I can't believe Gesh is gonna do this to me right now. You know when you have been beaten alot and someone comes to you in a act of violence you can't help it but get very scared.... He kept on approaching me then stopped my heart was literally beating fast. Gesh: Yazi Nokhanya.. He turned around and took a few steps and stopped with his back facing me it was almost as if like he was thinking. He then threw the belt on the bedand turned to look at me. Him:

Ung'hlulile ngane ka King Skhosana! (You have defeated me Skhosana's daughter) I didn't say anything. Him: i.... I could see that he was very angry but trying so hard to contain his anger. He then went and opened the door he went out and banged it..... I sat down on the bed crying that was very very close i have never seen Gesh this mad.. After crying i stood up and got out of bedroom the house was Quiet there was no Lesedi and no Gesh... I sat down on the couch. I miss Gesh soo much I love him very much and I'm tired of always fighting with him. This days all we do is nothing but fight and fight and fight..... Gesh didn't come back it was now 22:00 i went to bath and wore my pjs..... Time went and Gesh was not back i started to get very worried because it was around 00:00. When i was about to go to bed i heard the door unlocking and people talking it was Gesh and Riley. Riley had Gesh's hand around his shoulders supporting him Gesh

looked sloshed! Me: What's going on?
Riley: He went hard on the bottle. Riley laid him on the couch. Me: Where did you get him? Riley: He came to my house after driving his baby Mama home. Me: Thank you.. Riley sent on the couch's supporting arm all looking at me. Him: What's really going on? Me: We... Tears attempted to fall.. Him: i don't really know what's going on and I don't care but what i know is that this guy right here loves you dearly. The reason why he drank is because his stressed he tries so hard to make you happy but the more he tries to make you happy the more you get sad.. It was hard to hold back my tears. Riley: Nokhanya I looked at him Riley: Please don't hurt my best friend.. He stood up. Him: I'll check up on him tomorrow He went out. I looked at Gesh. Am i this bad that i drove him to the bottle? I took off his sneakers then went to get a blanket and put it over him. I then walked up to our bedroom. Gesh:

Khanyo.... I turned around and looked at him His eyes were half opened Him: Ngiyak'thanda yezwa (i love you) even though you hate me but I'll always love you. He then closed his eyes.. Me: i.... It was useless telling him i love him too especially in the state he was in.... I walked to the bedroom and got in bed. I cried my eyes out. Me: God take me please i can't live like this anymore! I cried until i got a serious headache and passed out..... I opened my eyes in the morning they felt heavy i went to the bathroom mirror and checked myself out my eyes were swollen. I prepared a warm bath for myself. I then got in and relaxed in the bath tub. My heart was heavy

He was wearing a black Jean a white t-shirt and black chuck tailorswith his white Beanie hat and a silver icon chain with a cross pendant.. He took out a labello and put it on his lips. I looked at him as he was applying it to his lips then when he was done he curved his lips as if like he was Kissing Me through the air if English didn't leave me. Him: i think they fine let's go.. I stood up and followed him to his X6..... He played "The Saga ft AKA" I watched him as he rapped along to the song while slowly rubbing his nose bridge he had a Fossil watch around his writs. He was typing and yawning u bet hangover is killing him i was standing there starring at him. After a while he looked at me i looked away and continued walking. That went on and on until he put his phone in his pocket. I felt some unusual activity in my tummy i tried to ignore but it Kept on going on and on that i put my hand on the hangers for support. Him: What's wrong? Me: i don't know.. I put my hand on my tummy i could feel the impact it was overwhelming. Me: i think you need to get help He came and put his hand on my tummy. Me: his very tiny though Gesh: Why is that? I told him everything that the Doctor told me. Me: at least he gave me pills so I'll be okay. He sat down on the bed. Him: Come and sit here I went to sit next to him. Him: Nokhanya i want you to know that i didn't get you pregnant on purpose it wasn't my intension. Me: i know tha.. Him: Let me finish I kept quiet. Him: i love you so much and it hurts me to always see you angry and sad it's like I'm not doing enough i feel like I'm failing you. Im sorry Nokhanya for ruining your future and your life as a whole. I know right now you'd rather be at school or hanging around with friends and i took that away from you. Right now all im asking for is please give me a chance to be a father to my baby and a good lifetime partner to you. Those words were really

humbling. Me: since we in the spirit of apologising i also wanna apologise for a few things. I haven't been fair to you in alot of things and you have been trying i just don't know why i get so angry sometimes.

Him: i understand your frustrations right now we have to make a critical decision do we wanna work on our relationship or we better of separated because this fighting and everything is just not healthy for us.

Me: That's true Him: Personally I'm happy with you and i would really like for us to be together and see where life takes us.

Nokhanya i can't keep on doing this get a girl pregnant then breaking up and being a part time father I'm getting old for that. I wanna settle down and i wanna be a full time father make better decisions than i did with Bontle. That's only if you give us a chance Ofcause Me: I'd like that Him: So you mean you wanna be with me? I smiled and nodded my head yes. He didn't waste no time he kissed me Lord when last did i

have that.. Him: i love you soo much Me: i love you too He put his hand on my tummy. Him: And i love you too Me: And you know what we would love right now? Him: What? Me: Some dick in our life He laughed. Him: usile Nokhanya (you naughty) I got up and sat ontop of him we started kissing smoothly. It didn't take long for us to take off i was clothes and him doing what his best at taking me places with caressing my body kissing me and sucking me in certain Places. I don't know if it's my hormones or what but I got very wet from our 4play that i almost camethat's when he slowly entered me. I wasn't ontop of him anymore i was sitting on the bed again the wall with a pillow supporting my back. I opened my legs wide with my hands holding my legs underneath. It was a bit painful when he entered me or is it because we haven't did it in a while. Im not really gonna get into explicit details we sure don't want Precious'page getting shut down due to

