

# HER SOUR REVENGE

.....by GAZA BTN

**\*HER SOUR REVENGE\***

**\*By GAZA BTN\***

"Please leave my wife and kids out of this"

" You thought you could outsmart us right?"

No please,you can do anything you want with me but please don't touch any of them"

I could hear my father  
pleading with some people

Dad"please I'm begging you,  
let's do this somewhere  
else,it will traumatize my  
kids"

Mr Chihuri" you thought you  
could outsmart a police  
commissioner,a CID boss  
and a Chief Justice?, you're  
very stupid,let me see how

your wife's pussy taste,it  
seems like you left your brain  
in there"

I was now peeping through  
the key hole

He took my mom and ripped  
off her night dress and pulled  
her panty and started fucking  
her like some bloody bitch

The other one took my  
20year old sister and did the

same but he couldn't enter  
her temple

Him "it seems like I'll make  
the official opening"

And he gathered all his might  
and ripped her apart and my  
sister screamed in soo much  
pain, I felt like going to help  
her, but what will an 18 year  
old like me do?

The three of them took turns  
to rape my mom and sister

whilst their goons were  
beating up my dad

Guy "I think we're good now  
it's time to get them their  
tickets to hell"

And he took a gun from one  
of the goons and shot my  
sister right between the eyes  
and she was gone, he passed  
the gun and she other one  
blew my mom's brains out

and passed the gun to the last one who shot my sister her breasts, her Honey-pot and lastly scattered her brains on the wall which made me scream

Mr Chihuri "it seems like we still have another one, find her!"

I didn't even have the power to hide, they dragged me to

their bosses

Mr Chihuri "wow wow wow,  
look at her,"

Mr Phiri "I think this one will  
make us a lot of money, look  
at that ass, the beauty"

Mr Chihuri "you think we  
should sell her?"

Mr Phiri "yep she'll be a  
special package, the jet will  
take off in the next 30

minutes,so rush her to the airport"

Thug" sure boss"

Right now I'm on my way to Thailand,with a couple of other girls we've been sold to some brothel owners,oops sorry for my bad manners,my name is Lerato Khumalo and that was how I got to see

something one would never wish his or her worst enemy to go through,my whole family were brutally killed in my watch,you must be wondering how I survived the torture?,well I actually had sneaked out to a party with some friends then I had to sneak in using a ladder to my room upstairs since I was moved there because of the same issue

After some hours we finally landed in Bangkok and we were put in a truck going to only God knows where, after a rough drive we parked at a bar-like place and then we were dragged inside and we were lined up like cotton bales in the auction and a guy who seemed to be the boss started examining us

Guy "the boss said there is a special package, hot and sealed"

"Where?"

He said in a deep husky scary voice

The guy pushed me forward and I could hear him whistling

"I'll pay five times for this one, it's indeed a special package"

And he gave him a brief case  
full of US dollars

"Tell your bosses that I'll  
deposit more for this special  
one"

Guy" sure"

" And tell them that if they  
bring more special packages  
like this one, I'll make them  
rich"

I can't believe that I'm being  
sold like some high grade  
cocaine, why has God  
forsaken me like this

"Take this one to my house"

And I was nicely escorted to  
a very beautiful convoy and  
we left the crowded place,  
after a long drive we finally  
arrived at a very beautiful big  
mansion and I was taken to

the so called my new room, I didn't want to protest coz I knew it will definitely get me into trouble

Guy "if you need anything, just press this button"

I didn't reply and he left, I moved around the room, it was very beautiful

I decided to take a bath, there was a huge ass ensuite bathroom inside so I dragged

my heavy ass to the bathroom and soaked myself in a huge tub which was inside.

Some minutes later the water got cold and I got out and lotioned myself and took a nap coz I couldn't sleep with my fellow girls whom I was sold along with, they were Crying non stop,I wasn't crying because I actually had accepted reality.

I woke up a few hours later  
and I could hear voices  
downstairs I'm sure it was  
the so called boss and the  
guy who brought me here

"Did she give you any  
trouble?"

Guy "not yet"

"What do you mean?"

Guy "just looking at her I  
could see serious trouble"

They haven't seen anything  
yet, I said to myself

"Let me go and check on her"  
Guy "sure"

"Hey beautiful girl"  
Me "hie"

"Do you like it here?"

What the fuck, like seriously?

Me" it's not like I have a choice,liking it or not won't make any difference"

" Don't worry you'll get used to it"

Me" please if you don't have anything to say, get lost

"Whoal easy tiger, I'm just trying to be friendly here,at least meet me half way"

Me" I don't remember sending you a friend request"

" I'm Raghav by the way"

Me" ok"

" Are you always like this"

Me" why don't you just mind your own business?, I've seen you're quite a busy man"

Raghav" this doesn't suit you at all"

Me" was it supposed to?"

Raghav" can you at least smile for me please?"

Me" go to hell"

Raghav" before I go can I at least get your name?"

Me" you can call me anything you want"

Raghav" ok then I'll call you stubborn beauty, it's beautiful right?"

Me" I don't know coz I don't care"

Raghav" ok,dinner is ready"

And then he finally left

\*Raghav\*

I didn't notice she was this pretty till now,not forgetting that bubble booty oh my goodness,but small boobs though,I don't care!

The problem is that like it rough and hard so I don't know if she's gonna cope

with my own way of  
fucking, but who cares, I  
bought her with a huge  
amount of money, she  
deserves whatever I'll do to  
her. let me call my suppliers

Me "Mr Chihuri how are you?"

Mr Chihuri "oh Mr Raghav, did  
you like the package?"

Me "of course I did,  
especially the special one"

Mr Chihuri" oh I'm glad you did,I was about to ask you wassup with the extra money?"

Me" oh it's for the special package,if you get more just like her hot and sealed, I'll make you richer"

Mr Chihuri" thanks man till next time"

Me"sure"

.

And then stubborn beauty  
came down wearing an  
oversized dress but I could  
see her stubborn ass  
twerking inside there which  
turned me on,it seems like  
everything about her is  
stubborn

Me"tomorrow you'll go  
shopping for your clothes"

Her" I don't remember asking

for clothes"

Me" come on you don't look good in those oversized clothes"

Her" I didn't wear them to look good"

Me" can you please stop being stubborn for once?"

Her" till you leave me alone, I'll be always like this"

Me" tomorrow, take her for shopping"

Guy" yes boss"

And I went to my study

**\*TWO WEEKS LATER\***

**\*Lerato\***

The past two weeks have been good for me but I'm they won't last long, I'm sure hell will break very soon, as I was lost in my thoughts in my room, Raghav entered

Raghav"take off your clothes"

Me"what the fuck?"

Raghav" swear at me one more time and see what happens"

This is it,the grace period is over

I did as he ordered and then two of his boys got in and cuffed my hands at the back

and then he took off his clothes and.....oh my goodness he's carrying a monster in the, it's exactly my arm length and thickness,oh my God, I'm still a virgin for fucks sake

He then ordered me to suck his dick, I tried to do so but only the tip could fit in my mouth,the rest couldn't,I kept on sucking the tip and I could hear him groaning like a

wounded lion, after some time he ordered me to stop.

Raghav"tie her up"

And they tied my legs behind my neck and I could see him grinning at my newly shaved pussy,I was placed at the edge of the bed and he moved towards me and inserted his two big fingers inside my pussy and I

flinched

Raghav"easy tiger,the party  
haven't started yet"

And he kept on finger fucking  
me roughly and then he  
positioned him on my pussy  
and then pulled me closer,I  
could feel his tip rubbing my  
pussy,he tried entering but  
failed,he gathered all his

might coz I could his face  
veins popping out and he bit  
his lower lip and started  
groaning as he ripped off my  
pussy, after he was fully in,he  
stopped,as he made the  
second stroke,I screamed  
my lungs out and a hot slap  
landed on my face.

He made another one and I  
screamed again and another  
hot slap landed on my face  
again and then he increased

the pace and I kept on  
screaming

Raghav"shut the fuck up  
bitch!"

