"Isaac began to tremble uncontrollably and said" Then who just served me wild game? I have already eaten it and I blessed him just

before you came. And yes that blessing must stand! " 34. When Esau heard his father's words he let out a loud and bitter cry. "Oh my father what about me? Bless me too! " he begged. 35. But Isaac said "Your brother was here and he tricked me. He has taken away your blessing. " 36. Esau exclaimed "No wonder his name is Jacob for now he has cheated me twice. [A] First he took my rights as the firstborn and now he has stolen my blessing. Oh haven't you saved even one blessing for me? ""

[GENESIS 27 verse 33-36] CANNOT I think of my family as a close knitted family. I am the last born out of 3 siblings. My big Brother Bongani passed on a few years ago when I was very young. He was positive but passed on from an opportunistic infection pneumonia to be more exact. Prior to his passing our Father passed on first .. The second is Hated my Sister. She's 2 years older than me. I'm 14 and she's 16. The dark cloud of death had visited our home once more my mother is in her death bed.

Complications from diabetes. We had opted for her to go to the hospital but she refused she clearly stated that it's her time. She wants to die peacefully in her house same bed were her husband died and the same house were her Son passed on from .. I was kneeling down close to her bed tears were streaming down. She had her hand on my head she was blessing me before taking her last breath .. Ma: My child, you've seen a lot when you're young. I am sick and you have seen me. I am sick and you have been with me every day. Even at school it was not good because some days you were here to take care of the other children at school (Like my Daughter you have been through a lot with me at such a young age. I have been sick and you were always here everyday. Even at school you had to miss a lot of classes because you were here taking care of me. Whilst other kids were in class) I am due to repeat grade 8 because I missed classes and exams taking care of my Mother .. Ma: With all

my heart I bless you and the Lord has done for you whatever you wish. When my grave is closed your blessings will descend from heaven (Because of your heart I'm blessing you when my grave closes everything you've ever wished for will come true. Your blessings will fall down from the heavens) I wiped my tears .. Ma: Be nice My child I am proud of you (Take care of yourself I am proud of you) I wiped my tears .. Ma: Call Zondi (Call Zondi for me) I got up and gave her a hug whilst kissing her on the forehead Sponsored I am proud of you) I wiped my tears .. Ma: Call Zondi (Call Zondi for me) I got up and gave her a hug whilst kissing her on the forehead then I walked out .. My Sister Zondiwe was pacing up and down in the living room she looked at me .. Me: She's calling for you She nodded .. I continued cleaning when she went to our Mother's bedroom .. ZONDIWE I walked in and looked at her .. Ma: Kneel down in front of me (Kneel down in front of me) I knelt down she extended her hand and placed it on

my head .. Ma: Hated My child I don't know anything about you. You are so mean that I named you Zondiwe. You are evil and cruel (Zondiwe my child I don't know where I went wrong with you. You are evil that's why I named you Zondiwe. You have a dark soul) When I was 5 and Inga was 3. My Mother left us in the house to go to the shop. She told us not to go out but I unlocked the door and did Then the man next door came in gave me sweets and raped my sister. I was standing there looking at them and eating my sweets. After that incident my Mother changed my name and named me Zondiwe. She asked why I didn't follow her orders and kept the door locked until she came back she hated me from that day on until now her dying day. Ma: I'm sick you leave me I'm sick give me rotten food or don't make me food. I hate going to the toilet and falling outside. I was helped by those Neighbors and you just stared at me. You make fun of my emptiness and disgust when you have to help me wash.

You insult me and say when do I die? (I was sick you'd leave me you would even make me eat rotten food. I once went to the toilet and fell instead of helping you just looked at me and the neighbors had to step in and help. You made fun of my nakedness disgusted by me when you had to help me bath. Swearing at me asking when am I going to die) Tears burned my eyes .. Me: I'm sorry Ma (I'm sorry Ma) Ma: Because of your corruption you will suffer for the rest of your life. I curse you you will watch your sister succeed and you will bow to her. You will feel the pain you have caused me all your life (Just because of your evil heart you will suffer all your life. I curse you you will witness your sister succeeding in life and you will beg to her. You will feel all the pain you've made me feel all your life) Me: Mama I'm sorry (Mom I'm sorry) We are ancestral people we believe in God yes but we are also big on ancestors. I know that words of a dying Person are dangerous these words will indeed follow me .. Her hand slid off

from my head she turned her head to the side. Her eyes opened and mouth slightly open too with saliva dripping from the corner of her mouth .. Me: Mama !! (Crying) I got up and shook her .. Me: Mom wake up and bless me too (wake up and bless me too) The door flung open and Inga ran in .. Inga: Mom? She came closer .. Inga: Mom ?? (crying) We both wept then she hugged me .. Inga: At least she blessed us before she passed on we are going to be okay We weren't going to be okay at all. I need to find a way to steal Inga's blessings and have her take my curses To be continued

01 INGANATHI [PRESENT DAY] I put down the feather dust to catch a breath my back was killing me. My feet were aching. I felt someone hitting me on my back Vihaan: What do you think? This is hotel? I don't see you cleaning!! I work in town at this Indian bedshop. It's a very difficult job and I earn R1200 a month. The work I put in should be more than that salary. I've been working here for a

year now I keep on getting these small jobs that are difficult and frustrating ever since I completed high school. I even passed with an H I don't understand because I was very smart but ever since grade 10. I struggled a lot I even had to repeat grade 10 and 11. I am 26 years of age now and life hasn't been kind. I don't understand I did all I could for my Mother she even blessed me but still. Our entrusted healer that my Sister got for me Zanenkanyamba but we call him "Nkanyamba" told me that yes my mother blessed me verbally but my Mother died from a broken heart and her pain is following us. He told me that it's going to be a process to undo what was done but eventually it will pass.. On the other hand Zondiwe is doing well she passed her matric with flying colours. Went to do architecture and then graduated and started her own company which is picking up. She was fully invested at school and it all worked out for her. We still live together in our Mother's house it was a 4 bedroom house she extended and renovated it. She provides food

and that's all she told me that if I had also worked hard at school then I would have succeeded too.. It's unfair for her to take care of me she's a very mean Person I won't lie.. Vihaan: I'm taking R400 from your pay Me: Why? Vihaan: No too much profit this month This is upsetting and frustrating he does this all the time.. ZONDIWE I run an architecture company that is doing very well. We have a signed a contract of designing a plan for this other real estate agency they building rental houses. 50 rental houses.. True: Maybe we can try to enlarge here Me: You think? True: At least a kitchen bathroom two bedrooms and a lounge Me: They said they don't want the houses to be big True: Yeah I know sweetie but look True is my partner in business and my boyfriend he's a civil engineer. We met at school and have been very much in love ever since from then I'm 28 he's 30 years old.. We have blended our companies. His and mine he is more on the construction side. True: We want them to hire us in building the houses too

don't dim my shine I laughed.. Me: Okay then I'll fix it True: Indlela engikuthanda ngayo (The way I love you) He sat down opposite me.. True: Kahle ke Ntokazi masikhulume (Let's talk) Me: I'm listening True: This thing of me moving into your Mother's house I don't understand it Me: I told you I can't leave my sister alone plus we building our own mini house outside we won't live with her inside the house True: Weee Zondiwe sengaba wuSbari Makoti (Now I'm the bride in this situation) Me: Awu kahle ngehaba (stop exaggerating) He looked at the time.. True: Ithi ngikushiye ke I'm going to the site Me: I'll see you at our restaurant during lunchtime True: Injalo MaBhengu (It's like that) He got up and came around to kiss me.. True: Ngizobuye ngokubone (I'll see you later) Me: Okay He walked out and my phone vibrated it was a text from Inga: "Sisi please borrow me R300 I want to buy toiletries" I rolled my eyes and then texted back: "I don't have money sorry" INGANATHI I had excused myself to go to the bathroom to text my

sister I'm broke and short of toiletries. The money I have is for transportation and the R800 won't do any justice because I have to take out money for transportation from it.. Tears streamed down when I read her message how does she not have money? Zondiwe makes a lot of money. I've seen her giving people money buying herself and her friends expensive alcohol going on expensive trips but each time when I ask her for help. She doesn't have money it hurts that my sister doesn't want to help out when she has money. She once told me straight: "I'd rather give a mere stranger money than to give you money Sponsored it hurts that my sister doesn't want to help out when she has money.

www.allnovelworld.com

She once told me straight: "I'd rather give a mere stranger money than to give you money if I give you money you won't see a reason to change your life. I work hard for my money money doesn't fall from

the sky" I am trying my hardest and each time when something opens for me it's only short lived happiness. It doesn't last then the pain starts again. Now I'm at the verge of wanting to commit suicide I can't take this anymore. I exhaled and texted my ex boyfriend Anele it took a lot in me to do this..

"Please borrow me R400" I waited for his reply only to be texted by the same girl he cheated on me got pregnant. "Anele has a kid to support please stop bothering my boyfriend. Nihlukene please waba yisicefe nje (you have broken up why are you a nuisanc)" Anele still loves me he helps me from time to time but then his baby Mama/girlfriend always gets in the way.. ZONDIWE I took my Mother's picture and looked at it. I dated back years ago when she cursed me. If it wasn't for Bab'Nkanyamba I would be suffering like Zondiwe. What that man did when I went to him he put the curses in the box and locked them away. Not only that but he also put a dark cloud on Inga. For Inganathi to get back her blessings she has to find

the key then find the box to unlock it then she'll be free. Uboshiwe (she's been curse) and Nkanyamba promised me that It'll take a strong iNyanga to retrieve that box from where he buried it with the key.. It was not easy because this man is sleek. He didn't want money from me I was young at that time even. I didn't have money and he took advantage of my vulnerability. From thereon I had to give myself to him sexually that's how I'm paying him back even now.. He's an iNyanga that's in polygamy he has 3 wives and they all fear him. He sexually violates his female clients and his wives don't say nothing because they scared of him. They can't even leave because they scared of what he might do.. I even had to steal Inganathi's personal things. A page from her school book Money that belonged to her which was R10 and her underwear those things are cursed and locked in the box. Hence why she struggled at school she's infertile and money won't love her. She gets cramps in her womb every now and then periods are a bitch to

her. Those are the things my Mother cursed me on mostly so we brought the curse to her precious and loved Daughter. I'm living the life that Inga was meant to live she probably wasn't going to be in architecture but whatever she wanted to venture in it would've been possible if I didn't do this. Her relationships don't last these Men play her. I'm even surprised she's keeping on. She's suffering for her Mother's sins had her Mother done right by me. Her loved Daughter wouldn't be suffering like this.. My Mother could retaliate but she can't Nkanyamba buried something in our yard that prevents my Mother from coming in. He even gave me something wangigcaba so my Mother can't get close to me. As for Inganathi Nkanyamba made her dirty so that her Mother can't get to her. From what Nkanyamba says our Mother is standing on the street watching everything that's happening in her house but she can't get in. That's also why I can't move out because so long I'm in that house and

yard I'm protected by what Nkanyamba did.. . To be continued

02 INGANATHI After that dreadful day at work I went home. Before going straight home I passed by at Nkanyamba's place. It's a 15min drive from my hood.. We went to "Emsamu" where he does his consultations and ancestral things. He burnt Impepho (incense) then lit the black and white candles. He also gave me a black candle to pray with at home said it helps break the curses.. What I don't understand is that when I switch off the candle a black smoke arises. Nkanyamba said I shouldn't fret it's a way that the curses will slowly break.. He told me in detail that the treatment my Mother used to give to my sister Zondiwe is the reason why I'm suffering. He said I'm suffering for my mother's sins and karma is getting back at her through me. She died with a broken heart before she could make things right with her Daughter. Now all the curses are coming to me.. Me: Angisathandi la ngisebenza

khona Thokoza I want to quit (I don't like where I'm working I want to quit) Nkanyamba: Kubi wena ndodakazi (It's bad) Me: Ngicela ungisize ngithole umsebenzi ongcono ukuze ngizohamba nase Khaya (please help me find another job I want to quit this one) Nkanyamba: Sizosiza khona wena Ndodakazi (I will help) He clapped his hands twice.. Nkanyamba: Thokoza Me: Thokoza He got up and went to his herbs he got some powder and came with it then handed it to me.. Nkanyamba: Uzageza ngawo njalo ekuseni ngaphambi kokuthi ilanga liphume. Ntatha kusa kanti futhi nasebusuku phambi kokuthi ulale (You will bath in the morning and also at night. In the morning before the sun rises at night before you sleep) I looked at the powder.. Nkanyamba: Izasusa ubumnyama njengoba ufuna omunye umsebenzi (the dark cloud will go since you need a job) I nodded.. Nkanyamba: Angithembisi kodwa ngoba Indaba yakho inzima isalukwazi lesi eyy simoshile Ngisho lapho akhona uboshwe ngama ketanga (I am not promising anything your case is

