****NARRATED****

**** heath and jabu chilled some more then heath's phone rang it was Omphile****

Heath: princess

Omphile: daddy please come and take me

she said that crying and the was some shouting in the background

Voice: YES, CALL YOUR FATHER TO COME AND TAKE YOUR DISRESPECFUL ASS OUT OF HERE, IM TIRED OF YOU AND YOUR STINKING ATTITUDE..... YOUR PARENTS ARE SLEEPING WELL AT NIGHT WHILE WE HAVE TO DEAL WITH YOU NX.... VOETSEK TSAMAYA (GO)

heath stood up with a frown on his face

Heath: Omphile what's wrong, who's that person busy shouting in the background

Omphile: its aunty Portia..... daddy please come...please

*** she said that crying some more and heath started breathing heavily***

Heath: ok im coming right now ok

Omphile: ok

***they ended the call ***

Jabu: what's wrong

Heath: its Omphile she's crying saying I should come and pick her up and someone in the background is busy shouting at her and insulting her

Jabu: I hope they are not abusing her

Heath: if then I'll burn that house down nx they clearly don't know me..... let me go

Jabu: lets go

*** jabu picked lesedi's bag and heath picked Lesedi up who was busy arranging things on the table and jabu locked up and heath buckled Lesedi up and they both got in the with jabu driving and they drove to omphile's grandparents' house***

.

.

*** they arrived, and heath got out and took Lesedi out then they locked the car and went inside with jabu, they knocked on the door and the grandmother opened, and they greeted and the went inside to the lounge and they sat down***

Gran: who's this beautiful girl

Heath: my daughter Lesedi, ma Omphile called me crying saying I should come pick her up what's going on

Voice: I'll tell you what is going on

it was the aunt

Gran: Portia hai man

Jabu: please call Omphile to come and sit in on this ma

the grandmother went to call Omphile and Portia sat down

Portia: did I hear you right that she's your daughter, I don't remember Omphile saying you have another child

heath just kept quiet ignoring her, he knows she's a trouble maker so if he entertains her things won't end well cause already he's pissed off as to who made his baby girl cry

Portia: yho ok, can I at lease hold her

Heath: no

Portia: bathong (gosh)

***the granny walked in with Omphile who's eyes where swollen and red and heath clenched his jaws with a scary frown on his face, she sat in between heath and jabu and heath pulled her to him and kissed the side of her head ***

Jabu: now can you all tell us what's going on

Gran: Omphile here has been disrespectful to her mother and she even made accusations concerning her step father

Heath: what accusations

Portia: that he touches her ass and makes nasty comments, where else the truth is she doesn't like him im sure she still thinks you and Tsholofelo will get back together and be a family that's why she's trying to destroy my sister's marriage

Jabu: wait let me get this straight, your granddaughter and wena your niece was touched inappropriately by that bastard and instead of believing her you are busy throwing stones at her

Portia: she's trying to break my sister's marriage

Heath: princess go and pack everything that belongs to you, you are not an orphan you hear me your father is a multimillionaire and you won't suffer while im still alive you dey hear

she nodded while wiping her tears

Jabu: go and pack pumpkin.....take everything that belongs to you

she nodded again and stood up

Jabu: call me if you need help ok

Omphile: ok lume(uncle)

***she walked away, and Portia clicked her tongue and heath looked at her with an angry face ***

Heath: Omphile!

she came back, and heath stood up and he gave her Lesedi who didn't even cry or anything she gladly let Omphile take her

Heath: go with her

she nodded and walked away

Heath: so, my daughter tells you that her mother's husband touched her inappropriately and all you can say is she's trying to break their stupid marriage

he said that with a firm voice

Gran: papa Omphile it's not like that

Portia: it's like that mama

Gran: Portia man!

Portia: no mama, that spoiled little brat told my sister on her face to choose between her and her husband, who does she think she is

Heath: VOETSEK... YOU'RE HERE TALKING AND DEFENDING TSHOLO'S MARRIAGE WHERE ELSE YOUR'S FAILED MISERABLY WHICH IM SURE IS BECAUSE YOU KEEP MINDING OTHER PEOPLES BUSINESS INSTEAD OF YOURS, WHICH MAN DO YOU THINK CAN TOLERATE THAT NONESENSE

she looked at him with a pained and angry look

Portia: HOW DARE YOU

Heath: the father of the same spoiled brat is the one who makes sure you eat, the same money your mother gives to you to buy grocery in this house is the same money I send to her for the same spoiled brat's upkeep, what does your sister do for you huh, more over what does she do for Omphile

the granny was now crying

Portia: you are a bastard heath you hear me

Heath: a bastard is that child you tried to pin on your ex but luckily, he saw right through you nx

Granny: hai papa Omphile

*** as for jabu he just laughed***

Heath: Ma, that daughter in there is mine you hear me.... if all of you were tired of her you should have just told me, and I would have gladly came and took her

Granny: papa Omphile its not like that, Omphile has been disrespectful lately she doesn't even wash the dishes or help-out in the house anymore all she does is lock herself in her room

Jabu: and have you asked her what's wrong and why she's acting like that

Portia: do we look like psychologists to you

Jabu: wabona wena tikilaine, ova le nna gape ekare o ko toilet wa nnya and ke tlo go bontsha marago a noga

Gran: Portia didimala man please

Portia: no mama these bastards come to my father's house and I should let them insult me

Heath: ooh the same house I renovated with my fucken money so that the same spoiled brat doesn't stay in that tin house you had before...Ma im disappointed in you, you promised to take care of Omphile and now she tells you that her step dad touched her inappropriately and you don't believe her instead you defend Tsholofelo and her useless husband, the same Tsholofelo that does nothing for you

Gran: papa Omphile your daughter still has the crazy idea that you and her mother someday you will get back together and be a family that's why she's lying against her

Jabu: wow.... mshikaro, kganthe go etsagalang ka bo magriza ba batsatsi aa....first it was dai twebenare and nou ke oo

Heath: well let's see if you'll continue eating polonies, Vienna's, cheese and chicken every day after I leave with my spoiled brat

Jabu: o sa tlo shapiwa ke pap le morogo from now on

Gran: papa Omphile tlhaloganya tuu

Portia: wena o nagana gore o jeso neh

Jabu: ofcourse ne ele jeso wa gao askere ne a romela 6 block every month for Omphile so from now on no more 6 block

Heath: OMPHILE!

he called out to her and after some time she came out holding Lesedi

Heath: your bags

Omphile: they are in the bedroom daddy

Lesedi raised he arms to heath and he took her

Jabu: don't worry I'll go take them

he went to take them, and he went to put them in the boot of the car

Jabu: a re vaiyeng (lets go)

Gran: Omphile

Omphile just walked out with tears running down her cheeks and heath and jabu followed her

Portia: TSAMAYANG MAN NX NONSENSE

.
. .
. . .

heath dropped jabu and Omphile at his house and he went to the apartment with Lesedi to talk to her, he opened the door and walked holding the now sleeping Lesedi

Naledi: hey you back

Heath: ummm yeah and little miss princess is asleep, I'll go put her down

Naledi: ok

he went to put her down and he took a deep breath then he went to naledi nervous as hell about the bomb he's about to drop on her, he kissed her forehead and sat next to her

Naledi: is jabu ok

Heath: umm yeah

he cleared his throat

Heath: obim there's something I want to discuss with you

Naledi: ok.... You look nervous what's wrong

he sighed

Heath: umm Omphile called while I was at jabu's place crying that I should come take her and jabu and I rushed there and when we got there her gran and aunt started talking shit and stuff, they said she said her step dad touched her inappropriately and that she's lying

then he sighed

Heath: the thing is I want Omphile to move in with us, me, you and Lesedi

naledi swallowed hard

Heath: I know its too much and too soon obim, but the thing is she's my daughter obim and I can't let her down, she needs me obim and its long overdue now it's time to be a full-time father to her as much as I am to Lesedi especially now that her mother chose a dick over her

naledi sighed

Naledi: she's gonna come stay here with us

Heath: umm I was thinking we move to my house since its big

naledi looked down while biting her lower lip

Heath: obi m I know this is too much to ask but I need you now more than ever, Omphile needs a mother figure the same way as Lesedi needs a father so please omalicha nwa say yes

Naledi: why...why don't you live with her in your house and Lesedi and I will be fine here I m.....

he interrupted her

Heath: no

Naledi: heath you haven't even....

he interrupted her again

Heath: if what you want to say is anything to do with us living separately then the answer is NO

Naledi: what if she doesn't like me

Heath: then I'll make her like you

Naledi: bathong heath

he took her hand and put it where his heart is

Heath: this heart beat for you naleidi and you alone and I told you before and im still gonna say it again, I will never let you go and I will never let you leave me and I'll never leave you so for now please agree to this and leave the rest to me

she sighed

Naledi: heath I don't know about us moving in together I mean...

***he interrupted her with a kiss on her lips ***

Heath: I love you naledi please do this for me

Naledi: ok

Heath: ok?

she nodded, and he pulled her into a tight hug

Heath: thank you obim, thank you so much

Naledi: where is she now

Heath: at the house

she nodded

Naledi: when do you want us to move in

Heath: can we sleep there tonight and tomorrow we will start with packing other things

Naledi: did you at least tell her about me

he sighed

Heath: no, I will when we get there

Naledi: heath why don't you sleep at your house tonight, so you can talk to her and tomorrow or the day after tomorrow Lesedi and I will move in

Heath: im not sleeping without you in my arms naledi forget it

Naledi: but heath....

he interrupted her

Heath: don't try to change my mind naledi because you won't succeed..... im not sleeping without you next to me naledi and that's that

naledi sighed

Naledi: ok

Heath: good...umm did you cook

she nodded

Heath: you can pack the food inside containers and I'll go start packing our bags

***she nodded, and heath kissed her ***

Heath: I know this is too much but please do this for me obim please

Naledi: its ok heath im just nervous

he kissed while rubbing her belly

Heath: I love you obim a lot

Naledi: I love you too onye m

he smiled wide

Heath: you don't know what happens to me especially to Eze when you speak my forefather's language

naledi just blushed

.

.

.

****HEATH****

*** We arrived at my house and we parked then naledi carried Lesedi while I carried the containers and lesedi's bag, other bags I'll bring them in later.....we got in and found Omphile and jabu sitting in the lounge with a box of pizza on top of the table and naledi greeted them and sat down and I also sat down and cleared my throat***

Me: babygirl I want you to meet someone that means a lot to me

Omphile: I remember her,shes that lady who works at mr price

Me: ummm yeah

Omphile: wait daddy what do you mean she means a lot to you

Me: shes my girlfriend, infact shes the woman I want to spend the rest of my life with

Omphile: what about aunty lerato

jabu and I cleared our throats

Me: me and lerato broke up long ago baby

Omphile: why...I thought you two are happy...wait is she the reason why you two broke up

Me: Omphile!

I cautioned her

Omphile: no daddy if its not you its mom, you don't care about me

Me: omphile how can you say that

she started crying

Omphile: this woman is gonna kill you and I'll be left alone since mom don't care about me

Me: omphile....

Omphile: I will never accept her, shes gonna kill you daddy please don't bring her in our family I cant lose you

Me: OMPHILE STOP IT!

I shouted

Omphile: if you continue seeing her I swear I'll run away

God she stood up and ran upstairs leaving me and jabu shocked.... I turned to look at naledi and she was wiping her tears, I clenched my teeth at that sight...why is this happening, why would omphile react like this

Naledi: jabu please drive me and lesedi to the apartment

Me: you are not going anywhere naledi

Naledi: heath please, I don't wanna argue with you.... you heard her

Me: I DON'T CARE OK YOU ARE NOT GOING ANYWHERE...DARE ME AND WALK OUT OF THAT DOOR AND YOU'LL KNOW ME NALEDI

I warned her and stood up and I walked upstairs to leledi's bedroom.... Luckily the door wasn't locked so I just i walked in

Me: whats going on omphile

she kept quiet

Me: I asked you a question young lady

Omphile: I don't want her

I took a breath in and exhaled slowly to calm myself down cause I might end up taking off my belt and whipping her butt

Me: why

Omphile: because you gonna die if you stay with her

she said that with a low voice looking down

Omphile: I cant lose you daddy, mom doesn't want me and she's gonna kill you

ok enough of this

Me: who told you that.....i know someone told you that and I want to know who

she kept quiet

Me: is it your mother

she shook her head no

Omphile: it...it was aunt lerato

I felt my blood boil instantly....that bitch is now using my daughter for her shameful and disgusting reasons nx

Omphile: she called me and told me your new girlfriend is an albino who is sick and her sickness will also get you sick and you'll die

Me: what did I teach you about listening to other people when they tell you things about me or jabu

she cried

Me: ANSWER MY QUESTION BEFORE I GET MAD OMPHILE

Omphile: im sorry daddy I know I was supposed to talk to you or uncle before I reacted on them but I was scared daddy

I just shook my head while looking down

Me: naleli is pregnant omphile and you better pray nothing happens to your brother or sister.....you know better than to do what you just did and worst of all you listened to lerato whos bitter because I left her and her rude, disrespectful and uncultured self and concluded things instead of talking to me your father first

she cried

Omphile: im sorry daddy

Me: now you gonna go down stairs to naleli and apologise to her and we will sit down and you'll tell me whats wrong with you cause I don't know this omphile, my daughter would never do what you just did

she nodded and I stood up

Me: lets go

she got out of bed and followed me

.

.

.

****NARRATED****

***they got to the lounge and found naledi holding lesedi with her eyes bloodshot red and swollen which broke heath's heart into pieces...he quickly went to her ***

Heath: im sorry obim

he said that kissing her cheek

Jabu: let me rush to my place to close the windows ka bowa nou nou (I'll be back now now)

heath nodded and jabu stood us and took heath's car keys and walked out

Omphile: ummm im sorry aunt naledi, im sorry for all the things I said...i... I didn't mean to say them

naledi nodded

Heath: you can go upstairs Im coming

she stood up and walked upstairs

Heath: lerato is the one that told her all that nonsense

naledi didn't say anything

Heath: im sorry obim for shouting at you and threatening you, I just didn't want you to leave

Naledi: I need to rest can I go upstairs

Heath: im sorry for shouting at you obim

Naledi: I heard you heath now can I go lay down

he sighed and nodded and she stood up with lesedi in her arms and walked upstairs

Heath: I swear you gonna curse the day you met me lerato, I swear it on all my dead unborn babies nx

he said that to himself and stood up going upstairs, he went to check on naledi and she was sleeping next to lesedi in the main bedroom and he went to omphile's bedroom and she was still awake crying and he felt his heart aching

Heath: pumpkin

she raised her head

Heath: come to your dad

Omphile: im sorry dad

Heath: come

she got out of bed and went to heath and he pulled her into a tight hug and he sighed

Heath: its ok my love...im not mad at you ok im just disappointed ok

she nodded

Omphile: will aunty naledi forgive me

Heath: she has my love she's just still hurt but she has forgiven you ok

Omphile nodded and heath pulled her to the bed and they sat on its edge

Heath: what happened at your mother's house and why did Portia say you are disrespectful

Omphile: when mom brought me back to granny's house she told aunt Portia that I accused uncle john of him touching me where he's not supposed to touch me and she called me liar and that its my plan to break her marriage....i was hurt dad and I was mad that she didn't believe me so when aunt Portia started shouting at me and calling me names I talked back at her and she slapped me then I called her a b- word (bitch)

heath sighed

Heath: did he really touch you Omphile

she nodded and tears started running down her cheeks and heath pulled her into a hug

Heath: tell daddy when it started to happen

Omphile: December when I went to visit for the holidays and I came out of the pool in my swimwear and he looked at me while biting his lower lip which made me uncomfortable daddy

heath clenched his jaws

Omphile: then he would say to me that he can't wait to see me in my swimwear again and maybe we can swim together when mom is not around

by now heath's heart was beating fast and he was getting angrier

Omphile: and he would touch my lower back every now and then or squeeze my butt when mom wasn't around that's why I never wanted to visit mom since last year December until recently when mom threw a party for Oratile and... and... and I was in the kitchen watching dishes when he held me from behind and he squeezed my breasts and he said he...cant wait to see me naked on his bed, and I felt something poking me on my back

she said all that crying and heath let her go and he stood up with his body shaking with extreme anger and he started pacing up and down busy saying " not my daughter" over and over while breathing heavily and scaring Omphile in the process

Omphile: da...dad

its like he didn't hear her as he kept on pacing saying " not my daughter" over and over and Omphile quickly left the room scared and she went downstairs looking for naledi since jabu left and she was nowhere to e found , then she rushed upstairs to the main bedroom and she found her sleeping and she woke her up

Omphile: aunty come its dad

Naledi: huh

she said that sitting up

Omphile: its dad I don't.....he's pacing and he's angry and talking to himself

naledi quickly got out of bed and rushed out after Omphile and they found him sitting on the floor with his head between his legs and his shoulders moving indicating that he's crying

Naledi: Omphile go to the main bedroom and lay down with Lesedi and let me talk to him ok

Omphile nodded and naledi wiped her tears off with her hands

Naledi: go now

she quickly walked out and naledi went to sit next to heath

Naledi: onye m (my one)

Heath: he touched her obim, he touched my baby and said some nasty things to her that a girl her age is not supposed to hear especially from an old men like him

Naledi: what are you talking about heath

he raised his head and looked at naledi with tears in his red eyes

Heath: her mother's husband has been touching her inappropriately

Naledi: ooh my God heath what

Heath: I failed her naledi, I failed her obim

Naledi: no you didn't heath did she say he went further that touching her

*** heath shook his head no***

Naledi: thank God now onye m please pull yourself together and be strong for your baby girl, im sure she's scared, confused and hurt she wants her strong daddy now please

Heath: im sorry for shouting at you obim

Naledi: you know what you need to do to make me forgive you

she said that smiling at him and he smiled too

Heath: I love you naledi

Naledi: I love you too heath.....now go and hug he and ensure her that all will be well from now on and no one will ever hurt her or even attempt to ever again

heath sighed but happy that naledi was his and his love for her just escalated beyond his control, it just got deeper and deeper.....he stood up and helped her up and they walked out of the bedroom with heath pulling himself together *

.
. .
. . .

****he waited for naledi to go to sleep as Omphile was already sleep, she fell asleep in his arms after he assured her that he believes her and that he'll never let anyone hurt her again....he was now on his way to lerato's apartment since jabu had already arrived from his place and he left when he went upstairs to take a shower.....he parked his car far from the complex and he walked to there and used the spare card to open the small gate since he never returned it to her and he walked in making sure he avoids the cameras since he knows where they are.....he knocked on the door for some time until he heard her say " geez I said im coming damn it", then the door opened and as soon as heath laid his eyes on her, extreme anger took over from him an " Caesar" took over and he grabbed her by her neck squeezing but not too tight while pushing her inside ***

Heath: is the someone else in here

she shook her head no and since he did not trust her he went to every room with his hand still on her throat and he checked all of the and he pulled her to the living room and he pinned her on the wall

Heath: you stupid useless whore, you thought I wouldn't find out about you using my daughter for your stupid plan

Lerato: heath please

***she was crying**

Heath: PLEASE WHAT? YOU FED MY DAUGHTER LIES WITH THE AIM OF USING HER YOU FUCKEN WHORE

Lerato: she...she's lying

***he punched her on her stomach still holding her by her throat ***

Heath: you can mess with me all you like lerato but not with naledi and my kids you hear me, they mean the world to me that im willing to kill for them

Lerato: please im sorry heath I was stupid

Heath: fuck you lerato and fuck your stupidity, I regret the day I met you in fact I curse it..... no one and I mean no one hurts my baby girl and get away with it

then he took out a machete knife from his hoody pocket and as soon as lerato saw it she started shaking

Lerato: plea...please heath im...im sorry please

Heath: VOETSEK SHUT UP YOU FUCKEN WHORE

****NARRATED****

Heath: do you know what I do to people like you lerato..... I chop them into pieces then I feed their remains to jabu's pit bulls

***he said that running the machete knife on her face cutting her in the process ***

Lerato: hea...heath please im sorry

she said that scared to death, she has never seen this side of heath it was like he was a different person altogether...his eyes were cold and dark

Heath: I want to stab this knife right through your fucken heart and watch you die so bad but you know what, I want to teach you a lesson cause I can see you are a dumb bitch so death is just too extreme for youso you told Omphile I'll die because of naledi and because of her being an albino abi?(right)

Lerato: im sorry heath please forgive me

Heath: ANSWER MY FUCKEN QUESTION

he roared and lerato jumped a bit shaking

Lerato: ye....yes...im sorry heath

she said that crying

Heath: ok since she's ugly and contagious, then im gonna show you what ugly is

he then put his one hand on her mouth preventing her from screaming and used the machete knife with his other hand and he cut her on her face, he left deep cuts on both of her cheeks and on her forehead and chin while lerato was busy screaming through his hand that covered her mouth as he pinned her on the wall hard

Heath: let's see who's ugly between you and naledi nowooh and if you tell your family or the police what happened to you or anyone for that matter just know I'll leave your family broke to a point that you'll go back to the bundus to live there cause you definitely won't get a blesser with you scared face, remember im your father's accountant and I can damn sure send him to jail for fraud and many other things by being an anonymous whistle-blower to SARS

all along lerato was crying with blood all over her face

Heath: know this.... I have eyes and ears everywhere and one word to someone about what happened here and its back to the bundus for you and your family nx

he let go of her and she fell to the floor crying while trying to touch her face as blood dropped to the floor

Heath: ooh another thing, stay away from Omphile and naledi or else next time I'll stab this knife right on your stomach and twist it until you take your fucken last breath nx

he clicked his tongue and walked out making sure the cameras don't see him

.
. .
. . .

*** The following morning heath was busy in the kitchen making breakfast for his girls and brother then jabu walked in***

Jabu: mshikaro

Heath: javas

he sat down and heath continued frying eggs

Jabu: how did it go with pumkin, when I left her you looked like you were ready to give her the worst beating of her life

heath sighed

Heath: it was lerato who fed her all that rubbish

Jabu: Oreng? (what?)

heath huffed and clicked his tongue

Heath: I can't believe that bitch used my daughter to do her dirty work

Jabu: yeses antlek how desperate is that chick

Heath: I went to pay her a visit last night.... Fuck I was angry javas I wanted to kill her so bad but then I figured she was not worth it

Jabu: ok but I hope o mmontshitse marago a noga (I hope you taught her a lesson)

Heath: yeah let's say I disfigured her face a bit

Jabu: diswhat?

Heath: disfigured man jabu stop playing dump you have a degree in supply chain and management for God's sake

Jabu: mxm anyway how did you "DISFIGURE" her Mr Masden

***he asked that with an English accent and heath laughed ***

Heath: I left her with deep cuts on her precious face

Jabu: e re wa dlala(you joking right)

heath shook his head no

Jabu: mshikaro wa jaja what you did go tshwana le ge omo bhodisitse right (shaka you know what you did is just like you killing her right) gape dai cheri oithata blaen (that chick fancies herself too much) and you "disfigured" her joh

Heath: it was either that or I kill her and plus she always calls naleidi and other people ugly so now she will know what ugly is

jabu laughed

Jabu: and what if a ya magateng (what if she gets you arrested)

Heath: then I'll show her my other side and that father of hers will go to jail for fraud and tax invasion and she'll go back to the bundus with that rude bitch called her mother and that gold digging whore called her sister

Jabu: chisa mshikaro

they laughed then heath suddenly frowned while clenching his jaws

Jabu: what

Heath: Omphile said something, that...

then he breathed heavily

Jabu: what did she say mshikaro

Heath: that john touched her inappropriately.... She said he used to tell her he can't wait to see her naked on his bed and staff and during oratile's birthday party he squeezed her breasts and she felt his dick poking her on her back

***jabu stood up from the barstool ***

Jabu: WH...WHAT DID YOU SAY?

heath just looked down while clenching his jaws

Jabu: not pumpkin....he's dead....he's fucken dead

Heath: I failed her jabu

Jabu: no you didn't that bitch Tsholo is the one that failed her, what kind of mother is she... choosing a dick over her own flesh and blood nx.... Heeh Im gonna show that bastard masepa(shit) o tlo nnyela kao chaela (he'll shit himself im telling you)

Heath: calm down javas remember our rule

Jabu: mshikaro whether I go to him now or after a month or a year the fact is o tlo nnyela(he'll shit himself) ke tlo mmontsha mmae nx (I'll show him his mother)

heath sighed

Heath: let me deal with him first then you can do whatever you want to do to him

Jabu: what do you mean deal with him

Heath: I want to hurt him where it hurts the most first

jabu looked at him

Jabu: that would be his nuts... right?

heath chuckled

Heath: yes that and his bank accounts and his company

jabu sat down

Jabu: im listening

Heath: im gonna wipe him out clean and use that money to take naleidi and our kids on a long holiday and spend all of it on the holiday

jabu smirked at heath

Jabu: you fucken devil

heath chuckled

Heath: I thought of killing him but that will an easy way out for him, I want him to suffer first

Jabu: ok but after that he's mine

heath nodded

Jabu: how's pumpkin

heath sighed

Heath: her cries and sobs just cut right through my heart bros...that bastard broke my daughter jabu

Jabu: eish

he brushed his head

Jabu: what about what lerato told her, why didn't she talk to us cause she knows our rule

Heath: she said she was scared of losing me since her mother doesn't care about her

jabu sighed

Jabu: all this is fucked up..... I need a smoke before I lose my mind

he said that standing up while taking out a pack of cigarettes and lighter and he walked out while talking to himself

Jabu: hehe ke tlo kgaola motho marete nna nx dai bleksem o tshwere..... (im gonna chop someone's dick nx that bastard touched).....mh mh mh ga nkitsi dai moeskond im sure wankutlwela nx rubbish (he doesn't know me im sure he has only heard about me)

he said that feeling walked up and heath just chuckled while shaking his head cause he knows what jabu is capable of as much as jabu also knows what he's also capable of.... He finished up with making breakfast and soon after his girls walked down the stairs and he kissed Omphile and lesedi's foreheads and he kissed naleidi's lips

Heath: you ok

she shook her head no

Naleidi: im tired, I feel like I haven't slept for days heath

he kissed her forehead

Heath: why don't you skip work today

Naledi: I didn't go yesterday heath

he breathed out

Heath: obim you know how your job is like, you'll be on your feet the whole day and already you look tired please obim

Naledi: heath I need this job ok

Heath: Omphile take Lesedi to the lounge

Omphile: ok

she took her from naledi and they went to the lounge

Heath: im gonna give it to you straight.... I don't like it that you work at a retail store

Naledi: askies? (sorry)

Heath: look dont get me wrong obim I don't mind or have a problem with you working I just don't like you working where you are working

Naledi: what about Thandi she's your cousin and your close one at that why don't you tell her that

Heath: we have been telling her to go back to Abet or something so she can finish her grade 11 and twelve since she dropped out of high school but you know her she's stubborn but now she's getting married and James said he had the talk with her and she said she'll start next year January and concerning you, you are my woman and the mother of my children both biological and not and as the father of your children im saying im capable enough of supporting you and our children so you don't have to work there

Naledi: heath please don't ok, I love my job ok and I wont be a stay at home mom period!

Heath: why are you fighting where else im not

she took a deep breath

Heath: look you can concentrate on you studies until you give birth, you are already close to finishing with your course and after you are done with it I'll help you find a good company where you'll do your practicals at

she sighed*

Naledi: are you saying I should quit my job

Heath: yes and concentrate on your studies until you give birth

***she kept quiet for a bit... the truth is she doesn't like working there cause her colleagues are competitive and sometimes they can throw you under the bus just so they get ahead and they are backstabbers not forgetting Bonolo who constantly harasses her every chance she get and it would be nice for her not to wake up early everyday cause this days shes always tired and sleepy and hungry and also dealing with people's different perfumes that smell horrible this days is another challenge but she's scared of depending on a man even though the man loves her but the fear of the unknown is giving her doubts ***

Naledi: heath I cant i...

he interrupted her

Heath: you are scared to depend on me right

***naledi sighed and nodded, she hated how he can read her like an open book then heath took his phone and got busy with it for some time then naledi's own phone beeped indicating that she just receive a message and when she opened it her heart nearly stopped ***

Naledi: HEATH ARE YOU CRAZY!

*** she shouted at him and he looked at her with a serious look on his face***

Heath: yeah im crazy in love with you

***he send R100 000 into her account ***

Heath: anymore excuses from you to not quit that job

Naledi swallowed hard looking at him then at her phone screen

Naledi: heath one hund....one hundred thousand rands

he perked her lips

Heath: its still not enough but for now that will do or else the hawks might start to investigate you for being deposited with a million rands into your account

Naledi: wuuuh let me sit down before I faint

*** she sat down and looked at her phone screen again***

Naledi: you know I can't accept this money right

Heath: why not

Naledi: because heath

Heath: well you gonna say thank you and go and spoil yourself

*** he perked her lips again***

Heath: I know you are not a gold digger or a platinum digger obim so please don't give me that" I can't accept this money " talk please

she just looked at him in awe and not knowing what to say

Heath: so you are resigning effective immediately right ?

she was still in shock and heath chuckled

Heath: ok while you still counting the zeros in your head let me dish up for my princesses

** he kissed her forehead and dished up for Omphile and Lesedi and went to give them their food and also dished up for him, jabu and naledi then they went to the lounge and sat down and once they started to eat with Lesedi on heath's lap eating with him on his plate , jabu walked in***

Jabu: pumpkin come here

*** Omphile put her plate down slowly and she stood up and went to him and she stood next to him while looking down and jabu pulled her into a hug and she just cried and heath clenched his jaws as her cried broke his heart.... After a while they broke the hug and jabu wiped her tears***

Jabu: you are safe now ok and no one will never hurt or touch you inappropriately again ok

she nodded and jabu kissed her forehead and Omphile relaxed a bit that at least her father and uncle believes her unlike her own mother, granny and aunt

Jabu: go and finish eating

Omphile: ok uncle

she sat down while wiping her tears

Heath: your food is in the microwave

he went to take his plate and took out a bottle of beer and he went back to the lounge and he sat down and started to eat

Naledi: ummm since im....im not going to work i... I was thinking Omphile should not go to school today, her eyes are swollen and red from the crying shes been doing so can she take a day off, she will go tomorrow

Omphile looked at naledi and she didn't understand why she cared about her especially after what happened last night when she said those awful things to her

Heath: yeah I agree, her eyes are swollen...ok but tomorrow you're going ok

Omphile: ok daddy

then she looked at naledi who just smiled at her and she looked down still feeling bad about what happened last night

Naledi: umm Lesedi will also miss day care

Heath: ok....ummm let me go get ready for work then.....javas which car will you use

Jabu: the 3 series is ok

Heath: ok I'll use the jeep then

he put his plate down and stood up

Heath: obim you'll clear this for me

Naledi: yeah go

*** he kissed the top of her head and he walked upstairs with Lesedi in his arms and jabu stood up too and he went to the kitchen and put the now empty plate in the sink and he took the 3 series car keys and went back to the lounge and he kissed omphile's forehead***

Jabu: I'll come see you later ok

she nodded and he looked at naledi

Jabu: congratulations on the pregnancy

Naledi: thank you

Jabu: you'll tell your man I left ok I'll see ya'll later

Naledi: alright

he walked out

Naledi: I hope I didn't inconvenience you by saying you shouldn't go to school today

***she said that to Omphile ***

Omphile: no aunty.... I didn't want to go to school today but I was scared to tell dad cause he's serious about education and staff

naledi smiled

Naledi: ok

Omphile: ummm aunty im sorry about last night

Naledi: all is forgiven ok

*** she nodded***

Omphile: ok thank you

she stood up and took the dishes and went to the kitchen and washed them and as she was about to dry them naledi walked in

Naledi: leave them I'll finish up wena just go and change your school uniform

Omphile: ok

she walked out and she felt at peace inside cause she thought her father's girlfriend will abuse her or dislike her since her own mother doesn't treat her like shes her daughter, she always shouts at her and always says to her " you are just like your useless father" whenever she shouts at her so shes surprised that naledi is nice to her even though she hurt her feelings the previous night

.