I kept on screaming

Raghav" shut up! Or I'll kill  
you"

Me"why don't you kill me  
already!"

Raghav" you think I'll give you  
the easy way out?,no forget,

I'm gonna fuck you till Christ returns"

And he started pounding me fast and furious, everything became blurry and then I passed out.

I felt cold water on my face and oh my goodness, he was still pounding me after he saw that I passed out?, this is the devil himself

He kept pounding me non stop, I'm sure he had taken some drugs coz this is not a duration for an ordinary person, after what seemed like forever,he exploded inside me and he landed himself on me with his dick still buried inside me, after some time he took his heavy body off me and he left,I remained in the exact same position for an hour and

gathered some strength and limped my ass to the bathroom and found some bathing salts beside the tub,so he had this planned all along?

Anyway I filled the tub with the salts and soaked myself in

I passed out again inside the tub and found myself nicely

tucked in my blankets

I felt someone's presence  
and I opened my eyes and  
saw a nurse sitting on the  
chair with her head buried  
between her legs, she heard  
the movements I made and  
and she raised her head and  
quickly rushed to me.

Nurse "easy darling, take it  
easy"

She helped me sit straight

Me" thanks"

Nurse" I'm sorry for what happened"

Me" do you know about this?"

Nurse" that's what he does to all the ladies"

Me" were you once a victim?"

Nurse" yes"

Me" how did you get out"

Nurse" he brought a new one and I was sent to the brothel

and then someone got me out and then he offered me a contract to treat girls he would have violated"

Me" have you ever tried escaping?"

Nurse" all the other girls who tried to do so were gang raped to death"

Me" oh my goodness"

Nurse" and I met a friend and he's been teaching me

fighting, using guns and so many kinds of things"

Me" you wanna revenge on him?"

Nurse" not only him, but my brother and his family,they sold me to this monster"

Me" what?"

Nurse" yep, how did you get here"

Me" my dad's enemies sold me her"

Nurse" so which city are you from?"

Me" I'm from Zimbabwe"

Nurse" what?, thought you were white"

Me" I'm coloured,my mom was black and my dad was white"

Nurse" are they late?"

Me" yep, can the person who got you out help me too?"

Nurse"he went back to his

country,he was Russian"

Me" oh ok then I'll make a  
plan myself"

Nurse"be very careful dear"

Guy" Pam,I think your job is  
done"

Pam" can I get an extra  
minute?"

Guy" sure"

Pam" I'm Pamela Williams"

Me" Lerato Khumalo"

Pam" ler....."

Me" oh my goodness this won't end well, it's Lerato Khumalo"

Pam" yep you're right, how about I call you LeeKay?"

Me" sounds better"

Pam" hey my time is up I gotta bounce"

Me"sure"

**\*THE FOLLOWING  
MORNING\***

**\*Lerato (LeeKay)\***

As I prepared to sleep,  
Raghav entered holding the  
rope again

Me"please I haven't healed  
yet don't do this to me"

Raghav" do I look like I care?"

Me" please have mercy"

Raghav" I bought you so I'll do whatever I want with you"

And his boys followed him and tied me the same way again and this time around he just started by violating me, and as usual he took his long ass time and he exploded inside me and he went to the bathroom and got some water and drank some pills, until me and

positioned me in a doggie style position and tied me again and he started till I was feeling numb, I just laid there lifelessly waiting for him to finish up and he exploded in me again and he left, this time around I couldn't move an inch of my body and realized that I was bleeding, I didn't want to call anyone because I just wanted to rest in eternal peace.

..... downstairs....

Raghav"Leo go and check on her"

Leo"yes boss"

I heard someone opening the door and it was one of his thugs,he looked at me, shocked and he ran downstairs

Leo"boss!"

Raghav"yes?"

Leo "she's bleeding!"

Raghav " they always bleed"

Leo " Raghav stop thinking with your dick, when I say bleeding I'm saying seriously bleeding,ok come with me"

\*Raghav\*

I followed Leo to her room and found half of the bed covered in blood and I panicked,I can't lose her now

Me "call Pam right away"

Leo "ok"

Leo "Pam, where are you?"

Pam " I'm in your hood, I'm at a friend's place"

Leo " please come to Raghav's house please hurry up"

Pam " ok ok ok ok I'm already on my way"

And in no time Pam budged into the room and stood half way, frozen

Pam "what the fuck did you do to her Raghav?!"

Me "it's, just the rough fucking as usual"

She moved closer to her examining her

Pam "oh my goodness she's bleeding internally"

Me " please do something she can't die"

Pam " I need to take her to the surgery"

Me "can't you do it here....."

And Leo smacked my head

Leo " Raghav! Keep thinking with your dick one more time and I'll cut it off,you don't

even have a grade 7  
certificate for fucks sake!  
What do you know about  
medical things,you can't even  
prescribe a mild headache  
medication!"

Me" ok fine,take her then"

And we wrapped her with a  
clean sheet and took her to  
my car and took her to Pam's  
surgery

I had my goons at each and every corner of her surgery,coz the way she's been getting along with her didn't sit well with me,she might help her escape.

\*LeeKay (Lerato)

I could hear the beeping sounds of the life support machine,they got a bit louder

gradually till I could hear them clearly, then I opened my eyes and I was welcomed by a very bright light which I couldn't withstand so I immediately closed them.

I then slowly opened them and I realized that I was in some sort of a surgery or a hospital.

I tried to get up and then Pam entered looking like she haven't slept for days

Pam "oh thank goodness  
you're up, I was sick and  
worried about you"

Me " where am I?"

Pam " you're in my surgery"

Me " why did you help  
me?, you should have let me  
die "

Pam " please don't say that,  
I'm here for you "

Me " but we both know that  
you can't do anything to get

me out of this fucked up life"

Pam" but that's not a valid reason why I should let you die right?"

Me" it won't make any difference, it's much better I join my family"

Pam" ok take it easy, I'll try make a plan "

Me" thanks for consoling me"

Pam" I'm serious dear"

Me" ok fine"

And then the devil himself entered

Me" you're here to finish me off right?"

Raghav"no I was worried about you so I came to check on you"

Me" after getting me into this mess?,no way you're here to

make sure I'm dead,why  
don't you finish me off now?"

Raghav" noo, it's not like  
that"

Me" are you afraid of  
Pam?,ok let me do it for you "

I pulled out the drip, switched  
off the life support machine,  
disconnected other tubes  
which were connected to my  
body and then took the

surgical blade and cut off the bandage which was covering what looked like an operation, all this while Pam was screaming my name for me to stop but I wasn't having any of that I started seeing blurry vision and I could hear voices calling my name slowly fading away and it was lights out for me

\*Raghav\*

I couldn't believe my eyes,  
LeeKay doing those crazy  
things on herself, yes her  
name is LeeKay, just heard  
that from Pam I'm yet to ask  
for her full name

Pam"you monster you  
fucking caused this!! Why did  
you bring your white ass  
here, look what you've

done,get the hell out of here!"

I immediately got out coz I know Pam can go crazy

**\*Pamela\***

I can't believe LeeKay did this,she wants to leave me whilst I was thinking that I had actually found a sister she decides to do this to me,but anyway I don't blame

her, she's been through a lot, for the time I've been working for Raghav, this is the time whereby he would go to this extent or is it because she's hot?,

Anyway I quickly ran to her and stopped the bleeding with some cotton whilst the nurses helped me re-stitch her since she had also cut the operation stitches, actually her womb was

severely so to stop the bleeding once and for all I had to operate her and remove the womb,we reconnected her to the machines and moved her to the ICU since she had sustained some injuries whilst she was removing the drips and other stuff on her body, I'll make sure she survives coz I can't afford loosing her.

**\*THREE DAYS LATER\***

**\*LeeKay\***

Clearly these people won't let me rest in peace anytime soon, maybe I should just let them be, what ever, maybe he'll get another one soon

Pam "it seems like you wanna see me crying, right?"

