## **ZAMOKUHLE**

I wake up with a heavy heart.  
My baby would have been  
Turning 34 today. I light a  
candle and get down on my  
knees and pray

Me: Lord, Thank you for always being with my baby. Please protect her as she is turning 34. You have always guided me since my daughters death and you are still with me. Im so grateful to have you in my life and I will forever be grateful. You are the father, the son and the holy spirit. Amen. 🙏

I get up and wipe my tears. I grab my phone and call my baby girl.

Afterwards, there was a commotion and Everyone was just terrified and Panicking, busy going up and down.

Me: I got separated from my parents when the building was on fire. I cried, constantly Crying and Yelling. I thought that maybe she was gonna hear me (sobbing) But no. Luckily, An old woman Found me and she took me under her wing.

She helped me. I was severely sick due to the smoke and she nursed me. As time went on, I got better and I healed. I forgot that I even had parents. She looked after me from then onwards. Till today, I am the woman you see right here, because of my mother. I love her.

Thabi: what a touching story luv.

I take out my phone and as im about to text him, he gets inside and locks the door. We sit opposite to one another, he was slouching and he rubs his mouth. There is silence in the limo and then it catches my

moves my dress up. I take off  
my tong and he unbuckles his

pants. We got naked actually. I make him lie on the floor while I lick his manhood.

King: (groans)

Me: (gagging out loud)

After sometime. I sit on his manhood.

can swallow his whole  
manhood.

King: (groans) I got you, daddy's  
Got you.

Me: (Moans Out loud)

I jump ontop of his manhood,

I wanted to cry now. Yoh he  
was not being fair. I turn  
around slowly and I face the  
door. I hold the door handle

pinning me against the Door.

Sthe: Im not letting you Get  
away with what you made me  
go through for the past 3 weeks

Me: ahh

He turns me around and carries  
me. I kiss him and he reacts. He  
places me on the bed and takes  
out his Pistol. I look at it and it

looked bigger than the last time I saw it. Ohh My goshh, im dead. I look at him and his eyes flash red. I lick my lips and he winks at me. I hold his manhood and just shove it in my mouth.

Me: (gagging) ahh

Sthe: (groans) ahh fuck

I suck and he was just shoving it deep inside my mouth.

Me: (groans)

After sometime. He raised my one leg and placed it on his left shoulder and then entered me. He ate me like a hungry Man, who has been starving for years.

He pulls my chin so I can look at  
him. His eyes flash red again

Shaka: I'm going to fuck you so hard, Everyone in this house will think you are going into labour.

He leaves the room and I take off my Dress. By the time I take off my underwear, he appears.

Shaka: At least you listened.

I look away. He comes to me and pulls my chin. He kisses me and I react. He carries me and places me on the bed. He enters me and pounds onto my cookie so much, I felt myself about to scream like I was in a delivery room. My cookie was so painful, and throbbing.

Me: (Moans) Ahh Fuck baby.

Shaka: Its about time we strengthen the babies.

Me: (moans) ahh Yes

---

## **WRITERS POV**

Everyone was getting fucked in the house. Yes, even Iwazi, Kwazi and Owethu. Sakhile was eyeing Owethu and they kicked

it. Kwazi is with Kgosi and Lwazi is with Raph 😊❤️💖.

*Love lives here .*

The Khumalo family ended up leaving, But someone saw a twin 😐. Jabulile was on her way to the bathroom when she bumped into thando's Long lost twin sister, Mbalenhleyothando. She

looked at her with so much shock, but she didn't tell thando.

A few people Have seen them:

- Baby Mpilo
- Tim
- Smiso
- The lady at the bathroom &
- Jabulile.
- The Girls, (but not physically)

Will the 4 people in this list be able to make them meet.

Maybe, or maybe

Mbalenhleyothando will leave without even meeting her parents and twin sister.

**ANOTHER DISCOVERY:**

- **MBALENHLEYOTHANDO's family and EYOTHANDOLENKOSI's family don't get along** 😞💔.

