My mother decided to cool down an let me live in her house, I thank my aunty for that cause if it wasn't for her I wouldn't be here maybe I would have slept in the street an got raped by rascals in these wicked streets, right now am in my bed thinking about my father he was a generous man, who always had my back I will miss him I don't know why God didn't take my mother instead I heard a banging in my door

Mama : Wake you fool those dishes won't wash themselves, don't act like a madam in my house cause I will slap you so hard you'll vomit all the witch medicine you have in you, WAKE UP

I then heard footsteps leaving the door I wonder what did I do to deserve all of this, I woke up did my morning hygiene after a while when I went inside my room from the bathroom I found her waiting for me holding a belt while tapping her feet down

Mama : So I should wait for you? Do you think this is a hotel?

Me : No

Mama : You back chatting me? Ngiyalibeka nawe uyalibeka 😞 (I say a word an you say it back)

Me :...

Mama : Am talking to you full now lie down

Me : Mama am sorry 😞

Mama : I said lie down now

She whipped my hands an I jumped, I lay on my bed she whipped me so hard in the ass I screamed crying asking God why didn't he take my mother instead 😞😞

Me : Am sorry Mama 😞

Mama : Next time if you not in the kitchen by 5am in the morning I will skin you alive 😞 now wake up from that bed the house is dirty you filthy pig nx 😞

She whipped me for the last time an walked away I tried to move but my bums were sore 😞😞 I curse the day I was born this is not life

Me : Papa you gone too soon 😞😞 oh Papa please come back to me

After some minutes I went to the kitchen an cleaned the house while limping cause my bums were sore, I was wearing my bum shorts well a yellow bone, with an ass for days I will describe myself later, when I was done I sat down for a while cause I was tired, she came an looked at me like I disgust her well am the only child she have I wonder why is she mistreating me 😞

Mama : NONTOTBEKO 😞

I stood up an went to where she was when I got there she took the glass that she was holding an threw it at me but I ducked in time while screaming

Mama : Uyangihlanyisa wena (You make me crazy yeeer) where is food must I remind you to make me food? An why are you dressed like a slut in my house go an change now 😞

He took me down an up with looks while disgusted, I don't know what is wrong with this woman, I went to my room an wore my black umbrella skirt an went downstairs when I got there some visitors were there to see my mother an she was in the mattress pretending as if she's mourning, she cried more when she saw me

Mama : She left us, oh my baby will grow up without a father😞😞

MaKhoza : Oh Mma Simelane we are sorry hle I know it hard but you will have to be strong for you an your daughter

Today is the 5th day after my Papa's passing an  
the family said that they will come today afternoon  
cause they are just not in the mood of my mother  
who is a dragon to everyone, I always wake up at  
5am an clean the house sometimes I don't even  
know what am cleaning cause am always doing  
one an the same thing, Everyday my mother beat  
me up an always complain that am not good  
enough, She is the only mother I saw when I was  
young so I don't even think that there's a

possibility that she's not my mother, cause even my friends from highschool says that we do lookalike I just don't know what went wrong cause she doesn't love me it's like am a curse to her life 😞, When my Papa was alive she would mistreat me but when he's back from work she will pretend as if we all good or she'll complain that I don't listen I just don't know what to do with her 😞 cause I love her but she doesn't an now that my father is gone am really feeling her wrath 😞 I woke up an did my morning hygiene the time is 4:30 cause I don't want to be late that woman would kill me, after my bathing I wore my black body hugging knee length dress, black push ins and black doek just because I have to respect the death of the only person who made me matter in this world 💔

Me : God As Am starting this day please be with me, make my mothers heart be kind today an not beat me up Amen!!

I always pray like this but it doesn't seem to be working for me cause my mother always breaks my heart, I went to the kitchen an did a spring cleaning am no good cleaner but I try when given chance to so I guic that what makes my mother be this evil towards my cleaning, I heard a knock at

the door so I went open and I was met by a guy that I don't know

Guy : Uhm Hey 😊

Is this guy smiling at me like a idiot

Me : Hey It still in the morning so what can I do for you?

Guy : Am Msizi

Me : You here to tell me your name? I don't have time for this am cleaning. Msizi : No I was sent by my mother. Me : Early so?

Msizi : It's already 6:30

Me : That doesn't mean anything it still morning

Mama : Who are you talking too wena slima sengane? (You fool of a child)

She came to where am standing when she saw this Msizi guy she smiled

Mama : Oh my son 😊 am sorry that you had to come at such a wrong time of me playing with my child 😊 Isn't baby

She was holding my waist very hard am sure I turned pink right that moment

Me : Yes Mama

I pretended to smile an this idiot of a boy is smiling too 😊

Msizi : It's okay my mother sent me to you Mama

Mama : Oh go to the lounge I'll meet you there

Msizi entered the house an went to the lounge as instructed

Mama : What were you talking about with this boy?

Me : Nothing

Mama : Let me hear that you dating boys I will send the holly ghost fire to burn you to ashes an clean that kitchen it stinking just like your rotten

self 😞 oh I remembered who will date your ugly  
self just focus on cleaning this house an taking  
care of me boys are not your department, How I  
wish I had another child not you nx

She went to the lounge angry at I don't know what,  
I ask myself how can a person always makes you  
sad with words, a person always kills you with  
words just because of the hate she have for you an  
you don't even know what you did to her 😞 I went  
to the kitchen an did all the cleaning after  
sometime I made something to eat for the queen  
of the house, she came to the kitchen

Mama : I've been waiting for food Ntobeh why are  
you lazy today?

She said looking around the kitchen an she shook  
her head an looked at me with disgust in her face

Mama : At Least you can clean 😞😞 Make me food  
am hungry

I was done already so I just gave it to her an went  
to her room to clean cause am the one who

prepares her bed when I got there I was met by a used condom 🤢 Is this woman really fucking around while my father is in his grave

Me : I saw something that I shouldn't

Mama : Oh so now you sneaky checking my room as if it yours?

Sean

My name is Sean Bailey am 35 years old, I don't work our family is just plain rich we don't work or studying cause we don't usually be seen outside because of some reasons that you will come across as the story goes by, so ever since I was young my family used me cause am good at a luring a girl to love me than deliver her to my family but now am not interested fine we not allowed to fall in love cause it will only complicate thing, my grandpa used to say that we can even date one another but that is something that I wouldn't do imagine dating your own sister it's like doing the most disgusting thing ever, so today am going to Gateway to check on this girl they are telling me about, they say she works at hyper checker an when I get there I won't even ask I will just see her, I did my morning hygiene than wore my clothes cause we always wear things that will cover our whole body we even uses umbrella, well I didn't like to be like this but was born like this, Once am done with this girl am definitely done with everything if they want to kill me I'll let them do it I went downstairs to be met by my sister, let me tell you about her ever since our grandpa told us about us dating each other, she's been flirting with me an it disgust me cause

even if I was a horny pervert I wouldn't even go for her

Jane : Hey

Me : Yeah need a drink

Jane : In the fridge

I went to take out something to drink in the fridge when I was done drinking I took my car keys and went to the car it's a bit chilly today so I drove out of the gate to gateway it's not a long journey when you in uMhlanga, after a couple of minutes I entered the mall

I went straight to checkers although I was dragging my feet's 😞 when I got there I bought some chocolate then went to the cashier to pay

Me : Can you help me I want to pay

When she turned I just felt my stomach turning and I closed my eyes after sometime I opened them and sure they turned colour and I saw a panic look in her

Her : Am so sorry are you okay?

Me : No I mean Yes am okay I need to pay for this

Her : Am only a packer so can you please wait or use another till 😊

Me : No I'll wait it's okay

Her : Your voice sounds familiar

Me : Oh

Snap I called her yesterday, she can't know right now

Her : Am being paranoid sorry

The cashier came to us an she did her things in the till, I don't know but something is definitely not right here, I looked at this girl once again an I find that she's also looking at me

Me : Thank You

Cashier : It's okay, uhm Ntobeh can you please take this slip an give it to the manager cause am swamp at the moment

Ntobeh : Okay no worries

When she was about to go any further he friend called out for her I was just standing there I don't know why

Cashier : Ntobeh you have a situation 🤔

Ntobeh : Don't tell me that am... I mean...

They talked in sign languages that moment it sink in me that actually I saw a trail of blood in her leg when she was walking away

Ntobeh : I didn't even bring any today

Cashier : It's in my bag I will give it to you once am done here babes don't worry...uhm sir is there anything else?

Me : Me? Oh No nothing else thanks a lot

I went my way am sure they must be thinking that am weird cause yes I am weird 😞

Ntobeh

I've never been embarrassed in myself before I mean I've always been on my periods but what happened today is unusual I don't know what happened an the way that guy was watching me it is like he was asking himself what kind of a girl I am cause no lie I didn't even feel that blood flowing down my leg 😊🤔 am glad that Sebe helped me cause if she didn't I wouldn't have not know what to do worse I don't even have money to buy pads an even my transport money is not enough, my mother doesn't care at all about all of that I really don't what I'll do cause if I don't get money for pads I'll have to use the one I use for transport, it's already late an am going home now from work, I was on my way to the taxi when I heard a hoot behind me I wondered who is that so the car parked right beside me an it was the white man who was in the store today, the one who saw me in blood 🤔 such embarrassment

Him : Hey again

Me : Hi

Him : Can I take you home? Or to your rank

Me : No don't worry my rank is just here

I said pointing at the taxi's that were in front of us

Him : Okay am guilty, I saw you today an I just couldn't take you off my mind am sure you saw how I looked at you earlier on

Me : Oh I thought that maybe you.... \*\*clears throat\*\* nothing

Him : Get in I won't do anything to you I will just take you home

Me : How do I trust you an worse my mother would kill me if she was to hear that some white man I don't even know took me by his car to home

Him : Come on Please

I tried to deny him but he was really groveling an I eventually gave in am in his car I know what you thinking that maybe I shouldn't have trusted him so easily but this is what you must know I don't have money for pads so I should start saving

Sean see that Ntobeh is scared an she should be that what he thoughts to himself

Sean : Am Sean Bailey

Ntobeh : Ntobeh Simelane

Sean : I don't know if I'll ever know to pronounce your name well 😊

Sean has never dated a black girl ever again,  
Ntobeh is the first girl

Ntobeh : Just call me Nto

Sean : Ntho

Ntobeh : don't worry if you were to say Run Ntho I would 😊

Sean : But don't laugh, I don't even know your language but am sure you will teach me

Ntobeh : Surely I will

Sean : So what happened earlier on usually happens?

Ntobeh didn't want to talk about this especially to a guy who she doesn't even know, all along Sean was driving

Ntobeh : I don't wanna talk about that

Sean : Why?

Ntobeh : Because am not comfortable

Sean : Oh I understand

He pretended to smile while looking ahead on the road, he really wanted to know if he's gonna have a problem keeping up with Ntobeh or not cause nothing like this ever happened to him ,after a while they were outside Ntobe's home

Sean : Am sure this is where you live

Ntobeh : How did you know where I live? 🏠

Sean : You told me

Ntobeh : I didn't tell you anything 🏠

Sean : Come on Ntho when we were busy laughing you told me 😊

Ntobeh doesn't remember telling him but she's gonna let it slide, she got out of the car

Sean : I will call you

After that he drove off leaving Ntobeh thinking how will he calls her cause she didn't give her the number this guy is really weird ,she got inside the house an was met by a hard slap from Bra Des 😞

Bra Des : You slut

Ntobeh : You slapped me? 😞 who gave you the right to do that?

Bra Des : I own you bitch

He slapped her once again an this time it was with force

Ntobeh : Oh God 😞😞😞

Bra Des : IF You think slapping you is a huge thing? I will show you what am made of

He took out his gun from the back an Ntobeh just peed on herself while crying

Bra Des : I see your mother didn't tell you about me

Ntobeh : Please forgive me Bra Bes

He smacked her with the back of a gun an Ntobeh screamed while falling down on the floor her mother was nowhere to be found 😞

Bra Des : I paid a lot of money for you to ride expensive cars like a bitch who is a prostitute😞  
Now I will teach you the lesson that will make you even think twice of doing this shit you just did  
nx 😞

He whipped her an kicked her while cursing an shouting, Ntobe's mother sold her daughter to Bra Des cause she wanted money an to be taken care off without telling Ntobe who is now facing the wrath of Bra Des 😞

Mama : Whoa

She screamed loudly coming inside the house when she saw her daughter being beaten ,she tried to go an help but Bra Des pushed her so hard that she fell an she cried out loud

Mama : Bra Des don't kill my daughter 😞😞

Bra Des : If she stops behaving like a bitch than I won't because you are the one who came to me and told me that you have a situation of not having money so I helped now your daughter is cheating with that bastard I don't even know, did you tell her that am her man now? Or you enjoying my money for nothing

Mama : I was gonna tell her tonight cause you saw that she saw you today in the morning

Bra Des : I don't care if you don't control your dog I will do it for you

He stormed out leaving Tshidi crying her lungs out cause even though her and her daughter don't get along but she doesn't wish her bad things.

Ntobeh

I woke up in the hospital an my whole body is on fire when I looked up I saw Bra Des an my mother I wonder what they are doing here because all of this is their fault 😞 I tried to move but I felt a sharp pain in my thigh

Mama : Oh God you awake 🙏

This woman with her crocodile tears I hate her with passion an I wish I could just pack my bags an leave but who am I kidding I don't have money I won't even last a day without her cause she can at least provide food for me, the doctor came inside the ward

Doc : You awake

I just nodded cause obviously am awake he can see that

Doc : The cops will be here for statement

Me : Statement ?

