My name is Gail Ntando Ndhlovu and I am currently in Matric about to write my last June paper, I am a Top 10 Student In a Government school called iKhusasa lethu High School (Our Tomorrow High school), My life is not perfect and everything is just not going well. I Got a little brother called Hlonipile Junior Khoza. he is 10 years old. My mom is a full time drunkard, her name is Keabetswe Nandipha khoza. She started getting drunk while I was in primary school grade 6 and things started going AWOL from there. She started taking the money for food so she can buy alcohol and getting into fights with everyone in the neighbourhood, the people In my hood keep on saying that she started acting like this when my Dad passed away. Well I don't know my dad. I never had a father figure in my life. Her best friend Amanda said that My dad was coming to visit me and junior and he got shot dead. From then onwards my mom lost her mind and started getting drunk as some sort of way to get away from the pain. Well I spoke to my mom yesterday when I was taking a break from studying and she said she has stopped getting drunk. Well I don't believe her cos she has been drinking for 4 years and I don't think it will be easy for her to just let it go.

I wake up at 05:40, it is a Wednesday and get ready for school. I do my morning routine. After that I apply vaseline and wear my undergarments and wear my stockings and long sleeved shirt, I look for my skirt and after 5 minutes I find it and wear my skirt and my pull over. I do my tie and then I wear it. I apply gel on my natural afro and then tie my hair into a bun. I apply my vaseline on my lips and then wear my toughest school shoes.

**MY BODY IS NATURAL, I GOT A MEDIUM SIZED BUM, CURVES AND MEDIUM BREASTS. I GOT THICK LEGS AND IM LIGHT BROWN IN COMPLEXION . I GOT AN AFRO AND SMALL EYES, MY EYESIGHT IS NOT THAT GOOD BUT I DON'T HAVE THE MONEY TO BUY GLASSES, I GOT GAP TEETH TOO. I GOT AN OKAY WAIST AND I AM THICK ALL IN ALL.**

I take my bag which is a Pringle Bag That like an handbag made of wool cos i cant afford a bag. It's my moms bag that she doesn't use anymore. I go downstairs and my mom is making porridge.

Mom: Hello Baby

Me: hii ma, arent you supposed to be asleep.

Mom: Hawu, Cant I at least make you breakfast in the morning.

Me: I'm not saying you're not supposed to, I'm just used to you being asleep at this time.

Mom: Sit down pela, I'll dish up your porridge for you before it gets cold.

Me: (yelling) Junior Woza, you're gonna be late.

Jnr: Coming

My mom pours the porridge for us and Junior comes downstairs and sits down

Mom: look my babies I know I havent been the best mother since your dad passed away

Me: but mom, How do you expect us to understand when we don't even know our dad. I would've understood if I knew dad, but I don't even know him and junior doesn't even know him cos he was never here. I practically raised junior by myself.

Mom: yah I know, (sobbing) I'm sorry my babies, just that your fathers death caught me by surprise, he was supposed to be here then all of a sudden he is gone.(crying)

Junior: mom it's fine.

Me: he died when junior was 4 and things were hard for me. I had to raise him and by myself, couldn't you have at least thought about us, I was 12 raising a 4 year old boy.

Mom: I helped out though

Me: yes, with the fees and taking him to clinic when I had to go to school to get circumcised. Then you would leave him at home all alone so you could go and drink your sorrows away.

Mom: Ntando...

Me: mom please give me time, it must be easy for Junior to forgive you but its gonna be hard for me, I've spent my teenage days raising my brother while my unknown dad is 6 feet underground and My mom is a full time drunkard.

Mom: (wiping tears) it's fine My baby, I understand

She stands up and leaves us to go to her room.

Jnr: Ntan...

Me: Junior hurry up, it's almost time for school

We eat our porridge in silence and then my alarm goes off telling me its 07:00

Me: You done

Jnr: yep.

Me: okay, go get your books and let's go

As we are about to leave

Mom: ntando wait...

Me: mom we have to go...

Mom: you forgot your lunch money.

Jnr: R50

Me: huh mom, where do you get so much money.

Mom: (silence)...I...I got a job

Me: But mom R100 is too much for one day.

Jnr: (hugging mom) R50 is fine for me. I'll buy my girlfriend a chocolate.

Me: ohh so you have a girlfriend Hloni.

Jnr: no, I'm just thanking mom...R50 is the most money I've got, you would give me R10 on Friday only.

Me: (rolls eyes) whatever, thanks mom, bye

Mom: Bye My babies enjoy school.

I'm so confused about this new mom. The only time I met her was before she became a drunkard which is like a million years ago. Me and jnr walk to my friend's house Khanyi Mkhize. We arrive there and she is standing with some guy

Jnr: khanyi

Khan: hi baby, Ntando

Me: hi Boo.

Khan: uhm, boo this is..

Guy: (clears throat)

Khan: Lwandle.

Me: oh, okay. Anyway. It's time to go to school.

Lwan: so you wont greet me.

Me: (rolls eyes) bye

I attempt to walk away with junior and lwandle pulls my hand.

Lwan: I wonder how boss would tolerate you, you are so disrespectful

Me: shove it up your ass

I manage to remove his hand since he was tightening his grip

Me: Khanyi, I have to take Junior to school, you know where to find me.

Khan: okay boo, I'll be there in a sec.

"Lwandle" looks at me and scary way and I turn around and head over to juniors school

Khanyis POV

My name is khanyi Mkhize, I am ntandos best friend and we are in the same school and grade. I am 19 and I am okay in shape. I don't have a body like ntandos but my body is fine. I live with my parents Mr and Mrs Mkhize. They are chilled parents but are over protective. So I stood outside at 06:45 cos I know ntando comes really early cos she doesn't like being late for school and this guy who said his name is lwandle starts bombarding me with a million questions asking me about ntando. I'm just lucky that Ntando ARRIVED cos I was so scared. They arrive and it's all awkward. Well ntando is very...very disrespectful cos she is over protective of herself and getting used by men. She leaves after the drama scene that just happened and I'm left with lwandle again

Lwand: you had better not mention anything to Ntando.

Me: mxm, you are so rude to me and you expect me to obey your rules.

Lwand: I noticed that you and your friend are both disrespectful but me and my brother will sort you'll out

Me: pshh, can I go now.

I pass him and he spanks my ass

Me: ah

Lwand: see you later Sexy lady.

