Mom:how did you you sleep baby?

Me:I slept well mom, thanks.

Dad:what about me?

Mom:haybo! tatakhe, I slept next to you mos.

She said kissing him.

I cleared my throat

Me:Ummm..

Mom:you should get your self a boyfriend and stop being jealous.

Dad:hay..hay mamakhe!, wena(he said pointing at me). I will kill you if you date.

Well that's my life. I'm not allowed to date, well not with my father around the guy would kill me.

"Junior Ngcobo, you are under arrest for illegal trafficking of drugs, you have a right to..."

Me:ey..ey save me the crap and do your shvt!  
ungandidiki!, ohww and by the way your ass is  
sexy.

I said looking at another cop who was in front  
of me.

The gents chuckled.

The detective looked rather annoyed while the  
chick blushed.

Gotcha!!

Siya:eish.. detective, don't you have lust? I mean  
you work with sexy cops!

The detective clenched his jaws and pushed us into different vans.

Me: hay wena, fede yini wadidlakiza as if ndiyi nkazana yakho? handle me with care!

I

He clicked his tongue and locked the van then drove off.

Well I go with the name of Junior, I just got arrested because this bvtch of a detective caught me moving my merchandise. I'm 23 years of age. I have abo achuz, which are my business partners in this life of crime. They are Lwando and Siya. I became an official gangster when my father died which is last of last year, when I was 21 and I own all his businesses. I live with my little sister because my mother lives in the villages, she couldn't take it anymore after the passing of my father she decided to just stay ezilalini as the city life reminds her of

my father. my sister's name is Amanda and she is doing grade 11 at a private school.

.

.

Omphile

.

.

"hey"

said a voice behind me.

I turned and looked at the person.

Me:ohww..hiy!

Her:I'm Amanda.

I chuckled.

Me:I know you,because we in the same class and also we in the same team in netball.

She laughed.

Her:was just trying to be formal.

We both laughed.

Her:I always see you alone, don't you have friends?

Me:no..I don't have friends.

Her:ohww..I was thinking that maybe we could go out?since there is no practice today? after school?

Me:Are you lesbian?

She laughed,

She loves laughing, that I noticed.

Her:no , I just want to make some friends that's all.

So we went to the mall and I must say that she was a fun person to hang out with. All my life I never had friends, I was always alone. I enjoyed my own company and I had my father to talk to, he is the easiest folk to talk to, than my mother. I just can't connect with her.

Her:what do you think about the shoes?

I looked at the shoes she was pointing at and I must say they were nice. Red bottom heels , black in color. But not for my liking, I like Talkies not heels.

Me:they good

Her:just good? girl come on!

Me:I just don't like heels

Her:why?

Me:I don't find them comfortable.

Her:girl, you've got to be kidding me. What's an outfit without heels? I mean you hav...

Me:I'm hungry, do you want something to eat?

Her:sure, let's do spur?

I just nodded, honestly thus girl can talk and I don't think I can tolerate it.

.

.

Junior

.

.

"Can you just talk!"

He looked frustrated and angry, he banged the table so hard that left me thinking if his hands didn't break.

Him:you know it would be better if you would just talk, because there is no way you going to escape this one. I've got enough evidence to lock you up for life!!

He shouted.

I chuckled.

Me:really? then why am I here?

Him:bec..

Just then my lawyer walked in, his name is Jeffrey but short for Jeff. He also works with us he's a gangster. Also a lawyer he protects us. See in thus life of ours we got everything. Lawyers, architectures,doctors, you name them. We are one.

Jeff:why are you questioning my client without his lawyer?

Detective looked pissed, Mongezi he has been trying to pin us down for a while now but he fails because we get away with anything!.

Mongezi: we caught him red handed with cocaine, and...

Jeff:where is the evidence?

Mongezi:We have it! , also the docket.

Jeff:I would like to see it!

Mongezi called one of the officers to bring the docket.

Officer came back after a while. .

Officer:Sorry sir, but there isn't any docket.

Mongezi looked at me and I was smirking..

Mongezi:this is not over!! I will get you Junior Ngcobo, and when I do! ncnc

Jeff:That's deep detective, now let my client go since there isn't docket.

He uncuffed me and I went out with Jeff, we got to the car, I met Lwando and Siya.

Me:Is everything clear?

Jeff:yeah, our inside officers took care of it.

I nodded.

Lwando:ey let's go, I miss my girlfriend and I also need some pussy after all this shvt!

We all chuckled and got inside the car and Jeff drive us home.

.

.

Amanda

.

.

What a day, I'm so exhausted. Omphile is not a

bubbly person, not like me. But it's fun to hang with her.

We were now exiting the mall.

Me:I had a great day today.

Her:me too, even thou you talk a lot my goodness!

I laughed.

Me:whatever, let's wait for my brother to fetch us. I've already called him.

Her:ohww no don't worry I'll catch a cab. Plus I don't want that woman to talk when she sees a car dropping me off at the gate.

Me:okay then, I understand. See you tomorrow?

Her:okay.

We hugged, then she left.

I called my brother again.

Him:Toto?

Urg I hate that name, but I wasn't in the mood to argue.

Me:where are you I've been waiting where are you?

Him:Toto, you called me 5 minutes ago. I'm coming!

Me:you better!

Then the school started.

Then it was break time .

We went to the tuckshop to buy some food when three girls approached us, grade 12 girls to be specific.

Girl 1: well..well..well, what do we have here?

She said with so much sarcasm.

Girl2:buying food with blood money?

she said looking at Amanda, and I was so damn confused.

Girl3:how do you sleep at night knowing that everything you and your family own is because of people's blood?

Girl2: you should be ashamed of yourself! sies.

Amanda:why? , tell me Yonela. Why didn't you see the blood money when my brother was busy chowing you? .. Now that you are used good you make your self better than me?..no wonder why my brother dumped you.

Yonela:don't you dar...

She was about to attack Amanda when her friends stopped her..People were now looking at us.

Amanda:I'm not afraid to mop this this ground with your face, don't test me!

Me:Amanda, she's not worth your energy.

Girl2: excuse me!

I just looked at her,then took Amanda's hand and we walked to some spot to sit down

.

.

Junior

.

.

Lwando:the diamonds are in the safe place, so lets not shift them. Our enemies might try to target us.

Me:cool, so when can our dealer come?

Sive:in a weeks time, he will also drop the money also.

Lwando:and as usual, we will to the counting at your place.

Me:no problem.

Jesh: we should lay low for a while, to get the police off our asses.

I nodded.

Me:if that's all we can split.

the gents left and I was left with Lwando.

Me:eish..I have to fetch Amanda from school.

Him:yeah..my wife

Me:I wouldn't give you my sister even if you was the last man on earth.

Him:ouch.. I was planning on marrying her.

Me:in your dreams broh.

We exited and went our separate ways.

.

.

Omphile

.

.

School was now out, I got a message from dad saying he won't be able to fetch I have to call a cab, I sigh feeling annoyed.

Amanda:what's up.

Me:dad won't be able to fetch me, I have to call a cab.

Amanda:don't worry, my brother could drop you off.

Me:no, I don't...

Amanda:I insist.

Me:okay.

.

.

Junior

.

.

This child can take here damn time, I was now at the school gate waiting for her.

After waiting for her, she finally came not alone though. She was walking with some beautiful chick, I swear I got a boner by just looking at her. Her thick lips, small eyes, sexy legs. I can make her scream my name day and night.

Me:you sure can take you sweet time.

Amanda:whatever bruh..look can I ask a favor.

Me:I'm going to regret this.

Amanda:can you please drop my friend off?..pretty please.

Me:Why? doesn't she have her transport.

My heart beat was dancing, I would love to ride with this sexy creature.

Amanda:please, don't ask any questions.

Me:okay fine, but I have to drop you off first.

Amanda:no problem.

They got in, and yena she went to the back, I fixed my rear mirror and kept on stealing glances at her.

I dropped Amanda off and was now lsft with her.

Me:please direct me

her:go straight, and turn on the next robot after that go on the fourth street.

My god this chick is beautiful , I couldn't even concentrate on road well.

Me:so I didn't quite catch your name.

Her:I wasn't throwing it.

Her:depends.

Me:ohww...

We arrived at her streets and locked the doors.

I opened and she got out.

Her:thank you for the ride.

Nothing much has been happening these past few weeks , except that Amanda and I have been going out more and I can say that besizi besties (we besties) . And my parents knew about her, and I also knew about her family. Speaking about her family, yhuuu my god! , ubhuti wakhe (her brother) you guys is something else yhooo...His caramel with tiny eyes, small pink lips , muscular body and bonus une brackets ...The things I could do to him my

I make a cereal and the xa ndisiya in the fridge I find a not on the counter and it read "Morning baby, there was an emergency we had to attend to and we will be back on Monday morning... You will sleepover at Manda's place, her brother will also take you to school... Love you!"

Ndishwabanise elophepha ndalifaka emgqomeni( I squashed the paper and threw it in the dustbin ) and danced my butt off.

Im happy because I'll be seeing that sexy creature the whole weekend .

Just then a hooter interrupted me.

Didn't even eat my breakfast ...

I took my bag and went to the car and I found Manda with her brother .

Me:good morning!

Manda:morning p!

Her brother seemed far away shame, but that didn't interfere with his cuteness because yho!

Lwando:did you have to roll up here looking like that?

Thabo:you said this meeting was urgent, and also I didn't have time to change.

Me:awryt! Let's just get to business, so our

Lwando looked at me and I looked at Jeff. I was so mad pissed!

Lwando:Thabo, check the CCTV footage of the place where we hid our Diamonds.

Thabo is an I.T so it's his job to make sure all the things that are based on technology are his babies.

Junior

.

.

This shit took most of my time, the whole day to be exact!

We were still in the warehouse, waiting for Thabo to finish what he was doing.

Thabo:gotchaa!

me:what is it?

Thabo: looks like the fucker wasn't so smart at all.

He showed us his laptop.

Thabo:its that Luyanda crap.

Me:Thabo, the last time wena wasisa epartyin saphantse safa (the last time you took us to a party we almost got killed)

Thabo:yeah, but zange nife (but you didn't die), come on bros you don't want me to drag you

Thabo:that's more like it, Junior you driving

He threw the key at him..

Junior: thixo ! Ndizozisola aphaa(god, I'm going

We went out and go in the car

.

Amanda

.

.

The party was lit more people came in and we were dancing. Omphile was drunk but not too drunk she was alright, she could contain herself while I stayed sober, we decided that one of us should get drunk while the other stays sober so that something stupid doesn't happen.

Omphile:yhooo friend , kyafiwa apha! (it's lit here)

Me:

Omphile:come let's dance

We went to the dance floor and did our thing

After a while I was tired yho

Me:chomm, I'm going outside neh I want some air I'll be back.

She nodded and went to the dancefloor

I went outside near the pool and people were braaing there, I passed them and weren't near the garden. It was quiet just what I needed

"Why is a beautiful lady sitting alone?"

I turned and it was Sbu

Me:I just wanted to be alone, I guess

Sbu:mind if I join you?

Me:no, you can sit

He sat next to me, his scent filled my nostrils

We sat there looking at the Flowers...

Him:so... Where are your parents, I'm sure they wouldn't allow a beautiful young kid to go to a

party at night

I chuckled...

Me:I stay with my brother, my mother stays on the villages and my father died last of last year

him:I'm sorry to hear that

Me:it's fine

I smiled...

Him:yiza aphaaa (come here)

He took my hand led me to the garden...

eyes were receiving me ...

Me:bro, please do not tell me that is Omphile!

Lwando looked over and whistled...

Lwando:and nguye mfethu (it's her dude)

Junior: mhhm

He turned me around then put me on top of the counter and got in between my thigh and kissed me ...after a while he broke the kiss and looked at me..

Junior: I don't want to ever see you dancing with another man do you hear me? , you mine only you supposed to dance with me only or else I'll kill you

I sighed and opened ...

First when I opened Manda attacked me with a hug! ..

Manda:tshoom!, don't you ever in your life cut me out cause we face things together , Yonela is a bitch who's going to do anything in her power to make sure they you and junior split up but she's not going to succeed because my brother loves you... I was preparing to go and fetch Amanda when Yonela barged in my office with Gcina my P.A following behind her, trying to stop her

Gcina:I told you that you must make an appointment in order to...

Yonela:ey I said I don't need it..

She turned and looked at me...

Yonela:Please tell her to leave

Me:it's okay Gcina, you can go.

Yonela rolled her eyes...

I wonder what this kid is doing here I thought I made it clear that I don't want her ...

She went and closed the door, then locked it then gently fixed her schoolbag on the couch that was facing me across the room..

Me:yonela wenzani? (what are you doing?)

Yonela: come on babe , don't tell me you didn't miss this..

She said taking off her kanty under her uniform

...

I loosened my tie...

She then unbotoned her Shirt exposing her Lil twins and I got tempted, she knows my weak spot ...

She raised her skirt and her pun\*ni showed a little ...

Her:don't tell me you didn't miss me ...

I cleared my throat looking at her and she smiled...

She came to me and unbottoned my belt then took out my Bazooka and sucked it , this kid is good!\_

She kissed me and I massaged her twins while she moaned and that turned me on more

After that she got on top of me and did her thing while she screamed my name

I was impatiently waiting for Junior and he was no where to be seen ... Omphile left like 30 minutes ago and it was starting to get quiet

. I walked to the taxi rank. While I was walking a black Audi stood next to me and a window rolled down I looked and it was Sbu he was with the guy from the party...

I wanted to jump up and down but I held myself

...

Sbu:Nana

Him:hawu , andisathethiswa ngok! (we not talking to each other now?)

Me:ufuna ntoni kengok (what do you want?)

Me:ndicela undiyeke

He got out of the car and dzaam!

He stood next to me and was smelling heavenly

Him:ndlovukazi yam(my queen) I would be the happiest man if you could go out with me

I smiled ...

Me:okay fine!, when?

Him:right now

I raised my eyebrows...

Him:come on ndlovukazi, it's the only chance I have before your brother kills me

I thought for a while...

Me:okay let's go, but promise you'll bring me back before 5?

him: eish... you kno...

me:it's either that or I'm not going with you

Him: eish, okay queen!

He opened the back door and I got in and we exchanged greetings with Bonga that's what he said his name is...

Sbu dropped Bonga off and then he took me out to a place he didn't wanna tell me

.

.

Junior

.

.

Me:fuck!

I said getting off her after disposing the condom and fixed my trouser, she was on top of the table.

I nodded..

"Eita braa Sbu!, njayam nguwe loo?"(Sbu my brother, is this you?)

Lot of people were saluting him and that made me feel out of place, seems like lot of people knew the guy...

Sbu:in the flesh gazi!

"I can see you brought someone "

Sbu saw how he was looking at me...

Sbu:hayke kuzonceda ukuba uyeke ukumjonga ngathi uyinja efuna ithambo ngoba ndizokunyisa (you should stop looking at her like a dog that wants its bone because I'll kill you)

Sbu:good!...

Sbu looked at me...

Him:ndiyebuya Nana nhe, ndisayothenga into yokutya(I'll be back Nana, I'll go buy something to eat)

I nodded, not sure if I was sure to be left alone...

He left...

My phone rang and I checked it was Junior , I rolled my eyes then ignored it ...

After a while Sbu came back with meat and sausage and we ate...

Me:how come all people around here know you?

Sbu:I don't know Nana, maybe I'm pretty ..

Me:mxxm

He laughed, gosh his laugh, smile... Everything about him is so perfect!

Him:I'm joking ndlovukazi, this is my place I own here....

I looked at him shocked ..

Me:but you so young...

Him:nobody's going for anything Nana, I mean also your brother owns a few companies...

Suddenly my mind dated back to that incident that happened a few days..

Me:seems like you and my brother have a beef going on, what's up?

Sbu:that's a story for another day baby, hows the food?

Me:it's good..

Something big is happening between those two and I don't think I want to know

Me:fuck!

Maybe she's at home...

I drove home and she wasn't there, I started to

I called Thabo.

Thabo:sure...

Me:ey Thabo look man I need your help I..

Just then Amanda got in, she had a big teddy bear and a few plastics...

Me:never mind bro... Sure

I hang up then looked at her

Me:Amanda do you know....

Amanda:Bhuti just wait tuu , I waited for you and you didn't come I decided to spoil myself..

Me:and you spoiling yourself made you to smell like a boy ?

Her:maybe someone bumped to me I don't know, look Bhuti I'm here now and if you fetched me earlier we wouldn't be having this conversation

I'm going to beat this child!

Me: Maria dished up for you (our maid)

Manda: nah I'm good!

She speaks like that to me now!

I smiled and kissed him..

Me:I'll be quick I promise, then after I'll be all yours...

Him:

I unlocked it and it was a WhatsApp message

from a number I didn't recognize and the person sent a video...

I opened the message and it read "I told you that his mine, you just something he wanted to pass time with , Enjoy! "

I opened the video and what I saw made me want to puke! ...

I looked at Junior with so much hate and disgust ..

Junior: baby!, what's wrong...

Me:first lady!

Her:first lady!

We hugged..

Me:are you good?

Her:friend I'm more than good, finally i can say  
I'm in love

I looked down swallowing the trump in my  
throat ..

You know it hurts so bad when you thought you  
mean something in another person but you find  
out that the person was just playing you, tears  
were threatening to fall ...

Amanda noticed and she stopped talking

Manda:baby what's wrong?

Me:you know I always told myself that I would never date because I saw how love would do to a person ..I would watch my brother getting hurt by her girl, she would cheat with different man in front of him and my brother would hold on and forgive her because he thought she's going to change but she didn't... She kept cheating , now Junior slept with Yonela and that bitch sent the video that had them having sex ... I have never been this hurt my entire lif...

Manda:what?? that bvtch no wonder she gave you a weird look!, I'm going to beat the ish ou...

Me:amanda!, she's not worth it , imagine having to be expelled because you touched he cheap ass, she's not worth your energy ... And Junior is to be blamed also because if he didn't want to sleep with her he would've closed his pant

but he chose to open them so leave them.. They deserve each other any way.

The bell rang indicating that we should head to the assembly...

Her:I will leave her because you say so, but if you need someone to rearrange her lousy ass tell me okay?

I clicked my tounge..

that because people are going to shit on her  
head!...

Yonela saw us and she came on our side  
smiling and I wanted to beat the hell out of her  
but Omphile looked at me and I restricted...

Yonela:hey Omphile babe how are you?

Omphile just looked at her and continued with

what she was doing

Yonela:okay , how was the video darling.. Did you see how good we look together?

Omphile: you know you looked really good I must say, but I'm not sure whether it was good to sell yourself like that to prove a point to me how cheap you are , I could never compete with you on that because I love myself more than anything than just to have sex with a man to look cool .. so you can have Junior all you want I don't care! you can fuck him on the table, on the bathroom at the mall I don't care, it's your life anyway sweetie ...

Yonela looked shocked and ashamed ...

I gave Omphile a high five because I was proud of her

Yonela and her girls walked out running and I laughed my lungs out...

Me: I'm proud of you firstlady

She smiled..

The song was turned off and when I turned it

Junior chuckled bitterly ..

Junior: boy!, you going to leave this one stays...  
In fact she's leaving with me...

Vuyo:bruh... That's my girl!

Junior: Omphile, khawuthethe nale toy yakho ndingekayi phahlazi (talk with your toy because I squash it)

Me:Vuyo just go I'll talk with you later...