explicit Content but then all i can is he really fucked me over and i loved it. We had 3 rounds that's how much we missed each other. When we were done we showered. We went to sit at the lounge because he wanted to watch some soccer match. I was sitting next to him with my head laid on his chest and him running his hand on my tummy.. Me: ive been thinking Him: about? Me: That I'll redo my matric next year Him: i think that's a good idea plus the year is almost over Me: Whose gonna stay with the baby though? Him: me I laughed Me: Really? Him: Yes I'll be a stay at home dad. Me: Okay We didn't do much just had our romantic moments for that day and i had got back all my social networks i was keeping in touch with my Friends who wanted to visit me i agreed..... Her: ukhohlakele Nokhanya! Yazi ufuze uyihlo! (you are evil Nokhanya just like your dad) She stood up and came to me. He went to insert his finger inside my already wet vaginal hole one finger became two fingers and i lowered my hand until it made its way inside his pants he was very hard as

Part 59 until you're mine

We were saved by bontle crying my mom went to check up on her and we quickly went to our bedroom all laughing. Me: i thought she was never gonna leave Him: Me too. He pulled Me closer. Him: Do you know how much i love you? Me: Nope i don't know Him: Then why don't i just show you He kissed me. Me: so you gonna show me how you love me through sex? Him: point of correction love making Me: i stand corrected then He went to lock the door. He then came and kissed me that smooth deep kiss. We slowly moved to the bed while

taking our clothes off... He went and sucked my breasts while we were still standing there like that. I don't know why my hormones were all over the place. We played with each other again this time he was rubbing me vigorously i was moaning and all that. The hardest part is that the positions we had to do were limited. So we just laid in bed with him behind me and he took it from the back while still rubbing my clit. I swear this guy was taking me places and from how he moaned too i probably was taking him places also. He didn't come inside of me though for the sake of the baby. We had 3 rounds the last round it was at the bathroom with me ontop of the shelf where we put our towels and my legs widespread. As he increased the pace the more i screamed..... We took a shower together when we were done and went to bed. From how i was tired it didn't take me that long to pass out..... Days passed it was now Saturday and we was going to

see the doctor. We woke that morning very Early prepared ourselves then we went to the doctor. We went to wimpy first and had breakfast then after we went to the doctor.... I was happy to learn that my baby was doing well and we also had an obstetrician who did the math and told me exactly when I'm gonna give birth. Gesh decided that we spend the day together just wondering about It was good spending time with him i loved how we wasn't fighting anymore but madly in love..... We went home at around 16:00 and when we opened the door i couldn't my eyes as everyone screamed "Surprised". I looked around there was blue balloons hanging around my friends were there Gugu and Qondi were there too. Anathi and Riley. My mom and Gesh's mom there. I walked up to the lounge everything was prepared beautifully. Blue and white cake with a baby bottle ontop they had decorated the whole lounge with baby clothes. There was a

poster Written "Congratulations it's a boy"
What was more funny was that everyone was wearing white vests with blue track leggings. They were wearing baby hats and had dummies in their mouths i couldn't help it but laugh. Riley and Gesh didn't stay they went. Charl: Do you like it? It's your baby shower Me: i can see but what's funny is what you guys are wearing. Tiff: Wait until you see what you gonna wear They came with a blue polafleece. Me: There's no way I'm wearing that Tiff: Come on Me: I'm gonna look like a rabbit Her: That's the fun part. I didn't argue further i went and wore the crazy thing as they laughed when i came out and all laughing. Gesh's mom was wearing her usual clothes you can just tell that she would rather be somewhere else but here. They gave me my presents and i opened them we had a nice day music was played we danced and all that. We ate hot dogs then snacks and then the cake. As we were dancing i saw my mom

and Gesh's mom walking to the bedroom. They disappeared for quite a long time that i went to check up on them and found them arguing. They didn't see me though. Mom: if you so against Sihle and Nokhanya's relationship then what are you doing here? G.mom: i am here because my son called me to come and i didn't wanna disappoint him! Thuli you know i don't understand why you encouraging this nonsense when you know very well that uGesh no Khanyo bayahlobana Mom: Maybe if you told Gesh the truth then we wouldn't be here today! Gesh's mom saw me. Her: maybe i should just leave Mom: Finally! That's the best thing you've said all day. She walked and bumped me off the way. Mom: Hey Busi if you have something to say then say it don't be bumping my child! Gesh's mom turned. Her: What would i say to someone who obviously doesn't have a brain you are encouraging incest! You deserve to burn in Hell! My mom approached her and i held

her hand. Me: Just Leave her mom she's not worth it! She clicked her tongue and went... Mom: i swear one of this days! Me: Mxm leave her let's go back and join the others.... We went back to join the others and we had a good time..... Days went and finally i was due to give birth. Gesh drove me to the hospital the day before. Everything was prepared for me in my ward i even had flowers and cards from friends wishing me good luck. I don't wanna lie i was scared. I changed into my nighties i wasn't gonna wear the hospital gown for shit.. I got in that small bed. Gesh sat next to me and held my hand. Him: Are you ready for tomorrow? Me: I'm more scared than readyespeciall y since you won't be around. Gesh was not gonna be here tomorrow as always he had some business to take care of. Him: i feel very bad that i won't be here. Me: Can't you cancel? Him: No baby i can't Me: What could be more important than the birth of your son? Him: i

don't wanna fight Khanyo Me: I'm not fighting I'm just asking Him: i can't change my lifestyle Nokhanya. I'm a drug Lord and I'll forever be a drug Lord. Me: And you so proud He gave me a serious look I kept quiet. He stood up. Him: i think it's better that i Leave.. He tried to kiss me but I just faced the other way. Him: Good luck for tomorrow.. He went tears started falling how can Gesh put his shady deals before his son. I had a midwife who stayed with me overnight it was a he and he was gay was making me laugh at least he made me forget a bit about tomorrow. His name is Nhlanhla. We chilled that night and watched Tv chick flick movies until i passed out..... I was woken up by a sharp pain in my back and some cramps. At first they felt like period pains and i also felt like i was having a running stomach. I tried to ignore but they got strong. I got out of bed busy breathing in and out Nhlanhla was sleeping on the chair. I went to the

