious this time andingeni ndawo." Thenji: "Yes it is. Because mna nawe sa....." she looked around. Thenji: "sebenzisa icondom. Yenzeka kanye, nge mistake whatever you want to call lento zasi nayo! So ndiyakucela Zakhele. Please just let it go!" Zakes: "I understand Thenjiwe, kodwa kengoku nguban la poni ibizenza mkhulu phe ndlin?" Thenji: "that is not your business!" Zakes: "okay." he folded his arms. Zakes: "sthandwa Sam." Thenji: "mxim." Zakes: "lighten up! Abantwana bethu bazotshata. Sizobayi family, more of me, more of me, all the time, more of me!" she giggled by mistake. Thenji: "Sizwe won't let it happen. Zange ayithande i-involvement ka Lihle nomntu wakwa Mzinyathi, now he has power, he won't let it happen." Zakes: "We'll see about that...." Thenji: "uthetha ukuthin kengoku?" Zakes: "what my sons wants. My sons get. Sizwe uzoyiginya ikrakra."

Lubabalo woke up it was dark, just after half 4 in the morning. On his left, Luzuko was snoring, on his right, was Lukhanyo. They had put him in the middle so that he didn't wander off. Lubb: "khanyo." Luks: "hm?" he mumbled. Lubb: "I'm hungry." Luks: "why are you awake?" Lubb: "ndilambile." Lukhanyo yawned and got up. Luks: "zatya nton?" Lubb: "I'll make myself something. Lala." Lukha got into bed, Lubby walked down to the kitchen. He made a quick sandwich and juice, eating then walking out to the pool. Water was heated, nice and warm. Glittering with the moon light. He thought he heard foot steps behind him, just as he turned someone pushed him inside. splashed inside the water. Lubb: "what the f...." Lukhanyo jumped in. Lubb: "you are so lucky my thug levels have gone down." Luks: "buzaw'thin, flap all the way over here?" Lubby swam to him. Lukhanyo swam toward the end. Lubb: "I'm gonn pretend, I'm not mad." Luks: "let me race you." Lubb: "oh please, like you can beat me." Luks: "come then." Lubb: "let me take off my bat man pajamas. Pretending I'm not fucked up." he undressed. Luks: "awumdala for Batman Lubby. Come on!" Lubb: "yes. Spider man, ndimdala for Batman." Luks: "mxim. Ready?" Lubb: "on 3." Luks: "1.....2....." Lubby swam first. Lukhanyo followed pulling him back. They raced to the finish and came back. Luks: "first!! Ha. You owe me." Lubb: "okay. I accept defeat." after an hour and a half of swimming and talking in the pool. The sun

started rising. Luks: "what's the plan today." Lubb: "Siya ku J...for the day, then flying back to PE later." Luks: "cool, I was thinking, about Christmas day. Uzokwenza njan?" Lubb: "meaning? Sokwenza just like last time, if that's cool with you." Luks: "well, I had something different in mind." Lubb: "like.....what." Luks: "nah, never mind, sinoske siyenzeni like last year." Lubb: "does it seem a bit crowded?" Luks: "its fine." Lubb: "just tell me what you want Lukhanyo. No matter what it is." Luks: "I wanted to spend it with the babies and their mother." Lubb: "uhm....uLihle?" Luks: "nah, it's a stupid idea." Lubby sighed. Lubb: "I don't know. I can't answer for her. You two have kids and if you want something like a bonding session with your children I can't dispute that. I can't stand in your way." Luks: "but you don't like it." Lubb: "its not about me. Its about the kids. If they're happy, I'm happy. Nibadala Nina, niyazazi into eniyifunayo ebomini. So...that's that." Luks: "you're actually quite serious about this aren't you." Lubb: "this is not our conversation." Luks: "yes it is, sizoy'zimela kude kuthin Lubabalo? Does it make you uncomfortable?" Lubb: "no, but I don't wanna make it seem like I'm rubbing it in your face." Luks: "so you gonn avoid telling me things?" Lubb: "its not like you want to know, so yes." Luks: "Lubby, I'm over it. Trust me. Even if she moves in, andizonihoya tu. Ndizozenzel nto zam. As long as my kids are safe and happy." Lubb: "just like that?" Luks: "yeah. Its better for everyone kuyekwe lo damtiriri oko." Lubby looked at him suspiciously. Luks: "breakfast?" Lubb: "hm." Lukha got out the pool and took a towel to wipe himself. Lubby didn't understand. Just about a week or two ago he would've tore his head apart just by the mention of his ex. Now all of a sudden he's fine with it. Guess he's serious about moving on. He got out the pool too and wiped. Lubb: "I'll go soak myself in a bath with vanilla and milk and things.." Luks: "wajika ebucherrin wena. Rhaa. Indoda ayivas nga vanilla man! Funeka ndik'thengel sunlight Le green. Uyeke usebenzis iDove zama nkazana." Lubb: "firstly ayo Dove!" he swatted him on the bum with the towel. Lubb: "its Nivea liquid soap." Luks: "that's even worse." Lubb: "mxim. As long as my skin is soft and fluffy enough for the kids.." Luks: "the kids don't even care." he ran to the kitchen. Lubby walked to the his room. Luz: "hey..." he yawned. Lubb: "rise and shine, sweet chunks." Luz: "what you doing?" Lubb: "your voice sounds like Lukhanyo when he wakes up, ngathi yi bhre ehla emthin." luzuko threw a pillow at him. Lubb: "I'm going to bath, with vanilla and milk." Luz: "you are sick." covering himself again. Luz: "how's the water?" Lubb: "transparent." Luz: "Hot or cold!" Lubb: "ungaphakami nje?" Luz: "kuthen une ngcwangu namhlanje?" Lubby turned on his bath water, pouring the bath salts and vanilla shampoo. Lubb: "ndine ngcwangu Luzuko?" Luz: "oookay. Let me leave you." he went to the other room to shower, Lubby bathed and dressed. When Luzuko came back. He stared at him, wearing the

exact same outfit. Lubby got up and went to eat breakfast. Lubb: "thank you wifey."
Luks: "ndisabetha, andika yeki." Lubb: "mmwah." he ate, Lukhanyo went to bath. The triplets got ready to leave. Luks: "ina! Uyek ufeketha." Lubb: "ndinayo impendulo bonanje, qha naah....let me love myself." they got in the car and drove to Jermaine's place. J was still in bed, he stared into space with nothing to do. The more he avoided the pain, the more it crept up on him. Realizing that everything he did revolved around his late best friend. Whenever he woke up, they called each other, he came to his place, or he'd go to his, they ate together, and almost everything else. How could he just move on when a part of him had been torn off in a second. A second that was over 3 months ago but he still couldn't let Go. Once he heard the knock on the door, he covered himself again not ready to face the world. Lubb: "J, maak oop asseblief.." J: "gaan aan!" Lubb: "Jermaine, dis ek." J sat up, Andrew? He thought. J: "wie?" Lubb: "Lubby." the door opened. Lubb: "damn Bro." J: "hey." he grinned. Lubb: "what....why do you lock yourself up like this?" J: "I don't wanna see people." Lubb: "why J?" J: "what's the point Andy? Huh? What is that gonna help?" Lukhanyo came inside the house with Luzuko. At least it was clean, just dark. With the curtains closed. Lubb: "bruh, I came to fetch you, get dressed." J: "nah." Lubb: "please J. Just throw on some pants." Jermaine went to bath and dress. J: "can't we sit here?" Lubb: "okay." they sat Down. Luks: "how are you bra?" J: "I'm good." Luz: "here." he gave him food. J: "thanks bu-" Lubb: "No. You're going to eat today. Jermaine, why do you do this to yourself?" J: "I have nothing else to live for." Lubb: "what about Donkey's kid. Leeroy? You can live for him. Be a role model, someone whom he can look up to." J: "how does a child even find me inspiring? Look at me, I'm a mess!" Luks: "you're not a mess, you just need to shave." luzuko nudged him in the ribs. Luks: "ouch! Look, J, take the kid and come back to have Christmas with us." Lubb: "yeah, the whole family is down, just to get your mind off things." J: "your father doesn't like me." Lubb: "you're not there for my father." J: "ek weet nie Andz." Lubb: "you don't have to know. Just pack your things, go fetch the kid, then we're off back to PE." J: "I'm okay." Lubb: "I don't wanna have to carry you to the car." J: "just a few days." Lubb: "nope. Take your passport too. We still going to Mexico." Jermaine dragged himself to the room to pack his clothing. Lubb: "sosele sihambeni ngoku ne? Back home. I miss my kids." Luks: "yeah. ndine stress sika Tata pha bonanje, he's probably causing chaos." Lubb: "give him a chance. Uyazama shame, I was expecting more drama from him but uphohile." Luks: "uphohile? Hahaha! Uwoah, For Now." Jermaine came out with a suitcase. J: "ready." Luks: "get ready for some crazy shit. With one bunch of a crazy family." J: "yeah well." he locked his house and they drove to Donkey's baby mama's house. The house was full of smoke. She sat with her friends drinking and laughing. J:

"Shaniqua." She: "Wat?!" she popped her bubble gum. J: "I came to fetch the kid. Waar's Lee?" She: "soek vir hom! Oooohh jinne! Wie is die?" she smiled brightly at Lukhanyo. J: "bitch I'm not here to play! waar's Lee!!" She: "Lee-Roy!!!!" she yelled. The boy came running in. She: "here he is!" J: "Andrew, I'm gonn slap this girl, just now." Lubb: "okay, hold it. Chick, please pack a bag, we're taking him for a few days." She: "ooooh! Another one!" Lubb: "yeah, the bag?" she went to the room and packed his clothes and shoes. She: "remember ne, he must drink his medicine twice a day. No sweets and lollies. They make him vomit." Lubb: "don't lie." he took the bag. She: "I'm siiiiiireas! Don't feed him chocolates." Lubb: "kazongatyi ke umntana kusityiwa. Thethi mpundu." J: "and you can't call the cops this time." She: "mxim. Bring back my child ne, don't lose him." Lubb: "we will and we wont." they went to the airport to board their jet. It was just before 12. They would leave at 12:15. So they waited. Luks: "I don't know about ya'll but I'm hungry as hell." Luz: "We'll eat when we land. Ndibawel McDonald's mna." Lubb: "same here." Luks: "J?" J: "I'm good." Lubb: "we're having lunch at McD's then." the jet took off.....

Late afternoon, I came back with Bambi. He was a lot better than previously. Plus I needed to rest, but with the twins? There is no such thing as 'rest' in their brains. They had no chill. Whatsoever. The moment I stepped in the house. Luhle stumbled up and ran to us. Luhle: "a-Bambi yaaaam!" she screamed. Me: "hello my angel." I bent down to kiss her. Her focus on her little brother, pulling the blanket off him. Luhle: "abon." Me: "ufun bona? Iza." I held her hand to the room. Me: "molweni ngaphakathi." they greeted back. Me: "uphi umntanam?" Namhla: "uhambe no Jeff sana. Ndlela ba-fast ngayo." Me: "Lutha is fast nomntu nje wonke. Akathi ngomso yena. Akazisokolisi tu." Namhla: "bemfundisa uqhuba." Me: "oh my. I can only imagine." Namhla: "imoto igcwele yi-yogurt nje." Me: "ubhuti akatshintshanga kengoku?" Namhla: "tu kanti, bonwabe ukufa. Notata behamba nabo but Waya kwenyi friend yakhe ke yena, Kodwa uthi akafun mzukulwane. Mxim. Tata kodwa." Me: "hayi mntase, trust me awufun mntana. All this, is not a joke, they're beautiful and cute and cuddly. But it takes a lot of work mntase, unqanda Mihla nezolo." Namhla: "ei ungumzali nyani mtshana awuqeqeshi man! Luthando bedlala nge remote. Wafika sisi wakhe wayithatha esithi Hayi!" I chuckled. Me: "Ncooh. Banje ke. Not even once do I regret these angels. Kodwa no more sana." Namhla: "athini yena uLubby?" Me: "he has kids! Three!" Namhla: "Lubambo yena?" Me: "Namhla, I ask that ungageleli mntu ngalento." Namhla: "okay." I changed Lubambo's diaper. He was already sleepy, rubbing his eyes with his balled fists. Me: "I did a DNA test." Namhla: "how?" Me: "I bribed a doctor." I admitted with disappointment, bendingahlelanga nje pha. The same doctor that did the twins. With my old key, knowing they were in

Cape town, I went to Ford at night to take Lukhanyo's DNA. I'm not proud that I stole it, but he's the one that taught me. Namhla: "Why!!" Me: "Namhla, I know that Bambi's father is Lukhanyo, I told Lubabalo, he accepted it and we decided He'll raise him as his own without shutting Lukhanyo out. Now, everybody wants clarity that ngumntana kabani. We'll get the results ke." Namhla: "what if it shows its not." Me: "Namhla, ndiyayaz lento ndiyithethayo." Namhla: "athini uLubby?" Me: "I'll tell them both xakuphume results. I'll open it in front of them. I don't want any one of them involved kubekho confusion." Namhla: "you're positively sure?" Me: "without doubt." Namhla: "so this is just proof?" Me: "yes." Namhla: "kuthen ndine dyudyu mntase?" Me: "Hehake Namhla. Why unedyudyu kodwa ndiyak'xelela." Namhla: "ndatsho ndaphiswa, ziphuma nin kengok results?" Me: "4 days left." Namhla: "iyuuwhi." Me: "Namhla uvale umlomo." Namhla: "ndingam'vala njan peto eqaqamba?" she pulled Lubambo. He was asleep. Luhle lay on her stomach staring at him with a smile on her face. Me: "hayi baby.." Luhle: "beby." she giggled. Me: "now I feel so guilty Namhla. I trespassed into someone's house to prove a point." Namhla: "hayi wethu Lihle, uzoyiva phambili exhweleni leyo.. What's important is that now, He'll know the truth ayeke ulengalenga angazazi ithini into." Me: "yeah." I was dead tired. Luhle: "mama. Phi Utha zam?" Me: "andimazi my love, uhambe ne Khudu nze." Luhle: "abuyi nam?" Me: "yes sthandwa Sam." I hugged her. She loved being intimate, kisses, hugs. All that was her. A dull day she could sprinkle and sparkle up without effort, she and her brother. Lubambo still slept, ate and took a dump. He only grins when his dad is present, abeyi lo dimple'nyana ye marshmallow ecream.. Me: "honey, iza. Masilale." Luhle: "alali mama?" Me: "ewe sweety. Masilale." Namhla: "mna ndizoshiyeka noBambi ke. Bhabhayini." Me: "ulele nje." Namhla: "uright wethu." she walked out with the baby. Sangqengqa inside the covers with Luhle. She started chatting about things I couldn't understand but her soft voices made me sleepy. After over 30 minutes. She mumbled a couple of times, playing with my face. Then kissed it. Me: "awozeli mntanam?" Luhle: "izeli mama. A-Utha." Oh!! Ulindele uLutha! That is just sweet. ❤️<3 Me: "okay ke baby. Uvuse umama ke Va." the door opened, ndisayoba kamnandi. Lutha: "Nanaaa!!!" he screamed. Luhle: "ithha! Mama!" Me: "hm??" ndavuka kwangoko. I knew there was no more sleep time. At night would be Lubambo's turn. Ndaske ndabawel khala kodwa ndikhalela ban ke. Because abantwana aba ngabam bazodlala naban ndikhona? Lutha: "mama!" I pulled him on the bed. Me: "hello my boy, usukaphi?" first he smudged my cheek with a big fat kiss. Lutha: "mi." giving Luhle her lollipop. They exchanged some words ndaqomba yeke nantsi chance. I closed my eyes just for 2 minutes. Lutha: "mama. Alali Nana. Abuyi khudu ne." Me: "ewe baby, and then wathini?" he swallowed and carried on talking.

Hayi ke sancokoleni. Kwaphela kwabuthongo. Someone knocked on my door. That was odd. Me: "ngena." he opened and walked in. Luks: "hey?" Luhle: "Tata!" Luks: "hello princess!" Lubb: "hello?" he walked in too. Lutha had beeeeen smiling. Me: "molweni." Lubb: "unjani?" I just stared at him. Is he for real? No, maybe not. Ndaske ndathula. Lubb: "Lihle?" Lukhanyo sat with his daughter, chatting quietly. Me: "Lubabalo." Lubb: "unjani kalok sweety?" nweety. Nx. I didn't want to blow up. Luks: "hayi Lihle, yinton ngoku." hayi ke. Nday'bhinqa es'nqeni. Me: "what happened?" Lubb: "nganto-" Me: "I have been calling you!" Lubb: "I was sick ba-" Me: "Lubambo was too! Singayazi ba uthen na!" Luks: "no, its m-" Me: "andithethi nawe Lukhanyo. I heard, Lubabalo that you got sick, wayolala esbhedlele, fine, discharged just hours later. Waya kwi meeting, somehow, after wards kengoku, when you're free, seemingly when you can fit the kid into your hectic schedule, could you have not called?" Lubb: "I didn't know!" Luks: "I didn't tell him." Me: "why?" Luks: "besene stress uLubby Lihle. I couldn't add on to it!" Me: "so when one of you has stress, nonke niba ne stress. Okay, I get that, now xakugula umntana nisene stress, that simply means I'm on my own?" Lubb: "baby no man-" Me: "and today? Morning? Check up?" he couldn't answer. Me: "cela niphumeni eroomin yam." I lay back in bed and closed my eyes for a nap. Luks: "Lihle you are being unfair. Asizotatazela alok kukho abantu bakokwenu nje to support you! NoTata uzile uzom'bona umntana now ingxaki iphi?" I was tired and taking strain. I hadn't slept since Wednesday. It was late Friday now and I couldn't take it anymore. Luks: "heee, awuzothetha kengoku nathi? Mihlolo." Lubb: "khame Luks fethu... Lihle?" Me: "I just need to rest. I am asking for just 2 hours. PLEASE." I begged. Luks: "wozela xakufika thina? Because oko uncokola kamandi noLuhle." explaining to them I hadn't slept will count as complaining they weren't there and he'd argue that ndizenzile again. Because family yam bikhona." Lubb: "Lukhanyo!" he warned. Me: "Both of you." he opened the door and walked out. With the kids. Outside Lubby stared at Lukhanyo. Lubb: "why didn't you just tell me!" Luks: "Lubabalo you weren't in the correct state!" Lubb: "well.....shit." Luks: "give her time, Uzoba grand. Usenomsindo wethu. Uyathand ustressa ke wena!" Lubb: "ndizothin ungastressi! What's wrong with my son." Namhla: "he's fine ngoku bhuti." she gave him the sleeping baby. Lubby and Lukhanyo sat down. Lubb: "enkosi Namhla." Luks: "sihamba naye ne?" Lubb: "ufuna andikhabe uLihle?" Lukhanyo chuckled. Holding Lubambo's tiny hand. Luks: "kodwa truth be told uyafana nam unyana." Lubb: "haha, riiight." Luks: "look at the eyes, xa elele. A-sexy anendaw ez'fun cengwa." Lubby laughed. Accidentally waking the baby. Luks: "yaz'bona ke! Dubul ntsini ezi weak apha ecamko Darealyst." Lubb: "ina ke Tata. Mama usayocenga." Luks: "subayi bari, Myeke." Lubb: "ndim ofayo sistroke apha!" Luks:

"awuzophuma s'fombo, hlala phantsi qha wena. Uzimamele. Damn." Namhla:
"nyansile bhuti, Lihle akeka lali oko ehlel pha esbhedlele, khabe uchopha umlinde ba uyalinda." Jongizembe walked in from his friend's place, and stared at Lukhanyo and Lubabalo. Jongi: "molweni." in a calm tone which shocked them because the last time they were associated it was on bad terms. They greeted back nonetheless and waited quietly...

Chapter 657

I woke up later that evening. I felt less heavy and more rested. Lubby sat next to the bed staring at me. I felt guilty for yelling at him earlier. Me: "hey." Lubb: "I'm sorry baby." Me: "no...I'm sorry love, I should've understood." Lubb: "no man, I should learn to prioritize nam. I could have called to check up on you." Me: "unjani?" Lubb: "I'm okay. Wena? Did you get enough rest?" Me: "yes, baphi abantwana bam." Lubb: "next to you." I looked on the other side and there the twins were asleep. Lukhanyo sat on the other chair. Lubb: "awufun manzi?" Me: "tea please. Lubambo uphi?" Lubb: "uhleli nomamakho." he got up and went to the kitchen. Me: "you're still here." Luks: "yeah, I guess." Me: "why?" Luks: "I have to get used to this. So, the more I am around the more its getting easier." Me: "around what?" Luks: "heee hayi kengoku." Me: "now what's really going on." Luks: "nothing, I'm just happy for you." Me: "seriously?" Luks: "yep, kuthwa uyi Kumkanikazi." he laughed. That was just fake. Me: "yeah well." Luks: "so ugrand?" Me: "I'm fine." Luks: "I meant happy." Me: "ewe. I am." Luks: "so uyicingile ke nge Christmas uzokwenzani." Me: "I'll be with my family." Luks: "oh. So awukayicingi Le bendiyithetha?" Me: "eyiphi kanene?" Luks: "a family Christmas." Me: "we're not a family anymore Lukhanyo. We just have kids together." Luks: "ndiyayazi lonto Lihle, but uyicingile na." Me: "no. Because andifun hlala nawe mna." Luks: "Lubby will join us." Me: "look, here's what, I'm going to sit here, with my babies for Christmas, if ufuna ukuza, uzoza. Into endiyaziyo mna is that andizi. My uncle and aunt are home, with Jeff and my mom. Uyayazi ba abavani nakwa Mzinyathi, plus my dad isn't vibing with yours." Luks: "last year bikhona vibe? Everybody had fun." Me: "things have changed bhuti. I want a peaceful Christmas." Luks: "my dad wants to taste your Hong Kong chicken. Your roasted wedges, nala salad yakho indihambisela ngomzimba." I laughed. Me: "suxoka mpa. You do it." Luks: "I won't bother you at all..I promise." Me: "I'm not going to change my mind." he looked at his phone. Texting someone. Luks: "why ufuna ucomplicator Izinto?" Me: "uthetha nam kanye ne phone yakho?" Luks: "ndithetha nawe Lihle." Me: "you like manipulating me into your way." Luks: "woyika ban? Awuzobethw-" he stopped

himself. Luks: "I just want a normal family dinner." Lubby walked in with a tray, ready team and some muffins. And flower petals on the side. I was so confused. Me: "thank you hun. Yinton Lena?" Lubb: "decorations baby." he sat down. Lukhanyo was staring at his phone with a concerned expression. Lubb: "Lukhanyo?" Luks: "I have to go." Lubb: "what's wrong?" Luks: "just a minor hiccup." Lubb: "which is?" Lukhanyo put the phone away. Luks: "hm? So? Lihle ithini nto? You coming?" Me: "no." Luks: "Lubby cela uthethe ke, maybe izovakala kakhle ngawe. Lizwi lakho lele swekile." Lubb: "cela ungandifaki tu." all I could think about was the secret of the DNA. Ndidendiyoba endlin ka Lukhanyo. Was I sick? He answered his phone. Luks: "Stuja, sundiphambanisa ne?" silence. Luks: "how the fuck do you let that happen!!!" he roared. Lubb: "itya baby." he whispered. I ate a bit. Lubb: "ungatyi amaqabi ke, uzoxhozula." I giggled. Luks: "you know what? Utheth ukunya kengoku! Send me the address. I'll fetch it my fucking self!" he hung up. Luks: "yazi unika umntu a simple task with instructions angakwazi! Instead of uthetha kuthen engatsho ufun ncedo!" Lubb: "uhm..ufunu ncedo?" Luks: "No. Uzaw'ndi fuman endlin." he stormed out. Okay. Me: "do you think maybe he's planning something?" Lubb: "no. He's just trying babes. I tried talking him out of it, akafuna esithi uyayazi and he doesn't want to hide anymore. So ke ndimyekile angene." Me: "and Christmas? Did he tell you about that?" Lubb: "yep. He asked ndathi makabuze kuwe." he pulled on the blanket staring at it. Me: "andifuni." Lubb: "uhm...love?" Me: "yes?" Lubb: "I have this deal, in Mexico that I accepted. I am going to go there for about a week." Me: "oh? When?" Lubb: "nge 3rd ka January." Me: "so early? Okay then. Good luck." Lubb: "ndizohamba nooLuzuko." Me: "hm...you won't have a dull moment. Wonwabe ke." Lubb: "its only business love." Me: "I know. uziphathe ngendlela qha." Lubb: "heee ubaby. Andingomntana noko. And....I...cela ungaqumbi." Me: "what did you do??" Lubb: "I bought a yacht." Me: "you did what!" Lubb: "I know right?! Its So cute!" he chuckled. Me: "no, Lubby, ndanditheni kuwe ngo spender oko?" Lubb: "but ndiyazonwabisa nje mntu wam." Me: "phof, its your cash, do whatever you like." Lubb: "so me and the guys are taking it for a cruise nge 31st." Me: "well I hope you have fun. " Lubb: "I'm gonna miss you." Me: "you don't look like you're gonna miss me." Lubb: "how about this." he plucked out his bottom lip. Me: "no." he rolled his eyes back. Me: "hayi!" Lubb: "Hahaha! Bendiyazi." Me: "how do you....." Lubb: "hayi khaphoswe." he kissed my lower lip. Lubb: "I have to fetch uLuyanda baby." Me: "hamba kalok sweetie." Lutha woke up. Lutha: "Tata." Lubb: "my boy." Lutha climbed over me on to his lap. Lutha: "Ani." Lubb: "huh?" Lutha: "aphe Ani." Me: "he wants honey." Lubb: "ohh!" Me: "bottom drawer, umnike teaspoon yakhe tu, otherwise niyow'lwa kakubi." Lubb: "Lihle. Iseninzi into efuneka sithethe ngayo, such as living arrangements, taking the kids to day care." Me: "day

care? No." Lubb: "baby, you're going to school to do your second year. I'm gonna be busy with work, with Lukhanyo. Your mom has her church things to do. They have to go to day care." Me: "but I.." Lubb: "there is No Way, you're quitting school. Ndiyayazi first year yakho was a bit rocky. Unlike most students, you had a hectic year. Kodwa you made it." Me: "I haven't seen the results. I probably flunked. So its best i-" Lubb: "No. Its best you continue. Failure is just a stepping stone, and subanezoo ngqondo. Stay positive. Mna ndithi you passed, maybe not with 100%'s but uzamile enough for lo uzayo unyaka.. Please don't give up baby?" Me: "fine." Lubb: "yeah? so I'll go to leya ka Chuma, is that okay with you?" Me: "yeah.." I didn't like the idea of my babies going to creche. Okanye ndiyaba fekethisa? Lubb: "andiyazi nje ingathi now all of a sudden wonke umntu uhlala endlin yam. Sizokwenza njani na. Ngoo Luzuko nama cherri abo ngapha, ngu Tata, my parents." Me: "we're not in a rush, are we?" Lubb: "nope. But ke ok'salayo I wanna live with my bae. Should we move the wedding date closer. Maybe in Feb?" Me: "uhm...yeah." Lubb: "what's wrong?" Me: "nothing." Lubb: "or you want to marry me after you get your degree?" he joked. Ndaske ndanyaba. Bra Zakes Bethe mandithi ngoku. 😞:(Me: "baby..." Lubb: "its okay sweetie ndizolinda. Nam ndicinga its best we take it slow." Me: "have you spoken to your dad yet?" Lubb: "not about us, not really. Ngoba Dan?" Me: "just asking." Lubb: "what are you hiding?" Me: "my love for you." I kissed his cheek." Lubb: "oh?" Lutha: "mama! Mmmm" he pouted. I kissed him too. Me: "its getting late." Lubb: "We'll talk efownin ke. I love you angel." he kissed my forehead handing me Lutha. Me: "I love you too." he walked out to his car. Lubby drove to Liya's mom's house to fetch his son. Liya was getting ready for bed. He knocked on the front door. Liya: "mama khaw'me." she went to open for herself. Lubb: "hey, uright?" Liya: "I'm fine." Lubb: "hm..ndizolanda umnta-" Liya: "ngel'xesha Lubabalo!" Lubb: "I was busy." Liya: "so mawuzolanda umntana ngo 8 ebsuku? Without even a damn phone call!" Lubb: "Liya , please." Liya: "kuthen uhlel nje ufun ucengwa! Always uLuyanda must be the last to get your attention!" Lubb: "that's not true!" Liya: "OH. So oko ufikile emini, busenzani mhlawmb? Matter of fact don't even answer that andifun uyazi. Ingathi uyatyhalwa ba mawuze. Intliziyo ayifun! Ubhanxa mntanam apha khala ngo my son ophambeneyo!" Lubb: "damn Liya, do you really have to do this right no-" Liya: "akho mntanam uzophuma ngel'xesha apha. Uyow'bona ba mawuthin." Lubb: "can I at least come in-" Liya: "No!!" Ma: "hayi kodwa Liya omnye-" Liya: "mama, ndicela ume tu. Xa uLuyanda engaphilanga ndipixa ndodwa apha, wonke umntu ahambe ayokonwaba. Andincediswa mntu, so I think I have the ultimate right to pick and choose what happens in his life." Lubb: "but Liya uyayazi ba I have other child-" Liya: "so funeke uqibelise ngalo every time? Okay Lubabalo. Sharp Joe." she closed the

door and locked it walking straight to bed. Lubby sat outside and thought for a very long time. He missed his son, and there was nothing he could do.....

Lukhanyo was at the harbour in a private storage. Luks: "who the fuck are you!" Guy: "you can call me Sparks. I'm your new partner and friend.." Luks: "I don't have friends, I have employees. Phuma!" Sparks: "you do realize you could have been caught." Luks: "could have, is wishful thinking. Get Out." the short guy walked out. Lukhanyo wore his gloves, took the crow bar and broke the wooden carriage open. He pulled out the white fluff and stared at the AK47s stacked neatly. A range of other rifles too. Everything was there. Luks: "Stuja!!" he yelled. Stuja: "yes boss?" coming in. Luks: "uyisondezile itruck? Zihamba kwangoku ezinto." Stuja: "ewe bhuti." closing the carriages, he called the others to carry them to the truck. Sparks: "so...if I want in. Ndenze njan." Luks: "ndingekaku nyatheli ebuswen. Fuck off!" Sparks: "I'm the only that's willing to he-" Luks: "I don't need your help!" he walked to the guys. Luks: "yinton ngathi ni pakisha ii-tamata! Get a move on!" Stuja: "siyazama bhuti." Luks: "no S'lu, I paid for this place to be clear for one hour, seni waste 30 minutes already. Soon, kuzofika security apha!" he helped them pack his boxes. When they finished he locked the store rooms and walked out to the front, the truck drove off. Lukhanyo paid again. Luks: "thanks bra.." Supervisor: "akho ngxaki Ta Luks." Luks: "I didn't think you'd pull it off but.....nah, uzamile. Sizoncokola. You can turn on the cctv." supervisor: "sure bhuti." Lukhanyo walked out and drove after the truck. It was going straight up to Pretoria after stopping at a truck garage. He paid the driver. Luks: "if you do not get there by 6 in the morning. And deliver my merchandise. Nc nc nc....." he walked to his car and drove home. Meanwhile at the Triple L house, Luzuko made himself a snack. Zakes: "kwedin." he walked in. Luz: "Tata." he breathed. Zakes: "unjani ? Kuthen ngathi uyagula nje?" Luz: "I'm fine." Zakes: "thetha nam nyana. Come on." Luz: "Haibo Tata. No." Zakes: "khaw'thetha wethu." he poured him juice. Luz: "I don't like mango." Zakes: "khandibuze." Luz: "my girlfriend sent me an email." Zakes: "une girlfriend!? Wena!!" Luz: "you see? Nah, I can't do this with you." Zakes: "okay, xolo ke, thetha." Luz: "undithumele email, this morning, ndiqala uyifunda mna just about an hour ago." Zakes: "uk'lahlile shame." Luz: "No Tata." Zakes: "akak'fun?" Luz: "no!" Zakes: "unomnt omtsha?" Luz: "she missed her period." Zakes: "OH." Luz: "yeah. Oh." he looked visibly shaken. Luz: "uthi ulibele utya pilis a couple of times and its possible that....I can't. I'm not ready." Zakes: "so, Uzoba ngu Tata." Luz: "No! I don't know. Maybe uyadlala uTiyana, wanting to see my reaction." Zakes: "xa usithi yi cherrie yakho nyana, kuthen kengoku une dyubedye?" luzuko laughed out loud for the first time today. Luz: "Hehake Tata, yinton leyo?" Zakes: "ndiyazelaphi, as long as uncumile for a second. I don't care ba yinton na." Luz: "enkosi Tata, but I'm still in

that predicament." Zakes: "uyondixolela ke mntanam andiyazi ipredickamens mna."
Luz: "Tata ndizokwenza ntoni if Tiyana umithi? I always insisted aye for injection, way kanye wathi yena ufuna la pilisi because naliti imenza Izinto, ndam'yeka right. But jonga ngoku! I'm still a baby myself, ndisancanca mos, ndizamthin umntana."

I couldn't live without her At all. Bantu benomona besifa, ndandi sexy kaloku mna." luzuko giggled hiding his face.
Zakes: "serious, kuba nangoku ndiyazaz ndisaz'phethe grand. Anyway, eclinic achazelwe ke ba, nikhona. I was scared. Not because bendinga fun bano mntana, just that Ndandi ngekho ready. "No!" Songezo: "andisemdala nje." he read his newspaper peacefully. Meanwhile in Port Elizabeth, Asanda cooked a full meal earlier with dessert. Sisipho and her daddy watched TV with their little chats. Thando: "mwah. Khaphuz Tata." Sisipho: "mmmbah." he pecked her. Thando: "phuza UTata." sisipho: "dada." Thando gasped. Thando: "Babyyy!!!!" Asanda: "ina ke Thando, cela abuyele ebhedini." Thando: "it doesn't look like usezolala lo." asanda: "nantsi botile yakhe." he took it and fed his baby. She sucked on the bottle, holding his hand still. She stared into his eyes and smiled. His heart melted when she stopped sucking and swallowed just to giggle. Thando: "you are something else yazi." she sucked again, rubbing her eyes. She was finally going to sleep. He stood up and rocked her back and forth. Sisipho fell asleep in his arm. Thando took his daughter to bed, kissing her cheek. Thando: "I love you mntanam." he tip toed back to the lounge turning down the volume. Asanda sat on the couch with her dessert bowl and blanket. Thando: "my love, iphi kengoku eyam." Asanda: "ise kitchen tshin." Thando: "heeee, ndayeka no romance'wa na ngoku..." Asanda: "Hahaha, akuse mnandi utyiswa ngumntu. Come here." he kissed her lip and lay on her lap. Under the blanket, they watched a movie. 20 minutes through it he fell right asleep. Asanda watched it to the end. She wasn't sleepy at all, after a week of fighting she was glad things were back to normal, he came home earlier, was more open. But she still couldn't resist the urge to check on him. She eventually controlled herself, not wanting to cause another fight, she minded her own business and let him have his privacy...

3 days later, Christmas eve.

Mandla woke up in the morning and took a bath. He waited for his girlfriend while reading a book on the knowledge of business. He was very serious about changing his life. He looked around and realized he was out of snacks. Mandla dressed up quickly and walked to his car, driving to Spar. He bought snacks and yogurt, chocolate, biscuits. then went back home, Khanya arrived. Mandla: "sweetat." Khanya: "baby." kissing his lips. Khanya: "ndik'phathele something ke nam." it was braai meat, marinated in a juicy mouth watering sauce. The smell was to die for. Mandla: "yuuuh, enkosi baby! Nazi ezakho. Ndatsho ndalamba." sitting down to eat. Khanya: "ndiyenzile ke pregnancy test." Mandla: "ithini into ke baby?" Khanya took out the pregnancy test. It had one line. Mandla: "so ithi kuthen xa inalomgca ke baby? Andiyazi kalok mna." Khanya: "its negative, andikho mithi, so cela uyeke undigezela." he laughed. Mandla: "xolo ke love. Masitye kalok inyama, kodwa ke awuzosela. Andiyifun cherri eselayo, kaloku sow'ngu mfazi ngoku suzilibala." Khanya: "ndiyeke notywala mntu wam. Abundinikisi mdla wethu." she took a thigh and ate it. Mandla poured some juice for both of them. After eating and cleaning up, they lay together in bed, talking. Mandla: "love...ndisa lambile kodwa mna." Khanya: "sweety ushiye inyama nje, itya, suhombela mna." he unbuttoned her jeans pulling them off.. Mandla: "ndilambile baby." Khanya: "oh? Itya ke sthandwa Sam." he kissed her thighs. Rubbing her pussy wet. Khanya: "ungayiqibi ke baby ushiyele late.." his lips kissed it gently, tongue sliding up and down. Mandla: "hm?" sucking deeply. Khanya: "oh Mandla!" his tongue swivelled inside her. Legs wide open. Khanya: "baby....please." she could feel her body failing dismally, shivering in pleasure. She wanted him badly. Khanya: "baby!! Cela ufake kaloku." she begged. He sucked on the clitoris, his tongue rounding about. She held herself tightly, Mandla stopped. He took off his clothes throwing them on the floor and went inside her soaking wet. Khanya: "ima baby." pushing him off her and climbing on top. She rode him slowly. Mandla: "aaAaahh....yess baby. Net apho." she lifted her ass up and put it back down on him.. Khanya: "babyy..." she moaned. Mandla: "qhuba mntwam." she went further deeper. He groaned out loud, Khanya: "shhh." twerking on him. Mandla: "uzandicithisa njena." Khanya: "right now?" Mandla: "don't...stop...." he breathed. Pumping into her. Minutes later he climaxed bringing her down quietly. She got off him. Khanya:

"anndika qibi mna." she sulked. Mandla: "kodwa umnandi mntu wam rhaa. Hayi shame I couldn't even." touching her, his fingers rotating inside her, his thumb rubbing the clit. Khanya: "yes!" her head dizzy and she felt herself coming, hard. Khanya: "faster!" she groaned. Mandla went faster, her thighs were shaking. Near her climax. Khanya: "come on baby!!" she cried. Mandla kissed her ear. Mandla: "citha baby." he whispered. Her body electrified. Khanya: "no..." Mandla: "ndiyiphuze baby? Like this?" licking her earlobe. Khanya: "ohhh fuck!!!" Mandla: "apha?" rubbing her harder. She was about to explode. Mandla kissed her neck, licking and sucked. Khanya: "don't.....stooooop!!!!" her body vibrated and stopped, closing her thighs onto his head, while she throbbed. Breathing heavily. The bed was wet, his hand dripping wet. Mandla: "Yuuh caba Kudala undibawela qha uzenza clever. Ndik'jongile." Khanya: "uyayenza into kodwa Mandla. Jonga ngoku." Mandla: "haha. Kodwa uthe nethe kamnandi." he wiped his hand and her underneath. Khanya: "sine dinner party ke endlin njebe ulibele kuphola." Mandla: "ndiyilibele naleyo. Enza manzi ke sivase." she got up to boil the water. Khanya: "what the fuck is this Mandla?!" picking up a pick lace fabric.....

After cleaning the house doing a bit of reading. The kids were with Lukhanyo. Bambi was sleeping on my lap. I got the SMS. Ndafunda ke. The results were ready. I had told the doctor about the potential fathers being identical. I even went as far as paying for a blood test. 😞:(that was a slight chance in proving it but it was theoretically possible. Ndaske ndabanda. I remember the doctor talking gibberish about genetics and shit. Something that identical twins usual develop or change over time. But it would still be difficult to test paternity, and their blood types usually the same, Unless....something happens to one's DNA. I had to take the chance! I dressed my baby up warmly and wore my boots. Everybody had gone out apha endlin. I locked the house, buckled my son up and drove to the hospital. As I walked in with Lubambo. The doctor came to us after speaking to a patient. Doc: "good morning miss Manti, hello baby boy." Me: "hello." we walked to the office ndahlala phantsi. Doc: "so, I've been doing this job for years. And I have to admit, I've never sweated like this in a very long time." Me: "why would you be sweating over this?" we don't need your sweat. Doc: "well, I did more research, with my colleagues to determine what could actually be done in this case. Sandra-lee was the one to shed a bit of light. It is not impossible to have different blood type, DNA is not set in stone. It can and does occasionally change or mutate. If that change happened in the exact right spot, then it could very well affect blood type. After being fertilized, an egg does divide into two. The DNA of the fertilized egg is copied and the egg splits into two cells, each with a full set of DNA. Imagine that the DNA copying machinery in the egg made a mistake

while it was copying the DNA. This can and does happen since our DNA copying machinery is not perfect. Let's say this mistake happened at a single spot in the A gene. That is a blood type, The A and the O versions only differ at a single spot in the ABO gene. If the change happened in the right spot, then we would now have one cell that has an A and an O and another cell that has two O's." I didn't hear a thing, because I wasn't listening. I really couldn't care less who had G or Z blood type. Doc: "If these two cells went on to form a single person, then half that person's cells would have an A and an O and the other half would have two O's. This is called mosaicism. in this case, the two cells split apart and go their separate ways. Each goes on to develop into a separate person. This is how identical twins happen." Me: "doctor, with all due respect, I see your passion and this excites you a lot. But I have to go." doc: "just a second dear, In this case, though, they go on to develop into identical twins with different blood types. One twin has an A blood type and the other has an O even though they are "identical!" So this is one way identical twins might end up with different blood types. Not common but definitely possible." Me: "fascinating." Doc: "so, here are your results." Me: "just a point of interest, Do they have the split different blood type?" Doc: "let me check fo-" Me: "No! Thank you very much doctor for your insight and knowledge." Doc: "my pleasure ma'am." I stood up and took the envelope home. Lubambo was yawning in his seat, his eyes lazy and mouth set firmly. Those cute dimp'z. I took him inside the house and called Lubby and Lukha. I wouldn't open it until they arrived. Damn the doctor wasted time though 🤦:othings I didn't even ask. Like the last time oko edwabula unomphelo wento. I fed Lubambo, burped him then let him have his nap. He was getting bigger by the day. A soft caramel complexion. After I put him in bed, I waited. And waited. Only 45 minutes later they arrived. Me: "good afternoon." Luks: "hey." Lubb: "hey babe. Baph abantu." Me: "out for the day. Drink?" Lubb: "I'm fine." Luks: "uphi uBambo?" Me: "he's asleep, ndicela nihlale phantsi." well, here it goes. Luks: "what's going on? What did we do?" Me: "well, firstly ndicela uxolo." Lubb: "why?" Me: "for doing this behind your backs, I didn't want neither of you involved in it, so Kchange ndithethe, Lukhanyo I sneaked into your house to steal your DNA. And I did the test." Luks: "what!! Why??" Me: "you wanted me to. Remember?" Luks: "Ithin kengoku i-result?" I gave him the envelope to open it himself. He opened it and looked. First a bit confused, his eyes wandering on the paper, then stopped. He stared at the result then back at me...

Mandla stared at Khanya. Mandla: "andiyazi. Uyifumanaphi Dan?" Khanya: "sundibuza ububhanxa Mandla, ndiyifumanapha lento." Mandla: "yinton kalok Khanya?" Khanya: "how the hell should I know!!" Mandla: "khay'qhaye pha phandle ke ndiyitshise because andina laphu Eli pink mna." Khanya: "Mandla are you cheating on me?" Mandla: "ingaba ndiphambane. Ndizoyenziswa yinton lonto mhlawmbi." why was he so relaxed? Khanya just threw on her jeans and top. Mandla: "uyaphi kengoku Khanya?" Khanya: "ndiyagoduka Mandla, cacile ndenziwa isbhanxa mos apha." Mandla: "nganton kengoku Khanya? Le vekhi yonke oko ndihleli nawe njena uqala uhamba izolo elinye. Ndaya ku Lucky izolo ndahlala naye mini yonke nob'suku bayo! Ndibuya ngok eksen ngoo 4. Mandla: "ungaqala ngondimamela lento ndiyithethayo." there was a knock on the door. Mandla: "Yintoni!!" it opened. Sino walked in. Mandla: "ufuna nton apha." Sino: "ndize kuwe." Khanya stared at her. Me: "well?" Luks: "uhm..." he handed it to Lubabalo, who just put it on the table without a glance. Lubb: "you okay?" Lukhanyo nodded. Luks: "he's...mine." Lubb: "how do you feel about that??" Luks: "fucked up. Crushed. Guilty." Me: "why." Luks: "because of obvious reasons." Lubb: "this is your baby Lukhanyo. You should be happy." Luks: "no. He's ours Lubabalo. Remember what we spoke about? No matter what happens We'll share.. Its our, us and we. No more I." Me: "what's really going on?" Luks: "what do you think Lihle? Its hard for me right now because bendingafuni uyazi nyala lam. How am I going to carry on like this?" Me: "Lukhanyo, you could've told me this." Luks: "tell you I'm guilty of raping you?" I shifted uncomfortably. Me: "its the past and if sifuna uba right, masiyi shiye pha." Luks: "ndizam'jonga njan Lihle umntanam?" Me: "Lukhanyo, you have to forgive yourself. Do it for the baby." Lubb: "and he does not have to know. Singoo Tata bakhe sobabini. Akho need yokhethisa nto Lukhanyo." Luks: "okay." Me: "so this stays between us, nobody else needs to know." Lubb: "I agree." Luks: "ndicela uxo-" Me: "no its okay. As long as sisuka kulento. The air has been cleared." Luks: "thank you." Me: "banjani abantwana?" Luks: "hehe, Luthando uxabene notata. Ngenxayo mosha." Lubb: "baphinde bavana njena." Luks: "come with us? Uhleli wedwa apha and its not very christmassy of you." Me: "I am a bit lonely." I went to pack Lubambo's bag. Taking him too. khangе aqalise uvuka. Just turned and hung on my arm with one leg swinging. Me: "inoba ucimba usese bhedin wena. Wakey wakey angel." he quietly coughed and breathed a sigh. I took the bag to the lounge. Luks: "he awake?" Me: "nope. Yonqena Le." he took the baby in his arms and stared at him. Me: "he's just like the twins Lukha." he nodded. Lubb: "we can go?" he took the bag, holding my hand out to the car. Lubb: "you okay?" Me: "I'm fine thanks baby." kissing his cheek. Lukhanyo came out the house. Luks: "I'll drive leyakho with him." I locked the house and got in Lubby's car. Lubb: "hayi baby cela uqhube kalok." Me: "just drive honey. Ingathi ndisonqena okwam." Lubb: "hayi ke sana sow'hlala apha." I got out the car and dragged myself to his seat. We drove to the house, while he sat in the passenger singing along to the song on the CD player. Lubb: "you're so classic I want you more than my Adidas." I laughed. Me: "I thought you like Jordan's." he just carried on singing ndamyeka ke to enjoy himself. We arrived sangena with Lukha holding Lubambo on his waist. Jermaine sat with a little boy about Chuma's age and Zakhele in the lounge. Nette was glad to see me. Nette: "my sweet little lizzle!" Me: "hello ma, how are you." Nette: "amazing and one

sweetheart, so lady Nomow'ndeh did brief me about the makotsi. Apparently There's a ritual." Me: "uhm. I think so. It would be my first time getting a ritual." Nette: "me too!!" we laughed. Zakes: "kodwa ke UTata ulambile bethuna." Nette: "what did he say?" she looked excited. Me: "he says he's hungry." Nette: "oh, anyway, I have a range of.....Andrew why are still here, scooter off pumpkin butt." he was embarrassed by that pet name. Lubb: "Mom!" Nette: "what? Pumpkin butt?" Lubb: "please don't say that." Nette: "pumpkin butt? Pumpkin butt! Pu-pu-pu-pumpkin- Butt!" I laughed behind her. Lubabalo disappeared into the passage. Nette: "come darling." we walked to the kitchen and I started with cooking. Nette: "I have a range of designers you could choose from, Vera Wang being one, my star boutique in England has the most beautiful gowns you could ever imagine, and it'll be custom made, the only one in the world or-" Me: "Ma'am." Nette: "oh, please call me Nette darling. Jimmy Choo shoes maybe, or wait. You will totally love Coco Chanel. And your lingerie must, its a Mrs Morrison tradition, that it must be made off your wedding dress material." this was all too much for Christmas eve. This was all too much for an 'intimate' wedding, I didn't want all these labels. Me: "Nette, we kind of decided to keep it simple and intimate. Between family and our closest friends, probably 30 people only, so all these designers and fancy names don't really matter." Nette: "Lish'le." she was disappointed. Nette: "you're about to marry one of Africa's richest bachelors. My son. Its his first wedding. His ONLY wedding, you do realize that it'll be the event of the year? We cannot drop the standard at all." why did everyone have an opinion about MY wedding! Nette: "I know you're worried about what people may think, but who cares baby? At the end of the day, you'll be crowned queen. Future Mrs Morrison. Don't be shy." Me: "I just wanted something small." Nette: "small is fine. Its okay, but it must be The Best small. Ever." ndaske ndaqhubekeka nge mbiza ezi ndaval umlomo. Clearly she wasn't giving up on all her famous designers which I didn't even give two hoots about. Even the traditional one I wouldn't have a say in because I have a feeling the Mzinyathi's will be claws on. This was more stressful than anything I've ever imagined. I always thought it would be fun planning my own wedding but my mother in law is in it. Hard. Sendine worry Nkosi yam kengoku xa singasa vumelani, what if she makes me wear a curtain? 😞:(😞:(Nette: "so have you thought about the venue?" Me: "uhm, not really, Lubby wants an island wedding. Right on the beach. Just as the sun sets." Nette: "that is soo sweet!!" Me: "the reception being in a castle or palace kind of building, that's as far as we got." Nette: "great! I have the perfect place in mind, The Bahamas!" Me: "Excuse Me!!" I was so shocked! 🤯:o Nette: "or even Hawaii! I can just imagine it already! I'll get Claudia to come over so we can discuss this! She's a wedding planner." Okay, that's it! Me: "we planned on getting married at a later stage

ma'am." Nette: "why?" Me: "there is no rush at all." Nette: "oh. Okay." then sat down. Pouring a glass of wine. Nette: "I'll have this in the lounge." she walked out immediately with her bottle and glass. I hated disappointing her. I didn't want to upset her at all. But kuthen efun ukuthi take over nje? What's wrong with a South African beach Dan? Kanye ndim lo uliqaba? Lubby walked in. Lubb: "sweet stuff. What's up?" Me: "Lubabalo we have to talk about something." Zakhele walked in slowly, his eyes cast low, staring at me. Shivers went down my spine. It hurt so bad to be scared to the point of feeling piss pricking on you. Me: "I cant do it." Lubb: "do what?" I swallowed. I couldn't lie at all not to him. Me: "Tata, please tell him." Zakhele sucked his teeth and looked me up and down. Zakes: "wow." Me: "wow?" Zakes: "you can't defy your husband, its not easy to manipulate you. First task, you pass." this was a Test!? Anda tyhafala! Lubb: "what task? What's going on?" Zakes: "I wanted her to talk you into marriage sooner." Lubb: "why would you- Tata man!" Zakes: "yinton?" Lubb: "you scared her, why would you give her ultimatums like this?" Zakes: "akangathi uyoyika nje kum. Womelele umam'Mngwevu." I looked at my pots and kept quiet. Lubb: "that doesn't answer my question Tata, WHY." Zakes: "because this is the last Christmas I'm spending with this family." Lubb: "njani kengoku Tata." Zakes: "I'm handing myself in. Sooner or later, the authorities will catch on. I can't depend on you forever." Lubb: "oh." Zakhele walked out. Lubb: "you knew about this?" Me: "yes." Lubb: "awandixelesa baby? For the why?" Me: "he asked me not to. He's really worried Lubabalo. Theta naye." Lubb: "what do you think? About doing it sooner?" Me: "I don't know Lubby. I really don't, I want to, because I love you. But emotionally I'm not ready." Lubb: "so you don't want to commit to me?" Me: "I do Lubabalo." Lubb: "then why are you unsure about us? If you were, a sooner wedding wouldn't scare you this bad." Me: "because in the beginning everything is rosy and beautiful, I am serious ngawe and I do want to marry you but I'm scared okay! I am afraid!" tears glistened my eyes. He hugged me tightly. Lubb: "you don't have to be scared mntu wam, I'll be your pillar of strength. I'll pick the pieces up with you and I'll do my best to keep you happy at all times." Me: "I can't just forget the past." Lubb: "I don't expect you to, but if we both work at it, its going to be much easier, you know in this relationship There's only room for one Leader. And that is God. sijonga kuye for guidance and answers. All right?" I nodded. Me: "I'm messing on your favorite shirt." pulling away. Lubb: "hayi suka baby." he kissed my cheek. Lubb: "andifun ubona ezinyembezi ke unless you're laughing." I giggled. Lubb: "that's my baby." he hugged me again. Me: "your mom wants to have a celebrity wedding and stuff." Lubb: "my mom has zero chill. Myeke wena I'll speak to her." Me: "no, I'll

explain to her again." I carried on cooking. Lubb: "ndincedise phi." Me: "pha elounge watching TV." he kissed my head and walked out....

Sino sat with Thamie, wiping her swollen mouth. Sino: "Peto! I knew une cherrie, I didn't know she was crazy!" Thamie: "tshin my eff'able. Utshomene nala nomprintyi uAnelisa, ngama dlabevu bafana nalamadodana abo! Andikwazi nomthuka la mngundu ngob unencanca emandi." Sino: "ayincedi lekaka uyithetha man Thami, ndifun ndodam mna." Thami: "hayi peto kalok suzonqwakuzela mna tshi. Bendithen kuwe ngobhanxa uMandla? Ndatsho mna ba uright la bhuti qha awoneli ismanga." he sat down and folded his legs. Sino: "ndithin kengoku?" Thami: "M-Y-E-K-E. Qha qwaba. Ndisayo sela mna." he got up and walked out. Meanwhile Sifiso and Luzuko were out together at Chief Ngqoko's place. S'fiso: "ey bra. Eli timer lakho lifikayo line vibe endichazayo yazi. Forever reading or watching TV." Luz: "to tell you the truth I really didn't like him, like I know sikhula comfortable everything mom provided plus much more, but we did need a father figure, kodwa ke I can't blame him cuz he never knew and now, he's really trying his best." S'fiso: "I'm happy for you Bro." Luz: "thanks. Worse Le ka Tiwana, she doesn't wanna fly down." S'fiso: "why not?" Luz: "I think she's mad at me. We argued a bit." S'fiso: "uxakekile fethu." Luz: "I've been doing some thinking bhuti. And I don't want to be an absent dad, that's IF she's pregnant. Andifun ubayi kaka kumntanam." S'fiso: "so....uzothin." Luz: "I'll just have to straighten myself out. No more games, no more bad bitches, no more alcohol." S'fiso: "hahahaa, slow down boet, you and I know that won't happen." Luz: "I'm willing to let it all go bhuti, you just watch." S'fiso: "and have you made the decision?" Luz: "yep, I'm not selling my business. I built it from scratch, I just need to expand it apha kweli cala." S'fiso: "could be a good idea for you to continue nge business qha ndiyakoyika xa userious, awuthand phazanyiswa. The party Lusko will die a painful death." luzuko laughed. Luz: "nantsiya cherrie yakho." S'fiso turned to look, seeing Mandy and SB dancing together. Mandy was wearing a black tight freakum dress, and leopard print platform heels. S'fiso whistled. S'fiso: "Yesesss!" Luz: "you are playing a dangerous game bhuti, please don't." S'fiso: "khame Luzuko ne?" he stood up and walked to them. SB screamed to hug him. He gave her a quick hug and turned to Mandy. She greeted and looked away. S'fiso: "andifumani hug? Uyiphethe kakbi friend yakho endim shame." Mandy: "asizo tshomi." S'fiso: "don't strangers get hugs then?" she rolled her eyes and hugged him. S'fiso held on gently, breathing in her sweet fragrance. Her hair in his face perfectly. He didn't wanna let go. S'fiso: "hey beautiful." he whispered in her ear. Mandy: "khayeke man S'fiso." SB: "okay kalok!!" Mandy pulled away, walking away. S'fiso held her arm. SB was dancing, in front of

him. His eyes set on Mandy. Staring at her beautiful eyes. S'fiso: "masambe." he whispered pulling her away from the crowd.

Chapter 660

Lukhanyo got ready the next morning. It was Christmas. He bathed his babies and dressed them, calling Sbosh to get Chuma ready. Luks: "ndizozomlanda ngoku ke Sibongile." sbosh: "no, ndiza eWalmer mna so let's just meet up at the mall." Luks: "okay ke sho." he hung up. Lubby was bathing Lubambo, and dressing him in a white jumpsuit. Then a full penguin costume on top with orange duck shoes to match.. Luks: "what the hell?" Lubb: "isn't he cute?" Lukhanyo laughed. Luks: "kodwa uyambhanxa umntanam Lubabalo. Yinton lento?" Lubb: "he's my little penguin, adorable and cute." Luks: "uhamba nathi?" Lubb: "Thabang is coming over for the day nomakhulu wakhe." Luks: "oh." Lubb: "please talk to him?" Luks: "No." Lubb: "please Lukhanyo, he used to be your friend." Luks: "used to be. That's past tense." Lubb: "okay. But you don't have a problem with him spending it with us?" Luks: "I'm going to the children's home like I do every Christmas, sooo.." he shrugged. Luks: "you can chill with your friend." Lubb: "okay." Luks: "awuthand uqumba." Lubb: "andiqumbanga. I just thought we'd spend the day together. Like last year." Luks: "but so-spender New year together and a couple more days then Mexico." Lubb: "you're right. Anyway, you should get going." I walked in to see the kids before I headed out to meet my friends for Christmas brunch. Me: "molweni." the twins were playing together on the floor, looking cute in their Christmas clothes. Small jeans and a red check shirt for Lutha. Luhle had on white pants and a denim shirt. Both wore tiger faced beanies and sneakers. Me: "angels." kissing their cheeks. Lubb: "usahamba?" Me: "yes." Luks: "uyaphi?" Me: "out with friends." Lubb: "which friends?" Me: "just friends." they looked at each other. Bathanda qithi indaba because I'm meeting with Mandy and sbosh like old times nothing major.. Luhle: "ithha mama." pouting her lips. I kissed her twice. Lutha: "mami. Tululu .." I giggled. Me: "intoni baby?" Lutha: "arimi nazi phuna moth." Me: "andikuva nje mntanam." he breathed impatiently. Lutha: "athathi ambe." putting up his arms. Me: "andiyi ndawo nje lovie. Lukhanyo do something." Luks: "su-skeya umntanakho fondin funa uhamba nawe." Me: "ndizobuya nje." Luks: "naye kalok hamba nawe." I picked up the twins and walked around with them. Me: "Ncooh." looking at Lubambo's cute outfit. Lubb: "adorable little fella.." I first fed him and then went to my room and got dressed. White skinny jeans, white blouse and a black blazer. Pointed white heels and took my bag. Just a small amount of make up plus my silver triangle earrings I walked out with my twins, the family

was in the garden, talking. Lubby nudged Lukhanyo. Luks: "sundishiya!" Me: "uyaphi kengoku?" Luks: "ndiye walmer. Ndiyolanda uChuma, then ndizosele ndithatha abantwana ndihambe nabo." Me: "bae?" Lubb: "undifownele." he blew me a kiss. There was something dodgy going on, bafuna uyobona lomntu ndidibana naye. Me: "I'm going to meet up with Mandy." Luks: "sooo." I turned and walked out the door. I was so sure Lubby thought ndiya ku Sporo like andimvanga when he said no more. I buckled my kids and got in the driver seat. Lukhanyo wangena , I drove off. Luthando sang in the back, joined by Luhle. I looked at them on the mirror, engesez'misele ubhuti wakho 😊:v Luks: "hey!" Luhle: "Tataaa.." he said sweetly. Wanyaba umntu benqanda. I wanted to laugh but then again it was not the time. Mandy sent a message saying she'll be a bit late. Sbosh was still getting dressed. Safika eWalmer. Luks: "maybe while you wait, ungas'ncedisa while we shop for toys." I agreed kuba ndingafuni uba funny. We walked in the mall kungagcwelanga as much as I thought but nonetheless still a bit full. Better than what you'd expect in Greenacres. I held Luhle while he carried Luthando omenzela inoise endlebeni. He still sang and whispered a few things. Luks: "but kwedin awumameli wena." Lutha: "ameli." Luks: "uyamthanda utatakho?" Lutha: "Nana yam." he looked around and spotted us in a baby clothing store, I was picking out clothes for all 3 of my kids. He entered. Luks: "this is nice." Me: "yeah. Its nice." Luks: "are you honestly going to ignore me like this and pretend I don't exist." Me: "I'm replying, aren't I." I walked to another section. Luks: "Oh? So basically you don't want to be seen with me!?" he yelled. Everybody stared at us. Andabina ntloni. Luhle: "Utha!!" she giggled. Lutha: "Nana!!" he yelled across the store. Luks: "ndiyathetha Lihle?" I chose the worst reaction and ignored him. Luks: "we go out the house together, we get here and uyanditshintshela ngathi awundazi." Me: "andik'tshintshel mos Lukhanyo. Siyathetha." Lutha: "Nana!!" they were having their own baby conversation on the side. Luhle: "a-Utha afiki Tata Ne?" Lutha: "azi mami." luks: "ngoske wathi awufun mos Lihle kube kanye!" I couldn't do this here. Ndime k'lo queue I felt the eyes staring at me waiting for a reply. Abantu bayay'thanda argument engaba funiyo ke yazi. He stood next to me, irritated. Me: "I'm sorry." I whispered. Luks: "apology accepted." Me: "but did you have to shout?" Luks: "bungazofuna mos undiva xandithetha. Ubuzondingxamela." Me: "une tontsi wena. Xa uthule ufuna uncokolelwa uphinde kwa wena udikwe?" Luhle: "Tata." luks: "yes my baby." Luhle: "mi." she kissed his mouth. Luks: "aview angel." Luhle: "mama." Me: "hm..." I looked at the straight till. Luhle: "mi." Me: "phuzaa Utha wakho sweety." Luhle: "hayi maaaa." she whined. Luks: "umntanam man Lihle." I kissed her quick. Luhle: "Utha." kissing him too. He was tired by now laying on his father's chest. Luks: "uyazisokolisa bonanje." ndam'jamela. Me: "uthetha nam?" the lady in front of us

giggled. Luks: "kukwi ngxaki sisi?" thiza ndimazi ke lo ngophoxa. She: "nope. You have beautiful kids." me: "enkosi dear." she stared at Lukhanyo. I wandered off some to look at other things. Luks: "Lihle!!" he hissed. I giggled and hid away, une crush mos makangabi nazintlani zento bezenza. Me: "bhabhay Ta Luks." Luks: "uk'fumana kwam." eventually getting to the till and paying. We walked out, the babies walked in front of us. Me: "so unjani umadam?" Luks: "ufun yazi nyan?" Me: "uthe kalok ndiyak'actela." Luks "well, I'm not sure ke. Honest truth." Me: "thought you were in looove." Luks: "uyandinyela kengoku mhlawmbi?" Me: "sorry. But the way you went on, I thought....well you know." Luks: "I thought so too, then ndenza ububhanxa. That made me think otherwise." Me: "then its best you tell her kuse early.." he laughed out loud. Luks: "you don't know what I'm dealin-" some short guy picked Lutha up emteketisa. Lukhanyo breathed in anger. Spark: "ekse Luks, you good." I took Lutha immediately. Inguban na lo. Luks: "you better put down my son kwedin." Sparks: "Merry Christmas bruh, I guess business is going well.." Luks: "jongapha kak-" Me: "Lukhanyo!" Sparks: "wow. You lucky bastard. Bendingayazi noba unomfazi." the only reason Luks couldn't hit him was because he didn't want to scare his son. Sparks put down Lutha, winking at Lukhanyo and walking away. Me: "what the hell was that!" Luks: "suzingena nto zam Lihle." Me: "not when it involves people grabbing my children!" Luks: "he's just some stupid guy and asizolwa ngaye!!" I stomped off, uncomfortably because I was on heels. Luks: "why do you always gotta act so fucking crazy!!" Me: "this is a public space Lukhanyo. Ungandiqali ne? You and your shady deals must not involve my damn Kids!!" Luks: "Lithembelihle!! Sundiphambanisa! I'm trying to tolerate your selfish ass the least you could do is respect me!!" Me: "what, must I now bow down to you!???" he breathed heavily staring at me coldly. Lutha: "aview Tata." he mumbled. Luks: "ndiyak'thanda nam mntanam." we played the stare game for a while. The babies were just talking to each other. Luks: "uxolo ngongxola. I am stressed ngala moeren yomntu!" Me: "its fine. Who is he anyway?" he told me how they met. Me: "the Ta Luks I know would've sorted him out clean and quick." Luks: "I'm not that guy no more, I'm trying to change my life for the better." Me: "I'm glad for you, don't feel under pressure to do it. Take your time and don't rush yourself too much.." Luks: "I don't want your silly advice." he snapped. I chuckled. We bought loads of toys and things, some blankets and clothing too. Saya motweni to pack. Me: "bye my babies. Nana?" I kissed Lutha, then Lutha. Me: "bye guys." Luks: "bye." he buckled his kids up and left me standing there like a lost kitten. Sbosh arrived first. We hugged and took a walk together. Sbosh: "andi dinwe peto, luckily S'bu offered to take Chuma to Lubby's house so that I can rest." Me: "and uzobana Bantu bodlala sana, There's a new son, Thabo sweetest boy ever. Kubekho

Sbosh: "so kugcwele family ka Lubby pha and you're there. Isn't it awkward?" Me: "just a bit peto yazi." Sbosh: "njani?" Me: "well, Tata ka Lubby uSebastian hasn't spoken to me, ndithe ndimbuza impilo wathi uright qha akandijonga, it felt like he dismissed me, ke yena uDemi never really liked me at all so that's no surprise, usis' Nomonde naye she's a bit cold to me and uyandi ngxamela. I can't complain ke because ndiziyele. I was expecting this, ndiyagoduka mna namhlanje mtshana ndikhumbul mamam." sbosh: "hayi shame tshomi, kunzima emzini kodwa ke kumane kus'thiwa kuyanyamezelwa. Me: "and then they planned a present hunt for this afternoon, I just Had to get out of there ASAP Rocky!" she laughed. Sbosh: "usis'bhanxa ke wena. How's my toodle pop?" Me: "he's doing great yazi. Me: "peto I haven't seen my dad in days, after the fight about my engagement Khange ndiphinde ndithethe naye." Sbosh: "why did you fight?" Me: "he doesn't want me to date or marry Lubabalo." Sbosh: "I understand why kodwa Lihle, ngumzali and he wants what's best for you, he loves you utatakho. Appreciate him esekhona before life forces you to. Asinabo ke thina ootata zange ndanaye nonjani. Its Christmas peto. Call him and talk to him. Umbaleka tshomi akuzo nceda nto." I dialed my dad's number. It rang to voicemail, I tried again, still no answer. Me: "he's probably enjoying it with his other family." sbosh: "you're his first born. He loves you Lihle. Uzophinda akufownele." Mandy arrived. She looked a bit offish today. Me: "you okay?" she shook her head. We hugged her. Me: "yinton Dan peto." Mandy: "I am beginning to lose my patience Lihle!" Me: "with what?" we entered the restaurant and ordered. My hands were under the table. Mandy: "ngu SB. I like going out peto, I don't drink much, I just have a good time ndisez'ngqondweni. She just takes it too far now." Sbosh: "Kudala ndikuxelela ngo SB Mandy, I've been telling you, she's just milking you qha and giving you bad advice." Mandy: "no sbosh, she doesn't give bad advice qha uziphethe kakubi, sithethile ke last night before siye kwa chief. Emane ngond'bamba ithanga andam'hoya." I laughed. Mandy: "nyan Lihle, eventually sihambe ke siyofika. There's this guy esitshomene naye. andiyazi ngxaki yala bhuti Va. SB has an obvious crush on him, aze ke nyan lomntu azoncokola nathi. But I haven't received something like this in a while, no attention, no love, just sex and cuddling." Me: "because ingqondo yakhe is working over time, akacingi kakuhle tu, you know he's a damn good doctor, so xabe ngephili abantu bakhe uzonqwakuza. Kham'understande wethu." Lubb: "come this side." they went to Soma's table and sat with him, Thandi came to us. I had to go change Bambi first because he had really made a mess. Luckily it didn't mess on his cutey outfit. He was being fussy than usual and fidgety. Probably irritated. Me: "daddy, thatha." Lubby took the boy and carried on talking. I went to the girls and carried on with our conversation.

Lukhanyo went home after a day at the orphanage. The twins were asleep. He parked the car and took them inside the house to bed. Then walked back to the lounge. Everybody was outside. Zakhele walked in with Thabang. They were in a deep conversation. Lukhanyo looked around awkwardly. Zakes: "ehh nyana, look who I found!" Luks: "you didn't find him, he arrived." he mumbled. Zakes: "speak up my boy." Luks: "nothing. Ekse." thabz: "moja." Zakes: "anise qoshe. Lukhanyo? What's wrong? Weren't you bum buddies?" Luks: "no Tata." Zakes: "ewe Tata. Thabang? What happened." Thabz: "sidlulile Lukhanyo k'lonto, I've accepted it and moved on with my life, nawe subalapho." they shook hands. Luks: "so uphi ke lomntu." Thabz: "she's with ifamily yakhe namhlanje, sizodibana ngomso. Ubusy nantoni?" Luks: "ahh, you know...just chilling for now. Uphi uLuzuko?" Thabz: "Nguban lowo?" Lukhanyo called Stuja to check what he was busy with then went to chill with Thabz in the lounge. After an hour a car drove in the yard. I walked in with a sleeping Bambi, Lubby and Jermaine followed behind. Ndaya straight eroomin to pack my things. Luks: "you're leaving?" Me: "ewe, I'll just cook dinner first then ndihambe." Nette: "hm?" Me: "I just want to apologize for yesterday, I know you're excited because its your son's first wedding. I just want to be involved a bit." Nette: "no sweetheart, I understand. I got over ridden with excitement, after all the scandals, we need some positivity." Me: "can you help me with a few things?" Nette: "I'll be glad to angel, just tell me what you want or need and I'll have it ready for you." Me: "thank you." everyone sat at the large dinner table to eat. After dinner I took the dishes ndazivasa nezo mbiza. I know it was dumb considering There's a dish washing machine but I was stalling. After cleaning he kitchen ndabuyela kwi twins, Lubby was feeding them their soft vegetables. Luhle hated them with a passion. She had a disgusted look on her face. Me: "what's wrong angel? Me: "chill with your brothers. Or something." Luks: "Lihle, ndifuna abantwana bam. That's all I ask. Please." I was just ready to fall down and cry. Me: "why can't you give me a chance Lukhanyo? Kuthen Hleli nje funeke undilwe?" Luks: "andikulwi Lihle, kodwa wena ufuna ubathatha bonke and leave me empty handed. Noske uhlale nawe wonwabe nabanye abantu uyeke ukuziphakamisa qha..." he took Luhl from my one arm and walked away. My heart was at my ankles. Ndikhubeke ndibawel ukhala qha. Lubby was mad, Lukhanyo went to sit with Sebastian and Thabang and Jermaine, Nette was with Nomonde. I said I missed my kids, I guess here's my chance to spend time with them then. I walked to Lubambo's cot in the nursery. Luthando was yawning. Lutha: "aleli Bambi ya Utha mama." Me: "yes my baby, ulele Bambino ka Utha. Wena uyalala?" he shook his head, I could see his eyes were sleepy and wanted to rest. After a while of chatting and rocking him back and forth, the door closed. Ndajonga emva kwam. He smiled at me. Lubb: "sorry baby."

Me: "about." Lubb: "leaving you hanging like that. Singahamba kengoku." Me: "siyaphi?" Lubb: "Siya kokwenu nje baby. Wherever you go, I go." how could I tell him my uncle still doesn't know. I wasn't sure if he even wanted to see him!

Lubby walked down the stairs with Lutha in his arm. Alex: "Papai!!!" she screamed. Lubby stared at Estella. I didn't know whether he was confused or embarrassed. Lubb: "uhm. Hi." he swallowed. Estella: "hey you. How have you been?" hugging him. Lubb: "good, what are you doing here." he whispered. Estella: "to say Merry Christmas." she smiled at him. Lubby looked at me. Me: "iza Mandy."

He drove to the house hoping Thulani was there, he hadn't seen him that day yet. and planned to spend the next day with him, better start tonight then. He parked inside the yard safely and walked to knock on the door. Thulani's mother opened. She smiled at him and invited him in. Jeff: " Nobubele, unjani?" She: "ndiyaphila wena?" as her cheeks flushed pink. He used to love that smile, it made him weak at the knees and his heart skip a beat. Jeff: "ndiphilile nam. Uphi uPhindile?" She shrugged and looked to the floor. Jeff: "what's wrong?" She: "Nothing Jeffrey." Jeff: "uyayazi ungathetha nam about anything mos." She: "I know." he hugged her. Jeff: "Merry Christmas." She: "you too Jeff." pulling away from him slowly. He stared at her eyes, not understanding why. How could he still- She kissed his lips. Holding his face. He held her waist and continued. Then stopped. Jeff: "No....Nobubele. I'm sorry." she nodded. He couldn't pull away from her, something held him firmly. Jeff: "asikwazi uphinda senze lento Nobubele, you know we can't." She: "ndiyayazi lonto Jeffrey...." a tear escaping her eye. Jeff: "please don't cry." She: "ndiyazisola bonanje. My whole life yi waste Jeffrey! Just because of ukungxama." Jeff: "suzi blamer xaku kubi Nobubele, its not only your fault." hugging her tightly. She: "I just wish ndingabuyisela ngasemva ixesha." she sobbed. Jeff: "and undo what? He wiped her tears and kissed her face. Thulani walked in the door and gasped in shock...

Liya: "Luyanda uzohamba notata." Lubb: "Liya, just a couple of hours ke. Ndizobuya nomntana." she kept quiet. Liya: "fine." Lubb: "ndizofika after about 2 hours." Liya: "sho." she hung up. Me: "so we're set?" Lubb: "yeah. But a picnic though?" Me: "yinton ngxaki Dan?" Lubb: "nothing." Me: "hayi thetha." he tickled my ribs. Lubb: "nothing!" I kissed his lips. Me: "ndisayovasa." Lubb: "okay." I went to the bathroom, turned on the shower, tying up my hair, brushing teeth then undressed and went in. Ndavasa. While thinking to myself ndava ngomoya obandayo and opened my eyes. Lubb: "uxolo wethu sisi ngoku phazamisa.." I laughed and carried on, naye shame wavasa. Lubb: "she got that million dollar...hm hm hm." he sang. Me: "ha.a baby. Uyangxola." he held my waist and danced. Me: "babbe!!" Lubb: "make her tap out!" Me: "hehe awudiki." he pinned me against the wall and kissed me once again. I felt King Kong stand up, pressed against my skin. Lubb: "uyabawa ke ubhut Bhele." Me: "ubawela ntoni.." he kissed my neck and groaned quietly as I played with him. kneeling on both knees. I sucked him. Slowly. And gentle. teasing my tongue on his tip, he groaned again. Shoving it further down. Lubb: "Babby!!" he panicked. I pulled it out and sucked it back in, lips firmly around it. Lubb: "ooooohh!!!! Yeses!" I spat it out went for the balls. Gobbling them up. Lubb: "baby wait...." he moaned. Lubb: "ha.ana Lihle st.....I'm about to.....fuck!!!!" he whispered. He pulled me up to his face, sucking on my neck, then down to my nipple. He kneeled down. Me: "honey...." he planted a wet fat smudge on my punani. His tongue swiveled down to my clitoris, circulating, sucking, breathing. He stuck one finger in esancanca. Rotating it inside. I held his head firmer, staring down at him. Me: "Lubabalo..." I cried. He threw my leg over his shoulder and went deeper. His tongue played happily, slurping up and down. My body was shaking and throbbing, everything in me stopped working, I just felt the world went silent.. Me: "babyyy!!!" I groaned. Lubb: "hmmm" he muffed. M: "I'm about to cli-max. Don't-stop!!" his tongue wiggled in my hole, I cried in pleasure! I

could feel it burning down to an orgasm, quicker than I expected. A rush of wave flowed through my body, ndagodola kwashushu. Electricity bolting right through, my lower body throbbing, me: "Lub-a-balooo!!!" I finally reached high ecstasy of the climax. Shivering down to my thighs. He pulled the clit with his lip and kissed it again. Lubb: "good morning." I was feeling rejuvenated and refreshed. Konke nje. Lubb: "can I take you?" Me: "come an get it." He stood up and turned me around. I held the wall with both hands. He entered from behind. His hand grabbed at my ass and he humped slowly. Lubb: "right over here?" Me: "yes daddy!" Lubb: "say it again...." he whispered in my ear. Me: "daddy!" he groaned, howled quietly. Lubb: "ubani na baby??" I screamed. Me: "daddy!!" Lubb: "fuck yesss!!!" he growled. Me: "harder!" Lubb: "slower." Me: "but baby-" he rotated his waist, ndaveske ndaphelelwa ngamandla. I was building up for the second time. He pulled out with left, and entered with the right. Circulating his waist. I grasped his shoulder sinking my nails in. Lubb: "sthandwa samm!" I backed him up feeling myself cum in for the second time, the faster his strokes, the faster mine., I held his hand and listened to my climax roll down, melting me, he grabbed my waist and stopped while crying out. Lubb: "yuuhhh baby." releasing long and hard. Lubb: "baby!!" he tried to catch his breath. Pulling himself out. Me: "hey." we faced each other and kissed again out of breath. Me: "noba uvuse umntana wena." Lubb: "heee. Hayi sweetie subanjalo." we washed again and came out the shower, walking into the bedroom. I got dressed and woke Chuma up. Me: "come angel, uzovasa." he yawned and fell back asleep. Me: "Chuma. Iza baby." he got up and dragged himself out of bed. Lubby ran him a bath wam'vasa. I fed Bambi and bathed him too, walking out to check on my twins. Lukhanyo fed them their porridge. Luks: "uyaphi so early." Me: "ku Tata." Luks: "is Chuma up?" Me: "usavasa." I kissed the babies full cheeks. Luhle: "ha' mam-" she chewed and swallowed. Luhle: "hayi mama." Me: "sorry ke Nana yam." Lutha was waiting for his next spoonful. His mouth open. Me: "inoba ulambile kodwa, yena wonke akhamise?" Luks: "yeah..ulambile. Abasokolisi ngathi Khande batye, yazi what time they woke me up? Just guess." Me: "5?" Luks: "4 am. Me: "akho no enkosi lo wamabhala amnyama. Uwoah." I walked away. Luks: "mamela kaloku." he giggled. Me: "uy'bambapho. Andifun nova." in the kitchen Jermaine was feeding Leeroy. Me: "good morning." j: "hello." Me: "how are you?" honestly? I was still scared of this nigga. Too much. But he was harmless, at least he wouldn't hurt

me. J: "I am fine thank you and yourself?" Me: "I'm good." I warmed Lubambo's milk. Me: "I'm sorry...about your late friend." J: "nee, dis okay." Me: "I feel I should ha-" J: "Nee man, don't worry yourself. Dis is Leeroy, his son. At least he gets another chance to start over." Me: "I am glad to hear that." he smiled and carried on feeding the boy. Thabo walked in. Thabo: "hello sisi." Me: "hi sweetheart, ubutyile?" Thabo: "heh?" Me: "sukuthi heh mntanam, ithi andikuva sisi." Thabo: "andikuva sisi." Me: "ubutyile ipapa?" Thabo: "no thanks. I want cereal. Please." I took out a bowl and the cereal box to make him his Coco pops. Watya. Me: "kodwa Lubambo uyandisinda." he had his bottom lip quivering. Me: "baby?" kissing his face. I took the bottle, slipping the nozzle in his mouth, he pushed it out with his tongue. Me: "hayi. Sutala." he pushed it out again. I walked back to the bedroom, Lubby was packing Bambi's bag, Lukhanyo bathing. Luthandoluhle helping their uncle. Luhle had the diapers. Luthando held the little blanket flying it around in the air, he spun and spun till he fell flat on his big bum. Then laughed. Lubb: "woaah, akumandi ubanguwe. mfazi wam, cela nxibe jersey kaloku. Andifun ugule yingqele mna." Me: "I will xa sizohamba sweetie, ndisa cheekwa ngu junior." Lubb: "never, he's an angel. Ne baby boy? Ane?" Lubambo grinned. Lubb: "that's my boy. See? He's sweet." Me: "Haibo ndoda?" Lubby took him from my arm. Lubb: "I hope you don't mind." Me: "mind what?" Lubb: "unga qumbi." Me: "what did you do." he took out a bag emptying the contents. It was a fluffy grey jumpsuit. He undressed Bambi and put that on him. Lubb: "izobonisa ke yena uTamkhulu wakhe, little baby elephant." I laughed. It was an elephant costume! Me: "NO!!!!" Lubb: "baby its cuute! Mjonge." he even had matching fluffy shoes, with elephant faces. It was adorable! Me: "why do you like dressing my baby like an animal?" Lubb: "cute animals! Uzobona Le ye Cub." Me: "ayonto dlala umntanam Lubabalo." Lubb: "subanomona." he kissed my lips. Luhle: "Tata!!" she ran to us. Pouting her lips. Lubby kissed her too. Lubb: "I love you." Me: "okay." ndasele ndinxiba i-jersey yam fixing my twins. Luhle's hair was afro and I wanted it to stay that way. No chemicals whatsoever. Luckily she was fond of the comb, umntu beyibaleka ngu Lutha. I tied my daughters hair in four. Ndachwechwela bhuti lo wakhe. Combing his hair, he screamed. Me: "hayii baby." Lutha: "a-ukkiii mamaaaa!" he whined. Me: "ima sweetie ndizoqiba." Lutha: "HAYIII!! Uuuuka" Me: "nanko uDudu ekuhleka ke sana!" Lutha: "dudu!" he cried. Lutha: "Hayi." he sobbed. Me: "xolo ke baby." I stopped combing it ndaz'flerha. Which he didn't care about

ngoba bendingatsali. Lukhanyo came back dressed. Luks: "ukhalelani Luthando?" Lutha: "a-mama." he sniffed. Luks: "ukwenze nton." Lutha: "athathi, akumi atha ithha iphi." Luks: "slow down. Wathatha ikama and then?" Lutha: "Tata.." Luks: "boy boy." Lutha walked to his father. Luks: "sihambe ngoku ne?" Lutha: "ambe?" Luks: "ewe, bamba." giving him his back pack. Giving Luhlule hers. Lutha: "Hayi Tata!" snatching it from him. Lutha: "aNana zam." holding her hand. Lubb: "because the only thing she is allowed to carry is his hand." Luks: "good boy, March! Bye bye mama, bye bye Tata." Lubb: "bye bye." Me: "bye sweeties." they stood and waved, smiling. Luks: "Knees to chest Luthando. March! Asambe." Luthandoluhlule giggled and they ran after him.

We arrived at my father's house, Lubby, Lubby Jr and Luyanda and Me. Chuma, Thabo, Leeroy and the twins had left with Lukhanyo, Thabang and Jermaine. Luzuko had been partying since last of last night. And wasn't home, joined izolo by S'fiso right after our guests left. I went in the house. My dad smiled and greeted. Ndabulisa. Sizwe: "ninjani." taking Lubambo from my arm. Me: "siyaphila Tata wena unjani?" Sizwe: "Ndiright mntanam." watsho eteketisa nomzukulwana. I sat down and calmed myself. Lubby was still changing Luyanda. Into an identical costume to Lubambo's. They looked like twins, but one was bigger. The other smaller. Sizwe: "uhamba nomntu?" Me: "ewe Tata." he thought for a second, twitching his nose. Sizwe: "what is he doing here." Me: "Tata, sifuna ulungisa izinto nawe." Sizwe: "like what? Jonga sweetie, ndiyayazi how you feel, I can feel it too. But this is too much." Me: "its not for people Tata, ndonwabile mna, and I think right now that's all that matters." Sizwe: "ndiyayazi love, kodwa ke it doesn't make it right." Me: "it doesn't. I know Tata, but please, please let me make my own mistake." Sizwe: "your mistake Lihle? Its affected most of us, mna ndise shocked." Me: "Tata! Awufun ndive kamandi.." Sizwe: "I do my love. But andikufuni Anywhere near Mzinyathi blood. They have a way with words abaya, violent , cruel, you know it. Its not too late mnamam." Lubby walked in. Lubb: "molo Tata." Sizwe: "molo Lubabalo." Lubb: "uyaphila Ta Seez?" Sizwe: "nd'right." Lubb: "Tata ndicela uxolo by disrespecting you. I just wish ungayi understand uhlobo endiziva ngayo ngoLihle, Yilento nje ndifuna ukwenza izinto ngendlela. Noba kungathin I want you to know, you're special to both of us and your blessings do count. Because Ungu mzali ka Lihle, and nam ndingenamntu ubungu mzali wam." Sizwe: "kodwa mna andivumelani nalento niyenzayo Lubabalo. Ndithini xandingayithandi, because kusafana nizoqhubekeka kuba anikhathelele mntu." Me: "Tata that is not true, siyakhathala. If we didn't ngesi nga celi xolo." Sizwe: "bantwana bam you don't understand that ngamanye amaxesha u"Sorry" akalungisi zinto. Ukuyeke isono esi is the actual apology. andinimoneli, I know niyathandana, kodwa ke hayi ngale indlela. As much as ba Lukhanyo exola day by day, doesn't mean akeva

kabuhlungu." Me: "so Tata uthethelela uLukhanyo?" Sizwe: "andithetheleli Lukhanyo Lihle. I'm looking at all points kulento. What happens 2 years down the line xa seni dikiwe kuba kunye? Funeke siphinde sizothetha nalapho." Lubb: "wonke umntu especially couples bane ngxaki zabo, kodwa Tata, we've invited uThixo kule relationship yethu, sizoyizama sobabini ngoncedo Lwe family zethu, we need you too." Sizwe: "invited uThixo, but you still sin? No Lubby my boy. It doesn't work that way." Lubb: "ndingenza nantoni na Tata." Sizwe sighed and looked at the floor. What was more important? His daughter's happiness. Always and forever, but how could he just accept THIS? Yes, she was happy and in love, but he wanted nothing to do with the name Mzinyathi. But if he pushed further, he might just lose her again. Sizwe: "andiyazi. I don't know, I have to think about this over some time because right now I'm re-evaluating my pride." Lubb: "ndiyabulela Tata." Sizwe: "I have not yet agreed." he snapped. Well okay. Sahlala for a couple of hours, talking and sharing things, we exchanged gifts and jus relaxed all 3 of us. I could even tell whether he was warming up or not. After some hours, we got ready to leave. Lubambo was asleep on Sizwe's lap. I held Luyanda who rubbed his eyes too. Maybe an indoor picnic since they're tired. Me: "Tata, siyahamba kengoku." Sizwe: "okay mntanam, enkosi ngokuza, and this one." he tickled Lubambo's cheek. Sizwe: "uzohlala noTamkhul wakhe lona." I laughed. Me: "ungazixabanisi noLuthando tu." Sizwe: "oh unyanam madoda. Andisam'humbul xa ephithizela." Me: "sizozok'bona in a couple of days, xabemnkile ootatabo." Sizwe: "ndingay'vuyela ke leyo ntombam." Lubb: "goodbye Tata." Sizwe: "goodbye Lubabalo." we walked out with the babies, putting them in their seats. Lubby drove away. Minutes later, another car parked in the yard. Smilo got out and walked inside the house. Smilo: "ubanamandwendwe na?" Sizwe: "ewe, the new grandchild kunye nomamakhe." Smilo: "oh." Sizwe tidied up, while clearing things up. He paused. Smilo: "what?" Sizwe: "shhh..." Smilo listened. He didn't hear anything. There was a knock on the door. Sizwe closed his eyes and prayed. Smilo: "come in!" the door opened and he walked in. Zakes: "so xakukho party andibizwa." they both froze and stared at him. Zakes: "you didn't expect me, did you." he sat down. Zakes: "Smilo. Ndize kuwe.." his voice dark and low...

Thabz: "kuthen usepha kengoku Lukhanyo?" Luks: "I can't seem to just let go. Ingathi she's going to wake me up from this nightmare, and tell me it was all just in my head. That I have kept to myself. I don't know ndizay'thetha njani. Or ndizayenza njani. Nobody can know about this because Lubabalo is surely going to strangle me to death." J: "you wanna talk bout it?" Lukhanyo shook his head. Luks: "am I a bad person for wanting my family to stay my family?" J: "not at all." Chuma ran to him, Luthandoluhle, Thabo and Leeroy just behind. Luks: "masiyotheng kutya then sigodukeni." Lutha: "Tata, ama." Luks: "inton nyana?" Lutha looked disturbed. Luks: "my boy?" Lutha: "anzi Tata." Luks: "imanzi nton ngoku Luthando." Lutha: "itululu Utha." Luks: "chamile?" Luthando stared at him. They went to the car, he changed him and they went to buy food at Wimpy then went home..

Luzuko arrived at the house in the afternoon, S'fiso went to shower in his room.. Luzuko bathed and crawled into bed. He was dead tired. All the partying from last night came knocking on his head. For the first time in his partying life, he left without any interest in any girl. That meant something to him. He loved the feeling of knowing a girl that is crazy in love with him and she Might be carrying his baby. Just might. And if not, he wanted her to. No doubt. He took out his laptop to check his emails and phone, to make calls. The business was doing well in Bloemfontein and he had an important decision to make. S'fiso walked in. Luz: "arrg not you again." S'fiso: "fane wadikwa. What's up, you have your serious face on. What's wrong." Luz: "nothing S'fiso. I'm good." S'fiso: "my dad is Bill Gates." Luz: "haha. Mxim. Eish...." he locked his screen and put the laptop on the dresser next to him. S'fiso: "well..." Luz: "I'm thinking of moving back to Bloemfontein. Honestly akhonto yam apha. My business is doing well, I need to keep that up." S'fiso: "but....?" Luz: "but I don't wanna part from my identicals. They're so much to my life, I don't imagine living ngaphandle kwabo." S'fiso: "don't be a dramatic little fag. Okay? Of course you'll miss them. And uzo visitor." Luz: "I'm thinking of expanding my brand. Build another store apha better. Tee also already got her things ready, her boutique is opening in February apha." S'fiso: "so Uzoba lapha full time?" Luz: "yes. I guess so. Its a nice place." S'fiso: "so...Uzoba ngu Tata?" Luz: "I've never been this scared in my life, but ntliziyo ikhululekile ngoku. I'm trying so hard not to fall in love with the idea of my seed growing in her womb. But I can't help it. It is exciting and ndiyay'thanda Le feeling bhuti, for reals." S'fiso: "Wow! My little brother is growing fast ne.. As much as I like the serious Luzuko, Rip to the party freak. I am going to miss him." Luz: "don't be too quick, kusekho Le cruise. I booked strippers from 31st to the day we return nge 2nd. Don't bother with clothes." S'fiso: "ooooh, yabona ke. Mxim. Skhokho Sam sesonka esi brown. My nigga." he fistbumped him. Luzuko's phone rang. Luz: "its Tee." S'fiso: "ayt, ndisayo lala." he wwalked out. Luz: "hey baby." Tee: "hello love, how are you?" Luz: "did you go to the doctor?" Tee: "not yet." Luz: "wait....where are

Stop sulking." Luz: "babes? I'm sorry for tripping hey? I really never meant to hurt you." Tee: "we're both stressed Luzz, we're not ready for a child and its okay." Luz: "I am." Tee: "its not the ideal time, and we're not officially settled yet, we have to plan our future properly and buy ourselves a house build a loving home environment for a baby, then we-" Luz: "I said. I'm ready to be a father Tiwana. Please come back and let me show you, We'll go to the doctor and check if we're really pregnant." Tee: "and if I'm not?" Luz: "then We'll try again. I'm serious about this babe. I'm sick and tired of playing around." she smiled on the other end. Luz: "baby? You're okay?" Tee: "yes. I am. I appreciate your support Luzuko." Luz: "that is my pleasure, we have so many things to discuss, the opening of your shop, our 'future' buying a house and stuff. So please." Tee: "I'll fly down before the 29th." Luz: "good. I love you my angel." Tee: "I love you too baby." she hung up. Luzuko put down his phone and covered himself with a blanket.....

Lubabalo got home and sat with his son on his bed. Luyanda lay on his chest, head on shoulder. Lubby brushed his soft skin, kissing his cheeks. Lubb: "ndiyakuthanda nyana wam. I always will love you. Thixo undisikelele ngondipha abantwana abahle. I am forever grateful Jesus Christ. Tata uzohlala ekuthanda mntanam no matter what happens. I will always have your best interests at heart. I hate that funeke simane ngo limt'wa ixesha kunye, I want you by my side at all times my son. I just pray umamakho andivumele ndihlale nawe. Kunzima mntanam, it kinda hurts me that ndingakwazi uba nawe xandithanda, made me evaluate ubomi. Its not always give and take." Luyanda was sleeping peacefully. Lubb: "now I have to take you back home, and I don't even know when I'm going to see you again." he held back his tears, it could be the last time he saw his son for months. Lubb: "I am sorry..." kissing his forehead. Video's and pictures were not enough, he needed him here with him in flesh, like this. His phone beeped a message. Liya: "cela ubuyise umntana we're getting ready to go." Lubabalo stared at it in pain. There was literally nothing he could do. Luzuko walked in yawning. Luz: "yooh ndoda." he stretched. Lubb: "hey." Luz: "yinton wanyembezana ngoku?" he sat next to him. Luz: "he's going home?" Lubby nodded.

Luz: "come on sani, He'll be okay." Lubb: "do you know how much struggle I have to go through for this child? Just to get noba yilo 10 minutes luzuko? It is painful to me!" Luz: "I get that bhuti, but there are ways in solving these things yazi." Lubb: "I'm not going to resort to violence." Luz: "I didn't say that. Kodwa ke ungam'sa eCourt umamakhe umntana, and explain your situ, you're friends with one of Mzansi's best lawyers, he can advise you on this." Lubb: "I'm not taking Liya to court! I don't care about advises and shit. If ndiyam'xutha umntana kuye izobangathi ndingumntu onjan kwabazali bakhe, funeke ndicele, ndilinde and if bathi hayi, then hayi ke. She's punishing me for the pregnancy and all the things she went through. Kodwa ndalahlwa Nguye. I'll just have to bear it." Luz: "so uzothini kengoku." Lubb: "I'm taking him home before his mother calls cops Athi I kidnapped him because akayonqeni naleyo." he got up and covered the baby, taking his bag and walking to the car. Lukhanyo sat in the back yard with the guys. He was on the phone with Stuja. Luks: "jonga S'lulamile. Ndiyaw'qwitha umnt anye, zekhe shote net lonto!" Stuja: "tu boss, ndiyoz'fak' endlin?" Luks: "ja, ndiyeza ngoku." he hung up. J: "problem?" Luks: "merchandise just arrived for selling." J: "let me come help you." Luks: "Thabz?" Thabz: "nope, I'm good, nizondifuman apha." Lukhanyo walked to the nursery. Luks: "ndisaphumile Lihle Va." Me: "byee." Luks: "awapholelwa nje." Me: "uzaw'buya nje, so There's no reason to celebrate." Luks: "can I get a cheer at least." Me: "go Lukha." he laughed. Luks: "mxim." he kissed his babies and walked out to the car where Jermaine had been waiting for him. Lukhanyo drove to Kwa Ford where a van had reversed into the yard, unloading boxes. Luks: "molweni." Stuja: "sure Ta Luks." Lucky and Phaki greeted and took the boxes to the house. Luks: "this needs 36 hour supervision. We pack, seal and get the boys ready." they went inside and sorted everything out. The first came to pay his previous debt and fetch his new pack to sell. An hour later arrived another, then Sparks. Lukhanyo was instantly pissed off. Luks: "the fuck you want in My house!!" Sparks: "they told me you were like your father. I didn't quite believe them. But look at you." Luks: "Sparks, I'm fucking warning you." Sparks: "just give me a pack." Lukhanyo punched his face twice. Luks: "get the hell out of my house!" Sparks: "nxx!" Lukhanyo kicked him too. Luks: "endlin kaba?" Sparks crawled away to the door. He balanced and stood up. Luks: "the next time I won't be this lenient. I will cut something off, ubenento yengqondo yoman ubuya." Stuja took the other boxes to Lukhanyo's car. Luks: "I'm going to Pink Lips for the night..ndisayolanda something." pink lips was code name for Lisa. Stuja: "sure Ta, ndik'yele?" Luks: "nah, akhomntu anyway pha she's still in Mthatha. Lock up uqiba kwakho." he walked to his car and drove to Lisa's house. He wasn't rushing to anything. So he cruised around for a whil until he ended up the. Lukhanyo took out

his keys, unlocked the door and walked straight to his secret cabin. He took his things out, taking them to the car. He came back inside the house just to today up until he heard water. He was so sure he heard a giggle too. He stood in the dining room, until the bedroom door opened. Lisa walked out wearing a towel, she immediately stopped laughing and stared at Lukhanyo. Luks: "njani ungandxeleli!! I'm your damn fiance!" Lisa: "baby.....I can explain." Luks: "before I lose my fucking mind!!!" Lisa: "I...." she swallowed....

Chapter 665

Luks: "Lisakhanya!! Ndingekak'nkuli unye!" Lisa: "I came back early, I wanted to surprise you." Luks: "kuthen shower ise on!!" Lisa: "because ndive umnyango nday'shiya ndizojonga." Luks: "what were you giggling at!!" Lisa: "bendicula baby, and I thought I sounded funny." Luks: "ubuye nin Lisa?" Lisa: "ndibuye this morning Lukhanyo." she said rather too loudly but not shouting. Luks: "oh." she kissed his lips, holding his arms. Lisa: "I missed you.." Luks: "me too baby. Kunin ndibawa apha." slipping off her towel. Lisa: "I have a surprise for you." Luks: "hmmm, does it include you....like this?" he was already turned on. Lisa: "hm....but I need you....to drive to Spar and get me something while I spice it up for you." Luks: "what am I getting at Spar." he whispered, kissing her neck. Lisa: "strawberries, cream, chocolate sauce." Luks: "uzayenza nton." Lisa: "rub it on your Dick and suck it off." Luks: "ndiyifuna ngoku nje mna.." Lisa: "yaz'bona ke." Luks: "I'll be back." he walked to the door and stopped. Something was off. If Lisa was still here in the lounge, who the hell turned off the shower. Nonetheless Lukhanyo stepped outside, to his car. He started it and drove a few meters then parked. He walked back to the house quietly and listened in. Lisa walked to the bedroom. Lisa: "he's gone! You have 10 minutes qha Sivuyile." Sivu: "how long are we going to hide this Lisa? The past 2 days have been amazing. Nawe uyayazi lonto. Why don't you just leave him?" Lisa: "Sivuyile I can't! Ndiyamthanda uLukhanyo." Sivu: "and me? Awundithandi mna? What happens when we're making love?" Lisa: "don't say that! You hurt me so much in the past. I can't." Sivu: "Lisa, I'm different now. I know uyoyika, but I never cheated because I didn't love you. It was stupid and we're over it ngoku." Lisa: "Sivuyile, I have to focus on my husband ngoku, I can't do this shit with you. Please get dressed." Sivu: "so ubundibhanxa Lisa!! Just keeping me as your side dish xa uxabene nomntu wakho? That's the only time I'm good enough!" Lisa: "Sivuyile! Ungalinge uzondenzel inoise mna. Nxiba, I'll call you later." Sivu got dressed Lukhanyo walked in the house straight to the bedroom. Everyone froze. Lisa: "baby, I can expl-" Thwaxa! Nge

mpama edyubululu. Sivu: "hayi fondin ayenziwa Le shit kumfazi!!" Luks: "kaban?? Wethu?" Sivu: "you weren't supposed to find out like this." Luks: "uthen Dan buzandixelela? Do you know who's wife you fucking with!!" Sivu: "no." Lisa: "baby-" Luks: "ndiyokwenza bokoboko sana ungakulingee!! How dare you!" Sivu: "you know what? Fuck this, I'm calling the cops." he took out his phone and dialed a number. Lukhanyo slapped the phone out his hand, it flew across the room, smashed into a wall and broke into a million pieces. Sivu: "hey ftsek kaka ndin!!!" he pushed him. Lukhanyo punched his face repeatedly, kneeing his stomach. Lisa: "Lukhanyo stop!!!" she cried. Sivuyile punched him off him, Lukhanyo stamped him to the floor. Luks: "und'qhel ukunya kwedin!!" kicking him. Lisa: "lukhanyoooo!!!" she screamed. Pushing him off Sivu. Lisa: "you're going to kill him." Luks: "that's the fuck supposed to happen! Kuthen undenzi smenqe nje Lisa!! Undenzi ntlekisa ebantwini! I trusted you not to make me a damn fool! Now This! Unotshe!!!" he walked out to his car and drove straight home.

I was breastfeeding Bambo to sleep, singing him a little song. Then burped him ndamthuthuzela. Me: "awozeli tu sana. Ufun hlala nomamakho qha, tanci Luz ukulindle ke pha elounge." the door swung open. Lukhanyo walked in ephefumlela phezulu. Me: "uleqwa Nguban na Ta Luks." he closed the door and leaned on it, ndam'jonga. He looked upset and pissed off. I'm guessing wherever he went he got disappointed shame. I put Bambo on the bed. Me: "what's wrong." Luks: "I try...everything. Yonke nje into but I never succeed! Kutheni nje?" me: "you want to talk about it?" he sat next to me and shook his head. Me: "Nanku ke unyana, he missed you stacks." he looked at Lubambo who had a toothless grin on. Luks: "hello boy." he smiled. Me: "what happened?" Luks: "nothing happened. Xandizofunwa ngamapolisa ubachazel andika buyi." Me: "can I get you anything?" Luks: "a hug." I hugged him. His head lay on my shoulder. Luks: "yonke nje into yam yiflop." Me: "that's not true, your kids are perfect. Absolutely perfect, abayo flop bona, you just need to sit down and plan your life accordingly." Luks: "how do i do that." Me: "well for starters, suqala into uyiyeke es'nqen. Why have you stopped going to therapy? You know one or two sessions won't help, funeke umane ngoqiniseka uye pha." Luks: "but I thought I was done with the program." Me: "it is a program, funekile ubuye uphindele kwi therapy, programs don't just erase your life." Luks: "and you didn't tell me this before?" Me: "you kept yelling down my throat ngento endingazaziyo. I believe this is our first civil conversation." Luks: "don't lie. Remember ndiye kokwe-" Me: "okay, okay!" Luks: "and what else." Me: "go out into the world and find yourself. Learn new things, don't be attached. I wanted to do this ke." Luks: "nyani? How come you never mentioned it?" Me: "zange undinike ichance njena, between fixing you,

raising our kids, and You. I didn't have time, then xasi divorce'a I fell pregnant again, andakwazi." Luks: "tell me more. About this." Me: "okay, all your least favorite countries, write them down in small pieces of paper, ufake kwi hat. Mix them up and pick one. Whichever country it is, you book a flight, uyobona." Luks: "but I hate the country? Ndizow'dikwa mos." Me: "I know that, but the point is to learn more about something you judge from the outside. Find out their ways of living, surviving, language, make friends. All that." Luks: "it seems interesting. Ndatsho nda-excited kengoku, and then what else." Me: "heeee." Luks: "Kudala kalok wena wathand uthetha, so ndisalinde ezinye suggestions." Me: "go back to Ricky for therapy, and do not stop. Nobody ever heals Lukha, they just learn to deal with it. Now khaw'yeke ufeketha and pick yourself up. Hleli nje xa uphoxakel unqenqa ebeleni lika mama." Luks: "yaz'bona ke? Uyawa qalile ufuna silwe." Me: "sorry ke. Lala ecamko nyana." he picked himself up and crawled in next to Bambo. His phone rang. Wajonga screen and frowned. Luks: "khaphendul apha." Me: "andicingi kanene." Luks: "ngu Stuja tell him ndilele. I'm really not in the mood" I answered the phone. Me: "Lukhanyo's phone hello?" Caller: "who the hell is this!!" ndothuka ndoma. Wabe umntu we-phone ezigqume nge ngubo. Me: "wena ubufownela ban?" caller: "indoda leyam bitch!" Me: "ulele uthi he's not in the mood." Caller: "jongapha ke hulekazi ndin-" I hung up. She got the message, her speech wasn't my business. Me: "Lukhanyo!" Luks: "hm." Me: "was that your wife!?" Luks: "not anymore." Me: "ungaske uyifake ku reject number yakhe nje, ngok ngathi yinto enkul ba uhlel nam!" Luks: "yicime kalok." Me: "yazi wena, mxim!!!" I switched it off NDAy'beka pha. I didn't want to be involved kulento yakhe because the chick doesn't know kwenzekani, she'll automatically assume ikaka. I walked out the room. Lubby was still not back, which was odd. I called him and it went straight to voicemail. Me: "Luzuko, uyamazi uphi ulubabalo?" Luz: "goduse uLuyanda." Me: "I know but bekuk'dala ngoko, did he check with you Uzoba else where?" Luz: "nah." this one really annoyed me. He was too relaxed about everything. I tried calling again and left a message. I tried not to panic because when Lubabalo is upset, he does things without thinking. The twins were outside playing with Chuma and Thabo and Leeroy. Thabang was supervising. I went out to them. Me: "awulambanga bhuti?" Thabz: "ewe sisi. Ndilambile." at least he was getting better, I remember a time engafun hlala on furniture. Engafun thetha or zenzela ukutya. I went to the kitchen and started cooking dinner to get my mind off things.. Kwade kwabuya Jermaine lo behambe noLukhanyo. Me: "bhuti, have you seen Lubby?" J: "nope, is he not here." Me: "he left long ago and hasn't been back, his phone is on voicemail." J: "okay." he walked out to go look for him, taking Lukhanyo's keys. 1 hours later. The rice was ready, the pumpkin sprinkled with cinnamon, the

cream spinach, the roasted potatoes. I waited for the meat in the oven, ndakhe ndacingisisa. Maybe uyobon uSoma! I called Thandi then, she answered. Thandi: "hey sweetie." Me: "hey babe, unjani?" Thandi: "great wena?" Me: "just fine, ndicela undibuzele kuSoma if uhleli noLubby na." Thandi: "nope babe, Nanku Soma ehleli nam." giving him the phone. Soma: "hello?" Me: "bhuti have you seen Lubabalo?" Soma: "not today, no. Kudala emkile?" Me: "he left about 2 or 3 hours back esithi ugodusa umntana, but I'm feeling some type of way now." Soma: "okay, don't worry, phola, ndizok'fownela soon." I hung up. Something wasn't right man. Lubabalo can't just disappear. He always checks with me first before he leaves. Estella walked in. She: "need some help?" Me: "I'm done with the cooking can you please set the table for me?" Estella: "already done." Me: "I just need the kids bathed before dinner." Estella: "okay then, I'll get to it." she walked out to fetch the kids. I have decided to calm my mind regarding Estella, akho need yobu krwada towards her, plus Demi liked her already the last thing I wanted was 2 enemies scheming on me. I turned off the stove ndabuyel eroomin to wake Lukhanyo. Me: "ambovasa bhuti uzotyia." Luks: "yuuuh ingathi uyandiva Ndlela Le ndilambe ngayo. Ndinendaw ezi dizzy. Thanks bruh." Me: "andingo bruh wakho ke mna. Have you heard from Lubby? Oko bemkile, his phone is off." Luks: "nah. He's a grown man, uzobuya. Maybe uyobona a friend. Or in a business meeting or something." Me: "but his phone is off, umke equmbile apha, what if-" Luks: "stop stressing! Umdala uLubby, and 10 times stronger, akhont izokwenzeka. Ndithembe xandisitsho, if something was wrong, I would feel it and so would Luzuko." Me: "then why do I feel it." Luks: "une dyudyu qha kuba he's suicidal. But akana reason this time. Keep calm. He'll be back." he got up and went to bath. Ndahlala on the bed. Andiyazi noba biyi worry or umsindo, kodwa ndingcangcazela ndiyilonto. Lukhanyo came back to fetch his towel. Luks: "babe? Uright? Ndithe suzikhathaza man. He'll be....." everything was a blur. I couldn't hear him. Kwaske kwacim iz'bane. Luks: "Lihle!!" picking her up from the floor. Luks: "Luzuko!!!" he screamed. Luz: "what the hell!" he walked in. Luks: "get the car ready! Call an ambulance! Just do something!" Thabang rushed in with Nette. Thabz: "what happened!!!" Luks: "she just collapsed. I don't know! Ndimshiye right then I came back and.....Lihle?" Shaking her again...

Thando was in the bedroom, chatting to his sleepy daughter. Asanda was in the main bathroom. She was scared and just jittery. She opened the plastic taking out a pregnancy test and did the procedure. She stared at it waiting for a result. Her eyes glittering with tears, she crossed fingers. Thando: "baby!" she heard him coming. Asanda shoved everything in the washing basket, covering it with clothes, Thando walked in. Thando: "baby wenzani kengoku?" Asanda: "ndizokwenzi washing boo."

Thando: "okay, iza ke ndik'ncedise, my junior is sleeping." Asanda: "no babe, why ungakhe uphume uyokhangela uKhaya? Have some fun." Thando: "ncaaw, Mrs Moni are you trying to get rid of me?" Asanda: "no..but he's probably lonely baby, everyone has gone for holidays yena uhleli yedwa." Thando: "ha.a kaloku sthandwa sentliziyo yam. Uzikhethela ngongafun goduka nje, if be-lonely eboza hamba qha." Asanda: "he's your best friend Thando. What happened." Thando: "former best friend babe, problem is, when I went through shit all he could tell me was that ndizenzile. Andishoute." Asanda: "because he cared about you ebengafun ukubona umoshakele, tell me if he wasn't tough on you would you have had the courage to continue and show the world you can do this? Baby, its all part of God's plan, he pushed you to me, if it weren't for him ngesingekho lapha ngoku. Probably we'd resent each other sithukiselana ngomntana." Thando: "you're right.." Asanda: "khayomjonga love, if akafun then at least you've tried." Thando: "Uzoba grand wena?" Asanda: "yep." Thando: "all right ke. I love you." he kissed her cheek and walked out to wear his shoes and jacket, taking his car keys. He kissed his daughter goodbye and left. He drove to Summerstrand, the building of flats he used to live in before he changed. Thando stopped at the bus stop. And stared at the bench. This was the place he fell for Asanda, when she called him that night to tell him she was outside, he had freaked out waza kuye and they sat there, holding each other for comfort. He drove to the parking and walked up to Zintle's flat, knocking on the door. Nobody answering. But the light was on. Thando: "Khaya please open up bra!" he knocked again. Then grabbed the handle. It was already opened. So he walked in the flat. It was a mess. Thando: "Khaya!!" he walked to the bedroom, something smelt awful. Thando opened the door and found his friend laying on the floor. White powder mixed with blood on his nose...

Chapter 667

"please help me..." he whispered. Thando: "what have you done to yourself Khaya, iza." he picked him up. Thando: "I'm taking you to hospital." Khaya: "nnnoo..." Thando: "yes Khaya!! Zijonge fondin unjani!!" he took out his phone. Thando: "I'm calling Lonwabo ke better. Uzovasa. What is this?? Khaya are you on drugs!!" Khaya was struggling to breath. Thando: "Ta Losta! Ndim uThando." Losta: "yes what's wrong?" Thando: "ndilaph eflatin ka Zee, uKhaya can hardly move apha." Losta: "Is he drunk?" Thando: "yes, no, he's.....I think he overdosed." Losta: "ndiyeza ngoku, mlalise nge cala, put a pillow under his head, make sure There's no furniture around him, anga bhetheki, undibilisel amanzi." Thando: "okay bhuti." he hung up and did as he

was told. Khanya kept groaning in pain. Thando: "khaqine mjita, ugqirha uyeza to help you. Uzoba grand. just hang on." he ran some bath water. Trying to clean up the house. And getting rid of the revolting smell. Khaya had messed on himself. Khaya: "thaa.." Thando: "shhh." he undressed him putting the dirty clothes in a bucket. Soaking them with water. Thando opened the windows, but lit the heater in the bathroom. He took Khaya to bath. Washing him from head to toe. Lonwabo arrived and they took him out the bath to bed. Losta: "amanzi Thando." Thando brought the lukewarm water. Lonwabo opened his emergency medical bag, setting up in the bedroom. Losta: "celi bucket." Thando went back to the bathroom, putting the dirty clothes in the bath. Washing the bucket and brought it to the room. Losta: "fownel ambulance kengoku. This is only going to help temporarily, his system needs to be refreshed ayompontshwa isusu." Thando called an ambulance. Losta: "what happened?" Thando: "is he going to die?" Losta: "no he...." Khaya started having a seizure. Losta: "phuma Thando." Thando: "no!!" Losta: "sondeza imoto ke, because asizokwazi Linda la ambulance!" Thando ran out to the car. Driving closer to the entrance. Lonwabo had to wait until the seizure was done. Then checked if he was okay. Khaya was weak and slowly losing consciousness. After a good 3 minutes, Lonwabo was sure he was safe to carry down to the car. They drove to hospital immediately. Losta: "Khaya, uzufownele UTata ka Zintle. Right now!!" he called the nurses to get the stretcher ready as they arrived at the hospital.....