Me: (rolls eyes)

I walk away rubbing my left butt cheek cos he hit me really hard. He passes me with his Mercedes G63 and presses a hooter at me.

Ntandos POV

I arrive at juniors school and I drop him off

Me: bye

Jnr: (waves at me)

I head to the shop me and khanyi chill at then a Mercedes almost bumps on me

Me: are you insane you bloody mother...

Lwand: huh

Me: arghh, what do you want wena ocean

Lwand: doesn't it stand for sea

Me: same shit different toilet. Now what do you want.

Lwand: to talk.

Me: (looking at phone) its almost time for school try again next year.

Lwand: mmmkay, I'll come with the big man.

Me: what big man.

Lwand: bye

He gets inside his car and presses his car hooter while driving away. I get irritated and roll my eyes. I arrive 8 minutes later and khanyi is already there

Me: Boo

Khan: this guy is irritating me

Me: who is he vele

Khan: nami angaz, he came to me in the morning and started asking me about you... ohh god

Me: what

Khan: he said I must not tell you so please don't mention it.

Me: Argh

Both of us: Pervert Alert.

Us: (laughs)

We chill until it's 09:00 then we head to school talking.

... : wuu, you'll are talking like we are not writing today.

Me: aii luhle, we know we are writing, we just don't want to put to much pressure on ourselves.

Khan: we studied long ago so we know everything.

Luhle: I'm just revising

Us: (laughing)

10:00 we arrive at school and we are told that the papers havent arrived from the district so we have 30 minutes to revise.

Luhle: Bo mnakwetu

Me: hai luhle mahn, you and your noise are making my eardrums ache.

... : wu, bitches.

Me: (rolls eyes)

Khan: ai ke here are people wanting to ruin our last day of term 2.

Ayanda: mxm, Sfebe give me your scope let me see your ugly handwriting

She snatches my Maths Papers and I get pissed off

Me: seems like your ugly eyes can read my ugly handwriting

Luhle & Khan: (laughs)

Zinhle: why are you laughing nina

Me: cos you are stupid and disgusting

Jane: we know you are smart but you are not better than us.

Luhle: who mentioned us being smart, you are just acting like idiots.

Me: ngapha you'll are out here calling people stupid while you're the ones who are stupid.

Khan: Jane is the only one who seems to have brains since she also gets into the top 10, mara nina (laughs)

Ayanda: Hee wena ntando where is your Mother.

Me: She is at home

Ayanda: are you sure she is not at the Tavern

Me: yini, you wanted to drink with her.

Luhle: (laughs) yohh

Zinhle: I heard she is sleeping with the owner.

Me: wow, that's great news. She must be getting it on.

Khan: isnt The owner Your Father Ayanda

Luhle: (laughs) Vele (claps hands)

Jane: let's go guys, we are wasting our time here.

Me: (middle finger up) Bye

They leave and we laugh at them. After 10 minutes of laughing we focus on maths telling each other how to solve certain equations if we get confused. Well we chose the same subjects but Luhle chose History cos she wants to be a lawyer. Khanyi wants to be a Engineer while I want to be a Doctor 😊. We will make it shem.

Miss Mahlangu: Okay guys, its 10:15 come and settle down. The papers are here.

Luhle: let's pray guys

Me and khan: as always chom

We all hold hands and say a quick prayer to ask the lord to be with us while we are writing and we hug and get inside the exam room and write our maths papers.

13:30

Luhle: (Screaming) WE ARE DONE

Everyone is happy that we are done with our June Prelims. Me and the girls head to the gate were we see Ayanda and her girls leaning onto a Mercedes we are familiar with

Luhle: and then

Me: (shrugs)

Luhle: bye guys, I'm sleeping over at my mans house

Khan: wu, haii ke enjoy

Luhle: I'm gonna ride him shem.

I roll my eyes cos I know who her man is, (clicks tongue) sies this slut. Luhle disappears and then me and khanyi go to our favourite shop.

... : Well what do we have here.

Me: argh will you please sto...

... : (chuckles)

Khan: Damn papi.

Me: who are you manje.

... : who are you

Me: Mxm

I attempt to walk away and he pulls me and holds my waist.

Me: ah.

... : You are such a bad girl

Me: (rolls eyes) Let me go

... : did you just roll your eyes at me.

Me: yes I did and I'll do it again

He chokes me in a really seductive way and whispers in my ear

... : you had better get your attitude in check sweetie cos it wont be nice once I do it for you.

Me: ah, (clicking tongue)

... : (Slaps Ass)

Me: Ah.

Lwand: (to khanyi) let's go baby girl this might take a while

He let's go of me

Me: argh, khanyi let's go

Lwand: but...

I grab khanyi and we go

Me: ohh yeah (Middle finger up)

And we run to the shop and we catch our breaths

Khan: what was that about.

Me: arghh I don't know, dude really did a number on my neck

Khan: i think he is lwandle's brother.

Me: what ?

Khan: yeah he mentioned him today.

Me: (rolls eyes)

Lwand: Yes mam.

Khan: let's go to my house boo.

Shaka: Can I at least take you home.

Me: I have to fetch my brother so no, bye

I walk away and khanyi catches up with me

Khan: I'm here.

Me: seems like you are falling for Iwandle

Khan: nope, hes a good guy.

Me: mh

Khan: Shaka ?

Me: huh

Khan: mxm, what about Him

Me: argh, no. Now let's hurry , Junior must be complaining right now.

We walk up to Juniors school and he is not at the gate.

Me: haibo, where is he it's almost 3pm and he knows he has to wait for me at the waiting area.

Khan: let's go look for him, he must be around here.

We look for junior but there is no sign of him. I start WORRYING

Me: no khanyi, this is unlike junior

Khan: let's go to your house maybe your mom fetched her.

Me: argh

We run back to my house and there are 3 Mercedes Benz parked outside.

Me: and then

Mom: erh Ntando please go and change, I have something that I want to explain to you.

Me: okay, khanyi come with me.

Me and khanyi go to my room and I change into a black short dress and I wear a grey sweater to hide my waist. I wear my black secret socks and my bunny slippers. I let my hair loose and apply vaseline on my lips

Me: aren't you changing

Khan: no, I'll change at home.

Me: okay, let's go downstairs.

Khan: okay.

We head downstairs and mom is pacing up and down.

Me: and then

Mom: how did you write my baby

Me: okay, the paper was okay, nothing practicing cant fix

Mom: baby, I want you go meet someone.

