I was leaving for university as I will be staying at Res. I was so excited to leave home 😊 the reason I was excited to leave home was my grandparents were too strict and over-protective when it comes to me, I was always indoors even when I wanted to visit my friends they'd refuse. Well that's how dull my life was, but now that has changed because I'm leaving this prison house in a few hours. 🚶

It was Sunday morning and I was still in my room, thinking how exciting my life is going to be when I leave this house, well I managed to get out of my bed and I went to shower and I did all the necessary stuff and I decided to wear a maroon maxi dress with my white see-through shirt and my white sandals, I was so cute. Well I had really long thin braids so I tied them into a lazy bun. I headed to the kitchen and I found my grandmother preparing breakfast for me and my grandfather.

Me: Hello baby girl'e! 😊 (I said that sitting on the stool)

Granny: Dumela, o tsogile yang? (Hello, how are you?)

Me: Sharp fela wena? (I'm fine and you?)

Gran: Le nna. (Me too)

Me: Ontso dirang daar? (What are you doing)

Gran: Ntse ke pheha mahe, plus tsamo bitsa 'Pa atlo ja. (I'm doing some eggs, plus go and call your grandfather)

Me: Okay. (I went outside and I called for my grandfather's name) 'Pa weeeeeeh!

Grandf: Heh? (What?)

Me: Tloho! (Come!) (I went inside the house)

Me to Gran: Watla. (He's coming)

Gran: I hope o pack'ile alles ya gago. (I hope you packed everything)

Me: Eyaa ke pack'ile alles, hak' kgolwe fore le ntumelletse ke tsamaye (Yess I did, I can't believed you guys agreed) , freedom at last. (I mumbled the last time)

My grandfather came into the kitchen and we all ate. My grandmother prepared Bacon, mini viennas, scrambled eggs and toasted bread. The food simply did the moonwalk dance on my tongue to my stomach.

We sat there chatting about random things and before we knew it was time for me to leave. We were all sad now but I had to leave. And we hopped into my grandfather's VW GTI (Golf 5) and we headed to UFS. We got there and we settled in, as they were about to leave they gave me R2 500 my heart just started to do the slyza tsotsi dance, I thanked them then they left. I went to my room and I started to unpack half of my clothes, I got tired and I decided to take a stroll at the campus. While I was taking a walk, I saw someone at the corner.

Me: Daai man oo kamo itsii man (I know that guy) (I said to myself)

I had a bad feeling about that person, I could feel it in my bones. As I walked closer, I saw the person I never wanted to see in my life. 💔

It was my ex, Ashley. 💔 I could feel my heart breaking and tears formed in my eyes and all the flashbacks came. My knees felt weak but I couldn't let them fail me because I had to disappear so that he won't see me. I turned and I walked so fast to my room, I got in and I saw Suitcases in the kitchen. "My roommate must be here" I said to myself.

I went to knock at her door and there was no response, I gave up and I went to my room and I threw myself on the bed and I slept.

- The next morning.

I woke up with yesterday's clothes, my eyes felt heavy but I managed to open them. I went to take a shower and I wore comfortable clothes. I went to buy myself something to eat, I bought Fried Chips and Russian man I was a fan of Junk Food. I took a stroll to my room and I realized that Ashley was standing with a girl, I asked myself who that girl was but I let that slide. I got to my room and my roommate was finally out of her room. I greeted.

Me: Hey, you're finally out of your room.

Her: \*chuckles, flashing a Colgate smile at

me\* Hey, sorry earlier on I was with my boyfriend. My name is Thato Moiloa and you are?

Me: My name is Kamogelo Peterson. I totally understand. He must be a lucky guy, you're very pretty. (She was a yellow bone with nice hazel brown eyes and her body was to die for. Medium hips and a bright future behind her)

Her: Ahh, says the beaut' herself (I had a caramel skin tone with brown eyes, My body: Small hips with a little future behind me but I liked my body because I'm portable 😊)

Me: Haha thank you.

Her: My boyfriend is going to swing by later on and I'd like you to meet him.

Me: Ahh, I don't want to disturb you guys, I'll ..... (She interrupted me)

Her: Nonsense! He's going to bring his friends and I can't chill with two guys

Me: Eish, okay!

Her: Oh thank you! Let's go buy some snacks!

Later on.

Someone knocked on the door.

Thato: I'll get it! It must be them.

I was on the kitchen counter, busy pouring juice in 4 long glasses. I heard Thato scream as soon she saw her boyfriend and I chuckled.

They came in the room, and when I turned to give them their juice, I was shocked, eyes popped out 😱 and I dropped the glasses on the floor. They startled!

It was ....

It was him, Ashley. Wait is he the boyfriend?  
I was broken. Tears started forming in my  
eyes and I couldn't let them fall. 💔

Me: Eish, ke clumsy fore! Askies bafethu!  
(Eish I'm so clumsy! Sorry guys)

I tried fetching the broom forgetting there  
were glasses on the floor and one pierced  
through the flesh of my foot.

Me: Ichuuuuuuuuuuuu! (I was now angry, the  
pain that I was feeling on my foot was  
nothing compared to what I was feeling  
inside) Thato bring me the broom.

Her: No! Can't you see you've hurt your foot  
Kamogelo. Ashley and I will clean up! Go fix

your foot.

I had to act like I never knew Ashley, so I had to go greet him and apologize.

Me: Hi, I trust that you're the guy who makes my roomie blush when she talks about you. Sorry for the mess I did, I don't know where my mind at.

Ashley: Ahh, no need to apologize. I completely understand.

And I looked at him with sad eyes, my eyes questioning him "why are you hurting me like this?" I think he noticed that so he looked away.

I went to my room, limping. I cleaned my wound. And I went to sleep because I was emotionally and physically tired.

After what seemed like 4 hours, I finally

woke up. And I went to the kitchen to get some water and I joined my roomie on the couch, she was watching Generations the Legacy. I started apologizing about what happened.

Me: Roomie, I'm sorry about today. I don't know what happened le nna.

Her: Go sharp baby girl. (It's okay baby girl) How's the foot?

Me: Le sharp fela, hale sa pain'a thata. (It's okay, it is not paining like before)

We watched Uzalo and Ayanda appeared on the screen. Thato screamed.

Me: Keng jwale? (What now?)

Her: Chommie look at him hle, o yummy fore.

😊(My friend look at him, he's so yummy) I'm burning. 🔥

Me: Ahh hle my friend, ekare s'tlatla daai man. 😊

Her: Ketlao gama wena. (I'll strangle you)

And Mastermind appeared on the screen and I fan myself with my hand.

Me: Whooo Mastermind ong ketsang mare ngwana toweeee. (Oh Mastermind, what are you doing to me Child) 😊 OHMAIGOT! You make me neivas tthe.

Her: \*laughed so hard\* Neivas? 😊 wa boraaa hle. (You're so boring)

Me: Sang tsenya boshula tthe Ma' Ayanda.

Her \*blushing\* Whoo Mrs Mastermind. Let's sleep, tomorrow is a big day for us.

Me: Yess it is!

We went to sleep. Though it was a battle for

me to sleep, after a while I managed.

It was a beautiful morning, today we were finally going to be taught, I was so excited! I woke up and I started cleaning the room. After that I went to shower.

I lotioned my body and I went to look for today's outfit, after a while I found it. I decided to wear a white tank top and my camouflage skinny jeans and my Adidas

Superstar sneaks. I was flaming. 😊🔥 and I put on my camouflage cap, I was a soldier today. I went out of my room and I found my roomie all flied up too. She wore a peach summer dress and with gladiators and a nice

peach hat.

Me: Chezaaa Bazala man. 😊 If Ayanda was here, he'd be drooling all over you. 😁

Her: Wa boraaa hleee. Wena oya ko bosholeng hao apere yalo, ke maka friend o montle Vuil.

😊 (You're so boring, and you look like you're going to a army dressed like that. I'm kidding, you look beautiful my friend)

Me: Ke tla o gama! Hare tsamaya plus retla ja ha class etswa. (I'll strangle you! Let's go, we'll eat after class)

Her: Vroeg yana? Class e qala ka 11:00 ene ke 10:30. (This early? It's only 10:30 and our class starts at 11:00)

Me: Don't forget I'm limping here. A re tsamaye. (Let's go)

We walked to the class together, enjoying each other's company. And we got to our first class since we both doing the same course, we were 5 minutes late and the class has already started. As soon we got in, all eyes were on us. We were busy looking for seats and the available seats were at front. And we had to catwalk to our seats. And some guys starting whistling. We just laughed.

After class, we went to the cafeteria and we went to Steers and we ordered. While we waiting for our order, guess who came. Ashley, my mood just went from 100 to -1 but I had fake a smile. And I heard Thato laugh.

Me and Ashley: Keng wena? (What?)

Her: Le bone le rwetse di'cap tse tshwanang. Ene le buile ka nako e tshwanang. Keng le iplelletse? (You guys have the same cap on

and you just spoke at the same time. Did you plan this?)

Me: Hee tthe re iplella jwang mare wena  
Thato, satlo hlanya. (No, how can we plan  
this? You're crazy)

Her: Let me go and get our order. Baby? Your  
favorite moes?

Him: You know me too well baby girl.

Me: Tloko khape. (Let me go with you)

Her: Your foot remember? Dula fatshe. (Sit  
down)

She left and I was all left with Ashley.  
Awkward! I looked at my phone. He finally  
broke the ice.

Him: For how long are you going to ignore me?

Me: ....

Him: I said I'm sorry Kamo ...

Me: (I cut him short) Wa e tseba sorry? Sa batla go mbora Ashley! (Do you know what sorry means? Don't bore me Ashley!) (I raised my voice, I was really irritated by him but I managed to calm down) You broke me and all you had to say is sorry? Your sorry's can't fix me. So please kopa ong siye kaa kgotso. (Leave me alone in peace please )

Thato came.

Me: You're such an angel, Ashley was just asking me to give him the permission to take you away from me for a few hours. Right? (I looked at Ashley, waiting for his response)

Him: (He scratched his head) Um.. yesss! So are you agreeing?

Me: Yess, you may take her but I want her

before Uzalo starts. (We all chuckled)

Her: Are you sure you will be okay babe?

Me: Yess baby girl, go already!

They left, and I was alone enjoying my burger.

And suddenly I heard "What is a beautiful lady doing here all by herself" and I turned to see who it was and I saw .....

It was Lebogang, he was my crush. I started crushing on him last year. I started drooling all over him, I finally came to planet Earth when he snapped his fingers.

Me: Lebogang? Hi 😊

Him: Hey.

Me: How did you see me?

Him: I was actually passing by and I saw you shouting at some guy. And I saw them leave so here am I.

Me: Oh that! How are you anyway?

Him: Now that I'm with you I'm super good.

Me: (I giggled) Mr Lebogang Collins are you just saying that just to make happy.

Him: (He chuckled) Oh no, madam. But I'm glad to hear that I make you happy.

Me: Hehe, such formality though. I have to go.

Him: But we just met. Where are you going?

Me: To my room.

Him: Okay let me walk you.

We got up and we went to some shop and get some snacks and chocolates. And we left. He then noticed that I was limping.

Him: Why are you limping?

Me: Nothing big, ke hlabuwe ke galase. (A glass went thru my foot)

Him: Askies baby girl.

We got to my room.

Me: Wanna come in?

Him: Yess please.

Me: Let's watch a movie.

Him: Great idea.

Me: Let me go and change into comfortable clothes.

I took my sneaks and my jean, and I wore my sweatpants and my sleepers. And I went to

the living room, finding Lebogang setting some snacks for us. And we decided to watch "I'm in love with a church girl" what a wonderful movie. There I was lying on his chest and I eventually fell asleep.

After an hour:

We were woken up by Thato and Ashley.

Me: What time is it? (I was rubbing my eyes)

Tay: It's 18H30 babe.

Lebogang: I guess I have to go, Thank you for a great day babe.

Me: I'll walk you out then.

Thato spanked my ass and laughed, I give her the "really?" look. And I walked Lepz out.

Me: Thank for spending the day with me.

Lepz: No, thank you. We'll chat on whatsapp

geh

We shared a hug and he kissed my cheek

Me: Byee.

I was sad that he had to leave, I went inside. I saw Ashley and Tay on the couch. She jumped as soon as she saw me.

Tay: Spill! Everything! You can leave now, byeeeee babe. 😬

Ashley left.

Me: He's just a friend babe. 😊

Tay: Look here \*she showed me a picture of me and Lepz sleeping\* He's just a friend?

Me: You're so sneaky! Okay I had a crush on him since last year. And he came to me when you guys left. And we decided to watch a movie, nothing happened.

Tay: Ahhhhhhhhhhhhh! He is so fine chommie yaka.

Let me describe him for you guys:

His name: Lebogang Collins

He's a second year student at UFS, He's light skinned and very handsome he has black eyes. He's not too skinny and not that well-built. He has a gold tooth.

Back to the story.

Me: Way way too fine. 😊

I got a text on whatsapp, it was Lepz. I viewed his profile and I was on his profile picture, I couldn't recognize the picture but it seems like it was taken today when we were watching the movie. His whatsapp :

Thank you for a great day Angel. ❤️

I blushed after seeing that 🙈 and we talked for so long and I eventually fell asleep.

2 weeks later.

Life here on campus was lit, with the friend that I have everything is alright.

Lebogang and I were getting closer, but we were just friends I guess. We'd go to late night dates or take a stroll around campus at night or have picnic at the zoo. Friends do that right.

Me and Ashley, we still don't get along that well and not telling uMa' Ayanda is killing me, but I have to tell someday.

It was a Friday night, me and my bestie decided to go Topaz Lounge for a girls night out with my cousin and some of friends.

Me: It's going down tonight baby girl.

Bestie: Lit is what is going to be tonight.

Me: And we still haven't chose our outfits for tonight, Lit is what I want us to be.

We went into our rooms to look for our outfits and I came across a white skinny jean, white tee and my maroon blazer. And my white short strap heels. Perfect! I went take a shower and I did all the necessary stuff, man I look godly. I applied some make-up and I put on a maroon lipstick to finish up the look. I quicky grabbed my phone and my clutch and I went out of my room.

My girl on the other hand was flaming like for

real! She had a nude dress hugging her beautiful body and a white blazer and her short nude gladiator heels.

Me: Girlfraaaaaand! 😊

Her: Wife'bian. 😊

Me: Girl you're on some on other level.

Her: Argh you kid right? Look at you! Shay iturn around for me.

I did so. And she started whistling. We laughed.

Me: The meter cab is here

Her: Great! Let the litness begin. 🙌

We went to the cab and it took us to Topaz Lounge. Such perfection. We got there and we found our friends that's when we started downing some drinks. And the DJ decided to

play "Slyza Tsotsi", gosh me and my bestie went to the dancefloor and we did our thing, and people started joining and the DJ played "Sister Bethina" I just lost my mind because I loved the song, me and squad went to the dancefloor, doing all sorts of dance all eyes were on us now and I enjoyed the attention, I even took off my heels. 😊 I decided to go to the toilet with my cousin Tshegofatso but I call her "Marquise Diamond" and she calls me "Turquoise Sea". And we both got these names in our favorite songs, crazy and cute at the same time? I knooooooowwwww! 😊😊

And I heard someone say "Ausi Kamogelo Peterson, we meet again" and I turned to see who it was and it was .....

It was the bitch herself, Tidimalo Motlhale.

☹️ My mood just went from 100 to 0 real quick.

Me: Oh yes baby girl, how have you been? Still bitchy I see.

Tidi: Ahhh you can call me all sorts of name but the fact remains that I fucked with your loving ex boyfriend. Did he tell you how great it was?

Me: \*laughs\* He doesn't have to tell me because you brag about whenever you see me. Look here you little slut, I'm not afraid to fuck up your face here in public where everybody will see you, don't try me baby girl. I'll fuck you up real hard, fix your life baby girl, you need God in your life so please excuse

me I need to pee.

And I left her there, all embarrassed. I got to the toilet and I peed. I went to the mirror and fixed my make up and my lipstick. I went back to my girls.

Bestie: Bitch where have you been?

Me: I met with someone from my past and I had a little chat with them.

Bestie: Can we go to another place, the girls agreed to go.

Me: I know just a place, let's call a meter cab then.

We danced a little and the cab came. I told the guy to take us to a place called "The Thoughts" at Sports. We got there and they let us in. We drank like nobody's business, after what seems like 3 hours we all went to

our places. Me and my bestie got to our place at 04:30, the way we were so sloshed we slept in our clothes.

Next day

My phone woke me, it was ringing non-stop. I angrily answered it.

Me: Some of us are trying to sleep here!

And I dropped the call. It rang again, I was fuming.

Me: WHAT?!

Caller: Hey don't bite my head off. (It was Lebogang)

Me: O batlang Lebogang? Ke batla go robala.

Lepz: Ka nako ee? It's 2 O'clock in the afternoon.

Me: Sa batla go mbora tlhe Lebogang. I

dropped the call.

I was trying to get to my sleep but something disturbed me, there was a knock on the door.

Me: Go away!

But they continued knocking. I had to get up and go open the door, yoh it was a struggle for me, my head was pounding. I fetched a blanket in the room and I covered Tay since the dress was too revealing. I went to open up and I found Lebogang standing, and I found my hand fanning myself, he was on some other and me on the other was terrible.

Lepz: Whoa, you look terrible.

Me: Oh thank you, how sweet of you saying that.

Lepz: Sorry, you smell like a brewery, looks like

you girls had blast last night.

Me: Yes we did, can I go back to my sleeping.

Lepz: I'll let you sleep if you agree to go with me to the movies.

Me: Okay I will, now byeee.

Before he could respond, I quickly got into the house and slammed the door. I woke Tay up so that we can shower and wear comfortable clothes. And we decided to go to Mimosa Mall and watch the movie "Tell me something sweet" what a beautiful movie and we went to our room and slept.

It was one beautiful Sunday morning, and me and my bestie decided to go to church at CRC.

I went to shower and did all the necessary stuff. I stood in front of my wardrobe, trying to figure outside what to wear. After a while, I decided to wear my black tank top and a boyfriend jean with a blue blazer and black strapped heels. I applied make-up on and a ruby woo MAC lipstick. I looked at myself at the mirror, man I was on point. I went out of the room and I found gal on flames, she wore a black skinny jean and a black top and a nude blazer with black heels. 🔥

We took some photos and we put them in every social media we had. And we went to church, the Word of God was so powerful it had me jumping up and down praising him with all that I have.

After church:

Tay: My friend, you sure can pray tthe.

Me: Stop lying Chommie.

Tay: Why would I lie with something like that mara.

Me: Tlowaa, let's go to Mac Dees plus. Ke lapile forre.

We went to Mac Donald's at Loch Logan Mall, we had our late lunch which was chilled. And we decided to go to iStore, once we got there we took so much selfies and we wanted to post one on Facebook, sadly they caught us trying to log in and they chased us out of the store.

Me: Our beautiful selfies. 💔😞

Tay: You should've seen your face when that lady caught you, priceless. 😂😂

Me: Sebono sa hao outlwa, I almost peed myself and you outchea laughing at me. You're

no longer my friend.

Tay: Askies M'zala! 😊

We took a cab back to our room, and we started studying since we have a test. And we eventually fell asleep while studying.

After what seem like an hour, someone knocked on the door. I got up to go and open. And it was him.

It was Ashley holding a big teddy bear and for a sec I thought it was for me and then I realized that it was for Tay.

I was so jealous and hurt, to think that he never done such for me when we were dating.

All he ever bring was heartaches and pain. I was torn inside, my soul was broken again. I had a fake smile on my face.

Me: I believe that teddy bear belongs to my wife.

Ash: Yes, it does. Where is she anyway?

Me: Oh she's sleeping.

Ash: Maybe I'll swing by later

Me: Or you can stay here and wait for her?

Ash: If that's cool with you then sure case.

Me: Would you like some juice? Water? Or maybe tea?

Ash: Juice will be just fine.

I poured and handed him the juice.

Ash: Thank you lady. Um Kay?

Me: Yeah?

Ash: Thank you for not telling Tay.

Me: Oh no problem. But she still has to know what went down between us you know?

Ash: And I'll do that, and I'm sorry Kay.

Me: Eish Ash, I really want to forgive, I really do but it ain't that easy. You broke me Ashley, I cried for you every night, begging to God to bring you back to me but He never did. It won't be that easy.

Ash: ....

Me: Forgiving you won't be that easy.

I said that going to my room and I decided to pay Lepz a visit. I had my black tee and a 3 quarter jean and my black all stars. And I put on a random black cap. I went out of my room and I found my friend on top of Ashley,

kissing him.

Me: Yoh my eyes! They hurt so bad.

Tay and Ashley giggled.

Me: Please don't make babies, I'm so not ready to be a aunt.

Tay: Babies for who? For why? Nah fam

I started touching them, he could see that I was fascinated by his arms.

Me: Oh you're so perfect for me.

Lepz: You're perfect for me babe.

Okay what just happened!

Me: Um.. I..I..I have..have to um go. I'll see you tomorrow.

Lepz: Relax, tloko khape.

I was hesitant at first but I finally agreed.

Lepz: Why are you always like this?

Me: Like what dudee? \*I knew what he was talking, but I just had to play dumb so that we can change the topic\*

Lepz: Argh! Never mind!

Me: O...kay! Can I jog with you tomorrow morning? I need my flat tummy back!

Lepz: Okay

Me: Thank you!

He walked me to my flat, and we talked about random stuff and we shared a laugh. We hugged and we said our goodbyes.

I got to my room and I told my best friend, everything that has happened. From the start to the finish. Guess what she did? Yup

she laughed at me so hard. I even left her laughing because she was starting to annoy me so I wore my Pjs and I went to sleep.

Next day:

I woke up early in the morning, and I went to take a quick shower since I'm going to jog with Lebogang. I've never been so excited to go for a jog and I hate to exercise.

I quickly lotioned myself and I wore my nike tracksuits with my airmax. And I put on my nike cap. I got a text from him telling me that he's waiting for me outside. I quickly grabbed my towel and sports bottle and ran out of the room and I found him there.

Me: Hey, can we just walk today, my feet are failing me today.

Lepz: I knew it you were going to say that,

that's why we are walking from here to Loch Logan Mall.

Me: Yoh Lebogang, and from Loch Logan to here? You're killing me here dude.

Lepz: No silly, we'll grab breakfast there and wait for my cousin to fetch us.

Me: Thank God! Let's go then.

We walked there for 2 long hours and we had breakfast at Spur. It was fun having him around, we started to window shop because his cousin was busy with something. And he finally came, his name was Reaboka. He was a fine dude but not as fine as Lebogang.

We went to my flat and I opened the door and I saw ....

And it was my mom, the way I was so excited to see my woman, it's been a while shame.

Me: Momma bae!

Mom: Daughter bae!

And we burst into laughter. The way I was so happy I even forgot about Lebogang.

Me to Mom: Okay, this my friend Lebogang Collins.

Me to Lepz: This my mom, Queen Elizabeth the 100th. 😊

They shook hands. And mom gave me a naughty look, I just laughed at her. I told them I needed a shower and I didn't wait for their response, I just went. After showering, I found my mom talking to my

best friend and I realized Lebogang was not there.

Me: Where is Lebogang?

Mom: He told me he needed to go to his class so tell me is he your boyfriend?

Me: Hee hlee Mme Motswadi.

Mom: He seems like a nice boyfriend, the way he looks at you it's cute.

Tay: Please talk to your daughter, I told her that like a million times but she doesn't listen.

Me: Eish it's complicated.

Mom: You know you need to let go of that boy my child, (She was talking about Ashley.)

Me: (I snapped) Mom! Please leave me alone ankere I told I don't wanna date so let me

be single!

Mom: I guess it's time for me to go.

Me: It is!

Tay: Haibo Chommie.

Mom to Tay: Nice to meet you my baby (They hugged)

Me: Byee (I said that going to my room)

I grabbed my phone, I got on Whatsapp and I texted Ashley.

Me: We have to tell her Ashley, before she finds out herself.

Ash: No Kay, please!

Me: Don't dare call me "Kay", you know I hated that name since that day.

Ash: I said I'm sorry moes.

Me: You've been singing the same song and it's kinda getting boring. Stop apologizing! Who said I need your apologies?

Ash: Askies ntwana!

Me: You know what? To hell with you! I'm going to tell her today!

I logged out of Whatsapp. I went to join my friend on the couch.

Tay: Fraand o sharp? The way you snapped at your mother today, I was worried about you.

Me: Ke sharp my fraaand.

Tay: It seems you had a rough break up.

Me: Yess I did.

Tay: Askies fraaaand.

She hugged me and my tears couldn't help

but roll down my cheeks. Believe me when I said I was crying a river and I pulled myself up and told Tay what happened.

Me: We were so in love my friend, we were like Romeo & Juliet (We giggled) We loved each other so much, and we were tight like monwana le lenala. I'd always come up with excuse to my grandparents just to go see him. The first year of our love affair was bliss. After our 1st year together, things were a bit shaky and he'd come up with excuses when we had to meet but I understood. One day I went to school and a girl came to me to brag to me how he fucked her good but I never taken her seriously because I simply told myself that he loves me he'd never do that to me. And he carried on with his strange behavior and we were approaching our 2nd

year together and he told me, he planned something big for us. I was so excited, I simply told myself that my boyfriend is back. And 2nd Anniversary came and I told my grandparents I'm going to my mom and I told my mom I was sleeping over at my friend for the weekend. Ashley took me at this beautiful lodge outside Bloemfontein, when we got there, there was rose petals everywhere, it was so romantic. The night came, he wanted to sleep with me but I couldn't, I wasn't ready so he understood. The next night he asked me again, but I couldn't do it again I felt uncomfortable and he got angry! And he went to put on his clothes but when he was about to leave, I stopped him, I told him I was ready even though I wasn't. We did and it was painful and rough, he was never gentle with me.

After our intimacy, I told him that I love him but he never responded. Months after what happened he started to act strange again a lot of girls would come to me and threaten me to leave him alone (tears formed again) and there was this other day, when I asked the teacher to go to the toilet because I got a text from him telling me to go to the toilet, I went there with a huge smile on my face, when I got there I saw him kissing another girl, I attempted to go to confront him but somebody pulled my hand and pulled me to the toilet, it was ...

Sorry you guys, I've been busy with school so you guys have to bear with me okay. I apologize for disappearing like that.

Insert 11 (Continuation)

Me: ....it was her friends, the girl that was kissing my boyfriend's friends. I wanted to walk out the toilet but they blocked the door, and I saw one with his phone and I told myself that she's the one who texted me. They slapped me, I was willing to fight and I did. But they came too strong and attacked me, they started .... (My voice started breaking but I continued anyway) They started kicking me and doing all sorts of stuff to me and they ran out of the toilet, even though it was difficult of me to stand up I eventually did. I went out of the toilet and they started laughing at me and my boyfriend was included, I looked at him with sorry eyes but he continued what he did anyway. The bell rang and I went to tell the principal that I was sick and let me go home. My grandparents asked me why I had a blue

eye, I told them I ran into a pole. School was a horrible place for me, I was emotionally and physically hurt and tired, I'd cut my wrists hoping to die, I'd cry myself to sleep and I'd ask God why did He let this happen to me. One day, I got my revenge back, I fought them one by one and it felt so great and I saved the best for last, I beat his little whore into a pulp and I told her not call the police on me because I'm going to do it again and again and ..

Tay and me: AGAIN! (We laughed)

Me: (I continued) but he was not pleased at all so he came and he beat me up. I couldn't believe it, he chose her over me, I was shattered. I wanted to die so I drank sleeping pills but unfortunately my plan didn't go well. So I self-harmed myself to distract

myself. It was one horrible love affair.

Tay: (Crying) You went through a lot my babe, I'm so sorry.

Me: I really want to forget about this whole horrible relationship but I can't because it haunts me every night, I have to drug myself every night so that I can sleep but it doesn't help anyway because I have nightmares almost every night.

Tay: Pray for it babe, prayer always . . . (I cut her short)

Me: I've been praying for 4 fucking years, but God hasn't answered my prayers, why? What did I do to suffer like this?

Tay: God is busy working out something for you, be patient my love.

Me: And I remember when I saw him ... (She

cut me short)

Tay: What? Where?

Me: \*sigh\* Here at campus even here in our flat.

Tay: The fuck did he want? Please don't tell me it's Lebogang because if it is him I'm going to cut his balls.

Me: I don't know how to say but his name is ....

Ashley walked in. He could see that I told her because our eyes was so red from all the crying.

Ash: It was me! I'm the guy.

Tay looked me waiting for my confirmation, but I looked down and I heard her laugh.

Tay: Very funny you guys, I'm not buying this.

Okay you got me there

And she stopped laughing because she saw we were dead serious, not even a smile was coming out of our mouths and the room immediately turned cold.

Tay: Was Ashley your ex-boyfriend? Is he the guy that abused you physically and emotionally? Is he?

I looked down and I nodded, answering her questions. And she looked at Ashley with cold eyes not uttering a word. Her eyes looked glassy, full of tears and she finally spoke.

Tay: Ashley?

Ash: Yesss, I'm the guy!

Tay: Why? She has gone through hell because of you. 😞

Me: But look on the bright side, he loves you, he truly does. He even changed, you changed him and I don't think he'd ever do that to you babe.

Tay to Ash: Are you going to answer me? And when were you planning to tell me? (She turned to me) Oh that explains it all, the glass breaking, you walked on a glass. You were terrified! You poor thing! I brought a monster in your life again, I'm sorry babe!

Me: Don't be! That happened ages ago. Please don't break up with him, he truly loves you

Tay: What if he does the same thing again? I don't want to go through that. Yesss I

love him but this is too much. (She turned to Ashley) Please get out, we never want to see you here again.

Me: Haa Tay, you're not thinking straight, don't!

3 months later.

Me and my best friends were so close, when I thought that the story of my horrible break up would break us but no, it made us stronger than before. We even got matching necklaces, mine had the letter "T" and hers had the letter "K". Cute right? I know!

Tay hasn't spoken to Ashley, and I felt bad about it because it looked like I was only looking out for myself and not for my best friend and Ashley. And I could see that my friend was horrible without her love of her

life and I heard that Ashley was not his self, he'd go to school smelling like a brewery. I had to do something real quick to get them together.

Me and Lebogang were just friends, nothing more but friends. I tried letting him in my life and play a role of being my boyfriend but I just couldn't. I was not ready and I don't think I'll ever be ready, it's so unfair that I have to push every boy that likes me just because of what Ashley did to me and I feel like I have to let go of the past but it still haunts me at night. I haven't told Lebogang about the rough relationship and break up that I had but he has to know because he's also confused of why am I so pushy.

One Saturday afternoon, I went to Lebogang's flat to discuss how to get Ashley

and Tay get back together because they are both miserable and I feel bad and I think I'm doing the best thing.

Me: They are so miserable without each other and I have to do something, ASAP!

Him: What went down between those 2 and why do I feel like you're involved in this break up?

Me: Well, baby boy that's a story for another day. So are you willing to help me?

Him: Okay I'm down for whatever.

Me: That's my guy! 😊

Him: So what's your plan?

Me: Set them dinner at Botanical Garden under the beautiful stars.

Him: Mhm nice! So how are you going to bring

them there?

Me: That's a tough one but ketla zama go juta Tay and you mister, have to talk to Ashley's friends forre ba gone go mo juta le bone.

Him: Mission o thata yana Kamogelo, what do I get from this vele?

Me: What do you want wena?

Him: Dinner with you.

Me: . . . Okay then

Him: She agreed! Thank You God!

Me: Like I had a choice anyway. I have to go, we'll discuss our plan tomorrow after church. And please go to church tomorrow!

Him: I'll definitely will, My Lady! (He bowed down)

I laughed to his silliness.

Me: Bye Baby Boy.

We hugged.

Him: Go sharp Baby Girl.

I went to buy some snacks and chocolates to cheer my roomie up. I then went back to our flat and I set a movie for us, a comedy movie because romantic movies would make her cry so hard. But I managed to cheer her up. Until she changed the subject.

Her: Do you still love Ashley?

It was so awkward that we were having a conversation about my past life with Ashley.

Me: I did love him but now, no.

Her: Okay, so why did you act like that when you saw him, dropping the glasses, get

yourself stabbed by a glass on your foot and yet you acted like you never knew him? Why?

Me: It's been years since I've ever seen Ashley, because I changed schools so I was terrified to see him again and all the flashbacks came back, all of them so that's why I did all that. I acted like I never knew him because I didn't want you to get involved in our feud, Sorry babe.

After that we went to sleep.

It was a wonderful Sunday morning and I was hungry for today's sermon. I got up from my bed and I made it and cleaned my room. I went to look for today's outfit, and I

chose a royal blue blazer, a black body hugging dress and blue short heels, I ironed my outfit.

I went to take a shower and do all the necessary stuff, I wore my clothes and applied a red lipstick. I hurried to my drawer and put on some gold accessories to finish up the look. I looked fine. 🕯️ I quickly grabbed my black bag and cellphone and I ran to open the door, when I did, I froze.

It was Lebogang, looking fine as ever. I could feel my knees were getting weak. He had a dark blue blazer, a blue jean and black formal shoes. He was on some other. 🕯️ 👍

Me: Hey, what are you doing here?

Him: I believe I'm here to fetch you since we're going to the same church.

Me: Oh! Let's go then.

Him: My cousin lend me his car, so I'll drive us there.

Me: Do you even have a license?

He just laughed.

Him: Let's go, we're getting late.

We left for church.

Lebogang's POV

As soon as I saw her when she opened that door, I saw heaven on earth. She was so beautiful, I was getting all heated up, the way that dress hugged her beautiful tiny body. Lord have mercy! Everything about this girl was fascinating but I couldn't figure her out since she is so secretive about her past. But I tried to search all the answers in her eyes but nothing.

I drove us to church at CRC, and we found

ourselves seats, and the sermon started. I could see the way she was hungry for today's Word of God because she was listening attentively. Not only is she smart or beautiful, but she loves God too, this girl you guys! 😊 The pastor asked us to stand up and pray, I prayed for only one thing, I prayed that God makes Kamogelo Peterson mine. I finished my little prayer, and I saw that Kamo was still praying, she started praying in tongues, this girl was something else. I found myself admiring how she was praying.