I didn't want Vuyo to get hurt because of Junior  
...

Vuyo:no but...

Me: just leave it Vuyo!

He nodded and kissed me on my lips before he disappeared...

Junior chuckled!

Junior: gents someone's gonna get hurt ,  
Someone touched what's mine!

Lwando whistled ...

I was confused and scared for Vuyo...

Junior: Omphile get in the car

I didn't argue I got in and sat in the front with  
Junior while the guys at the back ...

I arrived home and just when I was about to lie down on the couch my phone rang ..I slowly went to the kitchen counter annoyed AF ...

Me:what?

Sbu:ndenzen kengok?(what have I done)

Me:sorry , I just hate it when someone wakes me up ..

Sbu: .. I see ndlovukazi, can I see you?

Me:now?

Sbu:yeah, I'm outside your crib..

Me:what? ...

I quickly went to the window and indeed he was there...

Me:are you crazy? What if Junior comes?

Sbu:then he will kill me, but then again he won't if you hurry up!

Me:okay give me 2 min..

I hung up..this guy is crazy...

I quickly went to the bedroom and changed then after quickly went to Sbu, I got in and the car and he drove...

Me:where are we going?

Him:to my crib

I looked at him...

Sbu:relax , I'll bring you back before 4...

I still looked at him...

He chuckled..

Him: we not going to do anything, we will just cuddle

I nodded... I was not sure whether to be happy or scared because if my brother would find out hell would break loose

I was a little tipsy, but not too much...

I dropped the gents off and we went to my place...

Omphile: can you please take me home?

I kept quiet and increased the volume on the radio

"So tell me how you feel(how you feel)

Knowing I see the world when I look in you eyes

Your kisses are Duracell, they keep me energized

Tired of going back and forth, baby I'm hypnotized"

I sang along and I could see from a corner of my eyes that she smiled a little ..

I turned it off...

Me:Omphile...

She kept quiet..

Me:okay fine I'll talk because I know you listening, Yonela is my past I don't love her.. I don't even feel a thing for her. I am a man baby and I got tempted and I know that is not a way to cover my excuse. I love you Omphile and I don't want nobody else but you... Please forgive me .

She kept quiet

This was going to be hard, I messed up big time, I am stupid, to let a pussy mess things up between me and her .

We arrived at the house and it was quiet, there was no sign of Amanda ..

Me:Toto??!

I shouted but there was no response, so she's

not here ... This girl is going to know me...

.

Omphile

My phone rang and it was my dad.

Me:Junior my dad is calling please take me home

Junior: tell him you sleeping over at Amanda's place.

Me:what?

I answered..

Me:dad?

Dad:lonqo uphi?

Me:uhm..dad I'm at Amanda's place, I decided

to sleepover since we busy with the assignment

Dad:okay see you tomorrow

Me:bye

I gave Junior a serious look and he smiled.

Mxxm

Me:Junior?

He kept quiet

Me:haybo Junior!

Him:do you see how hurts when you call someone and she doesn't respond?

Me:mxxm, what did you mean when you said that 'somebody is going to get hurt' \_?

Him:don't mind that baby, give me a kiss

I threw a cushion at him...

Him:and then?

Me:I'm going to sleep..

I went upstairs and a plan occupied my mind .

I went to his bedroom and took off my uniform and was only left with my sport bra and lace panty... I took off the bra and went to his walk-in closet and took his shirt that was a bit tight on me then went back to the bedroom and got on top of the covers and slept seductively...

Minutes later he got in and cursed!

Him:Omphile what are you doing?

I got up and looked at him..

Me:I'm sleeping hawu!

I slept again..

Him:Jesus Christ!,, fuck!

Me:I'm teaching you how to keep your hands to yourself, you will learn to keep your zip closed , now sleep and don't even think about touching me

Him:what it's the truth!, your brother has nerves that are so fucken boring!

I looked at him ...

Him:fine let's go

I got up and he wore his shirt and looked for his car keys and then we got out and he locked the.

We got in his car and he started the ignition.  
The whole ride was just quiet, no words were  
exchanged and he was angry . I arrived at home.

As I was about to open the door he stopped  
me...

Him:I love you

He was still angry...

Me:I love you too

He nodded and I got out...

I went into the house and it was quiet and the  
lights were off.

I quickly but silently went to my room, I silently  
went to the stairs while it was dark..

"Where are you coming from?"

I froze and held my breath

The lights went on and Junior was sitting on top  
of the kitchen counter.

Me:brother you startled me

Him:Amanda I asked you a question.

Me:ohww..uh yeah I was at Omphile's place

He raised his left eyebrow ..

Him:ohww?, Omphile's place ? How come you came back now? I mean the time is twenty past one in the morning.

Me:we finished our assignment late so I decided to come back so that you don't worry yourself..

He chuckled...

Him:can you please go and fetch my phone so that I can confirm?

I walked confidently cause I knew that Omphile was going to confirm everything

I got to his bedroom and got the shock of my life ...

Shit Omphile was sleeping in his bed!

I turned and was met by an angry Junior...

Me:J..junior..

Junior:so you are a liar now? , I've had enough of you Amanda and right now I'm going to call our mom to come because clearly you don't respect me, I warned you about Sbu but you didn't listen, so maybe umama will make you have respect..

He took out his phone and walked away and I ran after him..

Me:Junior please, ndiyakucela Bhuti wam

(please brother)please don't call umama please I'll do anything please...

I was now crying

We arrived at school and I noticed that Amanda was not okay, she wasn't her bubbly self and that worried me.

Amanda got off the car and when I was about to Junior stopped me by holding my hand.

Him:you killed me yesterday nana

Me:you not dead mos

Him:kanty Omphile ndizoxolisa kude  
kubenini(When are you going to forgive me?)

I looked the other way..

Me:wena do you expect me to just smile just

because you apologized?

He sighed...

Him:I hear you, I love you

I didn't respond...

Him:Omphile?

He turned my face making me to look at him..

He brought my face to his and when we were about to kiss I pulled away.

I spotted Yonela coming to our direction.

I pulled Juniors face and kissed me and after a while we pulled out.

Him:and then?, I thought you...

Me: vele I didn't want to

I got out off the car and ran after Amanda.

Me:babe I can see you not okay what's wrong?

Her:let's find a quiet spot.

I was now getting scared..

We found a quiet place and sat in a bench.

Me:now talk to me.

Her:yesterday when you were with Vuyo I went home and when I got there Sbu called me saying he's outside and I went to him, we went to his house and chilled there. He took me home at one in the morning and when I got home Junior asked where I was coming from and I said I was at your place doing an assignment.

Me:eish

her:so to cut the story short Junior got really angry and called my mom, so she is coming back today.

Me:but that's not a bad thing mos

Her: Omphile you don't understand, if mama comes back then I'll always be sad and broken.

Ever since daddy died I always felt alone, I had to take care of myself because mama doesn't care much about me. She was never there for me I always had my dad's back but now he's no more. Do you even know that when I first started being on my periods I went to show umama and she said " go show your daddy baby I'm busy here", when I graduated in primary she was never there but my daddy was because mama went to Australia to some business function, I can't say the same about Junior because she would even come from America just to support him. I remember when I was coming from school walking with a boy, she grounded me for 3 weeks but Junior brought several girls in the house but he never got punished. Now that woman is back and every time we will be at the dinner table I'll be alone because they will be chatting together and I'll be left out , and now I will kiss my relationship with Sbu goodbye cause I'm sure

Junior already told her , it hurts so bad that I have to feel like a stranger in my own home

I was even crying

Her:you know people always say I look like her but sometimes I think she's not my mother, I mean what kind of a mother would do that to her only daughter .

Me:baby I always saw you as this fighter, I always thought that nothing brought you down, I feel useless because there's nothing I can do to make the pain go away . I'm sorry that you have to go through all of this alone. But your mother loves you, yeah she wasn't there mist of the time when you needed her but she wants what's best for you.

I hugged her

I was so hurt, the way she was crying was breaking me .

.

.

Junior

.

.

Mom called saying that she arrived and I'll see her later cause I had some business to do. We were at the warehouse.

Thabo:that detective is onto us so I figured out an easy way to know his every move. We need a cute guy who can sleep and seduce the police officerbwhobwas present during our arrest.

The guys looked at me.

Me: hay! . Don't you even dare!

Lwando:come on bruh man, you the only one who can do this.

Me:come on bafethu, I'm fixing my relationship with Phile and now you want me to do this?

Jeff:since when do you choose a chick over now?

Me:since now

Siya:bruh please man, we going to go to jail if you don't do this.

Fuck this hard...

Me:fine!

Thabo:cool, here's everything you need to know about the cheek...

.

.

Amanda

The school was now out and we were heading to the gate.

I saw a black Mercedes Benz AMG.

Me:there is umama

I said pointing to the car...

Phile:she's beautiful and also a slay queen

I chuckled.

Omphile: at least I saw the smile that I was looking for before I go home

We hugged.

Omphile: I love you and all shall be well

Me:I love you too.

I headed to the car and got in.

Me:hiy mama

Her:is this how you greet now?, you give me attitude?

Me:it's going to be a long ride home

I mumbled

Mom:are you saying something Amanda?

Me:no

She started the car ignition...

Mom:do you want me to die young?

Me: what did I do mama?

Her:so wena you don't know what you have done?

Me:no

Her:you also have cheek? On me?, I knew staying here will make you lose respect you belong in the Villages.

Wow , I faced the other way and tears streamed down .

She continued to shout and I took all the tantrums she gave me

Amanda

So we arrived and I went straight to my bedroom. I called Sbu

Sbu:sweetpie!

Me:hey

Sbu:unjani Nana(how you?)

Me:I'm good and you?

Sbu:uyazi nawe xa ndithetha nawe yonke into iba grand(I'm good now that I'm talking with you)

I giggled ...

me:can I come over?

Sbu:okay I'm coming to fetch you

Me:no!, it's fine I'll catch a cab.

Sbu:why?

Me:I'll tell you everything when I've arrived

Sbu:eish you scaring me, I love you

Me:I love you too

I took a shower then went downstairs and I found mom and Junior talking in the kitchen and they stopped when they saw me .

Me: I'm going out!

Mom:you going where?

Me:it's not like you care anyway!.

I said making my way to the door

Junior:Amanda!, yiza aphaa!(come here)

I rolled my eyes and made my way to them..

Junior:that's not a way to talk to umama

I chuckled...

Junior:andivakali?(don't you hear me?)

Me:you know brother you right! that's not a way to talk to umama but she's not my mother!

Mom:hayini thixo lomntana!(my god this child)

Me:what? Don't act surprised! , you've never showed me any love! You were never there for me when I needed you. You've always pushed my away , now tell me what kind of a mother would do that to her child, her only girl. You made me to hate my dad for dying because he was the only parent for me! . You've never showed me love but you showed him(I said pointing Nat Junior)

You know I never thought no would say this but I hate you woman! .

I stormed and walked out wiping my tears...

I walked and I didn't feel like calling a cab anymore ...

As I was walking I felt like I was being followed.

I turned and saw a black polo with tinted windows . I started being scared .

I looked for my phone and shit I left it home . I started running but it caught up with me ..

I screamed when two guys got out and made their way with me

Me:(screaming) no! Somebody help!!!!

They injected something in my neck and then it was lights out ...

.

.

Junior

I didn't realize that Amanda bottled up so much pain and it got me thinking ..

Me:I need a drink!

I said grabbing my car keys

Mom:where are you going?

Me:out!!!

Mom:so nawe you going to leave!

Me:that is the last thing you should ask me mama! , fix your relationship with Amanda!

.

.

Omphile

I was home alone when Junior called me.

Junior: baby

Me:hey

Junior:where are you?

Me:I'm at home why?

Junior: I just want to see you

Me:Junior you don't sound okay, what's wrong?

Junior: a lot of shit is happening, can I come?

Me:well if you hurry cause my dad can be home any minute now

I heard a glass breaking in the kitchen.

Me:uhh.. Someone's at then kitchen Junior

Junior: maybe it's your dad.

Me:no, I didn't hear his car and his with mom.

Junior I'm getting scared

Junior: okay look baby, lock the door and get in the closet okay? and don't drop the call

Me:okay.

I locked the door and hid in the closet.

The footsteps started and the person knocked on the door.

Me:junior hurry up!(crying)

The door flew open and the person walked around and stopped at my closet

The person opened and I screamed, I couldn't see him properly as he a red bandana covering his nose to his mouth and also he had shades

Junior:Omphile!!!!!!

The person took my phone and put it in his ear

Person:hey Junior, can you please borrow me

your two princesses I promise to bring them  
back piece by piece!

Right I went cold

He putted a cloth around my mouth and I drifted

I woke up in a dark room only a small window  
provided light . I attempted to lift my head but it  
was damn painful. I looked beside me and I  
think I saw someone, but the person was  
passed out .

Me:hello?

The person remained quiet

I crouched to the person because my body was feeling numb.

As I got closer I realized that the person was Amanda! .

Me:Amanda!! . Wake up!! . Bakwenzeni(what have they done to you?) Amanda??

I shook her up and she slowly opened her eyes

..

Me:Amanda!

Amanda:Omphile, where are we?

Me:I don't know

Amanda:my head hurts like hell

Just then a guy got in..

Guy: good you're awake!

The guy looked scary I don't wanna lie

Guy:prepare yourselves, we have a job to do!

Then he called some girls to pamper us and made us wear small and revealing dresses...

I looked at him and I was praying that it is not what I think it is

.

.

Junior

We were at the warehouse and I was so stressed out! Amanda was no where to be found .

I received an SMS and when I opened it showed Omphile and Amanda crying and they were wearing revealing dresses.i hit the wall with my fist

Me:Thabo can you trace this?

He took the phone and did his thing

While he was doing his thing another call came through. Thank raised his thumb, for me to

answer the call.

I answered...

Me:hello

Voice:Junior my friend! , how have you been?

Me:who is this?

Voice:I'll tell you when you are with Sbu, I need you two cause I have your precious little diamonds and I must say they are precious

I clenched my jaws...

Me:if you touch them I swear to god I will break you, I...

Voice:come on man, you in no position to make threats because right now you all are at my mercy.

Me:what do you want?

Voice:that's what I like to hear, you and Sbu owe me! I want what's mine and I plan to get it!

Me:brigado?

The caller hang up!

Thabo:I got it!

Me:if this is brigado then shit is about to get real.

.

.

Sbu

I have been waiting for Amanda and I was starting to get pissed .

I called her again and her phone took me straight to voicemail

Me:fuck!

There was a nock on the door and it was Junior

.

Me:you know, you starting to bore me

Junior:I don't have time for your bullshit!

Me:if that's the case, the why are y...

Junior:Brigado is back in town and he has Amanda and Omphile.

I looked at him with my eyes wide open! .

Me:what!

Him:he said he'll tell what he wants when you are also present so let's go.

Me:let me fetch my car keys

Junior: you'll find me at the warehouse

Me:ta

Shit!, I quickly went to mY bedroom and took my car keys and my guns then went to the garage then went to the warehouse.

I arrived and I found the whole crew there and there were guns occupying the whole table.

Junior:prepare yourself, we've located him.

I took 3 pistols and loaded them then we got going.

We arrived at the location.

Thank:okay gents, so Junior and Sbu you'll go this side cause it's where they are keeping the girls.. Lwando we'll go that side cause there aren't many guards,

Junior:azishe!!

We got in and we were met by Some bullets I got shot on the shoulder.

I winced in pain.

Junior:(ugrand?)are you good?

Me:yeah, I'm fine!

We started shooting back and when we reached the room there was no one.

We only found The girls clothes and a printed note on the wall.

"I've always been smarter than you boys "

I clenched my jaws while Junior kicked the wall

We returned back, it was so quiet in the car, firstly I dropped Thabo and Lwando off. I was now remaining with Sbu...

Sbu:so what do we do now?

I shrugged my shoulders..

me:you should know Brigado's tricks , you used to work with him.

Sbu and I were an unbreakable team , until Brigado came along and promised to make us rich and famous but turns out that Sbu betrayed

me and wanted to get the fame all by himself

..

Sbu:it was never like that bruh,

Me:then how the fuck was it? , you ditched me because of that crap!.. You chose him over me! your home boy!

Sbu:okay look, you may see that the way you see it but I never betrayed you!.. I worked with Brigado because he said you decided to work with his brother Simon! , Brigado told me that you ran away with the diamonds and I couldn't believe that my own home boy did that to me !

, I wanted to confront you but he told me that you left! And you don't want to see me , believe me bro I've never felt so betrayed my entire life .. That bitch used me

Me:then how did you know that he used you?

Sbu:because as time went by I realized that

Brigado only uses you when you still good,  
when you start to flop he ditches you and finds  
someone else

Me:fuck!

I hit the steering wheel..

Sbu:what are you thinking?

Me:Brigado must have found someone who's  
good because now it seems like we going to hit  
sma dead end every time we think that we got  
him

Sbu:may not be as hard as you think

Me:how?

Sbu:see if we could find the person he's  
working with and touch him on the spot then  
this whole thing could be easy

Me:yeah, and we already have our brain man  
Thabo .. He can track this bvtch, damn I forgot  
how good you can be

Sbu:yeah , pity Brigado had to ruin that.

I chuckled...

Me:you know he almost made us to kill each other , he always had this plan. He made us to betray each other and he knew that this day he would kidnap Amanda and then make it look like you did it and he knew I would kill you if you touch my little sister, but then again you only find out about Amanda just now, this is confusing .

Sbu:he was going to make Amanda know me, trust me about that one the guy never always has tricks.

Sbu took off his bandana and have it to me...

Sbu:I feel like I have to give this to you, like a sign of peace and apology

I took it...

Me:for peace and apology , thank you hommiey

we fist bumped

.

.

Amanda

We were in the road for a while now and I was getting hungry .

We were in a truck, with some other few girls and it looked like we were departing the country because it's been long and I was getting tired...

We were guarded by three men that were scary

.

I touched my necklace and has a little hope.

We the necklace has a tracker and I wonder if Junior knows because I was given it by my father, for protection.

Omphile: Amanda I'm scared

Me:I know , but let's have faith Junior will get us

out of here he will come for us (I touched my necklace) he has to come for us

Guard:just shut up!

I'm always a fearless person and I didn't know if I had to show it now or what because the last thing I wantedn was to be taken away from Omphile because and be sold for not listening

.

.

Junior

I had to tell Omphile's parents that their daughter was kidnapped and it was going to be hard.

I knocked on the door and some beautiful woman opened the door.

Me:good evening

Woman:evening son, come in

Me:thank you(I got in) Sorry for interrupting your house so late but I have some sad news

The attention was Now at me.

Me:I believe you saw Omphile's door that it is broken..

The looked at me like I was crazy

Omphile's dad:what door and who are you?

Fuck!, so Brigado is this good!.

Me:my name is Junior Ngcobo and it is with sad news that Omphile was kidnapped by some dangerous gang

The father laughed ...

O'dad:listen young man, .my daughter is at her friends house

Me:no sir, she is kidnapped along with her friend..

The man took out his phone and madeba call...

The phone ringed on the couch and the man looked at me then at his wife

The woman put her hands on her mouth

The man came charging at me and threw a fist and I fell. I swear if it was someone else he would've been dead by now

The man held me by his collar..

Him:who are you and what have you done to my daughter?

The woman ran and begged her husband to let me go And he did.

I fixed myself and stood up.

Me:sir I am Amanda's brother

Woman:we have to call the police!