I said looking at Bra Des who gave me an evil stare 😞 I just got scared an had a flashback of what happened to me 😞 this man is so heartless

Doc : Yes because the man who brought you here said that he found you in the street cause the car just left you beside the road

I just cried at how cold is this man how could he leave me beside the road an how did my mother agree to this blasphemy 😞😞 this life is not good an I will end up dying if I don't get out of it, the doctor checked me up an when he was about to get out someone else entered wearing Weirdly

Narrated

When Sean entered the room he looked up and their eyes met, he wondered what happened to her, Bra Des was fuming with anger cause he don't want any guy beside her woman as for Tshidi she wanted to know who is this

Sean : Good Morning

Bra : Morning ain't you lost?

Sean : No am here to see Ntho

Mama : Who are you?

Ntobeh wanted the earth to swallow her cause she knew that Sean will be in trouble if he doesn't get out of this ward now 😞

Sean : Am Detective Bailey

He said looking at the two scared looking people

Bra : Oh Detective we will not keep you waiting,uhm Tshidi let's go outside

They went outside scared that maybe Ntobeh will reveal the truth to the Detective

Sean : What happened to your face an body

Ntobeh : I fell

Sean : Ow you fell where? Cause your house is just a four room with no stairs

Ntobeh looked away cause she was just lying to save Sean from being caught in between all of this

Ntobeh : I can't tell you what happened an how did you find me are you following me

Sean : Don't worry about that what I want to know is why you protecting whoever did this to you?

Luu : Are you okay babe?

Sma : Yes am okay just feel like going home

Sabelo : Why?

Sma : Butt of wena 😞

She stood up and walked away with Lubanzi calling her but she wasn't hearing it when she was in the corner she got startled cause the person who was in front of her was the last person

Lunelo : Move

She didn't hesitate she just backed away slowly going back to the table when Lubanzi saw all this he hid under the table but Lunelo already saw him so he went and took him out by his ears whereas everyone wanted so badly to laugh

Lunelo : Date?

Sma : Ndiyaxolisa Tata (am sorry daddy)

Lunelo : You have a long punishment coming your way young lady an you Lubanzi what were you doing hiding under the table?

Luu : Tata please forgive me, we were invited so we wanted to come

Lunelo gave Sabelo a death stare

Lunelo : Why?

Sma : We were just playing around

Sabelo : Who is that?

Muzi : The girls father

Sabelo : Remind me to never touch his kid

Muzi : Why were you touching her?

Muzi : I suggest you stay the hell away from her cause that man is not to be messed with, worse you a player so stay the hell away from Smangele don't say I didn't warn you

Sabelo didn't even care about the so called Smangele so staying away from her will be just easy 😞

Sean was in the ward watching the sleeping Ntobeh, he took his time to look at her beauty well

Sean : Not bad 🤔

He kept on looking at her and it's already late his family is busy calling him but he isn't answering he will get back to them later, Ntobe's mother entered the ward

Tshidi : What are you doing here?

Sean : Oh I didn't know that you still here

Tshidi : I will sleep here, I asked you what are you doing here cause I didn't hire any bodyguard for her

Sean : Who are you to her?

Tshidi : Am just her neighbour

Sean : Are you honest?

Tshidi : Yes

Sean : If I find out that you lying what should I do to you?

Tshidi : Am not lying why would I?

Sean : Let me hope for your own good you telling me the truth

He was about to leave when Ntobeh woke up and saw them

Ntobeh : Mom shouldn't you be at home?

Sean looked at Tshidi who just looked down with embarrassment because of being caught so easily

Sean : I was just leaving, call me if anything happens

He said looking at Tshidi

Ntobeh : I don't have your numbers

Sean : Use the phone, my brother gave you in the store the other day

Ntobeh : You are the one who called me that day?

Sean : Yes so give me a call

He left Ntobeh thinking at what is going on, why is Sean caring this much it doesn't make sense, what does he wants from her

Tshidi : You have white boyfriends now? Is that what I taught you

Ntobeh : You the last person to talk about that cause you sold me Mama

Tshidi : I will slap you if you think you better than me, just because you in hospital doesn't mean I can't slap you an than live like nothing happened

Ntobeh : Mama the truth remains you sold me 😞

Tshidi : What was I suppose to do? Did you have better options huh?

Ntobeh : Work mother like every woman in this world

Tshidi : Oh work for you? Listen here this is the world an we have to do whatever it takes to survive an hustle so if it means sell you than I will do it again an you won't even stop me 😞 now stay away from that man I won't repeat myself I will just kill you myself nx

Tshidi walked out with fear an she saw something in that man's eyes when he found out that she was lying to him, As for Ntobeh she wanted to escape in this hospital cause she can't deal with her mother, even if she stays in the street she doesn't care as long as she's out of her mothers sight

Sean

I drove home, there's nothing I hate than a person who lies in my face, that woman is a liar an I don't trust her, I went home an I know that curse of a sister is waiting for me I don't know why can't she just leave me the hell alone,after a while I got inside the house to find all of them in the lounge

Me : Afternoon

Mom : Come this side

Me : Will come back just now

I went upstairs to my room to freshen up first, when I got there my phone rang an it's Ntho so I answered

Me : Hello

Ntho : I need your help

She's whispering I don't know why cause she's alone

Me : With?

Ntho : I need to be away from my mother

Me : So how could I help you?

Ntho : Maybe you can help me I don't know how Sean but please

Me : I don't know what help you want from me so I suggest you call me when you figured out what you want from me and what I hate the most is that I asked you what happened to you and you decided to lie to me which only means that you and your mother are cut from the same cloth, Now listen to me call me for something more important

Ntho : \*\*sniff\*\* okay thanks

She hung up her phone I mean this girl doesn't want my help if she did, she would have told me from the start what is going on with her and I don't care am just pretending so it ends there, I took a shower than after that I wore my boxer with nothing on top than I went downstairs and Jane gave me a look.

Me : Can you stop giving me that nasty look am your brother for crying out loud

Dad : Sean behave you know that she's good for you

Me : It quite enough that you want me to pretend like I love a girl who's so difficult for me so stop telling me about my sister who wants to rape me

Mom : Are you okay hun? You sound so stressed

Me : Am okay why would I be stressed now Jane find me something to drink

Brad : What made you tired ?

Me : Was in the hospital

Dad : Doing what there?

Me : The girl is hospitalised

They all gave me a stare an I wonder what does it means

Mom : That a good opportunity Baby don't you think

Me : No it's not

Dad : Why?

Jane : I think mommy is telling the truth

Me : Can you shut up an get me what I wanted? 😡

Mom : Why are you angry?

Me : Because yol are freaking me out am the one who will tell you when the time is right an Brad

don't even think about it 😞 cause I will take that head off you

I mean they can't take her now I will fight them if I have too this is my job so am the one who will tell them when Ntho is all good to be taken

Brad : I didn't do anything

Me : I know what you thinking Brad

Dad : What's going on here Sean? Are you catching feelings?

Me : Catching feelings of what? What's that? You gave me this fuckin job now you questioning me why didn't you do this thing yourself, I haven't even done anything for just two days an already you want to take her, that girl is not going anywhere

Jane : Sean

Me : Lay one finger at her an you will face my wrath don't test me 😞 Now give me that fuckin drink or should I murder you first?

Jane : Fine

Everyone looked at me like am crazy

Me : Don't look at me like that an Brad for the last time don't even think about it, if something happens to that girl I will castrate each an everyone who touched her

I walked to my room leaving them there in the lounge, after sometime my sister came in with my drink I took it an drank after that I took a nap

Jane : We need to talk

Me : Mmmh

Jane : If you falling for that girl you better stop while you still have a chance or...

Me : Who said am falling for her?

Jane : Even a blind person can see

Me : That means that blind person is stupid just like you, GET OUT OF MY ROOM

Am fed up with Jane, am not in love with Ntho, my heart can't even love my own parents so how can it loves someone who's not even family an that girl (Ntho) really makes me angry just by thinking about her 😞

My phone rang again an I answered without checking who it is

Me : I said stop calling me 😞

Him : Deliver that girl if you don't want me to come flying there

I have to get out of this hospital cause I can't wait for my mother to finish me up, am still at the hospital when a girl entered the room an it's the same girl who was looking me all weirdly

Me : Can I help you

She just came to me slowly an I saw her eyes changing I felt my whole body shivers cause I don't

what she wants from me an it's midnight I saw the clock when I woke up

Me : Ain't you lost? 😳

Her : No 😞

What is wrong with this girl an what does she want from, she came to me closer within a blink of an eye someone snatched her from behind an it was Sean

Jane : Leave me alone how did you get here so fast

Sean : If you don't leave right now Jane I will  
\*\*clears throat\*\*

He looked at me an back to that girl

Sean : Get out we will talk at home

This girl walked out cause he said that with a unfamiliar voice, who are these people an what do they want from, he came closer to me

Sean : I have to get you out of you

Me : You gonna help me?

Sean : Yes I will help you now we have to leave

Me : Okay

Sean : Hurry up

Me : Why are you rushing me

I said annoyingly an he just gave me a bored stare

Sean : Can you just hurry or you want me to carry you? Choose

Me : Am not going anywhere with you until you tell me why you hurryin...

Before I could answer him I was flying in the air cause he carried me an he made sure that no one sees us after sometime we were in the car going to where I don't even know I just told myself that if I die it will be God's Plan

Narrated

Sean knew that Ntho was not safe in the hospital because his family will want her and he can't have that for now he still wants to get to know her 😞 they got in his house in La Lucia he bought it but never used it cause his family wants them to always be together, he thought that maybe he will get married and have his family but his family said it's not possible and he even thought to himself that even if they allowed he would have taken a girl he didn't love cause his heart can't love

Sean : Come this side

Ntobeh got out of the house to the house and they got inside, this house gives Ntobeh goosebumps cause she has never been inside a beautiful house like this, his father used to tell her that when she was not born they were living in a beautiful state cause he was a doctor but when he got fired they moved this side to a four room

Sean : This is your room

She was so caught up in her mind that she didn't even mind the way to her room as Sean said

Ntobeh : Why am I here?

Sean : You said you wanted to get away from your mother

Ntobeh : This is not that am sure you hiding me here for your own reasons Sean cause I asked you nicely to help me but you didn't want to now you helping me why?

Sean : Can you stop being stubborn an sleep

Ntobeh : Am not doing that

Sean : Shit can you sleep I don't have time for this

Ntobeh : Usile wena mlungu (You are silly)

Sean : What?

Ntobeh : Nothing

Sean : Nothing? Really Ntho are you gonna bring that bullshit with me

Ntobeh : I want to know why am I here an who was in my ward earlier on

Sean : Never mind that

Ntobeh : Whoa Sean you can't tell me that cause am in the house that I don't even know now you telling me never mind that girl nearly killed me

Sean : I wouldn't have let her Ntho can you drop this

Ntobeh : The only thing that you will be dropping is me in the hospital cause I don't trust you, what if this is a trap you want to kill me with that girl of yours

Sean : If I wanted to kill you I would have done that Ntho so don't fool yourself I wouldn't even wait for her, that girl is my sister it's quite a long story that we will talk about it next time not today now do me this one favour an sleep or I'll make you sleep forever

Ntobeh : So..😭

Sean : Are you crying or you just kidding right now?

Ntobeh : Am crying fool 😭

Sean : I need air I can't deal with this here an back at home

Sean stormed out of the house when he goy downstairs he had a visitor an it's not a friendly visit

Dad : Where is she?

Sean : Don't start me Benjamin 😡

Dad : Seanant you playing a dangerous game an I hope you don't get burn 😞

Sean : I said if it's too much for you all just kill me

Ntobeh made her way downstairs that made Sean more angry cause he told her to sleep an here she is, Benjamin looked at him like a dog waiting for a bite an Sean saw this so he went to stand near Ntho who was just cluelessly scared

Dad : Step aside

Sean : Get out of my house Benjamin don't make this hard as it already is

Dad : I SAID STEP ASIDE

The house vibrated because of his bold voice that even Ntobeh was shaken by all of this

Sean : NEVER 😞

His dad came rushing his side so he pushed Ntobeh aside by force an she just fainted so they fought because Sean couldn't let him anywhere near

Ntobeh, things were flying left, right and centre and Sean ended up choking his father against the wall

Sean : If you don't stop this Benjamin I will kill you

Dad : All.. This... Because of a girl

Sean : Am warning you

His hands were tightening in his throat and he was suffocating they were stopped by Brad who came barging in the house when he saw Ntobeh he nearly lost his mind but remembered his brother's word apparently everyone is scared of Sean except their grandfather but they don't show it ,Sean just dropped his father down

Brad : Stop what you doing

Dad : Let me tell you something if you don't bring this girl I will kill you 😞

He said coughing because of all the pain in his throat

Sean : I'd like to see you try

Benjamin stormed out of the house fuming leaving Brad in the house with Sean

Brad : What's this Sean?

Sean : You need to help me erase her memory

Brad : Why are you doing this for her cause you suppose to deliver her to the family

Sean : I can't do that, this girl has been through a lot

Brad : She told you?

Sean : No

He said that looking down cause he knew what his brother is going to day

Brad : You've been reading people's minds?

