INTRODUCTION

My father has three wives and they used to get along with each other like they were friends until my father passed away so everything changed. The first wife zandile has four sons, the second one Victoria has two sons and a girl then there's my mother keletso she has two kids which is me and my big brother when my father's lawyer came to read his will I could see that we are going to get bad news cause the two wives decided to team up and they forgotten about my mother. Long story short we got kicked out of my mother's house and we didn't get share of the money that daddy left us, zandile and Victoria turned their kids against us...my father's family tried to help us but somehow Victoria or zandile threatened them so mama decided to move out of that town cause they were making her life a living hell. We now live in a three room house and my brother bokamoso is a taxi driver and I'm still looking for a job cause mama is sick now so I want to help my brother. I

woke up and I went outside to make fire so I can boil water
"Yah neh life is so unfair yaz! You used to have everything you wanted but look at you right now" I looked at her

Me:"what do you want Lizzy!?" She rolled her eyes "the way you love to roll those big eyes of yours they will fall down one day" she chuckles

Lizzy:"came to tell you that my mother says she's still waiting for her rent money!" I sighed

Me:"can you please tell her that I'm going to look for a job today so ca..." She cuts me off

Lizzy:"bonolo just tell your brother to Pay the rent money and forget about finding a job because nowadays they want degrees sesi!" She walked away and I continued with what I was doing then few minutes later I went to bath, lotioned my body and I wore a dress with sandals

"Nolo write everything we need in the house so I can buy them" that's my brother

Me:"did you pay rent cause Lizzy was here!?" He chuckles

Brother:"your friend has a crush on me nolo I've already paid rent yesterday" mxm I should've known

Me:"she's not my friend!" I wrote everything that we needed "did you win lottery or something?"

Brother:maybe....and where are you going?" Here goes nothing

Me:"biggie I know that you are trying everything to take care of me and mama and I really appreciate it but I think it's time for me to help you so I'm going to look for a job"

Brother:"this year you were supposed to be in university studying to be a lawyer and I was hoping to pay for your school fees but the taxi broke down so I had to fix it! Nolo it's my job to take care of you guys and who's going to take care of mama when we are at work?" I looked down

"I can take care of myself bokamoso! She can't sit around all day doing nothing so let her work hle" we helped her sit down

Brother:"mama you are getting weak everyday so you need someone to take care of you! I have everything under control bonolo so take that job thing out of your head!" He walked out

Mama:"don't listen(coughing)don't listen to your brother(coughing)go ahead and find a job nana!" I kneeled down in front of her

Me:"he's right mama I need to take care of you!" She sighed

Mama:oh my baby girl this is not(coughing)what I wanted for you!"

Me:I know mama I know" I went to change my dress then I helped mama to bath

Hello everyone my name is bonolo Michelle banda and I'm 19 years old.

BOKAMOSO'S POV

I was busy buying things we need at home then someone tapped my shoulder so I turned around and I couldn't believe my eyes! It was my big brother lethabo (zandile's last born) he's so thin and he is dark too

Me:"lethabo!?" He nodded "what happened bro!?"

Lethabo:"after everything my mother and Victoria did to you guys, everything got messed up! They made us fight with each other and we almost killed each other for nothing!" Wow thank god mama decided to get out of that town ey

Me:"eh hade bro! So what's going on with you now?" He sighed

Lethabo:"I'm moving here next week to be away from those two womens! and I'm hoping to fix things with my wife and your mother" well knowing my mother she's going to forgive

him without even thinking twice "look I know you don't trust me anymore and I don't blame you because what we did was horrible and I'm pretty sure papa is turning in his grave" he's not happy at all

Me:"let's forget about the past and focus on the future! I have to go how about you give me your number" he nodded then we exchanged numbers

Lethabo:"great nolo and mama for me neh" i nodded then I went to pay and I drove home, I got home and I found nolo and mama sitting under the tree

Me:"you won't guess who I saw at the mall!" I said that sitting next to mama

Mama:"who!?" I chuckled

Me:"lethabo...last born of zandile! He's so thin and dark too"

Mama:I guess things are going back for them neh!?" I nodded

Me:"he's moving here next week

if he's like that then I wonder how others looks like!"

Nolo:"things won't be good for them until they apologize to papa for kicking his queen out of the house he bought her"

Me:"you are right nolo phela papa loved mama more than them so he died they saw a chance to mistreat her" mama smiled then I saw the mother of my ex who almost ruined my life walking in holding a baby with bags

Her:"yoh i finally found you bathong!" Nolo gave her a chair "sorry for dropping in like this but I had to come and give you, your baby girl cause I can't take care of her anymore!" My mother and I looked at each other then back at her

Me:"uhm ma fifi told me that she lost the baby mos!" Her eyes popped out "she told me everyone that I beat her up so I'm the one who caused the miscarriage!" She put her hands on her mouth

Her:bathong refilwe! How can she do that!? She disappeared two days ago saying that she has found a job somewhere only to find out that she was partying! Bokamoso I can't take care of tsholo cause I work!" I was about to say something but mama cut me off

Mama:"we understand ma so give nolo the baby" Nolo took the baby and the bags then went inside the house "I'll tell my brother and sister to discuss the damages" she nodded

Her:"I'll wait for you then bye!" She got up and left

Me:"mama who's going to take care of that baby?"

Mama:"bokamoso that little girl is yours and we are going to take care of her! Now can you let bonolo go and find a job because now you are a father!" Eish! "You can't keep bonolo at home forever she needs to be independent"

Me:"okay mama she can go ahead with the job searching! But I'm going to do DNA tests just to be sure!" She chuckles

Mama:"fine you can do those tests!"

ZANDILE

My late husband is not happy at all and I keep on seeing him in every man I look at. When we kicked keletso and her kids out Victoria started doing things behind my back and now she's rich while I'm getting poor! She invested her money while I was busy going around shopping for unnecessary things. My children wants nothing to do with me and I'm getting sick but no one is checking on me! I was outside drinking tea then I saw lethabo's car parking and he got out

Me:"oh thabo thank god he bought you here!" He looks at me for a while

Lethabo:"I'm here to take my stuff and I never want to see you again!" I tried to touch him but he moved back "don't you dare touch me! Just die already zandile!!" Tears came out

Me:"thabo please don't do this hle! I'll do anything to fix things!" He shook his head

Lethabo:"the person you tried to witch or kill is probably living in a big house and living her life!"

Me:"she will never be happy that women and I made sure of it! Everything I did for you, I did it because I love you guys! Your father left everything to keletso's kids so I did what any woman would do!!!!" I realized that I said things that I shouldn't have said

Lethabo:"what do you mean she won't be happy!? WHAT DID YOU DO!!?" He came close to me

Me:"I made her sick and she's going to die soon!" He slowly moved back

Lethabo:"you are sick!! I wish she was my mother!! You made everyone fight! You broke our family now look where you are and look where Victoria is at!!! You are stupid zandile STUPID!!" He went inside the house then few minutes later he walked with his bags

Me:"thabo please don't go hle! Im sick!!" He ignored me and put everything in his car and drove off

BONOLO

Tsholo gave us a hard time at first but now she's a daddy's girl and I'm still surprised about her looking like her father bathong!. Today I'm going to buy her new clothes and look for a job cause finally my brother has agreed to let me work, I got up early and I went to make the fire then I cleaned the house after I finished I took a bath

Mama:"you can leave tsholo behind I have energy today!" I looked at her and she really looks good

Me:"what happened?" She giggled "you look great!"

Mama:"your father visited me and I prayed so hard after we talked! I won't let those women bring me down" I hugged her

Me:"that's the spirit mommy!" I got dressed then I tied up my hair nicely "okay I'm leaving now mommy"

Mama:"okay nana!" I took my bag then my brother dropped me at the mall and I started shopping so as I was shopping I heard some women talking about looking for a maid so I went to her

Me:"sorry for ears dropping but I couldn't help hear you say that you are looking for a maid"

Women:"yes my last maid has disappeared so I desperately looking for someone before my son comes home with his wife tomorrow" I quickly texted my brother and mother telling them that I'll be late

Me:"I can start today if you want to!" She attached me with a hug

Women:"thank you so much! Let's get going then" we went to pay and walked to her car then the driver opened the door for us and we got in "my name is mapule but people call me mamokwena!"

Me:"I'm bonolo banda" she smiled

Mamokwena:"you are so gorgeous ey I wish my son had met you first then that slay queen!" We finally arrived at the huge mansion then we got out of the car "I hope we are going to finish cleaning before my meeting"

Me:"you are going to help me!?" She chuckled "I'm sorry but you look beautiful and I don't want you to be tired for your meeting" she's looks like those women who are in magazines

Mamokwena:"you probably thought that I'm those women who likes to boss around people and be mean neh" I kind of

Me:"not really" she giggled

Mamokwena:"it's okay to be honest you know!" We got to the house and she gave me my uniform and she also changed then we started cleaning up, hours later we finished so I made some refreshments "so how old are you Nolo?"

Me:"I'm nineteen years old"

Mamokwena:"hao aren't you supposed to be in university?" I sighed

Me:"I can't afford to pay the fees and I applied for bursary but they never responded"

Mamokwena:"oh sorry my dear! I'm a bit busy at the moment I would help you cause you look like a bright girl!" I smiled then we heard voices and a couple walked in with bags

Women:"ah thee best mother inlaw!!" She hugged mamokwena "oh i missed you mommy! Wait why are you wearing like this!?"

Mamokwena:"i was helping nolo to clean up because she wouldn't have finished it alone" she looked at me and I couldn't believe my eyes!! it's wendy Victoria's last born!!

Wendy:"what happened to Nadia!?" We were looking at each other

Mamokwena:"she disappeared anyways I have to go! I'm late for a meeting" she went upstairs

Wendy:"baby you can go to work ankere you wanted to go!" He looked at her confused then he left "what the fuck are you doing here!?" She said that coming closer to me

Me:"I'm your new maid! Mm I can see you have found another jackpot!" She tried to slap me but I held her hand

Wendy:"don't you dare tell anyone about my past or else I'm going to kill you!" She Breathed in and out "okay bonolo you can work here as long as you don't tell anyone that we are sisters!" We used to get along until her mother and zandile kicked us out

Me:"my sister died with my father!" She swallowed then I went to change "so is there anything I should do before I leave!?" She shook her head no

Wendy:"bonolo I'm sorry fo...." I cut off

Me:"see you tomorrow madam!" I took my bag then I walked, the driver dropped me off at the taxi rank...later I arrived home and I found mama cooking

Mama:"oh hey nana! How did you go!?" I sat down

Me:"if I knew that I was going to work for wendy I would've turned down the job!" She sat next to me

Mama:"what do you mean!?"

Me:"I'm Wendy's maid mama! I know for a fact that she's going to make my life a living hell!" She sighed

Mama:"forget about her nana! Just do your job nje! But also remember not to let her bully you okay!" I nodded

BOKAMOSO

I was called by our neighbor mam'sarah saying that so when I got home I found my mother holding her phone sitting like a statue! Thank goodness mam'sarah was there or else my daughter would have been hurt or something. I took her phone and looked what she was looking at and I couldn't believe my eyes, zandile sent her a message saying that she bewitched her and she's going to die very slowly because she took everything from her so I stopped reading and we rushed to the hospital. Apparently my father left everything that he to me and bonolo so I'm going to look for that lawyer who read the will, I had to take mam'sarah back home cause tsholo was hungry so when I got back I found Nolo and some guy.

Me:"Nolo has the doctors said anything?" She shook her head no then I sat down "8ta!" I greeted the guy who was next nolo and he nodded

Nolo:"what happened!?" I sighed then I showed her the message "khanti what the hell is wrong with this women huh? What more does she want from us!? Ankere she got everything she wanted so why can't she leave us alone!" I hugged her

Me:"sshh don't cry we'll figure something out okay! I won't let mama die

Advertisement

she's the one who's going to die!!" Few minutes the doctor came

Doc:"keletso banda! We got up

Me:"that's us....she's our mother!"

Doc:"your mother had a stroke and a panic attack!"

Nolo:"is she going to be okay doctor!?" She nodded

Doc:"yes she's going to fine but I also think you should get another help for her legs and those pimples" we nodded

Me:"can we see her?" She nodded and we followed her

Nolo:"oh mama please don't leave us yet hle!! I still need you!" I got out as she was still talking to her and went to sit down at bench

Me:"are you nolo's boyfriend?" There's something about this guy and I don't know what

Guy:"not yet....can I have your blessings to date her, I promise you I'm going to treat her like a queen she is!" I looked at him for a while

Me:"why would you wanna date a maid while you can have any girl you want?" He looks like a player

Guy:"bonolo is a beautiful natural woman and she's someone I have been looking for all my life so I don't care whether she's a maid or a cleaner because she's independent that's what I love about her!" I nodded

Me:"if you break her heart I'll break every bone of yours and put you in a coma! He swallowed "what's your name?"

Guy:"thato sethole" i got up and went back to my mother's ward

WENDY

You know since my husband and I just got back from our honeymoon I feel like I'm married to myself cause he's always busy with work so I wore his favorite lingerie and ordered his favorite food and I went to his office to surprise him. I found him busy with his laptop

Me:"hey baby!" He looked at me "I brought you food and I'm your desert of course!" I gave him his food

Junior:"where were you today?" I sat down on his table

Me:"I was out with some friends...why!?" He showed me something big numbers on his laptop "baby you know that I'm not good with numbers so what am I looking at?"

Junior:"you spent 30 thousand in one day on wine and food!! Do I look like I'm your slave!?" I swallowed "I told you that you get your presentation ready so I can invest in your business wendy! Just because we are married that doesn't mean you should spend MY HARD WORK MONEY on unnecessary things!"

Me:"you forced me to sign that stupid contract! Let me tell you something junior when two people get married means that they love each other and they share everything with their partners so what the fuck is wrong with you huh? You never had a problem with me spending so much money before!" He got up

Junior:"I worked hard to get where I am today wendy!! We signed that contract so when we divorce, we go our separate ways cause I don't want to see myself in court fighting for something I worked hard for!" I chuckled

Me:"its bonolo neh!?" I folded my arms

Junior:"get out of my office and ask your mother why I got married to you!" My eyes popped out "I need to work wendy!" I took my bag and slowly walked out then I called my mother

Mother:"yes wendy I'm busy!"

Me:"is there something you want to tell me?" She chuckles

Mother:"make that boy fell in love with you and stop being a spoiled brat! I didn't threaten that family for you to ruin everything for me nx!" She hangs up and I went home

Few days later

BONOLO

I wish I could my job right now but I can't because I want to help my brother and I wanna save up for school next year, things are very tense in this house and wendy is busy drinking like there's no tomorrow. Thato's ex or girlfriend almost attack me at the party the other day so I immediately cut all ties with thato cause I don't need drama in my life, mama is getting better and she's getting discharged tomorrow. I was busy cleaning up the lounge then someone tapped my shoulder and I turned around it was mr mokwena shirtless

Me:"uhm morning sir!" God please help me!!!

Mr M:"call me kutlwano okay!" I nodded "can you please iron my shirt and please move my clothes to the other guest room" as I was about to respond someone shouted wendy's name then we went to see this person "why are you shouting in my house Veronica!?" She looked at me

Veronica:"what's this huh? Are you cheating on my daughter!?"

Kutlwano:"what are you doing in my house!?" His voice changed and Veronica swallowed "your daughter is drinking herself to death in her room so please talk to her before lose my patience!" He walked away and I went to iron his shirt

Veronica:"what the fuck are you doing here!?"

Me:"as you can see I'm wearing a maid's uniform so that means I'm working here!" She looked at me for a while

Veronica:"you better stay away from junior because he's your sister's husband!" She went upstairs then thato came to me and looked at kutlwano's shirt

Me:"can I help you?" He sighed

Thato:"please give me a chance....give us a chance bonolo!"

Me:"thato i have a lot of things that's going on in my life so I don't think I'll have time for you" he holds my hand

Thato:"we'll figure something out okay just give us a chance hle!" Maybe I should give him a chance I mean he is cute

Me:"and what about lerato?"

Thato:"lerato is in the past

Advertisement

you are my future and I want to spend the rest of my life with you" I smiled

Me:"okay can we date but let's take it slow!" He hugged me then kissed my forehead

Thato:"as long as I'm with you, I'm happy"

Me:"now leave so I can go back to work!" We hugged for the last time then he left and I went to give kutlwano his shirt

Kutlwano:"thanks" I nodded and I went to continue with my work then few minutes later I went to their room and I heard Veronica shouting at wendy so I decided to listen

VERONICA

My children can be very stupid sometimes ey they don't appreciate everything I do for them! Especially Wendy she always ruins everything I do for her but this time she's not going to that!.

Me:"get up and take a shower so we can go somewhere!!" She looks at me confused

Wendy:"waar gaan ons?(where are we going)" I rolled my eyes

Me:" ons gaan iemand sien(we are going to see someone)" she slowly got up

Wendy:"do I know that person?"

Me:"wendy if you want your husband to fall in love with you, you would be quickly cause I don't have time for you" she rolled her eyes

Wendy:"I'm not going to buy love potion to force junior to fall in love with me ma! I'll divorce him and move on!" I slapped her

Me:"do you have any idea what I did to get you married in this family!!? They are most dangerous people and I risk my life to get that information! So get the fuck up and get ready!!"

Wendy:"i can get my own man ma!! I don't need your help cause you always ruin my life!" She opened the door "get the fuck out of my house and I don't even want to see you!!" I chuckled then I took my bag and walked out

Me:"call me when you change your mind!" I saw bonolo cleaning so I went to her "shouldn't you be in university?"

