LOCATION:

TIME: 22:00 TILL YOU GET DRUNK

BOB: FOR NEW-COMERS

Me: byieeeeeee

We drive off and I can still hear Azola yelling out my name.

Luyanda: she is loosing her mind

Me: that's why I need to move out.

We head to the location, while jamming to some music. The Yanos came with a bang and we were huge fans.

A FEW MINUTES LATER

Yolanda: yoh, akusa gcwalanga (yoh, its so full)

Me: dude, lets go in.

We find a parking space and then get out. We were wearing Jumpsuits. Mine was Nude and Yolanda's was black, Luyanda went with white so she had to be extra careful today.

Me: look who is in the line

We all look and laugh

Hazel: (yelling) amafu, Amafu please get in with me.

We pass her.

Hazel: Amafu !!!!!

I stop in front of her

Me: guys do you hear something, sounds like a chicken... or a turkey

Everyone in the line turns to her and laughs.

Hazel: Amafu, im sorry about what happened. Ive been apologizing

Me: for Taking revenge on me because your ex wanted me.

Hazel: it was a mistake

Me: you drugged my Father and slept with him. How so you expect me to hang around you when you go around spiking people drinks.

Luyanda: most especially people old enough to be your Mothers High school Mates.

She looks at luyanda

Hazel: I was not talking to you

Me: hayi wena, Watch your mouth when you talk to Luyanda.

Hazel: Amafu look, Its in the past

Me: that happened 4 hours ago bitch, how dare you call that the past. Bitch you had sex with my dad.

Yolanda: if you didn't know, Amafu's father can Get you arrested for spiking has drink and forcing yourself onto him.

Hazel: he wanted it moss

Me: fuck you... bitch

Hazel: He loved my pussy, so what should I do.

I drop my bag and pull her hair extensions. I slap her so hard, she was even crying in the process of me beating her up.

...: What the fuck

Some guys Pulls us apart and I look at hazel with so much hatred. I was even holding some of her hair with my own 2 hands.

...: Whats wrong with you

Me: Back off, don't get involved.

...: well I am involved since she is my girlfriend

Me: well Nigga, your Bitch is disgusting and you need to get tested, she might have an STI due to spiking peoples drinks and sleeping with them for revenge

Hazel: he wanted it

Me: Bitch, your man wanted me. He used you to get to me. Accept the fact that people will always date you for sex. You are not wife material. You already look like an old Skorob.

Everyone: yohhhh

Even her "boyfriend" reacted

Hazel: my ex still came to me and fucked me after he told you he loved you, so its even.

Me: That's because I turned him down. Ask your friends, ask almost everyone in this line. They were there. He literally was a thirsty man.

Luyanda gives me a water bottle

Hazel: he still fucked me.

Me: guess so, but he promised you an STI too.

Everyone: yohhh

Me: I heard he fucked you Raw, bitch,
you are a living STI. Busy giving people
Diseases that are hard to even
pronounce

Hazel: ...

...: Don't talk about my Girl like that

I look at him

Me: you are stupid, ngoba you know
that everyone out here knows that 90%
of the men slept with her.

...: I don't care, she is mine angithi

Me: guess so

I drink my water

...: What if you also have an STI since she slept with your father

I look at him, top to bottom and then spill the water all over his face

Jozea: You shouldn't have done that

JOZEA WORKS AT THE CLUB WE WENT TO, HE WAS THE DOOR MAN AND HE SEARCHED PEOPLE FOR WEAPONS.

Me: fuck you, Fuck your Guards and Fuck your stupid, Filthy Girlfriend of yours who cant keep her legs closed.

Hazel: Do you know what you just did.

Me: shut up. You cant even open a flippin condom and you are opening your filthy, dirty mouth. Futsek Mqundu

I look at the guy, who had clenched his jaw and his hands were now into fists, he was looking at me with so much anger and annoyance.

Me: Nawe, Futsek yezwa.

He grabs me and makes me look at him.
He looked me in the eyes and I felt like
he was stealing my soul.

...: Little girl, You just made yourself an
enemy.

Me: I have plenty of enemies in the
hood...

...: Im no 1 in the list now, you are going
to regret doing what you did today.

I get pissed and I grab his shirt with both
my hands. tbh, he was tall and huge, and
it made me feel tiny. Mara self-
confidence 😁 Imao, I had it.

Me: like I said, I have plenty of enemies here, the least you can do is not label yourself as one and lastly, Don't place yourself as the No 1 suspect. **NO CUTTING, NOW BACK OF THE LINE.** The same way everyone who is my enemy started. At the back, including your little bitch

...: (Smirks)

Me: its good to see that you think this is funny.

I pull his shirt and give his a hot passionate kiss. I break it and look at Hazel

Me: that's why men love me. I don't open my legs on the first day, Small steps first. Big steps like sex, after mhh... Marriage, yeah, marriage. Now...

I let him go and act like im fixing his shirt which was now untidy.