toilet to pee i was busy pushing because i felt like i was going to have a running stomach but nothing. I went back to bed this time around i sat up straight.. The cramps kept on coming i stood up and slowly walked around the room. I went to the toilet again but still none. I came back to the room Nhlanhla was now awake.. Him: Nokhanya.. I was now crying. Me: What's happening to me? He stood up and Came to walk me to bed. Me: Kub'hlungu Nhlanhla (it's painful) Him: Nxese sisi.. (sorry) He sat me on the bed. Nhlanhla: Let me get the nurse to give you an epidural. He went and i took my phone then called Gesh. He wasn't answering. Me: Please pick up.. He picked up after 5times of trying him. Him: Nokhanya *Sleepy voice* I couldn't hold back anymore i cried like seriously cried. Him: What's wrong Doll? Me: I'm.. I'm.. Dying.. Gesh uyang'limaza (his hurting me) Him: Where is the midwife? He attempted to Stand up but my dad held his arm and then he sat down..... I stood up and went to the kitchen i took my son and locked myself in my Grandma's bedroom. uThando has a nerve to be saying shit like this!.... I didn't open for no one other than my Grandma who was busy convincing me that Gesh has to pay it's the right thing to do i felt betrayed by my mom and my Grandma who stood by my dad and Thando.....

Lwazi always wakes up at 5am so by 5am he was up making noise busy playing alone and crying when no one gave him attention.

We had slept with my Grandma in her room because Thando and Kholo were sleeping in the guest room. I never enjoy waking up early in the morning but since Lwazi was busy annoying me i had no choice but to wake up. Me: Aii mara Lwazi who wakes up at 5am? He was all crying. I got out of bed and changed his nappy then i took him and we walked out to throw away the nappy in the dustbin outside. My Grandma was sweeping the yard. Koko: Lotjhani Khanyo no Lwazi Me: Hey Koko.. Her: Kodu manivuka ekseni so? (why are you guys up so early) Me: ask Lwazi. She laughed. Me: Koko don't you wanna entertain him for a while while i go and sleep? Her: No I'm busy. Mxm! I went back to the house i found Kholo standing at the kitchen Her: Hey... I went and gave her Lwazi. Me: He missed you say hi to Aunty Kholo I started walking to the bedroom Her: Nokhanya! I closed the door and slept..... The day went by and it was just boring around the

house my brother was there making sure i didn't go anywhere i was on a tight leash..... At around 14:00 i bathe and wore my jumpsuit which was short it was red in colour with red sandals. My hips have widened a bit and my thighs were thicker my breasts were a bit big maybe that's because of all the baby milk. Gesh had SMS me that he was gonna be around and wants to see me..... As i chilled and waited for him after a few hours i heard noise next door i knew that he was around..... Kholo and i were sitting in the lounge when Thando walked in all mad. My mom was not around she went to do some groceries with my Grandma and Qondi i don't know where she was she didn't sleep at home. Kholo: Keng malove? Thando: This boy Gesh maan! He makes me mad! Now his all making noise next door busy disturbing our peace and drinking with his friends! Kholo: That's not good Me: Mara ukibo moss He gave me an

intimidating look i kept quiet. He clicked his tongue and Walked to the bedroom..... My phone rang just after a few minutes of him walking out it was Gesh i answered. Me: Hey Him: ukuphi? (Where are you) Me: I'm at home Him: awung'attende.. Me: Yoooh my brother put me on a tight leash i can't come Him: Nokhanya don't tell me about your brother i want to see you. I can tell from his voice that he was a bit sloshed. Me: i don't know Gesh i don't wanna start fights. Him: Nokhanya i wanna see you or yini ufuna ngizelapho kini? (do you want me to come there) Me: Fine I'm coming Him: Sharp.. I hunged up and looked at Kholo Her: No!! Me: Please Kholo it's just gonna be for a few minutes Her: What am i gonna say to Thando? Me: i don't know.. Just.. Have sex with him Her: Are you High on weed? Me: Kholo please... Plus Lwazi is sleeping i promise i won't be long Her: Why do i feel like I'm going to regret this? Me: Pleaseeeee..... Her: Fine!! But don't take

long Me: i won't.. I got up and ran next door honest truth was that i missed him shame I got to his place and his friends were chilling at the front drinking and playing music but he wasn't there. I asked one of his friends were he is and he said i should check him in his room i Walked to his room..... I got there And his door was open he was shirtless just had his jeans on and sneakers his back was facing the door i stood there looking at him. Him: Ngena Nokhanya (come In) Me: How did you know it was me? Him: i can smell your perfume. I went in and locked the door. He turned around and he was holding a glass that had ice cubes and alcohol. Me: uyisidakwa mntwana ka Busisiwe (you are a drunk) Him: Ngifuze ka Skhosana (i take after your family) I laughed. He sat down on the bed i went and sat ontop of him. Him: Hey mind my glass Me: What are you even drinking? Him: Just some jonny walker. He put the glass down. Him: Uthi bathini kini? (what is

your family saying) I could smell the whiskey from his breath that kind turned me on.. I was busy wiggling my Ass and i could feel that he was getting turned on.. Him: awuhlaliseke tuu I stopped what i was doing. Me: They want 500 000 He laughed Him: uyahlanya uKing uzoyithatha la wayifunda khona (his crazy he will get it where he learned about it) Me: But it's not like you can't afford it. He pecked me on my lips and imitated my voice Him: But if i give him he won't respect me.. Me: first of all i don't talk like that.. He laughed Him: How is my boy doing? Me: His doing fine.. Him: Okay There was some awkward silence he then kissed me. I didn't resist he tried taking off my Jumpsuit but it defeated him. Him: ivulwa kanjani lento yakho? (how do you take it off) I directed his hand to the zipper and he pulled it down..... I helped him get all of it out. Him: You look soo damn sexy! Me: And you also have a sexy body. I said that while running my hands on his body.