difficult your Mother ruined everything. Where she is right now she's even chained) I felt like crying always there's darkness. No way out.. Nkanyamba: Ungalahli ithemba kuzalunga ngelinye lama langa (don't lose hope one day it will be better) Me: Ngithemba njalo (I hope so) ZONDIWE We went out to eat.. We both were so busy this afternoon that we couldn't even have lunch together.. He took me out to our usual favorite restaurant. We went to the Pigalle restaurant-Melrose Arch.. We here almost every week they know us by now and they serve us well.. Trust rents around here in johannesburg rent is a killer hence I'm suggesting we move in together. We would do the right thing have him pay lobola and everything but his Mother doesn't like me. She's very intact with her spiritual side I think she senses my aura and what I'm about. That woman doesn't know that I can feed her Son a portion and make him turn against her. He's the only boy so he is a mama's boy. His sisters are not so bad but I think the other ones pretend a lot. Only one is okay

with me that's because she loves alcohol and I usually go out with her and buy her alcohol. She's about a flashly lifestyle but doesn't work she's broke so since I'm helping her out she's cool with me.. Me: So I've been thinking Trust: Yes? Me: I'm 28 I think we should now try and have a baby He looked at me.. Trust: Finally!! Ngibonga ooMageba abo Ndabezitha I laughed.. Me: Don't be dramatic I know he's always wanted a baby Sponsored abo Ndabezitha I laughed.. Me: Don't be dramatic I know he's always wanted a baby but I have been so invested in my career that I couldn't give him a baby at the time he wanted.. Trust: There's a lot of practicing to do ke Me: A lot Trust: Shono uDade endlini yena? (What about your sister at home) Me: What about her? Trust: You not going to get her a takeaway? I got annoyed.. Me: Inga is fine she probably bought a takeaway. We should've called her earlier on He nodded.. I continued eating my dessert.. INGANATHI I got home tired Zondiwe had texted me that I should cook chicken when I get

home. She'll be late.. I took it out and defrosted it..
My phone rang it was Anele.. Me: Hey Anele: Did
you call? Me: Uhm Anele: My baby Mama told me
Me: I did but it was nothing Anele: What did you
want? Me: It's nothing seriously Anele:
Khawuthethe Inga (Talk) Me: I needed you to
borrow me R300 the month is tough Anele:
Kwenzeke Ntoni espanini? (what happened at work)
Me: My pay is short again Anele: Uzavela apha
edlalani uzoyilanda (you'll stop by at my house to
get it) Me: Can't you stop by here? Anele: Uyazi nje
uZondiwe (you know Zondiwe) I laughed.. Anele: Le
yakowenu iyaGowisha akhomntu oqumba de uYesu
acele ubuya ugowisha nyani (Your sister is always
angry I think she's going through a lot in life. There's
no one who gets angry until Jesus asks to come
back) Me: Ohh Hayi Anele (Stop it) Anele: I'll see
you later bhabha Me: Okay Anele: Bye Me: Bye I
laughed whilst shaking my head he doesn't get
along with Zondiwe but he doesn't let her get to
him that much... KATLEGO THOBEKGALE The phone

rang.. Me: I'll get it I went to pick it up.. Me: Bio Lab
Katlego speaking good day Voice: Good day Katlego
this is Dr Pelo from ward 8 Me: Okay Voice: I am still
waiting for the lab results for my patient I was told
they would be emailed to me Me: Name of the
Patient? Voice: Rudy Ndla.. Ndlangamandla ward 8
Me: Let me check I went and checked the results
were sent 5min ago.. I went back to the phone.. Me:
I sent them 5min ago Dr: I didn't get them Me: It
could be a problem on your side because this side
they show that I've sent them Dr: Could you please
send them again? Me: Okay I went and sent them
again I went back to the phone.. Me: I sent them
again Dr: Thank you I put the phone down.. My
name is Katlego Thobakgale better known as "Kat".
I'm the Son of thee Tshepiso Thobakgale the
Grandchild of the rich Vic Thobekgale. I have a twin
brother who is overseas and I have two step sisters.
One Sister we have different Mothers the other
Sister we have different Fathers. Both my Parents
came into the relationship with kids from their

previous relationships and they had twins me and my twin Brother.. I'm 24 years old and I am a Biomedical scientist something that my father didn't want me to do but I did it to spite him. He had hoped that one of us me or my twin Brother would follow in his footsteps so that one of us would take over the company one day after him. My twin Brother Karabo is overseas doing his own thing he doesn't want to run the company and I don't want either. Though I'm just doing it to spite my Father.. Thobekgale and I we butt heads a lot my Grandfather says I take after my Father. Now my Father knows exactly how it felt like when he used to butt heads with his father too.. I don't have a reason on why I don't like him he did raise me he was a present father but very controlling I guess that's where the problem lies. I don't like to be controlled so I stand up for myself against him.. It's so funny how him and my mother are not married another reason why I don't like him. They have 4 kids but still she's nothing but a girlfriend what man

would do that? It's not like they no longer in love or separated. They still very much in love but he hasn't married her.. I have a fiancé her name is Venisa she's older than me. I like older women she's 27. We getting married next month even with that I'm trying to show Thobakgale that I can be a better man than him.. I'll always be a better man than my father that's my everyday goal in life.. . To be continued

03 INGANATHI Zondiwe came back later on at around 21:00 I was watching TV by then.. Zondiwe: Hi Me: Hi Even with everything that's happening I still love my sister to death. She's the only family that I have and I wish we could settle our differences and reconnect. I don't understand why I'm being punished for my Mother's sins. My Mother did what she did out of her own will and reasons. I have never mistreated my sister not even once. Even when her and my Mother used to backlash a lot but Mom never treated her like shit.

Zondiwe had a home she was clothed fed like any other normal child. They just weren't seeing eye to eye here and there.. Me: I'll warm up your food whilst you freshen up.. Zondiwe: I'm not hungry Me: You not? Zondiwe: Trust took me out after work wanted to call you but then hey it got crazy That's inconsiderate she should've told me not to cook. Took me forever to prepare the dish she wanted she's very specific about how her food should be prepared.. Me: It's okay though I would've really liked it if you told me beforehand She looked at me.. Zondiwe: Excuse me? Me: I would've gotten myself maybe a mini packet of slab chips to eat and we wouldn't have cooked Zondiwe: Something nyana nje as cooking is a hassle for you? Inga you don't have a job that I have. You don't pay the bills you don't buy groceries the least you could do is help out Me: I do help out I clean I cook I do your laundry without any help. Sometimes I come back dog tired and clean then cook Zondiwe: Okay Inga let's do this how about you pay all the bills and I'll

do the house chores? I kept quiet.. Zondiwe: I didn't think so.. You very ungrateful! People in your situation would be grateful but you.. You are way too spoiled you must think that your Mother is still alive.. She is not Inga! It's time to wake up and smell the coffee! I wanted to say something back but I am not at a financial liberty to say anything.. Me: I just can't wait to get another Job a reasonable job so I can get a place to stay She laughed.. Zondiwe: There's no reasonable job to get reasonable jobs need reasonable qualifications and you don't have that! You just going to continue working this slavery odd jobs just accept your fate accept your reality.. This is it for you Inga you done! She walked away to her bedroom.. That was hurtful and very uncalled for... KATLEGO THOBEKGALE I was on call today so I'll be here until tomorrow morning at 6am.. The phone rang I answer.. Me: Katlego Thobekgale Dr: It's Dr Pelo again Me: How may I help you? Dr: I'm still waiting for the results of my Patient Me: I've sent you like 5 Emails already Dr: I haven't even

received one Me: Have it checked out by the IT department Dr: I am on call I can't walk out to go and lodge a complaint I'm a Dr for heaven's sake I am needed here! Me: And you need me and I need you to check with the IT Department Dr: Who is your superior? Me: She's not in I'm on call Dr: bring the results over Me: I am working alone tonight I'm on call and I can't leave the lab unattended too Dr: Just know that I'm going to lodge a complaint against you! Me: With pleasure Mam I put the phone down.. ZONDIWE Who the hell does Inganathi think she is busy questioning me? She doesn't even pay anything in this house. She never bought anything here I renovated all on my own. Her Mother doesn't even deserve me taking care of her house like this.. After finishing bathing I had to go and see Nkanyamba it's the night were we need to get it down. I prepared myself well I don't need to dress up in a sexy lingerie and what not Sponsored just a good underwear and bra.. I took my bag and left Zondiwe wasn't sitting on the couch

anymore.. INGANATHI After that incident I cried myself into a headache in the bedroom. I now wanted to sleep I drank two of my allergex pills and knelt down to pray before I sleep.. I lit up the black and white candles to pray. My Mother was a religious person too church every Sunday and Tuesdays. Fasting and praying. We were taught to pray and to also acknowledge our ancestors by practicing ukuphahla.. I prayed my usual everyday prayer as always when I was done. I opened my eyes the white candle had blown out but the black one was still burning. I switched it off with my fingers then remembered I needed to bath with the powder that I was given by Nkanyamba.. ZONDIWE I arrived at his home I went in. He was sitting outside smoking. Smoking the Pipe tobacco it smells horrible. He smells horrible with some of the herbs he uses to bath with. Plus he's a bit old some old people usually have that disturbing smell.. The sex doesn't entail much just the strict old tradition sex. He uses herbs to give himself an erection make

himself perform like a man half his age..

Nkanyamba: Awww Zozo Me: Baba Nkanyamba:

Bengithi awusezi (I thought you weren't coming anymore) Me: Ngithe ukubambeka kancance nje (I

was held up a little) He nodded whilst drawing in the smoke.. Nkanyamba: Hai ke ithi ngikulungiselele

ibhavu (let me prepare you a bath) He doesn't give me any problems with regards to my relationship.

Me and him have a strictly fuck relationship and

nothing more. INGANATHI I have troubles sleeping

at night so I drink allergex to knock me out so I

could have a good night sleep.. I fell asleep after a

few minutes of getting in bed.. As I slowly drifted to

sleep I felt something cold and slimmy coiling

around my legs. So much that I couldn't move them

it was cold and very slimmy. I felt it from my legs all

up on my thighs I usually sleep with a long t-shirt

and no underwear. It's pretty hot.. I tried ignoring it

but I couldn't. I then lowered the bed covers and I

saw a black snake coiled up around my legs the

head was sneaking in between my thighs.. I started

screaming as the head went inside my coochie.... I quickly opened my eyes and rose up from my pillow panting. My heart was beating very fast that I thought it would beat out of my chest. It was dark and quiet in the room I lowered the covers and there was nothing on the bed. It must be a terrible dream that I had I got out and went to turn on the light I'll sleep with the light on... ZONDIWE We sleep in the outside room not Emsamu though were he does his consultations. The room is an outside guest room.. He was ontop of me no condom used since I've been on contraceptives. I haven't stopped them but I will since True and I wanna try out for a baby.. He was enjoying himself I was laying back on the mattress. There's no bed he was ontop of me and breathing heavily.. Before we do this he makes me take a bath first and drink a cup of some herb that will make my blood hot make me hot to his satisfaction. My legs were trembling I was foolishly enjoying this wicked man.. I was very wet my coochie was even making that wet sound as he

continued. He kissed me he has a beard that fills up his chin.. I was so hot that his poor hygiene didn't get to me all I wanted was for him to satisfy me. My coochie felt really hot.. . To be continued

04 ZONDIWE I have been sleeping with this man for years from since when I stole Inganathi's blessings A year after our mother's death. I was 17.. I'm 28 now and I still feel very dirty after sleeping with him.

Thinking about it how I do enjoy it at that time because of what gives me makes me feel more dirty with myself and it affects my current sexual relationship with Trust. When I sleep with Trust I constantly picture Nkanyamba's sweaty face with a neck full of beads.. Inganathi walked in on me in the kitchen as I was lost in my deep thinking with regards to the events of last night she actually freaked me out that I got irritated.. Me: Geez! Did you have to sneak up on me? Inga: I didn't sneak up on you I've been greeting you I put the mug down.. Inga: Aren't you going to work? Me: No I'm taking a

day off Inga: You sick? Me: No Inga: Th- Me: It's a day off! People are entitled to a day off Inganathi even with a lame job you at least got to understand that! Inga: Goodbye I'll see you later She went to the door and walked out I clicked my tongue..