Me:if you call the police then the kidnappers will just kill them , please don't do that..

I was in the kitchen with mom.

Mama:Junior where is my child?

Me:mother I don't have the answers now but I promise I will find them

Mama:my poor child , she's probably scared

right now.

I got up...

Me:mama, please have something to eat you can't go on like this. I'll tell Maria to make something for you you can't go on like this!

Mama:this is all my fault, I was always pushing her away so that she could be strong and independent but I never saw that it was breaking her , now who knows where my baby is.

She threw herself on the floor..

This was heart breaking ..

Me:come on mama, please get up!

I helped her up.

Mama:I just want my daughter back!

Me:I promise to bring her back.

Omphile

I always thought that things like this only exist in the movies but turns out it also happens also in the real life .

I didn't know where we were but I believe that we were still in South Africa because the people we found here spoke Zulu.

The man who kidnap us who I think is Brigado spoke..

Him:so these two(pointing at us) are going to get special treatment as they are our special guests

I became scared ..

Man\*1:why are those morons taking long? , I want some action.

Brigado:just chill Simon , they are now probably thinking about a plan to find us and they will

find us ready

I was holding on to Amanda for dear life! .

We were taken to some room, it was clean than the last and as always we were being watched.

The man who was watching us was called so he got out.

Amanda:Omphile listen

I looked at her...

Her:whatever happens don't lose this.

She gave me a necklace.

Her: this necklace has a tracker and for sure they are going to know what it is when it's with me because I'm Junior's sister , please keep it safe

I was so confused...

The guard got in and I quickly took it.

Brigado got in with Simon...

Brigado:looks like your heroes are taking long to arrive , they making me lose my patience and when I do I'll do something .

I looked at him, scared of my pants.

Simon:know what brother! , let's make this game a bit more exciting.

He made his way to me.

He ripped of the dress I was wearing and and I was left with only my bra and panty.

Brigado:mhhm, so Junior has this type of package, mhhm I like!

The way he looked at me was so disgusting, it was like I was Some kind of a bone.

I tightened my hand on the necklace with tears streaming down .

Brigado then took some pictures.

Him: Junior has to love this!

.

.

Junior

We were still in the warehouse and I was getting more and more stressed..

A message got in.

It was a picture of Omphile, half naked "I see you some sexy asset, I can't imagine how it's like to touch it tick tock! .

I swear I started to boil.

Me:if we don't hurry up that bastard is going to ruin what's mine .

I started to pace up and down.

I looked at the picture again and I noticed something familiar. I zoomed the picture and my mother got in.

She was a little better.

I switched the phone and went to her.

Me:mama?, what are you doing here?

Junior

Me:mom you should be resting at home , what brings you here?

Her: I thought I could help with something

I looked at her...

Her:uhmm John(my father) always told Amanda to keep her necklace safe and be with her all the time because a lot could happen and now I think that it is the only lead that could lead us to them.

I thought for a while how come I've never thought about that?

Me:Thabo!

He came...

Me:look we have a new since that one is taking too long..

Sbu:cool, what is the number of the necklace?

Mom:uhhm.. It's 2296

Thabo:great!, now dimamzo you should relax because what you told us is a lead, but let's hope that Brigado didn't find it or maybe before all of this he splashed them with water because it might be not working

Mama:no even if you put water it still works.

Thabo:that's great!

He started doing his things...

Me:Lwando and Sbu let's fix our gadgets

I was planing on finishing all my bullets to that bastard ..

.

.

Amanda

It was now late and we were still in the room  
Simon went out .

Omphile was sleeping om my lap. when they  
were done toying with her they gave her some  
track pants and a vest to wear.

I was slowly losing my patients .

Simon:you beautiful you know

I chuckled...

Me:so I have been told!

Simon:and you have some attitude, I like

I looked at him and as I saw Sbu behind him but on the outside through the window, he put his finger on his lips signalling that I keep quiet and slightly nodded and looked back to Simon...

I smiled a little...

Me:you know... I once watched a movie where a lady was kidnapped and her boyfriend looked for her for weeks and still didn't find her

Simon:mhmm...so was the lady found?

Me:after 2 weeks when she had lost hope she started to hear some gunshots and the kidnapper died , and the moral of this story is that bad guys don't win they die.

Simon laughed...

Simon:well this isn't a movie sweetheart, this is reality and if your boyfriends don't arrive soon

I'll get fed up watching you I'll sell you overseas.

I smiled..

Me:are you sure about that?

He looked angry that I wasn't scared...

Me:because we getting out of here today

I leaned back and looked at my wrist(I did t even have a watch), in less than 2 seconds...

After that gunshots were fired and Omphile screamed...

I held her mouth and she started pointing..

I looked to where she was pointing and Simon was laying down with his pool of blood.

me:Omphile snap out of it!, look we getting out of here today and I need you to work with me stop screaming and hold yourself because if you don't we will get caught and we will die okay?

She nodded..

We remained there while the gunshots were still firing and after a while Sbu got in...

I ran to him and I hugged him for dear life..

Sbu:are you okay?

I nodded...

Him:okay look, don't concentrate on what's happening just focus on going home okay?

We nodded...

We followed behind him and when we got out dead bodies were all over.

It was a very disturbing scene.

We walked towards the car and we met Thabo there.

Sbu:get in..

We got in and he went back

Me:Sbu no!, where are you going?

Him:I can't leave Junior and Lwando there

He came to me and we kissed , more like the kiss was meaning goodbye..

Him:I love you

Me:I love you too, please come back

He smiled...

Him:I will

He left and my heart sank!

.

.

Sbu

I went back and all Brigado's  
guys were dead.

Junior:I can't find that bastard and Simon

Me:Simon is dead!

He looked at me and nodded...

Lwando:we don't have much time gents, we have to evacuate...

Junior:no I want to kill him!

Lwando: Jay, that pussy is not here we have to go or else the police will arrive and they won't hesitate to arrest us..

A guy appeared behind Junior.

Me:no!

I jumped to him and the bullet hit me on the arm..

Lwando quickly shoot the guy ...

Me:fuck!!

Junior:are you alright?

Me:I'm fine!, go get the diamonds we'll find you in the car

Junior nodded and Lwando helped me to get up.

.

.

Omphile

I was looking at the glass of the window, Sbu and Lwando appeared but Junior was nowhere to be found ..

Me:where is Junior?

Lwando:Omphil..

Me:no I want Junior, where is him?

I was breaking....

I cried

After a while he appeared and I quickly ran to him...

I threw myself at him and cried my lungs out!

He brushed my back .

Him:shhh baby it's okay, you safe now

Just what I wanted to hear

Me:I was scared Junior!

Junior:it's okay baby

Thabo:people if we don't go now we will end up in jail, these bitches are coming! And Sbu needs a doctor.

I let go of Junior and we went inside the car.

The car was speeding and looked like Sbu was in pain, while we were in the road Junior made a call.

Junior:ey dude, we need your help Sbu has been shot and meet us at the ware house

...

Him:cool

.

.

Amanda

We arrived at the 'ware house' as Junior called it

and they quickly took Sbu to inside and the doctor was already waiting for him.

I was with him all this time and I was surprised Junior was acting all nice on him and he is the one who helped the most but right now that wasn't the issue, I just wanted my baby to be okay..

Junior:Amanda!, let the doctor do his thing and you'll see Sbu when he's fine ..

I went to sit down while Sbu was taken to another room.

Me:I'm worried brother what if he's going ..

Junior:he's going to be fine don't worry

He hugged me..

Me:Junior? , you friendly with Sbu and you were in together in the car without killing each other

Him:what's wrong with that?

Me:nothing! I'm just surprised.

Him:we talked and we alright.

Me:I should get kidnapped more oft...

Him:hey! Ndizokuqhwaba!(I'm going to slap you!).

I laughed...

My mother got in and when she saw she ran towards and hugged me for dear life I was surprised I won't lie.

Mama: ohwwmy baby!, I'm so sorry this is my fault if I was good to you this wouldn't have happened you left the house that day because of me and I'm...

Me:mama it's not your fault, those guys were going to kidnap us anyway

I wiped her tears...

Mama:but still my baby please forgive me

I nodded and we hugged again

After a while the doctor(Musa)got out and we went to him...

Junior:Musa mfethu how is he?

Musa:he is okay, just a little drowsy and the bullet is removed but due to the fact that he is going to use a sling but he is okay.

Me:can I see him?

Musa:Toto? Uyajola ngok?(Toto, now you've started dating?

I laughed and left Mama talking loudly

I went inside and I found him laying there, just staring into space..

Me:hey

He looked to where I was standing and smiled

He tapped on the side of the bed and I went to him laid besides him

Him:how are you?

Me:I should be asking you that

He chuckled.

Him:I'm fine, khaze ndincamise(give me a kiss)

We kissed and people cleared their throats..

God! It was Lwando and Thabo

I quickly attempted to stand up but Sbu held me..

Lwando:Amanda you cheating on me?

Sbu looked at me with questioning eyes

Me:I'm sorry husband but I was tempted

Sbu looked at me...

Me:I'm sorry..

Lwando:I forgive you baby.

Sbu:what the fuck?

We laughed and got confused...

Me:you look cute

I kissed him...

Lwando: just chill man(laughing)

Lwando: how are you thou?

Sbu:I'll be fine mfethu

Me:what is going on here?

Thabo: with what?

Me:you guys! , you all are nice at each other

Sbu:is that a bad thing?

Me:no, but I'm just surprised, wena Lwando you wanted to kill Sbu not so long ago

Thabo:khawujonge umntu wakho uhlukane nathi Amanda (mind your boyfriend Amanda and leave us alone)

Me:uphi uOmphile no Junior?(where's Omphile and Junior)

Lwando: usacenga uJunior

Me:what?

Thabo:she's your ,she'll tell you

Sbu:can I get some time with my baby?

Lwando: uyaphapha yazi, we were doing you a favour and now you getting us out? Fokof!!.

Sbu and I laughed...they got out..

Sbu:now where were we?

We kissed...

Sbu:I missed those lips

I smiled

.

.

Junior

I was with Omphile, she said she wanted to go home .. And now we were outside her house

Omphile:junior

She said in a low...

I looked at her...

Her:what happened was painful, people treated me like I was their toy. I have never felt that much pain in my entire life , what happened should never happen again

Me:it won't happen baby I promise

I said kissing her hand...

Her:yeas Junior you are right , I don't want to continue with this . I can't live like this Junior, having to worry that I won't get kidnapped again I'm sorry but I can't

Me:Omphile what are you saying?

Her:let's end this Junior I can't put myself in that trauma again, I'm sorry

Me:Omphile please don't do this

Her:I'm sorry

She got out of the car.

Me:Omphile!!!!

I hit the steering wheel so hard

Me:fuck!!!!!!!!!!

A lot has been happening, Manda finally broke her virginity with Sbu and they are the best couple I've ever seen . Manda and her mom also are the best of mother and daughter as they get along very well . It's been two months now and I've never seen Junior Manda says he went to

Cape town to seal a business deal there and he also moved out of home he's staying in own his place, I was missing him no lie but then again I don't think he wants to see me after the way we last spoke.

So now I was writing my last paper for the year and I was going to stay at Manda's house for 2 weeks before my family and I head to Durban for the holiday . So me and Manda decided it's best that we spend time before we both go because yena she said she's going to Jo'burg to her aunts place.

We were now departing the school as we've finished writing.

Manda:firstlady! so this 2 weeks we going to spend at the house are going to be lit cause my woman is leaving so it's just the 2 of us

Me:it's going to be lit for you cause you'll spend time at Sbu and I'll be left alone

She laughed...

Her: come on tshoom, don't be like that hawu!

Me: mxm

We called a cab and left first went to steers just to grab something to eat.

.

.

Junior

I was in the hotel room with some chick I didn't know and I was only wearing my trunk, clothes were all over the place. Last night was lit as we were celebrating the deal we got it was me and Lwando but Lwando was in another room.

I got up and the head was killing me .

I went to the bathroom and washed my face

.

When I returned the chick was up with nothing

but her bra and panty.

Chick:last night was awesome .

I looked at her, she was pretty I won't lie but not my type think you already know her .

She made my way to me and kissed me while holding my bimbo I groaned

Her:like that?

I rkissed her back and she gave me a condom.

Her:wouldn't want to have unplanned life now would we?

I took the condom and picked her up and threw her on the bed then made my way to her while she was laughing, I was planning to f\*ck her hard so that she won't be able to walk.

i got on top of her and roughly kissed and took off my boxers, she wasn't wet yet so without any notice I pushed myself in and she screamed , I started to move back and forth

roughly with her screaming.

When we were done I got up and went to the bathroom to take a cold shower.

I returned and found her on the bed naked.

Her:what was all that about?

Me:with what?

Her:you were rough

Me:it's not like I won't pay you

Her:but still you didn't have to...

Me:whatever ..

I took out a thousand rand and threw it on the bed

me:I've already paid everything so suit yourself.

I called Lwando...

Lwando:mhmm?

Me:don't tell me you still asleep!

Lwando:what do you want me to do?

Me:fuck you!, the plane is leaving in an hour man!

Lwando:ohww shit fuck!

I shook my head..

.

.

Omphile

So we were at Manda's place and it was at midnight and Manda just left cause Sbu called her and as usual I was alone. I was just watching a movie when a person unlocked the door.

Me:so you finally realized that you got a bitch that you left home and decided to come back?

I looked through the door and Junior got in

..

We looked at each other...

Me:I thought ngu Amanda

Him:uphi yena?(where is she?)

I told him and he chuckled..

Him:so you alone?

I nodded...

He went upstairs and I returned to the couch and continued with my movie...

After a while he came down, went to the kitchen go light some kettle on and came to sit next to me then covered himself with my fleece.. I was getting uncomfortable..

After a while his hands started to sneak in my thighs and I breathed out loud ..

Junior:are you okay?

I looked at him and gave him a serious look .

He stopped and then after a while his hands

traveled between my thighs and got shivers down my spine.

Me:Junior what are you doing?

Junior:what am I doing?

I looked at him and he didn't stop.

His hands went to my cookie and he got inside my pajama shorts and started to massage it.

Weird sounds escaped my mouth.

Without any notice he kissed me and I kissed him back , I missed him so much. The kiss got heated up and I felt things I've never felt before.

He broke the kiss and looked at me.

him:let me not get tempted .I kissed him and he put me on top of him and he started to move his hands from my waist to my hips. He picked me up and we went to his bedroom and he gently put me in his bed and we continued with our foreplay . He left my lips and went to my

neck gently sucking me and I'm sure he left love bites, he took off my pajama vest and my twins were left exposed as he played with them gently sucking them and I was enjoying every minute of it, when he left my twins he took off my shorts then my lace panty he got my full access to my jelly pot, I tried closing my legs but he opened them and licked his lower lip. He left wet kisses on my stomach and went to my jelly pot that's when I felt like praising all my ancestors because of the way he was licking me was priceless, I felt like I wanted to pee.

Me:Junior I want to pee!

Him:do it Nana, cum for me

I released and he licked me clean then went up to my mouth and we kissed.

I could taste my juices..

He stopped and looked at me...

Him:Nana are you ready for this?

I nodded..

Him:say it!

His voice commanded...

Me:I'm ready

I said looking at him straight in the eye

He kissed me I helped him to take of his clothes  
and now he was only left left with his boxers  
and he took out his bazooka and my eyes  
widened!

I felt someone kissing me and then went down  
to my jelly pot. I grabbed the hands and put

them out of the covers and I opened my eyes..

Me:leave me alone

Junior:uyancisha (you stingy)

Me:I don't care

him:ndicela kancinci(please give me a little)

Me:it's painful

Him:it will be les...

Me:Junior leave me alone!

He gave food and some pills...

Me:What's this?

I said taking the pills...

Him:they supposed to prevent you from falling pregnant since we didn't use a condom

I nodded and I ate the food he gave me...

He kissed my cheek...

Him:thank you

Me:for what?

Him:for trusting me and I promise I won't break your heart

I lightly smiled and looked down while thinking if I made the right decision, I still don't trust Junior but then again as they say the heart is the biggest betrayer .

Him:now drink

I drank the pills and attempted to go to the bathroom but the pain I felt stopped me ..

Junior chuckled...

Me:what are you laughing at? this is your fault!

Him:baby come on, its usual to feel like this come let me carry you.

He came to my side and carried me the bridal then went with me to the bathroom

Me:I want to pee

Him:here comes trouble

I sat down on the toilet and my pee was different

I cried

Me:I'm never doing this shit again!

Junior laughed...

I finished my deed, washed my hands and returned to the bed.

It's been a while since Nana was sleeping so I decided to wake her up.

I kissed her neck and she moaned

Her:Junior ha.ana marn!

The ways she says my name! God!

Me:come on wake up!, I want to go to my apartment

Her:hamba kalok(go)

Me: let's go together

Her:andifuni(I don't want to)

She was so cute

Me:Nana I will forcefully take you and put you in my car and don't forget that you naked.

She slowly got up and looked at me.

Me:now wear your clothes and let's go , stop looking cute cause uyandilambisa(you making me hungry)

She blushed...

Her:get out so I can wear my clothes

Me:girlfriend, I know your body I was working

24 Continuation

.

.Me:girlfriend, I know your body I was working it just yesterday so I won't see something new except that I will get hungry

She looked at me..

I got out and waited for her by the door.

Finally she got done and we went to my car..

Firstly we went to have breakfast at mc'donalds then we went to my apartment...when we arrived she took off her clothes and wore my vest then went straight to bed .

.

.

Sbu

Bonga called me saying that there is crisis with our delivery. Bonga and I do heists we bomb ATM'S, rob the most expensive shops whereby we steal jeweleries that are worth millions and also we still cars, so Bongs said that our cars

that were supposed to be delivered are no where to be found and since we joined forces with Junior's crew I had to let them know.

I called Junior and told them about the issue then went straight to the warehouse where we will meet.

I arrived and found all the team except for Junior.

.

.

Junior

Sbu called me and when I told Omphile where I am going I had to lie because she doesn't want my other life .

I went to the bathroom to get a quick shower but something stopped me as I saw some red stain on where Nana was sleeping . I woke her...

Her:Junior!

Me:Nana I think you on your time

Her:time of what?

I pointed on the bed and she lost her strength.

Her:how can I be so careless I should've known that ...

Me:shhh baby its not your fault these things happen.

She just cried...

I hugged her...

Me:uh listen I'll go to town to buy you some fresh undergarments so I'll need you to write what you need on my phone okay?

Her:no , what about your meeting?

Me:you come first I don't care about it , now do what I say okay?

She nodded

Me:in the mean time you can go take a bath I'll

be back just now

I kissed her then went to town...

I arrived at Woolworths and looked for some panties and the ladies there looked at me like I was crazy .

I bought same as the one she was wearing then went to clicks to buy her cosmetics then returned home and gave her, while she was busy at the bathroom I took out my Adidas tracksuit and my shirt for her to wear when she was done.

They were a bit big but she still looked cute .

Her:go to your meeting I'll be fine I'm not sick

Me:are you sure?

She nodded..I kissed her

Me:I'll be back now okay?

She smiled and I left and when I arrived The crew ate and chopped my head off especially

We finished up pretty late because things were a bit hard because the truck with the cars was removed the tracker it was going to be hard. But thankfully one car had a tracker a black mini cooper and I guess they didn't know about. So Thabo finished pretty late and we all returned home at 23:04 and I was missing Nana so bad.