Nolo:"ankere wena le zandile took my father's money that belonged to us!" I swallowed

Me:"I don't know what you are talking about?" I left her there

6

WENDY

After my mother left I took a shower then I cleaned up the room and few minutes later I got a call from lerato asking to meet up at the park so I wore my comfortable clothes and walked to the park. I sat next to her and she looked at me

Me:"are you still crying for him?" She nodded "lee thato has moved on so do the same thing!" She shook her head no

Lee:"I love him wendy! I can't live without him okay he's my life so I decided to call my aunt and she gave me someone's number to help me!" I chuckled

Me:"seriously lerato! You are an amazing, beautiful

Advertisement

smart person and you deserve better! You seriously want to go back to an abuser?"

Lee:"if you don't want me to go back to him then why don't you warn your little sister to stay away from him?" I swallowed

Me:"lee i have seen you broken and miserable with him so I don't want to see you like that anymore!" If I tell her the real reason she's gonna hate me

Lee:"thato is an amazing guy and he very kind, romantic and he treats you like a queen! Yes sometimes he loses his temper but he apologizes after cause he knows that he did something wrong" I shook my head "so can you come with me to see this person?"

Me:"fine let's go" we got up and walked to her car then drove off..one hour later we got to this small house in the middle of nowhere "lerato where the hell are we!?" She shrugged her shoulders

Lerato:"this is the address I got from this person" we got out of the car and walked to the house "don't say anything okay!" I nodded and we got in the house after we took off our shoes then we heard groans and it smells horrible "uhm I'm lerato and this is my friend wendy....I'm the one who's looking for help" smoke came out of nowhere and we started coughing

Person:"you two are playing a very dangerous game!" We looked at each other " wena white girl your father is very disappointed and angry at you! and wena lerato the man you want is not yours, he has his chosen one back at home!" Eh is thato a prince?? "Yes he is a prince and his chosen one is waiting for him so leave him alone!!" Lerato ran out crying so I wanted to get up too but the door locked

Me:"hey open the door!!"

Person:"fix things with your sister pumpkin...she needs you right now!" That's my father's voice

Me:"she hates me daddy and I don't blame her cause mom and aunt zandile kicked them out" I sat down

Person:"forget about your mother and aunt okay! They are the ones who are ruining your life and don't listen to this person wendy!" I wiped my tears "I can give you something that will make your husband fall in love with you!" My father is gone

Me:"please open the door" I said that getting up

Person:"come on white girl you know that he's very rich and you love him so take this and pour it in his drink!!" I looked at the small packet then I slowly picked it up "when you see the results just come back and pay" I took our shoes and left

BONOLO

After I finished everything thato came by and he offered to drive me home so I gave him directions while we were listening to music and getting to know each other. We finally arrived but he parked three houses from my house and we kissed for a while then we slowly pulled out

Thato:"thank you for giving us a chance" I smiled

Me:"you've been thanking me since forever now stop!" He chuckles

Thato:"okay okay I'll stop....uhm so what are your future plans?"

Me:"to be a businesswoman and own couple of restaurants too" he smiled

Thato:"how about quit your job and I'll invest in your company or restaurant" sounds great but I want to do this on my own

Me:"are you embarrassed by my job?" He sighed

Thato:"of course not babe I just want to help you archive your dreams"

Me:"thanks but I want to do this on my own and I want to study first before starting a business!" Did I make a mistake by giving him a chance

Thato:"okay I'm sorry ke for trying to help my girlfriend!!"

Me:"I appreciate that but we just started dating and now you already want me to quit my job!"

Thato:"so you want to be a maid for the rest of your life!?"

Mxm I got out of the car and walked home then I found my brother playing with tshego

Me:"hello auntie's barbie doll!" I took her from my brother "so what should I cook today biggie!?"

Bro:"I bought takeaways so relax and I wanted to talk to you about something" I sat down and looked at him as he was so serious

Me:"is everything okay?"

Bro:"I have found papa's lawyer and he told me that he was having an affair with zandile and Veronica so papa found out that's when he changed his will! He left two million for the both of us including the house too but we can't get them back because they already used the money and sold the house" wow

Me:"so what now?" He sighed

Bro:"he gave me the original will and said we can sue them but as you know that we don't have any money for a lawyer so we have to forget about this" mxm I hate those womens so much

Me:"okay uhm did you talk with mam'sarah about mama?" He nodded

Bro:"yes and she even said I should move to her house so she can move in here that will help a lot"

Me:"yeah and also give you space nyana neh" he chuckles

Bro:"I don't know what you are talking about ey" he went to the kitchen

BOKAMOSO

I woke up even early then I went to wake Nolo up so we can go to some powerful sangoma

Advertisement

she was recommended by a friend of mine who's now super rich. Hour later we arrived and found her on the gate

Nolo:"did she know that we are coming!?" I shrugged my shoulders then we got out of the taxi and we went to her then she groans loudly

Her:"hhhaayyyiiii!!! Take off your shoes and step in the water then get in the yard!" We did what we were told to do and followed her to her small house "you are very lucky my children! That women wanted to kill you before you were even born but your ancestors protects you every single day!" We sat down your mother is going to be fine and you are going to get everything that belongs to you!" She started mixing some stuff then she looks at nolo "you are a very beautiful young lady ey!"

Nolo:"thank you ma!"

Her:"he's not right for you!" Nolo looked at her confused

Me:"who's not right for her?" She groans again

Her:"you need to stay away from him cause his chosen one is waiting for him!" We looked at each other then back to her

Nolo:"ma are you talking about thato!?" She nodded

Her:"you need to help him find his real parents so he can get help very quickly" but she just said she should stay away from him mos

Nolo:"what do you mean his real parents!?" She's starting to get scared now

Her:"don't be scared Nana!? I know I said that you should stay away from him but you need to help him find his real parents so I'm going to give you something for protection!"

Me:"protection for what?" She gave me a death stare and iooked down

Her:"I know what I'm doing okay! If you don't trust me then get out!!" I took out two hundred and put it on the floor

Me:"my apologies ma! I trust you!"

Her:"good! Oh and also tell your sister that she's going to burn!" What is wendy up to now!?

Nolo:"she wont listen to me ma!" Few minutes later she gave us some muti and gave nolo a beautiful bracelet

Her:"after you fetched your mom come and get me immediately okay!" I nodded then we left

Nolo:"I'm so confused right now!" Same here

Me:"just do what you were told to do ankere we must trust her so our life can get better!" She nodded

Nolo:"so how are you going to convince mama to trust her cause she doesn't believe in these things!" I sighed

Me:"eish i totally forgotten about that!" She chuckles

Nolo:"good luck bro!" I shook my head...we got home and got ready for work

BONOLO

After I bathed with the muti that the sangoma gave me i felt so good and I had energy too! Anyways I'm at work making breakfast for the couple then thato walked in holding flowers and a bag

Thato:"I'm so sorry about yesterday babe! I should let you do things on your own so from now on I'm going to be there for you and if you need advice on something don't be scared to ask me!" Ncoa he's so cute

Me:"I'm only forgiving you because of the flowers nje!" He chuckled

Thato:"uhm i realized that you don't have a phone so I bought you one but if you want to buy your own one it's fine" I took the bag and looked inside it....it was an iPhone 11 and a laptop

Me:"thato! I don't know what to say!" He came closer to me

Thato:"a kiss and a hug would be enough for me" I hugged him then we shared a passionate kiss "damn! You are a great kisser!" I giggled

Me:"stop! Leave before I get fired"

Thato:"fine but I'm coming to fetch you for lunch neh!" I nodded then he left

"Looks like someone is following her sister's footsteps!" I rolled my eyes

Me:"keep on dreaming sis! Anyways breakfast is ready!"

Wendy:"okay I'll pour junior coffee" I looked at her confused because kutlwano doesn't drink in the morning "what!? Don't you have something to do upstairs!" I took the plates to the sitting room Me:"morning kutlwano" he smiled

Kutlwano:"morning bonolo! Nice bracelet!"

Me:"thanks" wendy came and gave him his coffee

Wendy:"just the way you love it" I have only been working here for few days and I already know that kutlwano only eats healthy food in the morning

Kutlwano:"I drink a smoothie or juice in the morning so what's this?" She frown

Wendy:"okay I'll make you a smoothie then!" She went to the kitchen and I poured him juice cause it was right on the table

Kutlwano:"what's wrong with your sister today?" Oh he also knows that she's my sister

Me:"I don't know ey!" I went upstairs to clean up the bathrooms then few minutes later wendy came to me shouting "yoh yoh yoh why are you shouting!?" She breathed in and out

Wendy:"listen to me very carefully okay!! From now on I'm the one who's going to make breakfast for my husband so your job is to clean and the laundry!" I chuckled

Me:"whatever you want to do is not going to work!" Her eyes popped out

Wendy:"what are you talking about!?" She folded her arms

Me:"you know very well what I'm talking about!"

Wendy:"focus on your job and stay out of my business nx!!"
She walks away then I listened to music on my new phone

Since bonolo ruined my plans I decided to draw up a presentation then I made a smoothie for my husband! I went to his office wearing professional clothes looking like a serious businesswoman and everyone in the company was looking at me. I got in after the PA told me he's ready for me

when I got in he looked at me like a piece of meat

Me:"good afternoon Mr mokwena" we shake hands then I sat down "my name is wendy banda and I'm here for presentation that you asked for sir! Oh a little birdie told me that you love smoothies so brought you one" he smiled and took the smoothie

Junior:"you can start miss banda!" I nodded then I started my presentation few minutes later I finally finished "wow miss banda that was good but you have to give me time to think about it" I mentally rolled my eyes

Me:"of course Mr mokwena! you can take all the time you want" I realized that he haven't drank his smoothie

Junior:"I'll call you in few days to discuss a way forward" we shake hands again then I left...I drove to my mother's house and I found her watching TV

Me:"ma waar is die wine!?(mom where's the wine)" she pointed at her wine room then I went to take my favorite and two glasses

Mom:"wat gaan an nou?(what's going on now)" I poured wine and gave her hers

Me:"I did something that I never thought that I would do! Well if he drinks it then ai I don't know ey!" I really hope he drank it

Mom:"who drank what now wendy?" I sighed she's going to be happy about this

Me:"I gave junior something that will make him fall in love with me!" She smiled

Mom:"now that's my daughter!! So why don't you call him and find out if he drank it!" I shook my head no

Me:"I'll wait for him to call or text ma!" She rolled her eyes then my brother success (katlego) walked in "oh hey bro!" He gave me a death stare

Success:"can't you be yourself so someone can really fall in love with the real you!!" My mom and I swallowed he has a gift

"look at your skin!" I looked at my hands and I looked like I got burned

Mom:"success what's going on!? Help your sister marn!!!" I ran to the bathroom and took off my clothes then I saw my whole body burned

Me:"MA HELP!!" She rushed in and almost fainted when she saw my body

Mom:"what did you do wendy!! Success! Success!!!" He leaned on the door frame folding his arms

Success:"kutlwano drank the smoothie and the only way to get it out he must kiss his chosen one!"

Me:"chosen one!? Is he a prince too?" He chuckles

Success:"no he's not royalty but his ancestors has chosen him a wife" where am I going to find this wife of his

Mom:"success just help your sister!" He walked away shaking his head

Me:"ma what are we going to do!?" She was about to respond then she walks away and few minutes later she came back smiling

Mom:"you are not going to do anything okay! Your husband is here with flowers and a dress for later on!" Oh my god!! I got dressed

Me:"are you serious!?" She nodded

Mom:"I'll look for something for your skin okay just go now" I fixed myself then I left

BONOLO

I just knocked off and thato is driving me home so this is the opportunity to ask about him.

Me:"so babe who is thato sethole?" He smiled

Thato:"thato sethole was raised by his grandma and he will always be grateful for that women!" Okay we are getting somewhere

Me:"uhm where's your parents?" He shrugged his shoulders

Thato:"my grandma told me that my mother died after she gave birth to me and I don't know my father" I nodded "I have been looking for him but I gave up cause seems like he doesn't want to be found!" This is going to be tough

Me:"why don't you try other ways maybe you might find him!" He stopped three houses from mine

Thato:"I'm doing fine without him and my pictures are all over the Internet so I'm sure his kids can see something!" Maybe I should leave it cause he's hurting

Me:"okay babe!" He looked at me

Thato:"ask!" I sighed

Me:"what's his name? I know someone who is very good at technology stuff" he frown

Thato:"is it a boy or girl?"

Me:"he's my male bestie why!?" His face changed

Thato:"I don't want you to have guy friends so cut ties with him!" O-kay!

Me:"he's my best friend thato! And he has a girlfriend if that's what you are worried about!" He holds my arm very tight "thato you are hurting me!"

Thato:"I don't want you near guys bonolo!! and stop wearing dresses cause they are revealing my body!!" I yanked my arm

Me:"you are my boyfriend not my father wena thato!! You ca...." He slapped me and I looked at him shocked

Thato:"i...i...I'm...sorry Nolo....I didn't mean to hit you!" I took my bag and got out of the car then ran home

"He hit you, right?" That's the sangoma

Me:"I can't help him ma! I'm waay too young to be abused" she sat next to me

Her:"would you believe me if I told you that he is being punished for something he didn't do!? Someone is very jealous of him so they made him hit every girl he has been with"

Me:"what are you saying ma!?" She sighed

Her:"he needs you okay! You need to help him find his parents with him next to you!"

Me:"I don't think I can do that ma! Can't you help him?" She shook her head no

Her:"only his kingdom healer can help him!" I'm so confused right now

Me:"you said that I must stay away from him now you are saying I should help him so which one is it?" I said that getting up

Her:"I just deliver the message my dear!" She got up and left

BONOLO

Thanks god it's Saturday today I'm not going to work! I really don't know what to do with this situation of thato, I really want to help him but I'm scared of him and I don't want to die hao. I haven't seen my mother yet so I woke up and went to her room then I opened the curtains cause she was already sitting up reading her bible.

Mom:"what's wrong my baby?" I sighed then sat next to her

Me:"there's this guy I'm dating...well I don't know if I should continue dating him because he has a very short temper or something so I want to cut ties with him but I was told to help him find his parents!" She looks at my arm and cheek

Mom:"I say be there for him as a friend and help him find his parents because I don't want to lose you nolo and you are too young to be in an abusive relationship! Did your brother see this!?" I shook my head no "don't let him see this cause he might end up in jail okay!" I nodded

Me:"so how are you feeling today?" She smiled

Mom:"I know that I don't believe in ancestors stuff but I'm really grateful for that women ey! My legs are fine and when

she cleansed me I felt so free and amazing" she really does look good

Me:"she knows her stuff and I'm glad you gave her a chance! Anyways let me go and wash the laundry" I said that getting up

Mom:"I'll help you" I shook my head no and she laughed

Me:"sit there and rest mama!" I went to change then I took all the laundry and went outside "morning biggie!" He was sitting under the tree with tsholo

Biggie:"morning little one

Advertisement

how's mama doing?" I put the laundry down

Me:"she's great and she wanted to help me but I said no cause her body needs to rest!" He nodded "what's wrong?" he sighed

Biggie:"refilwe called me last night and she begged me to come over so I went there then I found her body on the floor" my eyes popped out

Me:"did you touch her?" He slowly nodded "oh my god biggie!! You can't go to jail okay you just found your daughter and things are really going well for us hle" he rubs his head

Biggie:"the person who killed her made there's no finger prints so the police is going to find my finger prints!" I looked at

tsholo....she lost her mother and now she might lose her father too "I should've listened to my gut ey!! something was telling me not to go there but I did" I sat next to him and I hugged him

Me:"let's hope that someone saw who killed her so that they can clear your name!" if he goes to jail I'm going to have lots of responsibilities

WENDY

Right now I don't give a damn about my skin looking burnt cause he is spoiling me and giving me the love I always wanted! and my skin is not that bad so I'm living the life man!. Eish it's Saturday and nolo is not coming in so I woke up and I went to make breakfast then I cleaned up there and there

"what are you doing!?" that's my mom

Me:"ma you should really teach yourself to knock ey!" she rolled her eyes

Ma:"where's your maid? she's the one who should be doing this not you!" I sighed

Me:"ma nolo is a human too and she needs to rest okay now what are you doing here?" she gave me a small bottle

Ma:"that cream is going to help you with your burned skin just apply it after you bathed" I smell it and it smells good

Me:"okay thanks!" junior came down "oh morning baby I was just about to bring you breakfast in bed" we kissed

junior:"that's bonolo's job! where is she anyways!?" my mother smiled

Me:'she doesn't work on weekends baby!" he took out his phone and texted her

junior:"she'll be here soon now let's go upstairs and make babies!" eh babies!? I tho....argh never mind

Me:"go ahead I'll be right neh!" he nodded then he went upstairs

Ma:"oohhh i love what am I seeing right now ey! anyways let me go!" she left then when I was about to go upstairs my phone rang "hello!" the person was breathing

Caller:"enjoy your fleshy life while you still can cause when I come back I'm going to ruin your life just like you ruined mine bitch!!" this voice sounds familiar

Me:"derek is that you!?" the person chuckles

Caller:"let me guess he was also one of your victims huh? I swallowed "you don't recognize my voice huh? hahaha be

prepared bitch I'm coming for you nx!" I hang up then I threw my phone on the couch

Me:"who the hell was that person!!??" I drank water then I went upstairs

BOKAMOSO

Nolo has left for work so I decided to cut the grass and clean the yard then I saw mama sitting down on the bench so I went to her

Me:can I get you anything my queen!?" She giggles

Mom:"no I'm good my prince! Tell your queen what's wrong?" I sat down then I told her everything "does your phone record?" I checked it and bam!! I found the record of refilwe calling me

Me:"my mother is a genius bathong!" She chuckles

Mom:"mxm you think I'm that old neh!" She playfully pushed me...few minutes later as I was still busy with the yard a car stopped at our gate and two men came out then they helped get out of the car, it was zandile

Me:"whoa whoa whoa!!! Where are you taking her!?" I said that standing at the gate

Man1:"she said that we should bring her here!" Mama stood next to me

Mom:"you really thought that you can kill me neh! I'm a prayer woman zandile! and don't come here with your fake apologies!" Shame I almost felt sorry for her

Man2:"so where should we take her? Cause all her children don't want her!" Eh they don't want their mother!?