Sean : It just happened Brad

Brad : I will help you for now but at the end you know that this girl will have to die, you can't protect her all alone, vampires can smell blood so it's a matter of time before they come for the both of you

Sean : I know which is why I will just take her away for now maybe go to Jo'burg

Brad : You know that you're my brother?

Sean : Yeah I know that you gonna say it's a bad idea but I have to do this

Brad : Stop reading my mind 😞

Sean : I can't stop since you all want this girl dead I will have too

Brad : How will you survive? I mean you need blood

Sean : I don't know but this is the start of something new to me cause I never thought I would want to protect a human being

Brad : Why?

Sean : Why what?

Brad : Why are you doing this for her?

Sean : I don't know Brad

They were both confused cause Sean was always a family person although he never loved his family but Brad was prepared to let his cravings pass although it will be hard but more especially for his brother who will be living with her 😞

Benjamin : He's changed Latino

Latino : Changed how?

Benjamin : I think he's catching feelings

Latino : 😂😂😂😂

Benjamin : Why are you laughing?

Latino : Are we talking about the same Seanant?

Benjamin : Yes we are he's even living with her,  
can you believe thay he even called me by my  
name father just because of that girl

Latino : Listen to me Sean would never love that  
guy have a black heart that hates more than loving  
someone so don't worry yourself we will have that  
girl if not now but eventually we will

Benjamin : I hope you telling me the truth

Latino : I didn't say he's seanant for nothing, that  
boy can't love he was born that way that's why  
Jane is even failing an that's why it's even easy for  
him to pretend with girls don't worry yourself ,I will  
be coming that side on Monday

Benjamin was talking to his father cause he knew that if Sean can fight him like this because of a girl than there's a possibility that they will never get this girl

Ntobeh woke up in the room that Sean gave her, an in her mind it's like she was sleeping because she had too, it's in the morning so she woke up still in pains an went to do her morning hygiene after that he went downstairs with just her short pyjamas cause she didn't have clothes since they left in such a hurry with Sean in the hospital

Sean : You awake

Ntobeh was surprised cause Sean was in the kitchen an she was just going down the stairs how did he hear her

Ntobeh : Um yes am awake an how did you hear me?

Sean : B... I mean I have my ways so how did you sleep?

Ntobeh : I slept good just don't have clothes to wear

Sean : I will try to find someone who can buy you some cause we going to Jo'burg in the afternoon

Ntobeh : To do what there

Sean : We are leaving this place Ntho

Ntobeh : We are leaving this place what do you mean by that

Sean : I mean just that Ntho we can't stay here

Ntobeh : Why?

Sean : What if Bra Des finds you here

Ntobeh : That's not the only reason isn't?

Sean : It is what else would make me leave my family for you

Ntobeh : That's the problem Sean I didn't ask you to do that

Sean : Not good with making food come an help yourself

Ntobeh : Not hungry

Sean : Than you will die of hunger an that's not my problem cause I can't beg you to eat

He walked away leaving Ntobeh all frustrated because of the moody Sean, As for Sean he don't know how long will he be able to survive with someone who have blood in her veins 😞

Bra Des an Tshidi went to the hospital to visit Ntobeh when they got to the ward the doctors was there all confused because he left her in the bed yesterday

Bra : What's going on here? Where is she?

Doc : She's nowhere to be seen

Tshidi : What do you mean by that?

Doc : We checked everywhere we can't find her an it seems like she ran away

Tshidi : You need go find my daughter Doctor or else I will arrest this hospital 😞

Bra : Make sure that you find her now leave

The doctor left them in the ward, Bra Des took Tshidi by her throat an pinned her in the wall with her suffocating

Bra : Make sure you find that slut of a daughter or else pay back all my money 😡 don't even think of running away cause I will make sure you disappear an never come back

He dropped her down an gave her a back slap after that he left her crying on the floor wondering what is really going on why would Ntobeh run away an who helped her 🤔

I went to school today cause my car is back to me after that I went to the mall to do my hair cause it been a while with this weave in my head,I got to the salon an I was met by a familiar face I don't know where I saw her

Grace : You came 😊

Me : Yes I did

Grace : What can I do for you

Me : Just relax it I just want to be original Boo

Grace is the one who do my hair, don't get me wrong I don't want anyone else touching my hair cause you don't know what girls uses when they come to work I don't wanna end up like a sick dog if you know what I mean 😊

Girl : Ain't you the girl who said I should get out of the quantum because you wanna go home

Me : Oh I knew that I know you somewhere girl, so what you gonna do now?

Girl : Mxm Bitch

Me : Ndizakukhaba uzawulila usho ngobubi nje (I will kick your ass than you'll cry, look at you all ugly)

Grace was in stitches I mean why is she laughing cause this girl is really getting on my nerves I mean how can you just agree so easily to being played by a guy just because you love him, I would

never settle for less ☹️ I'd rather stay single for the rest of my life 🙅

Narrated

Sean : Can you please tell me that you all ready to go

He said that coming from outside he went hunting because he's all alone now so he have to hunt for himself

Ntobeh : Am not going anywhere

Sean : Please Ntho I want us to start a life somewhere together, look I know that your mother was abusing you an please don't ask how I know but please I will protect you best if we not here

Ntobeh : I can't just leave Sean

Sean : You can Ntho we living together maybe after months you can come back if you want

Ntobeh : What if you get tired of me?

Sean : I'll never get tired of you Ntho we in this together, I will show you appreciation just like how your father did

He couldn't say love cause he doesn't even know what love looks like so he chose appreciation

Ntobeh : I need to at least go home an take all my bags than we will go

Sean : I will buy you clothes Ntho

Ntobeh : If you want to go with me you will have to accompany me to my home for my clothes

Sean : Fine

He didn't want to argue with her any further cause clearly she has made up her mind, although he feels like Ntho is taking him for granted cause he's doing this to protect her but this is the thank he gets 😞

After a while they were outside Ntho's house even though wasn't interested in all of this

Ntobeh : I will be out just now

Sean : If you say so

Ntobeh knew that this is a losing battle so she got out the car and went inside the house to be met by her mother lying on the floor crying with pictures of Ntobe when she was young

Ntobeh : Mama

Tshidi : Oh God 🥺 am so glad to see you please don't ever leave me again baby I don't know if I'll survive 🥺

She came to hug Ntobeh but she backed away cause she knew that it was all so good to be true, it's a matter of fact her mother change and call her a slut 🖐️

Ntobeh : Am here to take all my bags, it was good being with you right now it's time for me to leave you and carry on with my life

Tshidi : You not serious right?

Ntobeh : I am

Ntobeh attempted to go to the room that she was using but Tshidi pulled her to her roughly

Tshidi : I made you this is the thank I get? How will I pay Bra Des his money if you go an leave me 🤔  
Do you want me to die an leave you alone in this world

Ntobeh : It would be a better place

Tshidi slapped her so hard but Ntobeh didn't cry she just watched her

Tshidi : You will listen to me cause I won't repeat myself, you are not going anywhere do you hear me? If you step out of this house I will kill you

Ntobeh : You will kill me just because I leave you, Mama ever since I turned 6 you started abusing me, maybe make me starve the whole day but when my father comes back from work you give me food, ever since I was 6 years you always abused me by giving me slaps now an again an it ends now, I will not be your playground I'll rather die or you die than have you making me a slave now get away from me

Ntobeh pushed her mother and went to her room to pack her bags after some time Bra Des entered the room that Ntobeh was in using the toilet window and he put the cloth in Ntobeh's mouth so that she doesn't shout

Bra Des : Shhh Babe I won't hurt you

He took out his gun and showed her that if she screams he will kill her

Bra Des : You want to leave me?

Ntobeh : Please 😞😞

Bra Des : I will just do this one thing then leave you all alone

He said taking out his belt from his pants, Ntobeh knew what was going to happen here and she can't even scream

Ntobeh : Please Bra Des am on my periods

Bra Des : Which makes it more lovely now take off that dress

He said that pointing her with a gun as for Ntobeh she just kneeled down

Ntobeh : I'll do whatever you want just don't rape me 🙄

Bra Des : I will burst your brain open if you don't take off that dress

He said with a scariest voice but Ntobeh didn't want to so he took the gun and placed it in the bed and held her roughly wanting to pull the dress down cause it was a Bob tube dress, Ntobe was sobbing while fighting but he wasn't hearing it he even licked her face causing Ntobe to feel disgusted so he pushed her in bed and climbed on top of her while licking her face and forcefully opening her legs Ntobeh just closed her eyes cause she could feel that her innocence will be taken so easily with a blink of an eye Bra Des was on the floor with Sean biting his neck like a vampire that he is as for Ntobeh she just froze cause she didn't know when did he open the door and why is he biting someone's neck like an animal and she fainted because of shock, as for Sean he was too angry to think about what Ntobeh might be thinking cause

No one I mean No one will hurt Ntobeh as long as he lives 😞,He didn't even care what will Ntobe's mother say when she was to see this 🤞

I don't know what happened but my mind came back when I was done what I was doing, so I took Ntho out of that house when I entered I hit the mother with a glass that I got when I entered the house than straight to the bedroom when I saw that guy on top of her I just lost it, am afraid that if I can't control myself now what will happen where we going cause ever since I met Ntho I feel like my powers are coming back an by force, I learned to not read people's mind but now I read their mind just because I want to know if they not thinking of Ntho, I took her to the private jet that I was presented by my grandma I know when she wake up it will be a lot of questions an answers session but am prepared to tell her everything so that she can live with me knowing what I am 😞

Bill : Sir Where to?

Me : Jo'burg Bill an don't answer any call from my family

Bill : Okay Boss

I went to sit an watched outside the window, is this the life I want for real? I mean I left my family because of this girl an I don't even know why but It's happening my phone rang an it's Brad I answered

Me : Brad

Brad : Yol are really gone?

Me : Yes

Brad : I wish you all the best brother an I hope you will be happy for just a time being

Me : I hope so too

I saw Ntobeh making her way to where am seated

Me : Can we talk later am kind of busy at the moment

Brad : Okay please keep in touch

Me : Will do an Brad don't te...

Brad : I know I won't

Me : Bye

I hung up my phone an Ntho was just looking at me with a lot of motion on one face I just went to sit beside her an she jumped that made me even think of just stopping this plane cause I can't be with her if she's scared of me

Ntho : Can you shift

She said that with a shaking voice an I did what she asked me to do

Narrated

Ntobeh remembered everything that happened so she wants to know what is going on but she's waiting for them to get where they are than they will talk, as for Sean he was rubbing his hair in frustration

Sean : Say \*\*sigh\*\* say something Ntho

Ntobeh : We will talk later

Sean just silenced himself, after a while they arrived at the airport, Sean wore his clothes and got out an umbrella cause he can't be touched by a sun he will just burn, all of this made Ntobeh more cautious that what she saw is indeed true, Sean is an animal, Sean is an animal, Sean is an animal that what she thought to herself

Sean : We have a car that already waiting for us

Ntobeh nodded so they went to the car with people looking at Sean weirdly but he didn't care cause it his life and he got used to it a long time ago, after some time they entered a house that had a lot of security, Sean wanted to familiarise with people although it would be hard cause the way he feels is dangerous more especially to people who comes anywhere near Ntho, they entered the house with their bags and Sean took the bags to their rooms after that he came downstairs and sat across Ntho

Ntobeh : Talk

Sean : Am sorry that you had to find out like that

Ntobeh : Who are you?

Sean : Sean Bailey

Ntobeh : No who are you? Like the real you Sean I wanna know you 😞 I mean you....you... I can't even say it

Sean : Sean Bailey,35 years old am a... Am...

Ntobeh : SAY IT!! 😞😞

Sean : Don't shout please

Ntobeh : \*\*sigh\*\* fine talk

Sean : Vampire

Sean said that and stood going to sit in the table facing Ntobeh who was even afraid to look at him cause she knows movies of what he just said and people get killed for blood what if he wants that ,what if this is all a trap all the thoughts came rushing to her, Sean didn't want to read her mind he wanted her to tell him what she thinks

Ntobeh : You want to kill me?

Sean : No

Ntobeh : No? How can you say No cause am not what you are I have blood running in my veins an you telling me No

Sean : Listen Bab...Ntho

He said trying to touch her but she snatched away her hands away from him

Ntobeh : Don't touch me 🚫😞

Sean : I would never hurt you Ntho, we've come too far

Ntobeh : Far? Just three days an you call it far?

Sean : It's far to me cause I can't even survive with a person for much longer

Ntobeh : What do you want from me?

Sean : I don't know am also freaked out, as a matter of fact am all confused at what is happening with me

He stood up an paced up an down

Ntobeh : You gonna make me have headache

Sean : You frustrating me Ntho, I won't hurt you

Ntobeh : How will I know that? You know what being killed with a gun is much better than being eaten alive, Sean I didn't sign up for this if you want to kill me than I suggest you take a gun a kill me right now

Sean : I won't kill you Ntho as a matter of fact am protecting you cause my family is the one who wants you dead, well when I came to you I was sent to pretend as if I love you an all than deliver you, usually it only takes me one to two days they were just amazed why am taking three days an even worse I didn't even want to deliver you I don't know why but am willing to stay with you, am willing to sacrifice my hunger for your blood go unattended, I would never hurt you

Ntobeh : I need time apart from you cause am scared Sean I don't know if I can fully trust you 😞 I may have left the abusing home but I will not allow you to sell me dreams an kill me at the end please leave me alone 😞 I don't want to die, fine you saved me but that doesn't mean anything if am gonna die at the end cause if you won't kill me than your family will so leave me enjoy my own life alone just leave me alone Sean

Sean : Fine I will take downstairs an you take upstairs, there's also a kitchen there so you won't

have to come downstairs unless you want to go somewhere you have a driver for that

Ntobeh : I will take taxis

Sean : They not what I am so you won't have to worry

Ntobeh : Mmmmh

Sean : You can go upstairs

Ntobeh : Thanks an Sean I will not sleep cause am not comfortable around you I don't know if coming here with you was a great idea or not cause am not comfortable at all

Sean : I assure you nothing will happen to you I will give you space, tomorrow I will go an look for someth...