I arrived home and found Omphile on the stove cooking

Me:haybo? Omphile at this time?

She just looked at me and boy she was angry..

I made my way to her and when I was about to kiss her she stopped me.

Omphile:just leave me alone! , don't touch me marn!

She stormed out and went upstairs..

Me:baby what have I done?

Her:ask the pots

Me:haybo Nana!, why are you leaving the pots now?

Her:just deal with them!

She banged the door and I'm surprised it didn't break.

I sat down and laughed .. She's on her periods that's why she gets moody and easily snaps, Amanda also gets like this and hell breaks lose. Boy this was going to be hard. I switched of the stove and made my way to the bedroom, the shower was running so...

I sat on the bed and minutes later she came out, lotioned and did her thing and this whole time I was looking at her.

She finished and made her way to the bed and slept, I was lazy to bath so I just took off my clothes and slept. I kept kissing her ..

Her:Junior leave me alone!

I ignored her and continued with my thing...

She finally gave and started kissing me back and I pulled away then slept...

Her:nxehh

I laughed and slept...

2 weeks later

Days went by pretty fast and before I knew it, we were going on our holiday. Manda had

already left the previous day. I was at Junior's place I lied to my parents and said I'm going to Manda to bid her goodbye and they allowed me.

We were in the lounge and he wasn't alone. Sbu, Lwando and Bonga were there.

Junior:yizapha(come here)

He was leaning at the kitchen counter

I went to him...

Lwando:ningadavazelani aphaa Nina (don't have sex here)

I covered myself in Junior's body

Junior:that wouldn't be a problem since this is my house

The gents laughed...

We kissed and I looked at him..

He whispered in my ear...

Him:khandiqhekezele kancinci (please give me

a little)

I giggled and hit his chest.

Me:You have a dirty mind mister

Him:I can't help it

He took my hand and we went to his bedroom

Sbu:seniyodavazana njalo? (you going to give each other?)

Junior:fuck off!

.

.

Amanda

I was taking a walk just going to the mall when a car stopped next to me, I got scared I mean the last time I had this encounter was when I got kidnapped.

I started to walk a bit faster and the person called me.

'Come on baby girl, I just want to talk!'

I stopped and looked at him.

He was yummy if I can say, but not more than my Sbu .

Guy:you sure can run

Me:I just don't trust people

Guy:well my name is Morena

He took out his hand for a handshake...

Me:Amanda

Morena:beautiful , well I would love to give you a lift as I was also going to town

Me:who said I needed a lift?

Him:ouch

He said touching his left breast..

I chuckled and he side smiled and gawd!! ..

Me:we can go

We approached his car and when Morena opened the door for me a message came through was from Sbu...

I checked and read "don't even think about getting in that car"

I looked around and I couldn't see anyone..

.

.

Junior

It was late at around 10 or so and we were preparing to go to one hell of a dangerous heist for the year.

Bonga:okay gents, this is a very hard target but we must stay focused and alert.

We nodded.. We were about to bomb an ATM so that we could buy a German car and shift it to Europe.

Bonga took out a map and showed us our

coordinates

Bonga: Junior and I will stand at the back while Sbu and Jeff will be at the front then Thabo will do bombing then after 2 minutes Thabo and I will collect the money while Junior , Lwando and Sbu keep safety. We clear right?

We nodded.

Sbu: alright gents let's hit the road.

My phone rang while we were in the car.

Me: Nana, why are you still up at this time?

Her: I was just missing you baby, I couldn't sleep .

Me: I miss you too baby, but look I'll call you in the morning I'm still busy with the gents

Her: okay I love you

Me: I love you too

Her: and don't you dare think about cheating

cause I'll kill you!

She shouted that last part and the gents heard...

Me:I won't

She hung up..

Bonga:this guy is whipped like seriously, the pussy must be good.

We laughed...

We arrived and parked at a far distance and located our place...

Sbu:alright gents we have like 10 minutes to do this or else to polo's will arrive, so set your alarms at 10 minutes and in that 10 minutes we will divide the the time

We did so.

We were using a Walky talky.

Thabo:okay gents I'll use 3 min to set this, exactly after 2 minutes we collect the money

and that should be 4 minutes and we'll be left with 2 to vacuate the place...

We did so and Thabo delayed a bit so we had to do everything a bit fast and when we were almost done the police came and we had to run. By the time we were running one bag fell.

Me:I'm coming

Lwa:Junior no bruh, let's leave it or else you going to get hurt

Me:we can't leave the money Lwando or else it's not going to be enough

I left and picked the bag and when I got up I felt something hot on my stomach and when I touched I came back with blood.

Lwando:bruh come on!!

I lost balance and fell.

I felt someone touching me and slightly opened my eyes and Lwando was carrying me and felt

like we were moving.

Him:come on Junior open your eyes bruh! Keep your eyes open

Sbu:let's hurry to the ware house Bonga call Musa

They were talking a bit far and then lights out

We were in the hotel just me and sis'Thandi(my brothers wife). The parents and my big brother Lundi were in in the restaurant downstairs. We were just having a girls talk since we were not

in the mood to eat .

Thandi:so tell me about him

Me:who?

Her:don't play with me Omphile, the buy who's making you this happy and glowing.

I covered my eyes ...

Me:this is complicated, I don't even know how to tell you .

Sisi:don't leave anything behind

Me: he's name is Junior , he is Amanda's big brother

She nodded...one thing I love about her is that she listens to a person and she doesn't judge...

Me:he's 23/24 I'm not sure and he's involved in criminal activities

Her:ohw I once heard that you were kidnapped neh?

I nodded...

Me:he's a sweet guy sisi , I love him. And just like any guy he sometimes shits up but he realizes his mistakes and apologizes and my parents don't want him near me , that say he's corrupt and hes going to change my behavior and I must never see him again.

Sisi:and you sneaking with him?

I nodded...

My phone rang...it was Amanda.

I answered...

Me:first lady

She sniffed...

Me:Amanda are you okay?

Her:Omphile Junior is shot

My heart stopped beating for a second...

Me:what??

I asked in a low tone...

Her:he was shot yesterday at night, and now he's at the warehouse

Tears fell

Her:I don't know I still have to wait from mama to update me..

My phone fell and tears betrayed me.

Sisi:Nana what's wrong?

Finally he got out and it was the race to him.

Junior's mother:how is my son?

Musa:relax mama, he's should be fine, I managed to remove to bullet, he got lucky because if the bullet moved an inch from the left we would be singing a different tune and we sedated him his body is till weak but he will wake up. I'll go get some medicine for him while you check a wheelchair.

We sighed...

Me: thank you man

He nodded and walked away..

Lwando:my boy won't like the idea of a wheelchair trust me

Me:I know and Omphile isn't here to advise him, cause a pussy talks more than anything

I sighed ...this was going to kill Omphile and I didn't want that . I took my crutch and got up from the bed and stood near the window

Me:dude do you realize that...

Thabo:mfethu, we are the suspects of the bank robbery and if we caught we all going down!

Tata:but to me she went to the beach, but now I'm getting worried because it's getting late

Omphile was putting me in a very awkward position.

I called her and her phone was off.

Him:why

Me:they are just crazy, their relationship is... I don't know how to put it

Me:I always wished for that , to have a father.

Him:you already have a dad

Me:yeah and I like him cause he is kind

I woke up and I took a shower and then went

out, I wanted some breakfast so I went to wimpy. I ordered then waited while browsing through my phone

"Must be nice being you"

I raised my head and it was the detective.

Me:so much detective , I mean my life is peaceful I don't go around being an annoying cop busy harassing people in the morning who are eating breakfast. I also get a pussy when I want to unlike you, I'm sure you have to get permission from your captain in order for you to hit it

He hit my table, causing people to look at us...

Me:see what I mean

Him:listen here , I'm coming for you and your whole crew! I know you the one who bombed that bank and it's just a matter of fact before I arrest you all

Me:you know you should just give that badge to my dog , cause clearly it could do a better job than you

Him: I'm warning you Sbusiso, you'll go down!

I chuckled...

Me:let's see you try!

.

.

Omphile

Junior really had me worried , it was as if he's in trouble or something and I know for sure it's because of this life that he's living.

I woe feeling so tired, I went to the family.

Me:good morning

Them:hey

Me:I feel like eating out, mammsy can I have your card?

Mama:to do what?

Me:I wanna do my hair mama, look it's a disaster I wanna do my nails , buy clothes shopping and some breakfast

Mama:tatakhe?

Tata:hay mamakhe, this kid wants your card?

Mama:we all know this kid is going to leave my card with no money

Me:mama, it's a black card

She sighed

Mama:go take it in my bedroom , I'm so going to regret this

Me:I love you!

I said kissing her multiple time

Tata:mna?

Me:I'm coming to you dzadyy!

I went to my bedroom, took a shower then wore

a bumshot and a vest then sandals.

Before walking out I uploaded a picture on Instagram showing my black card .

I called a cab and first went to do my hair.

Junior

I called the chick and to meet me at mug and bean, Omphile doesn't like the place so I was set to go.

I was sitting there while waiting for her and she came after 15 minutes . I waited her because I had to otherwise I would've told her to screw herself.

She was dressed very well and the dress fitted her curves perfectly, she had wide hips and small waist more like faith nketsi type of body and she was beautiful I won't lie. But still no

more than my Omphile .

She spotted me and came to my table.

Her:I'm so sorry for being late, traffic does it's wonders .

I smiled...

Me:no sweat, I know how it can be in the morning . You look beautiful

Her: thank you

The waiter came and we took our orders...

We were conversing here and there when my phone beeped....

It indicated that Omphile posted a picture.

I went to check and she was wearing a bumshot! .

I boiled inside...

Nokwanda:are you okay?

I looked at her..

Me:yeah, my sister took my car without my permission

She laughed...

Me:don't you wanna get out of here? ,

Her:fine by me

We walked out..

Me:let's spend the day indoors, just to get to know each other?

Her:you want to get in my pants so soon mister?

I laughed...

Me:I'm not that type of guy, I just want to know you that's all

She chuckled..

We got in my car and we went to check in into another hotel.

Me:would you like something to order?

Her:ohw no I'm full

I ordered a scotch.. It came and I gulped down a glass or two..

She was sitting on a bed...

I went to stand between her thighs.

Me:you so beautiful

She blushed..

Me:I like you, I really like you. From the moment I laid my eyes on you

Her:when you were arrested for moving illegal drugs

Me:do you believe I'm involved in those things, if I am then I should be in jail right?

Her:true but..

I leaned down and kissed her...

We kissed for a while and she pulled out...

Her:what are we doing?

Me:we expressing each others love

I kissed her again, getting on top of her.

I took off her dress and rubbed her clit while she moaned endless

I got off her and laid beside her tiredly,

The whiskey also did its part cause I didn't want to sleep with her sober and have to regret it later.

Me:I think I'm starting to fall for you

She just blushed

Her:so fast

Me:one thing you didn't know is that I've been stalking you, I know where you live, with who

and all that

Her:you just a creep

Me:your creep!

She blushed again...

Her:as fun as this is but I have to go

I pretended to be sulking...

Her:I have to return to East London, NY leave is over

Me:I understand, look I'll call you okay?

She nodded while getting up and wearing her clothes, when she was done she came up to me and we kissed

Me:go before you make me lose it!

She giggled...

I spanked her ass while she was walking out.

She finally left and I threw myself on the bed and let out a heavy sigh ,

I took out my phone and called Thabo

Him:sure?

Me:step 1 is done!

Him:that's my boy! , okay now look step 2 is for her to trust you with her all so that she may give us the info that we need.

Me:yeah, she's returning to East London today

Him:you have to go with her

Me:that's bullshit!, I came here for Omphile I am leaving next week!

Him:bruh please man, we have to do this

Me:now I must lose the woman of my life cause of this shit?

Him:Junior this may take a month if you play along, we just need the docket to disappear then you can return to your girl!

I hung up and faced the ceiling...

.

.

Omphile

I was now looking at the sneakers, in fact I was looking for the sneaker that I always wanted and I found it

Me: mommy will kill me if I buy you, but then again she'll kill me with you by my side.

I called for the attendant to bring me my size and what was worse is that the price actually went up. I went to pay anyway

.

.

Sis' Thando

We heard mama screaming in the lounge and we ran to her .

Me: mama what's wrong?

Her:I'm going to kill this child!!

Lundi:what's wrong?

She showed us her phone and it was a message indicating money going out and the last one off traumatizing.

Omphile bought at Sportscene purchasing for R7756.50.

I clappedonce..

Me:the total money she used is more than R20000

Tata:this child will kill us

Mama:I'm going to kill her first!

She called her...

Mama:she's not picking up!!, Ahhhhh

.

.

Omphile

When I got out from the shop my phone rang and it was Junior.

Me:hey

Him:where are you?

Me:I'm at the mall

Him:I'm coming , wait for me at the parking lot

Me:but I haven't told you which one

He hung up .. Okay

Minutes later he arrived and put my things at the back and at the backseat because they were many ifi tell you .

Me:what are you wearing?

Me:clothes

He chuckled . More like digesting what I was saying...

Him:so you going around in the town showing

of your buttocks?

Me:Junior I'm not showing off buttocks!, it's hot!  
plus I can wear anything I want it's my body my  
choice!!

He looked at me and his looks was cutting  
through my skin. I looked away

He kept quiet and started the car and drove off.  
We arrived at a far distance from my hotel and  
locked the doors then looked at me with his  
look that was intimidating..

Him:dont you ever in your life shout st me ever  
again do you hear me .

He then unlocked the doors I got out and took  
my things and left him there then went inside  
and I was met by mama flying to my side and  
daddy stopped her.

Me:mama?

Mama:mntana ndin!(you child) how could you

spend my money like this

Me:if I don't spend it then who will

I mumbled...

Mama:usenesibindi sokuthetha? (you still have the guts to talk?)

Mama:not that bad?, spending more than R20000 is not bad??

I gasped, I didn't even recognise...

Mama:you not going to the matrix dance next year, nxeh

She walked away

I looked at dad....

Him:hay, those crocodile tears won't work on me today, you know your mom is crazy and I don't want to piss her off or else I'll sleep on the couch

Sis'Thandi and Bhuti laughed...

I went to my room and when I threw myself on the bed a message go through

Her:that's his issue

I smiled, this was going to be easier than I thought, I mean it seems as if the chick is not so respectful of Mr detective ...

Me:I wanna take you somewhere

She looked at me...

Me:let's settle the bill then I can show you

We settled then we went out... We went to the warehouse and found lot of guns on top of the table...

I could see Nokwanda was shaken a bit

Me: this is my world and these are my friends, I know we come from different backgrounds but I like you and I would like if we could start something and be a couple.

She kept quiet and looked at me....

Me: please say something

Her: I don't know what to say Junior, you showed me something most guys wouldn't do and I'm grateful for that, means we could start on a clean slate

I nodded and my plan was coming well

Me: then agree to be my girl

So I woke up very early and ordered Sone

breakfast, was planning on giving it to mama as sign of peace offering , hope she forgives cause that woman is hardcore.

I knocked on their room and I could gear giggles .

"Come in!!"

I opened and when mom saw me her face changed.

Me:good morning my lovely parents, mama you look so beautiful and I bought you breakfast for being the mom of the year!!

Mama:so you only realize now that I'm the mom of the year

Tata was laughing silently...

Me: come on mama,look I even made you breakfast

I sulked...

Tears started to fall

Tata:phile my baby, where's my breakfast?

I looked at him and stormed out of their  
bedroom...

Him:you staring at me

Me:I can't get enough of you

He looked at me and then smiled, gosh his smile .

He came to me and kissed me hungrily and picked me up.

I was even surprised most guys never picked me up.

We arrived at the bedroom and he threw me on the bed and got on top of me.....

I was stressed, I went to Sbu's place he was with Bonga.

Sbu:you look like crap! , what up

Me:I should look like crap cause I'm dumped!

Bonga:ohww boy! Your girl found out?

I nodded...

Sbu:what happened?

Me:I don't know how she found out but she shouted at me . This is messed up bruh!

Bonga:what are you going to do?

I sighed...

Me:there's nothing I can do, I just have to let her go. I mean I can't tell her about the plan cause she wouldn't understand that in this crew it's DO OR DIE! She wouldn't understand that I had to do this for her cause I would get arrested and my enemies would make her a snack! . I guess I have to let her go, I've hurt her enough

A call came through and it was Amanda...

Me:I swear I'm going to die after this phone call.

Sbu:Amanda

I nodded...

Sbu:let me soft her...

I gave him the phone and he out it on loud speaker

Sbu:baby

Manda:baby?!!, where is Junior

Sbu:ukhona(he's here)

Her:give him the phone

Sbu:come on baby, let's chat Junior is depressed

Her:yeah he should be depressed, I wish he could be depressed for the rest of his life, what type of...

Sbu put the phone in his ear and walked out

Bonga:woman! , that's why I don't catch feelings, wena you dumped now you here looking all depressed and ugly and Sbu is going to beg because his woman is batista . Ncncnc

I clicked my tongue and went to the bar area to pour me some drink.

So the holiday was over and it was my first day at school, being in matric . I was happy trust me. I haven't spoke to Junior ever sincr that day and I was missing him so bad , sometimes I would just cry because I was missing him.

Then some days I would wake up hating him for not apologizing or asking for another chance, that's how I was missing him .

I woke up earlier than usual, bathed and wore my uniform then went downstairs.

Me:good morning family!

Tata:someone's early , how are you baby?

Me:I'm good thanks tata

I sat down and made weetbix.

Mama looked at me like I'm crazy.

Me:mama?, why are you looking at me?

Mama: you hate weetbix

I said taking a bite...

Me:well now I like them

Tata:things change

Tata:you already done?

He said looking at my bowl, It was empty...

Me:yeah tata, kante why are you all in my case?

. You supposed to be wishing me luck for my first day as a matriculant

Tata:you've been telling us that since last week

Mama rolled her eyes..

Me:so much drama woman, daddy let's go!

Tata:don't be loud or else you'll catch a taxi

I laughed...

.

.

Junior

So much has happened in the past months, I got Nokwanda to steal the docket and indeed the case disappeared and now she was in my throat , she didn't get the idea that I didn't want her no more and that irritated me .

I was preparing to go to work, I no longer take Amanda to school, mama does it.

I took a shower and went downstairs to make myself breakfast, I would be fucking a girl right now but now after Omphile I just don't have the appetite, after all it was the reason why my relationship ended in the first place .

My life has been boring lately, all I do is go to work, do heist and then chill with the guys.

.

.

Omphile

So I arrived at school and waited for Amanda  
, I've missed her.

She arrived after I waited for about 5 minutes.

I ran to her and we screamed while hugging  
each other .

Manda:bvtch I've been missing you!, my god  
you even glowing

Me:my girl! How have you been?

Manda:I've been good, just a lot of sex and you?

She was loud and I got embarrassed...

I pinched her...

Me:don't say such things

Manda:honey! We in high school, who doesn't  
know sex!

Gosh, trust Amanda for being loud and crazy!

Me:mxxm let's walk to assemble..

We started walking and gossiping.

Manda:at least this year there won't be any bitch disturbing our peace

Me:like who?

Manda: Yonela friend!, I was close to killing her!

I laughed as we were walking I started to feel dizzy, not like real dizzy but I felt light , I stopped walking and held my head.

Manda:friend are you okay?

Me:yeah, I think it's the weetbix

She looked at me

Manda: you telling me you ate weetbix!?

