*•honesty I so hate this school cause it's been years being bullied by this other gang but I'm scared to tell my parents because they be like "you are old enough to fight your battles" , so here are my most haters on this school•*

*Nandi - the boss bully •slender, tall , light skinned, too forward, always chewing gum (argh) but the most funny part is that she ain't good in her studies.*

*Tshepo - tall gent, muscular body, dark skinned (yummy) , arrogant, a bully , rugby player , a girl player also & he also struggles in his schoolwork.*

*Thembeke - a puppy to Nandi , coffee coloured, short hun, slender , she's actually trying in her school work.*

*Me:"Uhhh I did not get my paper sir"*

*Nandi:"Sir won't give you the paper because you have a disease yeFat and Fats. Drink hlasela amafutha for everyone darling"*

*\*The whole class started laughing\**

*Mr Ngwedi:"Wena Lerato if you were clever like this girl you'd be having a better attitude, atleast ena she got 89 percent on her class test wena huh , you only got 20 percent, I mean you should watch the difference between those numbers only if you know Maths kahle kahle"*

*Classmates:"Iyooooooooooooooooo....Ishu"*

*Me:"Yes sir"*

**7**

*\*I then stood excitedly so. I then took short cuts because I was so excited to see my paper. I then got inside the reception , as I was walking to the receptionist ,I saw a new gent student, a hot one to be specific , as I turned my head our eyes met. I then tried breaking the eye contact but I couldn't. Suddenly I became dizzy , I fainted and it was lights out.*

Mhmmmm my black pearl.•*

*•So right now I'm in the English class , I think it's Mrs Niyekzi's class cause that's how she introduced herself. Few minutes Mrs Niyekzi came inside the class and I stood because I was sitting by the chair outside the class.•*

***•So here's the thing , my law firm once got into assult cases , my younger sister was the one who revealed everything because she hated how I live my life , so I sacrificed her soul to the devils and I ate her heart. That's how I got so rich. So the lady that Okwe have been dreaming about is my sister trying to communicate with her. Right now I'm on my way to my personal Sangoma (the one who helped me to sacrifice my sister). •***

*Themba's pov*

*•Greetings , I'm Themba Nzimande , son of Senzo and Martha Nzimande , brother to Okwenzekileyo. •*

*\*Here's a little information about me. I'm living two different lives , I'm a student at Wits while part time I'm a gangster IT. It's been over two years since I joined the Red Cross (gangster name). So at Wits*

**30**

*I'm doing IT so that's how I became a gangster. I also has my reasons to join one of them is that my dad have hiding things from me , so doing IT actually helped. And other thing is my dad be treating Okwe as if she's an adopted child while she ain't. So I've been saving money so that I can go away with my sister and give her a better life because in this house it's like she's in prison.\**

*•so about my sister (laughs) all I can say it's that she looks like an innocent child but nop (laughs) , she more of a talkative person, she's into Electronics and her wish was to do IT but then dad disagreed with that, sometimes I teach her few info about IT and so all. What I also love is that she's more clever than me. Yes I admit I love her more than I love my parents and that will never change, I just hate how she's being treated. •*

*°Dear Diary: Have you been in a place where you feel like you are not needed, have you been in a place where you feel like you don't belong huh. That's how I feel when I'm both at school and home. The only place where I feel at peace is when I'm with my brother. I wish I could just escape with him and stay where I'll stay with him forever and ever. Since ever I was born I never experienced my father and mother's love , I only experienced my brother's love. He loved me as if he's my father. I surely and proudly appreciate him for being in my life but I still feel like he's broken. But I'm sure he'll heal because I'll need him when I finish school, I'll need his support, motivations , someone I can cry on and lasty I'll need his love.*

*•As I finished reading, I had tears , I can't believe that I couldn't see that my sister was not okay, I so blame myself but starting from now on I'll protect her with every inch of my soul and body. I'll live for her , I'll do everything in my power for her to heal and also help me to heal. •*