Mom:"take her to her sister wife Victoria! Ankere they were friends!" she started coughing so bad then I called and ambulance

Me:"the ambulance is on the way!" They slowly put her back in the car

Man1:"witchcraft is dangerous ey look at her! I mean she was so beautiful and sexy mara nou she looks like a skeleton!" The ambulance came and they took her

Mom:"call lethabo and tell him that his mother is in hospital!" I nodded

Man2:"what should we do with her bags?" These two men are starting to bore me now

Me:"we don't care about that women so I don't know where you are going to take those bags" they got in the car and drove

off then I called lethabo "hey bro I just wanted to tell you that your mother is in hospital" I heard him sigh

Lethabo:"i don't want nothing to do with that women so she can die for all I care!" He disconnected the call and I went to mama

Me:"he wants nothing to do with her!" She shrugged her shoulders

Mom:"ai i don't know ke! She's not our responsibility!" I went back to my work

I couldn't stop thinking about that call so I called my cousin Leroy to track the call or maybe find out who was that person before my mother finds out about this. I arrived at Leroy's company and went straight to his office then I sat down cause he was on the call few minutes he finally finished

Me:"can you help me!?" He chuckles

Leroy:"let me see first before I agree!" I gave him my phone and he checked it "it's Bradley Smith!" I felt like someone stabbed me from behind then I couldn't breathe probably "whoa whoa breath wendy breath!!" He gave me water and I slowly drank it

Me:"he's going to kill me!! Oh god I need to run away!" I said that getting up

Leroy:"so you genuinely thought that he was going to let you go after everything you did to him!? Wendy just pay him the money you stole!" I shook my head no

Me:"I didn't steal that money cause it was mine!!! I made him and he wanted to leave me for that fat girl!!" I'm going up and down trying to figure out a plan

Leroy:"so what are you going to do now?" I shrugged my shoulders "I don't wish to be you right now ey! That man became dangerous after he lost his fiance! I wonder who killed her!" I looked at him

Me:"it was an accident okay I didn't mean to push her down the stairs! Oh god I'm so dead!!!" Why now huh? I have finally found love and this happens

Leroy:"like mother like daughter!" I stopped walking and looked at him again

Me:"I'm nothing like that women okay!" he laughed

Leroy:you are exactly like her wendy! Now please get out of my office before Bradley thinks that I'm working with you" I took my bag then I drove to my mother's house and I found her sleeping on the couch

Me:"ma! Ma! Maa! Wake up I need your help!" She slowly sat up straight and she looks horrible ey "what's going on with you!?" She drank her wine

Ma:"karma is coming for me wendy! Zandile is on her death bed and I'm next!!" I looked at her confused

Me:"what are you talking about now!?" She sighed

Ma:"forget it!! What's up with you?" I took her wine and drank it like I'm drinking water

Me:"Bradley is coming for me ma! and I heard that he's very dangerous now" she chuckles

Ma:"so what do you want from me cause I had nothing to do with that relationship of yours! I didn't even like that boy so keep me out of it!" my eyes popped out

Me:"you are throwing me in the wolfs!? me your daughter!?" she got up and went outside then I followed her

Ma:"wendy i have many things to worry about okay just leave that boy or pay him his money back! junior is where you want him so focus on him!" wow is she serious right now

Me:"wow mother!!! no wonder my brothers has distant themselves from you ey! you only care about yourself nje!" I went back inside and took my bag then I left

BONOLO

Something is wrong with kutlwano so I decided to call his mother cause I was starting to get scared of the way he was looking at me. His parents arrived and I took them to him then I went back to work even though there's nothing to do here mxm I don't even know why they called me....Wendy walked in like she saw a ghost outside

Me:"and then wena?" she breathed in and out

Wendy:"where's my husband!?" I was about to respond then kutlwano came out with his parents laughing

Mamokwena:"oh hey Wendy and bye wendy!" they waved at me and left

kutlwano:"where were you baby?" he kissed her

Wendy:"I was at my mother's house she's not feeling good!" he nodded "let's go upstairs" she dragged him then few minutes later kutlwano's parents walked in

Mamokwena:"nolo you were right my dear something is definitely wrong with our son!" I knew it

Mr mokwena:"please keep an eye on him okay!" I nodded "we are going to find out what's wrong with him" they left then thato walked in and I mentally rolled my eyes

Thato:"is everything okay here?" I shrugged my shoulders "okay I get that you are angry at me and I don't blame you but kutlwano is my best friend so if he's in trouble I need to know!" I sighed

Me:"all I can say is that he's not the kutlwano I know!" he chuckles

Thato:"you just started working here few days ago and you already think that you know him!?!....do you have a crush on

him?" who wouldn't have a crush on him huh? I mean he's hotter than you and he's not an abuser "answer me dammit!!" he banged the kitchen counter and I jumped up

Me:"okay that's it!! I'm done with you okay! lerato can take you back because I'm too young for this kinda relationship thato!" I tried to walk away but he pulled me back with my hair and I fall down....he's no longer thato I know

his eyes were red

Thato:"no one breaks up with me bonolo!! especially when we haven't had sex!" I kicked him on his balls and he groaned then I quickly got up....

NARRATED

Bonolo got up and tried to run but thato was quick enough to hold her and threw her on the floor then he took off his pants! bonolo tried to fight him again but he was too strong.

Bonolo:"thato please!!!" she begged him to stop

Thato:"shut up bitch!! you owe me your pussy okay!!" she finally had the strength to push him back then she has a chance to run again thato pulled her leg and she hit her head on the kitchen counter's corner then she fell down

Thato:"haha you can't run away from me bitch!!" he turned her around and immediately got scared when he saw that she wasn't breathing "bonolo! baby wake up! no no no not this again!!!" he quickly wore his pants and ran out...hour later wendy and kutlwano came down then wendy screamed when she saw her sister on the floor

Wendy:"no no Nolo!! get the car closer I can still feel her pulse but it's weak!" kutlwano ran to the garage and he moved the car closer then he came back and picked bonolo up "I'm going to kill whoever did this to my little sister!" he gently puts her in the car and drove off

Kutlwano:"she's going to be okay babe don't worry!" wendy was so scared thinking that Bradley is the one who did this

BOKAMOSO

I got a call from wendy and I was so shocked that I still remember her number and she's calling me! Anyways I answered it.

Me:"wendy!" I heard her sniffing "wendy what's wrong!?" I'm getting worried now

Wendy:"hey bro uhm nolo is in hospital" I immediately sat up straight

Me:"what!? What happened!?" I wore my shoes

Wendy:"just come to the hospital please!" I hanged up then I took my keys and I went to mam'sarah cause mama is visiting her

Me:"mama we have to go! Ma can you please look after tsholo?" She nodded then mama and I got in the taxi then I drove off

Mom:"what's going on bokamoso!?" I sighed

Me:"nolo is in hospital" she slowly closed her eyes few minutes later we arrived at the hospital and rushed to wendy

Mom:"what happened to my daughter wendy!?" she started crying then her husband got up

Kutlwano:"we found her on the floor but I promise you I'm going to find whoever did this to her and kill the person!"

Mama sat next to wendy and hugged

Me:"don't you have cameras in your house?" He hit his forehead then he took out his phone and stood next to me

Kutlwano:"my security man is sending the footage!" We waited for few minutes then the footage came through

Me:"that son of a bitch!!! I'm going to kill him!" I knew that there was something wrong with him

Kutlwano:"no no there must be a mistake! That's not my best friend I refuse!" I chuckled

Me:"you better hide him before I find him because I'm going to break every bone of his as I told him" he ran out then the doctor came

Mom:"doc how's my daughter!?" He sighed...oh no that's not good

Doc:"ma'am your daughter has hit something very hard so she might not remember herself or you guys!" Oh god what's going on!? "and I also saw some bruises on her body it looks like she was fighting" I'm seriously going to kill that bastard!

Wendy:"can we see her?" He nodded then they followed him and I sat down to calm myself down few minutes success walked in....okay why am I seeing my brothers one by one?

Success:"please don't tell me it's true!" I looked at him confused "I'm talking about nolz!" he sat down

Me:"why do you care huh? entlek what are you doing here huh? did you come here to finish her off!!?" he sighed

Success:"I love nolz as much as you love her okay! and the reason why I wasn't there for you is because I was ashamed of myself and I was also going through some stuff!" mxm I got up "if you kill him his ancestors are going to punish you" I turned around

Me:"so i must sit back and let him walk away with it!?" he got up

Success:"look man that boy is already suffering because he's looking for his parents so please let him go" I shook my head no and left

KUTLWANO

What the fuck is wrong with thato!? I know that he's being controlled or whatever is wrong with him but we told him that

when he gets angry he should walk away!. Two years ago he killed his girlfriend and we covered it up....well we kinda framed someone else then he dated lee and everything was fine until one day we saw lee with a black eye so we asked him to let her go but he didn't listen! lerato is lucky to be alive ey. I arrived at the warehouse and I found everyone looking at him, I feel like punching him right now but I can't because he probably didn't even realized that he was doing that

Bk:"what's up with him bro?" I poured whiskey

Me:"you better stay here cause her brother is looking for you and he's so mad!" he rubbed his head

Thato:"why aren't they looking for me huh!? I'm suffering because of them! I can't have a normal relationship because of them!! maybe I should kill myself nje it would be better for everyone!" I chuckled

Me:"you are being a coward now! ankere tech told that he's making progress with your project" I sat down

Kaden:"who did he hit now!?" he asked with a boring tone

Me:"my maid bonolo!" their eyes popped out

Bk:"but I thought we told you to stay away from her bro! what the fuck is wrong with you huh!?" he wanted to punch him but I blocked him

Me:"calm down man! you know his situation mos!"

Bk:"no man I'm sick and tired of this okay! eh tech how far are you with the project!?" he came with his laptop

Tech:"there's three kings that he looks like so I sent someone to get us something stuff to the DNA test!" there's hope "uhm KJ Bradley is coming for your wife!" I looked at him confused

Me:"what do you mean!?" do they have history?" he nodded

Tech:"apparently she stole his money and killed his fiance" what the fuck!

Kaden:"yoh world war three is about to start!" I gave him a death stare

Bk:"let him have her ankere you wanted to get rid of her!"

Me:"I changed my mind! call me when he arrives" I left them there confused

WENDY

Thank god it's not Bradley who did that but I'm going to contact him and talk to him because I can't live like this!.

Bradley:"what do you want!?" shit his voice is soo deep

Me:"can we meet and talk about everything" he chuckles

Bradley:"okay but you better make sure that you have protection ey" he hangs up before I could say anything then my mother called me and I drove there after I dropped nolo's mom at my house

Advertisement

I couldn't let her go back home because it's far from the hospital. I arrived at my mother's house and I found my brothers with their wives

Me:"what's going on!?" I sat next to her

Ma:"thank you for coming at such short notice! uhm there's something I have to tell you before karma gets here" we looked at each other then back at her "zandile and I did something bad to keletso and her kids....something that might not be able to remove from them!" she sighed

Success:"tell them mother! tell them how you got rich!" she started crying

Ma:"keletso was supposed to have three kids but we sacrificed the baby to be rich and also gave her bad luck! they'll never have peace in their lives and nolo will keep on losing her babies if she gets pregnant" I slowly got up and looked at her shocked

RJ:"sies ma!! how can you do this huh? what did keletso do to you that you hate her so much huh!? wow I can't believe that you are my mother!!" he got up and left then his wife followed him

Me:"did daddy know about this!?" she slowly nodded "is that why he left everything to Nolo and bokamoso?" she nodded again

success:"you killed pops when he gave keletso more attention, right!?" she nodded again and I slowly kneeled down

Me:"why ma why!? you know I used to look up to you and now I feel like I don't know you!" she tries to touch me but I moved back

Ma:"I'm sorry my children! I thought I was doing the right thing!" I got up and went to my car

Wendy:"oh god what's going on here!!" few minutes later after I calmed down I drove home

Two weeks later....bonolo has woken up and thank god she didn't lose her memories so she's now at home taking it easy, zandile has passed away few days ago and no one came to her funeral cause she was everyone's enemy. Victoria is on her death bed in her house and she hired a nurse to take care of her but she only lasted four days then she quit because Victoria was smelling bad and worms came out of her legs so it's been days since she hasn't eaten or drank water. Wendy has met with Bradley and things didn't go as she wanted, some innocent people were killed on that day but she's happy that Bradley will never bother her again cause her husband killed him! Things are going good for her and she had started her boutique. Bokamoso was arrested for murder of Refilwe but success managed to get him out and the police has found the person who killed Refilwe, the brothers are trying to get their relationship to where it was before their father passed away and Keletso is very happy that they are trying. Thato has finally found his parents and he immediately got helped as soon as he got home in Lesotho.

BONOLO

I wish my mother would let me do something hle cause I'm gaining weight because of sitting on the bed the whole day watching movies! I heard that thato has found his family and he also sent me an email apologizing for everything he did to me and I forgave him. I can't wait to go back to work tomorrow cause I'm sick and tired of sitting around doing nothing! Oh I'm taking an online course and I'm actually doing great...anyways I got up and I went to shower then I wore my favorite dress with slippers and I went to the kitchen to make breakfast for everyone

"Bonolo Michelle banda didn't I tell you not to get out of that room!" I giggled

Me:"bathong mama I'm fine hle! And I'm gaining weight by just sitting around doing nothing" she sighed

Mom:"okay fine! I guess I went overboard when the doctor told me not to let you do anything" she came to help me

Me:"mama I can do this on my own hle!" She laughs

Mom:"i know that hao! I'm helping you because your brothers are coming for breakfast" I looked at her shocked

Me:"you mean all the brothers!?" she nodded "you mean zweli, kagiso

thapelo, lethabo, RJ, katlego!" Yoh i have many brothers

Mom:"zweli and thapelo are not coming because they moved to different places from us and your sister said that she's busy but she'll make it up to us" I nodded then we finally finished making breakfast and my brothers arrived with their wives "bokamoso when are you getting married again!" We laughed

Biggie:"haha very funny mama!" We all sat down and mama said a prayer then we started eating

Mom:"we should do this more often cause your father is very happy!" We smiled

Katlego:"indeed he is! He visited me last night and told me that he's proud of us" I miss him everyday and I wish he was here with us telling us jokes

RJ:"ma I know we have apologized many times and I'm pretty sure you are tired of hearing us apologizing but I don't think we have apologized enough so we decided to buy you a house" her eyes popped out "you are the only family we have left with and the only mother too! Please accept our gift" ncoa she's crying

Mom:"I don't even know what to say! Thank you so much my children even though you didn't have to but I really appreciate it and I hope you will visit me neh!"

Kagiso:"of course we'll visit you ma! and you need to meet your grandkids too" we carried on talking about random stuff

WENDY

Argh I wished I went to the family breakfast instead of going to junior's business meeting or whatever was going on there! Everyone thinks that junior and I we are very happy but we are not. He became a sex addict and he's no longer spoiling me, he has changed to someone that I don't even recognize and I went to see that man who gave me the muti to help me with him but he wasn't there anymore...I was told that he got burned in his house. My skin is also getting worse everyday and I'm always hot so I have to go home and take a shower then go back to work! Anyways I was woken up by someone shaking me roughly so I opened my eyes and saw junior

Me:"and then wena!?" He pulled the blanket

Junior:"a real wife wakes up before her husband and prepares his clothes and breakfast mara wena o busy being lazy!" Oh I forgot to mention that he's starting to be controlling too

Me:"bonolo is coming to work tomorrow okay she'll prepare everything for you now leave me alone!!" I pulled the blanket up then he pulled the blanket down again "junior! I'm tired okay!" He pulled me with my leg and I fell down on my bum

Junior:"iron my shirt and prepare breakfast well it's lunch time now! Stop telling me about your sister cause she's not my wife!!" He walks away then I got up and did what I was told to do "hayi marn!! Wendy are you trying to kill me!?" Okay I'm tired of this guy

Me:"I'm your wife not your maid! I'm sick and tired of you junior! JUST LEAVE ME THE FUCK ALONE!!" I went back to my room and slept "god please help nie find junior's chosen one cause I can't take this anymore!" I covered my head and cried

Everything is coming together perfectly and I'm very happy that me and my brothers are talking again cause I really missed them! So I have met someone but it's looks like she's scared of falling in love again. We are taking things slowly even though she always wants me to come with tsholo cause she adores her! I see her in my future and it's looks really good...I'm taking her for breakfast after I drop nolo off. We got in the taxi and I drove off

Nolo:"who is she?" Damn this girl really knows me

Me:"who is who?" She chuckles "okay fine but don't tell mama yet cause we are taking things slowly!" She softly screamed

Nolo:"i knew it! and tsholo always says rato so I guess her name is lerato, right!?" I nodded "finally my brother is in love!!!" I shook my head

Me:"I really hope she's not going to hurt me" I'm scared of being hurt guys phela refilewe really did a number on me when we broke up

Nolo:"i think she's the one for you cause you guys are taking things slowly even though you have already introduced her to tsholo" i mentally rolled eyes

Me:"enough about me! Are you sure that you are ready to go back to work?" She sighed

Nolo:"I'm kinda nervous but I have to do this cause I can't hide forever and I love being independent so yeah I'm ready!" I nodded then we arrived at her work and she got off "bye biggie" I waved at her then drove off....I got to the restaurant and I found my lady already there

Me:"am I late?" I said that sitting down

Lerato:"no I was meeting a client here!" We ordered breakfast "uhm moso there's something that I have to tell you" she looks serious

Me:"okay what's up?" She sighed

Lerato:"last night I found out that you are bonolo's brother and I won't blame me if you don't want to see me again after I tell you this!" How does bonolo get in this?

