[01/26, 14:13] Wadz: Insert 3

Royal palace ...

The king was sitting alone on his throne ...

Trying to figure out why the gods are punishing him like this .

after trying for a baby for a long time ,
miscarriages after miscarriages.

why would the god give him a mentally unstable son .

it was strange how this whole thing happens .

his son only loses his mind on school holidays...

the prince attended private schools like any other normal kid .

he was what we call a genius at school ...

but come school holidays he goes mad .

were the gods trying to show them something?

he has taken him to lot of hospitals, best doctors, prophets and even witch doctors but no one was able to help him .

he was disturbed by one of the guards ...

him: my king they are back...

king :let them in

uncle themba together with the members of the councell walked in.

uncle themba : things are very bad my brother, the zulu king is breathing fire ...

king: what did you said to him

elder: we explained what happend but in a good way

uncle themba : he said we have planned to have the prince murder his daughter .

king : what ?

uncle themba : yes my king , the zulus have declared war on us ...

king: we have to find other means to make things right ...

elder : maybe we can

king: do you have an idea?

elder:yes my king

king: am listening

elder: marry the younger daughter

king : what ? am already married and

uncle themba : she will give you an heir to the throne since your wife is falling to do so ...

elder: mind you my king ...you dont have a heir now .

uncle themba :yes its the best solution for both sides ..

king :i already have a wife and a son

elder:his not fit to rule this village

king: i need time to think it through ...

NOMUSA

I stood by the gate and watch my family having tea under the tree ...

the police van stoped next to me .

they didnt even greet me , they just passed and walked in .

i was confused and then i heard crowd of people coming my way ..

i didnt know what to do so i continue to watch ..

they stoped infront of me ...

[01/26, 14:13] Wadz: Insert 4 (a)

We arrived at the plalace and there were people who were already waiting for us .

I looked around and sported dad,aunt sarah and my two stepsisters ...

The crowd was swearing at me.

..some splitting on me and pushing me .

I felt tears forming but i pushed them away ...

I stood infront of the king ...

King : i wont beat around the bush ...

You have been accused of killing your sister .

What do you have to say for yourself .

Me : i swear i didnt do it

King : i hear she was last seen with you .

Me : no it was vusi ...

Vusi killed her ...

King : did you see him killing her ?

Me : no but am certain he is the one who killed her..

King : vusi

Vusi : il tell you the truth my king

[01/26, 14:13] Wadz: Insert 4 (b)

King : speak

Vusi : most people have seen me with nomsa thats because we were lovers .

I love her and she loved me too.

We use to talk about everything.

I have always known that her sister wanted me for herself but never thought she would go this far to try to get me .

Yesterday nomsa came to my house.

She told me how unsafe she is around her

sister .

As her lover i tried to comfort her .

I assured her that nothing will happen to her .

I said il try to talk to her sister to back down .

We made love and i walked her half way home .

That was the last time i saw her .

Today i got a call from a friend telling me that my girl was found dead near the river .

He said she was struggled to death ...

My world was shuttered ...i am so heart broken my king .

I love nomsa with all ny heart but this girl killed my love .(he said with red eyes and tears forming)

Only if the family can allow me to pay for her funeral as my way of showing nomsa how much she means to me .

And you (pointing at me)

God will punish you for your sins .

How could you ? Your own sister .

How can a person be so heartless...

King : its fine vusi ...we will now talk to the girl's father .

Dad : my king am always not at home .

The girls spend most of the times with my wife .

So is best you ask her ...

King : woman speak ...

That moment i knew i was doomed ...

Aunt sarah hate me with passion ...

[01/26, 14:13] Wadz: Insert 4(c)

I looked at aunt sarah hoping she will somehow feel pirty for me .

Aunt sarah : nomsa was an angel , god sent indeed.

And her sister on the other hand is opposite what nomsa is .

None the less nomsa loved her sister ...

She use to spend most of the time locked in her room crying after an insults and accusations from her sister .

Unomusa is very cruel my king but only god will make her pay for her sins .

Nomsa didnt deserve to die like this ...

May her precious soul rest in peace ...

King : okay i have heard all sides and some how i strongly believe that this girl here is innocent .