INGANATHI Zondiwe is getting more and more vile. I need to get my shit together so I can move out! Being trapped her in this environment is slowly driving me to suicide.. I couldn't even make breakfast nor lunch if I do she will go off at me. I feel like my Sister hates me to the pits of her stomach she looks at me and gets very disgusted.. I tried so very hard to keep my tears from streaming down sometimes I wish I can go and never come back.. I stood on the other side of the main road waiting for a taxi. That's another stressful environment.. KATLEGO THOBEKGALE I was woken up by my dick getting hard it's not unusual for a guy to wake up with an erection. This one was not a typical erection. My fiancé was actually giving me a blow Job she was waking me up with a blow job

from a long night at work.. Venisa works extra hard in relationship a girl marrying to the Thobekgale family and actually carrying the surname seems like an honour for them.. I am not even taken care of financially by my father I declined that privilege the second I started working.. She looked at me.. Ven: Good morning I smiled at her.. Ven: Good morning I don't want to be a girl that loves me because of the powerful family that I come from because then they go an extra mile to impress you. Then go an extra mile into making sure that they do get that title. You cheat they forgive you do something abnoxious they still forgive. More like a pushover and that's exactly what she is right now. A pushover.. I've cheated on her many times before with my hot temper I have laid my hand on her maybe once or twice with my hot temper I have laid my hand on her maybe once or twice she still forgave. I attempted to leave her she attempted suicide. She is slowly but surely breaking herself mentally and emotionally in this relationship.. Yes a part of me

loves her dearly but the part that's marrying her doesn't come from love. Just me trying to prove to Thobakgale that I can do better than him..

ZONDIWE I took a bath and then made myself breakfast instead of juice I drank wine.. Riches are everyone's envy but the price you pay is very heavy.. I looked at Trust's call. I didn't know what to say to him after last night I'm basically cheating on him. Have been ever since we met and it's killing me because I do love him dearly he's a good guy. I see a future with him but a dim one because of Nkanyamba's interface... I looked at it as it rang until it stopped ringing..

INGANATHI When I got to work the shop was already open. Taxis delay.. I thought Vihaan was going to say something but surprisingly enough he didn't say anything. I put my things at the back then came to the front to fix everything. He looked at me..

Vihaan: This is your last 2 weeks here

Me: I'm sorry?

Vihaan: I'm closing down the shop and moving to a different place That was a slap in a face yet another disappointment. I

had told myself that even though this job is difficult but I'll hold on to it as I look for another job.. I was defeated.. KATLEGO THOBEKGALE She was ontop of me with my hand on her waist. She was going up and down with her hand on my chest.. Ven: Kaaaat.. I love how she moans it makes the moment more enjoyable. Her eyes and how she bites her lower lip whilst moaning is a deep turn on.. Ven: Ahhh.. Ahhh..Ahhh I leaned moved my hand down to her ass and grabbed it. I shook it whilst she was still going up and down on me... I moved my hand up and down on her.. She continued doing her thing despite everything. Being woken up like this it's a great feeling... I'd say she's faking if she wasn't this wet she was very wet and I enjoyed myself being deep inside of her.. I placed both hands on her waist and moved her up and harder she moaned louder.. Ven: Ahh.. Ahh.. Right there please.. Just like that!! Ohh Kat.. Me: You feel very goooood baby you going to make me come.. Ven: Come baby.. Come inside of me I want you to fill me

up with your cum! She works as a hairdresser not the best job in the world but I'm not judging...

INGANATHI Me: Vihaan Vih: Yes? Me: Don't you have anyone you know who can give me a job? Vih: I don't know plus you too lazy Me: Please Vihaan Vih: I'll see what I can do Me: Thank you soo much .
To be continued

05 INGANATHI [A WEEK LATER] Vihaan found me another job this one they sell hair extensions. Basically anything to do with hair even hair relaxers and etc. I work with another lady she's black and very sweet. It's just the 3 of us. Me her and the owner Abdul. I earn a bit better from my previous job. R1500 a month.. The shop is in town it is busy and trading hours are: 09:00-18:00 weekdays 09:00-16:00 Saturdays 09:00-13:00 Sundays I don't work every Sunday the other Lady Cleopatra and I we relieve each other on some Sundays.. Abdul is a better human being than Vihaan he's not a slave driver and he's very friendly. Abdul: Let me help

Me: I got it Abdul: You fall I don't have money to take you to the hospital.. Come on I laughed.. He picked me up from the ladder and put me down.. Me: At least you didn't drop me Abdul: At least Me: Thank you Abdul Abdul: We work as a team here come on give me the hairpiece I picked 3 packets and gave them to him. He slightly hit me with one of them on my forehead I chuckled.. Abdul: I brought Samoosas for you me and Cleo Me: That's nice Abdul: My Mother's special recipe Me: Can't wait to taste Cleo: You two just get married already I turned and looked at her.. Me: You back Cleo: Yes We moved to the counter.. Cleo: You know he likes you right? Me: You think? Cleo: I'm not blind girl Me: Hmmmm asazi (we don't know) She stood behind the counter.. Abdul: Where is my assistant? Me: That's my queue I went back to him.. Abdul: What happened to you? Me: I was talking to Cleo I picked up the hairpieces.. Me: Let's continue ZONDIWE I felt hands covering my eyes I smiled.. Me: Nhleko He laughed.. Nhleko: weeeee!! He

lowered his hands.. Me: Unjani kodwa? Nhleko:
Ngiyaphila mfwethu (I'm well) I got up and hugged
him.. I looked at him.. Me: Black eye? Nhleko: Ayi
we Ooo kubi ngaphandle (it's hard out out there)
Me: What happened? He hung his shades on his
shirt.. Me: Hau Auntiza what happened? Nhleko:
Sleeping with a married or being his secret side
piece is difficult Me: I thought he was going to give
you a job? Nhleko: Mxm Me: Manje? (now) Nhleko:
He did give me a job after that he was controlling
we talking about a married someone when I started
seeing other people. Waba yi caltex "Feeling
station" Me: But you do still have a job? Nhleko: I
do need the job so Me: Kunzima Nhleko: I always
survive Me: Aww iqenge Madoda Nhleko: UGogo
nje Me: uAunty nje Nhleko: Ngapha umchakisane
wami ungithanda (on the other had his wife loves
me) Me: Yi mess le phela (this is complicated)
Nhleko: All I know I'm getting an expensive paid
outing with friends this weekend as a form of an
apology and I want you there Me: Nakanjani

(obviously) Nhleko: I'll give you all the details
Nhleko is my childhood best friend. Same hood he's
the one I used to dodge home and go partying or
clubbing with. My Mother never liked him because
he was said to be a bad influence. He moved away
to find a greener life when he was 18he's living one.
I've noticed that most Men are closeted or enjoy
sleeping with other men in secret. He has a great
apartment a car wears nice those men provide for
him very well. This one he got is very abusive and
territorial though Sponsored I fear for his life a lot..
INGANATHI Client: This one here is very affordable
Me: It is right Client: Very Me: I guess you taking it
then? Client: Yes apart from the fact that these
people fake things a lot. I hope my hair won't fall off
Me: Aww kodwa She laughed.. Client: I'll still take it
Me: alright you can go and pay Client: Thank you
you are very nice and patient Me: You welcome She
walked away and I smiled at least this environment
is less toxic for me. Only place that makes me
happy.. It's not everyday I find people who are nice

to me Nkanyamba's powder might be helping..

KATLEGO THOBEKGALE It was my lunchtime and I had to dash out and meet up with my Father at some restaurant. He requested lunch with me. A get together with him is always unpleasant we don't like each other I don't know why we even doing this.. Dad: Are you sure about this? Me: About what? Dad: Marriage? Me: Why wouldn't I be sure? Dad: You 24 Kat there's no rush Me: Just say you not happy with where your surname is going Dad: I never said that Me: You implying it Dad: I did not I don't hate the girl I'm just saying be sure. Some girls come because they wanna be Mrs Thobekgale not because they love you and it's easy to take advantage of them because they give themselves to you willingly no back bone Me: Isn't that what's happening with Mom? 4 kids no marriage? No nothing? He chuckled.. Dad: I never married your Mother because she didn't want marriage still doesn't Me: All women want marriage Dad: Not Snowyask her if you don't believe me Me: Look I

don't care I don't give a damn what you think! I am not living my life to impress you! Dad: Ohw yes.. Being a Biomedical scientist getting married declining my money that's not to prove a point? Me: Tpee what exactly do you want from me? He gave me a serious look.. Dad: I want you to be true to yourself Me: I am true to myself! Dad: You living a lie Me: Why do you care? Dad: I am your father I care Me: Fuck that! Dad: Hey!!! I freaked out a bit.. He can be scary when he wants too.. Dad: I let you get away with how you talk to me at times because I'm trying to make you feel better about yourself! Quit trying to be macho because at your age I done did things that you can't do even in your old age! You were fortunate because I was always there for you I am still here. I am not trying to tell you how to live your life but at least be happy with it. I was a shit head yes but a proud and happy one I still slept good at night! Stop trying to be a better me and try to be a better you. If you wanna be a shit head at least be proud of it!! Old age might be hitting on my

side but the trait never dies. You my Son and I love you but if you shit on me I can still fuck you up and your Mother won't even recognize you at the morgue! I don't care even if you gave a stripper my surname so long you love that bitch! I never gave a woman my surname that wasn't worthy of it! Am I making myself clear? I kept quiet.. He leaned forward from his chair.. Dad: Boy.. Me: You made yourself clear! Dad: Your mother is planning dinner this weekend I want you to come. Don't think you doing me a favour but her! He picked up his menu...
INGANATHI I went to the bathroom to pee.. I didn't like the smell that arose from underneath. I haven't been sexual for a while now it's been a long time since Anele and I broke up.. Didn't understand why my discharge was smelling so bad. It had a bit of an unusual colour was a bit brownish. I am not even on contraception and my coochie was itchy too. I threw out the panytliner.. . To be continued

06 INGANATHI It was 17:55 when we sorted out things around the shop preparing to leave. It was a long yet productive day.. Abdul: Ladies we did great today thank you Cleo: Don't worry we are a team Me: Thank you for the samosas they were delicious Abdul: Thank you for liking them Cleo: Let's prepare to get going We sorted things out Abdul walked up to me. Abdul: Do you know holy ash? Me: Huh? Abdul: holy ash.. It's a powder originating from my kind Me: No I don't know it Abdul: We burn incense sticks when we pray in the table then the ash from there is what makes up the holy ash Me: That's one information I didn't know about what does it do? Abdul: bath with it then when you sleep take some and rub on your forehead. It chases away bad spirits demons and bad ancestral spirits that haunt you Me: Ohw He went and got it.. Abdul: Put one spoon in your bath then use this soap too. Don't dry let it dry on your skin Me: What's the soap? Abdul: It's just a soap composed of salt and other things that chase away evil spirits Me: Wow Abdul: You seem

to have problems sleeping and that situation underneath Me: How did you? Abdul: Just use them and then pray the black candle stop using it for now. You using it for good but unfortunately it's tied to evil Me: Wow.. Abdul: Use a white candle only buy a new one. Do that and then tell me at the end of this week.. Ohw here He walked away and came back.. Abdul: Give me your hand I gave him my hand he put a red string around it. Then prayed.. Abdul: الفتاة هذه احفظ الله رجاء He opened his eyes and looked at me.. Abdul: It's a string of protection in my religion Allah will protect you I nodded.. Me: Thank you Abdul: Promise me one thing Me: Okay Abdul: Don't tell anyone about this not even your sister. Hide the staff from site Sponsored not even your sister. Hide the staff from site I know I don't know you well but sometimes strangers come as great helpers. Just do this for the whole week and if there's no change then you can stop I nodded.. Me: I'll do it thank you Cleo came back.. Cleo: Aren't we going guys? Me: Yes we are Abdul: Let's lock up

guys.. ZONDIWE True and I were going to have dinner with his Mother he has agreed to move in with us. I hate his Mother she annoys me a lot.. She has come to visit him at his place.. After work we drove up to his place.. She was in the kitchen preparing food.. True: NaZulu She turned back and saw me.. Nazulu: Sanibonani (good evening) I greeted back.. True: I brought Zondiwe for Dinner She faked a smile.. Nazulu: Unjani Zondiwe? (how are you Zondiwe) Me: Ngiyaphila Ma unjani? (I'm well Ma) Nazulu: Ngiyaphila nami (I'm well too) True: I'll go put my things in the bedroom He walked away.. I looked at his Mother.. Me: May I help? Nazulu: No.. Don't help.. Asikulobolanga for you to slave around the kitchen like umakoti (We didn't pay lobola for you to slave around like a bride) I'm going to need a glass of wine to get through tonight.. Me: Ohw Nazulu: Futhi ngeke nje ube umakoti wami (you'll never be my bride) Me: I see I proceeded and went to the living room to sit down.. INGANATHI When I got home I did what

Abdul said I should do. I soaked in the bath for 15 minutes I also prayed in the process as I bathe. I got out and went to the bedroom to let the water dry up on me. At least Zondiwe had a heart today to text me that she will be going over to True's house for dinner so I didn't cook.. When I had dried up I put on my night dress and rubbed the powder on my forehead.. I made myself a sandwich and went to sit down on the couch and watched TV.. KAT THOBEKGALE Venisa was preparing dinner. I stood next to her at the stove.. Venisa: Are you okay? Me: I'm fine Venisa: Dinner is almost ready I was on Instagram.. Me: My Mother has asked us to come to dinner at her house this weekend Venisa: Okay I looked at suggested people I saw this girl who follows my Brother on Instagram suggested to me. "Inganathi Bhengu". I checked her pictures she had 6 pictures on Instagram. She was beautiful no lie naturally beautiful with no over exaggerated makeup. I followed her.. Me: I'll prepare the table ZONDIWE We sat around the dinner table and ate in

silence. She had cooked Pap meat and cabbage..