Me:"are you wendy's friend?" She looks down

Lerato:"i was her friend! Thato sethole is my ex boyfriend and I almost hit bonolo because I was still in love with him" I don't know what to say "look moso I really really like you and I would

love to get to know you cause you are a great guy and a great father but I will understand if you don't want to see me again" I sighed

Me:"was he abusive cause the other day when we took tsholo for her swimming I saw my scars on your body?" she slowly nodded "what if he comes back and says that he wants you guys to fix things, would you go back to him!?" I know that he's not coming back but I had to ask

Lerato:"no I'm done with him and I heard that he's getting married soon so I'm moving on!" I hold her hands

Me:"I really really like you too rato so you are stuck with me and my daughter" she smiled

Lerato:"i promise you we are going to have a healthy relationship and I'll always be there for our daughter tsholo" i moved my chair next to her then we kissed

Me:"but how cause the doctor told me that I'll never be able to have kids after the shooting!" he sighed

Me:"how are you helping people when you have lots of anger in you!?" he chuckles

Success:"I don't have anger in me wendy! I'm disappointed in her and hurt that she didn't care about her children so you can't expect me to forgive her just like that" I looked down

Me:"you are right I'm sorry bro!" he holds my hand

Success:"let me take you home so that you can rest okay!" I nodded then drove off

BONOLO

When I got in the I freezed and everything came back then I went outside to breath and take a moment, few minutes later I had the strength to get in and do my job and damn! Everything was a mess ey. Wendy:"to be honest with you this is all my fault! I should've listened to you but I was so desperate for love now he has changed to someone else!" He got up and walked to us

Kutlwano:"what are you girls talking about?" Okay he's smiling now

Wendy:"he was burnt in his just like my mother" what!?

Wendy:"I don't know what happened! All I know is that she's dead and I don't know how to feel about this!" Two witches are dead!!

Me:"so what are you going to about kutlwano!?" She sighs

Wendy:"I have no idea! Success told that his chosen one must kiss him then the muti will get out of him! so I don't even know where I'm going to find this person" shame I feel sorry for her

Few months later

WENDY

I should be happy that I'm going to be a mother but I'm not! Junior has completely changed to a monster and I decided to move out of the house cause he almost killed me and our baby. My brothers said I should get him arrested but I refused because I made him like that so I'm still trying to find his chosen one even though I don't even have a name or pictures of the person and it's so frustrating. I'm staying with Lerato and it's so boring cause she's always at her boyfriend's house playing stepmother mxm I'll never be with a guy who has a kids shame anyways I woke up and I brushed my teeth then I went to the kitchen to make something to eat.

"When are you buying groceries again!?" I rolled my eyes

Me:"why do you care because you are always playing stepmother at your boyfriend's house" we sat down

Lerato:"I'm starting to think that you don't belong in the banda family wendy!" I looked at her confused then she chuckles "I'm dating your brother bokamoso bathong!" My eyes popped out

Me:"WHAT!?! When did this start?" She smiles

Lerato:"just focus on yourself girl! You look like you are not married to a millionaire" I sighed

Me:"be glad that you didn't go ahead with giving thato muti cause you would've been dead now! If only I knew this chosen one!" She holds my hand

Lerato:"you are going to be fine okay! Just hold on" I nodded "nolo tells me that kutlwano looks like a zombie and he doesn't want to eat so I was thinking that you should see him maybe he might eat something" I shook my head no

Me:"I know I'm the one who made him like that but I don't want to see him ever again! He almost killed me last month so please don't force me to go there!!" She sighed

Lerato:"tell me something here! Did you give him the whole muti?" I nodded then she quickly got up "are you out of your mind wendy!!? Now it's makes sense why he's like that! You are very lucky that he's still alive" she claps once

Me:"you mean I could've killed him!?" I asked very scared

Lerato:"yes wendy! Now you need to take this chosen one thing very seriously!" she went to her room leaving me scared

BONOLO

I'm now a maid and a caretaker of kutlwano! I'm so angry at wendy ey she should've listened when I told her not to do this now kutlwano's mother thinks that I might do the same thing but her husband told her to stop this nonsense and she apologized. Remember Matthew!? well we are dating and I'm very happy he's amazing and his family loves me especially his mother and my family also adores him too!. my brother just dropped me off and I ran to the house cause it was raining so when I got in..I found kutlwano crying and I also bottles of whiskey

Me:"hey hey kutlwano look at me!" he looks at me "I think we should go and see someone now cause I can see that you are hurting!" he nodded

Kutlwano:"it's hurts nolo! please help me! I can't do this anymore!" I hugged him tightly

Me:"I'm going to do everything in my powers to help you okay! we are going to fight this together" he looks at me for a while then he pushed me and I fall on my bum

Kutlwano:"get away from me you witch!! you made me like this!! I HATE YOU!" I quickly got up and ran to the guest room then as I was about to close the door he blocked it with his foot

"you can't run away from me bitch!! you are going to pay for this!" he slapped me then threw him on the floor

Me:"kutlwano please!! it's me bonolo!!!" he started kicking me and calling me names then few months later he stopped

"GORGEOUS RUN!" that's Matthew I slowly got up and walked out when I got downstairs I looked for my phone but I couldn't find it so I went back upstairs and I found them fighting

Me:"Matthew leave him alone!! he's not himself!!" they kept fighting

Matt:"gorgeous please leave and get help!! he thinks that you are wendy that's why he's so mad!! we can't help him unless your sister loses the baby!" my eyes popped out

Me:"what!? you mean wendy is going to lose the baby!?" he was about to respond then I heard bam!! "NNNOOO"

NARRATED

Bonolo rushed to Matthew and she looked at kutlwano who had a gun on his hands

Bonolo:"drop that gun wena kutlwano!!" he slowly dropped it and sat down "matt! baby please don't leave me Matthew wake up!!" he opened his eyes and smiled

Matt:"everything is going to be okay gorgeous! don't hate him for this okay!" she started crying

Bonolo:"please matt don't leave me hle! you can't die now okay you still have to make your dreams come true!" he holds her hand

Matt:"my dream was to be with a gorgeous black girl and treat her like a African queen she is! now it's time to leave cause I was going to die anyway" bonolo looked at him confused "I have brian cancer so I had few months to live and I'm glad that you made me the happiest man on my last days! he will get better and you two will be together...I love you bonolo!" he kissed her hand the closed his eyes

Bonolo:"nnnnooooo!!!" she cried so hard then few minutes later the police rushed in

Police:"okay everyone put your hands behind your back!" bonolo was the one who got up and put her hands behind the back "who shot him!?" she looked at kutlwano then sighed cause he went back to being a zombie so they won't believe her when she tells them that he did this

Bonolo:"I shot him!" the police whistle then he cuffed her

Police"miss you are under arrest and...." she cuts him off

Bonolo:"yeah yeah I know!" they took her away

BOKAMOSO

I was in my office....oh I have opened my own restaurant and I have five taxi so everything is going very well for me! I was busy working then the manager rushed in like someone was chasing him.

Me:"and then wena!?" He breathed in and out

Manager:"your sister has been arrested sir!" I was about to respond then I got a call from success so I answered it

Me:"please don't tell me it's true!" He sighed then I got up "let's meet at the station!" I hang up

Manager:"can you please sign her before you go!" I signed the papers then drove to the police station, I found success and RJ arguing with the police man

Me:"what happened?" They all looked at me

Police:"she shot her boyfriend at her work place! You better find her a great lawyer that knows the job or else she's gone!" He walked away whistling

Success:"she didn't do anything okay she's just protecting kutlwano and they wouldn't have believe her if she said that

kutlwano was the one who shot Matthew because he's a zombie!" This is so messed up

RJ:"so what do we do now!? We can't let her spend the night here!" Kutlwano's parents walked in

K'dad:"gentleman! Firstly i would like to say that I'm for everything and I promise you I'm going to do anything to get makoti out of here okay!" I forgot that he's a big shot lawyer

Success:"Mr mokwena how are you going to get our sister out, I think that detective is going to give you a hard time!" He chuckles

K'dad:"don't worry about that guy he doesn't scare me at all! Now let me go and get my daughter inlaw out!" he walks with his team

RJ:"success when is wendy going to lose her baby cause kutlwano is suffering!" I looked at them confused

Me:"what are you guys talking about now!? Why does wendy have to lose her baby!?" They explained everything and I couldn't believe it "wow so nolo is going to be Mrs mokwena'jr!?" We sat down on the benches

Success:"I feel sorry for wendy ey she always wanted to be a mother!" We sighed

Me:"can't you do something or maybe we should take her to the sangoma that helped us" wendy doesn't deserve this at all

Success:"we'll take her after she loses the baby" we nodded

WENDY

I shouldn't have taken that muti cause now I'm also ruining my little sister's life! I regret going with lee to that place and I'll never forgive myself if nolo goes to jail for something she didn't do. I was at the park trying to figure out how I'm going to help nolo and junior then someone tapped my shoulder so I looked up and I saw junior's mother

K'mom:"i don't know who's worse between you and your mother ey! your sister might go to jail for something she didn't do and wena o busy chilling here!" I knew she never liked me this woman

Me:"Mrs mokwena please don't you ever compare me with Victoria cause I'm nothing like her!" she chuckles

K'mom:"stop fooling yourself wendy! you are exactly like your mother okay

Advertisement

you only care about yourselves and you don't care who's going to get hurt!" I got up "I suggest we go to the police station and tell them that you gave my son love potion that is driving him crazy!" I took my bag

Me:"even if I go there and tell them the truth they won't believe me so I suggest you come up with another plan since you want to help my sister so much!" I walked to my car and got in....my phone rang it was lee "what!?" I'm so angry at her

Lee:"have you seen the news? and why are you angry at me now!?" I chuckled

Me:"it's your fault lerato! I shouldn't have gone with you to that place now look what's happening!"

Lee:"eh wena wendy i didn't drag you there okay! You should've known better hao!" I sighed

Me:"I'm sorry lee I guess I'm looking for someone to blame! I seriously don't know what to do now I'm so stressed!"

Lee:"I wish I could help you but I don't know how and I'm also worried about bonolo! I mean I have been there before and it's horrible" oh god please help me

Me:"uhm lee let me go we'll talk later neh!" I hang up then I suddenly felt pains so I drove to the hospital "HELP! please help me!" I said that walking the hospital and two nurses rushed to me then I was taken to a ward

BONOLO

I'm in a cell with three ladies who looks very scary and it's cold too! The police man who brought me here doesn't want me to make a call and I think he hates me. I was in a corner then I heard someone whistling so I quickly got up and went to the gate it was the police man

Me:"can I please make a call hle!" He gave me a death stare

Police:"you have visitors!" He unlocked the gate and I followed him to a room then I saw Matthew's parents "no touching and I'm giving you five minutes nje!" He walks away

Me:"I'm so..." Matthew's mother attached me with a hug and we cried, few minutes later we sat down after calming down

M'dad:"he had a vision last night and this morning he came to our house to say goodbye! We are going to get you out of here Michelle because you made our son very happy on his last days and we'll always be grateful for that!" I didn't know what to say

M'mom:"he loved you so much and to be honest with you, you are the first girl who made him so happy and he was always smiling when he talks about you" I smiled

Me:"I'm going to miss him so much! He saved my life and I'll never forget that" the police opened the door

Police:"time is up!! Let's go princess" he dragged me out

Me:"you are hurting me!" I yanked my arm and he laughed "why do you hate me when you don't even know me?" He stops walking and looks at me

Police:"I don't hate you but your in-laws! And don't you dare talk to me like I'm your friend!" He's punishing me for something that I don't even know about

Me:"why do you hate them!?" He shrugged his shoulders

Police:"this is not a hotel princess! This is my kingdom and I can do whatever I want now move it!" He pushed me in the cell "scar I bought you a beautiful wife there teach her some manners!" They laughed

Scar:"don't worry bozza she'll have manners tomorrow!" She said that licking her lips

Police:"enjoy!!" He whistle walking away

At the hospital wendy was so much pain and the doctors were trying everything to save her and the baby even though they can see that the baby is not going to survive. Meanwhile at kutlwano's parents house kutlwano was going crazy and he wanted to go the police station to help bonolo but something was stopping him from walking out of the door so he's mother finally came back home and he rushed to her

Kutlwano:"and!? Is she out!?" His mother shook her head no and he rubbed his head "ma we have to get out of there okay" his mother sighed

K'mom:"your father and his team are doing everything in their powers to get her out! Please calm down cause you are driving me crazy" he stopped walking and sat down "that wendy girl isn't helping us at all ey! I told her to go the police station and tell them everything but she refused!" Kutlwano felt like something is leaving his body then he closed his eyes and saw a his grandparent holding his baby girl and he cried "junior what's wrong!?" She asked with a worried voice

Kutlwano:"she's gone ma!! My princess is gone!" His mother hugged me tight and cried with him "I know that I didn't want kids with wendy but it hurts ma!" His mother didn't know what to say so she just hugged him....back at the hospital the doctors told wendy that she lost the baby and she screamed so loud

that the doctors gave her something to make her sleep then they called her brothers. Everyone arrived at the hospital and they were told that the baby couldn't make it

Advertisement

the family was so heartbroken and they felt like they might have a curse cause bonolo is in jail and now wendy lost her baby. At the station bonolo was scared of sleeping cause scar and other ladies were looking at her like a piece of meat, she was praying so much in her heart for protection then as scar was walking to her a police man opened the gate and called bonolo so she ran out relieved. She saw Mr mokwena arguing with the police man who bought her in then few minutes they stopped arguing and Mr mokwena walked to her

Mr mokwena:"I'm sorry you had to spend the night here and I also apologize for my brother's behavior!" Her eyes popped out

Bonolo:"eh he's your brother?" He nodded then they started walking out

Mr mokwena:"we have some issues that we haven't sorted out so he's taking out those issues on the people who are close to me! Uhm should I take you to the hospital or home?" She looked at him confused

Bonolo:"what's going on in the hospital!?" He sighed

Mr mokwena:"your sister lost her baby!" She puts her hands on her mouth

Bonolo:"oh my god!! Can you take me there please!" He nodded and they drove to the hospital few minutes they arrived then she saw her mother and ran to her "mama where's wendy?" She hugged her

B'mom:"let's go to her ward!....mr mokwena thank you so much for getting her out!" He nodded

Mr mokwena:"she's going to be my daughter inlaw so that makes us family!" She smiled then they went to wendy's ward and found her looking at the window

Bonolo:"sis I'm sorry!" She hugged her and she cried

Wendy:"I deserve everything that coming my way Nolo! Daddy warned me not to take the muti and I didn't listen to him now look what happened!" bonolo and her mother felt sorry for her "I'm also paying for my mother's sins.....I'm so sorry for everything that I've done to you mommy k!" bonolo's mom held her hand

B'mom:"you did nothing wrong to me wendy! And don't we are going to fix this together as a family okay!" She nodded then kutlwano walked in and they looked at each other for a while

Wendy:"I lost our baby junior! I'm so sorry" he walked to her and hugged her then bonolo walked out with her mother

Bonolo:"what's going on in our family mama!" She sighed

B'mom:"zandile and Victoria has put a very dark cloud in our family ey! We need to fix this very quickly before anything else happens" they sat down on the beach

BONOLO

It's has been three days since I got out of jail and lost someone who I actually saw a future with, I don't think I'm ever going to kutlwano's house again cause I feel like there's bad spirit in there. I'm not angry at kutlwano at all because I know that he's probably blaming himself and he also a baby so he's going through a lot right now, Matthew is getting buried on Saturday and I don't think I'm ready to say goodbye yet but I know I have to do this cause he saved my life. I was woken up by small hands touching my face then I slowly opened my eyes and I saw my beautiful niece tsholo

Me:"morning my barbie!" She smiled and I picked her up "where is everyone huh? Did they tell you wake me up!?" She giggles then I got out of bed and wore my slippers, I went to the kitchen "euw what's that smell!?" Mom's eyes popped out

Mom:"I'm making your favorite breakfast and you have never said that before!" I put tsholo on her chair then I ran to the bathroom and vomited "nana when last did you see your periods!?" I rinsed my mouth

Me:"I'm not pregnant if it's what you want to say mama!" She squeezed my breast "mama!! That hurts bathong!" I went to my room and changed my PJs

Mom:'how long have you been dating Matthew?" I look at her confused

Me:"eight months why?" She sighed then sits on my bed

Mom:"he left you a gift nolo! You are pregnant" I shook my head no

Me:"I'm not pregnant mama maybe I'm catching a flu or something!" I looked at myself on the mirror and I saw some changes on my body

Mom:"your sister just lost her baby and now you are pregnant! This is going to hurt her ey!" I remembered the first time me and matt made love

Advertisement

it was so romantic and he was super gentle "bonolo stop smiling! Can't be smiling when your sister is hurt and please go to the doctor just to be sure!" I looked at her

Me:"are you angry at me?" She got up and I followed her "mama I didn't plan this okay? And you know that pills and those needles are not 100% accurate so I don't understand why

you are angry instead of being happy for me!" she turned around and looked at me

Mom:"what about your dreams huh!? what about school bonolo! you were supposed to go to university next year ankere that's what you wanted mara nou you are pregnant so that won't happen!! and I can't be happy for you while I'm heartbroken for wendy!" she walks away and I went to my room

Me:"oh god please help me!" my phone rang it was the sangoma who helped us "hello!" I sat on the floor

Her:"come to my house so I can give you something to bath in it then go to kutlwano and kiss him before midnight" she hung up before I could say anything so I got up and went to shower

WENDY

Last night I dreamt my mother and zandile apologizing for everything that they have done and I immediately woke up because I hate them! they left a darkness in our lives. I wonder how junior is wherever he is cause he never came back after we had a moment, I want to fix things with everyone I've wronged because I feel like I lost my baby cause of the wrong things I did. I'm getting discharged today and I wish I had my own

house so I don't bother anyone else ey! my brother walked in and he hugged me

Success:"how are you feeling today!?" I shrugged my shoulders

Me:"did you see this coming!?" he nodded then I sighed "you could've warned me you know maybe it wouldn't be hurting so bad!" he holds my hand

Success:"trust me I wanted to tell you but I couldn't okay! you were so excited to be a mother and I saw that you were trying to change too" I'm not angry at him cause I know that he was trying to protect me

Me:"so where am I going?" I don't want to go to his house cause he has kids

Success:"you are going to stay with mommy k and don't worry about tsholo she's going to her father's place so that mommy can take care of you okay!" I nodded then he put me on the wheelchair and we walked out

Me:"do you know why Victoria and zandile were apologizing for!?" I heard him sigh

Success:"are you sure you want to know the truth?" I nodded "they sacrificed your baby to get rich....well they wanted to sacrifice bonolo's babies to get rich but the witch sangoma made you to lose the babies!" what the hell!?

