Me: just...Go

She starts looking for an outfit.
I've never felt this way since my

last relationship which made me more heartless. I just lost it permanently, This thing called LOVE, will hurt you and deceive you. People will lie to you and mislead you, trust me, I know that feeling myself, even though most of you can look at me and think that I'm some player, I also love. I'm also human.

Me: when is she coming out,
it's like almost midnight

And then I focus back on my
phone.

INCOMING CALL

I change back into my outfit that I was wearing and we leave, talking even more. It felt like I had known him for a long time and I met him probably 2 days ago. He was so Sweet, and could hold a decent conversation,

with jokes in between. We finally arrive at Club Phynx.

Me: I'll see you next time.

Sthe: (nods)

Me: answer me also.

He laughs, I have gotten used to his demands, it's time I also demand some things from him

Sthe: Yes, we will see each other soon

We share a long hug. He was so Buff and smells like a whole daydream. This guy is way to perfect. He looks like some bad ass Dude. He breaks the hug, but we are still in hugging mode. He pulls me and then we kiss, probably for the 3rd Time. I feel something picking my

Cookie and I break the kiss and
look down.

Me: (chuckles) Oh my God

Sthe: what

He looks down.

Sthe: see what you did.

Me: (chuckles) hide it 😄😄

He hides it with one hand and pulls me, we continue kissing and then I break the kiss again and head inside. Leaving him yearning for more kisses.

Owethu: where have you been.

Me: I went to the bathroom

Lwazi: see, I told you.

Owethu gives me that look.

Me: I'm being honest, I was at the Bathroom

Owethu: ohh, okay.

They focus their attention on the guys and I switch on my phone.

Message from UNKNOWN

I start wondering who this is.

Me: Who are you ?

I look up to the VVIP area and
The guy winks at me.

phone.

Me: did you fix your little problem.

Sthe: He is still up, send me your picture so I can make him sleep

I look up at him and he looks at me.

Me: Stop being gross 😂😂

I look up at him and he is laughing at me.

Sthe: Don't worry, I have your pictures, and he is asleep, only wakes up around you.

Me: 😁😁 He is still up, don't lie

I look up and he looks at his manhood and back at me and chuckles

Sthe: Just Keep your Eyes to

Me: shut up Boy !!

.

2 months later

CINDI

I'm not in speaking terms with my family. I have been living with Iwazi, and the gang. We fit in just well

Owethu: Guys, we got a proposal

Me: what's up

Owethu: there are some cars that need to be taken to Gurio's garage.

Me: okay, let's go

I haven't heard from eyami since I came back from hospital. I guess he doesn't feel the love that we all feel.

Anyway, I have been working with the gang, we hijack cars and take them to the garage.

Mostly expensive cars. I am a

good hijacker since I can attract these men with my looks and outfits.

Lwazi: let's go.

Kwazi: yeah, lets go

We all get up and go get dressed into our tracksuits

STHE

Rob: it's a girl And 3 guy

Me: these people are messing with me yazi.

Samkelo: we need to catch them asap, otherwise our cars will be GONE

Me: not on my watch

I stand up and head to my balcony sipping Hennessy. I'm getting rid of all of them. They have another thing coming if

they think I will just stay here
and let them steal my gang
cars.

Samkelo: so about cindi

Me: (looking down) did you tell
her.

Samkelo: She hates me. Me and
my parents, but I can get my
girl to talk to her.

Me: (sigh) okay, last thing I need is drama. I need to find all these people.

CINDI

After getting dressed. We head to owethu's car and we head to this house.

Lwazi: okay, we need to have a game plan for this one, the

boss is around and he won't spare us if he finds us.

Me: I got this.

We arrive at the area, and it looks familiar. Looks like some warehouse.

Me: okay so this is the plan

Plan

- *I distract the men, and the body guards and then kwazi and lwazi will inject them with the drug. While we distract them, either lwazi or kwazi will go and help Owethu out with the trackers.*

- *and then, I will take one of the keys from the guards and lock them in there. Then we will leave with no Mistakes and we won't get caught*

Owethu: good plan.

The twins: let's go

We put our plan into action. As we are busy, I see A car that looks like samkelo's (shrugs) Nah, it's not him. We carry on and then after we have drugged the guards. I take their keys and head to the office. I tiptoe and lock the main gate. Owethu and the twins take the cars and the other Members

who will take the cars come
and they take them.

(Phone vibrates)

I answer and its Owethu

Owethu: Come, only one car
left.

Me: okay, coming

I wear my shades and then
someone grabs my hand

...: where do you think you're
going.

Me: leave me

He yells for the gang to hear
him and they all start coming
out. I see his gun and I take it
and shoot his knee and run.
Someone runs after me, but I

manage to close the gate just in time, after I have gone through it.

...: I'm going to kill you

It was some dude with a beard

Me ha ha, never, I take off my shades and they see me.

Me: see you later, Loviesss

I get inside the car, and drive away. I meet up with the gang halfway and we head to the garage.

Gurio: Ahhh, it feels good to have new cars in this place. All thanks to you. Here is your 3 million. You have to share it amongst one another.

Me: thanks Rio, it wasn't a problem.

Gurio: heard you were Within

Me: (chuckles)

Everyone: Yoh, yes

Me: I was just working.

Gurio: there weren't any
problems right

Me: not at all.

Gurio: I will talk to the clients
and discuss if there are any
more cars that need to be
taken.

Owethu: but Gurio, do you know that, once Sthe catches us, we are DEAD !

Me: Sthe ??

Gurio: Don't mention it. I was shaking the whole time, telling myself that you will get caught.

Me: we didn't get caught.

Gurio: sthe is going to kill me once he finds out that I am the person busy stealing from him.

Lwazi: you can say that again.

Me: He won't, now let's get going. I need to relax.

Gurio: right !!

Me: great doing business with you gurio

We head out and then R750 000 clocks in my account.

Me: I got paid.

Lwazi: (looking at phone) same here.

We head out and head to our apartments and Chill.

A few hours later

STHE

Me: YOU GOT HIJACKED BY GIRLSS, GIRLS !!