Me" I'm sorry"

Pam" but why?"

Me" I'm just tired of this  
fucked up life"

Pam" but giving up isn't an  
option"

Me" I've just realised that  
now"

Pam" good"

Me" hey I've been meaning to  
ask you, what happened to  
my lower belly"

Pam" you womb was damaged which caused you to bleed profusely so I had to remove it to stop the bleeding"

Me" oh ok"

Pam" just like that?"

Me" then like what?"

Pam" ok forget it, let me get you something to eat"

Me" sure"

\*A week later\*

\*Raghav\*

I decided to call Pam since going there wasn't a good idea

Pam"speak"

Me"I think it's time you bring her back"

Pam "we both know that she hasn't fully recovered"

Me " she'll do so at my place"

Pam " why?"

Me "I'm sure by now you have noticed that I no longer trust you around her"

Pam " of course I do know that but how will I get her out with your men in every corner of my surgery like a maximum prison"

Me" whatever, I'm instructing my boys to bring her right away"

Pam" ok fine, can I at least accompany her"

Me" you were supposed to do so"

Pam" ok"

\*A few minutes later\*

\*LeeKay\*

I'm back to the pit of hell with  
the devil himself

Raghav"welcome back"

I just clicked my tongue and  
walked out on him,went to  
my room and found a new  
bedding.

Hope he's not planning on  
fucking me today coz this  
won't end well

I took a long ass  
shower,wore a short and I a  
basketball jersey and threw  
myself on the bed and took a  
nap

I woke up a few hours later  
and heard voices downstairs

and I went to find out who it was and found a white chubby girl with blonde long hair, she had small boobs and some huge fat ass which one could easily clearly identify as 'fake'

A few moments later Raghav made a call

Raghav "Miss K"

Miss K"yes boss"

Raghav"I'm sending a new recruit,make sure you send her to the VIP coz it's hot stuff"

Miss K" sure, when can I expect her?"

Raghav" in a couple of minutes, her name is LeeKay, she's the stubborn type I'm sure she won't tell you her name"

Miss K" sure"

And he hung up

Raghav" your time is out here,  
you now need to go where  
you actually belong"

I didn't say anything

Raghav" take her to her new

home"

And I was escorted to the  
convoy and escorted to the  
brothel, straight to Miss K's  
office and I was left there

Miss K"welcome Miss  
LeeKay,the rules here are  
simple, the client is always  
right, give it to him the way  
he likes it,anal,  
threesome,gang bang,wild,

romantic, rough, whatever he wants it,am I clear?"

Me" of course"

Miss" I like it,well look here "

She showed me videos of girls being gang banged,some being tortured,some being slowly dipped in acid and some being cut off their pussy and boobs and soo many kinds

of horrible stuff

Miss K"these are some of the people who tried double crossing me,so try anything stupid, I'll add you to the list for future examples"

Me" got it"

Miss K" good,now take this,go down the corridor, turn left, the last door you'll be facing in that corridor is

your room, get ready, you'll have a client in the next five minutes"

Me" ok"

I took the bag and went to the room, opened the bag and it was full of lingerie only, I wore one and waited with my head buried between my legs and heard a knock

"Come in"

I shouted and the man entered, his cologne filled the whole room

Man "hie"

Me "let's get down to business please"

And then I raised up my head and he was kinda shocked as if he knew me from

somewhere

Me "are you here to stare at me or you're here to fuck the shit out of me"

Man " umm please can we talk?"

Me " can we talk after?"

Man " look, I don't fuck teenagers"

Me " then what the heck are you doing here?"

Man" look I was just told that there was a new one but I wasn't told it's a teenager, though Miss K knows very well that I don't do that, I feel like I'll be fucking my daughters"

Me" you've got daughters?"

Man" twins, exactly your age,so here is the deal, we'll have a small chit chat and then I'll leave,if not that I'll be going to USA tomorrow I'd

have reserved you for the whole week but it'll be of no use coz they'll give you away if I don't show up"

Me" thanks a lot what you've just done means a lot to me"

Man" here, take it, you might need it"

And he gave me \$500usd

Me" thanks once again"

Man "you're welcome"

And he started telling me about how he lost his wife and how he loves his twins blah blah blah and he left quite late and Miss K got in

Miss K, well done LeeKay, this is the first time someone paid soo much money for a few hours only"

Me" hmmm"

Miss K" you're done for the day, see you tomorrow evening, you'll be free during the day"

Me" ok"

\*Three days later\*

For the past two days I've been getting similar men with the same story as the

first guy,so now I've got about \$2000usd with me in the room.

Right now I'm waiting for the client, I don't know if my luck will continue or this is the end

I was lost in my thoughts planning on how to get the hell out of this brothel,the method is quite risky but I'm ready to meet the consequences.

As I was thinking, the door swung open and a fat old man got in, he closed the door and stared at me grinning

Man "this is exactly my type"

I'm sure he's gonna be the unlucky one

Me "can we get down to business already"

Man"ok then, I'm sure I'll  
enjoy this"

He unzipped his trousers and  
his black anaconda springed  
out

Man"why don't you start by  
eating daddy's lollipop?"

Me" ok,you need to sit down,  
close your eyes and let me  
drive you crazy"

Man" sure"

He did so and then I took the rope I found in one of the shelves and then tied his hands on the back

Man"what are you doing baby?"

Me"you know what,once I start with you,your hands will be all over me so I don't want your hands to disturb my magic"

Man" seems like you've been planning a treat for me"

Me" this one is specifically for you,I heard that you're one of the biggest fish"

Man" the biggest, point of correction"

I took a fruit knife which was in a fruit tray,held his erect dick and his balls together and cut them off at one time and he started screaming

and I shoved his dick into his mouth and the tip went straight to the throat coz I could hear him choke.

He couldn't even spit it out coz his mouth was stretched as I shoved it in,it had actually expanded, that's how huge his dick was.

I started looking for the tape I had seen earlier and found it,I pulled out his dick from his mouth with a bit of

struggle and replaced it with the tape.

Me "you're the reason why Raghav is killing bright girls' future, you'll be a lesson to others"

I went to the window and looked outside, it was well lit so could see two guards under my window, the brothel was a double storey so my so called room was at the top, I threw the dick at the

guards who were under my window.

Guard "if you step an inch out of that room, you're dead"

Me " don't worry I won't"

And they rushed into the building. A few minutes later they budged in with Miss K.

Miss K what's going on h.....  
Holy Mary!! What have you

done LeeKay?!"

The old man was already  
dead,he had bled to death

Me"you're more stupid than I  
thought my dear"

Miss K" you've just cut  
someone's dick for fucks  
sake!"

Me" was I supposed to cut  
that worn out pussy of  
yours?"

Miss K" you've got the balls,

I'm sure you're ready for the consequences of what you've just done"

Me" if I wasn't, I'd have simply escaped through here"

I said pointing at an opening I had made on the roof

Miss K"let me call Raghav"

\*Raghav\*

I I'm buried inside Sally's pussy (the new girl),oh my goodness this pussy is soo sweet, infact it's the second sweetest besides LeeKay but what's surprising me is that she's actually squirting, moaning and screaming my name whilst others would be crying and begging me to stop, I'm sure she was deflowered by a huge cucumber coz mine is

almost cucumber size in  
thickness,as I was having a  
good lifetime enjoyment,my  
phone rang and it was Miss  
K,I ignored it and it rang  
again and I knew something  
went wrong coz she only  
calls more than once when  
there is an emergency

I picked up

Me"hey"

Miss K"Sir LeeKay just killed

our big fish"

Me"what do you mean?"

Miss K" she just cut off his  
dick and balls and he bled to  
death I'm in her room right  
now"

Me" what the fuck! Ok take  
her to the warehouse, I'll  
meet you there, I'll personally  
deal with her myself"

Miss K" ok"

**\*LeeKay\***

And the two boys dragged me to the car park and I was put in a black Chevrolet with two bouncers at the back, I was in the middle of the bouncers, and one person who was at the front, the driver.