The crowd roared in anger ...

King : i will keep her here tonight and reliase her tomorrow.

Guard take her inside ..(the guard did as he was told)

Crowd: This is not over ...

The royal family always dissapoint .

We will revenge nomsa' s death ...jah she will come out tomorrow ...

We will put the law in our hands ...they said as they walked out of the palace....

NO MORE SILENT READERSSHOW ME SOME LOVE .

I was given a jean and long sleeve t-shirt to wear after bathing .

I greeted and they told me to take a sit .

King :how are you feeling now ?

Queen: am sorry about your sister...

Me : its fine

King : we called you here because you have to leave tonight .

You cant spend the night here ...

The people will be back tomorrow very earlie and you saw how angry they are ...

They want your blood and they wont stop .

Your not safe here ...

Me : i have no where to go ...

King : il have the guards take you to my sister's village .

Me : thank you very much for all your help .

King : no problem.... the maids prepared some

Me : thank you my queen .

They both gave me a hug and i got inside the car .

The queen handed me a big container full of food.

Queen:take care of yourself

Me : thank you

We drive out of the palace ...

Tears formed in my eyes as the car passed by my house ...

It hurts me more knowing that i wont be able to even attend my sister's funeral ...

I looked back at my village, the place that i have

known all my life ...

I was leaving my family behind , my life and all that i know ...

Tears rolled down my eyes , why did my mother died and leave me behind .

Nomsa is gone too ...

Am all alone in this world ...

My father doesnt give a shit about me ...

God why me

[01/26, 14:13] Wadz: Insert 5 (b)

The king and queen went back home with broken hearts ...

[01/26, 14:13] Wadz: Insert 5(c)

Nomusa....

I pulled myself together ...is not like i have someone to comofort me.

I ate and then i feel asleep ...

I opened my eyes when i felt someone gently shaking me .

Me : aaaah (stretching my hands)

Him: we are here ...

I looked around and the surrounding was amazing .

Big buildings and lots of people who dresses like those on magazine .

Black woman with very long hair that looks like those of white people .

There were lot of cars too ...

Everything was just so over whelming for me .

A lady dressed in a navy blue skirt , white shirt and glasses stood in front of me waving her hand on my face ...

Me : aaah sorry

Her:stop acting all lost , this is a city my girl ...wise up ..

Me: okay

Her: am on my way to work , il see you after work .

Take her inside ...sophie the maid is there .

Guard : yes mam ...

She got inside a fancy car and drive away ...

We enter a very big beautiful house with a very clean yard .

The was a guy who was busy with the garden .

We got inside and an elder lady walks towards us with a warm smile on her face.

Her: am sophie

Me:nice to meet you too ..

Mam sophie and i got along like house on fire ...

I help her with the house duties as she explain how the kitchen stuff works .

She just filles that motherly void in my heart ...

I had a great day with mam sophie .

[01/26, 14:13] Wadz: Insert 6(a)

Nomusa ...

Later on we had finished cooking and setting the table .

The lady of the house walks down the stairs after bathing ...

We havent got a chance to talk or introduce our

selves .

She took a sit and started dishing for her self ...

The door open and a man followed by a girl walked in ...

Him : am sorry am late (he said kissing her cheek)

[01/26, 14:13] Wadz: Insert 6(c)

Nomusa ..

After eating i help mam sophie with the dishes...

She wasnt talking much , you could see that some how she is troubled ...

I went and slept in mam sophies room since nobody showed me a place to sleep .

I did so because i didnt want to upset mrs shezi because she might take me back ...

Somehow everyone is afraid of this woman

Its like her words are final , even the husband doesnt stand a chance .

I saw that tonight when were having dinner ...

Enough about the shezi's ...

It was lala land for me ...

Next day ..

I wake up and mam sophie wasnt in the bed with me .

I looked at the watch on the wall and realise that i over slept ...

I quickly rinse my mouth and quickly wash my face .

I went to the main house to help mam sophie ...

I found her in the kitchen

Her: i was about to come and wake you ...

A MONTH LATER ...

I am now used to living alone without people around me .