True: Ma I need to discuss something with you She

looked at him.. True: I am moving out from this

place Ma: Why? True: Rent is expensive Ma: Have

you found a new place? True cleared his throat..

True: Uhm still looking Ma: We can look together

while I'm still here True: No it's okay Ma Ma:

Mowusho (if you say so) (Silence) Ma: You'll be

living alone right? She asked that whilst looking at

me.. True: Yes I'll be living alone She nodded.. This

was ridiculous.. INGANATHI I was confused. I follow

Karabo Thobekgale on Instagram and now I got a

follow from a Kat Thobakgale. Does he have two

accounts that I don't know of?? I follow KB

Thobakgale because he's a presenter of some show

overseas that I actually enjoy watching he's

somewhat of a celebrity.. I went to the Kat

Thobakgale account and sent him a DM. He had a

handful of followers.. "Good evening It is wrong to

start a Catfish account using someone's photos take

it down" It sent.. . To be continued I

07 KAT THOBEKGALE I was laying back in bed hoping to pass out soon. I kept myself busy with my phone until I eventually pass out..I kept on chuckling at Inganathi's DM each time I read it. I finally replied with a picture of me and my twin brother. Venisa moved from her pillow to lay her head on my chest.. INGANATHI I woke up the following morning after a peaceful much needed rest. I almost slept through my alarm clock too.. I got out of bed and prayed before going to bath when I realized. I didn't have the snake dream last night I slept through peacefully. I noticed the glass that was on my dressing table had fallen and broke into pieces. I picked up the pieces and went to throw them out.. Zondiwe was up again standing there drinking coffee and almost feeling sorry for herself for whatever reason.. Me: Good morning Zo: Morning I didn't say anything else incase she bites my head off for nothing. Like yesterday morning.. I walked to take a bath and prepare for work. KAT THOBEKGALE Venisa lost her last job she has been

in search for another one. If she was already "Mrs Thobekgale". It'll be much easier for her to find another job.. The surname comes with pretty good benefits.. Me: I can talk to my Grandfather for you Venisa: I don't want it to seem like I'm being a nuisance Me: How would you be one if I'm the one asking him? She kept quiet.. Yes sometimes she does irritate me by the things that she says.. Venisa: Here is your back pack Me: Thank you I gave her a kiss.. Me: I'll call in during my lunch Venisa: Okay.. I love you Me: Love you too INGANATHI I was on a taxi to work now even almost half way there when I kept myself busy on social media. I read his DM and laughed out loud. People looked at me.. Me: I'm sorry I texted him back: "Ohh my word he's your twin my bad. He's never mentioned anything about having a twin brother again I'm sorry" ZONDIWE On my way to work I passed by Nkanyamba's place told him about the story with my "Mother in law".. Nkanyamba: Ukudlisa umuntu ayiyona into elula (Giving someone a love potion is not an easy thing)

Me: Uyangicika Loya Mama uzogcina enze Isoka lami lingilahle (That woman irritates me she will make him leave me) He took the small bottle and handed it to me. I put it in my bag.. Nkanyamba: Kwenzakalani ngo Dade endlini? (what's happening with your sister at home) Me: Angiva? (I don't know) Nkanyamba: Uma ngilayita ikhandlela licimile (When I lit the candle it went off) Me: Njani? (how) Nkanyamba: Ngaphandle kokuthi Sponsored it went off) Me: Njani? (how) Nkanyamba: Ngaphandle kokuthi kukhona omsizayo (unless someone is helping her) Me: Angicabangi kube ushilo (I don't think so she would've said) Nkanyamba: Uma ulnga engathola usizo konke okwakho ko shabalala (If Inga can get help all of this is going to disappear) Me: Ngizotholisisa (I will try and find out) INGANATHI I got to work still laughing at my stupidity. Cleo: Someone is in a good mood Me: Agh I just made a fool of myself Cleo: And you laughing? Me: It is funny Abdul: Good morning Me: Morning Abdul: Slept good? Me: Uhm yes Cleo: I'll give you some

space She walked away.. Me: Thank you Abdul: Glad I could help Me: I didn't even hear the glass on my dressing table falling Abdul: You know if something like a glass or plate falls it means something sinister that tried to harm you didn't succeed so it passed through in frustration hence the glass fell Me: Wow.. You seem to know a lot about things Abdul: I've been around don't worry KAT THOBEKGALE I got to work and walked to the Lab laughing at Inganathi's reply.. I texted: "He has maybe 3 times long ago when his show was still new. You seem cool think we should chat outside the DM.. What do you say?" I got in and greeted.. Supervisor: I need to talk to you Me: Oookay I looked at my colleagues they shrugged their shoulders.. We went to the office.. Sup: I received a complaint about you from Dr Pelo.. She says you were rude Me: I wasn't.. The thing is she wanted me to do an IT job. If anything she was the rude one Sup: Well I think you should tone your attitude down a little Me: I understand.. I apologize Sup: Verbal warning Me: Noted Sup: You

can go back to work ZONDIWE When I got to the office I ordered coffee. Then I put the potion in True's coffee. True: Ntandokazi Me: Good morning (smiling) He took off his helmet.. Me: Coffee? True: Yes please I handed it to him.. True: Thank you He kissed me on my cheek.. True: Sorry about my Mom last night Me: It's okay.. Don't sweat it He took a sip of the coffee I smiled.. . To be continued

08 INGANATHI [A WEEK LATER] It was a Saturday afternoon I had a day off today. I was helping True and Zondiwe. True was moving in with us.. I'm not happy with the whole situation but unfortunately I don't have a voice. Zondiwe pays the bills so breadwinners most of the time have the last say.. True: Thank you Inganathi for helping us Me: It's nothing Zo: Hey let me talk to you for a second Me: Okay We went to my bedroom.. Zo: Are you okay? Me: Yes I am Zo: Okay.. How is work going? Me: Work is going okay I'm actually enjoying this job Zo: I see Me: Ya Zo: Inganathi I hope you understand

that we not allowed to see nor consult with any other traditional healer other than Nkanyamba Me: I know Zo: It's for both our safety. You know other traditional healers lie they turn families against each other they will say your closest family member is the one bewitching you Me: I know.. We've discussed it before Zo: I know your situation is difficult but trust uNkanyamba she's a very powerful inyanga he has never misled us before. He will help you with time Me: I know he will Zo: Are you seeing someone else? Or consulting with someone else? I shook my head.. Me: No.. Only uNkanyamba Zo: I'm glad.. We should go to the mall tomorrow but clothes Me: Are you sure? Zo: I wouldn't suggest it if I wasn't Me: Thank you Zo: You welcome She walked out.. KAT THOBEKGALE Inga and I did exchange numbers and we've been talking on whatsapp and via calls.. We are at the friendship level if I could put it out that way.. We were back at my Parents house since my Mother invited Venisa and I for dinner.. I moved away from

them to call her I enjoy talking to her a lot.. Inga:
Kat Me: Hey Inga: How are you? Me: I'm good and
you? Inga: I'm well Me: What are you doing there?
Inga: Helping with some house things Me: On a
Saturday? Inga: What's special about Saturday that
house responsibilities shouldn't be carried out on a
Saturday? Me: It's a day to chill and unwind Inga:
Not in my world I like that she doesn't seem to
know who I am. It's not like my Father put out his
private life there when my Brother and I were born.
He tried so hard to shield us from the tabloids. Kb
and I wanted normal lives wanted to be treated
normally than the rich kids of the Thobekgale
family. She is herself she treats me normal she
doesn't worship me and seems not scared to speak
out her mind in a conversation.. Me: What are the
house responsibilities that you carrying out? Inga:
Okay don't laugh Me: Uhm okay Inga: My sister's
boyfriend is moving in with us I laughed.. Me: Wtf?
Inga: Nice going on the "Don't laugh" Me: Just my
first time hearing of it it's usually the other way

around.. Who's idea was it? Inga: I think my sister suggested it and he agreed Me: How do you feel about it? Inga: It's bogus degrading. He's moving into my Mother's house Me: Why don't you tell her you don't like it? Inga: It's not that simple Me: You also live there Sponsored you should also have a voice Inga: When your sister has a better job than you and she's paying the bills your voice is silence Me: Superiority and inferiority type of thing Inga: Yeah Me: You shouldn't allow people to treat you like shit just because they have more money than you Inga: It's not that simple Kat Me: Then move out Inga: It's not that simple!!! Me: Okay why you getting mad at me? I'm just trying to help My Mother called me.. Me: I have to go I'm at my Parents for dinner Inga: Enjoy then Me: Also enjoy the.. Whatever it is you doing Inga: Go to hell Kat I laughed and hung up.. ZONDIWE The korobela I've been feeding true it seems like it's slowly but surely working.. True would've given me 50 reasons why he shouldn't move in or that classic "Mom this Mom

that" statement.. I was using contraceptive pills they more better because it's easier to conceive when you get off them.. I flushed and looked at pregnancy test I took a few deep breaths. I really want a baby.. I sat for a few minutes and then looked at it it was negative. My heart sank. I threw it in the bin.. Then walked out of the bathroom..

INGANATHI Me: Home made Nachos where did you

learn? True: Ezinye izinto zilula (other things are

easy) Me: They smell nice True: Thank you.. Hey

Inga I hope this is not an inconvenience for you Me:

No it's okay It wasn't okay.. Zo walked in.. Zo:

What's happening here? True: I'm making lunch Me:

He's doing nachos they smell good Zo rolled her

eyes.. Zo: Wena ungowayenzi yini? (why don't you

do them) Me: I don't know how too Zo: So my

boyfriend has to prepare them for you? True: Ihaba

Zo? (exaggerating) Zo: Yeeey awuthule wena (shut

up) She walked and took them from the counter

then threw them out.. Zo: If Inganathi wants lawo

ma nacho she can buy them or make them herself!