Rob: boss, seems like these people are professionals, because I also didn't hear any

screaming or anything. I just heard a gunshot which was the girl shooting one of our men.

Me: (SCREAMS) FUCKKKK, I NEED BLOOD. I NEEDD THEIR BLOOD.

Samkelo: Its fine Sthe, relax.

We already got more information about them. We are going to catch them before they can even get inside a single car

CINDI

2 weeks later

We have been hijacking a lot of cars and it feels good. Making my own money. Today, Londie called me and said that I must pull up at her house, I get dressed into a white summer dress with flowers, showing off my boobs, with white takkies and I head out. We are going to

be hijacking tomorrow, so I need to hurry.

A few minutes later

I arrive and there they are. My parents and some dude.

Me: San'bonani

Them: yebo

Me: (shouts) Londie

She comes out looking like a fat
Pig. 😊😂😂. She is huge man.

Me: you look.... GOOD

Londie: mxm, we need to talk

Me: talk

She says I must sit next to my
mom 🗑️👤. I sit and focus on her.

Londie: babes, you are getting
arranged married.

Me: excuse me.

I stand up

Me: you cant do that. Infact,
I'm old enough to make my
own decisions.

Dad: you were supposed to get
married when you were 17, but
we weren't around.

Me: (smirks)

And then samkelo comes with Rob and Eyami. I look at them and then eyami stares at me.

Me: Argh, I have a very important Job I need to do.

(Carries purse) Bye

Sthe: You better stop, otherwise it wont end well !!

I stop and then I turn around.

Me: you're not the boss of me.

Sthe: I'm your fiance, so you better Behave. I don't tolerate rubbish

Me: mxm

I walk out and then he follows me and grabs me, tightening his grip by my elbow.

Me: awww

He looks deep in my eyes and then tightens the grip even more.

Me: you're hurting me.

He pushes me against the wall, and it hurts my chest. He chokes me, but this was a real choke

Sthe: you had better behave
otherwise it wont end well.

I push him and he gets angrier.

Sthe: don't test me.

Me: pshh.

He grabs me and then squeezes
my cheek. It looked like he
wanted to beat up someone.
His eyes turn red.

Me: (shaking)

Sthe: I will fokken Mess up this pretty face

Me: please...I...et me go

Sthe: I'll so enjoy having you as a wife

He let's me go. He starts breathing heavily and then opens the way for me to pass. I pass and he hits my ass.

Me: awww

Sthe: back off

Me: (whispers) Asshole

I click my tongue and pass him.

I head back to the apartment
and get ready for the Hijacking.

STHE

Yes, I'm not the man you thought I was, I am going through a lot right now. I have to make sure I control my beast. Every woman I come in contact with, dies. I kill them, mostly strangle them because my beast wakes up whenever I make love to them. I've dated 39 girls for the past 4 years. And they are DEAD. All dead. Only phiwo and the gang know my story. Samkelo doesn't

know. I don't know what I will say to him about this. I head back inside and we discuss how we are going to catch these people who have been busy stealing cars from us. I'm not going to kill them. I'm just going to use them to my advantage, but the girl that shot my guy... ha, she is going to get what is coming for her.

CINDI

Owethu: hurry chomi

Me: yeah

We just bagged 6 more cars from this hijacking and its sweet. I close the gate and then get inside the car with owethu, while kwazi and lwazi are in the same car. The other cars are being driven by our other members. We head to the garage and Gurio is there with

a client. I put on my shades and a mask, since the eyami hurt my cheek yesterday.

...: so this is them

Gurio: yep, this is them.

He walks around and then lays his eyes on me.

...: you are beautiful

Me: Do not get way too excited. Its business, I'm not interested.

...: I think it's about time I introduce you to my boss.

Me: shoot

And then Eyami comes. Luckily I'm wearing a mask, so he cant see me. I move backwards slowly and then I feel someone stopping me. I turn around and its samkelo

Me: the fuck is going on here.

Sthe: relax lady, I'm looking for the girl that shot my man.

Me: (shaking) shit.

Owethu: (whispers) its you.

Me: (nodding)

The twins: (murmuring)

Owethu: (whispers) Sthe is going to kill us.

Lwazi: kill us, huh, he wont.

Kwazi: but he will shoot us

Rob: (SHOUTS) HEYY, ITS NOT
TIME FOR CHITCHAT

Me: whatever Nigga

Sthe: We seem to be having a
little lady that has an attitude.

Me: So ??

Sthe: you have an attitude, like
my fiance. I'm not gonna let
you disrespect me like that.

Me: pssh, right

Rob touches me and i slap him

Me: don't touch me

OWETHU

After cindi slaps Rob, Sthe takes out and gun and points it at Gurio.

Me: no, please.

Sthe: you'll steal from me, ME
!!

Lwazi: we didn't know it was you.

Sthe: don't lie, you are lying. I will shoot you like the last time you lied to me, for your friend.

Me: Wait, What !!

Sthe: didn't you know, I shot him. For lying to me, I kill deceivers.

Me: you need help,
professional help

Sthe: who are you ??

Me: ha ha, fiance

He takes off his shades, this time, his eyes were red. He was angry, fuming

Me: I need to go, my fiance is waiting for me.

Sthe: This is all on you

He shoots Gurio on the leg and he falls down, crying in pain.

Me: you monster

I go to him and hit him. He takes his gun and places it in his pocket. He grabs me and then signals for his men to beat up Owethu, the twins and the rest of the gang.

Me: Noo !!

Sthe: (smirk)

Me let me go

I get off his grip and I go to my friends and my gang members. I look at samkelo and all of them

Me: I'm glad I got to see you, in action before it was late.

Owethu: Go, Go !!!

I turn around and this guy has suddenly turned into some creature.

Me: Mama !!!

I run away and then I hear gunshots being fired my way. This creature looks to me and holds me. It grabs my shades and breaks them, and then suddenly looks in my eyes.

Me: Eyami

Sthe: Cindi

He throws me to the floor and runs away. Rob comes to me and drags me to the garage.

Samkelo: who are you.