After church, we went to grab some late lunch at Spur at Mimosa Mall. After that, we went to play some games, we got so many tickets, we decided to take them to the prize table and we got a medium-sized teddy bear and I gave to her, seeing her happy brought

joy in my life. 😊

Kamogelo's POV

I really had a fantastic day with Lebogang, what a friend I have! 😊 I've never laughed so hard, he really managed to get me all jollied up. I enjoyed every moment I had with him, he drove me back to my flat, I thanked him for a great day and he drove off. When I got to my room I took off my clothes and I wore my sweatpants with sleepers and while I was looking for my shirt, I realized that I haven't seen Thato all day long, maybe she's still with her mom. I went back to looking for my white oversized shirt, I heard someone knock and I thought it was Thato, so I went to open the door shirtless but I was wearing a bra, when I opened it was Ashley. I quickly covered my bra with my arms.

Ash: No need to cover that up, I've seen those so many times. Still pretty I see.

Me: Fxck you, you pervert!

I went to my room and wore a black long sleeved shirt. I went to the Kitchen to pour me and Ashley some juice and I gave it to him.

Me: What do you want?

Ash: I want you!

Me: I'm going to ask you again, what do you want? (I was really getting annoyed by him)

Ash: You messed up my relationship with the only girl that I love so I want you!

Me: You've been drinking again? (He nodded)  
That's why you saying all of that stuff, you're not thinking straight. Look everything is going to be alright between you and Thato,

just give it time and stop drinking. Now go home and sleep, I'll try to convince Thato okay.

Ash: Thank you Kay.. I mean Kamo. I'm sorry about all of those things I've said and done to you, no girl deserves what you went through. I know I broke your spirit and your soul (He was crying now) I'm so sorry Kamo! I'm truly sorry!

I could see how sorry he was, those weren't crocodile tears, they were real tears

Me: I forgive you Ashley.

His eyes popped out and the door opened, it was .....

## Ashley's POV

My life has been a mess since me and my baby haven't spoken to each other. Without her I'm nothing because she's my life support and without my life support I cannot function well. I really don't blame Kamo for telling Thato, because she would've found out sooner or later. Kamo was pretty strong for opening up to Thato, I know she's her best friend but it was difficult for her to open up to her own mother.

I really treated her badly, and I regret doing all those kind of stuff to her, I guess popularity comes with bad consequences. No girl deserves to go through all that, especially her since she was the sweetest girl I know.

We haven't talked to each other since she

changed school and the day we first met in her flat was a disaster. I've never seen her so terrified, yess terrified by me. I've made her suicidal, I wonder if her parents know that they have a suicidal daughter. I'm not proud of what I did to her, not at all. She didn't deserve any of that.

I apologized to her, multiple times but she didn't come through. I was at a tarven, drinking like there's no tomorrow. And suddenly flashbacks came, flashbacks of the day Kamo told Tay about our past. I still remember how she looked at me, she was so disgusted. She looked me with cold eyes, I could feel her eyes piercing through my heart and breaking it into a million pieces with one cold look. And sweet Kamo, tried convincing her that I've changed and she has never seen

this side of me before but she wouldn't barge. Oh God bless Kamo for trying to convince Tay, she has a golden heart indeed. So I decided to pay Kamo a visit to apologize once again, I went to knock on the door and she opened, my jaw dropped she was topless, she had a bra on. For some point I was turned on by her small breastless inside that black lace bra. And she covered her boobs with her arms. She ran to her room and came back wearing a black long sleeved shirt and I realized that she was hiding scars on her arms and my heart felt heavy because I was the reason behind those marked arms. I started apologizing to her and it came deep from my heart because I was crying like for real. I knew that she'll never forgive but I just wanted her to see how sorry I am indeed to have treated her that way, suddenly my past

life flashed right in my eyes, the way I treated her it broke me seriously and I remembered how she tried to end her life because of me, tears rolled on my cheeks uncontrollably. And there she was looking at me with sorry eyes, I guess she never thought she'd see this side of me because I told her before that men don't cry but I couldn't care less about that stupid phrase, right now it meant nothing. While I was sobbing, I heard her say that she forgives me. My eyes popped out, I couldn't believe what I've just heard, I was out there waiting for someone to pop out the rooms saying all this is a prank but nothing. She was dead serious when she said so this means she really forgives me. For 3 years I've been longing to hear those words come straight from her mouth, I never thought that I

could hear the girl that I physically, spiritually and emotionally abused say such words. I was happy, very happy that I was forgiven. In my heart I thanked the Lord for letting Kamo to forgive me but He still hasn't brought my lover back to me. But I'm thankful that managed to get Kamo to forgive me. And when I was to say something the door opened and it was the lover of my life looking beautiful as ever but as soon she saw me her pretty smile fade away, I guess I'm the last person she wants to see.

Tay: O batlang moo wena? You came to harass Kamo gape, don't you think she's had enough of you?

Me: I...Ke neke...Eish Tay munna ... (I was tongue-tied and Kamo decided to jump in)

Kamo: Baby he came to see you, give him a chance torho ...

Tay: Hake batle homo bona hier, haa vaye!  
(She said that going to her room)

Kamo: I think you should leave, I'll try to talk to her.

Me: Okay, wait! Did you really mean it you said you forgive me?

Kamo: Yess I did, I'm tired of holding grudges and you've shown me a side of you that I've longed to see. I really want to let go of the past and focus on the future.

Me: Wow you've grown indeed. Thank you so much, I really don't know how to thank you. Like seriously. (I said that standing up, and heading to the door) Thank you Kay!

Kamo: Don't worry about Tay, she'll come

around, I know that she will.

Me: We'll just have to wait and see about that. Bye.

After that serious talk I had with Kamo, I felt like some weight has been lifted of my shoulders. I really felt great but sad at the same time. The thought of Tay not talking to me was killing me, and I couldn't do anything about it. I'll just have to wait and see what happens. But I'll pray everyday that Tay comes back to me, Damn I love that girl! I'll do anything to get her back and I mean ANYTHING!

2 months later.

Me and Tay have moved out of Res because the space was too small for us two, so we discussed the matter with our parents and they agreed and we went to rent some commune in Brandwag and it was not far from the campus and it was even not that far from Topaz Lounge and Coobah. 😊😊 Our friendship has been nothing but bliss, who knew that a complete stranger would mean this much to me? And as for the holidays, we spent them together with my family. And they loved her as much as I love her. We'd go to shopping, grab some lunch, watch movies at the mall and even go to Windmill with my grandparents just to have some dinner. But you know what broke me? Hearing her cry every night, crying for her loved one, Ashley. I really needed to do something, ASAP!

Lebogang and I were still friends, and our friendship was one of a kind, I tell you. We would act like we're dating, kissing here and there and give people the wrong idea. It was just a beautiful friendship.

It was morning and I had class that starts at 09:00. And I woke up at 07:00. I decided to giving Lebogang a call. And he picked up at the third ring.

Lebo: Morning Cinderella. ♥ (He call me that because I love Cinderella and I had some movies of her on my laptop.)

Me: My Prince Smarming. 😊 (I call him that, and the "Smarming" I just combined the word "Smart" and "Charming")

(He chuckled)

Me: Can we meet after class? And don't you

dare lie to me about having class because I know you don't.

Lebo: This thing of you having a copy of my timetable is unfair because nna I don't.

Me: Great! I'll text you after class geh. Love you! 😊😊

Lebo: The way you love ignoring my questions. Lol byeee baby girl. 😊

I woke up from my bed and made it. And I went bath, after all that I went to look for an outfit. And I just decided to be simple. I wore a white tank top and my blue high-rise jeans with my white all star and my black random cap. And I found Tay getting all ready well she had a white crop top and black high-rise jean with her black Chuck Taylor's. We made ourselves some muesli and we to

rush to campus. After our classes, Tay had to rush to the mall to meet up with an old friend and I told that I'm meeting up with Lebogang.

I decided to wait for him at the cafeteria. And suddenly somebody decided to cover my eyes. I knew it was Lebogang but I had to act dumb.

Me: O mang hlee.

Lebo: Guess'a mahn.

Me: I have no idea who you are.

Lebo: Okay let me give you a hint. I'm handsome and you love me so much.

Me: Oh my God, Zayn Malik?

Lebo: Whaaaaat? Just guess again tog.

Me: Wait a minute! Nasty C baby? But how

did you find me? 😊

Lebo: Mxm, here you go again ka laity lee la gago.

Me: Askies 😊😊 mare otlhotse ong tira yalo le wena so nix ma'kwatelana.

Lebo: Mxm!

Me: Ncaaw Lebo! I love you too! 😊❤️

We ordered food to eat at Steers and we just had some random conversations. And taking pictures here and there. And I finally tell him why I called him here.

Me: Okay, the reason I called you here is that we can talk about that plan.

Lebo: Of me and you dating? 😊😊

Me: Noo dummy! 😞 That dinner at Botanical Gardens for Tay and Ash.

Lebo: Oh that! What about it?

Me: Let's do it next weekend.

Lebo: Whuuu motho abatlo bereka fore. Okay sharp!

Me: Otlare ko ratelang soh. 😊

Lebo: Haii tlogaa.

After our lunch, I went to the commune and I decided to do my assignment. Well I did half of it and I'll do the rest with Tay. While I was laying on my bed, Ashley crossed my mind, I then realized that I haven't seen him at Campus. So I decided to text him on Whatsapp and luckily he was online.

Me: Ash? Hey.

Ash: Hi.

Me: How are you? I haven't seen you at

Campus, ontsoya?

Ash: I'm still enjoying my last days of my holidays ketla ya next week.

Me: But the holidays ended about 2 weeks ago. Why are you doing this to yourself? And you want Tay to forgive you but you not doing anything to impress her, showing a side she has never seen.

Ash: Hey kopa osa ntena m'fethuu. Me and Tay were doing good 'til you came so voetsek!

Me: Boy byeeee! 🤨

Well I know that shouldn't take him serious because he's obviously going through a tough time because of me. So I had to book a spot for those two tomorrow. When I was deep in my thoughts, Tay came through the door. I was happy to see her because she brought

food for me, this girl knows me too well.

Tay: Lend me your phone fast daar.

Me: E tsaye mo plug'ng moo. You know the password moes.

Tay: Whuu kore hao light'a phone hela ke Nasty C. 😞

Me: Heii Ausi, Ke monna wame moes. 😊

And I heard her scream!

Me: Ke boloi ba eng yanong?

Tay: Homescreen! 😍 So beautiful! You! Him! Perfect Match! ❤️

It was a picture of me and Lepz looking at each other apparently he was taking off something on my face but the picture came out very nice. 😊

Tay: Child, you better cuff this nigga or someone else will!

Me: Whoa slow down! What's the rush? I'm still getting to know the nigga.

Tay: Whaaat? Have you seen how the nigga looks at you? Bitch you gon give me grey hairs. Ke tswaaa ho wena mare don't take your sweet time, batlao tsaela yena shame.

Me: Thola o dire assignment m'fethuu.

What Tay just said got me thinking real hard, yeah I like him but I'm not ready yet for a relationship. Well I'll think about that some other time, I had to figure out how I'm going to get to Botanical Gardens tomorrow, and an old friend of mine came in my mind and he owns a car so I gave him a ring.

Him: Well well! Look ke mang a founileng, wait

Ke Christmas already?

Me: 😊 Haa hlee Itu, sang tira yana tuu. Hao bone fore I miss you.

Itu: Cut the sweet talk and get to the point, I know you want something from me.

Me: Mxm ohoo! Can you please take me to Botanical Gardens tomorrow after my class.

Itu: Okay, otlang text'a geh.

Me: Wena! You deserve a kiss on the cheek!

Itu: Mxm oho, o dula ore yalo.

Me: Byeeee!

After the call, I finished my assignment and Tay was doing the same. And I decided to break the silence.

Me: So what would you do if Ashley surprised you with a romantic dinner just for you?

Tay: That would be sweet but I know he won't so yeaah!

Me: You miss him do you?

Tay: You have no idea.

Me: Call him at least, check how he's doing.

Tay: No, he'll get the wrong idea so it's better if I shouldn't.

Me: Haa man Thato, pride won't get you no where. (I quickly grabbed her phone and dialled Ashley's number and he picked up at the 2nd ring)

Him: Baby!

Me: Tshwara jwalo. Tsaya o bue (Me to Tay)

She slowly took the phone from me.

Tay: Hello.

Ash: ....

Tay: Ke sharp, I was just checking up on you.

Ash: .....

Tay: Haa, don't get the wrong idea papa like I said I was just checking up on you.

Ash: ....

Tay: I have an assignment to finish ankere wena hao tsamaye s'kolo.

Ash: .....

Tay: Sharp hlem.

Ash: .....

She let out smile'nyana, I think Ash told her that he loves her. At least progress'nyana was going on.

While I was busy with my assignment, I got a text on whatsapp and it was from Ashley.

Ash: Thank you for forcing Tay to talk to me,

it really felt good indeed. And sorry for being rude to earlier on.

Me: Pleasure man.

After that, I went back to my assignment and when I was almost finished with my assignment, I dozed off.

I was woken up by my phone ringing and it was Itu. And it was 8 A.m. man I was late because my class starts at 9:30 a.m. I told Itu I will call him as soon as I'm finished, I woke Tay up and we both rushed to the bathroom.

I had my olive green jean on and my white t-shirt and my denim jacket on, it was a chilly outside. I just grabbed an apple and we ran to the campus.

We had our classes and we were out about

12:30 and I texted Itu to come and fetch me. He came and we drove to Botanical Gardens and we booked our spot.

Itu took me to Mugg & Bean at Mimosa Mall, and we talked for the longest time until things got awkward.

Itu: Waitsi ntse keo batla le nou.

Me: Hee tlogaa!

Itu: Ke serious joe (he started to lick his lips and took my hand, and kissed it. I was disgusted)

Me: Well nna, hako batle (I said that pulling my hand away from him)

Itu: Whuuu o stingy ka wena fore. Kao rata Kamogelo.

Me: Well nna ke rata motho wame (I said that taking out my phone, showing him a

picture of me and my Prince Smarming) I have to go, it was nice seeing you again (I pulled out R200 note and put it on the table)

I went to Mr Price and look for some winter clothing since it's approaching and I got some for my bestie. When I passed Markhams I saw this beautiful jersey and I thought of Lebogang. I went in and paid for it.

I went to Brandwag to our commune and I found someone waiting for me at the door and it was .....

It was Prince Smarming, my heart just smiled when I saw him. I smiled to him but he didn't return the smile, he looked angry in

some tyra way but he looked so cute. I got to him and I greeted him but he didn't even bother to greet back. O...kayyy strange! Well I brushed the feeling off.

We got into the house and I just put the plastics on top of my bed, and sat down on it to take off my shoes and Lebogang finally spoke.

Me: I was walking around the mall and I saw this beautiful jersey and I thought of you. ♥  
You're welcome! (I said that bowing down well we usually do that)

Lebo: Why do you keep hurting me like this mara?

Me: Hurting you? Haibo, I bought you this beautiful jersey and you ouchea talking about me hurting you? What are you talking about?

Keng you don't like the jersey?

Lebo: KAMO DON'T! (He raised his voice but he managed to calm himself down) Don't you dare play dumb, you know exactly what I'm talking about!

Me: Yoh haike Bhuti, then bring me to the light.

Lebo: The light? I'll sure bring you to the light geh "Cinderella!"

He started searching for something and I just stood there and I was terrified because I've never seen him like this. He finally gave me his phone.

Lebo: Here's your light geh.

It was a picture of me and Itumeleng kissing my hand.

Me: 😊 Where did you get this? It's not what you think Lebogang.

Lebo: Then what it is then? The guy is fucking kissing your hand and why in the fuck did he do it geh? Would you like it if I did that to another girl!

Me: Please calm down and let me explain. (I was so calm)

Lebo: HE WENA! DON'T TELL ME TO CALM DOWN OUTLWA!!

And he said that raising his hand, looked like he wanted to slap me but he stopped himself. I was so shocked and terrified.

And this suddenly brought flashbacks and I couldn't breathe properly. I felt dizzy very dizzy. I wanted to say something but my voice failed me, I couldn't utter a word.

Lebogang had his head buried between his knees so he couldn't see that I was struggling to breathe, he was crying. I wanted to kneel down and comfort him but I couldn't! Everything was blurry before I could black out I heard Tay coming in telling me that she got me some food then it was lights out for me...

After a few hours, I tried opening my eyes and the lights were piercing thru my eyes so I shut them for 5 good minutes and I finally opened them and I looked around to see where I am but it seemed like I was in a

hospital. I turned to the other and I saw Lebo sitting there sleeping so peacefully looking all sorts of handsome.

I tried speaking but my voice failed me, I was so thirsty. I finally said something.

Me: Leb. .oogang. Le...bu.

He woke up and he looked kinda relieved to see me awake. I pointed at a glass of water and he gave me some water. He waited for me to say something and I did.

Me: Prince Smarming. ♥ (I smiled)

Lebo: (he faked a laugh) Cinderella. (His eyes got teary) I'm so.... (I cut him off)

Me: I love you, never ever doubt that. I've always loved you but I was so scared to get my heart broken again. Damn guy, I love you with all my heart and soul and you had every

right to be angry, which guy would want to see the girl that he truly loves getting hitted on? So I truly understand why you acted that way and I forgive you so stop crying and give momma some sugar. 😊

We kissed ❤️ we've kissed so many times but this one was one of the realest ones.

Me: And yess I will be your girlfriend. 😊

Lebogang POV.

Never have I ever been so furious in my life, when it comes to Kamo, I get so overprotective. I really didn't mean to scare her, I mean I love her so much, I was just angry of the fact that she lets another dude kiss her hand while I'm begging to be with her. I mean I turned down so many chicks just for her, that's how much I love her.

To actually hear her that she's agreeing to be my girlfriend was just music to my ears, I mean I have been waiting for this girl for so long and agreed to be my girlfriend. Oh thank You Jesus! 🙌😭❤️ I just wanted to pick her up and spin her around but I just kissed her forehead and she smiled at me. This girl is something else, like I'm the reason she's at the hospital but she smiles at me like nothing happened.

Her: Itu was hitting on me when he kissed my hand but I turned him down because I love you that's why I showed him a picture of us and told him that he shouldn't bother by trying to make a move because I'm cuffed by you of course!

Me: I shouldn't have snapped like that and I'm truly sorry. I'm the reason you're here ...

(she cut me short)

Her: Hey, it's okay! I truly understand why you did that so there's no need to explain okay?  
(I nodded) Did the doctor explain to you what happened why all that happened?

Me: He said something about Asthma.

Her: Oh yeah, my pipe is finished and I was going to buy it the next day.

Me: I didn't know you had Asthma, how come you never told me?

Her: Well you never asked.

Tay came thru the door. Her and Kamo were talking a lot as usual and Kamo told her about us being together and she was so happy for us!

Next day.

My Cinderella was getting discharged from the hospital, I asked my cousin if he could lend his car and he did. I drove to the hospital with a huge smile on my face knowing that I'm going to fetch my girlfriend from the hospital, I can only imagine how draining is that place for her. Well I got to the hospital and I got to her room and she was sitting on the bed waiting for me, I kissed her forehead and she smiled at me. The nurse asked me to go and sign some papers to release her and I did. We walked to the car and we drove off.

Me: You look so cute (She had a pink tracksuit on)

Her: You're lying, I look horrible.

Me: To me you'll always be beautiful no matter what you're wearing.

Her: Like seriously if you're going to be this sweet the entire relationship then I want out. You're really creepy. 😊

Me: Shut up Bob!

Her: Yess that's more like it. 😊😊

I stared at her, wondering how lucky I am to have this soul right in my life.

Her: Eyes on the road please, I'm way too young to die.

We finally arrived at Mimosa Mall. We went to grab some lunch after lunch we went to play some games, it was so much fun to have her around. We went to Spur to buy her and Tay some food while we were waiting for the food we talked about that dinner thing to reunite Ashley and Tay.

Her: I managed to book a spot for Ash and

Tay for next week Friday at Botanical Gardens.

Me: Don't worry about the rest, I'll take care of that. The doctor said you should take it easy. So how are you going to take Tay to botanical gardens without her getting any suspicious.

Her: Well I'll tell her that my cousin is throwing gala dinner birthday party at Botanical Gardens, so don't worry I got this!

We got our food and I took her straight to her place. Helping her out carry her bag. We went inside, we chilled until Tay came back from wherever she was. Cinderella walked me to the door and I kissed her forehead and I left, went straight to my cousin's crib and gave him his car keys. And threw myself on the bed, I was vrek moeg. Before I knew

it I was sleeping.

3 days later.

Me and Lebogang have been running up and down to make this dinner to be perfect for Tay and Ash. It was finally Friday, I was both scared and I excited at same time, I know Tay is going be mad at me but soon she'll thank me later. Lebo convinced Ash by telling him that they are going some "function" so that he can be dressed formally so.

Thato's POV

Kamogelo has been acting all strange lately for the past 3 days which scared me, I

wonder what is she up to but I brushed that feeling when I heard her saying that she wants her cousin's birthday dinner to be all perfect but she never wanted me to help which made things strange. It was Friday and we were at the salon, getting our nails and all of this was so unnecessary, getting a new hairstyle and new nails? Haii ngeke I was getting more and more suspicious after getting our hair and nails done, we went to YDE to shop for evening dresses, this was getting way out of hand, I understand that she wants her cousin's birthday dinner to be perfect but this was way beyond perfection like on a serious note. I had to ask her about this matter and I did.

Me: Chommie, don't you think that you did too much already?

Kay: What do you mean?

Me: I understand that you want your cousin's birthday dinner to be perfect, but the hair and nails and even buying new evening dresses? I think it's too much.

Kay: I know its too much, but you just don't know my cousin, she can be such a diva and its irritating, this is why I'm going all out.

Me: Okay, now I understand.

We got what we wanted and we paid at the till and went to the commune to get ourselves ready for the evening.

Ashley's POV

Lebogang had invited to some function about business and stuff, it was really kind of him to invite, it is like he knew that there are some stuff that I need to get off my head,

ever since I lost Tay my mind has been all over the world. He had told me to be dressed in formal, so I head to my wardrobe to look for tonight's outfit and I found my navy blazer with a black t-shirt and a black skinny jean. I had to bath really quickly because time was not on my side. I did all the necessary and got dressed in what I decided to wear tonight. And I put on some English Blazer cologne, the one Thato got me on my birthday and rushed to put on some formal shoes as Lepz was busy calling me signalling that he's waiting for me. I looked mad niiiiceeee 🔥 100 and I rushed to the car and we went off, then we went to the venue which was at Botanical Gardens but it seems like we're early because there was no one there.

AT THE VENUE: .....

Thato's POV

We got to the venue and it looked like we're the early ones here. Great! 😞 When I was about to say anything Kamo's phone rang and she mouthed "Mom" to me, and I nodded, telling her she should go answer the phone. Well I was alone until some guy came to me, he looked like he will be the one serving us for the rest of the evening. Well he told me that the table is ready for me. I tried telling him I'm waiting Kay but he wouldn't let me talk and we walked to what seem like 10 mins, and I saw rose petals along the way.

'Kamo really outdid herself here" (I thought to myself)

And when we've reached our destination, I saw a small table it looked like it was a table for 2 and I saw a guy standing next to the table and it looked like it was . . . .

Ashley POV

While we were waiting for the people to arrive, Lepz phone rang, and he told it was Kamo he needs to take this and I let him. While I was waiting some mjita came to me a ree he wants to take me to where I will be served, I told him that I'm waiting for Lepz but he didn't budge listening to me well I gave up. And I just went with him. I thought it will be something 3 minutes'nyana walk but naah, the function was held far away. As we were walking, I saw red rose petals along the way.

Me: Heh mfethu, what kind of business

function is this? What's up with the rose petals.

He didn't even bother answering me he just laughed.

Me: Mxagii.

We got to a small table, a table for two, Haiike bafethu I was confused as fuuuck! And the dude just left me there, clueless not knowing what I was facing. And then some guy (dressed like the one I was walking with) was walking with some girl and she got closer and it was ....

I know its a mini, but I tried you guys.

Narrated

Thato: What are you doing here? 😐

Ashley: I should be asking you the same question.

And the 2 guys went up to them and gave them a tablet. It was Lepz and Kamo videocalling them.

Kamo : Hey friend, I know you're mad at me right now but you're soooo going to thank me later. So enjoy the dinner we organized for you guys and fix your problems. You guys are miserable without each other and no fighting please tuu. I love you my friend and Ashley take care of my friend tuu. Thank you!

Byeeeeeeee!

She dropped the call

Thato: I guess it's just you and me.

Ashley had this smile on his face.

Thato: Argh wipe off that smile. 😞

Ash: Askies, shall we Madam?

He pulled a chair for Thato so she can sit.

And they talked and talked, they even talked about the good times they had with each other. Until there was this awkward silence and Ashley thought it was the best to win Thato's heart, he stood up and went to Thato's chair and knelt before her.

Ash: I know you terrified of me but please believe me when I say I have changed. Ever since I've met you, I've been nothing but a great guy, you have changed me baby. I know Kamo didn't deserve all of that and even though she forgave me, all the pain I've caused her still haunts me. But if she can forgive me, so can you baby. My life without

you is nothing. It has no meaning to it, you're my life support baby. You have this huge impact in my life. I will never treat you the way I have treated Kamo nor will I ever raise my hand on you. I love you baby girl and I know that you do too. Come back to me baby, I need you baby! Please come back. (He had tears in his eyes)

Thato was amazed by what Ashley has said to her. She tried uttering a word but nothing came out. But instead she cupped Ashley's face in her hands and she let her lips do the talking, she just smashed her lips onto Ash's lips. After their long passionate kiss, she finally said something.

Tay: Damn boy! You have no idea how much I've missed you. I love you baby so much and I'm glad you had the guts to say such

wonderful words to me. I love and I appreciate you. ❤️

And the dinner went on. And they were so lovey dovey! 😊

Back to Kamo's POV.

Next day.

I was woken up by my phone beeping, I slowly opened my eyes. I took my phone under the pillow to see whose text it was. And it was Lebogang reminding me about our plans later on. I finally got up from my bed and went to the bathroom and bath. I did all the necessary stuff and I wore a sweatpant and a black long sleeved shirt with a beanie. It wasn't that cold outside. I went to the kitchen to prepare myself something to eat and I decided to make myself some fruit

salad with some low fat yoghurt. Heaven on earth I tell you! 😊 I went to my room and cleaned it. Tidied where it was necessary after I was done. I had to study for exams since they were approaching. After a while I then remembered that me and my baby had done a superb job with the reuniting dinner thingie. I hope that they had fun.

I had to go fix myself since me and Prince Smarming are going out for dinner at the mall. While I was looking for something to wear, I decided to wear a blue high rise jean with a black shirt and a black leather jacket with my ankle boot heel. And I applied a ruby woo lipstick and I rushed to the door because Lebogang was calling already. I got in the car and we went to Spur at Waterfront. And I had so much fun shame. We talked, we

laughed and we kissed here and there. And we drove to his place since I was sleeping over his place and we watched movies and we eventually fell asleep on the couch.

We were approaching June holidays, and I was left with 3 papers which I had to study hard for but with the help of Thuto (Our tutor), everything was turning alright.

Ash and Tay? Even though they were taking things slowly, they're still good and they are so inseparable you guys. 😊😊

Well my relationship with Lebogang is so amazing, the goofiness and the craziness is what makes the relationship so amazing yet

so strong.

Here we are in Lebogang's room studying for some modules that we're going to write in a few days. While I was busy studying he decided to take a 15-min break just to stretch some muscles but I didn't bother myself by taking a break, I just carried on writing some notes. After 3 min of being outside Lebogang came into his room but my eyes were still fixed on the book. And he finally said something.

Lebo: Babe?

Me: Mhm?

Lebo: I just thought of this idea, you wanna hear me out?

Me: Yeah (I said that paging the book)

He quickly grabbed the book and my notes

Me: I'm still busy with that Lebogang!

Lebo: You weren't listening to me moes

Me: Okay bua geh. 😞

Lebo: I was thinking that nna, wena, Ashley and Thato could go on a road trip on these holidays.

Me: What about batho bako gae? They are expecting me at home. 😞

Lebo: Yess you're still going koo ga lona ankere ke taba tsa last week of the holidays.

Me: Sounds like a great idea, let's Skype "Th'Ash" and hear fore bareng ka taba yena.

Lebo: Th'Ash?

Me: Thato and Ashley dummy. 😞

Lebo: Yanong rona re bo mang?

Me: i'Juice uya ithanda yazii. Okay it's connecting, come!

Via Skype

Tay: Girlfraaaaaaaaand!

Me: Thato'Lam! Okae Ashley?

Tay: Here he comes! Babeeeeeeeeee tloho mahn!

Me: Lebo came up with this idea so otlala le blella. Buaaa!

Lebo: How about we go on a road trip? Last week of the holidays.

Tay: Definitely Ntja!

Ash: Sho wa bua daar Gazi

Lebo: So re moja ankere?

Tay&Ash: Shooo!

After saying that they just looked at each other and burst into laughter.

Me: Tjoh ku'byee nna kelo bala.

And I just carried on with my studying and so did Lebogang. We studied until we got tired and I just took a video of him sleeping on my lap. And I just decided to post the video on Facebook and Instagram and tagged him. And I slept.

Next day:

I was woken up by kisses all over my face, and I just smiled because I knew it was my babe.

Me: Morning to you too my love.

Lebo: Hey babe (He smiled revealing his dimples)

Me: What time is it?

Lebo: 10:30, Wake up and go shower. We're grocery shopping today and later on we going

to the movies.

Me: What about studying?

Lebo: Come on babe, we studied the whole day yesterday. We will revise at night after resting. Wake up and go shower. (He said that going to the kitchen)

Me: Control freak.

Lebo: I heard that.

Me: I don't care.

I went to shower for a short period of time and I decided to switch on the heater then lotion myself. It was chilly outside so I decided to wear a black jean with a nice blue hoodie and blue beanie with my black sleeper boots. And I found Lebo watching tv in the lounge, I sat on his lap and kissed him.

Me: You know that I love you right?

Lebo: What do you want?

Me: Oreo, Milky bar chocolate, Diddle Daddle and Ice Cream.

And he just sighs

Me: Thank you I love you babe! ❤️

We got in the car and drove to Waterfront Mall and we went to Pick 'n Pay to buy the grocery and we went to watch movies. And we decided to go to buy McFlurrys and we just bumped into some girl and she was noisy as hell and she was .....

It was Lebogang's ex girlfriend, she was so noisy she even had a squeaky voice and it was

so irritating. I just smiled at her but she had no respect for me nor my relationship with Lebo, but I kept my cool.

ExGirl to Lebo: Hey babe yanong o tsamaya le mang kele teng mare (Hey babe, so who you walking with you while I'm here)

Lebo: Hello Lesedi, this is my beautiful girlfriend Kamogelo and babe this is my annoying ex girlfriend Lesedi.

Me: Nice to meet you.

Lesedi: Girlfriend? I wouldn't say she's beautiful if I were you, people will laugh at you. Mare wa zama'nyana shame.

I was fuming with anger you guys but I just stood there smiling like a retard but deep down I wanted to slap the living hell out of this girl.

Lebo: Well to me she is the most beautiful girl I've ever laid my eyes on. Well we'd love to stay here and chat with you but we got plans. So byee Felicia. 🖐️

Lesedi: Well just know that I still love you and one day we will be together again.

Lebo: Well keep on dreaming babe, because that is never going to happen. Bye!

Before we could leave, I just stuck my tongue out like a toddler. I was really glad that Lebogang didn't entertain his ex, made me fall in love with him even more. 😊

We strolled around the mall, hand in hand. We even went to the rooftop and take lots of selfies and videos. Then we decided to go to Naval Hill just to clear our minds for a while. We sat there in silence and we just let our

hearts do the talking with my head on his shoulder. After an hour, of sitting there and admiring our city Bloemfontein we finally home. And the first thing I did was to take a shower, after that 10 minute refreshing shower, I wrapped my wet body with a towel and just threw myself on the bed.

Lebo: Babe!

Me: Mhm?

Lebo: Tsowa (Wake up)

Me: Ha.a

Lebo: Tsamo apara di'pajama tsa gago o robale sentle (Go wear your pajamas so that you can sleep)

I lazily got up while rubbing my eyes, I quickly wore my pajamas and got in the covers.

Lebo: Don't forget to set an alarm for 2 O'clock we still have to revise.

Me: Mhmm sharp.

We fell asleep.

I know it's short you guys, askies.

3 Weeks later.

I decided to fast forward to the day before the road trip we decided to have, I really didn't want to get into detail with what I did with my grandparents. But it was great seeing my family doing so well, and my grandfather let me drive his Golf 5 GTI after nagging and begging him, I'd just drive to my baby's apartment just for control njeh.

😊 And he would be so jealous of me because I'm a Boy's car. 😊 Aii my baby though.

Well it was time for me to leave home, man it is always heartbreaking to be parting from the ones that you love & care about. They took me to where I stay and promised me to deposit money tomorrow morning. I called babe and he immediately picked up his phone.

Him: Sthandwa Sam' (My heart smiled just a little when I heard him say that)

Me: Hey!

Him: What's wrong? And please don't say it's nothing because I know when you're feeling down. Talk to daddy!

Me: (I giggled when I heard the "talk to daddy" part) Oh well I just hate parting from my family. My heart felt so heavy when

I hugged them, trying so hard not to cry in front of them.

Him: You want Daddy to come over and bring you some goodies to make you feel better?

I nodded forgetting that I was on the phone with him

Him: Did you just nod?

Me: Yes I did (I said that giggling like a 5 year old being handed some candy)

Him: (He chuckled) Oh my precious girlfriend. I'll be there in 30

Me: Don't forget my zinger wings

Him: Eish sharp!