Me: mhhhh okay let's go

Mom leads the way to the Garden and there are 4 Huge Men sitting down sipping on "Hennessy"

Me: and then, what am I supposed to do about these men.

... : (clears throat)

We turn around and this Huge Hot Man with a Dragon tattoo on his neck comes to me. He looks kinda like Junior.

Me: what do you want

Mom: baby look he...

Me: (whipping tear) I'm sleeping over at Khanyi's. I'll be back when I feel like it.

Mom: Ntando

I run up to my room with khanyi following me. She enters and I lock the door.

Khan: Chomii

Me: (pacing up and down) no, he is dead. What does he want.  
He died, I don't even know him

Khan: Ntando calm down

Me: I cant do this.

I take out my notes in my bag and I put my clothes inside.

Khan: are you ready.

Me: (sitting on bed) this is not happening, why is this happening  
to me.

## **KNOCKING ON DOOR**

Mom: Ntando please open I can explain.

... : Ntandokayise Khoza please open the door.

I grab my bag and I open the door.

Mom: baby please...

Me: no ma, I don't want you to explain anything to me. I'm going away and it might be for a long time so please don't wait up.

Me: haii Hlloni, arent you supposed to be reading a scripture in heaven

Mom: haibo...ntando

Me: arghh (middle finger up) fuck you

I run Downstairs and my so called dad runs after me.

Dad: Ntando come here

Me: I don't want, stay with your wife and son.

Dad: (roars) Ntando

I run and he runs after me with khanyi following us .

Me: leave me alone yohh

Dad: I said come here.

I continue running but he catches me

He takes off his belt and roars at my mom and khanyi to leave,  
they leave and he locks the door.

Dad: hai ke, repeat what you just said.

Me: I said Voetsek.

He pulls my hair and beats me up... do you know how your dad  
beats you up when you are disrespectful... hai ke mina they  
showed me flames. He hit me countless times with a belt and I  
was crying. He grabs me by my hair and bumps my head against  
the wall and beats me up for a whole 10 minutes.

**10 minutes later**

He opens the door and leaves... mom gets in and comes to me.

Mom: baby I'm sorry, your dad hates disrespect.

Me: (voice breaking) please leave

Mom: huh

Dad comes in and grabs my hand.

Dad: woza la wena.

Dad: Voetsek hamba la

I run to my room crying really loud and I bang the door loud and lock it. I go to my bathroom and open water in the tub. After some time I get inside and the pain gets worse. I sit in the tub for an 1hr so that my body can cool off. Mom knocks on my door and avoid her. Then Junior comes and knocks. I get out of the water and dry myself. I look at the water and the water is brown. Yohh This man did a number on me. Wear my pyjamas and make my bed. Junior knocks again and I don't open for him.

### **Keabetswe "Nandi"**

I know you must be wondering... how Come Ntandos dad is alive. I also don't know. He is a Gang Leader and I think he wanted to lay low for a while. He called me on Monday and said he wants to come home. I was thrilled cos I was so heartbroken about his "sudden" death.

Me: Baba you didn't have to Hit her like that.

Husband: haii Nandi your daughter is disrespectful I had to teach her a lesson.

Jnr: ma, ntando is crying and wont open the door.

Husband: leave her, she will be fine, come here little man

I wish the relationship Junior has with his dad would be like that with ntando, I attempt to open the door but it is still locked... she has stopped crying.

Husband: she is sleeping.

Me: (nods)

Husband: (sighs)

Me: I'll leave you alone. Let me go fix the guys rooms

Husband: don't worry they are gone.

Me: huh, why so late.

Husband: they are gonna be back again tomorrow morning so they need to rest

Me: okay

Husband: let's go and sleep, I'll speak to ntando tomorrow

04:30

**Ntandos**

I wake up with a pounding head... I look at the time and it its half past four in the morning. I have a quick shower and wear my track suits from cotton:On and my slippers. I do my bed and call khanyi.

Khan: (in sleepy voice) mhh.

Me: I'm coming over now open the door.

I wear my takkies and I sneak out of the house and head to khanyis

Khan: what happened yesterday.

Me: I got beaten up by my Ghost Dad.

Khan: aii, do they know you are here.

Me: no and let's keep it that way.

Khan: you got a hiding spot so I don't have to worry if they come here. I'll just deny

I take off my takkies and get into bed and sleep with khanyi

**Keabetswe**

I wake up with the urge to pee. Yohh hai hloni did a number on me last night eating my cookie like he is a crazy man. I have a shower and then get out and lotion and wear my blue tracksuit and a white pull over. I tie my dread locks into a bun and then go and make food for the fam. 30 minutes later, husband comes downstairs and kisses my cheek, then Junior comes.

Jnr: ntando is gone.

Me: huh

Husband: what do you mean She is gone

Jnr: she is not in her room

My husband gets up and gets his pistol and COMES DOWNSTAIRS.

Me: baba, please don't hurt her.

Husband: I wont don't worry my love...I'll be back in a jiffy

**Ntando**

08:00

I am woken up by khanyi shaking me

Me: mhhhh

Khan: your dad is here...

Me: (wakes up) what .. bring my shoes

Dad: where do you think you're going young lady.

Me: (shaking)

Dad: in the car (yells) NOW

I wear my takkies and go downstairs, khanyis parents arent home. They went to Cape Town And will be back In 5 Months.

😊 they send Khanyi R20 000 every month so she can be able to look after herself. My dad grabs my bag and grabs me by the arm.

Me: ouch, you're hurting...me

He continues grabbing me and we are outside. He pushes me and I bump into the car.

Dad: why Ntandokayise, Why

Me: (silence looking down)

Dad: get in the car

I get in the car and he drives really fast and within 5 minutes we arrive at home. He gets out and grabs my bag and comes to me and grabs me by my arm.

Me: you're hurting me...

We get home and mom comes to me.

Mom: baby are you fine my baby.

Me: I'm fine kea.

Mom: excuse me.

Dad: that's it.

He grabs me by my hand and takes me outside.

Dad: you want to be a lady angithi... a women, well young lady there is one women in the house and it's Your Mom, not you...your mom

Me: Mom

Mom: Ntando you don't want to listen , what am I supposed to do.

Me: it's fine, let me be homeless

I walk away and mom doesn't call out to me or anything. Only Junior. I walk away with a body aching and I go to khanyis place

Khan: are you okay chom

Me: no, this man is going to ruin my life.

Khan: but he is your dad mos.