Me:why are you loud?

Her:friend, Jesus must come down himself like right now!.

The siren rang and I felt like it was going straight in my ears..

Me:why is this thing so loud?

Manda:you weird today friend, and you freaking me out. Maybe you possessed.

I gave her a serious look..

She shrugged...

We went to the assemble.

The principal took the mic after we prayed and boy he was going to talk none stop

Manda:god this man is going to talk all day

I sighed...

He was going on about how grade 12s should behave and how they must set good examples to the young grades blah ... Blah I...blah

The dizziness came back and I held my head

Manda:friend are you all right

Me:yeah, just that I'm tired I wanna sit down.

The principal continued talking and I felt like my body was hit by something hard, then it was lights out

I woke up and scanned around the room, and I was in the sick bay.

I tried to get up..

Mrs Tafeni got in.

Me:what happened?

Mrs:you collapsed and we've called your mother, she should be here any minute now to fetch you since you not well. I suggest you go see a doctor

Me:I'm sure it's nothing serious mam , I was tired that's all.

Mrs:okay, but if it's happens again you have to visit the doctor

I nodded...

She went out!

Mom got in and ran towards me..

Mom: are you alright baby?

She touched my face and I was embarrassed, she was acting as if I'm 5 years or something

Me: yeas mom I'm fine, just a little black out.

She nodded

Mom:well let's go.

She said taking my shoes.

I wore them and after filling my form we walked out..

Me:mama I'm hungry, can we stop somewhere first?

Mama:you always hungry these days

We stopped by at steers and I ordered ribs, with half a chicken, burger and a coke. I was that hungry

Mama:I'm never taking you out ever! , these days you seem to be after my money!

I laughed...

Me:I love you too mommy!

I kissed her cheek.

We then went home and she wanted to stay and

watch me.

Me:mama ,I'll be fine. I'll call you when something's wrong

Mama:I just hate it when I have to leave when you not feeling well

Me:I'm fine, just go!

Mama:okay..okay but call me when...

Me:I will bye now!

She sighed and walked through the door..

I took my food and went to my room and began with my feast!!

I was in my office when Nokwanda got in.

I looked at her...

Me:how did you get in?

Her:the receptionist knows me so

I sighed in annoyance...

Me:what can I do for you?

Her:i came to see you .

She walked seductively to my table.

My strongest weakness is when a bvtch offers herself to me, I can't hold myself .

Her:did you miss me?

She held my pants... Thats when I lost it

..

I kissed her hungrily and put her on top of the table.

I took off her vest and played with her nipples and she started releasing her sounds and I went down to her skirt, removing it. We kissed for a while and now I was hard.

I parted her thigh and entered her.

I started going going back and forth roughly she started screaming and I kissed her.

I took her off the table and made her bend and put her hands on the table.

I started going from the back, she pushed me and I held her hands.

She was screaming uncontrollably

I woke up and I was still wearing my uniform i changed to my pjs and I went downstairs for dinner . I ate and after that I washed the dishes while the fam marched to their bedroom.

After I was done I also went to my room.

Just as I was about to sleep I got a call from

Manda .

Manda:bunny, how you?

Me:I'm good hunnay, you?

Her:I'm also good, I called you earlier but you didn't answer.

Me:I was sleeping babe

Her:you very weird these days

Me:you told me earlier so thank you

Her:thats because I'm worried about you okay?

Me:I know friend but I'm okay .

Her:okay, I'll see you tomorrow. I love you

Me:love you too

she hung up.. And I slept...

**NEXT DAY!**

I woke up and did my daily routine and went downstairs.

Me:morning!

Them:hey!

Tata:how are you feeling?

Me:I'm feeling good thanks daddy

Mama:you need to go for a check up baby, we can't take any risks. You in matric you don't need to be sick

Me:I hear you mommy, but I'm fine now

Tata:unje kee loo mntana unenkani (this child is stubborn)

Me:dad let's just go before you start being on my case

I attempted to get up but my body became heavy

Mama:Omphile!, you okay?

She said coming to me...

I nodded and stood up and i felt light I

attempted to balance by the counter and I lost

She hugged me...

Tata:are you feeling okay my baby?

I nodded...

Tata:let me call the doctor

He went out...

Mama:are you comfortable baby?

I nodded..

Daddy came back with the doctor...

Mama:what's wrong with her doctor? Is she going to be okay?

Doctor: I ran some tests and she's not suffering from anything but despite the fact that she's pregnant so it's part of the morning sickness and...

Daddy:what did you say doctor?

Doctor: your daughter Mr Johnson is 2 months pregnant

I swear the world stopped moving...

I froze...

I can't be pregnant , my palms started sweating,

The doctor continued...

Doctor:she should get enough rest and it's the early trimester so she should be really carefully, she must eat healthy and not be stressed .

Mama:thank you doctor

The.doctor walked out

Mama:amen

Tears fell...

I looked at dad and I saw dissapointment in his face, I wanted to say something but words failed me.

He exited and the lump on my throat became too much to handle

Amanda

I was bored the whole day, Omphile was absent and I don't know what's wrong and I was getting worried because these days she's been weird.

It was after school and I was walking to the gate when Vuyo approached me.

Vuyo:Amanda!, please wait!

I turned and he ran towards me.

Vuyo:hey

Me:hey

Him:where is Omphile?

Me:I'm not sure, she was absent today

Him:that's unlike Omphile

Me:I know

We walked together...

Vuyo is the head boy this year and he's cute.

He's not like all the headboys, being a player.

He's cool just crazy about Omphile and Omphile

being Omphile doesn't see that cause she loves Junior well she loved Junior.

Him:so what are you guys doing this weekend?

I shrugged my shoulders..

Me:I'll be at home, I don't know about Phile, why?

Him:well my friends and I are hosting some party, for grade 12s you know

Me:schools just opened and you throwing parties?

Him:no we welcoming the grade matriculants man we wishing ourselves a good year.

I laughed...

Me:I guess I'll have to ask Omphile, cause I'm game

Him:who knows, maybe she could give a poor guy a chance

I chuckled...

Me:you do love her don't you?

Him:a lot, but don't tell her

Me:why?

Him:cause shell think I sent you

Me:mY lips are sealed

We arrived at the gate and parted ways.

Wewerr in my office just me Lwando, Thabo ,  
Sbu and Bonga. Jeff was overseas with his  
family.

We were discussing our about how to plan  
about our next move.

Sbu:my hands are itchy and I need money,  
Thabo don't keep us waiting .

Thabo is the one who plans our heists and he

doesn't know how to shoot.

Funny I know...

Thabo:just chill man, I'm working on something big

Lwando:bro's we don't need the same mistake like the last time. Remember a life is important than money

He said looking at me.

Nokwanda got in, my door was wide open.

Her:good afternoon guys.

What's up with this bitch , my face changed and Lwando noticed. She was annoying me to the core and when I lose my cool I was going to kill her .

Lwando:yeah police officer , aren't you supposed to be busy catching criminals instead of disturbing us?

Her:I..I just came to check up on Junior

Sbu:check up on him?, is he sick? .

She shook her head...

Sbu:well instead of looking for a dick I suggest you go cool off your detective, she would like Some pussy seeing how stiff he is!

Nokwanda stood there looking stupid..

Lwando:you still here?

He took out his gun and cocked it

Lwando:get going!!

She quickly left bumping into the wall until she disappeared and the gents laughed, I chuckled..

Me:see what you signed me up for? , I swear I'm going to kill her

Thabo:these guys, how can you scare a police like that?, what if she coughs everything

Sbu:she wouldn't, she would first get arrested for stealing evidence and then after that I would

kill her

.

I was discharged and we went home, it was sour in the car. The father who would joke around was dead, today and the mother would always talk none stop was also dead

..it was like I was with different people.

We arrived home and I attempted to go to my bedroom as I couldn't face them.

Mama:Omphile!

I returned and looked at her...

She pointed on the couch..

Dad sat at the high chairs in the kitchen..

Mama:Omphile how could you hurt us like this?

I looked down

Mama:what do you know about children, you still a child yourself. How are you going to look after a child? . You in matric for Christ's sake!. Don't you know how to condomise? If you feel like you too old because I don't even know why you would engage yourself in sex when you this young!

Tears started to fall...

Mama:so what are you going to do now? Are you going to drop school and look after your baby? Are you going to look for a job?.

Mama:I've never been so disappointed in my entire life

My broke into million pieces after she said that.

Dad has not spoken ever since...

Mama: who is the father?

I rose my head and looked at dad and as soon as our eyes came in contact he looked the other

way.

Mama:I asked you a question?!

Me:Junior Ngcobo mama

Mama:ohww lord no!!, Omphile you jumped your agemates and dated with that scumbag after we warned you to stay away from him!

Dad got up from the chair and went to his bedroom minutes later he came back with his gun.

Mama went up to him...

Mama: Xolani wenzani(what are you doing?)

Tata:that bastard ruined my child's future! I'm going to kill him! move!

Mama:you going to kill him, so you'd rather have your grandchild fatherless?

Tata:I'm going to father the child

Mama:you going to father it how? Because

you'll be in jail!, Xolani think before you act! That child is going to hate for the rest of your life, now tell me do you want that?

Tata:at least it won't have a gangster father

Mama:who are you to judge Xolani?, do you want our child to suffer the way we did?

Dad went to sit down and held his head.. After a while he went to his bedroom.

Mama went to the kitchen, to cook I assume..

Mama:go to your room Omphile, I'll call you when food's ready.

I stood up...

Me:mama I'm sorry

Mama:just go to your room Omphile

She said not looking at me.

I was broken I won't lie

My alarm beeped and I groaned , I just didn't wanna go to school. I wasn't ready to face the world, I mean how do you face the world when you can't even face your parents .

Someone knocked on the door..

I let him in...

Mama appeared...

Her:I wanted to check if you up already, don't want you to be late for school

Me:I'm already up mama, thank you

She nodded...

Her:hurry up so you can get breakfast.

I nodded...

She went out and I slowly got up, made my bed and then went to the bathroom after like 20 minutes I got out and lotioned then wore my school uniform.

After I was done I went downstairs and I found mama making food, dad was not present .

Me:uphi utata?(where is dad?)

Mama:ohw he went to work early, had a meeting

I just nodded with tears threatening to come out .

Daddy never leaves me even if he has a meeting what's so ever.

Mama gave me breakfast and after we were done she took me to s school.

I found Amanda waiting for me by the gate..

I made my way to her...

Manda:first lady!!

I slightly smiled a little

Me:hey

We hugged...

Her:are you okay?

I nodded but who was I fooling, tears fell from my eyes...

Manda hugged me..

Her:ohww baby shhhhh , talk to me what's wrong?

I pulled away from the hug and wiped my tears, with her helping me.

Me:it hurts so bad Amanda , I'm disappointed in myself. Everything is going South and...

Manda:phile baby calm down, tell me what's wrong?

Me:I'll tell you st break time, Now is not the place

She nodded...

The siren rang and we went to the assembly then after that we went to the classes and I got called to the principals office cause I was absent the previous day .

I woke up feeling annoyed if I mat say, I just didn't want anything . I went to the kitchen and nothing excited me there.

I clicked my tongue and went back to my bedroom and took a cold shower and prepared to go work.

I went to work and the moment I walked in the smell filled my nostrils and I didn't like it, it made me feel nauseated.

I went to the office quickly because I couldn't

bear the smell.

Omphile

It was now break time and we went to the soccer ground, was quiet there.

We sat down...

Manda:Omphile you killing me, tell me what's wrong

I didn't know how to blurt it out, I mean she is Junior's sister and I didn't want Junior to know, as yet

Me:I'm pregnant!

She looked at me for a while without saying anything

Manda:Phile you pregnant? My god I don't know what to say. How did the parents react?

Me: it's a mess friend, daddy won't talk to me  
he won't even look at me. In the house it's tense  
She hugged and I cried with her brushing my  
back

Manda:does Junior know?

Me:he doesn't, and I don't want him to know.  
You know yesterday dad wanted to kill Junior

Manda:I'm lost for words, but don't stress. It's  
not good for the little one , your parents will  
come around they have to understand that you  
didn't ask to be pregnant.

Me:I hear you friend but...

Manda:don't do that baby, don't blame yourself.  
You just made a mistake

Me:a mistake that will be a pain my whole life  
, I'm in grade 12 how am I supposed to study  
with a baby on the other hand?

Manda:don't see your baby as pain Omphile you have my support, your parents will support you when they've cooled down

I nodded...

Manda:you going to be fine, I promise you, now I heard that pregnant mommies looove food!,

Manda:pshh don't flatter yourself, pununu will look like me

I was in the toilets wiping my tears.

The way I was so embarrassed yesterday makes me hate myself .

Junior just stood there and let his friends make fun of me.

I've never been embarrassed like that my entire life,

I was in work and I needed to head back cause detective was waiting for me so that we could go and collect evidence from a crime scene.

I fixed myself then went out.

Detective: finally!, I thought you drowned in the toilet

I faked a smile

He looked at me

Him:are you okay?

I nodded...

Me:yeah, let's go

He also nodded and he started the car.

We arrived there was a trailer that delivers those expensive cars and the cars were stolen. The trailer was off the road and no sign of murder, looked like they just took the cars cause no one was killed

Detective: damnit! This has Juniors crew written all over! How did they do it!! I mean we had road blocks and traffickers patrolling

Me:are you sure detective, I mean it could be anybody

He shook his head.

Him:When there is Junior with Sbusiso these types of things happens, the frustrating thing is that they did this clean no sign of evidence

As much as Junior is an bastard I still care for him and I wouldn't want something bad to happen to him.

I texted him a message.

"You are suspects of the Trail or that was robbed, please don't tell me you did it"

Detective:nokwanda come and collect this!

I put my phone in the pocket and made my way to him.

Lwando: chill out man , Thabo made sure that we did the job clean! So there's nothing to be worried about.

Mandisa(Lwando's P.A) got in with our food, I ordered a milkshake with spur ribs.

Me:thank you Amanda, put it here

Her:you know maybe this is your punishment for what you've done to my friend.

I slowly rose up and looked at her

Manda:don't look at me like that, you know you've hurt her a few times and...

I quickly got up and made my way to the bathroom and threw up

Manda:are you alright brother?

She giggled...

I got up and made my way to the bedroom, my stomach felt like it was twisting.

Me:I see you enjoying this, what if I die?

Manda:you afraid of dying while you kill so many people?, maybe this is karma

Me: get out

my cheek I looked up and it was dad.

My heartbeat accelerated.

He wiped my face, I didn't even recognize I was crying.

Dad:it's okay my Baby

He hugged me...

Me:I'm sorry daddy , it was a mistake and...

He looked at me...

Dad: my baby don't say a baby is a mistake , yeas I'm disappointed but that doesn't mean you should blame yourself. It's going to be okay and you'll be like the other kids, you'll go to school and pass your matric. Don't be sad

He kissed my cheek

Him:are you ready to go?

I shook my head...

Me:I'm still eating

Daddy chuckled...

Mama came to me.

Mama:see , I told you everything is going to be fine

I smiled...

Me:thank you mama

I finished eating and dad and I evacuated.

I arrived and as usual Manda was waiting for me at the gate. We hugged and went towards the class.

Amanda:do you have morning sickness friend?

I shook my head and she laughed...

Me:why do you ask that?

Manda:Junior believes he's dying

Me:what?

Her:the morning sickness and also the evening sickness if I may say

What Amanda was saying was confusing me .

Me:Amanda what are you saying?

Amanda:Okay, since you not feeling sick as you should be when you pregnant well Junior has those sickness and he looks like a mess

I laughed...

Me:is that really possible?

Manda:yeap!

Me:Junior doesn't like to be sick, how is he?

Manda:he is ugly I tell you! and he's scared he will die and I'm there to make it worse . What finishes me the most is the love he has for milk with apple.

I looked at her...

Manda:my brother mixes milk with apple juice

Me:euwww

Her:crazy right

Me:gosh I'm feeling sorry for him

Manda:I enjoy seeing him like that

Me:you so evil

Manda:come on, it's not serious just the sickness he'll be fine

I laughed...

Me:you so crazy

We didn't have assembly so we walked to our classes..

.

.

Junior

It's like I was getting worse day by day

Lwando called me...

Him:dude where are you? We have a meeting in 10 minutes.

Me:sorry bro but you have to continue without me

Him:what?

Me:I'm sick and I can't even get out of bed

I heard him sigh..

He knows how I feel about being sick so he didn't push..

Him:alright I'll see you

Me:sure

He hung up and I went downstairs and mom was there making breakfast

Mom:good morning baby, did you sleep well?

I shook my head...

She felt my temperature ..

Mom:but you fine today , you not hot

Me:mama I hate getting sick and this is scaring me

Mama laughed...

Her: come on you going to be fine, come eat

I sat down and ate...

Minutes later I went to watch the TV and mom left for her business that she started months ago, she bought a restaurant and now she owns it.

.

.

Omphile

It was now break time and we went to tjebtuck shop to buy Sone food.

It was my turn to buy so Manda waited for me at the nearest bench.

I bought a lot of food that even NY hands couldn't occupy so I called Manda for help.

Manda:why would you buy the whole store

Me:I'm hungry

Manda:you going to finish all that?

I nodded..

I have her, her pie and her can drink.

We walked away to a quiet place...

Vuyo made his way to us...

Vuyo:(whistling) Omphile you sure have an appetite

Amanda: a lot if you ask me

I sighed..

Me:I'm pregnant so...

It went quiet for a while..

Vuyo:you pregnant?

I nodded taking a bite in my pie..

Vuyo:wow I don't know what to say

Manda:yeah you should don't know what to say, you should keep quiet

Vuyo:come on Manda don't make me look like a

bvtch

Manda:I was just warning you

Vuyo:so how many months?

He said touching my stomach and I hit his hand

Vuyo:what was that for?

Me:you going to attract eyes

Vuyo:you moody, so how long?

Me:2 months

Vuyo:wow, can I be the god father?

I laughed while nodding.

Vuyo:or even the step father?

Manda laughed and looked at me

Me:what?

Manda:uVuyo asked to be a step father

Me:that ain't a bad thing mos,

Vuyo smiled..

Me:but it's not happening

He frowned...

Me:you'll be strong.. I kissed his cheek

The siren indicated that break time was over.

We stood up and started walking...

Vuyo:can I take you out?

Me:me?

He nodded...

Manda:be careful, she'll order the whole restaurant

I pinched Manda a little.

Me:you forward

Manda:but it's the truth friend

Vuyo:I don't care, so what do you say?

I nodded...

Vuyo:okay cool , I'll meet you Saturday

Manda:aren't you supposed to be in a party Saturday?

Vuyo:I'll cancel

Manda: wow!

I slowly got up and made my upstairs.

Lwando:come on small ass!

I raised my middle finger on him..

Bonga:are you sure you not gay?

Lwando:don't fuck with me

The gents laughed...

I got in my room and prepared to go. I took a quick shower, lotioned then wore a black ripped jean with Jordan's black shirt and black air force kicks and a black nike beanie.

I went downstairs and we hit the road.

Omphile

"How about this one?"

I asked showing Amanda and she shook her head.

We were in my room and we were home alone. My parents went Umthatha they would be back later on to my father's side. I didn't wanna go.

I sighed and sat down...

Manda:come on friend just be simple, you trying to impress?

Me:like what? my clothes don't fit me!

Manda:come on Phile, you ruining the make up by crying

I wiped my tears carefully, avoiding to ruin the make up...