Me: Since you insinuated that I have An STI, let me do this

I slap him and he looks at me. It was the first time I saw eyes flashing Red.

Jozea: Uhh, Girls please get in

Me: okay JoJo.

I look at him, the 5 guys behind him looked angry too.

Amafu: lets go get you cleaned up

We enter my room. The babies where in their cots, she places me on the bed and closes the wheelchair. She removed all of my clothes and helped me to the bathroom. She bathed me while talking to me about our children. It was like none of anything that happened- had happened.

Amafu: I havent even named them, you will name them, im bad with names.

Okay

She looks at me and I smile at her. She smiles at me and then she takes me out of the bath tub, she dresses me up in Swag pants and a with long sleeved vest. She places me on the wheelchair and kisses my forehead.

Amafu: let me take you to your brothers.

She does the same procedure and then places me next to my brothers who were watch TV

Mpumi: Thanks Sis

Amafu: Pleasure

She didn't have a problem with my brothers, they always warned irene about her outbursts, but I let her be. I shouldn't have done that

She leaves the room and comes back with the kids, she Gives them to my brothers

Phumlani: Hey there Champ

Baby Boy: (screams)

Amafu: noise  

They laugh at her reaction. The girl was looking at me and I was smiling cos I was so happy.

3 MONTHS

AMAFU

Weeks went by and Bangizwe was making progress. He was going to physiotherapy and it was working out well for him, he could even talk. Soon he would go back work and continue with his businesses.

Bangizwe: Mafu, bottle refill

Me: coming

He would even help me with the kids, either by changing the nappy, bathing them or feeding them. I used to get tired yoh, 3 Babies a day.

Me: Here you go

Bangizwe: Thank you

He would smile a lot these days and it used to creep me out because I loved this happy side of his.

Me: let me go pump up some more.

Bangizwe: please, because Jnr is busy finishing this milk like nobodies business

Me: and then you complain about his being too chubby

We laugh and I pump up some milk. I was still not in speaking terms with the 2 girls. They did me so dirty, I was not even thinking about talking to them. If it wasn't for the kids, I was also not going to talk to Bangizwe, but he was my baby daddy and after this accident of his, I got close with him. I really didn't know him so well, and now I knew him. He even

shared a birthday with our children. It was a coincidence Imao. Ive never seen him this happy, we talk about our babies and then there is a knock on the door. I go open and its irene

Irene: oh.

She moves past me and goes to Bangizwe and hugs him

Irene: Baby, who are these Children

Bangizwe: They are my childrens and don't call me baby, im a married man.

Me: let me leave you guys alone

Bangizwe: No, irene should be the one who leaves this house

Me: huuh

Bangizwe: Get out irene

Irene: But baby she is the one that should leave

Bangizwe: she is my wife, the mother of my children and the love of my life

I looked at him when he said the last line

Bangizwe: Irene You never cared about me, always cared about the money and the sex. That's all

Irene: But baby

Bangizwe: I was also interested in you because of the sex. Now I found my one and only...

He looks at me and smiles

Bangizwe: She is the only person I want to be with From today, Onwards, I don't love you. I never did

Irene: I always loved you, we were supposed to be happy together, now this girl is a threat

(Baby boy sobbing)

I give him another bottle

Irene: Its my babies that you should be holding, not hers

I look down cos I really didn't want to entertain her.

(Knock)

I go open and its Bangizwes Mother

Me: Mama

Mama L: Mntanami

She hugs me and Pops also enters.

Baby girl screams

Pops: Hey there

He carries her

Pops: what are you doing here

Irene: Im talking to my man

Mama L: He is married and the only person who gets to call her that is This lady right here

She was talking about some girl... ohh

Irene: She has My mans DNA, so she is mine

Me: Bring my baby

Bangizwe: Baby

Bangizwe: (smiles) I... I love you

He closes his eyes

Me: no, baby don't close your eyes,

.....

HOURS LATER

I sit there, panicking and loosing my
mind. Why was this happening to me.
Why me

Doc: (shakes head) He is dying, I don't know what's going on but he is dying

I leave the room and go to Azola's car.

Me: (Screaming) GOD WHY, WHY ME
THOUGH !!!

I never cried so much in my life, I was so weak, my legs were weak and everything was numb

Azola: Sisi, Please open

I open and she enters holding Baby
Bangizwe Jnr.

Azola: He is dead sis. He died a few
minutes ago.

I saw my world crumble. I was a Widow,
Umfelokazi.

.....

...: sisin Mafu Vuka

Me: mhh

I wake up and its Azola

Azola: Come, he is awake.

Me: what !!

Azola: You slept in the car on our way here. He wants to see you

I touch my face. What was going on.

Ayanda: woza

They pull me and we head out. I was so confused. What just happened. Was I dreaming or...

I get in and everyone is laughing. I was still disturbed by my dream, what did it mean.

...: Sawbona

I look up and its Bangizwe. The smile was so big 😄 😊 😜 😞.