Ntobeh : I don't want to hear whatever you want to say cause it's none of my business

She went upstairs with tears in her eyes cause she's scared of living with Sean but something in her wanted to believe that Sean would never hurt her like that, As for Sean he saw this as an opportunity to learn how to live with a human in the same house maybe by the time Ntho talks to him he will be all good an ready

He took his phone an called Brad who answered in the third ring an he knew that he's with family

Brad : Hello

Sean : Busy?

Brad : No we can talk

Sean : She knows

Brad kept quiet thinking at how Sean could be stupid

Sean : Am not stupid

Brad : Why did you tell her?

Sean : I didn't tell her, she kind of caught me in the act

Brad : Kind of?

Sean : She saw me in act

Brad : You a fool Sean

Sean : That jerk wanted to rape her so I had to do something

Brad : So what does she says?

Sean : We in the same house but it will be like we living differently

Brad : I don't know if I'll ever apply for a normal life like what you doing, cause if she was to say that I would have just killed her

Sean : I can't my soul doesn't allow me

Brad : Are you sure you not in love?

Sean : No what is that? I don't love Brad I don't even know how does that thing smell or how does it looks like

Brad : You talk as if it's a cloth or something

Sean : I don't know what is it

Brad : Love is something that you feel in your heart, I won't even know cause you don't know what to love all you know is hate I will call you tomorrow to check on you bro we going hunting

Sean : Is it time?

Brad : Yes it is

Sean : Okay Bye

He hung up the phone an thought to himself at what Brad just asked him about Love

It been days with me facing girls who dates the famous Minnie an I don't know what's with them, I mean they all know each other which is sick cause I would never want to share my man with anyone else for that matter, well today it's my friends birthday bash an am invited obviously but am compensating if I should go or not cause she also invited Lubanzi even specifically said that he must bring his friends so obviously that dickhead will be there so I don't need drama today 😞 my phone rang an it's my friend Sindi

Me : Friend

Sindi : Hey F I was wandering if you still coming

Me : I don't think my father will agree moss chum

Sindi : Don't worry I will call him am sure he'll agree

Me : You don't really know my father neh?

Sindi : Come on I can even call your mom am sure she won't have a problem begging your father and it's already the time you have to get ready, Lubanzi said he will come and fetch you

Me : Fetch me how? Cause I've told you that my father doesn't know any of this

Sindi : Come on F

She hung up her phone, I don't want to go to this party but she's my best friend so I have to. I got up took a quick shower and after that I wore my clothes lazily cause I don't want to go I feel like screaming, my father came in my room without knocking cause he's the owner of this house that's what he always says

Me : Tata what if bendinganxibanga? (I was naked)

Dad : Inton endingayaziyo kuwe, ndandikuphipha usemncinci (Is there something I don't know in you? I used to change your nappies when you were young)

Me : I know but now am old

Dad : Tshin kwakho ay apha kwam (In your house not mine)

Me : What can I do for you tata?

Dad : You going to some cross night study with your friend, why didn't you tell me?

Me : She said that? 🙄

Dad : Kant kuthen? (What's wrong?)

Me : It's her 21st birthday

Dad : Is she still a virgin?

Me : I don't know 🙄

Dad : I doubt

Me : Ay tata (No daddy) you can't gossip about my friend hao

Dad : Am sorry princess

We heard my mother shouting from downstairs an I knew it's my que to leave, I took my overnight bag an went my way, when I got outside I was met by Lubanzi an his friend I must say I don't know him, he's so damn hot😍🔥 his hair cut is not from this world, so we got inside the car

Lubanzi : What did your father say?

Me : I told him the truth that am going to party today, even though I didn't want to

Lubanzi : Why?

Me : Whoa am just not ready for that dickhead  
who's your friend

Guy : At least if you wanna gossip about me try to  
not talk in my face

Me : You wish, you can't be hot like that

Lubanzi : what do you mean? Are you already  
drunk or what? We can buy you something to cool  
you down 😁😁😁

Me : I don't drink remember?

Lubanzi : Sabelo what have you done to my sister?

Me : Wait are we talking about the same Sabelo?  
With beard an hairy?

Sabelo : Yes that's me

Lubanzi : Oh he confused you to the finish 😁 my  
sister you really made my night

Me : I was kidding you not hot jerk ass

Sabelo : I don't care

Me : Good that you don't care

After a while we were in the place where Sindi is  
making her birthday, Wait guys can it be possible  
for a guy to be ugly an handsome tomorrow?  
Cause right now this ass of a man is hot to the  
capital Chillie 😍😍

Sindi : Look at you, am glad you came

Me : Am glad too chum so where can I put my bag?

Sindi : Go an put it upstairs

Me : Res?

Sindi : We will talk in the morning

Me : Okay chum

I went upstairs an chose a room when I got there I found my brother an his friends smoking weed an I got bored so I threw my bag at Lubanzi an was about to get out when they called out for me

Muzi : Come this side

Sabelo : No don't call her here you heard what her father said to us

I just went to sit next to Lubanzi who was already in his own world

Me : What special about weed?

Muzi : You'll never get it even if we explain to you

Me : Mmmmh

Scelo : In the morning Sindi called me to come and help her with things like decorations

Me : You gay?

They just laughed at me, am I funny or it weed that makes them like this

Scelo : Am not gay, so as I was saying before you interrupt me, I saw her neighbours and that guy is so creepy

Sabelo : How?

Scelo : I don't know the way he was looking, like I mean your clothes represent you right?

Me : Sure

Scelo : He was wearing like it's so freaking cold if you know what I mean ,hoody, tracksuit pants, hat, gloves e.t.c

Sabelo : Is the weed working 😄😄

Muzi : Today was so hot for someone to wear what you saying 😄😄

Lubanzi : Weed is definitely at work 😄😄

Me : I think so to 😄😄

Scelo : Am telling you guys that guy is creepy

We just laughed cause the way he says all this is so funny, I mean it was hot today an one couldn't wear what he just described

Ntobeh

Days has passed ,me an Sean are not talking, he's been busy with what I don't know today I went to do some grocery an surprisingly I even brought him food which I don't know if he'll eat cause while I was still angry at him I did some research on what he is an apparently they can only live by blood which I don't even know where he'll get cause we not living near the forest or maybe he can buy chickens 😊 an slaughter them I just don't know, there's so much noise in the neighbourhood an it reminds me of the place I called home, every friday my father would take me to some shisanyama just to enjoy myself an I loved every bit of it, fine he may have died poor but he really did made me feel alive an happy I miss him 😊

I decided to cook today so I went downstairs where Sean is an I found him working out, does this guy sleeps cause it's always noisy downstairs even at night🤦 fine I did some research an they said that they don't sleep at all but I thought that maybe it's a lie or something but there's still more to learn since am living with one

Me : Sean

He turned quickly like I just startled him or I triggered something in him, what if he eats me? That's the first thought that came in my mind

Sean : Oh Hey

He stood up an went to take a sit in the high chair near the kitchen

Me : How are you?

Sean : All is well an you?

Me : Good ,um I can hear that our neighbours are really at it today

Sean : So much meat

He said that sarcastic an I saw it in his face that he means it 😏

Me : You craving?

Sean : Obviously

Me : No need to be rude Sean

Sean : You asked an I answered where is my rudeness in that?

Me : I don't know what was I thinking coming downstairs to you

Sean : I don't know too maybe you should go back upstairs 🤔

Me : Wow too much for trying

Sean : Listen Ntho I don't want you to try anything if you don't want to see me I can't force you too ,I was at peace working out to avoid all this noise an all this.... never mind

Me : I thought that maybe we can have a normal dinner cause I cooked

Sean : I don't want your dinner keep it to yourself

He stood up and went to his room, I just stood there like what just happened, I heard him groan so loudly like what is happening right now am so damn confuse ,I went to knock on the door cause I was worried about him, fine he may be what he is but he's still human, Is he human? Or am tryna convince myself that? He didn't answer me he kept on groaning

Me : Sean

Him :.....\*\*groaning\*\*

Me : SEAN TALK TO ME

Him : Go... Away

What is really happening I don't know if I should sit here and wait for him or it's a bad idea, what if he turns and have those long teeth's and eat me, Oh God No he's really craving😱.... I really need something maybe to help him cool down but the question is what's that cause we don't even have chickens in the neighborhood am so confuse right now, he's not stopping 😱

Me : Sawubona Baba (Greetings)

Me : Yes am good can you please take me where I can buy a cow

Driver : Cow? 🐮

Me : Yes a cow Baba will you help me?

Driver : Uhm Yes I can help you

Me : Thanks a lot can we be on our way?

Driver : Yes you may get in ma'am

Me : No please call me Ntobeh it's fine

He just nodded and took me to what I wanted after a while we came back with a truck that was delivering what I wanted so I went outside the gate to direct them where they can put it while I was at it some girls came my way smiling and I returned the smile

Girl 1 : Molo (Hey)

Me : Um hey how are you?

Girl 2 : we good are you having a braai?

Me : No am not 😊

Girl 1 : Oh if you were I would have invited myself 😊 anyways am Smangele and this is my friend Sindi she's your neighbour

Me : Oh you the neighbour that was having a party yesterday 😊

Sindi : Yes we sorry if we were loud I was turning 21

Me : No it okay you were not loud

Smangele : So is this your house?

I looked at the house and it was so big to be called mine

Me : Yes it's mine

Sindi : Whoaa girl we should visit you sometimes don't you think?

Me : Actually a bad Idea 😊

I don't know what is my come back cause they would want to know why am saying it's a bad Idea

Smangele : Why are you married?

Me : No am not married but am living with my boyfriend

Sindi : You cohabiting?

Me : Yeah I am actually

Okay the Sindi girl pretended to smile an I don't care

Smangele : Wow I've always wanted to do that 😊 I know am weird right?

Me : Very weird actually I was kidding you can visit me if you want

Smangele : Am not from here thought but I will, don't you have friends this side?

Me : Oh No I don't am new here

Sindi : You ran away from home

Me : No honey I didn't

Smangele : Let us exchange numbers so that I can be your first friend

We exchanged numbers with Smangele an I don't even know what is this other girls problem cause she's now giving me nasty look an I don't even care so after that chat I went inside to slaughter this cow but I don't know how 😞,I decided that I will ask the guards an they didn't have a problem with that so they did slaughter for me I took all the blood that came out from that cow an pour them to different bottle cause I brought them along with the cow after that I thanked them with the money even though they didn't see me when I was putting the blood in the containers

I went inside the house with the box full of containers an placed them in the fridge so that it won't get spoiled I don't know if I will be able to live this life on full terms cause people will be suspicious if I always buy cows 🏠,while I was thinking Sean entered the kitchen looking pale

Sean : Hey

Me : Hi 😊

I took out a glass and a bottle in the fridge

Me : Sit down

He didn't argue he just did what I told him to do so I gave him the bottle with a glass.

Narrated

Sean was amazed by what he's seeing cause he didn't expect it as for Ntho she was scared that maybe this will make Sean want to just eat her instead of drinking what she bought him

Sean : Um thanks how did you do all of this?

Ntobeh : Yesterday you were really on a bad condition so I thought of the things that I could do to help you so I woke up today went to buy a cow 😊

Sean : A Cow?

Ntobeh : Yes a cow, I know it's not easy for you to live with normal people an am quite grateful that you really doing good cause you haven't shown me that you want to eat me

Ntobeh was trying to convince herself by saying that

Sean : Thank You, yesterday I was in a bad space am sorry if I scared you

Ntobeh : What happened?

Sean had flashback of what happened yesterday when he went to the room, he changed the moment he entered the room, his eyes became black an her teeth's changed an became long so he was fighting the edge to come out an eat Ntobeh when he was busy groaning 😞 although it was hard but he really did try an when he was watching outside the window he saw two girls smoking outside the neighborhood it took him all he had not to jump an eat the both of them what helped him keep sane was Ntobeh, he was worried that if she were to hear that he killed two girls what will

happen to her cause she's traumatized enough now

Ntobeh : Seam hello?

Sean : Oh sorry you were saying? 🙄

Ntobeh : What happened yesterday? You were so rude an you went to your room

Sean : Oh sorry about that 🙄 I was not in the right condition to be with you

Ntobeh : Will that happen all the time cause I was worried sick about you 🙄 fine I did my research but I also want to know more from you

Sean : Can we talk some other time right now I want enjoy this drink, thanks a lot if by chance I would have hugged you

Ntobeh : I'll pass on the hugging part 😊👋

Sean : You scared? 😊

Ntobeh : Is that a smile?