She walked away.. True: I'm sorry.. I don't know what has gotten into her Me: No it's okay I'll be in my room I walked to my room.. KAT THOBEKGALE
Mom: You can go and put this on the grill Me: Okay
Mom: Who is she? Me: Huh? Mom: Who is she?
Me: Who is who? Mom: Ever since you guys got here this morning you've been frequently checking your phone. Sneaky side smile sneaking out to make phone calls Me: What if it's a friend? She gave me a serious look.. Me: Her name is Inganathi She looked at Venisa.. Mom: You getting married next month
Me: I know Mom: Go put the meat on the grill I went to put the meat on the grill.. INGANATHI I laid on the bed upset I should've just forced and went to work. I took my phone and called Kat he's the only friend I have... Kat: Ohw shit! Me: Bad time? Kat: Naa sorry I'm at the grill just burnt myself Me: Omg call an ambulance! Kat: Yeah that's funny I chuckled.. Me: At least you having fun unlike me
Kat: Not having fun with your sister-Boet in law? I laughed.. Kat: I don't know what to call him Me:

That's just wrong Kat: How about I take you out tomorrow? Have fun away from the drama at home
Me: It'll be our first time meeting Kat: Nervous? Me: No I'm not are you? Kat: A bit Me: Why? Kat: It's not everyday one goes out with a beautiful girl Me: I'm sure you have a girlfriend Kat: Surprisingly I don't
Me: That's indeed surprising Kat: Haven't been so fortunate with relationships Me: Join the club Kat: So two singles spending a day together? Consoling each other? Me: We can say so Kat: Let me get this done before my Mother grills me Me: Okay bye Kat: I'll call you later Me: Okay I hung up with a smile...
To be continued

09 KAT THOBEKGALE We were sitting outside at the back eating after our whole day preparation for this day. It my Mom my Dad Me and Venisa.. I looked at the time and it was 18:30. I had promised to call Inganathi and I needed an excuse to get off the table so starting an altercation with my Father would be a better excuse.. Venisa: You should come

with me next time when I go for fittings I am torn between 3 dresses Mom: I'd like that a lot Me: Grandpa helped a lot he contributed 500k towards the wedding as a wedding gift Mom: Vic cares a lot about his family Me: He does he is a better Father My Father looked at me.. Mom: Katlego! My Father got up and took his glass of whiskey.. Dad: Excuse me He kissed my Mother on the cheek and walked away. My Father can be unpredictable sometimes. When you try to annoy him he can ignore you sometimes he can act out.. Mom: See what you've done now? Me: It's okay I'll talk to him apologize I got up and walked out... INGANATHI This house is very stressful and very unhealthy. Zondiwe is mad most of the time about things only known to her. I was in my bedroom and I could hear her shouting ontop of her lungs I don't know what they fighting about this time around.. My phone rang it was Kat.. Me: How was the food? Kat: The food was delicious Me: The dinner gathering has finished yet? Kat: I made a promise that I'll call you and I've called you

Me: I'm flattered Kat: You should be I dodged a very important family dinner Me: Well thank you for your kindness Kat: Why are you single again? Me: He cheated and got the girl he cheated on me with pregnant Kat: Ouch! Did you at least cut off his dick? Me: No.. He's not worth it why fight its not like he forced her to be with him? He made his choice and that's that. For him to do that yes he went about it the wrong way but at the same time him doing that proves to me that he was not happy with me he went and looked for happiness outside. Why should I fight? It's no use Kat: Wow.. A woman who knows her worth. Most I know would throw a fit Me: Then change the women you know Kat: I think I should do that Me: What about you? Why are you single? Kat: The relationship was boring she was boring Me: That's rude Kat: Should I lie? Me: So you just let her go? Kat: Yes Me: At least you were man enough to let her go you didn't waste her time. Most men would cheat than to actually let go Kat: Change the men you know I chuckled.. Kat: Let me

go I am glad you okay Me: Okay Kat: I'll call you when I get back home Me: Okay.. Maybe a video call? Kat: You drive a hard bargain woman Me: Well I still need to know if you not a catfish Kat: We'll video call Me: Bye Kat: Bye beautiful He says he's single Sponsored but I've learned not to trust Men anymore. If he is single then that means a video call won't be a problem later. KAT THOBEKGALE I looked at the phone.. Dad: 500k is a lot to spend on a wedding that could potentially result into a divorce a few days later I exhaled then turned and looked at him.. Dad: That girl is excited about the wedding Me: And she will get the wedding Dad: What about the one you were talking too? Me: She's just a friend Dad: Just a friend? Me: What you want? My business is my business Dad: Your business is making my Father spend a lot Me: You not the one spending you shouldn't complain Dad: Man up and do the right thing! He walked away... INGANATHI I got out of my bedroom. True was sitting on the couch watching TV drinking beer.. Me: Hey True:

Hey Me: Where is Zo? True: Uphumile (She went out) Me: I know this is none of my business but.. I heard you guys fighting True: Ya it was stupid Me: It's only been half a day will you be able to survive? True: I don't know Inga I even think that I've made a mistake Me: Well I don't know and I don't wanna say much but you are a great guy True: Thank you I walked to the kitchen.. ZONDIWE I looked at Nkanyamba.. Nkanyamba: Zo Me: Bengithi ngizothola zonke izibusiso zika Inganathi Ngisho nomshado (I thought I would get all her blessings even marriage) Nkanyamba: uInga lo khona omsizayo (Someone is helping Inganathi) Me: Ngimbuzile Uphikile Inganathi ngeke aqambe amanga (I asked her Inganathi won't lie) Nkanyamba: Inganathi usebenzisa umlotha wamandiya phambi kokuthi bamnike bawubusisile (Inganathi is using holy ash before it was given to her. It was blessed) Me: Njani? (How) Nkanyamba: Thola wena lo mlotha uwulahle mina ngizokunika owami ozomxoshisa emsebenzini bese ke Indaba

izaqhubeka (Get this holy ash throw it away. I will give you a replacement then have her fired at work and then things will continue) Me: Ngiyezwa (I hear you) Nkanyamba: Futhi ke kukhona ahlekisana naye (There's someone she's communicating with in a romantic way) Me: How? Nkanyamba: Futhi kubo bacwebile (he comes from a rich family) Me: How is that possible? Inga needs to suffer! Ngeke ukhone ukubahlukanisa? (can't you break them up) He shook his head.. Me: You did it with her previous boyfriends what's special about this one? Nkanyamba: Bavikelekwe ubumnyama ikhehla leli lathengisa umphefumulo walo kuye uSathane.. Kukhona ke lo wesifazane obavikelayo Uma umuntu engazama ukubalimaza (They are protected by darkness this old man his grandfather signed his soul to the devil in exchange for riches. They are protected by this dark woman you can't touch them) Me: So what's the worst? Nkanyamba: Uma uDade engashadela khona yobe enze isivumelwano nobumnyama kanti ke lo wesifazane uzomvikela

naye. Uma esemvikela noma ungazama kuyogcine kufe wena nami ngeke ngikhone ukukuvikela. Lo wesifazane uSathane uqobo.. Njengoba ke nami ngiyisikhohlakali ngeke ngalwa ne Nkosi yami (If your sister marries into this family she will be in a covenant with this boy and darkness. This dark entity will protect her too if you try anything she will kill you. Even I won't be able to protect you this woman is the devil in disguise even I can't fight with my Master) Where the hell did Inga get this boy? . To be continued

10 INGANATHI The next morning I woke up and prepared myself for the meeting ahead with Kat. Last night we couldn't video call I passed out early but he did call. I just didn't pick up.. I was nervous it's not everyday you go on a date. My red string had come off as I was bathing it went down the drain. I'm sure Abdul will give me another one tomorrow.. Zondiwe walked in.. Zo: Good morning Me: Morning Zo: And then where are you going?

Me: Meeting up a friend in town Zo: Boyfriend or friend? Me: Friend Zo: Then why do you look so nervous? Me: I am not nervous Zo: Anyway you can't go it's Sunday. You have to cook a full Sunday meal Me: You are around can't you do it? Zo: If I wanted to do it then I would do it but I'm sick Me: Can't we make an exception for today? Zo: So your friend is more important than your responsibilities? Your priorities are not straight Me: I also need help around the house here and there Zo I'm only human Zo: Not this again Me: Your boyfriend moved in you find it appropriate for me to cook for him? Zo: You cooking for everyone Me: This meeting is really important Zo: If it's a woman she'll understand that women have responsibilities you not going Me: I am going Zo: It wasn't a question I walked to the door and unlocked.. Zo: What's the point of staying together if we don't help each other? Me: This house is depressing sometimes I need air from it. I need some fresh air go out and breath. I don't like it here most of the time Zo: Okay Just okay? I

expected a long speech.. I walked out.. KAT
THOBEKGALE I was due to meet Inganathi she'll
take a taxi to town and I'll fetch her from there..
Venisa: Good morning Me: Good morning She
hugged me from the back.. Venisa: You going
somewhere? Me: Yeah Venisa: We had plans to go
look for the wedding venue.. Remember? Me: We
can reschedule Venisa: If we do then we will be
forced to move to the back of the list that place is
always booked Me: We'll find another one Venisa:
But I really liked this one Me: We'll find another one
that you going to like Venisa: Okay what's wrong?
You haven't helped me with anything when it
comes to planning the wedding Me: That's why we
hired a wedding planner Venisa: You being involved
makes i- Me: God dammit Venisa! My family is
already paying for the wedding how much more
involved do you want me to be? She kept quiet..
Me: Now I'll see you later I kissed her on her cheek..
ZONDIWE I walked into her bedroom and searched
through. I needed to find something anything that is

off normal.. I searched and searched until I found it. The holy ash in her toilet bag.. Sneaky little thing!! Inganathi cannot find out the truth the truth about what I've done. Yes it'll take someone more powerful than Nkanyamba to help unlock what has been done but I can't have her knowing the truth... **INGANATHI** I texted Kat as I waited at some Cafe. I got myself a cup of coffee as I waited for him. I still couldn't stop thinking about Zondiwe and what happened Sponsored she's selfish. She can't help me but I do everything around the house.. I felt hands on my shoulders and a really good smell of a cologne. I heard someone whispering in my ear.. Voice: excuse me I'm looking for this lady that I am meant to meet up with. She was said to be the most beautiful girl in the room His voice was soothing.. I turned around and it was him. He looked much more handsome in Person.. Me: Hey I got up and moved the chair.. We shared a hug.. Kat: You good? Me: Yes I am and you? Kat: I'm good We broke the hug.. Kat: You look beautiful Me: Thank you you

don't look bad yourself Kat: Are you ready to go?

Me: Yes I am where are we going? Kat: You'll see

I'm taking you on a road trip He picked up my bag from the table and held my hand we walked out.. At

the doorstep I tripped. I was wearing a long skirt

with a long slit on the side.. Kat: Whoa.. You okay?

Me: I think so He crouched down and fixed my skirt at the bottom.. I put my hand on his back.. This day

might be promising.. ZONDIWE I kept on flushing it down in the toilet until it was completely gone..

True: Zozo? Me: I'm coming! I shook my head and

flushed one last time.. VENISA (KAT'S GIRLFRIEND) I

sat in the car crying. This marriage means the world to me. Kat and I met at work where he is working I

used to work there until my contract ended and was not renewed.. I love Kat I love him with all my heart.

He has put me through a lot of shit but I stayed

because this marriage is also very much important

to me. Marrying into the Thobekgale family that's

like winning the jackpot.. I started the car I had

called my Aunt. She'll be helping me pick out the

place.. I grew up with my Aunt and her kids. My Mother couldn't take me with when she got married to another man because he hated me so I was left to be raised by her sister. It was never a good environment being raised by someone who is not your Mother can be daunting. She showed preference more to her kids when this luck fell on me. I was happy to show them off. Now she worships me and I can't lose it all and find myself in that environment.. Even my job I didn't have a glam job was just an Admin. She refused to take me to school when I completed my matric.. INGANATHI He opened the door for me he was driving a Jaguar F-Pace a white one. Didn't know his job was paying this much.. I put on the seat belt.. Kat: Are you ready to go? Me: Yes He fixed the ponytail of my braids.. Kat: Then let's go He's such a gentleman his ex was very lucky to have him.. . To be continued

11 INGANATHI We drove out to the upside down house in Hartesbeesport. I have always seen people

posting about it never thought I would arrive here one day. It was a beautiful work of art very brilliant. Everything seemed so real I just don't know how they managed to fit in everything so perfectly. I got dizzy just by being under there I kept on thinking the fridge and maybe the bed might fall on me. Kat held my hand throughout the entire ordeal he seemed to be unbothered by it. Me: This is beautiful Kat: I'm glad you like it I took out my phone to take a few pictures.. ZONDIWE I went to see uNkanyamba and I told him about the holy ash he gave me a powder that looked like it that I can fool Inganathi with.. Nkanyamba: Use yenza ingozi ke uma sekaya kwabanye (She's going to be a danger if she goes to consult with other people) Me: uThembisile nje ukuthi akekho ongamnceda (you promised that no one will help her) Nkanyamba: Uma engathola onamandla angakhona ukumkhulula (If she finds someone powerful that person can free her) Me: Inganathi sasithembisene (we promised each other) Nkanyamba: Yena

uzanikwa izinto zizomkhulula lapho nalapho kodwa egcineni angeke akhululwe okuphelele (She will be given things that will help her partially but she'll never be helped fully) I sighed.. Nkanyamba: Khona ekumele ngikutshele kona (I have something to tell you) Me: Ngilalele (I'm listening) Nkanyamba: Zo uma kuza kwezothando awuphumeleli nakhona ngoba ngenza isithembiso (When it comes to affairs of relationships you not succeeding because I also made a covenant with you) I looked at him..