****NALEDI****

*** Well I don't have much to say about the events that took place last night, to say I wasn't hurt by what heath's daughter said about me I would be lying but im glad all that she said wasn't what she really felt she was just manipulated, lied to and used by that bitch lerato and she has been apologising since then and I have already forgiven her. But my heart broke when I saw heath cry last night, I feel Omphile's pain and what she's going through about what her step father did to her, even today im still traumatised about what thabo did and still hurt about koko's reaction to all that so I can imagine what shes going through, and well im glad heath and jabu are there for her and I'll also try my best to be there for her..... speaking of that, I want the three of us to go to the mall and just do some retail therapy at least to take her mind off things..... well heath walked in the lounge with Lesedi in his arms and he put her down, gosh he looked hot and handsome in his maroon body fitting three piece suit, I swear I got wet down there instantly that I even had to cross my legs cause my clit is vibrating, he came and sat next to me***

Heath: will you be ok with both of them

Me: yeah don't worry

we kissed and broke the kiss and he kissed my forehead

Me: please don't come back late I need some serious servicing

he laughed and kissed my forehead

Heath: ok I'll come back early

I nodded

Me: you look dashingly handsome in that suit onye m

***he smiled... gosh this guy is handsome people ***

Heath: well thank you obim

Me: and remember you are taken ok

he laughed

Heath: trust me I know and I'll never do anything to make you leave me ok

I smiled and nodded... we kissed and he stood up and he went to the busy Lesedi and kissed the top of her head and he called out for Omphile and soon after she came down and he kissed her forehead and left

Me: Omphile how about we go to the mall and do some shopping

Omphile: aunty I was thinking maybe I should just go and sleep

Me: sit for a minute please

*** she did***

Me: I know how you are feeling Omphile cause I also went through something similar to what you went through

she looked at me

Me: with me it was my uncle and just like you when I told my grandmother she called me a liar and my mother said I asked for it, if it wasn't for your aunt Thandi and your father I don't know where I would be now or how I would have been

tears fell from her eyes and I moved closer and I pulled her to me and held her tight

Me: you are safe now Omphile and your father, uncle and I believe you ok

she nodded

Me: but what I wont allow is you feeling sorry for yourself and isolating yourself from us , don't give him that power over you baby he's not worth it

Omphile: he touched me on my private part and put his finger inside aunty while he kissed my neck and it was painful and I was scared...I hate him...I hate him soo much

I swear my body froze and my blood became cold instantly

Me: he did what?

she just cried and I held her tight while brushing her back until she calmed down, I was also crying

Me: look at me

she did

Me: hes gonna pay for what he did to you ok

she nodded and I wiped her tears

Me: just go upstairs and change and we are going to the mall to shop and have fun, no more tears because of that evil man ok hes not worth it, I know its not easy believe me but that evil man is enjoying himself out there and wena you are here crying no no we are going out, I'll be damned if we let him win ok

she nodded

Me: go and get ready and please go with the madam so I can clean her mess

Omphile: ok aunty

***she stood up and picked Lesedi up from the floor and they went upstairs and I couldn't hold them, they just opened like a tap of water.... I cried as I held my chest as what thabo did to me played in my head over and over and how scared I was at that

time.... After some time I calmed down and cleaned myself up and I stood up and cleaned lesedi's mess and I went upstairs to get ready***

****NARRATED****

***Three months went by fast and naledi bump was now showing and her and Omphile's relationship was growing and they were now close, Omphile respected her and naledi treated her like her own daughter and she even shows her love that Omphile has been longing for from a mother.... As for Tsholofelo and john cracks in their marriage were now showing cause his business was going under, money was disappearing in his business account and no one know who is stealing it and that also affected their personal accounts too courtesy of Heath Owoh-masden . Even though she was told that heath came and took Omphile from her mother's place she has never called to check on her or to ask if she's ok and naledi could see that it hurts Omphile so she's been trying to make her happy and loved. And when naledi finally told heath what Omphile told her about what john did to her, he lost it for the first in front of naledi...he drove to Tsholofelo's house breathing fire and when he got there he beat the fuck out of john to a point that he landed him in hospital with a broken nose, jaw and ribs and he even threatened both Tsholofelo and john that if he reports him, john will go to jail for attempted rape of Omphile and since prison is jabu's second home they will make sure he commits suicide himself once he's inside..... and well he didn't report him but heath and jabu are still going ahead with their plans of dealing with john their own way before they make him meet his ancestors Well in other news Mamiki called naledi the first day naledi went to the mall with Omphile and Lesedi and she told her that koko suffered a severe stroke after she learned of thabo's death and naledi told her that she hopes koko gets well and as for thabo its good ridden to bad rubbish and that made Mamiki angry that she even started insulted her over the phone then naledi just hanged up the call feeling bad for what happened to koko, but then she remembered her words that even if she's dead naledi should never set her feet in her yard so she just cried all of it out when they went back home on heaths chest later at night and she never went to the funeral..... well now its Saturday and heath went to jabu's place and Naledi, Omphile and Lesedi went to the mall to do some grocery shopping... naledi now can drive she even passed her learners and heath bought her a drivers licence ***

Omphile: Ma can I take two different cereals

yep that's what she calls naledi now

Naledi: ok baby

she smiled excitedly and she took them and they kept on moving taking other things from the shelves and putting them in the trolley with Lesedi wanting everything she sees

Omphile: Ma I think we should have let her go with dad to uncle jabu's house

***naledi laughed ***

Naledi: you are right look now o llela everything okare checkers hyper e owner ke papagae mxm (shes crying for everything as if checkers hyper is owned by her father)

*** they laughed and kept on moving until naledi saw a familiar face and she froze, it was lesedi's biological father Kitso.... She took a deep breath and fought back the tears as that faithful day she told him she's pregnant and he insulted her and also told her to abort, played in her mind... she took another deep breath and she swallowed hard ***

Omphile: Ma are you ok

Naledi: ye...yes baby lets go

they kept on walking then Kitso spotted naledi and called after her

Kitso: NALEDI!

naledi ignored him and kept on moving and he rushed to her and tapped her on her shoulder and naledi turned and looked at him with a frown..... kitso swallowed hard as he stared into her eyes and he saw nothing but hate

Naledi: what is it

Kitso: I can't believe this is you...wow you look good and beautiful

he said that admiring her beauty and her amazing body that used to drive him crazy but he stopped when he saw a baby bump

Naledi: baby lets go

***she said that to Omphile who was giving kitso the evil eye (mmmmh like father like daughter) and kitso quickly blocked naledi from leaving ***

Kitso: wow you are pregnant

Naledi: what do you want kitso

she said that with a cold voice

Kitso: did you get rid of the pregnancy or.....

then his eyes darted to Lesedi and within a blink of an eye he saw himself in her and his eyes popped out

Kitso: is...is this... is this her?...but I thought she was....

naledi interrupted him

Naledi: an albino right, no she's not and just so we are clear this is my daughter and her father is heath and this is her older sister and this is her baby brother

she said rubbing her belly

Naledi: and if you know what's good for you, you will walk away and never look back nx

she clicked her tongue and attempted to push away the trolley but kitso held her upper arm

Kitso: she's my daughter naledi I mean she even looks like me, look I know i....

naledi interrupted him with a hot slap on his cheek then she pushed him with both her hands and kitso stumbled back almost falling but he found his balance quickly

Naledi: YOUR DAUGHTER?... DID YOU JUST SAY YOUR DAUGHTER YOU BASTARD.... LISTEN AND LISTEN GOOD, YOUR BABY DIED THE DAY YOU TOLD ME TO ABORT JUST BECAUSE YOU SAID YOU'LL NEVER FATHER AN ALBINO CHILD AND NOW THAT SHES NOT AN ALBINO SHES YOUR DAUGHTER..... DON'T MAKE ME MAD KITSO OR ELSE O TLO NNYELA LETLAKALA KE WENA (you'll

shit yourself you piece of rubbish)THIS IS HEATH'S DAUGHTER YOU HEAR ME, NOW VOETSEK FROM MY FACE BEFORE YOU MAKE ME PUKE NX..... RUBBISH.....

*then she looked at Omphile***

Naledi: lets go Omphile

They walked away with people all around giving kitso an evil eye and looking at him with disgusted faces with some even clicking their tongues at him..... they went to pay without even finishing with their shopping, after they were done they went to the parking lot and loaded everything to the boot with naledi having minor cramps on her stomach.... After they were done she told Omphile to buckle Lesedi up and she took out her phone and dialled heath

Heath: obim

Naledi: heath please come to the mall I have cramps on my stomach

she said all that trying not to panic

Heath: wha....what...ok im on my way ok, stay where you are im coming.... try to do a breath in and out im coming

Naledi: we are at the ground parking lot

Heath: ok obim

***you could tell he was running.... She heard doors closing and a roar of an engine starting ***

Heath: are the cramps too painful

Naledi: not really... please hurry

Heath: we are coming obim

he said that with a panicking voice

Naledi: ok

***she ended the call and slowly got in the car and she closed the door and opened the car windows a little for fresh air to get in and she put her head on the steering wheel and she clenched her jaws as the cramps where getting a little painful ***

Omphile: Ma are you ok

Naledi: ye...yes baby im ok

Omphile: ok why are we not leaving

Naledi: your...your dad said we should wait for him hes coming

Omphile: ok

after what felt like forever for naledi with tears now coming out while her head was still on the steering wheel she heard heath screaming out her name and she raised her head and saw him , he was even breathing heavily.... She then unlocked the doors and heath opened the door and peeped at the back to Lesedi and Omphile

Heath: are you guys ok

Omphile: yes daddy

Heath: ok

Lesedi: DADA

*** heath took naledi out of the car and went with her to the car him and jabu came with and he put her in the passenger side and buckled her up then he closed the door and jabu rushed to the car naledi was driving.... Heath also got in and drove out in

total speed with his heart beating out of his chest.... Naledi put her hand between her legs and it came out clean and she sighed with relief***

Naledi: did... did you see blood when you took me out of the car

Heath: no.... how is the pain

Naledi: my belly feels numb and the pain is still there

she said that wiping her falling tears, as for Jabu he was driving behind them busy asking Omphile what happened

Jabu: what happened while you were shopping pumpkin

Omphile: some man came to us and he talked to Ma but she was angry at him then Ma said we should go and the man held her arm and started saying Lesedi is his daughter and Ma slapped him and pushed him then she started shouting at him saying Lesedi is daddy's daughter then we left to pay and came to the car

Jabu: mmmmmh

he said that clenching his jaws..... soon after they arrived at the hospital and heath quickly got out and he shouted for help then a porter came with a stretcher and heath took Naledi out of the car and he put her on the stretcher and they rushed inside with her.....as for Jabu he parked the car and quickly got out and he took Lesedi out and Omphile also came out of the car

Omphile: what are we doing at a hospital uncle.... Is it Ma

she asked with tears already in her eyes

Jabu: its nothing serious baby she just has pains on her stomach and pregnant women are not supposed to have pains so shes here to make sure the baby is ok...don't worry ok

***she nodded and they went inside and found heath sitting in the waiting area filling in some forms while looking frustrated, after he was done he took back the forms and came back and sat down ***

Lesedi: dada ntjiye (daddy take me)

***and heath took her ***

Jabu: Omphile said a guy approached them and started talking with Naledi who seemed angry and he kept on saying Lesedi is his daughter and when Naledi tried to walk away he grabbed her arm then Naledi slapped him and pushed him while shouting at him

heath clenched his jaws looking angry

Heath: he's gonna regret it

he knew who that guys might be so that's all he said and he just stared into space, he was worried about their unborn baby.... lerato miscarried every time she fell pregnant when they were still together so he was scared that Naledi might too.... Even though his granny said the baby will make it, but he was still scared.... He suggested that she resigns from work to minimise chances of her getting worked up and strained by her job for their unborn baby's safety and now some fucker comes from nowhere and makes his mamiwota angry to a point that she's at a risk of losing the pregnancy... he sighed and swallowed hard..... after some time a female doctor walked up to them

Doc: Naledi mogapi?

she called out and they went to her

Heath: how are they?

Doc: are you family

Jabu: yes now he asked you a question

Doc: they are both fine for now

she emphasised that "for now" part

Doc: her blood pressure was very high and it's still shocking to me that the pregnancy is still intact

Heath: so they are both ok

Doc: yes for now but im afraid the next time the baby won't be this strong enough to hold on cause already the baby's heart beat is low

***heath sighed heavily ***

Heath: can I see her

Doc: yes but don't stay too long she needs to rest... please follow me

heath didn't say anything to her

Heath: please call Thandi

and he looked at omphile

Heath: I'll be back ok

she nodded and he gave jabu Lesedi who was now sleepy and he followed the doctor

Heath: doc please make sure shes moved to a private ward immediately

Doc: I'll let the nurses know and to have that arranged immediately

they got inside her ward and heath rushed to her and held her hand and he kissed her forehead then naledi opened her eyes and was met by heath's eyes

Heath: obim

Naledi: hey

Heath: how are you feeling

Naledi: the pain stopped

Heath: ok

then he sighed

Heath: Omphile told us what happened is that bastard that made you angry, your sperm donor?

she nodded looking away

Heath: hey look at me

she did

Heath: I want you to do a favour for me

Naledi: ok

she said it with a low voice

Heath: I want you to leave that fool to me, lesedi is my daughter naledi and no bastard will come from nowhere and claim her unless they wanna meet their maker so please don't stress yourself and let me deal with him while you make sure our son is healthy and well, can you do that for me

she nodded

Naledi: im sorry I let him get me angry like that

he kissed her lips

Heath: its ok now no more stressing ok.... You don't know how scared I was obim so please no more stress for you ok

she nodded

Naledi: where are my girls

Heath: outside with jabu

Naledi: ok

Heath: I love you too much obim ok

Naledi: I love you too onye m

*** heath smiled, he loved it too much when she called him that especially in his native language..... well he stayed with her until she fell asleep and heath kissed her lips and forehead and he rubbed her belly and walked out... right then his phone rang, it was an international number****

Heath: hello

Voice: ooh my baby,how are you

Heath: ooh mom hey... im good and you

Mom: im good now that im talking to you

Heath: ok...how's dad and MJ

Mom: they are good and MJ is just being himself, always getting into trouble at school.... Anyway I have exciting news to tell you

Heath: ok im listening

Mom: next week friday we are coming to visit you and we will also pass by Ma and baba's place too

Heath: ok that's good news

Mom: ooh and your dad and I have a surprise for you

Heath: oohk should I be worried

Mom: nah it's a good surprise

Heath: ok then I also have a surprise for you too

Mom: I hope it's good

Heath: it's the best

Mom: I can't wait...ok my boy take care of yourself... we will see you next week

Heath: ok mom

Mom: I love you

Heath: I love you too

then they ended the call

Mj: nc nc nc I hope you and dad are up to date with your life insurances cause I don't want to be left as an orphan and broke at the same time when heath kills the two of you.... I have to mourn your passing with style mommy

Mom: will you just shut up and go do something like to clean your filthy room before I slap you nx

Mj: well I said my piece mommy... I hope your Will with dad is up to date too and that you shared your assets equally , I don't want unnecessary drama with my brothers and sister

***her mother threw a cup towards him and he ducked and it hit the wall and shattered into pieces ***

Mom: LEAVE MY SIGHT MICHAEL BEFORE I KILL YOU WITH MY BARE HANDS NX.... WHAT KIND OF A SON ARE YOU HEH IF YOU DIDN'T LOOK LIKE YOUR FATHER I WOULD SAY THEY CHANGED YOU IN THE HOSPITAL NX, NONSENSE

Mj: well heath will kill you with his bare hands when he learns what you and dad did without his consent dearest mother

Mom: LEAVE MY SIGHT MICHAEL....NOW

***he just shook his head and walked away while whistling and Mrs Owoh-Masden just held on to the kitchen counter and she breathed out trying to calm herself down because Mj just raised her blood pressure**

****NARRATED****

*** he got home, greeted his wife and just went straight to take a bath and he then went straight to the bed and he lay on it , soon after his wife got in the bedroom and sat at the edge of the bed and looked at him***

Wife: baby are you ok?

Kitso: yeah im just tired

she saw that his cheek had four fingers printed on it

Wife: what happened to your cheek kitso?

kitso sighed

Kitso: nothing Otsile just leave it

Otsile: did you fight with anyone

Kitso: Otsile I said leave it for God's sake.... Just drop it please

he said that with an annoyed voice

Otsile: mxm

she stood up and walked out of the bedroom and kitso sighed loudly.... His mind drifted off to naledi and the beautiful little girl he was sure was his daughter. He could feel from the depth of his stomach that she was his, he saw some bits of him on her... now he regretted everything he said to naledi back then, he wished he had done things differently and now he hoped it wasn't too late for him to at least try and fix things so he can have a father and daughter relationship with the little girl. Then there's naledi "he whistled", he couldn't believe that was her.... she looked sexy and beautiful even with her baby bump, he couldn't believe he left naledi to be with Otsile who doesn't respect him like naledi did and on top of that she can't give him a child because of her endless abortions she had years back that resurfaced after she confessed to kitso before they went to get checked out.... As for kitso a prophet once told him that he will never get any woman pregnant cause he denied his own blood, a child that his ancestors gave to him along with the mother of the child who is special. Naledi wasn't his to begin with but his ancestors made sure they meet and they even made sure naledi falls pregnant but kitso messed things up and now they are preventing him to have any more children even with another woman since his wife can't give him a child because of her abortions.... He took his phone and dialled his father

Dad: kitso

Kitso: pa I found them

Dad: found who

Kitso: naledi and my child.... I bumped into her at Mall of Africa and she was with my daughter...she looks like me papa and she's not even an albino but it didn't matter if she was or not I just want to do right by her

Dad: what did naledi say

he sighed

Kitso: it looks like her man is raising my daughter pa...she was angry that she even slapped me

Dad: did you at least take her number or something

Kitso: I got her number plate

Dad: she has a car

Kitso: I don't know it could be her boyfriend's cause it was a bmw x6

Dad: ok so what do you want to do now

Kitso: I just want her phone numbers so I can apologise and beg her to let me be part of my daughter's life

Dad: mmmmh what about your wife

Kitso: I'll talk to her tonight, I need her support on this....eish pa she looked good I wish I didn't listen to what my ex friends said about her being an albino cause I loved her and seeing her today made those feelings to resurface again....i messed up pa and look what I ended up with

Dad: that's what you get for choosing glitter over a rare diamond, now these are the consequences..... look now, you ended up with a whore who opened her legs to every man and getting pregnant for them then aborting their babies nx, no wonder she cannot carry a child for more than four months in her womb like the doctor said, it's because that useless womb of hers is already a fucken graveyard

Kitso: dad please even at that she's still my wife

Dad: wife se gaat (wife my ass).... didn't she know about condoms or even contraceptives? You see now the things you kids choose to bring into our family kitso, you bring prostitutes to my house as daughter in laws nx

Kitso: pa enough she's my wife whether you like it or not!

he warned him

Dad: then let that stupid wife of yours help you with your daughter's issue then nx

he said with a pissed off voice

Kitso: dad come on i....

Dad: hai fosek man

he then dropped the call and kitso sighed

Kitso: fuck... eish I wish I can turn back the hands of time

he said that to himself rubbing his head roughly

.

.

.

**** after their dinner they sat at the lounge watching tv then kitso took the remote and switched off the tv and turned to look at his wife***

Otsile: kitso ke eng nou (what it is now)

he breathed out loud

Kitso: I have something to tell you

Otsile: ummm... ok im listening

Kitso: I saw naledi today

Otsile kept quiet a bit then she spoke

Otsile: which naledi

Kitso: my ex

Otsile: that albino girl

kitso clenched his jaws

Kitso: yeah

Otsile: ok you saw her so?

Kitso: she didn't abort that time I told her to

Otsile: askies what

Kitso: she didn't ...

she interrupted him

Otsile: I heard you....is this some kind of joke kitso

Kitso: no...look the little girl even looks like me

Otsile: don't test me kitso you hear me don't

Kitso: she's my daughter Otsile ok

Otsile: I WILL NOT ALLOW A BASTARD ALBINO CHILD IN MY HOUSE YOU HEAR ME, OVER MY DEAD BODY

Kitso: MY CHILD IS NOT A BASTARD OK, DON'T PISS ME OFF OTSILE CAUSE YOU WON'T LIKE THE OUTCOME

Otsile: YOU STILL WANT HER BACK THAT'S IT RIGHT... YOU STILL WANT THAT CURSED ALBINO BITCH BACK RI.....

*** she didn't finish her sentence cause a slap landed on her cheek and she held her cheek with shock on her face ***

Otsile: you slapped me kitso, me your wife because of that bitch

Kitso: that bitch is the mother of my child ok, I wronged her before and who knows maybe its because you used love potion on me which made me leave her but now im not blind or weak anymore Otsile I can see clearly now

she laughed with disbelief with tears running down her cheeks

Otsile: how... how dare you kitso

Kitso: YOU HAD MULTIPLE ABORTIONS OTSILE AND YOU NEVER TOLD ME EVEN WHEN I ASKED YOU TO MARRY ME, YOU KEPT QUIET CAUSE YOU KNEW I WOULDN'T HAVE MARRIED YOU....YOU LIED TO ME AND I FORGAVE YOU AND NOW INSTEAD OF ACCEPTING MY CHILD YOU CALL HER AN ALBINO BASTARD

he shouted

Kitso: I LOST A GOOD AND FAITHFUL WOMAN BECAUSE OF YOU AND NOW SHE HATES ME AND MAY NEVER LET ME SEE MY CHILD AND NOW I'M STILL MARRIED TO A LYING, MANIPULATIVE, ABORTION QUEEN WHO HAS BROUGHT NOTHING BUT BAD LUCK TO ME

he said pointing at her

Kitso: I LET SO MANY THINGS YOU FUCKEN DID SLIDE BECAUSE I LOVE YOU AND YOU HAVE THE FUCKEN GUT TO CALL MY CHILD A BASTARD TO MY FACE

Otsile: HOW...HOW DARE YOU KITSO...HOW DARE YOU SAY ALL THAT TO ME...ME OTSILE

Kitso: listen here im gonna find naledi and beg her to let me have a relationship with my daughter, even if I have to beg on my knees I will

Otsile: dare me and bring that thing to my house and I'll fucken poison her... you are my husband and this is my house...its clear you don't know me, now dare me and bring her here then you will see

Kitso: you know what, I don't even know what possessed me to a point that I cheated on naledi with you and even ended up being married to your useless self nx

he said that and walked to the bedroom and changed into a jean and shirt and sneakers then he took his car keys, phone and wallet and he walked out

Otsile: where do you think you are going kitso

he ignored her and walked to the main door

Otsile: KITSO COME BACK HERE NOW!

Kitso: nx

he walked out and got into his car and drove out then Otsile picked her phone while crying and she dialled her mother's numbers and after the third ring she answered

Ma: Otsile

Otsile: mama he's gonna leave me I can tell

*** She said that crying***

Ma: what are you talking about Otsile?

Otsile: that albino girl didn't abort the baby that time and now he wants to have a relationship with the child and I can tell he still loves that useless cursed bitch mama, I love him I can't lose him

Ma: you see what lies do to marriages

Otsile: mama I don't want that "I told you so" speech, I want a solution mama I cant lose him

Ma: accept his child then that's all you can do now Otsile

Otsile: mama no I can't ok I can't raise that thing's baby.... never

Ma: can you carry your own babies for your husband Otsile?..... that same thing as you just called her has a child with your husband something you failed to do because you decided to sleep around and do abortions left right and centre and when I warned you what did you do, you swore at me and told me that I should stay out of your business cause its your body...look at you now

Otsile: I didn't call you so you can remind me of my past mistakes ok

she said that with a hard tone

Ma: ok then girly listen..... you are a married woman now and you told me you know what you are doing when I advised you to tell kitso about your many abortions before you got married, now do what's best then.... Goodnight

then she dropped the call.... Otsile has always been a troublesome child, she partied a lot before kitso and slept around with different men and whenever she fell pregnant she would get rid of the pregnancy and when her mother advised her about her ways she would swear at her and tell her to stay out of her business, her mother always prayed that she changes her ways and she finally did after getting married but then you know in life there's always KARMA and now it has visited both of them for what they did to naledi

Naledi: hea...heath what are you doing

he was on one knee holding an opened small gold box with a diamond ring inside.... She was discharged just a few minutes ago and she just came out of the bathroom with her toiletry bag on her hand..... she came out of the bathroom and found him on his knee and with the gold box on his hands

Heath: please make me the happiest man on earth and marry me naledi

she stood there with tears now coming out, shocked by this.... She couldn't believe heath wants to make her his wife

Heath: aren't you gonna say something obim

Naledi: are...are you sure heath

Heath: like I've never been sure of anything before

Naledi: you...you know you don't have to marry me because im pregnant right

Heath: I know that, now please answer obim my knee hurts.... Will you marry me?

she nodded a couple of times with tears gushing out while laughing

Naledi: yes..yes I'll marry you

heath breathed a sigh of relief and he stood up and slid the ring on her finger and he then smashed his lips on hers.... After some time they pulled out of the kiss and hugged tightly

Heath: thank you obim, thank you so much

****HEATH****

**** It was now Friday around 3 in the afternoon and i was in my office busy..... Lately my company has been doing very well and we are even signing new clients almost every day which is something that has never happened before, my HR department already is busy hiring new staff cause work is piling up tremendously, im happy that everything is going well in my life. Naledi agreed to marry me and her and Omphile are closer than I anticipated they would be and that just soothes my heart cause I can even tell that Omphile is free and happy to have a mother figure in her life who gives her attention and that makes me happy, and im glad our unborn baby is ok and healthy and as for princess Lesedi, she's just being Lesedi with her naughty self. Well as for lerato, my guys are keeping a close eye on her and she did as I told her to do being to keep her mouth shut about who hurt her and im glad cause I really don't want to deal with her father cause besides his illegal businesses on the side he's actually a down to earth good man..... well my phone rang and it was my baby girl Omphile ***

Me: baby girl

Omphile: daddy mama said I should tell you that you shouldn't forget her McDonald's big mac when you come home

I chuckled

Me: ok my love I won't forget and what about you, what should I bring you

Omphile: a big mac too

Me: mmmmh like mother like daughter neh

she laughed

Omphile: aaah daddy

damn my daughter is happy people and that makes me happy...hearing her laugh brings joy to my heart

Me: ok tell you what, tell your mom that I'll bring takeaways so she shouldn't cook tonight

Omphile: ok I'll tell her

Me: good so what is she doing now?

Omphile: she's baking for grandma and grandpa daddy

Me: ok tell her to take it easy ok or else she'll go back to the hospital

Omphile: ok I'll tell her, I'll make sure she takes it easy because I don't want her to go back to the hospital

Me: ok my love I'll see you later ok

Omphile: ok daddy I love you

Me: I love you too my baby

then we ended the call and I smiled....the fact that they get along makes me happy I don't wanna lie... anyway my phone rang again and it was lerato's father calling

Me: Mr Moeketsi

Moeketsi: heath how are you?

Me: im good and yourself sir?

Moeketsi: im not good son

he sighed

Me: im listening

Moeketsi: I need your help man, it's my daughter lerato she was attacked about a week or so ago and she refuses to tell us who hurt her

Me: ooh im sorry to hear that so how may I help you

Moeketsi: please come and talk to her maybe she can tell you who did that to her, I would have asked you to search for the bastard who hurt her but even the cctv footage doesn't show anything suspicious so lerato is the only one who can identify the culprit but she refuses to tell us all she does is cry

I smiled wide then I cleared my throat

Me: ummm sir I would like to do that but I have a pregnant fiancé who would be angry at me if she knew I went to talk to my ex cause im sure lerato would say something to her about it cause she's like that so I don't want trouble so im afraid I can't do that

Moeketsi: please heath I know she'll tell you

Heath: Mr Moeketsi my fiancé is my first priority ok and I don't want problems between us so please I can't, please understand my situation... even though you are my client but lerato is my ex and I have a pregnant and hormonal fiancé who won't like me helping out my ex im sorry

he sighed

Moeketsi: ok but if you change your mind call me

Me: ok

we ended the call

Me: mxm

*** then the door opened and my father stood there with a smile on his face... mxm trust this old man to just budge in just like that***

Me: im sure Jane decided to ignore you when you walked past her desk cause she didn't even tell me you are coming in

*** I said that standing up and walking to him***

Dad: this time around I decided to give her the look and she just froze

*** we laughed and hugged ***

Me: mgbe I biara (when did you arrive)

Dad: otu awa gara aga, naani m choro ka oge ufodu puo na mama gi, ekpebiri m ibia hu qi (an hour ago, I just wanted some time away from your mother so I decided to come see you)

I laughed and he went to sit on my chair (he likes sitting there every time he comes here) and I went to sit on the visitors chair

Dad: everyone is busy down there going up and down

Me: yeah it's been busy lately, it's like blessings from the heavens have decided to fall straight to this company because new clients are signing with us almost every day now and we are even hiring new staff because work is piling up

Dad: wow bu ezigbo okposite naewuli qi elu (wow that's good news son im proud of you)

*** I smiled wide***

Me: ekele nna, o bu otutu ihe n'onu qi (thanks dad it means a lot hearing you say that)

*** then he cleared his throat***

Dad: so any special woman in your life

*** I smiled like a retard.... fuck naledi drives me crazy ***

Me: yes her name is naledi and she's my life dad she makes me so happy that I feel like I didn't know what love was until I met her

***he started coughing and I quickly poured him some water and he drank it ***

Me: I bu papa di mma (are you ok dad)

Dad: ye..yes...so her name is na..what?

Me: naledi which means star in English

I breathed out loud

Me: and...and she's pregnant dad, she's carrying my boy dad

Dad: pre...pregnant?

Me: yeah...look dad I know you are disappointed that im having a child out of wedlock but I love her and even live for her.... And I even proposed marriage to her and she said yes

***he looked down while shaking his head ok what's happening ***

Me: dad

Dad: ummm son ummm im happy for you and im happy things are going well for you

Me: thanks but are you ok cause you've suddenly started to sweat ***

he stood up and I also stood up

Dad: nothing to worry about, I forgot to drink my blood pressure pills so now I think its high...look let me go back I'll see you tomorrow with your mother ok

Me: are you sure you gonna be ok

Dad: im sure son don't worry

*** we hugged and I walked him to the door***

Dad: remember son to keep an open mind tomorrow

Me: with mom involved I doubt I will, that wife of yours knows how to bring out the devil in me sometimes

he smiled

Dad: but through all that remember she's still your mother

Me: yeah yeah

he chuckled and walked out and I closed the door and went back to work

**** NARRATED****

Mr.masden: nomvula I think we made a mistake

Mrs.masden: what are you talking about Michael?

Mr.masden: I went to see Ezeh and he told me he's now engaged and the fiancé is pregnant

Mrs.masden: WHAT? NEVER.... MY SON WON'T BE TIDE DOWN BY SOME USELESS THING, WE MARRIED HIM A WIFE AND THAT'S IT... I WONT HAVE JUST ANYBODY AS MY DAUGHTER IN LAW MICHAEL, ADANMA IS HIS WIFE AND THAT'S THAT

Mr.masden: you know your son Nomvula.... all hell will break loose when he finds out that we married a wife for him cause I could tell he loves this naledi girl

Mrs.masden: he's my son so he'll listen to me, I didn't carry him for nine months for absolutely nothing Michael

Mr.masden: well I said my piece woman

then he turned and looked the other way and slept

.
. .
. . .

****at heath's house....it was night time and they lay in bed naked after their steamy session with naledi's head on his chest and him holding her tight***

Naledi: im nervous about tomorrow onye m

Heath: well my father is a nice man although he looks intimidating but as for my mother... eish she's a different story all together obim but whatever she says don't mind her cause nothing and no one is gonna break us up ok not even my parents

Naledi: you promise

Heath: I promise obim

they kissed

Naledi: well even Omphile doesn't like your mother much, she said whenever she goes to Nigeria to visit them she always orders her to wear dresses only and you know your daughter loves jeans

heath chuckled

Heath: like I said mother is just....a pain in the ass some times

Naledi: bathong heath don't say that about your mother

*** she said that pinching him and he flinched and laughed***

Heath: ok ok sorry obim.... I love you ok

Naledi: I love you too

he kissed her forehead

Naledi: goodnight onye m

Heath: goodnight obim

**** and they closed their eyes and slept****

.

.

.