This is Bad. Real bad. What will happen next ?? Who will realise that there are 2 Mbalenhleyothando's / thandolenkosi's. Will they even meet or will the khumalo's kill all of them before they can even realise that one of them is related to the rival ??

**35 MINUTES LATER**

**CINDI**

We are now lying on the bed,  
after this hard core session we  
just had. My legs are shaking  
and my cookie is on fire.

Sthe: I missed you

Me: not as much as me. I  
wanted you inside me so bad.

Sthe: you do know that you had  
Amnesia, right ??

Me: what !!

Sthe: Yep...

Sthe: im sorry (pouting) I  
wanted to send signals to your  
brain

Me: I love you for being so  
brave

Sthe: oh yeah.

Me: (nods while blushing)

I get up and sit ontop of his lap.  
We were naked. His manhood  
was asleep, and thank  
goodness for that. I kiss him

and he lifts up my ass and he enters me again. HOW WAS IT AWAKE. IT WAS ASLEEP JUST NOW.

Me: (Moans) ahh Daddy

Sthe: Ahh Yess

He grabs my hips and makes them go up and down, with my Cookie swallowing his

Manhood and taking it out,  
Vice Versa.

Sthe: (in deep, demanding  
Tone) Twerk for Daddy.

I start twerking on his  
manhood, while my cookie  
swallows it and lets it out. He  
starts upping the pace and  
going really rough. This drives  
me crazy and I start twerking  
really fast. Our bed starts

moving too. He stops and I continue twerking. He sucks on my breasts making my orgasm come.

Me: Baby, im gonna Cum

Sthe: Not on my watch

He starts pounding really hard and this disturbs my Orgasm from coming. I cry because it was so good.

**(Phones ringing)**

I grab it and answer while she pounds onto my cookie.

Me: ahh, Hello

Mbalenhleyothando: (moaning)  
will you keep it down, some of  
us are trying to have some

He grabs my phone and removes his dick.

Sthe: Brother...

werewolf

Me: excuse me ??

Bab'x: You are half werewolf.

Me: Whats that, I don't understand what you are trying to say Baba.

Bab'x: your husband and King are very powerful beasts, but your husband, Is Powerful on another level that if his beast forms, it could eat everyone in this house and never even get touched.

Me: so ?? Whats that got to do with me ??

Bab'x: Mbalenhleyothando is a Werewolf, You also need to be a werewolf, you are half.

Me: How ??

Bab'x: The only way Sthes Beast can Fully Connect with you...

Me: I slap him, really hard and his eyes start flashing Blood Red

Bab'x: Now I need you to do this.

Me: what ??

Bab'x: When you guys are having... it, Slap him really hard and run away.

Me: why ??

Bab'x: This allows his beast to form and Makes It really angry which gives him a higher chance of making you, His tamer, a werewolf.

Me: he will hurt me moss

Bab'x: yes he will, but don't tell him

Me: haa why ??

Bab'x: This will make the beast feel sorry for you, since you are

its tamer, and ruin your chances of being a werewolf or even worse.

Me: whats even worse ??

Bab'x: I'll tell you when the time is right ?? Did you see what I did to sthe ??

Me: yeah, what were you doing !!

Bab'x: As soon as you see those scars Fade away, you are now a werewolf, they are still

showing, a bit so please Go and do it asap

They all run away

Cindi: (ROARS)

Sthe: (ROARS OUT LOUD)

All of a sudden, 7 little beasts follow them. Sthes beast looks at me and I kneel down.

Me: King, queen and The  
princes and princesses.

It looks away and leads the  
way, Cindi and the Kids follow  
him and they go to my hut. It  
wasn't that small, it was big,  
Don't think that just because  
it's a hut, it means its small.  
Mine was Big.

Me: Manzini,

Gwabini,  
Sengwayo...

I call out the clan names and  
the male beast Roars out loud.

Me: Here is the king, Guide him  
and his wife and Kids, and the  
new babies that are on the  
way, Guide them forever. Your  
king is Fine now, his wife has

healed him, His beast is fine  
now, stop punishing him.