Me: Mntwana ka Bruce

...: My Name

I turn around and it's my "so called dad"

Me: You are monsters. All of you.

Samkelo: so ??

I take off my mask and they get the shock of their life

...: so My fiance is the one who is stealing from me.

Rob: that's her, she is the one who shot one of our men.

Me: yeah so, he was making it difficult for me to make my move so I had no other choice.

Rob: bitch !!

I grab him and punch him in the tummy and grab his gun

Me: check

Gun cocking

Sthe: Mate

I look at him and he is pointing the gun at me.

Me: you wouldn't dare.

Dad: sthe, put the gun down.

Me: LISTEN TO HIM.

I look at my friends.

Me: lets go

They stand up and they go to
owethus car. I move backwards
slowly.

Sthe: stop

Samkelo: Bro, put the gun
down.

Me: (SHOUTING) PUT IT DOWN

Dad: Eyami, put the gun down.

He stares at me and I stare back at him.

Sthe: you said “check”, I said
Mate

Me: you better put the gun
down

Samkelo: cici

Me: shut up Samkelo

Rob comes to me

Me: (screams)

I shoot him in the chest and
then point it at Sthe

Me: want to join him.

He Loads his gun and this time,
I saw he was ready to shoot
me.

Sthe: I've had it

Samkelo: No !!

Dad: (SHOUTS) Sthe woah

GUN SHOTS 

There is silence. I open my eyes
and eyami is on the floor, he
was bleeding.

Me: Yami

I throw the gun on the floor, I
run to him, shaking.

Me: I'm sorry, I'm sorry.

Sthe: go !!

Me: huh

Samkelo: Cici.

Me: I'm so sorry.

Dad: Baby, go.

Me: (sobbing) I shot him, I shot
him dad.

Sthe: (ROARS) GO !!

Me: don't shout at me.

Sthe: (in a short tone) Plea...se

Me: I.. I shot you, I cant just
leave you.

Rob: pl...ease just Go and get
your friends home

Me: (breathing heavily)

I look at Eyami. He opens his
arms. I hug him and go to the
car and Head to our apartment.

2 hours later

I look after owethu and The twins and then our phones chime. I look at it.

Gurio: deposited R750 000

Shouting downstairs

Owethu: cindi

Me: (Shouts) Heeeeh

Lwazi: Come and eat, breakfast is ready.

Me: coming.

I take out my long sleeved, black, short dress and white takkies. I am not a fan of heels, and these dresses go well with takkies. I fix my hair and make it into an afro. And admire my outfit, as I look at the mirror. I take my phone and realise there is a letter behind it.

Letter

Forever mine. ♥

Love fiance

I look up, blushing. Today was really magical I guess. I head downstairs and they are already eating.

Me: morning

Owethu: you do realise you are minutes late

Me: nah, tell me who shot
Lwazi.

Owethu: nobody.

Me: don't you dare lie to me.

Kwazi: I was joking.

Me: spill the beans.

Lwazi: (silence)

Me: Lwazi !!

They all look down. I stand up
and walk up to Iwazi

Me: tell Me.

Lwazi: remember the time I got

Sthe: I was angry.

Me: why ?? Why were you angry ??

Sthe: tell him to tell you.

Lwazi looks up

Me: Go on

Lwazi: the time you slapped him. He wanted your name.

Rob: (breathing in)

Ron: you were actually going to shoot him

Me: Maybe, maybe not.

Rob: sthe, you made your wife almost shoot me

Sthe: No, I gave her a gun with no bullets.

Rob: what if it had bullets, even that one.

Rob: who is Roberto

Me: his new name.

Rob: you like bullying me neh

Me: isn't Roberto your Full

Ron: No 

They all laugh at him.

Sthe: baby, stop bullying him.

Me: okay.

I give him the gun and kiss him passionately. I break the kiss and he pulls me and I play with my tongue in his mouth while he kisses me. I kiss his lips, mostly giving him baby kisses and I break it.

Sthe: (whispers) Look

He points at his manhood.

Me: (covers mouth in shock).

Owethu: let's go geez

He pulls me and breaks the kiss.

Me: Geez owethu

I turn around and he is staring at me with his hands in his pockets

Me: (waves)

Sthe: (bites lower lip and winks)

We leave and then head to the car.

Lwazi: took you long enough.

Me: what time is it.

Kwazi: it's almost 13:00

Me: yohh, okay let's go

We all Head to the mall and
then Go shopping.

2 weeks later

I've been spending so much
time with the twins. Melo and

Nathi. They are so cute and crazy. They look like samkelo. 😄😄. Samkelo has been busy with Londie. She is still pregnant, I don't even know when she is due. Me and Sthe came up with a conclusion and we will get married probably like maybe next year or so. The Lobola was paid, so by tradition, I am officially married to the Zungus. I also met phiwo. She is so Cray-cray.

No wonder Sthe is like this. I haven't met Sthe's parents yet, they are in KZN. Apparently they have been there for 4 years, only come to visit them only. I was also told that there is someone who is very close to Sthembiso that I am going to meet soon, they said his name is Scelo, short for Scelosenkosi. I can't wait though.

Phiwo: yohh these kids are annoying, junior !!

Jnr: ma !

Sthe: Please move out, both you and your Children.

Me: (punches him on the chest)

Sthe: awww, okay sorry.

Ron: you Are always complaining

Me: always

Sthe: but I'm not lying, your kids are trashing this place.

Me: they are just kids, I will tidy up after they are done.

Phiwo: thanks Babes. (Looks at Sthe) see, you got yourself a Kind and Caring wife. Ngapha you are just a heartless dude.

Me: leave my husband alone
Phiwo

Phiwo: I'm just saying

Rob: plus, who knows. What if your children are going to make even more of a mess than My niece and nephew

Me and sthe look at one another.

Both of us: (Laughing out loud)

Rob: why are you laughing

Sthe: my Sperm is going to be civilised. These kids are a 95% phiwo and 5% of ron

Ron: Mxm

Me: he's not lying. I mean,
these kids are as wild as lion
Cubs in a jungle.