•Greetings , My name is Thabiso Ntsikayihlulwa Ndlovu. A dark skinned grootman but not that dark skinned wabe Shaka Zulu no. Height?? I'm tall , you'd swear that I'm the twin of

streetlights. I've got that rugby body, by the way I'm into gym. I'm that kind of a guy who do taper haircuts. I'm a 22 years old grootman. A son of Ntsikayingandwa and Nombewu Ndlovu , brother to Thobani , Thobeka , Thandolwethu and Thandolwakhe. So I'm into Art. •

•I'm actually living two different lives , don't ask why but then that's how we roll in our family. So we deal with hijacking, robberies , money laundering and so all. So about my best friend Themba , he's actually good in IT and he's also our top IT guy, he deals with computers and so all. •

•So more info about my life (laughs) I'm a player, I f\*ck and pass no hard feelings. I'm more into chubby girls and dark skinned ones. •

•About my siblings (laughs) the first twins are Thobani and Thobeka they be my whole mood and I just love how they connect and they have that weird connection. But the question is am I inlove or it's just a mutual feeling? If I'm inlove what's the definition of inlove? I'm so confused right now and I hope Okwe wakes up and gets better. •

•Greeting , I'm Ntsikayinqandwa Ndlovu , husband to Nombewu Ndlovu, father to Thobeka , Thobani , Thandolwakhe , Thandolwethu and Thabiso. So I'm a business man a mafia king (laughs) , no need to elaborate my life for you guys. You'll find out when time goes on•

•So right now , I'm with my wife , we're been waiting for about an hour , they're still busy with Okwe (Themba's little sister) My wife has been crying and that actually irritates the sh\*t out of me

because i hate seeing my wife crying. We tried calling Themba and Thabiso but they ain't answering. I then decided to call my right hand-man 'Killer' his real name is Ayabonga , by the way Killer hates his real name (laughs) the reason we call him that is because he once killed his father and mother due to personal reasons which are , his father raped his little sister and their mother knew about that but she didn't have any care. So Killer found that and killed both his parents , he then promised himself to always protect his little sister (Endinako). So Killer is actually our family also , all my crew gangs are my family, we treat each other as a family and we also believe in 'Blood is thicker than water'. As I'm saying 'crew gangs' it's because I have five different group , the highest top crew is 'The Black Cross' , the second one is 'The Red Cross' , the third one is 'The White Cross' , the forth one is 'The Grey Cross and the last one is 'The Blue Cross'. The reason we differentiate our team crews with colours it's because every colour has its own meaning , reason, goal and characteristics. •

•As I called Killer he answered on the first ring

(phone call)

Killer:"Father B"

•The reason I'm called 'Father B' it's because I'm the god mafia , meaning I have places and certain places that I know. So the 'Father B' names it's actually a half name , the full name is 'Father Bull Dog' (laughs) I'm more dangerous than they think I am•

The question is , will Nontle's happy honeymoon last?. On the other side Okwe was getting better , she was then discharged because she was strong enough. Martha was still blind by love , she believed that Senzo was working back to back meetings, what she didn't know is that her husband is busy playing happy family with Nontle. The question is , when will the truth reveal itself?. Thobani and Thobeka were getting more and more closer as Thobani was able to talk about how he love Okwe , Thobeka being the loving twin was actually giving her brother advices. Senzo was actually in between a hard and soft places. A happy place was where he played happy family with Nontle and the hard place was when Dave Vroed (Nigerian guy) was busy pressurizing him about when is he bringing Okwe to him. Senzo was in a total mess as everywhere he goes , he'd see Dave's right hand men. Mr Ndlovu hacked everything about Senzo's life , he then found out that Okwe was supposed to be Dave's wife. Mr Ndlovu was more powerful than Dave because Mr Ndlovu

owned the South Africa place and half of Nigeria , while Dave owned the other half of Nigeria. The question is , is Dave going to choose Okwe or his life?. Mr Ndlovu already had a plan in motion but he also needed Thabiso and Themba's help. On the other hand Okwe have been well and happy that she'll be going back to school , the eagle 'Nomandla' was still alive and always there with Okwe. The question is , will Okwe's happiness last?.