Amanda took out a black redbat dress, it wasn't hugging me, was just loose and it was short but not too much. It was just below my knees with

white fila kicks.

Me:what if he's taking me to a high class restaurant?

Manda:Phile I don't care okay , we changed like 20 times come on go wear this you'll be fine

I sighed and went to wear the outfit then came back

Manda:now you look sexy mama

We high five .

A hooter came up

Manda:good bye baby

Me:bye love

Manda:was talking with my nephew

Me:mxm whatever!

I took my mini bag and went out.

A red GTI was outside the gate, it was so beautiful with spotted colours. Beautiful if I may

say. Vuyo came out and went to open the door for me.

Vuyo:you look beautiful

I just blushed

I got in and we hit the road..

Me:so where are you taking me?

Him:you'll see

Me:I hope it's not a fancy what what cause you can see how I'm dressed

He chuckled...

Him:relax your outfit is perfect, you beautiful

Me:you've told me that a thousand times

Him:and I wouldn't mind telling you again

I smiled and looked at him and he did the same thing.

Me:focus on the road dude! , I don't wanna die!

Him:I just can't help myself, umhle ingxaki  
(you beautiful)

Me:gosh you know Xhosa?

Him:why wouldn't I

Me:you look like those chesseboys who only  
speaks English and your skin says something  
else

Him:well there's a lot you don't know about me  
I smiled and he did too..

Gosh this was such a turn on ...

Turns out he was taking me into a chesanyama,  
this was surprising.

Me:I didn't know you roll in these kinds of place

Him:I'm not the cheeseboy you thought I was.

Me:I can tell

We went to sit down and he went to order.

Minutes later he came back and I was bored to death.

Me:finally you came

Him:sorry nana, got held up

That name made me miss Junior, I wanted to cry

Him:are you okay?

I nodded...

Me:it's just these stupid hormones.

We ate over light convos and I can say that I enjoyed my

I eventually went home and I was bored to death. Mama was at her restaurant and Junior was in his crib so I was really bored.

I called Sbu...

Him:putsununu

I rolled my eyes...

Me:hey, how you?

Sbu:I'm good sthandwa

Me:where are you?

Sbu:I'm out with the gents baby, what's up?

He chuckled...

Omphile

So now we were preparing to go home since it was getting late.

Him:I enjoyed your company even thou you ate my food

Me:Amanda did tell you that I'm dangerous

Him:now I know

We both laughed..

Him: can we do this again?

Me:sure

We went near the parking lot and just and stood

near the car and no words were exchanged...

Him:you really beautiful

I blushed...

We kissed and after a while I heard a whistle, I pulled away and it was Lwando with Sbu , Bonga, Thabo and Junior they were holding can's of Heineken and Thabo had a pack on his other hand. They looked tipsy if I may say

Lwando:someone's gonna die tonight

He sang...

Lwando:"someone's gonna die tonight"X2

My throat was dry, I wasn't expecting them I won't lie especially Junior.

Sbu:so Phile you rolling with abo cheseseboy?

He laughed

Bonga:shame he's so cute , I can't imagine him when he's bruised

The way Junior was looking at me was uncomfortable, Vuyo on the other side was looking lost..like it was his first time seeing them...

Thabo:gents let's leave the highschool kids alone, I mean they busy showing each other love

Junior got closer to me and sniffed on my neck..

Him:so we moved on now sweetheart?

I remained quiet...

Him:mas'vaye(let's go)

I looked at him... Not moving an inch

Him:andivakali?(don't you hear me?)

Me:Junior please leave me alone

Lwando made his way to Vuyo...

Lwando:I suggest we go buddy , we wouldn't want to interfere into a couple thing.

He pulled him away...

Junior:Omphile get in the car

I shook my head...

He sipped on his can then threw it away and buried his hands into his pocket, he was way too close and his smell was killing me. I got butterflies in my tummy. It's this child thats making me feel like this, his child ..

Him:I'm not going to repeat myself

I dragged my feet and made my way to the car. I waited for him to unlock then I got in and

banged the door hard..

Him:yhoo thixo, andazi likwenzeni kee  
icango(ohw god, I don't know what the door did  
to you)

I clicked my tongue and he chuckled...

He started the car and drove away.

Junior:you look beautiful

I kept quiet...

Him:hawu!, not even a thank you

I turned and faced the other way...

Him:Nana?

I melted but I didn't wanna show...

He took my hand and I yanked it off .

Him:yho

I wanted to kiss the shit out of him but my pride  
wouldn't let me

The drive became total silent.

We arrived in my place , he parked right in front of the main gate and I saw the parents car in the drive way.

I attempted to get off but he locked the doors

.

Junior:so you dating with that boy?

Me:if I am where does that concern you?

He chuckled and looked down then back to me again...

Him:I guess it doesn't , goodbye Omphile

He unlocked the doors and I got off and made my way to the house... And he drove off after I got inside.

.

.

Junior

I should teach all these boys that nobody touches what's mine..

I called Lwando ..

Lwando:sure

Me:where you at?

Him:at an open field near the Sbu pub and drill

Me:aryt

I clicked my tone, I didn't expect to see Omphile in a place like that. But I'm glad I did, she was different thou she was wide if I may say and very beautiful, was glowing.

Kinda made me jealous .

I arrived at the field and the gents were in standing there drinking, playing music so loud in that red Polo and just dancing around with that boy in the middle, looking stupid.

"Aw ngithi jaiva ufudumale Nana

Thina sob'shaya k'phumilanga ntanga  
Asizanga k'zodlala lana so phandi' saka  
Besphush' iskhanda ngale namba namba  
Ai lana ziyawa, biza bo kgata  
Eish nale namba, Ibiza abo kgata  
Hai ziyamporoma"

I made my way to them...

I took a can, opened and drank...

Me:why is it every time I see you, you have to be  
with my girl?

The boy shrugged his shoulders...

Thabo:wrong move boy

Something inside moved and I punched him in  
the stomach while the gents were minding their  
own business just dancing... And laughing.

Me:well now you'll know because no one plays  
in my territory .

I punched him again and he coughed hard..

I picked him up and held him by his collar...

Me:do you hear me?, no one plays in my territory.

I threw him down and started kicking him

Sbu:"biza bo kgata, Eish nale namba Ibiza bo kgata"

After a while I got off and went to take another can, he was laying there on the ground...

Me:gents let's move!

Thabo:what do we do with him?

Me:let's take him to the hospital

I went to his car with Lwando while Sbu, Bonga and Thabo went to the car we were with. We drove to the nearest hospital and left him there with his car...

After that we went to the other car and sped

off...

The bros dropped me home and I went straight to my bed...

.

Omphile

The following morning we went to church , nothing much was happening except that i was trying to get hold of Vuyo and his phone would take me straight to voicemail . It was now Monday and I was preparing for school.

I bathed and then went downstairs, ate my breakfast and then daddy took me to school.

As usual I found Manda on the gate and we headed to the assembly, prayed then headed to our classroom.

Manda:so how was the date mammy?

I sighed...

Me:would've been great if your brother and his squad didn't have to ruin it

Her:what did they do this time?

I told her everything...

Manda:wow!, what's his problem vele?

Me:that I would like to know, and I've been trying to call Vuyo the whole day but dololo

Her:I didn't expect this shame..

Vuyo got in with bandages and his arm was in a sling, he looked like he was in a lot of pain.

He looked around the room and when his eyes met mine he looked away.

I had no doubt that this was Junior written all over .

Manda: gosh what happened?

I ignored her and went to him..

Me:Vuyo what happened to you?

He just looked at me and continued with what he was doing..

Me:Vuyo?

Vuyo:look Omphile, just stay away from me okay. I don't want trouble

I swallowed the lump in my throat and returned to my seat...

Manda:what's up?

Me:it's junior

Her:what the??

Me:yeah!

School was just school and before I knew it was out...

I went home.

.

.

Amanda

Mom dropped me home and returned to her workplace and I found Junior on the kitchen chair drinking his shit of a mixture.

Me:how dare you?

He looked at me dumb..

Me:how dare you beat another woman's child Junior, what kind of a human being are you?

Him:so he ran and told you guys?

Me:you so self centered, how do you think that made Omphile feel?

Him:why should....

Me:Omphile is pregnant for Christ's sake how do you think she will fee...

Him:whoaa, what did you just say?

He got up from the chair and looked at me...

Ohw god me and my big mouth ...

Junior:Omphile is pregnant?

I kept quiet...

Junior:Amanda talk marn!

Amanda:Omphile is 2 months pregnant

Junior: you've got to be kidding me!, she is caring my baby and no one cared to tell me!?

Me:she wanted to wait for the right time..

He started walking towards the door...

Me:Junior where are you going?!

He ignored me..

Ohww man, shit is about to get real

I woke up with serious banging head ache, I looked around and I was in my room. I tried to raise my head but it felt like it carried a truck

...

I looked besides me and I saw 2 chicks naked laying besides me.

I got up and I felt like there was something in my throat, I felt nauseated.

I wore my boxers and when I was in the process I felt like something was coming out of my throat, I quickly went to the bathroom and threw up . This never happens, I dont usually have this ishh... .

I returned to the bedroom and these hoes were still sleeping, I checked the time and it was 12:23, shit!!

I woke them up..

Me:ladies!, this is not a hotel get up!!

Chick #1: why are you loud?

Me: just get up and leave

Chick #2:but we still wanna have fun

Me: look here, I'm going to the kitchen when I return I want you out or else...

I went to the kitchen and made my mixture of milk and apple juice...

I sat on the kitchen counter and after a while

the chicks came down another chick made her way to me...

Chick: last night was fun

She made her way to my boxers and I stopped her

Me: I wish I could say the same thing but I don't remember anything, it was nice meeting with you but I would like you to leave

Chick: we need some money for the taxi

I sighed and made my way upstairs took out some cash, returned to them and gave them some stack.

Chick: bye lover boy!

I clicked my tongue...

I went upstairs to take a shower, after I was done I wore some Adidas track pants with a red bat vest and an Adidas kicks.

I made myself some food and went to my car..

School was school and before I knew it, we were out. We made our way to the Gate and my dad wasn't there, meaning he hasn't arrive , weird...

Manda:friend that's my mom, I love you

Me:I love you too friend

She went to her car and I remained waiting by the school gate.

After 5 minutes NGUD' started playing and I sighed, wasn't ready for this ...

The whole attention was now at the car and the driver cause the girls started screaming .

He parked and came out, I looked the other way hoping he doesn't see me but then I felt some hands around me.

He brushed my tummy, gosh his smell was something else.

I turned and looked at him with a serious face, the whole school was looking at me and I hated it .

Him:the whole school is looking at you so I suggest we go .

Me:no I'm waiting for my dad so

Him:your dad isn't here, let's just go don't be moody .

I sighed and went to his car and instead of taking me home, he took another route.

Me:please take me home

He kept quiet and continued driving...

He parked at some hospital and got out, he came to my side and opened my door, I got out

Me:what am I doing here?

He kept quiet again and he took my hand and we went inside.

We went pass the receptionist and made our way to some office...

He didn't even knock...

Junior: Musa my guy

Musa:Junior boy!

The fist bumped...

Musa:so what brings you here?

Junior:we here for a checkup, we pregnant

I rolled my eyes...

Musa:so this is Omphile?

Junior:yeah, but she's spitting fire

Musa laughed...

Musa:Junior, now you know how to make people pregnant?

Junior:don't fuck with me!

Musa:okay look I'll take you to some gynecologist to check you

Junior:is he available now?

Musa:you know I make things happen, so he will be

He made some calls and after a while he took us to some doctor, a female doctor and he was checking Junior out .

Doctor:do you have morning sickness?

I shook my head...

Junior:don't you have a mouth?

i just looked at him...

Me:no doctor I don't have morning any morning sickness expect the fact that I collapsed twice

She nodded while writting...

Her:any weird cravings?

Me:I just like ribs and I eat weetbix, which I hate them but now I can't get enough of them

She nodded again and I got annoyed...

Doctor:it is expected for you not to have these symptoms meaning that the father has them for you

Junior:what?.

Doctor:well Mr Ngcobo , you can have sme sickness that you NIR used to like throwing up, eating unusual ....

I was fed up with this woman, the way she was talking with Junior disgusted me , I was getting angry and junior looked like he was enjoying it ...

She finally got done with explaining the shit that she was saying...

Doctor: I'll need you to change into this

She was holding a hospital gown. I took it and went to wear then came back and laid on the

bed...

She showed my tummy

Doctor: this may be cold

She put some gel in my tummy and indeed it was cold, my tummy was showing but not too much...

Junior was besides me holding my hand, I didn't have the energy to fight with him, plus this doctor had to see that she had no chance

.

She started doing her thing

Junior: is it a girl or a boy?

Doctor: it's still early to tell,

The machine started beeping weird if I may say.

Me: what's that?

Junior: is everything okay doc?

Doctor: I can hear two heart beats

Junior: 2 heart bea??, that means we have twins?

The doctor nodded

After a while we were done and she printed the photos, Junior couldn't stop looking at them and kissing me

He was happy...

Junior:thank you

Me:you've been thanking me since we left the hospital

He chuckled...

Him:I could never thank you enough, you gave me a chance to be a father something I thought I would never be

Me:why?

Him:I was always this boy who would hit and pass, never got feelings but when I met you. You changed that and I knew how to love

Me:you had a funny way of showing that

Him:Phile I know that I hurt you real bad but please baby, please give me another chance

Me:Junior you broke me . After so many times of forgiving you, you still hurt me we not good for each other Junior

He sighed and put away his food...

Junior:I know but it was never my intention believe me

I chuckled and looked away...

Me:I called you and a woman answered your phone, how do you expect me to react?

Him:you know I just wish that you could understand that I did that for you

Me:for me!?, you slept with a bvtch and she answered your phone and you going to tell me that you did that for me?!

Junior:Omphile I slept with that woman because she is a police officer!, I had to save my ass and also yours , if I hadn't done what I did I would be in jail now and my enemies would've made you their dancing ball especially now that you pregnant!. Omphile you chose to love me with who and what I am and you accepted that! I did what I had to do, would you have me rather to be arrested and let you be a single mother or would you rather let me do what I did?!

Tears were flowing, it was a lot to take in.

Me:why couldn't you tell me?

Him:you were not going to understand, you were going to let me quit it. I love you Omphile and I would do anything for you

Me:I can't, I can't go back to that trauma again

Him:I'll wait for you, we'll raise our babies together

Me:please take me home, my dad must be worried

He nodded and started the car, the whole drive was silent...

I was now 5 months preggie! . I was happy and I got the support that I needed from the friends and family.

Daddy accepted Junior though nothing was happening between us

I had to leave school since I was starting to show , I was getting home schooled.

I would get 3 lesson per day which would take 1

hour and 30 minutes each.

I would only go to school for my exams only ,  
Amanda would come visit me on weekends and  
on weekdays if she can. Junior and I well we  
friends, but he wants more than that but I  
couldn't give him more than that.

It was now in the midday and my last period for  
the day just ended so I went upstairs when  
Junior called me.

Me:what's up?

Junior:so no hiy baby or love?

Me:don't flatter yourself , what do you want?

Him:let's do lunch

School sucked, because I would walk alone Phile wasn't attending anymore .

I was in class and it was the maths period and I was bored to death .

Miss James:miss Ngcobo can you please stand up and solve this equation for us please

I looked around...

Me:me?

Her:is there any miss Ngcobo in this class?

The chuckled laughed a little...

Me:well since you on the board you could also solve it mam

If Omphile was here she would've humbled herself and apologized but now I'm alone and I won't apologize ...

Her:get out!

Me:thank you mam

I slowly went out and went to sit in the next ball court.

I took out my phone and texted Phile on WhatsApp...

Me:"sexy mammy! "

She replied after 5 minutes...

Her:"aren't you supposed to be in class?"

Me:"that bitch James kicked me out "

Her:"let me guess, you were sleeping "

Me:"yeap! "

Her:"I have to go babe, I'm meeting with Junior so..."

Me:"you gonna stop talking to me cause of that dickhead "

Her;"that's your brother!"

Me: "whatever, bye "

She blew a kiss...

I logged out and log in to insta but a voice disturbed me...

"Hey!"

I swear I almost dropped my phone that's how freaked out I was ...

Me:gosh you scared me, shouldn't you be in class?

He chuckled, gosh ...

Him:I should be asking you that question

I chuckled also...

Him:Kagiso

He said taking out his hand...

Me:Amanda

Kagiso: so Amanda what are you doing here in school hours?

Me:well I was sleeping, and you?

Him:same here

She went to sit in the couch that was cross my office.

I called my P.A to buy so.e food for us. After an hour or so she came...

Her:here you go sir

Omphile gave me look and I smiled inside...

I laughed and ran after her, she had tears...

Me:I'm sorry baby, I just wanted to make you jealous. I wanted to see how you would react, nothing is going on.

Her:promise?

I nodded...

Me:but I don't understand you, you don't want us to date but you don't want me to check other girls

Her:

Me:I'm joking

I went up to her real close and held both her hands..

Me:I miss you

I kissed her and she responded...

I pulled out...

Her:Junior what are you doing?

Me:nothing

I kissed her again this time letting go of her hands and holding her body..

She breathed out loud...

Her:Junior this is wrong

Me:yeah but we both want it right?, to us it feels right?

She nodded...

We kissed and she sat on the couch and I got on top of her, but not bumping her stomach...

Thabo:so there's going to be function a very expensive one with millionaire's and very expensive jeweleries. So here's the plan, we go there with our dates and the most easiest part is that people there will be wearing masks.

Bonga:so here's the inside of this whole place

He said putting the map on table

Bonga: we will split and we will contact each other using these

It was an earpiece...

Thabo:remember we can't do this alone so I have Some chicks who need serious money and are down to do anything

Sbu:you introducing bitches in our play ground?

Thabo:they not some random hoes, these girls used to bomb banks by themselves so they know the game and they good at it, they don't snitch

Me:when is this whole thing?

Bonga:in 1 week time we still need to get the inside look properly

We were all in the warehouse busy discussing the plan and Some chicks made their way in, 4 chicks to be specific

Lwando whistled while I kept my cool...

They were hot if I may say...

Lwando:god damnit!

Chick#1: hey boys

We nodded and Thabo made his way to her...

Thabo:how you?

Her:I'm good

Thabo:alright gents this is Felicia

He pointed to the one who greeted us...

Thabo:this one is Bontle, Akhona, and Mellisa

Sbu:Thabo do these girls even know how to use a gun?

The Felicia chick took a gun that was on the wall, loaded it then started shooting on the other wall six or seven times

I must say I was impressed...

She then made his way to Sbu and stood real close to him

Felicia: don't let this expensive weave and short dress fool you pretty boy

.

.

Omphile

I was drying myself as I got out of the shower and Amanda was laying on my bed...

Amanda: did you get vitamin D?

Me:why?

Her:I can see how happy you are, you've been singing none stop and you glowing

Me:well...

I wrapped a towel and went to sit next to her...

Me:Junior and I sorted things out

Her:sorted thing out?

Me:yeah we back together and everything is now fine

She sighed...

Her:mammy, are you sure?

I nodded smiling like a retard...

Me:you won't Toto

Her:you starting Pinky

Me:what the... , where did you .Daddy kodwa

She laughed...

Her:it's a cute name kodwa

Me:more like a name for a pig!

She laughed...

Me:that dumbass is the father of my little piglet's

Her:so you choosing him over me!