Naledi: heath are these glasses ok to serve them with

Heath: ummm what's wrong with them

Naledi: I don't know, what if your mother thinks they are out of fashion or something

heath breathed out loud cause she's been fussy all morning making sure everything is ok and everywhere is spotless...he went to her and held her hands

Heath: obim please breathe before you faint abeg

Naledi: I want everything to be perfect heath

Heath: obim I know you want my parents to accept you and love you but one thing you seem to have forgotten is me, Lesedi and Omphile are all the family you need and the same applies to me about you three ohh I mean four....whether they like you or not I don't give a fuck cause one way or another im gonna wife you even if we do it via the magistrate court it doesn't matter cause only death will do us apart obim

***she looked at heath with tears in her eyes.... She didn't understand why heath loved her this much, she could tell he loves her more she even loves herself and it was just amazing ... she just threw herself to him and he held her tight ***

Naledi: I love you heath and thanks for loving me so unconditionally

Heath: I love you too obim God knows I love you too much

***they kissed and heath wiped her tears then Jabu walked in the kitchen ***

Jabu: khante what's taking them so long, some of us have places to be you know

he was here because heath asked him to come so he can make sure he doesn't lose it cause he has a bad feeling about her mother's reaction to the fact that Naledi is an albino then they heard a car driving in

Jabu: eish finally

*** And they went to the lounge and joined Omphile who was watching tv and Lesedi who was busy playing with her toys and they waited for them to come in***

Heath: I know you can't tolerate your aunt but can you at least pretend that you are happy to see her just for today

Jabu: ai lwena mshikaro why o sa nna ncosi ya Betty instead of ya nomvula heh (shaka why didn't you become Betty's son instead of nomvula's)

***heath and Naledi laughed**

Heath: you can't choose family Jabu

Jabu: well I choose not to be her nephew

they laughed then there the bell rang and heath went to open the door and it was his mother, his father(who didn't look comfortable being here), his younger brother MJ and some young beautiful dark woman

Heath: come on in

they did and heath hugged his mother and did a stylish handshake with his little bro and shook his father's hand and the mysterious lady's hand too and they went to the lounge and Jabu and Naledi stood up and Omphile reluctantly went to her grandparents and hugged them and she just greeted the lady and hugged MJ..... well Jabu went to shake their hands too, well except the lady's hand cause by the look of heath's fathers' face, shit was about to hit the fan. Well as for heath's mother she had a disgusted look on her face while looking at Naledi..... well heath went to stand next to Naledi ready to introduce her to his parents

Heath: well mom and dad I would like to....

his mother interrupted him

Mrs.masden: before you speak son I would like you to meet Adanma Okoye, your wife...Ada this is your husband Heath Ezeudo Owoh-Masden

****the whole room went quiet instantly and Naledi's heart started to beat fast ***

Heath: what did you just say?

then MJ cleared his throat

MJ: well parents please just do me this one favour, when you arrive in heaven tell Angel Gabriel or whomever it is that is the bookkeeper up there that I say my name had better not be removed from his books under no circumstances whatsoever cause I did a good deed by warning ya'll about your deaths but you refused to listen so please tell him oooo...ok then

*** he looked at Omphile***

Mj: well princess O take the little princess and lets go upstairs so we can leave the old people to talk old people's stuff

Omphile nodded while looking at Naledi who was holding her tears and she went to pick Lesedi up and they went upstairs

Jabu: mshikaro just calm down please

he could see that he was about to lose it

Heath: I asked a question now somebody better answer me

Mr.masden: son look we didn't

his wife interrupted him

Mrs.masden: my boy your father, uncles and I decided to marry a good wife from a well-respected family for you

Naledi's tears just ran down her cheeks as she felt like her whole world was about to come to an end

Heath: YOU DID WHAT?

Mrs.masden: yes my son you deserve to get married to a good girl from a good and well respected family and not just anybody

Jabu: wow I can't believe this

heath looked between his parents and the lady with rage all over his face

Naledi got off heath's grip and attempted to walk away but heath held her hand quickly and pulled her to him

Heath: you see this woman right here is my fiancé and the mother of my children and the woman that owns my heart so if you know what's good for you you'll take this prostitute out of my house to where ever you picked her from

Mrs.Masden: HEATH HOW DARE YOU CALL YOUR WIFE A PROSTITUTE, WHATS WRONG WITH YOU BOY AND ALL BECAUSE OF THIS ALBINO THING, ARE YOU MAD...LOOK HERE WE WILL NEVER ACCEPT HER INTO OUR FAMILY SO THE SOONER YOU END THINGS WITH HER THE BETTER WE WILL JUST TAKE CARE OF OUR GRANDCHILD THAT IS IN HER WOMB AND THAT'S IF THE BABY IS YOURS...ADANMA IS YOUR WIFE WHETHER YOU LIKE IT OR NOT

Naledi: hea...heath let go please

she said that with a breaking voice and that pushed heath to his limits

Heath: the three of you have exactly 10 seconds to leave my house before I do something I'll probably regret afterwards

Mr.masden: son please under...

he interrupted him

Heath: 10..9...8...

Mrs.masden: HEATH STOP ALL THIS MADNESS OK WHATS WRONG WITH YOU, WHAT DID THIS "THING" FEED YOU HEH... WHAT LOVE POTION DID YOU FEED MY SON YOU CURSED DEMON

*** she said that looking at naleidi who just cried a painful cry while holding her chest***

Mr.masden: NOMVULA STOP IT MAN

Mrs.masden: LEAVE ME ALONE MICHAEL NO CHILD OF MINE WILL GET MARRIED TO AN ALBINO...NEVER I REFUSE IT IN THE NAME OF THE LIVING GOD I SERVE

Jabu: uncle I suggest you all leave now

Heath: 7...6...5

mrs masden slapped heath and heath looked at her with cold and hard face with his eyes bloodshot red

Mrs.masden: YOU ARE MY SON AND YOU'LL LISTEN TO ME, YOU HEAR ME

*** she then looked at naleidi ... as for heath's body it was shaking with rage...he was fighting the edge to strangle his mother to death with his bare hands***

Mrs.masden: little girl if you know what's good for you... you will go upstairs and pack whatever rags that you own and leave heath and Adanma's house this instant

Heath: obi m go upstairs now and stay there im coming

*** he said that letting go of her and she didn't even argue or anything she just walked upstairs sobbing so painfully***

Heath: I said get out of my house all of you

Jabu: uncle take your wife and this thing and leave immediately

Mrs.masden : shut up Jabulani this is my son's house ok we are not going anywhere nx

*** she clicked her tongue and heath walked to his study and Mrs Masden pulled Adanma's hand and she instructed her to sit down cause this is her husband's house and jabu went after heath....well heath got to his study and opened his safe with his hands shaking with extreme anger with naleidi's sobs playing in his mind and he took out his gun and closed the safe and as he was about to walk out he bumped into jabu***

Jabu: mshikaro theola moya assomblief (shaka please calm down)

Heath: move jabu

Jabu: bona they are not worth it believe me wena just go upstairs and talk to your mamiwota

***heath pushed jabu out of the way and went to the lounge and his mother and Adanma screamed when they saw a gun on his hand ***

Heath: GET THE FUCK OUT OF MY HOUSE NOW!

he roared

Mr.masden: Ezeh just calm down please

heath pointed the gun at the glass table and pulled the trigger and screams filled the room then he pointed the gun at his mother who was now shaking with fear because of the look that was on his face

Heath: IF YOU EVER TALK LIKE THE WAY YOU DID TO NALEDI EVER AGAIN, I WILL KILL YOU AND MOURN YOUR DEATH DO YOU HEAR ME WOMAN...NOW TAKE THIS WHORE OUT OF MY HOUSE BEFORE I KILL HER..... TAKE HER OUT NOW!

he roared

Mrs.masden: heath shes your

***he pointed the gun at Adanma and jabu saw that he was gonna shoot her for real and he jumped on the gun as heath was pulling the trigger and it missed Adanma by an inch on her left cheek and the bullet hit the wall and everyone screamed with Adanma covering her head while ducking ***

Heath: LET GO OF ME JABU AND LET ME KILL THIS WHORE THAT'S MAKING MY OWN MOTHER TO DO THIS SHIT TO ME

Jabu: SHES NOT WORTH IT MSHIKARO BELIEVE MEDON'T DO THIS WITH NALEDI AND YOU KIDS UPSTAIRS

he didn't care he pushed jabu off him and pointed the gun at his mother and shot next to her on the couch and she screamed out loud and he pointed the gun at her again then his father stood in front of his wife shielding her from being shot this time

Mr.masden: EZEUDO STOP THIS NONSENSE NOW..... THIS WOMAN IS YOUR MOTHER FOR GOD'S SAKE

Heath: I SAID GET THE FUCK OUT OF MY HOUSE NOW..... DON'T THINK I WONT SHOOT YOU DAD CAUSE I WILL JUST SO I CAN GET TO YOUR EVIL AND WICKED WIFE....NO ONE AND I MEAN NO ONE HURTS NALEDI IN ANY WAY AND GETS AWAY WITH IT NOT EVEN MY OWN MOTHER, NOW MOVE OR I'LL MAKE ALL YOUR CHILDERN ORPHANS

*** he roared with his father watching in total horror looking at an angry heath...he could see that this was not "his" heath but an angry animal that they just unleashed unknowingly ***

Heath: I SAID OUT

*** he roared again and Adanma quickly took her hand bag and rushed out with her body shaking from her head to her toe and heath quickly grabbed her by her weave with the hand that held the gun and landed a hot slap across her face with another hand and let her go and she fell on the floor screaming out loud and before he could rush to her with an attempt to kick her jabu grabbed him ***

Jabu: GET UP AND LEAVE THIS HOUSE NOW WOMAN

he said that to Adanma and she quickly stood up and ran outside wailing

Jabu: Caesar calm down please just calm down

his mother was wailing out loud while his father was frozen with shock as he looked at his son

****HEATH****

To say im angry is an understatement, Im fuming with rage and Im baying for blood. Seeing naledi cry like that moved something in me cause I never want to see her cry ever and now it's worse cause she's pregnant..... Im now pointing a gun at my parents ready to pull the trigger with jabu begging me to drop the gun but it was like he it wasn't registering in my mind, well I only came back to my senses when I heard her call out my name.... I turned and looked at her and my heart broke into thousands of pieces when I saw her face, it was pink and her eyes were swollen and red along with her nose

Naledi: onye m

***she said that in a low tone with her eyes on the gun and I slowly lowered the gun and jabu quickly took it from my hand and I walked to her with a worried look on my face ***

Me: are...are the two of you ok

she shook her head no

Naledi: cramps

*** thats all she said with tears coming out and I swear I died a million deaths at that instant... I turned and looked at jabu with a panicking look***

Me: jabu look after my princesses and make sure these people leave my house

Jabu: sho, keep me updated

I nodded and I rushed upstairs and took my wallet and I rushed downstairs and I took my car keys and picked her up bridal style and rushed outside and I found that bitch outside nx, I unlocked the car and put her down and she slowly got in and I also got in and drove out.... As soon as I arrived at the hospital I got out and quickly rushed to the passenger side and got naledi out then I picked her up bridal style and rushed inside with her, and as soon as the nurses saw me they came with a stretcher and I put her on top of it and they wheeled her away with me rushing next to the stretcher

Nurse: sir what's wrong with her

asked one of the nurses

Me: she's pregnant and she has pains on her belly but she's not bleeding

Nurse: ok we will take it from here..... I promise we will take good care of her so please go to the reception and fill in the forms

*** she said that stopping me from getting inside where they wheeled her in and I nodded with my hands on top of my head.....she went inside and i went to the reception..... after what felt like forever I saw a doctor approaching***

Doctor: Naledi Mogapi!

he called out and I stood up and went to him

Me: how is she?

Doctor: are you the father

nX

Me: yes now how are they

Doctor: her BP was extremely high and im even surprised that the babies are still holding on

*** I breathed a sigh of relief....wait a minute***

Me: babies?

Doctor: yes she's carrying twins

I just froze with shock

Me: ho...how...I mean she was admitted not long ago and the doctor that did a scan on her didn't say she's carrying twins

Doctor: I don't know about that sir maybe the other baby was hiding and his/her heart beat was low or the doctor was just incompetent but what I know is she's carrying twins

I moved to the couches to sit down cause I just felt my knees shaking and he followed me, wait didn't my grandmother say she's carrying my son but then again I asked her to repeat what she said but she pretended as if she didn't say anything

Doctor: I saw on her file that she was admitted the last time because of her Blood pressure so I plead with you to make sure nothing stresses her or the next time the babies might not make it, carrying multiple babies is a risk at its own so stress might harm both the babies and the mother so please make sure nothing stresses her

*** I nodded cause I was blaming myself for her being here cause the real culprits involved here are my parents***

Me: can I see her and when will she be discharged

Doctor: if in two hours' time her BP is stable then I'll discharge her but if it's not then she'll spend a night or two here.... And yes you can go see her

Me: thank you Doc

he nodded and I stood up and followed him to naledi's ward..... I got in and her eyes were closed, I got closer to her bed and as soon as I touched her hand she opened her eyes

Me: how are you feeling now?

*** she didn't say anything***

Me: im sorry about what happened obim

Naledi: me and the kids will move to the apartment

Me: what are you talking about naledi?

Naledi: you are married heath and your mother said...

*** I interrupted her***

Me: you are not going anywhere and if you want to experience my wrath then dare me and leave me naledi!

I warned her...well more like threatened her and she didn't say anything, tears just came out and I sighed

Me: im sorry obim....i shouldn't be stressing you, im sorry ok

I said that wiping her tears and I kissed her forehead

Me: I didn't know about their stupid plan obim and Im not married ok, I love you so much naledi to a point that I almost shot my own mother because she made you cry

I sighed

Me: this heart beats for you obim and only you, I meant what I said naledi that only death will do us apart so don't stress yourself please

she didn't say anything she just closed her eyes and I pulled a chair and sat next to the bed and held her hand tight....nx no one makes my mamiwota cry and gets away with it..... I got up and walked out of her ward and I took out my phone and called jabu

Jabu: how is she?

mxm that's how he answers his phone

Me: they are fine.... How are my princesses

Jabu: they are fine too but pumpkin is worried about naledi

Me: is she next to you

Jabu: yeah hold on

I heard some shuffling in the background

Omphile: daddy

she said softly

Me: my love

Omphile: where are you and mama

Me: I took her out for some fresh air cause your grandmother made her sad remember she's not supposed to stress out

Omphile: where is she can I talk to her?

Me: she....

*** I sighed***

Me: ok hold on

*** I went inside and I woke naledi up and told her its Omphile and that she's worried about her and I put the phone on loud speaker***

Naledi: baby

Omphile: mama are you ok and when are you coming back Lesedi was crying for you and daddy

Me: we are coming back like I told you I needed to take your mother out for some fresh air so she can calm down ok

Omphile: ok

Naledi: is Lesedi still crying

Omphile: no uncle jabu made us some food and she stopped crying now she's sleeping

I saw a tear run down naledi's cheek and I sighed

Me: ok princess we are coming back just now Take care of your little sister ok

Omphile: ok daddy

Me: should we bring you something

Omphile: McDonalds daddy

Me: you and your mother with this McDonalds of yours

*** she laughed and naledi didn't even attempt to smile... fuck that hurts***

Me: ok then see you in a bit

Omphile: ok daddy I love you

Me: I love you too princess

Omphile: I love you mama

Naledi: I love you too my baby

Me: give your uncle the phone

then I took it off loud speaker and I walked out again

Jabu: mshikaro

Me: did they leave

Jabu: nah jou ou'lady (your mother) refused to leave

*** I clenched my jaws***

Me: I see my message to her and her husband along with that bitch they brought to my house wasn't clear enough

Jabu: I give up with her mshikaro, that woman is just wicked I don't care gore ke jou ou'lady (that she's your mother) and my aunt nx o nale pelo ya masepa (she has an evil heart), I mean what if naledi o luzitse ncosi (lost the baby)or worse she ran out of the house and got hit by a car or something.... Why asa go biletsa ko lesaiteng (Why didn't she call you aside) and talked to you ko sephiring (in private) instead of saying all that shit to naledi

*** I felt my anger rise up again when the thought of naledi losing the baby crossed my mind ***

Me: I can't believe my own parents did that to me javas

Jabu: I hate judgemental people mshikaro and you know that so they better leave and go back home before I lose my fucken cool too nx

he sounded angry but not as angry as I am cause right now I don't even care that they are my parents I just want them to fucken leave my house

****NARRATED****

*** well two hours passed and the doctor discharged naledi since her BP was stable now and heath and her drove passed McDonalds and bought takeaways and drove home with naledi quiet all the way, they soon arrived and heath parked the car and turned to look at naledi who was looking outside the window ***

Heath: obim

she didn't say anything

Heath: obim please look at me

she did slowly

Heath: I love you

***she looked down and he lifted her chin up with his finger ***

Heath: I love you naledi

she looked away instead of saying anything

Heath: I said I love you naledi

she sighed

Naledi: I love you too

Heath: say it like you mean it please

she sighed again

Naledi: I love you too heath

he looked at her for some time

Heath: can you do me a favour

she nodded

Heath: please trust me and don't stress yourself

she sighed

Naledi: their car is still here so it means they are still here too..... I don't know heath maybe you should just take me and the kids...

he interrupted her

Heath: not happening naledi forget it

she kept quiet and looked outside the window

Heath: what happened to trusting me naledi?

Naledi: I do trust you heath but they are your parents, I've been disowned by my family so you can't have issues too with your family especially because of me

Heath: naledi

Naledi: heath

Heath: naledi!

he called out her name again

Naledi: heath

Heath: how many times did I call you?

Naledi: two times

Heath: good cause now im gonna say this once and we are never to discuss it ever again.....you and our kids are what is important to me naledi and I'll choose you and our kids anytime and any day over my family do you understand me

she sighed and nodded

Heath: I love you naledi a lot in fact more that you can ever imagine so please trust me obim as much as I trust you

Naledi: I trust you heath im just scared

Heath: you have nothing to be scared about obim cause I got you ok

she sighed

Naledi: ok..... Im hungry

he smiled

Heath: let's go inside

she didn't move

Naledi: heath please can i sleep at the....

he interrupted her

Heath: no, this is your home naledi so now we are going inside and im gonna feed the three of you and I'll service you later at night ok

she nodded slowly and they got out of the car and heath held her hand and pulled her closer to his body and smashed his lips on hers and they kissed for some time until they pulled out of the car and heath stared into her swollen and puffy eyes

Heath: I love you obim

Naledi: I love you too onye m

and that made heath smile wide and he kissed her forehead then they went inside and as soon as Omphile saw them walking into the lounge she stood up and rushed to naledi with Lesedi in her arms and heath kissed her forehead and took the sleeping Lesedi from her and she hugged naledi

Omphile: mama are you ok

naledi nodded smiling a bit

Jabu: she's been holding the little princess ever since ya'll left she refused to put her down

Heath: she's just being an overprotective older sister

Jabu: yeah and I already feel sorry for Lesedi

they chuckled and heath's face got serious when his eyes landed on his parents and Adanma sitting down on the couches with the TV on then MJ walked in holding a plate with food on it

Heath: I thought I told you all to leave

Mr.masden: son sit down so we can talk

*** he said that with a serious tone***

Heath: Omphile go to eat your takeaway in the cinema room

Omphile: ok

she then took the paper bag and walked away then naledi tried to take Lesedi from heath and he shook his head

Heath: sit obim

Mrs.masden: this is a family issue heath let her go

Heath: whatever you want to say to me you can say it in front of her

mrs masden wanted to say something but her husband stopped her by raising his hand up to her indicating that she should keep quiet

Mr.masden: its ok she can also sit in

they both sat down and so did MJ and jabu

Mrs.masden: junior go join Omphile

Mj: what for

Mrs.masden: Im not in the mood for your nonsense junior just go join Omphile now

Mj: im not going anywhere mom so just save your energy please

Mr.masden: junior listen to your mother

Mj: why

Mrs.masden: because you are too young to be sitting in on adults conversations

Mj: well mom im old enough to have sex and impregnate a girl so I think im old enough to sit in on this

*** jabu chuckled and heath just smiled looking down cause he knew how crazy his little brother is***

Mrs.masden: MICHAEL TALK TO YOUR SON PLEASE BEFORE I LOSE IT WITH HIM

Mj: dad just start with the talk cause im not going anywhere

he said eating his food and his father sighed while shaking his head

Mr.masden: Ezeudo we chose a wife for you cause you have never introduced a girl to us before and we were worried that you might end up choosing a woman like omphile's mother to marry so we chose a good girl from a good family for you, believe me we meant no harm we were just looking out for you

Heath: ok then now that you know im engaged and that my fiancée is pregnant take your ' good girl from a good family" back to where you took her from cause she's not needed or welcomed here

Adanma just sobbed silently

Mrs.masden: heath what has happened to you my son, I mean you pointed a gun at me your mother all because of her..... you pointed a gun at me your mother heath who carried you for nine months and suffered 48 hours of labour and you nearly shot me

she said that crying and heath clenched his jaws

Heath: that's what happens when you make my naledi cry Ma

Mrs.masden: how can you say that heath.... IM YOUR MOTHER FOR GOD'S SAKE

Heath: AND SHES THE MOTHER OF MY KIDS AND MY SOUL MATE FOR GOD'S SAKE

Mrs.masden: I can't believe this, what did you feed my son you witch

she said that pointing a finger at naledi while standing up and heath stood up too with Lesedi in his arms

Heath: call her a witch again and you'll see what I will do to you

Mr.masden: WILL YOU TWO JUST STOP..... FOR FUCK'S SAKE SHUT THE HELL UP AND SIT DOWN

*** he roared and they both did with heath looking at his mother with an intense look on his face as for naledi she was busy wiping her tears off feeling hurt that heath's mother thinks she fed him a love potion as if she doesn't deserve to be loved unconditionally without any love potion involved ***

Mj: mother you never learn abi..... I mean brother heath pointed a gun at you not long ago but you still go on and insult his woman again like really mom

Mr.masden: MICHAEL!

MJ: ok.... Sorry oooo

***he continued to eat his food ***

Heath: dad, say what you want to say to me, naledi and my kids need to eat and rest

his father sighed then he looked down feeling defeated*

Mr.masden: look Eze Adanma is already your wife since we already married her for you so I propose you accept her as your first wife and you can take her as your second wife

*** he said pointing at naledi and naledi stood up but heath grabbed her hand and pulled her to sit down***

Heath: obim what did I say to you outside

*** he asked looking at naledi and Adanma's heart broke into pieces when he called her that..... the thing is she was shown a picture of heath before she agreed with the arranged marriage thing and she immediately fell in love with him and now she's looking at him reject her and again love another woman in front of her more especially an albino woman***

Naledi: let go heath please

Heath: no sit!

***he said that with a firm voice and she sat down with tears running down her cheeks ***

Jabu: ee ke mehlolo straight (this is unbelievable)

he said that and laughed while shaking his head

Mj: and who came up with that idea dad....wait let me guess its mom right?

Mrs.masden: junior will you just shut up!

*** she warned him***

Mj: I will not sit back and watch you do this to my brother mom , if you like this lady so much then why don't you marry her off to big bro Ray and watch him chop her tiny body into pieces right in front of ya'll or better yet.... Dad why don't you take her as your second wife instead since you want her to be part of this family so bad

Mrs.masden: MICHAEL CHUKWUEMEKA OWOH-MASDEN!

she warned him but she was ignored

Jabu: I second that Small

he said that at MJ with a smile on his face while his father just shook his head looking down as for his mother she was fuming with anger

Mj: thanks bro and Im sure brother heath doesn't mind so its three against one mom, its settled dad you are taking Adanma as your second wife..... now I just solved this problem so can we stop with all this fighting

***jabu laughed while heath chuckled... heath looked at his mother and he saw that she was fuming with anger and he sat back and let MJ handle this cause he knows he's the only one who manages to drive their mother to the Looney bin by being himself

Mrs.masden: leave us junior

Mj: mom this is my brother's house and not yours now please let me be ooo

Mrs.masden: Michael talk to your son please before I kill him with my bare hands

Mj: and you think he'll let you kill his last born son..... I don't think so mom

Mr.masden: JUNIOR ENOUGH!

***he warned him and MJ raised his hands up in surrender ***

Mr.masden: Eze what do you say about my proposal

Heath: I decline it, Mj spoke word right out of my mouth..... since you two love this girl so much then its best you take her as a second wife cause naledi is the only woman who will bear my surname and give me more children

Mrs.masden: over my dead body

Mj: mmmmh so its fine if Ada gets between brother heath and his woman but it's not ok if she gets between you and dad mom aren't you being hypocritical

Heath: yes mom answer him

Jabu: im also waiting for an answer auntiza (aunt)

Mrs.masden: Adanma is heath's wife and this girl better accept it or take her shit and leave with her bastard child...

heath quickly gave Lesedi to naledi and rushed to his mother but jabu saw it all and he quickly stood up too and blocked him from reaching her... his father also stood up

Heath: call Lesedi a bastard again and see what I'll do to you

he said all that with tightened jaws and a scary look on his face

Mrs.masden: so you would beat me up heath, your own mother because of her

Jabu: mshikaro calm down assomblief

Mr.masden: Ezeudo shes still your mother now stop all this

Heath: shes no mother to me, a woman that gave birth to me would never be this wicked, my mother would want to see me happy and not forcing this thing down my throat, and she would never judge or belittle or discriminate against another human being!

he said that looking angry and hurt

Heath: mother I love naledi and there's nothing you or anyone can do about it and if she loses this pregnancy because of you know that I will kill you and there's nothing your husband can about it

then he looked at his father

Heath: now dad please take both your wives and leave my house and only come back or call me when you have decided to accept naledi and all my bastard children

his father held his chest as all this got too much for his weak heart..... he then bend down as extreme pain pierced through his chest and he fell on the floor clenching his chest

Jabu: uncle....

Heath: dad...dad

he also said rushing to him and so did MJ

Heath: fuck someone call an ambulance

***mrs masden knelt next to him panicking ***

Mrs.masden: Michael what's wrong..... don't do this to me Michael please..... don't do this to me im begging you

she said that crying with jabu busy on the phone

Heath: try to breathe dad help is on the way ok..... breathe

*** naledi just walked upstairs with Lesedi and she put her down and she sat on the edge of the bed crying, she blamed herself for what happened cause heath was defending her to his parents and if he didn't his father wouldn't have collapsed, she cried holding her baby bump with koko's words running in her mind***

Naledi: I knew my happiness won't last for long..... They were all right im cursed, im cursed and I don't deserve to be happy

she said that to herself over and over while crying a heart piercing cry, she lay on her side and she cried silently not wanting to wake Lesedi..... After some time the door opened and heath rushed in with his eyes bloodshot red

Heath: obim im rushing to the hospital, an ambulance just left with dad and jabu, Mj and I are rushing there as well

***naledi just nodded and heath kissed her cheek and he rushed out and she continued to cry..... after some time she got up with her pounding head, heavy heart and swollen eyes and she went to the walk in closet and took out her bag and started packing her clothes, after some time she was done and went to lesedi's bedroom and she packed her clothes too then she went to omphile's bedroom and packed her clothes too cause she couldn't leave her behind not now that she just experienced a mother's love and affection from her, and she also promised she would never leave her and she wasn't about to break her promise to her..... after she was done she took the bags outside to the car she always uses and she put them in the boot and she went upstairs to the main bedroom and she took out a page from a notebook and she wrote a letter to heath and it read:

" Dear onye m

I tried to hold on to you and not let go but what just happened is the last straw, I guess everyone was right when they said im a curse cause look at what happened to your father. it's all my fault cause if I wasn't in your life he wouldn't have collapsed like that. I can't sit back and watch you insult and threaten your mother because of me so me leaving is the best thing right now, im sure everyone will blame me like " the cursed witch" I am for what happened to your father and I don't think I will stomach it, I took Omphile too cause even though she's not mine biologically but she's also my daughter and I promised her I'll never abandon her like her real mother did. Im not running away im just walking away so there could be peace between you and your parents. I love you onye m so much but let's not fool ourselves heath im not your type to begin with and your parents will never accept me into your family unless you take that Ada woman as your first wife and I WILL NEVER be anyone's second wife, I've rather remain single than do that so me leaving is the best thing.... take care of yourself and even though I have a feeling you'll find us right after reading this letter, please don't take Omphile from me I'll live anywhere you want us to live as long as it's not here cause I've grown to love her like my own.

Love..... Naledi"***

**** then she left the letter on top of the bed and she picked Lesedi up and went downstairs to the cinema room and she called Omphile***

Omphile: mama what's wrong

Naledi: let's go

Omphile: where's everyone

Naledi: they rushed to the hospital your grandfather is not well

Omphile: ok are we going to the hospital

Naledi: no im leaving cause your grandparents don't want me and your father to be together so if you want to come with us your bags are already in the boot of the car and if you don't want to I can drop you off at the hospital where everyone is

she looked at her with tears in her eyes cause she saw how naledi's face was with all the crying she did and tears ran down her cheeks and she wiped them

Naledi: im not running away Omphile im just leaving this house but if you can't come with its ok baby I understand

she shook her head no

Omphile: I want to go with you and lesedi mama

Naledi: you sure

she nodded

Naledi: ok let's go

they walked out going to the car..... naledi had to do this cause she feared she might miscarry with all that has been going on especially all the insults she receives from heath's mother

.

.

.

*** meanwhile after some time of waiting for the doctor heath decided to call naledi and check up on her and the kids and her numbers went straight to voicemail.... He tried again and again and again and still it went to voicemail and his heart started beating fast***

Jabu: what wrong

Heath: her phone is not going through..... I have a bad feeling about this jabu

Jabu: try omphile's numbers

Heath: yeah

he called omphile's numbers and it rang for some time and she finally answered

Omphile: daddy

she said with a low tone

Heath: my love what's wrong and where is your mother

Omphile: ummm hold on

then he heard some shuffling from the background and naledi's voice talking

Naledi: hey ummm I took the kids and we left the house, im not kidnapping your daughter or running away I just can't stay there anymore it's too much heath, look i....

heath interrupted her

Heath: wait what?

Naledi: I'll send you the co-ordinations of the hotel we will check into and you can come see....

he interrupted her

Heath: naledi, if you know what's good for you, you will go back home now with my kids and wait for me....don't make me come and look for you cause believe me you'll hate me once I find you

he said that with his heart beating fast

Naledi: fine I'll come and drop off Omphile at the hospital and...

Heath: NALEDI! DON'T TEST ME YOU HEAR ME, DON'T FUCKEN TEST ME, TURN THAT FUCKEN CAR AROUND AND GO BACK HOME WITH MY KIDS NOW!

*** he roared while rushing out of the hospital with jabu behind him***

Naledi: I cant heath im sorry

Heath: naledi, take my kids back home now!

Naledi: heath im not going back there im sorry I cant, you can come see your kids at the hotel

Heath: NALEDI!

*** then jabu snatched the phone from heath cause he could see he was fuming with anger***

Jabu: Ledi look since you don't want to go back to his house you can go to mine, it's not that far from his house. Look ka jaja gore die julle ding is too much suster but running away ga e solve jaive naledi man instead e oketsa mathata jy verstaan and mshikaro o tlo go bodisa ge o vaiya le ncosi tsa gae so wena zaiya o ye ko dladleng laka and re tla kopana daar ok (look I know all of this is too much but running away doesn't solve the problem naledi but instead it multiplies it and shaka will kill you if you leave with his kids so just go to my house and we will meet there)

Naledi: o...ok

Jabu: sho, o sa gopola tsela mos (you remember the way right)

Naledi: yah ke sa e gopola (yes I do)

Jabu: ok shap drive safely re tla kopana daar (we will meet there)

Naledi: ok

*** jabu gave heath the phone and they got in the car and drove to jabu's house and so did naledi, few minutes after they arrived naledi drove in and she parked next to heath's car and Omphile got out and went to her father and she hugged him then jabu went to the car and took lesedi out and instructed Omphile that they go inside and they did.... then heath went to naledi but then naledi locked herself in the car when she saw the look on heath's face..... heath tried to open the door but it was locked***

Heath: open this door

she shook her head no

Heath: don't make me break this fucken window naledi just open this fucken door now

by now tears were running down her cheeks then he breathed out trying to calm himself down..... her face was pink and her eyes were swollen and puffy she looked horrible

Heath: open this door naledi please

she unlocked it and heath opened it and stood there looking at her, he wanted to slap her back to her senses so bad but he couldn't lay a hand on her under no circumstances

Heath: lets go in so you can rest im sure your BP is high

she looked surprised he said that as she thought he will beat the crap out of her..... she slowly got out of the car and she immediately got dizzy and held on to the car for balance and heath quickly scooped her up and he went inside with her all the way to the bedroom he uses when he sleeps here and he put her down on the bed and also got in and held her from behind

Heath: do you still feel dizzy

she nodded

Heath: so you were trying to run away from me

she shook her head no and she sniffed

Heath: then what it is

Naledi: I cant do this anymore heath, its too much for me

Heath: naledi don't even think about it ok, if you want me to go crazy try whatever you're trying to do and you'll see my crazy side

she didn't say anything

Heath: I told you that only death will do us apart and I meant every word so we are stuck together until God remembers one of us or both of us at the same time and the sooner you accept that the better for the both of us

***she didn't say anything she just swallowed hard ***

Heath: rest we will talk about that stunt you almost pulled when you wake up

*** he said that tightening the grip around her and he kissed the back of her head***

Heath: I love you even though you turn me into a mad man sometimes

she just closed her eyes as she felt the room spin a bit and soon after sleep took over and she was out of it

.

.

.

*** after some time heath got out of bed and he covered naledi with a throw blanket and he wore his shoes and went to the lounge and found Omphile and lesedi eating and he kissed their foreheads***

Omphile: daddy is mama ok

Heath: yeah she is, she resting now

Omphile: ok

Heath: I love both of you so much ok

she nodded

.

.

.