Phiwo: Cant my children be
energetic for once in their life.

Me: They are always energetic
Phiwo

Ron: Leave my kids alone
please.

Phiwo: anyway, there is
another baby on the way.

Sthe: lord have mercy. That's not fair, I haven't even had a kid, and you're already having your 3rd child.

Me: yoh, phiwo. 3. A whole 3

Phiwo: it's not like I'm having 3 babies at once.

Me: but 3 phiwo.

Phiwo: I can Afford to have as many babies as I want

Rob: that's because of The K, N, M, Z clan

Me: K, N, M, Z ??

Sthe: Khoza, nkosi, mabaso & zungu. My family.

Me: you'll are a lot.

Rob and Ron leave the room and then, me, phiwo and sthe talk. Talking trash always. We talk and talk and then Rob comes back inside, he whispers something to sthe and then he nods.

Me: but phiwo, 3 babies is too much.

Phiwo: please leave me

He whispers in my ear.

Sthe: I'll be back

Me: (nods)

We baby kiss and he gets up and leaves. Me and phiwo chill

and enjoy our own company. I head back to the apartment.

3 weeks later.

I bought myself an apartment not so long ago, and it is so perfect. Nobody knows about it. And I want it to stay like that. I have made peace with my parents and I have forgiven them. They aren't really that bad though. I love them so

much. Even though they did me dirty while I was young by leaving me with samkelo. Right now, I am at sthe's place, we just came back from the mall. He lives with phiwo. Phiwo is with her man, who is Ron and the babies, Siyabulela jnr & Sa'bonga. They are so close with Melo and Nathi shem. They come here everyday to play.

Sthe: I'm never going to the mall again

Me:  you'll be alright okay

Sthe: what, you made me carry all the luggage.

Me: angithi you didn't want ron and Phiwo to come with the guards

Ron: No more. I'm drained

Sthe: You can say that again

Me: let's go have sex.

Sthe: I'm game.

Everyone laughs

Phiwo: but you said you are
tired

Sthe: a man can never refuse
sex from his wife

He gets up and grabs my ass

Ron: I could be tired, but I can
never refuse sex.

Sthe: (staring at me while biting lower lip) Never

Me: (looks away blushing)

He cups my face and kisses me.

Phiwo: okay, we are still here.

I break the kiss.

Me: sorry.

Sthe: don't say sorry. Okay baby.

Me: (nods while staring at him)

Sthe: (winks)

Phiwo: Okay stop guys.

I focus back at her.

Me: sorry phiwo

She pulls me and we head to the kitchen

Me: phiwo

Phiwo: are you ready

Me: I am, but I'm scared.

Phiwo: scared of what

Me: phiwo, imagine a dick entering your small cookie.

Phiwo: (staring in thin air)

After sometime

Phiwo: okay, that's so hot

Me: you're not helping

...: just don't think too much.

We turn around and its Malaika

Me: laika

Malaika is Scelos wife. She is
petite and so Pretty. But Cray
Cray

Laika: don't think about it

Me: you don't know how shit scared I am.

Laika: don't worry.

Me: (sighs) guess I'll find out later.

Laika: you are having it today.

Me: probably !!

Laika: OMG

Me: mxm

We talk and talk. Their first time stories are so funny. They

even made me forget about how scared I was about having it.

19:37

We chill in the Cinema watching a movie. There are approximately 35 couches in this Cinema. That's how big it is. Each couple is on their couch. Everyone is has a Blanket. Me and sthe are sitting

far away from everyone. I need to be alone with my man. We were watching 365 days. A Really Interesting Movie.

Sthe: this is one boring movie.

Me: no baby, this movie is so cute

Sthe: Why the fuck is Laura Dating such a boring man.

He was referring to the girl in
the movie

Me: it's just the beginning
though

Sthe: hai, it's boring

Me: it's not

Sthe: come here

I was wearing a dress that I was
wearing when we went to the
mall. He places me on his lap

and kisses me. We kiss and he lifts my dress

Me: (silently moan)

He makes me take off my underwear and he places it on the side. He unbuckles his belt and then takes off his pants and boxers.

Me: (moans)

I get on my knees and suck on his dick. He sits like he is relaxed, with his arms spreading to the other couches. After sometime, he pushes my head and chokes me with his dick.

Me: (gagging)

Sthe: (Murmurs)

He Carries me and places me on his tip by my hole.

Me: (moans)

And then he enters. Believe me, guys have sex when you are older. Dick is painful. He thrusts and thrusts while I'm there. Pain and pleasure kicking in. He ups the pace and I'm here moaning. Thank goodness the Sound in the cinema is

Loud, because Everyone was going to complain.

Me: ahh, Baby

Sthe: (groaning while penetrating)

My Cookie was Hot, burning up.
It was so painful.

Me: yes yes yes

Now I had some strength to jump on the dick. I have regained some energy at least.

20:10

We are now cuddling in the couches. The movie is still playing. But it's almost finished

Sthe: when is this boring movie ending.

Me: you didn't even watch it.

Sthe: I mean, you also didn't watch it

Me: (looks away blushing)

He pulls my head so I can look at him

Sthe: I love you okay.

Me: (nods)

He chokes me and kisses me passionately

Sthe: Answer me.

Me: yes, yes papi

We continue kissing

1 month later

Me and Sthe have been having a lot of sex. Yohh it has been a

really busy month. I have been spending time at my apartment, only Steve knows about it, which is good. Mara he will be the only one that knows about it. We are at his house, chilling. He taught me how to use a gun. I am obsessed with it. It is gold, with a silver bullet cassette. I love it.

Me: what to do, what to do

I decide to watch some movies on Netflix, eating nothing but junk food.

STHE

Everyone was chilling in the house. Me and the guys are planning this big heist, which is basically going to result to me and Cindi not seeing, eye to eye.

Phiwo: me and malaika are going to the mall

Me: mmkay, check on My wife when you are heading there.

Phiwo: okay, I'll check up on her

They leave and then we get down to business.

2 hrs later

We head to the warehouse and then continue planning

Bam bam 

There are gunshots everywhere. Me and the guys get our guns and shots are fired.