We continued kissing then he laid me on the bed while getting in between my legs. He still had his jeans on i was left by my bra and underwear. He dried humped me while kissing me feeling the buckle of his belt digging deeper in my clit and tasting the whiskey in his mouth whoooooa yaa.. Instead of sucking my boobs he gently massaged them. I felt my milk licking a bit my chest was wet from that..... He wet his two fingers from his mouth then they their way down to my clit from the way he was rubbing me i had to hold his hand because i felt like i was gonna come. I helped him take off his jeans he started teasing me a bit by rubbing his already Rock hard shaft around my hole. Me: Really? He chuckled. Him: You are such a hoe.. I meant that with no disrespect Me: Mxm says the guy who turned me into one! He laughed Me: Condom? Him: Ohw ya that shit He opened the drawer got one and put it on then he made his way inside me i

gasped. Him: Painful? Me: Just a bit Him: Askies.. He started off slow...then he increased his pace.. It was starting to get painful i don't know if it was the condom or what. Me: Gesh uyang'limaza (you hurting me) He ignored me at first.. You know that moment when you wanna cry but tears fail you? Me: Gesh stop... Him: Askies we'll be done now now... Me: No... I want you to stop.. Him: yeka uk'tefa Nokhanya angithi ngiyaceda manje (stop being a cry baby we'll be finished now now) As he increased the pace the more i sank my nails in his skin...

Unfortunately it was my father my mom went to identify his body. I know that my father and i had our own issues but he didn't deserve to die like this and i know

very well that uGesh no Riley are behind this. The day of my dad's funeral came yazi it was very hard for us especially for my mom..... We bathe in the morning and went to church. One of my cousins was holding Lwazi for me i was too weak and what not. Seeing him in that coffin he had a bandage wrapped around his head cause apparently they blew his brains out..... They killed him in a very cruel way even the Morgue people said so..... We got to the church and we sat at the front the theme was purple and black. I was wearing a black long skirt with a purple shirt black stockings and black heels. I had a black fascinator on. The service was conducted people where talking about how much of a "good person" he was you know when you dead people make you a good person. My Grandma couldn't stop crying my mom showed no

emotion she was very pale..... When everything was done at the church we left for the cemetery. My cousin went back to the house with Lwazi we had decided that his too young to be going to the cemetery... We got there the choir sang the pastor read a verse nyana then he said a short prayer and the casket was lowered. The cries that came out were just too painful. Qondi didn't cry whatsoever i don't blame her though. We were called to throw flowers in his casket instead of Soil. We went there Qondi was holding me while Lunga was holding My mom and Thando was holding Koko..... My heart was broken i won't lie Gesh talks about he loves me then he does shit like this!..... When everything was done we drove back home we washed our hands at the gate and went inside.. Haike you know how them relatives are they where busy squeezing my cheeks especially my Aunties who last saw me when i was young. Some of them were

I didn't say anything. He went to the door and gently banged his head against the door with his hands in his pockets. Him: I'm gonna kill Lesedi *whispering* He exhaled loudly. Him: Khanyo i never told you this but i hate Girls that smoke i find them very unattractive.. Me: i didn't smoke Lesedi was smoking next to me! He turned around and looked at me. Fuck I'll even triple the amount then after that I'll throw you the biggest wedding that Soweto has ever seen! If that's how I'm gonna get you and Lwazi back into my life then I'll do it!!! Me:

Don't do me any favours! Him: What the fuck do you want from me woman??

Shouting Me: i want you to fucken leave me alone!!! I hate you Gesh okay! Always have and always will. Him: Don't lie to me! Me: i do hate you! Him: If you hate me then why does me cheating with Lesedi hurt you soo much? Let's face it Nokhanya you not angry that i killed your father the fucken reason you doing this to me busy keeping me away from my son is because I cheated on you with Lesedi isn't it? Me: Fine i hate you for sleeping with Lesedi!! I was now crying. Me: thinking about you touching her just drives me crazy! I have to keep her close just to make sure that she's not with you He approached me.. Me: i can't stand the fact that you once told her that you love her and having a baby with her. He tried to touch me but i yanked his hands off. Me: Don't touch me right now.. I'm tired Gesh okay? I'm tired emotionally and physically I'm tired of putting Lwazi through this! He

put his one hand around my waist and the other hand he laid my head on his chest while gently patting me at the back. Him: You don't know how much it hurts me to see you crying like this! And knowing that I'm the cause of your pain. Khikhi i really don't know what got into me that night i slept with Lesedi. I was just angry at you you hated me you didn't want me near you i.....believe me when i say i don't love Lesedi. I love you Khanyo i know you probably might find this hard to believe but serious Ngiyak'ncanwa (i love you). His cologne was drugging me he was smelling soo goooooooooood! Him: i need one last chance please if i screw up then leave me for good this time around take Lwazi away from me and i promise that I won't chase you busy fighting for full custody...I just want my family back. You and Lwazi are my world.. I was very busy speechless.. Him: Anything you want me to do I'll do it. Me: Okay i want one of your BMWs the m3 to

Part 69 until you're mine

I opened my eyes and Gesh was next to me. He was just starring at me. Me: What? Him: You are peaceful when you are sleeping i wish you can sleep most the time. Me: Mxm go to hell He laughed. Me: i need to get home Him: Do you want me to accompany you? Me: You want my family to skin you alive? Him: Then how are we gonna make the lobola situation work if

I had a serious hangover and my voice was scratchy Me: Just don't start any arguments with nobody He went to bath while i got Lwazi from the house. Busi: Hau you look unpleasant Me: I'll be fine it's just a headache. Busi: Gugu Bring Lwazi! Gugu came In with Lwazi. Me: Agh shame my poor munchkin Gugu: akana mama ulwazi uz'hlalele (Lwazi doesn't have a mom shame) Gugu handed him to me. Busi: You and Sihle are putting this baby through hell kungcono ukuthi ningiphe yena (give him to me) Me: No Gesh and i we have sorted out our differences. Gugu: That means no court case? Me: Yes and his ready to things the

and Busi. Vele Thando was already angry.