Me:"you mean if I ever get pregnant again I'm going to lose the baby again!?" he holds my shoulder "why didn't the witch do as she/he was told to do huh!?"

Success:"wendy there's something you should know!" what now!? "the witch couldn't do that to bonolo because dad was protecting her! and she's kutlwano's chosen one" I chuckled

Me:"you are joking, right!?"

Success:"no I'm not wendy! they're meant to be together even if you didn't marry kutlwano they were going to meet some day!" I stop the wheelchair and I slowly got up

Me:"I'm starting to think I don't belong in this family! why didn't daddy protect me huh? don't I deserve some happiness too! I love junior and I'm going to fix our marriage so tell bonolo and the ancestors that they must stay away from us!!" he shook his head

Success:"you haven't learned anything neh!? they are going to be together whether you like it or not!" I got in the car and we drove off

KUTLWANO

Everything is slowly getting back to normal and I'm planning on selling my house because there's bad memories! I was stalking bonolo on social media and I saw that she was very happy with her late boyfriend that I killed. I curse the day I met wendy cause she almost ruined my life and reputation, I was busy with work then my mother walked in smiling like a little girl....I'm at their house

Me:"and then!?" she giggles

Mom:"bonolo is here to see you" my heart started beating up so fast "come she's at the garden!" I got up and went outside

Me:"hey!" she turned around and looked at me...wow she looks beautiful

Bonolo:"hey! how have you been?" we sat down on the bench

Me:"I'm getting there! and you? nolo I'm sorry fo...." she cuts me off by smashing her soft lips on mine and we kissed for a while then she pulled out, I suddenly I felt like vomiting so I ran to the bathroom few minutes i came back

Bonolo:"how do you feel now!?" amazing

Me:"I feel great! what just happened?" she chuckles

Bonolo:"apparently I'm your chosen one so I had to kiss you before midnight....what happened to you right now was the potion getting out of your body!" wow

Me:"and how do you feel about this chosen one thing!?" she sighed

Bonolo:"I'm pregnant kutlwano and I just lost my baby-daddy...you lost your baby so I don't know how to feel about this!" I hold her hand

Me:"I think we both need space to figure out everything and we will meet again about this!" we looked at each other for a while

Bonolo:"would you be okay raising another man's child cause I feel some connection between us" I feel it too

M:"i don't have a problem with the baby cause he saved your life when i was so close of killing you and I will always be grateful" damn! she so gorgeous

Bonolo:"i think wendy is not going to be happy about this!"

Me:"don't worry about her okay I'll handle her! how far are you?" she smiled and rubbed her stomach

Bonolo:"two months pregnant" I nodded "I'm sorry...i di.." i cut her off

Me:"don't apologize for being happy about your baby nolo! yes I lost my baby but I knew it was going to happen so it doesn't hurt so much okay!" she nodded then we talked about random things

BOKAMOSO

I got a call from my mom and she didn't sound good at all so I finished everything was doing then I drove to the house and I found her doing some gardening

Me:"hey mama what's wrong!?" She sighed then we went to sit down "is wendy here!?" She nodded

Mom:"she's resting! I want us to talk about your little sister nolo" okay this is serious "she's pregnant bokamoso!" I looked at her confused

Me:"and you are not happy because?" She looked at me like I'm crazy "mama nolo is no longer a child okay and being pregnant doesn't mean her dreams are going to stop if that's what bothering you!" She chuckles

Mom:"you seriously don't see anything wrong with this bokamoso!? Her sister just told her baby for heaven-sake!" I sighed

Me:"mama we are all sad that wendy lost her baby but nolo is probably very far from giving birth and I'm pretty sure wendy will already be healed from her loss"

Mom:"I just wished she finished school first before getting pregnant and she's going to be a single mother" I shook my head no

Me:"she's not going to be a single mother mama she's going to have support from us and Matthew's family so stop worrying!" Wendy walked to us with her bags

Mom:"where are you going!?" She sat down

Wendy:"I'm going back to my husband and please tell bonolo to stay away from my husband!!" Here comes another drama

Me:"wendy haven't you learned anything about this whole thing!?" She rolled her eyes "don't you dare roll those big eyes at me cause I'll beat you up so bad that you end up in hospital again!" She swallowed

Mom:"wendy my girl can you please heal first then you can go back to your husband with energy hle!" I'm pretty sure kutlwano is preparing the divorce papers

Me:"mama please talk to nolo okay she needs your support more than anyone else!" She nodded and I got up

Wendy:"can you please drop me off at junior's house!?" I shook my head no

Me:"stay here and heal before you see kutlwano! But I think you are wasting your time ey!" I walked to my car and I called

success he has to do something about wendy cause she's going to get hurt

Success:"she doesn't want to listen to me too so I was hoping that you can take us to the sangoma who helped you" this guy is getting weirder everyday

Me:"uhm I'll call her and found out if she's available!"

Success:"okay cool!" I hang up the phone and drove off

KUTLWANO

My lawyer told me that the divorce papers are ready so I'm going to fetch them then I'm personally giving them to wendy

bonolo and talked about us and our future! We decided to focus on ourselves for now so we can be ready for our relationship. I arrived at my lawyer's office and I found Wendy there crying

Lawyer:"ah mr mokwena'jr I'm glad that you are here cause she doesn't want to leave and I have to go somewhere" I looked at Wendy

Me:"go to my car I'm coming!" She took my car keys and walked out "what is she doing here?" He shrugged his shoulders

Lawyer:"she saw these papers and started to cry!" He gave me the papers and I went to my car then I got in

Me:"I did love you wendy but you let money change you then your mother heard that I was planning on dumping you and she threatened my parents! Please sigh the papers and move on" she shook her head no

Wendy:"you can't give up on our marriage for my little sister junior! I can be the woman you want okay! You pushed me to start my own boutique and I know if you push me harder I'll be the woman you want...your dream woman!" I sighed "please don't give up on us! We lost our baby girl and she somehow brought us together so give us a chance!" She holds my hand but I moved it

Me:"wendy please just sigh the papers! I'm not going to be in a relationship where I'm not in love with you okay so please" she sighed

Wendy:"do you love her!?" I nodded "okay how we try a polo..." I cut her off

Me:"hell no I'm not doing that kinda relationship and I don't believe in having two wives! Sigh the damn papers wendy!!" I

threw them at her "you'll find a guy who will love you only okay!" She shook her head

Wendy:"bonolo doesn't know anything about relationships or marriage junior! She's still young and has big dreams" I'm starting to get pissed off right now

Me:"wendy wee sign the papers and get out of my car!" She tare them up and got out of the car "you will sigh them whether you like it or not!!" I drove off

BONOLO

I'm at Matthew's parents house and I just told them the good news...they almost jumped on me when I told them but I don't think his sister is happy because she's looking at me weirdly.

Me:"why are you looking at me like that!?" Everyone looks at her

Dianna:"I want DNA tests before I get happy" what!? "I mean your boss is the one who shot my brother and you took the fall for him! So how are you sure that baby is Matthew's!?" Is she serious right now

M'mom:"Dianna what are you trying to say here!? You know very well that Michelle has to do that cause her boss wasn't on the right mind!" She chuckled

Dianna:"I think you two were fucking behind my brother's back" I'm not surprised cause she never liked me that much "okay okay if that Matthew's baby then you wouldn't mind us taking her/him" is she saying what I'm thinking

Me:"you want to take my baby away from me!?" Everyone looked at her and she nodded "what!? This is my baby too Dianna and I love your brother so much! Why would you want to take a gift that he left me with huh!?" I said that getting up

M'mom:"Michelle please calm down my baby!" I sat down and breathed "Dianna what the hell is wrong with you huh!? If you don't believe that this baby is Matthew's then there's the door!" Her eyes popped out then she looked at her dad

M'dad:"i agree with your mother! I don't know why you hate Michelle cause she was nothing but great to your brother and she was always with him on his last days making him very happy!" She got up

Dianna:"she's still young and I think the baby will be better with us then with her!" I'm leaving

Me:"you are not taking my baby away from me cause I'm the mother and the court won't agree to this madness!!" She blocked me

Dianna:"I'm going to do everything in my powers to get this baby so you better be ready for war!" I shook my head then I pushed her aside and left

WENDY

There's no way I'm going to let bonolo take my man just like that and I heard that she's pregnant so what more does she want huh? She should focus on her pregnancy and stop going after my man! I'm going to have a serious talk with her as her big sister and a married woman

I arrived home and I found her eating so I switched off the tv then sat next to her.

Me:"congratulations on the pregnancy!" She swallowed "don't feel bad okay you didn't plan this! So how is your relationship with my HUSBAND going to work if you are pregnant with other man's kid?" She sighs

Nolo:"wendy kutlwano and I are not in a relationship okay we are going through a lot of stuff so we decided to be friends!" I chuckled

Me:"do you think that I'm stupid! I've seen how you look at each other so you better stay away from my HUSBAND!" She shook her head chuckling

Nolo:"I have many problems wendy and stop talking like you love kutlwano when you don't okay! You love his money not him and leave me alone!!!" She got up and walked away

Me:"STAY AWAY FROM MY HUSBAND!! YOU WHORE!" I
swallowed when I saw mommy k

Mommy-k:"did you just say my daughter is a whore!?" Shit!
"Wendy this is my house and I'm a praying women so please
keep your nasty words outside!! and don't you dare call my
daughter a whore cause she never slept with different man like
you!" She went upstairs and I sighed then I got a call from lee

Me:"I just called my little sister a whore because she's
kutlwano's chosen one!" she chuckles

Lerato:"let kutlwano go because he is going to divorce you
whether you like it or not! and don't blame bonolo for this
cause she didn't this too hao!" She hang up

Me:"oh wendy no one is on your side!" I went to drink water
then success walked in and I rolled my eyes "what are you
doing here!?" he gave me a death stare

Success:"sign the papers and you can talk to me! Where's nolo
I'm here to see her" wow she's taking my brothers too

Me:"she's in her room" he went upstairs

MATTHEW'S MOTHER

I seriously don't know what's going on with my daughter
Dianna! Matthew left us a gift and she wants to take it away

from us but I won't let that happen. after Michelle left we all wanted to know what the hell is wrong with her so we were all looking at her

Me:"care to tell us what's going on with you?" she sighs

Dianna:"we all know that we don't like black people so why we should let that girl raise our blood!" I chuckled

Me:"you are the one who don't like black people cause you are punishing them for one person! Dianna stop with your nonsense and focus on your marriage!" she looked down "I'm not going to let you ruin our lives just because you ruined yours! Matthew left us a gift so I'm not going to let you take it away from us!" She should give her husband kids instead of ruining people's lives

Dianna:"daddy are you going to let her talk to me like that? I want the best for my niece or nephew okay!" Everyone shook their heads

Hubby:"I'm sorry to say this ..when are you giving your husband kids cause you have been married for three years now! I'm pretty sure he is ready to have a family" she started crying

Me:"don't you dare give us crocodile tears Dianna! Your husband always calls your father about you so what's going on with you?"

Dianna:"how can you be so heartless huh?that girl is young so im doing her a favour!" I laughed

Me:"a favour! You taking her child away from is a favour!? Go home and make your kids!!" She got up and ran out

Hubby:"she's being a spoiled brat now! All her siblings has kids so what the hell is she waiting for?" I sighed

Me:"I just pray she won't offer Michelle money or threaten her!" I got up and went to the kitchen to start dinner

KUTLWANO

I got call from my parents and when I got there the healer of the family was also there and he told me some bad news. Unfortunately bonolo has to give Matthew's family the baby as soon as she gives birth or else she's going to be punished, I mean why do they do this huh? We are talking about her kid here and the part that they're going to punish her I don't get it because we are not married yet.

Me:"can't you do something?" He shook his head no

Him:"you two have to get married as soon as she gives birth or else one of you will be blind!" Now they're forcing us to get married

Mom:"this is too much! They both need to find themselves before they get married bathong! and as for bonolo to give her child away is not right she might my son!" Mom is right

Me:"do something ntate'sethole I don't want her to hate me hle!" He sighed

Him:"I'm afraid I can't do anything my children! I only deliver a message and help people!" He got up and went outside

Dad:"this is messed up ey! Why do things have to be so complicated" I got a call then I answered it

Me:"what's up!?!...what!?!.....when!?!....okay I'm coming!" I got up

Mom:"what's going on!?" Ntate'sethole walked in

Him:"if you go there she's going to hate you more!" I don't care

Me:"I'm not going to sit back and wait for miracles okay! I'm going to save her!" He shook his head

Him:"someone is coming!" We looked at the door and we couldn't believe our eyes

Me&parents:"YOU!!!" My life is full of drama

Mom:"I don't want this witch in my house! Wena get out of my house now!!" Mom chased her out

BONOLO

After my brother success told me that Dianna is planning something dangerous and I might lose my baby so I went for a walk then boom! The next I saw four guys and they took me in a car. Few minutes or hours I was woken up by cold water

Voice:"wake up bitch!" I couldn't see the person cause the room was so dark "today I'm getting rich ey! You are going to make me super rich!" The person laughed

Me:"where am I! Help help!!" The person laughed so hard

Voice:scream bitch! But guess what no one will hear you!"

Me:"who are you and what do you want from me!?" I heard footsteps coming closer "please don't hurt me! My family is not rich please don't hurt me please!!" The person touched my thighs

Voice:"she's beautiful! I think I should make her my wife instead of selling her" no no no god please protect me

Voice:"but boss I thought you want money! And we need to move her before her boyfriend comes here!" I don't have a boyfriend so who are they talking

Boss:"don't piss me off! Who said that I'm scared of that wannabe gangsta huh? I've been in this game for a long time so don't tell me about that little boy!" I tried to move my legs but I couldn't "you won't be able to move sweetheart so stop doing that!!" He kissed my cheek

Me:"please let me go I promise I won't tell anyone!" They laughed

Voice:"I don't think anyone will believe you even if we let you go cause you can't see us and we didn't hurt you!" Dear god please protect me from evil and please help my family to find me quickly before these guys sells me

Boss:"you can pray all you want sweetheart no one will find you cause we are leaving tonight! Prepare the jet and a ID for her!" Why me huh? What did I do to deserve this!?

Voice:"okay boss I will let know when we leave!" I heard footsteps I guess he's gone

Boss:"so sweetheart how old are you!?" He squeezed my thighs

Me:"please let me go home please!" He chuckles

Boss:"sweetheart if I take you back home then I must kill you first cause I don't want any trouble okay now stop crying!" He walked out

FOUR DAYS LATER

BOKAMOSO

Everyone is going crazy and the stupid police keeps on asking same questions everyday! I mean we did everything they wanted so don't they go out there and look for my sister huh!?. Success is blaming himself and he says he will never forgive himself if anything happens to Nolo! even wendy is blaming herself for being hard on her. Whoever took my little sister better make sure that they have a funeral cover or they left their families something because I'm going to kill them! I know kutlwano is a gangsta so I'm going to see him and find out what's going on....I arrived at his new house and he met me halfway.

Me:"please tell me you have something bro!" he sighs "that's bad news!" we sat down

Kutlwano:"the person who took her is very clever and covered everything so it's very hard to find her!" I rubbed my face "believe me when I say that we haven't been sleeping at all! I'll not rest until I find her" oh god

Me:"I know you are doing everything you can to find her and I really appreciate it! but the thing is my mother doesn't want to

eat and everyone is blaming themselves so I don't know what to do or say!" he sighs again

Kutlwano:"i looked at Matthew's sister and she's not the one who took her! and I doubt that my enemies knows that she's close to me that way" so who took my little sister?