She wiggled her eyebrows causing Sean to chuckle while shaking his head

Sean : I can smile 😊

Ntobeh : I would like to capture this moment I mean it's not always you get to have a smile from you 😊

Sean : I will smile more often

Ntobeh : Sean

Ntobeh was all serious now

Sean : Ntho

Ntobeh : I want to not be afraid of you, believe me I want us to stay as close as always laugh together but I can't do that if you don't open up with me, fine your stories might be scary but I would appreciate if you were to talk to me whenever you have breakdown like yesterday am sure we will figure something out, um we can even buy a butchery so that we can get more blood as often I want us to be able to live

Sean : I'll try

Ntobeh : I want my friends to be able to visit me without being worried that you will... \*\*clears throat\*\* you know what I mean

Sean : No friends at the moment am still trying to adjust to this life

Ntobeh : It's fine with me 😊

Latino came as promised to see the family and he was surprised to find that Sean is not living with the family

Latino : Why didn't you tell me that he's not living with you?

He said banging the table so hard

Benjamin : We thought that maybe you will be able to make him come back

Latino : THE HELL YOU THOUGHT 😡 HOW WILL I DO THAT WHEN YOU AS HIS PARENTS FAILED TO DO THAT

Lucy (Sean's mother) : We're sorry father

Latino : Do you know how valuable is that boy to me? Do you know that without him you'll suffer?

Dammit Benjamin I thought that you can do this but clearly you can't

Benjamin : That boy is a hard nut to crack

Latino : You all stupid an I wish I can just kill you all by burning yol to ashes 😡

Jane : You can't do that

Latino : Shut up jezebel you failed to flirt with him now you telling me what I can't do I want that boy back home tomorrow if not I will kill you all, I gave you that boy because I thought that you can be able to control him but clearly I was wrong 😡

BRING ME SEANANT ALIVE 😡 I can't lose that boy because of a girl there are so many people in this world

They were all scared that he will kill them for real cause he's very fond of Sean, as for Brad he knew that they will not find him cause he's in Jo'burg cause Sean is the one who can read minds as for Brad he can see the future so if they want him they can only ask him for help which he won't give them

Smangele saw how Sindi behaved with that girl they met earlier on so they went to buy food they were back at the house

Smangele : Chum are you okay?

Sindi : Yes why?

Smangele : The way you behaved earlier on when we met that beautiful girl

Sindi : She's cohabiting

Smangele : So?

Sindi : Are you saying so? Smangele we can't engage ourselves with someone like that what if she spread that disease of satan to us

Smangele laughed like really laughed at what this girl is saying

Smangele : Are you listening to yourself?

Sindi : Yes Smangele an you know am telling the truth

Smangele : Ehla apho ndithi ehla apho (get down from there)

Sindi : What?

Smangele : Are you better than her?

Sindi : Am not cohabiting Smangele

Smangele : So that makes you better than her? Do you know the reason behind what she's doing? Who are you to judge her bitch

Sindi : Whoa am the bitch just because am saying it like it is

Smangele : Who asked you to say that? Listen you not better than her you were brought this house by your blesser who's even married maybe that man's family sleep without food whereas you are busy making him your bank account

Sindi : It's not the same

Smangele : True it's not cause you just a plain gold digger right? Ehla apho sisi uzakufa ndikuxelele (Get down from that high horse cause you'll die) stop tryna make yourself look better in all of this cause you just a bitch who likes to destroy families

Sindi : Smangele 🙄

Smangele : Ewe tshin ubona nje andifun kwakuth uye pha ekhaya sawuthuka utata engasathengi grocery kant sefikile umthakathi (True that's why I don't even want you to go by my home cause we will be shocked to find out that my father doesn't buy grocery because the witch will be at work)

Sindi : Smangele am your friend

Smangele : An am being a good friend by telling you the truth Sindi you are no good than that girl maybe she's better than you cause she's not dating a married man so if you won't be her friend than I won't force you but stop trying to make you the spotlight lana cause we were to compare the both of you with beauty you would lose cohabiting or not she's good

Sindi : Whatever

Smangele : Mxm Bitch wase bubini (Bitch of ugliness)😏 busy giving that girl nasty looks yooo  
Kahle wena tshin (Oh Please) 🤞🤞

Smangele didn't understand what was this girls problem cause she's far worse than being good busy pretending as if she's doing a good thing by having a blesser

Sindi : Oh good to see you once again 😊

One thing you must know a guy can always tell when a girl fancies him just like now I can see flirting vibes in this girl

Me : Where's your friend today?

Sindi : She will be here just now

Me : Doesn't she have a car?

Sindi : She does have a car just that when she will go back home late, she uses taxis or they drive her to school

Me : Oh why? I mean a car is much safer than a taxi

Sindi : Her mother was shot in her car

Me : Oh I understand

Sindi : Yeah so wena will you be able to take us when we done studying?

Me : If your friend will not have a problem I would love to

Sindi : Don't mind my friend she's always like that

Sean

Me : Bro

Brad : Am coming there for a time being cause Latino is talking about killing people

Me : Why?

Brad : Because of you not being at home, he doesn't want the girl anymore

Me : That's a trap I won't fall for it 🚫

Brad : Can I come? I can even come prepared for a time being

Me : It's fine with me don't let that guy manipulate you into telling him where I am

Brad : I would never don't worry now how's the girl

Me : She's good, yesterday she went to buy a cow for me to drink blood

Brad : Why don't you change her for yourself I mean let her be your morning sunshine

Me : No she's good as a human

Brad : They really wants her in this house it's like they are going crazy especially Jane cause she wants you

Me : I don't want that bitch now do this hung up this phone cause Latino he's behind you

Brad : Really, Oh it's okay tell me if you know where can we find him cause we need him

Me : Sharp

I hung up my phone, my grandpa is the one who was there when I was growing up so he's the one who understands me which is why I know how he acts, am sure he will say that he doesn't care about the girl but deep down he is, well this is what happened was the one who was a vampire, So he met with my grandpa who was human, that woman became his strength an woman of power well they changed each other when they met cause my grandmother was sick so just because Latino loved her so he changed her for himself, so ever since it been them against the world, I wish I can also conquer it all with the love of my life but who am I kidding I can't even love to save my life an if I were to just take a girl I would just take Ntho cause she's the only human woman who knows about me 😞 well when I came here in Jo'burg the first thing I did

was to find a company to buy cause I can't work for someone it will only make things worse cause I will always be with humans but as a owner I will just go now an than just like today am at the office thinking about all the people who are here an so much blood for me ♂ my door was opened an there comes a girl who's my personal assistant the only thing I can see is her blood that's only can tick me off

Her : Boss

Me : Yeah

Her : There's a woman here to see you

Me : Woman?

Her : Yes a woman if am not mistaken she's the one in that picture in your table

Well I have a picture of Ntho just to avoid girls who likes to flirt but I know that they will do it even if am walking with her I wonder why is she here

Me : Bring her in

Her : Okay

She went outside after five minute Ntho came in looking all beautiful an it seems like each day she becomes more beautiful ,during the days when she was angry at me I used to go an watch her sleeping an that made me want to do things that I never ever wanted to do in the woman

Ntho : You've been staring at me for a long time now, did you even hear that I was greeting you

Me : No am sorry can you lock the door so that we can talk?

Ntho : Okay

Me : If you comfortable thou

Ntho : No it's okay

She stood up an went to close the door, how I want to hold her in my arms like every girls I ever pretended with, although they didn't have an ass like Ntho which drives me mad,wait why am I thinking like this 🤔👁️

Ntho : Talk to me now you acting weird for real, do you usually have these blackout?

Me : Blackout?

Ntho : Never mind

Me : Can I kiss you?

Ntho : Um

Me : I would understand if you scared 🧐♀

Ntho : Can we rather talk

Me : Fine

I stood up an went to seat next to her in the couch  
because I don't want to shout

Me : I've been craving for blood ever since I came  
here

Ntho : Yo... Your eyes they changed 🧐

Ntobeh

What is this doing to my body, he's too close for  
my likings

Sean : Shhhh listen to this

He came closer to me an I just froze

Sean : Don't move

I literally froze not that he said so but because am about to die what if he bites me an I die 😱😱 he came closer to me an our lips met we kissed like really kissed but I stopped it

Me : We can't do this I mean you were about to tell me something....

He came into my neck an I died that moment boom am gone, he just kissed me seductively but No maan I can't, I quickly stood up an went to the window an within a blink of an eye he was close to me 🏠 an held my waist

Sean : Why are you fighting me? Us?

Me : Am not fighting anything 😞

Sean : Kiss me

Me : No I can't am scared

Sean : You scared that this kiss will lead us somewhere?

Me : It wouldn't

Sean : Believe you me this kiss was gonna definitely lead us somewhere but because you a virgin I will just leave you 😊

Wait how did he know that am a virgin an wait why am I even here is this guy bewitching me?

Sean : What brings you here?

Me : I came to check on you

Sean : Am good just that I don't know if I can cope with these people cause all I see is blood when I see them I just wish to just rip them off 😞

Me : I think we need to control your drinking maybe a time schedule can help

Sean : How will that help me?

Me : You will have to know that you eat by this time, so that even if you see people you will remind yourself that No this is not my time

Sean : I don't think that will help

Me : We will try Sean we have too cause you can't always want to eat people when you see them an I even bought you your drink, you have to have a fridge in this office for your food

Sean : It's good for you to be thinking about me and solutions on how we will live together

Me : Not just us but with everybody

Sean : Yes ma'am

I was still in his arms so he came into my neck I again and I froze ,I just became tense

Me : Stop doing that it's like you wanna eat me

He just laughed cause clearly he is playing with me just because he knows that am scared of what he is

Latino : Where you going?

Brad : I want air this house is suffocating

Latino : Do you think you can survive in another place?

Brad : I think I can

Latino : Do you by chance know where your brother is? I mean I won't hurt the girl I just want him

Brad : No I don't am sorry an I hope he comes home I will keep on trying him on the phone

Latino : Please do, travel safely tell me when you there

Brad : Thanks I will

Brad was about to go out when his sister came inside the house an gave Brad a stare cause she's is suspicious of him the way he's been acting answering calls privately

Jane : Where you going?

Brad : Cape Town

Jane : Who do you know there?

Brad : I want air

Jane : Am coming with you

Brad : You can't do that I want this time to myself I mean our brother is missing so I need to think of how to find him

Jane gave him a dead stare but Brad was not shaken by this, as for Latino he saw how jumpy Brad is an if his suspicion is right Brad knows where Sean is but he's waiting for him to tell where he is

Sean

My brother is coming this side today in the next hour he'll be here an I haven't told Ntho I don't know where to start the way she's so scared of me, I know my brothers visit will make her angry an scared, I went to her room an she was just on her undies this girl is sexy no doubt so I cleared my throat she jumped

Ntho : Oh my God how long have you been standing there, an God Sean am half naked🙄

She took a towel an covered herself I don't know why because I already saw her 😏

Me : Can I come in now?

Ntho : You already in so why ask?

Me : Oh you said I must close my eyes so the question is can I open them

Ntho : Just talk already 😏

I just chuckled an sat in her bed than signalled her to come an sit close to me an she came slowly though this girl is so scared of me an it's not even funny

Me : I have something to tell you

Ntho : What's that?

Me : My brother is coming in the next hour

Ntho : Are you crazy?

She stood up an I knew that she'll act like this

Me : No

Ntho : why bring another vampire in this house  
what if he kill me SEAN 😞 SEAN!! SEAN!!

She is now screaming my name I don't know if I  
should laugh or just let her be

Me : Can you calm down

Ntho : CALM DOWN!! 🙄 are you listening to  
yourself right now

Me : My brother won't do anything to you I promise  
you I will never let anything happen to you as long  
as I live so don't worry 😊

Her phone rang an she answered putting it on  
loudspeaker I don't know why

Ntho : Hello

Caller : Hey um I don't know if you still remember  
me

Ntho : No I don't am sorry

Caller : Am still yet to tell you who am I 😊 am  
Smangele we met by the gate with you the other

Ntho : Oh now I remember you 😊

Smangele : Am by my friends house can I come an

Ntho : Yes I remember very well, Sma I don't

I signalled her to let her come I want her to be  
happy she can't be stuck with me alone an I will  
teach myself to live with people althou it won't be  
that easy

Ntho : I don't think there's a problem

Smangele : I thought you were gonna say it's not a  
good idea whoa I was gonna come by force cause  
you can't be hidden in that house forever anyways  
I will see you just now babes

They hung up an she looked at me still fuming I  
just grabbed her to my arms

Me : You have to trust me Babe I'll never let them hurt you

I kissed her forehead, she just looked down

Ntho : You cold 🥶

Me : Didn't you notice that yesterday?

Ntho : No I didn't

Me : Am always cold

Ntho : Oh I don't even want to know 🙄♀

I just held on to her ,I mean this girl brings out the side I don't even know, well am no virgin but when I sleep with a girl it's all about fuck an kill her but now I just don't know

Narrated

Smangele rang the intercom an they let her in so she drove inside the gate, when she got out Ntobeh was already waiting for her

Smangele : Hey 😊

They hugged each other

Ntobeh : Am glad you came

Sma : This house is really beautiful, you lucky to have a boyfriend like yours

Ntobeh : Quite lucky

Ntobeh remembered that she didn't tell Sean that he's her boyfriend to her friends

Ntobeh : Come in

They went inside to the lounge where they found Sean seated there trying to act human cause it's not the same with Ntobeh cause she knows everything

Smangele : Hey, you must be boyfie

Sean : Yes I am 😊

He gave Ntobeh a look that says I will get you

Ntobeh : You can grab a sit I will find you something to drink

Sean : No seat Babe I will get her a drink don't worry

He stood up an went to have a breath of fresh air cause he was actually holding his breath

Ntobeh : You looking beautiful

Smangele : Oh please you are the one who's beautiful an I actually like you 😊 well am sorry about my friend the way she acted towards you

Sean : How did she act

He said coming back with drinks and cookies for the ladies

Smangele : Whoa that was fast 😊

Ntobeh : 😊 don't mind him he's always fast in everything

Smangele : Too much information 😊

Ntobeh : Never mind it's all in the past Sean

Sean : It's okay I will be in my room if you need me

Ntobeh : Okay 😊

Sean left them and went to his room

Smangele : Don't tell me that you not sharing the same room

Ntobeh : Am still a virgin

Smangele : You lying right?