I light all the candles. The little  
cubs play. Cindi lies down and  
she Kisses her and they act all  
lovey dovey.

I grab the razor and Herbs and  
go to the cubs...

Cindi: (roars)

Sthe stops her, I think he was telling her that Its safe. I strengthen the Cubs and apply some white powder on their Foreheads. I now strengthen Cindi and Then I apply red powder on her forehead. I do the same with sthe, and they head inside the house, I light the *"imphepho"*. Everyone looks at them and sthe stops and looks at them

Me: (whispering) Kneel down

They kneel down and sthe goes

Scar: Im kidding.

The join foreheads and Cindi goes to lihle, owami, Ntando and Goes to Andiswa and Thando. Sthe goes go Philasande, Shaka, Rellik and Dabula. **Reason is:** They are the Princes and Princesses. Sthe and Cindi are The King and

queen, if their Beasts form, the

Follow the King and queen.

Me: look at scar, pshhh

Scar: Pusseyy

Guys: Pusseyy

Beast: (Roars)

I look at Sthe

Me: my king, I thought You  
Were gonna change

The beast walks away and Cindi  
and the cubs follow. The smell  
of the "*imphepho*" fills the  
house. I follow them and they  
enter their room and I close the  
door and go down the stairs

Me: He is the King, respect him  
or he gives you this scratch  
(Pointing at Dabula's chest).

When he forms, all of you with the powder on your forehead are going to form also. You all need to change your surname to Zungu, you are Zungus. Your ancestors Said its an order, even the Khumalo's must change to Zungu.

They enjoyed their Holiday.

Me: we went away, since the house was depressing

Igor: where ??

we went away, including their  
Families and my friends

Igor: well, im back now so we

He asks the guards and they  
start talking about how

everything went down. I finish eating and I stand up. I wanted more, but I knew he was gonna get suspicious

Me: okay, and I think i will also need an injection for him to just collapse on the bed...

Nolwazi: Haibo, you want him to die so easy

Me: no, (laughs) of course not. I want to undress him and leave him half naked so that when he wakes up, he gets convinced that we had...sex you know

Me: Kgosi

Kgosi: Hi, I had to bring her otherwise she was going to blow her cover and dimitri was obviously going to find out about her being alive.

Me: I understand

The exact look alike of nolwazi  
Looks at me, she had a birth  
mark on her neck, so I was  
going to use that to distinguish  
who is who

Nolwandle: Queen

Me: uhmmm...

Doc: We all know, sthe is a  
prince remember. The king of  
all beasts is Alwande, so that  
makes sthe the New King, and  
you, his wife are the Queen

I look down blushing

Nolwazi: Yazi we should be  
kneeling down

She kneels down

Nolwazi: My queen

Nolwandle: My queen

They all kneel down

Me: haa guys, come on get up

They all get up and we break  
into a laugh

---

The rest of the day ends well  
and I head back home with

**IGOR**

Azar: so what about your wife ?

Me: shes fine where she is, she  
is gonna come back to papa  
soon. I just need to get rid of

the Zungu's. They are a huge threat

...: And We know where you can place a hit on them

We turn around and its Banele and Andile

Me: its sad to see that you are out to get rid of the Zungu's...

Azar: Your Family

Banele: They are no longer our family...

Andile: we wanna work you you

I get up and check if they don't hE any wires connected to them

Andile: are you done, not trusting us ?

Me: mhh

I let them sit down and we discuss business. I was really worried about my wife and unborn babies. I had a feeling that Azar might have something to do regarding her disappearance and he has a death target on his back

## **BONGA**

We listen to their plan. We are not that stupid to attach 50

wires on them for some information. Sthe Gave Andile, Yothando's necklace as a "I'm sorry gift". But she has no clue that it has a tracker and its currently recording their conversation. We are listening to it and also recording it at the moment.