Nkanyamba: Kwamele ushade nami Kwamele ube uNkosikazi wami wesithathu (you have to marry me you have to be my 3rd wife) Me: Ini? (what)

Nkanyamba: Ngakuthanda mhla ngiqala ukukubona (I loved you from the very first day that I met you) I got up from the grass mat.. Nkanyamba:

Owangicela kona kukhulu unjenje yimi! Futhi awukaze wangibonga nango R10 (what you asked me to do was difficult you are what you are today because of me. You've never even thanked me with R10) I took my bag.. Nkanyamba: Yiko ungatholi nje

nabantwana ngakuvala uma ungakwenzi lokhu.
Ngizoncenda ulnga bese ngisebenzisana naye
ukushabalalisa wena (That's why you can't conceive
I closed you if you don't do this. I will help Inga and
help her to destroy you) I couldn't believe this!!..
Nkanyamba: Yikho ungashadi kanti nale soka
lizohamba (That's why you can't get married and
even this boyfriend of yours is going to leave you) I
walked out of his consultation room and put on my
shoes then made my way to my car.... INGANATHI
We walked back to his car.. Kat: Did you like the
tour? Me: Very much.. Thank you Kat: Should we go
grab something to eat before our last tour? Me: Yes
please He opened the door for me I got in and he
fixed my skirt for me at the bottom.. Kat: You
alright? Me: Yes Kat: Watch your arm He closed the
door.. Do such good guys exist? He's so much of a
gentleman always making sure that I'm okay.
Someone once said to me "If something seems too
good to be true it actually is".. I hope this is not the
situation with Kat.. VENISA (KAT'S GIRLFRIEND) The

venue was so beautiful.. Owner: You want a small and intimate wedding that's why this place is good for you. This area accommodates 45 guests max the band will be over there. Here on this part it's the dance floor. Your initials and his will be reflected on the floor Me: Wow it's beautiful Owner: Chandeliers will be up Me: I like it Aunt: I like it too Owner: Usually the couple comes together for such Me: My fiancé is busy.. Katlego Thobakgale you might have heard of his family. Vic Thobakgale is his Grandfather and his father is Tshepiso Thobakgale Owner: One of the richest family in South Africa we are so honoured that you chose our place Me: Then I hope this place will be as how I want it Owner: That is a promise ZONDIWE I arrived home heartbroken. So Nkanyamba was helping me for his own selfish reasons? I went to Inganathi's room and poured the powder in the package then walked out. True was out Sponsored said he's going to his Mother's house.. I went and sat in my bedroom I sat on the bed and continued crying.. I had my own

hopes that everything will run according to my wishes. I wanted to marry someone that I love not Nkanyamba. This is very wrong.. INGANATHI We went to some restaurant he opened the chair for me.. Me: Thank you He sat opposite me.. The waitress came and gave us the Menus.. Kat: Please start us off with cocktails you drink? Me: Uhm.. I'm not much of a drinker.. Kat: Good.. You'll enjoy the cocktail Waitress: Coming right up Me: This day is beautiful I'm actually enjoying it Kat: Never went on a date? Me: Not this one He chuckled.. He closed his menu and extended his hand to mine.. Kat: Would it be too soon if we start dating? I looked at him.. Kat: How many dates do we have to do before we actually start dating? Me: I.. My relationships Kat: "I.. My relationships" what? Me: I don't wanna get hurt again Kat: Don't give up on relationships just because of what happened in your previous one let's give it a try and see.. Would trying hurt? I looked at him maybe just maybe he might be the most positive part of my life. Everything seems to

be falling apart maybe this relationship might be something positive. Just one positive part of my life just happiness in this gloomy dark world of mine..

Me: Okay we can try Kat: Are you sure? Are you serious? Me: I am He kissed my hand.. Kat: Then we officially in a relationship I chuckled.. Me: What a way to propose? Is this high school? He got up and came to sit next to me.. The chairs were sort of mini benches like at spur. I put my leg over him he put his hand on my thigh.. He leaned over and kissed me.. I got a little rash goosebumps and an electric shock surged throughout my body. I've been single for approximately 3-4 years now.. He rubbed his thumb around my lips.. Kat: Then let's enjoy lunch Me: Yes.. Let's enjoy lunch VENISA We got back in the car I tried to call Kat but he didn't pick up.. I called the Lab one of his colleagues picked up.. Me: Hi.. This is Venisa. Katlego Thobekgale's Fiancé Her: Ohw Hi Me: I'm looking for my fiancé is he there? Her: No he's not.. He's off today Me: Ohw Her: I'm working alone he'll be working next week Sunday

Me: Okay my mistake I mixed up the dates Her: It's okay.. Enjoy your day Me: You too.. Thank you I hung up..

INGANATHI He got himself some prawns I stuck with what I am used too. Ribs chips and a salad. He still had his hand on my thigh and was using the other one to eat his dominant hand. His prawns looked delicious the sauce I moved my fork to his plate he looked at me. I looked at him too he raised his eyebrow. I gave him a serious look..

Kat: Suit yourself Me: Thank you Kat: Can I have yours? Me: Absolutely not! I moved my plate further away..

Kat: Wow! Why don't you have all my prawns then Me: Thank you I pulled his plate to my side..

Kat: You want my cocktail too? Me: No Kat: My phone? My car keys? Me: Don't be dramatic Kat: Just making sure He shook his head and kissed me on my cheek..

Me: Stop it He sucked on my cheek.. Me: Stop it! (laughing) . To be continued

12 INGANATHI Kat was handsome really handsome. I stole glances at him from time to time he had the

cleanest deadlocks I've ever seen. He didn't look 100% and entirely black but I don't know his Parents to make that conclusion as yet.. He forced to drive me home since it was late now it was around 20:00 at night.. Me: I had a great time today today Kat: I enjoyed too Me: I guess I should go Kat: Yaa I'll call you when I get home Me: Okay He put his hand on my cheek then kissed me Kat: Good night Me: Good night I got out of the car and walked into the yard he hooted at me before taking off.. For the first time in a very long time I was happy. I was very happy and in love. I had a good productive day and Kat is amazing. I'm not sure if it's possible to fall in love so quickly but I was. Each time I thought about him I'll get a warm feeling in my heart butterflies in my tummy. It was an amazing feeling to put into words.. I walked in and Zondiwe was on the couch watching TV there way I was in a good mood. Her sly comments won't get to me. Me: Hi Zo: Inga I walked to my room actually my Mom's room. I've been occupying her room ever since she passed on..

Zo: I didn't cook I was busy but I bought some takeaways if you want Me: Ohw thank you I walked in that was unusual.. An act of kindness that's a first.. VENISA I kept on downing the wine waiting for him to come home usually on Sundays he knocks off early.. 8:00-14:00.. I heard the door unlocking I waited for him to get to the living room.. He stood at doorway and looked at me.. Kat: Did someone die? Me: No He still looked at me.. Me: I have been calling you Kat: Work was hectic hence why I knocked off late Me: I called the Lab you weren't there He gave me a serious look.. Kat: You did what? What was so important that it couldn't wait until I got home? Me: That's not the point Sponsored you weren't there He gave me a serious look.. Kat: You did what? What was so important that it couldn't wait until I got home? Me: That's not the point the point is that you lied to me!! He looked at the wine bottle.. Kat: Do you see why? He walked to the bedroom I got up and followed him.. Me: Who is she? Kat: Ven not now He threw his

phone and car keys on the bed he took off his watch.. Me: We getting married next month then you go and do this? You doing this to me? Kat: Take a bath drink coffee and then sleep Me: No fuck you!! I walked up to him and started pushing him.. Me: You are a male hoe!! Even a month to our marriage you doing this!! No wonder your father doesn't love you and considers you a shame to his family!! Kat: What the fuck did you say? I looked at him.. Kat: Her name is Inganathi very beautiful and sweet girl. I spent the day with her and enjoyed it very much she actually made my day. She was lucid throughout the day she doesn't drink like a skunk she doesn't care who I am.. She doesn't even know who I am! And I'm beginning to think she's the one who deserved the ring Me: You bastard!!!! I made my way to him.. Me: You bastard!! He pushed me and I fell off the bed.. He took his car keys and phone.. Kat: You make me sick!!! He spat on me as he walked out.. INGANATHI I woke up the next morning and prepared for work. I used the holy ash

as always ate breakfast and left. It was very quiet when I left probably Zo left earlier than me.. I checked my phone and Kat hasn't text me since we last spoke last night. I texted him: "Good morning" It had only 1 tick.. I put my phone away.. KAT THOBEKGALE I was still sleeping when I heard someone sipping coffee loudly. I tried to ignore but I couldn't.. Me: When did you get home? I said that without even opening my eyes. Kb: Yesterday I opened my eyes and looked at him.. Kb: Why are you sleeping on Vic's couch? Last night after the incident I drove to my Grandfather's place.. Me: Why are you at Vic's house and not at your Parent's house? Kb: Why are you at Vic's house and not your Parent's place? Me: I asked you first Kb: And I'm asking you last We looked at each other and laughed.. I gave him my hand and he pulled me up to sit up straight. He sat next to me.. Kb: Trouble in paradise? Abdul: here is your pay for this month I wish you all the best This was absurd!! . To be continued

13 INGANATHI This was the worst time of my life this wasn't happening. I needed this job. I just can't

be unemployed I won't survive in this house. When I got home I took the holy ash and flushed it out of anger. I threw out the candles. What's the use of using these things when things are not not working out? I've been trying and trying but still.. Today it got to the point where I was tired emotionally physically and mentally. I don't even know what to tell Zo when she gets back. She's going to come off at me.. This was tiring. I'm 26 my peers are out there living life. They have achieved so much and here I am trying to get through life. I had made a decision that today I was going to end it all it was time. I was tired.. Kat's call came through.. Me: Please Dad: She means that much to you? Me: More than you think Dad: Okay but I'll put her on probation plus it'll probably give you time to think about who you really wanna be with. Her or Venisa I exhaled.. Me: Thank you Dad: I still need her CV as a formality can she come through tomorrow? Me: I'll talk to her.. Thank you Dad: It's temporary until I find someone fit for the position but if she shows any dedication then I might consider her permanently Me: Fine by me

You won't be required to live with the man you just go in the morning and knock off at night Me: Transportation Kat: We'll get you a driver Me: A driver? Is your family practice motsepe rich? Kat: Yeah that's something I need to discuss with you Me: Wait are you related to him? Kat: No but I.. I come from one of the richest families in SA.. I'm thee Thobakgale I laughed.. Me: Yeah right if you were part of that family I'd know Kat: I've spent a great deal hiding that I'm not just a Thobakgale but thee Thobakgale I laughed again.. Me: That's a good one He kept quiet.. Me: Ohh my God!! Ohh my God you serious? Kat: I hope nothing is going to change between us Me: So that means.. Vic is.. Wait Vic has Alzheimer's? Kat: You can't tell a soul it's not out in the papers we haven't made a statement yet so if

you going to work for my family. You are going to sign a Non-disclosure agreement. You can't breath a word about anything that goes down in my family

Me: Kat I don't know if I can do this Kat: What are you talking about? I have already spoken to my father Me: I mean.. Tshep.. I mean Ntante

Thobekgale Kat: Eish ya you can't call him that you either address him as Mr Thobekgale or

Thobakgale. It's not you he just doesn't wanna age gracefully Me: I can't believe that you are a

Thobakgale and you kept it from me? Kat: I need you there rather show up and fail than to not show up at all. You need to go get your Cv in order I'll be fetching you at 7:30am Me: Kat wait He hung up.. I

can't believe this.. Vic Thobekgale is the founder of the Thobakgale Pharmaceutical company and a college that deals only with Pharmcy. He's very rich they stinking rich. Vic retired years ago and his only Son Tshepiso Thobakgale took over who happens to be Kat's Father.. I've read and heard a lot about them that they actually create deadly diseases to up

their sales. Just deep and dark stories.. ZONDIWE I passed by at Nkanyamba's house he was sitting on the bucket turned upside down.. He was busy with his herbs.. I stood there and looked at him

Sponsored if True takes his business elsewhere it'll affect mine a lot. We are a team partners and I stand a lot to lose because most clients came with him. Me: You win He stopped and looked at me he put his cigarette off.. Me: I stand a lot to lose so you win He smiled a little.. Nkanyamba: Lihambile isoka? (did your boyfriend leave) Me: He left Nkanyamba: Kwakubi (that's bad) Me: Just don't expect me to live here or do what your other wives do

Nkanyamba: Cha vele akukufanelanga lokho (that doesn't suit you) I don't think he is after my money he has a lot of money. He is just after me..

Nkanyamba: Ukukubonisa nje Zozo ukuthi umuntu unamandla (Just to show you that I have power) I kept quiet.. Me: I have to go Nkanyamba: Kanti ke ngizaza ntambama (I'll come later) Me: Okay I walked away... VENISA I've been calling and texting

Kat since from early this morning and he hasn't gotten back to me.. I heard the door opening I jumped off the couch and downed the wine. Then I hid the bottle away.. I fixed myself.. He walked in and looked at me then proceeded to the bedroom..