A few moments later I was woken up by a kiss on my forehead and it was babe with the goodies he bought for me. And I just held my

hands out so that he can give me the plastic bag and I was smiling from ear to ear and I thanked Lebo with a kiss on the cheek. While we were busy eating Oreos and I just found myself staring at Lebogang, smiling thinking how lucky I am to have this guy as my boyfriend, just when I have given up on love, he just showed up and gave me the love that I was craving for years even though I don't want to fall in too deep and find myself being hurt like what Ashley did to me but I trust my Lebogang he wouldn't do that to me right?

Lebo: You know staring is rude right?

Me: Even though I'm staring at what's mine?

Lebo: You always have an answer for everything neh?

Me: You always have a question for everything neh?

Lebo: Tjoh ong hlotse ntwana.

Me: and you love me for that right?

Lebo: You have no idea!

Me: You mean so much to me! Promise you'll never leave me for someone else? (teary)

Lebo: Please don't do that! I'll never do that to you. Babe look at me, I'm not Ashley, I will never ever lay my hand on you nor will I ever leave for someone else. You're the one for me, you're enough for me. I love you Kamogelo, never doubt my love for you okay.

I just nodded with a face full of tears and snort. 😊

Lebo: Come here (We hugged for the longest

time) I love you my snorty-cry baby.

Me: (I hit his chest playfully) I'm not a cry baby

Lebo: Oh yess you are. 😊

Me: Mxm. Wa boraa.

Lebo: Thanks for the compliment babes.

Me: Argh plus since you're here, you're going to help me pack and choose an outfit for me for tomorrow.

Lebo: Oh dear! 🙈

Me: Come now!

He helped me pack even though we were playing here and there. We even chose an outfit for tomorrow. After doing all that we just decided to jump on the bed and play pillow fight for the longest time. We just laid on the

bed with him playing with my braids before we knew it we were asleep.

I woke up early in the morning and I was alone in my bed, which meant that Snuggle Bear had to go and fix his outfit and pack his clothes. Well I got out of my bed and went to take a long foamy bath, I even poured the salts to help me relax and I was indeed relaxed. I ended up falling asleep, after a few

moments I was woken up by my phone ringing and it was babe. I quickly answered and set it on loudspeaker

Me: The one that ditched me.

Him: I hope you're busy bathing because I know you take forever to get ready.

Me: Mxn not even a "Good Morning Babes/ Sweetness" Argh. 😞 (I then rolled my eyes)

Him: Don't roll your eyes tuu.

I rolled my eyes again

Him: And you rolled them again

Me: Mxm. (I then realized gore he's not here with me) wait! How did you know that I rolled my eyes, are stalking me? Did you install cameras in the bathroom? 😞

Him: Haa you're being paranoid yanong. Just

finish bathing tuu. (He hang up)

I just finished bathing because the water was already cold. I applied my lavender scented lotion on my body, and I went to put on the outfit my babe have picked out. It was a nice baby blue t-shirt and it had "L-K" (which stands for Lebogang-Kamogelo) printed on it and a white high waist rippe denim with my black Adidas ZX Flux sneaker. And I applied red lipstick, and a little bit of make up just to finish up the look. Gurrrrr! I looked phly, that's when I decided to take some snaps and upload on instagram. I went to the kitchen and made cereal while waiting for Lebogang and he finally came when I was almost finished with my cereal, and Booooooyy he looked fine! He wore the same shirt as mine but his was white, and he wore a black

skinny jean with black with white striped Superstar and he finished his outfit with a pink nike cap. I just stood there, shocked at how good he looked, I even drooled. He was busy saying something but I didn't hear anything since I was fantasizing about him, he suddenly waved his hand bringing me back on planet earth then his chuckle followed after bringing me back on earth.

Me: Huh? You were saying?

Lebo: Arg never mind. How did you sleep?

Me: Just fine, when are we leaving?

Lebo: Now actually, I'll help you with your bags.

Me: Thank you, you're such a sweetheart. (I came close to kiss him, kodwa haii he just left)

Tjoh! 🖐️ (I said to myself)

I then went to the car, and I sat ko morago, busy with my phone.

He came to the car, then he realized I was sitting ko morago.

Lebo: Why o dutse daar tau( Dude why you sitting there)

Me: anker wena, you don't wanna kiss me anymore (I sulked)

Lebo: Ahh babe, net vir daai ding. Come and give daddy some sugar.

I went out of the car then sat on his lap, and I gave him some sugar with my arms wrapped around his neck with his hands on my tiny waist. After our kiss, I stared at him and smiled. Gosh how I love this guy.

Lebo: I love you.

Me: I love you.

Lebo: I love you more.

Me: I love you more.

Lebo: Stop copying me. 😊

Me: Stop copying me. 😊

Lebo: Oh God! 😞

Me: I love you too. 😊😊 (I said that going to the other side of the car)

He started the engine, and off we went! 🚗 😊

While driving driving he would steal some glances and I'll just giggle cause he knows he's making me blush by doing that. And he would hold my hand and kiss it, that when I decided to take a picture of him doing that, and it was perfect for Instagram and Facebook. ❤️ While we were on the road I

called Th'Ash just to check up on them.

Me: Le sharp ka daar? (You still good that side?)

Tay: Yesss my forever, ka bona le wena o sharp (I can see that you're still good) (and I knew that she was talking about the picture that I posted of Lebogang)

Me: Lmao yessss! 😊

Tay: Check my insta account quickly. (I quickly dropped the call and rushed to instagram then I saw a picture of Ash kissing Thato's hand, I laughed so hard when I saw it, and

I gave her a call.) 😊

Call Convo

Me: Aii mfethu o dom yazii. 😊😊

Tay: Dankie skeem saam.

Me: I give up on you shame. 😊 plus you disgust me mahn. And come up with our own pose and stop stealing our poses mahn, and I hope you're listening wena Ashley.

Ash: Hadee boss.

Me: Mxm goodbye. 😊

I hang up.

I went on instagram and I screengrabbed Tay's post and my post, and I picmixed them, then I wrote "Friendship and Relationship Goals" 😊 then I set it as my d.p on Whatsapp.

Then I had to tell Lebogang about Tay's post, my baby laughed so hard shame. He even stopped the car just to laugh. 😂😂

Then we decided to listen to Mariah Carey's song (My choice anyway) the way Lebogang was so irritated by the songs, so I had to put on Drake's music, we even sang and rap along some other songs that we know. It was a fun trip shame.

Before I forget Tay and I invited our favourite cousins to tag along with their boyfriends. Then we got to the guesthouse, when we went in we found ..... 😞

Remember the girl we (Lebogang & I)

bumped into at the mall, Lebogang's ex girlfriend? We found her at the lodge, o..kaaay weird!

Me: TF? What are you doing here?

Her: No what are you doing here?!

Me: You can't ask me that, Lebogang rented this lodge for us. So you better get your skinny ratchet ass outta here.

Her: Heh mare ka tellwa moo waitsi (She said that taking her phone outta her bag, and started doing dialing someone's number)

Her: Yo Cuz! Are you sure you gave me the right location, because there's some bitch telling me that they rented this lodge for some so called road trip.

Person : .....

Her: So you wanna tell me that I'm going to

spend the rest of this week with this hoe?  
(I started biting my lip, this chick is clearly  
intimidating me and she doesn't know what  
she's getting herself into by calling me nasty  
names)

Person: .....

Her: Fuck no, call her yourself! (Then she  
dropped the call)

And my phone beeped, it was a text from  
Thato telling me that Boitumelo (Lebo's ex)  
is her cousin and she'll spend the rest of the  
week with us. My eyes just popped when I  
saw this but I kept my cool, then I started  
biting my lower lip again because I knew I  
was going to do something that I might  
regret later, I just went outside just to  
punch or kick something then I kicked  
Lebogang's car tyre, I didn't even know he

was behind me.

Him: Hey! What the fuck?

Me: Your skinny ass ex girlfriend will be spending the rest of the week with us, Like fuckk! (I bit my lower lip hard)

Him: Okay calm down and stop biting your lip mahn. Tell me what's happening.

I told him everything.

Him: Ahh babe, don't let her get to you mahn

Me: You better not be entertaining her or else you'll be the kicked like this not the tyres.

Him: Yoh you're crazy shame.

Me: And you love me right?

Him: More than anything in this world.

After saying that I pecked his lips, then we went into the lodge heading to our bedroom,

yess we will be sleeping in one room as I opened I found Boitumelo half naked in our bedroom and Lebogang was behind me.

Me: WHAT THE FUCK?! (I was fuming with anger)

Shit was about to get real shame

Okay I'm the most chilled person but once you intimidate me, I lose it and you'll wish that you never intimidated me. I was pretty sure that Lebogang was drooling over her because she had this ugly nasty smug on her face. I kept my cool.

Me: You have 5 seconds to get out of this room darling. (I started counting) 5 .. 4 .. 3 ..

2 .. 1

She was not moving an inch, she just stood there playing with her iPhone chewing that bubblegum like she was a prostitute. I just lost it bafethu. I took her luggage and her filthy clothes and threw it out of the room, I was furious. She was about to say something until Lebogang interfered.

Lebo: Babe it's okay, we'll sleep in another room (He looked at Boitumelo) you can sleep in this room.

Me: Yeeey! 📢 I don't want to sleep in another room, I WANT TO SLEEP IN HERE. FINISH AND KLAAR! AND I WILL NOT REPEAT MYSELF ( I looked at Boitumelo )  
You better make yourself disappear! 😊

I walked to the kitchen, I took my yoghurt

and ate it, when I was about to enjoy it, Lebogang came in the kitchen and stared at me. He then said something.

Him: You're unbelievable yazii.

Me: I know, no need to remind me.

Him: Don't tell me that you know Kamogelo. What you did in that room was uncalled for and you're going to apologize.

Me: Over my fucking dead body. 😞

Him: I did not ask, I'M TELLING YOU, YOU WILL GO AND APOLOGIZE TO HER.

Me: Oh well, I think you're just wasting your breath babe because I'm not going to apologizing to that skank.

Him: You're so selfish!

Me: I know! (I flashed a smile to him,

showing him that I care less 🖕)

Him: I wonder what was I thinking of approaching such a selfish person like you

Shit those words hit home. I became all teary

Me: Maybe you shouldn't have approached asshole.

He noticed what he said was wrong before he could say anything Ashley and Thato entered .

Thato: FAMILY! 😊

I just stood up and grabbed Lebogang's car keys and ran to the car and started the engine. He came running banging on the windows. I just drove the car like a maniac, not knowing where I was going. I was hurt by Lebogang's words, I was sobbing while driving like a maniac and I couldn't see

properly because my eyes were all teary and a truck approached hooting at me then Boom! Lights off!

Lebogang's POV

I regretted every single word that I said to Kamo, I knew she was in a lot of pressure with my ex being here with us but what did I do, I took my ex's side over my girlfriend's. I tried calling her but her phone was off, the way that she drove that car got me way too worried. You should've seen how she looked at me when I said those words to her, with her eyes all teary shit that sight broke me into pieces. I love this girl you guys even though she can be a maniac sometimes she still owns my heart. It was getting dark outside but still no sign of Kamo, I was pacing up and down I couldn't calm down, I

tried calling her but still no luck.

Me: Damn it don't you just stand there Thato!  
Call her man!

Ash: Yo' bro chill. No need to shout at my girl.

Thato's phone rang, we all turned to her. She answered then she dropped her phone on the floor then she cried so hard. Oh my God, please don't take her right now. 🤔💔

Kamo's POV

I woke up and I was still in the car, it seems like I managed to ditch the truck but I ended up hitting a tree instead. And this airbag was all up in my face, it looked like I

passed out for a few minutes. I was deep in my thoughts, I kept thinking what if I didn't manage to ditch the truck, what could've happened? What if I died? My friends, my family and mostly my boyfriend? I then remembered what he said to me earlier on, man those words really cut deep. A knock on the window disturbed, it was a man and he was the driver of the truck. He looked terrified, poor thing, he managed to pull me out of the car but my arm was giving me no mercy, I screamed in agony.

The man : The ambulance is on its way, just stay put and be calm.

Me : Thank you sir, I'm so sorry!

The man : Save the apologies for later, here comes the ambulance. (I gave him a faint smile)

Me : Before I leave, can I use your phone?

The man : You were screaming in agony just now, now you want to use my phone? Some child you are. (He chuckled)

Me : I'll take that as a compliment I guess. (I giggled)

The man gave me his phone, and I debated with myself on who to call, but I ended up calling Thato. Telling her that I was involved in a mini accident but I assured her that I'm fine. I told her that they'll find me ko Rosepark Hospital.

The paramedics came and they did their job, asking me how do I feel, am I dizzy or nauseous. And they put on a stretcher and off I went to the hospital. I ended up blacking out because I was sedated.

## HOURS LATER

I woke up and my eyes felt heavy, it was a struggle to open my eyes but I did. And everybody was staring at me, and they looked relieved seeing me awake. And when I say everybody I mean, Lebogang, Thato, Ashley and Lebogang's ex. These people were really pushing my buttons yong. But I kept my cool as usual.

Me : Who are you? What do you want in my room (I pulling their leg) Oh hey babe, you made it, I missed you so much. (I said that looking at Ashley) I'm so happy to see you, come give me a hug.

Ash : Nna?

Me : Duh kwena boyfriend yaka moes (Duh you're my boyfriend) Who are your friends?

He came to give me a hug, he was hesitant at first until Thato gave him a slight nod. !Thato was close to tears, Lebo was beyond pissed, and Lebo's ex was happy, she even had this nasty smug on her face and poor Ashley was clueless on what to do.

Me : Babe (I was still looking at Ashley)

Ash : Yes?

Me : Who's she? Is she one of your hoes?

She's so pretty! 😊 (I pointing at Tay, she was pissed yong 😊) and these two (I point at Lebo and the ex) make a good couple, are you guys dating? You can make cute babies mahn. 😊

You guys, Boitumelo was beyond happy, you could see her eyes twinkle of the happiness and Lebo was bloody red of the anger. Damn

I wanted to laugh so bad, well I decided not to prank them again, this was getting too far yanong.

Me : And Guys! (They all looked at me) You've been pranked, there's a camera over there ➡, oh and there's a camera over there ↩ and another one there 🖱 (and I started laughing 😂😂)

And they started laughing except of Boitumelo but the reason that they are laughing is because of my laugh. I have the goofiest laugh ever, and Thato came to my side and she hit my shoulder playfully.

Tay : You called me a hoe you bitch. 😏 I could just hit you right now, thank your lucky stars that you're in a hospital or I would've kicked your ass.

Me : Mare you're my hoe moes 😊 you should've seen your cousin wena, she was beyond happy, her eyes even twinkled. 😊 and my man on the other hand was so red. I tried my best not to laugh, it was so hard trying not to laugh. Mare Ashley tau. 😊 Eeuw I can't believe I hugged you and worse I called "Babe" 😊😊 (I emphasized the babe part with my hands) and they laughed

Ash : Kamogelo voetsek! 😊

I looked at Lebo, and I could see that he was faking that laugh. He knew that I could see right through him so he looked down.

Me : Babe? Come here! (He came towards me slowly) Sit down! (He sat down and I slapped him)

Tay & Ash : Yoh! Cheses! Noorh Mahn.

I gave them "Shut up" look and they quickly looked down, trying to contain themselves

Me : Well that my love was for defending your ex girlfriend.

I slapped him again! Ash was about to comment and Tay roughly poked him with her elbow.

Me : And that was calling me selfish and how you wish you never approached me.

Ashley & Tay's eyes popped out, with them holding their mouths. You'd think they are the same person, their actions are almost the same.

I slapped him AGAIN!

Me : And that was, for not kissing, do you realized how much I missed you? Come give me some sugar.

And a small-naughty smile crept on his face,  
and we kissed and gave him a hug.

Me : I love you babe.

Lebo : I love you too (His voice was hoarse)

"This is so cute" that was Thato. And I realized she was taking a video and I knew it was for instagram klaar .

Tay : This is going on instagram.

All : We know that (then we laughed)

We kept talking until they were told that the visiting hours were over.. They all hugged me and Lebo gave me a kiss on the forehead. And he took a picture of me trying to hide my face with a blanket.

Thank you God for protecting me!

I know you guys are super mad at me but

tertiary is hard work you guys. I've been busy with tests, assignments and exams please forgive me.. And I was out of ideas because I was too drained from school work.

I love you. ❤️

I spent 3 days in hospital and I was getting discharged next day, I have never been so excited to go home and my friends have been spoiling me rotten maybe I should land in a hospital more often. 😊 My boyfriend? He has been distant lately, since he's the one that put in hospital, he'll be the one taking care of me since I have a cast on my arm. We haven't sort out the Boitu thing and I really

hope that we'll sort things out because this distance thing is really killing him and I miss him so much. I told Tay everything about her cousin dating Lebogang and she honestly didn't think that they have dated because they don't hang anymore because Boitu chose the wrong lifestyle for herself. The driver of the truck, Mr Moselane has come to check up on me and we sorted everything out, he was indeed a sweet man.

It was the day I was getting discharged from the hospital, I was really sad to be leaving because I was going to miss the food and being well taken care of. Lebogang went to sign the papers while the doctor was busy telling me on how to drink my pills and I should take care of myself. I went to Lebo and he just finished off signing the papers.

We went to the car and he drove off. We were in complete silence, no one was uttering a word to each other, I couldn't stand the silence so I listened to Adele and Sam Smith through my earphones. We arrived to his apartment and I got out of his car and he told me he'll bring the bag, he has a call to make and he had told me that the door is not locked. Okay that was strange! I walked to his apartment and just got in. I found my close friends busy with the WELCOME BACK BITCH banner which they painted it themselves, yoh guys the banner was horrible yong. 😊 The way they were arguing on how the banner should be, you'd laugh your ass off. 😊 I decided to scare them by clearing my throat.

Me : Ahem!!

They all jumped and faintly smiled.

ALL : Surprise!

Me : You guys are so silly! 😁

They all laughed, coming to hug me. 😊

Lebogang got in and Thato went to him.

Tay: You clearly don't understand what a surprise party is, we asked you nicely to send us a text message when you guys are nearby but nope you didn't! Now Kamo caught us arguing about the banner, you're just useless mahn Lebogang.

Lebo : Heh mahn, Thato just fuck off okay!

Others at the back : Yoh!

Ashley made his way to Lebogang but I stopped him, he was pissed, really pissed. I made my way to Tay and rubbed her shoulder,

apologizing for the way Lebogang spoke to her. She was shocked just as I was, everybody left and I was left with Lebogang who was in his room. I walked to his room, yoh guys I was pissed!

Me : Okay what just happened in the lounge?

He just kept playing with his phone. I walked up to him and I took his phone from him.

Now I had his attention.

Him : Give me my phone.

Me : What the fuck is wrong with you? You've been distant and now you biting everybody's head off.

Him : Don't annoy me please, now give me my phone.

Me : WTF? What the hell did you just say to me?

Him : You heard me!

Me : Don't tell me that! I want you to repeat what you've just said to me

Him : You want me to say it in a way you'll understand.

I nodded.

Him : Fine! Fuck Off! Now give me my phone!

He roughly grabbed his phone from my hand

Me : Lebo ....

He interrupted me

Him : F-U-C-K O-F-F KAMOGELO! LEAVE ME ALONE, JUST STAY AWAY FROM ME.

Me : Is that what you want? (My voice was breaking)

Him : Yeah! (He then rolled his eyes and continued playing with his phone)

Me : Fine. I'll fuck off!

Him : Yipeeee! (He was being sarcastic)

I took my bag and I packed all of my stuff that I left in his apartment when I came to visit him. I was torn apart but there were no tears falling off my face. I packed everything in my bag, and I struggled zipping my bag but I managed. I went to the lounge and I snatched the necklace that he bought for me off my neck and gave it to him.

Me : You really hurt me.

Him : Just leave already! My girlfriend will be here in a sec.

I walked to the door and opened it, I found a beautiful girl on the doorstep.

I guess she was the new girlfriend. Tears threatened my eyes.

Her : Hey is Lebo in?

I quickly nodded

Me : You'll find him in the lounge (Tears fell off from my eyes)

Her : Are you okay?

Me : Never been better. Bye!

I went to the gate to wait for Tay. I listened to "TAKE IT ALL" BY ADELE. Tears kept falling off while I was humming to the song.

"Didn't I give it all,

Tried my best,

Gave you everything I had,

Everything and no less?

Didn't I do it right?

Did I let you down?

Maybe you got too used to

well, having me around.

Still how can you walk away"

I still couldn't understand why Lebogang was so heartless, where was the sweet Lebogang that I fell in love with? The one that promised me to love me no matter what happens? The one that promised to never hurt me? Where was he?

"Maybe I should leave

To help you see

Nothing is better than this

And this is everything we need.

So is it over?

Is this really it?

You've given up so easily,

I thought you loved me more than this."

Never have I ever thought that I'd be apart from Lebogang. What happened? We were so happy together. Will I ever find happiness and love?

Tay arrived with her uncle's car and I got in the car, though I struggled a bit. The minute I got in the car, Tay attacked me with a hug, I cried so much till there were no tears left in me. Tay was crying with me and her shirt was all wet from my tears, she then wiped her tears then she drove off to our apartment. She told me that she has to take back the car, she'll be back shortly. I went to my room and I just cried and cried until I fell asleep.

Was it really over? 💔

5 months later..

All I did with my life now was to go to school, listen to depressing music and drown myself in my sorrows and suicidal thoughts. I even neglected my academics for a whole month but I decided not to let this whole terrible break-up affect my school but it has affected me a lot, it has affected my self-confidence and self-esteem. The old wounds were now open and he even added salt and pepper to my wounds by going public with his girlfriend, and you won't believe who it was. He has gone back to her, he has gone back to his ex, he

has gone back to Boitumelo. Not only has he gone back to her, he even impregnated her. Never have I ever been so humiliated and heart-broken in my life. Depression came knocking hard on my door, and I let it in and I let it play with my mind. I wanted to cut my wrists so bad but I quit that life long time ago so I decided that the only way to keep myself sane is to keep myself busy with my school work and snap my wrists with a rubber band ( which is similar to wrist cutting but no blood was coming out, but there are marks left). Tay tried all in her power to make me feel better and I'd feel better but at night depression knocks in my mind and I'd have these nasty suicidal thoughts so I'd snap my wrists. I was skinnier and pale, I would wear baggy clothes when I go to school and people would look at me differently and gossip about

me. I haven't seen Lebo since the day he chased me out of his apartment; I really longed for him, his touch, his hugs, his laugh, his kisses, his smile, and mostly his cuddles, sometimes I'd just stare at my phone hoping that his name will pop up on my notifications but nothing. Oh well I made peace that it was really over between us. Th'Ash were engaged, Ash went on his one knee and he finally popped the question plus there is a baby on the way, yup Tay is 2 months pregnant. The sex of the baby was unknown, they wanted it to be a surprise. I'm going to be an aunt, I was genuinely happy for my best friend.

It was Sunday morning and I decided to go with Tay to her church since I haven't been at church for decades. Plus I really had get

my groove back, I can't stay depressed for forever for ones stupiy mistakes and decisions. I quickly woke up and cleaned my room. After the cleaning I asked Tay help me wash my hair plus dry it since it was a complete mess, then I told her that I'll go with her to church. She was so shocked, she even ended up giving me a long tight hug and surprisingly I didn't cry this time, I was smiling and it was a genuine smile. This morning I told myself that it was the last time I feel sorry for myself, I mean life is too short to cry over spilled milk, what happened has happened and there's nothing I can do about it. I took a long bubbly and foamy bath with all bath salts poured in, I at least owed that to myself, I had to pamper myself with bath salts and foamy baths . I got out of the water and I was at ease and relaxed. I

lotioned myself and I wore a nude body hugging dress, a long light brown coat with my strappy heels. I tied my long hair into a neat bun and applied a little bit of make-up. I really looked good. I found Thato looking beautiful, she had a black body hugging dress and a white which had a lace at the back blazer, with her black pointy heels. We ended up taking pictures and she took a video of me talking to the little one, I even posted it on Insta.

We arrived at Glass House, it was Rivers of Living Waters ya Archbishop Zondo and the pastor of the Bloem branch was Ntate Motaung. The service was beautiful, it somehow spoke to me, the pastor preached about how people suffer from other people's decisions and mistakes, and even though life

hasn't been pleasant with all you have to do is get on your knees and pray. Even when people pushed down, you got to get back up and carry on with your journey and never forget to include on your journey because a lot of people were cut short by other people's mistakes and journey. What he preached about today reminded me of T.I's song "Get Back Up"

"And when they push you down, you got to get back up

Brush the dirt off your jersey then go for the cup

Or the trophy or the ring, champion no matter what

Cause when you got the belt and the ring

People with ya popping bottles, taking

pictures look around

As soon as you fall down all the haters pass a judgement

Surprise, I'm here to show that I'ma rise above this"

I have suffered enough because of Lebogang's decision and what I did was getting up from the ground, brush the dirt off of me and continue with life. Life is like a big merry-go-round, sometimes you're up, sometime you're down but you can't live your life on your knees, you've got to get back and stand tall. By doing all that you're a conqueror. I know that I conquered depression. The service was great and we headed home and I told Tay to call our close friends to celebrate her engagement and I'll be the one cooking.

Me: What do you think I should do today?

Her: I don't know but just don't finish our food

Me: Or maybe we can do a mini braai plus I want to get wasted..

I started dancing.

Her: Good idea!

Me: Let me start marinating the meat the

Her: It's good to see you smiling again. I really missed my goofy best friend.

Me: It's good to be smiling again!

Her: Come give me and your nephew ...

Me: Or niece!

Her: Whatever! Just give us a hug.

We shared a long ass hug and she started

sniffing.

Me: Haibo Thato, you can't be crying. I'm done with that life. These pregnancy hormones di dlala ka wena straight.

Her: Voetsek! Just go change your skinny ass

Me: You love this ass shame.

Her: Whatever!

I went to change into my high waisted jean and a white ordinary crop top with my cute white sandals. I marinated the meat and I made salad and pap. Ashley came and he was shocked to see me out of room, I just smiled at him and pulled him to the kitchen by his hand.

Ash: I thought you were dead yazii

Me: Well I rose from the dead

Ash: Nice to see you happy small one.

He said that patting my head like a dog and I showed him my middle finger. He put his left hand on his chest, pulling a shocked face. I laughed to hard.

Me: You're so gay

He showed me his middle finger and I did what he did when I showed him my middle finger

Ash: You're such a dummy.

Me: Whatev's, you know you're my favourite person right now..

Ash: What do you want Peterson?

Me: Your car.

He threw the keys at me

Ash: Don't scratch my baby.

Me: Braai the meat geh.

I grabbed my purse in my room together with my shades. I head out of my room and I found Ash and Tay making out.

Me: Hai mahn sies!

Them: Voetsek, hamba!

I head to the car and I put on Drake's music before I could start the car and I applied my red lipstick. I started the car and I drove to Tops at Universtas, I bought ciders, beers for the guys and vodka. I quickly put them in the car and I went to Spar. I bought Cranberry Juice and Sour Worms for the Vodka, Mango Juice for Tay and Snacks. I paid for the items, when I was about to exit someone bumped into me and my plastic fell.

I looked up to see who I bumped into and it was Lebogang and he was with Boitumelo whose baby bump was too big to be 4/5 months but I just mind my business, just when I was about to apologize, Mrs Know-it-all jumped in and decided to cause a scene. 😞

Her to Lebo: Oh my God baby are you okay? Are you hurt? (She turned to me) You should watch you're going .. What if you bumped into me and killed my baby in fact our baby. You're upsetting me now (she burst into tears) What have I done to you? Why do you hate me so much? Is it because of Lebo?

I just stood there not knowing what to do

and all eyes were on us . Damn I was so annoyed. 

Lebo: Babe calm down (for a second he was talking to me but nah) Don't cry babe. Askies (He kissed her cheek) 

He shortly looked at me and he had his disgusted face on.

Him: Hello? Excuse me? Apologize to my girlfriend, clearly you the one who made her upset.

I just rolled my eyes and finally said something.

Me: I apologizing for upsetting you, I didn't mean to do that. And no I don't hate you babe. (I looked at Lebogang annoyingly ) I'm sorry for bumping into you (I flashed a

smile after saying that) 😊

Her: It's okay. I know you didn't mean to.

Me: Thank you. Now wipe those tears on your pretty. (I picked up my plastic bag from the floor) before I leave, we're having a mini braai for Th'Ash and I was hoping if you'd be able to come through, it would mean a lot to Thato. 😊

Her: Th'Ash? 🤔

Me: Thato and Ashley, we're celebrating their engagement.

Her: Oh they are engaged? It's such short notice but we will come through, right baby?

Him: Yeah sure, whatever! 😞

Me: Good! We will be expecting you then guys.

See you! 😊

I slowly walked to the car, I laughed to myself.

Me : Haikhona, Drama engaka! Tjoh. 😊

"I'd also say that if I were you"

I turned to see who it was and it was this handsome caramel skinned guy who had an amazing smile revealing his dimples and white teeth, Oh Lord just take me now. 😊😊💖 I

drooled over him a little bit 😊 but I managed to pull myself together. I put the stuff I bought in the boot, ignoring the guy.

Him: Hi, the name is Tshepang (he stretched out his for a handshake but I looked at and closed the boot )

Me: I don't talk to strangers so excuse me.

Him: But I just told you my name..

Me: Very funny Mr Tshepang 😊

Him: Sarcastic I see.. I like it.

Me: Are you done? I have an event to attend.

Him: And cheeky too. (He chuckled) I'll see you around Ms Sarcastic. 😊

I went to the driver's seat and drove back to the apartment and I found half of our close friends there. I suggested that we go have this braai to the park because our apartment was too small to accommodate all of our guests plus it was December so it wasn't a bad idea after all. So we waited for everyone to arrive then drive to King's Park which was not far from where we stay. We waited and I had told Tay about what happened today at Spar.

Me: Brah I was so irritated but the way I was so calm scared the shit outta me.

Tay: I'm surprised too. Phela wena o straatmate, o betsa sfebe se nyele. (I laughed)

Me: I suggest that you text her about the venue changing, before she causes a scene at the park. 😊😊 Poor Lebo has to deal with all of that. 😊

Ashley came to us, informing us that we can leave. He had already called his friends about the venue changing. I sat at the back and Thato at front. Ncaaw they were so cute, I was obviously the candle holder and I didn't mind at all. I took a video without then noticing, Ash would take Tay's hand at kiss it and just smile at her. I posted the video on

Insta, and tagged them both. The caption was "They've faced difficulties in their relationship but the love they had for each other was strong. Congrats on your engagement and for giving me an opportunity of being an aunt"

We arrived at the park and we braaied the meat, it was so fun. Boitu and Lebo arrived 20 minutes and I wasn't bothered at all. I kept sipping on my wine and eating snacks. Ashley's friends came and he called Thato to come meet his childhood friend.

"Yo, Bra I saw a car that was similar to yours at Spar, but it was a girl driving and she was a flame yong!"

I knew that voice, it sounded familiar but I couldn't tell whose it was.

Tay called me to meet Ashley's childhood friend who is also Ash's best man. I poured my vodka and went over to them and to my surprise it was Tshepang, the hot guy wako Spar. WTF??

Tay: I'd like you to meet my best friend, Kamogelo who is also my maid-of-honor. Babe this is Ashley's best friend and man .... (I cut her off)

Me: Tshepang.

Tay&Ash: You guys have met? 😊😊

Me&Tshep: Today at Spar.

He looked at me and smiled. I rolled my eyes at him, he then chuckled.

Ash to Tshep: So you were telling about her? She was the one driving it today

Me: Are we done here? My vodka is calling for me. 😐

Tay: Drunkard! 😁

Me: I've been sober for 5 months so leave me alone. 🖐️

I walked my tiny ass to where I was seated and I gulped my vodka and sucked on my sour worm, man that was good! 🦿 Tshepang sat beside me and I was annoyed to the core.

😐😐

Tshep: Since I'm Ash's best man and your Thato's maid-of-honor ...

Me: Dude shut the fuck up please.. 😐🖐️

Tshep: 😁 Since you said the magic word, I'll shut the fuck up but that doesn't change the fact that I like you. 😊

I blushed a little but I kept my face straight.

Me: Well I don't like you. 🖐️ 😞

Tshep: Damn you're so hard to please gurl!

I sipped on my wine and ignored him.

People were telling their story about the experiences they had with Ash and Tay, and Ash told us how Tay and him started, and how she would play all hard to get but he never gave up on her so he just kept pushing and pushing until Tay finally gave in. They asked me to do a small speech and I wasn't prepared at all.

Me: Hey to everybody I didn't get the chance to greet, well I was the mastermind behind this engagement braai and I'm pleased to

see everybody here to celebrate with us. I know you guys went through a lot but here you are, Engaged and a baby on the way. 😊 Ashley you better treat my woman right, treat her with respect, love her the way you do now, compliment her every chance you get and show her off because she's your diamond or you'll have me to deal. 😏 You know I know how to use a knife, so just hurt her, or make her cry. I'll use the knife on you, cutting your balls for sure. (Everyone laughed) Thato Lam', seeing this happy makes me happy and I'd like to thank for being supportive for the past few months, most of you know I was going through hell and this lady right here never gave up on me, she never lost hope, she never turned her back on me. (Tears streamed down my cheeks) Every night I

could hear her praying that I find happiness, praying that I go back to my old self and I thank you for that my friend. 😞 I thank you for being the best that you are and I thank the Big Guy upstairs for a blessing like you in my life. (Everybody's face were wet with tears) I love you guys. 😊❤️ now bitches let's raise our glasses and bottles up to Th'Ash. To motherfucking Th'Ash. 😊🍷

All: To Th'Ash! 🍷

I went over to Tay and Ash and gave them a tight ass hug and I went to sit down. I was busy wiping my tears and Tshepang was busy brushing my back, I really didn't have the strength to argue with him so I let him be. We ended up talking and were really clicking. I really enjoyed the jolly conversation

we had, I even forgot that Lebo was there, Tshepang would just hit on me and I'd just laugh at him with my goofy laugh and he would end up laughing with me. We took a lot of pictures me and him, he even put his favourite as his wallpaper. I excused myself and went to the toilet, I peed and went to wash my hands at the basin. When I was about to go the squad, someone pulled me by arm roughly then slapped me. It was Lebogang, I looked at him with my hand on my cheek.