Jayden Khoza's pov

•Greetings , I'm Jayden Bulelani Khoza (32 years) , I'm an architect and a gangster. I'm a light skinned nigga , tall and skinny. So about my life , both my parents are still alive but they're located in Mozambique , then my wife is located in Dubai along with my two children. I'm sure y'all are confused cause most y'all know me as Martha's ben 10 (laughs). I'm currently in a five months mission and the target is Martha at the moment , she's actually a loose p\*nty cause I managed to get into her old , dry p\*ssy (laughs), the person we actually working on destroying is Senzo Ndlovu. And I've been taking pictures and videos of Martha naked (laughs) I want to expose her along with her husband (laughs).

{Narrator}

•Okwe's day at school was nice and enjoyable. On the other side Thobani felt happy and sad at the same time , he was actually happy that Okwe came back but the part that made him sad is that Okwe friend zoned him. Thobeka also enjoyed her day as she spent her day with Thobani and Okwe. Themba was happy and satisfied as he could see that Okwe was happy and enjoying her life that she always wished for. On the other side Martha was living the worst, horrible life. Martha was so irritated to the point that she drugged Nontle with sleeping pills as she kept bossing her around. Martha couldn't even bare seeing her husband

busy kissing and acting happy family with Nontle. Martha then called her best Sangoma guy to help her with the situation she's currently facing mean while Jayden's plan was working perfectly without any disturbance.

Jayden's master (boss) contacted Mr B (Mr Ndlovu) and told him about his plan mission , Mr Ndlovu then agreed on destroying Senzo's businesses and also keeping half of other businesses for Okwe and Themba. Dave (nigerian guy) was in deep sh\*t as he didn't listen to Mr Ndlovu's warning , slowly Dave's right hand men died one by one as Mr Ndlovu was targeting only his best men.

Meanwhile Senzo was a happy man as he had two wives and an unborn baby.

Receptionist: "Ward 2 room 5"

Me: "Thank you"

•We then walked to the elevator•

fast forward: •We were now outside mama's room, few minutes the doctor came out looking so drained•

Us: "Morning doc"

Doc: "Morning gentlemen, are you Mrs Nzimande's family"

Me: "Yes"

Doc: "Who's Themba Nzimande between the three of you gentlemen"

•i then raised my hand•

Mr Ndlovu:"Mfana wam , the doctor means your mom is no longer alive"

Me:(teary)"B....b.....but...."

Mr Ndlovu:"Continue doc"

Doc:"As I was saying, she had a miscarriage , her face was swollen , she had two broken arms and legs , it shows that whoever did this was planning on killing her"

Thabiso:"Manje ufike kanjani la"

Doc:"The security said that he only saw a black BMW with no number plate , the car actually dropped the lady by the gates"

Mr Ndlovu:"Did the security guard see who was driving the car"

Doc:"Yes , the guard says that the person who was driving the car was dark in complexion, wearing a grey track pant ,

white t-shirt and he had one of those red beads on his neck"

Me:(unbelievable)"Wait....wait.....moss the person who has red beads is my dad"

Mr Ndlovu:"Can we see the CCTV footage"

Doc:"Follow"

{NARRATOR}

•The doctor kindly showed Mr Ndlovu the CCTV footage and that actually confirmed that it was Senzo who dropped Martha. On the other side Senzo wasn't himself, after dropping Martha he then drove to the nearest river , he then threw Nontle's lifeless body•.

Okwe's pov

The voice:"Ngane yami"

{NARRATOR}

•Days went by , weeks went by and today was Martha's funeral. Senzo was nowhere to be seen. The funeral was hosted at Martha's house , everything was perfect in a funeral way. Okwe was now a different person , she was now no longer a person who talked more , laughed more , smiled more, all she was doing was to keep a straight face and lock herself in her bedroom closet. Themba tried by all means to talk to Okwe but Okwe was not caring anymore.

fast forward:•Everyone was sitting in the tent while the coffin was going down , slowly. As the coffin goes down Themba screamed•

Themba:(crying)"Mama come BACK"

•All along Okwe was just looking deadly , the most worrying part was , she did not shed even a single tear.•

fast forward:•The funeral ended sadly and Okwe was now left in the graveyard alone•

Okwe:"To whoever who did this will regret the day he or she was met , an eye for an eye , I don't believe in peace and I never believed in it. You'll not get any justice but I'll surely make the killer to wish for his or her death (laughs)  
Uzenzile akakhalelwa , okwenzeke ngomlomo nangezandla kuyolungiswa ngomlomo nangezandla. Okumoshakele ngenzondo kuyolungiswa ngenzondo (laughs) I shall rest until I find the killer.  
Ulale kahle mama , ngiyohlezi ngikuthanda."