Me: no hes not, if he was never around than he is not my dad. I practically raised myself. How do they expect me to be okay.

Khan: but..

Me: I raised myself and missed out on my teenage years looking after a child that is not even mine cos my "now alive dad" died and my mom lost her mind when he died.

Khan: are you fine.

I sit on the bed and cry, tears just falling down my cheeks uncontrollably. I cry for like an hour and then are no more tears left for me to cry. I sleep and khanyi looks after me and consoles me.

6 weeks later.

I am still living at khanyis place and she has no problem whatsoever, I havent spoken nor contacted my mom and her family. I get calls from junior telling me to come home and fix things with "dad" 😊shem anever. Well today is Friday and is the last Friday of our holiday.

Khan: I'm going out today.

Me: mhh, lwandle is treating you well neh.

Khan: (blushes) No, he is just a friend.

Me: pshh Khanyi don't lie to me. He buys you flowers and gifts. 😬😊you're in love shem.

Khan: okay maybe a little

Me: don't fall in love that quickly chom, you don't want him to play with your feelings and leave you heartbroken in the end.

Khan: (breathes heavily) yahh neh.

Me: don't rush boo, take it slow.

Khan: (laughs) anyway, I spoke to my parents and they have no problem with you staying over

Me: you didn't have too, I'll manage

Khan: no chom, you are my beste bomba and I don't want anything go happen to you.

Me: thank you love.

Khan: are your scars okay.

Me: yeah, Ebile they are fading away, but the scar on my neck isnt going anywhere and it aches.

Khan: you'll be fine it's going to heal soon

Me: anyway, I have to go get my clothes at home.

Khan: (picking up handbag) okay, I'll see you late ke.

Me: yeah, you got the key?

Khan: yes, you ?

Me: (searching pockets) eishh

Khan: (laughs) yahh nehh

I grab the key and we leave together. I am wearing a dress khanyi said doesn't fit her anymore and it's so short. I've been getting calls from private numbers lately and it's really creeping

me out. Every time the person calls, I answer the call but he/she doesn't even speak. I chose to not answer the person's calls anymore and they have stopped calling. I arrive home and there are 6 Mercedes Benz parked outside...argh. I get inside and there are a bunch of huge men watching Soccer in the lounge, My dad spots me and I run up to my room and he follows me.

Me: I'm just here to take my stuff, you can go and watch your game

Dad: Ntando.

Me: (silence looking down)

Dad: Ntando

Me: What

Dad: I'm sorry for what I did the other day, just that you were disrespecting me and you didn't even give me a chance to explain.

Me: (wiping tears) okay fine.

Dad: ntando look, I know you are confused about this whole thing and I understand...

Me: yes I am confused, cos you were never here, I practically raised myself when mom was having a mental breakdown and literally forgot about us. I had to miss out on my teenage years and look after Junior. Mom went crazy. Do you know how much

it hurt to see my mom go crazy while before all this drama happened she was Fine and healthy. (Crying) you just had to fake your death and make things hard for me and junior.

Dad: (voice breaking) ntando

Me: it's hard dad, it must be easy for you but it's hard for me. For almost 12 years of my life I didn't have a dad and I lost half of my life raising a child that isnt mine and had to battle with my books and the taking him to school, teaching him values and how to be a man. It's Hard.

Dad: Please Forgive me.

Me: (rubbing my neck) Give me time. I'll be living at Khanyis for a while. Don't wait up.

Dad: (wiping tears) it's fine. I understand. What's that on your neck

Me: nothing

Dad: let me see.

He checks my neck and there is discomfort and disappointment written on his face

Dad: I'm sorry...

He leaves my room crying and I lock my door and cry. Why is it so easy for them to come into my life and ruin the okay life I lived with my brother. After minutes of crying I wipe my tears and take out my bag and put my clothes in, including my school books and uniform. An hour later. I am finished packing my stuff and I take a scarf and hide the scar on my neck. I take my bag and head downstairs. I pass by the lounge and my dad is not there. I go and look for junior and he is with My mom and dad at the garden

Me: Jnr.

Jnr: Ntando

He comes running up to me.

Jnr: you're back.

Me: no, I just came to get my stuff I'm going to be living with Khanyi for a while

Jnr: why don't you live with us. 😞

Me: Cos...uh...we are studying for our final exams and we need to focus.

Jnr: But you can study here moss.

Me: look Junior, I'm gonna come and check up on you everyday neh, and you hear the noise in the lounge. I can't study with so much noise

Jnr: yah, uncle Smiso and his friends are making a noise.

Me: (chuckles) you see, now accompany me to the gate.

Jnr: okay, lemme ask Mom and dad

He goes to mom and dad and they agree. They look at me and I look down ashamed.

Me: I know.

Ms Maseko: Ntando leave them

Ayanda: leave her mam she is just like her mom, a loose woman who is a drunkard

I get angry when she calls my mom loose.

Me: my mom was having an emotional Breakdown cos she thought my dad had Died and it's not my problem that your dad goes around hitting on every woman in the townships. He probably has Aids as we are arguing right now.

Ayanda: Hee wena Sfebe

I grab her by her hair and I hit her head against the wall.

Shaka and Iwandle come and separate us.

Shaka: Ntando are you trying to get a criminal record.

Me: but dad...(sobbing)

Dad: no buts, now go to the car I'll be back, junior is in the car with Your Mc Donald's

I nod and khanyi helps me up and dad grabs all the girls.

## **Hlonipile "danger"**

I'm hlonipile "danger" khoza. I am the father of Ntando and Jnr and husband to the ever so beautiful Nandi. Well I am a gangster and a Drug Lord in connection with Places around the world. I work with the 43 but I have my own gang called the 69, well we are the worlds most dangerous Gang. I know you must be wandering "how are you alive after getting shot at" well yes I got shot at but I had a bullet proof vest so when they shot me I made it look like I was dead but I was going into hiding. I found out who shot me and its going to be lights out for them.