Azola: Get a camera, she is blushing
Ayanda

Me: Hayii Azola

Everyone laughs. He opens his arms and I go to him. I felt so safe around him

Bangizwe: I love you okay

Me: I love you too

We kiss.

A FEW HOURS LATER

I head out to go to the bathroom, Azola and ayanda are sitting on the same Bench as Yolanda and Luyanda. It was so tense. They all looked at me and I head to the bathroom, I grab myself some Tea and a muffin at the cafeteria. I sit in between all of them and eat my muffin,

everyone leaves bangizwe's ward,
including him and they all look at us.

Me: done !

Azola: Finally

They stand up and I also stand up

Pops: yoh its still tense

Me: guess so

Bangizwe pulls me

Bangizwe: please

Me: (shrugs)

Bangizwe: Please !

Me: okay I will, I'll talk to them

Bangizwe: you will ??

He looks at me and gives me a dodgy look which makes me laugh

Me: I will sheesh, stop it !

Bangizwe: Okay, if you say so (pouting)

I help him out and we enter our cars.

Well Me, Azola, ayanda, Yolanda and

Luyanda got inside Azola's car. **TENSE**

A FEW MINUTES LATER

Ayanda: (clicks tongue)

Me: Yanda

Ayanda: hmmm

Me: Say it with your chest ??

Ayanda: Yolanda and luyanda you 2 are Posers and I hate you...

There was silence

Azola: how can you turn your backs on your friend, for a person who is now dead. DEAD

Ayanda: like are you dumb.

Luyanda: Azola, ayanda...

Ayanda: wait. How can you let your friend get shot, right in front of you. Like whats wrong with you.

Azola: They finally got married and lost their sight. They went blind when amafu was being abused. They acted like saints kanti they were letting my sister get abused by irene. Like... what does irene have that Amafu doesn't

Ayanda: and apart from that, they ate in the same bowl, used the same toilet, bathed together and now they are turning their backs on her, who does that

Azola: Not Me, Not you, Not Mafu, But them

Ayanda: I don't have sisters anymore. How could they do this. Not only me but Mama and Tata are so disappointed in them, like

Both of them: SIESS !!! SIESS NINA

My heart pierced when they spoke to them. I went through the most yoh, it hurts even thinking about it. There is silence In the Car

Yolanda: We are sorry Amafu, For everything

Me: you are forgiven, I forgave you a long time ago, but don't expect my to treat you the same way I treated you back when we weren't Married. You changed so much, that even when Jozea and Lebo came to me and spoke to me about what happened, they were shocked that out of everyone your 2... not even my neighbours, You 2... my friends, the people I starved with and Cried with when times were tough. But I had it all wrong, You showed me that whether you and the person Took a shit together, stole together or even Slept on the same bed, together. They will always switch up. I didn't know what that meant, even after what happened with

Hazel. But when you guys did this to me, you showed me that There is more to life than what meets the eye

I leave the car since we had arrived and I head inside

Yolanda: Can we talk

Me: there is nothing we can talk about, I almost died, DIED because of you. At least Bangizwe managed to take me to hospital qhen these things happened to me, you guys Watched me bleed, Cry and probably take my last few Breathes. You didn't even bother holding me and apologising. It was only after Irene shot

me, that you opened your eyes and realised that yah neh, shit is real.

Luyanda: Please Mafu

Me: Yey, Don't touch Me tuu, why am I even here. I should be back home.

Bangizwe: Mafu...

Me: hayi Bangizwe Ngeyeke tuu

Me: azola, Take my clothes for me please

I get inside the Car and Bangizwe Knocks on the window, I get out

Yes, im Pregnant. **AGAIN**, my parents and family are so happy that me and Bangizwe Were making progress, yes there would be arguments here and

there because he liked coming home late, but within a few minutes, we would sort out our problems. that's what made me Very happy, we didn't annoy one another due to our Actions, we apologized when we were wrong and Communicated in most cases. I enjoyed being Mrs Langa. It was a perfect gift and even though we had a really heart-breaking history regarding our marriage in the first couple of weeks, I was so happy that we grew fond of one another and I helped bangizwe with whatever problem he had because like most Guys: He had a really tragic past, that he didn't like sharing with people. I am the only one who knows about it, and I told him

to pray about it. I also turned him into a Praying man, Yes he was Gangsta and he wasn't really into praying. But I made him start praying and everything turned out great !

Me: wuu

He turns to me

Bangizwe: im so grateful to have you in my life.

I was blushing. He hugs my tummy

Bangizwe: I have never been a lover, and today, I have so much love to give, you made me a really happy man and i'll forever be grateful for everything. For Giving birth to the twins and for looking after me after the tragic accident I had. It was during that time that I realised that you really are the one for me. You were by my side when nobody else was and it such a great Wakeup Call. I love you, Forever and Ever, from this life to the next **MRS LANGA**

I was crying and blushing at the same time.

Me: I love you more Daddy Langa

We kiss and cuddle together