We left the brothel into the highway, I looked back expecting to see a motorcade but there was none

it was just the four of us, I gathered all my might and hit the bouncers on their balls and they started groaning holding their balls and I grabbed the opportunity to take their guns away and pointed one at the driver

Me "stop the car"

He parked it and tried to reach for his gun

unfortunately I beat him to it. I tied their hands and feet, tapped their mouths and threw them out of the car and drove along the highway, passed the toll gate out of the city and parked at a fuel station and slept there, I had my 2000bucks on me. The following morning I went back to the city, as I entered, I saw a car sale garage and went there, was a brand new

Toyota Quantum.

I went to the one who  
seemed to be the owner

Me "hello sir"

Guy "hey beautiful how are  
you"

Me " do you have plugs for  
this machine?"

I said pointing at the car

Guy " well we just ran out but  
I can get them if you have

enough time, I'll just finish  
off this car"

Me" how about I pay  
200bucks if you go now"

Guy" each cost 15bucks so  
you'll need just 60"

Me" and the extra if you go  
now"

Guy"let me go right away"

Me" the money!"

Guy"don't worry I'll get it  
when I get back!"

Me" how long will it take?"

Guy" its a 20 minute drive so  
I'll need about 40-50  
minutes"

Me" ok I'll be here"

He left with a Toyota Prado  
and I started checking out  
the garage and realized that  
he was alone, perfect!

I wanted to buy this Quantum  
for two hundred bucks but he

decided to give it away.

I went into his office and found the keys right on the table and I took them and left with the Quantum.

**\*Raghav\***

I spent the whole night banging this Sally chick, I can say she knows her business, I ended up untying her and she started taking care of me,

she's got stamina for days  
I was on my way to the car  
park to go to the warehouse  
to teach LeeKay a huge  
lesson and then recruit her  
into my clan coz she's got  
the balls I'm looking for  
As I got into my car,I got a  
call from Pamela.

Me"Pam"

Pam"can I please talk to  
LeeKay?"

Me"she pulled a stunt last night at my club so I'm on my way to teach her a lifetime lesson"

Pam" please...."

I hung up on her and Miss K called

Miss K"Sir LeeKay escaped"

Me"what?! How?"

Miss K"I don't know,the I found the guys on the road side tied and tapped"

Me" where are they now?"

Miss K" they are with me at the warehouse, unconscious, I was about to call Pam then I thought I should let you know first"

Me" good, after calling Pam, get the guys to track down the car"

Miss K" sure"

I underestimated this girl, but

I can see she acts stupid and vulnerable so that she won't be a suspect

I got to the warehouse

Me "did you find it?"

Miss K "yes I've already sent the guys"

Me "I knew I could trust you"

Miss K " you know, I underestimated LeeKay, she

looks so innocent and vulnerable"

Me" yeah, but how did she do it?"

Miss K" she used his dick to draw attention to the boys outside and they came to my office and when we got to her room, she was sitting comfortably on the chair, I tried to scare her and realized that she could have easily escaped through the

opening she had made on  
the roof, only God knows  
what she used"

Me" she's something else"

And my phone rang

Cleo" boss the guy is talking  
nuts here"

Me"bring him"

Cleo" ok"

And in a few minutes he was  
here tied on the concrete sit

Me "where is the lady who brought my car to your garage"

Guy " I don't know"

I took a hammer from the tray and squashed his thumb

He explained how he was tricked and somewhere somehow I found it funny

Me "ok file a report so that it will be tracked"

Guy" I can't, I smuggled it so  
it will send me straight to  
jail"

Me" then maybe you should  
go to hell, guys make some  
mince with this  
motherfucker"

And he was taken into the  
mince maker.

\*LeeKay\*

I was driving around town

looking for a garget shop and I bumped into one.

I walked around looking for my favorite brand and bumped into it,I took a Sony laptop (Vaio)and a Sony Xperia 20plus and went to pay and then I got myself a simcard.

I drove to an internet cafe I had seen earlier, paid and got busy with my laptop. I sent Virus an email with my new

number for her to call me as soon as she gets it.

As I finished setting up some software on my laptop, my phone rang

Me "hello?"

"My baby is that you?"

She said soo excitedly and I could easily pick the voice, it's non other than Virus, that means she got my email

Well her real name is Alia.

Me "yes Mommy"

Virus "I knew you were not dead you're a die hard"

Me "you know me too well"

Virus "where are you by the way?"

Me "Thailand"

Virus "are you serious, where exactly?"

Me"Bangkok"

Virus" Holy Mary, I'm in Bangkok,on my way to the airport I'm going to the States,my flight is in two hours"

Me" what?"

Virus" send me your location right now"

Me"I'm in an internet cafe, let's meet at Park I'm not sure of the location so I'll just

send you a GPS when I get there"

Virus" sure"

I did so anf in 20 minutes time she saw me and ran to me and gave me the tightest warmest hug ever and she started crying,she couldn't let go

Me"you're Killing me"

She finally let go and I dried  
off her tears and we sat on  
the lawn

Virus "I thought I'd never see  
you again my baby"

Me "that's why I got in touch  
with you first"

Virus "well done"

And she hugged me again

Virus "tell me what exactly  
happened"

I told her each and every detail and she was now in tears

Virus "wow you really went through a lot my baby"

Me " you can say that again"

Virus " so will you be safe here or should I tag you along"

Me " it seems like you are underestimating what you taught me right?"

Virus" well not as such but  
it's just that I don't wanna  
lose you again"

Me" don't worry, what I want  
right now is that hacking  
software, that's all"

Virus" here"

She gave me a hard drive

Me" what about you?"

Virus" I've got 10 of these"

Me" ok then"

And we enjoyed each and every moment

Virus" you know what I hate to do the most?"

Me"saying goodbye"

Virus" exactly, when are you leaving for Zim coz I know you won't be staying here"

Me" I just want that guy to feel the taste of my sour revenge then I'll fly back home"

Virus" ok, I'll be in the States (USA) for two weeks"

Me" it's ok, for me ok I'm sure I'll be gone by the end of this week"

Virus" ok great then I will see you"

And I dropped her at the airport and as I was driving around town looking for a lodge to spend the few days left and bumped into Pamela.

Pam"LeeKay"

Me"hey Pam"

Pam"is that really you?"

Me" flesh and blood"

Pam" how did you escape?"

Me" long story but all I can say is that he's hunting for my blood"

Pam" so where are you staying now?"

Me" I'm trying to look for a lodge to crash coz in a few

days I'll be out of here"

Pam" come on darling my house is too big for me, you can crash there"

Me" ok thanks"

Pam" come on let's go, I want you to let me in on every detail of your escape plan"

Me" sure"

And then I unlocked the car as we walked towards it

Pam"and you even bought a car?"

Me"no come on I stole it"

Pam" LeeKay"

Me"if that surprises you then you don't know LeeKay yet"

Pam" but I'd like to"

Me" you will but it's a long journey"

Pam" I don't mind"

And I followed her to her house,it was a very beautiful

mansion in the low density  
suburbs

We had lunch and then went  
to the backyard with some  
snacks and started chit  
chatting.

Pam "so tell me how you  
escaped?"

I told her the whole thing

Pam" to be honest I underestimated you"

Me"that's why I acted so naive and vulnerable so that when I strike, nobody will be expecting"

Pam" I think I'm ready to take down my brother"

Me" ok then, maybe I could be of little help"

Pam" that would be soo much appreciated"

Me "ok then let's start by this, do you have offshore accounts?"

Pam "two of them"

I asked her a few details about her brother and then I hacked into his bank account and drained all his money into Pam's offshore accounts and borrowed 10 million and sent it into her

offshore accounts as well

As I finished, 15 million  
popped in to her offshore  
accounts

Pam "look at this"

She showed me the  
notification

Me "it's done"

She took a deep sigh

Pam "you're even more  
dangerous than I thought"

Me "my mentor taught me"

Pam" who's he?"