**** he stayed a few minutes with them then he told jabu he needs to rush back to the hospital and asked jabu to make sure naledi doesn't run away again and he got into his car and drove off..... when he got there he found them still waiting and he sat next to MJ***

Heath: has the doctor came out yet

he shook his head no and they stayed in silence until MJ spoke

MJ: she's beautiful

Heath: who

Mj: naledi bro

heath smirked

Heath: and stubborn

they chuckled

Mj: I've never seen an albino like her before, her skin is flawless I mean if she were mine I'd also pull out a gun on mom too

they laughed

Heath: you do know you gonna drive your mother crazy one of this days

Mj: she needs to chill and mind her own business..... I cant wait for next year to pass so I can leave her house and come this side to further my studies

Heath: well you know she wants you to study overseas

Mj: let me see her try and force me to go to the UK and I'll just get three girls pregnant at the same time on purpose and watch her turn grey instantly.... I know that will teach her a lesson and you and big Ray will help me take care of the babies financially while she's admitted in a mental institution and dad will take Adanma as a second wife and everyone will live happily ever and after

they laughed

Heath: you are crazy you know that right

Mj: I try bro...I try

they laughed some more then a doctor walked towards them

Doctor: Michael Owoh-Masden

they stood up

Mrs.masden: how is my husband doctor

Doctor: well he's gonna be fine, he just suffered a minor heart attack but luckily I didn't cause any damage so hes gonna be fine

they all breathed out loud relieved

Mrs.masden: can I see him

Doctor: well he asked to see his son Heath first

Mrs.masden: what? but im his wife he should see me first

Doctor: he wants to see his son first mam

Heath: im heath doc please show me the way

mrs masden just clicked her tongue as heath and the doctor walked away

Mj: oh oh I see trouble in paradise loading..... ohh and Ada you should just use this opportunity to win dad's heart since you're gonna be his second wife cause my brother would rather kill you than marry you and big brother Ray is a no go area

*** mrs masden threw her shoe at him and he ducked and laughed***

.

.

.

*** well heath walked in his father's ward and he found him staring into space***

Heath: dad

his father turned and looked at him

Heath: I see death rejected you mmmmh

his father chuckled lightly

Mr.masden: im sorry son I just...

heath interrupted him

Heath: I know it wasn't your idea dad cause I know you

Mr.masden: you know me but with you I see sides I never knew existed every time

Heath: love can turn you into a mad man dad

Mr.masden: you love her abi

heath nodded

Heath: more than I love myself and I think I have also reached the obsession stage too

his father smiled while shaking his head

Heath: then what about Adanma im sure you know your mother already made deals with her parents right

Heath: marry her..... that will teach her a lesson that you are the head of the house and for her to mind her marital affairs and leave her children in peace, I mean even now Yvonne doesn't come home anymore because of her and now im next and as for big Ray they don't get along at all so its time you dealt with her dad or your children will be scattered all over the world and they won't come back home to Nigeria to visit all because of her

***Mr Masden sighed deeply cause heath was right... he has always overlooked his wife's bullshit for years now that even his eldest son Ray can't stand her sight even though she gave birth to him..... well she thinks she's above him but all that stops now cause he won't have his children hate him because of her, its time she knew her place" he thought to himself" ***

****HEATH****

*** Mom, Mj and that woman walked in and she looked at me but I just gave her a death stare and she looked away nx***

Me: dad I should go now

Mom: if you leave who's gonna drive us back to your house

Me: im sure you can drive mom so ya'll will use my car and I'll use an uber

Mj: or I can drive

Mom: shut it Mj im not in the mood for you right now

Mj just shook his head smiling

Adanma: brother Ezech can I talk to you

*** and now?***

Me: about what

Adanma: it's...its private

Dad: go talk to her Ezech before your mother kills you with that stare of hers

Mj laughed

Mom: is that how you talk about me now Michael

Dad: im sick woman so please don't start with me

I just shook my head and walked out and she followed me and we stood outside the ward

Me: im listening

I said that looking at her with my hands inside my pocket..... The truth is she's a beautiful caramel skinned woman but hey my mamiwota takes the cup no lies

Adanma: Ezeudo I didn't ask for any of this, this was an arranged married by both our parents so I don't get why I have to be beaten and threatened where else I didn't plan any of this

Me: what is your point Adanma?

Adanma: even though we don't know each other, I fell in love with the man your parent sold to me and now im here being rejected and slapped even shot at for things I know nothing of

Me: let me ask you this, why on earth did you agree to this nonsense I mean you look like an intelligent young woman and not forgetting this is the 21st century and im not from royalty so why would you even entertain all this shit

Adanma: because your mother said you'll love me and that you are looking for a Nigerian well raised woman to marry and when.... And when I saw your picture I fell for you

*** I chuckled while shaking my head***

Me: I love naledi Adanma and its her im gonna marry and grow old with, I don't know what my mother promised you but she lied to you cause this heart beats for one woman and one woman only and I don't want a second wife ever so I suggest you go back home unless you want to be my father's second wife then it's cool

she was now sobbing silently and I didn't care

Adanma: my bride price was paid Ezeh what will people say mmmh, please will laugh at me so please talk to naledi and convince her to let me be your other wife please or I'll be a laughing stock back home im begging you

Me: no..... I don't want a second wife Adanma, I love naledi and as much as I'll go crazy if I were to share her with some other guy then I won't let her share me with another woman period

she got closer to me and touched my chest and I looked at her like "wtf"

Adanma: please Ezeh im begging you

***I pushed her off me ***

Me: women who throw themselves at me are a fucken turn off to me in fact I see them as hoes

she swallowed hard and took a step back

Adanma: fine then I'll go to the press about this whole thing and im sure they'll have a filled day with tarnishing your family name

I laughed...nx how desperate is this bitch

Me: go ahead sweetie, you think I care about what people say about me? Mmmm well let me tell you woman, the only opinion that matters to me is naledi's opinion so anyone else can go fuck themselves including you

I walked inside leaving her outside..... fuck I was pissed off

Dad: you ok

*** I guess he can see im not ok***

Me: that bitch you came here with threatened to go to the press about this whole arranged marriage thing

Dad: WHAT!

Me: you see the things you bring into our family mother

Mom: you are lying she would never do that

I chuckled

Me: I guess you don't know her like the way you thought you do dearest mother..... anyway let me go my mamiwota is waiting for me

Mj: can I come with you bro

Me: ok.....umm dad I'll see you tomorrow

*** I patted his shoulder a bit and Mj hugged him and we walked out and found Adanma on the phone outside, she looked angry while she was talking on the phonemmmh I don't trust this bitch one bit***

Me: calling the press already

she quickly turned and she immediately dropped the call

Mj: well step mom to be clearly you don't know who you are dealing with, remember you are far from home and anything can happen to you.....so before doing anything stupid think about the consequences ok

her face instantly turned pale and we walked passed her

Me: and now

Mj: what?

Me: "remember you are far from home and anything can happen to you"

*** I mimicked his voice and he laughed***

Mj: I know what you, dad and big bro Ray are capable of bro... ya'll seem to forget I see and hear things around me

Me: what things

I said that raising an eyebrow

Mj: bad things ooo That's all im gonna say

*** I chuckled and we got outside and I called and uber and minutes later it came and we got in and we went passed my house and we packed some clothes and left, I asked him why he also packed and he said the is no way in hell he'll stay with dearest mother in south Africa too that it's enough he does back home so he can't here too, well he came to spend his school holidays with me..... anyway we left with our bags to jabu's place and soon we arrived at his place and Mj went to make himself some food immediately after we got in the house...mmmmh I guess he's feeding his big muscles, you know for a senior secondary SS 3 learner (grade 11) he's way too buffed up and muscled***

Me: javas

Jabu: ma se kind (my brother) how is he?

Me: he'll be fine they said the heart attack didn't cause any damage so he's gonna be fine... and how is naledi?

Jabu: she came down to cook and eat then she went back to bed with Lesedi and as for Omphile she's in the TV room watching her teenage shows

Me: ok.... thanks for all this bafo

Jabu: we family mshikaro man so don't sweat it

I nodded...im lucky to have jabu in my life im not even gonna lie

Me: let me go check up on her

Jabu: sho

I went upstairs and she was sleeping with Lesedi and I took Lesedi to another bedroom and I went back to our bedroom and locked the door and took off my clothes and I got on top of her and I whispered in her ear

.

.

.

****NARRATED****

Heath: obi m

naledi slowly opened her eyes and she was met by heath's eyes and he perked her lips

Heath: hey

she just sighed and heath whispered in her ear

Heath: I love you so much obi m

*** she didn't say anything and he kissed her neck and sucked on it and a moan escaped her mouth and he knew he had her where he wants her and he stopped after sometime and he took off her clothes and he got between her legs and they started kissing with heath caressing her body, her skin was smooth and he couldn't stop caressing it***

Heath: fuck I love you naledi

he said that sucking on her breast now which made naledi to moan out loud

Heath: tell me you love me too obi m

*** he said that sucking on her nipple and also fingering her which drove naledi crazy***

Naledi: oooh heath goshhhh....aaahhhh

that's all she could say and he increased his pace with his fingering game

Heath: don't you love me obi m

Naledi: i...love...you heath....ohh God I love you

he then stopped what he was doing and he pulled his finger out of her nana and he sucked on it and he smashed his lips on hers making her taste her own juices then he slowly entered her and she moaned out loud while he groaned out loud when he felt her warmth and her walls hugging his dick and he didn't move an inch

Heath: look at me obi m

***she did while biting her lower lip as she felt him fill her up completely ***

Heath: never in your life should you ever run away from me you hear me

she nodded and he started moving slowly and naledi eyes rolled back as a wave of pleasure washed over her

Heath: look at me

she moaned then she looked at him

Heath: you are mine and im yours until death do us apart and if you take my kids and try to run away ever again, I'll find you then fuck you until you pass out since I will never lay a hand on your precious self you hear me

she nodded fast and he kissed and he increased his space and they made love until they both came at the same time and naledi immediately fell asleep after they were done and heath got out of bed after cuddling her for some time then he wore his clothes and went to check on Lesedi and she was awake busy playing with a stuffed bunny animal that was on the bed and he picked her up with the stuffed animal

Heath: wow you are growing up abi, you don't cry now when you wake up alone mmmmh?

***he said that kissing her all over her face which made her giggle and he went down stairs with her and found Omphile laughing at Mj's jokes and he kissed her forehead and sat down ***

Heath: my love please bring me my food

Omphile: ok daddy

she stood up and went to the kitchen

Heath: where is jabu

Mj: she went to see his girl

Heath: what girl

Mj shrugged his shoulders

Heath: mmmmh

then he stood up and went to the balcony with Lesedi in his arms and he took his out his phone from his pocket and dialled his elder brother's number

Ray: Ezeh haw far? (Eze hi)

Heath: I dey fine bros (im fine brother) but dad is not

Ray: wetin dey happen (what's going on)

Heath: mother happened and he ended up in hospital

Ray: I no sabi Ezeh (I don't understand)

he confused and heath sighed

Heath: she dey cause wahala bros (she's causing trouble brother)

Ray: wetin she dey do(what did she do)

Heath: she married a wife for me and brought her here to south Africa and I lost it

Ray: wetin? (what?)

Heath: I nearly shot her and that thing she brought for me bros, if it wasn't for jabu I swear she'd be dead

he said that getting angry again

Ray: that woman is unstable in the head, im sure she forced father to do that

Heath: true..... and the things she said to my woman bros nc nc nc nc

He said that and he took a deep breath to calm himself down

Ray: is father ok

Heath: he suffered a small-small heart attack but the doctor said he'll be fine, it didn't cause any damage

ray breathed out heavily, heath could tell he was getting angry by the second

Ray: I'll land there in two days to come, just make sure dad doesn't leave before I see him

Heath: ok

Ray: how is princess omphi

Heath: growing up and it scares the shit out of me bros

Ray: we better prepare for the worst bros, shes beautiful so wolves in sheep's clothing will be all over her soon if they haven't started already

Heath: then they better be prepared to die cause I'll chop off any dickhead that will try her luck with her

they both laughed

Ray: so tell me about your woman

heath chuckled

Heath: ooh my mamiwota

ray laughed

Ray: ooh na so? (is that so?)

Heath: eeh bros that girl don do shakara for me oooo (she drives me crazy)..... God don butta my bread with her bros (God has answered my prayers with her)

Ray: nawa oh! (wow)

*** they laughed**

Heath: she's also pregnant with twins

Ray: wow congrats

Heath: thanks bros

Ray: don't worry im coming so all that nonsense mother is doing im gonna put a stop to all of them

Heath: bros bros bros, I know you will, even Mj tried his best by suggesting that dad takes that Adanma chick as his second wife instead

ray chuckled

Ray: he's still crazy I see

*** Heath chuckled***

Heath: and he's getting worse, if you hear what he said when they walked in the first time after mom just said she married a woman for me you will crack up..... When he said it back then I didn't find it funny cause I was extremely mad but now....

*** he laughed***

Ray: I wonder what he said

***they both laughed and someone talked in the background

Voice: jefe hes agui (boss he's here)

the voice spoke in Spanish

Ray: bueno, estoy llegando ahora mismo, mantenlo ocupando..... mientras tanto (good im coming just now keep him.... Busy in the meantime)

Voice: ok (de acuerdo)

Ray: sorry about that bros

Heath: I see you are about to be busy mmmmh

Ray: mmmmh I forgot you know Spanish..... Anyway yeah some fool thinks he can steal from me and gets away with it, now im about to show him why they call me LA PARCA (the grim reaper) here

heath chuckled

Heath: ok bros go do your thing, I'll see you in two days' time

Ray: ok take care and make sure the old man takes it easy and greet javas, Mj and my princess

Heath: will do

***then they ended the call and he also called his sister Yvonne and she said she'd call their father to check on him and he went back inside and ate his food and later on Omphile and Lesedi fell asleep and him and Mj picked them up and went to put them to bed and soon after Jabu came back and they went to sit in his study leaving Mj busy watching TV ***

Heath: mmmh Mj told me you went to see your girl and I wonder which girl you went to see

he said that with a smile on his face

Jabu: well you don't know her mshikaro

Heath: ok so is it serious?

Jabu: yah.....the thing is ka mncanywa dai cheri mshikaro but eish flopo ke lethaima lagae joh (I love her shaka but eish the problem is her dad man)

Heath: what about her father

Jabu: ke moruti

Heath: heh?

Jabu: ka gochaela mshiko ke moruti dai thaima(im telling you shaka he's a pastor)

***heath just busted out with laughter ***

Jabu: oska laga mshikaro (don't laugh shaka) im serious

Heath: askies man but bafo a pastor's daughter

he said that wiping his tears

Jabu: my heart wants what it wants bafo jy veet mos (you know right)

Heath: I know bafo but a pastor's daughter

Jabu: hai man mshikaro

Heath: ok....ok so where did you meet her

Jabu: at the mall, eish mshikaro dai cheri is moooi yong (eish shaka that girl is beautiful damn)

Heath: so you are committing now mmmh no more Mr fucking around

Jabu: yeah eish she drives me crazy

Heath: wow im happy for you bros finally man

they fist bumped

Jabu: but eish I wonder how her father will react when he gets to know about my past

Heath: he's not God jabu , you paid for your sins so if he tries to separates you two then I'll be forced to dig up his skeletons which im sure he has

jabu chuckled while shaking his head

Heath: im telling you jabu let him try to separate you two and I'll show him flames

they laughed and chatted some more then they went to bed

.

.

*** Two days later around 10 in the morning heath was at the airport waiting for his brother, he was holding a board written "BIG RAY" and soon after his brother saw him and he walked towards him with his two bodyguards behind him and he got to heath with a big smile on his face***

Ray: bros haw far? (How are you)

Heath: I dey fine bros, I dey fine (im good brother, im good)

then they bro hugged

Heath: let's go

they went to the car and the guards got at the back and heath drove out while holding a conversation with his brother about his trip..... they finally got to heath's house and they got out while Ray's bodyguards got his bag out....the brothers went inside and they found their mother and Adanma sitting in the lounge while drinking tea

Ray: mother

he said that without even a smile on his face or even attempted to hug her

Mrs.Masden: son

she said that not even attempting to stand up.....she knew how Raymond felt about her and she just stopped trying to win him over

Ray: young lady

*** he said that with a cold tone as he could see that she was the Nigerian "wife" for heath because of her attire***

Adanma: hi

then he looked at heath

Ray: where is my father?

Mrs.Masden: upstairs he's resting

Heath: let's go

then he looked at his bodyguards

Ray: vuelvo enseguida(I'll be back)

***they nodded and went to wait outside while the brother's went upstairs and got inside the bedroom used by their parents and they found him reading a book ***

Ray: nna (father)

he looked up from his book and smiled wide

Mr.masden: nwa (son) come

ray got closer and they hugged and heath hugged him too

Ray: I heard you cheated death

he laughed

Mr.masden: remember I have nine lives son

Heath: mmmmh and now you have 5 lives left

Ray: you can say that again

*** They laughed again***

Mr.masden: how are you son?

Ray: im always good father but im worried about the turn of events that made you to have a heart attack

his father sighed

Ray: you better take that girl back to where you found her father, you can't let your wife to strengthen her relationship with that girl's parents with the expense of my brother's happiness

Mr.masden: we've already paid the bride price

Ray: how can you do that without Ezeh's permission or consent?

he didn't say anything

Ray: im sure the girl's mother is one of your wife's friends that is why she's pushing her to heath but know this, no woman will be forced down my brothers throat, he has a fiancée and twins on the way and if your wife is hell bend on making her a wife in this family then I'll marry her but know that she'll be dead within a week of our marriage

*** he said that with a serious look on his face and heath chuckled while their father just shook his head feeling defeated cause he knows he's dead serious***

Mr.masden: ray you know that family will make things hard for us if we take her back right

Ray: then I'll marry her

Mr.masden: no....not happening cause I know you'll make her disappear just like you did with that girl your mother arranged for you so no

Ray: well then take her back and don't worry I'll sit in on the meeting with her people when you take her back

Heath: mh mh mh

he said that shaking his head

Ray: what?

Heath: nothing, just ask someone to document that meeting for me cause I would like to see the drama that will unfold then

Ray: mxm

Mr.masden: her father is a politician son so trust me it won't end well

Ray: and im LA PARCA father ofcourse it won't end well

heath laughed and their father just shook his head defeated then heath's phone rang, it was naledi so he excused himself then he walked out of the bedroom while answering it

Ray: it's all your wife's fault so it is what it is father

Mr.masden: shes your mother and she gave birth to you..... you know that right

Ray: and I wonder whether she sniffed me out of her nose or she actually gave birth to me and also experienced labour pains

Mr.masden: RAY!

Ray: it's the truth father and im sure Ezeh is also asking himself that question right now

his father sighed

Mr.masden: will you ever forgive her

Ray: forgiveness is between her and God father so don't involve me in their thing

Mr.masden: son I have forgiven her so why can't you

Ray: cause you always choose to see the good in her and that's your weakness and mother is aware of it so she does things knowing fully well you'll pardon her shortcomings even at the expense of your children

***Mr Masden kept quiet cause what Ray was saying was true ***

NARRATED

Ray: look im not gonna hurt you ok, im actually a doctor by profession and I have a sister and nieces so relax I won't hurt you ok

Mbali nodded but she didn't relax a bit

Ray: where were you coming from anyways?

he asked looking at her briefly

Mbali: my boy..... my now ex-boyfriend's place

Ray: why would he let you go at this time?

Mbali: we....he....

then she kept quiet when the events that happened in her boyfriend's place played in her mind, then more tears came out

Ray: he cheated?

he asked her with his deep scratchy voice and she nodded

Mbali: and the girl he cheated with is pregnant....i.... I thought she was my friend but.... But she was....

she cried some more

Ray: Mbali look at me

he was now stopping at the robots and she did slowly trying to wipe her tears

Ray: fuck both of them you hear me, they don't deserve your tears and im sure your stupid "which I presume is now you ex-friend" is not as beautiful as you are so just cry out all the pain and once you done letting it all out, pick yourself up and make sure you look good so that when they see you they see that they didn't bring you down but instead they made you stronger ok

he said that to her and smirked raising his one eyebrow and mbali managed to smile a bit and she nodded

Ray: good, now I don't know if you'll feel comfortable coming with me to my place so I can check you up and give you something for the shock cause you still shaking but the decision is all on you, you can still give me directions to someone you can stay with tonight cause its not wise to stay alone when you like this

*** she thought of her brothers especially Smiso cause he's terribly scary when he's mad, and right then a cold chill ran down her spine when she thought of them finding out she has or had a boyfriend and on top of that he hurt her and she ended up almost being hijacked because of that..... if she was coming from a friend's place or something it was better but she wasn't and she knows she can't lie to them.... she just knew Kyle will just disappear from the face of earth without any trace left behind and they will be responsible for that and she can't have that on her conscience***

Mbali: i.... ummm.... You...ummm.... You can check me doctor

Ray looked at her briefly and he saw worry on her face and he asked himself what is it that she just thought of cause she kept quiet a bit like she was thinking of something

Ray: ok

then he drove to his apartment and he parked and Mateo and Diego also drove in and parked

Ray: let go in

she slowly opened the door and got out and she closed the door and she continued to hug her body as it shook and ray went to Mateo and Diego

Ray: did you wipe them off Mateo

Mateo: sí jefe (yes boss)

Ray: good, search for her phone, I saw her searching for it under the seat and also bring her bag upstairs and check her background Mateo

*** they nodded and ray went back to Mbali and they went inside and got in the lift and it opened on the second floor and they went to his apartment (or rather heath's apartment) door and he opened it and she slowly walked in and ray followed***

Ray: sit down I'll go get my medical bag

Mbali: ok

she went to sit down and looked around, she didn't know why she was trusting ray like this cause he was a total stranger to her. Even though she knows she shouldn't be here with a strange man in his apartment and worst part no one knows right now where she really is but she couldn't help but notice that something in her felt somewhat.... "safe " with him.... Crazy she knows but it was what it was..... Well Ray came back and he put the bag on top of the table and he went to the kitchen area and he poured her some juice and he went back and gave her the glass

Ray: drink up..... the sugar in it will calm you down a bit

***she started drinking it... and ray pulled the table closer to her and he sat on it facing her ***

Ray: may i

he said that showing her that he wants to hold her hand and she swallowed and nodded and he checked her heart beat and he kept on checking his hand watch while felling it like doctors do and after some time he stopped and looked at her beautiful green glowing eyes

Ray: I don't like how fast your heart beat is going and you still shaking, I can give you a sedative to calm down your vital signs but I'll do that with your permission ofcourse

***she knows about sedatives cause her other brother is also a doctor ***

Mbali: ok

Ray: ok..?

Mbali: I feel like my.... My heart is gonna stop beating anytime cause its beating too fast so I need to calm down

he nodded and he wore some gloves and took out a new needle and injected in the sedative in it and he looked at her and she had that " im scared of needles" look on her face

Ray: look at me

she did and swallowed hard

Ray: close your eyes and count to ten, can you do that?

she nodded and did as told and when she got to four she felt the needle enter her skin on her upper arm gently and she grinded her teeth together and he was done and he put a plaster where the needle injected since small blood was coming out and he went to dispose the gloves and the used needle and he went back to her and closed his bag

Ray: let me show you where you'll rest

she stood up and followed him and they got in the main bedroom and he put the bag down

Ray: no one will disturb you ok

she nodded

Mbali: thank you for all this

*** ray nodded and he took a pillow and duvet and he walked out closing the door on his way out and Mbali kicked off her sleepers and she opened the covers since it was a chilly night and she got in them and she hugged a pillow and she cried until the sedative knocked her out***

.
. .
. .

*** in the lounge, Ray was in the kitchen taking out a beer in the fridge when the door opened and Mateo and Diego walked in with Mateo holding his laptop and Diego holding mbali's hand bag and phone***

Mateo: ella esta en el bano? (she's in the bathroom?)

Ray: no I gave her some sedative to help her sleep, she's probably knocked out by now

he nodded and they went to the lounge and Diego put the handbag on top of the table after pushing it back a bit and they sat down on the couch and ray brought them beers too and gave them

Ray: so what did you find?

Mateo: I decided to unlock her phone and I went to "ICE" numbers (in case of emergency) cause that's where important numbers are stored and I found eight number's saved there

he said with his spanish accent

Ray: im listening

Mateo: five of them were saved as brother jay, brother jase, brother mazi (muzi), brother nh..laka, brother smiso (smiso), daddy and m...khu...llu (mkhulu) and Ma

Ray: and?

Diego: he did background checks on the numbers and you won't believe who they belong to jefe (boss)

*** he said that with a Spanish accent too then he sighed***

Mateo: spilotro, kray, snakes, mazi (muzi) the doctor, beast, and daddy and m...khu...llu im sure belongs to nighthawk and killer the dragon slayer since their numbers are hard to find and Ma well it must be her grandmother cause her mother died while giving birth to her

ray stood up with his eyes popped out looking at them

Ray: wait....what did you just say?

Mateo: this girl shouldn't be here jefe (boss)

Ray: FUCK...FUCK...FUCK....

he said that and paced up and down

Diego: but maybe us helping her might come in handy between the meeting you having with kray in four days to come

Mateo: yeah jefe (boss)

ray shook his head while still pacing up and down

Ray: you know how fucked up those brothers are they might simply imply that I arranged that hijacking myself to score points with them with regards to the meeting

Diego: sí, tienes razón (yeah you right) they are crazy those fucken brothers

Ray: fuck.... So now I know why she didn't force to call her family cause she knows who exactly her brothers are

Diego: but why?

Ray: if you had a sister like that would you allow her to date

Mateo: hell no

Diego chuckled

Diego: I'll lock her up somewhere until she's at least 40

he said that with that Spanish accent of his and they laughed

Ray: and guess what, her boyfriend cheated and got her friend pregnant so that's why she was driving that night alone, she was coming from his place

Mateo: Olare esta muerto (ok he's dead)

they laughed

Diego: sí muerto y enterrado (yeah dead and buried)

they laughed some more

Ray: but fuck.... Where were they hiding her all along?

Diego: jefe no

Ray: ¿Qué? (what?)

Mateo: she's 20 years younger than you

Ray: so?

Mateo: she's old enough to be your daughter since kids nowadays have children as early as nineteen years old or even eighteen years

Ray: well she's not my daughter Mateo and as long as her womb can carry my child and she's not underage then she's a woman to me

Diego laughed while Mateo just shook his head with a smile on his face

Diego: well jefe remember your granny said your soul mate is closer than you think maybe..... just maybe.....

they laughed

Ray: then God would be punishing me dearly for all the sins I've ever done in my life to have nighthawk as my father in law not to mention killer

Mateo and Diego laughed out loud

Ray: im glad she didn't call them when she had the chance to, imagine us meeting tonight....it would have jeopardised our coming meeting and we can't delay our shipment any longer

Diego: mmmh..... well like I said jefe, she might be your....

ray interrupted him

Ray: mxm ooh shut up my friend...

*** he said that with his Nigerian accent and they laughed some more while drinking their beers***

HEATH

*** well I did talk to my obim about us getting married in court and I explained everything and after a lot of convincing she agreed and as a small thank you, I just gave her two rounds of some hot steamy love making and now im cuddling with her as she slept, damn this pregnancy make her sleep a lot Well im happy now that we are good and that she didn't succeed in leaving with the kids cause one thing I know is there is no me without her period, anyway as for that piece of shit called kitso or whatever the fuck his name is, im gonna show him why they call me Caesar one of these days. And as for john I just decided on using the money I took from him to buy that building his company offices are at and turn it into naledi's non-profit organisation and have her run it at least that way I'll know she's not working under anyone and she doesn't have to wake up in the early hours of the morning to go kiss some fucker's stinking ass by doing what he/she wants and whenever they want....anyway I think now it's time I killed that motherfucker that touched my little princess sexually since he's only left with 40 grand in his personal account at least that will feed his two kids when he's dead..... Anyway I guess I fell asleep while still lost in thoughts cause I woke up when my alarm went off and I was hard as fuck so I turned my obi m and I got on top of her between her legs and I entered her slowly and she moaned softly while I groaned.... Fuck I love how she feels inside it's like her pussy was made for my dick and it's also like it shrinks tight every time after we make love cause I feel her walls expand every time I enter her sweet tight nana, anyway I moved slowly in and out of her with her moans doing things to me. She also started to move underneath me and shit that made me groan out loud cause what I was feeling was just pure pleasure***

Me: fuck obim I love you... I love you so much.... I love you so damn much woman

***you know it's true when they say "when the pussy is good and she doing you good, you can even spill out your family's secrets unknowingly" well that's what I wanted to do now cause our rhythmic sync was just doing things to me....i then raised her both her legs and I put them on my shoulders and I increased my pace and just went faster and faster hitting the right places cause she was busy calling out my name.... I pushed both her legs closer to her upper body making sure I don't press them on her baby bump still going in and out of her fast and I kissed her lips, fuck my obi m is flexible ***

Me: I...i... love you obi m

*** I said that going fast***

Naledi: I.... gosh i..... i.... love you too onye m

*** I went faster going deeper hitting it real good while groaning and i felt her walls tightening around my dick and she shook under me and well I fucked her right through her orgasm, soon I also felt my build up and I just fucked her senselessly while hurrying to my finishing line then I slammed into her hard releasing inside of her pushing in deeper and deeper and I released a loud groan and I cursed***

Me: FUCK.....

I kissed her sweaty forehead while breathing heavily

Me: fuck that was good obi m, thank you

she smiled and I perked her lips and I pulled out slowly and got off her and cleaned her up with the towel we used last night and I got off the bed naked and went to the bathroom, luckily jabu's house has two en-suits. I ran the shower and I went to wake her up and we went to shower together and after we were done she wore leggings and a vest which showed her baby bump perfectly and I found myself smiling like a retard looking at it, God she looked sexy as fuck with that baby bump

Naledi: what?

Me: nothing you look sexy with that baby bump

I got closer to her, I was only in my briefs and I brushed it and I kissed her forehead

Me: thank you for loving me obim and for agreeing to marry me especially in court

Naledi: I love you heath I can even marry you inside a toilet with just us, a priest and God

***I smiled like a fucken retard, God thank you for this lovely soul... we kissed for some time until she pulled out ***

Naledi: let me go wake the princesses up

Me: ok

I perked her lips and she wore her gown and walked out and I continued to get dressed, I was gonna go passed the office first before I come and pick her up for our appointment..... well after our breakfast with jabu the kids excluding MJ cause he was still sleeping we kissed mommy and I dropped them off at day care and school and I went to the office while jabu went to his work place, I also told him about us getting married last night and he said he will join us at the magistrate court as naleidi's witness while ray will be my witness....im one lucky son of a gun

.
. .

*** Well I've been here for some time now and its around 10 and I have to leave this office soon cause our appointment is at 13H00, I even got a message from Ray saying that mkhulu and gogo loved their presents yesterday and that today they went to fetch mkhulu's car and he was even scared to drive it busy saying he's scared he might crash it or even scratch it.... I must say im proud of what Ray bought for them and hearing that they are happy makes me happy too.... Then out of the blue the door bust open and Tsholo walked in with my PA behind her busy shouting at her and I just got bored to the core nx***

PA: sir im sorry I tried to stop her

Me: its ok Jolene I'll take it from here but next time just call the security guys for her if she doesn't have an appointment

Jolene: ooh sir believe me, I'll do just that

then she gave Tsholo the evil eye and she walked out and Tsholo looked at me not believing I just said that

Me: what?

Tsholo: how can you tell her that heath?

*** nx bitch***

Me: what do you want Tsholo

she sighed and she sat down

Me: and I don't remember saying you should sit down

***well she sat down anyways and I just clicked my tongue ***

Me: what are you doing here?

Tsholo: I need your help heath and you are my last option

Me: im listening

Tsholo: I need you to borrow me some money like seriously and I promise I'll pay you back

Me: tell me here Tsholo, what kind of a mother are you?

Tsholo: askies

Me: so money is the first thing that you asked me of instead of your own daughter

she rolled her eyes

Tsholo: I know she's fine cause she's staying with her favourite parent being you so there was no need for me to ask

Me: you are a despicable woman you know that

then I chuckled while shaking my head

Me: Im sure might have been high on nyaope to have even planted a seed in that thing you call a womb

Tsholo: heath I didn't come here for you to insult me please

Me: THEN WHAT THE FUCK ARE YOU DOING HERE WOMAN!

I shouted at her angry as hell and she just kept quiet

Me: YOUR OWN DAUGHTER TOLD YOU ABOUT WHAT YOUR FUCKEN HUSBAND DID TO HER AND YOU CALLED HER A LAIR, WHAT KIND OF WOMAN ARE YOU MMMH, NOW YOU HAVE THE ROTTEN NERVE TO COME TO MY FUCKEN OFFICE, LOOK ME IN MY FUCKEN FACE AND ASKE ME FOR MONEY..... YOU ARE A FUCKEN USELESS PIECE OF RUBBISH AND IF YOU THINK YOU ARE SUFFERING NOW THEN YOU AINT SEEN NOTHING YOU STUPID BITCH NOW TAKE YOU FLAPPY ASS AND GET THE FUCK OUT OF MY OFFICE!