Me:"do you have any ex!?" he looks at me for a while then he ran upstairs and few minutes he came back

Kutlwano:"she came to my house after I got a call saying that bonolo was kidnapped so she must be watching us this whole time!" he looks very angry

Me:"is she dangerous!?" he shook his head no

Kutlwano:"she's not dangerous but her father would anything to make her happy and he's into human trafficking!" my eyes popped out

Me:"you mean he might sell my little sister!?" he nodded and I got up "bro it's has been four days since she's missing so it be possible that he sold her!

right!?" he nodded again

Kutlwano:"i have someone inside his operation so I'm talking to him right now! please calm down" I sat next to him

Me:"do you trust this person!?" he chuckles

Kutlwano:"no I don't trust him but I have something that could ruin his life and put his family in danger so he has no choice to help me" I nodded then some guys walked in "tech I think who took nolo so go upstairs and rest I'll wake you up when I have something" they nodded then they went upstairs

Me:"once we find nolo I'm going to thank you guys with a boys trip because you deserve it!" he smiled

Kutlwano:"i don't need it because she's my wife and I would do it again if I have to!" he's going to treat my sister like queen

NARRATED

Girl 1:"it nice doing business with you ladies! I hope we'll meet again soon" other girls shook their heads no

Girl 1:"see you soon bye!" they went their separate ways

KUTLWANO

Before wendy I dated this crazy bitch named Monica, we were engaged even though our fathers hated each other and my father was so close to disown me but luckily I found out that Monica was cheating on me with my cousin and she was going to tell me that she's pregnant with my baby when she was not!. Somehow that didn't hurt me at all and I used wonder why cause she's my first girlfriend and we dated for four years but nose I understand why! We have their location and we are flying to Ghana tonight so I was busy preparing our guns then my parents walked in and sat down

Dad:"junior please sit down!" Okay what's going on? I sat down then few seconds I heard groans and a woman walked in

Women:"I'm here to make you and your team very strong because you are going to a very dangerous place (groans) she's waiting for you my prince! So please allow me to take look at your house!" I nodded then she got up and walked around

Mom:"it turns out that the healer of our family has been lying to us for years! Your father was the one who supposed to sit on that throne of the mokwena kingdom not your uncle!!" What!?

Dad:"they've been working together even since your grandparents announced that I was going to be the next king! You know I expected this from your uncle lerumo not kagiso" I can't believe this! Guys don't wish to be royalty or marry a royal person cause there's a lot of drama ey

Me:"so what happens now!? Wait so nolo doesn't have to give away her child

Dad:"he wanted to sacrifice the baby to get more powerful ankere Matthew was a gifted person so somehow he found out!" I'm going to kill him! "Don't worry he's already died!" I looked at him and he chuckled

Mom:"he reads minds now" we laughed "junior please be careful and bring makoti back home safe hle! She's carrying my grandkids" I smiled

Me:"don't worry ma I'll bring her safe" the women came back followed by my crew

Woman:"take me to the princess's house now!" we got up and left

Me:"listen here wena dianna! bonolo is carrying your niece or nephew not your kid okay so if you don't want to ruin your body then talk to your husband about getting a surrogate because there's no way I'm going to let you take nolo's baby away from her! Mommy k:"i said make tea....mxm nevermind come and sit down!" I followed her then few minutes some women walked in

Me:"Mommy k what's going on!?" I whispered

Mommy k:"she's going to help us find your sister!" I'm soo dead!

MATTHEW'S MOTHER

I have a feeling that Dianna has something to do with Michelle disappearing but I can't confront her because I'm scared that she might hurt her!. yesterday her husband told us that Dianna doesn't want to carry her own kids because she doesn't want to ruin her body! every women wants to carry their own kids and to connect with them so what the hell is wrong with my daughter huh!? I mean I carried her and her siblings for nine months!. my husband is so stressed and he's blaming himself for Dianna's actions cause he used to rescue her when she got

into trouble and spoiled her a lot! I hired a PI to follow Dianna and he said that he has something for me so I went to meet up with him at the restaurant. I arrived and he raised his hand for me to see him so I went to the table and sat down

Me:"please tell me the news already!" he sighs

PI:"I'm afraid that I have bad news for you! your daughter and her ex best friend asked some girl to kidnap Michelle so as well speak now she's in Ghana and the girl's father is into human trafficking!" oh my god!!!

Me:"you mean that they must've sold her already!?" he nodded

PI:"that guy is very dangerous and I think he might've killed your grandkid!" tears came out

Me:"thank you!" I gave him his money and I walked to my car then I drove to Dianna's house "DIANNA!!! DIANNA!!!" she came out and her eyes popped out when she saw that I'm pointing her with my gun

Dianna:"mom what are you doing!? please put the gun down and tell me what's going on!" I chuckled

Me:"don't play dumb with me dianna! do you have any idea what you have done huh!? you killed your brother's child!!!!" she walked to me slowly

Dianna:"mom I didn't kill anyone okay! did you drink your pills today?" I shot her leg and she screamed

Me:"I'm not crazy! why did you have Michelle kidnapped knowing very well that she's pregnant with your brother's child NOT YOURS huh!? what kind of a women are you huh!?" she tried to stand up but I pushed her down "don't you dare move cause I'll shoot you again!" she started crying

Dianna:"mom I'm sorry please forgive me okay! what don't know what's going on with me please help me!" her crocodile tears won't work on me

Me:"I'm going to kill you Dianna and guess what I'm not going to feel guilty about it!! you took away a gift that your brother left us! you don't deserve to live my daughter and your husband is better off without you cause you don't even love him!" she shook her head

Dianna:"mommy please!! I promise I'll be better please don't kill me!" I looked at her for a while then I got in my car and left her there crying

BONOLO

I almost lost my baby the other day because the person who prepared my food put too much of something bad for the baby! Thank god the doctor gave them a list of what should I eat and what I shouldn't eat. I don't know what do these people want from me cause I'm not famous or anything so why am I here!? I miss home

Advertisement

I miss my family and somehow I really miss kutlwano! God please help my family to find me and also protect me from these people because I don't know what they are going to do with me. I was reading a book then the door opened and a gorgeous lady walked in she looks familiar though

Lady:"hello Michelle! I'm Monica your kidnapper!" She sat down as I looked at her confused then she laughs "girl I know that I'm gorgeous okay stop looking at me like that I'm into men!" Mxm even if I was into girls I wouldn't go for her

Me:"what do you want from me?" She pointed at my stomach "my baby!? Why!?" I said that getting up

Monica:"okay okay calm down sweetheart! We don't want to lose this y" I breathed in and out

Me:"don't call me sweetheart! My name is bonolo Michelle banda!!" She chuckles

Monica:"I guess my daddy wants to make you my stepmother hence you are still alive! Please don't force me to call you mom cause you are way younger than me" she laughs

Me:"I would rather die than marry your father!!! Just tell me why you want my baby!!!" She sighs

Monica:"please calm down okay! I'm not going to take your baby away from you cause that girl doesn't seem like she's fine upstairs!" She pointed at her head

Me:"which girl are you talking about!?" I looked at her for a while then it clicked "dianna sent you to kidnap me!?" She nodded

Monica:"and your sister too! Wendy wants you to stay away from my ex junior and your sister inlaw wants your baby because she doesn't want to carry her own kids cause she doesn't want to ruin her body!" What the hell!!!

Me:"I can't believe this! I didn't ask to be kutlwano's chosen one and I didn't ask to be pregnant so what the fuck is their problem huh!? Argh don't answer that!" I lay down on the bed and I put a pillow on my head

Monica:"don't let them get to you okay just think about the little one and I'll deal with them!" she walked out cause I heard
heals

BOKAMOSO

after the women that came with kutlwano and his parents left we all looked at wendy because we were told she had something to do with my sister disappearing! I think everyone in this room is ready to kill her cause I see the looks. I wanted to say something but I was interrupted by my phone ring so I went outside and I answered it

Me:"hey baby what's up!?" it's Lerato

Lee:"hey babe uhm I'm sorry for interrupting you but I need you to come home because my parents are here to fetch me and I don't want to go!" she sounds like she has been crying

Me:"I'm on my way!" I went to take my car keys then I drove to my house and I found lee's parents drinking tea and some women was busy shouting then she kept quiet when she saw me "dumelang bagolo!" i shaked their hands then I sat down

Lerato:"mama, papa lwena rakgadi this is bokamoso banda my boyfriend as I was trying to tell you earlier on but you didn't

give me a chance!" her father smiled and the women looked down I think they're embarrassed

L'dad:"I'm sorry we didn't give you chance to explain my princess! now I know why you don't want to go ey you've found a man here and I can see that he treats you good too!" she smiled "my son actually knew your father and I can see him in you! but I have to ask this question okay what are your intentions with my daughter!?" I hold her hand

Me:"mr moloi i love your daughter so much and I can't wait to make her my wife because she pushed me to be where I am today! there's something issues at home that I need to fix but as soon as we are done I'll send a latter!" they all smiled

L'aunt:"and what about the mother of your daughter!?" lerato cuts me off

Lee:"she's our daughter rakgadi! and unfortunately her mother was killed few months ago so I adopted her" her parents smiled even more

L'mom:"oh god my daughter has grown up bathong! if you are happy then we are happy too rato!" they hugged

L'dad:"let us leave you young kids and my apologies for interrupting you my son!" we shakes hands

Me:"it's okay mr moloi I understand where you were coming from" they left

Lee:"I'm sorry about that babe! my parents can be very overprotective sometimes" I kissed her

Me:"you are their only baby girl so they have to be overprotective" she rolled her eyes

Lee:"is there any news!?" I sigh then we sat down and I explained everything

NARRATED

kutlwano and his crew flew to Ghana ready to rescue bonolo! the plan was to take bonolo and get out without killing anyone but they changed it because Monica's father deserves to die. hours later they finally arrived and they immediately went to Monica's house cause that's where bonolo is! they barged in and they found Monica having sex with her boyfriend on the couch

Monica:"what th....JUNIOR!?" she covered herself with a small blanket

Kutlwano:"where's my wife!? and don't you date lie to me!!" she looked at him for a while and now she understands why wendy is so obsessed with him cause he has changed since she last saw him "jeez monic your boyfriend is right next to you and

you are busy drooling over me!" she snapped out of it cause her boyfriend pinched her

Monica:"junior if I was you I would leave right now because you know how dangerous my father is!" he chuckles

Kutlwano:"you mean that old man is dangerous!? mxm I'm not scared of him now tell me where's my wife before I kill you!!" she swallowed then she pointed at the last door and he went there and found nolo reading "mamokwena!" nolo looked at him and she ran to him

Nolo:"oh god thank you thank you!!" they hugged for a while then they heard gunshot

Kutlwano:"don't be scared I'm here okay!" she nodded then they walked out and found Monica's father on the floor

Monica:"daddy wake up!!dadddddyyyyy!!!!" kutlwano rolled his eyes and his crew chuckled

Kutlwano:"oh Monica stop being a baby bathong! you are old enough to take care of yourself!" he took nolo's hand and they walked out then BAM BAM!!

WENDY

Everyone hates me right now and I don't blame them! I mean what I did was horrible and she's my little sister for heaven sake!!! I just realized that I'm obsessed with junior that's not good at all because the last time I was obsessed with someone I almost went to jail. I have been trying to call Dianna and that girl Monica but none of them is answering their phones so I'm very scared right now ey what if they killed nolo!? Oh god please protect my sister!. I'm packing my bags cause I think my family would be better off without me and no one will miss me anyways, as I was busy packing up mommy k walked in and sat on the bed

Mommy k:"running away won't help you with anything wendy! and where will you go huh!?" I shrugged my shoulders then she sighed "wendy if I let you out that door I'll be a horrible parent so stop doing that and come downstairs!" She walks out then few seconds I went down and I found my brothers

Success:"you are very lucky that nolo is still alive or else I would've killed you!" I swallowed and I slowly sat down

Mommy k:"we are all family and we are going to fix this problem together! your mother ruined wendy so much that she

doesn't even know how to know that she's doing the right thing or not so I blame her for everything! wendy there's a rehab for people who are obsessed with money and people so we are going to book you in for six months because next you won't be so lucky okay" I nodded wiping my tears

Wendy:"I wish you were my mother cause I wouldn't turned out like this and I promise you I'm going to get the help I need because I don't want to live like this!" they nodded

RJ:"we want the old wendy back! the one who loved to help people and she wanted to be a doctor so this is your last chance little sis! make us proud okay" I seriously don't deserve this ey

Success:"I'll be watching you okay! but before we book you in

Advertisement

you have to go to Victoria's grave and tell her to let you go because she's the one who I blocking your dreams!" what!?

Me:"why would she do that!? oh god I wonder what other things she did ey" she knew how much I wanted to be a doctor

Mommy k:"do you want me to go with you!?" I looked at her then I hugged her tightly "oh wendy don't cry my baby! I'm a christian women and I'm the only mother in the family so it's my job to take care of you guys!" I slowly let go and looked down

Me:"you are an wonderful woman mommy and you deserve a award for being the best mother of the year!" she giggles

Mommy k:"oh stop it! I love you guys and your father would be so angry if I didn't take care of you" that's true

Success:"I could already see his face right now!" we chuckled
"uhm i have to go now so you'll call me when you come back from Victoria's grave neh!" i nodded then he left

KUTLWANO

Monica shot one of my crew members on the leg then she shot herself in front of her boyfriend the other day I guess she really can't live with her father ey!. nolo was traumatized for few hours but she's doing okay and I'm glad we came at the right time because Monica's father was actually planning on killing the baby and force nolo to marry him! mxm that old man couldn't get some his own age. Today we are going back home and I think it's time I make nolo my wife so that she can be protected by me and the underground gang....I walked in our room and I found her at the balcony

Me:"hey! we are leaving in few hours" she turned around and looked at me

Nolo:"are you a gangsta!?" I nodded then she sighed "does that mean I have to get trained for in case you are not around!" I chuckled

Me:"you watch lots of movies mamokwena!" she giggles "you get trained after birth even though you don't need to do that but I think it's a great idea!" she smiled

Nolo:"thank you for saving me! I don't know what would've happened if you didn't find me" I hugged her then kissed her forehead

Me:"nothing will never happen to you as long as I'm still alive okay!" she nodded "uhm i have been thinking about us, I know that we agreed to fix our lives before we get in a relationship but I think it's time for us to introduce you to my underground gang for protection and I'm ready to be your husband!" she looks at me

Nolo:"if you are proposing then you are not very romantic Mr mokwena! surprise me and I might say yes" she kissed my cheek and walked inside then I went to my crew's room

Me:"guys I need your help!" they looked at me "I want a ring and organize a restaurant then make it romantic too" they chuckled

BK:"finally bro! we've been waiting for your wedding jeez!" I shook my head then some man got in "uhm sir are you lost?" he sat down and looked at me

Man:"I've been waiting for you guys to come down anyways I'm kagiso banda and you are going to be my son inlaw!" what the fuck

Me:"bonolo's father died for years ago so you better get up and leave before I kill you!" he chuckles

Mr banda:"I'm glad that my daughter is in good hands! I faked my death because....." he explained everything and we couldn't believe it

MOMMY K

I believe in giving other people chances and I can't judge people so that's why I want wendy to get help because she has a bright future. I decided to call Matthew's mother and tell her that nolo has been found and I want to know how is this relationship going to work because I don't want drama....we are meeting at McDonald's.

M'mom:"now I see where Michelle gets her beautiful smile" we hugged then sat down

Me:"thank you but she gets her smile from her father! uhm i wanted to tell you that she has been found and they are coming back tomorrow so I wanted how is this relationship going to work?" she sighed

M'mom:"we would love part of the baby's life and a schedule would be great to avoid drama" I nodded

Me:"that's a great idea so we'll wait for Michelle to give birth then set up everything okay!" she nodded then we chatted for a while then I went to bokamoso house

Lee:"oh hey mommy!" she hugged me then we walked inside

Me:"I miss my angel so I thought I should come and see her" tsholo ran to me and I picked her up

Lee:"we were actually planning on coming to you this weekend because she misses you too!" we sat down then bokamoso came out of his study looking like he saw a ghost

Me:"moso are you okay!?" he looks at me for a while then sat down and rubs his head

Lee:"babe what's wrong? you are scaring us!" he sighs

Bokamoso:"mama can I ask you something!?" I nodded "uhm when papa died did you see his body!?" okay what's going on now

Me:"only your uncles saw him why!?"

Bokamoso:"i don't want to freak you out neh but papa is still alive!" I chuckled

Me:"stop joking moso it's not funny hao!" he showed me a video of his father talking to kutlwano and I suddenly couldn't breathe then lights out

TWO YEARS LATER

BONOLO

Ah where do I even start ey! So I gave birth to twins boys and they're thee most cutest boys ever. I'm soo grateful for the support I get from kutlwano's family and the way they love boys so much is surprising sometimes because not everyone would do this! I'm now Mrs kutlwano mokwena'Jr and I'm a businesswoman too well I just opened my company few months ago and it's doing very good. So as you know that my father is alive and I've been avoiding him since I found out because I'm not to see him yet! How can he do this to us huh? He messed up our lives then he comes back to wherever he was and expect to us to have a normal life! Mxm I can't shame. I was woken up by kisses all over my face then I slowly pushed him off me and he chuckled

Me:"that's ticklish mokwena!" He started singing a happy birthday song then took out a small box in his pants

Kutlwano:"happy birthday my gorgeous wife! I know you don't want an expensive ring but I couldn't help myself when I saw this one" I took the box and opened it then I took my ring out and I wore the new one

Me:"wow it's so gorgeous!! You have a nice taste Mr mokwena" he smiled

Kutlwano:"thanks....uhm there's something I have to tell you and please don't get mad!" I sighed

Me:"please don't ruin my day by telling me that you've invited my father here or you are going on a mission tonight!" He swallowed

Kutlwano:"the mission is tomorrow night! Love you have to talk to your father because what he did was to protect you guys so please hear him out hle!" I went to the bathroom and washed my face

Me:"I'm twenty one day and should be celebrating not listen to my father telling me about how he was protecting the family mokwena! I'm not ready to see him yet and I have a bad feeling about that guy" he looked at me confused

Kutlwano:"you mean your father!?" I nodded "do you think he's not your father!?"