Me: Kat Kat: I don't wanna fight Ven I followed him..

Me: I'm not fighting Kat: I slept at my Grandfather's place last night Me: I am so sorry I.. I am sorry I didn't mean all those things Kat: I'm going to take a shower and then rest I'd like some peace Me: Ka-

Kat: I'd like some peace He walked to the bathroom I followed him.. Me: We can work this out right? He took off his t-shirt.. Me: Kat I love you with all my heart He closed the door on my face.. This situation was hurtful..

INGANATHI I went to the Internet Cafe to sort out my Cv. I am not going to tell Zondiwe about this. They say don't count your chickens until they hatch she'll only know about this if I get the job.. This was the biggest blessing. I mean everything was falling apart my world had crumbled really bad and all of a sudden. This comes this big

opportunity comes.. God works in mysterious ways indeed.. After here I have to go and certify the documents.. KAT THOBEKGALE After showering I went to the guest room I know in the main bedroom Venisa will keep on annoying me with tears and endless "I love you".. I received a call from KB.. Kb: Saw your missed call? Me: Yeah Dad is bringing in a minder for Grandpa Kb: So fast? Me: It's an urgent situation Kb: Okay when is she starting? Me: I am not sure the interview is tomorrow Kb: Thank you for informing me he asked me to stay with Grandpa I don't mind Me: You wouldn't.. Look this girl she's very important to me Kb: He's hiring Venisa? Me: No.. Her name is Inganathi Kb: Wait aren't you getting married next month? Me: She's very important to me I just want you to know that Kb: Does she know you getting married next month? Me: That's none of your business Kb: You making it my business Me: She's mine and I need you to respect that Kb: Understood Me: Thank you I hung up.. INGANATHI After getting

the copies I took a taxi straight to the police station to certify them.. When I get home I need to pray and thank God he came through for me in a way that I didn't expect. I know that it's far fetched but I have hope. This opportunity wouldn't have come to me if it was not mine for the taking. I can finally consider moving out.. I smiled as I wiped my tears.. . To be continued

15 INGANATHI This was the most awkward thing ever Nkanyamba has never dined with us. It was the first and it was awkward this whole situation made Zondiwe to even cook.. It was also awkwardly quiet at the dinner table as we ate.. Nkanyamba: Kwenzekeni Inga ebusweni? (what happened to your face) Me: Ukushayiseka (I hit something) Zondiwe: How is work going? I looked at them.. Me: Work is going well I wasn't going to tell them about my interview tomorrow it's very important for me to get this job. I'll tell them when I actually get it.. KATLEGO THOBEKGALE After much needed rest I

drove out to my Grandfather's house.. KB wanted to talk to me.. Kb: We need to talk Me: I'm listening
Kb: We know that we are both set to take over when Pops die. Both the college and the company
Me: Yeah I know Kb: I've decided to go to school get those qualification and work for the company. With what's happening to Grandpa it's time we face reality you don't wanna run the company I have nothing to fall back on so at least let one of us run it
Me: No I hear you I think it's a good idea Kb: I'll go tomorrow and see if I can't register Me: I can't believe this is happening to Grandpa Kb: Me too.. He was a very strong Man Me: He was Kb: He keeps on saying things things that don't make sense Me: Like? Kb: We have to keep our Guardian Angel happy serve her faithfully and she will keep on blessing us Me: That doesn't well Kb: Hallucinations and delusions Me: Do you think we should involve a psychiatrist? Kb: We'll see I looked at the time.. Me: I have to go I'm going to work tomorrow Kb: Mom will come and look after Grandpa as I run errands

hoping your.. The girl will start soon Me: Yeah me too INGANATHI The next morning I woke up early I prayed at 4am for at least 30min. Praying for this day and my interview to go well.. Nkanyamba didn't sleep over Zondiwe drove him to his house and she didn't come back. Maybe she went to True's place to talk it over or something. I really don't understand women who do that. After how he treated us attacked us swore at us. Calling her a witch she'll be a fool to go back.. At least I have formal wear. I was wearing a white shirt baige Pants with matching heels. I tied my braids nicely and my face was still a mess the swelling hasn't gone down completely but I forced through with makeup I was even too nervous to eat and I finished early at 6:30. After my 4am prayer I couldn't go back to sleep.. It's funny how on social media Mr Thobakgale is almost every woman's crush. He was at some point mine you know how it is. Only for me to date his Son it's funny how things turn out.. ZONDIWE Last night I slept over at Nkanyamba's place. Funny how both

his wives have their own separate rooms and he has his own too.. I slept in his bedroom and as usual. We had sex loads of sex. Him being an Inyanga really works for him he's not disappointing in bed. I hate to admit he's always the best sex I have.. I woke up and dressed up I looked at the time I have to go to work and face my nightmare.. I got out of the bedroom it was quiet and clean around the house. His first wife her name is Nomvula Sponsored it was quiet and clean around the house. His first wife her name is Nomvula she looks to be in her mid 40s. The second one is Dlozi she seems to be in her early 30s.. Dlozi is beautiful a beautiful yellow bone. Nomvula always looks mad for some reason. I found Dlozi in the kitchen.. Dlozi: "Bayede Bayede Bayede. Bayede Nkosi yami.. Bayede Nkosi yami.." She had a beautiful voice too.. Me: Sawubona (Greetings) She looked at me and smiled. Dlozi: Sawubona Sisi (Greetings) She was preparing breakfast.. Nkanyamba's house is a 6 bedroom house beautiful and expensive furniture.. Dlozi: Will

you be joining us for breakfast? Dlozi looks educated I wonder how she got into this with Nkanyamba. Maybe the same way as me too.. Me: I can't I have to go to work Dlozi: Okay ke Sisi Nomvula walked in she looked at us.. Me: Sawubona (greetings) Nomvula: Yebo She looked at Dlozi.. Nomvula: Awuqedile yini? (you not done yet) Dlozi: Cha Dlunkulu (not yet) She looked at me.. Nomvula: uBaba unabantu ngeke nje waphuma uhambaze amabele ngaphandle (Nkanyamba has clients you cane just walk out here almost naked with your breasts out) I glanced down at my cleavage.. Nomvula: We Dlozi Dlozi: Dlunkulu? Nomvula: Awumnike isambatho avale! (give her something to cover up) Dlozi went to get me something.. INGANATHI Kat showed up I took my bag and went to the car. He was standing outside leaning against it.. Kat: There she is Me: Good morning He hugged me and kissed me.. He looked at me.. Me: Let's go Kat: Whoaaa.. Whoaaa.. Whoaaa He grabbed my arm.. Kat: What's going on

with your face? Me: Uhm it's nothing Kat: Look at me I looked at him.. Kat: Who did this? Your ex? Me: No Kat: Then who? Me: It's nothing Kat Kat: My girlfriend is bruised and I'm supposed to let it go? Me: My sister.. Her boyfriend came by they had an altercation and it turned ugly. I jumped in to defend him Kat: Who is he? Me: Kat let's just forget about it Kat: Who is he? Me: Let's forget about it he won't come back anymore He let go.. Kat: I'll find him with or without your help.. Get in the car! ZONDIWE Apparently I couldn't just leave had to have breakfast with the wives.. Dlozi had given me a cloth to put over.. We were eating brown soft porridge with milk and butter. Then juice and she also prepared some fruit salad and plain yogurt on the side.. Me: Dlozi you sound educated did you study? Dlozi: I'm a Teacher Me: That's nice Dlozi: It's school holidays so I'm not at work Me: That's good.. I'm in architecture Dlozi: Ohw that's nice Me: I have a company Dlozi: Women making it Me: Women making it Nomvula: Zondiwe I looked at her..

Nomvula: Kunesguqo sama Prophet ngomgqibelo
(There's some ceremony for prophets on Saturday)

Me: Ohw Dlozi: Dlunkulu is a Prophet so she has
prophets that are her initiates Me: I see Nomvelo:

Indaba enkulu la ekhaya kuyosiza ubekhona (It's a
big deal here you'll have to attend) Me: I can't.. I

have plans Nomvelo: Angik'celi nje (I'm not asking)

Me: Haike sozwa ukuthi uNkanyamba uthini (we'll
here from Nkanyamba) Dlozi smiled at me..

INGANATHI We were driving in silence.. I looked at
him Me: So now you mad? He kept quiet.. I put my

hand on his thigh he looked at me.. Me: I don't
understand I'm the one with the bruised face but

you the one mad? Kat: It's not funny Me: I'm not

laughing He concentrated on the road.. I shook my
head.. Me: So you going to be quiet all the way?

You should've said so.. I would've taken a taxi Kat:

Do you want me to pull over and you get off? I kept
quiet.. Kat: Yeah I didn't think so Me: This is just

stupid Kat: Another man lifts his hand on you and
it's stupid? I'm supposed to be okay with it? Me:

Going after him what will it solve? Kat: It'll make me feel better! Me: It's over he's not coming back Kat: How do you know? You not even sure! I rolled my eyes at him.. Kat: Otla ka Masepa nou neh? I took out my phone and kept busy with it and let him be.. . To be continued

16 INGANATHI Kat was still in a mood of his own I didn't feel like entertaining him. I didn't have the energy nor the time. This is not about him this is not about anyone else but me and my future.. He dropped me off and gave me cash for a cab. I sat in Mr Thobekgale's office and waited for him he was said to be in a meeting. The PA made me some chamomile tea to calm my nerves and biscuits.. I fixed my shirt I've been waiting for 30min when he walked in. The nerves shot through it was him. How does such a man be older and be this good looking also have such older Sons.. He walked straight to his chair his shirt was tight around his arms. I figure he still hits the gym. Looking at him he did resemble

the twins.. He sat down and looked at me which made me more nervous.. Thobakgale: Good morning Me: Goo.. Good morning Thobakgale: May I have your CV? I handed it to him nervously my marks are bad. It was embarrassing.. He didn't look at it he put it aside.. He took some papers..

Thobakgale: You got the job That was a shocker..

Me: I.. Thobekgale: Can you start tomorrow? Me:

Uhm.. Yes I can.. I can start tomorrow Thobekgale: I

don't have time to ask many questions I have a lot of work to get too so you hired Me: Thank you for

the opportunity I won't disappoint I promise

Thobakgale: That's a matter of opinion I didn't say

anything.. Thobekgale: Fill this in all your details and

read through. Sign at the bottom and my PA will

make copies for you every information is laid out

for you Me: Yes Sir He kept busy with the papers on

his desk. There was a long moment of silence he

looked at me.. Thobakgale: You are dismissed Me:

Ohw yes.. Th.. Thank you again I took what seemed

to be the contract and tried to push the chair

forward to the table and it tipped over and fell I even dropped the contract papers. I picked them up and tried to fix the chair.. Thobekgale: Just.. Just leave it go to my PA Me: Yes.. I.. Thank you again I took my bag and walked out.. ZONDIWE True came and packed up his things. After what happened at my house I had security in the office. Just to make sure it doesn't get violent.. Me: I wish you all the best True: Whatever Zo Nkanyamba has promised me that he will take care of it before I left this morning.. KAT THOBEKGALE I was at the Lab looking at Inganathi's pictures. It baffled me how she didn't even care about how angry I was Sponsored looking at Inganathi's pictures. It baffled me how she didn't even care about how angry I was she didn't entertain me. She just let me be.. I chuckled.. Sup: Thobekgale I looked at him.. Sup: It's great that you are on your phone while your team is very busy I sighed and put my phone away.. Sup: Thank you INGANATHI Following the non-existent interview. The PA asked the driver to drive me to the