Lubabalo paid the bill at Tabu. Lubb: "I enjoyed this Sandisiwe. I haven't seen you in like forever." Siwe: "10 years to be exact ndik'bona emaphepheni qha. You've grown." Lubb: "and I'm engaged to be married, with kids so ndiyilonto indala ungandiqheli kakubi." she laughed. Siwe: "you're still the same old crazy retard.." he checked his phone, why was it off? Then he remembered the battery was low. Lubb: "my fiance is going to start stressing soon, mandibeyi Ndlela." Siwe: "thank you for helping me Lubabalo." Lubb: "arg its nothing really, just be careful phand'apha. Worse elibhayi ligcwel abantu abaphambeneyo. Take care okay?" Siwe: "can I see you again?" Lubb: "nope. Ndinomfazi." Siwe: "I'd love to meet her." Lubb: "kuzofuneka ndiqale ndibuze kuye ke. Goodbye sisi." he got up and walked to his car. His chest pained a bit as he started the car. Probably just heartburn. He drove to his house. 2 cars were gone. Lukhanyo's and his parents. Lubby walked in the house where Estella was sitting with the kids. Trying to feed them. Lubb: "where's everyone?" Estella: "your mom and brother are in hospital, your dad is looking for you with your friends." Lubb: "why is my brother in hospital! Is he okay?!!" Estella: "your girlfriend fainted." Lubb: "which hospital!" Estella: "I don't know Lubby why the hell d'you disappear for 3 hours!" he charged his phone real quick to have it on then called Lukhanyo. He answered. Luks:

"yes?" Lubb: "uphi?" Luks: "where have you been?!!" Lubb: "Lukhanyo uphi man!!" Lukhanyo hung up. Lubb: "what the fuck?" he called his mother. She didn't answer. Lubb: "shittt!!!" he panicked running out the house, he called Soso. At Greenacres hospital to check if she's been admitted there, nope. He called Mercantile, they didn't let him know. He drove straight to St Georges just to try his luck. They looked through their system. Nurse: "we have her here sir, take this." she told him the section. Lubb: "I am not good with directions." nurse: "come." she took him up. Where Lukhanyo sat with Nette in the waiting room. Lubb: "mom! Where is she?" Nette: "she's in there sweetheart." Luks: "usuka phi Lubabalo! Kunin sik'fownela?!!" Lubb: "I just drove around ndadibana with an old friend befuna uncedo and th-" Luks: "so your stupid friends are much more important than family?!" Lubb: "no Lukhanyo. I did-" Luks: "how the hell do you expect me to trust you with my kids xa uzokwenza kanje!" Lubb: "Lukhanyo I didn't mean to. Bendingayazi kuzokwenzeka lento mos." Luks: "Fuck You Lubabalo!! You should've called." Lubb: "I'm not going to do this with you right now! My wife is sick!" Luks: "you are just fucking dramatic! Uyay'thanda man attention!" Lubb: "Lukhanyo you're about to get your ass fucked up! Don't touch me!!" he screamed. Nette: "STOP IT!!!!" Lubb: "nx!" he stormed off. Opening the door. Lubb: "baby?" he walked in the room. Lubby sat down on the chair. Lubb: "I'm sorry I wasn't there for you babes." Me: "uvelaphi?" I woke up and stared at him. Lubb: "well, ndifikile k'lo Liya kukho meeting. Bendizom'shiya nje olahlobo ngathi andimazi?" Me: "you should've called me!" Lubb: "my phone was dead. I understand that ndenze ikaka and I'm sorry mntu wam." I was not impressed. At all. Me: "Lubabalo I don't want you spending time with women I don't know because nawe awuyithandi xandihleli namadoda. So if we want this to work sukwenza izinto ezizondikhubekisa." Lubb: "ndicela uxolo baby wam?" Me: "k." Lubb: "she wants to meet you. Oko ndim'balisela ngawe. So...maybe you could go out some time?" Me: "no, funeke kalok uyojonga abantwana babes." Lubb: "akandithuka man uLukhanyo. Yuuuh, hee. I don't have the bongs." Me: "the...what?" Lubb: "uyathanda ke ugeza. I'm not going anywhere." I wanted him here ndiyamazi ebezondihlekisa ubusuku bonke. Lubb: "let me speak to Lukha. Ndizobuya Va. Ungalali, ndifun uk'balisela ke inyuva enzeke namhlanje." he rushed out. Yathand phithizela Lena. Lukhanyo stood by the wall staring at a picture. Lubb: "Lukhanyo." Luks: "what." Lubb: "uxolo." Luks: "forget about it Lubby." Lubb: "no, ndiyay'understand frustration yakho. Ndicela uxolo, I'm not going to make excuses for being awol but apologizing is the least I can do." Luks: "I'm the one that should be saying sorry Lubabalo man, I freaked out, okay? Because ndiyayazi uzondi blamer ngenxa egula.its always Lukhanyo's fault. That's why I kind of lost it before you did." Lubb: "no! Bendingazok'blamer because bendingekho mna kqala. Stop this Lukhanyo, like we're equals right now. Ndicela uyeke lo mentality ne?" Luks: "fine, how is she?" Lubb: "she's okay, still a bit weak though, uyaziqinisa." Luks: "good, ndiyahamba ke mna." Lubb: "khaze nengubo wethu k'yabanda apha."

Luks: "kuzobuy'uLusko ndiyolala mna." Lubb: "sho.....mummy?" Nette: "will she be okay?" Lubb: "definitely. Come." Nette: "I'll be there in a few baby. You go." she went to call her husband. Lubabalo went in and sat next to his fiance, staring at her with a smile. Me: "you look like you're about to break into a song." he laughed. Lubb: "I might as well." Me: "ungabingu Drake aphe camkwam please Va." Lubb: "pick the song ke. Any song." Me: "you'll sing it? For real?" Lubb: "if its gonna make you feel better." since he liked Beyonce's album ndakhe ndacinga pha kuyo. Me: "uyamazi Pretty Hurts ka Beyonce." Lubb: "no." he looked away. Me: "don't lie baby, please perform it for me? Pretty please.." Lubb: "heee uPookie, right now?" me: "ewe, it gonna make me feel better." Lubb: "fine...." he cleared his throat. Lubb: "Mama said, "You're a pretty girl. What's in your head, it doesn't matter. Brush your hair, fix your teeth. What you wear is all that matters. Just another stage, pageant the pain away. This time I'm gonna take the crown. Without falling down, down, down..." he snapped his fingers, andisa bawel umfota. Lubb: "pretty huuurrts..." many people might think its gay, but I appreciated it to the extreme point because he did anything even embarrassing just to keep me happy. Lubb: "yabon yandihleka ke. Ndithule." Me: "xolo ke mntu wam." Lubb: "nahh. Next thing kuzongena nurse apha. And its going to be awkward. Khon ulala nini." I sulked. He kissed the lower lip. Lubb: "mhle kanye xa unjalo." Nette walked in sele ncokola as usual, taking out a little blanket to cover me plus my bag of clothes. Me: "thank you ma." Nette: "its a pleasure angel. Lubbyluu were you singing?" Lubb: "no mama." Nette: "Cause you're sitting there with a dumb 'I just sung face.' Lizzle do you know he used to be in the school choir? I have horrible pictures of him with his mouth wide open in a concert." Lubb: "damn." ndaphela yintsini!! she took out her wallet.....

Thulani just sat around in his apartment. He had to take Junior home, having to spend Christmas day and the next day without his girlfriend really stressed him. Thulz: "my boy, nxiba sizohamba." Junior: "Siya kumama ne?" Thulz: "ewe. Uyam'khumbula?" Junior nodded his head but looked a bit upset. Thulz: "yinton erongo ndoda?" Junior: "mos Tata theni nje wena ungahlali nam nomama?" Thulani wasn't expecting that question. This was round about the age, they had countless questions and he was used to him asking all sorts of things. But this was on a different level. Thulz: "uhm. Mntanam, me and your mom, sii divorced." junior: "nam ndi devoice?" Thulz: "no nyanam." how could he explain this? Thulz: "mna ndiye ndageza ne? Then umama wandikhupha endlin yethu wandi divorce'a." junior: "yooh! So ukwi naughty corner kengoku Tata!?" Thulani laughed. Thulz: "ewe ndikwi naughty corner." he just let that be, its the only way he would understand anyway. Junior: "so uzophumiswa nini kwi naughty corner yakho?" Thulz: "andizophuma kalok ndoda, so ke ndifumene

omnye uteacher. UNana" Junior: "mna ndiyamthand uNana." he spun around playfully. Thulz: "uthanda nton kuye kwedin." junior: "undenzel kutya njengo mama, andiphe ne lekese.." Thulz: "qha?" Junior: "ewe tshini. Unuka nje nge flower ka Teacher." Thulz: "wow, that's cute. Kodwa uyinton kwi flower my boy." Junior: "welll....bendiyothatha eyi 1." Thulz: "hayi for nton!" junior: "kaloku yena uMbasas Bethe uzodlala nam so ndaza nayo ke." Thulz: "uMbasas yikwekwe!!?" junior: "hayi Tata man! Awuva ke. Mbasas akangu kwekwe." Thulz: "ohh...and then." Junior: "kalok sadlala ngalamin." Thulz:"so you stole a flower to impress a girl? Wow." Junior: "Tata I didn't stole it. Bendiya boleka kaloku!" Thulz: "ubuyisile ke?" Junior: "hayi." Thulz: "you stole it baby boy!" he laughed at him. Junior stared at him frowning. Thulz: "come here, give me a hug." they hugged. Thulz: "uyeke amacherrie kwedin. I don't pay that fortune for you to hit on girls." Junior: "ha.a Tata. I didn't hit girls." Thulz: "uyekile ngok udlala newele lakho uChumani?" Junior: "hayi dlala naye Chumani noMbasas." Thulz: "okay. Nxiba ke s'hlangu zakho." junior: "I want my boot mna Tata." Thulani went to look for his white Caterpillar boots. Putting them on his feet with socks on. He dressed him in the brown leather jacket and brushed his son's head. They drove to Bukiwe's place. She was just finished cleaning up her flat. She bathed and dressed in warm pajamas, slipping into bed. She felt hot and a bit turned because its been a very long time. She didn't want a man, didn't believe she needed one. So she did it herself. Her right hand slipped under her pants. Playing with herself. Her middle finger in rubbing deeply inside. wiggling it and pulled it out slowly to rub her clit. She slid it in again, this time faster, putting in a second finger. She was throbbing, near climax. Finally letting go with a thigh shivering orgasm. Suddenly embarrassed for actually resorting to this but nonetheless she enjoyed it. And that's what was important. She went to wipe herself and wash her hand. Hearing a knock on the door. Buki: "ngubani!!" Thulz: "vula ndim." she opened the door, smiling at her son. Buki: "molweni. Hey my angel." Junior ran to her. Junior: "mama!" he kissed her cheek. Buki: "hmm, bundikhumbula na? Thanks Thulani." Thulz: "Kudala esith ufun goduka yena. And he asked me a question endothusileyo." Buki: "what?" Thulz: "yabuza kuthen singahlali kunye." Buki: "I hope you expkained it to him." Thulz: "in a way He'll understand, yes." Junior: "mama uthe UTata wena umfake kwi naughty corner. Uzokhupha nini ke?" Bukiwe stared at Thulani. Buki: "naughty corner?" Junior: "ewe kalok yena une devoice." Buki: "why did you tell him that?" Thulz: "I wanted to be honest to my kid. Excuse me." Buki: "okay. Goodnight Thulani." Thulz: "bye bye boy?" junior: "goodbye Tata!!" Thulz: "I don't get a kiss?" Junior: "nooppe." he giggled. Thulz: "hey! Come here." he chased him to the bedroom. Junior hid his face, giggling. Thulani picked him up and kissed his cheek. Thulz: "daddy loves you." Junior: "I love

daddy." holding on to him. Thulz: "ndihambe ke?" Junior: "hayi suhamba." Thulz: "aww na boy?" Junior: "andifun nje mna." he sobbed. Buki: "iza ndoda, We'll have some ice cream." Junior: "funu'tatam." Thulz: "ndim lona ke baby, andiyi ndawo." he sat on the couch. Bukiwe switched the TV on and put in a DVD for them to watch. Junior sat on his father, halfway in the movie he fell asleep. Thulani took him to bed. Thulz: "ndimnkile ke." Buki: "bye." he walked out the flat and took out his ringing phone. It was his dad. Thulz: "hello." he breathed. Jeff: "mntanam. Ndicela uxolo. For being inconsiderate of your feelings but I want you to know that me and your mother love you." Thulz: "but you love each other more right?" Jeff: "that's not true, she's worried ngawe my boy, so am I. You're our first priority. You always will be." Thulz: "but Tata Uyenza njani lento ku Tata? Noba ke wenza ububhanxa. Why interfere?" Jeff: "I don't want to interfere ndoda. Its hard to explain but...I don't know Thulani, something inside of me just loosens a screw ndibe lisongololo. You know how weak I am when it comes to your mother." this bit was true and He had to admit it was better that someone actually loved his mother. Someone that made her happy. Jeff: "Thulani? Please understand nyana." Thulz: "Tata, I can't support this, I know uyamthanda but ke funekile uyenze ngendlela lento and tell UTata. Before I do because if undibuzile ndizothethi nyani zodwa." Jeff: "okay." Thulz: "We'll talk later?" Jeff: "sure thing." he hung up staring at the floor. Phindile would go crazy, losing his brother again wasn't his intentions at all. Maybe it was best he just let go and stayed away. Right then his phone rang. It was Her. Jeff: "Nobubele?" She: "Jeff. I've changed my mind." Jeff: "ufuna sihambe?" she: "yes." she sobbed. Jeff: "ndisendleleni ezayo. Just pack your things okay?" She: "okay." they hung up. He sprung up, taking out his bag and packed clothes, toiletries, shoes, everything. He didn't know what he was doing but knew it was what he wanted since day one. He switched off the lights taking one last glance at his house then drove to Phindile's house. Nobubele was done packing. She held an ice pack over her black eye. And swollen lip. When Phindile returned, they had fought and he'd hit her. Again. Then left. She couldn't take it anymore. Jeff came into the house. He stood behind her. She: "are you sure about this?" he shook his head. Jeff: "don't underestimate the things that I would do to have you Nobubele." hugging her from behind. Jeff: "ndiyak'thanda Madlamini." turning her around, he looked at her face. Jeff: "what the hell did he do to you!" She shook her head. Nobubele: "ndicela sambe." he held her hand and took the bag to the car. They sat in the car while he typed a message: "Thenjiwe, I'm sorry I was not a man enough to come to you ndikuxelele lento. I am not proud of myself, as a matter of fact, ndine ntloni. Ndiyayazi ukuba uyandithanda but I feel I'm not the one for you. Nawe uyayiva lonto. Things have changed, and its not the same. Ndiyahamba right now,

andiyazi ndibuya nini. Ndicela uziphathe kakuhle njenge lady ndadibana nawe ulilo. Don't ever give up.... Jeff." he sent it and switched off the phone. Jeff: "uqinisekele ukuba Yilento oyifunayo Nobubele??" She: "yes." he started the car and drove off...

Chapter 668

2 days later.

We got home and I went straight to see my babies. I missed them soo much, ndaske nda-emotional. Luks: "iza mfazi, I made soup." Me: "andiy'fun soup." Luks: "uzaw'tya ntoni ke??" Me: "lento niy'tyayo tshin." Luks: "sityi soup mos!" Me: "well, andifun soup mna, ndiyitye ndanela pha." Luks: "okay. Ipapa?" I stared at him in disbelief. Me: "I can chew and swallow nje kakhle, ayikho ineed yento ezi weak." Luthando kissed my cheek. Luhle was opening my mouth staring inside ndingamazi noba ukhangela ntoni na. Luhle: "ithha Utha aboni mami." Lutha peeped in my mouth. Luks: "sizoba nooGqirha kule indlu Va." Me: "and Azo e.enza unye." I couldn't speak properly because of the operation being performed on me. Lubb: "I'll cook something." Luks: "we all know you're a bad cook." Lubb: "I think I'm average." Luks: "bad." Lubb: "pheka ke." Luks: "nah andibaweli..so you can do it." Lubb: "uzimpundu Lukhanyo. Honestly. Mapookie, ndik'phekele nton?" Me: "hmm...surprise me." Lubb: "probably surprise you with a....." mumbling, he cleared his throat. Me: "I didn't get that." Lubb: "ndizokwenz istew sweety." he jogged to the kitchen. His phone was still in my hand. Luks: "ixesha." I switched it on. Me: "is this yours?" Luks: "nope why?" I showed him the wallpaper, akancuma. It was a picture of Lukhanyo showing his teeth on Lubby's phone. Luks: "Ncoooh." me: "no, uzifote ngokwakho." Luks: "ndifotwe Nguye izolo, we were checking yinton yethu engafaniyo." I looked back at the phone. Me: "how far'd you go?" Luks: "well...we gave up cuz aside siyifumane." me: "I see." I unlocked the phone and looked at the pictures. There was Luzuko trying to touch his toes with Lukhanyo. All these pictures were awkward. Another one of all 3 of them showing their teeth. Me: "nifotwa Nguban?" Luks: "estelllllllaaaa." Me: "oh." Luks: "so sii identical ngento yonke." hehe I don't think so. Me: "yes, you are. How cute." Luks: "well that's a bit fake. Yinton ke engafaniyo." Me: "your personalities, firstly, Luzuko is a bit.....hmm.....stuck up, wena you're just hardcore, then Lubabalo is a big soft fuzball." Luks: "Luzuko!!!" Luz: "WHat!" he peeped in the lounge. Luks: "Lihle says you're stuck up." he dropped whatever he was doing and came in. Luz: "stuck up?? Xabek'theni?" Me: "yeah, you're in your own world. Like uyazi isolater at all times like you scared to catch a disease." Luz: "I actually am." he looked me dead in the eyes.

Me: "oh? Which is?" Luz: "I'm afraid to say, since I'm stuck up." Me: "this is not a fight Lu-" Luz: "NAH. Matter of fact it is! The first time I was introduced kuwe wawundonyanya because of your stupid beef with Lukhanyo, I tried being friendly thereafter ungandiboneli ntweni, now I'm the one that's stuck up?" Luks: "Lubby uyaphoswa!!" Me: "well excuse me luzuko, I was Not trying to insult you, I was just being honest." Luz: "well qala uzijonge before you contradict yourself. On too many levels Lihle." damn. Me: "luzuko I'm sorry, I didn't mean to upset you though." Luz: "well you Did." Me: "uxolo ke. I really apologize." he stormed out, back to what he was doing. Luks: "well...at least we have that cleared. So, Estella noLubambo bebe bonder apha. I think he likes her." Me: "oh." ndabe ndityeka ngaphakathi because I didn't want anyone to have a motherly bond with my son other than me. Then again ndathi enkosi. Estella went to help Lubby in the kitchen. She: "so you okay now?" Lubb: "I'm 100. Wena." Estella: "excuse me?" Lubb: "and you." Estella: "oh, I'm fine, so uhm...There's this movie I got." Lubb: "hm." Estella: "I was wondering maybe we could watch it together. You know, as friends." Lubb: "Ella babe, I have kids running around this house that I have to chase and play with, then take care of Lihle, at night I have to drink my pills and sleep because I honestly am exhausted, we won't be able to find the time, Lukhanyo wouldn't mind though. He loves movies." Estella: "he also gave me the same excuses." she sighed. Estella: "I guess I'll just...watch it alone then." Lubb: "why don't we all watch it together?" tasting the gravy. Estella: "I guess." she walked out. Lubb: "Ella....." she looked at him. Estella: "what?" Lubb: "I'm sorry okay? Its a mess here and I hate that you'll get caught up in drama." Estella: "well you don't care." Lubb: "I actually do, but I hate what you're doing babe, this is not you. Be the same classy lady who gave me hassles all those months back, putting me in my place and shit. That was sexy. Every man would die to have that." Lukhanyo came to the kitchen and stood away from the door. Estella: "what about what happened in Australia the night before you left." he went cold. Lubb: "that night was a mistake and please don't ever mention it again." Estella: "so she doesn't know?" Lubb: "Estella please." Estella: "I'm just asking, did you not tell her." Lubb: "it didn't mean a thing. You know that!" Estella: "it didn't feel like it didn't mean a thing." Lubb: "this happened months ago angel, come on." she looked into his eyes. Lubb: "don't do that." Estella: "what?" Lubb: "don't look at me like that. I know I'm an asshole but damn Estella, please don't." Estella: "so you want me to leave." Lubb: "I'm not throwing you out, you just make me uncomfortable." Estella: "fine." Lukhanyo walked in singing. Lubabalo carried on cooking. Luks: "need help big Bro?" Lubb: "uhm. Yeah." Estella walked out. Lukhanyo sang a little louder. Lubb: "good mood?" Luks: "great mood. The sun is shining." he smiled.....

Jeffrey woke up late that morning, holding Nobubele in his arms so firmly not ever wanting to let go. She was already awake, since 4 am. Her phone had been ringing. It was Phindile, her sister, Nobuhle, Siyanda and Thulani. All of them were calling all at once. She was terrified, they were probably worried about her. She would be too if one of them went missing without a trace. Or maybe Phindile found out about her and Jeff. This was what actually scared her, for the past two days she'd been happy. Free to do anything walk around stress free. They were in Jeffrey's Bay. Where nobody knew them so nobody could judge, but now...she was petrified. Her heart was beating so fast in the past 6 hours without rest which was not good. Jeff: "sthandwa Sam...good morning." turning her around. Jeff: "you're so beautiful xa uvuka yazi." Nobubele: "enkosi Jeffrey." Jeff: "hee, ndithen ngondibiza nge gama na." Nobubele: "asiseba dala for ezonto nje. Ungu Jeff kum." Jeff: "Ndiright ke baby." he chuckled. She looked upset. Jeff: "what's wrong sthandwa." Nobubele: "irongo lento siyenzayo Jeffrey. Andiyazi bendicinga ntoni. What about abantwana bam aba bangayaziyo ba uphi umamabo? I can't sit here and have fun bona bengonwabanga." Jeff: "singaba fownela nje dear and tell them uright." Nobubele: "no. Can we please go home?" Jeff: "its okay baby, sizohamba ke namhlanje. I'll call usisi, aclean endlin before sifike." Nobubele: "no Jeff, ndibuyela kwam." Jeff: "why? Uzayolanda eziny'impahla?" Nobubele: "we can't do this..." Jeff: "ha.a Nobubele, don't say that!" Nobubele: "Jeffrey, sibadala. I am married, I can't do this with you anymore." Jeff: "Nobubele ndimamele. Sizoyi lungisa lonto ufika kwethu, we can do this, ukuphethe kakubi lamntu pha, you deserve happiness! And I'm willing for ukonwabisa." she shook her head crying. Nobubele: "abantwana bam bazaw'thini bona? Jeffrey I am a disgrace emzin wam." Jeff: "you're not." Nobubele: "ndiyiyo!! Just take me home." she went to bath and dress. Jeffrey sat on the bed, heartbroken into pieces too small to pick up. He felt like everything he did was a complete waste. How could he convince her she's not worth the abuse? How could You stop a victim from falling into a trap? Jeff: "Nobubele, Le feeling uyivayo is only temporary, its just a part of moving on, soon izophela and uzokonwaba nawe." she shook her head and packed her things. He got up and packed his, then showered, dressed and they drove to PE without another word. He was extremely hurt. There was nothing more he could say other than he resented his brother for existing. He dropped her off at her house and drove away without a sound. Not even a goodbye. Nobubele walked toward her house in shame. As she entered, Phindile was on the couch, with his son, Siyanda and Thulani. Nobubele: "molweni." Siyanda: "molo mama! Usuka phi? We were worried about you!" Phindile: "hayi nyana. Give us some space." the boys walked out and drove away together to get drinks. Nobubele: "I am so sorry." Phindile: "avela ku Jeff ne?" her tears refreshed her

cheeks. Phindile: "Nobubele. Ubuzama ukwenzantoni mhlawmbi. Uyayazi mos uba ungu mfazi WAM and owam qha, ikwenzele nton into nd'balek, jonga ngok uzi khuzisa ngabantu." Nobubele kept quiet looking to the floor. Phindile: "ndicela uxolo ngalamini sthandwa, I lost my temper and ndiyazisola ngokukumosha. I just Hate that umane ngozisa lomntu kwam! Kuthen ungandimameli nje Nobubele!? Yonke into endiyenzayo apha ndiyenzela wena, kuba ke badala ngoku abantwana they're doing well for themselves. Ufuna ndide ndithin?" Nobubele: "uxolo Phindile. Bendinga cingi-" Phindile: "damn right ubunga cingi because kakade awuna ngqondo. Ndicela ifone ke sisi?" she gave him her phone. Phindile: "until ukwazi uziphatha nje ngomfazi, you will get it. Agree?" she nodded. He kissed her cheek and walked to his room. Where his phone rang. Phindi: "hello.." Caller: "baby, ndicela imali yentloko tu...sizoya somewhere ne-friends zam and mna ndifratsi andizokwazi hamba ndinje." Phindile: "hay kodwa Fufu, Le ndik'nik izolo?" caller: "I did my nails honey." she sulked. Phindile: "Eish...I'm still busy aphe ndlin." she moaned a bit in his ear, igniting him in certain places. Phindile: "hayi. Sundenza oluhlobo please." caller: "pleeaassee." she groaned. Phindile: "okay ndiyeza." he hung up and looked for his wallet. Phindile: "mnkam, ndiyabuya ngoku. Ndicela ukhab'usenzi lunch ne." he rushed out to his car and drove off. Nobubele started with cleaning her house because she knew his "ngoku" was 3 hours or later..

Chapter 669

After eating, I sat in my room with the babies. Luthandoluhle were playing with their toys on the floor. Lubambo sat on my lap. I just thought about my life nje. How I wanted to start my following year. My twins were going to creche, Lubambo was going to taken care of by Nono. I had my 2nd year to get through and I needed it to be better than my first. If I failed, the only blame would be myself because Lukhanyo zange Athi mandingafundi, even when he divorced me I should've just ignored everything ndifunde ncwadi zam. Well, I'll have to start again and this time I was going to focus. I needed an income too. Kuske kwathi cwaka nge business and I pay my expenses nge half yam. We were deciding to split and go our separate ways. I felt I was being unfair, Hleli nje ndine excuses of not helping. So eyam imali is going straight to investment. I needed business advice maybe then when I'm done studying I'll start another business because honestly I would never cope at this stage. Lubambo tilted his head back staring at my face. I smiled at him. He opened his toothless mouth. Then pressed his gums together. Me: "Ncooh, what's this baby, a smile?" he closed it again. I kissed his cheek and he broke into a dimpl'ified grin. With his eye

brows arched up like his dad. That satisfactory smile. Unfortunately he wasn't sure what he was doing. Luhle: "mama." Me: "hello sweetheart." Luhle: "Mii." giving me her tea cup, I took it and pretended to sip. Luhle: "a-Bambi sasi nayi mii." I gave Lubambo a pretend sip. Me: "hmmm....imandiii" Luhle: "mannddii." Me: "give mommy a kiss." Luhle: "mommii." Luthando was in the corner playing with his toys, rolling around his ball. Things were settling down at least for now, I'll be moving back in with my mom in 3 days time. The triplets were leaving, at least some fresh air. With my kids and family. Lukhanyo walked in. Luks: "heeeeyy." he sat next to me. Luks: "ninjani?" he smiled. Why was he smiling? Khon ok'shaya manzi. For sure. Me: "what's up?" Luks: "nothing tshin. Hey baby boy!" he fiddling with Bambo's cheek. I looked at him suspiciously. Kaloku ndimqibele ese depressed, or have they sorted things out. Me: "so you're good now?" Luks: "yeah. We're ayt." ndiyamazi ke shame uLukhanyo, him smiling was never to be trusted. At all. I've known this since we started out. Me: "is it about that guy we met?" Luks: "suzi worry'isha." Me: "please don't kill him. You know that will set you back Lukhanyo. Just find another way to sort him out. He could be the one person to destroy you." Luks: "kuthen une worry kangaka. wouldn't you be happy andikho phamkwa mehlo akho dun?" mxim. I looked at Lubambo, both his hands clasped my finger and sucked on it Luks: "I'm sorry..I don't know what he wants, and uyandi frustrater ngok." Me: "don't give him the satisfaction. He feeds off your anger Lukhanyo, awumbon Ndlela Le akujonga ngayo when you lose it? He enjoys torturing you mentally." Luks: "he knows about the business." Me: "the drugs and guns?" he nodded. Me: "yabona? Uzothi uyazelaph leyo? Did he see where you keep it." Luks: "yeah...kinda. Besise ndlin. I don't know uyazi Njan." me: "right now, change storage, not ngomso, not in an hour. Right now." Luks: "but-" Me: "Now. Why are you getting lazy, lo Ta Luks ndimaziyo mna would never be this dumb and relaxed." Luks: "heee, ngenjani." he licked his lips. Me: "no." Luks: "no what? Xandibuza ba ebenjani?" Me: "ebezobulala abuye enomsindo and make it other's fault." Luks: "and how is that good?" Me: "actually, what was good about him is that he was a quick decision maker, even under pressure. He was calculating and smart." Luks: "abuye?" I looked at my kids. Luthando had stopped playing and stared at his father, it was the most awkward stare. For a very long while wakhe wamjamela qha. I wanted to know why? Luks: "ndiyathetha." Me: "what's wrong with Luthando?" he looked at his son narrowing his own eyes. Luks: "Luthando!!" the boy got a fright and looked around then started crying. Lukhanyo rushed to his side and picked him up. Luks: "yinton ngoku boy?" patting his back. Luthando quieted down and held on to him. I wonder uhlutshwa yinton umntana. Luks: "shhhhh.." okany ubone nton. Ndaske ndabanda. Lubambo's eyes were darting around. Kwangen

uLuzuko. Luz: "uph Lukhanyo?" yabona kengoku uzoqal undidika. Me: "how many times must I say sorry? Khona ineed for ba mawube kwrada!" Luz: "xandibuza ulukhanyo bubukwrada." Me: "I don't like your tone." he breathed and looked away. Luz: "molo madam, bendicela ubuza ulukhanyo uphi na." ndaske ndanaar worse. Luks: "luzuko, hayi fondin yinton ngok wasikhuphela kuth stress sakho?" I got up, lay Lubambo on the floor ndaye bathroom to rinse my mouth and drink water. kwaphela nesos'yezi. Luks: "are you okay?" he yelled. Me: "fine!" Lukhanyo looked at his brother. Luks: "what the fuck do you think you're doing?" Luz: "uthetha nganton ngoku." Luks: "fondin, I get that you're frustrated and shit. But awuna right yothethi kaka nakuban na!" Luz: "askies fethu." he sat on the bed. Luz: "I'm just worried. Tee hasn't called all this time. And akandiphenduli. I'm worried about her." Luks: "uyawenzen?" Luz: "nothing, I thought we were fine. Ebezoya kwa Gqirha and come down to PE." Luks: "maybe she just needs some time, how long have you not spoken to her." Luz: "since last night." he whispered. Luks: "hayi man subhanxa! ak'kabethi no 6 nje. Mxim." I walked out the bathroom scooping a sleepy Luhle up. Luthando was still clinging on to his father half asleep. Luhle: "mama." she yawned. Me: "uzolala baby?" Luhle: "Utha yam." Luks: "myeke, ndizobalalisa." I took her to bed, ndazoland uBambo ndemnka naye to look for something to do.. Luz: "so....what's keeping you happy." Luks: "if I told you. You'd ruin my plans." Luz: "plans? You make plans now? I promise andizothetha." Luks: "uyazithanda ne ndaba. I'm just giving it some thought maybe doing something isn't a bad idea, like trying something new, Kudala ke ndicinga indlela zozonwabisa and somehow, it makes me smile." Luz: "that's it?" Luks: "yep." he took his son to bed, laying him down next to his sister. Lubby came to check on them. Lubb: "sebelele na." Luks: "yep." everybody was in the mini cinema, Sylvia was present to watch the babies. Lubb: "sizobukeleni imovie, in about 10 minutes. Come" Luks: "let me sort something out first." he went to call Stuja. Lubby went to the dark room where Estella, Jermaine, Lihle, joined by Luzuko, him and possibly Lukhanyo. Everyone else was gone. Lubby sat next to Lihle and covered himself with the blanket. Lubb: "andiyazi kuthen ndisozela kangaka ke bonanje. Tyhafe kamandi. Ndinazo nendaw ezilambileyo." Luz: "you were eating 10 minutes ago!" Lubb: "SO. Are you keeping tabs on me now?" Luz: "just saying." Lukhanyo walked in and sat next to Estella. Luks: "hey." she flashed a quick smile and stared back at the screen. Luks: "so.....how was Australia? Did you have....fun?" Estella: "yes, I enjoyed it very much. Its a beautiful place." Luks: "wow, I've never been. So, what did you do there." she looked at Lubby. Lubb: "can we focus on the movie and stop with the vacation quiz. Thank you." he swallowed. Luks: "oh? Kanene bupha nawe." Lubby stared at him. Luks: "funny how life works out the way God plans it hey?"

Lubb: "Lukhanyo what's pinching your ass ngoku!" he snapped. Luks: "and another thing emosha abantu is lies and deceit. Shit! Ndatsho ndane ntloko. Excuse me." he walked out. Me: "and then?" Lubb: "nothing baby. Can we go to bed?" Me: "asiyi ndawo. Until you tell me what's going on." Lubb: "I'm not the one that's talking crazy!" Me: "what are you hiding?" Lubb: "baby, nothing. Can we jus-" Me: "uyaxoka Lubabalo." Lubb: "Lihle, Lukhanyo uthethi nyawo lika hili andimazi nton Le aza nayo mna. Can we just chill?" Me: "fine." I sat back and looked at the screen. There was a heavy tension in the air that I could feel. Very heavy. It was too quiet. J: "does anyone want some drinks?...no? Okay." Luz: "pizza?" Me: "no thanks." Lubb: "I would like a large please, anything with extra cheese." Luz: "lovely, nantsiya phone make it 2." Lubby ordered the pizza. Wabuya noTa Luks. Half way through the movie. I was bored and wanted my bed. Luks: "funny how life forces us to calm down." Lubabalo stared at him again. Why was he so cocky? He knew something and that stressed him too much. Luz: "in what way mjita?" Luks: "like for example, ufumana lomjita lusko. Ushota ngento nje enye, qha uyifumana kwakhe usazi sorta aphe bomini yabo, ide iphuncuke kuye sandleni. Forced kengoku ba ayamkele lonto Le awti. Because kaloku uyaphapha, I'm sitting here wondering, jonga Le poni." pointing at the screen. So now no more movie, we were actually conversating. Okay. Luz: "yeah, but problem is his pride because Khange agxothwe kowabo. Xa selahlekelwa ngumsebenzi anga goduk nje." Luks: "xa efuna lamsebenzi qhana? What if that job is his dream?" Luz: "if yeyakhe alok izobuyela kuye. Simple. Thixo akakuniki into engengyakho." Lubby couldn't say a word, this was not his conversation. Luks: "ndiyakuva sani. Qha problem is that, kuse mhlabeni apha, izinto zininzi abant bam'balwa. Xa sowuy'xhuthelwa Le job utheth'ba awuzoy'lwela?" Luz: "damn right I will!" Luks: "exactly! Yabona wena...mxim, you get me." Me: "can we get back to the movie." I yawned. Luks: "Ta Lubby, awuse Thule zitshaphi?" Lubb: "diniwe qha." he muttered. Luks: "well, God bless those muscles.....each and every.....single.....one of them." he winked. Lubb: "Lihle..." Me: "hm?" Lubb: "uhm....I'm going to bed." he whispered. Lubb: "please join me." Me: "I need to know kwenzekani." he stood up and gently pulled me out the dark place. Lukhanyo sat in his chair grinning. If people were uncomfortable by his presence that was none of his business. At all.

Lonwabo went in to check on his patients. He doubted he'd be able to go on the yacht cruise with his friends, too many of his patients were in a bad condition especially Khaya. He hadn't woken up from his coma. And there was a possibility that he was brain damaged or even paralyzed. At this point they couldn't tell. So Lonwabo just couldn't rejoice and be happy. He took out his phone to call his buddy. Losta: "awti yam." Lubb: "Ekse ntwana." Losta: "ushap?" Lubb: "ndiyazama bra. Wena" Losta:

"Eish, ndisa phitsekile Lubby. I'm in my office, Khaya is in a coma." Lubb: "Khaya? Brother ka Zintle?" Losta: "yep." Lubb: "kwenzekile nton Lonwabo!!" he got dressed immediately. Losta: "he overdosed on drugs, we've tried everything, kodwa akavuki." Lubb: "ndise ndlelen ezayo mfethu." Losta: "okay. Bring me food, I'm hungry." Lubb: "sho." he hung up. The pizza had arrived. He took the box and a juice bottle. Lubb: "Luks Lusko, masambe siye sbhedlele please, Khaya uleli pha." Luks: "what happened?" Lubb: "drug overdose, Losta uthi ukwi coma." Lukhanyo wore his shoes. Luks: "drugs? Where the hell-.....shit." they got in the car and drove to the hospital. Lonwabo went back to do his rounds again. A nurse walked to him. Losta: "hey." he flashed his dazzling smile without effort. She: "heyy..Dr Dabi." Losta: "ndingak'nceda Yoliswa?" She: "ewe, its my birthday and andifumenanga nanto from wena, but we've been working together for 2 years." Lonwabo laughed. Losta: "shame man sweetie kaloku andiphangel kwa HR mna. Andiyazi ba uyabhafa. Happy Birthday ke nosisi. Ungadinwa wethu Va, ukhule ungakhokhobi. Uhlal usis slender." She: "wenzani later?" Losta: "what I always do." she: "sine G2G ke eflatin yam. Ndicela uze ne friend." Losta: "uhm...actually I'm in a relationship." She: "ngoku? We don't wanna drink with your 'relationship' thina. Its just a chilled thing." LuzuKhaBalo arrived, unfortunately wearing the same clothing. Losta: "arggg come on!!" Lubb: "molo nawe. I'm brown thanks and you? Hello lady, awuse mhle wethu." Luks: "Lubabalo..." Lubb: "yes Sir?" Lonwabo took the pizza box and juice. Losta: "ndiyabulela mhlekazi." Yoliswa: "so....Dr Dabi?" Losta: "I don't think I'm in a mood for a party-" Luz: "I am? Awusatsho Losta!" Lubb: "uphi umntana, nincokole ke Nina nge party yenu." Losta: "iza ngapha, Yolz, sophinda sithethe." he walked away with the triplets. Losta: "ndicela uyotyia mna for now, ndiqibele izolo." he stashed the food away and took them to khaya's room. He was still the same. Losta: "his parents basendleleni." Luks: "why would Khaya take drugs? He's not stressed mos or crazy." Lubb: "peer pressure. No actually its my fault." Luz: "How? Possibly? Nguwe omtyisa drugs? Do you give him money to buy them? Did you know?" Lubb: "no, bu-" Luz: "haaa! Stop! Stop blaming yourself for everything." Lubb: "luzuko this boy came to PE innocent and shy, the coolest kid ever, smart and had an obvious bright future ahead. But I just had to throw him a big party. The first party he experienced utywala amacherrie and all negative shit. What kind of role model am I!" Luks: "bungayazi ba he'd go to drugs eventually Lubabalo. Everybody has fun. It wasn't bad fun." Luz: "isafana noba you didn't throw the party someone else would've and bezotyia utywala apho. It was his decision to start using ez'nto. Did you force him?" Lubb: "no, but I should've been the older guy that says no instead of encouraging him. Now his father will surely hate the shit out of me." Luks: "here we go again....." rolling his eyes. Luz:

"dwelling in the dark pit of sorrow." he yawned. Lubb: "you two are fucking heartless." he sat on the chair staring at his young friend's lifeless body. Thando walked in the room. Luks: "hello!!" Thando smiled faintly and sat on the bed next to his best friend. He didn't want to talk to anyone except for him. Luz: "I think we should wait outside, sesibaninzi kakade." Lubb: "ewe kaloku ningoo x 2 by 1 divided by negative 2 is equals to sonke-" Luks: "shut the fuck up!" Lubb: "mxiiiiiiim." twisting his mouth he walked out first, followed by his copies. Outside Songezo walked toward the room with his wife. Songezo: "nyana." looking at all 3 of them confusingly. Lubb: "ndim lo Ta, uyaphila." Songezo: "ei....how is he?" Lubb: "I'm not sure Tata, his doctor didn't tell us anything. Ndimbize?" Songezo: "please my boy." Lubb: "molo ma." Macy: "hello sweetheart." Lubby went to look for Losta. Luks: "can I get you something to drink Tata? Nawe mama?" Songezo: "ewe mntanam, I need some sugar water for umfazi wam. Please ndoda." Lukhanyo went about his task. Luzuko ushered them into the room. Thando greeted them briefly and gave them privacy, walking back out to his car.

Asanda undid Sisipho's diaper and bathed her. The baby was her normal bubbly energetic self. Pushing around, splashing water. She was 6 months old. Asanda: "my loving, sukwenza nje. Udenza manzi njena." the baby opened and closed her mouth playfully making baby sounds. Asanda dried her and dressed her up warmly then threw out the water, clearing up around them. She was hungry. As she remembered with glittery eyes, she'd been to the clinic that day and they told her what she didn't want to know. As she prepared herself some food, worrying about the baby, school, Thando, herself, how could she be able to add another responsibility. As her hands were shivering, tears fell down her cheeks. Sisipho stared at her mother not understanding. Asanda went to the bathroom, putting the baby in her cot and she sat down on the floor to think. But what was there really to think? She should have thought right after Sisipho's birth and gotten contraceptives like a normal person.. Asanda heard the car park and she rushed to the bathroom and washed her face. Thando walked in. Grumpy and upset. He mumbled a greeting and went to his daughter. This annoyed Asanda, xa engafun bulisa makaval umlomo kaloku! Then she calmed herself down. Asanda: "are you hungry?" her voice still cracky. He stilled at the sound. He knew her tones very well, and this was not a good tone. He straightened himself up to look at her which she disappeared into the kitchen. Thando walked swiftly behind her. Thando: "baby? What's wrong?" Asanda: "nothing babes. I'll make some spaghetti and mince." Thando: "Asanda ndijonge." Asanda: "just a second." Thando pulled her toward him and turned her around. She had been crying. Thando: "did I do something wrong?" she shook her head. Unsure of herself.

Thando: "talk to me my love." Asanda: "I'm fine. Just emotional." she couldn't tell him. He would be severely stressed more than he already is over Khaya. She didn't want to be a burden to him. Thando: "baby please..ndixelele what's eating you, I'll fix it. I promise." tears threatened her eyes once more. Asanda: "how is he doing?" Thando: "still bad. Or stable. Ta Losta tries to keep me positive, but....I don't know if I can take it." Asanda: "He'll be fine." hugging him tightly. Thando: "umithi." she froze. Asanda: "h-how did you know?" Thando: "I noticed. Weight gain, plump face, swollen feet, constant mood swings. Ndik'bhaqe kdala. Plus the test you forgot in the washing." Asanda: "sizokwenza ntoni Thando." she sobbed. Thando: "shhh, sulila kaloku sthandwa Sam, We'll figure something out. Andiyazi okwangoku, but let's rest okay?" kissing her forehead. He too, was afraid of a second baby, juggling a job, a child, pregnant fiancée and school would be the most difficult task thus yet, but as he promised he had to support and protect her emotions first before figuring out his own. After eating they cuddled in bed with Sisipho who was only too happy to be snuggled in between them. His phone rang. As he picked up the caller. Thando: "T Moni speaking." Caller: "Thanduxolo." Thando: "yes?" the other line went dead silent. Thando: "hello?" Caller: "ndicela uze sbhedlele mjita." ...

Chapter 670

Thando stood with Khaya's parents in the room. Lonwabo and another doctor were with them. Losta: "Tata, if I can explain exactly what had happened. Khaya inhaled a substance that had a pinch of poison in it. Now as drugs do, iye straight engqondweni yakhe which was why he collapsed and hit his head, further causing a head injury, where he is swollen internally. We've done the best we could to bring down the swelling and slowly it is better than before But, he still isn't out the woods. The poison might be a long term effect to his system." Songezo: "meaning what?" Losta: "he could be in a coma for weeks, months or probably years." Macy: "so....he's...brain dead?" Losta: "damaged ma, not dead, there is little activity, just enough to be classified as thoughts or dreams." Thando: "can he hear us?" Losta: "There's a good possibility that he can. I know it seems like good news right now compared to what it was before, but with brain damage its difficult to tell. He had a seizure, 2 within 3 hours just the other day, and both lasted for over 3 minutes and that's not looking good." Songezo: "singenza njani doctor? Is there treatment?" Losta: "I'm sorry sir. Right now, we have to sit and wait until he recovers." Songezo: "but wenzantoni to ensure that he gets better, Dabi!!" Losta: "2 of the best specialists, are on their way to assess him Ta. Sizova kubo ba sithini. They might move him to Cape Town or else

where, we don't know." Songezo: "what specialists!! Bazokwazi unceda bona!" Doc: "they have a 92% rate of survival. Especially for this type of job." Losta: " Please excuse me Tata." he walked to his other patients. The doctor left the family too. Songezo: "Thando, benisenzantoni boy? What is this? What happened?" Thando: "Tata, its been months ndingathethi let alone uhlala noKhaya. That night bendihleli noAsanda as usual, she told me mandikhe ndiyobona itshomi yam so I left ke nam xandifika kuyilo mess. I found him in the room, at the time ebesa thetha kancinci, because ndithe ndizomsa esbhedlele wathi yena no. Ethethel ezantsi. Encwina. Until he eventually kept quiet, ndasele ndibiza UTa Losta to come help. He's the one that did most of the work." Songezo: "enkosi Thando. Ndiyabulela ngobukho bakho nyana." Thando: "its my pleasure Tata. Mama can I get you anything?" Macy: "hayi sweetie, bayeza ooLubabalo, bebeyothatha into kutya." just then Lukhanyo appeared, looking breathless. Luzuko right behind him. Luks: "mama, I ndik'phathel itea. Just to relax." Macy: "you are an angel, enkosi." she had absolutely no appetite. Her only worry was her son, who was still hanging on a thread. Songezo: "sthandwa, please eat something. You need istrength sakho." Macy shook her head. Songezo: "please?" Macy: "andilambanga Songezo." Songezo: "ndicela siyoo thandaza ke lomzuzu. Come." they walked to their son's room. Lubby arrived, and stood still. Bending over, his hands on his knees. Lubb: "thiza bawo!" Luks: "you like disappearing wena." Lubb: "andithi your lady friend with a crooked smile kidnapped me. Did you know how fast women run? Shit. Oko endileqa ingathi ndiyi gusha.." luzuko laughed. Luks: "I can't imagine you running Lubby, its the funniest scene in my mind right now." Lubb: "I'm glad my misfortune amuses you Lukhanyo. Hey Thando." Thando: "molweni Ta." Lubb: "unjani?" Thando looked visibly stressed, talking to Lubby would be either more stressful or relieving. He wasn't sure though, but he knew it was better than talking to anyone else. Lubb: "hello?? Are you losing left?" Thando: "no Ta, ndigrand, just worried about Khaya qha akhonto." Luks: "yindoda leya man, suzikhathaza." he sat down next to him. Luks: "khandikhaphe Luz." they walked together to the bathroom. Luz: "bra, can you please be honest with me. What's with these comments out of the blue worse xasise ndlin." Luks: "hayi luzuko, what comments? Funeke ndibeyi mhumhu ndingathethi ngoku? Hayi suka fondin." Luz: "what plans do you have?" Luks: "Luzuko khandehle man." Luz: "you know something?" Luks: "maybe.." luzuko kept quiet after that. After the bathroom they went back to Khaya's room to say goodbye and drove home after 8pm.

Luthando was definitely not okay. As much as his breathing was fine, but I could tell ikhona net enye into ewrong. Luhle sat next to him, playing with his hands. Luhle: "anzi Utha?" Lutha: "hm.hm." Luhle: "bebyyy.." she sang. Lutha: "Andola." Luhle: "ami

eza nze. " Lutha: "a.a." she kissed his cheek. Luthando was still sulking. Luhle went to fetch the ball, rolling it to him. He held on to the floor, pushing himself up, bum in the air and stood. Then rolled it back to her. Luhle picked it up and made a run for it. Lutha giggled chasing closely behind. It was late and they seemed a tad more energetic than ever. Lubambo wanted his sleep, as always. After his feed he stared up at me expectantly. Me: "hayi umdala Lubambo lala boy tshi." he gave me a gummy grin. I could only imagine what the sound of my voice sounded like to him. We lay in bed for some time until Lubby came in the room carrying the twins. Lubb: "molweni." Me: "heey daddy." he put the kids down. They ran out again for a second ride on Lukhanyo, and probably a third on Luzuko. Lubb: "sooo...unjani." he climbed on the bed, sleeping on my stomach and looking at Lubambo. Lubb: "hello my boo." Me: "how's your friend?" Lubb: "honestly babes, I don't know. I just have faith He'll pull through." Me: "how?" Lubb: "I didn't tell anyone. I booked a specialist to fly down and look after him. Only Losta knows." Me: "why ungxali." Lubb: "because Lihle, I don't want his parents to feel like they owe me anything. I can help and I want to because ndinazo resources. If I stood back and watched bizondenza umntu onjan lonto?" Me: "okay. Don't panic, I understand." Lubb: "have I told you lately how much you mean to me?" Me: "no. Actually, I've been neglected." Lubb: "you're the only breath I depend upon." Me: "don't go soft on me..." Lubb: "undenza lento njena mam'Morrison." Me: "ksasa ndiye home affairs babes, to make arrangements for baby Bambo." Lubb: "hayi baby!! Ulibel umntana!" Me: "i-i....nawe mos. It never crossed my mind. Until now funeke ndimse kwa Gqirha for his check up." Lubb: "ndihamba nawwee." he sang. I giggled. Me: "kodwa yazi wena mxim." Lubb: "say it." Me: "no." he tickled me. Lubb: "say it." Me: "hahahaaa! You're crazy." he nibbled my neck on the left ndahanjelwa ngumzimba, catching my breath, my left was overly sensitive and he knew that very well. Me: "xolo ke Kumkani." he sulked. Me: "I love you.." his eyes sparkling. Me: "like a warm summer's day with a cool refreshing breeze." Lubb: "ha? You gotta do better than that." Me: "I am not a poet Mr Morrison. Just know that, I love you even more than who you were in the past, I love you above your Andrew phase, your smooth operating manner, the dramatic lunatic, my very own drake, my missing puzzle. My half." he melted into liquid, blushing and hiding his face. Lubb: "Eish..." Me: "lala ke kusebsuku." Lubb: "andise dinwe babes, I just want melt inside of you..." Me: "haha. Not a chance." Lubb: "oh? So xakukho ubaba andihoywa. Lubambo. Get up boy." I smacked his shoulder laughing. Me: "I think you should get up and March." Lubb: "izofika la general izosixhutha." Me: "isgezo! Khon ubuya nin UTata wakho, have you checked up on him?" Lubb: "he called Lukhanyo, uth uright." Me: "babe?" Lubb: "hm?" Me: "awuzohlal Ungu number 1 kubo bonke

kalok mntu wam. Understand that." Lubb: "it don't matter to me actually, because I'm grown. I can take care of myself." It obviously bothered him, because firstly his adoptive dad, Sebastian was still mad at him and hardly said more than 3 words to him throughout the visit. Sizwe didn't like him anymore and probably Zakes neither. Me: "are you ready for your 2 day holiday?" Lubb: "andiy'apho." Me: "the cruise? Why?" Lubb: "it sounds boring. Ndifuna uhlala ndikhe ndiphole for once." I know what he was doing. Me: "baby. Your friends will be upset. Its just 2 days. Uzova kamandi and refreshed.." Lubb: "they'll entertain themselves andiyo TV mna. We'll have the whole house to ourselves..and some bit of kinky fucks here and there." kissing my neck. Me: "NO. The baby." Lubb: "ndiya buya." he picked Lubambo's sleepy body up. I went to check on the twins. Lukhanyo was reading them a story in the lounge. Me: "nise right?" Luks: "uphi umntana WAM?" Me: "Lubby is putting him to bed. Uyozela." Luks: "fancy a read?" Me: "no thanks. I have an early morning." Luks: "uzoyaphi? With who?" Me: "I believe that is now none of your business.....Ta Luks." I smiled sweetly and kissed my children goodnight. Lubby and I had our night prayer, hopping into bed, salala.

The next morning I was up by 5. Ndaya straight ebathroom to shower, brush my teeth and all. I went to check on Bambo who was still sleeping. So was Lubby. No, everyone was fast asleep except for me. I started on breakfast real quick, dished up and cleaned the lounge where the guys were chilling last night and the pool table, plus the bar, full of bottles and cigars. About 6:35 I was done with the lounge, I had uncomfortable back pains ndatsho ndihlala phantsi. I still had the kitchen to clean, the bedrooms, bathrooms. Hayi Fok man!! I was fucked up tired and couldn't deal anymore. Tshin bethuna. I decided to suck it up ndayo cleaner kitchen, and the guest bathrooms plus my own. Most importantly the main one for visitors. Sylvia would sort the rooms. Striding back to the twins room, babebelele. Bodies spread out next to their dad. I tiptoed out and went to my room. Luzuko stood in the passage and stared at me in shock. Luz: "What. The. Fuck." Me: "what?" he put his hands on his hips. Luz: "Lihle!!" he hissed. Luz: "we need to have a talk, hayi this is getting out of hand. Hayi hayi hayi!!!" he pulled me to the lounge. Luz: "ucimba wenzani?" Me: "luzuko, not now tu." Luz: "Lihle, ubhanxa oobrother bam!! Don't tell me not now! I saw you ngamehlo am enyama uphuma eroomin ka Lukhanyo like a bloody thief!!" Me: "so uzothin kengok luzuko? Jail me?" Luz: "you are twisted, you know that !!" Me: "excuse me? Mna? Twisted? Don't tell me about me luzuko, when you got your own commitment issues stringing financially unstable women on for sex. Ndim lo utwisted? Telling your girlfriend she's your world and then fuck another in the same bed, don't come be a saint apha kum luzuko. Bendiyojonga abantwana bam,

Luz: "what t-t-the f-fuck did you just c-call me!!!!!" he yelled stuttering. I knew he was pissed off.. Me: "a-a-a BITCH!!!" he roared in frustration. Luks: "what the hell is going on!!!!!" Me: "uzothin uzandikhaba ngok luzuko?? Uzandibetha?!!! Go ahead, I dare you." Luks: "Lihle!!" Me: "suyingena Lukhanyo!! Makabethe!" Luks: "akhomnt uzaw'betha mntu apha!" Me: "nxx!" everyone was up by now. J: "the fuck is going on!" Lubby walked out the room lazily, with only his boxers on. Lubb: "somebody better have a damn good explanation for this noise ekuseni." ndabe ndilinde uMr Big Nyeke athethe ndizam'phoxa ajing ingotyo. Siees he made me so mad! Luz: "Lubabalo, Lihle ndim'baqe phuma eroomin ka Lukhanyo." 🤔:o get the fuck outa here! Lubb: "so?" kwatsho kwe cwaka. Lubb: "ngoku Luzuko? She has kids in that room suppose wenzeni?" Luks: "no, the issue is deeper apha, luzuko, ivelaphi Le anger yakho toward Lihle, Lihle umenzen umntana Bantu?" Me: "ndimenzeni ke?" Luz: "why did you call me that?" Me: "bendinomsindo luzuko, you have no right accusing me ngalokaka." Luz: "uxolo. I wasn't thinking." Me: "I'm sorry." Luks: "yees, and I had to wake up kukho abantu abane mood swings apha!" Estella rolled out her suitcase, readily dressed with Alex. Luz: "where you going?" Estella: "I'm going home. Thank you for everything guys. I kind of enjoyed being here." Me: "bye." Luks: "so soon? Well...I hope you go well babe, Lubby? Aren't you saying goodbye?" Lubb: "bye." he looked at the kitchen. Luks: "akakuva bhuti." Lubb: "goodbye Estella." she looked at him for the last time. Awkward silence. Luz: "is there something, I'm missing? Since I'm always the last one to get the memo?" Me: "nam ndibawel yazi bonanje." Luks: "yeah, Lubby.....is there something extra....you wanna share. Words of wisdom?" Lubb: "safe trip." he walked toward the passage. Estella: "so that's it?" Lubb: "yes!" he snapped. Estella: "I'm going back to Brazil." Lubb: "enjoy yourself then." Estella: "Lubby, I just wante-" Lubb: "please Estella!!" Me: "Lubabalo?" Lubb: "baby." Me: "kuthen ungafun athethe? Is there something you're hiding?" Lubb: "No!" Estella: "Yes!" Lubb: "What the hell!! Estella can you jus-" Estella: "we slept together Lihle." andadana. Ndatyhaf amadolo I thought I was gonna fall. Lord knows, I wanted to strangle her, and beat her to death, but not here. I gathered myself like a lady Before I broke down and walked straight to the bedroom. Lubby stared at her in disappointment. Estella: "I'm sorry." Lubb: "run." Estella: "Lubab-" Lubb: "Run. Back. To Brazil." each word escaping slowly from his mouth full of hate. She turned on her heel and hurried out the house. Luz: "lub-" Lubby walked to the room. Lubb: "baby, please listen to me." I got dressed. I wore my black suede stilleto's and black blazer. With black skinny jeans and a black blouse. I needed to get out of here. I needed....I

don't know, I just wanted to go! Lubb: "Lihle please just listen!" Me: "usuke kum Lubabalo!!" Lubb: "kwakuk'dala ngoko Lihle!! Months back!" Me: "Why didn't you tell me!! Huh? Kuthen ungatshongo kengoku!" Lubb: "because I didn't want you to be uncomfortable, I didn't call her he-" Me: "when?" Lubb: "what? When what-" Me: "when did you fuck her Lubabalo!!!" I cried. Lubb: "baby, ndicel ungakhali t-" Me: "don't tell what the fuck to do man! And tell me the damn truth!" Lubb: "in Australia." Me: "WHEN!!" Lubb: "uhm...I can't remember." something in me snapped so quick, I screamed out loud. Lubb: "baby!!!" Me: "don't Fucking. Touch. Me!!!!!" Lubb: "Lihle please.." he begged. Me: "no Lubabalo. No." Lubb: "ndicel undimamele ke please." I stared at the floor, I couldn't feel my heart, I couldn't look at him in the eyes. Or anywhere. The thought of her having a part of me drove me insane! Her touching his body, the thought made me quiver and brought tears in my eyes. Lubb: "the only reason I'm honest is because ndiyak'thanda and I can't afford to lose you. It was the day before I left. It meant nothing to me. And zange ndiphinde ndimbone." this explains the surprise look when she first came into the house. Me: "you let her....." my breathing failed me. I was just numb. Me: "you let her have a half of me, for nothing?" I sobbed. Lubb: "baby please...." tears in his eyes. Lubb: "ndicel undixolele Lihle....I'm soo sorry." Me: "the day before you left, the week before you saw me, we were still emailing each other Lubabalo usithi uyandithanda but you....." I took my bag. He grabbed me by my arms. Me: "ndiyeke! Just let me go!" Lubb: "Ndiyak'cela Lihle please!!" I pushed him off me and he landed on his knees. Lubb: "Lihle." I walked out the room. Sylvia had Bambo ready, with his bag. Luz: "do you need a Li-" I walked out the house and walked All the way to the bus stop. Lubambo was covered in his little blankey. I hid my face a bit, trying to calm down. I couldn't. My day couldn't get any worse, whilst she was here, did they.....no! I refuse to entertain those thoughts. But what if while I'm being stingy, bemenza ecaleni yena? I was weaker than before. My heart floated painfully up and down. I had a lump in my throat. Getting a taxi to town ndizo qala k'la home affairs then go see my dad. I want to go back for my twins but then again I didn't want that car. Bendizokwenza njani? My thoughts were interrupted ngulo bhuti we Taxi. "sisteri, nantsi home affairs kalok." I climbed off ndayongena. At least the queue wasn't long. As I sat in those silver chairs the only thing going through my mind was the part where I was blind, stupid and naïve. Even with this heavy heart I missed him. I ached to hug him, his laugh, his singing. Zazehlela iinyembezi. The more I tried to calm, the more ndabanesqala. "sukhala kaloku sisi. Yhini na nontombi, phakathi kwabantu." an older woman sitting next to me. I was shaking violently. She patted and rubbed my back. I felt worse. How could he just sit back and not say anything? All this time ulinde ntoni? Or I was

not supposed to find out? The woman gave me a tissue. Ndazisula. Me: "enkosi mama." I hugged my son ever so protectively. My phone rang. Over and over again. The queue moved quicker ndalungisa zinto z'ka Lubambo plus his papers. I went to a desk and spoke to this lady with my hoarse cracky voice.. She did her work, taking down our information, and all. She: "uhm, Mrs Mzinyathi?" Me: "Manti sisi, M. A. N. T. I." she: "hayi girl, ngu Mzinyathi lo. Una bantwana aba bini mos?" I nodded. It was written on the card obviously. Me: "sisi, I am divorced. Andisengo Mzinyat-" She: "lady. Apha, k'le yam computer, k'le ndawo, k'la block, Le incinci, imhlophe. Kuthwa married. M. A. R. R. I. E. D." she spelled slowly. I went deaf and dumb for 2 minutes. Me: "that can't be correct." She: "uzam ukuth yaxok computer yam?" Me: "no but.....he said....." my voice trailed away. Tears threatened my eyes again. She: "sisi iqueue ime ngawe. Ungu Mrs Mzinyathi na?" I shook my head in pain of memory why I was not. She: "khabe usima ecaleni ke sweetheart, uzifune. Next!" I walked outside and stood at the pavement. Ndoma. Looking in the sky, only God could answer for me now. Ndiphelelwe ngamandla.

Chapter 671

I got to my father's house ndidiniwe ndikhefuzela. But I was here. Me: "molo Tata." Sizwe: "molo mntana wam. Njani kaloku my baby unxibe amakwai kwai uhamba nosana." he chuckled. Me: "oh khayeke wethu Tata, ndiphume ndinxamile." Sizwe: "uqhele qithi nawe man, kodwa umhle." me: "enkosi Tata." I put down the baby on the couch, to sleep right next to me. Sizwe: "come." taking off my shoe. Me: "hayi Tata. I'm fine. I promise." Sizwe: "jonga lidumbile nje. Iza man! Uyathanda ke ucengwa." I let go of my foot and he massaged it. Sizwe: "so tell me yinton Le ikuhluphayo." Me: "nothing Tata." Sizwe: "you know me better than that angel, bungasoze kalok unxibe ooSky high, climb a taxi all the way here with a baby. So what's wrong." I just sat there, finally being able to relax. Me: "everything is such a mess Ta. Andizaz noba ndiqale ngaphi." Sizwe: "qala ekuqaleni, how it became a mess." Me: "Estella....friend ka Lubby. Confessed something about them." Sizwe: "which was what." Me: "bebe busy Tata. In Australia. They did what they did. Khange ndibe samamela. I left for home affairs." Sizwe: "no mntanam, uhamba njani kaloku." Me: "I freaked out Tata, I was under pressure, and I just ran away like a coward!" Sizwe: "look at me." I looked at him. Sizwe: "you're not a coward. Ku better that nje unomsindo, uguquke wahamba instead of umbethe and making a scene. Because I know that's what you wanted to do." me: "but I made a scene eroomin." Sizwe: "uhleli naye yedwa? That's fine. Just not ebantwini. Ubulilelani kengoku?" Me: "I was

emotional, and hurt. I know I wasn't around ngelaxesha but bendingajingi ndodeni mna when he was gone. Oko ndandihlel apha ndimlindil abuye. Why couldn't he have done the same." Sizwe: "kaloku asifani Lihle. Men and females are completely different. That you must know. I'm not going to lie to you to make you feel better, but Kwezi imini, alusekho uthando mntanam. Adlala ngani lamadoda. Ewe any man makes mistakes once in a while. I made a few and learnt from them. But ichoice ikubo Lihle. Have you spoken to him?" Me: "No." Sizwe: "listen, uve ukuba uzothini before making a drastic decision let yourself deal properly ungaziva u-under pressure to move on like you don't care. Kodwa ndicela uthetha into enye mntanam, again. Andikufuni kwa Mzinyathi, andinamona at all. But honestly, these are the type of men I would hate for you to get involved with." Me: "Tata, what happened?" Sizwe: "nothing love. Uright ngoku ne?" I nodded. He went to wash his hands to prepare some food. Sizwe: "and then what happened?" Me: "ndaya eHome Affairs. For ezi zinto zika Bambo, so while I'm busy pha losisi angandazi as Manti." Sizwe: "njani?" Me: "kusa bhalwe Mzinyathi Tata. I am still married. To Lukhanyo." he stopped moving. Sizwe: "what?" Me: "I don't know how, or why!" Sizwe: "but you're divorced!" Me: "not according to the system, I'm still his wife and its been almost 10 months, so andiyazi. I'm stressed and just want to bury myself and die." Sizwe: "Haibo Lihle!" Me: "hayi Tata, you don't understand what this means. He will never let it go!" Sizwe: "he will! Uzotshata, so for sure by then you'll have divorced." Me: "Tata, he could still get married traditionally. It doesn't make a difference!" Sizwe: "oh." he gave me juice and sat down. Sizwe: "mntanam." Me: "Tata, I Do Not want to be married to him. Yilento esazama ucontroller everything I do! I thought I was done with all this! I don't need this in my life!-" Sizwe: "don't panic Lihle, We'll figure something out." Me: "I will figure his face into a brick wall ke bonanje Tata!" Sizwe: "you will do no such thing. Jonga, you're both adults. Hlala phantsi naye and explain, I don't think he has anything to do with this. Lukhanyo would never just do something like this. Maybe he's in the dark naye, either way, do not argue or fight. Just be civil, get lawyers and do things ngendlela elungileyo. Shouting won't help any of you." Me: "Tata, he has everything to do with this. This is so him like I'm not even that surprised." Sizwe: "okay, if utsho ke mntanam. This is your home, ungahlala for as long as you like, but I don't think hiding from him will help. Thetha kakuhle naye." but then he was right. At this moment I wanted to confront Lukhanyo, but that's what he likes, a fight. I'm not going to give in to him. Njengoba ekwazile uvala umlomo, I will do so. Then call Lungelo for legal advice. My father and I spent some time talking about other things, telling me stories about his childhood. As sad as he was, I could tell he didn't regret what or who he was. Sizwe: "by the age of 8,

ndandiz'khangelela ukutya, especially xa Tata engekho." Me: "Haibo Tata, 8?" Sizwe: "ewe, Yuuh ndandisendiqhelile. Although I wouldn't recommend it for abantwana, I don't know how I actually survived pha." Me: "and yena utatakho? What happened?" Sizwe: "well, I remember ndina 16, after hunting, Tata had been sick for iintsuku. Ndibuye ndimenzel nto kutya. But one day I came back, eleli phantsi, ndandingayazi mandim'thini. Ndaske ndanyaba. Problem was that I knew he was dead but I wasn't prepared and bendingazi mntu outside our habitat." Me: "shame Tata, and then?" Sizwe: "well, Ndahlala for at least 2 or 3 days with the body it started rotting and Iqal unuka. So I had to go. Ngalomini kwafika amapolisa, for some reason, bandithatha ke. Bakhangela umama wam, ndasiwa kuye." Me: "but you weren't used to the environment." Sizwe: "not at all, Yilento ndandibuyela pha oko. Reasons why me and umamakho sasisilwa." Me: "how did you meet?" he smiled shyly. Sizwe: "uhm...ndandi thunyiwe ngumama. So I decided ndihambe ngendlela ende, ndihamba noZolani. Njebe sincokola endleleni, two girls bahamba phamkwethu. That was the first time ndam'bona. Engafun nondibona." I laughed. Me: "why?" Sizwe: "andiyazi, qha she didn't want me around kodwa ke xandingekho andibuze kuZolani. Wasidibanisa ke Zola, kuba ebon ba siyaqoshelan." I smiled. That was so sweet. Sizwe took Lubambo, he'd just woken up from his nap. Me: "heee akase ncume." he curled himself up in his grandfather's arms. Sizwe: "Ncooh. Uthand utamkhulu wakhe mos." I boiled some water, pouring into a jug, ndafak botile yakhe, just to warm it up a bit. I checked it after 1 minute, yabe iringht." Sizwe: "uyekile ibele." Me: "nope, this is it, qha andithandi xasi in public ndikhuphe amabele ndincancise. That's why ndim'fakela kwi botile." Sizwe took the bottle and fed him. Sizwe: "ndizoyobona uStayputi, will you be okay? Fownela friend yakho baby, niz'phumze." Me: "no Tata I'm fine." Sizwe: "take a walk ke baba. There's still some of your shoes pha kwi wardrobe ukhulule ezi." I went to my room ndakhangela all star ewhite, tied it up to my ankle, fixed my hair ndabuyela efront. Sizwe: "We'll be on our way." Me: "are you sure Tata?" Sizwe: "ewe." he burped the baby and put on the carrier took the little blankey plus his dummy.

I called Sbosh as they left. Me: "peto uphi?" Sbosh: "ndilaph eZwide my friend. Wena?" Me: "KwaZakhele kutata. Can we meet up?" Sbosh: "ewe mtshana, ihla ndizokukhawulela." me: "okay." I hung up. Ndaphuma endlin. I had a good mind of taking Tiny with me on his leash of course, then again I won't be liable if he hurts someone on a street or another dog. So I left him alone. Got to a shop, ndatheng Stumbo ne cheese naks. I walked down to Zwide, it was a distance but we met eNjoli. Me: "tshomi ndicela singene kqala apha, ndilambile khanditye ksasa." Sbosh: "usukaphi Lihle, where's your car?" Me: "ndiyishiyile. Ndaza ngetaxi kutata." Sbosh:

"Why?" Me: "its such a long complicated stupid story babe." we went into KFC and bought our food. "molweni sisi." I was on my phone and not in the mood for talking. Sbosh: "hello bhuti." "Niright?" sbosh: "siyaphila bhuti." my phone was giving me troubles. Ndacima ndaphinda nday'lighta. Him: "neyam ke bisenza lonto, iveske ilocke. Can I help." I shook my head ndingam'jonganga. Sbosh nudged my rib. Ndothuka. I looked up at her. Me: "yinton peto?" him: "she can talk." ndamjamela. He looked very familiar. Too familiar. A scary type of familiar. Him: "hi." he smiled. Me: "hello." I took my food. As I rushed out wandigila kwawa Le moeren ye-phone. It smashed on the floor and broke along with my heart. Him: "I am sooo sorry. Le-" Me: "no!! Yiyeke!!" I yelled. Sbosh: "Lihle." Me: "yazi iworry yam sbosh is that ndibano msindo msinya qithi!!" I picked up the pieces and stormed out. Him: "I can pay for the phon-" sbosh ran after me. Sbosh: "do you know him?" Me: "no! But I've seen him somewhere! Andiyazi noba ndiyagula na, but lona umntu is bad news. I'm getting creeps." sbosh: "masisuke apha Lihle. The last time something like this happened, one of us disappeared." we walked quickly to her friend's house. Sbosh: "I'll call S'bu azosilanda pha." I was shaken a bit. Ngubani na lomntu.

Luz: "Lukhanyo. Do you think maybe....." Luks: "maybe what?" he finished his breakfast. Luz: " he's been crying for the past 2 hours though." Luks: "yeah well, that's Lubby for you. He is too feminine. Akhonto ingam'lilisiyo, the other time it went on for 2 days straight." Luz: "aren't you worried?" Luks: "if he's still breathing? Nope, not at all." he went to wash his plate. Luz: "you don't care?" Luks: "I do. But only to a certain degree. I'm not feminine, I can't kneel next to him and comfort him." pouring himself juice. Luz: "but he's upset." Luks: "luzuko if anyone knows Lubby very well, its me. Okay? He's just like that for a while. Cries until he's done, drinks the pain away, and finds a new chick. Do you want to speed up the process?" Luz: "no." Luks: "good. Now I have my kids to take care of." he got up and walked out to fetch his twins. Luzuko went to Lubby's room. He was praying softly. Luz: "Lubby." Lubb: "amen." Luz: "come, eat something nyana. Iza." Lubb: "leave me alone." Luz: "I can't do that," Lubb: "I'm not going to commit suicide luzuko!! Just go!" Luz: "its not about that! I genuinely give a fuck and I don't think this feeling sorry for yourself is gonna work." Lubb: "I just want to be alone. I broke the first thing I built in my relationship. Trust. Do you know how long it took me to actually do that? Since day 1! Now its detroyed, I have to start all over again!" Luz: "crying about it won't work though. Its stup-" Lubb: "I don't care if I'm a man with 7 penises, if I want to cry, I will cry like a bitch, its my tears, you bastard!" Luz: "I didn't say you Couldn't cry, I mean I would too. But I'm just saying you can't cry for this Long." Lubb: "mxim." Luz: "okay. Look, let's go look for her." Lubby sniffed. Lubb: "really?" Luz: "yes, you need to stop crying

bruh, and get out this bed, so iza siyomkhangela instead." Lubb: "you'll help me?" Luz: "yes. Iza." he pulled him out of bed taking him to shower and dress. Lubb: "uph khanyo?" Luz: "he's busy with the kids and Jermaine." they walked out the room to the kitchen where they had breakfast. Luz: "betshilo ba uzoyaphi namhlanje?" Lubb: "to home affairs. Besohamba kunye. We always make plans together but today khasifuman chance. Bendim'biza ndisithi masizohlala the time ndiphum eroomin, when we found you arguing. But ke..." Luz: "but while Estella elapha...did you...?" Lubb: "no! I didn't. This happened kdala, the time ndise Australia!" Luz: "what happened." Lubb: "we weren't talking at first. As weeks went by, sancokola as friends, all that. Nothing much. Then ngala min before ndihambe.....I don't know what happened, just...out the blue...saphela silala kunye." Luz: "and did you use protection." Lubb: "yes I did." Luz: "are you sure?" Lubb: "very positively sure." Luz: "good. So at least no nasty surprises will occur." Lubb: "yep." after eating, they went to his car and drove away. Luz: "sizoqalaphi? I doubt uyile k'lo home affairs, maybe uye ku Sbosh." Lubb: "ufuna nje ubon uSbosh ke wena." Luz: "hayi suka tshi." he smiled. They drove to New Brighton. Sbosh's house was locked. Lubby called S'bu. Lubb: "awti yam uphi?" S'bu: "ndilapha kum endlin bra, huzet?" Lubb: "do you know where Lihle may be? Or Sbosh if she knows? Ungatsho ba kufowna mna please just say banana's if ukhona and cabbage if akekho." luzuko and S'bu laughed. S'bu: "banana's!" he laughed. Lubb: "thank you. If my pain makes you giggle, its fine. Ndiyeza." he hung up. Luz: "banana's?" Lubb: "yep." he drove to S'bu's house.

Luz: "you ready?" Lubb: "ready? No. Nervous? Maybe. Am I gonna do it? yes. Masambe." they walked to the house. S'bu: "hey!!" Luz: "what's up." S'bu: "errh.....ndibanayo ndawana esabur'bhidwa ke. Luks?" Luz: "nope. The other one." Lubb: "he's a bit shorter though. Where is she?" S'bu: "base roomin, having those girl talks, eating junk, ice cream, chocolate, uyabazi. Khandifun uy'ngena." Lubb: "I fucked up. Badly." S'bu: "she doesn't look mad. Ambongena pha." Lubabalo knocked on the door. Sbosh: "come in." he walked in. I wonder who told him I'm here- oh wait, S'bu. Lubb: "molweni." sbosh: "hi. Unjani?" he stared at me. Lubb: "ndiyacenga sbosh." Sbosh: "I'll be in the lounge." she walked out. Leaving us together in the bedroom. Lubb: "baby, I'm sorry." I just looked at him. Lubb: "I should have been honest kwasekuqaleni. I just didn't want you to be uncomfortable. And I didn't want you to leave. Is that so wrong? Babes, I made a mistake, that time. I am sorry, I apologize. I wish I can take it back bae. I can't cope, I just don't want you to leave me. I was stupid, a dumb fool and if I could take it back I would, in a heart beat." Me: "we don't use a condom Lubabalo. Mna nawe. Did you with her?" Lubb: "I used it with her, I promise you that." I didn't know what exactly to say or do at this point. Lubb:

"Lihle.....where's our son?" Me: "uku Tata." he held my hand and pulled me up. Lubb: "what would I do with myself without you?" Me: "what you're used to." Lubb: "undisebenz ingqondo Lihle, you make me really dizzy." he reached for a kiss ndajonga ecaleni. Me: "Nguban othe ndixolile Lubabalo? I hate that you always expect me to understand and accept anything and everything." Lubb: "uyayazi Lihle ingxaki abantu abafuni sithandane. They will do about anything to break us apart. But they don't understand. They don't understand that you're my end and my beginning. Ndiyakthanda njena mna baby. Ndizaw'thini ke? Please don't go." Me: "but nguwe obanika iplatform yosixabanisa, with your secrets and all. Is there anything I need to know?" Lubb: "you know me better than anyone that exists. Ayikho enye into endiyifihlayo." Me: "are you sure." Lubb: "yes. What's wrong?" I shook my head and sat down. Lubb: "please talk to me?" Me: "ndidibene nomntu today. He broke my phone." Lubb: "Nguban lokaka?" Me: "I don't....know, but I know....like. Damn, I don't understand." Lubb: "what don't you understand? Ndixelele Nguban lowo ndizokwenzi cebo." Me: "its just a phone Lubabalo. Indala anyway. Lubb: "describe." Me: "uhm...a bit light skinned, abenendevu like a patch on his chin. And a trimmed beard. That's all I got. Khandimjonge kakhulu. ndiye ndanovala and ran out." Lubby tried to think. Lubb: "I'll look into it, for now I need you to come home with me baby.." Me: "I can't." Lubb: "why not?" my heart slowly breaking into pieces. Me: "because Lubabalo-" Lubb: "sthandwa Sam, sendisenzela safety yakho ngoku." Me: "I am still married." Lubb: "nah love, it takes a while kaloku for them to change it." Me: "its been 10 months." Lubb: "then We'll start over kaloku sweetie, I'll get a lawyer to draw up the papers." Me: "I can do that. Cela ungayi ngeni baby please?" Lubb: "okay. I'm backing off." why was he not worried? Lubb: "uzawndi khapha ne? We're going to hospital siyobona uKhaya?" I nodded. His phone beeped a message. As he read it, he kept a poker face ndabe ndifun yazi but I minded my own business. Message: "Hey Lubby, I hope usekhona, thnx agen 4 helpin me. Can we meet up for lunch? With your fiance of course? I'd luv 2 see her. Siwe." Lubb: "babes, lomntana ufun ukubona. Lubb: "well....I kind of gave her some cash to keep busy. Shopping, spa, movies. Those kinds of things." Me: "oh." Ndlela Le athanda ngayo ubane pet projects ulubabalo. But at least he made successful careers out of people, for example Thabang. Lubb: "so sizoya? Mam'Morrison?" Me: "yes. That's okay." plus I wanted to see this girl and something in me didn't trust her motives.

Lubby replied: "let's make it 2pm, at Angelo's." he sent it. Sandisiwe read the message. Siwe: "he agreed." looking at her partner. Him: "good. You're doing a very good job." Siwe: "I still want to know why would you do this to your-" Him: "shhh shh shhh....hush baby. Come here." kissing her lips. Him: "he's going to pay for what he did to me. Chapter 672

Well we got to the restaurant a few minutes after 2. He kept his hands to himself at all times, kodwa engasaloqi man. Me: "Lubabalo kodwa uyangxola." Lubb: "hayi baby, mna andingxoli. Me: "nice to meet you girl." Siwe: "likewise, awuse mhle. I thought Lubby was exaggerating." I looked at him. Lubb: "Nanku ke yambona. Mntu wam ke lo. Unjani?" Siwe: "well I'm good." Lubb: "I mean, no...Sandisiwe, my wife has spoken and she's right. Its stupid." I could see the sour look behind her smile. Siwe: "okay, anyway, how many kids do you have Lihle?" Me: "3. 6. I choked on my water. Ndifun hleka but no. Siwe: "I don't think so." Lubb: "yes! Come, akhont Uyenzayo mos, izobona uTa Luks and Lusko. They're fun." Siwe: "I would love to meet them." Lubb: "great! Masambeni." he paid the bill sahambeni.

Lukhanyo walked into the house, looking for the twins. They were in the garden with Jermaine. Luks: "I never thought you'd be this type of person." J: "just because I kill people doesn't mean I can't be a loving father." Luks: "wow. That is deep." they laughed. Luks: "so where are my duplicates?" J: "Luzuko took the big baby out. I think they went to look for the girl." Luks: "hehe, abamuncu xabedibene. Lihle will ignore him for days." J: "oh well...anyway, where you come from?" Luks: "oh just here and there, running errands." J: "errands?" Luks: "yeah. I'm sorting my shit out." J: "do you need any help." Luks: "I've got this one covered bruh, thanks." Lutha: "tataaaa!! Aboni dudu!!" he waved his arm. Luks: "really baby? Another dudu?" Luhle: "ithha Tata!" Luks: "mntana wam!" Luhle: "hmm....." Luks: "hmmm?" Lutha: "Nana!" she ran to him with her little bottle legs. Lukhanyo picked her up throwing her in the air. She screamed. Luks: "yooh! Kanene awuy'funi. Sorry my angel. Phuza Tata?" Luhle hid her face in his chest breathing heavily. Luks: "yuh u-dramatic kodwa baby girl." Lutha: "a-drumasi?" Lukhanyo laughed. Luks: "ungenaphi?" Lutha: "Hayi Tata." with the most innocent look on his face. Luks: "iza, siyotya." he scooped him up. Luks: "Lee Roy! Chuma!" the boys looked at him. Luks: "come eat." Chuma: "nee!" Luks: "hey!! Kwedin!" Lee: "se vir pa, ons is nie honger nie." Chuma: "uthin na wena?" Lukhanyo

couldn't help but laugh again. Lee: "I don't want food!" Chuma: "why? You not hungry?" Lee: "nee." Chuma: "zaw'tya ke fondin, masiye." he pulled his arm to the kitchen. Luks: "ungabethi omnye Chumani." Chuma: "andicing ndimbethe qha kafun kutya mos yena Tata, uthi uTamkhul Uzoba licingo." Luks: "well, Tamkhul wakho is a meanie, sum'mamela. Akazobali cingo uLee Roy, akaqhelanga kutya kakhul kaloku yena so we can't force everything on him at once." Chuma: "oh. So icabbage yam ndizoy'pha yena." Luks: "not a chance, you're eating all your veggies. Utsho wamhle futh ngoku." Chuma: "uzasisa kuPuyuyu ne Tata?" Luks: "most definitely not. Yinton leyo." Chuma: "hayi Tata yitshom ka Chuma nje.." Luks: "Ungu ban kanti wena?" Chuma looked behind him, jumped off the chair and screamed. Chuma: "Daddy!!!"
Lubb: "Hey!!!" catching him. Luks: "Oh?" Lubb: "ingathi undiqibele kdala. Ithin into boy? What you busy with?" Chuma: "Tata ufuna ndity'icabbage. Yuuh daddy." Lubb: "but you know why?" Chuma: "why?" Lubb: "because this," showing him his biceps. Lubb: "is made of veggies! They make you big and strong just like daddy, and if you eat them until you're 10. You're turning into Superman. No lie." Chuma: "Nyani!!!"
Lubb: "Yes!! Bunotywa wena veg yakho, uzobona sana. Sawthi GQi noChumani engango daddy." Chuma: "okay, ndizotywa ke, then uzandinedisa to build our house." Lubb: "okay nyana. Run along." putting him down. Lubb: "hey lee. How are you?" lee: "good." Lubb: "Luks? Come I wanna introduce you to someone." Luks: "ubani?" walking behind him. Lubb: "just wait." I stood by the lounge and stared at Lukhanyo's slick ass face. He is so mean. To have kept the papers for so long and knowing fully well I won't be able to marry. Kanti what's his plan? He wanted two wives? Kanti lobhuti unjani na bethuna! Anganya ke bonanje. But I need to keep my cool. Lubb: "Bafo, this, is Siwe. An old friend of mine." they stared at each other quietly. Lubb: "Siwe, this is my twin. " Siwe: "molo Lukhanyo." Luks: "hi. Uhm, yeke Lubby, please feed the kids. I have somewhere to be." Lubb: "wait you've met-" Luks: "never. Ndimnkile." he rushed out the house. Okay. Me: "uyaphi kengoku." Lubb: "I have no idea." Siwe: "I should uhm.....get going. It was nice meeting you Lihle." Lubb: "but you haven't met, Lusko and Jermaine." Siwe: "next time. Okay?" I leaned on my fiancé's chest inhaling his cologne, his arm folded around me protectively. Lubb: "uzokhwelanton?" Siwe: "I'll catch a taxi thank you." Lubb: "alright ke sisi." she walked out the house. Lubb: "the kids." he remembered. I made food while he built some cute little house with the boys. Me: "Daddy." Lubb: "babe?" Me: "I don't trust lentombi." Lubb: "I know I'm not one to be talking, I'm a loser and a jerk. Kodwa Lihle, ndiyakuthembisa andicingi ndiphinde ndikukhubekise. And please don't let anyone do such a thing." Me: "and if you do? What should I do?" Lubb: "andicingi love." Me: "what would you want me to do?" Lubb: "please don't leave me Lihle." Me: "one

wrong move, I won't hesitate. I can't deal with stress no more, you Know my problem. Its not just a joke anymore Lubabalo, I cannot afford to risk my health because of you." Lubb: "okay, I understand but you must know ndiyak'thanda ke ne. Nothing will ever change that. Oko ndinawe andiqondi ndiyoze ndiphinde ndibhadle ngengqondo." Me: "uzucimba ndiyadlala." I fed the babies. Lubb: "kodwa uliyeza lam nje mntu wam. Hm? I go crazy without a dose of you." Me: "that's not funny." Lubb: "I wasn't intending it to be funny love.." Jermaine went out the house and took a drive. Lubb: "do you think maybe Lukhanyo knows her?" Me: "nope, he doesn't." Lubb: "Siwe and I went to school together not even once has she seen any relative of mine, now for the first time ever, she meets my twin and doesn't look shocked let alone surprised." Me: "maybe she figured out it or uzakubuza 'next time'" I said sarcastically. Lubb: "there is no next time. You and I made promises, remember?" Me: "I trust and respect you with my life." Lubb: "My heart and soul belongs to you." he pecked my forehead and stared at me. Me: "stop that." I blushed. Lubb: "haike awuna chance ngoku. you're about to marry a creep." me: "my little creep." Lubb: "masambeni ke boys, ready?" Chuma: "Siyaphi daddy?" Lubb: "anywhere you wanna go my boy." Chuma: "to the stars!" Lubb: "haha, umshiyenaban iJosh ke yena?" Chuma: "mama uthe uzom'hoya kalok." Lubby laughed. Lubb: "Go Josh." he threw Lee over his left shoulder, Chuma on his right. I took the twins to his car bdabalungiselela to go on their joy ride with him.....

Thando walked out to his car. He was so sure he would spend New Year. here. Abantwana bona he would take them away.. He drove home to his kid and girlfriend. Thando: "babes. Uright?" Asanda: "and ndiyonqena babe, cela uzise ekhaya tu?" Thando: "okay. " he took the plastic and gift to the where Thando drove straight to the hospital. He spent some time talking to his sleeping friend, reminding him of the past. Lukhanyo walked in. Luks: "hey." Thando: "molo Ta Luks." Luks: "are you okay?" Thando: "ewe bhuti. Ndiright." they spoke for a while. Luks: "bendizom'checker if ugrand na. I'll come tomorrow." Thando: "okay bhuti." lukhanyo walked out and drove to Lisa's house, he was finally going to clear things out once and for all. As soon as he parked his car. He walked toward the house, opened and stormed in. Lisa: "Lukhanyo!" Luks: "molo Lisakhanya. Ufihla nton k'le game??" Lisa: "nothing. Ufuna nton apha?" Luks: "ndize kuwe Lisakhanya, you said we needed to talk." Lisa: "ndicela uxolo Lukhanyo. I know I hurt you. I didn't mean to, biyi mistake Lena and ayiphinde yenzeke." Luks: "but Lisakhanya uyandibhanxa wena. Indan'ba uveske uvume inyani, undilahle wenze kengoku lento ithandwa nguwe." Lisa: "ndiyak'thanda Lukhanyo! I'm not going to let you go!" Luks: "so awundiniki choice basically!!" Lisa grabbed his arm. Lisa: "ndicele uxolo Lukhanyo Mzinyathi." she

hissed. Lisa: "can we please, sit like adults and talk about this." Luks: "ndinomsindo Lisa, stop touching me okanye ndiyokwenzakalisa kakubi ungaz uphind ufun undibona. Yekana nam, asizo ntanga!" Lisa: "Lukhanyo!!" shaking him. Luks: "whaaat!!" Lisa: "ndicela sithethe. And sort this shit out! Wena uhamb uleqana namahule pha phandle and throw a tantrum when I do something? How will that work?" Luks: "ndim indoda apha kulendlu awunondixel-" Lisa: "andik'xeleli niks Lukhanyo. We're even, so ndicela siqhubekeke nobomi." Luks: "no. Its o-" Lisa: "Lukhanyo please." Luks: "No! Uzomane ngondenza weak nala nkwenkwana yakho indala. I can't take that chance. I'm leaving Lisa." she held him and cried. Lisa: "but luk-" Luks: "ndiyokuu vuthulula uyolala kwa sathana ke mna. Ungak'linge undiqale." Lisa: "we can work this out. Just give me a chance to prove it to you." Luks: "Lisa man, this isn't what-" she kissed him. Luks: "I don't..." he kissed her back, holding onto her body. His breath escalated in seconds. Lisa: "I love you." she muttered in between kisses. Luks: " kuthen kengoku undenzi sdenge sakho?" holding her neck. Lisa: "its in the past Lu-" he gripped tightly. Luks: "if you ever.....so much as try to do it again. Ndiyow'mbulala undincedise. Siyavana?" she nodded. He let go of her and walked out the house. He drove to kwa Ford as quick as possible, he had to fix his products.. Move them from the house. What he lacked was storage. Maybe the house in Kwa Dwesi would do for now. He parked his car out the yard and noticed the front door of the house slightly opened and the gate unlocked. Luks: "what the fuck....." whispering to himself. Who the hell was inside his house?..

Chapter 673

Lukhanyo walked to the house. Everything was quiet. Inside everything still in place. The first nearest spot he went to was his gun. Then walked around the house. It was empty. Out the back it was just.....empty. That was weird. But wait...something was different inside. He rushed back inside and looked around, all his pictures. The ones of the kids, they were gone. Not even a single one remained. Lukhanyo looked around. Then walked to the bedroom. The pictures lay on the bed torn apart. Luks: "oh hell no! Nooo!!!!!" he screamed. In the middle of the scattered pieces, was one of him and Lihle. It was torn in half. The part that bothered him most was WHERE and HOW did this person find that picture! It was so clear. Nobody knew about his storages more than Lubabalo. It was nobody else. Who else could get access to his house? Stuja didn't even fit because he couldn't care less about pictures of his family! He stormed out the house, raging thoughts going through his mind and drove to Lubby's place. Speeding through the streets, over to the freeway. He raced all the way

through the suburbs. Finally arriving at the house. He walked out his car, busting into the house. Luks: "where the fuck is he!!" I looked at him calmly. I didn't want to trip, I didn't want to be beaten either. Me: "andimazi." Luks: "njani ungayazi Lihle!!! WHERE IS HE. Damnit!!" he roared. Me: "he took the kids out, Lukhanyo. I don't know where to!" I backed away, he grabbed my arm. Luks: "don't lie to me!" Me: "Lukhanyo stop it!!" Luks: "do you und-" Luz: "HEY!! What the hell bra!" Luks: "stay the fuck out of this!!!" Luz: "ayenziwa lento Uyenzayo Lukhanyo!" Luks: "fondin! Khafokofe apha! I'm tryna talk to Lihle! Ungu Lihle?!" Luz: "ngok kuthen umbambe olohlobo!!" Luks: "Luzuko!!!!!" he warned. Luzuko stepped away, and walked out. Luks: "now, tell me. Uyephi?" in a calmer voice. I stared at the floor, shaking, ndaske ndadom. My breathing quickened in seconds. Zazehlela inyembezi and I almost, just almost pissed my pants. Luks: "Lithembelihle." I shut my mouth without a single word. Luks: "I'm not going to hurt YOU, uphi uLubabalo." I shook my head. Luks: "awufun undichazela?" J: "what's going on?" Luks: "we're talking!" letting go of my arm. J: "oh." he took his plate and left again. Luks: "ndixelele." Me: "I don't know." I whispered. Luks: "sundixokisela." Me: "I swear." I heard a car pulling up the driveway. Lukhanyo turned on his heel and walked to it. Ndosula ezonyembezi zika xam, I don't know why I just freeze when he gets like that I honestly thought I was over it. Clearly not. I ran to the bathroom. Lukhanyo walked to the SUV. Luks: "Lubabalo!!" Lubb: "Lukhanyo." he carried the twins out of the car. Luks: "what the hell is wrong with you!!" Lubb: "ndenzeni ngoku? Kuthen Hleli nje uyandileqa." Luks: "I know it was you! You broke into my house and tore my memories apart! Don't you think this is enough!!! No man fuck you Lubabalo! You're a selfish bastard!" Lubb: "are you done now?" Luks: "umsun wakho bra!!" Lubb: "osexy." he walked the kids inside the house. Lukhanyo was fuming. Luks: "you're that determined to fucking replace me!" Lubb: "why yonke into iyi competition kuwe? Uzoba ne stroke Tamkhulu. Sit down and keep calm. Your ass is always on fire and gass'ing up. Stop!" Luz: "Lukhanyo!!! What is wrong with You!!" Luks: "this bastard!!! Broke into my house!" Luz: "for what reason!" Lubb: "kham'buze." Luks: "Shut the hell up! Luzuko, I found my babies pictures torn to shreds on my bed! Umntu xa engena mos uyaba! Who doesn't need anything I have ke? Who's done tearing my life into pieces?!! Huh? Thiz isn't rocket science!" Lubb: "do you want some water? Or my knee in your mouth?" Luks: "I dare you!" Luz: "Stop it!! Cela sihlalen phantsi sithethe!" Lubb: "seqibile ulukhanyo, so can I now say something?" Luz: "what is it Lubby?" Lubb: "well. The past few days, I have spent with all of you here. The one time I left, ndigodus umntana and came back late, wawuyile ndlinakho right after. Still umane ngoya pha qho undishiye apha, when and how would I have been able to go there?" Luks: "you paid someone!" Lubb: "if that

was the case then why didn't you see that someone here!!" Luz: "khophulwe ifestire Lukhanyo?" Luks: "No!! They just....the...." Lubb: "the what? Ubone ntoni?" Luks: "ndifike kuvulwe umnyango." Lubb: "kukho umntu ngaphakathi?" Luks: "No!" Luz: "clearly whoever was there, ebepha right that time usafika ke." Lubb: "Lukhanyo, ndaqibela months ago endlinakho. Izondinceda entwen into yohlukumezana nawe mna?" Luz: "Lukhanyo....you said someone has been following you. Uyamazi? Does he know where you live?" Luks: "b... Shit!!" Lubb: "well??" Lukhanyo looked at Lubabalo. Luks: "I'm sorry." Lubb: "who the hell is following you!" Luks: "I over reacted and thought you" Luz: "Lukhanyo, we understand that, asiku blame'i we just need to know Nguban Dan lo ulandelana nawe?" Lubb: "and what does he want!" Luks: "this....Sparks. Everytime ndidabana naye ufuna undinceda with something. I don't know who feeds him information." Lubb: "your house is secured Lukha, so unless someone forgot to lock, there is no chance he could get inside unless, unikiwe istixo." Luks: "or he stole it." Luz: "who else has the key?" Luks: "me, Lubby, you and Stuja." Lubb: "when that guy dropped lihle's phone. Is it possible that he took.....the key. Without her noticing. Uph Khona uLihle?" he walked to the bedroom. Lukhanyo sat down and thought. What did this person have on him that he wanted to prove a point so badly with?

I was sitting in the room. With my heart beating at a fast pace. Ndili dyudyu mna self. I heard a knock on the door, I just wanted to go home. I don't know what made me think I can do this. Lubb: "Lihle, vula umnyango tu?" I opened the door and straightened myself up. Lubb: "love, I need you to check if you still have your keys." Me: "keys? Why?" Lubb: "just check Mapookie kaloku." I checked and they were still there. Me: "ndizoya kumama babes. So I'll call you-" Lubb: "haaaayyi, yazbona ke? You'll leave on the 2nd baby. Everyone is leaving tomorrow, Baya kwi cruise then sizoshiyeka sodwa thina." Me: "can I be back tomorrow then?" Lubb: "why?" Me: "ndiyobona umama wam." Lubb: "okay. Let me take you?" Me: "I'll get a taxi Lubabalo." Lubb: "andiyithandi lento ye-taxi Lihle, you've got your own car. Please use it?" Me: "only if you let me pay for it." Lubb: "lihleeee!" he whined. Me: "babbbyy!" Lubb: "mxim." he sulked. I took my bag. I still needed to fetch Bambo before I went to Motherwell. The twins were getting ready for their nap, but I wanted to take them with. Luks: "cela ubashiye Lihle. Ubuye nonyana wam. People out here are getting too smart." ndazenz ongavanga. Luks: "Lihle!" Me: "hm?" Luks: "ubuye nonyana wam." I just nodded ndalinda Lubby, he walked me to the bus stop. Lubb: "he's stressed." Me: "I noticed." Lubb: "goodbye ke my baby. I love you." me: "I love you too baby." Lubb: "please call me every 10 minutes. Ndizakukhumbula." Me: "ndiyayazi nam njena." Lubb: "kodwa uyandishiya." Me: "unje ke wena." I kissed him,

grateful that he at least let's me do what I like. I really didn't want to depend on him, I learnt that the hardway ndisatshatile and got nothing out of it. So its just best to stay in my lane and unless I buy a car, I don't own one. I got a taxi to Kwazakhele, fetched Lubambo and got ujikeleza to Motherwell. My mother was cleaning her house. Nobody else was home. Me: "molo mama." Thenji: "molo mntanam." Me: "unjani?" She: "Ndiright wena?" Me: "I'm fine." I could tell she wasn't okay at all. So I put aside my stupid troubles and helped her by cooking. Lubambo slept in his place. Me: "mama." thenji: "mh?" Me: "are you sure uphilile?" she just nodded. I stopped with the pots ndaya kuye. Me: "mama kwenzeka ntoni?" she just shook her head slowly. Thenji: "akhonto sisi." Me: "ndicela uthethe ma? Please." Thenji: "Haibo Lihle, kuthe usez'ntwen zam kangaka nje!" she snapped. Okay. I closed my mouth just then and continued ngale ndiyenzayo. She's right, I was being nosy. So instead I day dreamed. Thenji: "sohlukene notata ka Thulani..." oh. No wonder enje mos shame. Me: "uxolo mama." Thenji: "hayi Lihle awenzanga nto." Me: "I know mama, but still....why though?" Thenji: "andizoyazi kaloku Lithembelihle." Me: "m'buze kaloku mama. Ayikho nzima nje lonto." Thenji: "no." Me: "okay." I wasn't going to force her or say nothing more kuba andingeni ndawo. Almost 20 minutes later ndabona ngomntu se-ready for uhamba. Aww na? Thenji: "ndiphumile Lihle." Me: "okay." she got a taxi to Jeff's house, she needed some answers in as to why he would just shut her out. His car was outside but the house seemed empty. She was really hesitating but here she was already. Thenjiwe knocked softly on the door. After a long time, it opened. He was surprised and looked a bit relieved for the first time in a while. Thenji: "molo Jeffrey." Jeff: "molo Thenjiwe." thenji: "uphilile?" he just nodded and let her in. He looked out of a mood, unshaven and sad. Thenji: "Jeffrey, ndicela undicacisele kwenzeka ntoni ngawe." Jeff: "Thenjiwe, ndiyakhathala ngawe. Kakhulu, and andifun ukuvisa kabuhlungu kodwa kunyanzelekile uyazi inyani. Ndisamthanda umama ka Thulani. And, I thought, at the time of the message, ukuba sizobuyelana, and just live happily ever after, but uphinde wandishiya. Wabuyela kumnyeni wakhe. So, I really don't expect you to be jolly. Ndiyayazi inba uyandicapkela nyani right now." Thenji: "andikucapkeli. Ndi-disappointed qha. Ngowundi xebele kwasekuqaleni kuba ndimephi now I don't know whether ndiyaphambil kanye ndibuya umva." Jeff: "Thenjiwe, you've been the most understanding. Andiyazi ndingathini. Kodwa ke this is the ultimate truth." thenji: "enkosi ngondixelela inyani ke, ungandijikelezisi." Jeff: "ndicela uxolo." Thenji: "sucela xolo Jeffrey luhlobo oziva ngalo. And andizokwazi ukuyitshintsha mna. Qha, I wish you the best." Jeff: "there is no best Thenjiwe. Ndiphelele apha. And you're not worth being second best. Andikufuneli lonto, uyali

deserve uthando." Thenji: "enkosi. Busow'tyile?" Jeff: "hayi." Thenji: "ndizokwenzel kutya, ndihambe ke." Jeff: "thank you." she went to the kitchen.

Luzuko was in his room. His twins had left him behind to go look for the "stalker" he insisted on being left behind because he didn't want involvement in guns, shooting or he was probably just afraid of getting shot. The babies were taking a nap, Lee Roy and Chumani too. Sylvia was looking after them. So he had no one to play with. Tiyana walked in with a small bag. Tee: "Zuko." Luz: "hey baby.." he jumped up to greet her. Tee: "hey." they kissed and he held her bag. Luz: "I missed you so much. I felt like.....damn, I thought I was going crazy like baby why! Why did you have to leave me?" Tee: "I'm back now baby." Luz: "so..." Tee: "so what?" Luz: "what did the doctor say? Are we pregnant?" Tee: "no baby. I'm sorry." Luz: "damn." Tee: "don't be like that. I know you're gonna sulk all week." Luz: "I'm not gonna sulk." Tee: "but baby...you're not ready." Luz: "what makes you think that baby? Just because I've been a bit loose lately, baby I done tied myself up. I'm happy with you." Tee: "I can't have a child with you until I am sure you are ready to settle down. I don't want us to end up resenting each other because you're young and still wanna have fun. Let's just be together and enjoy each other before we make those type of decisions." Luz: "but you know what the best part about it is?" Tee: "enlighten me." Luz: "we get to keep trying. Over" kissing her lips. Luz: "and over...again." Tee: "building up an appetite?" Luz: "oh yes....I got the munchies." biting her neck. Tee: "where's everyone?" Luz: "gone, nanny is looking after the kids. Come here." he pulled her to the jacuzzi room. It was medium warm and steamy. He undressed her. Luz: "baby?" Tee: "yes?" he turned her around, kissing her face. He pressed his body on hers, to feel his erection. Tee: "damn love. Really?" he blushed. Luz: "si." (yes). She took off his shorts, and massaged him up and down. He held her lips with his. Hands firmly holding her hair. She kneeled down and sucked him in. Luz: "damnnn... Tiyana!" tingling her tongue on his tip, the pushing it deeper inside her mouth, he groaned. She did it again. Then stayed sucking. Her tongue ring ignited him deeply. His insides were melting, she pulled out. Luz: "honey don't do this to me!" Tee: "what...this?" circling his tip with her piercing. Luz: "Tiyana!" he moaned. Pushing inside slowly. He could feel himself coming. As she went faster and faster. He couldn't breath anymore. His legs wobbly and body fell weak. Luz: "yes!! Yesss!!!" he released. Stilling his body and shaking. Luz: "shiiit!!!!" she spat him out and stood up. He grabbed her body. Diving for her neck. Then down her chest to her nipples. He played with the rings, sucking and nibbling. they went inside the jacuzzi naked and relaxed. Luz: "we gotta finish what we started out there." he disappeared underwater. She felt him nibbling underneath her. Tee: "luzukoohh!" he came back up. Tee: "you will drown!"

she giggled. Luz: "I'll be right back." he kissed her cheek and walked out with a towel. Lukhabalo had returned. Luz: "and?" Luks: "and, we're still fucking clueless!" Lubabalo sat in the couch and thought back to whom might be capable of harming Lukhanyo's family, someone that knew it inside out. Someone out for revenge.. One name that rang in his head. Lubb: "no.." Luks: "what?!" Lubb: "but....." Luks: "intoni Lubabalo!" . Lubb: "ukhona." he looked around. Luz: "what do you mean? Akhomntu apha Lubabalo." Lubb: "there is someone. In my fucking house luzuko, I know my environment!!" Luks: "my kids!!" Luz: "balele! Sylvia is looking after them." he rushed to the babies room, opened the door and looked at the joined bed. Only one twin was remaining...

Chapter 674

Luz: "Lukhanyo. Please don't freak out." Lubabalo had started looking all through out the house for Sylvia or any other signs. Lukhanyo took his son. Luhle was missing. Luks: "where the hell is my daughter!!" Luz: "calm down Lukha, whoever it is, can't be that far." he ran out the house looking outside. Lukhanyo woke the boys up. Chumani and Lee Roy rubbed their eyes sleepily, Jermaine walked in. J: "what's going on?" Luks: "have you seen my daughter bra?!" J: "she was sleepi.....right here.." he looked around the room. J: "or maybe Sylvia has her!" Lukhanyo rushed out the room and looked for the helper. Sylvia was in the laundry room. Doing the washing. Luks: "sisi! Uphi uLuhle?" Sylvia: "balele bhuti." Luks: "No sisi!! She's gone!" Sylvia: "hayi njani kengoku bhuti, ukhona nje." she stopped what she was busy with and went to look. Lubabalo called all his friends to help search for the baby. Soma arrived first. Then Lonwabo and Phila. Losta: "what happened?" Lubb: "our daughter is missing." Losta: "are you sure? Maybe she rolled out of bed under the....." Lukhanyo stared at him with a sick look. Losta: "okay I'm shutting up." Phila: "where's Lihle." Luks: "we do NOT call Lihle! Uzocimba I'm a bad father! Let's just stop standing!!" Phila: "Lukhanyo, andikukhathelele Kanene what you think. I'm calling Lihle." Luks: "Phila please!" Phila: "1 hour." he warned. The guys searched the house through and out. No side whatsoever. Luks: "what are they gonna do to my daughter!" he whispered. Luks: "I will kill that son of a bitch!!" Phila: "ufownele amapolisa." Luks: "the fuck is wrong with you!!!" he screamed. Luks: "we are not calling any fucking body!!" he paced up and down holding his head. Luks: "I swear to God, if he dare touches my daughter any kind of way!!!! Ndiyombulala anyeeee!!!!" he knocked the Chinese vase off its stand. It broke apart to pieces. Lubb: "Nigga, EXCUSE ME!!" Luks: "fuck you!!" Lubb: "Don't!!!" he picked up a crying Luthando. Lubb: "don't scare the kid! Ndiyayazi

Lukhanyo ku bird! But come the fuck on!!" Losta held his mouth shut, melting in chuckles. Phila: "ku-what???" Lubb: "Not Now Phila!" Lukhanyo stormed out the house, got in his car and drove off. Luthando lay on Lubby's chest. He was breathing in gasps. His tears still wetting his chubby cheeks. Lubb: "shhhh. Sukhala mntanam." Lutha: " ah-ah-Na-Na." he breathed. Lubb: "uyeza baby boy. Uyeza uNana Va. Sizoz naye." Luthando's health was panicking. Luz: "Lubabalo uthen umntana!!" Lubby sat down calmly and took out his asthma machine. Connected it and put it on Lutha's face, covering his nose and mouth. Lubb: "he had a respiratory infection esemncinci. You can't panic while he's panicking. Uzomenz istress Umntanam. Iza." Luzuko took the baby, while Lubabalo set the timer. Losta: "you okay?" Lubb: "No! Firstly Lonwabo someone broke into my house. Nobody breaks into my house unless they're having difficulty communicating with heaven! Unless they want to trade a limb or just die a slow. Painful death. Without witnesses!!! So whoever did this needs a slight reminder who the fuck I am!!" he walked to his room. Looking around. The wind blew in by the sliding door. The curtain flew in and out. Lubby stared at it for a very long time. He never opens that door. someone was obviously testing him. And he was losing a bit of himself every second. He opened his cabinet pulling out a large knife, torch and hunting rifle, then walked out to his car. Losta: "Lubabalo!!!" Chumani ran after him. Chuma: "daddy, mna zohamba nawe!" Lubb: "Chumani. Go back into that house." he warned. The boy stepped back from him and ran to the house. J: "Andrew!! Come check this out!" Lubby went to the garden. He stared at Luhl's little shoe. His hands were shaking in anger. J: "We'll find him. Tonight." Lubb: "Now." he growled. Jermaine, Lonwabo, Phila continued searching. Stuja and his friends arrived. Mandla came with lucky. Mandla: "us'funa phi Ta Lubby?" Lubb: "masahambe." they got in the car and drove away.....

That evening. Lukhanyo was stressed to the extreme. The house was full of his friends with Soma's and Soso. Everyone held their own gun. Luzuko had Lutha in the bedroom with Tee, Chuma and Lee Roy. Tee: "why would someone kidnap an innocent child!! She's just so small and.....oh my God!" Luz: "don't even think that! She'll be fine okay?" Tee: "I can't imagine what lihle is going through!" luzuko fed Luthando, quietly. Tee: "she does know. does she." Luz: "I am in here, taking care of the kids Tiyaana! I am just as stressed!! My niece is missing in a world full of molesters and paedophiles! So excuse the fuck out of me!! Stop asking me darn questions damn it!" Tee: "sorry!" Chuma: "ndifun daddy wam." Luz: "Chumani. Chumani. Akekho udaddy ngoku. Please ndoda, just eat." Tee: "where did he go?!" Luzuko stared at her. Tee: "luzuko. I can't relax right now! I just can't." Luz: "you might just go out there with your own gun then!" Tee: "excuse me! You still have a problem with me having

a little protection for myself!" Luz: "no, I have a problem with you getting angry and pointing it at me!" Tee: "have I ever pointed it at you!!" Luz: "There's a first time for everything. And I'm not comfortable with my girlfriend owning a damn gun!" Tee: "well I'm not getting rid of it." luzuko took Lutha to bed. In the lounge, Lukhanyo sat staring into space. He couldn't think, speak or eat. His strength was just gone. He heard a phone ringing realizing it was his, he picked up. Luks: "hello?" Caller: "hey baby!" Luks: "hey Tammy." Caller: "how are you?" Luks: "bad. I can't talk right now." Caller: "your mouth on fire?" Luks: "no." Caller: "I know how to make you feel better though." Luks: "nows not the time for that shit Tammy I'm honestly not in a mood." Caller: "okay. You want to talk about i-" he hung up. The last thing he needed was empathy. It was time he made that call, he thought he wouldn't have to, but clearly he did. He dialed a number. The screen lit up. Calling Wife. Luks: "hello?" Lihle: "hello. I was about to call." Luks: "oh?" I sat on the bed, I had an uneasy feeling but brushed it off as nothing. I just wanted to speak to my kids. I would see them in the morning but that honestly felt like a lifetime. Me: "yeah, ndicela uLuhle...Ndifuna um'va xa esithi 'hmm' " his heart broke. Luks: "Lihle....." he sobbed. Me: "kwenzeke ntoni ngoku? Are you okay?" Luks: "no." Me: "yinton ke erongo?." I hated to ask because I wasn't up for his scandals. Luks: "I fucked up!" Me: "with what? Sukhala kaloku andikuva mna." Luks: "Lihle I lost our baby, she's gone.." ndaveske ndabanda ngomzuzu. Shouting wouldn't help anyone. I hung up stood up and called a Cab. Ma: "uyahamba sisi?" Me: "ewe mama ndicela unxibe sizohamba." Ma: "siyaphi Kanene ngobusuku. Umntana ashiyeke nabani?" Me: "mama uthi uLukhanyo Luhle is missing." my voice was shaky and flat. I didn't want to think about anything. Ma: "hayii Lihle!!!" I wiped my tears and packed Lubambo's bag again. Namhla was with Thulani that night, we were all alone. My mother dressed warm. And I called my dad to let him know. How could my child go missing just like that! I went back to the room and closed the window. Taking Lubambo with his bag, blanket and cuddle toy. As I walked out the room, something snapped in my thoughts. I didn't open a window. Not the one in my room. But ke kukho burglars either way. The cab arrived and we left for Lovemore. All through the way, I prayed Lukhanyo was just joking. But he would never scare me like this? Maybe Sylvia has her in her room maybe? Did they check? Was she warm enough? Every single thing went through my mind, ndingaziva noba ndiyalila ngapha. My mother held me and comforted me. The car stopped at the residence, all lights on, inside and out. I ran inside to look for the kids. Me: "Luthandoluhle!!!!" I screamed. Luks: "Lihle." Me: "where are my children!!" he just stared at me helplessly. Me: "Lukhanyo say something damn it!!" Luks: "andimazi Lihle!" Me: "she can't disappear into thin air right in front of your eyes!!!" I cried.

Luks: "baby plea-" Me: "don't put on a front for your friends Lukhanyo! Don't!" Luks: "Lihle khayek undihlaza fondin!" he hissed. everyone stood around quietly looking out. I walked to the room, opening all doors ndyaigqogqa inside out indlu. Every door gave me an inch of hope which disappeared with every empty room. Me: "Luhle!" I cried. Running upstairs and checking everywhere, lifting the bed, shifting furniture I was not sure if she could fit under the table but I checked. Not even a single hair was found 😭:(I cried out loud, collapsing on my knees. He kneeled behind me, hugging me. Luks: "shhh..sizom'fumana Lihle. Please don't cry." where was my son? I jumped up and proceeded to run out. He grabbed my arm, and pulled me back. Luks: "don't! Don't do this to yourself Lihle please!!! This is hard for all of us! I don't need you like this too! Work with me please!" I shook my head, ndinesngqala. Luks: "We'll find her! I need you to be ready. Ndiyak'cela Lihle." I coughed and wiped my nose. Luks: "I'm sorry." I didn't want his sorry I wanted to go look for my daughter. Things happen phandl'apha, I cannot sit and relax! Me: "I just want her back." Luks: "We'll get her back." hugging me tightly. I felt suffocated and just wanted to scream. I pulled away and walked out to look again. There is by no way someone can walk in here, take a child and walk out kukho abantu! I found Luthando in bed with his uncle, Chumani and Lee. Just seeing them was a reminder. A reminder that one is missing. Luz: "I'm sorry Lihle, I should've been more careful." Me: "what do you mean." Luz: "I...uhm. Was gone for a few minutes, ndiye kwi jacuzzi, I came back to check, kwabe kubuye ooLukha and that's when we rea....." his voice trailed off as he stared at me. I looked at him and tried with all my might not to strangle him to death. Lutha: "mama." he was awake. I took my son and walked out to the lounge. Pacing up and down. Lukhanyo was holding Lubambo across the room. The night dragged on forever, nobody slept a wink.....