Thando: Where do you come from?

shouting I kept quiet Him: Nokhanya im talking to you! *shouting* Busi: haibo

Thando uzothusa umntwana kahle

ngomsindo (Thando you'll scare the baby calm down) Qondi came and took Lwazi then went to the lounge. Thando: You back to sleeping with the enemy? You know very well that this guy killed dad Mom: Thando! Thando: Its true! Busi: I'm sorry but please don't accuse my son of things that you don't even have proof off! Thando: No matter what you say Busi but we all know that your Son is the devil's advocate! And i will never rest until i put you behind bars! For killing my father! Gesh laughed. That made Thando more and more angry. Thando: You see what im talking about this boy is disrespectful! He approached Gesh my mom held him. Mom: Eish Thando stop with violence Thando: Mom i just wanna teach him respect. Gesh: Myeke Thuli (leave him Thuli) Busi: Sihle.. Gesh: No mom uzoyenzani? (what is he going to do) My Grandma and Lunga came to the kitchen Koko: What's with all this noise Thando: Entlek vele what are you guys doing here?

Busi: We are here because my.. My son is asking for Nokhanya's hand in marriage
Mom: Yoooh!! Koko: That's nice Thando: Uyahhlanya! (his crazy) Koko: How can it be a crazy thing i mean his trying to do a decent thing. Mama: They are related koko. Sihle's is Alfred's son My Grandma was shocked. Koko: Wait so when i learned that Alfred had a son his name is Sihle all along he meant this Sihle? Mom: Yes Koko: Nokhanya you slept with your cousin! That's blasphemy not even God can accept that! She spat on the ground. Her: Amanyala wodwa! Me: Koko don't talk like that because i blame all the elders here. If you guys were honest with us then none of this would've happened! Now there's a 3rd person to think off and that Is Lwazi! Koko: Nokhanya this is unacceptable!! I forbid you to see Sihle whatever relationship you two have it ends today! Gesh: Sorry ko.. Koko: I'm not done talking!! I've never seen my Grandma so angry. Her: What will people

say? No what will our relatives say? They will think we are crazy busy encouraging such nonsense Lord have Mercy! Thando: Bayahlanya (they are crazy) no one is getting married! Gesh: You guys need to talk and come with a better solution than the nonsense that you are telling us now! If not I will take Lwazi and Nokhanya and you'll never see them again! He clicked his tongue and left. Busi: So Skhosana's family what is it going to be? The cards are on the table. Do we lose this kids forever or we allow them to be? Asizweni phela? (let's here) My family was speechless.

Part 70 until you're mine

I didn't even wait for them to make a decision i went straight to the guest room and started crying. I know that what Gesh and i are doing is wrong i know we gonna be judged and we probably gonna have to live our lives like that. My poor Lwazi his probably gonna have this hard too when he

grows up having to learn that Gesh and i we related it's gonna kill him.... Someone knocked at the door. Me: Come in... Lunga came in and sat next to me.. Me: If you came to judge me too then.. Lunga: That's not What im here for. I looked at him. Him: Nokhanya you have to understand that alot of people are very shocked about this especially Koko. She's old and very strict on culture and religion. I'm sure such has never happened in her days so this is new to her. Me: What are you saying? Him: I'm saying that give her time to get used to the idea Me: And if she doesn't? Lunga: She will have too We were interrupted by Kholo who told us that the family has made a decision. We went and sat at the lounge. Thando drank water. Thando: We have decided that we not gonna allow this Nonsense of a marriage to happen. Me: i saw that one coming Koko: Nokhanya it's wrong no matter how hard you try to make good excuses for it but it's wrong. Even

God knows it's wrong. Me: Then you live me no choice but to take my son and go.. I stood up. Thando: Hlala phantsi! (sit down) I sat down. Me: Its just not fair what you guys are doing! I was never told about Sihle being my cousin! I blame all of you.

Thando: We didn't know that he was gonna come back into our lives! Sihle was never part of this family yes we knew about him but he was never really involved with the Skhosana family. Koko: i knew that my son had a child i never thought that it will be the child next door. Mom: Alfred and Busi are to be blamed for this! Look now they causing unnecessary heartbreaksand uBusi didn't want anything to do with the Skhosana family! Me: Can you blame her?

Nikhohlakele nje la (all of you are evil)

Thando: Watch your mouth! We evil now but when we did everything for you taking you to the best schools ever! I bet we were not evil then! Lunga: Can i say something?

Thando: Yes you can because everyone is

saying something! Lunga sat down. Lunga: I've been quiet and taking in what everyone has been saying Thando: Get to the point! Lunga: Can i talk without you interrupting me? Mama: Thando let him talk Lunga: this is my take on this situation. Sihle and Nokhanya are not to be blamed for this. They are in this situation because of the elders who weren't honest enough with us. It doesn't matter if Gesh wanted to be part of the family or not but then we should've been told about him. I also didn't know about him i only found out recently. I know that others are gonna say but uncle Alfred was the one who should've said something kodwa we can see that his no longer with us then those who knew about the matter why didn't they come forth and said something to prevent such things from happening. Now things have spiralled out of control that Feelings are involved and a child is also involved. Even of we say no to their relationship but the honest truth is that