I was now standing up and I pointed at the door.... She was now crying and that made me even more angry

Tsholo: im...im sorry heath but I was just saving my marriage ok.... I mean he didn't really rape her he only touched her

I don't know what happened but I found myself slapping her so hard and I don't even know when I picked up my heavy chair but I saw it flying over the table and landing on the floor luckily she ducked

Me: GET OUT!.... GET THE FUCK OUT NOW BEFORE I KILL YOU, YOU FUCKEN WHORE.... GET OUT YOU BITCH

I said that charging towards her and she quickly ran out of my office...fuck I was fuming I wanted to kill her this instance, I then took my phone and called Jabu

Jabu: mshikaro

Me: I want him to go to prison then raped in there until death visits him

Jabu: john?

Me: yeah

Jabu: you don't sound ok what happened

Me: that bitch Tsholo came to my office and asked for money can you believe it..... she didn't even ask about Omphile and she had the rotten nerve to say that she called Omphile a liar when she told her what john did because she wanted to save her fucken marriage just because he "really" didn't rape her that he only touched her

Jabu: WHAT?

Me: I want it done ASAP Jabu I have things that might land him in jail I just want them planted in his house and now vacant office

Jabu: don't worry im on it

Me: sho

then we ended the call and I send Ray a message cause now I was just too angry to talk

****NARRATED****

*** earlier Mbali woke with a heavily head and she looked around the room and she saw her hand bag and phone on top of the side drawer and she sighed when last night's events played in her head..... a tear escaped her eye and she wiped it and got out of the bed and she saw a half opened door on her far right and she went in there hoping it's the bathroom and luckily it was..... she peed and washed her face and rinsed her mouth with a mouthwash she found in there and she walked out, she took her phone and checked the time and it was around past 10 in the morning and she sighed when she realised she missed her classes today.... Well she made the bed and took out a hair band in her bag and she tied her hair into a ponytail and she wore her sleepers and walked out ...only to find Ray shouting over the phone in the lounge***

Ray: SHE HAD THE FUCKEN NERVE TO SAY THAT TO YOU ABOUT PRINCESS, SHE'S GONNA PAY....SHE DOESN'T KNOW WHO THE FUCK I AM IM GONNA MAKE HER WISH HER USELESS MOTHER ABORTED HER INSTEAD OF GIVING BIRTH TO HER NX USELESS WHORE.....SHE'S GONNA SWALLOW THOSE WORDS.... NOT WITH MY PRINCESS

he said that shouting while pacing up and down and when he turned he found Mbali standing there looking at him with a scared look on her face

Ray: look bro I'll call you back ok

*** then he dropped the call and he breathed out heavily trying to calm himself down ***

Ray: good..... you are awake

***mbali cleared her throat ***

Mbali: ummm yeah....i

he interrupted her

Ray: Breakfast is ready now come and eat

***she wanted to say she's good but that "don't mess with me" look that was still on his face made her kept quiet and she just nodded.... They went to sit down and ate silently until Mbali broke the silent ***

Mbali: ummm Mr....ummm doctor

Ray: just call me Ray

Mbali: ok ummm bhuti Ray

Ray: did I say call me bhuti Ray or just Ray

she wanted to roll her eyes but she decided against it

Mbali: ok "just Ray", do you know where they fix car windows

he chuckled because of that "just Ray" thing she just said

Ray: yes I do, you can take it to PG glass fit and they'll do it for you

Mbali: ok ummm where is it?

Ray: I'll have Mateo find one that is closer to you and he'll take your car there and send you the coordinates to the place

Mbali: oh ok thank you and your Mateo

ray smiled..... he couldn't fathom how beautiful she is, and her eyes just did things to him not forgetting her body, he was just smitten by her forgetting that she is nighthawk's daughter

Ray: did you call your family

she cleared her throat

Mbali: no ummm not yet but I'll call them when I get to my place

Ray: why?

Mbali: im safe now right.... So no need to scare them and have them worry and obsess over my safety

Ray: mmmh if you say so

***he said that eyeing her cause he knew her reason for not wanting to tell them was to protect her dickhead boyfriend cause knowing them if they found out what led to her getting hijacked in the first place, well he won't see the light of day tomorrow ***

Mbali: "just Ray" thank you for saving me last night, I'll forever be grateful to you and your bodyguards

Ray: don't mention it

he said that looking straight in her eyes and she started feeling somehow when their eyes locked and she quickly looked down and continued to eat and Ray just smirked

****MBALENTLE****

*** Yho God is good im telling ya'll, if it wasn't for "just Ray" I don't know what would've happened to me. Im grateful to him and his bodyguards and im also glad that I trusted him cause he did take care of me, well talking about him, I don't know but there's just something about him but I can't put my finger on it. He has this "don't fuck with me" look but at the same time his smile just melts my heart, I could tell he's way older than me but there's something about him that just wants me to get to him better. Well as for Kyle my now ex-boyfriend, all I can say about him is I feel sorry for him cause I know Phindile (my now ex friend, the girl he cheated with) and she's a gold digger and master manipulator so he's in for a long haul shem. (Sighed) I love him, yes I still love him " crazy right?" and I can't help it, Kyle is my first love guys, my virgin breaker and even though he hurt me deeply but my heart still yearns for him. But hey my granny taught me that sometimes love is just not enough and I guess now I see what she meant when she said that cause the two people I loved and trusted just broke my heart to pieces.it hurts just by thinking about it but hey im a Khumalo and I know my worth so now I just need to pick myself up and concentrate on my studies and let karma deal with Kyle and Phindile for me even though I still love him. Well ever since I got home from "just Ray's place" all I did was to cry my eyeballs out about the whole thing that happened last night and now I have a headache from all the crying and that loud knock on my front door and the shouting is not making things easy.... I got out of bed and wore my gown and took my phone and I went to the door when I get closer to the door I heard his voice saying "Mbali open this door now" then he banged on the door again, Jesus it's my brother Nhlaka, I quickly opened the door and he quickly engulfed me with a tight hug, his body is even shaking, ooh God they know about the attempted hijack.... SHIT!***

Me: im ok bhuti

*** I say trying to assure him***

Nhlaka: WHY DIDN'T YOU CALL US PRINCESS, DO YOU KNOW HOW CRAZY I GOT WHEN I FOUND OUT YOUR SECURITY TEAM WAS FOUND SHOT DEAD

*** I looked down and tears came out and he held me tight as last night's event played again in my head for the umpteenth time then bhut Jay, bhut Jase and bhut Smiso rushed as if someone was chasing them, the three of them hugged me and I just cried some more, after some time I calmed down and bhut Nhlaka picked me up and we went to the lounge and he sat down with me and held me tight as I rested my head on his chest..... then bhut muzi budged in looking like he was running while holding his medical bag and he rushed to me and sat on the table facing bhut Nhlaka and I just like " just ray" did last night***

Muzi: are you ok princess, did they hurt you...let me check you

he was speaking so fast and I put my hand on his knee as he was busy opening his medical bag

Me: bhuti im ok, they didn't get to me the car is bullet-proofed remember and I didn't open the doors even though they demanded I do

Jay: they are lucky they are fucken dead, I swear to God I was gonna rip their hearts out of their fucken chest

*** ooh Lord***

Jase: me too bafo they are lucky they are dead nx

Smiso: what happened there my princess?

he calls me that and Jesus the look on his face would even make Lucifer himself to tremble with fear, well they all looked angry but him yho

Me: I was coming from a..... a friend's place and when I stopped by the robot a white golf GTI parked in front of my car and three men got out holding big guns and demanded I opened the door, well I didn't and I quickly took my phone about to press the panic button when one guy hit the driver's window and I got startled then my phone fell under my seat

I took a deep breath, the room was so tense with them breathing loud and hard

Me: they kept on hitting the side windows but they wouldn't break so they were busy shout out calling me names saying I should unlock the doors

more tears came out

Me: then I heard car tires screeching close by and soon gun shots were heard and soon they stopped and they continued to hit the windows as I curled in my seat, then out of the blue more gun shots were heard and I heard a car driving off and it became quiet

Jay: then what happened

***now the lies begins, well more like half-truths ***

Me: a man with his hands up said its ok im safe now and he said he's an ex-cop, I don't know why but I believed him and I got out and when I saw the dead bodies I just couldn't stay there and wait for the cops to arrive so I asked him to take me home and he did, I didn't even get his name or numbers plus he said he doesn't want any limelight on him because he chose to help me, he said he did what he did cause he's still a cop at heart even though he's retired

Muzi: you were brave my love im proud of you

*** I just snuggled closer to bhut Nhlaka and he tightened the grip around me***

Me: I was really scared

*** I said that with a low voice with more tears coming out***

Jase: im sorry we weren't there to protect you princess

Me: you are here now and I feel safe

he got closer and kissed my forehead

Smiso: so who took your car to go get fixed?

I swallowed.... Oooh Shit

Me: i.... I asked my neighbour here to take it for me cause he works closer to PG glass fit

Nhlaka: why

*** shit***

Me: cause I was hoping you won't find out about what happened cause I know you'll up my security and probably add bodyguards this time

I said that with a low voice

Jase: damn right we are

Me: but bhuti....

Smiso: it's not up for discussion my princess!

he said that firmly and I kept quiet sulking, cause his word is final mxm....i stood up

Jase: where are you going

Me: to sleep

I went to the bedroom and I remembered the number plate "just Ray" gave me and I went back to the lounge with the paper and I found them sitting down with their hands on top of their heads while looking down

Me: take bhuti

I gave it to bhut Nhlaka

Nhlaka: what's this?

Me: the number plate of the getaway car....the ex-cop gave it to me to give to the cops but we don't deal with cops right...so...

*** I turned and walked back to the bedroom but I stopped when I heard bhut smiso talk***

Smiso: she's hiding something from us fozas or protecting someone I can feel it and also see it in her eyes

Nhlaka: and don't worry I'll get to the bottom of it

ooh shit, Lord have mercy....i went back and they turned and looked at me and my heart pounded hard against my chest, you see the thing is "just Ray" asked me not to mention his name to my brothers, he said last night when I was sleeping he did some research about me and found out who I really am and apparently he knows my brothers and how crazy they are, he said he helped me cause he wanted to so he doesn't want to deal with them. Well I don't blame him cause I know how ruthless they can be so we agreed that I'll protect his identity, the guy saved me ok and he also took care of me without wanting anything in return so the least I can do is do as he asked and that's to protect his identity

Me: I lied ok i.... I asked the cop or rather ex-cop to drop me off at my....

I took a deep breath...here goes nothing

Me: my boyfriend's place and I spend the night there and i... I asked him to get my car fixed

God the look on their faces.....i just swallowed hard

Jay: askies?

I kept quiet

Jase: uya jola manje Mbali (you are dating now Mbali)

I continued to keep quiet

Jase: I ASKED YOU FUCKEN QUESTION MAN

*** he roared and I jumped with fear and tears ran down my cheeks***

Me: im sorry bhuti

Jay: SORRY FOR WHAT HUH?

he shouted

Muzi: so you saw it fit to go to some dickhead's place instead of calling one of us after almost being hijacked heh Mbali?

Me: im sorry

I said that crying

Jay: KEEP QUIET AND WIPE THOSE TEARS OFF YOUR FACE BEFORE YOU GET ME MAD

*** he shouted and I quickly wiped them off***

Jay: so we are no longer important to you Mbali

*** I kept quiet***

Jase: IM TALKING TO YOU DAMN IT

Me: but you said I must keep quiet bhuti

Jase: uzonya uyangizwa (you'll shit yourself you hear me)

he said that pointing at me and I took a step back with my bottom lip trembling

Jase: NOW ANSWER ME

Me: you are important bhuti all of you, I was just scared that you'll get me bodyguards if you knew about the hijacking and plus they didn't get to me so...

Nhlaka: Mbali

Me: bhuti

Nhlaka: ufuna ukungicasula angisho? (you want to make me mad right?)

*** I shook my head no***

Nhlaka: since when do you have a boyfriend?

Me: it's...it's been six....six months now

Jay: I can't believe this nx

he said that to himself

Smiso: what's his name?

God no.... I kept quiet

Smiso: its either you tell me his name now or I'll find out myself and believe me you won't like the outcome of that

*** he said firmly and I swallowed hard***

Me: k....kyle

Smiso: Kyle what?

Me: Kyle Sibanda

then he got closer to me and I swear I nearly peed on myself, I know he will never ever hurt me but I can't control the fear I get when he's angry

Smiso: listen and listen good, you gonna break things off with that dickhead and concentrate on you books you hear me

*** I nodded a couple of times***

Smiso: I hope we never have to have this talk again until you finish your studies capish?

I nodded again

Nhlaka: and this had better be the last time you go through something like this or even close to this and not call us first you hear me

***I nodded God he looked angry.... Well at least I kept "just ray" out of all this like I promised.....Anyway guys, my name is Mbalentle Charlotte Khumalo but those who know me call me Princess and im the only daughter to Tyrell Bhekisizwe khumalo and the late Charlotte Mbalenhle Khumalo and I have five brothers, yes I said five brothers named Jason and Jaden who are

twins, Nhlakanipho, muzikayise and smiso who is my late uncle's son...well they were six but one of them "Brandon" passed away years back. Well my grandparents from my father's side are still very much alive while those from my mother's side are both dead and since her side of the family never accepted my parents relationship they disowned her so we have never had a relationship with them before and it looks like they don't care about us so yah, anyway I have or had a boyfriend called Kyle and I also had best friend named Phindile, well I saw her as a best friend but only to find out that she's actually snake and im glad she showed me her true self now rather than later... then my phone beeped, it was a message from Kyle so I went to my bedroom leaving my brother's discussing whatever and sat down on my bed and I opened the message and it read;***

Kyle: " my love im sorry about what I did, I love you so much princess and it hurts that I hurt you like that. I live for you princess so believe me when I say it was a stupid mistake, I don't love her and I never will cause my heart belongs to you. I know I messed up my love but please don't leave me I won't survive it if you do so please don't break up with me, I love you so much and know that I'll fight for you until my last breath and its gonna be a cold day in hell the day I'll let go of you.....you are me and im you always remember that..... Kyle"

*** I just deleted the message and laid down in bed curled into a ball and I just cried.....it hurt like hell that the guy I loved enough to give my pride to and still love just hurt me like that and worst part he got the girl whom he cheated with pregnant who happened to be my best friend, well now ex-best friend..... yah love sucks neh and im only 20 years old***

**** NARRATED****

well Naledi and Heath did tie the knot in the magistrate court and everything went well, heath even bought rings before he went to pick naledi up. And as for Naledi she looked good in her white over the knee tight long sleeves lace dress that shaped her body especial her round butt, curves and baby bump perfectly which made heath a bit uncomfortable cause yeses her body was doing wonders in that dress, she was also wearing beige toe peeping stilettos and her weave and make up were on point. She looked beautiful and heath was proud of himself when he looked at her, speaking of heath well he went to change into a new suit at his house and his father became suspicious of him cause he looked nervous all along but he brushed it off by thinking maybe he was going on a lunch date with naledi maybe to propose right this time since he gave their relationship his blessings in a way. Anyway now they were driving home after picking up the princesses from school and day care while Ray and Jabu went to buy meat and booze since they decided to have a small braai instead of eating out to celebrate heath and naledi's union, they even called Thandi and her husband and also convinced jabu to bring his church girl

Omphile: mama why are you and daddy dressed up, I hope you not going out without us

heath and naledi laughed*

Naledi: ofcourse not my love

Omphile: good cause Lesedi and I are also coming with

they laughed again

Heath: Omphile

Omphile: daddy

Heath: how.... How would you feel if naledi and I got married?

she kept quiet a bit

Omphile: ummm will I help plan the wedding

they laughed

Naledi: ofcourse baby, in fact you'll be my maid of honour and Thandi will be my matron of honour

Omphile smiled wide

Omphile: for real mama

Naledi: yep for real, you and Thandi are the closest females in my life well and Lesedi too so Lesedi will be a flower girl and you'll be my maid of honour and Thandi my matron of honour

Omphile: ok..... ooh my God I can't wait to tell my friends that im gonna be a maid of honour

she said excited and heath and naledi laughed with Lesedi laughing with them

Heath: you didn't answer me young lady

Omphile: daddy you should be asking me how much I would need for a shopping spree for the wedding

*** they laughed some more***

Omphile: so mama can I invite my friends

Naledi: whoooh we haven't even set the date yet

Omphile: ok when is the wedding

Heath: well I need to pay her dowry first my love

Omphile: dowry?

Naledi: lobola

Omphile: ooh ok so when are you paying her "dowry" daddy

they laughed

Heath: soon, don't worry you'll be the first one to know the date so you can invite your friend

she beamed with happiness

Omphile: ok and my shopping spree?

Heath: you'll discuss that with your mama im not getting involved

Omphile: ok....mama?

she said that looking at naledi and naledi laughed

Naledi: bathong!

Omphile: but mama daddy just said I should discuss it with you

Naledi: mmmmh privately haw do you want your dad to know how much of his money we gonna use

they laughed and heath just shook his head looking happy that his girls are happy, he never knew he could be this happy in his life and he's thankful to God for blessing him with them.... Soon they arrived at jaku's place and went inside with Lesedi on heath's arms and Omphile went upstairs to change

Naledi: im going to change and start with some salads and pap

Heath: ok wifey

*** they kissed and she walked away shaking her ass and heath groaned loud for her to hear him and she turned***

Heath: that ass obim mh mh mh

Mj: kids in the room so behave please

he said that walking in the house from the back

Heath: ooh you are a kid now?

Mj: no I mean princess lee and my imaginary friend next to me

heath and naledi laughed out loud

Heath: mxm you need Jesus

Naledi: amen to that

Mj: haw sister Star you agreeing with him

Naledi: everyone needs Jesus in their lives MJ, even your brother here does

Mj laughed

Heath: aow obim why now?

She stuck out her tongue at him and she laughed and swayed her ass as she walked upstairs which made heath to get a boner, he was even biting his lower lip

Mj: love abi?

Heath: mxm shut up my friend

then Mj walked away chuckling

.

.

.

**** well everyone arrived and Thandi helped naledi by cooking pap while conversing in the kitchen, the guys were busy with the meat at the back***

Thandi: you're lying, you mean heath pointed a gun at his parents

*** naledi nodded***

Naledi: I have never seen him that angry Thandi yho

Thandi: yho, pussy must be good for him to do that neh

Naledi: mxm

naledi threw a dish cloth at her and they laughed

Thandi: so how's Omphile with the whole..... you know

Naledi: she's good heath took her to talk to someone and she's doing great, and plus the talk I had with her about what Thabo did to me I think it kinda showed her that she's not the only survivor you know

Thandi: you did good mntase..... well as for me if Omphile was my daughter and she told me what my husband did that to her I swear with everything I hold dear ne keile go mo tlhaba lerete ka screwdriver a robetse (I would have stabbed his dick with a screwdriver while he's sleeping) then cut it off before calling the police on him.... You know I don't play around when it comes

to my kids even James knows that. Remember i nearly showed him his dead mother that time he gave his skank my kids' winter clothes money

*** they laughed***

Naledi: well I might have been weak with Thabo but if any man does that to Omphile again and Lesedi I swear to God I'm going to jail for murder, for the first time ever you'll hear of an albino woman that killed a man then mutilated him and harvested his organs only to feed them to her dogs

they busted out with loud laughter

Thandi: thatha star (you go naledi)

*** they laughed again***

Thandi: You know im happy for you, finally you got your happily ever and after

Naledi: mmmmh finally yho..... and you too mntase, im happy you also found your happily ever and after

they smiled to each other

Thandi: I think this year is our year

Naledi: mmmh I mean look at us now

***they chatted some more until jabu walked in with a beautiful fair lady who looked a bit shy ***

Jabu: aow mapyatla a malome (uncle's beautiful ladies)

*** they laughed***

Thandi: so malome o re tletseng (so uncle what did you bring for us)

Jabu: MmaMalome (an aunt)

*** he said that and kissed the lady's cheek and she turned pink instantly and Thandi and naledi laughed out loud***

Thandi: mmmmh ok so how are you MmaMalome (aunty)

*** the lady laughed a bit***

Lady: im good and yourself motlogolo (my niece)

they laughed again

Thandi: I like her already

Naledi: me too

and that made jabu smile wide with happiness as hearing them say that soothed his heart

Jabu: ok bo nunus ba malome (ok uncle's little ones) this is Amogelang ok, Amo for short and she's a new addition to the family she's the one that managed to melt this cold heart

*** he said that beating gently his left side of his chest and Amo blushed***

Jabu: waka (mine) this is Thandi and that is naledi

Amo: it's nice to finally meet you guys

Thandi; it's nice to meet you too Amo

Naledi: yeah it's nice to meet you too

Jabu: ok my putjutjus (my little ones) please take care of her ok im gonna go help out at the back

Them: ok

then he kissed Amo's forehead and whispered something to her and she blushed then he walked out

Thandi: yah neh this year it's happening in our family, new makotis(daughter in laws) and love left right and centre

they laughed and Amo smiled more like she blushed

Amo: what can I do to help ladies

Naledi: well were are almost done so just relax

Amo: ok

*** she sat down on the barstool chair***

Thandi: so Amoza, mmmmh you and jabuuu?

*** she laughed lightly***

Amo: well all I can say is the heart wants what it wants

Naledi: Amen to that

*** Thandi looked at naledi***

Thandi: and then wena(you)

Naledi: what? It's the truth haw

Thandi just shook her head laughing lightly and she went to check on her pot..... well heath walked in with his hands in his pockets, he was now wearing a white golf shirt, black chino pants and some black with a touch of gold semi-formal shoes.....he looked yummy and handsome no lies and he smelled good too, and when his eyes locked with naledi's he smiled wide and went to her and he cupped her face and kissed her

Thandi: we are also here you know

they broke the kiss and he kissed the tip of her nose..... he couldn't believe that finally naledi was finally his wife then he held her

Heath: mmmmh you know James is at the back right

Thandi: so?

Heath: don't worry I'll tell him to come and kiss you too

Thandi: mxm tsek

heath laughed

Heath: I love you too sis

Thandi showed him the middle finger with a smile on her face and heath just shook his head with a smile on his face then he turned to Amo

Heath: you good Amo, I hope this two are not corrupting you especially Mrs loud mouth here

Amo giggled and Thandi showed heath the middle finger again

Amo: no they are not

Heath: mmmmh good

**** then he whispered to naledi's ear****

Heath: I need you obim

naledi looked up at him

Naledi: what's wrong?

Heath: Ezeh is up he wants little star so bad

naledi laughed

Naledi: ok im coming

Heath: ok hurry abeg

*** then he kissed her forehead***

Heath: Thandi!

*** he called out at her and she looked at him***

Thandi: mmmmh

*** then heath showed her the middle finger and rushed out laughing and the girls laughed too***

Thandi: mxm if he wasn't my brother and your husband I would have kicked his balls

they laughed

Naledi: ka mina ka wena mntase, you kick heath's balls I'll kick James' balls too

*** they laughed again***

Thandi: ok let's stop gape that area below the belt is our daily meal so let's not kick their balls rather we punch their stomach wa bona (you see)

loud laughter filled the kitchen

Amo: you girls are crazy and I love it

they laughed some more and naledi walked out saying she's coming back.... She went upstairs and found heath naked in their bedroom with Ezeh up, hard and dripping wet and naledi swallowed hard as she felt her underwear get wet, she closed the door and locked it and she started taking her clothes off and she was left naked with heath smiling like a retard and she climbed on the bed and climbed on top of heath and she bend down and started kissing.....his hands travelled to her butt and he squeezed it hard as the kiss got heated, then naledi stopped kissing him and she kissed his chin going all the way down to his upper body, then to his dick. she kissed it and it was so warm and she licked tip of it and heath cursed out loud.... She didn't know what she was doing cause she has never done this before but she wanted to do this often for heath cause she knows if she doesn't do her bit in the bedroom he will look for it outside

Heath: fuckkkk..... naledi..... baby

***he said that in almost a whisper and when naledi put half of it in her mouth he cried out loud..... she started sucking on him slowly and that made him cry out like a little girl.....he was literally losing his mind, well she felt like puking when she tasted the slimy and salty white colourless thing that came out of his dick but she fought the feeling back and continued to suck on him with him busy groaning out loud..... she increased her pace while her hand was busy stroking it round and round and he grabbed her wig and tossed it away and grabbed her hair tight as the pleasure he was feeling was intensifying every minute. As for naledi she went faster trying by all means to take him all in her mouth while still stroking him..... the sounds he was busy making made naledi feel like a boss as she continued to suck him like her life depended on until heath stopped her as his build-up started, he then smashed his lips on hers and kissed her hungrily with his eyes all red and veins popping all over his body, he then got out of the bed and took her of it too and he went to the wall with her legs wrapped around his waist and he pinned

her to the wall and he entered her slowly and groaned out loud when her walls hugged his dick then he cursed while Naledi moaned out loud..... he started going in and out of her slow but then he increased his pace and he fucked her fast as he pinned her on the wall, he fucked her so fast and hard to a point that she lost all sense of reality, the things Heath did to her were just wow, even when she reached an orgasm he didn't stop instead he fucked her right through it as if he was possessed or something and by the time she was nearing her second orgasm he stopped and put her down but her legs were wobbly and Heath quickly held her before she fell and he bent her down a bit making her hold on to a chair that was closer to them and he entered her from behind and he fucked her hard with Naledi moaning out loud busy calling out his name, he hit it hard until he felt his build-up and he went faster forgetting that she's pregnant***

Heath: COME WITH ME OBIM..... FUCK.... COME WITH ME BABY

*** he said that and he continued to fuck her.....he went on and on until they both came at the same time and Heath shot his cum in her pushing in deeper and deeper and he growled out loud then he gasped for air for some time and he cursed***

Heath: FUCKKKK!

after some time of catching his breath, he pulled out slowly and went to the bathroom and came back with a wet and warm towel cleaning himself and he cleaned her up too then he went to run the shower and they took a quick shower with Heath busy smiling like a retard.... After they were done they got dressed again Naledi put some make-up on again and also put her wig back on her head

Naledi: will you stop smiling like that

Heath: how can I when you made me cry like a little girl earlier

Naledi laughed and he held her tight

Naledi: I guess I did good mmmmh?

he kissed her lips

Heath: you have no idea obim, I hope im getting some more later on at night

she giggled

Naledi: I loved seeing you squirm and cry out so yep

Heath laughed

Heath: I love you my wife

Naledi: I love you too my husband

they kissed again and they went downstairs and Ray just chuckled while shaking his head when he saw them

Ray: you couldn't even wait for us to leave mmmmh

Naledi walked away from them feeling embarrassed and they laughed

Heath: leave me alone jorr

Mj: bros you know I heard a man upstairs screaming out loud like a woman being chocked to death and I almost called the cops until I remembered that it might be brother Ezech

he said that to Ray and Ray just laughed and Heath chased after Mj threatening to beat him up with MJ laughing out loud while running

*** RAYMOND***

*** well it makes me happy to see my brother happy, and Im not gonna lie I was surprised that the woman he loves is actually an albino but damn she's a beautiful one at that I mean even her body is fine I must admit and I can see that Ezech most of the times in fact all the time he's possessive when it comes to her and I don't blame him I also would be if I were in his shoes. Well I must say im proud of him because he chose well, and well as for saving that girl Mbali I must say whatever happened to me that night is still a mystery to me even now. That feeling I had that edged me to take that short left was just creepy if I may say, well she's one beautiful young lady in fact she's extremely beautiful and im glad I was her knight in shining armour last night but I was disappointed when I learned which family she belongs to but hey I'm La Parca and I always get what I want and this time I think I want her even though she's way younger than me cause since she left my place she's all I think about, I just hope she doesn't mess up and mention my name to his crazy brothers cause now I don't have the strength to deal with them. Anyway now im on my way to Tsholo and John's place (princess O's mother and step father) with Diego while Mateo with stay behind and deal with some things, well jabs gave me their home address and I'm just gonna pay them a little visit before we head for the airport cause we are flying to Nigeria tonight with my father and his "wives" like Mj said.....well we finally arrived and we parked outside the yard and we both went inside and I knocked on the front door and Tsholo opened and the shocked look on her face was just priceless***

Tsholo: R...Ray

Me: the one and only..... can we come in?

she swallowed hard and made way for us to get in and we did, mmmmh this bitch's house is actually nice

Me: this is my friend Diego and bros this is Tsholo princess O's mother

*** and Diego just nodded and we sat down***

Me: where is your husband?

Tsholo: he's resting ummm this is a shocking surprise so what are you doing here

Me: be a sweetheart and call your husband for me will you

Tsholo: why

I gave her the look

Tsholo: hey he's my husband so I want to know why my ex's brother wants with him

Diego: esta perra está tan llena de ella y su jefe molesto (this bitch is so full of herself and its annoying boss)

*** I chuckled***

Tsholo: what did he say?

Me: he said he wishes to fuck you senselessly

*** Diego laughed ***

Tsholo: askies?

Me: yeah so are you gonna call him or should I go wake him up myself

Tsholo: mxm

she stood up and walked down the passage

Diego: what drug was your brother smoking when he got this shit of a woman pregnant boss?

*** I laughed***

Me: maybe she used witchcraft Diego I mean I wouldn't put it passed her

*** we chuckled and soon she came back with her dick of a husband and he greeted us and also sat down and I looked at Diego and we spoke with our eyes and I looked at my watch and he stood up and locked the door and stood there***

John: what the hell are you doing?

Me: SHHHH!

*** I indicated that they should shut up but the bitch decided to talk nx***

Tsholo: you know I knew you brought nothing but trouble here now get the fuck out of our house

*** I chuckled***

Me: john tell me who's a man between you and her cause now I have a feeling she calls the shots in here

John: im the man and I also say leave my house

Me: not convincing I mean when she said it it sounded masculine but with you, you sound like a horny bitch

Diego chuckled

John: who the fuck do you think you are coming to my house and insult me you bastard

Me: still sound like a horny bitch to me..... Estoy en lo ciento, Dee mi hombre? (am I right Dee my man?)

Diego: sí jefe (yes boss)

*** he said that and chuckled***

Tsholo: you know what im calling the cops

Me: go right ahead I mean I wonder what they will say about your husband molesting a child more over your own daughter..... mmmmh I wonder what the press will say

*** john's eyes popped out and Tsholo swallowed hard.... All along I was smiling at them but deep inside I was fuming I wanted to chop this motherfucker to pieces but nope I couldn't do it, I had a mission at hand and plus heath was right death is too easy for this piece of shit, I want the both of them to suffer first***

Diego: they will have a filled day with them boss

he said that with his Spanish accent and he chuckled

Diego: imagine this boss: husband rapes step daughter and the girl's mother cheers him on....mmh mmh mmmmh

*** he said that and laughed and I joined him, he can be crazy when he wants to***

Me: mmmmh lovely heading Dee my man

*** they didn't say anything all I saw is Tsholo's skin turning pale and john looking like he wants to die***

John: what do you want?

Me: to divorce this bitch ASAP

Tsholo: WHAT?

Me: mmmmh and you should contact your lawyer before midnight and tell him to start with the procedure immediately

John: you are fucken crazy, I won't divorce my wife you hear me

Tsholo: yes tell him baby

Me: 1 million Rands cash

*** he kept quiet a bit***

John: what?

Me: R500 000 after signing the papers and making sure she does too and another R500 000 after the divorce is finalised

he swallowed hard

Tsholo: baby tell him to fuck off

the nigga kept quiet....mmmh got him exactly where I want him nx fucken pussy and Diego chuckled

Diego: oh oh he's thinking about it jefe

I just smirked looking at him, believe me if you see Diego fooling around know that he's amused as fuck

Tsholo: baby.... John tell him to fuck off

John: will you keep quiet please im trying to think eish!

*** he said that with an annoyed voice and I looked at Diego and he smirked while holding a laugh***

Me: so?

he brushed his head looking down

Tsholo: jo...john tell him to leave us in peace please

she said that with a shaky voice and I smiled...." Mmmmh it hurts right bitch, when someone you love chooses another thing over you mmmmh" I thought to myself.... nx he's taking too long to think about it so let me add more gasoline on the already burning fire

Me: look I know your business is liquidated and your money was stolen or something like that and you are in debts man I mean Kenny also wants his money so think about it carefully, this bitch is a liability to you and she's what's standing between you and a million Rands chale

John: how...how do you know about money being stolen from my company and Kenny?

Me: I have eyes and ears everywhere, so what is it gonna be make it snappy I have a flight to catch

Tsholo: john I love you please don't give in to this, can't you see what he's trying to do

Me: well I want him to divorce your fucken ass, that's not a secret

she cried and I sighed annoyed

Me: YOU HAVE 10 SECONDS TO ANSWER ME OR THE FUCKEN DEAL IS OFF

I shouted annoyed

John: im.... Im sorry Tsholo but i.... I need the money

Tsholo: john don't do this please

she said crying

Me: 10,9,8,7,6...