So at first yes things started off on a rocky start with me and Ntando which lead to me losing my cool. Well I'm a Beast. Yep it's in the bloodline and most of the people in the 43 and the 69 are also Part of that bloodline, also Khanyis parents. Well khanyis father is my cousin, but he uses a different surname which is Mkhize. The rest aren't necessarily family, they are just Beasts from another Bloodline but we treat them as our family. Now that I've fixed things with my family, I'm on my way to fetching khanyi and Ntando cos they did really well for their June Prelims and I'm going to spoil them today for working hard, after coming back from McDonald's with jnr I arrive at the girls school and there is so much commotion. I get out and Ntando is beating up some girls. When khanyi tells me why she beat them up I was so happy. I've never been so happy to be a father. I go tell them to wait for me in the car and I grab them all and I fuck them up

Me: listen to to me you fricken loose girls, if you Ever, EVER touch my children I will Bury you in my garden and trust me you don't want that. Now get the fuck out of my face (taking out gun) before I shoot you in your empty skulls

They all run crying and I grab Luhle and Neo

Me: you 2. Don't Come near my child or there will hell to pay and you don't want that do you.

Neo: Sho timer.

Luhle: I'm sorry Mr Khoza.

Me: what ever... now go and don't ever look towards any direction that my Daughters are in cos that will be the end of you.

I click my tongue and I pass Ms Maseko. Okay okay this teacher has wanted me since I came back and I kept on telling her that I'm a married man with 3 kids. Yes 3 and 2 on the way. Well I have an older son with Nandi, his name is Sbonelo "Taker" and yes he is coming back soon he has been at training which for him consists of 5 years. He has been living with me cos I have been teaching him my ways since him and junior are going to continue with my legacy and lead the 69 when I die. Junior knows Sbonelo cos he has been video calling and they clicked right away and Ntando... well I don't know how she will react. Sbonelo is 25 years old and married. His wife is also in training but will be coming back sooner than I thought she would. I get to the car.

Me: you okay baby.

Ntando Yeah I'm good.

Khanyi: but your eyes are still Grey.

Me: grey

I look at her and her eyes indeed they are grey. This is supposed to happen when she comes in contact with her chosen one but who is he. Shit now I have to look for the person who shot me and Her chosen one. This is too much.

Me: you'll be fine

Ntando: Yeah I'll be okay.

Jnr: so where are we going.

Me: you'll see.

I start the car and we head to the mall where I let them buy anything they want.

Jnr: PS5 for me thank you very much.

Me: buy anything I'll pay.

Ntando: really.

Me: yes.

Khanyi: I don't think so pops my mom will question me.

Me: Rhonda will be okay

Khanyi: how do you know her name.

Me: well khanyi, Hlonipha is my cousin.

Ntando & khanyi: what

Jnr: woah woah woah, who is Hlonipha.

Khanyi: My dad

Ntando: so

Me: you're Family

Girls: (scream)

Ntando: that's so awesome

Me: yeah, well khanyi your dad knows, he knows everything

Khanyi: ohh that's why everytime when he calls he asks me how a certain place was.

Me: (nods) he is busy working.

Ntando: and they send her 20K every month

Me: I know, I send you 50K

Ntando: what

Jnr: yeah What, what about me, I'm currently broke as we speak.

Me: you finished that R100 I gave you.

Jnr: excuse me I have a life.

Ntando: don't lie you were flexing

Jnr: Ntando !!

## **Ntando**

We all laugh at him, then me and khanyi buy clothes, a lot of clothes. We also buy my dad clothes cos he always wears Black. After some time we buy some Rocco mamas and bring some for my mom cos she had cravings and we go back home

## **5 months later**

So we are currently busy with our final exams and we have 3 papers. Good News is Me and khanyi have been doing so well for the past few months and our parents couldn't be so proud. Lwandle and khanyi have decided to give their relationship a go and to be honest they are such a cute couple. Mom is always happy and I'm confused cos I was told pregnant women are all grumpy and stuff but I guess dad is treating her well, and she is Huge. Khanyis parents came back and they are so happy to see us all. They got these tattoos on their shoulder that Say **43** and **69**. Well mom has a **69** on her hand and also Khanyis mom. But dad and Uncle Hlonipha have one on their Shoulder and a Dragon tattoo on their neck which looks exactly like Shakas and

Lwandle. Mom and dad Mentioned that there will be a very important guest coming during the weekend, well at least I will be done with my Exams.

Khanyi: paper number 3 done, what's left is paper no 2 and 1 than we are done with the this hell hole called a school

Me: Paper no 3 done lets take a selfie.

Well my dad bought me an iPhone 6 for my 17<sup>th</sup> Birthday and Khanyi got hers last month when her parents Came back. Well me and her are inseparable, but lwandle might just change all that cos they are always together. They just got out of a fight. Well khanyi caught Lwandle cheating on her her a girl named Palesa. Well they were Fucking outside the mall which I also saw and I'm still traumatized. Lwandle has a Huge Dick guys and you could die if you sat on top of it. Well khanyi lost her cool for a whole Month before we started writing but ended up forgiving lwandle. They had Bloody sex in the house and they acted like me and shaka where not there. Well (clears throat) me and shaka are Close now. Well he is so demanding and Controlling tjerr. I met his friends Spider, Roger and david. They are a whole vibe and are crazy.

Lwandle: ohh you're here.

Me: yes we are here, you just fucked my Cousin ontop of the bed we sleep on.

Lwandle: ha relax, it's nothing serious

Khanyi: Ohh, hi

Me: and then the walk.

Lwandle: nothing, come baby I'll make you better.

Me: (rolls eyes)

Shaka: (whispers in my ear) Again

Me: (blushes)

Spider: why are you blushing.

Me: (rolls eyes) nothing.

Shaka squeezes my Hand.

Me: ah (closing my mouth)

Everyone looks at me.

Me: I bit my tongue.

David: I know that feeling

Shaka: Yeah (looking at me)

## **Shaka**

So I'm falling for Ntando, I can't stop thinking about her, even when I fuck Katlego I picture Ntando and it's making me want her all the time. Well I asked Khanyi about her last week and she said she wants to loose her Virginity after marriage. Kay I was both Happy and sad. I was happy that She was still A virgin, but on the other hand I was sad cos what if shes not the one for me and I don't get to break her V-Card and if she is the one and I hurt her with my Dick, I'm no Baby in bed, I fuck a women's brains out, but I pray and hope I will be Soft on her she is such a Fragile woman and that what I love about her 😳😳😳 wait did I just say love. Oh Yes I did. I love her so Fucken Much and seeing her makes me happy.

Mom is a pain in the ass and always wants dad for himself and Junior, well he bagged himself a bestfriend, and they Chill almost every day at home either together or with dad. The Child is also Rich and Yohh he is so adorable. Khanyi is addicted to Lwandle and they spend of their time together and I'm left alone or most of the time shaka comes and we watch a movie and Talk. Well Today is the day **THAT** important guest arrives and in in such a hurry cos I want to go to the post office and get My acceptance letter To go to UCT.

