Sunday came yonke into yahamba kahle Thamie wabekwa ebufundisini and we were still in love but still I couldn't let Thamie's feelings get to my hurt course I knew that at some point I 'll get hurt and disappointed. Being in love with a person who is a pastor , some1's husband and old enough to be your older brother and most of all scaring as Thamie is ..it's not something u can take with heart because even if challenges come u won't be able to ask or get honest answers. ..as m still

not clear about so many things with this person.

Even so we were so in love ...that man loves me ..that I was sure about even though there are many things that m not sure about.

At school he never made a mistake of hinting that he is dating a student..but everyone knew that he is pastor.

..

it was my last year at university after July.

It was Surtaday in the morning..Thamie was in the shower ...mna besendiphumile ...we just made love in the shower. Ndiphumile eshaweni ..I lotioned my self ndanxiba iblukhwe yam ye jean then I wore a long sleeve black t shirt

ebhalwe ngobu gold. ndiphumile ekameren ndisiya ekitchen ...I
needed cold water after a long session of making love.

I had a Knock on door while m at the kitchen, since no one rang
from down stairs I thought it was one of neighbours kanti
andivumisanga 😞😞

Thamie ebenqabile ekugodukeni...begoduka one weekend
abuye ahlale 2 or 3 weekends engagoduki...le bekuyi weekend
yakuqala engagodukanga last weekend begodukile.

I opened the door without asking who is there...

What the hell 😞😞

ndithe ndisothukile kanjalo ndive ngempama phakathi
kwaMehlo am

ndiphaphame kulompama ndabaleka konyusa iziteps 🦸 xa
ndiqala ndizonyathela esokugcina yanditsala into ngenwele
ndabuya umva ndaqenqgeleka ezithebhisini ndayotsho
ezantsi. ...😞😞😞...kwabe kukho ondilindileyo ezantsi
wangingena wandibetha endikhaba...😞😞😞

Ndive ngelizwi likaThamie

Thamie: Sindiswa !!! MaMpinga! !! what the hell are

Uqalile uJanuary, on the 4th of January I got paid back since

I was under paid ever since I started working. I was so happy...

Since November last year I moved closer to my work place , I was renting sharing a flat with Amanda one of nurses endafika zisebenza phayana .

So since I got money I decide to buy my own place. Ndisukile ke ekhaya ndalibangisa le ndisebenza khona ndikhwela ezitaxin.

Ndifikile eflathin I made few calls regarding izindlu ezidayisayo until I found endiyithandayo.

Bekuyindawo esabu lokishi but lama lokishi asethuthukile acishe aye ko surbabs but it had that location vibe...I liked it.

Beku ne public transport taxi and buses and beautiful houses abantu beyakhile imizi yabo imihle.

Le beyithengwa ndim it was simple and big enough for me..it

had 3 bedrooms ..2 bathroom but enye ikwi master bedroom which I 'll be using then it had a passage from bedrooms and bathroom lizokukhiphela elounge ibihlange ne kitchen ine vrand. ..I loved it. I decided to buy it.

Ndathi ke xa ndifika emsebenzin ndafika umgangatho uxhonyiwe abantu bafundile abaphelanga kulenqalo yam so I decided even after graduates ndizoqhubeka ndifunde de ndifike okanye ndodlule elozinga labo.

Ndiyithengele furniture indlu yam yantle yancama. kwiveki elandelayo bendizobuyela at work so my holidays we literally over.

..

..

Thamie bebane efowna xa ndithanda ndiyibambe xa ndingathandi ndingayibambi Ngoba he was going ahead with his wedding and I dd not know the reason behind that or maybe he love Sind more than me ...m just good in being a side chick. I was not ready to do that again..that call on the 31 yaphelela apho ...m not going back to Thamie.

..

My friends Mida and Lele..

Bendiibona ke yonke lonto Ngoba one of my superiors ubeyifreind naye on Twitter and Facebook and I was her follower (my superior) her name is Danisile but we call her Dan.

Dan had no idea that I was the side chick of her friend's husband so he would show me ancokole ngayo.

We were on lunch this time encokola

Dan: uThixo usisimanga ...uyabona ngoku lomtshato

uyahlangana sesisenza count down...Sind is been through a lot
she deserves to be happy

Me: u are besties ne?...m sho u the made of hounor

Dan: no ndimazela Le kude kuba sasikhula kunye futhi sicawa

Me: ok..

Dan: usathane tried to separate them but wahluleka...soon
uzoba nguMfundisikazi...ave ezophakama ke apho.

Me: m sho those test made them strong. bazongena
emtshatweni be strong ngoku

Dan: utsho uphinde abantu aba engage almost 4 years?

ngendawuncama kudala mna ndinguSind Ngoba nalomnyeni

wakhe uphakeme ufana no Sind lo but akeve eshumayela

ushumayela kuguquke usathane qobo lwakhe..

Me: ah...there is no such thing...anyway..my lunch is over.

Dan: i 'll take u to his church one day...uzozivela.

..

Ndisukume nje ndaphindela on my desk.

..

Bendingenamdla ngomtshato woSind. ..that chapter was