Him: So you fucking that guy now? While you're still mine? Huh?!

My eyes popped out when he said that. I failed to answer him; words couldn't come out of my mouth. I was just scared at this monster in front of me.

Him: Answer me damnit! (I got more scared, tears were forming in my eyes) ARE YOU FUCKING HIM? YES OR FUCKING NO? I looked down not knowing what to do but he slapped, hard this time. I wanted to scream but I was scared he would do something stupid to me. I was terrified.

Him: WHAT GIVES YOU THE RIGHT TO BE FUCKING AROUND WHEN I'M STILL AROUND? I OWN YOU! YOU'RE MINE ALONE!

He roughly unzipped my jeans but I gave him a tough time to take off my pants, he had his filthy hand on my mouth so I couldn't scream, I just cried praying that someone comes and save me from this monster, he tripped me and my head hit hard on the ground. He got on top of me and slapped me

countless times and tried to take off my pants, I heard footsteps, I bit his hand and screamed for dear life. I don't know what happened but I saw Tshepang on top of Lebogang beating the hell out of him. He quickly came to me and hugged me telling me that everything will be fine, I just wept in his arms. I somehow felt safe in his arms then I blacked out.

"Oh babe, I'm sorry for the way I treated you. I haven't been myself lately, so please forgive me for being a pathetic loser. I'm lost without you please come back my love. I promise to never raise my hand on you" I went to him because he was stretching his

hand onto him; I took his hand and went closer to him, he then kissed my hand then my forehead and he kissed my cheek then he painfully my cheek then licked it like a lunatic person. Suddenly his eyes changed and I got scared "Sweet dreams Princess Cinderella" after saying that he strangled the life out of me, I struggled to breathe and to scream.

Someone shook me while calling out my name, I jumped in fear and it was Tshelang. My face was wet with sweat and tears, I looked around and I was in a hospital, I looked around and my eyes met with Tshelang's eyes who looked at me with so much pity. I broke down, just when I've recovered and then this has to happen to me. Don't I deserve happiness like everybody else? Why

does my life have to be so difficult when everybody's life is so nice and easy? I have defeated depression but it is knocking on my door but this time I'm not letting in over that dirty scumbag. I refuse! Tshepang huffed and sat on my bed and calmed me down. I just fell asleep in his arms.

A FEW HOURS LATER..

I woke up and my eyes felt very heavy. I looked around and I saw Tay busy with her phone. I cleared my throat so I can have her attention, she looked at me and she gave a faint smile. I guess she probably thought I was depressed again

Her: Hey, you awake?

Me: No I'm actually sleeping, of course bitch I'm awake. 😞

Her: Just when I thought that being hospitalized will change you but nope, you still a savage bitch. 😊

Me: I'll take that as a compliment. Thank you! 😊

Her: How are you feeling babe? 😞

Me: I feel crappy. I feel like I've been hit by a bus, my body hurts.

Her: Askies babes.

Me: Lebogang can sure slap the living shit out of me. 😊 I didn't even know that he can slap that hard.

Her: 😊😊 Please don't make me laugh, you're so dumb. I wonder what drove him to do that to you, that is so unlike him.

Me: Enough about him. 🖐️ How is my little

nunu in there? 😊

Her: He's doing great actually!

Me: She!

Her: He!

Me: She!

Her: Whatever! 😞 Where's your phone?

There's this new instagram-like app, I want to download it for you plus wena o motho ledi social media moes. Bare ke Snapchat.

Me: Hey I saw it koo Tshelang yesterday, the filters are so cool. Download'a moo Sferb.

Her: I see that you two are getting along.

Me: He's a nice guy plus he saved me so yeah.

Her: Mhmm if you say so.

Me: I promise you, there's nothing going on

between us. But fuck he's hot! His dimples!

Her: Damn I thought I was the only one seeing that..

Me: Hold yourself girl, you're engaged!

Her: Relax your body! He's not my type.

Me: Yet Ashley is your type.. 😞

Her: Don't talk shit, he was your type back then. 😏

Me: No need to remind me bitch. 😏👊

Her: Whatever!

Me: I love you too. 😏

We talked about tons of things until it was time for her to leave. Now I was alone and scared. I decided to create an account on S.C

and followed a few celebs, I even followed Tshepang, I watched his videos he even posted a video of him calling me a drunkard and I was mad wasted. I laughed all alone and took a picture in my hospital gown/scrubs.

I got a call from him and I answered it immediately.

CALL CONVERSATION..

Me: Number that I've never seen in my life ,  
hala!

Tshepang: Oh please boo, you definitely know it's me because you decided to save me as "Baby Boo"

Me: Don't lie! You save yourself as "Baby Boo"

Tsheps: No, I didn't!

Me: Yes, you did.

Tsheps: I see you wanna play this game, I ain't giving up this time shame.

Me: Bring it on player! I ain't scared of you baby.

Tsheps: Oh my word! She called me "Baby"! You called me "Baby"

Me: Oh my word, he sounds so gay right now! He chuckled.

Tsheps: I see you're trying to burst my bubble.

Me: Is it working?

Tsheps: Hell Naw!

Me: Damn it!

We laughed together.

Tsheps: Is it safe to video call?

Me: Yup.

He quickly dropped the call and he video called me and we talked about stupid, he even congratulated me for being on snapchat. He even said he will take me out on dinner when I get discharged.

3 days later I got discharged and I pressed charges against Lebogang, and I found out shocking things about him. I'm glad I dodged that bullet, Boitumelo wasn't too happy that I pressed charges, so she decided to pay me a visit and I was alone.

Me: Do come in dearly beloved.(I was so calm)

Her: Waitsi keng wena neh? You really testing my patience entlek!

Me: Relax your body, would you like some wine? I don't think that the little one will mind you

having one'nyana. Ankere nunu? (I brushed her artificial tummy then she slapped my hand)

She gave me the dirtiest look ever but I didn't give a fuck about her.

Me: Yes? No? I'll take that as a yes

Her: ....

Me: Cat caught your tongue? Ok so tell me when is your baby boy coming to this wonderful world? It is a boy right? I bet Lebogang is excited to meet with his non-existing son, I can only imagine him beating you like a pulp (I gave her a glass of wine) Why would you wanna go back to someone who is abusive and mentally unstable? (Her eyes widened) yes babes, I know he used to beat the fuck out of you because he

stopped taking his pills so he went cuckoo-cuckoo but what I don't understand is why do you keep on going cause clearly this ain't love. Drink up, don't be scared. I know you aren't pregnant, I wonder how is he going to react when he finds out that you faked the pregnancy. I feel sorry you babe.

Her eyes filled up with tears

Me: So tell me how did you keep up with this fake pregnancy such a long period of time?

Damn girl, have you done this to anyone before? Man you must be a professional. 6 months and you haven't confessed anything? Since you came here, I'd like to thank you for taking me out of misery before it even started, thank you for taking this burden off of me. You must be proud of yourself because your jealous tendencies saved a someone's life

so thank you babe. Now drink up and leave my apartment. I need to get ready for my date.

She slowly stood up and walked toward the door, she said something

Her: I'm sorry for the hurt I've put your through. I'm truly sorry. 😞

I nod, then she head out. I went to take a long bath filled with bath salts, after I lotion my body. I stood in front of my wardrobe naked not knowing what to wear. I decided to wear my black umbrella dress and my black lace crop top with black scrappy heels. I applied a little bit of make-up and accesorized where it was necessary. I tied my hair into a big doughnut with curled waterfall. While I was waiting for the cab I took a video of my outfit for snapchat. I grabbed my clutch and head downstairs and locked the

doors. I got in a cab and it drove me to Windmill, Tsheps texted me telling me that I'll find him at Spur. The waiters led me to where he was seated, the minute he saw his jaw dropped. I just giggled and greeted him, he just couldn't stop complimenting me. We were waiting for someone to take our order as we were looking at the menus.

Waitress: Good evening, welcome to Spur. May I take your order? Wait a minute, Tshepang? What are you doing here?

I looked up to look at the waitress, shock of my life..

Waitress: So you're with her now? I can't believe this!

Waitress: So you're with her now? I can't believe this!

I wasn't bothered at all, I felt like screaming "Man what a time to be alive" instead of being angry, I was cool, calm and collected. I just sat there, smiling like a retard. I looked at Tshepang who was also cool and not bothered at all, he looked at me and winked at me which caused me to giggle and blush. You'd swear that this guy is a male version of me. I looked at Tidimalo (Ashley's ex-hoe/the girl that stole Ash from me) who was also our waitress and she was still looking at Tshepang. I cleared my throat so I can have her attention.

Me: Haibo baby girl, you work here now? What a pleasant surprise.

She looked at me annoyingly, man I was enjoying every bit of this but she went to looking at Tshelang. I felt my blood boil.

Me: So?

Her: So what?

Me: Haibo baby girl. Aren't you gonna ask what we want to order? Or are you getting paid to look at people's partners, oh kana you're good at snatching other people's partners so this thing is in your blood. Argh shame I understand outlwa.

Her face immediately turned red with anger, but there's nothing she'll do because she knows I'll beat her.

Me: I'm waiting..

Her: What would you like to order?

Me: Where's the ma'am part?

Her: Huh?

Me: "What would you like to order ma'am?"

kanti didn't they train you for this job?

Her: My apologies, what would you like to order ma'am?

Me: I'd like the Seafood Combo, with Orange Juice.

She turned to Tshelang who was so serious.

Her: And you?

Me: He.e nana. "And you Sir?"

Her: And you Sir?

Him: I'll have what the lady is having but with Apple Juice.

She walked off, looking annoyed as fuck.  
Tshepang and I looked at each other, and  
burst into laughter. 😊

Him: Yoh brah, where the chill at?

Me: Chill? Do we eat it? I've never heard  
about that.

Him: Here she comes with our drinks.

She gave us our drinks, just when she was  
about to leave, I stopped her.

Me: Argh I don't feel like having Orange  
Juice anymore. (Her eyes popped) I want  
Hunter's Dry. Can you get me Hunter's Dry?

Thanks love. 😊

Tshepang looked at me and shook his head  
and drank his apple juice.

Him: You're one difficult person..

Me: No I'm not.

Him: Yes you are..

Me: I guess I am. 😊

He laughed.

Me: How do you know her anyway?

Him: I was once engaged to her best friend but I broke off the engagement because she cheated on me.

Me: 😨 Refilwe?

Him: Uhm yeah. How did you know... (I cut him short)

Me: I used to school with them, made my life a living hell, almost ended my life because of them. I changed schools in the middle of the year. But I'm good now, I got my revenge on them.

Him: Made your life a living hell? How so?  
What exactly did they do to you and why led them to do that to you?

Me: Long story short, I used to date Ashley but he cheated on me with Tidimalo. So Tidimalo and her friends tricked me by texting me with Ashley's phone. When I got there, I saw Ashley busy with Tidimalo, just when I was about to approach them, I was roughly pulled in girl's bathroom by Refilwe and some girls, they beat me up. I beat them up all just as soon as the wounds were healed, but Ashley didn't like the idea that I beat his hoe up like a pulp so he ended up beating me up and I ended up wanting to kill myself but here I am, having dinner with you. 😊

Him: Wow! 😞😱

Our food came, and I dug in immediately.

Him: So you're Ashley's ex? What a small world! You've been through a lot! You're really strong to have survived all of that. So what about the guy at the braai? The one who wanted to rape you.

Me: He's actually my ex boyfriend and never have I ever thought that things would turn out to be like this. We were so in love with each other, but the day he chased me out of his apartment, all I could see in his eyes was hatred. He kicked me out his apartment like I was some dog. And to think I was involved on some accident just because of him, ever since that day he chased out, I've been shutting out everybody in my life, my parents, grandparents and friends for 5 whole months. I was depressed, all I did was eat cry, drown

myself in school work and cry till I fell asleep. I wasn't myself at all. I'd snap my arms with a rubber band because I wanted to feel the pain I was feeling on the outside but everything got better. Here I am, smiling and living life to the fullest. So basically Lebogang is bipolar and he's not taking his meds so yeah.

Him: Yoh Kamogelo. 🙄

Me: Please don't look at me like that, I'm fine now! Thanks to my supportive family and friends and you of course! I'm surprised that you were once engaged and to Refilwe noggal.

Him: Biggest mistake ever.

We ordered dessert, and it came. We had the goofiest conversation ever, you see with Tshepang I don't have to pretend to be

someone else and there were no awkward moments and he was a great listener. I felt a heavy burden being lifted off my shoulders just when I told him about my past. He seemed to understand me more than anyone else. We took a video for Snapchat, I was now addicted and it was chowing my data like nobody's business. Tshepang suddenly came up with this crazy idea of us turning up plus his friends will be with their girlfriends so he thinks it will be best if I go with him. Well I agreed, I mean who says no to turning up. He settled the bill and tipped Tidimalo real big, I even got jealous. We got in his car and drove off to Cubana while listening to Rihanna and it was my choice. Surprisingly he was singing along. We got there and it was packed but not that packed. We got inside and searched for his friends and found them. The guys

were all hot, Jizase! 😊😞 Pity they were all taken; and the ladies were beautiful too. We got seated and he introduced me to his friends.

Tsheps: Bafethu meet my beautiful date Kamogelo. This is Thapelo, Keanetswe, Motlotleng, Remofilwe and Tumelo.

The guys: Hey Kamo!

Girl 1: Beautiful you say huh?

I looked at her and she rolled her eyes at me.

Me: Nice to meet you guys. 😊

My eyes met with Remo's eyes. He was the hottest in the squad 🔥 100 but he looked like a player. I bet his girlfriend is all protective over him.

Kea: So Kamo, are you one of Tshepang's

cheap hoes? Judging from your looks, you look a bit expensive, so how much is he coughing up?

I stared at this guy who was literally disrespecting me, all of his friends went all "Ooooh snap!". Tshelang was fuming with anger.

Kea: We listening babe. Are you going fuck the whole squad just for money?

I couldn't take it no more, instead of running out crying. I slowly stood up and walked to his direction and gave him the warmest klap he's ever had. I looked at him head to toe and left. Some girl followed me until I was outside and she roughly pulled me by my arm. I was guessing she was Keanetswe's girlfriend, she then slapped me but that was hardly a slap. Man shit was about to get

down.

Me: Did you just slap me?

Her: What do you think bitch? Who do you .....

The "bitch" word kept on ringing in my head, she just had to ruin everything by calling me that. Everything happened so fast and suddenly I had a handful of her beautiful Peruvian hair and poor girl cried for help.

Tshepang came to me to break the mini fight we just had, but I didn't let go, I kept moving my hand side to side and she was really hurting, I was too angry. Tshepang literally begged me let go of her and I did. I was now calm, I picked up my clutch and fixed myself and my hair. I looked at her and I could see she was really pained from what just happened.

Me: Never go around calling people bitches knowing you can't throw fists. You'll get hurt. Now get up and fix yourself, you look a mess.

Her friends rushed to her and helped her get up, I left everybody and went to order myself a bottle of wine and Flaming Lamborghini and went to where I was seated and drank my Flaming Lambo. The guys came and got seated while looking at me. Tshepang sat right next to me, the girls passed us going to the ladies restroom while giving me dirty looks. I sipped on my wine and mind my business.

Thaps: Kana you said you're from where? The way you handled Kealeboga was 🖐️.

I just faked a laugh.

Kea: Yoh bra that slap I got, it sure came

from hell that one! I apologize for talking like that, remind me to never mess with you again and as for my girl, she never looked so scared, you deserve a bells.

Remo: I applaud you too (He laughed)

Damn this guy's laugh is just as sexy as he is, there I was wet dreaming about him and the thought of him on top of me groaning and heavily breathing in my ear just made me wet. I pulled myself together and crossed my legs.

Me: I just don't like to be intimidated and disrespected. As much as you deserved it, I apologize for slapping you.

Kea: It's cool. I thought you're one of his hoes, he even fisted my favourite shirt for you, I guess you're special to him.

Me: Oh so he has hoes?

Tsheps: Is that what you heard woman?

Me: Uh duh!

Tsheps: Argh women! They hear the bad in the good and the good in the bad.

Me: Argh whatever Tshelang. Let's get wasted mahn!

Remo: My type of girl.

I blushed and gulped my wine

Tsheps: Did I tell you that she's a 20 litre tank?

I laughed.

Me: Fuck you! 😊

Tsheps: It takes two to fuck.

Me: Mxm, do you guys always chill here? This

place is kinda boring, this is definitely not my place

They all looked at me shocked

Me: Excuse me for telling the truth.

Tlotli: So tell me where the fun at Miss-Know-It-All?

Me: Westend, Sechaba Butchery, Street Corner, Tropicana Lounge...

Tumi: In Kasi?

Me: In Kasi (I imitated him) Of course.

Tsheps: We can always go to Topaz or Capello.

I gave him a "you're not helping" look.

Me: Go to your Topaz and Capello. I'll call my girls and tell them to meet up with me at Westend. But before I leave can we just hire

hubbly.

We all agreed to leave but the plan was to ditch the girls, we had our hubbly session and the girls looked at me differently but I didn't give a fuck, I was having fun anyway! We ditched those bitches and went to Westend and it was packed unlike Cubana but at least we found a spot to sit outside and the vibe was awesome but I could see that they are uncomfortable.

Me: Will you guys just relax! (I said annoyingly)

Tumi: Is this place even safe for us to take out our iPhones?

Me: Kore you just had to brag bruh. Sa kill'a vibe yaka tuu and stop acting like snobs. You better be comfortable when I come back.

Tshepang come with me.

I bought us 14 blow job shooters, wine for myself and Heineken for the boys. We drank like there's no tomorrow coming, we got bored at Westend, then we found ourselves driving to Sechaba Butchery and it was more packed than Westend but we managed to find a spot where we can chill. We went to the bottle store and bought vodka and Heineken, they offered to buy me wine but I told them I'm going to drink Heineken. People looked at us differently especially me since I had heels on but I didn't care. I really had fun, we took lots and lots of pictures and videos. I posted the best pictures on Insta and Facebook. I was almost dawn and I was pap drunk, I asked Tshepang to drive to my apartment, I had to rest because I was meeting up with

my mom for lunch. Just when I got comfortable in the car, I blacked out!

FEW HOURS LATER...

I was woken up by my phone ringing and my head was pounding and heavy. I reached for my phone and it stopped ringing. I slowly got up and I realized that I wasn't in my apartment nor my room. I looked around and I saw Tshepang next to me and he was shirtless; I looked underneath the comforter and he was only in his boxers and I was in his t-shirt. OH MY GOD! DID WE?? OH GOD, PLEASE NO!!

I looked around and I saw Tshepang next to

me and he was shirtless; I looked underneath the comforter and he was only in his boxer and I was in his shirt... but I knew that we didn't do the deed because I still had my underwear (Bra and Undies), I breathed out of relief. My thoughts were disturbed by my phone ringing and the caller ID was written "Queen Elizabeth" shit I forgot that we were supposed to go on lunch. I quickly answered my phone.

Her: Kamogelo? I hope you didn't forget about our lunch date

Me: Why would you think that?

Her: I know you moes Kamo.. Oh well be ready, I'm picking you up in an hour.

I looked at the time on my phone and it was 11:45

Me: I thought I was going to meet you at the mall moes mama.

Her: I'm picking you up, end of discussion.

Me: Aww mama tthe, I have to .... "Tutut"  
she hang up on me.

Shit, I'm in trouble. I had to take a quick shower here, I looked at Tshepang who was lightly snoring, damn he looked sexy, I looked underneath the comforter and his abs were just breathtaking, Oh Lord take me now! I looked at him, and I just bit my lower lip, the things I could do to him though. I snapped that dirty thought out of my mind. I shook him and he didn't bother waking up, I took a pillow and hit him hard, he woke up instantly. The look on his face was priceless but I stopped myself from giggling.

Him: What the fuck Kamogelo?

Me: Why didn't you take me to my apartment when I asked you to?

Him: You hit me with a pillow just for that stupid question? Girl, go back to sleep.

Me: Tshepang, don't fuck with me okay? Now I'm late for my date!

Him: Excuse me?

Me: I said don't fuck with me.

Him: Don't play dumb with me! You have a date? With who? A date KAMOGELO?

Me: Don't raise your voice on me! I have a date with my special somebody. So just wake your ass up, and take me to my apartment, I have to get ready.

Him: Wow!

I could see he was jealous and I was enjoying every moment of it.

Me: Where's the bathroom anyway? I have to take a quick shower.

Him: Why don't you figure that out for yourself?

He sounded annoyed but I cared less.

Me: Oh well, suit yourself Mr. Cranky Pants.

I walked out of the bedroom and walked through the passage, I found the bathroom. I peed and looked for a facecloth; I took a 10 minutes shower, I lotion my body and wrapped my body with a towel. I had forgotten my clothes in Tshepang's room. I got in the room and I saw Tshepang was all ready plus the bed was made as well. I could feel his eyes piercing through my skin; I wore

my skirt and his t-shirt. I took my heels and I told Tshepang that we can go. We went to the parking lot and got in his car, and we drove off but the problem was he was driving slowly and I have like 35 minutes to get ready, I was so annoyed.

Me: Dude! Why are you driving so slowly?

Him: Why should I speed up? I don't want to get a ticket moes.

Tshepang was being ridiculous really! Is he still angry about this whole date thing?

Me: Tell me why didn't you take me to my place when I asked you to?

Him: I guess Kea was right about you..

Me: Excuse me?

Him: You heard me..

My heart just sank, that really hit home...

Me: How can you say that to me?

Him: It is true isn't it?

My heart just broke into a million pieces, how dare he?

Me: Please, stop this car.

My voice was breaking. He just kept on driving slowly.

Me: Tshepang just pull over!

He didn't budge stopping the car, I just unlocked the car and opened the door, and my left leg was outside the car, he immediately stopped the car causing the door to bang on my left leg, I screamed in pain!

Him: Jesus Christ! KAMOGELO ARE YOU TRYING TO KILL YOURSELF?

Me: Why do you even care? How could you say that to me? You think I'm just a hoe after your money? I even thought you were different, but you just like those other dick heads. You really hurt Tshelang! To even think that I liked you because I thought you were different. Have a nice life Fuck Head! BTW I'm going on a date with my mom!

After saying that, I grabbed my stuff and banged the door. I stopped a taxi and limped my way to it, I wiped my tears and paid for the taxi. It dropped me a few miles away from my apartment. I rushed over the apartment with my sore leg, I was even crying because I couldn't bear the pain, luckily I bumped in the guy that lives next to my flat, he helped me up the stairs and I thanked him. I went over to the basin and

wiped my face. I decide to wear a yellow summer dress with a yellow hat and white sandals revealing my cute toes but my left leg was just purple, I really had to go to the doctor. I applied red lipstick and some eyeliner. I really looked good, I accessorized where it was necessary, and put on my "T" necklace that Tay bought for me. I REALLY MISSED MY BEST FRIEND! I HOPE SHE'S HAVING THE TIME OF HER LIFE WITH HER FIANCE. A knock came through and I knew it was my mom, limped my way to the door and opened for her.

Her: I hope you're ready..

Me: Hello mama.

Her: Hey baby (She kissed both my cheeks, strange! She does that when she nervous) you look cute! Why is your foot all purple?

Me: Uhm.. A pot fell on my leg while I was washing the dishes.

Her: We have to go to the doctor for that foot..

Me: Yes mother. Shall we?

Her: Yeah sure.

I grabbed my sling back and locked the door. We walked to mom's car and drove to Waterfront; we first went to Mr. Price to shop for my clothes, and went Edgars and YDE. Lastly, we went to Sportscene, I got myself Nike flip-flops and Nike Cortez tekkies and mom bought me a black and white Vans. We paid and we went to the food court, we went to Ocean Basket. We ordered prawns since it was our favorite; and we had also bought wine for ourselves.

My phone kept ringing and ringing, Tshepang was really annoying the shit outta me. I even switched off my phone to avoid being interrogated by mom. Our food came and the prawns were delish you guys; I couldn't stop myself from eating them. Me and was just catching till things got way too serious.

Her: Baby, you know that I will always love you and you'll always be my first.

Me: Okay? Why now serious?

Her: I have something to tell you babe.

Me: Then tell me..

Her: I'm pregnant!

Me: Haha very funny mama.

Her: I'm serious babe; I'm pregnant and getting married.

Me: What the fuck

Mom: I'm serious babe; I'm pregnant and getting married.

Me: What the fuck?

My mom had me when she was a teenager herself, and worse part she had me while she was doing matric, but she passed her matric. So since I'm 19 years that would make my mom 37 years cause she had me when she was 18 years.

Mom: Please mind your language when talking to me.

Me: Sorry mama, what I meant is what the heck? How far along are you?

Mom: 2 months..

Me: So she'll be born in July... On my birth month? Wow mommy! Finally I'll have a sibling; I hope it's a girl. So let's get real who is this man that you're getting married to? We have to meet so we can have the TALK. (I giggled)

Mom: Oh when did you grow up?

Me: Long time ago Queen Elizabeth, Long time ago.

We laughed after that.

Mom: So does this means that you're happy with me being pregnant and getting married.

Me: Duh who wouldn't be? You've given me a chance to be a big sister and of course a bridesmaid. So I'm beyond happy, you deserve to be happy

Mom: Thank you babe.

Me: I'm going to be an auntie plus a big sister. Wow! I'm so grateful.

Mom: Auntie?

Me: Oh yeah, Thato is pregnandous! She's now on her 3rd month.

Mom: Oh wow!

Me: So when am I meeting this boyfriend of yours?

Mom: Soon!

Me: Mara mama, you didn't even tell me that you have a boyfriend.

Mom: Askies mahn..

Me: If it's a boy, he'll be Oregolele and if it's a little princess she'll be Oreratile..

Mom: Oh my God! The way you're so excited

about having a sibling you're even naming him..

Me: It could be a her you know..

Mom: Whatever!

Her phone rang and she smiled widely, I reckoned it could be this baby daddy..

Her: Papage...

Caller: .....

Her: It went well, she's so excited. She's even thinking of names..

Caller: .....

Her: She says if it's a boy he'll be Oregolele and if it's a girl then she'll be Oreratile..

Caller: .....

Her: you wanna talk to her?

Me: Nooooooooo!

Caller: .....

Her: She's just being silly this one, Oh I'll tell her about it.

Caller: .....

Her: I love you baby..

Me: Eeeuw just end the call already mom.

Her: Byee babe.

She dropped the call.

Her: Jealousy will get you nowhere babe.

Me: Whatever!

We finished eating and we settled the bill but before we could go I sulked, asking mom to buy prawns so that I eat them at home. She eventually gave in and bought them for me, it's not like she had a choice anyway. We

walked out of the mall and paid for the ticket, and walked to mom's car and drove off to my apartment. I bid my farewell to my mom and stepped out of the car, I carried my plastics and walked slowly since my foot hurt, I looked at it and it was purple-greenish plus it was swollen. I really had to go to the hospital tomorrow. It was a challenge for me to go up all those stairs but I eventually got to my apartment, I got in and placed my prawns on the kitchen counter, and took all the other plastics in my room. My leg started paining now, and the pain was unbearable, luckily I had painkillers for the pain. I ran some hot water in the bathtub and poured all the salts in the bathtub, I poured myself some wine and put on some soulful music, what a way to relax. I got in and it was bliss, I just sat there in the tub with some good music in

the background. I've been in the bath tub for an hour and never have I ever been so relaxed in my life, I got out and wrapped myself in a towel and lotion my body, I wore my turquoise pajamas and started cleaning the bathroom. I decided to switch on my phone, and my phone with messages from Tshepang, Ashley, Tay, and Mom. Just when I was about to call mom, Tshepang call came through, I wanted to ignore it but I knew he wasn't going to stop calling so I answered.

### CALL CONVERSATION

Me: O batlang? (What do you want?)

Him: Sa bua le nna jwalo, I was worried sick about you! (Don't talk to me like that; I was worried sick about you)

Me: What do you want Tshepang?

Him: Babe, Please forgive me.

Me: Is that all?

Him: Yeah, so .....

I hung before he could finish his sentence, I immediately added his number on Reject List, I blocked on Whatsapp and Facebook. I missed my best friend so much so I video called her.

Her: Sefebe! I've been trying to get hold of you the whole day, where the fuck have you been? What if I was in labour moo? (She started crying)

Me: Haa friend, don't cry! Relax chommie! I'm sorry man, I was out with my mom, so I switched off my phone. Stop being this dramatic.

Her: Okay (She wiped her tears) So how is

that mother of mine doing?

Me: She's good, and very pregnant.

Her: Pregnant? Is she pregnant?

Me: Just like you chom, she's on her 2nd month now.

Her: Wow, so it's just you?

Me: No thank you, ke grand...

Her: I see you had fun without me last night.

Me: Haibo chommie, you get fucked like everyday and you don't hear me complaining.

Her: You really need a dick in your life, Maybe we should have a threesome..

Me: With you guys? No thank you.

Her: What's wrong with us kante?

Me: Nothing babe.

Her: He has fucked you before...

Me: So? That was before, now I'm ayt.

Her: Since Ashley's dick is not good enough for you then it means I ain't either, Bye Kamogelo.

She ended the call.

Me: Okay, what just happened?

I laughed, Pregnancy is messing with my friend's head shame. I stood up and poured myself wine and took my prawns from the kitchen counter. I went to my room, limping of course. I ate my prawns with my dry white wine while watching "To Do List" on my laptop, I eventually fell asleep.

FEW DAYS LATER...

Last few days, I've been ignoring Tshepang but I missed his craziness so much but I ain't going to hit him up or forgive him, what he said was hurtful. Tay and I fixed things and we laughed about it when we thought of it... My foot was getting better even though I had cast on it.

Mom called me to tell me that there's a family reunion at her boyfriend's house so I should come over and him and his son...I really wasn't up for it but I had to be there for my mom. Mom called and told me to get ready in an hour, I took a quick bath and lotion my body, and I was still puzzled on what to wear. I put on a black bikini, with a black high waisted short with a blue see-through top. I had long twist on so I tied it into a messy bun. I put on light make up and put on some

red lipstick. I wore my one blue flip-flop. My cast was all dazzled up with these fake jewels but I liked it anyway. I made myself a fruit salad with some low fat yoghurt, and it was bliss I tell you. Mom came and we drove to Masselsport Resort, it's a good thing I had my bikini on. While we were looking space to park, I saw Tshepang's car driving past us, I thanked my lucky stars but he was with a girl and she looked pretty. I frowned at that thought.

Mom: We're here!

Me: Nice!

Mom: Hey, what's wrong now?

Me: Argh I just miss Tay that's all.

Mom: Are you sure that's it? I seemed down when you saw that car drive past us.

Me: I'm sure mom, can we just go already?

Mom: (sigh) Okay.

We stepped out of the car; mom and I held hands and walked around looking for Ntate Motaung. She called him and he waved his hand so that we can see him, Mom's face lit up the moment he saw him, I could see that she was genuinely happy with that guy so who am I not approve all of this? We got to him and mom let go of my hand and jumped to him, she literally jumped! They shared a long kiss, damn that moment was awkward for me, I got saved by my phone, it was Tay video calling me, I answered.

VIDEO CALL CONVO:

Me: Babes

Tay: Yah Bishh'kazi.

Me: Yoh if it's not you and Ash, its mom and this new boyfriend. Mom should've just named me candle-holder.

Thato laughed so hard till tears came out.

Me: It's not funny dude (I said annoyingly)

Tay: Sorry best friend. Let me see what you have on.

I showed her.

Tay: You have that little black number on?  
Damn girl, you are flames shame.

Me: Oh thank you your highness.

Tay: Argh, babe I gotta go. I'm horny so I'm going to beg my man to give me some.

Me: TMI Thato! Bye!

I hung up. I walked to mom and the new boyfriend.

Me: Sorry about that. Dumelang.

He looked like somebody I know but I couldn't tell who.

Him: Dumela, come give me a hug

We hugged!

Him: We finally meet; your mom told me so much about you.

Me: Good thing I hope. (I smiled)

Him: And the naughty moments when you were a toddler.

Me: Mom!

Mom to N.Mot: Wa bona jwale? (You see now)

N.Mot to Mom: Sorry sweetheart (He kissed her nose, causing her to smile)

Me: Where is your son?

N.Motaung: Good question! Where is.. Oh here he comes!

Mom pokes me with her elbow.

Me: What?

Mom: Good job kid, his son! He's so handsome.

Me: Mom behave! I wonder what will your boyfriend say when he hears you say that.

Mom: Argh stop being uptight and live a little.

Me: Excuse me! I .... (I got interrupted by Ntate Motaung, BTW his name is John)

John: I'd like you to meet my son .....

I turned to see who it was and the shock of my life.

John: I'd like you to meet my son...

I turned to see who it was and the shock of my life, it was Tshepang but standing behind it was Remofilwe, my heart skipped a beat, I got worried instantly. What if he is the son? What will happen to us? I looked at him and I see frown when he looked at my leg that has a cast, I faintly smile at him. I looked at John and he definitely look like Tshepang, he looked more like Remofilwe. He was the older version of Remofilwe. Mom scored big time, I mean Remofilwe's dad is not you guys. I was relieved that John was Remo's dad. I wonder what would've happened if Tshepang was the son, I love this guy regardless how stupid he can be sometimes. HOLD THE PHONE! Did I just say the "LOVE" word? I

guess so.

I looked at these 3 men who happened to be my step-father, step-brother and the guy I loved with my all in front of me with my mom. But I smiled at them and best believe it was genuine, I walked to them.

Me: Remz, wassup man?

Remo: I'm superb and you little one?

Me: Little one? Oh no you didn't just call me little; I'll smack you like I smacked Kea.

Remo: Nah, I'm good fam. That slap was from hell I tell you.

Me: Whatever's man. Come give your step-sister some love man!