## **At the post office.**

Me: Uhm hi, I'm here to check for my letters From UCT.

Woman: ohh hello, your Name ?

Me: NtandoKayise Gail Khoza

She goes and checks and comes back with a white envelope

Woman: here you go Ms Ntando.

Me: thank you so much.

Woman: enjoy your day.

I smile back and go out. I sit on the TOP stairs and open my letters.

Me: (reading in my mind) I am pleased to inform you that Ms Gail Ntandokayise Khoza has been Accepted to our Institution, we are excited to be with her during her studying time....

Me: (screams) I Got in

I put my papers inside my bag and do a happy dance. I switch on my phone an attempt to call Dad.

Me: Wait, What am I doing

I end the call quickly and sit down

Gosh I remember I didn't tell them about Applying to UCT cos I said I was gonna take a Gap Year. I sit for approximately an hour Crying. The woman from the post office sees me.

Woman: hi

Me: (voice breaking) hi

Woman: you good.

Me: (shakes head no)

She sits down with me

Woman: what's wrong, you can talk to me.

Me: the thing is. My dad Arrived this year...

I remember that I can't tell her that my dad was shot and woke up from the dead

Me: he just came back from spending half of his life at work and I didn't get to spend enough time with him, I mentioned that I am gonna apply to UCT and He Got disappointed cos he was thinking that we were gonna spend next year catching up since I was busy with school this year. I told him I'm gonna take a gap year but I had actually applied to UCT when I told him I will take it. Now that I have been accepted there, I mean like it's a once in a lifetime opportunity so I want to go but I don't want him to be disappointed that he won't get some quality father-and-daughter time

Woman: hey hey (wiping tears) look, I know what you are going through is hard and I get that. But if he really loves you, he will be happy about you being accepted. Look, getting accepted in UCT is really hard and I know that cos I also applied to go there and luckily I also made it but it took all the hardships. Right now I'm actually here on a gap year cos my mom is really sick cos she retired and my siblings need me here for them whilst they are still in high school so they can focus. I'm really proud of you for thinking about this before you actually...you know.

Me: (smiles while nodding)

Woman: Its fine to actually do something you want for sometime cos it's your life. But you must not hesitate to get your word across even when you actually want something to happen okay.

Me: (nods) thank you so much.

Woman: it's fine, I'm also going through a lot cos I spent most of the money for food to pay for my siblings fees, I have to go and get a loan at the bank.

Me: how much do you need

Woman: not much, just to feed us, cos I'm getting paid on the 15<sup>th</sup> and I need the money for Christmas food and Fireworks for New Year.

Me: what bank do you use.

Woman: no you don't have go go through the pressure I'll take a loan...

Me: no, you helped me and now I'm gonna help you, I got a lot of money.

Woman: no please...

Me: Your Bank and Details please.

Woman: (sighs) Capitec

I take out my phone, tbh I could see she was genuinely a good person and I loved the fact that regardless of the fact that she is

going through a rough day, she came and sat with me and listened to me

Me: (giving her phone) enter your details.

She enters her details and gives me my phone back

Me: okay.

I check my balance.

Me: OMG

Woman: what's wrong

Me: No don't worry, I thought my phone was low.

I lied, I had 2.5 million in my account 😬😬, I transfer R10 000 in her account.

## **Phone chimes**

She takes out her phone

Woman: R10 000, no it's too much

Me: no it's not, tbh I have enough, you can have it all. Please look after your mother and your Siblings

Woman: thank you.

Me: you know what.

I take out my phone and transfer another R10 000

### **Phone chimes**

Woman: another R10K

Me: I want to see your family happy.

Woman: (cries)

Me: look, Thank you for helping me, now it's time for me to help you and your family. Thank you for your great advice, it helped me a lot.

Woman: I promise I will pay you back

Me: no need, where are you heading.

Woman I live in Boksburg

My uber comes.

Me: Lemme give you a lift

Woman: no, you don't have too

Me: no it's fine

We enter the uber and her mom calls and she talks to her and tell her about me. Her mom thanks me, shame she is literally ill   . She thanks me and we arrive at her house.

Woman: thanks again

Me: no problem, spend it wisely, you don't know what tomorrow holds.

Woman: I will...thank you, bye.

Me: bye

She leaves

Thabiso (uber driver): you truly a blessing.

Me: (smiles) thanks, but she needed it as much as I needed it.

Thabiso: girl, let's go get a snack I know you need it.

Me: You know moss.

We go to McDonald's and we go to the drive thru and get a big mac and Fold over and eat. Thabiso is my Gay friend. I became friends with him a few months back when Khanyi started chilling with Lwandle more. He said I must call him Thabi

Thabi: so are you gonna go to UCT girl

Me: yeah, but yohh I don't know how I will break the news to my family shem

Thabi: you'll be fine chomi shem

We eat and he tells me about his life since he got a boyfriend, wuu he is so dramatic 😊

**2hrs later**

I arrive home with shopping since thabi was done with his shift and we decided to celebrate my acceptance letter from UCT and lydia is still home.

Me: ohh you still here.

Lyd: yeah, I'm gonna be staying here.

Me: uh, but there is no room.

Dad: she will be sleeping with you

Me: what no.

Mom: We will discuss this over dinner

I go up to my room and hey girl has already put her bags in my room. Hey ndithi she is comfortable tbh. I put my clothes down and my bag in my wardrobe, I change into my pajamas and take my phone and head downstairs listening to Pop Smoke 😊❤️. I sit down and Everyone looks at me. I take off my ear pods.

Mom: finally

Jnr says grace and they eat. Tbh the letter is distracting me and I can't concentrate. 12 minutes pass and I'm staring into thin air.

Dad: Ntando

Me: (silence)

Jnr: ohh, she hit you with the silent treatment

Dad: Boy shut up, Ntando

I get startled

Me: huh

Dad: you good

Me: yeah, uhmm (swallowing hard) uh.

Dad: ntando

Me: excuse me.

I grab my ear pods and my phone.

Dad: Ntando !!

I turn around and bump into the wall

Jnr: (laughs out loud)

Everyone: (shouts) Junior !

Dad comes to me.

Dad: baby you good.

I'm crying now, ohh gosh I'm such a cry baby these days.

Mom comes to me.

Mom: my baby, u sharp, you're acting funny today what's wrong.