they will always find a way back to each other. We gonna lose them we gonna lose Nokhanya and Busi is gonna lose Sihle if we do not open our eyes and actually see how deep their love for each other is. Let's go beyond what "Society" thinks or what they gonna say let's do right by this two people who love each other. We the Skhosanas our surname has always been dragged to the mud and we survived can't we survive this too? Let's not think about us for a second let's think about the two people involved here. Now i love my baby sister too much to lose her because of the family's ignorance. He looked at me. Him: Nokhanya i for one accept your relationship with Sihle. By accepting it I'm not saying i condone incest but I'm simply saying i won't fight for things that i have no control over. After saying that he stood up and went. Everyone was surprised by Lunga's speech. I cleared my throat. Me: i also have a few words to say. Sihle and his mother

has suffered a lot in the hands of this family. Sihle already hates this family because of what daddy did. He killed his father right in front of him then introduced Sihle into selling drugs at the age of 11 and promised to kill his mother if he refuses. Dad went as far as raping Busi and then you guys wanna keep Sihle away from me and Lwazi is that fair? You guys have already caused them pain as it already is. They kept quiet. Koko: i.. I've heard everything that has been said here and I think that we should call a family meeting. I will call Ubabomncane and your Grandfather and some of the uncles to intervene because this is a huge decision for us to decide on. Me: Okay with all due respect I'll pack my clothes and go live with Busi because honestly I'm tired of this tension here in this house it's also not healthy for Lwazi I stood up. Thando: Vele Nokhanya you are ready to disown your family and forsake your own culture for the sake of a boy I looked at him. Me: Kanti

what do you have against Gesh? I'm starting to think that this is personal! He didn't reply to me. I walked to the bedroom and started packing

it's also not healthy for ulwazi I stood up.
Thando: Vele Nokhanya you are ready to disown your family and forsake your own culture for the sake of a boy I looked at him.

Me: Kanti what do you have against Gesh? I'm starting to think that this is personal! He didn't reply to me. I walked to the bedroom and started packing my mom came in after a while.....

Her: Awu kodwa Nokhanya manje uzohamba uhlala ngathi awuna khaya (now you gonna go around Acting like you don't have a home)

Me: I'm tired Thuli. Her: how did you know about all of those things that daddy did to Busi? Me:

Gesh told me.. Her: Ohw Busi must've told him.. Me: You don't sound surprised Her:

Come and sit here. I went to sit next to her.

Her: Busi and i were best friend she was

like a sister i never had We went to the same high school and coincidentally dad and his brother went to the same high school. Uyambona nawe uBusi ukuthi muhle njani(you can see how beautiful Busi is) she overshadowed me i used to be jealous sometimes I laughed a bit. Me: Nawe Umuhle nje (you also beautiful) Her: Not like Busi She's right Gesh's mom is just wow. Her: Dad was a bad boy he was involved in this scheming things and Gangsterism everyone at school was scared of him they knew him very well. On the other hand Alfred was an Angel he was the opposite of daddy and was very smart like you he used to kill it at school. Sometimes It was hard to believe that him and dad were related. Me: Then what happened? Her: Daddy wanted Busi soo bad but Busi didn't want him. Yazi Nokhanya it was sad for Busi she always lived in fear your dad amhlupha after school he would wait for her at the gate. Busi was

always crying he would even go as far as going to Busi's place and threatening them with guns Busi and her mom would run to our house for safety. Busi would always cry at school he went as far as forcefully taking her one day after school then aze naye la and he would rape her the whole day. At some point we suspected that Gesh was King's son. Me: He ain't is he? Mom: No his not..Haike Dad's brother Alfred your uncle saw what was happening and started protecting Busi. Dad never went after Alfred because sometimes it's hard to fight with your sibling especially because they were twins. Somehow your dad hit on me i didn't hesitate to say yes I was soo attracted to bad boys and him and his crew just drove me crazy! Me: Ha Mama! She laughed Her: I'm serious. But then things started to settle down there was peace Busi and i were dating brothers but then i could see that dad still wanted Busi he was obsessed with her. It got worse when Busi was pregnant

with Gesh yazi he went crazy but he couldn't leave me because we already had Thandoso he would take his frustrations on me by abusing me etc. Things got worse that he killed Alfred because of the fact that Busi was in love with Alfred and not him. Things became hard for Busi dad turned Gesh what he is today because even though your uncle was dead but he still wanted revenge. Yazi Khanyo i look at Gesh and his nothing like His dad uGesh uyithathile intliziyo ka King (Gesh has King's heart) ufuze uSkhosana he never gives up until he gets what he wants no matter how many people get hurt along the process Me: You right about that.. Her: So ya watch out for Gesh umfuzile uking (Gesh is like Skhosana)

Part 71 until you're mine

Busi was shocked to see me rocking up in her house with bags Lunga was holding Lwazi for me. Me: i would like to stay here

for a few days if you don't mind. I don't like the tension at home it's also not good for Lunga. Her: Ofcourse you can Stay here as long as you want. She came and took Lwazi from Lunga. Busi: i was going to buy vegetables at the shop i would like to go with him if you don't mind. Me: Its okay She went to her bedroom then came back with Lwazi on her back. Me: Awu Busi that's unnecessary Her: haibo sonke sakhula so (we all grew up like this) Me: ung'moshela umntwana Yaz (you ruining my child for me) uyobungekho makasakhalela mina ukuthi ngimfake emhlane (you won't be there when she cries for me to put him on my back) Her: Konje modern mothers! Me: i can't do that Her: You'll have to learn Me: indeed i have too She laughed and went outnow it was just me and Lunga in the room. Me: Thank you for Standing up for me back there Him: i was stating facts Me: Even so thank you He smiled at me. I could see that he wasn't okay. Me: What's