He stepped forward and gave me a hug. Oh Father God Jesus! This guy smelt good for days, I even closed my eyes hugging him. I

wonder how he is in bed, damn! Dirty thoughts again, I pushed afar. The hug was longer than I expected, it got disturbed by someone coughing, I knew it was Tshepang; I laughed a little and looked at him.

Me: Hi Tshepang. (I felt my eyes twinkle, and my smile was wide, meaning I was happy to see him)

He smiled revealing his deep dimples. My weakness right there.

Tsheps: Hey Ba... Kamo.

Me: How have you been?

Tsheps: I've been fine I guess.

Remo: Nigga stop lying, you've been miserable without her man. Just say it.

Tsheps: Nigga shut up! Go call your girlfriend or something.

I remembered that my mom and John behind us looking all lovey-dovey. And they suddenly kissed.

Me: Guys we understand that you're in love and all but please tuu, not in front of the kids (I was referring to me, Tshepang & Remofilwe)

Remo: I'm no kid; I'm a grown ass man. Speak for yourself kiddo.

Me: Excuse me? What exactly were you saying 'cause all I heard was Blah, Blah, Blah!

Remo: Just because you have a cast on it will stop me from slapping you.

Me: I'd like to see you try.

He came to me and I managed to hop to my mom and hid behind her.

Me: Mommy help me.

Remo just burst into laughter, till he had tears running down on his cheek.

Remo: You scaredy pants!

Me: Whatever man. Mommy how about we take a walk?

Mom: Sure.

Me: Later bo'babes. (I winked at Tshepang, causing him to smile)

Mom: So where did you guys meet?

Me: You mean me and Remo? Oh we met at a club.

Mom: Cut the crap, you know I'm talking about Tshepang, I saw how you look at him when he was in his car with that girl and I saw how you guys looked at each other, You guys love each other.

Me: You remember you said the same thing about Lebo but look where it got me, it led me to depression

Mom: But you overcame it baby. Give the poor guy a chance; you can't punish Tshepang for Lebo's mistakes. Who knew that the loving Lebo will turn out to be a psycho that he is. Babe, it is all up to you, listen to your heart and pray to God to help you make a wise decision but whatever you decide, I'll be there to support you.

Me: Thank you mommy. I love you so much.

Mom: I love you too; I actually love the both of you.

Me: Let's take snaps.

Mom: Yey! I've been dying to use those filters!

Me: Yoh mama! What do you know about filters?

Mom: Shut up and take pictures already.

We took a lot of pictures, and videos. I posted the best ones on every social media I was active on.

We walked back to the family.

Me: Mommy dearest!

Mom: What do you want?

Me: A new phone! I was hoping if you could buy me an iPhone ...

Mom: Dream on.

Me: Mommy please!

John interfered.

John: Haww Elizabeth, maybe we could work out something!

A smiled crept on my face.

Mom: Wipe off that smug.

Me: I love you too mom. (Laughs)

My phone beeped, it was a text from an unknown number, I opened it.

"Damn that short on you makes me have a boner.."

"You're mine Kamogelo, never forget that"

I freaked knowing Lebogang is out there watching my every move, somebody touched my shoulder and I really freaked out and all eyes were on us. I sat down and rocked myself back & forth.

COULD HE BE BACK, FOR GOOD? NO  
PLEASE NO!

I stood up and rushed to my mom, and just fell in her arms and cried, I looked up and saw how all these people around me and my mom pitied me. I stopped crying, that when mom got the chance to talk to me because I was calm now.

Mom: What's wrong baby?

Me: Mama he's back for me, he told me that he owns me and I'm his alone, ka tshaba mama (I'm scared mama)

Mom: Who are you talking about?

Me: LEBOGANG! He just sent me two messages just now.

Mom: But how can he? Last time I checked he was locked up in a mental institution. I

think you should rest my baby.

Me: Rest? You're telling me to go rest? HOW CAN I REST WHEN HE'S OUT THERE FOR ME?! Keng keo tlhabisa ka ditlhong pela new hubby? (What is it? Am I embarrassing in front of your new hubby?) Waitsi keng neh? Ere ke tsamaye, because clearly kao embarrass'a. (You know what, let me just leave, because clearly I'm embarrassing you) Oh and don't worry about me, I'll call a meter cab to come fetch me.

With that I walked away with tears in my eyes, and something caught my eye as I was walking past a group of girls and boys, it was Tshepang and some girl kissing and the girl looked at me while kissing Tshepang, and she stopped the kiss and said something.

Girl: Hey! You wanna play?

That's when Tshepang looked back, only to find out it's me standing behind them and he looked down and stood up.

Tsheps: Kamo, I can explain!

Me: Save it. I don't want to hear anything that is coming from your mouth nigga, so go back to your girlfriend because it looks like yall have some unfinished business. So don't worry about me.

Tsheps: Please don't be like this, it was just a game, you know that I love you. And you only!

Me: Baby boy, I've heard that before only to find out I got myself in danger with a lunatic guy, who practically thinks that he owns me. So now go on, your friends are waiting for you Sweetie.

With that I left him, standing like that.

Tsheps: KAMO!

I just chucked up my deuces in the air, leaving him all shocked.

Luckily I found a meter cab there at the resort, and I asked him to take me to my apartment. He got to my apartment and I paid him his money and I went in the apartment. I took my Drostdy Hof Adelpracht, I poured the wine a big ass wine glass, I took a sip, oh it felt like heaven was brought onto my mouth, I switched the radio and I put on Beyonce's 1 + 1 song, and it was on repeat. The more I drank my wine, the louder I sang along, I was in deep thoughts, wondering what life was going to be like if I didn't meet up with Lebogang in that Cafeteria, I guess it would've been less

complicated than it is now. I was on my third glass now, and I was getting drunk and I was now listening to Rihanna's Stupid in love, and I realized that I was madly, irrevocably, terribly and stupidly in love with Tshepang the jerk, I have been in love with a lot of guys but Tshepang is just different from the others, in my eyes he's just a different breed and that's why I'm in love with him. As I was thinking about him, I thought of that scene that I saw, him being kissed by another girl and it seems like he enjoyed it, that's when my little heart broke a little, while I was deep in my thoughts, a knock came through the door. I stood up and I was a little tipsy but I made it to the door. I unlocked it and opened the door and it was Tshepang and his eyes were bloodshot red. I made a way for him to come in. As I was

about to say something, he just smashed his lips unto mine, I hesitated on responding to the kiss but I finally gave in, it felt good indeed. Just when I was getting in the zone, he broke the kiss. I looked at him and slapped him, leaving him all speechless and walked past him.

Me: You know your way out famo.

I went to my bedroom and changed into my turquoise P.Js, I slid into my bed and immediately fell asleep.

Next day...

I woke up with a heavy headache, I managed to get out of the bed and went to the bathroom for a quick shower. After the shower I had I drank 1 painkiller for the headache on an empty stomach, I went to

get dressed in Tshepang's oversized t-shirt and a bum short. I went to the lounge and I heard something being fried and I thought Tay was back from her romantic getaway and besides she's the only one who had keys to our apartment, I went to the kitchen.

Me: My baby momma, you're .... WHAT THE FUCK?!

Tsheps: Morning to you too.

Me: Didn't I tell you to leave last night.

Tsheps: Breakfast is almost ready babe.

Me: Babe? Get out!

Tsheps: How did you sleep my love?

Me: You know what, I'm calling the police.

I grabbed my phone, and he quickly snatched it from my hand.

Me: Give me back my phone!

Instead he came to me and picked me up and put on a kitchen counter.

Tsheps: Relax woman, will you?

Me: WHATEVER.

Tsheps: Now that's my girl. So just sit there and watch daddy prepare you some breakfast.

I just rolled my eyes. And he just chuckled. I looked at him as he was preparing English Breakfast and he was really good at what he was doing.

Me: You're taking forever dude and I'm freaking starving.

Tsheps: Whuu MmaDijo.

Me: Mxm.

He was done and he dished up for us, I was about to dig in but he stopped me telling me we have to pray for the food, yoh this guy was testing me!

Me: Rapela geh (Pray then!)

Tsheps: Nah, you're the one praying.

Me: Close your eyes.

He did so.

Me: God bless our food. Amen.

Before he could say something, I stuffed my face with eggs, and he just chuckled. Damn the food tasted heavenly, I kept closing my eyes while stuffing myself with food, and they really tasted good. When I opened my eyes, I met up with a camera phone, I just knew this was going on Insta.

Me: Tshepang maaarn!

I finished my food and went to wash my dish, but Tshepang snuck unto me and picked me up bridal style, I couldn't stop laughing. He made me face him and I knew things were about to get serious, judging his facial expression.

Tsheps: Babe, I'd like to apologize for what I've put you through including the leg, I can't think straight when you and I aren't talking, I was miserable knowing that I've hurt you and your leg knowing how fragile you are.

Me: It's okay, I know ...

Tsheps: Just let me finish, what I need to say.

Me: Sorry...

He chuckled; he just knew I was going to

respond.

Tsheps: Ever since I saw you at Spar, dealing with that drama. I fell in love with you, I fell in love with the way you handled the situation, I fell in love with how you walk, and I fell in love with every feature and action. So all I'm asking is for you to give us a chance (he knelt down) Baby please let me love you, let me give you the love that you deserve, let me be your shoulder to cry on, let me be the person that you can confide in and lean on. I love you Kamogelo! Just let me in baby, let me love you!

I had tears streaming on my cheeks, I was about to answer him but my phone beeped twice. It was a picture of me wrapped in a towel, "You still look yummy baby, and I'm coming for you! You're mine!" I dropped my

phone and screamed!

10K likes! Whoop Whoop! I'm forever grateful!

3 months later...

worry about Thato. I bet Ashley would be very much stupid to cheat on you because he'd lose you and the baby and your love, trust entlek pretty much everything. After a few mins, she came out wearing turquoise blue maxi dress with white sandals. Her hair was sorted because she dry curled her hair.

We went out of our apartment, on our way to the gate, she stopped walking.

Me: What now drama queen?

Thato: Cab e kae? (Where's the cab?)

We started walking, while talking. Mare Thato being a drama queen that she is, she started complaining and came up with excuses. She even stopped a white woman's car asking her to take us to the mall. And luckily she agreed. Thato is lazy mahn. We got off the car and thanked the woman. We walked in and started window shopping, we even bought matching bracelets. We went to watch a movie and played a few games. We got hungry

and we went to the food court.

Me: So where should we eat?

Thato: Spur!

Me: Haa mahn!

Thato: Steers?

Me: Euro Café? Let's go to Panarottis geh

Thato: Yesss! Big on the family, Big on the pizza.

Me: I can't with you right now.

We went to Panarottis and we settled down.

They gave us the menus; we started browsing through the menu. After a while, the waiter came to take our order.

Me: I want the one with peperoni; make sure there are lots and lots of peperoni.

Thato: I'd like ... what the fuck? Isn't that

Ashley? With a woman? I told you Kamo mahn. He's cheating! I'm going there, nou!

And it was indeed him but he was at Euro Cafe

Me: Thato babe, Calm down!

Thato: Yeeey don't tell me to calm down outlwa. Kaya daar!

She furiously stood up and attempted to go to Euro Café but she stopped and screamed, holding her tummy. The next thing, her dress is all bloody, and she fainted.

Me: THATO! Somebody help me please! Call an ambulance please!

I was crying hysterically.

Is she about to lose the baby? Lord please no!

A part of me was super angry at Ashley; I wanted to go over to him and slap his senses back, because he just got engaged to Tay and now look at him all giggly with some whore. I really wanted to go there and give a piece of my mind but I couldn't leave Tay here. I found myself fanning her; I seriously didn't know what to do. After a few minutes the ambulance came and took Tay. I told them to take her to Medi-Clinic, I went over to Euro Café and mind my dress is all bloody plus my hands. I went over to Ashley's table, I was mad as hell, I didn't even care what the people were saying about me.

Me: Yah neh! Go monate moes moo.

Ash: Eh ntwana! O batlang moo? Vrou yaka e setse le mang?

Me: Oh yanong o nale worry yanong ka vrou? Let me tell you something geh S'febe! Vrou ya gago is at the hospital, fighting for her life and that baby's life, wena you're busy entertaining difebe serious.

The girl: Uh sorry did you just call me a bitch?

Me: No I called you a s'febe wena s'febe kwena.

The girl was about to say something but Ash shooked his head, indicating her to stop.

Me: You see this blood all over me, it's Tay's blood. Yho if Thato loses that baby, there'll be hell to pay wankutlwa!

My phone rang and it was Tshelang.

Me: I'm coming baby! I'm at Euro Café.

He hung up. As soon as he saw he came over to me, he hugged me tightly and gave his blazer because I was all bloody.

A few hours later at the hospital..

We were just waiting there, waiting for the doctors to tell what the heck is happening in that room. It was me, Tshelang, Ashley and Thato's mom. I stood up and started pacing, I was really worried. I was even on the edge of crying, that was better half in there, fighting for both her baby's and her life.

The doctor finally came, and we all stood up, and Ashley kept asking if Thato is okay or if the baby is okay.

Me: Boy shut the fuck up!

Ash: Bitch don't tell me what to do.

Me: Or what? You'll beat me up again and let

me crawl back into depression. Try s'febe!  
TRY!

He was about to raise his hand on me but  
Tshepang flipped telling us to shut up, luckily  
Thato's mom was not here to witness all of  
this, she has gone to the restroom. She came  
back and the doctor told us what really  
happened. I was on my knees crying, crying  
like never before...

I know it's a mini skirt but I really tried  
typing further, mare yhoo I couldn't.

Insert 35 Continuation.

Dr: Thato Moiloa's family?

We all nod quickly.

Dr: Greeting, I'm Doctor Naidoo. My patient

was in a lot of stress, so this is what caused all the bleeding and the fainting. When she got here she was already worse so that when we're decided that we should the baby out because she was in danger. So congratulations, she has given birth to a beautiful baby girl.

I went on my knees and cried. I thank the Good Lord above for saving both my best friend and niece. I stood up, and let the Doctor continue what he was saying.

Dr: Well, she's premature so she's having a hard time breathing because her little lungs weren't fully developed. But other than that she'll be okay. Oh she asked to see a lady called "Kamo".

Me: That would be me ( I said that raising my right hand)

Dr: Okay. Follow me then.

I did as I was told, I was nervous to see her because I don't know what she was probably feeling or what to expect when I go inside that room. We got to her door, and Doctor Naidoo saw I was nervous so he patted my shoulders and told me that everything will be fine. I nod and went in. Yho guys my friend was so pale abd different. She surely looked tired plus she had eyebags.

Me: Baby mama!

Thato: Hey! (She faked a smile)

Me: How are you feeling? I'm sorry I couldn't ride with you all the way from the mall to here, you know I'm terrified of ambulances.

She laughed a little.

Thato: Don't make me laugh, I'm in pain.

Me: Askies.

Thato: I told you to stop watching these horror movies. Bona nou.

Me: Mxm whateve's bitch.

Thato: I bet you're over the moon that I gave birth to a baby girl.

Me: I'm beyond happy! When the doctor told us that you gave birth to a baby girl, I was like "Psych!". You should always listen to me wena.

Thato: Mxm ohooo! What do you mean when you say "Us"? Whose also here?

Me: Tshepang o teng, .....

Thato: Obviously! You two are like magnets, when you move, he moves too.

Me: Argh! Should I carry on?

She nod.

Me: Your mom is here too and your fiancé.

Thato: You went over to him when I got wheeled out neh?

Me: You know me too well my dear friend, and I was all bloody but I cared less because I was fuming with anger.

Thato: That is something that my best friend would do shame.

Me: Where's my nunubud? Ponkolosi ya Aunty yena.

Thato: In the nursery, it hurts me to see in that incubator with all of those machines around her tiny body. I feel like I have failed her, I failed her Kamo!

Me: Hey! Don't you dare think that you've failed her. She's here now, she's here because

of you. Don't ever doubt that okay. She'll be fine.

I climbed on her bed. And hugged her tightly. Rocking her back and forth. She fell asleep and I walked out her room quietly. And went to join the others. I told them what happened and Ashley's was bowed down all this time.

NEXT DAY...

I quickly showered and went to attend my first class. I wore a blue jean with a white tank top and my red baseball shirt ya Redbat. I put on my white All-stars, I put on my red NY cap. I put lipstick on and took my bag and Thato's bag filled with the baby clothes I bought yesterday. I rushed to my class.

After my long ass class, I packed my stuff

and went out. As I was walking I bumped into someone, I looked up and to see who it was and it was someone I didn't want to see. I became terrified, not knowing what to do.

Him: Hey babe. He had this huge smirk on him)

Me: Yho the devil is a liar, phuma kim' Satan! I cast you out In The Name Of Jesus! Stay the fuck away from me. Rubbish.

I ran to the taxi and got in. Still terrified. Why is he following me! I groaned!

Insert 36

Let's rewind back to Insert 33, you guys still remember that Kamo got a strange text from a mysterious person, well that message

comes from a guy called Gaopalelwe, and he was madly in love with me. Next day, I got dead flowers from him and a note from him, basically telling me that we belong together. But Tshepang managed to track him down, so it happened that he was not well in the head so that's why. He once kidnapped his female cousin for 3 weeks, and he did that because his cousin teased him about his mental issues, and ever since then he was locked up in a mental institution. Why do I seem to be attracting these entire crazy people mare?

Anyway back to story!

While I was in a taxi, I did my breathing exercises just to calm myself from what just happened, and this girl next to me was looking at me weirdly and I was quite annoyed with

it so I just snapped.

Me: O nale puo Siza? (You have anything to say sister?)

And she just laughed at me, which made me more annoyed, so I just kept my composure.

Her: Ase wena ex ya Lebo? (Aren't you Lebo's ex girlfriend?)

Me: Hago batla go itsi mang? (And who wants to know?)

Her: Aii shame, no wonder he left you. You're so dramatic, you think you breathe flavoured air.

Me: Ngwanyana weeh! Kopa osang teka tumelo, ketlago trapa gore! (Girl! Please don't test my patience because I'll show you flames!)

Her: I'd like to see you try shame.

My stop was nearby, so I just kept quiet. As I was going to climb off the taxi, she said something. I don't know what happened but my hands were held by this guy in the taxi, when I looked at that girl, she was holding her cheek and she looked shocked too.

Me: You better pray to God and your ancestors that I don't bump into you. Otlogo nyela! I promise you that. Sorry bagolo.

I fixed myself, and made my way to Thato's room.

Me: Yummy mommy.

Her: Baby love.

Me: How are you?

Her: I'm coping; you look tense, what's up?

Me: I was provoked in the taxi, can you imagine?

Her: By who now?

Me: I don't even know that girl! (I narrated the whole story from the beginning)

Her: Please tell me you didn't do anything stupid in that taxi.

Me: Well...

She covered her face with both her hands. She already knows it went down in the taxi.

Me: I kind of slapped her.

Her: Mare in the taxi Kamo?

Me: Haibo she provoked me and I had to teach her a lesson. O sele!

Her: I bet you told her that when you guys bump into each other, you're gonna beat the shit out her neh?

Me: You my friend, know me to well. So enough

about today's drama, How is my baby girl?

Her: She's doing for a premature shame.

Me: So she's gonna stay her when you'll be discharged?

I saw tears build up in her eyes. She had a lump in her throat so she just nodded. I walked over to her, and sat on her bed.

Me: Don't cry. Everything will be fine, we'll visit her every time we get a chance and I assure you that she's in pretty good hands here and let's not forget we will pray for her all the time. I know that it hurts; I do because it hurts me too. But with God, on our side, then there's nothing to be worried about okay?

She nodded.

Me: I love you.

Her: I love you too.

I stay in her bed until I fell asleep. I was woken up by kisses on my face, I smiled because I knew it was Tshelang, mind you that my eyes were still closed.

Him: I hate it when you do that.

I laughed.

Me: I just know you too well baby.

My eyes were still closed.

Him: You can open your eyes now geh.

I did what I was told to. Only to find that Ashley was here too.

Me: Ashley.

Ash: Hello, how is she holding up?

Me: She's okay.

Thato moved, and rubbed her eyes and sat up straight.

Her: Dumelang! (Hello!)

Tsheps: Agee mme wa ...? Entlek o mme wa mang? (Hello mother of ....? Whose mother are you?)

Her: Omogolo Angela Moiloa.

Me: That was supposed to be my baby's name, you thief!

Her: Well darling! There's nothing you can do about it.

Ash: Not even me? Cause clearly I have a right name my baby too.

I was about to say something but Tshepang held my hand and pulled me out of the room.

Tsheps: Don't you want some coffee or

something to eat?

Me: McD's?

Tsheps: Yes baby.

I squealed in excitement and he just chuckled. We got to his car and drove to the nearest McD. We ordered, while we were waiting for our order we were eating McFlurries entlek I was busy eating his, and he's complain but I didn't careless. We drove back to the hospital and went straight to the room. And I found Thato crying, I rushed to her and calmed her down.

Her: He was cheating on me Kamo, he said so himself. I was right all of this time.

Me: Sssssshhh hotla loka (It will be fine)

Ashley's POV

Nothing breaks my heart like seeing the one

that I love cry but I had to do it, or else the plans that I had would totally be ruined and I'm not going to risk that. I love Thato so much that's why I'm secretly planning this wedding. Thato is the one person that I see myself with for the rest of my life, and now that she's carrying my child, I'm super in love with her! My heart is in pieces because she went into early labour because she saw with the woman that is helping me with these wedding plans. I'd never CHEAT on my babe, so I created the Cheating saga so that I can plan this wedding peacefully, and I know Kamo probably hates me but it's for the best. I'll tell her the day before the surprise wedding.

A month later...

Things have been going pretty much good for me, I'm finally with someone who pretty much gets me, and someone who can tame my wild side. I'm happy with the person that I'm with because in a short period of time, he knows what I went through and he gets it when I get a little insecure and all over-protective. And I guess he is that someone that I've been praying to God for. Let's say I'm forever thankful for Tshepang in my life, yes we fight a lot but the love that he has shown me so far, I think I might spend the rest of my life with him and I hope it happens.

Well, Thato! She's busy recovering slowly but surely and I'm so proud of her for not letting

this issue about Ashley get into her head because she has a kid to focus on whose doing a lot of process. She gets more and more adorable everyday when we go see her after class. She really looks like Thato, especially that mouth and eyes but the girl got her daddy's nose. Ashley has tried reaching out to Thato, but she just wouldn't budge hearing Ash's side of the story. Instead of giving up, he called me and begged me to meet up with him so I can hear what really went down. So I agreed to meet up but not alone, with snuggle bunny of course! We agreed to meet after my classes.

I got up from my bed, and went to take a shower. I put lotion on my body and took out my outfit of the day, it was bit chilly outside so I decided to wear a black skinny jean, a

white tank top, white chuck taylor and my boyfriend's blue Adidas hoodie which I stole from him. I comb my hair into a nice ponytail and put on my red lipstick. I prepare myself some light snack since I had plenty of time, I was all alone. Thato had to go to the hospital early with her parents, so I'll meet up with her in class. It was time for me to go campus, so I plugged my earphones and listened to Zayn Malik's Mind of mine album. As I was busy enjoying the album, my phone rang and I picked up without checking the caller ID.

Me: Hello?

"Since when do you say Hello when picking up my phone calls?"

It was the love of my life, Tshepang.

Me: \*giggles\* Sorry baby, I'm on my way to campus so my phone is in my pocket.

Tsheps: I hope you're not listening that boy you love so much, kana ke mang ntwana yeo?

Tshepang despise the fact that I have a mini crush on Zayn Malik, everytime I'm with Tshepang in his car, we have to listen to at least 1 or 2 of his songs. My man though.

Me: Never baby. I'm listening to your woman crush, Riri!

Tsheps: I know that you're lying.

Me: Okay, okay you got me!

Tsheps: Mxm!

Me: I love you, and you only.

Tsheps: I see you're trying to soften me up.

Me: Is it working?

Tsheps: Nope!

Me: O rata maka. I know that little heart is melting in there.

Tsheps: I hate it when you know me this much.

Me: Keep on hating my chargie.

Tsheps: I gotta go. I'll come pick up you at 3 neh?

Me: Okay nunuberry. Love you!

Tsheps: What happened to "I love you" yanong?

Me: Oh Kreste! I love you babe, forever and always.

Tsheps: That's my girl, bye now.

Me: Yeey where's ..... \*Tututu\*

He long dropped the phone.

Me: Son of a gun, nxa!

I got to my first class of the day and it was long and exhausting as usual. The lecturer even told us that we should study which chapters the hardest, kore I just knew we gonna write a test anytime this week. My next class was at 12:30 so I want to get myself some refreshments and obviously food. I called Thato to ask where she is but her phone rang unanswered. I rushed off to my next class and we were given an assignment, just fucking great. Before I knew it, it was 15:00. I strolled to where I usually wait for Tshepang, with a girl who is also in the same class as me and she's coloured and her name is Melissa. We exchanged numbers as soon she saw her boyfriend's car, I hoped to see my boyfriend's car but nothing, yhoo I was

fuming! I waited and waited and waaaaited! I didn't even budge calling after an hour and 30 mins, he speeding like a maniac over to where I'm sittted. I got up and made my way to the front sit, only to find out it is occupied. Remember the girl I had an encounter with, in a taxi, it was her in the front seat. Yhooo I was FUUUMIIING with anger, nou soh Tshepang ong tlwaela masepa serious. I calmed down a bit and made my way to the back seat, I got in the car.

Me: Dumelang.

Before they could respond, I stuffed my ears with the earphones and looked out the window minding my own business. The way I'm so calm about this whole situation, it's scary in so many levels, and I can see that Tshepang is busy looking at me in the mirror

trying to start a conversation with me but I'm just there looking the window with my earphones. I'm pretty sure that bitch has some nasty evil smirk on her fucking face. I texted Ashley and he said we'll meet up at Euro Caffè. We got to Mimosa Mall main entrance, I took my 1 earphone and looked at Tshepang, waiting for him to say something.

Me: And now?

Tsheps: I'll see you later babe. I have to drop Masego at down-town.

Me: Askies? Hee Tshepang, I thought we'd go to meet up with Ashley together, eseng me alone! TO-GE-THER!

Tsheps: Eish I forgot about that, go on, I'll meet you guys there. Where are you guys meeting?

I took my bag and opened it and took out my pair of small scissors. I got out the car, and went over the front door. I quickly grabbed Masego's beautiful hair, she had nice bonding on her. I cut the hair that I had in my hand, she was busy closing the window, which bruised my arms but I didn't budge, I was busy cutting her hair. Tshepang got out of the car and opened the window, went over to my side and pulled me back.

Me: I told you, I'm going to get you bitch!

Tsheps: WHAT THE FUCK IS WRONG WITH YOU?

I laughed and I started singing.

"What's worse? Looking jealous or crazy? Jealous or Crazy?" "Hold up they don't love you like I love you!"

I walked away with a smirk on my face.

I got into the mall, and I rushed to the Ladies Room, I quickly went to the mirror and stared at myself for the longest time. I was brought back to life by a lady asking me if I was okay, I nodded. I washed my bruised arms and hands, I put lotion on my hands and gently massaged my arms. I put on some powder on my face and applied lipstick on my lips. I brushed my hair nicely. I looked all appropriate now, I pulled down the sleeves of the hoodie and headed to Euro Caffè.

I spotted Ashley, and went to him, sat down and made myself comfortable.

Me: Ash.

Ash: Shoo ntwana, thank you so much for coming. But I thought you're coming le Achuz.

Me: Your achuz had to drop off someone at down-town.

Ash: Sarcasm. What did he do now? Wait what did you do to that someone?

Me: Why would you think that I did something to that someone?

Ash: I know you KAMOGELO. Your right leg is forever shaking whenever you're angry like right now. And you always pinch your left arm and you're doing it right now. Your voice is shaking here and there.

Me: Mxm wa bora.

Ash: Now tell me, what went down?

I narrated the whole story, to where I first met this girl, to what went down a few minutes ago.

Ash: Damn girl! Jeses! Danger, Gevaar, Ingozi, Kotsi! Heh wena Petersen? Where do you get the liver to cut off moriri wa ngwana o mong? Daaaaaamn!

Me: Let's order marn and leave me alone.

We ordered. And while we waited for our food, I had to ask why he wanted to meet up with me so bad.

Me: So why am I here?

Ash: Well I wanted to tell you the real reason why I broke things off with Thato.

Me: And what are you waiting for? Tell me.

Ash: Well you're the reason why I broke up with her.

Me: What?

Ash: I'm in love with you Kamogelo, And I'd like us to be together again.

Me: Have you been drinking Ashley?

Ash: No! I love you Kamogelo Petersen, I never stopped loving you. I know we buried all the things that happened in past but I'd like us to be together and create new memories.

Me: Yeey! Are you fucking listening to you? Don't make me go mad wa utlwa! I seriously don't have time for this nonsense. Me and you? Never gonna happen! I'm leaving.

I looked for purse in my bag and I heard Ashley laughing his tiny ass off.

Ash: I wish I had recorded what just happened on my phone, geez girl! Calm the

fuck down, I'm just pulling your leg man.

Me: FUCK YOU ASHLEY! FUCK YOU!

Ash: Sshh, stop cursing, people are staring!

Me: I don't fucking care! You're such an asshole! When will you ever grow up mare Ashley? wa bora serious!

Ash: Sorry ntwana mahn.

Me: So what is the real reason vele?

Ash: The real reason why I broke things off with Thato is that, I wanna marry her.

Me: But you broke up with her, I don't understand.

Ash: Since when have you ever been so slow? I'm busy planning a wedding for her, I tried keeping this away from you but I realized that I need you more than ever. So will you

help me?

Me: No, I won't be able to help you.

He frowned.

Ash: Why?

Me: First of all, you're fucking stupid! You should've told me the second you started planning this stupid wedding. Secondly, you told her that you're leaving her for another bitch, do you think she'll ever take you back? Lastly, come sit here because I'm about to fucking curse and I don't want these people to look at me weirdly.

He came to sit next to me. The moment he sat his ass next to me, I slapped him across his cheek, as soon as he held his cheek, I slapped the back of his head. I kept a straight face.

Me: You're so dumb, stupid, dunda-dunda head!  
I will help you but on one condition!

Ash: You want cash don't you?

Me: Ncaaw I love it that you know me so well  
Bae!

Ash: Consider it done!

Me: Who said I'm done?

Ash: Lord Jesus help me because she's about  
to milk me dry.

Me: You remember that Nike short that I  
wanted at Edgars, I want it! A Nike hoodie  
too! And those Adidas NMD sneakers!

Ash: Haa Kamo, I don't have that kind of  
cash mos.

Me: Look at me.

He did

Me: Does it look like I care?

He looked down.

Me: I'll be expecting them anytime next week,  
Thank you Ash you're the best thing that  
has ever happened to me.

Ash: But this means if I buy you those NMD  
sneakers, I have to buy a pair for Thato.

Me: Correct my dear. The pink ones neh.

Ash: I'll see what I can do.

Me: Just the right words that I wanted to  
hear.

Our food came, and we dugged in, the food  
were magical. After settling the bill, we went  
to Spur and bought tonight's dinner. As soon  
as I got the food, my phone rang and it was  
Tshepang, I rolled my eyes and answered.

Me: Sho?

Tshepang: I'm waiting for you outside the mall.

Me: Coming.

I hang up, I told Ash that I'm leaving. We did our handshake and I left him there. I made my way to the car, and sat at the back.

Tshepang: I'm nobody's chauffeur.

I went out the car, and sat in front. He started the car, I was busy connecting my phone on the radio.

Tshepang: No Zayn Malik please.

I ignored him and played Nasty C instead, I heard him breathing heavily but I cared less. I was busy singing/rapping along till he stopped at my place. As I was busy taking

my stuff, he grabbed me by my hair and took out a pair of scissors, I just laughed.

Me: Go on!

I could see it in his eyes that he's not going to do it. Instead he just smashed his lips against mine but I didn't budge responding, instead I broke off the kiss and I slapped him hard.

Me: That's for making me wait for an hour and 30 minutes.

He only chuckled.

Me: I love you.

Tshepang: I love you, forever and always.

We sealed everything that has happened today with a kiss. My phone beeping ruined everything, it was Thato telling that she's spending the whole week with her parents,

which means I'm all alone the whole week. I texted her back, telling her about the assignments and the upcoming test we're going to write.

Me: I guess I'm all alone this week.

Tshepang: Reason being?

I showed him Thato's text.

Tshepang: I wish I could stay but I have a lot of paperwork to finish. But I promise I'll sleep over from tomorrow.

Me: It's okay. I too, have to study for an upcoming test.

Tshepang: Okay babe, let me go then.

Me: Okay, I love you nunu.

Tshepang: I love you more.

I give him a little short kiss.

Tshepang: Are you sure you'll be fine on your own? I have this feeling that is telling me to stay with you tonight.

Me: I'll be perfectly fine. If you sleepover, you're going to distract and you don't want that do you? If anything goes wrong, I'll call you.

Tshepang: Okay babe, study smart.

Me: Always babe.

I got out the car and made my way to the gate. I then blew him a kiss and ran to my apartment. I charged my phone, helped myself with some food. I watched TV for an hour, and then I started writing some notes with my earphones plugged in. As I was busy, a text came through my phone but I ignored it and carried on with my notes for

approximately 2 and half hours. I unlocked my phone to text Melissa if she understood a certain chapter that we had to study, that's when I remembered that I had a text from earlier on, I opened it and it read "If I were you, I'd sleep with my eyes open. I'm coming for you Petersen. 1 point for you and zilch for me." O-kaaaaay! Creeeeepy! I texted Melissa and carried on with my studying, this time with my earphone off.

Suddenly I heard strange sounds outside, but I didn't budge checking, I just carried with what I was doing. Next minute I was studying, and next I heard shattering glasses. I went to check and there was a brick laying there. They threw a brick and it my apartment's kitchen window. A text came through and it read "I told you to sleep with

your eyes open bitch!" I got scared! I immediately dialed Tshepang's number and he picked up on the 3rd ring.

Tshepang: Miss me already?

Me: Something weird is going here Tshepang and I need you to come pick me up immediately, I'm scared babe!