Early the next morning. Lubabalo drove into the driveway. Then walked into the house. He looked aggravated, pissed off, tired and stressed. The veins on his temples were visible along with tired red eyes. He slumped into the couch and held his head in his hands. My heart broke into pieces. I had failed my daughter but I wouldn't give up, after feeding the kids I walked straight out the house. Luks: "Eish. Lihle man!" he ran after me. Luks: "I'm not trying to lose you too! Can you please!!!!" Me: "I can't calm the hell down when my child is no where to be found!!!" luks: "kengok uyaphi wena?!" Me: "to look for her! Andithi Hleli wena uthe nethe amasende!" Luks: "I have to take care of Luthandolu-" he breathed. Luks: "I have to take care of Luthando, Lubambo, Chumani, You. I can't just disappear too! ULubby was out the whole night searching! I'm doing it this morning! Sonke Lihle we're taking strain! I just need you to calm the fuck down, this is not good for your health!" he dragged me back into the

house, I couldn't help the feeling that someone was watching us. Somewhere hidden. Lubb: "we need another plan.." Losta: "Call the police!" Luks: "if I hear one damn siren I will cut someone's head off their neck!" Lubb: "I called Smith last night. His team is on it. Lungelo naye uzame his own detectives. Luks: "but she's still gone Lubabalo. Some bastard is out there.....hurting my baby! My daughter lubabaloooo!!!" Lubb: "Bafo, ndicela ungacingi ezonto please!!" I sat there uncomfortably in between hate and anger. I didn't know what to feel anymore. My head had been raging since last night. Sizwe: "Lukhanyo." he was deep in thought. Luks: "what!" Sizwe: "when you left your house. Did you check kungenwe njani?" Luks: "no. The door was opened!" Lubb: "and? Ngoku buhamba did you lock?" Luks: "no." Sizwe: "I think you should check every damn house, leyakho, eDwesi, your fiancé's everywhere!" Lubb: "come." he pulled him out the house. Lubb: "its worth a try." Luks: "nantoni na Lubabalo. I just want my daughter back!" they drove to Kwa Ford quietly. Luks: "Lubabalo. What if..." Lubb: "no. Just no. She's going to be fine...let's just. Focus" he swallowed. He hoped and prayed they would find her still breathing, anywhere, maybe the house had some clues, things Luks had over-looked. They parked and went inside. Everything still the same. Luks: "someone is living in my house Lubabalo." Lubb: "anganya kaloku Lukhanyo!" they searched the house, until hearing a slight sound. Lukhanyo stood still. Luks: "d'you hear that?" Lubb: "shh." then heard breathing, a sneeze then a cry. Luks: "baby?" "Tata" she sobbed. He opened the rooms going into the nursery. She held on to the bars of their cot crying. Lukhanyo picked up. Luks: "Thank you God.." he cried. Sitting on the floor. Lubb: "is she okay?" Luks: "No! Uyoyika Umntanam! She just spent a night without me." Lubb: "come, she needs to be fed and changed." Luks: "Find Whoever it is that is Fucking With My Mind! I will show him. What the hell I'm made of!!!"...

Chapter 675

Lubabalo drove home, Lukha stayed in the back seat with his daughter. They got to the house hopped out the car. I ran to the door seeing them. Me: "Luhle!!" I cried. Luhle: "mama." I took my daughter and cradled her so tightly. My whole body shaking with relief. Why would someone be so damn evil! Lubb: "baby, iza. She needs to eat something simse sbhedlele to be checked.." just the thought of someone touching my child cut deep inside my heart. I started crying again. Lukhanyo made her porridge and her milk, I sat down on the couch. Lubb: "J, Stuja, please get a move on. Bring them back to me, do you understand! Smith will meet you at the house eFord for fingerprints. Go!!!" they rushed out. Lubby carried Lutha to see his sister.

Lutha: "Nana!!!" he cried. Luhle: "Utha Nana!!!" I took both my kids on my lap, watching them communicate. It was so sweet and sad.. Lutha: "ahambi Utha moth. Aziki Nana." she just held his arm sadly. Lukhanyo fed Luhle, after eating ndamncancisa bottle of warm milk. Lutha drinking his own, laying back on my chest. where was my other sons? My head was getting dizzy all over again. Just then Lubby walked in carrying Lubambo edlala with his tiny hands and mouth. Chuma sat on Lukhanyo's lap with Lee. I started calming down and feeling my tiredness coming, but I can never sleep. Andiphind ndikwazi uthemba namnye ngolwam usana. When someone can just waltz in and out like they on a concert stage! I had to get ready for the doctor. Sylvia brought Luhle's bag and I walked out with her plus the bag. Luks: "Lihle uyaphi kengok? Usazi ba kunyile phandle wena uyaphi!" Me: "our daughter has been missing for the night! Only God knows, what that sick, evil, pervert did to my child!! As much as it cuts deeply in my heart, I have to make sure!!" I went to the bedroom. He followed me. Luhle needed a diaper change. I undressed her blue tights and took off her top. I stared at the diaper. My hands, shaking. Intliziyo yaqaqamba okwe nene. There was a note. Me: "Lukhanyo..." I sobbed. He stood behind me. Slipping the note out. He opened and read it: 'You have a beautiful daughter. Next time, you might not be that lucky.' With a smudge of darkish red at the bottom. Or was it blood? I screamed and fell down crying out loud. Luks: "Lihle.." he held me up, and hugged me. Luks: "please don't cry." he cried. Me: "they jus....." my breathing and senses just failed me. Someone stormed in the room. Lubb: "what is it!!!" I couldn't speak or indicate. I just cried. How in the world could someone do this to my daughter! WHY!!! Lubby stared at the note and Luhle. He just felt defeated. Lubb: "angel?" the baby looked at him with tears in her eyes, rolling down the sides of her face. Lubby picked her up. Lubb: "ndicela sambeni. NGOKU." Lukhanyo pulled me up gently, holding me to the car. My heart was just aching. The drive to the hospital was unbearable and long. My eyes had swelled up. Head not getting better. My grip firmly around my daughter. We arrived at St Georges and took her in. A nurse assisted us. Our baby was taken in, Lubabalo filled in the endless forms. I was in the room where they were busy. Doc: "what happened Mrs Mzinyathi?" I didn't even have the energy to correct her. Me: "yesterday morning, I left her with the nanny, uncles and father to go to my mother. Her father had a break in at his house so he went with the uncle to investigate. The kids were asleep, the nanny was around, I don't know how. But...someone came in and took her. We..." I wiped my tears fixing my voice. Me: "we looked everywhere. Only to find her this morning." Doc: "did you report to the police?" Luks: "that won't be necessary." he walked in and held my hand. Me: "why won't it be necessary Lukhanyo?" Luks: "sizothetha phandle Lihle.." Me: "no,

sizothetha ngoku!" Luks: "baby, I said." he warned. Luks: "sizothetha phandle." the doctor stared at us briefly over her spectacles then returned to her work. I was not leaving my child here alone again. What if elahlanya lika sathana comes in and grabs her again? Me: "did you call endlin? Are they watching the kids." Luks: "they're watching the kids." Me: "did you call?" Luks: "Lihle, they're watching the kids." Me: "yesterday they were supposed to be watching!! But my daughter went missing! So call them and remind them!!!" he walked out the room. Me: "will she be okay?" Doc: "we've got some tests to do first ma'am." Me: "what about the blood smear on her" I cried. Yangathi ndiqhawkelwa ziingqondo the moment I saw it!! Doc: "Ma'am!" lukhanyo rushed back inside. He picked me up from the floor. He held me to a chair sahlala phantsi. He held both my hands. Luks: "Lithembelihle. I need you...to listen. I know how you feel and I want to break down too. Nam ndiva kabhlungu Lihle, I have all kinds of questions, all kinds of emotions that just want to explode. But I can't do that. I get and understand that you're emotional Lihle. Kodwa our daughter needs both our strengths baby, I cannot do this on my own. I can't! I need you to stay strong with me. Izodlula nalena, okay? Let's leave the hate and revenge to everyone else thina si'focuse on our child together. Please?" he was absolutely right. I couldn't help feeling like a retard. He pulled me to his chest, and I tried my hardest not to freak the hell out. This wasn't about me, it was about our little girl. I needed his strength, he needed mine and she needed both ours. But I know how it felt to be raped, I would never wish that on my worst enemy. Now when it came to my daughter. I was ready and willing to kill....

Stuja and Jermaine were at Ford with Detective Smith. With the guys from forensics taking samples. Guy: "Smith. this house has someone quite fucking clever living in it." Smith: "why? What did you find?" Guy: "it is not just clean. It is completely spotless. Only one set of fingerprints. J: "for sure its Lukha." Smith: "yes, but take it to the lab for now. Frederick, there has to be something Else. Check for hair samples." Guy2: "found one!" Smith: "where!!" he went to him and saw a long strand of curled her. Guy2: "100 bucks says I'll trace this back to a girl in Brazil." everyone laughed except for J, Smith and Stuja. Smith: "you do know Andrew will kill you with his bare hands right? This is not a fucking laughing matter! So if you feel the urge to be transported in pieces, Back to Brazil. Make another damn joke!!" Guy2: "sorry Sir." he kept quiet and did his work. Stuja walked around the house, wearing his gloves. Stuja: "J, bekhe kwanetha?" J: "No. Why?" Stuja pointed to a half footprint of mud. J: "ey yo Smith!!" smith rushed over. Smith: "oh....how clever. Freddy, can we get something for the boot?" Fred: "errrr..I doubt it. But worth a try." smith: "good work gents, keep looking." Stuja went to the babies' room. He searched around for clues, maybe

something the suspect left behind by mistake. Stuja: "hey! Jermaine?" his voice a little off. Stuja: "did you open the window?" J: "why would I open a" he froze. J: "he's here." they took out their guns. Smith: "what's going on!!!" Stuja: "gaw'me calen bhuti!!! We doing our job!!" they opened the wardrobes checking bathrooms and running out. J: "someone better fucking explain to me!!! WHO KEEPS OPENING THESE DAMN WINDOWS!!!!!!" Stuja: "ulapha lomntu j! He's here! He's one of YOU Smith!!" smith: "what! Don't be ridiculous! None of these people know this house!" Stuja: "then how does this person know exactly where to be without being caught out!! How can he have opened the window and left without anyone noticing kodwa silapha!! Akho sthunzela mos apha! Susinyela ke kwedin uthethe ndingekak'nyisi!!!" Smith: "I know Nothing !! I swear!!" J: "We'll see how Lubby feels about that!!" smith: "its you!!!" J: "I've been next to you since I got here. You fool!!!" Fred: "hey!!! Where's Martin?" Smith: "who the fuck is Martin!!!" Fred: "the new guy." Smith: "What new guy! There is no new guy!!!" Stuja: "that's it, I'm calling Lubby!" Smith: "Frederick! Who is this new guy?" Fred: "he arrived late. He introduced himself while you were outside the back, and he started working with us." smith: "You FUCKING idiooottt!!!!" Fred: "but he's with us!" Smith: "where is he NOW then!! FUCK!!!!" he stressed. J: "I cannot believe you were that dumb! Don't you know your colleagues!" Fred: "but he was wearing our uniform." Smith: "I don't care if he was wearing his summer bikini! You shouldn't let anyone in without my darn authorization! understood?" he started looking again. Smith: "its pointless! If he could come and go again! He would have taken something that could have been evidence!" Stuja stood by the window. Stuja: "if lomntu uvula ii-festire everytime. That must mean something. Its a sign." J: "he's feeling suffocated? Or he wants to be freed?" Smith: "or he's fresh outa jail and wants blood." Fred: "or he has sinusitis." they all looked at him. Smith: "Go. Go before I break you!!" Fred left quickly. J: "my best bet is Fresh out, this nigga is outa jail and wants revenge." Stuja: "ima..." he bent down by the curtain. A blue checkered handkerchief had been tossed there. It had blood smears and a peel of skin. Smith: "what the hell!!!" he shivered. Stuja dropped it and ran to the bathroom to throw up. Smith: "Giablo!" another guy came in and bagged it. Smith: "somebody please call Andrew Morrison." Jermaine made the call...

Chapter 676

Later that day. Siwe sat on the bed and waited for her man to walk in. He walked in carrying a towel. Siwe: "yinton leyo?" Him: "your new son." Siwe: "what!!" him: "ndiyadlala! Haha. Yuh, you need to relax." Siwe: "ubuphi ubusuku bonke!" Him:

"don't you dare. Talk to me like that. Siyavana?" Siwe: "kodwa -" Him: "andingo wena kuwe, and andizokuva undibiza nge gama!" she sat back down. Siwe: "I was worried." Him: "I'm a big boy. Khazapha." Siwe: "what happened?" he lay her on the bed and he climbed on top. Him: "well, nothing much." Siwe: "baby?" Him: "I want you to call Lubabalo. Keep your appearance in his life frequent before he suspects anything." Siwe: "and the baby? Please tell me awumshiyanga yedwa!" Him: "no bamfumene umntana wabo. Beautiful little baby girl. Zange ndambon umntan osweet njenga lowa. Reminds me of Yonela...before I found out she wasn't mine.." Siwe: "uxolo ngalonto sweetie." Him: "I wasn't planning to hurt her. She cried, throughout the whole way, I decided ndimse k'la ndlu. Wathula ngomzuzu. We watched cartoons, ate some snacks, sa-bonder." Siwe: "how the hell do you bond with your victim?" him: "I'm not as sick as you think." he kissed her. Him: "make that call." he stood up and went to his table. Siwe: "and after that? What's next?" Him: "I lay low." Siwe: "uyaphi?" Him: "Cape Town." he smiled. Siwe: "uzokwenzantoni ? And Lukhanyo?" Him: "ha.a Sandisiwe, I don't pay you to be a nosy bitch. Plus, Lukhanyo is a drug and gun smuggler, I'll make him an offer he can't refuse. His downfall." Siwe made the call. Lubby answered. Lubb: "what?" Siwe: "hey buddy!! Unjani?? Can we go out for a movie tonight, I'm so bored." Lubb: "No." Siwe: "stop being a party pooper. There's something I wanna show you." Lubb: "damn it sandisiwe I can't! I said No! I'm going through some shit apha! Can you just go do something by your damn self!" he hung up. Him: "important thing is that, you called. He'll call back after a few days and apologize. That'll be your chance. Grab it with your.....okay?" he winked. Siwe: "okay.".....

Lubabalo stood in his study. Smith and Jermaine with him. Lubb: "so you're tryna tell me. This bastard was right next to you and you didn't notice!!" J: "Andz, smith and I were out back the whole time. We did not see him come in or go. Only Fred did." Lubb: "bring him." he hissed. Smith called Fred in to Lubby's office. Lubb: "talk!" Fred: "uhm...." he smiled at him brightly. Fred: "Mr Morrison!! Its really you!" Lubb: "what the.." Fred: "can I ask you the world's most retarded question?" Lubb: "smith?" Smith: "Frederick! This isn't the time!" Fred: "this is my moment now sir, please don't darken my shine. Mr Morrison sir, may I please get an aut-" Lubb: "You better start talking and start talking real quick!!" Fred: "well...uhm." Smith: "can you describe how he looks?" Fred: "certainly." the sketch artist came in. They sat down. Fred: "he had a beard." Lubb: "no face? just a beard?" Fred: "no wait I'm not done." the artist started drawing. Fred: "it was a black beard." Lubb: "we don't care if it was blue!" Fred: "okay. And a mustache. It wasn't that long, don't overdo it." Lubby was losing his patience. J: "did you take your pills?" Lubb: "fuck those pills. I cannot afford to sleep. Did you get

the security I told you to get?" J: "they're already here setting up." Fred: "he had a scar on his chin. A little one. Small eyes, looked a bit squintish. Like he has trouble seeing." he rolled his eye. Fred: "light skin though, oval face. Don't forget the beard." Lubb: "I'm going to kick this guy." Smith: "just let him be." Lukhanyo was in the bedroom with his sleeping daughter. I was putting Lubambo and Luthando to sleep. Lutha definitely wasn't ready for his sleep, he kept kissing Lubambo, who seemed a bit annoyed, because he kept fidgeting. Me: "baby subanomona tu?" Lutha: "moni mama." Me: "unomona sana, akayazi Ungu bhuti wakhe. Mxelel angak'qheli kakubi kaloku sana." Lutha: "sana." he smiled. I kissed his face. Me: "is she asleep?" Luks: "yes. Benzani apho aba?" Me: "Luthando uphazamisa uBambo. He's trying to sleep." Luks: "Luthando!" Lutha: "hayi." Luks: "lonto uyazazi ba ustout, xakubizwa gama lakho sow'khala ngo Hayi. Izapha." Lutha: "funi nze." Luks: "Nanku Nana, funa Utha yakhe." Lutha slipped off the bed and ran to him. I took Bambo to his bed to sleep. Luhle was fast asleep too. The relief I felt when the doctor confirmed she was just fine. She wasn't hurt in anyway. The blood was taken for testing because it was surely not hers. Maybe it would lead us to the suspect. I went to check on my mother was with Sylvia and told me she was okay. Back in my room I needed a long bath and rest with all my babies. Me: "can I bath?" Luks: "nantsiya bathroom." I took my bag and went in the bathroom to wash my body. Adding some salts and bubble bath. I undressed and went in. The water was warm and felt real nice. But I still couldn't relax. Every 5 seconds I looked at my daughter and being separated by a wall kind of stressed me a bit. After 10 minutes of washing my whole body, and doing it for the second time. The door opened, ndazigquma. Luks: "hey. Uright?" Me: "yes." Luks: "I'm sorry about everything that's happened. I know I'm the last person obawel uthetha naye ngoba all this is my fault." Me: "its not your fault Lukhanyo. Its all our faults, sonke besingajonganga. And can we talk later? I'mbusy." Luks: "heee." he sat on top of the bath tub. Luks: "I'm really sorry Lihle." Me: "okay." he was definitely not moving or ready to move. I hoped my mom or anyone came in right this second to distract him. Luks: "yazi, Le cake uthand uyiqaba ebusweni bakho ayikufaneli tu. Your natural nude face is perfect." Me: "Lukhanyo please." he took out his phone and snapped a picture. Luks: "jonga. Pretty." Me: "why do you do this. Like kutheni ungakwazi nje undiyeka ndonwabe! And who is looking out for the kids xa ulibele uhlalapha?" Luks: "the babies are safe. The house is filled with security. In and out. And baby mna ndiyakuyeka wonwabe nje. Its just that you hate me so much awubon nto ngaphandle kondicapkela. Anyway I just came to check if you're okay." I was really uncomfortable with him being here. So uncomfortable I actually felt like stabbing something, not him. Anything else though. Me: "We'll talk in the bedroom."

Luks: "oh yes!" he walked out and I stepped out the bath quickly ndasula ndanxib pajama zam washed the bath and went to the room. He was conversating with Luthando, playing cards with him. Lutha: "hayi Tata!! Mii!" Luks: "hayi Lutha! Its my turn!" Lutha: "abithi moth Tata. Uka ke!" Luks: "errh....not a chance kwedin, suka wena!" Lutha held his chubby body up and stomped over to his dad. Luks: "suka kum." Lutha threw his arms around his neck and kissed his face. Lutha: "Tata Utha." Luks: "Utha ka Tata." Lutha: "aph Nana." Luks: "ulele uNana. Wena ulala nini?" Lutha: "funi." he smiled. Luks: "come on boy...work with me here. Yi-must ba mawulale kaloku." he whispered. Lutha: "afuni moth.." he whispered too. Luks: "awuse ngcole ndoda. Ndizokhala ke mna." Lutha: "hayi Tata." he sulked. Luks: "iza ke, lala." he rocked him to sleep, singing softly in his ear. It took him a while to fall asleep but eventually Lukhanyo put him to bed. Luks: "goodnight my first love." he kissed his forehead. He kissed Lühle. Luks: "good night my first princess." then held Lubambo's head. Luks: "my last prince. imfusi yothando oluhle. No matter what happened mntanam, ndiyakuthanda and ayizotshintsha lonto. I wish that ukhule ube yintwana ka Ta Luks egrand without any complications because I'd blame myself ngalonto. Maybe one day ndizoba ngu Tata ongajonga kuye ube proud, you and Luthando. NoChuma. Lala kamandi mntanam." I got into bed and covered my shoulders. Luks: "nawe uyalala?" climbing on the bed. Luks: "Uzoba grand?" Me: "yes." Luks: "andifuni uphinde ucollapse apha Lihle. Stop stressing yourself like this." Me: "why am I still married to you?" I blurted out. Luks: "what?" Me: "did you or did you not file for divorce?" Luks: "I can't remember." Me: "ndicela ungaxoki Lukhanyo Mzinyathi. This is serious." Luks: "Ino." Me: "why?" Luks: "because andifuni." Me: "arggg." Luks: "mamela, let's get lawyers and do it real quick ne? That okay?" Me: "yes. Can I get some sleep?" luks: "its New years eve. Let's watch th-" Me: "NO." Luks: "ja I thought as much." Lubabalo walked in. Lubb: "Lukhanyo!" he roared. Luks: "you found him?" Lubb: "address iku smith. We leave in 5 minutes.." Lukhanyo walked out the room. Lubb: "Lihle.." I sat up and looked at him. Lubb: "how are you?" Me: "I'm good." he sat next to me and gave me a big bear hug. Lubb: " I want you to rest for me." Me: "and when are you coming home to rest? You know you're as sick as I." Lubb: "I gotta keep it real with you bae, I'm not resting until those fuckers pay severely for hurting my family. The shit I thought I'd left behind has caught up with me, its what made Me. And I can't let it go. So...." he kissed my head. Lubb: "if I don't make it home tonight, or in the morning, promise me you'll take care of yourself. Of the kids." Me: "you'll be back, I know you." Lubb: "baby, abantu out there get hurt everyday. It don't make me no different. I hope this will be the last bad thing I have to do when chasing after

nigga's. I just want you to have a normal happy life. Girl I love you." I kissed his nose. Me: "I love you too Tellytubby." he laughed and walked out.

In the car driving, it was dead silent. The mission was simple, Kill. Lubabalo stared out the window. Lukhanyo loaded his bullets. Jermaine sharpened Lubabalo's knife. Smith: "the name's Sparks right?" Lubb: "ironic. We bout to make his ass light up." the car stopped. Lukhanyo climbed out and walked to the house. He banged on the door, Shooting the door down. He kicked it off his hinges. J: "you comin?" Lubb: "not now." he held his left temple with two fingers. J: "you okay?" Lubb: "yes damn it!!!!!!" he stared at him with blood red eyes. J: "uhm..." he climbed out the car. They searched the house up and down. Nobody was there. Only a note on the door. "If you're reading this, Good Luck." Luks: "fuck!!" J: "what?!!" in the back garage. Luks: "there must be something here! Le kaka ijongene nathi maan!!!" Jermaine opened the large deep freezer. J: "what the fuck!!!!" Luks: "what is it?" he stared inside...

Chapter 677

Lukhanyo sat in the car and called his father. Smith: "what happened? What did you find?" nobody answered him. Lubabalo was feeling extremely off. He couldn't feel anymore. J: "Andrew." Lubby stared at him. J: "maybe..." he thought very quickly and nervously. Anything that wouldn't earn him a choke. J: "you want a drink?" Lubby looked back out the window without replying. Lubb: "do I look thirsty to you?" J: "no, I'm just-" Lubb: "blood." smith started the car and drove away. Luks: "he's not picking up!" J: "its New years eve. Connection is fucked up." Luks: "we can't stop now. And then he's like this.....I don't know what to do with him!" looking at Lubabalo. J gave Lukhanyo a warning looking, and his thumb demonstrated a cutting throat action on his neck. Luks: "oh. For how long?" Lubb: "you're talking as though I'm deaf. I will break you." Luks: "ahh, but then ungaphenduli nje!" Lubby punched the window, and it broke to pieces. Lubb: "Don't. Make. Me. Mad." Lukhanyo shifted and inch away from him and kept quiet. At the triple L mansion. The uniformed security was still outside walking around and some in. Stuja came to report back to Lukhanyo. Lubabalo walked to his room slowly. He opened the door and closed it behind him. Why did it feel like he was losing his mind? I woke up and looked at him. Me: "what happened?" I hadn't slept at all. I couldn't. My children needed me. Lubby kneeled next to the bed in between my legs. His hand was bloody and looked painful. Me: "Lubabalo. What is it?" looking at his eyes. There it was, tension, anger, then something changed, his eyes loosened their muscles. Trust, care. Me: "hey? Utheni?"

Lubb: "kiss me." I bent down to kiss his lips. He was hungry and a little rough. I pulled away and fetched the first aid kit. Cleaning his hand and bandaging him. Lubby looked around the room. Me: "there. All done. Izosela pilisi zakho." he drank his pill and walked out the room. I was too lazy to take back the first aid kit ndaske nday'beka nje apha camkwam ndalala, covering my head. It was much easier now because they were back. As I drifted off a soft breeze came in. All the babies I had put on my bed next to me. With pillows around them. Something moved, my heart was racing. Body trembling. I opened my eyes, pulled off the cover to see someone walk out the sliding door. Ndoma. Shaking. I sprung up and called Lubabalo. Seconds later they burst open my door. Me: "something, someone, he....." I swallowed. Me: "uphume nge sliding door I don't know ungene njani nini phi!!" Lubabalo ran out the same exit. Luks: "Lihle, jonga, look at me." I was shaking with fear. Luks: "Lihle..." me: "Lukhanyo! Ufuna nton lomntu kuthi kutheni nje ningamboni Nina!" Luks: "babes, I don't know how this guy knows everything! Its not safe here, sizohamben as soon as possible, get dressed, lungiselele abantwana Va? Everything will be okay. Yeah?" I shook my head. Me: "he wants to hurt my kids!" Luks: "I wouldn't give him the chance of day. Iza phakama." I stood up, he switched on the light. I wore my blue tights and a small white sweater with white all star sneakers. I packed all the babies things. Tied up my hair in a quick messy bun. Me: "wama Lukhanyo!" Luks: "ndilinde wena uqibe." after taking all my things I noticed something. The first aid kit. Andithi bendiyibeke camkwam? Now it was on the dresser. I stared at it. Luks: "what?" Me: "the kit. He moved the kit." what type of subliminal message was that? Luks: "ibiphi Dan?" I stood next to where I was sleeping. He had stood right next to me. He was standing right here. My body shivered. Me: "jonga." another note. Lukhanyo grabbed it. Luks: "ngathi Sise pre school. Shiyelw'inotes yi crush yam. Bloody coward." Me: "ithini." Luks: "when you want me, you won't find me. When you don't, I will be there. Keep your distance. And it'll be just us." Me: "who is he talking to! Lukhanyo nenzeni!" Luks: "Lihle, andenzanga nto mna! Ungabuzi the famous Kumkani njena!! My enemies don't write riddles baza straight Kum!!" we took the babies to the lounge. My mother was awake too. My dad came straight to me. Sizwe: "yinton ngxaki mntanam?" I hate to think that he told me so. They were nothing but trouble, but knowing my dad, He'll never say that. Me: "he was in my room." J: "what!! How??" Me: "I don't know. He just...andiyazi J." Luks: "no matter where we go, usijongile lomntu! Smith, take this." he gave him the note. Jermaine went outside to yell at the weak ass security. Ayilo gqwirha na bethu Eli. 🤔:v I chuckled at my stupid joke and stopped because it wasn't that funny. Tata brought me warm milk, and biscuits because I wasn't eating. Lukhanyo walked out the house.

Where could I go? Ingathi lomntu he has a tracking device on me, ndatsho ndizijonga. Under my arms, feet. And my weave. Sizwe: "ukhangela nton?" Me: "what if lomntu undifake into ? To track me down." luzuko walked in the lounge with his bag. Me: "where you going?" Luz: "home. I can't live like this! Like I'm a prisoner. Like ndise mfazweni. Always waiting for something to happen! No." Sizwe: "you are part of this family now. It comes with ubumnandi, imali all the things you enjoy, they drag This along. You can't just step out like its a magazine subscription. Even if uphuma ngala mnyango Ncinci, they will take you, because Ungu Lukhanyo, Lubabalo in one. Suziphambanisa ke." luzuko sat down, worried. Me: "its gonna be okay." luzuko shook his head. Luz: "I don't want to be part of it." Me: "nam andifun luzuko. But ke we're already part. Sizodlula kuyo soon." Lukhanyo came in. Luks: "masambeni." we stood up and took the kids. Me: "siyaphi?" Luks: "ekhaya." ndaske ndamjamela lomfana uthin na? Me: "Lukhanyo. uDOM?" Luks: "ndiyayaz lento ndiyenzayo!" Me: "ha.a man, awuyazi niks! Bubu lemon apha kuwe! Umuncu qitha! If he can find us here, Sizofika edwesi sithin?!!" Luks: "asiyi dwesi, Siya ku Tatam ez'lalin." I've never been to ilali before, except the time sisiya k'lo Lukha to introduce them to their grandparents. I wanted to go. Badly. Remote area with peace and tranquility. My father took the twins to the car followed by my mom. Luzuko went right after. I went to fetch Lee Roy, Lukhanyo took Chuma. Luks: " don't you ever practice that smart mouth on me ever again. Uyandiva?" he whispered in my ear. His arm held a strong grip on me. Me: "you don't own me now. If u-" Luks: "you will respect me. Up until our divorce is finalized. I'm trying here, the last thing I need is you embarrassing me pham'kwa Bantu as though ndibub'tuvi." Me: "I apologize." Luks: "not accepted. Lihle Siya ekhaya, respect iyafuneka kwabantu noba sekuthen na. You don't go around yelling for every small thing. Even though sohlukene, ungumfazi into yiyo, please act like it." Me: "okay." Luks: "ndicela uphathe ke iqhiya. Take off these tights unxibe ilokhwe. Please?" me: "but I don't wanna wear a dress, like you said-" Luks: "Lihle Mzinyathi. Again, I'm telling you Siya ekhaya, at least yiphathe ke ilokhwe ne qhiya uzinxibe xasifika. Into endiyaziyo awuzokwazi ngen ekhaya unje." Me: "fine. Anything else?" Luks: "this is not a game. Please be quick..." I took out the dress and head scarf. Saya emotweni. After buckling the babies, he stepped out. Luks: "nihambe kakhle." Me: "wait, wena?" Luks: "I'll follow ksasa." Sizwe: "come sweetheart. Masambe." I got in the car and we drove off, Luzuko following driving another car..

Lukhanyo had his team ready. His phone rang. Luks: "what you got for me??" Stuja: "sim'fumene Ta, simthin?" Luks: "niphi?" Stuja: "silaph eMendi Ta Luks." he hung up. Lukhanyo whistled and they all went to the remaining cars. Lukhanyo led the way,

Lubby followed, with Jermaine. Arriving in New Brighton in a long while because of traffic. Luks: "its becoming a habit." J: "what is." Luks: "every 1 January we have to spill blood. last time it was Melusi now this Sparks bastard." J: "disrespect gets you killed out here." Luks: "we don't have time to play j." they got out the car where Stuja held a man wearing a black jacket. Luks: "umfumanaphi?" Stuja: "when he was driving off! Simleqe wazofik apha!" Lukhanyo grabbed the light skinned man, punching his face repeatedly. Luks: "uyinton kum kwedin!!" "uxolo bhuti!" he cried. "andikwazi mna!!" Lukhanyo kicked him to the floor. Luks: "intsimb yam Stuja, bize Lubby pha. Sitshise lekaka!" "oh yhini bhuti wam, ndicelu xolooo!!!" he sobbed. Luks: "you stole my child!! Waqhekeza kwam wenz ukunya!" "andiyenzanga lonto bhuti! I swear to God I didn't!" Stuja brought the large piece of metal. Luks: "uphi uBafo?" Lubabalo walked in behind him. His hands behind his back, his mouth pressed in a hard line. Lubb: "ndim lo." Luks: "kwedin, uyinton ez'ntwen zam?" he asked the man laying on the floor. "bhuti andikwazi mna!" Stuja: "fondin uyaxoka man! Usuka phi!!" Man: "bendiyobon sister wam bhuti! Uhlal eLovemore. I swear I don't know you!" Luks: "Stuja, um'bone phi lomntu?" Stuja: "engen emotwen ngaph'ya kwe gate. When I went after him, he drove off. Wabaleka! Khang azicacise! Yaxoka lenja!" Luks: "ububaleka nton!" Man: "bendicimba yi-boyfriend ka sister wam, he's the reason egula, he hits her and abuses her, and drove us out of ubomi bakhe. He hates me, I thought he was gonna kill me!" Luks: "Lubabalo, uyamazi lomntu." Lubby lit his torch. Man: "nooo!!!!" Lubb: "wanqanda ndingeka kwenzi nto?" Man: "please call her umbuze bhuti!!!" Lubb: "iza nala petrol Stuja." Man: "ndiyak'cenga bhuti!!!" he screamed. Lubb: "uthunywa ngubani?" Man: "andithunywanga!" Lubb: "tie him up." J: "but he doesn't know any-" Lubb: "shut the fuck up and do as I say!!" they tied him up. Stuja came with the items requested. Luks: "Lubby, singaske sifownele losisi sibuze kqala nje?" Lubb: "andiyo mhumhu mna Va? Andilo twangu twangu. Iqabi Le khaphetshu. Uyandiva Lukhanyo?" Luks: "anditsho bra. But-" Lubb: "fondin, uzotheth okanye?" he looked back at the man. Man: "bhuti please!" he screamed out loud. Lubb: "undichazele xa uqibile." he sat down and took out his phone to send an email. Luks: "sani, ithin number ka sisi wakho? And I swear if she don't know you, ungofileyo!" Man: "073 8600 9-" Lubb: "ay'kabiyyo." Luks: "khayeke Lubby man!!" Lubb: "nah, Lukha, into endiyaziyo mna I know my neighbors. All of them. So lo, uthethi ncanca." Man: "she just moved!!" Lubb: "oh? When?" Man: "last month." Lubby lit the torch once again. Lubb: "ndiceli kawsi." Luks: "for nton kengoku?" Lubb: "MABHEKA!!" he walked in. Lubb: "ndifun kawsi." mabheka took off his shoe and sock. Lubb: "khamisa wena." the man shook his head. Lubb: "Stuja, take off his shoes." Luks: "Lubabalo please." Lubb: "nobody. Trespasses MY house. I don't care whether

buzise flowers, bad bitches or Barrack Obama, and ifun mntu endlinam without my bloody authorization! Khamisa!!" he shook his head once again. Lubby lit his torched and burnt one toe. The man screamed in agony. Lubb: "whenever you're ready." tossing the sock in his mouth. He sat back down. Luks: "yeses Lubabalo fethu!" Lubb: "uzay'thetha xa ebawela." Man: "you bastard!!!" he cried. Man: "you bloody sick bastard!!!" Lubb: "oh?" he stood back up. Lubb: "a what?" taking the sharp knife. Lubb: "hold him down." they pressed on his body. Lubb: "S'lulamile Tom, hold his head." Stuja hesitantly held the head. Lubb: "drop it, and you take his place." he held the knife by the man's eye. Lubb: "before I peel your face off. Ndichazel uthunywa Nguban boet? Maybe.....just maybe I might let you go." Man: "hepaid me to.....to.....ndiyakcela bhuti." the knife gently slid away from the eye to the neck. Lubb: "hm?? Talk to me. Ubani?" Man: "please don't kill me..." he begged. Lubb: "I won't." Man: "a man called Nathi wacela ndingene kwenye indlu and helped him search for pictures, he tore them apart and told me to fetch the baby....." he swallowed. Man: "but.....he said he wanted the girl. Isaid no....he threatened to.....to kill my own. That's.....that's why I did it. Nd-ndamnika mntana and left. When I....came to the house bendiyoshiya my-alezo wakhe qha. Then our deal was off." Lubb: "ngubani uNathi?" Man: "I've never seen him in my life. He....." breathing heavily and sweating. Man: "has a foreignish accent." Luks: "so uyamazi ebusweni?" Man: "no! He always covered himself. But....he..." Lubb: "he what?" Man: "he said he's taking everything that he lost." Lubb: "what are his plans?" Man: "I don't know! He cut me off." Lubby stood up straight. Lubb: "kill him." and walked out. Man: "no!!!!!!" he screamed.

Chapter 678

Lukhanyo sat in the back seat. He was still not used to his brother's sudden alter ego. Andrew was not just a phase, it was a beast lodged inside his very own twin. Jermaine stopped at the house. J: "bruh. Why? Why did you kill him? He could've given us more information in catching this fool." Lubb: "because he doesn't know More." Luks: "you don't know that Lubabalo!" Lubb: "and you didn't know he was lying in the beginning. Whoever is behind him is smart, and Nathi is not his real name. If this idiot had survived, he would go back and tell tales. So he's better off dead." Luks: "you had no rig-" Lubb: "do you wanna join him?" everybody kept quiet. They walked inside the house and Lubabalo packed his bags calling Zintle. Lubb: "hey?" Zintle: "what you waaant." she mumbled. Lubb: "sorry to disturb you sleeping. Unjani?" Zintle: "Ndiright Lubabalo. Wena" Lubb: "I'm good, listen, I'm gonna need you to

bring back my girls tu." Zintle: "kusaphithizela ezindleleni Lubabalo, I'll bring the girls back on the 3rd." Lubb: "uhleli naban ke apho?" Zintle: "I'm with Lungelo and his mother." Lubb: "don't let my children out your sight Ndiyak'cela. Luhle was kidnapped just the other day but sim'fumene back lomntu udlala ngengqondo zethu." Zintle: "I'm sorry to hear that, I'll make sure they're safe ndiyaleze nalapha endlin." Lubb: "I'll feel better if there was security wit you, so I'm sending body guards for lendawo uhleli kuyo." Zintle: "that is totally unnecessary. We'll be fine. I promise." Lubb: "if you so much as suspect something. Please call me then. Please. but I'll keep calling and checking on ya'll." Zintle: "you're obsessed." Lubb: "with my babies, yes I am. Goodnight sisi. Undiphuzele kwi ntsana zam." Zintle: "goodnight, uhm Lubby?" Lubb: "yes?" Zintle: "are you okay?" Lubb: "No, I'm not okay. I'm tired, restless and worried. I just have to make sure everyone is safe." Zintle: "you wanna talk?" Lubb: "no. I don't." Zintle: "but you know you can call me right?" Lubb: "since I have your number, yeah, but anything else I need help with, my wife can handle. Thank you though.." Zintle: "K." he hung up. Luks: "what now? What happens with the Mexico deal we had planned?" Lubb: "I've postponed it, the cruise is out for rent, ndinike uLosta ne friends zakhe." Luks: "kodwa, don't get me wrong Lubby ne. But uyaku reya uLosta. I'm sorry to say that." Lubb: "that guy saved my life more than once. He deserves yonke nto endim'pha yona." Luks: "by giving him your favorite car, and giving him our yacht? How is that showing gratitude, its like uyam'thenga mos." Lubb: "oh, so when he asks for something, I must say no? Lukhanyo, Lonwabo is more than just a friend to me. we've...." he sighed. Lubb: "we've been through a lot together, like Stuja is to you, he's me x10. " Luks: "okay. I understand now." Lubb: "There's something I wanna discuss with you." Luks: "sure." Lubb: "andiyithand indlela othetha ngayo noLihle Lukhanyo. I don't care what involves you. Kodwa, I don't like the way you talk to her, the next time we have this conversation. It won't be verbal. Understood?" Luks: "hehake Luba-" Lubby stared at him with a warning look. Luks: "crystal clear. Please pack my things, ndisayo kutya." Lubb: "sho." Lukhanyo went to eat, Jermaine came in. Luks: "you ready?" J: "I'm not going." Luks: "why not? Jermaine, you're part of us now, come, we won't be that long. You'll get bored here." J: "I don't want to intrude. You've already done a lot." Luks: "come on bra, you've been more relaxed here, more happy. Forgetting most things." J: "yeah that's true." Luks: "plus my dad likes you, so pack your things, you're staying with us for as long as you like." J: "thanks." after midnight Lukhanyo got the car ready, Smith and Stuja left. Luks: "sizoqala pha kum ne?" Lubb: "Lukhanyo, you do know that lomntu usifunayo asikam'fuman." Luks: "sizohlal apha side sithin ke? Its better siyohlala with the rest of our family until this whole thing dies down." Lubb: "and

then? what's next after that?" Luks: "Bro, sizobuya apha and start over to look again. We need a break, he did say k'la note yakhe, if we want him, we won't find him. But if we keep our distance sizombona." Lubb: "so we're just gonn let him fuck us over? Mxim. Over my dead body. The minute I get back here, ndiyom'khama anye afe fi for undenzi sdenge." he walked out. Luks: "uzoy'thin moto Le uyimoshileyo?" Lubb: "buya kuka Losta, uzoyoy'lungisa." Luks: "uzaz'fumanaphi z'tixo zendlu? Ne moto?" Lubb: "he has his own keys for the house." Lukhanyo rolled his eyes. Lubb: "its not him." Luks: "hmm." they got in the cars and drove off....

In the Morning.... Thando was back at the hospital with Zintle's parents as usual. They shared visiting hours, bringing Khaya messages from friends and gifts. But he was still not improving. Lonwabo walked into the room. Songezo: "Dabi, kwenzeka ntoni ngoku? He's been like this for a week! Side sithin na esi specialist?" Losta: "Tata, I need you to calm down. We don't need negative energy around him. I can't say for sure injani situation ngoku but I know He'll be just fine, I brought Dr Stevenson to explain what will happen next." he went to fetch the British doctor. Doc: "Good Morning." his voice electrified the entire room. A tall skinny man with tossed brown hair and blue eyes. In his late forties. Songezo: "morning doctor." they shook hands. Songezo: "this is Thando, our son's best friend, and my wife Macy." Doc: "lovely to meet you all. I believe you're only here for answers and I will cut to the chase, your son, has been put on treatment which will last for 5 weeks. His brain is having difficulty with its normal functions and by the time he does eventually wake up a lot of things might be erased from his memory. Certain basic things such as speech. Places, names." Macy: "he will have to start over doctor?" Doc: "its possible ma'am. At this point we are not sure whether its permanent or temporary." Songezo: "and if he gets better, what are his chances of being normal?" Doc: "well, the safest I think would be a sever case of an attention span disorder, memory loss once in a while, migraines then and again, having to live on medication." Songezo: "will it be bad?" Doc: "unfortunately I cannot really say. It differs from patient to patient." Songezo: "and the worst case." Macy: "hayi mnyeni wam." Songezo: "we have to know what to expect Macy. Asikwazi veske siplanner ngento enye." Doc: "well, the worst case is that he doesn't wake up or recover at all. Spending the rest of his life on life support." the words cut deep in their hearts. Just a moment of peer pressure to ruin a young man's life in minutes. Doc: "I'll do the best I can to avoid that. Excuse me." he walked out. Losta: "he's one of the best brain doctors Tata, he knows what he's doing." Songezo: "I hope so Lonwabo. This is my only son lying on this bed, I don't know if I can take it if he....." Losta: "Tata, sim'zamele everything we can, all that's left to do is pray and believe and have faith, uzovuka uKhaya k'le bhedi." Macy: "enkosi bhuti."

they walked out the room. Songezo: "mnkam. Sizothini? We cannot afford all of this anymore." Macy: "andiyazi mnyeni wam. Kodwa asikwazi uphelelwa lithemba." Songezo: "do you understand that lo Gqirha waphesheya uze straight apha for Khaya qha? Sizom'batala nganton? Maybe if I take out a loan." Thando: "Tata, that won't be necessary." Songezo: "nyana, you don't understand. This is not just 10 000, we might be looking at 100 ngoku." Thando: "awukwazi uzi stressa ngezonto Tata, I promise andizoy'thetha, but worry yakho mayiphelele kuKhaya qha, eye bills mayingaku chukumisi." Songezo: "ngoba Thando?" Thando: "because Tata, Khaya needs i-attention yakho iphelele, xa Uzoba ne stress umvile la Gqirha esithi akafun negative energy." Songezo: "okay. Ndiyakuva." Thando: "ndicela indlela Tata." Songezo: "okay my boy. Enkosi ngokuza." Thando: "okay Ta." he hugged Macy and walked out. On the way to his car, debating whether it was wise to look for the dealers who sold Khaya the drugs, or khaya's friends even. But then again, Thando didn't know anything about him anymore since its been months they've spoken. He drove home, on his way buying a box of chocolates and another of cakes. The stress was lessening now, maybe having a second baby wouldn't be that bad. He would obviously have to scrape the going back to school idea out and just continue working. He arrived in his house. Walking in to find his daughter learning to crawl. Asanda: "come on baby? Iza ku mama. Come." the baby giggled and held her mouth. Asanda: "izothatha." sisipho kneeled and had her hands on the floor. She slid and fell back down. Thando: "aww. Umngaka kaloku wena baby. You chubby little thing. Khaze ndiphuze." he scooped her up and kissed her face. Asanda: "hi." Thando: "hello baby." kissing her lips. Asanda: "you're in a good mood." Thando: "I have a beautiful family." Asanda: "ubuthule yonke leveki. You got me worried." Thando: "ima apha ndiyabuya." he went to the car with his daughter and took the chocolates, the red velvet cake, and other desserts. Then went back into the house. Thando: "this is for mommy and Ozayo." Asanda: "Ncooh! Thanks baby." they sat on the couch. Thando: "how far?" Asanda: "8 weeks." Thando: "oh..". Asanda: "funeke sijonge options zethu zithin Thando." Thando: "options? For?" Asanda: "I'm confused and-" Thando: "Asanda. Look at our daughter. Cela umjonge." Asanda: "uthen Thando." Thando: "she's beautiful, she made it, when we had it difficult. Ndiyayazi ba sibancinci Asanda but sizenzile now we have to face responsibility. We're not optioning nothing here. Funeke qha sibene plans and budget." Asanda: "what about school Thando? Ndizophinda k'lonyaka ndibuyele ndine susu? Ek'ben ba ndiqale my first year naso." Thando: "you shouldn't care what people think about you Asanda, abantu abasoze bavale imilomo Hleli nje bazothetha. Whether you doing good or bad babes, I'm sorry I have to put you through this again, kodwa mntu wam andizokwazi ukuvumela mna

wenze abortion. I love you and I always will. With both our kids." Asanda: "how will we cope with a child barely 1 and me being pregnant and at school nawe ubuyel eskolwen uphind uphangele? I don't want to abort either." Thando: "let's forget about me schooling, for the next few years, ndizobangu Tata, and work to support this family instead." Asanda: "I don't want to trap us into being old like this. Its unfair." Thando: "Asanda....." he sighed. Thando: "sitting here and crying over spilled milk won't help, We'll work through this. Xa ungasa kwazi U-coper I'll hire a nanny asincedise, then you focus on your studies and pregnancy. Uzale siqhubekeke, uyopreventer kengoku like we should've done kwak'qala. Come here. We're going to be okay." he hugged her, Asanda lay her head on his chest next to a sleeping Sisipho. Asanda: "I wonder ndizaw'thini kumama." Thando: "maybe...if we, got married?" she sat up and stared at him, shocked. Thando: "we've been engaged for months, we could marry now, noba its a small ceremony." Asanda: "its not gonna get rid of our problems Thando, we're not ready for marriage." Thando: "isafan ingathi sitshatile Asanda nje, we've been living together oko wazalwa umntana. Sihleli kamandi, you're already my wife, let's make it official babes." Asanda: "maybe if we consult abantu abadala kqala before making this decision on our own." Thando: "I'll speak to my brother ubuya kwakhe." they cuddled on the couch. Thando: "baba?" Asanda: "hm?" Thando: "Happy New year." she giggled. Asanda: "you too mntu wam. Kodwa umuncu Va." Thando: "Ndiright." she went to make his breakfast.....

Thulani walked into his house just after 1 in the afternoon, he was still drunk and finding his balance. He left the door open and flopped on the couch, falling asleep instantly. 2 hours later he heard someone moving around him. He stilled. Trying to think quickly but his head was in pain. He opened his eyes and sniffed. A lovely food smell filled the air. His heart and stomach smiled, his girlfriend was home. He stood up and stumbled to the bathroom to shower quickly and brush his teeth. He walked out naked back to the kitchen. Thulz: "oh bethuna umntu wam, andise-" he stared in the kitchen. The guys barged into the house. Phindile beat Nobubele to the floor, kicking her stomach and face. Siya: "TATA!!!!!!!!!" he pushed him off, Phindile slipped and hit his head..

That day in the rurals. I was tired. Grandfather had slaughtered a sheep and cow.

Granny, my mom and I helped each other ngovasa olalusu, then I had to cook it. I've never done that before. Today was the day. Ndimise ngalambiza inkulu kwak'sasa. Thanks to my mother's instructions I hope I got it right. Grandpa had insisted that yena ufuna ipapa. Nemifino. Chuma, Lee Roy, Luhle and Luthando ran around the big yard playing with Jermaine. I for one, was enjoying this place. Zakhele sat at the table inside with his triplets. Zakes: "so....ithini nto? Benind'khumbula ne?" Luks: "hayi Tata, kukho umntu who's violating our privacy ngaphaya, Luhle was kidnapped." Zakes: "what!! By who?" Luks: "esinye isbhanxa besithunywe ngumntu othwa ngu Nathi. Lubby killed him." Zakes: "what!! For what reason!" Lubb: "Lukhanyo suthethi tulutsetsi yakho. You the one that shot him" Luks: "you burnt him though." Zakes: "umtshisile??" Lubb: "he was telling lies, I had to make him talk." Luks: "so that's why silapha ke." Zakes: "well kulungile ke, nizohlalapha for a while." Luz: "There's no wi fi here." he mumbled. Zakes: "wife wife? Nabaya in the village masambe." Luz: "no Tata not wife, WI FI. Its like an internet connection. Akho signal akho network. Its like a desert." Zakes: "hampa tshi, uzay'thin internet inazi gusha." Tamkhulu: "izani.." Luks: "no thanks." Luz: "I'll pass." Lubby stood up and walked after him. Lubb: "siyaphi Tamkhul?" him: "siye hlathin, ina bamba apha." he gave him a whip. Lubb: "sophinda sibuye?" Tamkhulu: "ewe tshin, asiyang uyolala." Lubby walked to me. Lubb: "hey hun. How's it going?" Me: "fine for now. Did you sleep?" Lubb: "besandovuka ngok." Me: "uyaphi ke?" Lubb: "ndiya hlathin ngoku, ngomso I'm taking the cattle out for a walk." I laughed. Me: "it won't be much of a walk. Trust me." Lubb: "no? Oh well. I'll see you later, my African queen. With your sexy head gear and long skirts. I love it." Me: "thank you." he looked around. Then kissed my lips. Lubb: "I love you." then ran away to his grandfather. Lubb: "Tamkhul sundishiyaaa!" finally catching up. Lubb: "Yuuuh, isinqa. Siyaphi ngok Tamkhulu?" Tamkhul: "k'la ndawo siphume sisithi Siya kuyo. Khaw'leza kungeka qhumi. Ingathi izotshintsha Le weather." Lubb: "Yuuuh, ndaqibela nin egym. Siyothin Tamkhulu ehlathini? We already done slaughtering." Tamkhulu: "siyolanda iinkuni." Lubb: "then kuthen ndiphethe iswazi?" Tamkhulu: "iinyoka, nezinye izilwanyana ziyay'thanda Le weather." Lubb: "the what?" he whispered. Lubb: "uhm, maybe it was a bad idea wearing my Lebron's today." Tamkhulu: "bad, bad." back in the house, Zakhele was trying to liven his remaining twins. Luzuko just stared at his lifeless BlackBerry. Lukhanyo played a game on his iPad. Zakes: "Lukhanyo, kuthen ningafun uye hlathin. Nodlulwa yi-cheese boy?" Luks: "yeah, cheese boys ziphaphela kwanto. Ndingowase Kasi mna. Ndiyinton ehlathin? Hayi wethu Tata." Luz: "akho wi fi apha." Zakes: "ngoku?" Luks: "Tata akhonto kwenza! Akho TV! Umbane comes and goes! This is not Me!" Zakes: "ambano cleaner ihoko yenkuku ke. Nantso nto kwenza." Luks: "except that. Andicing ndenze

lonto mna." Luz: "never." Zakes: "kanti nifuna nton?" Luzuko and Lukhanyo: "FOOD." Zakes: "kusaphekwa nje." Sizwe: "masambeni siye town." Lukhanyo jumped up first. Luks: "thank you God." Luz: "WI FI!!!" Sizwe took the truck keys and they walked out. Sizwe: "izani. Sizohamba nge truck." the guys stood still and looked at each other then at the truck. Luks: "No." Sizwe: "come on! Lubby enjoye-" Luks: "I don't CARE about what Lubby likes or enjoys or does! Mna, andiyifuni!" luzuko walked back into the house. Luz: "I'm taking a nap, this is too depressing." Luks: "Ta Seez, andicing mna hambe ngaloo death trap. Is it even safe?" Sizwe: "its completely safe. Here you drive." Luks: "myself to an early grave? never. It looks like its about to swallow me. Uh-uh. Andifun mna. Rather we take my car. Ndibawela uDebonairz." Sizwe sighed. Sizwe: "nyana, akho Debonairz apha. If you could just give this place a chance. Ungay'thanda nawe." Luks: "well, Tata, I don't. I won't. And instinct tells me. I shouldn't. Toilets ziphandle apha. Outside! What if ndiyatshiseka in the middle of the night and then There's those creepy owls and crawling sounds. Andazi noba kukho ujakalasha na apha. Either way, I don't want to find out." Sizwe: "uzaw'ndivusa kaloku. Iza man Lukhanyo. Just relax." Luks: "Ta Seez, I wanna go home." Sizwe: "this IS your home. Iza, khwela!" they got in the truck, Lukhanyo fastened his seat belt. Sizwe started the truck, it rumbled to life, startling Lukhanyo out of his mood. Luks: "that is not healthy!!" Sizwe drove the truck, they could barely hear each other speak. So the only noise was the engine. On his way to town Lukhanyo gave some thought to everything he'd been wanting. Starting by his failed marriage. Where did it all go sour? Dumisa. Then Lubabalo, who sees nothing wrong in what he did. Moving to the divorce papers. Why had it been difficult to sign for him? To file them? Every time he tried, something said no. That's why he just let it be and hid them in his safe. Truth be told, he never knew Lubabalo would go as far as wanting to actually marry her. Like what is it with this guy? Why couldn't he stop meddling in his shit? Anyway, moving on to himself, was he ready for another marriage, particularly Lisa, who cheated on him. Live. He had paid lobola, but the point wasn't proven still. It was all for nothing. Now he was stuck. Lisa or being a Bachelor? Then There's Tammy, his sexy source of happiness. She never asked too many questions, perfect submissive, willing to do anything. And Vanessa, a little attitude and protective, but he enjoyed that. Sizwe: "uncuma nton kangaka?" Lukhanyo shook his head. They weren't his girlfriends and never would be, but he had needs which a certain somebody abandoned. So that's that. maybe he won't file for divorce just yet. For all the pain he still has to get through each day. Maybe he might do it next week, or next year or maybe after Lihle graduates, in 3 years' time. You never know, whenever he feels like it. They can't force him to anyway. He thought. Sizwe: "and we're here." Luks: "abephi uDebonairz

Tata kengoku? Like I'm craving pizza right now. This is not a joke." Sizwe laughed. Sizwe: "haska Akho debonairz apha kwedin." Luks: "sizothin kanti apha." Sizwe: "funeke ndifownele uNosizwe. Nankuya KFC." he went to the public phones, Lukhanyo stared at the place and shook his head. Luks: "I was never ready." walking to KFC. He bought two buckets, fried chips and two 2 litres of cool drinks. Walking back to the truck, he sat inside and started eating. Sizwe returned. Sizwe: "ayikho nto oy'funayo?" Luks: "ibhedi." Sizwe: "erhh...kukho nto erongo ngo mattress?" Luks: "ewe Ta Seez, I thought mna ngok'besisiza apha it'll be city people friendly, my back aches severely. Ngok'ya nanithetha ngobalapha nathi kumandi, but Yuuh Haibo." Sizwe: "abekho rich nje ngawe kaloku Lukhanyo, but they are comfortable just like that, not everything is about luxury kubo. Nangoku njebe kuxheliwe, lanyama ayizotyiswa nini, siyisa elalini. Forget about your fancy bed, electricity and all. There's a reason zingekho apha, to be in tune with one another niyek Hlel nje nyomfana nez'phone. Right futhi kuphele umbane sizolighter nges'bane se paraffin siculeni." Luks: "over my dead body." Sizwe: "yinton ingxaki nyana?" Luks: "Ta Seez mna andifun ba lapha." Sizwe: "why?" Luks: "andikho used kulo life and I doubt I will be, the funky smells, the cold, the uncomfortable sleeping positions, hayi andisayazi Ta, maybe tonight I'm driving back." Sizwe: "you're not going anywhere, jonga lamafu. Its going to thunder and storm like Jesus is returning. Izoba mbi landlela. Zicenge nyana. You'll be okay." he started the truck and they drove back home. Luks: "Tata, do you think I was wrong?" Sizwe: "ngantoni?" Luks: "the divorce papers. I never thought for a millisecond bayoze bafikelele kule point yofun tshata mna." Sizwe: "honest truth? Nam. Ndothuke nyan. But knowing your big brother uyathand ukwenza zinto overboard. Wena ubuzigcinele ntoni?" Luks: "because bendingekho sez'ngqondwen. When I realized it, I decided ndibe sendiyeka, that was the time Lihle ebese mithi ngu Bambo, I was planning to go to Madagascar with her, ndamcela to give me a last chance. Akavuma, so ndemka ke, zaphela iinyanga ndalibala mna, xasendibuya I see the papers again bendicimba singadlula kulento, and maybe try again. Bendicingela abantwana bethu." Sizwe: "well, now ucinga nton?" Luks: "ndiske nda-confused Ta, as much as ndikhubekile befike kule decision, I'm afraid, that he might hurt her." Sizwe: "Ncooh, you're trying for brownny points." Luks: "no I'm not Tata, ndiyamaz mna Lubby unjani. I'm not jealous of him, at all, kodwa he is the one person who can never hold something down. Akakwazi ukuthi Hayi emacherrin." Sizwe: "and wena you're afraid, he might break her heart?" Luks: "yes." Sizwe: "Lukhanyo, you know I care deeply about your well being. I hate what you went through, because your story is similar to mine, but njebe ndikukhathelele kangaka. Andikufuni mna ku Lihle ndoda. Even if she snaps back into falling for you which I extremely doubt she will, I

can't let it happen. Andithetheleli mntu, noLubby andim'fun kuye but your dad is forcing me to accept it. You boys, are great men. But, yonke indawo enikuyo izisa iingxaki qha. Maybe if he hurts her Lukhanyo....." something cut a little in his heart. Sizwe: "then it would be best for everyone because nizokohlukana nonke naye. The only good thing ephume kule union is the wonderful kids, and I pray bakhula bengangen ndawo in this string of web all 3 of you have created." Luks: "Tata, as much as I want to, feelings zam can't just die." Sizwe: "its going to take time, I know, but listen to me." he stopped in the yard. Sizwe: "don't push for it to happen, Lukhanyo, sudlala amaqhinga ngento zika bhuti wakho, let him make his own mistakes, kuyekwe ube kujongwe wena as umntu oyishit ekrakra. Zibhekelise usuke kwinto zabo nyana. Uyamaz unjan Lubabalo. Okay?" Luks: "andizongena nto Tata. Uphi UTa Smig?" Sizwe: "use lalini. Pha ezantsi." they got out the car.

Zakes: "nyana! Come here." Luks: "Tata andifun cleaner hoko mna!" Zakes: "iza maan! I wanna show you indawo sasithand ukuya kuyo noZolani. Iza Ncinci!" Luz: "urrrgg!" Zakes: "ndiyoku shova inqind kwedin." they followed him. Zakes: "iza Sizwe! Usakhumbula?" Sizwe followed: "ewe bhuti." Lubabalo sat on the edge of the stoep drawing patterns on the ground. Me: "awuhambi baby?" Lubb: "hm? No I'm fine." Me: "then ukhedamele nton?" Lubb: "just enjoying the peace babe, izohlal ecamkwam." I brought Lubambo and sat with him. Lubby took the baby on his lap. Me: "so, what's wrong?" Lubb: "akhonto." he pulled me closer. Lubb: "my favorite best friend, in my favorite place. My favorite memory. Do you know how much I love this place, its like I'm in touch with a certain spirit that.....damn, I can't even explain." Me: "that's sweet." Tamkhulu: "Zolani." Lubby looked up. His grandfather smiled at him. Tamkhulu: "ngenani endlin. Imozulu iyatshintsha." Jermaine brought the kids in, sangena sonke. Granny had lit the paraffin heater and boiled some water. Mom and I bathed the kids. Lubby and Jermaine put them to sleep. Why would his grandfather call him Zolani? Sizwe, Zakes and Lukhaluz came in. Dripping wet from the rain. Zakes: "yoooh! Ndigodola iz'phakathi. Cela undiphakele Mamngwevu." I stood up and dished up for everyone. Lubb: "cela sivalen amehlo sithandaze....can we please close our eyes?" As we all sat together, they started eating. The grandparents closed their eyes, Lubby prayed. Zakes: "hehake, xasesi qibile?" Lubb: "bendicelile Tata sivaleni amehlo." Zakes: "ubuhlebeza naban Lubabalo, akho hili apha. Tshin thiza. Khona xakuthandazwa kuvalwa nemilomo?" Tamkhulu: "Zakhele, ucele kabin ba makuvalwe amehlo, eyoba maw'ngamvi ayisifun, vala mlomo lo wakho ginye uk'ty'oku kwakho kungasikelelwanga." Zakes: "hamba Tata." he ate. After our early dinner, I washed the dishes and cleaned the kitchen. Zakes: "ndicela itea Matshangisa." I made tea for everyone ndayisa nge tray kazi kubo. I went to the bedroom ne heater kuba ndifun

vasa and my boiled water. Lubb: "do you need help?" Me: "no." I blushed. Lubb: "with your back? Scrub scrub. Nut nut, inside you." I laughed. Me: "No! Phuma apha." Lubb: "whaaat. Yageza." he closed the door behind him. Me: "no! Lubabalo!" I whispered, he chased me around the small room, wandithi nqaku kanye and pulled me to him. He kissed my lips, his hands in my hair. Me: "stop it." Lubb: "give me 4 reasons in 6 sentences why." I giggled and kissed him again. Lubb: "lento uyinxibileyo though.....nxx! makes me wanna rip it off you, kuthen indifihlel umntu wam. Ayisende sana its like the Nile river down to the floor. And ndi sure ufake namagusha ngaphantsi." Me: "ngqo." Lubb: "awuse rongo nje. Masivase ke sthandwa Sam. I won't bite, if you don't want me to." he winked. Me: "maybe....." Lubb:"maybe? I'll change that to a 'yesss!!! Oh yesss!!!!" I laughed. Me: "erh, get out for lonto." Lubb: "andiyi Ndaw- Zakes: "Lubabalo!!!!!" he yelled from the lounge. Lubb: "Ta?" Zakes: "uyinton k'lo room?!!" Lubb: "and I thought to him I was invisible." he kissed my forehead and walked out sadly. Lubb: "I was just helping her move the furniture." Zakes: "Khange ndifunu yazi." Lubby went to the kitchen. Grandpa was there. Tamkhulu: "ungam'hoyi utatakho, utyiwa sisazela." Lubb: "ndimenze nton mna Tamkhulu? All of a sudden uske wanditshintshela." Tamkhulu: "niks. Le ndawo imkhumbuza uZolani. Ndlela Le wayeyithanda ngayo. Sondela, izobona." he pulled him to the veranda. Tamkhulu: "yabona pha?" Lubb: "on the hill?" Tamkhulu: "ewe. Kukho tyotyombe elenzwe ngeplanga. Mhlawmbi, xa usiva kabhlungu, unyuke uye pha. okanye awufun uba wedwa, iya pha. Nje xa ucingile. Ulighte eza candle zinthathu zim'hlophe, ubase umlilo endawen yomlilo, ucithe lento pha kuwo. Lubb: "kengoku kuthen uxelela mna Tamkhulu?" Tamkhulu: "ngoba umphefumlo wakho awuxolanga, sum'hoya utatakho nyana, ndiyamazi mna unjeya um'mo wakhe. Ungoyiki wena." he walked away. Lubby looked at the plastic in his hand. It was getting dark by then, maybe Luks and Luz would join him there. Lubb: "Lukha?" Luks: "ja?" Lubb: "masambe, I wanna show you something." Luks: "bruuuh! Andi. Dinwe. Joe. Tomorrow man yabo? Ndiyolala ngoku." Luz: "don't even look at me, ndilisongololo as is." J: "I'll come with." they wore their jackets and coats. Then headed north to the cabin on the hill.

Chapter 680

2 weeks later.

We went back to Port Elizabeth, all I needed was instant sleep qha, no jokes.

Lukhanyo took the babies with them, I went to my mom's house ndavasa ndangena ebhedini ndalala. Lubby had a meeting in Walmer with Bill Sangane. They met up for lunch. Bill: "can I order?" Lubb: "yes sure. How are you?" Bill: "doing great." he didn't look pleased. Lubb: "but?" bill: "Lubabalo, we are business partners, and do business together, you're in charge of one of south Africa's major projects, you CANNOT just disappear! I am not impressed." Lubb: "I apologize Mr Sangane, I had to go to the rural areas for a family thing and I know I should've notified you, this was stupid of me. It's not going to happen again." Bill: "I know it won't. Because, from last week ago, the project now belongs to your father, he's in charge." Lubb: "what?" Bill: "I had no other choice Lubabalo I couldn't reach you, and my first priority is where my money is invested not your whereabouts." Lubb: "sir, I'm back now, I can and will put my all in it." Bill: "my boy, you're a great engineer, a phenomenal project manager. But this isn't just about, being the best designer, creating and managing projects only. You need to be reliable, and honest. I know you're efficient and very productive. But also very unpredictable. I can't afford that." Lubb: "so what happens now?" Bill: "well, I need you to sign a few documents. It's now up to your father, what you can and won't be part of." Lubb: "he won't let me do anything." Bill: "because you're hurting his empire. My boy, you can be your own man. Honestly. Build something for yourself, mna my dad was a gardener. I did all this by learning in his foot steps, then took my own path and became my own self.." Lubb: "okay." they had their lunch. Bill: "well, since you're a free man. I'm going on a 3 month cruise to the Caribbean with my wife, join us." Lubb: "thank you Mr Sangane, but I'd rather not. There's a few things I need to sort." After signing the papers, Lubby left. He had another meeting with Mandla and Lucky at Zwide. The guys were waiting for him by their usual spot. He'd check them later, his focus was on business. Arriving at the harbor, the security was already waiting for him. They greeted, while walking inside. He opened the new crates, sizes of shoe boxes. Inside was black suede cushion, with diamonds sitting comfortably on it. The other boxes had pearls, ruby's, sapphires all sorts of precious stones. Luks: "Good God. These are real diamonds?" Security: "yep. Carlos said ndikhangel umntu endimthembileyo to keep them safe, then transport them to Durban. Ndinge wena straight Ta Luks. Plus, you get your own box. Stuja parked his car first and looked around. Something was wrong, a little off. He started the car again and kept his eye out. Texting Lukhanyo. Stuja: "nijonge Ta, bakhona." Luks: "sho." they were ready for a helluva fight. 10 minutes later the twins arrived. they all went inside the house. Lubby sniffed around. Lubb: "do you smell that?" Luks: "what?" Lubb: "yinto etshayo. Like a....." he sniffed again. Lubb: "never mind. Stu, what you got?" they stood in the lounge. Just as Lubby switched his home

theatre on, there was a knock on the door. They all stopped. Jermaine stood by the passage. Lubby signaled for him to sneak out the back entrance of his bedroom with a gun. Luks: "landela Stuja." Stuja: "but bos-" Luks: "Go. If anything goes wrong, ufownele Lihle straight and don't fuck around." Stu walked right behind J. Lubby opened his front door. Two police officers stood on his porch. In the driveway 2 police Taxi's and 3 cars. Lubb: "well damn, have you come to fetch a caged animal?? Molweni." police: "Afternoon sir, we're looking for a, uhm....Mr Mzinyathi and a.....Mr Morrison, plus a.....Mr Lubisi." he kept looking at the page like he wasn't prepared to be there. Lubb: "only Mzinyathi and Morrison present at the moment, can I help you?" Police: "yes, Mr?" Lubb: "oh, pardon my manners, Morrison. This is Mzinyathi." Police: "hm. Nice house. Who is the owner?" Lubb: "why, thank you. We both are." he smiled. Police: "we have a warrant to search your premises Mr Morrison." Lubb: "well search away sir." they came into the house and started their search. Luks: "bakhangela nton Lubby?" he hissed in his twins' ear. Lubb: "I have no fucking idea Lukhanyo. Just keep calm." Luks: "ntsimbi yam isemotweni bra." Lubb: "abazo searcha moto, bafun indlu qha." an hour later, the same officer came to them. Police: "There's a door, that is locked, would you open it please?" Lubby opened his cellar, they went in and violated the place. Now the twins began to sweat. Police: "your basement?" Lubb: "I don't have a basement." Police: "funny. Big houses like these Always have basements. You know, for 'just in case'." Luks: "shit." he said through gritted teeth. Police: "do you mind supplying Mr Lubisi's address?" Luks: "we don't know, we haven't heard from him in months, he lost his job, moved, all that." the cops pushed the couch a bit to make space. A hollow sound scratched the floor. The twins stilled. Police: "that's odd. Move it again." they moved it again. Eventually revealing a locked handle. They broke it apart using metal. Police: "well, well, well..... Mr Morrison and Mzinyathi. What do we have here." he opened it and stared at the half full basement of money and rifles. The others gasped in shock. Police: "what the hell?" Luks: "I can explain-" Police: "you are both under arrest....for theft, and illegal firearm possession....." as they were hand cuffed....

Sabz: "Yuuh awumdala nje, anyway got more info on the tip off." like a dog hearing a sound, my ears perked up. But I was disrupted by the judge. He looked at Sebastian and down at his paper. 🤔:o with a long ass pause. Lungelo was confused by now, what was taking so long? Then he spoke. Yangathi ngu bleeehhh omde, until I heard: "Bail is granted. No substantial evidence links to the accused that they had anything to do with the money or weapons, if recorded correctly, they had no knowledge of a basement. I request proper evidence to be submitted by February 20th. Court adjourned." wabetha elaqhudu lakhe. "All rise." saphakama and he left. I knew what just happened. Sebas ikhona into ayithethileyo kula Tata elihlwibhilili qha andingeni ndawo, as long as the boys were out. But we still weren't out the woods, because now we needed something to cover it up. Outside while waiting, yaphinda yathi qatha ingqondo kanene bend'se fownin. I opened the next message: "baby? Undishiyile ngoku?" Me: "what have you got for me?" he sent a picture. Sabz: "that's him." 😊 :D bulls eye!

The house was tense. I sat on the couch with my son on my lap. Zakhele spoke to the two girls mna ndicinga izinto zam ndingamamelanga, again, bendingeyo part Yale clutch. Luks: "nantsoke benditshilo

Luks: "maybe..." he licked his lips and looked at his daughter. Why would he do this in front of his 'fiance' like andifuni drama mna ngoku. She looked barbaric when she was beating this other lady now she was gonn turn ghetto on me? Me: "awuziva ncam." Luks: "ndiziva nje kakhle. Ndiyakudika Lihle?" Me: "no, yes, sometimes." its one thing being bullied by Lukhanyo. But being bullied by Lukhanyo And his father? Damn. Luks: "do you wan-" Me: "No, I don't want to talk about it." Luks: "eshee. Uyazelaphi ndizokutsho." Me: "I know you. Too well." I took Lutha to the bedroom ndizomtshintsha. Getting his things ready, the towel, wipes, his lotion and diaper. He lay on his towel and sang to himself. Lukhanyo came in with Luhle. Me: "naye?" Luks: "no she's okay." I changed the boy. Luks: "Lihle..." Me: "Lukha." Luks: "ndicela undijongile xa uqibile." I looked at him. Luks: "about the divorce, I got a lawyer and uhm....he advised me ndingenzi haste decisions." Me: "meaning?" Luks: "I'm not ready to be divorced." ndaphants ukuwa kuba dizzy. But I tried my utmost best not to lose my cool. Me: "Lukhanyo we spoke about this." I said calmly. Me: "there is by no way, we can change this situation anymore. I admit that, ndenze matters worse, and it will never be the same." Luks: "I know Lihle." a slow tear escaped his eye. Ndaske ndonqena kengoku. I just became tired ngomzuzu but still, kept my cool. Luks: "I'm sorry for hurting you, but ingathi ngoku Le revenge yakho will haunt me for the rest of my life. I'm really sorry." Me: "please don't cry." Luks: "I haven't told anyone how I feel, kudala ndizama ukuzibamba. But....I can't Lihle, everybody just expects me to be okay and strong as always. Not giving a fuck how I feel." Me: "how do you feel?" Luks: "like shit that's not worthy to be loved." Me: "you shouldn't have to feel like that Lukhanyo, your fiance adores you." Luks: "well I don't!" Me: "then be honest with her. Ulithanda qithi ibele Lukhanyo I'm not going to hug you better. Hampa." Lutha: "paa!" Lukhanyo smiled. Luks: "even if its just a minute, I missed this. The first real thing I ever had." andakhubeka bawo. I really felt bad by then. Running away wasn't going to help, I had to face the music. Me: "I'm sorry, ayikho enye into endikwazi ukuyithetha to make you feel less of how you feel." Luks: "wena awukhe uyicinge? The lazy days? It was all Me!" I pushed him. Me: "We!" he grabbed my arm to tickle me. Luks: "sundiqhela Va!" I laughed and fell to the floor. He pulled me back up ndisagigiteka and landed on his chest. He looked at me. Me: "I have to go." Luks: "ubaleka nton?" Me: "ndisaya ku Bambo." Luks: "masambe ke." Me: "I don't think that's a good idea." Luks: "he's my son. Into the blankets, talking in his ear, moaning his name. He didn't have sex with her. Lubb: "she said she....couldn't do it. Something about, lights or fireworks. Uhhh.....shit! She said....erh...." he tried hard to remember. But couldn't. He took out his phone and called her. She cut the call everytime, rejecting it. Sparks looked at her. Sparks: "Nguban lowo?" He dragged her back to the room. Sparks: "njebenje ucimba you're a smart bitch. ndizok'bulala unye and bury you in his house!!" he closed the door behind them as she screamed begging for her life...

Ndiyabathanda abantwana bam bhuti, they can't live without me bangahlukunyezwa kakhulu." Lubby searched the phone and made the call. It rang unanswered a couple of times. Luks: "Stuja, track the number." Buja: "please bhuti!" he begged. Lubb: "yinton enye ngalo sparks?" Buja: "uyanilandela everywhere! Wazi yonke into." Lubb: "uxelelwe ngubani nge basement yam?" akhuphe yonke info ngani!" Luks: "and?" Buja: "it didn't work, so he used the girl. His next move izoba kumfazi. He said it himself." Luks: "Silulamile!" Stuja: "almost..." Lubb: "uLihle?" Buja: "ewe bhuti." Lubby walked out followed by Lukhanyo. Luks: "kill him?" Lubb: "no! Let him go after ekhuphe yonke into. Ideep lento yalo Sparks." Luks: "if we let him go, He'll go back to Sparks and tell njenga ngoku empola kwanto!" Lubb: "Sparks will surely kill him. I don't want 2 baby girls' father's blood on my hands." Luks: "since when have you become so soft!" Lubb: "since I have two baby girls that I don't want to upset!!" Luks: "mxim!" Stuja: "Ta Luks! I got him!" they went to their cars. Buja: "mna?" Lubb: "disappear. Because if I smell you near ever again, I will bury you alive. Yes?" Buja: "ewe bhuti." Stuja drove off, the twins followed, Jermaine remained to guard Mbulelo not to run his mouth like he just did. Buja: "when am I going home?" J: "when your friend is dead."

Stuja found the house they've been searching for. Lukhanyo kicked open the door. They went through the whole 2 bedroom. But found no one. The bed was unmade, chairs lay on the floor. Lubb: "he was just here. Usuka apha ngoku!" Luks: "Stuja, fownela uLihle and tell her to keep the kids in the room with her at all times! Kutixwe iminyango!" Stuja made the call. Lubb: "khangela anything of his, I.D, license, anything." eventually finding the blackberry 8520 which had the multiple missed calls from them. The bastard had left the phone behind.. Lubby called Jermaine. Lubb: "bring him to me." he hung up. Lubb: "Mbulelo kanti uzomkhupha ngempumlo lo Sparks. We can't waste more time!" Luks: "Lubabalo, uphi kqala lo Siwe!" Lubby swallowed. Lubb: "I don't know." Luks: "the fuck you mean!! If yindodakhe Lena then she might know!" Lubb: "maybe ukwi hotel room yakhe." Luks: "when you seen her last?" Lubb: "today earlier." Luks: "and? Bezothin kuwe?" Lubb: "she just said uzohamba yena. That she's grateful for everything I done for her. Then washiya inote." Luks: "shhit, ibisthini!" Lubb: "she's sorry, and sheoh fucckk!!!" Luks: "what!" Lubb: "becela uxolo. And oh my God. She sabotaged me. We were talking in my room, then I don't know." Luks: "you fucked her didn't you." Lubb: "No!!" Luks: "yes you did Lubabalo damn it!!! I knew it!" Lubb: "listen Lukhanyo! Its not like that!" Luks: "I don't wanna hear it." Lubb: "I think she drugged me or something, andikhumbuli! I would never do something like this!" Luks: "HOW does a bitch drug you in Your own damn bedroom! Busenzaton! Khang umbone wena? Suxoka man Lubabalo, admit it burhala qha." Lubb: "we used to be good friends, I trusted her with anything, I didn't know she was THIS crazy! Bendilungis nto zam zovasa! She just poured the drink khang abengathi ufake into!" Luks: "exactly!! Meaning she didn't drug you!" he breathed. They got in the car, driving to the hotel. Lubb: "or.....she went to the room before me." Luks: "why would she?"

Lubb: "ndifike sepha! Ethetha noSylvia." Luks: "pray to your God, akwenzekanga nto. That she didn't steal anything or plant iyeza to chase away your things like lento yenzeka kum!" they drove away, with Stuja right behind. Luks: "fownela lomntana Lubabalo uthethe naye!" Lubby called Siwe again. The call was answered. Sparks: "Lubby Morrison." Lubb: "who the hell is this!" Luks: "Nguye?" Sparks: "who you think?? Maybe I might come to you. But I won't tell you when. That way, you won't be able to rest." Lubb: "I will find you and I will kill you!!" Sparks: "well.... I wish you the best of luck. Oh and, locking doors to prevent me from getting to your Her won't stop me. Just in case you didn't know." he hung up leaving Lubabalo fuming. Sparks: "maybe if uyakwazi uziphatha. I'll let you live." Siwe: "sparks please. Cingela umntana lo ndimthweleyo!" sparks: "what if uyandixokisela?" Siwe: "masiye kwa Gqirha baby uzibonele! I would never lie to you!" he looked at her. Sparks: "so...ngowam lomntana? That's my seed?" Siwe: "akekho omnye endileli naye besides you. Oko wandiqhaqha Sparks, its been you! Ndithini ?? Do you want me to...." Sparks: "no! I have plans. I'll support the child....on one condition." Siwe: "anything." he paused and looked around. Siwe: "what's wro-" he held his finger against her lips. Sparks: "iza!" he whispered. They got on the balcony. Sparks: "babes, listen to me, bambelela ngqi apha kum uyeva?" she nodded. He closed the sliding door and climbed off the balcony on to the thick window pane holding on to the railing she held on to him sobbing quietly. Sparks: "don't look down." Siwe: "I'm.....gon-na diiee.." she cried. Sparks: "Sandisiwe shut the fuck up and hold on man!!" he stepped on to the balcony from next door, lost his balance, grabbing on the open window. She shrieked. He stepped on the balcony and they slipped inside the second hotel room where its owner was in the shower. Sparks: "you okay?" she nodded. Sparks: "we have 2 minutes to get out of here, Uyandiva? Only 2. Are you ready?" she nodded again. He kissed her cheek and pulled her to the door, peeking out. He saw the other door get kicked down by the twins and another guy as they entered, he slipped out and ran with her to the stairs...

Chapter 686

Lukhanyo sat on the bed. Lubby stood in th middle of the room. Luks: "andisayazi Lubabalo. I really don't know anymore. I am tired of chasing this shit!" Lubb: "fuck this shit man!" he walked out to the car. Lubb: "take me home!" Luks: "Lubabalo!!" Lubb: "No Lukhanyo! I am tired!" they drove back to Lubby's place. Lungelo was there waiting for them. Lubb: "molo Lungelo." Lungelo: "hi. I won't be long, I just came to brief you, our court date will be in February. I can assure you I will handle it to my full potential.." Lubb: "thanks, and what else." Lungelo: "they froze your

offshore accounts." Lubb: "what? That's the only money I have left!!" Lungelo: "I know. Lubabalo I'm trying all I can, talk to your dad nawe and work something out." Lubb: "you mean beg him? I tried! Akafuni, he wants me to 'be a man' and shit!" Lungelo: "then be a man." Lubb: "with no money? Petrol ndizoy'thenga nganton? My kids maintenance? My food? No man!" Lungelo: "I'll see what I can work out for you Lubabalo, I can't promise you much though." Lubb: "damn!!" Lungelo: "at least you have your assets." Lubb: "fuck assets!" Luks: "khayeke ube ungxolela ikaka Joe! People out there have it worse than you and they don't complain!" Lubb: "Lukhanyo, don't make me angry!" Luks: "ungathandazi nje!" Lubby went to his room and locked himself in. Lungelo went home. Lukhanyo drove to Motherwell, to see his children. I was cooking dinner and mom bathing the kids. Lukhanyo walked in. Luks: "hey." ndaveske ndathyafa. I didn't want to see him. Luks: "Lihle, ndicela uxolo babe, please list-" Me: "I am NOT your nyaybe! Why don't you run to your little hoes and call them that! Usuke camkwam ndingekak'tshis ngale mbiza!!" Luks: "hayi kodwa Lihle you're being unfair! Khange ndibathume mos, I'm really sorry." Me: "I don't want to fight with you. Okay? So if you here for the kids, nantsiya i-couch to sit your self down and wait till they're done, because me and you? We're Done." I turned back to continue cooking. Luks: "I aint leaving till we're okay and not done. Andiy'thand nam xasisilwa Lihle, and frankly....I hate seeing you upset or hurt." 🤔:o 🤔:o "frankly" yoooh Ta Luks kwezondaw. 🤔:vLuks: "Lihle?" Me: "don't touch me!" Luks: "I got you something." Me: "Lukhanyo, khahlale phantsi maan!" Luks: "uyabona ke uyandingxamela? Bendithen kuwe emini." I breathed to calm myself down. He took out a navy blue suede box. Me: "No." Luks: "close your eyes." Me: "ndithe Hayi." he opened it and a diamond necklace rested peacefully on the cushion. Wow. It was beautiful, no, it was gorgeous. Luks: "this, is for mommy, to pass on to our beautiful daughter, to pass on to her daughter...and so forth." Me: "okay here's the deal, this, will be kept at the reserve bank, on your account, to give to your daughter when she's old enough. Because I want nothing from you. And I mean that with every vessel of my heart." I switched the stove off. Ndakhupha iiplate. Ucimba ndizothatheka by a couple of shiny stones? Mxim. I really couldn't care less about diamonds anymore, only how I could rebuild my life. Well, since Mandy and I have split the cash in half and gone our separate ways. I had 600 thousand Rand in my name, and my first plan was to give 500 thousand back to Lubby, he could start a new business with it since its something he'd been wanting to do and now he had enough time. And in any case that was half the money he gave us, my half. I wouldn't owe him nothing. The other was with Mandy and andifun ungena niks. So technically, I had 100 000 Rand. which wasn't bad because it was only going to my studies and kids future. I dished up and

called my dad, sancokola on the phone for a while. Lukhanyo was in the lounge I was in the kitchen still. Lubby called. He seemed really down on the phone and I wished I could just make him happy. Me: "utheni love?" Lubb: "nothin, khumbula Kumkanikazi yam qha." Me: "ngok uqumbile?" Lubb: "ewe kaloku awundihoyanga wena." Me: "baby, ubungekho izolo kaloku, plus you need to rest..." Lubb: "I want to kiss you mna." I giggled. Me: "where?" Lubb: "hmmmm." he smacked his lips. Lubb: "girl....don't tempt me." Me: "for real?" Lubb: "let's just say.....you won't have trouble, speaking poetry when my tongue, is in between them thighs." I felt tingly by then. Biting my lips. Me: "stop that.." Lubb: "make me." he said with a husky tone that almost sent chills down my spine.. Me: "ndihleli nabantu...baby manni." Lubb: "okay, later on tonight can we sneak out together like 16 year olds and go to the beach or something. I'm poor now, I can't take you on expensive dates." I chuckled. Me: "you're not poor baby, you're an investor. Izobuya imali yakho to start a new business which you can build from scratch. I know you can do this for yourself. You weren't just wealthy ngenxa yemali katatakho, you are smart, an engineer, and innovator. And you know what that means?" Lubb: "what?" Me: "you can create anything from nothing and make it great.. I believe in you." Lubb: "and I love you." Me: "I love you too my baby. You'll be okay Va?" Lubb: "I'll be okay baby. Enkosi, you always make me feel like a king ke bonanje." Me: "you're My king and don't you ever forget that." Lubb: "hmm...okay. Mwaah baby." Me: "mwwahh." Lubb: "bye." Me: "byye." Lubb: "beka phantsi phone." Me: "beka wena." Lubb: "yaz'bona ke." Me: "akho spili apha." he giggled. Me: "I'll see you later?" Lubb: "definitely." we hung up together, ndashiyeka ndincume ndodwa. I took the food to the lounge, where Lukhanyo and my mom were talking really loudly and laughing and for once I really didn't care. I had Lubambo to attend to since I heard him crying. Namhla walked in, wabulisa wayongen eroomin. Me: "mntase?" I knocked on her door. Cwaka sana. Me: "Namhla? Can you please open?" Namhla: "Lihle, ndicela ispace tu!!" iyhoo. PMS ibanje ke. Luks: "I need to talk to you. Its about your friend." Namhla opened and stared at him. Luks: "Aphiwe? Uyamazi?" Namhla: "yes." Luks: "naqibela nin uthetha?" Namhla: "2 months ago, Thulani blocked him from my phone." Luks: "damn! Okay." she closed her door and crawled into bed. Me: "you're okay?" Namhla: "yes, ndine cramps qha, I just wanna sleep." Me: "period pains?" Namhla: "yes!" Me: "I'll get you some pills, and juice to ease them a bit Va?" Namhla: "thanks." well, the pills I was about to give her were extremely good, so good, that she'll wake up over emotional, happy and in love with anything. That's how they always made me feel. I brought her the pills, wasela walala. Luks: "can I take the kids for the night?" Me: "yes, you can." Luks: "with Lubambo ke. Ndicela umenzel ubisi lwakhe." I milked for Bambino and fixed their

bags for a night. Me: "Nanku no Mrs Booboo." Luks: "what?" Me: "Lubambo's teddy bear, they cuddle when he sleeps." Luks: "ookay. Why ?" Me: "andiyazi Lukhanyo, he just likes it. Either umlalise phez'kwakhe or ecamkwakhe." the teddy was bigger than Lubambo, so he used it as his pillow, his comfy bed, his chill space, his sanctuary. It was adorable. Luks: "you do understand that iboy is only 2 right? He doesn't care about teddy's akazongalali ngenxa yalonto yena." Me: "I know." Luks: "good, cuz we don't need the teddy." Me: "don't call me enzulwin zobusuku ke mna ulilelwa ngu Lubambo. Because I trust him k'lo part." Luks: "aren't you coming with us?" I laughed out loud and walked out the room like what, was he joking? Luks: "or we could just stay...." I froze. NO. I had plans that night! Me: "uhm.....no, no you can't stay." he looked amused. Luks: "mamakho uthe ndingahlala, she has a church do to go to, and you need help." Me: "abandixakanga abantwana bam Lukhanyo, I can handle them." Luks: "We. Can handle them." I just wanted to fall down and cry. But shame he wants to baby sit? He will baby sit, whether he likes it or not. Ndiyahamba mna. Aint nobody got time fo that. Nigga 😊-_-

Mandy got out the shower as Soso walked in the house from work. He was dead tired, working a 39 hour shift, he hardly ate or slept. Soso: "evening." he mumbled and crawled into bed. Soso: "unjani baby?" Mandy: "I'm good angel, wena?" Soso: "hm..." he mumbled. Mandy: "awulambanga mntu wam? Please eat first? Then shower." Soso: "I'm sooo tired, my limbs are falling off." Mandy: "haha, oh bethuna ubaby wam, you work too hard, I cooked spaghetti bologna. Let me warm it up quick." she heated his food, while he took a quick shower and brought it to him. Soso: "you going out?" Mandy: "nope, I'm staying in with my boo. Kunin ndikukhumbula..." Soso: "hmm.....ufuna ntoni ke love." Mandy: "heee.." she blushed while feeding him.. Soso: "yeah, ndiyakwazi kaloku wena, feeding me while wearing my favorite lingerie? With that lace string lining up that ass.....hmm." she fed him again. Mandy: "well....I missed you." Soso: "of course you miss me." after eating, he felt a little better but still tired. Mandy: "lala Sonwabise, you're tired." Soso: "I wanna, talk to you....and listen to your voice and stuff." Mandy: "don't torture yourself." Soso: "no....." Mandy: "yes. Come let's cuddle." she held him close to her chest and he fell right asleep. Snoring peacefully. She played with his ear, kissing his head and skin. 2 hours later after her movie, her phone beeped a message. Soso was still sleeping. She checked it. Anda: "hey beautiful, I hope you're doing great. Just landed an hour ago, can we meet up for drinks? Its been a minute." it had been a long while since they saw each other, particularly on Christmas day. She didn't know how she felt about that exactly, a part of her wanted to go. Another part didn't. While thinking of a decision and weighing the options. Soso woke up. Soso: "hey...." his voice was still hoarse, sleepy and sexy.

Mandy: "hey." she kissed him. Soso: "who you texting?" Mandy: "no one." Soso: "khaze ndibone, I'll take a pic of us..." Mandy: "use your own phone." Soso: "hmm.....ufihla nton." Mandy: "my phone is my privacy Sonwabise." Soso: "but why uba defensive kengok babes? Siyancokola nje." Mandy: "I know." he took the phone. She jumped up, Soso held her back. Soso: "yeyi! Yinton ngoku Mandy?? Sek'then sow'za fihli zinto ngoku! Who is on this phone!" Mandy: "Damn baby. Can you stop blowing up like this." he checked the next message. "babe?" which sent him on a slight fit. Another person, man, male, calling his girlfriend 'babe' angered him extremely. It was just disrespectful! Soso: "so ndicela inyani Mandy. What's going on." Mandy: "nothing Soso, I don't know why he keeps texting! Andim'phenduli mna, as you can see!" Soso: "I have vowed never to hurt another soul as I walk the path, but ngoku Mandy, you're pushing me off! You're pushing me to the damn limitt!!!!" he screamed. Mandy: "Sonwabise!" she cried. He got up and dressed then stormed out the house...

Chapter 687

Lukhanyo sat on the couch with the sleeping babies. Only Lubambo was awake. He was talking to his son and telling him some story with a bit of singing. I was dressed and ready to go, Lubby had texted ba ulapha phandle. As I walk to the door. Luks: "he needs to be changed." 😞_- Me: "Lukhanyo, you know how to." Luks: "uyaphi ??" Me: "out." Luks: "at this time?" Me: "its only 7." Luks: "yeah but uyaphi?" Me: "out. Qha." he stared at the tights and I could feel his anger building up. I turned to face him. I had on white tights, white corset and a black biker jacket. Wabe enaar k'le yok'jonga. Luks: "Lihle. Just last year, you were kidnapped. Umithi ngosana lwam. Next thing, couple of days ago, our daughter gets kidnapped, njani kengok uphum olohlobo provoking these people! We don't even know Nguban ufuna nton xabek'theni! And our source said, uzoza kuwe next! I don't want to risk umama wabantwana bam, ndizow'thini kubo xa ungasekho? No man Lihle. Ayikho lent Uyenzayo." All this because of tights. Me: "ndizobase motwen, then indoors, trust me akhont izokwenzeka." Luks: "ak'suba andifun uphume Lihle, I'm just concerned. I am worried and Uyayazi nawe I panic." Me: "kakhulu. But I'll be fine." Luks: "promise me." Me: "I promise." 😊O.o Luks: "if and when you suspect anything, call me." Me: "I will do so. Like I always have." he stared at me ndabawel uzigqume nge laphu Le tafile, I don't know why I felt uncomfortable. My hands were shaky. He got up and walked toward me, I just froze, ndaminca nje. Luks: "you look pretty." 😱:o exhale! Me: "enkosi." Luks: "ndifun bona lemoto hamba ngayo, iza ndizok'khapha." #screams!! Me: "the kids, Lukhanyo. Hlala I'll be fine." Luks: "okay." he smiles. Why was he so happy,

ndonqena nombuza. Me: "you okay?" Luks: "this just reminds of some days....xa uphuma ne-friends, ndihlale ndighade abantwana, ubuye late, uvase sincokole and chill." Eish. Ndiyoze ndiphume na apha? Luks: "bye bye." Me: "please don't call me a billion times?" Luks: "nope I'm giving you your space." Me: "enkosi." shame he was really trying his best. I left the house. Kanti uLubby had parked a bit further away from the house, I got in the car and he drove off. Lubb: "you look stunning. Dazzling. Uyandiphandla." I giggled and kissed his cheek. Me: "sudika man wena. siyaphi ke babes." Lubb: "ngathi kuyaqhuma for the beach, I don't wanna mess up my boo's weave and all. So, home maybe? Luzuko uthe akazobuya. Lukhanyo simshiya ngasemva. Jermaine is with S'bu. Sylvia went home. Girl, my house belong to me tonight. So we can run around without the pants." Me: "I like that." he looked a bit disappointed about something, the quick change in his expression. Me: "what?" Lubb: "I had booked a holiday for just us two in Miami. Now I have to cancel, because.....Andina Mali." should I tell him now or nah? I wanted it to be a surprise for when he felt he couldn't cope like manyan. But its good a time as any right now. Me: "ba-" Lubb: "love, can we get pizza? Because ndibawela ipizza ngoku. And then kukho a game tonight, I realllyyy have to watch it! Tjooo! Been waiting all day!" Me: "who's playing?" Lubb: "Miami Heat." he did the shoulder dance. We got to Debonairz, bought pizza and went home. All doors were locked as precaution. All windows too. As we sat in bed, he switched his Bravia plasma on. I took his laptop and started writing down. Lubb: "wenzani??" Me: "we have to start budgeting, cutting down costs. So less spending." Lubb: "I hate the b word." Me: "its the only way it will help you through out the next few months, come." he sat behind me and I leaned in on his chest to start making his list of needs and No-Needs. His necessities and Not-Importants. Me: "we have to cut down on the cars babe." Lubb: "Yuuuh sweetie. That is my pride and joy." Me: "Lubabalo you cannot have 5 cars. Uzaz'thin?" Lubb: "yeah you're right. The Audi's have to go. Eyam ndizoy'nik uJ. Luks and Thuls bazothath ezabo. Then I'm left with my SUV and your Bentley. Next." Me: "property is always good investment, leya ise Dubai we could rent it out to families for holidays. The one in Italy too." Lubb: "I'll call the property agent kwela cala." Me: "you need to create a new bank account without the string of your dad's company funds." Lubb: "ksasa." Me: "and for now we're done." Lubb: "great." he grabbed the laptop, placing it on the dresser then kissed me. Me: "awungxame bhuti." Lubb: "picking up where we left off." Me: "uh huh? And where was that?" he slipped off the tights and kissed my thighs. Lubb: "I want you to recite a poem. And I'm serious." Me: "you're crazy. Andizokwenza lonto mna." he kissed my laced underwear swiveling under it using his tongue until he opened the lips with his mouth. I breathed slowly, biting my fist.

Until he held my thighs still and sucked the juices out. His tongue doing all sorts of dances and twirls and shit. I moaned out loud. Me: "Lu-Lubabalo....." Lubb: "no..." Me: "yes baby!" Lubb: "you want a hiding?" Me: "yes!" I was willing to do anything right then. The power of the tongue. He turned me around taking off my underwear. The started eating again. I screamed. Grabbing the pillows. Me: "daddy!" Lubb: "yess!" his two fingers rubbed against me as he slurped the rest of me. He slipped under my body. Lubb: "put that pussy on my bottom lip." Me: "andifuni." he groaned. Lubb: "baby? Don't you dare do that to me." he pulled my clit with his lips and shoved his tongue in. Ndaske Nda-dizzy. Grinding my waist on his face. Me: "I'm about to..." his fingers ran through my back, up and down. Lubb: "come mntu wam." my thighs were shaking, insides throbbing. I climbed the ladder, I was about to reach it.....it was just. He stopped, and smiled, licking his lips. Then went on again. Ndaqala phantsi, I could feel it reaching my point. Me: "ohhh yeesss!!!! Daddy? You bout to get it.....yess!" he paused. Me: "shit, daddyyy!!!" I screamed. He grabbed my ass, holding me still and wiggled his tongue up through the labia to the clitoris. I hit the point with a sensational thud and came tumbling down.....down....down. I climbed off him. Isaphefumla. Lubb: "woww. Uyand'chaza bonanje. Kanye xa ulila. 'shit daddyyy!!!" he burst out laughing. Me: "ndizok'fumana yazi." I tried regaining my breathing once more. Everything felt lighter, I was a great ass mood for anything and more. He wiped his face and sat next to me. I sat before him taking off his pants. Lubb: "ustout ke owam ubaby. I wanna watch the game." Me: "watch your game, eat your food, call the president. I don't give a fuck. Sundihoya mna." Lubb: "kubekho la twang yakhe bethuna, 'shiitt! Daddeey!!!" he laughed again. Lubb: "I love it." Me: "ima slap you for real, say it one more time." Lubb: "that's my phrase from now on, xa undigezela kukho abantu, I'll say it out loud, nala twang yakho, embarrass the shit out of you." Me: "I dare you to." Lubb: "sounding all British on me. Flippen sexy, give big daddy a kiss." Me: "right here..." I kissed king Kong. Lubb: "ooohh...exactly there." sliding my tongue down him, he was flippin through channels with a slice of pizza. He stopped the moment I reached his balls. Lubb: "baby don't play like that." I sucked them in. Lubb: "sthandwa saamm.." he moaned. I know how he is when he hasn't had sex in a loong time. He dropped everything and stared at me, working my mouth on him. Lubb: "Lihle..." Me: "hm?" Lubb: "don't do me like that..." he warned. I slurped his organ in, it could hardly fit. Deep throating him. He grabbed on the cover, breathing slowly. Lubb: "lihlee!.." His mouth shaped in a perfect O. His eyes closed. Heart raced. His hands were shaking, something he didn't want. Lubb: "shit..." he groaned. Then grabbed my hair, pushed me to the bed and climbing on me. His teeth sunk into my neck as he penetrated me deeply. He pulled out and pushed in a couple of times

then stopped and breathed. Me: "Lubabalo!....." he kept moving, rotating his waist. He held on to my body, moaning. Lifting my legs up, then kissed my lips slowly. I was trembling. Me: "oooooh...." Lubb: "uh huh?" Me: "yes!!" Lubb: "right here? Say it...." Me: "no!!!!" I cried in pleasure. Lubb: "come on baby, say it." Me: "daddy..." he looked into my eyes as he went faster, I've never felt closer to him. He pumped gently, breathing, the frustration written all over his face. Lubb: "don't you know how.....much I.....love you?" he whispered. Me: "tell me." I was running out of breath. He held my hair. Lubb: "myyy ghaaadd....I lovee you!" he held me still. he was still shaking. He held me tightly without getting off, just burying his face on my neck. Me: "baby?" Lubb: "damn...." he muttered. Lubb: "I'm sorry my love. But baby can suck...yuuuhh, ude undivuse elohlobo. Damn it." he got up and wiped me and himself. Lubb: "your pill?" Me: "ndiyisele on time two hours ago." Lubb: "good.." I went to the bathroom and came back to watch the game with the main. Watching basketball was never my thing but since he loved it, what the hell. Everytime they scored we cheered and high fived. 😊^_^ he picked me up to spin me around and threw me on the bed. Lubb: "girl, when I'm with you, andiyazi man. You make me feel like a champion..andiy'cingi yonke Le crap ndikuyo." Me: "andithand xa uzi stressa. Ntwezi ncinci ezi.." Lubb: "I know I'm rock bottom right now, but that's not where we ending, I wanna live my dream with you.." he kissed my cheek. Me: "hay babe, we missing the game." Lubb: "fuck the game." he switched it off. Lubb: "khaze ndiphuze." Me: "no." I hid my face. He nibbled my neck. Lubb: "no kiss?" Me: "no!" I giggled. He tickled my ribs till I couldn't breath! Lubb: "still no kiss?" he pushed my hands and pecked my lips. Lubb: "there. Got my kiss." Me: "ulala nin nje u-active kangaka nje." Lubb: "kunin ndik'humbula. Akulalwaaa." Me: "I'm tired, ndiyalala mna." he fixed the bed and made sure I was comfortable. Lubb: "goodnight angel..." Me: "please sing for me?" Lubb: "ahhh babe come on!" Me: "please?" Lubb: "fine." he cleared his throat. Lubb: "I don't always do what I should, But I do what I gotta do When you've been at the bottom, you see the hunger inside of you, Don't say what you won't do 'Cause it can all change. When the going gets tough it'll drive you insane. See I done dodged a couple shots. Served a couple blocks Hit a couple corners tryna shake a couple cops. I broke a couple rules. even graduated from school. But I was busy hustling, man, I thought that shit was cool." he sang. I could see he really enjoyed it, it calmed him. Me: "so you were really in the choir." Lubb: "my mother forced me babes, even got me a vocal coach. Can you imagine. Waye serious nyani no wonder I was a nerd. Spent 4 years of my life singing, high school too!" I laughed. Lubb: "and she never missed a concert, waye xolel usuka overseas to come watch me sing. I hated singing with a passion, but I loved seeing her

smile with tears in her eyes nje ngawe, so I do it." me: "Ncooh." Lubb: "uyow'lala kdala ke." I closed my eyes and just inhaled him like it was my last. once I started dozing off. He spanked my ass. Lubb: "now that ass getting fatter and I know its because of me!" I laughed. Me: "khayeke man, ndifun lala nyani." Lubb: "sorry ke baby." I closed my eyes to sleep again. Lubby stared at thin air trying to think how he would start with his life. He only had 3000 Rand left in his name and that made him really upset. It was only for petrol and groceries plus his toiletries, Lihle had said. His thoughts trailed off and stopped in a split second. Someone was inside the house. How the fucking fuck! Lubby looked around the room then slipped from his fiancé's arm. I woke up. Me: "uyaphi?" Lubb: "thought I heard someone." Me: "that not possible ke babes, izolala. You're paranoid. Uve footsteps? Voices?" Lubb: "no.....you're right." Me: "come." he slipped back in bed.

Lukhanyo took out his phone and made a call to Sonwabise, he wanted to hang out. The call went to voicemail then he called Mandy. She answered, crying. Luks: "heyy, what's wrong?" Mandy: "ngu Soso!" Luks: "wenzenton? Are you okay?" Mandy: "no! He just....." Luks: "listen, breath for me? Relax, andikuva. Where is he?" Mandy: "he's gone! He was soo angry." Luks: "Mandy, uhleli nabani ngoku?" Mandy: "alone! Where is he Lukhanyo!" Luks: "I'll look for him Mandy, sukhala kaloku sisi." Mandy: "he's going to kill him Lukhanyo!" Luks: "no he won't. Kwenzeke ntoni?" she burst into tears. Luks: "babe come on. I can't help if awuthethi kaloku." he got up as Thenjiwe walked in from her church conference. Luks: "mamela ndiyeza Va? Stay still." he hung up. Luks: "a friend is a bit upset, ndisaya kuye mama, cela undijongel abantwana." Thenji: "uphi uLihle?" Luks: "uye kwi friends zakhe." Thenji: "okay." Lukhanyo went to his car, seeing a red Jeep park out the yard. He hooted and drove off, the Jeep took his spot. It was Jeff. Lukhanyo went straight to Sydenham. Trying to call Soso, the phone was off. Then called Soma. Luks: "Soma?" Soma: "what do you want Lukhanyo??" Luks: "ndifun mninawa wakho." Soma: "andimazi." Luks: "he's angry wherever he is, ulwe noMandy, she's emotional and stuff can you get to him?" Soma: "no." Luks: "damn Soma! Yinton fondin?" Soma: "I know my twin better than you, leave him the fuck alone. He needs Space!" Luks: "enjeya?!" Soma: "uwoah. Lukhanyo, go dog someone tu. Yeka Sonwabise, you'll only be making him angrier. Trust me." Luks: "she says He'll kill him, andiyazi Nguban ke lowo." Soma: "ngoku ndim'nukise Lukhanyo mna? Bra, its midnight, I'm tryna sleep." he hung up. Lukhanyo parked his car and knocked on the door. Luks: "are you okay?" he yelled. She opened. Mandy: "I'm fine." Luks: "where did he go?" she shrugged. Luks: "Mandy, kwenzeke ntoni?" Mandy: "Anda sent a message, yabonwa nguSoso, he got angry and left." Lukhanyo called Anda. Luks: "Bhut?" Anda: "sho Ta Luks?" Luks: "uphi sani?"

Ukhangelwa ngu Soso." Anda: "nah, udlule kum nje akathetha." Luks: "awti yam. Watch your back." ending the call. Luks: "Uzoba grand?" Mandy: "I'm afraid He'll do something and I can't....I don't know ndizothini." Luks: "Sonwabise would never hurt you....intentionally." he sat down. Luks: "I'll wait for him. Ndithethe naye. Okay?" Mandy: "thank you." she wiped her face and sat down. Luks: "kwenzeka nton phakath kwakho no-Anda?" Mandy: "nothing, I told him once andimfuni and he must stay away from me wavuma but he still send messages afowne, I never answer, I don't understand yinton Le yenza uSoso umsindo." Luks: "because unika u-Anda iplatform kwi relationship yenu. You're supposed to put him in his place. Tell him every time he calls or text, umgqagqanisele if needs be, umqwabel ithang libe bomvu, 'jong' apha sund'qhel umsintsila Va!" she chuckled. Luks: "ndiyanazi kaloku Nina ngothand ushwabula nento ez'nga ngeni ndawo..remind a nigga why he's not in your life like he doesn't know." Mandy: "thanks for the tip." Luks: "sho. Do you want a drink?" she shook her head. Luks: "bukhe wathetha noLihle?" Mandy: "nope." Luks: "she said she's going out with you. Her friends actually, so bendicimba nawe." Mandy: "we're not close anymore. Maybe uhambe noSbosh. I don't have friends Lukhanyo, now I won't have anyone! Kuthen Hleli nje mna ndifumana amabhadi nje?" she sobbed. He hugged her. Mandy: "all my life I had to grow up alone! Caged in a prison called home because my father wouldn't let me out. I never had friends, nothing! I had to watch him beat my mother up and had nowhere to run to, right now I feel so trapped." Luks: "shhh...its not your fault Mandy. Sometimes, izinto ezinje ziyenzeka." Mandy: "you don't even have the right to say that!" Luks: "I know I had my faults Mandy. I am paying for them, I am sorry ngento endayenzayo and iyandikhubekisa nyani." Mandy: "why? Why did you do it Lukhanyo?" Luks: "I'm not your father and I can't answer for him, mna....I don't know, I guess ndifun uba in control. And I'm insecure. I don't want people in my space, Ndifuna into ibe ngeyam and ngeyam ndodwa without percentage shares. Instead of improving myself, I degraded myself, ndabetha to have full control of one's emotions. I...hurt people, to make them feel my pain." she looked at him. Luks: "its the only love I know. Nam ndikhule ngolunye uhlobo Mandy, I never really got time to heal myself, instead utanci wam mane endifaka ezintweni one by one, to hide his guilt. He knew bekusenzeka nton but he never stopped it..." Mandy: "its never too late to change Lukhanyo, to improve yourself, you're not destined to be an animal because of your past." Luks: "everyone keeps saying that, but they don't know how it feels. They don't experience the nightmares, the pain..." Mandy: "then uziva njani when you see the damage you make." Luks: "ndiyazisola. I hate myself. Then do something else to take away the guilt. Yilento ndingakwaz uveske ndiyek uba ligintsa, I'm too used to being in control." Mandy: "so

ufuna irect and people bow down to you otherwise uzobabetha? If someone were to do that to your daughter regardless of their past buzoziva njani?" Luks: "he would be dead by the hour." Mandy: "so I don't understand...how you can you be a hypocrite like that." Luks: "wena, how can you complain about not having friends when all you do is lock yourself in here all the time. In friendship There's no red pen, others treat you, the way you treat them. Qha." Mandy: "bu-" Luks: "don't make excuses, admit that unalo ugalelo in as to why you're friendless." Mandy: "only if you admit you're a hypocrite." Luks: "no." he pushed her forehead. Luks: "tsho nges'bunz eskhulu apha." Mandy: "excuse me?" Luks: "undivile. Ndithe une galaxy on your forehead." she took a cushion and smacked him with it. Luks: "haha! Ndiyadlala!" he grabbed her arms. Luks: "ndimdala Mandy. Subetha kum." Mandy: "sizintanga kaloku bhutiza suzinyusela iswekile." Luks: "why are you so feisty ?" Mandy: "yi-frustration!" Luks: "oh yeah?" he kissed her lips. Holding her face. His lips moved slowly, tongue dancing. She pulled away. Mandy: "what the hell!" Luks: "uhm..I'm sorry. I...." he stood up. Luks: "I should probably go." Mandy: "yeah, go!" he walked out the house driving to Central. Tammy's flat....

Luz: "don't you ever get tired?" Nessa: "no....do you?" he shook his head. She took his fullness out and massaged. Luz: "take pride in whatever you do...even if it means a new man every night inside of you.. I don't mind.." Nessa:

"careful tiger...tread slowly." he got up and lay her on the bed, taking out a condom. Luz: "maybe.....I might take you with me after all...." he groaned. Nessa: "you're a 6 figures nigga, you can afford it." Luz: "6 figures? Haha. Damn. Until you admit to me, who do you love...." she climbed on him. Nessa: "you can take it.." Luz: "me and who else." Nessa: "worry about yourself boy." he put on his condom and entered slowly. Luz: "open." she moaned. Luz: "come on baby, vula..." she opened her legs wide. He humped her haarrd. Nessa: "Luzuukkoo!!" closing her legs around his waist. Luz: "awufun?" he bit his lips. Nessa: "uzandibulala wena." Luz: "ndizoy'faka kancinci ke." he whispered in her ear. Her leg up on his shoulder. Luz: "Yuuh, awuse mandi baby! Yinton Dan?" He was grinding more gently and slowly, 10 minutes later, opening her up, hands on either side of her. Luz: "I'm gonn bust baby khand'khaw'lele? Come for me. I'm almost....." riding her faster, until feeling his load shooting out of him. Meanwhile S'bu and Jermaine walked in the front door. S'bu: "we won't be long, ndizochek sister wam qha, andithand umshiya yedwa apha." he opened the bedroom door and gasped in shock. S'bu: "WHAT THE FUCK msunu!!!!!!" luzuko froze just after his release and breathed. Luz: "I can explain." he trembled. S'bu grabbed a hockey stick and hit him. J: "woahh!!! S'bu!" S'bu: "leave me the hell alone! Ndizay'khab inye lenja!" luzuko grabbed his bag and clothes. Luz: "khaw'me bra!" S'bu: "mngqund wakho kwedin!!" he slipped from Jermaine's grip and beat him again. J: "S'bu! Stop it!!" Nessa: "bhuti please!" S'bu: "uvale umlomo wena! Ndizongena kuwe! How dare you disrespect ndlu ka mama ol'hlobo!" luzuko dressed as fast as he could and ran out. S'bu took off his belt. J: "S'bu bra calm down!" S'bu: "she's only 17 Jermaine!! Fuck calming down!! Vanessa the fuck is going through your damn brain! Ngamanyala aphi la. Uwabonaphi!!" he smacked her with a belt. J: "Sibusiso!!" S'bu: "Jermaine!!" he breathed. S'bu: "nxiba wena ndik'sa ku Tata!!" Nessa: "bhuti no!" she cried. S'bu: "Get. Dressed!!" he walked out. They drove her to Motherwell to their dad's house. Nessa: "ndicel uxolo bhuti." she sobbed. S'bu didn't reply, as much as he hated what he saw, he felt bad for smacking her with the belt. He couldn't get the image of his little siter and his 'friend' in bed. It was disgusting. And horrified him to the extreme. Luzuko had drove around and parked nowhere, sitting in the car. He

called S'fiso, his big Bro. His strength. S'fiso: "hey.." he mumbled. Luz: "hey. Ulele?" S'fiso: "ncinci its 2am. What's up." Luz: "S'bu is going to kill me. Plus I think kukho umntu ondilandelayo." Just, I want you to tell mama, that I love her and I miss her." S'fiso: "I'll fetch you from the airport, she'll be glad to see you." someone knocked on his window. S'fiso: "what's that." luzuko looked at the window and saw a man holding a gun at him.. Luz: "shit.."