Sthe: This fucker thinks he is smart

Me: Azar needs to die

## **WRITERS POV**

If only they knew that 3  
children were listening to them

...: We need to help them

...: I don't want to get in trouble  
with my father

...: same here.

...: Why are you busy acting like  
Bitches. We are growing older

and I think we should help them.

They also record the conversation and then head to their room

## **A FEW MONTHS LATER**

Cindi: (Screams) Get them out

Owethu: Its almost time chomi, calm down..

Lwazi: Shhhh, its fine chomi, its fine

Zack: we are almost them

Zakhele: about 2 minutes left

**A FEW HOURS LATER**

Lwazi: Congrats Chomii

Cindi: (breathing heavily) thank

She goes into a deep sleep due  
to exhaustion

**7 WEEKS LATER**

**YOUR BLOOD FOR MY BLOOD**

Today is the Day. The day that  
Azar and Igor get rid of the

Zungu's. The Zungu's are ready for them. But they act like they have no clue making The clueless Andile and Banele anxious

Andile: Guys please, they are coming

Sthe: Okay !!!

Guys: Its Fine !!

They continue acting accordingly and banele calls andile to the side.

Banele: We need to warn them, lets go get suited up and maybe they will understand

All of a sudden, They get pricked with something and they collaps on the floor

Hloni jnr: i'll grab uncle Banele  
and you two can take Aunt  
Andile

Nkanyezi: Sho

Nkanyiso: we are so dead when  
dad finds out

They pull their unconscious  
bodies and tie them up and  
close their mouths with Muscle  
tape.

Nkanyiso: place the sacks on their Heads, so they don't see where they are

They grab Black sacks and place them on their heads.

Hloni jnr: Lets go

They leave the storeroom and lock it. They switch off the light

and head out, acting accordingly.

**(GUN SHOTS)**

Igor: I want my wife where is

---

They Get out of the back seat  
of the Guards Car and head to  
an abandoned building

Kgosi: I didn't do it. You cant just Kill people Because you want to separate a family

Igor: I knew I shouldn't have trusted yo, you faggot

...: Don't talk to my friend like that

We all look and its Her. She looked good. She appears with The twins and Owethu. They were wearing Military overalls

Me: (whispers) Damn

**CINDI**

Me: firstly, Apologise to Kgosi  
for the Label you just placed on  
him

Igor: im sorry, Now lets go

Me: let me say goodbye to my  
family

All of Dimitris guards were holding them. If only he knew that they are working with us

Me: move

I hug each and every one of them and then I go to my Baby Daddy

Sthe: I love you.

Me: I love you more.

I kiss him and then face Igor.

Me: guess its time

And then someone Whistles so loud and everyone looks. Shots are fired and D's Lifeless body lies on the Ground

**AT THE ABANDONED  
BUILDING**

Hloni jnr: lets go

They pack up their guns and  
head to the cars and hide

---

**CINDI**

Me: what the heck just  
happened

Kea: I think I know that whistle

Shaka: it cant be him

I turn to sthe

Me: baby, our plan... Worked

me passionately

Rellik: lets go

## **A FEW HOURS LATER**

We arrive home and are now settled down. My babies are here and she couldn't be more happier

King: Who the hell killed D and where is Andile and Banele

And then all of a sudden,  
Nkanyiso, nkanyezi and Hloni  
Jnr appear

Mbalenhleyothando: where do  
you come from

King stands up

King: don't tell me...

Nkanyiso: we know where aunt  
and uncle are

We stand up and follow them.  
They open the storeroom and  
switch on the light.

Me: uhmm

The guys laugh out loud. Well,  
except Sthe and king

King: nkanyiso, what were you  
thinking

Nkanyiso: They wanted to save themselves, so we stopped them...

Nkanyezi: we are sorry Dad

Kgosi lets them go and removes the muscle tape on the mouths

Andile: They are coming for us

Me: oh, Igor And Azar are dead.

She keeps quiet same time.