Me:"there's something that I don't get about him and I don't feel him at all" I saw him rolling his eyes "you can roll your eyes all you want mokwena just know that it won't change anything!" I took a shower then few minutes later I went to the kitchen and found kutlwano with my so called father

Kutlwano:"I'll give you some space!" He kissed my cheek and went upstairs

Me:"I'm going to be honest with you okay! I don't think that you are my father and there's something that I don't get about you so about you stay away from me" he sighed

Father:"I don't blame you for feeling that way but I think we should do some DNA tests to prove that I'm your father nolkie!" I looked at him for a while

Me:"fine I know someone who can help us with that so we can go tomorrow" he nodded then I went back upstairs

WENDY

The way I'm so happy it scares me sometimes because I'm not used to feel like this ey! I'm making my dreams come true and I'm also so proud of myself. You know that my father is alive

Advertisement

right!?! and to be honest with you I don't think that he's our father because his birth mark should be on the right hand just like mine and nolo then he has this scary look that he has when he doesn't like someone and mommy k and our brothers don't want to tell us what exactly he did to protect us. I just arrived at

the restaurant that nolo is having her birthday party in and I went to her

Me:"happy birthday little sis!!" We hugged

Nolo:"thanks sis but you do know that I'm three years younger than you, right!?" I rolled my eyes

Me:"you are still my little sis okay! Where's my munchies?"

Nolo:"at their grandparents house" I nodded then success came to us

Success:"what's wrong with you girls!? Why do you want some DNA test and why are you avoiding our father huh!? Do you have any idea what he did to protect us huh? Stop being spoiled brats and welcome him to your lives because you are hurting him jeez!" He walked away

Me:"for someone who has a powerful gift should've seen this coming mos! There's something wrong with him"

Nolo:"and he's eyes are no longer blue anymore so there's something definitely wrong here!" Lisa success's wife came to us

Lisa:"hey girls! Uhm I don't know if I'm the only one who thinks that man is not your father or not!" Nolo and I looked at each other then back to her

Me:"what makes you think that!?" She sighed

Lisa:"as you know that I lost my father a week before my wedding day and your father immediately took me as his daughter but that man doesn't like me at all and he's giving me weird looks"

Nolo:"everyone is happy to see him again and if we tell them how we feel about him! We are going to be called spoiled brats"

Me:"let's keep this to us only okay!" They nodded "I'll hire a PI and you guys can keep an eye on him!"

Lisa:"that's easy for me cause he's always in my house!" She sounds scared

Nolo:"please be careful sis! And I think you should the kids to your mother just in case" she nodded then we went to them

BOKAMOSO

We couldn't go to nolo's birthday party because my wife doesn't feel safe around my father and success told me that wendy and nolo thinks that papa is not our father! What the hell is wrong with them huh!? They should be happy that he's alive and he's back to us. I wonder how are they going to feel when they find out that mama and pops are getting married

next week ey! If he wasn't our father success would've seen it coming from far mos so I need to find out what's the real reason here!. Mama walked in my study smiling like a teenager and I'm glad that she's very happy!

Mama:"moso i can't remember my password from my savings account!" She sat down

Me:"which savings account!?"

Mama:"the one has millions in it! Your father wants to start his own company!" I looked at her confused

Me:"mama why does he want to start his own company when he's company is alive and doing very good! Also I think he has millions from where he comes from" she sighed

Mama:"bokamoso just tell me the password because it's my money not ours okay!" I wrote it down

Me:"you once told me that this money is for your grandkids so I don't understand why you want to give to someone who already has millions!"

Mama:"because he's my husband and he will pay me back mos! and please talk to your sisters cause they are starting to annoy me!" She got up and left then lee walked in

Lee:"do some DNA tests bokamoso before he takes all the family's money and leaves us broke!" I looked at her for a while

Me:"nah he will pay her back okay! Maybe he can't take out his money because it's a lot" she chuckles

Lee:"I don't buy his story shame! I know that I don't know your father but that man doesn't look like the man I saw from the videos and photos so I'm going to save money for me and the kids" I mentally rolled my eyes

Me:"okay do what you want wifey! Just know that I'm going to prove that man is our father!" She shook her head and left

KUTLWANO

My wife had a great time yesterday but I don't understand why she's so rude to her father I mean I would be happy that my father is alive and is back home so I don't get what's wrong with nolo ey. I was in my office working then my crew got in looking all serious

Me:"and then!?" They sat down

Bk:"bro I'm afraid your wife is right about Mr banda not being her father!" I closed my laptop

Me:"what do you mean!? What did you find!?"

Tech:"there's a wanted man in Ghana who turns himself into men who has died then takes all the family money" I chuckled

Me:"gents he's wanted in Ghana not here and nolo said that they're going to do some DNA tests so that will prove that he's the father!"

Bk:"dude the man is an imposter okay!!" I shook my head

Me:"what if he is nolo's father twin brother!? I mean nolo has twins so that might explain something" they looked at me like I'm crazy

Kaden:"Matthew had a twin brother but the family doesn't know and don't you think that nolo's mother would have known that her husband has a twin brother!" I thought for a while

Me:"how do we catch him though cause the family is happy that he's back home and it looks like he knows everything about them and us!" We sighed

Tech:"there's must be something he's not doing right so I think we should follow him!" I nodded

Me:"I guess I should listen to my wife more often ey!" They chuckled

Kaden:"yeah man our women are our superwoman when it comes to their guts or feelings!"

Bk:"from now on...."he was cut off by my door opening and Mr banda walked in

Mr banda:"hello boys! I'm pretty sure you have found out who I am

Advertisement

right!? Well guess what! If you try to expose me my team is on stand by to kill every family member so keep my secret and your family will be safe!" Son of the bitch!! He said that showing us some big guys watch our loved ones

Me:"how much do you want to leave us alone!?" He chuckled

Mr banda:"don't worry I can get my own money my boy! Wena just convince your stupid wife to cooperate with me before I get mad" he walks out then I banged the table

Me:"call our friends immediately!" They nodded then left

MOMMY K

I'm meeting up with the girls to tell them that their father and I are getting married next week so I want them to be my bridesmaids! and I want to know what's their problem with their father being back home because they should be happy mos. I arrived in McDonald's then I gave them a hug and sat down

Me:"we are getting married next week and I want you girls to be my bridesmaids" they look at each other then back to me

Wendy:"did daddy have a twin brother!?" I shook my head no

Nolo:"did you ask him how he shift his birth mark to his left hand cause ours are on the right hand!" I sighed

Me:"for the time in my life I'm so happy and I'm going to plan my dream wedding so why don't you girls put your issues aside and be happy for me huh? Please do this for me hle!"

Nolo:"mama that guy is not our father and your husband okay!! I'm even scared of bringing my kids home because he looks super scary and I don't think I'll come to your wedding"

Wendy:"I...we can't watch you get married to a stranger mommy! Daddy is died okay and he's not coming back home ever again" I shook my head

Me:"that man is your father and if you don't come to my wedding day then you are no longer my daughters!" Their eyes popped out

Nolo:"you are disowning us!?"

Me:"yes!" I got up and left.....I got home and found hubby watching soccer "since when you watch soccer because you are a big fan of basketball!" He quickly changed the channel

Hubby:"it must be the batteries ey! Anyways what did the girls say?" I sat next to him

Me:"I told them that if they don't come to our wedding day then they are no longer our daughters!" He sighed

Hubby:"oh my love you shouldn't have done that because now they'll hate me more!"

Me:"no man they'll come around okay! Just be patient and the tests will prove to them that you are indeed their father" he smiles

Hubby:"I missed you so much ey! You are the one who kept me alive and kicking" he kissed me

BONOLO

Yah neh whatever that man gave my mom and brother is really strong ey! She's disowning us if we don't come to her wedding so that means we have to move fast with our investigation because there's no way I'm going to let that man marry my mother. You know I think I'm being watched, at first I thought it's kutlwano's guys but I remembered that I got trained and he tells me when he's going to put someone to follow me so who the hell is watching me!? I'm at Matthew parents house and I just finished bathing my boys then put them to bed

M'mom:"Michelle are you okay!?" I sighed then sat next to her

Me:"do you guys enough security in here because I feel like I'm being followed" she nodded

M'mom:"our men trained by Russians so don't worry about the twins okay! So how do you feel about your father coming back home?"

Me:"that man is not my father! There's something I don't get about him and my sister is investigating him before he mares my mother"

M'mom:"you are right about him because Matthew visited me last night and told me to keep the boys safe" I smiled

Me:"thank you for being the best grandparents ever ey! Oh i have to go now" I said that looking at my watch

M'mom:"be careful out there Michelle we don't know what kind of a person we are dealing with here!" I nodded then we hugged and I left few minutes later I arrived home and my husband attacked me with a hug

Kutlwano:"oh thank goodness you are okay!" He kissed my forehead

Me:"what's going on!?! Didn't I send you a message?"

Kutlwano:"you did but I thought that bastart did something to you" so he knows now!?! "Yes I know and I'm sorry for not believing you mamokwena! From now on I'm going to trust your gut okay" I nodded

Me:"so what are we going to do now because he's marrying my mother next week!" He sighed

Kutlwano:"unfortunately there's nothing we can do cause he's watching us and if we expose him everyone dies!" My eyes popped out "I need you to play along with him until we figure out plan!"

Me:"so the people that are watching me are his guys?" He nodded

Kutlwano:"it looks like he has been watching us for years because he knows everything about every single of us so please play along!" I sighed

Me:"fine but be careful okay! I don't want to lose you" he smiled

Kutlwano:"you won't lose me wifey I'm die hard!" We laughed then went upstairs

WENDY

Thank god I didn't have classes today because nolo came to my flat crying so hard but I managed to calm her down and gave her sleeping pills cause it's looks like she hasn't been sleeping well! I mean who can blame her huh? Since that man came to our lives I also been sleeping well. I was busy reading then I got a call from kutlwano so I answered it

Me:"hey Mr mokwena!" He chuckles

Kutlwano:"is my wife there with you?"

Me:"yes! Please come back and think of another plan because she be able to live without you!" He sighed

Kutlwano:"wendy please stay and don't get out because you are the only one who he tried to burn alive!"

Me:"what are you talking about!? Is my family okay kutlwano!?" He sighed again

Kutlwano:"fake banda had bombs in our houses so he thought he killed everyone but everyone is at work" I said a short prayer

Me:"okay let me call my mom!" I hung up then I called mommy k and she answered on the second

Mommy:"oh thank goodness you are okay wendy! Please tell me that nolo is with you!"

Me:"she's fine mommy! I'm glad you are okay too ey"

Mommy:"I should've listened to you girls when you warned us about him now we could've been died and left you alone!"

Me:"we all make mistakes mommy especially when we are in love so don't worry about it okay!"

Mommy:"I love you girls so much and I can't sit back doing nothing so I'm going to sort this out!" What does she mean?

Me:"mommy what do you mean!?" She sighed

Mommy:"take care of your sister and I'm proud of you for changing your life okay bye!" She disconnected the call and I tried to call her again but she switched it off

Me:"god please don't let me lose another mother please!!" I called all my brothers but they were not answering their phones

Nolo:"sis what's going on!?" I looked at her then I hugged her "wendy you are scaring me now!"

Me:"I think mommy is going to risk her life for us! she switched off her phone nolo!" We sat down

Nolo:"what makes you think that!?"

Me:"she said she's not going to sit back doing nothing so she is going to sort this out!" she got up

Nolo:"let's go!!" I got up and we left

BOKAMOSO

My girlfriend and sisters warned us about this man and we didn't listen to them at all because we were happy to have a father back only to find out that he's a damn imposter!!! if he really wanted to us so bad he should've tried that at night not early in the morning. I'm happy that everyone is fine because I don't know what I would've done if I lost all my family ey! success's wife called us to come to their house because she's worried about him so I just arrive in and when I got in the house he was crying.

Lisa:"something is wrong bk!! the last time he cried like this it was when you lost your father because he saw it coming!" no no no please....I sat next to him and hug him

Me:"who are we losing!?! katlego talk to me hle!" he looked at me

Success:"I'm so so sorry bro! he somehow blocked me from seeing the real him and now we are...." he got up and went outside and I followed him

Me:"who are we losing katlego!!?" he rubbed his head

Success:"she's going to save us but we are going to lose her!! oh god please don't take her away from us hle!" I looked at him for a while then I realized who he's talking about

Me:"are we losing mama!?" he slowly nodded and I felt like I've been stabbed in the back "no no not my mother Katlego!! I'm going to save her" he stands in front of me

Success:"there's nothing we can do bokamoso! she wants to do this for us okay and there's something she was hiding from us"

Me:"what are you talking about?" he sighed

Success:"she has cancer and the doctors can't do anything because it has spread!" I shook my head no then I slowly sat down "she been pretending to be fine but as soon as she gets home, she cries in pain!" why didn't she tell us?

Me:"why huh why is god taking our parents huh? what did we do to deserve this!!" he hugged me

Success:"we are going to be okay! we have to be strong for the girls!.....I wished I could do something but I can't and I feel like this is my fault!"

Me:"it's not your fault kat! don't you dare blame yourself for this okay!" we got up and walked inside the house

Lisa:"I got a message from wendy! she says that she and nolo are going to save mommy k!" i took my keys

Success:"go to your mother and don't come out until I call you okay!" she nodded then we left

NARRATED

Fake banda was busy packing his clothes at his house then when he turned around mommy k was pointing at him with his gun and he swallowed

Fake banda:"wh...how did you find me!?" he was so scared but he didn't show it

Mommy k:"how dare you come to my life looking like my husband huh!? how dare you plant bombs in my children house and try to kill them huh!? I'm a praying woman and I might go to hell after I kill you but guess what!? I don't care if I go there because I know that I saved my children and the rest of the world!!" he tried to run but mommy k shot his leg and he screamed so loud "move again and I'll blow up your brain!!"

Fake banda:"FUCK!! Keletso please put the gun down! I'm sorry okay all I wanted is money! I swear I didn't plan on killing everyone but you saw me so it was me getting rid of the evidence!" She shot his arm

Mommy k:"you might have gotten away with other murders but you won't get away with this!! Y...y..." She fell down then fake banda took the gun and pointed at her

Fake banda:"have you told your kids that you are dying huh? Look at you in pains! and you are not even my type ey I don't know what your husband saw in you!" She slowly sat up straight

Mommy k:"go ahead shoot me!! Shoot me you bastard!!" He tried to shoot her but there was no bullets and she laughed "you are really stupid ey!" His eyes popped out when he saw mommy k pointing him with a gun

Fake banda:"you wouldn't dare!" She got up then when she was about to shoot him

fake banda's right hand man shot her twice and she fell down "oh thank god you are here!!! Let's go before they find us!" He looked at mommy k for a while then looked at his boss

Sniper:"I killed an innocent woman because of your stupidity! You always create war then when it get tough you run away!!"

Fake banda:"sniper stop talking nonsense and help me up so that we can leave!!!" Sniper shot his boss fourth times then he heard footsteps and he ran out.....bonolo, wendy and kutlwano walked in and saw mommy k laying on the floor

Wendy&nolo:"NOOOOO MOMMMMYYYYY!!" They kneeled next to her crying

Nolo:"call an ambulance kutlwano! NOW!" Kutlwano called the ambulance even though he can see that his mother inlaw is gone

Wendy:"mommy wake up please! I'm here with nolo please wake up hle!!" She tried to find her pulse but it wasn't there so she looked at nolo "she's gone nolo!" Nolo shook her head no

Nolo:"no she's not okay! Mommy wake up please don't do this to me!!" Few minutes the ambulance and the police came did their job....meanwhile outside the girls were crying so hard and kutlwano didn't know what to do or say to make them feel better

REACT & COMMENT

BONOLO

I lost a best friend, the best mother in the world and my hero! I wanted her to her first grandkid but I guess god had other plans. It's has been few days since she's gone but we still can't believe it

Advertisement

success told us that mama had cancer and the doctor confirmed it too so she was going to leave us even if she didn't get shot. The funeral is tomorrow and we are going to bury her next to dad as she requested so I found out that I'm pregnant and I should be happy but I can't! This is really hard on me and I don't think I'll ever be the same again. Wendy and I are sitting on the mattress with my mother's sister....my brother walked in and kneeled next to me

Biggie:"mokwena wants to talk to you" he helped me up and we walked out then I ran to kutlwano and he hugged me tightly

Kutlwano:"I'm so sorry my love!" We stayed like that for a while then we went to his car

Me:"I still don't believe it ey! And I don't know if I'll ever be the same again" he kisses my hand

Kutlwano:"take it slow baby she was an amazing and very kind woman! Just knew that I'm here for you neh" I nodded

Me:"uhm there's something I have to tell you! I'm pregnant" he smiled

Kutlwano:"i know" I looked at him shocked "lately you've been eating weird food and you don't like orange but you are eating them a lot so that's I found out" I smiled then I hugged him

Me:"are you ready to be a father again!?"