Lukhanyo walked in. Lubby breathed and opened his eyes. Luks: "what happened?" Losta: "is he awake?" Me: "yes!" Lubb: "amanzi." he muttered. I ran to the kitchen for water. Ndabuya ndamnika. Sithethile sa-grand mos ufika kwakho, then after a few weeks wakhula iimphiko and turned against me for what reason? Ndikwenze nton?" Zakes: "you are selfish! Kukho abantu apha yet usadywebesha kuba funek k'hleli nje kumanyelwe wena!" Lubb: "ungandi gxothi nje? Is that the problem Tata? The fact that you can't control me?" Zakes: "ndiyoku khaba unye Lubabalo!" Lubb: "Tata ndikwenze ntoni?" Zakes: "khasuke phamkwa mehlo am Lubabalo!" Lubby walked out the room. He had a lot of things to do anyway.

Soso walked in the house and took a shower. Mandy: "Sonwabise." Soso: "hm?" he got dressed in jeans and a plain white t shirt. Mandy: "can we talk?" Soso: "ndimamele." Mandy: "I was worried." Soso: "I needed time to myself Mandy, andithand ubano msindo. And when I am, I would rather cool off else where and not around abantu.." Mandy: "I'm sorry." Soso: "do you love me or the idea of being with me?" Mandy: "Haibo Sonwabise!" Soso: "no, I did a lot of thinking last night, and I feel like you just doing this to have something in your life, Mandy awundithandi." Mandy: "I do love you Soso, I try my best-" Soso: "its not enough! You're not trying enough for me. I'm

giving my all to you but only receiving half back!!" Mandy: "what's that supposed to mean!" Soso: "why do you have to hide things from me? If siyadyola there shouldn't be any distractions, any sides, any nothing in between us but kusekho Anda in your life! Your ex whom you can't say no to!" Mandy: "Soso, that is not true. Kudala ndim'chazela uAnda the same thing-" Soso: "but he still doesn't stop? Kufuneke unxibe i-badge Mandy or a stop sign now?" Mandy: "I don't do this much complaining when you spend time with your ex and daughter!" Soso: "because I draw boundaries. Ndilanda umntana and bring her back, There's no 'babe' texts from her because she respects our relationship and you!" Mandy: "you make this seem like ndim ofuna lento yenzeke!" Soso: "maybe we need time out." Mandy: "what!!" Soso: "I don't know anymore Mandy. I'm just." he flopped on the couch. Soso: "I'm scared. To lose you." she sat down. Soso: "the last person I was close to like this, left me....I hated people after that.....for so long, ndahlala ndodwa and focused on my work only. Its not a nice feeling Mandy, so if you're not feeling me anymore its fine. I know I started with you ungeka move on kakhle but I thought by now we'd be fine." Mandy: "I don't want to lose you either. Sonwabise ndiyak'thanda." Soso: "then please don't hold back from me, I want all of you. I am ready to take it to the next step but I can't do it with secrets and lies." Mandy: "what do you mean?" Soso: "you've met my family, I want to meet yours. To know more about you, khazivule kum ukhululeke please." Mandy: "no." Soso: "please?" Mandy: "I said no!" Soso: "how are we going to improve together if Usene mfihlo!" Mandy: "Sonwabise, please!" Soso: "you see? I can't do this." Mandy: "baby..." Soso: "don't, baby me! Yinton Le ingaka Mandy? We're adults, I want a future with you, a family, kuthen unga understand?" Mandy: "I do..." she sobbed. Soso: "sulila please?" Mandy: "I can't explain the way I feel.....I want to give you what you want and if it means...meeting abantu base Khaya, then yes." he wiped her tears. She sat uncomfortably and shivered a bit thinking about last night's sudden kiss. Soso: "I'll be a good boy, I promise." she nodded and went to the bathroom. Soso: "uhm, you okay?" Mandy: "I'm fine." she undressed and got into the shower.....

2 weeks later.

I was with my father with the twins. I woke up early in the morning, he was making breakfast with the kids sitting on the table holding slices of cheese. Kuyi mess nje. I brushed my teeth and bathed. Ndakhupha mpahla yam for the day. Shorts and a vest with All stars. My weave was off, short afro dyed caramel. Had on my round earrings, small'nyana make up with shades. I was going to school to register. After fixing my bag and room I went to the lounge. Sizwe: "good morning angel. Hey ez'nwele zika nomalanga." Me: "khayeke wethu Tata." Sizwe: "you look cute pumpkin." Me: "thank you Tata." Sizwe: "remember that I love you." Me: "love you too dad." I hugged him.

Nosizwe rushed in with Sine behind her. Nosizwe: "I hope asikho late. Here's your lunch my angel." she kissed my cheek. Me: "thank you ma." Sizwe: "Haibo dear, lunch?" Nosizwe: "ndicingel eza queue zinde wethu Sizwe. Abanolamba abantwana bam." we sat together for breakfast. Luhle was on my lap eating my food. Lutha with his grandpa. Nosizwe: "so...umkile?" Sizwe: "ubani love?" Nosizwe: "him." Sizwe: "uhm. No. Uhlala eDwesi." Nosizwe: "oh." I was sure 'him' was Zakhele. Sine: "you ready?" Me: "are you?" he looked at our parents. sine: "let's go." we got up and got ready. Me: "siphumile." Sizwe: "good luck angel!" Me: "oh I can always count on you Tata." Nosizwe: "nonwabe ke bantwana bam!" Sine: "thanks mama. Masambe Lihle before they start crying." I giggled satsho siphuma together running to the bus stop like kids. He had my bag, tossing it to me. Sine: "so..how's things." Me: "ayo bhola ibag yam Sine! Mpa." he pushed me. And I pushed back. Sine: "how's Luzuko? Out of hospital?" Me: "uzophuma today, his mom is taking him to Bloem." Sine: "inoba uyavutha UTat Zakhele." Me: "awuna idea. Oko edumbe ubuso last night." we laughed. Sine: "I hope awuz'libelanga documents zakho." Me: "nah you?" Sine: "mama packed them izolo. Yooh, the way she's obsessed." Me: "she's kinda cool." we sat down and chatted at the bus stop, mind you it was still 7 ekseni. We got a taxi to Summerstrand before going to the university saqala kwa McD's for McFlurry's. Saphinda sakhe saphola. Having a twin was awesome though. We spoke about everything and anything. Sade sayongena sithe chuu, then separated. I waited in those queues, while texting Lubby. I still had to go to the bank to transfer his money in his new account. Then ndiyokhangela creche for the twins. his next message was a picture of him in bed with Lubambo: "Bambo says morning." with a cute little pout. I replied: "you guys look absolutely adorable." someone bumped into me. Me: "I'm sorry." she looked at me and smiled. Oh well. Ndaqhubekeka ngezam. "ndicela undibonise bathroom?" she said later. I could tell she was ready to go right that second. Me: "azise kude from here." She: "anywhere!" she panicked. I held her arm and we ran through the passage. Down the stairs, through another hallway full of students, up a flight of stairs again and into a bathroom, wangena straight. Phew! Me: "you gonn be okay?" no answer. 😞:/ okay. So I waited. She finally came out and washed her friends that's when I took a good look at her, she looked drained and very slim, her eyes had dark circles around them echebe ingqayi. She looked gorgeous nonetheless. She caught me staring. She: "my name is Lindiwe." Me: "Lihle. Umhle." Lindi: "enkosi." Me: "are you okay?" Lindi: "yes." saphuma kunye toilet sincokola. I found the twin of mine again. And introduced them. He seemed taken by her. Sine: "I...uhm...its nice to meet you." Lindi: "same goes for you." Me: "guys I'll be back just now ne?" Lindi: "I don't know this place." Sine: "I'll...take care of you." Me: "he's my

brother, akalumi." she giggled. I went to the bank, as Lubby called. Lubb: "can we meet up?" Me: "aahh baby!" Lubb: "this is important Lihle." Me: "what happened?" Lubb: "ndise ndlelen ezapho ngoku! Undilinde kwa engen tu" Me: "ookay." I hung up ndaya k'le bank, kusavaliwe andabi naar. So I went to the garage instead, to buy snacks. While waiting in the queue. I looked at the magazine rack. First title that caught my eye: "Tycoon's son's latest girlfriend." I saw a picture of my fiance. I grabbed the book and paged through it quickly. And there it was..... Him. Kissing another girl at the beach. Not just any girl. 'his old friend'..

Chapter 689

My heart was shattered. No lie. It wasn't just one photograph. It was a 2 paged spread of the article and pictures. Another of her, holding his arm into the Radisson blu hotel. Zazehlela inyembezi. I bought the mag ndayoma phandle. Sat on the pavement and just stared blankly ahead. Okwe nja engena bazali. Lubabalo couldn't have cheated on me. Right? But the pictures, evidence was there. But he wants to marry me? Or he changed his mind. What was going on? My phone rang inguye. I didn't answer. Why? I don't know. I simply stood up and walked back to campus with my tail in between my legs. The day dragged on forever, I was no more in a mood but with a new friend I had to fake a smile and laugh. In the afternoon we walked together while Sine went to his friends. Lindi: "so uzobuya ngomso?" Me: "yeah, to finish off. I'm tired." Lindi: "me too yazi." I loved the sound of her voice, it was as sweet and soft as honey. Ningacimba ndiyaxoka bonanje. I swear this child has something special about her, something to draw you in first time without hesitating. Lindi: "are you okay?" I nodded. Holding back tears, why did I trust her? Lindi: "well, ndingak'thengela ice cream? So that we can indulge and forget about our problems for an hour?" I only wanted to fall in a hole and die. Me: "okay." we went to the boardwalk, bought ice and walked around. Sayohlala ngase lwandle. Lindi: "this is weird." she giggled. Me: "what is?" while we sat on the grass. Lindi: "we only met like hours ago, now we having ice cream." Me: "I don't have much friends. Only 2 qha, and abafundi bona. Oh then There's Damian Scott Wilson, control freak yomntu." she laughed. Lindi: "well, andinazo mna friends. I moved here last year." Me: "kuthen ungenzi friends?" Lindi: "I tried but..." she shrugged. Lindi: "I attract the wrong kind." Me: "oh." my phone had been ringing non stop and I had no mood to answer. Lindi: "boyfriend?" I shook my head. Me: "supposed fiance." I said with a shaky voice. Lindi: "ndiyatsho man bendibone ring on your finger, why don't you pick up?" I gave her the book. Lindi: "this is him??" I nodded. Lindi: "yuh, sorry girl. You shouldn't be

seeing this. Suzenza lento." she threw the mag behind us. Lindi: "talk to him and hear him out. Journalists zine Ndlela yokwenz iztory, these may be old pictures too. First listen before jumping to a conclusion." Me: "and what if yinyani Lindiwe? He's been spending a lot of time with her, without me. Ndazelaphi if its not real?" Lindi: "uyam'thanda umntu wakho?" Me: "kakhulu." Lindi: "then don't doubt him until he says akakufuni. Don't run from him, thetha umxelele uyibonile." we got up and walked together to the water. Funny enough sinxibe all star sobabini. We took off our Chucks and socks then walked in the water endibalisela ngobomi bakhe. And I thought I had a difficult year.. Lindi: "originally ndingowase Port Alfred mna, my parents passed away ndina 9, I was with my older brother that time, eyi shield yam. Protecting me from everything, he was 16. Social worker, zafika zasisa ku tanci wethu. So sahlala naye, he used to drink a lot... My brother started playing soccer. Abuye late, I was left endlin notanci. Ebene business yothengisa utywala by the way so tshomi zakhe zazithand ubapha. Even though he...didn't care much, he did care. Wayengafun ndibonwe ba ndikhona. Andivalele eroomin with a blanket and a plate enokutya. I never understood why, qho xandimbuza Athi its because akafuni ndonzakale. I always thought Uyandi punisher. So one day, someone wandibhaqa eroomin, I was 11 by then. He told me ndingangxoli and that he wouldn't hurt me. I remember it like it was izolo, he forced me to do things to him. And it went on for a few months, ndingaxeli." I was in tears, imagining a child that young experiencing such pain. Lindi: "he told me to stop after a while, that's when he decided to rape me. I don't know how long it carried on for at times ndandizimela kwi fridge, or kwi hoko yenkuku but he would look for me and find me. Kwafika ixesha where utanci wambhaqa esandibamba. He didn't hesitate to kill him. On the spot. He stabbed him to death. Wandisa eclinic with my brother." ndakhe ndama ndaphefumla. I didn't want to hear anymore because I was too hurt. Lindi: "I'm sorry if I'm overwhelming you...." I shook my head. Lindi: "I haven't had someone to talk to in years." this was too much for one day. Me: "its okay. Don't mind me. I'm a very emotional somebody." I chuckled trying to act tough. Lindi: "I'm sorry." Me: "where's your brother?" Lindi: "well, tanci wabanjwa and we were homeless again. My brother got new friends. Ethengisa intsango ne pilis to make sure I was fed.. It was unfair because he never had the chance to enjoy his teens. One night siyothenga into kutya endincokolela, a car stopped. And he was shot dead. Right before my eyes." Andatyhafa. Lindi: "I had no money, no family, no life. And definitely no strength to pick up a dead body, kungekho namnye ofuna undinceda." I sat on the sand and sobbed. Me: "Lindiwe." Lindi: "don't cry. I'm okay." Me: "I just can't...help it. How did you survive?" Lindi: "because I believe in God." ndaveske ndalila worse bethuna. Me: "HOW?" she sat next

to me and stared ahead at the ocean. Lindi: "yabona pha. Look up. Stop being a cry baby." I looked up at the beautiful sea. Lindi: "I remember vaguely ndisiya elwandle with my parents, I always thought amanzi aphelele where my eyes see, and they fell downward like a fountain and that was the end of it. I always thought if I were to travel there, I would fall over the edge ndife. But as ba ndikhula, I learnt that that's not the case, lamanzi never end. Instead they are a deep overflowing rocky bridge that took you to the other side. Same as life, ubomi bam abuphelelanga pha. Just like the water, I would carry on. And I did. Up until I get to the other side. Sula ezonyembezi Lihle, ayikho tu elilisayo." I was inspired. By her strength. Words. Everything. Lindi: "come. Ndikukhapse." Me: "uhlalaphi?" Lindi: "Humewood." Me: "okay." we stood at the bus stop sakhwela taxi. She got off her stop ndayohlika town. And took another to Kwazakhele. All in my mind was my new friend. We had exchanged numbers earlier so I'd text her as soon as I got home. Ndihlake kwi bus stop yam and Sine was there waiting for me. Sine: "and you got me worried!" Me: "I'm old enough Sine. And please don't remind me that I was kidnapped." Sine: "you okay?" he hugged me. Me: "I'm fine. I just need rest." we walked home chasing the sun set. My head was painning for real. I saw the car parked in the front, ndama estratwen. Sine: "iza." Me: "I've heard enough today, I've cried enough. I am not ready for this." sine: "just two minutes, come." he pulled my arm sangena endlin. Lubb: "Lihle!" Sine: "I'll be at practice." my father came to the room. Sizwe: "mntanam?" Me: "I just wanna bath and sleep Tata. I am tired." Sizwe: "okay. Ndizokwenzel amanzi." Lubb: "Ta Seez, please let me talk to her." Sizwe: "Lihle?" I nodded. Lubby came into the room. Lubb: "Lihle, whatever they say is Not true." Me: "and the pictures?" Lubb: "she hugged me esithi enkosi, then kissed me ndingamcingelanga, catching me off guard, ndamsusa kum, I didn't know we were being filmed." Me: "and you constantly went to her hotel room." Lubb: "I...I.....only went to check on her qha. As a friend. Remember, I told you the sob story about a deal going wrong she done told me." Me: "where is my son?" Lubb: "ushiyeke noSylvia, Lihle please believe me." it was hard to even look at him. Lubb: "babe? I swear I don't know anything about this lomntana caught me off guard. I told you last week nguye icherri Yale awti ileqana nathi. She wants to tear us apart and I'm not letting that happen." Me: "I don't know anymore Lubabalo honestly..." Lubb: "what does this mean for us Lihle? We're going to let her win? You don't trust me?" Me: "I don't want to make decisions ndinje. I'm tired and emotional. But ndiyakthanda." why did I just say that! Lubb: "I love you too mntu wam. We'll work through this. I'll do whatever it takes." he sat on the bed and held my hand. Lubb: "so ubaby be-fisha namhlanje. Wanconywa Nguban mfazi." I didn't wanna smile because I was not okay with his pictures splashed over a mag like that. Me: "did you sleep

with her?" Lubb: "No." Sizwe peeped in. Sizwe: "mntanam, your bath is ready." Me: "enkosi Tata." he popped back out. Me: "goodbye Lubby." Lubb: "can we hang out later?" Me: "no. Sort this out Lubabalo, set the record straight, There's no need for your relationship status to be public." Lubb: "but Lihle they planned this, ayinayo ne taste lekaka babhala ngayo apha. They're just doing it to sabotage me." Me: "Lubabalo I'm confused ngoku, so ndicela ispace to think properly." Lubb: "but awundilahli right?" that was the million dollar question. Andimlahli na? For an attention seeking bitch? No. Me: "I'll call you when I make a decision." Lubb: "okay." he reached over and kissed my cheek.....

Next morning, Lubby walked in Lukhanyo's house. In KwaFord. Luks was dressed in a black suit and white shirt with a red Tie. While eating his breakfast he paged through his iPad. Lubb: "hey." Luks: "hello." Lubb: "usharp?" Luks: "I'm good." Tammy walked out the room. Tammy: "baby, how do I look?" Luks: "stunning. Come here." he smudged her cheek. Luks: "Give me a minute??" Tammy: "I'll curl my hair then." she strutted back into the bedroom. Luks: "nice pictures in the mag. Zange ndiyazi ba you're photogenic." Lubb: "it means nothing." Luks: "nothing Lubby? Really? Once you've stolen my wife, and broke her heart, you say its nothing? Wow." Lubb: "Lukhanyo, I'm not here for that." Luks: "okay." he gulped his juice. Lubb: "I need a favor. Please." Luks: "what's up?" Lubb: "can you lend me like 50 grand?" Luks: "50 thousand Lubabalo? For nton?" Lubb: "I need to pay bills." Luks: "50 000 for bills? You have got to be playing." Lubb: "its for house maintenance, the kids, and petrol, ndibatale noSylvia and the guy who does my garden, plus my accountant and lawyer." Luks: "Lubby the house belongs to you." Lubb: "lights, water...the heated pool, sauna, jacuzzi, game room, all the things inside it are costly." Luks: "why don't you rent the house out? Then pay its maintenance." Lubb: "I can't." Luks: "Bro, I don't have that kind of money lying around. I really don't shame, having to provide for my dad and my kids. Then myself. Ungaceli kutatakho?" Lubb: "he already said no." Lubb: "andiyazi ke mjita. I really don't know. what I do know is that, I'm running late for my meeting though and sizothetha later?" Lubb: "sure. Thanks." he walked out. Lukhanyo went to the bedroom standing behind Tammy. Luks: "baby, wenzani?" Tammy: "what's that?" Luks: "what are you doing?" Tammy: "making my hair fancy." she kissed his lips. Luks: "be quick then, I'm gonn be late." Tammy: "okay. Keep calm. Relax." she wore her shoes and earrings. Lukhanyo waited in the car with his phone. She got in and they drove to Newton Park for breakfast. Tammy: "so what's your plan for the day?" Luks: "nothing much, probably walk around town like a business man." she laughed. Tammy: "no!" Luks: "I'm kidding! There's a fund raiser meeting for the sister orphanage I donated to in December." Tammy: "you donate money to orphans?"

Luks: "ya." Tammy: "that's sweet, but why?" Luks: "well, when I was growing up, I felt like I didn't have parents. When I started rolling paper, I decided to help others, paying school fees, buying clothes, food and Christmas presents so that they don't feel left out. What do you do?" Tammy: "nothing. I just chill." Luks: "aaand how do you survive." Tammy: "daddy." she smiled. Luks: "oh cute." he ordered a hot beverage only and she ordered food. Tammy: "what more can you tell me about you?" Luks: "I already had breakfast." she laughed again. Tammy: "you are so cute." Luks: "ahh....don't give me that word." Tammy: "adorable?" Luks: "no." Tammy: "cuddly?" Luks: "since when are thugs cuddly?" Tammy: "Well....judging from last night.....hmm....." Luks: "what about it?" Tammy: "nothing cuddly about it at all. grrrr." he laughed. Luks: "you are nasty." the drinks came. Luks: "I'm going to leave you here to have your meal. I need to attend this do babe." Tammy: "am I seeing you tonight?" Luks: "I'll call you. Try not to drink too much." Tammy: "We'll see about that." he took out money and left it on a clean plate. Luks: "take care." Tammy: "bye tiger." he got in his car, drinking coffee and drove to his first meeting of the year. It was a meeting for all the sponsors of the foundation to brainstorm what type of function to hold to bring in money.. He recalled a conversation he had with his brothers months back. Actually a debate on what brings more money, Lubby had said an auction, luzuko said a car race and he had said a concert. Luks: "We'll see which idea wins today." he arrived 5 minutes later and went in. The meeting started. Bathandwa Mali, the director was speaking of a whole new concept. His colleague took on a debate. Batha: "the only aim here, Kyla, is to make money! Not look fancy." Kyla: "we could do both, Bathandwa." batha: "fashion shows are extremely costly and over rated, it would never work. Lukhanyo? What do you think?" Luks: "yeah, fashion shows are over rated but then again are they? There's always a new twist in. Fashion always has some trail left behind by a specific show." Batha: "but its expensive, we're tryna Make money and not spend." Kyla: "honestly? And you think a giant kiddies party will do the trick? What happens to the unfortunate kids that can't participate." Luks: "hm....good point, the whole idea is about making the kids feel really special and not left out. So before fashion shows, and parties, why not host an auction where we sell vintage things, those once in a lifetime possessions. Sponsors and other donors can donate their items." Kyla: "what happens when we don't get anything." Batha: "we have to think of the bright side, at least its a mutual idea, women love to buy things, men love to own unique things. And once we make enough, We'll be able to fulfill the initial aim." Kyla: "I'm not holding my breath." Luks: "Its nice to see your enthusiasm Kyla. Thank you." Kyla: "what's next on the agenda." Batha: "date of auction. Suggestions?" Gerry: "something within a long period

though, let's say 3 months perhaps?" Luks: "too soon, 4 or 5 is ideal, we have more time to collect things, and more time to plan strategically." Batha: "okay." the meeting carried on for over an hour discussing the problems facing the two homes and what else is bothering those that live there.

After the meeting Lukhanyo went to check on Luzuko to say goodbye. He was at Paxton hotel with S'fiso getting ready for their flight in 3 hours. Zakhele was already there, still talking him out of it. Zakes: "kodwa nyana ungahlali nam nje? I will make sure akho nanto inye ik'phazamisayo." Luz: "no thanks Tata I've made my decision. I'm leaving." he mumbled. Zakes: "kuse early mntanam, you can hardly talk properly, Hlala qha-" S'fiso: "Tata uthe akafuni-" Zakes: "khaval umlom ndingekak'shovi nqindi elideki kwedin." S'fiso sighed and walked to the bathroom. Zakes: "Luzuko, Ncinci wam, sisazam ukwazana njani uz'xelel ba zophakam umke nje kanje?" Luz: "Tata, andifun balapha mna." he whispered. Zakes: "nyana ndiyayazi ukuba use traum's but nants ntwezokwenzeka, I let you leave. Mna ndizokhangela lamngqundu ukwenze wanje, ndimuqhekeze ndimuquqadekise ndim'chube okwe tyiwa yase lwandle. Then ubuye kengoku, because akekho ozak'hlupha. Never again." Luz: "hay Tata." he coughed. Lubby walked in. Lubb: "molweni." they greeted back. Lubb: "you already leaving bra?" Luz: "ewe." Lubb: "safe flight my man, ube grand ne?" Luz: "thanks." he hugged him lightly. Luz: "good luck with your things getting in order....I wish..I....could stay and.....help but.." Zakes: "he's a grown man. Akho need yoba atefiswe ulubabalo." Luz: "if you need anythi-" Zakes: "i-" Luz: "Tata ndithetha noLubabalo ngoku. Whatever beef you two have, uzoyi sorta uyityumbethe ngelakho ixesha but now is not the time. Please!" he breathed. Lubb: "I'll call you awti yam. Thanks." Luz: "sho. Luks, good luck with your....function. I know, izoba yi-success...." Luks: "aww thanks little Bro. I'll come visit when I can." Luz: "ok, bhuti?" S'fiso: "on my way." he washed his hands and came out to fetch the bags. Lubby and Lukhanyo helped him. Luzuko checked out the hotel and they said goodbyes again at the parking lot. Luz: "Lubby, ndicela undicel el uxolo ku S'bu whenever you see him. I didn't mean to disrespect him." Lubb: "I will do so." Luks: "xolo nganton?" Luz: "minor misunderstanding." Luks: "oh." Luz: "come closer." he hugged them both at once. Luz: "I hope you continue to support each other through thick and thin, I hate to see you fight and so do others. Into xa ungayithandi yithethe ngomlomo and don't seek revenge. Sit down with each other and talk with understanding and care of another's feelings. I can't always be around for ukuninqanda. Look at what happened to Tata and his brother, don't end up like that, I'm gonn miss you guys for real but I'm not gonn bitch about it." Lubb: "ndizok'khumbula nam Lusko. Thanks bra." Luz: "Lubabalo are you crying?" Luks: "like a faggot." Lubb: "shut up. I'm not crying I'm

just sweating through my eyes." Luks: "fag." Lubb: "I'm afraid I have the best comeback for you but it might ruin the moment so I'll keep it to myself." Luz: "good. Sukani ke kum." they pulled away from him. Luks: "nihamben kakhle." S'fiso: "siyabulela." luzuko said goodbye to his father who Still didn't want to let him go. Luz: "dad, Uyandi-suffocater!" Zakes: "hayi kwedin, maybe ubanes'fuba awzokwaz ukhwel plane unje." Luz: "nice try Tata. Goodbye." Zakes: "bye." luzuko got in the car, S'fiso drove off. Lubb: "I guess its just us now." Luks: "erh, yeah." he walked to his car. Luks: "later." he got in and drove off. Zakes got into his and drove away. Lubby took a walk to Zintle's place instead of using his car, because he had to save petrol. It was quite a distance but he got there nonetheless. She was about to feed the girls when he knocked. She opened. Lubb: "molweni." Babalo: "dadaa!" Lubb: "hey!" he scooped her up and kissed her face. Buhle: "papipaaapaa!" Lubb: "girl, whaaaaaaat?" he sat next to her and kissed her cheek. They climbed on him, clinging to his shoulders and neck. Lubb: "unjani?" Zintle: "well. You?" Lubb: "I'm okay." for once he was embarrassed that she'd say 'I told you so' he was embarrassed, he couldn't say what he wanted because he bragged in her face previously. Lubb: "Uph Lungelo?" Zintle: "work. Your case has him missing dinner more often.." Lubb: "sorry. And Khaya? How is he?" Zintle: "he's having his next sessions tomorrow." Lubb: "funeke ndiyombona. Its been a while." Zintle: "hm." she gave him the bowls and walked out the flat. Lubby sat the girls down on the mat. Lubb: "okay. So, sizohlala still and eat ne?" they stared at him, smiling from ear to ear, their eyes popped out waiting to crawl over to him again. Lubb: "its not a race babe. Don't give me that look." Buhle screamed and ran to him, waziphosa right on his chest, giggling. Babalo followed. Lubb: "hayin aba." Babalo: "abha." Lubb: "your food. Say aaahhhhh." Babalo: "ah." he put a spoon in her mouth, then another in Buhle. Lubb: "there. And again." Babalo slipped away and crawled off behind the curtain. Buhle pulled Lubby's shirt up and hid her head underneath it. Lubb: "uhm....I'm not sure what just happened. Imbi na lento niyityayo?" he tasted the food. Lubb: "uuurggh!!!! Yuuuh ndingabaleka nokwam! Daayym! Tastes like winter grass.. Xa ixhobukile. Sies puuh man." Buhle: "puhh!" Lubb: "ewe man baby. Masikhangel enye." they got up and looked in the cupboard. He cooked pumpkin sprinkled with sugar and melted butter. Mash potatoes with creamed milk and a pinch of salt. Lubb: "iza ke. Smells hmmm don't it? Come curtain lady." Buhle opened her mouth. He fed her. She sat on top of him and chewed slowly then swallowed. Opening her mouth again. Lubb: "ahaa! Daddy got it right didn't he? Babel!" Babalo: "dadaa!" Lubb: "bring your chubby little bum here. Izotyia." Babalo: "abhibhi!!" Lubb: "ina!" she stood up and walked to him. They ate their food and watched cartoons. The twins didn't take no break at all. Always energetic. While he watched them play, his

phone beeped a message from the bank. R500 000 was deposited in his account. He stared at the message in shock. Who would do such a thing? Lubb: "enkosi Bawo. Thank You Lord." Buhle peeped at the screen clicking at it. Lubb: "wenzani uBaby Lubby?" Buhle: "abiluwi?" Lubb: "nguwe Baby Lubby, nankuya omnye. Tshonge z'dlele apha." Buhle: "Adle." Lubb: "right here." he kissed her cheek then her other cheek. Lubb: "adlele ka Bubu." Babalo: "Bubu!" Lubb: "iza Baby Lubby, masambeni bantwana bam siyothandaza. Come, come, come." Babalo: "aaaha." Lubb: "ewe Babalo, come on." he held each twin under his arm to the bedroom. He kneeled on the floor putting them on the bed. Lubb: "Dear Lord." Babalo: "dee lor." Lubby chuckled, shaking his head and continued praying..

Chapter 690

That day my dad came to fetch me from school. The kids were left with Zakhele. As I waited by the gate with Lindiwe chatting. Lindi: "you don't talk much." Me: "I do but I don't. Andiyazi." I giggled. Lindi: "uright phof. Ungaveske uthethe kwanto okwe dada, unlike me, i blab for days. I don't care." Me: "haha, why do you blab? Its cute blab though." Lindi: "well, its excitement I guess. I'm surprised ungathi uncool." Me: "nooo. Owam uthand uzenza mncinci sana. Coolest guy his age." she laughed. Lindi: "so...uhm..about your other half." Me: "other half?" Lindi: "your brother." Me: "oh yes, Sinethemba." Lindi: "how is he?" Me: "he's okay. Why?" Lindi: "he seems nice." Me: "he's very nice wethu. Chilled guy." she smiled shyly. Me: "what?" Lindi: "he's cute." I laughed my lungs out. Ndakhohlela kwathi ham es'fubeni. Me: "You have a crush on him?" Lindi: "no." her face flushed bright pink. Me: "no, you do!" Lindi: "heee hayi wethu." she tried a serious face, and failed dismally. Me: "Ncooh, shame man." Lindi: "I just think he's a nice guy. Qha. Don't put words in my mouth and please ungam'xeleli." Me: "my lips are sealed." Lindi: "enkosi." Me: "There comes dad..iza" Lindi: "weird huh?" the car stopped phamkwethu, I opened the back seat for her and got in the passenger. Me: "molo Tata." kissing his cheek. He stared at Lindiwe from the rear view mirror with a focused expression. Sizwe: "hello my angel. Who's this?" Me: "this is my friend, Lindiwe, cela sim'beke aphe Humewood." Sizwe: "Molo Lindiwe." Lindi: "molo Tata." Sizwe: "Lihle, uphi umninawa wakho?" Me: "uthe uzohamba later, he's with friends." Sizwe drove off. Sizwe: "ungowaphi Lindiwe?" Lindi: "Port Alfred Tata." Sizwe: "oh...ufike nin apha?" Lindi: "ndifike last year Tata." Sizwe: "and your parents?" Lindi:

"they're both deceased Tata." Sizwe: "I'm sorry to hear that. May their souls rest in peace." Lindi: "enkosi." Sizwe: "ungumamni?" Yoh! What's with The 21 questions! Lindi: "ndingu Mamcirha Ta." Sizwe: "ooNcibane, Nojaholo." he smiled. Hehake. Lindi: "ewe Tata." Me: "dad please." Sizwe: "sorry ke ndithule." we dropped Lindi off at her place and drove away. Sizwe: "Lihle ubachola ke ababantu mntanam. Khakhe undichazele?" Me: "siyaphi?" Sizwe: "we're going out. Father and daughter time." Me: "okay, but where?" Sizwe: "probably bowling or fishing, sobona phambili. Ndiphendule." Me: "Tata sidibene skolweni. Why were you asking questions like you're interrogating umntana Bantu?" Sizwe: "I'm suppose to know more about your friends Lihle, and this one...ha.a mntanam. There's something very deep about her." Me: "she's had a tough life Tata." Sizwe: "I know. But...There's something else baby girl. I can't put my finger on it and wena I don't want you caught or involved in whatever it is." Me: "now I must dump my friend Tata?" 😞(Sizwe: "anditsho Lihle, I'm just saying, something is off about her. Ak'suba andim'thembi, I just, andiyazi wethu. I just know kukho into qha. Ezokukhubekisa ngaye. Badly. There's a bad energy about her." ndiyamazi ke Tata he never bullshits. He knows exactly what he's saying. Sizwe: "now don't go asking her. Uthi ndim othe andifun beyi tshom yakhe." Me: "Tata ndithin? Stay as i-friend or stay away." Sizwe: "both." Me: "andikuva ke mna." I folded my arms. Sizwe: "be her friend Lihle." Me: "but you said, uzandikhubekisa nje Tata.." Sizwe: "or maybe I'm just getting old mntanam." he stopped at the beach. We got out the car and sat on the rocks. Sizwe: "umqibele nini uLubabalo." Me: "izolo." Sizwe: "and..." Me: "uyibonile Tata la article." Sizwe: "andibufundi ubuthuvi mna." Me: "well, I don't know how to react Tata. Ndiyamthemba but at the same time, andifun khubeka." Sizwe: "nam andifun ukhubeke. Zinike ixesha uhlale." Me: "ndinike lento imdakana iplatform yesgezo? Andikwazi Tata." Sizwe: "then take things slow. Sungxama uzam u-convince abantu ba uright. It can only put pressure on yourself." I threw a pebble into the water and watched it splash, and sink deeply into the ocean along with my heart. Sizwe: "uhm.... Kukho nje into endifuna sithethe ngayo." Me: "okay." Sizwe: "Uyayazi ke mntanam ndiyak'thanda, uyi first born yam, you'll always be my number 1." Me: "ewe Tata." Sizwe: "erhm...." he scratched his beard. Me: "you want me to move out?" Sizwe: "no. Most definitely not. Ndonwaba ukufa xa uphe ndlinam more than anywhere else." Me: "then what's wrong Tata?" Sizwe: "well, u-Sine nomama wakhe bayi part yobomi bam ngoku. And you." Me: "yes they are." Sizwe: "Lihle, how do you feel ngalento. Be honest." I didn't expect that he'd ask for my feelings about it, its his life. Yoh. Me: "if it makes you happy Tata." Sizwe: "wena? Does it make you happy?" Me: "ewe it does. Ndiyamthanda umam'Nosizwe. She's supportive, sweet, caring. Ungu mama nje.

Akakhethi. Sine naye he's a cool brother. I'm happy." Sizwe: "intle ke lonto mntanam." he threw his pebble into the water. Sizwe: "we're getting married next week." I gasped out loud AND choked. Me: "whaat?" I quickly gathered my shock. Me: "really?" Sizwe: "I thought uthe you're happy." Me: "I am. Tata, isn't it a bit too soon?" Sizwe: "I'm not getting younger mntanam. Andifun ceremony inkulu, just you, the boy, and close friends." zange ndaxakwa. Me: "ok." Sizwe: "ok?" Me: "its okay Tata." Sizwe: "so, ungamncedisa uNosizwe ngezinto zo-organizer?" Me: "yep. Sowumxelel uSine?" Sizwe: "ewe, sithethile." Me: "oh." I threw another pebble. As much as I loved mam Nosizwe, I was a bit concerned if its not too early to just get married phof who am I to judge. Was my dad even ready for this? But then again, he's big enough I don't have to worry too much. I received a message, It was written Lukhanyo Aubrey Mzinyathi. I just stared at the screen without opening the message then put the phone back in my pocket.. Sizwe: "ufuna sihambe?" Me: "nope." we spent another hour, talking about stuff and school. Still couldn't believe my father lived and was educated by his father in a bush. Sizwe: "wandifundisa everything. He was strict, ngamandla. But wandinceda wethu because when I was taken to my mother, kusithwa andikwazi ungen eHigh School ndingenayo primary, kwafuneka ndiqale ekqaleni. Social worker yam yam'cebisa umama ndifundiswe ndlin, so I did, when I was 22 ndabe ndiqibile, ndingen secondary stage, so I spent 2 years of high school, ndayeka, then ndabanjwa." Me: "Tata kodwa I didn't know this about you." Sizwe: "There's a lot. You still have to know. Kunye noTanci wam..." I was shocked! Me: "zange wandixelela ngo tanci nje." Sizwe: "ahh, well, andisamazi wayaphi. Andikam'bon oko ndiphumil etrongweni." Me: "ubuzamile umkhangela?" Sizwe: "not really. Zinintsi problem ze-family kaTata. Maybe some day, ndizobakhangela." Me: "and umama wakho yena?" Sizwe: "makhulu wakho passed away, kwashiyeka sister wakhe omncinci. Naye andimazi." Me: "oh." Sizwe: "iza. Its getting windy." he pulled me up saya emotweni. I read the message on the way home. "There's a few things we have to discuss, cela uphumele ngapha." erh nope. Me: "the lawyers will handle anything we need to discuss." he replied: "this has nothing to do with the lawyers, ndizama uncedana nawe apha Lihle." I locked my phone ndajonga phambili. We arrived home and I started cooking, kukho uBra Zakes, you would swear this was his house. Zakes: "Matshangisa!" for the 11th time since I've arrived. Me: "ewe Tata?" Zakes: "awukaphaki nontombi? Ndinayo ndawo enxaniweyo." Me: "sendizogqiba Tata." Zakes: "okay ke mntanam. Ndizolinda. Ohhh bethuna imbeko epha." I continued cooking quietly. Luthandoluhle was running around in circles behind me. Their new hobby for the day was being dizzy. Tomorrow they'll find something else. Kumnandi uba ngumntana kodwa.

Someone knocked on the door and walked in. Luks: "molweni Ta." they greeted him back. He stood next to me and looked at my face. I pretended not to see him at all. Me: "I thought I told you to stay the hell away from me." Luks: "Lihle." I turned to look at him. Me: "ello." Lutha: "Elloo!" Luhle: "elloo!" they giggled. Lukhanyo looked at them and smiled. Luks: "mxim. Lihle?" Me: "hi." Lutha: "ayi!" Luhle: "aaayyii!" they laughed and fell down. Luks: "nisile bonanje. Khaniambe, iya ku Khudu." they got up and ran to the lounge screaming for their grandfathers. Luks: "kuthen ungayiphendulanga message yam?" Me: "I thought it was irrelevant." Luks: "irrelevant? Khandik'cele kutya mos, Ndifuna sithethe qha!" Me: "thetha kalok." Luks: "kodwa imbeko inqabile Lihle yazi. Ndiyazama uba civil nawe wena undenza u-popeye." Me: "andikwenzi popeye Lukhanyo. but you honestly cannot expect my 100% undivided attention anymore. We're separated." Luks: "that doesn't mean you can do as you please kodwa. Awusam'respect umtshato wethu." Me: "and you do? Hayi kaloku Ta Luks ayihambi njalo. You do your shit, I do mine. Xa ujulelwa iimpundu pha estratwen andithethi. I take care of our kids, make sure they're well fed and clothed, and bonwabile regardless of what's happening in my life, That should mean something because that's what involves the two of us." Luks: "okay, fair enough. Kodwa andijulelwa mpundu mna." ndahlikihla intloko andazi noba kubhalwe sdenge na apha esbunzin Sam. Me: "what do you want to discuss." Luks: "ndiyifumene creche for the twins." Me: "nyan? Where?" Luks: "in Walmer." ayabikude Bawo. Me: "enkosi for your effort." Luks: "ndicingela transport kengoku, that's what I want us to discuss. Ndibasa ngokwam okanye you'll make a plan?" Me: "Andina moto, and ndifunda eSummerstrand. You can do it." Luks: "that means bazohlala nam ke." Me: "ayizokwenzeka ke leyo." Luks: "ewe kaloku Lihle itsho into." Me: "Lukhanyo, the kids stay with Me." Luks: "why??? Because andinama bele?" Me: "precisely." Luks: "that is unfair Lihle. And you know it! Zange ndithi mna phuma endlin yethu, nguwe owa decide ntok'ba ufuna uyohlala eLovemore with the kids, we never spoke about it." Me: "do I need to paint a picture of what led me to leave?" he leaned on the counter and folded his arms. Luks: "you could've fought for me." he whispered. Me: "mxim." Luks: "kodwa Lihle, I miss my kids." Me: "you spend more time with them Lukhanyo. You're always on holiday. With Them!" Luks: "awufun hamba nathi nje wena. How is that my fault!" Me: "okay." I calmed myself down. Me: "We'll share them." Luks: "asizokwazi ubohlala abantwana Lihle. Ndik'ncedise?" I spanked his hand. Me: "suka ezimbizen zam!" he laughed and stood back. Me: "then what do we do Lukhanyo? Because nam Ndifuna uhlala nabo." Luks: "me too." there is no other option. One of us had to sacrifice. Luks: "andifun ubangu weekend dad. Andicingi." Me: "ndibathembile abam abantwana ke mna bayokulilela veki yonke bafun umama."

Luks: "then move back in." Me: "not happening." Luks: "hayke andizoyazi ke Lihle why you're being impossible." Me: "let's try one week with me, one week with you. Bazode bayiqhele." he sighed. Luks: "I doubt its going to work." Me: "its worth a try." Luks: "uhhm....your house in Lovemore." Me: "you mean Your house. Because yeyakho." Luks: "its in your name. Yeyakho, it was a gift." Me: "yayeka uba yeyam kaloku love when you threw me out of it and told me I was a whore. That deserved nothing, never will have anything, and belonged in a dump. Remember?" Luks: "uyal'thand uchuku Lihle. Ndalucela uxolo nje." Me: "you can sell the house..andiy'funi mna." I took out plates to dish up. Luks: "why?" Me: "tshin Ta Luks, ufuna ndibe comfortable ndisuze kamandi uphinde ufike uzondigxotha? Andicingi sana. Yuuuh." he chuckled. Luks: "mxim, awusadiki man. Uzosuziswa yinton?" Me: "kuba ndonwabile ndi comfortable kaloku. Akhonto izondimincisa." Luks: "okay, your clothes?" Me: "what clothes?" Luks: "ezi ndazitshisa, can you write a quote, ndizok' repayer." Me: "nope, akho kwanto wena Ta Luks, suzihlupha. I have clothes already. We'll leave everything in the past." Luks: "thank you, well, ndithethile ne lawyer ke." shit! I haven't even gotten a lawyer yet. Me: " I'm meeting mine tomorrow.." Luks: "so soon?" I smiled and dished up. Luks: "he says, usually funeke kubekho a solid reason for divorce and proof of means to try and uhm....save the relationship." he stared at me, his eyes dancing around playfully. Me: "we have that and more. More than enough." Luks: "actually asinayo. come to think of it, Khange uzame nakancinci Lihle." I was developing a headache, uthetha into enye oko was annoying and tiring. Me: "so what does lawyer suggest." Luks: "marriage counseling,....obviously to prepare us for the divorce. And the kids." Me: "our kids will hardly notice, bazobana 2 in two months." Luks: "Chuma will. He's ours too, izom'affected because he was involved kwinto yonke and andifun umntanam akhule enomsindo because Andiyaz lento yobetha iqala xabek'theni." Me: "okay. Uzandixelesa ke when and where." Luks: "Bendicimba awuzovuma." Me: "the quicker we go, the quicker we're divorced." Luks: "enkosi." he smiled. It was that unsure smile that made me uneasy. I didn't know whether he's lying or talking truth. Whether ebendi trap'er or actually serious about wanting to divorce. Either way, I knew better than to trust that smile, but let me give him the benefit of the doubt just once. Luks: "unyana wam ubuya nini?" Me: "Lubabalo is bringing him back tomorrow morning." Luks: "ndizayom'landa. I miss my boy." I chuckled andathetha nto. Taking the tray to the lounge. I didn't know who to start with. So I started with the guest, being bra Zakes then my dad. Luhle sat on Sizwe. Lutha sat on Zakhele's lap. Lutha: "aphi khudu?" Zakes: "andifun." Lutha: "afuni ena moth." pointing to the meat. Zakes: "umdala qithi sow'funa nenyama ngoku? Hayi mpa, nali zambane." Lutha: "hayi, Utha ina." Zakhele gave him a piece of

meat. Lutha: "mmm" Zakes: "imandi." Lutha kissed his cheek and ate. I gave Lukhanyo his plate and covered eyaka Sine and his mom, that's if she was coming, usually she didn't come xakukho ubra Zakes. Me: "Luthandoluhle!" Luhle: "hm?" Me: "iza baby, izothatha." Luks: "thank you." Me: "sho." I sat in the dining table and fed the kids. Lukhanyo sat down too. Luhle: "mami ya Nana." Me: "ewe baby?" Luhle: "ajiki ne." Me: "ok." Luhle: "a-tinie buyi goso ne." Me: "ewe love." Luhle: "athathi Tata ne." Luks: "itya Luhle, itya." Luhle: "hayi Tata!" her hands on her hips. Me: "mxelele baby akangeni ndawo, siyaz'ncokolela thina." Luhle: "angini Tata nze." Luks: "sorry ke sweetheart." she threw him a fist. Luks: "itsho lanto. Sho ngqina." he bumped her fist. I was so shocked. Luks: "f'nek icace kalok. Mini ka Ta Luks lo." Lutha just stared at them and opened his mouth for his next spoon.. Luks: "jong umbombosi usijamele." Luhle: "ambosi-mbosi." Lukhanyo's phone vibrated. He checked the caller and rejected. Luks: "Lihle." Me: "no, andizophinda ndiphendule phone yakho." Luks: "Ndifuna contact yalomntu uthetha naye." Me: "ndithetha nawe njena." Luks: "no man! La pic busibonisa yona, the person who sent it, Ndifuna yena." I stalled, because Sabelo said he didn't want to be known, his life could be at risk. I had a feeling he knows everything but kunzima veske ayithethe yonke. I needed him to trust me and I knew for a fact Lukhanyo was going to scare the shit out of him. Luks: "look at me." Me: "I deleted his number, andimazi wayaphi." Luks: " ndiyayaz uyandixokisela right now, because you want to protect your little friend." Me: "I thought we were over this-" Luks: "we can never be over this! He terrorized my family! Threatened my daughter's life! Broke into our home, and until he pays, it is not over until I say so!" Me: "well, andimazi ke gama lakhe and I deleted his number." Luks: "Lihle, look me in the eye, and tell me you're not lying." I looked him in the eye and lied just the way he taught me. Me: "I'm not lying bhuti." Luks: "you're lying." Me: "hehake." Luks: "you do know that ndiseke kakeni right? And whoever this is wants to destroy the entire family. All I need is a name." Me: "I can't give you a name." Luks: "oh? We'll see about that." he finished his food and stood up. Luks: "2 hours qha." he warned and walked out.....

Lubabalo went to Lungelo's office for their brief meeting. Lubb: "ndibize Lukhanyo?" Lungelo: "just a second, close the door behind you." Lubby closed the door and sat down. Lubb: "what's up?" Lungelo: "you good?" Lubb: "I'm about to have an aneurysm. What's going on!" Lungelo: "khaphole Lubby. I have been up since Lord knows when trying to put two and two together. The state has a water tight case against you both." Lubb: "and I have an award winning, crazy genius ass lawyer. Make a plan." Lungelo: "you will listen to me." Lubb: "okay." Lungelo: "awuyazi lamali. You didn't know about the storage. You didn't know about the guns." Lubb: "its in my

house Lungelo. Not Asia. In MY house. They will know I'm lying!" Lungelo: "wait.....uyathand ungxama ke wena. Listen!" Lubb: "thetha kalok Lungelo. Before I go into cardiac arrest." Lungelo: "your father, niyavana?" Lubb: "which one? Because both couldn't even give a fuck about me right now." Lungelo: "biological. Here's the thing, your father was declared dead, cremated and buried. He came back, a couple of weeks back and lived in your house. You knew nothing of the storage until your house was searched." Lubb: "no but.....what are you saying." Lungelo: "those guns and money does not belong to you. Your house was searched months ago and they didn't find anything, now that he appears, boom There's a storage.....wait for it..... that you don't know about." Lubb: "No." Lungelo: "you're looking at a sentence close to 15 years now. Its sitting next you smiling. Your children won't know you by the time you're out and they won't want a jail bird father. Chances are Lukhanyo might just drop you and save his ass claiming its YOUR house and he knows nothing. Akumpimpe unye. He'll get off light and continue his life.....with your girl." Lubb: "Lihle would never do that to me." Lungelo: "think of those lonely nights...when she can't reach you, and she's stressed and in pain." Lubb: "okay, lungsta, I appreciate your effort, but I'm not selling my dad out. Noba akandifuni, there must be another way! The guns don't belong to me, zez'ka Luks, but still bra, I can't." Lungelo: "fine. I don't know sizothin ke but fine. I'll think of something else." Lubb: "Lukhanyo would hate me more than he already does." Lungelo: "don't freak out, We'll work on something else Lubby. Just give me some time." Lubb: "mjita, don't have sleepless nights ngalento, when you need to rest, do so. Okay?" Lungelo: "its my job. But sure." Lubby got up. Lubb: "We'll talk later." Lungelo: "sure." Lubby went to his car. Driving to the garage. He filled up petrol and drove to his house. He had a lot of work to start on. Lubambo was awake, Sylvia was feeding him. Lubb: "molo sisi. Let me take a quick shower." he went to his bathroom and showered. He walked back to the lounge topless with black shorts hung low. Lubb: "my little bunny." he took the baby. Lubb: "sisi, ndicela ucime la room ye jacuzzi, drain the water too. Uphi uJermaine?" Sylvia: "uthe uyabuya bhuti." Lubb: "okay, ndizobase roomin yam, andifun phazanyiswa, switch the pool off too, but uwayeke amanzi." Sylvia: "ndicela ubuza ngoba bhuti." Lubb: "because I'm trying to budget and lower my expenses sisi." he walked to his room. Lubb: "how's the boy doing? Hm?" he kissed Lubambo's head. Lubb: "andazi nje mamakho efuna ukuxutha kum." they sat on the bed and he opened his laptop starting with his research. Lubambo sat quietly and stared after a few minutes, he started sobbing. Lubby stopped and put his pc aside. Lubb: "come, come boy." he hugged him. Lubb: "now you and I haven't spent much time together ever since we came back and....I want to assure you noba awundiva phof, that you still hold the same place in

my heart. Nothing's changed. You and Yanda are my princes. Sukhala kaloku mntanam. Shhh." the baby calmed, laying on his chest. Someone knocked on the door. Lubb: "ndicele kakuhle ungaphazanyiswa." the door opened. Soma came in. Soma: "wenzani dun." Lubb: "was trying to work but my boy needed daddy's attention." Soma: "sweet, you good?" Lubb: "yeah, exceptionally well." Soma: "I just came back this morning. We traveled to Thandi's hometown few days back, bra I saw your article, kwenzeke ntoni?" Lubb: "dude, kukho Le bitch bendiyinceda kanti all along she was playing me! She had me photo graphed, endibamba and all that shit." Soma: "athin Lihle kengoku? Ya'll done?" Lubb: "no. She's upset. But akandilahlanga, I have to make up for that shit bruh, andiyazi njani. I'm trying by all means." Soma: "be honest with her Lubby. Be real kuse early. Ungam'fihleli niks! Its better she hears things from you rather than read it kwii magazine and newspapers khona uqale nin ubakwi newspaper?" Lubb: "they must have paid someone because nobody knows or gives a damn about me apha eBhayi. But the article was written by Erica Du Pree that skank hates my guts, its like her salary triples everytime she writes shit about me!" Soma: "old flame?" Lubb: "ndimazelaphi na Soma? I've never even spoken to her!" Soma: "damn. Then why'd you get arrested?" Lubb: "they searched the house and found the basement. With additional illegal firearms as if the money wasn't enough. Ndinyile this time bra, my dad washed his hands ngam." Soma: "your dad will never do that, he loves you to death! He just wants you to grow up. that's what Tatam did to me. He told me to grow the hell up and take responsibility for my shit, he let me go to jail and I served my sentence and learnt a good lesson!" Lubb: "if only it were different Soma, look at this little guy right here, how am I going to survive without him, without my girls, without Luyanda? And Lihle? No man." Soma: "then uzothini Lubby? Skip the country with all your kids and girlfriend? You can't run forever awti yam." Lubb: "Lungelo came up with a plan." Soma: "ma' nigga. Uthini." Lubby told him. Soma: "no way!" Lubb: "andisayazi Soma. I don't know if I want that." Soma: "mjita, re-think your option. Sow'thethile noLukhanyo?" Lubb: "I'm about to call him and Tel-" Soma: "no!! Do NOT go that route." Lubb: "aibo Soma, why must this be a secret?" Soma: "I have a lot of secrets, a lot. That I haven't told Soso, and I never will. Why? Because it would hurt him. And we would fight, sometimes Lubby, honesty isn't the best policy, it sometimes is the death of friendship. If Lukhanyo hears lento uyitshoyo uzocimba you're working behind him. How is that good? Trust is broken already! Ask lungsta to make another plan if needs be, and leave this one out because Lukhanyo will have a bitch fit for real!" Lukhanyo walked in. Luks: "for what reason?"

Luks: "why would I have a bitch fit?" Lubb: "uhm...besithetha about the kid, I was thinking of letting him stay a few more days." Luks: "oh. No its cool but bendimkhumbula so I came to check him. What you busy with?" Lubb: "just research." Luks: "awukadiban noLungelo? Uthini?" Lubb: "he's still tryna figure things out finding a loop hole somewhere." Luks: "then what's taking so long?" Soma: "patience is a virtue Lukhanyo. You gotta learn to fucking wait." Lukhanyo stared at him. Lubby closed his laptop and took Bambo to his cot which was next to the bed on the other side. The baby woke up again. Lubb: "hayi man boy." he hushed him again. Soma: "have you made a plan yet Lubby?" Lubb: "shhh." Soma: "Haibo." Luks: "akacingi alale lomntana myeke kuwe es'fuben." Lubb: "it'll be taken care of by end of business today." Luks: "oh. That's better then. So what's the business about?" he sat down. Soma: "that aint any of your business." Luks: "hehake, what am I going to do? Eat your idea ndiyi bhodle? Come on, let's hear it." Lubb: "its a software company." Luks: "what's that?" Soma: "exactly." Lubb: "I'm just starting by fixing glitched softwares and sell them again.." Luks: "why ungenzi lento you're qualified for?" Lubb: "because its boring and stressful." Luks: "I thought you loved being an engineer." Lubb: "I loved being a CEO of the largest enterprise in the continent. I loved directing and managing big projects. I loved being in control of multi billion Rand accounts. Not being an engineer." Soma: "now....if you don't mind." he coughed. Lubb: "its okay actually." Soma: "this is sensitive information Lubabalo." Lubb: "he's my twin. What could he do? Pretend to be me?" Soma: "do you see Soso anywhere near here?" Lubb: "I didn't say he must not come. Come on Soma." Luks: "nah, I'm leaving bendizolanda umntanam qha-" Lubb: "no, no....chill. Please?" Luks: "I have things to do, plus itshom yakho is right, good luck on your project." Lubby packed the bag, giving it to his brother, Lukhanyo walked out. With the baby. Lubb: "did you have to Soma!" Soma: "yes. I did. I really did, he has more important things to do. And we're busy." Lubb: "unomona ngam wena." Soma: "then shoot me. Iza ndibone. What you got so far." Lubb: "Lukhanyo could have been great help yazi, because he's smart as hell." Soma: "Uyayazi Lukhanyo ba ndiyathand udlala naye. He knows we're chilled." Lubb: "he doesn't, he's sensitive." Soma: "ligintsa eliya, sensitive my ass. Let's work." Lubb: "we need a software development mentor first. I pick things up real quick, I've done something like this throughout high school. Victor and I Created the programming for our class, bayisebenzisela iskolo." Soma: "then why do we need a

mentor?" Lubb: "to guide us on the right track. Here's a short list, Iona, Steven De'moir has a masters degree, the next is Phumela Sithole, degree, the next is Tremain Rufaso, also a masters degree from Harvard. And the last is Al Gunuendo Saraam." Soma: "between Tremain and Steven." Lubb: "they're expensive Soma. Maybe Phumela, she's currently in Joburg." Soma: "nah, use ngxakin nge cherri ke wena. I'll take care of the cost. Just email the two. They're both the best. After that?" Lubb: "izobona. Check this out." Soma: "Tagz? Itheni?" Lubb: "its slow and often freezes like this." Soma: "okay." Lubb: "well, jonga ke." he clicked a password and hacked into the system to change a setting. Lubb: "this might take a while." Soma: "I'll make food." he got up and went to the kitchen.....

Mandy was having coffee and a muffin at a cafe. Anda stood next to the table and smiled. Anda: "good evening." Mandy: "God, Anda awuva?" Anda: "intoni Mandy ngoku?" she stood up and looked at him. Anda: "ndingabulisi xandikubona ngoku? Haibo." Mandy: "why are you following me!" Anda: "I'm not, ndihleli pha with my manager. But its fine. Ndiyekile." Mandy: "I don't want you in my life. I am done with you, stop sending ii-message, and leaving voice notes because I'm in a relationship and that's disrespectful. I would appreciate it if you stopped." Anda took out his phone and deleted her number. Anda: "I apologize." Mandy: "enkosi." Anda: "I am worried ngawe Mandy, you've changed. Awusayi gym'in. You lost weight and you look drained." Mandy: "that is none of your business okay?" Anda: "I guess." he walked back to his table and sat down. Greg: "you okay?" Anda: "I'm just concerned, is that a bad thing to still care?" Greg: "dude, she chose another guy over you. Let her go." Anda: "because I fucked up badly Gregory, if I'd listened and appreciated her more." Greg: "too bad. Find another girl, women throw themselves at you shouldn't be hard.." Anda: "I don't want women to throw themselves at me. That's what I loved about her, she didn't chase or ass kiss." he looked at her, as she got up and walked out the cafe. Greg: "shame. Well, I can't help you mope, we got work to finish, come." Mandy got in her Benz and drove home. She needed to make a plan on how to use her 600 000. Maybe start a hair salon business. Hire stylists and artists for nails. It sounded like a great idea and she loved it. Soso was waiting at home, cooking dinner. She walked in the kitchen and kissed her boyfriend. Soso: "hello baby." Mandy: "hey, this smells nice babes, ndik'ncede?" Soso: "your bath is ready, go relax and soak your beautiful self." Mandy: "ncoooh, ndiyacengwa ol'hlobo?" Soso: "go, go." he spanked her ass as she walked to the bathroom and bathed. Then relaxed. She got out and wore a satin night gown. Soso laid the table

and put two cushions on the floor. With two big candles on the table. A slow jazz tune played in the background. He really went all out. He dished up bringing the food. Mandy: "and this babe? What's the special occasion?" Soso: "just spoiling my girl. You deserve something nice to make you smile." Mandy: "you're so sweet Sonwabise. Enkosi. This is beautiful." he prayed to bless the food and started eating together. Mandy: "so, I've decided to start a salon." Soso: "wow, nyani baby?" Mandy: "ewe, it'll keep me busy and the money goes to good use." Soso: "great, and I'll have free haircuts." Mandy: "haha! Mxim, kanti uchetywa Nguban ngoku?" Soso: "ngu Soma." Mandy: "he does a good job..." Soso: "forget it babe, he would never. Worse ngoku besithi mandingam'phazamisi uyawa dibene nala Lubabalo, and I'm sure they're causing havoc wherever. They're just a big lump of trouble abo babini." Mandy laughed. Mandy: "unomona kengoku?" Soso: "ndimincile baby, ndingafownelwa ngamapolisa. Abeva nyani. I promise you, its like Lucifer meets Hercules." Mandy: "oh that's bad." Soso: "very, how was your day?" Mandy: "oko ndihamba ibanka baby. Then went to Sars ndama k'la queue i-ridiculous. It was just an irritating day, but glad its over. Wena?" Soso: "do you remember the motor cycle accident few days ago? Guess who woke up from his coma better than ever." Mandy: "wow!! I'm sure you must be happy. Good work Dr Thembani." Soso: "haha, ahh well, I'm happy. He is still recovering though. Uhm....babe?" Mandy: "yes my love." Soso: "can I ask you something?" Mandy: "anything." Soso: "ndicela uSiphe azohlala nam. Here." Mandy: "what?".....

Asanda was just out the shower figuring out what to wear. Thando lay on the bed with his daughter. Thando: "baby, its just a function. Not a fashion show." Asanda: "ima sweetie, sekuzoqitywa." he pulled her up as they walked towards the door meeting the organizer and the guest of honor plus the main person of the whole function. Thando smiled shyly. The lady looked at him and smiled. Thando: "Mrs Gerwald." She: "Mr Moni. You're more handsome than your bigger brother, striking resemblance I tell you." Thando: "thank you, this is my fiance. Asanda." She: "nice to meet you. Listen uhm...." Thando: "Thando." She: "yes, Thando. Will you be back?" Thando: "no, we're expecting." She: "expecting what?" Asanda: "We're pregnant." She: "Oh. Asanda: "hm." he slipped in behind her and held her tummy. Thando: "goodnight my angels." Asanda: "goodnight Tata ka Sisipho.".....

The next day I didn't go to school, I was done with my registration and classes started on next Monday. It was still Wednesday. Lindi called me. Me: "hello." Lindi: "hey uright?" Me: "I'm good wena?" Lindi: "I'm fantastic. Are you busy?" Likhanyo knocked on the door. Me: "not really babe. Why?" Lindi: "I wanted us to hangout, but

only if you're available." Me: "well, ndihleli with the kids. I'll make a plan." Luks: "Lihle?" Me: "bhuti?" Luks: "can we talk?" Me: "I'm on the phone." dude! Luks: "okay. So can we talk when you get done?" Me: "okay. Hello?" Lindi: "yes. Uhm. Uhleli nomntu?" Me: "ewe. But not for long. We'll talk later?" Lindi: "okay." me: "bye babe." I hung up. Luks: "who was that?" Me: "a friend of mine." Luks: "what friend?" Me: "can I help you?" he gave me the baby. Luks: "Ta Seez uthe ukhona, so I wanted to ask if we could go to the thing today." Me: "what thing?" Luks: "lento besithethe ngayo izolo." Me: "I have plans." Luks: "it won't take too long. 2 hours maximum." as long as the doctor writes a bad ass review that could help us with the divorce process. I took my bag. Me: "Tata can you please watch the twins?" Sizwe: "yes mntanam, uyaphi?" Luks: "to the doctor." Sizwe: "are you sick? Is it the baby?" Me: "no, a psychologist Tata." Sizwe: "oh. Alright." we walked out and I texted Lubby to let him know. I did tell him on the phone last night. Lukhanyo drove to the doctor's office, I sat in the back with Lubambo on my lap. He smelt sweet and bubbly, dressed in his bunny jumpsuit. There was no conversation in the car. Until we arrived at our destination. Luks: "we've arrived. Lihle, ndiyacela kakuhle ungandithuki phakathi kwabantu ne." Me: "I'm not that crazy Lukhanyo. Damn." we got out the car and went in. We sat down and waited in the blue and white room. Luks: "are you sure about this?" I stared at him. Me: "is that a rhetorical question." he swallowed. Luks: "no, just making sure that you're sure.." Me: "Lukhanyo, what are you hiding?" Luks: "cela ungandijongisi ngabantu Lihle please." he kissed his son, who was still in my arms. Holding his little hand. Me: "Lukhanyo!" the doctor came in. Doc: "Mr and Mrs....." he checked his book. Doc: "Mzinyathi. How do we do?" Luks: "we are fine thanks, this is my wife Lihle, I am Lukhanyo." Doc: "Dr Moodley, lovely to meet you." he smiled. Lukhanyo sat next to me nervously, he was hiding something. I could just feel it. I was trying hard not to be angry and snap at him. Ndiphefumlela ezantsi. Doc: "I have a couple of questions but my most pressing one is, who is that cute little fella. Why is he not introduced?" Luks: "haha, this is our 3rd child. Bambo." Doc: "I'm crazy about babies, hey boy." he tickled the baby. Lubambo just stared at his hand. Luks: "he's shy." Doc: "I see, Ma'am-" Me: "Lihle. Lukhanyo and I are going through a divorce, I am not sure why we're here." Doc: "a divorce?" he looked at me. Luks: "Lihle." he hissed. Me: "sizothini apha!" Doc: "I assumed you're here to fix your relationship." I stared at Lukhanyo in shock. Me: "unzulu Lukhanyo. Honestly?" Luks: "ndikuce-" Me: "I don't give a fuck what you asked for!! You tricked me!" Luks: "khaw'hlale phantsi umamele man!" Me: "to what? Your bullshit?!! Bendithen kuwe Lukhanyo Mzinyathiiiiii!!!!" Luks: "Lihle ungak'ling undiphambanele mna! Sek'then ngoku! Will you listen first before uphaphatheke ngath utyhalwa yi baloni ka satana!!" Doc: "Can You please!!!!"

Calm down!" I was so angry. ndivutha okwe sbane se paraffin. Me: "calm down for who? Yazi Lukhanyo I cannot fucking believe you!" Luks: "Lihle you're upsetting our son! Please relax!" Me: "nxx!" Luks: "doctor, we're sorry for this, what we need is a counseling evaluation to make the divorce process quicker." Doc: "well I can't say anything until you're both calm." I sat down and calmed my son.. My phone beeped a message. Ndayijonga. It was Sabelo. Lukhanyo looked at me. I checked the message: "I have to see you. ASAP. Reply!" I replied: "Why?" Sabz: "because he wants you dead." ndoma ngomzuzu...

Chapter 692

"What's wrong?" Lukhanyo's voice shook me a bit, ndothuka. I felt like I was suffocating. The doctor took the baby from my arms, someone else walked in. Kwaphithizelwa qithi, I just saw blurry, kwacima izbane. Just like that. "baby? Can you hear me?" it sounded like an echo. Which soon just evaporated kwecwaka. Doc: "Mr Mzinyathi, I need you not to panic. She will be okay." he assessed Lihle, and brought a nurse in. Lukhanyo took his son and stood by quietly. Wondering what exactly just happened? Did he say something wrong? Do something? Why does she keep collapsing like this especially when he's around? Or is it because I stress her? He thought. Luks: "that can't be right." Doc: "excuse me?" Luks: "is it my fault?" Doc: "absolutely not sir." I woke up some time later. My eyes opened ndinqenqe on a thin bed. Lukhanyo sat on a chair staring at the floor. He was deep in thought but looked upset. I wonder utheni. why am I here? I gathered my surroundings until he noticed. His face lit up. Luks: "uvukile." Me: "ubukhala?" Luks: "girl please. Bendiqibo hleka ngoku. Uziva njani?" Me: "where's Lubambo? The twins?" Luks: "we left the kids at home, Bambo is with Dr Moodley. Awufun manzi?" I shook my head, I was more concerned about what had happened, how long have I been unconscious? Why do I keep fainting like this ngathi ndili xhekwazi. Something was amiss. Luks: "ndim?" Me: "nguwe otheni?" Luks: "do you hate me that much cac'ba you can't stand my sight. This the second time usiwa uhleli nam, ndizothin kutatakho?" Me: "its not you, its something else. Andiyazi I....." I remembered the message and froze. He searched my eyes. Luks: "and? And what?" Me: "phone yam." Luks: "its locked ke. Andiyaz password yakho mna." I sat up and unlocked the phone. Ngelaka he stood at a distance without peeping. 3 missed calls from Sabelo hayi man he's got to be playing. Luks: "please tell me kwenzeka ntoni.." Me: "Sabelo says your mystery friend wants to kill me." Luks: "Nguban Sabelo?" Me: "the contact." Luks: "I aske-.....okay. Okay. Cel'ubona." I showed him the messages. Luks: "how would he know? Unless he knows

and plans with him, Lihle I want you to stay away from this guy." and for the first time I agreed. There was no telling what Sabelo knew or how he knew. For all I know, he could be working with the opposition. Luks: "iza." he lifted me off the bed and dragged me out. He took our baby and signed out. Doc: "we will resume on our next appointment?" Luks: "yes doc, I'm sorry about today. We're a bit overwhelmed." Doc: "I understand." he wrote down his notes and smiled. What was he writing? In the car Lukhanyo made calls, to Stuja, Jermaine then my dad and lastly Lubabalo. Luks: "Lubby? Uphi?" Lubb: "my house, why?" Luks: "we're in a situation." Lubb: "what situation, uphi? Ndiyeza." Luks: "sodibana ku Ta Seez." Lubb: "sure." he hung up. Lukhanyo drove swiftly back home looking irritated or pissed off. I didn't know which. Luks: "you okay?" I shook my head looking out the window. Mna bendingenaphi kule feud yabo bonke? I didn't understand! Luks: "ndijonge." I shook my head again and blinked tears. He stopped the car and looked back at me. Luks: "I hope you see now why I need to know contact yalo Sabelo. Ndicel uyeke uba stubborn ke Lihle. He obviously knows more." I handed him the phone. Luks: "smile for me." Me: "undiyeke ke mna." Luks: "subarongo. Ncuma sisi...." I looked at him. Me: "someone out there is planning to kill me and you want me to smile?" Luks: "akazokwenza nto. Anganya izten ez'bomvu." he drove again until we got to my father's house. 4 cars were there already. Lubby, Jermaine, Soma and Stuja. I went in to the room to check on my children. I wanted to skip the continent ndiye noba kuse China. But that was a bad idea. I'm Clearly being watched and it wasn't fun. The twins were napping, Lubambo got ready for his sleep, wanca wala. Lubby walked in. Lubb: "Kumkanikazi." Me: "hi." I was pacing around the room. My father had told me this, so many times. Mzinyathi's were nothing but trouble. Kubekho notata wabo who was just worse. If it weren't for the sweet grandparents I'd say this family was cursed. Or maybe.....it is. A slow thought treaded through my mind. Me: "fuuuuckk!!!!" it felt like a sharp pain through my head. Lubb: "lihleeee!!" he pulled me up. Ndatsho ndadizy kwakhona. He sat me down. Lubb: "ziphi pilisi zakho? where's your bag." I pointed to the bag. I didn't need pills, I needed answers. Ndine snqala esingapheliyo. Zakhele walked in. Zakes: "yingxolo yanton Lena!" he snapped. I stared at him. Me: "bhuti uzondilanda nini?" I muttered. He laughed and shook his head. Zakes: "ndik'saphi na Mamngwevu?" Lubb: "Lihle look at me." Lukhanyo came in. Luks: "yinton ngoku!!" Lubb: "she needs a hospital, I think ziyantringa Lukhanyo." Luks: "Lithembelihle?" Me: "ubhuti makazondilanda." Zakes: "ufuna uSinethemba? Khanibize umnakwabo!" Sizwe walked in the house. He was already in a bad mood. Sizwe: "konke. PHANDLE." Zakes: "xabek-" Sizwe: "PHANDLE." he repeated slowly. Sizwe: "all of you." igazi ngendawo lalo. Mzinyathi's walked out the house and yard.

Sizwe: "sweetheart?" I was kneeling on the floor weeping. I heard his voice, and felt his presence as he knelt down before me. Me: "Tata!" Sizwe: "come." he hugged me tightly. Me: "kwenzeka ntoni ngam!" Sizwe: "nothing, relax love." Me: "Tata andiboni!!! I can't see!!" I screamed.

Thenjiwe had her hands full with her church conferences done and organizing a fun day for the Sunday school classes. As she hung up posters and balloons. Her heart felt displaced. She looked around the empty hall, nobody else was around. As she carried on with her decorations and chair covers. Someone walked in the hall. She jumped and looked at the door. Jeff stood there, wearing his black pants and white shirt tucked in. His hands behind his back. As he hadn't shaved in weeks, his black beard grew neatly on his face. Jeff: "bendizokubulisa. Namhla uthe ndizok'fumana apha." Thenji: "undothusile Jeffrey! Yuuh." she clutched her chest. He walked toward her and stood right before her body. Jeff: "nyani. Woyika nton." he whispered. Thenji: "uthe uzobulisa. Hi." Jeff: "yes, hi." he drew out his arms from his back. He had a bouquet of flowers. Thenji: "yinton ke Le?" Jeff: "bendidlula kwenye florist. Ndiyakukhumbula Thenjiwe. Ebomini bam umnye umfazi sekhe wandikhathalela oluhlobo wenze ngalo, and yayingu mamam, undikhumbulisa uMamthembu sisi. Unobubele, unenkathalo unothando. Noba ndikumoshile, awundiphoxi undikhabele ngaphandle." Thenji: "Jeffrey, ndiyakucela tu." Jeff: "ndonwaba ukufa xandihleli nawe." Thenji: "ndithini kengoku Jeffrey? Ndenze njani? Ngoba andikwazi ubuya umva ngathi andiphilang engqondweni. Sibadala singaka nje. Asingobatwana. Uyazazi ufuna ntoni ebom, nam ngokunjalo. " Jeff: "ndiyayazi lonto Thenji, I settle for being nothing but izihlobo." Thenji: "and iphelele apho. Andinayo ntliziyo yodlala bhuti, ndingumntu andilo litye." Jeff: "ndiyakuva sisi. Ndingancedisa?" Thenjie: "ewe.." she gave him a cloth and showed him how to fold it..... His phone rang in the car, where he'd forgotten it. Thulani gave up calling him. Thulz: "akaphenduli." Siya: "myeke ke Thulani. I'm just worried." Thulz: "but I'm sure umama ukuye. This is them. They disappear without a trace for days." Siya: "I hope and pray so Thulani." he called his mother again. The phone rang to voicemail. On the other end, Nobubele stared at her phone. Phindile: "Nguban lowo?" Nobubele: "ngu Siyanda." Phindile: "ifunani ngoku lentwana? Yuuh, akho kuphumla ke bonanje." Nobubele: "undisaphi taka Siyanda." Phindile: "kwi holiday mfazi wam." Nobubele: "andifuni uhamba nawe. Please stop the car."

Phindile: "intoni?" Nobubele: "Phindile, I am tired. Ndidikiwe kuba sisidenge sakho. Awundihloniphi, undiphathela izifo endlinethu! Andisakufuni mna kuba andisakuthandi. Misa imoto ndihlike!" Phindile: "uye kuban? Ku-Jeff? Rhhaaa sies. Kunga bhabha iihagu." Nobubele: "misa lemoto ndingekafownel uSiyanda abize amapolisa!" Phindile: "Nobubele, sundiphambanisa ndizilungele! Phindile grabbed the phone and threw it out the window . Phindile: "uthi awundifun?" Nobubele: "andikufuni Phindile!!!" he slapped her face, letting go of the steering wheel. Nobubele: "Phindileeee!!!" he punched her face in anger and got back in his seat. Flashing lights flickered just before him. A speeding bakkie screeched to a halt and smashed into the car almost immediately...

Chapter 693

Siyanda got a call just after 8pm that evening. He was still with Thulani. Siya: "hello?" Caller: "Mr Lubisi? Can you report to Greenacres Hospital immediately." Siya: "why? Is there a problem?" caller: "I cannot disclose that information over the phone sir." Siya: "okay, I will be there." he hung up. Siya: "siyabizwa es'bhedlele." they walked to the door when there was already a knock. Thulani opened. Thulz: "molweni bhuti." two detectives were waiting by the porch. "I'm detective Khabani, lona ngu Ngudle, singangena?" Thulani let them in and sat down. Ngudle: "madoda, kusandobakho i-accident embi aphe freeway. Si-identify'e inumber plate ye moto, and it belongs to Phindile Lubisi." Siya: "that is my father." Khabani: "uhm, there were two bodies emotweni, him and a female. I'm deeply sorry, but she didn't make it." Thulz: "ibingubani bhuti?" Ngudle: "if its not too much trouble ndicela nizo identify umzimba." Siya: "okay." he pulled his brother up and they went to the morgue. Thulz: "bhuti..what if-" Siya: "no Thulani. Please." Thulani kept quiet. Maybe it was one of his Phindile's side dishes. It couldn't be his mom. He loved her too much to just lose her like that. No goodbye, nothing? No. As they entered, tears ran down his face. Siya held his shoulder. Another person pulled back the white cover and there she was. Face bruised with cuts. Thulz: "nooo!!" Siya: "Thulani-" Thulz: "hayi bhuti!" he cried. Thulz: "she can't be....." he fell down to his knees screaming painfully.. Siya: "phakama bra. Iza." he wiped his tears trying to pull him up. Thulz: "mamaaa!" he cried. Thulz: "mama please come back to me! Bhuti....." he sobbed painfully. Siya: "Thulani please..I can't.....do this right now....ndiyak'cela bra." he cried. The other detective held them out the room. Ngudle: "ukhona umntu isenomfownela omdala

that is....." Siya gave them Jeff's number. Siya: "Thulani....." hugging his little brother. Thulani was the closest to his mother. More than all of them. It would be difficult trying to comfort him since his mother did it best. Siya called their sister Melissa to come back home, she was in Bloemfontein. Thulani stared into space, endless tears rolling down his cheeks. Siya: "masambe Thulani." Thulz: "I don't want to see him bhuti. He killed my mother! Andifuni umbona la Tata!!!" he cried. Siya: "asiyi kuye. Siyagoduka." Thulz: "No!" Siya: "Thulani please." he pulled him up and walked to the car. Jeff arrived before they left. Jeff: "what happened." Thulz: "Tata!!" he collapsed in his arms. Jeff: "shhh...kuzolunga boy. Its going to be okay." Thulz: "she's gone Tata!" Jeff: "what?" Thulz: "she's.....gone." he sobbed. Jeffrey stilled. How could that have happened? How could she be gone? Jeff: "Thula ndoda." he hushed him. That's all he could mutter, no amount of words could console him. And he didn't have the energy. Siya: "ndiye ndlini Tata." Jeff: "siyeza. Ungenzi nto, ndizonilungiselela uyeva? Just get some rest." Siya nodded and drove away. Jeff: "Thulani, look at me." their hazel brown eyes met. Jeff: "umamakho ebekuthanda. Kuba ekuthanda nangoku akhonto itshintshileyo. Uyamazi Akafuni ukubona ukhathazekile. Nam andiy'funi lonto. Sula inyembezi nyana wam. she's in a better place tonight, watching over you. Uyeva? Umamakho usentliziweni yakho. Nasem'phefumleni wakho, nobody, will ever..."he breathed, a tear rolled out his eyes. Jeff: "nobody will ever take that away from you. Xola mntanam.." Thulani nodded. Jeff: "iza." they got in the car and drove home. Jeffrey booked a flight for Melissa for the morning, and called Thenjiwe to let her know. He called his relatives and friends. It was a hard process but had to be done by him. The night was long and lonely as he sat in the lounge by himself. The love of his life had given up. She was gone forever. He buried his head in his hands and for the first time, began to let go.....

The next day, Lubabalo was with Lukhanyo eFord. Luks: "ndifownelwa ngu Siyanda, he says his mother passed away." Lubb: "hayi Lukhanyo!" Luks: "I know hey. Uvakala kwi voice akekho right ubet'selaphi uThulani." Lubb: "enza uqibe sizohamba." Luks: "sithini ngoLihle?" Lubb: "Ta Seez undigxotho kakubi qithi esbhedlele last night, I'm waiting for him to calm down but I am panicking! Kwenzeka ntoni? What's wrong? Why engafuni ukusixelela utheni?" Luks: "Lubabalo, I need to get my mind off this, now kubekho uThulani." Lubb: "masiqale ku Thulz, siye kuLihle late." Luks: "uphi UTata?" Lubb: "awukwazi aloku ubuza mna." Jermaine walked in. J: "I just got off the phone with Siya." Luks: "yeah, we're on our way there, uyeza?" J: "yeah. I need to fetch my boy later, tomorrow we're going back to Cape Town." Lubb: "masambeni." they got in their cars and drove to Thulani's home. A couple of cars were there already. Jeff was standing by the gate talking to another man. The guys walked in.

Jeff: "molweni madoda." Luks: "molo Ta. Uyaphila?" Jeff: "Ndiright, Thulani is in his room, down the passage on your left." he didn't want pity or empathy. Lukhanyo led the way. Luks: "Thulani?" he knocked on the door walking in. Luks: "Ekse bra." Thulz: "sho." Luks: "I'm sorry abo-" Thulz: "No, please..." Luks: "okay." Lubb: "Thulani?" Thulz: "Lubabalo." Lubb: "you don't want to hear this, but I'm going to say it anyway. Funekile uxole bra, I know you're in pain, you don't have to act tough, you're allowed to grieve as much as you want. Kuyo yonke into yenzayo ungamsoli uThixo." Thulz: "uThixo babendithanda ngengandixhuthelanga umamam!" Lubb: "He didn't do this to hurt you. Any of you, uthathe umamakho kwintlungu and gave her peace. She is in a better place now. Ukukhulisile, wonwaba throughout, she made you, your brother and sister, her number one priority giving up her life. Sukhala awti yam. You are the man you are today because of her. God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea." Thulz: "enkosi Lubabalo fethu." Lubb: "its okay. Don't lose yourself too much Thulz, your mother wouldn't want to see you like this." Luks: "was this a..." he looked at Lubby. Luks: "dialogue? Prepared script?" Lubb: "no. Ndivunyelwe ngumoya." Luks: "ndicela umoya andicaphazele nam, ndibeno Lungelwa ebomin." Lubb: "We'll do that later, uyathanda undijongisa ke." Luks: "ewe kalok awukwazi undiphoxa phakathi kwabantu so ndithatha ichance." Lubb: "okay, so ndim lo funek aphoxwe?" Luks: "sometimes u-too much. Nawe uyazazi." J: "really guys? Right now?" Lubb: "no ndenz'ba wena Jermaine, ulukhanyo udikwa msinya ndim." Luks: "kutsho ban? Une tontsi kodwa Bafo shame." Lubb: "mxxxxim. And'na xesha labantu ababi ke mna." Luks: "ndifuz apha kuwe." Lubb: "little gwababa." everybody laughed. Luks: "heeee. Awukay'qibi ke eye bill ye 50k." Lubb: "bye bye nobubi." he pushed Lukhanyo's head. Luks: "ingathi una 5. Hleli nje unendlalo. Mpa!" Lubb: "bleehh." he walked out with Siya and drove him to the hospital. Siya: "thanks, kuni nonke ngokuza. Bendingayazi uThulani ndizomshiya nabani, same time akafun nombona UTata." Lubb: "ow'ph UTata? Jeff?" Siya: "no, owam. He was driving the car that..." Lubb: "oh.....give him some time man Siya, he's still hurting." Siya: "I know, nam Lubby andifuni ukuya kwesasbhedlele. I can't bear facing him at this state. He killed my mother. Kodwa ngutatam and I feel sorry for

him." Lubb: "I can't imagine how you're feeling Siya, and andikwazi ukuchazela enza njani. What I do know, forgiveness sets one free, akho grand ukwenza decisions useva kabuhlungu, I've done it and it blew up in my face. You could say things you regret, do things you've never thought of. Zinike iskhathi uphole before uthethe naye." Siya: "okay." they arrived at Greenacres hospital. Lubby waited in the waiting room. Siya went to look for someone to help direct him to his father's room. He found a nurse. Phindile was lying in bed in recovery. Staring at his hands. The accident replayed in his mind over and over again. He could think of nothing else. Phindile: "Nobubele!!!!!" he yelled. Looking around. Siya came in the room. Phindile: "mntanam, khandibizele umamakho please, ndifun uthetha naye." Siya: "uthetha ntoni Tata?" he said in a weak voice. Siya: "what could you possibly say." phindile: "ndiyamthanda, and ndicela uxolo. Akanokwazi undishiya, bendinomsindo. Andikwazi uhlala ngaphandle kwakhe ndicela sithethe. Please nyana-" Siya: "she's gone Tata." Phindile: "uyephi?" Siya: "Tata umama usishiyile emhlabeni last night. She's gone." phindile: "wh-what? No. No!!!..."

Chapter 694

Friday morning, I was still in hospital. I still couldn't see. It was literally black. What had I done? The thought of never seeing my babies again pained me extremely. I was scared of being alone in this dark world. All I heard was voices, footsteps, and small sounds. What if lomntu ungene k'le room and poisons me? kills me? "baby?" ndothuka! You see? Me: "Tata?" Sizwe: "sorry ngokothusa angel. How are you?" Me: "I'm scared Tata. I don't want to be blind." Sizwe: "nobody does mntanam, listen to me, you have to calm down. Until ugqirha tells us kwenzeke ntoni, we can't do much. Sukoyika sisi." I just sat there. There was nothing more I could do. Me: "and if its permanent?" Sizwe: "you're good with all your other senses, ak'soze kubenzima." he held my hand. I needed to pee. How the hell was I going to walk to a toilet with bumping my knees, hitting walls and falling? Ndizoz'nyela mos! Sizwe: "what's wrong?" Me: "ndifunuye toilet Tata." Sizwe: "come. Phakama. Awuyifunanga alok drip." I got out of bed. Sizwe: "uzonyathela ngam." he guided my foot on his shoe. And the other. Then we walked. It was fun. At least he was trying. Sizwe: "and we're here. Uzokwazi?" Me: "let me just...." I felt around the air, touching a basin or sink...then the wall, finally got the top of a toilet. Then a seat. Me: "got it!" he chuckled. Sizwe: "ndizok'linda apha phandle." I heard him step out and close the door behind him. I took a long piss. Its been a while. Before anything else I patted around for toilet paper, grabbing on to a soft cylindrical cotton paper, oh wait, that's the toilet

paper. After I was done I wiped and stood up then closed the seat. I needed to flush, I needed to wash my hands. I needed someone to- No. I needed myself. Trust my instinct, trust Me. Rely on Me. Depend on Me. Okay? Let's do this. I started feeling around again, to flush. Then retraced myself back to the sink and washed my hands, the water running down first burnt my hand. Me: "ouch!!" hot! Hot! I closed the tap. Okay, no more left tap. Use right tap only. Noted. I felt the wall all around to the door knob and opened. Sizwe: "hewethu!" he grabbed me. Me: "I can do it Tata. Just wait." Sizwe: "until ubhethেকে dongeni uphume iduma then umamakho blames me for negligence. No." he walked me back to bed. On top of not being able to see, my head had dizzy spells once in a while. Like ndiyahlukuhlwa by something. And right that second it started. I missed a step and my father grabbed me. Sizwe: "nantsoke." he put me back in bed and I fell asleep right after. The doctor walked in with Thenjiwe. Doc: "sir, ma'am." Sizwe: "please call me Sizwe." Doc: "certainly, uhm, Sizwe, well, we've done all tests, performed a MRI scan. And.....there is absolutely nothing wrong with your daughter." Sizwe: "wait....what do you mean? Doctor, she's blind!! She cannot see! She can't be faking blindness!" doc: "I understand that Sizwe, and I've called a second opinion, you're free to get a third and fourth. But I can assure you they will tell you the same thing." Thenji: "then how did this happen? How can she not see just because?" Doc: "I am not sure. I really don't know." Sizwe: "maybe something got in her eye?" Doc: "we would've seen it. She has Clear eyesight, brain activity working well too." the problem was that I could hear them, how? I don't know, it felt like they were in a distance. But I was asleep. How? I just didn't know, I tried talking, my mouth wouldn't open. Somebody please wake me!! Doc: "maybe you should let her rest for a couple more hours." No! Please don't go!! Thenji: "Sizwe?" Sizwe: "andiyi ndawo mna." he sat down. Sizwe: "Thenjiwe, yinton ngoku Le yenzekayo? As if she hasn't suffered enough!" Thenji: "yuh Sizwe ndiske ndikrazuke intliziyo xandicinga lento ka Lihle. Kodwa ke, she's strong. Sizodlula nakulena. Noba usatana angazama akacingi aphumelele."

Lukhanyo was in his house with his team. Luks: "majita, today, ndinibizele ukuba nindincede with a little something. Firstly, I need 100 000 like this weekend." Stuja: "yuuh, sizoy'fumanaphi bhuti." Luks: "the bank." lucky: "uhm, sizoyok'draw'ela or....." Luks: "no." he chuckled. Luks: "how cute. But no. We're retrieving it from the bank. involuntarily" Stuja: "ohh....now ndiyakuva." Luks: "I need a focused team, ba unxilile, phuma, if ucinga ngoyo nxila tonight phuma, if buzeka izolo, phuma. And if usezokuya. Nankuya umnyango. I need your minds to be on the goal. Luks: "right here, yinton Le." Stuja: "a map." Luks: "I need one car, eme kwesi strato, two on this one, one in the back. Something spicy is in that file." Lucky: "Ta Luks, kuzofunek icherrie for lo piece, soze singene thina pha, yo'jumpiser." Luks: "I'll get someone to do it. One last detail." Stuja: "what?" Luks: "akho namnye kuni ozoy'thi Vuu kuLubby lento. Siyavana?" they agreed and walked out. Stuja remained. Stuja: "kwenzeka nton Ta." Luks: "Lubby needs it, andinayo 50 000 mna, and initially at first bendigrand ngalonto, because he had to suffer." Stuja: "mos ngu bhuti wakho nje Ta, why would you let that happen?" Luks: "because I can. Andithi ndizamnceda ngoku? Ingxaki iphi?" Stuja: "so why ungam'chazeli?" Luks: "because une pride yekaka. Uske wangumfundisi these days, akazofuna. Stuja stop asking me questions and get the boys ready for the hit. Go." Stuja walked out. Lutha: "Tata!" he woke up from his bed. Luks: "iza boy." Lutha: "athathi Utha ka Tata." Luks: "andifuni, iza wena." Lutha: "Hayi Tata. Ithha moth." Luks: "yolula ilwimi uyek uteketa kqala." Lutha: "hayi Tata, athathi Utha yakhu zena." Luhle: "Tata buyi?" The baby was awake. They screamed in joy. Luhle: "bambbuuu!!!" Lutha: "bbababababaaaaa!!!" Luhle: "krrrrrrrr!!!" Lutha: "tooooooot toooooott tooooooot!!!" (truck sounds) Luhle: "peepppppppppppp!!!" Lubambo started crying. Luks: "Why!! Is that necessary?? Haibo Luthando!" he walked in. Luks: "Luthandoluhle!" Lutha: "TATA!" he yelled. Luks: "why are you hollering at me?" Lutha: "ola..... ola ola ola ola!....." Lukhanyo took Bambo and changed his nappy. Luhle: "nam Tata!" Luks: "nawe nto?" Luhle: "athathi Nana." she smiled sweetly. Lukhanyo blushed. Luks: "nizohlalapho nide niyeke ungxola ngo ola apha." she put her hands under her chin and pouted. Luks: "nope." Luhle: "Tataaaa." she whined. Luks: "ima ndiyeza." he picked Lubambo up with his left arm, took Luhle with his right and turned around. Luthando climbed on his back holding on to his neck. He sat them down on the floor, almost immediately starting running around. Lubby walked in. Lubb: "Hey!" Luks: "yes finally!! Ina Tata. Bye!" he gave him the baby and rushed out. Lubb: "wait.....th-" he was already gone. Lubb: "Atteeeeeention!!!" the twins stood still. Lutha: "Teeeeeesoo!" Lubb: "izani. March. Azishe!" they walked to the lounge giggling behind him. They closed the windows and doors, cuddled on the couch and switched on cartoons. 2 hours later Lukhanyo

returned. Everybody was asleep. He tip toed in the lounge. Lubby woke up. Lubb: "waze wabuya....zigangalala! UBhele ukhona, zigangalala..." he sang. Luks: "haha yaz-" Lubb: "ewe zizo zizo zingangalala!" with a bass. Lukhanyo flopped on the couch. Luks: "mnoxim. Uphambene yazi. Ndisuka ku Thulz, he needed some help with a few arrangements. Enkosi mjita wam." he rushed to the bedroom and dressed his babies, packed a bag with Lubambo's milk and porridge. The twins' yogurts and juice. Plus diapers, wet wipes and two towels. He took the twins to the lounge. Then picked Lubambo up. Luks: "we're ready." Soso: "fine, let's go." Lukhanyo buckled his babies safely in the car and drove to hospital. Soso went in first looking for his doctor friend, Mark. Soso: "Dr Gerwald, I need a little favor." Mark: "what is it nooow." Soso: "a friend of mine, his ex wife is your patient. Problem is he's not allowed to see her, he has the kids here too. Can you make a plan?" Mark: "who's the patient?" Soso: "Lihle Mzinyathi, I think." Mark: "Oh yes! Well, No I can't help you there." Soso: "Mark come on." Mark: "her father forbids anything and anyone in that room. He's been there since day one. I cannot get rid of him." Soso: "Mark, just tell him his stress is clouding the patients recovery, make up a lie!! You're a doctor, he can't understand you." Mark: "I will try. For the kids sake." Soso: "and don't mention please." Mark walked to the room. Soso disappeared into another hallway. Almost 10 minutes later, Mark came back. Mark: "he still don't want to go, but his wife is taking him down for lunch. Be quick. I will try to stall an hour maximum." Soso: "thank you! I owe you one." Mark: "damn right you do." Soso went back to the car. Soso: "your former father in law is impossible." Luks: "yuh ndiyamazi. Ta Seez is on another level." he pulled the toddlers out the car and carried the baby with the bag. Luks: "Iza Luthandoluhle. Bambelela ku Tata." Luhle: "iyaphi Nana Tata?" Luks: "ndiyonithengisa nine noise. come." they walked in the hospital. Soso helped them into the room. Lutha:

I felt her pull on the blanket. I ached to see their little faces. I smelt Lukhanyo's cologne. Me: "molo Ta Luks." Luks: "bukhunjulwa ngabantwana bakho." Me: "nawe ne?" Luks: "nope. Ina nanku last born." Me: "I...can't." Luks: "you can't what?" Me: "andimboni." I whispered. Luks: "what do you mean?" I felt incomplete. Really couldn't explain. It was just painful not being able to see my kids. Me: "Lukhanyo andiboni, I can't see, I'm blind." I said with a shaky voice. He kept quiet after a while. Is he shocked? Confused? Happy? Rejoicing? Upset? I couldn't tell. ndabe ndikhubeke ndiyinyama. Luks: "well that's fine, I'll just describe what we see ke." I didn't know whether to be grateful or upset. So I laid back on the pillow and listened, visualizing what he was saying. Luks: "nantsi ne nkuku enxibe izihlangu." I laughed out loud. The door opened and someone walked in. "bendithen kuwe kwedin!!" he growled.

Lutha: "baleki nze." me: "nixabana nganton ngoku?" Luks: "uphethe kwintambo pha ezantsi..... Kwedin, ndiyo'kfaki s'hlangu!" Lutha: "ihanguuu Tata!!!" I laughed. I had a picture of him in my mind, emfutshane eme ngase koneni, shouting back at his dad. Luks: "waske wahleka uLihle. Bamba apha." he put my arms together and the baby on top of them. Luks: "akase ncume uboy." I heard a zip and a bottle lid. He put it in my hand and guided me to the baby's mouth. Me: "this is my breast milk right?" Luks: "ewe lisekhona." he put another baby on the bed and by hearing the voice I knew it was Luthle. She was laying on my legs, singing to her self..after feeding Bambo I burped him. Me: "how's things." Luks: "what things." Me: "its already dark, andithandi kuthi cwaka." Luks: "ufuna ndik'balisele

Luks: "you would've done the same." would I? Maybe I would've overthought it, and decided not to because bendisoyika. Right now, I don't know. What I do know is that I can't stand this darkness, so his voice bindi cithisa isthukthezi. Luks: "awudinwanga? You should get some rest." he took the baby. Me: "wait...umsaphi?" I can't change who I am, andiyo fake, andizo pretender to be something I'm not. I doubt ke ukhona umntu onomelana nalonto because I don't play." Me: "ukhona, trust me, somewhere out there could be someone. Someone beautiful." Luks: "gorgeous." Me: "totally. Onothando, inkathalo, patience....and support." Luks: "with ass for days..." I laughed. Me: "okay, you're missing the point. Its not about physical attraction, it has to be something deep inside of you.....that touches that person. That makes your heart skip a beat, everytime uzombona, your breathing quickens, you're jittery, your throat goes dry, uske ubene nerves. Its not about thighs. Physical appearance is only temporary, but the personality of a person sticks hey. Think about that." Luks: "I'm thinking about that." he muttered. Luks: "but andiyazi ndiyibhuda phi Lihle." Me: "I can't advise you on that, because we're not friends." Luks: "so unomona ngam?" Me: "No, absolutely not." Luks: "but awufun undipha advise caba my bad decisions excite you?" Me: "MY bad decisions give you one hell of a kick though.." he laughed. Luks: "No comment." I pushed him off the bed and threw a pillow. Luks: "ngeloxesha awuboni!" he laughed. Nyuba kumnandi." he put the pillow in my face, giggling. I pushed him and smacked something. Luks: "ouch!" Me: "beka!" he put the pillow behind my back. Luks: "you should get some rest." Me: "I hate the silence. Ingathi ndivalelwe somewhere and I can't get out." Luks: "you could sing." Me: "ndikwazelaphi ucula mna? And usenzan sandla Sam?" Luks: "lonto uthe poro pop sana, akhont ungay'viyo." the door opened. Sizwe: "Lukhanyo, ndicela ixeshana." Luks: "uhm, of course Ta." Soso came in to help with the kids after I kissed them goodbye, ndashiyeka notatam. Sizwe: "firstly, I don't want those twins near you Lihle. Lukhanyo noLubabalo are bad news! Sizwe: "siyak'godusa namhlanje." he totally ignored my question like it didn't exist, kanti uLubby uza nini yena? I can't even call him! My father bustled around the room. Eventually picking me up. Sizwe: "uzovasa endlini. Le yalapha ingu mxim qithi." he helped me dress. After signing the papers, he took me home. At least there would be people to keep me company but I still missed my babe. Father helped me out the car. Me: "Tata, uphele esithin ugqirha?" Sizwe: "mntanam, its pointless keeping you there because uright awunaniks. Uyatya uyalala, and ababoni nto irongo ngamehlo." Ndaske ndatyhafa. Me: "sizothini ke Tata?" Sizwe: "sizohamba ksasa siye ndaweni enosichazela kwenzeka ntoni na." Me: "like a sangoma?" Sizwe: "ewe baby girl." he walked me inside the house, yatsho intloko. I let go of him ngomsindo. My head was aching ndibambelele entloko. Me: "Bhuti!!!!!!" I screamed. Sizwe: "Lihle!!!" Zakes: "and then??" he walked toward the dining room. I looked up. Me: "bhuti, ndihoye." Zakes: "huh?" Me: "iizono....." I coughed. Me: "zisuleleka ebantwaneni bam..... Bhuti izondithatha!!" Sizwe: "my angel-" he tried to hold me, ndazidlikidla ngamandla. Sizwe: "Dear Lord please!!" Zakhele grabbed Lihle and held her tightly. Zakes: "iza ne chainer Sizwe!!" Sizwe: "we are NOT chaining my daughter!!" Zakes: "andicingi ndikhatywe ngumntu onamakhosi ke mna. Andisoze. Khaw'leza!" Sizwe took a rope to tie her hands. Zakes: "is it tight enough? My God, you are Deep!!" Sizwe: "Zakhele zange ndano nyana mna. Its impossible. Zange ndabulala mntu for no stupid sacrifice. This is not a game!" Zakes: "m'se emtwin ke am'chaze ba utheni na. Nibuye neyeza lo qhumisa Andifuni mntu uzandikwritsha ebusuku mna." Sizwe took his daughter out back to the car, he drove off to the healer.. She calmed.....

Soma: "iza....let's go back, I want to do something." they got in the car and drove back to Ford, Lukhanyo's house, parking down the street.. Soma knocked on the door. And hid. Soso opened. Soso: "hello?????" then closed it again. Soma knocked, again hiding. Soso opened, Soma appeared immediately, shocking him for days.. Soso: "damn it Soma!!!" Lubabalo walked in the back door, to the bedroom. Lukhanyo was on the phone, scruffling through his cupboard. After hanging up he turned around, and got a fright. Luks: "ftsekk!!" Lubb: "hello. Everyone was crowding him with apologies. He unlocked his apartment and walked in. Spotless clean as always, thanks to his girlfriend. She walked to him. Namhla: "hey babe." she kissed his cheek. Thulz: "hi." Namhla: "sendiqibile upheka, ambohlamba

Chapter 696

My father had my hand in his. I was so confused, I could smell traditional medicines and it was a bit cold so besihleli phandle. I was shaking. As ba ndihleli ndizicingela kwabuhlungu nentloko again. It felt like I was going crazy! Sizwe: "Lihle?" my breathing started again, wandibamba. Sizwe: "shhh...its going to be okay mntanam." Me: "Tata andifuni ukufa mna." Sizwe: "awuzofa sisi." I don't know how long we had to wait. I could hear kricketts and I usually hear those at night. Sizwe: "iza.." he stood up. Me: "Tata uphi?" kwaske kwathi cwaka. Me: "dad!" I cried. Sizwe: "Lihle?? Uyandiva?" oh Thank God! Me: "I thought I...." Sizwe: "iza ke." he took off my shoes and we entered somewhere. He greeted. "Vula mehlo" the voice ordered. I opened my eyes. It was still black. Sizwe: "sizame yonke into, ooqgirha ababoni nto irongo ngay-" this guy, man or whatever he was, started chanting and clapping his hands. It went on for a long time then he started grunting as though unamahlaba. I wish he could tell me already, but problem is these things can't be rushed. Guy: "nimshiyeleni?" Sizwe: "ubani Tata?" Guy: "unobangela womntana abeyi mfama. Nimshiyeleni?" Sizwe: "asimazi unobangela Tata." Guy: "ayikho ezonceda lomntana, kude kuthethwe inyani. Lenyani ifunekayo, mamela iintetho zakhe, ziyanilumkisa ngezinto." Sizwe: "inyani yantoni Tata? Uthi ufuna uyolandwa asiyazi ke njani ngoba nanku ulapha." Guy: "ayinguye ofuneka ayolandwa. Uyamazi WENA umntu funeke ayolandwa." he started with his chanting again and shook something, he gave Tata a few things, ezoqhumisa, ezondivasa, etc, etc. We left right after. We drove in silence, I wanted to know what

my dad knew. Kange ndifun uyolandwa mna. What is he talking about? Khona Nguban lomntu amfihlayo? I had so many questions. Sizwe: "ndikusa kumamakho Lihle, at least there you can rest." was he getting tired of taking care of me as though ndingumntana? He sure as hell was. I don't blame him. Sizwe: "I just want you to be safe." I didn't reply. I was sad. Times with dad were the best, same with mom but.....no buts actually. Couldn't we alllll live together? Why was life so unfair? Sizwe: "we're here." he parked his car and took me in. Ma: "hello mntanam." hugging me by surprise. Me: "molo mama." Ma: "abantwana sebe Lele, kulate ngoku sisi. Iza izonqenqa." she helped me undress and hop into bed. Then walked out. Thenji: "uhm, enkosi." Sizwe: "ndicela umjonge Thenjiwe, she has this idea that uyakwazi ukuzimela ngokwakhe, she keeps collapsing and talking of things endingazaziyo." Thenji: "nivelaphi? What happened?" Sizwe: "sifike endlin kakuhle, just after singenile she started. Engangcazela ekhwaza "ubhuti" ba makayomlanda. It doesn't make sense. Then, lomntu siye kuye, said, inye indlela angaphila ngayo uLihle akwazi nobona. Its if kuthethwe inyani." thenji: "inyan yanton Sizwe!" Sizwe: "AYIKHO inyani!! Thenjiwe sat down and cried. Sizwe:

"Uyayazi ndiyacapkela ukubona ulila Thenjiwe sundenza oluhlobo." Thenji:
"awundithembanga Sizwe. Uketha uZakhele phez'kwe family yakho, whatever
enayenzayo ngobabusuku is going to cost you ubomi bomntana wakho. Your only
Child. Keep that in mind." she went to her room. Sizwe sat down on the couch. You
cannot begin a new life on a lie.

The next morning, Lukhanyo woke up looking around the room. Lubby was busy on
his laptop, working. Luks: "bruuuh. Akuka bethi no 7. Come the fuck on!" Lubb: "no
rest for the poor bunny cakes. I'm creating my own software." Luks: "what about the
other one? Le buthe you gonn sell?" Lubb: "firstly I am Not going to sell. I'm giving it
back to its owners." Luks: "free of charge? No, awukalambi wena." Lubb: "its not about
being hungry, you know what I realized? All my life, I've been bulldozing people's
lives, careers, spaces. I had no respect for the next person. I stole tenders, left, right
and centre, that's how I quickly escalated. Ayikho grand lonto. Jonga ngoku the rug
has been pulled from underneath me, I have to improve a few aspects in my life."
Luks: "blah, blah, blah. You can't always be nice." Lubb: "yeah, but this time Ndifuna
lento ndiyenzayo ibe zezam inyembezi rather than someone else." Luks: "that's sweet
of you." he yawned. Luks: "I have a mother of a headache from hell." Lubb: "sela

some noodles." Luks: "ohhh, you the best." Lubb: "For myself." Luks: "jonga pha
espilin." he stood next to him. Luks: "I AM yourself." taking his bowl. Lubb: "mxim.
Uphi uSoma azokuphoxa ubeli lap lokorobha." Luks: "balele." he mumbled. Luks: "I
have incriminating pictures of Soso dancing at the strip club." Lubb: "that is
disturbing, uzumbonise every time he acts smart. Ndim'baqile izolo tryna sweet talk
himself in the mirror, vowing never to smoke again." they laughed. Luks: "uwoah.
Khayeke Lubabalo, ndiyakwazi ke wena. Please leave him alone." Lubb: "nah....find
some chill. Ndisayo vasa." he showered and went back to the room. Luks: "hayi mfo,
ha.a. Akho kwakho kaloku apha!" Lubb: "Soma poured Ciroc all over my pants. Wathi
ndiz'chamele. Can you imagine?" he had on his polo boxers and a white vests and
socks. Lukhanyo laughed. Lubby looked for a track suit to wear. Luks: "usaya kwi
gym?" Lubb: "ndibuyela tonight." Luks: "uyaphi ngoku?" Lubb: "ndiye ndlin to get
dressed then I'm meeting someone at the airport." Luks: "what someone?" Lubb: "our
software development mentor. Uyafika in a couple of hours." Luks: "Lubabalo, do you
know how expensive that is going to be?" Lubb: "Soma took care of it, my focus is on
the product I'm creating." Luks: "okay, have fun." Lubb: "how?" he woke Soma up to
go get ready then left for his house. He was trying really hard not to think about her
but it wasn't happening. He hadn't slept or rested peacefully the last few days, but the
only thing easier was being on the right track with Lukhanyo. He didn't want to fuck

it up. Maybe if he spoke to Sizwe he'd understand his situation. She was his fiance. He had a right! As he turned the car around, driving back to KwaZakhele. He parked his car, hearing arguments inside the house. He stepped slowly. Sizwe: "Bhuti, andisakwazi anymore! Kuthen soloko ndifela izinto zenu?" Zakes: "sundixelel ukunya kwedin uyeva!! Ndithe kuwe Isa lomntana E-ST Johns kukhutshwe lamafufunyana akuye! Uyek undixelel ububhanxa mna! Inyani bitheni!" Sizwe: "kodwa Zakhe-" Zakes: "don't. You. Fucking. Dare.....call me that. Sizwe, suzilibala indawo yakho. Kuyowba kubi ba kufunek ndik'buyise mkhondweni." Lubabalo knocked on the door. Zakes: "ufuna ntoni!" Lubb: "Ndifuna UTata walendlu." Zakhele stared at him. Lubb: "utat'Sizwe. Tall, brown guy. Not wena." Zakes: "yindlel othetha leyo kwedin." Lubb: "Ta Seez ndize kuwe." Zakes: "Lubabalo ndiyathetha!" Lubb: "andimamelanga. Kuthen kufunek ndikuguqele xakuthande wena?" Zakes: "ndingu Yihlo!" Lubb: "xakuthande wena?" Zakes: "imbeko yinto ongasoze uphinde ubenayo wena!" Lubb: "no wonder umninawa wam enje mos Tata, uyibona apha kuwe lento. Uzo demand irespect ungenayo wena? Now I see." Zakhele walked out. Sizwe: "you should go." Lubb: "Ta Seez why do you let him bully you like that!!" Sizwe: "Lubabalo! Hamba." Lubb: "Ta Seez, I have a right to see Lihle, you can't do this. I don't understand why funeke umfihle kum. Andenzanga nto mna." Sizwe: "this is not about you Lubabalo." Lubb: "then kutheni ungafuni ndimbone? Ndingenza nantoni na Ta Seez, ndiyakucela. Abehli ubuthongo. I can't do this!" Sizwe: "Lubabalo, xa ixesha lilungile, ungakwazi ukumbona ulihle. Not yet." Lubb: "is she okay?" Sizwe: "yes." Lubb: "Ta Seez, ndicela ungandixokiseli? Ebethe kum une high blood. is it still affecting her?" Sizwe: "ewe Lubabalo. Ndizomchazela ubukhona and uyamkhumbula." Lubb: "okay. Uzokwazi undifownela?" Sizwe: "I'll see." Lubb: "enkosi Ta Seez. But I have a feeling There's more to this than meets the eye. Kuthen u-tense?" Sizwe: "its nothing." Lubb: "kutheni esithi kengoku UTata bana ulihle unamafufunyana. Zintoni ezo? Kuphi e-St James?" Sizwe: "yeyes uyabuza Lubabalo!! I said uzoba right!!" Lubb: "oh. Ok. Ndiphumile Ta." Sizwe: "goodbye." Lubby walked out. He needed his xhosa dictionary. What the hell were fufunyan's? He asked himself calling Lonwabo.. Lubb: "ndoda?" Losta: "mjita." Lubb: "yintoni amafufunyani? Fufunyan's Fufu's or some shit." Lonwabo laughed. Losta: "intoni?" Lubb: "Lonwabo man!" Losta: "ntwezi mdaka man. Like Lil demons." Lubb: "I beg your pardon?" Losta: "Zinto ezimdaka Lubabalo. Ngaphakthi emtwin. Why do you ask?" Lubby hung up. Lubb: "what the fuck???"

Sparks sat in the car with Siwe, they had left for a few weeks until the crazy chase had died down. Siwe: "baby." Sparks: "hm?" Siwe: "ndilambile. Can we order food?" he rubbed her belly. Sparks: "ufuna ukutya nton umntanam?" Siwe: "fried chicken

wings." Sparks: "okay. Ima ke." he dialed a number and drove at the same time. Sparks: "Sabelo." Sabz: "who's this? Fumanephi number yam?" Sparks: "that's not your business-" Sabz: "ha.a. Woah. Number yam Lena fethu. It is Some of my business, ungubani? Sek'then send'zofownelwa ngama doda hok?" Sparks: "our mutual friend. Mbulelo. Umenzenton." Sabelo froze. THIS was the person. Sabz: "andimazi lomntu mna. Ndinobuza apho kuwe." Sparks: "Sabelo, you have a nice job, sexy baby mama. Inye qha into eyoba mbi. Its if.....one of those suddenly disappear. Ndizokubuza Kanye qha. Uphi uMbulelo?" Sabz: "ufunyenwe ngamanye amajita. And they forced him to leave. Ndam'qibela ngoko." Sparks: "and the girl. Did you interact with her?" Sabz: "Lihle? No." Sparks: "then kutheni engafumaneki. Not at school, on the street. Nowhere. Uphi?" Sabz: "andiyazi ke ba uphi shame. Andilo xhwele." Sparks: "find her. And bring her to Me." Sabz: "ndikwazelaphi ke mna." Sparks: "you know exactly who I am Sabelo Jokwane." he hung up and parked. Sparks: "babes, ina. Buy something, ukhangele ndawo yohlala, I'll call you." he gave her a couple of hundreds. Siwe: "please be careful." she got out the car. Sparks drove to Lovemore heights. It was about time. Lubabalo was in his bedroom getting dressed. He had on his silver grey tight fitting pants and white shirt, unbuttoned to the chest. He put on his black leather gloves and took his blazer. Walking out the room. Shrugging it on. In the lounge, his laptop was still open. He closed it and packed his bag, taking the wallet and keys. Then paused. Someone was at the front door. And for once he was annoyed. Lubb: "Lukhanyo honestly, Andina xesha lodlala ngoku. I'm running late bra." he turned and looked at him. It was not his brother. Lubb: "its You....." he spat. "Should've killed me when you had the chance. Good Morning. Lubabalo. Andrew. Morrison." Lubby breathed down his anger. "and before you get all excited. There's a couple of shit we need to discuss. Keep your dragons PMS on check.." he smiled..