John: fine I'll do it, I'll divorce her

*** I smirked***

Tsholo: NOO, I WONT LET YOU DO THIS TO ME JOHN YOU HEAR ME, NEVER....AFTER EVERYTHING IVE DONE FOR YOU AND THE SACRIFICES I DID FOR YOU AND YOU DO THIS TO ME

she shouted crying looking hurt and angry.....mmmmh good....pain I like it

John: I NEED THIS MONEY OK, IF I DON'T PAY KENNY HES GONNA KILL ME DO YOU GET THAT HES GONNA KILL ME OR BETTER YET KILL YOU AND MY KIDS

he shouted back and I smiled like a retard, I guess my job here is done and I stood up

Me: I'll transfer half of the money once you two have signed and the divorce is filed

I took out my card and threw it at him

Me: remember I have eyes and ears everywhere, and Tsholo is not nice abi when someone you love is choosing something else over you mmmh but hey its life right, just like you chose to save your marriage over believing and protecting your own daughter, well he also just chose to save his ass over you and that makes me fucken happy

I sad that and I smirked at her, she was busy crying and I just walked to the door and Diego unlocked it and we walked out

Diego: and i thought we were gonna beat him until he agrees or even threaten to kill his children

Me: john loves money more than anything oooh and little girls too so I knew he was gonna do as I said, but he doesn't know he won't even enjoy a cent from that money

we laughed driving away

Diego: I wish I did the same thing to Ricardo

*** I sighed***

Me: well this is nothing compared to what you did to him

Diego: he broke her boss, when I met her she was just a shell

Me: but you brought her back to life and today you are married to her and you even have kids together and she's happy and that bastard was raped until he died of a heart attack in prison

Diego: and I wouldn't have done it without you

Me: well even though you and Mateo call me jefe (boss) but the three of us know we are brothers and we got each other's backs always, remember only death will do us apart as brothers

Diego: hear, hear!

Me: yeah now let's stop with all this emotional talk shit before we start crying like little bitches

we laughed

Diego: yeah we should stop

*** well Mateo and Diego may call me boss but we are more like brothers, we even went to some witch doctor in the deep woods in some village in Congo and took an oath of loyalty, they even have some shares in my businesses so forget about this jefe(boss) business they just used to being my bodyguards and calling me jefe that I got tired of telling them to stop, well the thing is I saved them from some drug lord in Cuba after they failed their mission that was given to them by him, he wanted to execute them and something in me told me to save them and I did and I don't regret my decision even today and since then they just behave like they owe me their lives even though I told them they don't....anyway we continued to laugh and we conversed about other things until we arrived at the airport and we took our bags and went to my private jet and we got in and found father and his "wives" waiting and Diego and I went to sit with him, mother was busy reading a book while Adanma was sleeping***

Dad: you took your time

Me: was busy dealing with some things

Dad: what things

I sighed

Me: Tsholo's husband molested princess O weeks ago and that retarded bitch called her a liar and chose her husband over her own daughter

Dad: WHAT?

Me: its ok dad, relax will you Heath, Jabs and I got this, he's gonna pay more than he already is now so relax remember you have a plastic heart it might start melting now if you heat up

*** Diego chuckled and dad smiled looking at me***

Dad: you do know you are not too old to be butt whipped right?

***we laughed**

Me: ooh please you only did that once and I didn't speak to you for like two days and you couldn't handle my silent treatment and you got sick

we laughed again

Dad: fine I can just pay junior 200 000 naira just to annoy the hell out of you and I'll be happy

*** we laughed again***

Me: don't even dare it father please that son of yours can be a sharp thorn in the butt..... Mmmmh You can even ask your "first" wife over there

I whispered the last part and we cracked up with laughed..... Well we changed our topic to business and soon the jet took off

***well the name is Raymond Sambulo Akunna Owoh-Masden (pheeew) I know its three fucken names and it's all mother's fault for opening her damn legs to every Dick and Tom she meets (well except for my father Michael), well im the first child to Michael Owoh-Masden and Nomvula Owoh-Masden, and well concerning the Zulu name that I never use is because im not Michael's biological son. Many years back my mother met a married Portuguese man from Portugal who came to south Africa for business and well they fucked and when he was done with his shit in south Africa he went back to his home country to the comfort of his flat ass wife and he left his fucken sperms in mother's womb and nine months later I was born, then when I was four or five months old the old lady did the unthinkable again and she met another foreigner, a Nigerian this time in the country for business. Well this time she was working at a hotel as a cleaner and well she got lucky cause he didn't just tap it and move on like my fucken sperm donor, Michael actually fell in love with her and they dated and eventually got married and he took me and mother to his home country and raised me as his own, the old man loves me people im not even gonna lie, not even once did he treat me otherwise he always treats us equally. I may not tell him but he's my hero, my mentor and my sanity, this man

knows me more than I know myself and vice versa so that's why I knew that this whole Adanma bullshit wasn't his idea. Well as for the beef have with my mother, well it started when I caught her cheating on my father, me and her we were once close I was actually a mama's boy in a way but when I saw her and that man kissing and him grabbing her ass walking out of a hotel I lost all the respect I have for her, I remember it was Friday in the morning when I landed in Lagos from the US where I was studying medicine and I was early since I took an earlier flight without telling them cause I wanted to surprise everyone and I immediately called my "friends with benefits" girl and met up with her at a hotel so I can get some cause I missed her like crazy... we booked in and I had some and as we were about to walked out I head her laugh, I knew mother's voice even in my sleep cause we spoke on the phone almost every day. So when I heard what sounded like her voice I quickly turned only to be met by the horror of her kissing some pitch black motherfucker with a potbelly, I quickly pulled the girl I was with to hide and I decided to take a video of them,after I was done I went straight home.

I remember my mind was working overtime as I kept pacing up and down trying to convince myself that what I saw wasn't real that it was a figment of my imagination but when I looked at the video I saw that I wasn't hallucinating, what I saw kept troubling me until my father decided to talk to me in private cause he could see something was troubling me and I couldn't even hide the anger I was feeling towards mother. I remember giving up and telling him the truth when he literally forced me to talk and the look on his face when he saw the video still haunts me every time I look at him, he was beyond hurt cause I knew he loved mother in fact he worshipped the ground she walked on, at that time I was scared, scared that father might kick mother and I out since im not his biologically and believe me I didn't enjoy those holidays, just the thought of not seeing father again depressed the shit out of me and I just isolated myself from the rest of the family until father called me to his study and we had a talk, I remember I blatantly asked him if he's gonna kick me and mother out and I also remember him almost giving me a hiding for asking him that. He told me im his first son, his heir and it should be the first and the last time I even dream of me being anything other than that and he hugged me afterwards then when we broke the hug he twisted my ears warning me to never ever disrespect mother again and I shouldn't fight his battles for him especially that concerns his marriage, he said he got this and he knows how to deal with everything. And well dad may have forgiven her after some months of being separated but I don't think I ever will, if only i heard about it and not seen it then yeah maybe just maybe I might consider forgiving her but I saw her being touched and kissed by that fool looking happy and giggling like a bitch while my father was out there working his ass off trying to provide for her corny cheating ass nx.....Anyway enough about her before I get angry***

****NARRATED****

*** well they arrived and they found cars waiting for them and they drove home and immediately went to their chambers to rest, in the middle of the night Ray woke up to someone knocking on his bedroom door and when he opened it was Adanma***

Ray: what is it?

Ada: please make me feel better

Ray: huh?

he asked confused

Ada: please Ray, my heart hurts ok just make me feel better please

she said that taking off her gown and she was stuck naked, Ray took a deep breath as he felt his dick getting hard

Ray: Adanma trust me you don't wanna do this especially with me

Ada: I want to Ray please just make me feel good

Ray: you sure

***she nodded ***

Ray: ok then go lay on the bed im coming

she went to the bed and Ray took his phone and he walked out of his bedroom and he dialled Heath's numbers and he answered with a sleepy voice

Heath: yah

Ray: wake up man

Heath: Ray? Why are you calling me at this time man

Ray: I have a situation man wake up

***he heard some shuffling in the background ***

Heath: im awake, what's wrong is it dad?

Ray: no its Adanma

Heath: huh?..... what about her

Ray: she just woke me up now man saying I should fuck her, she's inside my room naked as we speak

heath laughed

Heath: really bros you woke me up for that shit

Ray: well technically she's still your wife traditionally so

Heath: hey stop right there ok, I have one wife and that is Obim, my mamiwota, my omalicha. My star ok

Ray laughed

Ray: yho chill I get you

Heath: now stop being a pussy and tap that ass even though I kinda feel sorry for her cause after fucking her you gonna throw her out like trash

Ray: so no wahala I can tap it

Heath: dude you can even marry her I don't give a shit, if it was naledi then dude I would chop off your dick first make you eat it raw before chopping off your head

Ray laughed

Ray: ok let me go rip that pussy apart

they laughed

Heath: ok enjoy bros but make sure you wear protection and she doesn't cry rape when you show her your true colours tomorrow cause I know you

Ray: let her try and I'll introduce her to La Parca

heath laughed

Heath: well let me go back to my mamiwota, bye

Ray: bye

***then they ended the call and Ray went back and he found her busy playing with her clit with her legs wide opened and he smiled while shaking his head he pressed record on his phone and he put it down and he went to his wallet and he took out a condom

Adanma: you know im clean and on contraceptives right

Ray: ok

***he then took off his pyjama pants along with his boxers and he was hard as a rock and Adanma bit her lower lip when she saw his size, he was big and that made her happy, Ray then put the condom on and he went to the bed ***

Ray: turn around

Adanma frowned

Adanma: come on let's kiss and play around first

Ray: I don't do foreplay woman, you came here for me to fuck you right

she swallowed and nodded because he has a serious look on his face

Ray: then turn around and let me fuck you so I can go back to sleep

*** she wanted to tell him to forget it but the way his dick was hard and huge she decided against it as she wanted to feel him inside her nana so she turned (ass up and chest down) then he inserted his middle finger in her nana and she moaned then he circled it around for some time and he took out his finger and he positioned himself, then he entered her slowly and she moaned out loud when his dick expanded her wall and filled her up completely. He just clenched his jaws when his dick slid in deeper and he felt her warmth around it, he started moving slowly with Adanma moaning out loud and he increased his pace while holding her waist tight, his dick was long and big so she felt like he was pocking her uterus...he was silent all along with only Adanma's moans filling the room, he fucked her hard and fast with his grip getting tighter, and soon Adanma felt her orgasm getting closer and she held on tight to the sheet***

Adanma: fuck me harder baby, fuck yes take it it's yours Ray!

she said that loud and Ray went harder, deeper and faster giving it to her harder and harder until an orgasm hit her hard and she called out Ray's name and her body shock and Ray didn't stop, he fucked her through it all and by the time he came she had already came once more then she collapsed on top of the bed after Ray pulled out and he went to the en-suit bathroom.... He checked the condom for any leakage and it was still intact then he rolled it with a tissue and he flushed it down the toilet and he washed his hands and he went back to the bedroom and he found Adanma inside his covers sleeping and he chuckled with disbelief and he wore his boxers and pyjama pants and he went to his phone and saved the recording and he went to the bed and shook Adanma

Adanma: mmmh?

*** she said that with a tired voice***

Ray: get up and go to your bedroom

Adanma: come and sleep Ray im tired

he took the cover off her body and she was still naked

Ray: get out of my bed woman before I drag you out

and Adanma looked at him with disbelief

Adanma: you can't kick me out of your bed after having your way with me Ray

Ray laughed

Ray: you dey craze? (are you mad)

he said that pointing at the side of his head with his finger

Ray: I had my way with you huh?..... You came to my fucken bedroom and wanted me to fuck you and I just did now get the fuck out of my bedroom or I'll fucken drag you out stupid bitch

she swallowed hard as she didn't think Ray would treat her like this, she thought after sex he will cuddle with her and maybe in the long or short run he will fall for her since his younger brother rejected her, she didn't expect this at all

Adanma: Ray please

Ray: out woman

he said that pointing at the door and she slowly got out of the bed and she picked up her gown, wore it and walked out with a tail between her legs, and as soon as she walked in her bedroom tears fell from her eyes and she sobbed as the pain of failing washed over her

.
. .
.

**** the following morning around past 10, Ray was in the kitchen making himself a sandwich since he missed breakfast with the family, as for Diego he left with Ray's father to his warehouse cause he needed his expertise concerning his merchandise. Anyway Ray's phone rang on top of the counter and it was Mbali calling and the smile that crept up on his face was just priceless***

Ray: Mbali

Mbali: hey "just Ray"

ray laughed

Ray: you'll never stop abi?

Mbali: wait a minute you are Nigerian

Ray: are you asking or telling me

Mbali laughed

Mbali: abi means something like " isn't it? Or right? " in Nigerian pigin right?

ray chuckled

Ray: yeah, I see someone is a fan of Nigerian slang language

Mbali: yes ummm wow you are Nigerian, but you don't look a man from Nigeria at all

Ray: and how does a Nigerian man look like

Mbali: big, dark and scary but not that ugly scary no but that" I go slap you now now" scary, if you catch my drift

Ray busted out with loud laughter and Mbali joined him

Ray: fuck.... You are a crazy chick you know that

Mbali: I dey try bros, i dey try ooo

Ray laughed some more

Ray: ok ok stop abeg

he said that still laughing

Mbali: so I guess you are like Ramsey Tukumbo Noah and Ghananian actors abo Majid Michel and Van Vicker

Ray: you watch too much Nollywood movies

Mbali: im a fan actually of Nollywood movies

Ray: mmmmh so how are you princess

she sighed

Mbali: surviving and you

*** then Adanma walked in the kitchen and Ray's mood changed***

Ray: princess let me call you back just now ok

Mbali: ooh ok

Ray: cool

*** Then he ended the call and finished with making his sandwich***

Adanma: girlfriend?

Ray: soon to be wife actually

she swallowed hard

Adanma: tell me here is the something wrong with me ray, I mean your brother rejected me and you are also treating me like trash

Ray chuckled

Ray: you act like trash so im gonna treat you like one

Adanma: how dare you say that to me Ray, who the fuck do you think you are

Ray: you have no self-respect and I hate bitches who throw themselves at me, I love to pursue a woman Adanma not the other way around

Adanma: I'll tell everyone you forced yourself at me you bastard

Ray laughed

Ray: mmmmh and everyone including your parents will hear you busy saying "fuck me harder baby, fuck yes take it it's yours Ray!" in a recording I did last night

he eyes widened at that and Ray smirked

Ray: I know bitches like you Adanma, I train them weekly in Cuba to do better than the shit you tried to pull on me.....now look, whatever you thought you'll gain failed bitch cause Im not like all those fuckers who fall in love at the sight of a new pussy

then his mother walked in as Adanma was crying and she gave Ray a death stare

Nomvula: what the hell did you do to her Raymond?

she asked that with an angry voice and Ray chuckled

Ray: well let me see ummm well she came to my room last night and she said I must fuck her and I did now she's busy crying rape cause I refuse to make her mine or something like that..... hmmm well let me warn you dearest mother since MJ is not

around to do that, this bitch has an agenda and you are just a foolish pawn in all her plans and soon she's gonna go to your husband and seduce him too im telling you

then he took his food and walked out of the kitchen going to the lounge while whistling *

Nomvula: what is he talking about Adanma?

she continued to cry totally ignoring her question

Nomvula: I asked you a question young lady!

she asked with a firm tone

Adanma: YES I SLEPT WITH HIM SO WHAT MMMM AND DON'T ACT ALL SHOCKED CAUSE YOU FAILED..... YOU FAILED ME AND MY MOTHER, YOU MADE PROMISES AND NOW YOU CANT DELIVER NX WAIT UNTIL MOM HEAR ALL THIS YOU'LL BE KICKED OUT OF THE WOMAN'S LEAGUE AND YOUR NAME WILL BE DRAGGED TO THE MUD AND BELIEVE ME WHEN I SAY I'LL MAKE SURE OF IT, NX USELESS WOMAN

****Then she stormed out of the kitchen all the way upstairs to her bedroom to finish packing****

.
. .
. .

*** well ray called princess back and they chatted some more and he even asked her to have lunch with him tomorrow since him and Diego are going back to South Africa later today.....after his phone call with Mbali he received a call from Mateo***

Ray: Mat howzit ?

Mateo: not good jefe

Ray: what's wrong, is Cathy sick again

Mateo: no, no it's....

then he sighed

Mateo: I found out who snitched on us to the authorities and got our containers stuck in customs

Ray: who's the motherfucker?

Mateo: Derrick

Ray: who the fuck is that

Mateo: Derrick jefe, Deshaun's right hand man

Ray: WHAT?

Mateo: I was as shocked as you are now jefe in fact im still shocked

Ray: how, I mean why..... Wait do you think Deshaun is also part of this

Mateo: I don't know I only found out that derrick is the snitch but boss why would Deshaun sabotage us I mean you two are more than close friends you are practically brothers and remember he also invested a lot of money in that container so why would he order Derrick to do this

***ray was now pacing up and down trying to make sense of all this, Deshaun was his closest friend in USA, they met when he was doing his third year as a medical student there and they clicked, he later found out that Deshaun's father was a leader of some gang there when Deshaun's younger brother was shot during a gang shoot out and they asked Ray to save him since they couldn't take him to the hospital because gunshots wounds are reported to the police. Well after he successfully saved him he

became their “unlicensed student doctor” in the gang and he got paid for his services, soon he got more involved in the gang’s day to day business and at the same time Deshaun’s father made sure he is not disrupted with his studies then him and Deshaun worked hand in hand with the day to day business in the gang, even when Deshaun’s father died of cancer they were always there for each other, and when Deshaun took over from the gang Ray was there for him supporting him so now Ray can’t stomach the thought of Deshaun betraying him***

Ray: I hope he’s not involved Mat cause I swear on his dead father’s grave I’ll fucken rip him to pieces if he is

***he said that with no care in the world..... well soon Diego and Ray’s father came back from the warehouse and they all left going to Adanma’s home ***

****NARRATED****

*** They finally arrived at Adanma’s fathers’ house and they got out of the cars and Adanma ran to the door***

Ray: let me guess she’s going to cry to daddy and mommy

Mr.masden: Ray behave please

ray smiled

Ray: ofcourse father

Nomvula: yeah right

she said that rolling her eyes

Ray: father, please tell your wife not to start with me please I don’t have the energy for her

Mr Masden just huffed and walked to the door leaving them and Nomvula followed him and Diego just chuckled

Ray: we won’t take long

Diego nodded, he knew he had to remain in the car.... Well Ray went after his parents.... they finally got inside and a house maid showed them to the lounge and they sat down

Maid: Mr and Mrs Nwokoye will be with you shortly

**** Mr Masden nodded and the maid walked away***

Nomvula: and ray you better sit there quiet and let me and your father handle this ok

Ray chuckled

Ray: only father has a right to tell me that dearest mother

Nomvula: and im your mother Raymond in case you have forgotten

Ray: ooh who can forget to have a mother like you

he said that to Nomvula and her eyes popped out then she frowned looking hurt and angry

Mr.masden: enough you two!

he warned them

Mr.masden: chai.... (God why?)..... Can't you two at least pretend to tolerate each other until we leave this place for Pete's sake?

Ray: sorry father

*** then he smirked at his mother who was breathing heavily with anger brewing inside of her as she looked at her son, she knew he lived to make her suffer for cheating on her husband and she had learned to ignore him but it's like every time he's around he has a new way of getting to her..... Anyway Mr and Mrs Nwokoye walked in the lounge with Adanma who looked like she was busy crying a river and they sat down***

Mr.Nwokoye: mike is this why you called for this urgent meeting to bring back my daughter whom the two of you came here, in my house and claimed that you want her to be your daughter in law

he asked with an angry voice

Mr.masden: can you just give me a chance to explain things Jasper

Mrs.Nwokoye: WHAT IS THERE TO EXPLAIN MICHAEL, YOU CAME TO OUR HOUSE AND ASKED FOR HER HAND IN MARRIAGE FOR YOUR SON AND NOW YOU BRINGING HER BACK CRYING AND YOU WANT TO EXPLAIN THINGS

she said that looking angry

Ray: with all due respect Mrs whomever your surname is, don't raise your voice when you speak to my father, if your husband is used to you disrespecting him well do that to him and not my father I hope we understand each other

he warned her and she looked at him with an angry face

Mrs.Nwokoye: heehee.... Repeat what you just said to me

she said that holding her ear dramatically waiting for ray to repeat himself

Ray: in simple terms what I said is, respect yourself or some of us will teach you how

Mr Masden just shook his head defeated at Ray and Mrs Masden just threw her hands up also defeated

Mrs.Nwokoye: boy do you know who the hell I am, who do you think you are talking to me like that in my house!

she said that looking like she's ready to skin Ray alive

Ray: well Madam are you the president's wife perhaps?

Mr.Nwokoye: ENOUGH!

Ray gave him a bored look

Mr.Nwokoye: if you have nothing better to say just shut up or better yet leave my house.... You won't come to my house and insult my wife you hear me

Ray: ooh but its fine for your wife to disrespect my father

Mr.masden: Raymond please my son stop

he pleaded with him as he could see that he was getting angry and Ray clenched his jaws looking at Adanma's father with deadly eyes

Mr.masden: Jasper I called for this meeting so I can bring back your daughter cause my son rejected her and there's nothing I can do to change his mind, you see my son is already engaged and the girl is pregnant for him so that's why we are here

Mr.masden: is this a return goods address mike

Ray wanted to say "YES" but he held himself

Mr.masden: ofcourse not Jasper but there's nothing I can do he made it clear that he doesn't want her

he said that with an annoyed voice

Mrs.Nwokoye: so Rain (Nomvula) you failed to keep your promise mmmmh

Nomvula: I tried Joy ok but I don't know what that girl fed my son bu.....

Ray interrupted her

Ray: I see that gun that was pointed at you didn't make you put a tight leash on your mouth

he said that to his mother

Adanma: she's right that sick whore bewitched him I mean why would he choose an albino girl over all this mommy

Ray: because you are a useless whore who sleeps around

everyone gasped and her eyes popped out

Mrs.Nwokoye: don't talk to my daughter like that ok, my girl respects herself

Ray laughed out loud

Mr.masden: son what's going on

Ray: well dad you know im a man right and you also know that when a naked woman stands in your opened door way naked what happens to little man below our belts

Mr.masden: AKUNNA!

Ray chuckled

Ray: ok, ok.... Well Adanma here came to my room last night and asked me to have sex with her and I did

everyone gasped

Adanma: HE'S LYING MOMMY,I CAN NEVER SLEEP WITH THE LIKES OF HIM,NEVER

she said that with a shaky voice then Ray took out his phone from his pocket and he played the recording and as soon as they heard her voice and the things she said before they started fucking they all gasped with shock..... as for her father he stood up while her mother was in tears

Mr.Nwokoye: enough switch it off!

Ray: wait for the part when she starts screaming my name

Mr.masden: SWITCH IT OFF NOW AKUNNA!

he shouted and Ray did

Mr.masden: nx now I see why my son rejected her, your daughter is loose ad im glad Ezeudo saw the woman she is and rejected her, who would want her a wife

he stood up

Mr.Masden: let's go

he said to his wife and son and they also stood up

Mrs.Masden: ooh and Joy I'll see you at the woman's league and I hope my new seat will be waiting for me

she said that smirking at her and Ray just shook his head as he saw what his mother just did.....by now Mr Nwokoye walked out of the lounge going upstairs embarrassed as hell and Mr Masden was already by the door and he walked out and his wife also walked out

Ray: word of advice to the two of you, whatever diabolical plan you had with my family you better abort it this minute or else this recording will be send to your husband's associates with your daughter's face plastered all over it.....ok

all this time Adanma was busy crying and Ray walked out and he got in the car and Diego drove out of the yard

Nomvula: wow that went well

Mr.masden: SHUT UP! SHUT THE HELL UP!

he warned her and everyone went silent in the car even Ray

Mr.masden: ITS ALL YOUR FAULT NOMVULA, YOU BROUGHT THAT BITCH INTO OUR HOME AND BECAUSE YOU KNEW I WOULD DO ANYTHING FOR YOU, YOU THEN MANIPULATED ME INTO AGREEING WITH THAT DIABOLICAL PLAN OF YOURS BUT NO MORE YOU HEAR ME NO FUCKEN MORE NOW IM UP TO HERE WITH YOUR UNGRATEFUL SELF, IM TAKING A SECOND WIFE AND IF YOU DON'T AGREE TO THAT THEN YOU BETTER BE READY FOR A DIVORCE

He roared leaving everyone in the car shocked

Nomvula: w....what?

*** that came out like a whisper***

Mr.masden: I DIDN'T STUTTER DID I

Nomvula: you...you are just angry my love you don't mean it

Mr.masden: oooh I mean it Nomvula, im taking a second wife and that's that and if you have a problem with that then take your shit and leave my house, I see you have forgotten who I am Nomvula and that you are taking an advantage to the fact that I love you and that I will do anything for you

he said that with no care in the world and a sob escaped nomvula's mouth

Mr.Masden: and if you know what's good for you, you will accept Ezeudo's fiancée and treat her good or else you'll know me nx

*** and silence filled the car.....well soon they arrived at home and they all got out and went inside the house, Diego and Ray went upstairs to get ready to leave while Nomvula went after her husband and she found him in his study pouring himself a drink***

Nomvula: my love please let's talk about this, look I know im difficult sometimes and im sorry my husband, I love you Michael please don't do this

Mr.masden: are you done?

he asked not even looking at her

Nomvula: Michael please im sorry ok

Mr.masden: Nomvula please leave my study I need to call my elders about the second wife issue

tears ran down her cheeks

Nomvula: Michael if you take a second wife I swear I'll kill myself

Mr.masden: and don't worry I'll mourn your death now leave I have an Important call to make

Nomvula: Michael plea.....

he interrupted her

Mr.masden: LEAVE WOMAN!

he roared and she got startled a bit

Mr.masden: I SAID LEAVE!

*** he roared again and she walked out crying, she couldn't believe Michael was doing this to her..... she never thought he would speak to her like that or let alone take a second wife, she now realised that she pushed him too far but one thing that she will never let happen is another woman coming to reap where she didn't sow***

.

.

*** Upstairs ray was with Diego in his room they just got off the phone with Mateo***

Diego: do you think the old man was serious jefe?

Ray: to tell you the truth I don't know, he sounded serious though..... but whatever decision he makes I'll support him, he deserves some happiness and respect too even if it's from a second wife cause for years now mother has been calling the shots without father even being aware, I just hope he get a tough and fearless woman cause I don't think mother dearest will accept all that just like that

*** Diego chuckled***

Diego: yeah you're right..... mh mh mh there's gonna be world war 15 in this house if he's serious about the second wife issue im telling you jefe

*** Ray chuckled***

Ray: true..... I just hope his heart will be able to handle all of it anyway give me the burner-phone and let me call Deshaun

he handed him the phone and Ray dialled his numbers and he answered

Deshaun: yeah

Ray: is that how you answer your phone now Dee?

Deshaun chuckled

Deshaun: SAM BULL (Sambulo) my man

he said that with a happy tone... well he calls him that

Ray: yeah..... how far naw (how are you)

he asked with a cold tone

Deshaun: im kickin and screamin my man and you

Ray: well im surviving

Deshaun: what's up Sam bull you sound cold or is it me?

Ray: what have you done Dee?

he asked him with a serious voice

Deshaun: what are you talking about man?

Ray: how long have we been friends and brothers Deshaun?

Deshaun: like forever man

Ray: so now why would you betray me man

Deshaun: what are you talking about, I don't get you man?

Ray: well I found out who snitched on us and guess who that person is

Deshaun: I hope you not saying it's me Ray, you know I also invested millions in those containers so I also stand to lose if the authorities don't release them

Ray: I didn't say it was you who snitched but someone close to you did

Deshaun: what? Who?

Ray: Derrick

Deshaun: which Derrick

Ray: your right hand man

then Deshaun chuckled

Deshaun: no no you are mistaken man Derrick would never do that to me

Ray: im not asking you Dee im telling you and if you don't sort that piece of shit out know that im coming there and I'll do it myself and you know how I roll, his family will also suffer

Deshaun breathed out

Deshaun: I'll handle him you don't have to come man

he said that defeated

Ray: you are getting soft Deshaun and your enemies might strike when they learn that..... pull yourself up and stop letting boys do as they want right under your nose, you are becoming a fucken liability and that's not on man, pull your fucken self-up or im coming that side and I'll beat you right back to your fucken senses nx

then he dropped the call looking angry

****MBALENTLE****

*** well I have been good and im trying to pick all the pieces of my broken heart and also trying to put them together slowly but surely and im sure I'll get there soon, mmmmh well yesterday I had a chat over the phone with "just ray" and I must say I enjoyed our conversation. He's a funny man and I couldn't believe that he's actually Nigerian because he looks coloured or

something, aarg well I also look coloured or white and im actually a Zulu lady so I understand.... Anyway I can't wait for our lunch date today, I know he's way older than me but I can't help it cause he's just handsome and again there's something that pulls me towards him even though I try by all means to hold myself and I can't explain it , and again besides the fact that he looks way younger than his age there's something about him that just make me want to know him more (Gosh my brothers are gonna skin me alive).....anyway the doorbell rang and I got up to open it and boooooom Kyle was standing there looking like he hasn't slept for days***

Me: what are you doing here?

I asked him with a frown on my face

Kyle: can we talk please

he pleaded

Me: I have nothing to say to you Kyle so please leave

Kyle: im not going anywhere until we talk princess, im sorry ok I know I messed up big time and im sorry my love but please forgive me

Me: Kyle please leave ok I have nothing to say to you so leave and go to your baby mama

Kyle: I can't princess I love you and only you ok and not her

Me: then why did you sleep with her if you loved me mmmmh, tell me Kyle what is it that I didn't give you that made you cheat mmmmh

i said that with tears in my eyes

Kyle: nothing baby im...

i interrupted him

Me: if it's nothing then why did you cheat?

Kyle: I was drunk princess ok I know it's not excuse for what I did but I was drunk

*** I wiped my tears as they fell uncontrollably***

Me: so what you are saying to me is every time you are drunk I should expect you to cheat mmmh ?

I asked him getting angry now, that hurt I felt was slowly being replaced by anger

Kyle: ofcourse not baby look I've learned my lesson ok I swear I'll never cheat on you ever again my love please forgive me baby, im nothing without you

Me: just leave Kyle we are over and the sooner you accept that the better

***he then grabbed my arm as I was about to close the door and he tightened the grip ***

Kyle: you are mine Mbali you hear me, we will never be over and the sooner you accept that the better for you

Voice: you wanna bet boy

gosh I know that voice..... and he soon stood next to Kyle by the door and my eyes popped out Kyle looked at me and then he looked at me, wait what was he doing here I thought we were meeting later, anyway I quickly freed my wrist from Kyle's grip and i wiped my tears off gosh I look like a mess

Ray: move boy

he said that with a straight face and I swallowed

Kyle: baby what's going on, who's this

I kept quiet cause first of all im no longer his baby and secondly im still surprised by "just Ray's" unexpected visit

Ray: I thought I just said move little boy

he said that taking one step closer to kyle's face and I saw Kyle swallow and he moved out of the way and "just Ray" walked to me and within a blink of an eye he kissed me..... his one hand was cupping my face while his other hand was holding my waist tight.....gosh I found myself kissing him back with my eyes closed after the sweetness off the kiss washed off all that shock I had when the kiss started, well that's until he violently moved away from me and I opened my eyes to find Kyle holding his expensive suit jacket violently and my eyes popped out with shock

Kyle: WHO THE FUCK DO YOU THINK YOU ARE YOU BASTARD TO KISS MY GIRLFRIEND INFRONT OF ME

he roared and "Just Ray" chuckled

Ray: well I must commend you for your guts but boy boy if you don't get your filthy hand off my expensive jacket I'll break it into pieces

he said that with a chilled voice which held so much authority in it and I swallowed hard

Kyle: YOU DON'T FUCKEN SCARE ME YOU HEAR ME, I SEE YOU CLEARLY DON'T KNOW WHO THE FUCK I AM NOW LISTEN HERE AND LISTEN GOOD PRINCESS IS MINE AND MINE ALONE..... IM WARNING YOU FOR THE FIRST AND FUCKEN LAST TIME TO LEAVE HER ALONE OR ELSE YOU'LL REGRET IT

*** Well out of the blue "just Ray" grabbed Kyle with his throat and he roughly pushed him to the wall and Kyle hit it hard with his back and I saw "just Ray" squeeze his hand tight around Kyle's neck..... I could see he was struggling to breathe, and I just stood there frozen, I couldn't even utter a single word ***

Ray: first thing first, you should never in your fucken life touch me like that ever again and secondly you gonna be a little good boy and walk out of here and never set your little feet here again or I'll chop of that little dick that you go around drilling in every hole you meet, do I make myself clear?