Kutlwano:"yeah but I'm a bit scared! I mean this is our first child together"

Me:"I know how you feel ey so how's the twins?"

Kutlwano:"they're fine but I think they miss you" I sighed

Me:"I miss them too and I wish I could bring them here" my evil aunt knocked on the window and I opened it

Aunt:"you've been in there for too long now! Get out and go back inside then wena go help the boys that side nx!" She walked away shouting at other people

Me:"I'm sorry about that!" We got out of the car

Kutlwano:"call me if you need anything okay!" We baby kissed then I went back inside

Aunt:"why are you back so quickly!?" I sat down

Me:"the evil aunt says I've been there for too long" they chuckled

Wendy:"khanti who put her in charge of everything cause we agreed to put aunt cici!" I shrugged her shoulders

Aunt:"she's probably feeling guilty of something so let's leave her okay" we nodded

KATLEGO(success)

I can't eat or sleep probably because I should've done something to prevent this but I couldn't! Now we lost a queen, a women who would do anything for her children and I guess that's what she did. My brothers are trying their best to tell me that it's not my fault that she died but I can't help how I feel okay! I'm the protector of this family! I was in my prayer room then I felt a strong wind and I look up

Me:"pops mommy!" They smiled "I'm so sorry for not protecting you" they sat next to me

Pops:"don't you dare blame yourself for what happened to us katlego you know that god is the one who controls our lives!"

Mommy:"and even if I didn't get shot I would still die from cancer my boy so stand up and try to protect the rest of the family okay" I nodded

Me:"thank you for coming I really appreciate it" they smiled then disappeared and I said a short prayer few minutes I went to the kitchen and I hugged my wife from behind

Lisa:"I guess you are feeling better now!" She turned around and faced me

Me:"thank you for not giving up on me and us! I know sometimes I can be annoying and I shut you down instead of talking to you about it!" She smiles

Lisa:"as long as you know that I'm not going anywhere so you are stuck with me forever" I kissed her forehead

Me:"I'm glad you are stuck with me because there's no other woman who can handle me! Let me shower and go to mommy's house" she nodded and I went upstairs hour later I arrived at the house and I felt some bad energy

RJ:"look who's here!" We all fist bump

Bk:"glad to see that you are better now bro!"

Me:"yeah me too! Where are the girls?"

Bk:"last room on your left" I nodded then I went inside the house and I kneeled down next to wendy because nolo was sleeping

Me:"hey how are you girls doing?" She sighed

Wendy:"we are getting there but I was worried about you ey"

Me:"I'm fine now! I guess I needed to see them and they talked to me" she nodded smiling

Wendy:"good because we wouldn't survive if we lost you too" I chuckled

VERY SHORT

KUTLWANO

If I knew that my ancestors has chosen me a wife I would've married her long time ago because the way I'm soo happy right now and I don't even know how to describe this feeling. Bonolo is the best thing that ever happened to me and every time I wake up I always thank god for her! We almost lost the twins few months ago all because Matthew's mother wasn't drinking her pills mxm I almost killed that women yaz!. We are now seven months pregnant and I'm enjoying every moment! Today I'm spoiling my family by going to the park and eating listening to music so I woke up early and I prepared everything then there was a knock and I went to open it was wendy

Me:"can I help you!?" She ignored me and walked in "what do you want wendy!?" She sat down

Wendy:"I'm pregnant!" What the fuck!!

Me:"no no no I used protection wendy unless you did something to that condom because you are the one who gave

me!" She looks down "oh god please tell me you did it!" She got up and walked to me

Wendy:"I tried to date other guys but they are not you junior! I know you feel the same way" I moved back

Me:"what happened a month ago was the biggest mistake of my life wendy and I'm sorry if I lead you on okay! I love my wife so much she and the kids are my life so please get out before she wakes up" she folded her arms

Wendy:"you can't just use me like an old newspaper then throw me away junior! What about this baby huh? She/him deserve both parents in their life!" Oh what have I done!?" "God is giving us a second chance of being parents again junior! I can't you see it!?" I shook my head no walking to the kitchen

Me:"nolo and I had a huge fight then I went out to get some fresh air! I found you in a bar drinking then I joined but I should've gone back to my wife instead of...." I rubbed my head

Wendy:"are you really happy junior!? I think you are just feeling sorry for her and you really love me!" I went to the door and opened it

Me:"get out of my house before I do something stupid!" She swallowed then left and I went back to the kitchen few minutes nolo came down with the twins "morning my beautiful wife and handsome boys!" I picked them up and put them on their chairs

Nolo:"who were you talking to!?" Shit!

Me:"I was talking to my PA" she nodded then we started eating

WENDY

I know that what we did was wrong but I seriously can't help how I feel and I've tried to ignore this feeling forever! Junior is my soulmate and I'm going to fight for him please don't you dare judge me because I know some of you have been in this situation. Bonolo is my sister and I love her so much but to be honest with you she doesn't know how to treat a man so I'm doing a favor by taking junior back! After junior kicked me out I got a call from success and I already know what he's going to say.

Me:"if you want to tell me to stay away from junior then you are wasting your time ey!" He chuckles shaking his head

Success:"losing mommy k was supposed to show you that family comes first before anything else wendy!" I rolled my eyes

Me:"her death also showed me that life is too short so I'm taking what belongs to me nje!" I ordered a drink

Success:"okay this is going to hurt you and I hope you'll understand why it's happening!"

Me:"what are you talking about!?" He sighed

Success:"bonolo is kutlwano's chosen one and she's the only one who can give him kids! What I'm trying to say is that even if he cheated with someone else it still was going to happen" I suddenly got scared because he's eyes has changed

Me:"biggie you are scaring me now!"

Success:"wendy you are going to lose that baby" my eyes popped out

Me:"WHAT!? No no no why!?" My hands are shaking

Success:"that's how it's supposed to be wendy! You are very lucky that they're not doing something very painful" I slowly get up

Me:"you don't want me to be happy neh!? I'm supposed to be single for the rest of my life"

Success:"you can find an amazing guy who's going to love you for you and treat you like a queen just leave kutlwano alone cause he's not yours!" I shook my head no

Me:"I'm going to have him back just watch me!!!" I took my bag and left

BONOLO

Sometimes people take advantage of good, kind hearts and when that person starts to change they get surprised! I'm so disappointed in my husband and I think the ancestors should punish him because I'm his wife and the minute he wants to sleep with other women he should think about me. I took the twins to my brother's house cause I want to teach him a lesson and he'll never cheat on me again so I came back and I made dinner then I wore something sexy nyana few minutes later he came back

Kutlwano:"oh what's going on here!?" I took off his jacket then we sat down and I dished up

Me:"I just wanted to spoil my husband and I wanted to say that thank you for being here!" He kissed my hand

Kutlwano:"you and the twins are my life! I would do anything for you guys" we eat dinner having a great conversation then he started getting sleepy

Me:"looks like someone is sleepy! Let's go to bed baby" he got up then few seconds he falls down and I opened the door "take off his pants and shirt then put him on the chair and tie him

up!" They nodded and did what I said then I paid them....they left and I waited for him to wake up

Kutlwano:"ouch my head hurts! What happened!?" He looked around then he realized that he was tied up "mamokwena what's going on!?"

Me:"with the women in the world you cheated on me with my sister!! You know that she's obsessed with you and now you just made her more obsessed kutlwano!" He swallowed

Kutlwano:"I'm sorry baby! It was the biggest mistake of my life and I promise you I'll stay away from her!" I chuckled

Me:"you can't stay away from her because she's always going to be at family's gatherings! How could you huh? I'm carrying four children in my stomach and wena you go out to cheat! So is that how is going to happen every time we fight?" He shook his head no

Kutlwano:"I'm sorry mamokwena please forgive me hle!" I stand up and I started whipping him

Me:"SHOULD I CUT OFF YOUR DICK HUH!?" He screams in pain

Kutlwano:"bonolo please calm down!! I'm sorry okay" I sat down and I started crying "I'm so sorry mamokwena"

Me:"I'm scared okay! When wendy is obsessed with something there's no turning back and I might be danger because of your stupidity kutlwano!!" I whipped him one last time

Me:"that's for making her pregnant!!" I went to bed

The next morning

bonolo and kutlwano are not answering their phones so lerato thinks that there's something wrong with them! I hope they're okay cause I'm getting married next month and I don't want any drama. Lerato gave me my breakfast then she called them again but still nothing

Me:"baby let me eat first then I'll go and check on nolo okay!"
She nodded

Lerato:"she didn't look happy at all ey I think her hormones were very high and she did something bad" I chuckled

Me:"baby my parents named her bonolo for a reason you know! She doesn't like violence at all and if kutlwano has hurt

her she would be here with us don't you think!?" she looks at me for a while

Lerato:"okay if you say so!" Few minutes later I drove to nolo's house and I found kutlwano on the chair tied up

Me:"dude what happened!? Where's my sister!?" I untied him and he slowly sat down on the couch "what happened to you?" He sighed

Kutlwano:"i cheated on her with wendy and she did this to me" I bursted out of laughter

Me:"sh...she....did...that to you!?" I fall down on the floor laughing so hard then minutes later I finally calmed down "are you sure that my little sister did that to you!? Like seriously?" Shame he's in pain ey

Kutlwano:"i deserve it and from now on I'll never cheat on her again!" I sat down on the couch

Me:"do you realize that you made wendy more obsessed with you!?" He nodded

Kutlwano:"the biggest mistake of my life bro! and if my parents found out about this they might whip me more than mamokwena did!" I can't believe this ey

Me:"do you still love her!?"

Kutlwano:"wendy is my past and nolo is my future! And to be honest with you I was never happy when I was dating wendy" I nodded

Me:"you used protection, right!?"

"No he didn't and now she's pregnant too!" That was nolo coming down

Me:"so you thought whipping him will stop him from cheating!? I think you should cut his dick off!" He quickly got up

Nolo:"unfortunately I can't live without that dick so I won't cut it but I hope he learned his lesson!"

Kutlwano:"trust me I did!" I looked at them

Me:"you two are so cute ey! Anyways let me go before I whip you" I got up and left

K'dad:"i can't believe I'm betraying my son like this! He's the reason why we are still alive and now I'm doing this" she looks down

K'mom:"he'll never found out!" He got up and went to make some calls

BOKAMOSO

Whoever put a curse on my family might've really hated us ey! We buried our mother few months ago now We are burying my little sister bonolo Michelle mokwena and it's hurts so much because she's leaving seven kids behind. I don't know if the family is ever going to be the same again after this and Wendy is missing so I suspect that she has something to do with this cause I didn't believe the story that success told us at all...I mean nolo was the strongest person I've ever seen but now she's gone. For the past few days I didn't sleep at all wondering who's going to be next since everyone is dying so I made a decision to marry lerato and fix my Will. I looked at her sleeping peacefully then I kissed her forehead and I went to take a shower few minutes I went to tsholo's room and I also kissed her forehead then I left.....I arrived at success's house he has been avoiding me.

Me:"hey lisa is your husband home!?" She slowly nodded looking scared then she went upstairs few seconds success came down

Success:"let's go outside!" We went to the garden

Me:"what happened to her and please don't lie to me!" He sighed

Success:"Wendy went to kutlwano's parents to ask them to save her baby since she's pregnant with kutlwano's kid so his parents went to the seer and told him to one of nolo's babies to save wendy's..." I cut him off

Me:"so your sister killed my sister katlego!!!! What the fuck is wrong with her huh!? Can't she be patient I mean it's not like she is in her 40s!!" I got up

Me:"she didn't deserve to die like that bro! You have to do something or else I will" he looks at me with red eyes

Kutlwano:"yesterday I was at my parents house ready to kill them but I saw her standing behind them and she told me that I should leave them cause god will punish them! Trust me when I say that I seriously want to kill them but she's stopping me" he looked down and started crying "how can they do this to me huh? What am I going to say to our children when they ask me what happened to their mother? and as for wendy mxm that bitch is going to pay for this!" I can feel his pain

Queen:"uhm i have a question!" They looked at her "uhm since all the babies are alive, is wendy carrying a baby or what?"

Seer:"unfortunately wendy has lost her baby two days ago!"

TEN YEARS LATER

KUTLWANO

Me:"guys if you don't come downstairs in five minutes I swear I'm going to leave you!!" Ahh where do I begin huh? Well since I lost the love of my life ten years ago my life was horrible and I almost left my kids! I drowned myself in alcohol for months and tried to kill my parents for months but nolo would appear behind them and beg me not to kill them because I still need them. I'm glad she stopped me cause now I would probably be struggling ey! The car accident was a wake up call call I genuinely saw my kids suffering and being abused by my family, everyone wants me to find someone but I'm still not ready to replace my wife with some women so I'm focusing on my kids! Speaking of kids they ran down and quickly sat down

Kids:"morning dad!" I sat down

Me:"morning my children!" We dished up

Matthew:"so dad can we have a big party since we are turning 13!?" Oh my boys are growing up ey they are becoming mens

Kgosi:"we also want a big party too!" I chuckled

Me:"and who's going to pay for those big parties!?"

Kids:"YOU!" I shook my head

Matt:"so should we send invitations?" I nodded then they fist bump "thanks dad you are the best!" They know that I'm not their biological father but that never changed anything

Bontle:"daddy I want a new hair style!" Our drama queen

Me:"what's wrong with that one cause you got it three days ago!"

Botle:"belinda has a new hair style and she wants to copy her!"
The tomboy

Bonolo:"why do you always want to be like someone else!? You are just fine the way you are and you'll never be happy if you keep on doing what people do!" The girls looks exactly like their mother but bonolo is the one who took her personality and kindness

Matthew:"Belinda is fake Bontle! We love you just the way you are okay" she nodded

Me:"okay everyone go and take your bags so we can leave!"
They went upstairs

Life hasn't been good since we lost nolo....I felt lonely every time lerato's family comes to visit us and there was times I would think about killing myself cause I've lost the people who were my world but then I realized that I have lee and our beautiful kids so I went to therapy. The family has fallen apart and some are even fighting so I decided to move to cape town and it was the best decision ever but i miss my nephews and nieces so much so we are planning on surprising them on their birthday.

Lee:"baby I think I'm pregnant again!" She said that walking in my study

Me:"ah babes I thought we are done mos!" She sat on my lap

Lee:"I want to give you a boy who will carry the banda name" I sighed

Me:"the banda name is going to be go on because my brothers has boys! I love my daughters cause they're going to make me rich" she chuckled

Lee:"yeah I know but every man wants a boy to carry his surname so this time I'm pretty sure we are going to have a boy cause I can feel it!" I kissed her hand

Me:"thank you so much babes and I will always be grateful for everything you have done for me" she kissed me

Lee:"I love you so much and I can't imagine my life without you and our daughters" she went to lock the door and we had adult fun

HEY PEOPLE MY NAME IS BOKAMOSO BANDA FATHER of SIX KIDS AND A HUSBAND TO LERATO BANDA....THIS WAS MY STORY

WENDY

Ten years ago I wanted to kill myself but god had other plans for me! Life hasn't been easy for me and I deserve it cause I killed my sister all because I so badly wanted to be a mother. I've been single for five years then I decided to adopt two beautiful kids and god blessed me with a husband who loves me and my babies so much! We are married now living in Australia but I'm planning on going back home to apologize for everything I have done cause I have been dreaming some weird dreams. I'm surprising my husband at his office for lunch so I got in and I found him fucking his PA on the table

Me:"William!! What the fuck!?" They quickly got dressed "after everything we've been through this is how you thank me!?" He tried to touch me but I moved back

William:"my love I can explain okay! This was just a fling and my biggest mistake of my life please forgive me!!" I gave him my money that I worked hard for to start a company

Me:"you can take him Kaitlyn! Oh I'm taking everything when we divorce did he tell you that!?" She looked at him and he swallowed

William:"my love let's talk okay! Kaitlyn please leave and pack your stuff cause you are fired" I chuckled

Me:"no don't dump her William! I'm not going to be with a cheater so we are done!!!" I threw them with the food and left

BONOLO

It's time for me to leave and stop looking over my family because they are doing just fine without me and I'm proud of my husband for being a strong man! It's has been ten years since I left my family to live with mme'maja, she discovered that I have a powerful gift and told me that I should go away from my family cause success and I would be fighting everyday. The seer and the king didn't kill me and they wouldn't have be able to kill one of my kids cause the ancestors has already blocked wendy's baby, I know what we did was horrible and we hurt lot of people but it had to be done!. I so badly want to go home and be with my family but I'm scared of fighting with my brother and what makes it worse is that the family has now fallen apart because of jealousy! Zandile and Veronica actually put a curse on our family after they left and now that the family is fighting it has gone worse and they might kill themselves. I was sitting on the rock humming a song while looking at the most amazing view then mme'maja sat next to me

Mme'maja:"it's time for us to go back home now!" I looked at her and she giggled

Me:"ma are you serious!?"

Mme'maja:"you are ready and your brother said that he's going to give you his gift because he's getting old now and he is very tired" tears of joy came out

Me:"I'm going to my family! My husband! Oh god thank you so much!!" I hugged her

Mme'maja:"but you have to be careful nolo if people finds out about your gift you might be in danger so always open your eyes and take time to trust someone Okay!" I nodded then we walked home

Me:"I can't wait to see my kids ey I know it's not going to be easy for them to trust me or get to know me but I'm going to be patient!"

Mme'maja:"that's very good my girl and I'm proud of you for making it this far" we packed our bags then looked at the house one more time and we left