Me: Call Samkelo

They call samkelo and he comes asap with Bruce and the gang. We shoot as many people ass we can.

Samkelo: we were almost outnumbered, but now. At least the number is not the much.

Me: at least.

We shoot the remaining men
and then after sometime. We
have killed everyone.

Me: Guys, clean this mess up.

...: Sthe, look out

(GUNSHOT)

I don't know what happened,
but samkelo was shot, and then

I saw an enemy aiming at me
and the I shot him

Samkelo: The fuck nigga

...: hade bro

Me: Scelo, Scelo mahn

We hug and then head back
home, with our gang doctor

Bruce: This little pussy cant
aim.

Scelo: mxm, that fucker was behind Samkelo.

Me: aii, I understand. Now it's time to put our plan into action

Scelo: what plan.

Me: The Russian mafia has beef with us.

Scelo: shit.

Me: I need to get rid of them, once and for all.

Scelo: but **Nkosi (King)** got rid of them

Me: not them, the other
Russian Mafia.

Scelo: Oh shit, bro that's not
good.

Me: (sigh) I am the only person
that they don't know.

Scelo: same here.

Me: duh, we are twins.

Scelo: Bro, where is your wife.

I give him a death stare.

Scelo: would like to see some fat ass before I go get my stuff at my hotel

Me: I will kill you.

Scelo: yoh hade.

Bruce: where is Malaika

Scelo: she was at the hotel, maybe she is with phiwo

Me: so, why don't you look at her ass.

Scelo: I need to just see new ass.

Me: (loading gun)

And the scelo runs away.

Ron: lemme alert the girls

Me: Stage 1: is complete. Time
for stage 2

CINDI

Phiwo and malaika are with me,
but not at my apartment. We

are with Owethu, Lwazi and
kwazi at Club Phynx.

Phone rings

Me: Ron, what does he want
now

Phiwo: he wants me haw

Me: pshh, he wouldn't call me
if he wanted you

I answer

Ron: hi cindi.

Me: hi ron, what up

Ron: Samkelo has been shot.

Me: what..

.....

We arrive at sthe's house and
the first thing I do, is go to him

Me: (hitting his chest) You do know that Londi will flip right.

Samkelo: don't tell her

Me I won't, please heal, she is pregnant and I don't want her having any complications

Samkelo: tell her, I went on a mission. I'll be back after 2 weeks.

Me: okay cool

I get up and head downstairs
and everyone is chilled.

Me: who shot my brother

...: I'm so sorry

I turn around

Me: Uhm

I turn around, and look at this
guy, and... okay, now I am
confused

Me: the fuck.

The guys surround me. The guy
and the brother. Both of them

Me: ganti, what's going on.

...: Hi baby.

Me: okay, eeeew who are you

I turn around again

Me: and who are you.

...: (shrugs)

Me: whoever is sthembiso,
Stop it.

Both of them: I'm sthe

Me: you are not funny.

The both laugh, okay, now I know who sthe is.

I turn around and pull his ear.

Me: don't ever try and think that you can outsmart me.

Sthe: yohh, sorry.

I let his ear go and I go to the other guy.

Me: hi

...: h...

I slap him before he can even finish his sentence

Lwazi: shuu, that surely left a scar.

Me: why did you shoot my brother.

Sthe: it's not him, it was me.

I turn around

Me: excuse me

He pulls me by my arm, and
then we head to his office

Me: you shot my brother.

Sthe: I cant do this anymore.

Me: huh?

Sthe: I cant continue being with
you.

Me: what do you mean, you cant continue with this.

Sthe: I have a wife, in Russia

Me: A... What

Sthe: I love her, more than you.

Me: mmhhh, and...

Sthe: We have a family, and I cant choose you, over our family

Me: After taking my virginity from me, you Break up with me

Sthe: guess so.

I stand up

Me: that's why you shot my brother.

Sthe: (shrugs)

I slap him, twice. And he holds his cheek.

Me: I hate you, I... Arghh

I take off my ring and throw it
at him and leave the office

Me: let's go

Owethu: chomi, what's...

Me: didn't you hear me, I want
to leave.

Lwazi: but...

Me: yazini, fuck this.

I leave the room and walk.

After walking a few times, I

request an uber and head to
my apartment

A few months later

Lately, I've been feeling like a
mess. I've been drinking,
Vomiting, and eating my pains
away. Sthe really did me dirty.
I've been getting calls from the
Zungu gang and my friends, but
I have been rejecting their calls.
I need to be alone. I spoke to

my parents and Londi a few days ago. They understand that I need to be alone and find myself. Samkelo told me that I should forget about him, and move on. Pshhh, it's not as easy as they think it is. I always imagine myself, giving it to him just like that. My virginity, my Purity, my Diamond, my baby. I was officially and unapologetically Impure. I really hate myself for doing this

to myself, but who am I to him?
Yeah you got that right,
NOTHING, nothing but a girl he
married just to fuck and go
back to Russia so he can be
with his STUPID family.

Me: I hope he dies. I hate him, I
hate you Sthembiso Zungu.
(Crying) I hate you.

I repeat those words, with
them piercing my heart. I think

about all those times I spent
with him. Acting like a fool, a
fool for love 😊😞😐.

Me: I need to fix myself.

I get up and go have a bath. I
clean myself up and then I wear
my undergarments. I wear my
baby pink tracksuits and white
takkies. I let my hair loose and
then I request an uber.

A few minutes later

I called all the girls to meet up with me at owethu and the twins apartment. I really needed to see them.

(Knock)

...: come in

I get in and they all look at me.

Me: hi

It came out as a whisper. They all come to me and hug me. I cry my tears out of my system, with them comforting me.

2 hours later

I have stopped crying and I am sorta okay now. All of the girls comfort me and make me laugh, alot 😄😄. We eat and drink alcohol. Jamming to all the songs in lwazi's playlist. Lwazi pours some gin for all of us.

Lwazi: To Happiness, Joy and Sex, a lot of Sex.

Us: cheers

We drink our shots and then drink more alcohol while dancing to music.