*** Kyle was busy chocking trying to free "just Ray's" hand from his neck but his attempts were just futile so he quickly nodded and "just Ray" let him go, the truth is I wanted to go to Kyle and help him up from the floor as he slid down coughing hysterically but I couldn't cause "just Ray" looked deadly***

Ray: now get up from that floor and get the fuck out from here before I fucken kill you this time!

he said that with a chilled voice again and I swallowed hard again..... I've seen this "chilled voice" thingy with my brother Smiso and I know when he's like this he's extremely angry and I think the same thing was happening with "just Ray"

Me: Kyle please go

I said that with a low voice and he looked up at me with a shocked expression but I looked down

Ray: let's get in princess

then he looked at Kyle

Ray: when I come out I better find you gone cause if you don't pick your teeth on the floor one by one, you'll fucken end up in ICU if not dead

then he pushed me inside gently and he also got in and closed the door and he locked it and turned to look at me and I looked down I then felt his long fingers under my chin and he lifted up my face and I looked up and our eyes locked..... gosh what's happening to me, I suddenly felt my knees go weak...." Mbali he's way older than you" is what was playing in my head but my heart was busy beating fast out of its rib cage

Ray: did he hurt you

I slowly shook my head no and he breathed out

Ray: ok, anyway something told me to come passed by your place before heading for my meeting and im glad I listened to it

I tried to swallow but I couldn't, gosh my throat just decided to be dry all of a sudden and I didn't know why, and as for my pounding hard heart im not even gonna say anything about it now

Ray: call me if he troubles you again ok

*** he said that with a soft voice with his eyes still locked with mine and I nodded like a small child then he got closer and he kissed my lips then my forehead and the tip of my nose***

Ray: I'll see you after my meeting ok

Me: Ooohk

I said that in a whisper then he whispered to me

Ray: you better stay away from that stupid boy cause you are mine now and I hate sharing

he kissed my forehead and he walked out leaving me shocked to the core..... I managed to walk to the couch slowly and I sat down and I exhaled loudly gosh I didn't even realise that I was holding my breath

Me: ooh my God what just happened

***I said that to myself not believing what just happened, I mean "just Ray" kissed me on my lips and not once but twice or is it three times...no I think it was twice ***

NARRATED*

*** well after ray left Mbali's apartment, he went to his car with a smile on his face and Diego drove to Jase's company for the meeting Ray had with him.....soon they arrived and Ray got out with Diego and they went inside, they got to his floor and they found his PA busy on his computer and Ray told him about his appointment with Jase and after making a call to Jase he allowed him to go in while Diego waited outside on the couches***

Jase: La Parca himself

they shook hands

Ray: mmmh Kray my man howzit?

Jase: surviving man and you

Ray: also surviving man you know how the jungle is out there

Jase chuckled

Jase: I hear you man so when did you arrive this side

Ray: well it's been days now

Jase: mmmh you know I was shocked that you made an appointment to come see me where else you could've just called me

Ray: I decided to do things that normal people do, like making an appointment to see someone

they both laughed

Jase: drink?

Ray: of course

Jase went to pour them drinks and Ray went to the wall where different pictures of the khumalo family members were and he saw princesses pictures and he smirked admiring her beauty

Ray: nice family you have here

he said receiving a glass from Jase

Jase: yeah but they are a handful I must say

Ray: I know what you mean man

they went and sat down on the couches

Jase: so what's up

Ray: im here to cash in on that favour you owe me

Jase raised his eyebrow

Jase: ooh

Ray: yeah

Jase sighed

Jase: ok im listening

Ray: my containers are being held by authorities off shore in Cape Town so I really need them released as in yesterday

Jase: ooh ok what happened, don't tell me your papers weren't straight man that's so unlike you

Ray: nah it's not that, someone snitched on me

Jase: and who's that fool

Ray: someone who's about to regret it, so?

Jase: how long have they been in customs?

Ray: a few days

Jase: ok I can work with that

Ray: so how long will it take?

Jase: two to three day

Ray: ok not bad

Jase: so are you thinking of moving this side

Ray: I haven't decided yet but lately I think I found a good enough reason to make me want to move this side

Jase raised his eyebrow

Jase: a woman?

Ray chuckled and he gulped down his drink and he stood up

Ray: yeah the future Mrs La Parca

he said that with smirk on his face and Jase laughed

Jase: mmmmh I hope I'll get the wedding invite to come see you being tide down by a woman with my own eyes

Ray laughed

Ray: believe me you'll definitely get one

Jase: good

Ray: ok then Kray my man let me get going I'll wait for your call

Jase: yeah

they shook hands again and he walked to the door and he stopped and turned

Ray: marriage life suits you chale I mean we had a decent conversation without you insulting or threatening me

Jase laughed

Jase: fuck off Ray man

Ray laughed

Ray: oops I guess I spoke too soon

they laughed and Jase showed him the middle finger and Ray walked out laughing..... then Jase dialled his brother's numbers and he answered on the third ring

Snakes: bafo

Jase: foza guess who just left my office

Snakes: Ray

Jase: yeah and he came to cash in on that favour I owe him

Snakes: ok what did he want?

Jase: his containers are being held by authorities off shore in Cape Town so he needs them released ASAP

Snakes: at least he didn't want us to help him win a war or something

Jase: yeah at least

Snakes: so why are his containers held in custom

Jase: someone snitched on him and he said his papers are legit

Snakes: then it won't be a problem I'll handle it

Jase: thanks foza

Snakes: sho....ohh and did you get my messages

Jase chuckled

Jase: those messages about shamba or simba, the lion that was killed for attacking its owner

Snakes: mmmmh our brother from another mother was killed man, taken down in cold blood for defending our land from the white man

jase laughed

Jase: what are you talking about now mamba?

Snakes: shamba the lion bafo

Jase: ok, a lion is our brother from another mother?

Snakes: yeah I mean we have half human half animals in our family so in a way he's our brother from another mother you get me

jase laughed out loud

Jase: you are sick mamba seriously sick

he continued to laugh and snakes joined him

Snakes: yeah you should have seen the condolences on new24 pouring in for shamba's family, it was hilarious bafo others were even claiming to rename itiger (R10) after shamba,

Jase continued to laugh

Snakes: they even said Kruger national park should be named Shamba national park

they laughed

Snakes: im telling you south African are messed up in the head bafo, I mean no one cared to ask about the white dude shamba attacked they only send #RestInPeace messages to shamba praising him about the battle he fought with the white man

Jase: snakes stop please

Snakes: dude even Julius malema said an inquiry should be opened for the authorities to investigate further cause shamba was defending himself from the white man that wanted to take his land

jase was now in stitches

Snakes: eish shambiro tried but he failed foza I also say he must rest in peace at least he died trying to take his land back from the white man so my respect to him

they both laughed, jase even had tears running down his cheeks

Snakes: eeh shap bafo let me get back to work

Jase: sha...shap.....

they ended the call and Jase continued to laugh

****NARRATED****

***At the Mogapi's household, kitso, his father and Mamiki were sitting in the lounge while naledi's grandmother was sleeping in her bedroom ***

Mamiki: so what can I do for you gentleman

she asked looking at them

Tsietsi: we are here because of naledi

kitso's father said

Mamiki: nx what did that girl do now?

kitso frowned, well he knows that Mamiki despises naledi cause he used to console her whenever she would put her down or say something that broke her spirit even more and luckily kitso already told his father of the kind of woman Mamiki is

Kitso: she didn't do anything im the one that actually did something to her

Mamiki: I don't understand

Tsietsi: Miss Mogapi my son kitso is your granddaughter's father

Mamiki: oooh

***Kitso's father was surprised by her reaction cause if naledi was his daughter he would be punching kitso's teeth out by now ***

Tsietsi: yeah, ummm look I know my son wronged your daughter in the most despicable way ever but he's sorry miss Mogapi and he's here to ask for forgiveness and even pay for damages for impregnating you daughter out of wedlock

***Mamiki smiled when he heard about the "damages" part..... after trying so hard to raise some funds to pay loan sharks she owes now an opportunity just presented its self just like that ***

Mamiki: wow that's good, a man does that my boy

kitso clenched his jaw when he saw her smiling like that cause he knew it was about the damages money that made her smile like a cheap prostitute

Mamiki: so are you here to pay for the damages

she asked a bit excited

Kitso: is naledi here

Mamiki cleared her throat

Mamiki: ummm no but don't worry im sure she won't mind you paying damages for Lesedi I mean she's your daughter after all

kitso got angry looking at Mamiki he wished he could strangle her, he remembers how naleidi would cry every time she said Mamiki said hurtful things to her

Kitso: no I need to ask for forgiveness from naleidi first and to hear from her that she actually is ok with me paying for the damages and that she's willing to let me have a relationship with my daughter

mamiki's face fell when kitso said that cause that meant for her to get the damages money she first has to beg naleidi to allow kitso have a relationship with lesedi

Tsietsi: so miss Mogapi can we see naleidi so my son can apologise to her and maybe find a way forward with the whole thing

Mamiki cleared her throat

Mamiki: well she moved out and I don't know where she is

Tsietsi: what do you mean

Mamiki: she had a fall out with my late brother some time back and she moved out and I haven't see her since

Kitso: what did Thabo do to her?

Mamiki: wait you know Thabo?..... anyway that is not important now

kitso huffed, he prayed Thabo didn't touch her

Kitso: I hope he didn't succeed in forcing himself on her

he said that looking angry and Mamiki swallowed

Mamiki: what...what do you mean by that?

Tsietsi: son that's not why we are here please stop, ummm miss Mogapi please get in contact with your daughter and please plead with her on my son's behalf so we can do right by our granddaughter, we need to introduce her to our ancestors so they can know her and protect her

Mamiki: I know don't worry I'll talk to her

Tsietsi: ok thank you, you can contact me using these numbers to give me feedback on your talk with her

he said giving her his card

Mamiki: ok I'll do just that

Tsietsi: thank you

then he stood up and kitso also stood up and they shook mamiki's hand

Tsietsi: we will wait for your call

*** she nodded then they walked out going to their car***

Mamiki: shit.....nx now i have to beg that ungrateful girl just because I need that money, nx and its all thabo's fault if only he didn't do what he did and I wouldn't be in this predicament and mama wouldn't be in that state she's in nx, I hope he burns in hell for putting mom and I through all this rubbish

he said that to herself looking angry then her mother slowly walked in the living room

Koko: who were those people and what did they want

Mamiki: aarg it was that boy that got naledi pregnant and his father

Koko: what did they want?

Mamiki: the boy said he wants to have a relationship with Lesedi and he also wants to pay damages

Koko: I hope you told them naledi is no longer part of this family

she said that sitting down slowly

Mamiki: mama not now please

Koko: Mamiki I thought i told you I don't want your useless daughter in my house ever again

Mamiki: ma we need that money ok and im sure this might even make naledi to come back home

she said that trying to convince her mother

Koko: I said I don't want her in my house and that's that..... She chose that boy over me the person that raised her since she was a baby and she had the guts to let that boy insult me in my own house so she's dead to me!

she said that with a firm voice

Mamiki: mama we need her ok please just let her come back this once I really need that money

Koko: if you want that money then go hold that meeting at your house and not here

she said that and slowly got up and she flinched with pain then she slowly walked to her bedroom and Mamiki sighed frustrated then she took her phone and called naledi and she didn't answer her call but then she tried again and still nothing..... She tried once more and luckily naledi answered this time

Naledi: Mamiki

Mamiki: naledi we need to meet and talk

Naledi: talk about what

Mamiki: about Lesedi

Naledi: what about her

Mamiki: lets meet and talk, don't make beg naledi assomblief (please)

Naledi: well I can't meet up with you so it's either you say what you want to say over the phone or forever hold your piece

Mamiki: o nale lleme nou mogirl neh? (you talk to me like that now naledi)

Naledi: im my mother's daughter after all, now bua (talk) or hang up cause I don't have all day Mamiki

***she said annoyed and Mamiki laughed a bit as she couldn't believe that naledi was the one talking to her like that, but then she decided to leave the issue for another day and focus on an important issue being the moola ***

Mamiki: ok then, your baby daddy was here with his father

Naledi: askies what?

she asked shocked

Mamiki: yes and he wants to have a relationship with Lesedi I mean he's even ready to pay for damages

naledi laughed not believing what she was hearing

Mamiki: I know you are still hurt by what he did to you but girly you should be grateful that he saw the light and he's willing to right his wrongs unlike your useless father who's enjoying his life with that fat ugly bitch instead of looking for you

naledi swallowed hard as Mamiki said that cause this thing about her father was still painful to her

Naledi: look I want nothing to do with kitso Mamiki you hear me

Mamiki: stop being selfish man nx, why are you preventing Lesedi to have a relationship with her father or keng (what) you want her to despise you when she's old and she learns that you are the one that kept her from having a relationship with her father cause believe me girly I'll make sure she knows you refused point blank

she said that with no care whatsoever

Naledi: ooh please Mamiki we both know all you want is the money and nothing else so stop pretending as if you care it doesn't suite you

she said with an annoyed voice

Mamiki: mxm well you are right girly well since I know no one will ever marry you then its better I get the damages money as consolation of sending money for your upkeep when you were growing up

she said that with no care in the world

Naledi: WOW!

she said that hurt a bit

Mamiki: look man tell your blesser gore kuku eo ya gao ga e tshabe (that your vagina is not going anywhere) that you have some things you need to take care of for Lesedi im sure he will understand

Naledi: Mamiki I don't want that bastard near my daughter you hear me so tell him to take his fucken money and fuck off

Mamiki: heeh ebile o kgona le go rogana (you can even swear) this days..... Anyway listen here mogirl, lesedi need to be introduced to her father's ancestors so they can know her and protect her or else she will get sick as time goes on or get bad luck for the rest of her life just like you or even die, now listen here you are not doing this for that boy but for Lesedi unless you are prepared to lose her to death then cool..... cause as for me I'll just find another way to raise money

naledi kept quiet not knowing what to say

Mamiki: I may be a bad person and mother to you mogirl but I never stopped you from finding your father even though he hurt me badly, so stop with your selfishness and let lesedi have a relationship with her father man jealousy ke ya eng(why are you jealous) just because papagao ke setlaela sa monna le pipi enyane (your father is a fool with a small dick) it doesn't mean you should punish that boy even though he realised his mistakes while lesedi is still young

Naledi: yho bye Mamiki

she was just enough with her

Mamiki: hey wena naledi im still talking to....

tuh tuh tuh tuh..... naledi hanged up

Mamiki: nx

she clicked her tongue and threw her phone on top of the sofa

.
. .
.

**** well naledi sat there in the lounge as tears streamed down her cheeks, she didn't understand why kitso was now interested in Lesedi cause he point blank said she should abort and now he's back wanting to claim her.... She then wiped her tears and sighed deeply, she was a bit down cause since yesterday Heath has been distant emotionally, it was like something

was bothering him but he refused to tell her. He kept on saying that its work related and that she shouldn't worry about it but she worries cause he looked really troubled, even this morning he didn't have breakfast saying he has an early meeting..... anyway she decided to take lunch to him since he didn't eat his breakfast so that she can tell him about mamiki's call cause even though she despises her and that she's a coin lover but some of the things she said made sense..... So she took a shower again and changed her clothes then her driver drove her to Heath's company.....they finally arrived and she got off and went inside, well it's her first time here and she was mesmerised with how the place looked, professional and upper class is what the inside of the building looked like..... anyway she walked to the reception area and she told the lady that she's here to see the CEO and since the lady sees naledi's portrait in heath's office whenever he summons her to his office she didn't give her problems, she told her where heath's office is and naledi thanked her and went to the elevator and it took her to his floor..... when she got to that floor it was quiet, in the far corner there were cosy couches and a table in the middle and she also saw a desk not far from the door and she concluded it's the PA's desk but it was empty so she walked to the door and it was slightly opened and she heard a woman talking and heath replying so she decided to eavesdrop on the conversation with her heart beating fast cause the way they spoke was suspicious even heath's voice was soft and the lady was busy sniffing as if she was crying***

****HEATH****

well im at work and it's been hectic since I got here, my business is doing so well that im thinking of expanding it, and as for obim and I things are great between us, I love that woman people and I thank God every day for bringing her into my life. Im a happy man and my wife and kids are also happy so I can safely say that " God don butta my bread ooo" (God has answered my prayers) im just on top of the world..... but last night I think I got her worried because of my sour mood, well the thing is yesterday I decided to do some research on her absent father because of the dowry (lobola) issue cause I know for a fact that her granny and mother will never accept dowry for naledi from me, and what I found out just shocked me to the core and it also got me worried. Well obim once told me her father's name and surname and even though she said his name is James Moeketsi I never thought for a moment that it will be lerato's father, because I mean there are many James Moeketsi's out there. Now I don't know how to go about it cause guys I just realised that I dated two sisters and married one of them, it's just fucked up cause I was sure I was done with lerato but now I just found out that she's my sister in law and I don't even know how to tell obim..... mxm all of this is just fucked up im telling ya'll. Anyway im now laying on the couch taking a break before my next meeting and I hear a knock on the door and it opens, I sat up straight and it was Jolene my PA... she was holding a brown paper bag, it's probably my lunch

Jolene: your food sir

I smiled

Me: thanks

she put it on top of the table and I opened it and it was pork ribs (my favourite) and French fries and I saw her looking at a huge portrait of naledi that is on the wall with a pained look on her face..... ummm ok

Jolene: she's beautiful

Me: yeah she is

I said that smiling

Jolene: ummm can I sit down for a minute sir

Me: umm sure

ok she looked a bit down now

Jolene: so your ring...does it mean you are married now

***I looked at my ring ***

Me: yeah

Jolene: and I didn't get an invite, I thought I meant something to you sir

ok what is all this now

Me: it was an intimate thing but don't worry you'll be invited to the white wedding

Jolene: ok....ummm sir can I ask you something and please be honest

Me: sure

Jolene: am I attractive

I cleared my throat....what sort of a question is that

Me: ummm yeah you are, why are you asking me that?

Jolene: cause ever since that time we slept together I've.... I've been in love with you but you don't even notice me

the fuck?

Me: Jolene...

she interrupted me

Jolene: I know it's inappropriate to say all this cause you clearly told me you love someone and I shouldn't catch feelings and the fact that you are my boss and now you are married but I...I just had to tell you how I feel cause after lerato I thought maybe you'll see me and notice I how much im in love with you but you didn't and now you are married

I sighed God not this please

Me: look Jolene you are a beautiful girl and you have an amazing body and a kind heart but I don't see you like that, im sorry you feel like that but I don't

a tear escaped her eye and I got closer to her and I held and she cried, fuck why is Jolene doing this, to tell you the truth I never knew she felt this way.... I mean not even once has she seduced or even fluttered with me after we fucked one time when I was at my lowest that time when naleli broke up with me after lerato beat her up

Me: look I need you to do me a favour

she nodded

Me: I want you to bury or get rid of those feelings cause I belong to someone else now Jolene and I love her with my all and I can never cheat on her no matter what

Jolene: don't you think I tried Heath but every day they grow stronger

fuck no

Me: then im afraid I'll have to let you go then cause I can't give you what you want and I also can't have an awkward working relationship with my PA

*** she sighed looking down and I lifted her face up and looked in her eyes....shame she's hurt ****

Me: we've come a long way Jolene please don't do this cause I would hate to lose a good PA like you over some one sided feelings

tears ran down her cheeks and I wiped them*

Me: please

Jolene: ok I'll try harder

it came out as a whisper and I sighed with relief and I held her as she sobbed....the truth is I don't have time to be looking for another PA and still give the new PA time to get used to how I do thing, already work is piling up so I need Jolene I mean this girl has been with me for years and she has been good to me and she's also been doing an amazing job as my PA

Voice: wow this looks cosy

*** I swear my whole body froze and I let go of Jolene slowly..... I looked at the door and obim was standing there with tears in her eyes, fuck I can already see on her face what she's thinking***

Me: obim it's not what it looks like

she didn't say anything, she just walked in and put the basket she was holding on top of the table and she walked to the door.... I got up and ran towards her and I grabbed her arm with my heart beating fast

Me: let's talk please

she swallowed looking away with her bottom lip trembling and I know that happens when she's extremely hurt or angry.....I turned to look at Jolene who was standing there while whipping her tears

Me: Jolene excuse us and reschedule the rest of my meetings today to another day

Jolene: but sir you....

I interrupted her

Me: now Jolene!

***I said that with a firm voice ***

Jolene: ye....yes sir

she walked out and closed the door then naledi yanked her arm from my grip and she attempted to walk out but I grabbed her arm again

Me: obim its not what you think ok...look at me please

Naledi: let go of me heath

*** this is not happening***

Me: look naledi I was just comforting her ok nothing more

she turned her head and looked at me

Naledi: when you look at me do you see stupid written on my forehead

Me: ofcourse not obim i...

she interrupted me

Naledi: I heard your little chat ok!

she yelled and I sighed

Me: so you eavesdropped on our conversation, tell me what where you hoping to hear mmmmh

Naledi: wow you are just unbelievable..... just let go of me please

*** she said that with a breaking voice***

Me: no, we gonna sit down and talk like married couple should

she's not going anywhere until we resolve this

Naledi: I have nothing to say to you, now let go of me

I clenched my jaws while looking at her intensely

Me: naledi listen carefully cause im gonna say this once..... we are not going to fight over Jolene cause besides the fact that she's just my PA, she's not an important factor whatsoever!

I warned her and she just kept quiet

Me: im not cheating on you and I'll never cheat on you cause I love you and you know that

she rolled her eyes.... Wait did she just roll her eyes at me

Me: do that again, just roll your eyes at me again and you'll see what I'll do to you!

I warned her and she looked away

Naledi: just let go of me Heath

she said that trying to wiggle her arm out of my grip but I didn't let her go

Me: what do you want me to say to convince you that nothing is going on between me and her?

Naledi: nothing, you don't owe me any explanation I mean it's your life and you can do whatever you wanna do with it

I was getting upset cause I can see what she's trying to do..... so I let her go and I went to lock the door and I put the key in my pocket and I looked at her..... she looked upset and I sighed feeling like shit cause im the reason she is

Me: naledi.....

she interrupted me

Naledi: you know I knew you were too good to be true but because im a fool I fell for your charms

***I gave her the "wtf" look...fuck I sincerely hope it's her hormones that made her say that to me ***

Naledi: I mean why would a guy like you fall for an albino girl like me mmmh

I closed my eye while clenching my jaws getting pissed off by the second now

Me: naledi!

I warned her but she continued

Naledi: I mean my own mother despises me, my father wanted me dead, my baby daddy abandoned me and the only person I trusted with my life chose his son who tried to rape me over me and then disowned me when I tried to stand up for myself I mean why would you stay faithful to a damaged thing like me i....

*** I interrupted her***

Me: SHUT UP.....SHUT THE FUCK UP!

I roared and she kept quiet with tear running down her cheeks

Me: TALK THAT SHIT ABOUT YOURSELF AGAIN AND YOU'LL SEE WHAT I'LL DO TO YOU, NX YOU DEY CRAZE(ARE YOU OUT OF YOUR MIND)

I said that breathing heavily

Me: if you're saying all this to hurt me naledi know that it's working ok its fucken working!

*** she didn't say anything she just looked away while breathing heavily***

Me: look it might have been wrong of me to console Jolene I get that and im sorry ok

she continued to keep quiet then she went to the couch and sat down and she buried her face in her hands, I sighed and i went to sit next to her..... im not fighting with my wife because of my PA, NEVER!

Naledi: do you have feelings for her

she finally spoke

Me: no I don't, I've never looked at her like that before obim

Naledi: if so then why is she still your PA

*** I sighed***

Me: cause she's good at her job naleidi and I don't have time to be looking for another PA

Naledi: please open the door I wanna go home

Me: naleidi!

Naledi: please heath, I don't wanna be here ok, I shouldn't have come in the first place

Me: you are not leaving this office until we solve this

Naledi: heath please

she said standing up and she wiped her tears

Me: im dead serious naleidi, we're not fighting because of Jolene

she kept quiet and sat down again and I sighed

Me: obim im sorry you walked in on that, I swear with all my kids' lives im not cheating on you or even have feelings for her..... I love you naleidi only you

she looked away and I got closer to her

Me: I love you obim please let's not fight over this, you're not supposed to stress you'll upset my kids please

I said putting my hand on her belly

Naledi: you once got mad when kitso called me and you even told me to stay away from him and I did even though he's my baby daddy and now I find you holding your fuck buddy and im supposed to smile cause im the wife and she's a non-factor

Me: ofcourse not obim

Naledi: then what is it heath, how do you think it makes me feel to find out that you once slept with your PA and she's still working for you and now she just confessed her undying love to you

I looked down...shit she heard the whole thing

Naledi: I came here to have lunch with my husband only to find another woman in his arms how do you expect me to feel heath mmmh

Me: im sorry obim..... I love you naleidi and only you

Naledi: please open the door I want to leave

Me: obim please

Naledi: you'll find me at home, please open the door

I sat there looking down.... Fuck she's hurt

Naledi: its either her or me heath im tired of always being someone's second best or being forced to understand certain things even though I don't..... I want you to make your decision now so I know where I stand with you

.

NARRATED

*** heath looked at naledi with a pained look cause he just realised that naledi doesn't believe how much she means to him for her to be making him to choose between his PA and herself***

Heath: naledi

he called her name and naledi didn't even look at her

Heath: do you even know how much you mean to me

Naledi: I thought I did but not anymore

he swallowed

Heath: the fact that all that rubbish that happened with Jolene made you doubt my love for you it means you don't know how much I love you and live for you

she didn't say anything

Heath: fine I'll fire her but know that im disappointed at you

*** she continued to keep quiet.... Then he remembered his granny's words when she told him about the obstacles they will face before they reach the end of the tunnel and he sighed***

Heath: I love you ok and im sorry you walked in on that obim

Naledi: Mamiki called

she said not even looking at him and he frowned looking at her

Heath: your mother

she nodded

Heath: what did she want?

Naledi: kitso and his father went to see her and he convinced her to try and convince me to let him have a relationship with Lesedi

*** Heath chuckled not believing what he was hearing***

Naledi: why is it that every time im happy people try to ruin it

Heath: obim!

Naledi: I was happy heath, for the first time in my life I relaxed and let my guard down and let all the happiness I was feeling take over then kitso happens and he's trying by all means to push his way into my life after breaking me and then I come to seek comfort from my supposed husband and I find him with another woman in his arms, what have I done to deserve all this heath, am I such an abomination that happiness refuses to stay with me

she said that crying and heath held her tight feeling like someone just punched him below his belt

Heath: im sorry obim..... im really sorry I promise I'll fix things, please don't cry

*** she just cried on his chest as mamiki's words played in her head..... heath then cupped her face and planted a kiss on her lips***

Heath: I'll fire Jolene and I'll have a talk with that dickhead ex of yours ok..... please don't stress ok

she nodded

Heath: and im sorry you found me comforting another woman and I swear on my unborn babies never again my love ok

she nodded and he kissed her forehead

**** well Mbali was attending only two lectures today and she was done with one and she was on her way to another one when her phone rang and it was Ray.... She smiled with her heart beating fast then she answered***

Mbali: hey

Ray: princess change of plans Im gonna send you a knew address where we gonna meet

Mbali: ooh ok

Ray: yeah you know how your brother's are so meeting in public might get you in trouble and we don't want that right

Mbali: ummm yeah sure

*** she said disappointed "so he doesn't wanna be seen in public with me" she thought to herself***

Ray: ooh and pack an overnight bag cause you gonna need it tomorrow morning and don't forget your books cause you'll leave from here to your lectures tomorrow morning

Mbali: huh? But I though we are just gonna have lunch

Ray: just pack an overnight bag princess, I'll see you in three hours' time and please don't be late

Mbali: oh ok

*** she said confused a bit then he dropped the call and soon her phone beeped and it was an address and the apartment number, she sighed and dialled her brother nhlaka's numbers ***

Nhlaka: baby girl

Mbali: bhuti unjani(how are you)

Nhlaka: im good my love and you

Mbali: im good too.....ummm bhuti tonight im gonna go for a pyjama party at one of my friends place, it's her birth day and that's how she wants to celebrate it instead of going to a club or something

Nhlaka: mmmmh

Mbali: so im going and I'll come back tomorrow

she said that crossing her fingers

Nhlaka: what about your lectures princess

Mbali: i'll attend bhuti i'll go straight from her place

Nhlaka: alright and you better call me if something happens ok

Mbali: I will bhuti, I love you and thank you

Nhlaka: I love you too and take care of yourself ok

Mbali: I will bhuti bye

Nhlaka: bye

then he ended the call and she breathed out loud, her hands were even shaking and she felt bad lying to her brother like that but she also was curious of how her date with Ray will be like.... Anyway she went to attend her last lecturer

.
. .
. .

*** Well she arrived at the address Ray send her and she was nervous as hell she drove in and found a parking spot and she got out and also took out her over-night bag and she locked the car and walked in, she got in an elevator and she got off on the second floor and walked to the door and she knocked then ray opened, he was shirtless and Mbali swallowed hard when her eyes landed on his hard abs ***

Ray: princess come in

he said that with a smile on his face and she did and when she turned around to face him she found him standing behind her with his hands in his pocket

Ray: hey

Mbali: hi

she said shyly and Ray got closer to her and he took her bag and put it on the floor and he put his big hand on her waist and cupped her face with another one and he planted a wet kiss on her lips

Ray: thank you for coming

she just nodded with her cheeks turning red and Ray leaned in for another kiss and this time he deepened the kiss making Mbali to moan softly, his hand that was on her waist travelled to her ass and he squeezed it tight and he groaned as he pushed her closer to his body and she felt his boner.....she pulled out of the kiss and looked down shyly

Ray: I cooked something for us but for now I just want to bury myself inside of you

he said that and kissed her forehead and Mbali just swallowed hard at that statement

Mbali: huh?

she asked confused and Ray kissed her forehead and he smirked

Ray: what did I say earlier on today at your apartment?

she swallowed

Mbali: that...that im yours and you hate sharing

Ray: mmmmh and now I just wanna bury my face between your legs then have you for dessert

he said that and smashed his lips onto hers and she just stood there frozen

****NARRATED****

*** she kissed him back when he sucked on her bottom lip slowly, she wanted to stop him so bad but the way he was holding her tight and the way he was kissing her just drove her crazy, the kiss got heated and Ray grabbed her ass and picked her up and Mbali wrapped her legs around his waist and Ray went to the bedroom with her while they continued to kiss, they got in the bedroom and Ray put her on top of the bed gently and he got on top of her and they continued to kiss. Ray was busy touching and squeezing her body while groaning here and there, yes he has been with different woman from different countries and races but what he was feeling was just foreign to him. He was feeling things he has never felt before by just kissing and touching her so he wondered what he will feel once he's inside her, he then stopped kissing her lips and he went to her neck and he sucked on it going down with Mbali moaning loud, he then bite her chin gently then he stopped and he took her shirt off and she wasn't wearing a bra and he cursed***

Ray: fuck.....

then he also took off her jeans along with her now wet lacy thong and as soon as his eyes landed on her freshly shave pussy his body shivered, as for Mbali she had her hands covering her eyes..... then ray went up to her face and took off her hands and planted a wet kiss on her lips

Ray: are you a virgin my flower

he goggled the meaning of Mbali.... Then Mbali blushed and she shook her head no and he perked her lips again

Ray: is that boy the reason you are not

she bite her bottom lips looking away embarrassed and she nodded and Ray clenched his jaw then he kissed her jaw line

Ray: ok so let me make this clear to you my flower, you are about to lose your real virginity now and I hope you are ready

Mbali: huh?