Shaka: yah neh

Everyone leaves the room

**MBALENHLEYOTHANDO**

King: you 2 come here

The nkanyi twins were so scared, they were even shaking. They go to him and then there

are 2 slaps across both of their faces

Rellik: what happened ??

My heart pierce. The nkanyu twins hold their cheeks and look like they want to cry

King: (Shouts) if you ever, **EVER** even think about Killing a

person again. I am not gonna spare you.

They nod

King: Get (pointing upstairs)

They nod and pass him,  
heading upstairs. I hear sobbing  
coming from them and I get  
pissed

Sthe: Why are they crying

Me: he slapped them

He looks at me with so much  
anger

King: Don't side with them

Me: you didn't have to slap  
them like that though

I click my tongue and pass him,  
he grabs me

King: They are too young to be killing people.

Me: oww, and you werent young when you killed your first person.

King: yothando it doesn't justify the fact that they killed someone

Me: the same way you killed someone at the age of 9. They are 11. So they are following in your footsteps

Everyone comes downstairs.

King: yothando Don't talk to me  
like that

Me: mmmhh

I remove my hand from his grip  
and pass him, he pulls me and I  
slap him so hard, I also felt it.

He touches his cheek and looks  
at me

Cindi: What happened ??

Sthe: aii baby, lets go ??

Sthe passes us and goes to the Newborn babies room with his wife.

Me: Now you know how it feels

I pass him and go upstairs to my first born twin boys room.

Me: boys

They were looking outside their window.

Me: look, im sorry about what happened

I hug them

Nkanyiso: Mom, its fine. Dad was just disciplining us. I understand. Killing someone is nie pap en vleis

When they speak Afrikaans. They sound like King 🤪🥰.

Nkanyezi: And Mom, Stop Arguing with Dad for our sake. We messed up. Its fine and we got the deserved punishment.

Me: what do you mean ?

Both of them: we saw you slap  
dad

Nkanyiso: mom, please stop  
fighting with dad.

I immediately feel bad. I  
wanted to cry.

Nkanyezi: Mama, forgive dad,  
he was angry at us. He didn't  
mean to slap us

Me: (sighs) its fine boys

I hug them

Me: i'll talk to him

I leave their room and Go to mine. I sit on the bed and start bottling up all my emotions.

(Knock)

I look up and its Cindi

Cindi: Hi, I heard about what happened

Me: (sobbing) I feel so bad. I wish I didn't slap him. I was wrong

She hugs me

**CINDI**

Me: look, I understand, these children have a lot of effect on us. Okay, you didn't have to slap him, but King was just disciplining them

Mbalenhleyothando: Yeah

I speak to her, to try and cheer her up and then I head out

**LATER THAT DAY**

# KING

I sit outside and smoke my  
blunt, I needed it after the way  
things turned out

Sthe: nigga, get up and go get  
your lady

I look at him

Me: (smiles) come to think of it..

I get up and give him the blunt.  
Cindi appears

Cindi: throw that away

I turn back at sthe, who is stamping on the blunt. I look at her

Me: Please don't tell my wife  
you caught me smoking

Cindi: ow, im telling her

She pulls sthe and they pass me

Sthe: she loves me

I laugh at him, this idiot. I go  
upstairs to my nkanyi twins  
room. I knock and get in, and

they are playing while punching  
one another. They see me

Nkanyiso: Sho Dad

I sit down with them

King: Hey boys, look. Im sorry

Nkanyezi: Its fine dad, even

**Nkanyezi means Stars. So he  
said he saw stars**

We all laugh

Me: come here

I hug Both of them. My 2 heirs.

Me: Let me go talk to your  
mom now

Nkanyezi: She is Angry

Both of them: Very Angry

Me: Eishhh

Nkanyezi: im kidding, she

That gave me a lot of hope  
actually. I stand up

Nkanyiso: Manje Dad, Klipa

Me: mxm

They like milking me dry. I take  
out my Stack, and take out 2  
R200 notes

Me: don't tell Chloe and Cloete

Nkanyiso: Thanks dad

I walk out and head to my room's door. I think, and then I knock

(come in)

Ahh, the sweetest voice in the whole world. I open and it looks like she just got out of the shower. I sit on the edge of the bed and fiddle with my fingers while looking down.