After sometime

After drinking a few glasses of alcohol, I feel myself getting sick.

Me: I don't feel so good

I head to the bathroom while everyone dances and I vomit everything I ate, out of my system. I vomit more and more and then I no longer hear music playing in the background

(Knock)

Phiwo: babes, are you okay.

Me: Yeah, I'm good.

I vomit again and then they all
let themselves in the
bathroom.

Lwazi: I think you need to go to
the doctor, this doesn't look
good.

Me: you think

Them: yeah.

I get myself cleaned up and
then We all get inside the cars
and head to the hospital

A few minutes later.

Doc: nope, you are not sick in
any way

Kwazi: so what's wrong with
her.

Doc: she is Pregnant.

Me: huh

Them: what ?

Doc: Yep, you are Just getting sick, due to pregnancy

Me: oh no.

Phiwo: How many babies

Doc: let's check.

She takes out the Machine and then scans my tummy.

Doc: that is one heartbeat

Me: (sighs)

Doc: 2 heartbeats

Owethu: twins.

Doc: not yet, I think I hear another heartbeat.

Me: what

Doc: yep, 3 heartbeats

Me: Oh God

Doc: okay, that's all, you have only 3 heartbeats. So you are expecting triplets.

Me: (wipes tear) I'm gonna be a mom

She gives me my baby scan and then give some pills for pains and all. We head to a restaurant and we eat and eat and eat.

4 months later.

Londi had a baby Boy, his name is Ciza scott Zikode. Samkelo is happy like yoh, I've never seen

him this happy. I told them about my pregnancy saga and they are happy. My mom is thrilled. Dad is just chilled. He is also close with Ciza yoh, I think that baby is going to start calling his grandfather, dad. Haaa imagine. I on the other hand decided to let go of all this sthembiso Stuff. I've moved on, the same way he has moved on. I'm happy about my journey to motherhood. I

cant wait till my 3 ninjas arrive.
I'll love them so much. I hope
they never ask me about their
father when they grow up,
because I don't want to
mention his name ever again.

6 months later

I am on my way to the hospital.
I'm almost going to give birth, I
had labour pains in the morning
and then my doctor said I must

come to the hospital. I cant wait though. Lwazi is taking me to the hospital and then the rest of the gang is on their way. I really cant wait .

Few hours later

Me: awww, this is so painful.

Doc: calm down, calm down.

Lwazi: Chomi, breathe, breathe

I do my breathing routine with them helping me out and then I feel a pain on my tummy

Me: ahhh, noo please get them out

I was Sweating like I had high blood.

Doc: okay, it's almost time.

Come on, Come on, you can do this okay.

Me: (nods)

Doc: Breathe, breathe.

I do my breathing routine again

1 hour later.

Doc: okay it's time, push

Me: ahhh

A few months later.

My babies have arrived, their names are Azra, Phiwayinkosi and isphiwosenkosi. The girl is Azra, and then the boys are the Nkosi's. I'm so happy that God gave them to me as a blessing in disguise. I'm blessed indeed. Everyone met them, but they

live with me, in my apartment. I don't need any help at all. I'm surviving really well, and my babies, aren't giving me a problem like Baby Ciza🐱🐱🐱.

2 years later

Azra: mama, ice cream.

Me: you want ice cream

Azra: (nods)

I'm happy, I'm a happy
mommy. I'm glad I survived
with my babies by my side.
They are turning 3 soon and
they are a pain in my ass. They
like making noise, trashing the
whole place and making each
other cry

Phiwayinkosi: Mama, nami

Me: nawe

Is'phiwosenkosi: Nami

Me: nawe futi

They all nod.

Me: okay my babies, go watch TV, I'm coming.

They all run to the lounge and sit on the mat. I pour them their ice cream and then give them.

Me: don't try and justify what you did.

Sthe: it's my choice.

Me: to hurt her, break another child the way you broke all of the bones of the girls you've killed.

STHE

I look at her.

Me: What's that got to do with what just happened

Phiwo: The poor child loves you, and you literally dehumanized her and hurt her.

Me: okay

I pass her and head inside. The girls and guys look at me, with terror in their eyes

Phiwo: Your eyes, You need to call bab'Xaba otherwise you will do something you are going to regret later on.

Me: mmh

Phiwo: You are going to loose her, and this time.

PERMANENTLY. She will never look back, and you will just watch another man, come into her life, and take Your Place.

Me: And... ?? Is that all

Phiwo: And those 3 babies,
they are going to call that man
their Father. He will replace
you, and they all will forget
about you.

I look at her, and then turn
around and go to my room. I
find scelo sitting on my bed.

a person the whole time
they're going through
something and they still won't
appreciate it enough to care
that you're there or even to
care for you when you need
them. this world is so fucked up
man I swear 😞 I don't even
believe in love anymore. ❤️ 😊

Londi phone also chimes. She looks at her phone and then looks back at us

Me: what's wrong ?

We go and she also got some unknown messages

Unknown:

- it hurts when someone so close to you makes you feel like they might not even want you to be happy.

- "If you love them, if you truly love them, you'll let them go. And i think that's the most painful part"

- "One day i will meet a person who won't find my mind a little too heavy, who won't tell me to stop thinking and overthinking, someone who understands that

loving people so much is who i am, someone that won't call me handful, someone who is ready to love with all they have too."

STHE

I am sitting on the floor. What have I done. My phone chimes and then I look at it

Unknown:

- You don't know pain until you're staring at yourself in the mirror with tears streaming down your face and you're begging yourself to just hold on and be strong. That is pain.

Me: huh

I get another one

- We both said we love each other & that we'd stick together through thick & thin. Forever. The only difference is, i never lied.
- wish I would stop loving You.

I throw my phone and it hits the wall.

Scelo: the fuck

Me: Guys

They all come to me

Me: look

Samkelo: I'll dig

He gives me his phone, watch and ring and then starts using his hands to dig into the sand.

Me: bro, She will come back. I know cindi will come back

He was crying. Guys Sthe hasn't eaten or even left his room For the passed 2 ½ weeks. I look at him. He is even loosing weight.