wrong? Him: Its nothing Me: i can see that you okay. He looked at me. Him: Not long ago you were this fragile little sister of mine who couldn't even go outside in a place full of people because of Agoraphobia and panic attacks. Not soo long ago you were getting 90s at school we were this small dysfunctional familyand here you are today you are someone's mom. Me: Ya i know how disappointing it is Him: i wasn't gonna put it like that. I was gonna say that i am proud of the person you've become I looked at him. Him: You have a backbone now you stand up for what you love and believe in. You no longer shaken or intimidated by petty things I'm truly proud of you. I'm not happy about the guy you have fallen for but what can i say.. Me: Are you dying? He chuckled Him: Why? Me: Hai maan there way you talking you no longer that ignorant brother i know Him: i have to grow up. I heard noise outside. Lunga and i kept quiet for a few seconds. Lunga: Whose making

soo much noise? Me: My baby daddy...
Wait for it? Him: Wait for what? Gesh and Scelo were making noise from the passage all the way to the kitchen door. I figured out they were drinking and they was. Me: i meant that They stood at the door as they didn't expect to us there.
Scelo: Yooh sorry Fede ninjani (how are you guys) You can't separate Gesh from Heineken. Scelo: Lunga mfwethu Fede k'hambani? (what's popping) Lunga: Ahh nex. They gave each other handshakes. After a while Lunga and Gesh looked at each other. Konje they have that Lesedi issue. Gesh bowed his head a bit for Lunga so did Lunga. Lunga then stood up. Lunga: I'll see you tomorrow Nokhanya Me: Okay I stood up and gave him the longest hug ever Me: Thank you again Him: I'll always stand up for youyou know that. I smiled at himhe walked out. Scelo: liphi i O'lady umuntu ugawulekile (where's your mom I'm very hungry) Gesh: Stop treating my mom as if

like she's your maid. Scelo: mosowuringa so ngiyazi vele ukuthi uqalile ngokuba stingy (when you talk like that i know that you have started with being stingy) I laughed. Scelo: athi ngiyogindla nyana(let me go and sleep a bit) Gesh: not in my mom's room not even ekamereni ka gugu(not even In Gugu's room) zilande esofeni ntanga (sleep on the couch) Scelo didn't say anything

not even ekamereni ka gugu(not even In Gugu's room) zilande esofeni ntanga (sleep on the couch) Scelo didn't say anything Gesh looked at me. Him: And then wena mosowudonse ubuso so? Woza la (and you what's with the long face come here) I stood up and went up to him he put the can of beer on the sink counter. He put his hands around my waist and kissed me. Gesh: I'm coming.. They went outside to his

minutes i decided to go and eavesdrop the
door was closed but the window was open.
They wouldn't see me because his curtains
are dark..... Thando: How much do you
want me to pay you for you to stay away
from my sister? Gesh: stay away from her
how? Thando: i don't know go away move
to another place we'll fake your Death! We'll
say that you had an accident of some sort.
Gesh laughed. Thando: I'm doing this
because i know you or you forgetting that
you and i come very far i know all your
scandals. Gesh: Vele Thando even today
we gonna hate each other and remain

sworn enemies because of leskhekhe sakho(because of that bitch of your)

Thando: Don't call her that!! (shouting) she's not about that life anymore she has changed! Gesh: uyahlanya yisfebe lento yakho! (that thing of yours is a bitch)

Thando: You being here is opening up old wounds she can't even sleep at night she cries the whole night! Gesh: That was a long time ago Thando: but it still hurts her. She loved you wholeheartedly and wena what did you do? You made her your sperm dish! Gesh: i told her that I didn't Have any feelings for her but she kept on pushing and giving me Pussy what was i supposed to do? Thando: Just disappear! You have caused alot of people pain! Gesh: i don't know why you mad at me when your Father and John fucked her too. Why aren't you mad at them too? Thando: Because with them it was just sex! But with you it was love! She loved you and everytime that you slept with her you took a piece of her.

Gesh: Don't make it sound as if like uMandaiza was a decent girl she was a fucken stripper and a part time prostitute! Nawe awucavanga!(you not smart) that bitch slept with your father several times but you still went ahead and married her!

Thando: Don't call her by that name! She doesn't go by that name anymore her name is Kholo! I put my hand around my mouth i couldn't believe this i went back to the house. Tears fell i couldn't believe this. I had mixed emotions and anger was one of them. I went out and went to my house. I found her cooking Lunga was helping her. Lunga: Hey you.. I looked around Kholo: Nokhanya are you alright? I grabbed a knife and went to her. Lunga: Nokhanya Whoa! I swear i wanted to hurt her as i was approaching her ready to stab her Lunga jump in and the knife accidentally went in his stomach. Lunga: Ahhhhhhhhhhhhh!!!! He said that as he was going down. I put both

my hands on my cheeks not aware of what I've just did. Me: Lunga!!!!!!!

Part 72 until you're mine

When my mom saw what happened she quickly got her car out of the garage and we took Lunga to the hospital. He had lost a lot of blood when we got there and was unconscious. My t-shirt was full of his blood and my hands as well..... My mom Kholo Koko and myself we were sitting at the waiting area. I didn't look at Kholo i didn't even wanna say nothing to her.

Mama: What really happened? Nokhanya what made you to stab your brother? I kept quiet. Mama: I'm talking to you Nokhanya *Shouting* Koko: Calm down Thuli this is a hospital. My mom was crying. Mom: Yazi i... I'm done with you Nokhanya you hear me! I'm enough with you! My mom stood up and Walked away. Koko: I'm coming Koko stood up and went after my mom..... Kholo: No.... She cleared her throat. Her: What

was that all about? I looked at her. Me: You are a slut! A tramp you belong on a corner!! She looked at me as if like she didn't believe that i was saying this things. Gesh and Thando came rushing in. Thando: What happened? What's this i hear about Lunga? Kholo stood up and hugged him. Gesh Came to me. Gesh: Are you alright? He tried touching me but i acted cold towards her. Kholo: How did you find out? Thando: from some girl called Nomvula what really happened? Kholo: uNokhanya was trying to stab me but Lunga jumped in front of me and he got stabbed instead of me Thando: What? Gesh: Khanyo what would you do that for? Thando: Ya Nokhanya why would wanna hurt my wife like that? Me: Wife? Wife Thando? Didn't you say this thing slept with Dad and Gesh? Isn't this thing a hooker and a stripper? They all looked surprised. Me: Yes i heard it all! Thando: Nokhanya that's some deep past you shouldn't concern yourself with!