Me"I call her virus, she's a secret CIA hacker, she's usually called for special investigations so we were together a few minutes before I bumped into you"

Pam" Virus? Is she the one who taught you to cut people's dicks and shove it in their mouths?"

Me" come on,ok so as for

your brother, he'll be taken care of by sunset"

Pam" I hope you mean dead please tell me that"

Me" well yeah, I provoked the most dangerous gang in town on his behalf"

Pam" oh my goodness"

Me" that's LeeKay for you"

Pam" but my niece, she's so innocent, she's just a teenager"

Me" I've already sent the kid to her real Mom,her biological father is late"

Pam" what?"

Me" they..... just a minute let me take this.....hello?"

Lady" Miss ghost, thank you soo much I've finally gotten my baby girl"

Me" it's ok, didn't she deny or something?"

Lady" no,we actually look like

twins so it's undeniable"

Me" I'm happy to hear that"

Lady" right now she can't let go she's been hugging me since she got here"

Me" oh that's so sweet"

Lady" send me your account number I want to drop a little something for you"

Me" take it as a little help from a friend I'm sure you don't pay your friends for

favors"

Lady" ok if you say so"

Girl" if you don't then I won't  
let her go"

Me"kkkkk ok fine let mommy  
go,then tomorrow 12pm I'll  
join you for lunch"

Girl" you promise?"

Me" yes"

Girl" please don't disappoint  
me"

Me" I won't, make sure

there's lots of meat"

Lady" ok I'll be expecting you"

And I hung up and Pam was looking at me like I just killed someone

Me"what?"

Pam"you owe me a huge ass explanation"

Me"she stole this baby and killed her dad when he

wanted to take her back so  
Virus was helping her get her  
daughter back so she left me  
to finish off as she got a call  
from CIA"

Pam" wonders shall never  
end with you"

Me" So let's plan on how to  
take down Raghav and his  
empire"

Pam" sure"

\*A few hours later\*

" Breaking news,a popular business man Mr Rajesh and his wife were dropped in the CBD by an unknown van each with 20 bullets all over their bodies with their eyes plucked out,some say it's...."

Pam" good for them"

Me" y....."

"..... and another breaking news one of the city's biggest Warehouse which is said to belong to Mr Raghav exploded leaving the whole place in ashes and nobody survived it, police investigations are under way to get to the root of the cause of the explosion..."

Pam" how did you do it?"

Me" what?"

Pam" don't try to act smart with me, I know you blew up the warehouse, how did you do it"

Me" he kept C4 bombs inside so I hacked them and started the timers"

Pam" so when are we going to his house?"

Me"8pm"

Pam" sure let me make something to eat"

**\*Raghav\***

I can't believe my warehouse just blew up like that, thank goodness I moved out my 2kgs of diamonds, it will help me bounce back from losing 1 tonne of cocaine, 2 tonnes of weed a half tonne of crystal meth amongst other drugs which burnt inside the warehouse, as I was lost in my thoughts I got a call from Miss K

Miss K"Sir the brothel have been raid"

Me"what?"

Miss K" yes sir just a few minutes ago,I actually went out to buy food and when I got back the whole place was surrounded by army trucks,all the boys are dead"

Me" ok thanks for the update I'll be there soon"

And then I quickly hung up

What's happening?

Could this be my down fall?

As I was battling with my  
thoughts I got a call from an  
unknown number

Me "hello"

"Hey lover boy"

Me "LeeKay?"

"Wow you're Soo good at  
guessing"

Me" oh spare me that  
shit,turn in yourself or I'll  
hunt you and find you within  
30 minutes!"

" Why don't we meet at your  
house?"

Me" are you on drugs or  
something?, I'm at my house"

" Ok, maybe I should say your  
hide out, where you keep  
your wife and your beautiful  
daughter"

Me" what!?"

" Don't panic it's just a small talk then you do whatever you want with me as your so called punishment"

Me" don't do anything to them or you're dead!"

" Don't worry they're watching 1000 ways to die,how daddy kills innocent girls like animals....."

Me" wh....."

" And also how he fucked the shit out of LeeKay whilst she was tied"

Me" where did you get that?"

" Hey you're talking too much, why don't you come over already, I'm in your CCTV room do anything stupid and you'll never see your darlings again"

Me" ok fine I'm on my way there "

\*LeeKay\*

As I finished talking to Raghav, his wife and daughter had already finished watching the videos I went to the daughter

Me"did you see what daddy does to innocent girls?"

Girl" they deserve it, I've watched this shit live"

Me" oh that's great then, that's what's gonna happen

to you tonight"

Girl" fuck you"

And Pam chuckled

Me" you should be saying  
fuck me daddy"

I had two of his boys who  
chose to cooperate,they  
were 3 but one wanted to  
trick me so I killed him

Me"tie her up the way daddy

wants it"

Guy 1 "sure"

Girl" don't you dare touch  
me,my Daddy Will skin you  
alive"

Me" shut the fuck up"

And she was striped naked  
and tied the way Raghav like  
it

In a few seconds I heard a  
car parking outside and then  
Pam went to the door

Raghav got in and saw his daughter tied and tried to reach for his guns

Pam "ah-ah I'll have that"

She said as she appeared from behind taking his guns

Raghav "what have you done to my daughter, Shaun, untie her right now!"

Me "easy tiger today I'll be

calling the shots here now  
get you ass over here"

Raghav" you're trying to  
scare me with a gun you  
don't even know how to use?,  
hahahaha"

And I shot one bullet at him  
and it licked his ear and  
shock was written all over  
him

Me"if you value that big head

of yours get your ass over here"

He moved closer and stood beside his daughter

Me"now I want you to bang her, look at that, shaved and clean, now get into it"

Raghav" you want me to break my own daughter's virginity?, that's insane"

Me" I'm sure you don't want

to do it the hard way"

Raghav" please I'll give you anything you want"

Me" first I need my womb back and then my pride"

Raghav" please you know that it's impossible, please tell me something else if it's money, I'll....."

Me" I'm sure this will sustain me for a lifetime"

I said showing him the

pocket of diamonds I took  
from his room

Raghav"where did you get  
that?"

Me"I'm sure you haven't  
forgotten where you kept  
them"

Pam" please you should start  
shagging her,we don't have  
time for your interview"

Raghav" please let's talk

about this"

Me" you can't give me what I want so there's nothing to talk about"

Wife" leave them alone you monsters!"

Me" hey shut the hell up, Mr let's get to business"

Raghav" please"

Me" oh sorry you forgot this"  
I forced him to take his drugs which made him horny and a

monster in bed and he started pounding his own daughter,he actually did the official opening,he was now shagging her like some bloody whore

Wife"hey you monsters leave my family alone!"

Pam" this one is making so much noise, guys give her some sugar,you take care of the ass hole and you take the honey pot"

" Sure"

Shaun" can we take this too,it seems to be strong"

He said taking Raghav's drugs

Me" kkk sure try it"

They drank it and started pounding Raghav's wife like nobody's business

Me"Raghav, another round"

Girl"please, I'm on fire, please  
have mercy on me please"

Pam" I think we should pity  
her"

Me" ok fine"

Shaun" can you please do  
me a favor?"

Me" sure"

Shaun" tell him to bring my  
sister"

Me" now!"

And he called the ones who kept an eye on her and they brought her within 10 minutes

They hugged each other and it was an emotional moment for the both of them

Shaun "thanks a lot, can I do the honor of killing him?"