Bab'x: (sigh) She needs to come back

(NOISE UPSTAIRS).

We all look at one another and
head upstairs

bab'x: Sthe, don't hold on to
her, she will come. Let go

Sthe was tightening his fists
and feet. He was sweating so
much. Scelo and Athi try to
open up his hands and feet.

Me: Sthe please hold on bro

Bab'xaba takes the Mphepho
and makes the smoke hit his
face.

bab'x: Manzini, Gwabini,
sengwayo...

after sometime, he let's go and
sleeps.

CINDI

I wake up, feeling like someone was choking me to death.

Me: My God (breathing heavily)

PHIWO

1 WEEK LATER

Sthe is even worse now. He cant even move his body. He is

not moving. Scelo and Athi help him Pee and bath. He can use his eyes to signal for when he needs to go and pee or use the bathroom. It's raining and it's so cold outside, everyone is worried about Sthembiso.

Scelo: Where is Cindi Mahn

...: I'M HERE !

We all turn around

CINDI

I came back, Not because of his situation. But because I missed my babies. I came back 1 week ago. I was staying in my new apartment.

Phiwo: Cindi

The girls run to me and Hug me.

Them: welcome back.

Me: Mmh, I miss my kids. I need them, we need to go home.

They run to them

Litha: Babes don't go

Me: I have to

Bab'x: at least save his life.

Me: he's still alive ??

Rob: Ouch

Samkelo: Cindi

Me: Sorry, but like, I thought

Bab'x: Don't be like that

Me: He dehumanized me, how do you think I felt when he called me a murderer.

Scelo: But don't do that.

Me: Mhhh

Phiwo: sis please

She starts crying.

Phiwo: He is Dying. Please just save his life

Me: No !

Phiwo: He cries, he cries
Everyday. Every single day. He
cries whenever we mention
your name.

Me: so...

Phiwo: when we see him cry,
we know he is thinking about
you. He couldn't even touch his
own kids because he was
scared that he was going to
hurt them.

Me: (looks away) He did the right thing, by not touching them. Who knows what he could've done to them.

Phiwo: sis please

Scelo: Leave her. She doesn't want. Sthe is dead. We might as well start planning his funeral.

Hes Dead

Me: How do you think I feel. He literally threw me on the floor and you'll watched him...

Samkelo: Cindi

Me: (Shouts) No, From time, to time, to time. I put up with all this pain. Just because someone is strong enough to handle pain, doesn't mean they deserve it

Scelo: But...

Me: I gave him my heart and he returned it when it's already broken to pieces. I've put up with all his shit. But he thanked me, with nothing but Pain, and multiple kinds of Scars.

Bab'xaba stands up and heads upstairs

Phiwo: Cindi Please

Bab'x comes back

Bab'x: it's almost time. He is left with a few minutes before he dies. His blood flow has almost stopped.

I realise that I might as well just
save this guys life before he
basically dies

Everyone: Cindi

Me: Okay fine

They all look at me

Me: what must I do to save his
life.

Scelo: ultimate Pleasure

They all look at me

Me: take me to his room

Phiwo leads the way and we enter.

Phiwo: Sthe !

Oh my God. He looked horrible 😞💔.

Bab'x: He is almost dead, so His spirit is slowly leaving his body.

Me: (swallows Saliva) so, if he is almost dead. What am I supposed to do

Bab'x: You can still save him

Me: mmh.

Phiwo: let's leave.

We head downstairs and the guys pass us heading to his room.

Phiwo: thank you sis

Me: mhhh

I chill with them and then,
about 2 minutes later, the guys
call me.

Me: let's get this thing over and
done with.

I head upstairs and when I
enter, they leave.

I sit on the couch, by the side of his bed and look at him.

Me: you've hurt me so much. I don't understand why I should be the one saving your ass.

He looked pale and Weak. Shuu

Me: Let me just save your ass

I take off all of my clothes and
wear a towel

(KNOCK ON DOOR)

I open and it's my mom

Cyndi: baby

Me: mom

She comes and hugs me

Me: mom, why should I do this for him, but he literally didn't even care about me after what he did to me.

Cyndi: it's not him

Me: huh

Me: what beast

Cyndi: you'll find out about it.

Talk to him. Talk about it.

Me: (sighs) okay

Cyndi: okay, okay (kisses
forehead) good luck

She leaves.

Me: (sighs)

I lock the door.

Me: (sighs)

I take off my towel and then get on the bed. I touch him. He is so cold, geez. I pull his boxers down and then throw them on the floor.

Me: Cant believe I'm doing this

I get on my knees, while on the bed and suck on his manhood. After sometime. I rub his manhood and rub on it even faster

STHE

Litha: I don't think she still does

Malaika: same here

Londi: no guys, I know Cindi.
When she loves she loves with

He closes the door and comes to me, while I move backwards. He does the same thing, until I reach my dead end. He gets

closer and closer to me, until he is right in front of me.

Sthe: (checking me out) I see you are now wearing my favourite shirts as some sorta way to run away with them.

Me: (blushing)

He places his hand on the wall, trapping me from actually

moving an inch, or even
running away.

Sthe: you are mine, whether
you like it or not. YOU ARE
ALWAYS GOING TO BE MINE.
THE MOTHER OF MY CHILDREN,
MY WIFE. MY PEACE AND
HAPPINESS. MINE FOREVER.

Me: (nods)

He turns me around.

Me: ahh

Me: Like that ?

Sthe: what are you doing

Me: Its called the pussy lock

Sthe: You need to stop doing that, I almost Gave up a large load.

Me: ahh (coving mouth)

How to lock your pussy during sex

What is **pussy locking**?

Don't think pussy locking is when you close your vagina .

Pussy locking is the ability to make your pussy hold hubby's penis tight during sex.

Pussy locking is the process of drawing your pussy in internally, while your husband dick is inside of you, with your legs widely spread out, Locking your pussy will make your pussy to wrap his dick so well that it drives him crazy, he will be able to use his dick to touch all the walls of your pussy, lock up your pussy and allow his dick grip on.