## **MEANWHILE**

Scar: is he in

Shaka: yeah

Cindi: shhh

Rellik: I'd like to listen to this

They all place their ears on the  
door

# **BACK INSIDE KING & YOTHANDO's ROOM**

## **MBALENHLEYOTHANDO**

I miss my man. I stand up and  
go to him. I cup his face

Me: im really sorry daddy

He looked like he wanted to  
break down and cry

King: (nods)

Me: do you forgive me

King: (shrugs)

Me: (gives him a death stare)

I sit ontop of his lap and he  
grabs my ass, I kiss him and he  
responds

Me: you are very Sneaky

He smiles and we make out.

(the door)

Nkos'nolwazi: Move Scar man

Scar: its danger

Cindi: baby, lets move. I think  
they can hear us

Sthe: Idiots

Rellik: Shut up Scar

Shaka: yoh mfethu, uyarasa

We look at one another and he carries me and places me on the bed. He zips up his pants and goes to the door

King: 3. 2. 1

He opens it and they all fall on the wooden floor

Scar: yer dad, what do you eat.

You are very heavy

Bonga: my Ankle

Me: what were you thinking

Cindi and sthe peek inside our

Me: and please hurry, before we loose our cool

Hloni: yoh rellik, you almost broke my back

Rellik: everything is me

Scar: sorry King.

They get up and leave. He closes the door and Comes to me, taking off his clothes.

King: get rid of those towels  
and open your legs

Me: Yes Daddy

.....

**2 WEEKS LATER**

**CINDI**

Everything has been perfect  
thus far. I enjoy every bit of

motherhood thus far. Me and sthe are so bonded like OMG. Its perfect, but... we havent been intimate since the last time (when dimitri was alive). I can also see that he is frustrated sexually. I also am but what must I say, like everytime we try to be intimate, the little ones wake up and we get very annoyed.

Mbalenhleyothando: its called  
the river of what ??

Bab'x: 3 headed snake

Me: oh hell no, Im not going

King: why must we go there

Bab'x: Strengthening

Sthe: mhhh

Bab'x: lets go Ke

Me: now ??

Bab'x: Yes

Me/Yothando: Haaaa

Sthe: Baby, I know you are not a big fan of snakes, but we have to do this

Me: but... cant we go to a different river. Bab'Xaba I think you are doing this on purpose

Mbalenhleyothando: yeah pussy, what the heck !

The guys laugh at him

Bab'x: I need to leave this house ASAP, the bullying is too much.

Me: yeah yeah, whatever.

Bab'x: I'll find you there

He leaves and me and my man head upstairs and get changed.

**A FEW MINUTES LATER**

We are about to leave our room and he pulls me

Sthe: You wont panic right.

I look at him, is he always this Adorable. I stare at him and he pulls me and I snap out of it

Sthe: im talking to you ??

Me: yes sir, I love you.

He bites his lower lip and I cup his face and kiss him so passionately

Sthe: damn, what was that

He look down and I also look.

Me: (covers mouth)

Sthe: i'll deal with you later, wear a towel. Don't want King and Scar staring at you

Me: (blushes) yes sir

I grab a towel and he wraps it around my waist. We leave holding hands, baby kissing and laughing. He was such a sweet talker. Way better than Dimitri

Mbalenhleyothando: Are you trying to attract someone with that...

Me: No Thando 2, lets go

Sthe lets me go and I leave with Lihle and Mrs King. We get inside our car and leave. The guys were in a separate car. After sometime, we arrive and its so Weird, and scary. Geez

bab'x: Here you are. Im done with the ritual, come, and get cleansed

Scar: Mhhh

We all follow bab'xaba and  
Then reach this beautiful river,  
it had a big waterfall and then  
Xaba calls Mbalenhleyothando  
and King. I sit with my man,  
cuddling with him. Minutes  
later, Scar and lihle enter and  
then before we know it, I get  
called

Me: haa, why me alone

Sthe (chuckles) Yeah, I should  
enter with her

Bab'x: She is a queen, she  
enters alone

I wearing a bum short and  
Swim suit and head to bab'X

**STHE**

Shaka: Damn that's a fat ass

Me: back off

They laugh at me.