Leaving without electricity isn't a problem since at home aunt Sarah never allows me to use stove to cook ...

I wake up every day to eat, work at the garden , fetch firewood , cook, bath and eat ...

I miss my sister so much , it's really lonely here .

I only hear another's voice beside mine when Mrs Shezi comes over to check on a garden .

She really has kept her word about coming to check the garden every weekend .

That woman is really hard to understand .

She is never happy about anything .

She always tries to find something to complain about when she is here

Today she is coming and it's month end .

Maybe she will bring groceries today ...

I have been eating veggies that i plant .

Mrs shezi only bought me 6 tins of baked beans and two of fish ,maize meal 5kg and salt .

I have longed run out of food, when i try telling her she told me am lazy and eat a lot .

I was busy with my garden work when a car pulls over ...

It wasnt mrs shezi's car .

I stopped and look to see whose car is it .

Mr shezi open the door with a wide smile on her face .

Him: come and help me with the plastics ...

We took plastics out of his car , i couldnt believe this was all mine .

He sit on top of the bed while i packed the things he bought for me .

Him: how are you nomusa ?

Me: am fine sir

king: listen very carefully because am saying this once ...

Banele is a crown prince ...my only son ,the only child i have .

you and banele will never have a future ...

royalty dont mix with commoners ...

banele is the future king and his already married to a princess who will rule together with him .

hold it anymore)

i got inside the warm water in the bathtub...

i silently cried ...

i cried for my mother who passed away ...

i cried for my sister who was murdered ...

i cried for my father who never showed me any love .

i cried for my life that getting more messed up

i cried for banele ...this was the end of road for us ...

i have to let him go and it hurts so bad ...

i cried even harder ...

whats the use of crying ? crying doesnt change anything ...

i got out of water and dry my self .

i took a sleeping pill and slept ...

NEXT DAY ...

I was waken up by thato who was really pissing me off ...

i just wanted to sleep and never wake up.

me : ag thato

her: wake up or we will be late

he kissed my forehead ...

him: bye my lady

me : bye banele ...

i watching as he got into the car (tears forming)

and it drives away...

why does it feel like a break up ?

i guess its really the end of the road for us ...

Letting go is soooo hard (tears flowing as thato hugs me)

they both laugh and their laughter caught his attention .

he looked at them and just smile ,he could feel that they are probably talking about him .

They were sittted down watching Traditional dancers entertaining them

queen : dont you miss your friend ?

mike: your a good person my prince.

him:what do i like ...

mike : you use to spend most of your time listening to music ...

him: strange ...

mike :...

him: am i really married?

mike : yes my prince

him: did i love my wife

mike: do you know where she is ?

him: you dont know where she is ?

mike: no ...she is not mentally stable ,i have been looking for her .

him: she is in bloem ...excuse me i need to

make a call.

he walked to the garden as he keeps on hearing lots of voices in his head.

how can he fall for his friend's fiancée ...

this is a mess and the queen said Mike is his close friend .

friends don't treat each other the way he did .

he has to come clean to Mike and cut all communication with that lady.

she deceived him , she made him believe he was her man .

he took his phone and started deleting Nomusa's pictures.

he took his simcard and chewed it .

no matter how hard it is letting go but this has to be done .

he walked back to the front and saw his mother sitting next to a beautiful girl ...

she looked like a real princess ...

mike was still there too watching the traditional dancers .

him: hi ..as he kisses her hand .

khethi: hi(smiling)

queen : khethiwe here is your wife

him: she is beautiful

mike : ...(smile)

him: am the luckiest man on earth .

please forgive me ...i didnt know she was your woman .

mike:i forgive you

him: thank you my friend ...

mike : we are cool bra

him: mother i would like to sit next to my queen

....

mike chuckled and so did the queen.

the queen gladly exchange her chair with his .

they sit close to each other while holding her hands.

This is a new beggining for him ,he has to focus on his wife .

she is beautiful and deserves a faithful husband .

he only has to forget about the nomusa girl and learn to love his beautiful wife .

ROYAL PALACE ..(SKOSANA)

A MONTH LATER ...

UNCLE THEMBA ..

I know most people think am the evil one .