The easiest way to learn and understand pussy locking is when you are urinating and try to stop the urine half way, you know how you hold the urine in with your pussy, that's what pussy locking is.. It's also known as kegel exercise! now, try doing exactly that when your husband dick is inside of you, your husband will never get tired of fucking you. This method also helps people that

has loose vagina to feel the dick, no matter the size. You don't need to close your legs for your pussy to be tight, because it won't, you will just be fooling yourself. spread your legs and lock up your pussy for maximum pleasure..

Most a times when the penis is inside the vagina, if you still notice any looseness, withdraw and use cold water to wash up....i mean very cold one, It

makes the vagina shrink in size and it reduces the level of secretions that comes out from the vagina. you will still be wet but at a moderate level. Pussy locking is very necessary during sex please try to apply this method tonight to enjoy you more....

Sthe: yini 😊😊

Me: mxm, just shut up 🤔😂😏.

We continue having sex, while talking and then, he cums inside me and we head to have a bath, talking like we havent seen each other for years.

2 months later

Yes, me and sthe are back together again 😏😊. No need to

rub it in. We spoke and yoh, his history is quite *dark*. So The thing about his beast is that. ITS **QUITE DEADLY**. All of his exes have died due to his beast. The thing about this beast is that, it likes causing HAVOC, especially during those times, me and him hadn't met because it was looking for its Tamer. He had to have all the courage, and tell me this. Nobody knew about this except His family. Who are

also, JUST like him, with the beast thingy. You have met his Cousins, they are all chained to the same Beast Bloodline. Its in their veins. So if their beast had to Form at the same time.

☁☁☁ THE END OF

HUMANITY 😄😄. I'm just kidding, but its not safe if their beasts react at the same time. Its too Dangerous. If I may put it in my words. Sthe 😬. My baby is such an emotional

wreck. Especially about his history. The Skeletons got out of the bag, after this recent event of me and him “hating” one another. He still hasn’t come to terms with the death of them all. he really does regret what he did. But he basically has to accept the fact that there is nothing he can do about it. Bab'Xaba strengthened me, him and the babies after what took place.

He recently left, but lives just a few minutes away from our house. Athe Got him an apartment. Trust me, Bab'X likes luxurious things 🐱🐱 lol.

Athe: Girls Girls Girls

We were chilling by the pool, cooling down since it was like a million (°) Degrees out here. They come one by one, and

guess who is the last one in
😜😜😜😍😍 Daddy. He looked
Hot. Dressed by Me of course.
He was wearing, Dark Blue and
black Louis Vuitton Tracksuits,
and his Chekich Sneakers. He

Samkelo: I didn't even finish my sentence

I wrap my hands around his

Me: Nothing

He pulls me closer

Sthe: youre lying

Me: No, im not

Ron: we are still here

He passionately kisses me. I
break the kiss.

Me: I did that.

Sthe: Yes mam

I hold his pistol and he groans

Sthe: Shhh...it baby

Me: Yess

I turn around and pull him to sit down on the couch. I get down on my knees and then I suck on his dick.

Sthe: Ahhh (in a relaxing tone)

Sthe: Yess !!

He pushes my head deeper so

Me: Mara I also do that
position

Litha: same here.

We head back

Me: they are literally doing the
same position we all do.

Litha: but I realised something
about them

Malaika: what ??

Litha: Her energy...

Me: yah neh

Scelo: Hell no, its not her energy.

Londi: Yep, Cindi Is sexy. Any position she does probably drives sthembiso Crazy

Scelo: Yep, Baby, I have something serious to tell you.

We all turn around and its most

Me: (rolls eyes) oh, their back

Londi: yeah

She says this heading straight

Us: 😬 😬.

Samkelo: (holding cheek)

Londi: I warned you, no cookie

Ron: Girls Can we Talk to youll in the lounge.

I continue staring at her.

Me: lets go shopping

The girls stand up and I look at sthe. His eyes flash Red. I roll my eyes and he tightens his fists. I pass him, while the girls follow me.

THE NEXT DAY

I decided to ask the twins and owethu to come, angithi the guys called sfiso and kamva. I chill in the plane, while the girls are busy with their Men. I

haven't spoken to sthe even today. Im not in the mood. I head to the other side of the plane since they're making so much noise. I get in and close the door. I walk around and then get annoyed and turn around.

Sthe: are you lost baby girl

I look at him, annoyed and then I slap him

Me: how could you

He grabs me and I hold onto the door. He makes me turn around and kisses me. I mean, I wanted it so I kiss him back. We kiss and kiss.

...: haa guys

We both look and it's the rest of the guys. All of them 😞. He looks back at me and then forced me to look at him. I stare at him, his eyes flash red. Pshh, he is hungry. Too bad. I push him back and then, as I am about to pass the guys. I feel someone grab my neck and then I turn around, met by a hungry kiss. A kiss that basically tells you that: "Im hungry, I want to eat you right now, get

naked". I wrap my hands
around his neck and we kiss.

Owethu: okay okay

He pulls me and then we head
to the other side. Yoh, I was so
hungry, sexually hungry. He
makes me sit down and we
discuss our plans for when we

Nothing but a good hearted,

We both look and it's the guys.
Sthe is clenching his jaw, with
his hands in his pockets. He was
so pissed and good looking. He

was wearing dark blue suit pants and a dark blue shirt. I look at him and his eyes flash red.

Me: (Whispers) I wanna make you so angry baby, youre gonna hate my bad behaviour

I look at guard 1 and he gives me a suspicious look

Me: play along

He says this moving his hand down to my cookie. He rubs my clit, sending a chill down my spine, while sending mixed signals to my body. He rubs and rubs, while my body just cant take all this pleasure, I just cant take this at all. He kisses me while rubbing me and then I reach my orgasm. He whispers in ear again

Sthe: take it off

I nod and take off my underwear. I give it to him and his eyes flash red again. I was so mesmerized, I stare at him and he grabs me and kisses me and goes down, licking my breasts. ***WE WERE STILL OUTSIDE FOR GOODNESS SAKE.*** I feel my legs failing me.