•She then stood up and went inside the car , she found the driver ,Mrs Ndlovu , Thobeka and Gogo(Thobani's granny)•

Mrs Ndlovu:(worried)"Ngane yami ,  
uyaphila?"

Okwe:"Yebo"

Thobeka:"It's okay to cry Okwe"

Okwe:"Okay, Ngiyabonga".

•Mrs Ndlovu, Mr Ndlovu , Themba ,  
Thabiso , Thobani and Thobeka were  
worried about Okwe because she did not  
even shed a single tear all she looked  
like was a dead person walking. On the  
other hand Gogo (Thobani's granny)  
knew that Okwe is no longer in charge of  
the body but her Khokho mkhulu's  
(Martha's grandmother) spirit was in her  
body. •

{NARRATOR}

•Days went by and Okwe's new  
personality was still there to stay.  
Themba tried recommending Therapy  
sessions for Okwe but she disagreed.  
Themba , Thabiso and Mr Ndlovu tried  
allocating Senzo but it's like he just  
vanished. What they didn't know is that  
Senzo was just right under their noses

but Okwe made sure that he's untraceable. Okwe already knew that the killer was Senzo but she did not want to take drastic decisions. Okwe already knew Themba's mission plan for Senzo as she could hear other people's conversations and mind thinking.

Okwe's pov

•(laughs) I got him where he'll never run away , all along he's been living the miserable life and I'll surely finish that life but firstly I'll make him regret killing my mother.

•I was now in my closet , holding Senzo's shirt. He doesn't even deserve to be called 'baba'.

Senzo's pov

The voice:(evil laugh)"Ngikutholile"

•i quickly stood up to check who the hell was talking.

Me:(freaking out)"Who the hell are you"

The voice:(laughs)"Ubabulele"

Me:"If.....if...you dare touch me I'll show you who I am, I have the most powerful sangoma that will just make you vanish

within a blink of an eye"

The voice:"Ha ha ha ha ha ha ,  
awungithusi , babize bonke (laughs)  
Ubabulele Ubabulele Ubabulele  
Ubabulele Ubabulele (laughs) Ubabulele  
Ubabulele Ubabulele Ubabulele nawe

•As the voice kept repeating itself like a broken record , I had the most painful pain in my eyes , I then started screaming while closing my ears with both of my hands•

Me:(screaming)"Ahhhhhhhhhhh ,  
Ngiyaxolisa, Ngiyaxolisa"

The voice:(laughs)"You'll die"

•I then quickly run to the bathroom as I could feel that my face was getting painful, as I looked myself in the mirror my face was swollen as if I was bitten by several people, few minutes I saw blood coming from my ears , I then screamed•

Me:(painfully)"Ahhhhhhhhhhh"

The voice:(evil laugh)"An eye for an eye"

•It was then light outs for me•

•Days went by and Senzo was suffering badly, he'd wake up with few swollen body parts, he'd find his apartment full of human blood spreaded on the walls and floor. He'd also wake up and find an empty house with no furniture , he'd also ask himself that where's his furniture, the next day he'd wake up and find his furniture, Okwe played with his mind until Senzo became depressed.◆◆

Okwe's pov

The voice:"Iskhathi siyahamba ngane yami"

•I then turned my head and I saw mama (Martha) wearing a white clean mermaid dress , she looked so beautiful•

Me:"Okay mama"

Okwe:"Ngena"

Me:(clearing throat)"Hi"

Okwe:"Sawbona"

Thembi's pov

Greetings I'm Thembanathi 'Thembi' Mkhenzo(19), I'm half Tsonga and half Xhosa. I'm the daughter of Xiveni Mkhenzo(dad) and Nazonathi Precaution Mkhenzo(mom). I have two older brothers who are Siyabonga Xiva Mkhenzo(22) , Siyathemba Xevi Mkhenzo (21) and a younger sister Thatello Xivezo Mkhenzo(7). I stay with my family and my uncle whom I hate with all my life. I want to tell you guys a story•

°Once upon a time , there was a young girl who was just 16 years, she lived with her family happily, few months before her birthday, her uncle came to stay with them. Her uncle was a divorced uncle who had no children. The girl's birthday came and her parents were away on a business trip, while her brothers went in a club , her younger sister was visiting her grandmother , the young girl was now left with her weird uncle. The girl then decided to go and take a bath as she was bored , she then bathed , few minutes she walked her bathroom , she walked to her closet to choose clothes that's she was wearing. As she was

bending to look for her sneakers she felt something poking her butt , as she turned she saw her uncle with red eyes , she then became scared and asked herself so many questions (why is uncle in my room , is he blow , did he smoke). As she was about to speak her uncle quickly took out his gun and pointed on her head and said "if you dare talk , I'll kill you , now bend" , the girl replied while crying and said "uncle what are you doing?" , The uncle cocked his gun and said "Bend". The little girl slowly bended as she was scared. That's how she was raped and that's when she hated all her birthdays. The uncle didn't only end there but he'd rape the little girl everytime they were alone, they'd also have quickies mostly in family gathering , that's when the little girl developed feelings for her own uncle as she was forced and raped.°

•The little girl in that story , it's me. That's why I'm always rude , it's because I'm trying to hide my pain but what can I say ,i do love my uncle°

I've been trying to call her but her phone goes straight to voicemail, I'm even thinking on going to her home but I know that her brother will skin me alive , right now I'm outside her brother's apartment , where they stay, I could see that Okwe arrives safely because her window bedroom is opened and there's music sounds. (Sighs) let me try and call her. She answered (thanks God)•

Okwe:"Yeah"

Me:"H....hi Okwe , are you okay? I wanted to say I'm really sorry for that Thembi did , I know she said hurtful words but I'm really sorry..."

Okwe:"Are you done?"

•Dear dairy:

"Firstly I thought my day would go well but things turned to be bad , I was judged because of my body , I know I'm used to those words but somehow , what that girl said actually hit home , I know I haven't recovered yet but why huh , am I that ugly that people would judge me cause of my body. I thought Thabang understood me but all along I was lying to myself , yes I admit I love him but what I heard today actually broke and made scars on my heart. I guess it's true when they say "The Story Of Life Is Quicker Than The Blink Of An Eye, The Story Of Love Is Hello, Goodbye." But what can I say , it's who I am and god actually created me like this but my question is why would god create and allow people to laugh what he created?

People be saying God is good all the time but what confuses me is that "Intando kaThixo ibuhlungu". God didn't even think twice to protect my mom from dying (sighs) all I ever wanted was love not just any love but the kind of love that grabs, comfort you and hold you forever but I never experienced that maybe I did when I was still in my mother's womb but whay changed? (Sighs) "No Matter How Many Gorgeous Faces You Set Your Eyes Upon, If You Already Set Your Heart For Someone, You Will Hardly Notice Anyone." I tried believing in that but it seems as if I'm believing in wrong things , I hope god help me deal with what's currently hurting me".

Days went by , weeks went by and Okwe kept ignoring Thobani. Thobeka and Okwe were still friends even though Thobeka tried talking about Thobani's situation but Okwe would just ignore that topic. Okwe was now becoming another person, everytime she'd zone out , she'd stay alone most of the times. On the other side Thobani was suffering badly because he couldn't bare the awkward moments he'd have with Okwe. Themba , Thabiso and Mr Ndlovu kept looking for Senzo but they haven't got any leads , Senzo was suffering badly as he would see Martha everywhere he goes , he'd also hear cries of baby and he'd dream bad dreams. •

•Days went by and we were in the middle of Trial Exams. Things were going well on my side even though I'd hear river flowing sounds especially when I'm writing my exams , I also have that 'tsiiiiiiiiiiii' sound in my ears everytime I'm alone. I've been having dreams of this other land that is actually suffering and they need my help but there are secrets that need to be revealed , why am I dreaming about that? I haven't told Themba as I didn't want to worry him. •

•I was now watching tv as I was so bored. Few minutes I had this pain in my head that I couldn't understand•

Me:(screaming)"Ahhhhhhhhhhhh"

•I then balanced my head with both of my hands , I kneeled down as I couldn't bare sitting on the sofa. I then crawled down , I took my phone on the charger, I called Themba, he answered on the third ring"

<Phone call>

Themba:"I'm still in class Okwe , call me after 30 minutes"

Me:(out of breath)"H...help.....m.....me....s....."

•It was then light outs for me•

Nkanyamba's pov

•Its raining outside , iintsikelelo ziyeza , ancestors have agreed. I decided to burn my impepho , I kneeled down•

Themba's pov

•We now sitting in the dining room along with Mrs Ndlovu , Mr Ndlovu, Thabiso , Thabiso's little sister (Thobeka). Thabiso's granny and his little brother (Thobani) are with Okwe. They're still busy with Okwe inside the ancestor's room (emsamo). We're been waiting for about an hour and still they haven't came back. •

fast forward:•It was now late , Gogo came followed by Thobani. They looked drained (yoh). •

Mrs Ndlovu:(talking to Thobeka)"Go and get to two towels for Gogo and Thobani."

Mr Ndlovu:"Mama you look tired what's wrong (talking to Thobani) Mfanami are you okay?"

Gogo:(sighs)"She's so stubborn"

Thobani:"I....I.....(he bursted in tears)

•I was so curious , why is Thobani crying (haybo). I was even over thinking , maybe Okwe is dead? No no no no she can't be dead , never•

Gogo:"Themba, Okwe isn't dead"

Me:"Ngiyezwa gogo"

Gogo:"Baba kaThobani , Thabiso nawe Themba asambeni"

Thabiso:"Where gogo?"

Gogo:"Study room"

•She then stood up , we followed her•

<Inside the study room>

Gogo:(sighs)"She ain't fighting enough , she wants revenge"

Me:(confused)"Who?"

Gogo:"Okwe"

Me:"What revenge"

Gogo:"Her mother , Okwe wants a revenge for her mother's death and she already knows where Senzo is"

Thabiso: "Kanjani gogo"

Gogo: "Okwe can hear other people's conversations even if you're far away from her, so she actually heard the conversation about killing Senzo, she then made Senzo to look like he disappeared"

Me: "Kanjani ngok?"

Mr Ndlovu: "Is it possible"

Gogo: "To Okwe yes it is. Okwe have been torturing Senzo, she's been making Senzo crazy. As we talking right now Senzo has depression, Anxiety, heart problems, he's even going crazy"

Mr Ndlovu: "Gogo you don't explain fully"

Gogo: "Let's just say if Okwe says something, it happens."

Thabiso: "Yoh"

Gogo: "And Nomandla, Okwe's Spiritual Eagle is still in Senzo's case "

Thabiso: "So Gogo why is Okwe still asleep"

Gogo: "Okwe has a gift, so the first thing she need to do is to help the dying Kingdom, but it looks like Okwe wants revenge first"

Thabiso: "Now what's the plan"

Gogo: "The only solution we have, it's for Themba to talk to her so that Okwe can fight more because manje the ancestors are angry cause Okwe delayed the process"

Mr Ndlovu: "Talk to her, kanjani"

•King Bhekumndeni and his people were busy preparing for the arrival of Okwe and King Bhubesi. King Bhekumndeni made sure that everything goes well, on the other side Princess Sizakele (daughter to King Bhekumndeni) was so jealous because it seemed as if Okwe was more special than her. Bhekisisa Hlatshwayo (first son of King Bhekumndeni) was so excited to meet the precious Okwe , he already tried hacking Okwe in all platforms but he didn't get anything. On the other side Nkanyamba was now on her way to the hotel where Gogo, Mr Ndlovu and Themba were currently sleeping. Queen: "Respect Sizakele"

• I just kept quiet as I was busy eating •

King: "Discipline your child Ma'Hlatshwayo."

Princess Sizakele: "Mom , Dad she's a commoner so she should be treated like one"

• I then turned to look at her , we made eye contact. Few minutes I could see that she's scared (laughs). •

Me: "Listen here Princess Sizakele, just because I've come from an ordinary family not a royal , that doesn't give you the right to bad mouth me , even if you have blue blood that doesn't change anything cause we breathe the same air , we have the same blood just that we differ in blood colour.