Tshepang: Okay! Stay right there, I'm coming!

Who do you think is behind all the creepy things that have been happening?

Happy 2018 loves! I don't have a phone but I'll try my utmost best to post at least 3 or 4 times a week

I was pacing up and down, scared as fuck, wondering when Tshepang will get here because I was really scared. After 20 minutes, there was a knock on the door but I didn't answer.

Tshepang: Kamo open up, it's me.

I rushed to open the door; I just threw myself in his arms, I was happy to see him. I really felt safe when I was with him. My very own superman.

Tshepang: Are you okay? What happened? What are these bruises for?

Me: Yes I am okay. I got a creepy text earlier but I never opened it because I was busy with my notes, I later opened the text when I texted Melissa about some certain chapter that I was struggling with, the

person who sent the text said that they are coming for me, I should sleep with my eyes open. Then a brick came through the window, then another text came through saying that they told I should watch out.

Tshepang: Don't worry babe, I'm here for you. You did the right thing by calling me. I'm staying here for the whole week, okay?

I nodded.

Tshepang: Don't worry; nothing will ever happen to you. That person has another thing coming.

I just looked at him, smiling widely.

Tshepang: What are you smiling for now?

Me: I love it when you get this over-protective, you look sexy.

Tshepang: Sexy you say?

Me: Argh, don't get a big head please!

Tshepang: Too late!

Me: Come here.

He brought his head closer to mine, and I kissed him so passionately. He broke the kiss; I gave him a puzzled look.

Tshepang: Better stop now because I might not be able to stop myself when things get heated. I can see you already in the zone.

Me: No I was not.

He put his hand inside my pajama pants, I quickly took it out.

Tshepang: Now explain the wetness down there then.

Me: I'll explain after you have explained to me about the boner that you have right now.

Tshepang: Man I cannot wait to tap that ass.

Me: Man I cannot wait for this ass to be tapped by you.

Tshepang: Why can't I tap now?

Me: Because I have to study and I'm so glad you're here because you're going to help study.

Tshepang: Says who?

Me: Kamogelo Petersen soon to be Moerane

Tshepang: Girl you got the boy feeling nice right now.

Me: Duh I know! Time for Snapchat!

Tshepang: God No!

Me: God Yes!

I took my phone and went to Instagram,

chose the filter that I wanted and started snapping.

Me: Guys I got the boy next to me feeling nice right now, wanna know why? Wanna tell them baby?

Tshepang: The girl just told the boy that she's Kamogelo Petersen

Me: Wait for it!

Tshepang: Soon to be Moerane! Meaning that she's admitting that she's going to marry this boy soon.

Me: Ooooouuuu!

We watched the video over and over again; damn I must say that we're really crazy! Unfortunately I had to carry on studying, and Tshepang? He's not helping me at all; he's just busy taking videos and pictures of me,

and I'm all crusty and I have my specs on looking ugly as fuck!

I don't know when did I pass out but right now but I was woken up by an annoying ringtone and it wasn't my phone, it was Tshepang's phone. I had to wake up and answer it.

Me: Tshepang's phone hello?

Caller: Who are you? And what are you doing with Tshepang's phone? \*It was girl's voice\*

Me: Tshepang's unavailable right now and you're talking to his girlfriend. But I'll tell him you called.

Caller: Tell him Masego called, and thank you about yesterday, I really appreciate everything that he has done for me.

Me: Noted! I'll definitely tell him. Bye.

Once again I was cool, calm and collected.

Damn what is this girl playing at? I took her numbers from T's phone and saved them on my phone. I woke Tshepang up.

Me: Wake up sleepy head; it's time for us to jog.

Tshepang: Haa it's too early.

Me: It's 5 already! Come! Up!

Tshepang: I can't jog in a jean.

Me: You seem to forget that I have your shorts here

He got up, busy complaining

Tshepang: Devill!

Me: Yours only!

I wore my Adidas leggings, Pro-Action sports bra and my Adidas top. Tshepang came out of

the bathroom already dressed, still complaining.

Me: Let's take a quick selfie; you look so cute while complaining.

Tshepang: Omg, what did I get myself into? You know one selfie means millions of selfies.

Me: I promise only one and a video.

Tshepang: I knew it.

We took dozens and dozens of selfies and a video which Tshepang predicted, he already was complaining, so we started jogging, we even found ourselves at Wimpy, Mimosa Mall that's how hungry we were. We even ordered a whole bunch of junk food, no salads for us today.

Me: I don't see what the use of jogging is.

Tshepang: And why do you say that?

Me: I'm forever eating junk food, maybe I should quit.

Tshepang: Yeah maybe you should.

I slapped his hand.

Me: Thanks babe for being such an asshole.

Tshepang: What did you want me say kante?

Me: Something like "Don't do that babe, you'll get fat."

Tshepang: But I know you babe, you were still gonna slap my hand like you did.

Me: True! I need me a chocolate milkshake.

I raised my hand so that the waiters & waitresses around here can recognize me. And they did, he was quite a cutie that guy.

Waiter: Is everything fine over here?

Me: Oh yes, I just wanted a chocolate

milkshake, you want one babe?

Tshepang: Nah I'm good.

Me: You sure?

Tshepang: Yes.

Me: One Chocolate Milkshake then.

Waiter: Okay, coming right up.

Me: Thanks Hottie.

I saw the waiter's face turning all red.

Tshepang: Stop trying to lead the poor guy on.

Me: I'm not.

Tshepang: You are.

Me: Whatever, Masego called this morning and she told me to tell you that she's very thankful of everything you've done for her

yesterday.

Tshepang: How do you know her anyway?

Me: Well we met in a taxi and ...

My phone beeped. It was a text and it read "Stay away from him and mine alone." And it looks like it comes from Masego, because it is written Masego above. I scrolled up and it seems like it was her who sent last night's texts.

Tshepang: Something wrong?

Me: No babe. Just these stupid insurance texts.

Tshepang: So you guys met in the taxi and what happened?

Me: Well...

The waiter interrupted me.

Waiter: Your milkshake.

Me: Oh thank you so much.

Waiter: Enjoy.

Me: I will.

I winked at him, the poor waiter blushed.  
Tshepang chuckled.

Tshepang: Can you also bring the bill.

He nodded

Tshepang: Can I have some?

Me: Ahhh Nah!

Tshepang: Please.

Me: Ahhh \*Hits the dab\* Nah.

Tshepang: I know I'm going to get you.

Me: Stop doing that, you look very ugly.

Tshepang: But you love me like this.

Me: Shhh I'm enjoying my milkshake and I don't want any disturbance.

Tshepang settled the bill and we stood up, attempting to leave but some girl bumped into me and poured hot coffee all over me.

Me: Ahhh Fuuuudge!

And you'll never believe who poured coffee all over me, it was Masego. This girl is testing me. She whispered in my ear.

Masego: It's payback time bitch.

Me: Just so you know, I know you're the one behind the texts. I'm coming for you bitch!

I see her startle. I groan in pain. Tshepang intervene.

Masego: I'm so sorry, I didn't see you there. Hey Tshepang.

Me: Argh it's okay.

Tshepang: Babe are you okay? You should really watch where you're going. Yesterday I almost ran you over with my car, yanong today it's this? What do you want from us? I know you're the one behind the texts last night. Stay away from us, I'm warning you or you'll have one thing coming for you and you won't like it at all.

I looked at my man with a huge ass smug on my face. Man I love this man.

Tshepang: Babe should we get a meter cab?

Me: Yes please, I'm in pain.

Tshepang: Okay.

I turn to Masego; stick my tongue out on her. Yhoo she got furious wanting to come at me, and out here acting like saint. What a

morning!

We went outside to get a cab, but unfortunately Masego followed us outside. I was really getting annoyed by this girl, deep down in my heart I was praying to God that I don't hurt this girl because once I have my hands on her, I'm never gonna stop.

Masego: Tshepi, wait!

Me: Tshepi? God forbid!

Tshepang: What do you want Masego?

Masego: I thought you were going to call me, Sego just like yesterday. \*she blushes\*

Me: Satan is that you? Are you testing my

faith?

Tshepang: \*laughs\* Baba calm down please.  
Masego o batlang mogo rona? (Masego what do you want from us?)

Masego: Can I talk to you in private, far from her?

She then gave me a dirty look after she said that.

Me: Yhoo my hands are getting itchy right now.

Masego: Let them get itchy, you noy gonna do anything to me.

Me: Is that so bitch?

Masego: You ghetto bitch, you just don't deserve Tshepang.

Me: And you do?

Masego: Obviously, take a look at me.

She starting twirling, I don't know what happened but I kicked her down because she was starting to annoy me. After that I went straight to the cab but I stopped and looked back.

Me: Are you coming baby?

Tshepang huffed and laughed a little bit.

Tshepang: Coming honey.

Me: Good! Byee Seggo.

I told the driver where to drop us off, the ride was filled with laughter and jokes, the driver was also included in our conversation. We got to my apartment and I went straight to shower.

Tshepang: Can I joining you baby?

Me: No baby wait your turn.

Tshepang: I'm coming in anyway!

And he did and began to scrub my back while kissing my back and neck. I was dripping wet down there. Now it was my turn to scrub his back. He picked me up instead and pressed me against the wall and started kissing hungrily. Yhooo Ziyawaaa la!

We kissed for a whole 5 minutes and I could feel him ready to insert himself.

Me: Haa baby, you're gonna make me late for class.

Tshepang: Ka tlhogo hela babe. (Just the tip babe)

Me: Haa baba. Later neh, I promise.

Tshepang: Really?

Me: Yup. Now put me down.

He did just that. He continued with his showering and I went to lotion and put on some clothes. I had on an oversized white jersey, a black jean and a black Nike Huarrache Sneaker. I fixed my hair and applied purple lipstick. I grabbed my books, pencil case, purse and an apple stuffed them in my school bag.

I got out my room, to find my sexy boyfriend waiting for me busy with his phone with a wide smile on his face.

Me: I hope Masego is not behind that smile.

Tshepang: Nope, I'm just staring at this beautiful being that God has blessed me with. You wanna see?

Me: You'll show me in the car, right now I'm

late and Melissa is busy sending zillion texts on my phone.

Tshepang: Haa babe, Zillion?

Me: Let's go man. Last one to get out is a rotten egg and will have to lock the door.

Let's skip the ride I had with my mans, it's obviously filled with love, joy and laughter.

I found Melissa waiting for me in front of the class, and there were fewer people in there. We decided that she goes over the one chapter that I didn't understand until the lecturer came in.

The rest of the day was really a drag but thank God we survived. I told Mel about what happened in the shower with Tshepang and she suggested we go buy lingerie at Mr Price. We took a cab to Waterfront and we

went to Mr Price but sadly there weren't any nice things there. We went to Edgars and we got nice, sexy bodysuit, I went for the white one and Mel went for the red one. Though they were expensive, they are totally worth it. We went to get some food at McDonald's while video chatting with Thato. She really look good, and she told me the good news that Golo is going home tomorrow so she's going to be with her parents for 2 more weeks but she will be attending classes starting from next week. We got to McDonald's and the queue was too long for my liking but Mel calmed me down and waited for a bit. I was busy chatting with Mel about how she and her boyfriend met and all that, till I heard a voice saying my name, I turned and it was Lebogang looking better. Jesus I hope he ain't gonna be troubling me because

I'm in a good space right now.

I took my phone out of my bag, and started dialling Tshelang's numbers but Lebogang was too quick to grab my phone out of my hands.

Lebogang: Please don't do this, I just wanna talk to you without you bringing your boyfriend into our affairs.

Me: Well I don't trust you, what if you attempt to rape me again?

Those words just shook Mell because her hand was on her mouth. A frown was plastered on Lebogang's face.

Lebogang: But we're in a mall full of people.

Me: Just like we were in a park full of people but that didn't seem to stop you right? Please give my phone back, if you wanna explain yourself please set an appointment with my boyfriend. Now get the fuck away from me.

He huffed in frustration and gave me my phone back and walked away from us. I just ran to the ladies' room and cried and Mell was there, telling that everything will fall into place and she's very sorry that I had to go through that.

Me: Do you think I was a little bit too harsh on him?

Mell: No you weren't. You were terrified of him but you were brave enough to tell him to fuck off.

Me: I need to call Tshepang.

I had calmed down a bit but I had hiccups. I dialled his numbers and picked up on the third ring.

Him: Nunubear.

Just hearing him call me that, I just cried.

Him: Baby? Where are you?

Me: Waterfront.

Him: I'll be there in 20.

Me: Don't hang up. Please sing for me.

Well just giggled, causing Tshepang to giggle too.

Him: Okay.

And he sang It's you by Zayn Malik. I was quite surprised that he knew the lyrics of the song because that was my favourite

song. I just sat on the toilet seat listening to my baby sing with his beautiful voice.

After 20 mins, he arrived. And we drove Mel to her apartment.

Him: Mine or yours?

Me: Yours please.

Him: The way you love my apartment ka teng.

Me: It's nice and I feel comfortable there unlike mine.

Him: Well you should move in with me.

Me: Put a ring on it then I'll consider moving in with you babe. My grandparents will never approve this Vat en Sit.

Him: Soon I will.

Me: I'll be waiting baby.

We arrived at his place and I took off my clothes and wore his nike sweatpants and his long sleeve vest, they were so big on me but I cared less.

Him: Ma'Moerane

Me: Yebo baba ( I said bowing down)  
He just laughed..

Him: I should get used to this.

Me: Whatever! What are you making, I'm starving.

Him: You're forever starving. Toasted cheese sandwich.

Me: Mhm my favourite!

I sat down on a stool, waiting for him to finish. After 5 good minutes, he finally gave my sandwich. And it tasted so amazing.

Him: Can you please stop moaning, it's not like I'm hitting it.

Me: Well the sandwich is doing the most right now.

Him: Mxm.

Me: You look so cute rn.

Him: Likeeee duuuuh! So are you going to tell me what happened at the mall.

I narrated the whole story, and he got angry like real angry but he was impressed on how I told Lebogang to fuck off. We spend the whole day, watching my favourite series, Orphan Black. And he slept, he was even snoring. I took his car keys along with my purse and wrote a note that I'm going to the Mall and get something to eat because I knew he was going to freak out if I didn't

tell him where I was going especially with his baby (His car). I drove to Mimosa Mall and headed to Spur. 20 minutes went by, and I was still waiting for my food that's when I decided to give Thato a call, it's been a while.

Thato: Gheelfreent!

Me: Gheelingz!

Thato: I miss you chommie.

Me: I miss you too mmata, I can't wait to see you in 2 days. How is my niece doing?

Thato: She's such an angel.

Me: You make me wanna ask Tshelang to give a baby.

Thato: Speaking of babies, have you and Tsheps, you know?

Me: Not yet!

Thato: Kamoooo?!

Me: Chill gheeeel. I bought this nice lace lingerie and it's red!

Thato: Cheeeza gheeel!

Me: Thato marn!

Thato: Askies...

Me: So yeah I bought it and I was gonna let the boy tap this ass tonight but Lebogang just showed up.

Thato: The lunatic?

Me: Yuuuup!

I told her what went down, and I could tell she was fuming. But she managed to calm down because we don't want our ponkololo to catch some bad vibes, we talked more till I ended the call because my order was ready.

I decided to drive to my apartment to fetch some of my clothes, toiletries and my books. I decided to leave my phone in the car. I went up and I unlocked the door and went straight to my room leaving the door open because I thought ketlo dira dilo tsa ka speed. As I was packing, I had a feeling that there was someone in the apartment but I brushed the feeling off and carried on packing. I went to the bathroom to fetch my toiletry bag. I fetched my bag of clothes in my room as I took it, I heard the door closing only to find it's Lebogang on the door with his bloodshot red eyes. Jesus Christ what am I going to do? I decided to shout for help then jiki jiki a gun was on my neck. Lord what did I do to deserve such?

We were standing with a gun against my neck, with tears, snot and sweat streaming down my face. He pushed me lightly and sat on the chair and placed the gun on his lap.

Lebo: Please sit down, so we can have a proper chat.

I quickly nod and sat on my bed uncomfortably..

Lebo: Please feel free, I didn't mean to make you uncomfortable.

I said nothing, just staring at the gun on his lap.

Lebo: You know I'd never hurt you right?

Me: But you did. You chased me out of your

flat like a dog and on top of that you broke my heart and shattered my soul. When I was healed after 5 fu. . . After 5 months of slipping into depression, you tried to rape me claiming that I'm yours. I was never yours and I will never be yours.

He just huffed, and attempted to come and console me.

Me: Please don't come near me, I don't want anywhere near me okay? Just stay right where you're seated.

Lebo: I'm sorry...

Me: What do you want from me Lebo? Don't you wanna see me happy? Whenever I'm happy, you just show up and find ways to destroy myself. Do I owe you my life? Please tell me what do you want from me?

## Tshepang's POV

I woke from the nap I took, I must say it was the nicest one I have ever taken. I stood up and went to pour myself some water that's when I saw a note written by Kamo of getting us some supper. I smile to myself when I realize how lucky I am to have her in my life.

Damn how I would kill for that girl, yess Kamo is many things but I swear she's the first one that has me feeling some tyra way. She's been through hell with my childhood friend Ashley and her lunatic ex, but when she smiles, it shows that she was never broken before. That's one thing I admire about her. I remember when I first laid my eyes on her at Spar, damn I was going out of my mind by her beauty, to think she was to me that day,

that was only beginning of our chapter together but here we are, in love and very happy with one another.

I opened my laptop watched her favourite series, Orphan Black. Although it was confusing with all the clones characters going on, it was an interesting series because you're eager to find what's going to happen on the next episode, the suspense is just killing you. After watching 3 episodes, Kamo was not back yet and it was already dark outside. I called her phone and it rang unanswered, which is weird because Kamo always has her phone with her, I called her again but still not answered. I decided to call Thato and check if Kamo is there with her.

She picked up on the 5th ring.

Me: T'Squared.

Her: T'Squared, what a lovely surprise.

Me: You good man, ntwana yaka entsele ntswembu mos? (My kid is still doing good?)

Her: Nah man, we nice!

Me: Look man, Is Kamo by any chance with you? She went to get us supper a while ago and she still not back.

Her: That's odd because she called me when she was waiting for her food about an hour ago.

Me: Sheses! Shoo poh!

Her: Should I be worried Tshelang?

Me: Please don't. I call the tracking company to track my car, then I'll get back to you neh?

Her: I hope Lebogang is no where near Kamo.

I clenched my teeth, when I hear that lunatic's name.

Me: I hope so because if so hell will break loose. Sho ntwana!

I dropped the call and call one of my best mate, Remofilwe.

Remo: Bad timing tau.

Me: Listen brodie, I need your help.

Remo: Keng tau? I'm about to smash rn.

Me: You'll smash later, ke Medi yaka (It's my girlfriend)

I narrated the whole story to him and he asked for all the necessary stuff and he'll get back to me in a few. After 15 mins he called and told me the location which seemed to be at Kamo's Apartment. What was she doing there? I asked Remz to fetch me so that

we can go together. He got to my place in about 20 mins and we drove to Kamo's Apartment.

Kamogelo's POV.

Lebo: What do you have there? I'm starving!

Me: Help yourself, it seems like I'm spending the night here anyways.

Lebo: You don't sound too excited about that, remember how excited you'd be when I sleepover?

Me: That was then. Now I'm excited when MY BOYFRIEND sleeps over.

Lebo: Don't piss me off. Don't get too comfortable with me, I still know how to use this gun.

Me: OMG I'm scared.

I roll my eyes after that.

Lebo: (laughs) You still haven't changed huh?

Me: Why would I? Just because you've hurt to me doesn't mean, I'll change and be miserable.

Lebo: How many times must I apologize?

Me: How about you just stop apologizing?

Lebo: You're very cheeky these days neh? You have an answer for everything.

I just rolled my eyes and gave him a bored facial expression.

Lebo: Please come eat. I can't afford you being skinny enough.

Me: I'd rather eat with Satan than to eat with you.

Lebo: Well I am Satan now come eat.

I laughed a little and went to join him.

Lebo: I'm sorry Kamo for every heartache I've caused you. I wasn't myself, my life depends on those stupid pills and I thought I would be better off without those pills but I was on worst and I took all that on you. You didn't deserve any of that. I'm very sorry.

He breaks down and cry. I just stare at him not knowing what to do but I finally found the courage and comfort him.

Me: Sssshhh it's okay L. It's all in the past. I forgave you a long time ago, don't beat yourself too hard about this situation, just like you said you weren't yourself. I don't mean what you did to me was acceptable but I forgive you L. Please stop crying.

He just held me tighter and sobbed in my arms with his head laid on my chest.

Me: Everything is going to be okay, just drink your meds and it will all be fine, trust me.

After a while he has stopped crying and we were just laughing about the good ol' times. Until I saw the door of room swing and it was Tshepang standing, he really looked worried but who wouldn't be. And Lebo's smile just turned into a frown, and he gave me a sad look, he was practically begging to spend more time with me but I shook my head. I stood up and took my bags from my bed and in a split seconds I was in Lebo's arms with a gun next to my neck. I begged Lebo to let me go but my pleas fell on his deaf ears because he wouldn't hear any of that. I kicked his foot and Tshepang rushed to snatch the gun

from Lebo, they fought for the gun. Then the gun went off. Booooooof!

The sound of the gun when the trigger was pulled startled me but there was no sign of someone being shot but there was hole on my bedroom door. I was fuming. I went to fetch a big ass knife in the kitchen and returned to the room

Me: Stop this nonsense now!

They stopped fighting for the gun and focused on the big knife.

Me: Sit your asses down, and wena Lebogang give me the goddamn gun.

Lebo: I will not ...

Me: Don't piss me off, I slit your throat and leave here to die all alone in this apartment.

Tshepang looked at him and gave him a nod. He slowly gave me the gun and I threw it in the bin.

Me: Okay listen and listen to me carefully Lebogang. I gave you the closure that you needed and I found closure too when you apologized. Yess I forgave you but that doesn't that we have to chill all of the time or be all buddy-buddy. What we had was good while it lasted but I'm with Tshepang and I'm very much happy with him so please don't disturb our inner peace, just let us be tuu.

He slowly gave me a nod. I turned to Tshepang.

Me: And wena what took you so long?

Tshepang: Well I ....

Me: Save it. So Lebo, no harassing other kids neh,

Lebo: Yes ma'am.

Me: Good! Now let's get rid of that gun.

2 months later.

Life has never been so peaceful. Skin was glowing, ass getting fatter, stomach was flatter than ever and grades were getting higher. Life was just a bliss man. It was definitely my birth month. Well in 5 days time, it's going to be my birthday and I'm not looking forward to it because Tshepang has been very busy with work so it's pretty

obvious that I'm going to spend it all alone.

Mom has given birth to a baby girl and she's so adorable and yuup her name was indeed Oreratile, and she was born on the 4th of July and which is a blessing because my late grandmother was also born on the 4th of July. So way to go mom!

It was a lazy day for me, I would've gone to my grandparents but they at Durban for a whole week, nice life problems. So I was all alone here in the apartment, Tay was with her parents to Thaba Nchu to attend a relative's funeral, I was on my phone playing candy crush, bored as fuck.

Beep Beep! A message came through and it was from Ashley. He wanted us to meet and discuss the wedding plans. He really wanted to give Thato the best wedding she could

ever ask for, but I wonder if she'll ever agree to marry him after he played the cheating card. So I got up and changed into sweatpants and a black Nike hoodie, matching it with a black Nike Huarrache sneakers. I asked him to send a location via WhatsApp and he did. I grabbed my purse and car keys, yuup CAR KEYS. Weeeell they aren't mine, Tshelang bought a new VW Golf 6 so lend me his Citi Golf but he still obsessing over it because everytime he sees it he checks if there's any scratches on it. Obsession!

I drove to Waterfront and looked for a parking after what seemed like forever I found it. I walked to Mc Donald's and found him waiting for me.

Me: "Ashbury!"

Ash: "Ms 2 hot 2 handle"

I hid my face with both my hands. I used to call myself during those Mxit days.

Me: "Fuck you."

Ash: "Ncaaw you had your nails done, that colour suits you shame chommie.."

Me: "I mean likeeeeeee ...." \*flips my invisible weave\* "Naaaa meeaaan"

Ash: "Self Confidence ereng mo ngwaneng?"

Me: "Kapa o ngwana nah?"

We burst into laughter and continue chatting and doing all the ridiculous stuff.

Me: "Okay play time is on pause now. Let's talk about some real business. Mom has a friend, and she owns wedding gowns boutique in Langenhoven Park so she kinda knows the

drill wa bona?"

Ash: "So what's the drill?"

Me: "Obviously mom is engaged right so we gonna shop a wedding gown for her then I'll ask her for us to try on some dresses then I get to know which one she likes then you can pay for it."

Ash: "You're such a smarty pants"

Me: "Likeeee duuuuh.."

We carried on with the ideas we had on our minds and I must say Ashley is easy to convince because he agreed to most of my ideas. We went on for a full hour brainstorming and everything seemed sorted, we wrapped up everything. He gave me 2 paper bags, I opened one to see what's going on, immediately I saw a blue box and I knew

what's in there.

Me: "Ahhh Mpintji Mpontjo! Ntjaka neh.  
Thaaa brazana"

Ash: "Nixx flop ntwanaka"

Me: "Let me leave and love you. I'll tell you  
how it went neh..."

Ash: "And please think of me by not choosing  
the most expensive dress."

I stood up taking the two paper bags.

Me: "I can't promise you that! Byee Ash.."

I walked to Ocean Basket and ordered myself  
a platter, while waiting I got myself some  
Saint Anna 1.5L wine, yesss it might be cheap  
but I have to say it's the most tasty wine  
I've tasted. I got a few snacks and sweets,  
after that I paid for everything. I went to  
Fresko and bought me a Redbull ice cream and

for 2 scoops it cost me R25. Just for 2 damn scoops. I went to fetch my order and strolled back to the car while window shopping, when I was passing Sportscene with my eyes on my phone and some girl bumped into me causing my phone to fall.

"You better watch where you're going you man snatcher!" I looked up to see who is it, mhmm it's about to get interesting.

"You better watch where you're going you man snatcher!"

I picked up my phone which was on the floor, and it was cracked but thank Heavens it was the screen protector that cracked. I looked

up to see who "accidentally" bumped into.

Me: "Dankie mpilo, can this day just keep on getting better...Refilwe, Tidimalo! Go monate tlheeng."

You remember Ashley's ex girlfriend Tidimalo and Refilwe who is Tshepang's ex fiancé.

They were just standing in front of me constantly clicking their tongues and my smile was wide as ... Well I don't know but all I know it was just a dirty old naughty smirk.

Me: "Fancy seeing here at the mall, window shopping as usual.."

Tidimalo: "Petersen.."

I cut her short.

Me: "Please! Call me MaMoroane, that's my newly found surname."

I see Refilwe tense up, she looked like she

had something to say and I just looked at her, giving her the go-ahead to say something but she dramatically rolled her eyes.

Tidimalo: "Girl please, you know that you're nothing but a rebound. Tee ..."

I cut her short.

Me: "Tshepang."

Tidimalo: "... Whatever but you know that Tshepang still loves Refilwe."

Me: "Is that so? Then why did they break up? Why did he refer her as a mistake?"

Refilwe's just popped her eyes out of her sockets after hearing what I said.

Tidimalo: "Well he wasn't ready for marriage, that's why he called off the engagement and made you a rebound."

Me: "Ncaaaw is it sweetie? Did he tell you that?"

Tidimalo: "He doesn't have to, it's clear to see."

Me: "Sweetie would you ..."

My phone rang in hoodie's pocket, I took it out and Tshelang's picture flashed on the screen. I answered.

Me: Ntate Moroane.

Tidimalo just rolled her eyes, and Refilwe just gave me a dirty look but I care less of what they do.

Tshelang: "Sthandwa, please bring me lunch. I'm hungry as F."

Me: "What would you like me to bring for you nana?"

Tshepang: "Anything mama.."

Me: "Sea food is also fine?"

Tshepang: "Eeeew you know I hate eating sea snakes. "

I giggled.

Me: "I'll get you ribs then at Spur, plus Tidimalo is here in front of me giving the most dirtiest looks maybe I should ask her to prepare something for you quickly since she works there."

Tshepang: "Is she really there with you? Damn baby, you ain't scared of going to jail neh?"

Me: "Well she is here with your ex, busy yapping on how I'm such a rebound to you. But this how good you treat your rebounds then I'm very happy to be your rebound

baby."

Tshepang: \*laughs so hard\* "Damn woman go get my food and stop talking shit."

Me: Will be there in an hour baby. Forever?

Tshepang: "Forever baby"

I hang up.

Me: "Girls I have to rush and get my man lunch."

Tidimalo: "Rebound!"

Me: "A very happy rebound"

I turn my heels and started walking away.

Tidimalo: "You're nothing but damaged goods Petersen, no wonder Ashley didn't see any good in you. I hope Tshepang sees it too. Let's go chommie."

I stopped my tracks and rushed to them and

slapped the living lights out of Tidimalo, how dare she brings out my past when I've forgotten all about it. Next thing, the male security is pulling me away from Tidimalo. I asked him to let me go and he did. I fixed myself, picked my bags up and walked to Spur. I ordered the ribs and called Thato and told her what happened, she just calmed me down, and reassured me that everything will be fine. After a while I got the ribs and drove to Tshepang's workplace, African Bank, obviously in silence. What Tidimalo said about me being damaged goods really hit home, how dare she bring out the past at a time like this. I regret provoking them, look at me now I'm a mess. Tears streaming down but not only tears, snort is also doing the most. Luckily, I found a parking spot near Tshepang's workplace, I cleaned myself up

with baby wipes, applied lipstick and got out of the car and walked to African Bank. I got there and he was still assisting a old lady, but as soon as I walked in his eyes were full of joy even his smile was wider. This guy really does adore me and I adore him just the way he does for me. I watch him as he talks to the old lady, how did I get so lucky? What have I done to get myself such a wonderful man who loves me unconditionally, a man who can handle all this craziness, a man who is this patient with me. Who thought that I'll ever find myself such a good man after all the trials I've through? I was just a walking ghost with a beating heart but since me and him started, I realized that there's more to life than to just sit behind the doors and self harm hoping that the pain will go away.

I was brought to life by Tshelang waving at me but I realized that he's not done with the old lady because she's still seated. I signalled that I should go join them and I did.

Me: "Ageee ma."

Old lady: "Dumela ngwanaka, ka bona yanong haore o montle. O montle thata. Ka moo a buang ka wena ka teng, ka bona omo tshwere sentle" (Hello my child, now I see the beauty you've been talking about, she indeed beautiful. The way he has been talking you, I see that you're treating him well.)

Me: "Ah ma, ka itebogela tlhe. Tshwanetse ke mo tshware sentle or otherwise o tla tsamaya ang tlogelle ene gake batle seo." (Ah ma, thank you so much. I have to treat him right or otherwise he'll just up and leave me

and I don't want that.)

Tshepang: "Hello? I'm still here you know. Mama let me go fetch your papers."

Old lady: "Okay child."

Tshepang stood up and went to the copy machine.

Old lady: "You do know, that he loves you right? And he only loves you. You guys are destined to be together, I know you've been having doubts lately because of the things you've through but trust me my child he's here to stay. No matter how hard it gets, fight. Fight for what you love, fight for your man just like you've always been doing, physically."

I giggled.

Old lady: "You might think that you don't

deserve Tshepang, you've been through a lot from a young age but pray about it and you'll get an answer. You've been through what you've been through because God was testing your faith, your patience and others. Now this is your time to go on and get your happy on. Don't cry child. Be happy for yourself, you're a conqueror."

I didn't even realize that I had tears on my face, what she just said to me really pierced through my heart because everything that she said was true. I'm scared to give myself over to Tshepang because I thought that he might switch up on me and ghost.

Me: "Wow mama. I always and I mean always have something to say but right now, I'm speechless. I will do everything in my power to make this relationship work."

Tshepang came back with the papers, and he showed mama where she sign and she was signing a lot of papers, she was even complaining which made me laugh.

Old lady: "Thank God I'm done. He's all yours now. Thank you so much kids for your time."

Me: "Let me give a lift, I bet you're tired."

Old lady: "Don't worry about me nana, I'll be fine. Before I forget, I want both your contacts numbers."

She said that whilst taking her phone out of her bag and she was using those small Nokia phones, I punched in my number and Tshepang's numbers too. I buzzed myself with the little airtime she had.

Me: "What's your name mama?"

Tshepang: "Mme Maki."

Me: "Okay. Are you sure you don't want a lift? Downtown is nowadays dangerous especially for you elderly people."

Mama Maki: "Tshepang tell your woman to stop fussing, she's giving me high-high."

We laugh.

Mama Maki: "You better marry this girl, she's the suitable one for you."

Tshepang: "I will definitely do so mama, and you're our first VIP guest."

Mama Maki: "Byee kids. Take care of each other."

Us: "Byeee ma. Take care."

Tshepang & I looked at each other, with our smiles wider than ever before.

Tshepang: "Is this our beginning of our

forever?"

I nod.

Me: "Are you ready big fella?"

Tshepang: "I was born ready mami."

I smile.

Tshepang: "Let's go eat, I'm  
ssss-taaaar-ving!"

I laugh at him, and we walk hand in hand.

Are we really ready for our beginning of  
forever?

Tshepang has been nothing but good to me

and spoiling my ass a little too much, you why, because he proposed to me, no not in that way man. He gave a promise ring on our first anniversary and obviously we did the deed. I must say it was magical, though at first I was hesitant but it was the best thing ever. I didn't even have a flashback of how rough Ashley was when we did the deed. I have surpassed all that and I'm very much happy.

Tay and Ash? Nah they haven't tied the knot yet but it's all happening in a week's time and she still has no idea what's happening. A month ago, we went wedding gown shopping and we found the one, you guys must be wondering how, well we went wedding gowns shopping with my mom, and she was shopping for her wedding gown (mom) so I asked Tay if we could try on some

wedding gowns and luckily the owner of the place agreed and we did just that and voila we have ourselves a wedding gown. Well the rings were also sorted, she had long told me which ring she actually want.