Pam "whoa, kk we weren't planning on killing him"

Me "it seems like you've got

history"

Shaun" he killed my mom  
after I refused to work for  
him and now wanted to kill  
my sister"

Me" well change of plans,kill  
him, here"

I threw a gun on him

Shaun" can I please have  
another one"

Pam threw another gun and  
he emptied the bullets all

over Raghav's body and  
finished off with three bullets  
in the head

Shaun "thank you soo  
much, my heart is now at  
peace, I've been waiting for  
this moment for years"

Me " you're welcome, clean  
this up, and you two, if you  
dare say a word, infact a  
letter, you're dead"

And we left Raghav's house

\*The following morning\*

\*LeeKay\*

After leaving Raghav's house we went to Pam's place and spent the night there, the following morning I woke up getting ready to go and see the lady I helped last night

and then get a flight back to Zimbabwe, Virus had all my documents so she managed to get my passport stamped at the airport so all is good right now

Pam "where to this early"

Me "I'm going back today"

Pam "to where?"

Me "Zimbabwe"

Pam "are you leaving me?"

Me"well I hate to say this, but  
well yeah, it's for the best"

Her mood dropped from  
bubbly to zero

Pam" thought I've found a  
sister I've never had"

Me" me too that's the main  
reason why I have to do this,  
I've lost enough loved ones  
already, it's not safe at all  
over there,if it wasn't for the

revenge, I wasn't going back there"

Pam" we can do this together,you helped me get my revenge,so it's now my turn, please grant me this chance please I owe you"

Me" ok fine,prepare I'll be back soon"

Pam"thanks"

And she hugged me and started packing her stuff

Me "what about your surgery"

Pam "I gave it back to a former varsity mate"

Me " it wasn't yours?"

Pam " I wasn't planning investing here coz I wanted to leave as soon as I got my revenge too"

Me " ok"

I took my phone and dialed Miss Rathole's number, the lady I was told to help by

virus

Me "Miss Rathole"

Miss Rathole "Miss Ghost?"

Me " yes it's me, change of plans, I'm coming for breakfast"

Miss Rathole " sure, I was about to call you, we'll be traveling out of town"

Me " ok, I'm on my way"

Miss Rathole " someone is gonna be happy"

Me "Don't tell me she was  
sad for leaving without  
meeting me"

Miss Rathole "yep"

Me "ok let me get onto the  
road"

And I said goodbye to Pam  
and I went to the address  
Virus sent me

I knocked on the door and  
the little girl opened for me  
and she quickly jumped on  
me

Girl"you're Miss Ghost right?"

Me"so you just jump on  
people you don't know?"

Girl" I was sure that it was  
you"

Me" can I come in now?"

Girl" oops sorry,come in  
please"

And we went to the lounge  
as her mom was finishing up  
the table setup and she  
called us

Me "I can see you listened to  
my madness"

Miss Rathole "with what  
you've done for me, I was  
willing to go around town  
naked"

Girl " Mom "

Me" well let's do it then"

And she got up

Me"hey come on I'm just kidding"

Girl"I trust my mom to do it"

Me" I could see that"

Girl" so what's up with your names, first it was Virus now it's Ghost, weird names for beautiful ladies are you hackers?"

Me" well yeah"

Girl" I knew it"

And we had our delicious  
breakfast chatting and  
laughing

Me"thank you soo much for  
the delicious food, it's time  
to say goodbye"

Girl" so when will I see you  
again?"

Me" not anytime soon"

Girl" why?"

Me" I'm going back to  
Zimbabwe,my country"

Girl" but you don't look like  
an African"

Me"coz I'm coloured"

Girl" more like white person,  
fair enough"

And we bid goodbyes and I  
went back to Pam's place  
and she had our suite cases

in the lounge ready to go

Me"one would swear we're going back to your country"

Pam" whatever, let's go,the Uber is already here"

Me" don't tell me this isn't your house as well"

Pam" I'm afraid yes,it isn't mine,the owner of the surgery is the owner of this house as well"

Me" ok"

We left for the airport and got on board in a business class flight

After some hours the captain announced that we'll be landing at Robert Mugabe International Airport in a few minutes, I thought my heartbeat was gonna speed up but to my surprise it was

very calm.

We landed safely and cleared our passports and walked towards the parking bay

Pam",you know,I was expecting to see you nervous"

Me" I'm even surprised myself"

Guy" Miss Lerato Khumalo?"

Me" yes?"

Guy" Miss Alia sent me to  
pick you up"

Me"can you please lower  
your mask?"

He did and,it was Cain, Alia's  
PA

Me" fuck you Cain"

Cain"it's good to have you  
back, I almost went crazy  
when Alia told me about  
what happened"

Me" I can see you even lost

weight"

Cain" that's how much your disappearance affected me"

Me" don't worry, I'm back for good"

Cain" and I'll eat like never before, I need my muscles back you're going to be the cook"

Me" my pleasure, ooops where are my manners, this is my friend Pamela, she's

the one who made sure I  
survived in the hands of the  
monster who bought me"

Cain" nice to meet you  
heavensent angel"

Pam"me too"

And we got to the car and  
Cain took us to Alia's house  
in Borrowdale

Cain "welcome home darling"

Me"thanks"

And Priscilla, the house  
help, more like a sister, she's  
an orphan but to us she's a  
sister, she came out of the  
kitchen and saw me and  
came running and she  
jumped on me and hugged  
me tightly for a while,  
sobbing, she let go and held  
my shoulders and hugged  
me again

Priscilla "missed you so  
much, thought I'll never see

you again"

Me" missed you too"

Priscilla" Cain why didn't you tell me that you were going to fetch Lee?"

Cain" well I....."

Priscilla" no food for you the whole week from now"

Cain" but I'm about to recover from weight loss"

Priscilla" that's now your business, darling, you must

be tired,let me prepare your  
room"

Me" ok but for the meantime  
we'll use Alia's"

Priscilla" sure"

\*The following morning\*

\*LeeKay\*

Last night I slept like a baby,

today I'll start paying my enemies some visits, as I finished getting ready, I got a call from Virus or should I say Alia

Alia "don't you dare start the party without me"

Me "ok ma'am"

Alia "maybe you should start setting up the speakers, the braai and I'll join for the main

party"

Me" ok I get you ma'am let  
me start setting up the  
speakers"

Alia" good luck"

Me" thanks"

And I left my new room

Cain" ready?"

Me" yep"

Pam" don't tell me you are

leaving me behind"

Priscilla" that's exactly  
what's gonna happen, you're  
stuck with me for the whole  
day"

Me" see ya"

And we drove to my parent's  
house

Guard" how may I help you?"

Me"who's living in this  
house?"

Guard" Mr Moyo"

Me" thanks"

Guard" and who are you?"

Me" I think it's best you mind  
your gate business"

And we drove away

Cain" that was a little bit  
rude"

Me"ok"

And sent the CID boss who

was now occupying our  
house a message

\*You have 24 hours to get  
your asses out of my house,  
Lerato Khumalo\*

Cain"you know, when Alia  
broke the news to me I  
thought she was joking,I was  
even hesitating going to the  
airport"

Me" really?"

Cain" yep"

Me" oh ok"

Cain" so where to?"

Me"let's pay Mr Chihuri a  
visit"

Cain" sure"

And we drove to his house  
and got to the gate which  
was opened by his daughter

Girl"how may I help you?"

Me "is your daddy around?"

Girl " yes"

Me " I want you to go and tell  
Daddy that Lerato Khumalo  
said watch your back"

Girl " and who are you?"

Me " girl I've just mentioned  
my name"

As she turned to leave we  
drove away to Mr Malaba's  
place and did the same thing  
and went back home.

**\*Mr Moyo\***

As I was chilling in my office going through some papers, I saw a text on my phone

**\*You have 24 hours to get your asses out of my house, Lerato Khumalo\***

What the hell is going on, isn't she supposed to be in Thailand?, I called Raghav's

phone but it's not going through,I dialed Chihuri's number

Me "hey"

Chihuri"my Friend something is wrong here"

Me"that's the main reason I called you,did you see the text I forwarded to you?"

Chihuri" yes,well she came to my house,my daughter

attended her and she came back saying Lerato Khumalo said I should watch my back"

Me" Malaba also told me the same thing"

Chihuri"do you think she could mean any harm?"

Me"I want to think she's harmless but the big question is where did she get the balls to threaten us at the same time?"