Ntobeh : Actually am not

Smangele laughed and screamed, Ntobeh noticed that Smangele is alive and bubbly

Smangele : So how come you cohabiting?

Ntobeh : It's a long story for another day

Smangele : You'll tell me when you ready, I wish I was also a virgin just like you

Ntobeh : You experienced?

Smangele : Yes I am but my parents don't know I mean they would kill me

Ntobeh : Am sure they not that bad friend

Smangele stood up cause she wanted to show Ntobeh how would they kill her 😏

Smangele : Girl you better shut your ass up

Ntobeh : Whoa who's gonna say that 😏😏

Smangele : My father chum he's a very strict father I remember when I was in grade 11 when he heard that I had a boyfriend, HE WAS SO CRAZY LIKE LITERALLY CRAZY BRA

Ntobeh : What did she say 😏

smangele : SHUT UP YOUNG LADY CAUSE I'LL BEAT YOUR ASS UP

Smangele was showing aggressive just like how his father was before they knew it tables were flying on the wall with Brad pinning Smangele against the wall by her throat an Ntobeh screamed causing Sean to be fast as possible an remembered later that there's Ntho's friend in the house but the image of his brother pinning the girl on the wall with his long tooth an his eyes changed as for Smangele she was shock to even notice that

Smangele : Oh... God 😱

Sean : Brad what the fuck? 😡😡

Ntobeh : Sean she's my friend please tell him to let her go 😭😭

Brad : I WILL KILL HER 😡

Smangele : Whoa so am the bitch 🤡

Smangele was talking with a hoarse voice while couching on the floor

Ntobeh : She was telling me a story about her family an you just ruined the moment 🤡 can you take your brother away NOW!!

Ntobeh was shaking because it seems like Brad is not like his brother he can't control himself, she was afraid that Smangele saw how he changed, she pulled Smangele up an she was fuming

Smangele : What the hell bra?

Ntobeh : Am sorry Smangele I don't know what was he thinking

Smangele : I nearly died 🤡 oh God Ntobeh what the... Who's that?

Ntobeh : He's Sean's brother

Smangele : Am gone

Smangele took her bag an went to her car with Ntobeh trying to calm her down but she wasn't hearing it at all 😞 she drove away, as for Ntobeh she went back to the house an took the car keys but when she was about to leave Sean was standing there watching her

Ntobeh : Don't 🤞

Sean : Am sorry

Ntobeh : What if he killed her? Do you know what damage you could have done worse he changed don't you think Smangele saw that?

Sean : She didn't

Ntobeh : It doesn't matter Sean, you know fuck you I am gone I need air

Sean : Ntho

Ntobeh : No 🤞 leave me alone

Ntobeh went to the driver an told him to take him somewhere as long as it's not in this house 😞

Sean : BRAD

He came to him slowly cause he knew that it was gonna be trouble cause he's scared of his brother

Brad : Bro

Sean : What was that?

Brad : I don't know bra I came here an I saw that girl shouting at your girl I thought that maybe she's doing something to her cause she said she will beat her ass up

Sean : Do you know what you've done? That girl is the only friend who was starting to get fond of Ntobeh 😞 because of your short temper she's gone, because of your short bloody temper we will have start afresh with Ntho, I mean she was opening up to me, she was not doubting me like in the beginning 😞

Brad : I wasn't thinking straight

Sean : For your sake I hope Ntho speaks to me again cause if not I will slice you like tomato 😞

Sean was going crazy not knowing where is Ntobeh an it was making him do something that he thought he won't do, which is to read her mind

Mom : No HOW COULD YOU THINK THAT 😞😞

What is going on with my mom she just stormed out an I ran upstairs cause I know my father will ask me what happened an to be honest I don't know what to tell him my phone is ringing an I don't even think of answering cause I know it's Ntobeh the way she was crying pained me cause I don't even have tears for rubbish 😞 that guy will actually reap an sow the day he was born I will make his life a living hell nx 😞

Ntobeh

I lied when I said I can do this, I can't living with Vampires is not easy I mean one minute everything is good an the second it's back to square one 🤔 I really needed someone like Smangele in my life but that stupid Vamp took that away from me

Driver : Where to?

Me : I don't know just take me to the mall, I didn't even bring money

Driver : I can give you some

Me : I need a lot of money I just wanna take my mind off things

Driver : I can take you back

Me : No I'll see what I can do

I was crying because am so hurt by all of this, we drove to the mall I got out of the car the driver gave me R500 than I went inside decided to just buy some snacks while pushing the trolley I saw a pregnant woman trying to pick something she dropped so I went to help her pick it up, she smiled an looked at me for a long time

Woman : Thanks do I know you? 😊

Me : I doubt you do

Woman : Maybe am being paranoid thanks you so much,this bump is really making me old

Me : You not old thou

Woman : Really I have a 26 years old son,18 years old son an also expecting girl am old

Me : Maybe just a little 😊

Woman : Anyways thanks baby let me leave you at it than 😊 an take care of those eye bags crying doesn't suits you

The way this woman looks at me it's like she really knows me but how because am not from here 🙄

♀,she left me an I did the shopping of snacks An went to the parking lot after a while although I felt like someone was watching me when I got there I saw blood trails on the floor so I went to check inside the car an my driver was left dead in my car I screamed but someone shut me up with their hands when I turn I was met by that woman from the hospital the one who wanted to do what I don't know

Jane : You will do this, get inside this car now

Me : What do you want from me?

Jane : I said get in this car right now cause you driving

Me : I don't know how to drive

Jane : Useless bitch 😡

She slapped me so hard I bled her eyes were black , she sniffed an came forceful to me but stopped herself I just felt the need to pee on myself worse am standing near a dead body

Jane : I want my whole family to enjoy this feast so I'll just control myself for now 😏

Me : Please don't kill me I can do anything for you  
please don't kill me

Jane : Sean was telling the truth about you 😊

Me : What? 😨

Jane : He said that he will deliver you when he fully  
gained your trust cause it seems like you trust  
easily

Me : Sean would never say that 😨

Jane : He said that in no time he will deliver you to  
us

Me : No he would never 😨😨 he loves me

I shook my head cause am falling for the guy ,I  
know he loves me I saw it that day in his office or  
was it all a pretence

Jane : Do you think people like us can fall for  
someone like you

Me : He loves me 😨

Jane : Listen here sweaty once we done with  
you,you will be unrecognisable now watch your  
back

Narrated

Jane was trying to manipulate Ntobeh so that she won't go home, in that way her parents will easily find her and boom feast for them, Sean felt like something is not right he was on the road so he tried to read the driver's mind but he failed so he read Ntobeh's mind, as for Ntobeh she was crying because of the love she has for Sean only to find that Sean was using her

Jane : Just because you can't drive I'll let you be but watch your back bitch

Ntobeh : 😭😭😭

Jane ran away leaving Ntobeh crying on the floor, she felt like someone was in front of her so she screamed

Ntobeh : Leave me alone 😭😭

Sean : Ntho what wrong?

Ntobeh : Stay away from me, you want to sell me to your family 😭 they killed the driver and now they want me, Brad wanted to kill my friend than me 😭

I hate you Sean cause you are the one who bought me here, you wanted to kill me

Sean : What are you talking about ? 😊

Ntobeh : Am talking about your sister your whole family you want to kill me 😞 Sean you should have just killed me yourself

She said holding his T-shirt an shaking him roughly

Ntobeh : I'll rather have you kill me not your family 😞 what have I done in this earth to deserve this 😞😞 first it was ny father leaving me, my mother beating me for something I didn't do 😞 now the man that am falling fo want to sell me to the wolves 😞😞 please kill me yourself don't let them eat me I'll rather have you drink my blood not them 😞😞

Sean just pulled her to him cause she was crying an that pained him what ticked him off is that Jane is in JHB that what he have to fix by killing her family or not he can't risk it, which only makes him not trust Brad cause he's the only one who knew where he is

Sean

I took Ntho home, she's traumatised and I don't even know how to help her because I am the one who led her to this life, I am looking at her and she's crying and the thing that hurts me is that she doesn't trust me, I mean if I wanted to kill her I would have done that a long time ago but No I didn't, after a while we were entering the gate and I saw a car that I don't even know, I knew that my family is here and it would be like I am the one who called them

Ntobeh : Who's car is this 🤔

Me : My Dad's car

Ntobeh : So that girl was telling the truth, you actually sold me to your family?

Me : I would never do that Ntho, Jane is doing this because she wants you to believe that I am against you Listen I would never do that to you I like you so much to hurt you like that

Ntobeh : Fine Let's go in

Me : Are you sure?

Ntobeh : Yes am sure 🙄

One thing I've learnt about Ntho it is that she's strong an not coward cause if she was, she wouldn't even be here with me ,Oh did she say that she's falling for me? 🙄 we entered the house hand in hand an I can see that she's trying to keep it together... ♥...The woman I need in my life, when we entered the lounge Jane an my parents were seated there looking at us with smirks, I gave my girl a stare an she was just looking at them with so much range

Me : What are you all doing here?

Jane : We here to see you 😊

Mom : You left without saying goodbye, we even followed Brad here because apparently you didn't want us to know where you are

Dad : It's good Son that at last you delivered the girl

He said that standing up an I swear to God if he touches Ntho I will kill him an remember later that he's my father

Brad : Touch her Dad an you will see

Dad : What will I see?

Me : don't start what you won't finish Benjamin, the girl is with me

Mom : Oh honey is that one of your pretending lines? I mean you never gave us the hard time with the other girls 😊

Jane : Maybe he want us to beg

Me : Am giving you 5 minutes to leave my house

Jane : Can't she talk? Miss just look at this family an tell me if you can handle all of this I mean you the only human

Ntho : Am not afraid of you

My mom hissed like a snake but my girl was standing her ground

Mom : You must be

Ntho : Just because you do whatever you do doesn't mean you own me an you will always get what you want with me now if you don't mind I would like to go to my room

Narrated

Ntobeh was about to go up the stairs when Jane quickly went to stand in front of her with her long teeth's

Jane : Don't test me 😞

Ntho : If you don't move in my way right now, I will not be responsible for what I will do 😞

Jane was about to slap Ntho when sean pushed her with force,she hitted the wall hard with her head an she screamed an stood her ground while hissing,her mother an father were prepared for war cause they will have this girl one way or the other

Sean : If anyone comes anywhere near my girlfriend I will murder him or her don't test me

Dad : Give us the girl than we will be off your back

Sean : You not getting any girl

Brad : You will have to start with the both of us first

The three of them were angry because they thought that maybe Sean and Brad will realise that this girl is not worth it but one thing they sure off is that they will get her, starting by telling their grandfather that Sean doesn't want to give them the girl

Dad : Fine we are leaving

Mom : An Honey think about this 😊

Jane : There's nothing to think about here Mom 😞

Mom : No there is, let's go

The mother took Jane by hand and they went to the car but someone caught their action and it was Scelo snooping around at the other side of the fence remember the guy who told Smangele and his friends that he saw a creepy guy but they blamed it on the weed, so they saw him and Jane jumped on top of the car and hissed showing her long teeth's and Scelo ran away to the house while terrified

Sindi : Whoa Whoa what wrong with you

Sabelo : Who's chasing you?

Scelo : You...not gonna believe what I saw

Lubanzi : What's that?

Scelo : I saw a bloody unusual creator with long ass teeth's

Muzi : Huh?

Scelo : I saw a bloody Vampire in the neighborhood

Muzi : What? 🤔

Sabelo : Let's go an check

They all went outside to check but they didn't see a thing there was only cars in the yard

Lubanzi : Where is it?