Chapter 697

Lubabalo looked around him. Before he lost his patience. Lubb: "ufuna nton kum Victor?" Vic: "I prefer the name, Sparks. Its catchy. Sounds be-" Lubb: "don't you fucking play with me!!! Victor, ndikubuza one more time, uyinton endlinam!" Vic: "this house is mine too. Remember? I recall, siphuma sobabin eUniversity. The time we started working together, small'nyana deals, we started escalating. Then we bought this house, Together. Renovated it sisahlala eKapa. Moved to Australia after your release in prison, who took care of this house? Its ours." Lubb: "uthethi kaka! Yathengwa ndim lendlu! Zange ucelwe ngumntu ba mawube lapha!" Vic: "maybe not. But you owe me." Lubb: "I don't owe you Shit." Vic: "you ruined my life!! Took away

everything I ever had! Because wena Lubabalo unyolukile! Awoneli!!" Lubb: "and what exactly did take? Your heart?" Vic: "you bastard. Wandi user Lubabalo. Over and over again." Lubb: "Victor, ayo fault yam usi skroplap tshi. Awuna mlomo wothi hayi? Ngxaki yakho wena kucimba uyoze ube ndim. And that is just sad. Noba ungathin na, awucingi ubendim. No amount of soul surgery can work for you! You ruined your own damn life!" Vic: "No, nah.....a.a. You're going to pay. For kicking me out the company I helped you build-" Lubb: "after the stunt you pulled? People were getting suspicious of you! Bendizobonwa phi ndihamba ne stabane! 'best friends' my ass. Kwaphel ubutshomi the moment you started with that shit!!" Vic: "For stealing ubomi bam, imali yam, and everything else I've ever loved!!!" Lubb: "including me? You are pathetic. Uyi Loser. Fucking faggot. Bloody long nipple sagging coward! All these months wenza ukunya. Hiding behind closed doors, sending stupid notes and threatening my family! Bangenaphi abantwana baka Lukhanyo kulento?" Vic: "kuthanda umhlukhla, akhok'thin. Liphakuphaku ufana nobhut wakhe." Lubby grabbed his neck and held him against the wall. Lubb: "you better start talking." Vic: "you will never be truly happy if uqhubekeka ngalento yakho. Mark My words. Nobody loves you, for you. They love the money, VIP passes to exclusive places, they love the expensive one of kind cars, the high life. Abakuthandi, including your own damn family. The only thing real about your life is the kids. Zabephi bonke ababantu ungeka bina Mali? All these new friends that last a couple of months. You're blind to your own self Lubabalo." he pushed him off. Vic: "the cops are waiting for me to 'disappear' or mysteriously die. Bayandazi ndilapha. If andiphum k'le ndlu, you're going back to prison." Lubb: "I don't have to kill you. Yazi? I really don't. you look like you're about to self destruct anyway." Vic: "your daughters. Beautiful. Bafana nomama.....usamkhumbul umntanam uYonela? Oh....I mean umntanakho." Lubb: "ngumntana ka Lonwabo uYonela Victor. I never slept with Naledi!" Victor stared at him. Lubb: "exactly." Vic: "you know, yonke into yam, Lubabalo.....every damn thing. You stripped away from me, one by one. Ngenxa ndingena bazali. And you were rich as fuck. I had to bide by your rules. And you threw me out, leaving me to dry like a towel rag. Nobody in business wants anything to do with me because wandi blacklister. And for what Lubabalo? Huh? Because you're in denial about wh-" Lubb: "Nothing. Happened. Victor." Vic: "nothing happened? So you pretend like I never existed in your life? then came Lukhanyo. The gangster boss... You know, one thing endiyaziyo ngawe. When shit goes sour for him, kutaka wena kqala. And Vice Versa?" Lubb: "Yes." Vic: "incorrect. You need to evaluate your life and so called family. Your own parents have disowned you, ithetha ukuthin lonto ngawe? You're worthless Lubabalo. Oyena mntu pathetic. NGUWE. And you're going to jail. You're

going to lose the love you think you have. The family you think that cares. Uzofana nje nam. Like the old times. Then maybe uzoz'bona kakuhle mistakes zakho." Lubb: "okay Victor." Vic: "okay?" Lubb: "okay." Victor searched his eyes, unsure what he meant. Why wasn't he doing anything? Why was he so calm? Lubby moved closer to him, lifting up his chin. Lubb: "Killing you is a waste of my time because its what you want. Instead, you're going to suffer, not because of me, but because of yourself. Our day is coming. We WILL meet again. It might be tonight. It might be Next week. Or even in July. You never know. What I do know is, you won't sleep peacefully. Because Victor, ndizokunyisa. Moer toe. Till Hell trumpets me to stop. Usatan ame ngenyawo epethe ifolokwe andinqande. So, until that day. Good bye." he took his bag and walked out to his car. Olahlobo aye ngalo uzoziphumela ngayo. Lubby had nothing more to lose. There was nothing Sparks/Victor could take or destroy anymore. He drove to the airport to fetch Steven, who was waiting anxiously. Lubb: "sorry for being late, something came up. You good?" Steven: "I am fine thank you Mr Morrison. Everything okay?" Lubb: "splendid. Let's go. We have a meeting in an hour with my partner, can I get you some refreshments." Steven: "no thank you. My room please." Lubby drove him to his temporary accommodation and booked him in. Lukhanyo called. Lubb: "ja?" Luks: "kunin ndikufownela? what's up with your phone?" Lubb: "I was busy sizothetha later on." Luks: "you sound pissed off." Lubb: "I'm fine." Luks: "uzobuya nin? Worse ba nishiye botile yenu apha." Lubb: "andibuyi mna. I have to work. We'll talk later." he hung up. In his car, he started thinking about the past he'd avoided so long. Heeee, uyagula na uVictor? What the hell? Just because he said -Someone knocked on his window distracting him from his thoughts. Steven: "hellllloooo???" Lubb: "oh, sorry." he unlocked the car. Steven: "must we reschedule?" Lubb: "uhm...No." Steven: "I am already tired. So I can't to waste energy on someone who's not interested." Lubb: "I'm okay, you ready?" he started the car and drove to Soma. Somebody was going to fucking die.

I sat in bed that day, ndingazazi noba mandizithin. Just the twins' noisy playing kept me sane. My mother came in. Thenji: "Lihle." Me: "mama, kwenzeka ntoni." Thenji: "suzihlupha mntanam. Thenji: "ingaba Nguban ke lowo." my heart raced, what if lomntu came here personally? I was becoming paranoid more and more. Me: "mama suphuma please. Just buzz UTata akhawleze aze!" I whispered. Thenji: "aibo. Kukwam apha, ongena k'la mnyango ukhawlelwa ndim." Me: "mama please!!" I begged. Nditshiswa nayimichamo. Thenji: "woyika nton kangaka Lihle? Kwenzeka nton?" "helloo???" he yelled. I sighed a deep relief. It was Lukhanyo. Thenji: "Sise roomin! Lihle, thetha mntanam, utheni?" I didn't want to worry or upset her at this point or she'll be overly fussy. He walked into the room. Lutha: "Tata!!" he screamed. Luks: "Hey! Molweni Ma." Thenji: "molo Lukhanyo." Luks: "niyaphila?" Thenji: "siright bhuti unjan wena?" Luks: "ndiphilile mama. Ndizobona ezi zam." Luhle giggled. Me: "sorry ke." he busied around the room. I could feel and hear the twins running around after him. Luks: "phakama." I sat up. He put something behind my back. Me: "yuuh bawo ayingo xam lowo?" Luks: "ngu khrebe." I laughed. He laid me back on something so soft. Me: "what's this?" Luks: "a teddy bear. Giant size. Ayiseku ginye maan." Me: "thank you. Its reeally comfortable." Luks: "my pleasure, kudala uhleli ebhedin. So I thought.....yeah you know." Me: "ingathi kanti ucinezele umntanam." Luks: "nope. Nanku endijamele." he kissed Lubambo. Luks: "Uyandi completer kwedin." It was like a pendant ejinga es'bunzi. Luks: "hm....ima still." I sat still. After a while, waphinda wancokola. Luks: "bendizobona abantwana before I go." Me: "uzoyaphi?" I

Luks: "you know I always keep it real with you, but this time its best ungazi. Okay? Do you trust me?" or maybe he was going after the person who wanted me killed. But then again, why would he care? So noba uye Pretoria? The curiosity was eating me. Me: "yeah." Lukhanyo looked at his twins. They stared back at him, smiling. Luks: "niyalthanda ulwimi shame." Lutha: "hayi." Luhle giggled, running to her dad. He put her on his lap. Luks: "uzophuz Tata? Mmmwah. Love you my angel." Luhle: "aview Tata." Andiyazi uske athin bonanje uluthando." it ached me every time I left him behind noLukhanyo, funny enough, he never cried if I left him with his grandparents. So I know how Luks feels this time. But as time goes, I'm sure Lutha will grow out of it. After a while he was calmed, probably fallen asleep. Lukhanyo put him next to me on the bed taking Lubambo. Luks: "funa utshintshwa Le. Yoooh ndoda." Me: "heheee! Yeke, uncedile." Luks: "andiyazi Le iphum apha." he changed the diaper. Luks: "ndizovaya kengoku ne. Ubuyile mamakho." Luks: "concentrate." he reminded himself, but the noise the other car was making irritated him. So he looked. Sparks smiled at him. Sparks: "good luck." then drove off...

Chapter 698

Lukhanyo drove after the car. It was only a matter of seconds till he caught up with him, overtaking the car and blocked its way. He stepped out and walked to him. Victor opened his door and climbed out. Vic: "what now?" Lukhanyo punched him in the face, kicking his stomach with a knee. Luks: "umsun wakho!! You took my child, kidnapping her for a night, you sick bastard!! I will be damned if you think you gonn get away with hurting my wife!!" Vic: "whaatt!!" Lukhanyo hit his jaw and stamped on his face. Luks: "ufuna ntoni kuthi!!" he roared. Sparks: "buza kuLubabalo. He knows." Luks: "jonga sundiqhela amasimba uyeva? Uthetha nam ngoku, ndibuza kuwe, ufuna ntoni!!" Vic: "you don't have what I want!" Luks: "kanti uzoy'khupha ngenkani!" Vic: "this has nothing to do with you Lukhanyo!! Its between mna noLubabalo!!" Luks: "what the fuck is!" Vic: "he Knows. Buza pha kuye." Lukhanyo kicked him again and again. Luks: "Ndithe ndibuza wena s'rhama!!" Vic: "He's a fraud!! Ulixoki! He is....." he cried in agony, crawling to his car. Luks: "what?" victor wailed in pain. He felt like he'd cracked open his right rib cage and dislocated his shoulder. Lukhanyo thought for a while. How did this person know Lubabalo? Why would he say he's a fraud? Luks: "who you!" Vic: "Vic-victor..." Lukhanyo got in his

car and drove away. Wasn't Victor lubabalo's best buddy, until he went awol all of a sudden, Lubabalo Never, not even by mistake mentioned him. why was that? Stuja called. Luks: "Yes?" Stuja: "Ta Luks, sigrand ngoku uphi?" Luks: "ndilaphe mveni kwenu." Stuja: "ok sure." he hung up. It was time. The targeted white van stopped by the robots, everything looked normal. They turned green, slowly it started moving again. Two police van escorted it. Lukhanyo pulled down his seat, putting on his balaclava. The 3 vehicles passed him. The truck came behind them. Anda was driving. Overtaking the police and money van. Another truck followed. Luks: "oh shit!" who the hell was this? Lukhanyo called Stuja, the line was busy. Luks: "yhini na Nkosi yam! What the hell is this!!" it looked like a very much planned set up! He couldn't let Stuja and his friends go to jail for his shit. starting the car again. He followed. The second truck slowed down. Lukhanyo started panicking, trying to call Anda to stop, he wasn't picking up. Luks: "yeeses!!" the first truck, swerved once, turning its body sideways, right across the road, police van number one smashed into it immediately. The money van screeched to a halt with the second van. Truck number 2 crashed into the last police van behind, pushing it right off the road pulling the money car with it rolled twice and crashed into a large pole.. The cars stopped. Stuja, Lucky, Anda, Lara climbed out running to the scene. The drivers were dead. Lukhanyo took a steel hammer hitting open the money car. Luks: "5 minutes majita!!" inside 2 armed guards climbed out, someone pulled Lukhanyo out dragging him away. Shots were fired. Chaos erupted right then. Luks: "who the fuck are youu!!" Guy: "uyow'fa unye. Ungena ngqondo nje. Stay here!" he set his AK47 aiming at one's head and shot him. BAA!! Dead. The second guard was waiting. Guy started aiming again. He shot him. BAA!! End of story. Guy: "NOW, you have 5 minutes!" the guys grabbed the bags. Lukhanyo started his car, waiting. Less than 3 minutes they were done. Hearing sirens in a distance. The guy whistled. Guy: "GO!!!" Luks: "wena?" the guy revealed himself. Guy: "Ndithe hamba Lukhanyo." Luks got in his car and sped off. The squad followed him out of town. Through out the way he kept thinking to himself, if this guy hadn't come, they would've flopped the whole situation. He would've died, because the guard aimed straight at him. Who was this? How did he know the plan? Without stopping nowhere they drove straight to Grahamstown, and found a temporary spot. Parked all cars in a back yard and went inside. Luks: "what the fuck just happened? Stuja? Explain." Stuja: "Ta Luks, I fucked up." Luks: "njani undixelele lokaka? We would be dead or in jail!! Ngubun lamntu!?" Stuja: "andimazi Ta Luks." Luks: "ukhona phakathi kwenu omaziyo?" they said no. Luks: "mxim." his phone rang. Luks: "Yintoni!!" Lihle: "uhm Hi." Luks: "oh, sorry. Hello, how did you....." Lihle: "umama dialed for me." Luks: "okay...why?" he walked to the room. Lihle: "I wanted to check

if you're okay." he smiled. Luks: "I'm okay." Lihle: "oh alright then." Luks: "was that it?" Lihle: "pretty much, yep." Luks: "oh. I thought uyandikhumbula. So you do care.." Lihle: "don't push it. Luhle does, oko ecula gama lakho apha." Luks: "uthin." Lihle: "baby, cula langoma ka tatakho, come." Luhle came to the phone. Luhle: "Tata ya Nana, a-thathi a-Nana. ITata. Luks: "benzani oonyana bam?" Lihle: "well, Lubambo is fascinated with a new project. Uphethe enye rubber toy egreen. Luthando is still sulking." Luks: "undiphuzele kubo." Lihle: "I will do so. Goodbye Lukhanyo." Luks: "okay. Goodbye then." he hung up and leaned on the wall. Stuja: "boss?" he peeped in. Luks: "ja. Yinton Silulamile." secretly wiping an emerging tear. Stuja: "ugrand?" Luks: "yeah. Khumbula amantshontsho qha." Stuja: "u-sure?" Luks: "yeah, Luhle undiculela ingoma over the phone. Sweetest thing I've ever heard." Stuja: "oh..Tata just called, ebekubuza use grand." Luks: "alright." they sat down and started counting.....

Sizwe was meeting a prophet, he was next in line. As he was called to go in, a bit nervous not knowing what to expect. Sizwe: "Molo Tata." Tata: "molo." after greeting and introducing himself he stated his problem. Sizwe: "ndicela kuthandazelwe intombi yam, akasaboni and aooGqirha abakwazi tu umnceda. Andisayazi ndenze njani." Tata: "amayeza, namanzi angcwele awakwazi usetyenziswa kunye. Kunyanzelekile ba ukhethe ibenye." Sizwe: "ndincamele khona Tata, bathi kufuneka kuthethwe inyani." Tata: "andikwazi ukunceda bhuti, kunyanzelekile ukhethe ibenye. Ungabi ses'phakathin, ba awulungelwa ngapha uzoya ngapha. Inkolo yakho mayibe Nye." Sizwe thought for a while. This one didn't look like he was ready. He couldn't help him. He stood up and thanked him respectfully then walked out. He sat on the bench outside wearing his shoes. What if Lihle dies because of him? Would he be able to forgive himself? Why was Zakhele so damn stubborn! Who needed to know the truth? Lihle? Thenjiwe? Nosizwe? Who??? So he drove to Motherwell. If he had to tell the truth, he would. Thenjiwe was taking the washing off the line at the back

putting it in a small tub. The twins were playing behind her chasing each other with a small soft ball. Lubambo was in the room, asleep with his mommy. Sizwe walked in. Thenji: "molo." Sizwe: "molo Thenji, unjani?" Thenji: "wena xa undijongile ingathi ndinjani Sizwe? Heh? My child is suffering! Wena upholile! Uyay'bona yonke funeke ndiyenzile? Taking care of her children, her! Indlu, umsebenzi! Wena kodwa wonwabile." Sizwe: "andonwabanga Thenjiwe. Andisayazi ba funeke ndithini." she took the babies in, since the weather was changing. Folding the clothes. Lutha: "Khudu. Iphi Tata ka Utha?" Sizwe: "usendlini boy." Lutha: "Athathi Utha." his eyes sparkled. Sizwe: "ewe uzoza azothathi Utha no Nana." Lutha: "a-Bambu!" Sizwe: "ewe no Bambu wenu." Lubambo started crying. Luthando ran to the room. Lutha: "Bambu!!! Peeeeepppppppppp!!!!" Luhle followed him and clung onto the bed. Luhle: "Bambu!" Me: "hayini guys! Kwenzeka ntoni ngoku??" Lutha: "thatha Mama, funi Bambu nze!" Me: "utheni Dan." I rubbed the baby's tummy. I was so scared if I gave him my breast maybe naye He'd stop seeing. I didn't want that for my son. Me: "mama!!" Sizwe walked in. Sizwe: "ndim sweetie, what's wrong?" Me: "molo Tata, ndicela ibotile ka Lubambo." Sizwe: "mnike ibele Lihle umntana." Me: "hayi Tata, andizokwaz." Sizwe: "he'll be okay, its just milk. Awutyanga poison." Me: "but akhomntu undaziyo ba nditheni na!" Sizwe: "ewe mntanam kodwa akhonto izokwenzeka kunyana wakho, he needs milk." I felt like this nightmare dragged on and on and on... Sizwe: "mncancise mntanam. He's hungry." so I gave him the breast and he started sucking instantly with force and breathing. Sizwe: "ulambile." Me: "yeah. Anga tsagrwa qha." Lutha: "mama." Me: "yes?" Lutha: "nam." Me: "umdala kaloku wena ngoku." Lutha: "hayi. Funi nam." Me: "Luthando unamazinyo. Uzandiluma wena." Lutha: "afuni." Me: "uright ke." Sizwe: "akase na moods. Ebendibuza utatakhe. Was he here?" Me: "ewe. Beze nale teddy bear." I could feel his irritation. But he kept quiet. Lubambo stopped, ndambhodlisa. Luhle: "puuh Bambu!" she giggled. Me: "nawe mos wawusitsho." she hid her face. Luhle: "hayi." Sizwe: "ewe!" Thenjiwe came in. Sizwe: "Ndicel uhlale phantsi. Ikhona into endifun uyithetha nani." she sat down. Thenji: "well..." Sizwe: "lento ndizoy'thetha ayindenzi proud at all." someone knocked at the door. Sizwe: "ngena Lubabalo." how did he know? Lubabalo came in. Lubb: "molweni Tata." Sizwe: "uzothini apha? Ek'beni ndinixelele noLukhanyo. Time and time again, andinifuni apha!!" Me: "ubizwe ndim Tata." Thenji: "ndam'vumela. Lukhanyo ngu Tata wabantwana, uzile wazobabona. Lubabalo uzotshata noLihle, kuthen engazokwazi ukumbona?" Sizwe: "yazi niyay'complicator yonke lento!!" Thenji: "akhonto i-complicated Sizwe! Nguwe owenza izinto zibe complicated!" Sizwe: "Hlala phantsi Lubabalo." he sat on the bed next to Lubambo. How he missed the boy. They grinned at each other. Lubambo had

his tiny hand around his index finger. Lubb: "Sipho senkosi. My angel." he kissed the hand. Sizwe: "Lubabalo, uLihle has lost her eyesight." Lubb: "whaat? How! Kutheni mna ndingechazelwanga?" Me: "calm down...its not like ndiyafa." Lubb: "I know...how did this happen?" Me: "the day, ndisiya esbhedlele. It just happened." Lubb: "wathin ugqirha?" Sizwe: "doesn't see nothing wrong." Lubb: "a second opinion??" Sizwe: "same." Lubb: "traditional doctors? Kuyawa buye esisporho singenanto kwenza na? Like does Xolani not know the meaning of rest in peace? Subuya back? Don't come umva?" Sizwe: "ayisosporho. And its definitely not Xolani." lubb: "Ta Seez. Ndik'la point." Sizwe: "22 years and two months ago, ndandihleli noSmilo. Zolani. Zakhele. Mxolisi. NoTivo. Amawele as usual, balwa. I got in between ndabanqanda. Ndisusa uZolani kuZakhele. We tried resolving the issue but akafuna nova uZakes. He left us. Wahamba noSmilo noTivo, ndashiyeka noMxolisi, naye wagoduka. It was me and Zolani left. It was tense because.....it was just tense. Singathethi. Eventually wabuya uZakes. And killed him. I won't bore you with the details of how that happened. I was the only witness. Ndazama ukuthatha Le weapon but it was too late. Zakhele left me there. I was taken to jail. Ndenza statement, all that. Ndabanjwa. Zakhele paid my bail. Wathi kum, if I were ever to open my mouth. umama womntanam would be next, the time Thenjiwe, you were 5 months pregnant ngoLihle. Zange ndithethe, all I told you was that funeke uhambile qha. Remember?" she nodded. Sizwe: "well....." he breathed. Sizwe: " Zakhele claimed umzimba ka brother wakhe. And told me to" he sighed deeply in pain. Thenji: "told you to what!!"...

Chapter 699

Me: "you buried your best friend Tata?" Lubb: "don't get me wrong...for a second I thought you were gonn say you.....never mind. Thank God. Woooh!" Sizwe: "I didn't have a choice. Thenji: "wamngcwaba phi?" Sizwe: "somewhere in the woods." Thenji: "somewhere in the woods? Nje nge nja!! Still usathi yi best friend? Awunazo nentloni Sizwe!!" Me: "mama, please." Thenji: "you deserved to be in jail! Nawe umbulele uZolani!! Wancedisa ngomngcwaba Sizwe!" Me: "mama!!" Sizwe: "andikho proud ngalento Thenjiwe." Lubb: "sorry to disturb the moment but....uhm. Yonke lento Ta Seez ingenaphi? What does it have to do with Lihle's blindness." Sizwe: "kufuneka inyani, abeno khululeka." Lubb: "sweety? Ukhululekile?" I shook my head. Lubb: "I don't see how that helped." Thenji: "yinton enye Sizwe obawel usibalisela yona?" Sizwe: "every time ulihle esecamko Zakhele....." he buried his head in his hands. Me: "nditheni mna Tata?" Lubb: "wait.....so, the reason Lihle besithi 'bhuti

makayomlanda', was because of zolani. But why isenzeka kuLihle....oh wait, because she's Your daughter and at the time Zakhele wak'threatnisha ngaye!! The only way, Zolani can get through to you, is through her? Damn I'm good." Sizwe: "yes. Yes you're good." rolling his eyes. Lubb: "Ta Seez, Mufasa." I laughed by mistake. Sizwe stared at Lubby. Lubb: "or is it Scar?" Sizwe: "vala. Umlomo." Lubb: "definitely Scar." Sizwe: "Lubabalo this is not a game." Lubb: "most definitely not Scar- I mean Ta Seez. I mean it wasn't your fault, Judas made you do it. The real question here is, what are YOU gonna do about it. Because now, its all up in yo grill. Its affecting Your seed. And Judas is out there ballin....with his 30 pieces of silver." how did he turn everything into a comedy session? Because my father chuckled. Sizwe: "mxim." Lubb: "for real. Call me what you may, but if I were in your position ngendam'mpimpa mna nge vuvuzela estadium. Qiba kwam ndithathe konke okwam, ndibeke phantsi with my baby mama.. Uyondichola ecamkwe moon emini." Me: "inyanga?" Lubb: "its February love." Me: "no ndithi imoon yinyanga." Lubb: "Oh. Well. Now I feel dumb. Who wants juice? I'll get juice." he got up and walked out. Thenjiwe laughed. Thenji: "Yuuuh sisibhanxa esi." Sizwe: "phambene nyani ulubabalo." Me: "so Tata kutheni ngoku ndingaboni still?" thenji: "its not enough Sizwe, kunyanzelekile uchazele abazali baka Zolani bazophumla angcwatywe ngendlela elungileyo." Me: "usayazi wamngcwaba phi." Sizwe: "ewe. But I doubt There's still a body." Me: "his bones may still be there." Sizwe: "its been over 2 decades Lihle." Me: "we could at least try." Sizwe: "Zakhele funeke avume kqala. Ayiikho point yoba mandiyogumba pha without Zakhele because this has to do with HIM!" Thenji: "mxelele ke! Ndiya police station ngoku!" she stood up. Sizwe grabbed her. Sizwe: "No!!" Thenji: "YES! Sizwe, wonke umntu uyamoyika uzakhele, kodwa xa sekuzogula nomntanam?? Hayi kaloku bhuti that has gone too far!" Sizwe: "Thenjiwe please. You don't understand what he is capable of!" Lubby walked in with a glass of juice. Lubb: "ndihamba nawe sis Thenji." Sizwe: "No!!" Lubb: "Yes." he sipped his juice. Lubb: "yes. If akafuni ukuvuma iizono zakhe Siya straight ePolice station to exhume the body. And I'm not playing." Sizwe: "its not that simple!" Lubb: "ndiyithethe ngesXhosa? Or Latin? Because its happening, izokwenzeka, harujiji bolavina layibhubhu right here.." he sat down. Lubb: "Dear Lord, Baby Jesus, This Juice thumping." Thenji: "suka phamkwam Sizwe." Sizwe: "No!! We're sorting this out as a family! Lubabalo, take the kids." Lubb: "Mufas- I mean Scar- Yoh, Ta Seez. The problem of the matter behind the situation of our ngxaki is that I am, I would like to think, also part of the family." Me: "can I say something?" Sizwe: "yes dear?" Me: "Ndifuna umbona." Lubb: "ubani?" Me: "Zakhele. I have to." Sizwe: "that is a bad idea, Lihle, let me explain why. Xa-around him. You are not yourself. You are not conscious. Therefore I cannot let you see him because

uzothetha izinto and it'll end badly. You might die." Me: "I'm not going to die Tata. Ndise kuye qha." Thenji: "then masambeni nomProphet or umfundisi or sangoma or something." Sizwe made a few calls. The sangoma had agreed to help him, but he was busy. They set up a time and hung up. Lubb: "so?" Sizwe: "sizohamben ngo 4. And Lubabalo, behave." Lubb: "as if." Lutha woke up. Lutha: "Tata." he rubbed his eyes. Lubb: "heyyy." Lutha hung on his shoulders. Lutha: "thatha Utha yakho." Lubb: "uh huh? Why am I receiving so much loooove? Mwah." Sizwe: "iza Lihle." he picked me up. Sizwe: "Lubby uzoshiyeka nabantwana?" Lubb: "no, we're getting some chicken." Me: "uzobuya?" Lubb: "yes. Nizofika ndilapha." Thenji: "istixo sikwi counter." Lubb: "okay." we left.....

In Kwa Dwesi. Zakhele sat in his dim lounge. Windows curtains, doors locked. He was in a mood as dark as his house. His heart was throbbing inside his chest and he hated the feeling. Lukhanyo was safe. Then what was the problem? He was shaking, that was the problem. He'd never been this nervous since the birth of the triplets. A knock on his door startled him. Zakes: "ungubani!" Sizwe: "ndim." Zakes: "tshin, ngena mfondin undicithise isthuk'thezi." Sizwe came in. Zakes: "yinton utsala ubuso??" Sizwe: "we have to talk." Zakes: "haha. In who's house?" Sizwe: "ndize nomntu." Zakes: "for me?" he smiled. Zakes: "ngubani lowo?" Sizwe called someone in. Zakhele stood up. Zakes: "molo." Sizwe: "ndibize UTata apha today to help us." Zakes: "help us? Nganton Sizwe?" Thenjiwe and Lihle walked in. Sizwe: "Zakhele please. Cingela umntana." Zakes: "Sizwe Ndithe Isa umntana e-St Johns!" Sizwe: "I would rather uvume into owayenzayo." Zakes: "which is what exactly!" Thenji: "Zakhele siyakucenga. Yhini! She is suffering!!" Zakes: "ndingenaphi mna!!" I screamed! The sangoma started with the ritual. Zakes: "endlinam!?????" Sizwe: "you leave us no choice." Zakes: "get out." Sizwe: "or what?" Me: "bhuti izondilanda!" Zakes: "andingo bhuti wakho!" Me: "Zakhele.." Zakes paused. Zakes: "no..." he sat down. Zakes: "ungubani?" Sangoma: "umninawa wakho ufuna uyomlanda. Kwindawo owamshiya kuyo." Zakes: "uk'ba andifuni." Sangoma: "igama lakwa Mzinyathi lizohlala lingcolile. LiLandelwe ngama bhadi. Ubabukele bonke abantwana bakho bekushiya, Wedwa. Nguwe wedwa ononceda lomntana, vula intliziyo yakho Zakhele." Zakhele thought carefully, the one thing he'd always wanted. To be set free from the guilt, the pain, the curse of spilling his own blood. Zakes: "ndenze ntoni." he whispered. Sizwe: "he needs to be laid to rest. Properly." Zakes: "okay. Ukuba izonceda, ndizoyenza." Sizwe: "enkosi." I was getting weaker by the minute. The smell of that burning herb was killing me slowly. Zakes: "so funeke ndixelele UTata." Sizwe: "kunyanzelekile babekhona." Zakes: "what's.....Lihle....?" he stood up and held her shoulders. Zakes: "ndicela uxolo mamngwevu. Lento isenzeka kuwe nje kunge

Thenjiwe: "kqala, you need a memorial box, for ufaka amathambo that's if niyawa fumana. Okanye Nizophatha nge plastic? Qalani kwa Shweme and get help!" Sizwe: "sim'saphi after this?" Zakes: "ufika kwabazali, sizomngcwaba." he went to make the call. I kneeled on the floor. My head felt heavier than my body and ears felt like they were burning. Me: "Tata..." I sobbed. Sizwe: "Lihle? Yinton?" why couldn't I see yet? He's admitted the truth! Sizwe: " utheni umntanam!!" Sangoma: "uyasindwa. Ndithe uzokhululeka khangе ndithi uzophila." Sizwe: "but we're almost done! Akakwazi ubambezele a few more hours!" he shook his head. Sizwe: "No!!! Iza Thenjiwe!" he picked her up, carrying her out of the house to the car. Sizwe: "mntanam ungakulinge undishiye! Sizoyilungisa lento." I was losing his voice, my body was numb. I was in darkness. Pure silence. No movement. No sound.....

The next morning, Lukhanyo was on his phone trying to organize a way back into the city. For sure the roads were blocked. Yesterday they'd just slipped away. Arguing with himself whether or not it was a good idea to go back. He missed his kids. Not just their voices, the way their faces lit up everytime they saw him walk in the door. The way they bombed his faces with multiple kisses. Their laughs and giggles. Lutha's dancing, Lihle's singing, Lubambo's shy dimples smile. Their mother, whenever she yelled at him. He missed his little family. Stuja: "Ta Luks? Awukalali?" Luks: "someone has to watch." Stuja: "I can take over. Rest. Noba yi 2 hours." Luks: "nah. Ndigrand-" Stuja: "Ta Luks, Tata uthe ndingak'yekelel." Luks: "andingomntana Silulamile! Our father must mind his own business! Nawe ngokunjalo." Stuja sat down. Luks: "I'm sorry. Andiziva grand vandag." Stuja: "why? Kwenzekan?" Luks: "ndityhafilе qha. I need a strong drink." Stuja: "iingcosi busowzifownele??" Luks: "maka Lihle akaphenduli, nantso eyona nto indenz istress! What the hell is going on pha? Ndihambele ntoni! What if that idiot went there and killed her and my children!" he stood up. Stuja: "Lukhanyo wait!!" Luks: "No Stuja!! I was a negligent! Ndiyayaz kukho abantu after her but ndenz ikaka ecaleni! That bastard came to warn me!" Stuja: "which bastard!!" Luks: "uVictor! He said uLubabalo lixoki and.....a fraud.....wait....all these incidents, what if Lubabalo staged them? Because if he wanted, ngekudala wam'fumana lomntu. How come this person is always ahead of us? Unless he's with us!!" Stuja: "Lubabalo would never hurt the kids." Luks: "no, he will never do that! But he would hurt Me!" Stuja: "and uyamthand ulihl-" Lukhanyo stared at him. Luks: "what the Fuck did you just say!" he snapped. Luks: "mna bendingamthandi!!!

Ndandisibhanxa that time, ndacela uxolo, sadlula shopop. Now its the present. we've moved on. And andifun phinda ndithethe ngalento." Stuja: "andivumelani ngento enzekayo Ta, but I think its better, nibe apart. Soze iphinde isebenze." Luks: "Stuja, ndizoy'thin lento?" he pulled up his shirt revealing his glistening inked skin.. Stuja: "ngumama wabantwana bakho bobathathu. She'll always be a part of you. But suyifostela lonto. Please bra yam." Luks: "sho skhokho. But Ndifuna ukuya ebhayi ngoku, because ndiya panicker." Stuja: "fine. Masiye. Mabheka!!" mabheka: "ja?" Stuja: "sisaye PE, keep this place guarded at all times. Soshiya kwanto ke kuba kuya searchwer pha." Mabheka: "shap." Stuja drove to a car hiring company and swapped cars. Lukhanyo took the wheel, driving back to Port Elizabeth. The closer they got, the further it seemed. Luks: "khamane uzama umaka Lihle apho please." Stuja: "akaphenduli." Luks: "mjita. If something happens to my children. ndiyow'qhekeza umntu ngezandla ezi zam!" Stuja: "I'm sure ba-safe abantwana." near Colchester, there was a big road block. They were searching. Luks: "sisuka phii?" Stuja: "eMonti. Sister wam ebegula. We were there for 4 days, she's okay ngoku." the car was stopped. Police: "license." Lukhanyo handed it over. Luks: "how are you officer." Police: "get out the car." Luks: "is there something wrong?" he climbed out. He and Stuja were searched. And the whole car. Another police walked to them. Him: "do we have a problem?" the voice was familiar. Police: "no sir." Him: "I'll take it from here." they let go and walked away.. Lukhanyo looked up. Luks: "you are just everywhere aren't you." Guy: "you're welcome." Luks: "ndiyakwazi?" Guy: "nope." Luks: "so ndik'batala malin?" Guy: "andifun Mali yakho mna. Just stay out of trouble Lukhanyo, banintsi abantu around here. Ready to take you down. The name's Sabelo. You can go." Lukhanyo got in the car and drove to Motherwell. Thenjiwe sat quietly on the bed, Lubby had the kids at his house. Sizwe had stayed at hospital. Lukhanyo walked in the house. Luks: "Sis Thenji. Kwenzeka ntoni? Baphi abantwana? Uphu Lihle?" she shook her head. Luks: "mama? Where are they? Baphi!!!" ...

Chapter 700

Lukhanyo rushed to the hospital instantly. The roads were quiet luckily. The whole way his mind was on his kids. Then back to Lihle, then to Lubby. He arrived at Mercantile Hospital and went in to look for her. Sizwe was outside the room talking

to the doctor. Luks: "Ta Seez!!" Sizwe: "Lukhanyo." Luks: "where is she?" he walked past to the nearest room. Sizwe: "Lukhanyo!" Luks went into the room. Luks: "babe?" the doctor rushed in. Doc: "you are not allowed here sir!" Luks: "I am very much allowed. This is MY wife!" Doc: "I understand that but it is really not a good idea." Luks: "fondin, khandiphe space man ne?" he sat on the bed holding her hand. Luks: "Nana, cela uvuke please." the doctor left the room. Lukhanyo stared at the machine then back at her. Shaking his head. Luks: "dear Lord, what am I doing wrong? Why Hleli kuzo hlukumezeka yena for my mistakes? Jesus please just take it out on me! What must I do!" Sizwe: "its not your fault this time." he walked in. Luks: "but Ta Seez it is. They want to attack her because of me." Sizwe: "what?" Luks: "befumene message the hours before she went blind. Someone threatened to kill her." Sizwe: "and you didn't care to tell me!!" Luks: "Eish Ta Seez." Sizwe: "no Lukhanyo don't Eish Ta Seez me! Who is this!" Luks: "yenyi awti Ta Seez. Some stupid guy." Sizwe: "you see why ndingan'funi Ecamko mntanam! Do you understand now? How would you feel if your daughter's boyfriend had a string of enemies that want Her dead!" Luks: "as her father, I would protect her Ta Seez." Sizwe stared at him. Sizwe: "Lukhanyo ufuna nton Kanye Kanye? One minute, you trash her, humiliate her, run around with floozies in front of her, umhlelisa ngabantu. Then all of a sudden, you're back like a summer rash, and you just won't go away!" Luks: "bhuti Sizwe, she's m-" Sizwe: "I don't give a damn if she's your wife! Akak'funi uLihle!" Luks: "that is a lie Ta Seez, xa engafuni ndibekhona kuthen engatsho kengoku? No man, I'm sick and tired of everyone making decisions for us ngathi singabantwana! We have 3 children. We are capable. We can cope!" Sizwe: "OH? You can cope now? After all these months you can cope?" Luks: "ewe bhuti!" Sizwe: "well listen to me young man. I Satan dare you to play this child one more. I swear to Lucifer, kuyow'ba manzi phantsi. Kugcigcize igazi lakho nomkhuluwa. Siyavana?" Luks: "ewe Ta Seez, bu-" Sizwe: "I said. I Satan dare You. To play this child one more time." Luks: "ndivile Ta Seez." Sizwe walked out. Luks: "damn it. nxx." he sat down and held her hand. Luks: "what is wrong with your father? Akandiniki ne-chance.....yazi I've been giving this some thought lately, frankly I don't think we're ready. Yonke nje into happened so fast and....you didn't give me a chance. Or you did, but I was blind. But Lihle, do we really want our kids to grow up like this, separated from their parents. I know I'm to blame, and forever will be. Just in case you don't make it, I want you to know that I'm sorry. From the bottom of my heart. I want you to know that.....uhm...well....." he stared at the beeping monitor. Luks: "you're the closest I've ever been to heaven, and the closest I'll ever been to hell. I don't know if ndim ndodwa na oziva ol'hlobo. I don't know whether I'm being tested or being fooled any longer. So if uzixelele nyani that you

aint playing with me anymore, Ndifuna undixelele ndihambe." he sat and waited. No movement. He stood up. I woke up from a deep exhausting sleep, what happened? Where was I? Why was it cold. Something slipped from my hand and I heard footsteps. Me: "hm.." he/she stopped. I was weak and could barely register anything. Luks: "you're awake?" I was out of air. He removed the air mask. Me: "no." Luks: "No what?" Me: "don't....." he put the mask back on and buzzed the nurse. Luks: "what's wrong?" Me: "I" Luks: "Lihle? You what?" I was losing again, passing out. His voice was an echo. Then utter silence.....

Lubabalo sat in his house with the children playing on the floor. They were building a building. Lubambo was on his lap. Lubb: "that's so adorable. You go Lutha! Build that building like a bawss! Daddy got you! Yeah....you're bringin that cheque back home aren't you? Uh huh? Civil Engineer up in this bish. Don't hate." he switched on his TV, turning to Trace. He needed something to get his mind off this. It hurt that he couldn't be there, right by her side, but the kids needed him too. Seemingly nobody else had time for them these days. Luhle climbed on his lap and sat down watching. The Weeknd was playing. "Do you like the way I flick my tongue or nah? You can ride my face until you dripping cum. Can you lick the tip then throat the d*** or nah? Can you let me stretch that p**** out or nah? I'm not the type to call you back tomorrow. But the way you wrappin 'round me is a prob. Ain't nobody tryna save ya. Baby, get that paper. Probably got a lot of other b***** owe you favors. P**** so good, I had to save that shit for later. Took her to the kitchen, f***** her right there on the table. She repping XO to the death, I'm tryna make these b***** sweat. I'm tryna keep that p**** wet, I'm tryna f*** her and her friends.." Luhle: "onah onah....kuzu riri tethi onah? Kharajukitali onah? Atikitikitiki onah? Onah?? Onah??" she sang clapping her hands. Lubb: "No. Nah.ah. We're not singing those songs in this house. Nope." Luhle: "ibi Tata?" Lubb: "very mbi baby. Sies puuh!" Luhle: "siess onah!" Lubb: "yeah, masibukel Tellytubbies zakho love." switching the channel, one by one, VH1, MTV base. Luhle: "ima Tata." she stood up. Luhle: "puta mama bee!" Lubby laughed. Lubb: "you have got to be kidding me?" Luhle: "ohhhh Nana!! oo babima thathe!" Lutha sprang up. Lutha: "ooooohh Nana!! Why gati mos." he danced. Wiggling his body. Lutha: "ohh nana nananaaa!!!!" Lubb: "nah...I'm not having this." he switched the channel straight to Disney Junior in case on channel O they were playing some caracara music. Then he'd be really defeated. Lutha: "Hayi Tata! Ngom Nana moth nze! Hayi Tata!" Lubb: "nantsi ngoma ka Nana. Sofia the first. Cula." Lutha: "Tata!" Lubb: "baba!" Lutha: "afuki ngom Nana nze!" Lubb: "No. Akhomntanam uzocula uTrey Songz or the Weeknd about certain things, they don't even know. Niks nie my angels, sorry but daddy has to be uncool this time." Luthando huffed and puffed

sulking. Lubb: "fane wangu wolf. Ndizok'vuthela nokwam baby cakes." Lutha threw his toy at him. Lubb: "ndizok'betha kemna Luthando!!" Lutha: "mpa!!" Lubby smacked his hand. Lubb: "Hayi Luthando!" Lukhanyo walked in. Luks: "what the fuck do you think you're doing?" Lubb: "ayiva lentwana." Luks: "who gave you the right to hit my children Lubabalo?" Lubb: "no Lukhanyo, xa engeva nd-" Luks: "akeva wenzantoni xa edlala?" Lubb: "he threw his toy at me!" Luks: "qha?" Lubb: "next thing uzocimba iright. Abethe ku Luhle naku Lubambo lomntana!" Luks: "he has a name!" Lubb: "I know he has a nam-" Luks: "fondin! Suxakwa yinzala yakho uzonyela abantwana bam! If ufun Betha. Control your damn hoes first! Luthando mboland bag zakho!" Lubb: "Lukha-" Luks: "don't fucking tell me no shit! Ndiyeke Lubabalo!" Lubb: "what the hell's wrong with you?" Luks: "You. Are what's wrong with me! Irongo lento uyenzayo Lubabalo, no its not on anymore. This is just bullshit! First uzenza umnyeni womfazi wam tryna overtake me and shit? WHILE she's still married to me and you still call yourself a man of God. Enjani? Now you disciplining my kids? I am the only one allowed to hit my children!!" Lubb: "isuka phi lento Lukhanyo?" Luks: "isuka emngqundwin Lubabalo! Don't put your hands on my kids!! Don't you EVER put your fucking hands.....on my damn kids!! don't fucking dare!!" he cried. Lukhanyo took his son and daughter. Luks: "masambe Luthando!!!!" he roared. Lubb: "Bro." Luks: "leave me the fuck alone!" Lubby backed away. Luthando rushed to his father pulling an unpacked, unzipped, un-nothing bag. Dragging Lubambo's blanket and a diaper. They walked to the car. Lukhanyo buckled them in, his hands shaking. Tears in his eyes. He didn't mean to freak out but he couldn't bear the memories. Nobody was allowed to touch his children. Ever. He got in his car and drove home. Luhle: "Tata." Luks: "yes baby?" Luhle: "aview." Luks: "I love you too my angel." the drive home was unbearably long. He clenched his teeth. Clinging on to his sanity by a thread. He parked his car inside the garage. Taking the kids inside the house. They sat on the couch together. Luks: "iza Luthando. Come." he held him closely, checking his hand. Luks: "unjani Utha?" Lutha: "Utha ka Tata moth." Lukhanyo kissed him. Luks: "nobody will ever hurt you. Or God so help me." tears running down his face. Luks: "iza Luhle." she sat next to him. Lubambo slept on his chest.....

Thulani and Siya sat in the garage with Jeff. There was a memorial service inside the house. The funeral was on Wednesday. A small ceremony, with close family only. Close friends too. And that was it. Catering company was hired, couple of chairs and the church. Nobubele's sister was a great help with the arrangements. Phindile was out of his second coma. He kept relapsing probably because of stress. Or heart ache. Thulani wanted nothing to do with him. Ever again. Siyanda stood up and took a call from afar. Siya: "what? How? Jongapha kwedin....don't play games with me right

now!" silence.... Siya: "no! I'm not doing that. You better find him!" he hung up.
Thulz: "who's that?" Siya: "just a friend." Thulz: "are you still busy neza wey bhuti?"
Siya: "nah! Ndayeka kdaaala." Thulz: "don't lie to me." Siya: "for real." Jeff: "what's this
you speak of?" Siya: "nothing tanci. Thulz, let's take a drive?" Thulz: "nah ndigrand."
Jeff: "take a nap then." Thulz: "I'm fine Ta, I promise. Ndizoyo jong Ta Luks noLubby
qha, inform them of the funeral, ndiye khangela i-suit eWalmer and Newton Park."
Siya: "yeah, get some fresh air." Thulani went to his car. He drove to Lubby's house
finding him in the garden. Thulz: "long face." Lubb: "wassup." Thulz: "had to get out
the house. Wonke umntu is tiptoeing around me, careful ba mabathin. Bangathini.
Some just slip up azive sethethile acele amaxolo. Wena utheni?" Lubb: "Lukha was
here earlier. I think I pushed it this time." Thulz: "damn Lubabalo. Kuthen soloko
uhlukuhla umninawa wakho? What did you do this time??" Lubb: "kudlala ingoma on
TV, I switch the channels because the kids are catching lyrics and I can't have that.
Luthando throws a tantrum phof besaqala. So I smacked him. Wangena uLukhanyo.
Wandithukaa." Thulz: "you smacked the poor little boy?" Lubb: "on the hand Kay2
qha. He walked in and yelled liked I smacked his face." Thulz: "une stress uLukhanyo,
you know him. Hleli equmbile kakade." Lubb: "I feel really bad Thulani." Thulz:
"Hehake. Hayi nawe kengoku. Why?" Lubb: "because uphume elila." Thulz:
"Luthando?" Lubb: "no." Thulz: "you're joking." Lubb: "I wish I was Thulani. And
please don't tell him." Thulz: "nah, I won't. So kuthen ungayi kuye and find out
what's wrong?" Lubb: "he told me to leave him the fuck alone. Something must have
happened somewhere." Thulz: "I still say theta naye, only when he's calm though,
ucele uxolo. He probably misunderstood you." Lubb: "yeah, anyway, enough about
me. Ugrand?" Thulz: "yeah. Uhm, I'm supposed to go shopping for a suit, actually biyi
excuse yohamba leyo. I can't stand being in that house." Lubb: "I feel you bra, masiye
nyani. Let's go shuit sopping." Thulani laughed. Thulz: "wha?" Lubb: "tongue tangle.
Suit shopping I means. Damn it, meant." Thulz: "what's wrong with the tongue?"
lubb: "I've no fuckin idea. Let me get my shoes." Thulani went to the basketball court
to shoot some hoops first taking off his shirt. Lubby joined. Thulani had always been
the best when it came to sport. Thulz: "if I score this one, I get gaming rights for 2
months." Lubb: "in who house?" Thulz: "if I score....." he bounced the ball around
him. Lubb: "Thulani you know I don't got required skills for this. My legs too wobbly,
I'm about to break my hip damn it!" Thulani laughed. Thulz: "come on!" Lubb: "damn
boy....you not scoring this shit no more, I'm breaking your arm." he tackled him and
ran across the room with Thulani. Thulz: "Lubabalo man!" he laughed out loud.
Lubby threw him on the floor and ran back to score. Thulz: "hahahaaa....ey umuncu
Lubby rhhaaa!" running after him. Lubby scored then paused and looked by the door.

Thulani stopped. Thulz: "and then? who you?" Lubb: "mxim, Khayeke Le nkunkuma ye ghost and keep playing." Thulz: "Ekse fethu, singak'nceda?" Vic: "andizanga kuwe." he threw an envelope on the floor and walked out. Lubby opened it, and found a DVD. Lubb: "shit..."

Chapter 701

Thulani grabbed the DVD. Thulz: "what's this?" Lubb: "Thulani stop fucking playing bruuh! Give it back!" Thulz: "yinton dun?" Lubb: "nothing!" Thulz: "then let's watch it!" Lubb: "NO!!" he snatched it away from him. Thulz: "you know you can talk to me right?" Lubb: "There's nothing to talk about Thulani, can we just leave it!" Thulz: "why are you so defensive?" Lubb: "because this is my private stuff! Okay?" Thulz: "okay! Okay!" Lubby walked out. Thulz: "Lubabalo." Lubb: "what?" Thulz: "sorry." Lubb: "no, its okay, I'm sorry. I just....I'm good." Thulz: "if there something on that DVD that could rock your life then I think you should be honest about it because clearly its got you caged up like an animal." Lubb: "Thulani ndicela siyeke Va? Khang'uthi ufuna ye-Walmer. Masiye walmer ke." he took his t shirt and walked out to his car. Thulani followed. Thulz: "who was that?" Lubb: "no one important." Thulz: "and he knows his way around your house like that? He can't not be important." Lubb: "Thulani. Please." Thulz: "oh waiiiit! Wasn't Victor your friend or something? What ever happened? Nguye kanti lo?" Lubby didn't reply. Thulz: "so naxabana? Because of a girl?" Lubb: "honestly? Thulani, for real? Is THIS what's hot now? My past?" Thulz: "something is a bit off ngaye, now your reaction is speaking volumes." Lubb: "my reaction has nothing to fucking do with him!!!!!!!" he yelled. Thulz: "well damn then." Lubby started the car and drove away. Thulz: "do you want to talk about it?" Lubb: "No." they went to shop for Thulani's, Lukhanyo's, Luzuko's and Lubby's suit just like at Tivo's and Sam's funeral. They'd be dressed the same. This time in blue, Nobubele and Thulz' favorite color. Thulz: "Siya uthe ugrand yena, and that's it for now, I think Melissa zohamba noMakazi to go shopping. Hey, do you think its necessary to shave? I don't feel like shaving." Lubb: "please shave your face, you look like a confused gorilla." he was checking a new work outfit. Purple Chino's folded at the ankle with a Lilac long sleeve shirt. Lubb: "I'm taking this." with a navy blue, suede shoe. Thulz: "uzoyaphi?" Lubb: "I am obsessed with navy. Ndiyasthand esishlangu, the outfit is for work, something more relaxed less serious. This is Me and Soma, a young fresh environment." Thulz: "doing?" Lubb: "but I told you Thulani, you never listen to me." Thulz: "oh yeah..." they paid and left. Thulz: "so what are gonna do about the DVD?" Lubb: "just forget about it Thulani, please. I'll break it apart

ndiyilahle." Thulz: "maybe you may want to loo-" Lubb: "I know exactly what's on that motherfucking video! I don't need to see it! Thulani, why does this bother you!!" Thulz: "because you're tense. I hate that. I can't have a civil conversation with you if you're tense. You always give me riddle answers." Lubb: "well, here's a riddle answer. LET. IT. GO." Thulz: "like a kite in the wind.....ndizoyo check Luks, uzohamba nam?" Lubb: "no, I have work to finish, then ndiye sbhedlele to Lihle." Thulz: "oh. What happened this time?" Lubb: "do you really wanna kn-" Thulz: "Nope....just making conversation. I'm booking tickets for the game on Saturday aphe stadium ndik'fake?" Lubb: "Thulani.." Thulz: "hm?" he smiled. Lubby parked the car in the driveway. Lubb: "awti yam, you know I care ne. No homo. But, this your time of grieving-" Thulz: "I don't wanna grieve and face people that feel sorry for me." Lubb: "nobody does, but listen to me. You can't block away your feelings by keeping yourself over occupied by a million things. Ukunxila and running around will not make you feel better. Trust me. When I lost Claire I felt like I was losing my mind. I went insane manyani, andi joke uzubuze mamam. 2 days later, I woke up and blocked my thoughts. I ran around with different people, drank and partied hard. I attended her funeral ndinxile ndiyi papa. Do you see how disrespectful that was? I never said goodbye properly. As time went by yabuya kabhlungu yonke lanto. The pain was unbearable, I felt like I'd popped a vein. Don't do this to yourself Thulani, take your time to heal, let go, umkhulule ngoxolo umamakho. Respect her memory. Please mnin'z." Thulz: "Lubabalo I'm tired of crying. And wishing she was there to comfort me." Lubb: "God is our source of strength. He is our provider for love. Our courage and patience. He will never desert you. Everytime you feel as though you can't cope, guqa ngamadolo uthandaze awti. Praise and have faith because God is real." Thulz: "and how do you know that? Heh? You go around killing people and still sit there and preach about God like he's an individual sitting amongst us." Lubb: "I am sinful, ndiyazazi. There is no way to justify my actions. I will never be pure or perfect. Therefore I don't wish to be. Into endiyaziyo mna, as sinful as I am, God still looks out for me, He still provides for me. I'm not short of anything." Thulz: "anymore." Lubb: "what?" Thulz: "you didn't have a wife, now you do. God provided that too?" Lubb: "again, I'm not perfect, we both know, kakade how I felt, when I saw uhlobo bepethwe ngalo, I took it as an opportunity to make her happy. To show her nothing but love. The way its supposed to be." Thulz: "its not supposed to be betrayal." Lubb: "was I suppose to ask for his permission then? You know exactly how Lukhanyo was ukohlukana naye, he just wanted her dead!" Thulz: "ndiyakuva fethu." they sat in the car quietly for a very long time. Thulz: "awuzothetha noLuks?" Lubb: "I will later when he's calmed." Thulz: "okay. I'll see you later then." Lubb: "sharp mjita." they

hugged. Thulani took his bags and climbed out the car, got in his own and drove away.

Lubabalo sat in his car and looked at the plain disk. Calling Lonwabo. Losta: "Ndoda." Lubb: "Losta fethu." Losta: "what's wrong now? What happened?" Lubb: "u-busy?" Losta: "come through, I'm canceling my appointments." Lubb: "nah Bro-" Losta: "hey, I'm canceling them. Banintsi ooductor eBhayi, I'll be doing rounds ngo 7 late qha. Iza." Lubb: "cool." he hung up, driving to his friend's surgery. He parked next to his previous little Benz. Lonwabo was taking good care of it. Lubby walked in. The lady in front, a former date. Siphokazi. Lubb: "hello." Spoki: "Yuh! usekhona lo?" Lubb: "hm...ndim lo." Spoki: "so....you're taking me out for lunch?" she blushed. Lubb: "nope....I'm taking my best friend out for lunch." Spoki: "mxxxxim." she pursed her lips. Spoki: "best friend my foot." Lubb: "subanomona girl." Spoki: "you disappear for iinyanga ubuye ngo best friend." Lubb: "you'll never understand kanene. Andizo sign register kuwe mna xandithetha netshomam." Spoki: "oh? He said to me anisa ncokoli nje. I asked for your number and he said akanayo! And that he doesn't know you!!" Lonwabo walked out his office with a bag. Losta: "haibo. Nguban lona Siphokazi?? Can I help you sir? Today's appointments have been canceled." Lubb: "Yes, Dr...?" Losta: "Dabi." Lubb: "oh yes, Dr Darb, if I may kindly escort you to your vehicle so we could discuss it over lunch?" Losta: "oh why certainly Mr..?" Lubb: "Morrison." Losta: "lovely to meet you." they shook hands. Lubb: "likewise." Losta: "Spoki dear, while I assist my new client, you can take the rest of the day off, right after you're done with your admin work." they walked out and burst out laughing. Spoki: "mxim!! Eziz'denge." Lubb: "khaqhube bra." he tossed him his SUV keys. Losta: "where we headed?" they got in the car and Lonwabo drove.. Lubb: "noba siye Jeffrey's Bay, anywhere." Losta: "then why don't we take the helicopter?" Lubb: "because my dad confiscated it. Like he's officially grounded a grown ass man." Losta: "did he confiscate the pilot too?" Lubb: "well no, uthe qha mandinga khweli." Losta: "then we're hijacking the motherfucking helicopter." Lubby laughed. Lubb: "you're just crazy Lonwabo, drive then. I'll get Mason ready." he called his pilot to meet him on the Helipad and get it ready. Losta: "so, what's up? Ndik'vile fownin, you sounded down. What happened?" lubb: "yeses Lonwabo, today is just not my day. First ngulihle, then ngulukhanyo, now....its Victor." Losta: "what the hell does he want now??" Lubb: "uyamazi uVictor unjani mos. He never gives up. Ever." Losta: "so ufuna ntoni?" Lubb: "I don't know. All he ever does is show up, Athi he wants me to pay." Losta: "for what?" Lubby looked at him. Losta: "ohh.....shit." Lubb: "yeah." Losta: "Uyayazi uLuks? Lihle? Your dad?" Lubb: "no. They don't." Losta: "Lubabalo, this nigga gonn fucking destroy your rep. Udlala mdaka lamntu." Lubb: "I kind of slipped up about

Naledi." Losta: "andimkhathalele okokqala mna, makandincome, ndamtyela kamaandi wanya qha. Full stop." Lubb: "Yonela." Losta: "his daughter?" Lubb: "its not his....." Losta: "w-what do you mean?" Lubb: "it could be your child." they arrived at their destination and parked the car underground. The guys walked to the lift quietly, each in their own thoughts. Lubby: I can't kill victor. That would be a dumb move, the police are already hounding me. Losta: my first born child is Tia. I can't have another child! Busi would freak the hell out. The two guys got in the lift and stared at each other smiling. Lubb: "we fucked up." Losta: "I know right.." the helicopter was buzzing loudly on the roof, holding their jackets, they pushed against the wind and ran to it, climbing on. After buckling the straps, placing headphones, Mason got ready for take off.....

Thulani knocked on luks' door. Luks: "ngena." he walked in. Thulz: "hey." Luks: "wassup." Thulz: "ugrand?" Luks: "ndi sharp. You?" Thulz: "I'm good. U-busy?" Luks: "no, bendizopheka qha ndiyonqena, damn." Thulz: "wena wonke wonqene upheka?" Luks: "weird hey?" Thulz: "you sure you okay?" Luks: "yeah. I'm sure. Usuka phi?" Thulz: "ku Lubby." Luks: "oh? Baphinde bavana na?" Thulz: "baxatyaniswa yinton?" Luks: " Beyothin pha?" Thulz: "to give him some envelope. Uyamazi? You could slice the tension with a butter knife. Iyyoh!" Thulz: "enormous Lukhanyo." Luks: "they're working on a deal. How could I have been so stupid? THIS is how Lubby became a millionaire Thulani, now that he's down and out kufika ooVictor endlinakhe? If bebesilwa, ngekudala Lubby wambulala wafa fi. Wamngcwaba okwe nja. I smell sardines." Thulz: "he'll bite your head off." Luks: "that means ufihla something. Ndizombuza mna." Thulz: "please don't. Ndiyak'cela Lukhanyo. Just let him be." Luks: "uhm Thulani, I want to know why he's friendly with our child's kidnapper. Why engamboneli plan? Huh? Then singathetha ke of a way forward in eliminating lenja." Thulz: "you're already facing a charge." Luks: "I don't give a flying toss of a damn." he

dialed Lubby's number. It went to voicemail. Luks: "mxim. Uske abenje ke. Every time. Can he explain why his phone is off? Qha kuthand attention yabantu, yayazi uzoleqwa." Thulz: "into endiyaziyo mna, uthe uzoza kuwe later azocela uxolo. Andiyazi kuthen nithanda uqoshelana kangaka. Let him be, just olahlobo." Luhle woke up from their resting place on the blanket laid on the floor. Luks: "noba awulambe man. Izapha." Luhle: "ncanca." Luks: "ina kaloku." giving her a bottle of warm milk. She sucked her bottle and fell right back asleep. Luks: "ndiyay'qonda nam..... Luzuko yafika ngomso, maybe uzokhe athethe naye. And give me time." Thulz: "time for what?" Zakes: "inyanga ithe in order for Lihle apha, funeke Zolani alale ngoxolo. He has always been like this. Bengasoze aze kum straight andixelele into, instead bezondibaleka to seek my attention." Nah, I think its unfair." Sebas: "Andrew. I took it because you need to learn to stand up for yourself." Lubb: "you shouldn't have given it to me to begin with. Dad, you know you're unfair. You disown me out the blue for something I didn't even do." Sebastian stared at him. Sebas: "sit down." Lubb: "nah, I feel like standing up for myself dad." Sebas: "sit down." Lubb: "only because my legs are wobbly." he sat down. Sebas: "I hate this, son. I hate this wedge between us. I hate not talking to you, I hate seeing you suffer!" Lubb: "so you kept tabs on me." Sebas: "kind of....yes." Lubb: "hamba Tata. I thought you said you wanted me to be a man." Sebas: "you're still gonn be my boy." Lubb: "now I feel special." Sebas: "I'm serious Lubby." his dad never called him Lubby unless he wanted something. Lubb: "dad, I'm happy to see you, but why are you here?" Sebas: "well.....for one, I missed my son, secondly, your mother forced me to be here." Lubb: "and....." Sebas: "and I may need your help." Lubb: "tomorrow morning dad, please. Sebas: "okay, what software is this?" Lubby kept quiet and looked away. Sebas: "come on my boy, tell me." Lubb: "its nothing." Sebas: "I'm trying here." Lubb: "to buy me." Sebas: "no, I'm trying to get my son back. The company is doing great by the way." Lubb: "I know, I read the fixtures online, apparently its 2.4% better than before. Great work dad." Sebas: "I know you. You cannot sit still." Lubb: "no I can't. And I'm sure you want to know what I'm working on. Buuut its a partnership, I cannot discuss it." Sebas: "you're going to create another software?" Lubb: "already did." Sebas: "tell me you're selling this one, you do realize your high school still uses your programs and they're still doing good?" Lubb: "I'm not selling dad." Sebas: "okay son. Its fine, I still want to see." Lubb: "I'm still....here." Sebas: "I'll wait at home." he got up and left. Lubby went back into the room. Let God open your eyes, to see his merciful grace. Thixo sondenza uthando namandla ukhusele intombi yakwa Manti kulentlungu ayivayo. Imimoya emibi ibuyele ngendawo zayo, mfake phantsi kwe phiko lakho Nkosi enoyolo. Let The Holy Spirit do His work, Let God play his role, HE is in charge. Sithembele kuwe Messiah olungileyo, Kumkani yeeKumkani, Thixo uSomandla. In Your Holy name. Amen."

Me: "enkosi." I muttered. Lubb: "its going to take time my baby. But kuzolunga. Uzobaright. Uzophila. Uyandiva?" I nodded. Lubb: "I love you, I know I haven't been around lately, but the way I feel hasn't changed, I miss you babe. And, No matter what it takes, sizobaright." I appreciated his faith and prayer. It meant a lot to me. Lubb: "awukho bhlungu umzimba?" I nodded. He picked me up and walked. Lubb: "siyovasa uMaam." after pouring bath water, he washed me gently, dried my body, taking me back to bed. Massaging me with lotion. He started singing softly. Patting me to sleep. My body was constantly tired, I didn't know what was going on. Everything just didn't make sense at times. I was beginning to lose my mind too. And then I started, I was developing another headache. I held on to the sheet. Lubb: "bunny? You okay?" I groaned. Lubb: "okay. Nyamezela mntu'wam." he buzzed a nurse. The machine, the shoes, voices....sounded far....I fell into a deep quiet sleep.....

Lubby went to Lukhanyo's house a bit tired now. He knocked on the door weakly. Luks: "ngena." he walked inside. Lubb: "baffles." Luks: "500 + 60." Lubby flopped on the couch. Luks: "Buhle!" Buhle: "hm?" Luks: "phakama uzohlala kwi naughty corner. Awuthethi namntu ke !!" She stood up and looked at him. Lukhanyo fixed her a play session where she just plays with herself. Babalo stood up and ran to the corner. Luks: "no....no! Ha.a. Kaloku usile!" Babalo sat next to her twin and looked at him. Luks: "yuhhh. These two are impossible!" Lubb: "uzoxakana nomqa ke apho. S'fiso: "oh oh." Babalo: "dada!" Luks: "hello baby." Lutha: "HAYI TATA!!" he screamed. Luks: "hayi Luthando umona?" Babalo: "dadaaa..." Lubb: "uyenza ngamas'bomi. Zange ndam'va mntan othand ugeza emngaka." Lutha huffed and puffed. Babalo: "daaada!" Luthando stood up and chased after her. Lutha: "Tata ka Utha!!!" he screamed. Babalo giggled and ran around in circles. Luks: "animuncu, animuncu.." Lubb: "Seer lamoen. Oye!! Babalo, izanoty! Iza Luthando." they stopped and walked behind him. Luks: "Nana? Awulambanga?" she shook her head. Luhle: "funi Bambu." Luks: "qala ambotya ke, ubuye sihlale noBambu soy'2 yabo? Uzom'bamba ne uBambu?" she nodded. Luks: "ambotya ke baby." she walked out to follow her crew.

Soma kissed his girlfriend to wake up. Soma: "mnt'wam.." Thandi: "hm.." he rubbed her in between the legs. Thandi: "haibo love." Soma: "andisabawi ngeloxesha, ndivuke ndinje." Thandi: "what time is it?" Soma: "we've been napping all day baby. Kungoo 2 ngoku." he stuck one finger inside her, rubbing and twirling in and out.. Soma: "how was work?" Thandi: "great..." she moaned. Soma: "nyani, what happened." Thandi: "baby..." Soma: "hmm...." he pulled out his fingers and licked them. Soma: "may I do the honors?" Thandi: "please...." he climbed on Top of her, kissing her lips. Thandi: "wenzani." he kissed her neck and entered himself. Thandi: "ooh!!!" Soma: "shhh..." he closed his eyes. Thandi: "Somangaye..." she whispered. Soma: "fuck....." he pulled

slowly out and slid back in sideways. Thandi: "ahhh!!" she groaned. he grabbed on the sheets and rode her. Thandi: "baby wait...." she cried. Soma: "yima baby!!" Thandi: "I think I'm.....ooohhh yes!!" he went deeper, lifting her leg up and humping. Thandi: "Somangaye!!!!" his eyes hovered on her face, a sexy look broke into a mysterious evil grin. He bit his lower lip. Thandi: "baby, I'm about to climax." Soma: "go on..." he whispered. Thandi: "nooo..." she moaned. He went faster, pulling out to the tip. Her thighs were shaking. She breathed carefully, her toes curling. He circulated her clitoris with his thumb until she explode underneath him. Warm liquid spraying out. She screamed, grabbing him tightly. Soma continued. Almost there....he held her hair in one hand, her thigh in the other. Soma: "no baby sundenzela lonto!" she clung her walls around him. Soma: "babyyyy..." he breathed. Humping faster. Before he knew it, a rushing sensation overpowered him. He lay down on her body, hugging her tightly while he pumped harder in her. Soma: "SHIT!!" and he came. She held him. Thandi: "shhh....." Soma: "fuck this feels so good." he mumbled. Thandi: "I know." Soma: "did you take your pill?" her eyes widened. Thandi: "shit!!" he hugged her tighter. Soma: "yiyeke man sweetheart, sibenomntana." Thandi: "Soma, we spoke about this. I'm not emotionally ready." Soma: "baby kodwa this time I'll be here for you. Always and forever, I'll take care of the baby wena ke uye emsebenzini." Thandi: "but love uqala a new company with Lubby nje. There'll be a lot of traveling for this new software thingy." Soma: "Lubabalo can handle all that, he loves feeling important.. I'll be running it from here." Thandi: "a baby is hard work Somangaye." Soma: "I'm prepared to do it my love. Please? I'm not getting any younger apha, I wanna see my juniors grow." Thandi: "ufun itwins?" Soma: "yes. I want twin boys. Identical in every way. Then after 3 years, ibe zii-girls. Then my last born can be either. Ndizom'spoiler to heaven and back." Thandi: "I'll think about it." Soma: "ncaww enkosi mntu wam." Thandi: "suka ke siyovasa, we have to go shopping." Soma: "no...andise tyhafe kamandi. Khame wethu love wam. We'll go later." Thandi: "unje ke...let me go khabe ulala, we need food." Soma: "nooo..." Thandi: "boo, phakama kaloku." he rolled off her. She went to the bathroom and urinated. Washed her hands then ran a bath. She took out her pills and swallowed one with water. She still needed time to think about the baby issue. It wasn't easy when she fell pregnant and Soma disappeared. When she miscarried a 5 month old baby and fell into depression. How could she just forget? Soma: "baby?" Thandi: "yes?" she hid the packet. Soma: "ufihla nton?" Thandi: "nothing ndiyaqoqosha qha." Soma: "you're hiding something from me." he stared. He looked pissed off but calm too. His face was hard to read. Thandi: "Hehake sthandwa Sam. You're paranoid ke wena ndakwazi." Soma: "paranoid Thandeka?" he moved closer. Soma: "I'm paranoid?" he pulled out the packet. Soma: "ndim ne paranoia ke

Le." Thandi: "I can explain." Soma: "that you lied to me for the second time! Kwakhona wenza ifake promises Thandeka. Right there on that motherfucking bed, sisando thetha ngoqala ifamily and now you're taking pills?" Thandi: "you don't understand me Somangaye! You don't understand nothing! Everything is always about you!" Soma: "I am always understanding Thandi, I waited a year! Unyaka wonke waphela! Waiting for you to be comfortable and ready! Yet you're still not? What am I doing wrong dun?" Thandi: "its just hard for me." Soma: "its hard for me too! Because Ndifuna umntana! I can't sit here and wait all my life damn it!" Thandi: "you don't know the trauma I had to go through when you fucking vanished! You can't just expect me to fall pregnant and lay an egg!" Soma: "Thandeka I don't expect that, but why don't you ever meet me halfway man! I've always accommodated you and your dreams, I supported you and helped you work hard for your promotion! Although I want to make you my wife!! I let that wait so that you'd be comfortable in life and independent!" Thandi: "what?" Soma: "never mind." Thandi: "wait...So-" Soma: "ndiyeke!" he walked out took his shirt, keys and left the house. He drove to his brother's house, knowing he wasn't home. Probably with Mandy or at work. So as soon as he entered, he went to take a shower. A long warm shower. To think about a few things. Was he not understanding? He tried everything he could to make her happy, all he was asking for was a son. And that's it. He really ached to be a father. Seeing everyone around him growing into fatherhood and falling in love with their little babies broke his heart. Or was he just being selfish? After showering he went to the bedroom to get dressed. The door opened. Soso walked in. Soso: "what are you doing in my house!!" Soma: "thought use span." Soso: "that does not answer my question." Soma: "had an argument with Thandi, so I ran to the furthest place to hide." Soso: "in my house? You have a friend who owns a mansion eLovemore Heights." Soma: "well ke Soso bendifuna ubalapha!!" he snapped. Soma: "Damn. Everything with you always gotta be a fight for survival. For once in your life, can you just be understanding and comforting!" Soso: "awuyo cherrie yam tshi. Kuthen uzofun comfort kum? Hayi uyanya Somangaye, nilwa nganton khona?" Soma: "she's still on the pill." Soso: "that's good right?" Soma: "No! Its not. For how long will I have to wait? Funeke ndithini?" Soso: "well. First, funek ufunde uyeka unqwenela izinto ozibona kwabanye abantu. If you want a baby, be patient with your woman. It won't be easy at all, it could change your whole relationship, if having a baby is meant to be it will happen. But its best not to force it. Awufuni ulahlekelwa nguThandi Soma.."

Soma: "andinqweneli nto yamntu mna!" Soso: "honestly? so you're not rushing to have a baby because your bestie has 3? Don't forget, I know you Soldier. You're me. What you feel, I feel. Khulula ntliziyo Le yakho kqala. Umntana uzokwenzeka ngexesha Eli

right." Soma: "how about now?" Soso: "stop taking short cuts in life. Awuzofa." Soma: "mxim." he took his keys and left. He called his friend. Lubb: "hey!" Soma: "uphi bra yam?" Lubb: "ndilaphe ndlin." Soma: "can we chill." Lubb: "yeah, I figure I must leave my duplicates behind ??" Soma: "please. The last thing I need is a lecture Le ndisandoy'fumana kuSoso. Just me and you. Bring swim shorts." Lubb: "sharp." he hung up and ran to his room to change. Luks: "uyaphi?" Lubb: "Soma. Beach. Blunt." Luks: "Bro date? Again?" Lubb: "I haven't seen him in a minute." Luks: "you and I never go out together its like you treasure your friends more than us." Lubb: "we're not doing this now Lukhanyo." Luks: "yes we're doing this now! I have to stay home and look after the kids all the time while you jetset with your friends!" Lubb: "but besihleli kunye mna nawe izolo and the whole of today." Luks: "so in other words ndiyak'dika?" Lubb: "why are you acting like a jealous wife?" Luks: "I'm not jealous! Qha ndiske ndibhidwe nguwe these days!" luzuko walked in. Luz: "uyaphi?" Luks: "the beach with his friends." he sneered. Luz: "oooh nice! Can I come along? Kunin ndikhumbul ilwandle lalapha." Lubby stared at his watch and keys. Luks: "see? Akasoze afune. Caba sixhwebile thina for his rich ass doctors, engineers and whatever friends! Masambe Lusko." Luz: "haibo Lubabalo? You're dropping us like third period maths? Just like that?" Lubb: "its not that...guys, he's in a bad space..befuna nje uncokola nam." Luks: "oh really now? So pastor Lubby will be there to guide him?" Lubb: "guys don't do this." Luz: "uyasishiya oluhlobo?" Lubb: "I'll be back." Luks: "don't bother. Seemingly Luzuko we're not important enough, he even forgot our plans." they walked out. Lubb: "I'll be back in an hour. I promise." Luks: "mxim." Luz: "I expected better from you Lubabalo shame. I really did. kukho family meeting wena you're going out neetshomi?" Lubb: "but iphelile nje imeeting ngoku." they left him standing alone. Lubby walked to the Bentley and drove to meet Soma.

In Summerstrand, Soma and Lubby sat on the rocks in the beach watching the water. Lubb: "so, basically Akafuni mntana?" Soma: "I don't know what to think Lubby, am I wasting my time?" Lubb: "not at all." Soma: "I even blurted out that Ndifuna umtshata." Lubb: "wow. This is big." Soma: "kudala ndilindile sani. I'm going out of my mind right now." he took out the rizzla and weed. Lubb: "Soma, you weren't there when she fell apart, its understandable that she's scared, not only does she need ixesha, she needs counseling. Amanye amanxeba don't just vanish, just the other day apha ndithukwe nguLukhanyo for smacking Lutha's hand. He became really emotional, I didn't understand why until later when he's calm he explained to me. Take time off and calm down. Kodwa ubuyele kwi senses zakho uye kwi cherrie yakho. She loves you for real. Don't fuck it up." Soma: "uthi uSoso ndinqwenela izinto zabanye abantu as if I'm not allowed to have children. Why does he make me sooo

fucking angry! Yena uz'funela yedwa into ezintle ebomin! Just because he has a child he thinks ndileqana naye wayengam'fun mos umntana, I've always wanted kids. Ngxaki ka Soso is that he's too judgmental when it comes to me, babe ingomnye umntu lona he would've gone over and beyond his way to comfort them!" Lubb: "have you ever thought that maybe uzama ukulungisa? He knows you better than anyone on earth. He wants what's best for you." Soma: "Lubabalo, akho need to pull me down when he wants what's best. He never motivates me for anything. Into ayaziyo kuba mandisuke ndleleni yakhe and all that!" Lubb: "you intimidate him." Soma: "maybe its about time to shake him out his shell once again." Lubb: "No! Soma, hayi." Soma: "he treats me like shit." Lubb: "no he doesn't! Lukhanyo yells at me every single day. Noba ndisuzile, its how they are!" Soma: "does he listen to you...xa umbalisela nto zakho?" Lubb: "well...sometimes." Soma: "does he advise you?" Lubb: "yes." Soma: "does he stand up for you?" Lubb: "all day err'day. Yes." Soma: "exactly. That's you and Lukhanyo. You are nothing like Soma and Soso. " Lubb: "what are these deep rooted issues ya'll have?" Soma lit up his blunt. Soma: "things not worth mentioning..." he inhaled and held It in.. Lubb: "like what..." Soma: "finna smoke?" he handed the blunt. Lubby stared at his secretive friend. Something was a bit off. He hid a lot of secrets. But there has to be one...the one that binds and breaks the Thembani twins. The one that could destroy them. Lubby shook his head and minded his own business..

Chapter 706

Later in the day Lubby walked in the house. Lubb: "I'm baaacckk!!! Woof Woof!" he laughed. Lubb: "ya'll look so bright doe. Shit." Luks: "are you high?" Lubb: "nawww. I like the view from here. So high can't even see you from here." Luks: "you're right in front of me!" Lubb: "daaaym! How'd you figure that out? God bless fools and babies." Luks: "Lubabalo kukho abantwana apha! And our parents. Honestly??" Lubby stared at him and squinted his eyes. Lubb: "Lubby Morrison? What have you done to yourself?" Luks: "Lubby man! I'm not playing!" Lubb: "you're me!!" he touched Lukhanyo's cheeks sticking his tongue out. Luks: "Lubabalo!!" Lubb: "he talks like me!!!!" he looked around the room. Luzuko walked in, Lubby screamed and ran to him squeezing him with a hug. Luz: "and then?" Luks: "he's high!" Lubb: "oh! Lubabalo. I missed you so much." Luz: "the feeling is Not mutual. Suka kum." Lubb: "its cold as hell." he shivered. Luks: "uzothin ngagodoli utshay intsango kaSomangaye? Mxim." he took off his sweater and dressed his brother. Lubby looked at him smiling. Lubb: "Oh My. My eyes. Lordy Lordy Lordy." Luz: "Atheni amehlo akho?" Lubb: "I

Lubb: "I know I made mistakes, to get ahead...but to my surprise nobody can replace me. It won't be long, till they can see the light. And I run this shit, ya'll know this. It aint nun new for you. I'm going all the way this time....." Luz: "what are you talking about?" Lubb: "Lubabalo!!!" he hugged him. Luz: "heey man!" Lubb: "I love you Lubby Morrison." Luz: "if I pay you, will you let me go?" Lubb: "No!" Luz: "I love you too ke." he let go. Luks: "izok'phambanisa lentsango Lubabalo. Stop smoking lekaka." Lubb: "is it me or am I floating?" he held on the bed tightly. Luz: "what the hell did he smoke??" Luks: "Eish luzuko, just make sure he doesn't leave this room. I wonder how the hell he drove here all the way from wherever he was." Lubb: "God, nigga." he sobbed. Lubb: "God my homie. Forever got my back like a hoodie bruh. God gangster. That nigga right there told me to hold on. That nigga boss." Luks: "let me check on Soma. Ndiyabuya." he went to call Soma who answered his phone giggling. Luks: "ugrand?" Soma: "no..." he laughed. Soma: "uSoso is taking me to rehab." Luks: "good. That's a great idea actually.." he hung up. Luz: "and?" Luks: "Soso umse rehab ubrother wakhe. That is somewhat a good idea. But funeke mna nawe siye kuThulani. Then We'll make a decision." Luz: "we can't leave him here by himself." Lubby broke into a chuckle. Luz: "worse ke S'fiso is looking after the kids and helping our grandparents." Luks: "that's true. But andizo baby sitter umntu omngaka mna ndoske ndimtixele aphe roomin with food." Luz: "I'll bring the food." he went to the kitchen. Lubb: "uph umntu wam." he groaned. Luks: "awuna mntu nje." Lubb: "no,no. I'm side eyeing you. Acting all slick Lubby Morrison. Where's my pretty Lil boo thang?" Luks: "Hehake. Khazolala mfo, uyek und'buz ntwez'phantsi." he took off his shoes and opened the duvet. Luks: "come.." Lubby hopped in. Lubb: "when I don't see her....I feel like Stevie Wonder." Luks: "really?" Lubb: "yeah..." he sighed. Lubb: "There's steam in the air." Luks: "there is no steam here. None whatsoever." he covered him up. Lubb: "I love you Lubby Morrison.." he muttered. Luks: "I love you too Lukhanyo Mzinyathi." Lubb: "uphi ulubabalo wam?" Luks: "nanku ekuphathel ukutya, uzolala mos?" Lubb: "hm." luzuko put down the tray. Luz: "ungavuki ke. Zok'vusa ngokwam xandibuya." Lubb: "potatoes." they left him in the room.

Luzuko drove to Thulani's house with Lukhanyo.. They parked the car and walked to him. Luz: "so uthethile noStuja?" Luks: "not yet, I'm giving him some time to chill. And process all this. It can't be easy." Luz: "hm....I guess. Iworse ke Le kalubabalo angasazi amagama." Luks: "no, uz'bona eDuplicated qha yena. Kukho Lubby Morrison and Lubby qha." luzuko laughed. Thulz: "molweni." Thulz: "Usene jealous nangoku." Luks: "Luzuko do you know he took his friend out for lunch out of town? Flew all the way to Jeffrey's Bay." Luz: "that sounds exactly like Lubby. Uyamazi nje he's over the top. Akancami. Ever." Luks: "I hate that when he's fine they just know exactly where to find him. Xa kunzima, ushiyeka nam and they disappear. I have to pick up his pieces and glue them together with him.. I hate that bamenza isdenge sabo." Luz: "I'm glad you feel that way Bro. Honestly, you care for him and that's normal, but he's grown, let him make his own mistakes to learn from. What's important is that you're stuck with him, he's you." they put up the tent. Thulz: "nyanisile uLusko. Let him discover himself. Uyamazi kamandi Lubby yathanda qithi uphithizela." Luks: "I guess you're right." he tied the rope tightly. Thulani went to fetch the chairs. Luzuko fixed a light in the garage. Siyanda arrived with the vegetables. Luks: "Siya, cela uthi kuLuzuko ndiyabuya ngoku. There's something I went to sort out real quick." Siya: "sho." Lukhanyo went to his car and drove to the hospital. It was semi dark by the time he arrived. He went in as he stood at the door. The bed inside was empty. Where was she? Luks: "sorry nurse? I'm looking for my wife, she was in this room." Nurse: "I'm sorry sir. I thought you were informed." Luks: "of what!!" Nurse: "please calm down sir..." Luks: "where is she!" Nurse: "she's in a coma." Luks: "Again?? No man!! Why the fuck does this keep happening to me!" Nurse: "I apologize sir." Luks: "that's not enough sisi. Your apologies won't make her get better. Where's the doctor?" Nurse: "I'll find him for you." she walked away. Lukhanyo sat down on the chair waiting. Why didn't Ta Seez say anything? Call? SMS? He checked his phone. It had nothing. The doctor approached him. Doc: "good evening sir." Luks: "I want to see her." Doc: "I'm afraid its not that simple sir. The condition she is in keeps getting worse daily. Honestly. The problem we have is that we can find absolutely nothing wrong with her." Luks: "how? Kanti awungo Gqirha? You're supposed to find out. I think this is why you studied 7 odd years." Doc: "it isn't as simple as you think sir." Luks: "can I see her?" Doc: "right this way." they walked to another section, a lone room with two monitors beeping. Pipes draped on her nose. An oxygen mask covering her mouth and nose. A slow beep every 2 seconds came from the monitor. Luks: "oh shit.." doc: "its difficult for her to breath. She's suffocating from inside." Luks: "something is blocking her breathing.." Doc: "or slowing down her heart rate." Luks: "zez'kaka zee ntambo zilapha man!!!" he snapped. Doc: "Mr Sir, please calm down." Luks: "we have

3 babies. Our last born just almost 3 months old. Doctor, I cannot lose their mother. Not like this. What am I going to say to them? How will I explain?" doc: "I wish there was more I could do sir. I'll give you a few minutes." he walked out. Lukhanyo sat down. Luks: "uzophila Lihle. I don't care what they say. You're strong as hell. I know you. Uzoba grand, we're doing everything we can. Just hang in there." he held her hand. Luks: "the kids miss you, kunzima uvuka nabo because Lutha has the same question every morning. 'uphi mama ka Utha.' And it breaks me everytime because I can't say. Buya ke maka Luthandoluhle, u-Lubambo Lwethu.....I can't forget our 3rd kid too, we lost him too early, but kuzolunga malinki. Ndiyak'cela ke sisi uvuke." he stood up and kissed her cheek. Then walked out....

Silulamile locked himself in his flat all day. His friends knocked and knocked eventually leaving. Giving up on him. How could Zakhele be so secretive about something so big? Who the hell does that? But did it really make a difference? Nope. He never lacked anything at all. He felt like his son. Love was out of the question because Zakhele never provided that for anyone. Not even Lukhanyo. The only explanation was because of the triplets' mother. He loved her deeply. So bad, that he gave up his life for her. Until she left him...and that's when he stopped attaching himself. Someone knocked on the door again. Sindi: "hewethu Silulamile vula umnyango nditshiswa ngumntsontso!" he opened the door and she rushed in to the toilet. Stuja locked and climbed back in bed. Sindi: "and then?" she yelled from the toilet. Sindi: "kuthen kwamnyama endlin ingathi sihlala nooHili?" Stuja: "not today Sindiswa." Sindi: "hayi njani?" she wiped and flushed then washed her hands turning to the tub to run a bath. Sindi: "kudala ke nana ndik'fowenla mna, ndafika emini, haibo, house to let mntaka bawo. Ithini nto? Kwenzeka nton?" Stuja: "izapha." she climbed in bed and cuddled him. Stuja: "I just found out who my real father is." Sindi: "oh? Nini?" Stuja: "just today ksasa. Ngu Zakhele." Sindi: "uBra Zakes?" Stuja: "ja." Sindi: "yuh. Kengoku wena uziva njani love? Ek'beni kaloku sekukhulisile waqiba wayindoda endala ene ndzeft, kutheni ezoqala ukutsho ngoku?" Stuja: "uthi ebezama undikhusela. He took me home wandivasa, wandityisa, wandifundisa, wandikhulisa. Bekunzima kengoku ukuthi 'Silulamile ndim uYihlo?'

What was so difficult k'lonto?" Sindi: "sthandwa Sam andizokwazi mna ukuphendula. Oyena mntu uneempendulo for imibuzo yakho nguye. Mna I suggest after wehlile kwi shock, ubuyele kuye uthethe naye and he'll explain everything." Stuja: "andiyazi, I just panicked. Ndaphuma." Sindi: "ewe kaloku ndiyakwazi wena unendaw ez'fun qabuka xa usoyika." he chuckled. Stuja: "ndisezok'betha wena ngenyi mini. Umshiyeleni unyanam?" Sindi: "kusebsuku nje. Stuja: "masilale ke ungand'bambi tonight, ndine stress." Sindi: "uyazazi uyabawa mos kwa wena." Stuja: "mpa.." she turned around, her back facing him. He stuck himself on her and fell asleep....

Chapter 707

Lukhanyo and Luzuko drove back home after 9pm. Luz: "ugrand?" Luks: "yeah." Luz: "ubuph?" Luks: "nowhere." Luz: "ndicela undixelele." Luks: "bendiyobona uLihle?" Luz: "why?" Luks: "I don't know, I just felt the need to go." Luz: "and then what happened?" Luks: "she's in a coma. Barely alive." Luz: "haibo...what happened? I thought the doctors had it under control." Luks: "bathi kukho into emvala umphefumlo they just cannot figure it out." Luz: "I'm sorry. Nobody deserves that." Luks: "but kutheni Luzuko zonke izimanga zase khaya ziphumela kuye?" Luz: "maybe because she cares for this family more than anyone and would do whatever it takes." Luks: "that's not enough for me right now, luzuko. I'm about to lose umama wabantwana bam. akusekho mandi no matter what happened between us." Luz: "yes, but akayo responsibility yakho mos." Luks: "until you're married, and have kids, live and commit yourself to someone. You won't know how I feel. So Ndiyak'cela ke Luzuko, do not judge me." Luz: "wow." he looked away. Lukhanyo parked in the driveway. Luks: "I'm sorry....I just....andizazi ndi reacte njani kuyo yonke lento. We spoke about divorce still, kodwa point of the matter is, she had my back. So is it so bad, to have

hers xa engekho right? Elaxesha ke lifana nangoku. Yes things are fucked up, but the Support we have for one another stays. And that's it." Luz: "I just want you to move on with your life." Luks: "and I will move on. When I have closed this chapter luzuko. I'm not leaving loose ends this time, ndenza Le mistake noSibongile, I dropped her ndaleqa uLihle. Xandisilwa noLihle ndibalekele kuSbosh, when Sbosh was in trouble I fought for her. Ndingena nto ezingand'funiyoy. If I'm to move on, it has to be for real, I'm not going to keep explaining myself kuni aphe ndlini. Ndiyekeni Ndenze lento indonwabisayo for once. I'm not hurting anyone mos, ngoku yinton ingxaki?" Luz: "no I get you bra. I guess asifani singabantu..." Luks: "no Luzuko intliziyo zethu asifani. Even though we're identical. So your animosity against her, won't change shit. Asiphindi sithethe ngale nto." Luz: "sho." Lukhanyo got out the car and went in to Lubby's room. He was awake and finished eating. Luks: "hey." Lubb: "hey." Luks: "uziva njani kengoku. Mr Woof woof?" Lubby kept quiet and looked down at his hands. Luks: "uright?" Lubb: "I had a bad dream." Luks: "what happened?" he sat down on the bed. Lubb: "nothing." Luks: "come on...you know you can talk to me." Lubb: "Its about time I stopped smoking." Luks: "must have scared the shit out of you, this dream ne." Lubb: "I dreamt that, Sise mngcwabeni....the graveyard. I was kneeling ecamkwe ngcwaba. And.....she wasn't waking up." Luks: "Lihle?" Lubb: "yes." Luks: "she'll be fine." he patted his shoulder and walked out the room. Looking for Zakhele. Luks: "Tata!" Zakes: "what?" Luks: "Lihle is dying. Asikwazi ulinda uFriday! ukwi coma as we speak!" Zakes: "uve ngabani wena?" Luks: "I was there Tata. Ndimbonile, she is going to die. Please funeke senzeni icebo like Today!" Zakes: "today has 4 hours left Lukhanyo!" Luks: "then ekuseni ngomso!! Kutheni uphole kangaka nje? This is a serious matter! Kuthen ungena ntliziyo Tata?" Zakes: "njani ba Andina ntliziyo?" Luks: "we're doing the ceremony ekuseni. Because Tata, I swear. If Lihle dies in that coma, you can forget unonyana ongu Lukhanyo." Zakes: "uthini kwedin?" Luks: "undive kakuhle Tata. I never got the chance to meet my mother. My sister died 2 years back kodwa usaphila I was fighting your battles you couldve helped us instead wakhetha uyophola! Now my wife? Ha.a kaloku Tata its too much ngoku noko." he turned around and found Lubabalo standing at the door. Lubb: "what did you say?" Luks: "lub-" Lubb:"in a coma Lukhanyo? Lubb: "you didn't say you were goin-" Luks: "I don't need to form a schedule with you or anyone else for that matter! If nifuna ukuya kuye, akhomntu univalel indlela! Hambani. Into endiyaziyo mna noTa Seez and makhulu noTamkhulu are carrying on with this thing ekseni. By midday Sibe siqibile

Lubb: "the hospital. What it look like!" Luz: "they won't let you in ngelixesha. Listen.." Lubb: "no Luzuko! I'm not going to listen. Ndizohlala phandle kude kufike visiting hour ndingene." Luks: "Lubby, we need your help apha kuqala. Tamkhulu uthe funeke by half 4 sivukile. Ngo 5 siyahambeni to the healer azosinceda to collect the remains. Siyeni esibhedlele kengoku. She will be fine." Lubb: "what about my dre-" Luks: "your dream meant nothing. Let it go. Kuzoba nzima for the next couple of hours but I need you to be strong. All of us. A lot of work needs to be done to control the damage enziwe ngutata wethu. Funekile Sibe ndawonye sonke. because akabonisi kwamdla yena. So ndiyakucela Lubby, as inkulu yethu." Lubb: "I don't know what to do Lukhanyo you know andikho used to doing this! I've never done it in my life." Luks: "Tamkhulu uzokunceda. Please stop panicking." Lubb: "I can't help it." he sat down. Lubb: "I can't....I thought I could deal with all this, but honestly? It was bad enough engaboni. Then Waya esbhedlele, it just keeps getting worse. Its like history is repeating itself all over again! Uzophinda alale k'la coma another two months avuke engasazi? No man." Luks: "at least she'll be alive Lubabalo. Cingela abantwana." Lubb: "ndicingele abantwana? How about ucingela yena? She has been through hell and back but still isekwa nguye osindwa yimithwalo ka Zakhele!" Zakes: "excuse me??" he walked in. Lubb: "ububuyelantoni Tata? Heh? Why did you bother coming back because all you caused since your arrival is trouble! I'm sick and tired of this! And I'm sick and tired of YOU!" he walked out the room. Luz: "he's emotional Tata." Zakes: "I know. Its exactly uhlobo ndandiziva ngalo mhla ndashiywa ngumama wenu. I know exactly how it feels. ibuhlungu. Sodibaneni ekseni." he walked out...

The next morning, the family was up and ready to go. S'fiso and Sylvia were left behind with the kids. Lukhanyo drove the SUV, Luzuko drove the Bentley, they were escorted by 2 men(Ruiz and John) in another car to help exhume the remains. Lubby sat in the passenger of the Bentley because he didn't feel like being in the same car as Zakes. Luzuko went to fetch Thenjiwe and Sizwe first then drove to the healer. In the other car was the grandparents and Zakes being driven by Lukha, the journey was tense. Into the woods. Sizwe directed them to a large tree. The healer started his ritual before they dug. All around the area. Zakhele stood still in a short distance. Healer: "akacingi akubethe, ufuna wena, sondela.." Zakhele took a step forward. Lubb: "the further you are, the quicker it is for him to find and kill you himself." he folded his arms. Zakhele walked to stand in the circle. He was handed a shovel. Healer: "grumba bhuti." Zakhele dug, pleading with his twin. Talking and chanting the clan

name. Zakes: "Bhele, Khuboni, Langa, Mafu, Qunta, Ndabezitha....ndixolele Mnomana. Ndiyacenga ukhulule umphefumlo womntana. Akakwenzanga bubi. Akazelanga bubi. Mxolele bhuti. Intliziyo yakho imhlophe. Ayinguwe onje, ndim. Isono endasenza kuwe sikhuphele kum. Iintlungu owazivayo, ziphalaze kum. Philisa umphefumlo wentombi yase mangwevin. UTshangisa uzicelela uxolo Langa.." he stopped. Mark: "can we take it from here?" they continued with the digging and they were stopped. Healer: "kuzofuneka amathambo akhutshwe nguZakhele. Not omnye umntu." Zakes: "intonii???" Healer: "ngena phakathi Zakhele ukhuphe umninawa wakho ez'ntlungwin." Zakhele didn't protest, time was not on their side. He carefully stepped in and dug a little further. Until a white surface appeared. He stopped and breathed, shaking uncontrollably, developing a headache. Healer: "khupha umninawa wakho Zakhele." Zakes: "makandiyeke kqala." Lubb: "he needs to fall back inside you. To Redecorate your heart." Zakhele gave him a side frown. Lubb: "ufane wandithi jep." Zakes: "ndicela nisondeze Le box." they pushed the box closer. He picked up the skull. It had been dislocated off the rest of the body. Zakes: "Lubabalo." Lubby stepped forward and took it into the box. After collecting the remains the forensics went back in to check for anything left behind. Healer: "izano vasa izandla." Lubby and Zakes held out their hands. The healer poured mixed herbs and water to wash them of any bad luck. they drove to a proper cemetery. A grave was dug already. Again Zakhele went in first since he was the twin. Then they had they had the box in. After another process, they drove to hospital. In prayer and hope. They walked in together. Sizwe walked with Lubby. Lukhanyo with his grandfather. Grandma, Thenjiwe and Zakes just behind. The healer in front. He burnt his incense at the door of the room. Doc: "uhm? Excuse me? This will disturb other patients and Mrs Mzinyathi's condition is very critical, she can't breath on her own-" the machine inside started beeping. Lubby jumped up the nurse held him back. The doctors rushed in. Lubb: "no!!" Sizwe: "Lubabalo please.." he sat him down. Sizwe: "calm down nyana." he breathed in hope and faith...

Chapter 708

Everyone waited in the waiting room. It was silent. Healer: "Zakhele. Iza." they stood up and walked into the room while the doctors were trying to resuscitate her. The incense burned. Doc: "what the.....you're not allowed in here!" Zakes: "its tradition. If you don't know what's wrong, how can you fix it?" the doctor continued working nonetheless. The machine stopped beeping. Zakes: "vuka kaloku mntanam. Phakama nontombi." Doc: "ready?" he tested the defibrillator and landed it on her chest to

shock. Doc: "clear?" Nurse: "No. Its still 0.36." the doctor tried again. Doc: "rising?" Nurse: "steadily." the doctor pressed the 2 paddles to together and did it once more. She gasped in breath, opening her eyes. Zakes: "thank God!" Doc: "the worse is yet to come." he put down his machinery, and started assessing her. Doc: "clear?" Nurse: "yes." she breathed. Zakes: "Lihle?" doc: "sir please!!" he snapped. Zakes: "can she see?" Doc: "can you wait outside? When everything is under control, you will be informed. Right now, we are still busy. Anything can go wrong." Zakes: "we can't leave-" Doc: "it is imperative for you to go. You can leave your burning incense behind.." they put it on the table and walked out. Sizwe: "uthini!!" Zakes: "base busy, good thing that is quite an understanding human being uthe masishiyeke impepho. Even though engumlungu." Sizwe: "and its not allowed, something must have happened." he sat down to wait. Zakes: "uzophila uLihle. Uwavulile amehlo waphefumla." Lubb: "what??" Zakes: "I saw her myself. Even though lagqirha esokolisa ethethi ntsente of the worse yet to come. She'll be fine. NguMarhudulu lowa. Bomelele indalo." he sat down. Zakes: "uright?" Lubby stared at him. Yena wonke akhathale ba unjani? Naww. Lubb: "you care?" Zakes: "no. I'm just being nice." Lubby smiled. Lubb: "I'm okay. Wena uphillile?" Zakes: "you concerned?" Lubb: "not in the slightest. Its Just courtesy." Zakes: "good. Ndiright nam." he folded his arms. Zakes: "thought I'd lost you there for a second.." he inhaled and exhaled. Lubb: "are you kidding me? Bendicimba awuphum k'la mngxunyo, started panicking. Ndibile nes'bunzi." Zakhele chuckled. Zakes: "umuncu kwedin. Manyani." Lubb: "uthi ulukhanyo ndiyi seer lamoen." Zakes: "akaxoki." Lubb: "about earlier, I kind of snapped..I'm so-" Zakes: "its fine. Ndiyayazi feeling ibinjani. Sendisuka kulahlekelwa ngumntu endimthandayo. I was just as bad, ndilindile abantwana bam, I had plans. For the 5 of us. Ndandingakhathali njani, but ndandiyazi izokwenzeka lento ndiyifunayo, noba bendingena Mali, singena sonka, we would make it. But because of ilack of umthandazo ne nkolo. She didn't make it. I thought neither did luzuko, ndashiyeka nawe noLukhanyo and I couldn't bare the pain by myself. Sebastian wayenifuna nobabin kodwa I needed one...as a reminder of the others. So akusuba ndandingakufuni Lubabalo, ndandinifuna nonke, very much..." Lubb: "but we'd never have survived. I understand Tata. I really do. You did what you thought was best, and it worked out, what's important is that sihleli sonke namhlanje, I can't do this alone, ndiyavuya nikhona. To support uLihle, because I know she's not only my fiance, but ngumntana ka SisThenji noTa Seez, ngumama wabantwana baka Lukhanyo. We all share the same pain. This time kukho uthando, ne support. So ndicela sithandazeni because God always answers, He is in control...Tata?" Zakes: "cela sicimeleni." they held hands and stood up in a circle then started praying.

Mandy: "fuck." she sat down. Soma drove to his place, usually Thandi was at work this time. So it was safe, he was in no mood to be shouting and fighting. As he unlocked and walked in. Thulani stayed awake the entire night. The more he tried to avoid it, the quicker it came. The day which he laid his mother to rest. How would he get through it? He doubted he was strong enough for it. Memories flooded his thoughts of all the stages in his life. From as young as he remembers, all he saw was her smile. Her laugh. The warm hugs every day. She supported him through everything. But it seemed now, he needed her more than ever. He wishes he would've tried more to protect her. He should've listened when Siyanda told him about the abuse. All that was too late now. The alarm rang at 4:30. He switched it off. And sat in bed for a few more minutes then got up to bath and dress. The triplets arrived at 5:30am. Lukhanyo and Lubby looked seriously upset or pissed off. There was no telling. Luz: "ekse boy. Ugrand?" Thulz: "ndisharp awti." he sat down. Lubb: "busow'tyile?" Thulz: "Nah..I'm fine." Namhla came in after 6. Thulz: "siyaqala Ngo7. Its not going to be big. She always was a private person." Luks: "uphi uSiya?" Thulz: "I don't know. Andikambon." they all sat in the front with Jeff and thulani's aunt. The choir sang a hymn. Mourners came into the house for the service. Thulani stared at the casket holding back his tears, a picture of his mother hung onto it. One tear gave up. Jeff: "be strong Thulani." he hugged him. Thulz: "Andikwazi Tata....I can't do this." he sniffed. Jeff: "its going to be okay nyana. Kusezolunga ngenyi mini. Qina mntanam." Thulz: "she's never coming back." Jeff: "no....but she'll be in our hearts forever. Close your eyes..... the best things are seen in memories." he sobbed. Lukhanyo looked at Lubby. Luks: "ukhalela nton?" Lubb: "its just....." he wiped his tears. Lubb: "andilo litye Lukhanyo. Andifani nawe." Luks: "I am not going to dpa on you today. Ncama, citha utyiwe.....oops." Lubb: "the way you're so disrespectful sometimes." he stood up and walked to the kitchen. Luz: "uyamazi he's a cocktail of emotions today. Akakwazi uthathi joke xenje." Luks: "bendicimba uzohleka nje. I didn't know he was really serious." Luz: "iyamtya lento kaLihle Lukhanyo, just let him be today." Luks: "ok." Lubby came back. The program began. As Siya walked in the door, rolling Phindile's wheelchair...

Chapter 710

Thulani looked up. Thulz: "uzothini lona apha?" he said loudly. Jeff: "shhh..." Thulz: "this is all his fault! Nguye wonke lo wenze lento! Uzothini apha!" Siya: "Thulani please..." Thulani kept quiet. The priest continued with the funeral. After reading from the Bible and singing a hymn. Came the time to view the body. Jeff: "iza nyana."

they stood up and walked toward the casket. Thulani looked at his mother for the last time. The very last time. Thulz: "ndiyakthanda mama, ndiyakukhulula ulale ngoxolo. You will always be in my heart." he walked away. The mourners went by one by one. Thulani walked out, followed by Lukhanyo. Luzuko stayed behind with an emotional Lubby. Luks: "Thulz?" Thulz: "ndigrand Lukhanyo. I'm fine." Namhla came to check on him. Thulz: "I'm okay." Luks: "alright then." he left them together. Namhla hugged her boyfriend. Namhla: "ndiyak'thanda sweetheart Va? You will be fine as time goes." Thulz: "enkosi mntu wam. I just wish all this is over. I don't want to see his face, undenza naar Namhla lamntu." Namhla: "you're hurt baby. Its understandable to be angry too. Just do not do anything driven by umsindo because uzozisola. The whole in your heart will be bigger. Andithi forgive and forget, give yourself time to mourn and control your emotions." Thulz: "uqibele nini ubona cousin wakho?" Namhla: "she's in a coma." Thulz: "again?" Namhla: "ewe. Andisayazi anymore." Zakhele had arrived earlier, he walked to him. Zakes: "nyana." Thulz: "molo Ta-" Jeff: "ufuna ntonapha!" he hissed. Zakes: "I came to support unyan-" Jeff: "oonyana bakho bangaphakathi endlin Zakhele. This is NOT your son!" Zakes: "well, mna ndikhule kwindawo whereby uba unguTata, ungutata kwabantwana bonke. Especially iitshomi zabantwana bakho." Jeff: "I don't want you to be a father to my son, I am capable." Zakes: "yuh hay Jeff usek'lawey? Kutheni ungakhe uphefumle in then out, galel shot, uhlale phantsi uphele?" Jeff: "get out!" Zakes: "only xakusitsho unyana wam" he looked at Thulani and smiled. Thulz: "Tata, he just came for support akazanga for anything else. I'm okay." Jeff: "yi-bad influence lomntu Thulani." Thulz: "not really Ta." Jeff gave Zakhele one last look and walked away. Namhla: "I'll be inside." she walked in. Thulz: "enkosi Tata. For coming." Zakes: "my pleasure, if uneeda anything you know where to find me uyeva?" Thulz: "enkosi Tata, Ndifuna nje uhlalapha for a few minutes kude kuphele yonke lonto." Zakes: "ngoba?" Thulz: "latata ubulele umamam upha. Its taking all my strength not to snap." Zakes: "ndik'hlalise?" Thulz: "yes please." they sat down together. Zakes: "uhleli eProtective over wena lotatakho?" Thulz: "ewe akakwazi uzinceda ke shame." Zakes: "yeah, well, its only because uyakuthanda. Ufuna ukukhusela ez'ntweni ezimbi. Like I did with Silulamile, qha akay'understand yena lonto." Thulz: "Silulamile? UStuja?" Zakes: "yes. Last born yam." Thulz: "bendingayazi lonto." Zakes: "uyabazi abantu banjani phandlapha xa besazi izinto. Kodwa, now that ndim'chazele I feel ngeske nday'thetha kwak'qala. Akasathethi nam." Thulz: "he doesn't feel that way." Zakes: "wena uyazi njani lonto." Thulani pointed to the door. Zakhele looked. Stuja: "molweni." Zakes: "molo nyana." Stuja: "singathetha later?" Zakes: "sure." Stuja turned back to the house. Thulz: "so that's sorted." Zakes: "not really. Abam oonyana are one of a kind. Umntu uyoba right

ngoku an hour later abenomsindo. Ungayazi ba wenze ntoni to tick them off." Thulz: "haha. Ndiyabazi ke abo." Zakes: "iza. Let's go in." they went inside the house during a chorus. Everyone was preparing to go to the graveyard. Thulani, Siya, Lukhanyo, luzuko, Lubby and Silulamile carried the casket to the hearse. The family followed and got into the cars, driving to the graveyard. It was a short program. Thulani and Jeffrey insisted, so instead of a church they'd done everything at home. They arrived in Forest Hill cemetery, carrying the casket to the grave. Jeff had taken phindile because his heart couldn't leave him by the house on his own. He rolled him out on the wheelchair to the grave. Jeff: "I want to hate you phindile. Lord knows how angry I am. But Andikwazi because Ndiyayazi uNobubele would have never wanted me to. Ebezofuna ndikuxolele. Uyazibona phof izenzo zakho robbed abantwana bakho of their mother, they robbed you of your own wife. Ndanditshilo kuwe Phindile. I told you lento yothanda amantombazana ayizokwakha. It gave you unnecessary power. Ndifuna uyazi ke andikucapkeli mna. I never will. Uzoz'khotha amaxeba akho ngokwakho. I hope you see your mistakes and you're able to forgive yourself because There's nothing worse than self-hate." they stood under the little tent. The priest started again. The choir sang once more, while the casket rolled down. Siyanda stood next to little sister. Siya: "shhh...sukhala mntase..." he hugged her. Thulani went on to read a poem dedicated to his mother. Thulz: "A face that is always on my mind,
A smile I have seen a million times,
Two eyes that would light up the sky at night,
One last battle you could not fight,
The day was long, then night then morn.
I never knew that soon you would be gone,
I would've clasped your hand so warm in mine,
But Soon we would be out of time," Melissa: "To stay with us you fought so hard,
A million pieces broke my heart,
Now a photo I look at to see your smile,
I keep your number on my speed dial," Siya: "A video I watch to hear your voice,
This I do.... I have no choice.,
But great memories I will always keep with me,
Your love in my heart for eternity,
I never got to say goodbye,
To understand why, I can but try,
Waiting in heaven from this moment on,
'Till God asks you to bring us home...." he cried. Jeffrey held his hand to the graveside while he pushed Phindile. While the priest spoke words of commendation and

farewell. Thulani held his sister. Priest: "iNkosi ngumalusi wam, andiykuswela nto. Yenza ukuba ndibuthe emariweni aluhlaza; indithundezela emanzini angawokuphumla. Iyawubuyisa umphefumlo wam: indikhaphele ezindleleni zobulungisa ngenxa yeGama layo..." the mourners joined the praise...until they were finished with the whole program and closed their books. It was time to go. Triplets took their shovels. Taking off the blazers, rolling up their sleeves.....

Sizwe sat with Thenjiwe at the hospital. He had a paper in his hand which he had to sign. Thenji: "let me." Sizwe: "ha.a liyeke." thenji: "Awukwazi ulikhamisela olohlobo Sizwe. Just sign the damn thing." Sizwe: "yenze owuphi umehluko ke Thenjiwe? Iphepha lobubhanxa won't fix my mistake nor will it wake my child up!" Thenji: "suzi blamer for lento yenzekayo Sizwe. Nawe mos wawungayazi kuzobanje." Sizwe: "kodwa ngoku ndiphelelwe lithemba because kumoshakele. Ingaske ibe ndim ok'la bhedi, just to take away her pain Thenjiwe. She's been through so much! Andiyazi futhi lento ayibona kwez'ntwana zaka Zakhele." Thenji: "thetha naye ke. Ungutatakhe. Uzokumamela wena." Sizwe: "use engaged to one, married to the other and neither of them want to let go. Andisayazi ba mandithini Thenjiwe. Andiyazi nyani. Ndiyamthanda ulubby, but he's from the wrong family. Lukhanyo ulungile nokwakhe and uyoz'bona impazamo zakhe which makes him a better man kodwa andimthembanga." Thenji: "andithembanga kwa Lubabalo lowo mna. Buyakwazi utshintsha tshintsha amankazan oluhlobo akazokophula ntliziyo yomntanam? Yonke intombi adibana nayo yena ufuna ukuyitshata. Each and every year. Ha.a Sizwe Ikhona into engekho right ngalomntu. Andazi noba uphethwe ngumona okanye utheni na." Sizwe: "andizothethelela namnye ke shame this time Thenjiwe. Ndifuna umntanam mna qha." the doctor came to them. Doc: "Mr and Mrs.....?" Sizwe: "Sizwe. Call me Sizwe. How is my child." doc: "If you could kindly follow me sir." they walked behind him to the room. Doc: "she has finally stabilized. But her body is still weak. We can't add another dosage, it is too dangerous so instead We'll let nature take its course." Sizwe: "isn't she in pain?" Doc: "yes....but as time goes she will be fine. I'll give you a few minutes." he left. Thenjiwe: "molo mntanam." I opened my eyes and saw my mother and father kwehla inyembezi, I could finally see! Although I was in crucial pain. Everything ached from head to toe as though I had needles stuck on my body. Thenji: "sukhala mntanam, uzophila kaloku." me: "ku-..hlu..ngu ma...ma..." I breathed in agony. My throat was in flames. Sizwe: "shhh, my angel. Don't strain yourself." he took my hand in his. Sizwe: "izothatha ixesha ubuyele back to normal. Kodwa uzophila love." I missed my children so badly. Sizwe looked for a nurse. Sizwe: "sorry? Can't you give her something for pain? She is suffering." Nurse: "unfortunately not sir. The doctor had strict instructions on no more medication."

Sizwe: "why?" Nurse: "we can't overdose her sir. It will kill her. She must try and calm down, relax and sleep to let the injection sink in." he went back to the room.

Sizwe: "abakwazi umpha anything more. Kuthwa yingozi. Mntanam, ndicela womelele for a few more days." days? What days? Me: "no..." Sizwe: "please sthandwa sam." he had hope in his eyes. I couldn't do this. I can't. Sizwe: "do it for your babies. Bayakukhumbula. Worse Lubambo Une frown ayenzayo ngoku everytime xevuka." thenji: "uzoba necheek lowa umntana. Lonto uyajamela Va." Sizwe: "and uyakhula." Thenji: "amawele astout ke wona shame andifun nova. Unqanda oko pha kubo." what about creche? Lukhanyo ude wabasa abantwana eskolweni? Or maybe not. Me: "Chuma.." Sizwe: "asikam'xeleli uSbongile. Asikaxeleli mntu. OoMzinyathi base mngcwabeni." I started to panic. Who had died? Me: "w-ho?" Sizwe: "umama ka Thulani." oh hayin bethuna.. How much had I missed out on. How long was I here? I wonder unjani yena uThulani notatakhe shame. Thenji: "lala sisi. Ubonakala udiniwe." Me: "fu-na manzi." she held the glass with straw ndasela. My father fluffed up my pillows ndaresta. Thank God the injection was working. Not for pain but for sleep and that was good enough for me. I didn't want to close my eyes. Seeing my parents was a great deal. I hadn't seen them in weeks and what if I close my eyes to the darkness again? Thenji: "sukoyika sthandwa sam. Kuzolunga...ndithembele kuYehova ngentliziyo yam yonke." I had to close my eyes. I had to have faith, ndozela ndaqalisa ulala. Sizwe sat on the bed and looked at Thenjiwe. Sizwe: "do you forgive me?" Thenji: "Sizwe ndiyakucela not ngoku." Sizwe: "ndicela uxolo Thenjiwe." she held his hands. Thenji: "again. Ndithe it Is not your fault. Ubungayazi kuzokwenzeka lento." she hugged him for the first time in a very long time. He held on to her jersey, a tear falling out his left eye. Thenji: "shhh...its going to be okay." Sizwe: "andi understand ukwazi njani ukuba strong when every part of me ifuna ukuphalala. Kudinwe intliziyo nengqondo." Thenji: "uyathanda ke uzi stresser ngezinto ezinintsi. Lihle woke up. Sistep sokuqala eso Sizwe, ngowuvuya. Leye ntlungu ke ibizokwenzeka naninina. Uzoba right kungek'dala." he pulled back to look at her. She wiped his tears and he pulled her closer to kiss her lips. Sizwe: "enkosi." she smiled and looked away. Sizwe: "cela undijonge Thenjiwe." Thenji: "Andikwazi Sizwe. Uzotshata kungeku dala.." Sizwe: "Ndiyayazi lonto...its just..." he sighed. Sizwe: "ndicela undijonge maka Lithembelihle." she looked at his eyes and he smiled. Thenji: "ayenziwa lento uyenzayo Sizwe." Sizwe: "andinoku jonga kengoku?" Thenji: "ngoba kutheni?" Sizwe: "kuba ndinamehlo and Ndifuna ukuk'jonga. Ikhon ingxaki?" Thenji: "I have to go...." she rushed out the room leaving him still sitting on his daughter's bed...