Me: Uhm its nothing mom, just that I want Lydia to feel at home so I... I just suggested that I sleep at khanyis house and I'll come back in the morning cos I don't want to go all kung-fu on her at night

Dad: you sure.

Me: uhm... yeah I'll be good.

Mom: okay lemme call Rhonda

Me: no...

Dad: huh

Me: no, Her parents aren't home but she agreed so it's fine. They'll understand

Dad: okay yohh

Me: thanks dad, thanks mom

I hug dad and attempt to hug mom

Mom: don't you dare.

Me: yes mam

Mom: give me a kiss

Me: eww no

Everyone: (laughs)

I climb up the stairs and get all my belongings. I call thabi

Thabi: chomi.

Me: can I come over.

Thabi: what if I got my man over.

Me: (whispers) serious.

Thabi: yahh haibo.

Me: get it girl wuu.

Thabi: (laughs) love you too chomi

I hang up and attempt to call khanyi but It goes all the way to voicemail 😞💔

Me: I guess its hotel for me.

I go downstairs and say my goodbyes. I go out and walk at about 2 houses and request an uber. It arrives after 10 minutes and I go to the hotel.

Me: (sigh)

I take out my letter and I look at it.

Me: (speaking to myself) I wonder what's in store for me since my life is such a mess.

After about 10-15 minutes, I unpack my bags, wear my pajamas and go to sleep.

### **3 Weeks later**

Christmas was wack asf, I didn't enjoy it. Well khanyi doesn't bother answering my calls anymore and I've accepted that fact. Me and thabi are thee best of friends and we spent New Year Together. Shaka and I are great yohh. He is the best and he

goes around holding my hand advertising my ring. 😊😬 he made me wear the ring and I didn't want to. Well I still live in the hotel, I've practically moved in shem. And I bet my family hasn't even noticed. There is 1 day left until I get my matric results and I'm thrilled and scared. I sit at home and stare into think air for a whole 3hrs with tears flowing down my eyes. Ive accepted the fact that I'm alone in this cruel world and I have to adjust. I sleep and get woken up by an alarm

Me: its 10:45

I go back to sleep. AND WAKE UP AGAIN

Me: oh snap, my results, my results

I wake up and do my bed and go have a quick shower. I get out wearing a towel on my head and body. YES, I got rid of the dreadlocks. I was so tired of them and they kept on reminding me of my so-called "friend". I lotion and wear a dress and a Jean jacket with white takkies. I tie my hair into a bun and I apply my lip therapy and thabi fetches me and we head to school.

**10 minutes later**

8 Distinctions- Ntandokayise Gail Khoza.

Me: (screams)

Ms Maseko: Well done Baby.

Me: thank you so much you'll were the best teachers ever, you taught me really well 😊😊

Them: it's our pleasure

I run out and I bump into khanyi and lwandle.

Khanyi: hi

Lwandle: hello

Me: (shrugs)

I look at them, and walk away, they look at me and thabi goes out.

Me: guess who got 8 distinctions

Thabi: you lie

Me: look

He looks at it.

Thabi: (screams) you passed all of the tests baby.

Me: you know.

We share a hug and I can see khanyi and lwandle looking at me.  
Mxm, I don't care.

Me: let's go and celebrate

Thabi: yes mam

We get into his car and we pass khanyi and lwandle look at me and I don't pay attention to them. We go to rocco mamas and we eat and celebrate and head to the mall and we buy outfits and he pays and we change inside the car and we head to club Kenya and club like there's no tomorrow.

**Shaka**

I haven't heard from ntando today and I'm worried. Khanyi and Lwandle came and yeah she passed with 6 distinctions👏👏.

Me: well done

Khanyi: yeah.

Me: and then, what's wrong.

Khanyi: (shrugs)

She heads to her and Lwandles room.

Me: and then

Lwandle: while on our way to school, we bumped into Ntando but she just looked at her and shrugged and left.

Me: ohh, shes angry now.

Lwandle: bro, it's my fault, I ruined their friendship.

Me: **YOU**, ohh okay.

Lwandle: so you not gonna try and help

Me: me, (chuckles) help. No bro I told you right.

Lwandle: I know you told me.

Me: but lwandle uyaz ukhuti I told you that you're gonna ruin their friendship but you just chuckled as always. Look now, my

girl and your girl who used to be practically sisters when we met them, hate one another because of you and your stupid addiction.

Khanyi: Shes just jealous of our relationship

Me: no shes not, you are always with Lwandle.

Khanyi: So

Me: when last did you chill with Ntando.

Khanyi: (silence)

Me: (going to Office) Thought so.

I head to the office where I find the rest of the guys.

**2 weeks later**

**Ntando**

I still live at the hotel and I haven't told my parents about the UCT letter. 😊😞. I haven't heard from shaka nor khanyi at all. Well khanyi...haha I'm used to it so I don't care anymore. Tomorrow I have to be at Cape town and I want to try and tell them.

Everyone: (silence)

Me: uncle smiso ?

Uncle smiso: Askies it was something we were...

Me: "We", ohh konje mina I'm a fool I'll be chilled with everything.

Sbonelo: Ntando...

Me: shut it you...

Sbonelo: ouch... Okay cool

Sbonelo stands up and leaves the room with teary eyes.

Me: I always get lied to, every time something new comes up.

Dad: Ntando...

Me: no Dad, why me all the time😭💔

Mom: Nana.

Me: no ma, I'm tired

Uncle smiso: but..

Me: What hurts the most is that, I'm always the last one to

I go out and bang the door and get into the car.

Thabi: chomi you good.

Me: please take me to shakas place.

Thabi: okay love.

Me: I'll tell you on the way.

We head to shakas house.

10 minutes later.

Me: (Whispers) What !💔😬

Shaka: and shes not my type, I highly even doubt anyone like me would want to fuck a low life while I got a lady with standards right here.

Girl: hope you ain't lying to me.

Shaka: no I'm not baby, let's focus on the baby and preparing for our marriage.

Girl: what !

Then shaka gets on one knee and proposes to her and she yells out a YES and they kiss and as they are about to have sex. I close my eyes and tears roll down like a waterfall.

Me: (whipes tears)

Them: (quiet looking down)

Me: wow, (pointing at khanyi) Glad you showed me your true colors before it was late.

Khanyi: nta...

Me: you kept quiet about the whole matter and I was dumb enough to not even be informed. You know what, you all are the same and I've had it with all this shit. All of you and my so-called family.