Scelo : That girl was there on top of the car gents you have to believe me

They all looked at each other an burst out laughing

Sabelo : What weed did you smoke 😂😂 first you said you saw someone creepy in the neighborhood 🤔 now you saw a Vampire

Muzi : Nigerian weed 😂😂

Lubanzi : Electric weed 🤔 Scelo you should stop smoking

Scelo : Am telling you the truth an you saying that am lying 🤪

Sindi : Stop smoking 🤪🤪 cause it's bad for you,I mean it's not even Halloween ,you can't be going around saying that you saw things that are not real

Scelo was scared to death cause he know what he saw but they don't believe him, they kept on laughing at him

Ntobeh tried calling Smangele but her phone was not answered so she tried for the last time an it was answered by a woman who's not Smangele

Woman : Hello

Ntobeh : Hello 🤪 \*\*sniff\*\* can I please talk to Smangele

Woman : Oh am her mother by the way, so I will give her the phone she's sleeping

Than she heard shuffle an she suspected that the mother was giving the sleeping Smangele the phone

Smangele : Hello \*\*with a sleepy voice\*\*

Ntobeh : Hey Smangele😭

Smangele : Ntobeh what's wrong? Why are you crying is that guy troubling you? I can always tell my father an am sure he can help you

Ntobeh : No Sma please I need you can I come there maybe 😭 I don't want to be here

Smangele : Um let's do this we will sleep in one of my fathers hotel

Ntobeh : Anything is good as long as am not in this house 😭

Smangele : Wait for me am coming

Ntobeh : What will you say to your parents? I mean it's at night won't they have a problem with you coming here😭

Smangele : Don't worry I will come up with a plan just get ready

Ntobeh : Okay

Ntobeh hung up her phone while crying on the floor an Sean came to sit with her on the floor while touching her but she wiggled herself an stood up that made Sean more sad

Ntobeh : Don't 🙅

Sean : Ntho please 😞

Ntobeh : Am not sleeping here today I need a break from all of this

Sean : You not safe alone Ntho

Ntobeh : I can't be here I need air 😞😞 this day was just long an with so many drama I can't deal with this, I need air Sean 😞

Sean : What if they hunt you down

Ntobeh : Maybe my fate is that

Ntobeh took her overnight bag an packed her clothes, Sean was going crazy cause he didn't want to separate with Ntho especially now that his family wants her up an down

Sean : Ntho

Ntobeh : Don't beg me to stay Sean I need to do this

Brad : Let her go maybe nothing won't happen to her, this is too much to take

Ntobeh just looked at Brad cause she's still angry for chocking her friend, after some time Smangele knocked on the door an was let in by Brad, she saw the crying Ntobeh coming downstairs so she rushed to her an they hugged they had that connection that they can't explain, Smangele should be angry at her but she's not

Smangele : Let's go

Ntobeh : Um I will call you an let you know when we get to the hotel

She said looking at the worried Sean

Sean : Ok come here

Ntobeh went to him an he hugged her tight cold or not Ntobeh was getting used to it, an he kissed her forehead after that they went their way, after a while they were checked in so they were in their

room, Ntobeh was thinking at how her life just changed nje after her father's passing

Smangele : Let's stuff ourselves with Ice creams don't you think?

Ntobeh : Sure why not? 😊

Smangele : You lucky because my own this hotel so this is one of the suites I use an it always packed 😊

Smangele went to take a tub of Ice cream with two spoons an went to snuggle with Ntobeh in the couch

Smangele : Talk to me buddy

Ntobeh : My life is a complete mess

Smangele : What's wrong? You know you can tell me everything right? Fine we just started being friends but I can assure you, I feel connected to you maybe you being my friends neighbour was fate for you to meet me 😊

Ntobeh : I think so too an am so happy to have you although maybe you won't even want to be friends with me if you were to hear what am going to tell you

Smangele : Just talk already cause right you talking cramp nothing will push me away from you, I mean I was chocked right in your house so what more would make me run away 😁👉

Ntobeh : Am sorry about that

Smangele : Water under the bridge even thou my father wants to know the truth

Ntobeh : shit!!

Smangele : Yes but don't worry I know where to push when I want him to forget about something ,now tell me what's eating you

Ntobeh : Well I lost my father a month ago

Smangele : Oh my God 😞 that's so sad am so sorry I wish I was there to hold you an comfort you

Smangele genuinely loved Ntobeh, she is drawn to her as friends

Ntobeh : My mother started abusing me 😞 she would beat me up for things that I don't know, ever since my father passed away I was woken by 5am everyday to clean the house an I didn't know why would she treats me this way cause am her daughter, one day I woke up because I was going to work so when I got to the lounge she was with

another man called Bra Des that what she introduced him to me, she even said that if she's not there an am with Bra Des I must know that am safe, so I didn't take note of that I thought that maybe he will keep me safe until late that night when I was brought by Sean home, it was a lift to home so I took it cause I was desperate didn't even have money for pads so I took a strangers lift home because of desperate measures 😞

Smangele was breaking down cause she thought that maybe Ntobeh was just a snob like her 😞

Ntobeh : So that night I came back home an was met by a slap from Bra Des cause apparently I was sold to him by my own mother 😞😞

Smangele : Oh my God 😞 Ntobeh how did you survive that? Heh? 😞

Ntobeh : It was a life that I was given for that period of time, the next day I was hospitalised because of being beaten to a pulp by him, Sean came to see me an to cut the story short we escaped from the hospital cause I was tired of the life I was living Smangele it was not healthy 😞

Smangele : True it was not 😞

She took her hands while listening they were both crying

Ntobeh : Sean decided that it's good that we move to Jo'burg so I told him that I want to fetch my clothes home than we can go, I went there to find my mother crying on the floor only for her to tell me that I have to come back home cause Bra Des will kill her, I mean she didn't care about me 😞😞 the kind of a mother I had in my life, it didn't start when my father was dead, she always had been abusing me from 6 years old I would be starve until my father comes back from the small jobs he was doing😞,I went to my room to pack an Bra Des entered using the window, he wanted to ra... Rape me

Ntobeh sobbed loudly because of the flashback of that night, Smangele was heart broken 😞 she even wanted to tell her father so that he can kill the bastard nx 😞

Ntobeh : He touched me, He forceful opened my legs I couldn't scream because of the gun that he was holding 😞😞

Smangele : Stop 🙅😭

Ntobeh : No I have to talk about this in order to heal an be strong cause my life is far from being good 😭 when he was about to do the worse I don't know what happened but I saw him on the floor with Sean b... He was b... 😭

Ntobeh didn't know what was happening, she felt like she could trust Smangele is it a good thing though

Ntobeh : He was biting her neck like an animal 😭

Smangele : Animal? 😱😞

Ntobeh : I fainted an woke up in the jet an I told him that we will talk at home, an we got to the house I asked him what was happening back there cause I saw him sucking blood out of Bra Des 😞😱

Smangele : Wait 🙅

Smangele stood up an looked at Ntobeh with fear an shock written in her face with tears falling down

Smangele : A Vampire? 🧛 that's the only explanation Ntobeh are you insane? 😞😱 you not

safe an to even think that you actually told me to come to your house what if they killed you or worse kill us both?

Ntobeh : I love him Smangele😭, fine I was angry at first but I learnt to live with him, he's the only guy am able to live my life the way I want an he saved me from all the abuse I've been getting home 😭

Smangele : Are you CRAZY? YOU HEARING YOURSELF?😭😭 Ntobeh you not safe, Oh my God I can't believe you right now

Ntobeh : Smangele that guy's family wants my blood but they can't have it because Sean is protecting me 😭 I love him an I can't just forget about him

Smangele paced up an down cause she was going crazy never in her life have she thought that she would hear a person telling her that she's living with a Vampire 😭

Smangele : Why were you crying?

Ntobeh : Because they were at the house

Smangele : Who? 😭

Ntobeh : His family

Smangele : NTOBEH 😞😞 ,wait wait wait we not safe, Babe listen to me this is not the life for you, fine you were abused but this is not the escape you have to use, you deserve so much

Ntobeh : Smangele I can't I love him 😞

Smangele : Fine 🤞 we have to get out of here I think....although it's hard to say this but you much safe with him than with me 🤖 Okay Okay we will sleep there right? Am sure they won't chock me again OH God I can't believe am saying this 😞 but we safe with them we have to...

They heard a knock an they jumped with fear

Smangele : Who is it?

Person : Room Service Ma'am

Smangele : \*\*sigh\*\*

Smangele went to open the door but realised later that she didn't order anything 🤖

Jane : Surprise 😊 Move !!

She said pushing the scared Smangele inside the room with force an she fell

Ntobeh : Oh God 😭😭

Smangele : Who is this? 🤖😱

Jane : Am Jane 😊 Thank you very much for bringing me another meat

Ntobeh : Please take me alone

Smangele : Are you crazy? You not going anywhere

Jane : True, yol are not going anywhere cause I will kill the both of you right here

Her eyes changed an she went on Vampire mode, Smangele was so adamant that Ntobeh was indeed telling the truth.

Jane : Now I want you to shut up!!

Smangele thought hard an she couldn't die not yet

Smangele : Wait

Jane : Yes

Smangele : I can give you more blood if you let us go, I promise you I will always provide for you

Jane looked at her with a smile

Jane : Tempting but No🚫 I want this bitch, she actually took my man away FROM ME 😞

She shouted an it was too much to make Smangele more scared,Ntobe's phone rang an it was Sean so she didn't answer

Jane : Answer it an tell him that you good 😊

It rang once again an the phone was answered by Smangele because Ntobeh was actually crying

Smangele : Sean

Sean : I want you to listen to me

Smangele : Oh yes she's good

Sean : Light something maybe fire or a light that will burn her for a while until I reach there

Smangele : Oh I will tell her when she finishes bathing

Sean : Do that am on my way

Smangele hung up her phone and remembered that there was actually a 🔑 that can burn this bitch

Jane : Switch off that phone

Smangele : Okay

All along Ntobeh was praying that nothing happens to Smangele cause she will never forgive herself, Jane made her way to Ntobeh when Smangele kicked her from the behind and she fell cause she was not expecting it

Smangele : If you want blood you have to work first  
BITCH!!

Jane hissed an went to Smangele but she ducked  
an gave her an elbow from behind she fell once  
again all along Ntobeh was watching all of this, as  
for Smangele she wanted to buy time

Smangele : Go to the drawer

Jane stood up an kicked Smangele hard on her  
stomach that she fell on the floor an blood came  
out her mouth, Ntobeh tried to go to the drawer  
but Jane was fast she pushed her to the wall when  
she was about to go to her Smangele took the vase  
that was in the table an threw it at her it hits her  
head hard she fell on her knees, Smangele went to  
the drawer an found the big torchwhen she came  
back Jane was holding Ntobeh with her throat  
ready to kill her, Smangele nearly died because  
she won't survive if Ntobeh was to die right now

Smangele : Not today satan

Jane laughed so hard that it annoyed Smangele so she lit up the torch at the back, Jane felt the burn an she screamed an turned with force when she was about to go to Smangele, Ntobeh took the knife that was in the table an stabbed her at the back while Smangele burned her in the face, she was screaming an cursing because of burning she even fell down while touching her face as for Smangele she took the bags an signalled Ntobeh that they should leave at once

Smangele : Now let's see who's the bitch, BITCH 😞

They left her screaming on the floor ,when they were on the passage they were stopped by someone so they screamed with Smangele lifting the torch like "One mistake you dead bitch"

Sean : It me

Ntobeh : Oh God Sean

Ntobeh went to hug, even Smangele she was actually happy to see him so she hugged him

Smangele : Whoa you cold I can't 🙅 but all in all get us out of here 😞

Sean : Okay Brad will take you to the car

Ntobeh : No 😞 I can't go without you Sean

Smangele : Listen nothing will touch you while am still alive so let's go with this dickhead

Brad : Hey watch it

Smangele : Come Babes

They left Sean, he went to the room where Jane was, he kneeled down beside her, Jane touched her while crying

Jane : Sean look what they did to me

Sean : ...

Jane : You have to kill them 😞 I love You okay please kill them for me 😞

Sean : It ends now

Jane : No Se....

He just twisted her neck an she died right there, he didn't even shed one regret

Sean : Rest in hell, If I were to love, I would have loved that girl you wanted to kill

He took the body an ripped it an threw it in the fire that was in the room (I don't what that thing is called, the house fire or something) cause he didn't want anything putting those girls in trouble, he than went to the car an drove home

Smangele

If I were to say that this thing will not make me have nightmares at night, I would be lying well my father taught me how to fight an he even taught me how to hold the gun so I used to say that If I were to be killed by thugs they will have to do that the hard way cause I won't let them do that easily without fighting, we were in the car driving to the house using my car but the person who was driving is Sean's brother, I was holding Ntobeh cause she was vulnerable

Me : You'll be okay

Ntobeh : What if you died heh? 🤔 I would have never forgiven myself

Me : You'll have to slaughter the cows and ask the ancestors to kill me for you cause am a die hard 😁

Brad : So I've noticed 😁

Me : shut up perv am not talking to you ☐☐

Brad : Am sorry hey

Me : Sorry won't do 🙅

Finally we were at the house, how I wish I could just go to my friend's house cause am scared at all of this more especially for Ntobeh who lives with them everyday, we went to inside straight to the lounge although Brad went to the kitchen

Ntobeh : Drink

Me : No am okay

Ntobeh : I meant he's going to the kitchen for the drink

Me : drink?

Ntobeh : Blood

Me : Oh

I'll never get used to this, I mean this day is the worst amongst every day I've ever had in my

life 🏠 Sean came inside the house walking like the earth has been dropped in his shoulders, he just stood there and watched Ntobeh who was in her world

Sean : Come

Ntobeh looked up and she jumped and ran to him they hugged, one thing I can see is that these two love each other so I just let them be and went to the kitchen to find this perv drinking blood I felt like vomiting 🤢👤

Brad : Want?

Me : Perv take that away from me 🙄

Brad : 😁😁 Are you okay? Need a hug?

Me : No I don't, hugs are meant to be hot and comfy but I know yours are cold and not comfy enough

Brad : Am sorry about earlier on

Me : It's okay, so tell me how do you live with a human and don't crave?

Brad : I taught myself when I was at school

Me : School?