Chapter 711

Later the day of the funeral. Lubby and Luzuko packed the chairs out the tent and loaded them in the bakkie. Stuja and Lukhanyo brought down the tent and folded it. Siyanda was in the house feeding his father. Thulani took a walk with Namhla. It was getting late and people had left. Zakes: "Lubby!" Lubb: "Ta?" Zakes: "khazapha nyana." Lubby followed him. Zakes: "because ebesokola....egxothwe ngabazali bakhe to become a man. Mostly because ebethanda umosha. Ebengena Mali, elatyotyombe livuzayo ibiyiyo yodwa into akwaziyo ukuy'afforda. Lubb: "we are in a freeway. In the middle of nowhere." Zakes: "I was that man Lubabalo. Everytime you complain about everything ndibanomsindo because awuyazi kunjani uhlupheka. Don't joke about being poor because you would never survive a day of that life. If I go straight ahead. Sizodibana ne Tinarha. If we go back sizodibana neBhayi. Lubb: "you have got to be fucking kidding me! TATA!!!!!!!!!!!!" he screamed. Zakhele hooted and disappeared into the freeway.....

Luzuko and Lukhanyo were back home with the babies. Luthandoluhle were playing together. Babalobuhle were in the naughty corner. Again. Luks: "benzeni abantwana bam bethuna. Sebelusizi nje ngoku. Babalo: "ah.ah." he walked to her and she pulled the bag running out the room. Luks: "hebethuna nqandani!" S'fiso: "hahahaaa!!!!!" Likhanyo walked fast behind her and grabbed the bag, picking her up. They walked back to the room. Luks: "S'fiso, uphi uNumber 2 kengoku?" S'fiso: "khangelapho. Khange aqalise uphuma." Luks: "S'fiso andimbon apha!" S'fiso walked in and they searched the cupboards and under the bed. Likhanyo nudged S'fiso. Luks: "khajonge pha." pointing to the curtain. It'll never be the same Soso. Stop trying to convince yourself to be happy xa ufaniselana nam." Soso: "excuse me?" Soma: "you're busy swearing me the other day ngothand ukukopa kanti you're the one that feels the need to duplicate everything I do. Bro, you don't need to be me, to be happy." Soso drank his drink. Soso: "sorry waiter- uhm, Kaylin?" she turned to him. Soso: "can you get me a beer instead? I'll pay for this too though." she went to fetch him a beer. Soma: "that's a start." Soso: "I don't know what I want Soma. Without you bellowing down my throat." Soma: "that's why we're here andithi? To figure out who Soso is. You shouldn't feel the need to be me everytime. If Soso is a vulgar bastard, then so be it. I honestly didn't buy that Christian act for a milli second because I knew its not you. It was as fake as the gold you had in your tooth 15 years ago." Soso: "hahahaaa!!! Don't ever bring that up!" Soma: "till today, nobody knows who had the gold tooth, between us. Usakhumbula kufika elapolisa endlin? Xa ebona mna, uthi 'heeman bungena gold?' Uthi yena uLubby taking new projects was something he learned on the job while ebeyi CEO and its fun because you get to learn about different aspects of different businesses of different careers." Soso: "yeah I get it now." their food arrived. Soso started eating first. Soso: "I'm not sure." Soma: "but you're interested right." Soso: "maybe.." Soma: "flexible hours, tight suits, and build yourself. You're your own boss, in charge of your own department." Soso: "but at the end of the day I have to report to Lubby." Soma: "no, nobody reports to anybody. We just have meetings once a week and discuss our progress with our projects and then help each other." Soso: "but I'm a doctor." Soma: "haike Hlala ubengu doctor. Xa ufuna." Soso: "I don't know Soma. I really need to be sure." Soma: "oh well, mna ke I get to sit in an office, day dream, work, go to lunch, come back, work, chill." Soso: "uyandiqhayisela kengoku?" Soma: "I know you wanna. You want so many things-" he bit a piece of his meal and chewed. Soma: "I know you want to drop your career, because you hate it." Soso: "ndithini kuMandy?" Soma: "uyafuna uba noMandy?" Soso: "I don't know." Soma: "you spend your time with Siphe and her mother, more than your own girlfriend. Ithetha nton loonto kuwe." Soso: "its different now cuz Siphe uzohlala nam." Killa: "uyandiqibelisa ke mna." Stuja: "saw'thetha efownin awti." he walked to his car and got in. He drove to Lovemore Heights. Zakhele was reading the newspaper with the 2 sets of twins. Babalo was sitting on his shoulders, her chin rested on his head. Luhle and Lutha on his lap. Buhle was on the ground playing by herself. She followed a wire to the door. It was locked already. So she walked around to her father's room. She pushed the door open, then opened the drawer. Lubb: "wenzani?" she got a fright and looked at him. Buhle: "dada!" Lubb: "izapha ke ndibone uphethe nton." Buhle: "hamba." Lubb: "andiyi ndawo ke kanti nomiza..come to daddy. Come, come, come. Stout ukufa wena." he held her hand. Buhle: "dada. Phakanisi." he kneeled on both knees and bent down. Lubb: "kwela ke." she climbed on his back. He crawled out the door while she giggled on his back. All the way into the nursery. Lubambo had just woken up, Lukhanyo was fast asleep next to him. Lubb: "shhh...." he put her down and stood up. Lubb: "hey daddy." he whispered. Lukhanyo woke up and yawned. Luks: "hey." Lubb: "long day?" Luks: "yooh. Akalali unyana wakho Lubabalo. Fuck." Lubb: "sehleli. Sapha. Get some rest, its still early." Luks: "you sure?" Lubb:"yeah." Luks: "khandiphathel twins, bazolala." Lubb: "alright. Nanku owok'qala. She'll keep you company. Yambona? Looking all sweet." Buhle smiled. Luks: "ncoooh, izolala mntanam." he pulled her up to bed. And she tipped on his chest to rest. Lubb: "can I take him to the doctor?" Luks: "please do. Thatha nebotile yakhe on the counter." Lubby walked out with Lubambo. The baby was still restless and sobbing. Zakes: "utheni ngoku?" Lubby stared at him. Then shook his head. Lubb: "Luthandoluhle and Babes. Iya eroomin kuTata." Zakes: "so aw'zothetha nam." Lubby took the baby bag and ready bottle. Lubb: "andazi Tata, I'm still tryna get over the fact you almost killed me." Zakes: "I did no such thing." Lubb: "culpable homicide dad. You might not have had the intention, but you almost did. I have a scar on my heart because of you. An unnecessary scar. So I'm sorry if my tits too long, but I cannot stand this anymore. I do not want to be in relations with you." Zakes: "Uthin na kwedin." Lubb: "goodbye Tata. I'm done." Zakes: "no you're not. Get back here and let me love you!" Lubb: "NO!" he ran to his car. Zakhele laughed. Zakes: "God, I love that boy." Lubby buckled the baby up and drove to hospital.

Chapter 714

Lubby sat on the bed with the baby on his lap. The doctor was finished and writing down something. Lubb: "what's wrong with him?" Doc: "nothing." Lubb: "but...he's been restless for a while." Doc: "babies get moody too. Its not always just being sick." Lubb: "so..He'll be fine? Just a Lil TLC?" Doc: "haha. Yes." Lubby dressed the baby and walked out. Lubb: "thanks." he signed and left, covering the baby. They walked to Lihle's side. It was late. The doctor came out the room Lubby walked in. Lubb: "hey mommy." Me: "he's here...baby!" I cleared my throat holding out my arms. Lubb: "ebekhumbula wena. He's been moody these past few days." I took my baby and stared at him. Tears came. I hadn't seen him in 2 or 3 weeks? But it seemed too long. His eyes widened and mouth pouted. I kissed him. Me: "hello my angel." he was getting bigger by the day! And so cute. Lubb: "babes?" Me: "where's my twins?" Lubb: "noba balele ngoku. Love? Can we talk?" Me: "about what." he sat down. Lubb: "us." Me: "ndimamele." Lubb: "andiyazi noba ndim na lo ubona goso...." Me: "bona nton Lubby?" Bambo burped, spurting out some white liquid ndamsula, and kissed his nose. Lubb: "you shouldn't care bathini Abanye abantu Lihle. The stupid jokes and comments shouldn't put you down or anger you-" Me: "is this about your brothers?" Lubb: "look babes, I know bayadika. That's just them. Andiy'thandi xa kus'liwa ke kodwa noko. Its unnecessary." Me: "oh? So funeke ndibe obedient in other words, ndithukwe ndivale umlomo?" Lubb: "I'm not saying that, but you shouldn't let what others think or say bring you down. You're a strong, gorgeous, smart lady. You can't waste your time arguing with fools, they'll drag you down to their level and beat you with experience because kalok bona zizdenge. Calm yourself down and mind not what they say." Me: "this is easy for you Lubby kaloku wena uyindod-" Lubb: "haike sufuna sixabane. Uyayazi mos we're equals in our relationship. Its not about being indoda or what ever. what hurts you, hurts me too. I don't want you to have doubts about that. Akhomntu ebekhe wathi kuzobalula. But we're gonna make it through." Me: "I don't know Lubabalo." Lubb: "yintoni Le ngayaziyo?" Me: "every time I'm mixed with your family, I end up Here! Every damn time. More than 3 times ndijika kwi coma? No Lubby, ikhona endiyenza wrong." Lubb: "what are you saying." Me: "I don't know what to say or think anymore I do love you, I do want to be with you. But I don't know if I can handle another battle. I'm really tired ngoku. Oko funeka ndilwe ndife ndiphinde ndivuke ndileqwa naziz'porho?" Lubb: "maybe our problems are bigger than most, but kutheni uzobane doubts ngenxa yalonto?" Me: "problems? These are disasters. One after the other. I'm just unsure right now and I don't wanna drag you along when I'm unsure of myself." Lubb: "so technically its over?" he had tears in his eyes. Me: "I'm not giving up....but I do need a break. I can't keep doing

this. I'm missing out on my own life, my kids' lives-" Lubb: "but Lihle I'm willing to stand by you through out everything. Ndiyak'thanda ufuna ndide ndithini? What must I do!" Me: "nothing Lubby, nam njena I feel exactly the same way. B-" Lubb: "then kutheni undenza lento Lihle? Why are you hurting me like this??" Me: "I don't want you to be hurt Lubabalo. Ndingowakho nje. You're supposed to understand." Lubb: "that you want to leave me? I'm sorry for being too pessimistic about it then!" he stood up and walked out. I looked back at Lubambo, his bottom lip was quivering. Me: "please mntanam, not you too." I cuddled him up and blocked my tears from starting. I didn't know what to do anymore, everything was just so confusing. Too much thinking led me to this. Everything I did wasn't working anymore. Maybe I needed a shrink? A psychic? A sangoma? No. I needed nobody but myself. I'm sick and tired of people thinking for me. I wanted to clear myself, my mind, my life and re-evaluate everything. I can't do that when I keep bumping into my past. When my parents keep holding my hands. I needed to learn to stand up for myself and be independent. Kwangena uSbosh with Chuma. I was in no mood for visitors kodwa ke I forced a smile. Sbosh: "hey tshomi. Uright?" Me: "I'm fine. Molweni guys." Chuma: "molo mama. Mna bendidlala soccer match and scored 2 goals." Me: "wow! That's my boy. Khangene." we fist bumped. Chuma: "uyagula mama? Kutheni ukhala nje? Kanye ngu Bambo?" Me: "no baby, siright." Chuma: "ngu Tata?" I shook my head. Chuma: "kehok utheni?" Sbosh: "yathanda ke wena ubuza. Khakhuphe drawing yakho ke." he opened his bag wakhupha iphepha. Chuma: "nanku nguwe ke mama, ngutata lona, ngu Lutha noLuhle apha. Nam. Like the time besihlale ndlini ne?" Me: "yes my angel. This is beautiful." I wiped my tear quickly. Chuma: "mama, khand'phe uchappies ndizoncamathela lewei apha ecamko mama." Sbosh: "yinton lewei Chumani? Bendithen ngothetha olohlobo?" Chuma: "yooh, xolo mama. Eli phepha Le drawing yam ke." she gave him Prestik. Walixhoma phepha lakhe that just cut my heart as a reminder of how "perfect" life was. Sbosh: "uright mtshana?" Me: "yeah." sbosh: "sidibene noLubby phandle. He doesn't look okay. S'bu uhleli naye." I didn't even know where to start. Or how to. Chuma took out his toys wazondlalela pha phantsi and played. Sbosh: "you can talk to me babe. What's wrong." Me: "I can't do this Sibongile. I really can't!" I sobbed. Me: "I'm tired of fighting and arguing and hatred and I just want my old simple life back. I thought....I thought it'd be okay. Its not. It just gets more complicated and I just want to be by myself right now." sbosh: "but at the same time you want him too." Me: "yes." she hugged us, because Lubambo was falling asleep in my arms. Sbosh: "kodwa Lihle Kuthen uzenza lento. From the beginning I told you this was a bad idea. Now its irreversible. Everybody makes mistakes ebomini, that's how we learn babe. I've been through the exact same shit as

you nam, yangu Xolani ngapha, uLukhanyo ngapha. I didn't know whether to move on or stay. For years. Situations zethu ke azifani, maybe Lubby really is in love with you, and maybe you're afraid of being loved because you're used to heartbreak. Kodwa mna ndithi mtshana give yourself this time to think and heal. Take a break, focus on your studies, your kids too. If Lubby is your soulmate He'll follow in your future, but this is Your time now. This should be a wake up call for you." Chuma climbed on the bed too and hugged me. I couldn't stop crying. Sbosh: "Ndiyayazi kub'hlungu sisi. I know. But it'll be okay, maybe not now.....but in due time. Yonke into inxesha layo." Chuma gave me a tissue, waphinda wahlika wayodlala phantsi. S'bu and Lubby walked in. S'bu: "hey Lihle, uright." we hugged. Me: "I'm fine thanks, wena?" S'bu: "I'm good. Chuma? Khanindikhaphe boy." Chuma: "hayi mna bhuti, ndizohlala apha ndijonge mama wam." S'bu: "sizaw'buya kaloku." Chuma: "namhlanje?" S'bu: "ewe. Shiya toys zakho sambe." they walked out with Sbosh. I put a sleeping Lubambo in between my legs, wombathatha nge Bhayi lakhe. Me: "I'm sorry." Lubb: "I don't know if I can let you go.....like this." Me: "Lubabalo I need space to-" Lubb: "I don't want you to feel the need to explain yourself, you're not a slave. Its hard for me but I want you to be happy. So nangoku as ba it feels like my heart is ripped to shreds...I will respect you and your decision." Me: "I love you.." Lubb: "I love you too Lihle." I unlocked the drawer and gave him back his ring. Lubb: "please keep it. Its yours." Me: "this is not forever Lubby. I just need to find myself." Lubb: "I know and I understand. But Uyayazi that whatever you need, you can count on me." Me: "thank you for that." he stood up and took the baby. Lubb: "uzobuya ngomso with the twins. And their father." Me: "ok." he kissed my cheek and left.....

Lukhanyo woke up later that evening and went to fetch his dinner. Zakes: "lonto uyalala. Moer." Luks: "diniwe Tata." Zakes: "kunyusa intente uphind uy'hlise. Yuh hayi uliphakuphaku shem. Uph unyana?" Lubby put him down in bed and walked to his own room. Luks: "so...you good? Lusko nos'fiso baz'khuphile so I'm thinking how bout a night out together? Its been a while Bafo." Lubb: "maybe next time. I'm not feeling too good right now." he

Luks: "fuck no I'm not. Ndizohlala nabani mna?" Lubby got into bed. Luks: "are you okay?" Lubb: "please Lukhanyo. Andibaweli thetha. Andifuni niks." Luks: "so I can leave you alone? I'm going out namajita. You won't get mad?" Lubb: "nah its chilled." Luks: "ndingak'phathel umbengo? From Lifa and Mafa? Your favorite." Lubb: "if I say yes, will you go away?" Luks: "no. I'm concerned Lubby. You know I hate it xa uqumbile. Ngu Tata?" Lubb: "No." Luks: "Lihle? Is she okay?" Lubby nodded. Luks: "you couldn't see her?" Lubb: "Just Go!!!" he cried. Luks: "haibo Lubabalo. Kwenzeke ntoni?" Lubby got up and dressed. Lubb: "there is no fucking privacy in this damn house!" he grabbed his keys, phone and wallet then walked out. He drove to Soma's bachelor pad, unlocked the door and walked in. Nobody was home. He had his own key and Soma usually is with Thandi at her place.. His phone rang. When he checked the caller, the number was too long. Lubb: "Lubby Morrison speaking." he said in his professional voice. Soma: "Soma Thembani calling. Hehehee!!!" Lubby chuckled. Lubb: "uphi sani ndilapha kuwe ndlin. Who's ugly number is this?" Soma: "The Maldives suhn. Ndihamba nale rascal ifana nam." Lubb: "oh ok. Having fun?" Soma: "yeah, hop on the jet and join us bra." Soma: "okay postpone it to Wednesday then, my laptop is in the drawer, Uyayazi password yam, you'll find the contacts for all our candidates in a folder named SoLu-shins." Lubb: "sure thing." Soma: "sho ke awti yam." Lubby hung up and sat down to roll the blunt. Just as he took the lighter. He gave it one last

thought. And put it down. Maybe this time he shouldn't forget. He should just face his pain. There was no other easy way..

Chapter 715: Lihle's Episode.

Two weeks later

I was getting up from bed ndayovasa and dress. In my moms house. Luthandoluhle were with me and Lubambo. My father took them to creche in the morning aphinde abalande. Lubambo stayed with mom. I took out some jeans I had cut a while back. They had rips on the legs ndanxiba. I realized I was gaining weight again. I found a top and sneakers dress ndenzi nwele zam, ndafaki foundation ebuswen with just eye liner. I was done. Luthando wasn't finished dressing ebukele TV yena qha. Me: "boy boy ambonxiba. Come. Ulindile umama." Lutha: "afuni." Me: "Luthando. Go get dressed." Lutha: "hambi mama yam mos." Me: "no awuhambi nam baby. Ambonxiba. Iza." I took him back to the bedroom to dress. Me: "mama, ndizoba late mna. I have to go." I kissed the kids and went to the taxi rank. At the crossroads(taxi rank) there were Taxi's to Summerstrand I got one yahamba. Lindiwe was waiting for me when I

arrived. And we took a long walk together. Lindi: "bendik'khumbula mtshana. You just disappeared on me. Ndixelelwe ngu Sine that you're sick but he said I couldn't go see you." Me: "its complicated stuff tshomi. And I want to put all that behind me ngoku. I want to focus on me and nobody else." Lindi: "good. Uphuma ngabani today?" Me: "I only have 3 classes. Ndiphuma u1 wena?" Lindi: "same, we'll just grab lunch afterwards. Bye." I kissed her cheek and went to class. Damian was sitting by my spot fiddling with his pen. The girls kept dropping things near him bazichole. Actually quite funny because ine cheek Le. He could snap any minute. Me: "Mr Wilson." he gasped and jumped up to hug me. Damian: "I wanna punch you in the face so badly!! Where art thou been?" Me: "you know...hospital." Damian: "anothe coma? Babe.....really? Come." we sat down. Damian: "this guy isn't for you. If he's gonna keep doing this.....nah." Me: "its not him." Damian: "stop making excuses for him." Me: "honestly I wanna put all this behind me. I don't wanna talk about it." Damian: "that's okay." we waited for our lecturer and we began. An hour later switched classes...for another long ass period. After our second sayolinda phandle. Me: "how's your dad been." Damian: "my dad's been ugly since day 1." I laughed. Me: "I meant are you two okay?" Damian: "we're trying I guess. We were in Atlanta in December. Quite lovely, for once." Me: "that's better, hey do you see Precious? Standing there." Damian: "I think she has a crush on you?" Damian: "yeah, She's pretty. You reckon?" Me: "gorgeous. Why don't you go over there and say hi." Damian: "what if She's busy." Me: "does she look busy?" Damian: "No....okay. Uhm. Hold my shit. I'll be back." he stood up wazilungisa and walked to her. Thank goodness because ndingxotho kuba Ndifuna ispace without being funny. I was overwhelmed with a lot of things that needed a lot of thought. I needed a lawyer, not Lungelo. Any other lawyer apha eBhayi to draft the divorce papers. My life had fallen apart and I had no one to blame but myself. Instead ndiske ndizichole ndivale umlomo wam and do things to disappoint those who are laughing. If I could invest my R100 000, by the time I finish University izokwakheka. And I'll be able to start my own business. 2 and a half years left for that, just after I graduate. "Hey." someone kissed my cheek and sat down. Sine. Me: "hey. Uvelaphi." Sine: "thaat side. Why uhleli wedwa?" Me: "thinking." Sine: "please don't. I beg you to not." Me: "ndithini Sine? When all I want to do is break down and cry? I wasted so much of my time trying to accommodate your brother and his selfish needs. He used me and disposed me. And when I find happiness, I can't be with my happiness, because 'its not allowed' do you know the kind of fuckery that is? Sinethemba, everyone can go on and be happy besides me. And I'm not talking about relationships. I am physically in pain and emotionally too. Kodwa I'm supposed to keep my head up high ibengathi

zange kwenzeke nto." Sine: "I know its hard." he hugged me. Sine: "but you'll be just fine Lihle. Yonke into ine xesha layo mntasekhaya. Maybe God put you through all this so you could be strong. You are strong. Uzophumelela, trust me. Thembela kuye qha. Ewe right now, Lukhanyo will find another girlfriend. Onwabe, myeke mntase, Lubby will too. Bayeke. Their pain will only hit home when you make something of yourself. Something they couldn't make out of you. Education is key. That nobody in this world can give you, except yourself! What you should do, is thank them worse ke yena uLukhanyo. He put you through trials, sometimes ndiske ndothuke ndiz'bone ndikhuza. Kodwa uselapha namhlanje. Uzoba grand." Me: "I wish I'd died Sine. Right there and then." Sine: "abantwana ubashiye naban? Ha.a sisi sucinga njalo. Please. I think you should go for trauma counseling before you lose your mind. I don't want you to be this way. Ndithanda uk'bona mna ufresh and energetic. Playful." Damian came back smiling. Sine: "hey wassup." Damian: "I got her number. She's so cute." Me: "congratulations! High five." we high fived. Sine: "I'm going to class. Ube grand bhabha Va. Bye." Me: "thanks. Bye." he walked to his friends. Damian: "let's go. One last class. Then we hitting Walmer for lunch." Me: "with Lindi." Damian: "sure. As long as you're paying." Me: "deal." we walked to our class....

After our lectures, I met up with Lindi. Damian drove us around bencokola. I just sat in the back seat and watched the city view. I was appreciative of being able to see again, every minute I remembered to thank God. This was beautiful. Damian: "have you ever been to a medium?" Me: "like a psychic? Yes! A sangoma, I've been there." they laughed. Damian: "No! Lindi and I are talking about actual mediums, not those that use bones." Me: "are you tryna say sangoma's aren't mediums?" Damian: "yes they're not. They are Traditional Healers. They heal. Mediums and psychics tell you stuff you wanna know. I've never been. You wanna go?" Me: "uhm....I think I know a lot that's going on. Actually too much." Lindi: "I'm going too. Come on. Its fun." fun? No. Me: "I don't know guys." Damian: "they won't hurt you. They'll just read your cards, and tell you what's up. And why you keep landing in hospital." Me: "fine. But I still don't believe in those." Lindi: "great! I'll google the address." she did just that and I notified my mom, I might be a bit late. Not mentioning the psychic part, knowing my mom. She'd freak the fuck out. Damian drove to this nice cozy cottage. Damian: "I'll go in first. Cuz I'm not scared. Ya'll pussy cats." he got off his Jeep wayongena. We waited outside the car. 5 minutes later he came back looking pale. I started panicking. Damian: "lish babe." Me: "what did she say? Why you so worried." Damian: "she said, a spirit is distracting her and I should call the woman in white." Me: "Who's the woman in....." ndazijonga. White blouse, faded jeans, white sneakers. Yaxoka ebendikrobe festiren lowo. Me: "okay." I walked inside the house

kukho oosisi. Not too elderly, probably in their 40's. The other with blond hair, the other with black. Both had long clear nails and all around, I saw ornaments and a round rug on the floor. The curtains were closed. My heart was beating really fast as ndibabulisa. The blond closed her eyes and breathed. She: "girl.....your son is very upset." my son? Me: "both my sons are okay." She: "your second." Lubambo? He's okay nje. Just bubbly and moody like Lutha. She: "he died in your womb at 3 months..." Oh My God, No!! Lwethu? She: "just because he was not born....does not mean he never existed. On the other side....he grows. They all do." Me: "the other....side? Why is he upset." She kept quiet and looked beside me. I was getting goose bumps all over. She: "The events that are happening in your life....the pain, he is right next to you at all times. Your son...." she wiped her tears. She: "its very seldom for me to be emotional like this....but he loves you so much. He constantly stares at you, right at your face and smiles. Acknowledge your son. He wants you to be strong for whatever happens.." Waphakama. She: "it was lovely meeting you both." waphuma. I was really emotional by this. Somehow I thought, just by the miscarriage. It never counted....but he was a baby. He was my baby. The woman with black hair looked at me. "my name is Sandra, I'm sorry but my sister tends to do that. She can't help it." I nodded. Sandra: "why are you reluctant to be here? You don't trust mediums do you..." I shook my head honestly. Sandra: "I understand....I truly do. As long as you're curious its okay." she had cards in her hand. She dealt them before us, and shook her head quickly waphinda wazithatha and did it again. The second time, she looked really confused. her hand under her chin. Me: "is there something wrong?" Sandra: "shhh...." I kept quiet and looked around me. It wasn't as creepy as I thought it would be. Its just a bit dim. Waphinda wabeka lamakhasi. Sandra: "no matter how many times I redo this, shuffling mixing....they stay the same." Me: "is that bad?" Sandra: "no....I just find this time a bit....well....shocking." Me: "what does it say." Sandra: "here...is an Emporer. Usually displayed as a good person. Does not intend harm... And here is....a Trickster. The total opposite. Now...when these two are almost always in the same deck, they're described as brothers or relatives. Here, this in the middle, is You." This should be interesting. Me: "what does it mean." Sandra: "one is your destiny and the other is your fate. One is deeply in love with you the other is not." Me: "I already know." Sandra: "haha. You think you do honey. As the Trickster, even his name tells you. He tricks.....he could display himself as good, but he could actually be the worst." Me: "so how do I know who is who?" Sandra: "one is your destiny....and the other is your fate. Only you can make the choice." This was SO Flippen Confusing! Me: "and the black card? What does it mean?" she kept quiet for a while. Sandra: "Death." ndoma. Me: "Who's death?" Sandra: "I can't say." Me: "can I

prevent it? Warn them? Do something?" Sandra: "unfortunately not. Its the cycle of life...I'm sorry angel." yaske yashushu intloko yam. This place gave me more stress. Me: "thank you." Sandra: "you're welcome any time sweetheart." ei kodwa ndiyaz'thanda nam izinto bendizothini apha. I paid and walked out. I still kept looked around me, maybe ndibone a little footprint of my son? Hayi man Kuthen ndiphambana ngoku? Hehake Bawo. Lindi: "Damian you go." Damian wayongena. Lindi: "you okay?" Me: "I think so. I was expecting a lot." Lindi: "I'm not even nervous that much. I think kubetter ndizibone kwenzekani kwangoku. And maybe fix it quick." Damian came out after 20 minutes eziqhobosha ishirt.. I laughed and shook my head. Me: "you are something else." Damian: "good fortune....and more." kwayongena uLindi. Damian: "I'm quite hungry, what we having for lunch?" Me: "iqadidi. Ne loaf emhlophe kunye ne refresh." Damian: "they did what to refresh you?" I laughed. Me: "let's just get some fish at John Dory's." Damian: "I want potato chips. Later on I have a. Date." Me: "uhm...what happened with Rene." I tested. I already knew walahlwa kdala lo. I took him for his feeding afterwards akafuna ukulala tuu. So while he played with his fingers and mine I started studying my books, making myself notes. Now it was difficult because I only had to use one hand, the other belonged to my son. He got tired and cried ndambeka es'fuben. Ndaqhubekela ndafunda. Every 10 minutes he got tired I had to switch his position. Me: "iyhhoo, ungumsebenzi ndoda. Wow." so I took out the laptop ndafaka some cartoons wajonga pha. After a couple of minutes I panicked and switched it off. It can't be good for his eyes. I picked him up and tried again to put him to sleep. Akavuma tu. Instead he stared at me and grinned. Lihle's episode...

I got out of school hours later, my head was spinning amehlo edumbile. I could feel my brain pulsing or breathing or whatever the fuck it was doing, ibuhlungu ke qha. Lihle: "I was studying then went to sleep when I heard someone in the lounge. It was about 2am. They were robbing the house and hit my mother, one tried to force himself on me, he hit my head with a gun. My father says our neighbors came in time." Lindi: "oh my God!" she hugged me. Lindi: "I'm so sorry Lihle..." Damian: "but babe, you shouldn't have come to school though...at least since its Friday, you could've stayed home." Damian: "I'm glad you're standing up for yourself my friend. You're getting stronger. You'll be able to get through this, it'll take time but you'll pull through.." Me: "thanks." Lindi gave me back the phone wahlala phantsi. Lindi: "how are you feeling?" Me: "I don't know...I'm confused and in pain." Lindi: "we're here for you love. Bendingabawel bonanje uphakama, but I forced myself ndaya emnyango. Me: "ngubani?" Luks: "ndim vula." I opened the door. He was washing his hands in the tap outside, of what looked like blood. Caller: "can I speak to Busisiwe." Sihle: "may I ask who's calling." Caller: "I'm sure She's expecting my call." Sihle: "I'm not sure about that sir, currently she'll be in a meeting with a client for the next couple of hours, would you like to leave a message?" Caller: "no. I'll wait." Sihle: "I have another call coming through." the caller hung up. Sihle: "uhm. Okay." she answered the following call then hung up to help the client present for her meeting. Sihle: "lovely to meet you Mrs Robinson. Come this way. I love your top. " She: "why,

thank you." she went into the office. Sihle ordered the coffee and biscuits then went to buy the pizza her boss had requested. She was back in 45 minutes where a man was seated comfortably on one of the couches. A handsome light skin man. Sihle fixed her clothes and hair while walking in. Sihle: "may I help you sir?" Him: "No." she put down the pizza. Sihle: "are you part of the meeting?" Him: "no." Sihle: "well...can I help you with something? Like what you're doing here." Him: "you couldn't help me over the phone, how is it possible that you can help me now?" for the first time, he looked up at her with angry eyes. Sihle: "I'll let her know you're waiting." she shivered and walked to her desk to call Busi. Sihle: "sisi, kukho ubhuti apha ofuna wena. Akasoyikeki nje. Heee." Him: "I can hear you." Sihle: "Yuh bhambahayi." she hung up and did her work. Another hour later Mrs Robinson and Busi emerged from the office. Mrs Robinson: "thank you dear I'll keep in touch. Bye sishle!" Sihle: "bye Mrs Robinson." the lady walked out. Busi: "uthi Nguban na lona undifunayo?" Sihle pointed with her eyes. Busi turned around and saw him. Busi: "Kevin." he smiled. Kevin: "wow. You look beautiful." Busi: "I thought you.....I....you....." Kevin: "I'm in jail??? I Got out. People do that." Busi: "what are you doing here?" Kevin: "I came to see you." Busi: "well you've seen me, now please go!" Kevin: "can I at least take you out for lunch?" Busi: "no Kevin." kevin: "I'm really sorry Busi. I just wish you could forgive me. And you deserve all of this. The success and everything. I was a real arse hole that I didn't want you to be anything without me. But you showed me, you could be better. I couldn't be prouder." Busi: "k." Kevin: "oh and I attend anger management classes, we're encouraged to participate in kiddies lives, orphans. We raise funds, and do a mini parade and concerts. I only just realized what a fool I was and how much I want a baby. I guess its too late for that now." Busi: "look, I'm happy fro you but I don't want you back." Kevin: "neither do I. I just came to say my apologies. And congratulate you on your success." Busi: "thank you." Kevin: "I'll be on my way then. Goodbye." he walked out. Sihle: "Yuuuh sisi, ngubani ke lo." Busi: "nobody." Sihle: "umhle shame. Sisdala ne? Nansi pizza yakho. Ise fresh." Busi: "did you take your slices?" Sihle: "ha.a Enkosi sisi ndikwi diet." Busi took the box back to the office. Why was she feeling this depressed? Her phone rang and it buzzed her out of her thoughts. Busi: "baby." Losta: "hey my angel. Uright?" Busi: "yes I'm okay." Losta: "have you eaten." she took a big bite off her pizza and chewed. Busi: "hm." Losta: "what are you having? Smells like salad? No let me guess, yogurt right." Busi: "yeah." Losta: "okay, ndiyakukhumbula mna. Awukaqibi?" she took another bite. Busi: "hm.hm." Losta: "what's that baby?" Busi: "no." Losta: "babes utya ntoni?" Busi: "cereal!" Losta: "really? Okay. We'll talk later then." Busi: "bye." she hung up. Again she thought about her visitor. He had some nerve yazi. To just show up without

announcing and then mock her. She would show them that She's able to run a company. The one they didn't think she would.

Ayisekho mnandi ngoku, is it? Well this is to teach you, ungaze uphinde uyicinge into yokuba into yomntu. Ungaze ulinge ucinge ngokhubekisa omnye umntu. Good Joseph, this is the turning point in your life, I'm not gonn kill you. Jesus rejected your application, you are staying on Earth to teach your friends a lesson they will never forget.... Ever. Stomach in, Chest Out. Azitshe!" he burnt him, the skin peeled as he wrote the words: 'I Have No Respect for Others' Property. I Am a Thief.'. Lubb: "Iza nalamanzi man Silulamile before ndivukwe lichaphaza lam!!" Stuja poured the water on the wounds. Lubb: "you'll heal quicker. Be grateful. Lay'sha samben madoda. I have work to finish." he got in the car. Stuja: "siz'saphi Ta Lubby?" Lubb: "pham'we gate yakomakwabo. Drive Luks." Lukhanyo started his car and drove home. Lubabalo took a cold shower in his bathroom, standing beneath the shower head. "Andrew?" his father called out. Lubb: "in the shower." the bathroom door opened. Sebas: "don't tell me you're taking a cold shower." Lubb: "I'm a bit busy dad, what's wrong." Sebas: "I just want to let you know, I'm off to Cape Town tomorrow to hand over our proposal. Its excellent! You are the best man to pitch this idea. So please son, come with me." Lubb: "you fired me dad." Sebas: "I did. I remember that. But, you Know you belong with me, Us, our company, because we built that together." Lubb: "yeah, and I grew away from it and started something of my own. Something that doesn't just have a Morrison name on it, Thembani, Mzinyathi Morrison and Daniels. I like that better. We're there equally." Sebas: "I get that my boy, but you're.....you're CEO material. Project Management, Engineering, Public Management, Surveying....you cannot be restricted, sooner or later, You are going to explode because you want more." Lubb: "I know what I am capable of. And I would like to build others too." Sebas: "and that's a great initiative but your first priority should be Your inheritance Lubabalo. Now that company, needs you, you cannot bullshit about that." Lubb: "I know. Its just that, I've become a man just like you wanted me to. I'm not running from responsibilities anymore. I'm facing everything head on, and I can't turn my back on my partners. I really do wish I could help, but I have a meeting tomorrow." Sebas: "its okay son, I'm proud that you're in charge of your life and I guess I'll have to make a plan. But know that, I am very proud of what you're trying

to accomplish for yourself and family. its a huge step from the Lubby I am used to." Lubabalo switched the shower off and walked out to hug him. Sebas: "and you still have no privacy issues. I can't get used to that." Lubb: "arg dad. What don't you know." he took his towel. Lubb: "and Lihle's being going through a rough time." Sebas: "I heard She's out the coma." Lubb: "dad that was over two weeks ago, almost 3, but recently, they were attacked, some robbers tried to take stuff and hit her on the head, she went back to hospital but came back, she was supposed to write today, I guess she did, but she didn't look okay. Ever since she told me she needed space I gave her the space but to see her like this.....its so difficult. My basic instinct is to comfort, pamper and protect her right now. bring her joy, and happiness, but she won't let me....I feel like a caged animal." Sebas: "have you tried explaining your feelings to her?" Lubb: "when I bring up my feelings, when I tell her I love her, she shuts down and blocks me out completely. I don't even know what to do anymore. So I just approach as a friend." Sebas: "and she let's you?" Lubb: "yes." Sebas: "then that's what she needs. A Friend. Not a persistent lover who cannot offer her personal space. Give her time to heal, when she wants you she will let you know. Stop forcing this situation." Lubb: "so I must be her friend?" Sebas: "yes Andrew, be friendly, ask her questions like how was your day, how did the test go, do you want some juice. A neck rub. Make her laugh at your silly stories. Just don't jump complicated things at her like this. Okay?" Lubb: "okay. Thank you Tata." Sebas: "my pleasure son, come help me pack and call your mother, She's been bugging me all day. Thabo is having problems with school. She wants your advice." they went to his room. Lubb: "I am the last person to advise anyone on schooling. I used to get bullied throughout my school years. From Grade R to 12. I have no advice. None at all. Just stay in your corner." Sebas: "you never told me this." Lubb: "you never asked." Sebas: "what happened? I thought you loved school." Lubb: "I did not. I despised school with a clear passion. They used to poke me all day long. Tie my shoelaces together, and I'd trip and fall Everytime. They threw wet paper at me. And did wedges on me. I was the most unhappiest child of all time." Sebas: "I didn't know all this! And high school." Lubb: "it got worse. Can we not talk about this dad? It hits a sensitive spot." Sebas: "but you nee-" Lubb: "no I don't need anything. I'm fine." he dialed his mother's number with sebastian's phone. Nette answered. Nette: "hello dear." Lubb: "its me mom, hello." Nette: "oh hello my angel, how are you doing butterfly?" Lubb: "I'm fine mama, and you?" Nette: "absolutely well." Sebas: "he says he was bullied throughout his school career." Lubb: "dad!" Nette: "oh no! Buttercup is that true?" Lubb: "nooo." Nette: "you don't have to lie to me sweetie." Lubb: "it was a long time ago and I'm over it mom. Please." Nette: "Thabo is going through some problems too." Lubb: "tell Thabo big Bro

said he must learn to defend himself. No one will be there for him forever. He must learn independence now, by himself. Give him the phone and Ima tell him something nobody ever told me." Nette gave Thabo the phone. Thabo: "hello?" Lubb: "hey little Bro. Unjani?" Thabo: "philile bhuti. Unjani wena?" Lubb: "ndigrand. Uthi kutheni eskolweni." Thabo: "well....Abanye bebendigezela and bandigqaye nge stones ePlayground." Lubb: "okay, listen to me. Firstly, you're not a violent boy, you're not a fighter until you have to defend yourself. Now, the next time someone tells you something bad, you look them dead in the eye and say, I dare you to say that again. Say it with me. Have a little power, make an ill face. Unaar kaloku. Growl like a hungry tiger, Say it." Thabo: "I dare you to say that again!" Lubb: "good boyyy!" Thabo: "and if he says it again?" Lubb: "you punch him in the face if he touches you. Don't let nobody tell you anything. That is your daddy's school, you are the boss. Tell them that." Thabo: "I can't punch." Lubb: "that's good. Because fighting is bad, rather report him to the teacher." Thabo: "and if he does it again." Lubb: "then you learn how to punch that's the only way you'll earn your respect." Thabo: "okay. So uzobuya noDaddy ngomso?" Lubb: "uhm, no my boy, I have to work." Thabo: "zobuya nin?" Lubb: "uhm....andikho sure, kuthen wena ungazi kum nje? For your next holiday?" Thabo: "okay, ndizoza ke. Nanku mama." he gave her the phone. Nette: "hello?" Lubb: "yes ma." Nette: "thank you, at least he has some excitement on his face." Lubb: "its nothing really, how is demi?" Nette: "she is doing a beautician course at a college." Lubb: "hm...and She's doing well?" Nette: "well, She's still going, so I guess maybe...." Lubb: "good." Nette: "how is my daughter in law?" Lubb: "erh....She's great. Just tired." Nette: "and the little Lubby?" Lubb: "even better. He smiles and giggles now. Such a bundle of happiness." Nette: "that is so sweet! The twins?" Lubb: "probably the best tag team in South Africa. My angels are just fine." Nette: "when last did you see Luya?" Lubb: "ei mom....please dont stress me. Its just bad enough already. And I can't seem to just move on without him. He's my first son." Nette: "I know my angel. Which is why you shouldn't give up on him. I'm sure he misses you." Lubb: "I'm just afraid I'm going to miss out on his life, when he starts walking, talking, I want to be there like I did with all my other children. He's almost a year old and I hardly spend a rough 5 hours with him." Nette: "it'll be okay. Just ask for forgiveness from her family, buy and slaughter an animal or something. Just be committed. Don't relax or else your son will grow up not knowing who you are.." Lubb: "I guess you're right. Thanks mother. I should go." Nette: "alright hand the phone to your father. I love you." Lubb: "love you too mom, mwah, bye." he gave the phone to Sebastian and walked to his room to sleep.

The next morning Lukhanyo was up early to make some breakfast for the family since the grandparents were going back that day. He called Lihle's phone. Lihle: "hello?" Luks: "hey...usalele?" Lihle: "no..vuswe ngu Luhle, she wants pee in the toilet now." Luks: "ncoooh. That is so cute. Umchamisile ke?" Lihle: "yes." Luks: "ewe man, umdala ngoku. Luthando yena?" Lihle: "Luthando just whips his thing out and pees anywhere that's safe." Lukhanyo laughed. Luks: "that's my boy. I was just checking up on you, usalele uBambi? I wanna hear that giggle." Lihle: "he's asleep, bengafun lala ebusuku. We sang and chatted half the night. I'll send you the video." Luks: "okay ke. What's the plan today?" Lihle: "school. Sonke." Luks: "alright, but ndicela undiboleke abantwana for the day...oomakhulu bazohamba and they'd like to say goodbye." Lihle: "okay, ndizofowna eskolweni sabo." Luks: "thank you. Ndizofika in about 30 minutes Va." Lihle: "sho." I hung up ndalungiselela abantwana. I knew Lukhanyo never listened to anything, it was just the way his brain was programmed. So for arguments sake, when he is reasonable and asking to see his children I will play nice and speak in a calm fashion. No matter what mood I'm in. Breath beauty in. Breath nasty out. There. Me: "wake up my little pumpkins. Iza Luthando. Get up mbombosi ka mamakhe.." he groaned. Me: "ewe, phakama nana." Luhle: "shushu aphi." Me: "I know baby. Kodwa funeke nivase. Uyeza utata." iyoh bataka kwangoko. They looked mega cute in their brown jumpsuits befaniselana nobhuti wabo omncinci ke phofu. How adorable. I ran the bath for them ndabakhulula ndabavasa. We went back to the room to dress up. They seemed to like wearing the same clothing so ke that's how I dressed them. Luthando wore his jeans, Luhle wore skinny jeans. The both had their small Jordan sneakers on and black t shirts. I combed Luhle and tied her thick afro in three. Then combed lutha's hair too. Ndamfaka icap yakhe. Luhle sat on my lap and brushed my hair. Ndamlinda waqiba ke uHair stylist wam then finished tidying the room ndondlula. Lubambo woke wazama uziguqula. Me: "hey wenzani apho.." Luthandoluhle went to stand by his cot and hush him back to sleep. Akathandwa sana ngu sister and brother wakhe. Must be really nice. They helped me bath and clothe him then I took him to the kitchen to make papa yakhe. Where were my parents? I needed to get ready for school. Phof maybe when Luks takes the kids ndingavasa ndibe right. Oko ndathukwa kus'thwa ndimdaka zange ndiphinde ndibe right ngongavasi xa umnt esiza. It made me panic a bit, so I woke up Namhla. Me: "mntase khandijongele abantwana tu? Ndizoz'tshiza net ngamanzi." Namhla: "okay mtshana." she got up ndayovasa making sure ndi-clean. Ndathambisa and looked for my outfit for the day. Denim Shorts and vest. I wore my my underwear, denim shorts and vest. Ndaqaba ponds since my make up was ruined by my amazing kids, brushed my hair. Applied my remaining eye liner, ndafaka a black snap back with sneakers untied.

Puffing perfume just kancinci. Ndaphuma ndaye front. Namhla was feeding Lubambo, I made food for Luthandoluhle batya nabo papa yabo. Lukhanyo arrived bam'leqa mntakabawo. Energy ephaya is beyond me. I got up to pack lunch in their bags. Luks: "don't tell me uya eskolweni." Me: "why not?" Luks: "ungumama Lihle. Awukwazi unxiba kanje. Abashort bavezi mpundu." Me: "and this bothers you why?" Luks: "akhonto indi botherishayo!!" Me: "subanomsindo kalok. Xa ufun nxiba ushorti wakho mbonxiba nawe, uyeke mna." Luks: "mxim!! Masamben Luthando!" Me: "ungak'linge ucheek abantwana bam mna undincede." Luks: "ndiba cheeke phi abantwana Lihle??" Me: "suvutha kaloku." yangathi uba worse. Luks: "Luthandoluhle, take your bags sihambeni." Me: "izani ndiphuze babies." I kneeled down and kissed them, they melted in laughs. Me: "I love you, and behave guys. Bhabhayini ke." Lutha: "okay." Luhle: "sho mama." Me: "sho." ndayolanda uBambino, Lukhanyo extended his arms, wafun umxutha. Ndabuya umva. Me: "umsindo ngowanton?" Luks: "ndinomsindo Lihle?" Me: "nako dumbise umlomo ingathi uzoqabhuka." Luks: "mxim. Khasapha umntanam." Me: "zomthatha." Luks: "andinaxesha lodlala ke ne?" Me: "and I do?" Luks: "khasapha lomntana Lihle!" Me: "YEYI! Ungak'ling undiphambanise mna!" Luks: "kanti yinton ngxak yakho kuthen ungandimamel xandithetha Lihle!" Me: "uyathetha okanye uyagxeka! Hleli nje I must bow down to you for what??? Xa ingathandwa nguwe wonke umntu akakwazi uyithanda. Haska man." Luks: "Nguban othe andiy'thandi! Qha andiy'thandel estratweni! Do you realize the cruel people that are out there!" Me: "You just can't....." Ndaske andabinanto thetha. I just breathed my anger off. He took a step closer to me wajonga unyana wakhe. Luks: "I just want you to carry yourself and dress like a respectable woman. Is that too much to ask for?" Me: "you can't expect me to abide by your rules anymore, we're not together. This is my body." Luks: "that carried my children and Ndifuna bajonge wena and see a mother figure, an inspiration not a teenager. You're worth much more than just the thighs and ass. Please, cover it up." I was embarrassed. Truth to God. If I was light skin I would've turned red. I was so ashamed. Luks: "noba ke its the leggings, but just not this. Iza ndibambe umntana." he took the baby ndaya eroomin yam. I stood there for a few minutes trying to brush the hurt away. How many people would dare be this honest. Ewe, bendifuna ubandim and do what I liked. But would I really want my children to have this image of me. Matter of fact, has my mother ever dressed like this, if she did, ndingathini? I would probably faint. Ndakhupha legging ored ndakhulula short and wore it instead with the white and black striped tight fitting short sleeve top. I wore my white all stars ndagrand. I went back out esalindile. Me: "inspiring enough." Luks: "its cute.." I kissed Lubambo goodbye ndanikezela bag yakhe. Luthandoluhle got up from the floor bayoma emnyango. I went to my parents

room ndanqonqoza kanye, they were probably still sleeping and I walked in. To my horror, *breathes and closes eyes for a second* my father was bruske naked. I was so shocked I made the word "bruske" up for this exact type of nudity. On top of her, Doing It. I turned around and went back out. Luks: "what's wrong?" when I sat in the lounge like a lost kitten. Me: "I'm fine." was all I could manage. Ndayolanda bag yam, said goodbye to Namhla and rushed out the house.

Lindi: "at least be grateful that he loves and takes care of all his children. Other girls would wish to be you. They're struggling. Wena uyakwazi uphola kuba that family takes care." Me: "I am

Dressed in his red fitted suit. Hands in pockets, our waitress disappeared to the kitchen. Lubb: "good afternoon, the name is Lubby Morrison." he greeted. Me: "I'm Lihle Manti, these are my friends, Damian and Lindiwe." Lindi: "nice to meet you Mr Morrison." she giggled. Lubb: "the pleasure is all mine. Miss Manti, can I interest you in a private conversation?" Me: "this is as private as it gets Mr Morrison." Lubb: "indeed. Lubb: "oh yes. Guest speaker. From hot shot tycoon to regular guy, asking a beautiful lady out." Me: "regular guy seems calm. I like." Lubb: "I'm happy." Me: "I'm pleased." Lubb: "I'm glad. Will you give me a jingle?" Me: "a what?" I laughed. Lubb: "a phone call." Me: "ye-" Damian: "join us....for lunch?" I turned around to give him a long. "N.O" stare. Lubb: "I would love to. Buza Nanku noSoso kunzima usebenza nalomntu. Worse xa umkhubekisile." Soso: "he stops talking. I love it." Me: "I hate that undifaka kule position Lubabalo." Lubb: "look, I'm settling to be a friend, shoulder to relax on and your venting bag. That's it." Me: "no relationship." Lubb: "yes." Me: "no sex." he choked and looked at his plate. Soma coughed, Soso chuckled. Me: "Lubby?" Lubb: "okay. No sex." Me: "then we can be buddies." Lubb: "of course." he sipped his beer. Soso was covering his face still laughing. Lubb: "caba iyanyubisa lento Soso. Must be amazing." Soso: "just the look on your face." ndamjonga. Lubb: "I don't have a look." he smiled brightly. Soso: "you can never keep that up fethu. Yincame." my phone beeped again. This time I checked. They were pictures of my babies. Their great grandparents, grandfathers and their daddy. I replied: "beautiful." he sent another: "still busy?" Me: "yes." I got up and went to the bathroom. Lindi came with me. Lindi: "peto uright?" Me: "I'm okay. I'm just finding a

way to dodge these two. Nanku noLukhanyo esenda messages non-stop." Lindi: "ncaaw. Uthini kengoku?" Me: "nothing much man. I just wish they could both get the point. Ababoniswa nto tu, they just doing their thing qha." Lindi: "ndibambe amazinyo mntase xa kufika uLukhanyo uhleli nolubby. From what you've told me, it won't be a pretty scene." Me: "I'm mad enough to punch myself in my face." Lindi: "umvile nje, he just wants to be friends. There's nothing wrong with that." Me: "can't I hide for 4 years?" Lindi: "unfortunately not babe. Just breath in.....and out. You're going to get through this. Lubabalo is harmless." akaziva lo. Uyamazi phof uAndrew Morrison? Me: "of course. He's an angel." Lindi: "and awukho forced to Uhlala naye." Me: "ok. Let's go then." after going into the cubicle. washed my hands saphuma ngomnyango. I had stomach cramps and a bit of a headache. Our bill came, ndafaka Mali yam, Lindi too, Damian too. The second bill came, yabekwa ku Soso. Lubb: "I was invited here." he confessed. Soma: "me too, you're a surgeon Bro. You can make a plan." Soso: "aniphambene." he opened the bill wayijonga then looked at them. Both looked far away. Soso: "how in the world does this happen?" Lubb: "maybe if you Shon sunlight at it, izoveza a better amount, let's try." Soso: "stop! Suka." Lubby took out his wallet with stack of cash. Soso took out his bank card. Soma pulled out a cheque book. Me: "kanti izode batalwe Nguban Le bill." Lubb: "haike madoda..." Soma: "then I guess Soso can pay." Soso: "as if ndine choice." he paid the bill. Lubby left a R200 tip divided with Soma. Lubb: "we need to get to the office, it was lovely being with you. All." he looked straight at me. Me: "same here." Soso: "bye guys. Nifunde kakuhle ne." Lindi: "thanks Soso. Bye." Soma: "Dame, bruh, we'll talk on the phone." they shook hands. We all walked out to the cars. Lubby stood with me behind his. Lubb: "nantsi moto yakho Lihle. Kuthen ungay'fun?" Me: "we agreed ukuba if I take this car, I'll pay for it apha kuwe. You rejected." Lubb: "because it was a gift." Me: "that I didn't ask for." Lubb: "gifts are never asked for. Khaw'yeke uba difficult please." Me: "keep you car Lubabalo. I'm okay." Lubb: "isegameni lakho though, so its yours." Me: "I don't want it." Lubb: "fine." he pulled my arm and hugged me. Lubb: "I'll pick you up at 6pm tomorrow evening, friend." Me: "okay." he let go and I walked to Damian's car ezoyondi beka eTerminus....

Back in the new building. Furniture was already in. Lubby sat down with Lungelo's colleague, Brian. A business lawyer and discussed the lease agreement. Two hours later, Soma after finishing his research came to check on them. Soma: "sekuzobetha u5 ngoku, we'll be home late tonight. Kuseza uTrevor to teach us the products version." Lubb: "okay." he turned the page. Lubb: "don't I have a PA? I need tea." Soma: "hire one." Lubb: "can you help me? But not icherrie encinci, noba ngumntu ongumama. ziyathakatha eziwey, ndizoz'bona sendintringa nam ndijikeleza kwi

office yam ndicula gama lakhe." Soma: "not bonke nje." Lubb: "yes I know, but abana stamp. At least mama otshatileyo akandikhathalele okok'qala, or even a guy. Uyazazi uzophangela." Soma: "so you've had bad experiences with your PA's?" Lubb: "a lot. All the ones I had, have had a crush on me. Besides Linda, but then of course she was chowing my money. Little bitch." Soma: "just be an asshole then. Abazok'funa." Lubb: "Lubby Morrison? An asshole to women? You need baptism. I treat all my hoes like ladies." Brian: "hoes?" Lubb: "in the past. When I had some." Soso came in. Soma: "then what happened?" Lubb: "I met Zintle, then Liya, then I saw this girl. Ndise Cape Road, ndihle ndiye Rink Street to meet up with Sandile. then I saw her....quickly flushed her out my mind ndayokwenza zinto zam. Ndaphinda ndambona Greenacres, but this time, I was walking with my other girl." Soma: "she never spots you? Ever?" Lubb: "never bra. Always ubonwa ndim nam ndibene dyudyu Eli major ndingakwazi ukuya kuye." Soso: "then what happened." Lubb: "ndemka kaloku ndabuyel eKapa for about a year ndabuya, slept that night ndavukela eWalmer to buy my toiletries. Some food. All that. Ndisekwa Checkers, minding my own business, same girl comes up to me ephethe umntana. A little girl. I can't even explain how fast my heart did a bungy jump. I was never ready." Soso: "shame man." Lubb: "that is round about the minute I first set eyes on my identical twin. Found out they're married." Brian: "that is probably the saddest story I've ever heard." Soso: "you were too slow." Soma: "he was busy with his hoes kaloku." Soso: "common mistake esiyenzayo Lena madoda. Every guy hates rejection, therefore that is why its essential to keep a few women close by to fill up the space." Soma: "dis waar smallie, ngxaki kungoneli. Yabona Lubby awti yam, if you'd stopped your car that day in Rink street you would be happily married." Brian: "for sure." Soso: "Ndiyayazi uziva njani awti. Trust me." Soma: "Soso we're mourning Lubby's happiness. This is not about you." Soso: "so, Lubby fethu, Uhlala njani kengoku in a house, with them together, belala kunye. How could you not escape this situation." Lubb: "it wasn't my choice Soso, ndabona within a few days uhleli kabuhlungu lomntu apha. He abused her. Ndiyayazi bendingangeni ndawo kodwa bindiphatha kabuhlungu lanto." Soma: "and then...you got engaged. Why?" Lubb: "I got engaged because Liya loved me, she could tolerate me, she never questioned me. She was just the best companion for me. I loved that." Soma: "funny how great sex and good company can make you think you're inlove." Soso: "then came the Portuguese lady." Lubb: "there, I was in constant turned on mode. No lie. You know, she made me chase? Fuck! No woman ever makes me wait, kodwa yena? Hayi no...uy'kwazile." Brian: "and after that.." Lubb: "I was just crashing everywhere...decided to slow the fuck down and focus on my life. That didn't work. ndabuyela pha kulandlu, I saw him push her away. Hurt her emotionally and I

decided fuck this, I'm gonna be there for her.. And I was." Soso: "no, you decided to take his place." Lubb: "he didn't want his place. He left the throne for someone to sit on. I'm not any better, ndiyazaz ndiyi kaka shame. Kodwa I can make someone happy." Soso: "and then leave them for something better. You may not be hurting them physically like your brother, but emotionally? You are. You did to Zintle, Liya, Estella-" Lubb: "yes I know Soso. Kodwa I am satisfied ngoku." Soma: "Soso likes to portray himself as Moses. He did just this nokwakhe, exactly like this. Esophula imiphefumlo yabantu. And now, you're settled with your perfect woman.. Right?" Soso: "okay, so I've fucked around..ndiyak'understanda Lubby sani. You love Lihle, sure. But what makes you sooo damn sure, uzophelela kuye? 5 years down the line? When she has 2 more of your kids, a little chubbier? Figure iphele, umqhele more and more to such an extent, you crave.....more." Lubb: "what makes me so damn sure is the part where I know temptation Hlala ikhona. Anywhere and everywhere. I know that. But through prayer and self respect, you can overcome that shit Soso. You should know." Soma: "amen." Soso: "I understand that bra yam. But what I want to know is, how do you know, she is the one for you." the room was dead silent. Lubb: "well, because I know love takes time. Even in the small amount we had together we cherished every moment. She has given me love I can't explain. Given me a feeling I can't retain. Shit, she is the one girl that can look me in my eye and tell me the shit that's on her mind and still say I love you. Its indescribable Soso. Imagine having someone that just gets you. A pillar of strength and protection. Ndiyiva apha entliziweni ba she is the one. I have lost interest in anything and everything else. The first girl that knows me like my mother does if not more." Soso: "she knows about your past?" Lubb: "she knows everything, every detail." Soso: "and she still stayed." Lubb: "yes. Soso, I have a feeling awuy'buzi lento for mna, what's up." Brian: "I was about to ask the same thing." Soma: "yes, what is up Soso. Having doubts?" Soso: "niz'thanda qithi iindaba ftsek." Soma closed the door. Soma: "whatever you say never leaves this room. Thetha." Lubb: "come on, I shared my story, for the first time. Simamele bra." Soso: "I can't....andiyazi kwenzekani majita. For real. Ingathi ndibuya umva." Soma: "how?" Soso: "I spend more time nomama ka Siphe. And recently, situations just heat up...we talk, cuddle, kiss. I enjoy every damn minute. But I go back home. Ndifike kukho uMandy. We fight all the time. Hleli endibuza ndisuka phi, with what and who, I can't even answer her anymore. After every fight, its explosive sex. And I enjoy every damn minute!" they laughed. Lubb: "then what's your problem?" Soso: "well, the problem is.....ndiphelelwa ngumdla." Brian: "ooohh." Lubb: "you're falling inlove nomama womntana?" Soso: "fethu, I don't wanna hurt Mandy. Yes I love her, I just.....I don't know anymore" Soma: "ouch." Lubb: "so you

want to make the right choice?" Soso: "yes." Lubb: "and you're asking me for advice?" Soso: "no, I'm not asking for YOURS specifically because your life is a mess." Lubb: "thank you." Soma: "Soso, like we just spoke about. Temptations are there to be resisted. Sonke singamadoda asizohlala sibezimfama to sexy women, there are hotter girls than your wife that you like Andithi Brian?" Brian: "oh yes. A lot." Lubb: "but you stay faithful to her. Because that woman made back breaking sacrifices for you." Brian: "true." Soso: "but I'm not married." Soma: "a couple of months ago, you were eager to marry Mandy. Do you see how quick shit changes? We're busy judging Lubby for being a s'feb'ahloic kodwa nathi sizi kaka zabantu." Lubb: "a s'febaholic? Honestly?" Soso: "you're not helping..." Brian: "maybe uyabethelwa. She could be cheating on you." Lubb: "Mandy? Never." Soma: "yeah, that's impossible." Soso: "nah...she wouldn't." Brian: "pregnant?" Soso stared at him. Lubb: "uhm..." Soma: "well.....shit." Soso: "but she takes her injection nje..." Lubb: "do you take her?" Soso: "no." Soma: "do you check her clinic card?" Soso: "no I just assumed she did." Brian: "does she talk about babies?" Soso: "all the time." Lubb: "She's pregnant." Soma: "definitely." Brian: "niyanqumkelana bra yam. That's why udikwa nje. You're a doctor! Suppose Uyayazi!" Soso: "I am a surgeon, I operate on people. There's a big difference." Soma: "so uzothin kehok?" Soso: "ndizothini ke Soma? I can't believe I've been blind to this and treating her like trash kodwa uthwele umntanam." Lubb: "what kind of monster are you?" Soma: "yeah, what kind." Soso: "and the other day, ndivuke ese toilet, I think she was vomiting xandimbuza waske wandithuka ba mandiphume. I said some shit and left." Brian: "you should be taking care of your woman, man." Lubb: "yeah, do you know how hard it is for her." Soso: "kutheni kengoku engatsho ba umithi?" Lubb: "because you're never there idiot!! Must she leave a note?" Soma: "you have some ass kissing to do." Soso: "you're right. Majita, I'm leaving. Sothetha ksasa." he ran out. Lubb: "and rub her feet!" they laughed.

Soso parked his Benz next to Mandy's Benz. The one he bought her for Christmas, matching his. He had stopped at Spar to buy some chocolate since she loved it. Bought some flowers too. He walked in the house. Soso: "hey baby. Unjani." Mandy: "fine. Kutya kwakho ndik'fake kwi mircowave. I'm going to bed." she walked to the room. Soso: "uhm honey?" Mandy: "hm." she climbed into bed. Soso: "I got you these." giving her the gifts. Mandy: "thanks. Why?" Soso: "just to remind you that I love you and I've been so stressed lately. I've forgotten to appreciate the little things you do for me, even the big sacrifices. Gaining a few kilo's for me, still looking fine as hell." Mandy: "are you trying to say I'm fat Sonwabise Thembani???" Soso: "no! You're beautiful." Mandy: "you just said, I Gained a few fucking kilo's so ndityebile!" Soso: "not at all mntu wam. You're just right...can I give you a foot rub?" Mandy: "mxim."

he massaged her feet. Soso: "ingathi zidumbile." Mandy: "because I've been standing in a bank queue in stilettos all day!" Soso: "sorry wethu baby, how was your day?" Mandy: "draining. I don't know what to do with my life anymore, the salon thing is a great idea but I know nothing about salons! I'm a nutritionist for crying out fucking loud. How am I supposed to know about hair? And then, I decided, why not buy a restaurant? Or even a cafe? Until I found one that's selling for 760k. How bloody ridiculous! Utshayi ntsango lamntu." Soso: "I totally understand your frustration." he lay down next to her and rubbed her tummy. Mandy: "what are you doing?" Soso: "is there something else you want to tell me?" Mandy: "No. I'm done." Soso: "sure? You know I love you no matter what?" Mandy: "you do? That's nice to know. Cela uyotyeka ke supper yakho uvase and join me." Soso: "I will do so." he went to take a shower then went to eat, washed his dish and came back to bed. Mandy was reading a book. Soso cuddled next to her and kissed her neck. She turned to him and kissed his lips. Mandy: "what happened to you today. Why you so nice?" Soso: "just a nice chill session at the office with the gents." Mandy: "hm...okay." she touched and kissed him. Soso: "wenzani..." Mandy: "I missed this....you...relaxed and sweet." Soso: "I missed you too baby...but." Mandy: "but what." rubbing his organ gently. Soso: "I don't wanna hurt our baby..." he whispered. Mandy: "excuse me?" he cleared his throat. Soso: "I said, I don't wanna hurt you baby.." Mandy: "why would you hurt me?" Soso: "whilst we're-" his phone rang. He reached over to check the caller I.D. Zoleka. Mandy: "phendula phone Sonwabise." Soso: "hayi wethu baby." Mandy: "hayi wethu ntoni? Zezitheni ezi calls zingazophendulwa?" Soso: "its just Soma." Mandy: "then answer." Soso: "uyamazi unjani lomntu babes." Mandy: "funny enough uvela ku Soma." Soso: "ewe." he put the phone on silent quickly. Mandy: "Sonwabise." Soso: "hm?" Mandy: "who is calling your phone?" Soso: "my brother baby, jonga ndizom'thumela message..." Mandy: "you are lying!" Soso: "I am not lying my love. Sihleli Kamandi nje, uyamazi Soma never gives up." Mandy: "Iza ndibone." Soso: "Heeee..." Mandy: "suthi nyeee, Iza ndibone phone." Soso: "Heee unje ke baby. Mandy: "so cela ubona phone ke." he gave it to her. She went through the contacts list, took hers and transferred Lihle's number, saving it on hers. Mandy: "andiy'fumani kweyam phone and sbosh hasn't gotten back to me." Soso: "bungatsho nje." Mandy: "fihla qithi nawe. Ina." the phone lit up again. she looked at the name. Mandy: "Zoleka, Soso?"

Soso: "Heee, I wonder ufunanton." he answered the call. Soso: "hello?" Zoleka: "hey...how are you?" Soso: "ndiphilile Enkosi wena unjani?" Mandy looked at him. Zoleka: "I'm great. So tomorrow, Siphe is playing her first ball game, awufun uzobukela? I tried calling you." Soso: "I would love to." he turned down the volume of the phone. Zoleka: "I missed you today." Soso: "I was at the office. Busy." Zoleka: "and now?" Soso: "I'm at home." Zoleka: "uzoza ngapha?" Soso: "erhh....not today." Mandy: "heh!" she clapped her hands. Zoleka: "are you busy?" Soso: "kind of..." Zoleka: "doing?" Soso: "you know.....chilling." Zoleka: "with?" Soso: "Mandy." he scratched his head. Zoleka: "oh. Guess things are smooth now, huh." Soso: "Eish zolek-" she hung up. Mandy: "you're not cheating? Uyam'thetha umsunu Sonwabise!" she pushed him. Soso: "baby wait-" Mandy: "No! Fuck You! Undiyeke!" she got out of bed and dressed. Soso: "hayi Mandy. Khome ndi-explaine tu." Mandy: "I don't wanna hear it." she made a call. Mandy: "hello?" as she took her bag. Mandy: "you home?" caller: "yes." Mandy: "can I come over?" she walked to the door. Caller: "definitely." Soso: "uyaphi Mandy!!" Mandy: "ndiyeke Sonwabise!!! And do You. Go to mama womntanakho, she misses you!" Soso: "awuyi ndawo Mandy. You're going no damn where!" he banged the door and locked it. Pulling the keys. Mandy: "you can't force me to stay!" Soso: "awuyi ndawo Mandy. Uz'misel undixelesa Nini ukuba umithi umntanam? Soze kalok uye kwamadoda umith umntanam!" Mandy: "what??.....what??" Soso: "I know you're pregnant!!!" Mandy: "who told you that?" Soso: "I just know!" Mandy: "I'm not pregnant Soso." she took out her clinic card and threw it at him. Mandy: "I was sick. Naturally sick. NOT pregnant. What happened to not wanting a child? What happened to waiting?" Soso: "you're not?...." Mandy: "mxim!" she went back to her bedroom and locked herself in. What had gone wrong between them? She thought to herself. What did she do wrong?

Chapter 721

I was in bed by 8 in the evening. Ndidinwe ndisifa. But I couldn't sleep. My children were still with Lukhanyo. He never said anything about staying with them the night. I called his phone waphendula. Luks: "mama Wabantwana bam." well....ndatsho ndanyaba. Me: "hi." Luks: "unjani?" Me: "I am fine. Ndicela ubuza abantwana uzobabuyisa nin? Its late." Luks: "ngomso." Me: "but we didn't agree on that." Luks: "ufuna ndizok'landa ?" Me: "NO Lukhanyo, we did not discuss the part where my children will be spending the night at your place." Luks: "our children." Me: "Lukhanyo Mzinyathi." I warned. Luks: "sthandwa." Me: "are you drunk?" Luks: "nahh..." Me: "kengoku kutheni ungandiva!" Luks: "ndisendleleni ezayo ke." I hung

up. Tshini thiza. My father and mother had decided to go to bed "early" tonight. Truth be told, I'd avoided them all day ndingakwazi noba jonga. Namhla was studying. I sat in my room ndalinda my little munchkins to brighten my life. Ndiyabazi ngocula 😊:D and Lubambo's little giggles. ❤️<3 I was excited! An hour later I heard a car park outside. Ndaphakama ndayovula emnyango. Lukhanyo walked in the house wavala umnyango watixa. He smiled from ear to ear. Luks: "ndim lo." andatyhafa Nkosi yam!!!! Me: "Lukhanyo, where are the kids?" Luks: "Yoh." he held his mouth. He reeked of alcohol. It was taking all of my might not to snap. Enxile ephelile. How the hell did he drive here! Me: "Where. Are. My. Children." I asked slowly. Luks: "khay'vuthele? Ayise bhlungu." I breathed in and out. Calming myself. Luks: "khenze man Lihle uyeke ubhonga apha." ndamvuthela nge cheek standing in front of him. Luks: "kodwa shame yazi kunini ndiyicinga lento." he slurred. I swear I didn't wanna hear it. Luks: "kudala kodwa undinyamezele, undizalela." Me: "so?" he hugged my waist. Luks: "awubawel ndifake ezok'qibela." Me: "get off of me!" I pushed him wanditsala. Luks: "mamela. Mamela...uske utabalaze oko'springane ndisathetha." Me: "unxilile Lukhanyo." Luks: "anxilanga mna. Khona uqale nin unxila uLukhanyo ngoku? This is definitely Not him. Andizongalali ke mna. I went inside my blankets ndavala mehlo to sleep. Until he started snoring. I took a pillow and beat him with it wothuka wayowa phantsi. Luks: "Haibo!" I held back laughter. Waphinda wakwhela on the bed. Me: "usuke!! Unuka utywala! Suka apha!" Luks: "sundingxolela kaloku." he said in a sleepy voice. Me: "Lukhanyo uvela phi?" Luks: "bendihleli nee boys mos pha kwa Chief, oko. Bandithengel case kunye ne botile sasela." Me: "you said usa abantwana koomakhulu. What happened?" Luks: "kaloku fikile mos ne? Bahlala ke. Bahamba, nam ke ndaya kwamajita. Ndabashiya endlin. Kuba kaloku bengazohamba nabo." I got up and took out a thicker blanket ndamondlalela. Me: "ungangxoli." Luks: "okay." I got into bed, ndamshiya ekhulula brukhwe yakhe wanqenqa. It was cold actually, ndigodola mna kqala. I thought of getting up ndilayite heater. But then I got too sleepy. Lukhanyo got up. Luks: "andicing ndigodole kaloku mna." he got into bed, pulling me closer. Me: "Lukhanyo!" Luks: "hmmm!" Me: "hlika k'le bhedi ndingekak'qwhabi nge nqindi!" he giggled. Luks: "ndine worry yeli nqindi libhityileyo." Me: "Suka man. Ambovasa Lukhanyo unuka utywala!" Luks: "yinton ngathi ndinuka umchamo?" Me: "seyisondele!" I got out of bed ndaya ebathroom, running him a bath. Ndayomvusa kwakhona. Me: "Iza phakama." Luks: "lambile." Oh so help me God. Kutheni mna ndingangcolanga nje? Why don't I have a black cold heart! Me: "qala uvase ke." I took off his shirt and vest. Me: "Awukwazi ukuma kaloku." Luks: "oh ndicimba uzondivasa." he took off his underwear and got in the bath. Luks: "goodnight mama!" Thenji: "night!" she closed her door. Me: "nantsi sepha nali vaslap. Bath." he farted. Luks: "sorry." I give the fuck up. Walking to the kitchen, there was a steak in the fridge and two chicken thighs from last night. I heated them ndenza sonka ecaleni with juice. Putting it in the bedroom. I went back to check on him ebevasa nyani. He got out wasula. I was in the bedroom wangena setsibatsiba. Luks: "kuyabanda apha." Me: "thambisa utye ubenolala Lukhanyo." wathambisa watya. I went to bed after switching off the lights. Ndazigquma ngengubo. When he was done eating naye wazigquma and fell asleep.

dream My head felt really heavy, I saw my mother crying endilungisa intloko esusa ameva. She gave me a dress. Ndane ndawo ezifuna khala. "mama, where is he?" she shook her head. I wore this big black dress erhuqayo and walked out ndabona umngcwabo. Me: "mama, uphi utata Wabantwana bam." Thenji: "akasekho

I crawled to his grave nditsalwa ngutata. Ndazibhuqa phantsi. He cannot be gone!! Me: "ndiyeke Tata!!!" I cried. Me: "Lukhanyo!!!!" someone shook me ndothuka ndibile ndimanzi. I looked at him shaking. It was just a dream. Luks: "khalela ntoni ngoku?" he wasn't as drunk anymore. Me: "I" deciding to keep quiet. Luks: "sorry Va." I didn't like that dream. Matter of fact, I hated it kakhulu. He can't just die, thats rude. He held my hand, ndamthwaxa. Me: "Ayikho lento uyenzayo Lukhanyo! Yiyeke!" Luks: "what did I do?" Me: "lento yobugintsa bakho! Uthi ndizothin kwabantwana bakho when you die! Stop being selfish man nokwakho wenze into enengqondo for once in your life." I was still shaking. My heart beating really fast. Luks: "iyhoo. Ndabuthwala ubunzima. Ndithukwa ndilala, ndithukwa ndivuka." Me: "mxim!" I turned around ndazigquma. Kodwa ndisoyika ulala. He pulled on me, andam'hoya. He kept pulling, wanting me to snap. I didn't. I couldn't. Just realizing how quick the universe might snatch him up in a body bag wasn't fun at all. He moved closer and cuddled on my back walala.. I woke up the next morning, a tad bit late. I'd overslept. I got out of bed ndayovasa, came back to dress eroomin. He woke up ndisathambisa. Luks: "wiggle wiggle wiggle. Uyaphi." I threw a pillow at him ndanxiba jean yam. All my tops needed ironing, and I couldn't wear a dress kusabanda! I wore my socks kunye neqhatha Eli red Le-Tommy's. I dug in my wardrobe ndafumana a warm red jersey ndanxiba vest underneath kunye nayo. Brushed my hair, ndenza buso bam. Luks: "ulate ne?" Me: "ewe man Lukhanyo!" ndafaka perfume yam ndaqoqosha iincwadi. Luks: "caba bulel Kam-" Me: "khaw'vuke nawe man!" Luks: "wooh. And the boss is back." he got up wanxiba brukhwe yakhe. I made the bed and folded ento ziphantsi. Grabbed my schoolbag ndaleqisa ekitchen. Luks: "Iza ndiyok'beka." I took some fruits ndatixa and he gave me the keys. I had no time to argue. I started the car and drove to school. Luks: "ungandibulali tu. I have an event tonight I cannot afford to miss." Me: "what event?" ndangena on the freeway, and stepped on that accelerator, yabhabha imoto. Luks: "yeses Lihle!!" Me: "I'm late!" Luks: "I don't wanna be early in heaven!" Me: "khaphole wethu. Uqhelile qhuba lewey." he fastened his seatbelt sayongena the second freeway to Summerstrand. Luks: "charity event, yi-auction phof, organized the whole thing." Me: "good for you." Luks: "so uzoba busy namhlanje?" Me: "Lubby asked me to be his date." Luks: "of course he did." I slowed at the robots. Within 10 minutes I was already in Summerstrand. Not bad. Luks: "nice of you to be honest, so uzoza?" Me: "bendingayazi ba its Your event." Luks: "uzoza na?" Me: "yes." Luks: "okay. Ungandiniki awkward looks ke." I laughed out loud. Me: "who's your date?" Luks: "Tammy, my girlfriend." Me: "that's cute." I drove again

ndayofika at my campus. Parked the car sahlika emotweni. Luks: "uzonxiba ntoni.." Me: "bumshorts." I winked and ran to school. He laughed and shook his head, got in his and drove home.....

Later that day, I got out of school at about 1pm. Damian was meeting up with another friend. So Lindi and I could hang out together. Me: "khandikhaphe friend ndiyokhangela lokhwe for tonight." Lindi: "hmm.....tonight? Kanene you've got a date with Mr Morrison." we hopped to the bustop holding hands. We were going to Walmer so we just continued walking either way. Xa itaxi zisuka etown zinyuka zisiya kwa 17 we'll get a ride. Me: "uhm Lindi." Lindi: "yeah?" Me: "uy'thanda njani izolo ndifownela Lukhanyo ba abuyise abantwana and he just shows up, alone." Yuuuh andalila Lindiwe, ndilile kwabuhlung uphefumla." she smiled. Me: "I'm serious. Ndivuswe Nguye endibuza ndikhalela ntoni, Ndaske ndacaphuka ndam'xhaya." Lindi: "carry on... Ndizothetha qiba kwakho." Me: "well, we fell asleep again. Ndavuka late ndayovasa, got dressed and he gave me the keys. Ndaqhuba ke, now conversation in the car goes like this. The auction? Lindi: "is that possible? Lukhanyo can easily manipulate his way in your life. Especially because ungotata Wabantwana bakho." Me: "and he never seems to chill." Lindi: "Lubby is the sweet soul that keeps you grounded and keeps you happy, naye utyibilika kwi bhotolo. Uzothini ke peto?" Me: "should I even go to this function?" Lindi: "if you want to, go. Don't over think this. Into wena funeke uyenze is to keep your heart at distance, phola ingqondo wonwabe." Me: "should I tell Lubabalo? Ndine worry Lukhanyo anxile athethe isende." Lindi: "haha! Hayi man, from what you've told me about lomntu, he doesn't sound like the person to dirt igama lomnye for brownny points. Mchazele ulubby." we got on a taxi and rode to Walmer. Saqala kwa Zara. I saw this gorgeous navy dress. Bawo wam. Apha phezulu,

it was stretched down from the neck to the breasts. Kubekho bhanti elibomvu. The back was bare. From the stomach down to the waist and thighs it look tight, then. There was a slit from the thigh ukuhla. Me: "I'm fitting this." I went to the fitting room. Ndayinxiba. Lindi: "Lihle!!" it looked gorgeous 😍:(the way it drew my curves, the slit from the thigh, I turned around and stared at my ass. Lindi: "wafa unyana womnye umama. Yoooh." Me: "I'm buying it." Lindi: "did you see the price." ndayijonga ndaminca indawo. Shiiyyt! I had to do some serious calculations from my savings kuba ndisayothenga s'hlangu and my Mac make up. I also needed iclutchbag. Kwaske kwa rough. I took off my dress. Yes its MINE because I'm still buying it ndanxiba ndaya kwi counter. Closed my eyes ndakhupha card lam. The lady did the transaction encuma eyi Christmas sana kubhlungu apha kum. We left the shop saya kwa Edgars noLindi. We looked around for a while and she picked out a couple of tops for herself. Sakhangelisa isihlangu. Lindi saw a navy peep toe stiletto. I saw a red 8 inch heel pump. And we compared. The red pump won, kuba the belt was red. My only accessory would be earrings. We bought my make up sayokhangela clutch bag. Paid and we left the shop. I felt a bit broke after this. Eish. To be a woman sometimes. 😞:(Lindi: "peto, I hope you have a wonderful time, oh and.....about the dream. I was told by an old lady, umngcwabo means umtshato. So....relax and have fun." she kissed my cheek. Sakhwela itaxi ndayicinga lento kaLindi. Me: "umtshato kabani kengoku?" Lindi: "andiyazi kalok tshomi andivumisi mna." she laughed. At least he wasn't going to die. If he's getting married to someone I hope he's happy. I really do. He deserves that much. Lindi: "peto? Mandihlike apha. We'll chat later. Wonwabe ke." Me: "thanks love." she got off ndayohlika Terminus mna then ndakhwela taxi eya eSamenteni ndazohlika ekhaya. I almost ran home because ixesha was not on my side. I needed to bath fix my hair, do make up. Ndangena endlin my mother and father were in the kitchen flirting. 😍:o Me: "molweni." I ran to my room ndazivalela. Sizwe: "hello. Lihle?" Me: "I'm busy Tata." Sizwe: "vula kaloku sithethe." I opened wangena. Me: "hi." I went out ndayovulela amanzi ovasa ndabuya and tied up my hair. Sizwe: "uyaphi?" Me: "auction." Sizwe: "with?" Me: "Lubby." he frowned. Sizwe: "Lukhanyo belapha izolo?" Me: "yes." Sizwe: "why." Me: "andimazi Tata." I went to take a bath ndabuya ndaya eroomin yam with a gown. Namhla came in. Namhla: "Yuuuh chomza! UZara peto? Hayiiii!!!" she took out the dress. Namhla: "yuuuuuh!" she jumped up and down ndathambisa. Sizwe: "Lihle?" Me: "yes Tata." Namhla: "tshesa wena! Uyaphhi mntase. Iza ndik'ncedise." Sizwe: "Ndifuna Uthetha nawe about something bonanje." Me: "when I'm back sizothetha Tata." Sizwe: "okay." he walked out again. I wore my dress. Namhla gasped. Namhla: "Ima ke mntase, thambisa baby oil okanye vaseline kuzo shine imilenze ibengathi uphuma kwi cover

ka True Love." she took my legs wandithambisa vaseline again 😊_- what would I do without her. She fixed the dress. Namhla: "khandiphungulele amabele Nono. Ame ngenyawo!" Me: "khaw'yeke Namhla man." I sat down ndanxiba gown ngaphezulu and did my make up. I started ngofaka a face moisturizer. Then the foundation. Then my powder. I sat closer to the mirror ndenza uSmokey eyes. Extending my eye lashes. I had a darker shade of make up to sharpen edges. Ndayiqaba on the sides on my nose to make it look pointy then powdered it with my shade. My eyes looked big. Face flawless. And nose the right width. I applied dark maroon to plum lipstick. And I was done. Namhla finished ironing my hair. Wandenza istyle. ezise back twisted and rolled up wafaka i-clip. One strand from the front hung loose on purpose ndanxiba amacici am. Small diamond-like crystals. Namhla: "wow! Mntase. You look stunning." she cried. Me: "thank you very much honey." Namhla: "I think Lubby has arrived. Khame ndiyomamela ispeech azos'nikwa ngu Tata." she ran out anday'hleka. I took 3 sweets ndafaka in my clutch, wore my shoes. Took my phone with a couple of hundreds just in case something goes wrong. Ndaphuma. They all looked at me. Lubby's mouth hung open. Sizwe: "wow. Awusemhle mntanam." Me: "Enkosi Tata." Thenji: "wali lady sana uyambona? Khaw'ze sik'fote." they took pictures of me. Me: "we can go?" Lubby stood up and said goodbye sahamba sayokhwela emotweni where he opened my door. Guiding my dress in carefully and he drove us to the auction. Lubb: "I might have a problem keeping my hands to myself and my eyes off you all night Miss Manti.." Me: "then that's a big problem Mr Morrison." Lubb: "let's just say, a very....big problem." he winked. I looked at him disapprovingly. Me: "remember the deal." Lubb: "of course. The deal." sayofika at this fancy venue in Newton Park. There was journalists. Cameras. Papparazi. The works! Luckily, kukho fence abame ngaphaya kwayo. The entrance was red carpet. ❤️<3 I felt like a celebrity. Lubby got out the car ndabona ngeeFlash zodwa. He pulled on his swag walk over to my side wavula ucango. Holding his hand out ndaphuma. He fixed my dress, I fixed his tie. And he landed a kiss on my lips. The cameras hadn't stopped. He held my arm in his and walked onto the carpet. Lubb: "can we let them take a formal one?" Me: "sure." I was so nervous. We stood together kwafotwa. Then sayongena. Me: "I didn't know this was such a public event." Lubb: "it wasn't. But andiyothuki, after the scandals I had, now appearing at my 'betrayed brothers' event. Its front page news. Abantu bayaz'thand indaba" we were ushered to our table. Older men and women were gathered. A band was playing soft music on the stage. Lubby pulled my chair for me ndahlala phantsi. He sat next to me with a satisfied smile. Lubb: "champagne?" Me: "juice please." he poured me juice wandinika. Lubb: "Miss Manti. you look absolutely gorgeous tonight." he whispered in my ear. Me: "you too Mr Morrison." Lubb: "and I

am happy I am the envy of every man in here." he kissed my neck wabuyela kwi seat yakhe. When I looked up, two tables away, sat Lukhanyo. He stared at me over his glass of champagne. Then took out his phone. I quickly switched my phone off before I received a rude text. For a while emane ejonga kwi phone yakhe then Wayibeka endlebeni. Voicemail. He had an annoyed look on his face. Lubb: "problem?" Me: "nope..." lubb: "ndik'bona uthule." Me: "I'm just nervous." a tall young lady sat next to Lukhanyo wamphuza. Must be the girlfriend. I listened to the band indidlalela kamnandi, a few other people joined our table. Ndaske ndaginya ingwiqi because I don't know millionaire talk. I was just a student ehlala ekasi. Exposed to this celeb life for just one night. I felt a bit trapped but pretended as though I'm cool. I didn't want to embarrass Lubabalo in front of his friends or business associates. As time went on, sancokola though kwamnandi. A Mr Watson was telling us jokes about his childhood. Singasay'hleki man. About how he met his wife too. It was just a nice vibe. I felt a bit heavy ngathi ndijongiwe. I looked at Lukhanyo esandijamele still. He made a funny face ndahleka ndodwa. Lubby looked at me. Me: "I'm sorry." Watson: "oh please do share the joke." everybody stared at me. Ndoma ngomzuzu. Me: "well I'm just thinking of this little dance my kids do everyday. I haven't seen them since yesterday." "Ncoooh, how many?" Me: "3." Watson: "what! 3? Nooo." Me: "yes." Watson: "you look amazing Miss Manti." Me: "thank you sir." the band stopped and the function started. Lukhanyo got up and fixed his blazer, then walked to the stage. With a round of applause. Luks: "good evening ladies and gentlemen. I welcome you all to the first Charity Auction, Save a Life Campaign of the year. May I first say, all of you, look stunning." he stared at me. Everybody started clapping again. Luks: "I would like to thank you all for attending this event, I would like to thank the donors. Mr and Mrs Watson, Mr James, Mrs Nayem-lee. The Angelica sisters, and last but not least, my photo copy Mr Morrison." everyone chuckled. Luks: "without the motivation of my wife's harsh words, I wouldn't be here today." I wanted to Die! Luks: "to tell the truth, standing right here tonight, is a former gangster. Lukhanyo Mzinyathi. I grew up, a life of severe poverty and pain, my escape was to be feared. As slaves, we do not dream to be free. We dream to be masters and that's what I needed to be to accept myself. The wife woke up and said to me: 'Lukhanyo! Yeka lento uyenzayo man!' Meaning, I should stop what I'm doing and any man here knows. Once the boss lady says Stop. Uyabrika. Immediately!" everyone laughed. Luks: " I say, former gangster because from tonight onwards, I have begun to change my life to be an honest man. To be a better father and an inspiration to all the children that are growing up without much. I owe this to them. The lesson of constantly dodging bullets and prison is not a lesson to be learnt by youngsters. So I

thank my wife, for the wake up call, I thank my brothers for the support and most of all I thank you all for opening your hearts to this cause. May you all have an amazing evening. Thank you." he stepped of the stage again kwaqwhatywa izandla. People standing up and cheering. He took a few photo's and went to sit down. Next up on the program, was another old man. Mr De Bree. I sat comfortably in my seat and drank my juice. After the crowd, quieted down. A woman walked into the hall, her heels clinking on the floor. We all stared, she smiled, her dress was body hugging A round little swollen belly. My jaw dropped.

Chapter 722

The lady went to sit down kwenyi table ndajonga kuLubby. Me: "ngu Siwe lo?" he nodded ejonge phambili. Me: "is that-" Lubb: "nope." Me: "how are you SO sure." Lubb: "we never had sex." Me: "oh." Lubb: "hm..I sense abit of envy." Me: "from who? Me? Haha." Lubb: "inoba uyabawel undipha triplets qha uyonqen ucela." I giggled. Me: "don't trip Morrison." I listened to the man speaking efront, wabiza uLubby. He walked up with a round of applause. Lubb: "Good evening, ladies and gentlemen. For those who don't know me-" Luks: "we know exactly who you are." they laughed. Lubb: "well There's not much for me to say here, since the introduction has been set at such a high standard by these two gentlemen. Thank you for being here, I am most welcomed by my brother, and when he asked me to speak. I can't lie, I didn't know what to say. I admire him for getting this far in his life, most of us especially me, would've given up and threw in the towel, but he didn't. Lukhanyo, I support you. Keep on pushing, I know you pain my head at times but nobody does a spectacular job at it besides you and Luzuko Daniels. This, is not a gift, it is the beginning of your journey. The one which I'll always be right by your side for I want you to look at it and be motivated to carry on doing your good work. Helping others. Remember who you are, Who you want to become. Everything will fall into place, When the time comes." luzuko went to the podium, peeling of the maroon suede cloth. A black marble statue, that was engraved with Lukhanyo's names. Lubb: "You have to make way for your hope, because now you're in a place where you don't need to hide no more. For all those times you tried, to hide what you are but never were ashamed. You made it. And It made you. Although you've done wrong, God forgave you. It didn't kill you instead it made you stronger. I'm proud to be your brother." Lukhanyo stood up and walked to him. They hugged with Luzuko. We clapped our hands for them. It was such a blessed moment, it was hard not to shed a tear. Everyone stood up and cheered. I looked around and saw Le chick ime no Sparks, they spoke briefly,

something ingathi bayaxabana. He held her arm roughly and cursed. Mos uyambona umntu noba ukude ba lowa uyathukwa shame. She nodded and he walked back out. What the hell was that? Lubby came back to our table sahlala phantsi. Lubb: "what's wrong?" Me: "did you see ngubani lo bengena apha? Just now?" Lubb: "who?" Me: "lamntu nanimkhang-" Watson: "Mr Morrison? We're about to start. This one is yours, we need a description." Lubb: "hasn't it been weighed already?" Watson: "yes its value has been checked but its the only one of its kind, just write it down real quick." Lubb: "excuse me babes, ndiyabuya." he walked to the table and wrote it down. I looked at this girl. Wabe eqine ithambo ujonga phambili. Luks: "boom." ndothuka and stared at him. He smiled. Luks: "wothuka ntoni?" he leaned behind me on the chair so his lips right next to my ear. Me: "molo Lukhanyo." Luks: "uyicimeleni phone?" Me: "ndonqen gezelwa." Luks: "uzogezelwa ngubani? Mbize ngegama ndizom'hlabane." I laughed. Luks: "you look stunning maka Luthandoluhle no Lubambo luka Tata. Almost convincingly happy too." he hid my thigh with the dress since the slit revealed my thigh. Trying to tie it together. Me: "yeka. Yeka." Luks: "uyaz'thand nto ez'jongisayo nawe man." Me: "goodbye Ta Luks." Luks: "ndiyagxothwa again." Me: "ikhaya lam ayondawo yonxilela bonanje." Luks: "yuuh, ngoku sendiz'xelele ba tonight ndine ndawo. Me: "I took it for polishing." Luks: "awusaxoki man...sizoy'chophela phof, I'll see you on Friday xandibuyisa abantwana. I promised them a picnic nomama wabo on Saturday ndicela ungas'phoxi tu." Me: "kutheni wena usenza promises that you can't keep." Luks: "Andithi I'm telling you in advance." Me: "ok Lukhanyo." Lubb: "ahem." he cleared his throat wahlala phantsi. Luks: "so ke ndizobabuyisa Friday. Enjoy." he got up and walked to his seat. Lubb: "and you were saying." he unbuttoned his blazer. Me: "when?" Lubb: "before I left, ubundibuza about-". Someone tapped his shoulder. Akacaphuka man. He literally snapped. Lubb: "yes?" we looked up and saw ugirl onesusu. Siwe: "nice to see you again Lubby." Lubb: "ndibusy fondin ufunani apha?" Siwe: "awukho busy mos ngoku uhleli. Molo Lihle." Me: "hi." Siwe: "surprised to see you here supporting your man throughout everything. Caba umthanda nyani shame." Me: "kakhulu. Me: "Siwe suzijongisa ngabantu. Hlala phantsi sweetheart ulinde kuqitywe because Lubabalo usemsebenzin nobhuti wakhe apha." she gave me a poisonous look and walked away. Lubb: "ngowuthule bonanje umyekile." Me: "last thing we need is eyes." we paid our attention to the

auction for the rest of the event. Later that evening, it was time to go ndaphuma kqala and Lubby followed. Siwe pulled his arm. Lubb: "khawundiyeke please!" Siwe: "ndiyeke ntoni Tata ka Sinothando? Hm? We're having a baby, awuvuyi?" Lubb: "you're crazy Siwe. Andilelanga nawe nje mna. And you're way over time. Because you look at least 4 to 5 months, whereas mna ndik'qibele two months back. So don't try your luck andisodenge." Siwe: "you're not the only person I have to convince, I can see the headlines, 'Lubby Morrison refusing to take responsibility.' Ooooh how about, 'Father turns his back on his own child.' Hm? Taka Sino?" she walked away. Lubby got to the car besendipha wazondivulela umnyango we got in and he drove again. Lubb: "Lihle..." Me: "let's not even go there Lubabalo." Lubb: "what was Lukhanyo talking about." Me: "he slept over izolo." lubb: "OH?" Me: "not like that. He was drunk and he just arrived, I couldn't let him drive back enxile olahlobo. What if he'd gotten into a car accident?" his face eased up. At least he understood that point. Me: "he just arrived wayofuna uchama. Wavasa walala." Lubb: "k." Me: "There's no need for an attitude." Lubb: "there is No attitude." Me: "you don't trust me?" Lubb: "I do Lihle." Me: "what's the problem?" Lubb: "there is no problem babes." his voice ibivakala ngathi utyhafile. Me: "I should've told you I know." Lubb: "no its fine really. I'm not your dad. Or husband. You don't have to report everything to me." Me: "then what's wrong?" Lubb: "Lihle. Please, not tonight. Me and you are cool." Me: "is it about Siwe." Lubb: "how dare she fucking show up like that! Yazi Akana respect lomntana. Fuck!" oh, so this is what has him mad. Me: "you said you never had sex with her." Lubb: "I didn't! But she drugged me Lihle. Into endiyaziyo is that I didn't do anything. Worry yam uzokwenza izipili Athi ndim om'mithisileyo. The moment ndimxotha, again uzokwenzi ngathi andikhathal and I'm a monster ugxotha umntu omithi." Me: "then what does she want." Lubb: "ufuna attention qha! Yile angazoy'fumana." Me: "calm down...Lubabalo. Look at me." he stopped the car, his hands were shaking ephfumlela phezulu. Lubb: "if she fucking tries...." he hissed. This was the one time I was dead afraid of him. When he turned into Andrew. I held his hands. Me: "sweetheart." I said calmly. Trying to convince myself. Me: "listen to me. She will not get away with tainting your image. You are Lubby Morrison." he growled. Me: "yes. Ungu Lubabalo. Awohlulwa nto. You will not become a monster because of skanks. You are bigger than this. Close your eyes for me." he wasn't calming. Tu. Me: "Bawo wethu osemazulwin. Malingcwaliswe igama lakho. nangonaphakathi amen." I hugged him. After some time we pulled away and he started driving again. Less aggressively. More quietly. We got to Motherwell. Wamisa phambi kwendlu Yasekhaya. Lubb: "thank you. For being with me." Me: "pleasure. Bekumnandi Uhlala nawe." Lubb: "so again, ubusthini kum before siphazanyiswe oko ingathi they are threatened by us spending time together." Me: "hehe hayi Suka. Kakade you were supposed to be working qha yathanda qithi uphola uqhele ukwenzelwa." Lubb: "is that so...." he turned to look at me. Lubb: "you are so beautiful. Lubb: "change of topic real quick, before my big problem stands tall." I giggled. Me: "mxim. Anyway, I saw lentombi incokola noSparks." Lubb: "hayi phi?" Me: "pha ngaphakathi." Lubb: "he was there?" Me: "yes!" Lubb: "Heeee ooVictor banezibindi ze nkomo yazi." Me: "he came in ngelaxesha ubu busy uyobhaliswa something. If I didn't know better I'd say, she is being forced to trap you." Lubb: "utsho ngoba." Me: "well, their body language. Ebebhanjwe rough yangathi uyathukwa. What I don't understand is, kukho guest list apha, how in the world did he manage to get in?" Lubb: "Victor can convince a cat to bark. We're talking about a guy that created a crime scene and still broke into it whilst kukho amapolisa awambona still! As much as I hate to admit it, he's quite good." Me: "so uzothini kengoku. Why do you let him get away with ruining your life?" waske wathula. Me: "Lubabalo?" Lubb: "you don't want me to kill." Me: "true. But kutheni ungathethi naye ke and figure out what he wants from you." Lubb: "I did. He wants me to suffer qha." Me: "you're not good with negotiating." Lubb: "oh? Bekufuneke ndithin. Hey Victor, want a drink? Oh wait here's my soul, can you leave me alone now? Uwoah." Me: "let me help you find him. And stick him to one place." Lubb: "nope. You're not getting involved in nothing." Me: "but-" Lubb: "NO." Me: "fine." he held my hand and kissed it. Me: "Saturday is picnic day." Lubb: "yeah, Lukhanyo ebeqhatha Luthando ngayo. You know how your son loves being around both his parents." Me: "you coming?" Lubb: "unfortunately I wasn't invited. But ke its a family thing, so no. Ndizoya kulo Liya." Me: "oh. Good luck with that." Lubb: "don't need luck, I need prayers. Tatapha tried to gun me down once." Me: "because usile ngxak yakho." we laughed. Lubb: "I had a lovely time with you." Me: "for the third time. Me too." he leaned over and kissed my cheek. Me: "goodnight Lubby." his index finger under my chin turning me to his lips. I pecked them and pulled away. He was disappointed. Me: "I'm sorry." Lubb: "its okay." I opened my car door ndahluka. Lubb: "goodnight Kumkanikazi." I smiled and closed the door walked to the house. He waited until I got in ndavala umnyango ndatixa. Then he drove away to Soma's house.

Soma and Soso had a night in at Soma's bachelor pad. Soma: "Bro, have you made your choice?" he had a dart board in his hand. Soso: "nah." Soma: "ndizoy'ncamathela njan leshit yento." Lubby walked in. Soma: "yes! Ina. Mr engineer. Fix." Soso: "you look upset." Lubb: "Yoh majita." Soma: "function didn't go well?" Lubb: "it was spectacular." Soma: "so?" Lubb: "give me a drill and some screws." Soma handed them over. Lubb: "well, some bitch showed up pregnant. Uthi ndim." Soso: "well?" Lubb: "we never fucked." Soma: "haha. Wena wonke?" Lubb: "yes mna ndonke. Come on." he took off his shoes and climbed on a chair to drill a hole in the wall. Lubb: "sadly. Bendihamba noLihle. I thought tonight maybe might lighten things up between us-" Soma: "lies. You wanted to get booty. And she shut you down." Soso: "boss!" he laughed Lubb: "yes. Make fun of my tragedy." Soma: "so uzomthini ke upregnant lady?" Lubb: "Somangaye, ndizomyeka ajive onele bonanje. I don't need this drama. I need to get my son." Soma: "oh yeah shame. Ndikukhapha?" Lubb: "no I'll be fine." he attached the dart board on the wall. Soso: "so.." Lubb: "can you just pass me that? Be useful damn it." Soso threw it at him. Soso: "sorry. Uphi uLuks." Lubb: "he went out with his friends." Soso: "and you're here to sulk?" Lubb: "no, I came to light up a blunt, nap and wake up hungry. Do you mind?" Soso: "nope." Soma: "Bro, maybe you should just take a nap. You've been working." Lubb: "do you have beer?" Soma: "fridge." Lubby got off the chair. Soso, took some darts. Soso: "testing this shit out." he threw one. Soma: "you're not doing it right." Soso: "don't touch me, you fag." he pricked him. Soma: "hey.." he tackled him. Soso: "get off!" Lubb: "ndizoy'susa mna lanto pha, if you gonn fight like puppies over their mom's nipple. Move over." he pushed them off the couch and switched on the TV. Lubb: "hey Soso, so how's your baby mama." Soma: "ulahliwe lo." Soso: "andilahlwanga. Keep calm." Lubb: "what happened?" he rested his feet on the arm rest. Soso: "well, we chilling, playing, about to go down on this. Until my phone rings. Athi mandiy'phendul, I lie like a little bitch ndithi ngu Soma. I ignored. Phinde khale phone whilst in her hand. Wandinika. Kanti nguZoleka. The most uncomfortable conversation I ever had. Mandy tripped. She called some guy esithi uya kuye, I locked the damn doors. Man, it was hectic. Ndicenge ubusuku bonke. My knees is hurting." Lubb: "serves you right. I hope now, you made your decision." Soma: "no he hasn't." he sat on Lubby's legs. Lubb: "why the fuck not. Soma, get off me." Soma: "iyi 1 couch apha. Either you sit up or lie on the damn floor. Fuck you." Lubb: "nitheni na namhlanje? Jesus." Soso: "I love Mandy, same time I love Zozo. She's amazing, understanding, caring, and just wonderful." Lubb: "and Mandy?" Soso: "Mandy.....well I've grown attached to her. Everytime I walk in the door, I expect to see her face and that calms me. I love it." Lubb: "and Zoleka?" Soso: "she has this thing...when I come in, She's prepared for me, whether

I'm in a bad or good mood. She gets it." Lubb: "and Mandy.." Soso: "Mandy just vib-" Soma: "oh for Christ's sake!!! Udom nawe Soso, dom!" Soso: "yazi if Lukhanyo was here, he'd give me first class advice because he's a real nigga. You guys are clowns." Soma: "call your real nigga, eyam sey'lapha. Hey uphi Luzuko? My second homie." Lubb: "Luzuko is hella busy bra. S'fiso being the investment banker, travels, Luz sometimes uphuma naye. Ndi hambile bese pha k'la function kuba ndigodusa uLihle. Anyway, Soso Mjita, before you lose them both, choose one. Trust me." Soso: "its difficult Lubby, I don't want to let go of either." Soma: "Bro, ubambelele ntoni kuMandy if all you ever do is fight?" Soso: "there was once a time we were in love, Khona lento ndiyenze wrong I have to fix it-" Lubb: "its the day you decided to add another woman in your life. It was a bad, rotten decision. You couldn't draw the line. You can never handle two grown women at the same time." Soma: "nigga, you've dated at least 3 at once. How?" Lubb: "I said women, not bitches. Women have class, they can't share their men. They refuse to. And when they love you, they will fight for you EMOTIONALLY, not like ratchets in the ghetto pulling each other's weaves out. nigga, I'm telling you this as a brother. You have two gorgeous women. You cannot have them both." Soma: "and you have one gorgeous woman. You can't have her either." they laughed. Lubb: "ya'll just salty tonight, don't know the fuck's wrong with you." Soma: "you got nerves because you didn't get laid." Lubb: "I wasn't looking to get laid, I wanted to lay off the thick tension between me and her verbally." Soso: "lies." he took some Lays and sat down. A cellphone rang. Soma: "that's me. My wifey calling, iphi phone yam Soso!!!!" Soso: "I don't know!" Soma found his phone. Soma: "hello?.....yes baby.....no ndihlel noLubby and Small Fart.....ya. Sho." he hung up. Soso threw something at him. Soma: "ouch!" as it hit his head. Soso: "Small fart?" Lubb: "umsuz omncinci." he grabbed the snacks. Soma: "are we going anywhere?" Soso: "yeah. Lubby's house." Lubb: "absolutely not. I have curious kids. Sleep does not exist in their vocabulary." Soma: "especially xakukho wena. You over-spoil your kids." Lubb: "don't be jealous." Soma: "its not jealousy, its a known fact. You might be ruining your kids' routines. Do you realize how much mothers work in order to schedule and keep a fixed routine. Then some ass wipe, like their dad, decides to keep them up for ice cream." Lubb: "chocolate ice cream. Big difference." Soma: "usis'hlangu Lubby. For real. You's a hobo shoe." Lubb: "thank you. Someone order pizza please. Nindivuse xa fikile. Soma, before I whoop your arse, get off me." Soma: "which pizza?" Soso: "yeke I'll go buy it and a few beers." he got up from the floor and took Soma's car keys who was too busy connecting the PS to notice. Lubby took the pillow and closed his eyes to take a 30 minute nap..

The next morning ndivuke and checked my phone. Switched it on kwangena messages. 4, 5, 6, 7 and counting. Then it stop at 11. Obviously it was Lukhanyo from last night. I opened them. Message #1: "you may want an ambulance on speed dial, dying of a heart attack." I laughed. #2: "I'm sorry, where are my manners, you look nice." ncooh. #3: "I'm sorry." haike balandelelana bade bafika kweyo's 10. The #11: "well, its something past midnight and ndihleli apha kwa Gqalane. Thinking. This...this is the 11th month we've been separated. I was saying sorry kuba ndingafuni ukuhlupha, with whatever you're busy with while I'm sitting here by myself waiting for you to call me. I'm driving to you right now. I'm coming over. Tired of this shit." wait...if it was past midnight ekwa Gqalane that means he had been drinking. But he never arrived here! I quickly dialed his number. It rang and rang to voicemail. My hands were shaking I was panicking. What if he'd gotten into a car accident! I called again and again. Kwaphendulwa. "hello?" it was a girl. Wow. Me: "hi. Cela unike Lukhanyo iphone." she: "ungubani ke wena?" Me: "Lihle." She: "what you want?" Me: "never mind." I hung up. Hayi Suka mos ndifane ndibene worry yamaxolo abantu abafana nooLukhanyo. Tshhi! I got out of bed ndayovasa. I didn't feel like going to school today. I made my bed and called Lindi. Me: "baby uphi?" Lindi: "still in bed you?" Me: "qibo vasa, andisonqen uya esgela." Lindi: "me too hey." Me: "let's just hang today. Beach and lunch?" Lindi: "absolutely. Khame ndivase." Me: "see you in a minute." I hung up. Skipping school was never in the plans, but asenzi nto that's gonn threaten my life in an exam room. Plus Damian is attending with Jake so they'll brief us. Ndizonxiba ntoni? Hmm....shorts? Definitely. Vest. Sandals. Beach bag. I was packed. I did my make up and hair. Ndanxiba shades zam. Namhla: "and?" she walked in. Me: "and what?" Namhla: "you look like uye lwandle. Itsho ne weather." Me: "I am. Ungamxelel Tata." Namhla: "hm..I'd join you but ndiyabhala ngo 9. Love you sweetie. Behave." Me: "good luck." she went to bath. Before ndibhaqwe I left the house real quick. Another thing ebendiyonqena yila talk with my dad. Especially about seeing him bruske naked with my mom, grinding in bed. I can't even, relive that moment. I got to the bustop ndakhwela as usual but ndayohlika Humewood going up to Lindi's flat. It was hot as hell. She was by the gate. Lindi: "sgwegwe." Me: "don't make fun of me." Lindi: "you know ume Kamandi nje, don't be shy." she kissed my cheek and we walked down. I was texting Sbosh on the side. Lindi: "how was the night." Me: "it was beautiful. So amazing, yonke nje into ibintle!" Lindi: "details." I told her about the night and everything. Lindi: "I'm glad you enjoyed hun. Luks wathin yena?" Me: "Luks was being himself, well-behaved and professional. So was Lubby although he kinda snapped a few times because people didn't want to leave him alone. Yoooh, oko ekrwecwa Va. But through it all, he still gave me time, paid

attention chatted to me like a normal person." Lindi: "and...." Me: "and he took me home, as fiiiine as he was looking. I had to declined his kiss because shit would've gotten real.. Ndimfake uBaby Bambino kiss on the lips qha." she laughed. Lindi: "shame man. I'm happy for you love. Soqala siyotyaya?" Me: "yeah, sbosh usendleleni. She called in sick emsebenzin." we giggled. Sometimes we just need a break from life. We took a taxi to Summerstrand the Boardwalk. Deciding where to have our breakfast. Me: "I have a friend, Rene. Khame ndimbize, its been a while." Lindi: "sure. Uzobanjan wimpy?" Me: "that's cool." I made the call waphendula Rene. Me: "angel. I'm in Summerstrand, with my girls, day off. Are you game?" Rene: "aaarg, I have an appointment at 10 another at 10:30 then my afternoon rounds." Me: "awww, okay hun. Miss you though." Rene: "me too, hey how about this weekend?" uhm...yeah, you see the thing is I hardly go out, when I do its one of those 'hey I wanna make the best of this because I'm not used to it.' Weekends are reserved for my babies only. 😞 :(Me: "okay sweetie. We'll talk." Rene: "bye." I hung up. Lindi: "busatsho ke girl." Me: "so Lukhanyo walks up to me, endihlebezela ukuba kukho some picnic with the kids, cela ndize and all that. Sincokole kubuye Lubby. Ahambe Luks. This morning xandilight phone. I'm bombarded by texts. Jonga." I showed her. Lindi: "ncooooh! Adorable." Me: "uh huh? Until I realized, kuksasa and akhang afike, ndim lowo ndibila ikhwapha panicking and calling him ba mayiphendulwe yicherrie andibuze Ndifuna nton." Lindi: "suxoka!" Me: "I'm telling you peto." Lindi: "wena wathin." Me: "I said never mind and hung up. Clearly he is doing better than okay, not rolled up under a truck, or in the morgue or in icu!" Lindi: "and this bothers you?" Me: not at all. He can have all the fun in the world, qha what I don't appreciate is him making indlu yaka mamam a hotel." Lindi: "sweet stuff. Like a plane needs a flight attendant, a hotel needs a hostess. You offered space for him and that is why he is comfy at your moms house." Me: "so I must chase him out?" Lindi: "what I say don't even matter because when Lukhanyo stands in front of you, You make him Your Majesty." Me: "I don't do such." Lindi: "aha! Making him a floor bed, tick. Bathing him, tick. Feeding him, tick. Spooning him, TICK!!!" Me: "that doesn't mean a thing!" I pushed her playfully. Lindi: "of course not. A thing could be something." Me: "you're being a bitch to me today." she laughed. Lindi: "sorry ke sthandwa. This nigga confuses your mind. You don't even know, what to do." sbosh arrived. We hugged her and briefed her on our discussion as we walked to Wimpy safika sangena.. Me: "I would love some waffles." Sbosh: "okay, Lihle, you're my friend. I am only telling you this because I don't want secrets between us." Me: "what's up." Sbosh: "he once came to my place efuna uChuma enxilile. Ndamlalisa instead because it was 4am." Me: "what's happening to him?" Lindi: "ukhumbula abantwana bakhe." Me: "enxilile?" Sbosh: "or

he's probably lonely." I ordered my waffles with syrup. Plus breakfast on the side. Yes I was gonna finish it. Me: "why are you guys staring at me as if I am a piece of bread." Sbosh: "he misses you." Me: "that's bull. He's happy with his girl, I'm happy by myself." Lindi: "but he misses you." Me: "shame." Sbosh: "don't be so hard on him Lihle. You know him better than anyone in this world, he needs help-" Me: "His girlfriend, must provide that help Sibongile. We've been through too much. Him, out my life, is the happiest time I've ever been. Okay? Cool. Change of topic, you-" Lindi: "last night..." Me: "no." Sbosh: "what happened last night?" Me: "Nothing." Lindi: "she was at their function. Dressed in a rather....heart warming evening dress. Appeasing to the eye." I rolled my eyes. Me: "did I tell you Lukhanyo tried sowing it together with his hands kwesa slit?" we laughed. Sbosh: "legend." Me: "anyway, let's roast....mfazi umqibele nin uMandy?" sbosh: "ebefun number yakho." Me: "why?" Sbosh: "didn't ask. Bendi busy that time. Call her." Me: "maybe later." our breakfast came and I started chowing. I noticed Sbosh stop eating wajonga ngaphaya kwam. Then back at her plate. Sbosh: "so, chuma's birthday is coming up. I was thinking that maybe, siyenze pha kum endlin." why was she uncomfortable? I looked back and saw Lukhanyo sitting down on a chair. With this girl. He couldn't keep his hands off her, begigitheka. Sbosh: "should we-" Me: "no....we got here first. Niyambona ke bethuna Ta Luks wenu webhongo. Does he look like he misses this old hag of a wife? Nope. Topic closed." I carried on stabbing on my breakfast. While we chatted lightly with my babes. Ndava ngez'qhazolo. I breathed in and out. I knew I had anger management issues, I forgot to take my medication Too. Waphinda lomntana. Me: "maybe we should go. Before I snap. Someone's head off their neck." she went on again, laughing out loud "stop it baby!" My God, all I ask is patience. Besenohleka, we don't mind. But she was too loud, I really wasn't the only customer that minded, matter of fact I was calm. Like a respectable person, I will walk away. We got the bill sabatala and got up. I wore my shades, puffing my hair into my face ndizama uzifihla. As we walked out he called Sbosh. Luks: "andik'bon fondin. Hamba nab....." I could sense him staring. Ndaphuma kwangoko and walked as quick as possible. Lindi with me. Luks: "ngu Lihle lo hamba naye??" Sbosh: "no." Luks: "I think ndiyamazi uLihle xandim'bona. And Nguye lowa. Ufuna nto apha? What about school? Uyaduk'sta ngoku?" sbosh: "no, we're just having breakfast." Girl: "baby ngubani lo-" Luks: "khome kancinci Zanele. Sbosh, kutheni kengoku ez'fihla kum?" Sbosh: "andizoyazi Ta Luks, I have to go-" Luks: "niyaphi?" Sbosh: "She's going back to school, nam ndiyagoduka." Luks: "oh. Kay ke. Sharp." Sbosh: "sho." she walked away. Luks: "umchazele ndithe hi!" Sbosh: "k." Zanele: "and then? Ngoban oLihle?" Luks: "ha.a Zanele, sek'then ngoku uz'shova ez'ntwen zam? Hayi ungandiqali please." meanwhile

Sbosh caught up With us. Sesipholile siyongena eBoardwalk, play either ten pin bowling or pool. Maybe the casino, gamble a bit and you know. Have fun. Sbosh: "he says hi." Me: "alright. Lindi, how come I never see you with a man?" Lindi: "because Men are stress. I live happily by myself." Sbosh: "don't you have needs?" Lindi: "not lately...no. Its been a while." sbosh: "two weeks kum. S'bu has put me on punishment for a month long." we laughed. Me: "damn why?" Sbosh: "some shit I'd forgotten. Wathi if I'm sexually frustrated I'm gonn remember things better. I have a crazy boyfriend guys. Really crazy." Me: "mna its two months. Last time it was with Lubby, I got a period. We panicked. But I'm fine." Lindi: "and." Me: "do you even have to ask." Lindi: "caba that anaconda don't play." Me: "it don't have time tshomi." Lindi: "kodwa uyibalekile izolo." we laughed and walked in the boardwalk. I looked at the shops left and right. I wanted to own something like this one day. My own shop. This is not a pipe dream. I'ma make it happen. I looked and saw someone walking our direction, wandibona naye. Our eyes locked. I was surprised...what was....He doing HERE?