I fetch the ring on the table and give it to lwandle

Me: tell shaka I hope he enjoyed playing with my feelings and hope he got the answers he needed about my dad.

Khanyi: cho...

Me: I'm not your chomi, save that name for someone who cares cos I don't.

**10 minutes later**

**At home**

**Shaka**

I'm pissed, why didn't she want to tell me, argh, my wife makes me Crazy sometimes. We arrive home and I head to The office and pour myself some Gordon's. The guys Enter

Lwandle: and then

Me: Eish bro, she was gonna keep this whole matter from me.

Lwzi: I don't think so, maybe she was gonna tell you when we got home

Njabulo: you look Sick bro, are you good.

... : I could ask the same thing.

We all turn around

Me: Dad

Sthembiso: The one and only.

Lwazi: sho Pop.

Sthembiso: who is shaka here

Njabulo: the one with The Gordon's

Sthembiso: what's wrong with you

**Ntando**

Me: Uhm, Okay so hes mad at me.

.... : who

We all turn around and find Hope drinking Champagne.

Me: Ma

She comes to me and attempts to hug me

Hope: what am I doing.

She kisses me and The girls come downstairs.

Ntokozo: Ma

They all kiss and greet one another

Hope: so who is angry at you

Ntokozo: Shaka

Hope: what happened.

Me: well ma...

I tell her the whole story

Hope: 1- he is not wrong, you should have told him

Me: but I was gonna tell him, as soon as we got home.

Hope: I understand. 2- You know he is overprotective so he had a right to react the way he did.

Me: yes, I know. But I was not gonna keep it from him moss.

Shaka and The guys come and we all sit in the Lounge. Well I sit far away from shaka who's eyes are Red. He stares at me and I'm so annoyed. I attempt to not look at him and I keep on failing cos I want to speak to him and sort this shit out but yoh, he is crazy, I was not gonna keep it from him though.

Ntokozo: (whispering) and then

Me: huh

Ntokozo: you and shaka

Me: what about us.

Ntokozo: Look at how he is looking at you, it's like he is going to kill you at this moment.

Me: (shrugs)

We all sit in silence and Yes, Shaka is still staring at me and now its tiring tjer.

Hope: yeses, why is it so tense

Sthembiso: Aii, it's the issue that took place today.

Hope looks at me.

Hope: Come on Ntando.

Sthembiso: Shaka

I look at shaka and he is still looking at me. I roll my eyes and look the other way

Shaka: Dad

Sthembiso: what's wrong, why are you sitting so far away from your wife.

Shaka: She is keeping things from me

Ntokozo: but...

Shaka: Shut up Ntokozo.

Ntokozo: Ouch okay.

Hope: Shaka.

Shaka: She is now hiding things from me. And it fokken pisses me off.

Sthembiso: Ntando

Me: pops

Sthembiso: why are you keeping things from him

Me: I'm not, it was just a minor pain mos, I cant keep on informing him about everything

Shaka: (Shouts) well since you are my wife, you should Ntando.

Me: It wasn't a big deal, Plus the pain went away.

Hope: how did it go away.

The girls: we rubbed her tummy.

Shaka: you should have at least informed me.

Me: Shaka it's not like I was bleeding mos, I just had a pain in my tummy. Plus I was gonna tell you as soon as we got home.

Shaka: what if something had happened to the babies, what were you gonna say huh

Me: Shaka nothing was gonna happen, The babies are fine. And the doctor did say that on my last Trimester I might get pains, that's all.

Shaka stands up

Shaka: these are OUR babies, not yours, OURS. We are in this Together, if you don't want to inform me about them, than you could have at least just kept it to yourself about the pregnancy and never told me.

Me: you're right, But I was gonna inform you. And don't you dare pin this pregnancy on me cos you kept on telling me to make you a father so you should just Shut Up shaka cos you're starting to piss me off.

Shaka: if only I didn't tell you, we would probably be okay by now, with no kids. Just you and me. Not any of this Stupid pregnancy shit of yours. Who knew you would annoy me this much when you're pregnant. Fuck

Okay he hurt my feelings when he said that, and now I was crying.

Me: it's fine if you don't want them shaka, I'll raise them by myself and I'll look for someone who will be willing appreciate this gift I received from God since you just can't Find it in your heart to understand. I was gonna tell you, when did I ever give you the benefit of doubt and lie or keep things from you. I kept on telling you about my pains from the first day I found out I'm pregnant, now that I keep this one from you, you act like I keep on lying and keeping things from you and I've never done that. Shaka the reason why I never stressed about this pain is because my doctor told me I was gonna get them since it happens to woman who are pregnant with 2 or more babies. But wena your pride is too much for you to even understand the simplest of things.

I click my tongue and pass him and I stop.

Me: oh, and you can go and look for a woman who will bare you 1 child and not fricken 4 babies. I'll manage on my own. I survived nearly 8 months carrying so I don't think looking after them when they are here is gonna be a problem.

Khanyi: Ntan...

I mize her and go to the spare room and cry myself to sleep

## **Njabulo**

Yoh, okay what just occurred in here, was the argument of the Year. My wife follows her.

Sthembiso: Shaka you should fix things with her son.

Shaka: I fucked up 😞

Lwazi: Fix things with her.

Me: shaka bro, go to her.

Ntokozo comes back

Ntokozo: She is Torn. Heartbroken I tell you

Shaka: All because of me. Fuck

Me: did you manage to talk to her.

Ntokozo: No, she Was crying and slept.

We all watch a movie and head to sleep.

## **Shaka**

Sleeping by myself was not what I bargained for today. I hurt my wife's feelings and I understand she needed some time to herself. As I struggle to sleep, I can feel my wife's presence far away from me. Why is it so hard to sleep with out her with me. I never signed up for this. I know I was wrong but I was pissed off and a little intoxicated with alcohol but now I'm starting to regret saying all those Hurtful comments to my wife. I want to look after them with her. I want us to have our own family together, 😞😞😞. I was wrong and I hate myself for what I did. (Sigh)

## **The next day**

### **Ntando**

I wake up and head to my room. At least it is empty. I lock the door and get inside the toilet and do my morning routine. I lotion and wear my undergarments. I head to my wardrobe and

Well I've been meeting up with her husband "Shaka Nkosi" and I must say. She has really good taste. I went to a traditional healer and yep, Shaka is Mine. She thinks she can take what's mine.
