The president's maid

Prologue

I watched from afar as my home or should i say
shack burn down to the ground and it hit me

that i left my sick mother there. Tears stream down my face with my lips trembling I'm at the verge of screaming and as I'm about to get closer i see two man laughing and also smoking. Y'all must be wondering where was i? Well i went to fetch water from a near by river next to it there is a big scary forest which i heard stories about. I looked at these man and i decided to just turn slowly and run for my life . Before i even do that they ,saw me

Man 1: hey young lady !

Man 2:come here u brat

I don't even know these man right there i ran for my life . I passed the river and yes I'm heading to the scary forest but that's the least of my worries right now these man want me dead for sure . I went deep into the forest and it's not that bad at all i continue walking looking

behind my shoulder just checking. I was getting tired and my legs were paining already. I heard the sound of a car hoot i beamed in happiness finally I'm getting out of this forest. But my heart is failing me I'm tired and this is my last straw for sure i fall down and it went blank.

My name is Nomani Loviwe Gumede . I'm a brown skin girl with brownish eyes my lips are pink I'm a slender girl with a normal butt and c cup tities my mother is Nokwazi Mzamo Gumede well my father he died when he was on his way to work long story. This is my journey come and join me Noma.

Stranger

I went to hunt in the forest. I'm what they call a hunter. As I continue walking and searching for food, I saw something. I went further, I was starting to get happy that I found food but to my surprise it's a human. A very beautiful melanin girl she looks like she's 17. She looks drained so I thought of taking her with me. I live in this forest so it won't be a bad idea but the problem is that I live with my son but he knows me as his big brother. We've been living in this forest for a year now. His mother committed suicide last year that was when he was 4 years old so that means he's now 5 years old and his name is Enzo. My parents, well I was born and raised by some whites they bought me at the orphanage. Life was good there I mean I had freedom and they were also rich. I overdid it and went to a party, had fun I also

had sex with some girl i mean i was 19 so yeah .
I do regret that but i don't know how to feel
when it's comes to Enzelo it's like he was a
mistake . I've never given Enzelo the love he
deserves. I don't know what to ..

Melanin girl:mom come back(almost crying)

This girl is having a nightmare . I wish i could be
her hero (laughs) how pathetic. I continue with
my journey to my house i don't want to bore
you with my sob stories. I better hurry up i don't
want Enzelo crying.

Stranger:This girl is very heavy for a slender girl
like does she eat unhealthy food or maybe she
have stones in her pockets.

What a joke.Like I'm seriously talking to my self
I'm getting crazy now just because of bubble
boo

Stranger: Yeah what a great pet name Bubble
Boo

(He continues walking but he stops)

I see a rabbit this might be our dinner.

Stranger: yes me and Bubble

His mind: what about your son you idiot

Stranger: Yes and Enzo

I put down Bubble Boo on the ground i really
need to catch this rabbit.

Noma

I blinked as i feel like I'm being put down. Like
what is happening am i dead but should i be
seeing angl

Noma

I blinked trying to get a clear image but it was blur. I saw a shadow it's looks like a man, he's carrying a knife with something hairy on his hand is that blood ogm he's coming closer

Me: Don't come near me!

(I'm shaking guys I'm so scared what if he kills me)

Stranger: hey relax (coming closer)

Me: no no plz don't kill me I'm just a small girl lost in these woods i will run away and never look back but plz don't kill me

Stranger

I looked at Bubble Boo busy rumbling shit . She looks so cute when doing that . It's looks like she's having a panic attack

Me:Bubble boo plz calm down i won't do anything to you

Bubble:I'm just an orphan plz spare me

Me:Calm down breath

(She just collapsed)Gosh now i have to carry her again ooo god it's gonna be a long ass day.

I went to her and put her on my shoulder. I almost forgot to tell you guys that i got the rabbit so dinner will be served I'm so hungry and bubble boo is not making it easy for me.i continue walking with bubble's head bumping on my ass what if i fart maybe she will wake up(smiles evilly)

My mind:sies that's so evil

Was just joking. I can see our house it's not that dark but the sun is about to set. Enzo comes out of the house running.(He is coming my way)

I looked at my son running towards me and it seems like he's happy to see me .

Me:hey boy boy(raffling his hair)

Enzelo:Hey bhuti(means brother)

Me:Happy to see me?

Enzelo:More than happy (they both smile)

Enzelo:Did you get anything? Of course you did
i mean you are big

Me:(laughs)

Enzelo:what's that is it a bear?

They are heading towards their home

Me:(i looked at this boy rambling)why don't you check it out

Enzelo:(clapping his hands getting excited)but your bear has smooth skin like us no ways she is like us but i thought you said we are the only

people on earth (they have reached their house)I opened the door and the house was just the way i left it CLEAN our house has a kitchen ,dinning room and also one room yeah i know it's a little bit fancy for a house that is situated in a forest but it wasn't mine too. It was a house of a British hunter he found us roaming around the road and took us in but he went back to his country so it all ours now. So i went to our room and put bubble on the bed and cover her with the dirty sheets don't judge I'm a man .All this time Enzo was busy following me .He is busy studying this girl.

Me:Enzo can you please watch over her I'm going to braai this rabbit

Enzelo:Oh you m

seat belts.

It's been 1 hour and Noma is still sleeping while Dumi is driving. He believes that if he was alone it would have took 30 minutes to reach home. Well they are going to stay at their warehouse that has been bought by Muzi *illegally*.