Chihuri" I've been thinking so too, what should we do?"

Me" I think we should just watch our back, but I think this could be a prank"

Chihuri" why don't you track the number that sent you the text"

Me" I'll be taking it to the boys coz here, it might get us into trouble"

Chihuri" sure, you need to

play smart"

And after hanging up, I called  
one of my boys

Me "I need you to track down  
the number I just sent you"

Ray "sure"

And I hung up and started  
preparing to knock off and  
my phone rang

Me"Ray"

Ray"Sir my machine just  
crushed"

Me"what do you mean?"

Ray" the number you sent me,  
it's a virus code and it  
crushed all our machines,  
even the back up ones"

Me" what can we do now?"

Ray" it's complicated Sir, only  
Virus can help us with this  
one"

Me" only Virus can help us reverse the virus what do you mean?"

Ray" oh sorry,the Virus I'm talking about is a person, she's the one who programs these codes"

Me" it's a she?"

Ray" yes she's in The world's big 5"

Me" get in touch with her then"

Ray" sure"

A few minutes later he called me

Me" Ray"

Ray" sir she wants to talk to you directly, I just sent you the number, don't try anything stupid if you still value your phone"

Me" ok"

And I quickly dialed the

number

"Well well well"

Me"ummm hello"

"So you thought you could kill my baby's family, traffic her for prostitution and take over the property?"

Me" umm sorry I think you're confusing me with someone else"

" Isn't this Mr Moyo,the CID boss?"

Me" y....yes it's me"

" Then you know what I'm talking about, you and your buddies, should I call you the three musketeers?"

Me" sorry I'm not copying with what you're talking about"

" Do you still remember the late ZAAC COMMISSIONER Khumalo?"

And I was tongue tied

" I'm sure you do, infact,you do,why on Earth am I even asking this,ok here's what's gonna happen"

Me" please please I....."

" Lerato is gonna kill all your families whilst you watch, keep you for a while to suffer and then kill you too"

Me" my lady p..."

And she hung up

I quickly called Chihuri

Me"my Friend we need to  
tighten our security"

Chihuri" what's wrong?"

Me" I just got a warning a  
few seconds ago"

Chihuri" sure, thanks man let  
me update Malaba"

\*LeeKay\*

After the message  
distribution we drove back  
home and as I got home, I  
got a call from Virus

Me "hey"

Virus "Guess who called me?"

Me "who?"

Virus " the CID boss himself"

Me " kkkkkkkkkkkk oh my  
goodness what did he want?"

Virus " they tried to track

down your number and all  
their machines crushed"

Me" so what did you do?"

Virus" just gave him a brief  
description of what's going  
to happen in the next few  
days"

Me" good,so how is the work  
going?"

Virus" can't believe these  
people called me for this  
petty issue,I just finished a

while ago so I'll there  
tomorrow morning so that  
we'll kick start the party"

Me" oh that's great,I thought  
we were going to start late"

Virus" don't worry it will start  
tomorrow"

And she hung up

Priscilla" I hope you guys are  
not planning on scratching  
me again,I want to kill at

least one of those people who made me cry for you"  
Pam" you've been on something like this before?"  
Me" yep, Alia's former truck company Whelson was robbed of \$10million USD and the case mysteriously died coz the robbers were linked to some big fish in the government so we did it on our own and recover it double fold"

Pam" so Priscilla....does she...."

Me" everyone in here can kick some ass"

Pam"great then"

Priscilla"I want to kill at least one"

Me"don't worry you'll"

Pam" she's talking as if it's killing flies"

Priscilla" of course they are,I wanna do it exactly the same

way they did to princess (late sister)

Pam "I feel you, I saw the video, it was terrible"

I recovered the footage from the CCTV, they never found the control room coz it's buried in the basement which they will never find

Me "that reminds me, I need to send them, for a quick

reminder"

Priscilla" why don't you make it play on their TVs tonigh?"

Pam" is that even possible?"

Cain" with technology all things are possible dear"

Pam" wow"

We spent the whole day cleaning up the ammunition we were going to use on these motherfuckers

\*The following morning\*

\*LeeKay\*

At around 6 in the morning I went to the airport to fetch Alia (virus) from the airport And we went home while she was dishing me what went down in the States till we got home,we had our breakfast and went to what we call the

board room and started  
planning

Alia "so who's first"

Me"well I miss my basement  
where I used to spend a  
whole night watching live  
streaming porn"

And everyone looked at me  
like I just grew horns on my  
forehead and suddenly  
burst into laughter

Cain "like seriously?"

Alia "come on Ghost we're trying to be serious here"

Pam " I've heard of Virus and Ghost, what about these two?"

Me " this one is Missile (Priscilla) and of course Slayer (Cain)"

Alia " you should get one for yourself"

Pam "oh great, I need

something creepy like.....

Venom,yes Venom"

Me" good,so let's get back to business"

Alia"so you meant that we should start with Moyo right?"

Me" yep coz I miss....."

Alia" yes we know, now everything is ready,we don't need to survey anything coz we know each and every

corner"

After our planning we spent the whole day having fun, waiting for night fall to attack

\*At around 9pm\*

Alia" time to roll guys"

And we connected silencers on our pistols and got into our van and drove to my

house.

We parked opposite the gate and then we climbed over the precast wall and then shot dead all the guards and then Venom, Virus and I took the main entrance whilst Missile and Slayer took the back door

As we entered they all panicked

Me "easy guys you need to  
get your asses down"

Mr Moyo " I..le..rato?"

Me " flesh and blood"

And his son sprinted towards  
the back door

Me "I'm sure you know the  
reason why I'm here"

Moyo " please can we talk  
this off in the absence of my  
family,can they get out

please?"

Me" my Dad also said the exact same thing but you denied him to do so"

And a few moments later Missile entered with Moyo's son and pushed him to the couch

Me"you raped my mom and my sister before you killed them right, that's exactly

what's gonna happen right now but a bit different,it will be like this, mother fucks son, daddy and daughter have fun, "

Moyo" please"

Me" I'm not here to negotiate with anyone, let's get into it"

Moyo" please,I can't deflower my own daughter"

Me" who told you she's still a virgin?,ok just one stroke,if

she is, you won't fuck her but  
if she is, you're going to bang  
her till Christ returns"

And he lifted his daughter's  
short dress and pulled down  
her panty and made his  
stroke smoothly

Me"continue"

And he started slowly but his  
libido could not allow him  
that,he suddenly began

thrusting deeper and  
harder,at first the daughter  
faked screaming and ended  
up moaning

Virus"and you what are you  
waiting for?"

Son"I can't possibly fuck my  
own Mom!"

And Slayer gave him the  
hottest slap ever and quickly  
grabbed his mom by her

thighs and started pounding  
her like there's no  
tomorrow, oh what am I  
saying, there's no tomorrow  
for them

Me "it's a dream come true"

Virus "what"

Me "watching live porn"

Slayer smacked my head

Slayer "when did you start  
taking drugs you naughty

girl?"

Venom" I'm sure Raghav was feeding her some"

And we all laughed and Moyo's son took the opportunity to run away and Venom fired 3 bullets his head and as the mom started screaming, she fired three bullets into her head too and pulled Moyo out of her daughter's pussy as he was having a lifetime

enjoyment and then shot his daughter on the breasts, on her bleeding pussy and finally three bullets into her head as well, exactly how Moyo killed my sister and then emptied three guns into Moyo's body and then sat on the floor crying I'm sure the video of how my family was killed came back to her mind I helped her to the van whilst the others were taking the

dead bodies into the van and  
we took them home and  
threw them in acid and burnt  
down the van

Priscilla "finally free"

Pam "that was a bit extreme"

Priscilla "he killed my family"

"WHAT ???"

We all said at the same time

Priscilla" Moyo and his son  
gang banged my mom  
before his wife and daughter  
shot them respectively, I  
survived coz my parents had  
hid me in the ceiling"

Me" Chihuri is next"

Cain" sure"

Alia" I'm thinking twice about  
killing the remaining two  
fools on the spot"

Cain" I feel like this is an

easy way out"

Pam"so what do you guys suggested?"