I was running up and down along side with my forever, Tshepang. Geeeee the way this guy is soo supportive. I done found me a treasure shame. The wedding was gonna be held at some nice guesthouse outside Bloemfontein. We had invited over 150 people to the wedding, only friends and family. It was going to be a nice garden wedding and the theme was baby blue and white.

Fast forward to Friday.

We were at the After 8 hair salon for our hair and nails talking too much vele. The salon was packed hey on the 12th mare it's packed.

We got hungry and we went to KFC near Hoffman Square. We quickly ate there and rushed back to the salon, I settled for a 10 inch Bob Brazilian weave. And Tay settled for 14 inch Malaysian Curls weave. And we settled for baby pink with glitters nails and I must say, we were fire shame.

We got to our apartment and chilled for a bit.

Tay : "We can't stay in this apartment while we're this good looking. Nah I refuse."

Me: "I don't feel like going out at all."

Tay: "Since when do you say no to going out? We're gonna get drunk, booze is waiting for us."

Me: "No man. You can't go to the wedding all babalas'ed what will the priest say."

Tay : "But we're just bridesmaids, I don't

think he'll say anything."

She knows there's a wedding tomorrow but she thinks it's my mom's wedding but if she only knew. She does deserve a proper bachelorette party without her knowing of course.

Me: "You know what, go get dressed because bitch we about to paint Bloemfontein red. Let me call few of our friends."

Tay: "Bitch! And they ask me why I love you so much."

Me: "For all the wrong doings bitch."

I'm not gonna go into details of what went down but I must say it was night of litness. Tay was so sloshed that she even cried for Ashley, bitch doesn't even know what awaits her tomorrow actually today. It's my best

friend's wedding day and she doesn't even know about it.

Hours later we got to the guesthouse, still babalased as fuck. We got our hair and make up done after I told her to go to a certain room, she got there and I locked her inside.

Tay's POV

I get into the room that Kamo told me to go to, on the bed I found that stunning wedding gown I laid my eyes on when it was on me. I got confused, it was Kamo's Mom's Wedding day today so thus dress? I found a note and it was written by Kamo, I can tell by the ugly handwriting. It was written "I know you're confused but I'll explain everything when we get time, wear that beautiful gown and wear those stunning shoes because bbg it's your wedding day. You deserve all the happiness in

life, so go get married to the love of your life and please don't even think of running away when you walk down the aisle, the security is tight. Enjoy your wedding day & night baby. Loveeee you!"

I was beyond shocked, I couldn't even utter a word.

Me: "This bitch set me up."

I was pacing up and down not knowing what to do. I did the up & down thing for about 10 mins. I finally found the courage to wear the dress and put on the the shoes. I walked to the mirror and I was stunningly beautiful. I heard the door open and it was my parents.

Me: "You knew about this?"

They nod.

Me: "Why didn't you tell me?"

Mom: "And ruin the surprise? Nope."

Dad: "How do you feel about this sweetheart?"

Me: "I'm overwhelmed about this whole thing. But honestly I feel a bit excited because it has been my dream to get married to Ashley and you guys have witnessed how miserable I was without him."

Dad: "Whatever you do, we will always be by your side."

Golo joined us looking cute as ever in the baby blue tutu. Kamo has really outdone herself. Mom took Golo and gave me a warm hug assuring me that everything's gonna be fine. My dad held my hand we walked to where the matrimonial was held, he gave me a nod and a smile with eyes filled with tears, those were

definitely the tears of joy.

Me: "Let's do this dad."

I walked down the aisle with my head bowed, finally dad handed me over to Ashley, I looked into his eyes and you could sense that he was nervous but happy. I punched him on his stomach and everybody gasped but my girl Kamo was like "Yessss gheeeel. Do it again. Wae deserve'a shame." After a while, he composed himself and I gave him a wink.

Leeeeeeeetsssssss!

We're at the reception listening to all boring speeches made by boring people and did I tell you that I was the MC, shame I was killing

it, Bonang Matheba better watch out!

It was now the couple's first ever dance and yho000 they surprised us shame with their old dance routine and they were dancing to "Ngud" by Kwesta. This was definitely gonna trend on social media but it's a good thing that Thato changed into a nice comfortable white dress. Now the old people gotta excuse cause it's about to get down honey because the champagne is doing the things that needs to be done. Then Omunye comes on, now that's our (Thato & I) jam honeeeeey, we get to the middle of the dance floor and we take off our heels and throw them to where God knows but we cared less about them and we did the thingzzz that needed to be done for this wedding to be a lituation.

Fast forward, it's the next day and day 2 of

the wedding, and obviously I was babalased, I look over to my right side and Tshepang is next to me softly snoring next to me. Last night we went hard on the alcohol. This hangover was the worst because I could literally feel my head banging countless times. I shook Tshepang but he didn't budge, he just rolled over and continued with his sleep. I got out the bed with my freaking head heavy, I quickly went to the toilet and peed. I took a quick shower and applied all over my body. I covered my body with a towel, went to wake Tshepang up again but he didn't budge. I decided to scream and he quickly got up.

Me: "Go shower please. We need to get going."

Tshepang: "Someone is grumpy today."

Me: "Yes I am grumpy because I haven't

slept for the last 2 days so don't start with me."

Tshepang: "Was not planning to."

Me: "Good. Now go bath for fucks sake. We gonna be late."

Tshepang: "Yhoo let me run before you bite my head off."

After a while, we finished up and I wore a blue shweshwe dress that was above the knees with my royal blue fluffy block heels and a headscarf nicely done anyway thank you YouTube never thought I'd pull it off. Well Tshepang wore a white shirt with the blue shweshwe detailings with a blue nicely ripped Redbat jeans and a black sharpnose shoe. We looked pretty nice.

Let me explain the procedures of what's

gonna happen today, well this day Ashley is finishing off the lobola for his wife, then the families will exchange the gifts that they bought for each other (blankets & shweshwe dresses) then we'll drive to Ashley's home so that they can be a ritual done for the ancestors to accept Thato & Gold as Ashley's new family. The family gave Thato a new name which is "MaKatleho" simply because ever since Thato got into a relationship with him, everything around him just succeeds so that's why. Hey we were nominated as the best traditionally dressed couple. 😊 And no, I didn't know that there would be such.

The day ended and went over to my newly wed couple to inform them that we're about to leave. They had to stay because the elders are going give them lots and lots of advices.

Plus Thato has to perform her wife duties.  
Aii black families neh.

Me: "Bo baby. We're about to hit the road."

Thato: "I wish I could go with you guys but hey I'm a married woman."

Me: "Hey now, congratulations!"

Thato: "I'm a married woman all because of you. You are indeed a true meaning of a true good friend. I love you so much Kamo, I don't know what would I be without in my life.

Thank you for a beautiful friendship."

Me: "Don't make me cry now. Especially when I'm this drunk by this "Champagne Darling". But don't mention it man. For you, I'd do anything! "

We hugged!

Thato:" We got you something! A little thank

you gift."

She gave me 3 paper bags. 1st bag was a chocolates, Ferrero Roche chocolates. 2nd bag was a bottle of Moet Champagne. 3rd was a bottle Belvedere Vodka. Some people are trying to get me drunk I see. I hugged them both and thanking them for their gifts.

I went outside to find where Tshelang is and he was waiting for me in the car, and there was a girl in the front seat, you could see she's trying to get my boyfriend's numbers but he's not interested shame because he's busy with whatever what he's busy with on his phone. I walked to the car and opened the front seat door, and she said "Can't you see I'm busy with my man here." then she slammed the door in my face. I started counting down because I know

someone is about to lose it inside. He polite went out the car and made his way to the front seat and opened it and pulled her out gently. One thing I know about Tshepang is that you should never and I mean never treat his car like some Quantum, you'll get to see the Beast shame, I once made his car dirty by eating a pie. He made me wash it alone. Yhooooo that day!

Well I went to front seat. And I got comfortable and we drove off. dvsn was playing and you know your girl was a huge fan of them so obviously singing to all their songs. Body Smile was now playing and it was Tshepang's favourite, he even sang for me. Then my favourite song came up, conversation in the diner now that's my jam. The rest of the drive was all chilled.

Next day.

I woke up next to Tshepang who was softly snoring, I looked at him smiling. Did I tell you that I've moved in with him and my mom wasn't happy to hear that but it's whatever. Damn I was a lucky woman, my boyfriend is a looker shame, he's very handsome. Caramel skin, with Hazel eyes, pink lips, bushy eyebrows and long eyelashes. You can imagine why girls are throwing themselves at him. Gosh I must give credit to Tshepang's parents, abanye abazali baya zala shame. Speaking of parents, I'm finally meeting his parents entlek family next week Sunday.

I rolled off the bed and went to take shower, I'm meeting up with my cousin Tshegofatso for brunch. I did all the necessary things and decided to settle for a light blue denim skirt,

white tank top and light blue denim jacket matching the denim skirt. I put on my pink Adidas NMD sneakers. It's been while not getting myself a pair of sneakers, gotta make a quick plan to get me a pair or 2. Tshepang was still asleep so I softly kissed his cheek and head out grabbing my car keys, putting my shades on.

Call conversation.

Me: "Baby girl, I'm on my way. I'm actually nearby so don't stress."

Tshegofatso: "Okay babe. You'll find me at McDonald's."

Me: "You love that place man. See in 5 then. I'm about to park."

Tshegofatso: "Okay."

I dropped the call and properly parked the

car. I got off the car and greeted the car guard. I catwalked myself inside the mall. I looked for Tshego and spotted her. She looked quite good, she had a blue high waisted jean, a maroon off shoulder crop top with her maroon Vans. She stood up when she saw me and we hugged.

Me: "Daaaamn girl, you look good. One would you've been getting dicked."

Tshegofatso: "Nah man you know I ain't about that dick life."

Well my cousin is a lesbian but I believe that she's pretty much confused about her sexuality but I ain't gonna judge. I'll always support her.

Me: "Imagine me not getting the D\*? That could never be me."

Tshegofatso: "I know that so how is baby love doing?"

Me: "He's good man. We're good. So alles is reg viral ons."

Tshegofatso: "I'm glad. Let's go order."

We walked into McD looking for what we can eat and honestly I didn't feel like eating burgers. We were in a queue by that time.

Me: "I'm craving for that braai kha King Edwards."

Tshegofatso: "Now that you've mentioned it, I crave it too."

Me: "Then let's go."

Tshegofatso: "But we up next and looks like those people are done ordering."

I had to act fast because really I don't

wanna depress with a burger. I faked a call real quick.

Me: "Mama? Yes? You lie? Look I'm on my way there with Tshogo. Okaay stay right there we're coming. Sharp. Cuz we gotta go ke mama, come let's go."

I said pulling her arm, rushing to the exit. As we were approaching the car, I feel someone poke, I turned to see who it was.

" Yeah ke yena chommie. Ja wena, you think you breathe flavoured air neh."

It was that girl who was flirting with my boyfriend last night.

Rn I'm praying that I don't lose my composure because Satan is really testing me here.

Tshego wannet to retaliate but I held her back and assured her that I can handle this little girl. Shit the way I was so calm in this whole situation, it really scared me.

Me: "How can I help you?"

The girl: "Yes you can help me, in fact I'm going to ask to be my little messenger to my future boyfriend since he's kinda scared of you, love potions things you know but I know it's gonna wear off sometime and he'll leave you for me."

Me: "Damn you're delusion. So what's you little message about, I really need to go, I don't have the whole day."

The girl: "Oh no nunu, don't you know that

side chicks needs to speak humbly to main chicks? So you better humble yourself and watch your tone when you talk to me."

Me: "Girl byeeee!"

I turned to leave but she roughly pulled me back to her, I just lost my cool and slapped her twice.

Me: "Do yourself a favour and leave me and my man. Next time I won't have to slap you, I'll stab the shit out of you. Stay away from us okay? Let's go cuz."

We walked to the car in silence, I gave the car guard a R10 and ignited the engine. I plugged us with some nice music and Gqi was the first track to play.

Me: "Street corner, King Edwards or Sechaba Butchery?"

Tshego: "All of them maybe?"

Me: "Impossible cuz, you gotta choose 1"

Tshego: "Street Corner, but it's boring at this time, let's go to the salon, I wanna wash my hair."

We drove to After 8 and she got her hair relaxed and her hair was quite long, she then decided to dye her hair maroon and dry curled. Just imagine how long I've been seated there going through old boring magazines. As soon as I saw that was getting done, I stood up and went to the car and wait for her. After 5 mins, she joined me and we drove to Street Corner.

We got inside and placed our order and bought 2 Bernin Classic for me and 4 Savannahs for Tshego. We found a cozy place to seat, we

settled down and took dozens of selfies.

Tshego: "You seem disturbed. Is it because of the incident that happened earlier on?"

Me: "Yah hey. Why does the world always turn against me mara? I just want to have a happy and normal relationship with my boyfriend but that's impossible because I have to always deal with bo Refilwe, bo Masego and now this girl. Kore I don't know anymore, when will it end? I'm... I'm tired Tee!"

I wiped the tears off my face, it's a good thing that I didn't apply any make up.

Tshego just stood up and gave me a heartwarming hug. I really needed one of those.

Tshego: "These kind of things do happen in

every relationships but I want you to stay strong for yourself and your relationship. Tshepang's love for you is unbelievable that's why people wanna try and break the bond between but they always come up with theories that you've given him i'Korobela. Stay strong and fight what's yours. That's your man and yours alone. So cheer up mo'gheel."

Me: "Oh Tshego when did you grow mare? Thank you love and I appreciate it."

Tshego: "It's no biggie. Kao rata outlwa."

Me: "Kao rata le nna babes. Finally our order is ready."

We ate our braai'ed meat and it was so delicious! We got done and I drove Thato home. I went straight to the apartment, I

was really tired. I got there and went in, locked the door and threw myself on the sofa and slept.

After a while, I was woken up by kisses all over my face, I smiled with my eyes still closed.

Me: "Hello Baba"

Tshepang: "Heey sleeping beauty."

Me: "I brought you food. I placed them in the microwave."

Tshepang: "You are indeed a wife material. What would I be without you mare? Thank you baby."

Me: "It's a pleasure baby."

Tshepang: "You looked beautiful today. How was your get together with your cousin?"

Me: "It amazing but it started off quite hectic.

Tshepang: " Okaaaay, how so? "

Me: "I met up with Tshego at Waterfront and we settled down there for about 15 mins then we decided to go to Street Corner because we were craving meat. As we walk to the car, that girl that was flirting with you last night roughly poked me and she started blabbing about how the love potion that I've given you is going to wear off soon. I should humble myself when I talk to her since she's the main chick and I'm the side. As I was about to walk away, she pulled me back to her then I slapped her twice and left. "

Haii uBrotherzz wenu laughed at me shame, he was in stitches. I waited 10 good minutes for him to finish laughing. He pulled me to

him and he hugged me.

Tshepang: "Sorry baby. I think she'll never mess with you again."

Me: "Damn right she won't! I told her, nah I promised her that I'll stab her next time."

Tshepang: "I'm sorry that you have to go through all of that."

Me: "It's okay. I'll always fight for our relationship baby."

I rest my head on his chest and listen to the rhythm of his heart beat. Damn I love this man. I just climbed him and kissed him slowly. I feel his guy down there on my buttocks, always ready & hard for me. He quickly picked me up and walked us to our room while kissing. We got into the room and he gently put me on the bed and he kissed me on my neck while

breathing heavily in my ear, he knows that having him breathing in my ear is my weakness. He went from my neck to breast, from my breasts to my flat tummy and from my tummy to my cake.

He sucked my clit like his life depended on it, sending me to cloud 9. As he was busy sucking me clean, I was ready to rip the sheets off the bed. I feel an orgasm building up inside me.

Me: "Aaah baby, I'm... Ahh about to, aaahh cum. Shit Tshepang."

I couldn't hold it anymore, I just released it. I breathed heavily as I'm recovering from the orgasm I got.

Tshepang: "You good baby?"

I nod.

Tshepang: "You sure?"

Me: "100"

He got on top of me and kissed me slowly, as he took off his pants and the anaconda just springs out his briefs, shit this thing is getting bigger and thicker everyday. He kisses me while he's softly massaging my boob. I can't take it anymore, I want him inside of me, all of him. My hand goes underneath him, attempting to shove that good dick inside of me but he slaps my hand off, I immediately got frustrated. He fingers me and man it feels good. After a few minutes he shoves his finger in my mouth so that I can have a taste of wet myself.

It's about damn time that I feel him inside. He enters himself, and I gasp. His movements are slow, it's like he's busy

studying my body. Then his thrusts, strokes, whatever you call are getting deeper and deeper. His pace is now mid-fast and the pleasure is too much. Shit it feels so good. Now I'm going to cum, I scream louder. His pace is fast, and his breathing rate is uncontrollable. I know he's about to cum too. Surprisingly we both cum at the same time. It's a good thing that I had my contraceptives with me.

He collapses next to me, breathing heavily. I go underneath the the sheets and I take his 🍆 and shove it inside my mouth and his sexy groans are making me hot. I'm doing my things here while I'm busy massaging his balls. I fastened my pace, and brotherz is unable to control himself. Yhooooo you should hear his groans. I go on top and I rode him

like my life depended on that, I went on like until we both came. We dozed off after the love making.

Next day, I woke a bit early because I wanted to surprise my man with a full English breakfast. At least he's not going work because it's Saturday and we going to be indoors all day. I rolled off the bed and went to the bathroom to pee, I wash my face in the basin and wore Tshepang's redbat t-shirt and my bum Nike short. I start on breakfast by frying the bacon as well as the cocktail sausages. A knock came through, I turned the heat down and went to check who was it, I unlocked and opened the door and there were 2 male policemen. And there were just standing there drooling over me. I clapped my hand in front of the faces so that

I can have their attention.

Me: "Can I help you?"

Officer: "We're looking for Kamogelo Petersen"

Me: "You're looking at her Ntate Leponesa."

Officer: "Sorry miss, but you're under arrest for assaulting Miss Rethabile Masotsa."

Me: "I don't remember assaulting anyone mos nna and I don't know anyone who goes by the name of Rethabile Masotsa."

Officer: "Please don't waste our time, we're here..." I cut him shory

Me: "No officer, I'm sorry that you wasted your time but I'm not going anyway with you. I told I never assaulted anyone by the name Rethabile Masotsa so you'll have to excuse me, I have breakfast to take care of."

He just stormed inside the apartment, and handcuffed me roughly. I screamed hoping that Tshepang will hear him and he did because he came in running. The stupid handcuffs were pinching so sore. Tshepang was busy reassuring me that he'll take me out of there in no time. The policeman was pushing me roughly secretly touching my bum. Before he could throw me in the van, I kicked him in his balls.

Me: "That's for secretly touching my ass you little pervert. You even got hard you asshole."

I sat there in a cell with 2 other girls but they looked rather sweet than dangerous but

I didn't have time to chit chat with them because I wanted to be out of here.

"Kamogelo Petersen? It's your lucky day today, you're out." said the prison warder who was already drooling over my mid-thick thighs. I smiled then my smile faded.

Me: "Do you also want me to kick your balls sir, apparently I'm very good at that."

He cleared his throat and he roughly pulled me by my arm but I yanked it immediately.

Me: "Haa ntate, you must never! Nxaaa."

I looked at him with my beady eyes and he kinda looked rather shaken. Nna ka trapa ene goed le teng. I grew up with both my parents and one day there was a day I witnessed my father beating her up and I was only 7 years old, that day I swore to

myself that I will never let anybody abuse me in that kind of way. That's why kele straat mate soh. 😊

Anyway I signed some papers and apparently I was released from prison. I walked outside and I saw Tshepang leaning towards his car. I ran to him and buried my head on his buff'nyana chest and cried so much. I couldn't act strong anymore, I just felt hopeless. How did things get so ugly? Don't I deserve a little happiness in my life? I couldn't anymore, I really couldn't. After a while I broke the hug and wiped my tears. Tshepang just gave me a forehead kiss and opened the door for me, I looked up to him and his eyes were puffy red.

The drive was silent, no singing along to music, no laughing, no funny chats. Just 2 people

who were in deep thoughts, who could do this to me mare? I looked out the window and many thoughts ran through my mind and tears just fell on my cheeks. I'm pretty sure that Tshepang felt helpless himself when he saw this side of me. I wiped my tears and sniffed a couple of times. I felt Tshepang's hand on my thigh reaching for my hand, and I took it and kissed it.

Tshepang: "We gonna get through this babe. I promise."

Me: "I love you so much." said that in a whisper.

Tshepang: "I love you too babe. Now wipe those tears man. I don't know you like this."

I chuckled and he put on some music, and weirdly he put on Zayn Malik's music. I smiled

and we sang along but mostly me. We got home and I went straight to shower. I kept scrubbing my skin until it turned pink. I broke down, I sat on the floor and silently cried while the water was hitting my face. After 10 mins, I gather myself up and switched off the water. I grabbed the towel and dried myself and applied lotion onto my body. I walked to the wardrobe and wore my lacy black bodysuit with a quarter jean with my black sparkly sandals. I applied Zambuc and brushed my weave. I walked to Tshepang in the lounge watching a repeat of Soweto Derby. I sat on his lap and softly pecked his lips.

Me: "Let's go out man. I'm bored."

Tshepang: "You just got here but you're bored already. And nna, I won't go out with your

face looking like that. People are gonna think that I made you cry."

Me: "Haa marn, let's go please or I'll take a video of me crying and tell the people how much trash you are."

Tshepang: "You wouldn't dare."

Me: "Try me baby"

Tshepang: "You little witch. Let me take a shower then."

Me: "I love you."

Tshepang: "Argh whatever you bully."

I let out a chuckle and sat there and watched "Are you the one season 3" on Mtv. Imagine if Tshepang and I, were told that him and I weren't the perfect match, haa shame the world would really stop. You know what I mean mos. A call came through and it

was Tay videocalling me.

Me: "Someone's wife"

Thato: "Someone's soon to be fiancée"

Me: "😊 you're so silly."

Thato: "Phela you were long way out of the girlfriend league when Tshepang put a promise ring on that ass. Why do you look so terrible? Are you miserable without me by yourself?"

Me: "Oh please, don't flatter yourself Mrs. I was arrested earlier on."

Thato: "Arrested as in like handcuffed you and threw you into the police van or?"

Me: "Yess Thato, that kind. Apparently I assaulted a Rethabile Masotsa and I don't know anyone of that name. They found me

preparing breakfast for my man, and I was in shorts and Tshepang's t-shirt. They police told me why they were here and I told them they wasted their by coming here because I don't know a Rethabile Masotsa. As I was about to close the door, mo'guy just jumped in the apartment and handcuffed me, and he was busy pushing me while he was secretly grinding on my booty, before I got to the van, I kicked his balls and worst part he was hard rock. "

Thato: "Nah man wait, I know a Rethabile Masotsa she's Ashley's little sister's best friend."

Me: "Seems like I'll be paying you a visit after all."

Thato: "Thank God, I was bored outta my mind."

Me: "More like, Thank Rethabile Masotsa. 😊  
I'll see you in a few then."

Thato: "Sharp friend."

I took Tshepang's car keys and went straight to the car, texted Tshepang that I'm coming. I sped off to Ashley's house that's where Thato was. In a few, I parked the car outside and hooted and Thato came out looking like a makoti, a shweshwe dress below the knees with a small blanket over her shoulders with brown sandals.

Me: "uMakoti ngo wethu (Siyavuma) ungo wethu ngempela. (Siyavuma) usozi wash'ela asi iron'ele. Hello Kotii. 😊"

Thato: Mxm. Anyway I sent Tsholofelo to fetch Rethabile and here they are. "

I couldn't believe my eyes it was the mall girl

that was busy with MY MAN. I had told Tay to stay in the car. They rushed to the car, maybe they were thinking it's Tshepang inside. Thank God the windows were tinted. Rethabile went to the driver side and knocked on the window and Tsholo just stood there not knowing what to do. I proudly opened up the window and you should have seen her face when she saw it was me.

Me: "Hello Rethabile Masotsa. 😊 Would you guys please get in the car?"

They got in and we drove off to an abandoned place that I know of. Thato was even shaken to see how calm I was, I was even busy singing to Sjava. We got to the place and I told them to get off and as soon as they did, I locked the doors and drove off leaving them there. Thato was panicking

guys yhuuu. But I was chilled. My phone rang and it was Tshepang, I ignored it and continued driving. After 30 mins we drove back there, they just sat there hopeless, even crying their eyes out.

Me: "Get in."

They got in almost immediately.

Me: "Now you know how I felt locked behind the bars, in that smelly place. And I hope this will teach you a lesson. Tshepang is mine and mine alone and he's way older than you guys. You will find someone that will love you unconditionally. Wrecking people's relationship is never the answer. Understood?"

They slowly nod. I put on my shades and sped off to where they stay, dropped them off and went to Pick 'n Pay to get me and my babe

some goodies and some good ass wine. I got to the apartment and went in only to be met up with grumpy Tshepang. 😊 I started apologising, after a long time he forgave me and he told how proud he was of me to have handled the situation well and with no violence involved.

Nothing really happened the past few days, all was just chilled which was pretty strange but I liked the peace you know. Tshepang even took a leave just to spend time with me and help me study since the final examinations were approaching and he was the best tutor one could ever ask for. Thato has finished her wifely duties so her hubby with a nice 5 room

house at Mandela View which was kilos away and boring as fuck. Houss warming? They haven't had it yet but the next day will be it, and I'm so not gonna get drunk because my period just started and I was feeling out of this place, I even got annoyed easily. And I really love to be baby'ed when I'm like this.

Tshepang has gone out with his friends and their fake ass girlfriends, so basically he was the one whose girlfriend is not there. But we were still chatting on WhatsApp making fun of his friends girlfriends'. I had told him to bring me banana bread and oreos because wow my cravings were out of this place. I watched "Titanic", wrong choice I tell you, I was crying non-stop . I even called my boyfriend.

Call conversation.

Me: "Baby are you okay?"

Tshepang: "Yes baby. I'm fine. You sound like you've been crying. What's wrong?"

Me: "Jack broke my heart, are you gonna die on me just like Jack did on Rose?"

Tshepang: "WTF? Babeee... Look I"

Me: "Babe don't die on me please, I still need you in my life. Pleeeaaase." Your gheeel was crying manje

Tshepang: "Okay babe, I'm coming over okay?"

Me: "Why? I don't want you here. I'm fine by myself here. Who said I need you to be here? Boy byeee." I sounded annoyed yanong

Tshepang: "Tjoh ok..aaay."

Me: "And babe?"

Tshepang: "Yesss Kamogelo?"

Me: "I think you mean "Yesss babe?" right? "

Tshepang: \*huffs\*" Yesss babe? "

Me: "I love you so much and please bring me Cheddar Cheese Simba Chips."

Tshepang: "Okay Mrs Moroane."

Me: "K. I love you."

He hang up on me, without saying "I love you too babe." I bet there are hoes there, now I'm unhappy. I went to bath and wore my red lace bodysuit, blue regular jeans with a black belt and white all stars and I put on my red bandana on my head. I called a cab and in less than 10 minutes it was here, I grabbed my bag and went straight to it. I told him to take me to Cubana, and the period pains were doing the most but I care

less about them. I got to Cubana and paid the cab driver, I went inside and it was all packed and stuffu with different kind of perfumes and colognes. I spotted one of Tshepang's friend, I went to them and Tshepang was not there, they were really surprised to see me here.

Remz: "I thought you were sick or something."

Me: "Well I'm here, aren't I?"

Tumelo: "Well it's so good to see you again."

Thapelo: "Tshepang is gonna be surprised to see you here."

Me: "Where is he anyway?"

Thapelo: "He went to get us some drinks with Keanetswe."

Me: "K."

Remz: "Aren't you drinking tonight?"

Me: "Not really. I don't feel like it."

Tumelo: "That's the first hey."

Thapelo: "Here they come."

They came to the table and they were with some girl with the shortest dress ever. They introduce the girl to the squad.

Keanetswe: "Guys this is Remoneilwe, Tshepang's plus one for the night. Remo this is, Remofilwe, Tumelo, Thapelo and urhh?" I jumped up and faced them.

Me: "and Kamogelo, Tshepang's one and only girlfriend."

Keanetswe: "SHIT!"

Tshepang: "Babe, what are you doing here?"

Me: "I came for you baby. But it seems like

you're all sorted. So I'll just leave. Guys I'm leaving neh. Stand up giveme huge bear hugs."

They did and they couldn't feel that I was taking their wallets along with their car keys putting it in my bag including Tshepang, stupid immature boys. I walked to Tshepang's car and called a friend of mine who studies IT to hack all their cellphones including their girlfriends' and he did. I drove to the apartment listening to Beyoncé's hold up, it was on repeat shame. I got to the apartment and slept the pains away.

Next day.

Guys I know it's short but it's better than nothing.

Continuation.

Next morning.

I woke up having extreme period pains, I went to the kitchen and boiled the water, and put it in a hot water bottle. I looked for pain killers because the pains were really excruciating. I drank the painkillers and went lay in bed with the hot water bottle on my abdomen and found myself asleep. Luckily I had set an alarm for me to take a bath and prepare for Thato and Ashley's house warming. I wore a jean and a black tank top with my white and pink Nike Air Max sneakers with Tshepang's Diesel bucket hat. I took the keys and drove to Spar Aljos, I

went to get myself snacks and 6 pack ya  
Hunters' Gold and Henessey Cognac as a gift  
to Ashley and Thato. I called that IT friend  
of mine and told him to unhack the phones.  
Almost immediately I got a call from  
Tshepang.

Call Conversation.

Me: "Hi honey. How's the hangover? "

Tshepang: "I don't have any, because we was  
up all night stressing over our car keys and  
wallets are when we tried to call people that  
we know to pick us up, guess what  
happened?"

Me: "What happened lala?"

Tshepang: "All of our phones aren't working  
either."

Me: "Oh no baby, that's terrible."

Tshepang: "And this happened just after you left, what a coincidence."

Me: "So where did you guys sleep?"

Tshepang: "At the club."

Me: "Aii shame nana. Anyway I'm on my way to Thato's house. And your wallets and car keys are in my bag neh."

Tshepang: "I knew you were responsible to this. I wonder why."

Me: "Next time learn to say "I love you too" and never hang up on when I have called, understood?"

Tshepang: " Crystal ma'am."

Me: "Good. Not go get some rest okay? And your food is in the oven, please apologise to the guys for me yeah?"

Tshepang: "Okay I will."

Me: "K, byeee now."

After a while I got to Thato's place and it was crowded already. I went in to look for Thato and I found her dressed in a floral dress which revealed her creamy legs. I gave her the Cognac and we hugged. I asked her to give me a camping chair and she did. I found a perfect place for me to sit and I took one dumpie of my alcohol. After a while Thato joined me and sat next to me and I told her about last night's whole incident. Obviously she was laughing hard.

Thato: "My friend wena o starring tthe."

Me: "I had to make the things to be done chommie, I just hope they forgive me though."

Thato: "Don't worry, I'm sure they will man."

The housewarming was all chilled but so much fun. I left around 18:30 luckily it was not dark. I sped to Bloemfontein, I kinda missed my man and I needed to be baby'ed by him. After a whole 40 minutes I got to the apartment and there he was sitting on the couch watching soccer. I sat on his lap and kissed the living lights out of him. I went to take a quick bath and dressed in my summer silk pajamas. And we sat on the couch catching up on everything and making out here and there.

Me: "Babe do you think that your parents will like me?"

Tshepang was going introduce me to his family tomorrow, I must say I was super nervous.

Tshepang: "Honestly no."

That answer alone crushed my whole spirit.

Tshepang: "Because I know that they're going to love you for making me this happy."

I smiled.

Me: "You think so?"

Tshepang: "I know so baby."

Tshepang: "Be warned though, my sister can be a little bitchy because she used to get along with Refilwe."

Me: "Such small things. I can handle her baby. Tell me does your mom love chocolates and your dad, does he drink? I need to make an impression here."

Tshepang: "Yess she does. Ferrero Roche and Red Roses too. And yes he does drink,

Henessey specifically."

Me: "Hmk. Let's go sleep. I'm tired."

We went to our bedroom and talked about a whole lot of things. Until we drifted to sleep.

I woke the next morning and made my way to Loch Logan, Pick 'n Pay and bought Ferrero Roche chocolates, unfortunately the liquor store was closed but luckily I had a friend who works at The Thoughts Lounge and talked to his boss and his boss agreed to give me the Henny. At Ultra the Henny cost about R300 and something but The Thoughts Lounge, Henny ke R500 and iets. Jizass Christ, I've spend R700 and something just to please my boyfriend's parents and I had to go buy a bouquet of roses and they cost about R250. Haii this love thing is expensive, I was gonna get us some breakfast kodwa

hail I'm broke as fuck rn. I drove to the apartment and I found Tshepang making this mouthwatering sandwich, I quickly grabbed and took a bite.

Me: "Thank you baby."

Tshepang: "Yeah sure whatever."

Me: "I'm going to shower neh."

I quickly showered and did all the necessary things. I wore a white dress with yellow sunflowers that was above my knees. I put on my white sandals. I brushed my weave and applied lip balm on my lips. I put on the promise ring that Tshepang bought for me. I found Tshepang already dressed in jean shorts, white Polo t-shirt and Relay flip flops with a black Polo cap. We took a bunch of selfies and he decided to get to drive my car

because apparently he misses his baby.

We arrived at his crib and my palms were sweating already, but he held my hand tightly and gave me an assuring smile. We got out of the car, then we hugged for the longest time, inhaling his cologne. I sure felt safe in his arms, he kissed my cheek. I took out the prezies for the mom and dad. And he knocked on the door, gosh I was so nervous, God help me. The door opened and it was his mom.

T's Mom: "Finally. You sure took long outside there."

Tshepang: "Oh mom, were you peeking?"

T's Mom: "Shut up wena, you made me wait a year just to meet my makoti. So do you blame me? Hello Koti."

Me: "Hello ma. I got these for you."