Luks: "so sleeping noLubabalo was revenge to what I did? Pretending to love him, ubufuna undinyisa qha?" uwoah. I have no time for this shit. Not today. I was supposed to be resting and chilling and having great kick ass off day. Luks: "Lihle, You hurt me just for revenge?" Me: "I don't want to talk about this. Go home and chill out. Stay away from utywala." Luks: "I never hated you. Ndandisoyika that wena you hated me instead. For everything I did.....and you hated me for not being like Lubby. Hated me for not being perfect." Me: "you don't have to be perfect for anyone. Just be your best." Luks: "so...is it true. It was just revenge? Can we-" Me: "no. No we can't. And its not true. Uyaxoka uSiphelele, ufun ukukhubekisa qha." Luks: "can you just hear me out?" he pulled me closer ndamjonga. I couldn't do this. He was too close. Me: "I'm sorry." Squeezing the life out of me, his face buried in my neck. After a very long time. He pulled back. Luks: "I guess this is goodbye." Me: "and good luck..with everything." Luks: "you too."

I walked back to the house and he stayed where he was. Then got up, climbed in his car and drove home....

Hlumi: "what's wrong?" Luks: "I forgot my kids!" he jumped to wear his pants. Hlumi: "forgot? Where!" Luks: "I'll call you later babes." he kissed her and ran out. Hlumi: "your shirt!" Luks: "keep it." he started the car and sped off. Starting in Ford to take a t shirt and then to Motherwell as fast as possible. Parked his car quickly running to the door. He knocked. I got out of bed and walked to the door. Me: "ngubani?" Luks: "ndim..." I opened the door wangena. Luks: "I am sooo sorry." Me: "its okay." Luks: "what do you mean? You're not mad?" Me: "no...I saw the papers. You're a busy man and hard to get hold of. I'm the one that's sorry." Luks: "sebelele abantwana?" Me: "yeah." Luks: "can we make a date for ngomso." Me: "I won't be available ngomso, ndiya eHumewood, but you can take the kids though.." Luks: "uya kuban eHumewood?" Me: "Lindi. We're studying kuye, because siyabhala Tuesday." Luks: "I'm just asking for two hours." Me: "your kids would appreciate that time with You." I gave him a tissue. Me: "lipstick on your face." ndabuyela eroomin. Luks: "Lihle.." Me: "Lukhanyo its late. Go home ubuye ksasa. I'll have the kids ready by 9." Luks: "let me explain." Me: "you do not have to. We made a promise last night not to interfere in each others' lives. I'm keeping my end." he sat on the bed. Luks: "phone yam ine problem. Andiyazi ukuba itheni nam." I didn't know what he wanted me to say. Honestly eyam iworry bingabantwana aba balele bene ntliziyo ezibuhlungu. Me: "ok." Luks: "can we talk?" Me: "about?" Luks: "everything. Nguwe wedwa umntu who can understand me and what I've been through andikaz'boni ndincokola ngento zam nomnye umntu ongakhathaliyo." Me: "Ndikwenzele something? Coffee? Tea?" Luks: "coffee." I got up ndayokwenza coffee for him and tea for me. Ndamnika. We sat on the bed. The babies were fast asleep. Kwavuka Lubambo. I put him on the bed wasibukela holding his rubber toy. Luks: "date yam yase court this Thursday." Me: "you're nervous?" Luks: "yeah...what if I go to jail Lihle? Bazothini abantwana bam

Me: "Lukhanyo, you honestly need to stay positive. The kids have me, we promised soze sibaxokisele mos before, no matter what, but they will understand and accept the situation." Luks: "but I just started a campaign. Izophelelaphi yona? The orphanage home I was going to build? I just ruined every damn thing in my life and andikwazi uzikhupha." Me: "you can sign over the business to your brother Luzuko, he'll take care of that. You didn't ruin your life. You did what you could, to survive. At the time bungay'boni burongo lonto, nam as time went I ended up ignoring that fact, There's no way we can avoid it now." Luks: "andisayazi anymore Lihle. I don't think I want to be in jail." Me: "Have you tried Uthetha ne lawyer yenu?" Luks: "yes." Me: "and? Still nothing." Luks: "everything he gets hold of, every loophole, the cops covered. Even he is out of options." Me: "I have faith you'll pull through, ndim'thembile uLungelo." Luks: "ndine stress nyani. I can hardly focus on anything." Lubambo held his t shirt and pulled. His father kissed his mouth and nose. Me: "There's no way I can help you, but ndizok'supporter though." Luks: "will you come to court?" Me: "ndizobe Ndise skolweni." Luks: "you ditched school to go out with friends and you can't do the same for moral support. Umnyeni wakho Lihle. Some wife you are." Me: "yeah about that...should I contact lawyer ye-divorce?" Luks: "you want to serve me divorce papers in jail?" Me: "not necessarily, but we can't stay married by name forever. I need to move on with my life, like you have." Luks: "kukho umntu dun?" Me: "no. I was thinking of being by myself for a while." Luks: "why." Me: "I'm tired. I need a rest from relationships because zonke ezam just explode in my face." Luks: "so ufuna uba single because of a few bad relationships? Izok'nceda entweni lonto?" Me: "and changing from man to man? Izondinceda entweni lonto? I just need to raise my kids." Luks: "you've got a point there." Me: "I'm not like you...andisenalo ixesha to fight and beg and plead." Luks: "and I don't want you to do that. Uright ube wedwa..kungabikho mntu uk'phazamisayo." Me: "yeah, so what's your conclusion? Do I call or you will?" Luks: "ndicela sime kancinci, just until this whole court thing Is over. Please?" Me: "ok." he kissed Lubambo. Luks: "usakhumbula Luthandoluhle bese ngaka?" Me: "yooh. Ndiyakhumbula kwakunzinyana Va." Luks: "worse wayethanda udlala uLutha, ndingamazi utheni. Calmer than Luhlle too. Me: "you'll be fine." he took Lubambo on his chest wanqenqa on the bed. Luks: "kodwa I'm making it up to the kids tomorrow, you have to come." Me: "I had actually prepared for today. Tomorrow I have plans." Luks: "I'm ouchea begging." Me: "not gonna work." Luks: "I know of a way it could." Me: "uh huh? I would like to see you try." he got up and put Lubambo in his cot then walked to me. I put my cup down and slipped away from the bed. He chased me, cutting my shortcut. I ran the other direction he grabbed my arm and lifted me up with the other. We fell on the bed laughing. Me: "I'm still not saying yes!" Luks: "really now?" he tickled my rib ndamkhaba. He laughed. Luks: "hewethu, sihamba kunye ngomso. Ufane wangu John Cena." Lutha: "hayi Tata!" he climbed on us. Luks: "ewe man nyana. Ndidikiwe kucenga. Unjani?" Lutha: "ujani." Luks: "ndiright mna." Luks: "ithi kumama siyahamba Luhle. Mxelele." Luhle: "yamba mama." Luks: "even your daughter is asking Lihle, sungcola." he went to fetch Lubambo again. Me: "I can't just cancel my plans for you Lukhanyo." Luks: "I'm sorry for namhlanje. I really am." Me: "we spoke about this last night. No intervening in each others' lives remember?" Luks: "yes. We did. But, as friends? we're parents. Singabazi tshomi Andithi?" Me: "no." Luks: "kutheni u-difficult kangaka kum?" Me: "andikho difficult. High five boy!" he high fived Lutha and Luhle. Kissing Lubambo's forehead. Me: "you're crazy. Itheni phone yakho?" Luks: "ayilight. So now, I'm using this one for a while." he took out a Samsung phone. Me: "hm. Okay." Luhle:

"khami" she swiped her finger on the phone. Luks: "wenzanton?" Luhle: "akhumbuli Bubu." oh my goodness! Luks: "did you hear that?" Me: "uthini mntanam?" Luhle: "khumbuli Bubu." Me: "ncoooh! And watch daddy in progress." he threw a teddy at me. He took hem on the floor with toys and tied a blanket around his neck acting like superman. 🤩:v I sat on the bed and took a picture of them playing. Luks: "you know ungas'joiner right?" Me: "I'll stay right here." Lutha and Luhle were running around in circles singing about rings and roses. Lutha: "Iza Tata!" holding his hand. They ran around together. Luhle: "Iza mama!" Me: "no-" Luks: "yes!" he pulled me and we did the dance around Lubambo. Me: "guys, abantu balele." Luks: "yonke nje into endiyi suggestayo you say no, like you're gonna have to pay for it." I didn't know what he was getting at. But I guess friends wasn't bad. We could manage it. I took Lubambo back up. Me: "yozela ke Le." Luks: "he looks more active as hell." Me: "akafun lala." Luks: "mncancise." Me: "no. He's fine. Iphi dummy yakhe?" Luks: "he doesn't want a dummy." the twins were screaming and playing. Me: "hey!" Lutha: "mama!" Me: "uyangxola bhabha. Bambi uzolala." Luhle: "shhh.." I sat down with the baby. He sucked his dummy wandijonga. Ey Ndiyayazi ke leyam ayisoze ilale without entertainment. Luks: "himani. Yooh, Tata unomqolo." he flopped on the bed. Luks: "khanizolala. Kudala ningxola. Come." he pulled them up on the bed. Singing for them. For about 10 to 15 minutes everybody calmed down. They were falling asleep. Ndayobeka uLubambo. The twins slept. Luks: "goodnight bantwana bam. Utata uyanithanda nonke ne." he gave each of them a kiss. I took the cups to the kitchen, giving him last minute privacy with his kids. I washed the cups ndazulisa kancinci. Umntu akade aphume. I went back to the room. Me: "awusoze kaloku sana." he chuckled and opened his eyes. Luks: "yadika Va. Ngok sendilele" watsho ephakama. He untied the blanket/cape and wore his shoes. Luks: "I guess ndizok'bona ngomso then." Me: "goodnight." I opened the door for him waphuma. I locked and went back to bed.

Lubby woke up the next morning feeling refreshed. He took a quick shower and dressed in casual jeans and a plain t shirt. Running to the kitchen. Luz: "what's gotten you into such a great mood." Lubb: "andizobakho namhlanje ndicela undijongele phe roomin. I'll be back late." Sylvia: "washing ikhona?" Lubb: "yeah, I think." Sylvia: "okay." he sent an SMS to Lihle. Lubb: "good morning angel face, have some great news. I'm allowed to see my boy today. So ndizoya khona this afternoon." Reply: "congrats hey. I hope you enjoy each and every minute of your day! Lubb: "yes please." Zakhele took out a pan and some eggs. Luz: "Yima! Tata uzoyenza?!!" Zakes: "ngunyanam lo. Ukuba uthe ufuna i-omelet eno Yesu enzwe ngomqam'lezo wase Jerusalem. Uzay'fumana." Luz: "kodwa mna zange wandenzela." Zakes: "wandicela?" Luz: "well....no." Zakes: "uzoyeka usuza ngomlomo Hlala pha phantsi. Uph uPhakathi?" Lubb: "endlinakhe." Zakes: "wenzantoni yedwa pha?" Because if you go down, he goes down too!" Lubb: "why are you hollering at me? Can you keep calm? I said I'll take care of it." Luz: "how Lubabalo!" Lubb: "fondin yinton ngawe?" Zakes: "okay...khanimeni ngo-" Luz: "do you realize that you keep ruining your brother's life!! Awuna stop! Ngoku umsa etrongweni for what? Heh?" Lubb: "God, please...please, restore my patience." Zakes: "luzuko." Luz: "yinyani mos Tata, hleli nje Lubby ucingela yena nangoku akakathali ngoLukhanyo. If he's comfortable everyone else must live with it and be okay." Lubb:

"wow Luzuko. Just Wow. Out of the fucking blue you appear and suddenly you're a damn expert in our lives! Awazi NIKS between mna noLukhanyo! Reason why I don't include him is because HE is NOT included! I by my fucking self am pleading guilty and that's what we agreed on noLungelo. Lukhanyo's statement still remains as akazi niks! He is off! Ndim ozobanjwa. I hope you're fucking happy! Uzohlala ke noLukhanyo ndingekho." he took his keys and stormed out. Zakes: "Lubabalo!!" Lubb: "I need air Tata! Ndidikiwe hleli nje ndijongwe ngamehlo abomvu k'le ndlu. Nento entle endiyenzayo imbi! Even when I'm helping I'm destroying! Always funeke ihlale indim okhubekileyo wonke omnye onwabe. Onwabani ke for the next 10 to 15 years!" he shut the door. Zakes: "yinton ngxaki yakho noLubabalo?" Luz: "andinangxaki mna naye Tata, but he always seems to be crushing down into zika Lukhanyo." Zakes: "umvile mos uthe he'll take care of it, yimalin umbuza kakuhle njengo mminawa ba how? Instead you shun him down like an outsider qho uyamngxolela." Luz: "andim'ngxoleli mna. Nguye oske wathwasa!!" Zakes: "kwedin!! You better turn down your voice ndingekak'dibanisi nela donga siyavana? Lubabalo ngu mkhuluwa wakho, whatever ngxaki onayo naye yisombulule kuse mhlophe phandle, kungeka nyiwa!" he dished up his egg and walked out. Zakes: "Lubabalo!!!" the car started and drove out the driveway. Zakes: "Bhele!! Izapha!" Lubb: "ha.a man Tata. Yoh." Zakes: "awuhambi apha, ningathethanga noLuzuko. Iza." he opened the car door. Nawe uli tontsi Le dish wash." Lubb: "andinguye mna Tata. Kwasoloko xa ebona mna I'm a fuck up! Not nakanye sekhe wazama undimamela. Always ngu Lukhanyo ophambili. and this time I'm trying to take the guilt for the family kungabikho problems and here he is wearing his judge Judy suit screaming down my neck about how bad I treat people. Tata I know I'm not Jesus, I know I'm not perfect, I don't want to be. Its too much. But I try to do good for others too. Kutheni nje ingabonakali lonto?" Zakes: "because problem yakho is impatience. Not everyone receives your goodwill on time. Ngelinye ixesha funeke ukhe uphole and just let things be. Not wonke umntu uzok'thanda unconditionally, abango mamakho. So kakade bazodikwa noba sow'senza kakuhle, ziz'denge ezime ndaw'ninye subana xhala. Kodwa funeke uyeke ubaleka ingxaki zakho. Xa uxabana suyenza lento yohamba kungekho right endlin. Thethani kakuhle nilungise nicele amaxolo. Zinintsi izinto ezinokwenzeka pha estratweni and you'll never be able to say sorry." Lubb: "Tata, ndikhaw'leza ndibenomsindo mna. I have a short bad temper. I would strangle someone to death ngento encinci, yilento ndiske ndihambe kemna.

Ndiyayazi ndithetha 20 kodwa when I'm mad, I attack. Andifuni u'hurtisha uLuzuko." Zakes: "awuzoyenza lonto. Ndiya understand unomsindo kodwa relax and breath. Ungene k'landlu uyothetha ne tontsi Le dish wash yakho. Uhambe kengoku emvakoko. Sapha esi stixo." he took the key out the ignition and walked to the house. Lubby sat in the car for about 10 minutes then got out walking to the house. Lubb: "Luzuko." Lusko stared at him. Lubb: "I'm sorry." Luz: "are you?" Lubb: "ewe, I am. And I'm sorry for the way I spoke to you. Yayazi andithand ukulwa. Especially nawe, so once we're calm we can talk it through." luzuko sighed and looked the other direction. Lubb: "cool then." he walked back out taking his keys again. Zakes: "Lubabalo-" Lubb: "No Tata. Not this hour." he got in his car and drove out...

The R8 pulled away yemka kanti ngu Luzuko. Out of the Mini Cooper, this gorgeous lady had climbed out. Enxibe black platform heels and a short black dress. Her Indian hair tied up in a bun wakhulula shades. "Lukhanyo." Luks: "uhm..Hlumi, hi." Hlumi: "what are you doing?" she chuckled. Hlumi: "what happened last night and this morning?" now, I didn't know what to do exactly. I'm just the baby mama anyway, and the last thing I have was the stage. So ndavula umnyango. Hlumi: "sorry girl, uyaphi?" Me: "ngaphakathi endlin." I replied. Lukhanyo kept his mouth shut. Hlumi: "Lukhanyo, who is this?" Luks: "ngu Lihle babes." Hlumi: "Lihle waphi?" Masilale Mandla." they got into bed and cuddled. Mandla couldn't sleep because he was anxious to know what was happening and Khanya was a light sleeper, if he got up she'd wake. She made sure to wrap her arms around him. Although the car didn't seem to have left or did it? While they were sexing? Didn't he hear? He was overthinking by then and out of options but to sleep. Just before 7 the next morning his phone rang. It was lucky. Mandla: "sho." he answered. Lucky: "hayi vuka Mjita, igarage ikhamise kangaka uphi Dan!!" Mandla: "yese! Motwam ise lapho kawu?" Lukhanyo was up early in the morning. Spent over an hour in the shower came back into Lubby's room to dress. Lubb: "don't look so depressed. You're freaking killing me bra." Lubb: "and if you say that one more time. I'll knock you into next Tuesday. I get it. We're moving over it. Its cool." someone knocked on the door. Lubb: "ubutixile?" Luks: "yeah, andikhose moodin yabantu." Lubb: "me neither. Myeke uzodinwa." he got out of bed to shower and came back 20 minutes later wearing shorts to a deeply miserable brother. He was sitting on the bed staring into space. Lubby sat next to him. Luks: "nxiba fondin." Lubb: "ungeka nxibi wena? Sundinyela." Luks: "I don't know what I'm gonna do Lubabalo. I don't fucking know what I'm going to do!!!" he sobbed. Lubb: "Lukhanyo don't do this to yourself." Luks: "I fucked up! Badly! And I can't even fix it anymore." he hugged his brother. Lubb: "We'll fix it. Let's get over this day first. Asikwazi urusher izinto. Today, is the last

day we see our father a free man. We're losing him to prison, masiqale ngalena, after today, like taka Soma said, focus on building ourselves. If you want to be back in her life you better make sure you're a changed man. And you can't change with a couple of tears this time. You have to try harder mfo. Do this for You, before doing it for the world. Uzoba grand as time goes. Just don't rush things. Stop crying Lukhanyo, nobody believes me when I tell them you can cry because they never see you cry. Ndim ndodwa obona lentlungu. And I don't give a fuck, I cry in public okay? What people think does not pay my house bills. I don't need their opinions, I'm more real than a couple of these fakes. I do what I like. But this is not about me, its about you Depressing me in private, causing me to burst in tears in public. So stop!" he took the sheet and wiped his brother's face. Lubb: "andingo mamakho mna. Do you want food?" Lukha shook his head. Lubb: "okay, fruit at least? Then We'll go out to jeffrey's bay for lunch xa siphuma. You always say I don't take you to nice places." Luks: "ok." Lubb: "cool." Zakes: "makwedini!!! Vulani lomnyango!" Lubby opened the door. The baby twins ran inside excitedly. Zakhele came in the room with Lubambo in his arms. Lutha: "Tata! IPhi mama ka utha?" Lubb: "Luthando, khandiphathele pha kwedin. Iza nezaz'hlangu." Lutha: "hayi. Funi mama." Lubby took out his navy shorts and blazer. Zakes: "hehake yesu." Lubb: "hayi Tata. Ha.a. Woah." he went into the closet to dress. He came back a while later. With a gold walking cane in his hand. He was dressed in his navy slim fitting shorts, a white shirt tucked in, gold chain and his navy blazer. He wore white long socks and a navy blue gentle man slipper with gold threads. Luks: "and the walking stick?" Lubb: "ziphi leather gloves zam?" Luz: "they won't let you in court with shorts." Lubb: "Kukho mntu othethayo? Sounds like flies buzzing, Luks, your turn." Open mouth." Lubby opened. Sebas: "good. You can close. I thought you had gum like the last time." lubb: "Okay. Okay. Dad, dad, relax! Its not my first appearance in court, I got this." Sebas: "I know, but you have to get rid of your smart mouth. Your lawyer answers, until they ask you to, you keep quiet." Lubb: "okay." Sebas: "and the cane?" Lubb: "its a fashion statement. Nobody else in that courtroom has it, even the judge will be jealous. You just watch." Sebas: "where is my Lukha? I have given up on this one." Zakes: "I see you're taking all my sons Sebastian. I'm not even gone yet." Sebastian laughed. Sebas: "I wouldn't dare." Zakes: "could have fooled me." Lubb: "umona Tata." Sebas: "I'm too used to Andrew. He's my first. So you'll have to excuse me on that point." Zakes: "hm. Thatha Lubabalo unyanakho." he gave him the baby. Lubb: "Tata this is so insensitive!" he had dressed the baby in a black and white prisoner overall. Written '9 months inside.' Zakes: "my number one supporter. Lukhanyo phuma!" Lubb: "my goodness this is bad. Bantwana bam masambeni. Come come come. Let's go!" they walked out to the lounge. Breakfast was being set on the table. Somasonwabise and their father were waiting. Soso: "haibo? And then?" Soma: "ngqina lam libuyile kwedin! Hahahaha! I love the stick bruh, I must get myself that shit." Lubb: "its about time my Australian accent became British don't you think?" they laughed. Soma: "Certainly Mr Morrison." everybody sat down in the table to eat. Lukhanyo came out dressed in his navy shorts too, maroon suede shoes, a maroon shirt tied up to the collar. Soso: "wow. Nizojikiswa Nina e-court shame." Lubb: "you look proper Mr Mzinyathi." he said in his new accent. Luks: "why, so do you sir." after breakfast. It was time to go. Luz: "ndizoqala ndiyo dropper abantwana e-creche. Then ndibuye." Zakes: "uzosifumana phambili nyana." luzuko took the car seat for Lubambo in the front, the twins in the back seat. Luks: "luzuko." he pulled him aside privately. Luks: "undibulisele kumamakho." the baby held his shirt, putting his little head on his chest. Luks: "I love you." Luz: "twins zona?" Luks: "ndibafownele k'la creche and gave them number ka mama ka Lihle. Bazofowna bacele kulandwe abantwana, she will convince Ta Seez to fetch them. Problem solved. Bantwana bam bakhumbula umamabo luzuko. I can't answer their questions." Luz: "okay. Fine." he took the little one. Lubambo started crying. Luks: "oh Nkosi yam. Kham'zame man Lusko. Yoh." Chapter 730

The judge looked at his papers and pushed his spectacles up with his index finger after he heard both arguments. He stared at the twins. Lubby stared at the door pouting. Judge: "Mr Morrison." Lubb: "Your Majesty." Judge: "Mr Mzinyathi." Luks: "yes, Your Honor." Judge: "would one of you kindly explain to the court your line of work." Lubb: "My Lord, firstly I am a qualified civil engineer, previously running the Morrison empire in Cape Town, its a family business, my brother here, is a business man. He works with organizations and raises funds for charity. Hello." judge: "when you say previously, what do you do now?" Lubb: "well, with some money I'd invested, I decided with a friend to start a company. We created a software together. sold it to another company for revenue and we're focusing on rebuilding small companies, your worship." Judge: "interesting. So the 22 million discovered in your basement has nothing to do with you?" Lungelo: "Your worshi-" Judge: "Mr Morrison." Lubby looked at Lungelo then his father. Judge: "Lubabalo Morrison, might I remind you. You're under oath." Lubb: "yes your worship." Judge: "who does it belong to Mr Morrison." Lubb: "I do not know Your worship." Judge: "so, in your house, people walk in and out. Placing large amounts of money in your basement without your knowledge?" Lubb: "I travel Your worship." Judge: "I see. Mr Mzinyathi?" Luks: "yes my Lord." judge: "when Mr Morrison is traveling, are you present?" Luks: "most of the time yes." Judge: "and the other time?" Luks: "I was with my wife and kids at home your majesty." judge: "alright." he looked through the papers again. Judge: "a search was conducted in this house previously, and nothing was brought forward, only recently has this come to light, which, from all your activities is impossible. However, a signed confession is what polishes this mind boggling situation up. With this statement and of course reasonable evidence, we can further conclude this case." he tidied his papers. Judge: "Mr Mzinyathi, Mr Morrison. I find you not guilty of illegal

weapon possession and fraud." he banged down his gavel. There was commotion in the courtroom. After the case was dismissed. The prosecutor spoke again and everyone stood up. The judge walked out. The case was set on a further date for Zakes. Therefore taken into police custody. The triplets and twins left for home. Luks: "so? Did you give it to her?" he asked luzuko. Luz: "bekukho umama wapha. So ndinike yena." Luks: "umchazele ngeletter?" Luz: "khang uthethe nge letter kum. Uthe mandise umntana, ndimsile umntana what more do you want from me?" Soso: "he's gonna crash Somangaye. Kakubi qithi." Soma: "some lessons are best learnt through pain...."

Namhla was in the back, taking the washing off the line. Thulani came out to her. Thulz: "babe?" Namhla: "hey sweetie, ufike nin." Thulz: "just now, Lubambo uze naban?" Namhla: "uziswe ngulamfana wosthathu. Elinye wele." Thulz: "oh. Uphi uLihle?" Namhla: "ugqirha besinike pills ze depression. And uthi yena zimenza dizzy. So ulele." Thulz: "okay." Namhla: "kodwa its been about 8 hours elele. So funeke ndimvuse atye angahlelwa yi pressure ebuthongweni." Thulz: "suyithetha lonto Namhla please. Ndizayomvusa, Iza nokutya wena." he walked in the house to the room. Walking inside. Thulz: "Lihle?" shaking my body slightly. Thulz: "mntase vuka kaloku." I went further in my blankets. Thulz: "at least itya ke? Lihle its been 2 days, please say something." I couldn't open my mouth, matter of fact I didn't want to because they'd pop a pill inside and I don't need that type of negativity. I was not depressed. I was just quiet! Why the hell couldn't they understand I want to be alone! Thulz: "Lubambo ukhona. He misses you." he was lying. Lubambo was gone. He wasn't coming back because if he did, I'd be taken to jail again! Namhla came in. Namhla: "and?" Thulz: "akafuni. Sizokwenza nton? Akajiki even xandithetha ngoBambi." Namhla: "Lihle, you have to eat! Ayikho lento uyenzayo! Uzogula apha ubuyele sbhedlele! Is that what you want?!" Thulz: "sum'shouta man Namhla kaloku. Akaphilanga lomntu." Namhla: "akacengeki Thulani! Sithini?" Thulz: "Lihle, uLukhanyo uyeza. Uthi uzok'landa ke, and cela uvase une surprise for wena." no. Namhla: "what are you doing?" Thulz: "it'll either scare her awake or make her happy." he whispered. Me: "uphi?" Thulz: "uthi usendleleni. So ke funeke utye, uvase, unxibe fancy. Ubemhle njenge sqhelo. Nanku noLubambo, uyakukhumbula. Phakama." I got up and sat on the bed. Namhla gave me food. I ate the porridge slowly. She stared at Thulani. Thulz: "qiba kwakho uzovasa ne?" I nodded. After I finished eating he took the bowl. Namhla took me to bath. Ndavasa. I went straight back to my bed. Thulz: "Iza noLubambo babes." she brought my son. I was almost too scared to hold him. What if they took him away again? A tear rolled down my face,

the moment he saw me he smiled and kicked about. They gave him to me. My arms shaking. Lubambo: "mmmm." Me: "hello." I smiled and wiped the tear. I hugged him wasuza. And I giggled. He was staring at my head holding my left ear. Namhla: "awubawel umtshintsha napkin?" she gave me wet wipes, a diaper and some powder. Thulani left us while I took off my baby's clothes. Took off the dirty diaper, wiped his bum ndalungisa Eli clean. A paper fell out. I stared at it. First deciding ndinxibise Luba then I opened the paper. He rolled over on his tummy and grabbed his toy. This was a letter. Namhla: "yifunde peto." Me: "why." Namhla: "sometimes in order to move on, you need to forgive, just read it." I started reading. Dear Lithembelihle, before you throw this out the window, hear me out. Ndim uLukhanyo. I want to tell you I'm sorry. I don't need to explain why I did what I did because you already know. You are the only one that understands and I realize that I've abused your goodwill ngenxa yale mentality yoba uzohlala undixolela. I never wanted this for us. I was blaming myself, the world and everyone else kodwa ndim ingxaki. There is no way I can erase your pain. Although I would like to make right, it is too late. Again, ndicela uxolo. I've been up all this time thinking of everything we've been through. The day we got married, the day I left you at the hospital with our kids, the time you knew something was wrong and came back to save my life. Sahlala, wandikhuthaza, wandithanda, wandiqoqosha. Mna ndakumosha. Over and over again, treating you kakubi. Pouring you with insults nesandla esibuhlungu, the same hands that hold our children ngothando. I am sorry. I am sorry I lied. I am sorry I cheated. Because ndiyavuma ndim owatshisa umtshato wethu. I left you to fend for yourself kodwa ndim owakukhupha esikolweni. I am sorry Lihle. Even after sendisenza izimanga. Wanyamezela and kept quiet. You protected us with all you had and I wish I could have the chance to protect you the same way. I didn't take that chance. Of course uwele uLubabalo, only God knows why but he was there when I wasn't. I still don't accept it, sucimba kumnandi. I should have protected you, like you always did xakufika amapolisa ezondifuna. Supported you like you did when I couldn't cope. Truth is, I never knew I'd lose you, matter of fact, I still can't believe it. it still feels unreal that's how much I'm used kuwe. Yeah sure funeke ndiqhubekeke ndingaphalali phakathi kwabantu bandibone ukuba ndiweak when it comes to you. Kunzima Lihle. I know chance yethu has long left. I'm not writing this to convince you to take me back, qha bendifuna net ukuthi I'm sorry. Since I'm not allowed near you. This was the only way. You still have a special place in my heart Mrs Me and nguwe wedwa. I love you. I wish you the best in life, you deserve that much. Take care, Luks." I folded it back olahlobo lwayo and put it in my drawer...

Chapter 731

Saturday morning, I woke up feeling a lot better. Everyone was still asleep endlin. I went to brush my teeth and wash up before the kids woke. My father walked out my mom's room while I started with breakfast. Sizwe: "wenzantoni Lihle." Me: "kutya Ta." Sizwe: "umvile ugqirha uthe you must take things slow." Me: "its just breakfast Tata. I won't have a heart attack." Sizwe: "okay. Xa ungaziva right uhlale phantsi ke. Don't force yourself." Me: "alright." once I'd finished with the food. I went to the room kuLubambo. He was playing with his blanket. Me: "hello Lubambo." he stared at me and smiled dropping his blanket. I made my bed and sat down to calm. A slight headache was developing. The first twin woke up. Luhle. My father came in again to check on me. Sizwe: "ndithe kuwe to take things slow. Awuva ngxaki yakho." I didn't want to sit here all my life. I had to do something. Me: "abantwana bazohamba noNamhla Baya kwi birthday party ka Chuma." Sizwe: "wena?" Me: "andifuni udika abantu by being a bore. So rather ndihlale apha endlin." he shifted uncomfortably. Me: "yinton Tata?" Sizwe: "I'll have to cancel plans bendizenzile nomamakho ke. Its

fine." Me: "Tata, I'll be fine. Ndizohlala noLubambo, We'll be okay." Sizwe: "andicingi ndikushiye apha kulendlu wedwa. Asoze." Me: "andingomntana Tata." Sizwe: "you damn well are. Ungumntanam. And I'll be damned if I let ezantwana anywhere near this house ever again!" this was a losing battle. Might as well just let it go. Some alone time would be really nice but ke... My mother came in too. Ma: "uziva njani namhlanje?" Me: "ndiright mama." Ma: "good." Sizwe: "erh..Thenji, kuzofuneka siyenze ngenyi min lento yethu, ooNamhla bayahamba." Ma: "oh. Okay." Me: "ndisayovasa uLuba. Iza Luhle." I helped her off the bed and took the baby to the bathroom ndabavasa. I dressed them ndaphinda ndayovasa uLutha ndamnxibisa. I had to sit down again. My mom went to feed them. Ndatyisa Lubambo papa yakhe and his milk eventually he fell asleep. An hour later kwangena Namhla to come tell me uyahamba with the twins. I kissed them bemka. Ndazivalela eroomin. All by myself I opened the drawer and read the letter again. This time slower. I don't know why but I felt like it and I could almost hear his voice while reading it. I could almost see his face. My door opened ndayifaka under the pillow quick. Sizwe: "naku kutya ke baby girl." Me: "Enkosi Tata." Sizwe: "okay, so on Tuesday, you have to be ready, uzokwazi ubhala exam yakho. Is that okay?" Me: "ewe Tata, Enkosi." Sizwe: "good. Lindi uzokuza ngomso to give you notes." Me: "alright." I needed my phone. For sure ikuTata. And he was not giving it back. I felt like ndise rehab. Me: "Tata, iphi phone yam." Sizwe: "ikhona." Me: "can I get it?" Sizwe: "no." Me: "why?" Sizwe: "uzoyithini phone mntanam?" Me: "my friends Tata." Sizwe: "you have everything you need in this house. If anyone wants to contact you, they'll have to get through Me first. Ikhona ingxaki?" Me: "Tata, awucingi mhlambi. This is taking it too far? I mean.." Sizwe: "too far? I let you make grown woman decisions. But always. Always they have to do with ezintwana. Not k'le game. Wipe them out your mind. Until You've detoxed them out your system, you'll be in control again." Me: "dad-" Sizwe: "we're not going to argue about this." Me: "Tata ulukhany-" Sizwe: "ungak'linge ubize elogama kulendlu. Ever!" I swallowed hard. My father walked out the room and I just sat there twiddling my thumbs. I was literally a prisoner at home.

Lukhanyo and Lubabalo arrived at the party. Chuma ran to them. Chuma: "Tata!!" Luks: "heey!" he scooped him up from the ground. Lubby carried the two huge boxes into the house. Lubb: "my Good Lord." he set them down. Lubb: "umqolo? Damn." Chuma: "daddy!!" Lubb: "hello my boy." sbosh: "molweni." Luks: "hey. Ugrand?" Sbosh: "siphilile. Guys ziphandle busy ne braai. Yazi he stopped bullying other kids kuthwa uyazidlalela qha. Your talks with him really help." Luks: "I try my best. Kodwa usafakwa kwi naughty corner?" Sbosh: "obviously." they laughed. Sbosh: "he never stops talking uthi yena umlomo wakhe akana stixo akazow'vala." Luks: "haha...ayiva intwana yakho Sibongile." Sbosh: "ubona kuwe." Luks: "so uhm...uzoya nin pha?" Sbosh: "Lukhanyo let it go. Suzimoshela worse than before. Its just best uyeke kwanto and focus on your kids yeah?" Luks: "the only way I can let go is if she knows and hears my apology. I have to be sure. Even if akandixoleli, which I doubt very much. At least ayazi ukuba it comes from the heart." Sbosh: "and how do you know uzokuxolela?" And inhale positive vibes. Ambonika brother wakho Le tea please." he walked out to the back. Lubb: "any luck?" Luks: "nope." Lubb: "what's next?" Luks: "maybe I should just give up. You could get a loan, use your current revenue." Sthera: "I'm not tryna get bankrupt here, ndiyazazi ndaba ze loan, I've done a course on financial management I'll end up paying double the initial amount due to the current interest rate. Which is pretty fucked up." Luks: "and your income?" Sthera: "my Income is to support my mom and child to live comfortably, I don't want to cut down on such because of desperation." Lubb: "I like that. You're smart." Luks: "so how much were we talking." Sthera: "roughly 15 bars." Luks: "woah..." Sthera: "yep." Luks: "I'm sorry to hear that." Luks: "naaah. Something is off." Lubb: "Lubabalo junior, he is not yogurt, you were not guaranteed to love him." Luks: "he makes me unrest." Lubb: "you don't have to see him again man. Then we hired omnye umfana as our junior, to file and document ezinye izinto. There's a secretary, and also PA ka Lubby." Dad: "iphi eyakho?" Soso: "andiy'funi mna." Dad: "sooo....awunondifaka pha kuni?" Soso laughed. Soso: "no tata. Its basically more accommodating for the youth because bonke abantu esibaqeshileyo are below 30 with at least 3 years experience. So wena uzokwenza nton pha?" Dad: "ndizokwenzi ghadi." Soso: "qala ke business yakho ndizok'nika contract." Dad: "sho skhokho. Khangene." Soso: "ha.a tata don't do that." Ma: "supper is ready. Iza sithandazeni bethuna." They held hands and prayed.

Monday morning, Lubby arrived at the office at 6am to start sorting things out for their meeting. He took out his phone and made a call. Lubb: "uuhm..Jamie?" Jamie: "yes sir?" Lubb: "please do come to the office as soon as possible, I'm looking at the reports you filed and I need something else to be ready." Jamie: "I'll be there in 45 sir." He hung up. Jose walked into the office. Lubb: "I thought we had appointments

scheduled. Why would you just pop up like bread from a toaster in my office? The fuck's wrong with you?" Jose: "I thought I might need space to do our job correctly." Lubb: "why not a bus terminal then? Its too public and the police have less chances of finding you." Jose: "trust me. I can be discreet." He sat down. Lubb: "won't they be able to trace back the location?" Jose: "I stringed a bunch of proxy's to any location I'm in." Lubb: "I don't care if its a bunch of tins Jose. Its making noise! I can't risk my company like that. Listen, if you need private space. I'll book you a hotel." Jose: "good." Lubb: "sit up straight when you talk to me boy." Jose sat up. Lubby booked a room at the Paxton hotel. Lubb: "use the fake I.D I gave you. Here's the money to pay and collect your key. Try not leaving any electronic trails. How long will you take to hack into the account?" Jose: "days if not weeks." Lubb: "Jose, I want my money. No excuses. I swear I'll break both your legs if its not finalized by Saturday midday. Understood?" Jose: "is that a threat?" Lubb: "take it as a friendly promise. Remember very closely who pays your mommy's hospital bill..it would be a tragedy if she didn't make it." Jose: "I'll be done by friday." Lubb: "then get to work son." He smiled. Jose left the office. Lubby took his medication and continued working. Lubb: "this..does not look right." Paging through the financial statements received from the bank. Soso walked in with his twin. Soma: "ekse bra." Silence.. Soso: "earth to Lubby?" Soma: "erh...lubabalo!!!" Lubb: "hm?" He looked up. Lubb: "oh hello. How do you do?" Soso: "ucinga phi?" Lubb: "no I'm just working." Soma: "that's Soso's job and Luks'. Why ubusy zezonto?" Lubb: "I like being in the loop." 7:40 Lukhanyo arrived. Luks: "what the hell bra?" Lubb: "what the hell what?" Luks: "why didn't you wake me up?" Lubb: "I'm not your wife though." Luks: "don't act smart Lubby. I specifically asked for you to wake me up!" Lubb: "I sent you an sms. Where were you at?" Luks: "I was out." Lubb: "aha! Anyway. Can we start our meeting?" Luks: "No! Soqiba ungandivusi, you don't even have the courtesy to iron my shirt like you always do! Now funeke ndisokole mna ksasa ek'beni ndi-late." Lubb: "that is so sad." Luks: "Lubabalo." Soma: "you'll have this lover's tip after the meeting. Did you move in together?" Lubb: "apparently, we're taking our relationship to the next level." Soso: "ubunzima bohlala noSomangaye. I would die." Lubb: "they act like babies, funeke alaliswe avuswe, avaswe. Iyuuh. I have kids mna. My son at his moms place, my daughts are starting day care soon." Luks: "uzama uthin ngam?" Lubb: "nothing my angel. I'll make it up to you. Come. We're 40 minutes behind schedule." They went to the boardroom. Brian, the company lawyer came in. Lubb: "nice of you to actually join us." Soma: "be nice lubby." Lubb: "I'm smiling aren't I?" Soso: "lonto oko sifikile u-sour man. Utheni?" Luks: "ebekhe walala phof kqala?" Lubb: "erh...this is a business meeting guys, not Lubby's life meeting. Jamie!" He walked in and sat down to take minutes. Lubb:

"okay, so this morning I came in and started with the early paperwork, as you can see in front of each of us there is a blue folder. The first document is a copy of our latest financial statement. A total of R436 000 was deposited into our business account without our knowledge. Well, not mine. I thought guys we made it clear ukuba we're in this together, whatever comes in should be discussed as ba izophumela kuthi sonke. Now, sonke apha singama rhumsha sharp, but ngowphi kehok lo wenu ufake lemali apha?" Soma: "why is that important?" Lubb: "because this is a legitimate business. We're running for a million rand account. I signed a deal in Tokyo with Wang Chua, to expand us. I can't have loose money skipping about in our statements which I can't even explain. They won't just invest in us without INVESTIGATING. Now guys, please do explain." Luks: "its mine." Lubb: "and you didn't think it appropriate to mention?" Luks: "its my dividend from the fund-raiser I hosted some time ago. I wanted to invest it here." Lubb: "R436 000? Worth of dividends?" Luks: "is that a problem?" Lubb: "no." He turned the page. Lubb: "on our second page we have a printed email regarding the sale of our last program. Any questions?" Soso: "last? Meaning we won't sell any more." Lubb: "not exactly no. I'll explain. On the next page is a contract of Chua Global. This deal is one that binds us to this multi billion yen or dollar or whatever you'd want to name it company." Soma: "we only create for them?" Lubb: "we don't create, we maintain their current running programs. And no, we're not entitled to them only, the contract obviously stated. I will need Brian and his team to work it over and get back to me by Wednesday." Brian: "understood." Lubb: "Lukha, I believe you have news?" Luks: "No. I do not." Lubb: "yes...you do. Your meeting with Clement last Friday." Luks: "Clement is hesitant to sign a contract because we're a starting business and he's just not sure." Soso: "we have a nett worth of 34 mill." Lubb: "which belongs to the company." Luks: "those are the sales of what You and Soma make Lubby! I work with Soso to improve certain things, sort financial problems and deal with that." Soma: "he's right Lubabalo." Lubb: "okay, so what is your point? That we spend the money?" Luks: "we share the work. We should share the profits too." Lubb: "you want to share the 34 million?" Luks: "not yonke. Sendisitsho ukuba getting paid for the work we do bro." Lubb: "okay. Since you're the number technician. You can calculate and figure out how much dividends each person gets and pay them. Eyam niyishiye pha." Soma: "why?" Lubb: "because I don't need money. I'm good." Luks: "yeah, well, we don't have a rich dad Lubby who pays us a salary for being a golden boy." Lubb: "I'm not even going to respond to the shit you just said." Luks: "ndiyaxoka?" Lubb: "ba mawuyithethe APHA? I don't get paid to be golden. I am far from that! Lukhanyo, I am paid what I work ngu Sebastian. When I sign over his deals, when he needs help and when I'm there qha! Its not as ba I'm

chilling." Luks: "so what's the problem?" Lubb: "mxim. Who will going to Japan to meet with Wang Chua to sign the deal?" Soso: "Me!!" Lubb: "great, take Jamie with you. Jamie, ask Luke to make the bookings. Lukhanyo? Would you want to hop over?" Luks: "no, I have other business to take care of." Lubb: "okay. And we're done for now. Anything else?" Luks: "can we discuss the contract?" Brian: "how about I look it over and then make another appointment to explain everything at once." Lubb: "that okay?" Luks: "yes, that's fine." Lubb: "cool. I have another appointment to rush to." Luks: "where?" Lubb: "I'll brief you later." He took his things and walked to his office. Lukhanyo followed him. Luks: "I didn't mean to upset you. Lubby what's going on with you?" Lubb: "I'm just a bit jumpy. I'm back on the pills to level the stress down but ngoku zindenza moody." Luks: "oh. Is that why you didn't wake me up this morning." Lubb: "you sneaked into my bed at 4 in the morning. Buzovuswa nguban ngo5?" Luks: "ngo 5 uyaphi Lubabalo?" Lubb: "work! Some of us, Work. I have a meeting with Trevor. Uyeza?" Luks: "naah..I'm taking care of something. So how is it going ngale chick?" Lubb: "Lindi? Oh yes, got her address and no you're not getting it now." Luks: "come on Lubby fethu." Lubb: "Lukhanyo, lindi is at school right now. Ambosebenza. Once you done, you can go to her place. Naye uzobe sebuyile. Umcele to set up a study date with your soon to be ex wife-" luks: "not if I can help it. She'll set it up, then I'll rent a car. Ndinyuke ndiye khona to set up my own things." Lubb: "what own things? A bomb?" Luks: "really? That's how much faith we're pulling out the hat?" Lubb: "for a nigga like you. Its not far fetched though." Luks: "I'll set up dinner, or lunch, rose petals all around, candles, some light wine, a nice meal. Afike sekugrand. Sibenothetha kakuhle." Lubb: "abephi uLindi?" Luks: "I'll ask Sine to take her out to the movies." Lubb: "you know akuzobalula ne? Ta Seez is really not that dumb. Ungam'mosheli omnye umntana Lukhanyo." Luks: "what other choice do I have Lubby? I'm really trying here." Lubb: "okos'ngaphi mhlawmbi?" Luks: "ndithini ke!" Lubb: "he is forcing you to sign divorce papers." Luks: "and hand over my kids willingly? Ingathi ndiyi kaka yotata? I've never abandoned my children. Ever! He won't take them from me." Lubb: "so your main concern is the kids." Luks: "ewe ! It is. If Lihle ufun divorce. Akho ngxaki Bafo. Kugrand, sizoy'thetha sivumelane kakuhle. Kodwa ismenqe esingazo kwenzeka yeyoba ibe ngu tatakhe ozofuna i-divorce ngathi benditshate yena. Soze! Mngqund lowo." Lubby packed his suitcase. Luks: "what?" Lubb: "good luck." Luks: "tell me." Lubb: "tell you what?" Luks: "whatever is on your mind Lubabalo. I can see khona into ofuna uyithetha." Lubb: "look, I'm not necessarily psyched about this. But you're my little brother and I want you to be happy more than anything." Luks: "but...." Lubb: "there is not but. I promise I'll do what I can to make sure you're good." Luks: "you'd really do that?" Lubb: "its my way

of saying sorry. Its not much but I'll try harder." Luks: "what about your meeting with Trevor?" Lubb: "fuck Trevor and his gay accent. Where do we start?" Luks: "I need a rental." Lubb: "I'll organize that." Luks: "good. Ndiyabuya ndisaya toilet." He walked out the office down the passage and made a call. Luks: "are you ready?" Caller: "yep. I'm waiting right around the corner." Luks: "Lyle. Do it right. I want the target eliminated Permanently." Caller: "by all means boss." He hung up....

Chapter 734

Monday afternoon, I came home from school. I sat in the living room with mama and Lubambo. Namhla was cooking supper. It was getting late and usually tata fetches abantwana emin from creche and they'd be back by now. Me: "mama, baphi ootata?" Ma: "uyeza mntanam." She watched Rhythm City calmly. Ma: "the more uzibalekisa kuye, the more uzomfuna aphe camkwakho. Deal with him. Face him and tell him xa ungam'funiyo uyeke lodamtiriri umenzayo. Sometimes utatakho wants what's best for you. Kodwa ke this isn't best for you. You're not dealing with your problems, uyazi baleka. Akazobakho ubom bakho bonke. Funeke ufunde uzilwela Lihle. Ngoku nanitshata natshatela nina. Now kusenzeka so, funeka singenele?" Me: "ngokuya zasitshata I was pregnant and bendingazazi ukuba ndithin mama. Had I been fine and alone I wouldn't have rushed." Ma: "wouldn't you? Awuz'khumbuli?" Me: "mama, stop hoping for what is not. I'm not going to talk naye." Ma: "ndiyak'bona mos mna ba uyafuna. Qha woyik uyihlo. Ungu mama, umdala. Kwabantwana bam. And that is all qha." Ma: "ndiyayazi mna xa sow'ngakwazi ulala umane uzibuza uziphendula. "What if" uzudlale ngexesha lakho nono." #RollsEyes. Yathetha ke lomfazi. I had an exam tomorrow, I didn't need this. I went to study in my room for a while wangena uNamhla. Me: "what's up?" Namhla: "Lindi uthi on friday niyabhala again so can you go over to her place for a study date on Wednesday?" Me: "tata will never agree." Namhla: "try him lihle, this is Your education. Uqibele nin eskolweni? Lindi is there to help you. Surely your dad can understand. Its not as ba Luks is a stalker he's probably moved on by now. Uyamazi mos nawe." Me: "you're right.. Ndizothetha nomama." Namhla: "so ndithi kuLindi its a yes?" Me: "yeah." She left my room and I carried on studying. Luckily Lubambo helped me by falling asleep right then so I could absorb in peace..

Lukhanyo visited Sine's home where he was with his mother. Luks: "molweni mama." Ma: "hi lukhanyo unjani." Luks: "ndiphilile mama ninjani nina?" Ma: "siyaphila. Unqabile qha." She doesn't know. Its a surprise." Sine: "a very nasty surprise might you add. Andiqondi uzay'vuma lonto." Luks: "Sine, you're the only person closest to her that she listens to. Sine: "yeah, beke decor entle, plus pictures of you and her. Anything." Luks: "look, its just dinner to discuss the future of our children okay? Its really not that big a deal." Sine: "then why are you sneaking around?" Luks: "just do it Sine. Send me la number. And keep your smart mouth shut." Sine: "got it from you." Luks: "khayongena endlin. Say goodbye to your mom for me." Sine: "good luck." Luks: "like I'll need it." He drove off to Uitenhage making a call. Luks: "where are you?" Caller: "my place." Luks: "I'll be there in 2 minutes." He hung up driving around the curve. A call came through he checked and ignored it then parked. A short slim man hopped into the car. Luks: "what happened?" Lyle: "as I told you, I got there and waited. When he came by I did the job." Luks: "did you Finish Him Off?" Lyle: "look, I shot him 4 times, and he slipped, wherever he landed. He didn't make it. He

couldn't." Luks: "okay." He handed him a thick envelope. Lyle: "thanks." He got off. Lukhanyo drove back to Port Elizabeth. In his own house he arrived, making another call. Luks: "Stuja uphi?" Stuja: "endlin Ta Luks." Luks: "khand'trace'ele imoto skeem. I want to know ba iphi kwangoku." Stuja: "number plate?" Luks read it out and the make of the car. Stuja: "khandiphe net hour Ta." Lukhanyo sat down on his couch and waited. Another few minutes later he heard a knock on the door, he went to open. Luks: "Zanele?" Zan: "surprise!" Luks: "surprise? Why? Ufuna nton apha?" Zan: "ndizobon umntu wam!" Luks: "uphi lomntu?" Zan: "hee hayi kengoku." She walked in. Zan: "kuthen kumnyama nje?" Luks: "ndiyafika." Zan: "oh, bendidlula and I saw imoto so I came in to say hi." Zan: "hehake. Kodwa ke andinxili kaka ndiyayazi." Luks: "suzothukisa endlinam kaloku, jonga sona." He turned her around. Her hands on the wall. He pushed it a little further inside as it grew thicker and harder. Luks: "That's it my baby.." She pulled it out her mouth. Zan: "right kengoku?" Luks: "yuh uyadika bonanje." She returned to her position while he put on the condom and slid slowly behind her. Zan: "ima baby..." Luks: "shhh.." He pushed in harder. Zan: "Lukhanyo!" Luks: "hm??" Zan: "slower.." He held her waist with one hand the other on the wall humping slower then picked the pace up a little. Zan: "oohh baby!" Luks: "vula kaloku." She bent over and he went faster. Zan: "lukhanyo...bambapho baby. I'm....almost..." Luks: "huh?" Zan: "lukhanyo!!" She screamed. Luks: "zanele..." He closed his eyes releasing then stopped. "Lukhanyo." He looked at the door and gasped. Luks: "Hlumi." Hlumi: "what the hell are you doing?" Luks: "I can explain." He pulled up his pants. Hlumi: "don't bother." She walked out to her car. Luks: "Hlumisa!!" Zan: "nguban lo?" Luks: "Zan mtshana, ndicela unxibe tu. I have to go." Zan: "heee, hayi ucimba uzandizeka undigoduse ngathi ngoku ndilihule lakho?" Luks: "bendithe ndibusy." Ungak'ling undiphambanise!" She wore her clothes. Lukhanyo took his keys and locked the door like he was supposed to in the first place. Driving to drop Zanele off and up to Lovemore heights for another scolding from Lubby. Lubabalo dressed the twins in their pajamas after their night bath and took them to the lounge. Luhle: "ambile tata." Lubb: "ufuna utya nton love?" Luhle: "funa kutya." Lubb: "I wonder. Luthando suka k'lo plug. Suka." Lutha: "hayi." Lubb: "Luthando!" He walked to the kitchen and warmed up their veggies. Each had their own bowl to eat from. Lubby stared at his iPad at the recent news update. The headlines: "denying the responsibilities of your own infidelity - Lubby Morrison love child." Lukhanyo walked in. Luks: "hey." Lubb: "hey." Luks sat down on the couch. Luhle: "tata!" Luks: "hello my angel." Lubb: "bad day?" Luks: "hlumi walked in on me with Zanele." Lubb: "thought wohlukene noHlumi?" Luks: "yeah but she proly came to apologize and I fucked up." Lubb: "so you want her back?" Luks: "I don't want her thinking ndisi srhama sendoda." Lubb: "what exactly do you want with your life Lukhanyo? Sleeping with Zanele, wanting back Hlumi, wanting Lihle to talk to you. Who else?" Luks: "look I got needs Lubabalo." Lubb: "we all do. Kodwa you can't control yours. Its pathetic how you use women. Lubb: "I'm not lecturing you. I'm telling you ba urongo noko ngoku." Luks: "neither of them ndidyola nabo, ndirongo phi?" Lubb: "that's what you don't understand. Noba awudyol nabo, if you don't make them feel like they're yours they won't want you. I asked you specifically if you're going through with this, I don't want her hurt. Yet usenza lekaka ecaleni. If you fuck this up for yourself, don't expect anymore help from me." He stood up and walked to his bedroom. Lubb: "oh and the 400k. Take it out the company account. There's by no way any dividend for any charity would give You that money. Suppose iya kula charity not kuwe. I'm really not that dumb." He walked away. He made a call and again hit voicemail. Lubb: "damn it Zintle, could you just take my call. Ndikhumbula abantwana bam Qha! Why are you being so damn cruel?" He ended the call and looked around the room. Quickly took a shower and got dressed. Luks: "uyaphi?" Lubb: "to get some fresh air." Luks: "is it about the article?" Lubb: "do you care?" Luks: "of course I do. Njani ubuze lonto? Lubb: "uhm..ndicela ubona Luya for a few minutes." Liya: "ngena. Uyasokolisa ulala namhlanje and I have to study." They sat down. Luyanda crawled from out the bedroom to the lounge to his father's shoes. Lubb: "heey little man.." Luya giggled. Lubby pulled him up on his lap. Lubb: "thanks..for letting me see him." Liya: "ungu tatakhe. Why wouldn't I." Lubb: "my life again is splashed over the magazines. Bubuxoki." Liya: "about the pregnant chick? Ubusy ne." Lubb: "nawe uk'lonto?" Liya: "just saying." Lubb: "nobody believes that its not my baby. I keep stressing it but akhomntu undivayo." Liya: "enza dna test to prove it then." Lubb: "how? She's still 5 months or so." Liya: "iyakwazi ukwenzeka I think xa ena 6 months. Buza kuLonwabo or Soso, tshi you have doctor friends. Stop looking so sad." Lubb: "Zintle won't let me see the twins. Please." Liya: "maybe a few months ago I would tell you to go to hell, but at least now you're trying so as long as uzama, ungambona nanini na uLuya. He's here to stay." Lubb: "thank you." Liya: "is she mad at you?" Lubb: "ndenzenton dan?" Liya: "andizoyazi kaloku.

Uyak'thanda umntanabantu. That's why she still gets mad over these stupid articles." Lubb: "that's not true, she has Lungelo." Liya: "haha. Alright." Lubb: "so wena awundithandi?" Liya: "hehee! Yuh sundinyubisa ebusuku Lubabalo. I have absolutely nothing against you. We just parent a child qha." Lubb: "awuphendul." Liya: "no I don't love you. Awuna ncasa kum." He laughed. Lubb: "so sekhe ndane ncasa before?" Liya: "kdaaaaaala!" Lubb: "hahahaaa! Okay cool." Liya: "so unjani uLihle?" Lubb: "haven't seen her in a while." Liya: "what's wrong?" Lubb: "I don't wanna talk about it." Liya: "why? You'd rather it eats you up inside. Thetha, we're friends aren't we?" Lubb: "when the media comes knocking on your door they'll have a field day trust me." Liya: "ndizobaxelela kaloku intoba, you are a dedicated dad. You change diapers, you leave meetings sometimes to fetch your son, you come whenever he's sick, whenever he doesn't want to sleep ulale naye and that's it. That's all I have to say." Lubb: "ncaaw, that's sweet." Liya: "talk to me." Lubb: "we broke up. She'd been through a lot. Because of us, she couldn't take it anymore. Ebevuka esbhedlele and again it was because of my family, waphinda emvakoko wabhanjwa, wayolala esbhedlele." Liya: "so you've let go." Lubb: "Yes. I was not sure what to do. Lukhanyo andimazi noba ucinga ntoni." Liya: "I think you should just step away. Let them sort out izinto zabo. Next thing you'll be caught in a crossfire again uphinde xabane noLuks. Just let things be. You'll find someone for you eventually, she might not be Lihle but uzokuthanda." Lubb: "I had that once, a beautiful little lady. And I fucked up. I so wish that I could-" Liya: "don't even try, its not gonna work." Lubb: "haha! I was just pulling your leg." Liya: "he's asleep." Lubb: "yeah, so unjan uSiviwe?" Liya: "oh, he's amazing. He's busy with his father's business for now trying to pick up where he left off." Lubb: "so uyekile ufunda?" Liya: "I tried talking him out of that idea. But you know men and their ego's ufuna ubayi provider kokwabo since tatakhe passed on last year." Lubb: "shame mann so at least he's doing well?" Liya: "surprisingly. Yes." Lubb: "hm..that's nice. Let me go put this one down ndizohamba." He went to the bedroom and laid down his son. Lubb: " Goodnight. I love you my boy. God bless your beautiful soul ya hear? Lubambo luka tata Luyanda." He kissed his forehead and walked out. Lubb: "I'll see you some other time ne." Liya: "okay, ube right va." Lubb: "I'll be fine." He walked to his car and read the article from his phone then drove to Mercantile hospital. There were no sign of cameras or photographers or journalists but for in case, He wore his beanie and walked in. The bright lights of the hospital blurred his vision a bit. Nurse: "can I help you?" Lubb: "uhm..that side for pregnant women? I need to see someone." She led him to the desk then waited, they walked up to the ward. Lubb: "wait...don't you have visiting hours?" Nurse: "not for you Mr Morrison." She smiled sweetly. Lubb: "I'll take it from here thanks." He went

in where Siwe was sleeping soundly. Lubb: "sadly someone knows me and now I can't officially suffocate you to death for destroying my life." She woke up. Siwe: "hey baby." Lubb: "what the fuck's wrong with you! I just started a business I don't need this type of publicity. Ufuna malini?" Siwe: "andifun mali yakho nje mna, just your support for our baby." Lubb: "I will only father this baby, if and only if I get to do a dna test." Siwe: "but that's dangerous for us. Let's wait until ndizale then you'll take him for the test." Lubb: "NO. I want it done Now. I'm not going to take anymore of your idle threats. I'm not standing and watching you tear my hardwork to shreds. Siwe, sizoyenza ngoku and once I do get the truth, you will wish you never existed." Siwe: "uske unga act'I ke wena. Babes, I'll call the doctor, we'll do the test. Tomorrow morning and if the baby is yours, ndicela support qha kuwe. That's all." Lubb: "hang on to the IF. Because its not mine!" He walked out. Siwe: "we love you too honey!" She yelled. Victor appeared from the office and sneaked in to her bedside. Siwe: "he wants a test." Victor: "already sorted. Subana worry wena. Its his little baby. At least the papers will say it is." He smiled. Siwe: "can I get some changing clothes Vic? And ndidikiwe mna yile ndawo." Vic: "after the test ngomso, I'll take you home." Siwe: "and then what's the plan after that?" Vic: "heeee, kuthen uske wamuncu ngofika kwale ntwana? Uzoba ngumama womntanakhe and make his life a living hell." Siwe: "why do you hate him so bad-" Vic: "don't fucking ask me stupid questions. Lala, its late." He left the building.

Lungelo walked into the house speaking on the phone. Lungelo: "bamba." Giving the phone to Zintle. Zintle: "who's this?" Lungelo: "answer it." Zintle: "hello?" Khaya: "hey sis." Zintle: "hey unjani?" Khaya: "I'm good. Actually better. Wena?" Zintle: "I'm super." Khaya: "Zintle, I need to come back to PE. Please cela uthethe nomama notata." Zintle: "I can't do that Khaya." Khaya: "I'm begging you. Lendaw is driving me insane." Zintle: "you should have thought of that before you started taking drugs Khaya. I can't control you." Khaya: "it was a mistake and I'm sorry." Zintle: "unfortunately its not my choice to make." Khaya: "zintle you can't do this to me, I'm your brother, suppose uyandithethelela. I won't be a burden." Zintle: "I'm sorry Khaya, I'm not going to go through the shit you put us through Again. I can't." Khaya: "mxim." He hung up. Zintle: "after everything he's done, ufuna iphinde ibe ndim ofela tyala lakhe?" Lungelo: "he's your brother." Zintle: "yes, but xa ephinde wasebenzisa drugs uzohoywa nguban? When he drinks himself to the grave? Hayi Lungelo I have no time for that." Lungelo: "you judge too quick." Zintle: "MNA? Nobody said shit when you judged thando 'too quick'." Lungelo: "I never judged Thando, I helped him through ngento ayenzileyo didn't I? I got him a job when umama came to collect him. Nobuya kwakhe, I gave him a job apha, a house and My support still. Ewe funekile

umntu a'punishwe kodwa wena uyamvalela uKhaya qha." Zintle: "akangomntanam uKhaya Lungelo." Lungelo: "that's a fucked up mentality to have zintle. You are his guardian xa bengekho abazali" Zintle: "so its my fault he befriended ooLubabalo abangama gintsa walinxila watya ne drugs?" Lungelo: "as far as I'm concerned, lubabalo akatyi drugs, akazithengisi tu at that, if he did, he would never let Khaya be exposed to that! And another thing, Lubby zange afosteke khaya abelinxila. If I throw a party for someone does that mean ndimenza inxila ?? Khona Lubabalo ungenaphi?" Zintle: "he is the one that exposed uKhaya to these things, uncolile lamntu Lungelo. You know this but you're being blind." Lungelo: "hehehee! Hayi Zintle. All of a sudden? Okanye utyiwa yilento ndihlala nabo?" Zintle: "I couldn't care less what you do Lungelo. Qha, I'm not letting my family near him, after yonke into ayenzayo and gets away with? He lied to a judge! You helped a murderer get out of jail, uyay'qond i-20 million le ayibileyo? The guns and weapons he keeps in his basement?" Lungelo: "is that why you're so bitter?" Zintle: "I'm not bitter Lungelo! And I'm not blind! If you're part of his squad where you cover up innocent people's murders and keep such weapons, andiy'fun lonto kwam!" Lungelo: "you know what Zintle? Andizok'hoya mna. Talk all you like, yell shout or bark. Andikhathali because izoba kwa nguwe onyibilikayo ophinde umvele lomntu ndishiyeke ndodwa enyalen. Your on and off attitude to him, has nothing to do with me. So sundifaka. And sufaka abantwana." He took his phone and walked out the door.

Tuesday morning, Thando and Asanda got ready to leave. Thando: "did you take everything?" Asanda: "hee ubaby. Of course I did." Asanda: "khandinike bag ka Sisipho." Thando: "d'you think yintombi or yinkwenkwe?" Asanda: "whichever it is love, as long as eright qha." Thando: "but I want another daughter and ndiyiva egazin ukuba yintombi lena." Asanda: "oh? Really now?" Thando: "ewe tshin." Asanda: "bazogeziswa aba shame ndine xhala mna ndizonqanda is'kokoko." Thando: "soze, these are angels." He looked at his daughter who was on the floor playing with an extension plug chewing the charger cord. Asanda: "yeah...angels." She picked her up from the floor. Thando: "masamben guys we'll be late." They left the house, driving to Zwide to drop Sisipho at Asanda's mom's house. Then drove to the hospital. Thando: "akeka vuki umntanam?" Asanda: "usually ulele this time of day because I'm at school avuke emini. So inoba nangoku ucimba ndise skolweni." Thando: "she's so sweet.. Ucingela umamakhe." Kissing her cheek. At the reception they booked in for their appointment which they were on time for and went in to the doctor. Doc: "morning, Mr and Mrs?" Asanda: "no we're not-" Thando: "Moni, to be." Doc: "oh? Congratulations. What can I do for you today." Thando: "we came to check on our baby." Doc: "alright, come this way. On the bed." Thando helped his fiance get on the

bed and held her hand. Doc: "first time?" Asanda: "second baby." Doc: "lovely, so you know the procedure." He prepared his equipment, rubbing the gel on her belly. They waited while he was busy, all three staring at the screen. Thando: "what's wrong?" The doctor wrote something down and continued. Asanda: "doctor? Is there a problem?" Doc: "I'd like to run a few tests." Asanda: "why?" Doc: "ma'am, there is no heartbeat." ...

Chapter 735

Thando: "what is that supposed to mean? Is my baby okay?" Doc: "the quicker we do the tests, the quicker we know. I'll start immediately. Excuse me." He went out the room. Thando: "baby, everything will be okay uyeva? Trust me. I'll wait for you kude uqibe. Right outside here. Alright? Don't stress at all. Our baby will be fine." Asanda: "why kungekho heartbeat kengoku Thando? What happened?" Thando: "maybe he made a mistake love, it happens all the time." The doctor came back in. Doc: "we're taking her in as of now, Mr Moni. Will you kindly let Sister Jenny to assist you with your form." Thando: "I love you sthandwa sam uyeva?" Asanda: "I love you too baby." Thando walked out and filled in the forms while calling Lungelo. Thando: "bhuti?" Lungelo: "hi. I thought you'd be in at 12." Thando: "about that bhuti, may I please take the rest of the day off?" Lungelo: "No. Why?" Thando: "Sise sbhedlele and ugqirha uthi akeva ntliziyo yomntana, they're doing tests. I don't know what happen-" Lungelo: "owphi umntana Thando?" Thando: "eish..bhuti." Lungelo: "Sisipho?" Thando: "no, we're having another baby." Lungelo: "what!! Ubuzandixelela nin lonto!" Thando: "today." Lungelo: "how far is she?" Thando: "almost 5 months." Lungelo: "uthi ugqirha akeva heartbeat? Njani? Does he know what's wrong? Ima niphi?" Thando: "Livingstone hospital bhuti." Lungelo: "I'm on my way." Thando: "okay." He ended the call and waited. 20 minutes later, lungelo arrived. Lungelo: "hey, uthin gqirha?" Thando: "nothing yet." Lungelo: "why didn't you tell me about this Thando? Umama? Ubuzofihla kude kuthin?" Thando: "I didn't want to disappoint you. Again." Lungelo: "so rather we find out Xa ezozala uAsanda ? Kushiyeke 4 months qha mos ngoku." Thando: "I'm sorry." he whispered, blinking tears away. Lungelo hugged him. Lungelo: "they're going to be okay. Sulila." Thando: "I can't sit and wait! Xa engava heartbeat doesn't that mean she's....." Lungelo: "we're not going that far. Awuzoyicinga tu lonto. Maybe lagqhirha uyaphazama. Or maybe There's a small little mishap and they can fix it. Sow'ba fonela k'lo Asanda?" Thando: "no." Lungelo: "do

they know she's pregnant again?" Thando: "yes." Lungelo: "okay, masilinde kuqala ugqirha ukuba uthini na. Then we'll let them know. Sow'tyile?" Thando: "andilambanga bhuti." Lungelo: "okay. We'll sit then." he sent a few emails to his secretary to cancel the day's meetings...

I was ready for my exam and leaving the house but my father still hadn't showed up. After Lubambo fell asleep for his morning nap I didn't know whether to wait or just leave. Me: "hee mama. Ubukhe wam'fownela utata?" ma: "ucime phone." she sneered. Me: "why?" she didn't even reply. Okay, dumb question. But where was he? I was beginning to worry. Ma: "wenza lento utatakho Lihle. He disappears whenever he feels like it engaxelelanga mntu. For weeks even months. Andiyothuki." Me: "ubuyeke hlathin?" Ma: "cacile." and she started cleaning her house. Me: "awukho curious mhlambi mama? Perhaps something happened?" ma: "if something happened. Bekuzovela evidence yalo something. Tatakho ikhona into ayibalekayo njenge sqhelo. Ambo bhala mntanam exam yakho upase uyeke uz'dubaduba ngabantu abangak'hoyanga. Ndim lo ndiyak'thanda. Andiyi ndawo." tshin umama. Caba iyam'capkisa lento yohamba kuka Tata. It was a bit too sudden though. Something wasn't right. Me: "nam ndiyak'thanda mama." I took my bag ndaphuma ngomnyango ukuya ebustop. Funny thing when you're given freedom you don't know how to react, to be glad or afraid? What if he's watching? Somewhere out here. Testing... He's done it before. He could be doing it again. Oh well. I got a bus to school ndafika ndayobhala. Then attended my two business lectures. Finally I caught up with my friends ndidiniwe ndili fele lenja. Me: "hey guys." Lindi: "hey!!" Damian: "stranger." Me: "what's new?" Lindi: "ungalibali ngomso. Date yethu." Me: "definitely." Damian: "what about a date?" Lindi: "none of your business Dame, you still haven't told me about the brunette you shared with Jake." Damian: "really? We're headed that direction today?" Me: "you shared?" Damian: "now Lihle knows too. Good going Lindi." Me: "why were you hiding it from me?" Damian: "because you're our baby, we don't want you to stress. Anyway, I never shared anything with Jake. So quit messing around." Lindi: "that's not what Jake sai-" Damian: "yeah well Jake is a bit of a bitch." Jake: "excuse me? Hey angel." he kissed my head. Me: "hi Jake." Damian: "hey bitch." Lindi: "be nice Damey." Jake: "I'm used to him. Insults are his way of attention seeking." Me: "guys, I have to get going." Lindi: "why?" Me: "mama une stress kuba Tata akeka buyi. So ndifuna uhlala noBambi in the meanwhile until she cools off." Lindi: "okay. I'll see you tomorrow okay? Dress nice." 😞:/ Me: "why do I need to dress nice?" Lindi: "maybe we might hit the club after our first productive study hour." Me: "oh." when last had I gone clubbing? Damn. Its been too long. Me: "okay." I grabbed my bag. Damian dropped me off at Terminus and I got a taxi to Motherwell.

When I arrived home emini my mother was still cleaning. I knew this symptom. She was hurt. Me: "mama, hlala phantsi. ndipheke." ma: "hayi ndiright Lihle ambo jonga umntana." Me: "no mama, kudala ubusy. Hlala." I took the broom ndayomhlalisa phantsi. I switched on the TV, one of the Africa magic channels kwi DS to occupy her mind. Ma: "khaw'ze nepilis zam ze pressure Lihle." I brought her pill bag plus water. Ndayopheka. Namhla arrived in a few minutes and looked after the baby. I warmed his food to give to Namhla. I wonder how my twins were. Their father took good care of them but I missed them. Who could I call? Namhla: "Lihle!" Me: "huh?" Namhla: "your mom needs help! Andikwazi ubeka umntana phantsi." I went to the lounge and found umama eyoba kula couch. I helped her up ndamsa bhedin then went to finish the cooking. Using her phone I tried calling my dad, yangena straight Ku voicemail. Then I called Sine. Me: "hi Sine? Unjani?" Sine: "ndiright unjani wena?" Me: "I'm good, utata ulapho?" Sine: "nope. What's up?" Me: "well, umqibele nin?" Sine: "errh....Saturday evening, ebethe uzoza izolo but he never pitched." Me: "and your mom?" Sine: "ima ndibuze." he asked his mom on the side wabuyela fownin. Sine: "naye she last heard from him sat's. Is everything okay?" Me: "he seems to have disappeared." Sine: "yeah. He does that sometimes, aye hlathini or sailing. He was planning a trip andiyazi ke noba yiyo Le." Me: "okay. Enkosi Va." Sine: "sho mntase." I hung up. Something was definitely Not Right! And only one person could help me track my father down. I searched my moms drawers and found my phone. He would do anything for me, if that still applies. I dialed his number from memory and he answered almost immediately. "sthandwa Sam."....

After a long day at the office, Soso walked in Lubby's. Soso: "we're grabbing drinks. wanna join?" Lubb: "no, thanks." Soso: "you've been distant all day plus ufike late. What's wrong?" Lubb: "I was at the hospital, I asked for a prenatal paternity test." Soso: "oh, uz'fumana nin results?" Lubb: "latest by Friday they said." Soso: "that's around the corner. Why are you worried kengoku?" Lubb: "she is psychotic. She would do anything to hurt me, I'm just trying to figure out why. Ndamenza ntoni yena?" luks: "or lomntu ahlala naye wamenza ntoni." he walked in with a brown envelope. Lubb: "what do you mean?" Luks: "You were right, I make everything about me and never ask about you or how you're doing. I always make you do things that you're not comfortable with but because you're my older bro, you do it for me. You've sacrificed a lot for me." Lubb: "okay. What's in the envelope?" Luks: "hospital records. She's not sick, firstly, ubethiwe lomntu to be in there. The baby was at risk and she was bleeding when they admitted her in." Soso: "how in the world did you get hold of that?" Luks: "people love me.. anyway, her visiting sheet, only one name is constant that visits her but only stopped when you set foot there yesterday." Lubb:

"who?" Luks: "Sizwe Tetani." Lubb: "Lihle's dad??? No!" Luks: "Yes....here's the proof." he placed the envelope on the desk. Lubabalo stared at it with a questionable look. Lubb: "where did you get this?" Luks: "esbhedlele Lubabalo." Lubb: "HOW. You're not authorized to this type of information." Luks: "that doesn't matter but the point of the matter at hand is. Ta Seez does not know Siwe." Soma: "someone out there is playing you...." Soso: "guys, you're losing me. Wait, Lihle's father visits Lubby's pregnant ex, why again?" Lubb: "he does not know about her, prior to the article. Meaning someone is using his name, knowing asivani naye. Knowing I could get this information, knowing I would retaliate!" Luks: "then you shouldn't. I'll do more digging. Perhaps stake the hospital namajita." Soma: "I can get a bug, to install k'la room, Luks, you're being Lubby knowing he can't stand her at all, you'll have to visit, bring flowers or anything ucele uxolo, while nincokola you'll get to plant it in there and we'll be able to determine what exactly is going on." Luks: "get right on it Soms. I'll make a few calls, I'll be back in an hour uzobe uready by then?" Soma: "yeah. Nam ndiyabuya." Soso: "I'll keep track of the results, in case she changes them to her favor, clearly we're dealing with a class A psychopath." Lubb: "okay, so kuyo yonke Le mess.....why use Ta Seez's name." Soso: "does he even know?" Lukhanyo's phone beeped an alert. He checked the message. It read: "I Know What You Did." he swallowed and looked around. Lubb: "what's wrong." Lukhanyo looked back at the text. He checked the lamp and files on the desk, the couch and cupboard. Soma: "fethu?" Luks: "There's something I need to do." Lubb: "really? What?" Luks: "find this bastard."

Chapter 736

Early Wednesday morning I had a class to attend. It was a bit chilly and windy phandle. I had to call Nono to look after Lubambo because my mother wasn't feeling well and if by the time I'm back she wasn't okay, I wasn't leaving, rather I study here at home. I wore my skin tight skinny jeans, black Tommy hi-top sneakers, a black top and a black biker jacket kunye ne scarf not forgetting my beanie and big earrings kuba without them I looked like a boy. I made porridge ndayonika umama with her pills and water. She ate and sat in bed listening to the radio. Looking better but I didn't trust. Nono arrived and I got to leave for school. A lot was going through my mind then. Before I reached the bus stop someone came up from behind me and held my mouth closed. "shhhh.....its me." he whispered before I screamed. My heart relaxed as he let go. I turned around and hugged him tightly. Me: "I've missed you Ta Smig." Smig: "then kuthen ungazondibona?" Me: "phi exactly?" Smig: "oh

yes...destination troubles. Ubungathi une xhala over the phone yesterday, what's wrong?" Me: "I can't find my father. I know wonke umntu is relaxed thinking he's on a hunting trip as usual." Smig: "but you feel otherwise?" Me: "ewe. I just don't know why." Smig: "I do. Sizwe only has one child. If anyone can understand or feel his energy. It would be you. Yilento utatakho engeka tshati ke." Me: "is it possible that usengxakin?" Smig: "possibly. Kodwa I'm not filling your precious head with assumptions, do me a favor my love." Me: "anything." Smig: "Concentrate on ubomi bakho, get on with your daily life and let me handle this. Ndizok'chazela when I find something. For now, we never met. Understood?" Me: "ewe bhuti." Smig: "bye bye ke sthandwa." he turned and walked away. My bus arrived ndakhwela. Today was going to be a long day.

Thando woke up from the uncomfortable chair in the hospital. The doctor walked toward him. Doc: "Sir, you may come this way." they walked to Asanda's bedside. Thando: "hey love." Asanda: "hello babe." doc: "we've done the necessary tests, and we expect results within a couple of days, but I'd like to keep Mrs Moni here for observation." Thando: "what could it be Doc?" Doc: "I do not want to speculate Mr Moni. I would rather we wait and I give you the factual report of what may be the cause. No bleeding has incurred which is a good sign that the baby is still in there. That is all. Have a good rest and eat Asanda, you need the nutrients and energy." Asanda: "okay." the doctor walked out. Asanda: "andifun ubalapha mna." Thando: "its safer baby. Nam andithandi ubelapha." Asanda: "so at least There's hope?" Thando: "yes, and you have me... Andiyi ndawo. Are you in pain?" Asanda: "no. I'm fine." she wiped his tear. Asanda: "I promise." Thando: "I love you so much." Asanda: "I know that, sundikhalisa man. I promise I'm okay." Thando: "okay." Asanda: "umxelele umama?" Thando: "yes, uthe she'll come. NoBhuti ebelapha yesterday. Simfownele umamam, she sends her love." Asanda: "thank you. And I love you too." Thando: "uzoty ntoni? You need healthy food, awuy'fun fruit?" Asanda: "yes its fine. But I don't want you to go." Thando: "uhm....okay. I'll just make a call then." he called his big brother. Lungelo: "hey." Thando: "bhuti ubusy?" Lungelo: "no, what's wrong?" Thando: "ugqirha said the results of the tests will be back in a few days and that Asanda ufuna ahlale until then." Lungelo: "okay, what do you need?" Thando: "healthy food, fruit, nutrients." Lungelo: "wena? Ude watya?" Thando: "i can't." Lungelo: "give me about 30 minutes to 45." Thando: "enkosi bhuti." he dropped. Asanda: "akaqumbanga?" Thando: "yesterday, he was. Ngoku he's just worried." Asanda: "and you? Unjani?" Thando: "I'm good. You need to rest baby." he fixed her pillows and blanket. Asanda: "ungahambi please." he sat down holding her hand. Thando: "I'm not going anywhere mntu wam..." she closed her eyes to sleep...

Lonwabo sat in his large kitchen table drinking his morning coffee reading the news on his iPad. Busi came down from the bedroom with Tia and baby Khanyiso. Busi: "good morning." Losta: "morning." Tia: "Morning Tata!!!!" Losta: "morning my sweetie pie." he kissed her cheeks. Busi: "you never came to bed last night." Losta: "I was working babes." Losta: "the charity I wanted to start....nobody is ready to invest. It hasn't gotten much exposure." Busi: "what about Lubby? He promised to help." Losta: "Lubby is going through some hectic shit right now. The least I should do is pressure him." Busi: "but you never asked, he just offered." Losta: "Busi, he's my best friend, I'm not going to be on his neck. He needs my support right now." Busi: "okay, so what about the charity?" Losta: "I don't know, I'll make a plan." Busi: "will you cope?" Losta: "yes." Busi: "Lonwabo, you're not yourself. What's wrong?" Losta: "Busisiwe, khandehle man! Ndithe mos ndiright. Funeke ndide ndithin dan?!" Busi: "clearly something is upsetting you!" Losta: "awuvuyi kengoku?" Busi: "yinton ezondivuyisa ngalonto?" Losta: "I'm just stressed okay? Let me be please." she wore he black stiletto's, taking the baby's bag and left the house. Lonwabo's phone rang. Losta: "yes?" he answered. Luks: "hi, thanks for the info, can you do me one last favor?" Losta: "I can't. Lukhanyo I could lose my job and license to practice.." Luks: "we're doing this for Lubby, Losta. I need the footage of the previous week to check nguban lona ungena pha." Losta: "I'll see what I can do." Luks: "good I'll be waiting." Losta: "sho." he hung up and pulled himself out the chair. Taking his car keys and bag. He drove to the hospital once again wearing his white coat. As soon as he arrived he went straight up to the security quarters, a private section left only for security

personnels. Losta: "Yanga mtshanam." Yanga: "Ta Losta." Losta: "ushap?" Yanga: "standard Ta. Kuwe?" Losta: "superb. I need a favor." Yanga: "ngena Ta." they went inside the office. Losta: "footage from the previous week.." Yanga: "one point five Ta Losta." Lonwabo took out his wallet and counted the notes. Losta: "duplicate them. Kqala iza ndibone." Yanga typed in the date and section. Lonwabo watched closely. A few minutes later, something blurred the screen and it skipped two full minutes. Losta: "what the fuck just happened?!" Yanga pressed rewind and started it over. Again, the screen slightly blurred and skipped. Yanga: "someone tampered with this Ta." Losta: "fuck!!!!" Yanga: "usay'funa?" Losta: "duplicate it undinike Xa iready and this stays between us Yanga." Yanga: "sho bhuti." Lonwabo got up and left....

Lukhanyo paced around his office. Waiting, thinking, planning. Jamie: "Mr Mzinyathi." he walked in with a tray. Jamie: "your lunch, vitamins and an anti depressant." Luks: "won't this put me to sleep?" Jamie: "no sir, it would calm your headache a bit. The vitamins will boost your energy too." Luks: "thanks Jamie. although I don't think this is safe." Jamie: "my father is a pharmacist. Its safe." Luks: "okay. Thanks again." Jamie left the office. Lukhanyo ate some of his lunch and drank the pills. He walked down the passage to Lubby's office. Luks: "you good?" Lubb: "what are you still doing here? You're supposed to be getting ready for your dinner!" Luks: "its only 12 midday." Lubb: "sooo??? Did you rent the flat? Did you buy the roses? Did you order the meal? Buy the wine?" luks: "yes, yes, no and no." Lubb: "you won't have time to go shopping for ingredients, to cook Lukhanyo and set up everything before she arrives at 5. Worse ba uselapha!" luks: "you have ingredients in your house." Lubb: "arggg...what had I expected. So what now?" Luks: "this is important to you ne." Lubb: "is that a rhetorical question? Just do best, ungang'disappoint." Luks: "I'll try not to look like a desperate idiot. Which I am, unfortunately because ndiyacenga. Any news on Ta Seez?" Lubb: "no not yet..." Luks: "hm....okay. Ndisaphumile ke." Lubb: "cool." Lukhanyo walked out to his car then drove to a park where Lonwabo was waiting. He got out and came into the passenger seat of Lukhanyo's car. Luks: "did you get it?" Losta: "we have a huge problem." Luks: "iyawa yinton ngoku?" Losta: "someone found this before we did. Its tampered mostly, where it just skips 2 minutes or more." Luks: "is there a way we could get the original footage? Before its been cut?" Lonwabo kept quiet. Luks: "uyay'funa lemali Lonwabo?" Losta: "yeah." Luks: "where do they keep the original footage." Losta: "at the security company, andikwazi ungena mna pha and andazi mntu." Luks: "don't worry about that. Just give me what you got and the address qha." Losta: "so I'm out?" Luks: "yes." he took the footage and handed him the 400k cheque." Luks: "thanks for your help.."

Losta: "as if you gave me a choice." he got out the car to his own and breathed a sigh of immediate relief..

Chapter 737

When I came home from school, I found my mother sitting outside with Lubambo on her lap onxibe panama yakhe envy. Me: "molweni." Ma: "hello sisi, unjani." Me: "ndiphilile mama. Wena unjani?" Ma: "much better." she smiled. Ma: "Nono usiphekele ke ndithe angagoduka." Me: "okay. U-sure ba uright mama?" Ma: "ewe tshin." she got up and walked me inside. Ma: "uhamba nini?" Me: "qiba kwam uvasa ndinxibe." Ma: "okay." I went to bath nyani ndanxiba. Nothing near fancy because I didn't feel like it but I tried my best with the dark blue tights and plain white slim fitting long sleeve top. White all star and packed my school books in my bag. With changing clothes, and toiletries. Ma: "uphathe ne jersey." I took my jersey and tucked it in the bag because okwangoku bekuse shushu. I went to feed Lubambo for a while giving him back to my mom. Ma: "bye bye ke." Namhla came home from school. Me: "bye ma. Sharp hlehle." Namhla: "bye babe." I walked out the house and took a taxi to town. Then another to Summerstrand. Ndahlika estopin sika Lindi. I walked slowly into the street, when I got to the gate someone was leaving so ndangena njalo. I walked up the stairs to her room. There was a note on her door directing me to a few doors down the hall. I took the paper and walked down a bit confused, had she moved? When I got to the flat I heard some music playing inside softly. I knocked. Ndinayo indawana edikiweyo because I knew nothing of this. What was going on? I opened the door with irritation ndangena. At first, I stood in the middle of the lounge. Petals were sprinkled around a table with candle lights and a bottle in an ice bucket. I was officially lost. I'm gate crashing someone's romantic dinner. Before I turned around, the bedroom door opened and he walked out to stand in front of me. I literally froze. The last person I'd expected here. I had been conned. Luks: "before you decide to leave, please hear me out." he stepped a bit closer. Luks: "its funny how I planned this whole thing and now you're here. But I don't know what to say..." I couldn't move. Luks: "I took you for granted. I never valued your worth. I thought I could own you. I hurt you a lot." Me: "you're just stating facts Lukhanyo. Facts that I don't need reminders of." luks: "I know, but before I correct my wrongs I need to put them all on the table and ask for uxolo lwakho." Me: "I already got your letter." Luks: "tell me what I have to do Lihle, please." Me: "you have to get help. You don't love me Lukhanyo. You never have." Luks: "that's not true Lihle. You mean the world to me. The things I've done was out of umona nokungcola." Me: "exactly. Not uthando."

Luks: "I know I hurt you a lot. I want to correct that, fix it." Me: "you can't fix the past." Luks: "I know. But I'm here to make right for the future. For our kids." Me: "I don't think you're ready for that. Right now your aim is to prove to yourself you can win. And if I accept you? That means you win. Won't that be too easy? After everything you've done?" Luks: "Lihle, ndiready." Me: "you're not. I can see it in your eyes. You want your trophy wife back. Somewhere to feel safe. Somewhere warm to get back to after a long day of hustling." Luks: "Lihle that's not true." Me: "how is it not true ? Ufuna ntoni kanti?" Luks: "I want us to work together as partners sikhulise abantwana bethu." Me: "what's wrong with the way we're doing it now?" Luks: "I hate how we're throwing them back and forth like this." Me: "do you want a schedule?" Luks: "Lihle khaw'yeke lento uyenzayo." Me: "you can't order me around anymore Lukhanyo. We've passed that stage." Luks: "ufuna ndithin Lihle? Just tell me." Me: "I want you to be honest." Luks: "about what?" Me: "why you had to lie for me to get here." Luks: "I couldn't get through to you. I had to do something. Andikwazi ungathethi nawe. I wanted to tell you how deeply sorry I am for putting you through everything I have. I don't have an excuse. I wanted to do something lovely for you to remind you I'm not all bad. Andinguye lamjita wadibana nam ndinguye. You cleaned me internally, softened me. You've changed me in ways no other woman could. When everyone else gave up on me you held on wanyamezela. If I'm ever to fix myself, it would be for you. All the pain you've gone through. God never made a mistake undidibanisa nawe. You Made me believe in prayer. The most amazing thing in my world. Is you and my kids. I don't ever want to lose that because kudala yabaliphupha lam. Noba wenza nton ngobomi bakho, hlala uyazi ukuba eyam iring izohlala k'lowakho umnwe and no one elses. No matter how many times we divorce and fight, it'll always be you." ndabe ndisindwa nayile bag. I put it on the floor. What now... I asked myself. Luks: "please say something." I had nothing to say except a burning question. Me: "who's flat is this?" Luks: "I rented it." Me: "oh." whatever he was expecting must be big. We stood in silence for a while. I had another burning question but it wasn't for him. I wonder Ta Smig uhamba njani. Has he found anything? If he has he would have called? Did I even bring my phone? In a few steps of my misconcentration, Lukhanyo was standing directly in front of me. Luks: "what's wrong?" Me: "nothing." his hands folded around my waist and he hugged me. I hugged him back not sure why we were hugging but it was happening. Me: "what about your girlfriends?" Luks: "I only have one wife." Me: "Lukhanyo." he pulled away slowly and stared into my eyes. Luks: "andinayo i-girlfriend. Not anymore anyway." I tried looking for his lying elements, but I found nothing. Nonetheless, I tried pushing him gently away. He held me firmly. Me: "yinton ngoku." Luks: "just enjoying this

moment. Its been over a year. " Me: "I need to get going." Luks: "I went through all this trouble. To get your favorite music, cook your favorite food, the least you can do is eat with me. Nobody will ever find out. Please?" I wonder who exactly nobody was. His friends, brothers, and Lindi. They knew. Anyway ndiz'qhathela nton. Me: "okay," he pulled my chin and kissed my lips, I held his face waiting and trying to find that spark we once shared. He held on to me passionately and out of breath. I stopped him and stepped back. I felt absolutely Nothing. Luks: "enkosi." he closed and locked the door. Luks: "you keep the key. whenever you want to leave." Me: "so awuz'thembanga?" Luks: "tu. I might kidnap you and live with you underground." Me: "that's not funny." Luks: "sorry." he pulled out my chair ndahlala phantsi he heated the food and brought it to me. He then proceeded to surprise me and said a short prayer. We ate quietly. I wasn't surprised that the food tasted like a chunk of heaven. As usual. He poured the wine. Luks: "by the way, you look beautiful tonight." Me: "ndinxibe ilegging." Luks: "I noticed, but to your surprise I don't mind." Me: "is it because we're locked in a flat together?" Luks: "mhmm.....partly yeah." I laughed. Luks: "unjani uLast born." Me: "he's well. And my twins?" Luks: "noisy." I smiled. He looked at me for a very long time. Me: "what..." Luks: "nothing." he smiled. Me: "so you bribed Lindi to talk me into a study date." Luks: "yes I did. Also Sine." Me: "and Lubby?" Luks: "he helped me decide on the decor. You know him. Always involved." Me: "is he okay?" Luks: "he gave us his blessing. As long as I kept you happy. If that's what you're asking." Me: "utshintshiswa yinton kengoku?" Luks: "I'm sorry...its just..its time we moved on. Lubby is okay, I'm okay. Wena?" Me: "I'm not okay." Luks: "then I'll wait." I didn't want him to. Me: "don't you think mayb-" Luks: "No. I know what you're going to say and I'm asking you to hang on and trust me Lihle. Promise me you won't let go?" I couldn't make that promise. Me: "Lukhanyo, its better that we're separated, we treat each other better, and raise our kids better. Maybe some day, I don't know." Luks: "so you want a divorce?" Me: "yes and this time not a fake one." Luks: "okay. That's fine then." Me: "are you sure? Ndifuna sivumelane, I don't want fighting and arguing over kids." Luks: "no I promise you I won't fight. I just thought we had a chance. Noba yeyok'qibela." Me: "I'm sorry Lukhanyo. Right now the only thing I can offer you is friendship." Luks: "I can work with that." Me: "cool..."

After our dinner, and long conversation. It was time for me to leave. Me: "well, mandihambe ke. Thank you for dinner." luks: "only a pleasure, I just hope we could do it more often." Me: "don't push it." he smiled. Luks: "should I take you home?" Me: "no, I'll crash kuLindi. Thanks." luks: "and why not here?" Me: "firstly you don't have furniture, secondly because no." he laughed. Luks: "ikhona ke shame ibhedi to your

dismay. It has nice warm new sheets and a duvet nengubo." Me: "hm...lovely. I figure uzolala kamandi ne." Luks: "Sizo." Me: "hahaha! You never cease to amaze me." I stood up and packed the dishes. Luks: "ziyeke, I'll do them." Me: "then I should get going." Luks: "awww." he sulked. Me: "goodnight Lukhanyo and your little puppy face. Its not working sweetie." I took my bag and walked out to Lindi's flat. I knocked for a while. I could hear voices inside. Me: "Lindi." Luks: "uhm...I don't bite." he peeked out his door. Me: "oh yes you do. You devour." Luks: "ouch." I knocked again. Luks: "uyaphazamisa." Me: "ndiright." Luks: "you'll lock me in the bathroom then." Me: "I'm not sleeping apho Luks." Lindi opened. Me: "traitor." Lindi: "haha! Oh hayi wethu." Me: "I should be studying by now." Lindi: "uhm.." Sine appeared, ndangena. Me: "you were the ones that called me here. Ndilapha ke bethunana. I'm sure we didn't all expect a bump and grind session from my side." Lindi: "I thought you might say that." Me: "guys, we mostly spoke about our children, and finally came to the conclusion of a clean divorce. Isn't that nice?" Lindi: "do you have to?" Me: "its what we both want and agree on." Sine: "its what You want." Me: "damn right it is." I took out my books, safundeni until 3 in the morning then slept. We woke up at 9am ndayovasa ndanxiba. Thursday I didn't have a class. The one I had was cancelled anyway. Me: "so, nizokwenzani?" Lindi: "drink, sleep..." Me: "study maybe?" Lindi: "only later peto." I could see the looks they were giving each other benditshiswa yi-candle kakubi apha. Me: "alright then. Ndimnkile. Be safe." Sine: "heee." I took my bag and left the flat. Bumping into Lukhanyo again. Me: "If I didn't know any better I'd say you're stalking me." Luks: "I have no reason to. Mna ndicimba nise skolweni. That's why ndihamba ngelixesha and not ngoo7. That's when you'd rule me out as a stalker. Uyaphi?" Me: "home." Luks: "sow'tyile?" Me: "no I'm fine." Luks: "iza ndiyok'beka." Me: "I'll be fine noba undishiye Terminus. Its cool." we went in the car and he drove nge freeway. Me: "terminus???" Luks: "woyika ubonwa uhamba nam ksasa dan? Bazocimba u-awtile kokwenu? Akhont irongo mos awtela umnyen wakho." he teased. Me: "argg. Lukhanyo, I don't want trouble." Luks: "I won't cause any. I promise. Kodwa uyayazi andithandi ukhwele itaxi." Me: "excuse me? Uqala nini mhlawmbi?" Luks: "I never did." avoiding an argument, I kept quiet. He drove into New Brighton wayongena Kwa Ford. Luks: "I'll just change then drop you off eDaku. Uz'khwelele ke Va. Since ungafuni ndikuse Motherwell." Me: "fine." he parked his car. Luks: "awuzohlala emotweni ke nosisi, noba ume ekitchen kodwa not emotweni." Me: "why?" Luks: "need I remind you what happened the last time ndakushiye emotwen simise kulendawo?" Me: "oh." ndatsho ndiphuma. Reminiscing the 4 gun shots I heard from right next to me some years back. I stood ke nyani ekitchen. It hadn't changed much. Where I used to cook supper everyday. It looked exactly the

same. Luks: "feel at home yet?" Me: "kinda.." Luks: "feel free." he took off his shirt wayongena in the bedroom. A few minutes later there was a knock on the door. Me: "come in." she walked in. Oh not this one again. Zan: "hi." she smiled. Me: "hello dear." Zan: "ndize kuLukhanyo. There's something I left here by mistake shame." Me: "he's still a bit busy and yindlu yakhe lena so once he's done he'll attend to you." Lukhanyo came out. Luks: "uthetha naba-" he looked at her. Luks: "Zanele ufuna ntonapha?" Zan: "ndishiye nto yam izolo." Luks: "and then? Thathe kaloku mtshana ubeyi ndlela." she bent down and pulled her thong from under the dining room table. Zan: "enkosi sweetie. Nawe girl." and she strutted out. Me: "alright, enough of me here. Ndimnkile. I'll see you xa uzise abantwana. Thanks again." Luks: "Lihle mamela..." Me: "no andingeni ndawo Ta Luks, I'm just alright, ndizokhwela pha bus stop Va. Don't worry." I smiled. Honestly? I'd expected this. So I wasn't upset. I walked to the Bus stop trying to revise my studies on the way. I stood ndalinda taxi. Someone stood closely next to me, ndamjonga ebusweni lobhuti then took a step away. He fully turned around to face me. He stood legs apart, brackets, hands in pockets, endijamele. He looked strangely familiar. Him: "mntasekhaya." he smiled sweetly. I probably zoned out for a few seconds trying to think who in the world was this. Him: "I should've come sooner, from the beginning to protect you like an older brother. Kodwa ndiyak'thembisa, nobody will ever hurt you ever again." Me: "ungubani perhaps?" Him: "Benny." he smiled. Then turned around to walk away. What the fuck?

The moment I got home, shaking and nervous. Ma: "hi. Sow'buya." Me: "mama. Ndino brother omdala?" I blurted out. Ma: "owam'thenga phi mntanam?" she laughed. Me: "mama, I am an only child Ku Tata. Do I have a brother? Ndicela uYes or No qha mama. Enye nanye ndizoz'bonela ngokwam." Ma: "uyifumanaphi yonke lento uyithethayo?" Me: "I met someone. Uthi he shouldve come kwasek'qalen and protected me like an older brother. Uthi ungu Benny." Ma: "andimazi lomntu mna." Me: "but mama, before mna, you have no other children?" Ma: "waske wandibuza ichebetyu lesepha uLihle." Me: "mama please, I will not judge." Ma: "nguwe wedwa umntana endamzalayo mna Lihle. Akekho omnye. Linda tatakho ubuze yena." but Ta Smig said I'm an only child kuTatam. I'm the only one that feels him, what if this Benny guy feels something too? Why would he appear now to "protect" me all of a sudden and most importantly, what did he know? Good God, now I wish I'd asked him instead of being dumb struck. Ma: "umhle??" Me: "andiyazi. I didn't realize." Ma: "kanti bumjonge ez'nyaweni?" Me: "no mama bendi confused. him being pretty won't solve anything." Ma: "xa umjongile ufana nabani?" Me: "andimazi mama. Kodwa, something about him is strangely familiar. The way he stood, the dramatic turn, his

smile, his walk. Its so creepy. And eyoba uyandazi. What if he's lying?" Ma: "nantsoke, what if ukufaka kwi trap. Sum'hoya Lihle lomntu, xelega umntu onokukhusela or find out who he is kqala." Me: "what if uthathwe Nguye utata?" Ma: "akasemdala utatakho for u'xhwilwa." she laughed. Namhla came in. Mama updated her on my misery and they laughed about it. Akusemnandi. Namhla: "mntase, uyakoyikisa lomntu. Whoever he is. You're an only child." Me: "yes I am. Kuthen ndingaz'thembanga khona." I read a message off my phone. Me: "ndisaya evenkilen. Khona nto eniy'funayo?" Namhla: "cheese naks." Ma: "yogurt noba zimbini." I took money ndathi chuu. Ta Smig was waiting for me at the end of the street, I got in the car. Smig: "unjani?" Me: "a bit shaken. Awukamfuman?" Smig: "tu. Its like he's completely vanished." Me: "Ta Smig, I may have some troubling news." Smig: "yinton?" Me: "I met someone." his expression changed. Smig: "usatshatile Lihle." Me: "no, not like that. Ndidibene nomntu casually ebustop." Smig: "ngumntu othen lowo." Me: "you said I was an only child." Smig: "ndiyakhumbula." Me: "ngubani uBenny?" his eyes almost popped out of his head. Smig: "udibene noBenny???" Oookay, this was Not good. Me: "ewe." Smig: "Stay Away From Him Lithembelihle. Uyandiva? And I swear if ndive ufunana naye, ndiyok'thatha ndiyokushiya kuLukhanyo. Trust me you'd be safer with him, rather than This." Me: "utheni? He seems nice." Smig: "Stay Away Qha!!" ...

Chapter 738

That night when I went to sleep. All I could see in my head was his face, his body. He came up to me and hugged me. I kissed his cheek. Me: "Benny. What are you doing here?" Benny: "came to surprise you. Awubawel ndikukhuphe?" Me: "no...my father won't allow it." Benny: "your father isn't here. Ndiyak'bona uyafuna nje..." Me: "ubona phi?" Benny: "right here.." he kissed my blushing cheek. Me: "stop it, someone will see us." Benny: "okay ke. Uza nini kum?" Me: "tonight. Now go.." he kissed my forehead and walked away. My heart was floating. He turned around to look at me and flashed a beautiful smile that sent me on my knees. "Lihle!!!" I jumped up from my dream and looked around. Namhla was staring at me confused. Namhla: "uthetha naban!" Me: "I was.....oh shit." I wiped my forehead. Namhla: "what?" Me: "I think, I've just stepped into a deadly trap." Namhla: "why would you think that?" Me: "ndiphuphe ngaye..." Namhla: "kwalo Benny? And?" Me: "I said my father won't allow it...wathi yena my father wasn't there." namhla: "so?" Me: "so, that means he knows my father and my father knows him. He is either my older brother manyani, or my father's enemy. Or the reason my father disappeared." Namhla: "damn. That's

deep." Me: "I don't know Namhla, in the dream, I was inlove with him. I was willing to go against my own father! Who is he?" Namhla: "someone you should spend the rest of your life avoiding. Cacile he's bad news. What else did you say to him?" Me: "heee. Hayi ke iwesi. Inama nqindi emqolo." Namhla: "I've got mixed emotions. I pray and hope this isn't your brother, and ndine feeling etshoyo ayinguye. What then?" Me: "then I find out who he is." Namhla: "someone new...to finally move on with! FINALLY." Me: "if I want to move on, it won't be with my potential long lost half brother." Namhla: "if it turns out he isn't?" Me: "I was told to stay away Namhla." Namhla: "by?" Me: "promise not to say anything?" Namhla: "cross my heart." Me: "I asked Ta Smig to come back and help me look for utata. Once I mentioned Benny. He literally freaked out and said I must stay away." Namhla: "yoh. Hayi ke sisi xa engazothenjwa nangu tanci? Ikhona ingxaki mntase. Inkulu futhi. Iyaxhentsa dadekazi. Myeke lowo." Me: "he threatened to take me to Lukhanyo if I tried finding loBenny. And I don't wanna go to Lukhanyo. He's just....being Lukhanyo." Namhla: "but uyafuna umazi nguban Benny? If he said what he said you won't have to look for him. Clearly he's been around you. If he wants to protect you, uzophuma es'fihlweni." Me: "what do you suggest." Namhla: "a staged robbery. He'll jump out to help you." Me: "or...beat our actor to death. We can't risk that." Namhla: "hayi ke mtshana. Cinga wena. Ngqond'wam ishushu kufunda mna." Me: "we'll just have to wait and see Hlehle." we went back to sleep...

Soma, Soso, Lukha and Lubby sat in the office. Soso: "what's taking so long?" Lubb: "Jose?" Jose: "I'm trying Lubby!" Luks: "isn't it supposed to be done by now? How difficult could it be to access a security company's footage?" they all stared at him. Jose: "a hotel? A Business? Hospital? All easy. Security Company? Flippen tight!!!" Lubb: "Soso, what do you have for me?" Soso: "results ziphuma ngo 10 ksasa, I changed the time to 12 for yena, to buy us two hours to access the originals." Lubb: "great." Soma: "Luks? Uhambe njani?" Luks: "well, she was asleep when I went in. So I planted the bug under her bed, all you need to do is connect to it." Soma: "amazing." Jose: "got it." they stood around him to watch. Lubb: "original?" Jose: "yes." Luks: "There's a space where it was skipping." Jose: "not in this one." Soma: "wait, pause. Who's that?" they zoomed the picture. Luks: "it doesn't help enxibe a flippen hoodie." they played it again. Lubb: "wait did you see that?" Soso: "the doctor?" Lubb: "that is no doctor!" Luks: "he's wearing his uniform Lubabalo." Lubb: "rewind. Look closely to Mr Hoodie's left wrist. The watch. Fast forward to the doctor." Soma: "oh my God. This sly bastard." Lubb: "keep going. We'll get his face eventually. Lukhanyo amajita aready?" Luks: "yes, their flight leaves on Saturday morning." Lubb: "good." he walked out. Soma: "can you track this person down?" Jose: "yes." Luks: "let me make a phone

call." he walked outside to make a call. Luks: "Stuja, its been a week." Stuja: "Ta Luks. I have bad news." Luks: "yinton?"

Friday morning, I rushed to finish getting ready and ran out to the bus stop. I needed to get that bus to be on time. Luckily ndafika estopin ngase Postile ingeka fiki. So I waited. "good morning." I turned around and saw him. Me: "Benny." Ben: "even nasekusen you look ravishingly beautiful." Me: "what do you want from me?" Ben: "nantsi bus yakho ifika. Don't be late and Enjoy your Day." he started walking again. I got on the bus. He had my father's tendencies. The ones he had in the beginning sisaqala udibana ndiphuma ebankeni. So eventually he will settle and talk to me properly. He really was my brother? Naah, Ta Smig would've said something sooner or even izolo. Clearly he's a dangerous individual. When I got to school I went straight in to go write my exam. The moment I was done, hoping I'd passed because ngqondo yam ibingekho apha tu. I waited outside for my nigga's. Damian came out afterwards and he sat with me. Then Lindi and Jake. We went to attend our last classes saphuma ngo 1. Lindi: "okay Lihle, please stop blacking out. honestly." Me: "hm? What?" Damian: "I'm guessing the dinner is still fresh occupying your soul." Me: "not really." Lindi: "then what's up? Changing your mind about the divorce?" Me: "Definitely Not. I'm happy with my decision." Jake: "but ????" Me: "there is no but." Damian: "looks like There's a but. A big one." Jake: "with a sigh." Me: "nothing of the sorts." Sine came to join our walk. Lindi: "Lihle, yinton kengoku problem?" Me: "I met someone who claims to want to protect me like a big brother which is odd." Sine: "you have a big brother?" Me: "not that I know of. He follows me." I whispered. Lindi: "that's creepy." Me: "my dad used to do this. What if he really is my brother?" Sine: "I think you should first find out more. Or have protection at least. You can't just trust his word." Me: "I trusted my father's word though." Lindi: "problem is, where is your father now? And why would this so called brother appear when your father isn't here? He's totally taking chances." Me: "I should go home guys. I don't want to be out late." Sine: "ndikukhapha?" Me: "I'll be fine thanks. Bye guys." I got a taxi to Town then one to eMotherwell. Getting off at my stop I walked quickly home. "Lihle!" someone yelled from behind me. I walked faster, my heart pounding. "Lihle!" he pulled my arm. I looked at him sendimtyhala. But it wasn't Benny. I sighed a relief, this was Tyler, an old friend. Me: "i thought you were someone else. Unjani." Tyler: "ndidiniwe. Kunin ndikuleqa. Awusenqabe." Me: "ndikhona." Tyler: "oh? So ulapha full time?" Me: "yep." Tyler: "okay ke, xandine chance ndizozo bulisa Va." Me: "okay Ty, bye." I carried on walking. Ndayofika egate'in kumise moto Ka Lukhanyo and another polo vivo. So as I walk in I'm expecting to see my kids. Instead I saw obviously Lukhanyo but two other men sitting on the couch. Me: "molweni." I

greeted. A bit confused. Ngoban aba. Luks: "molo Lihle. Please sit." I sat down. Me: "what's going on?" Luks: "recently ezindabeni, uyamazi mos uSiwe, well usesbhedlele. Apparently, according to the nurses and register, utatakho ebesiya esbhedlele." Me: "that's impossible utatam akamazi uSiwe." Luks: "no he doesn't. Lona Ngu Detective Ndabeni, noOlifant. They want to ask a few questions." Me: "okay." Ndabeni: "utatakho does he have places which he goes to during the day okanye uhlala aphe ndlin imini yonke?" Me: "uhm..." if I was required to lie Luks would have given me a heads up kwakudala so its truth only. Me: "no, usually he leaves. Uthi xa ehamba uya endlinakhe to check on things since engasa hlali khona." Olifant: "abuye nin?" Me: "latest by 4." Ndabeni: "everyday?" Me: "most days." Me: "nothing. Wayondibeka eskolwen qha." Luks: "Lihle, when we found out that utatakho uya esbhedlele we tried umkhangela. Asam'fumana, and this morning, we discovered imoto yakhe." Me: "where?" Luks: "Overbaakens, itshile, amapolisa are trying to investigate what happened." Me: "where is he?" Luks: "unfortunately, he's still missing." Olifant: "we haven't found his body. Kodwa There's a trail of blood ephume motweni. We're trying to figure out with uncedo lwakho. Utatakho akeka fumani threats recently? Akhomntu am'kweletayo?" Me: "no." Ndabeni: "when you last saw him ebenjani? Akatshongo uyaphi?" this wasn't happening! Where was my father? Me: "andimazi! I can't remember!!" Luks: "okay. I think this is it. She needs to rest." Olifant: "alright. Sizo keeper in touch Mr Mzinyathi, siyabulela ngoncedo lwakho." Luks: "anything for family." they detectives walked out. Me: "uphi umamam?" Luks: "ulele. She took a lot of strain ngoku ebexelelwa. So ndamnika pilisi zakhe wayolala. I couldn't just leave kungekho mntu. I'm sorry." Me: "no its okay. Enkosi. Lukhanyo why didn't you tell me this sooner?" Luks: "I didn't think kunje nam, I just figured maybe he's on a hunting trip as usual. Khandiyazi honestly. Come here." he hugged me. Luks: "he's going to be okay. Don't stress." Me: "I think I know someone who knows where he might be." Luks: "ngubani lowo?" he pulled away slowly and looked into my eyes. Me: "I don't know." I cried. Luks: "shhh...its okay. Whenever you're ready love." Me: "izolo ngoku bendiyokhwela ndikushiye endlin. Someone bendilinde bus stop." Luks: "what!! Who?!!" Me: "uthi ungu Benny. I've never seen him in my life." Luks: "what did he say?" Me: "he said, something like, he should've protected me sooner as an older brother, no one will ever hurt me again. I thought I was an only child." Luks: "what

else did he say." Me: "nothing wahamba." Luks: "so you think he knows?" I nodded. Luks: "why? Xa engathethanga nto ine tyiwa.." Me: "again ndimbonile ksasa apha estopin." Luks: "so lomntu is following you?!" Me: "he said good morning, told me ndimhle, when I asked what he wanted from me he just said, nantsi bus yakho ifika and I shouldn't be late, I must enjoy my day." Luks: "annnndd...." Me: "Lukhanyo my father says that every day." Luks: "you think this is actually your brother?" Me: "I don't know what to think." Luks: "listen to me and listen to me very carefully sweetheart, whenever you see lomntu. Dial my number. Real quick. He is following you, while your father is missing. I'm not taking anymore risks ngawe. Uyandiva?" Me: "yes." Luks: "awuthandi umamela ke wena xandithetha uzenze uDetective. Do not make any stupid decisions." the baby started crying in the bedroom. He walked in to go fetch him. I looked at the door and saw a shadow already passed. Me: "babe?" he didn't reply. Me: "Lukhanyo!" Luks: "what's wrong?" he came up carrying Lubambo. Me: "someone was outside just now." Lukhanyo breathed for a few seconds trying to find his patience. He made a call in the living room. Luks: "ungaphumi apho Lihle." I stayed intact kulandawo ndimiswe kuyo. Luks: "we'll have the guys looking out apha." Me: "wena uyaphi?" Luks: "you don't want me to go?" I shook my head. Me: "Lukhanyo ndiyoyika. I can't do this anymore!" Luks: "okay, okay...calm down. Hlala phantsi..." I sat down, ndingcangcazela. Hewethu ithini into yalo Benny? I received a message from Ta Smig: "ungaphumi kulondlu. Until I tell you its safe. Listen to Lukhanyo. Nobody else." I replied: "Ta Smig, who is Benny?" he didn't reply. So whatever he was. It wasn't at all safe being around him. Kodwa what if he knew where my dad was? Or was he the one who burnt my father's car? Luks: "awulambanga?" I hadn't eaten all day but I was not hungry tu sistress. Me: "no." he sat next to me. Luks: "Lihle, you do trust me ne?" I looked at him. Luks: "I made a promise to you kula alter 2 years ago, promising to protect you and our children forever. You do trust me to do that?" Me: "yes." Luks: "I need you to be completely honest at all times, nam I'll do the same." Me: "okay." Luks: "yuh iyajamela lentwana. Undijonga nton kwedin?" Lubambo looked at me and back at him then cracked a big toothless smile. Luks: "so iyakonwabisa lendaba yondibona ne? Ikwenza happy?" the baby giggled. Luks: "I bet it does...kude kuvele izinxonxo zika tatakhe. Sies man iboy." he wiped his mouth and chin. Luks: "he's beautiful..." Me: "bonke." Luks: "bafuze utatabo. Bonke. Lihle elibhele. Get it? Lihle and bhele being me. You see? Its difficult to cut me off. Hleli nje sidibene" I smiled. Me: "lizobalibi kanti elibhele bonanje." Luks: "well unfortunately, I have a fighting chance for the weekend while I play daddy." Me: "ndikhumbula twins zam." Luks: "yuuuh love, sobalanda ngecawa. The noise they make." Me: "xabe bona Wena." Luks: "still. Your mom needs some rest,

bengekho right when she went to bed. Somjonga unjani ngomso, if she's okay, ndiyobalanda." Me: "okay." Luks: "ubuya nini uNamhla?" Me: "uthe uzoya kuThulani today so noba upha." Luks: "lovely, so we can lock up?" Me: "Lukhanyo please don't get idea's. I trust you, I shouldn't but I have no one else right now." Luks: "I won't try anything Lihle. We agreed on friendship qha. I'll just lock up for safety emnyango, ndipheke sihlaleni qha. I'll sleep apha elounge if I have to. I'm not going to mess this up." Me: "thank you." he locked the doors, I closed the windows and took the baby to the lounge. Ndalighta heater putting a thick blanket on the floor sahlala phantsi. Lukhanyo was cooking ey'thanda kakade imbiza. I went to check on my mother wabe elele ubuthongo. Me: "mama, you have to eat kqala." she woke up. Ma: "no ndiright mntanam khacime esisbane." Me: "uLukhanyo usekhona. He'll stay the night." Ma: "good...at least nizoba safe, andikaziva ndise mandleni. Last time izinto zamoshakala sihleli sodwa kulendlu, kwangena abantu abathunywa ngusathana. We need to feel safe. Umxelele ndiyabulela uyeva?" Me: "okay mama. Goodnight." Ma: "night sisi." I left her room. Luks: "and?" Me: "usafuna ulala. I think she's still traumatized by the robbery, uthi enkosi ngobukho bakho." Luks: "I wouldn't be anywhere else." he sent a message on his phone, kwangena enye waphendula. Me: "news?" Luks: "no." Me: "problem?" Luks: "nah...ndixelela uLubby qha that andizobuya, so he'll have to watch the kids this weekend, he doesn't mind. He's just worried." Me: "Oh. Okay. You need help?" Luks: "no love. Hlala apho nonyana wethu uphole. I got this." I went to sit down and watch TV when another message came through on my phone. Ndayifunda. "is it safe for me to knock on your door and pretend I'm your gay friend in order for you to come out since uvalelwe and security out here is seemingly water tight." I laughed at that reality but stopped myself. Wait....this was Benny.....right?. I replied: "he would never allow me." Him: "then Allow Me." ...