Me:yeap! , I'm choosing him and my little piglet's

I said brushing my tummy..

Manda:alright then, let me go spoil myself with steers since nobody cares for me

Me: for real friend?

She walked out

Me:wait for me!!

I said quickly wearing my grey maternity dress with black sandles

.

.

Brigado

Me:they will pay brother , every single one of them will pay for what they did to you .

I got up and put on my shades then made my way to my car...

I was from the cemetery and I was heading home...

I was still laying low since those bitches were still out for my blood but now I'm back and I will reign terror in every single one of them...

My driver spoke...

Him: where to now boss?

Me:to my secret garden

He nodded and started the car, they will all pay

Mama:I've called Amanda so she should be here anytime soon.

Me:mama you don't have to wait, go I'll be fine

Tata:you sure baby, I mean we don't mind

Me:but I do mind, I don't want you guys to be late for your function

Mama sighed...

Well they were invited to some function, something like jeweleries being transported from USA so now they'll be sold here in SA, I didn't really care .

Finally they left and I was sitting in front if the television with weetbix in front of me , I was craving them...

Manda came in after a while...

Manda:urgh Omphile, really?

Me:it's your nephew's okay?

Manda:but to eat that crap in the evening!,  
known what I give up

She said going to the fridge and she took out  
Some ice cream then made her way way to the  
couch...

Her:so what are we watching

Me:black panther

Manda:gosh you rented it

I nodded...

She screamed...

Manda:I've always wanted to watch that damn  
movie ,

She kissed my cheek...

I giggled...

.

.

Junior

Thabo:okay gents this is it, we don't want no flops Let's do this

We nodded...

4 black Mercedes Benz AMG were waiting for us, I was gonna ride with Mellisa, Sbu with Felicia, Bonga with Akhona and Lwando with Bontle. Thabo was was to stay on the mini taxi and observe the place for us, we was to wait for his signal at the function.

We were in the ware house and waiting for these girls , I was bored to death.

Bonga checked his wrist watch...

Bonga:Thabo where are your girls? What if they sold us , I swear I'm going to...

Thabo: just chill man, they coming probably getting ready or something

Lwando:for 2 hours? Come on man you got to be shitting me, that function ain't gonna wait for

us .

Voice:you boys surely don't have patience

We all turned and it was Mellisa, and they were looking hot!

She had a long black hugging dress that showed her back

Felicia:you all gotta know that ladies take some time to get ready

Thabo:know what just take these

He took out some ear pieces and we took one each..

After that we went to our cars while Thabo went to his different one, he led the road first...

I got in the car...

Mellisa:aren't you gonna open for me?

Me:don't you have hands?

Mellisa:so much of a gentlemen

She went to her side and opened

Me:that wasn't hard now was it?

I got in and drove...

Mellisa:so any wife that you left at home?

I took a glance at her and focused on the road..

Her:come on why are you like this? You uptight!

I chuckled...

Mellisa:this is gonna be one boring road urhhh!

We arrived and I parked besides Lwando...

Thabo:let's put our masks on

Mellisa and I did... I was assuming that the whole squad did cause we all heard him since he was speaking on the ear piece...

Thabo:we all did?

We agreed...

Thabo:okay listen, the equipments that we

going to use are in the storeroom and Mellisa will do the honors...

Mellisa:cool

Thabo:aryt, other instructions you'll hear them them when it's time to act on them...

We got out and made out way inside while holding hands...

The function was already halfway, thanks to the ladies ...

We went to sit down and it proceeded, and I was bored to death...

After Sone time we were released to get some refreshments or so after we return the jewellery would be sold...

I think I saw Omphile's parents, I was sure it was then cause they weren't wearing any masks and they couldn't see me cause my face was covered. My heart beat accelerated, they

shouldn't be here

I put my hand on the ear piece...

Me:gents this ain't gonna go good,Phile's parents are here!

Thabo:what??!

Me:yeah so this ain't gonna work

Felicia: so what?, we ain't gonna let your bitch keep us from doing it!

Me:who you calling a...

Thabo:guys come on stop it you gonna attract eyes

Me:I don't care, I ain't gonna do it!

Sbu:come on bruh don't...

Me:Sbu you do know that there will be dangerous tear gas, they could die!

Thabo sighed...

Thabo:okay look I'll think of something to make

them go and leave the place

Lwando:hurry cause we ain't got much time!

Thabo:I'll try!

If this could proceed with Omphile's Parents here shit could get real.. Omphile would never forgive me .

Thabo:it's all clear, they'll get going.

Me:cool

We had to wait for Thabo to make sure that Omphile's parents disappear or there would be a problem.

Felicia:it's about damn time

I heard her sigh and I clicked my tone...

Thabo:aryt we have a few minutes before people settle down so we have to make this fast...

Few minutes passed and it was time for us to return to the program again we took our sits.

The jeweleries came and they were out of this world...

The owner stood up and went to introduce the jeweleries...

Him:right here ladies and gentlemen is a diamond and....

Thabo:it's time!, start to evacuate to the storeroom one by one.

I looked around and Sbu stood up then after like 2 minutes Bontle did ...

.

Omphile

Me:that's it for today, I'm way to tired

Manda:come on!

Me:ha.a I can't anymore , goodnight

Manda:you such a bore yazi

Me: whatever

I got up after watching 5 movies the last one was a horror so Amanda wanted to stay with me cause she was afraid, but she wouldn't say it cause she loves to act touch ...

My parents came in as I was going up the stairs, more like they saw a ghost...

Me:okay what's up?

Tata: what the?

Manda:what the what?

Mama:we received a call saying that you in pain

Me:me.? In pain?

Tata:yeah, we had to leave and rush back home

Me:who was calling you?

Mama:was a private number

Manda:wow

Me:I'm surprised!, I mean as you can see me I'm fine

Manda:yeah, you can return to the function

Mama:no, I'll just go to sleep, I'm tired anyway

She went up with dad following her... This was weird. Why would person call my parents and say I'm in trouble??

I looked at Manda and she looked at me too.

My mind couldn't leave Junior but the main question was that WHY WOULD HE MAKE MY PARENTS LEAVE THE FUNCTION?? ...

Manda:this is confusing

Me:say that again, anyway you still watching?

Her: nah, I've lost my appetite

I laughed, this girl can be dramatic

.

.

Junior

We were now all in the storage and the Felicia put on her gas mask then took the gas and went out to enable in the room that had everyone...

Minutes later she came in and people started screaming...

We waited in total silence while we had our gas mask on...

Thabo: 5..4..3..2..1 , hit it!

We walked to where the jewelry was and took out our small black bags, they were more like wallets and started taking, I took the rings while the other took necklaces and other things

Thabo:come on we have 2 minutes left before the popos come!

We finished and made our way out through the back door and went to the car where Thabo was, leaving the ones we came with behind...

Bontle: damn this was fun!

Akhona:neh!

Thabo hit the road ... We were heading to the warehouse, ...

We arrived then went to the round big table...

We took out the bags and took out what was inside.

Thabo whistled...

Him:we going to be rich for the next 5 months

We all made noise

Sbu:honestly I didn't think the chicks were capable

Felicia:good thing you thought wrong

Me:and I also think it's safe to say we are a team

Akhona:hell year we are

We laughed...

Mellisa:we deserve some bubbles

Me:it's way too late , I don't know a place that's still open at this time

Akhona:who's going with me?

We looked at her...

Akhona:I know a place where we can rob and buy a few things free

Bonga:I won't say no cause it sounds exciting

Akhona giggled while they went out...

Me:better not get arrested...

Akhona:I ain't no amateur!

They walked out

"It is with great pain to announce that all the jeweleries in the Kevin bookers have disappeared after some gas leaked...."

I wasn't paying attention to the rest, this was shocking...

Mama:this is shocking

I was halfway the stairs when I heard the news on the TV, I went to the kitchen to make a peanut butter bread with a polony and some cheese and some juice then sat down...

Tata:who would be responsible for all of this?

Amanda came down yawning

Her:good morning

Them:morning

She came to my side

Manda:tell me you thinking what I'm thinking

She was whispering...

Me:this has your brother's squad all over it!

I whispered back...

Manda:I cannot believe this

Me:I wanna find this out whether it true or not

Manda:by doing what?

Me:I'll tell you later

I got up and went to take a bath, I relaxed for like 20 min then I got out dried myself and applied some lotion. Wore a black hugging dress with white sandals...

I made a messy bun then went downstairs... My parents weren't around

Manda: sexy mamma you didn't tell me where you going

Me: I did say

She looked at me...

Me: I did say to you that I'll tell you later, where are the parents?

Her: they in the bedroom doing god knows what

Me: urgh, tell them I'm out for few minutes

Manda: cool

I went out and the cab was already waiting for me..

It took me straight into his house, I knocked and no one answered...

I knocked again real hard that my knuckles turned red

Voice: ey marn!!!

He opened...

Him:nana?

Me:can I come in

He moved out of the way and I got inside...

I found bottles of whiskeys and some hills, it was just a mess . girls were sleeping in the and OSbu and Lwando were sleeping on the floor...

The place was disgusting...

Me:what's happening?

Him:nothing baby, just some little party for the boys

Me:a party to congratulate each other for stealing at the Kevin Booker function?

He raised his left eyebrow...

Him:mama ka boy, what are you talking about?

Me:just cut the act Junior!, I'm not as stupid as

you think! You made my parents to leave there  
cause you wanted to do you crap in peace!

Him:okay is it you that you are upset or is it my  
kids?

Me:don't change the subject!

Him:I'm not, I'm concerned about my little  
piggies

Me:you smiling while I'm talking with you  
seriously!

Sbu:kodwa nkosi yam senzeni ingxolo engaka?

(my god what did we do for us to hear such  
noise)

I turned and looked at him...

Junior:you should've kept quiet now you going  
to make her bust!

Me:so I bust!, am I a balloon! ... You go rob  
innocent people and almost killed them and  
now you telling me I'm going to bust?!

Everyone woke up and I didn't care, I felt like strangling them especially the half naked bitches!...

Me: Junior you invite half naked bitches into your house while you know very well that you can't hold yourself!

A girl spoke...

Her:excuse you, who are you calling bvtches?

Me:are there only other bvtches here except you, sleeping in peoples houses!

She attempted to come to me but Junior stopped her

Junior:Felicia don't even think about it cause I'll kill you

The Felicia bvtch clicked her tone

Felicia: let's just get out of here

They all stood up and walked out holding their heads...

Junior:Omphile you can't be this angry, it's not good for my kids

Me:I don't care okay!

Him:you don't care but I do! Okay! These are my babies too, you may not care for them but please do it for me because they mean the world to me..

Tear formed in my eyes...

He came to me and hugged me...

He sighed...

Him: come let's go lay down

I didn't hesitate we went upstairs to his bedroom, we got it and he tucked me into bed and laid behind me while holding me close to him

Him:I love you

Me:I love you too

He kissed my neck and we slept...

Amanda

I returned home and I was welcomed by my mother's cooking

Me:good morning woman

Mama:hey baby, breakfast will be ready in 10, go take a shower

Me:I've already had

I went to sit down...

(Silence)

Me:mom, did you hear the news?

Ma:about what?

Me:Kevin Booker jeweleries?

Ma:no, all I knew was the function he was

hosting a function yesterday, what's wrong?

I sighed...

Me:well it was robbed and all the jewers were stolen and...

Ma:and what?

Me:I think Junior did it mama

Mom sighed and looked at me

Ma:what makes you say that?

Manda:cause he made Omphiles parents returned home from him it and then after there was a robbery?

Ma:Amanda baby, Junior is in a gang and in a gang you look out for each other. You know I remember when I married your father I didn't like what he was doing but then again I had to give in because I couldn't change him

Me:but mom look where he is now , he is dead

Mom:I know but Junior is who he is, just like his father you can't change him. He loves what he is doing it's in his blood

Me:I just don't like it mama, it's dangerous. I mean he's about to be a father doesn't he want to just raise his kids without having to look over his shoulder?

.

Junior

I watched her as she was sleeping, she was beautiful .

I just wish she could just give birth already cause seriously she drains me .

Her: why are you looking at me

Him:I'm just admiring what's mine

She blushed and attempted to get up...

Me:where are you going?

Her:to clean the mess you and your made  
"friends made"

Me:come on, a maid is going to clean let's sleep  
and can you give me a quickie?

It was winter and very cold plus I was now 7  
months preggy , I was tired I wished they could

come out already cause seriously I was drained .  
I was from my last paper which was Life  
sciences and I was heading home cause I  
would have minor pain in my abdomen but I  
would let it slide. No one was home and I was  
way too bored so I went to my bedroom to take  
a shower...

.

.

Junior

Me:count me out!

The bros sighed

Bontle:come on J you know we can't do this  
without you

Me:I'm telling you this for the last time, my girl  
is about to give birth so I want to be with her all  
the time, I don't want to miss that moment so  
please count-me-out!

She sighed...

Me:I don't even know why you busy with this heist when we still rich with the money from the jeweleries

The gang was planning to do a heist, steal cars and it's way too dangerous for me cause I wanna be with my baby mama all the time till she gives birth .

We decided to join forces with the girls cause they pretty good so we one hell of a gang, a good one .

Sbu stood up..

Him:I gotta go, I'll see you all

.

.

Amanda

An hour passed while I was waiting for Sbu , was starting to get annoyed...

He said he was gonna take me out for lunch when I've finished writing but I guess he had them other plans .

I called him and it went straight to voicemail. After a few minutes he called me..

Me:Sbu I've been waiting for you

He sighed,

Him:I'm sorry babes but something came up so I gotta attend it.

Me:you could've just told me instead of making me wait for you like a fool

I hung...

I called Phile and she couldn't make it...

I sighed frustrated...

Me:know what I'll take myself out

I took my bag and went out...

I walked to town and did a bit of window

shopping then went to burger king.

I got in and I went to sit on the corner, I love it cause I get to see who's coming and who's walking out , Omphile would call it creepy but I just love it! ...

I ordered then got busy with my phone since I was waiting for the order plus I was bored ...

I heard giggles and I looked through the door and I saw some cute couple coming in with their bundle of joy , they were cute with matching outfits. I got jealous by just looking at them, they were really cute.

My order came and I dug in after a while I got done and sat to just waste time as I was sitting I scanned around an I don't know why but I just felt like it. You would swear this was a place for couples cause almost everyone was with his or her partner . My eyes landed somewhere and I saw Sbu with some chick holding hands and

sharing kisses here and there. My heart broke, tears fell...

I slowly stood up but I felt like the world was spinning, I became dizzy...

I finally stood up and made my out, I looked at them one last time and Sbu's eyes landed with mine. He was about to stand up but I ran away, I couldn't even see properly cause the tears were filling my eyes

.

.

Omphile

I thought that maybe the pain would get better but actually it was getting worse .

Junior:baby you okay?

I nodded...

I was at Junior's place and we were in the couch with Bonga, Lwando and Thabo.

I wanted to drink water so I stood up but something weird happened, I felt wetness rolling down between my thighs I was wearing a sunflower dress...

I got so embarrassed..

Me:what the?

Junior:what?

I faked a smile, hiding my shame..

Me:I have to go to the bathroom.

I attempted to lift one leg but I felt pain on my lower abdomen...

I screamed...

Me:ahhhhh

Junior quickly made his way to me

Junior:Omphile what's wrong?

Me:I don't know but I feel pain here

I pointed in my abdomen...

The guys were now looking at me confused and stupid...

Thabo:oh my god! She's in labour!!

Lwando:and how would you know that?

Thabo:I have a wife and kids, my wife peed herself when she was about to give birth

Junior: it's way too early, it can't be!

Thabo:she peed herself so she's about too

They were making me Bella mad

Me:can you just shut up and take me to the damn hospital!!

I managed to get hold of her parents and my mother and told them to meet us at the hospital.

We finally arrived and they took her away and I was next to her as they pushed her through the wheelchair to her ward...

Me:baby it's going to be okay! Just keep on breathing it shall be fine

The doctor checked her...

Doctor:she's only 7 months so...

They rushed her out and I followed behind...

We changed into the gowns...

Doctor:you doing very good just keep on pushing

Omphile: I just can't anymore, I'm tired!!

Me:Phile baby you can, do it for them okay!, don't you want to see them

She asked in a low tone

I arrived at the hospital and I found Omphile's parents with my mother, Lwando , Thabo and Bonga. Sbu wasn't present and I was glad .

Me:is she okay with the babies

Omphile'mom:we still waiting baby, I just pray they are all okay

She was holding a bag that had baby clothes...

Sbu walked in and my mood dropped ...

Sbu:is everything okay?

Lwando:we still waiting bro

He nodded...

He looked at me and I looked away

Sbu:Amanda?

I looked at him

Him:can we talk?

Me:no

Him:plea...

Me:if you don't mind I'm waiting for my brother who is waiting for his kids there, so please forgive me for you foolish behavior since you don't know what you doing here

He looked away and I couldn't care less

Omphile

Never in my life did I imagine myself with this type of pain , I opened my eyes I was still drowsy. I scanned around the room and I found Junior standing next to me just looking at me...

Me:you creepy

I smiled a little

Him:hey

I tried to get up

Him:hey don't hurt yourself

Me:are my babies okay?

Him:yeah the boy is fine

He then kept quiet

I started panicking

Me:is the other one okay , Junior is...

Him:Omphile calm down the babies Are okay  
but they still with the doctor, he's still checking  
them since they are premature

I sighed feeling relieving

Him:you did it baby, thank you even thou you  
hurt me but it was all for a good course

He kissed my hand...

The whole family came in

Amanda: where is the mommy?

She came to me and we hugged...

Her:where are the kids?

Me:the kids are fine, they still with the doctor

Everyone sighed

Junior and I laughed...

Amanda came to hug me

I whispered in her ear...

Me:I can see you not happy, what's wrong?

Her:I'll tell you some other time, for now let's focus on you

I nodded...

Mama:congratulations baby, I can't wait to meet them

Dad:pewu!, umntu uyaguga sendinabazukulw ana (I'm getting old, I even has grandchildren)

The whole room laughed

Lwando:usibethile kewethu sis yho (you did beat us sister )

I laughed...

Me:come on Lwando wasn't that bad

Lwando, Thabo and Bonga went crazy and everyone laughed...

2 nurses walked in holding my babies, one was in a blue blanket and one was in a pink blanket...

Nurse#1:where is the little mommy?

Tears of joy fell, I was completely happy

She gave me the girl and Junior took the boy

Bonga:damn they small, I'm even afraid to hold them

I laughed...

Junior:this one is Yola Prince Ngcobo

Me:And I'm holding Yolisa Princess Ngcobo

5 months later!

Omphile

Me:urghhh why won't you eat!

Junior: how will she eat when you busy shouting at her!

I was at Junior's place, it's a Saturday and we will spend the weekend with Junior ...

Yolisa was crying her heart out while the precious Yola was sucking her dummy being a good boy .

I felt like crying cause she didn't stop...

Junior:give her to me

I took her and gave her to Junior....

Junior took her and played with her and minutes later she stopped crying then after Junior took the bottle, fed her and she sucked it for dear life

Me:your child is something else

Junior:she just likes attention

Me:drama queen

Life has been good for me and my babies, Junior supported us. Being a parent was amazing but a little hard with 2 babies but it felt like I was raising 1 cause prince wasn't much of a problem except her sister , but I was happy and raising my children very well. I got back to school even thou it was hard cause I wanted to be near my babies but then again hey, I have to study for them . I finished writing and I was to wait for the results the following year.