Thobakgale Snr residence.. Reading the contract in the car I was going to work from 8am-8pm. If I have to put in extra hours then I'll be paid for them. Transportation was provided it all seemed well aligned. Like they were expecting to give me the job before the interview.. The salary was 15k and more if I put extra hours and a medical aid. Though I was required to study about Alzhemier's disease the assistant had given me a book.. I needed to go to the residence for a security pass and the tour of the house. This was happening and it felt unreal like someone was going to wake me up from this beautiful dream.. The house was situated in an area a bit far from other houses. It was a private residence with a long yard. There's people who actually live like this out there? In this life we definitely are accompanying other people. Certain people are living and we just surviving.. The security ran me through how they operate I was given the entrance code to the house. I must memorize it. I also signed a non-disclosure agreement it was just a

lot. It was almost as if like I was going to look after the President.. After the whole situation at the gate I was driven directly to the house and it was big. Big and beautiful.. At the door a beautiful chubby woman stood there I walked to her.. Her: Hi Me: Hi Her: You must be Inganathi? Me: Yes Her: I'm Snowey Vic is my Father in law Me: Mrs Thobakgale Her: No Dear just Snowey Me: Uhm okay Her: Let's go in so I can show you around Me: Okay We walked in.. Me: This house is big and beautiful Her: Don't worry only a few rooms are used. I looked at her left hand she didn't have a ring. If Vic is her father in law that means she is Kat's Mother.. Her: The good thing is that he can still bath himself take himself to the toilet. He can dress himself well so basically you are a babysitter Me: Understood Her: It's crucial to stay by his side as always Me: Okay She stopped and looked at me.. Her: I believe I don't have to stress much about confidentiality none of what's happening here should go out to the public Me: I understand Someone ran down the

stairs Kat ran down the stairs. I thought he was going to work.. Her: Ohw this is my Son KB My eyes widened.. Her: He's a twin Me: Ohh my God that's KB? Her: You know him? Me: Yes I watched his show Her: Ohw yeah that KB: Hi.. You must be Inganathi.. I'm.. Me: KB.. I am a huge fan KB: I can see He extended his hand we sealed it with a handshake.. Me: Your show it was amazing Kb: Not too amazing because they canceled it Me: Agh they just being unfair Kb: Probably.. Uhm I'm going to need my hand back Me: Ohw yes.. Sorry Snowey: Well then seems like you two will get along very well Kb: I hope so He kissed his Mother on the cheek.. Kb: I'm going out for a while Snowey: Okay Kb: It was lovely meeting you.. Me: Inga Kb: Inga He walked away whilst running his hand on his deadlocks.. Snowey: He's single by the way I looked at her.. Snowey: Let me give you a tour of the house I followed her.. VENISA I was meant to meet up with Snowey at a restaurant but she couldn't make it so she had me drive to Vic's house.. Security: You can

go through Me: Thank you I drove in.. As I was about to pull up at the driveway I saw KB's car pulling out. I gave him some space he hooted at me.. I parked and then got out I made my way to the door.. . To be continued

17 INGANATHI Someone rang the doorbell we could hear from upstairs.. Snowey: Seems like we have a visitor We both went downstairs in the middle of the kitchen stood a very beautiful girl.. Snowey: Ven Ven: Snowey We went to her they shared a hug.. Ven: You look beautiful I like your dress Snowey: Thank you you look beautiful too She looked at me.. Snowey: Oh.. Ven this is Inganathi she's going to be Vic's Nurse Ven: Ohw hi Inganathi Snowey: Inganathi this is Venisa my Daughter in law. Katlego's Fiancé my other Son That came as a serious shock.. Ven: It's very lovely to meet you I looked at her ring as she hugged me.. Snowey: Sorry I couldn't meet you Ven: No it's okay.. But tomorrow I'm going for the fittings I'd like you to be

there Snowey: I'll be there Ven: On my 3 different dresses I would like your honest opinion on them Snowey: Venisa and Kat are getting married next month I faked a smile.. Me: That's lovely Snowey: Well you should get a dress because Vic will be attending as his Nurse. You also have to be there My chest closed in I swallowed.. Snowey: You going to have 3 dresses? Ven: Yes the actual dress and then the dress I'll be wearing at the reception. The other one is just an extra back up Snowey: That's beautiful Me: I don't mean to sound rude but Mr Thobakgale's assistant gave me books to read on Mr Vic's condition. I think I should go home and read Snowey: Yes.. No problem Me: It was lovely meeting you Venisa Ven: You too Inganathi I walked to the door this was an embarrassment.. Snowey: Such a lovely girl ZONDIWE My best friend walked in.. Him: Wee Oee (my friend) I looked at him as he sat down.. Him: Uthi uyasebenza na (You work a lot) Me: True quit and took his business elsewhere so Him: Why? Me: Long story Him: Are you two still

together? Me: No.. Not anymore Him: Kwaze kwakubi (that's bad) Me: So what brings you here in my dark corner? Him: It's confirmed this Saturday we going out. I've already booked the club so Saturday I have this thing with the prophets but that's not my business. That's Nomvula's business and not mine Me: At what time are we leaving? Him: 16:00 Me: Okay lovely.. Maybe this is a break I need Him: That's true my friend INGANATHI To say I was hurt would be an understatement. I was shattered. I really had feels for Kat and he lied to me. This is worse than cheating so I was going to be a side chick? That girl looks beautiful and friendly. She seems like a nice Person she also doesn't deserve this. Neither do I by the way. He called again Sponsored she also doesn't deserve this. Neither do I by the way. He called again I've been ignoring his calls throughout. I picked up.. Me: Hi Kat: Did the interview take that long? I've been calling Me: Yes I just got home Kat: How did it go? Me: It went well I got the job Kat: That's good that's

nice. I'm happy for you Me: Thank you Kat: Now I'll see you more often Me: I went to your Grandfather's house I met your Mother. She's a lovely woman Kat: Don't be fooled by the beautiful smile she kicks ass Me: Also met your Brother KB. Kat: Ya he's back and please don't let him get to you Me: You know who else I met? Kat: My Grandfather? Me: No.. Your Fiancé Venisa Kat: What? Me: She stopped by He kept quiet.. Me: Very lovely girl Kat: I can explain Me: You mean you can lie your way out of the situation? Kat: No you don't understand Me: Help me understand this.. Do you have a Fiancé by the name of "Venisa" Kat: I do Me: Are you getting married next month? Kat: Yes Me: Thank you Kat: Inga wait I hung up.... VENISA So that's the Inganathi Kat is really into this girl so much that he brought her here. I know she didn't just stumble on the job.. Me: What qualifications does she have? Snowey: I'm not sure Thobakgale is the one who hired her Me: Okay.. I could've done the job especially since I am currently unemployed

Snowey: You'll get a job just concentrate on the wedding and then after. You can start looking Me: Yes.. Especially the stress of the wedding it's too much Snowey: Weddings seem stressful Me: It would be nice if Kat helped Snowey: He's not? Me: Not at all Snowey: It's supposed to be the most important thing to the both of you Me: I don't think he's taking it seriously Snowey: Kat is going to be the death of me Me: Now I'm suspecting he's cheating Snowey: Kat has always been stressful out of all the kids I'll talk to him Me: Thank you

INGANATHI Kat was blowing up my phone that I had to switch it off. Before I could get to the books I started cooking dinner.. I should've known that this was too good to be true a Person like Kat. They don't come single.. I chuckled.. How could I have been so much a fool? To actually believe he's single? People aren't single. I believe I'm probably the only single Person right now.. Despite what Kat did to me but this job is very important to me so I won't let what he did get in the way of my and this

job.. Plus it's not like we had an actual thing going we were just starting and that was it.. ZONDIWE Michael walked into my office.. Michael: Boss Me: Hi Michael: How are you? Me: I'm good Michael: You haven't heard? Me: Heard what? Michael: True got into a car accident after he left here True and Michael are good friends.. Me: What? Michael: I just got the call Me: How is he? Michael: I'm not sure I'll wait for his Mother to call again Me: That is very terrible Michael: It's very unfortunate Me: Too unfortunate thank you for letting me know Michael: Anytime He walked out and I smiled a little... KAT THOBEKGALE I knocked at my Supervisor's office.. Sup: Come in I walked in.. Me: I'd like to put in my annual leave Sup: That's new you don't take annual leave Me: The wedding is close I'd like to be more hands on Sup: Yes of course I understand.. Please sit down so you can fill out the form I'll clock it in Me: Thank you I took the forms and started to fill them out. . To be continued

18 INGANATHI Now I had to tell Zondiwe about the job because it's official and she'll notice when I'm being dropped off.. Zo: I'm so happy for you Mntaka Ma She was actually tearing up.. Zo: At least now kuyakhanya see how Nkanyamba has helped? You were even losing hope Me: That's true I was contemplating suicide too Zo: Aww Inga who was I going to be left with kodwa? Me: Ya now I have hope ukuthi life will change for the better Zo: Now you can also have your own things you can buy a car. Ube nezinto ezinhle (have beautiful things) I nodded.. Zo: You have to go to Nkanyamba ukhanyise umbonge (You have to go and thank him) Me: I will Zo: This calls out for a celebration I mean the Thobekgales woowoow. You set for a long time do you see amandla ka Baba (Do you see how powerful Nkanyamba is) Me: Indeed he is I had lost hope and he didn't Zo: When you get paid we must do a little ceremony to thank the ancestors. They also came through bakuvulela Me: That's true Zo: This calls for celebration plus we still have our left

over Amarula. We going out this weekend you coming take it as your celebration I watched her as she walked away. Amazing how people suddenly treat you better when you get better.. VENISA Kat walked in right as I was preparing dinner. His favorite meal.. Me: Hey honey you just in time He closed the door and looked at me.. Me: I prepared your favorite He nodded.. Me: What's wrong? Kat: I believe you met Inganathi today Me: Ohw yes such a lovely girl Kat: What were you doing at Vic's house? Me: Snowey and I were suppose to meet so she had me drive there Kat: Okay.. The wedding is off Me: What? Kat: You couldn't just wait to tell her were you tailing her? Maybe on social media to know about this? Me: I didn't know about this it was a coincidence. Plus I didn't tell her your Mother did. Maybe if you have tipped her off then Kat: Whatever Ven.. The wedding is off Me: I don't understand what I did wrong here! You the one cheating Kat: I don't love you at least not as how I used too.. I can't marry you Me: You only realizing

this now? After this girl shows up? Kat: I've realized it long time ago Me: If this girl didn't show up were you going to do this? Kat: It doesn't matter Me: Kat you can't do this Kat: It's already done He walked to the bedroom.. Me: Kat I'm pregnant He stopped.. Kat: What? Me: I'm pregnant Kat: That can't be I thought you were on contraception Me: I laid off long time ago Kat: Without discussing it with me? Me: I didn't think it was important Kat: You can't be pregnant at least not now Me: I am pregnant so if you moving in with Vic. We moving in together I went back to what I was doing..

INGANATHI The following morning I woke up and prepared myself for my first day. I won't be wearing any uniform because the family doesn't want people knowing about this. A uniform will give it away.. I wore my jeans sneakers and a t-shirt. I figured I'll be doing a lot of walking up and down for heels. Sneakers are more convenient.. Zo had prepared breakfast for me.. Zo: And there she is Me: This was not necessary Zo: Ohw please.. Sit down you have time

right? Me: A few minutes before the driver comes I sat down.. I will discuss this with her as time goes on about everything that has been happening between us. For now I wanna enjoy my job at least for this month.. I checked my phone Kat has left me a lot of messages on whatsapp: "Please don't do this to us" . "Please can we talk?" . "I called off the wedding Inga I don't love her anymore" Me: Pshhh lies lies lies!! Zo: What now? Me: Nothing She sat down and we ate.. KAT THOBEKGALE Her phone rang until it sent me straight to voice mail.. Me: Come on this is ridiculous! I had go through all night without talking to you Sponsored it was torture. I miss you can we talk? I love you Ven walked in.. Ven: Here's the pregnancy test I looked at it.. Ven: Kat I did not plan this Me: You can't move in Ven: What am I supposed to do Kat? I am a pregnant woman. 4 months pregnant with your baby where am I going to go? Me: You can stay here I'll still pay your rent and give you an allowance She walked up to me.. Ven: Is this girl more important than our

family? Me: We have problems Ven: That we can workout She knelt down in front of me I was sitting on the bed. She placed her hands on my knees..

Ven: Please Kat don't do this Me: What are you doing? She ran her hand on my sweat pants up to my crotch.. Me: Ven She squeezed it.. Ven: I love you

INGANATHI The driver showed up on time and we left. I read a few things about Alzheimer's disease the basics and how to handle a patient with one.. Vic Thobakgale's is starting to cause dementia must be difficult losing your memory. I wonder how deep it has gotten. I listened to his voice message and cleared it from my mailbox then put my phone away. I looked out of the window as we drove to the Thobakgale residence..

VENISA I knew that at one point I had to trap Kat with a baby. I've known for a while now that I was pregnant I actually tricked him I laid off on contraception a long time ago.. I hated drinking the wine that night but I was under a lot of stress and pain. Now that Kat knows I hope things will get better.. My legs were over his

shoulders as he had lodged himself deep inside of me.. Pumping me for dear life taking out his Frustrations. I was screaming but not too loud and I squeezing my breasts.. Me: Ohh my word.. Ohh my word.. He had his hands placed on my waist.. He moved one and grabbed my neck lifted my head up a little.. Me: Ohh my word Kat.. Yesssssssss..