Priscilla" let's here from the avenger"

Me"ok here is the thing,we post the video of them killing my parents on ZRP and CID Twitter handles I'm sure by tomorrow morning they'll be behind bars,we then hack their bank accounts and

empty them into our offshore account and take huge loans in their names and bail them out, for now let's execute the plan whilst I further think of what to do after stripping them off everything"

Alia" this is the devil himself"

Pam" I think she's the\*devil pro max\* coz....."

Me" guys we should be working on the plan not

talking nonsense about me"

Cain" truth hurts"

Me" Priscilla, I think it's time  
you put this one on food  
ban,it seems like your food  
makes him talk too much"

Cain" I'm sorry please don't  
do this to me, I'll die, look at  
how skinny I've become"

And everyone bursted into  
laughter

Alia" you can't separate Cain  
from food"

Pam"bro,I think it's best you  
get down to business before  
she passes the verdict"

And he quickly vanished

\*Later on that day\*

\*Mr Chihuri\*

I was going through some  
tweets on Twitter and

suddenly came across a disturbing post,it was a video of us killing Khumalo and his family

Oh my goodness this is the end of me.

As I was about to call Malaba,he called me instead.

Mr Malaba"my friend did you see what's trending on Twitter?"

Me" I've just seen it now, I was about to call you"

Mr Malaba" what are we gonna do?"

Me" I've got no idea coz someone drained my account, but I can't find the destination"

Mr Malaba" me too I....."

" Don't move, put your hands on your head!"

I could hear voices in the background and I knew it was over

As I dropped the call my door swung open and heavily armed police entered and arrested me and took me to Harare Central Police station.

I really underestimated Khumalo's daughter.

She's way beyond dangerous, this is Friday night so that

means I'll spend the weekend here, this is messed up, I wonder what my wife and son will do

I spent the night there and the following morning I was woken up at around 8

Officer "Sir you have a visitor"

And I was escorted out of the cell expecting to see my wife only to see my worst

nightmare

Lerato "hello there"

Me "please I'm sorry I'll pay you whatever money"

Lerato " how will you pay me when you're owing the bank USD25000?,you can even afford renting a flat in Mbare"

Me " let's talk about this"

Lerato " there's no room for

negotiation, I'll be calling the shots just like what you did to my family, guess what, you now have friends, look behind you"

And I saw 3 bouncers getting into my cell

Me"wh....."

Lerato"they'll sodomize you the whole weekend, I'm sure you're gonna have soo much fun"

Me" p...."

Lerato" your wife is waiting,see you on Monday"

And she left and my wife entered crying and told me what took place,they were kicked out of the house so she's currently crushing at her mom's place,I was soo broken to the core,our son just got fired, he's staying with her too, but obviously I won't go there,I don't even

know what I'm gonna do  
My lawyer came later and  
told me to plead guilty so  
that he can get me released  
on bail which I don't even  
know where the money will  
come from

\*The following Monday\*

\*Mr Chihuri\*

The whole weekend was hell for me, for real, those gay bouncers really did a a number on me, I can't even feel my asshole right now, we got into the court room and we both pleaded guilty and we were granted ZW\$100000 each whilst we didn't have any single Penny and as we were about to be remanded, I fine gentleman offered to bail us out and as soon as

the court was over we ran to the gentleman who was standing with Lerato and her colleagues

Me "thank you soo much Sir,tha....."

Lerato "no need for that,we took another loans on your behalf so you gotta work harder coz you need to pay back in 6 months"

And with that she left,

Malaba Left with his family and I got into my mother in-law's car which my wife came with, I told her to drop me at a friend's house since I couldn't live with my in-laws.

\*LeeKay\*

After the court we went home to plan on how to deal with these fools

As we were planning I got a call from one of Malaba's guards

Guard "Miss LeeKay"

Me "talk to me"

Guard "Malaba's son and his wife are planning on attacking and killing you tonight, they got a tip of your current location from one of your neighbors"

Me " thanks for the tip my guy

we'll counter him tonight  
make sure you come up with  
an excuse not to show up at  
night"

Guard" don't worry, I won't be  
doing a night shift for the  
next two weeks"

Me" ok, thanks again"

Guard" remember I owe you"

Me" still thank you"

And I hung up

Alia" guess what I have here"

"What?"

Alia"someone's license to  
run a surgery"

Pam"oh wow thank you soo  
much I owe you big time"

Alia" nonsense! You don't  
owe me anything, we're  
family remember"

Cain" I think we should kill  
this one"

Me"as long as they get to live

stream for me"

Pam" are you serious right now?"

Alia" I think Raghav's drugs affected her brain coz she never watched that stuff"

Me" but it's....."

Pam" ok we've heard you baby girl"

Cain" I hope Priscilla won't be greedy this time around"

Priscilla" leave me alone

please"

\*At around 8 pm\*

\*LeeKay\*

We got to Malaba's house  
and as we got to the door,we  
heard him instructing his  
wife's thugs

Malaba"make sure you are  
very cautious coz these

people are dangerous, if possible, bring them alive, I want to personally kill them myself"

Me" we're here"

I said as we entered into his house and he fainted

There was an exchange of bullets which resulted in their men dead

Me" get me some water to

wake up this fool"

Cain" water is right here"

Me" where?"

Cain"here"

He said showing me his hand and gave Malaba a hot slap and he quickly woke up coughing blood

Me"without wasting much of your time,I want you to do exactly what you did to my

mother that day"

Malaba" let's talk about this"

Me" there's nothing to talk about, you ruined everything by trying to attack me"

Son" come on sorry!"

Me" oh shut the fuck up,ok you two,I want you to do what you did to my mom,to her"

Son" so in other words you're trying to say I should fuck my

mom?"

Me" exactly"

Son" no way"

And Cain ripped off his  
clothes and left him in his  
birthday suit

Me"let's get into it"

Son"hell no"

Me"you know what, you've  
got a very nice dick, exactly  
my type,long and thick,so if  
you don't Know how to use it,

I'll cut it off and use it as a  
dildo"

Son" that's nonsense"

And I shot his leg

Son"ok ok ok ok fine I'll do it"

And he got down to business  
and his father joined,as they  
were in the middle,I fired  
each of them two bullets into  
their heads and they died in  
action, called the police and  
fled from the scene

As we got home, The lights were on whilst we left them off

Me "someone is in the house"

Alia "you and Cain take the main entrance, Pam Priscilla and I take the back door"

Me " sure"

We searched the whole house and found Mr Chihuri tip toing in my room with a gun

Me "looking for me?"

And he turned in attempt to shoot me and I kicked the gun out of his hand and the rest of the crew got in

Alia "let's kill this one and finish off this shit"

Me " we'll kill him but not instantly, we'll keep him in the torture room, I'll torture till Christ returns and then I'll kill him"

Pam" Lee"

Me" what I mean is that I want him to burn with acid,so I'll be coming here everyday,to burn his body parts slowly before finishing him off"

And we took him to the torture room

Me" well let's start with the dick"

Pam"he'll die"

Me" that's the whole point"

Alia"the avenger has spoken"

I took some pipes and  
connected them to the acid  
tank

Alia"what's that for"

Me"I want the acid to slowly  
sprinkle him till he.....you  
know"

Pam" this is too much"

And I striped him naked, tied  
him on a chair and and

dipped his dick in acid and  
then opened the sprinklers  
and we left for my house and  
slept there

\*The following morning\*

We finished preparing for our  
mini celebration and we  
poured ourselves some  
champagne

Alia"before I make the toast,

this revenge shit is over,  
LeeKay and Priscilla ,I want  
my babies back not these  
bad bitches looking at me  
right now

"You're now sounding like my  
mom"

Priscilla and I said at the  
same time and we laughed

Alia"allow me to make a  
toast.....to and new life!"

**\*TO A NEW LIFE!!!!\***