T's Mom: "For me? Oh thank you child. You know Tshepang's ex fiancée, Refilwe she came empty handed you including with a empty stomach. You chose good here my son. Come in."

We came in and I just admired the house. It was so beautiful.

T's Mom: "Baaabaaa! Tshepang is here. I'm so happy to finally meet you, you truly are beautiful."

A man who looked so much like Tshepang, I guess he was the dad. 2 girls came through as well and I knew one of them, she was one of the girls that beat me when I was dating Ashley, One of Refilwe and Tididmalo's friends well her name was Tshegofatso. And the

other one was 6 years old, she came to me and introduce herself as Tshepiso, she was so adorable. I just gave her a hug. Tshegofatso just stood there and gave me the most dirtiest looks ever. I stood and went to shake Tshepang's dad hand while bowing down.

Me: "Dumela 'Pa. Ke go tletse sengwenyana, ka tshepa gore otlase thabela." (Hello sir. I've brought you a little something and I hope that you'll appreciate it.)

T's Dad: "Can we make her our makoti already? So respectful. Thank you my child."

T's Mom: "Okay chit chat. I need to talk to my daughter in law."

Before they could say anything, she has long grabbed my arm and led the way. Tshepang

and his dad were just laughing shaking their heads. She led me to the kitchen and she told that it's braai day today, so I asked her if I can make some salad and told me that the kitchen is mine to use. I cooked pap while on the hand I was grating the carrots for the salad and she was therr marinating the meat. It seemed like there were other people coming too.

T's Mom: "So how did you two meet?"

Me: "At a liquor store. 😊 So he saw me having a showdown with my ex boyfriend and his girlfriend. Gosh it was so horrible and embarrassing but I handled the situation quite well. So he came to me, being a charmer that he is but I dismissed him since I was so annoyed. So I planned my best friend this last minute engagement party only to find out

that your son would be there. But we clicked instantly."

T's Mom: "Ncaaaw how sweet?"

Me: "Oh it doesn't end there mama. So I decided to invite my ex and his girlfriend since his girlfriend was my best friend's cousin so I thought it would be a good thing to do. I had to go and pee but Tshelang wanted to go with me but I assured him that I'll be fine on my own. So just when I finished doing my business, my ex just appeared from nowhere telling me how can I entertain a guy in front of him, he also told that he owns me. He tripped me then I fell on the ground bumping my head hard, then he tried to undress me trying to rape me. When I tried to scream he slapped me countless, so I was running out of breath too since I'm asthmatic. There

appeared your son, my super hero, and he threw a bunch of daggers at my ex. So I passed out and found myself at the hospital. Ever since then we've been at it."

When I looked at T's mom, she had tears running down her cheeks. Ncaaaw I didn't mean to make her cry.

Me: "Mama I just want to tell you something neh, I've been through a lot in my life, from being raped to getting in a abusive relationship to dating a lunatic. I've seen it all but never have I ever experienced the love that your son has given me. I love your son so much and I know that he loves me as much as I love him. And he never pitied me just because I went through those terrible trials in my life. He treats me the way I want to be treated and he respects me like I

wanted to be respected. So I'd like to thank you for going through all labour pains for so many hours, just give birth to an amazing soul who means the world to me. I'm this happy because of him and I promise to never let him go, because I'd be a fool to do that. Even when times get tough I'll be there for no matter what happens. I love your son mama, so much. "

Tshepang: "And you know I love you more than life itself."

He came to me and kissed my forehead. And he went to hug his mom and wiped her tears using his hands, they opened up a space for so that I can join in. We group hugged then we broke it. I carried on with the pap tart and the salad. And the mood was jolly again when the wine came. The guest were arriving and

they seem to have liked me. We were sitting at the backyard, while they were telling me about Tshepang's childhood stories and they were so funny. The doorbell and I was told to get the door with Tshepang. He wanted to kiss me but I was refusing to until I agreed to give him only a peck on his lips. So he opened the door while we were kissing and we got disturbed by someone clearing their throat and it was Tidimalo and Refilwe. GREAT, JUST FUCKING GREAT.

We just looked at them, and left them there making our way to the backyard with Tshepang's hand on my ass. We went to take our seats and continued vibing with one

another.

Me: "Ke sure your sister thought I was going to beat her ass up so that's why she called her squad."

Tshepang: "Beat her up for what?"

Me: "Gosh you're so slow babe. Ankere she part of them when they beat me with your ex fiancée. So maybe she thought I'll beat her up again."

He just chuckled and told me to be on my best behaviour. Tshepiso came to me and asked me to play with her and I did. I started chasing her around, we played hide and seek, all sorts man until Tshepang's mom called me to come help her.

T's Mom: "Please help me dish up my child."

Me: "Okay ma."

T's Mom: "Gosh you're understanding and helpful. With Refilwe being engaged to Tshelang was rough shame. She was too demanding. She didn't even help with the chores or anything. That girl was rotten shame. Speaking of the devil, here she comes."

I just giggled and carried on dishing out.

Refilwe: "Ma can I help you out? We need some catching up to do."

T's Mom: "Does it look like I need some catching up to do with you, or do I look like I need your help with anything? After so many years now you want to help me out when you see Kamo being hands on in the kitchen. Look here wena girly, I don't know what you're trying to do but let me tell you something, whatever you're planning in that peanut

sized brain, won't work wa utlwa. If you mess with my son's relationship with this beautiful girl, you only gonna mess with me. Now get out of my way, my husband is probably dying of hunger. Come Kamo."

I was in stitches mina ke, you should've seen the face she pulled when Tshepang's mom threw daggers at her. Sheeem I think I'm going to get along well with this woman. I stood in front her, with a small basin with warm water and a cloth on my shoulder.

Me: "I'm coming mama."

I said that in her face. I pulled a genuine smile and took the basin to Tshepang's dad while I was on my knees. I took the basin to every male to wash their hands, now it was Tshepang's turn to wash his hands and he just smiled at whike he was washing his

hands. When he was done, he winked at me causing me to blush.

After a while, people were now leaving, it was indeed fun. Tidimalo and Refilwe were still here, I was busy chatting with Tshepang's mom while Tshepang was busy playing with his little sister. It was now time for us to go and T's mom was sad, she even wanted to cry but I assured her that I'll come visit her. And she told to come on Saturday so that I can help her wash the curtains. Tshepang was already complaining that his mom was going to overwork me and he doesn't like it. Haii his mom just kept him shut with a slap behind his head. I wanted to laugh so much but he gave me a death stare. We bid farewell and walked to the car.

Refilwe and Tidimalo walked to us and looked

at Tshepang.

Tshepang: "Can I help you?"

Refilwe: "Uhm, Tshepi..."

Me: "Hekse Tshepi? God please, I don't want to lose my temper."

Tidimalo just gave me a death stare.

Bathong who does she think she is.

Refilwe: "We don't have cash on us so could you please take us home."

Tshepang: "Ask Tshegofatso for some cash, I'm pretty she has plenty of that. She is the one that called you here."

Refilwe: "But Tshepii.." She held Tshepang's hand.

Haii guys I was quarter to, to losing it. I was humming "Hale mpotsa Tshepo yaka"

song. I was really being tested here.

Me: "Satan if you're really testing my faith. Please go because I'm not having any of that."

Tshepang: "Baby get in the car. It's getting late. You still have to study."

Me: "K babe."

I got in the car and he did as well. He gave R & T, R150 for the cab. He started the car and he sped off. We arrived to the apartment and took a quick shower, I wore my pajamas and studied for 3 hours. I uploaded the pictures that I took with T's mom on Instagram and slept because Tshepang was already asleep.

The rest of the week was chilled, Tshepang has gone back to work and I was busy

studying for the test and upcoming exams. Saturday came, and I settled for a 3 quarter jean, a black polo t-shirt and my Adidas Superstar. I drove to Tshepang's crib and his mom opened up for me attacking me with a hug. Is it how she missed me kante. 😊 She made brunch for us while catching up and telling her what went down when we were supposed to leave.

Tshepiso was out with her dad, and Tshegofatso somewhere locked up inside. Firstly we started off by taking out curtains off in the lounge. This whole process somehow reminded me of my grandmother. That's how we always bonded, we bonded over washing the windows and putting on new fresh curtains.

While I was busy putting on curtains in the

kitchen, I felt someone grabbing my leg, the next thing I'm on the floor groaning in pain. I think my left leg is kinda broken, I look up only to see Tshegofatso grinning.

Tshegofatso: "Leave my family alone you bitch, next time I won't be breaking your leg if you carry on like my family is yours."

T's mom came in to check if I was coping, then bitch started to be panicking.

Tshegofatso: "Oh my gosh mom, I found her like this on the floor. I think her left leg is broken. I think she lost balance, when she was busy with the curtains. I was about to call you mommy. We need to take her to the hospital."

T's mom rushed to me asking me if I'm okay, I looked into her eyes and I knew instantly that she wasn't buying her daughter's story.

T's mom: "Can you stand up?"

I tried standing up but yhoo my left leg was painful and it was now turning purple-ish. T's mom helped me up and I limped to her car, we rushed to Medi-Clinic which was kinda nearby. I was groaning in pain and T's mom was trying to calm me down and I was not having it because really I was in pain. We got there and they rushed me into the emergency room, after that I blacked out.

A few hours later, I woke up in a hospital bed with Tshepang on my side, sleeping peacefully. I cleared my throat and he woke

up instantly.

Tshepang: "Hey baby."

Me: "Hey love. How are you?"

Tshepang: "I'm not good. You see why I didn't want you to be helping mom with the curtains at first. If mom wants to see you, she'll have to come to the apartment."

Me: "Where is she anyway?"

Tshepang: "At home. I've never seen her so furious with Tshegofatso but I don't care because she deserves everything that's coming her way. She might as well burn in hell for all that I care."

Me: "Come on baby. I know you don't mean that."

Tshepang: "Trust me on this one baby, I mean every word."

Me: "So when can I go home, because I seriously don't want spend the night here."

Tshepang: "Today actually. We were just waiting for you to wake up."

Me: "Now whatchu waiting for? Go tell thay doctor that I'm awake and ready to go. Where's my.... Argh never mind."

He went out and I took my phone out of my pocket and called Thato to tell her what happened to me. Man she was so angry and she told me that she's happy that I'm okay though and she'll see me tomorrow at Campus. I called Melissa too, to check up on her. Tshepang came to tell that we can go. I have a cast on, so I will be using crutches for 3 fucking months argh. Just fucking mint yeah? 😞

On our way home, we were listening to Ringo - Ndiyagodola, now that's my jam. Haii shame we were singing our hearts out, it was even on repeat, that's how we were vibing to it. We went to Ocean Basket and we decided to have dinner here instead. My phone beeped, and it was a message from Tshepang's Mom wondering if I'm okay now and apologizing for her daughter's behaviour. I replied back and switched off my phone.

Me: "Your mom is so sweet waitsi. I wish she was my mom. I thought she was going to be a monsterzilla in law but nah she's just so perfect."

Tshepang: "It's so good to see that you and mom, are getting along so well. I'm happy."

Me: "I'm happy too. You make me so happy. Even though all the time we always face

drama but I'm very much happy to be with you. I love you so much Kuk'la."

Tshepang: "And I love you more."

Me: "Shit with me having a cast on, it simply means that you have to take me to school and fetch me from school."

Tshepang: "And it means, I'll get to drive my baby now."

Me: "You gonna leave my car alone. It's resting now."

Tshepang: "Excuse me?"

Me: "You may be excused baby."

Tshepang: "I can't deal with you right now since you're on your period."

Me: "You know what? Fuck you."

Tshepang: "You've done that already!"

Me: "And your point is?"

Tshepang: "I don't really have a point baby."

Me: "Oh my gosh, can we just get the bill and get the fuck outta here."

Tshepang: "Yhoo okay."

He settled the bill and we went straight to the apartment. I went straight to shower, though I was struggling a lot. Curse you, Tshegofatso for being a bitch. I huff in frustration, I get out of the shower and I almost fell, thank God the basin was there to save me.

Me: "Baaaaaby?"

Tshepang: "Yess?"

Me: "Please come help me, I'm struggling."

He came in to the bathroom, by that time I

was butt naked. He was drooling like you could literally see the drool from his mouth.

Me: "Hello? Help me?"

Tshepang: "Huh? Oh yeah."

Me: "So you're just gonna stand there?"

He came and picked me up bridal style, he hungrily kissed me while his hand made its way to my nuna, massaging my clit, I became wet that instant. And the rest of the love making was history.

Next morning.

I woke and undid the weave, because I grew tired of it. I wash my hair and dried it.

I had to get ready for school, now your girl has to be dressed in short pants, dresses and skirts. I look through my wardrobe, and I settle for a strapless grey dress with my

denim jacket and I put on my pink and white Nike Airmax on my right foot, I put my big hoops earrings and tie my hair into a messy bun. I grab my bag, crutches and shades. Tshepang was only going to work later on so I woke him up and wore his shorts and a t-shirt and he had his Adidas slides on. He went to wash his face and teeth while I was making myself a quick fruit salad.

He took to school and kissed the living lights out of me, luckily I didn't apply any lipstick, I decided to go all Alicia Keys (No make-up). When I was about to call, Ashley's car pulled up in front of me.

Ash: "Aah who trap'ed you now?"

Me: "Tshepang's little sister, Tshegofatso."

Ash: "Ekse! I wonder what you planning in

that head of yours?"

Me: "Nothing. 😊 Karma will deal with her."

Ash: "Wena? Kamogelo Petersen?"

Me: "I'm telling you ntwana. But next time, she'll know me very well. Shap ndoda."

Ashley drove off, me and Thato stood there waiting for Melissa and she finally came quite shocked to see a cast on my leg but I told them I'll tell them the whole story when we grab lunch. We attend our first class, well obviously they were telling we should study all the work we did which was a lot since it was test week next week. I really hope to make it because I cannot afford to fail. After our classes, we decided to go to Waterfront Mall, and we went to Steers. I was really craving for Cheesy Chips with Jalapeño so I settled

for that. Before we could eat I ordered Ribs at Spur for me and my baby lovee. I told them everything and Thato was fuming with anger, I've never seen her like this.

Thato: "You might not get her for what she did to you but I'm not gonna let her get away with this. Never!"

Mel: "Yess girlfriend! I'm with you on that."

They high fived.

Me: "Guys please no. Just let it go."

Mel: "Never shame. Retlo go mo trap yena.."  
(We gonna beat her up.)

Me: "You know it's war when a coloured girl speaks Setswana so perfectly."

Thato: "Haii that girl is you for a poes man."  
She said that loudly because a young white couple was looking at her differently.

Thato: "And lona? Le nshebileng? Le qala go utlwa lentswe" Poes"? Sang nyelang le lona tuu." (And you? What are you looking at? Is it your first time hearing the word" Poes? Don't shit on me please.)

Thato was on fire guys, one would think that we swapped personalities because today she was more like me and I was more like her. Our food arrived and they were amazing yhooh. Those chips! God forbid. While we were chatting, Thato suggested that we go to Westend Pub for drinks, we all agreed because that place is a vibe for real. I went to fetch my order and we went there and it wasn't even far from Waterfront, just a 10 minutes walk then you have arrived.

We got there and we sat outside because we were avoiding smelling like cigarettes because

the people inside, they smoke yhoos, they don't play at all. Thato went inside to get us some drinks while me and Mel were taking pictures. Thato arrived holding a tray of 3 Chilli Vodka shooters, 3 Very Berry cocktails and 3 cans of Flying Fish. We started off with the shooters, then the cocktails, then the ciders. Thato and Mel excused themselves because they needed to use the toilet. I texted Tshepang telling him that I'm out with the girls in Westend and I'll ask Ash or Melissa's boyfriend to drop me off. He replied saying I should take care of myself.

After a few minutes, the girls came to sit down with but Thato's hair was a bit tangled and Melissa had a scratch on her lips.

Me: "You guys look like you're coming from a wrestling match"

Thato: "And if we did?"

Me: "That would be crazy."

Mel: "Well we did."

Me: "Oh my gosh I can't with you guys! With whom?"

I saw Tshegofatso all beat up and crying walking out with Tidi and Refilwe comforting her.

Thato: "Yeah do that bitch. Go and cry somewhere. And remember I ain't done with you. You mess with my friend, you mess with us bitch!"

Mel: "Ja gaan jy! Maar jy moet weet ons is nie klaar met jou nie. Ons gaan jou kry jou teef. Gaaaaaan!"

Lmao oh my gosh, what did I do to deserve to have these friends mare, a whole tag

team vele? I never espededit. 😊

Insert 52 A

A few days later, everything was good and for once I was glad there was no drama happening. Well I haven't heard from Tshegofatso and Tshepang wants nothing to do with her, he has completely written her off his good books. Well I'm super glad that I don't have to deal with her anymore but I somehow feel like she's right about me trying to so steal her family away from her. I think I should talk some sense into Tshepang and ask him to talk to her.

Well I was busy getting ready for the upcoming tests, I'm stressed as hell. I don't

even know why, I guess I'm afraid of being a failure or letting my grandparents and sibling down because they really look up to me and they expect me to be the first graduate in the family so you can imagine the pressure that's upon me. But I'm ready for whatever.

In 2 days, guess who's birthday is it? Yuup your home boy Tshepang and his mom asked me to help her with a few things like taking Tshepang out while they are busy with the preparations of this surprise party and I sure know that Tshepang hates surprises so he's gonna be annoyed to the core but he shall be strong shame. And his birthday is on Friday but the surprise will take place on Saturday.

Next morning, I woke up and wore Tshepang's t-shirt with his Adidas shorts. I

had no class today so I was gonna do a little spring cleaning because I won't just sit and stare at the tv the whole day. So I began with spring cleaning our room, taking some of our dirty clothes and put it in a washing machine.

While I was folding clothes in the drawers, I received a call from Thato.

Call conversation ::

Thato: "Bitch what you busy with now?"

Me: "Spring cleaning, why?"

Thato: "Accompany me to the mall man, I'm about to drive to you rn."

Me: "Okay. Wait what? Drive to me? Did Ashley do the things for you to get driving his car?"

Thato: "Just go freshen up man."

Me: "K madam, please buy me 2 pack of black Ebony hairpiece, my hair is horrible and I need you to plait boma 2 lines moo."

Thato: "Okay."

She hang up. I applied relaxer on my hair just for it to be soft because my hair was disastrous. I washed my hair applying shampoos and conditioners, then I dried it up quickly. I took a quick bath because I knew Thato is gonna be here anytime and she won't be pleased seeing me not ready at all. I looked in my closet to see what to wear and I settled for a white lacy bodysuit with a black and white check mini skirt and I put my white All Star on. She came with sleeping Omogolo and she quickly plaited my hair into 2 lines, I looked so nunas bathong.

I was busy playing with Omogolo while

Thato carried her, kissing her fat cheeks, making her laugh as usual then I got disturbed by a "Tuut-tuut" sound. I met up with a brand new Royal Blue VW Cross Polo, then I see my girl catwalk to it, there was "OMOGOLO" written on the number plate. I was in total shock, I just stood there not moving an inch. I finally find the courage to say something.

Me: "Mogotsi?"

Thato: "I know what you about to ask and it's definitely mine babe."

Me: "Whaaat?"

Thato: "Yess friend."

Me: "Wow. Just wow. BITCH! YOU GOT A FUCKING CAR."

Thato: "Ha monatee jwang. Ashley bought it

for me yesterday."

Me: "If kunyiwa, mak'nyiwe marn! Lift to school ereng mo ngwaneng. Sies marn."

She strapped Golo on her car seat while I made my way to the passenger seat, admiring this beautiful machine which belonged to my best friend. She got in the car and as usual we were listening to commercial house, we got to the mall and Thato shopped for all the necessary things that she needed. I went to Edgars and bought a wrist watch, a white Polo shirt with a nice red lace lingerie. I was obviously gonna do nice and naughty to mans on his special day. Then we made our way to Sportscene and bought a Fila t-shirt that he has been nagging me about, well I also bought myself the same Fila t-shirt. Then we went to Pep Store to get a nice

paper bags for the gifts I bought. Then we made our way to Spur and yesss Thato was the one paying for the food.

2 days later.

Tshepang didn't sleep at home his homies took him out and unfortunately I couldn't go because I was busy studying for an upcoming test. It was really stressful for me really, well I got up and looked for my phone under my pillows and texted Tshepang a sweet birthday message. I got up and made him nice pancakes with some whip cream and golden brown syrup. I bathed and wore my black Vans t-shirt with my blue shorts and stockings and I put on my Vans shoes, and brushed my hair neatly. I put on lipstick, grabbed my sunnies and back pack, and rushed downstairs waiting for Tay to arrive. After

10 minutes she arrived.

Tay: "Fuck girl mode activated."

Me: "Yessssss gheeeeel"

Tay: "Where's your man, we've bought him a little something."

Me: "He ain't here. He was with his friends last night so he didn't sleep here."

Tay: "And you're not worried about him at all?"

Me: "He's 24 years old for goodness sake. I don't have time to babysit such an old man."

Tay: "Okay gheelingz, calm down then."

Me: "I'm calm babes. Shoot I forgot the lingerie and my heels. Did you bring the coat?"

Tay: "Yess I did. Let me go fetch it, you gonna take forever with that cast of yours."

Plus I'll drop this present klaar. Where did you put that sexy lingerie?"

Me: "In my room, in the last drawer. Just put the present on the bed, along side mine."

Tay: "K. Be right back."

I connected the aux onto my phone, today I was in a mood of listening to Rihanna's ANTI Album. After a while, Tay came along with my lingerie inside a plastic. We drove off to school, found Melissa waiting for us, she couldn't even see that it's us inside the car and you could see she was getting pissed shame. She really hates waiting, the most impatient person I've ever seen. I got out of the car to hug her.

Mel: "When did you guys get here? "

Me: "Just now"

Mel: "With? Because I didn't see Tshepang's car nor Ashley's car pass by here."

Me: "Gurrl who said we came with those people. Your guurl Thato bought a new machine, this lovely machine here."

She screamed causing us to close our ears because she was way too loud. She went on the other side to hug Tay, I followed her we shared a hug. We were extremely happy for her, I was mostly happy for the bond and sisterly love we share. It was remarkable shame.

Me: "I love you guys so much."

Tay: "You guys means the world to me."

Mel: "I don't know what would I be without you guys."

Me: "Forever and always?"

Mel&Tay: "Forever and always."

We broke the embrace, and walked to our next class.

Tay: "Mel, my friend you're fireeee shame."

She had a black mini skirt with stockings and black ankle boot with a Nike t-shirt. She was indeed hot.

Mel: "Really? But wena though. O dira masepaaaaa tthe."

She had a black lace bra-crop top revealing her diamond belly ring, light blue jeans with a black belt. She had her Black Nike Huarrache sneakers. We were all hot man.

The classes we had were boring as usual, the students were really stressed out about the upcoming test because wow, course was really chowing. Now we're all feeling the pressure,

and we had no idea on how to handle it. It's too much. After the classes we went to a quiet place to help each other with some chapters that we didn't understand. It's so nice to have friends who are as driven as you are, it's bliss.

Afterwards we went to a guesthouse to chill a bit and we had bought ourselves wine, I was really nervous about tonight so I needed wine the most.

Tay: "I have a confession. I asked Ashley's sister to go to your flat and throw rose petals in your room and nice red scented candles."

Me: "Oh my goodness why?"

Mel: "What do you mean, why? For you guys to have a good time."

Me: "I can't with you guys shame."

Mel: "I do it every time with my boyfriend and he seems to love it especially when I'm kinky."

Tay: "My husband too."

Me: "Kinky how?"

Mel: "First of all, do you have toys"

Me: "Toys? Wtf? Do I look like I need toys?"

Mel: "I mean sex toys, like handcuffs, whips, huge ass dildos?"

Tay: "Gurl she doesn't own any of those shame. Let's school her a bit."

Mel: "This is harder than I thought."

Tay: "I think it's best if we go to Adult World and explain these to her nice and slowly."

Mel: "Kamo do you have data on your phone?"

Me: "No, not really."

Mel: "Don't worry ghel, I got you. I have a few videos on my phone."

Tay high-fived her after saying that, I wonder what kind of videos does she have.

I hopped in the car and we went to "Adult World." I wonder how are adults gonna help with this situation that I kinda have. We got there and they told me go stay inside the car. I got bored and decided to call Tshepang.

Call Conversation.

Me: "Hey baby."

Tshepang: "Hey loveeee. How are you?"

Me: "I'm good and yourself?"

Tshepang: "I'm good but hungover as fuck.

They can't stop singing for me here at work. I can't wait to knock off. Thank you for the pancakes you made for me, I enjoyed them shame. It should be my birthday everyday, and the gifts you and Tay and Ashley got me, I always treasure them. "

Me: " Argh Papii it's nothing man. I'd do anything to make you happy. What time are you arriving?"

Tshepang: "Well I don't know but around 21H00. Tshegofatso wants to take me out to Euro Café."

Me: "That's nice. Please forgive her. Just try to okay?"

Tshepang: "Okaay Mamii. I got to go, I have to help a customer."

Me: "I love you."

Tshepang: "I love you too lover"

End of call conversation.

After I dropped the call, M & T came and we drove off to Pick 'n Pay to buy wine and snacks and they bought me strawberries, whip cream and honey for me to feed Tshepang. We made our way to the Guesthouse.

Tay: "Okaaaay presentation time. Mel comes stand right next to me with the things we got. First things First, these are handcuffs, so basically what you're gonna do it handcuff his hands to the headboard, you only use these when you ride him okay. Okay, and this is a whip well its your choice if you want to use it to him or you want him to use it on you but I'd advise you to let him whip you. Be his slave, make him your master. And this is a

dildo....."

Me: "Shit that thing is huge. That's how big Tshepang's dick is."

Tay: "TMI gurl. We don't want to know about Tshepang's dick size. Well as I was saying, this is a dildo, all you have to do is suck it seductively and masturbate with it. Damn Tshepang is gonna go crazy if he sees playing with yourself. Lastly this is a nipple clip, it may be a little painful but damn girl you going to enjoy it. The floor is yours, Mel. "

Mel: "Okaaaaay gheeeel. All we going to doll you up tonight, you gonna look nice, sexy and seductive for your man. See as he get in that door, don't kiss him yet. Take off his clothes, and he should be butt naked and tell him to relax. Give a nice erotic massage while nibbling on his ear and you should be moaning

while massaging him. Afterwards put on "Dance for you" and dance slowly for him while looking seductive. Then you go to the couch and kiss him nice and slowly, then you led him to the bedroom where he will see the sex toys laid there. Give him the whip and let him whip your butt, afterwards take that dildo and suck it nice and slowly, deep throat that shit. Then you shove it in your vagina, he's gonna go crazy when he sees you playing with yourself and enjoying it. Then the rest is history babe.. And now I'm done with your makeup. "

Yhooo guys it's gonna go down tonight shame. Stay tuned for your Insert 52 B. I really tried guys, this is the best I could come up with.

I looked awesomely beautiful, Mels is really good at this make up thing man.

Tay: "Tshepang is gonna faint when he sees in that make up. Mel, Girlfriend, you know your things shame."

Mel: "Right? Maybe I should open my own make up studio."

Me: "Girl you should do that, zaka tlabe ereng mo baneng."

Tay: "One day we will also be like Cardi B singing Bodak Yellow."

Me&Tay: "I don't dance now, I make my money moves, I don't gotta dance I make

money moves."

Then we started dancing while we're singing. Mel was just standing there laughing, with her phone in her hands, I'm assuming she's taking a video of us..

Mel: "Okay enough now, Tay come style her hair quickly. It's already 19:30."

Remember I had 2 lines that was plaited by Tay, so she loosened them and curled my hair without washing it because time was not on our side. It took her 20 minutes to curl my long hair.

Tay: "Okay I'm almost done now. Just.. Need..To..Do..A..Few Touches..Now. All done. Girl you're fire damn!"

I stood in front of the mirror and just admired myself, damn Tshepang is in for a

show.

Mel: "Take, and wipe your sweaty arm pits. I can see that the nerves are kicking right now. Have a glass of wine too, you look like you really need it."

I gave her a nervous smile and gulped that glass of wine. I wore the lingerie with the fish net stockings, and the long ass coat. Tay and Mel had long packed the stuff and left the room clean so we headed to the car tipsy of course. As I was in the car, my phone beeped, and it was a message from Tshelang telling me that he will be home in 20 mins. Yhooooo!

Me: "Bitch step on it, mans will be at the apartment in 20 fucking minutes."

Tay: "Roger that"

She sped off, and I arrived at my apartment in 10 minutes. And I was fucking nervous! I called Tay and Mel and they picked up almost immediately.

Me: "Guys I can't do this."

Mel: "Bitch don't tell me that kak hoor jy my. Stop being a little ass bitch and boss up bitch!"

Tay: "Yaaah tell her wena Coloured Vrou."

Me: "I think I have an idea, I'm going to write these sexy erotic cards more like instructions. Instructing him to be butt naked as soon as he walks to that door, and he has to go to the fridge to take out the strawberries, whip cream and honey. That kinda vibe you know, but I won't be in the apartment. "

Mel&Tay: "Yassssssssssssssssssss"

Mel: "Start working on the cards now because you have less than 5 minutes."

Me: "Roger that!"

I dropped the call, and started working on the cards. They were really naughty shame.

1st card read: Welcome lover boy, finally you decided to show your sexy ass, please don't be afraid and make yourself comfortable."

2nd card read: Oops sorry, clothes aren't allowed in the premises. Strip those clothes off nice and slowly. I'm watching you."

3rd card read: Now that you're butt naked, make your way to the fridge slowly and take that whip cream and strawberries and make yourself comfortable on the couch.

4th card: Now that you're made yourself

comfortable, your little surprise is gonna knock on that door. Are you ready? Enjoy lover boy.

I placed the cards to their rightful places, and rushed out quickly out of the apartment and asked my neighbour to let me in and thankfully she did. I told her that I'll explain everything later to her. I heard Tshepang walking to our apartment and unlocking the door. I went out of my neighbour's apartment and went to look on the window if Tshepang is following the instructions and he really was, he was busy striping off his clothes and he looked rather intrigued by this. He went to the fridge, took the stuff I instructed him to take and he made himself comfortable and smiled when he read the last card. Damn was I nervous about the whole

thing, I unbuttoned the coat revealing the sexy lingerie and finally found the guts to knock. He opened the door and his mouth was wide open.

Me: "Hey Master, Today I will be your slave, I will do everything that you want me to do. So aren't you gonna let me in?"

He stepped aside leaving space for me to get in through the door. I catwalked my way behind the couch and signalled him to make himself comfortable on the couch and he did. I went to the our bedroom and took baby oil and a lit candle. I told him to lay down and I was on top of him pouring the baby oil all over his back and started massaging him slowly while grinding on top of him.

Me: "How is that master?"

Tshepang: "Mhmmmm. All good."

Me: "I'm going to put wax on you, you don't mind? And please no screaming."

Tshepang: "What do you mean" No Screaming."  
""

Me: "I meant this."

I poured on hot wax on his back.

Tshepang: "Shit!"

Me: "No cursing!"

I continued pouring the wax on him and he was just groaning. Yhoo he was really turning me on. I told him to flip over so that I can massage his abs and he did just that. I slowly massaged his abs and slowly making way to his D, he groaned softly. I went down on my knees and massaged the D with hands all oily. I looked at him and his eyes were

shut, it seemed like he was enjoying the massage because he just kept on groaning and groaning and to be quite honest, his groans were really sexy.

Tshepang: "Aah Fuck."

Me: "You like that master? You want me to put it in my mouth."

He quickly nod. I did as I was told, I licked the tip seductively looking at him and you could see he's about to go to cloud 9 very soon. I did the tingzzz shame, I even gagged on his dick till he cum. I stood up and cleared my throat.

Me: "Follow me master."

He stood up and followed me to the bedroom, when he got in his eyes fell onto the bed, where the toys at. And I on the hand, was

grinning like a motherfucker. I gave him the go ahead to pick which toy he wanted to pick and he picked the handcuffs and the nipple clipper. Now he was the one grinning like a motherfucker, now I'm scared as fuck.

He handcuffed me from behind, while I was kneeling on the floor. He clipped the nipple clipper on my nipple while he took the whip from the bed.

Tshepang: "Bend for me please"

I did that, and I felt my ass getting all hot, he had use the whip on my ass. I was kinda enjoying myself, he whipped my ass again, I moaned in pain and pleasure. He whipped me 3 more times and he put the whip down.

Tshepang: "Bed now."

I stood slowly from the floor and climbed the

bed, and laid down while my hands are still cuffed from behind, he roughly kissed me while choking me and he made his way to my nookie, he took off my lingerie, more like ripped it off. He's so gonna buy it because this thing cost me a fortune to be ripped off like this. So he started doing the tingzzz taking me to cloud 9.

Me: "Aaaah shit!"

Meanwhile as he was muffing me, he took the rubber dildo and stuffed it in my mouth, I see that my saliva was going to be my lubricant to my nookie. Shit I couldn't take it no more, I was about to cum and I did that in his face. He took the rubber from my mouth and stuffed half of that thing in my nookie, shit was about to get fucking real. He kept on taking it out and in.

Me: "Aaaah! Shit! Shit! Shit!"

The pleasure was too much yhooh, I couldn't with myself really! He gave me the nod that he's about to stuff the whole thing in, damn I was scared as fuck. And he did just.

Me: "Fuuuuuuuuuuuuuck! Give it to me! Fuck you Tshelang for giving it to me so goood!"

My moans also were something else, because your baby boy was turnt on by them. He ended up taking the dildo out of me and inserted himself. Yhoohoo kuzo fiwaaa macala, it's about to go down. He's started off slowly, he was more like making love to me, then he went from 0 to 100 because he has fasten his pace and I was screaming my lungs out shame. He started breathing heavily, I knew he was about to cum, and I could feel that I'm about to cum too. We both came and

collapsed on the bed while I was STILL handcuffed. I don't think I will be able to walk again after tonight shame.

I hope it's good enough for you guys. If I didn't give my ultimate best then please forgive me.