*** he kissed her chin***

Ray: I said you are about to lose your real virginity now..... cause that boy was just paving the way for a real dick to enter you all along

Mbali looked at him shocked by his statement.... She swallowed hard and Ray smirked

Ray: fuck im gonna enjoy this

***Mbali swallowed hard again then Ray kissed her again and as soon as she got in the mood he left her lips and he kissed her going down on her with Mbali moaning loud while grabbing the bed sheets, he kissed and gently bites both her inner thighs. And when he got to her nana he blew cold air on it and he licked it with Mbali moaning out loud then he gently sucked on her

pussy lips and that made Mbali to lose it, he would leave the other one and suck on the another one gently for some time then he would stop and lick her nana again and blew cold air again. He then started sucking on her clit gently while his hands were holding his waist tight stopping her from jerking up and down, he would bite gently and suck making Mbali to lose her mind. Then she felt his tongue pushing it on her entrance and she just lost it, she grabbed the sheets tight moaning out loud as she felt extreme pleasure take over, Ray did things to her pussy that made her come hard on his face and he licked her clean and he went to her face and she had her eyes closed with her lips patted a bit while she breathed heavily***

Ray: look at me my flower

she slowly opened her eyes and looked at him

Mbali: what... what did you do to me?

he smirked and kissed her lips

Ray: I just simply took you to muff town my flower and now im about to take you to paradise

Mbali: huh?

he just kissed her making her taste herself while rubbing her clit..... all this time Ray was still dressed in his jeans. After some time of kissing hungrily he pulled out of the kiss and he got off the bed and took off his jean and when Mbali saw the bulge of his erect dick printed on his now wet briefs she froze, and when he took off his briefs she swallowed hard with her heart pounding hard against her chest with her eyes popped out

Ray: you look scared my flower

he said that while jerking his huge and hard anaconda up and down with a smirk on his face

Mbali: i.... maybe we shouldn't..... I mean i...

she stammered and Ray got on top of the bed between her legs and he rubbed her pussy entrance with the tip of his dick and she moaned out loud

Ray: are you on any contraceptives my flower

Mbali: ummm ye....yeah....injection

Ray: good cause I wanna have you raw don't worry im clean and I hope you clean too

she just nodded that's all she could do, she was at his mercy and there was nothing she could do, she wanted to tell him she cant do this but it was like something inside of her stops her every time, and her seeing the size of his dick wasn't helping... he then smashed his lips on hers and they kissed hungrily, he then tried to push himself in but she was just too tight, he tried two times and he couldn't get in so he resorted to fingering her for some time with her moaning out loud then out of the blue he stopped and he pushed himself in and Mbali shut her eyes tight as she felt some pain when her walls expanded.... Ray groaned and cursed when he felt her warmth and tightness around his shaft

Ray: fuck..... you are tight my flower

***he said that and started moving slow and he groaned from deep down his throat ***

Ray: look at me my flower please

***he begged her and she did and he kissed her lips while moving slowly and she moaned when he went deeper, she dug her nails on his back as he moved at a slow pace but deeper. He was groaning from deep down his throat, he then pulled her right leg up and he went in and out of her increasing his pace a bit, she was moaning out loud.... He increased his pace going in and out of her fast and she screamed out loud as felt extreme pleasure kicking in, as for Ray he was in his own world. He went faster and faster and Mbali screamed out loud ray's name as an orgasm hit her out of the blue and well Ray stopped and pulled out then he got out of bed and pulled Mbali to the edge of the bed and he got between her legs and spread them wide and he entered her again and a loud groan escaped his mouth while Mbali just gasped, her body was numb from that orgasm that hit her but when Ray started moving again her body came back to life..... All this things she was feeling were foreign to her cause

she has never experienced any of them when she was with Kyle, the way he held her and the way he moved his waist and the size of his dick just drove her crazy, by now Ray was fucking her senselessly while holding her waist tight, he was going so deep that she felt like his shaft was poking her womb. He was going so fast that Mbali would lose her breath every now and then and when she caught it she would scream out loud and the slapping of their bodies and Ray's loud groans was just out of this world. Well a second orgasm hit her and her whole body shook and her toes curled up and she screamed out loud his name and Ray stopped moving with sweat dripping from his body, he pulled out and he pushed the mattress off the base a bit and made her kneel on the base of the bed and he spread her legs apart and he slammed into her and started moving by going faster and faster making Mbali to lose her breath. His grip on her waist was getting tighter and tighter as he fucked her hard***

Mbali: goshhhhhh Rayyyyyyy

*** she screamed out loud when another orgasm hit her and Ray this time fucked her through it as he felt his build up***

Ray: SHIT..... FUCKKKKKK

**** he said that getting nearer to the finishing line and he just fucked her hard and way faster and he quickly pulled out ***

Ray: FUCCCCCKKKK!

**** he cursed with his deep voice as he shot his cum on her back then he cursed again and gasped for air for some time then he stood there for some time trying to catch his breath with his knees shaking, then he pulled out***

Ray: don't move ok im coming

he said to Mbali and she nodded then he went to the bathroom and he came back with a wet towel and he cleaned himself and Mbali's back and her nana too and she got off the base and she balance herself with the side drawer as her knees were failing her and after Ray was done they got into bed and Ray pulled her to lay on top of him with both their hearts beating too fast

Ray: are you ok my mamiwota

*** Mbali laughed a bit with a tired voice then she nodded***

Ray: I hope I didn't hurt you

she shook her head no but yho her pussy was on fire, it was burning

Ray: you sure?

he asked her then she sighed*

Mbali: my nana is burning up

Ray: nana?

he asked with an amused voice and Mbali giggled

Mbali: yeah I mean pussy

Ray: mmmh well I told you you were about to lose your virginity for real today

she giggled

Mbali: "just ray"

Ray: mara mma? (beautiful?)

she giggled again

Mbali: why did you.... You know, I mean it was our first date so I thought maybe we will get to know each other first but we...you know

ray chuckled then he cleared his throat

Ray: well do you regret what just happened

Mbali: umm no I don't

*** then he flipped them over and he was on top looking down on her***

Ray: well im glad and to answer your kinda confusing question or rather your kinda confusing statement.....well my flower this is me meaning im a different breed all together, I don't do things like ordinary men do, im me and I do things my way, when I want to do them and whenever I wanna do them

she swallowed looking at him

Ray: so you my flower you need to keep up cause firstly I love sex and now I think im addicted to your "nana" and secondly like I told you I hate sharing and you don't even wanna know what I'd do to you if you were to give another nigga what's mine

she swallowed hard cause he said that with a smile on his face but the tone of his voice was scary

Ray: look I've never been in a committed relationship before in fact I never thought I'd be in one ever but now here I am now, so be you and never change yourself for me cause I think I prefer this you, let me just say you are a fresh of breath air but one thing you should never do is to cheat on me my flower cause you'll regret it ok

she nodded right after swallowing again

Mbali: and I hope you won't cheat on me too cause I can go crazy if I want to remember the same blood that runs through my brothers veins also run through my own veins too so I can go savage if Im pushed

Ray smiled wide at that impressed by her then he kissed her lips

Ray: mmmmh I like that

she smiled a bit

Ray: another thing I hope you'll never run away or give up on us when your family learns about us

he asked her with a raised eyebrow and she sighed

Mbali: konje there's still that

Ray: yeah so?

Mbali: well know that im not gonna run or give up but I'll probably pee on myself when my brother smiso learns of us

Ray: scared of him?

she nodded

Ray: mmmmh so do you promise

she nodded

Ray: I want you to say it my flower

she sighed

Mbali: I promise

Ray: good and stop calling me "just Ray"

*** she giggled***

Mbali: ok so what would you like me to call you?

Ray: Eze m

Mbali: ohk so what does it mean?

he perked her lips and smiled

Ray: my king

she smiled wide

Mbali: wow ok Eze m

Ray chuckled and Mbali giggled

Ray: and as for me, besides calling you my flower I'll also call you Eze nke obi m

Mbali: wow ummm what does it mean though?

Ray looked at her with a serious look

Ray: queen of my heart

she swallowed and blushed looking away

Ray: look at me my flower

*** and she did***

Ray: look I know im way older than you but know that im young at heart and I'll try to be romantic like all those small boys are, you are now my priority Mbali and I just marked you by hitting it raw which is something I've never done before with any other woman so promise me that you'll hold on and never let go

she swallowed and nodded

Mbali: I promise Eze m (my king)

Ray smiled

Ray: good and we will go get tested next week Monday cause im never using a rubber with you

he said that and got between her legs and they started kissing until Mbali pulled out of the kiss

Mbali: im sore down there Ray

Ray: I'll be gentle my flower I promise

he said that entering her slowly and she closed her eyes shut as she felt a bit of pain but when he started moving she started moaning and he smirked and smashed his lips on hers, they kissed passionately as he moved in and out of her slowly, yho the pleasure she was feeling was just out of this world, even with Kyle she has never felt anything close to this. The way he holds and squeezes her body drove her absolutely crazy and not to mention the way he moves his waist when he goes in and out of her it was clear that he knows how to please a woman in bed. Anyway they made slow passionate love and they both came at the same time and this time he came inside of her

Ray: remind me to get you morning after pills in the morning just to be on the safe side ok

***she nodded and he kissed her forehead and pulled out slowly and he went down to her nana and he kissed it ***

Ray: now let me go prepare us a bath then we will go eat alright

she nodded and he went up to her face and perked her lips and got out of bed naked and he went to the en-suite *

.

****HEATH****

*** fuck I feel like shit now cause obim is distance, when we got home and she just asked me to fetch the kids and she went upstairs to our bedroom and she has been napping ever since. i know I didn't cheat but she shouldn't have walked in on that I mean she's been through hell and I promised I'll never hurt her and now I just did unintentionally, but I know I'll make things right cause I don't think I'll cope with her being distant cause her attention and smile are my daily source of energy so I need to make her happy again and also reassure her that her heart is safe with me. Anyway earlier I called some dude who owes me a favor, he owns an advertising company so I want him to hire Jolene in his marketing department since she studied marketing in college and he agreed to hire her since she was already an opening and I also called HR in my company and told them to send me top five candidates who qualify to fill in as my new PA and that they should be male preferably gay and I'll have obi m interview them for me or we will do that together. I know Jolene is gonna get hurt when I let her go but my wife comes first so she's gonna have to be strong, at least i got her another job so not all will be lost for her. Well now im sitting in my study lost in my thoughts, im trying to find a way around Lesedi's issue I mean I can't let that dickhead pay damages money for my daughter never! Lesedi is mine, she might not have my blood flowing through her tiny veins but she has naledi's blood and whatever belongs to obim also belongs to me so she's also mine. Anyway I decided to call my gran cause I believe she's the only one who can give me a sound advice about this, it rang twice and she answered***

Gogo: shaka my baby how are you

*** I smiled wide, God I love and appreciate this old woman***

Me: my love im good and you?

Gogo: hai man stop lying to me shaka what's wrong?

*** I sighed loudly***

Me: naledi is mad at me in fact she's hurt gogo

Gogo: what did you do?

Me: she.... She found me comforting my colleague or rather my PA, it was a harmless hug but I get why she's hurt cause I would have probably landed the guy in ICU if I were in her shoes

Gogo: well im glad you can put yourself in her shoes cause it means you will never do what you did again and also you know what to do to make her forgive you right?

*** I sighed***

Me: yeah gogo

Gogo: good now what is really troubling you shaka

you know sometimes I forget that she's a seer

Me: Lesedi's biological father is the problem gogo, he just came out of nowhere and now he wants to have a relationship with her after hurting naledi like he did and abandoning her when she needed him the most, i.... I just want an advice on how to handle the issue gogo cause what I have in mind will lead to a blood bath between him and i

she sighed

Gogo: shaka listen to me carefully, what you need to do is to put lesedi's interest first and on this instance her health is at stake

Me: what do you mean gogo

Gogo: you need to make sure Lesedi is introduced to her biological father's ancestors for them to know her and protect her

Me: but gogo.....

she interrupted me

Gogo: no shaka, she needs to be introduced to them, don't get me wrong im not saying give Lesedi to him all im saying is Lesedi needs to be introduced to her father's ancestors, and the good part of all this is since you are married to naledi then he can communicate directly to you so you have the upper hand

I swallowed hard because of that "married to naledi " part

Me: ummmm how did....

*** she interrupted me again***

Gogo: we will talk about that some other time when I'll pinch those big ears of yours for doing things behind our backs but for now you need to deal with lesedi's issue in the right way

Me: ummm ok

Gogo: shaka you better stay away from that girl that you were comforting, she's one of those obstacles I told you about

Me: yeah I already figured that out gogo

Gogo: good and my boy never trust lesedi's father with naledi cause as much as naledi despises him but now that he knows her worth now and the fact that she's a rare precious jewel and he will try his luck with her

Me: if he knows what's good for him then he better stay away from naledi gogo

I said that with an angry voice, I felt myself worked up with what she just said, I swear someone will die first before I lose obim

Gogo: calm down shaka, remember naledi is yours and only you can make her leave you

Me: huh?

Gogo: look I have to go, you know what to do now do it cautiously and remember he may have gotten naledi pregnant with lesedi but you are her father and nothing is gonna change that..... Bye my son

she just did that "changing topic" thing of hers

Me: ok bye gogo

we ended the call, well what she said before changing the topic hit home, but I guess she's right only I can make naledi to leave me so I need to pull myself together and do right by her and to never entertain other woman no matter how innocent our encounter is, anyway I went through my contacts on my phone and I called the numbers that i saved as "dickhead" and he answered on the third ring

Kitso: hello

Me: yah its naledi's husband can you talk

Kitso: naledi's what?

Me: dude if you are slow in the head just let me know so I can send you a message instead and you'll keep on reading it over and over until you understand it

Kitso: don't fucken insult me you bastard

I chuckled

Me: ok then slow learner listen carefully, if you are serious about doing that fucken ceremony for my princess Lesedi then you will communicate with me about everything and not naledi

he chuckled

Kitso: wa gafa (you are mad) naledi and I share a baby together so I have nothing to fucken discuss with you

Me: ooh is it, which baby are you talking about, is it the one you told her to abort or is there another one I don't know about

***I could hear him breathing hard nx ***

Kitso: look I don't give a fuck who you are but naledi is my baby mama and I'll communicate with her with regards to our daughter and not with you

Me: well boy guess what, naledi is my wife and Lesedi's surname on her birth certificate is my own meaning im her father now if you want to have a relationship with her then you'd better abide by my rules or fuck off

Kitso: what....what do you mean naledi is your wife, her mother never said anything about her being married

Me: well they disowned her when her uncle almost raped her so they weren't invited

Kitso: wha...what?

Me: well look im prepared to be civil with you for my princesses' sake so if you overstep your boundaries even by an inch you are dead capish?

Kitso: are you threatening me man

Me: I don't do threats boy Im merely promising you that if you come after my wife then consider yourself dead....you can save this numbers and contact me using them

then I dropped the call and sighed heavily, this nigga better stay in his lane or he's dead.... Anyway I checked my watch and I had 30 minutes before I have to go and pick my princesses up so I went out of my study room and I heard some noise in the kitchen and I went there and I found obim busy chopping some vegetables

Me: hey

***she looked up and our eyes locked and she quickly looked down ***

Naledi: hey

she continued chopping and I went closer to her and snaked my arm around her waist and I turned her around to face me and cupped her face

Me: I love you obi m

she sighed

Naledi: I love you too heath

*** she said that and I smiled but the sadness in her eyes broke my heart***

Me: so am I forgiven obi m

she nodded looking away

Me: look at me

she did and I perked her lips

Me: never again ok, never again..... now I know that if I were in your shoes someone would have lost his teeth or even end up in ICU if not dead so im sorry obi m

she sighed

Naledi: its ok heath I know you are sorry and I have forgiven you

Me: then prove it, prove that you have forgiven me

she raised her eyebrow... fuck she looked cute doing that and I just found myself smiling like a retard while looking at her

Naledi: how should I prove it to you mmmmh?

Me: go out to dinner with me tonight, I'll have jabu look after our princesses

she bit her bottom lip

Naledi: ohk

*** and I just smashed my lips on hers and we kissed passionately..... well I know she forgave me but I also know that she doubts my love for her and I don't blame her, after all she's been through she shouldn't have walked in on me holding another woman like that but I'll prove it to her that her heart is safe with me***

**** Narrated****

*** Ray and Mbali were now in the lounge and they just finished eating and Mbali was laying on top of Ray wearing only his shirt and Ray was laying on the couch on his back, he was busy brushing her hair gently while they watched a movie.... Then Ray's phone rang and it was Mateo so he answered***

Ray: Mat

Mateo: jefe you need to get out of there now..... princesses' brother just parked in the parking lot there

Ray: what?

he said that with a frown on his face

Mateo: yes jefe now you need to leave that apartment as in now cause he can't know you are seeing her younger sister before they help release our containers

Ray: yeah you are right where is he now?

Mateo: he's walking towards the building

Ray: ok

then he dropped the call and quickly but gently got Mbali off him and he cupped her face

Ray: listen and listen good my flower, your brother is downstairs coming up here

Mbali: wha...what?

she said with her eyes popped out and fear written all over her face

Ray: now listen to me, I want you to put on your best act for him, im going outside so he doesn't find me here now go change out of my shirt and wear something else, and my flower you better make sure you don't leave with him cause you are sleeping over, now show daddy what you are made of

*** he then kissed her lips for some time and he rushed to the bedroom and he wore a shirt and hid his bag and he wore his shoes, took his phone, car keys and wallet and he walked out going to the opposite direction from where the lift was, as for Mbali well she got hold of herself and limped to the bedroom and quickly changed as she remembered telling her brother that she's going to a slumber party and she tried to walk normally as she walked back to the lounge and she got rid of the beer bottle ray was drinking from and she cleared the plates and almost immediately she heard a knock on the door and her heart started beating fast with her hands shaking***

Mbali: ooh shit Mbali.... You can do this I know you can

she said that to herself and she swallowed hard

****MBALI***

I walked to the door and I took deep breath and opened the door and when my eyes landed on which of my brothers was here I just froze with fear

Me: "ooh God not him please God not him, maybe im dreaming and he's not here"

I thought to myself with my heart beating out of my chest, I swear im gonna pass out any minute now

Me: bh....bhut smiso

Smiso: my princess can I come in

Gosh he wasn't even smiling..... I just bit my lower lip to prevent it from trembling with fear, ooh Lord im scared, I think im gonna pee on myself....yho now I regret being here....God I shouldn't have come, why did I come konje...anyway I made a way from him and he walked in with his dark aura all over him and I swallowed hard and he walked around in the lounge

Smiso: mmmmh it doesn't look like a slumber party is held here maybe nhlaka was wrong he didn't hear you correctly.... And this apartment doesn't look like a young lady lives in it but rather a man

he said that checking out the apartment in the lounge and he turned to look at me and his look....Jesus..... I don't know what happened but I found myself feeling dizzy and I held my head and soon I saw myself going down and it was lights out

.

.

.

*** I woke up when I felt what felt like some drops of liquid falling on my face and I slowly opened my eyes and blinked a few times and when I looked on my left side I found him sitting on top of the table looking at me with a serious look and I swallowed hard.... "Gosh Mbali get a grip on yourself he's your brother for God's sake" I thought to myself***

Smiso: sit up

he said with a firm tone and I swallowed again and slowly sat up and I fiddled with my fingers looking down

Smiso: guess what, I went to buy my wife her hot wings at KFC and I saw that girl that is your best friend.... What's her name.... Phumzile or Phindile

*** nx that backstabbing bitch, I wonder what she said to him....ooh God ***

Smiso: and well she came to me and asked about you and she said she hasn't seen you in a while since you started dating

I clenched my jaws, that fucken bitch nx

Smiso: and guess what again she didn't know about any slumber party and any of your friends also didn't say anything about it so Mbali what the hell is going on, I want the truth now before I get mad

God why, my bottom lip was trembling so was my hands, the thing is I started getting really scared of bhut smiso one time when all my brother's wives and their kids with me included we were kidnapped four years back by some guy who called himself psych or psycho , when they finally found us and budged in the warehouse we were held in just as one of psych's guards was trying to force himself on aunt nomhle while other two guards where there cheering him on, I remember hearing shots being fired and we covered the kids so they don't see all that but I forgot to also close my eyes and I regretted not doing so, I remember seeing bhut smiso rushing to the guard that wanted to rape aunt nomhle and he grabbed him by his throat and he ripped his throat off (yeah he did) and blood oozed from the guy's neck and he snapped his neck and tossed him on the floor and I just passed out right then and there. He looked scary and even though they found a therapist for me to speak to about the trauma I experience and even took a trip for two days with just me and him so we can talk about what I saw, well the thing is im still scared of him but that only happens when he's angry or pissed off. When he's happy and jolly im not scared of him in fact he's funny and fun to be around but when he starts getting angry yeses all that fear comes rushing down to me like a tornado.....look I know he can never hurt me but that day he looked scary people and that image I saw that day will forever be imprinted in my mind. Anyway here goes nothing.....

Me: bh...bhutiPhindile and I are no longer friends, she..... ummm that guy I was dating and you said I should stay away from, well the thing is even though I went to him after that hijacking attempt well we had broken up cause I found out that he was sleeping with Phindile and that she's pregnant with his child

he didn't say anything he just looked at me... I guess he wants me to continue.... Lord help me

Me: she wasn't invited to the party cause our friends know about what she did

Smiso: then where are your friends

Me: to...to buy drinks and snacks

Smiso: Mbali

Me: bhuti

Smiso: when you look at me do you see a fool

I swallowed hard

Me: no bhuti

Smiso: then why are you lying to me

tears streamed down my cheeks, maybe my tears will make him stop interrogating me

Me: im not bhuti

Smiso: mmmmh ok now tell me, why does a bag with man's clothes doing in the main bedroom's closet, and that love bite on your neck what is it doing there and don't tell me you were bit by a mosquito, not forgetting those beer bottles in the fridge and the empty beer bottle in the trash bin that smells like it was opened and drank a few minutes ago ooh and not to mention that man's shirt in the closet that has your scent all over it and a man's perfume too

can I just die already.... I just cried... Gosh im dead

Smiso: so you have the guts to lie to nhlaka through your teeth now Mbali

Me: im sorry bhuti

Smiso: who is he?

I just continued to cry

Smiso: I asked you who he is damn it!

he raised his voice and I jumped from my sit and continued to cry

Smiso: I asked you a question mbali

Me: it's..... It's some guy from varsity bhuti

I lied

Smiso: so you move from one guy to another now Mbali within a short period of time mmmmh? is that who you have become now, is that how you were raised!

he said shouting a bit and I just cried out loud

Me: no bhuti

Smiso: then what is it

Me: im sorry bhuti

I was crying hysterically now

Smiso: didn't we agree that if you give us a degree we will back down a bit and let you live your life the way you see fit

Me: you did bhuti

Smiso: now what's all this, why are you jumping from one guy to another like it's a new fashion trend and you even have the guts to lie to us

***I just cried, I was standing at the far corner by now ***

Smiso: are you even still pure Mbali

*** he asked with his eyes squirted and I didn't answer him I just cried and he just shook his head disappointed and he stood up***

Smiso: now go and take your bag we are leaving

Me: bhuti please i.... the.... The pyjama party

yho Ray said I shouldn't leave for God's sake

Smiso: so you still have a mouth to talk about your fake pyjama party heh?

I shook my head no quickly..... Gosh I can't believe he saw right through me

Smiso: now go in there and take your bag and let go

*** he said with an angry voice and I tried by all mean to walk properly going to the bedroom and I took my bag and packed my things, I even put Ray's shirt inside my bag and I also took my car keys and I went to the lounge and took my phone and we walked out.....I locked the door and put the key under a flower pot that is next to the door and I walked behind him trying so much to walk properly, my nana was sore people..... We got in the lift and it stopped on the ground floor and we walked out and he walked to his car while I walked to mine but he stopped me***

Smiso: where do you think you're going?

his voice startled me and I quickly turned looking at him

Me: to...to my car

Smiso: give me your car keys

I did

Smiso: let's go, someone will bring your car to your place

I nodded and we went to his car and got in then we drove out of the complex.....i saw that my phone was off even though I don't remember switching it off, anyway I switched it on and send Ray a message telling him that im sorry but my brother saw right through me but I didn't gave up his name and that he's taking me back home, I waited for his reply until we got to my place but dololo....i swear that hurt

**** NARRATED****

*** they went up to her apartment and as soon as they got in Mbali rushed to her bedroom and she just threw herself on top of the bed and she just cried, the disappointment on his brother's face is what got to her more than his anger..... then the door opened and smiso walked in and he sat on the edge of the bed***

Smiso: sit up I wanna talk to you

*** she did.....her face was pink and her eyes were swollen and red ***

Smiso: look I know you are growing up and that you feel like we are suffocating you most of the time and being unfair to you but it comes from a good place..... princess by now im sure you can tell that we live dangerous lives and we have enemies out there, the purpose of knowing your whereabouts is to make sure you are safe all the time and with that attempted hijacking that happened we know we slacked cause we didn't know about it until the next day so that's why we are being hands on now cause uncle Ty trusts that we will make sure you are safe at all times

he sighed

Smiso: you are a khumalo princess and you have crazy brothers so lying to us makes us lose trust in you and believe me if the others learn about your recent stunt they will make sure you go back to KZN and travel from home to varsity every day and believe me that's worse than us keeping tabs on you while you're here cause you'll have MA and baba on your neck everyday

she swallowed hard

Smiso: so do yourself a favour and stop lying to us and focus on giving us that degree ok

she nodded and he sighed

Smiso: I won't tell your other crazy brothers about your recent shenanigans especially nhlaka and Jay and I hope I won't regret my decision

Mbali: you won't thank you bhuti

***she said that with a low voice....she hated disappointing her brothers especially her dad, grandparents and nhlaka ***

Smiso: now do me a favour

Mbali: ok

Smiso: never attempt to lie to me ever again cause I won't be this nice next time

she nodded quickly

Smiso: and stay away from fuckboys, your best friend and boyfriend betrayed you now you should be healing from that and not jumping to another fuckboy cause that makes you seem loose and unlady like cause my princess is a lady and she knows her worth

*** she swallowed hard and nodded.... Well that hit home cause it was the truth, she just jumped from one dick to another just like that***

Smiso: now pull yourself together and stop crying you'll have a headache

she wiped her tears off

Smiso: now come and lock up I need to go home before your aunt skins me alive for taking long with her hot wings

she smiled a bit and got out of bed and walked after him making sure she doesn't limp and he opened the door and turned to look at her

Smiso: I can't believe you fainted like that

he said that with a smirk and one eyebrow raised and Mbali sighed relieved that at least he's smirking

Smiso: no more lies ok

she nodded and he kissed her forehead

Smiso: you'll get your car later today ok

Mbali: ok bhuti

Smiso: and I love you ok

Mbali: I love you too bhuti

he kissed her forehead again and he walked away and she closed the door and slid down on it and she hugged her knees as tears ran down her cheeks

*** At Kitso's house he was sitting in his lounge lost in thoughts, he was angry because of the talk he had with heath, it still wouldn't register to him that naledi was married and his daughter uses another man's last name. He felt like shit in fact he felt like a failure, if only he didn't abandon naledi when she was pregnant and she and his daughter would be in his life now. The fact that he can't get close to naledi now broke his heart because he wanted her and Lesedi back into his life that he even filed for divorce and even kicked the wife out. Well his phone rang and it was his father***

Kitso: thaima (father)

Tsietsi: my boy I got your message I was in a meeting that's why I couldn't answer your calls

Kitso: its ok

then he sighed

Tsietsi: so he said you should only communicate with him and not with naledi with regards to Lesedi

Kitso: yes but im never doing that never!

Tsietsi: but kitso you should be grateful that they even let you be part of lesedi's life

Kitso: thaima Lesedi is my daughter and naledi is her mother so that moeskond can't tell me shit

Tsietsi: kitso look you....

he interrupted him

Kitso: no thaima naledi and Lesedi belong with me and we gonna be a family one day, I don't care if she's married to him but divorces happen you know look I know I messed up big time and she probably hates me but I won't rest until I right my wrongs with her, I'll have my family back together just wait and see

his father sighed

Tsietsi: kitso they just let you have a relationship with Lesedi just focus on building a strong relationship with your daughter man and let that nonsense go

Kitso: well dad naledi and Lesedi are a package I can't have one without the other

Tsietsi: KITSO STOP WITH THIS MADNESS NOW, FOCUS ON YOUR DAUGHTER AND LEAVE NALEDI ALONE

Kitso: I know she still loves me thaima I just need to remind her of how we were before I messed up and maybe she might give me a chance cause I still love her thaima..... I was a fool but now im grown and wise I need her in my life

Tsietsi: you know you sound crazy right

Kitso: crazily in love with her yeah..... thaima you know I always go after what I want and now naledi and my daughter are what I want and need to have in my life for now and forever, ever since I abandoned her nothing works out for me even my business has gone down and if it wasn't for you I don't know what I would have done

his father sighed cause he could tell what kind of path kitso was taking now

Tsietsi: kitso think carefully about what you are about to do

Kitso: thaima I was once blind but now I see clearly, naledi and Lesedi belong with me and I'll make her forgive me and we will be a family like we were supposed to be before I messed up

***his father just sighed heavily defeated cause he knows how stubborn and hard headed he is ***

*** Back at mbali's apartment, she was now asleep when she heard a knock on the door and she got up and limped to the door ***

Mbali: who is it

Voice: open up my flower

she swallowed hard and opened the door and he was standing there with frown on his face but when she saw her pink face and swollen eyes his facial expression softened

Ray: my flower

she walked inside and went to sit down and ray got in and he closed the door and went to her and sat next to her

Ray: my flower what's wrong.... What happened?

she didn't say anything

Ray: mbali

Mbali: he saw right through me, im a bad liar Ray and he's good at reading people and finding out things

Ray sighed

Ray: it's ok come here

she shook her head no

Mbali: I can't.... I can't do this Ray, I know I promised to hold on but I can't keep disappointing my brother's like this and I have a feeling that im gonna keep disappointing them if we continue with this

Ray clenched his jaw looking at her, he knew she was gonna crack and want to give up but not this quick

Ray: mbali

she didn't say anything

Ray: I said come here

she got closer to him and he pulled her to sit on his lap and he looked at her

Ray: you break promises now

she just looked away

Ray: mbali

Mbali: mmmh

Ray: kiss me

she looked at him surprised

Ray: I said kiss me

she looked down and bit her lower lip

Ray: mbali I said kiss me!

he said with firm voice and she swallowed and brought her face closer to his and perked his lips

Ray: I said kiss me not perk my lips

she got closer and kissed him and Ray kiss her back, the kiss went on and on until Mbali felt Ray's dick growing under her and she pulled out of the kiss

Ray: never try that shit again you hear me

***she looked at him ***

Mbali: but ray?

he interrupted her

Ray: or what? you want me to take you to the bedroom and fuck you until you pass out for trying to break up with me

***she swallowed and shook her head no when she thought of how sore her pussy is ***

Ray: now never do that shit again you hear me

she sighed and nodded

Mbali: im sorry I just....i feel bad that im caught and my brother said something to me which hit home cause it was the truth

Ray: what did he say?

Mbali: that I shouldn't have had a new boyfriend before healing from my heart break with Kyle

she half told him the truth about what he said

Ray: well I don't do that 90 day shit rule or take a girl out to 50 dates first before I hit it, because I believe if a guy only wants sex from you and not interested I having a relationship with you then he will go to those 50 dates with you and pretend to like you then ditch you after getting the cookie

Mbali: ooh

Ray: yeah and im older than you so you should listen to me cause im wiser

he said with a smirk and Mbali lazy smiled

Ray: so my flower even if we waited to make love or you told me you not ready and you prefer us to be friends first until you heal from your heart break well I was still gonna hit it raw and claim you as mine and also get hooked on your nana and still want to wife you after your graduation

*** her eyes popped out***

Mbali: you want to..... wife me

he kissed her cheek

Ray: yeah and have 5 kids together

Mbali: ummm wow

Ray: mmmh in other words what im really trying to say to you my flower is that I love you

*** she smiled then bit her lower lip***

Mbali: you...you do

Ray: yeah my flower and I can't help it

she smiled wide cause when someone says you are his it's one thing but for that person to say he loves you it's something else altogether

Ray: and also thank you for not telling your brother my name, it clearly proves that you are loyal to me and my flower your loyalty to me is greatly appreciated cause loyalty means everything to me

Mbali: but im scared Eze m, what happened just proves that they'll never accept our relationship

she said with a worried tone and he turned her face and kissed her lips

Ray: don't worry yourself my flower they will

Mbali: you don't know them Eze m they are....

he interrupted her by perking her lips

Ray: do you trust me

she sighed and nodded

Ray: you know I want you to say it

Mbali: I do

Ray: good, then trust what im saying..... your brothers will accept our relationship when the time is right ok

***she sighed again and nodded and he kissed her lips ***

Ray: you know when I came here I was mad that you left with your brother even though I specifically told you not to but when I saw your face I don't know what happened to me, if he wasn't your brother he would be counting his teeth on the ground by now

she smiled and just rested her head on his shoulder and he held her tight

Ray: im sorry I put you in that position my flower I just didn't want you to be banned from seeing me on the day we made our relationship formal

Mbali: I was scared Ray, I even fainted when I saw that it was bhut smiso and not bhut nhlaka

he pushed her off him gently

Ray: you fainted?

he asked with a frown on his face and she nodded

Ray: you really are scared of him abi

she nodded and he sighed and kissed her lips

Ray: don't worry you'll ever find yourself in that position alone ever again ok

Mbali: ok

he kissed her lips again

Ray: let's go to the bedroom so you can lay down im sure you have a headache with the way your eyes are swollen

Mbali: ok

he stood up with her in his arms and they went to the bedroom..... well he knew mbali's brothers were tracking her every move and he knew about the tracker on her car and the one that is on her phone and he switched off her phone cause he knew they won't be able to track it but the fact that her brother still knew which apartment she was in it meant she has a tracker chip in her body like he suspected she has, but one thing for sure is he knew that no one will separate them ever including her brothers and father even her mighty grandfather..... he just won't let it happen, not when he has already marked her