Brad : Yes I wanted to keep myself busy so I did go to school

Me : Oh

Brad : I do crave but I just hold myself although it's not that easy but we have to if not for me than for my brother cause I can see that he's in love

Me : I can see that

Brad : Don't leave her she really needs you

Me : I won't even dream of it just that this is hard to accept just like that

Brad : I know an now that Jane is dead there will be war

Me : Tell me about it!

Brad : One thing I know is that Sean would never let anyone touch her or you cause you her friend, Ntho's happiness is his medicine, never thought I would say this but a human really did change my brother for just these couples of weeks, I mean he was an asshole who didn't care about anything but himself, ever since he met Ntho it has always been her, her her

Me : Love 😊

Brad : What about you?

Me : Whoa mind your own business

Brad : 😊

Me : To even think that I was prepared to make your life a living hell for chocking me

Brad : You can still do

Me : How? Cause the only thing I can do is fry you 😊 just make you a chicken dust bhu bhu bhu 😊😊

Brad : Huh?

Me : Sbanxa senkwenkwe (Idiot)

Brad : Are you insulting me?

Me : No I was complimenting you, I have a thing for white guys nja

Brad : Oh 😊

Me : Sbhanxa (Idiot)😊

We laughed in all honesty though if Ntobeh was me I would have never fallen for a vampire I'll rather die whoa Never!!!

Sean was still holding Ntho tight, the feeling of losing her really got to him, an he even blamed himself that he shouldn't have let her go

Sean : Am sorry

Ntobeh pulled out of the hug

Ntobeh : It's not your fault 😞

Sean pulled her an he sat on the couch an pulled her to his lab

Sean : I will never ever let you out of mu sight, from now on you under my watch

Ntobeh : Thank You for always being there whenever I need you

Sean : I care about you

Ntobeh : An thank to that karate kid called Smangele 😊

Smangele : I HEARD THAT CHUM 😊

Smangele shouted from the kitchen so they all laughed

Sean : Can you sleep in my bedroom

Ntobeh : Why?

Sean : I love watching you sleeping

Ntobeh : Creepy

Sean : I know 😏

Ntobeh : Sounds tempting but I can't I have to sleep with Smangele

Sean : She can sleep alone

Ntobeh : No Sean am sure she's afraid,I mean you would be if you were to hear that actually you surrounded by people like you

Sean : Yeah I know, but from now on there's no Jane

Ntobeh : What did you do to her

Sean : It's all sorted don't worry yourself, she'll never hunts you down again

Ntobeh : What about your parents?

Sean : They back in Durban so for now we all good don't worry

Ntobeh : Okay 😊

Ntobeh was still scared but she trusted Sean that he will never let anything hurt her, Sean came closer to Ntho's face an they kissed passionately after some time Ntobeh pulled the kiss

Sean : What's wrong?

Ntobeh : Nothing

Sean : Oh 😊 I would never do what you don't want to do Babe

Ntobeh : I know

Sean : Good that you know Babe

Sean kissed her nose she smiled, Sean was charmed by her smile so he kept on staring at her making Ntobeh blushed, Sean knew that he's blessed to have Ntobeh in his life an he wouldn't want anything that will make her cry never again, if she cries it will be because of joy not because of his family

Ntobeh : Are you okay? 😊

Smangele : Give Brad a phone

Ntobeh laughed cause she knew that this only mean trouble

Brad : Hello

Smangele : Tell me something

Brad : What?

Smangele : Do you also drink petrol? Heh?

Brad : Are you out of your mind?

Smangele : You tell me how come I don't have petrol when you were the last person who drove my car

Brad : stop going crazy on me the only thing you should say to me is "Brad can you kindly please come and help me" 😊

Smangele : Eyy wena 😡 you motherfucker!!

She saw a car coming from afar

Smangele : I will get you nx

Smangele hung up her phone and went to stand in the middle of the road to stop the car for help,

when it was near she wished that she didn't stop it cause the way she's so angry, the person she's seeing is the last person

Sabelo : What? Are you stalking me?

Smangele : You are the one who's always following me now be a gentleman an help me

Sabelo : With?

Smangele : Petrol

Sabelo : I didn't hear you 🤔🤔🤔

Smangele : I can always call my father fool

Sabelo : Call him an I would want to hear what he'll say when he finds out that you took the shortcut

Smangele : Can you help me already

Sabelo : Fine

Sabelo got out of the quantum to the back to take out the just in case bottle he was keeping, all along the girl that was with him was giving Smangele nasty looks but Smangele didn't mind that the only thing she wanted is to go home

Smangele : Fast fast am sure your girlfriend is angry now

Sabelo : Let her I don't care

Smangele : your name is "Mawungangedluli penti" (Panty don't pass me) 😏 so many girlfriend

Days have passed with me an Ntobeh very fond of each other, me an Brad became too close😊,me an my brother Lubanzi are still doing the most which is always partying when my father isn't looking 😁I mean we only live once so why not 😊,Sabelo has been giving me vibes that sweep me off my feet I don't know why because he's a player an by trying something with him will only bring me heartache nje, Life has been great an indeed my mother is pregnant my father must be giving her to good cause she should be retiring in the sex department, well I broke up with my man I know you didn't know about him but yeah I was kind of in a relationship with him 😞👩♀,so today I have an early class I was woken up by a phone ringing an I wonder who in their right minds will wake me up at this time of the day, I checked the time first oh Snap am late for class it's already 10am 😞😞 I woke up without answering that phone I went to do

my morning hygiene I've never been so quick in my whole life, after that I wore my adidas tracksuit with white all star, I took my bag and went downstairs took an apple, bided goodbye to the family then drove off, on my way I took my phone and the person who was calling me was a number that I don't even know so I called that person back and it's like he was waiting

Caller : Morning Princess

Me : Wuu who are you and why are you calling me princess like am a small kid?

Caller : Snap out of it you talking to Brad

Me : Oh Hey

Why is he calling me so early in the morning 🏠  
well we close but not to a point that he will have my numbers 😊 I just don't deal with Vamps 🙅 I'll rather climb the train and jump than die or chock myself with electricity cause No Mogul I can't 😊🙅  
well it's quite good for Ntobeh cause I don't know how to explain it 😞

Brad : Am sorry if I woke you up

Me : Oh No don't worry you saved the day, am so late an it's not even funny

Brad : Will you come this side today?

Me : No I won't why?

Brad : Just wanted to see you

Me : See me or drink me?

Oh fuck did I say that loud

Brad : No I don't wanna drink you stupid I just wanna see you 😊

Me : Oh okay don't worry I will come to just check on yol than I will go home, I mean my father was so angry with me for not being at home the day before yesterday

Oh the day before yesterday I went to visit Ntobeh an ended up calling my father asking if I could sleep, an he he was not okay with it but he agreed althou Brad was like "Just tell him that you not coming back than hung up, he will get the picture" I was like in my mind does this blood sucker know who my father is

Brad : Ain't you old for that?

Me : No in his eyes I will always be small

Brad : He should get a life, I mean you gonna be turning 20 next week

Yes next week friday is my birthday 😊

Me : Uhm you know what we will talk later,Bye

I didn't even wait for him to say bye, cause this is what you must know about me, am my father's baby so being reprimanded by him doesn't hurt me in anyway

Sean

Me : So?

Brad : She will come

Me : Why do you want her here?

Brad : I guic it's good to just look at her

Me : Just look at her? Weren't you the one who was prepared to kill her the other day

Brad : I thought that she wanted to kill Ntho or to hurt her

My brother has been acting weird well over the past two weeks that have passed, life has been good for us without my family harassing us, they even think that Jane is missing so they are worried about her, I haven't even contacted my grandpa cause am scared that he will actually come this way to kill Ntobeh, well about her I have been feeling these foreign feeling when am with her you know I even went to google why am I weak at the sight of seeing a girl an guess what? They told me that it's love maybe I am but I don't know but if it is than it have chosen the best one for my heart 😊

Ntobeh : Sean

She was shouting from her room I don't know what she want from me 😊 always calling me for nothing, so I climbed the stairs like am being forced, I watched her laying on her bed an I know she wants me to do the same so I did

Me : Am here

Ntobeh : I was waiting for you

Me : Mmmh😊

Ntobeh : You usually come to my room every morning but today you didn't

Me : I did an you were so peacefully sleeping

Ntobeh : I was so tired you bullied me yesterday, into baking what you won't even eat

Me : You always have a visitor so you had to

Ntobeh : Which reminds me close that door please

Me : So you want to gossip? 😊

Ntobeh : No maan just close the door

Me : Okay ma'am even though I would have heard him

Ntobeh : Just close the door 😊

I laughed an went to close the door, with her it's always the same gossiping over an over again, I mean we even gossiped about our neighbour who's always drunk that girl will die of alcohol am telling you but that ain't my business😊 I went back to the bed

Ntobeh : Why is your brother always wanting Smangele to be here, I mean she will end up being thrown out of her home 😏 this is not fair please tell your brother that Smangele is not living by herself woo yafa ingane yomfazi ,This is getting out of hand

Me : You see you not being fair 😏 you can't be gossiping with me than use your language

Ntobeh : Am sorry when am this angry I just speak in tounes 😏

Me : Where did I find you? 😏👋

I tried to get out of bad but she was fast, she climbed me causing me to not leave I just laughed because I always let her think that she's more powerful than me

Me : On a serious I don't know what is happening with my brother

Ntobeh : Please talk to him

Me : I can't maybe he loves her who knows?

Ntobeh : Will they even kiss? 😏

Me : Why? 😏

Ntobeh : I mean my friend is afraid of yol, secondly how will she survive cause she can't even sleep if she's here ever since she heard that yol don't sleep 😊 I mean how will she survive with a lover who's a vamp

Me : Can you get off me an stop gossiping, let them decide for themselves 😊

Ntobeh : Yes let's do that I was about to say that

Me : Oh liar 😊

I tickled her she laughed so hard that makes me happy cause when I met her she was not completely her, but now she's alive 😊

Narrated

Smangele was coming back from school so she dropped Sindi in her house than went to Ntobe's house even thou she was tired an wanted to sleep, so she got inside the house cause it's like her home now, she found them in the pool house talking an laughing

Smangele : Afternoon fellas

Ntobeh : You look tired

Smangele : You have no idea babes 😊

Brad was smiling like a retard just because of seeing Smangele 😊

Ntobeh : Come an sit here

Smangele : Isn't Sean siting there?

Sean : No sit don't worry about me 😊

Smangele went to sit near Ntobeh

Brad : So how was your day?

Smangele : It was good no complaint although there was this guy who's a tutoring my friend, he asked me out I mean guy he's ugly as fuck

Ntobeh : So are you going on a date with him? 😊

Smangele : No definitely never 😊

Brad : That's good ,a beautiful girl like you can't be mixing herself with ugly people

Smangele : Bra 😊👋 But hey am still waiting for my dream guy 😊

Sean : You will find him, don't worry yourself

Ntobeh : She's not worried Babe 😊

Sean : No the ways she's saying it, it's like she's crying inside

Smangele : I can't be crying because of a man 😊

Sean please don't make me a bitch

Sean : Am not 😊 don't put words in my mouth

All along Brad was quiet and that worried Smangele cause the reason she came here was because Brad wanted to see her

Smangele : Brad are you okay?

Brad : Um I was wondering if we can talk

Sean : Alone? 😊

Ntobeh : I mean we got no secrets right? 😊

Smangele : Can you two go please 😊 busy wanting news

Sean : I was still enjoying the air can we sit here we won't even hear a thing we promise

Brad : We will go inside

Ntobeh an Sean looked at each other an stood up to leave them alone although they didn't want to, Sean had his reasons so is Ntobeh 😞

Brad : Come this side

Smangele : Okay

Smangele went to sit near Brad, who just took her hand an Smangele's heart was beating out of her chest

Brad : Don't be afraid, I know you are

Smangele : Okay an you should stop being creepy, don't hold my hands 😞

Brad : Oh okay

He let go of her hands an Smangele breathed out the air she was holding

Brad : Smangele I love You 😞

Smangele : What?

Brad : Yeah ever since I got fond of you my feelings became stronger each day that I can't even stay the whole day without seeing you

Smangele : Brad 😊 don't mean to be an ass but me an you are just friends an what even worse am scared of you an I don't even dream of dating someone like you I mean am human so I will always look behind my back I won't fully trust you

Brad : Which brings me to my second quest

Smangele : What's that?

Brad : Can I be your maker

Smangele : Maker?

Brad : Yes, For you to not always look behind your back I can make you what I am

Smangele : What.... No 🚫

Brad : Listen Sm...

Smangele : I said No🚫 I don't want to be like you

Brad : Please I love You an I want you to always free

Smangele : Can I ask you a question

Brad : Yes you can

Smangele : If I were to date you but don't want to change will you agree?

Brad :....

Smangele : Thought as much, Brad you thirsty for my blood? 😞

Brad : No am not but I know that if we date I can't hold myself long without attacking you

Smangele : Wuu ndinyeliwe (This is all shit!!) Do this one little favour for me take that love an give it to someone who will want to change for you, as for me I don't love you in that kind of way fine you handsome an all but Not for me 🙅

Brad tried to get closer to Smangele but she jumped

Smangele : Stay away from me

Smangele ran to the house straight to her car with Ntobeh shouting her name but she wasn't hearing it, in her mind she was thinking if it's her who led Brad to all of this cause in all honesty he always looked at Brad as a brother who can always protect her in bad time but Now Brad want to change her, whoa aNever shame that what she thought to herself