Amanda

Me:mom I don't wanna get up!

Mom:I'm telling you for the last time and believe me when I come back and you not up I'll kill you!

She exited and I slowly got up cause I knew she wasn't playing...

She was taking me out, well to her restaurant to work for the holidays since she saw how down I was I finished writing and had nothing to do so . My life moved from being carefree to being heartbroken. Sbu broke up with me, he said he can't leave the girl cause he loved her. The girl was in Spain, she is a model and she travels a lot so when she decided to come back Sbu decided to leave me, he led me on and then threw me up satisfied then went back to his modeler , I've never felt so use in my entire

whole life.

Junior gave him some good punches so I'm a little satisfied

I got up and went to take a shower then went downstairs to mom and she was waiting for me

Mom:let's go kid!

I sighed

Me:do I have to go mom, like really I'm not in the mood for people

Mama:the last thing I want is for my baby to be back to her old self, I hate seeing you sad!

Me:don't worry about me ma, I'll be fine

Her:let's just go

I sighed while mumbling

Mama:I'll whoop you ass if you do that again!

We went out and arrived at her restaurant and I went to the kitchen to change into a shirt and

an apron, then I went next to the till...

Mandisa:Amanda, we short of waiters so leave the till I'll handle and go to table 2!

Mandisa is the manager and more like a friend cause she's always smiling and talktive so I like her...

I dragged my feet and took my note pad and pen and slowly made my way to the table

My mood dropped when I recognized that the people on the table were Sbu and his chick Sbongile ...

Me:good afternoon, how may I be your service?

Sbu looked down...

Sbongile:is that even right?

I looked at her...

Abongile:I mean darling don't you have don't you have something more nice to say

She said patting her cheap weaving at the back

...

Me:is there anything I can help you with sir and mam?

Sbu:just water please, for the both of us we'll order later

I wrote it down

Sbongile:did you have to write it down I mean it's just water

I looked at Sbu hoping he was gonna say something but he looked at the other side

I walked away

Her:and please make it snappy darling!

I swear I was gonna kill this girl, who does she think she is . Busy talking to me like she's talking to a trash. And I just didn't get why Sbu would come to this restaurant when there are so many in this street

Mandisa:are you okay?

I clenched my jaws

Me:honestly I can't do this!!, I'm gonna kill that girl!!

Mandisa:what happened

Me:she jus....

Just then the bitch talked...

Her:hello do we have to wait the whole year in order to just get water!?

I took a jug full of water and went to her table

Her:where are the glasses? This restaurant has poor...

I poured the whole jug to her

She screamed...

Sbu:Haybo Amanda what the hell?

Me:tell your bitch to be humble, or I'll humble her! , nxeh!

I walked away

Sbongile:So you gonna laugh just because she did that shit! Sbu how dare you! Do you want her?

Mama came to me...

Ma:and then?

Me:please ma not now

Mama:not now! What do you mean not now, so you don't want me to high five you? I'm proud of you my baby

We hugged...

Ma:you are your mothers daughter baby, don't let no bitch mess with you

I smiled...

I just got back from work, very tired. I took off my boots and went to light on the kettle . I then went to my room and took off my uniform and wore a summer dress then returned to the kitchen and I got the shock of my life, a man sitting on the high chair, drinking coffee..

Me:who are you?

My gun was too far so I couldn't do anything...

Man:just chill won't you , anyway I thought I should help myself with coffee I hope you don't mind

Me:what do you want?

Man:he got up leaving the cup on the counter and made his way to me

Man:I need your help

He took out a picture...

Him:I want you to help Me take these man down, I know you had an encounter with one of

them and I also know you helped them, which  
by doing that you little girl broke the law

He took out a picture of Junior with his crew, in  
a abandoned house like and in front of them  
were guns, looked like they were talking about  
something serious because of their facial  
expressions...

I swallowed...

Him:so here

He took out his card that had his number on, I  
just looked at them and he chuckled and he put  
it in the counter...

Him:and don't even think about running to  
Junior cause I'll be watching you, and if you do  
I'll kill every single member in your family,  
starting with your little girl

I froze....

He walked out and I slowly went down,

It was now Monday and I had returned home so I was lazy on the couch while my babies were sleeping peacefully in their room ...

It was in the noon and I was bored to death, it was only me and my dad in the house. Mom went to see her friend in the hospital .

Me:daddy I'm bored

He raised his eyebrow and looked at me and I knew he was going to mock me .

Him:why don't you play with your cat's?

I looked at him with raised eyebrows...

Me:I don't have cats!

Him:you do, they are in the second room on the right upstairs

Me:my kids are not cats

Him:andizuphikisana nawe, ngoba kungatshona ilanga ukhala (I'm not going to argue with you, because the day will end with you crying)

I kept quiet and stood up then went to take a shower and wore a grey hugging dress with sandals, I took my mini bag and walked out...

Dad:where are you going?

Me:to see my friend

Him:what about your little mice?

Me:they have a grandfather!

I said walking out...

And he was talking none stop

.

.

Junior

Lwando:you've been looking at those mouses for a while now

Me:and I ain't stopping, you know Omphile gave me the ....

Lwando: the most beautiful gift , dude I know and like it's the 10000 you've been telling me and it's starting to annoy me

Me:whatever dude!

Lwando:let's talk about business dude, it's been a while since we've at it I miss being in action!

Me:yeah neh, Thabo hasn't said anything?

He shook his head no...

Me:well before I do anything I have to call that Nokwanda chick to make sure that we still on the same page

Lwando:well you can call her now

I took out my phone and called her but my call got cut which was weird

Me:my call won't go through

Lwando:maybe she's in a place with no network try her again tomorrow

Me:maybe you right

.

Omphile

I went to see my friend in her mother's place...

Me:friend I've been missing you!

We hugged

Manda:I know babes and I missed you too but then again mom put me up to this so...

Me:won't she shout when I keep you from working? Phela she has drama!

She laughed...

Manda:no relax, she won't

Me:so how have you been?

She sighed...

Manda:apart from being disrespected by Sbu by bringing his girl to talk trap with me and him being a pain in my ass, I'm good

Me:what? Tell me all

Her:I will but not here babe, but then you know that I ain't no shit so I put the bitch in her place

Me: tell me how and when I also...

Manda:just chill, we will catch up babes

Her mom came...

Mom:Phile baby how are you?

We hugged....

Me:I'm good mama and how are you?

Mom:I'm good, it's been a while since i saw you

I smiled...

Me:they are okay except for Yolisa who is a little drama queen

Mam:just like Amanda

Manda:come on I don't have drama

Me:come on friend

Mom:hey, why don't you work here? It will be fun and I'll get time to bond with my daughter in law!

I smiled awkwardly and looked at Manda who was smiling like a bitch that she is

Me:uhm I'll check up with mom the...

Mama:I've already told her and she saw no problem and she suggested that you work so that you could take a break from the house and the kids

Me:then I don't see a problem

I faked a smile

Gosh... I didn't like this

Mom:good, you can start tomorrow

I faked a smile again then nodded....

She left...I turned to Amanda.

Me:you little bitch!

Manda:what, I was bored working here alone  
and I was missing plus if you not you not here  
now are you going to see the drama

I laughed...

I woke up in a empty bed, I went to the bathroom to do my deed then brushed my teeth and washed my face then went downstairs to find Junior with his kids , they were making those cute baby sounds .

They were on their baby cot and Junior in between them and they were on the couch watching TV

I walked up to Junior and kissed his cheek then went to kiss my kids

Me:good morning

Junior:hey baby

We kissed again and Yola cried...

I took him and rocked him back and forth and he stopped

Me:you mammas boy

I kissed his cheek while putting him down

Junior: babes we going out so get ready

Me: I have to wash them first

Junior: just chill mama pig, I got this I'll wash them

Him: iluhh you should go before I lose it

Me:hey baby

I said kissing her cheek but she stopped me

Me:and then?

Her:just leave me alone Sbusiso

Me:you still angry about yesterday?

Her:Sbu I had to take off my weave!, look at me.  
And what made me angry the most is that you  
found it funny and...

I took my car keys and walked out, honestly I  
was in no mood for her

Her:so you just gonna walk away while I'm  
talking to you?

I ignored her

Her:Sbusiso come back here!

I closed the door and got in my car then hit the  
road...

Junior took us to Spur and then after that we  
went to have a picnic..

Me:something smells awful

Junior:do you think it's the strawberries?

I shook my head...

Me:one of your babies decided to mess herself

I checked and it was Yolisa,

Me:and it's your girl, I'll be back just need to change her

He nodded while he was playing with Yola

I went to the car and changed Yolisa and she started crying

Me:shushh baby I'll be done soon

She got worse . I finished changing her then went back and her daddy took her and that's when she kept quiet

Me:I swear this child hates me

Him:same goes to your boy, he doesn't feel me

I sighed...

Yolisa talked her baby language playing with her

hands on top of his father while my boy was peacefully playing on his pram

I was busy wiping the table that the last clients were using and I took the plates and took them to the kitchen when Nontle (we work together) came to me

Her:Manda?

Me:yeah?

Her:someone asks to be served by you

I raised my eyebrow

Me:who?

She shrugged her shoulders

Her:on table 1

I nodded and went out to the table and I found

Sbu, I just dolled my eyes

Me:good morning Sir, how.may I be your service today?

He smiled, revealing his perfect smile I would've melted but I wasn't in the mood ...

Sbu:I would like today's special

Me:cool

I wrote down and when I was about to walk away he held my hand, I looked at him

Him:I would like to say sorry about yesterday, how Abongile treated you

He has to be kidding me

I yanked my hand off and went to the kitchen to get his order ready

Me:hey baby , I've missed you

She made those cute baby sounds

Me:mom, what is it that I hear about you negotiating with Manda's mom about me working at her restaurant?

Mom:so you heard?

Me:a little discussion with me would've been better thank you!

Yolisa looked at me and smiled and I smiled back while kissing her cheek...

I was now at home and I tried calling Nokwanda for the last time but her call would cut me...

I sighed and threw my phone on the bed then stripped naked and went to take a shower.

After a few minutes I got, dried myself, lotioned then wore sweatpants and some vest .

I went downstairs and called Thabo..

Him:boy

Me:yeah sure mfethu!, look man it's been a while since we last kicked it what's up? What's the plan?

Him:yeah I haven't found the perfect spot yet, but I'll keep searching...

I sighed..

Me:okay cool

I hung up and then called my baby mama ...

Her:daddy

Me:mommy , how you?

Her:I'm tired cause your kids are draining me,

and you?

Me:now that I heard your voice I'm good plus I miss you

Her:I miss you too

Me:can you come over?

Her:haa you want the rents to kill me?

Me:you'll say you going to Amanda, please baby

She sighed...

Her:you gonna get me into trouble

Me:I'll come pick you up

She hung up, I took out my car keys and went out...

I drove and parked 2 houses away and then waited for her, after like 20 minutes she came out...

I got out and went to her....

Me:hey

I said hugging her

She buried her head into my chest...

We let go after a while and went to my house, then sat on the couch and kept ourselves busy watching movies...

Me:how are my kids? .

Her:yhooo you don't wanna know

I chuckled... Then looked at her

Her:what?

I kept quiet and just looked at her..

She put her tiny hands on her face. I grabbed them and uncovered her face.

Her:stop what you doing , you making me shy!

Me:I just can't stop loving, I can't get enough of you .

She took a pillow and hit it on my face

Me:what the??

She got up and ran and I ran after her while holding a pillow...

Me:I'm gonna get you!.

She ran and got into one of the guest rooms then locked...

Me:come on baby, you gonna lock me in here?!

her:you wanna hit me mos!

Me:no I'm not!

Her:yeah you are!

Me:I'm not baby, I promise

Her:really?

Me:yeah

She slowly opened ...

Me: see I have nothing

She opened wider and I got in then hit her in the face...

She ran and took another pillow and hit and that's when we played pillow fight

I don't know what happened next but we found ourselves kissing on the floor with pillow feathers flashing in the room

Brigado

I was watching the news and when Junior and his crew appeared a smile formed on my lips.

But what surprised me was that only three were mentioned, meaning Bonga and Thabo were not present and that meant they are going to hunt down the person who did this this was getting interesting

I called Nokwanda...

Her:hello?

Me:good job doll , I must say I'm impressed

She kept quiet...

Me:did you see the face of your boyfriend when he got arrested

Nokwanda:yeah I also saw how he wanted to kill me

Me:well that's your problem

Her:you not going to protect me?!

Me:why would I ??

Her:you going to let them kill me? After you promised to take care of me?

Me:look here doll, you've done your job and you did it well but now we going to cut ties so toodles

I hung up...

I went to pour a drink then raised it up

Me:rest in pride brother

I called the whole crew, well Lwando and Sbu  
cause Bonga and Thabo were in cape Town to  
sign the car dealership.. They were about to sell  
one last car that we stole at the heist.

Sbu:what did you call us here for?

Me:earlier I received a call from an unknown  
number and it was Nokwanda and it sounded  
like she was in trouble she asked for my help

Sbu chuckled...

Sbu:asked for your help, why would she be in trouble? , I mean she's a police officer

Lwando:she once helped us meaning she did something illegal by stealing information about us, so she could be in trouble

Sbu:but still no one found out about that

Lwando:Sbu we have anemies who are watching our every move, don't you think they would do something?

Sbu:but still it doesn't make sense

My phone rang and it was an unsaved number, I looked at Sbu

I answered then put it on loud speaker

Me:hello?

Voice:"I want R500 000 or else Nokwanda will die

I couldn't recognize the voice, it was very deep and I was more than sure that the person used

an app...

I chuckled

Me:kill her, I don't care

Voice:also know that before she dies she will  
roar all the things she had done for you from  
stealing to covering up for you

I clenched my jaws

Voice: I want my money, tick tock

I hung up...

Lwado:this is deep

Yolisa couldn't stop crying I tried changing her  
nappy and feeding her bottle but she just got  
worse I also started crying cause I didn't know  
what she wanted...

Mom got in..

Ma:Omphile what's happening?

Me: she won't keep quiet mama I don't know what to do(crying)

She took her and tried rocking her back and forth but she wouldn't keep quiet.

Me:when she's like this only Junior can make her keep quiet

Mama looked at me then went out with her.

Minutes later she kept quiet, I took Yola and went downstairs and I found Yolisa in my fathers hands and she was slowly dozing off

Me: this kid will kill me seriously!

Mom and dad:shhh!

Me: yhoo!

I went back upstairs and played with Prince till he also got asleep...

I put him in his cot and took MY phone to call Junior but his call wouldn't get through so I let him be

Detective Mongezi

I got a call saying there are some people who kidnapped a police also some young girls and now they are planing to sell them overseas, I had no doubt that the police officer was Nokwanda cause it's been a week since I last saw her. Also there were some illegal drugs that they are transporting I quickly gathered my team and also some K-9 for just in case...

Me:alright people please be careful because we don't know who and what we are going to expect there okay!

They all nodded...

Me:alright let's go!!

We all went to the police vans and hit the road...

Junior

We received a location on where we would drop the money. So we had no choice but to take the money that was in the safe and we told Thabo and Bonga so Thabo would trace and see who the person is...

We got in one car with 2 bags full of money.

We arrived there and it looked quiet...

Sbu:are you sure this is the place ?

Me:yeah, it is...

We got in and found a lot of girls and also Nokwanda and they were all wearing nothing but bra's and panties and they looked like a

mess tied up on the chairs...

Lwando:what the fuck is this?

My phone rang and it was Thabo...

Me:yeah?

Thabo:get out of there!! It's a trap Brigado did all that shit!

This wasn't making any sense...

Thabo:Junior get out of there!

I hung up..

Me:look this was a trap, let's get out of here!

When we were about to leave police siren started to rang

Me:ohww shit!,

Lwando:Nokwanda what is this?

Nokwanda started crying...

Sbu:bro's we in deep shit!

Voice:"we have this whole place surrounded, you have no choice but to come out with your hands on the head!"

I looked at Nokwanda and she had tears on her eyes...

Her:I'm sorry but I didn't have a choice

Voice:I'm saying this for the last time, we have this whole place surrounded get out with you hands on the head!"

Shit is about to get real

Grace ( Junior's mother)

I woke up and prepared to see judge Moloji, he will be the one handling Juniors case and he

didn't get the bail so the judge was my only option .

I went to his house and threatened him but he couldn't budge obviously Brigado got to him first, I felt so useless that I couldn't even do a simple thing for my boy .

I signed defeated and went to see Junior...

Him:mama?

Me:hey boy,

I let out a heavy sigh...

Him:everything okay?

I shook my head

Me:everything is not okay, moloï wouldn't agree seems like Briigado got to him first I threatened him with a gun but he didn't react

He sighed also, I could see that he was broken but he didn't wanna show it...

Omphile

I am a mess, I couldn't eat maybe I was gonna be okay when I see Junior cause honestly I couldn't keep the image of him being in jail and I had to raise the babies alone .

My dad got into my room..

Him:my baby?

I didn't pay attention to him...

He came to me...

Him:baby I know you broken, but try to be strong for your babies.

Me:dad how can i be string when I don't know whether Junior will be come out

Him:Junior will come out my baby, do you want him to come and find you like this? Not taking

care of his kids

I shook my head..

Him:come let's go eat downstairs

I got up and followed him...

Narrated

Judge:"You are imprisoned for 20 years..."

The crowd went crazy with some screaming and some rejoicing...

Judge:order in court!!

People kept quiet

Judge"with the possibility of a parole of 15

years"

Junior looked down with pain in his eyes...

Amanda lost it while her mother became numb...

Junior raised his head and looked at Omphile and Omphile couldn't move, they looked at each other with pain. Omphile was broken, how could she raise 2 kids alone?

Junior was broken how will he watch his kids grow when he will be behind those walls?. He somehow felt like this was his whole fault, had he not went for Nokwanda this wouldn't have happened...

Sbu wiped his eyes while looking at his mother and Amanda ... Lwando was looking down this whole time...

8 years later!

Omphile

Me:Eish Yolisa just stand still!

Yolisa screamed...

Yolisa:don't about at me!

The twins were 8 years and I was preparing to go school but Yolisa being the drama queen was delaying us as she couldn't stand still so that I could fix her hair, while Yola was just being a gentleman eating breakfast.

I was missing Junior so bad because he would've been able to make her straight  
Siyabonga came down and kissed my cheek

I was dating a soccer star and we loved each other dearly , at lrastr with him i knew he was gonna come home every night without having to worry if hes not shot or dead

He went to Yola and they higjfived and when he turned to Yolisa for a high five Yolisa just stared

at her...

Him: little princess giving you a problem?

I sighed...

Me: yeah, this one is trouble

He laughed...

Him: you going to be fine baby

Nokwanda

I was in my house, it was my day off today so I just wanted to chill .

I went to the kitchen and I found the front door opened weird cause it was locked since I didn't use it much as I was using the back door most of the time... I freaked out when I saw a brown envelop in the counter, I first checked the house and ilthere was no one. I slowly took it and

opened and I opened. I got the fright of my life when I saw a picture of me with my little girl Lwandisa we were at Wimpy and it was last week....

There was also a note

"My babies are growing up without a father, and you will pay for that!

-cause I'm coming for you sweetheart, you should've known better than to mess with me

Cheers "

My heart stopped...

Amanda

beautiful baby girl whom I adored so much.

The end...