Kholo: Exactly! I approached her and Gesh held me. Me: say one word Tramp and i swear! Gesh: I'll take her home.. Thando nodded his head. Gesh: Let's go.. Me: I'm not going anywhere.. He tried pulling me but i started hitting me. Me: Don't touch me!! *shouting* A nurse approached us. Nurse: Excuse me do we have a problem here? Gesh: No we don't

I thought Sihle was just joking when he said he was gonna beat me up. He gave me a beating that I'm probably never gonna forget in my life. The only thing I had remembered was being beaten up to the pulp i screamed i cried but i doubt Anathi heard because they were downstairs. I screamed until i gave up screaming because my throat was getting a bit sore..... Halfway through the beating i think i blacked out because I woke at the hospital with Anathi starring at me. I was a bit drowsy i could feel that they had Given me Anaesthesia. Anathi smiled at me. Her: Hey.. Me: hi (scratchy voice) My voice was scratchy and half of it was gone. I tried to move but i was in excruciating pain the kind of pain that I've never felt before.. Me:

Dr: Good afternoon We greeted him back Dr: the last time i saw you you were here to give birth and today you are here with bruises what happened? I told him the same story i told Nhlanhla that i got attacked i wasn't gonna tell them the truth about Gesh. What happened was my fault i swear i pushed him too far and I'm taking responsibility. .. Dr: Even though you don't remember or know how they look like I'm still gonna call the police Me: doctor please I've been through hell it's enough now i just wanna let this go.. He looked at me. Dr: If you say so..... I was in hospital for two weeks Gesh never came to see me even once. I was depressed did he still love me?

Have i pushed him too far that he doesn't care about me anymore? I cried everyday in that hospital. How was my little Lwazi doing the trauma i keep on putting him through how is he ever grow up with such a mother. I love my son with all my heart but i feel like I've failed him. You know when you alone you get to think about all the crap that you've done..... I was finally discharged Anathi came to fetch me. She was wearing all black with a red Bandana around her neck and a black one around her wrist. Me: You a blood too? Her: I've been a blood for quiet a while now. Me: i still remember her. She gave me a handshake. Anathi: Gina this is Khanyo Gesh's woman Gina: Do you mind If i call you Kay? Me: No its alright my friends call me that too. She smiled at me. I wasn't 100% okay the

doctors said it's gonna take me a while to recover because the damage that was done internally was too great. He gave me some pain killers and told me to buy some bathing salts and what not and come to see him after 6 months..... I was limping all the way to the car and I was walking slow. I went to bed with a broken heart. There's nothing that's more painful than being a mother and not be allowed to see your baby..... I was woken up in the morning by some noise coming from the lounge i opened the curtain a little it was still dark outside. I checked my phone it was 4am. Me: What the..??! Gesh wasn't next to me i went to the lounge and what do you know? He was playing Grand theft Auto.. I stood by the door waiting for him to notice me which took 30min. He paused the game. Him: problem? Me: Who plays games at 4am? Him: Me.. Me: i was sleeping you know. Him: Really? I thought you'd be used to waking up early in the morning now since you've been partying till the morning. I swear i felt like strangling him. Him: Before i forget we have to see the elders today at around 14:00 to discuss the lobola situation. Me: Okay I went back to

the bedroom since i couldn't sleep anymore i thought of doing some cleaning..... I started tidying up in the bedroom. I couldn't believe what i found as I was emptying the washing basket. A bra i know it's not mine because i am not that big..... I cannot believe that Gesh has done being fucking other bitches in my house in my bedroom! I thought of confronting him but i thought otherwise so i made the bed and laid the Bra nicely on the bed..... I went to bath then brushed my teeth. I wore leggings i found them a bit soothing i also wore a long t-shirt and heels. I put on my make up and tied my hair into a ponytail. I took my small bag my phone and went out. I passed him in the lounge. Our lounge and kitchen it was just one open space no wall dividing the two. He paused. Him: Uyaphi? (Where are you going) Me: I'll meet you at my house ngo 14:00 Him: Nokhanya!! I banged the door. I tried not to cry didn't wanna ruin my make up. It was now around

6am. I had taken some cash in the house so I made my way to the hiking spot..... I was on my way to Pat's place and i arrived there in no time.... I rang the bell his mom opened. Her: Nokhanya! But she had that white accent of pronouncing black names. She hugged me. Me: Hello Tannie Her: look at you how big you now i mean the last time i saw you you were very thin. I laughed. Me: That's all the baby weight Her: Patrick told me that you have a baby now when am i gonna see him? Me: I'll bring him here some day Her: Please do.. I smiled. Me: I'm here to see pat. Her: His still sleeping let me go and wake him up.. Me: Leave that to me. She laughed. Her: You gonna wake him up the same way you used too back when yuy guys were young? Me: Exactly! Patrick's house was a double story he was also from a rich family..... I got to his room and indeed he was still sleeping. I took off my heels. I got on his bed starting jumping up and down while Singing loud

Me: Soulja boy off in this hoe Watch me crank it Watch me roll Watch me crank that soulja boy Then super man that hoe Now watch me you!!!!. I kept on singing he took a pillow and covered his head. I went on and on until he turned and he was laying on his bed he tripped me with his leg and i fell next to him. The fall had an impact on me especially because i wasn't healed yet but I didn't wanna show pat that i was in pain. I faked a smile.. Him: We no longer 8 Me: Yes we are! He smiled. It's only today i realise how cute my friend is. He got out of bed he was wearing those boy shorts that were a bit tight like a bum short