Chapter 739

I was at a cross road. Should I tell Luks? Or not? Should I do this by myself? No. What if I get kidnapped? Again. And there isn't Sporo to save my life this time. Ta Smig is dead sure that Benny isn't someone nice. And he's the only one that knows him but akafun undixelela who he is so yes, maybe he is my half brother. That means he wouldn't hurt me right? If he wanted to, he would've done that already.

Wait....Sporo! He could help. Right? Luks: "I don't like that look. It means you're up to something and its not good." I smiled. Luks: "and that smile, means you're about to lie to me. Try again." I sighed. Luks: "I know that too. Theta." Me: "I have to find out who he is." Luks: "NO. Lihle, its not safe!" Me: "I don't have to do it. Sporo can...he

will trace him so quick he's head will spin." Luks: "most definitely not involving lowo umntu ezintwen ze family Yam. Forget it! I can handle this Lihle!" Me: "Lukhanyo." I stood next to him holding his arm while he stirred the pot. I hugged his back. Me: "I don't want you to go out there and get hurt. Its about time someone else did the dirty work wena uhlale apha with your family." Luks: "I can protect my family. Andil'need uncedo oluvela k'lantwana." Me: "and I have no doubt in my mind. Kodwa it will require you leaving us alone apha. For once can you please listen to me?" he turned around to look at me. Me: "please??" I nagged. Batting my eyelashes. Luks: "I'll think about it." Me: "you're the best." Luks: "yeah, please don't hold me like this, I am dying to kiss you." Me: "oh, sorry." Luks: "ndiphake?" Me: "yes." I went back to the lounge. I read the message again. "then Allow Me." somehow, that sounded very...suspicious. What was he about to do. Luks brought me my food on a tray and he prayed, wahlala phantsi. He ate his food. I stared at mine sadly. Luks: "Lihle." Me: "hm?" Luks: "babe, I can only help you, if you're honest nam." Me: "I...." Luks: "talk to me." Me: "I would like for us to stay real close. Right now." Luks: "without a doubt." Me: "he's around. He's watching. And he knows you're here." ...

During the night, everyone was fast asleep. Lukhanyo got up slowly and went out to make a call. Luks: "Lubby?" Lubb: "hey, what's up? Uphi?" Luks: "still with Lihle, akafuni ndihambe. she's scared because kukho umntu that's been following her." Lubb: "what! Mntu waphi lowo!" Luks: "I'm trying to find that out. How's things ngapho?" Lubb: "we're doing good, ndiz'fumene results. We got Victor on camera. and our fortune is transfered and about to be scooped up by our fellas in the Bahamas." Luks: "good. So is the baby yours?" Lubb: "definitely not." Luks: "so uzothin." Lubb: "ndizomlinda until she tells me it is. Then I show her it isn't. If she doesn't drop the claims I'm going public and exposing her boyfriend for fraud." Luks: "no! Don't! Selidakisile igama lakho! Go straight public sumbonisa." Lubb: "nah, I want to do this the gentleman way. And if she doesn't co operate, then siye public. Who's image remains golden? Mine. There's levels." Luks: "okay. Fine." Lubb: "unjani ngoku uLihle?" Luks: "I don't know. Utye walala. I guess its better that elele." Lubb: "okay, send my regards when she's awake." Luks: "I will. Listen we'll talk later Va." Lubb: "sharp." he hung up. Lukhanyo went back in the house. Me: "uvelaphi?" Luks: "hey, I didn't want to wake you. Bendise fownin noLubby." Me: "oh." he sat down on the blanket. Luks: "uvukele nton?" Me: "blanket felt a bit empty." Luks: "uncomfortable? Ambolala ebhedin." Me: "and you?" Luks: "I'll be wherever you need me to be." I closed my eyes again because I was busy fighting sleep. Luks: "Lihle, what are you hiding from me." Me: "nothin..." I muttered. Luks: "really? So I can check your phone?" I shot my eyes open immediately. Me: "why? Don't you trust me?" Luks: "I

do..its just that, I need to be a hundred and two percent sure." Me: "by checking my phone?" Luks: "you're sending texts and keeping quiet whereby mna the moment I touch my phone ufuna uyazi ngubani. How is that fair?" kodwa ke nyani. Me: "but naxandithetha noSbosh noLindi I must inform you?" Luks: "Fine then." Lubambo woke up and sneezed. Luks: "babe-" Me: "your turn daddy..." Luks: "but he's-" Me: "diapers in the second drawer. Night." Luks: "okay, fine. Come little fella.." he got up and went to change the baby's diaper. By the time he came back my phone lit up again. He sat next to me wavala umlomo wakhe. Luks: "you gonn get that?" I checked it. It was Ta Smig. The message read: "Benny lived with your father before he went to jail, teaching him to fight, hunt and kill. He remained ehlathin when Sizwe went to jail, and he is the one who has him hidden at the moment. Nobody knows how to get hold of him. Nam ndincamile." 🤔:o just like that? Luks: "what's wrong?" I showed him. Luks: "so....you're telling me lomjita Knows where utatakho uphi?" Me: "clearly." Luks: "sooo.....we're dealing with another Ta Seez? If not worse, because whilst Ta Seez went to jail and joined civilization, Benny still never resurfaced and wahlala wherever he was. Meaning he is a danger to society." Me: "no...if my father trained him. Wamshiya, he couldn't have continued. Inoba naye wagoduka." Luks: "for ba makayohlala ehlathin, cacile bengena khaya. This guy was out of existence for 20 full blown years." Me: "meaning he was about 9 or 10 when he lived with utatam. How did your father not know of this?" Luks: "because uBenny ebefihlwe ehlathin Lihle!" Me: "aren't you interested ukuba kuthen yonke lento ivela ngoku? Why ngokuya wayekhona tatam zange atsho?" Luks: "once we find him, we'll ask him. For now, masilale. You need to rest." I laid back again. Luks: "nguban lo uk'thumele Le message kengoku?" Me: "Ta Smig." Luks: "where is he?" Me: "andimazi ke." luks: "so ubundifihlela?" Me: "not really. No." he put the baby in between us and closed his eyes. Me: "uqumbele nton?" Luks: "and'qumbanga." Me: "then why you pouting?" Luks: "my smile hurts." I laughed. Me: "look, he came to help me look for utata. I knew there was something wrong. that's why I called him." Luks: "and you didn't think that mna mhlawmbi I could help?" Me: "bes'ngekho on speaking terms and ke my father and you had beef, I couldn't expect you to look for him." Luks: "but I wouldn't want anything to happen to him. You know that?" Me: "for you to be here...it means so much. And I hope he will see that too." Luks: "uyasigodolisa." I moved a bit closer. Me: "funa nje uthi ngca, ayikho enye." luks: "what did you mean when you said he's around and usijongile." Me: "he sent me messages, ufuna ungena." Luks: "can I see?" I showed him. Luks: "what do you want me to do?" Me: "I don't know, ndifuna utatam qha mna Lukhanyo, I want him back! If this thing knows where he at, then he should say it." Luks: "okay." we fell asleep after a while. We

were woken up by a knock at 5am on Saturday. I sat up. Lukhanyo woke up enomsindo. The baby woke up too. He picked his son up to calm him down. Me: "awufun unxiba kqala?" Luks: "hayi andiyi ndawo mos." he sat back. Lubambo faced down on his inked chest, his fingers trying to grasp the writing of my name. Me: "you still have that??" Luks: "ibezosuswa yintoni. Wandibethisa ngenxa yalento. Ndandifakwa iimpama apha." Me: "bak'betha kancinci." The knock on the front door persisted. Lukhanyo got up, grabbed his gun wayoma efestiren. Me: "Lukhanyo! Umntanam!" Luks: "ulele lomntana. Shh." he whispered peeping outside then went to the door and opened. Luks: "yes?" "may I come in?" Luks: "who the hell are you ?" "ndingu Benny." he stepped in. Luks: "ufuna ntoni apha." Ben: "phol'ingqayi ntwana yam andizanga kuwe." Luks: "well akekho ke omnye umntu ozom'bona apha without my supervision." Ben: "oh really? Unguban ke wena Bruce Lee?" Luks: "I'm her husband." Ben: "hm...Hi Lihle?" he waved at me. Ben: "can we talk?" Me: "ufuna nton Benny?" Ben: "uthetha nawe." Me: "well, I'm not leaving, and Lukhanyo isn't either. So...you might as well talk.." he smiled at me. Ben: "you might be wondering ndivelaphi all this time. Well, bendihlala eTinara. You're familiar with that place andithi, Lukhanyo is it?" he raised his eye brow. Luks: "what's your point." Ben: "I don't have one. Anyway, I knew your dad and he asked me to look after you, should something happen to him." Me: "has something happened to him? Where is he?!" Ben: "I don't know. But apparently he's nowhere to be found, isn't that odd? Lukhanyo?" Luks: "the only odd thing is you inside this house seeing odd things whereas awusazi nosazi at that.." Me: "how do you know utatam?" Ben: "well...he took me in ndisemncinci- no you know what? We can talk about this over coffee?" Luks: "I don't drink coffee." Ben: "I wasn't talking to you." Luks: "unfortunately, uthetha nathi sobabini kaloku Benny." Ben: "hm..." Me: "if you say, wathi kuwe utatam you must look after me xa engekho, itheth'ba uyamazi ukuba uphi! Why are you hiding him!!!" I yelled. Ben: "I'm not." Me: "ulixoki man!! Kanti uzothin apha!" Luks: "baby, calm down..relax-" Me: "don't tell me to fucking calm down when my father is missing!!!! You had better say something soon, REAL SOON!" Ben: "once you're calm. You'll know where to find me." he turned and walked out. Lukhanyo came to me. Luks: "bamba umntana." Me: "uyaphi?" Luks: "after him." Me: "you are going no damn where near that man Lukhanyo siyavana?" Luks: "but-" Me: "No!!! And that's final." he sighed and closed the door. Me: "uzolala." Luks: "why ungafun ndiye Kuy-" Me: "because he is a liar! He is the one that has my father captive wherever the fuck he is! I will be damned if utata wabantwana bam goes missing too! Fownela amapolisa too we're reporting him. Right now." he dialed the detective's number...

The doctor walked in the room where Thando had spent the few last days by Asanda's side. Doc: "good Morning." Thando: "morning doctor." Doc: "I have some news, which are good. Asanda, you are doing well. So is the baby. the heartbeat irregularity is a common thing in most unborns, its called fetal arrhythmia. But you need'nt necessarily worry." Asanda: "but is she going to be okay?" Doc: "certainly. We'll keep observing you for the weekend but discharging you on Monday morning to be safe. You'll have to come once a week to check on your baby's health. Try not to stress or eating unhealthy. Justine will come in a few minutes with medication prescription for when you're at home and a diet which you must stick to, plus exercises." Thando: "I will make sure she sticks to them. So the baby will be okay?" Doc: "yes sir. Your baby will be fine. I'll send Justine for you, okay? Relax and let go of stress. You'll be okay." he walked out. Thando: "do you think we should get a second opinion? Ingathi akaziva ba uthin lomntu. How can we not worry xa ungava intliziyo yomntana." Asanda: "I think we should, nyani. I can't just let it go and not stress." Thando: "okay, so ndizoya endlin and get you some changing clothes nokutya. Then I'll make a few calls ndibuze naku bhuti." Asanda: "and check on Sisipho. Ndiyam'khumbula.." Thando: "okay babes. You'll be fine right?" Asanda: "yes." Thando: "goodbye ke mntu wam." Asanda: "I love you." Thando: "I love you too." he took his keys and walked out.

Lubabalo came out of the airport after dropping the guys off for their flight. He called Soso while driving to the hospital. Lubb: "hey, niphi?" Soso: "ndise ndlini mna. Hey, have you seen your brother? Kudala ndimkhangela." Lubb: "he's a bit busy lomzuzu." Soso: "with what?" Lubb: "erh. Mama wabantwana bakhe. I think he's still there." Soso: "oh. What you busy with ngoku?" Lubb: "ndisaya esbhedlele ndiyo facer lebitchkazi." Soso: "Go Lubby." Lubb: "do you know that I even found out lo nurse she bribed to change the results. Ndizom'veza bonanje if akanaz'ntloni." Soso: "looks like you have an interesting day ahead." Lubb: "yeah, wena?" Soso: "I'm taking my woman and our daughter out. Its been a minute." Lubb: "aww. Cute. Then I guess ndizohlala noSoma ke mna since I'm single and he doesn't have kids." Soso: "alright. we'll check you guys later." Lubb: "sharp." he parked at the hospital and ended the call. Taking the envelope and walked inside to Siwe's room. The moment he got in. The bed was empty and neatly made. Lubb: "nurse? Uph uSandisiwe?" Nurse: "she was discharged Thursday afternoon." Lubb: "do you have details where I can reach her?" Nurse: "unfortunately I can't give you details of our patients sir." Lubb: "yesees!!" he sat down as she walked away. "I can help you." another nurse came by whispering. Lubb: "yeah, where is she?" Nurse2: "uhambe nomnye ubhuti." Lubb: "and?" she stared at him sarcastically. He took out his wallet and handed her notes. Lubb: "well??" Nurse:

"ndilinde apha ndizok'phathela file ene address ne contact numbers." she hurried away. Lubb: "Thank God." 30 minutes later she came back with a folded paper under her arm. Nurse: "ina." Lubb: "thank you." he took it and walked out making another call to Lucky. Lubb: "fethu, I need your help to check down an address, uphi?" Lucky: "ndise Motherwell Ta Lubby." Lubb: "uhm....why?" Lucky: "oh uTa Luks us'bizile sizo scouter nje.." Luks: "ni-scouters ntoni? Phi Vusumzi." Lucky: "erh...kulo Lihle Ta." Lubb: "for what reason? Akekho lapho na uLukhanyo?" Lucky: "ukhona Ta, qha after izolo uye wathi masize." Lubb: "what happened izolo? How come I don't know about this?" Lucky: "kufunyenwe moto ka Tata ka Lihle itshile Ta. Kukho nomntu omane ngolandela uLihle-" Lubb: "I know leyo yomntu but imoto ka Ta Seez itheni???" Lucky: "itshe yaphela Ta Lubby." he hung up. Lubb: "My God, Lukhanyo what the hell have you done!!!!" he started the car and drove straight to Motherwell. Meanwhile, I'd just helped my mother dress. Ma: "ufike wathini lamfana apha Lihle?" Me: "he came to introduce himself, ndambuza undazelaphi and he says kudala esiva ngam kutatam. When I asked him where my father was, he said akamazi. He was lying to me." Ma: "ngoku ubuthukisela ntoni?" Me: "mama, I am getting more worried, I know my father wouldn't want that, but I can't help it. Lowa umntu is a psychopath, who knows what he's done to him! Maybe ubuyele i-revenge. Or he's bitter kuba utata wamshiya and akabuyela kuye. What if he killed him mama?" Ma: "utatakho yindoda eyomeleleyo mntanam. It'd take more than umntu onje ngalo uthetha ngaye aveske ambulale." Me: "he's human too. Kuthwa, they found blood trails ziphuma emotweni." Ma: "see? Akhomzimba. Cacile uyaziphilisa. Ukuba right kwakhe uzobuya. Okwangoku uright umsuse lo Benny ecamkwakho. Although ndisiva i-vibe kuwe." Me: "ndiye ndaphupha ngaye zolo elinye. Ndim'phupha ndimthanda ngeloxesha in real life une zothe apha kum." Ma: "hayi uqala nini?" Me: "uqala ngalamzuzu abene sbindi soza apha endlin. Once the police find him, sizofumana utata." Ma: "mntanam, once akhangelwe ngamapolisa, don't you think perhaps, they will be chasing a ghost trail. Firstly lomntu I doubt unendlu, awumazi ifani yakhe, awumazi usuka phi xa evela, and uBenny is barely a name. Ingaba ngu Benjamin, Bennett, Bernard, nabani na. Usakhumbula utatakho esafika ebomin bakho wayengafumaneki tu?" Me: "oh my God...." I slapped my forehead. This will be a fucking goose chase. Me: "I will trap him. Undithumele message, so I'll send one back with a location, namapolisa." Ma: "nikezela kuLukhanyo mntanam. Ayingangawe Le." Me: "mama, ngutatam lo. I will do whatever it takes. Yangangam yangange ntaba.." Ma: "Lihle. Nqandeka xa unqandwa. Ndithi kuwe Hayi." the front door opened. Ndaphuma slowly from the bedroom. Lukhanyo stepped outside. Luks: "what's up?" Lubb: "tell me it wasn't you." Luks:"intoni?" Lubb: "you tried killing your wife's

father!" he whispered. Lubb: "and you actually went through with it. Lukhanyo are you out of your motherfucking mind?" Luks: "I didn't do it. The car was wrapped around a goddamn tree! Its not like I pushed it there! Its not my fault!" Lubb: "where is he now? Hm? Finished him off? Those secret phone calls? Late meetings in Newton Park! You fucking idiot! You think I wouldn't find out! You paid some bitch, to have him killed! And he was chased into those godforsaken woods and smashed his car! You. Are. An. Evil Son in law!" Luks: "Lubabalo I had Nothing to do with this! I swear! You know I've never wanted anything more than to be accepted by uTa Seez. Why would I do such a thing to him? To uLihle? That night I was angry that I said a few things I didn't mean but that's it. I swear that was it. I am just as broken by this as everyone else but I have to stay strong for uLihle. She's been through a lot as is. I don't want her troubled or hurt anymore. I made a promise to you, to myself and I'm sticking to it." Lubb: "It better be legit and you better pray to Jesus Christ and all his angels that what you're telling me is Bible truth. Because God forbid..." I stepped away slowly back into the bedroom after hearing every word...

Chapter 740

Ma: "yinton mntanam?" Me: "akhonto mama." I faked a painful smile. How could he do this? Aphinde aze apha ngesibindi. I had to know why. Me: "uzoba right mama?" Ma: "ewe sisi, ndiphethwe yintloko qha ngoku, ingathi iqhekeka ebuchotshwen." Me: "suzi stressa nawe. Bamba apha." I gave her pills and water. Me: "ndisayo hoya umntana." Ma: "unjani uLukhanyo?" she smiled. Me: "benincokola nje mama..just now. Ubuza kwamna?" Ma: "sendithetha kuwe." Me: "mama bendithe kuwe ayikho nto endibuyisela kuye." Ma: "unethemba nje yena." Me: "shame." Ma: "sonke siyazenza impazamo Lihle." Me: "ewe mama, nam ndizenzile ezam. I took responsibility, I took criticism, I took the pain. Yonke yazogaleleka apha kum for my mistakes. I've paid. That's why ndingabuyeli." Ma: "ukuxolele uLukhanyo Lihle, uyakthanda lamfana. Inqabile lonto phandle apha." Me: "nam ndiyamthanda mama uLukhanyo. Sadly uthando isn't enough. Ndicela singaphinde sithethe ngalento." Ma: "ngu Lubby ne." Me: "ungenaphi uLubby mama? Not even once have I mentioned his name." Ma: "hmm.." I went to my room to check on Lubambo. He wasn't in his bed. For a split second I panicked and ran to the kitchen. Lukhanyo and Lubby were standing together. Lubby had the baby in his arms emteketisa. Lubambo held onto him chuckling in his shirt. Me: "hello Lubby." Lubb: "hey." he smiled. Me: "how-" Lubb: "you-" Well....this was awkward. Lubb: "you go first." Me: "how are you?" Lubb: "ndiphilile wena unjani." Me: "I'm okay." Lubb: "you look.....great." Me: "you too."

Lubb: "kunjani eskolweni." Me: "school is a bit hectic. Ndiqiba ubhala next week though." Lubb: "you coping?" Me: "yes I am." Lubb: "Good. And uhm....good luck." Me: "thank you." I pulled my eyes away from his. Me: "do you need help Lukhanyo?" Luks: "no baby, I got this." I don't know what he was rinsing at the sink but ebe busy kakhulu. Luks: "you carry on chatting. Namhlanje sizotywa take aways ne, since its Saturday. Just like old times. What would you like?" he flashed a huge smile. Which I doubt was fake. There is by no way he could've pulled it off. Me: "Lubby what would you like?" and the smile evaporated immediately. Lubb: "I'm not staying for supper. I, uhm....have work to catch up on. And abantwana bajongwe yi nanny. So I have to get back home. Next time?" Me: "okay." Luks: "well, I'll see you later mjita." Lubb: "call me." they stared at each other for a brief 3 seconds and Luks took Lubambo. Luks: "will do." Lubb: "was nice seeing you Lihle." Me: "you too." he walked out. Luks: "really?? His opinion for supper now?" Me: "if you want to iron this tension out then we should stop playing hide and seek and get back to normal." Luks: "like inviting him to dinner?" Me: "ndithin ke? Ask him to move in?" Luks: "we're not having this conversation Lihle!" Me: "the fuck we are. Ufuna ntoni kum Lukhanyo?" Luks: "andiva kamandi Lihle. It still hurts!" Me: "and you think cuddling with someone who physically and sexually abused you doesn't hurt? But I do it! Why? Because ndifuna sidlule kuyo yonke lento. If I have to sacrifice. So Should You!" Luks: "whaat?" I walked out the kitchen. He grabbed my arm and pulled me back. Luks: "why didn't you tell me this?" Me: "nditsho njani? How? Wouldn't that hurt you?" Luks: "so this is why ungakwazi ulala. That's why you woke up uphakama kwam ebsuku...because you thought I was gonna hurt you?" Me: "please stop." Luks: "please talk to me?" Me: "its not that...I just...andiyazi Lukhanyo. I really don't know." Luks: "Lihle, I want to protect you and not hurt you. Ndiyayazi kunzima undithemba and I didn't realize how hard you've been trying. I didn't know. I'm sorry ngokufaka kule position." Me: "please stop." Luks: "look at me." I looked away and blinked the sudden tears back in my eye sockets but it was too late. Luks: "Lihle." he hugged me with our son. Luks: "I'm soo sorry. Xa kukho into ekuhluphayo, ndicela undixelele. Akhomnandi uk'bona ukhala. Just talk to me. Yeah?" Me: "did you pay someone to kill my father?" he stopped breathing. Luks: "I would never do such a thing." Me: "how is it that nguwe ozise ii-detectives ekhaya, meaning you found the car. Question is, how did you know it was missing and how did you find it?" he cleared his throat. Luks: "babes, like I said, after we found out kukho umntu who's using igama lika tatakho, we tried looking for him. I searched everywhere-" Me: "yet you didn't ask Me." Luks: "I didn't want to make you panic. Uyamazi utatakho unjani." Me: "did you fight?" Luks: "No. We didn't." Me: "but you're sitting comfortably here. Awukhathali noba uyeza or

nah....unless you know he isn't coming back." Luks: "hayi Lihle. Ndicelwe nguwe nje."
Me: "why don't you want me finding out for myself what is going on?" Luks: "because its not safe for you out there. Zinintsi enemy zika tatakho. My father being another, utanci wam lo umthembileyo, have you wondered how he knows lo Benny but akafuni udibane naye? Clearly he knows something too. He was the one pushing me to leave you after our affairs broke out, kodwa namhlanje uyakwazi uzok'nceda. Why? Kutheni hleli nje ndim umntu ombi?" Me: "I'm just trying to find out about my dad Lukhanyo. You are relaxed." Luks: "we'll find him. Okay?" Me: "then why aren't you pulling out the stops as you usually do? Baphi "amajita" that are always searching." Luks: "they're probably flying over the ocean as we speak." Me: "what?" Luks: "they're on holiday. To the Bahamas." Me: "and you're Here? Usaxoka still." Luks: "if I tell you the truth, we're staying married and you're moving back in with me. Siqale from scratch, with our babies songeze ezok'qibela i-twins.. Do you still want the truth?" Fuck. Now I know this was something really huge. Me: "I can't have anymore kids. Ndibophile." Luks: "INTON!!!!!" Me: "we already have 3. Then There's Chuma, Lubby's twins, Luyanda. We don't need more." He just stared at me shocked as hell. Luks: "I cannot believe." Me: "you'll get over it." Luks: "we're going to talk about this Lihle, later on. Anyway, if uyifuna nyani inyani, we're staying married. That's the condition. And we're participating in husband and wife activities. Breathing a new life together." Me: "keep your truth." it wasn't worth it. I'd find out anyway. Luks: "for now. Sizoty ntoni?" Me: "can I get the take aways?" Luks: "amalusu pha estandin?" Me: "no...in Blue water bay, I'll buy pizza." Luks: "and how do you plan on getting to Blue water bay?" Me: "you'll borrow me your car. Keys please." Luks: "hayi ke Bawo." Me: "awulambanga?" he gave me the keys of his Mazerati hesitantly. Me: "mwah." I took my bag and left the house driving out to Bluewater bay. I parked the car at the garage and got out to make a call. Lukhanyo was not dumb, he was probably tracking his car as is. "hello." Me: "I need to talk to you." "uphi?" Me: "Blue water bay, the engen garage." "give me 15 minutes." I hung up then put it on silent, yahlala kwi sleeve seslamba sam. I went to buy the pizza nday'faka emotwen. Seyidlula ne 15 minutes. "hey.." a deep voice came behind me. I was startled. Me: "hi! Benny." Ben: "wothuka nton?" Me: "I'm just nervous." Ben: "so...uphi umnyeni wakho." he hugged me. I slipped it in. Me: "I left him at home. You know something don't you?" we pulled away. Ben: "I know everything." Me: "then tell me...." Ben: "for what reason. He has you wrapped on his heart with a red bow already. Asoze ubone ngaphandle kwakhe." Me: "Benny, trust me. I know the type of man he is." Ben: "then you should've calculated this from the beginning and I wouldn't be here." Me: "damn it! Can you just talk!!" Ben: "kanti ndenza nton ngoku

ndiyamumatha? Look at me baby girl, and listen very closely, andingo Lukhanyo mna. You don't yell when you talk to me, you calm yourself down moderately and speak in a proper fashion. You don't order me around, telling when to come and when to leave. Andiyo boy yakho. If you want something from me? You earn it." he winked. Me: "I'm not afraid of you. You may have everyone else fooled. But not me, they make you out as dangerous, I've seen worse. Sundibona ndihleli k'landlu ucimbe ndinyabile. What I want? I get it. Its just a question of when, earning is for amateurs." Ben: "so you think you're pro?" Me: "I'll show you pro." I got in the car and drove home. Ndafaka imoto, taking the pizza in. Luks: "been trying to call you." Me: "cela phone yakho!" Luks: "what? Why?" Me: "please?" I took his phone, nday'cofa. Luks: "what are you trying to do?" Me: "ndikhangela phone yam." Luks: "uyishiye phi? Is it lost? Sapha ndikuncede." he tracked down the location. Luks: "its....refreshing. So ithathiwe." Me: "tell me when it stops." I paced around the kitchen. He stared at his phone. A while later. Luks: "kudala imile kengoku." Me: "GPS co ordinates?" Luks: "wenzantoni ngoku?" I took a paper and started writing down the numbers. Luks: "would you like to tell me what's going on?" Me: "no. Borrow me your phone. Ndiyeza." I took it and ran out...

I'd finally arrived at a quiet earthly environment. It was just road and woods, I had no idea where I was. There was a small trail somewhere in but that meant leaving the car behind. I searched under the seat and as I'd suspected found another one of Lukhanyo's fully loaded guns. I tucked it and walked. Following the phone's directions. Deep inside, I saw a wooden cabin in a distance. So that's where he was. I tiptoed slowly trying not to make a rattle noise with the dead leaves. I kept stopping and listening then carried on again. I then heard a voice. Not audible enough to hear words, but there was a voice. I tried peeping until I saw him jump off a tree and landed on both feet. He had a large knife in his right hand and a bunch of Avo's on his left. He looked around suspiciously enganxibanga shirt. Ben: "get out." he growled. I stayed still as dust. Anganya kaloku xa engu Tarzan? Moer. I slowly slipped the gun out my back and held with both hands. He walked around for a few seconds then walked up to the cabin. I noticed the scar on his back, it looked deep and painful. Once he went in, I emerged from my hiding place, tiptoeing to the back of this cabin. An open curtain. Finally. I stared inside ndambona ebasu umlilo by the fire place. The pieced animal beside him didn't surprise me at all. He got up and walked out again. I slipped in through the back door. Walking toward the bedroom. I opened the first. It was empty, then the second. Full of everything but not my dad. I turned around for the third and found him standing behind me. Ndothuka ndomelwa ngumqala. Ben: "looking for this?" he held my phone up in the air. I swallowed dry spit. Ben: "is this

your idea of pro? Tracking me down?" Me: "is this your idea of living?" Ben: "you never cease to surprise me." Me: "uphi utatam." Ben: "I don't know." Me: "then let me check the last room. The police are already on their way." Ben: "they'd get lost at least 5 times before they find us in a very comfortable position.." I cocked the gun. Ben: "he taught you that? Sexy." Me: "suka endleleni yam before I blow your head off." Ben: "blow my head off. I don't care. Its not like ndishiya umntu obhadlileyo kweli lizwe. I'm alone any way. shoot." Me: "Benny, get out of my way." Ben: "see, you...you can shoot to kill. I have no doubt. Problem is, you can't shoot mna. Am I right? Yeah? You dreamt it too, didn't you? Your father isn't here." Me: "ima count to 5. 1...2..." Ben: "3, 4, 5. And you still won't shoot me." he held my hands and pushed them down gently. Ben: "don't let all this beauty go to waste." Me: "where is he?" Ben: "he's uphill. Resting." Me: "is he fine? Ndifuna umbona!" Ben: "you can't. He's too weak Lihle." Me: "then suppose use sbhedlele!!!" Ben: "so your husband can finish him off?" Me: "what are you talking about?" Ben: "a week before. Sizwe uye kuLukhanyo. On Sunday afternoon. He had divorce papers, Lukhanyo refused to sign. Wahamba uSizwe. Monday afternoon, when he was supposed to fetch abantwana. He was shot. 4 times in his chest, managed to drive away but lost control eOverbaakens where he crashed into that tree. I was there. In the car. Luckily I'd jumped before ingene emthin. He asked me to, so that singonzakali sobabin.. So I went to help him out. The blood trails were from the bullet wounds. I took him somewhere safe, ndayolanda van yam and drove him uphill to recover." Me: "how do you know Lukhanyo did this." Ben: "ebesiya etinara. Meeting a man named Lyle. He paid him. Lyle is an assassin Lihle. Ubulala kwanto ay'batalelwayo and he won't stop until he's dead. That's why the secrecy." Me: "who's treating him kengoku? Uphill." Ben: "There's a doctor and a nurse. Jeanette and Victor." Me: "huh?" Ben: "look, he'll be fine." Me: "and you say he's not getting better?" Ben: "its slow progress Lihle. The bullets missed his heart 4 times." Me: "Benny...Victor is not a doctor." Ben: "I saw his I.D, namaphepha akhe. He is." Me: "Benny listen to me. That man is a con artist. HE is the one trying to kill my father!" Ben: "here we go again. Lihle, Lukhanyo uyakubhanxa. Don't you see." Me: "Lukhanyo tried. And failed. But Victor? Good God Benny please take me there NOW!!" Ben: "No." Me: "then ndizok'reporter." I ran out. He grabbed me and pulled me back in. Ben: "you are doing No Such Thing!"

Lubabalo sat in his house trying to finish some work while Luthandoluhle took a nap. Lubb: "Nono, can you please stay the night? I'll pay you extra. Ikhona nje nto efuna isiqu esi Sam." Nono: "kulungile bhuti." he got up and went to his car. Driving to the address he was given. He stopped at a block of flats in Central. Going up to the flat number provided. He knocked and knocked. The door opened. Lubb: "surprise bitch.

Vula ndingene. Sipi esa snene se kwekwe yakho?" Siwe: "Lubabalo! How did you find me." Lubb: "I'm a tycoon hoe. The fuck you think?" he pushed the door and walked in. Lubb: "zithini results?" Siwe: "its your baby! Open it." she gave him the envelope. He stared at the paper. Lubb: "lovely. And the original copy? Nantsi mabhabha. That's not my baby, Jeannette? You paid her to change the results. Suddenly, she "left" for Jakarta. Uphi usnaai wakho?" Siwe: "I don't know what you're talking about." Lubb: "so I guess if I call the journalists who printed your story, ndibabonise the original results, the copy of the footage from the hospital, your voice on recordings uthetha noVictor, AND the participation of a nurse helping you fake this baby's paternity. You won't mind right?" Siwe: "you wouldn't dare!" Lubb: "oh yes I would. I'll do it right now. And expose what you are. Kunye nala bhontshisi wakho wendoda. Say some shit else." Siwe: "if you want him dead. Go ahead." Lubb: "of course I want him dead! But that would be too damn easy. I will pluck the feathers off of him, skin his cheap skin off him, pull his nose out his ass hole if I have To. Kodwa rest assured. He will suffer." Siwe: "so will your father in law and twin....so go ahead make the public statement. And everyone else around you, will suffer. Lukhanyo and you are still on probation right? Well...when they find the evidence that links him to Lyle, a known and wanted assassin, using his gun. He's going straight to jail, and when they find the body of Sizwe, rotting in a cabin registered in your name. So will you. Call the media, daddy. I dare you." ..

Chapter 741

Late Saturday afternoon, Lubabalo knocked on the door in Motherwell, Lihle's mom's house. Lukhanyo opened. Luks: "thank God you're here!" Lubb: "uphi uLihle?" Luks: "I don't know! Ubalekile uhamba apha. She took my car and phone too!" Lubb: "umyeka njani ahambe Lukhanyo?" Luks: "she's not a prisoner. What was I supposed to do?" Lubb: "well, you'd like to know that we are in big shit." Luks: "why?" Lubb: "Victor has Sizwe. And If I expose him, he will kill him and frame us. Because someone was dumb enough to give isdenge imali and a gun to kill him. How could you do this?" Lukhanyo looked at the floor. Lubb: "after begging you not to, after confronting you. You lied to my face. Over and over again. Now sishiyeke nale mess inkulu in our hands! Had you just kept still and swallowed the bitter instead of sending people to shoot your father in law, ngesingekho k'le dilemma!" Luks: "I didn't

know." Lubb: "of course you didn't know! You never do! Ndikunqanda kulento Qho! wherever they are, that damn house is in my name and xakufunyanwa umzimba sibanjwa sobabini!" Luks: "we have to find him-" Lubb: "firstly, uphi uLihle. That's who we find." Luks: "I don't know!!" Lubb: "in detail, what happened after ndimnkile?" Luks: "siye saxabana, and worked things out, we were fine, she offered to go buy supper. Waya eBluewater for a while ngemoto yam. I checked and ebepha nyani, she came back ezobeka pizza wathatha phone yam trying to track hers down." Lubb: "wait, njani ba tracking hers down?" Luks: "I think she lost it somewhere-" Lubb: "and ?" Luks: "and kaloku she just took off ufumana kwakhe co ordinates ze GPS." Lubb: "she didn't lose that phone. Khona into ayifake kuyo so that abeno buya apha and track whatever that is." he dialed a number on his phone. Lubb: "Jose I'm sending you an address right now. Get here in 20 minutes." Jose: "yes boss." he hung up. Lubby sent the address and then called Soma. Luks: "Benny...." Lubb: "who the hell is that?" Luks: "she went to uBenny!!!" Lubb: "Soma khaze k'lo Lihle awti yam, right now." Soma: "sho skhokho." he hung up. Lubb: "Benny? Who is that!" Luks: "the guy who's been following her. She suspected that he's lying about whereabouts zika tatakhe but....I never knew she'd go after him like this!" Lubb: "its not like you've ever understood what happened inside her mind any way." Luks: "hehake fethu. This is my wife." Lubb: "yet you Chilling kodwa you suspect she's after a stalker who might just kill her." Luks: "I can't move! Umamakhe is in the bedroom, sick. ULubambo just fell asleep. I literally am stranded Lubabalo! Andinayo ne phone as a matter of fact." Lubb: "we'll find her. Soon." after a while, Soma and Jose arrived. Lucky came forward too. The guys stood outside for the next step as Lubabalo explained their situation. Lubb: "Jose I need you to track down this serial number. And this too, that is the tracking device I installed in Luks' car when I bought it. That is his phone. Get on it." Jose: "sure thing." he took out his laptop from his back pack and started right away. Soma: "as for finding utata?" Lubb: "There's only one guy I know, who's good at that hide and seek game. Ndandibila amasende yilekaka. I don't like him that much but I believe he can help." Luks: "who? Sporo? Anganya." Lubb: "look, ndiyayazi awumva ncam, but he's our only hope!" Luks: "and why is that?" Lubb: "he cares about uLihle. He would do anything, for her. Use that shit to your advantage! Yayazi mos uLihle xa ebuya uzobuyela wena qha. You'd be done using him. Subamuncu." Soma: "nyansile bra. Come on Lukhanyo. Pride aside mfowethu." Luks: "he'll never let me live this down." Lubb: "look, there are some things in life that I'm extremely good at. There are some things your extremely good at too, so does Soma, and everyone else. Kodwa kukho ezinye ezindohlulayo nam, nje ngawe nje ngoSoma nolandelayo. We can't do everything, I can't hack computers, and peoples' lives like Jose does. Mjonge.

Andiyazi wenzantoni, same as he, he can't manage multi million Rand contracts like us. That's why we Help each other. Akhomntu perfect. I can't find Ta Seez, akhondlela yomfumana too. Whereas Lihle has electronics with her which is easier. We need him Lukhanyo. And andilindelanga mvumo yakho, ndiyaya kuye mna I don't give a fuck if he laughs in my face for a good 2 hours but I'm not letting Lihle in danger because of my pride!" Jose: "found the car!" Soma: "where?" he took his jacket. Soma: "masambe Luks, Jose. Wena Lubby find uSporo and get him aboard." Luks: "I can't just leave my son and mother in law. Khand'bolek phone ndifowne kqala." he called Namhla. Luks: "Namhla, I need you to come back home, kukho ingxaki esimene nayo apha." Namhla: "ndisendleleni ezayo Ta luks." Luks: "thanks." Lubb: "is she coming?" Luks: "yes. And sendipenika. Its getting dark." Lubb: "look, xa esendleleni. You could get going. I'll wait until she's here before ndivaye." Luks: "okay." they went to the car. Lubby stayed behind checking on the baby. He was fast asleep. Lubb: "my little boy. Lord knows how much I miss spending time with you. I guess these uncle moments will have to do for now...lonto umkhulu ngoku. Bungatsho uzobamngaka the day you were born. Of course I knew you gonna grow, but not so quick...you were so tiny and fragile when I took you out. You will grow bigger, and smarter, because you were born a Morrison, sikuthanda sonke. Lucky you, with so many daddies. Uzokomelela boy yam. Goodnight. I love you." he kissed his head. Ma: "heh?" he got a fright. Ma: "nguwe lowo Lubabalo?" Lubb: "ewe ndim mama, awandothusa." Ma: "uphi uLukhanyo?" Lubb: "uhm, uye kuLihle." Ma: "ndik've kakuhle phof? NguMorrison njani uLubambo?" Lubb: "Hayi man mama, the time uLubambo wazalwa, sasizotshata noLihle, therefore umntana wafika before time so we decided to just use my surname. But ufike apha eSouth Africa wayitshintsha because Lukhanyo didn't like it." Ma: "kaloku subalisela umntana ezozinto. Obvious akazothanda uLukhanyo xa uzozenza yena emntaneni wakhe." Lubb: "ngu mntanam nam mos uLubambo mama, we agreed to share all our children. Even Luthandoluhle, Luyanda noBabalobuhle. NoChuma." Ma: "utata walomntana ngu Lukhanyo, eyo sharer ayingeni ndawo." Lubambo woke up crying. Lubb: "shhh...its okay baby." he picked him up. Lubb: "thula boy." the baby kept quiet and rested on him. Lubb: "uxolo ma. It won't happen again." she walked away. Namhla came in. Namhla: "hi...uphi u Ta Luks?" Lubb: "he's busy with something. Ndizophinda ndibuye Va not sure when. Please take care of him. He's a bit restless tonight." Namhla: "yoh akathand ulala uLubambo." Lubb: "just, mbeke on your chest and rub his left ear, uzolala. Goodnight." he handed the baby to her and left the house..

I sat far away from him ebusy esenza into engathi kupheka. Why did he not want me to report him? Me: "Benny." he looked up at me without a single word. Me: "please untie me." Ben: "ngoba." Me: "you already took my gun. Its not like I'm gonna hurt you." Ben: "even if ubufuna, bungasoze ukwazi." Me: "then let me go." Ben: "no." Me: "sooner or later, Lukhanyo will panic. And when he does, trust me. It won't be pretty. If you let me go, I can still lie and say bendikwi friend." Ben: "Lukhanyo can panic all he likes. Andikhathali." Me: "what did you dream?" Ben: "andazi noba ucimba ndisidenge na. You're tryna get to me." Me: "so sizohlala apha and not talk?" Ben: "thetha kaloku wena xa umlomo wakho engaqaqambi." Me: "aw na Nkosi yam." I looked around. Me: "unayo i-girlfriend?" he looked up at me again. Ben: "yes." Me: "really? Ngubani igama lakhe?" Ben: "ngu Ndim." oh God. -- Me: "honestly? Don't you get bored." Ben: "no, I just randomly kidnap people and listen to them ramble about their boring lives for a few months then let them go. You?" Me: "oh, is this your way of finding out about me? Okay, well. I have kids, 3 to be precise. There's my big boy, Luthando. First born. He's more of the protective type like utatakhe, rebellious and naughty but uyamva ngoku uHayi. Then There's my angel, my daughter, his twin. She's the sweetest thing. Nguye othanda unqanda ke ubhuti wakhe. She has this candy little voice undichaza xa esithi ulambile. She's so beautiful, so full of energy. Then my last born, my younger baby boy. Uthanda uhleka ingathi akana 3 months, he gets shy azifihli apha esfuben Sam ahleke yedwa. He's so adorable, with his one sided dimple. Akafun nolala funeke ndidlale naye all night until he falls asleep." Ben: "you done?" Me: "of course not. Then There's Lukha and Lubby. Nabo zii twins. I know you know them both so cut the act." Ben: "I know everything there is to know about them both, like Lubby ngulo uqala company entsha with his friend Soma? The other twins? Besebenzela utatakhe in Cape Town. Billion Rand empire wayeka after the suicidal accident because of a certain girl he was obsessed with. Then Lukhanyo is a gangster with an estimate of 30 other thugs in his pay roll and a few cops kunye ne judge if I'm not mistaken. An abusive husband too if I may add, now what I DON'T know, why do you tolerate being around the one person that hurt you most? I mean, I understand eyaka Lubby, kodwa uLukhanyo?" Me: "I don't like carrying grudges. The weight bears too much on my shoulders." Ben: "so mawuthande umntu okwenza ikhoboka lakhe?" Me: "andilokhoboka. I am his wife. Kuske kuthin nonke nidwabe kwi relationship yam noLukhanyo xasi civil with each other sincokola kakuhle ingathi sasini biza ngokuya zasisilwa. Wawuphi khona? Sow'fika neshori zolwazi olunga kulingenanga ke phof." Ben: "you made a mistake, I understand that, but into endiyaziyo mna. Akasoze axole noba ungenza ntoni na. Everytime you fight, uzovusa izinto zak'dala uve kabhlungu." Me: "wazba ungenaphi ke wena." Ben: "uzohamba

ngoku okanye ksasa." Me: "bunondikhulula ndingabawela uhamba ngoku." Ben: "Lihle, stop wasting your life ngababantu bangak'khathalele. Your father wants what's best for you-" Me: "yes he does. But that doesn't mean andinobu phila ubomi bam Benny! If I want to forgive Lukhanyo for what he's done. Then so be it. Ndim umntu onabantwana naye. How can I communicate naye ngomthuka nange cheek nenzondo? What message will that send to the children? When I gave birth to each one of those kids. I promised them a proper life of respect and love. I don't care kwenzeka ntoni na ngathi, kodwa bona abantwana bethu abangeni ndawo. And abazongamthandi utatabo because of me." Ben: "so you'd rather sacrifice your happiness and freedom?" Me: "that's what a parent does Benny. If you had kids. You would know. So yeka indaba zam noLukhanyo. Don't make your issues mine." Ben: "these are your father's concerns. Not mine." I ignored him this time. Ben: "in the dream, it was as though I'd known you forever. Sise lwandle, playing in the sand." Me: "I don't care anymore Benny. Sow'ndikruqulile for the day. I'm done talking." Ben: "okay. Nam ndithule ke. But know that, my intentions are not to hurt you in any way. I only do as my master tells me to. Hungry?" he presented me with a cooked meal. Me: "no thank you." Ben: "suit yourself." he sat down next to me.. Ben: "andikwazi ukutya omnye umntu engatyi. Its disrespectful." Me: "I don't care what you do. How you do it or where. I do not care at all. AT ALL. Not nakancinci for that sad matter." Ben: "uqiba kwethu apha, I'm taking you home Va." and he started eating....

Lubby finally found Sporo sitting at Tabu bar with Vega. Lubb: "molweni." Vega: "ekse bra." Lubb: "Sporo?" Sporo sipped his beer and stared at him quietly. Lubb: "ndiyayaz we're not the bestest of friends. Matter of fact, asivani for a few reasons. Kodwa I need your help." Sporo took another sip, still staring at him. Sporo: "and what makes you think I'd help You?" Lubb: "because if you do, I'll be owing you." Sporo: "and wena awuna ngxaki yondi owe'a." Lubb: "Le isituation is beyond ingxaki zam." Sporo: "what do you want." Lubb: "Lihle notatakhe has disappeared. Yena UTa Seez earlier this week, uLihle namhlanje. Lomntu uLihle akuye is seemingly dangerous, so they say and uyamazi uphi UTa Seez. He'd been shot, k'le ndawo akuyo uphethwe ngumntu who will kill him to avenge mna." Sporo: "wait, who got shot?" Lubb: "Ta Seez." Sporo: "so mna ufuna ndithini?" Lubb: "I need you to find them. All of them, bring them to me. Ndizoba processer ngokwam." Sporo: "okay." he finished his beer and stood up. Sporo: "masiye Vega. You're?" Lubb: "Lubby.." Sporo: "iphi lantwana yakokwenu isileyo. I can bet my last cent he started this whole mess." Lubb:

"andimazi. Sizozalaphi? Wherever they are bakwi hlathi though." Sporo: "you're staying behind. Ndizoyenza ngendlela yam. Qiba kwam ndikubize. I hope uyand'verstana?" Lubb: "as long as you bring them back." Sporo walked to his car. Vega: "uzoyenza lewei bra?" Sporo: "ewe tshin. Lihle's life is in danger, she's my friend, njani undibuze ingxowa yetapile? Khabize i-squad." Vega: "of course." Meanwhile, Soma slowed the car down. Soma: "ayo motwakho Le?" Luks: "yiyo. Stop." he jumped out the car and hurried to his car. It was locked and nobody inside. Soma: "so she's around." Lukhanyo went through the bushes. Soma: "Lukhanyo! What the hell are you doing?" Luks: "ndikhangela umfazi wam Somangaye. What the fuck does it look like! We're in the damn woods! Only God knows what the hell happened!!" He pushed through the bushes and finally emerged to an open space. Seeing the cabin. Soma followed right behind him, both held their firearms aiming to shoot. Soma kicked the door broken and barged in. I got the shock of my life when the door fell mysteriously in the inside kwangena abantu. Sadly, Benny was not as surprised or impressed. He quietly carried on ngomlilo wakhe engaba jonganga tu. Lukhanyo untied my hands that's when Benny stood up. Soma aimed at his head. Soma: "one more step awti. Andina sizi lwakho." I wiggled my wrists out of the ropes and Lukhanyo helped me up. Me: "Soma, its okay..." Luks: "no its not!!! It isn't!-" Me: "what the hell's going on! I might not say anything but andiyiyo imfama! Thetha." Luks: "baby, this person is feeding you lies." Ben: "and what about Lyle? What's he feeding you?" Me: "ngubani uLyle?" Luks: "Benny, kwedin, stay the hell away from my wife and family! I swear to God if you ever dare to try. Ndizokunyisa ungaze undilibale ebomin bakho." I went outside running down the same path I'd come with until I got to the cars on the road. Luks: "Lihle." he held my hands. Me: "enkosi..." Luks: "I have something to confess." ...

Chapter 742

He stared at me. Nam ndamjonga ndimnika phone yakhe. Luks: "Lihle, I never had the intention of hurting you. You know better than anyone how I feel about you and all I wanted was to protect you ndikubonise I can become a better man. I'm trying, I'm trying so damn hard. Therapy and counseling never helped, but being with you does. Ndicela undixolele Lihle." Me: "Lukhanyo, thetha. Stop running around in circles." Luks: "please..." Me: "hayi thetha!" a car stopped behind eyaka Soma. Lukhanyo pulled me behind him. Luks: "who the hell is this." Sporo came out the car with Vega. Me: "how did he know we're here." Luks: "chazelwe nguLubby." Vega: "molweni, Lee, khas'boleke lobhuti man." Soma reappeared ndingamazi usuka phi oko besim'shiye ngasemva. Me: "why?" Vega: "we have business to take care of." Luks:

"Soma, please take my wife home." Soma: "sho." Luks: "I'll be back uyeva? We'll continue then." I went to Soma's car and he drove me back home. Lukhanyo stayed behind with Sporo and Vega. Sporo: "wenzanton? kuthen umuncu nje?" Luks: "nganton?" Sporo: "ndik'bonile fondin uzogabha inyani yonke, ulahlwe unye qiba kwakho." Luks: "why do you care?" Sporo: "because ikaka oyenzayo affects uLihle and uLihle yi-friend yam, into emkhathazayo iyandiphambanisa nokwam. Subali sende fondin. Vala umlomo lo." Luks: "last time I checked bungakhathali nje." Sporo: "jonga, last time has gone. Ya sure ndandinazo feelings ndinomona, but uyakthanda lamntana Lukhanyo, akafun nova ngawe. Sukwenzi kaka mfethu." Luks: "Lihle always finds out! Uzoyazi nalena." Vega: "uzayiva ngaban? Asizoz'menqe mos." Sporo: "masamben. Uthi iphi Le poni?" Luks: "uban uBenny? I don't think you understand-" the phone in his pocket rang. Luks: "ja?" Soma: "Lihle has something to say, ukwi loudspeaker." Luks: "okay." he also activated his speaker. Me: "Benny uti utatam is uphill. Wherever he is held is north from the cabin. There's a compass on the front dresser in the first room. Abantu abagcine utata babini, a Jeanette and Victor." Luks: "simthini uBenny?" Me: "myeke, he won't stand in your way." the call ended. Sporo: "masiyen maqabane." they made their way back to Benny's cabin, with Lukhanyo leading the way. He walked in the open door. Ben: "yes you can come in Lukhanyo. Mi Casa, Su Casa. Help yourself." Luks: "bra, andizang zodlala apha, its either you help or not." Ben: "not with that attitude, my guy." Luks: "sharp ke." Sporo: "iphi Le ndawo i-uphill mhlawmbi sikhabe sisithi chuu nge nyawo lomzuzu nisachukelana." Ben: "kanti nize nizothini apha?" Sporo: "haike ntwana yam. Brika. Yinyathele mfo." Luks: "I found it." Ben: "ayikho safe lento niyenzayo. USizwe uright k'la ndawo akuyo so that he doesn't relapse." Luks: "we have the best doctors on standby, akazobana niks. Suka." Ben: "ndihamba nani ke." Luks: "eintlek, iproblem yakho yinton nam Benny? Awunokhe uphole? Ayincedisi lekaka uyenzayo. Hlala phantsi fondin lungise mnyango lo wakho." Ben: "problem yam kungak'thembi. Ndiyazelaphi uyom'qibezela? Sizwe is a father to me, andizovumela wena wenze unothanda." Luks: "then step on it. Wama wakhamisa instead ba uphume silandele? Tshin thiza." Ben: "kanti ndiyow'ma." Luks: "awenzeli mna kakade." Sporo: "heman fokofin!!! Khaphume wena sambe!! Nxxx!" Benny walked out into the open again, following a different trail uphill. It was dark and misty. Vega: "ayikho ndlela yemoto?" Benny didn't answer. He just kept pushing through the bushes and breaking the small branches out of his way in anger. After a 10 minute walk they'd finally reached a small cottage. Sporo: "ima apha wena." stopping Benny in a distance. Sporo: "Vega, kjha'scout'e pha mjita." Vega went to check the windows, peeping through the open curtain. He came back. Vega: "kukho ibra ese lounge, nenyi meydi." Sporo: "bazobanjwa nguwe no Luks, mna noBenny

sithatha umadala. Ziphi stixo sale van ime apha?" Ben: "kukho spare key kwenyi cupboard ngaphakathi." Sporo: "Luks, ngenani. Ina." he gave him his gun. Sporo: "uy'chane emlenzen. I want him alive and breathing. Vega, uyiyeke lacherri. Mbophe qha." Vega: "sho." Benny: "nguwe ongena kqala, thata esa stixo uzondeze Le van emnyango." Benny went in. the guys went in right after. Vic: "Benny, what is this? I told you no one was allowed here." Ben: "the rules have changed." Victor: "they won't, once he relap-" Lukhanyo shot him once, Victor screamed! Vic: "what the hell!!!!" Vega: "Luks! Luks!! Khame fondin!!" Luks: "ndimele nton indiqhela amasimba lekaka!" Sporo: "Lukhanyo!" Luks: "ndizoy'bulala inye lentwana iyandinyisa!!!!" Vega: "oh nkosi yam." Sporo: "Lukhanyo man!!!!" he snatched the gun from him. Sporo: "khayo ncedisa uBenny nithathe utakakhe phe roomin, nimfake motwen. Lukhanyo, ubalekise lecherri ibilapha." Luks: "Sporo kudala indileqa Le awti. Kudala indenza isrhama." Vic: "oh you deserved it!!" he oounced in pain. Lukhanyo kicked his wound repeatedly. Sporo: "stop it!!!!" Luks: "uLubby uyay'yeka lentwana. Ndizay'moera inye kemna." Sporo: "ndiyokubophelela ke mna. Andina xesha lakho." Benny and Vega carried Sizwe out to the car. Sporo tied Victor with ropes and dragged him out. Sporo: "ndiyehla mna, Nina iyani esbhedlele. And Lukhanyo, don't do anything stupid." Vega: "uzoba grand?" Sporo: "ja. Hambani." they got in the van and Benny drove away. Sporo: "zintoni ezi?" picking up a box of injections. Vic: "that is his medicine. Akakwazi uhamba without zona." Sporo: "akho ngxaki uzoz'fumana. Masambe." he took the box and dragged him back down the trail to his own car and loaded him in the boot.

I received the call ndise roomin. Luks: "we found him." Me: "niphi!!" Luks: "sisandongena esbhedlele ngoku. They've taken him in." Me: "kwesiphi sbhedlele Lukhanyo!" Luks: "Greenacres." I hung up ndanxiba. Namhla: "uyaphi?" Me: "they found him. Base sbhedlele!" Soma was still outside eme noLubby. Me: "can we go?" Lubb: "where to?" Me: "Lukhanyo usandofowna uthi base sbhedlele. Please take me there." we got in the car and drove to the hospital instantly. I prayed and prayed anxiously. Was he okay? Obviously alive but how was he? The way to the hospital felt like a 2 hour drive, I literally began crying. Lubb: "Lihle, please angel. Not right now. We're almost there. Lemme hold your hand.." Soma: "fondin qhuba imoto Le!" Lubb: "its an automatic okay-" Soma: "I don't care! Lihle, mtshana, you have got to pull it together. Utakho uzoba right, he's already at hospital, meaning he's alive, so akho need yoba ulile. Alright? Jonga sesifikile." and surely we were almost there. When we arrived I came out the car and walked in. Lukhanyo and Benny were in the waiting room. Me: "nizothin apha?" Ben: "we brought him here." Me: "both of you are responsible for this. Ninezibindi ezideki for uzohlala apha ingathi anenzanga nto-"

Ben: "andenzanga nto nje mna." Me: "that's the problem Benny! Awenzanga nto! Instead you let a mentally imbalanced, psychotic, idiot treat my father! Only God knows ebemenza ntoni!" Ben: "bendizoyazi njani mna?" Me: "if wawumse sbhedlele like a normal fucking human being ngesi ngekho k'le meko!" Luks: "no Lihle that's unf-" Me: "and don't you dare....don't you even dare. Ulixoki and a coward. Can't even face up to your responsibility! Because nawe unogalelo." Lubb: "kodwa Lihle-" Me: "yabona ke wena. Don't get me started with you! Your little feud with la Victor ingade iphele yiyo Le isifake kule mess! What hold does he have over you??? Hm? Kuthen yena yedwa eyekwa to threaten your family? Kuthen unamaqhinga Lubabalo?" Lubb: "awunoxelela mna ngamaqhinga xa unokwazi uz'luma ulwimi ubuyele emntwin wayeku bethekisa kwi tile. Do Not, start with me. Ayondawo yokulwa Lena, if you want to pick a fight, itsho ndikuse gymin ngoku. Asizoy'mela lento usenza yona, uthetha nathi ingathi singabantwana." Me: "ingenaphi lento uyithethayo?" Lubb: "wena Le ubuy'thetha ubucimba ishov'wa phi Lihle? Awunohamb uthetha nto ez'khubekisayo ngenxa usiva kabhlungu wena. Nathi singabantu asingomatye." Me: "you are part of yonke Le cover up kakade Lubabalo yilento ukhamisa nje utyiwa ziz'hlangu." Lubb: "noba kanti beku rhaw'zel inzeft bendingazothula kuba umlomo ndaw'nikwa NguThixo wam, utaka Yesu Krestu ondimkhonzayo." I'd expected that. obviously uzozifihla ngokholo. This was pointless. Soma: "Benny, uyazitya i-doritos?" Ben: "no." Soma: "well I do, khandenzele favour undiyele kiosk, undiphathele ezi ze cheese, the orange packet. Ndiyabulela wethu. Since ndingena spice k'le argument." I walked out to find the doctor who could perhaps help me luckily wabe sengena. Doc: "Sizwe Tetani's family?" Me: "I'm his daughter." Doc: "I'd like to speak to you privately." Ben: "I'm his son-" Me: "biologically? I don't think so." Ben: "Lihle! Stop arguing nam man and face the damn facts!!! Ndingu brother wakho. DEAL WITH IT!" Me: "oh I will...trust you me." Doc: "should I be back another time perhaps?" Me: "No." Soma: "khame ndiyothenga Doritos masambe Lubby sani." Lubb: "andiyi ndawo. If this doctor has something to say, then he should say it. We're family." Doc: "Miss?" I stared at Lubby, he looked back at me folding his arms. Me: "its fine." Doc: "Alright then! Mr Tetani has been injected with a dosage of very dangerous lethal injections. Which is illegal in this country, but I'll get back to that later, we're running a series of blood tests to reveal what exactly we're dealing with and the amount intake which is in his system to drain it out." Me: "what does this injection do?" Doc: "like I said, miss, I'm not sure which one it is but my highest guess is a mixture of Potassium chloride and Pancuronium bromide. The Potassium chloride When injected into a vein, it inflames the potassium ions in the sensory nerve fibers, literally burning up the veins as it

travels to the heart. The Pancuronium bromide known by its brand name Pavulon, is a neuromuscular blocking agent that paralyzes all of a body's voluntary muscles, including the lungs and diaphragm. It does not affect consciousness, however Nor does it affect experience of pain. Without proper anesthesia, anyone given Pavulon will feel himself suffocating, but, because the pancuronium bromide prevents any movement, speech, or facial expression, he will be unable to reveal that he is suffering." Lubb: "so right now, he is in intense pain and can't express absolutely anything because he is paralyzed through out the entire body?!" Doc: "in a summarized version yes." Me: "but you know how to stop the paralysis right?" Doc: "depending on how long the injections had been given...its hard to say." Me: "uyamva Benny? Uyava ukuba uVictor wenza nton!!! The same damn Victor I warned you about damn it!!!!!!" Ben: "I did not know." Me: "you didn't want to!" Doc: "the bullet wounds, in his chest, are almost healed, its just that right type of banding needs to be used and properly." Me: "do they contribute to this paralysis." Doc: "no, just a bit of tissue damage but nothing severe. uhm, There's one more thing..." Lubb: "what is it doctor?" Doc: "should there be any complications-" Me: "you do whatever it takes to resuscitate. Do you understand me doctor?" Doc: "yes ma'am." he walked out. I sat down quietly. Luks: "I have some business to take care of. Lubby?" Lubb: "I'll be with you in a while." Lukhanyo walked out with Soma. Lubby kneeled in front of me. Lubb: "I'm sorry for the things I said, I was out of line and I really didn't mean to hurt you." that was the least of my worries at this point. Lubb: "I will be back really soon, I swear. I need to do something I shouldve done a long time ago. Promise me you'll be okay?" I nodded. Lubb: "Benny." Ben: "got it." Lubby left, running after Luks and Soma. Soma; "so what's next." Luks: "Revenge."....

Sporo sat patiently in one of the back rooms of his house in Zwide. Vega arrived with Lubby and Lukhanyo. Sporo: "finally." Lubb: "kutheni silapha?" Sporo: "where else did you want? The Radisson Blu hotel?" Lubb: "mxxim. Ayizondinceda lento uyithethayo." Luks: "what's this?" Sporo: "injections zika lo. Apparently its medicine." Lubb: "is this the shit you was using?" Victor: "Lubby, I swear. That IS safe-" Lubb: "then explain why he is on life support." Victor: "I don't know! Jeanette said she knew what she was doing." Lubb: "and apparently you did too." he picked up the injection. Vic: "you wouldn't." Lubb: "which one is this? The Pavulon? Or Pottassium? Mna ingathi ndizovumelana nale ikwenza paralyzed, I want you to feel helpless. Crave life. Scream and bleed from the inside, but you know what? I'm gonn give you some time." Luks: "khathi hamire mjita." Vega handed him the hammer. Lukhanyo hit Victor's knees broken. Vic: "fuuuuuuckkk!!!!!!!!!!!!!!" Lukhanyo hit his ankles. Sporo tied his hands with fish wire, every time he moved it seeped his skin, bruising his wrists with

every single movement. Vic: "Lubabalo please!!" Lubb: "I haven't even started yet. Problem is that uyandazi Victor, this isn't news. You wanted this for yourself real bad." Victor: "then let me explain." Lubb: "After all this time...." Victor: "you know what this is about.... You just choose to ignore it, like you have your entire life!" Lubb: "enlighten me Victor. What have I ignored? Your desperate cries for help? We'd been friends since way back. Now you decide to fuck me over? Why?" Victor: "you don't even pretend to care Lubabalo. It was always about you. Your family, the multi billion Morrison empire, you could never stomach the fact anyone else would be better than you. You hated that I could be something you're not. Your family never had all of this, and you know it. I want to know why you killed mine. Tell me why you murdered my family Lubabalo." ...

Chapter 743

Lubb: "I never murdered your family Victor. It was an accident." Vic: "that is a lie. haven't you shared with your brother the real reason why you're filthy rich? Your family benefited from that explosion more than it was necessary! And you only took me in, because of guilt!" Lubb: "are you on drugs?" Vic: "uyayazi ndithetha inyani. Stunt for your friends all you like. But they all know what a cruel monster you are and always will be!" Lubb: "Victor, stop hallucinating. The only way the empire grew was the contracts we signed and deals we made. The only way its multi billion now and global is because of Bill Sangane. We didn't benefit from your tragedy." Vic: "you see I knew you'd say that. Like your parents taught me to tell people my family died in a car accident instead to spare me pain. It was to cover your secrets. I researched it Lubabalo. I have the records. You are lying." Lubb: "then ulinde ntoni? Why didn't you go straight to the police-" Vic: "that would've been too easy. You deserve more than just a prison sentence. Ungu sathana." Lubb: "I can't do this with you right now. For real." he walked out. Lukhanyo followed him. Luks: "you killed his family?!!" Lubb: "don't look at me like that." Luks: "what other way Should I look at you?!" Lubb: "Lukhanyo I was barely 20, what motive would I have for killing abazali bakhe? Uyaxoka lamntu." Luks: "seems pretty convinced to me." Lubb: "so you believe that I'd kill people for cash, is that what you're saying?" Luks: "I'm saying, lomjita is mentally bruised by his family's brutal killing. Yilento mos enje!" Lubb: "nigga, are you catching feels for his lies?" Luks: "then what happened? Why did you have to lie uthi his parents were in an accident? Why did you not say anything? Bro, I knew you were dodge, but this?" Lubb: "Lukhanyo why are you judging me?" Luks: "am I? You can't even answer my questions." Lubb: "because I don't know what happened!! I

really don't!" Luks: "this guy has evidence. Records. That could destroy you, your family, your future, your children's lives Forever." Lubb: "he knows better than to use that evidence." Luks: "does he now? Or what, you'll bomb him too?" Lubb: "stop it!!!"

Luks: "that's why you are so sensitive to this Victor topic! All these months, ufihla lento kanti. God damn. No unzulu mtshanam. Like Pacific ocean type." Lubb: "mxim."

Luks: "Kodwa ke ebey'thethile lento uLihle, unamaqhinga wena. Ezinye izinto awuz'thethi. Sizow'thin kengoku? Nge tshomakho? Kaloku siva ngawe. Namajita ngoku are confused kuba kaloku unesqebheru." Soma came out. Soma: "and now?"

Luks: "inoba xakuthetha wena kuzovakala Soma. Akafun niks ngam." Soma: "ntwana yam, if this true, it can never get out. Ever. We have to find a way to make him disappear permanently." Luks: "if yinyani shame andifun xoka ndizok'jonga funny mna." Lubb: "you know you're my least favorite right?" Luks: "today, so are you. So are you my big brother." Lubb: "look, I'll handle this, my own way. Just give me a chance." Soma: "okay." Lubby walked back into the room. Sporo: "this is my cue." he got up and left with Vega. Lubb: "so what do you want. Can't be doing all this just for kicks. What is it?" Victor: "you've already taken everything from me. What do you think I want?" Lubb: "are you serious right now?" Victor: "more than anything." Lubb: "I don't want to kill you...you can do all that on your own. But I want it to happen slowly, so slowly, you would wish it to be over." Victor: "you won't do that L, you feel way too much. Maybe your little brother has the guts. But you? Nah...its not you."

Lubb: "sad thing is. Its been quite some time....I've changed." he picked up the first injection. Lubb: "I'm taking a wild guess and testing it on you. Hoping this is the one that inflames your veins." Victor: "Lubabalo-" Lubb: "your little games are over Victor. Its done." he assessed him. Lubb: "I see a lot of veins, head, neck....where would you prefer to burn first? This must be interesting, burning someone from the inside. Do you know this actually travels to the heart and kills you? But sad part is I'm only gonn put half an inch in you so that it takes longer..." Victor struggled himself, frustrated and scared. Lubb: "head? Nah, too quick, how about...here." Victor: "wait!!!"

Lubb: "I told you....I've changed. I want to hear you suffer. It'll put me to sleep tonight." he sat down. Lubb: "you know, had you not interfered with my family's worth, we wouldn't be in this debacle. I don't know what happened, but your parents weren't supposed to be there. The explosion was a tragedy, I didn't wish for it to happen, I'd never wish it on anyone. Kodwa it did. Yes I did benefit from it and I don't regret that. What I won't take, is you making it My fault as if I stood there with the bomb calling out. Damn it, I was with you the night it happened! Why would you have this problem now? You could be anything you want instead ufuna ubase mvakwam." Victor: "you always felt I was a burden kuwe. You never wanted me by

your side!!" Lubb: "that's bullshit and you know it. You were my best friend, how in the hell would you be a burden?" Victor: "best friends don't steal each other girlfriends Lubabalo. What's worse is, you don't even love them or pretend to." Lubb: "so that is why you raped umama wabantwana bam. Because I slept with your chicks. You know how sick that is? Victor you are sick!" Victor: "yeah, I'm sick. Problem then is, What Are You? One day, all the pain you bring to someone will haunt you." Lubb: "well, while I sit and wait for that day. Let me..." he stuffed a wet cloth in his mouth and taped it closed. he held his arm and pushing the needle in slowly, then released a bit of fluid and stopped. Victor screamed in agony. Lubb: "sleep tight Vic buddy. It might take a few days." he walked out...

The next morning I was still at the hospital, waiting for news from the doctor. Me: "what do you do for a living." Ben: "nothing." Me: "so you sit and do nothing?" Ben: "I'm not exactly a millionaire Lihle, so nothing isn't a shocking answer." Me: "I'm trying." Ben: "ndiyayazi. I'm sorry." he sighed. Ben: "I'm a part time carpenter." Me: "the wooden cabin." Ben: "built it myself." Me: "wow. Its beautiful." Ben: "thanks." Me: "you're, an architect, builder and a carpenter." he chuckled. Ben: "I guess." Me: "so...when did you meet utatam? How? Where?" Ben: "mamam, before she died, introduced me kuye. He offered to take me in, I was just 8 ngelaxesha." Me: "were they together?" Ben: "before I was born. Yep." Me: "so....he is ..." Ben: "my father? Yes." Me: "oh." Ben: "yeah I wasn't so thrilled of hearing about your arrival either." Me: "when was this." Ben: "when umamakho was...carrying you. Tata came to me wandichazela that I'm having a sister. I didn't like it. I didn't want anyone else to take my place. But you did." Me: "but he never told me about you." Ben: "because it would hurt your mother." Me: "they didn't meet until he was.....20. Meaning he had you when he was....16. But..." something was not adding up. Did my father lie to me? Ben: "into endayixelelwa mna, was that my dad had me esemncinci. The time I met him...I went to live with him. He taught me everything I knew...then wandixelela about you wandisa kumkahulu wam. A couple of months later, wabanjwa. I didn't know ubanjiwe, I thought he'd abandoned me for you. Kodwa ke I've never been a bitter child. I accepted it and moved on. I learnt as ndikhula that...some bad people, such as your father in law, was the one who took my dad from me. He paid for a crime he never committed. Makhulu wam died when I was 11. I had to fend for myself ngoba bendingenayo enye family. I dropped school, went back to live in the woods, ndafunyanwa ngomnye ubhuti while he was hunting. I showed him what I could and he invited me ebomin bakhe. Wandisa eskolweni, ndafunda. I passed matric ndina 21. Then I left again." Me: "wayaphi?" Ben: "to look for utatam." Me: "and?" Ben: "well...ndam'fumana as destiny would have it but instead he told me to leave and

never return." Me: "ngoba?" Ben: "I wasn't sure at the time." Me: "then what happened?" Ben: "uphuma kwakhe. He first came to find me, we spoke. I'd built the cabin by then. Wathi ufuna ukhangela wena." Me: "all this time...my father never mentioned you, or your name. Why?" Ben: "andiyazi Lihle. I wish I did." Me: "you do know. How often did you see him?" Ben: "often. Probably 4 or 5 times a week." Me: "almost everyday? And wena awumbuzi ngam? At all?" Ben: "I tried. He shut me down. Every time. I can't explain anything my father did. Only what he taught me. Ndiphelele apho." Me: "something isn't making sense Benny. Why would our father separate us like this?" Ben: "what were you coming up with? When he was 16?" Me: "he claimed to have left ihlathi at that age when utatakhe died wayohlala nomamakhe. Problem is, he was a bit schizophrenic. How in the world would you impregnate someone without -" Ben: "being sane?" Me: "yeah." Ben: "you don't think he raped her did you? Because that's not him!" Me: "No! Of course not....He...never left at 16 kwela hlathi.. And he was not crazy." Ben: "why would he lie about that?" Me: "he's trying to hide something that might have happened during that time." Ben: "are you serious?" Me: "Benny don't you find it strange that nobody knows about you? His friends. Family. Absolutely No One." Ben: "No. He said it was to protect me." Me: "no...it isn't. Benny, utata besenza nton kwela hlathi?" Ben: "uhm nothing. He would hunt or build things." Me: "Benny, if you want to be in my life, you have to tell me the truth." Ben: "yinyani Le ndik'xelela yona. That's it. I swear." I looked him in the eyes and I saw him. My father. How did I not notice it before. That's why I thought he was so familiar, he looked like my father. Our father. Me: "Benny I find it strange that no one knows you." Ben: "why?" Me: "because its weird. You're his first bor-" he covered my mouth. Ben: "don't say it. Please. Its not safe Lihle." Me: "what's not safe?" Ben: "the people around you. Abakwazi ukukhathalela. If you stay attached you'll lose more than you'll gain." Me: "will You stay?" Ben: "only if uyafuna ndihlale. I will. But in my own place, I don't want to crowd you or make umamakho uncomfortable." Me: "There's a back room. Half done. If you can complete it, its yours." Ben: "andifun ubalu xanduva kumamakho more than I already am Lihle. I'll be fine." Me: "surviving on what Benny? Let us help you." Ben: "only if umamakho is okay with it." Me: "ndizothetha naye." Ben: "thank you." Me: "its a pleasure big bro." he smiled. I had to keep him closely monitored. If he disappeared again without any explanation ndophinda ndimfumane phi? He was hiding something and what better way to get him to talk than giving him what he doesn't have. Love. Ben: "Benny. You can call me Benny." Me: "what's Benny short for? Bernard? Bennett? Benjit?" he laughed. Ben: "Sibenoxolo." Me: "that is probably one of the rarest names I've ever heard. Its beautiful." Ben: "Lithembelihle. Ulithemba phof?" I giggled. Me: "no. I'm the last

person you should trust." Ben: "I'll take my chances now. You're the only family I have left and I'll be damned if I let anyone...or anything...between us." he narrowed his eyes at the chair Lukhanyo had sat in the previous night..

Phila sat on his bed already dressed. Phila: "baby? Phuma kaloku." she'd locked herself in the bathroom. Phila: "Zukiswa please, uzondenza late at my golf practice. What's wrong?" Zuki: "GO!" Phila: "I'm not leaving you until you explain to me kwenzeka ntoni. And we're gonna fix it." Zuki: "I am fine Phila, just go." he took out his cellphone and dialed his boss's number. Phila: "Ace? Ekse mjita, mamela, I'll be a bit late today. I've got a bit of a crisis." Ace: "is everything okay?" Phila: "it would be if my girlfriend opened the bathroom door." Andile laughed. Ace: "good luck bra." he hung up. Phila: "babbbyyy....khaw'vule kaloku." Zuki: "Phila why don't you just go! I'm fine. Its just a tummy bug." Phila: "ndifownele uLosta? he's just up the street-" Zuki: "No!!" Phila: "love, we have doctor friends. That live a few doors away. Unfortunately I do not have police friends to knock this door down! But I promise you sthandwa Sam. I will wear my big boy boots and kick it down myself. Now, lady, don't make me repeat myself, I suggest you open this doo-" the door opened. Phila: "oh hey sweetie." Zuki: "hi." she held the pregnancy test in her hand. Phila: "you look a bit rough and ugly. What's wrong?" Zuki: "oh thanks." Phila: "I only say it because I love you and I wanted to see a smile plus the hand that smacks my shoulder but I guess today it didn't work. Talk to me." Zuki: "I just...I've been trying so hard and I've failed you." Phila: "ngantoni? You didn't fail me. Come here, what are you on about?" Zuki: "you've been talking about umntana for the past year. Ndayeka ukuya e-clinic. I..wanted to give you lento uyifunayo more than anything in the world. And I failed." Phila: "baaabe. You didn't fail. I don't mind ulinda. Yes I want a baby but not if its going to depress you. Sizobanaye umntana, it takes time." Zuki: "no it doesn't. Kukho nto erongo ngam. Wonke omnye umntu just gets pregnant easy and I can't? Its been over a year!" Phila: "maybe God planned us differently, maybe...he wants us to be patient. Do things right." Zuki: "Phila, I'm about to graduate. Ndiqibile ufunda, at least for now. I'm working too. I want to start a family." Phila: "so you want us to get help?" Zuki: "if that's what it takes." Phila: "ima ndifownele uLosta-" Zuki: "No." Phila: "he's my doctor and best friend. What's wrong?" Zuki: "I want this between mna nawe Philasande." Phila: "it will be, he's a doctor not a journalist." Zuki: "we're getting another doctor Phila. Not your friends." Phila: "OUR friends, I thought. Ngesise ndlelen ngoku, he'd tell us what we needed to know sibene way forward. Now funeke ndenze appointment that might take me to next week, siphinde silinde nto esingayaziyo-" Zuki: "I'd rather that...than this." Phila: "There's nothing to be embarrassed about Zukiswa. I don't understand why you're so shaken, don't you

think I'm worried too that perhaps I'm the cause? Please, just relax and let's do this. Ndizom'fownela uLosta, he'll come over and we'll get it done with right now. Yes?" Zuki: "yes." he made the call to Lonwabo. Phila: "he'll be here in ten minutes." Zuki: "kuthen uthe its urgent?" Phila: "he'll come quicker." Zuki: "ndisayo vasa." Phila: "okay babes." he waited for Lonwabo who arrived rushing in with his medical bag. Losta: "what's the emergency?" he said out of breath. Phila: "bro, did you run here?" Losta: "of course I did. Couldn't find my keys but my legs were intact so I took a chance.. What's wrong?" Phila: "uhm, please sit." Losta: "alright." he sat down. Losta: "thetha nam ndingeka gqabhuki." Phila: "Zuki and mna have been trying for a baby. Its not working, she thinks There's something wrong with her." Losta: "oh...damn. That's rough man." Phila: "Losta, I'll need you to check me." Losta: "look, babies are a blessing bra. And you don't Make blessings, they're given to you by God. There's nothing wrong with either of you, all you need to do is pray. Accept and be patient. That's it." Phila: "this sounds more like uLubabalo speaking and I don't like it." Losta: "he's been in my house talking shit since last night. He gets in my head some times. Sorry." Phila: "help me Lonwabo." Losta: "okay, here's what. I am not a gynecologist, BUT I know a very good one. I'll send you number yakhe and tell him I sent you. I still say There's nothing wrong with both of you. But go ahead and waste money while orphans starve. God is watching you." Phila: "here we go again." Losta: "I'm serious-" his phone rang. Losta: "prolly surgery." he answered. Losta: "Dabi speaking." Lubb: "Uphi?" Losta: "Lubabalo I'm working." Lubb: "but you left your car? Why you working on Sunday?" Losta: "house call. What do you want?" Lubb: "peanut butter. Your daughter insists on peanut butter right now." Losta: "do you mind ukuya kwa Spar? There is no peanut butter apho." Lubb: "uphi though?" Losta: "a neighbor is sick." Lubb: "oh my, uzobaright?" Losta: "if you drop the call, maybe." Lubb: "okay, talk later then!" he hung up. Phila: "Lubby is worse than an actual wife. The way he constantly calls and nags." Losta: "actually this time its a bit different. I don't know what's bothering him. He refuses to mention anything besides his company. Think I should be worried?" Phila: "with Lubabalo? Always be worried and prepared for whatever is coming next. You better get back home awti.."....

Lonwabo walked back into his house. Lubb: "besesiphuma. Join us." Losta: "is there something you wanna tell me Lubby?" Lubb: "nope. Masiye kwa Spar. Come Tia." Lonwabo held his arm. Losta: "what happened. Uphi uLukhanyo?" Lubb: "at home with his children." Losta: "and you?" Lubb: "I came to spend time with you. We're friends andithi?" Losta: "yes. We are....but ikhona into ondifihlela yona. Tia, ambokhangela uncle wakho baby." Tia: "hayi mna Tata ndifun hlala noUncle Lubby mna nje." Losta: "Tia..go." she ran upstairs. Losta: "now..." Lubb: "Victor." Losta: "wenzentoni ngoku." Lubb: "I kinda...I did something." Losta: "to him?" Lubb: "ewe." Losta: "and?" Lubb: "I don't want him to die. I want him to suffer. He has done so much to pain me." Losta: "why?" Lubb: "I paid someone to plant the explosives at the factory." Losta: "what factory? explosives? For what?" Lubb: "the factory was running to the ground. My father, paid insurance kuyo. And the only way to get it was if the whole operation was destroyed. Once the bombs were in, I set the time for it to go off, making sure no one was inside. But his parents were at the back. Nobody had

seen them. They made a call, which triggered the bomb and it exploded before time."

Losta: "why did you have to bomb the factory.....wait to get the insurance money?? Oh my God, the Morrison empire is on top of its ashes isn't it?" Lubb: "yes." Losta: "Lubabalo!!!" Lubb: "my father said it was my only inheritance. I had to do it. That's how we..." Losta: "I thought your grandfather built it." Lubb: "all this is just a painful reminder and the reason I can't sleep at night." Losta: "damn. This is why you couldn't let go of him ne? This is why you let him do anything to you. Its because you're feeling guilty." Lubb: "you wouldn't understand." Losta: "oh I do. Lubabalo, this was not your fault, zange bathunywe nguwe ukuba mabayeph. You didn't call them or trigger the bomb. Or is there something you're not telling me." Lubb: "no." Losta: "Lubabalo, I'm the only one you have to talk to. The only one you can trust, that's why you're here right?" Lubb: "ewe lonwabo." Losta: "then talk to me mfethu." Lubb: "they had to go. It was the only way." Losta: "your dad did this? That factory belonged to them?" Lubb: "yes." Losta: "oh my God Lubabalo. Damn." Lubb: "I've never felt so bad about anything I've ever done." Losta: "it was not your fault." Lubb: "I could've stopped him. Could've said no. But instead ndamyeka and kept quiet." Losta: "its too late to do this to yourself. Uphingok uVictor?" Lubb: "he's...dying slowly." Losta: "what did you do?" Lubb: "he gave uTa Seez an injection to kill him. I did the same to him. I can't face them Lonwabo. All of them, Lukhanyo is judging me, Lihle is blaming me and Victor...andisakwazi anymore. He cursed me that one day izondibuyela yonke nto endiyenza ebantwini. Meaning I'll never be happy...because I've hurt too many people. This is why." Losta: "hey, you will be happy, maybe awukamfumani umntu oright. Kodwa your happiness can't come at the expense of others. Uzoba right Lubby. Just.....eish...andiyazi nyani." Lubb: "you can't tell a soul." Losta: "you know me better than that. You know I won't." Lubb: "thanks." he sat down on the kitchen stool. Lubb: "how's the charity going." Losta: "uhm...great." Lubb: "really? Can I weigh in?" Losta: "weigh in what?" Lubb: "donate. That's why you built it nje, so that people donate." Losta: "erh...not yet. We're already above budget. Its gonn up real quick." Lubb: "who did?" Losta: "some doctors from the hosp..." Lubb: "and.." Losta: "just them." Lubb: "why do you look like you're lying to me." Losta: "I'm not." Lubb: "who else." Losta: "Lukhanyo." Lubb: " oh. 400k right?" Losta: "how did you know?" Lubb: "at least he's putting it to good use. So can I weigh in?" Losta: "you don't have to bro, trust me. We're good." Lubb: "what happens when you run out?" Losta: "I already have a strategy to keep us maintained. We'll be ayt." Lubb: "so away'fun imali yam? Because of what I told you?" Losta: "No. Don't even dare. There's more to you than just your money, right now its unnecessary because we have over 3 million. That is enough for now. When we have fundraisers you'll

weigh in all you like. Okay?" Lubb: "you still making me feel like shit." Losta: "you're not shit. The money you make is legitimate. Awuyibanga mntwin. You work harder than everyone I've ever known. You're the best at holding down 3 major jobs without help. I know you." Lubb: "still." he stared at his iPhone ringing. Losta: "Luks?" Lubb: "its dad." Losta: "answer it." Lubb: "not today." Losta: "you can't ignore ubawo, he raised you, fathered you, he saved your life, built your life, fixed you and all the shit you've ever done and to this day still covers your arse. Lubabalo you are lucky to have a father like that. appreciate him kwangoku kuse early. Or nature will make you." Lubb: "not right now okay? Its a bit too soon." Losta: "okay, now you're shit." Lubb: "so I've been told. Lonwabo, you don't understand, you just don't get it." Losta: "its not like ukhuphe umpu wabadubula. Nah, it was not your damn fault man!" Lubb: "might as well have." Losta: "the guy that murdered your half sister. Sam. Remember? Do you regret killing him?" Lubb: "No. He deserved it." Losta: "and all the others?" Lubb: "I don't hurt anyone that doesn't hurt me. So they probably deserved it too." Losta: "then ingxaki iphi? Lubby. Leave this shit behind you bro. Don't let it consume you and your happiness. Ya hear?" Lubb: "yes." Losta: "let it go. Completely." Lubb: "so can we go to Spar now?" Losta: "yeah."

Sunday evening, oko sihleli esbhedlele. My mother came too. The doctor had been in surgery since morning we hadn't heard a thing. Ben: "awulambanga?" I shook my head. Ben: "you should eat something. At least to keep energy yakho." Me: "have you eaten?" Ben: "I'm about to. Masambe." Me: "you go." he stood up and grabbed my arm, literally dragging me to the cafeteria. Me: "hewethu andilambanga." Ben: "nam andilambanga kodwa I haven't eaten since izolo." we sat at a table while he bought the food wazohlala phantsi. I picked at my plate, eating only bits and pieces. Ben: "so how does a smart beautiful girl end up with such a dumb asshole like that." Me: "if you're talking about uLukhanyo. Stop talking." Ben: "why? Because ngutata wabantwana bakho?" Me: "because I don't want to hear his name, or see his face in my head." Ben: "and the other one?" I drank the juice. Ben: "I saw the vibe you had before ahambe...is there something. Or was." Me: "why are you so curious?" Ben: "because ndifuna ukwazi." Me: "yes, there was something. We had sex, I fell pregnant and for a while we separated but he came back for me. We got engaged, and boom, broke up again. Happy?" Ben: "wow...so...how? Luks athin-" Me: "he didn't like it. Made our lives a living hell. Almost killed us. And the baby." Ben: "now....where's the baby?" Me: "usendlin." Ben: "oh, the last born?" Me: "utatakhe nguLukhanyo. I know that's your next question." Ben: "is it?" he sipped his coffee and smiled. Me: "yes it is." Ben: "utata doesn't seem to think so." Me: "utata had a favorite. If he had to choose, it would be Lubby. Since day one." Ben: "its not about favorites mntase. Its about the

truth. He told me this, months ago, I think you'd gone out the country. Wayetshilo futhi kuwe-" Me: "Benny, ndim umntu wayemithi uLubambo ne. I know by whom. Let it go." Ben: "its okay...its still in the team. Subana worry." why did he annoy me so much? Me: "are you always this inquisitive." Ben: "awunqandwa ngamanzi olwandle ba mawundibuze nawe." Me: "where's your girlfriend." Ben: "second time you asked me that." Me: "well..." Ben: "she died two years ago. Breast Cancer." I swallowed hard. I didn't realize. Me: "I'm sorry." Ben: "oh its fine. I learnt to deal with it." Me: "so that's why you're cutting yourself off from the world?" Ben: "no. I just like being alone." Me: "is it now.." Ben: "look, I just feel closer to her xandindodwa. I can smell her perfume, I can listen to her music. Ndiyowaba. And that's it." Me: "well...don't you think perhaps-" Ben: "I should move on?" Me: "yeah." Ben: "here's a deal. If you can move on, I will too." Me: "I'm already done." Ben: "nah, come tomorrow and you'll be in his arms again. I know how it feels..skoyika." Me: "trust me Benny. I'm done." Ben: "done enough to move on?" Me: "maybe in a few months, andingxamanga wethu." Ben: "with number two?" he sipped his coffee again. Me: "keeping it in the team? Nope, playing in another league." Ben: "oh. This I'd like to see. So what kind of guys are you into?" Me: "I always attract blood. This time, I'd like a more calm relaxed person. Down to earth, spiritual, caring and concerned, ambitious, and loves kids." Ben: "sounds like you're looking for a Jesus." I chuckled. Me: "that wouldn't be so bad. You?" Ben: "beautiful, intelligent, brave, strong and just a little insecure." Me: "insecure? Why?" Ben: "its just a touch of fire. I like to keep it burning." I watched his eyes, he smiled not breaking the gaze. Me: "I have a feeling you're not who you say you are..." Ben: "you want a blood and urine test? we're at a hospital buttercup and I'm game if you are." asking a grown man for a DNA test was more awkward than I thought. I didn't know how to say it. Ben: "I understand your worry. I care about you, and I wouldn't want you to be uncomfortable around me. So if ufuna senze test, I'll do it." he smiled sweetly. Me: "alright, I'll make an appointment." Ben: "good." he ate. I watched him closely, his jaws chewing strategically and his throat swallowing the contents. His spoon slowly moving to his mouth and repeating the motion. Me: "and if I find out you're not..." he chuckled, paused and slowly looked up. Ben: "then I'm not....you'll do what pleases you. Keep me around or chase me out. Your choice. Your rules." Me: "and you don't seem bothered." Ben: "should I be, buttercup? Maybe my father twisted the truth, maybe he adopted me, maybe he was protecting me and took me as his own. But why... Because maybe, I may possibly be his, and his enemies wanted his first son so he had to protect me from the world." Me: "then why do you look at me like that." Ben: "I look at everyone like this." Me: "a good friend of mine says you're dangerous. Shouldn't be trusted. Why." Ben: "well, if I was that good

friend I'd give you a damned good explanation in precise detail. Unfortunately I'm no psychic, buza kuye why." Me: "you don't even care who it is." Ben: "knowing him or her will not benefit me in any way. So yes, I don't care who it is." Me: "you've got an answer for everything, do you?" Ben: "like you've got a question for everything, don't you?" Me: "we should go back." Ben: "of course." we walked back up after I got my mother a cup of coffee ndayomnika. Mama: "uNamhla uthi uLubambo ushushu inoba uqalwa yi fever and uyakhala." Me: "iqale nini?!" Mama: "usandofowna ngoku. Kodwa ukhona uThulani uthi bazomzisa." Me: "ok." I waited. In 45 minutes they arrived umntana ekhala still ebomvu ubuso. He was wearing a vest and nappy only ephethwe ngengubo yakhe encinci. I took my son and sat down trying to calm him. The moment his head lay on my left breast wecwaka. Namhla: "yuuuuh. Hayi ungumsebenzi mfana. Yoh." thulz: "ebekhumbula umamakhe qha. Molweni." Me: "hi. Uhm, ngu Benny lo, Benny this is Thulani." they shook hands. I sat a bit further away trying to put the baby to sleep. Wanca ibele endijongile. He was getting sleepy. Me: "lala kaloku boy..". Pulling him up. he burped, and rubbed his eye with his little fist. Ben: "can I?" Me: "akasoze afune. Uyoze." nonetheless I handed the boy to him. Ben: "he's cute." Lubambo opened his eyes again wamjamela. Me: "soze alale ekomnye umntu. Libala." Benny smiled and rocked him back and forth, hushing and singing. Lubambo just stared at him without a wink. Ben: "oh, uthanda ibele. Ambolala ke boy." I took him back. Me: "no kids?" Ben: "not yet." Me: "advice? Wait until you are really ready. This is a full time job." Ben: "I like full time jobs. They look beautiful." Me: "I love mine too. Ndikhumbula amawele am ngoku. They would be playing in some corner together or running around screaming." Ben: "baku tatabo?" Me: "yes, but bayabuya ngomso." Ben: "will you cope?" Me: "they're My babies, I will cope." Ben: "and I'd be happy to help." Me: "you can barely babysit a fly." he laughed. Ben: "if I can babysit uTiny. Trust me, I can babysit." Mandy and Sbosh arrived too. Ben: "well, khame ndibuyele kwi seat yam. Goodnight little fella." by then Lubambo was fast asleep, with his mouth open. Mandy: "hi friend." Me: "hey girls." they sat with me. Sbosh: "new flame?" Me: "flame?" Mandy: "sizzling mtshana." she whispered. Me: "what are you guys talking about?" Sbosh: "lomfana behlelapha." Me: "oh mxim." Mandy: "yi-bhisto sana. Ye chakalaka. Mhle shem umntana womny umama." Me: "guys, its not like that. Ngu Benny lona. My potential half brother." Sbosh: "haibo!" Mandy: "mom or dad's side?" Me: "dad." Mandy: "ndithele ngqa mos ingathi uqhelekile." Me: "you know him?" Mandy: "no. But he looks like utatakho. Oh my God. A younger verson of utatakho is just heaven." Me: "eeuw Mandy. Sies." Sbosh: "not really actually, abafani ncam. Its just the way ahamba ngalo, nok'hlala. Otherwise, nah." Me: "I don't know what to think anymore. Why has my father

never told me any of this?" Sbosh: "exactly. What if lomntu uyabhanxa uzama ilaka." Me: "ilaka for what? I'm not exactly rich, and kuthen ezozizisa as a brother ke? I'm being as pre-cautious as I can. I'm doing the test, that's what will determine if uyabhanxa or not." Mandy: "and if uyabhanxa peto umphosele ngapha. Ndinecebo ngaye." Me: "and Anda?" Mandy: "hayi wethu kudala ndinixelela we're not together we're just chilling." I smiled. Me: "okay, ndizomphosela kuwe xa ekuxaka ungandibizi." Mandy: "uyaxaka na?" Me: "well, he likes asking questions. Too many irrelevant questions." Mandy: "wena awubuzi?" Me: "he doesn't give much relevant answers." Ben: "or you could ask relevant questions." Me: "see? He just pops up uninvited." Ben: "sadly we're in one room and you're in hearing distance. I didn't know you were gossiping. Sorry." Me: "we're not gossiping if you're here." Ben: "you're talking about me." Me: "do you mind?" Ben: "yes. I do." I was at snapping point but controlled myself ndathula. Thulz: "uhm...akhomntu ubawel drink?" Sbosh: "cela iced tea mna." Mandy: "me too." thulz: "Benny can we...take a walk?" Ben: "I didn't come here to take walks." Thulz: "alright then." he stood up and walked out. The doctor came in then greeted us. Doc: "Miss Manti, may we speak in private? With your brother." I stood up, my knees buckling and heart racing. I couldn't tell whether it was bad or good news judging from the doctor's expression. Plain blank. Sibongile took the baby, I walked behind the doctor, Benny and my mother followed behind me to two closed doors. I figured this was ICU. Since I'd spent quite a lot of time in a place like this. The doctor looked at me for a while. I looked at the glass window, behind was a bed where my father was lying on. Imibhobho on his face and arms. Everything so quiet and still. Me: "what's wrong?" Doc: "Ma'am, I have some bad news."

Chapter 745

I only remember waking in his arms, his grip hadn't for once loosened. I picked my head up and pulled away. Ben: "hey." Me: "I'm sorry I..." Ben: "fell asleep? Its okay. You needed to rest." Me: "where is my baby?" Ben: "sleeping too." I stood up and looked around. Me: "uphi umamam?" the waiting room was empty. Ben: "Thulani umgodusile. And I asked your friends to give you some space, I thought you wouldn't want to speak to anyone when you woke." Me: "I don't...thank you. Kodwa, kuthen siselapha thina? The doctor said...its impossible for him to ever wake him again." my voice shook. Saying it was more difficult than it sounded. Ben: "I know. Ufuna uhamba?" Me: "I don't know if I want to face people." Ben: "you don't have to. Big brother has a secret hide out." Me: "big brother isn't really big brother, is he?" I

looked at him. Me: "I heard you whispering in my ear while I was asleep." Ben: "I only want to protect you Lihle." Me: "who said I needed protecting." Ben: "ngutatakho. Look, I'm only here because he made me promise to look after you if kukho into enzekileyo kuye. You didn't really think he'd leave you all alone now do you?" Me: "you don't have to Benny I'm fine!!" Ben: "andizok'shiya usenje. Only when I know you're fine. And right now, you're not." Me: "and you would know right? Like you knew Victor wasn't a doctor?" he stared at me. Ben: "that is unfair Lithembelihle. And you know it! I would've done anything to save him but I couldn't! Now its my fault? Why uhleli ufuna ufaka iblame? If that's the case then carry on and blame me! If it makes it easier for you, ndim umntu owenze yonke lento." he stood up and walked out. Me: "Benny." Ben: "I can't do this Lihle, xa ngafun ndibekhona its fine-" Me: "please don't go." I cried. Me: "I can't do it alone either. My mother is devastated. She-she can't cope anymore, I have no one else. I don't want to be strong anymore, kudala ndizama but I can't. I'm tired!" I sat down and sobbed. Like the past 2 hours. My heart was in physical pain and I missed him so much. I missed my father so bad. And nothing could get me to him. After everything I've gone through this had to be the worst pain. I just-... 😞:(Ben: "you don't have to be strong." he sat down next to me. Ben: "I'm here to do it for you. You have to start trusting me because I'll never hurt you, uyandiva? Ever." Me: "I can't trust you. I can't trust anyone." Ben: "because wonke umntu ebomin bakho has disappointed you? I'm not them." he wiped my face. Ben: "masambe. We'll fetch umntana siye where you want to go." Me: "so what do we do." Ben: "the decision is up to umamakho and you." Me: "and Nosizwe." Ben: "let's go." he helped me up and we walked to the nursery. Lubambo was definitely not asleep, he watched the lights with his hands up. Ben: "he's a happy baby." Me: "yes he is." I went in to fetch him speaking to the nurse briefly and signed. We went to Benny's bakkie outside. Me: "its cold." he switched the heater on. Ben: "yeah. ina." he gave me the baby bag and I dressed Lubambo up warmly while Benny drove. Ben: "can you direct me?" I directed him to Sine's home. What was I to say? Where to begin? He stopped outside. Ben: "I can.....if you.." Me: "its fine." I opened the door and stepped out, walking to the door. I knocked. Realizing how late it was, they were probably asleep. But the door opened. It was her. The tears fell down my cheeks ndingeka thethi. Nosizwe: "ngena mntanam." I came in and sat down with the child. Nosizwe: "kwenzeke ntoni?" Me: "mama...utata was shot." nosizwe: "what?" Me: "someone, injected....him with a drug that....paralyzed him." I couldn't continue. My chest pained. Nosizwe: "Lihle...." was all she cried. Benny knocked on the door. Ben: "xolweni ma. Igama lam ngu Sibenoxolo, bendikhapha uLihle." for a minute I was glad he came. Ben: "utata is in hospital. He is on life support, Ugqirha said he won't be

able to wake up again. ndicela uxolo ma." she shook her head still crying. Sine: "kwenzeka nton?" he stood by the passage. Sine: "Lihle?" he sat with his mother. Nosizwe: "kuzolunga mntanam. Thembela kuThixo." as she held my hand. Nosizwe: "thembela kuye yedwa." Me: "ndizobuya ngomso mama. I have to..." I stood up and walked out.

Back in the car, we sat for some time. Ben: "ndikusephi?" Me: "I don't know Benny." he started the car and drove saqala egarage for fuel then got back on the road. Ben: "do you trust me?" Me: "No." Ben: "then kuthen uhleli emotwen yam. Traveling not knowing siyaphi." Me: "because I don't care. I dont think There's anything you can do to me that's worse than this." Ben: "saying its going to be okay, isn't really my thing. Ksasa funeke sithethe nomamakho, she and Nosizwe can determine what happens next." Me: "what if he does wake up." Ben: "miracles do happen. We'll keep him on the machine for another week?" Me: "at least I want to try. Give hope." Ben: "okay." the van got off the road and into the gravel to his cabin. Then stopped. Ben: "here. I'll sleep here." Me: "where?" Ben: "go inside Lihle." Me: "you're going to sleep in the car?" Ben: "I need to keep you safe." Me: "by sleeping in the car? What exactly is it that's going to hurt me? Wild Bears?" Ben: "no." Me: "oh..." I got out the car with my baby and his bag and walked into the door. It was broken. I checked the last room I hadn't had a chance of and opened it. It was neat, with fresh flowers, a clean ready bed. I put the bag down. Opening the blanket, white linen sheets spread neatly. I needed to bath first. So I went to the bathroom with the big pillow, locked and put the baby on top of it esalele. I bathed, finished up and went back to the room to sleep. My heart was heavy and it took all of my strength to hold back the tears. I couldn't. The thought of never seeing him laugh, smile broke me in ways I couldn't describe. I was robbed of my father. As we went into bed, a heard a creak, almost like a footstep in the lounge. Then another. Me: "Benny??" I wiped my tears, not wanting him to see me cry again. But there was no response. My heart started pounding on my chest. Me: "BENNY. Nguwe lowo?" silence...no more steps. I looked below the door and saw a shadow of boots. I sat up from bed. This was definitely not him. I took the small statue on the dresser and threw it at the window. It shattered broken. In a few seconds the vehicle door outside slammed and I heard running. A rifle handled, pulled. Another door kicked, more running and then a gun shot. BAM! Loud and clear. Lubambo woke up screaming. I tucked him my chest calming him. The door of our bedroom opened. Ben: "are you okay?" Me: "who is it!!" Ben: "I didn't see. Ubalekile." Me: "you being outside isn't helping!" Ben: "yophulwe ngubani festire? Did you see him?" Me: "I broke the window. As a signal to wake you up!" Ben: "you are a smart woman." Me: "you're a dumb man." Ben: "then I guess we make a hell of a

good team. Let me?" Me: "that gun is what rattled him, I doubt he'll calm down ise camkwakhe." Ben: "he'll settle." he took the baby. Ben: "were you crying?" Me: "no. I wasn't, ndiqibo vasa and ndiyozela so..." Ben: "you don't have to act strong Lihle. I'm here for you." Me: "I'm not acting." he looked at the baby. Ben: "shhhhh....sukhala kaloku boy..." he whistled. Me: "who else knows about this place and what do they want from you." Ben: "I would have to ask You that. I've never had anyone here as long as its built. Nguwe ozise friends zakho apha." Me: "if you don't know then why did you feel the need to protect me from sleeping in the car?! Andiso sdenge Benny!" Ben: "no awuso sdenge. Buuuuh if I really wanted to hurt you I wouldn't have come. And I knew kukho umntu osijongileyo. Someone that knows you and your father." Me: "and why would you think that?" Ben: "because uyazile ba makangene njani angaviwa. And how to leave unseen. Its definitely not those twins ngoba abakwaz nje ukuzibamba." I thought carefully...could it be Sporo? But if it was him, he would've fought Benny head on. Guns or not. If it was Sporo, he would've responded. Ben: "what are you thinking?" Me: "Siphelele would have killed you. Its not him." Ben: "Sphelele? Nguban lowo?" Me: "Sporo." Ben: "oh, ngoba ingabi nguye?" Me: "he's not the giving up type. Yes, disappearing and slipping out of grip is his thing." Ben: "why would he.." Me: "andiyazi njani but ingathi they've recruited him on their side." Ben: "they?" Me: "twins." Ben: "oh. Khome ndiyolungisa amacango am lomzuzu. Here, he's sleeping." I took the baby from him. Me: "do you need help?" Ben: "No." Me: "company?" Ben: "funeke ulale." Me: "I can't. I'm coming with you, besides ivulekile nale window." Ben: "yeah. You and your people know how to wreck a house." Me: "My people?" Ben: "or not." he stood up and walked out. We followed him with the pillow and blanket. Ben: "luckily, its just off the hinges." I sat on the floor and watched him. He took off his jacket and shirt, starting to loosen the screws off the broken hinges. Me: "ufunde phi." Ben: "funda nto?." Me: "everything you know." Ben: "eskolweni. Like you." Me: "esiphi?" Ben: "is that necessary?" Me: "you said I don't ask relevant questions. I'm asking ngoku." Ben: "hm...I was home schooled." Me: "lies." he chuckled. Ben: "primary ndifunde Emafini. Edwesi. Then ndaya kutata...ndahlala naye for a while, until he sent me back to makhulu wam, you know the rest." Me: "about umakhulu wakho oswelekileyo and you went back to ehlathin wafunyanwa ngomnye ubhuti wakusa eskolwen and took care of you." Ben: "yep." Me: "where is he now." Ben: "I believe usendlinakhe." Me: "why did you leave?" Ben: "I was old enough and had to start looking after myself." Me: "funny...you said, ubuhlala eTinara a few days ago. Kodwa ngoku uthi ubufunda edwesi. How did that work for you." Ben: "I didn't live eTinara. I lied to scare uLukhanyo." Me: "oh." Ben: "I'm sorry I lied." Me: "you had your reasons." he stood up and fitted the door in its door frame and screwed

it back on carefully. Me: "ufundiswe nguban carpentry?" Ben: "Tata." Me: "oh." I wish he'd taught me something I could do with my hands. Something to remember him with. I felt so useless. Ben: "come." Me: "what?" Ben: "iza. Bamba apha. You put it in." Me: "I can't. Andizange ndayenza lento." Ben: "now you will. Come on." I stood up and took the drill. Me: "are you sure?" Ben: "the only worse thing you could do is drill the entire wall down, and that is very unlikely. So enza ke sisi." I kneeled down and drilled. A bit rattling but I managed to hold it down. I mean I've shot people before, this can't be that bad. Ben: "there you Go. One more to go sigqibe." I finished the last and he checked it. Swinging the door back and forth. Ben: "just as good..ndizokwenza lo wok'qibela and we'll rest till ekseni." Me: "festire yona?" Ben: "ksasa. I don't have a spare window." he fixed his back door and locked it. Ben: "awuy'bawel itea or hot milk? It will help you sleep." Me: "yes. Ndiyafuna ulala, its just that There's too much on my mind and I can't." Ben: "that's okay. You can use the first room. It is a bit empty but warm." he put the steel kettle on the stove boiling the milk. Once it was done, he poured it into a cup. Ben: "intwana?" Me: "he's okay, uthanda ubisi oluphuma kum qha anyway." Ben: "that's cool." Me: "do you think ngenyi mini. You'll settle and have abantwana." Ben: "well, I've always loved little babies, and kids. So ewe, ngenye imini I would love to be a father and partner." Me: "partner? Not husband? So awufun tshata?" Ben: "no, I do. I say partner because I want my wife to be my equal. Xakuthethwa ngomfazi nomnyeni, it is expected that the husband is first then the wife. I don't want that. Ndifuna a loving partnership with someone that will love me the exact way I love her. And our kids." Me: "hm...that should be nice, well, I wish you luck with that." Ben: "here's your milk. and thank you, but I don't need luck. I already have my blessings." he smiled. Ben: "sweet dreams..." I took my cup and my baby to the bedroom. Me: "don't leave." Ben: "I am not going anywhere." Me: "Good."

Monday morning, Lubby wore his tie fastening it up to his neck. Lubb: "khanyo." Luks: "hm." Lubb: "wake up." Luks: "Lubabalo where the fuck you going at this time? kusebsuku! Are you mad? Uyaphambana bra?" he covered his head with his pillow. Lubb: "its five twenty five a.m. Its morning. Vuka." Luks: "now why the hell would I wake up at 5:25am?" Lubb: "please." Luks: "No. Lubabalo. Ndizovuka uhalf 6 lo wesiqhelo. Goodnight!" Lubby took his brief case and walked out to his car. He drove to work arriving at 5:45. Walking straight up to his office he started on his work. His phone rang. Lubb: "dad." Sebas: "ahh...I almost thought you were ignoring me." Lubb: "now why would I do that dad?" Sebas: "you haven't taken my calls in a while. I was worried." Lubb: "I was busy. What can I do you for?" Sebas: "son, I'm going to need you to fly over soon, latest yesterday. The Indonesians want you to sign off the

project." Lubb: "father, I am not a project manager. I graduated in civil engineering. In case you forgot although I doubt it because you paid for it.." Sebas: "you're C.O.O of this company and former CEO. Whether you graduated in plumbing, they really don't care my boy. They just want you here because you did the proposal. Please." Lubb: "dad, why can't I be me? Why does everything have to do with the Empire? Have you even realized that I'm trying to build a telecommunications company from the ground? I have shareholders whom I report to every Monday morning at 7am. I can't just drop everything." Sebas: "I'm not saying drop everything. I know the only reason you started that little organization boy scout was because you were bored. You never graduated in telecommunications my boy, yet you're CEO. I need you here Andrew. This is an investment of a lifetime, YOUR investment. This is YOUR company, YOUR empire. You need to wake up son. I won't be here forever. I'll book your jet for 9:30. Give you a little allowance for your meeting. " Lubb: "my....what?" Sebas: "oh yes. Your mother bought you 3 boys a jet. Little birthday surprise." Lubb: "our birthday isn't for 3 months." Sebas: "just get here." he hung up. Lubb: "mxim." he stared at his phone until it rang again. Lubb: "liyabona." he answered. Liya: "well hello to you too." Lubb: "sorry. What's up?" Liya: "well...oko kwango 2 bendihleli." Lubb: "why?" Liya: "you son is teething and talking." Lubb: "what?" Liya: "listen." she pressed the loudspeaker. Luyanda: "dadaaa dada..." Lubb: "hehehe. Itsho iboy ka Tata." liya: "all night long. Fun times." Lubb: "uxolo wethu mama, you should've called me then." Liya: "privacy rules." Lubb: "well, thanks for considering kodwa ke no one comes before my kid. So xa ufuna ufowna undixelele uyandibiza. Call me." Liya: "all right. Anyway, good bye. Funeke ndilungiselele ukuya eskolweni." Lubb: "yeah nam ndiye kapa soon, I'll call you later. Thank you for the call. I really appreciate it." Liya: "my pleasure." Lubb: "oh and if you don't mind cela undenzele a video." Liya: "okay. Bye." Lubb: "sho." he hung up. At 06:45am Soso arrived, followed by Soma and then Lukhanyo. Jamie was already preparing the boardroom. Soma: "and then? How come you're here so early?" Luks: "Lubabalo wakes up before God." Lubb: "God doesn't sleep." Luks: "exactly my point! How this nigga gonna wake me up at 5:25 ingathi ndenzi shift." Soso: "5:25?" Luks: "he left the house at that time too." Soso: "uyalala phof?" luks: "ndimqibele on Saturday. I don't know where he comes from." Lubb: "for the love of God, can we just stop for one damn Monday and NOT discuss me?! We have a business meeting to get on with damn it!" Soma: "but Brian, the lawyer isn't here-" Lubb: "I don't give a damn! He's supposed to be here 10 minutes prior to the meeting like a bloody professional. Wonke umntu apha wenza unothanda because they all feel they can! Now can we please. Get on with this meeting. Some of us have real business to take care of." he stormed to the boardroom. Soma: "and then???" Luks:
