***My name is Ntando Nzuzza but my friends call me Tee. I am 23 years of age. I am thick and short, light brown in complexion. I have medium brown eyes and medium long afro for hair. Lucky enough I still have indlovukazi yam uMaNzuzza who is my mother and my handsome father uKhabazela. I have a few friends but my best friend is Que. If you know me you know Que. I work in this successful farm as an agronomist. I love my job and I never complain about going to work. It pays well and it has always been my dream job. I was very lucky because I got my job a few months after graduating and my life has been good ever since, well beside this imbecile leaving me for a younger girl than my life has been fair.***

## ***Chapter 2***

***Me: I said I'm coming jeez***

this very sexy cologne. I froze for a second but  
came back to earth when I heard this sexy deep  
voice greeting me.***

***Guy: Good morning Miss.....Hello!!***

***Me: Oh snap sorry uhm, can I help you?***

***Guy : I'm looking for Ms Nzuzza and I believe she

**Ham: Oh I only came to deliver these documents. I heard you called in sick today but I couldn't wait...these documents are just a brief description of what I found interesting about the Zwane Farm.**

**Tee : You could have sent an email**

**Ham:(smiling) We haven't met before so it would've been rude of me besides I prefer doing business face to face.**

**Tee: Ok at least I already know a thing about you...I made breakfast, mind joining us?**

**Me: Wow seyenziwe uwena futhi**

***Tee: OMG...why didn't you tell me I'm not wearing anything***

***Me: (rolling her eyes) I didn't notice I thought 'you were busy making breakfast'***

***Tee: Oh I'm sorry chomiee I was trying to impress (smiling) uHam***

***Me: Mxm***

***Tee***

***The following day I went to work, I knew I wasn't supposed to go for three days but I had to see that handsome guy... Days passed. I was working well with Ham and I was still enjoying his smell. I was healing from my previous heartbreak and the focus was all on me and my work.***

***Que: Hy girl***

***Que: You've been working till late these days and we haven't seen each other for three days so I thought I should bring you lunch***

### **Hamilton**

**My name is Hamilton Zungu.I'm 25 years old. I'm dark in complexion and tall in height. I'm not a very fit guy but my body is good enough to get me any girl I want. I was in a relationship with some bitch and heard she was getting married with some other guy. I mean the kind of mentality this gender has. We were together for two years and I really loved that girl. After what she did I don't think true love really exists. I now deal with hoes fuck them for one night then pass to the next. I have been doing this fucking thing for about a year now and I'm really enjoying it , I**

***mean who needs a relationship when you can get any pussy anytime. So I have been hired at this very successful farm and I must say I'm happy with everything especially with one of my colleagues who goes by the name of Tee. Yeah I call her Tee and she calls me Ham.***

***Tee: Did you get my email?***

***Me: Yep I did and I'll make sure everything is checked.***

***Tee: (Yawning) Well I guess I'll have to call it a day. I can't wait to get home and eat.***

***Me: You are hungry?***

***Tee: I could even eat you***

***Me:(smiling) mhhh eat me?***

***Tee: (Biting her lower lip) yeah eat you***

***Me: Well my apartment is close by we could drive there and I'll make you something to eat if you don't mind obviously***

***Tee: I really don't, let's go***

***By the look of things Tee was into me, if only she knew. I'll do anything to fuck her she's not my type but ke a pussy is a pussy. After fucking her I'll tell her it was a mistake and that we must keep things professional. So we drove to my apartment. I never bring bitches here I always fuck them at a hotel but this was the only way I was going to get Tee. Within 15min we were there I parked my car and Tee did the same. I got off and Tee followed me. She didn't utter a word until we got inside.***

***Tee: I like the way you designed your apartment***

***Me: I may be into agriculture but I'm good with designs too***

***Tee: I knew that the minute I got in***

***Me: So what can I make you?***

***Tee: A sandwich would do***

***Me: Have any allergies***

***Tee: Nope***

***Me: Coffee or juice***

***Tee: I'll have coffee***

***Me: Okay you can sit I'll be back in a sec***

***I quickly made her a sandwich and a coffee and went back to the dining room.***

***Me: There you go***

***Tee: Thank you***

***She ate in complete silence. I kept on looking at her***

***Tee: Yindaba wangbuka, am I eating too fast ?***

***Me: (laughing) No I'm just admiring your beauty***

***Tee: (blushing) Ngiyabonga***

***We looked at each other for a couple of seconds and I came closer, took the tray in her hand and placed it on the table and kissed her. I knew she wanted this so I took off my tie and unbuttoned my shirt. As I was trying to unzip her dress she broke the kiss.***

***Me: What's wrong Tee? Did I do something wrong***

***Tee: No***

***Me: So what's wrong?***

***Tee: Ham I'm...I'm***

***Me: Khuluma Tee please***

***Tee: I'm still a virgin.***

***My eyes popped out. I was definitely not expecting this. I mean I've never taken any girl's virginity. I don't even know how it feels like to fuck a virgin.***

***Me: Uhm we can stop if you're not ready***

***Tee: No I want to Ham let's do it***

***Me: Are you sure ?***

***Tee: Yes***

***We continued kissing.Her hands were all over me.***

***Me: Follow me***

***Tee: I'm coming. I need to put my phone on silent, I can't afford to be interrupted.***

***Ham: Good***

***Tee***

***I made sure my phone was recording after all, I needed that R5000 from my friend. I'm not doing this because of the money but I'm doing it because it feels right and I want to do it. I followed Ham. He was already in his boxers and***

***the dick print was more visible. He had a huge dick if you ask me.***

***Ham: Are you gonna stand there forever or what***

***He didn't have to ask me twice. Within a second I was all over him. His lips were enough to get my pussy wet. He unzipped my dress and it was now on the floor. He made his way to my pussy with his hand. He first rubbed the lips of my pussy.***

***Ham: Spread your legs a bit.***

***I did as I was told. I had big thighs so for him to play with my clit I had to spread my legs. Meanwhile we were still standing. A moan escaped as he was playing with my pussy. I wanted the dick. I wanted to ride him. I wanted him inside me. I wanted to suck him till he cums. I couldn't hold myself any longer. I took off my heels and he took off his boxer. Shit, it came out bouncing. I pushed him towards the bed and I took off my undies. We were both left naked. I made my way to his large dick. I first played with it using my hands and then I put it in my mouth. I tried to put it all in but it was too much. I sucked***

***him hard and licked him. I made sure I was looking at him to see if he was enjoying it. I was enjoying it, it was as if I was having a vanilla ice cream on a cone. I then went for his balls. I got them all in my mouth then gently sucked them. He was moaning and calling my name. I felt in control and that made me more horny. After that he placed me on the bed and he spread my legs apart , both of my legs were now in the air. His eyes were red and small. He gently kissed me and went down to my breasts. He sucked them and then went for my kuku. He looked at me and I was shy. He first kissed my kuku and then put his tongue in.***

***Me: OH HAMILTON AHHHHHH***

***He muffed me until my legs shook. It felt really good. After that he fucked me using his middle finger. A while after the finger fucking and the moaning he kneeled and rubbed my pussy using his thumb. I knew it was time. He rubbed the lips of my pussy using his dick and then slowly and gently entered me. The dick couldn't get in at first but after more pushing from Ham it did. It felt like my pussy was being cut in half.***

***Me : Ahhhhhh... Ohhhhhh... Fuck it's so painful.***

***It was the most painful thing I've ever felt but it also felt good. Funny right? Ham didn't stop. He kept on going in and out gently until there was complete pleasure.***

***Me:Ahhh Ham ahhh... fuck me babe....ahhha mhhhh oh God***

***He fucked me for some time and then he stopped. We were both sweating. I noticed he cummed. Luckily there was no blood. I think it's because he was gentle. He went to the bathroom and came back with a warm, wet towel. He was already clean so he wiped me and placed the towel near the bed. He then got in bed and lied next to me. My pussy was painful. I placed my head on his chest.***

***Ham:I love you babe***

***Me: I love you too babe***

***After a couple of minutes we kissed again. I knew it was time for another round. I positioned myself for a ride on his dick then slammed it in. It was painful at first but as I carried on it became more good. I increased the pace and the moans became louder. With him rubbing my pussy while I was riding him I felt completed.***

***After a few rounds, he got up, grabbed a towel and cleaned my pussy. We cuddled and within a few minutes he fell asleep. I got up, stopped the recording, dressed and went to my house. My kuku was BURNING but damn I enjoyed the fucking.***

***I sent Que a text that I need to see her ASAP. After a few seconds she called.***

***Me: Hel... (I didn't even complete my greeting)***

***Que : My friend are you okay? What's wrong ? Is Ayanda back? Is he trying to....***

***Me: Yoh Que shut up!! I'm good joh.***

**Que:***Jeez you said you want to see me urgently.*

**Me:***I know but I'm fine besides my kuku burning I'm fine.*

**Que:***Mhhh umalamban' uvukile*

**Me:***You won't say that once you know who umalambane vukad with*

**Que:***I know you would never date any of my exes so....OMG is it Ham?*

**Me:***Get your ass here and I'll tell you the everything*

**Que:***I'm on my way*

**Me:***Okay*

**Yoh my friend guys, une drama but I love her so much. I had a nice hot bath, shorter than I had planned because Que was already there and she was biting my head off, telling me to get out of the bathroom.**

***Me: Do you want to listen to the recording or you trust me?***

***Que: Jeez even if I didn't trust you who would want to listen to an old ass like you moaning***

***Me: If you say so***

***Que : So you really no longer a virgin***

***We both smiled. She's been my teacher for years that's why I know about sucking and woman on top.***

***Me : Yes. My virginity is gone***

***Que: So bekunjani? How many rounds did you guys do?***

***Me:(walking to the bedroom) Bekumnandi...we did three rounds... now one question at a time please.***

***Que: Three rounds yoh...***

***Me: It was too good to stop.***

***Que: So why the sad face pho? Do you regret giving him your virginity?***

***Me:It's nothing...***

***Que:Hlala phansi Tee and tell me what's wrong.***

***Me:(Sitting down) I think I've fallen for him***

***Que:So? There's nothing wrong about that***

***She has no idea what she's talking about. Falling in love is bad cause your partner will always leave you once he finds someone better. It happened to me in high school and happened again recently and since then I promised myself never to fall in love again.***

***Que: You are worrying me now. Tee please talk to me what's wrong why are you crying?***

***I didn't even notice I was crying***

***Me: I'm scared mngani***

**Que: Scared of what?**

**Me: That I'll love him but he won't**

**Que: What if he feels the same way too?**

**Me: What if he doesn't?**

**Que: There is only one way to find out**

**Me: (turning and facing her) No mngani I can't**

**Que: But why Tee**

**Me: What's the point? One day he'll leave me for a beautiful, two slice girl.**

**Que: Oh so isuka lapho lento. Just because your ex left you for a thin girl doesn't mean every guy loves a thin girl. I would do anything to have your shape. You are beautiful, smart, independent I mean that's what most men want**

**Me: So you think I should tell him**

**Que: Yes**

**Me: I'll think about it.**

**Que's sex mate called her and she left. I was not hungry so I just ate ice cream and watched a movie called GHOST SHARK. By the time the movie ended, it was already 00:55 and I was not feeling sleepy, I think it was because of the ice cream I ate. It was Friday so I didn't care. I watched another movie and after it I went to bed and tried to sleep. I kept on tossing and turning. Ham was on mind. The three words "I love you" kept playing in my mind. How could my heart betray me like this mara heee? I hardly know this guy but I've already given him my virginity.**

**I think I fell asleep after all the questions I had in my mind because I was woken up by a call from Que.**

**Que: My friend**

**Me: Hy**

**Que: Usalele aybo!**

***Me: I slept late haw, besides it's Saturday***

***Que: Any plans for today?***

***Me: Nope, wena?***

***Que: I think shopping would do after all you have R5000 to spend***

***Me: (smiling) Now you're talking***

***Que: I'll text you the details***

***Me: Later than***

***Que: Bye***

### ***Ham***

***I woke early in the morning to go to the gym. Tee wasn't there, I think she left yesterday after sex. I got up and all the memories came back, how she sucked me, the way she rode my dick, her tight***

***pussy, the eye contact, her trusting me with her virginity...damn she is another thing it's a loss I only fuck a bitch once and pass on. I washed my face and wore my tracksuit. I was off to the gym. I usually start with easy exercises but today I went straight for the big weights. I felt like something was stressing me but what could it be. Mxm maybe it's just a guilt feeling, phela fucking your colleague ain't no joke. I lifted for a while and in my mind there was only one person. I kept on thinking about Tee. This is the first time I fuck a girl and think about her so much. Maybe something bad happened to her that's why, maybe I should call and check on her. No I shouldn't she'll think I've fallen for her. Have I? Mxm I finally gave up and called her. It rang a couple of times and she answered.***

***Tee: Hellow***

***How come I didn't notice she had such a sexy voice.***

***Tee: Ham!!***

***She's the only one who calls me Ham and***

***today it just turned me on.***

***Tee: If you don't talk I'll drop the call***

***Me: Eish Tee sorry man.***

***Tee: How can I help you?***

***Me: Straight to business that turns me on***

***Shit!! That came out wrong***

***Tee: Ngibusy yaz Ham***

***Me: Look I just wanted to know if we could go out for lunch today...If you have no plans obviously***

***Tee: Sure, why not***

***Me: Cool, I'll fetch you ngo 2pm***

***Tee: Cool***

***As soon as she dropped my mind came back.  
Shit what have I done, this was supposed to be a  
check up call. What's done is done. I need to go***

***home and find something good to wear. I need to look good.***

## **Tee**

***After Ham's call I called Que to reschedule the shopping to be earlier. I couldn't cancel because I had nothing to wear besides I needed Que to do my makeup. I had to look good. I think today is the day, I'll have to tell Ham about my feelings. Que and I met and shopped like we were going to Durban July and yes I did ask her for my money. I mean it's money after all. She did my makeup, chose a dress for me. It was a black bob tube dress, it was tight and showed clivage. It was above my knees in length. I wore it with a long red heel. Que did me a naked makeup and I left my hair untied. I was stunning. Ham came and fetched me. He had flowers for me, my ex never bought me flowers.***

***Ham: Wow...You are stunning***

***I couldn't help but blush***

**Me: Thank you.**

***He was wearing a black jean with a white muscle hugging golf t-shirt and a pair of white sneakers. Damn he was so hot. I stared at him for God knows how long. I was interrupted by him when he cleared his throat. He opened the car's door for me, what a gentleman bathong.***

**Ham: Get in**

**Me: Thank you**

***By the way he was driving a red GTI with an open top, mhhhhh I was already fucking him in my mind. And then there was this cologne of his, it made me wet...***

**Ham: Complement me and stop stealing glances**

**Me: I'm sorry... You look sexy**

**Ham: (Smiling) Thank you**

**Me: Which cologne do you use**

***Ham: Why? You like it ?***

***Me: Yes it turns me on***

***Ham: (laughing) I use Versace Arrows***

***Me: Oh ohk***

***We were quiet until we got where we were going. He parked underground. It was very dark, I even forgot it was 14:00. Ham closed the window. I waited for him to open the door for me, he did so and opened the back door again. He told me to get in the back, I was confused but I didn't say a word. He went to the other side and got in too.***

***He kissed me and I didn't stop him.***

***Me: But Ham***

***Ham: Shhhhh***

***We kissed for a minute or so, I was already soaking wet. He brushed my thighs, took my hand and directed it to his dick. He then went for my kuku. He lifted my dress to my waist then***

***pushed my g-string to one side. I so wanted his huge dick inside me. I opened my legs wide without being told and he finger fucked me until I couldn't take it anymore. I cummed and tears escaped from my eyes. He turned around and took out tissues from a box of tissues behind us. He cleaned up my pussy. I dressed properly and got out of the car. He came beside me and kissed me on my forehead...***

***Ham: I love you***

***Me: I love you too...***

***Ham***

***I keep on telling her I love her. Damn this girl is driving me crazy but I'm not weak and I don't believe in true love. I'm sure she is also saying it just to satisfy me. We walked hand in hand to the restaurant. I was praying none of these bitches I've fucked showed up their face. Our day went well and the conversation was flowing.***

***Tee: Excuse me please I want to visit the loo.***

**Me: Okay than**

**Tee:(standing up) I'll be back**

**After a few seconds her phone rang. I think it was one of her friends because the number was saved as Ayanda. I ignored it but it rang again so I decided to answer it. I was greeted by a deep guy's voice.**

**Aya: Thanks God you answered**

**Wtf...it was a guy...I didn't say a word, I wanted to know who the fuck was this.**

**Aya: Look babe I love you... I've been trying to survive without you and I can't... I'm sorry I left you for that bitch... I know sesiside isikhathi but I can't do it anymore, I need you back in my life**

**I dropped the call...What the hell could be wrong with this guy(clicking his tongue) Tee is mine, Mine and mine alone.**

**Tee came back and I didn't bother to tell her about the call.**

***Tee: I'm back***

***Me : I think we should get going***

***Tee : Okay then... Are you okay?***

***Me: Yeah I'm good***

***I paid the bill and we left. I drove straight to my apartment.***

***Tee: Aren't you going to drop me first***

***Me: You'll have to spend the night by my house. After that there was complete silence.***

***I drove at maximum speed and we were by my apartment before we knew. We got out of the car and went to the house. She got in first and I followed. I closed the door and grabbed her by her hand. She turned and got closer and we kissed like it was nobody's business. Without breaking the kiss we walked towards the bedroom. She lied on the bed and I was on top of her. We were both breathing heavily. I kissed her neck then undressed her. I then went for her***

***breast. I sucked them and from there I went down to her thick punani. I stared at it for a while then kissed it. I then played with her clit using my tongue.***

***Tee: Fuck I love it... I love it Ham***

***Her moans were getting louder and it was making me more horny. I fucked her with my tongue. She pushed my head in and closed her legs with my head inside sucking her clit.***

***Tee: Fuck me Ham please. FUCK MY PUSSY NOW!!***

***She was even crying. I've never seen a girl begging for a dick.***

***I got up and pulled her legs apart. I first rubbed the lips of her pussy using my dick then I entered her.***

***Tee: Oh Manzini... mhhh ahhh ohhhhhh it feels so good Sengwayo.... Ohho fuck me harder babe fuck me I'm yours***

***With her calling me by my clan names and telling me she's mine I got more energetic and fucked her till she cummed. I licked her punani clean and then she got on top. She rode my dick like she would never see it again until I cummed. She also sucked my dick clean and then rested on my chest.***

***Me: I love you Tee.***

***Tee: I love you too Sengwayo...***

**Que**

***Me: Tee please call me when you get this message, I'm worried sick about you.***

***I threw my phone on the couch. I'm in Tee's house and she is not there. I think she hasn't come back from the date but it's 9pm.***

***Well let me take this time and introduce myself. My name is Afika Shozi but my friends call me Que. I really don't know why. I'm also 23 years old and I have no boyfriend but instead I have a sex mate. Don't judge me please I don't have time for dating because I'm a workaholic. I work as an IT for a bank and for some millionaires. I love my job and it pays me very well. My best friend is Tee. I met her in high school. She has been my friend since grade eight. I love that bitch hey and I take her as a sister. I still have my mother uMaShozi but unfortunately my father passed away while I was in primary. My father's family moved after my father's death and we haven't been in contact ever since. I've been looking for them for three years with no luck. I believe I have a sibling I haven't met that my father made before he met my mother. I'm also still searching for him. Now that's my life...***

***My phone rings and it's Hamilton..***

***Me: Yewena Hamilton where is my friend heee?***

***Caller: Relax Que it's me.***

**Me: Why is your damn phone off? Do you know how worried I was?**

**Tee: I'm sorry my battery died and...**

**Me: Whatever... Where are you and when are you coming back?**

**Tee: Are you by my house?**

**Me: Yes**

**Tee: I'll be spending the night at Ham's**

**Me: His dick drives you insane**

**Tee: (laughing) It surely does**

**Me: Mhhh maybe I should also call Phumlani to come over.**

**Tee: Whatever you guys do, do not do it on my bed**

**Me: I'll think about that**

***Tee: Que please man***

***Me: (giggling) Bye***

***I dropped the call and called Phumlani. Oh by the way Phumla is my sex mate. The phone rang twice and it was answered. That's how good my pussy is.***

***Phum: My day maker***

***His voice alone makes me shiver.***

***Mee: Hy Phumla... Yaz I'm in Tee's house and she is not here, would you like to keep me company?***

***Phum: Sure why not?***

***Me: Okay I'll send you the location.***

***Phum: Will be waiting.***

***He dropped and I sent him the location. I grabbed a tub of ice cream and waited for Phumlani. After a few minutes there was a knock. I looked at myself and I was fine and I opened the door.***

***Phum: Hey beautiful***

***Me: Hey love, this way please***

***We went to my room, yep I have my own room in Tee's house and so does she in my house.***

***Phum: Your sister is not coming back right***

***Me: Yes we have the house to ourselves***

***He smiled and the action began. Mhhh he kissed me on my neck and already my velvet was buzzing. He threw me on the bed and smiled. I was biting my lower lip. He undressed and his huge dick came out. I couldn't help but smile. I love his dick. He undressed me and opened my legs. There was also a smile on his face. He didn't waste any time; he was already licking my pussy. He licked it until I couldn't take it anymore. My legs were shaking and I cummed. He cleaned my pussy using his tongue. He then kissed my forehead and then entered me. Oh god it felt so good.***

***Me: Mhhh... ahhh... oh baby you...you doing it... just how... just how I like it***

***He had no mercy...He also had that extra energy and I didn't know where that came from.***

***Me: Ahhh babe I'm cumming...Ahhh Phumlani***

***He increased the pace until my whole body was shaking. He took out his dick and I cummed. He cleaned up my pussy using a big towel that was on my bed and then he positioned me for a dog position. He was putting only the tip of the dick in and then taking it out. He did that for a couple of times and I was fed up. I wanted it all in. I wanted to feel him inside me.***

***Me: FUCK ME PHUMLANI NOW!!***

***I didn't have to repeat myself. He entered me. I could hear him breathing heavily. The pace of fucking was on another level. He had his one hand squeezing my ass and the other over my knee into my pussy. He was fucking me , squeezing my ass and playing with my punani all at the same time. I could hear him groaning.***

***Mhhh I liked the sound of his groan. We reached the climax at the time and I lied on the bed. My knees couldn't carry me to the bathroom. He went to the bathroom by the way I had my own en-suit. He came back with a towel soaked in warm water. He cleaned my punani using it. While wiping my pussy:***

***Phum: One more round nje***

***Me: Aaah Phumlani my pussy is burning and you are still asking for one more round***

***Phum: (laughing) Ok I'm sorry ke***

***He went to the bathroom again and rinsed the towel and then came back and we cuddled. We had this connection and I felt safe and loved around him.***

***Phum: So you still don't want to make our relationship official***

***Me: But Phum we are so happy like this, you know as sex mates***

***Phum: And we will be happy as a couple too***

***Me: You know I'm always busy... I don't have time for going out and all***

***Phum: I know that Afika but if we could fuck every now and then then we can date and see each other now and then... Trust me I'll understand and we will take things slow.***

***Me: Eish Phumlani you putting me in an awkward position***

***Phum: I'm sorry but I can't hold myself any longer... I love you Afika and you know that***

***Me: Ok ke let's give it a try***

***Phum: Really?***

***Me: Yeah but if I feel it's too much we'll have to stop***

***Phum: Trust me nothing will be too much... Thank you so much my love , you don't know how much this means to me***

***Me: Your face says it all***

***We continued chatting for hours. He was telling me how much he loves me. The excitement was written all over his face. He was even planning on our future and asking me how many kids I want. My boyfriend though. We slept for only two hours and I was woken up by a kiss on my cheek. I knew that was my bae and I didn't want to spoil the fun by waking up. He was leaving and as soon as I heard the door close I smiled. I walked to the toilet and my pussy was so painful. I had to even change my walk because I couldn't close my thighs. I did my business in the toilet and went back to bed. I put my phone on silent and fell asleep...***

***Tee***

***What a night!! I usually crossnight because of work but today it was because of sex and not just sex but GOOOOOD sex. I'm very tired and it was my first time sleeping at Ham's place so I have to***

***make a good first impression mxm. I get up trying my best not to wake my Ham up. I went to his closet and took out one of his t-shirts. I wore it and went to the bathroom. I washed my mouth with a mouthwash, washed my face and went to the kitchen. I wanted to make him a good breakfast but I had limited ingredients to work with but after all that shows he really lives alone. I decided to make him my secret omelet. I learnt this from my mother. I made the omelet and boiled water to make a strong cup of coffee. We both need it after what happened in bed while everyone else in the country was asleep. While I was still making coffee, Ham hugged me from behind. OMG my burning pussy was already asking for more.***

***Ham: I see you've made yourself at home***

***Me: (smiling) I'm sorry if I crossed the line***

***Ham: Come on, this is now your house too***

***When he said that I remembered that I don't know what this is, as in; was it a relationship or what.***

***Ham: Damn you look so sexy in this***

***Me: (blushing) Thank you***

***He turned me around and kissed me. He was only in his boxer and uManzini was already poking me. I love this guy and I love the way he turns me on. He picked me up and placed me on the kitchen counter. He made his way to my kuku and gently rubbed it.***

***Me: Oh babe mhhh***

***Ham: I love you Tee***

***Me: I love you too...***

***We kissed for about two minutes and I broke the kiss.***

***Ham: What's wrong?***

***Me: Nothing***

***Ham: Come on Tee***

**Me: Ok Ham it's... it's**

**Ham: It's what?**

**Me: This thing we are doing... we haven't labelled it. I don't know what to call it.**

**Ham: Do we really have to talk about that now**

**Me: Yeah Ham we have to**

**Ham: I love you and you love me that's what matters**

**I was left speechless. I know he said he loves me but why doesn't he want us to be in a relationship. Maybe he has a wife and children, maybe he doesn't love me he just says that to fuck me. I stood up and continued making breakfast. He sat down and I dished for him. I also sat down and we ate.**

**Ham: Mhhhhh I've had omelet before but this one takes the trophy**

**Me: Mh thank you**

***Ham: Are you ok***

***Me: I'm fine***

***We continued eating in complete silence. When we were finished I took the dishes to the sink. While I was washing them he hugged me from behind again and this time it did nothing to me. I was way too angry to be turned on by a hug.***

***Me: It's becoming a habit I see***

***Ham: I'm failing to resist***

***Me: As you can see I'm busy***

***Ham: You were busy earlier on but you managed to squeeze me in between***

***Me: That was earlier on now is now***

***Ham: What's the difference***

***Me: It was before you said... ( and I kept quiet)***

***Ham: Before I said I don't want us to label our thing right***

***I kept quiet and did my business.***

***Ham: I've been in a painful relationship before. I had a girlfriend and while we were dating she got married. That killed me, from then I promised myself never to be in a relationship ever again. Since then I've been fucking with hoes. I go to clubs, meet a bitch and do a one night stand. I wanted that with you too. I had the intention to fuck you and leave you***

***I stopped for a second and looked at him***

***Ham: But after that day I couldn't let you go. I fell in love with you Tee. After years of being heartless I finally fell in love. I tried to resist at first but I couldn't. It was as if it was meant to be, it was just irresistible, you were irresistible. My heart has been tied to you ever since. But the fear is still there , the fear of loving you and you leaving me for someone better is still there.***

***A tear escaped from his eye. I was starting to feel guilty. Maybe I pushed him.***

***Ham: No need to feel guilty it's not your fault.***

***I guess the guilt was written all over my face and I was just speechless.***

***Ham: I love you Tee and I'm willing to face my fears to be with you. I can't let you go, I feel complete when I'm with you and I'm not going to break this connection we have because of some bitch nje. I love you and I want to be with you.***

***I didn't know what to say.***

***Ham: Please say something Tee please***

***Me: I was in a relationship and the guy I was in a relationship with left me for a younger girl who was also thinner than me. He said he deserved more than me. Those words killed my confidence, those words destroyed my self-esteem. (Tears were flowing down) I didn't see myself being in a relationship again. I told myself I'm not enough to please a man. What you***

***said earlier on just proved I was not enough but what hurt me the most was the way I love you. The love I have for you Zungu is unconditional.***

***Ham: That is how I also feel for you Ntando. I really love you, look let's give it a try. Let's not let these motherfuckers detect how we live our lives.***

***Me: Are you ready for that?***

***Ham: I was ready from the first day I saw you***

***Me: (laughing and hitting him with the cloth) You adding spices now***

***Ham: I've been honest about everything a little lie wouldn't hurt***

***Me: Ok I'm also willing to try***

***Ham: Thank you Ntando, you don't know how much this means to me.***

***Me: Move now I must finish up***

***Ham: Haw not even a one round celebration***

***Me: Heee you should have thought about that before you fucked me for the whole freaking night***

***Ham: (laughing) Ey I can't get enough of you***

***Me: (blushing) I know hey***

***Ham: That's why you'll never sleep in peace***

***Me: Mhh I feel sorry for my kuku***

***Ham: (laughing out loud) You don't have to***

***Me: Why mara hee? Do you know how painful and burning it is right now***

***Ham: I'm sorry babe, you should bath and rest***

***Me: No Ham I should bath and go home***

***Ham: But I want to spend my entire day with you***

***Me: Ok then take me to my house, I'll pack a few clothes and we'll come back***

***Ham: Ok ke***

***Me: Let me go and take a quick shower***

***Ham: Can I join you?***

***Me: Why not...***

***Ham: (smiling) Mh ohk***

***Me: Catch me if you can***

***We ran into the bathroom. He helped me take off my t-shirt and we got in the shower. We were both using his towel and took turns to scrub each other's body. While rinsing the soap off he looked at me.***

***Me: (blushing) What?***

***Ham: You are so beautiful***

***Me: Thank you and you are also very handsome***

***He pinned me against the wall and we kissed. It was as if we were acting out a movie. I felt loved, special and most of all appreciated.***

***Ham: I love you***

***Me: I love you too Sengwayo.***

***Ham: You know that turns me on***

***Me: I know, I can already feel uManzini***

***Ham: (smiling) Shit, he has a name now***

***Me: Like it?***

***Ham: Are you joking? I love it. Actually I love anything associated with my surname***

***Me: I'll keep that in mind***

***Ham: I'm not saying use that to manipulate me***

***Me: I'll try not too***

***Ham: You are manipulative, you know that ?***

***Me: Ngizwa ngawe***

***We finished up and then went to his room or should I say our room? We applied lotion and then he gave me another t-shirt and track pants of his.***

***Ham: Wow you are so damn sexy***

***Me: I know***

***Ham: Maybe I should give you my wardrobe***

***Me: But your clothes also suit you***

***He was also wearing track pants and a long sleeve navy t-shirt.***

***Ham: Stop staring at me phela, you are turning me on.***

***Me: (laughing) I'll do that at work***

***Ham: Do that and I'll...***

***Me: (laughing out loud) You'll what?***

***Ham: Never mind, let's go.***

***Me: If you say so***

***While he was driving we were playing and talking. It was as if we had known each other for years.***

***Ham: Thank you***

***Me: For what?***

***Ham: For making me the happiest man alive***

***Me: Jeez nawe you making it sound like I've just accepted your proposal***

***Ham : If I did propose would you say yes?***

***Me: (laughing) Yes I would***

***Ham: I'm serious Tee***

***Me: (looking at him) aybo Ham we've known each other for two minutes and only dated for seconds and wena you already thinking about marriage***

***Ham: What's wrong with that***

***Me: We still need to get to know each other better and enjoy ourselves***

***Ham : Who said we can't do that while married***

***Me: Aybo Zungu you know that marriage takes the fun away in a relationship***

***Ham: Are you planning to leave me? Ingakho nje ungafun sishade right ? Ingoba you still planning to leave me***

***Me: Seriously Ham?***

***Ham: That's the only reason you wouldn't want to marry me***

***Me: I would love to marry you but not now***

***Ham: Why not now?***

***Me: Zungu akukapheli ngisho usuk sithandana***

***Ham: Mhhh***

***We were already by my house so he parked and I got out. I was annoyed by the way he behaved. I got inside the house..***

***Que: Look who decided to come back***

***Me: Let's hope you didn't have sex in my bed or else your family should start organizing your funeral***

***Que: Mxm***

***I went straight to my room and lied on my bed***

***Ham***

***Que: Why did you bring her back because it seems like she still wanted more sex***

***Me: Que please***

***Que: I was just asking***

***Me: Sorry I'm just not in the mood***

***Que: What's wrong ?***

***Me : I don't want to talk about it***

***Que : Well if you say so***

***Me : is my love in her room?***

***Que : Your love ?***

***Me: Yeah .... Eish I didn't want to be the one to tell you this but yeah, Ntando and I are dating***

***Que: Omg since when?***

***Me: This morning***

**Que : (screaming ) Wow guys I'm so happy for you**

**Me: Thank you**

**Que: Wait you guys started dating this morning but there is trouble in paradise already?**

**Me: Sad right?**

**Que: Very**

**We sat there for a while in complete silence.**

**Que: Should I make you something to eat?**

**Me: No I'm good thank you**

**Que: Okay I know a comedy movie that can cheer you up, wanna watch it?**

**Me: Ahhm**

**Que: I don't know why I'm asking because I never take no for an answer**

***Me: (laughing) oh wow***

***We watched the movie and it really did cheer me up. It was the funniest comedy I've ever watched***

***Tee***

***I could hear Que and Ham laughing out loud . Mxm I was so irritated I even cried . Who wouldn't mara hee? I fail to keep my man happy, I'm such an ass..... I think I fell asleep after beating myself for not being able to keep my man happy. I woke up and it was now quiet. I was even able to think. I got off the bed and went to the toilet. After that I went to open the curtain and windows so I could get fresh air. Phela Que is lazy; she only cleans her room when she's here. While opening the window I saw Ham's car...***

**Me : What the fuck  
I started panicking. I went out of my room  
fuming. I went to the dining room and both Que  
and Ham were not there..**

**Me : Ngyalingwa yin**

**Ham came into the dining room with his t- shirt  
off. My legs started shaking. My heart was  
already in pieces.**

**Ham: Babe uright?**

**Me : Wow Ham are you really going to ask me  
that after what you did**

**Ham: I'm sorry babe I didn't mean to**

**Me : SO YOU REALLY SLEPT WITH MY SISTER  
HAMILTON... HOW COULD YOU HEEE? AM I  
NOT ENOUGH? COME ON HAMILTON ANSWER  
ME**

**Ham : What are you talking about?**

**Me : So you are going to play fool**

***Ham: I honestly don't know what you talking about***

***Me : Mxm where is this bitch***

***Ham: Babe which bitch are you talking about***

***Me : Afika come out I know you are here***

***Ham: So you think I slept with Que?***

***Me: Ubungayekelan ngoba phela a few minutes ago you guys were busy giggling lah***

***Ham: You know what I won't stand for this, I'm gone.***

***As soon as Hamilton walked out of that door my mind came back. How could I accuse him of something like this. I went to my room's window and watched him drive off. Only then I noticed that Afika's car wasn't on the carport. I was frustrated and angry with myself. How could I be so stupid... I just leaned against the wall and slowly sat down on the floor.... I sat there***

***thinking about how I just messed up my only chance of being happy...After a few hours I dragged myself to bed tomorrow it's a Monday and after all I have to be at work... I tossed and turned for God knows how long... In the morning I was woken up by my alarm. I first went for a jog then came back and took a shower. It was a nice hot day so I had to choose my dress wisely today. Besides the weather, I want Zungu's eyes all over me. I decided to wear a nice off shoulder red tight dress with a black pencil heel. I had braids and decided to tie them up into a neat bun. I was VERY HOT. If Zungu doesn't forgive me today I'll be 100% sure he's gay. I packed my files and made sure everything I needed was packed. I grabbed my car keys and I was ready to slay. As I made my way to my office all eyes were on me.***

***Me : Good morning Sthembile***

***Her : Morning girl... ngisho neslima ngeke sikbuz ukuthi unjan namhlanje cause it's obvious. So tell me who's the lucky guy?***

***Me : Aybo kahle Sisi ubani osekhulume ngamadoda lah?***

***Her : Yin pho eyenza u Ms Nzuza ababe kanje?***

***Me : Sthembile are you trying to tell me something?***

***Her : (laughing) aybo Ms N bengingasho kanjalo***

***Me : (also laughing) good ke... Bye I'll see you later.***

***Her : Hope I'll see the lucky guy soon***

***Me : Ay stop it man wena***

***Sthembile is the receptionist here and just like any other receptionist, she is nosey. After my little chat with Sthe, I went straight to Zungu's office to deliver a few documents. When I arrived he was busy with his laptop. I doubt he even saw me coming in.***

***Me : Mr Zungu***

***Ham : Ms Nzu... Oh my God***

***Me : Something wrong Sir ?***

***Ham : Ahm no***

***Me : Great, I wanted to give you these documents. They are for the new butchery deal.***

***After saying those few words I saw he was not listening to me. My plan was working. He was staring at me.***

***Me : Mr Zungu are you okay?***

***Ham : Please stop calling me that babe***

***Me : But we are at work and we have to keep things professional***

***Ham : Who said that***

***Me : It what I believe in***

***Ham : Well fuck with your beliefs***

***He stood up, made a call and said he didn't want anyone to come to his office because he was in a***

***very important meeting. After that he locked the door and removed his tie from his neck. I was confused for a while until he came straight to me. UManzini was already up and I was also wet.***

***Me : But babe sikemsebenzin***

***Ham : Khohlwa ilokho***

***After he said that he kissed me in a rough kinda way. I could feel he was tense and still angry about our fight. I broke the kiss and went for his dick. I first played with it using my hand. His moans were proof that he was enjoying. My pace of the hand became faster until he cummed. I kneeled on the floor and started playing with the tipt of his dick using my tongue. I did that for a couple of times then he pushed my head in. The dick went all into my mouth. He was now fucking me in the mouth. It felt good. I think we were both enjoying that. We did it until he cummed. He stood me up and we kissed. I thought that was it cause we were at work after all but no I was wrong he pinned me on his desk. He then quickly removed files that were close. He helped me sit on the table. He first raised my dress to be above***

***my waist and opened my legs wider. He looked at my punani and smiled. I could smell trouble. He licked his hand and rubbed my punani using the same hand. One finger then got in and soon it became two.***

***Me : Babe .... B..a..b.....e***

***The finger fucking got faster. Oh I so wanted the dick inside. I wanted uManzini inside me.***

***Me : Oh babe... ohhhh***

***I cummed. He used my g-string to wipe me. I took a breath and before I knew he was inside. Manzini was inside my pussy.***

***Me : Ohh babe fuck me ... ahhhhhh fuck me babe***

***The pace was increasing and the moans were getting louder.***

***Ham : Dammit Ntando you so tight***

***Me : Mhhh ahhhh... ohhh Zungu ahhhh...It feels so good Hamilton. I love it and I love you. Fuck me babe I'm all yours.***

***He fucked me yezwa. It felt so good. I've never had sex this good before. He fucked me until we both reached our climax. He cleaned the both of us using my g-string and then gave it to me. There was no way I could wear that for the whole day. It smelt of sperm so I decided to put it in one of the files that were in the table without him noticing. I fixed myself and then took out my cosmetic bag to spray myself. There was complete silence so I took my things and tried to open the door but it was locked so I had no choice but to talk to him.***

***Me : Ham cela ungvulela***

***Ham : Not even a goodbye kiss first***

***I went to him and gave him a soft kiss on his lips. As I was trying to step back he pulled me closer and we went for a deeper kiss. He was holding my ass so tightly. UManzini besevuka again.***

***Me : Babe sisemsebenzini***

***Ham : I know love but I missed you***

***Me : I'm sorry sthandwa sam for everything***

***Ham : I've forgiven you babe***

***Me : Thank you love***

***Ham : So useza ukuzohlala nami for a few days?***

***Me : If you still want me to***

***Ham : Why wouldn't I***

***Me : Okay we'll do it on Friday***

***Ham : Why not today***

***Me : Haw aren't you tired already?***

***Ham : Hell no babe ngisangakuphinda ngamanye  
ama round amathathu right here, right now.***

***Me : Please open the door ungaze ungidlwengule***

**Ham : (laughing) There's nothing wrong about that**

**Me : Ay man Zungu**

**Ham : Okay, okay I'll open**

**He opened the door and I went out. I arrived here at 08:30 and it's already 10:30. Oh God I'm so gonna kill uHam. I went to my office and tried to work but I couldn't. I kept on thinking about the amazing sex I had just had. I closed my laptop, took my phone and went to the toilet. I texted Ham...**

**Me : Babe**

**Ham : Love**

**Me : I think I left my g-string there**

**Ham : But I gave it to you**

**Me : Okay I remember where I left it, no one will find it there except for you**

***After sending that message I got a call from Sthe telling me there is a small emergency meeting in Hamilton's office. I quickly went there and everybody else was there. Ham was looking at me in a very sexy way. You could tell he knew that under the red dress I was wearing, there was nothing.***

***Ham : Since we're all here I'll just get into business... We got the butchery deal***

***Everybody was excited. He opened one of his files to show us something... I think it's the file I put my g-string in. Luckily everyone was still surprised and happy about the deal so he's the only one who saw it and he was already sweating. He looked at me and I smiled. He showed us everything and everyone had to go back to their office and get back to business.***

***Ham : Ms Nzuzza please stay behind I need to ask you something***

***I sat and patiently waited for everyone to exit.***

**Ham : Can we please do what we did earlier on**

**Me : Aybo Ham save that energy for later**

**With that said I got up and went straight to my office. I felt better and worked my butt off. I took my break, had my lunch and went back to doing my work. The day was very short because before I knew it was time to knock off. As I was walking to my car, I felt like someone was looking at me. I turned and I saw Ham following me. Seems like he was also knocking off.**

**Ham : Won't you wait for me ?**

**Me : Yini awuyazi yin indlela?**

**Ham : (laughing) Okay let me keep quiet.**

**Ham**

**Fuck I've been horny since the morning. Seeing Ntando in that dress did things to me I, myself, couldn't understand. She looked so sexy. I told Sthe to tell me when Ntando knocked off and she did. So I packed my things and also called it a**

***day. Ntando and I met by stairs but she didn't want to wait for me.***

***Ham : So babe you really going to leave me?***

***She stopped***

***Tee : Shesha ke***

***I walked fast but since she wasn't that far I managed to reach her in less than a minute. I held her on her waist and made her turn and face me.***

***Me : You are so beautiful***

***Tee : (blushing) thank you***

***I kissed her and pinned her on my car***

***Tee : But Zungu***

***Me : Shhhhh***

***She knows very well that when she calls me by my surname uManzini really gets hard***

***Me : Still remember this (showing her her g-string)***

***Tee : How can I forget ( she said smiling)***

***I pulled her dress up and made my way to her pussy using my hand. She was already soaking wet and that made my dick even harder. I finger fucked her using my middle finger.***

***Tee : Ahhh Zungu please***

***She moaned for a couple of times and then cummed. I licked my hand clean and she lowered her dress.***

***Me : My house or yours?***

***Tee : Ay ngeke Sengwayo save this energy for the weekend.***

***Me : That's not what I asked***

***Tee : (with teary eyes) Ok ke your house.***

***We got to my house and we fucked like crazy. From the way she rode my dick, you could tell she was enjoying it. I love Ntando and I want to make her my wife. I'm not saying this because of the good sex but I'm saying it because I mean it. At night we had spoken about working from home today. The next morning I took a shower and made my love breakfast. She was still sleeping and I don't blame her. I fucked that girl. I'm sure I'll only get sex after months from now. I woke her up. She didn't want to at first but in the end she got up.***

***Me : Sit up and eat babe***

***Tee : I want to first wash my face and brush my teeth.***

***Me : Okay ke 'mlungu' hamba***

***She got up mind you she was still naked. Seeing her beautiful body made me have flashbacks about the sex we had in the office, me fingering her in the parking lot and the sex we had for almost the whole night. Thinking about the way***

***she moans and rides my dick makes me shiver.  
She distracted me from my daydreaming.***

***Tee : Awudeli neh?***

***Me : What do you mean***

***Tee : You fucked me the whole day yesterday but  
you still have energy to do that shit.***

***What the fuck. I had my dick in my hand and I  
was rolling the dice. There was already sperm so  
I decided to clean that up and spend time with my  
putsununu. She ate and then took a shower, only  
then I noticed something that made me feel  
guilty. She couldn't walk properly.***

***Me : I'm sorry babe***

***Tee : For?***

***Me : Hurting you. I shouldn't have fucked you like  
that.***

***Tee : (sobbing) Yeah Ham it is really painful, I  
can't even walk properly. It hurts Ham***

***Me : Babe I'm sorry please don't cry. ( I said hugging her) Guilt was eating me man***

***Tee : (laughing) Shame***

***I was confused.***

***Tee : We had sex yesterday because we both wanted to. You didn't rape me. I could've said no if I didn't want to, but I didn't which means I also wanted to. I won't lie, it really hurts now but I enjoyed it so it was worth it.***

***Me : Really babe?***

***Tee: Yeah babe, now stop being a cry baby and give me something to wear.***

***I gave her my oversized t-shirt and she didn't wear anything underneath. I wanted to spend this day with her indoors so I had to control myself. We had a great day cooking, cleaning and playing. I was horny for the whole day but we didn't have sex.***

**2 months later**

**Phum**

**Me : Babe come out you've been in there for more than an hour.**

**Que : I'll be out in 5 min babe**

**Oh God she's been saying that for the past 30 minutes. We are going out on a date and akaqedi ukuzilungisa. Kanti anjan amantombazan. Well let me take this chance and briefly introduce myself.**

**My name is Phumlani Zondi. I am 28 years of age. I am a Doctor at Albet Luthuli Hospital. I got married at the age of 23. I loved my wife until I met this young beautiful girl called Afika. She stole my heart we started off as fuckmates but I always wanted more. Que and I are now love buddies and I don't regret any decisions I ever took about my love life.**

**Que : I'm done babe**

**Me : Wow this was worth waiting for**

***Que : You are bluffing me***

***Me : No I'm not***

***Que : (blushing) thank you***

***Me : I love you okay***

***Que : I love you too***

### ***Ham***

***Months have passed and everything is still going well between Ntando and I. The love I have for her has grown to be unconditional. She's been acting all weird these days. I think she's pregnant but I don't want to ask her .***

***Tee : Manzini***

***Me : Babe***

***Tee : Do you think I've gained weight***

***Me : Nah babe usachubby nje kamnandi***

***Tee : (crying) I know you saying that just to comfort me***

***Me : Haw my love ayikho leyonto***

***Tee : Stop lying ok, just tell me the truth!***

***Me : Okay fine you've gained ke***

***Tee : (crying) I knew it and I know you will soon leave me***

***Me : That's not true Themba lami... I'm not going anywhere.***

***Tee : (sniff) You promise?***

***Me : I promise you babe***

***We hugged and then kissed***

***Tee : (sniff) I'm horny***

***Me : But babe akukopheli ngisho no two hours sigcinile.***

***Tee : (crying) Yabonak you no longer want to have sex with me ngoba I'm becoming shapeless***

***Me : That's not true Ntando and you...***

***Tee : Look it's fine Ham, you don't have to explain yourself.***

***She stood up, went into the bedroom and slammed the door. Yoh this is gonna be a long road. I don't know if I should ask her or not.***

***After an hour she comes out from the bedroom.***

***Tee : Babe***

***Me : Ntando***

***She sits next to me and lays her head on my shoulder.***

***Tee : I'm sorry***

***Me : For what exactly***

***Tee : For overreacting earlier***

***Me : I think you are pregnant***

***Eish I didn't want to tell her but I guess she has to know.***

***Tee : (laughing out loud) Mina babe? Pregnant? (Laughs again) Aybo babe what makes you think that I'm pregnant?***

***Me : Your mood has been all over the place and usuhlez ufuna isex.***

***She was fuming and I expected that but the part of being accused of cheating ay iyasinda. She goes to the bedroom 'again' and this time she doesn't close the door. I follow her. She's crying and packing her clothes.***

**Me : Sthandwa sam**

**(Silence)**

**Me : Ntando look I love you. You're one of the best things that ever happened to me. I would never do something that could put our relationship at risk. Cela uhlale phansi sikhulume ndiyakucela babe.**

**Tee : There is nothing to talk about Zungu. When we started dating you were always all over me, fucking me in the office even in the car and now that usungidelile awusafuni sihave.**

**Tee : I HATE YOU HAMILTON! I HATE YOU!**

**I just grabbed her and hugged her until she calmed down.**

***Me : I love you and I'll make sure we get over this.***

***Tee : I want to sleep, I'm tired.***

***Me : Okay babe let me remove this ( I said removing her suitcase and clothes on the bed)***

***She lied down with puffy eyes. She looked so innocent. I love my girlfriend and I hope one day she'll agree on being my wife.***

***Tee : Babe***

***Me : Love***

***Tee : Please don't go. I want us to cuddle.***

***Me : (smiling) Okay babe***

***We cuddled for a while. Her ass was touching my dick and just like any guy, my dick was hard but I tried to control myself. There was complete silence until she decided to talk.***

***Tee : Manzini ulele?***

***Me : No babe uManzini uvukile.***

***Tee : Ay wena haw stop being naughty***

***Me : (laughing) Okay I'm sorry***

***Tee : Babe can I please go visit my friend tomorrow. I miss her.***

***Me : Ngiyakuthanda yezwa***

***Tee : Nami ngiyakuthanda baby***

## **Que**

***Everything has been going perfectly well between mina no bae. I haven't seen my friend for two weeks now, sad right? I know. We have allowed our relationships to break our powerful friendship. Ntando lives with his boyfriend and mina I don't. I do sleepovers in his house and sometimes he does. Today Phumlani took me out on a date and I really enjoyed it. I'm now cooking a simple dish for supper.***

***Phone rings***

***Phum : Babe that's your phone***

***Me : (running to the bedroom) Ngiyeza***

***My phone was on the charger so I grabbed it and took the charger out.***

***Me : Aybo babe uZungu ukuncisha isex yin watetema nje***

***Tee : You know what I knew you were never a real friend go to hell nxa. ( And ends the call)***

***I go back to the kitchen really confused. I mean how can my best friend say what Ntando said. My heart was really broken mara ke she was expressing her true feelings about me.... I continued cooking. It was something simple so after 30 min I was done so I dished up.***

***Me : Babe dinner is ready***

***Phum : Coming***

***Phumlani enjoys everything I cook. He compliments each and everything I cook.***

***Phum : Kwaze kwanuka kamnandi***

***Me : I know right. Now sit down and enjoy.***

***Phum : You don't have to ask me twice***

***Phum : What's wrong with you? You haven't even touched your food.***

***Me : Nokuthi there's something wrong ngami, ngizwa ngawe.***

***Phum : Well it's written all over your face.***

***Me : Eish babe I'm sorry ukuthi nje uTee uvele wangithethisa nje and said I'm not a true friend and that broke my heart.***

***Phum : Bekusukelaphi eze esho njalo***

***Me : I was laughing at her because she was crying***

***Phum : Why was she crying***

***Me : She says she miss me***

***Phum : Ngenxa yalokho nje?***

***Me : Yes***

***Phum : It's either her boyfriend is abusing her and desperately needs someone to talk to or maybe she's pregnant***

***Me : Ntando is very responsible and I know she doesn't want a child, well not now so I think Hamilton is abusing her. Heeee Yazi uzongaz***

***lomfana. Ucabanga ukuthi wubah yena ukuthi angasuka lah asuka khona azohlukumeza umngani wami lah nxaa.***

***I stood up and grabbed my car keys.***

***Phum : Haw babe uyaphi***

***Me : I need to sort out this mess***

***Phum : Babe it was just an opinion, no need to jump into conclusion***

***(Door slammed)***

***I couldn't just sit there and listen to Phumlani. He can't stop me from helping my friend. My friend needs me and I'm going to support her. I drove very fast. It was late so there was no traffic. I was in Ham's house before I knew. I got in there without knocking and guess what? I was greeted by Hamilton and Ntando having sex on the couch. I was so annoyed.***

***Tee : ( opens her eyes wide) Que... You didn't tell me you were coming***

***Me : Anigqokeni please***

***Hamilton quickly walked to their bedroom and Ntando wore the clothes on the couch.***

***Tee : Kodwa uyaphi ungiphazamisa kwisex emnandi kanje***

***Me : Oh please ngizele into ebaluleke kabi lah***

***Tee : I'm listening***

***Me : Is Ham abusing you?***

***She just stares at me and laughs out very loudly. I was frustrated. She saw that I was getting annoyed and stopped.***

***Tee : Ok sorry (laughs) Ngyaxolisa but why on earth would you ask me something like that***

***Me : Wena why on earth would you cry out of the blue and call me a fake friend***

***Tee : Ey about that... I'm sorry mngani ukuthi nje these days my mood is all over the place I don't know why. Maybe it's because I haven't seen my family for a while.***

***Me : Or maybe you are pregnant***

***Tee : Nawe futhi uzongibangela iscefe ngaleyonto***

***Me : Ubani omunye***

***Tee : Its Hamilton***

***Me : Well you should at least consider doing a pregnancy test***

***Tee : For what Que because I know I'm not pregnant***

***Me : Phela thina asazi***

***Tee : And anihlangene kodwa yazin, I'll do this test just to prove you guys wrong ngoba phela nazi konke***

***Me : Ayi bye***

***Tee : Bye friend and thank you for checking up on me***

***Me : It's only a pleasure babe.***

***I drove home feeling relieved. I was really worried about my friend. I just wish she could now make peace with the fact that she is pregnant. I definitely know it won't be easy for her but it is what it is.***

***Tee***

***It's early in the morning. I'm woken up by a funny smell of bacon. I ran to the toilet and puked. I***

***rinsed my mouth and went to my bedroom. I quickly made the bed and then went downstairs.***

***Ham : Morning babe, breakfast is ready.***

***Me : Aybo Ham we can't eat that***

***Ham : Why? Are we fasting?***

***Me : No man it smells off.***

***He looks at me and laughs.***

***Ham : Babe this breakfast smells and taste good to me***

***Me : Than you should consider seeing a doctor because there's definitely something wrong with your senses***

***He laughs at me again and stands up and pulls me closer for a kiss.***

***Ham : The only person who should consider seeing a doctor is you***

**Me : Mxm I'm going upstairs to prepare for work**

**Ham : Okay I'll use the other bathroom ke**

**Me : Whatever**

.  
. .  
. .

**We are now at work and things are hectic. I haven't seen my man since the morning and I miss him but I'm very busy and I'm sure he's also busy. After working my butt off, I decided to order lunch for me and my man. I order a green salad and still water for myself and order Zungu roasted lamb and chips from our favorite restaurant. I get in his office and he is on a phone call.**

**I also get a phone call from Sthembile.**

**Me : Sthe**

**Sthe : Ma'am there is food delivered for you here**

**Me : Okay Sthe please direct the delivery guy to Mr Zungu's office**

***Sthe : Will do just that***

***Me : Thank you sweetheart.***

***By the time I drop, babe was also done with his call***

***Ham : You good?***

***Me : Yes babe, I'm just hungry***

***Ham : Sorry babe. Should I order you anything?***

***Before I could even answer his question, the delivery guy was here.***

***Guy : Good afternoon Sir , good afternoon ma'am.***

***We both greeted back and gave the guy cash and he went out.***

***Ham : (smiling) You already ordered something***

***Me : Yes babe ngiyazi phela when you are busy you forget that you have to eat***

***Ham : You are a lifesaver you that ?***

***Me : I know***

***We ate and talked. I really enjoyed being with him. He was funny and made me forget about the stress at work today for a while.***

***Me : Babe I really need to go back to my office now.***

***Ham : Okay babe and thank you for the lunch***

***Me : You welcome love***

***Ham : I love you***

***Me : I love you too***

***With that said I walked out and went back to my office. I worked and worked and before I knew it was my knock off time. Hamilton was already by my office door. He helped me pack and we went***

***to his car to go home. Yes since we are now living together we use one car to get to work. We drove in silence. I was feeling down. I miss my mother and I need to go visit her soon. I decided to play Celine Dion's song called Goodbye. I was facing the window and singing along with the song.***

***Me : Now I know , there is no other love..***

***Love like a mother's,***

***love for her child and I know a love so complete***

***someday must leave, must say goodbye..***

***goodbye's the saddest word I'll ever hear,***

***goodbye is the last time I will hold you near...***

***someday you'll say that word and I will cry...***

***it will break my heart to hear you say goodbye...***

***I'm really stressed and sad. I want to be with my mother. I know I've disappointed them for having sex before marriage angisayiphathike eyalama allegation engibekwa wona okuba pregnant but I have to go see them. Babe disturbs me from my deep thoughts.***

***Ham : Want to talk about it***

***Me : No I'll be fine***

***Ham : Don't overthink, it's not good for the baby.***

***Me : (rolling my eyes) I have not done a pregnancy test yet Dr Zungu***

***Ham : (smiling) Okay I guess....***

***Before he even finishes his statement I get irritated by his new cologne***

***Me : Why did you change your cologne?***

***Ham : I didn't change it***

***Me : So why did does it smell so awful***

***He laughs. I get irritated when he laughs at me.***

***Ham : It means Sengwayo Junior doesn't like it***

***Me : Ham please***

***Ham : Okay, okay I'm sorry***

***I feel like I want to vomit, luckily we were already home. As soon as he parked, I ran out of the car and went to the outside sink. I did my business and then rinsed my mouth.***

***Ham : Babe are you okay***

***Me : Yeah I'm fine***

***We walked inside the house and we both sat down.***

***Ham : Babe I know we did not plan this but it is what it is love and there is no going back. Please do a pregnancy test and if the results come back negative we'll never talk about this ever again.***

***I was already crying. I don't know if it's because I know I'm pregnant or it's because I don't want this baby.***

***Me : If I'm pregnant you will not leave me ?***

***Ham : I won't love I promise, I love you Tee and I will never do anything to hurt you.***

***Me : I love you too babe***

***Ham : Now stop crying please, you are breaking my heart.***

***Me : (sobbing) ok***

***We kiss and one thing leads to the next. He fucked me on the couch until we both reached our climax. We clean up and shower together. Mind you, we do not use a condom. Yet I say I don't want a child and I know very well I don't prevent.***

***Me : Babe I'm tired, I can't cook today.***

***Ham : Don't worry love I'll cook***

***Me : But I was hoping we could order pizza, I'm sabaweling it.***

***Ham : Okay we will order it ke***

***Me : Creamy chicken flavour for me with extra cheese please***

***Ham : Okay love***

***He made the order. Within 30 minutes there was a knock. Babe went to check. It was the delivery guy. I was very hungry and I was really craving for this pizza. As soon as babe gave me my box I dug in.***

***Ham : Babe***

***Me : Mhh***

***Ham : Babe***

***Me : I'm 'misning'***

***My mouth was filled with bolus. I couldn't even talk properly.***

***Ham : Nobody will take the pizza away from you***

***I guess that was the way of him telling me to slow down. I wasn't embarrassed. Ham knows me naked so this was nothing.***

***We ate in silence. After that he stood up.***

***Ham : Juice?***

***Me : No wine please***

***He came back with two glasses filled with orange juice.***

***Me : Babe***

***He placed the juice on the coffee table and then looked at me***

***Ham : What***

***Me : I said I want wine***

***Ham : You can't have alcohol for the next 9 months***

***Me : So you going to control me***

***Ham : I won't control you but I'll do anything to protect my child***

***Me : Okay I was thinking of going to Adams tomorrow***

***He looked confused so I had to clarify it for him***

***Me : Adams, where my family stays***

***Ham : Ohho okay. Yin usukhumbula intombi endala?***

***Me : Yeah babe plus angikakomtsheli ukuthi inkomo zakhe azisekho esibayeni***

***We both laughed. I placed my glass on the table and rested my head on his shoulder.***

***Ham : Babe I think should respect your parents and at least pay damages since you don't want to marry me***

***Me : We'll talk about the whole thing when I come back, including amalobolo***

***Now that made him happy. He had a wide smile on his face.***

***Ham : So are you considering it babe ?***

***Me : I love you Sengwayo and I'm certain that I want to spend the rest of my life with you. Besides that I want my child to grow up in a warm environment, that's one of the things my parents taught me.***

***Ham : You don't know how happy I am right now***

***Me : (smiling) It's written all over your face***

***He looked at me for a while, kissed me and then I rested my head on his shoulder again but this time he pulled his arm and I was now between his***

***arm and his body and he was also brushing my hair. He is really a blessing in my life.***

.

***Me : Noma ungathini imoto yadadweni leya  
Scelo***

***Scelo : Yah man iyona***

***She parked her car and came in. I walked to her and attacked her with a hug. She was glowing. I don't know if money made her glow or it was a man or maybe she was pregnant.***

***Me : My child unjani***

***Tee : I'm good mah wami unjani***

***Me : Angisakwazi***

***Tee : Hawe mah I'm sorry***

***Me: What matters is you are here now, but I'm confused... Aren't you going to sleep***

***Tee : I am mom, everything is in the car... Woza Scelo siyokhipha izinto***

***Scelo : Uright sisi wami?***

***Tee : Ngiright bhutiza wena***

***Scelo : Ngisharp ntwana***

***They hugged and walked to my daughter's car.***

***I am uMaNzuza. Ntando and Scelo are my children. My beautiful daughter uNtando has succeeded in life and uScelo is still doing grade 11. I am proud of my children. They are both spoiled brats but Scelo is worse. He still doesn't do his own laundry and he can't cook. While Ntando***

***was still in school, she used to be Scelo's teacher, chef and everything you could ever think of. Scelo was basically Ntando's child and she did a perfect job. I have no doubt that she will do a good job if she is pregnant. I used to work but I no longer do. Ntando builded me a house with her first three month salary. I wouldn't have allowed that to happen and I guess she knew that's why she did it behind my back. It's been months since I last saw her and today she decided to surprise us with her visit. She is really glowing and I wonder what could be up.***

***Me : So much grocery Ntando***

***Tee : A girl has to feed her family***

***Baba : I think the girl has to start saving for the baby she is pregnant with***

***Ntando was a bit embarrassed. She faced down and greeted her father.***

***Tee : Sawubona baba***

***Baba : Unjani ndodakazi yami yolahleko***

**Tee : (blushing) Ngiyaphila baba**

**Baba : Utshela lomfana ongene esibayeni sami ukuthi ngfun inkomo zami**

**Ntando just kept quiet. I guess she didn't want to confirm the allegations made about her but her silence was also an answer because if they were not true, she would've denied these allegations.**

**Me : Ntando asambe siyekamereni, khona ingubo engifuna uyibone**

**She followed me to my bedroom. You could tell she was nervous and she knew there is no dress I want us to talk about this pregnancy. We got in the bedroom, I closed the door and we sat down.**

**Me : Mntanam( I sighed) Usumdala manje. Umdala futhi usuphumelele. Ngiyaziqhenya ngendlela oziphathe ngayo yonke leminyaka. Awungiphoxanga, njengoba ngangishilo kudala, ngisasho namanje. Mina ngeke ngiyiphathe ingane egqoka inabkeni la R2. Manje usukhulile**

***Me : Ngokukhulelwa? Cha kodwa ngiyathemba ukuthi awumithiswanga iphara***

***Tee : Aybo mah, he's my colleague and he earns more money than I do.***

***Me : Mhh let's hope angeke aze abalekeke***

***Tee : That's one of the reasons why I'm here***

***Me : Okay, khuluma***

***Tee : No mah, leh idinga bobabili abazali bami***

***Me : Let's hope it's good news***

***Tee : (smiling) let's hope***

***We walked out of the bedroom and went to the dining room. His father was sitting there and watching TV.***

***Me : Baba kaScelo, uNtando ucela ukukhuluma nathi***

***Tee***

***Dad turned and looked in my direction. He was not that strict and it was easy to talk to him about anything but this was not that easy .***

***Dad : My daughter***

***Me : Yebo baba***

***I let out a huge sigh***

***Me : Baba ngicela ukuqale ngixolise ngokunikela ngezinkomo zakho, ngangagcina lapho kodwa ngaphinda ngakhulelwa.***

***Dad : Mowungazinikezanga nje uskhotheni, umuntu ongeke akwazii ngisho nokuzikhokhela lezinkomo ngojabula***

***Me : Cha baba bengeke ngikwenze lokho, lomlisa engimnikezile ngisebenza naye futhi yena unesikhundla esincono kunesami***

***Dad : Ngabe usho lento engicabanga ukuthi uyayisho***

***Me : No dad, no I'd never do anything like that, besides lomfana usanda kufika emsebenzini. Ungifice sengikhona***

***How could dad ask me something like that.***

***Dad : Konconok ngane yami***

***Me : Manje baba lomlisa ubefisa ukuzovela, akhokhele inkomo zakho***

***Mom : Lilililili kwakuhle kwethu yi yi yi***

***Me : Mom!!***

***We all laughed***

***Dad : We first need to see that man. Angifuni ukukunikela kumuntu ozokhlukumeza.***

***Me : Okay dad we can choose a day and I'll tell him***

***Dad : Good***

***We talked for a while and then I went to my room. I haven't touched my phone since I came here. I took it out of my bag. I had 7 missed calls, 3 from my man and 4 from Que. I called my man first. It rang twice and it was answered.***

***Ham : Babe I've been worried about you.***

***Me : Sorry Zungu, I know I said ngizokufonela magnifika ukuthi nje besekade ngagcina lay khaya so we were still catching up***

***Ham : Okay babe I understand. Unjani kodwa?***

***Ham : Eish babe for sure timer lakho likdinelwe***

***Me : Kanti lutho love they were actually calm about everything, I also told them ufuna***

***ukuzolobola and they said they first want to meet you***

***Ham : Ey I'm scared babe, what if they don't like me?***

***Me : Babe my family is not like that, my father will be a overprotective just like any other father but ukukuthanda kona bazokuthanda***

***Ham : If you say so***

***Me : Yeah babe relax please. Don't stress yourself over nothing***

***Ham : Okay babe, make sure your phone is always near you, I'll call you later.***

***Me : Okay sthandwa sam***

***Ham : Ngiyakuthanda sthandwa sam***

***Me :(blushing) Nami ngiyakuthanda Manzini***

***He hung up and I went to the kitchen to help my mother prepare supper.***

## **Wandile**

***My name is Wandile Lerato Mkhize. I'm 23 years old. For the past 4 years I've been overseas studying Gynaecology. While I was in high school I dated this guy called Andile and I really loved him, only to find out he was two timing me with Ntando and that's how Ntando and I met. We didn't allow that to make us enemies, instead we became friends. I think I like Ntando but I'm not sure if it's feelings or just love for a friend. I do have a boyfriend and I love him but that doesn't mean I can't have feelings for a girl. There are bisexuals and even lesbians in this century.***

***I've been back in South Africa for a week now and I've been living with my parents since Lindokuhle, my boyfriend was still trying to organize an apartment for me. He found one for me in La Lucia and it's my first night in it. I decide to have a nice, long, relaxing and hot bath with a glass of red wine. I won't lie, it feels so good to***

***be back and I haven't done much but I'm already enjoying it.***

**Tee**

***It's Sunday today and I'm going back to my man. I really enjoyed being with my family but I also miss my bae... We come back from church and have a nice Sunday lunch. After lunch I go to my room to pack my things and I receive a call from bae...***

***Me : Sthandwa sami***

***Ham : Woza my love, woza my love***

***Me : Bambo lwami***

***Ham : Woza my love, woza my love***

***We both laughed really hard. Ham and I can be really childish sometimes.***

***Ham : I miss you sthandwa sami***

***A tear escaped from my eye. Hormones were really controlling me.***

***Me : I miss you too babe but I'm already packing, I will be there soon.***

***Ham : No need to cry babe, you'll see your baby daddy soon***

***Me : I love you babe***

***Ham : I love you too sthandwa sami. Text me mase usuka.***

***Me : Okay love***

***Ham : Ngiyakuthanda yezwa***

***Me : Uthandwa imina Sengwayo.***

***I could hear him giggling. I knew he loved it when I called him like that. I hung up and I continued packing. I went to take a nice cold shower. I was happy I was going to see my man but that doesn't mean I didn't enjoy being home with my family.***

***Me : Tonight I'm gonna dance for you***

***Owuohhho***

***Tonight I'm gonna dance for you***

***Owuohhho***

***Tonight I'm gonna put my body on your  
body***

***Boy I like it when you watch me***

***Cause tonight it's going down***

***I was actually singing and stripping. Trust me the way I was doing everything so good for a minute I felt like a real stripper in a club with old, rich men watching and Hamilton smiling at me. I was enjoying this until I slipped and fell. I hit my head and everything was spinning. The last thing I remember was screaming and calling my mother.***

***MaNzuza***

***Ntando has been bathing for far too long. I decided to go look for her in her room because I don't want her to drive at night. As soon as I got in her room I heard her screaming and calling me.***

***Tee : MAH!!!***

***I quickly ran to her ensuite and when I got in she was lying on the floor unconsciously.***

***Me : Ingane yami... BABA KASCELO!!***

***My cheeks were already wet because of my tears.***

***Me : BABA KASCELO!!***

***I tried lifting her alone but she was too heavy. Her father came in running with Scelo.***

***Scelo : What happened?***

***Me : Angazi nami ngimufice edindilizile lah. Scelo musa ukuma lapho, siza ingane yami.***

***Baba : Calm down maka Scelo she is still breathing. We just need to get her to hospital in time.***

***They both carried her to her bed.***

***Baba : Rap her with a throw and pack her clothes she will wear when they discharge her.***

***I did as I was told and then they carried her again. We were now going to the car.***

***Baba : Maka Scelo hamba phambili ukuze uzosivulela imoto.***

***I ran and grabbed the car keys and then opened the car.***

***Me : Phuthumani ukhulelwe lomuntu***

***They put her inside and I sat beside her and her head was on my thighs. Scelo and his father got in and he drove off. As soon as we reached the hospital, Scelo ran in and came back with three nurses and a stretcher. They put her on the stretcher and they ran in.***

***Me : Is she going to be okay ?***

***Nurse 1 : We don't know yet mah, please move aside so that we can try and help her.***

***Me : Please help her bantabami please.***

***Nurse 2 : We will mah, wena nje cela usale lah***

***I watched them running with my one and only daughter. I walked to his father and he held me tight***

***Baba : Ungakhali sthandwa sami. Our daughter is strong and I know she will survive this.***

***I cried for some time. I was really worried. I can't lose my first grandchild and her mother.***

***Me : (sobbing) I need to tell her boyfriend about this***

***Baba : What for? They are not even married.***

***Me : He is the father of Ntando's child, he deserves to know Khabazela***

***Baba : Uqinsile. Manje unayo yin inumber yalomfana?***

***Me : No but I have Afika's, I'm sure she has this guy's number.***

***Baba : Okay sokulinda lanake***

***I went to a place that was more quiet and I called Afika.***

### **Que**

***It was a nice cold day and Phumlani and I decided to stay indoors all day making love.***

***Me : Awukahle Phumlani***

***Phum : Angithi you said you no longer laugh when you are being titled.***

***Me : (laughing) Okay I'm.. (coughing) I'm sorry***

***My phone rang***

***Phum : (laughing) Uzosindela leyo phone yakho***

***I took my phone and checked who was calling***

***Me : UMaka Ntando... ngabe ufunani?***

***Phum : There is only one way to find out***

***I answered the phone.***

***Me : Sawubona mah***

***Her : Yebo mntanami***

***Me : Usaphila kodwa?***

***She sounded down and it sounded as if she was crying***

***Her : Ey uNtando usesibhedlela***

***I jumped out of bed.***

**Me : Yindaba mah unani? Ingane iright?**

**Her : Ey angazi mntanami. Ngimfice ephansi bathroom, angazi noma ushibilikile noma uqulekile.**

**Me :(sobbing) Aw man manje odokotela bathini? Uzoba right? Ingane yona uzoba right?**

**Her : Okay mntanami ngicela uze nomkhwenyana wakhe uNtando**

**Me : Ngzokwenza njalo mah**

**I dropped the call and went straight to my closet. I took out a jean, a t-shirt and a coat.**

**Me : Babe I need to go, usisi wami usesibhedlela**

***Phum : What happened***

***Me : They are not sure kodwa bath bamfice elele phansi ebathroom.***

***Phum : I'll drive you there***

***Me : No need babe, ngyobona abazali bakhe and it will be weird.***

***Phum : Okay babe kodwa ngicela ungagijimi kakhulu, I still need you.***

***Me : Okay love, I'll see you later.***

***I took my phone and searched for Ham's number. Yes I have it, remember when Tee was doing a sleepover at Ham's and she called me using his phone, yeah I saved it that day. I called him and it only rang once and he answered.***

***Ham : Sthandwa sami awusafiki yini ? Do you have any idea how much I miss you... sengize ngaqhanyelwa ngicabangana nawe***

***Me : Ey fusegi wena uQue lo***

***Ham : Oh shit sorry mfethu ukuthi...***

***Me : Blah... I received a call from Tee's mother saying Ntando is in hospital***

***Ham : WHAT? WHAT HAPPENED??***

***Me : I don't know but I'm on my way to the hospital they are in, I'll send you the location.***

***Ham : Okay I'm also coming. Thank you for letting me know***

***Me : Sharp***

***My drive to the hospital was quiet and sad. I was really stressed about my sister. Ntando is a friend to me but the way we treat each other is how sisters treat each other so I'm not ready to lose her. I parked my car outside the hospital and I was just in time to hear what the doctor had to say.***

***Me : Mah, baba, Scelo***

***I said waving my hand as a sign of greeting. They all greeted me back and we listened to the doctor. We were all standing and waiting for the doctor's feedback.***

***Dr : Please calm down. Ms Nzuza...***

***Ham : San'bonani***

***We all greeted him back. You could see he was worried. He didn't care about being with Ntando's parents, he just wanted his future wife to be good.***

***Dr : As I was saying, it seems like Ms Nzuza slipped and fell. She also hit her head but I've ran some tests and everything is fine.***

***Mah : Singahamba siyombona?***

***Dr : Yebo mah ngilandeleni***

***Tee's doctor was a dark chocolate, tall Zulu guy with muscles. Mhh he was very sexy if you ask me. Right now, I wish I was in that bed Tee's lying on.***

***Mah : Oh mntanami awusavuki yin***

***It was like she was waiting for her mother to hold her hand because as soon as her mother held her hand, she woke up.***

***Tee : Ngikuphi***

***She said while looking around, looking for clues about the place she is in.***

***Ham : You are in hospital babe. While you were bathing, you slipped and fell and you hit your head but the doctor said you are okay.***

***Tee : And my baby, is she okay?***

***Ham : Doctor is the baby okay?***

***Dr :(confused)What baby?***

***Tee sat up, she already had tears in her eyes.***

***Tee : My baby doctor, I am pregnant***

***Dr : Are you sure, as in have a doctor confirmed that for you?***

***Tee : No but I had symptoms and my family could see.***

***My friend though, she was already crying. I sat on the bed and brushed her back.***

***Me : Ungakhali mnganami, let's hear what the doctor has to say first***

***Dr : Symptoms are not enough for confirmation. Sometimes you could have symptoms because you are pregnant and sometimes it could be a false alarm. I'm going to run some tests and see if there is anything on your womb.***

***Tee : (crying) Ngyacela bandla usheshe ngoba ngzobulalwa ikona uklinda***

***Dr : Khululeka Ms Nzuzza I'll make sure the results are back before the end of today.***

***Tee : Ngiyabonga***

***The doctor left.***

***Me : Ubuwenzani wena uzushibilike mngani***

***Tee : (laughing) You don't want to know***

***Me : Aybo hawu, ngikbuze ngoba ngifuna ukwazi***

***Tee : (laughing) Ey girl I was singing Beyonce's song leh ethi Sit back and watch and I was imitating what she does in that music video.***

***Me : (laughing) As in...***

***Mah : Baba asihambe syothola esingakudla.  
Scelo silandele***

***I don't think they were hungry. I think they were giving us space.***

***Ham : Babe I really missed you***

***Tee : I missed you too love***

***He was also hugging her.***

**Me : Sthandwa sami awusafiki yini ? Do you have any idea how much I miss you... sengize ngaqhanyelwa ngicabangana nawe**

**Tee : Uyahlanya yini wena**

**Me : That's what your man said to me ngimfonela, ngifuna ukumtshela ukuthi usesibhedlela**

**Tee and I laughed out really loudly.**

**Ham : Did you have to bring that up**

**Me : (coughing) Yeah I had to tell my friend**

**Ham : Mxm I don't even find that funny.**

**After 30 minutes or so the parents came back, the doctor didn't mind us being with Ntando because she was better and the only thing that kept her here are the results. After two hours, the doctor came back and you could see from his facial expression that he didn't have good news.**

## **Ham**

***The doctor came back after some time with what I think was the results. My heart was racing. Ntando sat up and held my hand tight.***

***Me : Are the results back doctor?***

***Dr : Yes, yiwo lawa engiwaphethe***

***Tee : And what do they say ? Is my baby fine?***

***Dr : Ahm, there was never a baby Ms Nzuzza***

***Tee : What do you mean?***

***Dr : As you all know, when Ms Nzuzza came I only dealt with her head but since it is my responsibility to check for any other problems my patients may have, I ran some tests including a pregnancy test and it came back negative.***

**Mom : Does that mean my grandchild didn't make it?**

**Dr : No mom. Earlier I asked Ms Nzuza if she had visited any doctor or did a home pregnancy test to confirm her pregnancy and she said no. That means she believed she was pregnant because of the pregnancy symptoms she had but that is never enough.**

**Tee : I could see I was pregnant dr, even my father saw that before I told him**

**Dr : That's what happens when a person suffers from pseudocyesis.**

**Mom : Mhhh kodwa ngengane yami**

**My girlfriend was overwhelmed and I don't blame her. You could see the disappointment and embarrassment right through her eyes.**

**Me : I'm sorry sthandwa sami**

**She wiped the tears she had in her eyes and she looked at me.**

***Tee : I told you guys I wasn't pregnant but you made me believe I was pregnant. Anigcinanga lapho but you also made me look forward to being a mom. Buka manje the pain you have caused me.***

***Me : I'm sorry sthandwa sami.***

***While holding her hand I kneeled down.***

***Me : Ngyaxolisa MaNzuzo. I should have listened to you. You had all the symptoms and all I wanted you to do was to take a pregnancy test. I should have at least waited for that before anything else.***

***Que : Yeah babe we are sorry, besingazi.***

***Mom : Usamncane Ntando futhi sisaningi isikhathi sokwenza abantwana, abahlelelwe this time around***

***Tee : Really mom?***

***We all laughed and the tension broke down... Ntando was fine and we had no other reason to stay at the hospital so discharge papers were signed and we all drove to the parent's house. Ntando was in my car, Que in hers and the rest of the family was in Bab' uMkhize's car. We followed him until we reached our destination. MaNzuza dished us some leftovers from the Sunday lunch. We ate while chatting and after that we hit the road. We left Ntando's car because I didn't want to take any risks.***

***Me : Do you want anything to eat ?***

***Tee : Yeah babe, I want a double mushroom and cheese burger and also an oreo peanut butter shake from wimpy.***

***Me : Okay sthandwa sami***

***We drove to Wimpy and then drove straight home. My babe was much better about the whole baby saga. She was also playing music and singing along during the drive. I parked my car and we got inside the house.***

***Tee : Sekuyabanda manje***

***Me : Yeah babe kuyabanda but keep in mind that I have uManzini and he can make you feel like you are in a desert.***

***We both laughed and she hugged me.***

***Tee : I'm sorry Gwabini for giving you false hope.***

***Me : Sthandwa sami, I started the whole thing so it's my fault.***

***Tee : I'm just glad I didn't lose any baby, it was just not there in the first place***

***Me : Yeah that's better or else ngabe sifile nathi***

***She walked to the kitchen and dished us the takeaways we bought. We ate and took a shower together and then went straight to bed.***

***Tee : Are we going to go to work tomorrow?***

***Me : I was thinking we could work from home but if you want we can go***

***Tee : Asiye babe please***

***Me : Okay love***

***We made love through the night. It was slow sex that erased all the pain and hope we had about the baby.***

### ***Wandile***

***Today I'm going to Tee's workplace. I missed that bitch and I really think we should go out for drinks too. I asked Que to accompany me but she said she is going out with her boyfriend blah, blah, blah. To be honest, I never thought I could see Que being in a serious relationship. She always used to be the "friends with benefits" or "no strings attached" type of girl. As I was driving to Tee's workplace I got her something to eat. When I got there the receptionist gave me some difficulties but I don't tolerate shit so I was willing to go through without her permission. It's***

***not like she owned the place. Luckily Tee came down to take some letters written for her.***

***Me : Damn bictth , usungaka***

***She had gained a lot of weight since the last time I saw her and she was completely glowing.***

***Tee : Wandile hawe mah ! I'm so happy to see you***

***Me : Me too babe***

***We hugged and shared a baby kiss. If she gave me the chance I would smooch her trust me.***

***Tee : Let's go to my office***

***Me : After you***

***We decided to take the stairs. We were talking and catching up and I really enjoyed being with her. I even forgot about the food I bought her.***

***Tee : Manje ngeke ungiphe lento ekuleyo paper bag?***

***Me : Sorry girl, I completely forgot.***

***I gave her the paper bag and she took out the food.***

***Tee : I feel guilty yaz***

***Me : Why?***

***Tee : I'm eating and my boyfriend is not.***

***Me : Does he also work here?***

***Tee : Yes***

***Me : You should just open your own farming business***

***We both laughed.***

***Me : Order your man something because I won't buy food for a man who knows about oral sex and dog position.***

***Tee : (laughing) I forgot how you can be.***

***We talked a lot. We even talked about our sex life and it seemed like the girl was satisfied. We video called Que and talked about having dinner together with our men on Saturday. We concluded on having it in my apartment since I am new in it. It will be some kind of a house warming but a bit quiet and with only a few people. It was time for me to go. We bid goodbye and off I went.***

**Tee**

***After Wandile's visit I had energy and focused on my work. I think she has something for me. We have always been close but she seems to love me more than a friend. I was working really hard until a call from my man disturbed me.***

**Me : Babe**

**Ham : Babe where are you, I'm waiting for you in the parking lot.**

***Me : Shit! Sorry babe I didn't notice how the time has gone***

***Ham : Need help packing?***

***Me : No babe I'll be there in 5 minutes.***

***I hung up and packed and went to my babe's car.***

***Me : Sorry for keeping you waiting***

***Ham : No problem babe.***

***We shared a kiss and the flag was already up. Mxm men though. We had a light chat and today we were ot playing any music.***

***Me : I have to fetch my car from my parents house***

***Ham : Why, cause you don't need it***

***Me : I miss it***

***He parked and we walked in the house.***

***Ham : Why don't we go on Saturday, it will be a perfect day for your parents to know me better***

***Me : That would be great***

***Ham : Saturday it is than***

***I cooked a nice minced vegetable curry and rice. While I was cooking I got a WhatsApp notification. 'Wandile added you in Saturday lunch' . I completely forgot to tell uZungu about this lunch. I went to our bedroom and he was there, wrapped in only a towel and he was applying a body lotion. I held him from behind. He smelt good and fresh. I was honestly lost in his scent. I held him for a while and my hands were not resting but they were running in his chest. He turned and dropped his towel. We kissed and after a while I got down on my knees. I licked my hand and rubbed the saliva on his dick so that it could be smooth and the hand job would be easier. I gave him a nice hand job. I spit on his dick and increased the pace of the hand job. I could hear him groaning. I then licked the tip of his dick and slowly tucked his dick in my mouth.***

***Ham : Fuck you babe***

***I sucked his dick and after some time I took it out from my mouth and I went for his balls. I shoved them all in my mouth. I sucked them while giving him a hand job. The pace of the hand job increased and also the sucking rate of the balls.***

***Ham : Suck me babe, suck Manzini***

***I left the balls and went for the dick again. I tried putting it all in my mouth. I could feel it in the back of my throat. He pulled me out by my hair and he cummed.***

***Me : Join me for a shower.***

***We walked to the bathroom. He helped me take off my dress and we showered. He also fucked me like he was insane. After we both cummed, we rinsed and went to our bedroom. We applied body lotion and we both wore our gowns.***

***Me : Asambe syodla***

***Ham : Okay***

***We were eating and busy on our phones.***

***Me : Oh babe yazi ngalesikhathi ngiza kuwena ekamereni, bengithi ngzokutshela about a Saturday lunch my friends and I has planned***

***Ham : But babe we agreed on going to your parents house on Saturday.***

***Me : I know babe but I promised them before we made you and I made arrangements for Saturday.***

***Ham : Ayi Ntando***

***Me : Ngiyakucela babe, ngiyakucela Nyama Kayishi isha ngababhebhezeli.***

***He had a big smile on his face, he was even blushing***

***Ham : Wena nalama trick akho***

***I smiled.***

***Ham : Okay we can go to Adams on Sunday or even next week***

***Me : We'll decide that on Sunday morning.***

***Ham : Okay. So what do you and your friends have planned?***

***Me : A simple Saturday lunch with our men.***

***Ham : Who is going to cook?***

***Me : Ahm, we haven't talked about that but I know Wandile doesn't like cooking***

***Ham : The girl who visited you in the office today?***

***Me : Yes***

***Ham : Is the lunch by her house ?***

***Me : Yes***

***Ham : So why don't we have a braai instead***

***Me : A braai, why didn't we think of that... okay I'll let them know***

***I told my friends what my man thinks and we all agreed it was better than cooking... I cleaned the kitchen and Ham helped me wash the few dishes and we went to sleep. We were both naked, we shared a kiss and he looked at me.***

***Ham : I love you***

***Me : I love you too***

***I turned and he held me closer with his hard dick against my ass.***

***Me : Goodnight babe wami***

***Ham : Goodnight my love***

.

.

*This week was very fast. It the the usual, going to work, coming back and cooking oh how can I forget the great sex. So today it's Friday, my bae and I took a day off to go shopping. We are at Cotton On looking for a good summer dress with my favorite colour, yellow.*

*Ham : Babe buka leh*

*Me : Aybo babe, phela it must be a revealing dress.*

*He gave me a dead stare.*

*Me : Not too revealing phela haw*

*Ham : Good cause you can't show everybody my assets*

*He smiled and pulled me closer for a kiss. He gently grabbed my ass and I pulled away.*

***Me : Babe***

***Ham : (groaning) Yini***

***Me : Aybo Manzini asikho endlini***

***Ham : Should I save this energy for later?***

***Me : Yes***

***I said that while biting my lower lip... I could see the hunger right through his eyes.***

***Ham : Can't wait***

***We both smiled.***

***Me : Neither can I.***

***We continued with the shopping. I didn't only buy one dress or only just a dress but I bought almost the whole shop. We also went to Uzzi and he bought a few jeans and some golf t-shirts. My feet were burning. We went to Spur and we both ordered a mohawk combo and a virgin cranberry cosmo cocktail. After that I ordered a strawberry***

***milkshake and we walked hand in hand to the parking lot.***

### ***Wandile***

***Today it's Saturday and my friends are coming over with their boyfriends. I got up early and made my boyfriend breakfast. We then took a shower together and he helped me clean the house. We agreed on meeting at 2PM so by 12:30 we took a shower again. I marinated myself and then wore my beautiful dress with sandals. It was a casual white dress and brown sandals. I was beautiful. By 14:10, Ntando and his boyfriend knocked. They both were breathtaking. Ntando was wearing this beautiful dress that was yellow in colour. It was above the knees and you could see she was feeling cool and fresh in it. Her boyfriend was wearing a black levis jean that was lightened by white and a navy muscle hugging, red golf t-shirt. A few minutes later, Que and her***

***boyfriend also came. They were also looking good and casual. Introduction was done. The guys loaded a couple of drinks in the cooler box and went out to prepare for the braai. I was left with the ladies inside and we decided to make a few salads. Tee loves cooking and is very good at it so we left the chakalaka for her.***

***Que : Can you pass me that knife***

***I took the knife and gave it to her.***

***Que : Thank you***

***Me : So guys aniphethe njani amadodenu amasha***

***Tee : Girl we've been dating for months and you still considering our relationships as new***

***Me : Mxm izinto zay zolo lezi zenu***

***Que : Kungaba izinto zay zolo kodwa embheden izinto za forever***

***Me : And nibhalwe ebsweni ukuthi uvitamin D niwuthola day in and out.***

***We all laughed and Tee and I did a high five.***

***Me : Mina seloku ngayigcina Tuesday***

***I said that with a sad face.***

***Tee : (laughing) Yini girl, are you on strike?***

***They both laughed and I just looked at them.***

***Me : Wena mowucabanga ngongavuma istrate se sex?***

***Que : People change***

***Tee : Not us***

***We laughed again.***

***Que : Mina ngiyitholile nje before ngize lah.***

***Tee : Nami futhi***

***They both looked at me but I ignored them.***

***Tee : Oh sorry sesikhohliwe ukuthi nitelekile***

***They laughed again and I got annoyed but my heart melted and my pussy became wet when babe came in with his t-shirt in his hand showing out his abs.***

***Me : What happened love***

***Him : Eish babe ngizithele ngotshwala***

***Me : Ncese love, must I iron another t-shirt for you?***

***Him : No babe just get me another vest, vele kuyashisa***

***Me : Okay, I'll be back in a sec.***

***I came back with the vest and gave it to my man.***

***Him : Yabona wena***

***He smiled and pulled me closer.***

**Him : Ngizokushada**

**He kissed me and then walked out. He left me blushing and sabaweling for more. I went back to the girls with a big smile on my face.**

**Tee**

**The housewarming went very well. We ate a lot and drank too. I'm not an alcohol fan but today I did drink a couple of glasses of champagne. The salads were delicious and the guys almost burnt the meat. Either then that, everything went well. We all had a lot to drink so we decided we were all going to sleep at Wandile's house. Wandile has shown us our rooms but we are still sitting and chatting.**

**My man looks so sexy when he's drunk. Only his eyes tell the story. They become smaller and make him look like he's sleepy. I'm so horny write now I wish he could just fuck me, right here, right now.**

**Wah : We should have parties more often**

**Que : I agree, it's a good way to destress...  
Wena Tee what do you think?**

**Wah : TEE!!**

**Me : What?**

**I was so annoyed. They disturbed me from my  
dream.**

**Wah : Are you okay?**

**Me : Yeah I'm good, sorry**

**Wah : Okay**

**Que was drinking like she had problems. She  
was the drunkest among us.**

**Que : I love you guys... I love all of you**

**Me : Yoh usuqalile**

**Que : So you don't love me back.**

***She was already in tears. Yes Que ilenhlobo esela ilile.***

***Que : I know nobody loves me because I lost my father at a very young age and I know nothing about love. (Takes a sip from her wine) I lost my father, I never found my bigger brother so why would you love me.(Crying) I miss my bigger brother mngani. I wish I could find him.***

***I sat next to her and rubbed her back.***

***Tee : One day you'll find him my friend***

***Phum : Babe asambe syolala manje.***

***He helped her get up and carried her in bridal style and walked to their room.***

***Ham : Babe I think we should also go to sleep.***

***I smiled.***

***Me : Ngyeza babe. Goodnight people***

***Them : Goodnight***

***I led Ham to our bedroom for tonight. He got in and I followed. I turned and closed the door and turned again. I was greeted by a kiss. He held me closer and really smooched me. For the first time ever, he carried me and placed me on the bed. I helped him take off his t-shirt. He walked to the door, locked and came back to me. He undressed me and I took off his belt and then unbuttoned his jeans. The kiss was deeper and I could feel the hunger in him. I broke the kiss.***

***Me : But babe asikho ekhaya***

***Ham : Luckily we have our private parts with us.***

***He said that and then continued kissing me.***

***Me : Ba....babe***

***Ham : Shhhhh***

***I could no longer control myself. I just went with the flow, it's not like there were 6 years old***

***children in the house besides I'm sure that's what everybody in the house is currently doing.***

***Me : Ham... Oh Hamilton***

***The hunger we had for each other made us sober. We were now both naked and he was on top of me kissing me like mad. He moved from the mouth to the neck and back to the mouth again. His second and third fingers were deep inside my kuku and the thumb was rubbing my clit. My hands were around his neck and moving down to his back. My legs were tied around his legs. He was groaning loudly and calling my name.***

***Ham : Tell me you are mine***

***Me : I'm ahhh***

***Ham : Tell me you are mine, now!***

***Me : I'm yours Hamilton... Ahhhh...I'm yours and yours alone***

***He broke the kiss and held my legs. He opened my legs widely and then rubbed his dick against my clit. I was dying for him to enter me. I pulled the bed's cover and moaned loudly and then he gently pushed his dick in.***

***Me : Ham... Ham... Hamilton ahhh***

***He increased the pace and was now groaning louder.***

***Ham : You are mine... fuck***

***My legs shook and I squirted. He carried on fucking me until we both reached our climax.***

.

.

***Phum***

***Que really pissed me off last night so I taught her a lesson she will never forget. I really fucked her. She even squirted twice. In the morning I woke up and took a shower. This bedroom had an ensuite so it was easier. When I came back from the bathroom the bed was already made and Que wasn't there so I dressed up and went to look for her in the other rooms.***

***Wah : Manje ngisho nisendlin yami guys***

***Tee : You heard us?***

***Wah : The whole world heard you***

***Que : Yoh, I thought I was the only one who received good fucking lapho my pussy is burning and I have a terrible headache***

***Wah : Mina uLindo uvele wangena embheden wazumeka.***

***Tee and Que laughed***

***Wah : Hearing all the moaning and groaning I became horny and had to satisfy myself with a dildo.***

***Tee : (laughing) What?***

***Que : Ngeke uSbari udlala ngawe***

***Tee : Maybe useyithola somewhere else***

***All this time I was eavesdropping on them and after Tee said that I decided to go back to the bedroom.***

### ***Ham***

***I woke up in the morning and my babe wasn't there. Yesterday something I don't wanna talk about pissed me so I decided to destress by fucking my love. I feel guilty, not for fucking her besides she's my girlfriend but I wasn't supposed to fuck her that much. I'm sure her pussy is burning. She got in the bedroom with a glass of something that looked like smoothies. Her walk***

***wasn't her usual walk, you could tell she got real fucking and that made me more guilty. I need to find another way to deal with stress.***

***She smiled and her beautiful teeth and dimple appeared. I could feel the body acting up but I decided to ignore it.***

***Tee : Usuvukile Manzini***

***I know I fucked her way too much yesterday but if she continues like this, I swear to God, I'll fuck her again.***

***Me : Yes love I'm awake***

***Tee : I made this for you***

***She handed the glass to me. I smelt it and it had a mint smell.***

***Tee : I added mint so that it would smell better. Drink it love it will make you feel better.***

***I closed my eyes and drank it all up. I don't like things that have a bad taste. I handed the glass back to her.***

***Me : Thanks babe***

***She smiled again and I felt better.***

***Tee : You're welcome***

***She kissed me and walked out. If this girl is not my soulmate, I'll haunt Jesus down and kill him again.***

.

.

.

.

***Lindokuhle***

***They got in their cars and waved goodbye..  
Wandile and I got inside the house and it now felt  
empty.***

***Me : It feels empty right?***

***Wah : Yeah ey, I wish they stayed forever.***

***I haven't been myself lately and I know Wandile  
has noticed but just won't ask me.***

***Me : Wandile***

***Wah : Mh***

***Me : Please take a seat, I have to tell you  
something.***

***She raised one eyebrow and folded her hands and laid them on her chest.***

***Wah : If you cheated on me or impregnated another woman, I'd rather hear those news standing.***

***Me : It's not that***

***Wah : Good***

***She walked towards the couch and sat down.***

***Me : Babe, I haven't been myself lately and I know you noticed.***

***Wah : How can I not notice when I only get sex once a week and only one round with condom futhi***

***Me : I know babe and its embarrassing***

***Wah : Wait, does your***

***She looked at my dick***

***Wah : does no longer work properly***

***Me : What ?***

***I laughed.***

***Me : No my dick is perfectly working***

***She sighed.***

***Wah : That's a relief***

***I chuckled and looked at her. This girl is a sex freak shame.***

***Me : My mother was not good. She has been in hospital for a month but now she's better.***

***She stood up in frustration and looked at me.***

***Wah : For a month Lindo and you telling me this now***

***I also stood up and held her hands.***

***Me : I know its frustrating babe but it wasn't easy.***

***Wah : What wasn't easy Lindo heee? Trusting your girlfriend wasn't easy?***

***Me : Its not that I don't trust you babe I just needed time***

***Wah : I don't understand, I don't know if I'm overreacting or what but I just think you don't trust me***

***Me : She has HIV okay***

***She opened her eyes wide***

***Wah : What?***

***Me : My mother recently told me that she's HIV positive***

***Wah : Oh my God, that's why you've been using a condom***

***Me : Yes and avoiding sex. I also did a HIV test and it came back negative.***

***Wah : Thanks God.***

***She sighed in relief and hugged me.***

***Wah : Unjani umah manje***

***Me : She's much better. Now that I know her status, I need to make sure she takes her treatment every day.***

***Wah : How are you gonna do that ?***

***Me : I've hired a nurse. I made her quit her job and I pay her double her usual salary.***

***Wah : Fair enough***

***Me : Yeah***

***Wah : We should visit your mother today, what do you think?***

***Me : That's a great idea, let's get ready.***

***We shared a kiss and we walked hand in hand to the bathroom.***

.

.

.

***Ham***

***MaNzuza : Nihambe kahle mkhwenyana***

***Mkhize : Ungakhohlwa ngifuna inkomo zami wena mfana***

***I smiled and drove off. Today was the formal introduction day and I think Ntando's parents like me.***

***Tee : Babe why are you smiling***

***Me : I'm happy that your parents like me***

***Tee : At least you no longer have the stress of having a monster in-law.***

***I could see that she was a bit stressed and sad***

***Me : Relax babe, I'm sure my mother will love you***

***Tee : Mhh***

***She was supposed to take her car today and we were supposed to be in separate cars but she said she's too tired to drive so she's going to fetch her car tomorrow. I held her right hand and kissed it.***

***Me : Calm down babe please. I don't want to see you stressed.***

***Tee : I love you Hamilton and being hated for loving you would kill me***

***Me : Luckily there is no one who will hate you for loving me so you don't have to die***

***She looked at me and smiled. I love Ntando and if my mother would make me choose between Ntando and her ey I don't know what I would do but I know I'll never leave Ntando just because my mother doesn't love her, I mean I love her and that's all that matters... We arrived safely in my apartment. I parked my car and walked inside the house.***

***Tee : Are we gonna order in or should I cook ?***

***Me : Babe you are tired, you should go and rest***

***Tee : So what will we order?***

***Me : Ahm, who said anything about ordering?***

***Tee : Does that mean my bae will cook for me ?***

***Me : Yep***

**Tee : Yepi**

***She clapped her hands and hugged me***

***Tee : Can't wait to eat food cooked by you. I'll sit on the couch and watch you cook.***

***Me : You mean, you'll sit on the couch and take some notes ?***

***Tee : Mina ngthathe amanote from you, mxm. I cook better than you.***

***Me : How do you know that because you haven't tasted my food?***

***We both laughed.***

***Tee : I just know, now let's go and freshen up so that uhubby wam ezopheka ingxabhi yakhe***

***Me : Imina opheka ingxabhi?***

***Tee : Yes***

***Me : Yazi ngzokbamba ngiklimaze wena***

***Tee : Catch me if you can***

***She said that running to our bedroom and I  
chased her.***

## Tee

*I was woken up by Ham brushing his hard dick on my ass. Without him telling me to, I turned to him and we shared a deep kiss. I turned and lied on my back and his fingers went to my pussy. He brushed the lips of my pussy and started to finger fuck me. He first put one finger and when I was getting used to one finger he put another one. So now his two middle fingers of one hand were deep inside my kuku. He carried on playing with my kuku and rubbing my clit without breaking the kiss. A few minutes later my legs shook and I cummed. He looked me in the eyes and kissed my forehead.*

*Ham : Good morning MaMshazi*

*I couldn't help but blush. I didn't even know he knew my clan names or maybe he googled them just like how I did when I wanted his.*

***Me : Morning Sengwayo***

***He smiled.***

***Ham : Slale kahle isthandwa sam?***

***Me : Yes babe I slept very well***

***He stood up and tucked in his morning shoes.***

***Ham : Will you join me in the shower?***

***Me : Yes babe but first...***

***I stood up and wore my gown and my sleepers.***

***Me : ...I have to make our bed***

***Ham : You should consider getting a maid***

***Me : So that they will use muthi on you and take you away from me, ahhh never***

***We both laughed and Ham was in tears.***

***Ham : Haw babe I'm not that kind of guy***

***I placed the pillows on the bed and it was now made and neat.***

***Me : I won't take the risk love***

***Ham : (smiling) Ey unedrama shame***

***Me : Whatever I'm not changing my mind***

***Ham : Asambe syogeza singaze sibe late babe***

***He held me on my waist from behind and playfully bit my ear. We walked to the ensuite while he was still behind me holding me tightly. We walked with a penguin walk until we got in and showered together.***

.

.

***The day went well. When Ham and I are at work we keep everything professional. At work we are colleagues and not lovers. I don't know how we do it but we do. I cooked him a very nice dinner and made sure everything was romantic. We've been concentrating on work these past few weeks that we even forgot about ourselves. We still have sex and are not facing any problems, its just that we haven't done anything romantic for the past few weeks so today is the day I spoil him. Have I mentioned that he wrote a letter for my family asking for a date that he can come on to pay damages and lobola? Yes he did so I have to go home soon so they can start preparing. I'm so happy, just to think that I once wanted this to be a once off kinda thing makes me laugh. I never thought I would settle down at such an early age but I want to. I want to be Zungu's wife. I want to spend my entire life with him and give him as many babies as he wants. Ngyadlala after having two children, I'll start family planning.***

.

.

***Manzuza***

***My phone rings and it's my daughter.***

***Me : My child***

***Her : Hey mama how are you?***

***Me : I'm good mntanami***

***Her : Mah I know I said I'll see you guys today but ey I'm tired mama I can't come***

***Me : There's no problem my baby***

***Her : I have good news for you mommy***

***Me : Yini, am I going to be a granny?***

***I could hear her laughing over the phone***

***Her : No mom, the Zungu's have wrote a letter asking for***

***Me : Yililililili ay ay ay ay kwakuhle kwethu***

***I was so happy. I don't care about the money, I only care about my child being successful and getting married to the man he loves which is also the man who broke her virginity. What more could a parent want..***

***Me : Ngaze ngajabula mntanami***

***Her : I'm also happy mom kodwa I'm nervous***

***Me : It's normal babe, just don't allow your nerves to take away your happiness***

***Her : Okay mah ngyakuzwa***

***Me : So when are you bringing the letter to your father ? Phela we still have to plan and we can't make the Zungu's wait for a long time***

***Her : If not tomorrow than it will definitely be on Wednesday***

***Me : Okay mntanami. Ngyabonga kakhulu ngan yam, utshele nomkhwenyana ukuthi ngithe nje ngyabonga***

***Her : Okay mah, bye***

***Me : Bye***

***As soon as I dropped the call, ubaba kaScelo came into the bedroom.***

***Him : Manje umsindo omngaka ebsuku owan?***

***Me : AbakwaZungu sebeyibhalile incwadi bevels usuku lokuzosibona. Skhuluma nje isisezandlen zendodakazi yakho***

***Baba kaScelo had a big smile on his face after I told him the news but you could see he was also worried. Its normal for a parent to be worried and overwhelmed, I mean not so long ago we couldn't sleep because of Ntando crying wanting to be***

***breastfed and now she is getting married. I am also a bit worried but it is all overpowered by the happiness in me.***

### ***Wandile***

***Me : Faster babe please put it all in.... Ahhhhhh  
ahhhhhh ahhh***

***He increased the pace and it felt even better. My eyes were rolling and my whole body was shaking. I wanted to squirt but all of his dick was inside my velvet.***

***Me : Babe please***

***I was in tears and pulling the sheets.***

***Me : LINDOKUHLE!!!***

***He took his penis out of my pussy and I squirted. I was squirting for the third time today but Lindo didn't stop. We've both cummed a countless times but Lindo just doesn't want to stop. I know***

***I'm a sex freak but this is way too much... He turned me and made me kneel for a dog position and slowly entered me.***

***Lindo : Fuck Wandile losen up***

***I tried to loosen up by calming down... He rubbed his dick on my velvet all the way up to my anus.***

***Me : Ahhh Lindo***

***He slowly entered my anus with his middle finger while fucking my velvet with his penis. Ahh it felt good. A few minutes later he took his finger and his penis out. He spit on my anus and wetted it by spreading the saliva on my ass. He then slowly entered me with his penis on my anus. My eyes popped out and I screamed.***

***Me : LINDOKUHLE SHABALALA!!!***

***He took the dick out and I cried.***

***Me : Anual sex Lindokuhle, anual sex***

***I stood up and made my way to the ensuite and he followed me.***

***Lindo : I'm sorry sthandwa sami, I thought you were going to like it***

***Me : Ibuhlungu lento Lindokuhle and I don't like it***

***Lindo : I didn't know love but now I know and we are never going to try it ever again***

***I gave him a bad look. He came closer and kissed me on my cheek.***

***Lindo : I'm sorry babe I didn't mean to hurt you***

***Me : I can only forgive you if you are going to give me money so that my friends and I can go for a massage.***

***Lindo : Mxm, I don't mind paying for my girlfriend's spa treatment.***

***Me : You'll have to pay for me and my friends***

***Lindo : But babe I only fuck you, your friends have their boyf...***

***Before he could even finish nje I shut him up***

***Me : Ayke I won't forgive you***

***Lindo : Okay fine, I'm going to give you enough money for the three of you***

***Me : That would sound way better with a smile***

***Lindo : Khohlwa***

***I laughed at him. He walked towards the shower and I joined him for a shower.***

**Que**

***I woke up early, cleaned my house and made breakfast. My bae was in Capetown because of business and I missed him. He's been gone for three days but it already feels like three months.***

***He calls everyday but that's not enough. I want him back. He used to own three restaurants. One is here, the other two are in Capetown and Joburg. He sold the one in Joburg and now he is left with two. The restaurant in Capetown is his first restaurant. I haven't been to it but I know and have been to the one here in Durban... I'm disturbed by a notification from my phone. I jump and take my phone hoping it's Phumlani but I'm disappointed when I see its Wandile. She sent us a voice note in the girls group. In this group it's only the three of us, Wandile, Ntando and I but a minute offline, you could come back to hundreds of messages. I press play..***

***Wah : Hy guys get ready I want to take you out.***

***Me : To ??***

***Wah : A spa***

***Tee : Are you going to pay?***

***Wah : Yes***

***Me : Good***

***My friends and I are very rich but we also like freebies, I mean who doesn't?***

***Tee : Oh I forgot to tell you, I also have an announcement to make***

***Me : Pregnant again***

***Tee : No something better then that***

***Wah : Tell us phela***

***Tee : I'll tell you at the spa***

***Me : Why not now?***

***Tee : I know you guys like umgosi so I still want curiously to kill you***

***Wah : You are such a bitch shame***

***Tee : Ngzovele ngithi ngzonitshela next week phela mina***

***Me : Wandile apologize***

***Wah : Mxm let her go fuck herself, I'm not going to do that***

***Tee sent laughing emojis.***

***Me : What time are we meeting up?***

***Wah : I booked for 10:30, if anybody decides to be late, they are going to pay for their own treatment***

***Tee : Mxm nathi syasebenza sisi***

***Wah : But we all know you like freebies***

***Tee sent laughing emojis and I also did. We are all hyper but Wandile is definitely another thing...I was getting ready. I decided I'm going to wear a long cool dress and sandals. I looked at myself in the mirror and I was looking good. I took my keys and I went out. I locked the house and went to my car. U opened the car and got in. I decided to call my man before going but it went straight to voicemail.***

***I sighed in disappointment and drove off. I opened my GPS and drove to the place were we are meeting at. I arrived there at 9:30 because we had agreed on an hour of drinks before going for a massage. When I arrived the girls were already at the restaurant. I joined them and we ordered cocktails.***

***Wah : Ntando you are glowing, I'm sure Hamilton is giving it to you well.***

***Tee : Who said sex is the only thing that makes a girl glow***

***Wah : I know girl, I've been there so I'm talking from experience***

***They both laughed. I was quiet and thinking about Phumlani***

***Wah : And then wena ?***

***Me : Ey guys I miss my man, he didn't call last night and his phone is off. I'm worried because he has never done this before.***

***Tee : Maybe he's busy mngani***

***Wah : A man is never busy to call. If he wants to call he calls, wena nje indoda yakho isikutholele ustar***

***Tee : Ay man Wandile***

***Wandile can be really annoying sometimes but today I'll just ignore her. I won't satisfy her bullshit with any of my attention. I chose to change the topic.***

***Me : I saw a car like yours in the parking***

***Tee : Yeah it is mine, my car is back***

***Wah : Guys its 10:20, we better go***

***We called the waiter and Ntando paid for our drinks. We took our handbags and walked to the spa.***

.

.

***As we were being massaged we were having a light conversation with the girls. The message felt relaxing and relieving.***

***Tee : Guys are you ready to hear the good news I've been keeping to myself?***

***My eyes were closed and I was facing down so I couldn't see Tee but I could tell she had a big smile on her face.***

***Wah : Yes, yes, yes***

***Tee : Can I get a yes please***

***Wah : Yes please***

***I could also tell Wandile said that 'yes please' while rolling her eyes***

***Tee : Okay so last week Hamilton and his uncles wrote a letter to my family asking for a date to come and visit my family and my family agreed on meeting them on the 16th of next month***

***Wah : Mxm so you kept us curious for only a visit***

***Me : Come on Wandile this means bayokhuluma ngamalobolo and stuff***

***Tee : They are actually going to pay the lobola***

***Me : OMG mngani I'm so happy for you***

***Wah : Why didn't you tell us all along. Today it's the 25th, how are supposed to get attires in such a short period of time***

***Me : A congratulation would have been better  
Wandile Lerato Mkhize***

***Wah : I don't think Hamilton is Ntando's soulmate  
mara ke congrats friend***

***Wandile***

***To be honest I don't like Hamilton, actually I hate him and I have my reasons for that. After the congratulations there was complete silence. I was stressed and the massage was doing no good now. When we were done with the massage, we got up and dressed. I had to talk to Ntando about this stupid mistake she was making.***

***Me : Ntando can I talk to you***

***Her : If it's one of the the stories I usually see on TV about leaving your wallet at home, I'm sorry but I won't buy that story***

***Me : It's not that relax, follow me***

***Her : Okay***

***I led her to a more private place where we could talk without anybody interrupting us.***

***Me : I want to talk to you about the announcement you made earlier***

***Her : Oh you want to apologize for what you said***

***Me : What I said was a fact and you know. Please don't marry Hamilton.***

***Her : Why ehh? Why do you hate my boyfriend so much? Is he your ex?***

***Me : No he's not my ex but he's not good enough for you***

***Her : Don't just tell me he's not a good enough man, give me a solid reason why he's not good enough!!***

***Me : Because he's not your soulmate!!***

***Her : Oh then if he's not my soulmate, who is?***

***Me : Me damnit***

***Eish I didn't want to tell her like this but what's done is done.***

***Her : Wait, wait, wait... Uthunywe uAyanda?***

***Me : What the hell, no... I really love you Ntando. I went overseas to study because I thought when I came back all these feelings would be gone but...***

***A year escaped from my eye.***

***Her : So you left your family just because of the feelings you had for me?***

***She was really shocked and she kinda looked worried.***

***Me : You were always talking about Ayanda and that hurt me. When I heard you guys broke up, I'm sorry to say that I was happy. I saw a chance for us but i didn't get that chance because this Hamilton of yours had already taken you for himself.***

***Her : Wandile we are both girls and we both have boyfriends.***

***Me : I know and if you and Hamilton remain as boyfriend and girlfriend, this could work.***

***Her : Nothing can work lah Wandile***

***Me : Of course it can***

***Her : How?***

***Me : We could keep our relationship a secret. We are friends vele so nobody will suspect anything.***

***Her : Mxm uyahlanya wena***

***She said that while walking away... I stopped her by blocking her way. I stood in front of her and looked her in the eyes.***

***Me : At least think about what I said. I love you Ntando.***

***I left Tee there and walked back to where Que was.***

***.***

## Tee

*I'm in bed with my man. He is fast asleep and I'm not. I'm tossing and turning trying to digest what Wandile said but I can't. Okay let me be honest, I also have something for her but I didn't want to accept it. I am a girl and I should only love boys right? Mxm this is very annoying, I can't be bisexual. I have to love my man and my man only besides my parents would never allow me to date a girl. Kodwa I'm lying, maybe I'm using that as an excuse because I know how supportive my parents are. Since I can't sleep, I take my phone and check all my social networks and everything is boring. It's around 2am so yeah I expected this. When I was ready to close my data, I received a WhatsApp message from Wandile. I don't know why but my heart skipped a bit. I opened the message and read it.*

***Wah : Hy***

***Me : Hy***

***Wah : Are busy?***

***Me : No I just couldn't sleep***

***Wah : Why?***

***I knew she was asking that on purpose but I answered her.***

***Me : I have a lot on my mind***

***Wah : Am I the lot of things on your mind?***

***Me : Kind of***

***Wah : I'll take that as a yes***

***Me : Your words not mine***

***Wah : Look Ntando you can try and fool yourself but you can never fool me. I know you love me. I***

***saw it in your eyes yesterday. I saw love, hunger to be with me but at the very same time there was also fear. You love me but you are just afraid of what your family will say, what your 'hubby' will say and what the whole world will say. Mina I don't care about people. I don't care what they say because if you do wrong they talk, you do right they also talk, so I know people are never satisfied I mean even if they were I wouldn't live my life the way I don't like just because of wanting to satisfy people.***

***I read this message with disbelief. I didn't know that this was this obvious. I woke up, tucked in my morning shoes and wore my gown. I made my way to the kitchen, drank water and then went to the dining room to watch TV. I needed to destress so I went to the kitchen again, took out the whole ice cream tub and a spoon and went back to the dining room. I placed the ice cream tub on my thighs but it was too cold and made me shiver so I placed a cushion on my thighs and then the ice cream tub and I dug in... I read Wandile's message over and over again. It was the truth. I need to cut all ties with Wandile. If she keeps sending me texts like this, she will cause***

***me problems in my relationship. I decided to text her back.***

***Me : Wandile I know I have feelings for you but I don't want to date you so I'm sure it will be better if we just cut ties.***

***Wah : We can't do that. We are friends Ntando and walking away won't erase what we have for each other.***

***Me :You are happily in love with Lindo and so am I with Hamilton. Why don't you just focus on him and let me do the same to Ham?***

***Wah : We are both happy in our relationships but we both know deep down there is that missing puzzle and that puzzle will be complete the day you and I start dating. We are already in love with each other so just let it be babe. Let's not try and fight what the heart wants because if we do we will never find inner peace.***

***Oh my God, this girl just won't give up. I wish she just stayed overseas because I don't need this. Hamilton is planning on marrying me and here I am being hit on by my friend. I don't need this, at least not now.***

***Wah : At least I'll give you time to think hard about this***

***Me : There is nothing to think about Wandile.***

***Wah : We both know there is.***

***As I was reading Wandile's last message Hamilton came in. I quickly pressed the power button and threw my phone on the other couch.***

***Me : Babe***

***Ham : Love***

***Me : What are you doing here, you should be asleep.***

***Ham : We both should be asleep but to answer your question, I was feeling cold so I noticed I was alone in bed.***

***Me : Ey ncese babe, I couldn't sleep so I decided to come and watch TV.***

***Ham : Mind if I join you?***

***I faked a smile.***

***Me : Why would I?***

***He sat down and placed his legs on the couch. I had no other option but to sit between his legs and carry on eating my ice-cream. I love my man and I don't want to cheat on him. He is everything I ever wanted and I don't want to jeopardize what we have.***

.

.

***3 months later***

***It's been 2 months since I've paid for the damages. Next week my uncles are going to finalize the lobolas and everything so Ntando is going home to prepare everything and she is going to come back after the negotiations.***

***Me : I miss you already***

***Tee : Before you know it, the negotiations will be over and I'll be back.***

***Me : Kodwa do you have to leave?***

***Tee : Yes babe I have to. You know I have to make sure when your family comes, everything must be in order.***

***Me : I know babe***

***Tee : Ungangikhumbulike kakhulu***

***Me : I'll try not to***

***Tee : Good.***

***Me : I love you***

***Tee : I love you more babe.***

***I pulled her closer for a kiss. Things got heated up and I could feel my dick hardening. I grabbed her ass and she moaned and then she pulled out.***

***Tee : Babe I really have to go***

***Me : Not even one round***

***I asked that knowing very well that the answer would be no, I mean we've been fucking for the whole night so for sure her pussy is burning.***

***Tee : Ayi babe haw***

***Me : You look tired, don't you want me to drive you home ?***

***Tee : No babe I'll be fine, besides I'll need my car when I'm home***

***Me : We don't have to use my car, we can use yours and I'll request for Uber***

***Tee : Okay ke if you insist***

***I packed her bags in the car and I drove off.***

### **Que**

***Phumlani and I have been dating for a while now and everything is still going well between us. Once a month he goes to Cape Town to visit his mother. He used to do that even when we were just fuck buddies so I can't stop him now. I've asked him why he doesn't bring his mother here in Durban but he said his father's grave is in Capetown and due to that his mother prefers staying in Capetown. So he's been gone for two days. The last time I talked to him was when he called and said he arrived safely. He usually calls me every morning and every night when he's***

***gone so this is the first time he does this. His phone is even off so I'm a bit worried. As I'm eating my breakfast, I get a message. I rush to take my phone thinking it could be Phumlani but it is Wandile saying she wants to take me out for drinks. I need something that will make me forget about Phumlani so I'm up for this. I call her and confirm the time and place. I need to prepare for my date with Wandile.***

.

.

***Me : Hey girl***

***Wah : You are always late***

***Me : I'm sorry, I'll pay for the drink you are currently drinking.***

***Wah : Now you're talking***

***Me : Ntando told me you guys had a little disagreement on the day of the massage***

***Wah : Yeah ey it's nothing that big and I'd rather not talk about it***

***You could see it in her eyes that whatever it is, it was worrying her so it might be bad but they don't want to tell me about it.***

***Me : If you say so***

***Wah : Yep. So how are things between you and Phumlani?***

***Me : Mxm loyo, I haven't seen nor talked to him for the past two days. He went to Capetown for the monthly visit he gives his mother***

***Wah : Is it normal for him not to talk to you when he's there?***

***Me : No he usually calls a lot and we also do video calling***

***Wah : Do you have his mother number?***

***Me : Uhm, no I don't***

***Wah : Do you at least have the location of the place he is in?***

***Me : Yes he posted a while back on Instagram that he was in...***

***I say while scrolling down on my phone***

***Me : Yeah nakhu***

***He doesn't post a lot on Instagram so it was easy to find.***

***Wah : Good you should consider going there and find out if he is there or what***

***Me : He's calling mngani***

***Wah : Answer phela angith that's what we wanted***

***Me : Hellow***

***Phum : Hey babe unjan***

***He was whispering, it was as if he is not supposed to be talking to me***

***Me : I'm good. Why are you whispering?***

***Him : Ey babe my mom is not feeling well and my full focus is on her. She is taking a nap and you don't want to disturb her that's why I'm whispering.***

***Me : Oh and that's why your phone has been off***

***Him : Yes babe I'm really sorry***

***Me : It's fine babe. I hope your mother will get well soon. I love you***

***Him : I love you too hun, bye***

***He drops the call first and that's unusual but I understand maybe his mother was up and calling him or something.***

***Wah : And then?***

***Me : He says his mother is not well so he's giving her his full attention***

***Wah : Mhhh shuthi he's under a lot of stress***

***Me : Yeah ey***

***Wah : You said you have the location of his mother's house right?***

***Me : Yes why?***

***Wah : I think you should go to Capetown and offer him your support, I'm sure he needs every support he can get***

***Me : Ayi Wandile I can't do that***

***Wah : Of course you can***

***Me : But I'm scared***

***Wah : I can go with you***

***Me : Really?***

**Wah : Yes**

**Me : Manje ucabanga ukuthi fanele sihambe nini?**

**Wah : Hawu sisi, it's up to you but it should obviously be before he comes back?**

**Me : (smiling) Then let's go tomorrow**

**Wah : Okay then we need to get a driver**

**Me : Okay I'll organize that**

**Wah : Cool then**

**We continued talking. Later on we ordered and also went to do a little shopping, I need to look gorgeous for Phumlani. After shopping we went to the saloon to get our hair and nails done. Although I was missing Ntando and Phumlani, Wandile made me forget about them for a while. At about 6PM we said our goodbyes and went our separate ways.**

## **Wandile**

***Both of us were breathing heavily.***

***Me : Wow (breaths) that was a good one***

***Lindo : (Breaths) It surely was***

***I made Lindo a very good super and then gave him my pussy for dessert so that he could allow me to go with Que tomorrow. I hope he won't make it a big deal.***

***Me : Babe***

***Lindo : Yes***

***Me : Yazi Que wants to go to Capetown tomorrow and she needs my support so I was thinking I could go with her***

***Lindo : Why engahambi noTee***

***Me : Tee is busy preparing for the lobola negotiations remember?***

***Lindo : What is she going to do in Capetown vele?***

***Me : She's going to see uPhumlani because Phumlani's mother is not well***

***Lindo : And when did you become a doctor?***

***Me : Haw babe I'm just going to support my friend please***

***Lindo : You'll be back by?***

***Me : I'm not sure but a week maximum***

***He gave me a dead stare.***

***Lindo : Ufike lapha uqome, you'll see a side of me you've never seen.***

***Me : I promise I won't***

***Lindo : Good***

***Me : Ngiyabonga sthandwa sam***

***Lindo : Ngiyakuthanda yezwa***

***Me : Uthandwa imina babe***

.

.

.

***Me : Wow he built his mother a beautiful house.***

***Que : Just hope we are in the right house***

***Me : There's only one way to find out***

***We walk to the gate, we are answered by a lady who I think is the maid but we haven't seen her yet. She opens the gate for us using a remote control and we make our way in. We knocked and***

***within a second there was this gorgeous woman who opened the door and directed us to come in. This lady can't be Phumlani's mother, she's too young for that and she can't be a maid, no no, the way she's dressed and the weave she has on can't be of a maid. The same woman led us to the lounge.***

***Lady :(smiling)Please sit down***

***Que : Thank you***

***We sat down and you could see that Que was scared. I sent her a text telling her to calm down. She read it, smiled and heavily breathed out.***

***Que : Uhm, my name is Afika Shozi and with me I have Wandile Mkhize who is my friend. I don't know if we are in the right house but we are looking for Phumlani Zondi.***

***Lady : Oh okay, you are in the right house. My name is Anelisa, I'm Phuml***

***Phum : Honey I'm home***

***I looked at Que confused. How the hell did Phumlani know that Afika is here, I thought it was going to be a surprise. Anelisa stood up.***

***Lisa : Please excuse me for a sec***

***She walked to where Phumlani was.***

***Me : Que??***

***Que : I'm just as confused as you are.***

***Lisa***

***Me : Hy babe you have visitors***

***Phum : Who? Me?***

***Me : Of course you haw***

***We walked to the lounge and Phumlani's eyes just popped out when he saw his visitors.***

## **Ham**

***Since Ntando went to the farm, I decided to go to her apartment. I might get something to prove if what I'm thinking is true or not. So now I'm driving to Tee's apartment and I'm praying I don't find Que there. It would be even worse if I was to find her with or having sex with Phumlani. My phone rings and it's the love of my life.***

***Me : Sthandwa sami***

***You could tell she was blushing***

***Tee : Babe wami***

***I also couldn't help but smile.***

***Me : How are you***

***Tee : I miss you***

***Me : I also miss you babe but we had to do things the right way***

***Tee : Yeah I understand***

***Me : Look babe I'm driving, I'm going to buy something to eat so when I get home I'll video call you***

***Tee : Okay sthandwa sam, I love you***

***Me : I love you too***

***She giggled and then dropped. She can be another thing yaz. She's not an expensive woman that needs to be pleased with expensive jewellery or expensive dates. She's just a simple girlfriend that buys herself what she wants and is satisfied by the little things you offer, priceless things like time and attention. Damn how can I forget very good sex. If you give her these few things she respects you and knows you are the man.***

***After some time I got to Tee's apartment. I talk to the security, give him a few bucks and he let's me go through. I get in the apartment, walk around to***

***make sure nobody is here and I'm relieved because nobody was here. I make my way to Afika's room. When I get there I look everywhere for something I could use but I find nothing. After that I went to her ensuite and I find a toothbrush. Bingo I think it's her's so I take it and make my way out making sure I leave everything the way I found it.***

***Lisa***

***Me : Sthandwa sami are you okay?***

***So now the visitor's eyes popped out. I was so annoyed and confused.***

***Me : Can somebody please tell me what the fuck is going on***

***Wandile stood up and looked me straight in the eyes.***

***Wah : You want to know what the fuck is happening***

***Me : Ofcourse***

***Wah : Well I'll tell you***

***She said that moving her eyes to Phumlani's eyes.***

***Que : Wandile please let's go***

***Wah : I'm not going anywhere. This so-called husband of yours cheating on you with Que. We knew nothing about you and we thought he came to his mother here.***

***After the word cheating, I heard nothing. Tears were flowing down my eyes. I love Phumlani so much and hearing that he is cheating on me just breaks my heart. Ntwenhle came downstairs and my heart broke even more. I don't like crying in front of her.***

***Ntwenhle : Mommy are you okay? Daddy why is mommy crying?***

***Worry was written all over her face. I went to her and kneeled down so I could be the same height as her.***

***Me : Mommy will be fine baby okay?***

***She nodded.***

***Me : Now go back upstairs baby.***

***Enhle : If I go back upstairs we you stop crying***

***Me : Yes baby I'll stop***

***I said that wiping my tears***

***Enhle : I love you mommy***

***Me : I love you too my Angel.***

***I hugged her and then she went back upstairs.***

***Que : So you even have a child, wow!***

***Que grabbed her bag, looked at Phumlani with disgust.***

***Que : Nxa, uyanginyanyisa. Chommie asambe.***

***They walked out and slammed the door.***

### ***Ham***

***So today is the day, when the sunset Ntando will traditionally be my wife. I don't want to lie, I am very scared. Ntando and I spent the whole of last night talking over the phone trying to calm each other's nerves down but the fear is still there. Maybe Mr Mkhize has changed his mind about allowing me to marry his daughter, maybe they'll demand more than what we talked about on the day of the damages, maybe Ntando changed her mind. Yoh, yoh, I'm scared and I can see all of this thinking will drive me crazy.***

***So we are on our way to eMzinto, where Ntando's farm is. That is where everything will take place. I'll obviously be sitting in the car while my uncles and Ntando's uncles negotiate. We've finally reached our destination and I am sweating. We have cows with us and they are alive and strong. They did cost me a fortune but I don't mind. Money is really nothing compared to the person I'll get in return. My uncles leave me in the car and make their way towards the house. They stop by the gate and shout the Nzuza clan names and beg to be let in.***

### **Tee**

***I was in the kitchen helping with the final touches when I heard a man shouting from the gate. Oh my God. The last time I talked to Hamilton they were 30 minutes away and that was only a few minutes ago, well as far as I know it was a few minutes ago. I was really scared. My uncles can be overprotective sometimes and they can demand stupid things just to 'give me more time to think' well that's what they say.***

***Man 1 : Nina boMshazi, nina boMahlobo sicela nisingenise kwikhaya lenu. Syacela boNzuza, Debelimdaka, Wena owahlaba iso leso ngomusa wahlaba elengonyama. Sivuleleni Nozishada kaMaqhoboza.***

***Yoh that guy was really screaming his lungs out. My uncles sent Scelo to go to the gate and open for the Zungu men. My mother came into the kitchen while I was peeping and directed me to my room. Apparently the groom's family can't see me before they pay the lobola. So I came out of the hut that was the kitchen and made my way to the bid house where my room was.***

***Me : Oh well done mama, now I can't see anything.***

***Mom : Isiko, isiko mntanam.***

***Me : I'm really scared mom***

***Mom : It's normal, I was also as scared as you are when ubaba wakho sent his uncles to my house to pay the lobola.***

***Me : Ey mah, you know how uncle Nhlanhla can be. He'll just make things hard for Zungu.***

***Mom : He should mntanam. You are special. You are young, you were well raised, you are smart and successful. Zungu also knows that you will cost him a fortune. Besides all of this he's the one who took your virginity and for that he should really pay.***

***Me : He said he has 20 cows with him***

***My mother's eyes popped out. She was shocked.***

***Mom : 20? 20 cows Ntando?***

***Me : Please don't tell me they are not enough.***

***Mom : Aybo they are more than enough. That Zungu man really loves you and he sees the potential you have or else he wouldn't have agreed to so much.***

***With that said, I smiled and my nerves were calmed.***

***Wandile and Afika came in. They've been here since Thursday and by the way today it's Saturday. They've been very supportive and without their support maybe I would have been in hospital because of stress.***

***Wah : Guys asambe syogeza sibe bahle.***

***Me : Ay guys I'll bathe after the negotiations.***

***Wah : Are you crazy, are you seriously going to see your husband and your in-laws covered by beetroot and curry stains?***

***Mom : Hamba Nana***

***Me : Okay fine who will start?***

***Wah : Let's shower together***

***Oh God, my childish friends***

***Que : That sounds fun asambe***

***I just rolled my eyes and followed them to the bathroom. I really didn't have any energy to argue***

***with them. We showered together, Wandile did our makeup and then we got dressed in our traditional attires.***

***Somebody knocked once and opened. My heart skipped a beat. It was Scelo. He just popped his head in and the rest of his body remained outside.***

***Scelo : Mah uthe ubaba lungisa osisi sekufanele kukhethwe umakoti***

***Mah : Okay my son***

***With that said he turned back and pulled the door.***

***Me : Does that mean the negotiations are over***

***Mah : Yes, the major and most important part is over.***

***I sighed out of relief.***

***Mah : Hurry up girls we have to go to the kitchen to see if your in-laws know who their makoti is.***

***Que : But friend you've only seen them once or twice, will they be able to identify you ?***

***Me : (whispering) I gave Hamilton a hint and he told them, well I hope he told them.***

***Mah : That's what we all did so there is no need to whisper.***

***We all laughed... My mother neatly covered our hair with a scarf and we walked to the hut where the negotiations were held. We had to kneel down and face the floor. We were not allowed to look the men straight into their eyes, apparently looking men in their eyes was a sign of disrespect. One of Hamilton's uncle made his way towards us. I was not sure which one because I was facing down. I was in the middle and I had told Hamilton that I will be wearing a navy blue scarf so that was the way they were going to spot me. The uncle touched me on my head.***

***Uncle : Uye loh umakoti wethu***

***I smiled and felt relieved.***

***I could hear my mother ulululating and that was a good sign. I think everything went accordingly. Scelo was sent to go call Ham from the car... After two minutes or so he came back with him. I couldn't hold myself so I stole a glance and smiled. I became horny the moment I saw him. Don't blame me it's been a week since I last saw my man. He was so sexy. Oh and his cologne. It felt like it was the first I ever smelt it. It made me fall in love with him all over again.***

***We did everything we were supposed to do. I had to even give my men and my in-laws a basin to wash their hands while kneeling before I served them and again I had to kneel when I served them. I swear to God, by the time all of this is over, I'll be paralyzed. Ham and I had matching traditional attires but we were not wearing them because I recently bought them and they are in my room. I wanted us to wear them so I first asked for permission from my mother and she agreed after giving me a deadly stare... I told my husband oh yes my Husband, and he followed me to my room. I closed and locked the door and yeah we couldn't act like 2 year olds.***

**Ham : Waze wamuhle mnkami**

**He said that coming towards me. I couldn't help but blush. The hunger he had for me was written all over his face. He got closer and we kissed. It wasn't a slow and passionate kiss but it was a 'we only have a few minutes' kinda kiss. He ripped off my dress and I helped him take off his top. We were breathing heavily. He grabbed me on my butt and I hugged him with my legs. He was now carrying me.**

**Ham : I love you MaZungu, I love you so much.**

**Me : I love you too mnyeni wami**

**It was like I added fuel to fire. He was very hard. He unzipped his pants and took out his dick mean while he was still carrying me and my legs were still wrapped around him. He brushed my pussy.**

**Me : Ohhhh baby**

**He slightly made his way in with his dick. I covered my mouth and moaned.**

**Me : Mhhhh**

***And then there was a knock. We both popped our eyes out and there was a voice.***

**Voice : *Sisi uyakucela umah ezansi***

***I rolled my eyes. I was so pissed, it was Scelo.***

**Me : *Okay I'm coming.***

***I gave Zungu a baby kiss.***

**Me : *I'm sorry sthandwa sami***

**Ham : *It's fine babe, we were not supposed to do this anyway.***

***I unwrapped my legs and showed him what he was going to wear. He smiled.***

**Ham : *Wow***

**Me : *You like?***

***Ham : Definitely***

***We wore our matching attires and we looked good in them.***

***Ham : You are so beautiful***

***Me : And you are so handsome***

***He came closer and now we shared a kiss. This time it was more slow and passionate. After some time he broke the kiss.***

***Ham : Let's go before your mother comes here.***

***I laughed and we walked out. He made his way to the other men and I went to Que. I know my mother called me but I know my mother, she was telling me to get out and not do any silly things.***

***Que : You should have stayed in your room for a few minutes, just to calm down and wipe the hunger written in your eyes.***

***Tee : Is it that obvious?***

**Que : *If I could see it, it means it is obvious.***

**Tee : *Were is Wandile, maybe she can fix my make up.***

**Que : *She's in her room, probably fucking with Lindo.***

**Tee : *Oh Lindo came?***

**Que : *Yes***

**Tee : *Wow, okay.***

**Que : *Maybe I should get myself Hamilton's uncle.***

***Oh there was this uncle of Ham that was very good looking. I think he is the youngest. He has a nice, fit and sexy body but you could also see that he was not matured because he looked like a player.***

**Tee : *Hold your horses***

**Que : *Kodwa mngani***

***Tee : Ayi Que, not here and definitely not today***

***Que : Okay ke boring mosadi***

***Tee : Whatever.***

***Wah***

***Me : Do you really have to go***

***Lindo : Yes Wandile, having sex here was a sign of disrespect, I can't do anymore wrong.***

***Me : Okay ke***

***Lindo : I love you***

***Me : I love you too.***

***We shared a long kiss and after that he zipped my dress and I accompanied him to his car.***

***Lindo : Yazi I haven't seen Ntando or Hamilton just to congratulate them and let them know I was also here to support them.***

***Me : Well I don't know were... oh there they are.***

***They were walking towards us.***

***Ham : Bafo***

***Lindo : Mf'wethu***

***They shook hands.***

***Lindo : Ngyakubongela bafo, you are a real man.***

***Ham : Kubonga mina zalo***

***Lindo : MaZungu***

***Ntando blushed and looked at Lindo.***

***Tee : Yebo Lindo***

***Lindo : Congrats my sister***

***They shared a friendly hug.***

***Lindo : I got you guys a little something but it's in the car.***

***Me : I'll come back with it***

***Lindo : Okay than. People I need to leave now. I had a great time and the food was really amazing. Unfortunately I couldn't drink alcohol because I still have to drive.***

***Ham : Khululeka, when I see you again, I'll buy you a bottle of whiskey.***

***Lindo : Now that's closure***

***We all laughed.***

***Lindo : Goodbye guys***

***Ham : Uhambe kahle bafo and thank you for the support.***

***Lindo : Anytime***

***We walked to the car. He's still here but I already miss him.***