I sit down and wait for my wife  
to come out

**A FEW MINUTES LATER**

**CINDI**

Bab'xaba does whatever he  
does and then the guys enter.  
Only Shaka and King were in  
right now.

Sthe: You are soaking wet

Me: that man is weird. He wanted me to enter that Cave behind The waterfall

Sthe: oh, its not that scary and the guys are inside right now.

Me: im not looking at a 3 headed snake in the eyes.

Never shem !

Sthe: i'll be here with you moss

He hold my hand

Me: i'll die. Snakes are not my  
Favourite. I was gonna  
understand if it was a Shark. A  
Snake, worst part 3 headed. Hai

I complain and he looks at me.

Me: what ? (Blushing)

He cups my face and kisses me  
passionately

Me: mhhh, ahh Daddy

We kiss passionately in this  
both Beautiful and Creepy  
place

...: (clears throat)

I break the kiss and look

Me: its your turn

Sthe: (groans)

He stands up and kisses my forehead.

Sthe: i'll be back

I nod and he leaves. The girls come to me

Mbalenhleyothando: and then,  
that kiss

Me: I need him inside me

Lihle: wuuu, u'stout

Me: when last did I have it. By  
the time Dimitri was alive and I  
was pregnant that time

Both of them: haaa

Me: arghh, and everytime me  
and the him try to have it, the  
babies wake up...

Lihle: its witchCraft.

We laugh and chat. Sthe Comes out and the girls go to their men. He stare it him, he looked good. Father of 12. 😊😊

Sthe: lets go Baby, and stop staring

Me: im hungry

Sthe: I could eat

We head back to our cars and head to KFC and Buy some food. Water can make us starve sometimes. We eat and then head back Home.

## **2 WEEKS LATER**

Me: I have a plan, it will get us in trouble

Girls: Tell us

I was planning on Us (the girls)  
to Prank the Guys. It was gonna  
be... (laughs) very Funny

The girls clear their throats and

manhood)

Me: Yes Daddy, I promise im  
not lying to you.

My Dad appears and calls the  
guys, since they had a meeting,  
I kiss my man and they all leave

Me: lets go

Girls: (Giggling)

We head out and then call  
Raph, to help us

- Firstly: we were going to ask Raph to get inside the guys office and open 5 stink bombs, he must hide them really well cos their eyesight is really good
- Secondly, we know that they will smell kt, since it will be stinking and then, we will lock their door. After a few

seconds, we open the door and then they will go to the 2<sup>nd</sup> trap we have set up for them

- Afterwards, they will open the door and Floor, Eggs and water will land on one of the guys.
- We will act like we are shocked about the sudden

Outcomes and then Trap  
number 3 is going to be  
unleashed

- They will all head upstairs to  
their rooms where water  
coloured paint will fall on all  
of their heads.

Its perfect. 😊 😄 😄

---

## **WRITERS POV**

Raph enters the guys office, he basically sneaked in and starts opening the Stink Bomb Packets. After successfully opening them and hiding them, he leaves. **BUT**, Sthe and King saw him. They look

at one another and stand up  
excusing themselves

King: what is he up to

Sthe: What is Cindi Up to (rubs  
forehead

Sthe: you tell us, Where is Cindi

They call Cindi who appears

## **NTANDO (GAIL)**

Firstly, Yoh, these kids are a pain. Im happy, we are also happy this side. Being a Zungu and a Nkosi at the same time showed me and taught me to value Family time. Ive enjoyed

being a wife, a sister, a  
Werewolf, a Friend, a mother  
to my beautiful children and  
most importantly,

**BEING MRS SHAKA.**
